Subd. 7. [RENEWAL; NOTICE REQUIREMENT.] No insurer shall refuse to renew, or reduce limits of coverage, or eliminate any coverage in a homeowner's insurance policy unless it mails or delivers to the insured, at the address shown in the policy, at least 60 days advance notice of its intention. The notice must contain the specific underwriting or other reason or reasons for the indicated action.

Sec. 3. Minnesota Statutes 1982, section 65A.29, is amended by adding a subdivision to read:

Subd. 8. [RULES.] The commissioner may adopt rules pursuant to chapter 14, to specify the grounds for nonrenewal, reduction in limits of coverage, or elimination of coverage of a homeowner's policy. The rules must limit the grounds to the following factors:

(a) reasons stated for cancellation in section 65A.01, subdivision 3a;

(b) reasons stated in section 72A.20, subdivision 13;

(c) insured's loss experience, not to include natural causes; and

(d) other factors deemed reasonable by the commissioner.

The rules may give consideration to the form and content of the termination notice to the insured, a statement as to what constitutes receipt of the termination notice, and the procedure by which the insured may appeal a termination notice.

The rules adopted under this subdivision may provide for imposition of a monetary penalty not greater than \$500 per occurrence upon insurers who are found to be in violation of the law or the rules.

Sec. 4. Minnesota Statutes 1982, section 65A.29, is amended by adding a subdivision to read:

Subd. 9. [NOTICE OF RIGHT TO COMPLAIN.] A named insured who believes a nonrenewal, reduction in the limits of coverage, elimination of coverage, or cancellation under section 65A.01, subdivision 3a, is in violation of the law or the rules may, within 30 days after receipt of the notice, file in writing an objection to the action with the commissioner.

Upon receipt of a written objection, the commissioner shall notify the insurer of receipt of the objection and of the right of the insurer to file a written response within ten days of receipt of the notification. Within 30 days of receipt of written objection by an insured, the commissioner shall approve or disapprove the insurer's action and shall notify the insured and insurer of his final decision. A decision which disapproves the insurer's action constitutes a charge that the insurer has violated the law or the rules. Either party may institute proceedings for judicial review of the commissioner's decision. The commissioner's decision is binding pending judicial review.

Sec. 5. Minnesota Statutes 1982, section 65B.44, subdivision 5, is amended to read:

Subd. 5. [REPLACEMENT SERVICE AND LOSS.] Replacement service loss benefits shall reimburse all expenses reasonably incurred by or on behalf of the nonfatally injured person in obtaining usual and necessary substitute services in lieu of those that, had he not been injured, the injured person would have performed not for income but for the direct benefit of himself or his household; if the nonfatally injured person normally, as a full time responsibility, provides care and maintenance of a home with or without children, the benefit to be provided under this subdivision shall be the reasonable value of such care and maintenance or the reasonable expenses incurred in obtaining usual and necessary substitute care and maintenance of the home, whichever is greater. The term "household" as used in this section is defined to be a domestic establishment maintained either (1) by two or more persons living together within the same house or place of abode, subsisting in common and constituting a domestic or family relationship, or (2) by one person.

(b) During the period of his active service and for six months after his discharge therefrom, no member of the armed forces of the United States shall lose status of a householder under paragraph (a) which he had immediately prior to becoming a member of the armed forces.

In case there is an assessment against more than one member of a household the \$100 exemption shall be divided among the members assessed in the proportion that the assessed value of the Class 2 property of each bears to the total assessed value of the Class 2 property of all the members assessed. The Class

2 property of each household claimed to be exempt shall be limited to property in one taxing district, except in cases where a single domestic establishment is maintained in two or more adjoining districts.

The equipment or device shall meet standards, regulations or criteria prescribed by the Minnesota Pollution Control Agency, and must be installed or operated in accordance with a permit or order issued by that agency. The Minnesota Pollution Control Agency shall upon request of the commissioner furnish information or advice to the commissioner. If the commissioner determines that property qualifies for exemption, he shall issue an order exempting the property from taxation. Subd. 3. [PETITION BY ALL OWNERS.] Whenever all owners of real property abutting upon any street named as the location of any improvement shall petition the council to construct the improvement and to assess the entire cost against their property, the council may, without a public hearing, adopt a resolution determining such fact and ordering the improvement. The validity of the resolution shall not be questioned by any taxpayer or property owner or the municipality unless an action for that purpose is commenced within 30 days after adoption of the resolution as provided in section 429.036. Nothing herein prevents any property owner from questioning the amount or validity of the special assessment against his property pursuant to section 429.081. *In the case of a petition for the installation of a fire protection or a pedestrian skyway system, the petition must contain or be accompanied by an undertaking satisfactory to the city by the petitioner that the petitioner will grant the municipality the necessary property interest in the building to permit the city to enter upon the property and the building to construct, maintain, and operate the fire protection or pedestrian skyway system. In the case of a petition for the installation of a fire protection or pedestrian skyway system which will be privately owned, the petition shall also contain the plans and specifications for the improvement, the estimated cost of the improvement and a statement indicating whether the city or the owner will contract for the construction of the improvement. If the owner is contracting for the construction of the improvement, the city shall not approve the petition until it has reviewed and approved the plans, specifications, and cost estimates contained in the petition. The construction cost financed under section 429.091 shall not exceed the amount of the cost estimate contained in the petition. In the case of a petition for the installation of a fire protection or a pedestrian skyway system, the petitioner may request abandonment of the improvement at any time after it has been ordered pursuant to subdivision 1 and before contracts have been awarded for the construction of the improvement under section 429.041, subdivision 2. If such a request is received, the city council shall abandon the proceedings but in such case the petitioner shall reimburse the city for any and all expenses incurred by the city in connection with the improvement.*

Sec. 6. Minnesota Statutes 1982, section 429.091, subdivision 2, is amended to read:

Subd. 2. [TYPES OF OBLIGATIONS PERMITTED.] The council may by resolution adopted prior to the sale of obligations pledge the full faith, credit, and taxing power of the municipality for the payment of the principal and interest. Such obligations shall be called improvement bonds and the council shall pay the principal and interest out of any fund of the municipality when the amount credited to the specified fund is insufficient for the purpose and shall each year levy a sufficient amount to take care of accumulated or anticipated deficiencies, which levy shall not be subject to any statutory or charter tax limitation. Obligations for the payment of which the full faith and credit of the municipality is not pledged shall be called improvement warrants or, *in the case of bonds for fire protection or pedestrian skyway systems, revenue bonds* and shall contain a promise to pay solely out of the proper special fund or funds pledged to their payment. It shall be the duty of the municipal treasurer to pay maturing principal and interest on warrants or revenue bonds out of funds on hand in the proper (SPECIAL FUND) funds and not otherwise.

Sec. 7. Minnesota Statutes 1982, section 429.101, subdivision 1, is amended to read:

The commissioner of finance on July 1, 1984, shall transfer an additional \$125,000,000 to the budget reserve account in the general fund. The amounts transferred shall remain in the budget reserve account until expended under subdivision 1.*

ARTICLE 2

INCOME TAX

Section 1. Minnesota Statutes 1982, section 10A.31, subdivision 3a, is amended to read:

Subd. 3a. *A minor political party as defined in section 10A.01, subdivision 13 qualifies for inclusion on the income tax form and property tax refund return as provided in subdivision 3, provided that*

(1) (a) *If a petition is filed, it is filed by June 1 of the taxable year; or*

(b) *if the party ran a candidate for statewide office, that office must have been the office of governor and lieutenant governor, secretary of state, state auditor, state treasurer, or attorney general; and*

(2) *the secretary of state certifies to the commissioner of revenue by July 1, 1984, and by July 1 of every odd-numbered year thereafter the parties which qualify as minor political parties under this subdivision.*

A minor party shall be certified only if the secretary of state determines that the party satisfies the following conditions:

(a) *the party meets the requirements of section 10A.01, subdivision 13, and in the last applicable election ran a candidate for the statewide offices listed in clause (1)(b) of this subdivision;*

(b) *it is a political party, not a principal campaign committee;*

(c) *it has held a state convention in the last two years, adopted a state constitution, and elected state officers; and*

(d) *an officer of the party has filed with the secretary of state a certification that the party held a state convention in the last two years, adopted a state constitution, and elected state officers.*

Sec. 2. Minnesota Statutes 1982, section 10A.31, subdivision 5, is amended to read:

Subd. 5. In each calendar year the moneys in each party account and the general account shall be allocated to candidates as follows:

(1) 21 percent for the offices of governor and lieutenant governor together;

(2) 3.6 percent for the office of attorney general;

(3) 1.8 percent each for the offices of secretary of state, state auditor and state treasurer;

(4) In each calendar year during the period in which state senators serve a four year term, 23-1/3 percent for the office of state senator and 46-2/3 percent for the office of state representative;

(5) In each calendar year during the period in which state senators serve a two year term, 35 percent each for the offices of state senator and state representative;

(6) To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, moneys from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive moneys from his party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula:

For each county within his district the candidate's share of the dollars allocated in that county to his party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in his district for all candidates of his

party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of his party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in his party account allocated in that county and set aside for the candidates for the office for which he is a candidate.

The sum of all the county shares calculated in the formula above is the candidate's share of his party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, ("LAST GENERAL ELECTION" MEANS THE LAST GENERAL ELECTION IN WHICH THE NAME OF A CANDIDATE OF THAT PARTY APPEARED ON THE BALLOT IN EACH VOTING PRECINCT IN THE STATE) amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in his district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in his party account allocated in that county and set aside for the candidates for the office for which he is a candidate.

Subd. 11. [CONTRIBUTIONS TO POLITICAL PARTIES AND CANDIDATES.] A taxpayer may take a credit against the tax due under this chapter of 50 percent of his contributions to candidates for elective state or federal public office and to any political party. The maximum credit for an individual shall not exceed \$50 and, for a married couple filing jointly or filing a combined return, shall not exceed \$100. No credit shall be allowed under this subdivision for a contribution to any candi-

date, other than a candidate for elective judicial office or federal office, who has not signed an agreement to limit his campaign expenditures as provided in section 10A.32, subdivision 3b. For purposes of this subdivision, a political party means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a. Sec. 6. Minnesota Statutes 1982, section 290.06, is amended by adding a subdivision to read:

Subd. 16. [CONSERVATION TILLAGE FARM EQUIPMENT; CREDIT.] (a) A credit is allowed against the tax imposed by this chapter in an amount equal to ten percent of the net cost of conservation tillage planters.

(b) The credit for a taxable year may not exceed the liability for tax. The amount of any unused credit for a taxable year shall be a carryback to each of the preceding three taxable years and a carryover to each of the succeeding five taxable years. The entire amount of the credit shall be carried to the earliest of the taxable years to which it may be carried.

(c) For the purposes of sections 290.46 and 290.50, if the claim for refund relates to an overpayment attributable to a carryback under this subdivision, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period of limitation shall be that period which ends with the expiration of the 15th day of the 46th month, or the 45th month, in the case of a corporation, following the end of the taxable year in which the credit arises which results in the carryback. With respect to any portion of a credit carryback from a taxable year attributable to a loss carryback from a subsequent taxable year, the period of limitations shall be that period which ends with the expiration of the 15th day of the 46th month, or, in the case of a corporation, the 45th month following the end of the subsequent taxable year. In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback, interest shall be computed only from the end of the taxable year

in which the credit arises. With respect to any portion of a credit carryback from a taxable year attributable to a loss carryback from a subsequent taxable year, interest shall be computed from the end of the subsequent taxable year.

(d) For purposes of this subdivision, the following terms have the meanings given:

(A) social security benefits,

(B) railroad retirement benefits, and

(C) the excess over \$23,000 of federal adjusted gross income, but excluding social security benefits and railroad retirement benefits to the extent included in federal adjusted gross income.

(3) Notwithstanding clauses (1) and (2), in the case of an involuntary lump sum distribution of pension or retirement benefits to volunteer firefighters, the maximum amount of the exclusion is \$11,000. This amount is not subject to reduction for other income of the taxpayer.

Sec. 9. Minnesota Statutes 1983 Supplement, section 290.09, subdivision 29, is amended to read:

Subd. 29. [DEDUCTIONS ATTRIBUTABLE TO FARMING.] (a) [DEFINITIONS.] For purposes of this subdivision, income and gains and expenses and losses shall be considered as "arising from a farm" if such items are received or incurred in connection with cultivating the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, including horses for horse racing, bees, poultry, and fur-bearing animals and wildlife, and all operations incident thereto, including but not limited to the common use of "hedging."

(b) [DEDUCTIONS LIMITED.] Except as provided in this subdivision, expenses and losses, except for interest and taxes, arising from a farm shall not be allowed as deductions in excess of income and gains arising from a farm.

(c) [DEDUCTIONS ALLOWED; CARRYOVER DEDUCTIONS.] Expenses and losses arising from a farm or farms shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the first \$30,000 of nonfarm gross income, or nonfarm taxable net income in the case of a corporation, provided however that in any case where nonfarm income exceeds \$30,000, the maximum allowable amount of \$30,000 shall be reduced by an amount equal to the nonfarm income in excess of \$30,000 multiplied by three. For this purpose and for the purpose of applying the limitation in the following paragraph regarding the application of any carryback or carryforward, the term gross income shall include the ordinary income portion of a lump sum distribution as defined in section 402(e) of the Internal Revenue Code of 1954, as amended through December 31, 1981, and no deduction shall be allowed for two-earner married couples as provided in section 221 of the Internal Revenue Code of 1954, as amended through December 31, 1981. Any remaining balance of the deductions shall be carried back three years and carried forward five years, in chronological order, provided, however, that in any case in which any individual, estate or trust which

elects a net operating loss carryforward under section 172(b)(3)(C) of the Internal Revenue Code of 1954, as amended through December 31, 1981, such losses shall not be carried back but shall only be carried forward.

Current expenses and losses shall be utilized as deductions in any taxable year, to the extent herein allowable, prior to the application of any carryback or carryover deductions. In any event, the combined amounts of such current expenses and losses and carryback or carryover deductions shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the first \$30,000 of nonfarm gross income, or nonfarm taxable net income in the case of a corporation, provided however that in any case where nonfarm income exceeds \$30,000, the maximum allowable amount of \$30,000 shall be reduced by an amount equal to the nonfarm income in excess of \$30,000 multiplied by three. *For taxable years beginning after December 31, 1984, the \$30,000 amount in this subdivision shall be adjusted for inflation in the manner provided in section 290.06, subdivision 2d. The commissioner shall round that amount to the nearest hundred dollar amount. When adjusting the amount for inflation, the commissioner shall use the actual dollar amount of the maximum allowable amount of nonfarm income prior to rounding. Carryback or carryover deductions will be subject to the maximum amount in effect for the year to which the deduction is carried.*

(d) [SHAREHOLDERS SEPARATE ENTITIES.] For purposes of this subdivision, individual shareholders of an S corporation shall be considered separate entities.

(e) [SPECIAL PERIOD OF LIMITATION WITH RESPECT TO FARM LOSS LIMITATION CARRYBACKS.] For the purposes of sections 290.46 and 290.50, if the claim for refund relates to an overpayment attributable to a farm loss limitation carryback under this subdivision, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period of limitation shall be that period which ends with the expiration of the 15th day of the 46th month (or the 45th month, in the case of a corporation) following the end of the taxable year of the farm loss which results in the carryback. During this extended period, married individuals who elected to file separate returns or a combined return may change their election and file a joint return.

(f) [INTEREST ON CLAIMS.] In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback of a farm loss, interest shall be computed only from the end of the taxable year in which the loss occurs.

(g) [ORDER OF APPLICATION.] The application of this subdivision shall be made after applying any limitation to out of state losses contained in section 290.17.

Sec. 10. Minnesota Statutes 1983 Supplement, section 290.18, subdivision 2, is amended to read:

Subd. 2. [FEDERAL INCOME TAX PAYMENTS AND REFUNDS.] The adjusted gross income shall be computed by deducting from the gross income assignable to this state under section 290.17, the deduction for allowable federal income taxes determined under the provisions of sections (290.09, SUBDIVISION 4,) 290.10 (8), (9) or (10), and 290.18: *For purposes of the preceding sentence, federal income tax shall include the foreign tax credit allowed under section 33 of the Internal Revenue Code of 1954, as amended through December 31, 1983.*

This deduction shall be allowed to individuals, estates, or trusts (i) for taxable years beginning after December 31, 1980 in the taxable year to which the liability applies. Such liability includes the portion of self-employment tax allowed under section 290.10, clause (8). The self-employment tax must be deducted by the person who is deriving the income. When the federal tax liability is joint and several under the computation of a joint federal return of husband and wife, the federal tax liability must be split between the spouses in the same ratio that the federal adjusted gross income of that spouse bears to the total federal adjusted gross income. For purposes of the preceding sentence, "federal adjusted gross income" includes the ordinary income portion of a lump sum distribution as defined in section 402(e) of the Internal Revenue Code of 1954, as amended through December 31, 1981.

(ii) Taxes paid for a taxable year beginning before January 1, 1981 shall be allowed as follows:

(1) Those taxes paid in a taxable year beginning before January 1, 1981, shall be claimed in the year in which the payment was made.

(2) Those paid in a taxable year beginning after December 31, 1980 but before January 1, 1983 shall be divided and deducted in equal installments reflected by the yearly periods beginning with the first day of the taxable year in which the payment was made and ending December 31, 1986. For an amount which remains to be deducted in a taxable year beginning after December 31, 1982, where the federal tax liability for the year in which the payment was made is joint and several under the computation of a joint federal return of husband and wife, the remaining amounts to be deducted shall be claimed by the same spouse and in the same dollar amount as the deduction was claimed in the first taxable year beginning after December 31, 1981.

(3) Those paid in a taxable year beginning after December 31, 1982 shall be claimed in the year in which the payment was made. This amount shall be apportioned between spouses as

provided in clause (i) and shall be allocated for exempt income under the provisions of section 290.10, clause (9) or (10) as though the payment was part of the federal tax liability for the year in which the payment was made.

(4) In the case of a person who was self employed during all or a portion of the taxable year, the federal income tax liability for purposes of this clause shall be increased by the self-employment tax allowed under section 290.10, clause (8). The self-employment tax shall be deducted in the year paid as provided in paragraph (1), (2), or (3). The self-employment tax must be deducted by the person who earned the income. Self-employment tax paid in a taxable year beginning after December 31, 1982 shall be allocated for exempt income as provided in paragraph (3).

(iii) If a taxpayer's federal tax liability is eventually not paid by reason of compromise, discharge, or court order, the deduction allowed pursuant to this subdivision shall be disallowed for the taxable year in which the liability was accrued.

(iv) In the event a federal tax liability for a taxable year commencing after December 31, 1980 is increased, decreased or modified, and such increase, decrease or modification has resulted in a change in the amount of Minnesota income tax in the year to which such increase, decrease or modification is attributable, the taxpayer's deduction under this subdivision shall be modified for such year.

(v) If the readjustments required in (iii) or (iv) are for taxes reflected in the transition rule described in (ii)(2), the readjustment shall be made equally to the remaining installments and if a reduction to such installments is required under this readjustment which exceeds the total of all remaining installments, the remaining installments will be reduced to zero and the excess included in income as a federal income tax refund.

(vi) Refunds which are not involved with any readjustments under the transition rule shall be included in income under Minnesota Statutes 1982, section 290.01, subdivision 20a, clause (6) if it is from a year beginning before January 1, 1981.

(vii) Refunds of taxes for years beginning after December 31, 1980, shall be used to adjust the deduction in the taxable year of the liability unless that year is closed by statute and no other adjustments are to be required or allowable in which case such refund shall be reportable in the year received.

Sec. 11. Minnesota Statutes 1982, section 290.19, subdivision 1a, is amended to read:

Subd. 1a. [DETERMINATION OF SALES MADE WITHIN THIS STATE.] For purposes of this section the following

rules shall apply in determining whether or not sales are made within this state.

Sales of tangible personal property are made within this state if the property is (DELIVERED OR SHIPPED TO) received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point (OR), other conditions of the sale, or the ultimate destination of the property. However, when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state. Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

Sales made by or through a corporation which is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code of 1954, as amended through December 31, 1981, shall not be considered to have been made within this state.

Sec. 12. Minnesota Statutes 1982, section 290.61, is amended to read:

290.61 [PUBLICITY OF RETURNS, INFORMATION.]

It shall be unlawful for the commissioner or any other public official or employee to divulge or otherwise make known in any manner any particulars set forth or disclosed in any report or return required by this chapter, or any information concerning the taxpayer's affairs acquired from his or its records, officers, or employees while examining or auditing any taxpayer's liability for taxes imposed hereunder, except in connection with a proceeding involving taxes due under this chapter from the taxpayer making such return or to comply with the provisions of sections 290.612 and 302A.821. The commissioner may furnish a copy of any taxpayer's return to any official of the United States or of any state having duties to perform in respect to the assessment or collection of any tax imposed upon or measured by income, if such taxpayer is required by the laws of the United States or of such state to make a return therein. The commissioner may disclose information from withholding tax returns received from the taxpayer to the Minnesota department of economic security for purposes of auditing unemployment tax. Prior to the release of any information to any official of the United States or any other state or the department of economic security under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that he will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected

under the laws of the state of Minnesota. The commissioner and all other public officials and employees shall keep and maintain the same secrecy in respect to any information furnished by any department, commission, or official of the United States or of any other state in respect to the income of any person as is required by this section in respect to information concerning the affairs of taxpayers under this chapter. Nothing herein contained shall be construed to prohibit the commissioner from publishing statistics so classified as not to disclose the identity of particular returns or reports and the items thereof. Upon request of a majority of the members of the senate tax committee or of the house tax committee or the tax study commission, the commissioner shall furnish abstracted financial information to those committees for research purposes from returns or reports filed pursuant to this chapter, provided that he shall not disclose the name, address, social security number, business identification number or any other item of information associated with any return or report which the commissioner believes is likely to identify the taxpayer. The commissioner shall not furnish the actual return, or a portion thereof, or a reproduction or copy of any return or portion thereof. "Abstracted financial information" means only the dollar amounts set forth on each line on the form including the filing status.

Any person violating the provisions of this section shall be guilty of a gross misdemeanor.

In order to locate the named payee on state warrants issued pursuant to this chapter or chapter 290A and undeliverable by the United States postal service, the commissioner may publish in any English language newspaper of general circulation in this state a list of the name and last known address of the payee as shown on the reports or returns filed with the commissioner. The commissioner may exclude the names of payees whose refunds are in an amount which is less than a minimal amount to be determined by the commissioner. The published list shall not contain any particulars set forth on any report or return. The publication shall include instructions on claiming the warrants.

An employee of the department of revenue may, in connection with his official duties relating to any audit, collection activity, or civil or criminal tax investigation or any other offense under this chapter, disclose return information to the extent that such disclosure is necessary in obtaining information, which is not otherwise reasonably available, with respect to the correct determination of tax, liability for tax, or the amount to be collected or with respect to the enforcement of any other provision of this chapter.

In order to facilitate processing of returns and payments of taxes required by this chapter, the commissioner may contract with outside vendors and may disclose private and nonpublic

data to the vendor. The data disclosed will be administered by the vendor consistent with this section.

Information from a tax return required under this chapter on a holder of a license issued by the Minnesota racing commission or an owner of a horse may be provided by the commissioner to the Minnesota racing commission.

Sec. 13. Minnesota Statutes 1983 Supplement, section 290.92, subdivision 27, is amended to read:

Subd. 27. Any holder of a class A, B, or D license issued by the Minnesota (HORSE) racing commission (, WHO MAKES A PAYMENT OR PAYMENTS FOR WINNINGS ON A PARI-MUTUEL BETTING TICKET OR TICKETS IN AN AMOUNT OF \$200 OR MORE TO THE SAME INDIVIDUAL,) shall deduct (FROM THE PAYMENT OR PAYMENTS) and withhold (11) ten percent of (THE AMOUNT) *the payment of winnings which are subject to withholding* as Minnesota withholding tax. For purposes of this subdivision, (WINNINGS FROM A PARI-MUTUEL BETTING TICKET MUST BE DETERMINED BY REDUCING THE AMOUNT RECEIVED BY THE AMOUNT PAID FOR THE TICKET, AND PAYMENTS FOR WINNING ON A PARI-MUTUEL BETTING TICKET WHICH ARE NOT MONEY MUST BE TAKEN INTO ACCOUNT AT THEIR FAIR MARKET VALUE) *the term "winnings which are subject to withholding" has the meaning given in section 3402 (q)(3) of the Internal Revenue Code of 1954, as amended through December 31, 1983.* For purposes of the provisions of this section, a payment to any person of winnings which are subject to withholding must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment of winnings which are subject to withholding shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and social security account number of the person receiving the payment and of each person entitled to any portion of such payment. The license holder is liable for the payment of the tax required to be withheld under this subdivision and subdivision 28 but is not liable to any person for the amount of the payment.

Sec. 14. Minnesota Statutes 1983 Supplement, section 290.92, subdivision 28, is amended to read:

Subd. 28. Any holder of a class A or B license issued by the Minnesota (HORSE) racing commission who makes a payment to a holder of a class C license issued by the commission, (OR WHO PAYS) *except* an amount *paid* as a purse, shall deduct from the payment and withhold seven percent of the amount as Minnesota withholding tax when the amount paid to that individual during the calendar year exceeds (\$200) \$600. For purposes of the provisions of this section, a payment to any person

which is subject to withholding under this subdivision must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment which is subject to withholding under this subdivision shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and social security account number of the person receiving the payment. No withholding is required if the individual presents a signed certificate from his employer which states that the individual is an employee of that employer. A nonresident individual who holds a class C license must be treated as an athlete for purposes of applying the provisions of sections 290.17, subdivision 2(1)(b)(ii) and 290.92, subdivision 4a.

Sec. 15. [TRANSITION PROVISION; UNITARY NET OPERATING LOSSES.]

(a) *If for a taxable year a corporation is subject to the provisions of Minnesota Statutes, section 290.095, subdivision 3, clause (d), the corporation may elect to take a net operating loss carryback pursuant to this section. If the taxpayer elects to be covered by the provisions of this section, the carryback shall be subject to the provisions of Minnesota Statutes, section 290.095, subdivision 3, but excluding clause (d).*

(b) *If the corporation elects to be covered by this section, all members of the unitary group must file amended returns for the year to which the loss is carried back. The amended returns must reflect the income of the entire unitary business as provided in Minnesota Statutes, section 290.34, subdivision 2. The unitary group of corporations must calculate the sum of the separate tax liabilities prior to the amended returns and the sum of the tax liabilities after the amended returns are filed. (1) If the sum of the separate tax liabilities is more than the sum of the unitary tax liabilities per amended returns, no refund is allowed from the filing of the amended returns. (2) If the sum of the separate tax liabilities is less than the sum of the unitary tax liabilities per amended returns, the difference must be paid with the filing of the amended returns.*

(c) *After filing the amended returns required by clause (b), the corporation shall be allowed a net operating loss carryback pursuant to section 290.095, subdivision 3. The net operating loss carryback is allowable only to the extent of the tax liability on the amended returns. The time limit on the filing of the amended return allowed under this section shall be the same as the time limit on the filing of the return for the year from which the loss is carried back.*

(d) *This section is effective for taxable years beginning after June 1981 and is repealed for taxable years beginning after December 31, 1984.*

If the taxpayer elects to be covered by this section, the extension of net operating loss carryovers provided by the last sentence of Minnesota Statutes, section 290.095, subdivision 3, clause (d), does not apply to any year to which a loss is carried back under this section.

Subd. 8. [HYDROPOWER GENERATION POLICY; LEASING OF DAMS AND DAM SITES.] Consistent with laws relating to dam construction, reconstruction, repair, and mainte-

nance, the legislature finds that the public health, safety, and welfare of the state is also promoted by the use of state waters to produce hydroelectric or hydromechanical power. Further, the legislature finds that the leasing of existing dams and potential dam sites primarily for such power generation is a valid public purpose. A local governmental unit, or the commissioner of natural resources with the approval of the state executive council, may provide pursuant to a lease or development agreement for the development and operation of dams, dam sites, and hydroelectric or hydromechanical power generation plants owned by the respective government by an individual, a corporation, an organization, or other legal entity upon such terms and conditions as the local governmental unit or the commissioner may negotiate for a period not to exceed (50) 99 years. *For installations of 15,000 kilowatts or less at a dam site and reservoir that is not being used on January 1, 1984 in connection with the production of hydroelectric or hydromechanical power, the lease or development agreement negotiated by the local governmental unit and the developer shall constitute full payment by the lessee and may be in lieu of all real or personal property taxes that might otherwise be due to a local governmental unit.* If the dam, dam site, or power generation plant is located in or contiguous to a city or town, other than the lessor governmental unit, the lease or agreement shall not be effective unless it is approved by the governing body of (SUCH) the city or town. For purposes of this subdivision, city means a statutory or home rule charter city.

Sec. 2. Minnesota Statutes 1982, section 105.482, subdivision 9, is amended to read:

Subd. 9. [CONTENTS OF DEVELOPMENT AGREEMENT.] An agreement for the development or redevelopment of a hydropower site may contain, but need not be limited to, the following provisions:

(a) Length of the development agreement, subject to negotiations between the parties but not more than (50) 99 years, and conditions for extension, modification, or termination;

(b) Provisions for a performance bond on the developer, or, certification that the equipment and its installation have a design life at least as long as the lease;

(c) Provisions to assure adequate maintenance and safety in the impoundment structures, if any, and to assure access to recreational sites, if any.

the homestead credit pursuant to section 273.13, subdivision 6, by an amount equal to (29) 33 percent of the tax levy imposed on up to 320 acres of land including the buildings and structures thereon but excluding the homestead dwelling and surrounding one acre of land. The county auditor shall reduce the tax for school purposes on the next 320 acres classified pursuant to section 273.13, subdivision 6 by an amount equal to (13) 15 percent of the tax levy imposed on the property. The tax on all other agricultural lands classified pursuant to section 273.13, subdivision 6 shall be reduced by an amount equal to ten percent of the tax levy imposed on the property. The tax on the first 320 acres of agricultural land classified pursuant to section 273.13, subdivision 4 including buildings and structures thereon but excluding all dwellings and an acre of land for each dwelling and all real estate devoted to temporary and seasonal residential occupancy for recreational purposes, but not devoted to commercial purposes, shall be reduced by an amount equal to (13) 15 percent of the tax imposed on the property. The tax on timber land classified pursuant to section 273.13, subdivision 8a and agricultural land in excess of 320 acres classified pursuant to section 273.13, subdivision 4 shall be reduced by an amount equal to ten percent of the tax levy imposed on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy. He may make changes in the certification as he may deem necessary or return a certification to the county auditor for corrections. The amount of the reduction provided under this subdivision which any taxpayer can receive on all qualifying property which he owns shall not exceed (\$2,000) \$4,000 in the case of agricultural property and shall not exceed \$100 in the case of seasonal residential recreational property. In the case of property owned by more than one person, the maximum amount of the reduction shall apply to the total of all the owners. Sec. 5. Minnesota Statutes 1982, section 272.02, is amended by adding a subdivision to read:

Subd. 6. Notwithstanding the provisions of subdivision 5, real and personal property used or to be used primarily for the production of hydroelectric or hydromechanical power and leased from the state or a local governmental unit pursuant to section 105.482, subdivisions 1, 8, and 9 may be exempt from taxation or payments in lieu of taxes.

The exemption from taxation or payments in lieu of taxes provided by this subdivision does not apply to hydroelectric or hydromechanical facilities operated at any time between January 1, 1980 and January 1, 1984.

Sec. 6. Minnesota Statutes 1983 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, (7,) 8, and 9 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as it it were unplatted until the lot is improved

with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the assessed value of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under sections 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 7. Minnesota Statutes 1982, section 273.123, is amended by adding a subdivision to read:

Subd. 2a. [APPLICATION REQUIREMENTS.] A request for property tax relief shall be considered by the executive council only if the following requirements are met by the local unit of government submitting the request:

(1) a completed disaster survey shall be included with the request;

(2) the average dollar amount of damage for the homes which are damaged and located within the geographic boundaries of the applicant shall be \$5,000 or more; and

(3) either (a) at least 25 homes located within the geographic boundaries of the applicant must have been damaged or destroyed; or (b) the total dollar amount of damage to all of the damaged homes located within the geographic boundaries of the applicant shall be equal to at least one percent of the total market value of all homestead property located within the geographic boundaries of the applicant.

Sec. 8. Minnesota Statutes 1982, section 273.123, is amended by adding a subdivision to read:

Subd. 7. [LOCAL OPTION.] The owner of homestead property not qualifying for an adjustment in valuation pursuant to subdivisions 1 to 5 may receive a reduction in the amount of taxes payable for the year in which the destruction occurs on the homestead portion if:

(a) 50 percent or more of the homestead dwelling, as established by the county assessor, is unintentionally or accidentally destroyed and the homestead is uninhabitable;

(b) the owner of the property makes written application to the county assessor as soon as practical after the damage has occurred; and

(c) the owner of the property makes written application to the county board, upon completion of the restoration of the destroyed structure.

The county board may grant a reduction in the amount of property tax which the owner must pay on the qualifying home in the year of destruction. Any reduction in the amount of tax payable which is authorized by county board action shall be calculated based upon the number of months that the home is uninhabitable. The amount of net tax due from the taxpayer shall be multiplied by a fraction, the numerator of which is the number of months the dwelling was occupied by that taxpayer and the denominator of which is 12. For purposes of this subdivision, if a structure is occupied for a fraction of a month, it is considered a month. "Net tax" is defined as the amount of tax after the subtraction of all of the state paid property tax credits. If application is made following payment of all property taxes due for the year of destruction, the amount of the reduction granted by the county board shall be refunded to the taxpayer by the county treasurer as soon as practical.

Any reductions or refunds approved by the county board shall not be subject to approval by the commissioner of revenue.

The county board may levy in the following year the amount of tax dollars lost to the county government as a result of the reductions granted pursuant to this subdivision. Any amount levied for this purpose shall be exempt from the levy limit provisions of sections 275.50 to 275.56.

only one parcel in each county shall qualify for the (34) 28 per cent assessment.

(4) Employment property defined in section 273.1313, during the period provided in section 273.1313, shall constitute class 4d and shall be valued and assessed at 20 percent of the first \$50,000 of market value and 21.5 percent of the remainder, except that for employment property located in an enterprise zone designated pursuant to section 273.1312, subdivision 4, paragraph (c), clause (3), the first \$50,000 of market value shall be valued and assessed at 31.5 percent and the remainder shall be assessed and valued at 38.5 percent, unless the governing body of the city designated as an enterprise zone determines that a specific parcel shall be assessed pursuant to the first clause of this sentence. Sec. 19. Minnesota Statutes 1982, section 279.37, subdivision 3, is amended to read:

Subd. 3. Upon the receipt of (SAID) *the* offer and payment of the (SUMS HEREIN) *sum*. required, the (SAID) auditor shall *notify the county board of the offer. If the county board approves the offer, the auditor shall note (THE SAME) it* upon his records and shall (FORTHWITH) file (SAID) *the* offer and confession of judgment with the clerk of the district court of the county who is (HEREBY) directed to enter judgment in accordance with (SAID) *the* offer. *If the county board does not approve the offer within 30 days of its notification by the county auditor, confession of judgment will not be allowed for the property, and the amount remitted pursuant to subdivision 2 shall be returned to the payor.*

Sec. 20. [282.021] [NOTIFICATION OF SALE.]

Thirty days before the sale of tax-forfeited land at public auction, the county auditor shall publish in a newspaper of general circulation the notice of sale and each parcel's appraised value or market value, whichever is higher, as determined by the county or local assessor who is responsible for valuing the property. The county auditor shall also mail notice to all owners of land adjoining each parcel to be sold and to all owners of platted or unplatted land whose boundaries are within 300 feet of the boundaries of each parcel to be sold.

Sec. 21. Minnesota Statutes 1983 Supplement, section 290A.-04, subdivision 2e, is amended to read:

Subd. 2e. If the net property taxes payable on a homestead increase more than 20 percent over the net property taxes payable in the previous year on the same property, a claimant who is a homeowner shall be allowed an additional refund equal to

(50) 100 percent of the amount by which the increase exceeds 20 percent. This subdivision shall not apply to any increase in the net property taxes payable attributable to improvements made to the homestead. (THE REFUND SHALL NOT EXCEED \$200. THE MAXIMUM REFUND SHALL BE REDUCED BY \$20 FOR EACH \$1,000 OF THE CLAIMANT'S HOUSEHOLD INCOME IN EXCESS OF \$30,000. NO REFUND SHALL BE ALLOWED IF THE CLAIMANT'S HOUSEHOLD INCOME EXCEEDS \$40,000.) *The refund shall be reduced by one-tenth for each \$1,000 of claimant's household income in excess of \$40,000.*

No refund pursuant to this subdivision shall be allowed if the claimant's household income exceeds \$50,000.

For purposes of this subdivision, "net property taxes payable" means property taxes payable after reductions made pursuant to sections 124.2137; 273.13, subdivisions 6, 7, and 14a; 273.115, subdivision 1; 273.116, subdivision 1; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivisions 2, 2a and 2b.

In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

(ON OR BEFORE DECEMBER 1, 1983, THE COMMISSIONER SHALL ESTIMATE THE COST OF MAKING THE PAYMENTS PROVIDED BY THIS SECTION. NOTWITHSTANDING THE OPEN APPROPRIATION PROVISION OF SECTION 290A.23, IF THE ESTIMATED TOTAL REFUND CLAIMS EXCEED \$11,000,000, THE COMMISSIONER SHALL ADJUST ACCORDINGLY THE PERCENTAGE INCREASE IN NET PROPERTY TAXES PAYABLE OVER THE PREVIOUS YEAR WHICH IS REQUIRED TO QUALIFY FOR THE CREDIT PROVIDED IN THIS SUBDIVISION.)

This subdivision is repealed effective for property taxes levied in 1984, payable in 1985.

Sec. 22. Minnesota Statutes 1983 Supplement, section 290A.04, subdivision 2f, is amended to read:

Subd. 2f. If the net property taxes payable in 1984 on a homestead increases more than ten percent over the net property taxes payable in 1983 on the same property, and if the effective tax rate of property tax paid in 1983 on that homestead as compared to the January 2, 1982, estimated market value exceeds 2.25 percent, and additional credit shall be paid by the commis-

sioner to the claimant. The additional credit shall be equal to 50 percent of the amount by which the increase exceeds ten percent (BUT IN NO CASE SHALL THE ADDITIONAL CREDIT EXCEED \$200). This subdivision shall not apply to any increase in the net property taxes payable attributable to improvements made to the homestead.

For purposes of this subdivision, "effective tax rate" means the net property tax paid by the claimant in 1983, divided by the assessor's 1982 estimated market value times 100.

For purposes of this subdivision, "net property taxes" means the gross tax less the homestead credit and any other state paid credit and after the deduction of tax refund amounts for which the claimant qualifies.

The city assessor, or the county assessor if the property is located in a taxing district which does not have a city assessor, shall notify all affected property owners of the availability of this credit and furnish the forms which the commissioner shall prescribe.

The additional refunds shall be paid at the same time as the commissioner pays other property tax refund claims.

Sec. 23. Minnesota Statutes 1982, section 290A.04, is amended by adding a subdivision to read:

Subd. 2g. If the net property taxes payable on a homestead in 1985 increase more than 12.5 percent over the net property taxes payable in 1984 on the same property, a claimant who is a homeowner shall be allowed an additional refund equal to 50 percent of the amount by which the increase exceeds 12.5 percent. This subdivision shall not apply to any increase in the net property taxes payable attributable to improvements made to the homestead. The refund shall not exceed \$400.

For purposes of this subdivision, "net property taxes payable" means property taxes payable after reductions made pursuant to sections 124.2137; 273.13, subdivisions 6, 7, and 14a; 273.115, subdivision 1; 273.116, subdivision 1; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivisions 2, 2a, and 2b.

In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

This subdivision is repealed effective for property taxes levied in 1985, payable in 1986.

Sec. 24. Minnesota Statutes 1982, section 295.44, subdivision 1, is amended to read:

Subdivision 1. [EXEMPTION.] Notwithstanding the provisions of sections 272.01, subdivision 2, 272.02, subdivision 5, and 273.19, subdivision 1, real or personal property used or to be used primarily for the production of hydroelectric or hydro-mechanical power on a site owned by the state or a local governmental unit and developed and operated pursuant to section 105.482, subdivisions 1, 8 and 9 (SHALL) *may* be exempt from property taxation for (THE FIVE CALENDAR YEARS SUCCEEDING THE YEAR IN WHICH THE DEVELOPMENT AGREEMENT IS EXECUTED) *all years during which the site is developed and operated under the terms of a lease or agreement authorized by section 105.482, subdivisions 1, 8, and 9.*

Sec. 25. Minnesota Statutes 1983 Supplement, section 473.446, subdivision 1, is amended to read:

Subdivision 1. [TAXATION WITHIN TRANSIT TAXING DISTRICT.] For the purposes of sections 473.401 to 473.451 and the metropolitan transit system, except as otherwise provided in this subdivision the metropolitan transit commission shall levy each year upon all taxable property within the metropolitan transit taxing district, defined in subdivision 2, a transit tax consisting of:

(a) An amount up to two mills times the assessed value of all such property, based upon the level of transit service provided for the property, the proceeds of which shall be used for payment of the expenses of operating transit and paratransit service;

(b) An additional amount, if any, as the commission determines to be necessary to provide for the full and timely payment of its certificates of indebtedness and other obligations outstanding on July 1, 1977, to which property taxes under this section have been pledged; and

(c) An additional amount necessary to provide full and timely payment of certificates of indebtedness, bonds, or other obligations issued or to be issued pursuant to section 473.436 for purposes of acquisition and betterment of property and other improvements of a capital nature and to which the commission has specifically pledged tax levies under this clause.

The county auditor shall reduce the tax levied pursuant to this subdivision on all property within cities or towns that receive full peak service and limited off-peak service by an amount equal to the tax levy that would be produced by applying a rate of 0.5

mills on the property. The county auditor shall reduce the tax levied pursuant to this subdivision on all property within cities, or towns that receive limited peak service by an amount equal to the tax levy that would be produced by applying a rate of .075 mills on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner shall review the certifications to determine their accuracy. He may make changes in the certification as he may deem necessary or return a certification to the county auditor for corrections. The commissioner shall pay to the regional transit board the amounts certified by the county auditors on the dates provided in section 273.13, subdivision 15a, clause (3). There is annually appropriated from the general fund in the state treasury to the department of revenue the amounts necessary to make these payments in fiscal year 1985 and thereafter.

For the purposes of this subdivision, "full peak and limited off-peak service" means peak period service plus weekday mid-day service with a frequency of more than 60 minutes on the route with the greatest frequency; and "limited peak period service" means peak period service only.

Sec. 26. Minnesota Statutes 1982, section 477A.13, is amended to read:

477A.13 [TIME OF PAYMENT, DEDUCTIONS.]

Payments to the counties shall be made from the general fund during the month of July of the year next following certification. There shall be deducted from amounts paid any amounts paid to a county or township during the preceding year pursuant to sections (84A.51,) 89.036, 97.49, subdivision 3, and 272.68, subdivision 3 with respect to the lands certified pursuant to section 477A.12.

Payments under section 477A.12 must also be reduced by the following percentages of the amounts paid during the preceding year under section 84A.51:

- (1) for the payment made July 15, 1984, 75 percent;
- (2) for the payment made July 15, 1985, 50 percent;
- (3) for the payment made July 15, 1986, 25 percent; and
- (4) for the payment made thereafter, 0 percent.

Sec. 27. [STATEMENT OF PURPOSE.]

The legislature finds that the method of valuing farm property on the basis of sales of comparable properties overstates the value of farm property. Further, the legislature finds that methods of determining the production value of farm property are not suitable as a basis for directly determining the value of individual parcels of farm property. Therefore, the legislature determines that market value should continue to be used as the basis for taxation but that that market value should be adjusted to reflect the production value of farm property.

Sec. 28. [DETERMINATION OF RATIO.]

The commissioner of revenue shall consider alternative methods of determining the production value of farm property and shall make a recommendation to the legislature by January 15, 1985, as to the percentage of market value to be used in determining the production value to be used for the 1985 assessment, taxes payable in 1986.

Sec. 29. [GUIDELINES TO COUNTY ASSESSORS.]

The department of revenue is directed by the legislature to prepare and issue guidelines to all county assessors by October 1984, on the following two topics:

(a) the proper assessment methods which should be used when valuing land which is irrigated or capable of being irrigated, and

(b) the proper method for adjusting sales price for financing terms and other conditions of a sale in determining true market value.

The guidelines are not rules subject to the Administrative Procedure Act of chapter 14.

Sec. 30. [COMPUTATION; REFUNDS.]

An additional credit shall be allowed to owners of all property subject to the \$2,000 agricultural aid credit maximum imposed by Laws 1983, chapter 342, article 2, section 1. The county auditor shall determine the amount of credit to be allowed by re-computing the property tax for taxes payable in 1984 on this property, reducing the tax by the rates set by Minnesota Statutes 1983 Supplement, section 124.2137, subdivision 1. The difference so computed, not to exceed \$2,000, shall be allowed as an additional credit against the property taxes payable in 1984. Amended statements shall be mailed to the affected taxpayers by May 11, 1984. The statements shall contain the information re-

quired in Minnesota Statutes, section 276.04, except that a notice must be enclosed stating that the statement is amended pursuant to this section. The auditor shall certify the additional agricultural aid amounts pursuant to this section to the commissioner of revenue by the time and in the form determined by the commissioner. The auditor shall also list the number of property tax statements which were revised as a result of the change in the maximum \$4,000 agricultural aid limitation. The commissioner shall reimburse the county \$5 for each revised statement for the administrative expenses incurred as a result of the recomputations pursuant to this section. The commissioner of revenue shall review the certifications to determine their accuracy. He may make changes in the certification he deems necessary or return a certification to the county auditor for corrections.

If property taxes payable in 1984 have been paid in full without the adjustments required by this section, the taxpayer shall receive a refund equal to the difference between the taxes paid and the tax as recomputed. The county treasurer or auditor shall determine the amount of the refund and mail it to the taxpayer as soon as practical.

If property taxes payable in 1984 have been partially paid without the adjustments required by this section, the county treasurer or auditor shall reduce the remaining taxes due by the amount of the tax reduction required by this section, and refund any excess. He shall notify the affected taxpayer of the corrected tax.

Refunds paid under this section do not include interest.

If the county treasurer or auditor has settled and distributed funds under Minnesota Statutes, section 276.10 with respect to any amounts which have been refunded to taxpayers under this section, the amounts of those refunds must be deducted from the next settlement and distribution. Additional credits payable under this section may be designated as state school agriculture credit on the tax statements, but for distribution purposes, the credit shall be distributed to all taxing districts in the same manner and the same proportion as taxes paid by the taxpayer for the property.

Sec. 31. [PAYMENT; PENALTIES.]

Section 30 does not excuse timely payment of taxes as required in Minnesota Statutes, section 279.01. Penalties shall accrue as provided in Minnesota Statutes, section 279.01 only on the amount of the taxes as recomputed under section 30.

Sec. 32. [PROPERTY TAX REFUNDS.]

For purposes of Minnesota Statutes, section 290A.03, subdivision 13, "property taxes payable" means property taxes as re-

computed under section 30. Taxpayers who filed property tax refund returns utilizing the payable 1984 property taxes before the recomputation must file an amended return and attach an amended property tax statement to the amended return.

Sec. 33. [APPROPRIATION.]

There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay the county the amount by which the property taxes payable in 1984 as certified under section 30 are reduced and the fee for issuing the revised tax statements. Payment must be made not later than September 15, 1984.

Sec. 34. [HOMESTEAD CREDIT ADJUSTMENTS.]

The commissioner of revenue shall by May 1, 1984, advise each county auditor to recompute the homestead credit to be applied against each parcel of property assessed by the county as both homestead and nonhomestead property. The homestead credit shall be applied against the entire parcel. The county auditor shall file an abatement with the county board listing each affected parcel and the additional homestead credit. The county board shall approve the abatement in the same manner as provided in Minnesota Statutes, section 375.192 and forward it to the commissioner. For purposes of this section, "homestead credit" means reductions paid pursuant to Minnesota Statutes, sections 273.13, subdivision 14a; 273.135; and 273.1391.

The county treasurer shall issue corrected property tax statements showing the corrected taxes. The additional homestead credit shall be a reduction against the second half taxes unless the county treasurer issues the corrected statements on or before May 11, 1984.

By July 1, 1984, each county auditor shall notify the commissioner in writing about the procedures used in the county to handle this process. The auditor shall also list the number of property tax statements which were revised as a result of the homestead credit adjustments. The commissioner shall reimburse the county \$5 for each revised statement for the administrative expenses incurred as a result of the recomputations pursuant to this section. There is appropriated from the general fund to the commissioner of revenue the amount necessary to make these payments to the county.

Sec. 35. [LEVY LIMIT ADJUSTMENT.]

If a governmental unit subject to the levy limitation provisions of Minnesota Statutes, sections 275.50 to 275.56 realizes savings in the form of reduced employer contributions to public pension

funds resulting from the enactment of S. F. No. 147 at the 1984 regular session, its levy limit base is permanently reduced, beginning with taxes payable in 1985, by twice the amount of savings realized during the period from July 1, 1984, to December 31, 1984, but only to the extent that the doubled amount exceeds the amount levied as a special levy pursuant to section 275.50, subdivision 5, clause (o), for taxes payable in 1984.

Sec. 36. [REPEALER.]

Minnesota Statutes 1982, section 295.44, subdivisions 2, 3, and 4 and Minnesota Statutes 1983 Supplement, section 273.11, subdivision 7, is repealed.

Sec. 37. [EFFECTIVE DATE.]

The increase in the agricultural aid maximum to \$4,000 in section 3 is effective for the 1983 assessment and thereafter, taxes payable 1984 and thereafter. The remainder of section 3 and sections 4, 6 to 14 and the portion of section 36 relating to Minnesota Statutes, section 273.11, subdivision 7, are effective for the 1984 assessment and thereafter, taxes payable in 1985 and thereafter. Sections 1, 2, 5, 15, 17 to 24, 26 to 34 and the portion of section 36 relating to Minnesota Statutes, section 295.44, subdivisions 2, 3, and 4 are effective the day after final enactment. Section 25 is effective in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington for taxes levied in 1985, payable in 1986, and thereafter, but is contingent upon the enactment of the reorganization of metropolitan transit governance in H. F. 2317.

ARTICLE 4

LOCAL GOVERNMENT AIDS

Section 1. [LOCAL GOVERNMENT AID RESTORATION.]

Subdivision 1. [ELIGIBLE AMOUNT.] For each town, statutory city, and home rule charter city in the state, the commissioner of revenue shall certify a supplemental aid amount equal to the difference, if any, between (a) its certified distribution for 1984 pursuant to Minnesota Statutes, sections 477A.011 to 477A.03, and (b) the amount that would have been certified had not the limitations of Minnesota Statutes, sections 477A.-0131, subdivision 2, and 477A.03, subdivision 2, been in effect.

Subd. 2. [TIME OF PAYMENTS.] Aid amounts determined pursuant to this section shall be distributed to affected cities in calendar year 1984 according to the payment schedule provided in Minnesota Statutes, section 477A.015. However, if a city is subject to levy limitation pursuant to Minnesota Statutes,

sections 275.50 to 275.56, and the amount distributed to it pursuant to this section exceeds the amount by which the city's levy limitation for taxes payable in 1984 exceeds its levy subject to limitation for taxes payable in 1984, the amount of that excess distribution shall be used to reduce the city's levy limitation for taxes payable in 1985 accordingly.

Subd. 3. [SUBSEQUENT YEARS.] For the purpose of aid distributions pursuant to Minnesota Statutes, sections 477A.011 to 477A.03 for 1985 and subsequent calendar years, aid amounts distributed according to the provisions of this section shall be considered as included in the definition of aids received in 1984 pursuant to Minnesota Statutes, sections 477A.011 to 477A.03.

Sec. 2. [HIGH-GROWTH ADJUSTMENT.]

Subdivision 1. [ELIGIBLE AMOUNT.] For any statutory city (a) which incorporated in 1974 or thereafter, and (b) whose current population as determined for the calendar year 1979 local government aids distribution exceeded its 1970 census population by a factor of two or more, the commissioner of revenue shall determine the additional amount that the city would have been allocated in the 1984 aid distribution, had the full amount of its then current population been used in the formula calculation for 1979 aids, with aids in the intervening years recalculated using the 1979 adjusted figures.

Subd. 2. [ADJUSTMENTS.] For every qualifying city, the amount determined pursuant to subdivision 1 shall be permanently added to its adjusted local revenue base pursuant to Minnesota Statutes, section 477A.011, subdivision 7a, and its maximum aid amount pursuant to Minnesota Statutes, section 477A.011, subdivision 10, for aids payable in 1984. 1984 aid distributions for all affected cities shall be based upon formula factors as amended by this section.

This amount shall also be a permanent adjustment to each city's adjusted levy limit base for taxes payable in 1984, pursuant to Minnesota Statutes, section 275.51, subdivision 3h.

Sec. 3. Minnesota Statutes 1983 supplement, section 477A.013, subdivision 1, is amended to read:

Subdivision 1. [TOWNS.] (IN EACH) (a) In 1984, each town shall receive a distribution equal to 50 percent of the amount received in 1983 pursuant to Minnesota Statutes 1982, sections 273.138, 273.139, and 477A.011 to 477A.03.

(b) In 1985 and each succeeding calendar year, each town which (HAS AN AVERAGE EQUALIZED MILL RATE OF AT LEAST TWO MILLS) had levied for taxes payable in the previous year at least one mill on the dollar of the assessed value of the town shall receive a distribution equal to 50 percent of

the amount received in 1983 pursuant to Minnesota Statutes 1982, sections 273.138, 273.139, and 477A.011 to 477A.03.

Sec. 4. Minnesota Statutes 1983 Supplement, section 477A.-013, subdivision 2, is amended to read:

Subd. 2. [CITIES AND TOWNS.] In each calendar year, each statutory and home rule charter city shall receive a distribution equal to the amount obtained by subtracting ten mills multiplied by the municipality's equalized assessed value from the adjusted local revenue base.

An aid amount shall be computed in the same manner for all towns which (HAVE AN AVERAGE EQUALIZED MILL RATE OF AT LEAST TWO MILLS) *had levied for taxes payable in the previous year at least one mill on the dollar of the assessed value of the town.* A town's final aid amount shall be determined by either the subdivision 1 or the subdivision 2 calculation, whichever is greater.

Sec. 5. Minnesota Statutes 1983 Supplement, section 477A.-0131, subdivision 1, is amended to read:

Subdivision 1. (a) No home rule charter or statutory city shall receive a distribution in (ANY) calendar year 1985 pursuant to sections 477A.011 to 477A.03 that is less than the (SUM OF THE AMOUNTS) *amount certified in the previous calendar year pursuant to sections 477A.011 to 477A.03 (, SECTION 273.139, AND SECTION 273.138, BY MORE THAN AN AMOUNT EQUAL TO THREE-FOURTHS OF ONE MILL TIMES THE UNIT'S EQUALIZED ASSESSED VALUE).*

(b) *No home rule charter or statutory city shall receive a distribution in calendar year 1986 or any subsequent calendar year pursuant to sections 477A.011 to 477A.03 that is less than the amount certified in the previous calendar year pursuant to sections 477A.011 to 477A.03 by more than an amount equal to three-fourths of one mill times the city's equalized assessed value.*

Sec. 6. [LOCAL GOVERNMENT AIDS STUDY COMMISSION.]

A local government aids study commission consisting of 18 members is created. Nine members of the commission shall be members of the senate and appointed by the committee on committees. Nine members of the commission shall be members of the house of representatives and appointed by the speaker. The study commission shall elect a chairman from among its members and meetings of the commission will be held at the call of the chairman.

The purpose of the commission is to study the current funding and distribution of state aid to local units of government including school districts. The commission may do all things necessary and reasonable to conduct the study including holding meetings and soliciting testimony and information. The commission shall make specific recommendations on changes in the present state aid formula and shall report to the legislature and the governor its conclusions and recommendations by January 15, 1985. The commission shall expire on February 1, 1985. Expenses of the commission including per diem and expenses of commission members will be provided by the appointing authority.

Sec. 7. [APPROPRIATIONS.]

Subdivision 1. An amount sufficient to carry out the provisions of sections 1 and 3 is appropriated from the general fund to the commissioner of revenue.

Subd. 2. The sum of \$120,000 is appropriated from the general fund to the commissioner of revenue for the purpose of providing increased local government aid distributions under section 2. If this appropriation is not sufficient, aid amounts determined pursuant to section 2 shall be proportionately reduced.

Sec. 8. [REPEALER.]

Minnesota Statutes 1983 Supplement, sections 477A.0131, subdivision 2, and 477A.03, subdivision 2, are repealed.

ARTICLE 5

time of application is less than \$100,000 per acre or \$300,000 per acre for an area located wholly within a first class city. A zone which is located in a city of the third or fourth class may be divided into two to four separate subdivisions which need not be contiguous with each other. Each subdivision must contain not less than 100 acres. The restrictions provided by this paragraph shall not apply to areas designated pursuant to paragraph (c), clause (2) or (3).

(c) (1) The proposed zone is located within an economic hardship area, as established by meeting two or more of the following criteria:

(B) the percentage of households within the area that fall below the poverty level, as determined by the United States census bureau, is 20 percent or greater;

(C) (i) the total market value of commercial and industrial property in the area has declined over three of the preceding five years, or (ii) the total market value of all property in the area has declined or it has increased less than (TEN) 10.5 percent over the preceding three-year period;

(D) for the last full year for which data is available, the per capita income in the area was 90 percent or less of the per capita income for the state, excluding standard metropolitan statistical areas, or for the standard metropolitan statistical area if the area is located in a standard metropolitan statistical area;

(E) (i) the current rate of unemployment in the area is 120 percent of the statewide average unemployment for the last 12-month period for which verifiable figures are available, or (ii) the total number of employment positions has declined by ten percent during the last 18 months; or

(2) The area is so designated under federal legislation providing for federal tax benefits to investors, employers or employees in enterprise zones; or

(3) The area consists of a statutory or home rule charter city with a contiguous border with a city in another state or with a contiguous border with a city in Minnesota which has a contiguous border with a city in another state and the area is determined by the commissioner to be economically or fiscally distressed.

partly within a standard metropolitan statistical area, or (ii) 2,500 for an area located outside of a standard metropolitan statistical area, or (iii) no minimum in the case of an area located in an Indian reservation; except that, in the case of two or more cities seeking designation of an enterprise zone under a joint exercise of power pursuant to section 471.59, the minimum population required by this provision shall not exceed the sum of the populations of those cities.

Sec. 2. Minnesota Statutes 1983 Supplement, section 273.1314, subdivision 6, is amended to read:

Sec. 3. Minnesota Statutes 1983 Supplement, section 273.1314, subdivision 8, is amended to read:

Subd. 8. [FUNDING LIMITATIONS.] The maximum amount of the tax reductions which may be authorized pursuant to designations of enterprise zones under section 273.1312 and this section is limited to (\$32,000,000) *\$35,600,000*. The maximum amount of this total which may be authorized by the commissioner for tax reductions pursuant to subdivision 9 that will reduce tax revenues which otherwise would have been received during fiscal years 1984 and 1985 is limited to (\$8,000,000) *\$9,000,000*. Of the total limitation and the 1984-1985 biennial limitation the commissioner shall allocate to enterprise zones designated under section 273.1312, subdivision 4, paragraph (c), clause (3), an amount equal to (\$10,000,000) *\$16,610,940* and (\$4,000,000) *\$5,000,000* respectively. These funds shall be allocated among such zones on a per capita basis *except that the maximum allocation to any one city is \$6,610,940 and no city's allocation shall exceed \$210 on a per capita basis.* An amount sufficient to fund the state funded property tax credits authorized pursuant to this section is appropriated to the commissioner of revenue. Upon designation of an enterprise zone the commissioner shall certify the total amount available for tax reductions in the zone for its duration. The amount certified shall reduce the amount available for tax reductions in other enterprise zones.

If subsequent estimates indicate or actual experience shows that the approved tax reductions will result in amounts of tax reductions in excess of the amount certified, the commissioner shall implement a plan to reduce the available tax reductions in the zone to an amount within the sum certified. If subsequent estimates indicate or actual experience shows that the approved tax reductions will result in amounts of tax reductions below the amount certified, the difference shall be available for certification in other zones or used in connection with an amended plan of tax reductions for the zone as the commissioner determines appropriate. If the tax reductions authorized result in reduced revenues for a dedicated fund, the commissioner of finance shall transfer equivalent amounts to the dedicated fund from the general fund as necessary.

Sec. 4. Minnesota Statutes 1983 Supplement, section 273.1314, subdivision 15, is amended to read:

Subd. 15. [REPORTING.] The commissioner shall require municipalities receiving enterprise zone designations pursuant to section 273.1312, subdivision 4, to supply information or otherwise report to the state regarding the economic activity which has occurred in the zone following the designation. This information shall include the number of jobs created in the zone, the number of economically disadvantaged individuals hired in the zone, the average wage level of the jobs created, and descriptions of any affirmative action programs undertaken by the municipality in connection with the zone. *The amount of the municipality's local contribution and the number of businesses qualifying for or directly benefiting from the local contribution must be reported annually to the commissioner.*

Sec. 5. Minnesota Statutes 1983 Supplement, section 290.069, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) "Small business assistance office" means a nonprofit corporation which is formed under chapter 317, is an exempt organization under section 501(c)(3) of the Internal Revenue Code, and satisfies the following conditions:

(1) The primary purpose of the corporation is to aid in the formation of new businesses which create jobs in the state by training or providing other direct assistance to entrepreneurs, managers, inventors, and other individuals in the development, financing, and operation of qualified small businesses.

(2) The corporation provides audited financial statements to all contributors and the commissioner of energy, planning, and development within 90 days following the close of the corporation's fiscal year.

(3) The corporation employs, at least, two full-time professional employees or the equivalent. *This clause is satisfied if the corporation employs one full-time professional employee and shares a professional employee with another organization engaged in related activities, including but not limited to providing development financing or other services to businesses.*

(4) The corporation is not engaged in providing financing or primarily engaged in arranging financing for businesses.

(5) The commissioner of energy (, PLANNING) and economic development certifies that the corporation satisfies the requirements of this paragraph for the calendar year.

(b) "Technology" means a proprietary process, formula, pattern, device, or compilation of scientific or technical information unless it

(1) is in the public domain; or

(2) cannot be accurately valued.

(c) "Controlled group of corporations" means the controlled group of corporations as defined in section 1563 of the Internal Revenue Code, and if the corporation is part of a unitary business, includes the corporations or entities constituting the unitary business which are not in the controlled group of corporations as defined in section 1563.

(d) An "innovation center public corporation" is a nonprofit public corporation located at a state university in Minnesota that has the purpose of assisting, encouraging, developing, and advancing the high technology small business prosperity and economic welfare of the state.

(e) The "Internal Revenue Code" means the Internal Revenue Code of 1954, as amended through January 15, 1983.

(f) "Qualified small business" means (A BUSINESS) an entity, whether organized as a corporation, partnership, or proprietorship, organized for profit (IF THE ENTITY:) that satisfies the following conditions.

(1) (HAS) *The entity had 20 or fewer employees and (HAS) had less than \$1,000,000 in gross annual receipts (;) in each of its three previous taxable years. The number of employees for purposes of this clause and clause (2) shall be determined on an annualized full-time equivalent basis.*

(2) *The entity is not a subsidiary or an affiliate of (A BUSINESS) an entity which employs more than 20 employees or (HAS) which had total gross receipts for the previous year*

of more than \$1,000,000, computed by aggregating all of the employees and gross receipts of the business entities affiliated with the business (;).

(3) *The entity has its commercial domicile in this state (;).*

(4) (DOES) *The entity did not derive more than 20 percent of its gross receipts from royalties, rents, dividends, interest, annuities, and sales or exchanges of stock or securities (;) in one or more of the three previous taxable years. Gross receipts from the sale of stock or securities shall be taken into account only to the extent of gains realized. If the business was not in operation for an entire year at the time of application for certification, this clause is not satisfied if the entity engages in or intends to engage in a trade or business producing or is likely to derive more than 20 percent of its gross receipts from rents, royalties, dividends, interest, annuities, and sales or exchanges of stock or securities. This clause does not apply to the first taxable year of the entity if the total amount of passive income for the year is less than \$3,000 or to a sole proprietor.*

(5) *The entity is not engaged in a trade or business, the primary purpose of which is described in section 103(b)(6)(O) of the Internal Revenue Code of 1954, as amended through January 15, 1983 (; AND).*

(6) (IS CERTIFIED BY) *The commissioner of energy (, PLANNING) and economic development certifies that (IT) the entity satisfies the requirements of clauses (1) to (5). A qualified small business does not include an entity engaged primarily in providing licensed professional services.

Sec. 6. Minnesota Statutes 1983 Supplement, section 290.069, subdivision 2, is amended to read:

Subd. 2. [TECHNOLOGY TRANSFER CREDIT.] A credit may be claimed against the taxes imposed by this chapter in an amount equal to 30 percent of the net value of the technology transferred to a qualified small business if the following conditions are satisfied:

(a) The commissioner certifies that the technology has the value claimed by the transferor taxpayer.

(b) The transferor taxpayer is the exclusive and undisputed owner of the technology at the time the transfer is made.

(c) Except as provided in paragraph (h), the transferor retains no proprietary or financial interest in the technology subsequent to its transfer to the qualified small business and no credit is claimed for the transfer of the technology in a prior or subsequent taxable year, except pursuant to the carryover provisions of subdivision 5.

(d) The credit shall apply only to the first \$1,000,000 of the net value of the technology transferred during the taxable year. The value of the technology shall not exceed the total qualified research expenses, as defined in section 290.068, subdivision 2, expended by the transferor to create or develop the technology. For purposes of this (CLAUSE) *paragraph*, "net value" means the total value of the technology less any payments received from the transferee and less the value of any equity interest in the transferee received by the transferor in exchange for the technology. For purposes of determining the value of the equity interest, the total value of the transferee shall be deemed to be not less than the value of the technology transferred, less any cash payment made to the transferor.

(e) The taxpayer has not deducted the value of the transferred property from income under any other provisions of this chapter, except that the costs of developing the technology may have been deducted as a business expense or depreciated or included in the computation of the research and experimental expenditure credit pursuant to section 290.068.

(f) The transferee business entity may not be a subsidiary or affiliate of the transferor taxpayer.

(g) The transferee makes a substantial investment in acquiring or developing the technology. The requirements of this clause are satisfied if *over a two-year period beginning not later than the date of the transfer* (1) the transferee pays the transferor an amount equal to 20 percent of the value of the technology in return for acquisition of the rights to the technology, or if (2) the transferee expends an equivalent amount for equipment, materials, wages, or other direct costs to develop, produce, or otherwise use the technology. The requirements of this paragraph may not be satisfied by granting the transferor an equity interest as provided by paragraph (h).

(h) The transferor may receive in exchange for the transfer of the technology an equity interest in the transferee, but this interest may not exceed 25 percent of the capital interest, if the transferee is a partnership, or 25 percent in value of the outstanding stock, if the transferee is a corporation. The transferor's basis in the equity interest shall be reduced by the amount of the credits received pursuant to this subdivision. The transferor may not deduct any loss realized on the sale or exchange of the equity interest.

(i) The maximum credit which is allowed for technology transferred during the taxable year is \$300,000. The maximum credit which is allowable for technology transferred during all taxable years to an entity or a related person to the transferee entity is \$300,000. A person is a related person to the entity if (i) the relationship would result in disallowance of losses under section 267 or 707(b) of the Internal Revenue Code or (ii) the person and the entity are members of the same controlled group or corporation.

The commissioner may require that the taxpayer obtain an appraisal of the value of the transferred technology by a reliable, expert third party. The disclosure to a third party appraiser of information necessary to make an appraisal shall not be subject to the provisions of section 290.61. The commissioner may promulgate administrative rules for appraising the value of transferred technology.

Sec. 7. Minnesota Statutes 1983 Supplement, section 290.069, is amended by adding a subdivision to read:

Subd. 2a. [RECAPTURE; TECHNOLOGY TRANSFER CREDIT.] (a) A corporation which receives a tax reduction pursuant to subdivision 2 shall repay to the commissioner an amount of the tax reduction as specified in paragraph (b) if any of the following conditions occur within a three-year period after the date of transfer of the technology.

- (1) The transferee ceases operations in Minnesota.
- (2) The transferee becomes a subsidiary or affiliate of the transferor.
- (3) The transferee sells, transfers, or otherwise disposes of the rights to technology.
- (4) The transferee fails to make the necessary payments or expenditures required by subdivision 2, paragraph (g).
- (5) The transferee grants an interest to the transferor in violation of subdivision 2, paragraph (h).

(b) The amount of the repayment is determined pursuant to the following schedule:

<i>Occurrence of event causing recapture</i>	<i>Repayment portion</i>
<i>Less than six months</i>	<i>100 percent</i>
<i>Six months or more but less than 12 months</i>	<i>83-1/3 percent</i>

<i>12 months or more but less than 18 months</i>	<i>66-2/3 percent</i>
<i>18 months or more but less than 24 months</i>	<i>50 percent</i>
<i>24 months or more but less than 30 months</i>	<i>33-1/3 percent</i>
<i>30 months or more but less than 36 months</i>	<i>16-2/3 percent</i>

Sec. 8. Minnesota Statutes 1983 Supplement, section 290.069, subdivision 4, is amended to read:

Subd. 4. [EQUITY INVESTMENT CREDIT.] (a) A credit shall be allowed against the tax imposed by this chapter for (THE TAXABLE YEAR IN AN AMOUNT EQUAL TO 30 PERCENT OF THE NET) investment (IN EXCESS OF \$25,000) in the equity stock of a qualified small business, *which is organized as a corporation.* (THE MAXIMUM AMOUNT OF THE CREDIT FOR A TAXABLE YEAR MAY NOT EXCEED \$75,000.) *The credit for the taxable year is the least of*

(1) *\$75,000, or*

(2) *30 percent of the sum of the following, computed for the investment in each qualified small business:*

(A) *The net investment made by the taxpayer during the taxable year in the equity stock of the qualified small business, less*

(B) *\$25,000; or*

(3) *75 percent of the taxpayer's tax liability computed after subtraction of all nonrefundable credits.*

(b) For purposes of this credit the following limitations apply:

(1) *Equity stock means common or preferred stock in the qualified small business, and shall not include any security (WHICH PROVIDES FOR FIXED OR VARIABLE INTEREST PAYMENTS) which would be treated as debt under section 385 of the Internal Revenue Code.*

(2) *The taxpayer and any related persons may not own more than 49 percent of the value of any class of stock. For purposes of this (PARAGRAPH) clause, a person is a related person to another person if (i) the relationship between the persons would result in a disallowance of losses under section 267 or 707(b) of the Internal Revenue Code of 1954 or (ii) the persons are members of the same controlled group of corporations. (THE RESTRICTIONS PROVIDED BY THIS SUBDIVISION SHALL*

APPLY FOR A THREE-YEAR PERIOD BEGINNING ON THE DATE THE STOCK IS PURCHASED. IF THE TAXPAYER OR A RELATED PERSON ACQUIRES MORE THAN 49 PERCENT OF THE VALUE OF ANY CLASS OF STOCK AFTER THE ALLOWANCE OF A CREDIT UNDER THIS SUBDIVISION AND PRIOR TO THE END OF THE THREE-YEAR PERIOD, THE TAXPAYER'S TAX FOR THE TAXABLE YEAR IN WHICH THE CREDIT WAS ALLOWED SHALL BE INCREASED BY THE AMOUNT OF THE CREDIT PREVIOUSLY CLAIMED.)

(3) (THE CREDIT SHALL NOT EXCEED 75 PERCENT OF THE TAXPAYER'S TAX LIABILITY COMPUTED AFTER THE SUBTRACTION OF ALL CREDITS; OTHER THAN THE CREDIT PROVIDED IN THIS SUBDIVISION.)

"Net investment" is limited to cash or the fair market value of marketable securities which are transferred to the qualified small business in return for equity stock, less the value of any other property or other consideration received by the taxpayer. The amount of the net investment shall be reduced by any payments made by the qualified small business to redeem shares of its stock or to acquire the assets or stock of another business during a 24-month period beginning one year prior to the taxpayer's purchase of the stock in the qualified small business. Marketable securities are limited to (A) obligations of the United States government, (B) securities of a corporation or other entity the stock or other securities of which are listed by the New York or American Stock Exchange or by the National Association of Securities Dealers Automated Quotation System, or (C) state or local government obligations, other than industrial development bonds as defined in section 103(b) of the Internal Revenue Code. The transfer of the assets of an entity engaged in a trade or business as a corporation, partnership, association, or proprietorship to a corporation shall not qualify as a net investment for purposes of the credit, if the ownership of the transferee corporation is substantially the same as that of the entity. For purposes of the preceding sentence, any property owned by or used directly in the business, pledged as collateral, or used as working capital shall constitute assets of the business.

((B)) (c) If the principal place of business of the qualified small business is located in an enterprise zone designated pursuant to section 273.1312, \$10,000 shall be substituted for \$25,000 and \$100,000 for \$75,000 in paragraph (a).

((C)) (d) The taxpayer's basis in the stock shall be reduced by the amount of the credit.

(e) *In the case of an investment made by a small business corporation, having a valid election in effect under section 1362 of the Internal Revenue Code, or by a partnership, the credit shall be allocated among the shareholders or partners on a*

pro rata basis and the limitations contained in paragraphs (a) and (c) shall apply to the small business corporation or partnership. In no case shall a taxpayer be allowed a maximum credit in excess of that permitted by paragraph (a) or (c).

Sec. 9. Minnesota Statutes 1983 Supplement, section 290.069, is amended by adding a subdivision to read:

Subd. 4a. [RECAPTURE; EQUITY INVESTMENT CREDIT.] (a) A taxpayer who receives a tax reduction pursuant to subdivision 4 shall repay to the commissioner an amount of the tax reduction as specified in paragraph (b) if any of the following conditions occur within a four-year period after the date of the investment:

(1) The taxpayer transfers, sells, or otherwise disposes of the stock other than transfer by the estate of a taxpayer who died after acquiring the stock.

(2) The taxpayer or a related person acquires an interest in the qualified small business in excess of that permitted by subdivision 4, clause (b)(2).

(3) The transferee ceases operations in Minnesota.

(b) The amount of the repayment is determined pursuant to the following schedule:

<i>Occurrence of event causing recapture</i>	<i>Repayment portion</i>
<i>Less than six months</i>	<i>100 percent</i>
<i>Six months or more but less than 12 months</i>	<i>87-1/2 percent</i>
<i>12 months or more but less than 18 months</i>	<i>75 percent</i>
<i>18 months or more but less than 24 months</i>	<i>62-1/2 percent</i>
<i>24 months or more but less than 30 months</i>	<i>50 percent</i>
<i>30 months or more but less than 36 months</i>	<i>37-1/2 percent</i>
<i>36 months or more but less than 42 months</i>	<i>25 percent</i>
<i>42 months or more but less than 48 months</i>	<i>12-1/2 percent</i>

(c) If a credit was allowed for a qualified small business whose principal place of business was located in an enterprise zone and the business ceases operations in the zone within three years after the investment is made, the taxpayer shall file an

amended return claiming the credit without regard to subdivision 4, paragraph (c).

Sec. 10. Minnesota Statutes 1983 Supplement, section 290.069, is amended by adding a subdivision to read:

Subd. 4b. [MULTISTATE BUSINESSES.] If a qualified small business is engaged in a business partly within and partly without the state, the credit allowable pursuant to subdivision 2 or 4 for technology transferred to or a net investment made in the business must be apportioned. The credit determined pursuant to subdivision 2 or 4 must be multiplied by the arithmetical average of the qualified small business' property and payrolls, determined as provided by section 290.19, subdivision 1, clauses (2)(a)(2) and (2)(a)(3), using data from the most recently available year. After the technology is transferred or the investment made, the qualified small business shall certify to the transferor taxpayer its factors under section 290.19, subdivision 1, clauses (2)(a)(2) and (2)(a)(3) for each of the succeeding two tax years. If the factors for either of these years would result in at least a 25 percent change in the allowable credit, the taxpayer shall file an amended return repaying or claiming the difference in the credit. The preceding sentence does not apply if the qualified small business ceases operations in Minnesota and the recapture provisions of subdivision 2a or 4a apply.

Sec. 11. Minnesota Statutes 1983 Supplement, section 290.069, subdivision 5, is amended to read:

Subd. 5. [(LIMITATIONS) CARRYOVER; OTHER CONDITIONS.] (THE PROVISIONS OF SECTION 290.068, SUBDIVISIONS 3, CLAUSE (A); 4; AND 5 SHALL APPLY TO THE SUM OF THE CREDITS WHICH THIS SECTION ALLOWS, EXCEPT THAT NO CARRYBACK SHALL BE ALLOWED. THE CARRYOVER PROVISIONS OF SECTION 290.068, SUBDIVISION 3, CLAUSE (B), SHALL APPLY TO THE SUM OF THE CREDITS ALLOWED BY THIS SECTION EXCEPT THAT THE TERM "RESEARCH CREDIT" OR "RESEARCH AND EXPERIMENTAL EXPENDITURE CREDIT" SHALL INCLUDE THE CREDITS AUTHORIZED BY SUBDIVISIONS 2 AND 3 OF THIS SECTION.) If the amount of the allowable credit pursuant to subdivision 2 or 3 for the taxable year exceeds the taxpayer's tax liability or if the limitation contained in subdivision 4, clause (a)(3) applies, the unused credit for the taxable year is a carryover to each of the succeeding five taxable years. The entire amount of the unused credit must be carried to the earliest of the taxable years to which it may be carried. "Tax liability" means the tax imposed by this chapter reduced by the sum of the nonrefundable credits allowed under this chapter except the credit allowed by section 290.068. The credits allowed by subdivisions 2 and 3 shall only be available to corporations and banks whose tax is computed pursuant to section 290.06, subdivision 1.

The maximum limitations on the amount of credits pursuant to subdivisions 2 (AND), 3, and 4 shall be determined by aggregating together the credits of all the corporations in the controlled group of corporations with the taxpayer. In order to facilitate compliance with and enforcement of this provision the commissioner may require the taxpayer to claim the credit on a combined report of the unitary business or to file a copy of the consolidated federal return with the state return or both.

Sec. 12. Minnesota Statutes 1983 Supplement, section 290.069, is amended by adding a subdivision to read:

Subd. 7. [COMMISSIONER'S POWER TO DISALLOW CREDIT.] The commissioner may disallow a credit under subdivision 2 or 4 if he determines that the transaction giving rise to the credit was entered into by the parties primarily to reduce taxes and not primarily for an independent business or commercial purpose other than the reduction of taxes.

Sec. 13. [TRANSITION PROVISION; FARMS.]

An investment made on or before June 30, 1985, in a corporation primarily engaged in the business of farming does not qualify for the equity investment credit under Minnesota Statutes, section 290.069. The business of farming includes the activities enumerated in Minnesota Statutes, section 290.09, subdivision 29, paragraph (a). The commissioner of energy and economic development may not certify an entity primarily engaged in farming as a qualified small business under Minnesota Statutes, section 290.069, subdivision 1, prior to July 1, 1985.

Sec. 14. Minnesota Statutes 1983 Supplement, section 290.21, subdivision 4, is amended to read:

Subd. 4. (a) 85 percent of dividends received by a corporation during the taxable year from another corporation, when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of his trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom. The remaining 15 percent shall be allowed if the recipient owns 80 percent or more of all the voting stock of (SUCH) the other corporation (, AND THE DIVIDENDS WERE PAID FROM INCOME ARISING OUT OF BUSINESS DONE IN THIS STATE BY THE CORPORATION PAYING SUCH DIVIDENDS; BUT IF THE INCOME OUT OF WHICH THE DIVIDENDS ARE DECLARED WAS DERIVED FROM BUSINESS DONE WITHIN AND WITHOUT THIS STATE, THEN SO MUCH OF THE REMAINDER SHALL BE AL-

LOWED AS A DEDUCTION AS THE AMOUNT OF THE TAXABLE NET INCOME OF THE CORPORATION PAYING THE DIVIDENDS ASSIGNABLE OR ALLOCABLE TO THIS STATE BEARS TO THE ENTIRE NET INCOME OF THE CORPORATION, SUCH RATE BEING DETERMINED BY THE RETURNS UNDER THIS CHAPTER OF THE CORPORATION PAYING SUCH DIVIDENDS FOR THE TAXABLE YEAR PRECEDING THE DISTRIBUTION THEREOF; THE BURDEN SHALL BE ON THE TAXPAYER OF SHOWING THAT THE AMOUNT OF REMAINDER CLAIMED AS A DEDUCTION HAS BEEN RECEIVED FROM INCOME ARISING OUT OF BUSINESS DONE IN THIS STATE).

(b) If the trade or business of the taxpayer consists principally of the holding of the stocks and the collection of the income and gains therefrom, dividends received by a corporation during the taxable year from another corporation, if the recipient owns 80 percent or more of all the voting stock of (SUCH) *the* other corporation (, FROM INCOME ARISING OUT OF BUSINESS DONE IN THIS STATE BY THE CORPORATION PAYING SUCH DIVIDENDS; BUT, IF THE INCOME OUT OF WHICH THE DIVIDENDS ARE DECLARED WAS DERIVED FROM BUSINESS DONE WITHIN AND WITHOUT THIS STATE, THEN SO MUCH OF THE DIVIDENDS SHALL BE ALLOWED AS DEDUCTION AS THE AMOUNT OF THE TAXABLE NET INCOME OF THE CORPORATION PAYING THE DIVIDENDS ASSIGNABLE OR ALLOCABLE TO THIS STATE BEARS TO THE ENTIRE NET INCOME OF THE CORPORATION, SUCH RATE BEING DETERMINED BY THE RETURNS UNDER THIS CHAPTER OF THE CORPORATION PAYING SUCH DIVIDENDS FOR THE TAXABLE YEAR PRECEDING THE DISTRIBUTION THEREOF. THE BURDEN SHALL BE ON THE TAXPAYER OF SHOWING THAT THE AMOUNT OF DIVIDENDS CLAIMED AS A DEDUCTION HAS BEEN RECEIVED FROM INCOME ARISING OUT OF BUSINESS DONE IN THIS STATE).

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code of 1954, as amended through December 31, 1982.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to

the extent determined under section 854(b) of the Internal Revenue Code of 1954, as amended through December 31, 1982.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) *Dividends received by a corporation from another corporation which is organized under the laws of a foreign country or a political subdivision of a foreign country, if the dividends are paid from income arising from sources without the United States, the commonwealth of Puerto Rico, and the possessions of the United States. The deduction provided by this clause does not apply if the corporate stock with respect to which dividends are paid constitutes the stock in trade of the taxpayer, or would be included in the inventory of the taxpayer, or constitutes property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or if the trade or business of the taxpayer consists principally of the holding of stocks and the collection of the income or gains therefrom. No dividend may be deducted under this clause if it is deducted under clause (a).*

Sec. 15. Minnesota Statutes 1982, section 290.21, is amended by adding a subdivision to read:

Subd. 8. [FOREIGN SOURCE ROYALTIES.] (a) Rentals, fees, and royalties accrued or received from a foreign corporation for the use of or for the privilege of using outside of the United States patents, copyrights, secret processes and formulas, good will, know-how, trademarks, trade brands, franchises, and other like property. Rentals, fees, or royalties deducted under this subdivision shall not be included in the taxpayer's apportionment factors under section 290.19, subdivision 1, clause (1) (a) or (2)(a)(1). The preceding sentence shall not be construed to imply that nondeductible rentals, fees, and royalties from such properties are or were included in or excluded from the apportionment factors under any other provision of law.

(b) *A corporation is allowed the deduction provided by this subdivision only if during the taxable year it received or accrued at least 80 percent of its gross income from sources as defined in clause (a) and from dividends received from foreign corporations. The corporation's gross income for purposes of this clause shall be computed without regard to the requirement of section*

290.34, subdivision 2, that a combined report be filed reflecting the entire income of the unitary business.

(c) For purposes of this subdivision, a foreign corporation is (i) a corporation organized under the laws of a foreign country or the political subdivision of a foreign country or (ii) a corporation which for the taxable year derives at least 80 percent of its gross income from sources without the United States, the commonwealth of Puerto Rico, and the possessions of the United States. A foreign corporation does not include a DISC as defined in section 992(a) of the Internal Revenue Code of 1954, as amended through December 31, 1983.

(d) The deduction provided in this subdivision is allowed only with respect to rentals, fees, and royalties that are included in a corporation's Minnesota taxable net income for the taxable year.

Sec. 16. Minnesota Statutes 1982, section 462.651, subdivision 1, is amended to read:

Subdivision 1. [GENERAL TAXES.] The governing body of a municipality in which any project of a redevelopment company is located may, (BY ORDINANCE OR RESOLUTION) after the local approval as provided in subdivision 5, exempt from all local taxes (SO MUCH) up to 50 percent of the value of the property included in that project (AS) which represents an increase over the assessed valuation of the property, both land and improvements, acquired for the project at the time of its original acquisition for redevelopment purposes. (SHOULD SUCH A) If the governing body (GRANT SUCH A TAX) grants an exemption, the project shall, to the extent of the municipal exemption and during the period thereof, be exempt from any and all (STATE,) county (,) and school district *ad valorem* property taxes. The tax exemption specified herein shall not operate for a period of more than (25) ten years, commencing in each instance from the date on which the benefits of such exemption first become available and effective. (THERE SHALL BE) No exemption may be granted from payment of special assessments or from the payment of inspection, supervision, and auditing fees of the commissioner of energy, planning and development or the authority.

Sec. 17. Minnesota Statutes 1982, section 462.651, is amended by adding a subdivision to read:

Subd. 5. [COMMENT BY COUNTY BOARD.] Before approving a tax exemption pursuant to this section, the governing body of the municipality must provide an opportunity to the members of the county board of commissioners of the county in which the project is proposed to be located and the members of the school board of the school district in which the project is proposed to be located to meet with the governing body. The govern-

ing body must present to the members of those boards its estimate of the fiscal impact of the proposed property tax exemption. The tax exemption may not be approved by the governing body until the county board of commissioners has presented its written comment on the proposal to the governing body, or 30 days have passed from the date of the transmittal by the governing body to the board of the information on the fiscal impact, whichever occurs first.

Sec. 18. [ALLOCATION TO DULUTH.]

The city of Duluth is allocated \$6,610,940 of the tax reductions permitted by section 273.1314, subdivision 8, pursuant to its designation under section 273.1312, subdivision 4, paragraph (c), clause (3).

Sec. 19. [PLANT CONSTRUCTION AND EXPANSION GRANTS.]

Subdivision 1. [APPROPRIATION.] The sum of \$3,400,000 is appropriated from the general fund to the commissioner of energy and economic development for the purpose of providing grants to industrial operations that are substantially renovating their facilities, providing that the renovation enables the operation to continue to provide a substantial portion of the industrial employment of the community in which it is located. The grant is intended to help meet the cost of property tax increases due to plant expansion or renovation and the cost of sales tax or equipment purchased to replace obsolete, inadequate, or inefficient equipment in the plant.

Of the sum appropriated, up to \$1,000,000 may be granted to a meat processing and packing facility that, at the time when renovation or expansion of the facility begins, provides over 20 percent of the industrial employment in the city. The entire amount of this grant may be paid on or after July 1, 1984.

Up to \$2,400,000 may be granted to a manufacturer of internal combustion engines, generators, electrical generating sets, and switchgear that, at the time when renovation or expansion of the facility begins, provides over ten percent of the industrial employment in the city. This grant is to be disbursed as follows. The recipient must annually certify to the commissioner the following amounts paid during the year: (a) the additional property taxes paid as a result of the expansion and (b) one-third of the sales tax paid on replacement capital equipment that does not qualify for the four percent sales tax rate under Minnesota Statutes, section 297A.02, subdivision 2. The commissioner shall pay the lesser of the amount certified for the year or \$480,000. If in a year the amount certified is less than \$480,000, the excess shall carryforward and may be paid in a succeeding year. The commissioner may not pay an amount in excess of that certified. The appropriation for this grant does not cancel.

This grant is not subject to the limitations contained in the first paragraph of this subdivision. A foreign manufacturing development project is a production and office facility financed, in whole or part, by an agency of a foreign government or a foreign corporation for the purpose of testing and developing the expertise of foreign firms in manufacturing products in the United States. The city may use the grant moneys to provide assistance to the foreign manufacturing development facility in the manner it determines appropriate.

Designation of grant recipients is not subject to the provisions of chapter 14.

Subd. 2. [RECAPTURE.] A business that receives a grant pursuant to subdivision 1 shall repay to the commissioner of energy and economic development a portion of the grant if, within five years of the receipt of the grant, the commissioner determines that (1) the recipient has failed to renovate or expand its facility according to the schedule submitted pursuant to subdivision 1 and that the recipient is unlikely to resume the renovation or expansion activity according to a schedule that is reasonably similar in result to the original schedule, allowing for some extension of time, not to exceed 20 percent of the time originally scheduled, for accomplishment of the renovation or expansion, or (2) the recipient has ceased operation of the facility.

The amount of the repayment is determined according to the following schedule:

<i>Occurrence of event causing recapture</i>	<i>Repayment portion</i>
<i>Less than one year</i>	<i>100 percent</i>
<i>One year or more but less than two years</i>	<i>80 percent</i>

the first \$67,000 of market value; provided that the amount of the reduction shall not exceed \$650. The first \$12,000 market value of each tract of such real estate used for the purposes of a homestead shall be exempt from taxation for state purposes; except as specifically provided otherwise by law.

Class 3cc property shall include real estate or manufactured homes used for the purposes of a homestead by (a) any blind person, if the blind person is the owner thereof or if the blind person and his or her spouse are the sole owners thereof; or (b) any person (hereinafter referred to as veteran) who: (1) served in the active military or naval service of the United States and (2) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or a wheelchair, and (3) with assistance by the administration of veterans affairs has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability, or the surviving spouse of the deceased veteran for as long as the surviving spouse retains the special housing unit as his or her homestead; or (c) any person who: (1) is permanently and totally disabled and (2) receives 90 percent or more of his total income from (i) aid from any state as a result of that disability, or (ii) supplemental security income for the disabled, or (iii) workers' compensation based on a finding of total and permanent disability, or (iv) social security disability, including the amount of a disability insurance benefit which is converted to an old age insurance benefit and any subsequent cost of living increases, or (v) aid under the Federal Railroad Retirement Act of 1937, 45 United States Code Annotated, Section 228b(a)5, or (vi) a pension from any local government retirement fund located in the state of Minnesota as a result of that disability. Property shall be classified and assessed as class 3cc only if the commissioner of revenue certifies to the assessor that the owner of the property satisfies the requirements of this subdivision. Class 3cc property shall be valued and assessed as follows: in the case of agricultural land, including a manufactured home, used for a homestead, the first \$30,000 of market value shall be valued and assessed at five percent, the next \$30,000 of market value shall be valued and assessed at 14 percent, and the remaining market value shall be valued and assessed at 19 percent; and in the case of all other real estate and manufactured homes, the first \$30,000 of market value shall be valued and assessed at five percent, the next \$30,000 of market value shall be valued and assessed at 19 percent, and the remaining market value shall be valued and assessed at 30 percent. In the case of agricultural land including a manufactured home used for purposes of a homestead, the commissioner of revenue shall adjust, as provided in section 273.1311, the maximum amount of the market value of the homestead brackets subject to the five percent and 14 percent rates; and for all other real estate and manufactured homes, the

commissioner of revenue shall adjust, as provided in section 273.1311, the maximum amount of the market value of the homestead brackets subject to the five percent and 19 percent rates. Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings him an income. The property tax to be paid on class 3cc property as otherwise determined by law, (LESS ANY REDUCTION RECEIVED PURSUANT TO SECTION 273.135) shall be reduced by 54 percent of the tax imposed on the first \$67,000 of market value; provided that the amount of the reduction shall not exceed \$650.

For purposes of this subdivision, homestead property which qualifies for the classification ratios and credits provided in this subdivision shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of 1983 or the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

Sec. 3. Minnesota Statutes 1982, section 273.135, subdivision 2, is amended to read:

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be

(a) in the case of property located within the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 66 percent of the (AMOUNT OF SUCH) *net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint*, provided that the (AMOUNT OF SAID) reduction shall not exceed the maximum (AMOUNT) *amounts* specified in clause (c).

(b) in the case of property located within the boundaries of a school district which qualifies as a tax relief area but which is outside the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 57 percent of the (AMOUNT OF SUCH) *net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint*, provided that the (AMOUNT OF SAID) reduction shall not exceed the maximum (AMOUNT) *amounts* specified in clause (c).

(c) (1) The maximum reduction (FOR) of the net tax up to the taconite breakpoint is \$225.40 on property described in clause (a) (SHALL BE \$385) and (FOR) \$200.10 on property described in clause (b) (\$330), for taxes payable in (1978) 1985. These maximum amounts shall increase by \$15 times the quantity one minus the homestead credit equivalency percentage per year for taxes payable in (1979) 1986 and subsequent years.

(2) The total maximum reduction of the net tax on property described in clause (a) is \$490 for taxes payable in 1985. The total maximum reduction for the net tax on property described in clause (b) is \$435 for taxes payable in 1985. These maximum amounts shall increase by \$15 per year for taxes payable in 1986 and thereafter.

For the purposes of this subdivision, "net tax" means the tax on the property after deduction of any credit under section 273.13, subdivision 6, 7, or 14a, "taconite breakpoint" means the lowest possible net tax for a homestead qualifying for the maximum reduction pursuant to section 273.13, subdivision 7, rounded to the nearest whole dollar, and "homestead credit equivalency percentage" means a percentage equal to the percentage reduction authorized in section 273.13, subdivision 7.

Sec. 4. Minnesota Statutes 1982, section 273.135, subdivision 5, is amended to read:

Subd. 5. For the purposes of this section, the amount of property tax to be paid shall be determined (BEFORE) after the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

Sec. 5. Minnesota Statutes 1982, section 273.1391, subdivision 2, is amended to read:

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the (AMOUNT OF THE) net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the

amount of said reduction shall not exceed the maximum (AMOUNT) amounts specified in clause (c). The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the (AMOUNT OF THE) net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint, but not to exceed the (MAXIMUM) maximums specified in clause (c).

(c) (1) The maximum reduction (SHALL BE \$375) of the net tax up to the taconite breakpoint is \$200.10 for taxes payable in (1981) 1985. (THESE) This maximum (AMOUNTS) amount shall increase by \$15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in (1982) 1986 and subsequent years.

(2) The total maximum reduction of the net tax is \$435 for taxes payable in 1985. This total maximum amount shall increase by \$15 per year for taxes payable in 1986 and thereafter.

For the purposes of this subdivision, "net tax" means the tax on the property after deduction of any credit under section 273.13, subdivision 6, 7, or 14a, "taconite breakpoint" means the lowest possible net tax for a homestead qualifying for the maximum reduction pursuant to section 273.13, subdivision 7, rounded to the nearest whole dollar, and "homestead credit equivalency percentage" means a percentage equal to the percentage reduction authorized in section 273.13, subdivision 7.

Sec. 6. Minnesota Statutes 1982, section 273.1391, subdivision 4, is amended to read:

Subd. 4. For the purposes of this section, the amount of property tax to be paid shall be determined (BEFORE) after the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

Sec. 7. Minnesota Statutes 1983 Supplement, section 275.125, subdivision 11a, is amended to read:

Subd. 11a. [CAPITAL EXPENDITURE LEVY.] (a) Each year a school district may levy an amount not to exceed

the amount equal to \$90 per pupil unit, or \$95 per pupil unit in districts where the actual number of pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), has increased from the prior year. No levy under this clause shall exceed seven mills times the adjusted assessed valuation of the taxable property in the district for the preceding year.

(b) The proceeds of the tax may be used to acquire land, to equip and re-equip buildings and permanent attached fixtures, to rent or lease buildings for school purposes, to pay leasing fees for computer systems hardware and related proprietary software, and to pay leasing fees for photocopy machines and telecommunications equipment. The proceeds of the tax may also be used for capital improvement and repair of school sites, buildings and permanent attached fixtures, energy assessments, and for the payment of any special assessments levied against the property of the district authorized pursuant to section 435.19 or any other law or charter provision authorizing assessments against publicly owned property; provided that a district may not levy amounts to pay assessments for service charges, such as those described in section 429.101, whether levied pursuant to that section or pursuant to any other law or home rule provision. The proceeds of the tax may also be used for capital expenditures to reduce or eliminate barriers to or increase access to school facilities by handicapped individuals. The proceeds of the tax may also be used to make capital improvements to schoolhouses to be leased pursuant to section 123.36, subdivision 10. The proceeds of the tax may also be used to pay fees for capital outlay expenditures assessed and certified to each participating school district by the educational cooperative service unit board of directors. The proceeds of the tax may also be used to pay principal and interest on loans from the state authorized by (SECTION) *sections 116J.37 and 298.292 to 298.298.*

(c) Subject to the commissioner's approval, the tax proceeds may also be used to acquire or construct buildings. The state board shall promulgate rules establishing the criteria to be used by the commissioner in approving and disapproving district applications requesting the use of capital expenditure tax proceeds for the acquisition or construction of buildings. The approval criteria for purposes of building acquisition and construction shall include: the appropriateness of the proposal for the district's long term needs; the availability of adequate existing facilities; and the economic feasibility of bonding because of the proposed building's size or cost.

(d) The board shall establish a fund in which the proceeds of this tax shall be accumulated until expended.

(e) The proceeds of the tax shall not be used for custodial or other maintenance services.

(f) Each year, subject to the seven mill limitation of clause (a) of this subdivision, a school district which operates an ap-

proved secondary vocational education program or an approved senior secondary industrial arts program may levy an additional amount equal to \$5 per pupil unit for capital expenditures for equipment for these programs.

(g) For purposes of computing allowable levies under this subdivision and subdivisions 11b and 11c, pupil units shall include those units identified in section 124.17, subdivision 1, clauses (1) and (2), and 98.5 percent of the units identified in Minnesota Statutes 1980, section 124.17, subdivision 1, clauses (4) and (5) for 1980-1981.

Sec. 8. Minnesota Statutes 1983 Supplement, section 275.125, subdivision 11b, is amended to read:

Subd. 11b. [SPECIAL PURPOSE CAPITAL EXPENDITURE LEVY.] In addition to the levy authorized in subdivision 11a, each year a school district may levy an amount not to exceed the amount equal to \$25 per pupil unit. No levy under this clause shall exceed two mills times the adjusted assessed valuation of the property in the district for the preceding year. The proceeds of the tax shall be placed in the district's capital expenditure fund and may be used only for the following:

(a) for energy audits on district-owned buildings, and for funding those energy conservation and renewable energy measures which the energy audits indicate will reduce the use of non-renewable sources of energy to the extent that the projected energy cost savings will amortize the cost of the conservation measures within a period of ten years or less;

(b) for capital expenditures for the purpose of reducing or eliminating barriers to or increasing access to school facilities by handicapped persons;

(c) for capital expenditures to bring district facilities into compliance with the uniform fire code adopted pursuant to chapter 299F;

(d) for expenditures for the removal of asbestos from school buildings or property or for asbestos encapsulation;

(e) for expenditures for the cleanup and disposal of polychlorinated biphenyls; and

(f) to pay principal and interest on loans from the state authorized by (SECTION) *sections 116J.37 and 298.292 to 298.298.*

Sec. 9. Minnesota Statutes 1983 Supplement, section 275.125, subdivision 12a, is amended to read:

Subd. 12a. [ENERGY CONSERVATION LEVY.] The school district may levy, without the approval of a majority of the voters in the district, an amount equal to the actual costs of the energy conservation investments for the purposes of repaying the principal and interest of the law made pursuant to (SECTION) sections 116J.37 and 298.292 to 298.298.

Sec. 10. Minnesota Statutes 1982, section 298.01, is amended to read:

298.01 [MINING OR PRODUCING ORES.]

Subdivision 1. Every person engaged in the business of mining or producing iron ore or other ores in this state shall pay to the state of Minnesota an occupation tax equal to 15.5 percent of the valuation of all ores except taconite, semi-taconite and iron sulphides mined or produced after December 31, 1971 and iron ores mined or produced after December 31, 1984. Said tax shall be in addition to all other taxes provided for by law and shall be due and payable from such person on or before June 15 of the year next succeeding the calendar year covered by the report thereon to be filed as hereinafter provided.

Subd. 2. Every person engaged in the business of producing or mining taconite, semi-taconite and iron sulphides in this state shall pay to the state an occupation tax equal to 15 percent of the valuation of all taconite, semi-taconite and iron sulphides mined or produced after December 31, 1970 and of iron ores mined or produced after December 31, 1984. The tax shall be in addition to all other taxes provided for by law and shall be due and payable from such person on or before June 15 of the year next succeeding the calendar year covered by the report thereon to be filed as hereinafter provided.

Sec. 11. Minnesota Statutes 1982, section 298.02, subdivision 1, is amended to read:

Subdivision 1. [CREDIT.] For the purpose of increasing employment and the utilization of low-grade, underground, and high labor cost ores any taxpayer on whom a tax is imposed by reason of the provisions of section 298.01, subdivisions 1 and 2, shall be allowed a credit against the occupation tax as computed in (SAID SUBDIVISIONS) that section because of the mining or production of ore from any mine, in an amount calculated as follows:

(a) In the case of underground mines or that tonnage of merchantable ore produced in open pit mines in the year in question which tonnage has resulted from beneficiation at an ore beneficiation plant within the state by jigging, heavy media, spiral separation, cyclone process, roasting, drying by artificial heat, sintering, magnetic separation, flotation, agglomeration or

any process requiring fine grinding or any other iron ores mined after December 31, 1984, ten percent of that part of the cost of labor employed by (SAID) the mine or in the beneficiation of all ore mined or produced in (SAID) the calendar year in excess of 70 cents and not in excess of 90 cents per ton of the merchantable ore produced during the year at (SAID) that mine, and 15 percent of that part of the cost of such labor in excess of 90 cents per ton; in the case of any other tonnage produced at said mine or in the case of other mines, ten percent of the amount by which the average cost per ton of labor employed at (SAID) the mine, or in the beneficiation of (SUCH) the ore at or near the mine, exceeds 80 cents, but does not exceed \$1.05, plus 15 percent of the amount by which (SUCH) the average labor cost per ton exceeds \$1.05, multiplied by the number of tons of ore produced at (SAID) the mine, not exceeding 100,000 tons, but this 100,000 tons or less shall be first reduced by any tonnage described in the first part of this subparagraph; provided, however, that in no event shall the credit allowed hereunder be in excess of three-fourths of eleven percent, as applied to underground and taconite (OR), semi-taconite or other iron ore operations, and six-tenths of eleven percent as applied to all other operations, of the valuation of the ore used in computing the tax under the provisions of section 298.01. The (EXPRESSION) term "merchantable ore produced" as used herein means ores which as mined or as mined and beneficiated, are ready for shipment as a merchantable product. (THE PROVISIONS OF THIS SUBPARAGRAPH (A) SHALL BE APPLICABLE TO ALL ORES MINED OR PRODUCED SUBSEQUENT TO DECEMBER 31, 1956.)

(b) The aggregate amount of all credits allowed under this subdivision to all mines shall not exceed six and two-tenths percent of the aggregate amount of occupation taxes imposed under section 298.01, subdivision 1, assessed against all mines in the state for said year prior to the deduction of such credits, provided, that after December 31, 1954, labor credits to underground mines or taconite or semi-taconite operations shall not be subject to such percentage limitation and that, after December 31, 1984, labor credits to other iron ore operations shall not be subject to the percentage limitation and both the occupation taxes of such underground mines or taconite (OR), semi-taconite or other iron ore operations and the labor credits allowed thereto, shall be excluded in calculating such percentage limitations. At the time of his final determination of occupation tax pursuant to section 298.09, subdivision 3, the commissioner shall reduce the credit otherwise allowable to each mine hereunder by such equal percentage as will bring the total within such limitation. If an equal percentage reduction is made in the labor credits of mines pursuant to this subparagraph at the time of certification to the commissioner of (FINANCE) revenue as set forth in section 298.10, the same percentage will be used where changes are made pursuant to section 298.09, subdivision 4, subsequent to June 1. Also if no reduction is made at the time of certification (TO) by the commissioner of (FINANCE) revenue on or before

June 1, pursuant to this subdivision and section 298.10, no reduction will be made subsequent to June 1, due to changes made pursuant to section 298.09, subdivision 4. This subparagraph shall apply to occupation tax calculations in calendar years subsequent to December 31, 1952.

Sec. 12. Minnesota Statutes 1982, section 298.031, subdivision 2, is amended to read:

Subd. 2. [VALUE OF CERTAIN ORE; HOW ASCERTAINED.] (1) The taxpayer shall be given a credit in each taxable year upon the occupation tax assessed in such year under Minnesota Statutes 1957, Chapter 298, against a given mine after credit for labor credits has been given, in an amount equal to the occupation tax under said chapter 298 upon an amount produced by multiplying the number of tons of ore sold at a discount by the amount of such discount.

(2) The aggregate amount of all credits allowed under this section to all mines shall not exceed one percent of the aggregate amount of all occupation taxes imposed under section 298.01, subdivision 1, assessed against all mines in the state for said year prior to the deduction of the credit allowed by this section.

(3) The amount of the foregoing subtraction shall be ascertained and determined by the commissioner.

(4) *If ore stockpiled from previous years operations is sold at a discount, the discount credit shall be allowed against all ore currently being produced by the same company to the extent that the discount credit is available. Any unused credit may be carried forward and utilized with future years production of ore from the stockpiled property or other properties operated by the same company.*

Sec. 13. Minnesota Statutes 1982, section 298.225, is amended to read:

298.225 [APPROPRIATION.]

(IF A TACONITE PRODUCER CEASES BENEFICIATION OPERATIONS, EITHER TEMPORARILY OR PERMANENTLY, AND IF) *For distribution of taconite production tax in 1985 and thereafter with respect to production in 1984 and thereafter,* the recipients of the taconite production tax as provided in section 298.28, subdivision 1, clauses (1) to (4) and (5) (b) (TO), (7), and (8) (a), (WOULD) shall receive (DECREASED DISTRIBUTIONS AS A RESULT THEREOF, THEN THE DISTRIBUTION TO THESE RECIPIENTS IN EACH OF THE TWO YEARS IMMEDIATELY FOLLOWING THE YEAR IN WHICH OPERATIONS CEASED SHALL BE EQUAL TO THE AMOUNT THEY RECEIVED IN THE LAST FULL YEAR BEFORE OPERA-

TIONS CEASED) distributions equal to the amount distributed to them pursuant to sections 298.225 and 298.28, subdivision 1, with respect to 1983 production if the production for the year prior to the distribution year is no less than 42,000,000 taxable tons. If the production is less than 42,000,000 taxable tons, the amount of the distributions shall be reduced by two percent for each 1,000,000 tons, or part of 1,000,000 tons by which the production is less than 42,000,000 tons. There is hereby appropriated to the commissioner of revenue from the taconite environmental protection fund and the corpus of the northeast Minnesota economic protection trust fund in equal proportions the amount needed to make the above payments.

If a taconite producer ceases beneficiation operations permanently and is required by a special law to make bond payments for a school district, the northeast Minnesota economic protection trust fund shall assume the payments of the taconite producer if the producer ceases to make the needed payments. There is hereby appropriated from the corpus of the northeast Minnesota economic protection trust fund to the commissioner of revenue the amounts needed to make these school bond payments.

Sec. 14. Minnesota Statutes 1982, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) There is hereby imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of \$1.25 cents per gross ton of merchantable iron ore concentrate produced therefrom. The tax on concentrates produced in 1978 and subsequent years prior to 1985 shall be equal to \$1.25 multiplied by the steel mill products index during the production year, divided by the steel mill products index in 1977. The index stated in code number 1013, or any subsequent equivalent, as published by the United States Department of Labor, Bureau of Labor Statistics Wholesale Prices and Price Indexes for the month of January of the year in which the concentrate is produced shall be the index used in calculating the tax imposed herein. In no event shall the tax be less than \$1.25 per gross ton of merchantable iron ore concentrate. *The tax on concentrates produced in 1985 and 1986 shall be at the rate determined for 1984 production. For concentrates produced in 1987 and subsequent years, the tax shall be equal to the preceding year's tax plus an amount equal to the preceding year's tax multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" means the implicit price deflator prepared by the bureau of economic analysis of the United States department of commerce.*

(b) On concentrates produced in 1984, an additional tax is (HEREBY) imposed equal to (1.6) eight-tenths of one percent

of the total tax imposed by clause (a) per gross ton for each one percent that the iron content of such product exceeds 62 percent, when dried at 212 degrees Fahrenheit.

(c) The tax imposed by this subdivision on concentrates produced in 1984 shall be computed on the production for the current year (OR). The tax on concentrates produced in 1985 shall be computed on the average of the production for the current year and the previous year. The tax on concentrates produced in 1986 and thereafter shall be the average of the production for the current year and the previous two years (, WHICH-EVER IS HIGHER). This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of \$1.25 per gross ton of merchantable iron ore concentrate produced shall be imposed.

Sec. 15. Minnesota Statutes 1982, section 298.24, is amended by adding a subdivision to read:

Subd. 4. A credit shall be allowed against the tax imposed by subdivision 1, in the amount of \$250,000 per year to any taconite producer that builds a water filtration and treatment plant in 1984 at a cost in excess of \$1,000,000 in order to alleviate the contamination of water resulting from the disposal of taconite tailings on land. This credit shall be available against taxes paid in 1985, 1986, and 1987. The amount sufficient to pay these credits is appropriated from the taconite environmental protection fund created in section 298.223 to the commissioner of revenue.

Sec. 16. Minnesota Statutes 1983 Supplement, section 298.28, subdivision 1, is amended to read:

Subdivision 1. [DISTRIBUTION FROM GENERAL FUND.] The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivi-

sions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8), to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton plus the increase provided in paragraph (c) to qualifying school districts to be distributed as follows:

(a) Six cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (d), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its certified levy for the prior year, computed pursuant to section 275.125, comprises of the sum of certified levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, certified levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2d.

(c) On July 15, (1982 AND ON JULY 15 IN SUBSEQUENT YEARS) *in years prior to 1988*, an amount equal to the increase derived by increasing the amount determined by clause (3)(b) in the same proportion as the increase in the steel mill products index over the base year of 1977 as provided in section 298.24, subdivision 1, clause (a), shall be distributed to any school district described in clause (3)(b) where a levy increase pursuant to section 275.125, subdivision 2d, is authorized by referendum, according to the following formula. *On July 15, 1988 and subsequent years, the increase over the amount established for the prior year shall be determined according to the*

increase in the implicit price deflator as provided in section 298.24, subdivision 1, paragraph (a). Each district shall receive the product of:

(i) \$150 times the pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), enrolled in the previous school year, less the product of two mills times the district's taxable valuation in the second previous year; times

(ii) the lesser of:

(A) one, or

(B) the ratio of the amount certified pursuant to section 275.125, subdivision 2d, in the previous year, to the product of two mills times the district's taxable valuation in the second previous year.

If the total amount provided by clause (3)(c) is insufficient to make the payments herein required then the entitlement of \$150 per pupil unit shall be reduced uniformly so as not to exceed the funds available. Any amounts received by a qualifying school district in any fiscal year pursuant to clause (3)(c) shall not be applied to reduce foundation aids which the district is entitled to receive pursuant to sections 124.2121 to 124.2128 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of finance who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection trust fund as provided in section 298.28, subdivision 1, clause 10.

(d) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such

taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) Four cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) (25.75) 17.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) One cent per taxable ton to the state for the cost of administering the tax imposed by section 298.24.

(7) Three cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. The amount determined in this clause shall be increased in 1981 and subsequent years *prior to 1988* in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1 *and shall be increased in 1988 and subsequent years according to the increase in the implicit price deflator as provided in section 298.24, subdivision 1*. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(8) (a) .20 cent per taxable ton shall be paid (IN 1979 AND EACH YEAR THEREAFTER,) to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and co-operative actions and which are common to those areas of north-east Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for

the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(b) 1.5 cents per taxable ton shall be paid to the northeast Minnesota economic protection trust fund.

(9) the amounts determined under clauses (4)(a), (4)(c), (AND) (5), and (8)(b) shall be increased in 1979 and subsequent years prior to 1988 in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. *Those amounts shall be increased in 1988 and subsequent years in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1.*

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a) and (b) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 as follows: (IN 1981 AND EACH YEAR THEREAFTER,) Two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) (IN 1978 AND EACH YEAR THEREAFTER,) There shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977; provided, however, that the amount distributed in 1981 to the unorganized territory number 2 of Lake County and the town of Beaver Bay based on the between-terminal trackage of Erie Mining Company will be distributed in 1982 and subsequent years to the unorganized territory number 2 of Lake County and the towns of Beaver Bay and Stony River based on the miles of track of Erie Mining Company in each taxing district.

(b) (IN 1978 AND EACH YEAR THEREAFTER,) There shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and produc-

tion of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that (IN 1978 AND 1979 TWO CENTS PER TAXABLE TON, AND IN 1980 AND THEREAFTER,) one cent per taxable ton of the amount distributed under clause (4) (c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

amount not less than the amount due on the minimum tax

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection trust fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Sec. 17. Minnesota Statutes 1982, section 298.40, is amended by adding a subdivision to read:

Subd. 4. There is appropriated, effective July 1, 1985, to the commissioner of revenue from the general fund an amount equal to any credits due as a result of a recomputation of occupation taxes for production year 1977 and previous years based on the limitations prescribed in section 298.40, subdivision 1, and established by the commissioner as an account payable on or before March 25, 1984. The commissioner shall refund to the taxpayers the amount of overpayment plus six percent interest per annum from the date of the overpayment.

Sec. 18. Minnesota Statutes 1982, section 299.012, subdivision 1, is amended to read:

Subdivision 1. For the purpose of increasing the utilization of low grade, underground, and high labor cost ores and taconites, the royalty tax levied by virtue of section 299.01, subdivisions 1 and 2, on royalty received because of the production of ores in any calendar year from land forming part of any mine which was in production during said year, shall be reduced by a credit in an amount which will make the net effective tax rate thereon equal to the net effective rate of the occupation tax imposed pursuant to section 298.01, because of the production of ores during such calendar year from the mine of which such land forms a part, after the application of the credits against such occupation tax allowed under section 298.02; provided, if such mine produced ore in such calendar year, but the ore produced had no valuation for occupation tax purposes because of the allowable deductions equaling or exceeding the value of the ore produced, the credit allowed hereunder shall be three-fourths of eleven percent, as applied to underground, taconite, (AND) semi-taconite and other iron ore operations, and six-tenths of eleven percent as applied to all other operations, of the royalty received. Any person making payments of royalty taxes in advance of the final determination of such taxes, may assume for the purposes of section 299.08, that the net rate of the tax for the calendar year in question shall be the last full year's net effective occupa-

tion tax rate known at the time of the first payment of royalty tax during the current calendar year.

Sec. 19. Laws 1982, Second Special Session, chapter 2, section 12, as amended by Laws 1983, chapter 5, section 1, is amended to read:

Sec. 12. [DISTRESSED AREA EMERGENCY JOBS AND RETRAINING PROGRAM.]

Subdivision 1. [APPROPRIATION.] Notwithstanding the provisions of Minnesota Statutes, sections 298.293 or 298.294, or any other law, there is appropriated to the commissioner of iron range resources and rehabilitation from the net interest, dividends, and other earnings of the northeast Minnesota economic protection trust fund the sum of \$2,500,000. This money shall be expended by the commissioner upon recommendation of the iron range resources and rehabilitation board for the creation of emergency jobs through public works projects submitted to the commissioner by cities, towns, and school districts that are tax relief areas as defined in Minnesota Statutes, section 273.134, by counties in which a tax relief area is located, or by state or federal agencies and for payment of training allowances to individuals who meet the qualifications established pursuant to subdivision 2 while they are participating in an employment retraining program. The money shall be expended only for projects or with respect to employment retraining programs located within a tax relief area. The projects shall be beneficial to the city, town, school districts, county, or the state and may include permanent improvements or maintenance of public property, residential weatherization programs, landscaping of public grounds or parks, planting or trimming trees, improving open space areas, playgrounds, and recreational facilities owned or operated by the sponsoring unit of government, mineland reclamation and reforestation. The sponsoring unit of government shall provide the administration, supervision, and supplies and materials for its project. All money appropriated for the projects under this section and section 14 shall be expended for wages and benefits and the cost of workers' compensation insurance for workers who qualify for employment pursuant to subdivision 2 and who are employed or who are being paid while participating in an employment retraining program pursuant to this act except that an amount not to exceed 3.5 percent of the amount expended under this section and section 14 shall be available to reimburse the department of economic security and iron range resources and rehabilitation board for its actual cost of administering this program. The appropriation under this section shall not lapse but shall remain available until (ENTIRELY DISBURSED) *the day following final enactment of this act. Any funds which are unexpended on the day following final enactment of this act are transferred and deposited in the special revenue fund established at section 298.28, subdivision 1, clause (7), for the purposes of section 298.22.*

Subd. 2: [QUALIFICATIONS FOR EMPLOYMENT.]
The appropriations made under this section and section 14 shall be used only to employ needy unemployed persons who meet the qualifications which shall be established by the commissioner of iron range resources and rehabilitation and the commissioner of economic security. The criteria for employment may be established without compliance with any law or statutory provision relating to the promulgation of rules by departments, agencies or instrumentalities of the state.

Sec. 20. Laws 1982, Second Special Session, chapter 2, section 14, as amended by Laws 1983, chapters 5, section 2, and 46, section 7, is amended to read:

Sec. 14. [SUPPLEMENTAL APPROPRIATION.]

Notwithstanding the provisions of Minnesota Statutes, sections 298.293 or 298.294, or any other law there is appropriated to the iron range resources and rehabilitation board from the net interest, dividends, and other earnings of the northeast Minnesota economic protection trust fund the sum of \$5,000,000 for the purpose of continuing the emergency public works job and retraining program established in section 12. Expenditure of this money, or any portion thereof, is contingent upon approval by a majority of the members of the iron range resources and rehabilitation board. The determination of the board that money may be expended from this appropriation shall be approved by the governor prior to the expenditure of any money under this section, and the legislative advisory commission shall make a recommendation on the expenditure. The appropriation under this section shall not lapse but shall remain available until (ENTIRELY DISBURSED) the day following final enactment of this act. Any funds which are unexpended on the day following final enactment of this act are transferred and deposited in the special revenue fund established at section 298.28, subdivision 1, clause (7), for the purposes of section 298.22.

Sec. 21. [REFUNDS FROM PRODUCTION TAX CASE.]

Any refunds due to taconite producers under the decision of the Minnesota Supreme Court in Erie Mining Co. v. Commissioner of Revenue, filed January 6, 1984, shall be credited against the production tax liability of each company in five equal annual installments. The refunds shall be credited against the distributions to the funds and accounts that received excessive distributions pursuant to Minnesota Statutes, section 298.28, subdivision 1, as a result of the improper computation of the tax that was rectified in that decision.

Sec. 22. [EFFECTIVE DATE.]

Subdivision 1. Sections 1 to 6 are effective for taxes levied in 1984, payable in 1985, and thereafter. Sections 7 to 9 and

12 are effective the day following final enactment. Sections 10, 11, and 18 are effective for ores produced after December 31, 1984. Except as otherwise provided, section 14 is effective for concentrates produced in 1984 and thereafter. Section 16 is effective for distributions in 1985 and thereafter. Sections 19 and 20 are effective the day after final enactment.

Subd. 2. Section 14 shall not become effective unless the commissioner of revenue and all taconite producers with pending taconite production tax litigation execute an agreement to suspend the prosecution of currently pending taconite production tax litigation under terms and conditions satisfactory to the commissioner and the taconite producers before the governor approves this act.

ARTICLE 8

TAX AMNESTY

Section 1. [TAX AMNESTY.]

The commissioner of revenue shall establish a tax amnesty program. The amnesty program applies to taxes payable to the commissioner other than taxes collected by the commissioner on behalf of the cities of Minneapolis and Rochester and the metropolitan sports facilities commission and is only available to a taxpayer who either has an unpaid liability on the department of revenue's accounts receivable system as of February 1, 1984, or who has failed to file a return which, if filed on February 1, 1984, would be considered a delinquent return subject to penalty by law. For a taxpayer who has an existing liability as of February 1, 1984, the commissioner shall accept as full payment of the account a certified check, cashier's check, or money order in the amount of 80 percent of the balance due on February 1, 1984, plus any interest accruing on that account since February 1, 1984, plus any additional liabilities including tax, penalty, and interest established by the commissioner after February 1, 1984. All payments credited to a taxpayer's account after February 1, 1984, but prior to the taxpayer's application for amnesty, shall reduce the February 1 balance prior to computation of the 80 percent requirement. In no case may the reduction exceed \$2,000. Tax amnesty is not available to any taxpayer who has an account which includes a civil fraud penalty imposed by the commissioner. The amount of a penalty imposed pursuant to section 290.92, subdivision 15, clause (9), shall be deducted from the balance due before application of the 20 percent reduction. Payment must be received by the commissioner on or after August 1, 1984, but before November 1, 1984. For purposes of this section, "received" means actual receipt by the commissioner either at the St. Paul office or at any field office of the department of revenue on or before the final date allowed for payment under this program.

In the case of a taxpayer who has failed to file returns which if filed on February 1, 1984, would be considered delinquent returns, the commissioner shall accept the delinquent returns along with payment of all tax and interest if payment is made by certified check, cashier's check, or money order and received by the commissioner on or after August 1, 1984, but before November 1, 1984. For delinquent returns filed pursuant to this program, the civil and criminal penalties imposed by law are waived unless the commissioner later finds that the tax as shown on any return was understated by 25 percent or more. In that case the civil and criminal penalties are reinstated, and the commissioner shall collect the civil penalties and may pursue the criminal penalties.

There will not be another tax amnesty before October 1, 1994.

Sec. 2. [270.72] [TAX CLEARANCE; ISSUANCE OF LICENSES.]

Subdivision 1. [TAX CLEARANCE REQUIRED.] The state or a political subdivision of the state may not issue or renew a license for the conduct of a profession, trade, or business, if the commissioner notifies the licensing authority that the applicant owes the state delinquent taxes, penalties, or interest. The commissioner may not notify the licensing authority unless the applicant taxpayer owes \$1,000 or more in delinquent taxes. A licensing authority that has received a notice from the commissioner may issue or renew the applicant's license only if (a) the commissioner issues a tax clearance certificate and (b) the commissioner or the applicant forwards a copy of the clearance to the authority. The commissioner may issue a clearance certificate only if the applicant does not owe the state any uncontested delinquent taxes, penalties, or interest.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Taxes" are limited to withholding tax as provided in section 290.92, sales and use tax as provided in chapter 297A, and motor vehicle excise tax as provided in chapter 297B. Penalties and interest are limited to penalties and interest due on taxes included in this definition.

(b) "Delinquent taxes" do not include a tax liability if (i) an administrative or court action which contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the applicant has entered into a payment agreement and is current with the payments.

(c) "Applicant" means an individual if the license is issued to or in the name of an individual or the corporation or partnership if the license is issued to or in the name of a corporation or partnership.

Subd. 3. [NOTICE AND HEARING.] If the commissioner notifies a licensing authority pursuant to subdivision 1, he must send a copy of the notice to the applicant. In the case of the renewal of a license if the applicant requests, in writing, within 30 days of the receipt of the notice a hearing, a contested case hearing must be held. The hearing must be held within 45 days of the date the commissioner refers the case to the office of administrative hearings. The hearing must be held under the procedures provided by section 270A.09 and the administrative rules promulgated under chapter 270A.

Subd. 4. [LICENSING AUTHORITY; DUTIES.] All licensing authorities must require the applicant to provide his social security number and Minnesota business identification number on all license applications. Upon request of the commissioner, the licensing authority must provide the commissioner with a list of all applicants, including the name, address, business name and address, social security number, and business identification number of each applicant. The commissioner may request from a licensing authority a list of the applicants no more than once each calendar year.

Subd. 5. [REPEALER.] This section is repealed effective December 1, 1986.

ARTICLE 9

RAILROADS

Section 1. Minnesota Statutes 1982, section 270.80, subdivision 4, is amended to read:

Subd. 4. "Nonoperating property" means and includes all property other than property defined in subdivision 3. Nonoperating property shall include real property which is leased or rented or available for lease or rent to any person which is not a railroad company. Vacant land shall be presumed to be available for lease or rent if it has not been used as operating property for a period of one year preceding the valuation date. Nonoperating property also includes land which is not necessary and integral to the performance of railroad transportation services and which is not used on a regular and continual basis in the performance of these services. Nonoperating property also includes that portion of a general corporation office building and its proportionate share of land which is not used for railway operation or purpose.

Sec. 2. Minnesota Statutes 1982, section 270.84, subdivision 1, is amended to read:

Subdivision 1. The commissioner shall annually between April 30 and July 31 make a determination of the fair market

value of the operating property of every railroad company doing business in this state as of January 2 of the year in which the valuation is made. (IN DETERMINING THE FAIR MARKET VALUE OF THE PORTION OF OPERATING PROPERTY WITHIN THIS STATE, THE COMMISSIONER SHALL VALUE THE OPERATING PROPERTY AS A UNIT, TAKING INTO CONSIDERATION THE VALUE OF THE OPERATING PROPERTY OF THE ENTIRE SYSTEM, AND SHALL ALLOCATE TO THIS STATE THAT PART THEREOF WHICH IS A FAIR AND REASONABLE PROPORTION OF SAID ENTIRE SYSTEM VALUATION. IF THE COMMISSIONER USES ORIGINAL COST AS A FACTOR IN DETERMINING THE UNIT VALUE OF OPERATING PROPERTY, NO DEPRECIATION OR OBSOLESCENCE ALLOWANCE SHALL BE PERMITTED. HOWEVER, IF THE COMMISSIONER USES REPLACEMENT COST AS A FACTOR IN DETERMINING THE UNIT VALUE OF OPERATING PROPERTY, THEN A REASONABLE DEPRECIATION AND OBSOLESCENCE ALLOWANCE MAY BE USED) *In making this determination, the commissioner shall employ generally accepted appraisal principles and practices which may include the unit method of determining value. The commissioner may promulgate temporary rules adopting valuation procedures under sections 14.29 to 14.36.*

The commissioner shall give a report to the legislature in February (1980) 1985 and in February (1981) 1986 on the formula which he has used to determine the (UNIT) value of railroad operating property pursuant to (LAWS 1979. CHAPTER 303) *this article*. This report shall also contain the valuation for payable (1980) 1985 and (1981) 1986 by company and the taxes payable in (1980) 1985 and (1981) 1986 by company based upon the valuation of operating property. The legislature may review the formula, the valuation, and the resulting taxes and may make changes in the formula that it deems necessary.

Sec. 3. Minnesota Statutes 1982, section 270.86, is amended to read:

270.86 [APPORIONMENT AND EQUALIZATION OF VALUATION.]

Subdivision 1. [APPORIONMENT OF VALUE.] Upon determination by the commissioner of the fair market value of the operating property of each railroad company, he shall apportion such value to the respective counties and to the taxing districts therein in conformity with fair and reasonable rules and standards to be established by the commissioner pursuant to notice and hearing, except as provided in section 270.81. In establishing such rules and standards the commissioner may consider (a) the physical situs of all station houses, depots, docks, wharves, and other buildings and structures with an original

cost in excess of \$10,000; (b) the proportion that the length and type of all the tracks used by the railroad in such county and taxing district bears to the length and type of all the track used in the state; and (c) other facts as will result in a fair and equitable apportionment of value.

Subd. 2. [EQUALIZED VALUATION.] After making the apportionment provided in subdivision 1, the commissioner shall determine the equalized valuation of the operating property in each county by applying to the apportioned value an estimated current year median sales ratio for all commercial and industrial property in that county. If the commissioner decides there are insufficient sales to determine a median commercial-industrial sales ratio, an estimated current year countrywide median sales ratio for all property shall be applied to the apportioned value. No equalization shall be made to the market value of the operating property if the median sales ratio determine pursuant to this subdivision is within five percent of the assessment ratio of the railroad operating property.

Sec. 4. Minnesota Statutes 1982, section 270.87, is amended to read:

270.87 [CERTIFICATION TO COUNTY ASSESSORS.]

When the commissioner has made his annual determination of the *equalized* fair market value of the operating property of each company in each of the respective counties, and in the taxing districts therein, he shall certify the *equalized* fair market value to the county assessor, which shall constitute the *equalized* fair market value of the operating property of the railroad company in such county and the taxing districts therein upon which taxes shall be levied and collected in the same manner as on the commercial and industrial property of such county and the taxing districts therein.

Sec. 5. [APPROPRIATION.]

There is appropriated from the general fund to the commissioner of revenue the amounts necessary to make certain refunds of property taxes to railroads for assessment years 1981 and 1982 as a result of a change in the assessed valuation of railroad property. For purposes of this section, the term "property taxes" includes any interest which is required to be paid to the railroads.

The county auditor shall certify to the commissioner of revenue the dollar amount of the refunds paid to the railroads by the county and each city, town, school district, and special taxing district or portion thereof which is located within the county. The certification must be made on the forms and completed by the date prescribed by the commissioner. The commissioner of reve-

nue shall review the certification and make changes in the certification that he determines are necessary. The amounts of the abatements for a taxing district which is located in more than one county shall be aggregated. The commissioner shall determine the amount to be paid to each county, city, town, and special taxing district which shall be equal to the amount of the abatement in excess of 20 cents per capita for each county, city, town, and special taxing district. The commissioner shall determine the amount to be paid to each school district which shall be equal to the amount of the abatement in excess of one dollar per pupil unit for the school district. The 20 cents per capita and the one dollar per pupil unit shall relate to the combined abatement amount for all railroads for both 1981 and 1982 for each county, city, town, school district, and special taxing district. The commissioner shall pay each taxing district as soon as practicable after certification, but not before January 1, 1985.

This appropriation is available the day after final enactment until expended.

A county, city, town, school district, and special taxing district may include an additional amount in its property tax levy for taxes payable in 1985 equal to the difference between the amount of tax and interest refunded to a railroad company whose valuation was ordered reduced by the tax court and the amount reimbursed to the taxing district by the state pursuant to this section. Amounts levied for this purpose shall be considered outside of any levy limitations applicable to the taxing district. In the case of a school district, only the amount of abatement not reimbursed under this section may be considered in the computation of abatement aid under section 124.214, subdivision 2.

Sec. 6. [EFFECTIVE DATE.]

Section 5 is effective the day after final enactment. The remaining sections in this article are effective for the 1984 assessment and subsequent years, for taxes payable in 1985 and subsequent years.

ARTICLE 10

AGRIPROCESSING

Section 1. [41A:01] [PURPOSE.]

Sections 1 to 6 provide a framework for an agricultural resource loan guaranty program, the purposes of which are to further the development of the state's agricultural resources and improve the market for its agricultural products. Public debt is authorized by the constitution to be incurred for developing agricultural resources by extending credit on real estate security. The program contemplates the use of this power not to finance proj-

ects of the kind described herein, but to provide financial guaranties for a portion of the cost of viable projects to the extent necessary to enable qualified developers and operators to secure private financing which would not otherwise be available. All credit advanced pursuant to loan guaranty commitments is to be secured by subrogation of the state to mortgage security and other security interests granted to the private lender, in proportion to the amount advanced by the state. A loan guaranty board is established to investigate the feasibility of each project, its conformity to the above policies and to environmental standards, the qualifications of the owners, operators, and lenders, and the nature and extent of the security, prior to commitment, and to secure maximum financial participation by private persons, not supported by the guaranty, to assure that in these respects each project satisfies and will continue to satisfy criteria which are adequate in the judgment of the board.

Sec. 2. [41A.02] [DEFINITIONS; ACTIONS BY THE STATE.]

Subdivision 1. [SCOPE.] The definition of each term given in this section applies whenever the term is used in sections 1 to 7.

Subd. 2. [AGRICULTURAL RESOURCE.] "Agricultural resource" means any organic matter which is available on a renewable basis from agricultural processes, including agricultural crop, animal, and wood production, waste, and residues.

Subd. 3. [AGRICULTURAL RESOURCE LOAN GUARANTY BOARD; BOARD.] "Agricultural resource loan guaranty board" or "board" means the commissioner of finance as chairman, the commissioner of agriculture, the commissioner of commerce, the commissioner of energy and economic development, and the director of the pollution control agency.

Subd. 4. [AGRICULTURAL RESOURCE LOAN GUARANTY FUND; GUARANTY FUND.] "Agricultural resource loan guaranty fund" or "guaranty fund" means the fund created by section 5.

"Construction" includes acquisition of land, easements, buildings, structures, improvements, and equipment and machinery for use in or at the site of a project or on easements adjacent to the project site.

Subd. 10. [COST.] "Cost" of a project means the sum of all obligations paid or to be paid or incurred by the borrower which are reasonably required for the construction and completion of the project, including but not limited to (i) surveys, estimates, plans, specifications, supervision of construction, and other engineering and architectural service; (ii) payments under construction contracts and for payment and performance bonds; (iii) purchase and installation of equipment and machinery; (iv) recording, filing, permit, legal, financial, underwriting, placement, commitment, publication, advertising, and other charges, fees, and expenses incurred for establishing title, mortgage liens, and security interests with respect to the project, for securing permits for construction and approval of the loan guaranty, for establishing the terms of the loan and underlying security agreements, and for offering, selling, or placing with investors and printing and delivering the obligations evidencing the loan; and (v) interest, discount, fees, and expenses accruing with respect to the loan, and taxes and other government charges payable with respect to the project, during construction.

Subd. 11. [LENDER.] "Lender" means any holder or holders of bonds, notes, or other obligations evidencing a guaranteed loan, any trustee representing those holders, and any investment or commercial banking institution, savings and loan institution, insurance company, investment company, or other financial institution or institutional investor making, purchasing, or participating in a loan or any part of a loan.

Subd. 14. [LOAN GUARANTY.] "Loan guaranty" means a written agreement executed on behalf of the state that guarantees, in accordance with the terms and conditions contained in the agreement or in a loan agreement, the payment of sums of money owing by a borrower to a lender.

Subd. 15. [STATE.] "State" actions contemplated in sections 1 to 6 may be taken on behalf of the state by resolutions of the agricultural resource loan guaranty board, subject to approval by the governor if required by the governor, or by a member of the board or another state officer in the department headed by the member, pursuant to authority delegated by resolution of the board. Resolutions of the board are effective when approved by the vote of a majority of its members.

Sec. 3. [41A.03] [LOAN GUARANTIES.]

Subdivision 1. [AUTHORITY FOR AND LIMITATION OF GUARANTY.] Subject to the provisions of sections 1 to 6 and subject to section 16A.80 and upon determination that a loan will serve the public purposes and satisfy the conditions set forth in sections 1 to 6, the state may guarantee and commit to guarantee against loss an amount not exceeding 90 percent, with accrued interest, of a loan for the construction of an agricultural resource project (or the refunding or refinancing of a loan). The loan must be secured by a first mortgage lien on and security interest in all real and personal property comprising the project and other collateral as provided in the loan agreement.

Subd. 2. [LIMITATION OF LOAN AMOUNT.] The total principal amount of any guaranteed loan may not exceed 80 percent of the total cost of the related project as estimated by the state at the time the commitment to guarantee is made or, in the case of a refunding or refinancing loan, 80 percent of the aggregate amount of principal and interest refunded or refinanced. If the actual cost exceeds the estimate the state may, upon request of the borrower and the lender, consent to an increase of the loan by a principal amount not greater than 80 percent of the excess cost, and may increase the guaranteed amount by not more than 90 percent of the increase in the principal amount, and accrued interest on that amount.

Subd. 3. [REQUIRED PROVISIONS.] A loan guaranty or loan agreement pertaining to any loan guaranteed by the state must provide that:

(a) Payments of principal and interest made by the borrower under the loan shall be applied by the lender to reduce the guaranteed and nonguaranteed portion of the loan on a proportionate basis, and the nonguaranteed portion shall not in any event receive preferential treatment over the guaranteed portion.

(b) A period of grace shall be allowed of not less than 60 days from a date a principal or interest payment is due, prior to the making of demand for payment pursuant to the loan guaranty, to permit adequate time for a decision on behalf of the state regarding principal and interest assistance in accordance with subdivision 4. Payment as required by the loan guaranty shall be made within 60 days after receipt by the state of written demand complying with the terms and conditions of the guaranty.

(c) The lender may not accelerate repayment of the loan or exercise other remedies available to the lender if the borrower defaults, unless (i) the borrower fails to pay a required payment of principal or interest, or (ii) the state consents in writing, or (iii) as otherwise permitted in the loan guaranty. In the event of a default, the lender may not make demand for payment pursuant to the guaranty unless the state agrees in writing that such default has materially affected the rights or security of the parties, and finds that the lender should be entitled to receive payment pursuant to the loan guaranty.

(d) If a payment of principal or interest is made by the state upon default of the borrower, the state shall be subrogated to the rights of the lender with respect to the payment.

(e) The borrower shall have promptly prepared and delivered to the state annual audited financial statements of the project prepared according to generally accepted accounting principles.

(f) Duly authorized representatives of the state shall have access to the project site at reasonable times during construction and operation of the project.

(g) The borrower shall maintain adequate records and documents concerning the construction and operation of the project in order that representatives of the state may determine its technical and financial conditions and its compliance with environmental requirements. The records shall include the amounts of all sales and use taxes paid on personal property and services purchased for the construction and operation of the project, with tax receipts furnished by the sellers or other supporting docu-

mentation determined by the board to be satisfactory. The amounts of those taxes shall be reported to the board in the manner and at the times required by the board.

(h) The borrower shall protect and preserve at all times the project assets and other collateral securing the loan and shall assist in liquidation of collateral to minimize loss in the event of default.

(i) Orderly liquidation of assets of the project shall be provided for in the event of default, with an option on the part of the state to acquire from the lender the lender's interest in the assets pursuant to the nonguaranteed portion of the loan.

(j) The state shall be paid at or prior to the closing of the guaranteed loan a fee or fees for the loan guaranty or the commitment to guarantee the loan. The aggregate fee may not exceed one percent of the total principal amount of the guaranteed portion of the loan.

(k) The lender shall perfect and maintain the mortgage lien on the real estate and the security interest in personal property and collateral granted as security for the loan, and shall cause all other loan servicing functions to be performed which are normally required or performed by a reasonable and prudent lender with respect to a loan without a guaranty.

(l) The state shall be notified in writing without delay of (i) the date and amount of and basis for each disbursement of loan proceeds; (ii) any nonpayment of principal or interest due (within ten days after the due date and with evidence of notification to the borrower); (iii) any failure to honor a commitment by any person of an intended source of capital for the project; and (iv) any significant adverse changes from original cash flow projections as evidenced by reports from the borrower, or any other known evidence that the borrower might be unable to meet a future scheduled payment of principal or interest.

(m) The loan agreement shall require the borrower to establish a reserve, from the proceeds of the loan or otherwise, to be maintained with the lender or with a trustee for the holders of the borrower's obligations in cash or securities of a specified market value not less than the annual amount which would be required to amortize the entire amount of the loan over the term (or at the rate of yield resulting from the interest rates) provided in the loan agreement.

Subd. 4. [PRINCIPAL AND INTEREST ASSISTANCE.]
The state may at any time enter into a written contract with the borrower to pay the lender, on behalf of the borrower, an amount not greater than the amount of principal and interest to become due on one or more subsequent dates, without acceleration, if the

state determines that (i) the borrower is not in default in payment of principal or interest due more than 60 days prior to the date of the contract; (ii) the borrower is or may become unable to meet in full principal or interest payments, or both, which are due or to become due within a specified period; (iii) it is in the public interest to permit the borrower to continue to pursue the purposes of the project; (iv) the probable net financial loss to the state will be less than that which would result in the event of a default; (v) the borrower is obligated by the contract to reimburse the state for all principal or interest advanced, with interest on those amounts, upon terms and conditions satisfactory to the state; and (vi) funds are available for allocation to the account established for the project in the guaranty fund, and are continuously allocated to the account in accordance with the provisions of section 4, subdivision 3, in an amount equal to the amount of interest on the advances until actually reimbursed to the state by the borrower. All sums so advanced and interest on those amounts shall be secured by the mortgage lien and security interest granted by the loan agreement, but none of the advances shall thereafter be repaid to the state until and unless all principal and interest currently due on the loan has been fully paid. In the event of subsequent default by the borrower, acceleration by the lender, and payment by the state of the full amount due under the loan guaranty, the state shall be subrogated to the rights of the lender with respect to the principal paid by it under the contract. Upon payment of the loan in full, with accrued interest, the remaining amount of the advances and interest on the advances may be paid to the state.

Sec. 4. [41A.04] [APPLICATION AND APPROVAL.]

Subdivision 1. [REQUIREMENTS.] (a) Any rural development finance authority, or county exercising the powers of such an authority, may file a written application with the state commissioner of finance, to be considered by the agricultural resource loan guaranty board, for a guaranty by the state of a portion of a loan for an agricultural resource project. In general, the application must provide information similar to that required by an investment banking or other financial institution considering such a project for debt financing. Specifically, each application must include in brief but precise form the following information, as supplied by the applicant, the borrower, or the lender:

(1) a description of the scope, nature, extent, and location of the proposed project, including the identity of the borrower and a preliminary or conceptual design of the project;

(2) a description of the technology to be used in the project and the prior construction and operating experience of the borrower with such projects;

(3) a detailed estimate of the items comprising the total cost of the project, including escalation and contingencies, with explanation of the assumptions underlying the estimate;

(4) a general description of the financial plan for the project, including the mortgage and security interests to be granted for the security of the guaranteed loan, and all sources of equity, grants, or contributions or of borrowing the repayment of which is not to be secured by the mortgage and security interests, or, if so secured, is expressly subordinated to the guaranteed loan;

(5) an environmental report analyzing potential environmental effects of the project, any necessary or proposed mitigation measures, and other relevant data available to the applicant to enable the board to make an environmental assessment;

(6) a list of applications to be filed and estimated dates of approvals of permits required by federal, state, and local government agencies as conditions for construction and commencement of operation of the project;

(7) an estimated construction schedule;

(8) an analysis of the estimated cost of production of and market for the product, including economic factors justifying the analysis and proposed and actual marketing contracts, letters of intent, and contracts for the supply of feedstock;

(9) a description of the management experience of the borrower in organizing and undertaking similar projects;

(10) pro forma cash flow statements for the first five years of project operation including income statements and balance sheets;

(11) a description of the borrower's organization and, where applicable, a copy of its articles of incorporation or partnership agreement and bylaws;

(12) the estimated amount of the loan and percentage of guaranty requested, the proposed repayment schedule, and other terms and conditions and security provisions of the loan;

(13) an estimate of the amounts and times of receipts of guaranty fees, sales and use taxes, property tax increments, and any other governmental charges which may be available for the support of the state guaranty fund as a result of the construction of the project, with an analysis of the assumptions on which the estimate is based;

(14) a copy of any lending commitment issued by a lender to the borrower;

(15) a statement from the lender, if identified, as to its general experience in financing and servicing debt incurred for projects of the size and general type of the project, and its proposed servicing and monitoring plan; and

(16) additional information required by the board.

(b) The applicant shall pay upon filing of the application a fee equal to .25 percent of the amount of the loan guaranty requested. The fee shall be paid to the commissioner of finance and deposited in the general fund. If the board determines not to issue a commitment for the project, the fee shall be refunded to the applicant, less the board's cost of processing, reviewing, and evaluating the application. If the board issues a commitment for the project and the application fee exceeds the board's cost of processing, reviewing, and evaluating the application, the balance shall be transferred from the general fund to the project account in the guaranty fund and credited against the amount of the commitment fee required in section 3, subdivision 3, clause (j). The county or rural development finance authority may require the proposed borrower under the project to pay the application fee.

Subd. 2. [ENVIRONMENTAL ASSESSMENT.] Notwithstanding any other law or rule, no environmental impact statement must be completed prior to the approval of an application and the issuance of a conditional commitment for the guaranty of a loan for an agricultural resource project, or the taking of any other action permitted by sections 1 to 7, including the issuance of bonds, which is considered necessary or desirable by the board to prepare for a final commitment and to make it effective. Environmental review, to the extent required by law, shall be made in conjunction with the issuance by state agencies of environmental permits for the project. Permits may be applied for prior to the issuance of a conditional commitment. Action shall be taken as expeditiously as possible on environmental review and all permits required. Environmental review shall be completed within 180 days after the initial filing of an application to the pollution control agency for the first permit. Final action shall be taken on permits within 90 days after completion of environmental review or, as to any permit requiring a public hearing, within 90 days after the receipt of the hearing examiner's report.

Subd. 3. [COMMITMENT.] The board shall determine as to each project for which an application is submitted whether it appears in the board's judgment to conform to the purposes and policies stated in section 1 to an extent measured by criteria which in the board's judgment are satisfactory. In evaluating applications the board shall consider the extent to which the public subsidies sought by the applicant under the program would provide the project with an unfair advantage in competing

with other products produced or processed in Minnesota. It may but need not adopt rules setting forth criteria for evaluating applications for loan guaranties. Upon determination by the board that a project conforms to the purposes and policies in section 1, it may by resolution make on behalf of the state a conditional commitment to guarantee a portion of the proposed loan as it shall determine, not exceeding the limitations set forth in section 3. No action is allowable under section 116B.03, subdivision 1, with respect to acts of any person authorized or required in order to execute the resolution. The commitment is not binding upon the state until and unless the following conditions are satisfied.

(1) *the board has created a project account for the project in the guaranty fund and has allocated to the account, from funds previously appropriated by the legislature or from the proceeds of bonds issued or to be issued for purposes of the guaranty fund pursuant to authorization previously enacted by the legislature, and not previously allocated to any other project account, in an aggregate amount sufficient, with any other amount then on hand in the project account, to pay the entire guaranteed principal amount of the proposed loan, plus interest on that amount for one year. The bonds authorized by the legislature need not be issued until and unless the proceeds allocated to a project account must be deposited in the account to comply with clause (2) or (3).*

(2) *the board has deposited in the project account bond proceeds or other funds in an amount not less than the annual amount which would be required to amortize the guaranteed portion of the principal of the loan over the term and at the interest rate (or at the rate of yield resulting from the interest rates) provided in the loan agreement.*

(3) *the board has executed on behalf of the state a final loan guaranty instrument in conformity with section 3, which binds the state to offer state bonds for sale at the times and in the amounts required, with amounts on hand in the project account, to pay all amounts to become due and payable under the loan guaranty, within the authorization and allocation referred to in clause (1), and when sold, to issue the bonds and apply the proceeds to make these payments.*

Subd. 4. [RULE MAKING AUTHORITY.] *In order to effectuate the purposes of sections 1 to 7, the board shall adopt rules which are subject to the provisions of chapter 14. The board may adopt temporary rules which may be effective until December 31, 1985.*

Sec. 5. [41A.05] [MINNESOTA AGRICULTURAL RESOURCE LOAN GUARANTY FUND AND BONDS.]

Subdivision 1. [ESTABLISHMENT OF FUND.] *For the purpose of developing the state's agricultural resources by ex-*

tending credit on real estate security, the agricultural resource loan guaranty fund is established as a special and dedicated fund to be held and invested separately from all other funds of the state. All proceeds of state bonds authorized and issued for the purposes of the fund, and all guaranty fees, retail sales taxes, property tax increments, and other money from any source which may be credited to the fund pursuant to law or pursuant to the terms of grants, contributions, or contracts are appropriated and shall remain available for the purposes of the fund until those purposes have been fully accomplished. The fund may be used only for paying amounts due under loan guaranties and principal and interest assistance contracts entered into by the state, pursuant to the agricultural resource loan guaranty program.

Subd. 2. [ISSUANCE OF BONDS.] To provide money appropriated to the agricultural resource loan guaranty fund for the purposes of the program, when authorized by law and requested by the board, the commissioner of finance shall issue and sell bonds of the state. The state irrevocably pledges the full faith, credit, and taxing powers of the state to the prompt and full payment of these bonds. The proceeds of the bonds when issued, except accrued interest and any premium received upon sale, shall be credited to the guaranty fund. All the bonds shall be sold and issued and shall be secured in the manner, upon the terms, and with the effect prescribed for state building bonds in chapter 16A, and with the security provisions set forth in chapter 16A and in article XI, sections 4 to 7 of the constitution.

Subd. 3. [COVENANT.] In fulfillment of the state's covenant with the beneficiary of each loan guaranty, executed by the board on behalf of the state pursuant to the agricultural resource loan guaranty program, in accordance with section 4, subdivision 3, the state will not limit or alter the rights vested in the board to comply with the terms of the loan guaranties. The state agrees not to rescind or cancel any authorization of an amount of bonds, or the appropriation of the proceeds of bonds for the purposes of the program, which, with the sum of the amounts then held in each project account in the guaranty fund, would be required, in the event of an immediate default on each guaranteed loan, to pay the balance of the guaranteed portion of the principal of all guaranteed loans with interest accrued and to accrue thereon for one year.

Subd. 4. [INCOME TAX EXEMPTION.] In the issuance of state bonds and the making of loan guaranties for the purposes of the program, the commissioner of finance and the board may and shall make all provisions and do or cause to be done all acts and things, consistent with sections 1 to 6, which are or may be effective under federal laws and regulations to comply with conditions for the exemption of interest on such bonds from federal income taxation. However, if for any reason, whether

existing at the date of issue of any bonds or the date of execution of any loan guaranty or thereafter, the interest on any such bonds shall be or become subject to federal income taxes, this shall not impair or affect the validity of the bonds or of any loan guaranty or the provisions made for the security thereof, and shall not impair or affect the covenant made by the state in subdivision 3. Nothing herein affects the federal or state income tax treatment of interest on obligations of a borrower other than the state, whether or not guaranteed by the state.

Sec. 6. [41A.06] [PROJECT TAXES AND OTHER CHARGES.]

Subdivision 1. [APPROPRIATION.] The payments, taxes, and governmental charges described in this section which are received as a consequence of the undertaking, completion, and operation of each agricultural resource loan project for which a loan guaranty is made by the state are appropriated to the loan guaranty fund. This appropriation shall not lapse at the close of any fiscal year under the provisions of section 16A.28, and the receipts from the appropriation shall remain available as provided in section 5, subdivision 1. The state is not obligated, however, to continue the appropriation with respect to charges not yet collected, except to the extent determined to be necessary for compliance with the covenant contained in section 5, subdivision 3.

Subd. 2. [ALLOCATION TO PROJECT ACCOUNTS.] Receipts of charges related to a particular project shall be deposited and recorded in its project account in the guaranty fund; but the board may reallocate receipts in any project account which cause the amount held in the account to exceed the minimum balance established initially pursuant to section 4, subdivision 3, clause (2). The reallocation may be made to another project account for the purpose of maintaining the minimum balance in the account.

Subd. 3. [PAYMENTS BY BORROWERS.] Guaranty and commitment fees paid by borrowers pursuant to the loan guaranty provision required by section 3, subdivision 3, clause (j), and repayments by borrowers of amounts advanced by the state under contracts referred to in section 3, subdivision 4, shall be deposited in the project account for the borrower's project and shall not be disbursed or transferred for any purpose other than the fulfillment of the state's obligations under the loan guaranty for that project. Funds may be transferred out of the account if the minimum required balance in the project account is maintained and exceeds the aggregate amount of fees and payments previously received from the borrower plus interest received from the investment thereof.

Subd. 4. [SALES AND USE TAXES.] All collections of the excise taxes imposed by chapter 297A upon retail sales, and

upon the privilege of use, storage, or consumption in Minnesota, of personal property and services purchased for the construction or operation of any project for which a loan guaranty has been made or conditionally committed, less any refunds required by law and a proportionate share of the cost of administration and enforcement of the assessment and collection of the taxes, are appropriated and shall be deposited from the general fund into the project account in the guaranty fund at least once each year from and after the date of the conditional commitment. The commissioner of finance shall secure from each borrower the amount of taxes so imposed and from the commissioner of revenue the amount of refunds or costs to be deducted from them.

Subd. 5. [PROPERTY TAX INCREMENTS.] The applicant for a loan guaranty for any project, and the county in which the project is situated, shall do all acts and things necessary for the computation and segregation of property tax increments resulting from the construction of the project in accordance with the provisions of section 362A.05, and for the remittance to the commissioner of finance, for deposit in the loan guaranty fund, of all tax increments received from and after the date of the conditional commitment for the loan guaranty. The board may agree to accept a pledge of only a portion of the tax increment. If the project account contains the minimum balance required by section 4, subdivision 3, the board may annually return the excess tax increment to be distributed as provided by section 273.75, subdivision 2, clause (d), until the increment has been discharged under the agreement or section 11.

Sec. 7. [41A.07] [ADVISORY COMMISSION.]

The board may appoint an advisory commission, consisting of at least five members. The members of the commission shall include individuals with expertise in agricultural processing, commercial lending and financing of similar or related projects, agricultural economics, and engineering, chemistry, and other natural sciences related to the projects. The commission shall advise the board on establishing a workable program pursuant to sections 1 to 6 and may provide assistance in evaluating applications for loan guarantees. The terms and compensation of commission members shall be governed by section 15.059, except that subdivision 5 shall not apply.

Sec. 8. Minnesota Statutes 1982, section 297A.44, subdivision 1, is amended to read:

Subdivision 1. All revenues, including interest and penalties, derived from the excise and use taxes imposed by sections 297A.01 to 297A.44 shall be deposited by the commissioner in the state treasury and credited to the general fund. All excise and use taxes derived from sales and use of property and services purchased for the construction and operation of an agricultural

resource project, from and after the date on which a conditional commitment for a loan guaranty for the project is made pursuant to section 4, subdivision 3, shall be deposited in the agricultural resource loan guaranty fund. The commissioner of finance shall certify to the commissioner the date on which the project received the conditional commitment. The amount deposited in the loan guaranty fund shall be reduced by any refunds and by the costs incurred by the department of revenue to administer and enforce the assessment and collection of the taxes.

Sec. 9. Minnesota Statutes 1982, section 362A.01, subdivision 1, is amended to read:

Subdivision 1. Any county or combination of counties by resolution of the county board or boards may establish a rural development financing authority as a public nonprofit corporation with the same powers and duties as those conferred and imposed on a private nonprofit corporation by chapter 317, and all present and future laws amending or supplementing that chapter, except as otherwise or additionally provided herein. No such authority shall transact any business or exercise any powers until a certified copy of the resolutions of each participating county board has been submitted to the secretary of state and a certificate of incorporation issued pursuant to section 317.10. *Alternatively, a county may determine by resolution of the county board (without such filing) to exercise the powers granted in this chapter to a rural development finance authority.*

Sec. 10. [362A.041] [APPLICATIONS FOR LOAN GUARANTIES.]

The authority, or a county exercising the powers of an authority pursuant to section 362A.01, may undertake or participate in undertaking a project deemed to further the policies and purposes of the agricultural resource loan guaranty program established and described in sections 1 to 6, by applying to the agricultural resource loan guaranty board for a guaranty by the state of a portion of a loan for the project to be secured by the applicant, or by another eligible borrower. For this purpose it may do all acts and things required of an applicant or of a borrower under the provisions of sections 1 to 6, including but not limited to the computation, segregation, and application of tax increments by deposit in the loan guaranty fund under the terms of the loan guaranty.

Sec. 11. Minnesota Statutes 1982, section 362A.05, is amended to read:

362A.05 [AGREEMENTS FOR RESERVATION OF TAX INCREMENTS.]

The authority may enter into an agreement with any county in which a project is to be situated, or a county exercising the powers of an authority may adopt a resolution, under which the increment of taxable value of property (TO BE CREATED BY THE) constituting an agricultural resource project for which a conditional commitment for a loan guaranty has been made by the state as provided in section 4, subdivision 3, over and above the taxable value of the project site as last finally determined before the project was undertaken, may be excluded from the taxable value of property on which the mill rate of taxes is computed in every subsequent year, for so long as may be (AGREED) provided in the loan guaranty, but the aggregate mill rate of taxes levied by the county and all other taxing districts on other properties in each such year shall be spread also on the incremental taxable value of the project, and the tax resulting therefrom, when collected, shall be remitted to the authority (, AND MAY BE PLEDGED, TOGETHER WITH CHARGES OR SPECIAL ASSESSMENTS, TO PAY OR GUARANTEE THE PAYMENT OF ITS BONDS, OR MAY BE USED BY THE AUTHORITY FOR THE PURPOSES STATED IN SECTION 362A.01, SUBDIVISION 2) or to the county, as the case may be, for deposit and use in the loan guaranty fund of the state as provided in sections 1 to 6. The tax increment for an agricultural resource project shall be discharged when either of the following occurs: (a) the loan obligation has been satisfied; or (b) the amount in the project account equals the amount of the guaranteed portion of the outstanding principal and interest on the guaranteed loan. Every county shall have the power by resolution of the county board to do all acts and things necessary for the computation, segregation, and application of tax increments under (AGREEMENTS MADE WITH THE AUTHORITY) the loan guaranty in accordance with this section. (THIS SECTION SHALL NOT APPLY WITH RESPECT TO ANY PROJECT ESTABLISHED SUBSEQUENT TO AUGUST 1, 1979.)

Sec. 12. [AUTHORIZATION OF BONDS.]

To provide money in the state agricultural resource loan guaranty fund, for the purpose of the program for which this fund is appropriated and dedicated under the provisions of sections 1 to 6, the commissioner of finance may issue bonds of the state in the aggregate amount of \$12,000,000. Before the issuance of any series of the bonds the loan guaranty board shall determine by resolution that the amount to be issued will be needed to make payments due under one or more guaranties executed with respect to outstanding loans in the program, or is needed to maintain within the guaranty fund a balance sufficient in the judgment of the board to assure compliance by the state with its covenant contained in section 5, subdivision 3. The bonds shall be sold and issued in the manner, upon the terms, and with the effect prescribed by sections 1 to 6 and by the constitution, article XI, sections 4 to 7.

Sec. 13. [EFFECTIVE DATE.]

This article is effective the day following final enactment.

ARTICLE 11

SALES RATIOS

Section 1. Minnesota Statutes 1982, section 124.2131, subdivision 1, is amended to read:

Subdivision 1. [ADJUSTED ASSESSED VALUE.] (a) [COMPUTATION.] The equalization aid review committee, consisting of the commissioner of education, the commissioner of administration, the commissioner of agriculture, and the commissioner of revenue, is hereby continued and permanently established. The duty of this committee shall be to review the assessed valuation of the districts of the state. (WHEN SUCH REVIEWS DISCLOSE REASONABLE EVIDENCE THAT THE ASSESSED VALUATION OF ANY DISTRICT FURNISHED BY ANY COUNTY AUDITOR IS NOT BASED UPON THE MARKET VALUE OF TAXABLE PROPERTY IN SUCH DISTRICT, THEN SAID COMMITTEE SHALL CALL UPON THE DEPARTMENT OF REVENUE TO ASCERTAIN THE MARKET VALUE OF SUCH PROPERTY, AND ADJUST SUCH VALUES AS REQUIRED BY LAW TO DETERMINE THE ADJUSTED ASSESSED VALUATION) *The department of revenue shall annually conduct an assessment/sales ratio study of the taxable property in each school district in accordance with the procedures referenced in paragraphs (b) and (c). Based upon the results of this assessment/sales ratio study, the department of revenue shall determine an aggregate equalized assessed value for the various strata of taxable property in each school district, which value shall be designated as the adjusted assessed value.* The department of revenue shall take such steps as are necessary in the performance of that duty and may incur such expense as is necessary therefor. The commissioner of revenue is authorized to reimburse any county or governmental official for services performed at his request in ascertaining such adjusted valuation. On or before March 15, annually, the department of revenue shall submit its report on the assessed values established by the previous year's assessment to said committee for approval or rejection and, if approved, such report shall be filed not later than the following July 1 with the commissioner of education and each county auditor for those school districts for which he has the responsibility for determination of mill rates. A copy of the adjusted assessed value so filed shall be forthwith mailed to the clerk of each district involved and to the county assessor or supervisor of assessments of the county or counties in which such district is located.

(b) [METHODOLOGY.] *In making its annual assessment/sales ratio studies, the department of revenue shall use a meth-*

odology consistent with the most recent Standard on Assessment Ratio Studies published by the assessment standards committee of the International Association of Assessing Officers. The authority granted by this subdivision does not include the authority to require a license or permit to conduct gambling by organizations licensed by the board.

Subd. 2. [LOCAL APPROVAL.] Before issuing or renewing an organization license, the board must notify the city council of the statutory or home rule city in which the organization's premises are located or, if the premises are located outside a city, by the county board of the county where the premises are located. If the city council or county board adopts a resolution disapproving the license and so informs the board within 30 days of receiving notice of the license, the license may not be issued or renewed.

The board of managers of the district shall adopt each year, by resolution, the amount to be raised by mill levy for the fund for the ensuing year, which shall be levied, collected, and distributed to the district in accordance with Minnesota Statutes, section 112.611, in addition to any other money levied, collected, and distributed to the district.

Subd. 2. [COMMISSIONER SUPERVISION.] The commissioner shall exercise constant supervision over state agencies to insure the prompt payment of vendor obligations.

Subd. 3. [PAYMENT REQUIRED.] State agencies must pay each valid vendor obligation so that the vendor receives payment within the vendor's early payment discount period. If there is no early payment discount period, the state agency must pay the vendor within 30 days following the receipt of the invoice for the completed delivery of the product or service.

Subd. 4. [INVOICE ERRORS.] If an invoice is incorrect, defective, or otherwise improper, the agency must notify the vendor within ten days of discovering the error. Upon receiving a corrected invoice, the agency must pay the bill within the time limitation contained in subdivision 3.

Subd. 5. [PAYMENT OF INTEREST ON LATE PAYMENTS REQUIRED.] (a) A state agency shall pay interest to a vendor for undisputed billings when the agency has not paid the billing within 30 days following receipt of the invoice, merchandise, or service whichever is later. A negotiated contract or agreement between a vendor and a state agency which requires an audit by the state agency prior to acceptance and payment of the vendor's invoice shall not be considered past due until 30 days after the completion of the audit by the state agency. Before any interest payment is made, the vendor must invoice the state agency for such interest.

(c) All interest penalties and collection costs must be paid from the agency's current operating budget. No agency may seek to increase its appropriation for the purpose of obtaining funds to pay interest penalties or collection costs.

(d) Any vendor who prevails in a civil action to collect interest penalties from a state agency shall be awarded its costs and disbursements, including attorney's fees, incurred in bringing the actions.

(e) No interest penalties may accrue against an agency that delays payment of a bill due to a disagreement with the vendor; provided, that the dispute must be settled within 30 days after the bill became overdue. “Section 1. Minnesota Statutes 1982, section 88.065, is amended to read:

88.065 [EQUIPMENT FURNISHED.]

Subject to applicable provisions of state laws respecting purchases, the commissioner of natural resources may purchase for and furnish to any governmental subdivisions of the state authorized to engage in forest fire prevention or suppression materials or equipment therefor, and *may repair and renovate forest fire prevention and suppression materials and equipment for governmental subdivisions of the state. The commissioner may use (FOR THAT PURPOSE) any funds available for the purchase of forest fire prevention or suppression equipment or for its repair and renovation under federal grants, if permitted by the terms thereof, or under state appropriations, unless otherwise expressly provided. Except as otherwise authorized or permitted by federal or state laws or regulations, the governmental subdivision receiving any such materials or equipment or repair or renovation services shall reimburse the state for the cost (THEREOF). All moneys received in (SUCH) reimbursement shall be credited to the fund from which the purchase, repair, or renovation was made, and are hereby reappropriated annually and shall be available for the same purpose as the original appropriation.*

Sec. 2. Minnesota Statutes 1982, section 90.031, subdivision 3, is amended to read:

Subd. 3. The executive council may compromise and settle, with the approval of the attorney general, upon (SUCH) terms as it may deem just, any claim of the state for casual and involuntary trespass upon state lands or timber where the full (STUMPAGE) value of such timber *or other materials* so taken in trespass (WOULD NOT EXCEED \$1,000) *exceeds \$5,000;*

provided, that no (SUCH) claim shall be settled (IN ANY CASE) for less than the full (STUMPAGE) value of all timber (SO) or other materials taken in casual trespass or the full amount of all actual damage or loss suffered by the state as a result (THEREOF). The executive council may make settlement for not less than the full (STUMPAGE) value of any timber cut by lessees of state lands holding under section 92.50.

Sec. 3. Minnesota Statutes 1982, section 90.041, subdivision 2, is amended to read:

Subd. 2. *The commissioner may compromise and settle, with the approval of the attorney general, upon terms the commissioner deems just, any claim of the state for casual and involuntary trespass upon state lands or timber where the full value of the timber or other materials taken in trespass is \$5,000 or less; provided that no claim shall be settled for less than the full value of all timber or other materials taken in casual trespass or the full amount of all actual damage or loss suffered by the state as a result. The commissioner shall advise the executive council of any information acquired by him concerning any trespass on state lands, giving all details and names of witnesses and all compromises and settlements made under this subdivision.*

Sec. 4. [90.193] [EXTENSION OF TIMBER PERMITS.]

The commissioner may, in the case of an exceptional circumstance beyond the control of the timber permit holder which makes it unreasonable, impractical, and not feasible to complete cutting and removal under the permit within the time allowed, grant an extension of one year in addition to those provided in sections 90.121, 90.151, and 90.191. A request for the extension must be received by the commissioner 15 days before the permit expires. The request must state the reason the extension is necessary and be signed by the permit holder. The value of the timber remaining to be cut will be recalculated using current stumpage rates. Any timber cut during the period of extension or remaining uncut at the expiration of the extension shall be billed for at the stumpage rates determined at the time of extension provided that in no event shall stumpage rates be less than those in effect at the time of the original sale. Interest will be charged as provided in section 90.151 for the period of extension.

Sec. 5. Minnesota Statutes 1982, section 90.251, subdivision 1, is amended to read:

Subdivision 1. The commissioner shall institute (SUCH) scaling and check scaling procedures for state timber (AS WILL) sufficient to protect the interest of the state. This will include the assignment of a trained timber scaling specialist in the classified service to be responsible for check scaling and to develop scaling and check scaling techniques and standards.

(SUCH) *The* scaling and check scaling techniques and standards shall be approved by the commissioner. Check scaling shall also be accomplished by other forestry supervisors with (SUCH) reports forwarded to the timber scaling specialist. The timber scaling specialist shall report any scaling deficiencies or trespass to the commissioner. Any (SUCH) deficiencies requiring the attention of the attorney general or state executive council will be forwarded to these offices by the commissioner. All timber cut on lands in the charge of the commissioner, except as expressly provided otherwise by the commissioner shall be scaled. No timber may be scaled until (SUCH TIMBER) *it* is first marked with M I N or as otherwise properly identified as specified in the permit. All scaling shall be done upon the land from which the timber was cut; provided that the state appraiser, subject to the approval of the commissioner, may designate in writing to a permit holder another location where such timber may be scaled, counted or measured; all logs individually scaled shall be numbered consecutively, and the number of each entered upon the minutes of the scaler; (SUCH) allowance shall be made for defects (THEREIN AS WILL) *to* make (SUCH) *the* timber equivalent to merchantable timber. No state timber shall be removed from the land where it was cut until it has been so scaled or counted except as herein provided. Any person removing (ANY SUCH) timber from the land where it was cut, or from the place designated, before it has been so scaled or counted shall be guilty of (A GROSS MISDEMEANOR) *theft under section 609.52.*

Sec. 6. Minnesota Statutes 1982, section 90.301, is amended by adding a subdivision to read:

Subd. 6. [TICKET FOR THEFT VIOLATIONS.] The commissioner may design and issue a ticket in the form, and having the effect, of a summons and complaint, for use in cases of theft of state timber or other state property, where the value of the property is within the limits established by section 609.52, subdivision 3, clause (5). The ticket shall provide for the name and address of the person charged with the violation, the offense charged, the time and place the person is to appear before a court, and any other necessary information.

Sec. 7. [CERTAIN LAWS MADE RETROACTIVE.]

Laws 1983, chapter 301, section 88, is retroactive to July 1, 1982. The commissioner of finance shall adjust the amount of receipts credited to the state forest suspense account during fiscal year 1983 and the total costs incurred by the state for forest management purposes during fiscal year 1983 to reflect this retroactivity.

Sec. 8. Laws 1981, chapter 305, section 11, as amended by Laws 1982, chapter 511, section 35, and Laws 1983, chapter 111, section 1, is amended to read:

Sec. 11. [EXTENSION OF CERTAIN TIMBER PERMITS.]

This extension shall be in addition to any extension previously granted pursuant to chapter 90 or pursuant to this section; shall be made without additional charge, and shall otherwise be subject to the requirements of chapter 90.

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 473.581, subdivision 3, is amended to read:

Subd. 3. [LIMITATIONS.] The principal amount of the bonds issued pursuant to subdivision 1, clause (a), shall not exceed the amounts hereinafter authorized. If the commission's proposal and the construction contracts referred to in clause (g) of this subdivision provide for the construction of a covered multipurpose sports facility, the total cost of constructing the facility under the construction contracts, not including costs paid from funds provided by others, and the principal amount of bonds issued pursuant to subdivision 1, clause (a), shall be limited to \$55,000,000. If the commission's proposal and the construction contracts do not provide for the construction of a cover on a proposed multipurpose sports facility and the commission does not otherwise contract for the construction or acquisition of a cover for the sports facility, the principal amount shall be limited to \$42,000,000. If the commission's proposal and

the construction contracts provide for the construction of a new sports facility for football and soccer and for remodeling the existing metropolitan stadium for baseball, the principal amount shall be limited to \$37,500,000. If the commission's proposal and the construction contracts provide for the reconstruction and remodeling of the existing metropolitan stadium as an uncovered multipurpose sports facility, the principal amount shall be limited to \$25,000,000. The bonds issued pursuant to subdivision 1, clause (a), shall bear an average annual rate of interest, including discount, not in excess of 7-1/2 percent. The proceeds of the bonds issued pursuant to subdivision 1, clause (a), shall be used only for the acquisition and betterment of sports facilities suitable for baseball, football and soccer, with a seating capacity for football and soccer of approximately 65,000 persons. The council shall issue its bonds and construction of sports facilities may commence when the council has made the following determinations:

(a) The commission has executed agreements with major league professional baseball and football organizations to use its sports facilities for all scheduled regular season home games and play-off home games and, in the case of the football organization, for at least one-half of its exhibition games played each season. The agreements shall be for a period of not more than 30 years nor less than the term of the longest term bonds that in the council's judgment it may find it necessary to issue to finance the acquisition and betterment of the commission's sports facilities. The agreements may contain provisions negotiated between the organizations and the commission which provide for termination upon conditions related and limited to the bankruptcy, insolvency, or financial capability of the organization. The agreements shall provide that, in the event of breach of the agreements, the defaulting organization shall pay damages annually to the commission. The annual payment shall be in an amount equal to the annual average of all revenue derived by the commission from attendance at events and activities of the defaulting organization during the years prior to default, provided that the damages shall not exceed in any year an amount sufficient, with other revenues of the commission but excluding proceeds of the taxes under section 473.592, to pay all expenses of operation, maintenance, administration, and debt service for the facilities used by the defaulting organization during the same year. The damages shall be payable during the period from the occurrence of the default to the date on which another major league professional baseball or football organization, replacing the defaulting organization, enters into a use agreement with the commission for not less than the then remaining term of the original agreement. The agreements with the teams shall provide that no closed circuit or pay television broadcasting of events in the sports facility may be allowed without the approval of the commission. The agreements shall include provisions protecting the commission and the council in the event of change in ownership of the professional teams.

(b) The commission has executed agreements with professional baseball and football major leagues which guarantee the continuance of franchises in the metropolitan area for the period of the agreements referred to in clause (a).

(c) The proceeds of bonds provided for in this subdivision will be sufficient, together with other capital funds that may be available to the commission, to construct or remodel and to furnish the sports facilities proposed by the commission, including the appropriate professional fees and charges but excluding, except as otherwise provided in this subdivision, the acquisition, clearance, relocation, and legal costs referred to in clauses (d) and (e).

(d) The commission has acquired, without cost to the commission or the council except as provided in this subdivision, title to all real property including all easements and other appurtenances needed for the construction and operation of any proposed sports facilities or has received a grant of funds or has entered into an agreement or agreements sufficient in the judgment of the council to assure the receipt of funds, at the time and in the amount required, to make any payment upon which the commission's acquisition of title and possession of the real property is conditioned.

(e) The commission has received a grant of funds or entered into an agreement or agreements sufficient in the judgment of the council to assure the receipt of funds, at the time and in the amount required, to pay all costs, except as provided in this subdivision, of clearing the real property needed for the construction and operation of any proposed sports facilities of all buildings, railroad tracks and other structures, including without limitation all relocation costs, all utility relocation costs, and all legal costs.

(f) The commission has executed agreements with appropriate labor organizations and construction contractors which provide that no labor strike or management lockout will halt, delay or impede construction.

(g) The commission has executed agreements which will provide for the construction of its sports facilities for a certified construction price and completion date and which include performance bonds in an amount at least equal to 100 percent of the certified price to cover any costs which may be incurred over and above the certified price, including but not limited to costs incurred by the commission or loss of revenues resulting from incomplete construction on the completion date.

(h) The environmental impact statement for the sports facility or facilities has been accepted by the environmental quality board, and the pollution control agency and any other de-

partment, agency, or unit of government have taken the actions necessary to permit the construction of the sports facility or facilities.

(i) At least 50 percent of the private boxes provided for in the commission's proposal for the sports facility or facilities are sold or leased for at least five years.

(j) The anticipated revenue from the operation of the sports facility or facilities plus any additional available revenue of the commission and the revenue from the taxes under section 473.592 will be an amount sufficient to pay when due all debt service plus all administration, operating and maintenance expense.

(k) The commission has studied and considered the needs of the University of Minnesota for athletic facilities for a prospective 20 year period.

(l) The municipality where the facility is to be constructed has entered into an agreement as contemplated in section 473.592.

(m) The commission has entered into an agreement or agreements with a purchaser or purchasers of tickets of admission for a period of not less than 20 years which will assure that (, IF THE PROFESSIONAL FOOTBALL ORGANIZATION CAN NOT COMPLY WITH THE PROVISIONS OF SECTION 473.568.) whenever more than 90 and less than 100 percent of the tickets of admission for seats at any professional football game, which were available for purchase by the general public 120 hours or more before the scheduled beginning time of the game either at the sports facility where the game is to be played or at the box office closest to the sports facility, have been purchased 72 hours or more before the beginning time of the game, then all of such tickets which remain unsold will be purchased in sufficient time to permit the telecast to areas within the state which otherwise would not receive the telecast because of the terms of an agreement in which the professional football league has sold or otherwise transferred all or part of the rights of the league's member organizations in the sponsored telecasting of games of the organizations. The party or parties agreeing to the purchase of such unsold tickets shall be obligated for a period of at least 20 years in an amount determined by the council to be sufficient to assure the purchase of all such unsold tickets. (AN AGREEMENT OR AGREEMENTS SATISFYING THE REQUIREMENTS OF THIS CLAUSE SHALL FREE THE PROFESSIONAL FOOTBALL ORGANIZATION FROM THE PROHIBITION OTHERWISE IMPOSED ON IT BY SECTION 473.568.)

(n) The council has entered into an agreement with the brokerage firm or brokerage firms to be used in connection with the issuance and sale of the bonds guaranteeing that fees and charges payable to the brokerage firm or firms in connection

therewith, including any underwriting discounts, shall not exceed fees and charges customarily payable in connection with the issuance and sale of bonds secured by the pledge of the full faith and credit of the municipality in which any new sports facility is to be located.

The validity of any bonds issued under subdivision 1, clause (a), and the obligations of the council and commission related thereto, shall not be conditioned upon or impaired by the council's determinations made pursuant to this subdivision. For purposes of issuing the bonds the determinations made by the council shall be deemed conclusive, and the council shall be and remain obligated for the security and payment of the bonds irrespective of determinations which may be erroneous, inaccurate, or otherwise mistaken.

Sec. 2. [REPEALER.]

Minnesota Statutes 1982, section 473.568, is repealed. This repeal is based solely upon the continued effectiveness of the agreement or agreements entered into by the Metropolitan Sports Facilities Commission and the purchaser or purchasers of tickets of admission as provided for by Laws 1979, chapter 203, section 8. Such agreements shall remain in effect throughout their terms and the commission shall have no authority to terminate or modify such agreements.

(a) If on May 20, 1965, any newspaper is a qualified medium of official and legal publication but is printed in a foreign language, or in English and a foreign language, and otherwise qualifies as a medium of official and legal publication pursuant to the requirements of subdivision 1, it shall be a medium of official and legal publication so long as it otherwise qualifies pursuant to the requirements of subdivision 1.

(b) If on May 20, 1965, any newspaper has been circulated in and near the municipality which it purports to serve to the extent of at least 240 but less than 500 copies regularly delivered to paying subscribers and otherwise qualifies as a medium of official and legal publication pursuant to the requirements of subdivision 1, it shall be a medium of official and legal publication so long as at least 240 copies are regularly so circulated and delivered and it otherwise qualifies pursuant to the requirements of subdivision 1.

Subd. 3. [PUBLICATION; SUSPENSION; CHANGES.] The following circumstances shall not affect the qualification of a newspaper, invalidate an otherwise valid publication, or invalidate a designation as official newspaper for publication of county board proceedings.

(a) Suspension of publication for a period of not more than three consecutive months resulting from the destruction of its known office of issue, equipment, or other facility by the elements, unforeseen accident, or acts of God or by reason of a labor dispute.

(b) The consolidation of one newspaper with another published in the same county, or a change in its name or ownership, or a temporary change in its known office of issue.

(c) *Change of the day of publication, the frequency of publication, or the change of the known office of issue from one place to another within the same county. Except as provided in this subdivision, suspension of publication, or a change of known office of issue from one county to another, or failure to maintain its known office of issue in the county, shall deprive a newspaper of its standing as a medium of official and legal publication until the newspaper again becomes qualified pursuant to subdivision 1.*

Subd. 4. [DECLARATORY JUDGMENT OF LEGALITY.]

Any person interested in the standing as a medium of official and legal publication of a newspaper, may petition the district court in the county in which the newspaper has its known office of issue for a declaratory judgment whether the newspaper is qualified as a medium of official and legal publication. Unless filed by the publisher, the petition and summons shall be served on the publisher as in other civil actions. Service in other cases shall be made by publication of the petition and summons once each week for three successive weeks in the newspaper or newspapers the court may order and upon the persons as the court may direct. Publications made in a newspaper after a judgment that it is qualified but before the judgment is vacated or set aside shall be valid. Except as provided in this subdivision, the uniform declaratory judgments act and the rules of civil procedure shall apply to the action.

Sec. 22. [331A.03] [WHERE NOTICE PUBLISHED.]

A public notice shall be published in a qualified newspaper, and except as otherwise provided by law, in one that is likely to give notice in the affected area or to whom it is directed. When a statute or other law requires publication in a newspaper located in a designated municipality or area and no qualified newspaper is located there, publication shall be made in a qualified newspaper likely to give notice unless the particular statute or law expressly provides otherwise. If no qualified newspaper exists, then publication is not required.

Sec. 23. [331A.04] [DESIGNATION OF A NEWSPAPER FOR OFFICIAL PUBLICATIONS.]

Subdivision 1. The governing body of any local public corporation, when authorized or required by statute or charter to designate a newspaper for publication of its official proceedings and public notices, shall designate a newspaper which is a qualified medium of official and legal publication in the following priority.

Subd. 2. If there are one or more qualified newspapers, the known office of issue of which are located within the local public corporation, one of them shall be designated.

Subd. 3. When no qualified newspaper has a known office of issue located in the local public corporation, but one or more qualified newspapers maintain a secondary office there, one of them shall be designated.

Subd. 4. When no qualified newspaper has its known office of issue or a secondary office located within the local public corporation, then a qualified newspaper of general circulation there shall be designated.

Subd. 5. If a local public corporation is without an official newspaper, or if the publisher refuses to publish a particular public notice; matters required to be published shall be published in a newspaper designated as provided in subdivision 4. The governing body of a local public corporation with territory in two or more counties may, if deemed in the public interest, designate a separate qualified newspaper for each county.

Sec. 24. [331A.05] [FORM OF PUBLIC NOTICES.]

Subdivision 1. All public notices shall be printed or otherwise disseminated in the English language.

Subd. 2. Unless otherwise specified by a particular statute, or by order of a court, publication of a public notice shall be as follows:

(a) the notice shall be published once;

(b) if the notice is intended to inform the public about a future event, the last publication shall occur not more than 14 days and not less than seven days before the event;

(c) if the notice is intended to inform the public about a past action or event, the last publication shall occur not more than 45 days after occurrence of the action or event.

Subd. 3. Except as otherwise directed by a particular statute requiring publication of a public notice, a public notice shall be printed in a type face no smaller than six point with a lower case alphabet of 90 point. Larger type faces may be used.

Subd. 4. Every public notice shall include a title or caption in a body type no smaller than brevier or eight point referring to the content of the notice. Larger type faces may be used.

Subd. 5. The governing body of a local public corporation may, to better inform the public, increase the frequency of publication of a public notice beyond the minimum required by a particular statute. It may use forms and styles for the notice as it deems appropriate, including the use of display advertisements

and graphics. It may publish or disseminate the notice in other newspapers in addition to the newspaper required to be designated under section 23. Regardless of whether a particular statute specifies "legal notice," "public notice," "notice," or uses similar terms, the governing body may use whatever form for the published notice that it deems appropriate in order to adequately inform the public, subject to the requirements of sections 20 to 30. Nothing in the foregoing provisions of this subdivision shall require the governing body of a local public corporation to use the options described.

Subd. 6. Nothing in this section shall invalidate or affect any statutory or charter provision imposing additional or special qualifications for publication of particular notices or proceedings.

Sec. 25. [331A.06] [FEES FOR PUBLICATION.]

Subdivision 1. The maximum rate charged for publication of a public notice shall not exceed the lowest classified rate paid by commercial users for comparable space in the newspapers in which the public notice appears, and shall include all cash discounts, multiple insertion discounts, and similar benefits extended to the newspaper's regular customers.

Subd. 2. Notwithstanding subdivision 1, no newspaper may increase its rates for publication of public notices by more than ten percent per year over the maximum rate actually charged by the newspaper in 1984 for publication of public notices, and in any case the new rate shall not exceed the rate described in subdivision 1 of this section. Nothing in this section shall be interpreted to mean that such an increase is required.

Subd. 3. When the governing board of a local public corporation awards a contract for the publication of public notices based on competitive bidding, the rate established by the competitive bidding shall be the rate charged for publication of the public notices.

Subd. 4. When a statute refers to publication of a public notice at the legal rate or at the rate provided in section 331.08, the maximum rate shall be as provided in this section.

Sec. 26. [331A.07] [AFFIDAVIT OF PUBLICATION.]

No compensation shall be recoverable for publishing legal or official matter in any newspaper not qualified, until there is filed with the county auditor the affidavit of a person having knowledge of the facts, showing the name and location of the newspaper and the existence of conditions constituting its qualifications as a qualified newspaper as set forth in section 21. If the matter published relates to proceedings in another

county, a like affidavit must be filed with its auditor. The affidavit, if it states the required facts, shall be prima facie evidence of them and of the qualification. No compensation shall be recoverable for publishing legal or official matter in any newspaper unless the bill is accompanied by an affidavit of the publisher, or printer in charge, of the newspaper having knowledge of the facts, setting forth the fact that the newspaper has complied with all the requirements to constitute a legal newspaper. The affidavit must set forth the dates of the month and year and the day of the week upon which the legal or official matter was published in the newspaper.

Sec. 27. [331A.08] [COMPUTATION OF TIME.]

Subdivision 1. The time for publication of public notices shall be computed to exclude the first day of publication and include the day on which the act or event, of which notice is given, is to happen or which completes the full period required for publication.

Subd. 2. The time within which an act is to be done or proceeding had or taken, as prescribed by the rules of procedure, shall be computed by excluding the first day and including the last. If the last day is Sunday or a legal holiday the party shall have the next secular day in which to do the act or take the proceeding.

Sec. 28. [331A.09] [PUBLICATION ON SUNDAY.]

Any public notice may be printed in a newspaper published on Sunday, and the publication is a lawful publication and a full compliance with the order of the court or officer ordering the publication. Any notice that, by law or the order of any court, is required to be published for any given number of weeks may be published on any day in each week or the term, and if published as many weeks and as many times in each week as required by the law or order, it is a lawful publication.

Sec. 29. [331A.10] [CHANGE OF NAME OR DISCONTINUANCE OF NEWSPAPER.]

Subdivision 1. When a legal notice is required or ordered to be published in a particular newspaper and the name of the newspaper is changed before the publication is completed, the publication shall be made or continued in the newspaper under its new name with the same effect as if the name had not been changed. The proof of the publication, in addition to other requirements, shall state the change of name and specify the period of publication in the newspaper under each name.

Subd. 2. When a newspaper ceases to be published before the publication of a public notice is commenced, or when com-

menced ceases before the publication is completed, the order for publication, when one is required in the first instance, may be amended by order of the court or judge, to designate another newspaper, as may be necessary. If no order is required in the first instance, publication may be made or completed in any other qualified newspaper. Any time during which the notice is published in the first newspaper shall be calculated as a part of the time required for the publication, proof of which may be made by affidavit of any person acquainted with the facts.

Sec. 30. [331A.11] [APPLICATION.]

Subdivision 1. Sections 20 to 30 apply to all municipalities and local public corporations.

Subd. 2. Sections 20 to 30 do not apply to notices required by private agreements or local laws to be published in newspapers, unless they refer to sections 20 to 30, or particular provisions of sections 20 to 30.

Sec. 31. Minnesota Statutes 1982, section 346.02, is amended to read:

346.02 [FINDER TO GIVE NOTICE; PENALTY.]

Every finder of an estray, within seven days thereafter, shall notify the owner thereof, if to him known, and request him to pay all reasonable charges and take such estray away; but, if such owner be to him unknown, he shall within ten days file a notice with the town clerk. The clerk shall transmit a copy thereof to the county recorder, who shall record the same in a book designated "estrays" (IF THE ESTRAY IS OF LESS VALUE THAN \$5.) The finder shall give posted notice (THEREOF) of the finding of the estray in said town (, BUT, IF THE VALUE EXCEEDS \$5, HE SHALL GIVE FOUR WEEKS' PUBLISHED NOTICE THEREOF). The notice shall briefly describe the estray, giving its marks, natural and artificial, as nearly as practicable, naming the residence of the finder, and specifying the town, section, and time when taken up. For failure to give such notice, the finder shall be liable to the owner of the estray in double the amount of damages sustained by him thereby.

When the canvass is completed, the board shall make and file with the secretary of state its certificate declaring the result of the vote; and, if the certificate shows that the proposition has received a majority of the votes cast thereon in each county to be affected thereby, and also has received a majority of the votes cast thereon in the territory forming the proposed new county, if the proposition was for the establishment of a new county, the governor, within ten days thereafter, shall issue his proclamation declaring the same adopted. The secretary of state shall record the certificate and proclamation in his office, and transmit a certified copy of the proclamation to the auditor of each county whose territory is affected thereby. The auditor shall (CAUSE THREE WEEKS' PUBLISHED NOTICE THEREOF TO BE GIVEN, AND), if the proposition was for the establishment of a new county, (SHALL) serve a certified copy (THEREOF) on each of the persons elected as county commissioners of the new county. The proclamation shall also be published with the general laws enacted at the next session of the legislature thereafter.

Proof of (PUBLICATION AND) posting may be by the affidavit of any person having personal knowledge thereof, which affidavit shall be filed in the office of the auditor, and thereafter be prima facie evidence of the truth of the facts therein set forth. Two weeks' (PUBLISHED) posted notice of the intention to circulate such petition shall be given (IN ONE OR MORE NEWSPAPERS OF THE COUNTY, AND TWO WEEKS' POSTED NOTICE OF SUCH INTENTION SHALL BE GIVEN) at the county-seat. Sec. 39. Minnesota Statutes 1982, section 375.025, subdivision 4, is amended to read:

Subd. 4. [REDISTRICTING PLAN; ELECTION FOLLOWING REDISTRICTING.] A redistricting plan whether prepared by the county board or the redistricting commission shall be filed in the office of the county auditor. (NOTICE THAT THE PLAN IS ON FILE SHALL BE PUBLISHED IN THE NEWSPAPER HAVING THE CONTRACT FOR PUBLISHING THE COMMISSIONERS' PROCEEDINGS FOR THE CURRENT YEAR.) A redistricting plan shall be effective on the 31st day after (PUBLICATION OF THE NOTICE) *filing* unless a later effective date is specified; provided, no redistricting plan shall be effective as to the next election of county commissioners unless the plan shall have been filed with the county auditor not less than 30 days before the first date candidates may file for the office of county commissioner. One commissioner shall be elected in each district who, at the time of the election, shall be a resident thereof and the person so elected shall be entitled to hold the office only while he remains a resident of the commissioner district. The county board or the redistricting commission as appropriate shall determine the number of members of the county board who shall be elected for two year terms and for four year terms in order to provide for staggered terms on the county board. Thereafter, all commissioners shall be

elected for four years. When a county is redistricted, there shall be a new election of commissioners in all the districts of the county at the next general election except that where the change made in the boundaries of a district is less than 10 percent of the average of all districts of the county, the commissioner in office at the time of the redistricting shall serve for the full period for which he was elected.

Sec. 40. Minnesota Statutes 1982, section 375.12, is amended to read:

375.12 [PUBLICATION OF PROCEEDINGS.]

Subdivision 1. The county board shall cause the official proceedings of its sessions to be published in (SOME) a qualified newspaper (PRODUCED AND PUBLISHED IN ITS) of general circulation in the county, which publications shall be let annually by contract to the lowest bidder, at the first regular session of the board in January each year. (THE BOARD MAY ELECT TO PUBLISH ALL OR ANY PART OF THE OFFICIAL PROCEEDINGS; PROVIDED THAT IN THE CASE OF PARTIAL PUBLICATION, THE PUBLISHED PROCEEDINGS SHALL INDICATE IN WHAT RESPECT THEY ARE INCOMPLETE.) *If the county board determines that publication of a summary of the proceedings would adequately inform the public of the substance of the proceedings, the county board may direct that only a summary be published, conforming to the requirements of section 20, subdivision 10.* In each county whose population exceeds 600,000, the proceedings shall be published in a daily newspaper. The board may reject any offer if, in its judgment, the public interests so require, and may thereupon designate a newspaper without regard to any rejected offer. In any county whose population exceeds 50,000, and is less than 250,000, the proceedings may be published in one daily and one weekly newspaper at their respective county seats. If the official newspaper of the county shall cease to exist for any reason, except by consolidation with another newspaper, the county board shall have authority to designate another newspaper for the remainder of the year. (FOR THE PURPOSE OF THIS SECTION, A NEWSPAPER IS PRODUCED AND PUBLISHED IN THE COUNTY IF IT HAS IN THE COUNTY ITS KNOWN OFFICE OF ISSUE, AS SUCH TERM IS DEFINED IN SECTION 331.02, AND IF IT DOES ITS TYPOGRAPHIC COMPOSITION OR PRESSWORK OR BOTH IN THE COUNTY.) *The publication shall occur within 30 days of the meeting to which the proceedings relate.*

Subd. 2. Individualized itemized accounts, claims or demands allowed by the county board pursuant to section 471.38, subdivision 1, need not be published pursuant to subdivision 1, provided that the amount allowed from each claim is \$100 or less. The official proceedings following the itemization of accounts required shall contain a statement showing the total number of claims

that did not exceed \$100, and the total dollar amount of those claims.

Sec. 41. [375.169] [PUBLICATION OF SUMMARY BUDGET STATEMENT.]

Annually, upon adoption of the county budget, the county board shall cause a summary budget statement to be published in the official newspaper of the county, or if there is none, in a qualified newspaper of general circulation in the county. The statement shall contain information relating to anticipated revenues and expenditures in a form prescribed by the state auditor. The form prescribed shall be designed so that comparisons can be made between the current year and the budget year. A note shall be included that the complete budget is available for public inspection at a designated location within the county.

Sec. 42. Minnesota Statutes 1982, section 375.17, is amended to read:

375.17 [PUBLICATION OF FINANCIAL STATEMENTS.]

Annually, not later than the first Tuesday after the first Monday in March, the county board shall make a full and accurate statement of the receipts and expenditures of the preceding year, which shall contain a statement of the assets and liabilities, a summary of receipts, disbursements, and balances of all county funds together with a detailed statement of each fund account, under the form and style prescribed by and on file with the state auditor, which prescribed form and any changes or modifications thereof shall so far as practical be uniform for all counties and shall be approved by the attorney general and the state printer and (WITHIN 30 DAYS THEREAFTER) before June 1 shall cause the same to be published for one issue in some newspaper within the county, which newspaper must be a duly qualified legal newspaper, as provided by law. The county board may also refrain from publishing an itemized account of amounts paid out, to whom and for what purpose to the extent that the published proceedings of the county board contain such information, provided that all disbursements aggregating \$5,000 or more to any person are set forth in a schedule of major disbursements showing amounts paid out, to whom and for what purpose and are made a part of, and published with, the financial statement. The county board may refrain from publishing the names and amounts of salaries and expenses paid to employees but shall publish the totals of disbursements for salaries and expenses. The county board may refrain from publishing the names of persons receiving poor relief or direct relief and the amounts paid to each, but the totals of the disbursements for such purposes must be published. In addition to the publication thereof in the newspaper designated by the board as the official newspaper

for publication of the financial statement, the same shall be published in one other newspaper (OF THE COUNTY), if there be one (LOCATED) of *general circulation* in a different municipality in the county than the official newspaper. The county board shall call for separate bids for each publication. Insofar as any provision of this section is inconsistent with the provisions of section 393.07, the provisions of that section shall prevail.

Sec. 43. Minnesota Statutes 1982, section 375.51, subdivision 3, is amended to read:

Subd. 3. [PUBLICATION.] Every ordinance enacted by a county board shall be published at least once as part of the proceedings of the meeting at which the ordinance was enacted. Publication shall be made in the official newspaper of the county but additional publications, either in the official newspaper or other newspaper, may be ordered. An ordinance may be published in its entirety, or otherwise as hereinafter provided.

To the extent of the authority described in subdivision 1 of this section, a county may incorporate in an ordinance by reference any statute of Minnesota, any administrative rule or regulation of any department of the state of Minnesota affecting the county, or any code. The term "code" as used herein means any compilation of regulations or standards or parts thereof prepared by any governmental agency or any trade or professional association for general distribution in printed form as a standard or model on the subject of building construction, plumbing, electric wiring, inflammable liquids, sanitary provisions, public health, safety, or general welfare.

In the case of lengthy ordinances, or ordinances which include charts or maps, the ordinance need not be published in its entirety if the title of the ordinance and a summary of the ordinance *conforming to section 20, subdivision 10*, is included in the publication of the proceedings of the meeting at which the ordinance was enacted, *with notice that a printed copy of the ordinance is available for inspection by any person during regular office hours at the office of the county auditor*. In such case and in the case a statute, administrative rule or regulation or a code is adopted by reference, all requirements of statute for the publication of ordinances shall be satisfied if the summary of the ordinance or the ordinance incorporating the statute, regulation, ordinance or code is published in the required manner and if, prior to such publication, at least one copy of the entire ordinance or of the statute, rule, regulation or code are marked as the official copy and filed for use and examination by the public in the office of the county auditor. Provisions of the entire ordinance or of the statute, rule, regulation or code thus incorporated in such ordinance by reference shall be as much a part of the ordinance as if they had been set out in full therein.

Sec. 44. Minnesota Statutes, section 375.52, is amended to read:

375.52 [REVISION AND CODIFICATION.]

Any county may revise and codify and print in book, pamphlet or newspaper form any general and special laws, ordinances, resolutions and rules in force in the county. Such codification shall be a sufficient publication of any ordinance included in it and not previously published in a newspaper if a substantial quantity of the codification is printed for general distribution to the public. (A NOTICE THAT COPIES OF THE CODIFICATION ARE AVAILABLE IN THE OFFICE OF THE COUNTY AUDITOR SHALL BE PUBLISHED IN THE OFFICIAL COUNTY NEWSPAPER FOR AT LEAST TWO SUCCESSIVE WEEKS.) The county board is authorized to make a reasonable charge for the cost of printing and distribution of ordinances or a codification of ordinances.

Sec. 45. Minnesota Statutes 1982, section 383A.27, subdivision 2, is amended to read:

Subd. 2. [RULES; JOURNAL.] The board shall determine its own rules and order of business and shall provide for keeping a journal of its official proceedings. This journal shall be a public record and shall be published according to Minnesota Statutes, Section 375.12, in a newspaper having in the county its own office of issue (, AS THIS TERM IS DEFINED IN MINNESOTA STATUTES, SECTION 331.02,) and doing its typographic composition and presswork in the county.

Sec. 46. Minnesota Statutes 1982, section 412.191, subdivision 3, is amended to read:

Subd. 3. [PUBLICATION OF COUNCIL PROCEEDINGS.] The council (MAY PUBLISH ALL OR ANY PART OF THE OFFICIAL COUNCIL PROCEEDINGS IN THE OFFICIAL NEWSPAPER. IN THE CASE OF PARTIAL PUBLICATION, THE PUBLISHED PROCEEDINGS SHALL INDICATE IN WHAT RESPECTS THEY ARE INCOMPLETE) *after every regular or special meeting shall publish the official council proceedings, a summary conforming to section 20, subdivision 10, or a condensed version of the official minutes which shall include action on motions, resolutions, ordinances, and other official proceedings. The publication shall occur within 30 days of the meeting to which the proceedings relate.*

Sec. 47. Minnesota Statutes 1982, section 412.191, subdivision 4, is amended to read:

Subd. 4. [ENACTMENT OF ORDINANCES.] Every ordinance shall be enacted by a majority vote of all the members of the council except where a larger number is required by law. It

shall be signed by the mayor, attested by the clerk and published once in the official newspaper. *In the case of lengthy ordinances, or ordinances which include charts or maps*, if the city council determines that publication of the title and a summary of an ordinance would clearly inform the public of the intent and effect of the ordinance, the council may by a four-fifths vote of its members direct that only the title of the ordinance and a summary be published, conforming to section 20, subdivision 10, with notice that a printed copy of the ordinance is available for inspection by any person during regular office hours at the office of the city clerk and any other location which the council designates. A copy of the entire text of the ordinance shall be posted in the community library, if there is one, or if not, in any other public location which the council designates. Prior to the publication of the title and summary the council shall approve the text of the summary and determine that it clearly informs the public of the intent and effect of the ordinance. The publishing of the title and summary shall be deemed to fulfill all legal publication requirements as completely as if the entire ordinance had been published. The text of the summary shall be published in a body type no smaller than brevier or eight-point type (, AS DEFINED IN SECTION 331.07). Proof of the publication shall be attached to and filed with the ordinance.

Every ordinance shall be recorded in the ordinance book within 20 days after publication of the ordinance or its title and summary. All ordinances shall be suitably entitled and shall be substantially in the style. "The City Council of _____ ordains:".

Sec. 48. Minnesota Statutes 1982, section 414.09, subdivision 3, is amended to read:

Subd. 3. [ELECTIONS OF MUNICIPAL OFFICERS.]
An order approving an incorporation or consolidation pursuant to this chapter shall set a date for this election of new municipal officers not less than 45 days nor more than 60 days after the issuance of such order. The board shall appoint an acting clerk for election purposes, at least three election judges who shall be residents of the new municipality, and shall designate polling places within the new municipality.

The acting clerk shall prepare the official election ballot. Affidavits of candidacy may be filed by any person eligible to hold municipal office not more than four weeks nor less than two weeks before the date designated by the board for the election. (AT LEAST ONE WEEK BEFORE THE FIRST DAY TO FILE SUCH AFFIDAVITS THE ACTING CLERK SHALL PUBLISH A NOTICE IN A NEWSPAPER QUALIFIED AS A MEDIUM OF OFFICIAL PUBLICATION AND OF GENERAL CIRCULATION WITHIN THE NEW MUNICIPALITY STATING THE FIRST AND LAST DATES ON WHICH SUCH AFFIDAVITS MAY BE FILED, THE LOCATION OF

**THE CLERK'S OFFICE, THE CLERK'S OFFICE HOURS,
AND THE AMOUNT OF THE FILING FEE.)**

(THE ACTING CLERK SHALL PUBLISH A NOTICE OF ELECTION IN A NEWSPAPER QUALIFIED AS A MEDIUM OF OFFICIAL PUBLICATION AND OF GENERAL CIRCULATION WITHIN THE NEW MUNICIPALITY FOR TWO SUCCESSIVE WEEKS IMMEDIATELY PRIOR TO THE DATE DESIGNATED BY THE BOARD FOR THE ELECTION. THE ELECTION NOTICE SHALL STATE THE PURPOSE, DATE, AND POLLING PLACES FOR THE ELECTION, AND SHALL STATE THE TIME THE POLLS SHALL BE OPEN, WHICH TIME SHALL BE AT LEAST FIVE HOURS.)

The election shall be conducted in conformity with the charter and the laws for conducting municipal elections insofar as applicable. Any person eligible to vote at a township or municipal election within the area of the new municipality, is eligible to vote at such election.

Any excess in the expense of conducting the election over receipts from filing fees shall be a charge against the new municipality; any excess of receipts shall be deposited in the treasury of the new municipality.

Sec. 49. Minnesota Statutes 1982, section 415.021, is amended to read:

415.021 [CODIFICATION OF ORDINANCES.]

Any city, however organized, may revise and codify and print in book, pamphlet or newspaper form, any ordinances, resolutions, and rules of the city and may include therein for reference any applicable general or special laws. Such codification shall be a sufficient publication of any ordinance included in it and not previously published in a newspaper if a substantial quantity of the codification is printed for general distribution to the public. (A NOTICE THAT COPIES OF THE CODIFICATION ARE AVAILABLE AT THE OFFICE OF THE CITY CLERK OR RECORDER SHALL BE PUBLISHED FOR AT LEAST TWO SUCCESSIVE WEEKS IN THE OFFICIAL NEWSPAPER, OR, IF THERE IS NONE, IN A NEWSPAPER OF GENERAL CIRCULATION IN THE CITY.)

Sec. 50. Minnesota Statutes 1982, section 429.061, subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented

orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued (, OR IF THREE DAYS NOTICE THEREOF BE PUBLISHED IN THE NEWSPAPER).

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined by the council shall become a part of the adopted assessment roll. All objections to the assessments not received at the assessment hearing in the manner prescribed by this section are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. Except as provided below, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount

deferred. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest thereon for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

Sec. 51. Minnesota Statutes 1982, section 430.02, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF HEARING; HEARING; AWARD AND APPRAISEMENT.] The commissioners shall give notice, (BY TWO PUBLICATIONS IN THE OFFICIAL NEWSPAPER OF THE CITY) *in a manner appropriate to inform the public*, that the survey and plat and the pedestrian mall ordinance, if any, is on file in the office of the city clerk for the examination of all persons interested and that they will, on a day designated in this notice, (WHICH SHALL BE AT LEAST TEN DAYS AFTER THE FIRST PUBLICATION OF THE NOTICE,) meet at a place designated in the notice on or near the proposed improvement, and view the property proposed to be taken or interfered with for the purposes of these improvements, and ascertain and award therefor compensation and damages, and view the premises to be benefited by this improvement, and assess thereon in proportion to benefits, the amount necessary to pay the compensation and damage and the cost of making the

improvement and that they will then and there hear such allegations and proofs as interested persons may offer. These commissioners shall meet and view the premises pursuant to the notice, and may adjourn, from time to time, and, after having viewed the premises, may, for the hearing of evidence and preparation of their award and assessment, adjourn or go to any other convenient place in the city, and may have the aid and advice of the city engineer and of any other officer of the city, and adjourn from time to time. If a pedestrian mall ordinance is proposed by the council under section 430.011, in connection with an improvement, the commissioners may consider the business uses of abutting property affected by such ordinance and by the improvement to which it relates and the probable effect which the ordinance and improvement will have on the value of such property and such uses and shall consider whether such property has access to some other street or alley for delivering and receiving merchandise and materials and the extent to which the use and value of property without such access will suffer as a result of the adoption of such ordinance and the making of such improvement. After viewing the premises and hearing the evidence offered, these commissioners shall prepare and make a true and impartial appraisal and award of the compensation and damages to be paid to each person whose property is to be taken or injured by the making of the improvement; but if the remainder of the same property, a part of which only is to be taken or damaged by the improvement, shall be benefited by the improvement, then the commissioners, in considering and awarding compensation and damages, shall also consider, estimate, and offset the benefits which will accrue to the same owner, in respect to the remainder of the same property, and award him only the excess of the compensation or damages over and above these benefits.

Sec. 52. Minnesota Statutes 1982, section 430.02, subdivision 7, is amended to read:

Subd. 7. [PUBLICATION OF NOTICE OF HEARING.] The commissioners shall, upon the completion of their report, file the same with the city clerk and thereupon it shall be the duty of the city clerk to (GIVE NOTICE TO ALL INTERESTED PARTIES BY PUBLISHING, AS SOON AS POSSIBLE, IN THE OFFICIAL NEWSPAPER OF THE CITY A NOTICE CONTAINING) *prepare a list of descriptions of the several lots and parcels of land taken for these proposed improvements, the amount awarded for the taking of each lot or parcel, the names of the owner or owners of the same, descriptions of the several lots or parcels of land upon which benefits have been assessed, the amount assessed against each lot or parcel and the names of the owner or owners of the same the names of all owners referred to herein to be obtained from the commissioners, and, so far as may be necessary, from the records in the office of the county treasurer. (IF A PEDESTRIAN MALL ORDINANCE IS PROPOSED TO BE ADOPTED IN CONNECTION*

WITH THE IMPROVEMENT UNDER SECTION 430.011, A COPY OF THE PROPOSED ORDINANCE SHALL BE PUBLISHED WITH THE NOTICE AND THE NOTICE SHALL REFER TO THE ORDINANCE AND SHALL STATE THAT ANY AND ALL OBJECTIONS TO THE ADOPTION OF THE ORDINANCE WILL BE HEARD AND CONSIDERED) *The clerk shall give notice of the proceedings appropriate to inform the owners of the proposed action.* The (PUBLISHED) notice shall (ALSO) designate and fix a place and time, (NOT EARLIER THAN THREE WEEKS FROM DATE OF PUBLICATION OF THE SAME,) at which a committee therein designated by the board of park commissioners or of the council will meet to hear and consider, from or on the part of the owner or owners of the several lots or parcels of land taken for the proposed improvement and of the several lots or parcels of land upon which benefits have been assessed, any and all objections to the making of the improvement, to the amount of damages awarded for the taking of or interference with the property involved, to the amount of the assessment for benefits to any property affected by the proceedings, and any and all claims of irregularities in the proceedings of the city council, board of park commissioners, or the commissioners so appointed by either thereof.

Sec. 53. Minnesota Statutes 1982, section 430.02, subdivision 11, is amended to read:

Subd. 11. [COMMITTEE REPORT.] Within ten days from the conclusion of the hearing or hearings the committee shall file with the city clerk its report and recommendation on the matter so submitted, and upon such filing the city clerk shall give notice that this report and recommendation has been filed and that the same, together with the report of the commissioners, will be considered by the city council at a meeting thereof to be designated in the notice, which notice shall be (PUBLISHED IN THE OFFICIAL NEWSPAPERS OF THE CITY ONCE A WEEK FOR TWO CONSECUTIVE WEEKS, THE LAST PUBLICATION THEREOF BEING AT LEAST TWO WEEKS BEFORE THE MEETING OF THE CITY COUNCIL) *given in a manner appropriate to inform the persons affected and the public.*

Sec. 54. Minnesota Statutes 1982, section 430.02, subdivision 12, is amended to read:

Subd. 12. [ACTION BY COUNCIL.] The city council, upon the day fixed for the consideration of the reports and recommendation or at any subsequent meeting to which the same may stand over or be referred, may, by resolution, annul and abandon the proceedings, or may confirm the awards and assessments or any or either thereof, or annul the same, or send the same back to the commissioners for further consideration; and the commissioners may, in such case, again meet at a time and place to be

designated in a notice which shall be (PUBLISHED BY THE CITY CLERK ONCE IN THE OFFICIAL NEWSPAPER OF THE CITY, COPIES OF WHICH TO BE SIMILARLY) mailed by the city clerk to all interested persons, at least two weeks prior to the meeting, and hear any further evidence that may be adduced by interested persons, and may adjourn from time to time, and may correct any mistakes in the award and assessment and alter and revise the same as they may deem just, and again report the same to the city council, who may thereupon confirm or annul the same. If it shall desire to confirm the awards and assessments, the city council shall then give its final reading to and vote on the adoption of any pedestrian mall ordinance proposed in connection with the improvement pursuant to section 430.011, and if it shall be amended or shall fail of adoption for lack of a sufficient majority of votes or otherwise, any improvement instituted in connection with such proposed ordinance shall either be abandoned or the awards and assessments shall be returned to the commissioners for further consideration.

Sec. 55. Minnesota Statutes 1982, section 430.04, is amended to read:

430.04 [AWARDS; HOW PAID; ASSESSMENTS.]

When any award of damages made to appellants upon any appeal to the district court shall exceed the amount of the award appealed from, and when any assessment of benefits made in respect to any appellant upon appeal shall be less than the amount of the assessment of benefits appealed from, the amount of this increase in the amount of the award of damages and the amount of this decrease in the assessment of benefits may be paid by the city from the permanent improvement fund or any fund of the city available therefor, or the city council may cause the same to be assessed upon and against any property benefited by the proposed improvements in addition and without prejudice to prior assessments made thereon in the proceedings, and may refer the matter to the commissioners theretofore appointed by the council in the proceeding or to new commissioners to be appointed by the city council. These commissioners, whether new or old, shall have the same qualifications as required of commissioners appointed by section 430.02 and shall take oath to faithfully discharge their duties as commissioners and give notice of the time and place when and where they will meet to hear persons interested and assess the amounts of the increase of awards of damages and decrease of assessments of benefits upon the land and property, theretofore assessed for these benefits, or assess benefits on lots or parcels of land not theretofore assessed for benefits in the proceeding. The notice, as to the owners of the lots or parcels of land entitled to increase of awards upon any appeal, and as to the owners of any lots or parcels of land to be then assessed for benefits that were not so assessed in the original proceeding by the commissioners, shall be given by these commissioners by depositing the same in the post office of the city,

postage postpaid, directed to each of the persons at his last known place of residence, if known to the commissioners, otherwise as obtained from the office of the county treasurer; provided that the failure of any owner to receive this notice shall not in any wise operate to invalidate any of the proceedings covered by this chapter. The commissioners shall meet, at the time and place so designated in their notice, hear all persons interested, and assess the amount of the increased awards of damages and decreased assessments of benefits, or new and original assessments of benefits, upon the property benefited by the proposed improvements; in proportion to the benefits, but in no case shall the amount of this assessment exceed the actual benefit to the lot or parcel of land so assessed, and the commissioners shall prepare and file with the city clerk an assessment list of the assessment so made by them, containing a brief description of each piece of property assessed, the name of the owners thereof, if known, and the amount assessed against the same, and the city clerk shall present this list to the city council for consideration. A brief minute of the presentation of this assessment list to the city council shall be (MADE AND PUBLISHED) *included* in the record of the proceedings of the city council, which shall be held to be sufficient notice to all persons concerned. This assessment list shall lie over without action thereon by the city council until the next regular meeting of the council which will occur at least one week thereafter, at which time, or at any meeting thereafter, the city council may confirm the assessments and assessment roll, or send the same back to the commissioners for further consideration and report thereon. Any person interested who is dissatisfied with the amount of an assessment may appeal from the confirmation of the assessment by the city council to the district court, in like manner and with like proceedings as provided in section 430.03 in respect to filing objections and taking appeals from original appeals made in such proceedings from such order of confirmation. Any decrease made in any assessments upon any appeal may be paid by the city from the permanent improvement fund or from any fund of the city available therefor, or the city council may cause the same to be reassessed as hereinabove provided.

Sec. 56. Minnesota Statutes 1982, section 430.07, subdivision 5, is amended to read:

Subd. 5. If, in any proceedings under this chapter, the actual cost of the improvement of any street, park, or parkway in the manner herein designated is less than the estimated cost thereof, as found and adopted by it, the city council, except as otherwise provided by this subdivision, shall immediately cancel and annul the assessments made in the proceedings to an amount which, in the aggregate, shall not exceed such fractional part of the total amount of the excess of estimated cost over the actual cost as shall be equivalent to the fraction obtained by dividing the total amount of the assessments by the total amount of the estimated cost.

In case the assessments in any proceeding have not been entirely collected or in case the city council deems that any such assessments cannot be fully collected, the city council may direct the city comptroller to retain in the fund in the proceeding a sum sufficient, in the judgment of the city council, to cover the deficiencies in the collection of the assessments, and the city council shall direct that the balance of the excess of estimated cost shall be disposed of in the following manner. The city council shall direct the city comptroller to certify the amount of this balance to the county auditor. The auditor shall thereupon deduct the amount from the first instalment of the assessment to be collected after the receipt of this certificate. This deduction shall be made from the assessment against each piece or parcel of property in the proportion that the excess, as certified by the city comptroller, bears to the total of the instalment of the assessment. If the balance as certified, exceeds one instalment, it shall also be deducted in like manner from succeeding instalments until the same is fully deducted.

If the assessment against a piece or parcel of property has been paid in full, and the amount to be refunded does not exceed \$1, the city council may deposit the amount of the potential refund in the city's permanent improvement fund or bond redemption fund. If the amount to be refunded exceeds \$1, but does not exceed \$20, the city comptroller shall mail to the current owner of the property a notice stating that the refund is available. The notice shall be mailed within 60 days after the city council determines the actual cost of the improvement. If the amount to be refunded exceeds \$20 the following notice procedure shall be followed. The city comptroller shall mail to the person who owned the property when the assessment was paid, at his last known address, a notice stating that the refund is available. The notice shall be mailed within 60 days after the city council determines the actual cost of the improvement. If a response is not received from the owner within ten days of the date of mailing, a second notice shall be mailed. (IF A RESPONSE IS NOT RECEIVED FROM THE OWNER WITHIN TEN DAYS OF THE DATE OF THE SECOND MAILING, A NOTICE OF REFUND CONTAINING THE NAME OF THE PERSON WHO WAS THE OWNER WHEN THE ASSESSMENT WAS PAID, AND THE ADDRESS OF THE PROPERTY SHALL BE PUBLISHED IN A NEWSPAPER OF GENERAL CIRCULATION IN THE CITY.) If the refund is not claimed by the person who owned the property when the assessment was paid, within 30 days of the date of mailing of the last required notice (OR WITHIN 30 DAYS OF THE DATE OF PUBLICATION OF ANY REQUIRED NOTICE, WHICHEVER IS LATER,) the city council may deposit the amount of the potential refund in the city's permanent improvement fund or bond redemption fund.

Sec. 57. Minnesota Statutes 1982, section 430.102, subdivision 3, is amended to read:

Subd. 3. [ANNUAL IMPROVEMENT ASSESSMENT PROCEDURE; APPEALS.] When the council shall have acted on the estimate of costs, the city engineer, with the assistance of the city assessor, shall prepare an assessment roll setting forth separately the amounts to be specially assessed against the benefited and assessable properties in the district in proportion to the benefits, descriptions of such properties, and the names of the owners of such properties, so far as such names are available to him. The assessment roll, when so prepared, shall be filed in the office of the city clerk and be there available for inspection. The city council shall meet to consider objections to the amounts of such special assessments at least ten days after a notice of hearing has been (PUBLISHED ONCE IN THE OFFICIAL NEWSPAPER AND) mailed to the named owners of all tracts, parcels and lots of property proposed to be assessed. The notice shall set forth the time and place of meeting, and set forth the purpose of such meeting, but may refer to the assessment roll for further particulars. When the city council shall have approved the amounts of the special assessments set forth therein, or as may be changed by it, the city clerk shall forthwith certify a copy of the assessment roll, with such changes, if any, to the county auditor to be extended on the tax lists of the county and to be collected with and in the same manner as other taxes on property for the current year. Within 20 days after the adoption of the assessment, any person aggrieved may appeal to the district court as provided in section 430.03 except that commissioners shall not be appointed to consider the amount of benefits; if the court shall find that the assessment is not arbitrary, unreasonable, or made under a demonstrable mistake of fact or erroneous theory of law, it shall confirm the proceedings, but otherwise shall remand the same to the city council for reconsideration and reassessment of the benefits upon like notice and hearing as in the case of original assessments under this subdivision. All objections to the assessment shall be deemed waived unless presented on such appeal.

Sec. 58. Minnesota Statutes 1982, section 435.202, subdivision 2, is amended to read:

Subd. 2. [REFUND OF ASSESSMENTS.] The governing body of the municipality shall also notify the municipal clerk or recorder of such fact, and he shall forthwith (PUBLISH A) *provide* notice (IN THE OFFICIAL NEWSPAPER OF THE MUNICIPALITY) *appropriate to inform interested persons* describing the improvement and stating that it has been abandoned and that any person who paid any special assessments levied on account of such improvement may file a claim, within six months following the date of (PUBLICATION OF) the notice, for refund of such assessments paid by him, together with any interest he paid thereon. (IF THE MUNICIPALITY HAS NO OFFICIAL NEWSPAPER, SUCH NOTICE MAY BE PUBLISHED IN ANY NEWSPAPER PUBLISHED IN THE

MUNICIPALITY OR, IF NO NEWSPAPER IS PUBLISHED IN THE MUNICIPALITY, IT MAY BE POSTED.) The municipality is not required to, but may, pay such claims filed after the period allowed, and it may require any claimant to furnish satisfactory evidence that he paid the amounts claimed. Such claims may be paid out of moneys in the fund of the improvement which was abandoned, unless obligations have been issued payable therefrom, or they may be paid out of moneys in the general fund.

Sec. 59. Minnesota Statutes 1982, section 441.04, is amended to read:

441.04 [ADVERTISE FOR BIDS.]

As soon as the plans and specifications are approved by the council of each city the committee shall (CAUSE ADVERTISEMENTS TO BE PUBLISHED ONCE IN EACH WEEK FOR THREE SUCCESSIVE WEEKS IN A DAILY NEWSPAPER OF EACH CITY FOR) *give notice appropriate to inform interested persons requesting* public bids for the construction of the bridge, specifying the time and place for opening the bids, the amount and character of deposit required with the bids, together with any reasonable requirements or conditions, and reserving the right to reject any and all bids. No contract shall be let except to the lowest responsible bidder, provided that any such city, acting through its council, may submit a bid and if its bid be the lowest bid the contract shall be awarded to the city, subject to the power of the committee to reject all bids.

Sec. 60. Minnesota Statutes 1982, section 462.427, subdivision 3, is amended to read:

Subd. 3. [PUBLIC HEARING; NOTICE; PUBLICATION; RESOLUTION.] The governing body of a political subdivision shall not adopt any resolution authorized by this and section 462.426 unless a public hearing has first been held. The clerk of such political subdivision shall give notice of the time, place, and purpose of the public hearing not less than ten days nor more than 30 days prior to the day on which the hearing is to be held, in a (NEWSPAPER PUBLISHED IN SUCH POLITICAL SUBDIVISION, OR IF THERE IS NO NEWSPAPER PUBLISHED IN SUCH POLITICAL SUBDIVISION, THEN IN A NEWSPAPER PUBLISHED IN THE STATE AND HAVING A GENERAL CIRCULATION IN SUCH POLITICAL SUBDIVISION) *manner appropriate to inform the public.* Upon the date fixed for such public hearing an opportunity to be heard shall be granted to all residents of such political subdivision and to all other interested persons. (THE RESOLUTION SHALL BE PUBLISHED IN A NEWSPAPER OF GENERAL CIRCULATION IN THE POLITICAL SUBDIVISION.)

Sec. 61. Minnesota Statutes 1982, section 465.32, is amended to read:

465.32 [NOTICE OF MEETING.]

The appraisers shall give notice of their meeting (BY PUBLICATION IN THE OFFICIAL NEWSPAPER OF THE CITY, ONCE A WEEK FOR SIX CONSECUTIVE WEEKS, WHICH LAST PUBLICATION SHALL BE AT LEAST TEN DAYS BEFORE THE DAY OF SUCH MEETING) *in a manner appropriate to inform the public*, which notice shall name the stream to be diverted, the point of diversion, the general course of the new channel and the height to which it is proposed to raise or maintain any lake, the location of proposed bridges, culverts, or tunnels, the estimated cost of construction, and contain a description of the lands designated by the city council to be taken for right of way and for flowage purposes, and give notice that a plan of the improvement has been filed in the office of the city clerk, and that the appraisers will meet at a place and time designated in the notice, and thence proceed to view the premises and appraise the damages for property to be taken, or which may be damaged by the diversion of water or otherwise by such improvement, and to assess benefits in the manner hereinafter specified. If any portion of such stream or of the lands to be taken is outside of the county containing such city, then the notice shall (BE PUBLISHED FOR A LIKE TIME IN SOME NEWSPAPER IN SUCH) *also be given in the outside county.*

Sec. 62. Minnesota Statutes 1982, section 465.38, is amended to read:

465.38 [NOTICE OF APPRAISEMENT; CONFIRMATION OR ANNULMENT.]

Upon such report being filed, the city clerk shall give notice that such appraisement has been returned and that the same will be considered by the city council at a meeting thereof to be named in the notice, which notice shall contain the schedule of damages awarded and benefits assessed and be (PUBLISHED IN THE OFFICIAL NEWSPAPER OF THE CITY ONCE A WEEK FOR TWO CONSECUTIVE WEEKS, AND THE LAST PUBLICATION SHALL BE AT LEAST TEN DAYS BEFORE SUCH MEETING) *given in a manner appropriate to inform the public.* Any person interested in any building standing in whole or in part upon any land required to be taken by such improvement shall, on or before the time specified for the meeting in such notice, notify the city council in writing of his election to remove such building, if he so elect. The city council, upon the day fixed for the consideration of such report, or at any subsequent meeting to which the same may stand over or be referred, shall have power in their discretion to confirm, revise, or annul the appraisement and assessment, giving due consideration to any objections interposed by parties interested in the manner

hereinafter specified; provided that the city council shall not have the power to reduce the amount of any award nor increase any assessment. In case the appraisalment and assessment is annulled, the city council may thereupon appoint new appraisers, who shall proceed in like manner as in case of the first appraisalment, and upon the coming in of their report, the city council shall proceed in a like manner and with the same powers as in the case of the first appraisalment.

Sec. 63. [471.6965] [PUBLICATION OF SUMMARY BUDGET STATEMENT.]

Annually, upon adoption of the city budget, the city council shall publish a summary budget statement in the official newspaper of the city, or if there is none, in a qualified newspaper of general circulation in the city. The statement shall contain information relating to anticipated revenues and expenditures, in a form prescribed by the state auditor. The form prescribed shall be designed so that comparisons can be made between the current year and the budget year. A note shall be included that the complete budget is available for public inspection at a designated location within the city.

Sec. 64. Minnesota Statutes 1982, section 471.697, subdivision 1, is amended to read:

April 19, 1984

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 1279, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1279 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 147.01, subdivision 4, is amended to read:

Subd. 4. [DISCLOSURE.] All communications or information received by or disclosed to the board relating to any person

or matter subject to its regulatory jurisdiction, and all records of any action or proceedings thereon, except only a final decision of the board, which shall state the specific reason therefor shall be confidential and privileged within the meaning of section 595.02, (CLAUSE 5) *subdivision 1, paragraph (e)*, and shall not be public records within the meaning of section 15.17, subdivision 4; provided that upon application of a party in a proceeding before the board pursuant to section 147.021, the board shall produce and permit the inspection and copying, by or on behalf of the moving party, of any designated documents or papers relevant to the proceedings, in accordance with the provisions of rule 34, Minnesota rules of civil procedure.

Sec. 2. [260.156] [CERTAIN OUT-OF-COURT STATEMENTS ADMISSIBLE.]

An out-of-court statement made by a child under the age of ten years alleging, explaining, denying, or describing any act of sexual contact or penetration performed with or on the child by another, not otherwise admissible by statute or rule of evidence, is admissible in evidence in any dependency or neglect proceeding or any proceeding for termination of parental rights if:

(a) The court finds that the time, content, and circumstances of the statement and the reliability of the person to whom the statement is made provide sufficient indicia of reliability; and

(b) The proponent of the statement notifies other parties of his intention to offer the statement and the particulars of the statement sufficiently in advance of the proceeding at which he intends to offer the statement into evidence, to provide the parties with a fair opportunity to meet the statement.

Sec. 3. Minnesota Statutes 1983 Supplement, section 260.315, is amended to read:

260.315 [CONTRIBUTING TO NEGLECT OR DELINQUENCY.]

Any person who by act, word or omission encourages, causes or contributes to the neglect or delinquency of a child, or to a child's status as a habitual truant, runaway, juvenile petty offender, juvenile alcohol offender, or juvenile controlled substance offender, is guilty of a misdemeanor.

Sec. 4. Minnesota Statutes 1982, section 595.02, is amended to read:

595.02 [TESTIMONY OF WITNESSES.]

Subdivision 1. [COMPETENCY OF WITNESSES.]

Every person of sufficient understanding, including a party, may testify in any action or proceeding, civil or criminal, in court or before any person who has authority to receive evidence, except as (FOLLOWS) *provided in this subdivision:*

((1)) (a) A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. This exception does not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other or against a child of either, nor to a criminal action or proceeding in which one is charged with homicide or an attempt to commit homicide and the date of the marriage of the defendant is subsequent to the date of the offense, nor to an action or proceeding for non-support, neglect, dependency, or termination of parental rights (;).

((2)) (b) An attorney cannot, without the consent of his client, be examined as to any communication made by the client to him or his advice given thereon in the course of professional duty; nor can any employee of the attorney be examined as to the communication or advice, without the client's consent (;).

((3)) (c) A clergyman or other minister of any religion shall not, without the consent of the party making the confession, be allowed to disclose a confession made to him in his professional character, in the course of discipline enjoined by the rules or practice of the religious body to which he belongs; nor shall a clergyman or other minister of any religion be examined as to any communication made to him by any person seeking religious or spiritual advice, aid, or comfort or his advice given thereon in the course of his professional character, without the consent of the person (;).

((4)) (d) A licensed physician or surgeon, dentist, or chiropractor shall not, without the consent of his patient, be allowed to disclose any information or any opinion based thereon which he acquired in attending the patient in a professional capacity, and which was necessary to enable him to act in that capacity; after the decease of the patient, in an action to recover insurance benefits, where the insurance has been in existence two years or more, the beneficiaries shall be deemed to be the personal representatives of the deceased person for the purpose of waiving this privilege, and no oral or written waiver of the privilege shall have any binding force or effect except when made upon the trial or examination where the evidence is offered or received (;).

((5)) (e) A public officer shall not be allowed to disclose communications made to him in official confidence when the public interest would suffer by the disclosure (;).

((6)) (f) Persons of unsound mind (;), persons intoxicated at the time of their production for examination, and children under ten years of age, (WHO APPEAR INCAPABLE OF RECEIVING JUST IMPRESSIONS OF THE) *if any of them lack capacity to remember or to relate truthfully* facts respecting which they are examined, (OR OF RELATING THEM TRULY,) are not competent witnesses. (THIS EXCEPTION DOES NOT APPLY TO) A child (UNDER TEN YEARS OF AGE, IN A CRIMINAL PROCEEDING FOR INTRAFAMILIAL SEXUAL ABUSE AS DEFINED IN SECTION 609.364, SUBDIVISION 10, OR IN A CRIMINAL PROCEEDING UNDER SECTIONS 609.342 CLAUSE (A), 609.343 CLAUSE (A), 609.344 CLAUSE (A), OR 609.345 CLAUSE (A), WHO IS ABLE TO DESCRIBE OR RELATE IN) *describing any act of sexual contact or penetration performed on or with the child by another may use language appropriate for a child of that age* (THE EVENTS OR FACTS RESPECTING WHICH THE CHILD IS EXAMINED;).

((7)) (g) A registered nurse, psychologist or consulting psychologist shall not, without the consent of his client, be allowed to disclose any information or opinion based thereon which he acquired in attending the client in a professional capacity, and which was necessary to enable him to act in that capacity (;).

((8)) (h) An interpreter for a person handicapped in communication shall not, without the consent of the person, be allowed to disclose any communication if the communication would, if the interpreter were not present, be privileged. For purposes of this section, a "person handicapped in communication" means a person who, because of a hearing, speech or other communication disorder, or because of the inability to speak or comprehend the English language, is unable to understand the proceedings in which he is required to participate. The presence of an interpreter as an aid to communication does not destroy an otherwise existing privilege (;).

((9)) (i) A parent or his minor child may not be examined as to any communication made in confidence by the minor to his parent. A communication is confidential if made out of the presence of persons not members of the child's immediate family living in the same household. This exception may be waived by express consent to disclosure by a parent entitled to claim the privilege or by the child who made the communication, or by failure of the child or parent to object when the contents of a communication are demanded. This exception does not apply to a civil action or proceeding by one spouse against the other or by a parent or child against the other, nor to a proceeding to commit either the child or parent to whom the communication was made or to place the person or property or either under the control of another because of his alleged mental or physical condition, nor to a criminal action or proceeding in which the parent is charged with a crime committed against the person or prop-

erty of the communicating child, the parent's spouse, or a child of either the parent or the parent's spouse, or in which a child is charged with a crime or act of delinquency committed against the person or property of a parent or a child of a parent, nor to an action or proceeding for termination of parental rights, nor any other action or proceeding on a petition alleging child abuse, child neglect, abandonment or nonsupport by a parent (;).

(10) (j) Sexual assault counselors may not be compelled to testify about any opinion or information received from or about the victim without the consent of the victim. However, a counselor may be compelled to identify or disclose information in investigations or proceedings related to neglect or termination of parental rights if the court determines good cause exists. In determining whether to compel disclosure, the court shall weigh the public interest and need for disclosure against the effect on the victim, the treatment relationship, and the treatment services if disclosure occurs. Nothing in this clause exempts sexual assault counselors from compliance with the provisions of sections 626.556 and 626.557.

"Sexual assault counselor" for the purpose of this section means a person who has undergone at least 40 hours of crisis counseling training and works under the direction of a supervisor in a crisis center, whose primary purpose is to render advice, counseling or assistance to victims of sexual assault.

Subd. 2. [EXCEPTIONS.] (a) The exception provided by paragraphs (d) and (g) of subdivision 1 shall not apply to any testimony, records, or other evidence relating to the abuse or neglect of a minor in any proceeding under chapter 260 or any proceeding under section 245.801, to revoke a day care or foster care license, arising out of the neglect or physical or sexual abuse of a minor, as defined in section 626.556, subdivision 2.

(b) The exception provided by paragraphs (d) and (g) of subdivision 1 shall not apply to criminal proceedings arising out of the neglect or physical or sexual abuse of a minor, as defined in section 626.556, subdivision 2, if the court finds that:

(1) there is a reasonable likelihood that the records in question will disclose material information or evidence of substantial value in connection with the investigation or prosecution; and

(2) there is no other practicable way of obtaining the information or evidence. This clause shall not be construed to prohibit disclosure of the patient record when it supports the otherwise uncorroborated statements of any material fact by a minor alleged to have been abused or neglected by the patient; and

(3) the actual or potential injury to the patient-health professional relationship in the treatment program affected, and the actual or potential harm to the ability of the program to at-

tract and retain patients, is outweighed by the public interest in authorizing the disclosure sought.

No records may be disclosed under this paragraph other than the records of the specific patient suspected of the neglect or abuse of a minor. Disclosure and dissemination of any information from a patient record shall be limited under the terms of the order to assure that no information will be disclosed unnecessarily and that dissemination will be no wider than necessary for purposes of the investigation or prosecution.

Subd. 3. [CERTAIN OUT-OF-COURT STATEMENTS ADMISSIBLE.] *An out-of-court statement made by a child under the age of ten years alleging, explaining, denying, or describing any act of sexual contact or penetration performed with or on the child by another, not otherwise admissible by statute or rule of evidence, is admissible in evidence if:*

(a) the court or person authorized to receive evidence finds, in a hearing conducted outside of the presence of the jury, that the time, content, and circumstances of the statement and the reliability of the person to whom the statement is made provide sufficient indicia of reliability; and

(b) the child either:

(i) testifies at the proceedings; or

(ii) is unavailable as a witness and there is corroborative evidence of the act; and

(c) the proponent of the statement notifies the adverse party of his intention to offer the statement and the particulars of the statement sufficiently in advance of the proceeding at which he intends to offer the statement into evidence to provide the adverse party with a fair opportunity to prepare to meet the statement.

Sec. 5. Minnesota Statutes 1982, section 609.341, subdivision 11, is amended to read:

Subd. 11. *“Sexual contact” includes any of the following acts committed without the complainant’s consent, if the acts can reasonably be construed as being for the purpose of satisfying the actor’s sexual or aggressive impulses, except in those cases where consent is not a defense:*

(i) The intentional touching by the actor of the complainant’s intimate parts, or

(ii) The touching by the complainant of the actor’s, the complainant’s, or another’s intimate parts effected by coercion or the

use of a position of authority, or by inducement if the complainant is under 13 years of age or mentally defective, or

(iv) In any of the cases above, of the clothing covering the immediate area of the intimate parts.

(b) The complainant is at least 13 but less than 16 years of age and the actor is more than 24 months older than the complainant. In any such case it shall be an affirmative defense, which must be proved by a preponderance of the evidence, that the actor believes the complainant to be 16 years of age or older. If the actor in such a case is no more than 48 months but more than 24 months older than the complainant, he may be sentenced to imprisonment for not more than five years. Consent by the complainant is not a defense; or

(e) The complainant is at least 16 but less than 18 years of age and the actor is more than 48 months older than the complainant and in a position of authority over the complainant, and uses this authority to cause the complainant to submit. Neither mistake as to the complainant's age nor consent to the act by the complainant is a defense.

Sec. 8. Minnesota Statutes 1983 Supplement, section 609.345, is amended to read:

609.345 [CRIMINAL SEXUAL CONDUCT IN THE FOURTH DEGREE.]

A person is guilty of criminal sexual conduct in the fourth degree and may be sentenced to imprisonment for not more than five years, or to payment of a fine of not more than \$5,000, or both, if he engages in sexual contact with another person and if any of the following circumstances exists:

(b) The complainant is at least 13 but less than 16 years of age and the actor is more than 48 months older than the complainant or in a position of authority over the complainant and uses this authority to cause the complainant to submit. (c) The actor uses force or coercion to accomplish the sexual contact; or

(d) The actor knows or has reason to know that the complainant is mentally defective, mentally incapacitated, or physically helpless; or

The Honorable Jerome M. Hughes.
President of the Senate

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 989, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 989 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 13.02, is amended by adding a subdivision to read:

Subd. 8a. [NOT PUBLIC DATA.] “Not public data” means any government data which is classified by statute, federal law, or temporary classification as confidential, private, nonpublic, or protected nonpublic.

Sec. 2. Minnesota Statutes 1982, section 13.03, subdivision 3, is amended to read:

Subd. 3. [REQUEST FOR ACCESS TO DATA.] Upon request to a responsible authority or designee, a person shall be permitted to inspect and copy public government data at reasonable times and places, and if the person requests, he shall be informed of the data's meaning. The responsible authority or designee shall provide copies of public government data upon request. The responsible authority may require the requesting person to pay the actual costs of making, certifying and compiling the copies. If the responsible authority or designee is not able to provide copies at the time a request is made he shall supply copies as soon as reasonably possible.

When a request under this subdivision involves any person's receipt of copies of public government data that has commercial value and is an entire formula, pattern, compilation, program, device, method, technique, process, data base, or system developed with a significant expenditure of public funds by the agency, the responsible authority may charge a reasonable fee for the information in addition to the costs of making, certifying, and compiling the copies. Any fee charged must be clearly demonstrated by the agency to relate to the actual development costs of the information. The responsible authority, upon the request of any person, shall provide sufficient documentation to explain and justify the fee being charged.

If the responsible authority or designee determines that the requested data is classified so as to deny the requesting person access, the responsible authority or designee shall (SO) inform the requesting person of the determination either orally at the time of the request, (AND) or in writing as soon (THEREAFTER) after that time as possible, and shall cite the (STATUTE) specific statutory section, temporary classification, or specific provision of federal law on which the determination is based. Upon the request of any person denied access to data, the responsible authority or designee shall certify in writing that the request has been denied and cite the specific statutory section, temporary classification, or specific provision of federal law upon which the denial was based.

Sec. 3. Minnesota Statutes 1982, section 13.03, subdivision 4, is amended to read:

Subd. 4. [CHANGE IN CLASSIFICATION OF DATA.] The classification of data in the possession of an agency shall change if it is required to do so to comply with either judicial or administrative rules pertaining to the conduct of legal actions or with a specific statute applicable to the data in the possession of the disseminating or receiving agency.

If data on individuals is classified as both private and confidential by this chapter, or any other statute or federal law, the data is private.

To the extent that government data is disseminated to state agencies, political subdivisions, or statewide systems by another state agency, political subdivision, or statewide system, the data disseminated shall have the same classification in the hands of the agency receiving it as it had in the hands of the entity providing it.

Sec. 4. Minnesota Statutes 1982, section 13.03, is amended by adding a subdivision to read:

Subd. 5. [COPYRIGHT OF PATENT OR COMPUTER PROGRAM.] *Nothing in this chapter or any other statute shall be construed to prevent a state agency, statewide system, or political subdivision from acquiring a copyright or patent for a computer software program or components of a program created by that government agency. In the event that a government agency does acquire a patent or copyright to a computer software program or component of a program, the data shall be treated as trade secret information pursuant to section 13.37.*

Sec. 5. Minnesota Statutes 1982, section 13.04, subdivision 2, is amended to read:

Subd. 2. [INFORMATION REQUIRED TO BE GIVEN INDIVIDUAL.] An individual asked to supply private or confidential data concerning himself shall be informed of: (a) the purpose and intended use of the requested data within the collecting state agency, political subdivision, or statewide system; (b) whether he may refuse or is legally required to supply the requested data; (c) any known consequence arising from his supplying or refusing to supply private or confidential data; and (d) the identity of other persons or entities authorized by state or federal law to receive the data. This requirement shall not apply when an individual is asked to supply investigative data, pursuant to section 13.82, subdivision 5, to a law enforcement officer.

Sec. 6. Minnesota Statutes 1982, section 13.05, subdivision 3, is amended to read:

Subd. 3. [GENERAL STANDARDS FOR COLLECTION AND STORAGE.] Collection and storage of (PUBLIC, PRIVATE OR CONFIDENTIAL) *all* data on individuals and the use and dissemination of private and confidential data on individuals shall be limited to that necessary for the administration and management of programs specifically authorized by the legislature (,) or local governing body or mandated by the federal government.

Sec. 7. Minnesota Statutes 1982, section 13.05, subdivision 7, is amended to read:

Subd. 7. [PREPARATION OF SUMMARY DATA.] The use of summary data derived from private or confidential data on individuals under the jurisdiction of one or more responsible authorities (SHALL BE) *is* permitted. Unless classified pursuant to section 13.06, *another statute, or federal law*, summary data is public. The responsible authority shall prepare summary data from private or confidential data on individuals upon the request of any person (, PROVIDED THAT) *if* the request is in writing and the cost of preparing the summary data is borne by the requesting person. The responsible authority may delegate the power to prepare summary data (1) to the administrative officer responsible for any central repository of summary data; or (2) to a person outside of its agency if the person (, IN WRITING,) sets forth, *in writing*, his purpose and agrees not to disclose, and the agency reasonably determines that the access will not compromise private or confidential data on individuals.

Sec. 8. Minnesota Statutes 1982, section 13.05, subdivision 9, is amended to read:

Subd. 9. [INTERGOVERNMENTAL ACCESS OF DATA.] A responsible authority shall allow another responsible authority access to data classified as not public only when the access is authorized or required by statute or federal law. An agency that supplies government data under this subdivision may require the requesting agency to pay the actual cost of supplying the data.

"Section 1. [119.01] [MINNESOTA EDUCATIONAL COMPUTING CORPORATION, PURPOSE.]

The purpose of the Minnesota educational computing corporation is to provide cost-effective computing and technology related products and services to the educational programs of educational institutions and agencies in Minnesota and elsewhere. The legislature recognizes that computers are a major factor in the operation of educational institutions, both in terms of cost and in importance as an instructional tool. Furthermore, the legislature has historically supported the development of curricula for Minnesota educational institutions that include educational computing materials. While it is important that educational institutions be able to join together to gain economies in purchasing power, it is equally important that computer software and documentation be created, and that instructional and administrative computing services be provided to meet the needs of Minnesota educational institutions. The purpose of the public corporation known as the Minnesota educational computing corporation is to meet these needs.

The legislature intends to establish autonomy for the Minnesota educational computing corporation from state support, with the goal of limiting direct legislative funding of Minnesota educational computing corporation services."

This application for annual license shall be accompanied by a registration fee of \$250 and contain such information as the registrar may require. Upon the filing of the application and the payment of the fee, the registrar shall issue to each drive-away operator a general distinguishing number, which number must be carried and displayed (BY EACH MOTOR VEHICLE IN LIKE MANNER AS IS NOW PROVIDED BY LAW FOR VEHICLES WHILE BEING OPERATED UPON THE PUBLIC HIGHWAYS), *on the power unit consistent with section 169.79* and such number shall remain on the vehicle (FROM THE MANUFACTURER, OR ANY POINT OF ORIGIN, TO ANY POINT OF DESTINATION) *while being operated* within (OR BEYOND) the state. The listing and application for registration by dealers or manufacturers' agents within the state, of motor vehicles received for sale or use within the state shall be accepted as compliance with the requirements of this chapter, imposed upon the manufacturer.

Registration shall be refused a motor vehicle if the original identification or serial number has been destroyed, removed, altered, covered or defaced. However, if the commissioner is satisfied on the sworn statements of the owner or owners or such other persons as he may deem advisable that the applicant is the legal owner, a special identification number in the form prescribed by the commissioner shall be assigned to the motor vehicle. When it has been determined that the number had been affixed to such vehicle in a manner prescribed by the commissioner, the vehicle may thereafter be registered in the same manner as other motor vehicles. In the case of a new or rebuilt motor vehicle manufactured or assembled without an identification or serial number, the commissioner may assign an identification number to the motor vehicle in the same manner as prescribed heretofore.

joint owner of a passenger automobile, van or pickup truck, or a self-propelled recreational vehicle, and a resident of this state, and who holds an official amateur radio station license, or a citizens radio service class D license, in good standing, issued by the Federal Communications Commission shall upon compliance with all laws of this state relating to registration and the licensing of motor vehicles and drivers, be furnished with license plates for the motor vehicle, as prescribed by law, upon which, in lieu of the numbers required for identification under subdivision 1, shall be inscribed the official amateur call letters of the applicant, as assigned by the Federal Communications Commission. The applicant shall pay in addition to the registration tax required by law, the sum of \$10 for the special license plates, and at the time of delivery of the special license plates the applicant shall surrender to the registrar the current license plates issued for the motor vehicle. This provision for the issue of special license plates shall apply only if the applicant's vehicle is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that vehicle under which to operate it during the time that it will take to have the necessary special license plates made. If the applicant owns or jointly owns more than one motor vehicle of the type specified in this subdivision he may apply for special plates for each of not more than two vehicles, and, if each application complies with this subdivision, the registrar shall furnish the applicant with the special plates, inscribed with the official amateur call letters and other distinguishing information as the registrar considers necessary, for each of the two vehicles. And the registrar may make reasonable regulations governing the use of the special license plates as will assure the full compliance by the owner and holder of the special plates, with all existing laws governing the registration of motor vehicles, the transfer and the use thereof. (WHEN THE OWNERSHIP OF A MOTOR VEHICLE FOR WHICH SPECIAL LICENSE PLATES HAVE BEEN FURNISHED BY THE REGISTRAR, CHANGES FROM ONE PERSON TO ANOTHER, THE SPECIAL LICENSE PLATES HEREIN AUTHORIZED SHALL BE PROMPTLY REMOVED FROM THE MOTOR VEHICLE BY THE SELLER AND RETURNED TO THE REGISTRAR, AT WHICH TIME THE SELLER OR THE BUYER OF THE MOTOR VEHICLE SHALL BE ENTITLED TO RECEIVE LICENSE PLATES FOR THE MOTOR VEHICLE AS PROVIDED IN SECTION 168.15.)

Despite any contrary provision of subdivision 1, the special license plates issued under this subdivision may be transferred to another motor vehicle upon the payment of a fee of \$5. The fee must be paid into the state treasury and credited to the highway user tax distribution fund. The registrar must be notified of the transfer and may prescribe a form for the notification.

Sec. 18. Minnesota Statutes 1982, section 168.12, subdivision 2b, is amended to read:

Subd. 2b. [FIREFIGHTERS; SPECIAL LICENSE PLATE.]

In lieu of the identification required under subdivision 1, the special license plates shall be inscribed with a symbol of a Maltese Cross together with five numbers. No applicant shall receive more than two sets of plates for vehicles owned or jointly owned by the applicant.

Special plates issued under this subdivision may only be used during the period that the owner or joint owner of the vehicle is a member of a fire department as specified in this subdivision. When the person to whom the special plates were issued is no longer a member of a fire department or when the vehicle ownership is transferred, the special license plates shall be removed from the vehicle and returned to the registrar. Upon return of the special plates, the owner or purchaser of the vehicle is entitled to receive regular plates for the vehicle without cost for the remainder of the registration period for which the special plates were issued. Firefighter license plates issued pursuant to this subdivision may be transferred to another motor vehicle upon payment of \$5, which fee shall be paid into the state treasury and credited to the highway user tax distribution fund.

The commissioner of public safety may adopt rules under the administrative procedure act, sections 14.01 to 14.70, to govern the issuance and use of the special plates authorized in this subdivision. All fees from the sale of special license plates for firefighters shall be paid into the state treasury and credited to the highway user tax distribution fund.

A new motor vehicle dealer licensee shall be entitled thereunder to sell, broker, wholesale or auction and to solicit and advertise the sale, broker, wholesale or auction of new motor vehicles covered by his franchise and any used motor vehicles or to lease and to solicit and advertise the lease of new motor vehicles and any used motor vehicles and such sales or leases may be either for consumer use at retail or for resale to a dealer. Nothing herein shall be construed to require an applicant for a dealer license who proposes to deal in

new and unused motor vehicle bodies to have a bona fide contract or franchise in effect with the manufacturer or distributor of any motor vehicle chassis upon which the new and unused motor vehicle body is mounted.

Sec. 20. Minnesota Statutes 1982, section 168.27, subdivision 3, is amended to read:

Duplicate registration certificates plainly marked as duplicates may be issued in like cases upon the payment of a (50 CENT) \$1 fee.

Sec. 22. Minnesota Statutes 1982, section 168.31, subdivision 1, is amended to read:

Taxes due upon January 1 become payable upon November 15 preceding the calendar year for which they are assessed (EXCEPT THOSE UPON MOTOR VEHICLES WHICH SHALL FIRST USE THE PUBLIC STREETS AND HIGHWAYS OF

THIS STATE BETWEEN NOVEMBER 15 AND THE NEXT FOLLOWING DECEMBER 31). The tax required to register vehicles for the registration year March 1 to the last day of February is due on March 1 and payable (NOVEMBER 15) *January 1* preceding. The owner shall tender with his application for registration one-third of the annual tax due or (\$300) \$400, whichever is greater, plus any penalties or arrears. The remainder of the tax due shall be paid in two equal installments; the due date of the first installment shall be the first day of the fifth month of the registration period for which the tax is assessed and the second installment shall be due on the first day of the ninth month of the registration period for which the tax is assessed. The registrar shall issue no registration certificate until the full amount of the tax has been paid. In lieu of such registration certificate, the registrar shall issue to the owner a receipt for installments paid, which receipt shall be displayed upon the windshield of the vehicle as evidence that under the provisions of this section the vehicle may be operated on the streets and highways of this state. If an owner of a vehicle fails to pay an installment (WITHIN SEVEN DAYS AFTER) *on or before* the due date thereof, the vehicle shall not use the public streets or highways in this state until the installment or installments of the tax remaining due on such vehicle shall have been paid in full for the licensed year together with (PENALTIES AS HEREINAFTER PROVIDED. and the penalties, the registrar shall issue a registration certificate to the owner of the vehicle in the manner provided by law. The registrar shall deny installment payment privileges provided in this subdivision in the subsequent year to any owner on any or all vehicles of such owner who during the current year fails to pay any installment due within one month after the due date.

Subd. 2. [POWERS.] The registrar shall have the power to appoint, hire and discharge and fix the compensation of the necessary employees, in the manner provided by law, as may be required to enable him to properly carry out the duties imposed upon him by the provisions of this chapter. As of April 14, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, without regard to whether the county auditor of the county in which the city is situated has been appointed as the deputy registrar for the county or has been discontinued as the deputy registrar for the county, and without regard to whether the county in which the city is situated has established a county license bureau which issues motor vehicle licenses as provided in section 373.32.

Effective August 1, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, if the auditor for the county in which the city is situated chooses not to accept appointment as the deputy registrar for the county or is discontinued as a deputy registrar, or if the county in which the city is situated has not established a county license bureau which issues motor vehicle license as provided in section 373.32. Any person appointed by the registrar as a deputy registrar for any city shall be a resident of the county in which the city is situated.

The registrar may appoint, and for cause discontinue, the county auditor of each county as a deputy registrar. The auditor, with the approval of the director of motor vehicles, may appoint, and for cause discontinue, the clerk or equivalent officer of each city or any other person as a deputy registrar as public interest and convenience may require, regardless of his county of residence. Notwithstanding any other provision, a person other than a county auditor or a director of a county license bureau, who was appointed by the registrar before August 1, 1976, as a deputy registrar for any city, may continue to serve as deputy registrar and may be discontinued for cause only by the registrar. The county auditor shall be responsible for the acts of deputy registrars appointed by him. Each such deputy, before entering upon the discharge of his duties, shall take and subscribe an oath to faithfully discharge his duties and to uphold the laws of the state. If a deputy registrar appointed hereunder is not an officer or employee of a county or city, such deputy shall in addition give

bond to the state in the sum of \$10,000, or such larger sum as may be required by the registrar, conditioned upon the faithful discharge of his duties as deputy registrar. Each deputy registrar appointed hereunder shall keep and maintain, in a convenient public place within the place for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the registrar as that officer, from time to time, may require. Such records shall be maintained at the facility of the deputy registrar. The records and facilities of the deputy registrar shall at all times be open to the inspection of the registrar or his agents. He shall report (DAILY) to the registrar *by the next working day following receipt* all registrations made and taxes and fees collected by him. The filing fee imposed pursuant to subdivision 7 shall be deposited in the treasury of the place for which he is appointed, or if such deputy is not a public official, he shall retain the filing fee, but the registration tax and any additional fees for delayed registration he has collected he shall deposit (EACH DAY) *by the next working day following receipt* in an approved state depository to the credit of the state through the state treasurer. The place for which the deputy registrar is appointed through its governing body shall provide the deputy registrar with facilities and personnel to carry out the duties imposed by this subdivision if such deputy is a public official. In all other cases, the deputy shall maintain a suitable facility for serving the public.

The attached bumper must be at least 4.5 inches in vertical height, be centered on the vehicle's centerline, extend at least ten inches on either side of the frame, and be attached to the frame in at least four places with angle braces at no less than 45 degrees so that it effectively transfers impact to an extent equal to or greater than the original bumper.

Page 15, after line 9, insert:

"Sec. 9. Minnesota Statutes 1983 Supplement, section 290A.03, subdivision 8, is amended to read:

Subd. 8. [CLAIMANT.] (a) "Claimant" means a person, other than a dependent, who filed a claim authorized by sections 290A.01 to 290A.20 and who was domiciled in this state during the calendar year for which the claim for relief was filed.

(b) In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, are payable at some time during the calendar year covered by the claim.

(c) "Claimant" shall not include a resident of a nursing home, intermediate care facility, or long term residential facility whose rent constituting property taxes is paid pursuant to the supplemental security income program under title XVI of the Social Security Act, the Minnesota supplemental aid program under sections 256D.35 to 256D.41, the medical assistance program pursuant to title XIX of the the Social Security Act, or the general assistance medical care program pursuant to section 256D.03, subdivision 3. If only a portion of the rent constituting property taxes is paid by these programs, the resident shall be a claimant for purposes of this chapter, but the refund calculated pursuant to section 290A.04 shall be multiplied by a fraction, the numerator of which is income as defined in subdivision 3 reduced by the total amount of income from the above sources other than vendor payments under the medical assistance program or the general assistance medical care program and the denominator of which is income as defined in subdivision 3 plus vendor payments under the medical assistance program or the general assistance medical care program, to determine the allowable refund pursuant to this chapter.

(d) Notwithstanding paragraph (c), if the claimant was a resident of the nursing home, intermediate care facility or long term residential facility for only a portion of the calendar year covered by the claim, the claimant may compute rent constituting property taxes by disregarding the rent constituting property taxes from the nursing home, intermediate care facility, or long term residential facility and use only that amount of rent constituting property taxes or property taxes payable relating to that portion of the year when the claimant was not in the facility. The claimant's household income is his income for the entire calendar year covered by the claim.

(e) In the case of a claim for rent constituting property taxes of a part year Minnesota resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. *When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.* If a homestead property owner was a part year Minnesota resident, the income reflected in the computation made pursuant to section 290A.04 shall be for the entire calendar year, including income not assignable to Minnesota.

(f) (EXCEPT AS PROVIDED IN SECTION 290A.05,) If a homestead is occupied by two or more renters (OR JOINT TENANTS OR TENANTS IN COMMON), who are not husband and wife, the rent (OR PROPERTY TAXES) shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Sec. 10. Minnesota Statutes 1983 Supplement, section 290A.03, subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to section 273.13, subdivisions 6, 7 and 14a, but after deductions made pursuant to sections 124.2137, 273.115, 273.116, 273.135, 273.139, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. No apportionment or reduction of the "property taxes payable"

shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include the amount of the gross rent paid in the preceding year for the site on which the homestead is located, which is attributable to the net tax paid on the site. The amount attributable to property taxes shall be determined by multiplying the net tax on the parcel by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel. *When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.* Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivisions 6, 7, or 14a on or before June 1 of the year in which the "property taxes payable" were levied; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made prior to October 1 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

Sec. 11. Minnesota Statutes 1983 Supplement, section 290A.05, is amended to read:

290A.05 [COMBINED HOUSEHOLD INCOME (; RENTERS AND LESSEES).]

If a person occupies a homestead with another person or persons not related to the person as husband and wife, excluding dependents, (JOINT TENANTS OR TENANTS IN COMMON WHO ARE ALSO CLAIMANTS,) roomers or boarders on contract, and has property tax payable with respect to the homestead, the household income of the claimant or claimants for the purpose of computing the refund allowed by section 290A.04 shall include the total income received by the other persons residing in the homestead. If a person occupies a homestead with another person or persons not related as husband and wife or as dependents, (AND WHO ARE RESIDING AT THE HOMESTEAD UNDER RENTAL OR LEASE AGREEMENT,) the

property tax payable or rent constituting property tax shall be reduced as follows.

If the other person or persons are residing at the homestead under rental or lease agreement, the amount of property tax payable or rent constituting property tax shall be that portion not covered by the rental agreement."

"Sec. 15. Minnesota Statutes 1983 Supplement, section 298.28, subdivision 1, is amended to read:

Subdivision 1. [DISTRIBUTION FROM GENERAL FUND.] The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8) to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton plus the increase provided in paragraph (c) to qualifying school districts to be distributed as follows:

(a) Six cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (d), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its certified levy for the prior year, computed pursuant to section 275.125, comprises of the sum of certified levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, certified levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2d.

(c) On July 15, 1982 and on July 15 in subsequent years, an amount equal to the increase derived by increasing the amount determined by clause (3)(b) in the same proportion as the increase in the steel mill products index over the base year of 1977 as provided in section 298.24, subdivision 1, clause (a), shall be distributed to any school district described in clause (3)(b) where a levy increase pursuant to section 275.125, subdivision 2d, is authorized by referendum, according to the following formula. Each district shall receive the product of:

(i) \$150 times the pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), enrolled in the previous school year, less the product of two mills times the district's taxable valuation in the second previous year; times

(ii) the lesser of:

(A) one, or

(B) the ratio of the amount certified pursuant to section 275.125, subdivision 2d, in the previous year, to the product of two mills times the district's taxable valuation in the second previous year.

If the total amount provided by clause (3)(c) is insufficient to make the payments herein required then the entitlement of \$150 per pupil unit shall be reduced uniformly so as not to exceed the funds available. Any amounts received by a qualifying school district in any fiscal year pursuant to clause (3)(c) shall not be applied to reduce foundation aids which the district is entitled to receive pursuant to sections 124.2121 to 124.2128 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of finance who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection trust fund as provided in section 298.28, subdivision 1, clause 10.

(d) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) Four cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) One cent per taxable ton to the state for the cost of administering the tax imposed by section 298.24.

(7) Three cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. The amount determined in this clause

shall be increased in 1981 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(9) the amounts determined under clauses (4)(a), (4)(c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a) and (b) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 as follows: In 1981 and each year thereafter, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977; provided, however, that the amount distributed in 1981 to the unorganized territory number 2 of Lake County and the town of Beaver Bay based on the between-terminal trackage of Erie Mining Company will be distributed in 1982 and subsequent years to the unorganized territory number 2 of Lake County and the towns of Beaver Bay and Stony River based on the miles of track of Erie Mining Company in each taxing district.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section

298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue (AND WITH THE COUNTY AUDITOR OF EACH COUNTY IN WHICH SUCH TAXPAYER OPERATES, AND WITH THE CHIEF CLERICAL OFFICER OF EACH SCHOOL DISTRICT, CITY OR TOWN WHICH IS ENTITLED TO PARTICIPATE IN THE DISTRIBUTION OF THE TAX,) an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. (SUCH ESTIMATE SHALL LIST THE TAXING DISTRICTS ENTITLED TO PARTICIPATE IN THE DISTRIBUTION OF SUCH TAX, AND THE AMOUNT OF THE ESTIMATED TAX WHICH WOULD BE DISTRIBUTABLE TO EACH SUCH DISTRICT IN THE NEXT ENSUING CALENDAR YEAR ON THE BASIS OF THE LAST PERCENTAGE DISTRIBUTION CERTIFIED BY THE COMMISSIONER OF REVENUE. IF THERE BE NO SUCH PRIOR CERTIFICATION, THE TAXPAYER SHALL SET FORTH ITS ESTIMATE OF THE PROPER DISTRIBUTION OF SUCH TAX UNDER THE LAW, WHICH ESTIMATE MAY BE CORRECTED BY THE COMMISSIONER IF HE DEEMS IT IMPROPER, NOTICE OF SUCH CORRECTION BEING GIVEN BY HIM TO THE TAXPAYER AND THE PUBLIC OFFICERS RECEIVING SUCH ESTIMATE.) *The commissioner of revenue shall annually on or before October 10 report an estimated distribution amount to each taxing district and the officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county (,) or city (OR SCHOOL DISTRICT) in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy. (SUCH TAXPAYER SHALL THEN PAY, AT THE TIMES PAYMENTS ARE REQUIRED TO BE MADE PURSUANT TO SECTION 298.27, AS THE AMOUNT OF TAX PAYABLE UNDER SECTION 298.24, THE GREATER OF (A) THE AMOUNT SHOWN BY SUCH ESTIMATE, OR (B) THE AMOUNT DUE UNDER SAID SECTION AS FINALLY DETERMINED BY THE COMMISSIONER OF REVENUE PURSUANT TO LAW. IF, AS A RESULT OF THE PAYMENT OF THE AMOUNT OF SUCH ESTIMATE, THE TAXPAYER HAS PAID IN ANY CALENDAR YEAR AN AMOUNT OF TAX IN EXCESS OF THE AMOUNT DUE IN SUCH YEAR UNDER SECTION 298.24, AFTER APPLICATION OF CREDITS FOR ANY EXCESS PAYMENTS MADE IN PREVIOUS YEARS, ALL AS DETERMINED BY THE COMMISSIONER OF REVENUE, THE TAXPAYER SHALL*

BE GIVEN CREDIT FOR SUCH EXCESS AMOUNT AGAINST ANY TAXES WHICH, UNDER SAID SECTION, MAY BECOME DUE FROM THE TAXPAYER IN SUBSEQUENT YEARS.) In any calendar year in which a general property tax levy subject to sections (275.125 OR) 275.50 to 275.59 has been made, if the taxes distributable to any such county (,) or city (OR SCHOOL DISTRICT) are greater than the amount estimated by the commissioner to be paid to any such county (,) or city (OR SCHOOL DISTRICT) in such year, the excess of such distribution shall be held in a special fund by the county (,) or city (OR SCHOOL DISTRICT) and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections (275.125 OR) 275.50 to 275.59, of such county (,) or city (OR SCHOOL DISTRICT) payable in such year. If the amounts distributable to any such county (,) or city (OR SCHOOL DISTRICT,) after final determination by the commissioner of revenue under this section are less than the amounts (INDICATED BY SUCH ESTIMATES) by which a taxing district's levies were reduced pursuant to this section, such county (,) or city (OR SCHOOL DISTRICT) may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections (275.125 OR) 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection trust fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually."

(b) [MAY WRITE GLASS INSURANCE.] Any company authorized to write workers' compensation or liability insurance under this subdivision when its articles of incorporation so provide shall be permitted to insure against loss or damage by breakage of glass located or in transit.

(b) [CLASSIFICATION OF RISKS.] The board of directors may divide the subscribers into groups in accordance with the nature of their business and the probable risk of injury therein. In such case they shall fix all premiums, make all assessments, and determine and pay all dividends by and for each group in accordance with the experience thereof, but all funds of the association and the contingent liability of all subscribers shall be available for the payment of any claim against the association; provided, that (as between the association and its subscribers) until the whole of the contingent liability of the members of any group shall be exhausted, the general funds of the association and the contingent liability of the members of

other groups shall not be available for the payment of losses and expenses incurred by such group in excess of the earned premiums paid by the members thereof.

(c) [CLASSIFICATION TO BE FILED.] A statement of any proposed distribution of subscribers into groups shall be filed with the insurance department.

(d) [RATES.] The board of directors shall determine the amount of premiums which the subscribers of the association shall pay for their insurance in accordance with the nature of the business in which the subscribers are engaged and the probable risk of injury to their employees under existing conditions, and it shall fix premiums at such amounts as in its judgment shall be sufficient to enable the association to pay to its subscribers all sums which may become due and payable to their employees under provisions of law and the expenses of conducting the business of the association. In fixing the premium payable by any subscriber, the board of directors may take into account the condition of the plant, workroom, shop, farm, or premises of the subscriber in respect to the safety of those employed therein as shown by the report of any inspector appointed by the board and it may from time to time change the amount of premiums payable by any of the subscribers as circumstances may require and the condition of the plant, workroom, shop, farm, or premises of the subscribers in respect to the safety of their employees may justify and may increase the premiums of any subscriber neglecting to provide safety devices required by law, or disobeying the rules or regulations made by the board of directors in accordance with the provisions of clause (4) (g) of this subdivision.

(e) [PREMIUMS; CONTINGENT LIABILITY.] Every such company shall charge and collect on each policy a premium equal to one year's premium on the policy issued and state in the policy the estimated annual premium and provide in its bylaws for the determination of the actual premium and for the payment of same when determined. The company shall provide in its bylaws and specify in its policies the maximum contingent mutual liability of its members for the payment of losses and expenses not provided for by its cash fund. The contingent liability of a member shall not be less than a sum equal and in addition to one annual premium, nor more than a sum equal to five times the amount of the annual premium or, in case of a policy written for less than one year, the contingent liability shall not be less than the proportionate fractional part of the annual premium, nor more than five times the proportionate fractional part of the annual premium. The contingent liability of the policyholder shall be plainly and legibly stated in each policy as follows: "The maximum contingent liability of the policyholder under this policy shall be a sum equal to annual premium (or premiums)."

(g) [POWER OF BOARD OF DIRECTORS.] The board of directors shall be entitled to inspect the plant, workroom, shop, farm, or premises of any subscriber and for this purpose to appoint inspectors, who shall have free access to all such premises during regular working hours, and the board of directors shall likewise from time to time be entitled to examine by their auditor or other agent the books, records, and payrolls of any subscribers for the purpose of determining the amount of premium chargeable to the subscriber.

The board of directors shall make reasonable rules and regulations for the prevention of injuries upon the premises of subscribers; and may refuse to insure, or may terminate the insurance of, any subscriber who refuses to permit these examinations and disregards such rules or regulations, and forfeit all premiums previously paid by him, but the termination of the insurance of any subscriber shall not release him from liability for the payment of assessments then or thereafter made by the board of directors to make up deficiencies existing at the termination of his insurance.

(h) [INVESTMENTS.] The association shall invest and keep invested all its funds of every description, excepting such cash as may be required in the transaction of its business, in accordance with the laws of this state or relating to the investment of funds of domestic insurance companies.

(3) consists of or comprises the flag or coat of arms or other insignia of the United States, or of any state or municipality, or of any foreign nation, or any simulation thereof; or

(4) consists of or comprises the name, signature or portrait of any living individual, except with his written consent; or

(5) consists of a mark which, (a) when applied to the goods or used to identify the services of the applicant, is merely descriptive or deceptively misdescriptive of them, or (b) when applied to the goods or used to identify the services of the applicant is primarily geographically descriptive or deceptively misdescriptive of them, or (c) is primarily merely a surname provided, however, that nothing in this subsection (5) shall prevent the registration of a mark used in this state by the applicant which has become distinctive of the applicant's goods or services. The secretary of state may accept as evidence that the mark has become distinctive, as applied to the applicant's goods or used to identify the services, proof of substantially exclusive and continuous use thereof as a mark by the applicant in this state for the five years next preceding the date of the filing of the application for registration; or

(6) consists of or comprises a mark which so resembles a mark registered in this state or a corporate or *limited partnership* name in use or reserved in this state by another, or a mark or trade name previously used in this state by another and not abandoned, as to be likely, when applied to the goods or used to identify the services of the applicant, to cause confusion or mistake or to deceive. *The secretary of state may require affidavits by both the applicant and by the holder of the previously registered name or mark in making this determination.*

Sec. 46. Minnesota Statutes 1982, section 333.21, subdivision 1, is amended to read:

Subdivision 1. Upon a finding by the secretary of state that the mark and application for registration comply with the requirements of sections 333.18 to 333.31, *and that the class indicated, if any, in which the mark is to be registered is not clearly incorrect*, he shall cause a certificate of registration to be issued and delivered to the applicant. The certificate of registration shall be issued under the signature of the secretary of state and the seal of the state, and shall show the registrant's name and business address and, if a corporation, the state of incorporation, the date claimed for the first use of the mark in this state, the class of goods or services and a description of the goods or services in connection with which the mark is used, a reproduction of the mark, the registration date and the term of the registration.

Sec. 47. Minnesota Statutes 1983 Supplement, section 336.9-401, is amended to read:

336.9-401 [PLACE OF FILING; ERRONEOUS FILING; REMOVAL OF COLLATERAL.]

(1) The proper place to file in order to perfect a security interest is as follows:

(a) When the collateral is consumer goods, or motor vehicles which are not (INVENTORY) *covered by a certificate of title*, then in the office of the county recorder in the county of the debtor's residence if the debtor is an individual who is a resident of this state but if the debtor is an individual who is not a resident of this state or is a corporation, partnership or other organization then in the office of the secretary of state;

(b) When the collateral is equipment to be used in farming operations, or farm products, or accounts or general intangibles arising from or relating to the sale of farm products by a farmer, or crops growing or to be grown, then in the office of the county recorder in the county of the debtor's residence if the debtor is an individual or organization with residence in this state, but if the debtor is not a resident of this state, then in the office of the secretary of state;

(c) When the collateral is timber to be cut or is minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or when the financing statement is filed as a fixture filing (section 336.9-313) and the collateral is goods which are or are to become fixtures, then in the office where a mortgage on the real estate would be filed or recorded;

(d) In all other cases, in the office of the secretary of state.

(2) A filing which is made in good faith in an improper place or not in all of the places required by this section is nevertheless effective with regard to any collateral as to which the filing complied with the requirements of this article and is also effective with regard to collateral covered by the financing statement against any person who has knowledge of the contents of such financing statement.

(3) A filing which is made in the proper place in this state continues effective even though the debtor's residence in this state or the use of the collateral, whichever controlled the original filing, is thereafter changed.

(4) The rules stated in section 336.9-103 determine whether filing is necessary in this state.

(5) Notwithstanding the preceding subsections, the proper place to file in order to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. Such a filing shall not be deemed a separate

filing from the filings required by other laws, if applicable, set forth in subsection (3) of section 336.9-302. This filing constitutes a fixture filing (section 336.9-313) as to the collateral described therein which is or is to become fixtures.

(6) For the purposes of this section, the residence of an organization is its place of business if it has one or its chief executive office if it has more than one place of business.

(7) "Motor vehicle" means any device propelled or drawn by any power other than muscular power in, upon, or by which any person or property is or may be transported or drawn upon a highway, excepting building and road construction equipment.

Sec. 48. Minnesota Statutes 1982, section 336.9-402, is amended to read:

336.9-402 [FORMAL REQUISITES OF FINANCING STATEMENT; AMENDMENTS; MORTGAGE AS FINANCING STATEMENT.]

(1) A financing statement is sufficient if it gives the name of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers crops growing or to be grown, the statement must also contain a description of the real estate concerned and the name of the record owner thereof. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or when the financing statement is filed as a fixture filing (section 336.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state.

(2) A financing statement which otherwise complies with subsection (1) is sufficient when it is signed by the secured party instead of the debtor when it is filed to perfect a security interest in

(a) collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing state-

ment must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances; or

(b) proceeds under section 336.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) collateral as to which the filing has lapsed *within one year*; or

(d) collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)); or

(e) *a personal service lien including but not limited to veterinarian, mechanic, attorney, male service animal, and processing farm products*; or

(f) *collateral which is subject to a filed judgment.*

(2a) *The reason for the omission of the debtor signature must be stated on the front of the financing statement.*

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor)

.....

Address

.....

Name of secured party (or assignee)

.....

Address

.....

1. This financing statement covers the following types (or items) of property:

(Describe)

.....

2. (If collateral is crops) The above described crops are growing or are to be grown on:

(Describe real estate and the name of the record owner thereof)

3. (If applicable) The above goods are to become fixtures on

(Describe real estate) and this financing statement is to be filed for record in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is

4. (If products of collateral are claimed)

Products of the collateral are also covered.

Use whichever signature line is applicable.

Signature of debtor (or assignor)
.....

Signature of secured party (or assignee)
.....

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. *If the sole purpose of the amendment is to change the name or address of the secured party, only the secured party need sign the amendment. A writing is sufficient if it sets forth the name and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment, the file number and date of filing of the financing statement.* An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or a financing statement filed as a fixture filing (section 336.9-313) where the debtor is not a transmitting utility, must show that it covers

this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner. No description of the real estate or the name of the record owner thereof is required for a fixture filing where the debtor is a transmitting utility. Notwithstanding the foregoing a general description of the real estate is sufficient for a fixture filing where a railroad is the record owner of the real estate on which the fixtures are or are to be located; and for the purposes of this subsection, the requirement of a general description is satisfied if the fixture filing (1) identifies the section, township and range numbers of the county in which the land is located; (2) identifies the quarter-quarter of the section that the land is located in; (3) indicates the name of the record owner of the real estate; and (4) states the street address of the real estate if one exists.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, and (d) the mortgage is duly recorded. No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

Sec. 49. Minnesota Statutes 1982, section 336.9-403, is amended to read:

336.9-403 [WHAT CONSTITUTES FILING; DURATION OF FILING; EFFECT OF LAPSED FILING; DUTIES OF FILING OFFICER.]

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) a filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later regardless of whether the financing statement filed as to that security interest is destroyed by the filing officer pursuant to subsection (3). Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six months prior to the expiration of the five year period specified in subsection (2). Any such continuation statement must be signed by the secured party, *set forth the name and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment*, identify the original statement by file number *and filing date*, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if he physically destroys the financing

statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained. If insolvency proceedings are commenced by or against the debtor, the secured party shall notify the filing officer both upon commencement and termination of the proceedings, and the filing officer shall not destroy any financing statements filed with respect to the debtor until termination of the insolvency proceedings. The security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five year period, whichever occurs later.

(4) Except as provided in subsection (7) a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The secretary of state shall prescribe uniform forms for statements and samples thereof shall be furnished to all filing officers in the state. The uniform fee for filing and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement shall be \$5 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$10, plus in each case, if the financing statement is subject to subsection (5) of section 336.9-402, \$5. An additional fee of \$5 shall be collected if more than one name is required to be indexed or if the secured party, at his option, shows a trade name for any debtor listed. There shall be no fee collected for the filing of an amendment to a financing statement if the amendment is in the standard form prescribed by the secretary of state and (OTHERWISE IT SHALL BE \$5) *does not add additional debtor names to the financing statement. The fee for an amendment adding additional debtor names shall be \$5 if the amendment is in the form prescribed by the secretary of state and, if otherwise, \$10. The fee for an amendment which is not in the form prescribed by the secretary of state but which does not add additional names shall be \$5.*

(6) If the debtor is a transmitting utility (subsection (5) of section 336.9-401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subsection (6) of section 336.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or is filed as a

fixture filing, it shall be filed for record and the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or, for filing offices other than the secretary of state, where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described. If requested of the filing officer on the financing statement, a financing statement filed for record as a fixture filing in the same office where nonfixture filings are made is effective, without a dual filing, as to collateral listed thereon for which filing is required in such office pursuant to section 336.9-401 (1) (a); in such case, the filing officer shall also index the recorded statement in accordance with subsection (4) using the recording data in lieu of a file number.

(8) The fees provided for in this article shall supersede the fees for similar services otherwise provided for by law except in the case of security interests filed in connection with a certificate of title on a motor vehicle.

Sec. 50. Minnesota Statutes 1982, section 336.9-404, is amended to read:

336.9-404. [TERMINATION STATEMENT.]

(1) If a financing statement covering consumer goods is filed on or after January 1, 1977, then within one month or within ten days following written demand by the debtor after there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must file with each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement (**WHICH SHALL BE IDENTIFIED BY FILE NUMBER**). *The termination statement must set forth the name and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment; identify the original financing statement by file number and filing date; and be signed by the secured party.* In other cases whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, which shall be identified by file number. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed

by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. If the affected secured party fails to file such a termination statement as required by this subsection, or to send such a termination statement within ten days after proper demand therefor he shall be liable to the debtor for \$100, and in addition for any loss caused to the debtor by such failure.

(2) On presentation to the filing officer of such a termination statement he must note it in the index. If he has received the termination statement in duplicate, he shall return one copy of the termination statement to the secured party stamped to show the time of receipt thereof. If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one year after receipt of the termination statement.

(3) There shall be no fee collected for the filing of a termination if the termination statement is in the standard form prescribed by the secretary of state and otherwise shall be \$5, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1).

Sec. 51. Minnesota Statutes 1982, section 336.9-405, is amended to read:

336.9-405. [ASSIGNMENT OF SECURITY INTEREST; DUTIES OF FILING OFFICER; FEES.]

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the financing statement by indication in the financing statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face (OR BACK) of the statement. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in section 336.9-403(4). The uniform fee for filing, indexing, and furnishing filing data for a financing statement so indicating an assignment shall be the same as the fee prescribed in section 336.9-403, clause (5).

(2) A secured party (MAY ASSIGN) of record *may assign* all or a part of his rights under a financing statement by the filing in the place where the original financing statement was filed of a separate written statement of assignment signed by the secured party of record (AND), setting forth the name *and address* of the secured party of record and the debtor *as those items appear on the original financing statement or the most recently filed amendment, identifying* the file number and the

date of filing of the financing statement, (AND THE) *giving the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of the filing. He shall note the assignment on the index of the financing statement, or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee. The uniform fee for filing, indexing, and furnishing filing data about such a separate statement of assignment shall be \$5 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$10, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1). An additional fee of \$5 shall be charged if there is more than one name against which the statement of assignment is required to be indexed. Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of section 336.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than Laws 1976, chapter 135.*

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

Sec. 52. Minnesota Statutes 1982, section 336.9-406, is amended to read:

336.9-406 [RELEASE OF COLLATERAL; DUTIES OF FILING OFFICER; FEES.]

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor (, THE NAME) and (ADDRESS OF THE) secured party *as those items appear on the original financing statement or the most recently filed amendment, and (THE FILE NUMBER OF) identifies the original financing statement by file number and filing date.* A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon presenta-

tion of such a statement of release to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. There shall be no fee for filing and noting such a statement of release if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$5, plus in each case, if the original financing statement was subject to subsection (5) of section 336.9-402, the fee prescribed by section 357.18, subdivision 1, clause (1).

Sec. 53. Minnesota Statutes 1982, section 362A.01, subdivision 1, is amended to read:

Subdivision 1. Any county or combination of counties by resolution of the county board or boards may establish a rural development financing authority as a public nonprofit corporation with the same powers and duties as those conferred and imposed on a private nonprofit corporation by chapter 317, and all present and future laws amending or supplementing that chapter, except as otherwise or additionally provided herein. No such authority shall transact any business or exercise any powers until a certified copy of the resolutions of each participating county board has been submitted to the secretary of state and a certificate of incorporation issued pursuant to section 317.10. *Each resolution shall include all of the provisions required by section 317.08, subdivision 2.*

Sec. 54. Minnesota Statutes 1982, section 365.46, is amended to read:

Each county auditor shall within 30 days after any such town is organized transmit by mail to the commissioner of revenue, the secretary of state, the state demographer, the land management

information center, the Minnesota municipal board, and the commissioner of transportation an abstract of such report, giving the name and boundaries of such town and record in a book kept for that purpose a full description of each such town.

Sec. 56. Minnesota Statutes 1983 Supplement, section 507.09, is amended to read:

Such forms shall be kept on file with and be preserved by the (SECRETARY OF STATE) *commissioner of commerce* as a public record. The commissioner of securities and real estate may appoint an advisory task force on uniform conveyancing forms to recommend to the commissioner of securities and real estate amendments to existing forms or the adoption of new forms. The task force shall expire, and the terms, compensation, and removal of members shall be as provided in section 15.059. The commissioner of securities and real estate may adopt amended or new forms consistent with the laws of this state by rule in accordance with chapter 14.

Sec. 57. Minnesota Statutes 1982, section 507.10, is amended to read:

Each county recorder and each judge of probate shall thereafter preserve one such certified copy on file in their respective offices for the convenient use of the public.

Sec. 58. Minnesota Statutes 1982, section 540.152, is amended to read:

540.152 [SERVICE OF PROCESS ON UNIONS, GROUPS OR ASSOCIATIONS.]

The transaction of any acts, business or activities within the state of Minnesota by any officer, agent, representative, employee or member of any union or other groups or associations having officers, agents, members or property without the state on behalf of the union or other groups or associations or any of its members or affiliated local unions shall be deemed an appointment by the union or other groups or associations of the secretary of state of the state of Minnesota to be the true and lawful attorney of the union or other groups or associations, upon whom may be served all legal processes or notices in any action or proceeding against or involving the union or other groups or associations growing out of any acts, business or activities within the state of Minnesota resulting in damage or loss to person or property or giving rise to any cause of action under the laws of the state of Minnesota or to any matters or proceedings arising under the Minnesota Labor Relations Act. Such acts, business or activities shall be a signification of the agreement of the union or other groups or associations and its members that any process or notice in any action, matter or proceeding against or involving it, which is so served, shall be of the same legal force and validity as if served upon the union or other groups or associations and its members personally. Service of process or notice shall be made by filing a copy thereof in the office of the secretary of state, together with payment of a fee of \$15 and together with an affidavit *stating* that no officer or managing agent of the union or other group or association has been found in this state *and setting forth an address to which the service shall be forwarded*. The service shall be sufficient service upon the union or other groups or associations and its members. 543.08 [SUMMONS, SERVICE UPON CERTAIN CORPORATIONS.]

personal service upon the corporation. One of the copies shall be filed by the secretary, and the other forthwith mailed by him to the corporation by certified mail, if the place of its main office is known to him or is disclosed by the files of his office.

Greenfield moved to amend S. F. No. 1628, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 245.783, is amended by adding a subdivision to read:

Subd. 7. When issuing new licenses pursuant to this section, the commissioner shall implement a policy preference for residential facilities serving less than 17 individuals who are mentally retarded.

Sec. 2. Minnesota Statutes 1982, section 245.812, is amended by adding a subdivision to read:

Subd. 2a. It is the policy of this state that handicapped persons and children should not be excluded by municipal zoning ordinances or other land use regulations from the benefits of normal residential surroundings.

Sec. 3. Minnesota Statutes 1982, section 245.812, subdivision 3, is amended to read:

Subd. 3. A licensed residential facility serving six or fewer persons or a licensed day care facility serving (TEN) 12 or

fewer persons shall be considered a permitted single family residential use of property for the purposes of zoning.

Sec. 4. Minnesota Statutes 1982, section 245.812, subdivision 4, is amended to read:

Subd. 4. (UNLESS OTHERWISE PROVIDED IN ANY TOWN, MUNICIPAL OR COUNTY ZONING REGULATION,) A licensed (DAY CARE OR) residential facility serving from seven through sixteen persons or a licensed day care facility serving from 13 to 16 persons shall be considered a permitted multi-family residential use of property (FOR PURPOSES OF ZONING) if otherwise permitted by local zoning regulations applicable to all uses within the district including requirements concerning population density and distribution. A township, municipal or county zoning authority may require a conditional use or special use permit in order to assure proper health, safety, maintenance and operation of a facility, provided that no conditions shall be imposed on the homes which are more restrictive than those imposed on other conditional uses or special uses of residential property in the same zones (, UNLESS SUCH ADDITIONAL CONDITIONS ARE NECESSARY TO PROTECT THE HEALTH AND SAFETY OF THE RESIDENTS OF THE FACILITY. NOTHING HEREIN SHALL BE CONSTRUED TO EXCLUDE OR PROHIBIT RESIDENTIAL HOMES FROM SINGLE FAMILY ZONES IF OTHERWISE PERMITTED BY A LOCAL ZONING REGULATION). *The zoning authority may require a periodic review of the permit if required of all conditional use or special use permits. Residential facilities may not be excluded or prohibited from any zoning district or subjected to more restrictive standards than other uses within the district solely on the basis of the nature of the disabilities or other characteristics of the persons served by a facility.*

Sec. 5. Minnesota Statutes 1982, section 245.812, subdivision 7, is amended to read:

Subd. 7. (a) Residential facilities for adult mentally ill persons established on or before July 1, 1980, are exempt from the requirements of this section until July 1, (1984) 1985. (THE COMMISSIONER SHALL DEVELOP A MECHANISM FOR ENSURING FULL COMPLIANCE WITH THIS SECTION BY RESIDENTIAL FACILITIES FOR ADULT MENTALLY ILL PERSONS BY JULY 1, 1984.)

(b) *Before January 1, 1985, each county having one or more group residential facilities within 1,320 feet of any existing group residential facility shall submit to the department of public welfare a plan to promote dispersal of group residential facilities. In formulating its plan, the county shall solicit the participation of affected persons, facilities, municipalites having highly concentrated residential facility populations, and advocacy groups. For purposes of this subdivision, "highly concen-*

trated" means having a population in residential facilities serving seven or more persons that exceeds one-half of one percent of the population of a recognized planning district or other administrative subdivision.

(c) Within 45 days after submission of the plan by the county, the commissioner shall certify whether the plan fulfills the purposes and requirements of this subdivision including the following requirements.

(1) No new facility serving seven or more persons shall be located in any recognized planning district or other administrative subdivision where the population in residential facilities is highly concentrated.

(2) The county plan shall promote dispersal of highly concentrated residential facility populations.

(3) The county plan shall promote the development of residential facilities in areas that are not highly concentrated.

(4) No person in a residential facility shall be displaced as a result of this section until a relocation plan has been implemented that provides for an acceptable alternative placement.

(5) If the plan provides for the relocation of residential facilities, the relocation shall be completed by January 1, 1990.

If the commissioner certifies that the plan does not do so, he shall state the reasons, and the county shall have 30 days to submit a plan amended to comply with the requirements of the commissioner.

"Sec. 3. Minnesota Statutes 1982, section 168.33, subdivision 2, is amended to read:

Subd. 2. [POWERS.] The registrar shall have the power to appoint, hire and discharge and fix the compensation of the necessary employees, in the manner provided by law, as may be required to enable him to properly carry out the duties imposed upon him by the provisions of this chapter. As of April 14, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, without regard to whether the county auditor of the county in which the city is situated has been appointed as the deputy registrar for the county or has been discontinued as the deputy registrar for the county, and without regard to whether the county in which the city is situated has established a county license bureau which issues motor vehicle licenses as provided in section 373.32.

Effective August 1, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, if the auditor for the county in which the city is situated chooses not to accept appointment as the deputy registrar for the county or is discontinued as a deputy registrar, or if the county in which the city is situated has not established a county license bureau which issues motor vehicle license as provided in section 373.32. Any person appointed by the registrar as a deputy registrar for any city shall be a resident of the county in which the city is situated.

The registrar may appoint, and for cause discontinue, the county auditor of each county as a deputy registrar. *Upon approval of the county board*, the auditor, with the approval of the director of motor vehicles, may appoint, and for cause discontinue, the clerk or equivalent officer of each city or any other person as a deputy registrar as public interest and convenience may require, regardless of his county of residence. Notwithstanding any other provision, a person other than a county auditor or a director of a county license bureau, who was appointed by the registrar before August 1, 1976, as a deputy registrar for any city, may continue to serve as deputy registrar and may be discontinued for cause only by the registrar. The county auditor shall be responsible for the acts of deputy registrars appointed by him. Each such deputy, before entering upon the discharge of his

duties, shall take and subscribe an oath to faithfully discharge his duties and to uphold the laws of the state. If a deputy registrar appointed hereunder is not an officer or employee of a county or city, such deputy shall in addition give bond to the state in the sum of \$10,000, or such larger sum as may be required by the registrar, conditioned upon the faithful discharge of his duties as deputy registrar. Each deputy registrar appointed hereunder shall keep and maintain, in a convenient public place within the place for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the registrar as that officer, from time to time, may require. Such records shall be maintained at the facility of the deputy registrar. The records and facilities of the deputy registrar shall at all times be open to the inspection of the registrar or his agents. He shall report daily to the registrar all registrations made and taxes and fees collected by him. The filing fee imposed pursuant to subdivision 7 shall be deposited in the treasury of the place for which he is appointed, or if such deputy is not a public official, he shall retain the filing fee, but the registration tax and any additional fees for delayed registration he has collected he shall deposit each day in an approved state depository to the credit of the state through the state treasurer. The place for which the deputy registrar is appointed through its governing body shall provide the deputy registrar with facilities and personnel to carry out the duties imposed by this subdivision if such deputy is a public official. In all other cases, the deputy shall maintain a suitable facility for serving the public."

We, the undersigned conferees for H. F. No. 1427, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1427 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 3.082, is amended to read:

3.082 [MEMBERS' EMPLOYMENT; CONTINUATION.]

Any member of the legislature of the state of Minnesota who held a position, other than a temporary position, in the employ of any private employer in Minnesota at the commencement of his service in any legislative session, who makes application for reemployment not later than 30 days after the last legislative day in each calendar year, shall be continued in or restored to such position, or to a position of like seniority, status and pay. *Retirement benefits under an employer-sponsored pension or retirement plan shall not be reduced by reason of time spent in legislative service.*

Sec. 2. Minnesota Statutes 1983 Supplement, section 69.77, subdivision 2, is amended to read:

Subd. 2. The penalty provided for in subdivision 1 shall not apply to a relief association enumerated in subdivision 1a if the following requirements are met:

(1) Each member of the relief association pays into the special fund of the association during a year of covered service, a contribution for retirement coverage including survivorship benefits of not less than eight percent of the maximum rate of salary upon which retirement coverage is credited and service pension and retirement benefit amounts are determined. The member contributions shall be made by payroll deduction from the salary of the member by the municipality, and shall be transmitted by the municipality to the relief association as soon as practical. The relief association shall deposit the member contribution to the credit of the special fund of the relief association. The member contribution requirement specified in this clause shall not apply to any members who are volunteer firefighters.

(2) The officers of the relief association determine the financial requirements of the relief association and minimum obligation of the municipality for the following calendar year in accordance with the requirements of this clause. The financial requirements of the relief association and the minimum obligation of the municipality shall be determined on or before the submission date established by the municipality pursuant to clause (3).

The financial requirements of the relief association for the following calendar year shall be based on the most recent actuarial valuation or survey prepared in accordance with sections 356.215, subdivision 4 and 356.216, as required pursuant to clause (8). In the event that an actuarial estimate is prepared by the actuary of the relief association as part of obtaining a modification of the benefit plan of the relief association and the modification is implemented, the actuarial estimate shall be used in calculating the financial requirements of the relief association.

If the relief association has an unfunded accrued liability as reported in the most recent actuarial valuation or survey, the total of the amounts calculated pursuant to clauses (a) and (b) shall constitute the financial requirements of the relief association for the following year. If the relief association does not have an unfunded accrued liability as reported in the most recent actuarial valuation or survey the amount calculated pursuant to subclause (a) shall constitute the financial requirements of the relief association for the following year.

(a) The normal level cost requirement for the following year, expressed as a dollar amount, which shall be determined by applying the normal level cost of the relief association as reported in the actuarial valuation or survey and expressed as a percentage of covered payroll to the estimated covered payroll of the active membership of the relief association, including any projected increase in the active membership, for the following year.

(b) To the dollar amount of normal cost thus determined shall be added an amount equal to the level annual dollar amount which is sufficient to amortize the unfunded accrued liability by December 31, 2010, as determined from the actuarial valuation or survey of the fund, using an interest assumption set at the rate specified in section 356.215, subdivision 4, clause (4). The amortization date specified in this subclause shall apply to all local police or salaried firefighters relief associations and shall supersede any amortization date specified in any applicable special law.

The minimum obligation of the municipality shall be an amount equal to the financial requirements of the relief association reduced by the estimated amount of member contributions from covered salary anticipated for the following calendar year and the estimated amounts from the applicable state aid program established pursuant to sections 69.011 to 69.051 anticipated as receivable by the relief association after any allocation pursuant to section 69.031, subdivision 5, clause (2), subclause (c) or 423A.01, subdivision 2, clause (6), and from the local police and salaried firefighters' relief association amortization aid program established pursuant to section 423A.02 anticipated for the following calendar year.

(3) The officers of the relief association shall submit determination of the financial requirements of the relief association and of the minimum obligation of the municipality to the governing body on or before the date established by the municipality which shall not be earlier than August 1 and shall not be later than September 1 of each year. The governing body of the municipality shall ascertain whether or not the determinations were prepared in accordance with law.

(4) The municipality shall provide for and shall pay each year at least the amount of the minimum obligation of the municipality to the relief association. If there is any deficiency in the municipal payment to meet the minimum obligation of the municipality as of the end of any calendar year, the amount of the deficiency shall be added to the minimum obligation of the municipality for the following year calculated pursuant to clause (2) and shall include interest at the rate of six percent per annum compounded from the date that the municipality was required to make payment pursuant to this clause until the date that the municipality actually makes the required payment.

(5) The municipality shall provide in the annual municipal budget for at least the minimum obligation of the municipality calculated pursuant to clause (2). The municipality may levy taxes for the payment of the minimum obligation of the municipality without any limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of the special fund or any fund of the relief association has attained a specified

minimum asset level. In addition, any taxes levied pursuant to this section shall not cause the amount or rate of other taxes levied in that year or to be levied in a subsequent year by the municipality which are subject to a limitation as to rate or amount to be reduced. If the municipality does not include the full amount of the minimum obligation of the municipality in the levy that the municipality certified to the county auditor in any year, the officers of the relief association shall certify the amount of any deficiency to the county auditor. Upon verifying the existence of any deficiency in the levy certified by the municipality, the county auditor shall spread a levy over the taxable property of the municipality in the amount of the deficiency certified to by the officers of the relief association.

(6) Any sums of money paid by the municipality to the relief association in excess of the minimum obligation of the municipality in any year shall be used to amortize any unfunded liabilities of the relief association.

(7) The funds of the association shall be invested in securities which are proper investments pursuant to section 11A.24, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the (THREE) *five* percent stock limitation specified in section 11A.24, subdivision 5 would necessitate a lesser investment. *Notwithstanding the foregoing, up to 75 percent of the market value of the assets of the fund may be invested in open-end investment companies registered under the federal Investment Company Act of 1940, if the portfolio investments of the investment companies comply with the type of securities authorized for investment by section 11A.24, subdivisions 2 to 5.* The association may also invest funds in Minnesota situs nonfarm real estate ownership interests or loans secured by mortgages or deeds of trust, provided that the amount of all investments in real property shall not exceed ten percent of the market value of the association's fund. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board under the provisions of section 11A.17, provided that there be no limit to the amount which may be invested in the income share account, in the bond account, or in the fixed-return account, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental investment fund may be invested in the growth share account.

(8) The association shall procure an actuarial valuation showing the condition of the special fund of the relief association pursuant to sections 356.215 and 356.216 as of December 31 of every year. A copy of the actuarial survey shall be filed with the director of the legislative reference library, the gov-

erning body of the municipality in which the association is organized, the executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

Sec. 3. Minnesota Statutes 1982, section 69.775, is amended to read:

69.775 [INVESTMENTS.]

The special fund assets of the relief associations governed by sections 69.771 to 69.776 shall be invested in securities which are proper investments pursuant to section 11A.24, except that up to five percent of the special fund assets, or a minimum of \$10,000, may be invested in the stock of any one corporation. *Notwithstanding the foregoing, up to 75 percent of the market value of the assets of the fund may be invested in open-end investment companies registered under the federal Investment Company Act of 1940, if the portfolio investments of the investment companies comply with the type of securities authorized for investment by section 11A.24, subdivisions 2 to 5.* Securities held by the associations before January 1, 1972, which do not meet the requirements of this section may be retained after that date if they were proper investments for the association on May 14, 1971. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board under the provisions of section 11A.17, provided that there be no limit to the amount which may be invested in the income share account, in the bond account, or in the fixed-return account, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental investment fund may be invested in the growth share account.

Sec. 4. Minnesota Statutes 1982, section 136.82, subdivision 1, is amended to read:

Subdivision 1. The executive director of the teachers retirement fund shall redeem shares in the accounts of the Minnesota supplemental retirement investment fund standing in an employee's share account record under the following circumstances, but always in accordance with the laws and regulations governing the Minnesota supplemental retirement investment fund:

(1) When requested to do so in writing on forms provided by the executive director of the teachers retirement fund by a person having shares to the credit of the employee's share account record, if the person is (65) 60 years of age or older and is no longer employed by the state university board or state board for community colleges. In such case the person shall receive the cash realized on the redemption of the shares. The person may direct the redemption of not more than 20 percent of the

person's shares in the employee's share account record in any one year and may not direct more than one redemption in any one calendar month; provided, however, that the state university board in the case of a person employed by the state university board, and the state board for community colleges in the case of a person employed by the state board for community colleges, may, upon application, in their sole discretion, permit greater withdrawals in any one year.

(2) When requested to do so in writing on forms provided by the executive director of the teachers retirement fund by a person having shares to the credit of the employee's share account record, if the person has left employment by the state university board or state board for community colleges because of a total and permanent disability as defined in section 354.05, subdivision 14, and if the executive director of the teachers retirement fund finds that the person is totally and permanently disabled and will as a result be unable to return to similar employment, the person shall receive the cash realized on the redemption of the shares. The person may direct the redemption of not more than 20 percent of the shares in the employee's share account record in any one year and may not direct more than one redemption in any one calendar month; provided, however, that the state university board in the case of a person employed by the state university board, and the state board for community colleges in the case of a person employed by the state board for community colleges, may, upon application, in their sole discretion, permit greater withdrawals in any one year. If the person returns to good health, the person shall owe no restitution to the state or any fund created by its laws for a redemption directed pursuant to this paragraph.

In that case the surviving spouse shall receive the cash realized from the redemption of the shares. Upon the death of the surviving spouse any shares remaining in the employee's share account record shall be redeemed by the executive director of the teachers retirement fund and the cash realized therefrom distributed to the estate of the surviving spouse.

(4) In the event of the death of a person having shares to the credit of the employee's share account record and leaving no surviving spouse, then the executive director of the teachers retirement fund shall redeem all shares to the credit of the employee's share account record and pay the cash realized therefrom to the estate of the deceased person.

(5) When requested to do so in writing on forms provided by the executive director of the teachers retirement fund by a person having shares to the credit of the employee's share account record, if the person is no longer employed by the state university board or state board for community colleges, but does not qualify under the provisions of paragraphs (1) to (4). In that case one-half of the cash realized on the redemption of shares shall be received by the person and one-half shall become the property of the supplemental retirement plan account of the teachers retirement fund. Annually on July 1 the cancellations of the previous 12 months shall be prorated among the employees share accounts in proportion to the value which each account bears to the total value of all share accounts.

[APPLICATION; ACCRUAL OF BENEFITS.] An employee making claim for a total and permanent disability benefit shall file a written application therefor in the office of the system in a form and manner prescribed by the executive director. The election of an optional annuity shall be made prior to the commencement of payment of the disability benefit and shall be effective (30 DAYS AFTER RECEIPT OF THE ELECTION OR) the date on which the disability begins to accrue as provided in subdivision 2 (, WHICHEVER OCCURS LATER. UPON BECOMING EFFECTIVE, THE OPTIONAL ANNUITY SHALL BEGIN TO ACCRUE ON THE SAME DATE AS PROVIDED FOR THE DISABILITY BENEFIT).

Sec. 7. Minnesota Statutes 1983 Supplement, section 352.115, subdivision 8, is amended to read:

Subd. 8. [ACCRUAL OF ANNUITY.] State employees shall make application for an annuity but such application shall not be made more than 60 days prior to the time the employee is eligible to retire by reason of both age and service requirements. If the director determines an applicant for annuity has fulfilled all the requirements of the law to entitle him to an annuity, he shall authorize payment thereof in accordance with the provisions of this chapter and payment shall be made pursuant to this authorization. An annuity shall begin to accrue no earlier than 60 days prior to the date the application is filed with the director (EXCEPT THAT IF AN OPTIONAL ANNUITY AS PROVIDED IN SECTION 352.116, SUBDIVISION 3 IS SELECTED THE ANNUITY SHALL BEGIN TO ACCRUE 30 DAYS AFTER THE APPLICATION IS FILED WITH THE DIRECTOR), but in no event prior to the day following the termination of state service or prior to the day the employee is eligible to retire by reason of both age and service requirements. (4) After June 30, 1974 there shall be no new participants in this program.

(5) Effective July 1, 1978, no future employee and employer contributions shall be credited to any accounts in the variable annuity division unless the member elects continued participation in the variable annuity division pursuant to section 354.621.

Sec. 12. Minnesota Statutes 1983 Supplement, section 356.61, is amended to read:

356.61 [LIMITATION ON PUBLIC EMPLOYEE RETIREMENT ANNUITIES.]

Notwithstanding any provision of law, bylaws, articles of incorporation, retirement and disability allowance plan agreements or retirement plan contracts to the contrary, no person who has pension or retirement coverage by a public pension plan shall be entitled to receive a monthly retirement annuity or disability benefit which, at the time of commencement of the retirement annuity or disability benefit, exceeds the lesser of:

(a) the amount of the final monthly salary of the person; or

(b) one-twelfth of the amount of the annual benefit permitted by the terms of section 415 of the Internal Revenue Code with respect to a participant in a plan qualified under section 401(a) of the Internal Revenue Code, as amended through December 31, 1982.

The benefit limitation of clause (b) is to be determined on the date the benefit is initially payable or on the date the employee terminated employment, if earlier. The benefit limitation on any date is the benefit limitation for the limitation year in which the date occurs. The limitations apply only to the annual benefit which is derived from employer contributions. Mandatory and voluntary employee contributions, if any, are treated as a separate defined contribution plan maintained by the employer which is subject to the limitations placed on annual additions to defined contribution plans.

The maximum annual benefit of clause (b) for any limitation year is the lesser of (1) or (2) below:

(1) *A dollar limitation of \$90,000, adjusted as of January 1 of each calendar year to the dollar limitation as determined for that year by the commissioner of Internal Revenue. The amount determined for any year will apply to limitation years ending with or within that calendar year.*

(2) *A compensation limitation of 100 percent of the average of compensation paid or made available to the participant by the employer during those three consecutive calendar years of employment, or actual number of consecutive calendar years of employment if employed less than three consecutive years, which*

give the highest average. Compensation means any compensation which is includable in the employee's gross income.

A benefit shall be deemed not to exceed the maximum benefit limitation of clause (b) if:

(1) the retirement benefits payable under the plan and under any other defined benefit plans of the employer do not exceed the \$10,000 limit set in section 415(b)(4) of the Internal Revenue Code for the plan year, or for any prior plan year, and

(2) the employer has not at any time maintained a defined contribution plan in which the employee participated.

A public pension plan is any Minnesota public pension plan or fund which provides pension or retirement coverage for public employees other than volunteer firefighters, including any plan or fund enumerated in sections 356.20, subdivision 2, or 356.30, subdivision 3, any local police or firefighter's relief association to which section 69.77 applies, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained or supported by any governmental subdivision or public body whose revenues are derived from taxation, fees, assessments or from other public sources. Final monthly salary is the hourly rate of compensation received by the person on account of the most recent public employment for the final pay period occurring prior to retirement multiplied by 174.

The figure for the monthly retirement annuity or disability benefit to be used for the calculation of this limitation shall not include any reduction or adjustment required for retirement prior to the normal retirement age or required for the election of an optional annuity.

If the figure for the monthly retirement annuity or disability benefit exceeds the limit contained in this section, the annuity or benefit payable shall be reduced appropriately.

The managing board of each public pension plan from which a retirement annuity or disability benefit is payable shall, at the time that the retirement annuity or disability benefit commences, contact all other public pension plans to determine whether or not the recipient of the retirement annuity or disability benefit is also receiving or is entitled to receive a retirement annuity or disability benefit from any other public pension plan. If a person is entitled to receive or is receiving a retirement annuity or disability benefit from more than one public pension plan, all retirement annuities or disability benefits from all public pension plans shall be totalled in determining whether or not the limitation shall apply; provided however, that the limitation shall be based on the highest final monthly salary received by the individual from any plan. Any reduction in the amount of

the retirement annuity or disability benefit required pursuant to this section shall be made by the public pension plan which provided retirement coverage for the most recent period of service.

Sec. 13. Minnesota Statutes 1982, section 422A.18, subdivision 3, is amended to read:

Subd. 3. Payment of any disability allowance authorized by sections 422A.01 to 422A.25, shall commence (FIVE) *three* months after date of application provided that the applicant has not been restored to duty. Such payment shall be retroactive to date of application and shall continue throughout the full period of the disability subject to the same optional selections as are provided for service allowances; provided that when a disability beneficiary shall have attained the minimum age for retirement on a service allowance the disability allowance shall be discontinued only as provided by the terms of the option selected. Any employee eligible for a disability allowance who is also entitled to an allowance under a workers' compensation act and/or resumes a gainful occupation shall be entitled to receive during the period of such compensation only that portion of the retirement allowance provided by this act which when added to such additional compensation does not exceed the salary of the employee at the time of disability.

Sec. 14. [423A.20] [VESTING UPON LAYOFF.]

Notwithstanding any general or special law to the contrary, if a member of a salaried firefighters relief association with ten or more years of service is laid off and replaced with a volunteer firefighter, the member shall be entitled to receive a pro rata monthly benefit. For purposes of this section, "laid off" means terminated from employment with the fire department because of a shortage of funds or curtailment of service or for any other reason not reflecting discredit on the member beyond the member's control.

The retirement benefit is to commence at the later of either the minimum age for retirement or the date at which the member would have accumulated the minimum number of years of service for retirement if the member had remained on duty.

The pro rata benefit shall be calculated by multiplying the amount of the benefit payable to a member who met the minimum age and years of service requirements for a normal pension by the ratio of the laid off member's actual years of service to the minimum years of service required for retirement. The initial benefit payable shall be subject to the same post retirement adjustments as other benefits payable from the relief association.

Sec. 15. Minnesota Statutes 1982, section 424.24, subdivision 2, is amended to read:

Subd. 2. (a) "Surviving spouse" means a person who became the member's legally married spouse during or prior to the time the member was on the payroll of any such fire department as a firefighter, and remained such continuously after their marriage until the member's death, without having been granted a marriage dissolution or legal separation, and who, in case the deceased member was a service or deferred pensioner, was legally married to the member for at least (THREE YEARS) *one year* prior to the member's retirement from the fire department; and who, in any case, was residing with the member at the time of the member's death. No temporary absence for purposes of business, health or pleasure shall constitute a change of residence for purposes of this clause.

(b) "Surviving child" means any child of the member living while the deceased member was on the payroll of the fire department, or who were born within nine months after the deceased member was withdrawn from the payroll of the fire department.

Sec. 16. Minnesota Statutes 1982, section 490.124, subdivision 3, is amended to read:

Subd. 3. [EARLY RETIREMENT.] The retirement annuity provided by subdivision 1 of any judge electing to retire at an early retirement date shall be reduced by (1/15TH FOR EACH FULL YEAR OR FRACTION THEREOF) *one-half of one percent per month* from his retirement date to normal retirement date.

Sec. 17. Minnesota Statutes 1982, section 490.129, is amended to read:

490.129 [BENEFITS OFFSET.]

Upon any event of maturity of benefits for any judge referred to in section 355.392, subdivision 1, clause (b), (OR FOR THE JUDGE'S SURVIVING SPOUSE OR DEPENDENT CHILDREN,) the amount payable from the judges' retirement fund shall be reduced by 75 percent of the amount of the judge's primary benefit payable upon the event of maturity of benefits under the social security act.

Upon any event of maturity of benefits for the judge's surviving spouse or dependent children under section 490.124, subdivision 9, the amount payable from the judges' retirement fund shall be based (a) on the judge's normal retirement annuity or (b) upon the event of maturity of benefits under the social security act, on the judge's normal retirement annuity after reduction by 75 percent of the amount of the judge's primary benefit under the social security act; provided that the surviving spouse or dependent children shall receive an annuity of not less than 25 percent of the judge's final average compensation.

Sec. 18. [BUHL POLICE RETIREMENT BENEFITS.]

Notwithstanding the limitation contained in Minnesota Statutes, section 423.55 or any other law, the bylaws of the Buhl police relief association may be amended to provide for the payment of a service pension equal to 65 percent of the monthly base pay of a member at the time of retirement from the police department. All other provisions of section 423.55 shall apply to the extent not inconsistent with this section.

Sec. 19. Laws 1980, chapter 600, section 17, is amended to read:

Sec. 17. [RETIREMENT COVERAGE FOR CERTAIN ST. LOUIS PARK POLICE OFFICERS.] Notwithstanding any provision of Minnesota Statutes, Section 353.64, Subdivision 1, or any other general or special law or rule to the contrary, a person who was employed by the city of St. Louis Park as a police officer during the period from September of 1967 through July of 1977 shall upon (1) (REEMPLOYMENT AS A ST. LOUIS PARK POLICE OFFICER AND (2)) repayment of employee contributions previously refunded to him plus interest on the refund amount at the rate of six percent per annum compounded annually from the date the refund was taken until the date the refund was repaid and ((3)) (2) the completion of additional service sufficient to total ten years or more, or upon completion of at least six years of additional service to the city in a capacity other than that of police officer, be entitled to (TRANSFER ALL ALLOWABLE SERVICE CREDIT IN) a service pension from the St. Louis Park police relief association (TO THE PUBLIC EMPLOYEES POLICE AND FIRE FUND) based upon ten years of service. Subd. 8. [ACCRUAL OF ANNUITY.] State employees shall make application for an annuity but such application shall not be made more than 60 days prior to the time the employee is eligible to retire by reason of both age and service requirements. If the director determines an applicant for annuity has fulfilled all the requirements of the law to entitle him to an annuity, he shall authorize payment thereof in accordance with the provisions of this chapter and payment shall be made pursuant to this authorization. An annuity shall begin to accrue no earlier

than 60 days prior to the date the application is filed with the director (EXCEPT THAT IF AN OPTIONAL ANNUITY AS PROVIDED IN SECTION 352.116, SUBDIVISION 3 IS SELECTED THE ANNUITY SHALL BEGIN TO ACCRUE 30 DAYS AFTER THE APPLICATION IS FILED WITH THE DIRECTOR), but in no event prior to the day following the termination of state service or prior to the day the employee is eligible to retire by reason of both age and service requirements. The retirement annuity shall cease with the last payment which had accrued to the retired employee during his lifetime unless he elected an optional annuity provided in section 352.116, subdivision 3, and he had become entitled to payment thereof. The joint and last survivor annuity shall cease with the last payment received by the survivor in his or her lifetime. Subdivision 1. [DEATH BEFORE TERMINATION OF SERVICE.] If an employee dies before his state service has terminated and neither a survivor annuity nor a reversionary annuity is payable or if a former employee who has sufficient service credit to be entitled to an annuity dies before the benefit has become payable, the director shall make a refundment to his last designated beneficiary or, if there be none, to his surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of his estate in an amount equal to his accumulated contributions plus interest thereon to the date of death at the rate of (THREE AND ONE-HALF) five percent per annum compounded annually. In the event an employee dies who has received a refundment which he had subsequently repaid in full, interest shall be paid on such repaid refundment only from the date of repayment. If the repayment was made in installments, interest shall be paid only from the date installment payments began. The designated beneficiary, surviving spouse or representative of the estate of an employee who had received a disability benefit shall not be entitled to interest upon any balance remaining to his credit in the fund at the time of death.

Sec. 11. Minnesota Statutes 1982, section 352.12, subdivision 2, is amended to read:

The annuity shall be computed as provided in section 352.115, subdivisions 1, 2, and 3, and section 352.116, subdivisions 1 and 3. The annuity shall cease with the last payment received by the surviving spouse in his or her lifetime. An amount equal to the excess, if any, of the accumulated contributions which were credited to the account of the deceased employee over and above the total of the benefits paid and payable to the surviving spouse shall be paid to the deceased employee's last designated beneficiary or, if none, to the surviving children of the deceased spouse in equal shares or, if none, to the surviving parents of the deceased spouse or, if none, to the representative of the estate of such deceased spouse. Subd. 2. [AMOUNT OF REFUNDMENT.] Except as provided in subdivision 3, any person who ceased to be a state employee after June 30, 1973, by reason of termination of state service shall receive a refundment in an amount equal to his accumulated contributions plus interest at the rate of (THREE AND ONE-HALF) five percent per annum compounded annually (ON DEDUCTIONS TAKEN AFTER THE THIRD YEAR OF COVERAGE EXCEPT THAT IF THE EMPLOYEE, DUE TO AGE, COULD NOT QUALIFY FOR AN ANNUITY UPON REACHING COMPULSORY RETIREMENT AGE HAD HE CONTINUED IN COVERED EMPLOYMENT, HE SHALL BE PAID INTEREST FROM THE DATE OF COVERAGE). Subd. 2. [DEATH; PAYMENT TO SPOUSE AND CHILDREN.] In the event any member serving actively as a member, a member receiving the disability benefit provided by section 352B.10, clause (1), or a former member receiving a disability benefit as provided by section 352B.10, clause (3) dies from any cause, the surviving spouse and dependent child or dependent children shall be entitled to benefit payments as follows:

(a) A member with at least ten years of allowable service or a former member with at least 20 years of allowable service is deemed to have elected a 100 percent joint and survivor annuity payable to a surviving spouse only on or after the date the member or former member attained or would have attained the age of 55.

(b) The surviving spouse of a member who had credit for less than ten years of service shall receive, for life, a monthly

annuity equal to 20 percent of that portion of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage.

Sec. 23. Minnesota Statutes 1982, section 353.31, subdivision 1, is amended to read:

Subdivision 1. [BENEFITS FOR SURVIVING SPOUSE AND DEPENDENT CHILDREN; BEFORE RETIREMENT.] Upon the death of a (") basic member (") before retirement or upon the death of a (") basic member (") who was disabled and receiving disability benefits pursuant to section 353.33 at the time of death who has had at least 18 months of credited allowable service, the surviving spouse and dependent children of the member; as defined in section 353.01, subdivisions 15 and 20, shall be entitled to receive the monthly benefit provided below:

Such refund shall be in an amount equal to his accumulated deductions plus interest thereon at the rate of (3-1/2) five percent per annum compounded annually less the sum of any disability or survivor benefits, if any, that may have been paid by the fund; provided that a survivor who has a right to benefits pursuant to section 353.31 may waive such benefits in writing, except such benefits for a dependent child under the age of 18 years may only be waived pursuant to an order of the district court.

Sec. 25. Minnesota Statutes 1982, section 353.32, subdivision 1a, is amended to read:

Subd. 1a. [SURVIVING SPOUSE OPTIONAL ANNUITY.] If a member or former member who has attained the age of at least (58) 55 years and has credit for not less than (20) ten years of allowable service, or (HAS ATTAINED THE AGE OF AT LEAST 62 YEARS AND) who has credit for not less than (10) 30 years of allowable service (, DIES BEFORE PUBLIC SERVICE HAS TERMINATED, OR IF AN EMPLOYEE WHO HAS FILED A VALID APPLICATION FOR AN ANNUITY OR DISABILITY BENEFIT PRIOR TO TERMINATION OF PUBLIC SERVICE), regardless of age attained, dies before the annuity or disability benefit has become payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse may elect to receive, in lieu of a refund with interest provided in subdivision 1, or survivor benefits otherwise payable pursuant to section 353.31, an annuity equal to the (50) 100 percent joint and survivor annuity which the member could have qualified for had the member terminated service on the date of death (.). The annuity shall be computed as provided in sections 353.29, subdivisions 2 and 3; and 353.30, subdivisions 1, 1a, 1b and 1c. A member or former member who became totally and permanently disabled during his period of membership may file his application for total and permanent disability benefits within three years next following termination of public service, but not thereafter. This benefit shall begin to accrue (90 DAYS) *the day* following the commencement of disability, 90 days preceding the filing of the application, or, if annual or sick leave is paid for more than the said 90 day period, from the date salary ceased whichever is later. No payment shall accrue beyond the end of the month in which entitlement has terminated. If the disabilitant dies prior to negotiating the check for the month in which death occurs, payment will be made to the surviving spouse, or if none, to the designated beneficiary, or if none, to the estate.

Sec. 27. Minnesota Statutes 1983 Supplement, section 353.34, subdivision 2, is amended to read:

Subd. 2. [REFUND (WITHOUT) WITH INTEREST.] Except as provided in subdivision 1, any person who ceases to be a public employee shall receive a refund in an amount equal to his accumulated deductions (WITHOUT INTEREST FOR THE FIRST THREE YEARS OF MEMBERSHIP AND THEREAFTER ACCUMULATED DEDUCTIONS) with interest to the first day of the month in which the refund is processed at the rate of (THREE AND ONE-HALF) *five* percent per annum compounded annually (AFTER THE THIRD YEAR OF MEMBERSHIP) based on fiscal year balances.

Sec. 28. Minnesota Statutes 1982, section 353.651, subdivision 3, is amended to read:

Subd. 3. [RETIREMENT ANNUITY FORMULA.] The average salary as defined in subdivision 2, multiplied by two and one-half percent per year of allowable service for the first (20) 25 years and two percent per year of allowable service

thereafter, shall determine the amount of the (" normal ") retirement annuity. If the member has earned allowable service for performing services other than those of a police officer or fire fighter, the annuity representing such service shall be computed in accordance with sections 353.29 and 353.30.

Sec. 29. Minnesota Statutes 1982, section 354.42, subdivision 5, is amended to read:

Subd. 5. *For the purpose of amortizing the unfunded entry-age normal liability an additional employer contribution shall be made in the amount of (3.05) 4.48 percent of the salary of each member (FOR THE PURPOSE OF AMORTIZING THE DEFICIT IN THE FUND). For the fiscal year ending June 30, 1985, the commissioner of finance shall increase allotments to state agencies having members covered by the teachers retirement association in an amount equal to 1.43 percent of the salaries of basic and coordinated plan members of the teachers' retirement fund.*

This contribution shall be made in the manner provided in section 354.43.

Sec. 30. Minnesota Statutes 1982, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in clause (2) hereof on the basis of each member's average salary for the period of his formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit "average salary" for the purpose of determining the member's retirement annuity means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, Section 354.511 for the highest five successive years of formula service credit provided however that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments.

(2) The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3) Where any member retires prior to age 65 under a formula annuity, (HE) *the member* shall be paid a retirement annuity in an amount equal to the normal annuity provided in this subdivision and subdivision 7, reduced by one-half of one percent for each month that the member is under age 65 to and including age 60 and reduced by one-fourth of one percent for each month under age (60) 65 at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month which the member is under age 62.

Sec. 31. Minnesota Statutes 1982, section 354.46, subdivision 1, is amended to read:

Subdivision 1. [BASIC PROGRAM; BENEFITS FOR SPOUSE AND CHILDREN OF TEACHER.] If a basic member who has at least 18 months of allowable service credit and who has an average salary as defined in section 354.44, subdivision 6 equal to or greater than \$75 dies prior to retirement or if a former basic member who, at the time of death, was totally and permanently disabled and receiving disability benefits pursuant to section 354.48 dies prior to attaining the age of 65 years, the surviving dependent spouse and dependent children of the basic member or former basic member shall be entitled to receive a monthly benefit as follows:

(a) Surviving dependent spouse (30) 50 percent of the basic member's monthly average salary paid in the last full fiscal year preceding death

(b) Each dependent child ten percent of the basic member's monthly average salary paid in the last full fiscal year preceding death

Payments for the benefit of any dependent child under the age of 22 years shall be made to the surviving parent, or if there be none, to the legal guardian of the child. The maximum monthly benefit shall not exceed (\$700) \$1,000 for any one family, and the minimum benefit per family shall not be less than (30) 50 percent of the basic member's average salary, subject to the foregoing maximum. The surviving dependent spouse benefit shall

terminate upon remarriage, and the surviving dependent children's benefit shall be reduced pro tanto when any surviving child is no longer dependent.

If the basic member and the surviving dependent spouse are killed in a common disaster and if the total of all survivors benefits payable pursuant to this subdivision is less than the accumulated deductions plus interest payable, the surviving dependent children shall receive the difference in a lump sum payment.

If the survivor benefits provided in this subdivision exceed in total the monthly average salary of the deceased basic member, these benefits shall be reduced to an amount equal to the deceased basic member's monthly average salary.

Prior to payment of any survivor benefit pursuant to this subdivision, in lieu of that benefit, the surviving dependent spouse may elect to receive the joint and survivor annuity provided pursuant to subdivision 2, or may elect to receive a refund of accumulated deductions with interest in a lump sum as provided pursuant to sections 354.47, subdivision 1 or 354.62, subdivision 5, clause (3). If there are any surviving dependent children, the surviving dependent spouse may elect to receive the refund of accumulated deductions only with the consent of the district court of the district in which the surviving dependent child or children reside.

Sec. 32. Minnesota Statutes 1982, section 354.46, subdivision 2, is amended to read:

Subd. 2. [DEATH WHILE ELIGIBLE DESIGNATED BENEFICIARY BENEFIT.] The surviving spouse of any member or former member who has attained the age of at least 55 years and has credit for at least (20) ten years of allowable service or who has credit for at least 30 years of allowable service irrespective of age shall be entitled to joint and survivor annuity coverage in the event of death of the member prior to retirement. If the surviving spouse does not elect to receive a surviving spouse benefit provided pursuant to subdivision 1, if applicable, or does not elect to receive a refund of accumulated member contributions provided pursuant to sections 354.47, subdivision 1, or 354.62, subdivision 5, clause (3), whichever is applicable, the surviving spouse shall be entitled to receive, upon written application on a form prescribed by the executive director, a benefit equal to the second portion of a 100 percent joint and survivor annuity as provided pursuant to section 354.45 and computed pursuant to section 354.44, subdivisions 2, 6 or 7, whichever is applicable. If the member was a participant in the variable annuity division, the applicable portion of the benefit shall be computed pursuant to section 354.62, subdivision 5, clause (1). The benefit shall be payable for life.

Sec. 33. Minnesota Statutes 1982, section 354.47, subdivision 1, is amended to read:

(2) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, subdivisions 6 and 7, and neither an optional annuity, nor reversionary annuity, nor the benefit described in section 354.46, subdivision 1 is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions credited to the account of the member as of June 30, 1957 and from July 1, 1957 to the date of death the member's accumulated deductions plus interest at the rate of (3-1/2) five percent per annum compounded annually.

(3) The amounts payable in clause (1) or clause (2) are in addition to the amount payable in section 354.62, subdivision 5, for the member's variable annuity account.

Sec. 34. Minnesota Statutes 1982, section 354.48, subdivision 2, is amended to read:

Subd. 2. [APPLICATIONS.] Any person described in subdivision 1 may make application for a total and permanent disability benefit within 18 months following termination of teaching service but not thereafter. This benefit shall begin to accrue (90 DAYS) *the day* following the commencement of disability or the day following the date on which salary ceases, whichever is later, but shall not begin to accrue more than 90 days prior to the date the application is filed with the board. If salary is being received for either annual or sick leave during the period, payments shall accrue from the date salary ceases.

Subd. 3a. [OPTIONAL ANNUITY ELECTION.] A disabled member may elect to receive the normal disability benefit or an optional annuity as provided in section 354.45, subdivision 1. The election of an optional annuity shall be made prior to

commencement of payment of the disability benefit and shall be effective (30 DAYS AFTER RECEIPT OF THE ELECTION OR) *and shall begin to accrue on the same date (ON WHICH) the disability benefit begins to accrue (, WHICHEVER OCCURS LATER. UPON BECOMING EFFECTIVE, THE OPTIONAL ANNUITY SHALL BEGIN TO ACCRUE ON THE SAME DATE AS PROVIDED FOR THE DISABILITY BENEFIT).*

Sec. 36. Minnesota Statutes 1982, section 354.49, subdivision 2, is amended to read:

Subd. 2. Except as provided in section 354.44, subdivision 1, any person who ceases to be a member by reason of termination of teaching service, shall receive a refund in an amount equal to his accumulated deductions (WITHOUT) *with interest at the rate of five percent per annum compounded annually* plus any variable annuity account accumulations payable pursuant to section 354.62, subdivision 5, clause (4).

The amount of the annuity shall be calculated on the basis of an appropriate annuity table of mortality with an interest assumption (AS PROVIDED IN SECTION 354.07, SUBDIVISION 1) *of eight percent, except that if the member elects to have the ac-*

cumulation transferred to the Minnesota postretirement investment fund as authorized by clause (8), the annuity shall be calculated with an interest assumption of five percent.

For the purpose of this subdivision, the terms

(a) *“expected future statutory supplemental contributions” means the sum of future employee and employer contributions at the rates specified in statute at the time the valuation is completed reduced by the present value of future normal costs; and*

(b) *“current assets” means the value of all assets at cost, plus one-third of any unrealized capital gains or losses, plus realized income, including realized capital gains or losses.*

In addition to the above (REQUIRED RESERVES) *itemization of benefit obligations*, separate items shall be shown for additional benefits, if any, which may not be appropriately included in the (RESERVES LISTED) *list shown above.*

(7) In addition to the level normal cost, the additional annual contribution which would be required to retire the current unfunded accrued liability. *For funds governed by chapters 3A, 352, 352B, 352C, 353, 354, 354A, and 490, the additional contribution shall be calculated on a level (DOLLAR BASIS BY THE ESTABLISHED DATE FOR FULL FUNDING WHICH IS IN EFFECT AT THE TIME OF THE VALUATION) percent basis by the established date for full funding which is in effect at the time of the valuation. The level percent additional contribution shall be calculated assuming annual payroll growth of 6.5 percent. For all other funds, the additional annual contribution shall be calculated on a level dollar basis.*

If, after the first actuarial valuation date occurring after June 1, 1979, there has not been a change in any or all of the actuarial assumptions used for calculating the accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund; a change in the actuarial cost method used in calculating the accrued liability of all or a portion of the fund, or a combination of the three, which change or changes by themselves without inclusion of any other items of increase or decrease produce a net increase in the unfunded accrued liability of the fund, the established date for full funding for the first actuarial valuation made after June 1, 1979 and each successive actuarial valuation shall be the first actuarial valuation date which occurs after June 1, 2009.

If after the first actuarial valuation date occurring after June 1, 1979, there has been a change in any or all of the actuarial assumptions used for calculating the accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the accrued liability of all or a portion of the fund, or a combination of the three, which change or changes by themselves without inclusion of any other items of increase or decrease produce a net increase in the unfunded accrued liability in

the fund, the established date for full funding shall be determined using the following procedure:

(i) The unfunded accrued liability of the fund shall be determined in accordance with the plan provisions governing annuities and retirement benefits and the actuarial assumptions in effect prior to an applicable change;

(ii) The level annual dollar contribution *or level percentage, whichever is applicable, which is needed to amortize the unfunded accrued liability amount determined pursuant to subclause (i) by the established date for full funding in effect prior to the change shall be calculated using the interest assumption specified in clause (4) in effect prior to the change;*

(iii) The unfunded accrued liability of the fund shall be determined in accordance with any new plan provisions governing annuities and benefits payable from the fund and any new actuarial assumptions and the remaining plan provisions governing annuities and benefits payable from the fund and actuarial assumptions in effect prior to the change;

(iv) The level annual dollar contribution *or level percentage, whichever is applicable, which is needed to amortize the difference between the unfunded accrued liability amount calculated pursuant to subclause (i) and the unfunded accrued liability amount calculated pursuant to subclause (iii) over a period of 30 years from the end of the plan year in which the applicable change is effective shall be calculated using the interest assumption specified in clause (4) in effect subsequent to any applicable change;*

(v) The level annual dollar *or level percentage* amortization contribution pursuant to subclause (iv) shall be added to the level annual dollar amortization contribution *or level percentage* calculated pursuant to subclause (ii);

(vi) The period in which the unfunded accrued liability amount determined in subclause (iii) will be amortized by the total level annual dollar *or level percentage* amortization contribution computed pursuant to subclause (v) shall be calculated using the interest assumption specified in clause (4) in effect subsequent to any applicable change, rounded to the nearest integral number of years, but which shall not exceed a period of 30 years from the end of the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and which shall not be less than the period of years beginning in the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and ending by the date for full funding in effect prior to the change; and

(vii) The period determined pursuant to subclause (vi) shall be added to the date as of which the actuarial valuation was prepared and the date obtained shall be the new established date for full funding.

((8) AN ACTUARIAL BALANCE SHEET SHALL NOT INCLUDE AS AN ASSET THE PRESENT VALUE OF THE CONTRIBUTIONS REQUIRED UNDER CLAUSE (7).)

((9)) (8) An analysis by the actuary explaining the increase or decrease in the unfunded accrued liability since the last valuation. The explanation shall subdivide the increase or decrease in unfunded accrued liability into at least the following parts:

(a) Increases or decreases in unfunded accrued liability because of changes in benefits;

(b) Increases and decreases in unfunded accrued liability because of each change, if any, in actuarial assumptions;

(c) Actuarial gains or losses resulting from any deviations of actual investment earnings, actual mortality rates, actual salary increase rates, actual disability rates, actual withdrawal rates and actual retirement rates from the assumptions on which the valuations are based;

(d) Increases or decreases in unfunded accrued liability because of other reasons, including the effect of the amortization contribution required under clause (7); and

(e) Increases or decreases in unfunded accrued liability because of changes in eligibility requirements or groups included in the membership of the fund.

((10)) (9) A tabulation of active membership and annuitants in the fund. If the membership of a fund is under more than one general benefit program, a separate tabulation shall be made for each general benefit program. The tabulations shall be submitted in the following form:

Annual

(a) Active members

((11)) (10) A statement of the administrative expenses in dollars and also as a percentage of covered payroll.

((12)) (11) A summary of the principal provisions of the plan upon which the valuation is based.

Sec. 44. [356.70] [EARLY RETIREMENT.]

Subdivision 1. [COMBINED AGE AND SERVICE REQUIREMENT.] Any member of a retirement plan established pursuant to chapters 352, 353, 354, or 354A who has attained the age of at least 55 years and whose attained age plus credited allowable service totals 85, is entitled, upon application prior to December 31, 1986, to the normal retirement annuity provided in these chapters without any reduction in annuity by reason of such early retirement.

Subd. 2. [REPORTS.] The retirement associations to which this section applies shall request and the employing units of members retiring under the provisions of this section shall provide to the retirement association information on the salary, retirement contributions, and social security contributions paid by the employing unit to individuals filling the position vacated by the retiree. The employing unit shall also provide information on net savings, if any, made possible by the provisions of this section.

The retirement associations shall prepare reports to the legislature summarizing this information and other information in its possession relating to characteristics of retirees retiring under the provisions of this section including:

- (a) age at time of retirement;*
- (b) years of service;*
- (c) salary at time of retirement;*
- (d) high-five average salary used to determine the retirement annuity; and*
- (e) monthly benefit.*

The reports shall be made to the legislature within 30 days following the end of calendar years 1984, 1985, and 1986 and shall cover all retirees retiring under the provisions of this section.

Sec. 45. Laws 1983, chapter 301, section 225, subdivision 1, is amended to read:

Subdivision 1. [REIMBURSEMENT REQUIRED.] Any public employee or official (WHO RETIRES FROM JANUARY 1, 1983 TO JUNE 30, 1985, AND) whose pension contributions were increased by Laws 1982, Third Special Session chapter 1, article 2, section 2, subdivision 1, paragraph (v) and who has not previously received a refund of those contributions, must, upon application, be reimbursed for the amount of increased contributions paid by the official or employee because of that law. Reimbursement must be in a lump sum to the employee or official (, OR HIS OR HER SURVIVOR, AT THE SAME TIME AS THE FIRST ANNUITY PAYMENT) between October 1 and October 15, 1984, except that refunds to employees or officials retiring or terminating service prior to October 1, 1984, shall be paid at the same time as the first annuity payment or within 90 days after termination, as the case may be. The amount of the reimbursement is the amount that the employee's or official's contributions increased because of Laws 1982, Third Special Session chapter 1, article 2, section 2, subdivision 1, paragraph (v) (PLUS INTEREST AT THE THEN CURRENT RATE PAID ON REFUNDS BY THE RELIEF OR RETIREMENT ASSOCIATION). Reimbursement shall be paid by the retirement or relief association to which the employee belongs. Reimbursement may be made without application if the governing board of the appropriate retirement system or association determines that this method is feasible.

Sec. 46. Laws 1983, chapter 301, section 225, is amended by adding a subdivision to read:

Subd. 1a. [CREDIT REQUIRED.] The executive director of the Minnesota state retirement system shall credit to the share account in the supplemental retirement fund of any participant in the unclassified employees program established by Minnesota Statutes, chapter 352D, an amount equal to the amount by which employer contributions on behalf of that participant were reduced by reason of the law cited in subdivision 1. Funds sufficient to make the credits required by this subdivision are appropriated from the general fund to the executive director.

Sec. 47. [COMMISSIONER OF FINANCE TO REDUCE ALLOTMENTS.]

The commissioner of finance shall reduce the fiscal year 1985 allotments to any agencies or institutions receiving a state appropriation pursuant to Laws 1983, chapters 258, 293, 301, or 312 and having employees contributing to the public employees retirement association, state employees retirement fund, the correctional employees retirement fund, and the highway patrol retirement fund. The reduction shall be in an amount equal to the estimated fiscal year 1985 salaries of members of these plans multiplied by the differences between the employer contribution rate in effect prior to July 1, 1984, and the employer rate in effect after June 30, 1984.

Sec. 48. [ANNUAL APPROPRIATION.]

There is appropriated and transferred from the general fund to the commissioner of finance, \$1,000,000 annually for distribution among those local police and salaried firefighters relief associations that receive amortization state aid according to Minnesota Statutes, section 423A.02. Distribution shall be made according to that proportion the unfunded accrued liability of each relief association bears to the total unfunded accrued liabilities of all relief associations as reported in the most recent actuarial valuations of the relief associations that receive amortization state aid according to section 423A.02. Moneys shall be distributed to the relief associations at the same time fire and police department state aid is distributed according to section 69.021.

Sec. 49. Laws 1983, chapter 314, article 12, section 1, subdivision 2, is amended to read:

Subd. 2. [TEACHERS RETIREMENT ASSOCIATION: TEACHERS STATEWIDE.] To the teachers retirement association, to meet the state's obligation prescribed in Minnesota Statutes, section 354.43, there is appropriated:

CONFERENCE COMMITTEE REPORT ON H. F. NO. 432

A bill for an act relating to soil and water conservation; prohibiting in certain counties practices which cause accelerated erosion or sedimentation; prescribing penalties; proposing new law coded in Minnesota Statutes, chapter 40.

April 19, 1984

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 432, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 432 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [PURPOSE.]

It is the purpose of this act to encourage and guide the use of land in accordance with its capabilities, to treat it according to its needs, to prevent the degradation of lands, streams, and rivers, and to protect and promote the health, safety, and general welfare of the people.

Sec. 2. [40.19] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 3 to 11, the terms defined in this section have the meanings given them.

Subd. 2. [EXCESSIVE SOIL LOSS.] "Excessive soil loss" means soil loss resulting from erosion that is more rapid than the gradual erosion of land used by man when all reasonable soil and water conservation practices have been applied. "Excessive soil loss" may be evidenced by sedimentation on adjoining land or in any body of water. Soil loss is excessive if it is greater than the soil loss tolerance for each soil type described in the United States Soil Conservation Service Field Office technical guide.

Subd. 3. [ADMINISTRATIVE ORDER.] "Administrative order" means an order issued by the governing body of a statutory or home rule charter city, town, or county to notify an

offending landowner of record that soil erosion is occurring in excess of limits specified in local regulations. The order shall contain the precise location of the offending party's property where erosion is taking place, state as nearly as possible the extent to which soil erosion thereon exceeds the limits established by the regulations, and specify time requirements by which measures to control the problem must be initiated and completed.

Subd. 4. [ANNUAL PLAN.] "Annual plan" means an annual program of work prepared by the soil and water conservation district according to the guidelines for annual planning published by the state board.

Subd. 5. [CONSERVATION PRACTICES, STANDARDS AND SPECIFICATIONS.] "Conservation practices, standards and specifications" means standards containing a definition, purpose, and conditions under which the practice applies including design requirements, and specifications containing a statement of details required for installing a conservation practice, including kinds, quality, and quantity of work and materials needed to meet the standards.

Subd. 6. [DEVELOPMENT ACTIVITY.] "Development activity" means any physical disturbance by man of the land associated with development activities which may result in sedimentation of adjacent lands or waters. These activities include, but are not limited to, clearing, grading, excavating, transporting, and filling lands. Federal, state, county, and municipal road construction designed according to department of transportation standard specifications for construction are exempt from this act.

Subd. 7. [EROSION.] "Erosion" means the process by which the surface of the land is worn away by the action of water, wind, or gravity.

Subd. 8. [GOVERNING BODY.] "Governing body" means the elected governing body of a county, city, or town or their designated officials or agents. Agents may include soil and water conservation districts, water management organizations, joint powers boards, watershed districts, or other governmental entities responsible for resource management within the affected jurisdiction.

Subd. 9. [LAND OCCUPIER.] "Land occupier" means a person, firm, corporation, municipality, or other legal entity who holds title to, or is in possession of any lands, whether as owner, lessee, renter, tenant, or otherwise. The term includes both the owner and the occupier of the land when they are not the same.

Subd. 10. [LONG-RANGE PLAN.] "Long-range plan" means a multi-year program of work prepared by the soil and

water conservation district pursuant to Minnesota Statutes, section 40.07, subdivision 9.

Subd. 11. [SEDIMENT.] "Sediment" means solid material, both mineral and organic, that is in suspension, is being transported, or has been moved from its site of origin by air, water, gravity, or ice, and has come to rest on the earth's surface.

Subd. 12. [SEDIMENTATION.] "Sedimentation" means the process or action of depositing sediment that, upon inspection, is determined to have been caused by accelerated erosion as provided in section 7.

Subd. 13. [SOIL LOSS LIMIT.] "Soil loss limit" means the maximum amount of soil loss from water or wind erosion, expressed in tons per acre per year, that will be permitted by local regulations on a given soil.

Subd. 14. [SOIL AND WATER CONSERVATION PRACTICE.] "Soil and water conservation practice" or "practice" means a permanent or temporary vegetative or structural measure that when applied to the land will contribute to the control of wind and water erosion. Permanent practices include but are not limited to grassed waterways, terraces, field windbreaks, water control structures, grade stabilization structures, sediment retention structures, strip-cropping, and other permanent practices approved by the state soil and water conservation board. A permanent practice is deemed to have an effective life in excess of ten years. Temporary practices include conservation tillage, contour farming, grasses and legumes in rotation, emergency tillage, and any other cultural practices approved by the state soil and water conservation board.

Subd. 15. [SUPPLEMENTAL ORDER.] "Supplemental order" means an order supplemental to an administrative order and issued by the governing body to notify an offending party that cost sharing for the required soil and water conservation practices has been approved. A supplemental order shall state time requirements by which measures to control the erosion problem must be initiated and completed. These time limits supersede the dates specified in an administrative order.

Subd. 16. [TECHNICAL GUIDE.] "Technical guide" means the guide developed by USDA Soil Conservation Service adopted by soil and water conservation districts containing technical information including methods and procedures by which the various types of erosion can be measured, and conservation practice standards and specifications required in the application of soil and water conservation practices.

Sec. 3. [40.20] [SOIL LOSS CONTROL.]

Each statutory or home rule charter city, town, or county that has planning and zoning authority under sections 366.10 to 366.-

19, 394.21 to 394.37, or 462.351 to 462.365 is encouraged to adopt a soil loss ordinance as provided in section 4. Ordinances adopted by local units within the metropolitan area defined in section 473.121 must be consistent with local water management plans adopted under section 473.879.

Sec. 4. [40.21] [PROMULGATION OF RULES BY THE COMMISSIONER OF AGRICULTURE; PERIODIC REVIEW.]

The commissioner of agriculture, in consultation with counties, soil and water conservation districts, and other appropriate agencies, shall promulgate rules which shall serve as a guide to enable local governments to carry out the provisions of this act. The rules developed by the commissioner of agriculture shall include:

(a) A model ordinance which specifies the technical and administrative procedures required to implement this act. The model ordinance shall be considered to be the minimum regulation to be adopted.

(b) Administrative procedures required of the state soil and water conservation board for carrying out the provisions of this act.

At least once every two years the commissioner of agriculture shall review the rules in cooperation with counties, soil and water conservation districts, and appropriate agencies to ensure their continued applicability and relevance. The rules may be revised if deemed necessary by the commissioner of agriculture.

Sec. 5. [40.22] [EXCESSIVE SOIL LOSS PROHIBITED.]

Subdivision 1. [PROHIBITED ACTIVITIES.] A person may not cause, conduct, contract for, or authorize an activity which causes excessive soil loss.

Subd. 2. [AGRICULTURAL LAND.] A land occupier of agricultural land is not violating subdivision 1 if he is using farming methods which do not create excessive soil loss.

Subd. 3. [WOODLAND.] A land occupier who uses wooded land for pasture must ensure that proper management is used to prevent excessive soil loss due to overgrazing or cattle paths.

Sec. 6. [40.23] [ENFORCEMENT.]

Subdivision 1. [COMPLAINT.] A land occupier adversely affected by the effects of excessive soil loss, or an elected local government official, may submit a verbal or written complaint against a land occupier alleging that excessive soil loss has oc-

curred or is occurring. The complaint must be made to the governing body of the local government unit that has adopted an ordinance as provided in section 4. If the complaint is verbal, it must be followed by a written complaint within 72 hours. The complaint shall include the approximate dates and location of the alleged violation and describe the source, nature, and extent of the excessive soil loss alleged to have occurred or which is occurring. The complaint must be made to the governing body of the local government unit that has adopted a soil loss ordinance as provided in section 4.

Sec. 7. [40.24] [INSPECTION OF LAND UPON COMPLAINT.]

The governing body of the local government unit shall inspect or cause to be inspected any land within its jurisdiction, upon receipt of a complaint that soil loss is occurring there in excess of the limits established by the local unit's soil loss regulations. The burden of proof shall be on the local government unit to prove that an alleged violation exists. The person against whom the complaint is made must be notified of the time of the investigation and will be given the opportunity to be present when the investigation is made. If the governing body of the local unit finds that excessive soil loss is occurring on the land inspected, they shall issue an administrative order to the landowner of record, and to the occupant of the land if possible, describing the land and stating the extent to which soil loss on the land exceeds the limits established by the regulations. The order shall be delivered either by personal service or by certified mail to each of the persons to whom it is directed, and shall state a time, not more than 90 days after service or mailing of the notice of the order, by which work needed to establish specific soil and water conservation practices to stop the excessive soil loss must be commenced, and a time not more than one year after the service or mailing of the notice of the order by which the work must be satisfactorily completed.

Sec. 8. [40.25] [EROSION CONTROL PLAN FOR DEVELOPMENT ACTIVITIES.]

A person engaged in a development activity that will disturb over one acre of land must submit to the governing body a sedimentation control plan that will prevent excessive soil loss before the development activity is to begin.

Sec. 9. [40.26] [APPLICATION FOR COST-SHARING FUNDS.]

Except in the case of a development activity, a land occupier may not be required to establish soil conservation practices unless state cost-sharing funds have been specifically approved for that land and have been made available to the land occupier

in an amount equal to at least 75 percent of the cost of the permanent conservation practices on a voluntary basis, and a 50 percent cost share if implementation is not commenced following the issuance of an administrative order as provided in this section. The state soil and water conservation board shall review these requirements at least once each year, and may authorize districts in any particular case to provide a higher percentage of public cost sharing than is required by this section. To aid in this determination, the state board may consider the location of the affected area in relation to the priority areas as established in the district annual and long-range plans. Evidence that an application for state cost-sharing funds has been submitted to the soil and water conservation district shall constitute commencement of the work within the meaning of section 7. When notified of the approval of the application, the local unit shall issue to the same parties who received the original administrative order, or their successors in interest, a supplemental order, to be delivered in the same manner as provided by section 7. The supplemental order shall state a time, not more than 90 days after approval of the application for state cost-sharing funds, by which the work needed to comply with the original administrative order shall actually be commenced, and a time not more than one year thereafter when the work is to be satisfactorily completed.

Sec. 10. [40.27] [APPLICABILITY.]

The provisions of sections 5 to 9 are not applicable without the adoption of an ordinance by the county or local government unit.

Sec. 11. [40.28] [PENALTY.]

A violation of an administrative order issued under section 7 or a supplemental order issued under section 9 is a misdemeanor.

Sec. 12. Laws 1979, chapter 315, section 2, as amended by Laws 1981, chapter 78, section 1, and Laws 1982, chapter 512, section 10, is amended to read:

Sec. 2. [JOINT LEGISLATIVE COMMITTEE.]

A joint legislative committee on agricultural land preservation and conservation shall be established by July 1, 1979, and shall expire by June 30, (1984) 1994, unless extended by legislative action. The committee shall be composed of eight members of the house of representatives from the transportation, agriculture, environment and natural resources, local and urban affairs, and tax committees appointed by the speaker and the chairman of the committee on rules and legislative administration; and eight members of the senate from the transportation, agriculture and natural resources, local government, tax, and govern-

mental operations committees appointed by the subcommittee on committees. The committee shall elect a chairman from among its members. The expenses of and per diem payments to committee members shall be paid from the legislative expense fund of their respective body upon approval of the chairman of the joint committee. Other expenses of the committee shall be evenly divided between the house of representatives and the senate.

Sec. 13. [APPROPRIATION.]

The sum of \$10,000 is appropriated from the general fund to the commissioner of agriculture to adopt rules under section 4."

April 19, 1984

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 1386, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1386 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 260.015, is amended by adding a subdivision to read:

Subd. 24. [DOMESTIC CHILD ABUSE.] "Domestic child abuse" means:

(1) *any physical injury to a minor family or household member inflicted by an adult family or household member other than by accidental means; or*

(2) *subjection of a minor family or household member by an adult family or household member to any act which constitutes a violation of sections 609.321 to 609.324, 609.342, 609.343, 609.344, 609.345, 609.364 to 609.3644, or 617.246.*

Sec. 2. Minnesota Statutes 1982, section 260.015, is amended by adding a subdivision to read:

Subd. 25. [FAMILY OR HOUSEHOLD MEMBERS.] "Family or household members" means spouses, former spouses, parents and children, persons related by blood, and persons who are presently residing together or who have resided together in the past, and persons who have a child in common regardless of whether they have been married or have lived together at any time.

Sec. 3. Minnesota Statutes 1982, section 260.111, is amended by adding a subdivision to read:

Subd. 2a. [JURISDICTION OVER MATTERS RELATING TO DOMESTIC CHILD ABUSE.] The juvenile court has jurisdiction in proceedings concerning any alleged acts of domestic child abuse. In a jurisdiction which utilizes referees in dependency and neglect actions, the court or judge may refer actions under this subdivision to a referee to take and report the evidence in the action. If the respondent does not appear after service is duly made and proved, the court may hear and determine the proceeding as a default matter. Proceedings under this subdivision shall be given docket priority by the court

Sec. 4. [260.133] [PROCEDURE; DOMESTIC CHILD ABUSE.]

Subdivision 1. [PETITION.] The local welfare agency may bring an emergency petition on behalf of minor family or household members seeking relief from acts of domestic child abuse. The petition shall allege the existence of or immediate and present danger of domestic child abuse, and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

Subd. 2. [TEMPORARY ORDER.] If it appears from the notarized petition or by sworn affidavit that there are reasonable grounds to believe the child is in immediate and present danger of domestic child abuse, the court may grant an ex parte temporary order for protection, pending a full hearing. The court may grant relief as it deems proper, including an order:

(1) restraining any party from committing acts of domestic child abuse; or

(2) excluding the alleged abusing party from the dwelling which the family or household members share or from the residence of the child.

However, no order excluding the alleged abusing party from the dwelling may be issued unless the court finds that:

(1) the order is in the best interests of the child or children remaining in the dwelling;

(2) a remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party; and

(3) the local welfare agency has developed a plan to provide appropriate social services to the remaining family or household members.

An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days. Within five days of the issuance of the temporary order, the petitioner shall file a dependency and neglect petition with the court pursuant to section 260.131, and the court shall give docket priority to the petition.

The court may renew the temporary order for protection one time for a fixed period not to exceed 14 days if a dependency and neglect petition has been filed with the court and if the court determines, upon informal review of the case file, that the renewal is appropriate.

Subd. 3. [SERVICE AND EXECUTION OF ORDER.] Any order issued under this section or section 5 shall be served per-

sonally upon the respondent. Where necessary, the court shall order the sheriff or constable to assist in service or execution of the order.

Subd. 4. [MODIFICATION OF ORDER.] Upon application, notice to all parties, and hearing, the court may modify the terms of an existing order for protection issued under this section or section 5.

Subd. 5. [RIGHT TO APPLY FOR RELIEF.] The local welfare agency's right to apply for relief on behalf of a child shall not be affected by the child's leaving the dwelling or household to avoid abuse.

Subd. 6. [REAL ESTATE.] Nothing in this section or section 5 shall affect the title to real estate.

Subd. 7. [OTHER REMEDIES AVAILABLE.] Any relief ordered under this section or section 5 shall be in addition to other available civil or criminal remedies.

Subd. 8. [COPY TO LAW ENFORCEMENT AGENCY.] An order for protection granted pursuant to this section or section 5 shall be forwarded by the clerk of court within 24 hours to the local law enforcement agency with jurisdiction over the residence of the child.

Each appropriate law enforcement agency shall make available to other law enforcement officers through a system of verification, information as to the existence and status of any order for protection issued pursuant to this section or section 5.

Sec. 5. Minnesota Statutes 1982, section 260.191, is amended by adding a subdivision to read:

Subd. 1a. [DOMESTIC CHILD ABUSE.] If the court finds that the child is a victim of domestic child abuse, as defined in section 1, it may order any of the following dispositions of the case in addition to or as alternatives to the dispositions authorized under subdivision 1:

(1) restrain any party from committing acts of domestic child abuse;

(2) exclude the abusing party from the dwelling which the family or household members share or from the residence of the child;

(3) on the same basis as is provided in chapter 518, establish temporary visitation with regard to minor children of the adult family or household members;

(4) on the same basis as is provided in chapter 518, establish temporary support or maintenance for a period of 30 days for minor children or a spouse;

(5) provide counseling or other social services for the family or household members; or

(6) order the abusing party to participate in treatment or counseling services.

Any relief granted by the order for protection shall be for a fixed period not to exceed one year.

However, no order excluding the abusing party from the dwelling may be issued unless the court finds that:

(1) the order is in the best interests of the child or children remaining in the dwelling;

(2) a remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party; and

(3) the local welfare agency has developed a plan to provide appropriate social services to the remaining family or household members.

Sec. 6. Minnesota Statutes 1982, section 260.191, is amended by adding a subdivision to read:

Subd. 1b. [SUPPORT ORDERS.] If the court issues an order for protection pursuant to section 5 excluding an abusing party from the dwelling who is the parent of a minor family or household member, it shall transfer the case file to the court which has jurisdiction over proceedings under chapter 518 for the purpose of establishing support or maintenance for minor children or a spouse, as provided in chapter 518, during the effective period of the order for protection. The court to which the case file is transferred shall schedule and hold a hearing on the establishment of support or maintenance within 30 days of the issuance of the order for protection. After an order for support or maintenance has been granted or denied, the case file shall be returned to the juvenile court, and the order for support or maintenance, if any, shall be incorporated into the order for protection.

Sec. 7. [260.271] [VIOLATION OF AN ORDER FOR PROTECTION.]

Subdivision 1. [VIOLATION; PENALTY.] Whenever an order for protection is granted pursuant to section 4 or 5 restrain-

ing the person or excluding the person from the residence, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor.

Subd. 2. [ARREST.] A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to section 4 or 5 restraining the person or excluding the person from the residence, if the existence of the order can be verified by the officer.

Subd. 3. [CONTEMPT.] A violation of an order for protection shall also constitute contempt of court and the person violating the order shall be subject to the penalties for contempt.

Subd. 4. [ORDER TO SHOW CAUSE.] Upon the filing of an affidavit by the agency or any peace officer, alleging that the respondent has violated an order for protection granted pursuant to section 4 or 5, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why he should not be found in contempt of court. The hearing may be held by the court in any county in which the child or respondent temporarily or permanently resides at the time of the alleged violation.

A peace officer is not liable under section 609.43, clause (1), for failure to perform a duty required by subdivision 2 of this section.

Sec. 8. Minnesota Statutes 1983 Supplement, section 388.051, subdivision 2, is amended to read:

Subd. 2. [SPECIAL PROVISION; GROSS MISDEMEANORS.] In Anoka, Carver, Dakota, Hennepin, Scott, and Washington counties, only the county attorney shall (ONLY) prosecute gross misdemeanor violations of sections 290.53, subdivisions 4 and 8; 290.92, subdivision 15; 290A.11, subdivision 2; 297A.08; 297A.39, subdivisions 4 and 8; 297B.10; 609.255, subdivision 3; 609.377; 609.378; (AND) 609.41; and 617.247.

Sec. 9. [609.3471] [RECORDS PERTAINING TO VICTIM IDENTITY CONFIDENTIAL.]

Notwithstanding any provision of law to the contrary, none of the records or reports relating to complaints or indictments issued pursuant to sections 609.342, clauses (a) or (b); 609.343, clauses (a) or (b); 609.344, clauses (a) or (b); 609.345, clauses (a) or (b); or 609.3641 to 609.3644, pertaining to the identity of the victim shall be open to public inspection, except by order of the court.

Sec. 10. Minnesota Statutes 1983 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

April 19, 1984

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1762, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate concur in the House amendment and that S. F. No. 1762 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [363.031] [WAIVER PROHIBITED.]

Any provision, whether oral or written, of a lease, contract, or other agreement or instrument, which purports to be a waiver by an individual of any right or remedy provided in chapter 363 is contrary to public policy and void. Nothing in this section shall be construed to prevent a waiver given in full and final written settlement of an existing, identified claim, whether by grievance, mediation, arbitration, or other settlement agreement.

Sec. 2. Minnesota Statutes 1982, section 363.06, subdivision 3, is amended to read:

Subd. 3. [TIME FOR FILING CLAIM.] A claim of an unfair discriminatory practice must be brought as a civil action pursuant to section 363.14, subdivision 1, clause (a), filed in a charge with a local commission pursuant to section 363.116, or filed in a charge with the commissioner within (SIX MONTHS) 300 days after the occurrence of the practice. The running of the 300 day limitation period is suspended during the time a potential charging party and respondent are voluntarily engaged in a dispute resolution process involving a claim of unlawful discrimination under chapter 363, including arbitration, conciliation, mediation or grievance procedures pursuant to a collective bargaining agreement or statutory, charter, or ordinance provisions for a civil service or other employment system. A potential respondent who participates in such a process with a potential charging party before a charge is filed or a civil action is brought shall notify the department and the charging party in writing of his or her participation in the process and the date the process commenced, and shall also notify the department and the charging party of the ending date of the process. A respondent who fails to provide this notification is barred from raising the defense that the statute of limitations has run unless the 300 days plus a period of time equal to the suspension period has passed.

Sec. 3. Minnesota Statutes 1983 Supplement, section 363.06, subdivision 4, is amended to read:

Subd. 4. [INQUIRY INTO CHARGE.] (1) Consistent with clause (7), the commissioner shall promptly inquire into the truth of the allegations of the charge. The commissioner shall

make an immediate inquiry when (NECESSARY TO PREVENT A CHARGING PARTY FROM SUFFERING IRREPARABLE LOSS IN THE ABSENCE OF IMMEDIATE ACTION) *a charge alleges actual or threatened physical violence.* The commissioner shall also make an immediate inquiry when it appears that a charge is frivolous or without merit and shall dismiss those charges.

The commissioner shall then give priority to investigating and processing those charges which the commissioner determines have one or more of the following characteristics:

(a) *there is evidence that the respondent has intentionally engaged in a reprisal;*

(b) *there is evidence of irreparable harm if immediate action is not taken;*

(c) *there is potential for broadly promoting the policies of this chapter;*

(d) *a significant number of recent charges have been filed against the respondent;*

(e) *the respondent is a government entity;*

(f) *the charge is supported by substantial documentation, witnesses, or other evidence.*

The commissioner shall inform charging parties of these priorities and shall tell each party if their charge is a priority case or not.

On other charges the commissioner shall make a determination within 12 months after the charge was filed as to whether or not there is probable cause to credit the allegation of unfair discriminatory practices, and

(2) If the commissioner determines after investigation that no probable cause exists to credit the allegations of the unfair discriminatory practice, the commissioner shall, within ten days of the determination, serve upon the charging party and respondent written notice of the determination. Within ten days after receipt of notice, the charging party may request in writing on forms prepared by the department that the commissioner reconsider his determination. The request shall contain a brief statement of the reasons for and new evidence in support of the request for reconsideration. At the time of submission of the request to the commissioner, the charging party shall deliver or mail to the respondent a copy of the request for reconsideration. The commissioner shall either reaffirm or reverse his determina-

tion of no probable cause within 20 days after receipt of the request for reconsideration, and he shall within ten days notify in writing the charging party and respondent of his decision to reaffirm or reverse.

A decision by the commissioner that no probable cause exists to credit the allegations of an unfair discriminatory practice shall not be appealed to the court of appeals pursuant to section 363.072 or sections 14.63 to 14.68.

(3) If the commissioner determines after investigation that probable cause exists to credit the allegations of unfair discriminatory practices, the commissioner shall serve on the respondent and his attorney if he is represented by counsel, by first class mail, a notice setting forth a short plain written statement of the alleged facts which support the finding of probable cause and an enumeration of the provisions of law allegedly violated. If the commissioner determines that attempts to eliminate the alleged unfair practices through conciliation pursuant to subdivision 5 have been or would be unsuccessful or unproductive, the commissioner shall issue a complaint and serve on the respondent, by registered or certified mail, a written notice of hearing together with a copy of the complaint, requiring the respondent to answer the allegations of the complaint at a hearing before a hearing examiner at a time and place specified in the notice, not less than ten days after service of said complaint. A copy of the notice shall be furnished to the charging party and the attorney general.

(4) If, at any time after the filing of a charge, the commissioner has reason to believe that a respondent has engaged in any unfair discriminatory practice, the commissioner may file a petition in the district court in a county in which the subject of the complaint occurs, or in a county in which a respondent resides or transacts business, seeking appropriate temporary relief against the respondent, pending final determination of proceedings under this chapter, including an order or decree restraining him from doing or procuring an act tending to render ineffectual an order the commissioner may enter with respect to the complaint. The court shall have power to grant temporary relief or a restraining order as it deems just and proper, but no relief or order extending beyond ten days shall be granted except by consent of the respondent or after hearing upon notice to the respondent and a finding by the court that there is reasonable cause to believe that the respondent has engaged in a discriminatory practice. Except as modified by this section, the Minnesota rules of civil procedure shall apply to an application, and the district court shall have authority to grant or deny the relief sought on conditions as it deems just and equitable. All hearings under this section shall be given precedence as nearly as practicable over all other pending civil actions.

(5) If a lessor, after he has engaged in a discriminatory practice defined in section 363.03, subdivision 2, clause (1), (a),

leases or rents a dwelling unit to a person who has no knowledge of the practice or of the existence of a charge with respect to the practice, the lessor shall be liable for actual damages sustained by a person by reason of a final order as provided in this section requiring the person to be evicted from the dwelling unit.

(6) In any complaint issued under this section, the commissioner may seek relief for a class of individuals affected by an unfair discriminatory practice occurring on or after a date (SIX MONTHS) 300 days prior to the filing of the charge from which the complaint originates.

(7) The commissioner may adopt policies to determine which charges are processed and the order in which charges are processed based on their particular social or legal significance, administrative convenience, difficulty of resolution, or other standard consistent with the provisions of this chapter.

(8) *The hearing examiner shall adopt policies to provide sanctions for intentional and frivolous delay caused by any charging party or respondent in an investigation, hearing, or any other aspect of proceedings before the department under this chapter.*

Sec. 4. Minnesota Statutes 1982, section 363.071, is amended by adding a subdivision to read:

Subd. 1a. [HEARINGS 180 DAYS AFTER CHARGE.] At any time after 180 days from the filing of a charge, if there has been neither a finding of probable cause nor of no probable cause, the charging party may file a request with the commissioner to appear at a hearing on his own behalf or through a private attorney. Upon receipt of the request, the commissioner shall review the documents and information held in the department's files concerning the charge and shall release to the charging party and respondent all documents and information that is accessible to the charging party and respondent under sections 13.01 to 13.87. The commissioner shall forward the request for hearing to the office of administrative hearings, which shall promptly set the matter for hearing. If the charging party prevails at this hearing, the hearing examiner may require the respondent to reimburse the charging party for reasonable attorney's fees.

Sec. 5. Minnesota Statutes 1983 Supplement, section 363.071, subdivision 2, is amended to read:

Subd. 2. [DETERMINATION OF DISCRIMINATORY PRACTICE.] The hearing examiner shall make findings of fact and conclusions of law, and if the hearing examiner finds that the respondent has engaged in an unfair discriminatory practice, the hearing examiner shall issue an order directing the

respondent to cease and desist from the unfair discriminatory practice found to exist and to take such affirmative action as in the judgment of the examiner will effectuate the purposes of this chapter. Such order shall be a final decision of the department. The examiner shall order any respondent found to be in violation of any provision of section 363.03 to pay a civil penalty to the state. This penalty is in addition to compensatory and punitive damages to be paid to an aggrieved party. The hearing examiner shall determine the amount of the civil penalty to be paid, taking into account the seriousness and extent of the violation, the public harm occasioned by the violation, whether the violation was intentional, and the financial resources of the respondent. Any penalties imposed under this provision shall be paid into the general fund of the state. In all cases *where the examiner (MAY) finds that the respondent has engaged in an unfair discriminatory practice the examiner shall order the respondent to pay an aggrieved party, who has suffered discrimination, compensatory damages (, INCLUDING DAMAGES FOR MENTAL ANGUISH OR SUFFERING, AND,) in an amount up to three times the actual damages sustained.* In all cases, the examiner may also order the respondent to pay an aggrieved party, who has suffered discrimination, *damages for mental anguish or suffering and reasonable attorney's fees, in addition to punitive damages in an amount not more than \$6,000.* Punitive damages shall be awarded pursuant to section 549.20. In any case where a political subdivision is a respondent the total of punitive damages awarded an aggrieved party may not exceed \$6,000 and in that case if there are two or more respondents the punitive damages may be apportioned among them. Punitive damages may only be assessed against a political subdivision in its capacity as a corporate entity and no regular or ex officio member of a governing body of a political subdivision shall be personally liable for payment of punitive damages pursuant to this subdivision. In addition to the aforesaid remedies, in a case involving discrimination in

(a) employment, the examiner may order the hiring, reinstatement or upgrading of an aggrieved party, who has suffered discrimination, with or without back pay, admission or restoration to membership in a labor organization, or his admission to or participation in an apprenticeship training program, on-the-job-training program, or other retraining program, or any other relief the examiner deems just and equitable.

(b) housing, the examiner may order the sale, lease, or rental of the housing accommodation or other real property to an aggrieved party, who has suffered discrimination, or the sale, lease or rental of a like accommodation or other real property owned by or under the control of the person against whom the complaint was filed, according to terms as listed with a real estate broker, or if no such listing has been made, as otherwise advertised or offered by the vendor or lessor, or any other relief the examiner deems just and equitable.

The examiner shall cause the findings of fact, conclusions of law, and order to be served on the respondent personally, the charging party by registered or certified mail, and shall furnish copies to the attorney general and the commissioner.

Sec. 6. Minnesota Statutes 1983 Supplement, section 363.072, subdivision 1, is amended to read:

Subdivision 1. [APPEAL.] The commissioner or a person aggrieved by a final decision of the department reached after a hearing held pursuant to section 363.071 may seek judicial review in accordance with chapter 14. *The attorney general shall represent on appeal, a charging party who prevailed at a hearing authorized by section 4, if the charging party requests representation within ten days after receipt of the petition for appeal.*

Sec. 7. Minnesota Statutes 1982, section 363.116, is amended to read:

363.116 [TRANSFER TO COMMISSIONER.]

A local commission may refer a matter under its jurisdiction to the commissioner.

The charging party has the option of filing a charge either with a local commission or the department. *Notwithstanding the provisions of any ordinance to the contrary, a charge may be filed with a local commission within 300 days after the occurrence of the practice.* The exercise of such choice in filing a charge with one agency shall preclude the option of filing the same charge with the other agency. At the time a charge comes to the attention of a local agency, the agency or its representative shall inform the charging party of this option, and of his rights under Laws 1967, Chapter 897.

The term "local commission" as used in this section has the same meaning given the term in section 363.115.

Sec. 8. Minnesota Statutes 1982, section 363.14, subdivision 1, is amended to read:

Subdivision 1. [COURT ACTIONS, SUITS BY PRIVATE PARTIES, INTERVENTION.] A person may bring a civil action seeking redress for an unfair discriminatory practice:

(a) Directly to district court; or

(b) Notwithstanding the provisions of any law to the contrary, (1) within 45 days after the commissioner has dismissed a charge because it is frivolous or without merit, because the

charging party has failed to provide required information, because the commissioner has determined that further use of department resources is not warranted, or because the commissioner has determined that there is no probable cause to credit the allegations contained in a charge filed with the commissioner; (2) within 45 days after the commissioner has reaffirmed his determination of no probable cause if the charging party requested a reconsideration of the probable cause determination; or ((2)) (3) after 45 days from the filing of a charge pursuant to section 363.06, subdivision 1 if a hearing has not been held pursuant to section 363.071 or if the commissioner has not entered into a conciliation agreement to which the charging party is a signator. The charging party shall notify the commissioner of his intention to bring a civil action, which shall be commenced within 90 days of giving the notice;

(c) The commissioner may dismiss, without prejudice to the charging party, any case filed with the department on or before June 30, 1978. The commissioner shall notify a charging party by regular mail sent before August 1, 1981, that he has a right to bring a civil action pursuant to this section. Upon giving this notice the commissioner shall end all proceedings in the department relating to the charge. Notwithstanding any statutory period of limitation to the contrary, an individual notified pursuant to this clause may bring a civil action relating to his charge; provided that the action is filed on or before February 1, 1982.

A charging party bringing a civil action shall mail by registered or certified mail a copy of the summons and complaint to the commissioner, and upon their receipt the commissioner shall terminate all proceedings in the department relating to the charge. No charge shall be filed or reinstated with the commissioner after a civil action relating to the same unfair discriminatory practice has been brought unless the civil action has been dismissed without prejudice.

Upon application by the complaining party to the district court at a special term and under circumstances the court deems just, the court may appoint an attorney for the person and may authorize the commencement of the action without payment of fees, costs, or security.

Upon timely application, the court may permit the department to intervene in a civil action brought pursuant to this section upon certification that the case is of general public importance.

Sec. 9. Minnesota Statutes 1982, section 363.14, subdivision 2, is amended to read:

Subd. 2. [DISTRICT COURT JURISDICTION.] Any action brought pursuant to this section shall be filed in the district

court of the county wherein the unlawful discriminatory practice is alleged to have been committed or where the respondent resides or has his principal place of business.

Any action brought pursuant to this chapter shall be heard and determined by a judge sitting without a jury.

If the court finds that the respondent has engaged in an unfair discriminatory practice, it shall issue an order directing (SUCH) *appropriate* relief (AS IT DEEMS APPROPRIATE AND WHICH EFFECTUATES THE PURPOSE OF THIS CHAPTER. SUCH RELIEF SHALL BE LIMITED TO THAT PERMITTED) *as provided* by section 363.071, subdivision 2.

Sec. 10. [EFFECTIVE DATE; APPLICATION.]

Sections 1 to 9 are effective August 1, 1984. Section 4 applies only to causes of action arising after the effective date of this act."

Sec. 8. [184A.08] [TERM OF LICENSE; EXPIRATION.]

The license when first issued shall run to the next birthday of the applicant. The license shall then be renewed within the 30 days preceding the licensee's birthday and shall run from birthday to birthday. In case the applicant is a partnership, the license shall be renewed within the 30 days preceding the birthday of the oldest partner. If the applicant is a corporation, the license shall be renewed within the 30 days preceding the anniversary of the date the corporation was lawfully formed. Sec. 10. [184A.10] [BONDS.]

Applications for an entertainment agency license shall be accompanied by a bond in the penal sum of \$10,000 with one or more sureties or a duly authorized surety company to be approved by the department and filed in the office of the secretary of state, conditioned that the entertainment agency and each member, shareholder, director, or officer of a firm, partnership, corporation, or association operating as an entertainment agency will conform to and not violate sections 2 to 19 or violate the covenants of a contract made by an entertainment agent in the conduct of business. Action on this bond may be brought by, and prosecuted in the name of, a person damaged by a breach of a condition of the bond. Successive actions may be maintained.

The secretary of state shall be paid a filing fee of \$5 per bond in addition to the fees outlined in section 9.

Sec. 11. [184A.11] [TRANSFER.]

No licensee shall sell, transfer, or give away an interest in, or the right to participate in the profits of, the entertainment agency without the written consent of the department. Consent may be withheld for any reason for which an original application for a license might have been rejected if the person in question had been mentioned in it.

Sec. 12. [184A.12] [ISSUANCE; REFUSAL; REVOCATION; SUSPENSION.]

The department shall issue a license as an entertainment agent, to a person who qualifies for the license under the terms of sections 4 to 10. The department may refuse to issue an entertainment agency license when, after due investigation, the department finds that the character of the applicant makes him unfit to be an entertainment agent, or when the premises for conducting the business of an entertainment agent is found upon investigation to be unfit for this use. No agency license shall be issued to a person, firm, corporation, or association that has, within the past three years, been convicted of fraud or felony. No license shall be issued to an attorney whose license to practice law has been suspended or revoked, for a period of three years after the date of the suspension or revocation. (a) the entertainment agent has violated a condition of the bond required by section 10;

(b) the person or entertainment agent has personally engaged in a fraudulent, deceptive, or dishonest practice;

(c) the person or entertainment agent has violated any provisions of sections 2 to 19; or

(d) the person or entertainment agent has been legally adjudicated incompetent and has not been restored to capacity.

This section shall not be construed to relieve a person from civil liability or from criminal prosecution under the laws of this state. A violation of this section shall be treated as a violation of section 325F.69.

Sec. 13. [184A.13] [PROCEDURE FOR SUSPENSION OR REVOCATION.]

Subdivision 1. [INCOMPETENCY.] Upon an adjudication of incompetency, revocation shall be automatic and shall be permanent except that in the event of restoration to capacity a license may be reissued to such person on payment of all fees.

Subd. 2. [OTHER CASES.] In all other cases the department may not refuse to issue a license or suspend or revoke a license unless it furnishes the person or entertainment agent with a written statement of the charges against him and affords him an opportunity to be heard on the charges. He shall be given at least ten days' written notice of the date and time of the hearing. The notice shall be sent by certified mail to the address of the person as shown on his application for license or it may be served in the manner in which a summons is served in civil cases commenced in the district court.

Subd. 3. [HEARING.] At the hearing, the person or entertainment agent whose license application or continuance is in question shall have the right to appear personally and be represented by counsel, and to cross-examine witnesses against him and to produce evidence and witnesses in his defense, and shall have the right to have witnesses subpoenaed, which subpoena shall be issued by the commissioner.

Sec. 14. [184A.14] [APPEAL TO DISTRICT COURT.]

If the department refuses to grant a license, or suspends or revokes a license that has been granted, the applicant shall have the right of appeal to the district court of the county of the applicant's residence. If the applicant is not a resident of the state, he may appeal to the district court for Ramsey county. The court shall advance cases on their calendars for early disposition. In counties having continuous sessions of court, the cases shall be heard within 20 days after appeal is perfected. Appeal shall be perfected by the service of a written notice of appeal upon the commissioner of labor and industry within 60 days after notice to the applicant of the department's action.

Sec. 15. [184A.15] [RECORDS.]

Subdivision 1. [DEPARTMENT RECORDS.] The department shall keep a record of its proceedings which shall be open to the public for inspection at reasonable times, and a register of applicants for licenses. Records shall include the name and address of the applicants, the date of application, place of business, place of residence, whether the applicant was rejected or a license granted, and the date the license was granted.

Subd. 2. [ENTERTAINMENT AGENCY RECORDS.] Entertainment agencies shall keep records approved by the department in which shall be entered:

(a) *the name and address of each artist employing the agency;*

(b) *the amount of fee received from the artist;*

(c) *the employment in which the artist is engaged at the time of employing the agency, and the amount of the artist's compensation in the employment, if any; and*

(d) *the employments subsequently secured by the artist during the term of the contract between the artist and the entertainment agency, and the amount of compensation received by the artist.*

Sec. 16. [184A.16] [POWERS AND DUTIES OF THE DEPARTMENT.]

It is the duty of the department to administer the provisions of this act. The department shall have the power to compel the attendance of witnesses by the issuance of subpoenas, to administer oaths, and to take testimony and proofs concerning matters within its jurisdiction. The department shall affix an official seal to certificates or licenses granted and shall make rules not inconsistent with law needed to perform its duties.

Sec. 17. [SUPERVISORY AND INVESTIGATIVE AUTHORITY.]

The department shall have supervisory and investigative authority over entertainment agents. The department shall have the right to examine only those records required to be kept by this act.

Sec. 18. [AGENCY CONDUCT.]

Subdivision 1. [UNLAWFUL EMPLOYMENT.] No entertainment agent shall place or assist in placing a person in unlawful employment.

for the employment, the entertainment agency shall, upon demand, repay to the artist the full amount of the fee and expenses actually collected.

Subd. 4. [ACTIONS.] Actions brought in any court against a licensee may be brought in the name of the person damaged upon the bond deposited with the state by the licensee, and may be transferred and assigned as other claims for damages. The amount of damages claimed by plaintiff, and not the penalty named in the bond, determines the jurisdiction of the court in which the action is brought.

Subd. 5. [SERVICE ON DEPARTED LICENSEE.] When a licensee has departed from the state with intent to defraud creditors or to avoid service of summons in an action brought under this act, service shall be made upon the surety as prescribed in the rules of civil procedure. A copy of the summons shall be mailed to the licensee at the last known post-office address of his residence and also at the place where the business of the entertainment agency was conducted as shown by the records of the department. Service is complete as to the licensee, after mailing, at the expiration of the time prescribed by the rules of civil procedure for service of summons in the particular court in which suit is brought.

Sec. 19. [ARBITRATION PURSUANT TO CONTRACT CLAUSE.]

A provision in a contract providing for the decision by arbitration of a controversy under the contract or as to its existence, validity, construction, performance, nonperformance, breach, operation, continuance, or termination, shall be valid if the provision is contained in a contract between an entertainment agency and a person for whom the agency under the contract undertakes to endeavor to secure employment.

Sec. 20. [PENALTY.]

A person, agent, or officer of an agent, who violates any provision of this act is guilty of a misdemeanor, punishable by a fine of not less than \$25 nor more than \$250 or imprisonment for a period of not more than 60 days, or both.

A person, firm, or corporation who shall split, divide, or share, directly or indirectly, a fee, charge, or compensation received from an employee with an employer, or person in any way connected with the business, shall be punished by a fine of not less than \$500, and not more than \$1,000, or, on failure to pay the fine, by imprisonment for a period not to exceed one year, or both, at the discretion of the court."

Sec. 48. Minnesota Statutes 1983 Supplement, section 16.083, is amended to read:

16.083 [(PROCUREMENT) DESIGNATION OF PROCUREMENTS FROM SMALL BUSINESSES.]

Subdivision 1. [SMALL BUSINESS (AND MINNESOTA CORRECTIONAL INDUSTRIES SET-ASIDES) *PROCUREMENTS*.] The commissioner of administration shall for each fiscal year (DESIGNATE AND SET ASIDE FOR AWARDING TO) *ensure that small businesses (AND MINNESOTA CORRECTIONAL INDUSTRIES) receive a total of (APPROXIMATELY) at least 25 percent of the value of anticipated total state procurement of goods and services, including printing and construction.* The commissioner shall divide the procurements so designated into contract award units of economically feasible production runs in order to facilitate offers or bids from small businesses (AND MINNESOTA CORRECTIONAL INDUSTRIES). In making (HIS) *the annual designation of (SET-ASIDE) such procurements the commissioner shall attempt (1) to vary the included procurements so that a variety of goods and services produced by different small businesses (SHALL BE SET ASIDE) are obtained each year, and (2) to designate (SET-ASIDE) small business procurements in a manner that will encourage proportional distribution of (SET-ASIDE) such awards among the geographical regions of the state. To promote the geographical distribution of set-aside awards, the commissioner may designate a portion of the small business set-aside procurement for award to bidders from a specified congressional district or other geographical region specified by the commissioner. The failure of the commissioner to (SET ASIDE) desig-*

nate particular procurements shall not be deemed to prohibit or discourage small businesses (OR MINNESOTA CORRECTIONAL INDUSTRIES) from seeking the procurement award through the normal solicitation and bidding processes.

Subd. 1a. [CONSULTANT, PROFESSIONAL AND TECHNICAL PROCUREMENTS.] Every state agency shall for each fiscal year designate (AND SET ASIDE) for awarding to small businesses with their principal place of business in Minnesota (APPROXIMATELY) *at least 25 percent of the value of anticipated procurements of that agency for consultant services or professional and technical services. The set-aside under this subdivision is in addition to that provided by subdivision 1, but shall otherwise comply with section 16.098 (AND THE SET-ASIDE FOR BUSINESSES OWNED AND OPERATED BY SOCIALLY OR ECONOMICALLY DISADVANTAGED PERSONS). At least six percent of all these procurements for consultant services or professional or technical services shall be set aside for small businesses owned and operated by socially or economically disadvantaged persons.*

Subd. 2. [NEGOTIATED PRICE OR BID CONTRACT.] The commissioner may elect to use either a negotiated price or bid contract procedure *as may be appropriate in the awarding of a procurement contract under the set-aside or preference program established in sections 16.081 to 16.086. The amount of an award shall not exceed by more than five percent the commissioner's estimated price for the goods or services, if they were to be purchased on the open market and not under this set-aside program. Surety bonds guaranteed by the federal small business administration and second party bonds shall be acceptable security for a construction award under this section.*

Subd. 3. [DETERMINATION OF ABILITY TO PERFORM.] Before (ANNOUNCING A SET-ASIDE) *making an award under the set-aside or preference programs for small businesses owned and operated by socially or economically disadvantaged persons, the commissioner shall evaluate whether the small business (OR MINNESOTA CORRECTIONAL INDUSTRY) scheduled to receive the award is able to perform the (SET-ASIDE) contract. (THIS SHALL BE DONE IN CONSULTATION WITH AN AUTHORIZED AGENT OF THE MINNESOTA CORRECTIONAL INDUSTRIES PROGRAM.) This determination shall include consideration of production and financial capacity and technical competence.*

Subd. 4. [PREFERENCE (TO) AND SET-ASIDE PROGRAM FOR SMALL BUSINESSES OWNED AND OPERATED BY SOCIALLY OR ECONOMICALLY DISADVANTAGED PERSONS.] At least (24) *six percent of the value of (THE) all procurements (DESIGNATED FOR SET-ASIDE AWARDS) shall be (AWARDED) set-aside, if possible,*

for award to businesses owned and operated by socially or economically disadvantaged persons. In addition, three percent of the value of all procurements shall be designated for award under the preference program provided for below. The commissioner shall designate set-aside procurements in a manner that will encourage proportional distribution of set-aside awards among the geographical regions of the state. To promote the geographical distribution of set-aside awards, the commissioner may designate a portion of the set-aside for small businesses owned and operated by socially or economically disadvantaged persons for award to bidders from a specified congressional district or other geographical region specified by the commissioner. The commissioner may allow small businesses owned and operated by socially or economically disadvantaged persons a five percent preference in the bid amount on selected state procurements. The commissioner may promulgate rules relative to the set-aside and preference programs provided for in this subdivision. In the event small businesses owned and operated by socially or economically disadvantaged persons are unable to perform at least 24 percent of the set-aside awards, the commissioner shall award the balance of the set-aside contracts to other small businesses. At least 50 percent of the value of the procurements awarded to businesses owned and operated by socially or economically disadvantaged persons shall actually be performed by the business to whom the award is made or another business owned and operated by a socially or economically disadvantaged person or persons. The commissioner shall not designate more than 20 percent of any commodity class for set-aside to businesses owned and operated by socially or economically disadvantaged persons. A business owned and operated by socially or economically disadvantaged persons that has been awarded more than (FIVE PERCENT) three-tenths of one percent of the value of the total anticipated (SET-ASIDE) procurements for a fiscal year under this subdivision is disqualified from receiving further set-aside (AWARDS) or preference advantages for that fiscal year.

Subd. 4a. [CONTRACTS IN EXCESS OF \$200,000; SET-ASIDE.] The commissioner as a condition of awarding state procurements for construction contracts or approving contracts for consultant, professional, or technical services pursuant to section 16.098 in excess of \$200,000 shall require that at least ten percent of the contract award to a prime contractor be subcontracted to a business owned and operated by a socially or economically disadvantaged person or persons. Any subcontracting pursuant to this subdivision shall not be included in determining the total amount of (SET-ASIDE) awards required by subdivisions 1, 1a, and 4 (, OR ANY PREFERENCE PROGRAM AUTHORIZED BY THE COMMISSIONER PURSUANT TO SECTION 16.085). In the event small businesses owned and operated by socially and economically disadvantaged persons are unable to perform ten percent of the prime contract award, the commissioner shall require that other small businesses perform at least ten percent of the prime contract award. The commissioner may

determine that small businesses owned and operated by socially and economically disadvantaged persons are unable to perform at least ten percent of the prime contract award prior to the advertising for bids. Each construction contractor bidding on a project over \$200,000 shall submit with the bid a list of the businesses owned and operated by socially or economically disadvantaged persons that are proposed to be utilized on the project with a statement indicating the portion of the total bid to be performed by each business. The commissioner shall reject any bid to which this subdivision applies that does not contain this information. Prime contractors receiving construction contract awards in excess of \$200,000 shall furnish to the commissioner the name of each business owned and operated by a socially or economically disadvantaged person or persons or other small business that is performing work on the prime contract and the dollar amount of the work performed or to be performed.

This subdivision does not apply to prime contractors that are themselves small businesses owned and operated by socially or economically disadvantaged persons, as duly certified pursuant to section 16.085.

(SUBD. 4B. [PREFERENCE TO MINNESOTA CORRECTIONAL INDUSTRIES.] AT LEAST 15 PERCENT OF THE VALUE OF PROCUREMENTS DESIGNATED FOR SET-ASIDE AWARDS SHALL BE AWARDED, IF POSSIBLE, TO MINNESOTA CORRECTIONAL INDUSTRIES, ESTABLISHED AND UNDER THE CONTROL OF THE COMMISSIONER OF CORRECTIONS UNDER SECTION 241.27, FOR THE VARIETY OF GOODS AND SERVICES PRODUCED BY THE MINNESOTA CORRECTIONAL INDUSTRIES, UNLESS THE COMMISSIONER OF CORRECTIONS ACTING THROUGH AN AUTHORIZED AGENT CERTIFIES THAT MINNESOTA CORRECTIONAL INDUSTRIES CANNOT PROVIDE THEM. IF THE CORRECTIONAL INDUSTRIES ARE UNABLE TO PERFORM AT LEAST 15 PERCENT OF THE SET-ASIDE AWARDS, THE COMMISSIONER SHALL AWARD THE BALANCE OF THE SET-ASIDE CONTRACTS TO SMALL BUSINESSES.)

Subd. 5. [RECOURSE TO OTHER BUSINESSES.] In the event that subdivisions 1 to (4B) 4a do not operate to extend a contract award to a small business (OR THE MINNESOTA CORRECTIONAL INDUSTRIES,) the award shall be placed pursuant to the normal solicitation and award provisions set forth in this chapter. The commissioner shall thereupon designate (AND SET ASIDE) for small businesses (OR THE MINNESOTA CORRECTIONAL INDUSTRIES) additional state procurements corresponding in approximate value to the contract unable to be awarded pursuant to subdivisions 1 to (4B) 4a.

Subd. 6. [PROCUREMENT PROCEDURES.] All laws and rules pertaining to solicitations, bid evaluations, contract

awards and other procurement matters shall apply as consistent to procurements (SET ASIDE) *designated* for small businesses (OR MINNESOTA CORRECTIONAL INDUSTRIES). In the event of conflict with other rules, the provisions of sections 16.081 to 16.086 and rules promulgated pursuant thereto shall govern.

Sec. 49. Minnesota Statutes 1983 Supplement, section 16.28, subdivision 2, is amended to read:

Subd. 2. [PURCHASES OVER \$100.] Purchases may also be made under subdivision 1, clause (17) when the amount involved exceeds \$100 if:

(1) (THE PURCHASES ARE MADE IN ACCORDANCE WITH RULES ADOPTED PURSUANT TO SECTION 16.085;)

((2)) the agency making the purchases has adopted a plan to make ten percent of the purchases on an annual basis from businesses owned and operated by socially and economically disadvantaged persons and to make purchases from vendors throughout the state for any agency that has offices located statewide, and to make purchases from local vendors by agency offices. *If an agency plan does not provide for making the ten percent of purchases required, it must submit to the commissioner written evidence of the agency's good faith effort to locate vendors that are businesses owned and operated by socially or economically disadvantaged persons. The commissioner of administration may promulgate temporary rules that will define, for purposes of this section, what constitutes a "good faith effort." Before the commissioner approves any agency plan that provides for less than ten percent purchases from socially and economically disadvantaged vendors, the plan must be provided to the small business advisory council for its review;*

((3)) (2) the amount involved does not exceed \$1,000 from July 1, 1983 to June 30, 1984, and \$1,500 on and after July 1, 1984; and

((4)) (3) the purchases are made after solicitation of at least three price quotations, whenever possible, which may be oral quotations, but of which the agency must keep a written record.

Sec. 91. [94.165] [LAND ACQUISITION ACCOUNT.]

There is created in the state treasury a land acquisition account. Subject to appropriation by law, money in the account is available to the commissioner of natural resources for the acquisition of natural resource lands or interests in lands within the outdoor recreation system established in chapter 86A.

Subd. 11. [WASTE TIRE.] "Waste tire" means a tire that is no longer suitable for its original intended purpose because of wear, damage, or defect.

Sec. 93. [115A.902] [PERMIT; TIRE COLLECTORS, PROCESSORS.]

Subdivision 1. [PERMIT REQUIRED.] A tire collector or tire processor with more than 500 waste tires shall obtain a permit from the agency unless exempted in subdivision 2. The agency may by rule require tire collectors or tire processors with less than 500 waste tires to obtain permits unless exempted by subdivision 2.

Subd. 2. [EXEMPTIONS.] A permit is not required for:

(1) a retail tire seller for the retail selling site if no more than 500 waste tires are kept on the business premises;

(2) an owner or operator of a tire retreading business for the business site if no more than 3,000 waste tires are kept on the business premises;

Sec. 95. [115A.906] [WASTE TIRE NUISANCE; ABATEMENT.]

Subdivision 1. [NUISANCE.] A tire dump unreasonably endangers the health, safety, and comfort of individuals and the public and is a nuisance.

Subd. 2. [ABATEMENT.] The agency may abate a nuisance by processing and removing the tires. Before taking any action to

abate a nuisance, the agency shall give notice to the tire collector responsible for the nuisance that the tires to be processed and removed constitute a nuisance and demand that the tires be shredded or chipped or removed within a specified period. Failure of the tire collector to take the required action within the specified period shall result in the issuance of an agency order to abate the nuisance. The abatement order may include entering the property where the nuisance is located, taking tires into public custody, and providing for their processing and removal. The agency order may be enforced pursuant to the provisions of section 115.071.

Subd. 3. [RECOVERY OF EXPENSES.] Any reasonable and necessary expenses incurred by the agency for abatement costs, and administrative and legal expenses, may be recovered in a civil action brought by the attorney general against any tire collector responsible for the nuisance. The agency's certification of expenses shall be prima facie evidence that the expenses are reasonable and necessary.

Subd. 4. [OTHER ABATEMENT.] This section does not change the existing authority of a person or political subdivision to abate a tire dump nuisance. The agency may reimburse a person or political subdivision for the costs of abatement.

Subdivision 1. [FEE CHARGED.] A fee of \$4 shall be charged on the initial registration and each subsequent transfer of title within the state, other than transfers for resale purposes, of every motor vehicle weighing more than 1,000 pounds. The fee shall be collected in an appropriate manner by the motor vehicle registrar. Registration plates or certificates may not be issued by the motor vehicle registrar for the ownership or operation of a motor vehicle subject to the transfer fee unless the fee is paid. The fee may not be charged on the transfer of:

(1) previously registered vehicles if the transfer is to the same person;

(2) vehicles subject to the conditions specified in section 297A.25, subdivision 1, clause (j); or

(3) vehicles purchased in another state by a resident of another state if more than 60 days have elapsed after the date of purchase and the purchaser is transferring title to this state and has become a resident of this state after the purchase.

Subd. 2. [DEPOSIT OF REVENUE.] Revenue collected shall be credited to the general fund.

(TO DETERMINE THE ENERGY EFFICIENCY RATIO, ALL ROOM AIR CONDITIONER MODELS SHALL BE TESTED IN ACCORDANCE WITH THE METHODS AND CONDITIONS SPECIFIED IN AMERICAN NATIONAL STANDARD Z234.1, AND AMERICAN SOCIETY OF HEATING, REFRIGERATING, AND AIR CONDITIONING ENGINEERS STANDARD 16-69) *The cooling capacity, electrical input, and energy efficiency ratio of room air conditioners and room air conditioning heat pumps is determined by using the standard for room air conditioners, approved by the American National Standards Institute on April 20, 1982, known as ANSI/AHAM RAC-1, with ASHRAE 58-74 used in lieu of ASHRAE 58-65. The method of sampling of room air conditioners shall be that required by the Department of Energy and found in 44 Federal Register 22410-22418 (April 13, 1979).* A new room air conditioner having dual voltage ratings shall conform to the energy efficiency ratio requirements at each rating. Sec. 105. Minnesota Statutes 1982, section 116J.36, as amended by Laws 1983, chapter 301, section 129, is amended to read:

116J.36 [DISTRICT HEATING AND QUALIFIED ENERGY IMPROVEMENT LOANS.]

Subdivision 1. [POLICIES.] Developing and improving efficient and economical district heating systems *and certain public works capital improvements that conserve energy or substitute a lower cost, more plentiful, or indigenous fuel* is a public purpose for state and local financing and a proper function of state and local government. Climate and geography make a reliable, economic supply of energy essential for (INDUSTRIAL, COMMERCIAL) *industry, commerce, and residential heating. Imported supplies of certain fuels are increasingly costly, unreliable, and environmentally disadvantageous. District heating systems employing cogeneration techniques and innovative technology offer an important means of increasing the efficiency of Minnesota's energy systems and reducing the state's reliance on imported energy supplies. The combination of the large initial capital cost and investors' lack of familiarity with district heating has made the private market reluctant to provide the necessary capital for district heating projects. As a result, public leadership, cooperation, and aid are needed to demonstrate the feasibility of district heating systems by establishing economically viable municipal district heating systems as demonstration projects. Qualified energy improvements may offer municipalities opportunities for reducing energy costs or generating revenues from wastes. Municipal district heating systems and other qualified improvements may be financed by loans from the state and from other sources available to municipalities.*

Subd. 2. [DEFINITIONS.] In this section:

(a) "Construction costs" means all costs associated with the construction, modification or expansion of a district heating system except for preliminary planning costs and detailed design costs. Construction costs include the cost of debt service from the time a construction loan is made until five years after the beginning of the operation of the district heating system constructed or the part of the system being modified or expanded.

(b) "District heating" means the use of a central energy conversion facility to produce hot water or steam for a district heating system. District heating facilities may also produce electricity in addition to hot water or steam.

(c) "Municipality" means any county, city, town, *school district or a municipal power agency (, OR) formed pursuant to sections 453.53 to 453.62. Municipality also means a public utility, as defined in section 452.01, subdivision 3, owned and operated by a city, however organized (OR). For purposes of a district heating system only, municipality also means a nonprofit corporation organized pursuant to the provisions of chapter 317 whose membership is limited to the mayor and governing body of the city in which the district heating system is located.*

(d) "District heating system" means any existing or proposed facility for (1) the production, through cogeneration or otherwise, of hot water or steam to be used for district heating, or (2) the transmission and distribution of hot water or steam for district heating either directly to heating consumers or to another facility or facilities for transmission and distribution, or (3) any part or combination of the foregoing facilities.

(e) "Qualified energy improvement" means a cost-effective capital improvement to public land, buildings, or energy using systems, other than a district heating system, including the purchase or installation of equipment to reduce the usage of conventional energy sources or to use alternative energy resources. Qualified energy improvements also include waste-to-energy facilities that meet the criteria specified in subdivision 8a and any rule adopted under that subdivision. Qualified energy improvements shall meet all environmental and permitting standards established by state and federal law.

Subd. 3. [ELIGIBILITY, DISTRICT HEATING.] The commissioner of finance, upon (REQUEST) recommendation of the (GOVERNOR) authority, may make loans to municipalities for the acquisition, construction, expansion, or modification of district heating systems. A loan shall be made only to a municipality that has demonstrated to the authority that:

(a) The municipality has the financial capability to sponsor the project;

(b) The project is technologically feasible;

(c) The district heating project will become a cogeneration facility or the project will utilize hot water or, if the project involves an existing district steam heating system, the project will become integrated with a hot water district heating system, or the project will allow the use of nonpetroleum fuels or will construct an efficient heat transmission system; and

(d) The municipality has made adequate provision to assure proper and efficient operation and maintenance of the project after construction is completed.

Subd. 3a. [ELIGIBILITY, QUALIFIED ENERGY IMPROVEMENTS.] The commissioner of finance, upon recommendation of the authority, may make loans to a municipality for the acquisition, construction, or expansion of a qualified energy improvement. A loan shall be made only to a municipality that has demonstrated that:

(a) The municipality has the financial capability to sponsor the qualified energy improvement;

(b) *The improvement is technologically feasible;*

(c) *The improvement conforms to criteria specified in subdivision 8a and any rule adopted under it; and*

(d) *The municipality has made adequate provision to assure proper and efficient operation and maintenance of the improvement after construction is completed.*

Subd. 3b. [GRANT ELIGIBILITY, DISTRICT HEATING.] The commissioner of energy (, PLANNING) and economic development may provide planning grants to municipalities for planning related to the development of district heating systems. The municipality must demonstrate that a community heatload survey and map have been successfully completed, that potential district heating load is sufficiently large to justify further consideration, and that sufficient resources are available for the municipality to meet its financial requirements. Eligible planning grant costs include project definition, development of preliminary financing and distribution system plans, and obtaining commitment for detailed planning or design and preparation of a final report. The amount of the grant to a municipality is limited to 90 percent of eligible planning costs and shall not exceed \$70,000 as established by rule or temporary rule.

Subd. 3c. [GRANT ELIGIBILITY, QUALIFIED ENERGY IMPROVEMENTS.] *The commissioner of energy and economic development may provide planning grants to municipalities for planning related to the development of qualified energy improvements. The municipality must demonstrate that sufficient resources are available for the municipality to meet its financial requirements. Eligible planning grant costs include definition of the improvement, development of preliminary financing plans, and obtaining commitment for detailed planning or design and preparation of a final report. The amount of a grant to a municipality is limited to 90 percent of eligible planning costs and must not exceed \$100,000 as established by rule or temporary rule.*

Subd. 4. [PRIORITIES, DISTRICT HEATING.] The (COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT) authority shall give higher priority to a project that does more to achieve the following goals:

(a) The district heating conversion facility employs cogeneration techniques;

(b) The facility uses renewal or nonpetroleum sources of energy;

(c) The district heating facility will save petroleum or natural gas;

(d) The operation of the district heating facility will not have an adverse impact on the environment;

(e) The district heating facility may readily be expanded to serve additional customers or to supply additional amounts of energy, and market demand for the energy exists;

(f) The project has obtained additional financing from the federal government, private sources, or other sources of capital; and

(g) Other goals the (COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT) *authority* finds desirable for district heating systems.

Subd. 4a. [PRIORITIES, ENERGY IMPROVEMENTS.] The authority shall give higher priority to qualified energy improvements that best meet the following goals:

(a) *to increase the proportion of a municipality's energy needs that are met by renewable or indigenous energy resources;*

(b) *to provide a cost reduction or revenue source for the municipality;*

(c) *to provide multiple benefits to residents within the municipality; and*

(d) *to demonstrate technologies for solid waste treatment.*

Subd. 5. [APPLICATION.] Application for a loan to be made pursuant to subdivision 6 or 7 shall be made by a municipality to the (COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT) authority on a form prescribed by the (COMMISSIONER OF ENERGY, PLANNING AND ECONOMIC DEVELOPMENT BY RULE) authority. The (COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT) authority shall (REVIEW EACH APPLICATION AND) determine:

(a) *Whether or not the project or proposed energy improvement is eligible for a loan;*

(b) *The priority of the project or qualified energy improvement when ranked with (ALL) other eligible projects or improvements for which a loan application has been submitted;*

(c) *The total estimated cost of the project or improvement;*

(d) *The amount of the loan for which the project or improvement is eligible;*

- (e) The terms upon which the loan would be made; and
- (f) The means by which the municipality proposes to finance the project *or improvement*, including:
 - (1) A loan authorized by state law; or
 - (2) A grant of money appropriated by state law; or
 - (3) A grant to the municipality by an agency of the federal government within the amount of money then appropriated to that agency and allocated by it to projects *or improvements* within the state; or
 - (4) The appropriation of proceeds of bonds or other money of the municipality to an account for the construction of the project *or improvement*; or
 - (5) User charges, franchise fees, special assessments or taxes; or
 - (6) Any or all of the means referred to in clauses (1) to (5).

Subd. 6. [LOANS, DISTRICT HEATING AND QUALIFIED ENERGY IMPROVEMENTS.] Upon the recommendation of the (GOVERNOR) *authority* pursuant to subdivision 8, the commissioner of finance shall make loans to municipalities on the following terms:

(a) In the case of loans for design costs, the maximum amount of the loan shall be limited by the provisions of this clause. For cities of the first class *and counties containing a city of the first class, individually or through the exercise of joint powers agreements*, the amount of the loan shall not exceed 40 percent of the design costs. For cities of the second, third and fourth class, *and other municipalities*, the amount of the loan shall not exceed 90 percent of the design costs;

(b) In the case for loans for construction costs, a municipality must demonstrate that all design activities have been completed; that the project *or improvement* is economically and technologically feasible; that the district heating system *or qualified energy improvement* will be constructed, and that it has made adequate provisions to assure proper and efficient operation and maintenance of the project *or improvement*. For cities of the first class *and counties containing a city of the first class, individually or through the exercise of joint powers agreements*, the amount of the loan shall be up to 50 percent of the construction costs. For cities of the second class, the amount of the loan shall be up to 80 percent of the construction costs. For cities of the

third or fourth class, and other municipalities, the amount of the loan shall be up to 90 percent of the construction costs.

(c) A loan made pursuant to this section is repayable over a period of *not more than 20 years* (**WITH INTEREST PAYMENTS BEGINNING THE FIRST YEAR**) *from the date the loan is made*. Interest shall accrue from the date of the loan at a rate of interest assigned at the date of loan commitment, *but the first payment of interest shall not be due until one year after the loan was made*. Principal payments shall begin in the sixth year after the receipt of the loan on a 25 year level payment schedule with the balance of the principal to be retired with the payment due 20 years after receipt of the loan. *Interest attributable to the first year of deferred payment shall be amortized in equal periodic payments over the remainder of the term of the loan*. For each loan, the initial deposit to the state bond fund required by section 16A.65, subdivision 1, shall be made by the commissioner of finance, and no loan may be refused solely because the municipality does not provide the initial deposit.

(d) *The authority may also pledge a segregated portion of the energy development fund to guarantee or insure bonds and notes, or the interest rate thereon, issued by the commissioner of finance on behalf of the state of Minnesota for purposes of section 116J.36 or 116J.37.*

Subd. 7. [MODERN STEAM SYSTEMS.] (a) A municipality which has operating within its boundaries a modern steam district heating system owned by a district heating utility may apply for a loan or grant under this section even though the district heating project for which the loan or grant application is made may be planned, constructed, or owned by a district heating utility. The loan or grant application shall be treated in the same manner as loan or grant applications for district heating projects where the projects are to be planned, constructed, or owned by a municipality.

All or a portion of the proceeds of a loan made to a municipality described in this subdivision may be used to make loans to a district heating utility to provide financial assistance for the planning, modification, expansion or construction of a district heating project. Prior to making the loan to the district heating utility, the municipality shall:

(1) Adopt a district heating plan which identifies the areas of the city to be served by district heating; a time schedule indicating when service would be available in different areas of the city and the type of service to be offered; and

(2) Enter into a written agreement with the district heating utility which includes a requirement that the district heating utility restrict expansion of its existing steam system within its

current geographic boundaries as determined by the municipality and develop a hot water system on a specific time schedule.

(b) The powers, authority and obligations granted to a municipality under this subdivision are supplemental to the powers, authority and obligations granted all municipalities under this section.

Thereupon such parks or park lands may be developed, improved, protected and operated as a park as in case of lands otherwise acquired by the board. The Red Lake watershed district may study ways to improve the management of the Clearwater River.

Sec. 151. [MANUFACTURING GROWTH COUNCIL.]

Subdivision 1. [LEGISLATIVE FINDINGS AND PURPOSE.] The legislature finds that manufacturing is vital to the economic growth of Minnesota; that there is little knowledge or consensus of future economic policy orientation in manufacturing in Minnesota; that plant closings, job losses, and economic loss to communities continue to threaten economic life in our state; and that state and national business growth are undergoing patterns of change.

In response to these findings, Minnesota must provide leadership to examine issues relating to manufacturing by establishing a mechanism to encourage consensus, compromise, and broad support among diverse groups interested in Minnesota's economic growth. Representatives of manufacturing management, labor, and state government must work together to establish long-term goals for manufacturing growth through careful economic analysis. The legislature must clearly indicate to manufacturing labor and management that it is willing to address the problems of Minnesota manufacturers.

Subd. 2. [CREATION OF COUNCIL.] There is created the Minnesota Manufacturing Growth Council whose purpose is to address manufacturing concerns in Minnesota. The council shall consist of 21 members appointed by the governor. The governor shall serve as chairperson of the council. The governor shall appoint seven members who represent manufacturing labor; seven members who represent manufacturing management; the commissioners of economic security, energy and economic development, and labor and industry; one economist; and two members of the public-at-large. The governor shall seek to appoint at least one member representing manufacturing businesses owned or managed by women.

Subd. 3. [DUTIES.] The duties and responsibilities of the council are:

(1) to recommend realistic objectives and goals for state manufacturing growth;

(2) to collect and analyze manufacturing data necessary for state policymaking; the council shall monitor permanent plant closings, plant relocations to other states, out-of-state expansions by firms with headquarters or significant facilities in Minnesota, expansions within the state, and new plant start-ups; the council shall identify Minnesota's competitive position in the na-

tional and international marketplace in both general and industry-by-industry terms and shall forecast the current and long-term supply and demand by industry for Minnesota manufacturing labor and products;

(3) to devise a strategy for encouraging Minnesota-based firms to maintain or expand production and jobs in the state;

(4) to identify the kinds of manufacturing firms that may have a special economic advantage for locating in Minnesota;

(5) to provide a forum within state government to address concerns and problems of individual manufacturers;

(6) to make regularly scheduled advisory reports to the legislature that outline specific proposals for allocating state resources necessary to implement a manufacturing policy;

(7) to design systematic procedures for measuring the effect that proposed state policies will have on Minnesota's position in the competition for manufacturing jobs;

(8) to create a center for productivity with the following responsibilities: to organize an adopt-a-company program designed to give small- to medium-sized companies assistance in productivity, planning, implementation, and review; to promote productivity improvements by acting as an information resource; to determine a research program to evaluate productivity processes and measure the improvements of various programs; to encourage additional productivity partnerships between manufacturing labor, management, and educational institutions; and to sponsor group roundtables to discuss technology, improved productivity, and concern for job security on a sector-by-sector basis; and

(9) to conduct a study to consider establishing a program to assist troubled manufacturing firms by determining the feasibility of a state assistance program, outlining how the program might work, and estimating its potential costs.

Subd. 4. [OFFICES, STAFF, SUPPORT.] The commissioner of energy and economic development shall provide the council with suitable offices, staff, and general administrative support.

Subd. 5. [REPEALER.] This section is repealed June 30, 1986.

Sec. 152. [CONVENTION FACILITY COMMISSION.]

Subdivision 1. [LEGISLATIVE POLICY; PURPOSE.] The legislature finds that Minnesota does not have a conven-

tion facility that is competitive in the national and international convention market. The legislature also finds that establishing a world class convention center in Minnesota could be an economic development initiative of statewide significance that may make a major contribution to the state's economic development and employment objectives. It is therefore necessary to determine the potential for improving Minnesota's position in the national convention market, and to prepare a proposal for the construction, operation, maintenance, promotion, location, and financing of a world-class state convention facility.

Subd. 2. [COMMISSION; MEMBERSHIP, ADMINISTRATION.] (a) The Minnesota convention facility commission is established and shall be organized, structured, and administered as provided in this section.

(b) The commission consists of one member from each congressional district and up to seven additional members, including the chairman, appointed by the governor. Commission members shall be compensated as provided in Minnesota Statutes, section 15.0575; subdivision 3.

(c) The chairman of the commission shall be appointed by the governor. The chairman shall preside at all meetings of the commission, if present, and perform all other duties and functions assigned by the commission or by law. The commission may appoint from among its members a vice-chairman to act for the chairman during temporary absence or disability.

Subd. 3. [POWERS OF COMMISSION.] (a) [GENERAL.] The commission shall have all powers necessary or convenient to discharge the duties imposed by law, including those specified in this section.

(b) [ACTIONS.] The commission may sue and be sued and shall be a public body within the meaning of chapter 562.

(c) [EMPLOYEES; CONTRACTS FOR SERVICES.] The commissioner of energy and economic development may employ persons and contract for services necessary to carry out the functions of the commission. Employees are in the unclassified service and members of the Minnesota State Retirement System.

(d) [RESEARCH.] The commission may conduct research studies and programs, collect and analyze data, prepare reports, maps, charts, and tables, and conduct all necessary hearings and investigations in connection with its functions.

Subd. 4. [COMMISSION DUTIES.] (a) [COMMISSION'S REPORT.] Not later than February 5, 1985, the commission shall make a report to the governor and legislature containing the commission's findings and recommendations and a proposal for

It shall be unlawful for any person to (1) carry on the business of a livestock market agency (OR), livestock dealer, or *public stockyard* without a valid and effective license issued by the commissioner under the provisions of section 17A.04; (2) carry on the business of a livestock market agency or livestock dealer without filing and maintaining a valid and effective surety bond in conformity with sections 17A.04 and 17A.05; (3) carry on the business of a livestock market agency or livestock dealer if he cannot pay his debts as they become due or ceases to pay his debts in the ordinary course of business as they become due; (4) *use or allow to be used any livestock scale or monorail scale which has not been certified and approved for official use or has been found to be inaccurate*; (5) *fail to maintain and operate livestock or monorail scales in a manner to ensure accurate and correct weights*; (6) *weigh livestock or carcasses at other than true and correct weights or issue accounts and records on the basis of inaccurate or incorrect weights*; (7) engage in or use any unfair or deceptive practice or device in connection with marketing of livestock; ((5)) (8) willfully make or cause to be made any false entry or statement of fact in any application, financial statement or report filed with the department under (THE PROVISIONS OF SECTIONS 17A.04, 17A.05 AND 17A.08) *this chapter.*

Sec. 26. Minnesota Statutes 1982, section 17A.10, is amended to read:

17A.10 [(PACKING PLANTS,) LIVESTOCK (MARKET AGENCIES) SCALES AND (STOCKYARDS; WEIGHERS) WEIGHING.]

Subdivision 1. [COMMERCIAL LIVESTOCK SCALES.] All livestock scales and monorail scales used for the purpose of buying or selling livestock or livestock carcasses within the state must meet the construction, maintenance, testing, and certification requirements of the division of weights and measures of the department of public service, and be in compliance with the scales and weighing regulations of the Packers and Stockyards Administration of the United States Department of Agriculture and be tested and certified by the state division of weights and measures. The division of weights and measures or an authorized scale company shall test all livestock scales at least twice per year. The department of agriculture may perform scale maintenance inspections at least twice per year at intervals that will provide alternate testing or inspection of each scale every 90 days. Special tests may be required as necessary. The basic maintenance tolerance for livestock scales is one pound per 1,000

pounds of test load. The responsibility for compliance of a scale with these requirements rests with the owner or manager of the scale.

Subd. 2. [STATE LIVESTOCK WEIGHMASTERS.] The commissioner shall appoint (AT PUBLIC STOCKYARDS, PACKING PLANTS, SLAUGHTERING HOUSES, BUYING STATIONS, OR LIVESTOCK MARKET AGENCIES WHERE THE AVERAGE DAILY NUMBER OF LIVESTOCK WEIGHED FOR THE PURPOSE OF ESTABLISHING A BASIS FOR SALE IS 500 HEAD OR MORE, AND THE COMMISSIONER MAY APPOINT) state employees as necessary to provide state weighing service at public stockyards, packing plants, slaughtering houses, buying stations, or livestock market agencies on application from (SUCH FACILITIES WHERE THE AVERAGE DAILY NUMBER OF LIVESTOCK WEIGHED FOR THE PURPOSE OF ESTABLISHING A BASIS FOR SALE IS LESS THAN 500 HEAD, SUCH WEIGHERS AS MAY BE NECESSARY FOR WEIGHING LIVESTOCK, PROVIDED THAT NO WEIGHERS SHALL BE REQUIRED AT FACILITIES WHERE THE ONLY LIVESTOCK HANDLED HAS BEEN PREVIOUSLY PURCHASED OR ACQUIRED, AND TITLE OR TERMS OF OWNERSHIP ALREADY ESTABLISHED. THE COMMISSIONER SHALL PRESCRIBE AND FOLLOW SUCH REASONABLE REGULATIONS AS HE DEEMS NECESSARY FOR DETERMINING SUCH DAILY AVERAGE. SUCH WEIGHERS) the business entity requesting official state livestock weighing. State livestock weighmasters shall weigh all livestock coming to these places for sale, (AND) keep a record (THEREOF. UPON REQUEST, THE WEIGHERS SHALL) of the weights, and furnish the interested parties a certificate (SETTING FORTH) of state weight stating the number of animals weighed and the (ACTUAL) weight of (SUCH ANIMAL OR) the animals. (SUCH) The certificate (SHALL BE) is prima facie evidence of the facts (THEREIN) certified: (THE SCALES AT ALL SUCH PLACES ON WHICH LIVESTOCK IS WEIGHED SHALL BE CONSTRUCTED AND MAINTAINED IN ACCORDANCE WITH THE REQUIREMENTS OF THE STATE DIVISION OF WEIGHTS AND MEASURES, AND BE TESTED UP TO THE MAXIMUM DRAFT THAT MAY BE WEIGHED THEREON, AT LEAST ONCE EVERY 90 DAYS, AND BE IN COMPLIANCE WITH ALL THE STATUTORY REQUIREMENTS AND REGULATIONS ADOPTED BY THE STATE DIVISION OF WEIGHTS AND MEASURES PERTAINING TO LIVESTOCK SCALES AND WEIGHING.) An application for official state livestock weighing constitutes an agreement between the business entity requesting state weighing and the commissioner. The agreement is for one year beginning July 1 and ending the following June 30. The agreement automatically renews each year unless the average daily number of livestock weighed falls below 500 head, in which case the business entity must give the commissioner a written notice of intent to termi-

nate at least 90 days prior to July 1. Otherwise the commissioner shall continue to provide state weighing services in accordance with this chapter.

State weighing service that exists on January 1, 1984, may not be terminated except as provided in this subdivision.

Subd. 3. [SUPERVISION AND ENFORCEMENT.] State livestock weighmasters have charge over the scales on which official certificates of state weight are issued to ensure compliance with scale maintenance and testing requirements and proper weighing procedures.

The commissioner shall appoint law compliance personnel as necessary to provide maintenance inspections, check-weighing, comparison weighing, and record audits and to investigate complaints in order to enforce this chapter.

The regulations pertaining to livestock and monorail scales adopted by the Packers and Stockyards Administration of the United States Department of Agriculture are applicable in Minnesota, and a memorandum of understanding with the Packers and Stockyards Administration provides for a cooperative state and federal enforcement program.

Sec. 27. Minnesota Statutes 1982, section 17A.11, is amended to read:

17A.11 [FEES FOR LIVESTOCK WEIGHING.]

The commissioner shall prescribe the fee necessary to cover the cost of (SUCH) state weighing, to be assessed and collected from the seller in (SUCH) the manner (AS) the commissioner may prescribe (; PROVIDED, THAT). *The fee prescribed by the commissioner shall not exceed the fee in effect on March 1, 1984. The fee assessed must be the same, and the manner of collection (THEREOF) of the fee must be uniform at all facilities (, AND PROVIDED, FURTHER, THAT IF). At any location, except a public stockyard, where state weighing is performed in accordance with (LAWS 1974, CHAPTER 347) this chapter and the total annual fees collected are insufficient to pay the cost of (SUCH) the weighing, the annual deficit shall be assessed and collected in (SUCH) the manner (AS) the commissioner may prescribe. Additional (MONEYS) money arising from the weighing of animals by the commissioner, which (HAVE) has been collected and retained by any person, shall be paid on demand to the commissioner. All (MONEYS) money collected by the commissioner shall be deposited in the state treasury and credited to the livestock weighing fund, and shall be paid out only on the order of the commissioner and the state's warrant.*

Sec. 28. Minnesota Statutes 1982, section 17A.12, is amended to read:

17A.12 [QUALIFICATIONS.]

No (WEIGHER) *state livestock weighmaster* shall, during (HIS) *the weighmaster's* term of service, be in any manner financially interested in the handling, shipping, purchase, or sale of livestock (, NOR) *or* in the employment of any person engaged therein.

Sec. 29. [17A.17] [AUDIT BY DEPARTMENT.]

The department may audit records, including incoming purchase records of a livestock packer and shipping weights or transfer of weight invoices, in order to ensure there are no weight discrepancies in hot weight or grade and yield transactions.

Sec. 30. Minnesota Statutes 1983 Supplement, section 38.02, subdivision 1, is amended to read:

Subdivision 1. [PRO RATA DISTRIBUTION; CONDITIONS.] (1) Money appropriated to aid county and district agricultural societies and associations shall be distributed among all county and district agricultural societies or associations in the state pro rata, upon condition that each of them has complied with the conditions specified in clause (2).

(2) To be eligible to participate in such distribution, each such agricultural society or association (a) shall have held an annual fair for each of the three years last past, unless prevented from doing so because of a calamity or an epidemic declared by the local board of health or the state commissioner of health to exist; (b) shall have an annual membership of 25 or more; (c) shall have paid out to exhibitors for premiums awarded at the last fair held a sum not less than the amount to be received from the state; (d) shall have published and distributed not less than three weeks before the opening day of the fair a premium list, listing all items or articles on which premiums are offered and the amounts of such premiums and shall have paid premiums pursuant to the amount shown for each article or item to be exhibited; provided that premiums for school exhibits may be advertised in the published premium list by reference to a school premium list prepared and circulated during the preceding school year; and shall have collected all fees charged for entering an exhibit at the time the entry was made and in accordance with schedule of entry fees to be charged as published in the premium list; (e) shall have paid not more than one premium on each article or item exhibited, excluding championship or sweepstake awards, and excluding the payment of open class premium awards to 4H Club exhibits which at this same fair had

won a first prize award in regular 4H Club competition; (f) shall have submitted its records and annual report to the commissioner of agriculture on a form provided by the commissioner of agriculture, on or before the first day of (DECEMBER) *November* of the current year.

(3) All payments authorized under the provisions of this chapter shall be made only upon the presentation by the commissioner of agriculture with the commissioner of finance of a statement of premium allocations. As used herein the term premium shall mean the cash award paid to an exhibitor for the merit of an exhibit of livestock, livestock products, grains, fruits, flowers, vegetables, articles of domestic science, handicrafts, hobbies, fine arts, and articles made by school pupils, or the cash award paid to the merit winner of events such as 4H Club or Future Farmer Contest, Youth Group Contests, school spelling contests and school current events contests, the award corresponding to the amount offered in the advertised premium list referred to in schedule 2. Payments of awards for horse races, ball games, musical contests, talent contests, parades, and for amusement features for which admission is charged, are specifically excluded from consideration as premiums within the meaning of that term as used herein. Upon receipt of the statement by the commissioner of agriculture, it shall be the duty of the commissioner of finance to draw his voucher in favor of the agricultural society or association for the amount to which it is entitled under the provisions of this chapter, which amount shall be computed as follows: On the first \$750 premiums paid by each society or association, such society or association shall receive 100 percent reimbursement; on the second \$750 premiums paid, 80 percent; on the third \$750 premiums paid, 60 percent; and on any sum in excess of \$2,250, 40 percent.

(4) If the total amount of state aid to which the agricultural societies and associations are entitled under the provisions of this chapter exceeds the amount of the appropriation therefor, the amounts to which the societies or associations are entitled shall be pro rated so that the total payments by the state will not exceed the appropriation.

[PILOT COUNTIES; SELECTION.] By January 1, 1985, the commissioner, in consultation with counties and regional development commissions, where they exist, shall select not more than seven counties located outside of the metropolitan area that request to participate in a pilot program for county agricultural land preservation. If possible, counties shall include:

(2) a county that is experiencing problems with forest land preservation;

(3) a county where a high level of development is likely to occur in the next ten years; and

(4) other counties representing a cross-section of agricultural uses and land management problems in the state.

Subd. 2. [PLANS AND OFFICIAL CONTROLS.] By January 1, 1987, each pilot county selected under subdivision 1 shall submit to the commissioner and to the regional development commission in which it is located, if one exists, a proposed agricultural land preservation plan and proposed official controls implementing the plan. Subd. 2. [NONMETROPOLITAN CITY.] A city that is located partially within a county in the metropolitan area but is not included in the definition of the metropolitan area may elect to be governed by this section. The city may:

(1) request the county outside of the metropolitan area where it is partially located to include the city in the agricultural land preservation plan and official controls of the county, using the joint planning board process under section 462.3585; or

(2) perform the duties of a county independently under this section.

If the city does not elect to be governed by this section, the city shall perform the duties of an authority under chapter 473H.

Sec. 35. [40A.05] [ELEMENTS OF PLAN AND OFFICIAL CONTROLS.]

Subdivision 1. [GENERAL.] The plans and official controls prepared under this chapter must address the elements contained in this section.

Subd. 2. [PLAN.] A plan must address at least the following elements:

- (1) integration with comprehensive county plans;*
- (2) identification of land currently in agricultural use, including the type of agricultural use, the relative productive value of the land based on the crop equivalent rating, and the existing level of investment in buildings and equipment;*
- (3) identification of areas in which development is occurring or is likely to occur during the next 20 years;*
- (4) identification of existing and proposed public sanitary sewer and water systems;*
- (5) classification of land suitable for long-term agricultural use and its current and future development;*
- (6) determination of present and future housing needs representing a variety of price and rental levels and an identification of areas adequate to meet the demonstrated or projected needs; and*
- (7) a general statement of policy as to how the county will achieve the goals of this chapter.*

Subd. 3. [OFFICIAL CONTROLS.] Official controls implementing a plan must be consistent with the plan and must address at least the following elements:

- (1) designation of land suitable for long-term agricultural use and the creation of exclusive agricultural use zones, allowing for conditional, compatible uses that do not conflict with long-term agricultural use;*

In addition, ten or more eligible voters of the county who own real estate within the county may request a contested case proceeding. The commissioner shall initiate the proceeding within 30 days after receiving the request. Judicial review of the contested case decision is as provided in chapter 14.

Sec. 37. [40A.07] [MUNICIPAL AGRICULTURAL LAND PRESERVATION.]

Subdivision 1. [FAILURE BY COUNTY TO PLAN.] As of January 1, 1990, if a county has not submitted a proposed agricultural land preservation plan and proposed official controls to the commissioner and the regional development commission, if one exists, a municipality within the county may request by resolution that the county submit a plan and official controls to the commissioner and the regional development commission. If the county does not do so within one year of receipt of the resolution, the municipality may perform the duties of the county with respect to land under its jurisdiction.

Subd. 2. [RELATIONSHIP TO OTHER LAWS.] Nothing in this chapter limits a municipality's power to plan or zone under other laws or to adopt official controls that are consistent with or more restrictive than those enacted by the county.

Sec. 38. [40A.08] [STATE PLANNING AGENCY; REGIONAL DEVELOPMENT COMMISSIONS.]

The state planning agency shall cooperate with and assist the commissioner in administering the agricultural land preservation program under this chapter. The commissioner may enter into agreements with the agency or a regional development commission under which staff are loaned for the purpose of selecting pilot counties and reviewing plans and official controls for consistency with the state guidelines.

Sec. 39. [40A.09] [EXCLUSIVE AGRICULTURAL USE ZONE; ELIGIBILITY.]

An owner or owners of land that has been designated for exclusive long-term agricultural use under a plan submitted to or approved by the commissioner is eligible to apply for the creation of an exclusive agricultural use zone. Eligibility continues unless the commissioner determines that the plan and official controls do not address the elements contained in this chapter or unless the county fails to implement the plan and official controls as required by this chapter.

Sec. 40. [40A.10] [APPLICATION FOR CREATION OF EXCLUSIVE AGRICULTURAL USE ZONE.]

Subdivision 1. [CONTENTS.] An eligible person may apply to the county in which the land is located for the creation of an exclusive agricultural use zone on forms provided by the commissioner. In case a zone is located in more than one county, the application must be submitted to the county in which the majority of the land is located. The application must contain at least the following information and other information the commissioner requires:

(a) Legal description of the area to be designated and parcel identification numbers where designated by the county auditor;

(b) Name and address of the owner;

(c) A witnessed signature of the owner covenanting that the land will be kept in exclusive agricultural use and will be used in accordance with the provisions of this chapter that exist on the date of application; and

(d) A statement that the restrictive covenant will be binding on the owner or the owner's successor or assignee, and will run with the land.

In the case of registered property, the owner shall submit the owner's duplicate certificate of title along with the application.

Subd. 2. [REVIEW AND NOTICE.] Upon receipt of an application, the county shall determine if all material required by subdivision 1 has been submitted and, if so, shall determine that the application is complete. The county shall send a copy of the application to the regional development commission, where applicable, and the soil and water conservation district where the land is located. The district shall prepare an advisory statement of existing and potential conservation problems in the zone. The district shall send the statement to the owner of record and to the commissioner.

Subd. 3. [RECORDING.] Within five days of the date of application, the county shall forward the application to the county recorder, together with the owner's duplicate certificate of title in the case of registered property. The county recorder shall record the restrictive covenant and return it to the applicant. In the case of registered property, the recorder shall memorialize the restrictive covenant upon the certificate of title and the owner's duplicate certificate of title. The recorder shall notify the county that the covenant has been recorded or memorialized.

Subd. 4. [COMMENCEMENT OF EXCLUSIVE AGRICULTURAL USE ZONE.] The land is an exclusive agricultural use zone and subject to the benefits and restrictions of this chapter commencing 30 days from the date the county determines the application is complete under subdivision 1.

Subd. 5. [FEE.] The county may require an application fee, not to exceed \$50.

Sec. 41. [40A.11] [DURATION OF EXCLUSIVE AGRICULTURAL USE ZONE.]

Subdivision 1. [GENERAL.] An exclusive agricultural use zone continues in existence until either the owner or the county initiates expiration as provided in this section. The date of expiration by the owner or the county must be at least eight years from the date of notice under this section.

Subd. 2. [TERMINATION BY OWNER.] The owner may initiate expiration of an exclusive agricultural use zone by notifying the county on a form prepared by the commissioner and available in each county. The notice must describe the property involved and must state the date of expiration. The notice may be rescinded by the owner during the first two years following notice.

Subd. 3. [TERMINATION BY COUNTY.] The county may initiate expiration of the exclusive agricultural use zone by notifying the owner by registered mail on a form provided by the commissioner, provided that before notification the following conditions are met:

(a) The agricultural land preservation plan and official controls have been amended so that the land is no longer designated for long-term agricultural use; and

(b) The commissioner has reviewed and approved the amended plan and official controls for consistency with the guidelines contained in this chapter. The notice must describe the property involved and must state the date of expiration.

Subd. 4. [NOTICE AND RECORDING; TERMINATION.] When the county receives notice under subdivision 2 or serves notice under subdivision 3, the county shall forward the original notice to the county recorder for recording and shall notify the regional development commission and the county soil and water conservation district of the date of expiration. Designation as an exclusive agricultural use zone and the benefits and limitations contained in this chapter and the restrictive covenant filed with the application cease on the date of expiration. In the case of registered property, the county recorder shall cancel the restrictive covenant upon the certificate of title and the owner's duplicate certificate of title on the effective date of the expiration.

Subd. 5. [EARLY EXPIRATION.] An exclusive agricultural use zone may be terminated earlier than as provided in this section only in the event of a public emergency upon petition from the owner or county to the governor. The determination of a public emergency must be made by the governor through executive order under section 4.035 and chapter 12. The executive order must identify the exclusive agricultural use zone, the reasons requiring the action, and the date of expiration.

Sec. 42. [40A.12] [PROTECTION FOR NORMAL AGRICULTURAL PRACTICES.]

Local governments may not enact ordinances or regulations that may restrict or regulate normal agricultural practices within an exclusive agricultural use zone unless the restriction or regulation has a direct relationship to public health and safety. This section applies to the operation of vehicles and machinery for planting, maintaining, and harvesting crops and timber and for caring and feeding farm animals, to the type of farming, and to the design of farm structures, except for residences.

Sec. 43. [40A.13] [SOIL CONSERVATION PRACTICES.]

Subdivision 1. [CONSERVATION PRACTICES TO PREVENT SOIL LOSS REQUIRED.] An owner of agricultural land in an exclusive agricultural use zone shall manage the land with sound soil conservation practices that prevent excessive soil loss. Soil loss is excessive if it is greater than the soil loss tolerance for each soil type described in the United States soil conservation service field office technical guide or if the soil loss is greater than the soil loss allowed in an ordinance of the county. A sound soil conservation practice prevents excessive soil loss or reduces soil loss to the most practicable extent. The county shall enforce this subdivision.

Subd. 2. [COMPLAINT.] An elected local government official or district board member from the affected jurisdiction may submit a written complaint to the county attorney if conditions exist that indicate there is excessive soil loss from a tract of land that affects another tract of land or body of water. The written complaint must contain the name and address of the landowner, the location of the tract of land with the excessive soil loss, other land or water that is affected by the excessive soil loss, and a description of the nature of the excessive soil loss and resulting sedimentation. The county attorney may submit the complaint to the district for soil loss determination.

Subd. 3. [DISTRICT DETERMINATION OF SOIL LOSS.]

(a) Upon request by the county attorney the district shall determine the average soil loss in tons per acre per year of the tract of land cited in the complaint.

(b) The district shall submit a report to the county attorney that states the average soil loss in tons per acre per year for each

tract of land and if that soil loss exceeds the amounts allowed in subdivision 1. If the soil loss is excessive the report must include the existing management and soil conservation practices and alternative practices that will prevent excessive soil loss or reduce the soil loss to the most practicable extent. If the report shows that the soil loss from the tract of land is excessive and alternative practices are available to reduce the soil loss the county attorney shall submit the complaint and the report to the county board.

(c) The district may enter public or private land to make an inspection for the determination of soil loss or to complete the report. The landowners must be notified of the time of the inspections and be given an opportunity to be present when the inspection is made.

Subd. 4. [COUNTY BOARD INSPECTION; RESOLUTION.] *(a) Upon receipt of the complaint and district report from the county attorney the county board may make an inspection of the land cited in the complaint to determine if the land is managed properly. The county board may enter public or private land to make an inspection for the determination. The county board must notify landowners of the time of the inspection and give them an opportunity to be present when the inspection is made.*

(b) If the county board determines that the land is managed properly the complaint must be dismissed. If the county board determines that the land is not being managed properly the board shall adopt a resolution that describes alternative management practices; requires the owner within one year after receiving the resolution to commence practices or measures to reduce soil loss to the most practicable extent or prevent excessive soil loss, or submit a completed application for cost-sharing funds; and require that the practices or measures must be completed within one year after cost-sharing funds are available, or two years after receiving the resolution, whichever is later. The resolution must be delivered by personal service or certified mail to the landowner cited in the complaint.

Subd. 5. [DISTRICT ASSISTANCE.] *At the request of a landowner receiving a resolution under subdivision 4, the district shall assist in the planning, design, and application of practices necessary to reduce soil loss to the amounts allowed in subdivision 1 or to the greatest practicable extent. The district shall give the landowner a high priority for technical and cost-sharing assistance.*

Sec. 44. [40A.14] [AGRICULTURAL LAND PRESERVATION AND CONSERVATION AWARENESS PROGRAM.]

Subdivision 1. [ESTABLISHMENT AND ADMINISTRATION.] *An agricultural land preservation and conservation*

awareness program is created. The commissioner shall administer the program as provided in this section. The purposes of the program are to promote and increase public awareness of:

(1) the need for agricultural land preservation and conservation and the consequences of resource degradation;

(2) the physical, environmental, and social factors that affect agricultural land use; and

(3) the availability and effectiveness of agricultural land preservation and conservation approaches and technologies.

The commissioner shall administer the program in order to develop a working partnership between the state and local governments.

Subd. 2. [SURVEY.] The commissioner shall survey awareness of agricultural land preservation and conservation problems, technologies, and available technical and financial resources. The survey must include:

(1) an assessment of related efforts of the United States department of agriculture, the state soil and water conservation board, the Minnesota association of soil and water conservation districts, and other related public and private organizations;

(2) an assessment of programs in other states; and

(3) an assessment of attitudes among a variety of target audiences in Minnesota that are involved in or affected by land use decisions.

Subd. 3. [PUBLIC PARTICIPATION.] The commissioner shall ensure the participation of a cross-section of the public in developing and promoting programs under this chapter. The commissioner shall actively solicit public involvement in reviewing proposed agricultural land preservation plans and proposed official controls. The commissioner shall assist the public in obtaining information concerning the status of county proposals and the agricultural land preservation and conservation assistance program. The department may form a citizen advisory board to assist it in assessing needs, determining the feasibility of different approaches, and securing applications for assistance and resources in local situations.

Sec. 45. [40A.15] [AGRICULTURAL LAND PRESERVATION AND CONSERVATION ASSISTANCE PROGRAM.]

Subdivision 1. [ESTABLISHMENT AND ADMINISTRATION.] An agricultural land preservation and conservation assistance program is created to provide technical and financial assistance for agricultural land preservation and conservation activities and to provide assistance to counties and municipalities

in preparing agricultural land preservation plans and official controls. The commissioner shall administer the program under rules promulgated under chapter 14. The commissioner shall actively seek the involvement of local government officials in the rulemaking process.

Subd. 2. [ELIGIBLE RECIPIENTS.] All counties within the state, municipalities that prepare plans and official controls instead of a county, and districts are eligible for assistance under the program. Counties and districts may apply for assistance on behalf of other municipalities. In order to be eligible for financial assistance a county or municipality must agree to levy at least one-half mill on the dollar of assessed value of property within its jurisdiction for agricultural land preservation and conservation activities or otherwise spend the equivalent amount of local money on those activities, or spend \$15,000 of local money, whichever is less.

Subd. 3. [PROGRAM DEVELOPMENT.] In administering the program the commissioner shall time the promotion of public awareness and the distribution of technical and financial assistance in order to maximize the use of available resources, facilitate the agricultural land preservation process, and promote sound soil conservation practices.

Subd. 4. [FINANCIAL ASSISTANCE.] The commissioner shall administer grants for up to 50 percent of the cost of the activity to be funded, except that grants to the pilot counties shall be for 100 percent of the cost of preparing new plans and official controls required under this chapter. Grants may not be used to reimburse the recipient for activities that are already completed. Grants may be used to employ and train staff, contract with other units of government or private consultants, and pay other expenses related to promoting and implementing agricultural land preservation and conservation activities. The commissioner shall prepare and publish an inventory of sources of financial assistance. To the extent practicable, the commissioner shall assist recipients in obtaining matching grants from other sources.

Subd. 5. [TECHNICAL ASSISTANCE]. The commissioner shall provide for technical assistance for eligible recipients. The commissioner shall provide model plans and model official controls for the preservation of land for long-term agricultural use that address the elements contained in this chapter. To the extent practicable, the commissioner shall provide technical assistance through existing administrative structures. Not less than 45 nor more than 90 days, or as otherwise mutually agreed, after the report has been submitted, the commissioner shall hold a public hearing on the proposed highway construction or improvement at such time and place within any municipality wherein a portion of the proposed construction or improvement is located, as the commissioner shall determine. Said plan shall also contain: approximate right-of-way limits; a tentative schedule for right-of-way acquisition, if known; proposed access points; frontage roads; separation structures and interchanges; location of utilities, when known; landscaping, illumination, a tentative construction schedule, if known; and the estimated cost of the construction or improvement. The commissioner shall

submit more than one layout plan. Each such plan shall also be submitted to the metropolitan council and the (METROPOLITAN TRANSIT COMMISSION) *regional transit board* if any portion of the proposed highway construction or improvement is located in the metropolitan area. In all areas of the state a copy of the layout plan shall be sent to established regional, county and municipal planning commissions in the area affected by the highway project. Not less than 90 nor more than 120 days after said plan has been submitted, the commissioner shall hold a public hearing on the proposed highway construction or improvement at such time and place within any municipality wherein a portion of the construction or improvement is located, as the commissioner shall determine. The hearing shall be noticed, held and conducted in the manner provided in section 161.173, except that the commissioner shall mail notice of the hearing only to those municipalities and agencies entitled to receive a copy of the layout plan. The hearing shall be transcribed and a record thereof made available to each municipality or agency entitled to receive a copy of said plan. Within 180 days after the hearing is completed, the commissioner shall formally adopt a layout plan. A copy of the layout plan as adopted shall be submitted to each municipality or agency entitled to receive a copy of the proposed plan, together with the reasons for any change in the plan as presented at the hearing. Within 120 days after the receipt of the adopted layout plan, each such municipality or agency shall submit to the commissioner its approval or disapproval of the layout plan and the reasons for such disapproval, and proposed alternatives, which may include a recommendation of no highway. Such alternatives submitted by a municipality located within the metropolitan area shall, upon request of the municipality, be reviewed by the metropolitan council in order to determine whether such alternatives are likely to meet minimum federal requirements. The metropolitan council is authorized to provide whatever assistance it deems advisable to the submitting municipality in order to assist it in arriving at an alternative which meets minimum federal requirements. If said plan or any part thereof is not disapproved within such period, the commissioner may proceed to prepare final construction plans and specifications for the highway construction or improvement consistent with the adopted layout plan, and may acquire the necessary right-of-way. If the layout plan or any part thereof is disapproved by any municipality or agency, and the commissioner determines to proceed with the plan without modifications, he shall proceed in the manner provided in section 161.175. If the commissioner determines to proceed with the plan with modifications, he shall submit the modified layout plan to the municipalities and agencies entitled to receive the original layout plan in the manner described above, for approval or disapproval by each such municipality or agency within 60 days after receipt of the modified layout plan. If the modified layout plan or any part thereof is not disapproved by any municipality or agency within 60 days after its receipt, the commissioner may proceed to prepare final construction

plans and specifications consistent with the modified layout plan, and may acquire the necessary right-of-way. If the modified plan is disapproved by any municipality and the commissioner determines to proceed with the plan without additional modification, he shall proceed in the manner provided in section 161.175. If the layout plan is disapproved, either as originally submitted or as modified and the commissioner does not act pursuant to section 161.175, within one year from the date of the completion of the hearing, any objecting municipality entitled to receive a copy of the layout plan by virtue of this section may invoke the appellate procedure pursuant to section 161.175, in the same manner as the same might be invoked by the commissioner. In the event the appellate procedure is invoked by either the commissioner or the municipality, the commissioner shall hold a public hearing prior to the appointment of an appeal board. Such hearing shall be limited to the proposed alternative layout plans.

The screening required by this section may be effected by trees, shrubs, or foliage, natural objects, fences or other appropriate means as determined by standards established by the commissioner. Plantings (WHICH) *that* will eventually achieve effective screening shall be acceptable. Plantings shall be used in connection with any fence or other non-natural screening device.

(ANY SUCH) A junk yard lawfully existing (ON) *along* a highway (WHICH) *that* is made a part of the trunk highway system after January 1, 1975, and becomes nonconforming thereby shall be effectively screened or removed or relocated within four years (THEREAFTER). Any junk yard (WHICH) *that* comes into existence after July 1, 1971 (WHICH) *that* does not conform to this section, or (WHICH) *that* becomes nonconforming after July 1, 1971, or (WHICH) *that* becomes nonconforming after action by the commissioner pursuant to this section, is hereby declared to be a public nuisance and illegal, and the commissioner may enter upon the land where the junk yard is located and may screen the same, or may relocate or dispose of the junk yard after 90 days notice to the owner or dealer thereof, if known, or to the owner of the land. In this event, no compensation shall be paid to the owner or dealer or owner of the land, and the commissioner may (COLLECT) *recover* the cost of screen-

Subd. 4. [AUTHORITY; ENFORCEMENT.] The commissioner shall screen junk yards when required by this section at locations on the right-of-way of the highway or on lands within 1,000 feet of the right-of-way and shall pay for the costs thereof. If screening is not feasible because of economic or topographic reasons, the commissioner shall secure the removal, relocation or disposal of such junk yard by sale, agreement, or other means, and pay for the costs thereof. Notwithstanding the other provisions of this section, if a junk yard exists within one-half mile of the right-of-way of any trunk highway and is visible from the highway, the commissioner may acquire easements for screening purposes up to one-half mile from the edge of the right-of-way of the highway. The commissioner shall acquire such rights and interest in property, personal or real, necessary to carry out the purposes of this section by purchase, gift, or eminent domain proceedings and shall pay just compensation therefor. (THE COMMISSIONER SHALL NOT EXPEND ANY MONEY TO ACQUIRE RIGHTS OR INTERESTS IN JUNK YARDS UNDER THIS SECTION, EXCEPT THOSE FOR WHICH ACQUISITION PROCEEDINGS WERE BEGUN BEFORE JUNE 8, 1979 OR FOR WHICH FEDERAL MONEY HAS BEEN APPROPRIATED BY CONGRESS FOR JUNK YARDS DESCRIBED IN TITLE 23, UNITED STATES CODE, SECTION 136(J) AND THE FEDERAL SHARE HAS BEEN MADE AVAILABLE TO THE COMMISSIONER. If the fee owner refuses to pay the required amount, or if after diligent search the fee owner cannot be found, the commissioner may convey the easement to an agency or to a political subdivision of the state upon terms and conditions agreed upon, or the commissioner may acquire the fee title to the land underlying the easement in the manner provided in section 161.20, subdivision 2. After acquisition of the fee title, the lands may be sold to the highest responsible bidder upon three weeks published notice of the sale in a newspaper or other periodical of general circulation in the county where the land is located. All bids may be rejected and new bids received upon like publication. If the lands remain unsold after being offered for sale to the highest bidder, the commissioner may retain the services of a licensed real estate broker to find a buyer. The sale price may be negotiated by the broker, but must not be less than 90 percent of the appraised market value as determined by the commissioner. The broker's fee must be established by prior agreement between the commissioner and the broker, and must not exceed ten percent of the sale price *for sales of \$10,000 or more*. Subd. 2. [POWERS.] The registrar shall have the power to appoint, hire and discharge and fix the compensation of the necessary employees, in the manner provided by law, as may be required to enable him to properly carry out the duties imposed upon him by the provisions of this chapter. As of April 14, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, without regard to whether the county auditor of the county in which the city is situated has been appointed as the deputy registrar for the county or has been discontinued as the deputy registrar for the county, and without regard to whether the county in which the city is situated has established a county license bureau which issues motor vehicle licenses as provided in section 373.32.

Effective August 1, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, if the auditor for the county in which the city is situated chooses not to accept appointment as the deputy registrar for the county or is discontinued as a deputy registrar, or if the county in which the city is sit-

uated has not established a county license bureau which issues motor vehicle license as provided in section 373.32. Any person appointed by the registrar as a deputy registrar for any city shall be a resident of the county in which the city is situated.

The registrar may appoint, and for cause discontinue, the county auditor of each county as a deputy registrar. The auditor, with the approval of the director of motor vehicles, may appoint, and for cause discontinue, the clerk or equivalent officer of each city or any other person as a deputy registrar as public interest and convenience may require, regardless of his county of residence. Notwithstanding any other provision, a person other than a county auditor or a director of a county license bureau, who was appointed by the registrar before August 1, 1976, as a deputy registrar for any city, may continue to serve as deputy registrar and may be discontinued for cause only by the registrar. The county auditor shall be responsible for the acts of deputy registrars appointed by him. Each such deputy, before entering upon the discharge of his duties, shall take and subscribe an oath to faithfully discharge his duties and to uphold the laws of the state. If a deputy registrar appointed hereunder is not an officer or employee of a county or city, such deputy shall in addition give bond to the state in the sum of \$10,000, or such larger sum as may be required by the registrar, conditioned upon the faithful discharge of his duties as deputy registrar. *A corporation governed by chapter 302A may be appointed a deputy registrar. Upon application by an individual serving as a deputy registrar and the giving of the requisite bond as provided in subdivision 2 of this section, personally assured by the individual or another individual approved by the commissioner of public safety, a corporation named in an application shall become the duly appointed and qualified successor to the deputy registrar.* Each deputy registrar appointed hereunder shall keep and maintain, in a convenient public place within the place for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the registrar as that officer, from time to time, may require. Such records shall be maintained at the facility of the deputy registrar. The records and facilities of the deputy registrar shall at all times be open to the inspection of the registrar or his agents. He shall report daily to the registrar all registrations made and taxes and fees collected by him. The filing fee imposed pursuant to subdivision 7 shall be deposited in the treasury of the place for which he is appointed, or if such deputy is not a public official, he shall retain the filing fee, but the registration tax and any additional fees for delayed registration he has collected he shall deposit each day in an approved state depository to the credit of the state through the state treasurer. The place for which the deputy registrar is appointed through its governing body shall provide the deputy registrar with facilities and personnel to carry out the duties imposed by this subdivision if such deputy

A motor vehicle operated in compliance with the permit on the streets or highways of the city is not in violation of this chapter.

(b) No single semitrailer may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer adjacent to the truck or truck-tractor, in excess of 48 feet, except as provided in paragraph (d). No single trailer may have an overall length inclusive of tow bar assembly and exclusive of rear protective bumpers which do not increase the overall length by more than six inches, in excess of 45 feet. For determining compliance with the provisions of this subdivision, the length of the semitrailer or trailer must be determined separately from the overall length of the combination of vehicles.

(c) No semitrailer or trailer used in a three-vehicle combination may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer or trailer adjacent to the truck or truck-tractor, and further exclusive of the tow bar assembly, in excess of 28-1/2 feet. *The commissioner may not grant a permit authorizing the movement, in a three-vehicle combination, of a semitrailer or trailer that exceeds 28-1/2 feet, except that the commissioner may renew a permit that was granted before April 16, 1984 for the movement of a semitrailer or trailer that exceeds the length limitation in this paragraph.*

(d) The commissioner may issue an annual permit for a semitrailer in excess of 48 feet in length, if the distance from the kingpin to the centerline of the rear axle group of the semitrailer does not exceed 41 feet and if a combination of vehicles, which includes a semitrailer in excess of 48 feet for which a permit has been issued under this paragraph, does not exceed an overall length of 65 feet. Prior to distributing operating assistance to eligible recipients for any contract period, the commissioner shall place all recipi-

ents into one of the following classifications: large urbanized area service, urbanized area service, small urban area service, rural area service, and elderly and handicapped service. The commissioner shall distribute funds under this section so that the percentage of total operating cost paid by any recipient from local sources will not exceed the percentage for that recipient's classification, except as provided in an undue hardship case. The percentages shall be: for large urbanized area service, 55 percent; for urbanized area service and small urban area service, 40 percent; for rural area service, 35 percent; and for elderly and handicapped service, 35 percent. The remainder of the total operating cost will be paid from state funds less any assistance received by the recipient from any federal source. For purposes of this subdivision "local sources" means all local sources of funds and includes all operating revenue, tax levies, and contributions from public funds, except that the commissioner may exclude from the total assistance contract revenues derived from operations the cost of which is excluded from the computation of total operating cost.

If a recipient informs the commissioner in writing after the establishment of these percentages but prior to the distribution of financial assistance for any year that paying its designated percentage of total operating cost from local sources will cause undue hardship, the commissioner may reduce the percentage to be paid from local sources by the recipient and increase the percentage to be paid from local sources by one or more other recipients inside or outside the classification, provided that no recipient shall have its percentage thus reduced or increased for more than two years successively. If for any year the funds appropriated to the commissioner to carry out the purposes of this section are insufficient to allow the commissioner to pay the state share of total operating cost as provided in this paragraph, the commissioner shall reduce the state share in each classification to the extent necessary.

Sec. 72. Minnesota Statutes 1982, section 174.24, subdivision 5, is amended to read:

Subd. 5. [METHOD OF PAYMENT.] Payments under this section (TO RECIPIENTS OTHER THAN THE METROPOLITAN TRANSIT COMMISSION AND PRIVATE OPERATORS WITHIN THE SEVEN-COUNTY METROPOLITAN AREA WHOSE DEFICITS ARE FUNDED 100 PERCENT BY THE STATE) shall be made in the following manner:

(THE METHOD OF PAYMENT UNDER THIS SECTION TO PRIVATE OPERATORS WITHIN THE SEVEN-COUNTY METROPOLITAN AREA WHOSE DEFICITS ARE FUNDED 100 PERCENT BY THE STATE SHALL BE DETERMINED BY THE COMMISSIONER.)

Eligible cities or towns may apply on behalf of any operator of public transit with whom they propose to contract for service.

Sec. 74. [174.32] [TRANSIT ASSISTANCE PROGRAM.]

Subdivision 1. [ESTABLISHMENT; PURPOSE.] A transit assistance program is established to provide transit assistance within the state. The commissioner shall provide financial assistance from the fund created in subdivision 2 to eligible recipients for transit service activities as provided in this section.

Subd. 2. [TRANSIT ASSISTANCE FUND; DISTRIBUTION.] A transit assistance fund is created for the purpose of receiving money distributed under section 297B.09. Sec. 76. Minnesota Statutes 1983 Supplement, section 221.041, is amended by adding a subdivision to read:

Subdivision 1. [CONSIDERATIONS; TEMPORARY CERTIFICATES; AMENDING.] If the board finds from the evidence that the petitioner is fit and able to properly perform the services proposed and that public convenience and necessity require the granting of the petition or a part of the petition, it shall issue a certificate of public convenience and necessity to the petitioner. In determining whether a certificate should be issued, the

board shall give primary consideration to the interests of the public that might be affected, to the transportation service being furnished by a railroad which may be affected by the granting of the certificate, and to the effect which the granting of the certificate will have upon other transportation service essential to the communities which might be affected by the granting of the certificate. The board may issue a certificate as applied for or issue it for a part only of the authority sought and may attach to the authority granted terms and conditions as in its judgment public convenience and necessity may require. *If the petitioner is seeking authority to operate regular-route transit service wholly within the seven-county metropolitan area with operating assistance provided by the regional transit board, the board shall consider only whether the petitioner is fit and able to perform the proposed service. The operating authority granted to such a petitioner must be the operating authority for which the petitioner is receiving operating assistance from the regional transit board. A carrier receiving operating assistance from the regional transit board may amend his certificate to provide for additional routes by filing a copy of the amendment with the board, and approval of the amendment by the board is not required if the additional service is provided with operating assistance from the regional transit board.*

The board may grant a temporary certificate, ex parte, valid for a period not exceeding 180 days, upon a showing that no regular route common carrier or petroleum carrier is then authorized to serve on the route sought, that no other petition is on file with the board covering the route, and that a need for the proposed service exists.

A certificate issued to a regular route common carrier or petroleum carrier may be amended by the board on ex parte petition and payment of a \$25 fee to the commissioner, to grant an additional or alternate route if there is no other means of transportation over the proposed additional route or between its termini, and the proposed additional route does not exceed ten miles in length.

Sec. 78. Minnesota Statutes 1982, section 221.295, is amended to read:

The department may fix the fees and expenses for (ALL) regular inspections and special services, *except that no additional fee may be charged for retail petroleum pumps, petroleum vehicle meters, and petroleum bulk meters that dispense petroleum products for which the petroleum inspection fee required by section 296.13 is collected.* (ALL MONEYS) Money collected by the department for its regular inspections, special services, fees, and penalties (SHALL) *must* be paid into the state treasury and credited to the state general fund.

[LICENSE SUSPENSION AND REVOCATION.] The commission may revoke a class A license for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, or for an intentional false statement made in a license application, or for a willful failure to pay any money required to be paid by

Laws 1983, chapter 214, and may revoke for failure to perform material covenants or representations made in a license application.

The commission may suspend a class A license for up to one year for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, and may suspend a class A license indefinitely if it determines that the licensee has as an officer, director, shareholder, or other person with a direct, indirect, or beneficial interest a person who is in the commission's opinion inimical to the integrity of horse racing in Minnesota or who cannot be certified under subdivision 1, clause (d).

A license revocation or suspension under this subdivision is a contested case under sections 14.57 to 14.70 of the Administrative Procedure Act, and is in addition to criminal penalties imposed for a violation of law or rule.

Sec. 81. Minnesota Statutes 1982, section 296.13, is amended to read:

296.13 [INSPECTION FEES.]

An inspection fee shall be charged on petroleum products when received by the distributor, and on petroleum products received and held for sale or use by any person when such petroleum products have not theretofore been received by a licensed distributor. (THE FEE CHARGED SHALL BE UNIFORM AND IN AN AMOUNT DETERMINED BY THE COMMISSIONER BUT NOT TO EXCEED ONE AND THREE-QUARTERS CENTS PER 50 GALLONS.) *The commissioner shall adjust the inspection fee to recover the amount appropriated for petroleum product quality inspection expenses and the amount appropriated for the inspection and testing of petroleum product measuring devices as required by chapter 239. The commissioner shall review and adjust the inspection fee as required by section 16A.128 but notwithstanding section 16A.128, the review of the fee shall occur annually on or before January 1, of each year.*

Credit shall be allowed the distributor by the commissioner for inspection fees previously paid in error or on any material exported or sold for export from the state upon filing of a report in a manner approved by the commissioner.

Sec. 85. Minnesota Statutes 1982, section 340.11, subdivision 11a, is amended to read:

Such licenses shall authorize the sale of intoxicating liquor to club members and guests only. Notwithstanding any other law, or municipal charter provision or ordinance to the contrary, retail "on-sale" licenses permitting the sale of nonintoxicating malt liquors issued to establishments located on lands owned by the commission created in section 473.553 permit the licensees to sell nonintoxicating malt liquors, in addition to other times permitted by law, between the hours of 10:00 a.m. and 12:00 noon on any Sunday on which a sports or other event is scheduled to begin at that location at or before 1:00 p.m. on that day.

The (STATE TREASURER) commissioner may decline the highest bid and reoffer the property for sale if he considers the price bid insufficient. He need not offer any property for sale if, in his opinion, the probable cost of sale exceeds the value of the property.

Sec. 87. Minnesota Statutes 1982, section 345.47, is amended by adding a subdivision to read:

Subd. 5. The commissioner shall provide the Minnesota historical society with an inventory of abandoned property, other than money, six months prior to public sale. The society may select for its collections any items it finds of historical value. The

IF THE SOCIETY JUDGES ANY PROPERTY TO BE OF HISTORICAL VALUE, THE STATE TREASURER SHALL TURN THE PROPERTY OVER TO THE SOCIETY FOR SAFEKEEPING.) *The commissioner may, in his discretion, withhold the property from sales under this section. If it is determined that property delivered to the (STATE TREASURER) commissioner has no commercial or historical value he may thereafter destroy or otherwise dispose of the property, and in that event no action or proceeding shall be brought or maintained against the state or any officer thereof or against the holder for or on account of any action taken by the (STATE TREASURER) commissioner pursuant to chapter 345 with respect to the property. The (STATE TREASURER) commissioner shall keep a record of all items destroyed under this section, and all items held by the historical society, including the name and address of the owner of the property and the person who delivered the property to him, the date of delivery, a description of the property destroyed and the date of destruction.*

Subd. 2. [APPLICATION; REQUIREMENTS.] (a) Every application for a license must be made on a form prescribed by the department and must state the name and address of the applicant. If the applicant is a firm, partnership, or association, the application must state the name and address of each of its members. (b) The annual license fee for an operator license is \$2,500.

Subd. 4. [DISTRIBUTOR BOND.] An application for a distributor's license must be accompanied by a corporate surety bond issued by a surety licensed to do business in this state, in the sum of \$10,000, conditioned upon the true and faithful compliance by the distributor with all the provisions of the license. The bond required by this subdivision must be kept in full force during the period covered by the license.

Subd. 5. [LICENSE ISSUED.] Upon receipt of the application, the bond in proper form, and payment of the license required by subdivision 3, the department shall issue a license in form as prescribed by the department to the applicant, unless it determines that the applicant is otherwise unqualified. The license permits the applicant to whom it is issued to engage in business as a distributor or operator at the place of business shown in the application. The department must assign a license number to each person licensed at the time the initial license is issued. The license number must be inscribed upon all licenses issued to that distributor or operator.

Sec. 91. [349.52] [VIDEO GAME OF CHANCE LICENSES.]

Subdivision 1. [REQUIREMENTS.] *In addition to a license, an operator must obtain from the commissioner an annual nontransferable license for each video game of chance. The license fee is \$120 per game. The fee must be prorated according to the number of months remaining in the calendar year at the time of the license application.*

Subd. 2. [COLLECTION.] *At the time a video game of chance is sold to an operator, the distributor must collect the license fee specified in subdivision 1. The distributor must affix to each game a stamp containing the operator's license number. All license fees must be given to the state treasurer for deposit in the account created in subdivision 3.*

Subd. 3. [VIDEO GAMING LICENSE ACCOUNT.] *There is created in the state treasury an account to be known as the "video gaming license account." All fees received by the state treasury pursuant to this section must be credited to this account. The commissioner shall, by January 10 of each year, certify to the state treasurer the number of video games of chance located in each city, and in each county outside of incorporated areas, on December 31 of the previous year. Within ten days of receiving this certification the state treasurer shall pay from the video gaming license account to each city and county \$30 for each video game of chance located in the city or in the county outside city limits. After making these payments he shall transfer the unexpended balance in the account to the general fund.*

Subd. 4. [LOCAL FEES PROHIBITED.] *A municipality may not impose a fee or tax of any kind on video games of chance.*

Sec. 92. [349.53] [RECORD KEEPING DUTIES OF DISTRIBUTORS.]

A distributor shall keep at each licensed place of business complete and accurate records for that place of business, including invoices of video games of chance held, purchased, manufactured, brought in or caused to be brought in from outside the state, or shipped or transported to operators in this state, and of all sales of video games of chance made. The distributor must also keep adequate records of the names, addresses, and license numbers of operators to whom video games of chance are sold. All books, records, and other papers and documents required by this section to be kept must be preserved for a period of at least one year after the date of the documents, or the date of their entries as they appear in the records, unless the department, in writing, authorizes their destruction or disposal at an earlier date. At any time during usual business hours, the commissioner or his designated representatives may enter any place of business of a distributor without a search warrant and inspect the premises and the records required to be kept under

this section, to determine whether or not all the provisions of this chapter are being fully complied with. If the commissioner or any representative is denied free access or is hindered or interfered with in making an examination, the license of the distributor at the premises is subject to revocation.

Sec. 93. [349.54] [ACCESS TO GAMES.]

Sec. 95. [349.56] [LOCATION AGREEMENTS.]

An operator is required to have a location agreement with the owner where the game is placed for use by the public. The location agreement must show that the game is to be placed only in locations permitted by law. The location agreements, together with the other records of the operator, must be accessible to the commissioner and his designated representatives. The operator is required to certify under oath to the department annually the name and address of the location in which each game has been placed and that the games have been placed only in locations permitted by law. Placing a game in an illegal location is grounds for suspension or revocation of the operator's license.

Sec. 96. [349.57] [PLACEMENT LIMITATIONS.]

Subdivision 1. [NUMERICAL.] No more than two video games of chance may be operated in any location.

Subd. 2. [LOCATIONS.] Video games of chance may be operated only at licensed on-sale intoxicating liquor establishments and private clubs.

Subdivision 1. [PACKAGES DECLARED TO BE CONTRABAND.] The following are declared to be contraband:

(1) *all video games of chance which do not have a licensing stamp affixed to them and all containers that contain contraband video games of chance;*

(2) *all video games of chance to which the commissioner or his designated representatives have been denied access for the inspection of contents. In lieu of seizure, the commissioner or his designated representatives may seal the game to prevent its use until inspection of contents is permitted;*

(3) *all video games of chance at a location at which there is no location agreement in force; and*

(4) *all video games of chance illegally brought into the state.*

Subd. 2. [SEIZURE.] Contraband may be seized by the commissioner or his designated representatives or by any sheriff or other police officer, with or without process, and is subject to forfeiture as provided in subdivision 3.

Subd. 3. [DISPOSITION OF SEIZED PROPERTY.] The person who has seized the property must follow the procedure set forth under section 297A.15, subdivision 4. Whenever the commissioner is satisfied that any person from whom property is seized under this section acting in good faith and without intent to evade the tax imposed by those sections, he shall release the property seized without further legal proceedings.

Sec. 99. [349.60] [CONSTRUCTION; OTHER ACTIONS.]

Subdivision 1. [CONSTRUCTION.] Video games of chance are also governed by sections 349.30 to 349.31 and 609.75 to 609.76.

Subd. 2. [OTHER ACTIONS.] Agencies of government may investigate and prosecute violations of the laws governing video games of chance as well as other laws relating to gambling.

(b) *preparing, or advising and assisting local units of government in preparing the transit study and service plan required by section 473.384;*

(b) *a private provider of public transit.*

Subd. 3. [APPLICATIONS.] The board shall establish procedures and standards for review and approval of applica-

The board may include funds received under section 473.446, subdivision 1a, as a local source of revenue. The remainder of the total operating cost will be paid by the board less all assistance received by the recipient for that purpose from any federal source.

If a recipient informs the board in writing prior to the distribution of financial assistance for any year that paying its designated percentage of total operating cost from local sources will cause undue hardship, the board may adjust the percentage as it deems equitable. If for any year the funds available to the board are insufficient to allow the board to pay its share of total operating cost for those recipients, the board shall reduce its share in each classification to the extent necessary.

Subd. 7. [MTC IMPACT ASSESSMENT.] Prior to entering into a contract for operating assistance with a recipient other than the transit commission the board shall evaluate the effect, if any, of the contract on the ridership, routes, schedules, fares, and staffing levels of the existing and proposed service provided by the commission. A copy of the assessment must be provided to the commission. The board may enter into the contract only if it determines that the service to be assisted under the contract will not impose an undue hardship on the ridership or financial condition of the commission, cause the dismissal of persons that are employed by the commission, or reduce the total level of service in the metropolitan area provided by the commission.

Subd. 8. [PARATRANSIT CONTRACTS.] In executing and administering contracts for paratransit projects, the board has the powers and duties given to the commissioner of transportation in section 174.255, subdivisions 1 and 2 relating to handicapped accessibility and insurance coverage. The provisions of section 174.255, subdivision 3, apply to paratransit projects which receive assistance by contract with the board.

Subd. 9 [ASSUMPTION OF CONTRACTS.] The board shall certify to the commissioner of transportation when it has adopted an approved interim implementation plan and is ready to assume responsibility for administering contracts made by the commis-

sioner with recipients in the metropolitan area under section 174.24. On receiving the certification the commissioner shall transfer to the board from funds appropriated to him an amount sufficient to permit the board to pay all state financial assistance contracted for and shall make no further contracts under section 174.24, subdivision 3, with recipients in the metropolitan area. On receipt of this amount by the board the contracts so assumed become a responsibility of the board.

Sec. 122. [473.386] [SPECIAL TRANSPORTATION SERVICE.]

Subdivision 1. [PROJECT OBJECTIVES.] The transit board shall implement a project to coordinate special transportation service in the metropolitan area. The project has the following objectives:

(a) to provide greater access to transportation for the elderly, handicapped, and others with special transportation needs in the metropolitan area;

(b) to develop an integrated system of special transportation service providing transportation tailored to meet special individual needs in the most cost-efficient manner; and

(c) to use existing public and private providers of service wherever possible, to supplement rather than replace existing service, and to increase the productivity of all special transportation vehicles available in the area.

Subd. 2. [FINANCING; IMPLEMENTATION; MANAGEMENT AND ADVISORY GROUPS.] The board shall contract for services necessary for the project's operation. All transportation service provided through the project must be provided under a contract between the board and the provider which specifies the service to be provided and the rates for providing it. The board shall establish a committee to set management policies for the project. The management policy committee must include the chairman of the board or his designee, representatives of persons contracting to provide services for the project, representatives of users of the service, and representatives of appropriate agencies. The meetings of the management policy committee are public and minutes of all meetings must be taken, preserved, and made available for public inspection. The board shall establish an advisory task force of individuals representing the elderly, handicapped, and other users of service provided by the project to advise the management policy committee.

Subd. 3. [DUTIES OF BOARD.] In implementing the project the board shall:

(a) encourage participation in the project by public and private providers of special transportation service currently receiving capital or operating assistance from a public agency;

(b) contract with public and private providers that have demonstrated their ability to effectively provide service at a reasonable cost;

(c) encourage individuals using service provided through the project to use the type of service most appropriate to their particular needs;

(d) ensure that all persons providing service through the project receive equitable treatment in the allocation of the ridership;

(e) encourage shared rides to the greatest extent practicable;

(f) encourage public agencies that provide transportation to eligible individuals as a component of human services and educational programs to coordinate with the project and to allow reimbursement for services provided through the project at rates that reflect the public cost of providing those services; and

(g) establish criteria to be used in determining individual eligibility for special transportation services.

Subd. 4. [COORDINATION REQUIRED.] The board may not grant any financial assistance to any recipient that proposes to use any part of the grant to provide special transportation service in the metropolitan area unless the program is coordinated with the project in the manner determined by the board.

Subd. 5. [EQUITABLE ALLOCATION AND ANNUAL REALLOCATION.] The board shall distribute all available funding under this section in a manner designed to achieve an equitable allocation of special transportation services based on the proportion of the number of elderly, handicapped, disabled, or economically disadvantaged individuals with special transportation needs who actually use the special transportation service.

Subd. 6. [OPERATING AND SERVICE STANDARDS.] A vehicle providing special transportation service which is subject to the operating standards adopted pursuant to section 174.-30 may not be allowed to provide service through the project unless a current certificate of compliance has been issued to the vehicle. A person operating or assisting the operation of a vehicle may leave the vehicle to enter premises in order to help a passenger who does not require emergency ambulance service. Operators and assistants shall provide the help necessary for door-through-door service, including help in entering and leaving the vehicle and help through the exterior entrance and over any exterior steps at either departure or destination buildings, provided that both the steps and the wheelchair are in good re-

pair. If an operator or assistant refuses help because of the condition of the steps or the wheelchair, the operator of the service shall send letters to the board and the person denied service describing the corrective measures necessary to qualify for service.

Subd. 7. [ASSUMPTION OF PROGRAM.] The board shall certify to the commissioner of transportation when it has adopted an approved interim implementation plan and is ready to assume responsibility for the special transportation service project administered by the commissioner under section 174.31. On receiving the certification the commissioner shall transfer to the board the unexpended balance of the funds appropriated to him by law for operation of the special transportation service coordination project under Minnesota Statutes 1982, section 174.31, and shall take no further actions under that section. On receipt of this amount the project becomes a responsibility of the board.

Sec. 123. [473.388] [REPLACEMENT SERVICE PROGRAM.]

Subdivision 1. [PROGRAM ESTABLISHED.] A replacement service program is established to continue the metropolitan transit service demonstration program established in Minnesota Statutes 1982, section 174.265, as provided in this section.

Subd. 2. [REPLACEMENT SERVICE; ELIGIBILITY.] The transit board may provide assistance under the program to a statutory or home rule charter city or town or combination thereof, that:

- (a) is located in the metropolitan transit taxing district;
- (b) is not served by the transit commission or is served only with transit commission bus routes which begin or end within the applying city or town or combination thereof; and
- (c) has fewer than four scheduled runs of metropolitan transit commission bus service during off-peak hours defined in section 473.408, subdivision 1.

Eligible cities or towns or combinations thereof may apply on behalf of a transit operator with whom they propose to contract for service.

The board may not provide assistance under this section to a statutory or home rule charter city or town unless the city or town was receiving assistance under Minnesota Statutes 1982, section 174.265 or had submitted an application or a letter of intent to apply for assistance under that section by July 1, 1984.

Subd. 3. [APPLICATION FOR ASSISTANCE.] An application for assistance under this section must:

(a) describe the existing service provided to the applicant by the transit commission, including the estimated number of passengers carried and the routes, schedules, and fares;

(b) describe the transit service proposed for funding under the demonstration program, including the anticipated number of passengers and the routes, schedules, and fares; and

(c) indicate the total amount of available local transit funds, the portion of the available local transit funds proposed to be used to subsidize replacement services, and the amount of assistance requested for the replacement services.

Subd. 4. [FINANCIAL ASSISTANCE.] The board may grant the requested financial assistance if it determines that the proposed service is consistent with the approved implementation plan and is intended to replace the service to the applying city or town or combination thereof by the transit commission and that the proposed service will meet the needs of the applicant at least as efficiently and effectively as the existing service.

The amount of assistance which the board may provide under this section may not exceed the sum of:

(a) the portion of the available local transit funds which the applicant proposes to use to subsidize the proposed service; and

(b) an amount of financial assistance bearing an identical proportional relationship to the amount under clause (a) as the total amount of financial assistance to the transit commission bears to the total amount of taxes collected by the board under section 473.446. The board shall pay the amount to be provided to the recipient from the assistance the board would otherwise pay to the transit commission.

For purposes of this section "available local transit funds" means 90 percent of the tax revenues which would accrue to the board from the tax it levies under section 473.446 in the applicant city or town or combination thereof.

Subd. 5. [OTHER ASSISTANCE.] A city or town receiving assistance under this section may also receive assistance from the board under section 473.384. In applying for assistance under that section an applicant must describe the portion of the available local transit funds which are not obligated to subsidize replacement service and which the applicant proposes to use to subsidize additional service. An applicant which has exhausted its available local transit funds may use any other local subsidy funds to complete the required local share.

Subd. 6. [ASSUMPTION OF PROGRAM.] The board shall certify to the commissioner of transportation when it has adopted an approved interim implementation plan and is ready to assume responsibility for the metropolitan transit service demonstration program administered by the commissioner under Minnesota Statutes 1982, section 174.265. On receipt of the certification by the commissioner he shall make no further contracts under that program and shall assign all contracts then in effect under that program to the board, and the contracts at that time become obligations of the board.

Sec. 124. [473.39] [BORROWING MONEY.]

Subdivision 1. [GENERAL AUTHORITY.] The transit board if authorized by vote of at least two-thirds of all its members, may borrow money on terms, and in the manner it deems proper. The board may not issue obligations pursuant to this subdivision in excess of the amount specifically authorized by law. A loan made under this section and interest thereon shall be payable from collections of any funds of the board not otherwise appropriated by law and not otherwise pledged by resolution of the board. The loans may be evidenced by certificates of indebtedness, bonds, or other obligations, to which the board may pledge money received upon collection of the tax authorized by section 473.446 or received as proceeds of bonds issued under this section or any other revenue of the board. The loans may also be secured by a security interest in property acquired in whole or in part from their proceeds. The obligations are not a charge, lien, or encumbrance upon and may not be enforced against any property of the board except tax collections and bond proceeds specifically pledged by the board and security interests granted by it. In the enforcement or collection of the obligations, exercise of the taxing power of the board may not be required unless the board has specifically pledged tax levies or tax collections authorized by section 473.446 to the payment of the obligations. The obligations are not a debt of the state or any municipality or political subdivision within the meaning of any debt limitation or requirement pertaining to those entities. Neither the state nor any municipality or political subdivision except the board, nor any member or officer or employee of it is liable on the obligations.

Subd. 2. [LEGAL INVESTMENTS.] Certificates of indebtedness, bonds, or other obligations issued by the board to which tax levies have been pledged pursuant to section 473.446, are proper for investment of any funds by a bank, savings bank, savings and loan association, credit union, trust company, insurance company, or public or municipal corporation, and may be pledged by any bank, savings bank, savings and loan association, credit union, or trust company as security for the deposit of public money.

Subd. 3. [TEMPORARY BORROWING.] After the board has adopted a budget, the board may borrow money in amounts it deems necessary, which may be used or expended by the board for any purpose, including but not limited to current expenses, capital expenditures, and the discharge of any obligation or indebtedness of the board. The indebtedness must be represented by a note or notes which may be issued from time to time in any denomination and sold at public or private sale pursuant to a resolution authorizing their issuance. The resolution must set forth the form and manner of execution of the notes and must contain other terms and conditions the board deems necessary or desirable to provide security for the holders of the notes. The note or notes are payable from committed or appropriated money from taxes, grants or loans of the state or federal government made to the board, or other revenues of the board, and the money may be pledged to the payment of the notes. To the extent the notes are not paid from the grant or loan money pledged for the payment thereof, the principal and interest of the notes must be paid from any taxes, income, and revenue received or accrued during the fiscal year in which the note or notes were issued, or other money of the board lawfully available therefor.

Sec. 125. [473.394] [BOARD EXEMPT FROM TAXATION.]

The properties, moneys, and other assets of the transit board, all revenues or other income of the board, are exempt from all taxation, licenses, fees, or charges of any kind imposed by the state or by any county, municipality, political subdivision, taxing district, or other public agency or body of the state.

The commissioner of transportation may furnish all engineering, legal, and other services, if so requested by the commission and upon fair and reasonable reimbursement for the cost thereof by the commission, (WHICH THE COMMISSION REQUESTS) for the purposes stated in this subdivision, including the acquisition by purchase, condemnation, or otherwise in the name of the commission of all lands, waters, easements, or other rights or interests in lands or waters required by the commission. *No purchase of service agreements may be made under this subdivision which are not included in the budget of the commission.*

The provisions of this subdivision (SHALL) *do* not apply to the property of any common carrier railroad or common carrier railroads. The consent of the public agency in charge of such state highway or other public highway or roadway or appurtenance (SHALL) *is* not (BE) required, but if (SUCH) *the* agency objects to the proposed use or claims reimbursement from the commission for additional cost of maintenance, it may commence an action against the commission in the district court of the county wherein (SUCH) *the* highway, roadway, or appurtenance, or major portion thereof, is located. The proceedings in (SUCH) *the* action (SHALL) *must* conform to the rules of civil procedure applicable to the district courts. The court shall sit without jury. If the court determines that the use in question interferes unreasonably with the public use or maintenance of the roadway or appurtenance, it shall enjoin (SUCH) *the* use by the commission. If the court determines that the use in question does not interfere unreasonably with the public use or maintenance of the roadway or appurtenance, but that it entails substantial additional maintenance costs, the court shall award judgment to the agency for the amount of (SUCH) *the* additional costs. Otherwise the court shall award judgment to the commission. An aggrieved party may appeal from the judgment of the district court in the same manner as is provided for such appeals in other civil actions. The commission may also use land within the right of way of any state highway or other public roadway for the erection of traffic control devices, other signs, and passenger shelters upon the conditions (HEREINAFTER) stated *in this subdivision* and subject only to the approval of the commissioner of transportation where required by statute, and subject to the express provisions of other applicable statutes and to federal requirements where necessary to qualify for federal aid.

In cases in which the council has been charged by the commissioner to evaluate an application submitted under the provisions of section 214.13, the commissioner may appoint to the council as temporary voting members, for the purpose of evaluating that application alone, one or two representatives from among the appropriate licensed or registered human services occupations or from among the state agencies that have been identified under section 214.13, subdivision 2. In determining whether a temporary voting member or members should be appointed and which human services occupations or state agencies should be represented by temporary voting members, the commissioner shall attempt to systematically involve those who would be most directly affected by a decision to credential a particular applicant group and who are not already represented on the

council. The terms of temporary voting members shall not exceed 12 months. The terms of the other council members, and the compensation and removal of all members, shall be as provided in section 15.059.

Sec. 19. [246.023] [INTERAGENCY BOARD.]

Subdivision 1. [LEGISLATIVE POLICY.] It is recognized that closure and consolidation of state hospitals have negative economic effects upon public employees and communities. It is the policy of the state that deinstitutionalization policies shall be carried out in a manner that ensures fair and equitable arrangements to protect the interests of employees and communities affected by deinstitutionalization of state hospitals.

Subd. 2. [INTERAGENCY BOARD.] There is established an interagency board to be known as the institutional care and economic impact planning board. The board shall consist of the following members: the commissioners of public welfare, administration, employee relations, economic security, energy and

economic development; the director of the state planning agency; and other appropriate agency heads. The board shall be directed by the director of the state planning agency with assistance from the commissioner of public welfare in consultation with the other agency heads.

Subd. 3. [STUDY.] A comprehensive study shall be conducted by the interagency board to provide information on topics to include, but not be limited to, the following:

(1) projected displacement of state hospital employees because of deinstitutionalization by number, location, and job classification;

(2) the extent to which displacement can be mitigated through attrition, retirement, retraining, and transfer;

(3) the development of cooperative arrangements between the state and local units of government in the carrying out of these goals;

Subd. 4. [PLAN.] The board shall develop a plan. The plan shall include proposals which protect the general interests of employees and communities affected by the deinstitutionalization of state hospitals, including proposals that attempt to preserve employment rights and benefits, provide training and retraining of employees and, to the extent possible, promote the employment of these employees. In addition, the plan shall propose specific methods for assuring minimal impact on the economic life of communities affected by the deinstitutionalization of state hospitals. The plan shall provide specific direction with respect to the following:

(1) retention of collective bargaining agreements including seniority, vacation, health insurance and other contractual benefits, and pension rights;

(2) *maximum utilization of state hospital employees in the provision of noninstitutional services to the mentally retarded;*

(3) *negotiated agreements with exclusive representatives addressing job security issues, where deinstitutionalization causes displacement of employees;*

(4) *development of noninstitutional, state-operated or non-state-operated services for the mentally retarded, including community-based intermediate care facilities for the mentally retarded, supported living arrangements, semi-independent living arrangements, day activity services, and other services;*

(5) *methods for ensuring that staff displaced by termination of programs at state hospitals are utilized to provide needed services within the continuum of care for individuals;*

(6) *alternative use of state hospital facilities made available by program closures;*

(7) *community retraining options for displaced personnel;*

(8) *methods for involving the following groups in the planning process: parents and guardians of hospital residents, community business and economic leaders, advocates, community providers, units of local government, and affected exclusive representatives; and*

(9) *preparation of an economic impact statement and alternative economic development strategies for each state hospital region likely to be affected by program reductions in the regional state facility.*

Subd. 5. [REPORT; IMPLEMENTATION.] *The inter-agency board shall complete both the study required under subdivision 3 and the plan required under subdivision 4, on or before January 31, 1985, and shall present them to the legislative commission on long-term health care before February 1, 1985. Board members shall, to the extent possible, propose legislation for program implementation based upon the plan including, if appropriate, pilot demonstration projects.*

Sec. 20. [LEGISLATIVE COMMISSION ON LONG-TERM CARE.]

The legislative commission on long-term health care authorized by Laws 1983, chapter 199, section 17, shall:

(1) *monitor the deinstitutionalization of state hospitals in accord with the plan developed pursuant to section 19;*

(2) *study the impact of state hospital deinstitutionalization on affected communities;*

(3) *ensure that displaced state hospital employees are provided opportunities for reemployment or retraining; and*

Sec. 21. Minnesota Statutes 1983 Supplement, section 256.01, subdivision 2, is amended to read:

Subd. 2. [SPECIFIC POWERS.] Subject to the provisions of section 241.021, subdivision 2, the commissioner of public welfare shall:

(1) Administer and supervise all forms of public assistance provided for by state law and other welfare activities or services as are vested in the commissioner.

(2) Administer and supervise all child welfare activities; promote the enforcement of laws protecting handicapped, dependent, neglected and delinquent children, and children born to mothers who were not married to the children's fathers at the times of the conception nor at the births of the children; license and supervise child-caring and child-placing agencies and institutions; supervise the care of children in boarding and foster homes or in private institutions; and generally perform all functions relating to the field of child welfare now vested in the state board of control.

(3) Administer and supervise all noninstitutional service to handicapped persons. The commissioner may provide and contract for the care and treatment of qualified indigent children in facilities other than those located and available at state hospitals when it is not feasible to provide the service in state hospitals.

(4) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(5) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expendi-

tures for medical care to recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

(6) Establish and maintain any administrative units reasonably necessary for the performance of administrative functions common to all divisions of the department.

(7) Administer and supervise any additional welfare activities and services as are vested by law in the department.

(8) The commissioner is designated as guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded or epileptic.

(9) Act as coordinating referral and informational center on requests for service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or state-wide schedules of maximum fees and charges which may be paid by local agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of public welfare is authorized to waive the enforcement of existing specific statutory program requirements, regulations, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed two years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver

shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to state-wide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(13) In accordance with federal requirements establish procedures to be followed by local welfare boards in creating citizen advisory committees, including procedures for selection of committee members.

(14) Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs and shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for that program. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) *Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund.*

All money in the account is appropriated to the commissioner for the purposes of this paragraph.

Sec. 22. Minnesota Statutes 1983 Supplement, section 256.737, is amended to read:

256.737 [COMMUNITY WORK EXPERIENCE PROGRAM.]

In order that persons receiving aid under this chapter may be assisted in achieving self-sufficiency by enhancing their employability through meaningful work experience and training and the development of job search skills, the commissioner of public welfare may (ESTABLISH) *continue the pilot community work experience demonstration programs that were approved by January 1, 1984. No new pilot community work experience demonstration programs may be established.* The commissioner shall: (a) assist counties in the design, implementation, and evaluation of these demonstration programs; (b) promulgate, in accordance with chapter 14, temporary rules necessary for the implementation of this section, except that the time restrictions of section 14.35 shall not apply and the rules may be in effect until the termination of the demonstration programs; and (c) seek any federal waivers necessary for proper implementation of this section in accordance with federal law. The commissioner shall prohibit use of participants in the programs to do work that was part or all of the duties or responsibilities of an authorized public employee position established as of January 1, 1983. *The exclusive bargaining representative shall be notified no less than 14 days in advance of any placement by the community work experience program. Concurrence with respect to job duties of persons placed under the community work experience program shall be obtained from the appropriate exclusive bargaining representative. The appropriate oversight committee shall be given monthly lists of all job placements under a community work experience program.*

Projects shall end no later than June 30, (1984) 1985, and a preliminary report shall be made to the legislature by February 15, (1984) 1985, on the feasibility of permanent implementation and on the cost effectiveness of each of the demonstration programs.

Sec. 23. Minnesota Statutes 1982, section 256.851, is amended to read:

256.851 [RULES.]

The commissioner of public welfare shall promulgate temporary and permanent rules necessary to implement Laws 1981, Third Special Session Chapter 3, Sections 1 to 19, and sections 256.72 to 256.871.

Sec. 24. [256B.49] [CHRONICALLY ILL CHILDREN; HOME AND COMMUNITY-BASED WAIVER STUDY AND APPLICATION.]

Subdivision 1. [STUDY; WAIVER APPLICATION.] The commissioner shall authorize a study to assess the need for home and community-based waivers for chronically ill children who have been and will continue to be hospitalized without a waiver, and for disabled individuals under the age of 65 who are likely to reside in an acute care or nursing home facility in the absence of a waiver. If a need for these waivers can be demonstrated, the commissioner shall apply for federal waivers necessary to secure, to the extent allowed by law, federal participation under United States Code, title 42, sections 1396-1396p, as amended through December 31, 1982, for the provision of home and community-based services to chronically ill children who, in the absence of such a waiver, would remain in an acute care setting, and to disabled individuals under the age of 65 who, in the absence of a waiver, would reside in an acute care or nursing home setting. If the need is demonstrated, the commissioner shall request a waiver under United States Code, title 42, sections 1396-1396p, to allow medicaid eligibility for blind or disabled children with ineligible parents where income deemed from the parents would cause the applicant to be ineligible for supplemental security income if the family shared a household and to furnish necessary services in the home or community to disabled individuals under the age of 65 who would be eligible for medicaid if institutionalized in an acute care or nursing home setting. These waivers are requested to furnish necessary services in the home and community setting to children or disabled adults under age 65 who are medicaid eligible when institutionalized in an acute care or nursing home setting. The commissioner shall assure that the cost of home and community-based care will not be more than the cost of care if the eligible child or disabled adult under age 65 were to remain institutionalized.

Subd. 2. [RULES.] The commissioner of public welfare may adopt temporary and permanent rules as necessary to implement subdivision 1.

Sec. 25. Minnesota Statutes 1983 Supplement, section 256B.-501, subdivision 10, is amended to read:

Subd. 10. [RULES.] To implement this section, the commissioner shall promulgate temporary and permanent rules in accordance with chapter 14. To implement subdivision 3, the commissioner shall promulgate temporary rules (BY OCTOBER 1, 1983,) and permanent rules in accordance with sections 14.01 to 14.38. Notwithstanding the provisions of section 14.35, the temporary rule promulgated to implement subdivision 3 shall be effective for up to 720 days.

Sec. 26. Minnesota Statutes 1983 Supplement, section 256D.-01, subdivision 1, is amended to read:

Subdivision 1. [POLICY (; STANDARDS OF ASSISTANCE).] The objectives of sections 256D.01 to 256D.21 are to provide a sound administrative structure for public assistance programs; to maximize the use of federal money for public assistance purposes; and to provide an integrated public assistance program for all persons in the state without adequate income or resources to maintain a subsistence reasonably compatible with decency and health.

It is declared to be the policy of this state that persons unable to provide for themselves and not otherwise provided for by law and who meet the eligibility requirements of sections 256D.01 to 256D.21 are entitled to receive grants of general assistance necessary to maintain a subsistence reasonably compatible with decency and health. Providing this assistance is a matter of public concern and a necessity in promoting the public health and welfare.

Subd. 1a. [STANDARDS.] A principal objective in providing general assistance is to provide for persons ineligible for federal programs who are unable to provide for themselves. To achieve these aims, the commissioner shall establish minimum standards of assistance for general assistance. The minimum standard of assistance determines the total amount of the general assistance grant without separate standards for shelter, utilities, or other needs and shall not be less than the combined total of the minimum standards of assistance for shelter and basic needs in effect on February 1, 1983. The standards of assistance shall not be lower for a recipient sharing a residence with another person unless that person is a responsible relative (OF THE RECIPIENT WHO IS ALSO ELIGIBLE FOR GENERAL ASSISTANCE). The standards shall be lowered for recipients who share a residence with a responsible relative who also receives general assistance or who receives AFDC. If the responsible relative is receiving AFDC, then the amount payable to the general assistance recipient must not exceed the amount that would be attributable to him if he were included in the AFDC grant. For recipients who are not exempt from registration with the department of economic security pursuant to section 256D.111, subdivision 2, clauses (a), (f), (g), and (h), and who share a residence with a responsible relative who is not eligible for general assistance, the standards shall be lowered, subject to these limitations:

(a) The general assistance grant shall be in an amount such that total household income is equal to the AFDC standard for a household of like size and composition, except that the grant shall not exceed that paid to a general assistance recipient living independently.

(b) Benefits received by a responsible relative under the supplemental security income program, the social security disability program, a workers' compensation program, the Minne-

sota supplemental aid program, or on the basis of the relative's disability, must not be included in the household income calculation.

Subd. 1b. [RULES.] The commissioner shall adopt temporary and permanent rules to set standards of assistance and methods of calculating payment to conform with subdivision 1a. The minimum standards of assistance shall authorize the payment of rates negotiated by local agencies for recipients living in a room and board arrangement. In order to maximize the use of federal funds, the commissioner shall adopt rules, to the extent permitted by federal law for eligibility for the emergency assistance program under aid to families with dependent children, and under the terms of sections 256D.01 to 256D.21 for general assistance, to require use of the emergency program under aid to families with dependent children as the primary financial resource when available. The commissioner shall provide by rule for eligibility for general assistance of persons with seasonal income, and may attribute seasonal income to other periods not in excess of one year from receipt by an applicant or recipient.

Sec. 27. Minnesota Statutes 1982, section 256D.02, subdivision 6, is amended to read:

Subd. 6. "Child" means an *adult or minor child of an individual (WHO IS UNDER THE AGE OF 18).*

Sec. 28. Minnesota Statutes 1982, section 256D.02, subdivision 8, is amended to read:

Subd. 8. "Income" means any form of income, including remuneration for services performed as an employee and net earnings from self-employment, reduced by the amount attributable to employment expenses as defined by the commissioner. The amount attributable to employment expenses shall include amounts paid or withheld for federal and state personal income taxes and federal social security taxes.

"Income" includes any payments received as an annuity, retirement, or disability benefit, including veteran's or workers' compensation; old age, survivors, and disability insurance; railroad retirement benefits; unemployment benefits; and benefits under any federally aided categorical assistance program, supplementary security income, or other assistance program; rents, dividends, interest and royalties; and support and maintenance payments (EXCEPT THAT). Such payments may not be considered as available to meet the needs of any person other than the person for whose benefit they are received, unless that person is under a legal duty to support another family member *and the income is not excluded under section 256D.01, subdivision 1a.* Goods and services provided in lieu of cash payment shall be

excluded from the definition of income, *except that payments made for room, board, tuition or fees by a parent, on behalf of a child enrolled as a full-time student in a post-secondary institution, must be included as income.*

Sec. 29. Minnesota Statutes 1982, section 256D.02, is amended by adding a subdivision to read:

Subd. 15. "Full-time student" means a student at a post-secondary institution who attends training for a minimum of 25 hours per week if the training does not involve shop practice and for a minimum of 30 hours per week if the training involves shop practice, or who registers for and attends a minimum of 12 semester hours per semester or 12 quarter hours per quarter.

Sec. 30. Minnesota Statutes 1983 Supplement, section 256D.-03, subdivision 4, is amended to read:

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) Reimbursement under the general assistance medical care program shall be limited to the following categories of service: inpatient hospital care, outpatient hospital care, services provided by medicare certified rehabilitation agencies, prescription drugs, *equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level, eyeglasses and eye examinations provided by a physician or optometrist, hearing aids, prosthetic devices, laboratory and x-ray services, physician's services, medical transportation, and dental care.* In addition, payments of state aid shall be made for day treatment services provided by a mental health center established under sections 245.61 to 245.69, subdivision 1, and funded through chapter 256E and for prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization.

(b) In order to contain costs, the county board shall, with the approval of the commissioner of public welfare, select vendors of medical care who can provide the most economical care consistent with high medical standards and may contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall encourage county boards to submit proposals for demonstration projects designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under section 256B.02, subdivision 8, except that where counties enter into prepaid capitation agreements, payments shall be as provided in section 256.966, subdivision 2.

(c) The commissioner of public welfare may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general

assistance medical care, within the following restrictions. For the period July 1, 1983 to June 30, 1984, reductions below the cost per service unit allowable under section 256.966, are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 45 percent; payments for all other inpatient hospital care may be reduced no more than 35 percent. Reductions below the payments allowable under section 256.967 for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than 25 percent. For the period July 1, 1984 to June 30, 1985, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 30 percent; payments for all other inpatient hospital care may be reduced no more than 20 percent. Reductions below the payments allowable under section 256.967 for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent. There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. *A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.*

(d) Any county may, from its own resources, provide medical payments for which state payments are not made.

Sec. 31. Minnesota Statutes 1982, section 256D.06, subdivision 3, is amended to read:

Subd. 3. When a general assistance grant is used to pay a negotiated rate for a recipient living in a room and board arrangement or congregate living care, *or when a recipient is living in a state hospital or nursing home, the recipient shall receive an allowance for clothing and personal needs and the allowance shall not be less than that authorized for a medical assistance recipient pursuant to section 256B.35.*

Sec. 32. Minnesota Statutes 1983 Supplement, section 256D.111, subdivision 1, is amended to read:

256D.111 [REGISTRATION FOR WORK; DISQUALIFICATION.]

Subdivision 1. [REGISTRATION REQUIREMENT.] Unless exempt in accordance with the provisions of subdivision 2, an adult who is a recipient of general assistance and who is not employed is required to register for employment services with the department of economic security, be available for work and comply with reasonable reporting and job search requirements as established by the commissioner of economic security in per-

manent or temporary rule, and accept any offer of suitable employment. *The department of economic security shall promptly verify the names of persons registered under this subdivision for the local agencies.*

Sec. 33. Minnesota Statutes 1983 Supplement, section 256D.111, is amended by adding a subdivision to read:

Sec. 34. Minnesota Statutes 1983 Supplement, section 256D.111, subdivision 2, is amended to read:

Subd. 2. [EXEMPTIONS.] A recipient is not required to register (FOR EMPLOYMENT SERVICES) with the department of economic security and comply with the other requirements of subdivision 1 if he is:

(k) a person (WHO HAS BEEN CERTIFIED AS UNEMPLOYABLE BY THE COMMISSIONER OF ECONOMIC SECURITY) *who has substantial barriers to employment, including but not limited to factors relating to work or training history, as determined by the local agency in accordance with permanent or temporary rules adopted by the commissioner after consultation with the commissioner of economic security; or*

Sec. 36. Minnesota Statutes 1983 Supplement, section 256D.112, is amended to read:

256D.112 [TEMPORARY AUTHORITY TO REFER CERTAIN RECIPIENTS TO COMMISSIONER OF ECONOMIC SECURITY.]

Subdivision 1. [FORMULA.] In federal fiscal year (1980) 1985 and subsequent years, money for social services that is received from the federal government to reimburse counties for social service expenditures pursuant to title XX of the social security act shall be allocated to each county according to the following formula:

(a) Two-thirds shall be allocated on the basis of the annual average number of unduplicated active *monthly* caseloads in each county in the following programs: aid to families with dependent children, medical assistance, *general assistance*, supplementary security income, and Minnesota supplemental aid.

(b) One-third shall be allocated on the basis of the number of persons residing in the county as determined by the most recent (DATA) *estimate* of the state demographer.

(c) The commissioner shall allocate to the counties pursuant to this section the total money received from the federal gov-

ernment for social services pursuant to title XX of the social security act, except that portion of the state's allocation which the legislature authorizes for administrative purposes and for migrant day care.

((D) IN FEDERAL FISCAL YEAR 1980 AND IN SUBSEQUENT YEARS THE MINIMUM TITLE XX SHARE OF A COUNTY SHALL BE THE SUM OF:)

IF IN ANY YEAR THE AMOUNT OF TITLE XX FUNDS TO THE STATE IS REDUCED BELOW THE LEVEL IT RECEIVED IN FEDERAL FISCAL YEAR 1979, THE GUARANTEE PROVIDED IN THIS PARAGRAPH SHALL BE REDUCED BY A PERCENTAGE REDUCTION EQUAL TO THE PERCENTAGE REDUCTION IN TITLE XX MONEY TO THE STATE AS A WHOLE. THE COMMISSIONER OF PUBLIC WELFARE SHALL ANNUALLY REVIEW THE USE OF TITLE XX MONEY BY EACH COUNTY AND REALLOCATE UNUSED MONEY AMONG THE OTHER COUNTIES, EXCEPT HENNEPIN, RAMSEY AND ST. (2) For all counties whose previous year allocation exceeds its current year formula share, the difference shall be divided by the number of years remaining until federal fiscal year 1994; the resulting amount shall be subtracted from the previous year allocation to obtain the final allocation;

(3) For all counties whose current year formula share equals or exceeds its previous year allocation, any difference shall be divided by the number of years remaining until federal fiscal year 1994. The resulting amount shall be added to the previous year allocation to obtain the final allocation.

(b) Whenever the amount of federal title XX funds available for allocation to counties is less than the amount available in the previous year, the procedure described in clause (a) shall be followed, except that each county's previous year allocation shall mean its actual previous year allocation reduced in proportion to the reduction in federal fund availability.

(c) Whenever the amount of federal title XX funds available for allocation to counties is greater than the amount available in the previous year, the procedure described in clause (a) shall be followed, except that each county's previous year allocation shall mean:

(1) the actual previous year allocation; plus

(2) the amount to which the county would be entitled by apportioning 40 percent of the excess federal funds available according to the distribution formula contained in subdivision 1; plus

(3) for all counties whose current year formula share exceeds the amount prescribed by items (1) and (2) of this paragraph, the amount to which the county would be entitled by apportioning the remaining 60 percent of the excess federal funds available among the remaining counties according to the distribution formula contained in subdivision 1.

Sec. 57. [MORATORIUM ON HOSPITAL CAPACITY EXPANSION.]

Subdivision 1. [RESTRICTED CONSTRUCTION OR MODIFICATION.] *Until June 30, 1987, the following construction or modification may not be commenced:*

(1) any erection, building, alteration, reconstruction, modernization, improvement, extension, lease, or other acquisition by or on behalf of a hospital that increases the bed capacity of a hospital, relocates hospital beds from one physical facility, complex, or site to another, or otherwise results in an increase or redistribution of hospital beds within the state; and

(2) the establishment of a new hospital.

This section does not apply to:

(1) a hospital, clinic, or other health care facility that is a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its patients from outside the state of Minnesota;

(2) a project for construction or modification for which a health care facility held an approved certificate of need on May 1, 1984, regardless of the date of expiration of the certificate;

(3) a project for which a certificate of need was denied prior to the date of enactment of this act if a timely appeal results in an order reversing the denial; or

(4) a project exempted from certificate of need requirements by Laws 1981, chapter 200, section 2.

Nothing in this section prohibits the relocation or redistribution of hospital beds within a hospital building or identifiable complex of buildings provided the relocation or redistribution does not result in: (1) an increase in the overall bed capacity at that site; (2) relocation of hospital beds from one physical site or complex to another; or (3) redistribution of hospital beds within the state or a region of the state.

Subd. 2. [EMERGENCY WAIVER.] *The commissioner shall grant an emergency waiver from the provisions of this section if the need for the project is a result of fire, tornado, flood, storm damage or other similar disaster, if adequate health care facilities are not available for the people who previously*

used the applicant facility and if the request for an emergency waiver is limited in nature and scope only to those repairs necessitated by the natural disaster.

Subd. 3. [ENFORCEMENT.] The district court in Ramsey County has jurisdiction to enjoin an alleged violation of subdivision 1. At the request of the commissioner of health, the attorney general may bring an action to enjoin an alleged violation. The commissioner of health shall not issue a license for any portion of a hospital in violation of subdivision 1. No hospital in violation of subdivision 1 may apply for or receive public funds under chapters 245 to 256B, or from any other source.

Subd. 4. [DEFINITIONS.] Except as indicated in this subdivision, the terms used in this section have the meanings given them under Minnesota Statutes 1982, sections 145.832 to 145.845 and the rules adopted thereunder.

The term "hospital" has the meaning given it in section 144.696, subdivision 3.

Sec. 58. [INSTRUCTION TO REVISOR.]

Subdivision 1. ((B)) (c) The driver of any vehicle involved in an accident not resulting in substantial bodily harm or death who violates subdivision 1 or 6 (AND WHO DID NOT CAUSE THE ACCIDENT OR WHO VIOLATES SUBDIVISION 2 IS GUILTY OF A GROSS MISDEMEANOR, AND) may be sentenced to imprisonment for not more than one year, or to payment of a fine of not more than (\$1,000) \$3,000, or both.

((C)) (d) Any person who violates subdivision 3, clause (b) is guilty of a petty misdemeanor.

((D)) (e) Any person who violates subdivision 3, clause (a), or subdivision 4, 5, 7, 8, 10, 11, or 12 is guilty of a misdemeanor.

The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section shall also be responsible for prosecution of gross misdemeanor violations of this section.

Sec. 4. Minnesota Statutes 1983 Supplement, section 169.09, subdivision 15, is amended to read:

Subd. 15. [DEFENSE.] It is an affirmative defense to prosecution under subdivisions 1, 2, and 6 that the driver left the scene of the accident to take any person suffering (SUBSTANTIAL) *immediately demonstrable* bodily injury in the accident to receive emergency medical care if the driver of the involved vehicle gives notice to a law enforcement agency as required by subdivision 6 as soon as reasonably feasible after the emergency medical care has been undertaken.

Sec. 5. Minnesota Statutes 1983 Supplement, section 169.121, subdivision 1, is amended to read:

Subdivision 1. [CRIME.] It is a misdemeanor for any person to drive, operate or be in physical control of any motor vehicle within this state:

- (a) When the person is under the influence of alcohol;
- (b) When the person is under the influence of a controlled substance;
- (c) When the person is under the influence of a combination of any two or more of the elements named in clauses (a) and (b); (OR)
- (d) When the person's alcohol concentration is 0.10 or more;
or
- (e) *When the person's alcohol concentration as measured within two hours of the time of driving is 0.10 or more.*

The provisions of this subdivision apply, but are not limited in application, to any person who drives, operates, or is in physical control of any motor vehicle in the manner prohibited by this subdivision upon the ice of any lake, stream, or river, including but not limited to the ice of any boundary water.

Sec. 6. Minnesota Statutes 1983 Supplement, section 169.121, subdivision 1a, is amended to read:

Subd. 1a. [ARREST.] (WHEN AN ACCIDENT HAS OCCURRED,) A peace officer may lawfully arrest a person for violation of subdivision 1 without a warrant upon probable

cause, without regard to whether the violation was committed in the officer's presence.

When a peace officer has probable cause to believe that a person is driving or operating a motor vehicle in violation of subdivision 1, and before a stop or arrest can be made the person escapes from the geographical limits of the officer's jurisdiction, the officer in fresh pursuit of the person may stop or arrest the person in another jurisdiction within this state and may exercise the powers and perform the duties of a peace officer under sections 169.121 and 169.123. An officer acting in fresh pursuit pursuant to this subdivision is serving in his regular line of duty as fully as though he was within his jurisdiction.

The express grant of arrest powers in this subdivision does not limit the arrest powers of peace officers pursuant to sections 626.65 to 626.70 or section 629.40 in cases of arrests for violation of subdivision 1 or any other provision of law.

Sec. 7. Minnesota Statutes 1983 Supplement, section 169.121, subdivision 2, is amended to read:

Subd. 2. [EVIDENCE.] Upon the trial of any prosecution arising out of acts alleged to have been committed by any person arrested for driving, operating, or being in physical control of a motor vehicle in violation of subdivision 1, the court may admit evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine as shown by a medical or chemical analysis of it (, IF THE TEST IS TAKEN VOLUNTARILY OR PURSUANT TO SECTION 169.123).

For the purposes of this subdivision:

(a) evidence that there was at the time an alcohol concentration of 0.05 or less is prima facie evidence that the person was not under the influence of alcohol;

(b) evidence that there was at the time an alcohol concentration of more than 0.05 and less than 0.10 is relevant evidence in indicating whether or not the person was under the influence of alcohol.

Evidence of the refusal to take a test is admissible into evidence in a prosecution under this section or an ordinance in conformity with it.

(FOR PURPOSES OF THIS SECTION AND SECTION 169.123, THE RESULT OF AN EVIDENTIARY TEST ADMINISTERED WITHIN TWO HOURS OF THE ALLEGED VIOLATION IS DEEMED TO BE THE ALCOHOL CONCENTRATION AT THE TIME OF THE VIOLATION.) *If proven by a preponderance of the evidence, it shall be an affirmative*

defense to a violation of subdivision 1, clause (e) that the defendant consumed a sufficient quantity of alcohol after the time of actual driving, operating, or physical control of a motor vehicle and before the administration of the evidentiary test to cause the defendant's alcohol concentration to exceed 0.10. Provided, that this evidence may not be admitted unless notice is given to the prosecution prior to the omnibus or pretrial hearing in the matter.

The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person was under the influence of alcohol or a controlled substance, including tests obtained more than two hours after the alleged violation.

Sec. 8. Minnesota Statutes 1983 Supplement, section 169.121, subdivision 3, is amended to read:

Subd. 3. [CRIMINAL PENALTIES.] A person who violates this section or an ordinance in conformity with it is guilty of a misdemeanor.

The following persons are guilty of a gross misdemeanor:

(a) A person who violates this section or an ordinance in conformity with it within five years of a prior conviction under this section, section 169.129, (OR) an ordinance *in conformity with either of them*, or a statute or ordinance from another state in conformity with (IT) *either of them*; and

(b) A person who violates this section or an ordinance in conformity with it within ten years of two or more prior convictions under this section, section 169.129, (OR) an ordinance *in conformity with either of them*, or a statute or ordinance from another state in conformity with (IT) *either of them*.

For purposes of this subdivision, a prior juvenile adjudication under this section, section 169.129, an ordinance in conformity with either of them, or a statute or ordinance from another state in conformity with either of them is a prior conviction.

The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section shall also be responsible for prosecution of gross misdemeanor violations of this section.

Sec. 9. Minnesota Statutes 1982, section 169.121, subdivision 4, is amended to read:

Subd. 4. [PENALTIES.] A person convicted of violating this section shall have his driver's license or operating privileges revoked by the commissioner of public safety as follows:

- (a) First offense: not less than 30 days;
- (b) Second offense in less than five years: not less than 90 days and until the court has certified that treatment or rehabilitation has been successfully completed where prescribed in accordance with section 169.126;
- (c) Third offense in less than five years: not less than one year, together with denial under section 171.04, clause (8), until rehabilitation is established in accordance with standards established by the commissioner;
- (d) Fourth or subsequent offense on the record: not less than two years, together with denial under section 171.04, clause (8), until rehabilitation is established in accordance with standards established by the commissioner.

If the person convicted of violating this section is under the age of 18 years, the commissioner of public safety shall revoke the offender's driver's license or operating privileges until the offender reaches the age of 18 years or for a period of six months or for the appropriate period of time under clauses (a) to (d) for the offense committed, whichever is the greatest period.

For purposes of this subdivision, a juvenile adjudication under this section, section 169.129, an ordinance in conformity with either of them, or a statute or ordinance from another state in conformity with either of them is an offense.

Whenever department records show that the violation involved personal injury or death to any person, not less than 90 additional days shall be added to the base periods provided above.

Any person whose license has been revoked pursuant to section 169.123 as the result of the same incident is not subject to the mandatory revocation provisions of clause (a) or (b).

Sec. 10. Minnesota Statutes 1983 Supplement, section 169.123, subdivision 2, is amended to read:

Subd. 2. [IMPLIED CONSENT; CONDITIONS; ELECTION AS TO TYPE OF TEST.] (a) Any person who drives, operates, or is in physical control of a motor vehicle within this state consents, subject to the provisions of this section and section 169.121, to a chemical test of his blood, breath, or urine for the purpose of determining the presence of alcohol or a controlled substance. The test shall be administered at the direction of a peace officer. The test may be required of a person when an officer has (REASONABLE) and probable (GROUNDS) cause to believe the person was driving, operating, or in physical control of a motor vehicle in violation of section 169.121 and one of the following conditions exist: (1) the person has been lawfully

placed under arrest for violation of section 169.121, or an ordinance in conformity with it; or (2) the person has been involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death; or (3) the person has refused to take the screening test provided for by section 169.121, subdivision 6; or (4) the screening test was administered and recorded an alcohol concentration of 0.10 or more. (NO ACTION MAY BE TAKEN AGAINST THE PERSON FOR DECLINING TO TAKE A DIRECT BLOOD TEST, IF OFFERED, UNLESS AN ALTERNATIVE TEST WAS OFFERED.)

(b) At the time a chemical test specimen is requested, the person shall be informed:

(1) *that Minnesota law requires the person to take a test to determine if the person is under the influence of alcohol or a controlled substance;*

((1)) (2) *that if testing is refused, the person's right to drive will be revoked for a minimum period of (SIX MONTHS) one year or, if the person is under the age of 18 years, for a period of one year or until he or she reaches the age of 18 years, whichever is greater;*

((2)) (3) *that if a test is taken and the results indicate that the person is under the influence of alcohol or a controlled substance, the person will be subject to criminal penalties and the person's right to drive may be revoked for a minimum period of 90 days or, if the person is under the age of 18 years, for a period of six months or until he or she reaches the age of 18 years, whichever is greater;*

((3)) THAT THE PERSON HAS A RIGHT TO CONSULT WITH AN ATTORNEY BUT THAT THIS RIGHT IS LIMITED TO THE EXTENT THAT IT CANNOT UNREASONABLY DELAY ADMINISTRATION OF THE TEST OR THE PERSON WILL BE DEEMED TO HAVE REFUSED THE TEST; AND)

(4) *that after submitting to testing, the person has the right to consult with an attorney and to have additional tests made by a person of his own choosing; and*

(5) *that if he refuses to take a test, the refusal will be offered into evidence against him at trial.*

(c) *The peace officer who requires a test pursuant to this subdivision may direct whether the test shall be of blood, breath, or urine. However, if the officer directs that the test shall be of a person's blood or urine, the person may choose whether the test shall be of his blood or urine.*

Sec. 11. Minnesota Statutes 1982, section 169.123, is amended by adding a subdivision to read:

Subd. 2b. [CONSENT OF PERSON INCAPABLE OF REFUSAL NOT WITHDRAWN.] A person who is unconscious or who is otherwise in a condition rendering the person incapable of refusal is deemed not to have withdrawn the consent provided by subdivision 2 and the test may be given.

Sec. 12. Minnesota Statutes 1982, section 169.123, subdivision 4, is amended to read:

Subd. 4. [REFUSAL (, CONSENT TO PERMIT TEST); REVOCATION OF LICENSE.] If a person refuses to permit chemical testing, none shall be given; but the peace officer shall report the refusal to the commissioner of public safety and the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the acts occurred. A refusal to submit to an alcohol concentration test does not constitute a violation of section 609.50, unless the refusal was accompanied by force or violence or the threat of force or violence. If a person submits to chemical testing and the test results indicate an alcohol concentration of 0.10 or more, the results of the test shall be reported to the commissioner of public safety and to the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the acts occurred.

Upon certification by the peace officer that there existed (REASONABLE AND) probable (GROUNDS) *cause* to believe the person had been driving, operating, or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance and that the person refused to submit to chemical testing, the commissioner of public safety shall revoke the person's license or permit to drive, or his nonresident operating privilege, for a period of (SIX MONTHS) *one year. If the person refusing to submit to testing is under the age of 18 years, the commissioner shall revoke the person's license or permit to drive, or his or her nonresident operating privilege, for a period of one year or until the person reaches the age of 18 years, whichever is greater.* Upon certification by the peace officer that there existed (REASONABLE AND) probable (GROUNDS) *cause* to believe the person had been driving, operating or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance and that the person submitted to chemical testing and the test results indicate an alcohol concentration of 0.10 or more, the commissioner of public safety shall revoke the person's license or permit to drive, or his nonresident operating privilege, for a period of 90 days or, if the person is under the age of 18 years, for a period of six months or until he or she reaches the age of 18 years, whichever is greater.

If the person is a resident without a license or permit to operate a motor vehicle in this state, the commissioner of public safety shall deny to the person the issuance of a license or permit for the same period after the date of the alleged violation as provided herein for revocation, subject to review as hereinafter provided.

Sec. 13. Minnesota Statutes 1982, section 169.123, subdivision 5a, is amended to read:

Subd. 5a. [PEACE OFFICER AGENT FOR NOTICE OF REVOCATION.] On behalf of the commissioner of public safety a peace officer (OFFERING) *requiring* a chemical test or directing the administration of a chemical test shall serve immediate notice of intention to revoke and of revocation on a person who refuses to permit chemical testing or on a person who submits to a chemical test the results of which indicate an alcohol concentration of 0.10 or more. The officer shall take the license or permit of the driver, if any, and issue a temporary license effective only for 7 days. The peace officer shall send the person's driver's license to the commissioner of public safety along with the certificate required by subdivision 4.

Sec. 14. Minnesota Statute 1983 Supplement, section 169.123, subdivision 6, is amended to read:

Subd. 6. [HEARING.] A hearing under this section shall be before a municipal or county judge, in any county in the judicial district where the alleged offense occurred. The hearing shall be to the court and may be conducted at the same time and in the same manner as hearings upon pre-trial motions in the criminal prosecution under section 169.121, if any. The hearing shall be recorded. The commissioner of public safety shall appear and be represented by the attorney general or through the prosecuting authority for the jurisdiction involved.

The hearing shall be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. The judicial district administrator shall establish procedures to ensure efficient compliance with the provisions of this subdivision. To accomplish this, the administrator may, whenever possible, consolidate and transfer review hearings among the county courts within the judicial district.

The scope of the hearing shall be limited to the issues of:

(1) whether the peace officer had (REASONABLE AND) probable (GROUNDS) *cause* to believe the person was driving, operating, or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance, and whether the person was lawfully placed under arrest for violation of sec-

tion 169.121, or the person was involved in a motor vehicle accident or collision resulting in property damage, personal injury or death, or the person refused to take a screening test provided for by section 169.121, subdivision 6, or the screening test was administered and recorded an alcohol concentration of 0.10 or more; and

(2) whether at the time of the request for the test the peace officer informed the person of his rights and the consequences of taking or refusing the test as required by subdivision 2; and

(3) either (a) whether the person refused to permit the test, or (b) whether a test was taken and the test results indicated an alcohol concentration of 0.10 or more at the time of testing, and whether the testing method used was valid and reliable, and whether the test results were accurately evaluated.

It shall be an affirmative defense for the petitioner to prove that, at the time of the refusal, his refusal to permit the test was based upon reasonable grounds.

Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses and certificates shall be admissible as substantive evidence.

The court shall order either that the revocation be rescinded or sustained and forward the order to the commissioner of public safety. The court shall file its order within 14 days following the hearing. If the revocation is sustained, the court shall also forward the person's driver's license or permit to the commissioner of public safety for his further action if the license or permit is not already in the commissioner's possession.

Sec. 15. Minnesota Statutes 1982, section 169.13, subdivision 3, is amended to read:

Subd. 3. [APPLICATION.] The provisions of this section apply, but are not limited in application, to any person who drives any vehicle in the manner prohibited by this section:

(1) upon the ice of any lake, stream, or river, including but not limited to the ice of any boundary water; or

(2) *in a parking lot ordinarily used by or available to the public though not as a matter of right, and a driveway connecting such a parking lot with a street or highway.*

Sec. 16. Minnesota Statutes 1982, section 171.16, subdivision 5, is amended to read:

Subd. 5. [JUVENILE COURT.] When any judge of a juvenile court, or any of its duly authorized agents, shall de-

termine formally or informally that any person under the age of 18 years has violated any of the provisions of any law of this state, or ordinances of political subdivisions thereof, regulating the operation of motor vehicles on streets and highways, except parking violations, and except traffic offenses involving a violation of section 169.121, such judge, or duly authorized agent, shall immediately report such determination to the department and may recommend the suspension of the driver's license of such person, and the commissioner is hereby authorized to suspend such license, without a hearing.

Sec. 17. Minnesota Statutes 1982, section 171.24, is amended to read:

171.24 [VIOLATIONS (MISDEMEANORS; EXCEPTIONS); DRIVING AFTER REVOCATION, SUSPENSION, OR CANCELLATION.]

Any person whose driver's license or driving privilege has been cancelled, suspended, or revoked and who has been given notice of, or reasonably should know of the revocation, suspension, or cancellation, and who disobeys such order by operating anywhere in this state any motor vehicle, the operation of which requires a driver's license, (UPON THE HIGHWAYS IN THIS STATE) while such license or privilege is (CANCELED) cancelled, suspended, or revoked is guilty of a misdemeanor.

(IT IS A MISDEMEANOR FOR ANY PERSON TO WILLFULLY VIOLATE ANY OF THE PROVISIONS OF THIS CHAPTER UNLESS SUCH VIOLATION IS BY ANY LAW DECLARED TO BE A FELONY OR A GROSS MISDEMEANOR.)

Notice of revocation, suspension, or cancellation is sufficient if personally served, or if mailed by first class mail to the person's last known address or to the address listed on the person's driver's license. Notice is also sufficient if the person was informed that revocation, suspension, or cancellation would be imposed upon a condition occurring or failing to occur, and where the condition has in fact occurred or failed to occur. It is not a defense that a person failed to file a change of address with the post office, or failed to notify the department of public safety of a change of name or address as required under section 171.11.

Sec. 18. [171.241] [VIOLATIONS; MISDEMEANORS.]

It is a misdemeanor for any person to willfully violate any of the provisions of this chapter unless the violation is declared by any law to be a felony or gross misdemeanor, or the violation is declared by a section of this chapter to be a misdemeanor.

Sec. 19. Minnesota Statutes 1982, section 171.30, subdivision 1, is amended to read:

Subdivision 1. [ISSUANCE.] In any case where a person's license has been suspended under section 171.18 or revoked under sections 169.121, 169.123, or 171.17, (IF THE DRIVER'S LIVELIHOOD OR ATTENDANCE AT A CHEMICAL DEPENDENCY TREATMENT OR COUNSELING PROGRAM DEPENDS UPON THE USE OF HIS DRIVER'S LICENSE,) the commissioner may at his own discretion issue a limited license to the driver *under the following conditions:*

(1) *if the driver's livelihood or attendance at a chemical dependency treatment or counseling program depends upon the use of the driver's license; or*

(2) *if attendance at a post-secondary institution of education by an enrolled student of that institution depends upon the use of the driver's license.*

The commissioner in issuing a limited license may impose such conditions and limitations as in his judgment are necessary to the interests of the public safety and welfare including re-examination as to the driver's qualifications. The license may be limited to the operation of particular vehicles, to particular classes and times of operation and to particular conditions of traffic. *The commissioner may require that an applicant for a limited license affirmatively demonstrate that use of public transportation or carpooling as an alternative to a limited license would be a significant hardship.*

The limited license issued by the commissioner shall clearly indicate the limitations imposed and the driver operating under the limited license shall have the license in his possession at all times when operating as a driver.

In determining whether to issue a limited license, the commissioner shall consider the number and the seriousness of prior convictions and the entire driving record of the driver and shall consider the number of miles driven by the driver annually.

Sec. 20. Minnesota Statutes 1982, section 260.195, subdivision 3, is amended to read:

Subd. 3. [DISPOSITIONS.] If the juvenile court finds that a child is a juvenile alcohol or controlled substance offender, the court may require the child to:

- (a) Pay a fine of up to \$100;
- (b) Participate in a community service project;
- (c) Participate in a drug awareness program; or

(d) Order the child to undergo a chemical dependency evaluation and if warranted by this evaluation, order participation by the child in an inpatient or outpatient chemical dependency treatment program; or

(e) Perform any other activities or participate in any other treatment programs deemed appropriate by the court.

In all cases where the juvenile court finds that a child has purchased or attempted to purchase an alcoholic beverage in violation of section 340.731, if the child has a driver's license or permit to drive, and if the child used a driver's license or permit to purchase or attempt to purchase the alcoholic beverage, the court shall forward its finding in the case and the child's driver's license or permit to the commissioner of public safety. Upon receipt, the commissioner shall revoke the child's license or permit for a period of 30 days.

None of the dispositional alternatives described in (THIS SUBDIVISION) clauses (a) to (e) shall be imposed by the court in a manner which would cause an undue hardship upon the child.

Sec. 21. Minnesota Statutes 1982, section 340.035, is amended to read:

340.035 [PERSONS UNDER 19 YEARS; PENALTY.]

"Section 1. Minnesota Statutes 1982, section 177.27, subdivision 4, is amended to read:

Subd. 4. The commissioner may investigate (, **MEDIATE, AND SETTLE**) a wage (**CLAIMS**) claim by an employee against an employer if the failure to pay any wage may violate Minnesota laws or any order or rule of the department thereunder. *If upon investigation the commissioner determines that a violation has occurred, the commissioner shall require the employer to pay to the department within 30 days the appropriate amount of the wage claim, as determined by the commissioner, plus simple interest at a rate of 8 percent per annum calculated from the time the wages constituting the wage claim were due and payable. The commissioner shall then pay the amount of the wage claim plus interest to the employee.*

Sec. 2. Minnesota Statutes 1982, section 177.27, subdivision 5, is amended to read:

Subd. 5. The commissioner may commence a civil action in any court of competent jurisdiction for the benefit of any employee for appropriate relief with respect to any wage claim which the commissioner (**DEEMS**) *considers* to be valid (,) upon:

(2) a written request being filed with the commissioner by the employee, provided (: (1) the failure to pay the wage would constitute a violation of Minnesota laws or any order or rule of the department thereunder (, **AND (2) THE WAGE CLAIM DOES NOT EXCEED \$300**).

The employer shall pay all costs and disbursements as may be allowed by the court, and shall further pay an assessment of ten percent of the amount of any awarded wage claim to the treasurer of the state of Minnesota. In any action herein no security for payment of costs shall be required.

Sec. 3. Minnesota Statutes 1983 Supplement, section 177.30, is amended to read:

177.30 [KEEPING RECORDS.]

Every employer subject to sections 177.21 to 177.35 or any rule adopted pursuant to those sections shall make and keep, for a period of not less than three years in or about the premises in which any employee is employed, a record of the name, address and occupation of each employee, the rate of pay, and the amount paid each pay period to each employee, the hours worked each day and each workweek by the employee, and other information as deemed necessary and appropriate by the commissioner for the enforcement of sections 177.21 to 177.35.

(THE COMMISSIONER MAY IMPOSE A PENALTY OF UP TO \$100 ON AN EMPLOYER FOR EACH FAILURE OF THE EMPLOYER TO MAINTAIN RECORDS AS REQUIRED BY THIS SECTION. THE PENALTY IMPOSED BY THIS SECTION IS IN ADDITION TO ANY PENALTIES PROVIDED UNDER SECTION 177.32, SUBDIVISION 1.)

Sec. 4. Minnesota Statutes 1983 Supplement, section 177.32, subdivision 1, is amended to read:

Subdivision 1. An employer who does any of the following is guilty of a misdemeanor *and subject to a civil fine of \$500 for each violation*: (a) hinders or delays the commissioner or an authorized representative in the performance of duties required under sections 177.21 to 177.35; (b) refuses to admit the commissioner or an authorized representative to the place of business or employment of the employer, as required by section 177.27, subdivision 1; (c) consistently and repeatedly fails to make, keep, and preserve records as required by section 177.30; (d) falsifies any record; (e) refuses to make any record available, or to furnish a sworn statement of the record or any other information as required by section 177.27; (f) consistently and repeatedly fails to post a summary of sections 177.21 to 177.35 or a copy or summary of the applicable rules as required by section 177.31; (g) pays or agrees to pay wages at a rate less than the rate required under sections 177.21 to 177.35; or (h) otherwise violates any provision of sections 177.21 to 177.35 or any rule adopted pursuant to those sections.

Sec. 5. [REPORT TO LEGISLATURE.]

The commissioner of labor and industry shall report to the legislature by January 1, 1985 concerning recommendations for improving enforcement of the Minnesota Fair Labor Standards Act."

April 19, 1984

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 1577, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1577 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 115A.03, subdivision 15, is amended to read:

Subd. 15. “Intrinsic suitability” of a land area or site means that, based on existing data on the inherent and natural at-

tributes, physical features, and location of the land area or site, there is no known reason why the waste facility proposed to be located in the area or site cannot reasonably be expected to qualify for permits in accordance with agency rules. Agency certification of intrinsic suitability shall be based on data submitted to the agency by the proposing entity and data included by the hearing examiner in the record of any public hearing on recommended certification, and applied against criteria in agency rules and any additional criteria developed by the agency in effect at the time the proposing entity submits the site for certification.

In the event that all candidate sites selected by the board before the effective date of this section are eliminated from further consideration and a new search for candidate sites is commenced, "intrinsic suitability" of a land area or site shall mean that, because of the inherent and natural attributes, physical features, and location of the land area or site, the waste facility proposed to be located in the area or site would not be likely to result in material harm to the public health and safety and natural resources and that therefore the proposed facility can reasonably be expected to qualify for permits in accordance with agency rules.

Sec. 2. Minnesota Statutes 1982, section 115A.03, subdivision 28, is amended to read:

Subd. 28. "Resource recovery facility" means a waste facility established and used primarily for resource recovery, *including related and appurtenant facilities such as transmission facilities and transfer stations primarily serving the resource recovery facility.*

Sec. 3. Minnesota Statutes 1982, section 115A.06, is amended by adding a subdivision to read:

Subd. 5a. [ACQUISITION OF EASEMENTS.] *If the board determines that any activity deemed necessary to accomplish its purposes under subdivision 5 constitutes a substantial interference with the possession, enjoyment, or value of the property where the activity will take place, the board may acquire a temporary easement interest in the property that permits the board to carry out the activity and other activities incidental to the accomplishment of the same purposes. The board may acquire temporary easement interests under this subdivision by purchase, gift, or condemnation. The right of the board to acquire a temporary easement is subject to the same requirements and may be exercised with the same authority as provided for acquisition of property interests by the commissioner of administration under subdivision 4.*

Sec. 4. [115A.075] [LEGISLATIVE POLICY AGAINST DISPOSAL OF HAZARDOUS WASTE.]

The legislature finds that hazardous waste must be managed in a manner that protects the health, safety, and welfare of the citizens of the state and protects and conserves the state's natural resources and environment; that reduction of the amount of waste generated and processing, treatment, separation, and resource recovery are the preferred methods to manage hazardous waste; and that disposal of hazardous waste should be used only as a last resort when all other management methods are ineffective, and then only if an environmentally suitable site can be identified in the state.

The board, in its planning, facility approval, and other activities related to hazardous waste shall give first priority to eliminating the generation of hazardous waste and eliminating or reducing the hazardous character of the waste generated in the state through processing, treatment, separation, and resource recovery.

Sec. 5. Minnesota Statutes 1983 Supplement, section 115A.08, subdivision 5, is amended to read:

Subd. 5. [REPORT ON MITIGATION OF LOCAL EFFECTS OF HAZARDOUS WASTE FACILITIES.] (WITH THE REPORT REQUIRED BY SUBDIVISION 4,) The board through its chairperson shall (ISSUE A) report and make recommendations on methods of mitigating and compensating for the local risks, costs, and other adverse effects of various types of hazardous waste facilities and on methods of financing mitigation and compensation measures. The methods of mitigating and compensating to be considered (SHALL) *must* include but not be limited to the following: payment outside of levy limitations in lieu of taxes for all property taken off the tax rolls; preference in reviews of applications for federal funds conducted by the metropolitan council and regional development commissions; payment of all costs to service the facilities including the cost of roads, monitoring, inspection, enforcement, police and fire, and litter clean up costs; payment for buffer zone amenities and improvement; local control over buffer zone design; a guarantee against any and all liability that may occur. *The recommendations on processing facilities must be made with the report required by subdivision 4. The recommendations on disposal facilities must be made with the report required by section 6.*

Sec. 6. Minnesota Statutes 1982, section 115A.08, is amended by adding a subdivision to read:

Subd. 5b. [REPORT ON NEED AND FEASIBILITY OF HAZARDOUS WASTE DISPOSAL FACILITIES.] *The board through its chairperson shall issue a report on the estimate of need and the economic feasibility analysis required by section 115A.24. The report must be issued before the hearing required by section 115A.27. The board through its chairperson shall issue*

an interim report by February 1, 1985, on the research on need and economic feasibility.

Sec. 7. Minnesota Statutes 1982, section 115A.09, is amended by adding a subdivision to read:

Subd. 5. [INCLUSION OF VOLUNTEER SITES.] The owner of property that may be a suitable location for a hazardous waste processing facility may apply to the board for inclusion of the property in the inventory of preferred areas. If the board accepts the application, the property must be evaluated as provided in subdivision 2. If the board determines that the property is suitable as a preferred area, it may include it in the inventory after complying with the procedures provided in subdivision 3.

Sec. 8. Minnesota Statutes 1982, section 115A.11, is amended to read:

115A.11 [HAZARDOUS WASTE MANAGEMENT PLAN.]

Subdivision 1. [(CONTENTS) REQUIREMENT.] The board shall adopt, amend as appropriate, and implement a hazardous waste management plan.

Subd. 1a. [POLICY.] In developing and implementing the plan, the highest priority of the board (SHALL) must be placed upon alternatives to land disposal of hazardous wastes including: technologies to modify industrial processes or introduce new processes (WHICH) that will reduce or eliminate hazardous waste generation; recycling, re-use, and recovery methods to reduce or eliminate hazardous waste disposal; and conversion and treatment technologies to reduce the degree of environmental risk from hazardous waste. The board shall also consider technologies for retrievable storage of hazardous wastes for later recycling, re-use, recovery, conversion, or treatment.

Subd. 1b. [CONTENTS.] The plan (SHALL) must include at least the (FOLLOWING) elements (:) prescribed in this subdivision.

(a) (AN) *The plan must estimate (OF) the types and (VOLUMES) quantities of hazardous waste (WHICH) that will be generated in the state through the year 2000 (;).*

(b) *The plan must set out specific and quantifiable objectives for reducing to the greatest feasible and prudent extent the need for and (PRACTICE) use of disposal facilities located within the state, through waste reduction, pretreatment, retrievable storage, processing, and resource recovery (;).*

(c) (A DESCRIPTION OF) *The plan must estimate the minimum disposal capacity and capability (NEEDED TO BE*

DEVELOPED WITHIN) *required by generators in the state for use through the year 2000 (,). The estimate must be based on the achievement of the objectives under (CLAUSE) paragraph (b) (;).*

(d) (A DESCRIPTION OF) *The plan must describe and recommend the implementation strategies required to (DEVELOP THE NEEDED) assure availability of disposal capacity for the types and quantities of waste estimated under (CLAUSE) paragraph (c) and to achieve the objectives (UNDER CLAUSE) required by paragraph (b) (, INCLUDING). The recommendations must address at least the following: the necessary private and government actions; the types of facilities and programs required; the availability and use of specific facilities outside of the state; development schedules for facilities, services, and (REGULATIONS) rules that should be established in the state; revenue-raising and financing measures; levels of public and private effort and expenditure; legal and institutional changes; and other similar matters.*

(e) *The plan (SHALL) must provide for the orderly development of hazardous waste management sites and facilities to protect the health and safety of rural and urban communities. In preparing the plan the board shall consider its impact upon agriculture and natural resources.*

(f) *The plan (SHALL REQUIRE THE ESTABLISHMENT IN THE STATE OF AT LEAST ONE COMMERCIAL RETRIEVABLE STORAGE OR DISPOSAL FACILITY AND SHALL RECOMMEND AND ENCOURAGE) must include methods and procedures that will (INSURE) encourage the establishment of (AT LEAST ONE FACILITY) programs, services, and facilities that the board recommends for development in the state for the recycling, re-use, recovery, conversion, treatment, destruction, transfer, (OR) storage, or disposal, including retrievable storage, of hazardous waste.*

The plan must be consistent with the estimate of need and feasibility analysis prepared under section 115A.24, the analysis provided in the phase I environmental impact statement determined to be adequate under section 115A.25, subdivision 1a, and the decisions made by the board under sections 115A.28 and 115A.291.

The board may make the implementation of elements of the plan contingent on actions of the legislature (WHICH) that have been recommended in the draft plan (AND CERTIFICATION OF NEED AND CONSIDERED IN THE REPORTS SUBMITTED PURSUANT TO SECTION 115A.08).

Subd. 2. [PROCEDURE.] (THE PLAN SHALL BE BASED UPON THE REPORTS PREPARED PURSUANT TO

SECTION 115A.08:) The plan (, THE CERTIFICATE OF NEED ISSUED UNDER SECTION 115A.24,) and the procedures for hearings on the (DRAFT) plan (AND DRAFT CERTIFICATE OF NEED, SHALL) are not (BE) subject to the rule-making or contested case provisions of chapter 14. *Before revising the draft plan prepared under subdivision 3 or amending its adopted plan, the board shall provide notice and hold a public hearing in a manner consistent with the procedure followed by the board in the hearings on the draft plan, as provided in subdivision 3 and approved by the legislative commission.*

Subd. 3. [PREPARATION OF DRAFT PLAN.] By July 1, 1983, the (CHAIRMAN) *chairperson* of the board shall report to the legislative commission on waste management about the hearing to be held pursuant to this subdivision. The (CHAIRMAN) *chairperson* shall describe the board's plans and procedures for the hearing, the provisions for encouraging public participation in the hearing, and the board's plans for preparing the required report to the legislature fully and accurately summarizing the results of the hearing, the objections raised to the board's draft plan (AND CERTIFICATION), and the board's response to the testimony received. The legislative commission shall hold a hearing to receive public comment on the board's proposed hearing procedures and thereafter shall make any recommendations it deems appropriate for changes in the board's procedures. By November 1, 1983, the board through its chairperson shall issue a draft hazardous waste management plan proposed for adoption pursuant to this section (, AND A DRAFT CERTIFICATE OF NEED PROPOSED FOR ISSUANCE UNDER SECTION 115A.24). The draft plan (AND CERTIFICATES) must include an explanation of the basis of the findings, conclusions, and recommendations contained therein. The board shall hold a public hearing on the draft plan (AND DRAFT CERTIFICATE OR CERTIFICATES OF NEED) within 30 days of (THEIR) *its* issuance. Notices of the draft plan (AND THE DRAFT CERTIFICATE OR CERTIFICATES) and notice of the hearing (SHALL) *must* be published in the state register and newspapers of general circulation in the state. The notices must indicate how copies of the draft plan (AND DRAFT CERTIFICATE OR CERTIFICATES OF NEED) may be obtained. The board shall make the draft plan (AND DRAFT CERTIFICATE OR CERTIFICATES OF NEED) available for public review and comment at least 21 days before the hearing. The hearing (SHALL) *must* be ordered by the chairperson of the board and (SHALL) *must* be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings in the time allowed by this section. The hearing officer (SHALL) *may* not issue a report but shall preside at the hearing to ensure that the hearing is conducted in a fair, orderly, and expeditious manner and in accordance with the hearing procedures of the board. A majority of the permanent members of the board shall attend the hearing. In connection with the hearing, the chairperson of the board shall provide copies of the studies and reports on which the draft

plan (AND CERTIFICATION OF NEED ARE) is based and shall present an explanation of the basis of the findings, conclusions, and recommendations in the draft plan (AND CERTIFICATION OF NEED).

Within 15 days following the hearing the director of the agency shall issue a hazardous waste pollution control report. The report must be submitted to the legislative commission. The report must be based on existing and proposed federal and state pollution control rules and available information and expertise on the character, nature, and degree of hazard of the types and categories of hazardous waste identified in the plan. The report must:

(a) assess the pollution control problems and risks associated with each type and category of hazardous waste identified by the (DRAFT CERTIFICATION OF NEED) *plan* as eligible for disposal, before or after pretreatment, at a facility or facilities of the type and design selected by the board, and identify design and pretreatment alternatives or other methods for dealing with those problems and risks;

(b) identify at least one specific alternative technology for dealing with each waste (WHICH) *that* the report recommends should not be (CERTIFIED) *accepted* for disposal, and assess the pollution control problems and risks associated with the alternatives;

(c) assess the pollution control problems and risks associated with each standard and criteria contained in the plan (AND CERTIFICATION) for determining the eligibility or ineligibility of waste for disposal;

(d) assess the pollution control programs and risks associated with the processing and other alternatives to disposal (WHICH) *that* are recommended in the plan for specific types or categories of hazardous waste, and identify methods for dealing with those problems and risks.

Within 30 days following the hearing, the board shall revise the draft plan (AND THE DRAFT CERTIFICATE OR CERTIFICATES OF NEED) as it deems appropriate, shall make a written response to the testimony received at the hearing and to the agency's report explaining its disposition of any recommendations made with respect to the plan (AND CERTIFICATION), and shall submit to the legislative commission the revised draft plan (AND CERTIFICATION OF NEED), together with a report on the testimony received, the board's response, and the results of the hearing process.

Sec. 9. [115A.152] [TECHNICAL AND RESEARCH ASSISTANCE TO GENERATORS.]

Subdivision 1. [PURPOSES.] *The board shall provide for the establishment of a technical and research assistance program for generators of hazardous waste in the state. The program must be designed to assist generators in the state to obtain information about management of hazardous wastes, to identify and apply methods of reducing the generation of hazardous wastes, to facilitate improved management of hazardous waste and compliance with hazardous waste regulations, and for other similar purposes. The program must emphasize assistance to smaller businesses that have inadequate technical and financial resources for obtaining information, assessing waste management methods, and developing and applying waste reduction techniques. Information and techniques developed under this program must be made available through the program to all generators in the state.*

Subd. 2. [ASSISTANCE.] *The assistance program must include at least the following elements:*

(a) *outreach programs including on-site consultation at locations where hazardous waste is generated, seminars, workshops, training programs, and other similar activities designed to assist generators to evaluate their hazardous waste generation and management practices, identify opportunities for waste reduction and improved management, and identify subjects that require additional information and research;*

(b) *a program to assemble, catalog, and disseminate information about hazardous waste reduction and management methods, available commercial waste management facilities and consultant services, and regulatory programs (provided that specific questions by generators about interpretation or application of waste management rules or regulations should be referred to appropriate regulatory agencies);*

(c) *evaluation and interpretation of information needed by generators to improve their management of hazardous waste; and*

(d) *informational and technical research to identify alternative technical solutions that can be applied by specific generators to reduce the generation of hazardous waste.*

Subd. 3. [ADMINISTRATION; EVALUATION.] *The assistance program must be coordinated with other public and private programs that provide management and technical assistance to smaller businesses and generators of small quantities of hazardous waste, including programs operated by public and private educational institutions. The board may make grants to a public or private person or association that will establish and operate the elements of the program, but the grants must require that the assistance be provided at no cost to the generators and*

that the grantees provide periodic reports on the improvements in waste management, waste reduction, and regulatory compliance achieved by generators through the assistance provided.

Sec. 10. [115A.154] [WASTE REDUCTION GRANTS.]

Subdivision 1. [PROPOSALS AND GRANTS.] The board may make grants to generators of hazardous waste in the state for studies to determine the feasibility of applying specific methods and technologies to reduce the generation of hazardous waste. Grants may be awarded only on the basis of proposals submitted to the board by generators. The board shall select proposals that offer the greatest opportunity to significantly reduce the generation of hazardous waste by the generators making the proposal and, if applied generally, to significantly reduce the generation of hazardous waste in the state. The significance of waste reduction may be measured by the volume of hazardous waste that is eliminated or by the reduction in risk to public health and safety and the environment that is achieved by the reduction. In awarding grants, the board may consider the extent of any financial and technical support that will be available from other sources for the study. The board may adopt additional criteria for awarding grants consistent with the purposes of this section.

Subd. 2. [LIMITATIONS.] The waste reduction information and techniques developed using grants awarded under this section must be made available to all generators in the state through the technical assistance and research program established under section 9. Grant money awarded under this section may not be spent for capital improvements or equipment.

Sec. 11. [115A.156] [WASTE PROCESSING AND COLLECTION FACILITIES AND SERVICES; DEVELOPMENT GRANTS.]

Subdivision 1. [PURPOSE.] The board may make grants to eligible recipients to determine the feasibility and method of developing and operating specific types of commercial facilities and services for collecting and processing hazardous waste. Grants may be made for:

- (1) market assessment, including generator surveys;*
- (2) conceptual design and preliminary engineering;*
- (3) financial and business planning necessary to address sources of funding, financial security, liability, pricing structure, and similar matters necessary to the development and proper operation of a facility or service;*
- (4) environmental impact and site analysis, preparation of permit applications, and environmental and permit reviews;*

(5) *analysis of methods of overcoming identified technical, institutional, legal, regulatory, market, or other constraints; and*

(6) *analysis of other factors affecting development, operation, and use of a facility or service.*

Subd. 2. [ELIGIBILITY.] A person proposing to develop and operate specific collection and processing facilities or services to serve generators in the state is eligible for a grant. The board may give preference to applications by associations of two or more generators in the state proposing to develop and operate commercial facilities or services capable of collecting or processing their hazardous wastes.

Subd. 3. [PROCEDURE FOR AWARDING GRANTS.] The board may establish procedures for awarding grants under this section. The procedures for awarding grants shall include consideration of the following factors:

(1) *the need to provide collection and processing for a variety of types of hazardous wastes;*

(2) *the extent to which the facility or service would provide a significant amount of processing or collection capacity for waste generated in the state, measured by the volume of waste to be managed, the number and geographic distribution of generators to be served, or the reduction of risk to public health and safety and the environment achieved by the operation of the facility or service;*

(3) *the availability of the facility or service to all generators needing the service in the area to be served;*

(4) *the contribution of the facility or service to achieving the policies and objectives of the hazardous waste management plan;*

(5) *participation by persons with demonstrated experience in developing, designing, or operating hazardous waste collection or processing facilities or services;*

(6) *the need for assistance from the board to accomplish the work;*

(7) *the extent to which a proposal would produce and analyze new information; and*

(8) *other factors established by the board consistent with the purposes of this section.*

The board may adopt temporary rules under sections 14.29 to 14.36 to implement the grant program. Temporary rules adopted

by the board remain in effect for 360 days or until permanent rules are adopted, whichever occurs first.

Subd. 4. [LIMITATIONS.] A grant may not exceed \$50,000. The board may award more than one grant for a single proposed facility or service if the board finds that results of previous studies justify additional work on other aspects of the development and operation of the facility or service. Grant money may not be spent for capital improvements or equipment.

Subd. 5. [MATCHING FUNDS REQUIRED.] A recipient other than an association of generators in the state must agree to pay at least 50 percent of the cost of the study. An association of two or more generators in the state must agree to pay at least 20 percent of the cost of the study.

Sec. 12. [115A.158] [DEVELOPMENT OF PROCESSING AND COLLECTION FACILITIES AND SERVICES; REQUESTS FOR PROPOSALS.]

Subdivision 1. [REQUEST BY BOARD; CONTENTS OF PROPOSAL.] The board through its chairperson shall request proposals for the development and operation of specific types of commercial hazardous waste processing and collection facilities and services that offer the greatest possibility of achieving the policies and objectives of the waste management plan including the goal of reducing to the greatest extent feasible and prudent the need for and practice of disposal. The proposals must contain at least the following information:

(1) the technical, managerial, and financial qualifications and experience of the proposer in developing and operating facilities and services of the type proposed;

(2) the technical specifications of the proposed facility or service including the process that will be used, the amount and types of hazardous waste that can be handled, the types, volume, and proposed disposition of any residuals, and a description of anticipated adverse environmental effects;

(3) the requirements of the site or sites needed to develop and operate the facility or service and the likelihood that a suitable site or sites will be available for the facility or service;

(4) projections of the costs and revenues of the facility or service, the types and numbers of generators who will use it, and the fee structure and estimated user charges necessary to make the facility or services economically viable;

(5) the schedule for developing and commencing operation of the facility or service; and

(6) *the financial, technical, institutional, legal, regulatory, and other constraints that may hinder or prevent the development or operation of the facility or service and the actions that could be taken by state and local governments or by the private sector to overcome those constraints.*

The information provided in the proposal must be based on current and projected market conditions, hazardous waste streams, legal and institutional arrangements, and other circumstances specific to the state.

Subd. 2. [PROCEDURE; EVALUATION; REPORT.] In requesting proposals, the board shall inform potential developers of the assistance available to them in siting and establishing hazardous waste processing and collection facilities and services in the state including the availability of sites listed on the board's inventory of preferred areas for hazardous waste processing facilities, the authority of the board to acquire sites and order the establishment of facilities in those areas, the policies and objectives of the hazardous waste management plan, and the availability of information developed by the board on hazardous waste generation and management in the state.

The board shall evaluate the proposals received in response to its request and determine the extent to which the proposals demonstrate the qualifications of the developers, the technical and economic feasibility of the proposed facility or service, and the extent to which the proposed facility or service will contribute in a significant way to the achievement of the policies and objectives of the hazardous waste management plan.

The board shall report to the legislative commission on the proposals that it has received and evaluated, and on the legislative, regulatory, and other actions needed to develop and operate the proposed facilities or services.

Subd. 3. [TIME FOR PROPOSALS.] The board shall issue the first round of requests under this section by June 1, 1984. The first round proposals must be returned to the board by November 1, 1984. The board shall submit its report on these proposals to the legislative commission by January 1, 1985. The board may issue additional requests in 1985 and in future years.

Sec. 13. [115A.159] [DEVELOPMENT OF HAZARDOUS WASTE COLLECTION AND TRANSPORTATION SERVICES.]

The board through its chairperson shall request, pursuant to the first round of requests under section 12, proposals for the development and operation of a system of commercial collection and transportation services for hazardous waste especially designed to serve smaller businesses and generators of small quantities of hazardous waste that have difficulty securing effective

and reliable collection and shipment services and acceptance of wastes at appropriate waste facilities. The board's request under this section should require proposals containing at least the following elements:

- (1) a collection service;*
- (2) assistance to clients about on-site waste management;*
- (3) a shipping coordination service, which may include transfer and temporary storage and bulking facilities and computerized inventory tracking capabilities, as the proposer deems appropriate and necessary to provide efficient and reliable combined shipment of wastes from generators to processing and disposal facilities;*
- (4) a brokerage service to ensure acceptance of wastes at appropriate processing and disposal facilities;*
- (5) recommendations on the utility of local or regional associations of generators to increase the efficiency and reliability of the services; and*
- (6) recommendations on processing facilities, including mobile modular processing units, that would complement the collection and transportation system.*

The board's request must require proposals that offer the delivery of services in stages commencing no later than July 1, 1985. The board should specify or require specification of immediate and staged performance standards for the services proposed, which may include standards relating to the volume and types of waste, the number and geographic distribution of generators served, accessibility, the percent of total waste and generators served, and other appropriate matters. After evaluating proposals received in response to its request, the board may select a proposer as the recipient of a development grant under section 11. Notwithstanding the provisions of section 11, subdivisions 4 and 5, on the amount of the grant and the required match, the grant made under this section may be up to \$350,000 and may not require a match greater than ten percent of the grant award.

Sec. 14. [115A.162] [HAZARDOUS WASTE PROCESSING FACILITY LOANS.]

The board shall review applications for hazardous waste processing facility loans received by the economic development authority and forwarded to the board under section 51. The board may certify a loan application only if it determines that:

- (1) the applicant has demonstrated that the proposed facility is technically feasible;*

(2) *the applicant has made a reasonable assessment of the market for the services offered by the proposed facility;*

(3) *the applicant has agreed to provide funds for the proposed facility in an amount equal to at least 25 percent of the capital cost of the facility excluding land acquisition cost;*

(4) *the applicant has agreed to pay the cost of any land acquisition necessary to develop the facility; and*

(5) *the facility will contribute in a significant way to achievement of the policies and objectives of the hazardous waste management plan and, in particular, to reduce the need for and practice of hazardous waste disposal.*

As a condition of its certification the board may require an applicant to agree to provide funds in excess of 25 percent of the capital cost of the facility in addition to any land acquisition costs. In certifying an application or in determining the share of the capital costs that will be provided by the loan, the board may consider the types and volumes of hazardous waste that will be handled by the facility, the number of generators served by the facility, and the extent to which the facility serves the need of smaller businesses that generate hazardous waste. The board may establish additional criteria for certifying loan applications consistent with the provisions of this section.

The board may adopt temporary rules under sections 14.29 to 14.36 to implement the loan program. Temporary rules adopted by the board remain in effect for 360 days or until permanent rules are adopted, whichever occurs first.

Sec. 15. [115A.165] [EVALUATION OF PROGRAMS; REPORT.]

By November 1, 1986, the board shall evaluate the extent to which the programs provided in sections 9 to 14 have contributed to the achievement of the policies and objectives of the hazardous waste management plan. The evaluation must consider the amount of waste reduction achieved by generators through the technical and research assistance and waste reduction grant programs and the progress in reducing the need for and practice of disposal achieved through the development grants and the request for proposal program. The board shall report the results of its evaluation to the legislative commission with its recommendations for further action.

Sec. 16. [115A.17] [HAZARDOUS WASTE, FACILITY DEVELOPMENT.]

Notwithstanding any other law to the contrary on the effective date of this section, the waste management board shall sus-

pend all activity under sections 115A.18 to 115A.30 relating to the selection and evaluation of locations for hazardous waste disposal, except that the reductions in number of sites permitted by section 115A.21, subdivision 1, may be effected, until the report on the status of processing facilities required in this section has been presented to the legislature and the legislature has acted affirmatively to reinstate the disposal evaluation and siting process. After June 1, 1985 and before December 1, 1985 the waste management board shall prepare a status report on hazardous waste processing facilities indicating the amount and type of hazardous waste treatment residual and untreated material that is expected to require disposal.

Sec. 17. Minnesota Statutes 1982, section 115A.18, is amended to read:

115A.18 [LEGISLATIVE FINDINGS; PURPOSE.]

The legislature finds that proper management of hazardous waste generated in the state is needed to conserve and protect the natural resources in the state and the health, safety, and welfare of its citizens, that the establishment of safe *commercial* disposal facilities (IS) *in the state may be necessary and practicable* to properly manage the waste, that this cannot be accomplished solely by the activities of private persons and political subdivisions acting alone or jointly, and that therefore it is necessary to provide a procedure for making final determinations on *whether commercial disposal facilities should be established in the state and on the locations, sizes, types, and functions of any such facilities.*

Sec. 18. Minnesota Statutes 1983 Supplement, section 115A.-21, subdivision 1, is amended to read:

Subdivision 1. [SELECTION.] The board shall select (AT LEAST FOUR LOCATIONS) *more than one location* in the state, no more than one site per county, as candidate sites for commercial disposal facilities for hazardous waste. Candidate sites (SELECTED BY THE BOARD BEFORE FEBRUARY 1, 1983, AND ADDITIONAL CANDIDATE SITES SELECTED PURSUANT TO THIS SECTION.) must be reviewed pursuant to sections 115A.22 to 115A.30. No location shall be selected as a candidate site unless the agency certifies its intrinsic suitability for the use intended pursuant to subdivision 2a.

Sec. 19. Minnesota Statutes 1983 Supplement, section 115A.-21, is amended by adding a subdivision to read:

Subd. 1a. [VOLUNTEER CANDIDATE SITES.] The board may select candidate sites under this subdivision in addition to sites selected under subdivision 1. The board may submit a site to the agency if the site is proposed as a candidate site by a

facility operator with the approval of the owners of the site and the statutory or home rule charter city or town and county in which the site is located. A location may be selected as a candidate site under this subdivision if the agency determines and certifies that the site is intrinsically suitable for the use intended. The director of the agency shall identify the information needed by the agency to make the determination of intrinsic suitability. The board shall obtain the necessary information and provide it to the director.

The director of the agency shall make a recommendation to the agency board on intrinsic suitability within 30 days after receiving the information from the board. The agency board shall make the determination on intrinsic suitability not later than the first regular meeting of the agency board held at least ten days after the director's recommendation.

The decisions of the board and the agency under this subdivision are not subject to the contested case or rulemaking provisions of chapter 14, or the procedures provided in subdivision 2a.

Sec. 20. Minnesota Statutes 1983 Supplement, section 115A.22, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] In order systematically to involve those who would be affected most directly by disposal facilities in all decisions leading to their establishment, the board's decisions on reports referred to in subdivision 7, the plan adopted under section 115A.11, and the (CERTIFICATION OF NEED) *estimates and analysis* required under section 115A.24 shall not be made until after the establishment of local project review committees for each candidate site, with representation on the board, pursuant to this section.

Sec. 21. Minnesota Statutes 1983 Supplement, section 115A.22, subdivision 4, is amended to read:

Subd. 4. [APPOINTMENT OF TEMPORARY BOARD MEMBERS.] Within 30 days following the appointment of a local project review committee, the local committee shall select a temporary board member to be added to the board for the purposes of the reports to be issued under section 115A.08, the plan to be adopted under section 115A.11; and the (NEED CERTIFICATIONS) *estimates, the analysis and the review* of candidate sites conducted under sections 115A.18 to 115A.30. Temporary board members shall not participate or vote in decisions affecting the selection and certification of sites under sections 115A.201 and 115A.21. If a local committee fails to appoint a temporary board member within the time permitted by this subdivision, the governor shall appoint a temporary board member to represent the committee on the board. Temporary board members may be members of the local project review committee, and they shall be residents of the county where the candidate site is

located. Temporary board members shall serve for terms lasting as long as the location the member represents is a candidate site or, in the case of members representing (THE) a site or sites finally chosen for the facility, until the commencement of the operation of the facility at that site.

Sec. 22. Minnesota Statutes 1982, section 115A.24, is amended to read:

115A.24 [(CERTIFICATION OF NEED) DISPOSAL FACILITIES; ESTIMATE OF NEED; ANALYSIS OF ECONOMIC FEASIBILITY.]

Subdivision 1. [(CERTIFICATE) *ESTIMATE OF NEED FOR DISPOSAL FACILITIES.*] (ON THE BASIS OF AND CONSISTENT WITH ITS HAZARDOUS WASTE MANAGEMENT PLAN ADOPTED UNDER SECTION 115A.11, THE BOARD SHALL ISSUE A CERTIFICATE OR CERTIFICATES OF NEED FOR DISPOSAL FACILITIES FOR HAZARDOUS WASTES IN THE STATE. THE CERTIFICATE OR CERTIFICATES SHALL INDICATE THE TYPES AND VOLUMES OF WASTE FOR WHICH DISPOSAL FACILITIES ARE AND WILL BE NEEDED THROUGH THE YEAR 2000 AND) *The board shall develop an estimate of the number, types, capacity, and function or use of (THE) any hazardous waste disposal facilities needed in the state. (BEFORE FINALLY ADOPTING THE CERTIFICATE OF NEED THE BOARD SHALL SUBMIT IT TO THE AGENCY FOR A REVISION OF THE HAZARDOUS WASTE POLLUTION CONTROL REPORT REQUIRED UNDER SECTION 115A.11, SUBDIVISION 2.)*

In developing its estimate the board shall:

(1) *prepare a preliminary estimate of the types and quantities of waste generated in the state for which disposal will be needed through the year 2000 based to the extent practical on data obtained from generators who are likely to use the facility;*

(2) *estimate the disposal capacity located outside of the state, taking into account the status of facility permits, current and planned capacity, and prospective restrictions on expansion of capacity;*

(3) *estimate the prospects for the continued availability of capacity outside of the state for disposal of waste generated in the state;*

(4) *estimate the types and quantities of waste likely to be generated as residuals of the commercial hazardous waste processing facilities recommended by the board for development in the state and for which disposal will be needed, taking into account the likely users of the facilities; and*

(5) *compare the indirect costs and benefits of developing disposal facilities in the state or relying on facilities outside the state to dispose of hazardous waste generated in the state, taking into account the effects on business, employment, economic development, public health and safety, the environment, and the development of collection and processing facilities and services in the state.*

In preparing the estimate, the board (SHALL CERTIFY NEED) may identify need for disposal only to the extent that the board has determined that there are no feasible and prudent alternatives, including waste reduction, separation, pretreatment, processing, and resource recovery, which would minimize adverse impact upon air, water, land and all other natural resources (, PROVIDED THAT THE BOARD SHALL REQUIRE THE ESTABLISHMENT OF AT LEAST ONE COMMERCIAL DISPOSAL FACILITY IN THE STATE). Economic considerations alone (SHALL) may not justify (CERTIFICATION) an estimate of need for disposal nor the rejection of alternatives. Alternatives that are speculative and conjectural (SHALL) are not (BE DEEMED TO BE) feasible and prudent. The board shall consider all technologies being developed in other countries as well as in the United States when it considers the alternatives to hazardous waste disposal. (THE CERTIFICATE OR CERTIFICATES SHALL NOT BE SUBJECT TO THE PROVISIONS OF CHAPTER 14 BUT SHALL BE THE FINAL DETERMINATION REQUIRED ON THE MATTERS DECIDED BY THE CERTIFICATE OR CERTIFICATES AND SHALL HAVE THE FORCE AND EFFECT OF LAW. THE CERTIFICATE OR CERTIFICATES SHALL NOT BE AMENDED FOR FIVE YEARS EXCEPT AS PROVIDED IN SECTION 115A.291. IN REVIEWING AND SELECTING SITES, COMPLETING AND DETERMINING THE ADEQUACY OF ENVIRONMENTAL IMPACT STATEMENTS, AND ISSUING APPROVALS AND PERMITS FOR WASTE DISPOSAL FACILITIES DESCRIBED IN THE CERTIFICATE OR CERTIFICATES OF NEED, MATTERS DETERMINED IN THE CERTIFICATION SHALL NOT BE RECONSIDERED EXCEPT AS OTHERWISE PROVIDED IN SECTION 115A.291. THE BOARD AND THE PERMITTING AGENCIES SHALL BE REQUIRED TO MAKE A FINAL DECISION APPROVING THE ESTABLISHMENT OF FACILITIES CONSISTENT WITH THE CERTIFICATION EXCEPT AS OTHERWISE PROVIDED IN SECTION 115A.291.)

Subd. 3. [RADIOACTIVE WASTE.] The board's (CERTIFICATE) *estimate* of need shall not allow the use of a facility for disposal of radioactive waste, as defined by section 116C.71, subdivision 6.

Subd. 4. [ECONOMIC FEASIBILITY ANALYSIS.] *The board shall prepare an economic feasibility analysis for disposal facilities of the type, capacity, and function or use estimated by*

the board to be needed in the state under subdivision 1. The analysis must be specific to the sites where the facilities are proposed to be located. The analysis must include at least the following elements:

(1) an estimate of the capital, operating, and other direct costs of the facilities and the fee schedules and user charges necessary to make the facilities economically viable;

(2) an assessment of the other costs of using the disposal facilities, such as transportation costs and disposal surcharges;

(3) an assessment of the market for the facility for waste generated in the state, that identifies the generators that would use the facility under existing and likely future market conditions, describes the methods otherwise available to those generators to manage their wastes and the costs of using those methods, and establishes the level at which the cost of using the proposed facilities would be competitive with the cost of using other available methods of waste management;

(4) an estimate of the subsidy, if any, needed to make the facility competitive for Minnesota generators under existing market conditions and the changes in market conditions that would increase or lower any subsidy.

Sec. 23. Minnesota Statutes 1983 Supplement, section 115A.-241, is amended to read:

115A.241 [PARTICIPATION BY FACILITY DEVELOPERS AND OPERATORS.]

The board shall solicit the participation of private developers and operators of waste facilities in the evaluation of hazardous waste disposal sites and facility specifications. (TO QUALIFY FOR CONSIDERATION AS A DEVELOPER OR OPERATOR, A PERSON SHALL SUBMIT A LETTER) *The board shall request developers and operators to submit letters of intent to participate in evaluating sites, economic feasibility of disposal facilities, and facility specifications. The letters must be submitted to the board (WITHIN 90 DAYS FOLLOWING THE PUBLICATION OF THE BOARD'S DRAFT PLAN PURSUANT TO SECTION 115A.08, SUBDIVISION 4) by September 1, 1984. To qualify for selection as a developer or operator, a person shall submit operability reports to the board at least 60 days before the board's hearings under section 115A.27, and shall submit an amended report within 60 days following the decisions under section 115A.28. The letters of intent and reports (SHALL) must be in the form and contain the information deemed appropriate by the board.*

Sec. 24. Minnesota Statutes 1983 Supplement, section 115A.-25, subdivision 1, is amended to read:

Subdivision 1. [ENVIRONMENTAL IMPACT STATEMENT.] A phased environmental impact statement (SHALL) *must* be completed by the board and the agency *before any permits are issued under section 115A.291*. The statement must be prepared and reviewed in accordance with chapter 116D and the rules issued pursuant thereto, except as otherwise required by this section and sections 115A.11 (, 115A.24), 115A.28, and 115A.30. The board and agency shall follow the procedures in subdivisions 2 and 3 in lieu of the scoping requirements of chapter 116D and rules issued pursuant thereto. The statement (SHALL) *must* be completed in two phases as provided in subdivisions 1a and 1b.

Sec. 25. Minnesota Statutes 1983 Supplement, section 115A.-25, subdivision 1a, is amended to read:

Subd. 1a. [PHASE I.] Phase I of the statement (SHALL) *must* be completed by the board on the environmental effects of the (BOARD'S DECISION ON SITES AND FACILITY SPECIFICATIONS) *decisions that the board is required to make* under section 115A.28. Phase I of the statement (SHALL) *must* not address or reconsider (ALTERNATIVE SITES OR FACILITY NUMBERS, TYPES, CAPACITY, FUNCTION, AND USE WHICH) *alternatives that have been eliminated from consideration by the board's decisions under sections 115A.201 and 115A.21 (AND 115A.24)*. The determination of the adequacy of phase I of the statement is exclusively the authority of the board. The governor shall establish an interagency advisory group to comment on the scope of phase I of the statement, to review drafts, and to provide technical assistance in the preparation and review of phase I of the statement. The advisory group (SHALL) *must* include representatives of the agency, the departments of natural resources, health, agriculture, energy, planning and development, and transportation, and the Minnesota geological survey. In order to obtain the staff assistance necessary to prepare the statement, the chairperson of the board may request reassignment of personnel pursuant to section 16.21 and may arrange to have other agencies prepare parts of the statement pursuant to section 16.135.

Sec. 26. Minnesota Statutes 1983 Supplement, section 115A.-25, subdivision 1b, is amended to read:

Subd. 1b. [PHASE II.] Phase II of the statement (SHALL) *must* be completed by the agency as a supplement to phase I specifically for the purpose of examining the environmental effects of (THE) *any* permitting decisions *that may be required to be made by the permitting agencies under section 115A.291*. In preparing, reviewing, and determining the adequacy of phase II of the statement, the agency shall not repeat or duplicate the research and analysis contained in phase I of the statement, unless the agency determines that the information available is not adequate or that additional information is necessary to

examine the environmental effects of the permitting decisions. Phase II of the statement (SHALL) *may* not address or reconsider (ALTERNATIVE SITES AND FACILITY NUMBERS, TYPES, CAPACITY, FUNCTION, AND USE WHICH) *alternatives that* have been eliminated from consideration by the board's decisions under sections 115A.201, 115A.21, (115A.24,) and 115A.28. The determination of adequacy of phase II of the statement must be made by the agency within 180 days following submission of the preliminary permit application or applications under section 115A.291. The determination of the adequacy of phase II of the statement is exclusively the authority of the agency.

Sec. 27. Minnesota Statutes 1983 Supplement, section 115A.26, is amended to read:

115A.26 [AGENCIES; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.]

Within 30 days following the board's determination of the adequacy of phase I of the environmental impact statement, and after consulting with the board, facility developers, affected local government units, and the local project review committees, the chief executive officer of each permitting state agency shall issue to the board draft reports on permit conditions and permit application requirements at each candidate site. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of permits, including the types and categories of waste eligible for disposal with or without pretreatment, and the probable supplementary documentation that will be required for phase II of the environmental impact statement under section 115A.25 and for permit applications under section 115A.291. The reports may be revised following the hearings under section 115A.27 as the chief executive officer deems necessary. (THE REPORTS MUST BE CONSISTENT WITH THE ESTABLISHMENT OF FACILITIES IN ACCORDANCE WITH THE CERTIFICATION OF NEED.)

Sec. 28. Minnesota Statutes 1983 Supplement, section 115A.27, subdivision 2, is amended to read:

Subd. 2. [BOARD HEARINGS.] Within 120 days following the board's determination of the adequacy of phase I of the environmental impact statement under section 115A.25, the board shall conduct a hearing in each county containing a candidate site, for the purpose of receiving testimony on the decisions required under section 115A.28. The hearings (SHALL) *must* be ordered by the chairperson of the board. The subject of the board hearing (SHALL) *may* not extend to matters previously decided in the board's decision on sites under (SECTION) sections 115A.201 and 115A.21 (AND THE CERTIFICATE

OF NEED ISSUED UNDER SECTION 115A.24). *The record of the hearings must include the estimate of need for disposal facilities and the economic feasibility analysis prepared under section 115A.24, the phase I environmental impact statement, and the reports on permit conditions issued under section 115A.26.* The hearing (SHALL) *must* be conducted for the board by the state office of administrative hearings in a manner consistent with the completion of the proceedings in the time allowed. The proceedings and the hearing procedures are not subject to the rule-making or contested case provisions of chapter 14. The hearing officer (SHALL) *may* not issue a report but shall preside at the hearings to ensure that the hearings are conducted in a fair, orderly, and expeditious manner and in accordance with the hearing procedures of the board. A majority of the permanent members of the board shall be present at the hearing.

Sec. 29. Minnesota Statutes 1983 Supplement, section 115A.28, subdivision 1, is amended to read:

Subdivision 1. [DECISION OF BOARD.] Within 60 days following the conclusion of the hearings under section 115A.27, subdivision 2, and after consulting with private facility developers, the permitting agencies, affected local government units, and the local project review committees, *the board shall make the decisions as required by this subdivision. If the board decides that a disposal facility should not be developed in the state, it shall dismiss the candidate sites from further consideration. If the board determines and certifies that a disposal facility is needed and should be developed in the state, the board shall* (FINALLY) select (THE) a site or sites (FOR THE FACILITIES AND THE DEVELOPER AND OPERATOR OF THE FACILITY AND SHALL PRESCRIBE FURTHER SPECIFICATIONS ON) *and specify the number, type, capacity, function, and use of (THE) any facilities (AS THE BOARD DEEMS APPROPRIATE, CONSISTENT WITH THE BOARD'S CERTIFICATION OF NEED ISSUED UNDER SECTION 115A.24) to be established under sections 115A.18 to 115A.30. Sites that are not selected by the board cease to be candidate sites.* If the chairperson of the board determines that an agency report on permit conditions and application requirements has been substantially revised following hearings held pursuant to section 115A.27, subdivision 2, the chairperson may delay the decision for 30 days and may order a public hearing to receive further testimony on the sites and facilities to be established. The proceeding (SHALL) *must* be conducted as provided in section 115A.27, subdivision 2, except that hearings shall not be separately held in the affected counties and the issues relating to all agency reports (SHALL) *must* be considered at one hearing. (THE BOARD'S DECISION SHALL PROVIDE FOR THE ESTABLISHMENT OF FACILITIES CONSISTENT WITH THE BOARD'S CERTIFICATION OF NEED.)

The board may not make any final decision under this subdivision until the board:

(1) determines the current status of and future prospects for the final development of commercial hazardous waste processing facilities in the state based on the responses to the board's requests for proposals, the results of the board's processing facility development grant and loan programs, and any applications which have been filed for processing facility operation permits; and

(2) adjusts the estimate of need prepared under section 115A.24 to reflect the types and quantities of hazardous waste likely to be generated as residuals of processing facilities based on the board's determination under clause (1).

Sec. 30. Minnesota Statutes 1983 Supplement, section 115A.291, is amended to read:

115A.291 [PERMITS.]

Research and analysis necessary to the permit applications and permit decisions required under this chapter, and the supporting environmental study, must commence immediately following the board's decision (UNDER SECTION 115A.28) *to apply for permits under this section.* Within 180 days following its (FINAL DECISION) decisions under section 115A.28, the board shall *conclude its analysis of the financial requirements for the facility and shall decide whether to submit, or cause to be submitted by a developer and operator selected by the board, a preliminary application for permits for a facility or facilities consistent with its decision under section 115A.28.* Following review by the permitting agencies and within 60 days following the agency's determination of the adequacy of phase II of the environmental impact statement, the board shall revise the application, or cause it to be revised, in accordance with the recommendations of the permitting agencies. In preparing its revised permit application, the board may amend its (CERTIFICATION OF NEED ISSUED UNDER SECTION 115A.24 OR ITS) facility specifications under section 115A.28, if the board finds and determines, based upon the recommendations of the permitting agencies, that: (a) the amendments are necessary to secure permits for the construction and operation of the proposed facility at the proposed site, and (b) the recommendations and amendments are the result of new information or rules produced after the board's decisions under (SECTIONS 115A.24 AND) section 115A.28. Within 210 days following the submission of the revised permit application, the permitting agencies shall issue the necessary permits unless the pollution control agency determines that the facility or facilities proposed for permitting present environmental problems which cannot be addressed through the imposition of permit conditions. *The permits may not allow the use of the facility for disposal of radioactive waste, as defined by section 116C.71, subdivision 6.*

Sec. 31. [115A.301] [INDEMNIFICATION FOR CERTAIN DAMAGES ARISING FROM DISPOSAL FACILITY.]

Subdivision 1. [INDEMNIFICATION BY OPERATOR; EXCEPTIONS.] (a) As a condition of obtaining an agency permit and except as provided in paragraph (b), the operator of a hazardous waste disposal facility established under sections 115A.18 to 115A.30, upon the acceptance of any hazardous waste for disposal, shall agree to indemnify any other person for any liability the person may have under chapter 115B as a result of a release or threatened release of hazardous waste from the disposal facility to the extent of the financial responsibility requirement established in subdivision 2.

(b) The operator is not required to indemnify any person for liability to the extent that:

(1) the liability is the result of a violation by that person of state or federal law that governs the handling, transportation, or disposal of hazardous substances;

(2) the liability is the result of a negligent act or omission of that person with respect to the handling, transportation, or disposal of hazardous substances; or

(3) the liability is one for which a claim has been or may be paid by the Federal Post-Closure Liability Fund under United States Code, title 42, section 9607(k).

The operator is not required to indemnify any person for any claim filed more than 30 years after closure of the disposal facility in accordance with agency rules.

(c) The operator may intervene as of right in any action that may result in a claim for indemnification under this subdivision.

Subd. 2. [FINANCIAL RESPONSIBILITY.] (a) As a condition of obtaining a permit to operate a hazardous waste disposal facility established under sections 115A.18 to 115A.30, the operator shall demonstrate financial responsibility to pay claims of liability for personal injury, economic loss, response costs, and natural resources damage that the operator may incur as a result of a release or threatened release of a hazardous waste from the facility, including liability for which the operator is required to indemnify other persons under subdivision 1. The amount of the operator's financial responsibility must be at least \$40,000,000.

(b) The agency may require a higher level of financial responsibility as a condition of a permit for a disposal facility depending upon the size of the facility, the location of the facility, the types of waste that will be accepted at the facility, and

other factors affecting the risk of a release and potential liability. The operator may demonstrate financial responsibility by any mechanism approved by the agency's hazardous waste rules. The operator shall maintain financial responsibility as provided in this subdivision during operation of the facility and until 30 years after facility closure in accordance with agency rules, provided that the operator shall maintain financial responsibility after 30 years in the amount and for the time necessary to satisfy any outstanding claims filed within 30 years after facility closure.

Subd. 3. [LIABILITY TRUST FUND.] (a) A state facility liability trust fund is established as an account in the state treasury. Money in the fund shall be held in trust by the state to pay claims of liability resulting from the release or threatened release of hazardous waste from a disposal facility established under sections 115A.18 to 115A.30, and to purchase insurance to pay the claims. Subject to the limitations provided in paragraph (b), the fund and insurance purchased by the fund shall pay claims to the extent that the claims are not satisfied by the operator of the facility under subdivision 1, by the Federal Post-Closure Liability Fund under United States Code, title 42, section 9607(k), or by any person, including the operator, who is liable for the claim as a result of violation of a state or federal law or a negligent act or omission.

(b) The state is not obligated to pay any claims in excess of the amount of money in the fund and the limits of any insurance purchased by the fund.

(c) Interest earned by the money in the fund must be credited to the fund.

Subd. 4. [DETERMINATION OF AMOUNTS IN FUND.] The board shall determine the amount of money that will be needed in the state facility liability trust fund to maintain insurance coverage for each facility of at least \$10,000,000 during the operating life of the facility and to accumulate a balance of at least \$10,000,000 within 20 years after the facility begins operation. The board may require insurance coverage and accumulation of a fund balance in amounts greater than those provided in this subdivision based upon the factors that the agency must consider in establishing the level of financial responsibility under subdivision 2 and the amount of claims for which the fund is likely to be liable under subdivision 3. Based on the amounts required to purchase insurance and accumulate the fund balance, the board shall establish a surcharge amount to be collected under subdivision 5. The board may adjust the amount of the surcharge based on the actual quantities of waste received at the facility. Determinations by the board under this subdivision are subject to the rulemaking provisions of chapter 14.

Subd. 5. [DISPOSAL SURCHARGE.] A surcharge must be paid for every ton or part of a ton of hazardous waste accepted for disposal at a facility. The operator shall collect and hold the surcharge in a separate account. By the first day of each month, the operator shall pay any money in this account to the commissioner of finance for credit to the state facility liability trust fund.

Subd. 6. [ADMINISTRATION.] (a) The commissioner of finance shall administer the state facility liability trust fund. Money in the fund is appropriated to the commissioner of finance for expenditure as provided in subdivision 3. The commissioner shall establish separate accounts in the fund for purchase of insurance and for accumulation of a fund balance as required by the board under subdivision 4. After closure of the facility in accordance with agency rules, the commissioner shall consolidate the two accounts and may use any interest income from the fund to purchase insurance to pay claims for which the fund may be liable.

(b) The commissioner, in consultation with the attorney general, may settle any claims that the fund may be required to pay. If two or more claims are made against the fund, the amount of which would exceed the amount in the fund, the commissioner shall pay any valid claims on a pro rata basis. The commissioner, on behalf of the fund, may intervene as of right in an action that may result in a claim against the fund.

Subd. 7. [RIGHTS PRESERVED.] Nothing in this section affects the right of any person to bring an action under any law to recover costs or damages arising out of the release or threatened release of a hazardous substance from a disposal facility established under sections 115A.18 to 115A.30. Any costs or damages recoverable in such an action shall be reduced to the extent that the cost or damages have been paid under subdivisions 1 to 3.

Sec. 32. Minnesota Statutes 1982, section 115A.46, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Plans shall address the state policies and purposes expressed in section 115A.02. Plans for the location, establishment, operation, maintenance, and post-closure use of facilities and facility sites, for ordinances, and for licensing, permit, and enforcement activities shall be consistent with the rules adopted by the agency pursuant to chapter 116. Plans shall address the resolution of conflicting, duplicative, or overlapping local management efforts. Plans shall address the establishment of joint powers management programs or waste management districts where appropriate. (PLANS PROPOSING A DESIGNATION OF RESOURCE RECOVERY FACILITIES PURSUANT TO SECTIONS 115A.70 AND 400.162 SHALL BE SUBMITTED TO THE WASTE MANAGEMENT BOARD

FOR REVIEW AND APPROVAL OR DISAPPROVAL. THE REVIEW SHALL BE BASED ON WHETHER THE PLANS CONFORM TO THE REQUIREMENTS OF THIS SECTION. THE BOARD MAY REQUIRE REVISION OF A PLAN AS A CONDITION OF ITS APPROVAL.) Plans shall address other matters as the rules of the agency may require consistent with the purposes of sections 115A.42 to 115A.46. Political subdivisions preparing plans under sections 115A.42 to 115A.46 shall consult with persons presently providing solid waste collection, processing, and disposal services. Plans (PREPARED BY LOCAL UNITS OF GOVERNMENT IN THE METROPOLITAN AREA SHALL CONFORM TO THE REQUIREMENTS OF CHAPTER 473) shall be approved by the agency, or the metropolitan council pursuant to section 473.803. After initial approval, each plan shall be updated every five years and revised as necessary for further approval.

Sec. 33. Minnesota Statutes 1982, section 115A.46, subdivision 2, is amended to read:

Subd. 2. [CONTENTS.] The plans shall describe existing collection, processing, and disposal systems, including schedules of rates and charges, financing methods, environmental acceptability, and opportunities for improvements in the systems. The plans shall include an estimate of the land disposal capacity in acre-feet which will be needed through the year 2000, on the basis of current and projected waste generation practices. (THE PLANS SHALL CONTAIN AN ASSESSMENT OF OPPORTUNITIES TO REDUCE THE NEED FOR LAND DISPOSAL THROUGH WASTE REDUCTION AND RESOURCE RECOVERY, THE ALTERNATIVE DEGREES OF REDUCTION ACHIEVABLE, AND) *The plans shall require the most feasible and prudent reduction of the need for and practice of land disposal of mixed municipal solid waste. The plans shall address at least waste reduction, separation, and resource recovery, and shall include objectives, immediately and over specified time periods, for reducing the land disposal of mixed municipal solid waste. The plans shall describe specific functions to be performed and activities to be undertaken to achieve the abatement objectives and shall describe the estimated cost, proposed manner of financing, and timing of the functions and activities. The plans shall include a comparison of the costs of (ALTERNATIVES) the activities to be undertaken, including capital and operating costs, and the effects of the (ALTERNATIVES) activities on the cost to generators and on persons currently providing solid waste collection, processing, and disposal services. The plans shall include alternatives which could be used to achieve the abatement objectives if the proposed functions and activities are not established. The plans shall designate how public education shall be accomplished.* The plans shall, to the extent practicable and consistent with the achievement of other public policies and purposes, encourage ownership and operation of solid waste facilities by private industry. For solid waste facilities owned or operated by

public agencies or supported primarily by public funds or obligations issued by a public agency, the plans shall include criteria and standards to protect comparable private and public facilities already existing in the area from displacement unless the displacement is required in order to achieve the waste management objectives identified in the plan. The plans shall establish a siting procedure and development program to assure the orderly location, development, and financing of new or expanded solid waste facilities and services sufficient for a prospective ten-year period, including estimated costs and implementation schedules, proposed procedures for operation and maintenance, estimated annual costs and gross revenues, and proposals for the use of facilities after they are no longer needed or usable. The plans shall describe existing and proposed county and municipal ordinances and license and permit requirements relating to solid waste management and shall describe existing and proposed regulation and enforcement procedures.

Sec. 34. Minnesota Statutes 1982, section 115A.70, is amended by adding a subdivision to read:

Subd. 8. [AUTHORITY.] A waste management district possessing designation authority in its articles of incorporation may be authorized to designate a resource recovery facility under sections 35 to 44.

Sec. 35. [115A.80] [DESIGNATION OF RESOURCE RECOVERY FACILITIES; PURPOSE.]

In order to further the state policies and purposes expressed in section 115A.02, and to advance the public purposes served by resource recovery, the legislature finds and declares that it may be necessary pursuant to sections 35 to 44 to authorize a qualifying solid waste management district or county to designate a resource recovery facility.

Sec. 36. [115A.81] [DEFINITIONS.]

Subdivision 1. [SCOPE.] The terms used in sections 35 to 44 have the meanings given them in this section.

Subd. 2. [DESIGNATION.] "Designation" means a requirement by a waste management district or county that all or any portion of the solid waste that is generated within its boundaries or any service area thereof and is deposited within the state be delivered to a resource recovery facility identified by the district or county.

Sec. 37. [115A.82] [ELIGIBILITY.]

Facilities may be designated under sections 35 to 44 by (1) a solid waste management district established pursuant to sec-

tions 115A.62 to 115A.72 and possessing designation authority in its articles of incorporation; or (2) a county, but only for waste generated outside of the boundaries of a district qualifying under clause (1) or the Western Lake Superior Sanitary District established by Laws 1971, chapter 478, as amended.

Sec. 38. [115A.83] [EXEMPTION.]

The designation may not apply to or include: (1) materials that are separated from solid waste and recovered for reuse in their original form or for use in manufacturing processes; or (2) materials that are processed at another resource recovery facility at the capacity in operation at the time that the designation plan is approved by the reviewing authority.

Sec. 39. [115A.84] [DESIGNATION PLAN.]

Subdivision 1. [REQUIREMENT.] Before commencing the designation procedure under section 40, the district or county shall adopt a comprehensive solid waste management plan or, under chapter 478, a master plan. The comprehensive or master plan must include a plan for designation approved under this section.

Subd. 2. [DESIGNATION; PLAN CONTENTS.] (a) The designation plan must evaluate (1) the benefits of the designation, including the public purposes achieved by the conservation and recovery of resources, the furtherance of local and any district or regional waste management plans and policies, and the furtherance of the state policies and purposes expressed in section 115A.02; and (2) the estimated costs of the designation, including the direct capital, operating, and maintenance costs of the facility designated, the indirect costs, and the long-term effects of the designation.

(b) In particular the designation plan must evaluate:

(1) whether the designation will result in the recovery of resources or energy from materials which would otherwise be wasted;

(2) whether the designation will lessen the demand for and use of land disposal;

(3) whether the designation is necessary for the financial support of the facility;

(4) whether less restrictive methods for ensuring an adequate solid waste supply are available; and

(5) other feasible and prudent waste processing alternatives for accomplishing the purposes of the proposed designation, the

direct and indirect costs of the alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators.

Subd. 3. [PLAN APPROVAL.] A district or county planning a designation for waste generated wholly within the metropolitan area defined in section 473.121 shall submit its designation plan to the metropolitan council for review and approval or disapproval. Other districts or counties shall submit the designation plan to the waste management board for review and approval or disapproval. The reviewing authority shall complete its review and make its decision within 90 days following submission of the plan for review. The reviewing authority shall approve the designation plan if the plan satisfies the requirements of subdivision 2.

Subd. 4. [EXCLUSION OF CERTAIN MATERIALS.] When it approves the designation plan, the reviewing authority shall exclude from the designation materials that the reviewing authority determines will be processed at another resource recovery facility if:

- (1) the other resource recovery facility is substantially completed or will be substantially completed within 18 months of the time that the designation plan is approved by the reviewing authority; and*
- (2) the other facility has or will have contracts for purchases of its product; and*
- (3) the materials are or will be under contract for delivery to the other facility at the time the other facility is completed.*

In order to qualify for the exclusion of materials under this subdivision, the operator or owner of the other resource recovery facility shall file with the reviewing authority and the district or county or counties a written description of the facility, its intended location, its waste supply sources, purchasers of its products, its design capacity and other information that the reviewing authority and the district or county or counties may reasonably require. The information must be filed as soon as it becomes available but not later than the date when the county or district submits its designation plan for approval.

The reviewing authority may revoke the exclusion granted under this subdivision when it approves the designation ordinance under section 41 if in its judgment the excluded materials will not be processed at the other facility.

Sec. 40. [115A.85] [PROCEDURE.]

Subdivision 1. [REQUIREMENT.] A district or county with an approved designation plan shall proceed as provided in

this section when designating facilities. A district need not repeat the designation procedures in this section to the extent that the procedures have been completed by each county having territory in the district or by a joint powers board composed of each county having territory in the district.

Subd. 2. [HEARING.] The district or county shall hold a public hearing to take testimony on the designation. Notice of the hearing must be published in a newspaper of general circulation in the area for two successive weeks ending at least 15 days before the date of the hearing and must be mailed to political subdivisions, landfill operators, and licensed solid waste collectors who may be expected to use the facility. The notification must: (1) describe the area in which the designation will apply and the plans for the use of the solid waste; (2) specify the point or points of delivery of the solid waste; (3) estimate the types and quantities of solid waste subject to the designation; and (4) estimate the fee to be charged for the use of the facilities and for any products of the facilities. A designation or contract for use is not invalid by reason of the failure of the district or county to provide written notice to an entity listed in this subdivision.

Subd. 3. [NEGOTIATED CONTRACTS FOR USE.] During a period of 90 days following the hearing, the district or county shall negotiate with the persons entitled to written notice under subdivision 2 for the purpose of developing contractual agreements that will require use of the facilities proposed to be designated.

Subd. 4. [DESIGNATION DECISION.] At the end of the 90-day contract negotiation period the district or county may proceed to secure approval for and implement the designation as provided in section 41.

Sec. 41. [115A.86] [IMPLEMENTATION OF DESIGNATION.]

Subdivision 1. [DESIGNATION ORDINANCE.] (a) The district or county shall prepare a designation ordinance to implement a designation. The designation ordinance must: (1) define the geographic area and the types and quantities of solid waste subject to designation; (2) specify the point or points of delivery of the solid waste; (3) require that the designated solid waste be delivered to the specified point or points of delivery; (4) set out the procedures and principles to be followed by the county or district in establishing and amending any rates and charges at the designated facility; and (5) state any additional regulations governing waste collectors or other matters necessary to implement the designation.

(b) The designation ordinance must provide an exception for: (1) materials that are exempt or excluded from the designa-

tion under section 38 or 39, subdivision 4; and (2) materials otherwise subject to the designation for which negotiated contractual arrangements exist that will require and effect the delivery of the waste to the facility for the term of the contract.

Subd. 2. [APPROVAL.] A district or county whose designation applies wholly within the metropolitan area defined in section 473.121 shall submit the designation ordinance, together with any negotiated contracts assuring the delivery of solid waste, to the metropolitan council for review and approval or disapproval. Other districts or counties shall submit the designation ordinance, together with any negotiated contracts assuring the delivery of solid waste, to the waste management board for review and approval or disapproval. The reviewing authority shall complete its review and make its decision within 90 days following submission of the designation for review. The reviewing authority shall approve the designation if it determines that the designation procedure specified in section 40 was followed and that the designation is based on a plan approved under section 39. The reviewing authority may attach conditions to its approval.

Subd. 3. [IMPLEMENTATION.] The designation may be placed into effect no less than 60 days following the approval required in subdivision 2. The effective date of the designation must be specified at least 60 days in advance. If the designation is not placed into effect within two years of approval, the designation must be resubmitted to the reviewing authority for approval or disapproval under subdivision 2, unless bonds have been issued to finance the resource recovery facility to which the designation applies.

Subd. 4. [EFFECT.] The designation is binding on all political subdivisions, landfill operators, solid waste generators, and solid waste collectors in the designation area.

Subd. 5. [AMENDMENTS.] Amendments to a designation ordinance must be submitted to the reviewing authority for approval. The reviewing authority shall approve the amendment if the amendment is in the public interest and in furtherance of the state policies and purposes expressed in section 115A.02. If the reviewing authority does not act within 90 days, the amendment is approved.

Sec. 42. [115A.87] [JUDICIAL REVIEW.]

An action challenging a designation must be brought within 60 days of the approval of the designation by the reviewing authority. The action is subject to section 562.02.

Sec. 43. [115A.88] [SERVICE GUARANTEE.]

The district or county may not arbitrarily terminate, suspend, or curtail services provided to any person required by contract

or designation ordinance to use designated facilities without the consent of the person or without just cause.

Sec. 44. [115A.89] [SUPERVISION OF IMPLEMENTATION.]

The reviewing authority shall: (1) require regular reports on the implementation of each designation; (2) periodically evaluate whether each designation as implemented has accomplished its purposes and whether the designation is in the public interest and in furtherance of the state policies and purposes expressed in section 115A.02; and (3) report periodically to the legislature on its conclusions and recommendations.

Sec. 45. [115A.917] [CERTIFICATE OF NEED.]

No new capacity for disposal of mixed municipal solid waste may be permitted in counties outside the metropolitan area without a certificate of need issued by the agency indicating the agency's determination that the additional disposal capacity is needed in the county. A certificate of need may not be issued until the county has a plan approved under section 115A.46. If the original plan was approved more than five years before, the agency may require the plan to be revised before a certificate of need is issued under this section. The agency shall certify need only to the extent that there are no feasible and prudent alternatives to the additional disposal capacity, including waste reduction, source separation, and resource recovery, that would minimize adverse impact upon natural resources. Alternatives that are speculative or conjectural are not feasible and prudent. Economic considerations alone do not justify the certification of need or the rejection of alternatives.

Sec. 46. [115A.919] [COUNTY FEE AUTHORITY.]

A county may impose a fee on operators of facilities for mixed municipal solid waste located within the county. The fee in the metropolitan area may not exceed 25 cents per cubic yard. The revenue from the fees shall be credited to the county general fund and shall be used only for landfill abatement purposes, or costs of closure, postclosure care, and response actions or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities.

Waste residue from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from one-half the amount of the fee imposed by a county under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 73, subdivision 1, paragraph (c), must be followed and submitted to the appropriate county.

Sec. 47. [115A.921] [CITY OR TOWN FEE AUTHORITY.]

A city or town may charge a fee, not to exceed 15 cents per cubic yard, or its equivalent, of solid waste accepted and disposed of on land, to operators of facilities for mixed municipal solid waste located within the city or town. The revenue from the fees shall go to the city or town general fund for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Waste residue from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from one-half the amount of the fee imposed by a city or town under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 73, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town.

Sec. 48. Minnesota Statutes 1983 Supplement, section 115B.22, subdivision 1, is amended to read:

Subdivision 1. [TAXES IMPOSED; EXCLUSIONS.] Each generator of hazardous waste shall pay the taxes imposed by this section based upon the volume and destination of the hazardous wastes generated. The taxes imposed by this section do not apply to hazardous wastes destined for recycling or reuse including waste accumulated, stored, or physically, chemically, or biologically treated before recycling or reuse, to used crankcase oil, to hazardous waste which is generated as a result of any response action, or to hazardous waste which meets applicable pretreatment standards or compliance schedules and is discharged to a public sewage treatment works, or to hazardous waste that is generated as residue from a hazardous waste incineration facility that treats waste subject to taxation under subdivision 5.

Sec. 49. Minnesota Statutes 1982, section 116.07, is amended by adding subdivisions to read:

Subd. 4f. [CLOSURE AND POSTCLOSURE RESPONSIBILITY AND LIABILITY.] *An operator or owner of a facility is responsible for closure of the facility and postclosure care relating to the facility. If an owner or operator has failed to provide the required closure or postclosure care of the facility the agency may take the actions. The owner or operator is liable for the costs of the required closure and postclosure care taken by the agency.*

Subd. 4g. [CLOSURE AND POSTCLOSURE RULES.] *The agency shall adopt rules establishing requirements for the closure of solid waste disposal facilities and for the postclosure care of closed facilities. The rules apply to all solid waste dis-*

posal facilities in operation at the time the rules are effective. The rules must provide standards and procedures for closing disposal facilities and for the care, maintenance, and monitoring of the facilities after closure that will prevent, mitigate, or minimize the threat to public health and the environment posed by closed disposal facilities.

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating life of the facility and for 20 years after closure, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules is a condition of obtaining or retaining a permit to operate the facility.

Subd. 4i. [CIVIL PENALTIES.] The civil penalties of section 115.071 apply to any person in violation of the rules adopted under subdivision 4g or 4h.

Sec. 50. Minnesota Statutes 1982, section 116J.88, is amended by adding a subdivision to read:

Subd. 8a. [HAZARDOUS WASTE PROCESSING FACILITY LOAN.] "Hazardous waste processing facility loan" means a loan for the acquisition, construction, or improvement of real and personal property to be used for the collection or processing of hazardous waste as those terms are defined in section 115A.03, subdivisions 5, 13, and 25.

Sec. 51. Minnesota Statutes 1983 Supplement, section 116J.90, is amended by adding a subdivision to read:

Subd. 4a. [HAZARDOUS WASTE PROCESSING FACILITY LOANS.] The authority may make, purchase, or participate in making or purchasing hazardous waste processing facility loans in any amount, and may enter into commitments therefore. A private person proposing to develop and operate a hazardous waste processing facility is eligible to apply for a loan under this subdivision. Applications must be made to the authority. The authority shall forward the applications to the waste management board for review pursuant to section 14. If the waste management board does not certify the application, the authority may not approve the application nor make the loan. If the waste management board certifies the application, the authority

shall approve the application and make the loan if funds are available for it and if the authority finds that:

(1) development and operation of the facility as proposed by the applicant is economically feasible;

(2) there is a reasonable expectation that the principal and interest on the loan will be fully repaid; and

(3) the facility is unlikely to be developed and operated without a loan from the authority.

The authority and the waste management board shall establish coordinated procedures for loan application, certification, and approval.

The authority may use the economic development fund to provide financial assistance to any person whose hazardous waste processing facility loan application has been certified by the waste management board and approved by the authority, and for this purpose may exercise the powers granted in section 116J.89, subdivision 1a, with respect to any loans made or bonds issued under this subdivision regardless of whether the applicant is an eligible small business.

The authority may issue bonds and notes in the aggregate principal amount of \$10,000,000 for the purpose of making, purchasing, or participating in making or purchasing hazardous waste processing facility loans. This amount is in addition to any other authority to issue bonds and notes under chapter 116J.

The authority may adopt temporary rules under sections 14.29 to 14.36 to implement the loan program under this subdivision. Temporary rules adopted by the authority remain in effect for 360 days or until permanent rules are adopted, whichever occurs first.

Sec. 52. Minnesota Statutes 1982, section 290.06, is amended by adding a subdivision to read:

Subd. 15. [RESOURCE RECOVERY EQUIPMENT.] (a) A credit of ten percent of the net cost of equipment used for processing solid or hazardous waste at a resource recovery facility, as defined in section 115A.03, subdivision 28, may be deducted from the tax due under this chapter in the taxable year in which the property is purchased.

(b) If the amount of the credit provided by this subdivision exceeds the taxpayer's liability under this chapter for the taxable year, the excess may be carried forward to the four taxable years following the year of purchase.

Sec. 53. Minnesota Statutes 1982, section 290.06, is amended by adding a subdivision to read:

Subd. 16. [POLLUTION CONTROL EQUIPMENT, CREDIT.] (a) A credit of five percent of the net cost of equipment used primarily to abate or control pollutants to meet or exceed state laws, rules, or standards, or equipment used primarily to reduce the generation of hazardous waste, to the extent the property is so used and which is included in section 290.09, subdivision 7, paragraph (A), clause (a), may be deducted from the tax due under this chapter in the first year for which a depreciation deduction is allowed for the equipment. The credit allowed by this subdivision may not exceed the lesser of the liability for tax for the taxable year or \$75,000. The credit shall apply only if

(1) the equipment meets rules prescribed by the Minnesota pollution control agency and is installed or operated in accordance with a permit or order issued by the agency; or

(2) the pollution control agency certifies that the equipment reduces the generation of hazardous waste and that the generator is in compliance with applicable hazardous waste laws and rules.

(b) If the amount of the credit determined under paragraph (a) for any taxable year for which a depreciation deduction is allowed exceeds the limitation provided by paragraph (a) for the taxable year, referred to in this subdivision as the "unused credit year," the excess is a credit carryover to each of the four taxable years following the unused credit year.

(c) The entire amount of the unused credit for an unused credit year must be carried to the earliest of the four taxable years to which such credit may be carried and then to each of the other three taxable years. The maximum credit allowable in any one taxable year under this subdivision including the credit allowable under paragraph (a) and the carryforward allowable under paragraph (b) and this paragraph shall in no event exceed \$75,000.

Sec. 54. Minnesota Statutes 1982, section 290.06, is amended by adding a subdivision to read:

Subd. 17. [FEEDLOT POLLUTION CONTROL EQUIPMENT.] A credit of ten percent of the net cost of pollution control and abatement equipment, including but not limited to, lagoons, concrete storage pits, slurry handling equipment, and other equipment and devices approved by the pollution control agency, purchased, installed and operated within the state by a feedlot operator to prevent pollution of air, land, or water in connection with the operation of a livestock feedlot, poultry lot, or other animal lot, may be deducted from the tax due under

this chapter in the taxable year in which the equipment is purchased; provided that no deduction may be taken for any portion of the cost of the same equipment pursuant to subdivision 16.

If the amount of the credit provided by this subdivision exceeds the taxpayer's liability for taxes pursuant to chapter 290 in the taxable year in which the equipment is purchased, the excess amount may be carried forward to the four taxable years following the year of purchase. The entire amount of the credit not used in the year purchased shall be carried to the earliest of the four taxable years to which the credit may be carried and then to each of the three successive taxable years.

Sec. 55. Minnesota Statutes 1983 Supplement, section 297A.25, subdivision 1, is amended to read:

Subdivision 1. The following are specifically exempted from the taxes imposed by sections 297A.01 to 297A.44:

This exemption does not include the following:

The council shall adopt a schedule (FOR DEVELOPMENT) of disposal (FACILITIES BY) *capacity to be developed* in each county through the year 2000. The schedule (SHALL BE BASED UPON) *may not allow capacity in excess of the council's reduced estimate of the disposal capacity needed because of the council's land disposal abatement plan, except as the council deems necessary to allow reallocation of capacity as required by this subdivision.* The council (MAY) shall make the implementation of elements of the schedule, *including the disposal capacity allocated to each county, contingent on actions of (THE COUNTIES) each county and class of city in that county* in adopting and implementing (COUNTY) abatement plans pursuant to section 473.803, subdivision 1b (; AND). The council shall review the development schedule (AT LEAST) every (TWO YEARS) *year* and shall revise the development schedule (AS IT DEEMS APPROPRIATE) *and the allocation of disposal capacity required for each county based on the progress made in (THE ADOPTION AND) that county in the implementation of the (COUNCIL AND COUNTY) council's abatement plans and achievement of metropolitan and local abatement objectives.* The schedule may include procedures to be used by counties in selecting sites for acquisition pursuant to section 473.833. The schedule (SHALL) *must* include standards and procedures for council certification of need pursuant to section 473.823. The schedule (SHALL) *must* include a facility closure schedule and plans for post-closure management and disposition, for the use of property after acquisition and before facility development, and for the disposition of property and development rights, as defined in section 473.833, no longer needed for disposal facilities. [COUNTY DESIGNATION OF RESOURCE RECOVERY FACILITIES.] (THE AUTHORITY GRANTED TO METROPOLITAN COUNTIES BY THIS SUBDIVISION SHALL NOT APPLY WITHIN ANY SOLID WASTE MANAGEMENT DISTRICT ESTABLISHED UNDER SECTIONS 115A.62 TO 115A.72. IN ORDER TO ACCOMPLISH THE OBJECTIVES OF COUNTY WASTE MANAGEMENT, TO FURTHER THE STATE POLICIES AND PURPOSES EX-

PRESSED IN SECTION 115A.02, AND TO ADVANCE THE PUBLIC PURPOSES SERVED BY RESOURCE RECOVERY, THE LEGISLATURE FINDS AND DECLARES THAT IT MAY BE NECESSARY TO AUTHORIZE A COUNTY TO REQUIRE THAT ALL OR ANY PORTION OF THE SOLID WASTE THAT IS GENERATED WITHIN THE BOUNDARIES OF THE COUNTY OR ANY SERVICE AREA THEREOF AND IS DISPOSED OF IN THE STATE BE DELIVERED TO A RESOURCE RECOVERY FACILITY DESIGNATED BY THE COUNTY BOARD OR A TRANSFER STATION SERVING SUCH A FACILITY. ANY COUNTY DESIGNATION SHALL BE BASED UPON AN APPROVED MASTER PLAN AND SHALL BE SUBMITTED PURSUANT TO SECTION 473.827, SUBDIVISION 1, FOR REVIEW AND APPROVAL OR DISAPPROVAL BY THE METROPOLITAN COUNCIL. Subd. 6. [COUNCIL; CERTIFICATION OF NEED.] No new mixed municipal solid waste disposal facility or capacity shall be permitted in the metropolitan area without a certificate of need issued by the council indicating the council's determination that the additional disposal capacity planned for the facility is needed in the metropolitan area. The council shall amend its policy plan, adopted pursuant to section 473.149, to include standards and procedures for certifying need. The standards and procedures shall be based on the council's disposal abatement plan adopted pursuant to section 473.149, subdivision 2d, the council's solid waste disposal facilities development schedule adopted under section 473.149, subdivision 2e, and the (ABATEMENT) master plans of counties adopted pursuant to section 473.803, subdivision 1b and approved by the council under section 473.803, subdivision 2. The council shall certify need only to the extent that there are no feasible and prudent alternatives to the disposal facility, including waste reduction, source separation and resource recovery which would minimize adverse impact upon natural resources. Alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of alternatives. In its certification the council shall not consider alternatives which have been eliminated from consideration by the adoption of the inventory pursuant to section 473.149, subdivision 2b, or the selection of sites under section 473.833, subdivision 3.

Sec. 68. Minnesota Statutes 1983 Supplement, section 473.831, is amended to read:

473.831 [DEBT OBLIGATIONS; SOLID WASTE DISPOSAL.]

The bonds shall be sold, issued, and secured in the manner provided in chapter 475 for general obligation bonds, and the council shall have the same power and duties as a municipality and its governing body in issuing bonds under chapter 475, except as otherwise provided in this chapter. No election shall be required, and the net debt limitations in chapter 475 shall not apply. The council shall have the power to levy ad valorem taxes for debt service of the council's solid waste bonds upon all taxable property within the metropolitan area, without limitation of rate or amount and without affecting the amount or rate of taxes which may be levied by the council for other purposes or by any local government unit in the area. Each of the county auditors shall annually assess and extend upon the tax rolls in his county the portion of the taxes levied by the council in each year which is certified to him by the council. The principal amount of bonds issued pursuant to this section shall not exceed \$15,000,000.

Subd. 2. [USE OF PROCEEDS.] The proceeds of bonds issued under subdivision 1 shall be used by the council, for the purposes provided in subdivision 1 and to make grants to metropolitan counties to pay the cost of the environmental review of sites, the acquisition of development rights for all or part of the period that the development limitation imposed by section 473.806 is in effect, and the acquisition of all property or interests in property for solid waste disposal sites and surrounding buffer areas required to be acquired by the county, pursuant to (SECTION) sections 473.833 and 473.840, by the council's policy plan and development schedule adopted pursuant to section 473.149, subdivision 2e. If the council is required by law or regulation to prepare environmental analyses on one or more solid waste disposal sites and surrounding buffer areas, the council may use the proceeds of the bonds issued under subdivision 1 to contract for consultant services in the preparation of such analyses only upon a finding that equivalent expertise is not available among its own staff.

Sec. 69. Minnesota Statutes 1982, section 473.833, subdivision 4, is amended to read:

Subd. 4. [ACQUISITION AND DISPOSITION.] In order to prevent the development of conflicting land uses at and around future solid waste disposal facility sites, (THE COUNCIL SHALL PROVIDE FOR THE ACQUISITION BY A) *each metropolitan county (OF) shall acquire property and rights in property at and around each solid waste disposal site selected within the county pursuant to subdivision 3. Each site scheduled for development as a facility through the year 1990 (SHALL) must be acquired in fee. Development rights (SHALL) must be acquired for each site scheduled for development as a facility after the year 1990 through the year 2000. Development rights (SHALL) must be acquired in a buffer area surrounding and at least equal to the area of each site scheduled for development as a facility through the year 2000. The owner of any property for which development rights are to be or have been acquired pursuant to this subdivision may elect by written notice at any time up to 90 days following the issuance of a permit by the agency for a facility to have the county acquire fee title to the property. Fee title (SHALL) may not be acquired by counties for buffer areas (ONLY) except at the election of the owner of the fee.*

Sec. 70. [473.840] [PURCHASE OF CERTAIN PROPERTY.]

Subdivision 1. [PUBLIC PURPOSE.] In order for the responsible public agency to select and acquire environmentally suitable sites and buffer areas for the safe disposal of waste, the legislature finds that it is necessary and proper for the responsible agency to evaluate more than one site for disposal facilities and that it is appropriate to purchase property, within the sites and buffer areas selected for evaluation, to avoid or mitigate any undue hardship that may be imposed on property owners as a result of the selection of sites for evaluation.

Subd. 2. [DEFINITIONS.] (a) "Qualifying property" is a parcel of real property any part of which is located within the site or buffer area of a candidate site selected under section 473.153, subdivision 2, for purposes of environmental review under subdivision 5 of that section, or a site included in the metropolitan inventory adopted under section 473.149, subdivision 2b, for the purposes of environmental review under section 473.833, subdivision 2a.

(b) An "eligible owner" is a person who: (1) owns the entire parcel of qualifying property; (2) owned the entire parcel of property at the time the site was selected as a candidate site or included in the metropolitan inventory; (3) since the site was selected or included in the inventory, has for at least six months offered to sell the entire parcel on the open market through a licensed real estate agent; and (4) has not previously entered a contract under subdivision 4 for the sale of any or all of the parcel.

Subd. 3. [CONTRACT REQUEST.] *An eligible owner of property qualifying under section 473.153 may request in writing that the waste control commission and the metropolitan council enter a contract for the purchase of the property as provided in subdivision 4. An eligible owner of property qualifying under sections 473.149 and 473.833 may request in writing that the county in which the property is located and the metropolitan council enter a contract for the purchase of property as provided in subdivision 4. A contract may not be executed under subdivision 4 after the determination of adequacy of the environmental impact statement. Environmental review commences on the day of publication of the environmental impact statement preparation notice.*

Subd. 4. [CONTRACT; TERMS AND REQUIREMENTS.] *The council and the county or commission shall enter a contract as provided in this subdivision with an eligible owner of qualifying property who requests the council and the county or commission to enter the contract as provided in subdivision 3. The council and the county or commission have 90 days to act on a request submitted under subdivision 3. The contract must include at least the following terms:*

(a) *The owner must offer to sell the entire parcel of property on the open market through a licensed real estate agent approved by the council for at least a six month period beginning within one month after the appraised market value of the property is determined as provided in paragraph (b). The offer to sell must be made at no more than the appraised market value.*

(b) *The appraised market value of the property must be determined by an appraiser selected by the council. If the owner disagrees with the appraisal the owner shall select an appraiser to make a second appraisal. If a second appraisal is made, the council and the owner may agree on an appraised market value equal to either the first or second appraisal or any amount between those appraisals. If the council and owner do not agree on an appraised market value the two appraisers shall select a third appraiser, and the appraised market value must be determined by a majority of the three appraisers. Appraisers must be selected from the approved list of real property appraisers of the state commissioner of administration. Appraisers shall take an oath that they have no interest in any of the property to be appraised or in the purchase thereof. Each party shall pay the cost of the appraiser selected by that party and shall share equally in the cost of a third appraiser selected under this paragraph. The appraised market value of the property may not be increased or decreased by reason of its selection as a candidate or inventoried site or buffer area.*

(c) *The county or commission must purchase the entire parcel of property at the appraised market value determined under paragraph (b) if: (1) the council determines, based upon affi-*

davits provided by the owner and the real estate agent and other evidence the council may require, that the owner has made a good faith effort to sell the property as provided in paragraph (a) and has been unable to sell the property at the appraised market value; (2) the council determines that the owner will be subject to undue hardship as a result of failure to sell; (3) the county or commission determines that the owner has marketable title to the property and that the owner has cured any defects in the title within a reasonable time as specified in the contract; and (4) the owner conveys the property by warranty deed in a form acceptable to the county or commission.

(d) The owner may not assign or transfer any rights under the contract to another person.

(e) The contract expires and the obligations of the parties under the contract cease when the property is sold or is either selected or eliminated from consideration by a final decision of the council under section 473.153, subdivision 6, or by a final decision of the county site selection authority or council under section 473.833, subdivision 3.

(f) The council and the commission or county may require other terms of contract that are consistent with the purposes of this section and necessary to protect the interests of the parties.

Subd. 5. [COMPENSATION OF AGENT; LIMITATION.] *A real estate agent may not receive a commission or any other compensation from an owner of property which is subject to a contract under subdivision 4 if the property is purchased by the public agency under that contract. Any term of a contract between a real estate agent and a property owner contrary to the provisions of this subdivision is void and unenforceable.*

Subd. 6. [ADMINISTRATION.] *The council, the county, and the commission are authorized to perform all acts required to enter and enforce contracts to purchase real property as provided in this section, including selecting and compensating appraisers and real estate agents.*

Subd. 7. [DISPOSITION OF PROPERTY.] *(a) Property acquired by the county or commission under this section must be retained in ownership until the selection of sites is completed under section 473.153 or 473.833, whereupon the county or commission shall sell all property located in the area of any site eliminated from further consideration and all property in the area of the selected sites that is not needed for the site or buffer area. The commission or county, with the approval of the council, may temporarily delay sale to protect the interests of the public agencies involved. The sale must be approved by the council, and the proceeds of the sale must be returned to the council and used to pay principal and interest on debt issued for acquisition.*

(b) *The county or commission may lease or rent any property acquired under this section for any use which is consistent with the development limitations until it is sold or is needed for use as a facility site or buffer area. Lease and rental agreements must be approved by the council, and proceeds of any lease or rental must be returned to the council and used to pay principal and interest on debt issued for acquisition. The county or commission may insure against loss to the property by fire, lightning, windstorm, tornado, flood, or hail, in the amount determined by the county or commission, using any insurance company licensed to do business in the state.*

Subdivision 1. [AMOUNT OF FEE; APPLICATION.] The operator of a mixed municipal solid waste disposal facility in the metropolitan area shall pay a fee on solid waste accepted and disposed at the facility as follows:

(a) A facility that weighs the waste that it accepts must pay a fee of 50 cents per cubic yard based on equivalent cubic yards of waste accepted at the entrance of the facility.

(b) A facility that does not weigh the waste but that measures the volume of the waste that it accepts must pay a fee of 50 cents per cubic yard of waste accepted at the entrance of the facility.

(c) Waste residue from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse is exempt from one-half of the amount of fee imposed by this subdivision if there is at least an 85 percent volume reduction in the solid waste processed. To qualify for exemption under this clause, waste residue must be brought to a disposal facility separately. The commissioner of revenue, with the advice and assistance of the agency, shall prescribe procedures for determining the amount of waste residue qualifying for exemption.

Subd. 7. [ADMINISTRATIVE EXPENSES.] Any amount expended by the commissioner of revenue from a general fund appropriation to enforce and administer this section must be reimbursed to the general fund, and the amount necessary to make the reimbursement is appropriated from the landfill abatement fund to the commissioner of finance for transfer to the general fund.

Sec. 74. [473.844] [METROPOLITAN LANDFILL ABATEMENT FUND.]

Subdivision 1. [ESTABLISHMENT; PURPOSES.] The metropolitan landfill abatement fund is created as an account in the state treasury in order to reduce to the greatest extent feasible and prudent the need for and practice of land disposal of mixed municipal solid waste in the metropolitan area. The fund consists of revenue deposited in the fund under section 73, subdivision 2, clause (a) and interest earned on investment of money in the fund. All repayments to loans made under this section shall be credited to the fund. Except as otherwise provided in section 81, subdivisions 2 and 3, and section 73, subdivision 7, the money in the fund may be spent, upon appropriation by the legislature, only for the following purposes:

(1) solid waste management planning assistance in the metropolitan area under sections 115A.42 to 115A.46;

(2) grants and loans to any person for resource recovery projects and related public education in the metropolitan area under subdivision 4;

Subd. 3. [COMMISSION RECOMMENDATION.] *The legislative commission on waste management shall make recommendations to the standing legislative committees on finance and appropriations about appropriations from the fund.*

Subd. 4. [RESOURCE RECOVERY GRANTS AND LOANS.] *The grant and loan program under this subdivision is administered by the metropolitan council. Grants and loans may be made to any person for resource recovery projects. The grants and loans may include the cost of planning, acquisition of land and equipment, and capital improvements. Grants and loans for planning may not exceed 50 percent of the planning costs. Grants and loans for acquisition of land and equipment and for capital improvements may not exceed 50 percent of the cost of the project. Grants and loans may be made for public education on the need for the resource recovery projects. A grant or loan for land, equipment, or capital improvements may not be made until the metropolitan council has determined the total estimated capital cost of the project and ascertained that full financing of the project is assured. Grants and loans made to cities, counties, or solid waste management districts must be for projects that are in conformance with approved master plans.*

Subd. 5. [LANDFILL ABATEMENT COST RECOVERY.] *By January 31, 1986, and each January 31 afterwards, the director of the agency shall pay each city in the metropolitan area an amount not to exceed 50 cents per household, as defined in section 477A.011, subdivision 3a, for qualifying landfill abatement and resource recovery expenses incurred in the previous calendar year. To qualify under this subdivision, the landfill abatement and resource recovery must be included in the applicable county master plan or approved by the metropolitan council and the city must certify expenses for the landfill abatement and resource recovery. The amounts necessary to make these payments are appropriated from the metropolitan landfill abatement fund to the director of the agency.*

Sec. 75. [473.845] [METROPOLITAN LANDFILL CONTINGENCY ACTION FUND.]

Subdivision 1. [ESTABLISHMENT.] *The metropolitan landfill contingency action fund is created as an account in the state treasury. The fund consists of revenue deposited in the fund under section 73, subdivision 2, clause (b); amounts recovered under subdivision 6; and interest earned on investment of money in the fund.*

Subd. 2. [WATER SUPPLY MONITORING.] *Up to ten percent of the money in the fund may be appropriated to the commissioner of health for water supply monitoring. The commissioner shall monitor the quality of water in public water supply wells in the metropolitan area that may be affected by*

their location in relation to a facility for mixed municipal solid waste. Testing under this subdivision must be for substances not funded under the Federal Safe Drinking Water Act.

Subd. 3. [CLOSURE AND POSTCLOSURE, RESPONSE PAYMENTS.] *Money in the fund may only be appropriated to the agency for expenditure for:*

(1) reasonable and necessary expenses for closure and post-closure care of a mixed municipal solid waste disposal facility in the metropolitan area for a 20-year period after closure, if the agency determines that the operator or owner will not take the necessary actions requested by the agency for closure and postclosure in the manner and within the time requested; or

(2) reasonable and necessary response and postclosure costs at a mixed municipal solid waste disposal facility in the metropolitan area that has been closed for 20 years in compliance with the closure and post closure rules of the agency.

Subd. 4. [COMMISSION RECOMMENDATION.] *The legislative commission on waste management shall make recommendations to the standing legislative committees on finance and appropriations about appropriations from the fund.*

Subd. 5. [DUTY TO PROVIDE INFORMATION.] *The operator or owner of a mixed municipal solid waste disposal facility or a solid waste disposal facility shall provide the necessary information to the agency required by sections 72 to 77 or by agency rules.*

Subd. 6. [ACCESS TO INFORMATION AND PROPERTY.] *The agency or any member, employee, or agent thereof authorized by the agency, upon presentation of credentials, may:*

Subd. 7. [RECOVERY OF EXPENSES.] *When the agency incurs expenses for response actions at a facility, the agency is subrogated to any right of action which the operator or owner of the facility may have against any other person for the recovery of the expenses. The attorney general may bring an action to recover amounts spent by the agency under this section from persons who may be liable for them. Amounts recovered, in-*

cluding money paid under any agreement, stipulation, or settlement must be deposited in the metropolitan landfill contingency action fund.

Subd. 8. [CIVIL PENALTIES.] The civil penalties of section 115.071 apply to any person in violation of this section. All money recovered by the state under any statute or rule related to the regulation of solid waste in the metropolitan area, including civil penalties and money paid under any agreement, stipulation, or settlement, shall be deposited in the fund.

Sec. 76. [473.846] [REPORT TO LEGISLATURE.]

By November 1, 1986, and each year thereafter, the agency and metropolitan council shall submit to the senate finance committee, the house appropriations committee, and the legislative commission on waste management separate reports describing the activities for which money from the landfill abatement and contingency action funds has been spent during the previous fiscal year.

Sec. 77. [473.847] [OPERATOR OR OWNER LIABILITY FOR RESPONSE EXPENSES.]

The operator or owner of a mixed municipal solid waste disposal facility in the metropolitan area is not liable under any other law for response costs incurred by the agency at that facility under section 75, if the facility has been closed for 20 years in compliance with the closure and postclosure rules of the agency. Any provision of this section which relieves the operator or owner of a facility from liability for the payment of the agency's response costs must not be construed to affect the liability of any other person who may be liable for those costs.

Sec. 78. [ORGANIZED COLLECTION STUDY.]

The metropolitan council shall study the need for a system to implement organized collection of residential, commercial, and industrial solid wastes in the metropolitan area. The council shall submit the study to the legislative commission on waste management by June 1, 1985.

Sec. 79. [INSURANCE FEASIBILITY STUDY.]

The waste management board shall conduct a study of the feasibility and desirability of providing insurance for the costs of response actions and third party damages resulting from facilities for the disposal of mixed municipal solid waste. The waste management board shall submit findings, conclusions, and recommendations in a report to the legislative commission on waste management by December 1, 1984.

No loan, loan participation, loan guarantee, or investment covered by this section shall be made without the approval of the office of loan management. This section does not apply to the housing finance agency, the state board of investment, the iron range resources and rehabilitation board, the higher education coordinating board, the higher education facilities authority, the department of agriculture family farm security program, or the energy and economic development authority.

Legislative council members shall be appointed at the commencement of the first year of each regular session for a two year term beginning on January 16 of that year. One member from each house of the legislature shall be a minority member of that body. The provisions of section 15.059, subdivisions 2, 3, and 4, apply to the nonlegislative members of the council. Sec. 10. Minnesota Statutes 1982, section 17A.05, is amended to read:

17A.05 [AMOUNT OF BONDS.]

Each such bond shall be executed on a Packers and Stockyards Act form and shall contain the condition clause applicable when the principal sells on commission. A bond equivalent (IN THE FORM OF A TRUST FUND AGREEMENT) executed in accordance with the Packers and Stockyards Act, 1921, as amended, (7 U.S.C. 181 et seq.) (SHALL BE) is acceptable.

Subd. 2. Each such bond shall contain the condition clause applicable when the principal buys on commission or as a dealer. A livestock dealer's bond shall be executed on a form furnished by the commissioner or in accordance with the Packers and Stockyards Act, 1921, as amended, (7 U.S.C. 181 et seq.).

If the bond is filed on a form in accordance with

the Packers and Stockyards Act, the bond shall cover claimants regardless of place of residence.

Sec. 11. Minnesota Statutes 1983 Supplement, section 17A.06, subdivision 3, is amended to read:

Subd. 3. [(LEGAL) PUBLIC NOTICE.] Prior to a hearing, the commissioner shall (NOTIFY BY CERTIFIED MAIL ALL KNOWN POTENTIAL CLAIMANTS AND) publish a notice setting forth the default of the licensee and requiring all claimants to file proof of claim with the commissioner within (THREE MONTHS) *45 days* of the date such notice is published or be barred from participating in the proceeds of the bond. The commissioner shall also fulfill any notice requirements prescribed by chapter 14 and rules of the office of administrative hearings. No claim shall be allowed unless it is filed with the commissioner within one year of the date of the transaction. If a livestock market agency or livestock dealer has on file a Packers and Stockyards Act bond and is registered with the Packers and Stockyards Administration, the terms of the bond or that federal agency's regulations will control (IN DETERMINING THE TIME FOR FILING CLAIMS).

Sec. 12. Minnesota Statutes 1982, section 17A.07, is amended to read:

17A.07 [PROHIBITED CONDUCT.]

It shall be unlawful for any person to (1) carry on the business of a livestock market agency (OR), livestock dealer, or *public stockyard* without a valid and effective license issued by the commissioner under the provisions of section 17A.04; (2) carry on the business of a livestock market agency or livestock dealer without filing and maintaining a valid and effective surety bond in conformity with sections 17A.04 and 17A.05; (3) carry on the business of a livestock market agency or livestock dealer if he cannot pay his debts as they become due or ceases to pay his debts in the ordinary course of business as they become due; (4) *use or allow to be used any livestock scale or monorail scale which has not been certified and approved for official use or has been found to be inaccurate;* (5) *fail to maintain and operate livestock or monorail scales in a manner to ensure accurate and correct weights;* (6) *weigh livestock or carcasses at other than true and correct weights or issue accounts and records on the basis of inaccurate or incorrect weights;* (7) engage in or use any unfair or deceptive practice or device in connection with marketing of livestock; ((5)) (8) willfully make or cause to be made any false entry or statement of fact in any application, financial

statement or report filed with the department under (THE PROVISIONS OF SECTIONS 17A.04, 17A.05 AND 17A.08) *this chapter.*

Sec. 13. Minnesota Statutes 1982, section 17A.10, is amended to read:

17A.10 [(PACKING PLANTS,) LIVESTOCK (MARKET AGENCIES) SCALES AND (STOCKYARDS; WEIGHERS) WEIGHING.]

Subdivision 1. [COMMERCIAL LIVESTOCK SCALES.] All livestock scales and monorail scales used for the purpose of buying or selling livestock or livestock carcasses within the state must meet the construction, maintenance, testing, and certification requirements of the division of weights and measures of the department of public service, and be in compliance with the scales and weighing regulations of the Packers and Stockyards Administration of the United States Department of Agriculture and be tested and certified by the state division of weights and measures. The division of weights and measures or an authorized scale company shall test all livestock scales at least twice per year. The department of agriculture may perform scale maintenance inspections at least twice per year at intervals that will provide alternate testing or inspection of each scale every 90 days. Special tests may be required as necessary. The basic maintenance tolerance for livestock scales is one pound per 1,000 pounds of test load. The responsibility for compliance of a scale with these requirements rests with the owner or manager of the scale.

Subd. 2. [STATE LIVESTOCK WEIGHMASTERS.] The commissioner shall appoint (AT PUBLIC STOCKYARDS, PACKING PLANTS, SLAUGHTERING HOUSES, BUYING STATIONS, OR LIVESTOCK MARKET AGENCIES WHERE THE AVERAGE DAILY NUMBER OF LIVESTOCK WEIGHED FOR THE PURPOSE OF ESTABLISHING A BASIS FOR SALE IS 500 HEAD OR MORE, AND THE COMMISSIONER MAY APPOINT) state employees as necessary to provide state weighing service at public stockyards, packing plants, slaughtering houses, buying stations, or livestock market agencies on application from (SUCH FACILITIES WHERE THE AVERAGE DAILY NUMBER OF LIVESTOCK WEIGHED FOR THE PURPOSE OF ESTABLISHING A BASIS FOR SALE IS LESS THAN 500 HEAD. SUCH WEIGHERS AS MAY BE NECESSARY FOR WEIGHING LIVESTOCK, PROVIDED THAT NO WEIGHERS SHALL BE REQUIRED AT FACILITIES WHERE THE ONLY LIVESTOCK HANDLED HAS BEEN PREVIOUSLY PURCHASED OR ACQUIRED, AND TITLE OR TERMS OF OWNERSHIP ALREADY ESTABLISHED. THE COMMISSIONER SHALL PRESCRIBE AND FOLLOW SUCH REASONABLE REGULATIONS AS HE DEEMS NECESSARY FOR DETERMIN-

ING SUCH DAILY AVERAGE. SUCH WEIGHERS) *the business entity requesting official state livestock weighing. State livestock weighmasters shall weigh all livestock coming to these places for sale, (AND) keep a record (THEREOF. UPON REQUEST, THE WEIGHERS SHALL) of the weights, and furnish the interested parties a certificate (SETTING FORTH) of state weight stating the number of animals weighed and the (ACTUAL) weight of (SUCH ANIMAL OR) the animals. (SUCH) The certificate (SHALL BE) is prima facie evidence of the facts (THEREIN) certified. (THE SCALES AT ALL SUCH PLACES ON WHICH LIVESTOCK IS WEIGHED SHALL BE CONSTRUCTED AND MAINTAINED IN ACCORDANCE WITH THE REQUIREMENTS OF THE STATE DIVISION OF WEIGHTS AND MEASURES, AND BE TESTED UP TO THE MAXIMUM DRAFT THAT MAY BE WEIGHED THEREON, AT LEAST ONCE EVERY 90 DAYS, AND BE IN COMPLIANCE WITH ALL THE STATUTORY REQUIREMENTS AND REGULATIONS ADOPTED BY THE STATE DIVISION OF WEIGHTS AND MEASURES PERTAINING TO LIVESTOCK SCALES AND WEIGHING.) An application for official state livestock weighing constitutes an agreement between the business entity requesting state weighing and the commissioner. The agreement is for one year beginning July 1 and ending the following June 30. The agreement automatically renews each year unless the average daily number of livestock weighed falls below 500 head, in which case the business entity must give the commissioner a written notice of intent to terminate at least 90 days prior to July 1. Otherwise the commissioner shall continue to provide state weighing services in accordance with this chapter.*

State weighing service that exists on January 1, 1984, may not be terminated except as provided in this subdivision.

Subd. 3. [REQUEST BY PETITION.] Sellers of record of any weighing station employing one or more public livestock weighers may request by petition state livestock weighmasters. The commissioner shall, upon a petition signed by at least five percent of the sellers of record from the previous 12-month period submit to all sellers of record from the previous 12-month period the question of requiring state livestock weighmasters at the weighing station. The question on the ballot shall be stated substantially as follows:

"Shall state livestock weighmasters be required at weighing station?"

If the majority of the votes cast on the proposition is in the positive, the commissioner shall appoint state livestock weighmasters to the weighing station as necessary.

Subd. 4. [SUPERVISION AND ENFORCEMENT.] State livestock weighmasters have charge over the scales on which of-

official certificates of state weight are issued to ensure compliance with scale maintenance and testing requirements and proper weighing procedures.

The commissioner shall appoint law compliance personnel as necessary to provide maintenance inspections, check-weighing, comparison weighing, and record audits and to investigate complaints in order to enforce this chapter.

The regulations pertaining to livestock and monorail scales adopted by the Packers and Stockyards Administration of the United States Department of Agriculture are applicable in Minnesota, and a memorandum of understanding with the Packers and Stockyards Administration provides for a cooperative state and federal enforcement program.

Sec. 14. Minnesota Statutes 1982, section 17A.11, is amended to read:

17A.11 [FEES FOR LIVESTOCK WEIGHING.]

The commissioner shall prescribe the fee necessary to cover the cost of (SUCH) *state weighing*, to be assessed and collected from the seller in (SUCH) *the manner* (AS) the commissioner may prescribe (; PROVIDED, THAT). *The fee prescribed by the commissioner shall not exceed the fee in effect on March 1, 1984.* The fee assessed *must* be the same, and the manner of collection (THEREOF) *of the fee must* be uniform at all facilities (, AND PROVIDED, FURTHER, THAT IF). At any location, except a public stockyard, where *state weighing* is performed in accordance with (LAWS 1974, CHAPTER 347) *this chapter* and the total annual fees collected are insufficient to pay the cost of (SUCH) *the weighing*, the annual deficit shall be assessed and collected in (SUCH) *the manner* (AS) the commissioner may prescribe. Additional (MONEYS) *money* arising from the weighing of animals by the commissioner, which (HAVE) *has* been collected and retained by any person, shall be paid on demand to the commissioner. All (MONEYS) *money* collected by the commissioner shall be deposited in the state treasury and credited to the livestock weighing fund, and shall be paid out only on the order of the commissioner and the state's warrant.

Sec. 15. Minnesota Statutes 1982, section 17A.12, is amended to read:

17A.12 [QUALIFICATIONS.]

No (WEIGHER) *state livestock weighmaster* shall, during (HIS) *the weighmaster's* term of service, be in any manner financially interested in the handling, shipping, purchase, or sale of livestock (, NOR) *or* in the employment of any person engaged therein.

Sec. 16. [17A.17] [AUDIT BY DEPARTMENT.]

The department may audit records, including incoming purchase records of a livestock packer and shipping weights or transfer of weight invoices, in order to ensure there are no weight discrepancies in hot weight or grade and yield transactions.

Sec. 17. Minnesota Statutes 1982, section 31.11, is amended to read:

31.11 [RULES (AND REGULATIONS).]

For the purpose of preventing fraud and deception in the manufacture, use, sale, and transportation of food, or for the purpose of protecting and preserving the public health, it shall also be the duty of the commissioner to (MAKE AND PUBLISH UNIFORM) *adopt temporary or permanent* rules (AND REGULATIONS), not inconsistent with law, for carrying out and enforcing the provisions of laws now or hereafter enacted relating to food; which rules (AND REGULATIONS) shall be made in the manner provided by law. Until such rules (AND REGULATIONS) are made and published, the rules (AND REGULATIONS) heretofore made by the commissioner shall remain in full force and effect, except as otherwise prescribed by law. Any person who shall manufacture, use, sell, transport, offer for use, sale or transportation, or have in possession with intent to use, sell or transport, any article of food contrary to the provisions of any such rule (OR REGULATION), or who shall fail to comply with any such rule (OR REGULATION), shall be guilty of a misdemeanor.

Sec. 18. Minnesota Statutes 1983 Supplement, section 32.417, is amended to read:

32.417 [INVESTMENT REIMBURSEMENTS TO MANUFACTURED MILK PRODUCERS.]

An operator of a dairy farm that produces milk for sale in cans may apply for a reimbursement in the amount of \$100 for the first \$500 or fraction thereof, and ten percent of the next \$2,000, of the net expenditures by the operator for any capital improvements or equipment installed primarily for the purpose of conforming to the standards adopted in section 32.415. (NO) *An investment reimbursement (MAY) shall be made to an applicant (UNLESS) as soon as practicable after:*

(a) the applicant provides receipts for the expenditures;

(b) a dairy inspector authorized by the commissioner certifies that the applicant's dairy operation complies with the stan-

dards adopted in section 32.415 as a result of the installation of the improvements or equipment; and

(c) *the applicant provides a signed statement asserting that expenditures for the improvements and equipment were made on or after the effective date of this section but before (JULY 1) April 20, 1985.*

The commissioner shall provide (AN) *to the operator of each dairy farm that produces milk for sale in cans a simple application form for the reimbursement (PROGRAM) provided by this section. (BY JANUARY 1, 1984, THE COMMISSIONER SHALL ADOPT TEMPORARY RULES UNDER SECTIONS 14.29 TO 14.36 WHICH PROVIDE REIMBURSEMENT APPLICATION AND PAYMENT PROCEDURES, AND ELIGIBILITY CRITERIA BASED ON AN APPLICANT'S NEED FOR A REIMBURSEMENT. NOTWITHSTANDING THE PROVISIONS OF SECTION 14.35, THE RULES SHALL BE EFFECTIVE UNTIL JULY 1, 1985. NO REIMBURSEMENT APPLICATION MAY BE APPROVED AFTER JUNE 30, 1985). The department shall accept applications for the investment reimbursement program until April 30, 1985.*

Sec. 19. Minnesota Statutes 1982, section 41.56, subdivision 3, is amended to read:

Subd. 3. [DEFAULT, FILING CLAIM.] (a) *Within 90 days (OF) after a default on a guaranteed family farm security loan, the lender shall send notice to the applicant stating that the commissioner must be notified if the default continues for 180 days, and the consequences of that default. The lender and the applicant may agree to take any steps reasonable to assure the fulfillment of the loan obligation.*

(b) *If the participant who is an applicant proves to the commissioner that he cannot meet scheduled loan payments due to circumstances of a unique or temporary nature and the participant provides evidence to the commissioner that sufficient cash flow can be generated in the future to fully meet all needs, the commissioner may use funds in the special account under section 41.61, subdivision 1, to pay the applicant's loan obligation for not more than two consecutive years. The funds paid by the commissioner must be paid back to the fund within five years with interest charged at the rate of four percent below the prevailing Federal Land Bank rates.*

(c) *After 180 days from the initial default, if the applicant has not made arrangements to meet his obligation, the lender shall file a claim with the commissioner, identifying the loan and the nature of the default, and assigning to the state all of the lender's security and interest in the loan in exchange for payment according to the terms of the family farm security loan guarantee. In the case of a seller-sponsored loan, the seller may*

elect to pay the commissioner all sums owed the commissioner by the applicant and retain title to the property in lieu of payment by the commissioner under the terms of the loan guarantee. If the commissioner determines that the terms of the family farm security loan guarantee have been met, he shall authorize payment of state funds to the lender, and shall notify the defaulting party. The state of Minnesota shall then succeed to the interest of the mortgagee or the vendor of the contract for deed. Taxes shall be levied and paid on the land as though the owner were a natural person and not a political subdivision of the state. The commissioner may, on behalf of the state, commence foreclosure or termination proceedings in the manner provided by law.

Sec. 20. [GREEN PRAIRIE; CERTAIN POWERS.]

The town of Green Prairie in Morrison County may exercise the powers set out in Minnesota Statutes, section 368.01, subdivisions 14, 15, 16, 19, 21, 22, and 29.

Sec. 21. Minnesota Statutes 1983 Supplement, section 38.02, subdivision 1, is amended to read:

Subdivision 1. [PRO RATA DISTRIBUTION; CONDITIONS.] (1) Money appropriated to aid county and district agricultural societies and associations shall be distributed among all county and district agricultural societies or associations in the state pro rata, upon condition that each of them has complied with the conditions specified in clause (2).

(2) To be eligible to participate in such distribution, each such agricultural society or association (a) shall have held an annual fair for each of the three years last past, unless prevented from doing so because of a calamity or an epidemic declared by the local board of health or the state commissioner of health to exist; (b) shall have an annual membership of 25 or more; (c) shall have paid out to exhibitors for premiums awarded at the last fair held a sum not less than the amount to be received from the state; (d) shall have published and distributed not less than three weeks before the opening day of the fair a premium list, listing all items or articles on which premiums are offered and the amounts of such premiums and shall have paid premiums pursuant to the amount shown for each article or item to be exhibited; provided that premiums for school exhibits may be advertised in the published premium list by reference to a school premium list prepared and circulated during the preceding school year; and shall have collected all fees charged for entering an exhibit at the time the entry was made and in accordance with schedule of entry fees to be charged as published in the premium list; (e) shall have paid not more than one premium on each article or item exhibited, excluding championship or sweepstake awards, and excluding the payment of open class premium awards to 4H Club exhibits which at this same fair had won a first prize award in regular 4H Club competition; (f) shall have

(3) All payments authorized under the provisions of this chapter shall be made only upon the presentation by the commissioner of agriculture with the commissioner of finance of a statement of premium allocations. As used herein the term premium shall mean the cash award paid to an exhibitor for the merit of an exhibit of livestock, livestock products, grains, fruits, flowers, vegetables, articles of domestic science, handicrafts, hobbies, fine arts, and articles made by school pupils, or the cash award paid to the merit winner of events such as 4H Club or Future Farmer Contest, Youth Group Contests, school spelling contests and school current events contests, the award corresponding to the amount offered in the advertised premium list referred to in schedule 2. Payments of awards for horse races, ball games, musical contests, talent contests, parades, and for amusement features for which admission is charged, are specifically excluded from consideration as premiums within the meaning of that term as used herein. Upon receipt of the statement by the commissioner of agriculture, it shall be the duty of the commissioner of finance to draw his voucher in favor of the agricultural society or association for the amount to which it is entitled under the provisions of this chapter, which amount shall be computed as follows: On the first \$750 premiums paid by each society or association, such society or association shall receive 100 percent reimbursement; on the second \$750 premiums paid, 80 percent; on the third \$750 premiums paid, 60 percent; and on any sum in excess of \$2,250, 40 percent.

(4) If the total amount of state aid to which the agricultural societies and associations are entitled under the provisions of this chapter exceeds the amount of the appropriation therefor, the amounts to which the societies or associations are entitled shall be pro rated so that the total payments by the state will not exceed the appropriation.

Sec. 22. Minnesota Statutes 1983 Supplement, section 38.02, subdivision 3, is amended to read:

Subd. 3. [CERTIFICATION, COMMISSIONER OF AGRICULTURE.] Any county or district agricultural society which has held its second annual fair is entitled to share pro rata in the distribution. The commissioner of agriculture shall certify to the secretary of the state agricultural society, within 30 days after payments have been made, a list of all county or district agricultural societies that have complied with this chapter, and which are entitled to share in the appropriation. All payments shall be made (WITHIN THREE MONTHS AFTER THE AGRICULTURAL SOCIETIES SUBMITTED THEIR REPORTS UNDER SUBDIVISION 1, CLAUSE (2)(F)) *on or*

before December 20 of the year in which the fair is held or within 30 days after all societies have submitted their annual report to the commissioner of agriculture, whichever is later.

Sec. 23. [121.60] [MILK IN SCHOOLS PROGRAM; CITATION.]

Sections 23 to 28 may be cited as the Minnesota Milk In Schools Act.

Sec. 24. [121.61] [MILK IN SCHOOLS PROGRAM.]

Subdivision 1. [ADMINISTRATION.] The Minnesota milk in schools program created by this act shall be administered by the commissioner of education or designee. The state board of education may adopt rules and temporary rules for operation of the program. No temporary rules promulgated to initiate the program may remain in effect for more than 360 days after the effective date of this act. The Minnesota milk in schools program shall be coordinated with federal milk and school lunch programs operated by the department of education.

Subd. 2. [ELIGIBLE SCHOOLS.] "Eligible schools" means public school districts and nonpublic schools which operate educational programs for students in kindergarten through grade six. Sec. 3. Minnesota Statutes 1982, section 429.031, subdivision 3, is amended to read:

Subd. 3. [PETITION BY ALL OWNERS.] Whenever all owners of real property abutting upon any street named as the location of any improvement shall petition the council to construct the improvement and to assess the entire cost against their property, the council may, without a public hearing, adopt a resolution determining such fact and ordering the improvement. The validity of the resolution shall not be questioned by any taxpayer or property owner or the municipality unless an action for that purpose is commenced within 30 days after adoption of the resolution as provided in section 429.036. Nothing herein prevents any property owner from questioning the amount or validity of the special assessment against his property pursuant to section 429.081. *In the case of a petition for the installation of a fire protection or a pedestrian skyway system, the petition must contain or be accompanied by an undertaking satisfactory to the city by the petitioner that the petitioner will grant the municipality the necessary property interest in the building to permit the city to enter upon the property and the building to construct, maintain, and operate the fire protection or pedestrian skyway system. In the case of a petition for the installation of a fire protection or pedestrian skyway system which will be privately owned, the petition shall also contain the plans and specifications for the improvement, the estimated cost of the improvement and a statement indicating whether the city or the owner will contract for the construction of the improvement. If the owner is contracting for the construction of the improvement, the city shall not approve the petition until it has reviewed and approved the plans, specifications, and cost estimates contained in the petition. The construction cost financed under section 429.091 shall not exceed the amount of the cost estimate contained in the petition. In the case of a petition for the installation of a fire protection or a pedestrian skyway system, the petitioner may request abandonment of the improvement at any time after it has been ordered pursuant to subdivision 1 and before contracts have been awarded for the construction of the improvement under section 429.041, subdivision 2. If such a request is received, the city council shall abandon the proceedings but in such case the petitioner shall reimburse the city for any and all expenses incurred by the city in connection with the improvement.*

Sec. 4. Minnesota Statutes 1982, section 429.091, subdivision 2, is amended to read:

Subd. 2. [TYPES OF OBLIGATIONS PERMITTED.] *Except for bonds issued for a pedestrian skyway system, the council may by resolution adopted prior to the sale of obligations pledge the full faith, credit, and taxing power of the municipality for the payment of the principal and interest. Such obligations shall be called improvement bonds and the council shall pay the*

principal and interest out of any fund of the municipality when the amount credited to the specified fund is insufficient for the purpose and shall each year levy a sufficient amount to take care of accumulated or anticipated deficiencies, which levy shall not be subject to any statutory or charter tax limitation. Obligations for the payment of which the full faith and credit of the municipality is not pledged shall be called improvement warrants or, in the case of bonds for fire protection or pedestrian skyway systems, revenue bonds and shall contain a promise to pay solely out of the proper special fund or funds pledged to their payment. It shall be the duty of the municipal treasurer to pay maturing principal and interest on warrants or revenue bonds out of funds on hand in the proper (SPECIAL FUND) funds and not otherwise.

Sec. 5. Minnesota Statutes 1982, section 429.101, subdivision 1, is amended to read:

Sec. 6. Minnesota Statutes 1982, section 462.441, is amended to read:

462.441 [POWERS; QUORUM; OFFICERS; MEETING; COMPENSATION; EXPENSES.]

The powers of each authority shall be vested in the commissioners thereof in office at any time; a majority of whom shall constitute a quorum for all purposes. Each authority shall select a chairman and a secretary from among its commissioners and shall adopt such bylaws and other rules for the conduct of its affairs as it deems appropriate. The regular meetings of an authority shall be held in a fixed place and shall be open to the public. Each commissioner shall be entitled to receive necessary expenses, including traveling expenses, incurred in the performance of his duties. Each commissioner may be paid for attending meetings of the authority, regular and special (\$25) \$35 per meeting, the aggregate of all payments to each such commissioner for any one year not to exceed, however, (\$1,500) \$2,500.

Sec. 7. Minnesota Statutes 1982, section 462.461, subdivision 1, is amended to read:

Subdivision 1. All construction work, and work of demolition or clearing, and every purchase of equipment, supplies, or materials, necessary in carrying out the purposes of sections 462.415 to 462.705, that shall involve the expenditure of (\$5,000) \$15,000 or more shall be awarded by contract as hereinafter provided. Before receiving bids under the provisions of these sections the authority shall publish, once a week for two consecutive weeks in an official newspaper of general circulation in the community a notice that bids will be received for that construction work, or that purchase of equipment, supplies, or materials, stating the nature of the work and the terms and conditions upon which the contract is to be let, naming therein a time and place where bids will be received, opened and read publicly, which time shall be not less than seven days after the date of the last publication. After the bids have been duly received, opened and read publicly and recorded, the authority shall award the contract to the lowest responsible bidder, the authority reserving the right, however, to reject any or all bids, each such contract to be duly executed in writing, and the person to whom the contract is awarded shall give sufficient bond to the authority for its faithful performance. If no satisfactory bid is received, the authority may readvertise. The authority shall have the right to set up

reasonable qualifications to determine the fitness and responsibility of bidders and to require bidders to meet such qualifications before bids are accepted.

Sec. 8. Minnesota Statutes 1982, section 462.461, subdivision 2, is amended to read:

Subd. 2. If the authority by an affirmative vote of four-fifths of its members shall declare that an emergency exists requiring the immediate purchase of any equipment or material or supplies at a cost in excess of (\$5,000) \$15,000, but not exceeding (\$10,000) \$30,000 in amount, or making of emergency repairs, it shall not be necessary to advertise for bids, but the material, equipment, or supplies may be purchased in the open market at the lowest price obtainable, or the emergency repairs may be contracted for or performed without securing formal competitive bids. An emergency, as considered in sections 462.415 to 462.705, shall be understood to be unforeseen circumstances or conditions which result in the placing in jeopardy of human life or property.

Sec. 9. Minnesota Statutes 1982, section 462.461, subdivision 3, is amended to read:

Subd. 3. Bonds shall be required from contractors for any works of construction as provided in and subject to all the provisions of (MINNESOTA STATUTES 1945,) sections 574.26 to 574.31. *Sections 574.21 to 574.31 and this subdivision do not apply to contracts entered into by an authority for an expenditure of less than \$15,000.*

Sec. 10. Minnesota Statutes 1982, section 462C.09, is amended by adding a subdivision to read:

Subd. 2a. [1985 CITY ALLOCATION.] *Notwithstanding the allocation provisions of subdivision 2, this subdivision applies to the January 1985 allocations. Unless otherwise authorized by law, a city that intends to issue during the calendar year 1985 mortgage revenue bonds that are subject to the volume limitation imposed by section 103A(g) of the Internal Revenue Code of 1954, as amended through March 1, 1983, shall by January 2, 1985 submit to the Minnesota housing finance agency a program that will use a portion of the state mortgage revenue bond ceiling. The total amount of bonds included in all programs submitted pursuant to this subdivision by a city may not exceed \$10,000,000. Each program shall be accompanied by a certificate from the city that states that the revenue bond issue is feasible. By February 1, the Minnesota housing finance agency shall review each program pursuant to section 462C.04, subdivision 2. The Minnesota housing finance agency shall approve all programs that the agency determines are consistent with this chapter, and that meet the following conditions:*

(a) all of the loans must be reserved for a period of not less than six months for persons and families whose adjusted family income is below 80 percent of the limits on adjusted gross income provided in section 462C.03, subdivision 2; and

(b) loans must be made only to finance homes that are serviced by municipal water and sewer utilities; provided that if the approval of all programs would result in an allocation to cities in excess of 27-1/2 percent of the state ceiling for the calendar year 1985, reduced by the amount of bonds that are allocated by law to specified cities, the Minnesota housing finance agency shall approve programs that are submitted by a city which meets any of the following three criteria: (1) a city of the first class, or (2) a city that did not receive an allocation under this subdivision during the preceding two calendar years, or (3) a group of cities that plan to jointly issue bonds for the program provided further that if approval of all of the programs submitted by cities that meet one or more of the criteria in (1), (2), or (3) would result in a total allocation to cities in excess of the portion of the state ceiling available for allocation, then from among those programs the agency shall select by lot the programs to be approved. If a portion of the state ceiling remains unallocated after the agency has approved all programs submitted by cities that meet one or more of the criteria in (1), (2), or (3), the Minnesota housing finance agency shall select by lot from among the remaining programs the programs to be approved. The Minnesota housing finance agency shall determine if a program meets the conditions in clauses (a) and (b) based solely upon the program with accompanying information submitted to the agency. Approval of a program shall constitute an allocation of a portion of the state ceiling for mortgage revenue bonds equal to the proposed bond issue or issues contained in the program, provided that the allocation for the last selected program that receives an allocation may be equal to or less than the amount of the bond issue or issues proposed in the program.

If a city which received an allocation pursuant to this subdivision, or which has been allocated a portion of the state ceiling by law and has received approval of one or more programs, has not issued bonds by September 1 in an amount equal to the allocation, and the city intends to issue mortgage revenue bonds prior to the end of the calendar year, the city shall by September 1 submit to the Minnesota housing finance agency for each program a letter that states the city's intent to issue the mortgage revenue bonds prior to the end of the calendar year. If the Minnesota housing finance agency does not receive the letter from the city, then the allocation of the state ceiling for that program shall expire on September 1, and the applicable limit for the Minnesota housing finance agency shall be increased by an amount equal to the unused portion of the allocation to the city. A city referred to in subdivision 1, clause (i), shall not be required to apply under this subdivision with respect to bonds allocated by law to any such city. Nothing in this subdivision

shall prevent any such city from applying for an additional allocation of bonds under this subdivision.

Sec. 11. Minnesota Statutes 1983 Supplement, section 474.03, subdivision 3, is amended to read:

Subd. 3. [REVENUE BONDS.] It may issue revenue bonds, in anticipation of the collection of revenues of (THE) a project to be situated within the state, whether wholly or partially within or without the municipality or redevelopment agency, to finance, in whole or in part, the cost of the acquisition, construction, reconstruction, improvement, betterment, or extension thereof.

Sec. 12. Minnesota Statutes 1982, section 641.24, is amended to read:

641.24 [LEASING.]

The county may, by resolution of the county board, enter into a lease agreement with any statutory or home rule charter city situated within the county, or a county housing and redevelopment authority established pursuant to chapter 462 or any special law whereby the city or county housing and redevelopment authority will construct a (COUNTY) jail in accordance with plans prepared by or at the request of the county board and approved by the commissioner of corrections and will finance it by the issuance of revenue bonds, and the county (WILL) may lease the jail site and improvements for a term and upon rentals sufficient to produce revenue for the prompt payment of the bonds and all interest accruing thereon and, upon completion of payment, will acquire title thereto. The real and personal property acquired for the jail shall constitute a project and the lease agreement shall constitute a revenue agreement as contemplated in chapter 474, and all proceedings shall be taken by the city or county housing and redevelopment authority and the county in the manner and with the force and effect provided in chapter 474; provided that:

(1) No tax shall be imposed upon or in lieu of a tax upon the property;

(2) The approval of the project by the commissioner of securities and real estate shall not be required;

(3) The department of corrections shall be furnished and shall record such information concerning each project as it may prescribe, in lieu of reports required on other projects to the commissioner of energy, planning and development;

(4) The rentals required to be paid under the lease agreement shall not exceed in any year four-tenths of one percent of

the assessed value of property within the county, as last finally equalized before the execution of the agreement;

(5) The county board shall provide for the payment of all rentals due during the term of the lease, in the manner required in section 641.264, subdivision 2; (AND)

(6) No mortgage on the jail property shall be granted for the security of the bonds, but compliance with clause (5) hereof may be enforced as a nondiscretionary duty of the county board; and

(7) *The county board may sublease any part of the jail property for purposes consistent with the maintenance and operation of a county jail.*

Sec. 13. Minnesota Statutes 1982, section 641.264, subdivision 1, is amended to read:

Subdivision 1. [CAPITAL IMPROVEMENTS; BOND ISSUES AND LEASES.] The construction or acquisition, the equipping, and subsequent improvement of a county regional jail may be financed in whole or in part by the issuance of general obligation bonds of the cooperating counties in the manner provided in section 641.23 or by the issuance of revenue bonds of a city situated in one of the counties or with the approval of the board of county commissioners of each cooperating county a county housing and redevelopment authority established pursuant to chapter 462 or special law, secured by a lease agreement in the manner provided in chapter 474 and in sections 641.24 and 641.263, subdivision 2. Proceedings for the issuance of general obligation bonds shall be instituted by the board of county commissioners of each cooperating county. The regional jail board, with the approval of the county board of each cooperating county, shall fix the total amount necessary to be raised for the construction or acquisition, the equipping, and subsequent improvement of a regional jail, and shall apportion to each county in the manner provided in subdivision 2 the share of this amount, or of annual debt service or lease rentals required to pay this amount with interest, which is to be raised by the county.

Sec. 14. [BLUE HILL; POWERS.]

Subdivision 1. [EXERCISE OF POWERS.] *The town of Blue Hill in Sherburne County may exercise the powers set out in Minnesota Statutes, section 368.01.*

Subd. 2. [EFFECTIVE DATE.] *This section is effective the day after the town board of Blue Hill complies with Minnesota Statutes, section 645.021, subdivision 3.*

Sec. 15. [EFFECTIVE DATE.]

Sections 1 to 13 are effective the day following final enactment."

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1628, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1628 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 245.783, is amended by adding a subdivision to read:

Subd. 7. When issuing new licenses pursuant to this section, the commissioner shall implement a policy preference for residential facilities serving less than 17 individuals who are mentally retarded.

Sec. 2. Minnesota Statutes 1982, section 245.812, is amended by adding a subdivision to read:

Subd. 2a. It is the policy of this state that handicapped persons and children should not be excluded by municipal zoning ordinances or other land use regulations from the benefits of normal residential surroundings.

Sec. 3. Minnesota Statutes 1982, section 245.812, subdivision 3, is amended to read:

Subd. 3. A licensed residential facility serving six or fewer persons or a licensed day care facility serving (TEN) 12 or fewer persons shall be considered a permitted single family residential use of property for the purposes of zoning.

Sec. 4. Minnesota Statutes 1982, section 245.812, subdivision 4, is amended to read:

Subd. 4. Unless otherwise provided in any town, municipal or county zoning regulation, a licensed (DAY CARE OR) residential facility serving from seven through sixteen persons or a licensed day care facility serving from 13 through 16 persons shall be considered a permitted multi-family residential use of property for purposes of zoning. A township, municipal or county zoning authority may require a conditional use or special use permit in order to assure proper maintenance and operation of a facility, provided that no conditions shall be imposed on the (HOMES) facility which are more restrictive than those

imposed on other conditional uses or special uses of residential property in the same zones, unless such additional conditions are necessary to protect the health and safety of the residents of the facility. Nothing herein shall be construed to exclude or prohibit residential (HOMES) or day care facilities from single family zones if otherwise permitted by a local zoning regulation.

Sec. 5. Minnesota Statutes 1982, section 245.812, subdivision 7, is amended to read:

Subd. 7. (a) Residential facilities for adult mentally ill persons established on or before July 1, 1980, are exempt from the requirements of this section until July 1, (1984) 1985. (THE COMMISSIONER SHALL DEVELOP A MECHANISM FOR ENSURING FULL COMPLIANCE WITH THIS SECTION BY RESIDENTIAL FACILITIES FOR ADULT MENTALLY ILL PERSONS BY JULY 1, 1984.)

(b) Before January 1, 1985, each county having one or more group residential facilities within 1,320 feet of any existing group residential facility shall submit to the department of public welfare a plan to promote dispersal of group residential facilities. In formulating its plan, the county shall solicit the participation of affected persons, facilities, municipalities having highly concentrated residential facility populations, and advocacy groups. For purposes of this subdivision, "highly concentrated" means having a population in residential facilities serving seven or more persons that exceeds one-half of one percent of the population of a recognized planning district or other administrative subdivision.

(c) Within 45 days after submission of the plan by the county, the commissioner shall certify whether the plan fulfills the purposes and requirements of this subdivision including the following requirements.

(1) No new facility serving seven or more persons shall be located in any recognized planning district or other administrative subdivision where the population in residential facilities is highly concentrated.

(2) The county plan shall promote dispersal of highly concentrated residential facility populations.

(3) The county plan shall promote the development of residential facilities in areas that are not highly concentrated.

(4) No person in a residential facility shall be displaced as a result of this section until a relocation plan has been implemented that provides for an acceptable alternative placement.

(5) If the plan provides for the relocation of residential facilities, the relocation shall be completed by January 1, 1990.

If the commissioner certifies that the plan does not do so, he shall state the reasons, and the county shall have 30 days to submit a plan amended to comply with the requirements of the commissioner.

(d) After July 1, 1985, the commissioner may reduce grants pursuant to section 245.73 to a county required to have an approved plan under clause (b) if the county does not have a plan approved by the commissioner. The county board has the right to be provided with advance notice and to appeal the commissioner's decision. If the county requests a hearing within 30 days of the notification of intent to reduce grants, the commissioner shall not certify any reduction in grants until a hearing is conducted and a decision rendered in accordance with the contested case provisions of chapter 14.

Sec. 6. Minnesota Statutes 1982, section 462.357, is amended by adding a subdivision to read:

Subd. 6a. It is the policy of this state that handicapped persons and children should not be excluded by municipal zoning ordinances or other land use regulations from the benefits of normal residential surroundings. For purposes of subdivisions 6a through 9, "person" has the meaning given in section 245.782, subdivision 2.

Sec. 7. Minnesota Statutes 1982, section 462.357, subdivision 7, is amended to read:

Subd. 7. [PERMITTED SINGLE FAMILY USE.] (IN ORDER TO IMPLEMENT THE POLICY OF THIS STATE THAT MENTALLY RETARDED AND PHYSICALLY HANDICAPPED PERSONS SHOULD NOT BE EXCLUDED BY MUNICIPAL ZONING ORDINANCES FROM THE BENEFITS OF NORMAL RESIDENTIAL SURROUNDINGS.) A state licensed (GROUP HOME OR FOSTER HOME) residential facility serving six or fewer (MENTALLY RETARDED OR PHYSICALLY HANDICAPPED) persons or a licensed day care facility serving 12 or fewer persons shall be considered a permitted single family residential use of property for the purposes of zoning.

Sec. 8. Minnesota Statutes 1982, section 462.357, subdivision 8, is amended to read:

Subd. 8. [PERMITTED MULTI-FAMILY USE.] Unless otherwise provided in any town, municipal or county zoning regulation as authorized by this subdivision, a state licensed residential facility serving from 7 through 16 (MENTALLY RETARDED OR PHYSICALLY HANDICAPPED) persons or a licensed day care facility serving from 13 through 16 persons shall be considered a permitted multi-family residential use of property for purposes of zoning. A township, municipal or county zoning authority may require a conditional use

or special use permit in order to assure proper maintenance and operation of a facility, provided that no conditions shall be imposed on the (HOMES) facility which are more restrictive than those imposed on other conditional uses or special uses of residential property in the same zones, unless the additional conditions are necessary to protect the health and safety of the residents of the residential facility (FOR THE MENTALLY RETARDED OR THE PHYSICALLY HANDICAPPED). Nothing herein shall be construed to exclude or prohibit residential (HOMES FOR THE MENTALLY RETARDED OR PHYSICALLY HANDICAPPED) or day care facilities from single family zones if otherwise permitted by a local zoning regulation.

Sec. 9. [EFFECTIVE DATE.]

Sections 1 to 8 are effective the day after final enactment."

The Honorable Jerome M. Hughes

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1563, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1563 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1983 Supplement, section 150A.08, subdivision 8, is amended to read:

Subd. 8. [SUSPENSION OF LICENSE.] In addition to any other remedy provided by law, the board may, through its designated board members pursuant to section 214.10, subdivision 2, temporarily suspend a license or registration without a hearing if the board finds that the licensee or registrant has violated a statute or rule which the board is empowered to enforce and continued practice by the licensee or registrant would create an imminent risk of harm to others. The suspension shall take effect upon written notice to the licensee or registrant served by first class mail specifying the statute or rule violated, and the

time, date, and place of the hearing before the board. If the notice is returned by the post office, the notice shall be effective upon reasonable attempts to locate and serve the licensee or registrant. Within ten days of service of the notice, the board shall hold a hearing before its own members on the sole issue of whether there is a reasonable basis to continue, modify, or lift the suspension. Evidence presented by the board, licensee, or registrant, shall be in affidavit form only. The licensee or registrant or his counsel may appear for oral argument. Within five working days after the hearing, the board shall issue its order and, if the suspension is continued, the board shall schedule a disciplinary hearing to be held pursuant to the Administrative Procedure Act within 45 days of issuance of the order. The hearing examiner shall issue a report within 30 days of the closing of the contested case hearing record. The board shall issue a final order within 30 days of receiving that report. *The board may allow a person who was licensed by any state to practice dentistry and whose license has been suspended to practice dentistry under the supervision of a licensed dentist for the purpose of demonstrating his or her competence and eligibility for reinstatement.*

PROGRAM ESTABLISHED PURSUANT TO CHAPTER 178, WHICH LIMITS PARTICIPATION TO PERSONS WHO ENTER THE PROGRAM PRIOR TO SOME SPECIFIED AGE AND THE TRADE INVOLVED IN THE PROGRAM PREDOMINANTLY INVOLVES HEAVY PHYSICAL LABOR OR WORK ON HIGH STRUCTURES. AFTER JANUARY 1, 1984, THESE AGE RESTRICTIONS ARE EXEMPT FROM THE PROVISIONS OF SECTION 363.03, SUBDIVISION 1 ONLY TO THE EXTENT THAT THEY ARE DECLARED EXEMPT IN RULES ADOPTED BY THE COMMISSIONER ACCORDING TO CHAPTER 14. THE COMMISSIONER MUST ADOPT RULES GOVERNING THIS SUBJECT BEFORE JANUARY 1, 1984, AND IS AUTHORIZED TO ADOPT TEMPORARY, AS WELL AS PERMANENT RULES FOR THIS PURPOSE. NEITHER SHALL) The operation of a bona fide seniority system which mandates differences in such things as wages, hiring priorities, lay-off priorities, vacation credit, and job assignments based on seniority, (BE A VIOLATION OF THE AGE DISCRIMINATION PROVISIONS OF SECTION 363.03, SUBDIVISION 1,) so long as the operation of the system is not a subterfuge to evade the provisions of chapter 363;

(5) With respect to age discrimination, a practice by which a labor organization or employer offers or supplies varying insurance benefits or other fringe benefits to members or employees of differing ages, so long as the cost to the labor organization or employer for the benefits is reasonably equivalent for all members or employees;

(6) A restriction imposed by state statute, home rule charter, ordinance, or civil service rule, and applied uniformly and without exception to all individuals, which establishes a maximum age for entry into employment as a peace officer or firefighter.

(7) Nothing in this chapter concerning age discrimination shall be construed to validate or permit age requirements which have a disproportionate impact on persons of any class otherwise protected by section 363.03, subdivision 1 or 5.

It is not an unfair employment practice for an employer, employment agency or labor organization:

(i) to require or request a person to undergo physical examination, which may include a medical history, for the purpose of determining the person's capability to perform available employment, provided (a) that an offer of employment has been made on condition that the person meets the physical or mental requirements of the job; (b) that the examination tests only for essential job-related abilities; and (c) that the examination, unless limited to determining whether the person's disability would

prevent performance of the job, is required of all persons conditionally offered employment for the same position regardless of disability; or

(ii) with the consent of the employee, to obtain additional medical information for the purposes of establishing an employee health record;

(iii) to administer pre-employment tests, provided that the tests (a) measure only essential job-related abilities, (b) are required of all applicants for the same position regardless of disability unless limited to determining whether the person's disability would prevent performance of the job, and (c) accurately measure the applicant's aptitude, achievement level, or whatever factors they purport to measure rather than reflecting the applicant's impaired sensory, manual, or speaking skills, except when those skills are the factors that the tests purport to measure; or

(iv) to limit receipt of benefits payable under a fringe benefit plan for disabilities to that period of time which a licensed physician reasonably determines a person is unable to work; or

(v) to provide special safety considerations for pregnant women involved in tasks which are potentially hazardous to the health of the unborn child, as determined by medical criteria.

Dear Speaker Sieben:

I am today vetoing H. F. No. 1010 relating to real estate conveyances in the city of Thief River Falls.

I understand the concerns raised in this bill. The authors seek to make it easier to record documents under Minnesota's subdivided lands acts.

We object to the device of making exceptions to statewide law. The statutory sections in question permit exceptions in the case of hardship. No additional permissible language should be needed.

I have asked the State Planning Agency to work with the chief authors and other interested parties on this issue during the interim to seek a statewide solution to this problem.

Sincerely,

RUDY PERPICH
Governor

The Honorable Harry A. Sieben, Jr.

Dear Mr. Speaker:

I have today vetoed H. F. No. 1216 relating to tax exemption for petroleum products used in certain improvements to agricultural lands.

My reason for the veto is my conclusion that taxpayers are treated inequitably by the effective date section of the bill. The tax is forgiven and made uncollectible if the fuel was purchased prior to June 30, 1982 or after the effective date of the act (if signed into law). However, fuel purchased between July 1, 1982, and the effective date would be taxable.

In my opinion, it is unfair to single out those taxpayers in that two year period for imposition of the tax. This basic unfairness warrants a veto.

Sincerely,

RUDY PERPICH
Governor

The Honorable Harry A. Sieben, Jr.

Dear Speaker Sieben:

I have today vetoed H. F. No. 1985, a bill for an act relating to the regulating and licensing of salons for estheticians.

This bill would establish a new class of beauty salon and would permit their operation without the direction and supervision of a licensed and qualified cosmetologist. The current statutory requirement that activities of estheticians be under the management of a cosmetologist is, I believe, a good one. It is designed to ensure the protection of the public's health and well-being and should be continued. The argument for this kind of unnecessary tampering with current statute has not been adequately made. Accordingly, I am returning H. F. No. 1985 to you unsigned.

Sincerely,

RUDY PERPICH
