*Subdivision 1. [IMPOSITION.] Notwithstanding Minnesota Statutes, section 477A.016, or any other contrary provision of law, ordinance, or city charter, upon approval by the city's board of estimate and taxation by a vote of at least five members, the city of Minneapolis may by ordinance impose an additional sales tax of up to one-half of one percent on sales taxable pursuant to Minnesota Statutes, chapter 297A that occur within the city, and may also by ordinance impose an additional compensating use tax of up to one-half of one percent on uses of property within the city, the sale of which would be subject to the additional sales tax but for the fact such property was sold outside the city. The tax may not be imposed on gross receipts from sales of intoxicating liquor that are exempt from taxation under sections 297A.25 to 297A.257 or other provision of chapter 297A exempting sales of intoxicating liquor and use from taxation, including amendments adopted after enactment of this act.*

*For purposes of this subdivision, sales that occur within the city shall not include (a) the sale of tangible personal property (i) which, without intermediate use, is shipped or transported outside Minneapolis by the purchaser and thereafter used in a trade or business or is stored, processed, fabricated or manufactured into, attached to or incorporated into other tangible personal property transported or shipped outside Minneapolis and thereafter used in a trade or business outside Minneapolis, and which is not thereafter returned to a point within Minneapolis, except in the course of interstate or intrastate commerce (storage shall not constitute intermediate use); or (ii) which the seller delivers to a common carrier for delivery outside Minneapolis, places in the United States mail or parcel post directed to the purchaser outside Minneapolis, or delivers to the purchaser outside Minneapolis by means of the seller's own delivery vehicles, and which is not thereafter returned to a point within Minneapolis, except in the course of interstate or intrastate commerce; or (b) sales which would be described in clause (e) or (u) of Minnesota Statutes, section 297A.25, subdivision 1 if the word "Minneapolis" were substituted for the words "Minnesota" or "state of Minnesota" in such clauses.*

*Subd. 2. [ENFORCEMENT; COLLECTION.] These taxes shall be subject to the same interest penalties and other rules imposed under Minnesota Statutes, chapter 297A. The commissioner of revenue may enter into appropriate agreements with*

*the city to provide for collection of these taxes by the state on behalf of the city. The commissioner may charge the city a reasonable fee for its collection from the proceeds of any taxes.*

*Subd. 3. [USE OF PROPERTY.] Revenues received from the tax may only be used:*

- (1) to pay costs of collection;*
- (2) to pay or secure the payment of any principal of, premium or interest on bonds issued in accordance with this act;*

- (4) to pay reasonable and appropriate costs determined by the city to replace housing removed from the site; and*
- (5) to maintain reserves for the foregoing purposes deemed reasonable and appropriate by the city.*

*In the event of any amendment to chapter 297A enacted subsequent to the effective date of this act which exempts sales or uses which were taxable under chapter 297A on the effective date of this act, the city may by ordinance extend the tax authorized hereby to any such sales or uses provided that the city council shall have determined that such extension is necessary to provide revenues for the uses to which taxes may be applied under this section and further provided that, in the estimation of the city council, the aggregate annual collections following such extension will not exceed the aggregate annual collections which would have been generated if chapter 297A, as in effect on the effective date of this act, were then in effect. Any revenue bonds issued in accordance with this act may, with the consent of the city council, contain a covenant that the tax will be so extended to the extent necessary to pay principal and interest on the bonds when due.*

*Money for replacement housing shall be made available by the city only for new construction, conversion of nonresidential buildings, and for rehabilitation of vacant residential structures, only if all of the units in the newly constructed building, converted nonresidential building, or rehabilitated residential structure are to be used for replacement housing.*

**Sec. 5. [LIQUOR, LODGING, AND RESTAURANT TAXES.]**

*The city may, by resolution, levy in addition to taxes authorized by other law:*

(1) a sales tax of not more than three percent on the gross receipts on retail on-sales of intoxicating liquor and fermented malt beverages described in section 473.592 occurring in the downtown taxing area, provided that this tax may not be imposed if sales of intoxicating liquor and fermented malt beverages are exempt from taxation under chapter 297A;

*the White Earth Indian Reservation. The ultimate purpose of this act is to rectify the state of Minnesota's violation of the 1867 Treaty with the Mississippi Chippewa, which established a legally binding agreement in setting apart the White Earth Indian Reservation as reserved Chippewa homeland.*

#### Sec. 4. [COMMISSION.]

*Subdivision 1. [ESTABLISHMENT; RESPONSIBILITY.] The White Earth Indian Land Claims Commission is established as an independent body to investigate and review the land history of all land currently or once held by the state of Minnesota in fee or in trust on the White Earth Indian Reservation. Commission members shall not directly investigate land claim disputes but may employ individuals or contract with consultants to perform investigative services and to act as the commission's investigation unit. The investigation unit shall give notice by United States mail to all affected heirs and allottees when investigation on a particular parcel of land is begun and shall make a reasonable attempt to interview all persons with an interest in or a knowledge of the land claim dispute involved.*

*Subd. 2. [NOTICE AND HEARING REQUIREMENT.] The commission shall hold a public hearing on each parcel of state-held land on which a land claim dispute exists. More than one land claim dispute may be heard and addressed at each hearing. Hearings may be recessed from time to time and continued at a later date. The commission shall make and submit with the order a written report of its findings on each land claim dispute finally resolved by the commission along with the reasons supporting the commission's decision.*

**Subd. 5. [APPEALS.]** Appeals to the order of final resolution must be filed within 30 days of entry of the commission's order, with the district court located in the county where the commission holds public hearings. Appeals are limited to a review of the procedure used by the commission in arriving at its decision.

**Sec. 6. [LAND TO BE HELD IN TRUST BY WHITE EARTH BAND.]**

**Sec. 8. [MORATORIUM.]**

*A moratorium on the sale, transfer, or other disposition of state-held land and natural resources on state-held land is declared and shall be in effect on the White Earth Indian Reservation until the commission has completed the investigation and review of all state-held land as required by this act. *(1) all earnings, income, and resources of the (OBLIGOR) parents, including real and personal property;*

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below *or above* the guidelines (IN THAT CASE IN WHICH THE COURT ORDERS SUPPORT THAT SO DEVIATES FROM THE GUIDELINES). (IT MAY ALSO INCREASE THE AMOUNT OF CHILD SUPPORT BY MORE THAN THE GUIDELINES WITHOUT MAKING EXPRESS FINDINGS BY AGREEMENT OF THE PARTIES OR BY MAKING FURTHER FINDINGS.)

*Subdivision 1. [MEDIATION PROCEEDING.] Except as provided in subdivision 2, if it appears on the face of the petition or other application for an order or modification of an order for the custody of a child that custody is contested, the matter may be set for mediation of the contested issue prior to or concurrent with setting the matter for hearing. The mediator may conduct the investigation. The mediator may recommend that mutual restraining orders be issued in appropriate cases, pending determination of the controversy, to protect the well-being of the children involved in the controversy.*

*Subd. 7. [MEDIATION AGREEMENT.] An agreement reached by the parties as a result of mediation shall be discussed by the parties with their attorneys, if any, and the approved agreement may then be included in the marital dissolution decree or other stipulation submitted to the court.*

*Subd. 8. [RULES.] Each court shall adopt rules to implement this section, and shall compile and maintain a list of mediators.*

On a motion for modification of support, the court shall take into consideration the needs of the children and shall not consider the financial circumstances of each party's spouse, if any. A modification which decreases support or maintenance may be made retroactive only upon a showing that any failure to pay in accord with the terms of the original order was not willful. A modification which increases support or maintenance shall not be made retroactive if the obligor has substantially complied with the previous order. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section**

518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgement under the laws of this state. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

The creation of any debt obligation or the receipt of any federal or state grant is a sufficient appropriation of the proceeds for the purpose for which it is authorized, and of the tax or other revenues pledged to pay the obligation and interest on it whether or not specifically included in any annual budget. (THE COMMISSION MAY,) After obtaining approval of the council, if required under subdivision 2, the agency may amend the (CAPITAL IMPROVEMENTS) budget at any time by transferring any appropriation from one purpose to another, except appropriations of the proceeds of bonds issued for a specific purpose. at a rate higher than five one-hundredths of one mill. The tokens, tickets, or other devices or services may be made available to employees at reduced rates. Subdivision 1. No contract for any construction work, or for the purchase of materials, supplies, or equipment, costing more than (\$5,000) \$15,000 shall be made by the commission without publishing once in a legal newspaper or trade paper published in a city of the first class not less than two weeks before the last day for submission of bids, notice that bids or proposals will be received. Such notice shall state the nature of the work or pur-

chase and the terms and conditions upon which the contract is to be awarded, and a time and place where such bids will be received, opened, and read publicly. After such bids have been duly received, opened, read publicly, and recorded, the commission shall award such contract to the lowest responsible bidder or it may reject all bids and readvertise. Each contract shall be duly executed in writing and the party to whom the contract is awarded shall give sufficient bond or security to the board for the faithful performance of the contract as required by law. The commission shall have the right to set qualifications and specifications and to require bids to meet all such qualifications and specifications before being accepted. If the commission by an affirmative vote of two-thirds of its members declares that an emergency exists requiring the immediate purchase of materials or supplies at a cost in excess of (\$5,000) \$15,000 or in making emergency repairs, it shall not be necessary to advertise for bids.

Sec. 44. Minnesota Statutes 1984, section 473.523, subdivision 2, is amended to read:

Subd. 2. The administrator may, without prior approval of the commission and without advertising for bids, enter into any contract of the type referred to in subdivision 1 which is not in excess of (\$5,000) \$15,000.

A member appointed at any time shall not during his term of office hold the office of metropolitan council member or be a member of another metropolitan (COMMISSION) agency that is subject to section 473.141 or hold any judicial office or office of state government. Each member shall qualify by taking and subscribing the oath of office prescribed by the Minnesota Constitution, Article V, Section 6. The oath, duly certified by the official administering it, shall be filed with the chairman of the metropolitan council.

Sec. 47. [473.636] [NEW MAJOR AIRPORT; AIRPORT DEVELOPMENT AREA.]

*Subdivision 1. [METROPOLITAN COUNCIL; LAND USE CRITERIA AND GUIDELINES.] Within 120 days after the selection by the metropolitan airports commission of a site in the metropolitan area for a new major airport to serve as a terminal for regular, scheduled air passenger service and the approval of the selection by the metropolitan council, the council shall adopt criteria and guidelines for the regulation of use and development of the airport development area, consisting of all or a portion of the property in the metropolitan area extending out three miles from the proposed boundaries of the site, or out five miles from the boundaries in any direction the council determines is necessary to protect natural resources of the metropolitan area. The criteria and guidelines must establish the boundaries of the airport development area and must include a statement of goals and policies to be accomplished by regulation of the use and development of property in the area. The criteria and guidelines may relate to all kinds of land use and development control measures, including zoning ordinances, building codes, subdivision regulations, and official maps. The criteria and guidelines must encourage controls for the use and development of property and the planning of public facilities to protect inhabitants of the airport development area from aircraft noise and to preserve natural underground water reservoirs and other natural resources of the metropolitan area. Those purposes are public purposes upon which land use and development control measures adopted by any government unit under law may be based. The criteria and guidelines must be a part of the metropolitan development guide when it is adopted, and the council shall mail a copy of the criteria and guidelines and any amendment to them to the governing body of each government unit having authority to adopt land use and development control measures applicable to the airport development area under sections 360.061 to 360.073, chapter 394, or chapter 462, or any other law; to the metropolitan airports commission; and to the state commissioner of transportation. The council may amend the criteria and guidelines from time to time, and shall reestablish the airport development area whenever the airport site boundaries are altered.*

*Subd. 2. [LOCAL ZONING AND LAND USE AND DEVELOPMENT CONTROLS.] Upon the selection and approval of a site for a new major airport in the metropolitan area, all land within its airport development area not then zoned for other use is zoned for use exclusively for agricultural purposes, except that a prior nonconforming use established with reference to any lot or parcel of land may be continued and all land zoned by this subdivision for agricultural purposes may be rezoned by the appropriate government unit upon compliance with this subdivision. Thereafter the governing body of each government unit proposing to adopt or amend a land use and development control measure applicable to the airport development area shall submit it to the metropolitan council for review, and within 120 days*

*after receipt of the council's criteria and guidelines shall make and submit to the council for review whatever changes in its existing land use and development control measures it deems necessary to make them consistent with the criteria and guidelines. The council or a committee designated by it shall hold a hearing on the control measures submitted by each government unit within 60 days after they are submitted, on written notice mailed to the governing body of the government unit not less than 15 days before the hearing. At the hearing the government unit must be allowed to present all data and information that support the control measures submitted to the council. The council shall approve each measure or amendment within 120 days after it is received, with whatever changes it deems necessary to make it consistent with the criteria and guidelines, and the government unit submitting it shall take all actions necessary to put it into effect within 60 days after it is approved. If the council amends its criteria and guidelines, it must follow the procedures in this subdivision to ensure that applicable land use and development control measures are consistent with the amendment.*

*Subd. 3. [ENFORCEMENT OF LOCAL MEASURES.] After the selection and approval of a site for a new major airport in the metropolitan area, no public or private use contrary to subdivision 2 or any land use and development control measure then in effect may be made of the property to which it applies within an airport development area, and no government unit may issue a permit for the use, construction, alteration, or planting of any property, building, structure, or tree not in accordance with its general provisions, except for minor footage variances, until the council has approved changes or variances in the control measure in accordance with subdivision 2. After the council has approved a land use and development control measure in accordance with subdivision 2, no public or private use contrary to its provisions may be made of the property to which it applies; and no government unit may issue a permit for the use, construction, alteration, or planting of any property, building, structure, or tree not in accordance with its general provisions; and no special use permit or variance may be granted that authorizes a use or development contrary to the council's criteria and guidelines.*

*Subd. 4. [CONTROL MEASURE REVIEW BEFORE SITE SELECTION.] After the metropolitan airports commission has called a hearing for the selection of a site for a new major airport in the metropolitan area under section 473.641, and until the commission has determined not to use the site described in the notice of hearing for a new major airport, the governing body of each government unit in the metropolitan area shall submit to the council for review and comment in accordance with section 473.175 any land use and development control measure, amendment, or variance applicable to or proposed for the site described in the notice of hearing or to any property within five miles of the site. During the period described in this subdivision,*

*no government unit may construct a public building or facility on the proposed airport site or within five miles of it until it has submitted its plan for the building or facility to the metropolitan council for review and comment as provided in this subdivision.*

**Sec. 48. [473.637] [AIRCRAFT NOISE ZONES.]**

*Within 120 days after the selection and approval of a site for a new major airport in the metropolitan area, the metropolitan council shall determine the probable levels of noise that will result in various parts of the metropolitan area from the operation of aircraft using the site, shall establish aircraft noise zones based on that determination and applicable to property affected by the noise, and shall establish acceptable levels of perceived noise decibels for each land use, using the composite noise rating method and tables or the noise exposure forecast method and tables. Each government unit having power to adopt land use and development control measures applicable to property included in any aircraft noise zone shall adopt or incorporate in existing land use and development control measures the applicable acceptable level of perceived noise decibels established by the council, and shall adopt whatever other control measures may be necessary to prevent the use, construction, or improvement of property and buildings subject to a level of perceived noise decibels in excess of the acceptable level established for that land use. The council shall mail a map showing the aircraft noise zones and a copy of the applicable acceptable levels of perceived noise decibels to the governing body of each government unit having authority to adopt land use and development control measures applicable to property in each aircraft noise zone, to the metropolitan airports commission, and to the state commissioner of transportation. The control measures adopted by a government unit to comply with this section must be submitted to and approved by the council and placed into effect by the government unit as provided in section 473.215, subdivision 2. The council may change the aircraft noise zones and the applicable acceptable levels of perceived noise decibels to conform with the actual levels of noise produced by aircraft using the airport site when it is in operation, and may require changes in control measures applicable to airport noise zones to conform with changes made by it. No property may be used, and no building or other structure may be constructed or improved, within any aircraft noise zone if persons using the property and buildings would be subjected to a level of perceived noise decibels in excess of the acceptable level established by the council for that land use.*

**Sec. 49. [473.638] [CONTROL MEASURE INVOLVING TAKING; CONDEMNATION BY METROPOLITAN AIRPORTS COMMISSION.]**

*Subdivision 1. [EMINENT DOMAIN.] If either the provisions or the application of section 473.215, subdivision 2, or any*

*land use and development control measure applicable to public or private property in an airport development area is determined by a court of competent jurisdiction to constitute a taking, the metropolitan airports commission in the exercise of its power to acquire lands for the airport has the power to acquire the property or any similar property, or an interest in it, to the extent needed for the application of the measure, by eminent domain exercised in accordance with chapter 117. The right of eminent domain must be exercised if the commission has or will have funds to pay the condemnation award and the council determines that it is necessary to protect the airport from encroachment or hazards, to protect residents in the area, to encourage the most appropriate use of property in the airport development area, or to protect and conserve the natural resources of the metropolitan area.*

**Subd. 2. [RETENTION OR SALE OF PROPERTY.]** *The commission may retain any property now owned by it or acquired under subdivision 1 and use it for a lawful purpose, or it may provide for the sale or other disposition of the property in accordance with a redevelopment plan in the same manner and upon the same terms as the housing and redevelopment authority and governing body of a municipality under the provisions of section 462.525, all subject to the provisions of section 473.215, subdivision 2, or to existing land use and development control measures approved by the council.*

**Subd. 3. [SHARING OF COSTS.]** *The metropolitan airports commission and any other government unit in the metropolitan area may enter into an agreement under which the cost of acquiring a property and the proceeds from the sale or other disposition of it under subdivision 2 are to be shared by the commission and such government unit. The commission, the metropolitan council, or any government unit may also enter into any agreements with the United States or the state of Minnesota, or any agency or subdivision of either, and do all acts and things required by state or federal law or rules as a condition or consideration for the loan or grant of funds or property for the purpose of land acquisition or improvement under subdivisions 1 and 2.*

**Sec. 50. [473.639] [RELATION TO AIRPORT HAZARD ZONING.]**

*Sections 473.215 and 473.216 and any criteria, guidelines, or land use and development control measure approved by the council under those sections in no way supersede or limit the powers conferred on a municipality to do airport hazard zoning, or the commissioner of transportation by sections 360.061 to 360.073. Any criteria, guidelines, or land use and development control measure approved by the council under section 473.215 or 473.216 must be consistent with any exercise of powers by the commissioner under sections 360.061 to 360.093.*

**Sec. 51. [473.64] [GOVERNMENT UNITS IN AIRPORT DEVELOPMENT AREA; TAX SHARING.]**

*The governing bodies of government units located wholly or partly in an airport development area shall jointly study and decide upon a plan for the sharing of property tax revenues derived from property located in an airport development area. If 80 percent of the government units having territory within the airport development area agree upon a plan, the plan is effective, and all government units shall enter into whatever agreements may be necessary for this purpose. The plan, however, may not impair the existing contract obligations of any government unit. This section does not apply to the metropolitan airports commission or the council.*

**Sec. 52. Minnesota Statutes 1984, section 473.704, is amended by adding a subdivision to read:**

*Subd. 19. The commission, by December 15 of each even-numbered year, shall prepare and submit to the legislature a financial report that contains the information required by section 18, subdivision 3, in a format consistent with the consolidated financial report required by that subdivision.*

**Sec. 53. Minnesota Statutes 1984, section 473.711, is amended by adding a subdivision to read:**

*Subd. 4. [CERTIFICATES OF INDEBTEDNESS.] The commission may issue certificates of indebtedness in anticipation of the collection and payment of a tax levied under this section in the same manner as a statutory city under section 412.261 and use their proceeds to accomplish its duties.*

**Sec. 54. Minnesota Statutes 1984, section 473.811, subdivision 7, is amended to read:**

**Subd. 7. [JOINT ACTION.]** Any local governmental unit or metropolitan (COMMISSION) agency may act together with any county, city, or town within or without the metropolitan area, or with the pollution control agency or the waste management board under the provisions of section 471.59 or any other appropriate law providing for joint or cooperative action between government units, to accomplish any purpose specified in sections 473.-149, 473.151, and 473.801 to 473.823 and sections 473.827, 473.-831, 473.833, 473.834, 116.05 and 115A.06.

Any agreement regarding data processing services relating to the generation, management, identification, labeling, classification, storage, collection, treatment, transportation, processing or disposal of waste and entered into pursuant to section 471.59, or other law authorizing joint or cooperative action may provide that any party to the agreement may agree to defend, indemnify

and hold harmless any other party to the agreement providing the services, including its employees, officers or volunteers, against any judgments, expenses, reasonable attorney's fees and amounts paid in settlement actually and reasonably incurred in connection with any third party claim or demand arising out of an alleged act or omission by a party to the agreement, its employees, officers or volunteers occurring in connection with any exchange, retention, storage or processing of data, information or records required by the agreement. Any liability incurred by a party to an agreement under this subdivision shall be subject to the limitations set forth in section 3.736 or 466.04.

Sec. 55. Minnesota Statutes 1984, section 473.823, subdivision 3, is amended to read :

Subd. 3. [SOLID WASTE FACILITIES ; REVIEW PROCEDURES.] The agency shall request applicants for solid waste facility permits to submit all information deemed relevant by the council to its review, including without limitation information relating to the geographic areas and population served, the need, the effect on existing facilities and services, the anticipated public cost and benefit, the anticipated rates and charges, the manner of financing, the effect on metropolitan plans and development programs, the supply of waste, anticipated markets for any product, and alternative means of disposal or energy production. No permit may be issued for the operation of a solid waste facility in the metropolitan area which is not in accordance with the metropolitan council's solid waste policy plan. The metropolitan council shall determine whether a permit is in accordance with the policy plan. In making its determination, the council shall consider the area-wide need and benefit of the applicant facility and may consider, without limitation, the effect of the applicant facility on existing and planned solid waste facilities described in a waste control commission (DEVELOPMENT PROGRAM) *implementation plan* or county report or master plan. If the council determines that a permit is in accordance with its policy plan, the council shall approve the permit. If the council determines that a permit is not in accordance with its policy plan, it shall disapprove the permit. The council's approval of permits may be subject to conditions necessary to satisfy criteria and standards in its policy plan, including conditions respecting the type, character, and quantities of waste to be processed at a solid waste facility used primarily for resource recovery and the geographic territory from which a resource recovery facility or transfer station serving such a facility may draw its waste. For the purpose of this review and approval by the council, the agency shall send a copy of each permit application and any supporting information furnished by the applicant to the metropolitan council within 15 days after receipt of the application and all other information requested from the applicant. Within 60 days after the application and supporting information are received by the council, unless a time extension is authorized by the agency, the council shall issue to the agency in writing its determination whether the permit is disapproved, approved, or approved with

conditions. If the council does not issue its determination to the agency within the 60 day period, unless a time extension is authorized by the agency, the permit shall be deemed to be in accordance with the council's policy plan. No permit shall be issued in the metropolitan area for a solid waste facility used primarily for resource recovery or a transfer station serving such a facility, if the facility or station is owned or operated by a public agency or if the acquisition or betterment of the facility or station is secured by public funds or obligations issued by a public agency, unless the council finds and determines that adequate markets exist for the products recovered and that establishment of the facility is consistent with the criteria and standards in the metropolitan and county plans respecting the protection of existing resource recovery facilities and transfer stations serving such facilities.

Sec. 56. Minnesota Statutes 1984, section 473.852, subdivision 8, is amended to read:

(b) The hospital must be in compliance with the medicare conditions of participation for swing beds under Code of Federal Regulations, title 42, section 405.1041.

(c) The hospital must agree, in writing, to limit the length of stay of a patient receiving services in a swing bed to not more than 40 days, or the duration of medicare eligibility, unless the commissioner of health approves a greater length of stay in an emergency situation. To determine whether an emergency situation exists, the commissioner shall require the hospital to provide documentation that continued services in the swing bed are required by the patient; that no skilled nursing facility beds are available within 25 miles from the patient's home, or in some more remote facility of the resident's choice, that can provide the appropriate level of services required by the patient; and that other alternative services are not available to meet the needs of the patient. If the commissioner approves a greater length of stay, the hospital shall develop a plan providing for the discharge of the patient upon the availability of a nursing home bed or other services that meet the needs of the patient. Permission to extend a patient's length of stay must be requested by the hospital at least ten days prior to the end of the maximum length of stay.

(d) The hospital must agree, in writing, to limit admission to a swing bed only to (1) patients who have been hospitalized and not yet discharged from the facility, or (2) patients who are transferred directly from an acute care hospital.

(e) The hospital must agree, in writing, to report to the commissioner of health by December 1, 1985, and annually thereafter, in a manner required by the commissioner (1) the number of patients readmitted to a swing bed within 60 days of a patient's discharge from the facility, (2) the hospital's charges for care in a swing bed during the reporting period with a description of the care provided for the rate charged, and (3) the number of beds used by the hospital for transitional care and similar sub-acute inpatient care.

(f) The hospital must agree, in writing, to report statistical data on the utilization of the swing beds on forms supplied by the commissioner. The data must include the number of swing beds, the number of admissions to and discharges from swing beds, medicare reimbursed patient days, total patient days, and other information required by the commissioner to assess the utilization of swing beds.

Subd. 2. [RATES FOR INPATIENT HOSPITALS.] Rates paid to inpatient hospitals shall be based on a rate per admission until the commissioner can begin to reimburse hospitals for services under the medical assistance and general assistance medical care programs based upon a diagnostic classification system appropriate to the service populations. On July 1, 1984, the commissioner shall begin to utilize to the extent possible existing classification systems, including medicare. The commissioner may incorporate the grouping of hospitals with similar characteristics for uniform rates upon the development and implementation of the diagnostic classification system. Prior to implementation of the diagnostic classification system, the commissioner shall report the proposed grouping of hospitals to the senate health and human services committee and the house health and welfare committee. *Effective August 1, 1985, the computation of the base year cost per admission and the computation of the relative values of the diagnostic categories must include identified outlier cases and their weighted costs up to the point that they become outlier cases, but must exclude costs and days beyond that point. Claims paid for care provided on or after August 1, 1985, may be adjusted to reflect a recomputation of rates. The commissioner shall reconstitute the diagnostic categories to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce variances within the diagnostic categories after notice in the state register and a 30 day comment period. After May 1, 1986, acute care hospital billings under the medical assistance and general assistance medical care programs must not be submitted until the recipient is discharged. However, the commissioner shall establish monthly interim payments with inpatient hospitals that have individual patient lengths of stay in excess of 30 days regardless of diagnosis-related group. For purposes of establishing interim rates, the commissioner is exempt from the requirements of chapter 14.* Medical assistance and general assistance medical care reimbursement for treatment of mental illness shall be reimbursed based upon diagnosis classifications. The commissioner may selectively contract with hospitals for services within the diagnostic classifications relating to mental illness and chemical dependency under competitive bidding when reasonable geo-

graphic access by recipients can be assured. No physician shall be denied the privilege of treating a recipient required to utilize a hospital under contract with the commissioner, as long as the physician meets credentialing standards of the individual hospital.

Sec. 7. Minnesota Statutes 1985 Supplement, section 256B.-091, subdivision 2, is amended to read:

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of human services to participate in the program shall contract with the local board of health organized under sections 145.911 to 145.922 or other public or nonprofit agency to establish a screening team to assess the health and social needs of all applicants prior to admission to a nursing home or a boarding care home licensed under section 144A.02 or sections 144.50 to 144.56, that is certified for medical assistance as a skilled nursing facility, intermediate care facility level I, or intermediate care facility level II. Each local screening team shall be composed of a public health nurse from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. If a person who has been screened must be reassessed for purposes of assigning a case mix classification because admission to a nursing home occurs later than the time allowed by rule following the initial screening and assessment, the reassessment may be completed by the public health nurse member of the screening team. If the individual is being discharged from an acute care facility, a discharge planner from that facility may be present, at the facility's request, during the screening team's assessment of the individual and may participate in discussions but not in making the screening team's recommendations under subdivision 3, clause (e). If the assessment procedure or screening team recommendation results in a delay of the individual's discharge from the acute care facility, the facility shall not be denied medical assistance reimbursement or incur any other financial or regulatory penalty of the medical assistance program that would otherwise be caused by the individual's extended length of stay; 50 percent of the cost of this reimbursement or financial or regulatory penalty shall be paid by the state and 50 percent shall be paid by the county. Other personnel as deemed appropriate by the county agency may be included on the team. The county agency may contract with an acute care facility to have the facility's discharge planners perform the functions of a screening team with regard to individuals discharged from the facility and in those cases the discharge planners may participate in making recommendations under subdivision 3, clause (e). No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing

home or noninstitutional referral such that it would not be possible for the member to consider each case objectively.

*Individuals not eligible for medical assistance who are being transferred from a hospital to a nursing home may be screened by only one member of the screening team in consultation with the other member. The interagency board for quality assurance, with the participation of members of screening teams, shall identify other circumstances when it would be appropriate for only one member of a screening team to conduct the nursing home preadmission screenings. The committee shall report its recommendations to the legislature in January, 1987.*

Sec. 8. Minnesota Statutes 1985 Supplement, section 256B.091, subdivision 4, is amended to read:

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home or boarding care home admission, screening teams shall assess the needs of all applicants, except (1) patients transferred from other nursing homes; (2) patients who, having entered acute care facilities from nursing homes, are returning to nursing home care; (3) persons entering a facility described in section 256B.431, subdivision 4, paragraph (b); (4) *individuals not eligible for medical assistance whose length of stay is expected to be 30 days or less based on a physician's certification, if the facility notifies the screening team upon admission and provides an update to the screening team on the 30th day after admission;* (5) *individuals who have a contractual right to have their nursing home care paid for indefinitely by the veteran's administration;* or ((4)) (6) persons entering a facility conducted by and for the adherents of a recognized church or religious denomination for the purpose of providing care and services for those who depend upon spiritual means, through prayer alone, for healing. The cost for screening (PERSONS) *applicants who are receiving medical assistance (OR WHO WOULD BE ELIGIBLE FOR MEDICAL ASSISTANCE WITHIN 180 DAYS OF NURSING HOME OR BOARDING CARE HOME ADMISSION,)* must be paid by (STATE, FEDERAL, AND COUNTY MONEY. OTHER PERSONS SHALL BE ASSESSED BY A SCREENING TEAM UPON PAYMENT OF A FEE APPROVED BY THE COMMISSIONER.) *the medical assistance program. The total screening cost for each county for applicants who are not eligible for medical assistance must be paid monthly by nursing homes and boarding care homes participating in the medical assistance program in the county. The monthly amount to be paid by each nursing home and boarding care home must be determined by dividing the county's estimate of the total annual cost of screenings allowed by the commissioner in the county for the following rate year by 12 to determine the monthly cost estimate and allocating the monthly cost estimate to each nursing home and boarding care home based on the number of licensed beds in the nursing home or boarding care home. The monthly cost estimate for each nursing home must be submitted to the nursing home and the state by the county no later than February 15 of each year for*

*inclusion in the nursing home's payment rate on the following rate year. The commissioner shall include the reported annual estimated cost of screenings for each nursing home or boarding care home as an operating cost of that nursing home in accordance with section 256B.431, subdivision 2b, clause (g). For all individuals regardless of payment source, if delay-of-screening timelines are not met because a county is late in screening an individual who meets the delay-of-screening criteria, the county is solely responsible for paying the nursing home rate for the resident days that exceed the delay-of-screening timelines until the screening is completed. Notwithstanding section 256B.0641, overpayments attributable to payment of the screening costs under the medical assistance program may not be recovered from a facility.*

Sec. 9. Minnesota Statutes 1985 Supplement, section 256B.091, subdivision 5, is amended to read:

Subd. 5. [APPEALS.] Appeals from the screening team's recommendation shall be made pursuant to the procedures set forth in section 256.045, subdivisions 2 and 3. (AN APPEAL SHALL BE AUTOMATIC IF THE INDIVIDUAL'S PHYSICIAN DOES NOT AGREE WITH THE RECOMMENDATION OF THE SCREENING TEAM.)

Sec. 10. Minnesota Statutes 1985 Supplement, section 256B.-091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4 *and nursing home residents who request a screening. Prior to July of each year, the commissioner shall allocate state funds available for alternative care grants to each local agency. This allocation must be made as follows: half of the state funds available for alternative care grants must be allocated to each county according to the total number of adults in that county who are recipients age 65 or older who are reported to the department by March 1 of each state fiscal year and half of the state funds available for alternative care grants must be allocated to a county according to that county's number of medicare enrollments age 65 or older for the most recent statistical report.* Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home admission or *continued stay* if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within 180 days of admission to a nursing home; (3) who need services that are not available at that time in the county through other public assistance; and (4) who are age 65 or older.

*The commissioner shall establish by rule, in accordance with chapter 14, procedures for determining grant reallocations, limits*

*on the rates for payment of approved services, including screenings, and submittal and approval of a biennial county plan for the administration of the preadmission screening and alternative care grants program. Grants may be used for payment of costs of providing care-related supplies, equipment, and services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2), and that a client's service needs and eligibility is reassessed at least every six months. The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care and to the commissioner that the most cost effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. The county agency shall document to the commissioner that the agency made reasonable efforts to inform potential providers of the anticipated need for services under the alternative care grants program and that the agency allowed potential providers an opportunity to be selected to contract with the county board. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.*

The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the State Register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the nonfederal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide

care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of nursing home care that the recipient would receive if placed in a nursing home. The nonfederal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay ten percent of the costs.

The commissioner shall promulgate emergency rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

Sec. 11. Minnesota Statutes 1985 Supplement, section 256B.48, subdivision 1b, is amended to read:

Subd. 1b. [EXCEPTION.] Notwithstanding any agreement between a nursing home and the department of human services or the provisions of this section or section 256B.411, other than subdivision 1a of this section, the commissioner may authorize continued medical assistance payments to a nursing home which ceased intake of medical assistance recipients prior to July 1, 1983, and which charges private paying residents rates that exceed those permitted by subdivision 1, paragraph (a), for (i) residents who resided in the nursing home before July 1, 1983, or (ii) residents for whom the commissioner or any predecessors of the commissioner granted a permanent individual waiver prior to October 1, 1983. *Nursing homes seeking continued medical assistance payments under this subdivision shall make the reports required under subdivision 2, except that on or after December 31, 1985, the financial statements required need not be audited by or contain the opinion of a certified public accountant or licensed public accountant, but need only be reviewed by a certified public accountant or licensed public accountant.* In the event that the state is determined by the federal government to be no longer eligible for the federal share of medical assistance payments made to a nursing home under this subdivision, the commissioner may cease medical assistance payments, under this subdivision, to that nursing home.

Sec. 12. Minnesota Statutes 1985 Supplement, section 256B.48, is amended by adding a subdivision to read:

Subd. 7. [REFUND OF EXCESS CHARGES.] *Any nursing home which has charged a resident a rate for a case-mix classification upon admission which is in excess of the rate for the case-mix classification established by the commissioner of health and effective on the date of admission, must refund the amount of charge in excess of the rate for the case-mix classification established by the commissioner of health and effective on the date of admission. Refunds must be credited to the next monthly billing or refunded within 15 days of receipt of the classification*

*notice from the department of health. Failure to refund the excess charge shall be considered to be a violation of this section.*

Sec. 13. Minnesota Statutes 1985 Supplement, section 256B.501, subdivision 3, is amended to read:

Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH MENTAL RETARDATION OR RELATED CONDITIONS.] The commissioner shall establish, by rule, procedures for determining rates for care of residents of intermediate care facilities for persons with mental retardation or related conditions. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated facilities. In developing the procedures, the commissioner shall include:

(a) cost containment measures that assure efficient and prudent management of capital assets and operating cost increases which do not exceed increases in other sections of the economy;

(b) limits on the amounts of reimbursement for property, general and administration, and new facilities;

(c) requirements to ensure that the accounting practices of the facilities conform to generally accepted accounting principles; (AND)

(d) incentives to reward accumulation of equity; *and*

(e) *appeals procedures that satisfy the requirements of section 256B.50 for appeals of decisions arising from the application of standards or methods pursuant to Minnesota Rules, parts 9510.0500 to 9510.0890, 9553.0010 to 9553.0080, and 12 MCAR 2.05301 to 2.05315 (temporary).*

In establishing rules and procedures for setting rates for care of residents in intermediate care facilities for persons with mental retardation or related conditions, the commissioner shall consider the recommendations contained in the February 11, 1983, Report of the Legislative Auditor on Community Residential Programs for the Mentally Retarded and the recommendations contained in the 1982 Report of the Department of Public Welfare Rule 52 Task Force. Rates paid to supervised living facilities for rate years beginning during the fiscal biennium ending June 30, 1985, shall not exceed the final rate allowed the facility for the previous rate year by more than five percent.

Sec. 14. [GEOGRAPHIC GROUPINGS STUDY.]

*By February 1, 1987, the director of the state planning agency, in consultation with the commissioner of human services, shall*

*report to the legislature on the appropriateness of current geographic groupings for reimbursement of nursing home operating costs. The report shall contain recommendations for legislative action which address the following: nursing home input prices and regional variation in costs; and alternative methods for recognizing regional variations in the cost of doing business including approaches used by other states with comparable nursing home reimbursement systems.*

**Sec. 15. [TASK FORCE ON LONG-TERM CARE HEALTH PLANNING.]**

*Subdivision 1. [CREATION.] There is created a task force on long-term care health planning. The nine-member task force appointed by the governor shall include: two members from the legislative commission on long-term care; two representatives from the Minnesota nursing home trade associations; two members from long-term care consumer groups, and one representative each of the commissioners of health and human services. The director of the state planning agency or a designee shall chair and convene the task force.*

*Subd. 2. [DUTIES.] The task force on long-term care health planning shall conduct a study and report to the legislative commission on long-term care and to the legislature by January 15, 1987. In the study and report, the task force shall:*

*(1) propose a statewide plan for orderly and rational development of additional long-term care facilities;*

*(2) examine the need to amend the moratorium law to permit replacement or reconfiguration of beds provided no new beds are added to the system unless necessary;*

*(3) examine current classification of the intermediate care facilities class two (ICF II) as to the possibility of reclassification or upgrading; and*

*(4) address the need to modernize and renovate long-term care facilities built in 1950 to 1960 to improve energy efficiency and the quality of life in those older facilities.*

*Subd. 3. [TASK FORCE EXPIRATION DATE.] The task force on long-term care health planning expires January 15, 1987.*

**Sec. 16. [REFUND REQUIRED.]**

*Any current or previous nursing home provider obligated pursuant to a written agreement or otherwise to refund to a private paying resident, the resident's legal representative, or the resident's successor in interest, excess charges made in violation of section 256B.48, subdivision 1, clause (a), since July 1, 1976,*

*shall refund the excess charges plus interest to the private paying resident, the resident's legal representative, or the resident's successor in interest before July 1, 1986. Unless otherwise specified in a written agreement with the commissioner of human services, the amount of excess charges to be refunded shall be equal to the difference between the prospective desk audit rate, before appeal resolutions, established by the commissioner and the actual amount charged to each private paying resident. The interest refunded shall be equal to the greater of the actual interest earned by the provider or six percent per annum. However, where a current or previous nursing home provider has notified a resident, the resident's legal representative, or the resident's successor in interest, that the resident is due a refund and the refund is unclaimed, or if the resident, the resident's legal representative, or the resident's successor in interest cannot be located, the provider is exempt from any cause of action for civil damages. A private paying resident, the resident's legal representative, or the resident's successor in interest, has a cause of action for civil damages against the current or previous nursing home provider for the provider's failure to refund the excess charges and interest owing in violation of this section. The damages shall be three times the excess charges and interest payment that results from the violation, together with costs and disbursements, including reasonable attorney's fees or their equivalent. For prospective desk audit rates established prior to July 1, 1983, which are under appeal as of March 1, 1986, the provider must refund: (1) at the prospective desk audit rate, or; (2) at the amount not in dispute with notice that an additional refund based on the rate after appeal may be forthcoming upon resolution of an appeal. Any nursing home withholding all or part of a refund based on its pending rate appeal shall, by July 1, 1986, submit to the commissioner for each appeal a specification of each disputed item, the reason for the dispute, an estimate of the dollar amount involved for each disputed item, the computation that the nursing home believes is correct, the authority in statute or rule upon which the nursing home relies for each disputed item, the name and address of the person or firm with whom contacts may be made regarding the appeal, and other information required by the commissioner, unless the above information has already been submitted to the commissioner. Any amounts still owing the resident, the resident's legal representative, or the resident's successor in interest, after the appeal is settled must be refunded within 30 days of the resolution of the appeal. Interest shall continue on the amount not immediately refunded, and shall be equal to the greater of the actual interest earned by the provider or six percent per annum.*

**Sec. 17. [TRANSFER.]**

*\$880,000 is transferred from the preadmission screening and alternative care grants account to the medical assistance account.*

**Sec. 18. [EFFECTIVE DATE.]**

*Sections 3, 4 and 6 to 13 and 16 are effective the day following enactment. Section 1 is effective May 1, 1986 and Sections 2, 5, 14, 15 and 17 are effective July 1, 1986."*

Page 29, after line 19, insert:

“Sec. 38. Minnesota Statutes 1985 Supplement, section 340A.-404, subdivision 5, is amended to read:

Subd. 5. [WINE LICENSES.] A municipality may issue an on-sale wine license with the approval of the commissioner to a restaurant having facilities for seating at least 25 guests at one time. A wine license permits the sale of wine of up to 14 percent alcohol by volume for consumption with the sale of food. *A wine license authorizes the sale of wine on all days of the week unless the issuing authority restricts the license's authorization to the sale of wine on all days except Sundays.*

Sec. 39. Minnesota Statutes 1985 Supplement, section 340A.-409, subdivision 1, is amended to read:

Subdivision 1. [INSURANCE REQUIRED.] No retail license may be issued, maintained or renewed unless the applicant demonstrates proof of financial responsibility with regard to liability imposed by section 340A.801. The issuing authority must submit to the commissioner the applicant's proof of financial responsibility. This subdivision does not prohibit a local unit of government from requiring higher insurance or bond coverages, or a larger deposit of cash or securities. The minimum requirement for proof of financial responsibility may be given by filing:

(1) a certificate that there is in effect for the license period an insurance policy or pool providing at least \$50,000 of coverage because of bodily injury to any one person in any one occurrence, \$100,000 because of bodily injury to two or more persons in any one occurrence, \$10,000 because of injury to or destruction of property of others in any one occurrence, \$50,000 for loss of means of support of any one person in any one occurrence, and \$100,000 for loss of means of support of two or more persons in any one occurrence (. ((4)) This subdivision does not prohibit an insurer from providing the coverage required by this subdivision in combination with other insurance coverage.

*An annual aggregate policy limit for dram shop insurance of not less than \$300,000 per policy year may be included in the policy provisions.*

*A liability insurance policy required by this section must provide that it may not be canceled for any cause by either the insured or the insurer unless the canceling party has first given ten days' notice in writing to the issuing authority of intent to cancel the policy.*

Sec. 40. Minnesota Statutes 1985 Supplement, section 340A.-410, is amended by adding a subdivision to read:

*Subd. 8. [COPY OF SUMMONS.] Every application for the issuance or renewal of intoxicating or nonintoxicating liquor licenses must include a copy of each summons received by the applicant under section 340A.802 during the preceding year.*

Sec. 41. Minnesota Statutes 1985 Supplement, section 340A.-412, subdivision 1, is amended to read:

Subdivision 1. [BOND REQUIRED.] A local unit of government shall not grant a retail license to sell intoxicating liquor until the applicant has filed a bond with corporate surety, or cash, or United States government bonds in the amount of not less than \$3,000 nor more than \$5,000 for on-sale licenses, and not less than \$1,000 nor more than \$3,000 for off-sale licenses. A common carrier who applies for a license to sell intoxicating liquor under section 340A.407, must file with the commissioner a bond with corporate surety, or cash, or government bonds in the sum of \$1,000. A bond filed under this subdivision must be conditional on the licensee obeying all laws governing the business and paying all taxes, fees, penalties, and other charges, and must provide that the bond is forfeited to the unit of government issuing the license on a violation of law. The commissioner must approve all bonds filed by applicants for an off-sale license.

[LICENSE TRANSFER.] A license may be transferred with the consent of the issuing authority, provided that a license (IS) issued to a location at a racetrack licensed under chapter 240 may not be transferred. Where a license is held by a corporation, a change in ownership of ten percent or more of the stock of the corporation must be reported in writing to the authority who issued the license within ten days of the transfer.

Sec. 43. Minnesota Statutes 1985 Supplement, section 340A.-415, is amended to read:

340A.415 [LICENSE REVOCATION OR SUSPENSION.]

The authority issuing or approving any retail license or permit under this chapter shall either suspend for up to 60 days or revoke the license or permit or impose a civil fine not to exceed \$2,000 for each violation on a finding that the license or permit holder has failed to comply with an applicable statute, regulation, or ordinance relating to alcoholic beverages. Sec. 44. [340A.510] [WINE SAMPLES.]

*Off-sale licenses and municipal liquor stores may provide samples of wine, liqueurs, and cordials which the licensee or municipal liquor store currently has in stock and is offering for sale to the general public without obtaining an additional license, provided the wine, liqueur, and cordial samples are dispensed at no charge and consumed on the licensed premises during the permitted hours of off-sale in a quantity less than 50 milliliters of wine per variety per customer and 25 milliliters of liqueur or cordial per variety per customer.*

Sec. 45. Minnesota Statutes 1985 Supplement, section 340A.-802, subdivision 1, is amended to read:

Subdivision 1. [NOTICE OF INJURY.] A person who claims damages and a person or insurer who claims contribution or indemnity from a licensed retailer of alcoholic beverages or municipal liquor store for or because of an injury within the

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1985 Supplement, section 14.02, subdivision 4, is amended to read:

Subd. 4. [RULE.] “Rule” means *the whole or a part of every agency statement of general applicability and future effect, including amendments, suspensions, and repeals of*

rules, adopted to implement or make specific the law enforced or administered by it or to govern its organization or procedure. *Every agency statement that meets this definition is a rule, regardless of whether the agency labels the statement with another term, such as a policy, informational, interpretive, or instructional bulletin or statement.* (IT) Rule does not include (a) rules concerning only the internal management of the agency or other agencies, and which do not directly affect the rights of or procedure available to the public; (b) rules of the commissioner of corrections relating to the internal management of institutions under the commissioner's control and those rules governing the inmates thereof prescribed pursuant to section 609.105; (c) rules of the division of game and fish published in accordance with section 97.53; (d) rules relating to weight limitations on the use of highways when the substance of the rules is indicated to the public by means of signs; (e) opinions of the attorney general; (f) the systems architecture plan and long-range plan of the state education management information system provided by section 121.931; (g) the data element dictionary and the annual data acquisition calendar of the department of education to the extent provided by section 121.932; (h) the comprehensive statewide plan of the crime control planning board provided in section 299A.03; or (i) occupational safety and health standards provided in section 182.655.

**Sec. 2. [14.045] [RULEMAKING PLANNING PROCESS.]**

*Subdivision 1. [PURPOSE.] In order to create a coordinated process for developing on an annual basis Minnesota's rulemaking program, establish the state's rulemaking priorities, increase the accountability of agency heads for the rulemaking actions of their agencies, provide for executive and legislative oversight of the rulemaking process, reduce the burdens of existing and future rules, minimize duplication and conflict of rules, and enhance public, executive, and legislative understanding of the state's rulemaking objectives, there is established a rulemaking planning process by which agencies will develop and publish a rulemaking program for each year.*

*Subd. 2. [AGENCY SUBMISSION OF RULEMAKING PROGRAM.] (a) The head of each agency shall submit to the legislative commission to review administrative rulemaking a rulemaking program consisting of information summarizing all actions of the agency relating to rulemaking, planned or underway. These actions include actions taken to consider whether to initiate rulemaking, requests for public comment, the development of documents that may influence, anticipate, or could lead to the commencement of rulemaking at a later date, actions taken to seek new rulemaking authority from the legislature, or any agency action designated by the commission as related to rulemaking. An action relating to rulemaking does not include a contested case proceeding or other agency enforcement proceeding. The rulemaking program must include a concise statement summarizing the need for the proposed rules and*

the costs and benefits expected to result from the rules that may be proposed. The rulemaking program shall be submitted to the legislative commission each year on January 1, unless otherwise determined by the commission, and shall cover the period January 1 to December 31 of that year. After the end of each regular legislative session, each agency head shall review the agency's rulemaking program in light of action taken by the legislature and, if necessary, shall submit a revised rulemaking program to the commission by July 1.

(b) The agency's submission must explain how the proposed rulemaking program is consistent with the agency's authorizing legislation. The rulemaking program must specifically discuss the actions of the agency to amend or repeal existing rules.

(c) Each agency head shall summarize the rulemaking actions described in paragraph (a) in the format that the legislative commission specifies, and provide additional information that the commission requests.

The legislative commission may exempt from the requirements of this section any class or category of actions that the commission determines is not necessary to review in order to achieve the effective implementation of the program.

**Subd. 3. [REVIEW OF THE RULEMAKING PROGRAM.]**

(a) In reviewing each agency's rulemaking program, the legislative commission shall (i) consider the consistency of the rulemaking program with the legislature's policies and priorities and the rulemaking programs submitted by other agencies; and (ii) identify further actions that may, in the commission's view, be necessary to achieve this consistency. The commission may make recommendations to any agency concerning its rulemaking program. The commission may publish parts or all of any rulemaking program along with the commission's recommendations.

(b) If the agency head proposes to take an action relating to rulemaking not previously submitted for review under this section, or if the agency head proposes to take an action relating to rulemaking that is materially different from the action described in the agency's rulemaking program, the agency head shall immediately submit the action to the commission for review. Except in the case of emergency situations, as defined by the commission or statutory or judicial deadlines, the agency head shall not take the proposed rulemaking action until 20 days after this submission to the legislative commission. The commission may make recommendations concerning these proposed rulemaking actions.

**Subd. 4. [JUDICIAL REVIEW.]** This section is intended only to improve the internal management of state government, and is not intended to create any right or benefit, substantive or

*procedural, enforceable at law by a party against the state, its agencies, its officers, or any person.*

**Sec. 3. [14.116] [REVIEW OF PROPOSED RULES.]**

*Subdivision 1. [PROPOSED RULEMAKING NOTICE.] Before an agency orders the publication of a notice of intent to adopt rules, the agency shall send the legislative commission to review administrative rulemaking a notice of intent to proceed with rulemaking, including adoption, suspension, amendment, or repeal of any rule. The notice shall include the text of the proposed rule. Except in the case of emergency rules or other cases specified by the commission, the agency must wait 30 days for any comment or objections to the proposed rule from the commission before publishing notice of intent to adopt rules. In the case of emergency rules, the agency must wait five working days.*

*Subd. 2. [COMMISSION REVIEW.] (a) The commission shall prescribe procedures for reviewing proposed agency rules and may hold public meetings on proposed rules.*

*(b) Commission meetings must be open to the public. Subject to commission procedures, persons may present oral or written data or views at those meetings. The commission may require a representative of an agency whose proposed rule is under examination to attend a commission meeting to answer relevant questions. The commission may also communicate to the agency its comments on any proposed rule and require the agency to respond to them in writing. Unless impracticable, advance notice must be given of the time and place of each commission meeting and the specific subject matter to be considered.*

*(c) The commission may request the attorney general to issue an opinion on whether or not an agency has statutory authority to adopt a proposed rule. The attorney general shall assure that persons responsible for assisting in the preparation of the opinion are not responsible for advising or assisting the agency in the adoption of the proposed rules. The attorney general shall respond to the commission within ten days of receipt of the commission's request for an opinion.*

*(d)(1) If the commission objects to all or some portion of a proposed rule the commission shall file that objection with the agency proposing the rule and with the revisor of statutes. The filed objection must contain a concise statement of the commission's reasons for its action. The commission shall maintain a permanent register of all objections by the commission.*

*(2) Within 14 days after the commission files an objection to a rule, the issuing agency shall respond in writing to the commis-*

*sion. After receipt of the response, the commission may withdraw or modify its objection.*

*(3) If the agency decides to proceed with adopting the portion of the rule that the commission objects to, the agency must publish notice of the commission's objection as soon as possible in the state register. If the commission does not withdraw its objection and if the agency adopts the rule, existence of the objection shall be indicated adjacent to any rule published in Minnesota Rules.*

*(4) After the commission files an objection that is not subsequently withdrawn, the burden is upon the agency, in any proceeding for judicial review or for enforcement of the rule, to establish that the whole or portion of the rule objected to is procedurally and substantively valid.*

*(5) The failure of the commission to object to a rule is not an implied legislative authorization of its procedural or substantive validity.*

#### Sec. 4. [14.117] [RULEMAKING ANALYSIS.]

*(a) An agency shall issue a rulemaking analysis of a proposed rule if, within 20 days after the notice of proposed rule adoption under section 14.14, subdivision 1a, or 14.22 is published, a written request for the analysis is filed with the agency by the commission to review administrative rulemaking or the governor.*

*(b) Except to the extent that the written request expressly waives one or more of the following, the rulemaking analysis must contain:*

*(1) a description of the classes of persons who probably will be affected by the proposed rule, including classes that will bear the costs of the proposed rule, and classes that will benefit from the proposed rule;*

*(2) a description of the probable quantitative and qualitative impact of the proposed rule, economic and otherwise, upon affected classes of persons;*

*(3) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;*

*(4) a comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction;*

(5) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule;

(6) a description of any alternative methods for achieving the purpose of the proposed rule that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule; and

(7) a description of how the proposed rule is different from any federal laws regulating the same activity, and why it is necessary and reasonable to have different state rules.

(c) Each rulemaking analysis must include quantification of the data to the extent practicable and must take account of both short-term and long-term consequences.

(d) A concise summary of the rulemaking analysis must be published in the state register and an agency may not proceed with a proposed rulemaking until at least 20 days after publication in the state register.

(e) The published summary of the rulemaking analysis must indicate where persons may obtain copies of the full text of the analysis and where, when, and how persons may present their views on the proposed rule and make a written request for a public hearing.

(f) If the agency has made a good faith effort to comply with the requirements of clauses (a) to (c), the rule may not be invalidated on the grounds that the contents of the rulemaking analysis are insufficient or inaccurate.

#### Sec. 5. [14.121] [SUSPENSION OF PROCEDURES.]

When compliance with the rulemaking provisions of the administrative procedure act would result in a denial of funds or services from the United States government that would otherwise be available to the state, upon written request of an agency, the attorney general, by order, may suspend one or more of the rulemaking provisions of the administrative procedure act. The written request must contain a full explanation of the grounds for the request, and a copy of the request must be sent to persons who have requested to be notified of agency rulemaking actions under section 14.14, subdivision 1a, at the time the request is provided to the attorney general. An order must suspend the minimum number of portions of the administrative procedure act for the minimum time necessary to avoid a denial of federal funds or services. The attorney general must issue an order terminating the suspension as soon as the suspension is no longer necessary to prevent the loss of funds or services from the United States government. The issuance of an order under this

*section is not subject to chapter 14, except as specifically provided in this section.*

*Before issuing an order suspending provisions of the administrative procedure act, the attorney general must notify the legislative commission to review administrative rulemaking. The notification must include a list of the rulemaking provision that the attorney general intends to suspend and any comments received from members of the public. If any of the rulemaking provisions of the administrative procedure act are suspended under this section, the attorney general shall promptly publish the order of suspension in the state register and report the suspension to the legislative commission to review administrative rules. Notwithstanding any suspension of portions of the rulemaking provisions of the administrative procedure act under this section, an agency must submit proposed rules to the legislative commission to review administrative rulemaking at least five working days before it begins the process of adopting the rules and the commission may object to the rules under section 3.*

*Any suspension issued under this section shall apply only to the agency requesting the suspension and only to the rules required to be adopted, amended, suspended, or repealed. An agency that receives a suspension order or an order terminating a suspension from the attorney general must immediately publish notice of the suspended or reinstated portions of the administrative procedure act in the state register and give immediate notice to all persons whose names are registered with the agency to receive rulemaking notices.*

Sec. 6. Minnesota Statutes 1984, section 14.29, subdivision 1, is amended to read:

Subdivision 1. (WHEN) *An agency shall adopt emergency rules in accordance with sections 14.29 to 14.36 if: (1) an agency is directed by statute, federal law or court order to adopt, amend, suspend or repeal a rule in a manner that does not allow for compliance with sections 14.14 to 14.28 (,); or (IF) (2) an agency is expressly required or authorized by statute to adopt emergency rules (, THE AGENCY SHALL ADOPT EMERGENCY RULES IN ACCORDANCE WITH SECTIONS 14.29 TO 14.36).*

Sec. 7. Minnesota Statutes 1984, section 14.29, subdivision 2, is amended to read:

Subd. 2. (UNLESS AN AGENCY IS DIRECTED BY FEDERAL LAW OR COURT ORDER TO ADOPT, AMEND, SUSPEND, OR REPEAL A RULE IN A MANNER THAT DOES NOT ALLOW FOR COMPLIANCE WITH SECTIONS 14.14 TO 14.28, NO) *If an agency is expressly required or authorized by statute to adopt emergency rules under subdivision 1, clause (2),*

*the agency may not adopt an emergency rule later than 180 days after the effective date of the statutory authority, except as provided in subdivision 3. If emergency rules are not adopted within the time allowed, the authority for the rules expires. The time limit of this section does not include any days used for review by the attorney general. If the 180-day period expires while the attorney general is reviewing the rule and the attorney general disapproves the rule, the agency may resubmit the rule to the attorney general after taking corrective action. The resubmission must occur within five working days after the agency receives written notice of disapproval. If the rule is again disapproved by the attorney general, it is withdrawn.*

Sec. 8. Minnesota Statutes 1984, section 14.39, is amended to read:

**14.39 [LEGISLATIVE COMMISSION TO REVIEW ADMINISTRATIVE (RULES) RULEMAKING; COMPOSITION; MEETINGS.]**

*A legislative commission (FOR REVIEW OF ADMINISTRATIVE RULES, CONSISTING OF FIVE SENATORS APPOINTED BY THE COMMITTEE ON COMMITTEES OF THE SENATE AND FIVE REPRESENTATIVES APPOINTED BY THE SPEAKER OF THE HOUSE OF REPRESENTATIVES) to review administrative rulemaking shall be appointed. The commission consists of the chair of the house rules and legislative administration committee or the chair's designee, the chair of the house governmental operations committee or the chair's designee, a member of the house minority caucus appointed by the house minority leader, the chair of the senate rules and legislative administration committee or the chair's designee, the chair of the senate governmental operations committee or the chair's designee, a member of the minority caucus appointed by the senate minority leader, two members of the house appointed by the speaker, and two members of the senate appointed by the committee on committees. The commission shall meet at the call of its chairman or upon a call signed by two of its members or signed by five members of the legislature. The legislative commission chairmanship shall alternate between the two houses of the legislature every two years.*

Sec. 9. Minnesota Statutes 1985 Supplement, section 14.40, is amended to read:

**14.40 [REVIEW OF RULES BY COMMISSION.]**

*Subdivision 1. [PURPOSES.] The commission shall promote adequate and proper rules by agencies and an understanding upon the part of the public respecting them.*

*Subd. 2. [REVIEW OF ADOPTED RULES.] The jurisdiction of the commission includes all rules as defined in section*

14.02, subdivision 4. The commission also has jurisdiction of rules which are filed with the secretary of state in accordance with section 14.38, subdivisions 5, 6, 7, 8, 9, and 11 or were filed with the secretary of state in accordance with the provisions of section 14.38, subdivisions 5 to 9, which were in effect on the date the rules were filed. It may hold public hearings to investigate complaints with respect to rules if it considers the complaints meritorious and worthy of attention. If the rules that are the subject of the public hearing were adopted without a rulemaking hearing, it may request the office of administrative hearings to hold the public hearing and prepare a report summarizing the testimony received at the hearing. The office of administrative hearings shall assess the costs of the public hearing to the agency whose rules are the subject of the hearing.

*Subd. 3. [SUSPENSION OF ADOPTED RULES.]* The commission may, on the basis of the testimony received at the public hearings, suspend any rule complained of by the affirmative vote of at least six members provided the provisions of section 14.42 have been met. If any rule is suspended, the commission shall as soon as possible place before the legislature, at the next year's session, a bill to repeal the suspended rule. If the bill is not enacted in that year's session, the rule is effective upon adjournment of the session unless the agency has repealed it. If the bill is enacted, the rule is repealed.

*Subd. 4. [REVIEW OF PROPOSED RULEMAKING ACTION.]* The commission shall review agency rulemaking programs under section 2. The commission shall review proposed rules as specified in section 3.

*Subd. 5. [OTHER ACTION.]* The commission has jurisdiction to hear complaints alleging that an agency was required to, but did not, comply with rulemaking procedures before taking an action. The commission may hold public hearings to investigate these complaints. The commission may object to an agency action on the ground that the agency was required to, but did not, comply with rulemaking procedures before taking an action.

*The commission must file any objection with the agency taking the action. An agency must submit notice of the objection to the state register within 20 days of receiving the objection from the commission. The agency must respond in writing to the commission concerning the objection. The commission may withdraw or modify its objection. If an objection is withdrawn or modified, the commission shall file notice of this with the agency. The agency must submit notice of the withdrawal or modification to the state register within 20 days of receiving notice.*

*When the commission files an objection that is not withdrawn, the burden is on the agency in any proceeding for judicial review of the action to establish that the action can lawfully be taken without complying with rulemaking procedures. A court shall*

*award reasonable attorney fees to a prevailing party for that portion of a lawsuit in which the court determines that an agency was required to, but did not, comply with rulemaking procedures before taking an action.*

*Subd. 6. [RECOMMENDED LEGISLATION.] The commission may recommend enactment of a statute to improve the operation of an agency. The commission may also recommend that a rule be repealed in whole or in part by statute. The commission shall request the speaker of the house and the majority leader of the senate to refer these recommendations to the appropriate standing committees for their consideration.*

*Subd. 7. [REPORT.] The commission shall make a biennial report to the legislature and governor of its activities and include its recommendations to promote adequate and proper rules and public understanding of the rules.*

[ORDER.] Unless the obligee has group dependent health insurance coverage available at a more reasonable cost, the court shall order the obligor to name the minor child as beneficiary on any health and dental insurance plan that is available to the obligor on a group basis or through an employer or union.*

*If the court finds that dependent health or dental insurance is not available to the obligor on a group basis or through an employer or union, or that the group insurer is not accessible to the obligee, the court may require the obligor to obtain dependent health or dental insurance, or to be liable for reasonable and necessary medical or dental expenses of the child.*

*Subd. 2. [SPOUSAL COVERAGE.] The court shall require the obligor to provide dependent health and dental insurance for the benefit of the obligee if it is available at no additional cost to the obligor and in this case the provisions of this section apply.*

*Subd. 3. [IMPLEMENTATION.] A copy of the court order for insurance coverage shall be forwarded to the obligor's employer or union by the obligee or the public authority responsible for support enforcement only when ordered by the court or when the following conditions are met:*

- (1) the obligor fails to provide written proof to the obligee or the public authority, within 30 days of receiving effective notice of the court order, that the insurance has been obtained or that application for insurability has been made;*

- (2) the obligee or the public authority serves written notice of its intent to enforce medical support on the obligor by mail at his or her last known post office address; and*

(3) *the obligor fails within 15 days after the mailing of the notice to provide written proof to the obligee or the public authority that the insurance coverage existed as of the date of mailing.*

*Subd. 4. [EFFECT OF ORDER.] The order is binding on the employer or union when service under subdivision 3 has been made. Upon receipt of the order, or upon application of the obligor pursuant to the order, the employer or union shall enroll the minor child as a beneficiary in the group insurance plan and withhold any required premium from the obligor's income or wages. If more than one plan is offered by the employer or union, the child shall be enrolled in the insurance plan in which the obligor is enrolled or the least costly plan otherwise available to the obligor that is comparable to a number two qualified plan. The insurance coverage for a child eligible under subdivision 5 shall not be terminated except as authorized in subdivision 5.*

*Subd. 9. [APPLICATION FOR SERVICE.] The public agency responsible for support enforcement shall take necessary*

*steps to implement and enforce an order for dependent health or dental insurance whenever the children receive public assistance, or upon application of the obligee to the public agency and payment by the obligee of any fees required by section 518.551.*

Sec. 11. Minnesota Statutes 1985 Supplement, section 518.611, subdivision 4, is amended to read:

An employer or other payor of funds in this state is required to withhold income according to court orders for withholding issued by other states or territories. The payor shall withhold from the income payable to the obligor the amount specified in the order and amounts required under subdivision 2, paragraph (b) and shall remit, (MONTHLY OR MORE FREQUENTLY) *within ten days of the date the obligor is paid the remainder of the income*, the amounts withheld to the public authority. *Employers may combine all amounts withheld from one pay period into one payment to each public authority, but shall separately identify each obligor making payment.* Amounts received by the public authority which are in excess of public assistance expended for the party or for a child shall be remitted to the party. An employer shall not discharge, or refuse to hire, or otherwise discipline an employee as a result of a wage or salary withholding authorized by this section. The employer or other payor of funds shall be liable to the obligee for any amounts required to be withheld.

Sec. 12. Minnesota Statutes 1985 Supplement, section 518.611, subdivision 6, is amended to read:

Subd. 6. [PRIORITY.] An order for withholding under this section or execution or garnishment upon a judgment for child support arrearages or preadjudicated expenses shall have priority over an attachment, execution, garnishment, or wage assignment and shall not be subject to the statutory limitations on amounts levied against the income of the obligor. Amounts withheld from an employee's income must not exceed the maximum permitted under the Consumer Credit Protection Act, United States Code, title 15, section 1673(b)(2). If there is more than one withholding order on a single employee, the employer shall put them into effect, *giving priority first to amounts currently due and not in arrears and then to other amounts*, in the (ORDER) *sequence in which the withholding orders were received up to the maximum allowed in the Consumer Credit Protection Act.*

Sec. 13. Minnesota Statutes 1984, section 518.611, is amended by adding a subdivision to read:

*Subd. 8a. [LUMP SUM PAYMENTS.] Upon the transmittal of the last reimbursement payment to the employee, where lump sum severance pay, accumulated sick pay or vacation pay is paid upon termination of employment, and where the employee is in arrears in making court ordered child support payments, the employer shall withhold an amount which is the lesser of (1) the amount in arrears or (2) that portion of the arrearages which is the product of the obligor's monthly court ordered support amount multiplied by the number of months of net income that the lump sum payment represents.*

**Sec. 14. Minnesota Statutes 1985 Supplement, section 518.645, is amended to read:**

**518.645 [FORM OF ORDER.]**

The sum of ..... per ....., representing child support and/or spousal maintenance, ordered by the Court, shall be withheld from the (Husband/Wife Respondent/Petitioner)'s income on ..... by (his/her) present employer or other payor of funds, ..... , and any future employer or other payor of funds, and shall be remitted to: ....., monthly or more frequently, in accordance with the provisions of Minnesota Statutes, Chapter 518. The file number above and the Obligor's name shall be included with each remittance.

2. An additional amount equal to 20 percent of the amount required to be withheld by paragraph 1 shall be withheld from the income of the Obligor by the employer or payor until the entire arrearage in paragraph 3(b) is paid.

3. The parties are notified that CHILD SUPPORT AND/OR MAINTENANCE WILL BE WITHHELD FROM INCOME ONLY AFTER ALL OF THE FOLLOWING CONDITIONS HAVE BEEN MET:

5. The payments shall begin to be withheld no later than the first pay period that occurs after 14 days following the date of mailing of the notice to the employer or other payor of funds in paragraph 3(d) and from that date the employer or other payor of funds is liable for amounts required to be withheld.

6. This order for withholding takes priority over any attachment, execution, garnishment, or wage assignment levied against the income of the Obligor. Amounts withheld are not subject to other statutory limitations on amounts levied against the income of the Obligor but must not exceed the maximum permitted under the federal Consumer Credit Protection Act, United States Code, title 15, section 1673(b) (2). If there is more than one withholding order on a single Obligor, the employer or other payor of funds shall put them into effect in the order received, up to the maximum allowed under the Consumer Credit Protection Act.

7. When the Obligor's employment is terminated or the periodic payment ends, the employer or other payor of funds is required to notify ..... within 30 days of the termination date. The notice must include the Obli-

gor's home address of record and, if known, the name and address of the Obligor's new employer or other payor of funds.

8. Upon transmittal of the last reimbursement payment to the obligor, where lump sum severance pay, accumulated sick pay or vacation pay is paid upon termination of employment, and where the employee is in arrears in making court ordered child support payments, the employer must withhold an amount which is the lesser of (1) the amount in arrears or (2) that portion of the arrearages which is the product of the obligor's monthly court ordered support amount multiplied by the number of months of net income that the lump sum payment represents.

March 14, 1986

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable David M. Jennings  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 31, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 31 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1984, section 361.02, subdivision 9, is amended to read:

Subd. 9. “Underway or in use” means any watercraft in operation or use (WHEN NOT) *unless it is securely fastened to a dock or other permanent mooring. As used in section 361.12 and section 3, “underway or in use” means any motorboat in operation unless it is fastened to a dock or other mooring, anchored, or beached.*

Sec. 2. Minnesota Statutes 1984, section 361.12, is amended to read:

**361.12 [ALCOHOL, DRUGS, PHYSICAL OR MENTAL DISABILITY.]**

Subdivision 1. [ACTS PROHIBITED.] (a) No person shall operate or be in (ACTUAL) physical control of any (WATERCRAFT) motorboat while underway or in use on the waters of this state while under the influence of:

(1) alcohol, as provided in section 169.121, subdivision 1 (OR), *clauses (a) and (d);*

(2) a controlled substance, as defined in section 152.01, subdivision 4; or

(3) a combination of any two or more of the elements named in clauses (1) and (2).

(b) No owner or other person having charge or control of any (WATERCRAFT) motorboat shall (KNOWINGLY) au-

thorize or permit any (PERSON WHO) *individual the person knows or has reason to believe is under the influence of alcohol (,) or a controlled substance, as provided under paragraph (a), to operate (SUCH WATERCRAFT) the motorboat while underway or in use on the waters of this state.*

(SUBD. 2.)(c) No owner or other person having charge or control of any (WATERCRAFT) *motorboat shall knowingly authorize or permit any person, who by reason of any physical or mental disability is incapable of operating (SUCH WATERCRAFT) the motorboat, to operate (SUCH WATERCRAFT) the motorboat while underway or in use on the waters of this state.*

*Subd. 2. [ARREST.] Conservation officers of the department of natural resources, sheriffs, sheriff's deputies, and other peace officers may arrest a person for a violation under subdivision 1 without a warrant upon probable cause, if the violation was committed in the officer's presence. If the violation did not occur in the officer's presence, the officer may arrest the person if the person was involved in a motorboat accident resulting in death, personal injury, or property damage.*

*Subd. 3. [PRELIMINARY SCREENING TEST.] When an officer authorized under subdivision 2 to make arrests has reason to believe from the manner in which a person is operating, controlling, or acting upon departure from a motorboat, or has operated or been in control of a motorboat, that the operator may be violating or has violated subdivision 1, paragraph (a), the officer may require the operator to provide a breath sample for a preliminary screening test using a device approved by the commissioner of public safety for this purpose. The results of the preliminary screening test shall be used for the purpose of deciding whether any arrest should be made under this section and whether to require the chemical test authorized in section 3, but may not be used in any court action except to prove that a test was properly required of an operator pursuant to section 3. Following the preliminary screening test, additional tests may be required of the operator as provided under section 3. Any operator who refuses a breath sample is subject to the provisions of section 3 unless, in compliance with that section, the operator submits to a blood, breath, or urine test to determine the presence of alcohol or a controlled substance.*

*Subd. 4. [EVIDENCE.] (a) Upon the trial of any prosecution arising out of acts alleged to have been committed by any person arrested for operating or being in physical control of any motorboat in violation of subdivision 1, paragraph (a), the court may admit evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine as shown by an analysis of those items.*

*(b) For the purposes of this subdivision:*

(1) *evidence that there was at the time an alcohol concentration of 0.05 or less is prima facie evidence that the person was not under the influence of alcohol;*

(2) *evidence that there was at the time an alcohol concentration of more than 0.05 and less than 0.10 is relevant evidence in indicating whether or not the person was under the influence of alcohol.*

(c) *Evidence of the refusal to take a preliminary screening test required under subdivision 3 or a chemical test required under section 3 is admissible into evidence in a prosecution under this section.*

(d) *This subdivision does not limit the introduction of any other competent evidence bearing upon the question whether or not the person was under the influence of alcohol or a controlled substance, including results obtained from partial tests on an infrared breath-testing instrument. A result from a partial test is the measurement obtained by analyzing one adequate breath sample. A sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient.*

*Subd. 5. [PENALTIES.] (a) A person who violates any prohibition contained in subdivision 1 is guilty of a misdemeanor; except that a person who violates any prohibition contained in subdivision 1 within five years of a prior conviction under that subdivision or civil liability under section 3, subdivision 2, or within ten years of two or more prior convictions under that subdivision or civil liability under section 3, subdivision 2, is guilty of a gross misdemeanor.*

(b) *A person who operates a motorboat on the waters of this state during the period the person is prohibited from operating any motorboat or after the person's motorboat operator's permit has been revoked, as provided under subdivision 6, is guilty of a misdemeanor.*

*Subd. 6. [OPERATING PRIVILEGES SUSPENDED; REVOKED.] (a) Upon conviction, and in addition to any penalty imposed under subdivision 5, the person is prohibited from operating any motorboat on the waters of this state for a period of 90 days between May 1 and October 31, extending over two consecutive years if necessary.*

(b) *A person 13 years of age or older but less than 18 years of age who violates any prohibition contained in subdivision 1 shall have his motorboat operator's permit revoked by the commissioner as required by section 361.22, subdivision 2, in addition to any other penalty imposed by the court.*

*Subd. 7. [DUTIES OF COMMISSIONER.] The court shall promptly forward copies of all convictions and criminal and civil*

penalties imposed under subdivision 5 and section 3, subdivision 2, to the commissioner. The commissioner shall notify the convicted person of the period during which the person is prohibited from operating a motorboat as provided under subdivision 6 or section 3, subdivision 2. The commissioner shall also periodically circulate to appropriate law enforcement agencies a list of all persons who are prohibited from operating any motorboat or have had their motorboat operator's permits revoked pursuant to subdivision 6 or section 3, subdivision 2.

Subd. 8. [IMMUNITY FROM LIABILITY.] *The state or political subdivision which is the employer of an officer authorized under subdivision 2 to make an arrest for violations of subdivision 1 is immune from any liability, civil or criminal, for the care or custody of the motorboat being operated by or in the physical control of the person arrested if the officer acts in good faith and exercises due care.*

Sec. 3. [361.121] [MANDATORY TESTING.]

Subdivision 1. [CHEMICAL TESTING.] *A person who operates or is in physical control of a motorboat while underway or in use on the waters of this state is required, subject to the provisions of this section, to take or submit to a test of the person's blood, breath, or urine for the purpose of determining the presence and amount of alcohol or a controlled substance. The test shall be administered at the direction of an officer authorized to make arrests under section 361.12, subdivision 2. Taking or submitting to the test is mandatory when requested by an officer who has probable cause to believe the person was operating or in physical control of a motorboat in violation of section 361.12, subdivision 1, paragraph (a), and one of the following conditions exist:*

(1) *the person has been lawfully placed under arrest for violating section 361.12, subdivision 1, paragraph (a);*

(2) *the person has been involved in a motorboat accident resulting in property damage, personal injury, or death;*

(3) *the person has refused to take the preliminary screening test provided for in section 361.12, subdivision 3; or*

(4) *the screening test was administered and recorded an alcohol concentration of 0.10 or more.*

Subd. 2. [PENALTIES.] (a) *A person who refuses to take a test required under subdivision 1 is subject to a civil penalty not to exceed \$700 and, in addition, the person is prohibited from operating any motorboat on the waters of this state for a period of one year.*

(b) A person who operates a motorboat on the waters of this state during the period the person is prohibited from operating any motorboat as provided under paragraph (a) is guilty of a misdemeanor.

Subd. 3. [RIGHTS AND OBLIGATIONS.] At the time a test is requested, the person must be informed:

(1) that Minnesota law requires a person to take a test to determine if the person is under the influence of alcohol or a controlled substance;

(2) that a person is subject to a civil penalty not to exceed \$700 for refusing to take the test and, in addition, the person is prohibited from operating any motorboat, as provided under subdivision 2, for refusing to take the test;

(3) that if testing is refused it will not affect the person's motor vehicle driver's license;

(4) that if the test is taken and the results indicate that the person is under the influence of alcohol or a controlled substance, the person will be subject to criminal penalties and in addition to any other penalties the court may impose, the person's operating privileges will be suspended as provided under section 361.12, subdivision 6, paragraph (a);

(5) that, after submitting to testing, the person has the right to have additional tests made by a person of his own choosing; and

(6) that, if he refused to take a test, the refusal will be offered into evidence against him at trial.

Subd. 4. [REQUIREMENT OF URINE TEST.] Notwithstanding subdivision 1, if there are reasonable and probable grounds to believe there is impairment by a controlled substance which is not subject to testing by a blood or breath test, a urine test may be required even after a blood or breath test has been administered.

Subd. 5. [BREATH TEST USING AN INFRARED BREATH-TESTING INSTRUMENT.] In the case of a breath test administered using an infrared breath-testing instrument, the test shall consist of analyses in the following sequence: one adequate breath sample analysis, one calibration standard analysis, and a second, adequate breath sample analysis. In the case of a test administered using an infrared breath-testing instrument, a sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient. For purposes of this section, when a test is administered using an infrared breath-testing instrument, failure of a person to provide

*two separate adequate breath samples in the proper sequence constitutes a refusal to take the test.*

*Subd. 6. [CONSENT OF PERSON INCAPABLE OF REFUSAL NOT WITHDRAWN.] A person who is unconscious or who is otherwise in a condition rendering the person incapable of refusal is deemed not to have withdrawn the consent provided by subdivision 1 and the test may be given.*

*Subd. 7. [MANNER OF MAKING TEST; ADDITIONAL TESTS.] Only a physician, medical technician, physician's trained mobile intensive care paramedic, registered nurse, medical technologist, or laboratory assistant acting at the request of a peace officer authorized to make arrests under section 361.12, subdivision 2, may withdraw blood for the purpose of determining the presence of alcohol or controlled substance. This limitation does not apply to the taking of a breath or urine sample. The person tested has the right to have a person of his own choosing administer a chemical test or tests in addition to any administered at the direction of a peace officer; provided, that the additional test sample on behalf of the person is obtained at the place where the person is in custody, after the test administered at the direction of a peace officer, and at no expense to the state. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission in evidence of the test taken at the direction of a peace officer unless the additional test was prevented or denied by the peace officer. The physician, medical technician, physician's trained mobile intensive care paramedic, medical technologist, laboratory assistant, or registered nurse drawing blood at the request of a peace officer for the purpose of determining alcohol concentration shall in no manner be liable in any civil or criminal action except for negligence in drawing the blood. The person administering a breath test shall be fully trained in the administration of breath tests pursuant to training given by the commissioner of public safety.*

**Sec. 4. [EFFECTIVE DATE.]**

*Sections 1 to 3 are effective May 15, 1986, and apply to offenses committed on or after that date."*

Delete the title and insert:

Subd. 3. Real estate shall be entitled to valuation and tax deferment under this section only if it is:

(a) actively and exclusively devoted to golf, skiing or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of an archery or firearms range; (AND)

(c) (1) operated by private individuals and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more, *provided that the club does not discriminate in membership requirements or selection on the basis of sex; and*

(d) *made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.*

*For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.*

Sec. 2. Minnesota Statutes 1984, section 273.112, subdivision 4, is amended to read:

Subd. 4. The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 6, be determined solely with reference to its appropriate private outdoor, recreational, open space and park land classification and value notwithstanding (MINNESOTA STATUTES 1967,) sections 272.03, subdivision 8, and 273.11. In determining such value for ad valorem tax purposes the assessor shall not consider the value such real estate would have if it were converted to commercial, industrial, residential or seasonal residential use.

Sec. 3. Minnesota Statutes 1984, section 273.112, subdivision 6, is amended to read:

Subd. 6. Application for deferment of taxes and assessment under this section shall be made at least 60 days prior to January 2 of each year. Such application shall be filed with the assessor of the taxing district in which the real property is located on such form as may be prescribed by the commissioner of revenue. The assessor may require proof by affidavit or (OTHERWISE) *other written verification* that the property qualifies under subdivision 3. *In the case of property operated by private clubs pursuant to subdivision 3, clause (c) (3), in order to qualify for valuation and tax deferment under this section, the taxpayer must submit to the assessor proof by affidavit or other written verification that the bylaws or rules and regulations of the club meet the eligibility requirements provided under this section. The signed affidavit or other written verification shall be sufficient demonstration of eligibility for the assessor unless the county attorney determines otherwise.*

*The county assessor shall refer any question regarding the eligibility for valuation and deferment under this section to the county attorney for advice and opinion under section 338.051, subdivision 1. Upon request of the county attorney, the taxpayer shall furnish information that the county attorney considers necessary in order to determine eligibility under this section.*

Sec. 4. Minnesota Statutes 1984, section 273.112, is amended by adding a subdivision to read:

*Subd. 7a. Notwithstanding subdivision 7, when real property ceases to qualify under subdivision 3 because of failure to comply with prohibitions against discrimination on the basis of sex, payment of additional taxes imposed under subdivision 7 is not required.*

Sec. 5. [EFFECTIVE DATE.]

*Sections 1, 3, and 4 are effective for taxes levied in 1986, payable in 1987, and thereafter. The assessor of any taxing district*

*that contains property that has been valued under Minnesota Statutes, section 273.112, for taxes levied in 1985, payable in 1986, shall notify the owner of that property by May 1, 1986, regarding the requirements imposed by this act. Notwithstanding section 273.112, subdivision 6, in order to qualify for the valuation and tax deferral for the 1986 assessment, the taxpayer of the property operated by private clubs pursuant to subdivision 3, clause (c)(3), must submit an affidavit or other written verification to the assessor by October 1, 1986, stipulating that the bylaws or rules and regulations of the private club will meet the eligibility provisions of this act by December 31, 1986."*

CONFERENCE COMMITTEE REPORT ON H. F. NO. 2169

March 15, 1986

The Honorable David M. Jennings  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 2169, report that we have agreed upon the items in dispute and recommend as follows :

That the Senate recede from its amendment and that H. F. No. 2169 be further amended as follows :

Delete everything after the enacting clause and insert :

“Section 1. Minnesota Statutes 1985 Supplement, section 92.46, subdivision 1, is amended to read:

Subdivision 1. [PUBLIC CAMP GROUNDS.] (a) The director may designate suitable portions of the state lands withdrawn from sale and not reserved, as provided in section 92.45, as permanent state public camp grounds. The director may have the land surveyed and platted into lots of convenient size, and lease them for cottage and camp purposes under terms and conditions he or she prescribes, subject to the provisions of this section.

(b) A lease may not be made for a term more than 20 years. The lease may allow renewal, from time to time, for additional terms of no longer than 20 years each. The lease may be canceled by the commissioner 90 days after giving the person leasing the land written notice of violation of lease conditions. The lease rate shall be based on the appraised value of leased land as determined by the commissioner of natural resources. The appraised value shall be the value of the leased land without any private improvements and must be comparable to similar land without any improvements within the same county.

(c) By July 1, 1986, the commissioner of natural resources shall adopt rules under chapter 14 to establish procedures for leasing land under this section. The rules shall be subject to review and approval by the commissioners of revenue and administration prior to the initial publication pursuant to chapter 14 and prior to their final adoption. The rules must address at least the following:

- (1) method of appraising the property;
- (2) determination of lease rates; and
- (3) an appeal procedure for both the appraised values and lease rates.

(d) All money received from these leases must be credited to the fund to which the proceeds of the land belong.

Notwithstanding section 16A.125 or any other law to the contrary, 50 percent of the money received from the lease of permanent school fund lands leased pursuant to this subdivision shall be deposited into the permanent school trust fund. *However, in fiscal years 1986, 1987, 1988, and 1989 up to 50 percent of the money received from the lease of permanent school fund lands that would otherwise be deposited into the permanent school trust fund may be used to survey lots as required in section 2, subdivision 3. Any money that is not needed to survey lots shall be deposited in the permanent school trust fund.*

## Sec. 2. [92.67] [SALE PROCEDURE.]

*Subdivision 1. [SALE REQUIREMENT.] Notwithstanding section 92.45, at the request of a lessee the commissioner of natural resources shall sell state property bordering public waters that is leased for the purpose of a private cabin under section 92.46 and recommended to be sold under the inventory prepared pursuant to Laws 1985, First Special Session chapter 14, article 17, section 4. Requests for sale must be made prior to July 1, 1991, and the commissioner shall complete all requested sales by July 1, 1992. The lessee making the request may designate the lesser of \$500 or the lease payment in the year the request is made to be used as part of the down payment. The sale shall be made in accordance with laws providing for the sale of trust fund land except as modified by the provisions of this section.*

*Subd. 2. [APPRAISAL.] An appraisal shall be made in accordance with section 92.12, except as modified by this section. The improvements that are owned by the lessee shall be appraised separately.*

*Subd. 3. [APPOINTMENT OF APPRAISERS; ALLOCATION OF APPRAISAL AND SURVEY COSTS.] (a) The commissioner of natural resources shall provide the lessee requesting the sale with a list of all appraisers approved by the commissioner of administration for the appraisal of property for the state. The lessee requesting the sale may select a person from the list to appraise the property to be sold. If more than one lessee of a cabin site lot leased by the commissioner under section 92.46 within a platted area requests the sale of a leased lot, all requesting lessees may jointly agree upon an appraiser from the list. If the lessee or lessees do not select an appraiser, the commissioner of natural resources shall select the appraiser.*

*(b) The costs of appraisal shall be allocated by the commissioner to the lots offered for sale and the successful bidder on each lot shall reimburse the commissioner for the appraisal costs allocated to the lot bid upon. If there are no successful bidders on a lot, the commissioner is responsible for the appraisal cost allocated to that lot.*

*(c) The commissioner shall survey a lot prior to offering it for sale. The commissioner is responsible for the survey cost.*

*(d) The lessee may stop the sale process after the appraisal but before the sale. The lessee must reimburse the commissioner for the cost of the appraisal if the sale is stopped.*

*Subd. 4. [TIMING OF SALES.] (a) The commissioner shall offer lakeshore cabin site lots for sale pursuant to written request and in accordance with the following schedule:*

(1) *as to requests received before January 1, 1987, the sale shall be held in June, July, or August 1987;*

(2) *as to requests received each calendar year after December 31, 1986, the sale shall be held in June, July, or August of the year after the request is received.*

(b) *The last sales shall be held in 1992. Lots not sold the first year offered may be reoffered in a succeeding year, following reappraisal if it is determined necessary by the commissioner.*

(c) *If a person other than the lessee purchases the leased lakeshore cabin site, the purchaser must make payment in full to the lessee at the time of the sale for the appraised value of any improvements. Failure of a successful bidder to comply with this provision voids the sale and the property must be rebid, if possible, at the same sale.*

*Subd. 5. [TERMS OF SALE.] For the sale of the public lands under this section, the purchaser shall pay the state ten percent of the purchase price at the time of the sale. The balance must be paid in no more than 20 equal annual installments. The interest rate on the remaining balance shall be eight percent per year.*

*Subd. 6. [SALE PROCEEDS.] After deducting the costs of the sale, excluding survey costs, from the purchase price, the balance shall be invested as provided by the Minnesota Constitution, article XI, section 8.*

### **Sec. 3. [92.68] [MISCELLANEOUS.]**

*Subdivision 1. [SHORELINE INCLUDED.] Notwithstanding section 92.45, the shoreline of leased sites sold under section 2 is not reserved for public travel.*

*Subd. 2. [LOCAL ZONING.] For the purpose of local zoning ordinances, land sold under section 2 shall be treated as if purchased at the time the state first leased the sites.*

*Subd. 3. [ROAD ACCESS.] Rights of access across state property to the lots offered for sale that are in existence at the time of sale, and not included in the sale, may not be terminated by the commissioner without the consent of the purchasers of the lots or their successors in interest. The commissioner may impose a fee for the access rights in the same manner as for other similar accesses except that the commissioner may not impose a fee for access rights where no fee is now being charged.*

### **Sec. 4. [92.69] [ENDOWMENT ACCOUNT.]**

*Subdivision 1. [PROCEEDS OF LAND ACQUISITION ACCOUNT.] To ensure educational opportunities provided by Minnesota scientific and natural areas as described in section 86A.05, subdivision 5, are adequately available for present and future generations, the proceeds received under sections 1 to 3 that are credited to the land acquisition account under section 94.165 must be spent on scientific and natural areas.*

*Subd. 2. [ACCOUNT.] (a) A natural areas legacy endowment account is established in the state treasury. The commissioner of natural resources shall accept private contributions for educational opportunities provided by scientific and natural areas and deposit the contributions in the account. The principal deposited in the account shall be retained in the endowment account.*

*(b) The interest from the principal may be spent by the commissioner of natural resources for the protection, management, and inventory of lands with rare and endangered species or undisturbed plant communities that qualify as state scientific and natural areas under section 86A.05, subdivision 5.*

#### **Sec. 5. [WINONA COUNTY LAND SALE.]**

*Subdivision 1. [AUTHORITY.] Notwithstanding any contrary provision of Minnesota Statutes, section 373.01 or other law, Winona county may sell and convey the real estate described in this section for a nominal consideration to a county agricultural society that owns adjoining property and conducts a county fair on it.*

*Subd. 2. [DESCRIPTION.] That part of the South Half of the Northwest Quarter and the North Half of the Southwest Quarter, of Section 19, Township 106 North, Range 10 West of the Fifth Principal Meridian, bounded and described as follows: Commencing at a point on the West line of Lot 65 in Ives and Fox's Addition to St. Charles, distant 200 feet Northeasterly, measured at right angles, from the center line of the main track of the Winona and South Western Railway Company (later the Wisconsin Minnesota and Pacific Rail Road Company, the Chicago Great Western Railway Company, now the Chicago and North Western Transportation Company), as said main track center line was originally located and established across said Section 19; thence Northwesterly parallel with said original main track center line a distance of 550 feet to the point of beginning of the parcel of land herein described; thence continuing Northwesterly parallel with said original main track center line to a point on the East and West Quarter line of said Section 19; thence Northwesterly along a straight line to a point of tangency with a line parallel with and distant 50 feet Northerly, measured radially, from said original main track center line; thence Westerly parallel with said original main track center line to a point distant 50 feet Northeasterly, measured radially, from the center*

March 17, 1986

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 1599, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1599 be further amended as follows:

**"ARTICLE 1**

**MEDIATION**

Section 1. Minnesota Statutes 1984, section 336.9-501, is amended to read:

**336.9-501 [DEFAULT; PROCEDURE WHEN SECURITY AGREEMENT COVERS BOTH REAL AND PERSONAL PROPERTY.]**

(1) When a debtor is in default under a security agreement, a secured party has the rights and remedies provided in this part and except as limited by subsection (3) those provided in the security agreement. He may reduce his claim to judgment, foreclose, or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the rights, remedies, and duties provided in section 336.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this part, those provided in the security agreement, and those provided in section 336.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (subsection (3) of section 336.9-504 and section 336.9-505) and with respect to redemption of collateral (section 336.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(a) Subsection (2) of section 336.9-502 and subsection (2) of section 336.9-504 insofar as they require accounting for surplus proceeds of collateral;

(b) Subsection (3) of section 336.9-504 and subsection (1) of section 336.9-505 which deal with disposition of collateral;

(c) Subsection (2) of section 336.9-505 which deals with acceptance of collateral as discharge of obligation;

(d) Section 336.9-506 which deals with redemption of collateral; and

(e) Subsection (1) of section 336.9-507 which deals with the secured party's liability for failure to comply with this part.

(4) If the security agreement covers both real and personal property, the secured party may proceed under this part as to the personal property or he may proceed as to both the real and the personal property in accordance with his rights and remedies in respect of the real property in which case the provisions of this part do not apply.

(5) When a secured party has reduced his claim to judgment the lien of any levy which may be made upon his collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. A judicial sale, pursuant to such execution, is a foreclosure of the security interest by judicial procedure within the meaning of this section, and the secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

(6) A person may not begin to enforce a security interest in collateral that is agricultural property subject to sections 5 to 17 that has secured a debt of more than \$5,000 unless: a mediation notice under subsection (7) is served on the debtor and a copy filed with the director; and the debtor and creditor have completed mediation under sections 5 to 17.

**Sec. 5. [583.20] [CITATION.]**

*Sections 5 to 17 may be cited as the "farmer-lender mediation act."*

**Sec. 6. [583.21] [LEGISLATIVE FINDINGS.]**

*The legislature finds that the agricultural sector of the state's economy is under severe financial stress due to low farm commodity prices, continuing high interest rates, and reduced net farm income. The suffering agricultural economy adversely affects economic conditions for all other businesses in rural communities as well. Thousands of this state's farmers are unable to meet current payments of interest and principal payable on mortgages and other loan and land contracts and are threatened with the loss of their farmland, equipment, crops, and livestock*

*through mortgage and lien foreclosures, cancellation of contracts for deed, and other collection actions. The agricultural economic emergency requires an orderly process with state assistance to adjust agricultural indebtedness to prevent civil unrest and to preserve the general welfare and fiscal integrity of the state.*

Sec. 7. [583.22] [DEFINITIONS.]

*Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 7 to 17.*

"Agricultural property" shall also include agriculturally related businesses as defined by the commission.*

*Subd. 3. [COMMISSION.] "Commission" means the commissioners of agriculture, finance, and commerce.*

*Subd. 4. [CREDITOR.] "Creditor" means the holder of a mortgage on agricultural property, a vendor of a contract for deed of agricultural property, a person with a lien or security interest in agricultural property, or a judgment creditor with a judgment against a debtor with agricultural property.*

*Subd. 5. [DIRECTOR.] "Director" means the director of the agricultural extension service or the director's designee.*

*Subd. 6. [FILE.] "File" means to deliver by the required date by certified mail or another method acknowledging receipt.*

*Subd. 7. [MEDIATOR.] "Mediator" means a farm mediator appointed by the director.*

*Subd. 8. [SERVE.] "Serve" means personal service as in a district court civil action.*

Sec. 8. [583.23] [FARM MEDIATION.]

*Subd. 2. [APPOINTMENT.] The director must provide mediators by contracting with qualified persons experienced in farm finance, agricultural law, and negotiation.*

*Subd. 3. [ADMINISTRATION.] The director may appoint a farm mediation administrator. The administrator and director*

*shall provide training for farm mediators and credit analysts and coordinate community legal education programs for farmers.*

Sec. 9. [583.24] [APPLICABILITY.]

*Subdivision 1. [CREDITORS.] (a) The farmer-lender mediation act applies to creditors who are:*

- (1) the United States or an agency of the United States;*
- (2) corporations, partnerships, and other business entities; and*
- (3) individuals.*

*(b) The farmer-lender mediation act does not apply to creditors of a debtor described under subdivision 2, paragraph (b).*

*Subd. 2. [DEBTORS.] (a) Except as provided in paragraph (b) the farmer-lender mediation act applies to a debtor who is:*

- (1) a person operating a family farm as defined in section 500.24, subdivision 2;*
- (2) a family farm corporation as defined in section 500.24, subdivision 2;*
- (3) an authorized farm corporation as defined in section 500.24, subdivision 2; or*
- (4) an owner of an agriculturally related business.*

*(b) The farmer-lender mediation act does not apply to a debtor who owns and leases less than 60 acres with less than \$20,000 in gross sales of agricultural products the preceding year, except for an owner of an agriculturally related business as defined by the director.*

Sec. 10. [583.25] [VOLUNTARY MEDIATION PROCEEDINGS.]

*A debtor that owns agricultural property or a creditor of the debtor may request mediation of the indebtedness by a farm mediator by applying to the director. The director shall make voluntary mediation application forms available at the county recorder's and county extension office in each county. The director must evaluate each request and may direct a mediator to meet with the debtor and creditor to assist in mediation.*

Sec. 11. [583.26] [MANDATORY MEDIATION PROCEEDINGS.]

*Subdivision 1. [MEDIATION NOTICE.] A creditor desiring to start a proceeding to enforce a debt against agricultural property under chapter 580 or 581 or sections 336.9-501 to 336.9-508, to terminate a contract for deed to purchase agricultural property under section 559.21, or to garnish, levy on, execute on, seize, or attach agricultural property, must serve an applicable mediation notice under sections 1, 2, 3, and 4 on the debtor and the director. The creditor may not begin the proceeding until the creditor and debtor have completed mediation or as allowed under sections 5 to 17.*

*Subd. 2. [MEDIATION REQUEST.] (a) A debtor must file a mediation request form with the director by 14 days after receiving a mediation notice. The mediation request form must state all known creditors. The director shall make mediation request forms available in the county recorder's and county extension office of each county.*

*(b) A debtor who fails to file a timely mediation request waives the right to mediation under the farmer-lender mediation act. The director shall notify a creditor stating that the creditor may proceed against the agricultural property because the debtor has failed to file a mediation request.*

*(c) If a debtor has not received a mediation notice and is subject to a proceeding of a creditor enforcing a debt against agricultural property under chapter 580 or 581 or sections 336.9-501 to 336.9-508, terminating a contract for deed to purchase agricultural property under section 559.21, or garnishing, levying on, executing on, seizing, or attaching agricultural property, the debtor may file a mediation request with the commission. The mediation request form must indicate that the debtor has not received a mediation notice.*

**Subd. 3. [CREDIT ANALYST AND FARM ADVOCATE.]**

*(a) After receiving a mediation notice, the director shall provide a credit analyst knowledgeable in agricultural and financial matters to meet with the debtor and assure that information relative to the finances of the debtor is prepared for the initial mediation meeting.*

*(b) After receiving the mediation notice, the director shall notify the debtor that a farm advocate may be available without charge to assist the debtor and the credit analyst.*

**Subd. 4. [INITIAL MEDIATION MEETING.]** *(a) By ten days after receiving a mediation request, the director shall send: (1) a mediation meeting notice to the debtor; and (2) a mediation meeting notice and claim form to all known creditors of the debtor.*

(b) *The mediation meeting notice must include a time and place for an initial mediation meeting between the debtor, all known creditors of the debtor, and a list of three mediators. An initial mediation meeting must be held within 20 days of the notice.*

(c) *Each creditor and the debtor may request the director to exclude one mediator from the list by sending the director a notice to such effect within 3 days after receiving the mediation meeting notice. In the event that requests from the creditors to remove mediators from the list would result in the exclusion of all of the remaining mediators the director shall appoint the mediator not excluded by the creditor owed the largest debt. In the event that a debtor and creditor request the same mediator, the director shall appoint that mediator.*

**Subd. 5. [EFFECT OF MEDIATION MEETING NOTICE.]**

(a) *Except as provided in paragraph (b), if a creditor receives a mediation meeting notice under subdivision 4 the creditor and the creditor's successors in interest may not continue proceedings to enforce a debt against agricultural property of the debtor under chapter 580 or 581 or sections 336.9-501 to 336.9-508, to terminate a contract for deed to purchase agricultural property under section 559.21, or to garnish, levy on, execute on, seize, or attach agricultural property. Time periods under and affecting those procedures stop running until (1) 90 days after the conclusion of mediation, or (2) a mediation agreement is reached.*

(b) *If a creditor is an agency of the United States and receives a mediation meeting notice under subdivision 4, the creditor and the creditor's successors in interest may not continue proceedings to enforce a debt against agricultural property of the debtor under chapter 580 or 581 or sections 336.9-501 to 336.9-508, to terminate a contract for deed to purchase agricultural property under section 559.21, or to garnish, levy on, execute on, seize, or attach agricultural property. Time periods under and affecting those procedures stop running until (1) 180 days after the conclusion of mediation, or (2) a mediation agreement is reached.*

**Subd. 6. [DUTIES OF MEDIATOR.]** *At the initial mediation meeting and subsequent meetings, the mediator shall:*

(1) *listen to the debtor and the creditors desiring to be heard;*

(2) *attempt to mediate between the debtor and the creditors;*

(3) *advise the debtor and creditors of assistance programs available;*

(4) attempt to arrive at an agreement to fairly adjust, refinance, or pay the debts; and

(5) advise, counsel, and assist the debtor and creditors in attempting to arrive at an agreement for the future conduct of financial relations among them.

Subd. 7. [MEDIATOR LIABILITY AND IMMUNITY.]

(a) A mediator is immune from civil liability for actions within the scope of the position as mediator. A mediator does not have a duty to advise a creditor or debtor about the law or to encourage or assist a debtor or creditor in reserving or establishing legal rights. This subdivision is an addition to and not a limitation of immunity otherwise accorded to a mediator under law.

(b) A mediator cannot be examined about a communication or document, including worknotes, made or used in the course of or because of mediation under this section and section 12. This paragraph does not apply to the parties in the dispute in an application to a court by a party to have a mediated settlement agreement set aside or reformed. A communication or document otherwise not privileged does not become privileged because it is used in the cause of mediation. This paragraph is not intended to limit the privilege accorded to communication during mediation by the common law.

Subd. 8. [MEDIATION PERIOD.] The mediator may call mediation meetings during the mediation period, which is up to 60 days after the initial mediation meeting.

Subd. 9. [MEDIATION AGREEMENT.] (a) If an agreement is reached among the debtor and creditors the mediator shall draft a written mediation agreement, have it signed by the creditors, and, if applicable, submit the agreement to the Minnesota rural finance administration for approval of debt restructuring.

(b) The debtor and creditors who are parties to the approved mediation agreement and creditors who have filed claim forms and have not objected to the mediation agreement:

(1) are bound by the terms of the agreement;

(2) may enforce the mediation agreement as a legal contract; and

(3) may use the mediation agreement as a defense against an action contrary to the mediation agreement.

Sec. 12. [583.27] [GOOD FAITH REQUIRED, COURT SUPERVISED MEDIATION.]

*Subdivision 1. [OBLIGATION OF GOOD FAITH.] The parties must engage in mediation in good faith. Not participating in good faith includes: (1) a failure on a regular or continuing basis to attend and participate in mediation sessions without cause; (2) failure to provide full information regarding the financial obligations of the parties and other creditors; (3) failure of the creditor to designate a representative to participate in the mediation with adequate authority to fully settle, compromise, or otherwise mediate the matter; (4) lack of a written statement of debt restructuring alternatives and a statement of reasons why alternatives are unacceptable to one of the parties; (5) failure of the creditor to release to the debtor necessary living and farm operating expenses; or (6) other similar behavior which evidences lack of good faith by the party. A failure to agree to reduce, restructure, refinance, or forgive debt does not, in itself, evidence lack of good faith by the creditor.*

*Subd. 2. [LACK OF GOOD FAITH AFFIDAVIT; MEDIATOR'S RESPONSIBILITY.] If the mediator determines that either party is not participating in good faith as defined in subdivision 1, the mediator shall file an affidavit indicating the reasons for the finding with the agricultural extension service and both parties.*

*Subd. 3. [CREDITOR'S LACK OF GOOD FAITH; COURT SUPERVISED MEDIATION.] If the mediator finds the creditor has not participated in mediation in good faith, the debtor may require court supervised mandatory mediation by filing the affidavit with the district court of the county where the property is located with a request for court supervision of mediation and filing a copy of the request with the creditor. Upon request the court shall require both parties to mediate under the supervision of the court in good faith for a period of not less than 60 days. All creditor remedies must be suspended during this period. The court may issue orders necessary to effect good faith mediation. Following the 60-day period, if the court finds the creditor has not participated in mediation in good faith, the court shall by order suspend the creditor's remedies for an additional period of 180 days. In lieu of attending a mediation meeting, a creditor may file a notice of claim and proof of claim on a claim form with the mediator before the scheduled meeting. By filing a claim form the creditor agrees to be bound by a mediation agreement reached at the mediation meeting unless an objection is filed within the time specified. The mediator must notify the creditors who have filed claim forms of the terms of any agreement reached at the farm mediation board meeting.*

*Subd. 2. [OBJECTIONS TO AGREEMENTS.] A creditor who has filed a claim form may serve a written objection to the terms of the agreement on the mediator and the debtor by ten days after receiving notice of the agreement. If a creditor files an objection to the terms of an agreement, the mediator may meet again with debtors and creditors by ten days after receiving the objection to attempt to reach a new agreement. Notwithstanding the mediation period under section 11, subdivision 8, if an objection is filed, the mediator may call mediation meetings during the ten-day period following receipt of the objection.*

**Sec. 14. [583.29] [PRIVATE DATA.]**

*All data regarding the finances of individual debtors and creditors created, collected, and maintained by the mediators or the debt restructuring commission are classified as private data on individuals under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9.*

The notice in subdivision 2 must be included in the notice of execution served on the debtor under section 550.19.*

*Subd. 2. [HOMESTEAD DESIGNATION NOTICE.] The following notice must be included in the execution notice of real property containing a homestead that is served on a debtor under section 550.19. The notice must be in 10 point capitalized letters.*

**YOU MUST PROVIDE THE CREDITOR CAUSING THIS PROPERTY TO BE SOLD, THE SHERIFF, AND THE COUNTY RECORDER WITH A COPY OF THE LEGAL DESCRIPTION OF THE HOMESTEAD YOU HAVE DESIGNATED BY TEN BUSINESS DAYS BEFORE THE DATE THE PROPERTY IS TO BE SOLD."**

## ARTICLE 5

## ASSET EXEMPTION

Section 1. Minnesota Statutes 1985 Supplement, section 256.73, subdivision 2, is amended to read:

Subd. 2. [ALLOWANCE BARRED BY OWNERSHIP OF PROPERTY.] Ownership by an assistance unit of property as follows is a bar to any allowance under sections 256.72 to 256.87:

(1) The value of real property other than the homestead, which when combined with other assets exceeds the limits of paragraph (2), unless the assistance unit is making a good faith effort to sell the nonexcludable real property. The time period for disposal must not exceed nine months and the assistance unit shall execute an agreement to dispose of the property to repay assistance received during the nine months up to the amount of the net sale proceeds. The payment must be made when the property is sold. If the property is not sold within the required time or the assistance unit becomes ineligible for any reason the entire amount received during the nine months is an overpayment and subject to recovery. For the purposes of this section "homestead" means the house owned and occupied by the child, relative or other member of the assistance unit as his dwelling place, together with the land upon which it is situated in an area no greater than two contiguous lots in a platted or laid out city or town or (80) all contiguous acres in rural areas; or

## ARTICLE 6

## MINNESOTA RURAL FINANCE ADMINISTRATION

Section 1. [41B.01] [CITATION; PURPOSE.]

*Subdivision 1. [CITATION.] This article shall be known as and may be cited as the "Minnesota rural finance administration act of 1986."*

*Subd. 2. [PURPOSE.] This article creates and establishes the Minnesota rural finance administration and establishes a program under which state bonds are authorized to be issued and proceeds of their sale are appropriated under the authority of article XI, section 5, clause (h) of the Minnesota Constitution, to develop the state's agricultural resources by extending credit on real estate security. The purpose of the program and of the bonds issued to finance or provide security for the program is to purchase participation interests in loans to be made available by agricultural lenders to farmers in order to restructure existing debt and to make available additional credit to farmers who own or purchase agricultural properties on terms and conditions not otherwise available from other credit sources. It is hereby found and declared that there presently exist in the state economic conditions which have severely adversely affected the economic viability of farms to the detriment of the rural economy and to the detriment of the economy of the state of Minnesota as a whole. It is further found and declared that as a result of public agricultural policies, agricultural market conditions, and other causes, the condition of the farm economy of the state of Minnesota is such as to jeopardize the continued existence and successful operation of farms in this state, necessitating the establishment of the program in this article to provide new sources of credit on favorable terms and conditions. It is further found and declared that providing credit for farmers on favorable terms and conditions will serve and promote the public welfare by assuring the viability of farm operations, by preventing erosion of the tax base in rural areas, by reducing foreclosures on farm property, and by enhancing the financial stability of farmers and of the businesses which depend on farmers as customers. It is further found and declared that in establishing a Minnesota rural finance administration and in authorizing the programs in this article, the legislature is acting in all respects for the benefit of the people of the state of Minnesota to serve the public purpose of improving and otherwise promoting their health, welfare, and prosperity and that the Minnesota rural finance administration, as created and established, is empowered to act on behalf of the people of the state of Minnesota in serving this public purpose for the benefit of the general public.*

Sec. 4. [41B.035] [RURAL FINANCE ADMINISTRATION.]

*Subdivision 1. [ESTABLISHMENT.] There is created a public body corporate and politic to be known as the "Minnesota rural finance administration," which shall perform the governmental functions and exercise the sovereign powers delegated to it in this article in furtherance of the public policies and purposes declared in section 1. The board of the administration consists of the commissioners of agriculture, commerce, and finance, the state auditor, and three public members appointed by the governor with the advice and consent of the senate. No public member may reside within the metropolitan area, as defined in section 473.02, subdivision 5. Each member shall hold office until a successor has been appointed and has qualified. A certificate of appointment or reappointment of any member is conclusive evidence of the proper appointment of the member.*

*Subd. 2. [TERMS; COMPENSATION; REMOVAL; VACANCIES.] The membership terms, compensation, removal of members, and filling of vacancies for the public members of the administration are as provided in section 15.0575.*

*Subd. 3. [CHAIRPERSON.] The commissioner of finance is the chairperson of the board. The commissioner of agriculture is the vice-chairperson of the board.*

*Subd. 4. [MANAGEMENT AND CONTROL.] The management and control of the administration is vested solely in the board in accordance with this article.*

*Subd. 5. [BOARD ACTIONS.] The powers of the board are vested in the members in office from time to time. A majority of the members of the board, excluding vacancies, constitutes a quorum for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the board upon a vote of a majority of a quorum present.*

*Subd. 6. [ADMINISTRATIVE CONTROL.] The administration is under the administrative control of the commissioner of finance.*

*Subd. 7. [PERSONAL LIABILITY.] The members and officers of the administration are not liable personally, either jointly or severally, for any debt or obligation created or incurred by the administration.*

## **Sec. 5. [LOAN RESTRUCTURING PROGRAM.]**

*Subdivision 1. [RESTRUCTURING AUTHORITY.] The administration may enter into agreements or programs with eligible agricultural lenders for the restructuring of mortgage loans on real property located in Minnesota which is farmed by Minnesota residents, on such terms and conditions as the*

*administration determines are not inconsistent with this article. This section governs the programs of the administration.*

*Subd. 2. [IMPLEMENTATION OF PROGRAM.] The administration may implement a program to restructure agricultural loans and to purchase loan participation interests in qualified restructuring loans made by eligible agricultural lenders to eligible borrowers. Each such purchase shall be made only upon determination by or on behalf of the administration that the loan is a qualified restructuring loan as provided in this section.*

*Subd. 3. [CRITERIA.] Loans must comply with the following criteria:*

*(a) Each loan must be for the purpose of developing the state's agricultural resources and must be an extension of credit on real estate security. The loan may be secured by eligible security in addition to real estate. The security interests granted by the eligible borrower must be senior and prior to any other security interest in the pledged assets.*

*(b) No loan may be made to finance activities of the borrower which are not an agricultural use as defined in section 40A.02, subdivision 3.*

*(c) A participation interest in a restructuring loan may be purchased by the administration only if the eligible agricultural lender has determined and has certified to the administration that the borrower is an eligible borrower who has the reasonable ability to make timely payment of principal and interest on the loan when due over the term of the loan. The eligible agricultural lender shall further certify to the administration that the loan is a qualified agricultural loan.*

*Subd. 4. [PROGRAM AVAILABILITY.] The administration shall exercise its best efforts to assure that credit made available through the loan restructuring program is made available throughout the agricultural areas of the state, and that the number or amount of loans are not unduly concentrated in any one area of the state.*

*Subd. 5. [BENEFITS.] The administration shall exercise its best efforts to assure that the program provides the maximum feasible benefits to as many eligible borrowers as is reasonably possible.*

*Subd. 6. [TYPES OF LENDERS.] Any bank, credit union, savings and loan association chartered by the state or federal government, unit of the farm credit system, the federal deposit insurance corporation, the federal savings and loan insurance*

*corporation, and any insurance company, fund, or other financial institution doing business as an agricultural lender within the state is eligible for consideration as an eligible agricultural lender if the administration determines that the lender has sufficient personnel and other resources to efficiently and properly originate and service the qualified agricultural loans. Each such eligible agricultural lender shall enter into one or more agreements with the administration providing for the origination and servicing of qualified restructuring loans on the terms and conditions the administration determines to be appropriate.*

*Subd. 7. [RESTRUCTURING PROCEDURE.] The eligible agricultural lender or borrower shall propose restructuring a loan to the administration. Within 30 days of receiving adequate information concerning a proposal, the administration and the eligible lender shall notify the borrower of their determination of eligibility. An eligible agricultural lender shall then expeditiously conduct necessary appraisals and draft the loan restructuring agreement which must be consistent with this section and documents previously approved by the administration and eligible lenders. The loan restructuring agreement must be approved by the eligible lender, the administration, and the borrower.*

*An eligible borrower may participate in the restructured loan or the homestead redemption loan, but not both loans.*

*Subd. 8. [STATE'S PARTICIPATION.] With respect to loans that are eligible for restructuring under this article and upon acceptance by the administration, the administration shall enter into a participation agreement or other financial arrangement whereby it shall participate in a restructured loan to the extent of one quarter of the primary principal or \$50,000, whichever is less, except that the administration may participate in restructured loans made for the redemption of homesteads to the extent of one-half of the primary principal or \$25,000, whichever is less. The administration's portion of the loan must thereafter be protected by the first mortgage held by the eligible lender to the extent of its participation in the loan.*

*Subd. 9. [RESTRUCTURED LOAN AGREEMENT.] (a) All payments on the primary and secondary principal of the restructured loan, all payments of interest on the secondary principal, and an agreed portion of the interest payable to the eligible agricultural lender on the primary principal must be deferred to the end of the term of the loan.*

*(b) A borrower may prepay the restructured loan, with all primary and secondary principal and interest and deferred interest at any time without prepayment penalty.*

*(c) Interest on secondary principal must accrue at a below market interest rate.*

(d) *At the conclusion of the term of the restructured loan, the borrower owes primary principal, secondary principal, and deferred interest on primary and secondary principal. However, part of this balloon payment may be forgiven following an appraisal by the lender and the administration to determine the current market value of the real estate subject to the mortgage. If the current market value of the land after appraisal is less than the amount of debt owed by the borrower to the lender and administration on this obligation, that portion of the obligation that exceeds the current market value of the real property must be forgiven by the lender and the administration in the following order:*

- (1) *deferred interest on secondary principal;*
- (2) *secondary principal;*
- (3) *deferred interest on primary principal;*
- (4) *primary principal as provided in an agreement between the administration and the lender; and*
- (5) *accrued but not deferred interest on primary principal.*

*The debt forgiveness may be combined with a renegotiated loan on the unforgiven balance due if the borrower is able to establish that there are reasonable prospects of repayment on a debt equal to the current market value of real estate at then existing interest rates. If so, the loan must be reamortized on terms and conditions acceptable to the lender, the administration, and the farmer.*

*Subd. 10. [INTEREST RATE.] The interest rate per annum on the portion of the restructuring loan represented by the participation interest purchased by the administration must be that rate of interest determined by the administration to be necessary to provide for the timely payment of principal and interest when due on bonds or other obligations issued by the administration, and to provide for the reasonable and necessary costs of issuing, carrying, administering, and securing the bonds or notes and to pay the costs incurred and to be incurred by the administration in the implementation of the program. The interest rate per annum borne by the primary principal portion of the restructuring loan retained by the eligible agricultural lender must be a rate of interest approved by the administration. The administration may specify the points, fees, and other charges which the eligible agricultural lender may charge to the eligible borrower.*

*Subd. 11. [ADMINISTRATION.] The eligible lender shall administer the loans and shall bear all costs of the loan administration. Ordinary costs of administration include appraisals, litigation, abstracts of title, and similar costs. The administra-*

*tion agrees to share in any other responsibilities common to a loan participation agreement.*

*Subd. 12. [ASSIGNABILITY.] Loans restructured under this section may not be assigned to anyone other than a direct descendant of the original borrower and the assignee must intend to engage in the direct operation and management of the farm which is subject to the mortgage. If such an assignment is contemplated, the borrower must obtain prior written approval of the eligible lender and the administration and the assignee shall thereafter be subject to the same terms and conditions and events of default as the original borrower. If assigned to some other party, the eligible agricultural lender may exercise its foreclosure remedies as provided by its contracts and by law.*

*Subd. 13. [DEFAULT.] In addition to default caused by nonpayment of the basic interest on the primary principal, it is intended that the documents establishing the restructured loans will include the following conditions, which, if violated, constitute default.*

*(a) The borrower must submit an annual operating budget to the eligible agricultural lender at a time specified by the lender.*

*(b) The borrower must submit quarterly, semiannual, and annual financial statements which must include balance sheets and income and expense records maintained pursuant to an acceptable farm record system as specified by the eligible agricultural lender.*

*(c) The borrower must comply with capital expenditure limitations imposed by the eligible agricultural lender.*

*(d) The borrower must obtain an annual commitment for an operating loan or assured sources of operating expenses sufficient to adequately operate the farm.*

*(e) The eligible agricultural lender may impose other reasonable requirements to reduce overall risk such as requiring purchase of crop insurance.*

*The lender may not waive any default specified in this subdivision without the consent of the administration.*

*Subd. 14. [GUARANTEED PAYMENT.] The administration may enter into agreements with qualified agricultural lenders, insurance companies, or others insuring or guaranteeing to the state the payment of all or a portion of qualified agricultural loans.*

*Subd. 15. [ADVANCE RESERVATIONS.] The administration may enter into agreements with eligible agricultural lenders providing for advance reservations of purchases of participation interests in restructuring loans, if the agreements provide that the administration may only purchase participation interests in restructuring loans pursuant to normal procedure. The administration may provide in an agreement for special procedures or requirements designed to meet specific conditions or requirements.*

*Subd. 16. [DATA PRIVACY.] Financial information, including but not limited to credit reports, financial statements, and net worth calculations, received or prepared by the administration regarding any administration loan or grant and the name of each individual who is the recipient of a loan are private data on individuals, pursuant to section 13.02, subdivision 12.*

**Sec. 6. [41B.05] [GENERAL POWERS OF THE ADMINISTRATION.]**

*For the purpose of exercising the specific powers granted in section 5 and effectuating the other purposes of this article the administration has the general powers granted in this section.*

- (a) It may sue and be sued.*

- (c) It may make, and from time to time, amend and repeal rules consistent with this article.*

(k) *It may enter into agreements with other appropriate federal, state, or local governmental units to foster rural finance. It may give advance reservations of loan financing as part of the agreements, with the understanding that the administration will only approve the loans pursuant to normal procedures, and may adopt special procedures designed to meet problems inherent in such programs.*

(l) *It may undertake and carry out studies and analyses of rural financing needs within the state and ways of meeting such needs including: data with respect to geographical distribution; farm size; the distribution of farm credit needs according to debt ratios and similar factors; the amount and quality of available financing and its distribution according to factors affecting rural financing needs and the meeting thereof; and may make the results of such studies and analyses available to the public and may engage in research and disseminate information on rural finance.*

(p) *It may establish cooperative relationships with counties to develop priorities for the use of administration resources and assistance within counties and to consider county plans and programs in the process of setting the priorities.*

*The administration may adopt rules for the efficient administration of this article. The rules need not be adopted in compliance with chapter 14.*

**Sec. 8. [41B.08] [REVENUE BONDS; PURPOSES, TERMS, APPROVAL.]**

*Subdivision 1. [BONDS FOR PROGRAM.] The administration from time to time may issue its negotiable bonds in a principal amount which, in the opinion of the administration, is necessary to provide sufficient funds for achieving its purposes including the making of qualified agricultural loans or the purchase of interests in those loans, the payment of interest on bonds of the administration, the establishment of reserves to secure the bonds, and the payment of all other expenditures of the administration incident to and necessary or convenient to carry out its corporate purposes and powers. Bonds of the administration may be issued as bonds or notes or in any other form authorized by law.*

*Subd. 2. [REFUNDING OF BONDS.] The administration from time to time may issue bonds for the purpose of refunding any bonds of the administration then outstanding, including the payment of any redemption premiums thereon and any interest accrued or to accrue to the redemption date next succeeding the date of delivery of those refunding bonds. The proceeds of any refunding bonds may, in the discretion of the administration, be applied to the purchase or payment at maturity of the bonds to be refunded, or to the redemption of such outstanding bonds on the redemption date next succeeding the date of delivery of such refunding bonds and may, pending such application, be placed in escrow to be applied to such purchase, retirement, or redemption. Any such escrowed proceeds, pending such use, may be invested and reinvested in obligations issued or guaranteed by the state or the United States or by any agency or instrumentality thereof, or in certificates of deposit or time deposits secured in a manner determined by the administration, maturing at a time or times appropriate to assure the prompt payment of the principal of and interest and redemption premiums, if any, on the bonds to be refunded. The income earned or realized on any such investment may also be applied to the payment of the bonds to be refunded. After the terms of the escrow have been fully satisfied, any balance of such proceeds and any investment income may be returned to the administration for use by it in any lawful manner. All refunding bonds issued under the provisions of this subdivision must be issued and secured in the manner provided by resolution of the administration.*

*Subd. 3. [KIND OF BONDS.] All bonds issued under this section must be negotiable investment securities within the meaning and for all purposes of the uniform commercial code, subject only to any provisions of the bonds and notes for registration. All bonds so issued may be either general obligations of the adminis-*

*tration, secured by its full faith and credit, and payable out of any money, assets, or revenues of the administration, subject to the provisions of resolutions or indentures pledging and appropriating particular money, assets, or revenues to particular bonds, or limited obligations of the administration not secured by its full faith and credit, and payable solely from specified sources or assets.*

*Subd. 4. [REQUIRED RATING.] No bonds may be issued unless a rating of "A" or better has been awarded to the bonds by a national bond rating agency.*

**Sec. 9. [41B.09] [REVENUE BONDS; RESOLUTIONS AUTHORIZING, ADDITIONAL TERMS, SALE.]**

*The bonds of the administration must be authorized by a resolution or resolutions adopted by the administration, bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denominations, be in such form, carry such registration privileges, be executed in such manner, be payable in lawful money of the United States, at such place or places within or without the state, and be subject to such terms of redemption or purchase prior to maturity as the resolutions or certificates may provide. If, for any reason, whether existing at the date of issue of any bonds or at the date of making or purchasing any loan or securities from the proceeds or after that date, the interest on any bonds is or becomes subject to federal income taxation, this shall not impair or affect the validity or the provisions made for the security of the bonds. The administration may make covenants and take or cause to be taken actions which are in its judgment necessary or desirable and possible to comply with conditions established by federal law or regulations for the exemption of interest on its obligations. The administration may refrain from compliance with those conditions if in its judgment this would serve the purposes and policies set forth in this article with respect to any particular issue of bonds, unless this would violate covenants made by the administration. The bonds of the administration may be sold at public or private sale at a price or prices determined by the administration. The underwriting discount, spread, or commission paid or allowed to the underwriters of the bonds, however, must be an amount not in excess of the amount determined by the administration to be reasonable in the light of the risk assumed and the expenses of issuance, if any, required to be paid by the underwriters.*

**Sec. 10. [41B.10] [REVENUE BONDS; OPTIONAL RESOLUTION AND CONTRACT PROVISIONS.]**

*Any resolution authorizing any bonds or any issue of bonds may contain provisions, which must be a part of the contract with the holders of the bonds, as to the matters referred to in this section.*

(a) *It may pledge or create a lien on all or any part of the money or property of the administration and any money held in trust or otherwise by others to secure the payment of the bonds or of any issue of bonds, subject to any agreements with bondholders which exist.*

(b) *It may provide for the custody, collection, securing, investment, and payment of any money of the administration.*

(c) *It may set aside reserves or sinking funds and provide for their regulation and disposition and may create other special funds into which any money of the administration may be deposited.*

(d) *It may limit the loans and securities to which the proceeds of sale of bonds may be applied and may pledge repayments thereon to secure the payment of the notes or bonds or of any issue of notes or bonds.*

(e) *It may limit the issuance of additional bonds, the terms upon which additional bonds may be issued and secured, and the refunding of outstanding or other bonds.*

(f) *It may prescribe the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent to the amendment or abrogation, and the manner in which that consent may be given.*

(g) *It may vest in a trustee or trustees property, rights, powers, and duties in trust determined by the administration, which may include any or all of the rights, powers, and duties of the bondholders, or may limit the rights, powers, and duties of the trustee.*

(h) *It may define the acts or omissions to act which constitute a default in the obligations and duties of the administration and may provide for the rights and remedies of the holders of bonds in the event of a default, and provide any other matters of like or different character, consistent with the general laws of the state and other provisions of this article, which in any way affect the security or protection of the bonds and the rights of the bondholders.*

#### Sec. 11. [41B.11] [PLEDGES.]

*Any pledge made by the administration is valid and binding from the time the pledge is made. The money or property pledged and later received by the administration is immediately subject to the lien of the pledge without any physical delivery of the property or money or further act, and the lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the administration,*

*whether or not those parties have notice of the lien or pledge. Neither the resolution nor any other instrument by which a pledge is created need be recorded.*

**Sec. 12. [41B.12] [REVENUE BONDS; NONLIABILITY OF INDIVIDUALS.]**

*Neither the members of the administration nor any person executing the bonds is liable personally on the bonds or subject to any personal liability or accountability by reason of their issuance.*

**Sec. 13. [41B.13] [REVENUE BONDS; PURCHASE AND CANCELLATION BY ADMINISTRATION.]**

*The administration, subject to agreements with bondholders which may then exist, has power out of any funds available for the purpose to purchase bonds of the administration at a price not exceeding (a) if the bonds are then redeemable, the redemption price then applicable plus accrued interest to the next interest payment date thereon, or (b) if the bonds are not redeemable, the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption plus accrued interest to that date.*

**Sec. 14. [41B.14] [REVENUE BONDS; NONLIABILITY OF STATE.]**

*The state of Minnesota is not liable on bonds of the administration issued under section 8 and those bonds are not a debt of the state. The bonds must contain on their face a statement to that effect.*

**Sec. 15. [41B.15] [STATE PLEDGE AGAINST IMPAIRMENT OF CONTRACTS.]**

*The state pledges and agrees with the holders of any bonds issued under section 8, that the state will not limit or alter the rights vested in the administration to fulfill the terms of any agreements made with the bondholders, or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged. The administration may include this pledge and agreement of the state in any agreement with the holders of bonds issued under section 8.*

**Sec. 16. [41B.16] [SECURITY ACCOUNT.]**

*Upon determining that a default may occur in the payment of principal or interest on any issue of bonds issued under section*

8, or if any debt service reserve fund established in connection with those bonds is drawn upon because the revenues of the program are not then sufficient to make any payment of the principal or interest on them, the administration shall certify those facts to the commissioner of finance and shall request that the commissioner of finance transfer from the security account established under section 19, subdivision 5, to accounts or funds designated by the administration an amount required to cure the deficiency.

**Sec. 17. [41B.17] [POWERS AND DUTIES OF TRUSTEE.]**

*Subdivision 1. [GENERAL.] The trustee designated in any indenture or resolution securing an issue of bonds may, and upon written request of the holders of 25 percent in principal amount of the notes or bonds then outstanding shall, in the trustee's own name, subject to the provisions of the indenture or resolution:*

*(1) enforce all rights of the bondholders, including the right to require the administration to collect fees, charges, interest, and payments on loans or interests therein held by the administration and eligible securities purchased by it adequate to carry out any agreement as to, or pledge of, those fees, charges, and payments, and to require the administration to carry out any other agreements with the holders of the notes or bonds and to perform its duties under this article;*

*(2) bring suit upon the bonds;*

*(3) require the administration to account as if it were the trustee of any express trust for the holders of the bonds;*

*(4) enjoin any acts or things which may be unlawful or in violation of the rights of holders of the bonds; or*

*(5) declare all the bonds due and payable, and if all defaults are made good, then, with the consent of the holders of 25 percent of the principal amount of the bonds then outstanding, the trustee may annul the declaration and consequences.*

*Subd. 2. [ADDITIONAL POWERS.] In addition to the powers in subdivision 1, the trustee has all of the powers necessary or appropriate for the exercise of any functions specifically set forth in this section or incident to the general representation of bondholders or noteholders in the enforcement and protection of their rights.*

*Subd. 3. [VENUE; NOTICE.] The venue of any action or proceedings brought by a trustee under this article, is in Ramsey county. Before declaring the principal of bonds due and payable,*

*the trustee shall first give 30 days notice in writing to the governor, the administration, and the state treasurer.*

**Sec. 18. [41B.18] [REVENUE BOND FUND; REPORTS.]**

*Subdivision 1. [AUTHORITY.] The administration may create and establish a special fund or funds for the security of one or more or all series of its bonds, which funds are known as debt service reserve funds. The administration may pay into each debt service reserve fund:*

*(1) any money appropriated by the state only for the purposes of that fund;*

*(2) any money transferred from the security fund for the purposes of that fund;*

*(3) any proceeds of sale of bonds to the extent provided in the resolution or indenture authorizing their issuance;*

*(4) any funds directed to be transferred by the administration to that debt service reserve fund; and*

*(5) any other money made available to the administration only for the purpose of that fund from any other source.*

*Subd. 2. [USE OF MONEY.] The money held in or credited to each debt service reserve fund, except as provided in this section, must be used solely for the payment of the principal of bonds of the administration as the bonds mature, the purchase of the bonds, the payment of interest on the bonds, or the payment of any premium required when the bonds or notes are redeemed before maturity; provided, that money in a debt service reserve fund may not be withdrawn at any time in an amount which would reduce the amount of the fund to less than the amount which the administration determines to be reasonably necessary for the purposes of the fund, except for the purpose of paying principal or interest due on bonds secured by the fund, for the payment of which other money of the administration is not available.*

*Subd. 3. [LIMITATION.] If the administration creates a debt service reserve fund for the security of any series of bonds, it shall not issue any additional bonds which are similarly secured if the amount of any of the debt service reserve funds at the time of issuance does not equal or exceed the minimum amount, if any, required by the resolution creating that fund, unless the administration deposits in each fund at the time of issuance, from the proceeds of the bonds or otherwise, an amount which, together with the amount then in the fund, will not be less than the minimum amount required.*

*Subd. 4. [EXCESS FUNDS.] To the extent consistent with the resolutions and indentures securing outstanding bonds, the administration may, at the close of any fiscal year, transfer to any other fund or account from any debt service reserve fund, any excess in that fund over the amount deemed by the administration to be reasonably necessary for the purpose of the fund. Any excess must be transferred first to the security fund to the extent of any prior withdrawals from the security fund which have not previously been restored to the security fund.*

*Subd. 5. [CONSTRUCTION.] Nothing in this section may be construed to limit the right of the administration to create and establish by resolution or indenture other funds or security in addition to debt service reserve funds which are necessary or desirable in connection with any bonds or programs.*

*Subd. 6. [REPORT.] The administration shall submit a biennial report of its activities, projected activities, receipts, and expenditures for the next biennium, to the governor and the legislature on or before January 15 in each odd-numbered year. The report must include the distribution of money under each administration program by county. In addition, the report must include the cost to the administration of the issuance of its bonds for each issue in the biennium.*

*Subd. 7. [AUDIT.] The books and records of the administration are subject to audit by the legislative auditor in the manner prescribed for other state agencies. The administration may also employ and contract in its resolutions and indentures for the employment of public accountants for the audit of books and records pertaining to any fund.*

#### **Sec. 19. [41B.19] [GENERAL OBLIGATION BONDS.]**

*Subdivision 1. [PROCEDURE.] For the purpose of developing the state's agricultural resources by providing for the extension of credit on real estate security and to assure the timely payment of the principal of and interest on the bonds or other obligations issued by the rural finance administration, and upon request of the rural finance administration under section 8, the commissioner of finance may at the direction of the administration, issue general obligation bonds of the state in a principal amount not exceeding \$50,000,000. The bonds must be secured as provided in the Minnesota Constitution, article XI, section 7, and, except as provided in this section, must be issued and secured as provided in Minnesota Statutes, section 16A.641. The proceeds of the bonds, except any premium and accrued interest, must be deposited in the security account established by this section and used solely for the purposes specified in this section. The premium and accrued interest, if any, must be deposited in the rural renewal bond account in the state bond fund.*

*Subd. 2. [TERMS OF BONDS.] Notwithstanding any provision of section 16A.641 to the contrary, the commissioner of*

*finance may fix the terms of the bonds as provided in sections 475.54, subdivision 5a, and 475.56, paragraph (b), and may enter into, on behalf of the state all agreements deemed necessary for this purpose, including those authorized to be entered into by municipalities by that section. The proceeds of the general obligation bonds may be used to reimburse the commissioner of finance for the costs of issuance of the bonds and the costs of development of programs authorized in this article.*

*Subd. 3. [SALE OF BONDS.] If determined by the commissioner of finance to be necessary in order to reduce costs of issuance, to secure a favorable prevailing interest rate, or to receive the bond proceeds by a specified date, or if the terms of the bonds are fixed as provided in sections 475.54, subdivision 5a, and 475.56, paragraph (b), the bonds may be sold by negotiation and without solicitation of sealed bids.*

*Subd. 4. [BOND FUND ACCOUNT.] The commissioner of finance shall maintain in the state bond fund a separate bookkeeping account designated as the rural renewal bond account, to record receipts and disbursements of money transferred to the account to pay bonds issued under this section and to record income from the investment of the money in the account. The income must be credited to the account in each fiscal year in an amount equal to the approximate average return that year on all funds invested by the commissioner of finance, as determined by the commissioner of finance, times the average balance in the account that year.*

*Subd. 5. [RURAL FINANCE ADMINISTRATION SECURITY ACCOUNT.] The commissioner of finance shall maintain a separate state building fund account designated as the rural finance administration security account, into which must be deposited the proceeds of the rural renewal general obligation bonds issued as provided in this section. The commissioner of finance shall maintain a separate bookkeeping account to record receipts and disbursements of money transferred to or from the security account and to record income from the investment of money in the account. Upon the written request of the administration, the commissioner of finance shall transfer from the security account to an account or accounts the administration shall designate, a sum of money sufficient in amount, if available, when added to the balances then on hand in the designated accounts, to pay bonds issued by the administration under this article and the interest on them due and to become due on the next succeeding date for the payment of the principal of and interest on the bonds of the administration or to restore to any debt service reserve fund established in connection with the bonds any amount withdrawn from the debt service reserve account to pay the bonds. The commissioner of finance shall further transfer from the security account on or before the date on which any installment of the principal of and interest on bonds authorized by this section is due, a sum sufficient in*

*amount, when added to the balance then on hand in the rural renewal bond account, to pay all bonds issued under this section and the interest on them due and to become due on the next succeeding date for payment of the bonds.*

*Subd. 6. [INVESTMENT OF SECURITY ACCOUNT.] Money from time to time on deposit in the security account must be invested by the state board of investment at the request of the administration in any investment authorized by this subdivision. Money on deposit in the security account may be invested in (1) certificates of deposit insured by the Federal Deposit Insurance Corporation or Federal Savings and Loan Insurance Corporation; (2) certificates of deposit issued by eligible agricultural lenders, whether or not fully insured or secured; (3) deposits secured by obligations of the United States or of the state of a market value equal at all times to the amount of the deposit and all banks and trust companies are authorized to give security for those deposits; (4) in qualified agricultural loans or in participation interests in qualified agricultural loans; or (5) qualified restructured loans. If and to the extent money has been transferred from the security account to provide for the timely payment of the principal of and interest on bonds issued by the administration, or to transfer money to a debt service reserve fund established in connection with the bonds, the administration shall transfer to the security account on or before December 1 of each succeeding year an amount equal to that previously transferred from the security account, provided that the administration's obligation to transfer money to the security account is limited to money then on hand in funds or accounts of the administration in excess of those appropriated to other purposes or required to provide for the payment of the principal of and interest on bonds issued by the administration and to pay the costs of issuing, carrying, administering, and securing the bonds of the administration and of administering and implementing the programs of the administration financed by the bonds.*

*Subd. 7. [TRANSFERS, APPROPRIATION.] In addition to the money required to be transferred to the rural renewal bond account under subdivision 5, and in order to reduce the amount of taxes otherwise required by the Minnesota Constitution to be levied for the state bond fund, the commissioner of finance shall transfer from the general fund to the rural renewal bond account, on December 1 in each year, a sum of money sufficient in amount, when added to the balance then on hand in that account, to pay all bonds issued under this section and the interest on them due and to become due to and including July 1 in the second ensuing year. All money to be so credited and all income from its investment is annually appropriated for the payment of the bonds and interest on them, and shall be available in the rural renewal bond account before the levy of the tax in any year required by the Minnesota Constitution, article XI, section 7. The legislature may also appropriate to the rural renewal bond account any other money in*

*the state treasury not otherwise appropriated, for the security of bonds issued under this section in the event that sufficient money is not available in the account from the appropriation in this section, before the levy of the tax in any year. The commissioner of finance shall make the appropriate entries in the accounts of the respective funds.*

*Subd. 8. [CONSTITUTIONAL LEVY.] On or before December 1 in each year the state auditor shall levy on all taxable property within the state whatever tax may be necessary to produce an amount sufficient, with all money then in the rural renewal bond account, to pay the entire amount of principal and interest due on or before July 1 in the second year thereafter on bonds issued under this section. This tax must be levied upon all real property used for a homestead, as well as other taxable property, notwithstanding section 273.13, subdivision 22. The tax must not be limited in rate or amount until all the bonds and interest on them are fully paid. The proceeds of this tax are appropriated and must be credited to the state bond fund, and the principal and interest on the bonds are payable from all the proceeds. As much of the proceeds as is necessary is appropriated for the payments. If at any time there is insufficient money from the proceeds of the taxes to pay the principal and interest when due on the bonds, the principal and interest must be paid out of the general fund in the state treasury, and the amount necessary for the payment is hereby appropriated.*

*Subd. 9. [COMPLIANCE WITH FEDERAL LAW.] The commissioner of finance may covenant and agree with the holders of the bonds issued under this section that the state will comply, insofar as possible, with the provisions of the United States Internal Revenue Code now or hereafter enacted that are applicable to the bonds and that establish conditions under which the interest to be paid on the bonds will not be includable in gross income for federal tax purposes.*

*Subd. 10. [TAXABILITY OF INTEREST.] Interest on the bonds authorized by this section may be issued without regard to whether the interest to be paid on them is includable in gross income for federal tax purposes.*

**Sec. 20. [41B.20] [EXEMPTION FROM TAXES.]**

*The property of the administration and its income and operation shall be exempt from all taxation by the state or any of its political subdivisions.*

**Sec. 21. [41B.21] [CERTAIN ACTIONS.]**

*Any action brought by any person with respect to the rights or powers of the administration or calling into question the validity or enforceability of bonds or obligations authorized by this article is a remedial case of which the supreme court has*

*original jurisdiction pursuant to article VI, section 2 of the constitution. The action may be commenced solely by service upon the state auditor, the commissioner of agriculture, or the executive director of the administration and by filing of the summons and complaint with the supreme court. Upon filing of an answer to the complaint, the court shall order a hearing which must be held not later than 30 days from the date of filing of the answer. At the hearing, the court shall establish an expedited schedule for the action.*

Sec. 22. [41B.22] [CONSTRUCTION.]

*This article is necessary for the welfare of the state of Minnesota and its inhabitants; therefore, it shall be liberally construed to effect its purpose.*

Sec. 23. [SEVERABILITY; ACTIONS.]

*Each of the provisions of this article, and each application thereof to particular circumstances, is severable. If any provision or application is found to be unconstitutional and void, it is the intention that the remaining provisions and applications shall be valid and enforceable to the full extent possible under section 645.20. The supreme court shall have original jurisdiction, pursuant to article VI, section 2 of the constitution, in all cases seeking a remedy based upon an issue raised as to the validity of any such provision or application.*

Section 1. Minnesota Statutes 1985 Supplement, section 40.26, is amended to read:

40.26 [(APPLICATION FOR) COST-SHARING FUNDS.]

*Subdivision 1. [COST-SHARE REQUIRED.] ((A)) Except for a development activity, a land occupier may not be required to establish soil conservation practices unless state cost-sharing funds have been specifically approved for that land and have been made available to the land occupier under sections 40.23 and 40.242, equal to at least 75 percent of the cost of the permanent conservation practices on a voluntary basis, or a 50 percent cost share if an application for cost share is not made within 90 days after the board approves a mediated written agreement or within 90 days after the court orders implementation of a plan and time schedule prepared by the landowner or*

the court. For mediated settlements, a court order that implements the landowner's alternatives or the court's alternatives must state the time schedule for application for 50 percent cost share. If the court orders implementation of the district's plan and time schedule, a landowner is only eligible for 50 percent cost share.

*Subd. 2. [REVIEW OF REQUIREMENTS.] ((B))* The state soil and water conservation board shall review these requirements at least once each year, and may authorize a district to provide a higher percentage of cost sharing than is required by this section. To aid in this determination, the state board may consider the location of the affected area in relation to the priority areas as established in the soil and water conservation district annual and long-range plans.

*Subd. 3. [RECORDING.]* *The permanent conservation practices must be recorded with the county recorder on the tracts where they occur if the cost-sharing funds are issued to the landowner.*

Sec. 2. Minnesota Statutes 1984, section 500.24, is amended by adding a subdivision to read:

*Subd. 3a. [LEASE AGREEMENT; CONSERVATION PRACTICE PROTECTION CLAUSE.]* *A corporation, other than a family farm corporation or an authorized farm corporation, when leasing farm land to a family farm unit, a family farm corporation, or an authorized farm corporation under provisions of section 500.24, subdivision 3, clause (i), must include within the lease agreement a provision prohibiting intentional damage or destruction to a conservation practice on the agricultural land.*

Sec. 3. Minnesota Statutes 1984, section 500.24, is amended by adding a subdivision to read:

*Subd. 3b. [PROTECTION OF CONSERVATION PRACTICES.]* *If a corporation, other than a family farm corporation or an authorized farm corporation, during the period of time it holds agricultural land under section 500.24, subdivision 3, clause (i), intentionally destroys a conservation practice as defined in section 40.19, subdivision 5, to which the state has made a financial contribution, the corporation must pay the commissioner of agriculture, for deposit in the general fund, an amount equal to the state's total contributions to that conservation practice plus interest from the time of investment in the conservation practice. Interest must be calculated at an annual percentage rate of 12 percent.*

## FAMILY FARM SECURITY INTEREST EXCLUSION

## Section 1. [FAMILY FARM SECURITY INTEREST EXCLUSIONS.]

(a) *The commissioner shall annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller-sponsored family farm security loan.*

(b) *The payment amount must be determined as follows:*

(1) *In order to qualify for a payment, the seller must apply to the commissioner. The application must include a copy of the seller's 1985 state income tax return and any other information that the commissioner requests to verify that the applicant is a qualified seller. The commissioner shall recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For calendar year 1986 the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.*

(2) *For calendar years beginning with 1987, the additional payment amount must be determined as follows:*

(i) *The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986.*

(ii) *The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year.*

(iii) *The product determined under clause (ii) is the payment for the calendar year.*

(c) *If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b)(2)(i).*

(d) *The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.*

(e) For purposes of this subdivision, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller-sponsored loan prior to July 1, 1985, and who is a resident of Minnesota during the calendar year and subject to the payment of Minnesota income taxes.

The provisions of sections 169.80 to 169.88 governing size, weight, and load shall not apply to fire apparatus, or to implements of husbandry temporarily moved upon a highway, or to loads of loose hay or corn stalks if transported by a horse-drawn vehicle or drawn by a farm tractor, or to a vehicle operated under the terms of a special permit issued as provided by law. For purposes of sections 169.80 to 169.88, a specialized vehicle resembling a low-slung two wheel trailer having a short bed or platform shall be deemed to be an implement of husbandry when the vehicle is used exclusively to transport implements of husbandry; and the term "temporarily moved upon a highway" shall mean a movement not to exceed 50 miles.

In addition to any other special permits authorized, an annual permit may be issued authorizing movements on interstate highways and movements exceeding 50 miles on non-interstate highways of oversize vehicles and loads when the vehicles or combination of vehicles are used exclusively to transport implements of husbandry. Annual permits are issued in accordance with the applicable provisions of section 169.86, except that the transporting vehicle or combination of vehicles may be moved at the discretion of the permittee without prior route approval from the permit issuing office of the department of transportation if:

(a) The overall width of the transporting vehicle, including load, does not exceed (12) 14 feet;

(b) The transporting vehicle otherwise complies with equipment requirements and length, height and weight limitations prescribed by this chapter;

(c) The movement is made after the hour of sunrise and not later than 30 minutes after sunset;

(d) The movement is not made when visibility is impaired by weather, fog or other conditions rendering persons and vehicles not clearly visible at a distance of 500 feet, or on Sundays after twelve o'clock noon, and holidays ;

(e) The transporting vehicle shall display at the front and rear end of the load or vehicle a pair of flashing amber lights, as provided in section 169.59, subdivision 4, whenever the overall width of the vehicle exceeds ten feet, six inches ; and

(f) The movement, if made on a trunk highway, is made on a trunk highway with a surfaced roadway width of not less than 24 feet.

The fee for an annual permit is \$24 .

Sec. 4. Minnesota Statutes 1984, section 169.81, subdivision 2, is amended to read :

Subd. 2. [LENGTH OF VEHICLES.] (a) No single unit motor vehicle, except truck cranes which may not exceed 45 feet, unladen or with load may exceed a length of 40 feet extreme overall dimensions inclusive of front and rear bumpers, except that the governing body of a city is authorized by permit to provide for the maximum length of a motor vehicle, or combination of motor vehicles, or the number of vehicles that may be fastened together, and which may be operated upon the streets or highways of a city ; provided, that the permit may not prescribe a length less than that permitted by state law. A motor vehicle operated in compliance with the permit on the streets or highways of the city is not in violation of this chapter.

(b) No single semitrailer may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer adjacent to the truck or truck-tractor, in excess of 48 feet, except (AS PROVIDED IN PARAGRAPH (D)) *that a single semitrailer may have an overall length in excess of 48 feet if (1) the distance from the kingpin to the centerline of the rear axle group of the semitrailer does not exceed 41 feet, and (2) if the semitrailer is operated only in a combination of vehicles which does not exceed an overall length of 65 feet.* No single trailer may have an overall length inclusive of tow bar assembly and exclusive of rear protective bumpers which do not increase the overall length by more than six inches, in excess of 45 feet. For determining compliance with the provisions of this subdivision, the length of the semitrailer or trailer must be determined separately from the overall length of the combination of vehicles.

(c) No semitrailer or trailer used in a three-vehicle combination may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air com-

pressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer or trailer adjacent to the truck or truck-tractor, and further exclusive of the tow bar assembly, in excess of 28-1/2 feet. The commissioner may not grant a permit authorizing the movement, in a three-vehicle combination, of a semitrailer or trailer that exceeds 28-1/2 feet, except that the commissioner may renew a permit that was granted before April 16, 1984 for the movement of a semitrailer or trailer that exceeds the length limitation in this paragraph.

((D) THE COMMISSIONER MAY ISSUE AN ANNUAL PERMIT FOR A SEMITRAILER IN EXCESS OF 48 FEET IN LENGTH, IF THE DISTANCE FROM THE KINGPIN TO THE CENTERLINE OF THE REAR AXLE GROUP OF THE SEMITRAILER DOES NOT EXCEED 41 FEET AND IF A COMBINATION OF VEHICLES, WHICH INCLUDES A SEMITRAILER IN EXCESS OF 48 FEET FOR WHICH A PERMIT HAS BEEN ISSUED UNDER THIS PARAGRAPH, DOES NOT EXCEED AN OVERALL LENGTH OF 65 FEET. THE ANNUAL FEE FOR A PERMIT ISSUED UNDER THIS PARAGRAPH IS \$36.)

Sec. 5. Minnesota Statutes 1984, section 169.81, subdivision 3, is amended to read:

Subd. 3. [LENGTH OF VEHICLE COMBINATIONS.] (a) Statewide, except as provided in paragraph (b), no combination of vehicles coupled together, including truck-tractor and semitrailer, may consist of more than two units and no combination of vehicles, unladen or with load, may exceed a total length of 65 feet. The length limitation does not apply to the transportation of telegraph poles, telephone poles, electric light and power poles, piling, or pole lenth pulpwood, and is subject to the following further exceptions: the length limitations do not apply to vehicles transporting pipe or other objects by a public utility when required for emergency or repair of public service facilities or when operated under special permits as provided in this subdivision, but with respect to night transportation, a vehicle and the load must be equipped with a sufficient number of clearance lamps and marker lamps on both sides and upon the extreme ends of a projecting load to clearly mark the dimensions of the load. Mount combinations may be drawn but the combinations may not exceed 65 feet in length. The limitation on the number of units does not apply to vehicles used for transporting milk from point of production to point of first processing, in which case no combination of vehicles coupled together unladen or with load, including truck-tractor and semitrailers, may consist of more than three units and no combination of those vehicles may exceed a total length of 65 feet. Notwithstanding other provisions of this section, and except as provided in paragraph (b), no combination of vehicles consisting of a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles or boats

may exceed 65 feet in length. The load may extend a total of seven feet, but may not extend more than three feet beyond the front or four feet beyond the rear, and in no case may the overall length of the combination of vehicles, unladen or with load, exceed 65 feet. For the purpose of registration, trailers coupled with a truck-tractor, semitrailer combination are semitrailers. The state as to state trunk highways, and a city or town as to roads or streets located within the city or town, may issue permits authorizing the transportation of combinations of vehicles exceeding the limitations in this subdivision over highways, roads, or streets within their boundaries. Combinations of vehicles authorized by this subdivision may be restricted as to the use of highways by the commissioner as to state trunk highways, and a road authority as to highways or streets subject to its jurisdiction. Nothing in this subdivision alters or changes the authority vested in local authorities under the provisions of section 169.04.

(b) The following combination of vehicles regularly engaged in the transportation of commodities may operate only on divided highways having four or more lanes of travel, and on other highways as may be designated by the commissioner of transportation subject to section 169.87, subdivision 1, and subject to the approval of the authority having jurisdiction over the highway, for the purpose of providing reasonable access between the divided highways of four or more lanes of travel and terminals, facilities for food, fuel, repair, and rest, and points of loading and unloading for household goods carriers, livestock carriers, or for the purpose of providing continuity of route:

(1) a truck-tractor and semitrailer exceeding 65 feet in length;

(2) a combination of vehicles with an overall length exceeding 55 feet and including a truck-tractor and semitrailer drawing one additional semitrailer which may be equipped with an auxiliary dolly;

(3) a combination of vehicles with an overall length exceeding 55 feet and including a truck-tractor and semitrailer drawing one full trailer; and

(4) a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles *or boats* and exceeding an overall length of 65 feet including the load *except as restricted by applicable federal law.*

Vehicles operated under the provisions of this section must conform to the standards for those vehicles prescribed by the United States Department of Transportation, Federal Highway Administration, Bureau of Motor Carrier Safety, as amended.

Sec. 6. Minnesota Statutes 1984, section 169.825, is amended by adding a subdivision to read:

*Subd. 3a. [TANDEM.] "Tandem axles" means two consecutive axles whose centers are spaced more than 40 inches and not more than 96 inches apart.*

Sec. 7. Minnesota Statutes 1984, section 169.825, subdivision 8, is amended to read:

**Subd. 8. [PNEUMATIC-TIRED VEHICLES.] No vehicle or combination of vehicles equipped with pneumatic tires shall be operated upon the highways of this state:**

**(a) Where the gross weight on any wheel exceeds 9,000 pounds, except that on designated *local routes and state trunk highways* the gross weight on any single wheel shall not exceed 10,000 pounds;**

**(b) Where the gross weight on any single axle exceeds 18,000 pounds, except that on designated *local routes and state trunk highways* the gross weight on any single axle shall not exceed 20,000 pounds;**

**(c) Where the maximum wheel load exceeds 600 pounds per inch of tire width or the manufacturer's recommended load, whichever is less;**

**(d) Where the gross weight on any axle of a tridem exceeds 15,000 pounds, except that for vehicles to which an additional axle has been added prior to June 1, 1981, the maximum gross weight on any axle of a tridem may be up to 16,000 pounds provided the gross weight of the tridem combination does not exceed 37,000 pounds where the first and third axles of the tridem are spaced seven feet apart; 38,500 pounds where the first and third axles of the tridem are spaced eight feet apart; and 39,900 pounds where the first and third axles of the tridem are spaced nine feet apart.**

**(e) Where the gross weight on any group of axles exceeds the weights permitted under this section with any or all of the interior axles disregarded and their gross weights subtracted from the gross weight of all axles of the group under consideration.**

Sec. 8. Minnesota Statutes 1984, section 169.825, subdivision 10, is amended to read:

**Subd. 10. [GROSS WEIGHT SCHEDULE.] (a) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated upon the highways of this state where the**

total gross weight on any group of two or more consecutive axles of any vehicle or combination of vehicles exceeds that given in the following table for the distance between the centers of the first and last axles of any group of two or more consecutive axles under consideration; the distance between axles being measured longitudinally to the nearest even foot, and when the measurement is a fraction of exactly one-half foot the next largest whole number in feet shall be used, except that when the distance between axles is more than three feet four inches and less than three feet six inches the distance of four feet shall be used:

The gross weights shown in parentheses in this clause are permitted only on *state trunk highways and routes designated under section 169.832, subdivision 11.*

(b) Notwithstanding any lesser weight in pounds shown in this table but subject to the restrictions on gross vehicle weights in clause (c), two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each and a combined gross load of 68,000 pounds provided the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

(c) Notwithstanding the provisions of section 169.85, the gross vehicle weight of all axles of a vehicle or combination of vehicles shall not exceed (THE FOLLOWING) :

(1) 80,000 pounds for *any vehicle or combination of vehicles on all state trunk highways as defined in section 160.02, subdivision 2, and for all routes designated under section 169.832, subdivision 11; and*

(2) 73,280 pounds for any vehicle or combination of vehicles with five axles or less on all routes, *other than state trunk highways and routes that are (NOT) designated under section 169.832, subdivision 11; and*

(3) 80,000 pounds for any vehicle or combination of vehicles with six or more axles on all routes, *other than state trunk highways and routes that are (NOT) designated under section 169.832, subdivision 11 (;).*

(d) The maximum weights specified in this subdivision for five consecutive axles shall not apply to a combination of vehicles

that includes a three axle semi-trailer first registered before August 1, 1981. All other weight limitations in this section are applicable (;).

(e) The maximum weights specified in this subdivision for five consecutive axles shall not apply to a four axle ready mix concrete truck which was equipped with a fifth axle prior to June 1, 1981. The maximum gross weight on four or fewer consecutive axles of vehicles excepted by this clause shall not exceed any maximum weight specified for four or fewer consecutive axles in this subdivision.

Sec. 9. Minnesota Statutes 1984, section 169.825, subdivision 11, is amended to read:

Subd. 11. [GROSS WEIGHT SEASONAL INCREASES.]

(a) The limitations provided in this section are increased:

(1) by ten percent from January 1 to March 7 each winter, statewide;

(2) by ten percent from December 1 through December 31 each winter in the zone bounded as follows: beginning at Pigeon River in the northeast corner of Minnesota; thence in a south-westerly direction along the north shore of Lake Superior along Trunk Highway No. 61 to the junction with Trunk Highway No. 210; thence westerly along Trunk Highway No. 210 to the junction with Trunk Highway No. 10; thence northwesterly along Trunk Highway No. 10 (TO THE JUNCTION WITH TRUNK HIGHWAY NO. 59; THENCE NORTHERLY ALONG TRUNK HIGHWAY NO. 59 TO THE JUNCTION WITH TRUNK HIGHWAY NO. 2; THENCE WESTERLY ALONG TRUNK HIGHWAY NO. 2 TO THE JUNCTION WITH TRUNK HIGHWAY NO. 32; THENCE NORTHERLY ALONG TRUNK HIGHWAY NO. 32 TO THE JUNCTION WITH TRUNK HIGHWAY NO. 11; THENCE NORTHEAST ALONG TRUNK HIGHWAY NO. 11 TO THE EAST LINE OF RANGE 43W) to the *Minnesota-North Dakota border*; thence *northerly along that border to the Minnesota-Canadian Border*; thence easterly along said Border to Lake Superior; and

(3) *by ten percent from October 1 to November 30 each year for the movement of sugar beets and potatoes from the field of harvest to the point of the first unloading. The commissioner shall not issue permits under this clause if to do so will result in a loss of federal highway funding to the state.*

(b) The duration of a ten percent increase in load limits is subject to limitation by order of the commissioner, subject to implementation of springtime load restrictions, or March 7.

(c) When the ten percent increase is in effect, a permit is required for a motor vehicle, trailer, or semitrailer combination

that has a gross weight in excess of 80,000 pounds, and axle group weight in excess of that prescribed in subdivision 10, or a single axle weight in excess of 20,000 pounds and which travels on interstate routes.

(d) In cases where gross weights in an amount less than that set forth in this section are fixed, limited, or restricted on a highway or bridge by or under another section of this chapter, the lesser gross weight as fixed, limited, or restricted may not be exceeded and must control instead of the gross weights set forth in this section.

(e) Notwithstanding any other provision of this subdivision, no vehicle may exceed a total gross vehicle weight of 80,000 pounds on routes which have not been designated by the commissioner under section 169.832, subdivision 11.

Sec. 10. Minnesota Statutes 1984, section 169.832, is amended by adding a subdivision to read:

*Subd. 13. [RESTRICTIONS ON TRUCK HIGHWAYS.]*

*(a) For purposes of this section a "market artery" is a trunk highway or segment thereof that:*

*(i) connects significant centers of population or commerce;*

*(ii) connects highways described in clause (i);*

*(iii) provides access to a transportation terminal; or*

*(iv) provides temporary emergency service to a particular shipping or receiving point on a market artery.*

*(b) The commissioner may impose seasonal load restrictions under section 169.87 on a market artery only after giving 30 days' notice to the chairs of the transportation and appropriations committees of the house of representatives, and the chairs of the transportation and finance committees of the senate. The commissioner shall provide with each notice a plan to improve the market artery within the next three years so that seasonal load restrictions will not be necessary on it.*

*(c) The commissioner shall adopt rules under chapter 14 defining "significant centers of population and commerce" and "temporary emergency service" for purposes of this section. In drafting the rules, the commissioner shall consult with major highway users, representatives of manufacturing, retail trade and agriculture, local government and regional development commissions. The commissioner shall consider the importance of manufacturing, retailing, agriculture and natural resources in promulgating the rule, and shall hold at least four public meetings in various parts of the state prior to preparing the final*

*draft of the rule. Between the effective date of this section and the effective date of the rule, "significant centers of population and commerce" means all home rule charter or statutory cities that had total retail sales of at least \$50,000,000 as reported in the 1982 census of retail trade of the United States department of commerce.*

**Sec. 11.** Minnesota Statutes 1984, section 169.86, subdivision 2, is amended to read:

Subd. 2. [REQUIRED INFORMATION.] The application for (ANY SUCH) a permit shall specifically describe *in writing* the vehicle or vehicles and loads to be moved and the particular highways (FOR WHICH PERMIT TO SO USE IS REQUESTED,) and (THE) period of time for which (SUCH) a permit is requested.

**Sec. 12.** Minnesota Statutes 1984, section 169.86, subdivision 5, is amended to read:

Subd. 5. [FEES.] The commissioner, with respect to highways under his jurisdiction, may charge a fee for each permit issued. All such fees for permits issued by the commissioner of transportation shall be deposited in the state treasury and credited to the trunk highway fund. Except for those annual permits for which the permit fees are specified elsewhere in this chapter, the fees shall be:

(a) \$15 for each single trip permit.

(b) \$36 for each job permit. A job permit may be issued for like loads carried on a specific route for a period not to exceed two months. "Like loads" means loads of the same product, weight and dimension.

(c) \$60 for an annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) refuse compactor vehicles that carry a gross weight up to but not in excess of 22,000 pounds on a single rear axle and not in excess of 38,000 pounds on a tandem rear axle;

(2) motor vehicles used to alleviate a temporary crisis adversely affecting the safety or well-being of the public;

(3) motor vehicles which travel on interstate highways and carry loads authorized under subdivision 1a;

(4) motor vehicles operating with gross weights authorized under section 169.825, subdivision 11, paragraph (a), clause (3).

(d) \$120 for an oversize annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

- (1) truck cranes;
- (2) construction equipment, machinery, and supplies;
- (3) manufactured homes;
- (4) farm equipment when the movement is not made according to the provisions of section 169.80, subdivision 1, paragraphs (a) to (f);
- (5) double-deck buses;
- (6) commercial boat hauling.

(e) for vehicles which have axle weights exceeding the weight limitations of section 169.825, an additional cost added to the fees listed above. The additional cost is equal to the product of the distance traveled times the sum of the overweight axle group cost factors shown in the following chart:

#### Overweight Axle Group Cost Factors

Weight (pounds) exceeding weight limitations on axles	Cost Per Mile For Each Group Of:		
	Two consecutive axles spaced within 8 feet or less	Three consecutive axles spaced within 9 feet or less	Four consecutive axles spaced within 14 feet or less
0- 2,000	.100	.040	.036
2,001- 4,000	.124	.050	.044

18,001-20,000	Not permitted	Not permitted	.140
20,001-22,000	Not permitted	Not permitted	.168

The amounts added are rounded to the nearest cent for each axle or axle group. The additional cost does not apply to paragraph (c), clauses (1) and (3).

(f) As an alternative to paragraph (e), an annual permit may be issued for overweight, or oversize and overweight, construction equipment, machinery, and supplies. The fees for the permit are as follows:

Gross Weight (pounds) of vehicle	Annual Permit Fee
90,000 or less	\$200.00
90,001-100,000	\$300.00
100,001-110,000	\$400.00

130,001-140,000	\$700.00
140,001-145,000	\$800.00

If the gross weight of the vehicle is more than (140,000) 145,000 pounds the permit fee is determined under paragraph (e).

(g) for vehicles which exceed the width limitations set forth in section 169.80 by more than 72 inches, an additional cost equal to \$120 added to the amount in paragraph (a) when the permit is issued while seasonal load restrictions pursuant to section 169.87 are in effect.

Sec. 13. Minnesota Statutes 1985 Supplement, section 169.862, is amended to read:

**169.862 [PERMITS FOR WIDE LOADS OF BALED AGRICULTURAL PRODUCTS.]**

The commissioner of transportation with respect to highways under the commissioner's jurisdiction, and local authorities with respect to highways under their jurisdiction, may issue an annual permit to enable a vehicle carrying round bales of (AGRICULTURAL PRODUCTS) *hay, straw, or cornstalks*, with a total outside width of the vehicle or the load not exceeding 11-1/2 feet, to

be operated on public streets and highways. Permits issued under this section are governed by the applicable provisions of section 169.86 except as otherwise provided herein and, in addition, carry the following restrictions:

(a) The vehicles may not be operated between sunset and sunrise, when visibility is impaired by weather, fog, or other conditions rendering persons and vehicles not clearly visible at a distance of 500 feet, or on Sunday from noon until sunset, or on the days the following holidays are observed: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

(b) The vehicles may not be operated on interstate highways.

(c) The vehicles may not be operated on a trunk highway with a pavement less than 24 feet wide.

*Subdivision 1. [TERMS.] For purposes of sections 1 to 3, the following terms have the meanings given them.*

*Subd. 2. [FAIR MARKET VALUE.] "Fair market value" means the price negotiated between the parties under section 2, or the market value of the property minus the value of any leasehold improvements, as determined by independent appraisers.*

*Subd. 3. [LEASEHOLDER.] "Leaseholder" means a person who holds a lease, license, or permit with respect to property*

*within a right-of-way, and who has erected eligible leasehold improvements on the property with a total fair market value of \$7,500 or more.*

*Subd. 4. [RAILROAD INTEREST.] "Railroad interest" includes a railroad corporation, its trustee or successor in interest, a railroad corporation which is in proceedings for bankruptcy under federal law, and a nonrailroad holding corporation that owns a controlling interest in a railroad.*

*Subd. 5. [RIGHT-OF-WAY.] "Right-of-way" has the meaning given it in section 222.63, subdivision 1.*

**Sec. 2. [222.632] [RIGHT OF FIRST REFUSAL.]**

*A railroad interest that is in bankruptcy proceedings may not sell or offer for sale an interest in real property that is within the right-of-way, and a railroad interest that is abandoning a railroad line may not sell or offer for sale an interest in real property within the right-of-way to be abandoned, unless it first extends a written offer to sell that interest at a fair market value price to each person who is a leaseholder with respect to the property. Leaseholders must respond to the offer within 60 days of receipt of the notice and the railroad interest must negotiate in good faith with an interested leaseholder for a period of 90 days following the leaseholder's response. After the 90-day negotiation period, either party may file a notice of dispute with the board under section 3. The property may not be sold to a party other than the leaseholder during the response and negotiation periods or while a dispute is pending before the board. This section does not apply to a sale of an entire operating railroad line by one operating railroad to another for the purpose of operating a railroad.*

**Sec. 3. [222.633] [TRANSPORTATION REGULATION BOARD TO RESOLVE DISPUTES.]**

*(a) A railroad interest or leaseholder may apply to the transportation regulation board to resolve a dispute concerning fair market value or other terms arising from negotiations under section 2. The board must adopt guidelines without regard to chapter 14 to implement section 2 and this section. The guidelines must define the terms "leaseholders" and "railroad interest," establish a procedure to resolve disputes, and provide for the use of independent appraisers. Final rules must be adopted no later than 360 days from the effective date of this section.*

*(b) The board's decision is final for purposes of judicial review and may be reviewed in the district court for the jurisdiction where the property is located. The scope of judicial review is limited to a determination whether substantial evidence exists to support the board's decision.*

## LANDLORD LIEN

## Section 1. [514.960] [LANDLORD LIEN.]

*Subdivision 1. [LIEN; ATTACHMENT.] A person or entity that leases property for agricultural production has a lien for unpaid rent on the crops produced on the property in the crop year and on the crop products and their proceeds.*

*Subd. 2. [PERFECTION.] (a) To perfect a landlord lien, the lien must attach and the person or entity entitled to the lien must file a lien statement with the appropriate filing office under section 336.9-401 by 30 days after the crops become growing crops.*

The filing officer shall file, amend, terminate, note the filing of a lien statement, and charge the fee for filing under this section in the manner provided by section 336.9-403 for a financing statement. *Subd. 4. [PRIORITY.] A landlord lien has priority over all other liens or security interests in crops grown or produced on the property that was leased and the crop products and proceeds.*

*Subd. 5. [ENFORCEMENT OF LIEN.] The holder of a landlord lien may enforce the lien in the manner provided in sections 336.9-501 to 336.9-508, subject to section 550.17. For enforcement of the lien, the lienholder is the secured party and the person leasing the property is the debtor, and each has the respective rights and duties of a secured party and a debtor under sections 336.9-501 to 336.9-508. If a right or duty under sections 336.9-501 to 336.9-508 is contingent upon the existence of express language in a security agreement or may be waived by express language in a security agreement, the requisite language does not exist.*

*Subd. 6. [ENFORCEMENT ACTIONS; LIEN EXTINGUISHED.] An action to enforce a landlord lien may be*

*brought in district court in a county where the property is located after the lien is perfected. A lien statement may be amended, except the amount demanded, by leave of the court in the furtherance of justice. The applications shall be reviewed by the advisory committee, and the advisory committee, subject to review by the supreme court, shall distribute the funds received pursuant to section 480.241, subdivision 2 to qualified legal services programs or to qualified alternative dispute resolution programs submitting applications. Subject to the provisions of subdivision 4, the funds shall be distributed in accordance with the following formula:

(a) Eighty-five percent of the funds distributed shall be distributed to qualified legal services programs that have demonstrated an ability as of July 1, 1982, to provide legal services to persons unable to afford private counsel with funds provided by the federal Legal Services Corporation. The allocation of funds among the programs selected shall be based upon the number of persons with incomes below the poverty level established by the United States Census Bureau who reside in the geographical area served by each program, as determined by the supreme court on the basis of the 1980 national census. All funds distributed pursuant to this clause shall be used for the provision of legal services in civil matters to eligible clients.

**572.35 [EFFECT OF MEDIATED SETTLEMENT AGREEMENT.]**

*Subdivision 1. [GENERAL.] The effect of a mediated settlement agreement shall be determined under principles of law applicable to contract. A mediated settlement agreement is not binding unless it contains a provision stating that it is binding and a provision stating substantially that the parties were advised in writing that (a) the mediator has no duty to protect their interests or provide them with information about their legal rights; (b) signing a mediated settlement agreement may adversely affect their legal rights; and (c) they should consult an attorney before signing a mediated settlement agreement if they are uncertain of their rights.*

The court administrator shall develop a list of mediators available in the county. It is desirable but not necessary that mediators under this section have knowledge of debtor and creditor law and relevant areas of finance. **ARTICLE 19****DEFICIENCY JUDGMENTS**

Section 1. [LEGISLATIVE FINDINGS.]

*The legislature finds that there is a rural economic emergency resulting from the agricultural economic depression. Foreclosure sales and subsequent deficiency judgments are debilitating the people foreclosed and taking away their hope for readjustment after foreclosure, which is detrimental to the welfare of the state.*

Sec. 2. [580.225] [SATISFACTION OF JUDGMENT.]

*The amount received from foreclosure sale under this chapter is full satisfaction of the mortgage debt, except as provided in section 5.*

Sec. 3. Minnesota Statutes 1984, section 580.23, subdivision 1, is amended to read:

580.23 [REDEMPTION BY MORTGAGOR.]

Subdivision 1. When lands have been sold in conformity with the preceding sections of this chapter the mortgagor, his personal representatives or assigns, within six months after such sale, except as otherwise provided in subdivision 2, may redeem such lands, as hereinafter provided, by paying the sum of money for which the same were sold, with interest from the time of sale at the rate provided to be paid on the mortgage debt and, if no rate be provided in the mortgage note, at the rate of six percent per annum, together with any further sums which may be payable pursuant to section 582.03. (WHERE THE REDEMPTION PERIOD IS AS PROVIDED IN THIS SUBDIVISION THE MORTGAGEE, OR HIS SUCCESSORS, ASSIGNS, OR PERSONAL REPRESENTATIVE, OR ANY OTHER PURCHASER SO PURCHASING AT THE SHERIFF'S SALE SHALL BY PURCHASING THE PROPERTY AT THE SHERIFF'S SALE THEREBY WAIVE HIS RIGHT TO A DEFICIENCY JUDGMENT AGAINST THE MORTGAGOR.)

Sec. 4. Minnesota Statutes 1984, section 581.09, is amended to read:

581.09 [SATISFACTION OF JUDGMENT (; EXECUTION FOR DEFICIENCY).]

Upon confirmation of the report of sale, the clerk shall enter satisfaction of the judgment to the extent of the sum bid for the premises, less expenses and costs (, AND FOR ANY BALANCE OF SUCH JUDGMENT, EXECUTION MAY ISSUE AS IN OTHER CASES; BUT NO SUCH EXECUTION SHALL ISSUE ON THE JUDGMENT UNTIL AFTER A SALE OF THE MORTGAGED PREMISES, AND THE APPLICATION OF THE AMOUNT REALIZED AS AFORESAID). *The amount entered is full satisfaction of the judgment unless a deficiency is allowed under section 5. If a deficiency judgment is allowed under section 5, the balance of the judgment remaining unpaid may be executed and satisfied in the same manner as a personal judgment against the mortgagor.*

Sec. 5. [582.30] [DEFICIENCY JUDGMENTS.]

*Subdivision 1. [DEFICIENCY ALLOWED.] (a) Except as provided in this section, a person holding a mortgage may ob-*

(2) the amount of the judgment entered under chapter 581.

(b) Except as provided in subdivision 3, the judgment may not be for more than the difference between the amount received from the foreclosure sale less expenses and costs and:

A court may allow a deficiency judgment only if it determines that the sale of the property was conducted in a commercially reasonable manner.

(b) The amount of the deficiency judgment is limited to the difference of the fair market value of the property, and the amount remaining unpaid on the mortgage if the foreclosure is under chapter 580 or the amount of the judgment if the foreclosure is under chapter 581. A separate jury proceeding must be brought to determine the fair market value of the property. The property may not be presumed to be sold for its fair market value. A party adversely affected by a deficiency judgment may submit evidence relevant to establishing the fair market value of the property. Notice of the time and place where the fair market value of the property is to be determined must be given to all parties adversely affected by the judgment.

*(2) foreclose the mortgage and obtain a deficiency judgment, if allowed.*

*(b) An action under paragraph (a), either clause (1) or (2), bars an action under the other clause.*

March 17, 1986

The Honorable David M. Jennings  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 1886, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1886 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1984, section 144.214, subdivision 1, is amended to read:

Subdivision 1. [DISTRICTS.] Each county of the state, and the city of St. Paul, (AND THE CITY OF MINNEAPOLIS,) shall constitute the (89) 88 registration districts of the state. The local registrar in each county shall be the clerk of district court in that county. The local registrar in any city which maintains local registration of vital statistics shall be the health officer. In addition, the state registrar may establish registration districts on United States government reservations, and may appoint a local registrar for each registration district so established.

Sec. 2. [CITY EMPLOYEES; TRANSFER.]

*If section 1 is adopted by the city and county, Hennepin county may employ city personnel who had duties under Minnesota Statutes, section 144.214. The former city employees shall as far as possible retain the benefits, salaries, and rights of their city employment but shall otherwise be subject to Hennepin county personnel rules.*

Sec. 3. Minnesota Statutes 1985 Supplement, section 271.01, subdivision 5, is amended to read:

Subd. 5. [JURISDICTION.] The tax court shall have statewide jurisdiction. Except for an appeal to the supreme court or any other appeal allowed under this subdivision, the tax court shall be the sole, exclusive, and final authority for the hearing and determination of all questions of law and fact arising under the tax laws of the state, as defined in this subdivision, in those cases that have been appealed to the tax court and in any case that has been transferred by the district court to the tax court. The tax court shall have no jurisdiction in any case that does not arise under the tax laws of the state or in any criminal case or in any case determining or granting title to real property or in any case that is under the jurisdiction of the probate court. The small claims division of the tax court shall have no jurisdiction in any case dealing with property valuation or assessment for property tax purposes until the taxpayer has appealed the valuation or assessment to the town or city board of equalization and to the county board of equalization, except for those taxpayers whose original assessments are determined by the commissioner of revenue. (A PROPERTY OWNER, OTHER THAN A PUBLIC UTILITY, MINING COMPANY, OR RAILROAD COMPANY FOR WHICH THE ORIGINAL ASSESSMENTS ARE DETERMINED BY THE COMMISSIONER OF REVENUE, MAY NOT APPEAR BEFORE THE TAX COURT UNLESS A TIMELY APPEARANCE IN PERSON, BY COUNSEL, OR BY WRITTEN COMMUNICATION HAS BEEN MADE BEFORE THE COUNTY BOARD OF EQUALIZATION AS PROVIDED IN SECTION 274.13, TO

APPEAL THE ASSESSMENT OF THE PROPERTY, OR THAT HE CAN ESTABLISH THAT HE DID NOT RECEIVE NOTICE OF HIS MARKET VALUE AT LEAST TEN DAYS BEFORE THE COUNTY BOARD OF REVIEW MEETING. NOTWITHSTANDING THE PROVISIONS OF THIS SECTION, IF THE MARKET VALUE OF THE PROPERTY IS INCREASED OR IF THE CLASSIFICATION OF THE PROPERTY IS CHANGED AFTER THE NOTICE HAS BEEN SENT TO THE PROPERTY OWNER, THE PROPERTY OWNER MAY APPEAR BEFORE THE TAX COURT WITHOUT AN APPEARANCE IN PERSON OR WRITTEN COMMUNICATION TO THE COUNTY BOARD OF EQUALIZATION.) The tax court shall have no jurisdiction in any case involving an order of the state board of equalization unless a taxpayer contests the valuation of his property. Only the taxes, aids and related matters contained in chapters 60A, 69, 124, 270, 272, 273, 274, 275, 276, 277, 278, 279, 285, 287, 288, 290, 290A, 291, 292, 293, 294, 295, 296, 297, 297A, 297B, 298, 299, 299F, 340, 473, 473F, and 477A shall be considered tax laws of this state subject to the jurisdiction of the tax court. This subdivision shall not be construed to prevent an appeal, as provided by law, to an administrative agency, board of equalization, or to the commissioner of revenue. Wherever used in chapter 271, the term commissioner shall mean the commissioner of revenue, unless otherwise specified.

Sec. 4. Minnesota Statutes 1985 Supplement, section 278.01, subdivision 1, is amended to read:

Subdivision 1. [DETERMINATION OF VALIDITY.] Any person having any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the city or county, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of his claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor and one copy each on the county treasurer and the county attorney and filing the same, with proof of service, in the office of the clerk of the district court before the 16th day of May of the year in which the tax becomes payable. (A PROPERTY OWNER, OTHER THAN A PUBLIC UTILITY, MINING COMPANY, OR THE RAILROAD COMPANY FOR WHICH THE ORIGINAL ASSESSMENTS ARE DETERMINED BY THE COMMISSIONER OF REVENUE, MAY NOT APPEAR BEFORE THE DISTRICT COURT OR TAX COURT UNLESS A TIMELY APPEARANCE IN PERSON, BY COUNSEL, OR BY WRITTEN COMMUNICATION HAS BEEN MADE BEFORE THE COUNTY BOARD OF EQUALIZATION AS PROVIDED IN SECTION 274.13, TO APPEAL THE ASSESSMENT OF

THE PROPERTY, OR THAT HE CAN ESTABLISH THAT HE DID NOT RECEIVE NOTICE OF HIS MARKET VALUE AT LEAST TEN DAYS BEFORE THE COUNTY BOARD OF REVIEW MEETING. NOTWITHSTANDING THE PROVISIONS OF THIS SECTION, IF THE MARKET VALUE OF THE PROPERTY IS INCREASED OR IF THE CLASSIFICATION OF THE PROPERTY IS CHANGED AFTER THE NOTICE HAS BEEN SENT TO THE PROPERTY OWNER. THE PROPERTY OWNER MAY APPEAR BEFORE THE DISTRICT COURT OR TAX COURT WITHOUT AN APPEARANCE IN PERSON OR WRITTEN COMMUNICATION TO THE COUNTY BOARD OF EQUALIZATION.) The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the valuation notice required by section 273.121 but prior to May 16 of the year in which the taxes are payable.

Sec. 5. Minnesota Statutes 1984, section 278.05, subdivision 1, is amended to read:

278.05 [TRIAL OF ISSUES.]

Subdivision 1. The petition, without any answer, return, or other pleading thereto, shall be tried at the next term of court. The *tax court or district court* shall without delay summarily hear and determine the claims, objections or defenses made by the petition and shall direct judgment (ACCORDINGLY) to *sustain, reduce or increase the amount of taxes due*, and the trial shall disregard technicalities and matters of form not affecting the merits.

Sec. 6. Minnesota Statutes 1984, section 278.05, subdivision 4, is amended to read:

Subd. 4. [SALES RATIO STUDIES AS EVIDENCE.] The sales ratio studies published by the department of revenue, or any part of the studies, or any copy of the studies or records accumulated to prepare the studies which is prepared by the commissioner of revenue for the equalization aid review committee for use in determining school aids shall be admissible in evidence as a public record without the laying of a foundation if the sales prices used in the study are adjusted for the terms of the sale to reflect market value and are adjusted to reflect the difference in the date of sale compared to the assessment date. Additional evidence relevant to the sales ratio study is also admissible. No sales ratio study received into evidence shall be con-

clusive or binding on the court and evidence of its reliability or unreliability may be introduced by any party including, but not limited to, evidence of inadequate adjustment of sale prices for terms of financing, inadequate adjustment of sales prices to reflect the difference in the date of sale compared to the assessment date, and inadequate sample size.

No reduction in value on the grounds of discrimination shall be granted on the basis of a sales ratio study published by the department of revenue unless

(a) the sales prices are adjusted for the terms of the sale to reflect market value,

(b) the sales prices are adjusted to reflect the difference in the date of sale compared to the assessment date, *and*

(c) there is an adequate sample size (, AND)

((D) THE MEDIAN RATIO OF THE CLASS OF PROPERTY OF THE SUBJECT PROPERTY IN THE SAME COUNTY, CITY, OR TOWN OF THE SUBJECT PROPERTY IS LOWER THAN THE ASSESSMENT RATIO OF THE SUBJECT PROPERTY BY AT LEAST TEN PERCENT.)

(IF THE ABOVE CRITERIA ARE MET AND A REDUCTION IN VALUE ON THE GROUNDS OF DISCRIMINATION IS GRANTED BASED UPON THE SALES RATIO STUDY, THE REDUCTION SHALL REFLECT ONLY THE DIFFERENCE BETWEEN THE ASSESSMENT/SALES RATIO OF THE SUBJECT PROPERTY AND 110 PERCENT OF THE MEDIAN RATIO OF THE CLASS OF PROPERTY OF THE SUBJECT PROPERTY).

Sec. 7. Minnesota Statutes 1984, section 278.07, is amended to read:

278.07 [JUDGMENT; AMOUNT; COSTS.]

Judgment shall be for the amount of the taxes for the year as the court shall determine the same, less the amount paid thereon, if any. If the tax is sustained in the full amount levied *or increased*, costs and disbursements (SHALL) *may, in the discretion of the court*, be taxed and allowed as in delinquent tax proceedings and shall be included in the judgment. If the tax so determined shall be less than the amount thereof as levied, the court may, in its discretion, award disbursements to the petitioner, which shall be taxed and allowed and be deducted from the amount of the taxes as determined. If there be no judgment for taxes, a judgment may be entered determining the right of the parties and for the costs and disbursements as taxed and allowed.

Sec. 8. Minnesota Statutes 1984, section 278.08, subdivision 1, is amended to read:

Subdivision 1. [TAXES DUE.] Whether or not the tax is sustained in full as levied *or increased* and section 278.03 notwithstanding, the judgment shall include any interest which has accrued on the taxes for failure to pay the taxes or any part of the taxes as provided in sections 279.01 and 279.03. If the tax is reduced, no penalty shall be included in the judgment because of the failure to pay the reduced tax prior to entry of judgment. After the judgment is entered, it shall be subject to interest and penalty at the rates provided in chapter 279 for delinquent payment of property taxes.

Sec. 9. Minnesota Statutes 1985 Supplement, section 325E.-025, subdivision 2, is amended to read:

Subd. 2. [PAYMENT RESPONSIBILITY FOR UTILITY SERVICE.] A utility shall not: (1) recover or attempt to recover payment *for a tenant's outstanding bill or charge* from a landlord, property owner or manager, or manufactured home park owner, as defined in section 327C.01, or manufactured home dealer, as defined in section 327B.01, who has not contracted for the service; (2) condition service on payment of an outstanding bill or other charge for utility service due upon the outstanding account of a previous customer or customers when all of the previous customers have vacated the property; or (3) place a lien on the landlord's or owner's property for a tenant's outstanding bill or charge whether created by local ordinance or otherwise. A utility may recover or attempt to recover payment *for a tenant's outstanding bill or charge* from a property owner where the manager, acting as the owner's agent, contracted for the utility service.

Sec. 10. Minnesota Statutes 1985 Supplement, section 429.-061, subdivision 1, is amended to read:

Subdivision 1. [CALCULATION, NOTICE.] At any time after the expense incurred or to be incurred in making an improvement shall be calculated under the direction of the council, the council shall determine by resolution the amount of the total expense the municipality will pay, other than the amount, if any, which it will pay as a property owner, and the amount to be assessed. If a county proposes to assess within the boundaries of a city for a county state-aid highway or county highway, the resolution must include the portion of the cost proposed to be assessed within the city. The county shall forward the resolution to the city and it may not proceed with the assessment procedure under this section for property within the city unless the city council adopts a resolution approving the assessment. Thereupon the clerk, with the assistance of the engineer or other qualified person selected by the council, shall calculate the proper amount to be specially assessed for the improvement against every as-

sessable lot, piece or parcel of land, without regard to cash valuation, in accordance with the provisions of section 429.051. The proposed assessment roll shall be filed with the clerk and be open to public inspection. The clerk shall thereupon, under the council's direction, publish notice that the council will meet to consider the proposed assessment. Such notice shall be published in the newspaper at least once and shall be mailed to the owner of each parcel described in the assessment roll. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be such on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. Such publication and mailing shall be no less than two weeks prior to such meeting of the council. Except as to the owners of tax exempt property or property taxes on a gross earnings basis, every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived such mailed notice unless he has requested in writing that the county auditor or county treasurer, as the case may be, include his name on the records for such purpose. Such notice shall state the date, time, and place of such meeting, the general nature of the improvement, the area proposed to be assessed (**THE AMOUNT TO BE SPECIALLY ASSESSED AGAINST THAT PARTICULAR LOT, PIECE, OR PARCEL OF LAND**), *the total amount of the proposed assessment*, that the proposed assessment roll is on the file with the clerk, and that written or oral objections thereto by any property owner will be considered. *The notice must also state that no appeal may be taken as to the amount of any assessment adopted pursuant to subdivision 2, unless a written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing. The notice shall also state that an owner may appeal an assessment to district court pursuant to section 429.081 by serving notice of the appeal upon the mayor or clerk of the municipality within 30 days after the adoption of the assessment and filing such notice with the district court within ten days after service upon the mayor or clerk. The notice shall also inform property owners of the provisions of sections 435.193 to 435.195 and the existence of any deferment procedure established pursuant thereto in the municipality. In addition, the notice mailed to the owner must include the following information:*

- (1) *the amount to be specially assessed against that particular lot, piece, or parcel of land;*
- (2) *the right of the property owner to prepay the entire assessment and the person to whom prepayment must be made;*
- (3) *whether partial prepayment of the assessment has been authorized by ordinance;*

(4) *the time within which prepayment may be made without the assessment of interest; and*

(5) *the rate of interest to be accrued if the assessment is not prepaid within the required time period.*

Sec. 11. Minnesota Statutes 1984, section 429.061, subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued.

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined by the council shall become a part of the adopted assessment roll. *No appeal may be taken as to the amount of any assessment adopted under this section unless written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing.* All objections to the assessments not received at the assessment hearing in the manner prescribed by this (SECTION) subdivision are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

*If the adopted assessment differs from the proposed assessment as to any particular lot, piece, or parcel of land, the clerk must mail to the owner a notice stating the amount of the adopted assessment. Owners must also be notified by mail of any changes adopted by the council in interest rates or prepayment requirements from those contained in the notice of the proposed assessment.*

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the

assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. Except as provided below, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest thereon for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

The tax is payable to the commissioner of revenue in the manner prescribed in section 24 and the rules of the commissioner. The commissioner shall pay the proceeds of the tax to the state treasurer for deposit in the general fund. The sales tax imposed by chapter 297A on the sale of the pull-tabs by the licensed distributor to an organization is imposed on the retail sales price less the tax imposed by this subdivision. The retail sale of pull-tabs by the organization is exempt from taxes imposed by chapter 297A if the tax imposed by this subdivision has been paid and is exempt from all local taxes and license fees except a fee authorized under section 349.213, subdivision 3.*

## Sec. 24. [349.2121] [PULL-TAB TAX; COLLECTION.]

*Subdivision 1. [APPLICATION AND ISSUANCE.] Every distributor licensed by the board who sells pull-tabs to organizations authorized to sell pull-tabs under this chapter must file with the commissioner of revenue an application, on a form the commissioner prescribes, for a gambling tax identification number and gambling tax permit. The commissioner, when satisfied that the applicant has a valid license from the board, shall issue the applicant a permit and number. A permit is not assignable and is valid only for the distributor in whose name it is issued.*

*Subd. 2. [RECORDS.] The commissioner may by rule require a licensed distributor holding a permit under this section to keep such books, papers, documents, and records as the commissioner deems necessary to the enforcement of this chapter. The commissioner may examine, or cause to be examined, any books, papers, records, or other documents relevant to making a determination, whether they are in the possession of a distributor or another person or corporation. The commissioner may require the attendance of any persons having knowledge or information in the premises, to compel the production of books, papers, records, or memoranda by persons so required to attend, to take testimony on matters material to a determination, and to administer oaths or affirmations.*

*Subd. 3. [SUSPENSION, REVOCATION.] The commissioner, after notice and hearing, may for reasonable cause revoke or suspend a permit held by a distributor. A notice must be sent to the distributor at least 30 days before the hearing and give notice of the time and place of the hearing, must give the reason for the proposed suspension or revocation, and must require the distributor show cause why the proposed action should not be taken. The notice may be served personally or by mail in the manner prescribed for service of notice of a deficiency. The commissioner may not issue a new permit after revocation except upon application accompanied by reasonable evidence of the intention of the applicant to comply with all applicable laws and rules. The commissioner may condition the issuance of a new permit to the applicant on the supplying of security in addition to that authorized by subdivision 2 as is reasonably necessary to ensure compliance with all applicable laws and rules.*

*Subd. 4. [COLLECTION.] The tax imposed by section 349-212, subdivision 4, for each taxable sale is due and payable to the commissioner monthly on or before the 25th day of the month succeeding the month in which the taxable sale was made.*

*Subd. 5. [INFORMATION CONFIDENTIAL.] Neither the commissioner nor any other public official or employee may divulge or otherwise make known in any manner any particulars disclosed in any report or return required by this section, or any information concerning the affairs of the distributor making the*

*return acquired from its records, officers, or employees while examining or auditing under the authority of this chapter, except in connection with a proceeding involving taxes due under this chapter. Nothing herein prohibits the commissioner from publishing statistics so classified as not to disclose the identity of particular returns or reports and their contents. Any person violating the provisions of this section is guilty of a gross misdemeanor.*

*Notwithstanding the provisions of this section, the commissioner may furnish information on a reciprocal basis to the taxing officials of another state or the board in order to implement the purposes of this chapter.*

*In order to facilitate processing of returns and payments of taxes required by this chapter, the commissioner may contract with outside vendors and may disclose private and nonpublic data to the vendor. The data disclosed must be administered by the vendor consistent with this section.*

*Subd. 6. [COLLECTIONS; CIVIL PENALTIES.] The provisions of chapter 297A relating to the commissioner's authority to audit, assess, and collect the tax imposed by that chapter apply to the tax, penalties and interest imposed by section 349.212, subdivision 4. The commissioner shall impose civil penalties for violation of this section as provided in chapter 297A, and the additional tax and penalties are subject to interest at the rate provided in section 270.75.*

*Subd. 7. [RULES.] The commissioner shall adopt rules, including emergency rules, for the administration and enforcement of this section and section 349.212, subdivision 4.*

Sec. 25. Minnesota Statutes 1984, section 349.213, is amended to read:

*Subdivision 1. [LOCAL REGULATION.] A statutory or home rule city or county has the authority to adopt more stringent regulation of any form of lawful gambling within its jurisdiction, including the prohibition of any form of lawful gambling, and may require a permit for the conduct of gambling exempt from licensing under section 349.214. The fee for a permit issued under this subdivision may not exceed \$100. The authority granted by this subdivision does not include the authority to require a license or permit to conduct gambling by organizations or sales by distributors licensed by the board.*

*Subd. 2. [LOCAL APPROVAL.] Before issuing or renewing an organization license, the board must notify the city council of the statutory or home rule city in which the organization's premises are located or, if the premises are located outside a city, by the county board of the county and the town board of the town where the premises are located. If the city council or county board*

adopts a resolution disapproving the license and so informs the board within 30 days of receiving notice of the license, the license may not be issued or renewed.

Sec. 26. Minnesota Statutes 1984, section 349.214, subdivision 2, is amended to read:

(5) *the organization purchases all gambling equipment and supplies from a licensed distributor; and*

(6) *the organization reports to the board, on a single page form prescribed by the board, within 30 days of each gambling occasion, the gross receipts, prizes, expenses, expenditures of net profits from the occasion, and the identification of the licensed distributor from whom all gambling equipment was purchased.*

(c) *If the organization fails to file a timely report as required by paragraph (b), clause (3) or (6), a \$250 penalty is imposed on the organization. Failure to file a timely report does not disqualify the organization as exempt under this paragraph if a report is subsequently filed and the penalty paid.*

(d) *Merchandise prizes must be valued at their fair market value.*

Delete everything after the enacting clause and insert:

#### "ARTICLE 1

Section 1. Minnesota Statutes 1984, section 273.77, is amended to read:

## 273.77 [TAX INCREMENT BONDING.]

Any other law, general or special, notwithstanding, after August 1, 1979 no bonds, payment for which tax increment is pledged, shall be issued in connection with any project for which tax increment financing has been undertaken other than as is authorized hereby and the proceeds therefrom shall be used only in accordance with section 273.75, subdivision 4 as if said proceeds were tax increment, except that a tax increment financing plan need not be adopted for any project for which tax increment financing has been undertaken prior to August 1, 1979, pursuant to statutes not requiring a tax increment financing plan. Such bonds shall not be included for purposes of computing the net debt of any municipality.

(a) A municipality may issue general obligation bonds to finance any expenditure by the municipality or an authority the jurisdiction of which is wholly or partially within that municipality, pursuant to section 273.75, subdivision 4 in the same manner and subject only to the same conditions as those provided in chapter 475 for bonds financing improvement costs reimbursable from special assessments. Any pledge of tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision, except when the authority and the municipality are the same, shall be made by written agreement by and between the authority and the municipality and filed with the county auditor. When the authority and the municipality are the same, the municipality may by covenant pledge tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision and thereupon shall file the resolution containing such covenant with the county auditor. When tax increment, assessments and other revenues are pledged, the estimated collections of said tax increment, assessments and any other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3.

(b) When the authority and the municipality are not the same, an authority may, by resolution, authorize, issue and sell its general obligation bonds to finance any expenditure which that authority is authorized to make by section 273.75, subdivision 4. Said bonds of the authority shall be authorized by its resolution, shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322, and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable

in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, the bonds shall be fully negotiable. In any suit, actions, or proceedings involving the validity of enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a project shall be conclusively deemed to have been issued for such purpose, and the tax increment financing district within the project shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds of the authority, and such bonds shall so state on their face, shall not be a debt of any municipality, the state or any political subdivision thereof, and neither the municipality nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds be payable out of any funds or properties other than those of the authority and any tax increment and revenues of a tax increment financing district pledged therefor.

(c) Notwithstanding any other law general or special, an authority may, by resolution, authorize, issue and sell revenue bonds payable solely from all or a portion of revenues, including but not limited to tax increment revenues and assessments, derived from a tax increment financing district located wholly or partially within the municipality to finance any expenditure which the authority is authorized to make by section 273.75, subdivision 4. The bonds shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322 and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a project shall be conclusively deemed to have been issued for such purpose, and the tax increment financing district within the project shall be conclusively deemed to have been planned, located, and carried out in accor-

dance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds may be further secured by a pledge and mortgage of all or any portion of the district in aid of which the bonds are issued and such covenants as the authority shall deem by such resolution to be necessary and proper to secure payment of the bonds. The bonds, and the bonds shall so state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the issuing authority be subject to any liability thereon or have the powers to obligate itself to pay or pay the bonds from funds other than the revenues and properties pledged and mortgaged and no holder or holders of the bonds shall ever have the right to compel any exercise of any taxing power of the issuing authority or any other public body, other than as is permitted or required under Laws 1979, Chapter 322 and pledged therefor hereunder, to pay the principal of or interest on any such bonds, nor to enforce payment thereof against any property of the authority or other public body other than that expressly pledged or mortgaged for the payment thereof.

(d) (1) In anticipation of the issuance of bonds pursuant to either paragraph (a), (b) or (c) of this section, the authority or municipality may by resolution issue and sell temporary bonds pursuant to paragraph (a), (b) or (c), maturing within not more than three years from their date of issue, to pay any part or all of the cost of a project. To the extent that the principal of and interest on the temporary bonds cannot be paid when due from receipts of tax increment, assessments, or other funds appropriated for the purpose, they shall be paid from the proceeds of long-term bonds or additional temporary bonds which the authority or municipality shall offer for sale in advance of the maturity date of the temporary bonds, but the indebtedness funded by an issue of temporary bonds shall not be extended by the issue of additional temporary bonds for more than six years from the date of the first issue. Long-term bonds may be issued pursuant to paragraph (a), (b) or (c) without regard to whether the temporary bonds were issued pursuant to paragraph (a), (b) or (c). If general obligation temporary bonds are issued pursuant to paragraph (a), proceeds of long-term bonds or additional temporary bonds not yet sold may be treated as pledged revenues, in reduction of the tax otherwise required by section 475.61 to be levied prior to delivery of the obligations. Subject to the six-year maturity limitation contained above, but without regard to the requirement of section 475.58, if any temporary bonds are not paid in full at maturity, in addition to any other remedy authorized or permitted by law, the holders may demand, in which case the authority or municipality shall, issue pursuant to paragraph (a), (b) or (c) as the temporary bonds and in exchange for the temporary bonds, at par, replacement temporary bonds dated as of the date of the replaced temporary bonds, maturing within one

year from the date of the replacement temporary bonds and earning interest at the rate set forth in the resolution authorizing the issuance of the replaced temporary bonds, provided that the rate shall not exceed the maximum rate permitted by law at the date of issue of the replaced temporary bonds.

(2) Funds of a municipality may be invested in its temporary bonds in accordance with the provisions of section 471.56, and may be purchased upon their initial issue, but shall be purchased only from funds which the governing body of the municipality determines will not be required for other purposes before the maturity date, and shall be resold before maturity only in case of emergency. If purchased from a debt service fund securing other bonds, the holders of those bonds may enforce the municipality's obligations on the temporary bonds in the same manner as if they held the temporary bonds.

(e) Sections (474.16 TO 474.23) 9 to 29 apply to any issuance of obligations under this section which are subject to limitation under a federal *volume* limitation act as defined in section (474.-16) 10, subdivision (5) 9, or existing federal tax law as defined in section 10, subdivision 8.

Sec. 2. Minnesota Statutes 1984, section 298.2211, subdivision 1, is amended to read:

Subdivision 1. If returned to the county auditor, the county auditor shall immediately allocate the amount among all government units which would have shared therein had the amount been received as part of the other ad valorem taxes on property in the district most recently paid, in the same proportions as other taxes were distributed, and shall immediately distribute it to the government units in accordance with the allocation.

Sec. 4. Minnesota Statutes 1984, section 430.12, is amended to read:

#### 430.12 [BONDS FOR IMPROVEMENTS.]

The city council, for the purpose of realizing the funds for making an improvement and paying damages may, from time to time as may be needed, issue and sell special certificates of indebtedness, or special street or parkway improvement bonds, as they may decide, which shall entitle the holder thereof to all sums realized upon any assessment or, if deemed advisable, a series of two or more certificates or bonds against any one assessment, or against the assessments in two or more different proceedings, the principal and interest being payable at fixed dates out of the funds collected from the assessments, including interest and penalties, and the whole of the fund or funds is hereby pledged for the pro rata payment of the certificates or bonds and the interest thereon, as they severally become due. These certificates or bonds may be made payable to the bearer, with interest coupons attached, and the city council may bind the city to make good deficiencies in the collection up to, but not exceeding, the principal and interest at the rate fixed, as hereinafter provided, and for the time specified in section 430.06. If the city, because of this guaranty, shall redeem any certificate or bond, it shall thereupon be subrogated to the holder's rights. For the purpose of this guaranty, penalties collected shall be credited upon deficiencies of principal and interest before the city shall be liable. These certificates or bonds shall be sold at public sale or by sealed proposals at a meeting of which at least two weeks' published notice shall be given, to the purchaser who will pay the par value thereof at the lowest interest rate, and the certificates or bonds shall be drawn accordingly, but the rate of interest shall in no case exceed seven percent per annum, pay-

able annually or semiannually. The city clerk shall certify to the county auditor the rate of interest so determined at the first bond sale held for any such improvement, and interest shall be computed upon the assessments at this annual rate, in accordance with the terms of section 430.06. In case the rate of interest so determined at any subsequent bond sale for the same improvement is greater than the rate so determined at the first bond sale therefor, the difference between these rates of interest shall be a general city charge.

In case the proceeds of any special certificates of indebtedness or special street or parkway improvement bonds are in excess of the amount actually necessary to make the improvements for which the same were issued, or in case the proceeds are not immediately required for the prosecution or completion of the improvement, these proceeds may meanwhile be used by the city council for the making of other improvements authorized under the provisions of this chapter, and the amount of the proceeds so used shall be replaced and made good so far as may be necessary from the proceeds of special certificates of indebtedness or special bonds issued for the purpose of making such other improvements.

(b) The number of individuals employed in the applicant's jurisdiction declined from the second calendar year before the application, to the first calendar year before the application. The estimate of the number of individuals employed for each year must be based on the same source, and must be (1) the most recent estimate available for the smallest jurisdiction which wholly includes the applicant, as reported by the department of economic security, or (2) another estimate supplied by the applicant with respect to its jurisdiction, which is documented by the applicant.

(c) The project will provide additional general tax revenue to the taxing jurisdictions in which the project is located beginning not later than three years after issuance of the obligations.

(d) The number of jobs to be created by the project is at least two jobs for each \$100,000 of issuance authority requested for the project.

(e) As of the date of application the total market value of all taxable property in the applicant's jurisdiction, based on the most recent certification of assessed value to the commissioner of revenue, has either (1) declined in relation to the first calendar year before the certification, or (2) increased in relation to the first calendar year before the certification at a rate which is less than 90 percent of the rate of increase of the state average market value over the same period.

(f) The total capital expenditures for the project exceed by ten percent the amount of the proceeds of the obligations to be issued for the project.

(g) The project is wholly located in an enterprise zone designated pursuant to section 273.1312.

(h) The project site meets the criteria necessary to qualify as a tax increment redevelopment district as defined in section 273.73, subdivision 10. To qualify under this clause the project need not be included in a tax increment financing district.

(i) The project meets one of the following energy conservation criteria: (1) the project is eligible for the additional federal investment tax credits for energy property, (2) the project

*involves construction or expansion of a district heating system as defined in section 116J.36, or (3) the project involves construction of an energy source as described in section 116J.26, clause (a), (b), or (d) or 116M.03, subdivisions 22, 23 and 26.*

*(j) The project consists of the renovation, rehabilitation, or reconstruction of an existing building which is (1) located in a historic district designated under section 138.73, or on a site listed in the state registry of historical sites under sections 138.53 to 138.5819; or (2) designated in the National Register pursuant to United States Code, title 16, section 470a.*

*(k) Service connections to sewer and water systems are available to the project at the time the application is submitted.*

*(l) As provided by a binding agreement by the principal user or users of the project with the applicant, at least ten percent of the individuals employed by the principal user or users of the project will be minority or low income individuals.*

*(m) When the application is submitted either (1) the anticipated owner of the project, or any party of which the owner is a controlling partner or shareholder, or which is a controlling shareholder or partner of the owner, does not own or operate a substantially similar business within the state or (2) the project is an expansion of the operations of an existing business which is not likely to have the effect of transferring existing employment from one or more other municipalities within the state to the municipality in which the project is located.*

*(n) A controlling interest in the project will be owned by one or more women or minority persons.*

*(o) Seventy-five percent or more of the proceeds of the proposed issue will be used to rehabilitate an existing structure.*

*Subd. 4. [ALLOCATION PROCEDURE.] (a) The department shall allocate available issuance authority under this section on Monday of each week to applications received on or before Monday of the preceding week in the following order of priority and available issuance authority may not be allocated to any other project:*

*(1) applications for manufacturing projects;*

*(2) applications for pollution control projects or waste management projects; and*

*(3) applications for commercial redevelopment projects.*

*Within each category of applications available authority shall be allocated on the basis of the numerical rank determined pursuant to this section. In the case of an application for issuance authority that includes more than one project to be financed by one issue of obligations, the points assigned to the application shall be computed on the basis of the weighted average of points for the projects. The projects must all be of the same category of projects to be submitted as a multiproject application. If two or more applications have the same numerical rank, the ranking of the applications must be by lot unless otherwise agreed by the respective issuers. If an application is rejected, the department must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be re-submitted.*

*(b)(1) From January 1 through September 30, no more than 20 percent of the total amount available for allocation during the calendar year pursuant to this section may be allocated to pollution control and waste management projects.*

*(2) From January 1 to September 30, no more than 35 percent of the total amount available for allocation during the calendar year pursuant to this section may be allocated to commercial redevelopment projects. This amount is increased to 50 percent of the total available authority for the next month's allocation if the following two conditions occur: (i) on or after June 30 the total amount of issuance authority available under this section which has not been allocated or has been allocated to but was returned by an issuer exceeds 45 percent of the total amount of issuance authority available for allocation under this section for the calendar year; and (ii) the entire amount of issuance authority available under this subparagraph for commercial redevelopment projects has been allocated.*

*Subd. 5. [LETTER OF INTENT.] After September 1 of each year, an issuer which has received an allocation pursuant to this section prior to September 1 may retain any unused portion of the allocation only if the issuer has submitted to the department on or before September 1 a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by existing federal tax law. If the letter of intent is not submitted to the department, the one percent application deposit must be returned to the issuer, the allocation is canceled, and the issuance authority is available for reallocation pursuant to this section. If an issuer returns for reallocation all or any part of its allocation on or before October 31, that portion of its application deposit equal to one percent of the amount returned shall be refunded within 30 days.*

*Subd. 6. [FINAL ALLOCATION.] From October 1 to December 31 of each year, the annual volume cap under existing*

*federal tax law, which is not both previously allocated and subject to a preliminary resolution for a specific project, whether or not committed pursuant to a letter of intent, is available for allocation or reallocation and shall be allocated among issuers. The iron range resources and rehabilitation commissioner, the energy and economic development authority, or an entitlement city may reallocate after September 30 its retained allocation among projects identified in preliminary resolutions filed with the department prior to October 1. An application for an allocation under this subdivision must include evidence of passage of a preliminary resolution and state that it is the intent of the applicant that the obligations will be issued by the end of the year or within the time period permitted by existing federal tax law, and must be accompanied by an application deposit in the amount of one percent of the requested allocation. Applications must be made and allocations shall be awarded in accordance with subdivisions 3 and 4.*

*After September 30, authority may be allocated under this subdivision to any project, notwithstanding the percentage limits and other restrictions contained in subdivision 4. Applications must be ranked and authority allocated first according to the order of priority and ranking of points under subdivisions 3 and 4. The remaining authority must be allocated according to the ranking of points under subdivision 3. If two or more applications receive an equal number of points, allocations among them must be made by lot unless otherwise agreed by the respective applicants.*

*If issuance authority remains or becomes available following the last Monday on which allocations are made for any calendar year, the department must allocate the available authority to the department of finance. The department of finance shall allocate the remaining authority between the Minnesota housing finance agency and the higher education coordinating board. Amounts allocated to the Minnesota housing finance agency shall be used for the issuance of mortgage credit certificates, and amounts allocated to the higher education coordinating board shall be used for the issuance of obligations under chapter 136A.*

**Subd. 7. [RETURN OF ALLOCATION.]** *If on or after November 1 but prior to December 1 of any year, an issuer determines that it will not issue obligations pursuant to an allocation received by it pursuant to this section or section 12 by the end of that year or within the time period permitted by existing federal tax law, the issuer must notify the department and the amount will be available for reallocation pursuant to this subdivision. In such case, the department shall refund to the issuer within 30 days that portion of any application deposit equal to one-third of one percent of the amount returned for reallocation. The amounts available for reallocation must be allocated on or before December 31 pursuant to subdivision 6.*

**Sec. 14. [474A.06] [NOTICE OF ISSUE UNDER EXISTING FEDERAL TAX LAW.]**

*Issuers that issue obligations subject to existing federal tax law shall file with the department within five days after the obligations are issued a written notice of issue stating the date of issuance of the obligations, the allocation under which the obligations are issued, and the principal amount of the obligations. If obligations are to be issued as a series of obligations, the notice of issue must be filed for each series of obligations that is issued. If the notice of issue is not filed within five days after the obligations are issued, the obligations shall be considered not to have received an allocation under existing federal tax law. Within 30 days after receipt of the notice, the department shall refund a portion of the application deposit required under section 12 or section 13 equal to one percent of the principal amount of the obligations issued.*

**Sec. 15. [474A.07] [QUALIFIED MORTGAGE BONDS.]**

*Subdivision 1. [HOUSING FINANCE AGENCY ALLOCATION.] The applicable volume limit for qualified mortgage bonds for the Minnesota housing finance agency, pursuant to existing federal tax law, for a calendar year is 100 percent of the state ceiling for qualified mortgage bonds for that year, reduced only by (1) any amounts of qualified mortgage bonds which have been or may be allocated by law to specified cities, and (2) any amounts of qualified mortgage bonds which are allocated to cities pursuant to subdivisions 2 and 3. The aggregate amount allocated to cities, under clause (1) or (2), together with the amount of qualified mortgage bonds reserved for the agency, shall not exceed the limit for the state under existing federal tax law.*

*By August 1 of each year, a city which has received by law an allocation of the state ceiling for qualified mortgage bonds shall submit its housing programs to the Minnesota housing finance agency for approval pursuant to section 462C.04, subdivision 2, in an amount of bonds equal to or less than, the city's allocation. If the amount of qualified mortgage bonds, for which program approval is granted on or before September 1 is less than the amount allocated by law to the city, the applicable limit for the agency shall be increased by the difference between the amount allocated by law to the city, and the amount for which program approval has been granted.*

*Subd. 2. [CITY ALLOCATION.] Unless otherwise authorized by law, a city that intends to issue during any calendar year qualified mortgage bonds that are subject to existing federal tax law, shall by January 2 of that year submit to the Minnesota housing finance agency a program that will use a portion of the state qualified mortgage bond ceiling. The total amount of qualified mortgage bonds included in all programs submitted*

*pursuant to this subdivision by a city may not exceed \$10,000,000. Each program shall be accompanied by a certificate from the city that states that the qualified mortgage bond issue is feasible. By February 1, the Minnesota housing finance agency shall review each program pursuant to section 462C.04, subdivision 2. The Minnesota housing finance agency shall approve all programs that the agency determines are consistent with chapter 462C, and that meet the following conditions:*

*(1) all of the loans must be reserved for a period of not less than six months for persons and families whose adjusted family income is below 80 percent of the limits on adjusted gross income provided in section 462C.03, subdivision 2; and*

*(2) loans must be made only to finance homes that are serviced by municipal water and sewer utilities; provided that if the approval of all programs would result in an allocation to cities in excess of 27-1/2 percent of the state ceiling for the calendar year 1985, reduced by the amount of qualified mortgage bonds that are allocated by law to specified cities, the Minnesota housing finance agency shall approve programs that are submitted by a city which meets any of the following three criteria: (i) a city of the first class, (ii) a city that did not receive an allocation under this subdivision or Minnesota Statutes 1984, section 462C.09, subdivision 2(a), or Minnesota Statutes 1985 Supplement, section 462C.09, subdivision 2(a), during the preceding two calendar years, or (iii) a group of cities that plan to jointly issue bonds for the program provided further that if approval of all of the programs submitted by cities that meet one or more of the criteria in (i), (ii), or (iii) would result in a total allocation to cities in excess of the portion of the state ceiling available for allocation, then from among those programs the agency shall select by lot the programs to be approved. If a portion of the state ceiling remains unallocated after the agency has approved all programs submitted by cities that meet one or more of the criteria in (i), (ii), or (iii), the Minnesota housing finance agency shall select by lot from among the remaining programs the programs to be approved. The Minnesota housing finance agency shall determine if a program meets the conditions in clauses (1) and (2) based solely upon the program with accompanying information submitted to the agency. Approval of a program shall constitute an allocation of a portion of the state ceiling for qualified mortgage bonds equal to the proposed bond issue or issues contained in the program, provided that the allocation for the last selected program that receives an allocation may be equal to or less than the amount of the bond issue or issues proposed in the program.*

*If a city which received an allocation pursuant to this subdivision, or which has been allocated a portion of the state ceiling by law and has received approval of one or more programs, has not issued bonds by September 1 in an amount equal to the allocation, and the city intends to issue qualified mortgage*

bonds prior to the end of the calendar year, the city shall by September 1 submit to the Minnesota housing finance agency for each program a letter that states the city's intent to issue the qualified mortgage bonds prior to the end of the calendar year. If the Minnesota housing finance agency does not receive the letter from the city, then the allocation of the state ceiling for that program expires on September 1, and the applicable limit for the Minnesota housing finance agency is increased by an amount equal to the unused portion of the allocation to the city. A city referred to in subdivision 1, clause (1), need not apply under this subdivision with respect to bonds allocated by law to the city. Nothing in this subdivision shall prevent any such city from applying for an additional allocation of bonds under this subdivision.

**Subd. 3. [ADDITIONAL CITY ALLOCATION.]** On or before September 1 of each year, the Minnesota housing finance agency shall identify the amount, if any, of its applicable limit for qualified mortgage bonds for that calendar year that it does not intend to issue. A city that intends to issue qualified mortgage bonds prior to the end of the calendar year for which it has not received an allocation of the state ceiling may submit a program for approval on or before September 1 to the Minnesota housing finance agency for a portion of the amount of the Minnesota housing finance agency's applicable limit as provided in subdivision 1 which the agency does not intend to issue. The total amount of qualified mortgage bonds included in all programs of any city submitted pursuant to this subdivision shall not exceed \$10,000,000. The program shall be accompanied by the same certificate required by subdivision 2. The Minnesota housing finance agency shall allocate the amount of the state ceiling to be allocated pursuant to this subdivision using the same factors listed in subdivision 2, provided that a program for a city receiving an allocation pursuant to subdivision 2 during the calendar year shall be ranked below all other programs if the bonds proposed in the program, when added to the bonds included in programs approved pursuant to subdivision 2, exceed \$10,000,000. A city that submitted a program pursuant to subdivision 2 but that did not receive an allocation may renew its application with a letter of intent to issue. Nothing in this subdivision shall prevent a city referred to in subdivision 1, clause (1), from applying for an additional allocation of bonds under this subdivision.

**Subd. 4. [AGENCY REVIEW.]** The 30-day review requirement in section 462C.04, subdivision 2, does not apply to programs submitted to the agency that require an allocation of the state ceiling pursuant to this section. A failure by the agency to complete any action by the dates set forth in this section shall not result in the approval of any program or the allocation of any portion of the applicable limit of the agency. Approval by the agency of programs after the dates provided in this section is effective in allocating a portion of the state ceiling. Programs approved by the agency may be amended with the approval of

*the agency under section 462C.04, subdivision 2, provided that the dollar amount of bonds for the program may not be increased.*

*Subd. 5. [STATE CERTIFICATION.] The executive director of the Minnesota housing finance agency is designated as the state official to provide the preissuance certification required by section 103A(j)(4)(A) of the Internal Revenue Code of 1954, as amended through December 31, 1985.*

*Subd. 6. [CORRECTION AMOUNTS FOR MORTGAGE CREDIT CERTIFICATE PROGRAMS.] A reduction in the state ceiling for qualified mortgage bonds caused by the failure of a mortgage credit certificate program to comply with a federal statute or regulation shall be assessed against the amount of qualified mortgage bonds allocated by law, other than by way of this section, to the city which adopted the program. If no such allocation exists or it is less than the correction amount determined by the secretary of the treasury, then the amount of the correction amount in excess of the allocation shall be assessed against the 27-1/2 percent of the state ceiling allocated to the cities under subdivision 2.*

*Subd. 7. [FEDERAL VOLUME LIMITATION ACT.] Any issuance authority received by the agency under section 17 or by a city under section 16 or subdivision 3 may be used for the issuance of "qualified mortgage bonds" or obligations with a comparable definition in a federal volume limitation act, in the same manner and subject to the same conditions provided for in this section for qualified mortgage bonds.*

**Sec. 16. [474A.08] [DETERMINATION OF ENTITLEMENT ALLOCATIONS UNDER FEDERAL VOLUME LIMITATION ACT.]**

*Subdivision 1. [ENTITLEMENT ISSUERS.] The dollar amount of the governmental volume cap allocated to entitlement issuers under a federal volume limitation act for each calendar year must be determined by the department as follows:*

*(1) to the department of finance 24 percent of the governmental volume cap to be allocated among state issuers under section 17;*

*(2) to each city, a sum equal to 75.6 percent of the amount of bond issuance authority allocated to the city under section 12, subdivision 4, provided that if there is an adjustment to the annual volume cap under section 11, subdivision 3, the amount of issuance authority allocated by this clause must be adjusted so that each city is allocated a percentage of the adjusted governmental volume cap that is equal to the percentage of the governmental volume cap originally allocated to each city;*

(3) to each city to which bond issuance authority is specifically allocated under state law for qualified mortgage bonds, a sum equal to the full amount of the bond issuance authority, which amount is to be used solely for the issuance of "qualified mortgage bonds" or for obligations with a comparable definition as used in the federal volume limitation act prior to September 1, and thereafter may also be used for the issuance of either such mortgage bonds or obligations to finance multifamily housing projects;

(4) to a city or cities that received an allocation to issue qualified mortgage bonds during 1986 under Minnesota Statutes 1985 Supplement, section 462C.09, subdivision 2a, an amount or amounts for 1986 equal to such allocation, which amount may be used prior to September 1 for the issuance of "qualified mortgage bonds" or for obligations with a comparable definition in a federal volume limitation act, and thereafter may also be used for the issuance of obligations to finance multifamily housing projects; and

(5) to a city or cities determined in accordance with the procedure set forth in section 15, subdivision 2, an allocation to issue qualified mortgage bonds during 1987, in an amount determined in accordance with such procedure contained in section 15, subdivision 2, which amount may be used prior to September 1 for the issuance of "qualified mortgage bonds" or for obligations with a comparable definition in a federal volume limitation act, and thereafter may also be used for the issuance of obligations to finance multifamily housing projects.

For any entitlement issuer that received an allocation for a qualified multifamily housing project in 1986 and did not issue obligations for the project within the time period specified under section 21, subdivision 3, the amount allocated to the entitlement issuer under this subdivision for 1987 must be reduced by the amount of the unused allocation and the amount of any other allocation retained by that issuer after September 1, 1986, for which obligations have not been issued in 1986. The amount of any reduction in allocation must be added to the amounts available for pool allocation under section 19.

For purposes of this subdivision, "population" means the population determined under section 477A.011, subdivision 3.

**Subd. 2. [NOTICE OF ENTITLEMENT ALLOCATION.]**  
As soon as possible in each calendar year, the department shall provide a notice of entitlement allocation to each entitlement issuer stating separately the amount that may be issued for "qualified mortgage bonds" or for obligations with a comparable definition, a federal volume limitation act and the amount that may be issued for any obligations.

**Sec. 17. [474A.09] [ALLOCATION OF STATE ENTITLEMENTS UNDER FEDERAL VOLUME LIMITATION ACT.]**

*The amount allocated to the department of finance under section 16, subdivision 1, clause (1), may be allocated or reallocated by the commissioner of the department of finance internally among state issuers at any one time or from time to time during the calendar year, provided that 11.5 percent of the entitlement allocation is allocated to the iron range resources and rehabilitation commissioner. Upon the request of a statutory city located in the taconite tax relief area that received an entitlement allocation under Minnesota Statutes 1984, section 474.18, of \$5,000,000 or more for calendar year 1985, the iron range resources and rehabilitation commissioner shall enter into an agreement with the city whereby the commissioner issues obligations on behalf of the city, in an amount requested by the city but not to exceed 17 percent of the amount allocated to the commissioner under this subdivision.*

**Sec. 18. [474A.10] [ENTITLEMENT ISSUERS UNDER THE FEDERAL VOLUME LIMITATION ACT.]**

*Subdivision 1. [NOTICE OF ISSUE.] Each entitlement issuer that issues obligations pursuant to an entitlement allocation received under section 16 shall provide a notice of issue to the department on forms provided by the department stating (1) the date of issuance of the obligations; (2) the title of the issue; (3) the principal amount of the obligations; (4) the type or types of the obligations that cause them to be subject to the annual volume cap; and (5) the dollar amount of the obligations subject to the governmental volume cap of a federal volume limitation act. For obligations that are issued as a part of a series of obligations, a notice must be provided for each series. Any issue of obligations for which a notice of issue is not provided to the department within five days after issuance is deemed not to have received an allocation under a federal volume limitation act. Within 30 days after receipt of the notice of issue, the department shall refund a portion of any deposit made pursuant to subdivision 3 equal to one percent of the principal amount of the allocation authority issued.*

*Subd. 2. [ENTITLEMENT TRANSFERS.] An entitlement issuer may enter into an agreement with another entitlement issuer whereby the recipient entitlement issuer issues obligations pursuant to issuance authority allocated to the original entitlement issuer.*

*Subd. 3. [RESERVATION OR CANCELLATION OF ENTITLEMENT ALLOCATIONS.] After September 1, 1986, an entitlement issuer may retain all or a portion of its entitlement allocation under a federal volume limitation act only if the department has received by September 1 a letter stating the intent of the entitlement issuer to issue obligations under its entitlement*

allocation before the end of the calendar year or within the time permitted by a federal volume limitation act and an application deposit equal to one percent of the unused allocation for which it intends to issue obligations, provided that there shall be credited against the required deposit, any deposit made in accordance with section 12 for a corresponding allocation under existing federal tax law. Any unused portion of an allocation for which an application deposit and letter of intent have not been received by the department by September 1, 1986, is canceled and must be reallocated under section 19. Notwithstanding the provisions of this subdivision, the department of finance may retain \$15,000,000 of its entitlement allocation for the issuance of obligations. If any time after August 31, 1986, the department of finance determines that part or all of the retained allocation will not be required for obligations issued by the state, the portion not required shall be canceled and shall be reallocated under section 19.

If an entitlement issuer returns for reallocation all or part of its allocation under this subdivision after August 31, but on or before October 31, the application deposit equal to one percent of the amount of issuance authority returned must be refunded to the issuer. If all or part of the entitlement allocation is returned for reallocation after October 31, but before December 1, the application deposit equal to one-third of one percent of the amount of issuance authority returned must be refunded. The amount of any refund is reduced by the amount of the deposit refunded under section 12.

**Sec. 19. [474A.11] [ALLOCATION OF POOL AMOUNT UNDER THE FEDERAL VOLUME LIMITATION ACT.]**

*Subdivision 1. [POOL AMOUNT.] For calendar year 1986 and from January 1 to June 30 of calendar year 1987, the portion of the governmental volume cap determined under section 11, subdivision 2, clause (3), and any allocations canceled or returned for reallocation under section 18 or section 20, subdivision 9, shall be allocated to issuers, other than state issuers, under this section.*

*An entitlement issuer may apply for an allocation under this section only after August 20. If an entitlement issuer applies for an allocation prior to November 1, the entitlement issuer must have either adopted a final resolution authorizing the sale of obligations in an amount equal to any allocation received under section 16 or returned any remaining allocation for reallocation under this section. State entitlement issuers, other than the iron range resources and rehabilitation commissioner, may not apply for an allocation under this section except as provided in clause (d).*

*Notwithstanding the preceding paragraph, the following entitlement issuers may apply for an allocation under this section:*

(a) *Entitlement issuers that received an allocation only under section 16, subdivision 1, clause (4) or (5), may apply for an allocation at any time.*

(b) *A city of the first class may apply for an allocation for a manufacturing project at any time.*

(c) *Any entitlement issuer, other than state issuers, may apply for an allocation for a qualified multifamily housing project after September 1 if (1) it has adopted a preliminary resolution for specific projects for the amount of any of its retained entitlement allocation, and (2) the amount of allocation applied for does not exceed \$10,000,000.*

(d) *State issuers may apply for and receive allocations under this section at any time in an aggregate amount not to exceed that portion of the state's entitlement allocation returned for reallocation under section 18.*

*Subd. 2. [APPLICATION.] An issuer may apply for an allocation pursuant to this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, and (2) if the application is submitted prior to September 1 of any calendar year, an application deposit in the amount of one percent of the requested allocation, or if the application is submitted after August 31, 1986, an application deposit in the amount of two percent of the requested allocation, provided that there shall be credited against the required deposit any deposit made with respect to the same project in accordance with section 13. An application deposit for a qualified multifamily housing project must include an additional application deposit in the amount of one percent of the requested allocation. An application pursuant to this section may be combined with an application under section 13.*

*Subd. 3. [ALLOCATION CRITERIA.] The department shall rank each application received under this section on the basis of the number of points awarded to it, with one point being awarded for each of the criteria listed in section 13, subdivision 3, that are satisfied, and one point being awarded for each of the following criteria:*

(1) *the project is a multifamily housing project; and*

(2) *the project is a multifamily housing project designed for rental primarily to handicapped persons or to elderly persons.*

*An application for an allocation relating to an issue of obligations the proceeds of which are to be used to refund outstanding obligations shall be assigned a ranking of no points.*

*Subd. 4. [ALLOCATION PROCEDURE.] (a) The department shall allocate available issuance authority on Monday of each week to applications received by Monday of the preceding week, in the following order of priority and available issuance authority may not be allocated to any other project prior to October 1, 1986:*

- (1) applications for manufacturing projects;*
- (2) applications for pollution control projects or waste management projects; and*
- (3) applications for commercial redevelopment projects or multifamily housing projects.*

*Within each category of applications available authority must be allocated on the basis of the numerical rank determined under this section. In the case of an application for an allocation relating to more than one project to be financed by one issue of obligations, the points assigned to the application shall be computed on the basis of the weighted average of points for the projects. The projects must all be of the same category of projects to be submitted as a multiproject application. If two or more applications have the same numerical rank, the ranking of the applications must be by lot unless otherwise agreed by the respective issuers. If an application is rejected, the department shall notify the applicant and shall return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted.*

*(b) From January 1 to September 30, no more than 20 percent of the total amount of issuance authority available for allocation during the calendar year pursuant to this section may be allocated to pollution control and waste management projects.*

*(c) From January 1 to September 30, no more than 35 percent of the total amount of issuance authority available for allocation during the calendar year pursuant to this section may be allocated to commercial redevelopment projects and multifamily housing projects. This amount is increased to 50 percent of the total available authority for the next month's allocation if the following two conditions occur: (1) on or after June 30 the total amount of issuance authority available under this section which has not been allocated or has been allocated to but was returned by an issuer exceeds 45 percent of the total amount of issuance authority available for allocation under this section for the calendar year; and (2) the entire amount of issuance authority available under this clause for commercial redevelopment and multifamily housing projects has been allocated.*

*From October 1 to December 31 of each year, the annual volume cap under a federal volume limitation act, which is not*

*both previously allocated and subject to a preliminary resolution for a specific project, whether or not committed pursuant to a letter of intent, or which is not reserved for qualified mortgage bonds, is available for allocation or reallocation and shall be allocated among issuers. An entitlement issuer may reallocate after September 30 its retained allocation among projects identified in preliminary resolutions filed with the department prior to October 1.*

*After September 30, allocations shall be made under this subdivision to any project including, without limitation, projects for owner-occupied housing, notwithstanding the percentage limits and other restrictions contained in this subdivision. Applications must be ranked and allocations made first according to the order of priority and ranking of points under subdivision 3 and this subdivision. Any remaining amount must be allocated according to the ranking of points under subdivision 3. If two or more applications receive an equal number of points, allocations among the applications must be made by lot unless otherwise agreed by the respective applicants.*

**Subd. 5. [CERTIFICATE OF ALLOCATION.]** *The granting of an allocation of issuance authority by the department pursuant to this section shall be evidenced by issuance of a certificate of allocation provided to the applicant in accordance with section 21.*

**Subd. 6. [FINAL ALLOCATION.]** *If issuance remains or becomes available following the last Monday on which allocations are made during any calendar year, the department must allocate the remaining authority to the department of finance, and the department of finance shall allocate the remaining authority between the Minnesota housing finance agency and the higher education coordinating board. Amounts so allocated to the Minnesota housing finance agency must be used for the issuance of mortgage credit certificates, and amounts allocated to the higher education coordinating board must be used for the issuance of obligations under chapter 136A.*

**Sec. 20. [474A.12] [501(c)(3) POOL; FEDERAL VOLUME LIMITATION ACT.]**

**Subdivision 1. [501(c)(3) POOL.]** *This section applies only to allocations made under a federal volume limitation act. The amount, if any, of the aggregate annual volume cap that must be set aside for qualified 501(c)(3) bonds in 1986 or in 1987 or pursuant to subdivision 9 shall be allocated under this section.*

**Subd. 2. [HIGHER EDUCATION FACILITIES AUTHORITY.]** *Of the portion of the annual volume cap allocated under this section, \$20,000,000 for each calendar year is allocated to the higher education facilities authority for the issuance of obligations under sections 136A.25 through 136A.42. After Sep-*

tember 1 of each year, the higher education facilities authority may retain any unused portion of its allocation only if the higher education facilities authority submits to the department on or before September 1 a letter which states (1) its intent to issue obligations pursuant to its allocation or a portion of it before the end of the calendar year or within the time period permitted under a federal volume limitation act, and (2) a description of the specific project or projects for which the obligations will be issued, together with an application deposit in the amount of one percent of the amount of the unused allocation or the portion of it pursuant to which it intends to issue obligations. The authority may subsequently reallocate the retained allocation among the projects described in clause (2). On September 1 any unused portion of the amount allocated to the higher education facilities authority and not reserved by a letter of intent and an application deposit is canceled and subject to reallocation in accordance with subdivision 3. If the higher education facilities authority returns for reallocation all or any part of its allocation on or before October 31, that portion of the application deposit equal to one percent of the amount returned shall be refunded within 30 days.

**Subd. 3. [APPLICATION.]** An issuer may apply for an allocation of bond issuance authority under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution of the issuer, and (2) an application deposit in the amount of one percent of the requested allocation. The higher education facilities authority may apply for an allocation under subdivision 4 or subdivision 6 only if it has adopted a final resolution authorizing the sale of obligations in an amount equal to the allocation received and not returned for reallocation under subdivision 2.

**Subd. 4. [ALLOCATION.]** As of the 10th and 25th day of each month prior to September 1, the department shall allocate issuance authority available under this section on the basis of applications then on hand, assigning allocations in the order in which the applications are received by the department. If two or more applications are filed with the department on the same day and if there is insufficient issuance authority for the applications, the allocation between or among the applications shall be by lot unless otherwise agreed by the respective applicants. Before September 1 the amount allocated to an issuer for a 501(c)(3) organization may not exceed \$15,000,000 for the year. Two or more local issuers may combine their allocations in one or more single bond issues which exceed \$15,000,000 so long as no more than \$10,000,000 of the bond issue is for facilities located within the geographic boundaries of each issuer. The obligations may be issued jointly by a joint powers board or by one issuer on behalf of all the issuers to whom the allocation is made.

**Subd. 5. [LETTER OF INTENT.]** After September 1 of each calendar year, an issuer which has received an allocation pursuant to this section prior to September 1, may retain an un-

*used portion of the allocation only if the issuer has submitted to the department on or before September 1 a letter stating its intent to issue obligations before the end of the calendar year or within the time period permitted by a federal volume limitation act. If the letter of intent is not submitted to the department, the one percent application deposit must be returned to the issuer and the allocation is canceled and available for reallocation pursuant to subdivision 6. If an issuer returns for reallocation all or any part of its allocation on or before October 31, that portion of its application deposit equal to one percent of the amount returned shall be refunded within 30 days. If it returns the allocation after October 31 but before December 1, that portion of the application deposit equal to one-third of one percent of the amount returned must be refunded within 30 days.*

*Subd. 6. [ALLOCATION AFTER SEPTEMBER 1.] On September 1 of each year the aggregate amount set aside for qualified 501(c)(3) bonds, less any amounts previously allocated or reallocated and either reserved by an issuer with a letter of intent or with respect to which a notice of issue has been filed shall be reallocated in accordance with this subdivision.*

*Bond issuance authority subject to reallocation under this subdivision on and after September 1 in any year must be allocated by the department in the order in which the applications were received by the department. If two or more applications are filed with the department on the same day and if there is insufficient issuance authority for the applications, the allocation between or among such applications shall be by lot unless otherwise agreed by the respective applicants. As soon as practicable after September 1, the department shall publish in the State Register a notice of the aggregate amount available for reallocation pursuant to this subdivision. Within five days after September 10, October 10, November 10, December 10, and December 20, the department shall allocate available authority under this subdivision. If issuance remains or becomes available following the final December 20th allocation, the department must allocate the remaining authority to the department of finance, and the department of finance shall allocate the remaining authority to eligible projects under a federal volume limitation act.*

*Subd. 7. [NOTICE OF 501(c)(3) ALLOCATION.] The department shall issue a notice granting an allocation of issuance authority under this section. No allocation shall be made if the sum of the principal amount of proposed allocation and the aggregate principal amount of allocations previously made and not returned for reallocation exceeds the amount of issuance authority set aside, without the right to override by state legislation for qualified 501(c)(3) bonds under a federal volume limitation act. If an application is rejected, the department must notify the applicant and return the application deposit to the applicant within 30 days, unless the applicant requests in writing that the application be resubmitted.*

*Subd. 8. [NOTICE OF ISSUE.] Issuers that issue obligations under this section shall provide a notice of issue to the department on forms provided by the department stating (1) the date of issuance of the obligations; (2) the title of the issue; (3) the principal amount of the obligations; and (4) the dollar amount of the obligations subject to the annual volume cap of a federal volume limitation act. For obligations issued as a part of a series of obligations, a notice must be provided for each series. Any issue of obligations for which a notice of issue is not provided to the department within five days after issuance is deemed not to have received an allocation under a federal volume limitation act. Within 30 days after receipt of the notice of issue, the department shall refund a portion of any deposit made pursuant to subdivision 3 equal to one percent of the amount of allocation authority issued.*

*Subd. 9. [NO MANDATORY SET-ASIDE; 501(C)(3) POOL.] If a federal volume limitation act is enacted that does not require that issuance authority be set aside for qualified 501(c)(3) bonds, \$70,000,000 of issuance authority is available for allocation under this section from January 1 through October 31 of 1986 and \$35,000,000 of issuance authority is available for allocation under this section from January 1, 1987 through June 30, 1987. Notwithstanding the provisions of subdivision 6, if issuance authority is available for allocation pursuant to this subdivision, no allocation may be made pursuant to this section after October 31 for calendar year 1986 and the remaining amount of unallocated authority under this section that is or becomes available is canceled and must be reallocated pursuant to section 19.*

**Sec. 21. [474A.13] [CERTIFICATE OF ALLOCATION UNDER FEDERAL VOLUME LIMITATION ACT.]**

*Subdivision 1. [ISSUANCE OF CERTIFICATE OF ALLOCATION.] The department shall issue a certificate of allocation for any allocation granted under section 19, except as provided in subdivision 4.*

*Subd. 2. [ISSUANCE OF CERTIFICATE OF ALLOCATION; GENERAL OBLIGATIONS.] The department shall issue a certificate of allocation for any general obligation for which an allocation request is received upon forms provided by the department, except as provided in subdivision 4. Such forms shall contain:*

- (1) the name and address of the issuer;*
- (2) the address, telephone number, and name of an authorized representative of the issuer;*
- (3) the principal amount of general obligations proposed to be issued by the issuer;*

(4) *the title of the proposed issue;*

(5) *a statement of the issuer that the proposed issue of obligations is expected to be offered for sale on or before the expiration date of the certificate of allocation for which the request is being made;*

(6) *the amount of the allocation requested;*

(7) *the project or projects to be financed with the general obligations; and*

(8) *a certification that the general obligations do not constitute "industrial development bonds" as defined in section 103(b) of the Internal Revenue Code of 1954, as amended through December 31, 1985, which certification shall be accompanied by an opinion of bond counsel to such effect.*

*An entitlement city may apply for a certificate of allocation under this subdivision prior to October 1 only if it has adopted a final resolution authorizing the sale of obligations in an amount equal to any allocation received under section 16 or returned any remaining allocation for reallocation under section 19. No certificate of allocation shall be issued pursuant to this authorization in excess of \$10,000,000. The aggregate amount of issuance authority that may be allocated to an issuer pursuant to this subdivision for the calendar year may not exceed \$20,000,000. If submitted on or after September 1 for calendar year 1986, an allocation request shall be accompanied by a deposit in the amount of one percent of the amount of allocation requested. The department shall issue certificates of allocation on Monday of each week for applications received by Monday of the preceding week and shall make the allocations among the applications by lot.*

*Subd. 3. [NOTICE OF ISSUE.] A certificate of allocation expires and is deemed not to have been issued if the department has not received a notice of issue on a form provided by the department stating that the obligations for which the certificate of allocation was provided were issued, or in the case of a general obligation, a final resolution providing for sale was adopted, within the longest of the following periods:*

(1) *for a certificate of allocation issued on or prior to August 15, 1986, or anytime in 1987, within 30 days of the date of issuance of the certificate;*

(2) *for a certificate of allocation issued between August 16 and September 1, 1986, by September 16, 1986;*

(3) *for a certificate of allocation issued on or after September 1 and before the second to the last Monday of December 1986, within 15 days of the date of issuance of the certificate;*

(4) for a certificate of allocation issued on or after the second to the last Monday of December 1986, by the end of that year or within the time permitted by a federal volume limitation act; and

(5) for a certificate of allocation issued to an entitlement issuer for a qualified multifamily housing project, within 30 days of issuance of the certificate of allocation.

Any of the periods specified in clauses (1), (2), or (3) may be extended for an additional period of the same number of days if an additional deposit in the amount of three percent of the amount of the certificate of allocation is provided before the end of the initial period. The period specified in clause (5) may be extended for an additional 30 days if an additional deposit in the amount of four percent of the amount of the certificate of allocation is provided before the end of the initial period.

The notice of issue must be executed by an officer of the issuer or by the bond counsel approving the issue and must state the principal amount of the obligations issued or to be issued and the difference, if any, between the amount issued or to be issued and the amount stated in the certificate of allocation. If the notice of issue is not provided to the department by the time required, the certificate of allocation expires, the issue is deemed not to have received an allocation for the purpose of complying with a federal volume limitation act, and the deposit required by section 19 or this section is forfeited by the issuer. If the notice is received by the department on or prior to the prescribed deadline, then within 30 days after receipt of this notice, the department shall refund a portion of any application deposit in proportion to the amount of allocation authority issued, reduced by any amount refunded under section 13.

**Subd. 4. [LIMITATIONS ON THE ISSUANCE OF CERTIFICATES.]** No certificate of allocation may be granted under a federal volume limitation act under any of the following circumstances:

(1) the amount of the allocation requested, when added to (i) the aggregate amount of certificates of allocation issued and not expired; (ii) amounts remaining available to be allocated pursuant to section 19; and (iii) entitlement authority allocated pursuant to section 16 and not returned pursuant to section 18, subdivision 3, for reallocation would cause the governmental volume cap to be exceeded. If two or more applications for a certificate of allocation are filed with the department on the same day and there is insufficient issuance authority for the applications, certificates shall be issued first for applications made pursuant to subdivision 2 and thereafter for applications made pursuant to subdivision 1; or

(2) *the principal amount of the proposed allocation exceeds \$25,000,000 unless the issuer is the Minnesota housing finance agency or the Minnesota higher education coordinating board, or unless the issue is a pooled or joint issue or any issue of a joint powers board, provided that for joint or pooled issues or issues of a joint powers board the aggregate amount of the issue cannot exceed \$100,000,000.*

*Subd. 5. [CERTIFICATES ARE NOT TRANSFERABLE.] Certificates of allocation are not transferable. An issuer that receives an allocation of issuance authority pursuant to sections 9 to 29 to finance a project within the boundaries of the issuer may allow another issuer to issue obligations pursuant to the issuance authority only if the boundaries of the other issuer are coterminous with the boundaries of the issuer that received the authority.*

**Sec. 22. [474A.14] [NOTICE OF AVAILABLE AUTHORITY.]**

*The department shall publish in the State Register at least twice monthly, a notice of the amount of issuance authority, if any, available for allocation pursuant to sections 18, 19, and 20.*

**Sec. 23. [474A.15] [STATE HELD HARMLESS.]**

*The state is not liable in any manner to any issuer, holder of obligations, or other person for carrying out the duties imposed on it under sections 9 to 29.*

**Sec. 24. [474A.16] [EXCLUSIVE METHOD OF ALLOCATION.]**

*Sections 9 to 29 shall be the exclusive method for allocating authority to issue obligations for the purposes of complying with the volume limitation of a federal volume limitation act and existing federal tax law. An issuer of obligations may elect to obtain an allocation of authority under either existing federal tax law, a federal volume limitation act, or both.*

**Sec. 25. [474A.17] [ADMINISTRATIVE PROCEDURE ACT NOT APPLICABLE.]**

*Minnesota Statutes, chapter 14, shall not apply to actions taken by any state agency, entity, or the governor under sections 9 to 29.*

**Sec. 26. [474A.18] [PROSPECTIVE OVERRIDE OF FEDERAL VOLUME LIMITATION ACT.]**

*Sections 9 to 29 prospectively override and replace the method of allocating the authority to issue obligations among uses and*

*among issuers as provided in a federal volume limitation act to the extent allowed by a federal volume limitation act.*

Sec. 27. [474A.19] [GOVERNOR'S ACTION.]

*If at any time before June 30, 1987, a federal volume limitation act is enacted into law in a form different from that existing as of December 31, 1985, which eliminates or adds any requirement that a specific type of obligation is subject to a volume limitation that is inconsistent with the allocation mechanism provided for in sections 9 to 29, or provides for other restrictions on the allocation of issuance authority that are inconsistent with the allocation mechanism provided for in sections 9 to 29, the governor may, consistent with a federal volume limitation act as enacted, by executive order or proclamation, establish such revisions to the allocation system as may be necessary and appropriate and which the governor, in consultation with the legislative advisory commission and the attorney general, determines are most consistent with the purposes of and the allocation mechanism provided for in sections 9 to 29. An executive order or proclamation made by the governor under this section shall not withdraw or impair any allocation made if obligations have been issued under such allocations unless the obligations are not or will not be subject to the volume cap of a federal volume limitation act and written notice is provided to the issuer.*

*Any executive order made by the governor under this section must, to the extent possible, comply with the following requirements:*

*(a) If 501(c)(3) bonds are excluded from the volume cap in a federal volume limitation act, any allocation made under section 20 must be canceled, the provisions of section 20 will no longer be in force and effect, any unrefunded deposit made with the department under section 20 shall be refunded to the issuer within 30 days of the cancellation and any excess issuance authority previously set aside under section 20 for 501(c)(3) bonds shall, to the extent the exclusion of the 501(c)(3) bonds increases the amount of the governmental volume cap, be added on a pro rata basis to the amount of the governmental volume cap allocated to (1) state issuers under section 16, subdivision 1, clause (1); (2) entitlement cities under section 16, subdivision 1, clause (2); and (3) to the pool under section 11, subdivision 2, clause (3).*

*(b) If obligations for multifamily housing projects, or certain kinds thereof, are excluded from the volume cap in a federal volume limitation act, allocations granted for the projects are canceled and the commissioner shall refund any deposits for the projects within 30 days of cancellation. No adjustment shall be made in the allocation of the governmental volume cap except as provided under section 11, subdivision 3.*

Sec. 28. [474A.20] [STATE CERTIFICATION.]

*The commissioner of the department is designated as the state official to provide any pre-issuance or post-issuance certification required by a federal volume limitation act.*

**Sec. 29. [474A.21] [APPROPRIATION; RECEIPTS.]**

*Any fees collected by the department under sections 9 to 29 must be deposited in the general fund. The amount necessary to refund application deposits is appropriated to the department from the general fund for that purpose.*

Sec. 30. Minnesota Statutes 1984, section 475.77, is amended to read:

**475.77 [OBLIGATIONS SUBJECT TO FEDERAL VOLUME LIMITATION ACT.]**

*Sections (474.16 TO 474.23) 9 to 29 apply to any issuance of obligations which are subject to limitation under a federal volume limitation act as defined in section (474.16) 10, subdivision (5) 9, or existing federal tax law as defined in section 10, subdivision 8.*

**Sec. 31. [REPEALER.]**

Nothing in this section is intended to affect the validity of any allocation granted pursuant to the repealed sections prior to the effective date of this article, including any allocation carried forward for use in a later calendar year. Nothing in this section is intended to affect the validity of any allocation granted pursuant to the repealed sections prior to the effective date of this article, including any allocation carried forward for use in a later calendar year. If prior to the date of enactment of this article, a notice of allocation is received pursuant to Minnesota Statutes 1985 Supplement, section 474.19, and if obligations pursuant to that allocation are not issued on or before the date of enactment of this article, the issuer may elect within 30 days after enactment of this article to either resubmit its application pursuant to the provisions of this article and receive a credit for the deposit already made or request a refund of the deposit. If a refund of the deposit is requested, the department must refund the deposit within 15 days.*

**Sec. 32. [EFFECTIVE DATE; SUNSET.]**

*This article is effective the day following final enactment. Sections 10, subdivisions 3, 9, 10, 11, 16, 22, and 25; 11, subdivisions*

## ARTICLE 2

Section 1. Minnesota Statutes 1984, section 124.214, is amended by adding a subdivision to read:

*Subd. 3. If a return of excess tax increment is made to a school district pursuant to section 273.75, subdivision 2 or upon decertification of a tax increment district, the school district's aid entitlements and levy limitations must be adjusted for the fiscal year in which the excess tax increment is paid under the provisions of this subdivision.*

*(a) An amount must be subtracted from the school district's aid for the current fiscal year equal to the product of:*

*(1) the amount of the payment of excess tax increment to the school district, times*

*(2) the ratio of:*

*(A) the sum of the amounts of the school district's certified levy for the fiscal year in which the excess tax increment is paid according to the following:*

*(i) sections 124A.03, subdivision 1, 124A.06, subdivision 3a, and 124A.08, subdivision 3a, if the school district is entitled to basic foundation aid according to section 124A.02;*

*(ii) section 124A.10, subdivision 3a, and section 124A.20, subdivision 2, if the school district is entitled to third-tier aid according to section 124A.10, subdivision 4;*

*(iii) sections 124A.12, subdivision 3a, and 124A.14, subdivision 5a, if the school district is eligible for fourth-tier aid according to section 124A.12, subdivision 4;*

*(iv) section 124A.03, subdivision 4, if the school district is entitled to summer school aid according to section 124.201; and*

*(v) section 275.125, subdivisions 5 and 5c, if the school district is entitled to transportation aid according to section 124.225, subdivision 8a;*

*(B) to the total amount of the school district's certified levy for the fiscal year pursuant to sections 124A.03, 124A.06, subdivision 3a, 124A.08, subdivision 3a, 124A.10, subdivision 3a, 124A.12, subdivision 3a, 124A.14, subdivision 5a, 124A.20, subdivision 2, and 275.125, plus or minus auditor's adjustments.*

(b) *An amount must be subtracted from the school district's levy limitation for the next levy certified equal to the difference between:*

- (1) *the amount of the distribution of excess increment, and*
- (2) *the amount subtracted from aid pursuant to clause (a) of this subdivision.*

*If the aid and levy reductions required by this subdivision cannot be made to the aid for the fiscal year specified or to the levy specified, the reductions must be made from aid for subsequent fiscal years, and from subsequent levies. The school district shall use the payment of excess tax increment to replace the aid and levy revenue reduced under this subdivision.*

*This subdivision applies only to the total amount of excess increments received by a school district for a calendar year that exceeds \$25,000.*

Sec. 2. Minnesota Statutes 1984, section 273.1314, is amended by adding a subdivision to read :

*Subd. 8a. [ADDITIONAL ENTERPRISE ZONE ALLOCATIONS.] (a) In addition to tax reductions authorized in subdivision 8, the commissioner may allocate \$600,000 for tax reductions pursuant to subdivision 9 to enterprise zones designated under section 273.1312, subdivision 4, paragraph (c), clause (1) or (3). Of this amount, a minimum of \$200,000 must be allocated to an area added to an enterprise zone pursuant to section 3. Allocations made pursuant to this subdivision may not be used to reduce a tax liability, or increase a tax refund, prior to July 1, 1987. Limits on the maximum allocation to a zone imposed by subdivision 8 do not apply to allocations made under this subdivision.*

(b) *A city encompassing an enterprise zone, or portion of an enterprise zone, qualifies for an additional allocation under this subdivision if the following requirements are met:*

(1) *the city encompassing an enterprise zone, or portion of an enterprise zone, has signed contracts with qualifying businesses that commit the city's total initial allocation received pursuant to subdivision 8.*

(2) *the city encompassing an enterprise zone, or portion of an enterprise zone, submits an application to the commissioner requesting an additional allocation for tax reductions authorized by subdivision 9. The application must identify a specific business expansion project which would not take place but for the availability of enterprise zone tax incentives.*

*(c) The commissioner shall use the following criteria when determining which qualifying cities shall receive an additional allocation under this subdivision and the amount of the additional allocation the city is to receive:*

*(1) additional allocations to qualifying cities under this subdivision shall be made within 60 days of receipt of an application.*

*(2) applications from cities with the highest level of economic distress, as determined using criteria listed in section 273.1312, subdivision 4, paragraph (c), clauses (A) to (E), shall receive priority for an additional allocation under this subdivision.*

*(3) if the commissioner determines that two cities submitting applications within one week of each other have equal levels of economic distress, the application from the city with the business prospect which will have the greatest positive economic impact shall receive priority for an additional allocation. Criteria used by the commissioner to determine the potential economic impact a business would have shall include the number of jobs created and retained, the amount of private investment which will be made by the business, and the extent to which the business would help alleviate the economic distress in the immediate community.*

*(4) the commissioner shall determine the amount of any additional allocation a city may receive. The commissioner shall base the amount of additional allocations on the commissioner's determination of the amount of tax incentives which are necessary to ensure the business prospect will expand in the city. No single allocation under this subdivision may exceed \$100,000. No city may receive more than \$250,000 under this subdivision.*

Sec. 3. Minnesota Statutes 1985 Supplement, section 273.-1314, subdivision 16a, is amended to read:

Subd. 16a. [ZONE BOUNDARY REALIGNMENT.] The commissioner may approve specific applications by a municipality to amend the boundaries of a zone or of an area or areas designated pursuant to subdivision 9, paragraph (e) at any time. Boundaries of a zone may not be amended to create noncontiguous subdivisions. If the commissioner approves the amended boundaries, the change is effective on the date of approval. Notwithstanding the area limitation under section 273.1312, subdivision 4, paragraph (b), the commissioner may approve a specific application to amend the boundaries of an enterprise zone which is located within five municipalities and was designated in 1984, to increase its area to not more than 800 acres, and may approve an additional specific application to amend the boundaries of that enterprise zone to include a sixth municipality.

Sec. 4. Minnesota Statutes 1984, section 273.73, subdivision 10, is amended to read:

Subd. 10. [REDEVELOPMENT DISTRICT.] (a) "Redevelopment district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that one of the following conditions, reasonably distributed throughout the district, exists:

(1) 70 percent of the parcels in the district are occupied by buildings, streets, utilities or other improvements and more than 50 percent of the buildings, not including outbuildings, are structurally substandard to a degree requiring substantial renovation or clearance; or

(2) 70 percent of the parcels in the district are occupied by buildings, streets, utilities or other improvements and 20 percent of the buildings are structurally substandard and an additional 30 percent of the buildings are found to require substantial renovation or clearance in order to remove such existing conditions as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety and general well being of the community; or

(3) Less than 70 percent of the parcels in the district are occupied by buildings, streets, utilities or other improvements, but due to unusual terrain or soil deficiencies requiring substantial filling, grading or other physical preparation for use at least 80 percent of the total acreage of such land has a fair market value upon inclusion in the redevelopment district which, when added to the estimated cost of preparing that land for development, excluding costs directly related to roads as defined in section 160.01 and local improvements as described in section 429.021, subdivision 1, clauses 1 to 7, 11 and 12, and section 430.01, if any, exceeds its anticipated fair market value after completion of said preparation; provided that no parcel shall be included within a redevelopment district pursuant to this paragraph (3) unless the authority has concluded an agreement or agreements for the development of at least 50 percent of the acreage having the unusual soil or terrain deficiencies, which agreement provides recourse for the authority should the development not be completed; or

(4) The property consists of underutilized air rights existing over a public street, highway or right-of-way; or

(5) The property consists of vacant, unused, underused, inappropriately used or infrequently used railyards, rail storage facilities or excessive or vacated railroad rights-of-way; or

(6) *The district consists of an existing or proposed industrial park no greater in size than 250 acres, which contains a sewage lagoon contaminated with polychlorinated biphenyls.*

(b) For purposes of this subdivision, "structurally substandard" shall mean containing defects in structural elements or a combination of deficiencies in essential utilities and facilities, light and ventilation, fire protection including adequate egress, layout and condition of interior partitions, or similar factors, which defects or deficiencies are of sufficient total significance to justify substantial renovation or clearance. "Parcel" shall mean a tract or plat of land established prior to the certification of the district as a single unit for purposes of assessment.

Sec. 5. Minnesota Statutes 1984, section 273.75, subdivision 2, is amended to read:

Subd. 2. [EXCESS TAX INCREMENTS.] In any year in which the tax increment exceeds the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as provided in section 475.61, subdivision 3, the authority shall use the excess amount to do any of the following, in the order determined by the authority: (a) prepay any outstanding bonds, (b) discharge the pledge of tax increment therefor, (c) pay into an escrow account dedicated to the payment of such bond, or (d) return the excess amount to the county auditor who shall distribute the excess amount to the municipality, county and school district in which the tax increment financing district is located in direct proportion to their respective mill rates. *The county auditor must report to the commissioner of education the amount of any excess tax increment distributed to a school district within 30 days of the distribution.*

Sec. 6. Minnesota Statutes 1985 Supplement, section 273.75, subdivision 4, is amended to read:

Subd. 4. [LIMITATION ON USE OF TAX INCREMENT.] All revenues derived from tax increment shall be used in accordance with the tax increment financing plan. The revenues shall be used solely for the following purposes: (a) to pay the principal of and interest on bonds issued to finance a project; (b) by a rural development financing authority for the purposes stated in section 362A.01, subdivision 2, by a port authority or municipality exercising the powers of a port authority to finance or otherwise pay the cost of redevelopment pursuant to chapter 458, by a housing and redevelopment authority to finance or otherwise pay public redevelopment costs pursuant to chapter 462, by a municipality to finance or otherwise pay the capital and administration costs of a development district pursuant to chapter 472A, by a municipality or redevelopment agency to finance or otherwise pay premiums for insurance or other security guaranteeing the payment when due of principal of and interest on the bonds pursuant to chapters 462C, 474, or both chapters, or to accumulate and maintain a reserve securing the payment when due of the principal of and interest on the bonds pursuant to chapters 462C, 474, or both chapters, which revenues in the reserve shall

not exceed, subsequent to the fifth anniversary of the date of issue of the first bond issue secured by the reserve, an amount equal to 20 percent of the aggregate principal amount of the outstanding and nondefeased bonds secured by the reserve. Revenues derived from tax increment may be used to finance the costs of an interest reduction program operated pursuant to section 462.445, subdivisions 10 to 13, or pursuant to other law granting interest reduction authority and power by reference to those subdivisions only under the following conditions: (a) tax increments may not be collected for a program for a period in excess of 12 years after the date of the first interest rate reduction payment for the program, (b) tax increments may not be used for an interest reduction program, if the proceeds of bonds issued pursuant to section 273.77 after December 31, 1985, have been or will be used to provide financial assistance to the specific project which would receive the benefit of the interest reduction program, and (c) (NOT MORE THAN 50 PERCENT OF THE ESTIMATED) tax (INCREMENT) *increments* (DERIVED FROM A PROJECT) may *not* be used to finance an interest reduction program for owner-occupied single-family dwellings (UNLESS A PROJECT IS LOCATED EITHER IN AN AREA WHICH WOULD QUALIFY AS A REDEVELOPMENT DISTRICT OR WITHIN A CITY DESIGNATED AS AN ENTERPRISE ZONE PURSUANT TO SECTION 273.1312, SUBDIVISION 4, CLAUSE (C) (3)). These revenues shall not be used to circumvent existing levy limit law. No revenues derived from tax increment shall be used for the construction or renovation of a municipally owned building used primarily and regularly for conducting the business of the municipality; this provision shall not prohibit the use of revenues derived from tax increments for the construction or renovation of a parking structure, a commons area used as a public park or a facility used for social, recreational or conference purposes and not primarily for conducting the business of the municipality.

Sec. 7. [340A.318] [CREDIT EXTENSIONS RESTRICTED.]

*Subdivision 1. [RESTRICTION.] Except as provided in this section, no retail licensee may accept or receive credit, other than merchandising credit in the ordinary course of business for a period not to exceed 30 days, from a distiller, manufacturer, or wholesaler of distilled spirits or wine, or agent or employee thereof. No distiller, manufacturer or wholesaler may extend the prohibited credit to a retail licensee. No retail licensee delinquent beyond the 30 day period shall solicit, accept or receive credit or purchase or acquire distilled spirits or wine directly or indirectly, and no distiller, manufacturer or wholesaler shall knowingly grant or extend credit nor sell, furnish or supply distilled spirits or wine to a retail licensee who has been posted delinquent under subdivision 3. No right of action shall exist for the collection of any claim based upon credit extended contrary to the provisions of this section.*

*Subd. 2. [REPORTING.] Every distiller, manufacturer or wholesaler selling to retailers shall submit to the commissioner in triplicate not later than Thursday of each calendar week a verified list of the names and addresses of each retail licensee purchasing distilled spirits or wine from that distiller, manufacturer or wholesaler who, on the first day of that calendar week, was delinquent beyond the 30 day period, or a verified statement that no delinquences exist which are required to be reported. If a retail licensee previously reported as delinquent cures the delinquency by payment, the name and address of that licensee shall be submitted in triplicate to the commissioner not later than the close of the second full business day following the day the delinquency was cured.*

*Subd. 3. [POSTING; NOTICE.] Verified list or statements required by subdivision 2 shall be posted by the commissioner in offices of the department in places available for public inspection and mailed to each licensed wholesaler not later than the day following receipt. Documents so posted and mailed shall constitute notice to every distiller, manufacturer or wholesaler of the information posted. Actual notice, however received, also constitutes notice.*

*Subd. 4. [MISCELLANEOUS PROVISIONS.] The 30 day merchandising period allowed by this section shall commence with the day immediately following the date of invoice and shall include all successive days, including Sundays and holidays, to and including the 30th successive day. In addition to other legal methods, payment by check during the period for which merchandising credit may be extended shall be considered payment. All checks received in payment for distilled spirits or wine shall be deposited promptly for collection. A postdated check or a check dishonored on presentation for payment does not constitute payment. A retail licensee shall not be deemed delinquent for any alleged sale in any instance where there exists a bona fide dispute between the licensee and the distiller, manufacturer or wholesaler as to the amount owing as a result of the alleged sale. A delinquent retail licensee who engages in the retail liquor business at two or more locations shall be deemed to be delinquent with respect to each location.*

*Subd. 5. [LICENSE SUSPENSION OR REVOCATION.] The license of any retail licensee, distiller, manufacturer or wholesaler violating any provision of this section shall be subject to suspension or revocation in the manner provided by this chapter.*

Such certificates or notes shall be payable in not more than five years and shall be issued on such terms and in such manner as the council may determine. If the amount of the certificates or notes to be issued to finance any such purchase exceeds one percent of the assessed valuation of the city, (EXCLUDING MONEY AND CREDITS,) they shall not be issued for at least ten days after publication in the official newspaper of a council resolution determining to issue them; and if before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular municipal election is filed with the clerk, such certificates or notes shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election. A tax levy shall be made for the payment of the principal and interest on such certificates or notes, in accordance with section 475.61, as in the case of bonds.

Owners of existing residential housing occupied by renters shall be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the owner agrees to conditions established by the agency in its rules relating to rental or other matters that

will insure that the housing will be occupied by persons and families of low or moderate income. The agency shall require by rules that the owner give preference to those persons of low or moderate income who occupied the residential housing at the time of application for the loan.

Sec. 12. Minnesota Statutes 1984, section 462C.06, is amended to read:

**462C.06 [COUNTY HOUSING AND REDEVELOPMENT AUTHORITY ACTING ON BEHALF OF CITY.]**

A housing and redevelopment authority in and for a county may exercise the powers conferred by sections 462C.01 to (462C.-07) 462C.10 either (1) on its own behalf or (2) on behalf of a city (other than a county housing and redevelopment authority), if the city authorizes the housing and redevelopment authority in and for the county in which the city is located to exercise such powers and the county has authorized its housing and redevelopment authority to exercise its powers pursuant to section 462.426 or the county housing and redevelopment authority has been created by special law; provided, however, that any program undertaken pursuant to this section (SHALL BE INCLUDED IN THE LIMITATIONS PROVIDED IN SECTION 462C.07, SUBDIVISION 2, AND ALSO SHALL BE) is subject to the limitations of sections 462C.03 and 462C.04 in the case of a single family housing program, and subject to the limitations of section 462C.05 in the case of a multifamily housing development program.

Sec. 13. Minnesota Statutes 1984, section 462C.07, subdivision 1, is amended to read:

In the purchase or making of single family housing loans and the purchase or mak-

ing of multifamily housing loans and the issuance of revenue bonds or other obligations the city may exercise within its corporate limits, any of the powers the Minnesota housing finance agency may exercise under chapter 462A, without limitation under the provisions of chapter 475. *The proceeds of revenue bonds issued to make or purchase single family housing loans that are jointly issued by two or more cities pursuant to section 471.59 may be used to make or purchase single family housing loans secured by homes in any of the cities.*

**Sec. 14. [471.572] [INFRASTRUCTURE REPLACEMENT RESERVE FUND.]**

*Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:*

*“Reserve fund” means the infrastructure replacement reserve fund.*

*“City” means a statutory or home rule charter city.*

*Subd. 2. [TAX LEVY.] The governing body of a city may establish, by a two-thirds vote of all its members, by ordinance or resolution a reserve fund and may annually levy a property tax for the support of the fund. The proceeds of taxes levied for its support must be paid into the reserve fund. Any other revenue from a source not required by law to be paid into another fund for purposes other than those provided for the use of the reserve fund may be paid into the fund. A tax levied by the city in accordance with this section is a special levy within the meaning of section 275.50, subdivision 5. Before a tax is levied under this section, the city must publish in the official newspaper of the city an initial resolution authorizing the tax levy. If within ten days after the publication a petition is filed with the city clerk requesting an election on the tax levy signed by a number of qualified voters greater than ten percent of the number who voted in the city at the last general election, the tax may not be levied until the levy has been approved by a majority of the votes cast on it at a regular or special election.*

*Subd. 3. [PURPOSES.] The reserve fund may be used only for the replacement of streets, bridges, curbs, gutters and storm sewers.*

*Subd. 4. [USE OF FUND FOR A SPECIFIC PURPOSE.] If the city has established a reserve fund, it may submit to the voters at a regular or special election the question of whether use of the fund should be restricted to a specific improvement or type of capital improvement. If a majority of the votes cast on the question are in favor of the limitation on the use of the reserve fund, it may be used only for the purpose approved by the voters.*

*Subd. 5. [HEARING; NOTICE.] A reserve fund may not be established until after a public hearing is held on the question. Notice of the time, place, and purpose of the hearing must be published for two successive weeks in the official newspaper of the city. The second publication must be not later than seven days before the date of the hearing.*

*Subd. 6. [TERMINATION OF FUND.] The city may terminate a reserve fund at any time in the same manner as the fund was established. Upon termination of the fund any balance is irrevocably appropriated to the debt service fund of the city to be used solely to reduce tax levies for or bonded indebtedness of the city or, if the city has no bonded indebtedness, for capital improvements authorized by this section.*

Sec. 15. Minnesota Statutes 1984, section 471.59, subdivision 11, is amended to read:

*Subd. 11. [JOINT POWERS BOARD.] Two or more governmental units, through action of their governing bodies, by adoption of a joint powers agreement that complies with the provisions of subdivisions 1 through 5, may establish a joint board to issue bonds or obligations pursuant to any law by which any of the governmental units establishing the joint board may independently issue bonds or obligations and may use the proceeds of the bonds or obligations to carry out the purposes of the law under which the bonds or obligations are issued. A joint board created pursuant to this section may issue obligations and other forms of indebtedness only pursuant to express authority granted by the action of the governing bodies of the governmental units which established the joint board. The joint board established pursuant to this subdivision shall be composed solely of members of the governing bodies of the governmental unit which established the joint board, and the joint board may not pledge the full faith and credit or taxing power of any of the governmental units which established the joint board. The obligations or other forms of indebtedness shall be obligations of the joint board issued on behalf of the governmental units creating the joint board. The obligations or other forms of indebtedness shall be issued in the same manner and subject to the same conditions and limitations which would apply if the obligations were issued or indebtedness incurred by one of the governmental units which established the joint board provided that any reference to a governmental unit in the statute, law, or charter provision authorizing the issuance of the bonds or the incurring of the indebtedness shall be considered a reference to the joint board.*

Sec. 16. Minnesota Statutes 1984, section 474.01, subdivision 6, is amended to read:

*Subd. 6. In order to further these purposes and policies the department of energy and economic development (AUTHORITY) shall investigate, shall assist and advise municipalities, and*

shall report to the governor and the legislature concerning the operation of sections 474.01 to 474.13 and the projects undertaken hereunder, and shall have all of the powers and duties in connection therewith which are granted to him by chapter 362 with respect to other aspects of business development and research.

Sec. 17. Minnesota Statutes 1984, section 474.01, subdivision 7b, is amended to read:

Subd. 7b. Prior to submitting an application to the *department of energy and economic development (AUTHORITY)* requesting approval of a project pursuant to subdivision 7a, the governing body or a committee of the governing body of the municipality or redevelopment agency shall conduct a public hearing on the proposal to undertake and finance the project. Notice of the time and place of hearing, and stating the general nature of the project and an estimate of the principal amount of bonds or other obligations to be issued to finance the project, shall be published at least once not less than (15) 14 days nor more than 30 days prior to the date fixed for the hearing, in the official newspaper and a newspaper of general circulation of the municipality or redevelopment agency. The notice shall state that a draft copy of the proposed application to the *department of energy and economic development (AUTHORITY)*, together with all attachments and exhibits thereto, shall be available for public inspection following the publication of the notice and shall specify the place and times where and when it will be so available. At the time and place fixed for the public hearing, the governing body of the municipality or the redevelopment agency shall give all parties who appear at the hearing an opportunity to express their views with respect to the proposal to undertake and finance the project. Following the completion of the public hearing, the governing body of the municipality or redevelopment agency shall adopt a resolution determining whether or not to proceed with the project and its financing and may thereafter apply to the *department of energy and economic development (AUTHORITY)* for approval of the project.

Sec. 18. Minnesota Statutes 1984, section 475.55, subdivision 1, is amended to read:

Subdivision 1. [INTEREST; FORM.] (1) Interest on obligations shall not exceed the greatest of (a) the rate determined pursuant to subdivision 4 for the month in which the resolution authorizing the obligations was adopted, or (b) the rate determined pursuant to subdivision 4 for the month in which the obligations are sold, or (c) the rate of ten percent per annum. All obligations shall be securities as provided in the Uniform Commercial Code, chapter 336, article 8, may be issued as certificated securities or as uncertificated securities, and if issued as certificated securities may be issued in bearer form or in registered form, as defined in section 336.8-102. The

validity of an obligation shall not be impaired by the fact that one or more officers authorized to execute it by the governing body of the municipality shall have ceased to be in office before delivery to the purchaser or shall not have been in office on the formal issue date of the obligation. Every obligation, as to certificated securities, or transaction statement, as to uncertificated securities, shall be signed manually by one officer of the municipality or by a person authorized to act on behalf of a bank or trust company, located in or outside of the state, which has been designated by the governing body of the municipality to act as authenticating agent. Other signatures and the seal of the issuer may be printed, lithographed, stamped or engraved thereon and on any interest coupons to be attached thereto. The seal need not be used. A municipality may do all acts and things which are permitted or required of issuers of securities under the Uniform Commercial Code, chapter 336, article 8, and may designate a corporate registrar to perform on behalf of the municipality the duties of a registrar as set forth in those sections. Any registrar shall be an incorporated bank or trust company, located in or outside of the state, authorized by the laws of the United States or of the state in which it is located to perform the duties. If obligations are issued as uncertificated securities, and a law requires or permits the obligations to contain a statement or recital, whether on their face or otherwise, it shall be sufficient compliance with the law that the statement or recital is contained in the transaction statement or in an ordinance, resolution, or other instrument which is made a part of the obligation by reference in the transaction statement as provided in section 336.8-202.

*(2) Notwithstanding paragraph (1), interest on obligations issued after April 1, 1986 and before July 1, 1987 is not subject to any limitation on rate or amount. For purposes of this paragraph, obligations issued after April 1, 1986 and before July 1, 1987 include reissuing, reselling, remarketing, refunding, refinancing or tendering, whether pursuant to section 475.54, subdivision 5a, or otherwise, of obligations after July 1, 1987 if the original obligations were issued before July 1, 1987 and after April 1, 1986.*

Sec. 19. Minnesota Statutes 1984, section 475.55, is amended by adding a subdivision to read:

*Subd. 7. [ASSUMED MAXIMUM INTEREST RATE FOR OTHER LAWS.] If an obligation is not subject to a maximum interest rate pursuant to subdivision 1, paragraph (1) and another law provides for a calculation of a debt service levy, determination of a rate of interest on a special assessment, or other factor based on an assumption that a maximum interest rate applies to the obligation, the governing body of the municipality may estimate or determine an assumed maximum interest rate for purposes of that law. If the municipality does not determine, specify or estimate the maximum interest rate for such*

*purpose, then the maximum interest rate for purposes of the other law is the maximum interest rate that would apply if subdivision 1, paragraph (2) were not in effect. This subdivision does not limit the interest rate that may be paid on obligations under subdivision 1.*

Sec. 20. Minnesota Statutes 1985 Supplement, section 475.56, is amended to read:

**475.56 [INTEREST RATE.]**

(a) Any municipality issuing obligations under any law may issue obligations bearing interest at a single rate or at rates varying from year to year which may be lower or higher in later years than in earlier years. Such higher rate for any period prior to maturity may be represented in part by separate coupons designated as additional coupons, extra coupons, or B coupons, but the highest aggregate rate of interest contracted to be so paid for any period shall not exceed the maximum rate authorized by law. Such higher rate may also be represented in part by the issuance of additional obligations of the same series, over and above but not exceeding two percent of the amount otherwise authorized to be issued, and the amount of such additional obligations shall not be included in the amount required by section 475.59 to be stated in any bond resolution, notice, or ballot, or in the sale price required by section 475.60 or any other law to be paid; but if the principal amount of the entire series exceeds its cash sale price, such excess shall not, when added to the total amount of interest payable on all obligations of the series to their stated maturity dates, cause the average annual rate of such interest to exceed the maximum rate authorized by law. This section does not authorize a provision in any such obligations for the payment of a higher rate of interest after maturity than before.

(b) Any obligation of an issue of obligations otherwise subject to section 475.55, subdivision 1, may bear interest at a rate varying periodically at the time or times and on the terms, including convertibility to a fixed rate of interest, determined by the governing body of the municipality, but the rate of interest for any period shall not exceed the maximum rate of interest for the obligations determined in accordance with section 475.55, subdivision 1. For purposes of section 475.61, subdivisions 1 and 3, the interest payable on variable rate obligations for their term shall be determined as if their rate of interest is the maximum rate permitted for the obligations under section 475.55, subdivision 1, or the lesser maximum rate of interest payable on the obligations in accordance with their terms, but if the interest rate is subsequently converted to a fixed rate the levy may be modified to provide at least five percent in excess of amounts necessary to pay principal of and interest at the fixed rate on the obligations when due. For purposes of computing debt service or interest pursuant to section 475.67, subdivision

12, interest throughout the term of bonds issued pursuant to this subdivision is deemed to accrue at the rate of interest first borne by the bonds. The provisions of this paragraph do not apply to obligations issued by a statutory or home rule charter city with a population of less than 10,000, as defined in section 477A.011, subdivision 3, or to obligations that are not rated A or better, or an equivalent subsequently established rating, by Standard and Poor's Corporation, Moody's Investors Service or other similar nationally-recognized rating agency, *except that any statutory or home rule charter city, regardless of population or bond rating, may issue variable rate obligations as a participant in a bond pooling program established by the league of Minnesota cities that meets this bond rating requirement.*

Sec. 21. Minnesota Statutes 1985 Supplement, section 475.60, subdivision 2, is amended to read:

Subd. 2. [REQUIREMENTS WAIVED.] The requirements as to public sale shall not apply to:

(1) obligations issued under the provisions of a home rule charter or of a law specifically authorizing a different method of sale, or authorizing them to be issued in such manner or on such terms and conditions as the governing body may determine;

(2) obligations sold by an issuer in an amount not exceeding the total sum of \$300,000 in any three-month period;

(3) obligations issued by a governing body other than a school board in anticipation of the collection of taxes or other revenues appropriated for expenditure in a single year, if sold in accordance with the most favorable of two or more proposals solicited privately;

(4) obligations sold to any board, department, or agency of the United States of America or of the state of Minnesota, in accordance with rules or regulations promulgated by such board, department, or agency; (AND)

(5) obligations issued to fund pension and retirement fund liabilities under section 475.52, subdivision 6, obligations issued with tender options under section 475.54, subdivision 5a, cross-over refunding obligations referred to in section 475.67, subdivision 13, and any issue of obligations comprised in whole or in part of obligations bearing interest at a rate or rates which vary periodically referred to in section 475.56; and

*(b) obligations qualifying under section 475.55, subdivision 1, paragraph (2), if the governing body of the municipality determines that interest on the obligations will be includible in gross income for purposes of federal income taxation.*

**Sec. 22. [475.561] [TAXABLE STATUS; SPECIAL PROVISIONS.]**

*Subdivision 1. [INCREASE OR DECREASE IN INTEREST.] (a) Obligations may be issued which provide, if interest on the obligations is determined under the terms of the obligations to be subject to federal income taxation, for an increase in the rate of interest payable on the obligations, from the date of issuance or another date, to a rate provided under the terms of the obligations.*

*(b) If the municipality issues obligations it intends to be exempt from federal income taxation but bond counsel cannot provide an opinion that the interest on the obligations will be exempt from federal income taxation under pending legislation or regulations existing or proposed with retroactive effect or otherwise, the municipality may provide for the obligations to bear interest at a rate that will decrease, if the obligations are subsequently determined to be exempt from federal income taxation, to a rate and from a date to be determined under the provisions of the obligations.*

*(c) For purposes of section 475.61, subdivisions 1 and 3, the increase or decrease in interest rate permitted by this subdivision need not be taken into account until the increase or decrease occurs. Upon occurrence of the increase or decrease, the levy must be modified to provide at least five percent in excess of the amount necessary to pay principal and interest at the new rate of interest on the obligations.*

*Subd. 2. [ARBITRAGE REBATE.] A municipality may, from the proceeds of bonds, investment earnings, or any other available moneys of the municipality, pay to the United States or an officer, department, agency or instrumentality of the United States a rebate of excess earnings payment required by federal law to maintain the interest as tax exempt. A covenant to make a payment or payments pursuant to this subdivision is not an obligation of the municipality as defined in section 475.51, subdivision 3.*

*Subd. 3. [PREPAYMENT OR PURCHASE OF BONDS.] A municipality that issues obligations it intends to be exempt from federal income taxation may agree to prepay or purchase the obligations (a) at the time and in the amount it determines necessary or desirable to maintain the obligations as exempt from federal income taxation or (b) upon a determination that the obligations are taxable. A municipality may make arrangements to have money available with which to purchase or prepay the obligations as the municipality determines necessary or desirable. If arrangements are made with a financial institution pursuant to section 475.54, subdivision 5a or this subdivision and if the municipality owes the financial institution money under*

*the arrangement, the agreement to pay the financial institution is not an obligation of the municipality as defined in section 475.51, subdivision 3, unless and until the amount to be paid or reimbursed is determined and becomes due and payable, whereupon, the obligation is, as provided by the agreement, a general or special obligation of the municipality, and may also be paid from the proceeds of refunding bonds issued pursuant to this chapter. The agreement may not be or become a general obligation of the municipality unless the underlying, originally issued obligation was a general obligation of the municipality. For purposes of section 475.61, subdivisions 1 and 3, money necessary to make the purchase or prepayment are not amounts needed to meet when due principal and interest payments on the obligations.*

*Subd. 4. [RATIFICATION.] This section is, in part, remedial in nature. Obligations issued prior to the effective date of this section are not invalid or unenforceable for providing terms, consequences or remedies that are authorized by this section.*

**Sec. 23. [CITY OF MINNEAPOLIS; PROPERTY TAX FORGIVENESS.]**

*Notwithstanding any other law to the contrary, the governing bodies of the city of Minneapolis, Hennepin county, Special School District No. 1, and any special taxing district may by resolution or ordinance forgive any or all of the liability for the tax imposed by section 272.01, subdivision 2, relating to property leased by the Minneapolis community development agency.*

**Sec. 24. [REPEALER.]**

*Laws 1963, chapter 728 is repealed.*

**Sec. 25. [EFFECTIVE DATE.]**

*Sections 18, 19, 21, 22 and 23 are effective the day following final enactment.*

**ARTICLE 3**

**Section 1. Minnesota Statutes 1984, section 115.07, subdivision 1, is amended to read:**

**Subdivision 1. [OBTAIN PERMIT.] It shall be unlawful for any person to construct, install or operate a disposal system, or any part thereof, until plans therefor shall have been submitted to the agency unless the agency shall have waived the**

submission thereof to it and a written permit therefor shall have been granted by the agency.

*For disposal systems operated on streams with extreme seasonal flows, the agency must allow seasonal permit limits based on a fixed or variable effluent limit when the municipality operating the disposal system requests them and is in compliance with agency water quality standards.*

**Sec. 2. [115.54] [TECHNICAL ADVISORY COMMITTEE.]**

*The agency shall adopt and revise rules governing waste water treatment control under chapters 115 or 116 only with the advice of a technical advisory committee of nine members. One member of the committee shall be selected by each of the following: the state consulting engineers council, the University of Minnesota division of environmental engineering, the state association of general contractors, the state wastewater treatment plant operators association, the metropolitan waste control commission created by section 473.503, the association of metropolitan municipalities, the state association of small cities, and two members from the league of Minnesota cities. The technical advisory committee may review and advise the agency on any rule or technical requirements governing the wastewater treatment grant or loan program and may review the work of other professional persons working on a wastewater treatment project and make recommendations to those persons, the agency, and the concerned municipality, in order for the agency to ensure that water quality treatment standards will be met. The committee shall meet at least once a year, or at the call of the chair, and shall elect its chairperson. The agency must provide staff support for the committee, prepare committee minutes and provide information to the committee it may request. A quorum is a simple majority and official action must be by a majority vote of the quorum.*

**Sec. 3. Minnesota Statutes 1984, section 115A.14, subdivision 4, is amended to read :**

**Subd. 4. [POWERS AND DUTIES.]** *The commission shall review the biennial report of the board, the agency municipal project list and municipal needs list reports, and the budget for the agency division of water quality. The commission shall oversee the activities of the board under sections 115A.01 to 115A.72 and the activities of the agency under sections 115A.42 to 115A.46 (AND), 115A.49 to 115A.54, and 116.16 to 116.18 and direct such changes or additions in the work plan of the board and agency as it deems fit. The commission may conduct public hearings and otherwise secure data and expressions of opinion. The commission shall make such recommendations as it deems proper to assist the legislature in formulating legislation. Any data or information compiled by the commission shall be made available to any standing or interim committee of the legislature upon request of the chairperson of the respective committee.*

Sec. 4. [116.163] [AGENCY FUNDING APPLICATION REVIEW.]

*Subdivision 1. [CONSTRUCTION GRANT AND LOAN APPLICATIONS.] The agency shall, pursuant to agency rules and within 90 days of receipt of a completed application for a wastewater treatment facility construction grant or loan, grant or deny the application and notify the municipality of the agency's decision. The time for consideration of the application by the agency may be extended up to 180 days if the municipality and the agency agree it is necessary.*

*Subd. 2. [LIMITATION ON MUNICIPAL PLANNING TIME.] A municipality shall complete all planning work required by the agency for award of a grant or loan, and be ready to advertise for bids for construction, within two years of receipt of grant or loan funds under subdivision 1. The planning time may be extended automatically by the amount of time the agency exceeds its 90-day review under subdivision 1.*

*Subd. 3. [BID REVIEW.] After a municipality has accepted bids for construction of a wastewater treatment project, the agency must review the bids within 30 days of receipt.*

Sec. 5. [116.165] [INSPECTION RESPONSIBILITY.]

*When a wastewater treatment plant is constructed with federal funds and a federal agency conducts inspections of the plant, the owner of the plant or the owner's designee must conduct inspections and forward all inspection documents required by the agency to the agency for its review.*

Sec. 6. [116.167] [REVOLVING LOAN ACCOUNT.]

*Subdivision 1. [APPLICATION.] This section is effective only if the federal government requires revolving loan accounts to be established under the authority of the federal Water Pollution Control Act.*

*Subd. 2. [STATE WATER POLLUTION CONTROL REVOLVING LOAN ACCOUNT.] The commissioner of finance shall maintain in the state bond fund a separate bookkeeping account which shall be designated as the state water pollution control revolving loan account to receive any federal money authorized for loans under the federal Water Pollution Control Act, and other money appropriated by law, for the purpose of providing financial assistance to municipalities for wastewater treatment.*

*Subd. 3. [LOANS.] A loan made to a municipality under this section shall be made only after resolutions have been adopted by the agency and the governing body of the municipi-*

*pality obligating the municipality to repay the loan to the state treasurer in annual installments, including both principal and interest. Each installment shall be in an amount sufficient to pay the principal amount within 20 years or a shorter time interval if the amount of the annual payment will not justify the administrative expenses of processing the payment, and shall be paid from user charges, taxes, special assessments, or other funds available to the municipality. Interest on loans made to municipalities shall be established at a rate the commissioner of revenue reasonably determines sufficient to pay interest rates on state bonds issued under section 116.17, subdivision 2. Loan repayments must be deposited in the revolving loan account created by this section. Each participating municipality shall provide the agency with a financial health report compiled by the state auditor and the agency shall review the report before approving a loan. Municipalities receiving a loan under this section may still be eligible for a wastewater treatment grant from the agency.*

*Subd. 4. [RULES APPLICATION.] The disbursement of loans under this section must comply with rules adopted by the agency for loans for wastewater treatment facilities under chapter 116.*

**Sec. 7. [EFFECTIVE DATE.]**

*Article 3 is effective July 1, 1986.*

**ARTICLE 4**

**Section 1. [297A.258] [PRIVATE SUPPLIERS OF PUBLIC SERVICES.]**

*A private vendor that has entered into a service contract with a municipality under sections 3 and 4 is a political subdivision for purposes of determining the tax imposed under this chapter. This section applies only to the extent that the vendor is acting for the purposes of constructing, maintaining, or operating related facilities pursuant to the service contract.*

*The commissioner may provide for the issuance of a limited exemption certificate to a private vendor for purposes of administering this section. The commissioner may further require a vendor to obtain a certificate in order to qualify as a political subdivision under this section.*

*For purposes of this section, "private vendor," "service contract," and "related facilities" have the meanings given in sections 3 and 4.*

**Sec. 2. [471A.01] [PUBLIC PURPOSE FINDINGS.]**

*The legislature finds that the privatization of facilities for the prevention, control, and abatement of water pollution, and the furnishing of potable water provides municipalities an opportunity under appropriate circumstances to provide those capital intensive public services in a manner that will speed construction and is less costly and more efficient than the furnishing of those services through facilities exclusively owned and operated by municipalities. The legislature further finds that other law may create unnecessary and costly obstacles to the privatization of those capital intensive public services and that a comprehensive act is required to permit municipalities to enter into appropriate contractual arrangements with private parties to facilitate the privatization of those capital intensive public services.*

**Sec. 3. [471A.02] [DEFINITIONS.]**

*Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 2 to 13.*

*Subd. 2. [ADMINISTRATOR.] "Administrator" means the pollution control agency or any other agency, instrumentality, or political subdivision of the state responsible for administering the loan or grant program described in section 8.*

*Subd. 6. [CAPITAL INTENSIVE PUBLIC SERVICES.] "Capital intensive public services" means the prevention, control, and abatement of water pollution through wastewater treatment facilities as defined by section 115.71, subdivision 8, and the furnishing of potable water. Capital intensive public services may be limited to the acquisition, construction, and ownership by the private vendor of related facilities, but does not include the furnishing of heating or cooling energy.*

*Subd. 7. [CONTROLLING INTEREST.] "Controlling interest" means either (1) the power, by ownership interest, con-*

tract, or otherwise, to direct the management of the private vendor or to designate or elect at least a majority of the private vendor's governing body or board, or (2) having more than a 50 percent ownership interest in the private vendor.

Subd. 8. [MUNICIPALITY.] "*Municipality*" means a home rule charter or statutory city, county, sanitary district, or other governmental subdivision or public corporation, including the metropolitan council and the metropolitan waste control commission.

Subd. 9. [PERMITTED OBLIGATION.] "*Permitted obligation*" means the obligation of the municipality under the service contract to pay a service fee or perform any other obligation under the service contract except an obligation to pay, in a future fiscal year of the municipality from a revenue source other than funds on hand, a stated amount of money for money borrowed or for related facilities purchased by the municipality under the service contract.

Subd. 10. [PRIVATE VENDOR.] "*Private vendor*" means one or more persons who are not a municipality and in which no governmental entity or group of governmental entities has a controlling interest.

Subd. 11. [RELATED FACILITIES.] "*Related facilities*" means all real and personal property used by the private vendor in furnishing capital intensive public services, excluding any product of the related facilities, such as drinking water, furnished under the service contract.

Subd. 12. [SERVICE CONTRACT.] "*Service contract*" means any agreement or agreements between a municipality and a private vendor under which:

(1) the private vendor agrees to furnish to the municipality or any other user capital intensive public services in accordance with performance standards set forth in the agreement or agreements and the municipality agrees to pay or cause to be paid to the private vendor a service fee for the services, and

(2) other covenants incident to clause (1) are made.

Subd. 13. [SERVICE FEE.] "*Service fee*" means the payments the municipality is required under the service contract to make, or cause to be made, to the private vendor, including payments made by third parties to the private vendor for products or services and credited against payments the municipality would otherwise have to make, or cause to be made, under the service contract.

Subd. 14. [USEFUL LIFE OF THE RELATED FACILITIES.] "*Useful life of the related facilities*" means the economic

*useful life of the related facilities as determined by the municipality.*

*Subd. 15. [UNRESTRICTED FUNDS.] "Unrestricted funds" means any funds other than funds granted to the state or administrator by the federal government or any agency of the federal government and unavailable under federal law for the purposes set forth in section 8.*

*Subd. 16. [USER.] "User" means the municipality and all other persons which use the capital intensive public services furnished by the private vendor.*

**Sec. 4. [471A.03] [BASIC AUTHORIZATION AND RELATED POWERS.]**

*Subdivision 1. [BASIC AUTHORIZATION.] A municipality may contract with a private vendor to furnish in accordance with a service contract any capital intensive public services the municipality is authorized by law to furnish, and for that purpose a municipality may exercise any and all of the powers provided in this section.*

*Subd. 2. [SERVICE CONTRACT.] Subject to the provisions of section 10, a municipality may enter into a service contract for a term of not more than 30 years. However, the service contract may permit the municipality to either extend or renew the term of the service contract so long as the municipality is not bound under the service contract for an extended or renewal period of more than 30 years. Under the service contract the municipality may, under terms and conditions agreed to by the municipality and the private vendor:*

*(1) obligate itself to pay or cause to be paid a service fee for the availability and use of the capital intensive public services to be furnished under the service contract;*

*(2) enter into other agreements relating to the service to be provided and which the municipality considers appropriate that are not otherwise contrary to law; and*

*(3) either pledge its full faith and credit or obligate a specific source of payment for the payment of the service fee and the performance of other obligations under the service contract and the payment of damages for failure to perform the obligations.*

*The obligation of the municipality to pay the service fee and perform any other permitted obligations under the service contract are not considered a debt within the meaning of any statutory or charter limitation, and no election is required as a precondition to the municipality entering into any permitted obligation or undertaking a project under a service contract.*

*Subd. 3. [PROCUREMENT PROCEDURES.] The municipality may agree under the service contract that the private vendor will acquire and construct any and all related facilities without compliance with any competitive bidding requirements, provided (1) the municipality, or municipalities if the related facilities furnish capital intensive public services to more than one municipality, has in the aggregate either no or no more than a 50 percent ownership interest in the related facilities, and (2) the municipality enters into the service contract only after requesting from two or more private vendors proposals for the furnishing of the capital intensive public services, under terms and conditions the municipality determines to be fair and reasonable. After making the request and receiving any proposals in response to the request, the municipality may negotiate the service contract with any private vendor that meets the requirements specified in the request for proposals.*

*Subd. 4. [SOURCES OF PAYMENT; COLLECTION PROCEDURE.] (a) For the payment of a service fee or other monetary obligation under an existing service contract or in anticipation of need under a future service contract, the municipality may:*

*(1) levy property taxes, impose rates and charges, levy special assessments, and exercise any other revenue producing authority granted to it and apply public funds for the payment of the service fee and any other monetary obligations under the service contract in the same manner, and subject to the same conditions and limitations, except as provided in section 5, that would apply if the related facilities were acquired, constructed, owned, and operated exclusively by the municipality; and*

*(2) establish by ordinance, revise when considered advisable, and collect just and reasonable rates and charges for the capital intensive public services provided under the service contract. The ordinance may obligate the owners, lessees, or occupants of property, or any or all of them, to pay charges for the capital intensive public services available for their properties and may obligate the user of a related facility to pay a reasonable charge for the use of the related facility. Rates and charges may take into account the character, kind, and quality of the capital intensive public service and all other factors that enter into the cost of the capital intensive public service, including but not limited to the service fee payable with respect to it, depreciation, and payment of principal and interest on money borrowed for the acquisition or betterment of related facilities.*

*(b) The rates and charges may be billed and collected in a manner the municipality shall determine consistent with this paragraph and other applicable law. On or before October 15 in each year, the municipality shall certify to the county auditor all unpaid outstanding charges for services provided under the service contract and a statement of the description of the lands against which the charges arose. It is the duty of the county*

auditor, upon order of the governing body of the municipality, to extend the rates and charges with interest as provided for by ordinance upon the tax rolls of the county for the taxes of the year in which the rate or charge is filed. For each year ending October 15 the rates and charges with interest shall be carried into the tax becoming due and payable in January of the following year, and shall be enforced and collected in the manner provided for the enforcement and collection of real property taxes in accordance with the provisions of the laws of the state. The rates and charges, if not paid, shall become delinquent and be subject to the same penalties and the same rate of interest as the taxes under the general laws of the state. All rates and charges shall be uniform in their application to use and service of the same character or quantity.

(c) An ordinance establishing rates and charges shall also establish a procedure by which a person obligated to pay the rates and charges may, each year at a public hearing held before August 1 of each year, protest the payment of the rates and charges on the grounds that services to be provided under the service contract are not available to the person. The services shall be deemed available for the property of the person if the vendor agrees, and the related facilities have the capacity, to provide the services to the person as soon as the municipality or any other entity provides the property of the person with access to the services. Notice of the hearing shall be published at least 30 days prior to the hearing in an official newspaper in general circulation in the municipality. A person protesting the assessment of rates and charges under this paragraph shall file the objection in writing with the municipality at least five days prior to the hearing. Within ten days after the hearing, the municipality shall determine whether the rates and charges were properly assessed. A person protesting the assessment of rates and charges may appeal the assessment, and a private vendor may appeal a reduction in rates and charges for any person, to the district court in the same manner as appeal of other civil cases. Rates and charges erroneously collected shall be refunded with the same rate of interest as taxes refunded with interest under the general laws of this state.

(d) A public hearing on the proposed ordinance shall be held prior to the meeting at which it is to be considered by the governing body of the municipality and after notice of the hearing has been published in the official newspaper of the municipality not less than ten days prior to the hearing. The notice shall state the subject matter and the general purpose of the proposed ordinance.

Subd. 5. [SALE OR LEASE OF EXISTING FACILITIES.] For purposes of carrying out the service contract, the municipality may, in compliance with subdivision 3, sell or lease to the private vendor or any other municipality on terms and conditions as the municipality considers appropriate any existing related facilities, including land, owned by the municipality.

*Subd. 6. [REMEDIES.] The municipality may provide that title to the facilities shall vest in or revert to the municipality if the private vendor defaults under any specified provisions in the service contract. The municipality may acquire or reacquire any facilities and terminate the service contract in accordance with its terms notwithstanding that the service contract may constitute an equitable mortgage. No lease of facilities by the municipality to the private vendor is subject to the provisions of section 504.02, unless expressly so provided in the service contract.*

*Subd. 7. [INTEREST IN THE RELATED FACILITIES.] The municipality may retain or acquire, on terms and conditions it considers appropriate, a present or future interest in all or part of the related facilities and grant a mortgage or security interest in its interest in the related facilities.*

*Subd. 8. [INTEREST IN THE PRIVATE VENDOR.] The municipality may, on terms and conditions it considers appropriate, acquire an interest in the private vendor as a joint venturer, including a share in the revenues derived from the related facilities, and grant a security interest in its interest in the private vendor and such revenues. However, no municipality or group of municipalities may have a controlling interest in the private vendor.*

*Subd. 9. [USE OF BOND PROCEEDS.] The municipality may issue bonds and other obligations and apply their proceeds toward the payment of the costs of the related facilities in the same manner and subject to the same conditions and limitations that would apply if the related facilities were acquired, constructed, owned, and operated exclusively by the municipality and for these purposes, related facilities shall be considered to be a project within the meaning of section 474.02, subdivision 1a.*

*Subd. 10. [REQUIRED PUBLIC USE.] The municipality may agree, subject to any applicable state statutory requirements as to designated use of the related facilities, that the sole and exclusive right to provide the capital intensive public services within its jurisdiction be assumed by the private vendor under the service contract and may require that any and all members of the public within its jurisdiction use the services provided under the service contract in the same manner and subject to the same limitations and conditions that would apply if the related facilities were acquired, constructed, owned, and operated exclusively by the municipality.*

*Subd. 11. [CONDEMNATION POWERS.] The municipality may exercise the right of eminent domain in the manner provided by chapter 117, for the purpose of acquiring for itself or the private vendor any and all related facilities. If the related facilities are acquired for the private vendor, the service contract shall be for a term of at least five years.*

*Subd. 12. [CONTRACTOR'S BOND AND MECHANICS' LIENS.] The municipality may waive or require the furnishing of a contractor's payment and performance bond of the kind described in section 574.26 in connection with the installation and construction of any related facilities. If the bond is required, the provisions of chapter 514 relating to liens for labor and materials are not applicable with respect to work done or labor or materials supplied for the related facilities. If the bond is waived, the provisions of chapter 514 apply with respect to work done or labor or materials supplied for the related facilities.*

**Sec. 5. [471A.04] [LEVY LIMITS.]**

*For purposes of applying sections 275.50 to 275.56, any property taxes levied for the payment of the service fee shall be treated as a special levy under the provisions of section 275.50, to the same extent and subject to the same limitations that would apply if the capital cost component of the service fee represented principal and interest payments on bonded indebtedness of the municipality within the meaning of section 275.50, subdivision 5, clause (e), and if the balance of the service fee represented operation and maintenance expenses for related facilities owned and operated exclusively by the municipality. The provisions of section 275.11 and any levy limits imposed by home rule charter do not apply to taxes levied to pay the service fee.*

**Sec. 6. [471A.05] [EXEMPTION FROM PROPERTY TAXES.]**

*If the service contract provides that property taxes imposed with respect to the related facilities are to be included in the service fee as pass-through costs, the municipality may apply to the commissioner of revenue for an exemption from property taxation of the related facilities. The property is exempt from ad valorem taxation, if the commissioner of revenue determines that the related facilities serve the general public and that similar municipally-owned facilities are exempt from ad valorem property taxation. The commissioner of revenue must notify the assessor that the property is exempt from taxation. The exemption is only effective during the term of the service contract from and after the date of filing the certificate in the case of property taxes. The exemption is not effective with respect to any property taxes levied or imposed but not collected prior to the date of approval of the exemption by the commissioner of revenue.*

**Sec. 7. [471A.06] [JOINT POWERS AGREEMENT.]**

*Two or more municipalities may enter into joint powers agreements they consider appropriate under the provisions of section 471.59 for purposes of exercising the powers granted in sections 2 to 13.*

**Sec. 8. [471A.07] [STATE GRANTS AND LOANS.]**

*On or before January 1, 1987, the pollution control agency shall submit to the legislature proposed legislation and draft implementing regulations providing for (1) the use by the administrator of unrestricted funds to provide grants and loans for related facilities that constitute wastewater treatment facilities as defined by section 115.71, subdivision 8, and (2) the use of such funding as a means of speeding construction of wastewater treatment facilities and better targeting scarce unrestricted funds to help finance wastewater treatment facilities (including reimbursement of municipalities for a portion of the capital cost component in service contracts under capital cost component loans and capital cost component grants).*

Sec. 9. [471A.08] [HEARING.]

*Subdivision 1. [PUBLIC HEARING REQUIRED.] Except as provided in subdivision 2, a municipality shall, before entering into a service contract under sections 2 to 13, conduct a public hearing on the proposal to provide specified capital intensive public services under sections 2 to 13. The hearing may be conducted either before or after the date on which any request for proposals is made under section 4, subdivision 3, clause (2). A notice of the hearing shall be published in the local official newspaper of the municipality no less than 15 and no more than 45 days prior to the date set for hearing and shall describe the general nature of the proposal. Any written information developed for the proposal prior to the hearing shall be available to the public for inspection prior to the hearing. The hearing on the proposal shall be sufficient even though the site of the related facilities, the name of the private vendor, and the specific structure of the contractual arrangements with the private vendor are not known at the time of the hearing.*

*Subd. 2. [EXISTING CONTRACTS.] A municipality that entered into a service contract prior to the effective date of sections 2 to 13 may exercise any of the powers authorized by those sections without complying with subdivision 1.*

Sec. 10. [471A.09] [INVESTMENT OF FUNDS.]

*Any sums paid to the private vendor under the service contract are not considered public funds and may be invested in any securities in which the private vendor is authorized by law to invest.*

Sec. 11. [471A.10] [PUBLIC EMPLOYEE LAWS; SALE OR LEASE OF EXISTING FACILITY.]

*(a) Unless expressly provided therein, and except as provided in this section, no state law, charter provision, or ordinance of a municipality relating to public employees shall apply to a person solely by reason of that person's employment by a*

*private vendor in connection with services rendered under a service contract.*

*(b) A private vendor purchasing or leasing existing related facilities from a municipality shall recognize all exclusive bargaining representatives and existing labor agreements and those agreements shall remain in force until they expire by their terms. Persons who are not employed by a municipality in a related facility at the time of a lease or purchase of the facility by the private vendor are not "public employees" within the meaning of the public employees retirement act, chapter 353. Persons employed by a municipality in a related facility at the time of a lease or purchase of the facility by a private vendor shall continue to be considered to be "public employees" within the meaning of the public employees retirement act, chapter 353, but may elect to terminate their participation in the public employees retirement association as provided in this section. Each such employee may exercise the election annually on the anniversary of the person's initial employment by the municipality. An employee electing to terminate participation in the association is entitled to benefits that the employee would be entitled to if terminating public employment and may participate in a retirement program established by the private vendor.*

**Sec. 12. [471A.11] [REGULATION OF RATES AND CHARGES AND PUBLIC UTILITY LAWS.]**

*A municipality may regulate by ordinance, contract, or otherwise the rates and charges imposed by the private vendor with respect to any capital intensive public services provided to the public under the service contract. Whether or not the imposition of such rates and charges is so regulated, no capital intensive public services provided under the service contract are subject to regulation under the provisions of chapter 216B, unless the municipality elects to subject the services to regulation under that chapter. An election for regulation may be affected by resolution of the governing body of the municipality requesting regulation and filing the resolution with the state public utilities commission.*

**Sec. 13. [471A.12] [POWERS; ADDITIONAL AND SUPPLEMENTAL.]**

*The powers conferred by sections 2 to 13 shall be liberally construed in order to accomplish their purposes and shall be in addition and supplemental to the powers conferred by any other law or charter. If any other law or charter is inconsistent with sections 2 to 13, these sections are controlling as to service contracts entered into under sections 2 to 13. However, nothing in sections 2 to 13 limits or qualifies (1) any other law that a municipality must comply with to obtain any permit in connection with related facilities, (2) any performance standard or effluent limitations applicable to related facilities, or (3) the provisions of any law relating to conflict of interest.*

Sec. 14. Minnesota Statutes 1984, section 474.02, is amended by adding a subdivision to read:

*Subd. 1h. The term "project" shall also include related facilities as defined by section 3, subdivision 11.*

Sec. 15. [EFFECTIVE DATE.]

*Article 4 is effective the day following final enactment."*

March 17, 1986

The Honorable David M. Jennings  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 1919, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1919 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1985 Supplement, section 123.-3514, subdivision 3, is amended to read:

Subd. 3. [(ELIGIBLE POST-SECONDARY INSTITUTIONS) DEFINITIONS.] For purposes of this section, an “eligible institution” means a Minnesota public post-secondary institution or a private, residential, *two-year or four-year*, liberal

arts, degree-granting college or university located in Minnesota. "Course" means a course or program.

Sec. 2. Minnesota Statutes 1985 Supplement, section 123.3514, subdivision 4, is amended to read:

Subd. 4. [AUTHORIZATION; NOTIFICATION.] Notwithstanding any other law to the contrary, an 11th or 12th grade pupil may apply to an eligible institution, as defined in subdivision 3, (TO ALLOW THE PUPIL) to enroll in nonsectarian courses (OR PROGRAMS) offered at that post-secondary institution. If an institution accepts a secondary pupil for enrollment under this section, the institution shall send written notice to the pupil, the pupil's school district, and the commissioner of education within ten days of acceptance. The notice shall indicate the course (OR PROGRAMS) and hours of enrollment of that pupil. *If the pupil enrolls in a course for post-secondary credit, the institution shall notify the pupil about payment in the customary manner used by the institution.*

Sec. 3. Minnesota Statutes 1985 Supplement, section 123.3514, is amended by adding a subdivision to read:

Subd. 4a. [COUNSELING.] *To the extent possible, the school district shall provide counseling services to pupils and their parents or guardian before the pupils enroll in courses under this section to ensure that the pupils and their parents or guardian are fully aware of the risks and possible consequences of enrolling in post-secondary courses. The district shall provide information on the program including who may enroll, what institutions and courses are eligible for participation, the decision-making process for granting academic credits, financial arrangements for tuition, books and materials, eligibility criteria for transportation aid, available support services, the need to arrange an appropriate schedule, consequences of failing or not completing a course in which the pupil enrolls, the effect of enrolling in this program on the pupil's ability to complete the required high school graduation requirements, and the academic and social responsibilities that must be assumed by the pupils and their parents or guardian. The person providing counseling shall encourage pupils and their parents or guardian to also use available counseling services at the post-secondary institutions before the quarter or semester of enrollment to ensure that anticipated plans are appropriate.*

*Prior to enrolling in a course, the pupil and the pupil's parents or guardian must sign a form that must be provided by the district and may be obtained from a post-secondary institution stating that they have received the information specified in this subdivision and that they understand the responsibilities that must be assumed in enrolling in this program. The department of education shall, upon request, provide technical assistance to a district in developing appropriate forms and counseling guidelines.*

Sec. 4. Minnesota Statutes 1985 Supplement, section 123.3514, is amended by adding a subdivision to read:

*Subd. 4b. [DISSEMINATION OF INFORMATION; NOTIFICATION OF INTENT TO ENROLL.] By March 1 of each year, a school district shall provide general information about the program to all pupils in grades 10 and 11. To assist the district in planning, a pupil shall inform the district by March 30 of each year of the pupil's intent to enroll in post-secondary courses during the following school year. A pupil is not bound by notifying or not notifying the district by March 30.*

Sec. 5. Minnesota Statutes 1985 Supplement, section 123.3514, is amended by adding a subdivision to read:

*Subd. 4c. [LIMIT ON PARTICIPATION.] A pupil who first enrolls in grade 11 may not enroll in post-secondary courses under this section for secondary credit for more than the equivalent of two academic years. A pupil who first enrolls in grade 12 may not enroll in post-secondary courses under this section for secondary credit for more than the equivalent of one academic year. If a pupil in grade 11 or 12 first enrolls in a post-secondary course for secondary credit during the school year, the time of participation shall be reduced proportionately.*

Sec. 6. Minnesota Statutes 1985 Supplement, section 123.3514, is amended by adding a subdivision to read:

*Subd. 4d. [ENROLLMENT PRIORITY.] A post-secondary institution shall give priority to its post-secondary students when enrolling 11th and 12th grade pupils in courses for secondary credit. Once a pupil has been enrolled in a post-secondary course under this section, the pupil shall not be displaced by another student.*

Sec. 7. Minnesota Statutes 1985 Supplement, section 123.3514, subdivision 5, is amended to read:

*Subd. 5. [CREDITS.] A pupil may enroll in a course under this section for either secondary credit or post-secondary credit. At the time a pupil enrolls in a course, the pupil shall designate whether the course is for secondary or post-secondary credit. A pupil taking several courses may designate some for secondary credit and some for post-secondary credit.*

A school district shall grant academic credit to a pupil enrolled in a course (OR PROGRAM UNDER THIS SECTION) for secondary credit if the pupil successfully completes the course (OR PROGRAM ATTENDED). A school district shall also grant academic credit to a pupil enrolled in a course for post-secondary credit if secondary credit is requested by a pupil. If no comparable course (OR PROGRAM) is offered by the district, the state board of education shall determine the number of credits that

shall be granted to a pupil who successfully completes (AND PASSES THE) a course (OR PROGRAM). If a comparable course (OR PROGRAM) is offered by the district, the school board shall grant a comparable number of credits to the pupil. If there is a dispute between the district and the pupil regarding the number of credits granted for a particular course (OR PROGRAM), the pupil may appeal the school board's decision to the state board of education. The state board's decision regarding the number of credits shall be final.

The *secondary* credits granted to a pupil shall be counted toward the graduation requirements and subject area requirements of the school district. Evidence of successful completion of each course (OR PROGRAM) and *secondary* credits granted shall be included in the pupil's secondary school record. *Upon the request of a pupil, the pupil's secondary school record shall also include evidence of successful completion and credits granted for a course taken for post-secondary credit. In either case, the record shall indicate that the credits were earned at a post-secondary institution.*

*If a pupil enrolls in a post-secondary institution after leaving secondary school, the post-secondary institution shall award post-secondary credit for any course successfully completed for secondary credit at that institution. Other post-secondary institutions may award, after a pupil leaves secondary school, post-secondary credit for any courses successfully completed under this section. An institution may not charge a pupil for the award of credit.*

Sec. 8. Minnesota Statutes 1985 Supplement, section 123.3514, subdivision 6, is amended to read:

Subd. 6. [FINANCIAL ARRANGEMENTS.] At the end of each school year, the department of education shall pay the tuition reimbursement amount within 30 days to the post-secondary institutions (THAT ENROLL PUPILS UNDER THIS SECTION) for courses that were taken for secondary credit. The amount of tuition reimbursement shall equal the lesser of:

(1) the actual costs of tuition, textbooks, materials, and fees directly related to the course or program (CHARGED FOR) taken by the secondary pupil (ENROLLING IN A COURSE OR PROGRAM UNDER THIS SECTION); or

(2) an amount equal to the difference between the formula allowance plus the total tier revenue attributable to that pupil and an amount computed by multiplying the formula allowance plus the total tier revenue attributable to that pupil by a ratio. The ratio to be used is the total number of hours that the pupil is enrolled in courses in the secondary school during the regular school year over the total number of secondary instructional hours per pupil in that pupil's resident district.

The amount paid for each pupil shall be subtracted from the foundation aid paid to the pupil's resident district. If the amount to be subtracted is greater than the amount of foundation aid due the district, the excess reduction shall be made from other state aids due to the district. *If a pupil is enrolled in a course for post-secondary credit, the school district shall include the pupil in the average daily membership only for the portion of time during which the pupil is enrolled in courses at the secondary school and enrolled in courses at a post-secondary institution for secondary credit.*

*The department shall not pay any tuition reimbursement or other costs of a course taken for post-secondary credit only.*

Sec. 9. Minnesota Statutes 1985 Supplement, section 123.3514, is amended by adding a subdivision to read:

*Subd. 6a. [GRANTS AND FINANCIAL AID PROHIBITED.] A pupil enrolled in a post-secondary course for secondary credit is not eligible for any state student financial aid under chapter 136A.*

Sec. 10. Minnesota Statutes 1985 Supplement, section 123.3514, subdivision 8, is amended to read:

**Subd. 8. [TRANSPORTATION.]** A parent or guardian of a pupil (ATTENDING A POST-SECONDARY INSTITUTION UNDER THIS SECTION) *enrolled in a course for secondary credit* may apply to the pupil's district of residence for reimbursement for transporting the pupil between the secondary school in which the pupil is enrolled and the post-secondary institution that the pupil attends. The state board of education shall establish guidelines for providing state aid to districts to reimburse the parent or guardian for the necessary transportation costs, which shall be based on financial need. The state shall pay aid to the district according to the guidelines established under this subdivision. Chapter 14 does not apply to the guidelines.

Sec 11. Minnesota Statutes 1985 Supplement, section 123.3514, subdivision 10, is amended to read:

**Subd. 10. [LIMIT; STATE OBLIGATION.]** The provisions of subdivisions 6, 7, 8, and 9 shall not apply for any post-secondary courses (OR PROGRAMS) in which a pupil is enrolled in addition to being enrolled full time in that pupil's district *or for any post-secondary course in which a pupil is enrolled for post-secondary credit.*

Sec. 12. [135A.10] [CREDIT FOR ADVANCED PLACE-MENT PROGRAM.]

*Subdivision 1. [POLICY AND PROCEDURES TO AWARD CREDIT.] The board of regents of the University of Minnesota,*

*the state university board, and the state board for community colleges shall each develop a clear and uniform policy for its system for awarding post-secondary credit toward a degree for a student who earns an acceptable score on an advanced placement program examination. Each policy must include procedures to inform students and prospective students about credit award and procedures to assure implementation on each campus. The higher education coordinating board shall assist in developing the policy.*

*Subd. 2. [DATA ABOUT CREDIT AWARD.] Each year the University of Minnesota, state universities, and community colleges shall provide the higher education coordinating board information and data about credit awarded for advanced placement program examinations.*

Sec. 13. Laws 1985, First Special Session chapter 12, article 5, section 7, is amended to read:

Sec. 7. [EVALUATION.]

The department of education, in consultation with the higher education coordinating board, the public post-secondary systems and the participating private colleges, shall collect and evaluate information about the implementation of the program established under section 1. By January 15, 1987, the commissioner of education shall submit a report to the education committees of the legislature on the implementation of this program. *The report to the legislature shall address at least the following issues:*

- (1) description of participating pupils and other enrollment data;*
- (2) results of surveys of pupils, parents, school districts, and post-secondary institutions;*
- (3) results of any appeals to the state board of education regarding credits for courses or programs taken under the program;*
- (4) assessment of counseling services provided to pupils and their parents or guardians;*
- (5) fiscal impact of the program;*
- (6) feasibility of including summer school courses or programs in this program;*
- (7) feasibility of implementing cooperative plans for offering post-secondary courses in the high schools;*
- (8) current school district and post-secondary policies relating to advanced placement and other accelerated testing programs;*

(9) *recommendations on the feasibility of implementing and funding a statewide advanced placement program which would accomplish, to the extent possible, the goals of: (i) making advanced placement courses available in every school district; (ii) providing for a partial or total subsidy of advanced placement costs; and (iii) requiring post-secondary institutions to grant post-secondary credit for successful completion of advanced placement programs;*

(10) *comparability of courses offered in the high schools and post-secondary institutions;*

(11) *advisability of establishing specific admission standards for high school pupils enrolling in post-secondary courses or programs;*

(13) *feasibility of increasing the maximum age of compulsory attendance at school;*

(14) *feasibility of participation of nonpublic school pupils in this program; and*

(15) *other significant implementation issues or problems.*

#### Sec. 14. [NOTICE FOR THE 1986-1987 SCHOOL YEAR.]

*To assist a school district in planning for the 1986-1987 school year, the district may obtain information from pupils about their intention to enroll in post-secondary courses or programs during the 1986-1987 school year under Minnesota Statutes, section 123.3514, 30 days after the district provides general information and to the extent possible, counseling services, on the program to pupils in grades 10 and 11 and their parents.*

#### Sec. 15. [ADVANCED PLACEMENT REPORT TO LEGISLATURE.]

*By January 1, 1987, the policy required under section 12 must be developed and submitted by each system to the higher education coordinating board for its review and comment on the policies. We, the undersigned conferees for S. F. No. 2280, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 2280 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1984, section 275.125, subdivision 9, is amended to read:

Subd. 9. [LEVY REDUCTIONS; TACONITE.] (1) Reductions in levies pursuant to subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.26; 298.23 to 298.28, *except an amount distributed under section 298.28, subdivision 1, paragraph (3)(b)(ii)*; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; 477A.15; and any

law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties, or recognized revenue pursuant to section 477A.15; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section and sections 124A.03, 124A.06, subdivision 3a, 124A.08, subdivision 3a, 124A.10, subdivision 3a, 124A.12, subdivision 3a, and 124A.14, subdivision 5a by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year less the product of the same dollar amount of payments or revenue times the ratio of the maximum levy allowed the district under (SECTION 124A.03, SUBDIVISION 1) *sections 124A.03, subdivision 2, 124A.06, subdivision 3a, 124A.08, subdivision 3a, 124A.10, subdivision 3a, 124A.12, subdivision 3a, and 124.14, subdivision 5a*, to the total levy allowed the district under this section and sections 124A.03, 124A.06, subdivision 3a, 124A.08, subdivision 3a, 124A.10, subdivision 3a, 124A.12, subdivision 3a, (AND) 124A.14, subdivision 5a, *and 124A.20, subdivision 2*, in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to section 124A.03, subdivision 1, to an amount less than the amount raised by a levy of 12.5 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to section 124A.03, subdivision 2 shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision.

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, and the community service levy authorized by subdivision 8, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to subdivision 11a and for community services pursuant to subdivision 8. The reduction of the capital expenditure levy and the community services levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections

294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67 *except an amount distributed under section 298.28, subdivision 1, paragraph (3)(b)(ii)*; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124A.035, subdivision 5, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the (COMMISSIONER OF FINANCE) *St. Louis county auditor* in the following amount by March 15 of each year *except 1986*, the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section 124A.035, subdivision 5, which is in excess of the foundation aid earned for that fiscal year. The (COMMISSIONER OF FINANCE) *county auditor* shall deposit any amounts received pursuant to this clause in the (TACONITE PROPERTY TAX RELIEF FUND IN THE STATE TREASURY, ESTABLISHED PURSUANT TO SECTION 16A.70) *St. Louis county treasury* for purposes of paying the taconite homestead credit as provided in section 273.135.

Sec. 2. Minnesota Statutes 1984, section 275.50, subdivision 2, is amended to read:

Subd. 2. [GOVERNMENTAL SUBDIVISION.] (a) "Governmental subdivision" means a county, home rule charter city, or statutory city, except a home rule charter or statutory city that has a population of less than 5,000 according to the most recent federal census.

(b) "Governmental subdivision" also includes any city or town that receives a distribution from the taconite municipal aid account in the levy year.

Sec. 3. Minnesota Statutes 1984, section 275.51, subdivision 3f, is amended to read:

Subd. 3f. [LEVY LIMIT BASE.] (a) The property tax levy limit base for governmental subdivisions for taxes levied in 1983 shall be calculated by adding the following amounts:

(1) the property tax permitted to be levied in 1982 for taxes payable in 1983 pursuant to Minnesota Statutes 1982, section 275.51, subdivision 3e; plus

(2) the amount of any payments the governmental subdivision was certified to receive in 1983 pursuant to Minnesota Statutes 1982, sections 477A.011 to 477A.03; plus

(3) the amount of any payments certified to the governmental subdivision in 1983 pursuant to Minnesota Statutes 1982, sections 298.28 and 298.282; plus

(4) the difference between the amount certified to the governmental subdivision in 1983 and the amount certified in 1984 pursuant to section 273.138; plus

(5) any amount levied as a special assessment to cover the costs of municipal operation and maintenance activities for the taxes payable year 1983; and

(6) the amount of any base adjustment authorized by the commissioner of revenue pursuant to subdivision 3g.

(b) For taxes levied in 1984 and subsequent years, a governmental subdivision's levy limit base is equal to its adjusted levy limit base for the preceding year provided that, for taxes levied in 1984, the levy limit base of a county containing a city of the first class shall be increased by the amount paid to the county under section 273.138 in 1984 less the amount that will be paid to it under section 273.138 in 1985.

*(c) The property tax levy limit base for cities and towns defined as a governmental subdivision only under section 275.50, subdivision 2, paragraph (b), for taxes levied in 1986 shall be calculated by adding the following amounts:*

*(1) the property tax levied in 1985 for taxes payable in 1986, exclusive of any levies for debt service; plus*

*(2) the amount of any payments the governmental subdivision was certified to receive in 1986 pursuant to Minnesota Statutes 1985 Supplement, sections 477A.011 to 477A.03; plus*

*(3) the amount of any payments certified to the governmental subdivision in 1986 pursuant to Minnesota Statutes 1984, section 298.282, and Minnesota Statutes 1985 Supplement, section 298.28; plus*

*(4) any amount levied as a special assessment to cover the costs of municipal operation and maintenance activities for the taxes payable year 1986.*

*For taxes levied in 1987 and subsequent years, the levy limit base of a governmental subdivision defined only in section 275.50, subdivision 2, paragraph (b), is equal to its adjusted levy limit base for the preceding year.*

Sec. 4. Minnesota Statutes 1984, section 275.51, subdivision 3i, is amended to read:

Subd. 3i. [LEVY LIMITATION.] The levy limitation for a governmental subdivision shall be equal to the adjusted levy limit base determined pursuant to subdivision 3h, reduced by (a) the total amount of local government aid that the governmental

subdivision has been certified to receive pursuant to sections 477A.011 to 477A.014; (b) taconite aids pursuant to sections 298.28 and 298.282 including any aid received in the levy year which was required to be placed in a special fund for expenditure in the next succeeding year; (c) state reimbursements for wetlands and native prairie property tax exemptions pursuant to sections 273.115, subdivision 3 and 273.116, subdivision 3; and (d) payments in lieu of taxes to a county pursuant to section 477A.12 which are required to be used to provide property tax levy reduction certified to be paid in the calendar year in which property taxes are payable. If the sum of the taconite aids deducted exceeds the adjusted levy limit base, the excess must be used to reduce the amounts levied as special levies pursuant to section 275.50, subdivisions 5 and 7. The commissioner of revenue shall notify a governmental subdivision of any excess taconite aids to be used to reduce special levies.

As provided in section 298.28, subdivision 1, one cent per taxable ton of the amount distributed under section 298.28, subdivision 1, clause (4)(c) shall not be deducted from the levy limit base of the counties that receive that aid. The resulting figure is the amount of property taxes which a governmental subdivision may levy for all purposes other than those for which special levies and special assessments are made.

*For taxes levied in 1987 and subsequent years, the levy limit for a county as calculated under paragraph (b) shall be decreased by an additional amount equal to the reduction in the distribution to the county under Minnesota Statutes, section 298.28, from the 1986 distribution to the 1987 distribution.*

Sec. 5. Minnesota Statutes 1985 Supplement, section 294.22, is amended to read:

#### 294.22 [GROSS EARNINGS TAX; COMPUTATION.]

Every company owning or operating any taconite railroad shall pay annually into the state treasury a sum of money equal to (FIVE) 3.75 percent of the gross earnings derived from the operation of such taconite railway within the state. The gross earnings of such a taconite railroad company from the transportation of taconite concentrates from the Mesabi Range to ports on Lake Superior, for all purposes hereof, shall be a sum of money equal to the amount which would be charged under established tariffs of common carriers for the transportation of an equal tonnage of iron ore or taconite concentrates, whichever is shipped from Mesabi Range points to ports at the head of Lake Superior, including the established charges for loading such ore on boats. For all purposes of chapter 298 the rate of the gross earnings as so calculated shall be treated as the cost of transportation of such concentrates or iron ore between such points. If such a taconite railroad company transports coal or any other commodity, except taconite concentrates, its gross earn-

ings shall include an amount equal to the established tariffs of common carriers for the transportation of the same quantities of similar commodities for corresponding distances, not, however, including any such charges for any such commodities used or intended to be used in the construction, operation or maintenance of such railroad.

Sec. 6. Minnesota Statutes 1984, section 294.23, is amended to read:

294.23 [COMPANIES LIABLE FOR TAX.]

If a company producing concentrates from taconite shall transport the taconite in the course of the concentrating process and before such concentrating process is completed to a concentrating plant located within the state over a railroad which is not a common carrier and shall not use a common carrier or taconite railroad company as defined in section 294.21 for the movement of the concentrate to a point of consumption or port for shipment beyond the state, then such company nevertheless shall pay annually into the state treasury a tax equal to (FIVE) 3.75 percent of the amount which would be charged for the transportation of such concentrates produced by such taconite company as if such concentrates were transported by a common carrier under established tariffs of common carriers from the Mesabi Range or other iron range point nearest to the mine at which such taconite is quarried to ports at the head of Lake Superior, including established charges for loading such ore on boats. For the purposes of sections 294.24 to 294.28, such a company shall be considered a taconite railroad company.

Sec. 7. Minnesota Statutes 1985 Supplement, section 297A.15, subdivision 5, is amended to read:

Subd. 5. [REFUND; APPROPRIATION.] Notwithstanding the provisions of sections 297A.02, subdivision 2, and 297A.257 the tax on sales of capital equipment, *and construction materials and supplies under section 297A.257*, shall be imposed and collected as if the rate under section 297A.02, subdivision 1, applied. Upon application by the purchaser, on forms prescribed by the commissioner, a refund equal to the reduction in the tax due as a result of the application of the rates under section 297A.02, subdivision 2, or the exemption under section 297A.257 shall be paid to the purchaser. *In the case of building materials qualifying under section 297A.257 where the tax was paid by a contractor, application must be made by the owner for the sales tax paid by all the contractors, subcontractors, and builders for the project. The application must include sufficient information to permit the commissioner to verify the sales tax paid for the project.* The application shall include information necessary for the commissioner initially to verify that the purchases qualified as capital equipment under section 297A.02, subdivision 2, or *capital equipment or construction materials and sup-*

*plies under section 297A.257. No more than two applications for refunds may be filed under this subdivision in a calendar year. Unless otherwise specifically provided by this subdivision, the provisions of section 297A.34 apply to the refunds payable under this subdivision. There is annually appropriated to the commissioner of revenue the amount required to make the refunds.*

Sec. 8. Minnesota Statutes 1985 Supplement, section 297A.257, is amended by adding a subdivision to read:

*Subd. 2a.* [EXEMPTION FOR CONSTRUCTION MATERIALS.]

*Construction materials and supplies are exempt from the tax imposed under this chapter, regardless of whether purchased by the owner or a contractor, subcontractor, or builder, if all of the following conditions are met:*

(1) *the materials and supplies are used or consumed in constructing a new manufacturing facility or expanding an existing one in a distressed county;*

(2) *the total capital investment made within a three-year period exceeds \$75,000,000.*

*A county is a distressed county for purposes of a project qualifying under this subdivision if it was designated as a distressed county at the time the initial contract to purchase the materials and supplies was executed.*

Sec. 9. Minnesota Statutes 1985 Supplement, section 298.03, is amended to read:

298.03 [VALUE OF ORE; HOW ASCERTAINED.]

*Subdivision 1. [GENERAL RULES.] The valuation of iron or other ores for the purposes of determining the amount of tax to be paid under the provisions of section 298.01 shall be ascertained by subtracting from the value of such ore, at the place where the same is brought to the surface of the earth, such value to be determined by the commissioner of revenue:*

(1) *the reasonable cost of supplies used and labor performed at the mine in separating the ore from the ore body, including hoisting, elevating, or conveying the same to the surface of the earth;*

(2) *if the ore is taken from an open pit mine, an amount for each ton of ore mined or produced during the year equal to the cost of removing the overburden, divided by the number of*

tons of ore uncovered, the number of tons of ore uncovered in each case to be determined by the commissioner of revenue;

(3) if the ore is taken from an underground mine, an amount for each ton of ore mined or produced during the year equal to the cost of sinking and constructing shafts and running drifts, divided by the number of tons of ore that can be advantageously taken out through such shafts and drifts, the number of tons of ore that can be advantageously taken out in each case to be determined by the commissioner of revenue;

(4) the amount of royalties paid on the ore mined or produced during the year;

(5) for persons mining or producing iron ore the mining or production of which is subject to the occupation tax imposed by section 298.01, subdivision 1, the amount of the ad valorem taxes levied and paid for the year against the realty in which the ore is deposited; for all others a percentage of the ad valorem taxes levied and paid for such year against the realty in which the ore is deposited equal to the percentage that the tons mined or produced during such year bears to the total tonnage in the mine;

(6) in the case of taconite, semitaconite and iron sulphide operations, the tax payable under section 298.24, (BUT NOT EXCEEDING 25 CENTS PER TAXABLE TON,) and that payable under section 298.35, on the concentrates produced in said year and any taxes paid under Laws 1955, chapter 391, 429, 514, 576 or 540, or any other law imposing on such taconite operations a specific tax for school or other governmental purposes;

(7) the amount or amounts of all the foregoing subtractions shall be ascertained and determined by the commissioner of revenue. Deductions for interest on plant investment shall not exceed the greater of (a) four percent of book value, or (b) the amount actually paid but not exceeding six percent of book value. No subtraction shall be allowed for shrinkage of iron ore.

*Subd. 2. [SPECIAL TRANSPORTATION COSTS.] With respect to transportation costs incurred after June 30, 1986, if the ore is not transported using the Great Lakes Seaway system, the commissioner must allow, as a deduction in computing the valuation of the ore, the reasonable cost of transportation of the ore to its destination. This subdivision does not affect the valuation of ore shipped using the Great Lakes Seaway system.*

Sec. 10. Minnesota Statutes 1985 Supplement, section 298.225, subdivision 1, is amended to read:

298.225 [APPROPRIATION.]

Subdivision 1. For distribution of taconite production tax in (1985) 1987 and thereafter with respect to production in (1984) 1986 and thereafter, the (RECIPIENTS) *distribution* of the taconite production tax as provided in section 298.28, subdivision 1, clauses (1) to (4) and (5)(b), (5)(c), (6), and (7)(a), shall (RECEIVE DISTRIBUTIONS) equal (TO) *the lesser of the following amounts:*

(1) the amount distributed (TO THEM) pursuant to this section and section 298.28, subdivision 1, with respect to 1983 production if the production for the year prior to the distribution year is no less than 42,000,000 taxable tons. If the production is less than 42,000,000 taxable tons, the amount of the distributions shall be reduced proportionately at the rate of two percent for each 1,000,000 tons, or part of 1,000,000 tons by which the production is less than 42,000,000 tons; or

(2)(i) *for the distributions made pursuant to section 298.28, subdivision 1, clauses (3)(a), (3)(b), and (5)(c), 50 percent of the amount distributed pursuant to this section and section 298.28, subdivision 1, with respect to 1983 production.*

(ii) *for the distributions made pursuant to section 298.28, subdivision 1, clauses (4)(a) and (4)(b), 75 percent of the amount distributed pursuant to this section and section 298.28, subdivision 1, with respect to 1983 production.*

Sec. 11. Minnesota Statutes 1984, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) *For concentrate produced in 1986 there is hereby imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of (\$1.25 CENTS) \$1.90 per gross ton of merchantable iron ore concentrate produced therefrom. (THE TAX ON CONCENTRATES PRODUCED IN 1978 AND SUBSEQUENT YEARS PRIOR TO 1985 SHALL BE EQUAL TO \$1.25 MULTIPLIED BY THE STEEL MILL PRODUCTS INDEX DURING THE PRODUCTION YEAR, DIVIDED BY THE STEEL MILL PRODUCTS INDEX IN 1977. THE INDEX STATED IN CODE NUMBER 1013, OR ANY SUBSEQUENT EQUIVALENT, AS PUBLISHED BY THE UNITED STATES DEPARTMENT OF LABOR, BUREAU OF LABOR STATISTICS WHOLESALe PRICES AND PRICE INDEXES FOR THE MONTH OF JANUARY OF THE YEAR IN WHICH THE CONCENTRATE IS PRODUCED SHALL BE THE INDEX USED IN CALCULATING THE TAX IMPOSED HEREIN. IN NO EVENT SHALL THE TAX BE LESS THAN \$1.25 PER GROSS TON OF MERCHANTABLE IRON ORE CONCENTRATE. THE TAX ON CONCENTRATES PRODUCED IN 1985 AND 1986 SHALL BE AT THE RATE DETERMINED FOR 1984 PRODUCTION.)*

(b) *Except as provided in paragraph (c), for concentrates produced in 1987 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States department of commerce.*

**((B) ON CONCENTRATES PRODUCED IN 1984, AN ADDITIONAL TAX IS IMPOSED EQUAL TO EIGHT-TENTHS OF ONE PERCENT OF THE TOTAL TAX IMPOSED BY CLAUSE (A) PER GROSS TON FOR EACH ONE PERCENT THAT THE IRON CONTENT OF SUCH PRODUCT EXCEEDS 62 PERCENT, WHEN DRIED AT 212 DEGREES FAHRENHEIT.)**

**((C) THE TAX IMPOSED BY THIS SUBDIVISION ON CONCENTRATES PRODUCED IN 1984 SHALL BE COMPUTED ON THE PRODUCTION FOR THE CURRENT YEAR. THE TAX ON CONCENTRATES PRODUCED IN 1985 SHALL BE COMPUTED ON THE AVERAGE OF THE PRODUCTION FOR THE CURRENT YEAR AND THE PREVIOUS YEAR.)**

*(c) The provisions of paragraph (b) will not be in effect for concentrates produced in 1987 if the 1987 production is not less than 33,000,000 tons, and will not be in effect for concentrates produced in 1988 if the 1988 production is not less than 34,000,000 tons. If the provisions of paragraph (b) are not in effect for concentrates produced in a year, the rate of the tax for that year's production will be the rate of the tax imposed on the previous year's production. The tax (ON CONCENTRATES PRODUCED IN 1986 AND THEREAFTER) shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.*

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of (\$1.25) \$1.90 per gross ton of merchantable iron ore concentrate produced shall be imposed.

Sec. 12. Minnesota Statutes 1985 Supplement, section 298.28, subdivision 1, is amended to read :

Subdivision 1. [DISTRIBUTION.] The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certification of the commissioner of revenue, be allocated as follows :

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," to the city or town in the county in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) (a) 12.5 cents per taxable ton, less any amount distributed under clause (7), paragraph (a), and paragraph (b) of this clause, to be distributed as provided in section 298.282.

(b) An amount annually certified by the county auditor of a county containing a taconite tax relief area within which there is (1) an organized township if, as of January 2, 1982, more than 75 percent of the assessed valuation of the township consists of iron ore or (2) a city if, as of January 2, 1980, more than 75 percent of the assessed valuation of the city consists of iron ore. The amount will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of (THE TOWNSHIP'S) January 2, 1982, assessed value in the case of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1). The county auditor shall extend the township's or city's levy against the sum of the township's or city's current assessed value plus the difference between 50 percent of its January 2, 1982, assessed value and its current assessed value in the case of a township and between 50 percent of its January 2, 1980, assessed value and its current assessed value in the case of a city. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this clause shall not apply.

(3) (29) 27.5 cents per taxable ton plus the increase provided in paragraph (c) to qualifying school districts to be distributed, based upon the certification of the commissioner of revenue, as follows:

(a) (SIX) 5.5 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The

distribution must be based on the apportionment formula prescribed in clause (1).

(b) (23) (i) 22 cents per taxable ton, less any amount distributed under part (d), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 (IN DIRECT PROPORTION TO SCHOOL DISTRICT TAX LEVIES AS FOLLOWS: EACH DISTRICT SHALL RECEIVE THAT PORTION OF THE TOTAL DISTRIBUTION WHICH ITS CERTIFIED LEVY FOR THE PRIOR YEAR, COMPUTED PURSUANT TO SECTIONS 124A.03, 124A.06, SUBDIVISION 3A, 124A.08, SUBDIVISION 3A, 124A.10, SUBDIVISION 3A, 124A.12, SUBDIVISION 3A, 124A.14, SUBDIVISION 5A, 124A.20, SUBDIVISION 2, AND 275.125, COMPRISES OF THE SUM OF CERTIFIED LEVIES FOR THE PRIOR YEAR FOR ALL QUALIFYING DISTRICTS, COMPUTED PURSUANT TO SECTIONS 124A.03, 124A.06, SUBDIVISION 3A, 124A.08, SUBDIVISION 3A, 124A.10, SUBDIVISION 3A, 124A.12, SUBDIVISION 3A, 124A.14, SUBDIVISION 5A, 124A.20, SUBDIVISION 2, AND 275.125. Each district shall receive that portion of the distribution which its index bears to the sum of the indices for all school districts that receive the distributions.*

(ii) *Notwithstanding clause (i), each school district shall receive a distribution under this paragraph (b) that is no less than the amount of its levy reduction under section 275.125, subdivision 9, for the second year prior to the year of the distribution; the amount necessary to make this minimum payment shall be derived from proportionate reductions in the initial distribution to other school districts under clause (i).*

(c) On July 15, in years prior to 1988, an amount equal to the increase derived by increasing the amount determined by clause (3)(b) in the same proportion as the increase in the steel mill products index over the base year of 1977 as provided in section 298.24, subdivision 1, clause (a), shall be distributed to any school district described in clause (3)(b) where a levy in-

crease pursuant to section 124A.03, subdivision 2, is authorized by referendum, according to the following formula. On July 15, 1988 and subsequent years, the increase over the amount established for the prior year shall be determined according to the increase in the implicit price deflator as provided in section 298.24, subdivision 1, paragraph (a). Each district shall receive the product of:

(i) \$150 times the pupil units identified in section 124.17, subdivision 1, (CLAUSES (1) AND (2),) enrolled in the second previous year or the 1983-1984 school year, whichever is greater, less the product of 1-3/4 mills times the district's taxable valuation in the second previous year; times

(ii) the lesser of:

(A) one, or

(B) the ratio of the amount certified pursuant to section 124A.03, subdivision 2, in the previous year, to the product of 1-3/4 mills times the district's taxable valuation in the second previous year.

If the total amount provided by clause (3) (c) is insufficient to make the payments herein required then the entitlement of \$150 per pupil unit shall be reduced uniformly so as not to exceed the funds available. Any amounts received by a qualifying school district in any fiscal year pursuant to clause (3) (c) shall not be applied to reduce foundation aids which the district is entitled to receive pursuant to section 124A.02 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of iron range resources and rehabilitation who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection trust fund as provided in clause (9).

(d) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) (19.5) 16.5 cents per taxable ton to counties to be distributed, based upon certification by the commissioner of revenue, as follows:

(a) (15.5) 13 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The apportionment formula prescribed in clause (1) is the basis for the distribution.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating

taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be paid to the county in which the power plant is located.

(c) (FOUR) 3.5 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) (17.75) 22 cents per taxable ton, less any amount required to be distributed under (PART) parts (b) and (c), to St. Louis county acting as the counties' fiscal agent, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, (.75) .1875 cent per taxable ton of the tax imposed and collected from such taxpayer shall be paid to the county (AND SCHOOL DISTRICT IN WHICH THE POWER PLANT IS LOCATED AS FOLLOWS: 25 PERCENT TO THE COUNTY AND 75 PERCENT TO THE SCHOOL DISTRICT).

(c) *If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a school district other than a school district in which the mining and concentrating processes are conducted, .5625 cent per taxable ton of the tax imposed and collected from the taxpayer shall be paid to the school district.*

(6) Three cents per taxable ton shall be paid to the iron range resources and rehabilitation board for the purposes of section 298.22. The amount determined in this clause shall be increased in 1981 and subsequent years prior to 1988 in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1 and shall be increased in 1988 and subsequent years according to the increase in the implicit price deflator as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(7) (a) .20 cent per taxable ton shall be paid to the range association of municipalities and schools, for the purpose of pro-

viding an areawide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(b) 1.5 cents per taxable ton shall be paid to the northeast Minnesota economic protection trust fund.

(8) the amounts determined under clauses ((4)(A), (4)(C), (5) (,) (a) and (7)(b) shall be increased in 1979 and subsequent years prior to 1988 in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. Those amounts shall be increased in 1988 and subsequent years in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1.

*The amounts determined under clauses (4)(a), (4)(c), (5)(b), and (5)(c) for distribution in 1987 and subsequent years shall be the amount determined for distribution in 1986 under Minnesota Statutes 1985 Supplement, section 298.28, subdivision 1, clauses (4)(a), (4)(c), and (5)(b).*

(9) the proceeds of the tax imposed by section 298.24 which remain after the distributions and payments in clauses (1) to (8), as certified by the commissioner of revenue, and parts (a) and (b) of this clause have been made, together with interest earned on all money distributed under this subdivision prior to distribution, shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.-292 as follows: Two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. The proceeds shall be placed in the respective special accounts.

(a) There shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977; provided, however, that the amount distributed in 1981 to the unorganized territory number 2 of Lake county and the town of Beaver Bay based on the between-terminal trackage of Erie Mining Company will be distributed in 1982 and subsequent years to the unorganized territory number 2 of Lake county and the towns of Beaver Bay and Stony River based on the miles of track of Erie Mining Company in each taxing district.

(b) There shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. The commissioner of revenue shall annually on or before October 10 report an estimated distribution amount to each taxing district and the officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county or city in the year in which such estimate is made, and payable in the next ensuing calendar year, except that one cent per taxable ton of the amount distributed under clause (4) (c) shall not be deducted in calculating the permissible levy. In any calendar year in which a general property tax levy subject to sections 275.50 to 275.59 has been made, if the taxes distributable to any such county or city are greater than the amount estimated by the commissioner to be paid to any such county or city in such year, the excess of such distribution shall be held in a special fund by the county or city and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.50 to 275.59, of such county or city payable in such year. If the amounts distributable to any such county or city after final determination by the commissioner of revenue under this section are less than the amounts by which a taxing district's levies were reduced pursuant to this section, such county or city may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

Sec. 13. Minnesota Statutes 1984, section 298.282, subdivision 2, is amended to read:

Subd. 2. (a) Each year following the final determination of the amount of taxes payable under section 298.24, the commissioner of revenue shall determine the amount in the taconite municipal aid account as of July 1 of such year and the amount to be distributed to each qualifying municipality during such year. The amount to be distributed to each qualifying municipality shall be determined by (DIVIDING THE TOTAL AMOUNT IN SAID ACCOUNT, AFTER A REDUCTION EQUAL TO THE AMOUNT OF THE DISTRIBUTION IN SUBDIVISION 5, AS OF JULY 1 BY THE TOTAL POPULATION ACCORDING TO THE LATEST FEDERAL CENSUS OF ALL QUALIFYING MUNICIPALITIES TO DETERMINE THE PER CAPITA

DISTRIBUTIVE SHARE FOR SUCH YEAR AND BY MULTIPLYING THE PER CAPITA DISTRIBUTIVE SHARE BY THE POPULATION OF SUCH MUNICIPALITY) *determining an index for each qualifying municipality by subtracting its local effort mill rate, multiplied by its equalized assessed value, from its fiscal need factor. For the purposes of this subdivision, the following terms have the meanings given them herein. A municipality's "local effort mill rate" means its fiscal need factor per capita divided by \$17 per capita per mill for the first \$350 of its fiscal need factor per capita; plus its fiscal need factor per capita divided by \$15 per capita per mill on that part of its fiscal need factor per capita, if any, in excess of \$350. In no case shall a municipality's local effort mill rate be less than eight mills. A municipality's "equalized assessed value" means its previous year taxable valuation, less the captured value in any tax increment district, divided by the municipality's aggregate sales ratio covering the period ending two years prior to the year of aid distribution. A municipality's "fiscal need factor" means the three-year average of the sum of its municipal levy, taconite aids received under sections 298.28, subdivision 1, clauses (1) and (10)(a) and 298.282 and its local government aid distribution amount, for taxes payable and distribution amounts receivable in the three years immediately preceding the aid distribution year.*

*The ratio of the resulting index for each qualifying municipality to the sum of all qualifying municipalities' indexes shall be multiplied by the total amount in the taconite municipal aid account less the amount distributed pursuant to subdivision 5. For the distribution made in 1987, one-third of the distribution shall be distributed pursuant to this subdivision and two-thirds pursuant to Minnesota Statutes 1984, section 298.282, subdivision 2. For the distribution made in 1988, two-thirds shall be distributed pursuant to this subdivision and one-third pursuant to Minnesota Statutes 1984, section 298.282, subdivision 2.*

(b) If the distribution under this section, sections 273.138, 298.26 and 298.28, and chapter 477A, to any municipality would exceed that municipality's levy limit base for that year, computed pursuant to sections 275.50 to 275.59, the amount in excess of the levy limit base for that year shall reduce the amount distributed to the municipality under this section and this excess amount shall be distributed to the other qualifying municipalities (ON A PER CAPITA BASIS) *in the same manner as the distribution made pursuant to subdivision 2, except that the qualifying municipality receiving an initial distribution when added to that received pursuant to sections 273.138, 298.26, 298.28, and chapter 477A in excess of the qualifying municipality's levy limit base, shall not receive a distribution nor shall its index be used in computing the distribution pursuant to this clause.* The distributions to be received in the year in which the taxes are payable shall be compared to the levy limit base for that same year. Upon completion of such determination, the commissioner of revenue shall

certify to the chief clerical officer of each qualifying municipality the amount which will be distributed to such municipality from the taconite municipal aid account that year.

Sec. 14. [APPROPRIATION.]

*\$20,000,000 is appropriated to the commissioner of natural resources. Notwithstanding Minnesota Statutes, section 298.293 or 298.294 or any other law, this appropriation is from the corpus of the northeast Minnesota economic protection fund. This money is available only as a loan guarantee for the smelting project using the COREX process and is contingent upon receipt by the commissioner of natural resources of sufficient funding from other sources to complete the project. If the project is approved by the United States department of energy prior to December 31, 1987, this appropriation does not cancel but is available until June 30, 1992, or the project is completed or abandoned, whichever occurs earlier. On July 1, 1992, \$20,000,000 is appropriated from the general fund, to be taken from the proceeds of the taconite occupation tax imposed under Minnesota Statutes, section 298.01, to the commissioner of natural resources to be used only to continue the loan guarantee or to be drawn down to cover a default according to this subdivision. If the general fund appropriation is used to cover a default in the loan, there shall be repaid from the northeast Minnesota economic protection trust fund to the general fund the amount of the default. Payments shall be made in ten equal annual installments, with the first payment made one year from the date of the default. No interest shall be paid on these payments. An amount sufficient to make the repayments is appropriated from the northeast Minnesota economic protection trust fund. The money appropriated from the northeast Minnesota economic protection trust fund shall be spent only in or for the benefit of tax relief areas as defined in Minnesota Statutes, section 273.134.*

Sec. 15. [EFFECTIVE DATE.]

*Sections 1, 10, 12, and 13 are effective for distributions in 1987 and subsequent years, except that the changes in paragraph 3 of section 298.28, subdivision 1, are effective for distributors in 1988 and subsequent years. Sections 2, 3, and 4 are effective for taxes levied in 1986, payable in 1987, and thereafter. Sections 5 and 6 are effective for gross earnings derived after December 31, 1986. Sections 7 and 8 are effective for purchases and use made after May 1, 1986, provided that the first refunds for construction materials and supplies due as a result of the exemption under section 8 may not be paid by the commissioner before July 15, 1987. Except as otherwise provided, section 9 is effective for ores mined or produced after December 31, 1986."*

Page 1, after line 10, insert:

"Section 1. Minnesota Statutes 1985 Supplement, section 3.736, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] The state will pay compensation for injury to or loss of property or personal injury or death caused by an act or omission of any employee of the state while acting within the scope of his office or employment or peace officer who is not acting on behalf of a private employer and who is acting in good faith pursuant to section 629.40, subdivision 3, under circumstances where the state, if a private person, would be liable to the claimant, *whether arising out of a governmental or proprietary function*. Nothing in this section waives the defense of judicial or legislative immunity except to the extent provided in subdivision 8.

Sec. 2. Minnesota Statutes 1985 Supplement, section 3.736, subdivision 3, is amended to read:

Subd. 3. [EXCLUSIONS.] Without intent to preclude the courts from finding additional cases where the state and its employees should not, in equity and good conscience, pay compensation for personal injuries or property losses, the legislature declares that the state and its employees are not liable for the following losses:

(a) Any loss caused by an act or omission of a state employee exercising due care in the execution of a valid or invalid statute or regulation;

(b) Any loss caused by the performance or failure to perform a discretionary duty, whether or not the discretion is abused;

(c) Any loss in connection with the assessment and collection of taxes;

(d) Any loss caused by snow or ice conditions on any highway, *public sidewalk that does not abut publicly owned buildings and publicly owned parking lots* or other public place, except when the condition is affirmatively caused by the negligent acts of a state employee;

(e) Any loss caused by wild animals in their natural state;

(f) Any loss other than injury to or loss of property or personal injury or death;

(g) Any loss caused by the condition of unimproved real property owned by the state, which means land that the state has not improved, and appurtenances, fixtures and attachments to land that the state has neither affixed nor improved;

(h) Any loss incurred by a user within the boundaries of the outdoor recreation system and arising from the construction, operation, or maintenance of the system, as defined in section 86A.04, or from the clearing of land, removal of refuse, and

creation of trails or paths without artificial surfaces, or from the construction, operation, or maintenance of a water access site created by the iron range resources and rehabilitation board, except that the state is liable for conduct that would entitle a trespasser to damages against a private person.

(i) Any loss of benefits or compensation due under a program of public assistance or public welfare, except where state compensation for loss is expressly required by federal law in order for the state to receive federal grants-in-aid;

(j) Any loss based on the failure of any person to meet the standards needed for a license, permit, or other authorization issued by the state or its agents;

(k) Any loss based on the usual care and treatment, or lack of care and treatment, of any person at a state hospital or state corrections facility where reasonable use of available appropriations has been made to provide care;

(l) Any loss, damage, or destruction of property of a patient or inmate of a state institution;

(m) Any loss for which recovery is prohibited by section 169.121, subdivision 9.

The state will not pay punitive damages.

### Sec. 3. [16B.85] [RISK MANAGEMENT.]

*Subdivision 1. [ALTERNATIVES TO CONVENTIONAL INSURANCE.] In the event that the state is unable to obtain certain types of insurance, or the commissioner determines insurance to be unreasonably costly, the commissioner may implement alternatives to the purchase of conventional insurance. A mechanism for implementing possible alternatives to conventional insurance is the risk management fund created in subdivision 2.*

*Subd. 2. [RISK MANAGEMENT FUND.] A state risk management fund is created. All state agencies which have had or may have casualty claims against them with respect to the risks for which the commissioner has implemented conventional insurance alternatives shall contribute to the fund a portion of the money appropriated to them. The commissioner shall determine the proportionate share of each agency on the basis of the agency's casualty claim experience as compared to other affected agencies. The money in the fund to pay casualty claims arising from state activities and for administrative costs, including costs for the adjustment and defense of the claims, is appropriated to the commissioner. Interest earned from the investment of money in the fund shall be credited to the fund and be available to the commissioner for the expenditures au-*

*thorized in this subdivision. The fund is exempt from the provisions of section 16A.15, subdivision 1. In the event that proceeds in the fund are insufficient to pay outstanding claims and associated administrative costs, the commissioner, in consultation with the commissioner of finance, may assess state agencies participating in the fund amounts sufficient to pay the costs. The commissioner shall determine the proportionate share of the assessment of each agency on the basis of the agency's casualty claim experience as compared to other affected agencies.*

Sec. 4. Minnesota Statutes 1984, section 60A.06, is amended by adding a subdivision to read:

*Subd. 3. Unless specifically authorized by section 60A.06, subdivision 1, clause (4), it is unlawful to combine in one policy coverage permitted by section 60A.06, subdivision 1, clauses (4) and (5) (a). This subdivision does not prohibit the simultaneous sale of these products, but the sale must involve two separate and distinct policies. This subdivision does not apply to group policies.*

Sec. 5. Minnesota Statutes 1985 Supplement, section 60A.10, subdivision 1, is amended to read:

Subdivision 1. [DOMESTIC COMPANIES.] (1) [DEPOSIT AS SECURITY FOR ALL POLICYHOLDERS REQUIRED.] No company in this state, other than farmers' mutual, or real estate title insurance companies, shall do business in this state unless it has on deposit with the commissioner, for the protection of both its resident and nonresident policyholders, securities to an amount, the actual market value of which, exclusive of interest, shall never be less than \$200,000 until July 1, 1986, \$300,000 until July 1, 1987, \$400,000 until July 1, 1988, and \$500,000 on and after July 1, 1988 or one-half the applicable financial requirement set forth in section 60A.07, whichever is less. The securities shall be retained under the control of the commissioner as long as any policies of the depositing company remain in force.

(2) [SECURITIES DEFINED.] For the purpose of this subdivision, the word "securities" means bonds or other obligations of, or bonds or other obligations insured or guaranteed by, the United States, any state of the United States, any municipality of this state, or any agency or instrumentality of the foregoing.

(3) [PROTECTION OF DEPOSIT FROM LEVY.] No judgment creditor or other claimant may levy upon any securities held on deposit with, or for the account of, the commissioner. Upon the entry of an order by a court of competent jurisdiction for the rehabilitation, liquidation or conservation

of any depositing company as provided in chapter 60B, that company's deposit together with any accrued income thereon shall be transferred to the commissioner as rehabilitator, liquidator, or conservator.

Sec. 6. Minnesota Statutes 1984, section 60A.13, is amended by adding a subdivision to read:

*Subd. 8. [ANNUAL REPORTS.] Each insurer licensed to write property and casualty insurance in this state, as a supplement to the annual statement required by this section, shall submit a report on a form furnished by the commissioner separately showing its direct writings in Minnesota and in the United States on: liquor liability, product liability, medical malpractice, and any other line so designated by the commissioner on January 1 of each year.*

*The supplemental reports must include the following data, using appropriate estimates where necessary, for the previous year ending on December 31:*

The commissioner shall annually compile and review all reports submitted by insurers pursuant to this section. These filings must be published and made available to any interested insured or citizen.*

Sec. 7. Minnesota Statutes 1984, section 60A.25, is amended to read:

**60A.25 [INSOLVENT COMPANIES (, NOTIFICATION OF POLICYHOLDERS).]**

*Subdivision 1. [NOTIFICATION OF POLICYHOLDERS.] Whenever any foreign or domestic insurance company authorized to transact the business of insurance in Minnesota is adjudicated insolvent, or whenever its policies are declared null and void by court order, the commissioner of commerce shall ascertain the names and last known addresses of all Minnesota policyholders of said company, and shall notify all Minnesota policyholders within 30 days of such adjudication or court order. In the case of foreign insurers authorized to do business in this state, the commissioner of commerce may elect to notify all of the company's licensed agents in Minnesota with a directive that the agents notify all insureds of the company's insolvency or that its policies have been declared null and void.*

*Subd. 2. [REMITTANCE OF PREMIUMS.] Every agency contract written by an insurance company writing property and casualty insurance in Minnesota shall contain or be construed to contain the following provision: "Notwithstanding any other provision of this contract, the obligation of the agent to remit written premiums to the company shall be changed upon the commencement of any administrative or legal proceeding by any state against the carrier regarding its financial condition. After the commencement of the proceedings, the obligation of the agent to remit premiums shall be confined to the premiums earned before the commencement of the proceedings. The agent shall not owe or remit to the company or to the liquidator or receiver any premiums that are unearned as of the date of the commencement of the delinquency proceedings, and any unearned premiums in the possession of the agent on the date shall be returned promptly by the agent to the insured or, with the approval of the insured, be used to purchase new coverage for the insured with a different insurer."*

Page 5, after line 21, insert:

"Sec. 9. Minnesota Statutes 1984, section 60C.09, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] A covered claim is any unpaid claim, including one for unearned premium, which:

(a) Arises out of and is within the coverage of an insurance policy issued by a member insurer if the insurer becomes an insolvent insurer after April 30, 1979, *and includes claims under an additional or extended reporting period beyond the policy's termination for reporting claims if the additional or extended reporting period is provided in the policy without additional charge or has been purchased by the insured prior to the entry of an order of liquidation with a finding of insolvency;*

(b) Arises out of a class of business which is not excepted from the scope of Laws 1971, chapter 145 by section 60C.02; and

(c) Is made by:

(i) A policyholder, or an insured beneficiary under a policy, who, at the time of the insured event, was a resident of this state; or

(ii) A person designated in the policy as having an insurable interest in or related to property situated in this state at the time of the insured event; or

(iii) An obligee or creditor under any surety bond, who, at the time of default by the principal debtor or obligor, was a resident of this state; or

(iv) A third party claimant under a liability policy or surety bond, if: (a) the insured or the third party claimant was a resident of this state at the time of the insured event; (b) the claim is for bodily or personal injuries suffered in this state by a person who when he suffered the injuries was a resident of this state; or (c) the claim is for damages to real property situated in this state at the time of damage; or

(v) A direct or indirect assignee of a person who except for the assignment might have claimed under (i), (ii) or (iii).

A covered claim also includes any unpaid claim which arises or exists within 30 days after the time of entry of an order of liquidation with a finding of insolvency by a court of competent jurisdiction unless prior thereto the insured replaces the policy or causes its cancellation or the policy expires on its expiration date.

Sec. 10. Minnesota Statutes 1984, section 62A.02, subdivision 2, is amended to read:

Subd. 2. [APPROVAL.] No such policy shall be issued, nor shall any application, rider, or endorsement be used in connection therewith, until the expiration of (30) 60 days after it has been so filed unless the commissioner shall sooner give his written approval thereto.

Sec. 11. Minnesota Statutes 1984, section 62A.02, subdivision 3, is amended to read:

Subd. 3. [DISAPPROVAL.] The commissioner shall, within (30) 60 days after the filing of any form, disapprove the form:

(1) if the benefits provided therein are unreasonable in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the policy; or

(3) If the proposed premium rate is excessive because the insurer has failed to exercise reasonable cost control.

For the purposes of clause (1), the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. For the purposes of this subdivision, "anticipated loss ratio" means the ratio at the time of form filing or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the premium charged. (THE COMMISSIONER MAY UNTIL DECEMBER 31, 1978, EXERCISE EMERGENCY POWER FOR THE PURPOSE OF IMPLEMENTING THE MINIMUM ANTICIPATED LOSS RATIO REQUIREMENT, AND FOR THIS PURPOSE MAY ADOPT EMERGENCY RULES AS PROVIDED IN SECTIONS 14.29 TO 14.36. NOTWITHSTANDING THE EXPIRATION OF THE COMMISSIONER'S EMERGENCY POWER, ANY EMERGENCY RULE ADOPTED BY HIM PRIOR TO THE EXPIRA-

TION OF HIS EMERGENCY POWER MAY REMAIN EFFECTIVE FOR THE PERIODS AUTHORIZED IN SECTIONS 14.29 TO 14.36.)

If the commissioner notifies an insurer which has filed any form that the form does not comply with the provisions of this section or sections 62A.03 to 62A.05 and section 72A.20, it shall be unlawful thereafter for the insurer to issue the form or use it in connection with any policy. In the notice the commissioner shall specify the reasons for his disapproval and state that a hearing will be granted within 20 days after request in writing by the insurer.

Sec. 12. Minnesota Statutes 1984, section 62B.07, subdivision 2, is amended to read:

Subd. 2. The commissioner shall within (30) 60 days after the filing of policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders, disapprove any such form if the premium rates charged or to be charged are excessive in relation to benefits, or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the coverage, or are contrary to any provision of the insurance laws or of any rule or regulation promulgated thereunder. In order to determine whether the premium to be charged under a particular policy form submitted by an insurer is excessive in relation to benefits, and to facilitate the submission and approval of policy forms and premium rates to be used in connection therewith, the commissioner shall give full consideration to and make reasonable allowances for underwriting expenses including, but not limited to, claim adjustment expenses, general administrative expenses including costs for handling return premiums, compensation to agents, expense allowances to creditors, if any, branch and field expenses and other acquisition costs, the types of policies actually issued and authorized as defined in section 62B.03, (1), (2), (3) and (4), and any and all other factors and trends demonstrated to be relevant. An insurer may support these factors by statistical information, experience, actuarial computations, and/or estimates certified by an executive officer of the insurer, and the commissioner shall give due consideration to such supporting data.

Sec. 13. Minnesota Statutes 1984, section 62B.07, subdivision 3, is amended to read:

Subd. 3. If the commissioner notifies the insurer that the form is disapproved, it is unlawful thereafter for the insurer to issue or use it. In his notice, the commissioner shall specify the reason for his disapproval and state that a hearing will be granted within 20 days after a request in writing by the insurer. No policy, certificate of insurance, notice of proposed insurance, nor any application, endorsement or rider, shall be issued or used

until the expiration of (30) 60 days after it has been filed, unless the commissioner gives his prior written approval thereto.

Sec. 14. Minnesota Statutes 1984, section 62C.14, subdivision 10, is amended to read:

Subd. 10. Except as otherwise provided in subdivision 9, all forms received by the commissioner shall be deemed filed (30) 60 days after received unless disapproved by order transmitted to the corporation stating that the form used in a specified respect is contrary to law, contains a provision or provisions which are unfair, inequitable, misleading, inconsistent or ambiguous, or is in part illegible. It shall be unlawful to issue or use a document disapproved by the commissioner.

Sec. 15. Minnesota Statutes 1984, section 62E.14, subdivision 3, is amended to read:

Subd. 3. **Sec. 32. Minnesota Statutes 1984, section 70A.04, subdivision 2, is amended to read:**

**Subd. 2. [EXCESSIVENESS; MARKET TEST.] (a)** Rates are presumed not to be excessive if a reasonable degree of price competition exists at the consumer level with respect to the class of business to which they apply. In determining whether a reasonable degree of price competition exists, the commissioner shall consider all relevant tests (**INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING:**)

**(1. THE NUMBER OF INSURERS ACTIVELY ENGAGED IN THE CLASS OF BUSINESS.)**

**(2. THE NATURE OF RATE DIFFERENTIALS IN THAT CLASS OF BUSINESS.)**

**(3. WHETHER LONG RUN PROFITABILITY FOR INSURERS GENERALLY OF THE CLASS OF BUSINESS IS UNREASONABLY HIGH IN RELATION TO ITS RISKINESS).**

*In addition to any other manner of determining whether a reasonable degree of price competition exists with respect to any class of insurance, it is presumed that a reasonable degree of competition does not exist if less than five insurers write more than 75 percent of the direct written premiums.*

(b) If such competition does not exist, rates are excessive if they are likely to produce a long-run profit that is unreasonably high in relation to the riskiness of the class of business, or if expenses are unreasonably high in relation to the services rendered.

*In determining whether an excessive rate is being charged by an individual insurer for a class of insurance where a reasonable degree of competition does not exist, the commissioner shall determine whether the rate charged produces a rate of return that is not in excess of a reasonable rate of return. To determine what is a reasonable rate of return, the riskiness of the class of insurance, the profitability of the insurer in that class of business, and other relevant factors shall be considered.*

Sec. 33. Minnesota Statutes 1984, section 70A.06, subdivision 1, is amended to read:

Subdivision 1. Every licensed insurer and every rate service organization licensed under section 70A.14 shall (FURNISH) file with the commissioner all rates and all changes and amendments of rates made by it for use in this state not later than their effective date. No rates contained in a filing shall become effective unless they have been filed with the commissioner. In any filing, the commissioner may require the insurer or rate service organization to file supporting data and explanatory data which shall include:

(1) *the experience and judgment of the filer, and, to the extent it wishes or the commissioner requires, of other insurers or rate service organizations;*

(2) *its interpretation of any statistical data relied upon;*

(3) *descriptions of the actuarial and statistical methods employed; and*

(4) *any other matters deemed relevant by the commissioner or the filer.*

*Notwithstanding the foregoing, if supporting data is not filed within 30 days after so requested by the commission, the rate is no longer effective and is presumed to be an excessive rate.*

Sec. 34. Minnesota Statutes 1984, section 70A.06, subdivision 2, is amended to read:

Subd. 2. No policy form shall be delivered or issued for delivery unless it has been filed with the commissioner and either (i) he has approved it or (ii) (30) 60 days have elapsed and he has not disapproved it as misleading or violative of public policy, which period may be extended by the commissioner for an additional period not to exceed (30) 60 days.

Sec. 35. Minnesota Statutes 1984, section 70A.08, is amended by adding a subdivision to read:

*Subd. 3. Until January 1, 1988, the commissioner may restrict approval on claims-made policies to forms filed by a rate service organization which have been approved.*

#### 70A.10 [DELAYED EFFECT OF RATES.]

Subdivision 1. [(RULE) ORDER INSTITUTING DELAYED EFFECT.] If the commissioner finds, after a hearing, that competition is not an effective regulator of the rates charged or that a substantial number of companies are competing irresponsibly through the rates charged, or that there are widespread violations of this chapter, in any kind or line of insurance or subdivision thereof or in any rating class or rating territory, he may issue (A RULE) *an order* requiring that in the kind or line of insurance or subdivision thereof or rating class or rating territory comprehended by the finding any subsequent changes in the rates or supplementary rate information be filed with him at least (30) 60 days before they become effective. He may extend the waiting period for not to exceed (15) 30 additional days by written notice to the filer before the (30) 60 day period expires.

Subd. 2. [SUPPORTING DATA.] In the (RULE) *order* issued under subdivision 1 or in any supplementary (RULE) *order*, the commissioner may require the filing of supporting data as to any or all kinds or lines of insurance or subdivisions thereof or classes of risks or combinations thereof as he deems necessary for the proper functioning of the rate monitoring and regulating process. The supporting data shall include:

(a) The experience and judgment of the filer, and, to the extent it wishes or the commissioner requires, of other insurers or rate service organizations;

(b) Its interpretation of any statistical data relied upon;

(c) Descriptions of the actuarial and statistical methods employed; and

(d) Any other matters deemed relevant by the commissioner or the filer.

Subd. 3. [EXPIRATION OF (REGULATION) ORDER.] (A REGULATION) *An order issued under subdivision 1 shall expire no more than (ONE YEAR) two years after issue. (THE COMMISSIONER MAY RENEW IT AFTER A HEARING AND APPROPRIATE FINDINGS AS PROVIDED UNDER SUBDIVISION 1.)*

Subd. 4. [SUPPORTING INFORMATION.] Whenever a filing is not accompanied by such information as the commissioner has required under subdivision 2, he may so inform the insurer and the filing shall be deemed to be made when the information is furnished.

Sec. 37. Minnesota Statutes 1984, section 70A.11, is amended to read:

70A.11 [DISAPPROVAL OF RATES.]

Subdivision 1. [ORDER (IN EVENT OF VIOLATION) AFTER HEARING.] If the commissioner finds after a (HEARING) *contested case proceeding under chapter 14* that a rate is not in compliance with section 70A.04, he shall order that its use is to be discontinued (ON A DATE NOT LESS THAN 30 DAYS AFTER THE ORDER) *and shall order the excess premium plus interest at the rate specified in section 549.09 to be refunded to the policyholder. The amount of the refund, plus interest, must be computed from the commencement date of the contested case hearing on the rate. Interest must be computed as simple interest per annum.*

Subd. 2. [TIMING OF ORDER.] The order under subdivision 1 shall be issued within (30) *60* days after the close of the hearing or within such reasonable time extension as the commissioner may fix.

Subd. 3. [APPROVAL OF SUBSTITUTED RATE.] No rate replacing a disapproved rate may be used until it has been filed with the commissioner and not disapproved within (30) *60* days thereafter, except that the rate disapproved under subdivision 1, with the consent of the commissioner, or the last previous rate in effect for the insurer may be used for a period of not more than three months pending the approval of a substituted rate. The commissioner's order may include provision for a premium adjustment in a rate charged pending approval of a substituted rate.

Sec. 38. Minnesota Statutes 1984, section 72A.13, subdivision 1, is amended to read:

Subdivision 1. Any company, corporation, association, society, or other insurer, or any officer or agent thereof, which or who solicits, issues or delivers to any person in this state any policy in violation of the provisions of sections 4 or 62A.01 to 62A.10, may be punished by a fine of not more than \$100 for each offense, and the commissioner may revoke the license of any company, corporation, association, society, or other insurer of another state or country, or of the agent thereof, which or who willfully violates any provision of sections 4 or 62A.01 to 62A.10.

Sec. 39. [145.682] [CERTIFICATION OF EXPERT REVIEW; AFFIDAVIT.]

*Subdivision 1. [DEFINITION.] For purposes of this section, "health care provider" means a physician, surgeon, dentist, or other health care professional or hospital, including all persons or entities providing health care as defined in section 145.61, subdivisions 2 and 4, or a certified health care professional employed by or providing services as an independent contractor in a hospital.*

*Subd. 2. [REQUIREMENT.] In an action alleging malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider which includes a cause of action as to which expert testimony is necessary to establish a prima facie case, the plaintiff must: (1) unless otherwise provided in subdivision 3, paragraph (b), serve upon defendant with the summons and complaint an affidavit as provided in subdivision 3; and (2) serve upon defendant within 180 days after commencement of the suit an affidavit as provided by subdivision 4.*

*Subd. 3. [AFFIDAVIT OF EXPERT REVIEW.] The affidavit required by subdivision 2, clause (1), must be by the plaintiff's attorney and state that:*

*(a) the facts of the case have been reviewed by the plaintiff's attorney with an expert whose qualifications provide a reasonable expectation that the expert's opinions could be admissible at trial and that, in the opinion of this expert, one or more defendants deviated from the applicable standard of care and by that action caused injury to the plaintiff; or*

*(b) the expert review required by paragraph (a) could not reasonably be obtained before the action was commenced because of the applicable statute of limitations. If an affidavit is executed pursuant to this paragraph, the affidavit in paragraph (a) must be served on defendant or the defendant's counsel within 90 days after service of the summons and complaint.*

**Subd. 4. [IDENTIFICATION OF EXPERTS TO BE CALLED.]** *The affidavit required by subdivision 2, clause (2), must be by the plaintiff's attorney and state the identity of each person whom plaintiff expects to call as an expert witness at trial to testify with respect to the issues of malpractice or causation, the substance of the facts and opinions to which the expert is expected to testify, and a summary of the grounds for each opinion. Answers to interrogatories that state the information required by this subdivision satisfy the requirements of this subdivision if they are signed by the plaintiff's attorney and served upon the defendant within 180 days after commencement of the suit against the defendant.*

*The parties or the court for good cause shown, may by agreement, provide for extensions of the time limits specified in subdivision 2, 3, or this subdivision. Nothing in this subdivision may be construed to prevent either party from calling additional expert witnesses or substituting other expert witnesses.*

**Subd. 5. [RESPONSIBILITIES OF PLAINTIFF AS ATTORNEY.]** *If the plaintiff is acting pro se, the plaintiff shall sign the affidavit or answers to interrogatories referred to in this section and is bound by those provisions as if represented by an attorney.*

**Subd. 6. [PENALTY FOR NONCOMPLIANCE.]** *Failure to comply with subdivision 2, clause (1), within 60 days after demand for the affidavit results, upon motion, in mandatory dismissal with prejudice of each cause of action as to which expert testimony is necessary to establish a prima facie case.*

*Failure to comply with subdivision 2, clause (2), and subdivision 4 results, upon motion, in mandatory dismissal with prejudice of each cause of action as to which expert testimony is necessary to establish a prima facie case.*

**Subd. 7. [CONSEQUENCES OF SIGNING AFFIDAVIT.]** *The signature of the plaintiff or the plaintiff's attorney constitutes a certification that the person has read the affidavit or answers to interrogatories, and that to the best of the person's knowledge, information, and belief formed after a reasonable inquiry, it is true, accurate, and made in good faith. A certification made in violation of this subdivision subjects the attorney or plaintiff responsible for such conduct to reasonable attorney's fees, costs, and disbursements.*

Sec. 40. Minnesota Statutes 1984, section 245.814, is amended to read:

**245.814 [LIABILITY INSURANCE FOR (FOSTER PARENTS) LICENSED PROVIDERS.]**

*Subdivision 1.* [INSURANCE FOR FOSTER PARENTS.] The commissioner of human services shall within the appropriation provided purchase and provide insurance to foster parents to cover their liability for:

(1) injuries or property damage caused or sustained by foster children in their home; and

(2) actions arising out of alienation of affections sustained by the natural parents of a foster child.

Coverage shall apply to all foster boarding homes licensed by the department of human services, licensed by a federally recognized tribal government, or established by the juvenile court and certified by the commissioner of corrections pursuant to section 260.185, subdivision 1, clause (c) (5), to the extent that the liability is not covered by the provisions of the standard homeowner's or automobile insurance policy. The insurance shall not cover property owned by the foster parents, damage caused intentionally by a child over 12 years of age, or property damage arising out of business pursuits or the operation of any vehicle, machinery, or equipment.

*Subd. 2.* [LIABILITY INSURANCE; RISK POOL.] *If the commissioner determines that appropriate commercial liability insurance coverage is not available for a licensed foster home, group home, developmental achievement center, or day care provider, and that coverage available through the joint underwriting authority of the commissioner of commerce or other public entity is not appropriate for the provider or a class of providers, the commissioner of human services and the commissioner of commerce may jointly establish a risk pool to provide coverage for licensed providers out of premiums or fees paid by providers. The commissioners may set limits on coverage, establish premiums or fees, determine the proportionate share of each provider to be collected in a premium or fee based on the provider's claim experience and other factors the commissioners consider appropriate, establish eligibility and application requirements for coverage, and take other action necessary to accomplish the purposes of this subdivision. A human services risk pool fund is created for the purposes of this subdivision. Fees and premiums collected from providers for risk pool coverage are appropriated to the risk pool fund. Interest earned from the investment of money in the fund must be credited to the fund and money in the fund is appropriated to the commissioner of human services to pay administrative costs and covered claims for participating providers. In the event that money in the fund is insufficient to pay outstanding claims and associated administrative costs, the commissioner of human services may assess providers participating in the risk pool amounts sufficient to pay the costs. The commissioner of human services may not assess a provider an amount exceeding one year's premiums collected from that provider.*

**Sec. 41. [317.201] [UNPAID DIRECTORS OR TRUSTEES; LIABILITY FOR DAMAGES.]**

*A director or trustee of a nonprofit corporation or association who is not paid for services to the corporation or association is not individually liable for damages occasioned solely by reason of membership on or participation in board activities.*

Sec. 42. Minnesota Statutes 1984, section 398A.04, subdivision 6, is amended to read:

Subd. 6. [INSURANCE AND INDEMNITY.] (a) The authority shall be subject to tort liability to the extent provided in chapter 466 and may procure insurance against the liability, and may indemnify and purchase and maintain insurance on behalf of any of its commissioners, officers, employees, or agents, in connection with any threatened, pending, or completed action, suit, or proceeding, as provided in chapter 466, and to the same extent and in the same manner and with the same force and effect as provided in the case of a private corporation by section (300.082) *300.083*. It may also procure insurance against loss of or damage to property in the amounts, by reason of the risks, and from the insurers as it deems prudent.

(b) *A railroad leasing its tracks and right-of-way to a railroad authority created under this chapter and affiliated with a railroad museum is subject to tort liability only to the extent provided for municipalities in chapter 466 as to any claims arising out of fare-paying passenger operations carried on by the railroad authority primarily for the purpose of promoting tourism on tracks and right-of-way leased from the railroad.*

Sec. 43. Minnesota Statutes 1984, section 466.01, subdivision 1, is amended to read:

Subdivision 1. [MUNICIPALITY.] For the purposes of sections 466.01 to 466.15, "municipality" means any city, whether organized under home rule charter or otherwise, any county, town, public authority, public corporation, special district, school district, however organized, county agricultural society organized pursuant to chapter 38, *joint powers board or organization created under section 471.59 or other statute*, public library, regional public library system, multicounty multitype library system, or other political subdivision.

Subd. 4. [ACCUMULATIONS OF SNOW AND ICE.] Any claim based on snow or ice conditions on any highway, *public sidewalk that does not abut publicly-owned buildings and publicly-owned parking lots*, or other public place except when the condition is affirmatively caused by the negligent acts of the municipality.

Sec. 45. Minnesota Statutes 1984, section 466.03, is amended by adding a subdivision to read:

*Subd. 6d. [PARKS AND RECREATION AREAS.] Any claim based upon the construction, operation, or maintenance of any property owned or leased by the municipality that is intended or permitted to be used as a park, as a playground, as an open area for recreational purposes, or for the provision of recreational services, or from any claim based on the clearing of land, removal of refuse, and creation of trails or paths without artificial surfaces, if the claim arises from a loss incurred by a user of park and recreation property or services. Nothing in this subdivision limits the liability of a municipality for conduct that would entitle a trespasser to damages against a private person.*

Sec. 46. Minnesota Statutes 1984, section 466.03, is amended by adding a subdivision to read:

*Subd. 8. Any claim for a loss other than injury to or loss of property or personal injury or death.*

Subdivision 1. Actual notice of sufficient facts to reasonably put the governing body of the municipality or its insurer on notice of a possible claim shall be construed to comply with the notice requirements of this section. Failure to state the amount of compensation or other relief demanded does not invalidate the notice; but in such case, the claimant shall furnish full information regarding the nature and extent of the injuries and damages within 15 days after demand by the municipality. (NO ACTION THEREFOR SHALL BE MAINTAINED UNLESS SUCH NOTICE HAS BEEN GIVEN AND UNLESS THE ACTION IS COMMENCED WITHIN ONE YEAR AFTER SUCH NOTICE.) The time for giving such notice does not include the time, (NOT EXCEEDING 90 DAYS,) during which the person injured is incapacitated by the injury from giving the notice.

(SUBD. 2. [EXCEPTIONS TO THE NOTICE REQUIREMENT.] NOTICE SHALL NOT BE REQUIRED TO MAINTAIN AN ACTION FOR DAMAGES FOR OR ON ACCOUNT OF ANY LOSS OR INJURY WITHIN THE SCOPE OF SECTION 466.02 IF SUCH INJURY OR LOSS:)

(WHERE NO NOTICE OF CLAIM IS REQUIRED UNDER THIS CHAPTER, NO ACTION SHALL BE MAINTAINED UNLESS THE ACTION IS COMMENCED WITHIN TWO YEARS AFTER THE DATE OF THE INCIDENT, ACCIDENT OR TRANSACTION OUT OF WHICH THE CAUSE OF ACTION ARISES.)

Subd. (3) 2. [CLAIMS FOR WRONGFUL DEATH; NOTICE.] When the claim is one for death by wrongful act or omission, the notice may be presented by the personal representative, surviving spouse, or next of kin, or the consular officer of the foreign country of which the deceased was a citizen, within one year after the alleged injury or loss resulting in such death; if the person for whose death the claim is made has presented a notice that would have been sufficient had he lived an action for wrongful death may be brought without any additional notice.

Sec. 54. Minnesota Statutes 1984, section 466.07, is amended by adding a subdivision to read:

*Subd. 4. [PUNITIVE DAMAGES.] A municipality may not save harmless, indemnify or insure an officer or employee for punitive damages levied against the officer or employer. **541.051 [LIMITATION OF ACTION FOR DAMAGES BASED ON SERVICES OR CONSTRUCTION TO IMPROVE REAL PROPERTY.]**

Date of substantial completion shall be determined by the date when construction is sufficiently completed so that the owner or his representative can occupy or use the improvement for the intended purpose.

Nothing in this section shall apply to actions for damages resulting from negligence in the maintenance, operation or inspection of the real property improvement against the owner or other person in possession.

Subd. 2. Notwithstanding the provisions of subdivision 1, in the case of an action which accrues during the (14TH) *ninth* or (15TH) *tenth* year after substantial completion of the construction, an action to recover damages may be brought within two years after the date on which the action accrued, but in no event may an action be brought more than (17) *twelve* years after substantial completion of the construction.

Subd. 3. Nothing in this section shall be construed as extending the period prescribed by the laws of this state for the bringing of any action.

Subd. 4. This section shall not apply to actions based on breach of the statutory warranties set forth in section 327A.02, or to actions based on breach of an express written warranty, provided such actions shall be brought within two years of the discovery of the breach.

Sec. 58. [541.052] [LIMITATION OF ACTIONS FOR DAMAGES BASED ON ERRORS IN LAND SURVEYS.]

*Subdivision 1. *Subd. 2. Notwithstanding the provisions of subdivision 1, in the case of action which occurs during the ninth or tenth year after the date of the survey, an action to recover damages may be brought within two years after the date on which the action occurred, but in no event may an action be brought more than twelve years after the date of the survey.*

Sec. 59. Minnesota Statutes 1984, section 541.15, is amended to read:

541.15 [PERIODS OF DISABILITY NOT COUNTED.]

(a) *Except as provided in paragraph (b), any of the following grounds of disability, existing at the time when a cause of action accrued or arising anytime during the period of limitation, shall suspend the running of the period of limitation until the same is removed; provided that such period, except in the case of infancy, shall not be extended for more than five years, nor in any case for more than one year after the disability ceases:*

- (1) That the plaintiff is within the age of 18 years;
- (2) His insanity;
- (3) His imprisonment on a criminal charge, or under a sentence of a criminal court for a term less than his natural life;
- (4) Is an alien and the subject or citizen of a country at war with the United States;
- (5) When the beginning of the action is stayed by injunction or by statutory prohibition.

If two or more disabilities shall coexist, the suspension shall continue until all are removed.

(b) *In actions alleging malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider, the ground of disability specified in paragraph (a),*

*clause (1), suspends the period of limitation until the disability is removed. The suspension may not be extended for more than eight years.*

*For purposes of this paragraph, health care provider means a physician, surgeon, dentist, or other health care professional or hospital, including all persons or entities providing health care as defined in section 145.61, subdivisions 2 and 4, or a certified health care professional employed by or providing services as an independent contractor in a hospital.*

**Sec. 60. [548.36] [COLLATERAL SOURCE CALCULATIONS.]**

*Subdivision 1. [DEFINITION.] For purposes of this section, "collateral sources" means payments related to the injury or disability in question made to the plaintiff, or on the plaintiff's behalf up to the date of the verdict, by or pursuant to:*

*(1) a federal, state, or local income disability or workers' compensation act; or other public program providing medical expenses, disability payments, or similar benefits;*

*(2) health, accident and sickness, or automobile accident insurance or liability insurance that provides health benefits or income disability coverage; except life insurance benefits available to the plaintiff, whether purchased by the plaintiff or provided by others, and payments made pursuant to the United States Social Security Act, a pension, or other income disability coverage;*

*(3) a contract or agreement of a group, organization, partnership, or corporation to provide, pay for, or reimburse the costs of hospital, medical, dental or other health care services; or*

*(4) a contractual or voluntary wage continuation plan provided by employers or any other system intended to provide wages during a period of disability.*

*Subd. 2. [MOTION.] In a civil action, whether based on contract or tort, when liability is admitted or is determined by the trier of fact, and when damages include an award to compensate the plaintiff for losses available to the date of the verdict by collateral sources, a party may file a motion within ten days of the date of entry of the verdict requesting determination of collateral sources. If the motion is filed, the parties shall submit written evidence of, and the court shall determine:*

*(1) amounts of collateral sources that have been paid for the benefit of the plaintiff or are otherwise available to the plaintiff as a result of losses except those for which a subrogation right has been asserted; and*

(2) amounts that have been paid, contributed, or forfeited by, or on behalf of, the plaintiff or members of the plaintiff's immediate family for the two-year period immediately before the accrual of the action to secure the right to a collateral source benefit that the plaintiff is receiving as a result of losses.

*Subd. 3. [DUTIES OF THE COURT.] (a) The court shall reduce the award by the amounts determined under subdivision 2, clause (1), and offset any reduction in the award by the amounts determined under subdivision 2, clause (2).*

*(b) If the court cannot determine the amounts specified in paragraph (a) from the written evidence submitted, the court may within ten days request additional written evidence or schedule a conference with the parties to obtain further evidence.*

*Subd. 4. [CALCULATION OF ATTORNEYS' FEES.] If the fees for legal services provided to the plaintiff are based on a percentage of the amount of money awarded to the plaintiff, the percentage must be based on the amount of the award as adjusted under subdivision 3. Any subrogated provider of a collateral source not separately represented by counsel shall pay the same percentage of attorneys' fees as paid by the plaintiff and shall pay its proportionate share of the costs.*

*Subd. 5. [JURY NOT INFORMED OF COLLATERAL SOURCES.] The jury shall not be informed of the existence of collateral sources or any future benefits which may or may not be payable to the plaintiff.*

Sec. 61. Minnesota Statutes 1984, section 549.09, subdivision 1, is amended to read:

*Subdivision 1. [WHEN OWED; RATE.] (a) When the judgment is for the recovery of money, including a judgment for the recovery of taxes, interest from the time of the verdict or report until judgment is finally entered shall be computed by the clerk as provided in clause (c) and added to the judgment. (b) Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest on pecuniary damages shall be computed as provided in clause (c) from the time of the commencement of the action, or the time of a written demand, whichever occurs first, except as provided herein. If either party serves a written offer of settlement, the other party may serve a written acceptance or a written counter-offer within 60 days. After that time interest on the judgment shall be calculated by the judge in the following manner. The prevailing party shall receive interest on any judgment from the time the action was commenced or a written demand was made, or as to special damages from the time when special damages were incurred, if later (THAN COMMENCEMENT OF THE ACTION), until the time of verdict or report only if the amount of its offer is closer to the judgment*

than the amount of the opposing party's offer. If the amount of the losing party's offer was closer to the judgment than the prevailing party's offer, the prevailing party shall receive interest only on the amount of the settlement offer or the judgment, whichever is less, and only from the time the action was commenced or a written demand was made, or as to special damages from when the special damages were incurred, if later (THAN COMMENCEMENT OF THE ACTION), until the time the settlement offer was made. *Subsequent offers and counteroffers supersede the legal effect of earlier offers and counteroffers. For the purposes of clause (3), the amount of settlement offer must be allocated between past and future damages in the same proportion as determined by the trier of fact.* Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest shall not be awarded on the following:

(1) judgments, awards, or benefits in workers' compensation cases, but not including third-party actions;

(2) judgments, decrees, or orders in dissolution, annulment, or legal separation actions;

(3) *judgments for future damages;*

(4) punitive damages, fines, or other damages that are non-compensatory in nature;

((4)) (5) judgments not in excess of the amount specified in section 487.30; and

((5)) (6) that portion of any verdict or report which is founded upon interest, or costs, disbursements, attorney fees, or other similar items added by the court. (c) The interest shall be computed as simple interest per annum. The rate of interest shall be based on the secondary market yield of one year United States treasury bills, calculated on a bank discount basis as provided in this section.

On or before the 20th day of December of each year the state court administrator shall determine the rate from the secondary market yield on one year United States treasury bills for the most recent calendar month, reported on a monthly basis in the latest statistical release of the board of governors of the federal reserve system. This yield, rounded to the nearest one percent, shall be the annual interest rate during the succeeding calendar year; provided, however, that in no event shall the rate of interest be less than eight percent per annum. *The state court administrator shall also determine the average rate of interest on judgments to be used during the succeeding calendar year for computation of the discount rate under section 66, subdivision 4, clause (1).* The state court administrator shall communicate the interest

(RATE) rates to the clerks of court for (THEIR) use in computing the interest on verdicts *and the discount rate under section 66.*

Sec. 62. Minnesota Statutes 1984, section 549.20, subdivision 1, is amended to read:

Subdivision 1. Punitive damages (SHALL BE ALLOWED) *are not allowable* in civil actions (ONLY UPON CLEAR AND CONVINCING EVIDENCE THAT THE ACTS OF THE DEFENDANT SHOW A WILLFUL INDIFFERENCE TO THE RIGHTS OR SAFETY OF OTHERS).

Sec. 63. Minnesota Statutes 1984, section 549.21, is amended to read:

549.21 [REIMBURSEMENT FOR CERTAIN COSTS IN CIVIL ACTIONS.]

Upon motion of a party, the court in its discretion may award to that party costs, disbursements, reasonable attorney fees and witness fees if the party or attorney against whom costs, disbursements, reasonable attorney and witness fees are charged acted in bad faith; asserted a claim or defense (KNOWING IT TO BE) *that is frivolous and that is costly to the other party*; asserted an unfounded position solely to delay the ordinary course of the proceedings or to harass; or committed a fraud upon the court. (TO QUALIFY FOR AN AWARD UNDER THIS SECTION, A PARTY SHALL GIVE TIMELY NOTICE OF INTENT TO CLAIM AN AWARD.) An award under this section shall be without prejudice and as an alternative to any claim for sanctions that may be asserted under the rules of civil procedure. Nothing herein shall authorize the award of costs, disbursements or fees against a party or attorney advancing a claim or defense unwarranted under existing law, if it is supported by a good faith argument for an extension, modification, or reversal of the existing law.

Sec. 64. [549.23] [NONECONOMIC LOSSES; LIMITATIONS.]

Subdivision 1. [DEFINITION.] *For purposes of this section, "noneconomic loss" means all nonpecuniary harm for which damages are recoverable, including but not limited to pain, disability, disfigurement, embarrassment, emotional distress, and loss of consortium.*

Subd. 2. [LIMITATION.] *In civil actions, whether based on contract or tort, the amount of damages per person for noneconomic losses may not exceed \$500,000.*

Sec. 65. Minnesota Statutes 1984, section 595.02, is amended by adding a subdivision to read:

*Subd. 4. [WAIVER OF PRIVILEGE FOR HEALTH CARE PROVIDERS.] A party who commences an action for malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider on the person's own behalf or in a representative capacity, waives in that action any privilege existing under subdivision 1, paragraphs (d) and (g), as to any information or opinion in the possession of a health care provider who has examined or cared for the party or other person whose health or medical condition has been placed in controversy in the action. This waiver must permit all parties to the action, and their attorneys or authorized representatives, to informally discuss the information or opinion with the health care provider if the provider consents. Prior to an informal discussion with a health care provider, the defendant must mail written notice to the other party at least 15 days before the discussion. The plaintiff's attorney or authorized representative must have the opportunity to be present at any informal discussion. Appropriate medical authorizations permitting discussion must be provided by the party commencing the action upon request from any other party.*

*A health care provider may refuse to consent to the discussion but, in that event, the party seeking the information or opinion may take the deposition of the health care provider with respect to that information and opinion, without obtaining a prior court order.*

*For purposes of this subdivision, "health care provider" means a physician, surgeon, dentist, or other health care professional or hospital, including all persons or entities providing health care as defined in section 145.61, subdivisions 2 and 4, or a certified health care professional employed by or providing services as an independent contractor in a hospital.*

Sec. 66. Minnesota Statutes 1984, section 604.02, subdivision 1, is amended to read:

*Subdivision 1. When two or more persons are (JOINTLY) liable in an action for death or injury to a person or injury to property, (CONTRIBUTIONS TO AWARDS SHALL BE) each person is severally liable in proportion to the percentage of fault attributable to (EACH, EXCEPT THAT EACH IS JOINTLY AND SEVERALLY LIABLE FOR THE WHOLE AWARD) that person. The principle of joint and several liability for the whole award is abolished.*

(c) *"Future damages" means all damages which the trier of fact finds will accrue after the damage findings are made.*

(e) *"Past damages" means all damages that have accrued when the damage findings are made.*

Subd. 2. [DISCOUNT REQUIRED.] *In all actions seeking damages for personal injury, wrongful death, or loss of means of support, awards of all future damages, including economic and noneconomic loss, reasonably certain to occur must be discounted to present value as provided in this section.*

Subd. 3. [FUTURE DAMAGES; EVIDENCE.] *The amount of all future damages, including economic and noneconomic loss reasonably certain to occur, must be ascertained at the time of trial without reference to projected inflationary or noninflationary changes. Evidence of noninflationary changes in earnings or earning capacity that are reasonably certain to occur are admissible, but this evidence is limited to the present value of the future changes without regard to inflationary changes. Projected increases in earnings or earning capacity dependent upon general economic statistics are not admissible.*

Subd. 4. [DISCOUNT RATE.] *The award calculated under subdivision 3 must be reduced to present value at the time of trial by application of a discount rate equal to:*

(1) *the average rate of interest on judgments under section 549.09 for the five calendar years immediately preceding the commencement of trial, rounded to the nearest one-tenth, less*

(2) *the average increase in the Consumer Price Index for all Urban Consumers, all items, as published by the U. S. Depart-*

*ment of Labor, Bureau of Labor Statistics, rounded to the nearest one-tenth, for the same five-year period. If the Labor Department statistics are not published by the time of trial, the court shall employ the average increase over the most recent five-year period available in the published statistics.*

*In no instance may the discount rate fall below two percent or rise above six percent.*

Sec. 69. [REPEALER.]

*Minnesota Statutes 1984, sections 70A.06, subdivision 4; 549.20, subdivisions 2 and 3, are repealed.*

"Section 1. Minnesota Statutes 1985 Supplement, section 3-736, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] The state will pay compensation for injury to or loss of property or personal injury or death caused by an act or omission of any employee of the state while acting within the scope of his office or employment or peace officer who is not acting on behalf of a private employer and who is acting in good faith pursuant to section 629.40, subdivision 3, under circumstances where the state, if a private person, would be liable to the claimant, *whether arising out of a governmental or proprietary function*. Nothing in this section waives the defense of judicial or legislative immunity except to the extent provided in subdivision 8.

Sec. 2. Minnesota Statutes 1985 Supplement, section 3.736, subdivision 3, is amended to read:

Subd. 3. [EXCLUSIONS.] Without intent to preclude the courts from finding additional cases where the state and its employees should not, in equity and good conscience, pay compensation for personal injuries or property losses, the legislature declares that the state and its employees are not liable for the following losses:

(a) Any loss caused by an act or omission of a state employee exercising due care in the execution of a valid or invalid statute or regulation;

(b) Any loss caused by the performance or failure to perform a discretionary duty, whether or not the discretion is abused;

(c) Any loss in connection with the assessment and collection of taxes;

(d) Any loss caused by snow or ice conditions on any highway (OR OTHER PUBLIC PLACE) or *public sidewalk that does not abut a publicly-owned building or a publicly-owned parking lot*, except when the condition is affirmatively caused by the negligent acts of a state employee;

(e) Any loss caused by wild animals in their natural state;

(f) Any loss other than injury to or loss of property or personal injury or death;

(g) Any loss caused by the condition of unimproved real property owned by the state, which means land that the state has not improved, and appurtenances, fixtures and attachments to land that the state has neither affixed nor improved;

(h) Any loss incurred by a user within the boundaries of the outdoor recreation system and arising from the construction, operation, or maintenance of the system, as defined in section 86A.04, or from the clearing of land, removal of refuse, and creation of trails or paths without artificial surfaces, or from the construction, operation, or maintenance of a water access site created by the iron range resources and rehabilitation board, except that the state is liable for conduct that would entitle a trespasser to damages against a private person.

(i) Any loss of benefits or compensation due under a program of public assistance or public welfare, except where state compensation for loss is expressly required by federal law in order for the state to receive federal grants-in-aid;

(j) Any loss based on the failure of any person to meet the standards needed for a license, permit, or other authorization issued by the state or its agents;

(k) Any loss based on the usual care and treatment, or lack of care and treatment, of any person at a state hospital or state corrections facility where reasonable use of available appropriations has been made to provide care;

(l) Any loss, damage, or destruction of property of a patient or inmate of a state institution;

(m) Any loss for which recovery is prohibited by section 169.121, subdivision 9.

The state will not pay punitive damages.

### Sec. 3. [16B.85] [RISK MANAGEMENT.]

*Subdivision 1. [ALTERNATIVES TO CONVENTIONAL INSURANCE.] In the event that the state is unable to obtain certain types of insurance, or the commissioner determines insurance to be unreasonably costly, the commissioner may implement alternatives to the purchase of conventional insurance. A mechanism for implementing possible alternatives to conventional insurance is the risk management fund created in subdivision 2.*

*Subd. 2. [RISK MANAGEMENT FUND.] A state risk management fund is created. All state agencies which have had or may have casualty claims against them with respect to the risks for which the commissioner has implemented conventional insurance alternatives shall contribute to the fund a portion of the money appropriated to them. The commissioner shall determine the proportionate share of each agency on the basis of the agency's casualty claim experience as compared to other affected agencies. The money in the fund to pay casualty claims arising from state activities and for administrative costs, including costs for the adjustment and defense of the claims, is appropriated to the commissioner. Interest earned from the investment of money in the fund shall be credited to the fund and be available to the commissioner for the expenditures authorized in this subdivision. The fund is exempt from the provisions of section 16A.15, subdivision 1. In the event that proceeds in the fund are insufficient to pay outstanding claims and associated administrative costs, the commissioner, in consultation with the commissioner of finance, may assess state agencies participating in the fund amounts sufficient to pay the costs. The commissioner shall determine the proportionate share of the assessment of each agency on the basis of the agency's casualty claim experience as compared to other affected agencies.*

Sec. 4. Minnesota Statutes 1984, section 60A.06, is amended by adding a subdivision to read:

*Subd. 3. Unless specifically authorized by section 60A.06, subdivision 1, clause (4), it is unlawful to combine in one policy coverage permitted by section 60A.06, subdivision 1, clauses (4) and (5)(a). This subdivision does not prohibit the simultaneous sale of these products, but the sale must involve two separate and distinct policies. This subdivision does not apply to group policies.*

Sec. 5. Minnesota Statutes 1985 Supplement, section 60A.10, subdivision 1, is amended to read:

Subdivision 1. [DOMESTIC COMPANIES.] (1) [DEPOSIT AS SECURITY FOR ALL POLICYHOLDERS REQUIRED.] No company in this state, other than farmers' mutual, or real estate title insurance companies, shall do business in this state unless it has on deposit with the commissioner, for the protection of both its resident and nonresident policyholders, securities to an amount, the actual market value of which, exclusive of interest, shall never be less than \$200,000 until July 1, 1986, \$300,000 until July 1, 1987, \$400,000 until July 1, 1988, and \$500,000 on and after July 1, 1988 or one-half the applicable financial requirement set forth in section 60A.07, whichever is less. The securities shall be retained under the control of the commissioner as long as any policies of the depositing company remain in force.

(2) [SECURITIES DEFINED.] For the purpose of this subdivision, the word "securities" means bonds or other obligations of, or bonds or other obligations insured or guaranteed by, the United States, any state of the United States, any municipality of this state, or any agency or instrumentality of the foregoing.

(3) [PROTECTION OF DEPOSIT FROM LEVY.] No judgment creditor or other claimant may levy upon any securities held on deposit with, or for the account of, the commissioner. Upon the entry of an order by a court of competent jurisdiction for the rehabilitation, liquidation or conservation of any depositing company as provided in chapter 60B, that company's deposit together with any accrued income thereon shall be transferred to the commissioner as rehabilitator, liquidator, or conservator.

Sec. 6. Minnesota Statutes 1984, section 60A.13, is amended by adding a subdivision to read:

*Subd. 8. [ANNUAL REPORTS.] Each insurer licensed to write property and casualty insurance in this state, as a supplement to the annual statement required by this section, shall submit a report on a form furnished by the commissioner sepa-*

rately showing its direct writings in Minnesota and in the United States on: liquor liability, product liability, medical malpractice, and any other line so designated by the commissioner on January 1 of each year.

This report is due by the first of May of each year and the report due May 1, 1987 must cover the last six months of 1986. The commissioner shall annually compile and review all reports

*submitted by insurers pursuant to this section. These filings must be published and made available to any interested insured or citizen.*

Sec. 7. Minnesota Statutes 1984, section 60A.25, is amended to read:

60A.25 [INSOLVENT COMPANIES (, NOTIFICATION OF POLICYHOLDERS).]

*Subdivision 1. [NOTIFICATION OF POLICYHOLDERS.] Whenever any foreign or domestic insurance company authorized to transact the business of insurance in Minnesota is adjudicated insolvent, or whenever its policies are declared null and void by court order, the commissioner of commerce shall ascertain the names and last known addresses of all Minnesota policyholders of said company, and shall notify all Minnesota policyholders within 30 days of such adjudication or court order. In the case of foreign insurers authorized to do business in this state, the commissioner of commerce may elect to notify all of the company's licensed agents in Minnesota with a directive that the agents notify all insureds of the company's insolvency or that its policies have been declared null and void.*

*Subd. 2. [REMITTANCE OF PREMIUMS.] Every agency contract written by an insurance company writing property and casualty insurance in Minnesota shall contain or be construed to contain the following provision: "Notwithstanding any other provision of this contract, the obligation of the agent to remit written premiums to the company shall be changed upon the commencement of any administrative or legal proceeding by any state against the carrier regarding its financial condition. After the commencement of the proceedings, the obligation of the agent to remit premiums shall be confined to the premiums earned before the commencement of the proceedings. The agent shall not owe or remit to the company or to the liquidator or receiver any premiums that are unearned as of the date of the commencement of the delinquency proceedings, and any unearned premiums in the possession of the agent on the date shall be returned promptly by the agent to the insured or, with the approval of the insured, be used to purchase new coverage for the insured with a different insurer."*

Sec. 8. [60A.29] [NONPROFIT RISK INDEMNIFICATION TRUST ACT.]

*Subdivision 1. [TITLE.] This section may be cited as the "nonprofit risk indemnification trust act."*

*Subd. 2. [PURPOSE.] The purpose of this section is to authorize the establishment of trust funds for the purpose of indemnifying nonprofit beneficiary organizations and their*

*officers, directors, and agents for financial loss due to the imposition of legal liability, and to regulate the operation of trust funds established under this section.*

*Subd. 3. [APPROVAL OF COMMISSIONER.] No trust fund with the purpose of indemnifying multiple nonprofit beneficiary organizations shall be established without the prior approval of the commissioner of the department of commerce. The commissioner shall withhold approval of any trust fund that fails to comply with the provisions and requirements of this section.*

*Subd. 4. [ELIGIBLE BENEFICIARIES.] No organization, corporation, agency, or program shall be a beneficiary of any trust fund established under this section unless it is exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1954, as amended through December 30, 1985. No trust fund established under this section shall agree to indemnify the state of Minnesota, any political subdivision of the state, or any hospital licensed pursuant to section 144.55. No trust fund established under this section shall indemnify any beneficiary for loss or damage to property permanently located outside the boundaries of this state or for legal liabilities arising from operations or activities occurring outside this state, except where those operations or activities are of a nonroutine nature; provided, however, that this restriction shall not apply to a beneficiary which is incorporated under the laws of this state and has its principal office located in this state.*

*Subd. 5. [INELIGIBLE RISKS.] No trust fund established under this section shall indemnify any beneficiary for property loss, liabilities incurred under the workers' compensation act, or for benefits provided to employees pursuant to any medical, dental, life, or disability income protection plan.*

*Subd. 6. [BENEFIT SCHEDULES.] Every trust fund established under this section shall establish in its bylaws or plan of operation a schedule of benefits, to be approved by the commissioner, governing the indemnification of beneficiaries of the trust. The schedule of benefits shall include all conditions, limitations, and exclusions relevant to indemnification.*

*Subd. 7. [INDEMNIFICATION AGREEMENTS.] Every trust fund established under this section shall provide each of its beneficiaries with a written indemnification agreement specifying the rights and obligations of the trust fund and the beneficiary under the agreement. Each form of indemnification agreement shall be filed with and approved by the commissioner.*

*Subd. 8. [CONTRIBUTIONS.] The trust fund shall establish contributions required of beneficiaries necessary to fund*

*the operations of the fund. All contribution schedules shall be filed with and approved by the commissioner prior to use. Contributions must be based on sound actuarial principles and be adequate to fund the operation of the trust fund. Contributions may not be excessive, in relation to the benefits provided, or unfairly discriminatory.*

*Subd. 9. [MULTIPLE TRUST AGREEMENTS PROHIBITED.] No trust fund established under this section shall enter into an agreement with any other trust fund whereby the risks assumed by each are pooled or shared.*

*Subd. 10. [BOARD OF TRUSTEES.] Every trust fund established under this section shall be governed by a board of no fewer than five trustees. The initial trustees need not be appointed or elected by the beneficiaries of the trust fund. During the second year following the creation of an authorized trust fund, at least one-fourth of all its trustees in office shall have been elected or appointed by the beneficiaries. After the end of the second year following the creation of an authorized trust fund, a majority of all trustees in office shall have been elected or appointed by the beneficiaries. All trustees serving during the first two years following the creation of an authorized trust fund shall be elected or appointed for one-year terms. All trustees serving thereafter shall be elected or appointed for two-year terms, provided that the trustees may be elected or appointed for one-year terms to the extent necessary in order to create staggered terms. Any trustee may be removed at any time, with or without cause, by a majority vote of the beneficiaries. The board of trustees shall meet no fewer than four times each year.*

*Subd. 11. [TRUSTEES; COMPENSATION.] No trustee shall be paid a salary or receive other compensation for service as a trustee, except that the bylaws or plan of operation may provide for reimbursement for actual expenses incurred on behalf of the trust fund and for the payment of a reasonable per diem amount for attendance at meetings of the board.*

*Subd. 12. [BYLAWS; PLAN OF OPERATION.] The trustees of each trust fund authorized under this section shall cause to be adopted a set of bylaws or plan of operation which shall govern the operation of the trust fund. All bylaws or plans of operation or amendments to them are subject to prior approval by the commissioner. The commissioner shall adopt rules governing the content and approval of bylaws or plans of operation.*

*Subd. 13. [FINANCIAL STATEMENT; REPORT ON OPERATIONS.] Every trust fund authorized under this section shall, by June 1 of every year, file with the commissioner a financial statement for the previous year's operations. The financial statement must include the opinion of a certified public*

*accountant that the statement was prepared in conformity with generally accepted accounting principles. Also by June 1 of every year, every trust fund must file with the commissioner, on forms provided by the department, a report summarizing the trust fund's operations during the previous year.*

*Subd. 14. [FINANCIAL STANDARDS.] Every authorized trust fund shall have and maintain financial assets sufficient to satisfy all current and future financial obligations and responsibilities to beneficiaries. The commissioner shall adopt rules establishing minimum financial standards for authorized trust funds.*

*Subd. 15. [CONTRACTS; FEES.] Authorized trust funds may enter into contracts with risk management service providers, actuarial consultants, or other vendors as are necessary to ensure the effective and efficient operation of the trust fund. Fees paid to vendors for services provided must not be excessive.*

*Subd. 16. [REINSURANCE.] Authorized trust funds may insure or reinsure their obligations and liabilities with insurance companies authorized to do business in Minnesota, pursuant to section 60A.06, or with companies similarly authorized in any other state of the United States.*

*Subd. 17. [INTERBENEFICIARY CAUSE OF ACTION.] No beneficiary shall have any cause of action against any other beneficiary arising solely out of the insolvency or inability of the trust fund to meet its obligations.*

*Subd. 18. [EXAMINATION.] The commissioner may examine authorized trust funds to the same extent and with the same purpose as is provided, with respect to insurance companies, by section 60A.031.*

*Subd. 19. [SECURITY DEPOSIT.] As a condition of authorization, every trust fund shall deposit with the commissioner an acceptable security of a value equal to not less than \$500,000. In the event that a trust fund fails to honor the obligations assumed by it under trust agreements issued to its beneficiaries, use of the security deposit shall revert to the commissioner for the purposes of executing the trust fund's obligations to its beneficiaries. The commissioner shall adopt rules governing the amount of security required and the acceptable forms of security.*

*Subd. 20. [RULES.] The commissioner may adopt rules to enforce and administer the requirements of this section.*

*Subd. 21. [TRUST FUNDS NOT SUBJECT TO INSURANCE REGULATIONS.] Trust funds established under this section shall not be considered insurance companies or to be in*

*the business of insurance nor shall they be subject to regulation by the commissioner, except as provided for in this section.*

Sec. 9. Minnesota Statutes 1984, section 62A.02, subdivision 2, is amended to read:

Subd. 2. [APPROVAL.] No such policy shall be issued, nor shall any application, rider, or endorsement be used in connection therewith, until the expiration of (30) 60 days after it has been so filed unless the commissioner shall sooner give his written approval thereto.

Sec. 10. Minnesota Statutes 1984, section 62A.02, subdivision 3, is amended to read:

Subd. 3. [DISAPPROVAL.] The commissioner shall, within (30) 60 days after the filing of any form, disapprove the form:

(1) if the benefits provided therein are unreasonable in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the policy; or

(3) If the proposed premium rate is excessive because the insurer has failed to exercise reasonable cost control.

For the purposes of clause (1), the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. For the purposes of this subdivision, "anticipated loss ratio" means the ratio at the time of form filing or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the premium charged. (THE COMMISSIONER MAY UNTIL DECEMBER 31, 1978, EXERCISE EMERGENCY POWER FOR THE PURPOSE OF IMPLEMENTING THE MINIMUM ANTICIPATED LOSS RATIO REQUIREMENT, AND FOR THIS PURPOSE MAY ADOPT EMERGENCY RULES AS PROVIDED IN SECTIONS 14.29 TO 14.36. NOTWITHSTANDING THE EXPIRATION OF THE

**COMMISSIONER'S EMERGENCY POWER, ANY EMERGENCY RULE ADOPTED BY HIM PRIOR TO THE EXPIRATION OF HIS EMERGENCY POWER MAY REMAIN EFFECTIVE FOR THE PERIODS AUTHORIZED IN SECTIONS 14.29 TO 14.36.)**

If the commissioner notifies an insurer which has filed any form that the form does not comply with the provisions of this section or sections 62A.03 to 62A.05 and section 72A.20, it shall be unlawful thereafter for the insurer to issue the form or use it in connection with any policy. In the notice the commissioner shall specify the reasons for his disapproval and state that a hearing will be granted within 20 days after request in writing by the insurer.

Sec. 11. Minnesota Statutes 1984, section 62B.07, subdivision 2, is amended to read:

Subd. 2. The commissioner shall within (30) 60 days after the filing of policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders, disapprove any such form if the premium rates charged or to be charged are excessive in relation to benefits, or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the coverage, or are contrary to any provision of the insurance laws or of any rule or regulation promulgated thereunder. In order to determine whether the premium to be charged under a particular policy form submitted by an insurer is excessive in relation to benefits, and to facilitate the submission and approval of policy forms and premium rates to be used in connection therewith, the commissioner shall give full consideration to and make reasonable allowances for underwriting expenses including, but not limited to, claim adjustment expenses, general administrative expenses including costs for handling return premiums, compensation to agents, expense allowances to creditors, if any, branch and field expenses and other acquisition costs, the types of policies actually issued and authorized as defined in section 62B.03, (1), (2), (3) and (4), and any and all other factors and trends demonstrated to be relevant. An insurer may support these factors by statistical information, experience, actuarial computations, and/or estimates certified by an executive officer of the insurer, and the commissioner shall give due consideration to such supporting data.

Sec. 12. Minnesota Statutes 1984, section 62B.07, subdivision 3, is amended to read:

Subd. 3. If the commissioner notifies the insurer that the form is disapproved, it is unlawful thereafter for the insurer to issue or use it. In his notice, the commissioner shall specify the reason for his disapproval and state that a hearing will be granted within 20 days after a request in writing by the insurer.

No policy, certificate of insurance, notice of proposed insurance, nor any application, endorsement or rider, shall be issued or used until the expiration of (30) 60 days after it has been filed, unless the commissioner gives his prior written approval thereto.

Sec. 13. Minnesota Statutes 1984, section 62C.14, subdivision 10, is amended to read:

Subd. 10. Except as otherwise provided in subdivision 9, all forms received by the commissioner shall be deemed filed (30) 60 days after received unless disapproved by order transmitted to the corporation stating that the form used in a specified respect is contrary to law, contains a provision or provisions which are unfair, inequitable, misleading, inconsistent or ambiguous, or is in part illegible. It shall be unlawful to issue or use a document disapproved by the commissioner.

Sec. 14. Minnesota Statutes 1984, section 62E.14, is amended by adding a subdivision to read:

*Subd. 4. Notwithstanding the above, any Minnesota resident holder of a policy or certificate of medicare supplement coverages pursuant to sections 62A.32 to 62A.35, or medicare supplement plans previously approved by the commissioner, may enroll in the comprehensive health insurance plan as described in section 62E.07, with a waiver of the preexisting condition as described in subdivision 3, without interruption in coverage, provided, the policy or certificate has been terminated by the insurer for reasons other than nonpayment of premium and, provided further, that the option to enroll in the plan is exercised within 30 days of termination of the existing contract.*

*Coverage in the state plan for purposes of this section shall be effective on the date of termination upon completion of the proper application and payment of the required premium. The application must include evidence of termination of the existing policy or certificate.*

Sec. 15. Minnesota Statutes 1984, section 62F.01, is amended to read:

**62F.01 [CITATION (; EXPIRATION DATE).]**

(SUBDIVISION 1.) Sections 62F.01 to 62F.14 may be cited as the "(TEMPORARY) Joint Underwriting Association Act."

(SUBD. 2. SECTIONS 62F.01 TO 62F.14 EXPIRE SEPTEMBER 1, 1988.)

Sec. 16. Minnesota Statutes 1984, section 62F.02, subdivision 1, is amended to read:

Subdivision 1. [CREATION.] There is created a (TEMPORARY) joint underwriting association to provide medical malpractice insurance coverage to any licensed health care provider unable to obtain this insurance through ordinary methods. Every insurer authorized to write and writing personal injury liability insurance in this state shall be a member of the association as a condition to obtaining and retaining a license to write insurance in this state.

Sec. 17. Minnesota Statutes 1984, section 62F.03, subdivision 2, is amended to read:

Subd. 2. "Association" means the (TEMPORARY) joint underwriting association.

Sec. 18. Minnesota Statutes 1984, section 62F.04, is amended by adding a subdivision to read:

*Subd. 1a. [REAUTHORIZATION.] The authorization to issue insurance is valid for a period of two years from the date it was made. The commissioner may reauthorize the issuance of insurance for additional two-year periods under the terms of subdivision 1. This subdivision is not a limitation on the number of times the commissioner may reauthorize the issuance of insurance.*

Sec. 19. Minnesota Statutes 1984, section 62G.16, subdivision 9, is amended to read:

Subd. 9. All forms received by the commissioner shall be deemed filed (30) 60 days after received unless disapproved by order transmitted to the legal service plan corporation stating that the form used in a specified respect is contrary to law, contains a provision or provisions which are unfair, inequitable, misleading, inconsistent or ambiguous, or is in part illegible. It shall be unlawful to issue or use a document disapproved by the commissioner.

Sec. 20. [62I.01] [CITATION.]

*Sections 20 to 41 may be cited as the Minnesota joint underwriting association act.*

Sec. 21. [62I.02] [MINNESOTA JOINT UNDERWRITING ASSOCIATION.]

*Subdivision 1. [CREATION.] The Minnesota joint underwriting association is created to provide insurance coverage to any person or entity unable to obtain insurance through ordinary methods if the insurance is required by statute, ordinance, or otherwise required by law, or is necessary to earn a livelihood or*

conduct a business and serves a public purpose. Prudent business practice or mere desire to have insurance coverage is not a sufficient standard for the association to offer insurance coverage to a person or entity. The association shall be specifically authorized to provide insurance coverage to day care providers, foster parents, foster homes, developmental achievement centers, group homes, and sheltered workshops for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383. Because the activities of certain persons or entities present a risk that is so great, the association shall not offer insurance coverage to any person or entity the board of directors of the association determines is outside the intended scope and purpose of the association because of the gravity of the risk of offering insurance coverage. The association shall not offer environmental impairment liability or product liability insurance, or coverage for activities that are conducted substantially outside the state of Minnesota unless the insurance is required by statute, ordinance, or otherwise required by law. Every insurer authorized to write property and casualty insurance in this state shall be a member of the association as a condition to obtaining and retaining a license to write insurance in this state.

**Subd. 2. [DIRECTOR.]** The association shall have a board of directors composed of 11 persons chosen annually as follows: five persons elected by members of the association at a meeting called by the commissioner; three public members, as defined in section 214.02, appointed by the commissioner; and three members, appointed by the commissioner representing groups to whom coverage has been extended by the association. If at any time no coverage is currently extended by the association, then either additional public members may be appointed to fill these three positions or, at the option of the commissioner, representatives from groups who had previously been covered by the association may serve as directors.

**Subd. 3. [REAUTHORIZATION.]** The authorization to issue insurance to day care providers, foster parents, foster homes, developmental activity centers, group homes, and sheltered workshops for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383, is valid for a period of two years from the date it was made. The commissioner may reauthorize the issuance of insurance for additional two-year periods pursuant to sections 40 and 41. This subdivision is not a limitation on the number of times the commissioner may reauthorize the issuance of insurance. Insurance may not be offered pursuant to this section to persons or entities other than those listed in this subdivision after December 31, 1989.

## Sec. 22. [62I.03] [DEFINITION.]

*Subdivision 1. [SCOPE.] As used in sections 20 to 41 the following terms have the meanings given them in this section.*

*Subd. 2. [ASSOCIATION.] "Association" means the Minnesota joint underwriting association.*

*Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of commerce.*

*Subd. 4. [DIRECT WRITTEN PREMIUMS.] "Direct written premiums" means that amount at column (2), lines 5, 8, 9, 17, 21.2, 22, 23, 24, 25, 26, and 27, page 14, of the annual statement filed annually with the department of commerce pursuant to section 60A.13.*

*Subd. 5. [DEFICIT.] "Deficit" means, for a particular policy year and line or type of insurance, that amount by which total paid and outstanding losses and loss adjustment expenses exceed premium revenue, including retrospective premium revenue.*

## Sec. 23. [62I.04] [POLICY ISSUANCE.]

*Any person or entity that is a resident of the state of Minnesota who has a current written notice of refusal to insure from an insurer licensed to offer insurance in the state of Minnesota may make written application to the association for coverage. The applicable premium or required portion of it must be paid prior to coverage by the association.*

*The application shall be filed simultaneously with the association and the market assistance plan for the association.*

*The association is authorized to (1) issue or cause to be issued insurance policies to applicants subject to limits specified in the plan of operation; (2) underwrite the insurance and adjust and pay losses with respect to it, or appoint service companies to perform those functions; (3) assume reinsurance from its members; and (4) cede reinsurance.*

## Sec. 24. [62I.05] [PLAN OF OPERATION.]

*Within 45 days after the appointment of the directors of the association, the directors shall submit to the commissioner for review, a proposed plan of operation, consistent with the provisions of this chapter.*

*The plan of operation shall provide economic, fair, and non-discriminatory administration and for the prompt, efficient pro-*

*vision of insurance coverage of the types provided by section 20. It shall provide for an expedited review and determination by the board of any application for a type of coverage that has not been previously excluded or authorized. The action of the board on the application shall be an amendment to the plan of operation and the type of coverage shall thereafter be specified in the plan as either excluded or authorized. It may contain other provisions necessary for the operation of the association, including but not limited to preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cessation of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.*

*The plan of operation is subject to approval by the commissioner. If the commissioner disapproves all or any part of the proposed plan of operation, the directors shall within 15 days submit for review an appropriate revised plan of operation. If a revised plan is not submitted within 15 days the commissioner shall promulgate a plan of operation. The plan of operation approved or promulgated by the commissioner is effective and operational upon the order of the commissioner.*

*Amendments to the plan of operation may be made by the directors of the association subject to approval by the commissioner.*

**Sec. 25. [621.06] [POLICY FORMS; PREMIUM RATE.]**

*Subdivision 1. [REQUIREMENT.] The policies and contracts of coverage issued pursuant to this chapter shall contain the usual and customary provisions of similar insurance policies issued by private insurance companies. If a standard form is used in the private marketplace for any type of coverage that is to be extended by the association, then the association shall use that form. If there are varying types of forms used in the marketplace the association may choose to use a standard policy form issued by a service organization or other entity who commonly prepares standardized types of forms. If the board determines that neither of these alternatives is appropriate, then it shall adopt a policy form based upon the terms and conditions of the policies used for this type of coverage that are the most commonly used in the private market. As far as practical the board shall attempt to adopt forms that are consistent with the practice in the private market. No policy forms shall be used by the association unless it has been filed with the commissioner, and the commissioner may disapprove the form within 30 days if the commissioner determines that it is misleading, it violates public policy, or for any reason that the commissioner would be empowered to reject a similar form filed by a private company.*

*Subd. 2. [CANCELLATION.] If the insured fails to pay a stabilization reserve fund charge the association may cancel the policy by mailing or delivering to the insured at the insured's address shown on the policy at least ten days written notice stating the date that the cancellation is effective.*

*Subd. 3. [RATES.] The rates, rating plan, rating rules, rating classification and territories applicable to insurance written by the association and related statistics are subject to chapter 70A. Rates shall be on an actuarially sound basis, giving consideration to the group retrospective rating plan. The commissioner shall take all appropriate steps to make available, upon request of the association, loss and expense experience of insurers previously writing or currently writing insurance of any type the association offers or intends to offer.*

*Subd. 4. [APPROVAL.] All policies issued by the association are subject to the group retrospective rating plan approved by the commissioner under which the final premium for the insureds of the association, as a group, will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingency and servicing. If the board of directors feels it is appropriate and in the interest of fairness and equity, the insureds of the association may be broken down into more than one group. The rating plan may provide for varying rates within the rating plan for such groups as their relative burden to the group as a whole would merit. Policyholders shall be given full credit for all investment income, net of expenses and reasonable management fee on policyholder supplied funds. The standard premium, before retrospective adjustment, for each policy issued by the association shall be established for portions of the policy period coinciding with the association's fiscal year on the basis of the association rates, rating plans, rating rules, rating classifications and territories then in effect. The maximum premium for all policyholders of the association as a group shall be limited as provided in sections 20 to 41.*

*Subd. 5. [EXAMINATIONS.] The commissioner shall examine the business of the association as often as is appropriate to insure that the group retrospective rating plan is operating in a manner consistent with this chapter or other Minnesota laws. If it is found that the operation is deficient or inconsistent with this chapter or other Minnesota laws the commissioner may order the association to take corrective action.*

*Subd. 6. [DEFICITS.] The association shall certify to the commissioner the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted and payment of the maximum final premium for all policyholders of the association. Within 60 days after the certification, the commissioner shall authorize the association to recover the members' respective shares of the deficit by assessing all members an*

*amount sufficient to fully fund the obligations of the association. The assessment of each member shall be determined in the manner provided in section 26. An assessment made pursuant to this section shall be deductible by the member from past or future premium taxes due the state.*

*Subd. 7. [AMENDMENTS TO RATING PLAN.] In addition to the usual manner of amending the rating plan set forth in this section and section 24, the following procedure may also be used:*

*(1) Any person may, by written petition served upon the commissioner of commerce request that a hearing be held to amend the rating plan, or any part of the rating plan.*

*(2) The commissioner shall forward a copy of the petition to the chief administrative law judge within three business days of its receipt. The chief administrative law judge shall, within three business days of receipt of the copy of the petition or a request for hearing by the commissioner, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The hearing date must be set not less than 60 days nor more than 90 days from the date of receipt of the petition by the commissioner or the date of the commissioner's request for hearing if the commissioner is the person requesting a hearing.*

*(3) The commissioner shall publish a notice of the hearing in the State Register at least 30 days before the hearing date. The notice should be similar to that used for rulemaking under the administrative procedure act. Approval of the notice by the administrative law judge is not required.*

*(4) The hearing and all matters which occur after the hearing are a contested case under chapter 14. Within 45 days from the commencement of the hearing and within 15 days of the completion of the hearing the administrative law judge shall submit a report to the commissioner of commerce. The parties, or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedure to conform with the 45-day requirement.*

*(5) The commissioner shall render a decision within ten business days of the receipt of the administrative law judge's report.*

*(6) If all parties to the proceeding agree, any of the previous requirements may be waived or modified.*

*(7) A petition for a hearing to amend the rating plan or any part of the rating plan received by the commissioner within 180*

*days of the date of the commissioner's decision in a prior proceeding to amend the rating plan is invalid and requires no action provided the petition involves the same rates as the previous hearing. If the petition involves matters in addition to those dealt with in the previous hearing, then the additional matters shall be treated as a separate petition for hearing and a hearing may be held on those matters.*

Sec. 26. [62I.07] [MEMBERSHIP ASSESSMENTS.]

*Each member of the association shall participate in its losses and expenses in the proportion that the direct written premiums of the member bears to the total aggregate direct written premiums written in this state by all members. The members' participation in the association shall be determined annually on the direct written premiums written during the preceding calendar year as reported on the annual statements and other reports filed by the member with the commissioner.*

Sec. 27. [62I.08] [APPLICATION PROCEDURE.]

*A person or entity that has been denied coverage or is unable to find an insurer willing to write coverage is eligible to make an application to the association. The application shall be on a form approved by the board of directors. To show eligibility to participate in the association the applicant shall certify that the applicant has been unable to find anyone to offer the coverage sought by the applicant. No further proof shall be required of the applicant. The application shall be filed simultaneously with the association and the market assistance plan of the association.*

Sec. 28. [62I.09] [MARKET ASSISTANCE PLAN.]

*Subdivision 1. [CREATION.] A market assistance program committee consisting of 12 members is created. The 12 members shall be appointed by the commissioner of commerce. The commissioner's designated representative shall serve as an ex officio member. The commissioner shall appoint six members of the committee as representatives of insurers; two members who are insurance agents; two public members; and two members representative of groups to whom the association has issued coverage. If, at any time after appointment, a member of the committee, through change of employment or similar circumstances, is no longer representative of the group the member was appointed to represent, that member shall be deemed unable to continue to serve as a member of the committee and the commissioner shall appoint a replacement for the balance of that member's term.*

*Subd. 2. [TERMS AND VACANCIES.] In the event of a member's inability to continue to serve, the commissioner shall appoint a replacement. The committee shall elect a chair and vice chair from among the members. The term of each member is one*

*year commencing on June 1, except that the first members to be appointed to the committee shall serve from the date of their appointment until June 1 immediately following their appointment.*

*Subd. 3. [MEETINGS.] The committee shall convene upon the call of the commissioner, the chair or vice chair or at the request of one of the committee members. No quorum requirements are necessary.*

**Sec. 29. [62I.10] [DISPOSITION OF APPLICATION.]**

*Subdivision 1. [ACTION UPON APPLICATION.] Upon receipt of an application, the committee or persons the committee appoints or designates will immediately review the application to determine what assistance the committee can give. The assistance may include: (1) discussion with the applicant's most recent underwriter, if any, to determine if the applicant's coverage can be maintained with the most recent carrier; (2) discussion with other known available insurance markets to determine if any other carrier will accept the applicant; (3) negotiating extensions of coverage with the most recent carrier or a temporary carrier, if possible, to permit additional exploration of insurance markets or accumulation of essential underwriting data; and (4) referring the application to the first five participating insurers (participants) on the relevant list provided in subdivision 2. Subsequent applications will be sent to the next five participants on a rotating basis. If at any time there are less than ten participants on the master list then the master list will no longer be utilized.*

*Subd. 2. [LIST OF PARTICIPATING INSURERS.] A list of participants shall be prepared and updated at least every two years in the following manner: (1) the committee will secure a mailing list from the department of commerce of every licensed insurer admitted to do business as well as every eligible licensed surplus lines licensee; (2) the committee will mail to each admitted insurer and eligible surplus lines licensee an outline of the conditions of participation; (3) a master list of participants willing to take part in the market assistance program will be created from the responses to the initial mailing. The master list will be updated at least every two years pursuant to clauses (1) and (2). Order on the master list will be determined by random selection.*

*Subd. 3. [REFERRAL TO PARTICIPANTS.] Upon receipt of an application, the committee or the persons the committee appoints or designates may mail or telex copies of the application to the first five participants on the master list.*

*Subd. 4. [QUOTES.] Participants must quote on at least one out of every three applications submitted. Each participant will have the right to individually evaluate the risk the applicant poses and develop a price commensurate with that risk.*

*Subd. 5. [REFERRAL.] If no quote is received from the first five participants on the list, the next five participants on the list shall receive the application and the same procedure shall be followed until a quote is obtained or the list is exhausted. All participants may, if the committee feels it appropriate, be given the application at once.*

*Subd. 6. [RESPONSE FROM PARTICIPANT.] Participants may provide a quote on the same coverage basis they normally provide for similar coverage for that type of insurance in Minnesota. Participants will return their quotations or refusals to quote to the committee within ten days. The applicant or the applicant's agent, if any, will be notified of the quotations. The agent will then complete the placement of the insurance, if the applicant accepts coverage from the participant at the price quoted, without need for an agency appointment from that participant. The insurer is not required to pay the agent any commission, but the agent may negotiate a fee with the applicant prior to initial submission of the application.*

*Subd. 7. [LIMITATION ON REAPPLICATION.] An applicant provided a quotation in accordance with the above procedure will not be eligible to seek additional quotations from the market assistance plan or to obtain coverage from the association if the quotation received would not be deemed to be a notice of refusal for purposes of determining eligibility for participation in the association.*

*Subd. 8. [REVIEW BY THE COMMITTEE.] If the procedures in subdivisions 1 to 7 do not produce a quote, the application may be submitted to the committee. The committee after reviewing the application shall proceed as follows: (1) attempt to place the applicant with a single carrier; or (2) attempt to arrange coverage on a quota share basis with a number of carriers.*

*Subd. 9. [DISQUALIFICATION AFTER COVERAGE GRANTED.] If an application is filed with the market assistance program less than 30 business days before the expiration date of the applicant's current insurance coverage the market assistance program may continue to seek coverage for the applicant after coverage is extended by the association. The market assistance program will have 30 business days from the date of filing of the application with the market assistance program to obtain an offer of coverage for the applicant. If the market assistance program is able to secure an offer of coverage for the applicant within 30 business days of filing of the application and if the offer of coverage would not otherwise be considered a refusal for purposes of the association, the applicant will be deemed to not be qualified to participate in the association and coverage, if any, shall be terminated. If the applicant accepts the coverage obtained by the market assistance plan, cov-*

*erage from the association will terminate when the new coverage begins.*

*Subd. 10. [NOTIFICATION OF FAILURE TO PLACE.] If the market assistance program does not produce a quote, it shall notify the submitting agent or the applicant at least 24 hours before the time the applicant's current insurance coverage terminates. A copy of the notification must be submitted to the commissioner and the association at the same time notice is made to the agent or applicant. Notwithstanding the foregoing, the market assistance program may continue to act pursuant to subdivision 9. Notice that the market assistance program is continuing to act pursuant to subdivision 9 shall be included in the notice required by this subdivision.*

**Sec. 30. [62I.11] [PROGRAM PARTICIPATION.]**

*Subdivision 1. [TERMINATION.] A participant may terminate its participation in the program at any time by providing written notice of the termination 90 days in advance of the effective date of the termination to the commissioner and to the committee.*

*Subd. 2. [NEW PARTICIPANTS.] New participants may join the program at any time by submitting a written request to the commissioner and to the committee.*

**Sec. 31. [62I.12] [ASSOCIATION ADMINISTRATION.]**

*Subdivision 1. [ADMINISTRATOR.] The association shall be administered by a qualified insurer or vendor of risk management services selected by the commissioner. If the commissioner deems it necessary, the commissioner may select more than one person to administer the association.*

*Subd. 2. [DUTIES.] The administrator shall perform all services necessary to accomplish the purposes of the association, including the servicing of policies or contracts of coverage, data management, and collection of assessments.*

*Subd. 3. [APPEALS.] Anyone adversely affected by the decision of the administrator may object to the decision by appealing to the commissioner within 15 days after the decision. The appeal must be made by letter mailed to the commissioner with a copy to the administrator within the 15-day period. The letter must include a summary of the administrator's decision from which the appeal is taken, the basis for the objection to the administrator's decision, and any argument or evidence in support of the appeal. Within 15 days after receipt of the letter, the administrator shall file a response, including the basis of the administrator's decision and all argument and evidence in support of the decision, with the commissioner. Within ten days*

*after receipt of the administrator's response, the commissioner shall either affirm, reverse, or modify the administrator's decision as the commissioner deems appropriate.*

**Sec. 32. [62I.13] [ACTION BY THE MINNESOTA JOINT UNDERWRITING ASSOCIATION UPON THE APPLICATION.]**

*Subdivision 1. [GENERALLY.] Eligibility for coverage by the association is subject to the terms and conditions of subdivisions 2 and 3.*

*Subd. 2. [MINIMUM OF QUALIFICATIONS.] Anyone who is unable to obtain insurance in the private market and who so certifies to the association in the application is eligible to make written application to the association for coverage. Payment of the applicable premium or required portion of it must be paid prior to coverage by the association. An offer of coverage at a rate in excess of the rate that would be charged by the association for similar coverage and risk shall be deemed to be a refusal of coverage for purposes of eligibility for participation in the association. It shall not be deemed to be a written notice of refusal if the rate for coverage offered is less than five percent in excess of the joint underwriting association rates for similar coverage and risk. However, the offered rate must also be the rate that the insurer has filed with the department of commerce if the insurer is required to file its rates with the department. If the insurer is not required to file its rates with the department, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.*

*Subd. 3. [DISQUALIFYING FACTORS.] For good cause, coverage may be denied or terminated by the association. Good cause may exist if the applicant or insured: (1) has an outstanding debt due or owing to the association at the time of application or renewal arising from a prior policy; (2) refuses to permit completion of an audit requested by the commissioner or administrator; (3) submits misleading or erroneous information to the commissioner or administrator; (4) disregards safety standards, laws, rules or ordinance pertaining to the risk being insured; (5) fails to supply information requested by the commissioner or administrator; (6) fails to comply with the terms of the policies or contracts for coverage issued by the association; and (7) has not satisfied the requirements of the market assistance program as set forth in section 28.*

*Subd. 4. [DISQUALIFICATION AFTER COVERAGE GRANTED.] If an application is filed with the market assistance program less than 30 business days before the expiration of the applicant's current insurance coverage, the market assistance program may continue to seek coverage for the applicant after coverage is extended by the association. The market assistance program will have 30 business days from the date of filing*

*the application with the market assistance program to obtain an offer of coverage for the applicant. If the market assistance program is able to secure an offer of coverage for the applicant within 30 business days of filing of the application and if the offer of coverage would not otherwise be considered refusal for purposes of the association, the applicant will be deemed to be not qualified to participate in the association plan and coverage, if any, shall be terminated.*

*Subd. 5. [NOTICE.] An application for coverage under the association must be granted or denied within ten days after receipt by the administrator of a properly completed application and any supplemental information requested by the administrator. Anyone covered by the association must be given at least 30 days notice of nonrenewal or cancellation of coverage.*

**Sec. 33. [62I.14] [ASSESSMENTS.]**

*In the event the commissioner deems it necessary to make an assessment, an assessed insurer must pay the assessment within 30 days of receipt of notice of the assessment. The commissioner may suspend or revoke an insurer's certificate of authority and impose a civil penalty in an amount not to exceed \$5,000 for an insurer's failure to pay the assessment within the 30 day period.*

**Sec. 34. [62I.15] [EXTENSION OF COVERAGE.]**

*If the association determines that the applicant meets the underwriting standards of the association as described in the plan of operation and there is no unpaid, uncontested premium due from the application for prior insurance, including failure to make written objections to premium charges within 30 days after billing, or if there is no other allowable reason as set forth in this chapter for denial of coverage, the association upon receipt of the premium or portion of it as described in the plan of operation shall issue a policy of insurance to the applicant.*

**Sec. 35. [62I.16] [STABILIZATION RESERVE FUND.]**

*Subdivision 1. [CREATION.] There is created a stabilization reserve fund. Each policyholder shall pay to the association a stabilization reserve fund charge of 33 percent of each premium payment due for insurance through the association. This charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.*

*Subd. 2. [PAYMENT.] The association shall promptly pay into the stabilization reserve fund all fund charges it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan.*

*Subd. 3. [SUPERVISION.] All money paid into the fund shall be held in trust by the corporate trustee selected by the board of directors. The corporate trustee may invest the money held in trust subject to the approval of the board. All investment income shall be credited to the fund. All expenses of the administration of the fund shall be charged against the fund. The money held in trust shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders and any retrospective premium refunds payable to policyholders under the group retrospective rating plan. Payment of retrospective premium charges shall be made upon certification of the amount due. If all money accruing to the fund is exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall terminate and shall be conclusively presumed to have been discharged. Any stabilization reserve fund charges from a particular policy year and line or type of insurance not used to pay retrospective premiums must be returned to policyholders after all claims and expense obligations from that particular policy year and line or type of insurance are satisfied.*

*Subd. 4. [EXEMPTION.] The board of directors may, upon their own motion or upon application of any applicant or insured, exempt any group from the payment of the stabilization reserve charge. The exemption shall be granted only to those groups who are unable to obtain insurance coverage in the private market as a result of the private market's refusal to write coverage for that group rather than because of loss experiences or risks posed by the applicant or insured as an individual. It shall be presumed that a group is qualified for this exemption if more than 20 percent of the members of that group are unable to obtain the insurance coverage that they seek. The board of directors shall also consider granting exemption if any members of the same group are unable to obtain coverage in the private market even though no claims have been made against them or payments made on their behalf by any insurer within the last three years.*

*Subd. 5. [SURCHARGE.] In addition to determining the basic rate for coverages to be offered by the joint underwriting association, the association shall also develop a surcharge plan or similar method for adjusting the rate to be charged to those persons who have had claims made against them. The surcharge plan shall take into effect the risk posed to the association by the applicant or the insured. The surcharge plan shall be sufficient to provide for the sound financial operation of the plan based upon commonly agreed upon actuarial principles.*

**Sec. 36. [62I.17] [IMMUNITY FROM LIABILITY.]**

*No cause of action of any nature shall arise against the association, the commissioner or the commissioner's authorized*

*representatives, or any other person or organization, for any statements made in good faith by them during any proceedings or concerning any matters within the scope of this chapter.*

**Sec. 37. [62I.18] [RIGHT OF APPEAL.]**

*Any applicant to the association, any person insured pursuant to this chapter or their representatives, any affected insurer, or any person who has applied for coverage pursuant to this chapter may appeal to the commissioner within 30 days after any ruling, action, or decision by or on behalf of the association with respect to those items that the plan of operation defines as appealable matters.*

**Sec. 38. [62I.19] [ANNUAL STATEMENTS.]**

*On March 1 of each year the association shall file with the commissioner a report of its transactions, financial conditions, and operations during the preceding year. The report shall be on a form approved by the commissioner. The commissioner may at any time require the association to furnish additional information to assist in evaluating the scope, operation, and experience of the association.*

**Sec. 39. [62I.20] [MERGER OF OTHER PLANS.]**

*Upon application by the governing body of the liquor liability assigned risk plan authorized by section 340A.409 or the joint underwriting association authorized by chapter 62F to be merged with the association, the commissioner shall, if the commissioner deems it appropriate, hold a public hearing in regard to the merger. The commissioner upon motion or upon the motion of any insured under plans shall hold a hearing. Unless it can be shown that the rights of the insured would be adversely affected by the merger or that it would be less efficient or more costly to merge the plans, the commissioner shall consent to the merger. The commissioner shall also consent to the merger at any time there are less than ten insureds in any plan.*

**Sec. 40. [62I.21] [ACTIVATION OF MARKET ASSISTANCE PLAN AND JOINT UNDERWRITING ASSOCIATION.]**

*At any time the commissioner of commerce deems it necessary to provide assistance with respect to the placement of general liability insurance coverage on Minnesota risks for a class of business, the commissioner shall by notice in the state register activate the market assistance plan and the joint underwriting association. The plan and association are activated for a period of 180 days from publication of the notice. At the same time the notice is published, the commissioner shall prepare a written petition requesting that a hearing be held to determine whether*

*activation of the market assistance plan and the joint underwriting association is necessary beyond the 180-day period. The hearing must be held in accordance with section 41. The commissioner by order shall deactivate a market assistance program and the joint underwriting association at any time the commissioner finds that the market assistance program and the joint underwriting association are not necessary.*

**Sec. 41. [62I.22] [HEARING.]**

*Subdivision 1. [ADMINISTRATIVE LAW JUDGE.] The commissioner shall forward a copy of the petition to activate the market assistance plan and the joint underwriting association with respect to a class of business to the chief administrative law judge. The chief administrative law judge shall, within three business days of receipt of the copy of the petition, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The hearing date must be no less than 60 days nor more than 90 days from the date of receipt of the petition by the chief administrative law judge.*

*Subd. 2. [NOTICE.] The commissioner of commerce shall publish notice of the hearing in the State Register at least 30 days before the hearing date. The notice should be that used for rulemaking under chapter 14. Approval by the administrative law judge of the notice prior to publication is not required.*

*Subd. 3. [CONTESTED CASE; REPORT.] The hearing and all matters after the hearing are a contested case under chapter 14. Within 45 days from the commencement of the hearing and within 15 days of the completion of the hearing the administrative law judge shall submit a report to the commissioner of commerce. The parties, or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedure to conform with the 45-day requirement.*

*Subd. 4. [DECISION.] The commissioner shall make a decision within ten days of the receipt of the administrative law judge's report.*

*Subd. 5. [WAIVER OR MODIFICATION.] If all parties to the proceeding agree, any of the requirements of this section may be waived or modified.*

Every company or agent violating any of the foregoing provisions shall be fined not more than \$100 per violation, and every officer, agent, or solicitor violating the same shall be guilty of a misdemeanor. The commissioner of commerce is authorized to treat violations of this section as an unfair insurance practice and to enforce this section using the procedures, remedies, and penalties provided in sections 72A.17 to 72A.32.

Sec. 49. [65B.1311] [COVERAGE FOR FORMER SPOUSE.]

*Subdivision 1. [NEW POLICY ISSUED.] If the former spouse of a named insured under a policy of private passenger vehicle insurance applies within 60 days of entry of a valid decree of dissolution of the marriage and the former spouse was an insured driver under the policy for at least 12 months prior to entry of the decree, the insurer must issue a policy, upon payment of the appropriate premium, to the former spouse only on the basis of the driving record applicable to the former spouse and any person who is to be an insured, as defined in section 65B.43, under the policy to be issued, provided the person or persons to be insured meets the insurer's eligibility standards.*

*Subd. 2. [NAMED INSURED.] A named insured under a policy of private passenger vehicle insurance shall have the premium determined at the first and any subsequent renewals of the policy after entry of a valid decree of dissolution of the marriage of the named insured only on the basis of the driving record applicable to the named insured and any person who is to be an insured, as defined in section 65B.43, under the policy to be renewed.*

Sec. 51. Minnesota Statutes 1984, section 70A.04, subdivision 2, is amended to read:

Subd. 2. [EXCESSIVENESS; MARKET TEST.] (a) Rates are presumed not to be excessive if a reasonable degree of price competition exists at the consumer level with respect to the class of business to which they apply. In determining whether a reasonable degree of price competition exists, the commissioner shall consider all relevant tests (, INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING:)

(1. THE NUMBER OF INSURERS ACTIVELY ENGAGED IN THE CLASS OF BUSINESS.)

(2. THE NATURE OF RATE DIFFERENTIALS IN THAT CLASS OF BUSINESS.)

(3. WHETHER LONG RUN PROFITABILITY FOR INSURERS GENERALLY OF THE CLASS OF BUSINESS IS UNREASONABLY HIGH IN RELATION TO ITS RISKINESS).

*In addition to any other manner of determining whether a reasonable degree of price competition exists with respect to any class of insurance, it is presumed that a reasonable degree of competition does not exist if less than five insurers write more than 75 percent of the direct written premiums.*

(b) If such competition does not exist, rates are excessive if they are likely to produce a long-run profit that is unreasonably high in relation to the riskiness of the class of business, or if expenses are unreasonably high in relation to the services rendered.

*In determining whether an excessive rate is being charged by an individual insurer for a class of insurance where a reasonable degree of competition does not exist, the commissioner shall determine whether the rate charged produces a rate of return that is not in excess of a reasonable rate of return. To determine what is a reasonable rate of return, the riskiness of the class of insurance, the profitability of the insurer in that class of business, and other relevant factors shall be considered.*

Sec. 52. Minnesota Statutes 1984, section 70A.06, subdivision 1, is amended to read:

Subdivision 1. Every licensed insurer and every rate service organization licensed under section 70A.14 shall (FURNISH) file with the commissioner all rates and all changes and amendments of rates made by it for use in this state not later than their effective date. No rates contained in a filing shall become effective unless they have been filed with the commissioner. In any filing, the commissioner may require the insurer or rate service organization to file supporting data and explanatory data which shall include:

(1) *the experience and judgment of the filer, and, to the extent it wishes or the commissioner requires, of other insurers or rate service organizations;*

(2) *its interpretation of any statistical data relied upon;*

(3) *descriptions of the actuarial and statistical methods employed; and*

(4) *any other matters deemed relevant by the commissioner or the filer.*

*Notwithstanding the foregoing, if the supporting data is not filed within 30 days after so requested by the commissioner, the rate is no longer effective and is presumed to be an excessive rate.*

Sec. 53. Minnesota Statutes 1984, section 70A.06, subdivision 2, is amended to read:

Subd. 2. No policy form shall be delivered or issued for delivery unless it has been filed with the commissioner and either (i) he has approved it or (ii) (30) 60 days have elapsed and he has not disapproved it as misleading or violative of public policy, which period may be extended by the commissioner for an additional period not to exceed (30) 60 days.

Sec. 54. Minnesota Statutes 1984, section 70A.08, is amended by adding a subdivision to read:

#### 70A.10 [DELAYED EFFECT OF RATES.]

Subdivision 1. [(RULE) ORDER INSTITUTING DELAYED EFFECT.] If the commissioner finds, after a hearing, that competition is not an effective regulator of the rates charged or that a substantial number of companies are competing irresponsibly through the rates charged, or that there are widespread violations of this chapter, in any kind or line of insurance or subdivision thereof or in any rating class or rating territory, he may issue (A RULE) *an order* requiring that in the kind or line of insurance or subdivision thereof or rating class or rating territory comprehended by the finding any subsequent changes in the rates or supplementary rate information be filed with him at least (30) 60 days before they become effective. He may extend the waiting period for not to exceed (15) 30 additional days by written notice to the filer before the (30) 60 day period expires.

Subd. 2. [SUPPORTING DATA.] In the (RULE) *order* issued under subdivision 1 or in any supplementary (RULE) *order*, the commissioner may require the filing of supporting data as to any or all kinds or lines of insurance or subdivisions thereof or classes of risks or combinations thereof as he deems necessary for the proper functioning of the rate monitoring and regulating process. The supporting data shall include:

(a) The experience and judgment of the filer, and, to the extent it wishes or the commissioner requires, of other insurers or rate service organizations;

- (b) Its interpretation of any statistical data relied upon;
- (c) Descriptions of the actuarial and statistical methods employed; and
- (d) Any other matters deemed relevant by the commissioner or the filer.

Subd. 3. [EXPIRATION OF (REGULATION) ORDER.] (A REGULATION) *An order* issued under subdivision 1 shall expire no more than (ONE YEAR) *two years* after issue. (THE COMMISSIONER MAY RENEW IT AFTER A HEARING AND APPROPRIATE FINDINGS AS PROVIDED UNDER SUBDIVISION 1.)

Subd. 4. [SUPPORTING INFORMATION.] Whenever a filing is not accompanied by such information as the commissioner has required under subdivision 2, he may so inform the insurer and the filing shall be deemed to be made when the information is furnished.

Sec. 56. Minnesota Statutes 1984, section 70A.11, is amended to read:

#### 70A.11 [DISAPPROVAL OF RATES.]

Subdivision 1. [ORDER (IN EVENT OF VIOLATION) AFTER HEARING.] If the commissioner finds after a (HEARING) *contested case proceeding under chapter 14* that a rate is not in compliance with section 70A.04, he shall order that its use is to be discontinued (ON A DATE NOT LESS THAN 30 DAYS AFTER THE ORDER) *and shall order the excess premium plus interest at the rate specified in section 549.09 to be refunded to the policyholder. The amount of the refund, plus interest, must be computed from the commencement date of the contested case hearing on the rate. Interest must be computed as simple interest per annum.*

Subd. 2. [TIMING OF ORDER.] The order under subdivision 1 shall be issued within (30) *60* days after the close of the hearing or within such reasonable time extension as the commissioner may fix.

Subd. 3. [APPROVAL OF SUBSTITUTED RATE.] No rate replacing a disapproved rate may be used until it has been filed with the commissioner and not disapproved within (30) *60* days thereafter, except that the rate disapproved under subdivision 1, with the consent of the commissioner, or the last previous rate in effect for the insurer may be used for a period of not more than three months pending the approval of a substituted rate. The

commissioner's order may include provision for a premium adjustment in a rate charged pending approval of a substituted rate.

Sec. 57. Minnesota Statutes 1984, section 72A.13, subdivision 1, is amended to read:

Subdivision 1. Any company, corporation, association, society, or other insurer, or any officer or agent thereof, which or who solicits, issues or delivers to any person in this state any policy in violation of the provisions of sections 4 or 62A.01 to 62A.10, may be punished by a fine of not more than \$100 for each offense, and the commissioner may revoke the license of any company, corporation, association, society, or other insurer of another state or country, or of the agent thereof, which or who wilfully violates any provision of sections 4 or 62A.01 to 62A.10.

Sec. 58. [60A.29] [RENEWAL OF INSURANCE POLICY WITH ALTERED RATES.]

*If an insurance company licensed to do business in this state offers or purports to offer to renew any commercial liability and/or property insurance policy at less favorable terms as to the dollar amount of coverage or deductibles, higher rates, and/or higher rating plan, the new terms, the new rates and/or rating plan may take effect on the renewal date of the policy if the insurer has sent to the policyholder notice of the new terms, new rates and/or rating plan at least 30 days prior to the expiration date. If the insurer has not so notified the policyholder, the policyholder may elect to cancel the renewal policy within the 30-day period after receipt of the notice. Earned premium for the period of coverage, if any, shall be calculated pro rata upon the prior rate. This subdivision does not apply to ocean marine insurance, accident and health insurance, and reinsurance.*

Sec. 59. [60A.30] [MID-TERM CANCELLATION.]

*In addition to the requirements of Minnesota Statutes 1984, section 176.185, subdivision 1, no policy of insurance issued to cover the liability to pay compensation under Minnesota Statutes 1984, chapter 176, shall be canceled by the insurer within the policy period unless the insurer has also complied with the requirements of such rules as the commissioner of commerce may adopt in regard to the cancellation of commercial liability and/or commercial property insurance policies.*

Sec. 60. [145.682] [CERTIFICATION OF EXPERT REVIEW; AFFIDAVIT.]

Subdivision 1. [DEFINITION.] *For purposes of this section, "health care provider" means a physician, surgeon, dentist, or other health care professional or hospital, including all persons*

or entities providing health care as defined in section 145.61, subdivisions 2 and 4, or a certified health care professional employed by or providing services as an independent contractor in a hospital.

*Subd. 2. [REQUIREMENT.] In an action alleging malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider which includes a cause of action as to which expert testimony is necessary to establish a prima facie case, the plaintiff must: (1) unless otherwise provided in subdivision 3, paragraph (b), serve upon defendant with the summons and complaint an affidavit as provided in subdivision 3; and (2) serve upon defendant within 180 days after commencement of the suit an affidavit as provided by subdivision 4.*

*Subd. 3. [AFFIDAVIT OF EXPERT REVIEW.] The affidavit required by subdivision 2, clause (1), must be by the plaintiff's attorney and state that:*

*(a) the facts of the case have been reviewed by the plaintiff's attorney with an expert whose qualifications provide a reasonable expectation that the expert's opinions could be admissible at trial and that, in the opinion of this expert, one or more defendants deviated from the applicable standard of care and by that action caused injury to the plaintiff; or*

*(b) the expert review required by paragraph (a) could not reasonably be obtained before the action was commenced because of the applicable statute of limitations. If an affidavit is executed pursuant to this paragraph, the affidavit in paragraph (a) must be served on defendant or the defendant's counsel within 90 days after service of the summons and complaint.*

*Subd. 4. [IDENTIFICATION OF EXPERTS TO BE CALLED.] The affidavit required by subdivision 2, clause (2), must be by the plaintiff's attorney and state the identity of each person whom plaintiff expects to call as an expert witness at trial to testify with respect to the issues of malpractice or causation, the substance of the facts and opinions to which the expert is expected to testify, and a summary of the grounds for each opinion. Answers to interrogatories that state the information required by this subdivision satisfy the requirements of this subdivision if they are signed by the plaintiff's attorney and served upon the defendant within 180 days after commencement of the suit against the defendant.*

*The parties or the court for good cause shown, may by agreement, provide for extensions of the time limits specified in subdivision 2, 3, or this subdivision. Nothing in this subdivision may be construed to prevent either party from calling additional expert witnesses or substituting other expert witnesses.*

*Subd. 5. [RESPONSIBILITIES OF PLAINTIFF AS ATTORNEY.] If the plaintiff is acting pro se, the plaintiff shall sign the affidavit or answers to interrogatories referred to in this section and is bound by those provisions as if represented by an attorney.*

*Subd. 6. [PENALTY FOR NONCOMPLIANCE.] Failure to comply with subdivision 2, clause (1), within 60 days after demand for the affidavit results, upon motion, in mandatory dismissal with prejudice of each cause of action as to which expert testimony is necessary to establish a prima facie case.*

*Failure to comply with subdivision 2, clause (2), and subdivision 4 results, upon motion, in mandatory dismissal with prejudice of each cause of action as to which expert testimony is necessary to establish a prima facie case.*

*Subd. 7. [CONSEQUENCES OF SIGNING AFFIDAVIT.] The signature of the plaintiff or the plaintiff's attorney constitutes a certification that the person has read the affidavit or answers to interrogatories, and that to the best of the person's knowledge, information, and belief formed after a reasonable inquiry, it is true, accurate, and made in good faith. A certification made in violation of this subdivision subjects the attorney or plaintiff responsible for such conduct to reasonable attorney's fees, costs, and disbursements.*

Sec. 61. Minnesota Statutes 1984, section 245.814, is amended to read:

**245.814 [LIABILITY INSURANCE FOR (FOSTER PARENTS) LICENSED PROVIDERS.]**

*Subdivision 1. [INSURANCE FOR FOSTER PARENTS.] The commissioner of human services shall within the appropriation provided purchase and provide insurance to foster parents to cover their liability for:*

(1) injuries or property damage caused or sustained by foster children in their home; and

(2) actions arising out of alienation of affections sustained by the natural parents of a foster child.

Coverage shall apply to all foster boarding homes licensed by the department of human services, licensed by a federally recognized tribal government, or established by the juvenile court and certified by the commissioner of corrections pursuant to section 260.185, subdivision 1, clause (c) (5), to the extent that the liability is not covered by the provisions of the standard homeowner's or automobile insurance policy. The insurance shall not cover property owned by the foster parents, damage caused in-

tionally by a child over 12 years of age, or property damage arising out of business pursuits or the operation of any vehicle, machinery, or equipment.

*Subd. 2. [LIABILITY INSURANCE; RISK POOL.] If the commissioner determines that appropriate commercial liability insurance coverage is not available for a licensed foster home, group home, developmental achievement center, or day care provider, and that coverage available through the joint underwriting authority of the commissioner of commerce or other public entity is not appropriate for the provider or a class of providers, the commissioner of human services and the commissioner of commerce may jointly establish a risk pool to provide coverage for licensed providers out of premiums or fees paid by providers. The commissioners may set limits on coverage, establish premiums or fees, determine the proportionate share of each provider to be collected in a premium or fee based on the provider's claim experience and other factors the commissioners consider appropriate, establish eligibility and application requirements for coverage, and take other action necessary to accomplish the purposes of this subdivision. A human services risk pool fund is created for the purposes of this subdivision. Fees and premiums collected from providers for risk pool coverage are appropriated to the risk pool fund. Interest earned from the investment of money in the fund must be credited to the fund and money in the fund is appropriated to the commissioner of human services to pay administrative costs and covered claims for participating providers. In the event that money in the fund is insufficient to pay outstanding claims and associated administrative costs, the commissioner of human services may assess providers participating in the risk pool amounts sufficient to pay the costs. The commissioner of human services may not assess a provider an amount exceeding one year's premiums collected from that provider.*

**Sec. 62. [317.201] [UNPAID DIRECTORS OR TRUSTEES; LIABILITY FOR DAMAGES.]**

*A director or trustee of a nonprofit corporation or association who is not paid for services to the corporation or association is not individually liable for damages occasioned solely by reason of membership on or participation in board activities.*

extent and in the same manner and with the same force and effect as provided in the case of a private corporation by section (300.082) *300.083*. It may also procure insurance against loss of or damage to property in the amounts, by reason of the risks, and from the insurers as it deems prudent.

*(b) A railroad leasing its tracks and right-of-way to a railroad authority that is created under this chapter and affiliated with a railroad museum is subject to tort liability only to the extent provided for municipalities in chapter 466 as to any claims arising out of fare-paying passenger operations carried on by the railroad authority primarily for the purpose of promoting tourism on tracks and right-of-way leased from the railroad.*

Nothing in this subdivision limits the liability of a municipality for conduct that would entitle a trespasser to damages against a private person.*

Sec. 67. Minnesota Statutes 1984, section 466.03, is amended by adding a subdivision to read:

*Subd. 8. Any claim for a loss other than injury to or loss of property or personal injury or death.*

Failure to state the amount of compensation or other relief demanded does not invalidate the notice; but in such case, the claimant shall furnish full information regarding the nature and extent of the injuries and damages within 15 days after demand by the municipality. (NO ACTION THEREFOR SHALL BE MAINTAINED UNLESS SUCH NOTICE HAS BEEN GIVEN AND UNLESS THE ACTION IS COMMENCED WITHIN ONE YEAR AFTER SUCH NOTICE.) Sec. 81. Minnesota Statutes 1984, section 549.09, subdivision 1, is amended to read:

Subdivision 1. [WHEN OWED; RATE.] (a) When the judgment is for the recovery of money, including a judgment for the recovery of taxes, interest from the time of the verdict or report until judgment is finally entered shall be computed by the clerk as provided in clause (c) and added to the judgment. (b) Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest on pecuniary damages shall be computed as provided in clause (c) from the time of the commencement of the action, *or the time of a written settlement demand, whichever occurs first*, except as provided herein. *The action must be commenced within 60 days of a written settlement demand for interest to begin to accrue from the time of the demand.* If either party serves a written offer of settlement, the other party may serve a written acceptance or a written counter-offer within 60 days. After that time interest on the judgment shall be calculated by the judge in the following manner. The prevailing party shall receive interest on any judgment from the time the action was commenced *or a written settlement demand was made*, or as to special damages from the time when special damages were incurred, if later (THAN COMMENCEMENT OF THE ACTION), until the time of verdict or report only if the amount of its offer is closer to the judgment than the amount of the opposing party's offer. If the amount of the losing party's offer was closer to the judgment than the prevailing party's offer, the prevailing party shall receive interest only on the amount of the settlement offer or the judgment, whichever is less, and only from the time the action was commenced *or a written settlement demand was made*, or as to special damages from when the special damages were incurred, if later (THAN COMMENCEMENT OF THE ACTION), until the time the settlement offer was made. *Subsequent offers and counteroffers supersede the legal effect of earlier offers and counteroffers. For the purposes of clause (3), the amount of settlement offer must be allocated between past and future damages in the same proportion as determined by the trier of fact.* Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest shall not be awarded on the following:

(1) judgments, awards, or benefits in workers' compensation cases, but not including third-party actions;

(2) judgments, decrees, or orders in dissolution, annulment, or legal separation actions;

(3) *judgments for future damages;*

(4) punitive damages, fines, or other damages that are non-compensatory in nature;

((4)) (5) judgments not in excess of the amount specified in section 487.30; and

((5)) (6) that portion of any verdict or report which is founded upon interest, or costs, disbursements, attorney fees, or other similar items added by the court. (c) The interest shall be computed as simple interest per annum. The rate of interest shall be based on the secondary market yield of one year United States treasury bills, calculated on a bank discount basis as provided in this section.

On or before the 20th day of December of each year the state court administrator shall determine the rate from the secondary market yield on one year United States treasury bills for the most recent calendar month, reported on a monthly basis in the latest statistical release of the board of governors of the federal reserve system. This yield, rounded to the nearest one percent, shall be the annual interest rate during the succeeding calendar year; provided, however, that in no event shall the rate of interest be less than eight percent per annum. *The state court administrator shall also determine the average rate of interest on judgments to be used during the succeeding calendar year for computation of the discount rate under section 86, subdivision 4.* The state court administrator shall communicate the interest (RATE) rates to the clerks of court for (THEIR) use in computing the interest on verdicts *and the discount rate under section 86.*

Sec. 82. [549.191] [CLAIM FOR PUNITIVE DAMAGES.]

*Upon commencement of a civil action, the complaint must not seek punitive damages. After filing the suit a party may make a motion to amend the pleadings to claim punitive damages. The motion must allege the applicable legal basis under section 549.20 or other law for awarding punitive damages in the action and must be accompanied by one or more affidavits showing the factual basis for the claim. At the hearing on the motion, if the court finds prima facie evidence in support of the motion, the court shall grant the moving party permission to amend the pleadings to claim punitive damages. For purposes of tolling the statute of limitations, pleadings amended under this section relate back to the time the action was commenced.*

Sec. 83. Minnesota Statutes 1984, section 549.21, is amended to read:

549.21 [REIMBURSEMENT FOR CERTAIN COSTS IN CIVIL ACTIONS.]

*Subdivision 1. [ACKNOWLEDGEMENT IN PLEADINGS.] The parties by their attorneys in any civil action shall attach to and make a part of the pleading served on the opposite party or parties a signed acknowledgement stating that the parties acknowledge that costs, disbursements, and reasonable attorney and witness fees may be awarded to the opposing party or parties pursuant to subdivision 2.*

*Subd. 2. [AWARD OF COSTS.] Upon motion of a party, or upon the court's own motion, the court in its discretion may award to that party costs, disbursements, reasonable attorney fees and witness fees if the party or attorney against whom costs, disbursements, reasonable attorney and witness fees are charged acted in bad faith; asserted a claim or defense (KNOWING IT TO BE) that is frivolous and that is costly to the other party; asserted an unfounded position solely to delay the ordinary course of the proceedings or to harass; or committed a fraud upon the court. (TO QUALIFY FOR AN AWARD UNDER THIS SECTION, A PARTY SHALL GIVE TIMELY NOTICE OF INTENT TO CLAIM AN AWARD.) An award under this section shall be without prejudice and as an alternative to any claim for sanctions that may be asserted under the rules of civil procedure. Nothing herein shall authorize the award of costs, disbursements or fees against a party or attorney advancing a claim or defense unwarranted under existing law, if it is supported by a good faith argument for an extension, modification, or reversal of the existing law.*

Sec. 84. Minnesota Statutes 1984, section 595.02, is amended by adding a subdivision to read:

*Subd. 4. [WAIVER OF PRIVILEGE FOR HEALTH CARE PROVIDERS.] A party who commences an action for malpractice, error, mistake, or failure to cure, whether based on contract or tort, against a health care provider on the person's own behalf or in a representative capacity, waives in that action any privilege existing under subdivision 1, paragraphs (d) and (g), as to any information or opinion in the possession of a health care provider who has examined or cared for the party or other person whose health or medical condition has been placed in controversy in the action. This waiver must permit all parties to the action, and their attorneys or authorized representatives, to informally discuss the information or opinion with the health care provider if the provider consents. Prior to an informal discussion with a health care provider, the defendant must mail written notice to the other party at least 15 days before the discussion. The plaintiff's attorney or authorized representative must have the opportunity to be present at any informal discussion. Appropriate medical authorizations permitting discussion must be provided by the party commencing the action upon request from any other party.*

*A health care provider may refuse to consent to the discussion but, in that event, the party seeking the information*

*or opinion may take the deposition of the health care provider with respect to that information and opinion, without obtaining a prior court order.*

*For purposes of this subdivision, "health care provider" means a physician, surgeon, dentist, or other health care professional or hospital, including all persons or entities providing health care as defined in section 145.61, subdivisions 2 and 4, or a certified health care professional employed by or providing services as an independent contractor in a hospital.*

Sec. 85. Minnesota Statutes 1984, section 604.02, subdivision 1, is amended to read:

Subdivision 1. When two or more persons are jointly liable, contributions to awards shall be in proportion to the percentage of fault attributable to each, except that each is jointly and severally liable for the whole award. *If the state or a municipality as defined in section 466.01 is jointly liable, and its fault is less than 35 percent, it is jointly and severally liable for an amount no greater than twice the amount of fault.*

Sec. 86. [604.07] [DISCOUNT, FUTURE DAMAGE AWARDS.]

*Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.*

*(b) "Economic loss" means all pecuniary harm for which damages are recoverable, including, but not limited to, medical expenses, loss of earnings, and loss of earning capacity.*

*(c) "Future damages" means all damages which the trier of fact finds will accrue after the damage findings are made.*

*(d) "Intangible loss" means embarrassment, emotional distress, and loss of consortium.*

*(d) "Noneconomic loss" means pain, disability, and disfigurement.*

*(e) "Past damages" means all damages that have accrued when the damage findings are made.*

Subd. 2. [DISCOUNT REQUIRED.] *In all actions seeking damages for personal injury, wrongful death, or loss of means of support, awards of all future damages, including economic, non-economic and intangible loss, reasonably certain to occur must be discounted to present value as provided in this section.*

Subd. 3. [FUTURE DAMAGES; EVIDENCE.] *The amount of all future damages, including economic, noneconomic and*

*intangible loss reasonably certain to occur, must be ascertained at the time of trial without reference to projected inflationary or noninflationary changes. Evidence of noninflationary changes in earnings or earning capacity that are reasonably certain to occur are admissible, but this evidence is limited to the present value of the future changes without regard to inflationary changes. Projected increases in earnings or earning capacity dependent upon general economic statistics are not admissible.*

*Subd. 4. [DISCOUNT RATE.] The award calculated under subdivision 3 must be reduced to present value at the time of trial by application of a discount rate equal to:*

*(1) the average rate of interest on judgments under section 549.09 for the five calendar years immediately preceding the commencement of trial, rounded to the nearest one-tenth, less*

*(2) the average increase in the Consumer Price Index for all Urban Consumers, all items, as published by the U.S. Department of Labor, Bureau of Labor Statistics, rounded to the nearest one-tenth, for the same five-year period. If the Labor Department statistics are not published by the time of trial, the court shall employ the average increase over the most recent five-year period available in the published statistics.*

*In no instance may the discount rate fall below two percent or rise above six percent.*

Sec. 87. Minnesota Statutes 1985 Supplement, section 62B.05, is amended to read:

**62B.05 [TERM OF CREDIT LIFE INSURANCE AND CREDIT ACCIDENT AND HEALTH INSURANCE.]**

The term of any credit life insurance or credit accident and health insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor, except that, where a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to the indebtedness shall commence on the effective date of the policy. Where evidence of insurability is required and the evidence is furnished more than 30 days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date on which the insurance company determines the evidence to be satisfactory, and in that event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. The term of the insurance shall not extend more than 15 days beyond the scheduled maturity date of the indebtedness except when extended without additional cost to the debtor.

If an indebtedness is prepaid in full before its scheduled maturity, except by performance of the insurer's obligation under

the policy, the insurance shall be deemed canceled and a refund shall be paid or credited as provided in section 62B.08. *Upon prepayment in full, the creditor shall make the refund of unearned premium, unless the credit insurance was originated by a third party, in which case the creditor shall promptly notify the third party who shall make the refund.*

**Sec. 88. [549.23] [INTANGIBLE LOSSES; LIMITATIONS.]**

*Subdivision 1. [DEFINITION.] For purposes of this section, "intangible loss" means embarrassment, emotional distress, and loss of consortium. Intangible loss does not include pain, disability or disfigurement.*

*Subd. 2. [LIMITATION.] In civil actions, whether based on contract or tort, the amount of damages per person for intangible losses may not exceed \$400,000.*

*Subd. 3. [JURY NOT INFORMED OF LIMITATION.] The court may not inform the jury of the existence of the limitation in subdivision 2.*

*Subd. 4. [NOT NEW ACTION.] This section does not create a new cause of action for intangible loss.*

**Sec. 89. [549.24] [SPECIFIC DAMAGE FINDINGS BY JURY.]**

*The court shall require the jury to specify amounts for past damages and future damages as defined in section 86. Within each category of damages, the jury must further specify amounts for intangible loss as defined in section 88.*

**Sec. 90. [466.13] [INDEMNIFICATION BY STATE.]**

*Municipalities, when performing, as required or mandated by state law, inspections or investigations of persons prior to the issuance of state licenses, are employees of the state for purposes of the indemnification provisions of section 3.736, subdivision 9. A municipality is not, however, an employee of the state for purposes of this section if in hiring, supervising, or continuing to employ the person performing an inspection or investigation for the municipality, the municipality was clearly negligent.*

Sec. 91. Minnesota Statutes 1984, section 465.72, is amended to read:

**465.72 [SEVERANCE PAY.]**

*Subdivision 1. [PAYMENT; LIMITS.] Except as may otherwise be provided in Laws 1959, Chapter 690, as amended, any*

county, city, township, school district or other governmental subdivision may pay severance pay to its employees and promulgate rules for the payment of severance pay to an employee who leaves employment on or before or subsequent to the normal retirement date. Severance pay shall also include the payment of accumulated vacation leave, accumulated sick leave or a combination thereof. The severance pay shall be excluded from retirement deductions and from any calculations in retirement benefits. It shall be paid in a manner mutually agreeable to the employee and employer and, except as provided in subdivision 2, over a period not to exceed five years from retirement or termination of employment. If a retired or terminated employee dies before all or a portion of the severance pay has been disbursed, that balance due shall be paid to a named beneficiary or, lacking same, to the deceased's estate. Except as provided in subdivision 2, in no event shall severance pay provided for an employee leaving employment exceed an amount equivalent to one year of pay.

*Subd. 2. [EXCEPTIONS.] The provisions of subdivision 1 requiring that severance pay be paid over a period not to exceed five years from retirement or termination of employment and limiting severance pay to an amount equal to one year of pay do not apply to severance pay constituting compensation for accumulated sick leave in the form of periodic contributions toward premiums for group insurance policies provided for a former employee by a governmental subdivision.*

*This subdivision applies only to periodic contributions that have commenced before the effective date of this act or that are required under contracts, or, with respect to employees not covered by contracts, personnel policies, formally adopted by the governing body of the governmental subdivision, in existence on the effective date of this act. After the effective date of this act, a governmental subdivision may not enter into a contract or adopt a personnel policy providing for a payment in violation of subdivision 1. A personnel policy or portion of a personnel policy in existence on the effective date of this act and providing for a payment in violation of subdivision 1 is null and void (i) upon the expiration of a collective bargaining agreement containing a similar provision and covering employees of the governmental subdivision that has adopted the policy, or (ii) two years from the effective date of this act, whichever is earlier. Any payments by governmental subdivisions in accordance with this subdivision before the effective date of this act are validated.*

Sec. 92. Minnesota Statutes 1984, section 541.051, is amended to read:

**541.051 [LIMITATION OF ACTION FOR DAMAGES BASED ON SERVICES OR CONSTRUCTION TO IMPROVE REAL PROPERTY.]**

Subdivision 1. Except where fraud is involved, no action by any person in contract, tort, or otherwise to recover damages for

any injury to property, real or personal, or for bodily injury or wrongful death, arising out of the defective and unsafe condition of an improvement to real property, nor any action for contribution or indemnity for damages sustained on account of the injury, shall be brought against any person performing or furnishing the design, planning, supervision, materials, or observation of construction or construction of the improvement to real property or against the owner of the real property more than two years after discovery thereof, nor, in any event shall such a cause of action accrue more than (15) *ten* years after substantial completion of the construction. Date of substantial completion shall be determined by the date when construction is sufficiently completed so that the owner or his representative can occupy or use the improvement for the intended purpose.

Nothing in this section shall apply to actions for damages resulting from negligence in the maintenance, operation or inspection of the real property improvement against the owner or other person in possession.

Subd. 2. Notwithstanding the provisions of subdivision 1, in the case of an action which accrues during the (14TH) *ninth* or (15TH) *tenth* year after substantial completion of the construction, an action to recover damages may be brought within two years after the date on which the action accrued, but in no event may an action be brought more than (17) *twelve* years after substantial completion of the construction.

Subd. 3. Nothing in this section shall be construed as extending the period prescribed by the laws of this state for the bringing of any action.

Subd. 4. This section shall not apply to actions based on breach of the statutory warranties set forth in section 327A.02, or to actions based on breach of an express written warranty, provided such actions shall be brought within two years of the discovery of the breach.

**Sec. 93. [541.052] [LIMITATION OF ACTIONS FOR DAMAGES BASED ON ERRORS IN LAND SURVEYS.]**

*Subdivision 1. Except where fraud is involved, no action to recover damages for an error in the survey of land, nor any action for contribution or indemnity for damages sustained on account of an error, may be brought against any person performing the survey more than two years after the discovery of the error, nor in any event more than ten years after the date of the survey.*

*Subd. 2. Notwithstanding the provisions of subdivision 1, in the case of action which occurs during the ninth or tenth year after the date of the survey, an action to recover damages may*

*be brought within two years after the date on which the action occurred, but in no event may an action be brought more than twelve years after the date of the survey.*

Sec. 94. [REPEALER.]

*Minnesota Statutes 1984, section 70A.06, subdivision 4, is repealed.*

Sec. 95. [EFFECTIVE DATES.]

*Sections 2, 63 to 77, and 90 are effective July 1, 1986, and apply to claims arising from incidents that occur on or after that date.*

*Sections 60, 79, 82, and 83 apply to all actions commenced on or after the effective date of those sections. Sections 80, 84, 85, 86, 88, and 89 apply to actions pending on or commenced on or after the effective date of those sections.*

*Sections 3 to 59, 61, 62, 78, and 94 are effective the day following final enactment. Section 79 is effective January 1, 1987."*

#### Sec. 5. [216A.037] [RULES.]

*Subdivision 1. [EX PARTE COMMUNICATIONS.] The commission shall adopt rules under chapter 14 prescribing permissible and impermissible ex parte communications.*

*The ex parte rules may prohibit only ex parte communications by commission members with a party relating to:*

- (1) a material issue during a pending contested case proceeding;*
- (2) a material issue in a rulemaking proceeding after the beginning of commission deliberations;*
- (3) a material issue in a disputed formal petition; and*
- (4) any other communication impermissible by law.*

*A contested case is pending from the time the commission refers the matter to the office of administrative hearings until the commission has issued its final order, and the time to petition for reconsideration has expired or the commission has issued an order finally disposing an application for reconsideration, whichever is later.*

*Subd. 2. [COMMUNICATIONS PROHIBITED.] A commissioner shall not communicate, directly or indirectly, with a person or entity who is a party to a pending proceeding before the commission regarding past or future benefits or compensation to be received from that person or entity. The commission*

*may dismiss a proceeding if an applicant, petitioner, or complainant violates this subdivision.*

*Subd. 3. [CODE OF CONDUCT.] Except as limited by subdivision 1, the commission shall adopt rules prescribing a code of conduct for commissioners and employees of the commission. The code of conduct must include standards to preserve the quasi-judicial function of the commission.*

*The commission shall adopt emergency rules to implement this subdivision.*

Sec. 6. Minnesota Statutes 1984, section 216B.16, subdivision 1a, is amended to read:

Subd. 1a. [SETTLEMENT BARRED.] When a public utility proposes changes in general rates that would increase general rates paid by consumers (BY MORE THAN \$500,000 ANNUALLY), the commission (SHALL NOT) *may* approve the change (UNTIL AFTER REQUIRING THE OFFICE OF ADMINISTRATIVE HEARINGS TO CONDUCT) *without* a contested case hearing (ON, AT A MINIMUM, THE APPROPRIATE RATE BASE, EXPENSE AND REVENUE LEVELS FOR THE TEST YEAR, AND THE RATE OF RETURN. The commission shall accept or reject the settlement in its entirety and, at any time until its final order is issued in the case, may require the office of administrative hearings to conduct a contested case hearing.*

Sec. 7 Minnesota Statutes 1984, section 216B.16, subdivision 2, is amended to read:

Subd. 2. [SUSPENSION OF RATES; HEARING.] Whenever there is filed with the commission a schedule modifying or resulting in a change in any rates then in force as provided in subdivision 1, the commission may suspend the operation of the schedule by filing with the schedule of rates and delivering to the affected utility a statement in writing of its reasons for

the suspension at any time before the rates become effective. The suspension shall not be for a longer period than ten months beyond the initial filing date. During the suspension the commission shall determine whether all questions of the reasonableness of the rates requested raised by persons deemed interested or by the administrative division of the department of public service can be resolved to the satisfaction of the commission. If the commission finds that all significant issues raised have not been resolved to its satisfaction, or upon petition by ten percent of the affected customers or 250 affected customers, whichever is less, it shall refer the matter to the office of administrative hearings with instructions for a public hearing as a contested case pursuant to chapter 14, except as otherwise provided in this section. The commission may order that the issues presented by the proposed rate changes be bifurcated into two separate hearings as follows: (1) determination of the utility's revenue requirements and (2) determination of the rate design. Upon issuance of both hearing examiner reports, the issues shall again be joined for consideration and final determination by the commission. All prehearing discovery activities of state agency intervenors shall be consolidated and conducted by the department of public service. If the commission does not make a final determination concerning a schedule of rates within ten months after the initial filing date, the schedule shall be deemed to have been approved by the commission; *except if a settlement has been submitted to and rejected by the commission, the schedule is deemed to have been approved 12 months after the initial filing.* For the purposes of this section, "final determination" means the initial decision of the commission and not any order which may be entered by the commission in response to a petition for rehearing or other further relief. The commission may further suspend rates until it determines all those petitions.

Sec. 8. Minnesota Statutes 1984, section 237.075, subdivision 1a, is amended to read:

The Honorable David M. Jennings  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 1863, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1863 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1984, section 260.155, is amended by adding a subdivision to read:

*Subd. 1a. [RIGHT TO PARTICIPATE IN PROCEEDINGS.] A child who is the subject of a petition, and the parents, guardian, or custodian of the child, and any grandparent of the child with whom the child has resided within the past two years, have the right to participate in all proceedings on a petition.*

Sec. 2. Minnesota Statutes 1984, section 260.155, subdivision 8, is amended to read:

*Subd. 8. [WAIVER.] (a) Waiver of any right which a child has under this chapter must be an express waiver voluntarily and intelligently made by the child after the child has been fully and effectively informed of the right being waived. If a child is under 12 years of age, the child's parent, guardian or custodian shall give any waiver or offer any objection contemplated by this chapter.*

*(b) Waiver of a child's right to be represented by counsel provided under the juvenile court rules must be an express waiver voluntarily and intelligently made by the child after the child has been fully and effectively informed of the right being waived. In determining whether a child has voluntarily and intelligently waived the right to counsel, the court shall look to the totality of the circumstances which includes but is not limited to the child's age, maturity, intelligence, education, experience, and ability to comprehend, and the presence and competence of the child's parents, guardian, or guardian ad litem. If the court accepts the child's waiver, it shall state on the record the findings and conclusions that form the basis for its decision to accept the waiver.*

Sec. 3. Minnesota Statutes 1985 Supplement, section 290.92, subdivision 15, is amended to read:

*Subd. 15. [PENALTIES.] (1) In the case of any failure to withhold a tax on wages, make and file quarterly returns or make payments to or deposits with the commissioner of amounts withheld, as required by this section, within the time prescribed by law, there shall be added to the tax a penalty equal to ten percent of the amount of tax that should have been properly withheld and paid over to or deposited with the commissioner*

if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which the failure continues, not exceeding 25 percent in the aggregate. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The amount added to the tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the negligence, in which case the amount added shall be collected in the same manner as the tax.

(2) If any employer required to withhold a tax on wages, make deposits, make and file quarterly returns and make payments to the commissioner of amounts withheld, as required by sections 290.92 to 290.97, willfully fails to withhold the tax or make the deposits, files a false or fraudulent return, willfully fails to make the payment or deposit, or willfully attempts in any manner to evade or defeat the tax or the payment or deposit of it, there shall also be imposed on the employer as a penalty an amount equal to 50 percent of the amount of tax, less any amount paid or deposited by the employer on the basis of the false or fraudulent return or deposit, that should have been properly withheld and paid over or deposited with the commissioner. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The penalty imposed by this paragraph shall be collected as a part of the tax, and shall be in addition to any other penalties civil and criminal, prescribed by this subdivision.

(3) If any person required under the provisions of subdivision 7 to furnish a statement to an employee or payee and a duplicate statement to the commissioner, or to furnish a reconciliation of the statements, and quarterly returns, to the commissioner, willfully furnishes a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements, and quarterly returns, to the commissioner, or willfully fails to furnish a statement or the reconciliation in the manner, at the time, and showing the information required by the provisions of subdivision 7, or rules prescribed by the commissioner thereunder, there shall be imposed on the person a penalty of \$50 for each act or failure to act, but the total amount imposed on the delinquent person for all such failures during any calendar year shall not exceed \$25,000. The penalty imposed by this paragraph is due and payable within ten days after the mailing of a written demand therefor, and may be collected in the manner prescribed in subdivision 6, paragraph (8).

(4) In addition to any other penalties prescribed, any person required to withhold a tax on wages, (MAKE AND) file quarterly returns, and make payments or deposits to the commissioner of amounts withheld, as required by this section, who *attempts to*

*evade the tax by (i) willfully (FAILS) failing to withhold the tax (OR TRUTHFULLY MAKE AND), file the (QUARTERLY) return, or make the payment or deposit, or (ATTEMPTS TO EVADE OR DEFEAT THE TAX) (ii) willfully preparing or filing a false return, is guilty of a gross misdemeanor unless the tax involved exceeds \$300, in which event he is guilty of a felony.*

(5) In lieu of any other penalty provided by law, except the penalty provided by paragraph (3), any person required under the provisions of subdivision 7 to furnish a statement of wages to an employee and a duplicate statement to the commissioner, who willfully furnishes a false or fraudulent statement of wages to an employee or a false or fraudulent duplicate statement of wages to the commissioner, or who willfully fails to furnish a statement in the manner, at the time, and showing the information required by the provisions of subdivision 7, or rules prescribed by the commissioner thereunder, is guilty of a gross misdemeanor.

(6) Any employee required to supply information to his employer under the provisions of subdivision 5, who willfully fails to supply information or willfully supplies false or fraudulent information thereunder which would require an increase in the tax to be deducted and withheld under subdivision 2a or 3, is guilty of a gross misdemeanor.

(7) The term "person," as used in this section, includes an officer or employee of a corporation, or a member or employee of a partnership, who as an officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(8) All payments received may, in the discretion of the commissioner of revenue, be credited first to the oldest liability not secured by a judgment or lien, but in all cases shall be credited first to penalties, next to interest, and then to the tax due.

(9) In addition to any other penalty provided by law, any employee who furnishes a withholding exemption certificate to his employer which the employee has reason to know contains a materially incorrect statement is liable to the commissioner of revenue for a penalty of \$500 for each instance. The penalty is immediately due and payable and may be collected in the same manner as any delinquent income tax.

(10) In addition to any other penalty provided by law, any employer who fails to submit a copy of a withholding exemption certificate required by subdivision 5a, clause (1) (a), (1) (b), or (2) is liable to the commissioner of revenue for a penalty of \$50 for each instance. The penalty is immediately due and payable and may be collected in the manner provided in subdivision 6, paragraph (8).

(11) Any person who willfully aids or assists in, or procures, counsels, or advises the preparation or presentation under, or in connection with any matter arising under this section, of a return, affidavit, claim, or other document, which is fraudulent or false as to any material matter, whether or not the falsity or fraud is with the knowledge or consent of the person authorized or required to present the return, affidavit, claim, or document, is guilty of a gross misdemeanor, unless the tax involved exceeds \$300, in which event he is guilty of a felony.

(12) Notwithstanding the provisions of section 628.26, or any other provision of the criminal laws of this state, an indictment may be found and filed, upon any criminal offense specified in this subdivision, in the proper court within six years after the commission of the offense.

Sec. 4. Minnesota Statutes 1985 Supplement, section 609.531, subdivision 2, is amended to read:

Subd. 2. [FORFEITURES OF CONVEYANCE DEVICES; COMMUNICATIONS DEVICES; PRIMARY CONTAINERS; WEAPONS USED; AND CONTRABAND PROPERTY.] (a) Proceeds that are derived from or traced to the commission of a designated offense, conveyance devices, communications devices or components, primary containers, and weapons associated with the commission or utilized in the commission of a designated offense, and all contraband property shall be subject to forfeiture with the following limitations:

((A)) (1) No conveyance device, communications device or component or primary container used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless the owner or other person in charge of the conveyance, container, or communications device or component is a consenting party or privy to commission of a designated offense.

((B)) (2) No conveyance device, communications device or component, primary container, or weapon used is subject to forfeiture under this section unless the owner of it is privy to a violation of a designated offense or unless the use of the conveyance device, communications device or component, primary container, or weapon in a violation occurred with his knowledge or consent.

((C)) (3) A forfeiture of a conveyance device, communications device or component, primary container, or weapon used encumbered by a bona fide security interest is subject to the interest of the secured party unless he had knowledge of or consented to the act or omission upon which the forfeiture is based.

((D)) (4) Proceeds which are derived from or traced to the commission of a designated offense are subject to forfeiture un-

der this section only to the extent that the owner of the proceeds was privy to the violation upon which the forfeiture action is based.

*(b) Any property acquired during or after the commission of the designated offense shall be presumed to be proceeds derived from or traced to the commission of a designated offense and subject to forfeiture under paragraph (a). The burden of rebutting this presumption is upon the claimant.*

Subdivision 1. [COVERAGE.] The following employees, if they are in the unclassified service of the state and are eligible for coverage under the (MINNESOTA) state *employees* retirement (SYSTEM) *fund*, shall participate in the unclassified program unless an employee gives notice to the executive director of the state retirement system within one year following the commencement of employment in the unclassified service that the employee desires coverage under the regular employee plan. For the purposes of this chapter, an employee who does not file notice with the executive director shall be deemed to have exercised the option to participate in the unclassified plan.

(1) any employee in the office of the governor, lieutenant governor, secretary of state, state auditor, state treasurer, attorney general or the state board of investment,

(2) the head of any department, division, or agency created by statute in the unclassified service, an acting department head subsequently appointed to the position, or any employee enumerated in section 15A.081, subdivision 1 or 15A.083, subdivision 4,

(3) any permanent, full-time unclassified employee of the legislature or any commission or agency of the legislature or a temporary legislative employee having shares in the supplemental retirement fund as a result of former employment covered by this chapter, whether or not eligible for coverage under the Minnesota state retirement system,

(4) any person employed in a position established pursuant to section 43A.08, subdivision 1, clause (c), or subdivision 1a or in a position authorized under a statute creating or establishing a department or agency of the state, which is at the deputy or assistant head of department or agency or director level,

(5) the chair, chief administrator, and not to exceed nine positions at the division director or administrative deputy level of the metropolitan waste control commission as designated by the commission; the chair, executive director, and not to exceed three positions at the division director or assistant to the chair level of the regional transit board; a chief administrator who is an employee of the metropolitan transit commission; and the chair, executive director, and not to exceed nine positions at the division director or administrative deputy level of the metropolitan council as designated by the council; provided that upon initial designation of all positions provided for in this clause, no further designations or redesignations shall be made without approval of the board of directors of the Minnesota state retirement system,

(6) the executive director, associate executive director, and not to exceed nine positions of the higher education coordinating board in the unclassified service, as designated by the higher education coordinating board; provided that upon initial designation of all positions provided for in this clause, no further designations or redesignations shall be made without approval of the board of directors of the Minnesota state retirement system,

(7) the clerk of the appellate courts appointed pursuant to Article VI, Section 2, of the Constitution of the state of Minnesota,

(8) the chief executive officers of correctional facilities operated by the department of corrections and of hospitals and nursing homes operated by the department of human services,

(11) any employee of the world trade center board.

*Subd. 1a. The following employees if they are eligible for coverage under the state employees retirement fund, or the teachers retirement association, or would have been eligible for coverage under those funds but for this subdivision, shall participate in the plan, subject to the provisions of subdivision 5 and section 36, and have social security coverage under the agreement between the state and the secretary of health and human services: the chancellor, university presidents, and unclassified managerial employees in the state university system employed at the level of dean or higher.*

**Subd. 1b.** Any person who on the day before June 30, 1982 is a participant in the state unclassified employees retirement program, whose position is placed in the classified service pursuant to Laws 1982, Chapter 560, may elect to maintain membership in the unclassified program as long as the person holds the position or a position in a higher class in the same agency. When an unclassified position which entitles a person to participate in the unclassified retirement program is placed in the classified service, the commissioner of employee relations shall send written notice to the incumbent of the position, and to the director of the Minnesota state retirement system. This notice shall state the incumbent's option under this subdivision. A person eligible to maintain membership in the unclassified plan shall notify the executive director of the state retirement system of the person's election to maintain membership in the unclassified plan within 60 days of the date on which the commissioner sends the notice stating that the position has been placed in the classified service. A person who does not file this notice shall be deemed to have waived the right to remain in the unclassified plan.

**Subd. (1B) 1c.** An employee covered by the regular plan who is subsequently employed as a permanent, full-time unclassified employee of the legislature or any commission or agency of the legislature may elect to transfer accumulated employee and matching employer contributions, as provided in section 352D.03.

Any person employed in a position spec-

ified in subdivision 1 shall cease to participate in the unclassified program in the event his position is placed in the classified service.

Subd. 3. An election to not participate is irrevocable during any period of covered employment. An employee with employee shares to his credit in the unclassified program, after acquiring credit for ten years of allowable service but prior to termination of covered employment, may, notwithstanding other provisions of this subdivision, elect to terminate his participation in the unclassified plan and be covered by the regular plan by filing such election with the executive director. The executive director shall thereupon redeem the employee's total shares and shall credit to the employee's account in the regular plan the amount of contributions that would have been so credited had the employee been covered by the regular plan during his entire covered employment. The balance of moneys so redeemed and not credited to the employee's account shall be transferred to the state contribution reserve of the state employees retirement fund, except that the employee contribution paid to the unclassified plan in excess of that required by the general employee plan shall be refunded to the employee as provided in section 352.22.

Subd. 4. When any person elects participation in the unclassified program all contributions from the time first eligible to make such an election shall be covered by the program.

*Subd. 5. An employee in a position with retirement coverage under the basic program in the teachers retirement association is not entitled to participate in the plan unless the employee leaves the position and begins employment more than 30 days later in a position with retirement coverage under the plan.*

*If an application for retirement is filed with the board during the 90-day period immediately following the termination of teaching service, the annuity may begin to accrue as if the application for retirement had been filed with the board on the date teaching service terminated. Sec. 17. Minnesota Statutes 1984, section 354.46, subdivision 2, is amended to read:

Sections 354.44, subdivisions 6 and 7, and 354.60 apply to a deferred annuity payable under this section.* If the member was a participant in the variable annuity division, the applicable portion of the benefit shall be computed pursuant to section 354.62, subdivision 5, clause (1). The benefit shall be payable for life.

Sec. 18. Minnesota Statutes 1985 Supplement, section 354.55, subdivision 11, is amended to read:

Subd. 11. Any person covered under section 354.44, subdivisions 6 and 7, who ceases to render teaching service may leave the person's accumulated deductions in the fund for the purpose of receiving a deferred annuity at retirement. Eligibility for an annuity under this subdivision shall be governed pursuant to section 354.44, subdivision 1, or 354.60.

The amount of the deferred retirement annuity shall be determined by section 354.44, subdivisions 6 and 7, and augmented as provided herein. The required reserves related to that portion of the annuity which had accrued at the time the member ceased to render teaching service shall be augmented by interest compounded annually from the first day of the month following the month during which the member ceased to render teaching service to the effective date of retirement. There shall be no augmentation if this period is less than three months or if this period commences prior to July 1, 1971. The rates of interest used for this purpose shall be five percent commencing July 1, 1971, until January 1, 1981, and three percent thereafter. If a person has more than one period of uninterrupted service, *a separate average salary determined under section 354.44, subdivision 6, must be used for each period* and the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the basis for purchasing the deferred annuity. If a person does not render teaching service in any one or more consecutive fiscal years and then resumes teaching service, the formula percentages used from date of resumption will be those applicable to new members. The mortality table and interest assumption contained therein used to compute the annuity shall be determined by the law in effect at the time of the member's retirement. A period of uninterrupted service for the purposes of this subdivision shall mean a period of covered teaching service during which the member has not been separated from active service for more than one fiscal year.

The provisions of this subdivision shall not apply to variable account accumulations as defined in section 354.05, subdivision 23.

In no case shall the annuity payable herein be less than the amount of annuity payable pursuant to section 354.44, subdivisions 6 and 7.

The requirements and provisions for retirement prior to age 65 contained in section 354.44, subdivision 6, clause (2) shall also apply to an employee fulfilling the requirements with a combination of service as provided in section 354.60.

The augmentation provided by this subdivision shall not apply to any period in which a person is on an approved leave of ab-

sence from an employer unit covered by the provisions of this chapter.

For funds governed by chapter 354A, preretirement and postretirement assumptions of eight percent and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.065 multiplied by the salary for the preceding year, but the payment of post-retirement adjustments to retirees shall be based on the methods specified in the bylaws of the fund as approved by the legislature. For all other funds, a preretirement interest assumption of five percent, a postretirement interest assumption of five percent, and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.035 multiplied by the salary for the preceding year must be used.

Sec. 4. Minnesota Statutes 1984, section 273.72, is amended to read:

273.72 [STATEMENT OF PURPOSE.]

The statutes governing the use of tax increment financing in Minnesota have evolved over a long period of time and exist in several different special and general laws. These laws are sometimes inconsistent and provide varying procedures which render them difficult to administer. It is the intent of the legislature, by enacting the Minnesota tax increment financing act, to ratify and confirm the findings, declarations and determinations made by the legislature in connection with chapters 362A, 458, *sections 13 to 33*, 462, 472A and 474 and to establish a uniform set of standards and procedures to be followed when using this method of financing.

Sec. 5. Minnesota Statutes 1984, section 273.73, subdivision 2, is amended to read:

Subd. 2. [AUTHORITY.] "Authority" means a rural development financing authority created pursuant to chapter 362A, a housing and redevelopment authority created pursuant to chapter 462; a port authority created pursuant to chapter 458; *an economic development authority created pursuant to sections 13 to 33*; a redevelopment agency as defined by chapter 474; a municipality which is administering a development district created pursuant to chapter 472A or any special law, a municipality which undertakes a project pursuant to chapter 474; or a municipality which exercises the powers of a port authority pursuant to any general or special law.

Sec. 6. Minnesota Statutes 1984, section 273.73, subdivision 8, is amended to read:

Subd. 8. [PROJECT.] "Project" means a project as defined in section 362A.01; an industrial development district as defined in section 458.191, subdivision 1; *an economic development district as defined in section 25, subdivision 1*; a project as defined in section 462.421, subdivision 14; a development district

as defined in chapter 472A or any special law; or a project as defined in section 474.02, subdivisions 1, 1a or 1b.

Sec. 7. Minnesota Statutes 1985 Supplement, section 273.75, subdivision 4, is amended to read:

Subd. 4. [LIMITATION ON USE OF TAX INCREMENT.] All revenues derived from tax increment shall be used in accordance with the tax increment financing plan. The revenues shall be used solely for the following purposes: (a) to pay the principal of and interest on bonds issued to finance a project; (b) by a rural development financing authority for the purposes stated in section 362A.01, subdivision 2, by a port authority or municipality exercising the powers of a port authority to finance or otherwise pay the cost of redevelopment pursuant to chapter 458, *by an economic development authority to finance or otherwise pay the cost of redevelopment pursuant to sections 13 to 33*, by a housing and redevelopment authority or *economic development authority* to finance or otherwise pay public redevelopment costs pursuant to chapter 462, by a municipality or *economic development authority* to finance or otherwise pay the capital and administration costs of a development district pursuant to chapter 472A, by a municipality or redevelopment agency to finance or otherwise pay premiums for insurance or other security guaranteeing the payment when due of principal of and interest on the bonds pursuant to chapters 462C, 474, or both chapters, or to accumulate and maintain a reserve securing the payment when due of the principal of and interest on the bonds pursuant to chapters 462C, 474, or both chapters, which revenues in the reserve shall not exceed, subsequent to the fifth anniversary of the date of issue of the first bond issue secured by the reserve, an amount equal to 20 percent of the aggregate principal amount of the outstanding and nondefeased bonds secured by the reserve. Revenues derived from tax increment may be used to finance the costs of an interest reduction program operated pursuant to section 462.445, subdivisions 10 to 13, or pursuant to other law granting interest reduction authority and power by reference to those subdivisions only under the following conditions: (a) tax increments may not be collected for a program for a period in excess of 12 years after the date of the first interest rate reduction payment for the program, (b) tax increments may not be used for an interest reduction program, if the proceeds of bonds issued pursuant to section 273.77 after December 31, 1985, have been or will be used to provide financial assistance to the specific project which would receive the benefit of the interest reduction program, and (c) not more than 50 percent of the estimated tax increment derived from a project may be used to finance an interest reduction program for owner-occupied single-family dwellings unless a project is located either in an area which would qualify as a redevelopment district or within a city designated as an enterprise zone pursuant to section 273.1312, subdivision 4, clause (c)(3). These revenues shall not be used to circumvent existing levy limit law.

No revenues derived from tax increment shall be used for the construction or renovation of a municipally owned building used primarily and regularly for conducting the business of the municipality; this provision shall not prohibit the use of revenues derived from tax increments for the construction or renovation of a parking structure, a commons area used as a public park or a facility used for social, recreational or conference purposes and not primarily for conducting the business of the municipality.

Sec. 14. [458C.03] [ECONOMIC DEVELOPMENT AUTHORITY; ESTABLISHMENT.]

*A city may, by adopting an enabling resolution in compliance with the procedural requirements of section 16, establish an economic development authority that, subject to section 15, has the powers contained in sections 13 to 33 and a housing and redevelopment authority under chapter 462 or other law, and a city under chapter 472A or other law. If the economic development authority exercises the powers of a housing and redevelopment authority contained in chapter 462 or other law, the city shall exercise the powers relating to a housing and redevelopment authority granted to a city by chapter 462 or other law.*

Sec. 15. [458C.04] [LIMIT OF POWERS.]

*Subdivision 1. [RESOLUTION.] The enabling resolution may impose the following limits upon the actions of the authority:*

*(1) that the authority must not exercise any specified powers contained in sections 13 to 33, chapters 462 and 472A or that the authority must not exercise any powers without the prior approval of the city council;*

*(2) that, except when previously pledged by the authority, the city council may, by resolution, require the authority to transfer any portion of the reserves generated by activities of the authority that the city council determines is not necessary for the successful operation of the authority, to the debt service fund of the city, to be used solely to reduce tax levies for bonded indebtedness of the city;*

*(3) that the sale of all bonds or obligations issued by the authority be approved by the city council before issuance;*

*(4) that the authority follow the budget process for city departments as provided by the city and as implemented by the city council and mayor;*

*(5) that all official actions of the authority must be consistent with the adopted comprehensive plan of the city, and any official controls implementing the comprehensive plan;*

*(6) that the authority submit all planned activities for influencing the action of any other governmental agency, subdivision, or body to the city council for approval;*

*(7) that the authority submit its administrative structure and management practices to the city council for approval; and*

*(8) any other limitation or control established by the city council by the enabling resolution.*

*Subd. 2. [MODIFICATION OF RESOLUTION.] The enabling resolution may be modified at any time, subject to subdivision 5, and provided that any modification is made in accordance with section 15.*

*Subd. 3. [REPORT ON RESOLUTION.] Without limiting the right of the authority to petition the city council at any time, each year, within 60 days of the anniversary date of the first adoption of the enabling resolution, the authority shall submit to the city council a report stating whether and how the enabling resolution should be modified. Within 30 days of receipt of the recommendation, the city council shall review the enabling resolution, consider the recommendations of the authority, and make any modification it considers appropriate. Modifications must be made in accordance with the procedural requirements of section 16.*

*Subd. 4. [COMPLIANCE.] The city council's determination that the authority has complied with the limitations imposed under this section is conclusive.*

*Subd. 5. [LIMITS; SECURITY.] Limits imposed under this section must not be applied in a manner that impairs the security of any bonds issued or contracts executed before the limit is imposed. The city council must not modify any limit in effect at the time any bonds or obligations are issued or contracts executed to the detriment of the holder of the bonds or obligations or any contracting party.*

**Sec. 16. [458C.05] [PROCEDURAL REQUIREMENT.]**

*Subdivision 1. [ENABLING RESOLUTION.] The creation of an authority by a city must be by written resolution known as the enabling resolution. Before adopting the enabling resolution, the city council shall conduct a public hearing. Notice of the time and place of hearing, a statement of the purpose of the hearing, and a summary of the resolution must be published in a newspaper of general circulation within the city once a week for two consecutive weeks. The first publication must appear not more than 30 days from the date of the public hearing.*

*Subd. 2. [MODIFICATIONS.] All modifications to the enabling resolution must be by written resolution and must be adopted after notice is given and a public hearing conducted as required for the original adoption of the enabling resolution.*

*Subdivision 1. [ECONOMIC DEVELOPMENT, HOUSING, REDEVELOPMENT POWERS.] The city may, by ordinance, divide any economic development, housing, and redevelopment*

*powers granted under chapter 462 and this chapter between the economic development authority and any other authority or commission established under statute or city charter for economic development, housing, or redevelopment.*

*Subd. 2. [PROJECT CONTROL, AUTHORITY, OPERATION.] The city may, by resolution, transfer the control, authority, and operation of any project as defined in section 273.73, subdivision 8, or any other program or project authorized by chapter 462 or 472A located within the city, from the governmental agency or subdivision that established the project to the economic development authority. The city council may also require acceptance of control, authority, and operation of the project by the economic development authority. The economic development authority may exercise all of the powers that the governmental unit establishing the project could exercise with respect to the project.*

*When a project or program is transferred to the economic development authority, the authority shall covenant and pledge to perform the terms, conditions, and covenants of the bond indenture or other agreements executed for the security of any bonds issued by the governmental subdivision that initiated the project or program. The economic development authority may exercise all of the powers necessary to perform the terms, conditions, and covenants of any indenture or other agreements executed for the security of the bonds and shall become obligated on the bonds when the project or program is transferred as provided in this subdivision.*

*Subd. 3. [TRANSFER OF PERSONNEL.] Notwithstanding any other law or charter provision to the contrary, the city council may, by resolution, place any employees of the housing and redevelopment authority under the direction, supervision, or control of the economic development authority. The placement of any employees under the direction, supervision, or control of the economic development authority does not affect the rights of any employees of the housing and redevelopment authority, including any rights existing under a collective bargaining agreement or fringe benefit plan. The employees shall become employees of the economic development authority.*

**Sec. 18. [458C.07] [ECONOMIC DEVELOPMENT AUTHORITY.]**

*An economic development authority is a public body corporate and politic and a political subdivision of the state with the right to sue and be sued in its own name. An authority carries out an essential governmental function when it exercises its power, but the authority is not immune from liability because of this.*

**Sec. 19. [458C.08] [COMMISSIONERS; APPOINTMENT, TERMS, VACANCIES, PAY, REMOVAL.]**

*Subdivision 1. [COMMISSIONERS.] Except as provided in subdivision 2, clause (d), an economic development authority shall consist of either three, five, or seven commissioners who shall be appointed after the enabling resolution provided for in section 16 becomes effective. A vacancy for this or another reason must be filled for the balance of the unexpired term, in the manner in which the original appointment was made. The city council may set the term of the commissioners who are members of the city council to coincide with their term of office as members of the city council.*

*Subd. 3. [INCREASE IN COMMISSION MEMBERS.] An authority may be increased from three to five or seven members, or from five to seven members by a resolution adopted by the city council following the procedure provided for modifying the enabling resolution in section 16.*

*Subd. 4. [COMPENSATION AND REIMBURSEMENT.] A commissioner, including the president, shall be paid for attending each regular or special meeting of the authority in an amount to be determined by the city council. *Subd. 7. [PUBLIC MONEY.] Authority money is public money.*

*Subd. 8. [CHECKS.] An authority check must be signed by the treasurer and one other officer named by the authority in a resolution. The check must state the name of the payee and the nature of the claim that the check is issued for.*

*Subd. 9. [FINANCIAL STATEMENT.] The authority's detailed financial statement must show all receipts and disbursements, their nature, the money on hand, the purposes to which the money on hand is to be applied, the authority's credits and assets, and its outstanding liabilities in a form required for the city's financial statements. The authority shall examine the statement together with the treasurer's vouchers. If the authority finds that the statement and vouchers are correct, it shall approve them by resolution and enter the resolution in its records.*

**Sec. 23. [458C.12] [DEPOSITORIES; DEFAULT; COLLATERAL.]**

*Subdivision 1. [NAMED; BOND.] Every two years an authority shall name national or state banks within the state as depositories. Before acting as a depository, a named bank shall give the authority a bond approved as to form and surety by the authority. *Subd. 3. However, an authority may accept assignments of collateral from its depository to secure deposits just as assignments of collateral are permitted by law to secure deposits of the authority's city.*

**Sec. 24. [458C.13] [OBLIGATIONS.]**

*Subdivision 1. [TAXES AND ASSESSMENTS PROHIBITED.] An authority must not levy a tax or special assessment, except as otherwise provided in sections 13 to 33, pledge the credit of the state or the state's municipal corporations or other subdivisions, or incur an obligation enforceable on property not owned by the authority.*

The needed amount is what is needed in excess of any expected receipts from other sources.*

*Subd. 3. [FISCAL YEAR.] The fiscal year of the authority must be the same as the fiscal year of its city.*

*Subd. 4. [REPORT TO CITY.] Annually, at a time and in a form fixed by the city council, the authority shall make a written report to the council giving a detailed account of its activities and of its receipts and expenditures during the preceding calendar year, together with additional matters and recommendations it deems advisable for the economic development of the city.*

*Subd. 5. [AUDITS.] The financial statements of the authority must be prepared, audited, filed, and published or posted in the manner required for the financial statements of the city that established the authority. The financial statements must permit comparison and reconciliation with the city's accounts and financial reports. The report must be filed with the state auditor by June 30 of each year. The auditor shall review the report and may accept it or, in the public interest, audit the books of the authority.*

*Subd. 6. [COMPLIANCE EXAMINATIONS.] At the request of the city or upon the auditor's initiative, the state auditor may make a legal compliance examination of the authority for that city. Each authority examined must pay the total cost of the examination, including the salaries paid to the examiners while actually engaged in making the examination. The state auditor may bill monthly or at the completion of the audit. All collections received must be deposited in the revolving fund of the state auditor.*

**Sec. 25. [458C.14] [ECONOMIC DEVELOPMENT DISTRICTS; SCHEDULE OF POWERS.]**

*Subdivision 1. [ESTABLISHMENT.] An economic development authority may create and define the boundaries of economic development districts at any place or places within the city if the district satisfies the requirements of section 273.73,*

*subdivision 10, except that the district boundaries must be contiguous, and may use the powers granted in sections 13 to 33 to carry out its purposes. First the authority must hold a public hearing on the matter. At least ten days before the hearing, the authority shall publish notice of the hearing in a daily newspaper of general circulation in the city. Also, the authority shall find that an economic development district is proper and desirable to establish and develop within the city.*

*Subd. 2. [ACQUIRE PROPERTY.] The economic development authority may acquire by lease, purchase, gift, devise, or condemnation proceedings the needed right, title, and interest in property to create economic development districts. It shall pay for the property out of money it receives under sections 13 to 33. It may hold and dispose of the property subject to the limits and conditions in sections 13 to 33. The title to property acquired by condemnation or purchase must be in fee simple, absolute. The authority may accept an interest in property acquired in another way subject to any condition of the grantor or donor. The condition must be consistent with the proper use of the property under sections 13 to 33. Property acquired, owned, leased, controlled, used, or occupied by the authority for any of the purposes of this section is for public governmental and municipal purposes and is exempt from taxation by the state or by its political subdivisions. The exemption applies only while the authority holds property for its own purpose. The exemption is subject to the provisions of section 272.02, subdivision 5. When property is sold it begins to be taxed again.*

*Subd. 2a. [OPTIONS.] The economic development authority may sign options to purchase, sell, or lease property.*

*Subd. 3. [EMINENT DOMAIN.] The economic development authority may use eminent domain under chapter 117, or under its city's charter to acquire property it is authorized to acquire by condemnation. The authority may acquire in this way property acquired by its owner by eminent domain or property already devoted to a public use only if its city's council approves. The authority may possess property to be condemned after it files a petition in condemnation proceedings describing the property. The authority may abandon the condemnation before taking possession.*

*Subd. 4. [CONTRACTS.] The economic development authority may make contracts for the purpose of economic development within the powers given it in sections 13 to 33. The authority may contract or arrange with the federal government, or any of its departments, with persons, public corporations, the state, or any of its political subdivisions, commissions, or agencies, for separate or joint action, on any matter related to using the authority's powers or doing its duties. The authority may contract to purchase and sell real and personal property. However, an*

*obligation or expense must not be incurred except when existing appropriations together with the reasonable expected revenue of the authority from other sources are sufficient to discharge the obligation or pay the expense when due. The state and its municipal subdivisions are not liable on the obligations.*

*Subd. 4a. [LIMITED PARTNER.] The economic development authority may be a limited partner in a partnership whose purpose is consistent with the authority's purpose.*

*Subd. 5. [RIGHTS; EASEMENTS.] The economic development authority may acquire rights or an easement for a term of years or perpetually for development of an economic development district.*

*Subd. 6. [SUPPLIES; MATERIALS.] The economic development authority may buy the supplies and materials it needs to carry out this section.*

*Subd. 7. [RECEIVE PUBLIC PROPERTY.] The economic development authority may accept land, money, or other assistance, whether by gift, loan or otherwise, in any form from the federal or state government, or an agency of either, or a local subdivision of state government to carry out sections 13 to 33 and to acquire and develop an economic development district and its facilities under this section.*

*Subd. 8. [DEVELOPMENT DISTRICT AUTHORITY.] The economic development authority may sell or lease land held by it for economic development in economic development districts. The authority may acquire, sell, or lease single or multiple tracts of land regardless of size, to be developed as a part of the economic development of the district under sections 13 to 33.*

*Subd. 9. [FOREIGN TRADE ZONE.] The economic development authority may apply to the board defined in United States Code, title 19, section 81a, for the right to use the powers provided in United States Code, title 19, sections 81a to 81u. If the right is granted, the authority may use the powers. One authority may apply with another authority.*

*Subd. 10. [RELATION TO CHAPTER 474.] The economic development authority may exercise powers and duties of a redevelopment agency under chapter 474, for a purpose in sections 13 to 33 or 462.411 to 462.705. The authority may also use the powers and duties in sections 13 to 33 and 462.411 to 462.705 for a purpose in chapter 474.*

*Subd. 11. [PUBLIC FACILITIES.] The authority may operate and maintain a public parking facility or other public facility to promote development in an economic development district.*

## Sec. 26. [458C.15] [GENERAL OBLIGATION BONDS.]

*Subdivision 1. [AUTHORITY; PROCEDURE.] An economic development authority may issue general obligation bonds in the principal amount authorized by two-thirds majority vote of its city's council. The bonds may be issued in anticipation of income from any source. The bonds may be issued: (1) to secure funds needed by the authority to pay for acquired property or (2) for other purposes in sections 13 to 33. The bonds must be in the amount and form and bear interest at the rate set by the city council. The authority shall sell the bonds to the highest bidder. The authority shall publish notice of the time and the place for receiving bids, once at least two weeks before the bid deadline. Sections 13 to 33 govern issuance of the bonds. When those sections are silent, chapter 475 governs. The authority when issuing the bonds is a municipal corporation under chapter 475, and issuance of the bonds is subject to the provisions of chapter 475.*

*Subd. 2. [DETAIL; MATURITY.] The authority with the consent of its city's council shall set the date, denominations, place of payment, form, and details of the bonds. The bonds must mature serially. The first installment is due in not more than three years and the last in not more than 20 years from the date of issuance.*

*Subd. 3. [SIGNATURES; COUPONS; LIABILITY.] The bonds must be signed by the president of the authority, be attested by its secretary, and be countersigned by its treasurer; the signatures may be facsimile signatures. The interest coupons if any, must be attached to the bonds. The coupons must be executed and authenticated by the printed, engrossed, or lithographed facsimile signature of the authority's president and secretary. The bonds do not impose any personal liability on a member of the authority.*

*Subd. 4. [PLEDGE.] The bonds must be secured by the pledge of the full faith, credit, and resources of the issuing authority's city. The authority may pledge the full faith, credit, and resources of the city only if the city specifically authorizes the authority to do so. The city council must first decide whether the issuance of the bonds by the authority is proper in each case and if so, what amount of bonds to issue. The city council shall give specific consent in an ordinance to the pledge of the city's full faith, credit, and resources. The authority shall pay the principal amount of the bonds and the interest on it from taxes levied under this section to make the payment or from authority income from any source.*

*Subd. 5. [TAX LEVY.] An authority that issues bonds under this section, shall, before issuing them, levy a tax for each year on the taxable property in the authority's city. The tax must be for at least five percent more than the amount required to pay the principal and interest on the bonds as the principal*

*and interest mature. The tax must be levied annually until the principal and interest are paid in full. After the bonds have been delivered to the purchasers, the tax must not be repealed until the debt is paid. After the bonds are issued, the authority need not take any more action to authorize extending, assessing, and collecting the tax. The authority's secretary shall immediately send a certified copy of the levy to the county auditor. The secretary shall send with the copy full information on the bonds for which the tax is levied. The county auditor shall extend and assess the levied tax annually until the principal and interest are paid in full. The authority shall transfer the surplus from the excess levy in this section to a sinking fund after the principal and interest for which the tax was levied and collected is paid. The authority may direct its secretary to send a certificate to the county auditor before October 15 in a year. The certificate must state how much available income including the amount in the sinking fund the authority will use to pay principal or interest or both on each specified issue of the authority's bonds. The auditor shall then reduce the bond levy for that year by that amount. The authority shall then set aside the certified amount and may not use it for any purpose except to pay the principal and interest on the bonds. The taxes in this section shall be collected and sent to the authority by the county treasurer under the law on collection of other taxes. The taxes must be used only to pay the bonds when due.*

*Subd. 6. [AUTHORIZED SECURITIES.] Bonds legally issued under this chapter are authorized securities under section 50.14. A savings bank, trust company, or insurance company may invest in them. A public or municipal corporation may invest its sinking funds in them. The bonds may be pledged by a bank or trust company as security for the deposit of public money in place of a surety bond.*

*The authority's bonds are instrumentalities of a public governmental agency.*

**Sec. 27. [458C.16] [REVENUE BONDS; PLEDGE; COVENANTS.]**

*Subdivision 1. [AUTHORITY.] An economic development authority may decide by resolution to issue its revenue bonds either at one time or in series from time to time. The revenue bonds may be issued to provide money to pay to acquire land needed to operate the authority, to purchase or construct facilities, to purchase, construct, install, or furnish capital equipment to operate a facility for economic development of any kind within the city, or to pay to extend, enlarge, or improve a project under its control. The issued bonds may include the amount the authority considers necessary to establish an initial reserve to pay principal and interest on the bonds. The authority shall state in a resolution how the bonds and their attached interest coupons are to be executed.*

*Subd. 2. [FORM.] The bonds of each series issued by the authority under this section shall bear interest at a rate or rates, shall mature at the time or times within 20 years from the date of issuance and shall be in the form, whether payable to bearer, registrable as to principal, or fully registrable, as may be determined by the authority. Section 26, subdivision 6, applies to all bonds issued under this section, and the bonds and their coupons, if any, when payable to bearer, shall be negotiable instruments.*

*Subd. 3. [SALE.] The sale of revenue bonds issued by the authority shall be at public or private sale. The bonds may be sold in the manner and for the price that the authority determines to be for the best interest of the authority. The bonds may be made callable, and if so issued, may be refunded.*

*Subd. 4. [AGREEMENTS.] The authority may by resolution make an agreement or covenant with the bondholders or their trustee. The authority must first decide that the agreement or covenant is needed or desirable to do what the authority may do under this section and to assure that the revenue bonds are marketable and promptly paid.*

*Subd. 5. [REVENUE PLEDGE.] In issuing general obligation or revenue bonds, the authority may secure the payment of the principal and the interest on the bonds by a pledge of and lien on authority revenue. The revenue must come from the facility to be acquired, constructed, or improved with the bond proceeds or from other facilities named in the bond-authorizing resolutions. The authority also may secure the payment with its promise to impose, maintain, and collect enough rentals, rates and charges, for the use and occupancy of the facilities and for services furnished in connection with the use and occupancy, to pay its current expenses to operate and maintain the named facilities, and to produce and put enough net revenue in a special fund to meet the interest and principal requirements of the bonds, and to collect and keep any more money required by the resolutions. The authority shall decide what is current expense under this subdivision based on what is normal and reasonable under accepted accounting principles. Revenues pledged by the authority must not be used or pledged for any other authority purpose or to pay any other bonds issued under this section or under section 26, unless the other use or pledge is specifically authorized in the bond-authorizing resolutions.*

*Subd. 6. [NOT CITY DEBT.] Revenue bonds issued under this section are not a debt of the authority's city nor a pledge of that city's full faith and credit. The bonds are payable only from project revenue as described in this section. A revenue bond must contain on its face a statement to the effect that the economic development authority and its named city do not have to pay the bond or the interest on it except from revenue and that the faith, credit, and taxing power of the city are not pledged to pay the principal of or the interest on the bond.*

*Subd. 7. [NOT APPLICABLE.] Sections 474.01, subdivisions 7a, 7b, and 8 and 474.02, subdivision 1d, do not apply to revenue bonds issued under this section and chapter 474 if the interest on the revenue bonds is subject to both state and federal income tax or if the revenue bond proceeds are not loaned by the authority to a private person.*

*Subd. 8. [TAX INCREMENT BONDS.] Obligations secured or payable from tax increment revenues and issued pursuant to this section or section 26 are subject to the provisions of section 273.77.*

**Sec. 28. [458C.17] [SECTIONS THAT APPLY IF FEDERAL LIMIT APPLIES.]**

*Sections 474.16 to 474.23 apply to obligations issued under sections 13 to 33 that are limited by a federal limitation act defined in section 474.16, subdivision 5.*

**Sec. 29. [458C.18] [ADDITIONAL POWERS.]**

*Subdivision 1. [AS AGENT.] An economic development authority may cooperate with or act as agent for the federal or the state government, or a state public body, or an agency or instrumentality of a government or a public body to carry out sections 13 to 33 or any other related federal, state or local law in the area of economic development district improvement.*

*Subd. 2. [STUDIES, ANALYSIS, RESEARCH.] An authority may study and analyze economic development needs in the city, and ways to meet the needs. An authority may study the desirable patterns for land use for economic development and community growth and other factors affecting local economic development in the city and make the result of the studies available to the public and to industry in general. An authority may engage in research and give out information on economic development within the city.*

*Subd. 3. [PUBLIC RELATIONS.] To further an authorized purpose an authority may (1) join an official, industrial, commercial, or trade association, or another organization concerned with the purpose, (2) have a reception of officials who may contribute to advancing the city and its economic development, and (3) carry out other public relations activities to promote the city and its economic development. Activities under this subdivision have a public purpose.*

*Subd. 4. [ACCEPT PUBLIC LAND.] An authority may accept conveyances of land from all other public agencies, commissions or other units of government, if the land can be properly used by the authority in an economic development district, to carry out the purposes of sections 13 to 33.*

*Subd. 5. [ECONOMIC DEVELOPMENT.] An authority may carry out the law on economic development districts to develop and improve the lands in an economic development district to make it suitable and available for economic development uses and purposes. An authority may fill, grade, and protect the property and do anything necessary and expedient, after acquiring the property, to make it suitable and attractive as a tract for economic development. An authority may lease some or all of its lands or property and may set up local improvement districts in all or part of an economic development district.*

*In general, with respect to an economic development district, an authority may use all the powers given an economic development authority by law.*

*Subd. 6. [AS BORROWER.] An authority after authorizing bonds under section 26 or 27 may borrow to provide money immediately required for the bond purpose. The loans must not exceed the amount of the bonds. The authority shall by resolution decide the terms of the loans. The loans must be evidenced by negotiable notes due in not more than 12 months from the date of the loan payable to the order of the lender or to bearer, to be repaid with interest from the proceeds of the bonds when the bonds are issued and delivered to the bond purchasers. The loan must not be obtained from any commissioner of the authority or from any corporation, association, or other institution of which an authority commissioner is a stockholder or officer.*

*Subd. 7. [AS LENDER.] The proceeds of obligations issued by an authority under section 27 and temporary loans obtained under this section may be used to make or purchase loans for economic development facilities that the authority believes will require financing. To make or purchase the loans, the authority may enter into loan and related agreements, both before and after issuing the obligations, with persons, firms, public or private corporations, federal or state agencies, and governmental units under terms and conditions the authority considers appropriate. A governmental unit in the state may apply, contract for, and receive the loans. Chapter 475 does not apply to the loans.*

*Subd. 8. [MINED SPACE DEVELOPMENT.] Upon delegation by a municipality as provided in section 472B.08, an authority may exercise any of the delegated powers in connection with mined underground space development under sections 472B.03 to 472B.07.*

*Subd. 9. [CITY FACILITIES, SERVICES.] An authority city may furnish offices, structures, and space, stenographic, clerical, engineering, or other assistance to its authority.*

**Sec. 30. [458C.19] [SALE OF PROPERTY.]**

*Subdivision 1. [POWER.] An economic development authority may sell and convey property owned by it within the city*

or an economic development district. First, the authority must decide that the sale and conveyance are in the best interests of the city or district and its people, and that the transaction furthers its general plan of economic development. This section is not limited by other law on powers of economic development authorities.

*Subd. 2. [NOTICE; HEARING.] An authority shall hold a hearing on the sale. At the hearing a taxpayer may testify for or against the sale. At least ten, but not more than 20, days before the hearing the authority shall publish notice of the hearing on the proposed sale in a newspaper. The newspaper must be published and have general circulation in the authority's county and city. The notice must describe the property to be sold and state the time and place of the hearing. The notice must also state that the public may see the terms and conditions of the sale at the authority's office and that at the hearing the authority will meet to decide if the sale is advisable.*

*Subd. 3. [DECISION; APPEAL.] The authority shall make its findings and decision on whether the sale is advisable and enter its decision on its records within 30 days of the hearing. A taxpayer may appeal the decision. The appeal is made by filing a notice of appeal with the district court in the city or economic development district's county and serving the notice on the secretary of the authority, within 20 days after the decision is entered. The only ground for appeal is that the action of the authority was arbitrary, capricious, or contrary to law.*

*Subd. 4. [TERMS.] The terms and conditions of sale of the property must include the use that the bidder will be allowed to make of it. The authority may require the purchaser to file security to assure that the property will be given that use. In deciding the sale terms and conditions the authority may consider the nature of the proposed use and the relation of the use to the improvement of the authority's city and the business and the facilities of the authority in general. The sale must be made on the authority's terms and conditions. The authority may publish an advertisement for bids on the property at the same time and in the same manner as the notice of hearing required in this section. The authority may award the sale to the bid considered by it to be most favorable considering the price and the specified intended use. The authority may also sell the property at private sale at a negotiated price if after its hearing the authority considers that sale to be in the public interest and to further the aims and purposes of sections 13 to 33.*

*Subd. 5. [ONE-YEAR DEADLINE.] The purchaser shall, within one year from the date of purchase, devote the property to its intended use, or shall begin work on the improvements to the property to devote it to that use. If the purchaser fails to do so, the authority may cancel the sale and title to the property*

*shall return to it. The authority may extend the time to comply with a condition if the purchaser has good cause. The terms of sale may contain other provisions that the authority considers necessary and proper to protect the public interest. A purchaser must not transfer title to the property within one year of purchase without the consent of the authority.*

*Subd. 6. [COVENANT RUNNING WITH THE LAND.] A sale made under this section must incorporate in the deed as a covenant running with the land the conditions of sections 13 to 33 relating to the use of the land. If the covenant is violated the authority may declare a breach of the covenant and seek a judicial decree from the district court declaring a forfeiture and a cancellation of the deed.*

*Subd. 7. [PLANS: SPECIFICATIONS.] A conveyance must not be made until the purchaser gives the authority plans and specifications to develop the property sold. The authority must approve the plans and specifications in writing. The preparation of final plans and specifications before the hearing on the sale is not required by this subdivision but the authority may make that requirement.*

**Sec. 31. [458C.20] [ADVANCES BY AUTHORITY.]**

*An authority may advance its general fund money or its credit, or both, without interest, for the objects and purposes of sections 13 to 33. The advances must be repaid from the sale or lease, or both, of developed or redeveloped lands. If the money advanced for the development or redevelopment was obtained from the sale of the authority's general obligation bonds, then the advances must have not less than the average annual interest rate that is on the authority's general obligation bonds that are outstanding at the time the advances are made. The authority may advance repaid money for more objects and purposes of sections 13 to 33 subject to repayment in the same manner. The authority must still use rentals of lands acquired with advanced money to collect and maintain reserves to secure the payment of principal and interest on revenue bonds issued to finance economic development facilities, if the rentals have been pledged for that purpose under section 27. Advances made to acquire lands and to construct facilities for recreation purposes if authorized by law need not be reimbursed under this section. Sections 13 to 33 do not exempt lands leased from the authority to a private person, or entity from assessments or taxes against the leased property while the lessee is liable for the assessments or taxes under the lease.*

**Sec. 32. [458C.22] [CITY MAY LEVY TAXES FOR ECONOMIC DEVELOPMENT AUTHORITY.]**

*Subdivision 1. [CITY TAX LEVY.] A city may, at the request of the authority, levy a tax in any year for the benefit of*

*the authority. The tax must be for not more than .75 mill times the assessed valuation of taxable property in the city. The tax may be levied beyond levy limits in law. The amount levied must be paid by the city treasurer to the treasurer of the authority, to be spent by the authority.*

*Subd. 2. [REVERSE REFERENDUM.] A city may increase its levy for economic development authority purposes under subdivision 1 in the following way. Its city council must first pass a resolution stating the proposed amount of levy increase. The city must then publish the resolution together with a notice of public hearing on the resolution for two successive weeks in its official newspaper or if none exists in a newspaper of general circulation in the city. The hearing must be held two to four weeks after the first publication. After the hearing, the city council may decide to take no action or may adopt a resolution authorizing the proposed increase or a lesser increase. A resolution authorizing an increase must be published in the city's official newspaper or if none exists in a newspaper of general circulation in the city. The resolution is not effective if a petition requesting a referendum on the resolution is filed with the city clerk within 30 days of publication of the resolution. The petition must be signed by voters equaling five percent of the votes cast in the city in the last general election. The election must be held pursuant to the procedure specified in section 275.53.*

**Sec. 33. [458C.23] [SPECIAL LAW; OPTIONAL USE.]**

*A city that has established a port authority by special law or that has been granted the power to establish a port authority by special law, or a city whose city council has been authorized to exercise the powers of a port authority by special law may elect to use the powers granted in sections 13 to 33. If the election is made, the powers and duties set forth in sections 13 to 33 supersede the special law and the special law must not be used anymore. The use of powers under sections 13 to 33 by a city described in this section does not impair the security of any obligations issued or contracts or agreements executed under the special law. Control, authority, and operation of any project may be transferred to the authority in the manner provided in section 17.*

**Sec. 34. [LEGISLATIVE FINDINGS.]**

*The statement of policy and the findings of the legislature in enacting Laws 1957, chapter 812, are confirmed and apply equally to the exercise of powers by economic development authorities and statutory or home rule charter cities pursuant to sections 13 to 33.*

**Sec. 35. Minnesota Statutes 1984, section 462C.02, subdivision 6, is amended to read:**

March 17, 1986

The Honorable Jerome M. Hughes

The Honorable David M. Jennings  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1793, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1793 be further amended as follows:

Delete everything after the enacting clause and insert:

“ARTICLE 1

Section 1. [AITKIN COUNTY; DEVELOPMENT LEVY.]

*The Aitkin county board may annually levy a tax of not more than one and one third mills on taxable property in the county, to provide funds to be used by the county for tourist, agricultural, industrial, and economic development. A levy under this section is in addition to any other permitted by law and shall be disregarded in the calculation of any other levies or limits on levies provided by Minnesota Statutes, sections 275.50 to 275.56 or other law.*

Sec. 2. [REVERSE REFERENDUM.]

*If the Aitkin county board intends to exercise the authority provided by section 1, it shall pass a resolution stating the fact. Thereafter, the resolution shall be published for two successive weeks in the official newspaper of the county or, if there is no official newspaper, in a newspaper of general circulation in the county, together with a notice fixing a date for a public hearing on the matter. The hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution. Following the public hearing, the county may determine to take no further action or, in the alternative, adopt a resolution confirming its intention to exercise the authority. That resolution shall also be published in the official newspaper of the county or, if there is no official newspaper, in a newspaper of general circulation in the county. If within 30 days thereafter a*

*petition signed by voters equal in number to five percent of the votes cast in the county in the last general election requesting a vote on the proposed resolution is filed with the county auditor, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution is in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at the election. The referendum must be held at a special or general election prior to October 1 of the first year for which the tax authorized under section 1 is proposed to be levied.*

Sec. 3. Laws 1984, chapter 502, article 13, section 10, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] The limitation imposed upon the levy of the city of Breezy Point by Minnesota Statutes, section 275.11, is increased by (\$125,000) \$175,000 for taxes levied in (1984) 1986 and thereafter.

Sec. 4. [REVERSE REFERENDUM.]

*If the Breezy Point city council proposes to increase the levy limit base of the city pursuant to section 3, it shall pass a resolution stating the amount by which the levy limit base is proposed to be increased. Thereafter, the resolution shall be published for two successive weeks in the official newspaper of the city or if there is no official newspaper, in a newspaper of general circulation in the city, together with a notice fixing a date for a public hearing on the proposed increase. The hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution. Following the public hearing, the city may determine to take no further action or, in the alternative, adopt a resolution authorizing the increase as originally proposed or approving an increase in the lesser amount it determines. The resolution authorizing an increase shall be published in the official newspaper of the city or if there is no official newspaper, in a newspaper of general circulation in the city. If within 30 days thereafter a petition signed by voters equal in number to five percent of the votes cast in the city in the last general election requesting a referendum on the proposed resolution is filed with the clerk, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution is in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at the referendum. The referendum must be held at a special or general election prior to October of the first levy year in which the tax authorized under section 3 is proposed to be levied.*

Sec. 5. [AITKIN COUNTY; RETAIL RURAL ELECTRIC COOPERATIVE ASSOCIATION.]

*A person who has paid tax on electricity used in agricultural production that is exempt from taxation under section 297A.25, subdivision 1, clause (h), may file a claim for refund with the commissioner if the tax was paid to the retail rural electric cooperative association based in Aitkin county.*

**Sec. 6. [MCGREGOR; LIBRARY; JOINT FINANCING.]**

*The city of McGregor may agree with one or more of the towns or home rule charter or statutory cities located in Aitkin county or the county itself that the local government units making the agreement will subject taxable property within their boundaries to taxation to discharge debt incurred for the construction of a library and related facilities in the city of McGregor pursuant to Laws 1985, chapter 138, section 4. The portion of the debt to be discharged by taxation in each unit may be set by agreement or a single rate may be levied against all subject property or, by agreement, both methods may be used in part. A unit may also agree to discharge a portion of the costs of construction or debt incurred for the costs by a transfer of any money available to the unit that the unit is not obliged by law to use for some other purpose. Any joint powers agreement entered between the city of McGregor and any town located in Aitkin county to finance the McGregor library construction must be approved at the annual town meeting by the town electors of the town before the agreement may be entered. Obligations for the purpose may be issued without an election and shall not be subject to the general limit on net debt. In other respects, the debt shall be incurred and discharged in accordance with Minnesota Statutes, chapter 475.*

**Sec. 7. [LAND EXCHANGE AUTHORIZED.]**

The authority may pledge the full faith, credit, and resources of the city only if the city specifically authorizes the authority to do so. The city council must first decide whether the issuance of the bonds by the authority is proper in each case and if so, what amount of bonds to issue. The city council shall give specific consent in an ordinance to the pledge of the city's full faith, credit, and resources. The authority shall pay the principal amount of the bonds and the interest on it from taxes levied under this section to make the payment or from authority income from any source.*

*Subd. 5. [TAX LEVY.] An authority that issues bonds under this section, shall, before issuing them, levy a tax for each year on the taxable property in the authority's city. The tax must be for at least five percent more than the amount required to pay the principal and interest on the bonds as the principal and interest mature. The tax must be levied annually until the prin-*

*cipal and interest are paid in full. After the bonds have been delivered to the purchasers, the tax must not be repealed until the debt is paid. After the bonds are issued, the authority need not take any more action to authorize extending, assessing, and collecting the tax. The authority's secretary shall immediately send a certified copy of the levy to the county auditor. The secretary shall send with the copy full information on the bonds for which the tax is levied. The county auditor shall extend and assess the levied tax annually until the principal and interest are paid in full. The authority shall transfer the surplus from the excess levy in this section to a sinking fund after the principal and interest for which the tax was levied and collected is paid. The authority may direct its secretary to send a certificate to the county auditor before October 15 in a year. The certificate must state how much available income including the amount in the sinking fund the authority will use to pay principal or interest or both on each specified issue of the authority's bonds. The auditor shall then reduce the bond levy for that year by that amount. The authority shall then set aside the certified amount and may not use it for any purpose except to pay the principal and interest on the bonds. The taxes in this section shall be collected and sent to the authority by the county treasurer under the law on collection of other taxes. The taxes must be used only to pay the bonds when due.*

*Subd. 6. [AUTHORIZED SECURITIES.] Bonds legally issued under this chapter are authorized securities under section 50.14. A savings bank, trust company, or insurance company may invest in them. A public or municipal corporation may invest its sinking funds in them. The bonds may be pledged by a bank or trust company as security for the deposit of public money in place of a surety bond.*

*The authority's bonds are instrumentalities of a public governmental agency.*

**Sec. 27. [458C.16] [REVENUE BONDS; PLEDGE; COVENANTS.]**

*Subdivision 1. [AUTHORITY.] An economic development authority may decide by resolution to issue its revenue bonds either at one time or in series from time to time. The revenue bonds may be issued to provide money to pay to acquire land needed to operate the authority, to purchase or construct facilities, to purchase, construct, install, or furnish capital equipment to operate a facility for economic development of any kind within the city, or to pay to extend, enlarge, or improve a project under its control. The issued bonds may include the amount the authority considers necessary to establish an initial reserve to pay principal and interest on the bonds. The authority shall state in a resolution how the bonds and their attached interest coupons are to be executed.*

*Subd. 2. [FORM.] The bonds of each series issued by the authority under this section shall bear interest at a rate or rates, shall mature at the time or times within 20 years from the date of issuance and shall be in the form, whether payable to bearer, registrable as to principal, or fully registrable, as may be determined by the authority. Section 26, subdivision 6, applies to all bonds issued under this section, and the bonds and their coupons, if any, when payable to bearer, shall be negotiable instruments.*

*Subd. 3. [SALE.] The sale of revenue bonds issued by the authority shall be at public or private sale. The bonds may be sold in the manner and for the price that the authority determines to be for the best interest of the authority. The bonds may be made callable, and if so issued, may be refunded.*

*Subd. 4. [AGREEMENTS.] The authority may by resolution make an agreement or covenant with the bondholders or their trustee. The authority must first decide that the agreement or covenant is needed or desirable to do what the authority may do under this section and to assure that the revenue bonds are marketable and promptly paid.*

*Subd. 5. [REVENUE PLEDGE.] In issuing general obligation or revenue bonds, the authority may secure the payment of the principal and the interest on the bonds by a pledge of and lien on authority revenue. The revenue must come from the facility to be acquired, constructed, or improved with the bond proceeds or from other facilities named in the bond-authorizing resolutions. The authority also may secure the payment with its promise to impose, maintain, and collect enough rentals, rates and charges, for the use and occupancy of the facilities and for services furnished in connection with the use and occupancy, to pay its current expenses to operate and maintain the named facilities, and to produce and put enough net revenue in a special fund to meet the interest and principal requirements of the bonds, and to collect and keep any more money required by the resolutions. The authority shall decide what is current expense under this subdivision based on what is normal and reasonable under accepted accounting principles. Revenues pledged by the authority must not be used or pledged for any other authority purpose or to pay any other bonds issued under this section or under section 26, unless the other use or pledge is specifically authorized in the bond-authorizing resolutions.*

*Subd. 6. [NOT CITY DEBT.] Revenue bonds issued under this section are not a debt of the authority's city nor a pledge of that city's full faith and credit. The bonds are payable only from project revenue as described in this section. A revenue bond must contain on its face a statement to the effect that the economic development authority and its named city do not have to pay the bond or the interest on it except from revenue and that the faith, credit, and taxing power of the city are not pledged to pay the principal of or the interest on the bond.*

*Subd. 7. [NOT APPLICABLE.] Sections 474.01, subdivisions 7a, 7b, and 8 and 474.02, subdivision 1d, do not apply to revenue bonds issued under this section and chapter 474 if the interest on the revenue bonds is subject to both state and federal income tax or if the revenue bond proceeds are not loaned by the authority to a private person.*

*Subd. 8. [TAX INCREMENT BONDS.] Obligations secured or payable from tax increment revenues and issued pursuant to this section or section 26 are subject to the provisions of section 273.77.*

**Sec. 28. [458C.17] [SECTIONS THAT APPLY IF FEDERAL LIMIT APPLIES.]**

*Sections 474.16 to 474.23 apply to obligations issued under sections 13 to 33 that are limited by a federal limitation act defined in section 474.16, subdivision 5.*

**Sec. 29. [458C.18] [ADDITIONAL POWERS.]**

*Subdivision 1. [AS AGENT.] An economic development authority may cooperate with or act as agent for the federal or the state government, or a state public body, or an agency or instrumentality of a government or a public body to carry out sections 13 to 33 or any other related federal, state or local law in the area of economic development district improvement.*

*Subd. 2. [STUDIES, ANALYSIS, RESEARCH.] An authority may study and analyze economic development needs in the city, and ways to meet the needs. An authority may study the desirable patterns for land use for economic development and community growth and other factors affecting local economic development in the city and make the result of the studies available to the public and to industry in general. An authority may engage in research and give out information on economic development within the city.*

*Subd. 3. [PUBLIC RELATIONS.] To further an authorized purpose an authority may (1) join an official, industrial, commercial, or trade association, or another organization concerned with the purpose, (2) have a reception of officials who may contribute to advancing the city and its economic development, and (3) carry out other public relations activities to promote the city and its economic development. Activities under this subdivision have a public purpose.*

*Subd. 4. [ACCEPT PUBLIC LAND.] An authority may accept conveyances of land from all other public agencies, commissions or other units of government, if the land can be properly used by the authority in an economic development district, to carry out the purposes of sections 13 to 33.*

*Subd. 5. [ECONOMIC DEVELOPMENT.] An authority may carry out the law on economic development districts to develop and improve the lands in an economic development district to make it suitable and available for economic development uses and purposes. An authority may fill, grade, and protect the property and do anything necessary and expedient, after acquiring the property, to make it suitable and attractive as a tract for economic development. An authority may lease some or all of its lands or property and may set up local improvement districts in all or part of an economic development district.*

*In general, with respect to an economic development district, an authority may use all the powers given an economic development authority by law.*

*Subd. 6. [AS BORROWER.] An authority after authorizing bonds under section 26 or 27 may borrow to provide money immediately required for the bond purpose. The loans must not exceed the amount of the bonds. The authority shall by resolution decide the terms of the loans. The loans must be evidenced by negotiable notes due in not more than 12 months from the date of the loan payable to the order of the lender or to bearer, to be repaid with interest from the proceeds of the bonds when the bonds are issued and delivered to the bond purchasers. The loan must not be obtained from any commissioner of the authority or from any corporation, association, or other institution of which an authority commissioner is a stockholder or officer.*

*Subd. 7. [AS LENDER.] The proceeds of obligations issued by an authority under section 27 and temporary loans obtained under this section may be used to make or purchase loans for economic development facilities that the authority believes will require financing. To make or purchase the loans, the authority may enter into loan and related agreements, both before and after issuing the obligations, with persons, firms, public or private corporations, federal or state agencies, and governmental units under terms and conditions the authority considers appropriate. A governmental unit in the state may apply, contract for, and receive the loans. Chapter 475 does not apply to the loans.*

*Subd. 8. [MINED SPACE DEVELOPMENT.] Upon delegation by a municipality as provided in section 472B.08, an authority may exercise any of the delegated powers in connection with mined underground space development under sections 472B.03 to 472B.07.*

*Subd. 9. [CITY FACILITIES, SERVICES.] An authority city may furnish offices, structures, and space, stenographic, clerical, engineering, or other assistance to its authority.*

**Sec. 30. [458C.19] [SALE OF PROPERTY.]**

*Subdivision 1. [POWER.] An economic development authority may sell and convey property owned by it within the city or an economic development district. First, the authority must decide that the sale and conveyance are in the best interests of the city or district and its people, and that the transaction furthers its general plan of economic development. This section is not limited by other law on powers of economic development authorities.*

*Subd. 2. [NOTICE; HEARING.] An authority shall hold a hearing on the sale. At the hearing a taxpayer may testify for or against the sale. At least ten, but not more than 20, days before the hearing the authority shall publish notice of the hearing on the proposed sale in a newspaper. The newspaper must be published and have general circulation in the authority's county and city. The notice must describe the property to be sold and state the time and place of the hearing. The notice must also state that the public may see the terms and conditions of the sale at the authority's office and that at the hearing the authority will meet to decide if the sale is advisable.*

*Subd. 3. [DECISION; APPEAL.] The authority shall make its findings and decision on whether the sale is advisable and enter its decision on its records within 30 days of the hearing. A taxpayer may appeal the decision. The appeal is made by filing a notice of appeal with the district court in the city or economic development district's county and serving the notice on the secretary of the authority, within 20 days after the decision is entered. The only ground for appeal is that the action of the authority was arbitrary, capricious, or contrary to law.*

*Subd. 4. [TERMS.] The terms and conditions of sale of the property must include the use that the bidder will be allowed to make of it. The authority may require the purchaser to file security to assure that the property will be given that use. In deciding the sale terms and conditions the authority may consider the nature of the proposed use and the relation of the use to the improvement of the authority's city and the business and the facilities of the authority in general. The sale must be made on the authority's terms and conditions. The authority may publish an advertisement for bids on the property at the same time and in the same manner as the notice of hearing required in this section. The authority may award the sale to the bid considered by it to be most favorable considering the price and the specified intended use. The authority may also sell the property at private sale at a negotiated price if after its hearing the authority considers that sale to be in the public interest and to further the aims and purposes of sections 13 to 33.*

*Subd. 5. [ONE-YEAR DEADLINE.] The purchaser shall, within one year from the date of purchase, devote the property to its intended use, or shall begin work on the improvements to the property to devote it to that use. If the purchaser fails to do so,*

*the authority may cancel the sale and title to the property shall return to it. The authority may extend the time to comply with a condition if the purchaser has good cause. The terms of sale may contain other provisions that the authority considers necessary and proper to protect the public interest. A purchaser must not transfer title to the property within one year of purchase without the consent of the authority.*

**Subd. 6. [COVENANT RUNNING WITH THE LAND.]** *A sale made under this section must incorporate in the deed as a covenant running with the land the conditions of sections 13 to 33 relating to the use of the land. If the covenant is violated the authority may declare a breach of the covenant and seek a judicial decree from the district court declaring a forfeiture and a cancellation of the deed.*

**Subd. 7. [PLANS; SPECIFICATIONS.]** *A conveyance must not be made until the purchaser gives the authority plans and specifications to develop the property sold. The authority must approve the plans and specifications in writing. The preparation of final plans and specifications before the hearing on the sale is not required by this subdivision but the authority may make that requirement.*

**Sec. 31. [458C.20] [ADVANCES BY AUTHORITY.]**

*An authority may advance its general fund money or its credit, or both, without interest, for the objects and purposes of sections 13 to 33. The advances must be repaid from the sale or lease, or both, of developed or redeveloped lands. If the money advanced for the development or redevelopment was obtained from the sale of the authority's general obligation bonds, then the advances must have not less than the average annual interest rate that is on the authority's general obligation bonds that are outstanding at the time the advances are made. The authority may advance repaid money for more objects and purposes of sections 13 to 33 subject to repayment in the same manner. The authority must still use rentals of lands acquired with advanced money to collect and maintain reserves to secure the payment of principal and interest on revenue bonds issued to finance economic development facilities, if the rentals have been pledged for that purpose under section 27. Advances made to acquire lands and to construct facilities for recreation purposes if authorized by law need not be reimbursed under this section. Sections 13 to 33 do not exempt lands leased from the authority to a private person, or entity from assessments or taxes against the leased property while the lessee is liable for the assessments or taxes under the lease.*

**Sec. 32. [458C.22] [CITY MAY LEVY TAXES FOR ECONOMIC DEVELOPMENT AUTHORITY.]**

**Subdivision 1. [CITY TAX LEVY.]** *A city may, at the request of the authority, levy a tax in any year for the benefit of*

*the authority. The tax must be for not more than .75 mill times the assessed valuation of taxable property in the city. The tax may be levied beyond levy limits in law. The amount levied must be paid by the city treasurer to the treasurer of the authority, to be spent by the authority.*

*Subd. 2. [REVERSE REFERENDUM.] A city may increase its levy for economic development authority purposes under subdivision 1 in the following way. Its city council must first pass a resolution stating the proposed amount of levy increase. The city must then publish the resolution together with a notice of public hearing on the resolution for two successive weeks in its official newspaper or if none exists in a newspaper of general circulation in the city. The hearing must be held two to four weeks after the first publication. After the hearing, the city council may decide to take no action or may adopt a resolution authorizing the proposed increase or a lesser increase. A resolution authorizing an increase must be published in the city's official newspaper or if none exists in a newspaper of general circulation in the city. The resolution is not effective if a petition requesting a referendum on the resolution is filed with the city clerk within 30 days of publication of the resolution. The petition must be signed by voters equaling five percent of the votes cast in the city in the last general election. The election must be held pursuant to the procedure specified in section 275.58.*

**Sec. 33. [458C.23] [SPECIAL LAW; OPTIONAL USE.]**

*A city that has established a port authority by special law or that has been granted the power to establish a port authority by special law, or a city whose city council has been authorized to exercise the powers of a port authority by special law may elect to use the powers granted in sections 13 to 33. If the election is made, the powers and duties set forth in sections 13 to 33 supersede the special law and the special law must not be used anymore. The use of powers under sections 13 to 33 by a city described in this section does not impair the security of any obligations issued or contracts or agreements executed under the special law. Control, authority, and operation of any project may be transferred to the authority in the manner provided in section 17.*

**Sec. 34. [LEGISLATIVE FINDINGS.]**

*The statement of policy and the findings of the legislature in enacting Laws 1957, chapter 812, are confirmed and apply equally to the exercise of powers by economic development authorities and statutory or home rule charter cities pursuant to sections 13 to 33.*

tion including equipment, crops, livestock, and proceeds of the security. "Agricultural property" (SHALL ALSO) *does not include (AGRICULTURALLY RELATED BUSINESSES AS DEFINED BY THE COMMISSION) personal property that is subject to a possessory lien under sections 514.18 to 514.22.*

Sec. 2. Laws 1986, chapter 398, article 1, section 7, subdivision 8, is amended to read:

Subd. 8. [SERVE.] "Serve" means (1) personal service as in a district court civil action; (2) *service by certified mail using return receipt signed by addressee only; or (3) actual delivery of required documents with signed receipt.*

Sec. 3. Laws 1986, chapter 398, article 1, section 7, is amended by adding a subdivision to read:

Subd. 7a. [NECESSARY FARM OPERATING EXPENSES.] *As used in section 12, "necessary farm operating expenses" means a sum or sums adequate to continue, during the mediation period, farm operations begun prior to the notice of default. "Necessary farm operating expenses" does not include expenses for increasing the scale of an on-going farming operation or planting additional crops.*

Sec. 4. Laws 1986, chapter 398, article 1, section 7, is amended by adding a subdivision to read:

Subd. 7b. [NECESSARY LIVING EXPENSES.] *As used in section 12, "necessary living expenses" means a sum approximately equal to the amount to which the family would be entitled if eligible for payments under section 256.74.*

(2) a family farm corporation as defined in section 500.24, subdivision 2; or

(3) an authorized farm corporation as defined in section 500.24, subdivision 2 (; OR)

((4) AN OWNER OF AN AGRICULTURALLY RELATED BUSINESS).

(b) The farmer-lender mediation act does not apply to a debtor who owns and leases less than 60 acres with less than \$20,000 in gross sales of agricultural products the preceding year (, EXCEPT FOR AN OWNER OF AN AGRICULTURALLY RELATED BUSINESS AS DEFINED BY THE DIRECTOR).

Sec. 6. Laws 1986, chapter 398, article 1, section 9, is amended by adding a subdivision to read:

*Subd. 3. [FINANCIAL INSTITUTION UNDER CEASE AND DESIST ORDER.] Upon the request of an institution, as defined in section 46.23, subdivision 4, the commissioner of commerce may exempt the institution from the farmer-lender mediation act without a hearing or contested case proceeding if:*

*(1) the institution is subject to a cease and desist order issued under sections 46.23 to 46.33; and*

*(2) the commissioner determines that exemption is essential to the financial survival of the institution.*

*The commissioner shall notify the director that the institution is exempt from mediation. The director shall notify the mediator that the institution is exempt. The reason for the exemption is confidential.*

Sec. 7. [583.255] [CERTIFICATION OF MEDIATION COMPLETION.]

*Upon the request of a debtor or creditor, the director shall certify that the debtor has completed voluntary or mandatory mediation as evidenced by a written agreement under Laws 1986, chapter 398, article 1, or another mediation program. A debtor may request mediation only once under Laws 1986, chapter 398, article 1, section 11, subdivision 2. A debtor who has been certified as having completed mediation may not request mediation under Laws 1986, chapter 398, article 1, section 11, subdivision 2.*

Sec. 8. Laws 1986, chapter 398, article 1, section 11, subdivision 2, is amended to read:

**Subd. 2. [MEDIATION REQUEST.] (a)** A debtor must file a mediation request form with the director by 14 days after receiving a mediation notice. The mediation request form must state all known creditors. The director shall make mediation request forms available in the county recorder's and county extension office of each county.

(b) A debtor who fails to file a timely mediation request waives the right to mediation under the farmer-lender mediation act. The director shall notify a creditor stating that the creditor

may proceed against the agricultural property because the debtor has failed to file a mediation request.

(c) If a debtor has not received a mediation notice and is subject to a proceeding of a creditor enforcing a debt against agricultural property under chapter 580 or 581 or sections 336.9-501 to 336.9-508, terminating a contract for deed to purchase agricultural property under section 559.21, or garnishing, levying on, executing on, seizing, or attaching agricultural property, the debtor may file a mediation request with the (COMMISSION) *director*. The mediation request form must indicate that the debtor has not received a mediation notice.

Sec. 9. Laws 1986, chapter 398, article 1, section 12, is amended to read:

Subdivision 1. [OBLIGATION OF GOOD FAITH.] The parties must engage in mediation in good faith. Not participating in good faith includes: (1) a failure on a regular or continuing basis to attend and participate in mediation sessions without cause; (2) failure to provide full information regarding the financial obligations of the parties and other creditors; (3) failure of the creditor to designate a representative to participate in the mediation with (ADEQUATE) authority to *make binding commitments within one business day* to fully settle, compromise, or otherwise mediate the matter; (4) lack of a written statement of debt restructuring alternatives and a statement of reasons why alternatives are unacceptable to one of the parties; (5) failure of (THE) a creditor to release *funds from the sale of farm products* to the debtor for necessary living and farm operating expenses; or (6) other similar behavior which evidences lack of good faith by the party. A failure to agree to reduce, restructure, refinance, or forgive debt does not, in itself, evidence lack of good faith by the creditor.

Subd. 2. [LACK OF GOOD FAITH AFFIDAVIT; MEDIATOR'S RESPONSIBILITY.] If the mediator determines that either party is not participating in good faith as defined in subdivision 1, the mediator shall file an affidavit indicating the reasons for the finding with the (AGRICULTURAL EXTENSION SERVICE) *director* and (BOTH) *with parties to the mediation*.

Subd. 3. [CREDITOR'S LACK OF GOOD FAITH; COURT SUPERVISED MEDIATION.] If the mediator finds the creditor has not participated in mediation in good faith, the debtor may require court supervised mandatory mediation by filing the affidavit with the district court of the county where the property is located with a request for court supervision of mediation and (FILING) *servng* a copy of the request (WITH) *on* the creditor. Upon request the court shall require both parties to mediate under the supervision of the court in good faith for a period of not (LESS) *more* than 60 days. All creditor remedies must be

suspended during this period. The court may issue orders necessary to effect good faith mediation. Following the (60 DAY) *mediation* period, if the court finds the creditor has not participated in mediation in good faith, the court shall by order suspend the creditor's remedies for an additional period of 180 days. A creditor found by the mediator not to have participated in good faith shall pay attorneys' fees and costs of the debtor requesting court-supervision of mediation or additional suspension of creditor's remedies.

Subd. 4. [DEBTOR LACK OF GOOD FAITH.] A creditor may immediately proceed with creditor's remedies upon receipt of a mediator's affidavit of a debtor's lack of good faith notwithstanding any other requirements of sections 5 to 17.

Sec. 10. Laws 1986, chapter 398, article 1, section 13, is amended to read:

Sec. 13. [583.28] [CREDITOR NOT ATTENDING MEDIATION MEETING.]

Subdivision 1. [FILING AND EFFECT OF CLAIM FORM.] A creditor that is notified of the initial mediation meeting is subject to and bound by a mediation agreement if the creditor does not attend mediation meetings unless the creditor files a claim form. In lieu of attending a mediation meeting, a creditor may file a notice of claim and proof of claim on a claim form with the mediator before the scheduled meeting. By filing a claim form the creditor agrees to be bound by a mediation agreement reached at the mediation meeting unless an objection is filed within the time specified. The mediator must notify the creditors who have filed claim forms of the terms of any agreement (REACHED AT THE FARM MEDIATION BOARD MEETING).

Subd. 2. [OBJECTIONS TO AGREEMENTS.] A creditor who has filed a claim form may serve a written objection to the terms of the agreement on the mediator and the debtor (BY) *within* ten days after receiving notice of the agreement. If a creditor files an objection to the terms of an agreement, the mediator (MAY) *shall* meet again with debtors and creditors (BY) *within* ten days after receiving the objection to (ATTEMPT TO REACH) *mediate* a new agreement. Notwithstanding the mediation period under section 11, subdivision 8, if an objection is filed, the mediator (MAY) *shall* call mediation meetings during the ten-day period following receipt of the objection.

Sec. 11. [583.285] [RULES.]

*The state court administrator, in consultation with the director of the bureau of mediation services and the director of the Uni-*

*versity of Minnesota agricultural extension service, shall make rules under chapter 14, to implement the farmer-lender mediation act. The state court administrator may adopt emergency rules.*

Sec. 12. Laws 1986, chapter 398, article 1, section 14, is amended to read:

Sec. 14. [583.29] [PRIVATE DATA.]

All data regarding the finances of individual debtors and creditors created, collected, and maintained by the mediators or the (DEBT RESTRUCTURING COMMISSION) *director* are classified as private data on individuals under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9.

Sec. 13. Laws 1986, chapter 398, article 29, section 1, subdivision 7, is amended to read:

Subd. 7. [(AVTI AND UNIVERSITY OF MINNESOTA TECHNICAL COLLEGES) *FARM BUSINESS MANAGEMENT TRAINING TUITION SUPPLEMENT.*] \$1,350,000 is appropriated from the general fund to the state board of vocational technical education, for the biennium ending June 30, 1987, for the following services in proportions deemed necessary by the board to (THE AGRICULTURAL) *independent school districts, area* vocational technical institutes, and the University of Minnesota two-year technical colleges for:

- (1) reduced tuition costs for existing farm business management and small business management programs; and
- (2) additional farm business management programs and workshops.

Sec. 14. Laws 1986, chapter 398, article 20, section 1, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] A state or federal agency or a corporation, other than a family farm corporation or an authorized farm corporation, when leasing or selling farm land or a farm homestead, must offer or make a good faith effort to offer land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. *An offer to lease to the former owner is required only on the first occasion on which the property is leased. An offer to sell to the former owner is required only on the first occasion on which the property is sold.* An offer delivered by certified mail to the former owner's last known address is a good faith offer. This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years.

The former owner must exercise the right to lease farm land within (30) *five* days after receiving an offer to lease under this subdivision. The former owner must exercise the right to buy farm land within (90) *30* days after receiving an offer to buy under this subdivision. *This subdivision does not apply if the former owner is a bankruptcy estate.*

Sec. 15. [REPEALER.]

*Laws 1986, chapter 398, article 1, section 7, subdivision 3, is repealed.*

Sec. 16. [EFFECTIVE DATE.]

*This article is effective the day following final enactment.*

ARTICLE 3

Section 1. Laws 1986, chapter 398, article 8, section 1, is amended to read:

Section 1. [41.595] [FAMILY FARM SECURITY INTEREST EXCLUSIONS.]

(a) The commissioner shall annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller-sponsored family farm security loan.

(b) The payment amount must be determined as follows:

(1) In order to qualify for a payment, the seller must apply to the commissioner. The application must include a copy of the seller's 1985 state income tax return and any other information that the commissioner requests to verify that the applicant is a qualified seller. The commissioner shall recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For calendar year 1986 the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.

(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows:

(i) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986.

(ii) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year.

(iii) The product determined under clause (ii) is the payment for the calendar year.

(c) If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b) (2) (i).

(d) The commissioner may make the payments under this (SUBDIVISION) *section* in the same manner provided for the payment adjustment under *section 41.57*, subdivision 2.

(e) For purposes of this (SUBDIVISION) *section*, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller-sponsored loan prior to July 1, 1985, and who is a resident of Minnesota during the calendar year and subject to the payment of Minnesota income taxes.

Sec. 2. Laws 1986, chapter 398, article 19, section 5, subdivision 1, is amended to read:

Subdivision 1. [DEFICIENCY ALLOWED.] (a) Except as provided in this section, a person holding a mortgage may obtain a deficiency judgment against the mortgagor if the amount a person holding a mortgage receives from a foreclosure sale is less than:

(1) the amount remaining unpaid on the mortgage under chapter 580; or

(2) the amount of the judgment entered under chapter 581.

(b) Except as provided in (SUBDIVISION) *subdivisions 3 and 5*, the judgment may not be for more than the difference between the amount received from the foreclosure sale less expenses and costs and:

(1) for a foreclosure by advertisement, the total amount that attaches to the sale proceeds under chapter 580; or

(2) for a foreclosure by action, the amount of the judgment entered under chapter 581.

Sec. 3. Laws 1986, chapter 398, article 23, section 1, subdivision 4, is amended to read:

Subd. 4. [COMMISSIONER'S INTEREST INDEX.] "Commissioner's interest index" means an interest rate that is three percent above the current lending rate of the Federal (INTEREST) *Intermediate* Credit Bank to production credit associations as certified each month by the commissioner.

Sec. 4. [EFFECTIVE DATE.]

*This article is effective the day following final enactment."*
