"Sec. 38. Minnesota Statutes 1986, section 386.375, is amended to read:

386.375 [TRANSFER AND STORAGE OF ABSTRACTS.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, "lender" means all state banks and trust companies, national banking associations, state and federally chartered savings and loan associations, mortgage banks, mutual savings banks, insurance companies, credit unions making a loan, or any person making a conventional loan as defined under section 47.20, subdivision 2, clause (3), or cooperative apartment loan as defined under section 47.20, subdivision 2, clause (4). A "selling lender" is a lender who sells, assigns, or transfers a loan and/or the servicing of a loan to a "purchasing lender" or "servicing agent."

Subd. 2. [RESPONSIBILITY FOR STORAGE.] Any title company, lender, or anyone other than the mortgagor or fee simple owner

holding an abstract of title to Minnesota real estate shall transfer the abstract of title to the mortgagor or fee simple owner of the real estate to which the abstract pertains before August 1, 1987. After August 1, 1987, the abstract of title shall be provided to the mortgagor or fee simple owner at the time of closing. This section does not apply if the holder of the abstract of title is the mortgagor or fee simple owner of the real estate to which the abstract pertains.

Subd. 3. [PENALTIES.] If a title company or lender fails to comply with the requirements of subdivision 2, the mortgagor or fee simple owner has the right to have an abstract made at the expense of the lender or title company holding the abstract.

Subdivision 1. [RESPONSIBILITY TO TRANSFER.] (a) A person holding an abstract of title to real estate located in Minnesota shall, at a closing of a sale of the property to which the abstract pertains, make a written offer to transfer the abstract of title to the mortgagor or fee owner at no charge to the mortgagor or fee owner. If the offer is accepted, the abstract must be transferred at the closing unless the abstract of title is being held after the closing for issuance of a final title opinion or policy of title insurance in which case the holder has a reasonable period of time to transfer the abstract.

(b) A person holding an abstract of title to real estate located in Minnesota shall, within ten days of receipt of a written request from the mortgagor or fee owner of the property to which the abstract pertains, transfer the abstract of title to the mortgagor or fee owner at no charge, other than postage, to the mortgagor or fee owner. If the abstract of title is being held after a closing for issuance of a final title opinion or policy of title insurance, the holder has a reasonable period of time to transfer the abstract.

(c) If a person holding an abstract of title to real estate located in Minnesota fails to comply with the requirements of this subdivision, the mortgagor or fee owner of the property may have an abstract of title made at the expense of the last known person holding the abstract of title, and is also entitled to collect actual civil damages of up to \$500 from the person last known to hold the abstract of title.

Subd. 2. [STORAGE OF ABSTRACTS.] Before a person holding an abstract of title to real estate located in Minnesota may impose a charge or fee to store the abstract, the person shall first make a written offer to the mortgagor or fee owner to transfer the abstract at no charge, other than postage, to the fee owner or mortgagor. This subdivision does not apply to a person who holds an abstract pursuant to a written contract with the fee owner or mortgagor. A person violating this subdivision is subject to a penalty of \$100 for each violation.

Subd. 3. [CONSUMER EDUCATION INFORMATION.] (a) A person other than the mortgagor or fee owner who transfers or offers

to transfer an abstract of title shall present to the mortgagor or fee owner basic information in plain English about abstracts of title. This information must be sent in a form prepared and approved by the commissioner of commerce and must contain at least the following items:

- (1) a definition and description of abstracts of title;
  - (2) an explanation that holders of abstracts of title must maintain it with reasonable care;
  - (3) an approximate cost or range of costs to replace a lost or damaged abstract of title;
  - (4) an explanation that abstracts of title may be required to sell, finance, or refinance real estate; and
  - (5) an explanation of options for storage of abstracts.
- (b) The commissioner shall prepare the form for use under this subdivision as soon as possible. This subdivision does not apply until 60 days after the form is approved by the commissioner.
- (c) A person violating this subdivision is subject to a penalty of \$100 for each violation.

Subd. 4. [STORAGE IN MINNESOTA.] After August 1, 1987, abstracts of title to real estate located in Minnesota must be stored within the state of Minnesota. Failure to comply with this subdivision entitles a mortgagor or fee owner to civil damages of up to \$500.

Subd. 5. [EXCEPTIONS.] This section does not apply if the person holding the abstract of title is the mortgagor or fee owner of the real estate to which the abstract pertains.

Subd. 6. [OFFER TO TRANSFER.] Any person holding an abstract of title pertaining to real estate located in Minnesota shall, before January 1, 1988, make a reasonable effort to contact the mortgagor or fee owner of the property and make a written offer to transfer the abstract of title to the mortgagor or fee owner. A person holding an abstract of title has made a reasonable effort to contact the mortgagor or fee owner if the person has sent an offer by United States mail, postage prepaid, to the last address of the mortgagor or fee owner shown in the person's records."

Section 1. Minnesota Statutes 1986, section 256B.06, subdivision 1, is amended to read:

Subdivision 1. Medical assistance may be paid for any person:

(1) who is a child eligible for or receiving adoption assistance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676 under Minnesota Statutes, section 259.40 or 259.431; or

(2) who is a child eligible for or receiving foster care maintenance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676; or

(3) who is eligible for or receiving public assistance under the aid to families with dependent children program, the Minnesota supplemental aid program; or

(4) who is a pregnant woman, as certified in writing by a physician or nurse midwife, and who (a) meets the other eligibility criteria of this section, and (b) would be categorically eligible for assistance under the aid to families with dependent children program if the child had been born and was living with the woman; or

(5) who is a pregnant woman, as certified in writing by a physician or nurse midwife, who meets the other eligibility criteria of this section and whose unborn child would be eligible as a needy child under clause (9) if born and living with the woman; or

(6) who meets the categorical eligibility requirements of the supplemental security income program and the other eligibility requirements of this section; or

(7) who, except for the amount of income or resources, would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children, and who meets the other eligibility requirements of this section; or

(8) who is under 21 years of age and in need of medical care that neither the person nor the person's relatives responsible under sections 256B.01 to 256B.26 are financially able to provide; or

(9) who is an infant less than one year of age born on or after October 1, 1984, whose mother was eligible at the time of birth and who remains in the mother's household. Eligibility under this clause is concurrent with the mother's and does not depend on the father's income except as the income affects the mother's eligibility; or

(10) who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(11) who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the rules of the state agency; and

(12) who alone, or together with the person's spouse, does not own real property other than the homestead. For the purposes of this section, "homestead" means the house owned and occupied by the applicant or recipient as a primary place of residence, together with

the contiguous land upon which it is situated. The homestead shall continue to be excluded for persons residing in a long-term care facility if it is used as a primary residence by the spouse, minor child, or disabled child of any age; or the applicant/recipient is expected to return to the home as a principal residence within six calendar months of entry to the long-term care facility. Certification of expected return to the homestead shall be documented in writing by the attending physician. Real estate not used as a home may not be retained unless it produces net income applicable to the family's needs or the family is making a continuing effort to sell it at a fair and reasonable price or unless the commissioner determines that sale of the real estate would cause undue hardship or unless the equity in the real estate when combined with the equity in the homestead totals \$15,000 or less; and

(13) who individually does not own more than \$3,000 in cash or liquid assets, or if a member of a household with two family members (husband and wife, or parent and child), does not own more than \$6,000 in cash or liquid assets, plus \$200 for each additional legal dependent. In addition to these maximum amounts, an eligible individual or family may accrue interest on these amounts, but they must be reduced to the maximum at the time of an eligibility redetermination. For residents of long-term care facilities, the accumulation of the clothing and personal needs allowance pursuant to section 256B.35 must also be reduced to the maximum at the time of the eligibility redetermination. Cash and liquid assets may include a prepaid funeral contract and insurance policies with cash surrender value. The value of the following shall not be included:

(a) the homestead, and (b) one motor vehicle licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e; and

(14) who has or anticipates receiving an annual income not in excess of the income standards by family size used in the aid to families with dependent children program, except that families and children may have an income up to  $133\frac{1}{3}$  of the AFDC payment standard, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the rules of the state agency. Notwithstanding any laws or rules to the contrary, in computing income to determine eligibility of persons who are not residents of long-term care facilities, the commissioner shall disregard increases in income as required by Public Law Number 94-566, section 503. In excess income cases, eligibility shall be limited to a period of six months beginning with the first of the month in which these medical obligations are first incurred; and

(15) who has continuing monthly expenses for medical care that are more than the amount of the person's excess income, computed

on a monthly basis, in which case eligibility may be established before the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, income over and above that required for justified needs, determined pursuant to a schedule of contributions established by the commissioner of human services, is to be applied to the cost of institutional care. The commissioner of human services may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care; and

(16) who has applied or agrees to apply all proceeds received or receivable by the person or the person's spouse from automobile accident coverage and private health care coverage to the costs of medical care for the person, the spouse, and children. The state agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed ~~two~~ four years. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or

counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. Sec. 16. Minnesota Statutes 1986, section 256.736, is amended by adding a subdivision to read:

Subd. 15. [STATE SHARE.] (a) The state must pay 75 percent of costs incurred by counties under subdivision 11, except that after July 1, 1988, the commissioner shall adjust the state share to reflect county performance. Factors which the commissioner may consider in adjusting the state share must include, but are not limited to, the following:

(1) percentage of long-term cases leaving the AFDC program after one year, two years, and three years;

(2) percentage of minor parents who finish high school;

(3) percentage of caretakers who are in training or education and are successfully working toward their contracted goals; and

(4) percentage of caretakers leaving the AFDC program.

The commissioner may raise or lower the state share of costs by a maximum of ten percent.

(b) If the state appropriation is not sufficient to fund the cost of case management services for all caretakers identified in subdivision 2a, the commissioner must define a statewide subgroup of caretakers which includes all caretakers in subdivision 2a, clause (1) and as many caretakers as possible from subdivision 2a, clauses (2) and (3).

(c) The commissioner shall allocate funds for employment and training services to the counties as follows:

(1) a portion based on the average monthly number of AFDC-UP cases in each county, to be used for the employment search activities described in subdivision 13;

(2) a portion based on the average monthly number of all AFDC cases to be used for the orientation and referral activities described in subdivision 10; and

(3) a portion based on the average monthly number of caretakers receiving AFDC who are under the age of 22 and the average monthly number of AFDC cases open for 24 or more consecutive months. Counties shall use this portion of funds for employment search, job preparedness, and training-related expenses with priority caretakers.

The commissioner shall determine the portion of funds for clauses (1) to (3). Funds shall be allocated at the beginning of each fiscal year, based on the average monthly cases for the 12-month period ending March 31 of the previous fiscal year. A county may appeal a decision of the commissioner under this clause.

(d) Counties and the department of jobs and training shall bill the commissioner of human services for any expenditures incurred by the county, the county's employment and training service provider, or the department of jobs and training that may be reimbursed by federal money. The commissioner of human services shall bill the United States Department of Health and Human Services for the reimbursement and appropriate the reimbursed money to the county or employment and training service provider that submitted the original bill. The reimbursed money must be used to expand services in this section.

Sec. 17. Minnesota Statutes 1986, section 256.736, is amended by adding a subdivision to read:

Subd. 16. [PHASE-IN.] The commissioner shall implement this section on a statewide basis as quickly as possible. The commissioner may phase in changes under the section in any reasonable manner that ensures a unified, statewide coordinated program by no later than December 31, 1988.

Sec. 18. Minnesota Statutes 1986, section 256.74, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] The amount of assistance which shall be granted to or on behalf of any dependent child and mother or other needy eligible relative caring for the dependent child shall be determined by the county agency in accordance with rules promulgated by the commissioner and shall be sufficient, when added to all other income and support available to the child, to provide the child with a reasonable subsistence compatible with decency and health. The amount shall be based on the method of budgeting required in Public Law Number 97-35, section 2315, United States Code, title 42, section 602, as amended and federal regulations at Code of Federal Regulations, title 45, section 233. Nonrecurring lump sum income received by an assistance unit must be budgeted in the normal retrospective cycle. The number of months of ineligibility is determined by dividing the amount of the lump sum income and all other income, after application of the applicable disregards, by the standard of need for the assistance unit. An amount remaining after this calculation is income in the first month of eligibility. If the total monthly income including the lump sum income is larger than the standard of need for a single month the first month of ineligibility is the payment month that corresponds with the budget month in which the lump sum income was received. In making its determination the county agency shall disregard the following from family income:

(1) all of the earned income of each dependent child receiving aid to families with dependent children who is a full-time student or part-time student, and not a full-time employee, attending a school, college, or university, or a course of vocational or technical training designed to fit students for gainful employment as well as all the earned income derived from the job training and partnership act (JTPA) for a dependent child for six calendar months per year, together with unearned income derived from the job training and partnership act;

(2) all educational grants and loans awarded pursuant to a federal law when public assistance was considered in making the award and the award was made on the basis of financial need; and that part of any other educational grant or loan which is used for educational

~~purposes, such as tuition, fees, equipment, transportation and child care expenses necessary for school attendance;~~

(3) the first \$75 of each individual's earned income. For self-employed persons, the expenses directly related to producing goods and services and without which the goods and services could not be produced shall be disregarded pursuant to rules promulgated by the commissioner;

(4) an amount equal to the actual expenditures but not to exceed \$160 for the care of each dependent child or incapacitated individual living in the same home and receiving aid. In the case of a person not engaged in full-time employment or not employed throughout the month, the commissioner shall prescribe by rule a lesser amount to be disregarded;

(5) thirty dollars plus one-third of the remainder of each individual's earned income not already disregarded for individuals found otherwise eligible to receive aid or who have received aid in one of the four months before the month of application. With respect to any month, the county welfare agency shall not disregard under this clause any earned income of any person who has:

(a) reduced earned income without good cause within 30 days preceding any month in which an assistance payment is made; or

(b) refused without good cause to accept an offer of suitable employment; or

(c) left employment or reduced earnings without good cause and applied for assistance so as to be able later to return to employment with the advantage of the income disregard; or

(d) failed without good cause to make a timely report of earned income in accordance with rules promulgated by the commissioner of human services.

Persons who are already employed and who apply for assistance shall have their needs computed with full account taken of their earned and other income. If earned and other income of the family is less than need, as determined on the basis of public assistance standards, the county agency shall determine the amount of the grant by applying the disregard of income provisions. The county agency shall not disregard earned income for persons in a family if the total monthly earned and other income exceeds their needs, unless for any one of the four preceding months their needs were met in whole or in part by a grant payment.

The disregard of \$30 and one-third of the remainder of earned income described in clause (5) shall be applied to the individual's

income for a period not to exceed four consecutive months. Any month in which the individual loses this disregard because of the provisions of clauses (5)(a) to (5)(d) shall be considered as one of the four months. An additional \$30 work incentive must be available for an eight-month period beginning in the month following the last month of the combined \$30 and one-third work incentive. This period must be in effect whether or not the person has earned income or is eligible for AFDC. To again qualify for the earned income disregards under clause (d), the individual must not be a recipient of aid for a period of 12 consecutive months. When an assistance unit becomes ineligible for aid due to the fact that these disregards are no longer applied to income, the assistance unit shall be eligible for medical assistance benefits for a 12-month period beginning with the first month of AFDC ineligibility;

(6) the first \$50 per assistance unit of the monthly support obligation collected by the support and recovery (IV-D) unit; and

(7) that portion of an insurance settlements settlement earmarked and used to pay medical bills, to compensate a member of an assistance unit for partial or permanent loss of function or a body part expenses, funeral and burial costs, or to repair or replace insured property.

The first \$50 of periodic support payments collected by the public authority responsible for child support enforcement from a person with a legal obligation to pay support for a member of the assistance unit shall be paid to the assistance unit within 15 days of the collection of such periodic support payments and shall be disregarded in determining the amount of assistance.

Subd. 2. [PILOT PROJECT ESTABLISHED; GOALS.] The service delivery improvement project, consisting of six pilot projects selected under subdivision 4, is established to use STEP productivity improvement technology to achieve the following goals: redesign of employment and training and income maintenance delivery systems as required under Laws 1985, First Special Session chapter 14, article 9; and improvement of the quality and cost effectiveness of employment and training and income maintenance services provided to clients.

Subd. 4. [DUTIES.] The committee shall solicit from local service units or consortia of local service units proposals to conduct innovative pilot projects to redesign the employment and training and income maintenance delivery system. By December 1, 1987, the committee shall evaluate the proposals and select six pilot projects to receive training and technical assistance as provided in subdivision 6.

Subd. 5. [EVALUATION.] The committee shall evaluate each proposal based upon the extent to which the proposed pilot project uses STEP productivity improvement technology, addresses the goals set forth under subdivision 2, and involves members of the private sector in joint financing of delivery system innovations.

Subd. 6. [TRAINING AND TECHNICAL ASSISTANCE.] The commissioner shall contract with the department of administration to provide staff training, technical assistance, and detailed periodic reports of the day-to-day operation of a pilot project to affected local service units.

Child care services to families whose incomes are below the threshold of eligibility for aid to families with dependent children, but that are not receiving aid to families with dependent children, must be made available without cost to the families.

(c) Child care services to families with incomes in the commissioner's established range must be made available on a sliding fee basis. The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.

(d) If a disproportionate amount of the available money is provided to any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all groups eligible for these funds, it may prioritize new applications among the groups to be served. The commissioner may require by rule that a county pay the commissioner the portion of sliding fee allocations paid by the state for which the county is responsible. The county shall advance its portion of sliding fee costs, based upon allocations made by the commissioner for that county for expenditures in the succeeding month. Adjustments of any overestimate or underestimate based on actual expenditures must be made by the commissioner by adjusting the estimate for any succeeding month after subtracting federal financial participation, fees, and other recoveries. The commissioner shall recover from the county as necessary to bring county expenditures into compliance with this subdivision.

(b) The commissioner shall recover from counties any state or federal funds found to be ineligible. If a federal audit exception is taken based on a percentage of federal earnings, all counties shall pay a share proportional to their respective federal earnings during the period in question.

A (c) To receive funds through this program, each county shall certify to the commissioner that the county has not reduced allocations from other federal, state, and county sources, which, in the absence of child care sliding fee or wage subsidy money, would have been available for child care services.

Sec. 38. Minnesota Statutes 1986, section 268.91, subdivision 7, is amended to read:

Subd. 7. [SLIDING FEE SCALE.] The sliding fee scale shall be designed so that the cost of child care to each family is affordable. The commissioner shall take into account basic living expenses of

food, housing, and transportation. In setting the sliding fee schedule, the commissioner shall exclude from the amount of income used to determine eligibility an amount for federal and state income and social security taxes attributable to that income level according to federal and state standardized tax tables. The fee schedule must be designed to use any available tax credits and to progress smoothly from appropriated assistance to assistance through tax credits.

Sec. 39. Minnesota Statutes 1986, section 268.911, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY.] The commissioner of human services may make grants to public or private nonprofit agencies for the planning, establishment, expansion, improvement, or operation of child care resource and referral programs and child care services according to the provisions of this section and may make grants to county boards to carry out the purposes of section 245.84.

Sec. 40. [CHILD SUPPORT INCENTIVE AWARDS; SANCTIONS.]

Subdivision 1. [INCENTIVE AWARDS.] Notwithstanding Minnesota Statutes, section 256.863, or any other law to the contrary for AFDC child support cases, after the target amount of \$36,704,000 for fiscal year 1987, and \$40,563,000 for fiscal year 1988, has been collected, the counties that exceed their pro rata share of the target collections amount for fiscal year 1987 and fiscal year 1988 as contained in the financial records of the commissioner of human services may retain an additional 50 percent of the nonfederal share of money collected exceeding the target amounts as child support incentive awards. The money retained shall be from the state share of collections.

## ARTICLE 2

Section 1. [FEDERAL AUTHORITY.]

Subdivision 1. [LEGISLATIVE AUTHORITY.] (a) The commissioner of human services shall seek from the Congress of the United States authority to modify the administration and delivery of the aid

to families with dependent children program (AFDC) in Minnesota. The commissioner shall seek authority to:

(1) disregard more earned income of a recipient than currently allowed under United States Code, title 42, section 602(a)(8)(B)(ii). The purpose of this change is to provide an incentive to work and prevent recipients from experiencing a sudden loss of income after four months of employment;

(2) exclude from consideration in computing the income of an AFDC caretaker parent under the age of 18 any income of the parents of the caretaker parent, without regard to the residence of the caretaker parent. The purpose of this change is to allow a minor parent to receive financial assistance while remaining in a supportive home environment;

(3) determine the maximum value of an automobile which can be excluded as an asset under United States Code, title 42, section 602(a)(7)(B)(i). The purpose of this change is to recognize the need of AFDC recipients for reliable transportation in order to participate in work and training and become self-sufficient;

(4) disregard, in computing income, the cost of child care beyond that currently allowed under United States Code, title 42, section 602(a)(8)(A)(iii). The purpose of this change is to recognize the need of AFDC recipients for quality reliable child care in order to participate in work and training and become self-sufficient;

(5) permit a principal earner in a family receiving AFDC-UP to work more than 100 hours per month without being disqualified from the program. The purpose of this change is to recognize the financial reality of AFDC-UP families and to help the families achieve financial security before leaving the program. For the purposes of this subdivision, AFDC-UP refers to AFDC clients who are eligible for assistance because of unemployment as defined under section 256.12, subdivision 14;

(6) require that, as a condition of receiving aid to families with dependent children, minor parents of children six weeks of age and older who have not completed a high school education be required either to attend high school or to work toward a general education diploma as long as necessary child care and transportation services are available to them. Minor parents of children with special health needs are exempt from this requirement;

(7) allow the use of vendor payments for recipients who do not fulfill the conditions of clause (6); and

(8) introduce additional requirements or relax existing requirements to the extent the commissioner deems necessary to construct

an AFDC program for Minnesota that increases the possibility of self-sufficiency of recipient families.

(b) In constructing and negotiating modifications under clause (a), the commissioner shall not agree to terms or conditions that infringe on recipients' entitlement to benefits or impede federal financial participation under United States Code, title 42, subchapter IV, part A. The commissioner shall not accept a block grant or lump sum amount of federal money for AFDC in Minnesota unless the sum is adjusted to protect the state against an increase in the number of recipients during a period of recession.

Subd. 2. [FEDERAL APPROVAL.] The commissioner of human services shall seek federal approval to require that, as a condition of receiving aid to families with dependent children:

(1) minor parents of children six weeks of age and older who have not completed a high school education be required either to attend high school or to work toward a general education diploma as long as necessary child care and transportation services are available to them;

(2) caretakers of children age three and over be required to seek and accept suitable employment or training as long as necessary child care, transportation, and health benefits are available to them;

Sec. 26. [CONSULTATION REQUIRED.]

Land must not be purchased and a building must not be purchased, constructed, or erected on land of the University of Minnesota until the regents have first consulted with the chair of the senate finance committee and the chair of the house appropriations committee and obtained their advisory recommendations.

## Sec. 27. [REVIEW OF PLANS.]

An agency to whom an appropriation is made in this act must not prepare final plans and specifications for any construction or major remodeling authorized by this act until the agency that will use the project has presented the program and schematic plans and cost estimates for all elements necessary to complete the project to the chair of the senate finance committee and the chair of the house appropriations committee and the chairs have made their recommendations. The recommendations are advisory only. Failure or refusal to make a recommendation promptly is considered a negative recommendation.

## Sec. 28. [APPROPRIATIONS FOR CONSTRUCTION; TRANSFER.]

Upon the awarding of final contracts for the completion of a project for construction or other permanent improvement authorized by this act, or upon the abandonment of the project, the agency to whom the appropriation is made in this act may transfer the unencumbered balance in the project account to another project enumerated in the same section. The transfer must be made only to cover bids for the other project that were higher than was estimated when the appropriation for the other project was made and not to cover an expansion of the other project. The money transferred under this section is appropriated for the purposes for which transferred. **Sec. 31. [16A.661] [GENERAL OBLIGATION SPECIAL TAX BONDS.]**

Subdivision 1. [AUTHORITY.] When authorized by law enacted in accordance with the constitution, article XI, sections 5 and 7, the commissioner may by order sell and issue general obligation special tax bonds of the state evidencing public debt incurred for any purpose stated in the law. The bonds are payable primarily from the proceeds of special taxes appropriated to special tax bond debt service accounts established in subdivision 3 and other money on hand in that fund from time to time; however, the bonds are general obligations of the state, and the full faith and credit of the state are pledged for their payment.

Subd. 2. [MANNER OF ISSUANCE; MATURITIES.] The bonds must be issued and sold in accordance with section 16A.641, except that the maturities of the bonds and the interest rates applicable to the bonds must be fixed so that the principal and interest coming due in the 1987-1989 biennium on all bonds outstanding at any time does not exceed \$12,250,000. Sections 16A.672 and 16A.675 apply to the bonds.

Subd. 3. [ESTABLISHMENT OF DEBT SERVICE FUND; APPROPRIATION OF DEBT SERVICE FUND MONEY.] (a) There is established within the state bond fund a separate and special account designated as a general obligation special tax bond debt service account. There must be credited to this debt service account in each fiscal year from the tobacco tax revenue fund established in section 297.13 an amount sufficient to increase the balance on hand in the debt service account on each December 1 to an amount equal to the full amount of principal and interest to come due on all outstanding bonds whose debt service is payable primarily from proceeds of the tax to and including the second following July 1. The money on hand in the debt service account must be used solely for the payment of the principal of, and interest on, the bonds, and is appropriated for this purpose. This appropriation does not cancel as long as any of the bonds remain outstanding.

(b) There is established within the state bond fund a separate and special account designated as a general obligation special tax bond debt service account. There must be credited to this debt service account in each fiscal year from the sports and health club sale tax revenue fund established in section 49 an amount sufficient to increase the balance on hand in the debt service account on each December 1 to an amount equal to the full amount of principal and interest to come due on all outstanding bonds whose debt service is payable primarily from proceeds of the tax to and including the

second following July 1. The money on hand in the debt service account must be used solely for the payment of the principal of, and interest on, the bonds, and is appropriated for this purpose. This appropriation does not cancel as long as any of the bonds remain outstanding.

Subd. 4. [APPROPRIATION FROM GENERAL FUND.] There is annually appropriated to the general obligation special tax bond debt service accounts from the general fund the amount that, added to the amount in the general obligation special tax bond debt service accounts on December 1 each year, after giving effect to subdivision 3, is equal to the full amount of principal and interest to come due on all bonds to and including July 1 in the second ensuing year.

Subd. 5. [CONSTITUTIONAL TAX LEVY.] Under the constitution, article XI, section 7, the state auditor must levy each year on all taxable property within the state a tax sufficient, with the amount then on hand in the general obligation special tax bond debt service accounts, to pay all principal and interest on the bonds due and to become due to and including July 1 in the second ensuing year. The tax is not subject to limit as to rate or amount. However, the amount of money appropriated from other sources as provided in subdivisions 3 and 4, and actually received and on hand before the levy in any year, reduces the amount of the tax otherwise required to be levied. The proceeds of the tax must be credited to the appropriate general obligation special tax bond debt service account.

Subd. 6. [TAXABILITY; CERTIFICATION.] The commissioner shall ascertain from state records and certify to the initial purchasers of each series of bonds, subject to the approval of the attorney general, that all conditions exist and all actions have been taken that are needed to make the series of bonds valid and binding general obligations of the state in accordance with their terms. The bonds may be issued without regard to whether the interest to be paid on them is includable in gross income for federal tax purposes. However, if it is intended that the interest on the bonds be exempt from federal income taxes, the commissioner shall also certify for the state on the date of issue the facts, estimates, and circumstances that lead the commissioner reasonably to expect that the proceeds of the bonds and the projects financed by them will not be used in a way that would cause the interest on the bonds to be subject to federal income taxes; the commissioner may covenant and agree with the holders of the bonds that the state will comply with the provisions of the United States Internal Revenue Code now or hereafter enacted that are or may be applicable to the bonds and that establish conditions under which the interest to be paid on the bonds will not be subject to federal income taxes; and the commissioner and all other state officers shall take the actions or refrain from taking the actions necessary to comply with the covenants. Money required to be spent for compliance is appropriated to the commissioner from the general fund.

Subd. 7. [APPLICATION AND APPROPRIATION OF PROCEEDS.] The proceeds of the bonds must be deposited and spent as provided in this subdivision and are appropriated for those purposes. Any accrued interest and any premium received on the sale of the bonds, and any amount of bond proceeds determined by the commissioner to be needed to pay interest payable on the bonds up to 18 months following their issuance, must be credited to the appropriate general obligation special tax bond debt service account. Except as required for section 25, subdivisions 2 and 4, the balance of the bond proceeds shall be credited to the state building fund and spent for the purposes specified in the law authorizing the issuance of the bonds. So much of the proceeds as is necessary must be used to pay costs incurred in issuing and selling the bonds.

Subd. 8. [SPECIFIC BOND AUTHORIZATION.] (a) Upon request by the governor, the commissioner of finance may issue general obligation special tax revenue bonds under subdivision 1, to provide money appropriated for the purposes specified in sections 5, subdivision 4, (RIM); 7 (WPCF); and 12 (RIM).

(b) Upon request by the governor, the commissioner of finance may issue general obligation special tax revenue bonds under subdivision 1, to provide money appropriated for the purposes specified in sections 8, subdivision 3, (DEED); 9 (IRRRB); and 20, subdivision 5, clause (f), (St. Cloud State University); and 21, subdivision 6, (University of Minnesota).

**Sec. 32. [85.012] [Subd. 19.] [MYSTERY CAVE ADDED TO FORESTVILLE STATE PARK.]**

Subdivision 1. The commissioner of natural resources is authorized to acquire by gift or purchase the lands and interests in lands presently owned or controlled by the owners and operators of Mystery Cave, in Fillmore county, together with such other lands and interests in lands as may be necessary for the permanent development of Mystery Cave as a part of the state park system. These lands and interests in lands, when acquired, will constitute a part of Forestville state park, and shall be administered in the same manner as provided for other state parks and shall be perpetually dedicated for such use. After necessary repairs and development, the commissioner may conduct guided tours of Mystery Cave and may establish fees therefor. These fees shall be deposited in the state park working capital fund. As necessary to the operation of Mystery Cave, the commissioner may enter into agreements with local road authorities for the maintenance or improvement of roads necessary to provide access to the cave.

Subd. 2. The lands and interests in lands which the commissioner may acquire by gift or purchase for Mystery Cave are described as follows:

(1) the North Half of the East 16 acres of the Southeast Quarter of the Southeast Quarter, the Southeast Quarter of the Southeast Quarter of the Southeast Quarter, and the East 1 acre of the Southwest Quarter of the Southeast Quarter of the Southeast Quarter in Section 19; the Southwest Quarter of the Southwest Quarter of the Southwest Quarter, and the North 20 acres of the East Half of the Southeast Quarter of Section 20; and a 2 rod cartway, the center line being described as follows: Commencing at a point 155 feet West of the northeast corner of the Southeast Quarter of the Southeast Quarter of the Southeast Quarter of Section 19, thence North 10 degrees 30 minutes West 600 feet, thence North 38 degrees 15 minutes West 196 feet, thence North 3 degrees West 460 feet to center of cartway; all in Township 102 North, Range 12 West, County of Fillmore; and

(2) subsurface estates and related rights and interests in lands needed for the permanent preservation of the cave and permanent development of those parts that will be open to the public. These subsurface estates shall include all minerals and mineral rights. The commissioner may exclude subsurface water and water rights from these acquisitions, on the condition that the location and drilling of wells be approved by the commissioner before drilling and that any water appropriation permit not substantially diminish the flow of any subterranean stream necessary to the natural condition of the cave. To the greatest extent possible, and for the purpose of avoiding future damage to the cave, the commissioner shall specifically include, as a part of the subsurface interests acquired, all sand, gravel, rock, and any other rights that customarily are regarded as interests in surface estates.

Subd. 3. [APPROPRIATION.] \$162,000 is appropriated from the general fund to the commissioner of natural resources to be available until expended for the following purposes to implement the acquisition of Mystery Cave as part of Forestville state park under section 1. The following amounts are appropriated from the general fund to the commissioner for the purposes specified:

Sec. 33. [124.491] [CITATION.]

Sections 34 to 38 may be cited as the "cooperative secondary facilities grant act."

Sec. 34. [124.492] [POLICY AND PURPOSE.]

Because of the rates of decline in school-aged population, population shifts and economic changes that the state has experienced in recent years and anticipates in future years, and because in some instances local school districts have not, and will not be able to provide the required construction funds through local property taxes, the purpose of the cooperative secondary facilities grant program is to provide an incentive to encourage cooperation in making available to all secondary students those educational programs, services and facilities that are most efficiently and effectively provided by a cooperative effort of several school districts. The policy and purpose of sections 35 to 37 is to use the credit of the state, to a limited degree, to provide grants to cooperating groups of school districts to improve and expand the educational opportunities and facilities available to their secondary students.

Sec. 35. [124.493] [APPROVAL AUTHORITY; APPLICATION FORMS.]

Subdivision 1. [APPROVAL BY COMMISSIONER.] To the extent money is available, the commissioner of education may approve or disapprove applications under section 36. The grant money must be used only to acquire, construct, remodel or improve the building or site of a cooperative secondary facility under contracts to be entered into within 15 months after the date on which each grant is awarded.

Subd. 2. [APPLICATION FORMS; RULES.] The commissioner of education shall prepare application forms. The state board of education shall adopt rules under chapter 14 to govern the application process set out in section 36.

Sec. 36. [124.494] [GRANT APPLICATION PROCESS.]

Subdivision 1. [QUALIFICATION.] Any group of school districts that meets the criteria required under subdivision 2 may apply for an incentive grant in an amount up to 75 percent of the approved construction costs of a cooperative secondary education facility.

Subd. 2. [REVIEW BY COMMISSIONER.] (a) Any group of districts that submits an application for a grant shall submit a proposal to the commissioner for review and comment under section 121.15, and the commissioner shall prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to acquire, construct, remodel or improve the secondary facility. The commissioner must not approve an application for an incentive grant for any secondary facility unless the facility receives a favorable review and comment under section 121.15 and the following criteria are met:

(1) a minimum of three or more districts, with kindergarten to grade twelve enrollments in each district of no more than 1,000 pupils, enter into a joint powers agreement;

(2) a joint powers board representing all participating districts is established under section 471.59 to govern the cooperative secondary facility;

(3) the planned secondary facility will result in the joint powers district meeting the requirements of Minnesota Rules, parts 3500.2010 and 3500.2110;

(4) at least 240 pupils would be served in grades 10 to 12, 320 pupils would be served in grades 9 to 12, or 480 pupils would be served in grades 7 to 12;

(5) no more than one superintendent is employed by the joint powers board as a result of the cooperative secondary facility agreement;

(6) a statement of need is submitted, that may include reasons why the current secondary facilities are inadequate, unsafe or inaccessible to the handicapped;

(7) an educational plan is prepared, that includes input from both community and professional staff;

(8) a combined seniority list for all participating districts is developed by the joint powers board;

(9) an education program is developed that provides for more learning opportunities and course offerings for students than is currently available in any single member district; and

(10) a plan is developed for providing instruction of any resident students in other districts when distance to the secondary education facility makes attendance at the facility unreasonably difficult or impractical.

(b) To the extent possible, the joint powers board is encouraged to provide for severance pay or for early retirement incentives under section 125.611, for any teacher or administrator, as defined under section 125.12, subdivision 1, who is placed on unrequested leave as a result of the cooperative secondary facility agreement.

Subd. 3. [DISTRICT PROCEDURES.] A joint powers board of a secondary district established under subdivision 2 that intends to apply for a grant shall adopt a resolution stating the proposed costs of the project, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the grant is requested will be contracted for and completed. Applications for the state grants must be accompanied by (a) a copy of the resolution, (b) a certificate by the clerk and treasurer of the joint powers board showing the current outstanding indebtedness of each member

district, and (c) a certificate by the county auditor of each county in which a portion of the joint powers district lies showing the information in the auditor's official records that is required to be used in computing the debt limit of the district under section 475.53, subdivision 4. The clerk's and treasurer's certificate shall show, as to each outstanding bond issue of each member district, the amount originally issued, the purpose for which issued, the date of issue, the amount remaining unpaid as of the date of the resolution, and the interest rates and due dates and amounts of principal thereon. Applications and necessary data must be in the form prescribed by the commissioner and the rules of the state board of education. When an application is received, the commissioner shall obtain from the commissioner of revenue, and from the public utilities commission when required, the information in their official records that is required to be used in computing the debt limit of the joint powers district under section 475.53, subdivision 4.

Subd. 4. [AWARD OF GRANTS.] The commissioner shall examine and consider all applications for grants, and if any joint powers district is found not qualified, the commissioner shall promptly notify that joint powers board. On January 1 and July 1 of each year, the commissioner shall make a determination on all pending applications that have been on file with the commissioner more than one month. If the applicants are determined to be qualified by the commissioner and the total amount of the grants applied for does not exceed the amount available or that can be made available in the incentive grant account, all grants so applied for shall be approved, subject to verification by the joint powers districts as specified in subdivision 6. If the total amount of the applications exceeds the amount that is or can be made available, the commissioner shall allot the available amount among the qualified applicant districts, according to the commissioner's judgment and discretion based upon their respective needs. The commissioner shall promptly certify to each qualified joint powers district the amount, if any, of the grant awarded to it.

Subd. 5. [REFERENDUM; BOND ISSUE.] Within 90 days after being awarded a grant under subdivision 4, the joint powers board shall submit the question of authorizing the borrowing of funds for the secondary facility to the voters of the joint powers district at a special election, which may be held in conjunction with the annual election of the school board members of the member districts. The question submitted shall state the total amount of funding needed from all sources. A majority of those voting in the affirmative on the question is sufficient to authorize the joint powers board to issue the bonds on public sale in accordance with chapter 475. The clerk of the joint powers board must certify the vote of the bond election to the commissioner of education. If the bonds are authorized by the voters, the commissioner shall notify the county auditor of each county in which the joint powers district is located that the grant amount certified under subdivision 4 is available and appropriated for

payment of principal and interest on the bonds issued under this subdivision, and the auditor shall reduce the joint powers district's debt service levies accordingly. If a majority of those voting on the question do not vote in the affirmative, the grant must be canceled.

Subd. 6. [CONTRACT.] Each grant must be evidenced by a contract between the joint powers board and the state acting through the commissioner. It obligates the state to pay to the joint powers board an amount computed according to subdivision 4, upon receipt by the commissioner of a certified resolution of the joint powers board verifying that contracts have been entered into for construction or remodeling of the facilities for which the grant is awarded and that bonds of the joint powers district have been issued and sold in the amount necessary to pay all project costs in excess of the amount of the grant, and estimating the costs.

Sec. 37. [124.495] [STATE BOND AUTHORIZATION.]

To provide money for the cooperative secondary facilities grant program, the commissioner of finance, upon the request of the commissioner of education, shall issue and sell bonds of the state up to the amount of \$8,000,000 in the manner, upon the terms and with the effect prescribed by sections 16A.631 to 16A.675 and the Minnesota Constitution, article XI, sections 4 to 7.

#### Sec. 50. [LOCAL BONDING AUTHORITY.]

Subdivision 1. [BONDING AUTHORITY.] In addition to bonds authorized by other law, independent school district No. 625 may issue \$400,000 in general obligation bonds in 1987 or 1988 for capital repairs and improvements. The bonds issued under this section are not subject to Minnesota Statutes, sections 475.58, 475.59, or the first sentence of 475.53, subdivision 5. The bonds must otherwise be issued as provided in Minnesota Statutes, chapter 475. The authority to issue bonds under this section is in addition to any bonding authority authorized by Minnesota Statutes, chapter 124, or other law. The amount of bonding authority authorized under this section must be disregarded in calculating the bonding limit of chapter 124 or any other law other than Minnesota Statutes, chapter 475.

The bonds must not be issued until the school district has conveyed to the city of Saint Paul, by recordable deed, all of the interest of independent school district No. 625 in property legally described as King's Park View, Block 2. The property is otherwise known as the Edgcumbe school site and is bounded by Hamline Avenue, Pinehurst Avenue, Syndicate Street, and Ford Parkway. The school district may accept contributions, direct or indirect, related to the conveyance, from any source, provided that the amount of bonds authorized under this section must be reduced by the amount of contributions accepted except for contributions associated with the costs of issuing the bonds.

Subd. 2. [TAX LEVY FOR DEBT SERVICE.] To pay for the principal of and interest on bonds issued under subdivision 1, independent school district No. 625 must levy a tax annually in an amount sufficient under Minnesota Statutes, section 475.61, subdivisions 1 and 3, to pay the principal of and interest on the bonds. The tax authorized under this section is in addition to the taxes authorized to be levied under Minnesota Statutes, chapter 124A or 275, or other law. The tax authorized under this section is not subject to and must be disregarded in the calculation of any levies subject to limits on levies provided in Minnesota Statutes, chapter 124A or 275, or other law.

Sec. 51. [PLANNING.]

In its planning for new program offerings at a particular institution, each public post-secondary governing board shall consider the availability of physical space and the adequacy of facilities at that institution. If the board determines that new space or facilities are required, it shall examine the feasibility of developing the program at a different institution within its system.

Sec. 52. [GREAT RIVER ROAD BONDS.]

Subdivision 1. The city of Minneapolis may issue \$6,000,000 in general obligation bonds for land acquisition in connection with the great river road project. The bonds must be issued before December 31, 1987. The bonds issued under this subdivision are not included in the net indebtedness of the city as defined in Minnesota Statutes, section 475.51, subdivision 4.

Subd. 2. Upon certification by the city of Minneapolis to the department of finance and the Minnesota pollution control agency that the city has issued \$6,000,000 in bonds under subdivision 1, any current or future repayments required by Minnesota Statutes, section 116.162, subdivision 6, are canceled.

Sec. 53. [EXPANDING USE OF RED RIVER DIKE FUNDS.]

The unobligated balance of the appropriations made in Laws 1981, chapter 361, section 3, subdivision 3, and Laws 1985, First Special Session chapter 15, section 4, subdivision 5, does not cancel pursuant to Minnesota Statutes, section 16A.28 or other law, but is available for grants for flood management projects or to evaluate the practicality and feasibility of establishing a coordinated diking system along both sides of the Red River of the North beginning at East Grand Forks and Grand Forks and extending north for the Minnesota counties of Polk, Marshall, and Kittson, and the North Dakota counties of Grand Forks, Walsh, and Pembina. Sec. 54. [CAPITAL IMPROVEMENTS.]

Subdivision 1. [CAPITAL IMPROVEMENT LEVY.] Dakota county may levy a property tax annually for a capital improvement program. The proceeds shall be placed in a capital improvement fund for the construction of an administrative office facility and disbursed like other county funds. Proceeds not used in the year collected may be held over for use in subsequent years. Interest earnings on money in the fund shall accrue to the fund. The tax shall be disregarded in the calculation of any levies or limits on levies provided by Minnesota Statutes, chapter 275, or other law.

Subd. 2. [AUTHORIZATION.] The county board may, by resolution, without submitting the question to a vote of the people, sell and issue up to \$7,000,000 in general obligation bonds of the county for an administrative office facility. This authority is in addition to any other authority granted by Minnesota Statutes, section 473.811, or other law.

Subd. 3. [FORM OF BONDS.] Payment of the bonds shall be secured by pledging the full faith and credit and taxing power of Dakota county. The county board shall prescribe the form of the bonds and their interest rate and sell them to the highest bidder after publication of the notice of the time and place for receiving the bids. Proceeds from the sale of the bonds shall be deposited in the capital improvement fund and disbursed like other county funds. Any unexpended balance in the capital improvement bond fund at the close of a fiscal year may be carried over for expenditure or encumbrance in subsequent fiscal years. Except as provided in this section, Minnesota Statutes, chapter 475 shall govern the issuance and payment of the bonds.

Sec. 55. [REVERSE REFERENDUM.]

Before each issuance of bonds under section 54, the county board shall publish its intention to do so for two successive weeks in the

official newspaper of the county or a newspaper of general circulation in the county, together with a notice fixing a date for a public hearing to obtain public comment on the matter. The hearing shall be held not less than two nor more than four weeks after the first publication of the resolution.

If a petition requesting a vote on the issuance, signed by voters equal in number to ten percent of the votes cast in the county in the last general election, is filed with the county auditor within 30 days after the hearing, the bonds must not be issued until a majority of the voters at a general or special election cast affirmative votes on the question of their issuance.

Sec. 56. [EFFECTIVE DATE.]

Sections 1 to 49, and 51 to 53, are effective the day following their final enactment.

Section 50 is effective the day after the governing body of independent school district No. 625 complies with Minnesota Statutes, section 645.021, subdivision 3. If the notice is not given at least 60 days before the date of expiration provided in the policy, the policy shall continue in force until 60 days after a notice of intent not to renew is received by the policyholder.

Subd. 2. [EXCEPTIONS.] This section does not apply if the policyholder has insured elsewhere, has accepted replacement coverage, or has requested or agreed to nonrenewal.

Sec. 14. [60A.38] [INTERPRETATION AND PENALTIES.]

Subdivision 1. [SECTIONS NOT EXCLUSIVE.] Sections 11 to 14 are not exclusive, and the commissioner may also consider other provisions of Minnesota law to be applicable to the circumstances or situations addressed by sections 11 to 14. The rights provided by sections 11 to 14 are in addition to and do not prejudice any other rights the policyholder may have at common law, under statute, or rules.

Subd. 2. [PENALTIES.] A violation of any provisions of sections 11 to 14 shall be deemed to be an unfair trade practice in the business of insurance and shall subject the violator to the penalties provided by sections 72A.17 to 72A.32 in addition to any other penalty provided by law.

Subd. 3. [NOTICES REQUIRED.] All notices required by sections 11 to 14 shall only be made by first class mail addressed to the policyholder's last known address or by delivery to the policyholder's last known address. Notice by first class mail is effective upon deposit in the United States mail. In addition to giving notice to the policyholder, the insurer must also give notice to the agent of record, if any, in the manner specified for the policyholder.

Sec. 15. Minnesota Statutes 1986, section 60B.44, subdivision 1, is amended to read:

Subdivision 1. [DEDUCTIBLE PROVISION.] The distribution of claims from the insurer's estate shall be in the order stated in this section with a descending degree of preference for each subdivision. The first \$50 of the amount allowed on each claim in the classes under subdivisions 3 to 7 shall be deducted from the claim and

included in the class under subdivision 9. Claims may not be cumulated by assignment to avoid application of the \$50 deductible provision. Subject to the \$50 deductible provision, Every claim in each class shall be paid in full or adequate funds retained for the payment before the members of the next class receive any payment. No subclasses shall be established within any class.

Sec. 16. Minnesota Statutes 1986, section 60B.44, subdivision 4, is amended to read:

Subd. 4. [LOSS CLAIMS; INCLUDING CLAIMS NOT COVERED BY A GUARANTY ASSOCIATION.] All claims under policies or contracts of coverage for losses incurred including third party claims, and all claims against the insurer for liability for bodily injury or for injury to or destruction of tangible property which are not under policies or contracts, except the first \$200 of losses otherwise payable to any claimant under this subdivision. All claims under life insurance and annuity policies, whether for death proceeds, annuity proceeds, or investment values, shall be treated as loss claims. Claims may not be cumulated by assignment to avoid application of the \$200 deductible provision. That portion of any loss for which indemnification is provided by other benefits or advantages recovered or recoverable by the claimant shall not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligations of support or by way of succession at death or as proceeds of life insurance, or as gratuities. No payment made by an employer to an employee shall be treated as a gratuity. Claims not covered by a guaranty association are loss claims. If any portion of a claim is covered by a reinsurance treaty or similar contractual obligation, that claim shall be entitled to a pro rata share, based upon the relationship the claim amount bears to all claims payable under the treaty or contract, of the proceeds received under that treaty or contractual obligation.

Claims receiving pro rata payments shall not, as to any remaining unpaid portion of their claim, be treated in a different manner than if no such payment had been received.

Sec. 17. Minnesota Statutes 1986, section 60B.44, subdivision 5, is amended to read:

Subd. 5. [UNEARNED PREMIUMS AND SMALL LOSS CLAIMS.] Claims under nonassessable policies or contracts of coverage for unearned premiums or subscription rates or other refunds and the first \$200 of loss excepted by the deductible provision in subdivision 4.

Sec. 18. Minnesota Statutes 1986, section 60B.44, subdivision 9, is amended to read:

Sec. 19. Minnesota Statutes 1986, section 60C.09, is amended to read:

60C.09 [COVERED CLAIMS.]

Subdivision 1. [DEFINITION.] A covered claim is any unpaid claim, including one for unearned premium, which:

(a) (1) Arises out of and is within the coverage of an insurance policy issued by a member insurer if the insurer becomes an insolvent insurer after April 30, 1979; or

(2) Would be within the coverage of an extended reporting endorsement to a claims-made insurance policy if insolvency had not prevented the member insurer from fulfilling its obligation to issue the endorsement, if:

(i) the claims-made policy contained a provision affording the insured the right to purchase a reporting endorsement;

(ii) coverage will be no greater than if a reporting endorsement had been issued;

(iii) the insured has not purchased other insurance which applies to the claim; and

(iv) the insured's deductible under the policy is increased by an amount equal to the premium for the reporting endorsement as provided in the insured's claims-made policy, or if not so provided, then as established by a rate service organization.

(b) Arises out of a class of business which is not excepted from the scope of Laws 1971, chapter 145 by section 60C.02; and

(c) Is made by:

(i) A policyholder, or an insured beneficiary under a policy, who, at the time of the insured event, was a resident of this state; or

(ii) A person designated in the policy as having an insurable interest in or related to property situated in this state at the time of the insured event; or

(iii) An obligee or creditor under any surety bond, who, at the time of default by the principal debtor or obligor, was a resident of this state; or

(iv) A third party claimant under a liability policy or surety bond, if: (a) the insured or the third party claimant was a resident of this state at the time of the insured event; (b) the claim is for bodily or personal injuries suffered in this state by a person who when injured was a resident of this state; or (c) the claim is for damages to real property situated in this state at the time of damage; or

(v) A direct or indirect assignee of a person who except for the assignment might have claimed under (i), (ii) or (iii).

For purposes of paragraph (c), item (i), unit owners of condominiums, townhouses, or cooperatives are considered as having an insurable interest.

A covered claim also includes any unpaid claim which arises or exists within 30 days after the time of entry of an order of liquidation with a finding of insolvency by a court of competent jurisdiction unless prior thereto the insured replaces the policy or causes its cancellation or the policy expires on its expiration date.

Subd. 2. [LIMITATION OF AMOUNT.] Payment of a covered claim, except a claim for unearned premium by any single claimant, whether upon a single policy or multiple policies of insurance, is limited to the amount by which the allowance on any claim exceeds \$100 and is less than \$300,000. In the case of claim for unearned premium, the entire claim up to \$300,000 shall be allowed. The limitation on the amount of payment for a covered claim does not apply to claims for workers' compensation insurance. In no event is the association obligated to the policyholder or claimant in an amount in excess of the obligation of the insurer under the policy from which the claim arises.

Sec. 20. Minnesota Statutes 1986, section 61A.09, subdivision 1, is amended to read:

Subdivision 1. No group life insurance policy shall be issued for delivery in this state until the form thereof and the form of any certificates issued thereunder have been filed in accordance with and subject to the provisions of section 61A.02. Each person insured under such a group life insurance policy (excepting policies which insure the lives of debtors of a creditor or vendor to secure payment of indebtedness) shall be furnished a certificate of insurance issued by the insurer and containing the following:

(a) Name and location of the insurance company;

(b) A statement as to the insurance protection to which the certificate holder is entitled, including any changes in such protection depending on the age of the person whose life is insured;

(c) Any and all provisions regarding the termination or reduction of the certificate holder's insurance protection;

(d) A statement that the master group policy may be examined at a reasonably accessible place;

(e) The maximum rate of contribution to be paid by the certificate holder;

(f) Beneficiary and method required to change such beneficiary;

(g) In the case of a group term insurance policy if the policy provides that insurance of the certificate holder will terminate, in case of a policy issued to an employer, by reason of termination of the certificate holder's employment; or in case of a policy issued to an organization of which the certificate holder is a member, by reason of termination of membership; a provision to the effect that in case of termination of employment or membership the certificate holder shall be entitled to have issued by the insurer, without evidence of insurability, upon application made to the insurer within 31 days after termination of employment or membership, and upon payment of the premium applicable to the class of risk to which that person belongs and to the form and amount of the policy at that person's then attained age, a policy of life insurance only, in any one of the forms customarily issued by the insurer except term insurance, in an amount equal to the amount of the life insurance protection under such group insurance policy at the time of such termination; and shall contain a further provision to the effect that upon the death of the certificate holder during such 31-day period and before any such individual policy has become effective, the amount of insurance for which the certificate holder was entitled to make application shall be payable as a death benefit by the insurer. If a group term life insurance contract provides that an employee or member of an organization loses coverage under the contract as a result of termination of employment or membership, the contract shall provide that the employee or member has the right to purchase a term

insurance policy from the insurer with the same amount of coverage, the premium for which shall not, during the first 18 months of coverage, exceed 102 percent of cost for that amount of coverage under the group term life insurance contract. The terminated employee or member shall be eligible without evidence of insurability. The terminated employee or member shall be notified of the rights under this section by the employer or organization and shall have 31 days from the date of notification to exercise the right of conversion. If the terminated employee or member dies before the expiration of the 31-day period, the benefits payable under the group contract shall still be payable. For the purposes of this clause, "termination" includes voluntary or involuntary termination, layoff and a reduction in hours to the point where the employee is no longer eligible for group life insurance benefits.

Sec. 21. Minnesota Statutes 1986, section 62A.01, is amended to read:

**62A.01 [POLICY OF ACCIDENT AND SICKNESS INSURANCE DEFINED.]**

The term "policy of accident and sickness insurance" as used herein includes any policy covering the kind of insurance described in section 60A.06, subdivision 1, clause (5)(a).

For the purpose of chapters 62A and 62E the term "policy" also includes certificates of insurance or similar evidence of insurance coverage issued to a Minnesota resident.

This section supersedes any inconsistent provision of chapters 62A and 62E.

Sec. 22. Minnesota Statutes 1986, section 62A.02, subdivision 2, is amended to read:

Subd. 2. [APPROVAL.] No such policy or certificate shall be issued, nor shall any application, rider, or endorsement be used in connection therewith, until the expiration of 60 days after it has been so filed unless the commissioner shall sooner give written approval thereto.

Sec. 23. Minnesota Statutes 1986, section 62A.041, is amended to read:

**62A.041 [MATERNITY BENEFITS; UNMARRIED WOMEN.]**

Each group policy of accident and health insurance and each group health maintenance contract shall provide the same coverage for maternity benefits to unmarried women and minor female dependents that it provides to married women including the wives of

employees choosing dependent family coverage. If an unmarried insured or an unmarried enrollee is a parent of a dependent child, each group policy and each group contract shall provide the same coverage for that child as that provided for the child of a married employee choosing dependent family coverage if the insured or the enrollee elects dependent family coverage.

Each individual policy of accident and health insurance and each individual health maintenance contract shall provide the same coverage for maternity benefits to unmarried women and minor female dependents as that provided for married women. If an unmarried insured or an unmarried enrollee is a parent of a dependent child, each individual policy and each individual contract shall also provide the same coverage for that child as that provided for the child of a married insured or a married enrollee choosing dependent family coverage if the insured or the enrollee elects dependent family coverage.

Each group subscriber contract of accident and health insurance or health maintenance contract, issued or renewed after August 1, 1987, shall include maternity benefits in the same manner as any other illness covered under the policy or contract.

For the purposes of this section, the term "maternity benefits" shall not include elective, induced abortion whether performed in a hospital, other abortion facility, or the office of a physician.

This section applies to policies and contracts issued, delivered, or renewed after August 1, 1985, that cover Minnesota residents.

Sec. 24. Minnesota Statutes 1986, section 62A.043, is amended by adding a subdivision to read:

Subd. 3. No policy or certificate of health, medical, hospitalization, or accident and sickness insurance regulated under this chapter, or subscriber contract provided by a nonprofit health service plan corporation regulated under chapter 62C, or health maintenance organization regulated under chapter 62D, shall be issued, renewed, continued, delivered, issued for delivery, or executed in this state after August 1, 1987, unless the policy, plan, or contract specifically provides coverage for surgical and nonsurgical treatment of temporomandibular joint disorder and craniomandibular disorder. Coverage shall be the same as that for treatment to any other joint in the body, and shall apply if the treatment is administered or prescribed by a physician or dentist.

Sec. 25. Minnesota Statutes 1986, section 62A.141, is amended to read:

62A.141 [COVERAGE FOR HANDICAPPED DEPENDENTS.]

No group policy or plan of health and accident insurance regulated under this chapter, chapter 62C, or 62D, which provides for dependent coverage may be issued or renewed in this state after August 1, 1983, unless it covers the handicapped dependents of the insured, subscriber, or enrollee of the policy or plan. Consequently, the policy or plan shall not contain any provision concerning preexisting condition limitations, insurability, eligibility, or health underwriting approval concerning handicapped dependents.

If ordered by the commissioner of commerce, the insurer of a Minnesota-domiciled nonprofit association which is composed solely of agricultural members may restrict coverage under this section to apply only to Minnesota residents.

Sec. 26. Minnesota Statutes 1986, section 62A.146, is amended to read:

62A.146 [CONTINUATION OF BENEFITS TO SURVIVORS.]

No policy or plan of accident and health protection issued by an insurer, nonprofit health service plan corporation, or health maintenance organization, providing coverage of hospital or medical expense on either an expense incurred basis or other than an expense incurred basis which in addition to coverage of the insured, subscriber, or enrollee, also provides coverage to dependents, shall, except upon the written consent of the survivor or survivors of the deceased insured, subscriber or enrollee, terminate, suspend or otherwise restrict the participation in or the receipt of benefits otherwise payable under the policy or plan to the survivor or survivors until the earlier of the following dates:

(a) the date of remarriage of the surviving spouse becomes covered under another group health plan; or

(b) the date coverage would have terminated under the policy or plan had the insured, subscriber, or enrollee lived.

The survivor or survivors, in order to have the coverage and benefits extended, may be required to pay the entire cost of the protection on a monthly basis. In no event shall the amount of premium or fee contributions charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly-situated spouses and dependent children who are not the survivors of a deceased insured, without regard to whether such cost is paid by the employer or employee. Failure of the survivor to make premium or fee payments within 90 days after notice of the requirement to pay the premiums or fees shall be a basis for the termination of the coverage without written consent. In event of termination by reason of the survivor's failure to make required premium or fee contributions, written notice of cancellation must be mailed to the survivor's last known address at least 30 days before the cancellation. If the

coverage is provided under a group policy or plan, any required premium or fee contributions for the coverage shall be paid by the survivor to the group policyholder or contract holder for remittance to the insurer, nonprofit health service plan corporation, or health maintenance organization.

Sec. 27. Minnesota Statutes 1986, section 62A.152, subdivision 2, is amended to read:

Subd. 2. [MINIMUM BENEFITS.] All group policies and all group subscriber contracts providing benefits for mental or nervous disorder treatments in a hospital shall also provide coverage, ~~to~~ on the same basis as coverage for other benefits for at least the extent of 80 percent of the first \$750 of the cost of the usual and customary charges of the first ten hours of treatment incurred over a 12-month benefit period, for mental or nervous disorder consultation, diagnosis and treatment services delivered while the insured person is not a bed patient in a hospital, and at least 75 percent of the cost of the usual and customary charges for any additional hours of treatment during the same 12-month benefit period for serious and persistent mental or nervous disorders, if the services are furnished by (1) a licensed or accredited hospital, (2) a community mental health center or mental health clinic approved or licensed by the commissioner of human services or other authorized state agency, or (3) a licensed consulting psychologist licensed under the provisions of sections 148.87 to 148.98, or a psychiatrist licensed under chapter 147. Prior authorization from an accident and health insurance company, or a nonprofit health service corporation, shall be required for an extension of coverage beyond ten hours of treatment. This prior authorization must be based upon the severity of the disorder, the patient's risk of deterioration without ongoing treatment and maintenance, degree of functional impairment, and a concise treatment plan. Authorization for extended treatment may not exceed a maximum of 30 visit hours during any 12-month benefit period.

For purposes of this section, covered treatment for a minor shall include treatment for the family if family therapy is recommended by a provider listed above in clause (1), (2) or (3).

Sec. 28. Minnesota Statutes 1986, section 62A.17, is amended to read:

62A.17 [TERMINATION OF OR LAYOFF FROM EMPLOYMENT.]

Subdivision 1. [CONTINUATION OF COVERAGE.] Every group insurance policy, group subscriber contract, and health care plan included within the provisions of section 62A.16, except policies, contracts, or health care plans covering employees of an agency of the federal government, shall contain a provision which permits every eligible covered employee who is voluntarily or involuntarily

terminated or laid off from employment, if the policy, contract, or health care plan remains in force for active employees of the employer, to elect to continue the coverage for the employee and dependents.

An employee shall be considered to be laid off from employment if there is a reduction in hours to the point where the employee is no longer eligible under the policy, contract or health care plan. Termination shall not include discharge for gross misconduct.

Subd. 2. [RESPONSIBILITY OF EMPLOYEE.] Every eligible covered employee electing to continue coverage shall pay the former employer, on a monthly basis, the cost of the continued coverage. If the policy, contract, or health care plan is administered by a trust, every eligible covered employee electing to continue coverage shall pay the trust the cost of continued coverage according to the eligibility rules established by the trust. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for similarly-situated employees with respect to whom neither termination nor layoff has occurred, without regard to whether such cost is paid by the employer or employee. The employee shall be eligible to continue the coverage until reemployed and eligible for health care coverage under a group policy, contract, or plan sponsored by the same or another employer the employee becomes covered under another group health plan, or for a period of 12 18 months after the termination of or lay off from employment, whichever is shorter.

Subd. 3. [ELIGIBILITY FOR CONTINUED COVERAGE.] An employee shall be eligible to make the election for the employee and dependents provided for in subdivision 1 if:

(a) In the period preceding the termination of or lay off from employment, the employee and dependents were covered through employment by a group insurance policy, subscriber's contract, or health care plan included within the provisions of section 62A.16;

(b) The termination of or lay off from employment was for reasons other than the discontinuance of the business, bankruptcy, or the employee's disability or retirement.

Subd. 4. [RESPONSIBILITY OF EMPLOYER.] After timely receipt of the monthly payment from an eligible a covered employee, if the employer, or the trustee, if the policy, contract, or health care plan is administered by a trust, fails to make the payment to the insurer, nonprofit health service plan corporation, or health maintenance organization, with the result that the employee's coverage is terminated, the employer or trust shall become liable for the employee's coverage to the same extent as the insurer, nonprofit health service plan corporation, or health maintenance organization would be if the coverage were still in effect.

In the case of a policy, contract or plan administered by a trust, the employer must notify the trustee within 30 days of the termination or layoff of a covered employee of the name and last known address of the employee.

If the employer or trust fails to notify a covered employee, the employer or trust shall continue to remain liable for the employee's coverage to the same extent as the insurer would be if the coverage were still in effect.

Subd. 5. [NOTICE OF OPTIONS.] Upon the termination of or lay off from employment of an eligible employee, the employer shall inform the employee within ten days after termination or lay off of:

(a) the right to elect to continue the coverage;

(b) the amount the employee must pay monthly to the employer to retain the coverage;

(c) the manner in which and the office of the employer to which the payment to the employer must be made; and

(d) the time by which the payments to the employer must be made to retain coverage.

If the policy, contract, or health care plan is administered by a trust, the employer is relieved of the obligation imposed by clauses (a) to (d). The trust shall inform the employee of the information required by clauses (a) to (d).

The employee shall have 60 days within which to elect coverage. The 60-day period shall begin to run on the date plan coverage would otherwise terminate or on the date upon which notice of the right to coverage is received, whichever is later.

Notice may must be in writing and sent by first class mail to the employee's last known address which the employee has provided the employer or trust. If the employer or trust fails to so notify the employee who is properly enrolled in the program, the employee shall have the option to retain coverage if the employee makes this election within 60 days of the date terminated or laid off by making the proper payment to the employer or trust to provide continuous coverage.

A notice in substantially the following form shall be sufficient:  
"As a terminated or laid off employee, the law authorizes you to maintain your group medical insurance for a period of up to 12 18 months. To do so you must notify your former employer within ten 60 days of your receipt of this notice that you intend to retain this

coverage and must make a monthly payment of \$..... to ..... at ..... by the ..... of each month.”

Subd. 6. [CONVERSION TO INDIVIDUAL POLICY.] A group insurance policy that provides posttermination or layoff coverage as required by this section shall also include a provision allowing a covered employee, surviving spouse, or dependent at the expiration of the posttermination or layoff coverage provided by subdivision 2 to obtain from the insurer offering the group policy or group subscriber contract, at the employee's, spouse's, or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual policy of insurance or an individual subscriber contract providing at least the minimum benefits of a qualified plan as prescribed by section 62E.06 and the option of a number three qualified plan, a number two qualified plan, and a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3 provided application is made to the insurer within 30 days following notice of the expiration of the continued coverage and upon payment of the appropriate premium. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. A health maintenance contract issued by a health maintenance organization that provides posttermination or layoff coverage as required by this section shall also include a provision allowing a former employee, surviving spouse, or dependent at the expiration of the posttermination or layoff coverage provided in subdivision 2 to obtain from the health maintenance organization, at the former employee's, spouse's, or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual health maintenance contract. Effective January 1, 1985, enrollees who have become nonresidents of the health maintenance organization's service area shall be given the option, to be arranged by the health maintenance organization, of a number three qualified plan, a number two qualified plan, or a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3 if an arrangement with an insurer can reasonably be made by the health maintenance organization. This option shall be made available at the enrollee's expense, without further evidence of insurability and without interruption of coverage.

A policy providing reduced benefits at a reduced premium rate may be accepted by the employee, the spouse, or a dependent in lieu of the optional coverage otherwise required by this subdivision.

The individual policy or contract shall be renewable at the covered option of the individual as long as the individual is not under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under title XVIII of the Social Security Act, as amended. Any revisions in the table of rate for the individual policy shall apply to the covered person's original age at entry and shall apply equally to all similar policies issued by the insurer.

**Sec. 29. [62A.20] [COVERAGE OF CURRENT SPOUSE AND CHILDREN.]**

Subdivision 1. [REQUIREMENT.] Every policy of accident and health insurance providing coverage of hospital or medical expense on either an expense-incurred basis or other than an expense-incurred basis, which in addition to covering the insured also provides coverage to the spouse and dependent children of the insured shall contain:

(1) a provision which permits the spouse and dependent children to elect to continue coverage when the insured becomes enrolled for benefits under Title XVIII of the Social Security Act (Medicare); and

(2) a provision which permits the dependent children to continue coverage when they cease to be dependent children under the generally applicable requirement of the plan.

Subd. 2. [CONTINUATION PRIVILEGE.] The coverage described in subdivision 1 may be continued until the earlier of the following dates:

(1) the date coverage would otherwise terminate under the policy;

(2) 36 months after continuation by the spouse or dependent was elected; or

(3) the spouse or dependent children become covered under another group health plan.

If coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the insured on a monthly basis to the group policyholder for remittance to the insurer. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly-situated spouse and dependent children to whom subdivision 1 is not applicable, without regard to whether such cost is paid by the employer or employee.

Sec. 30. Minnesota Statutes 1986, section 62A.21, is amended to read:

**62A.21 [CONVERSION PRIVILEGES FOR INSURED FORMER SPOUSES AND CHILDREN.]**

Subdivision 1. No policy of accident and health insurance providing coverage of hospital or medical expense on either an expense incurred basis or other than an expense incurred basis, which in addition to covering the insured also provides coverage to the spouse of the insured shall contain a provision for termination of coverage

for a spouse covered under the policy solely as a result of a break in the marital relationship ~~except by reason of an entry of a valid decree of dissolution of marriage.~~

Subd. 2a. [CONTINUATION PRIVILEGE.] Every policy described in subdivision 1 shall contain a provision which permits continuation of coverage under the policy for the insured's former spouse and dependent children upon entry of a valid decree of dissolution of marriage, ~~if the decree requires the insured to provide continued coverage for those persons.~~ The coverage ~~may~~ shall be continued until the earlier of the following dates:

Consequently, the policy or plan shall not contain any provision concerning preexisting condition limitations, insurability, eligibility, or health underwriting approval concerning adopted children.

The coverage required by this section is effective from the date of placement for the purpose of adoption and continues unless the placement is disrupted prior to legal adoption and the child is removed from placement.

Sec. 73. Minnesota Statutes 1986, section 72A.31, subdivision 1, is amended to read:

Subdivision 1. No person, firm or corporation engaged in the business of financing the purchase of real or personal property or of lending money on the security of real or personal property or who acts as agent or broker for one who purchases real property and borrows money on the security thereof, and no trustee, director, officer, agent or other employee of any such person, firm, or corporation shall directly or indirectly:

(1) require, as a condition precedent to such purchase or financing the purchase of such property or to loaning money upon the security of a mortgage thereon, or as a condition prerequisite for the renewal or extension of any such loan or mortgage or for the performance of any other act in connection therewith, that the person, firm or corporation making such purchase or for whom such purchase is to be financed or to whom the money is to be loaned or for whom such extension, renewal or other act is to be granted or performed negotiate any policy of insurance or renewal thereof covering such property through a particular agent, or insurer; or

(3) require any policy of insurance covering the property to exceed the replacement cost of the buildings on the mortgaged premises.

This section shall not prevent the disapproval of the insurer or a policy of insurance by any such person, firm, corporation, trustee, director, officer, agent or employee where there are reasonable grounds for believing that such insurance is unsatisfactory as to placement with an unauthorized insurer, the financial solvency of the insurer, adequacy of the coverage, adequacy of the insurer to assume the risk to be insured, the assessment features to which the policy is subject, or other grounds which are not arbitrary, unreasonable or discriminatory, nor shall this section forbid the securing of insurance or a renewal thereof at the request of the borrower or because of the borrower's failure to furnish the necessary insurance or renewal thereof.

Upon notice of any such disapproval of an insurer or a policy of insurance, the commissioner may order the approval of the insurer or the acceptance of the tendered policy of insurance, or both, if the commissioner determines such disapproval is not in accordance with the foregoing requirements. Failure to comply with such an order of

the commissioner of commerce shall be deemed a violation of this section.

Sec. 74. Minnesota Statutes 1986, section 169.045, is amended by adding a subdivision to read:

Subd. 8. [INSURANCE.] In the event persons operating a motorized golf cart or four-wheel, all-terrain vehicle under this section cannot obtain liability insurance in the private market, that person may purchase automobile insurance, including no-fault coverage, from the Minnesota Automobile Assigned Risk Plan at a rate to be determined by the commissioner of commerce.

This section applies to organized sports competitions and practice and instruction in that sport.

For purposes of this section, "compensation" does not include reimbursement for expenses.

Subd. 2. [LIMITATION.] Subdivision 1 does not apply:

(1) to the extent that the acts or omissions are covered under an insurance policy issued to the entity for whom the coach, manager, or official serves;

(2) if the individual acts in a willful and wanton or reckless manner in providing the services or assistance, or if the individual has not successfully completed a safety orientation program established by the commissioner of public safety;

(3) if the acts or omissions arise out of the operation, maintenance, or use of a motor vehicle;

(4) if the acts or omissions are a result of the individual's permitting a sports competition or practice to be conducted without adequate supervision;

(5) to an athletic coach, manager, or official who provides services or assistance as part of a public or private educational institution's athletic program; and

(6) if the individual acts in violation of federal, state, or local law.

The limitation in clause (1) constitutes a waiver of the defense of immunity to the extent of the liability stated in the policy, but has no effect on the liability of the individual beyond the coverage provided.

Sec. 76. [SPECIAL STUDY.]

The commissioner of health, with the advice and assistance of the commissioners of commerce and human services, shall prepare a report to the legislature which addresses the issues concerning reimbursement by third-party payors of home health care benefits for individuals with a medical condition which would require inpatient hospital services in the absence of home or community-based care, and who are dependent upon medical technology in order to avoid death or serious injury. Development of the report shall include participation by home care providers and third-party payors. The report must include recommendations for the adoption of definitions of home care, minimum standards of home care services, the costs of providing home care, and resolution of the issue of cost-shifting of home care. (b) The plan must be updated before the expiration of the period covered by the plan. The plan must be reviewed for consistency with an adopted county ground water plan, and revised as necessary, whenever the watershed plan undergoes substantial revision or updating. In counties that adopt or amend ground water plans within five years following the effective date of section 12, watershed plans must be reviewed for consistency with the county ground water plan, and revised as necessary, not later than six years following the effective date of section 12. In counties that adopt or amend ground water plans after five years following the effective date of section 12, watershed plans must be reviewed for consistency with the county ground water plan, and revised as necessary, not later than one year following the adoption or amendment of the ground water plan. Upon the request of a watershed management organization, the county shall provide a written statement that: (1) identifies any substantial inconsistencies between the watershed plan and the ground water plan and any substantial adverse effects of the watershed plan on the ground water plan, and (2) evaluates, estimates the cost of, and recommends alternatives for amending the watershed plan to rectify any substantial inconsistencies and adverse effects.

(c) The plan shall contain the elements required by subdivision 4. Each element shall be set out in the degree of detail and prescription necessary to accomplish the purposes of sections 473.875 to 473.883, considering the character of existing and anticipated physical and hydrogeologic conditions, land use, and development and the severity of existing and anticipated water management problems in the watershed.

Any local government unit which expects that substantial amendment of its local comprehensive plan will be necessary in order to bring local water management into conformance with the watershed plan shall describe as specifically as possible, within its comments, the amendments to the local plan which it expects will be necessary. If the county has a ground water plan, the county shall review and comment on the consistency of the watershed plan with the county ground water plan. Differences among local governmental agencies regarding the plan must be mediated.

(b) Sixty days after the submission to local government units for comment, the organization shall submit the plan, any comments received, and any appropriate amendments to the plan, to the board of the county or counties having territory within the watershed. The county shall approve or disapprove projects in the capital improvement program which may require the provision of county funds pursuant to section 112.60, subdivision 2, or 473.883. The county shall have 60 days to complete its review of the capital improvement program. If the county fails to complete its review within the prescribed period, unless an extension is agreed to by the organization the program shall be deemed approved. If the watershed extends into more than one county and one or more counties disapprove of all or part of a capital improvement program while the other county or counties approve, the program shall be submitted to the water resources board for review pursuant to subdivision 7.

Sec. 9. Minnesota Statutes 1986, section 473.878, subdivision 6, is amended to read:

Subd. 6. [REVIEW BY METROPOLITAN COUNCIL.] After completion of the review under subdivision 5, the plan and all comments received shall be submitted to the metropolitan council for review. If the capital improvement program is the subject of a dispute between counties, the water resources board shall make a final decision on the issue. The decision shall be binding on the organization and the counties involved.

Sec. 11. Minnesota Statutes 1986, section 473.878, subdivision 9, is amended to read:

Subd. 2. [RESPONSIBLE UNITS.] The county may prepare and adopt the plan or, upon request of a soil and water conservation district, the county may delegate to the soil and water conservation district the preparation and adoption of all or part of a plan and the performance of other county responsibilities regarding the plan under this section and section 473.878.

Subd. 3. [LOCAL COORDINATION.] To assure the coordination of efforts of all units of government during the preparation and implementation of watershed and ground water plans, the county shall conduct meetings with local units of government and watershed management organizations, and may enter into agreements with local units of government and watershed management organizations establishing the responsibilities during the preparation and implementation of the water plans.

Subd. 4. Subd. 4. [BOUNDARY CHANGE PROCEDURE.] Any change in the boundary of an election precinct shall be adopted at least 90 days before the date of the next election, and shall not take effect until notice of the change has been posted in the office of the municipal clerk or county auditor for at least 60 days. Except in the case of the combination or separation of municipalities for election purposes under subdivision 8, the municipal clerk or county auditor shall notify each affected registered voter of the change in election precinct boundaries at least 30 days prior to the first election held after the change takes effect.

Sec. 3. Minnesota Statutes 1986, section 204B.14, subdivision 5, is amended to read:

Subd. 5. [PRECINCT BOUNDARIES; DESCRIPTION; MAPS.] Each municipal clerk shall prepare and file with the county auditor of each county in which the municipality is located, with the secretary of state and with the state planning director maps showing the correct boundaries of each election precinct in the municipality. At least 30 days before any change in an election precinct or in a corporate boundary becomes effective, the municipal clerk shall prepare maps showing the new boundaries of the precincts and shall forward copies of these maps to the secretary of state, the appropriate county auditors and the state planning director. The clerk shall retain copies of the precinct maps for public inspection. The county auditor shall prepare and file precinct boundary maps for precincts in unorganized territories, and the municipal clerk designated in the combination agreement shall prepare and file precinct boundary maps in the case of municipalities combined for election purposes under subdivision 8, in the same manner as provided for precincts in municipalities. The governing body of each municipality proposing to enter into a combination agreement must provide the inhab-

(b) One or more of the municipalities in the combined precinct may withdraw from the combination by a resolution of the governing body of the withdrawing municipality, passed on or before the second Tuesday in March of an election year. The withdrawing municipality shall file the resolution with the county auditor no later than May 1 of an election year. The decision of any one municipality to withdraw from the combination agreement automatically dissolves the combination unless all the remaining municipalities continue to meet all the requirements of this subdivision.

Sec. 7. [PRECINCT BOUNDARY CHANGES.]

Notwithstanding section 204B.14, subdivision 3, municipalities may enter a combination agreement as provided in section 4 until April 1, 1988.

McPherson, Beard and Swenson moved to amend H. F. No. 794, the second engrossment, as amended, as follows:

Page 25, after line 14, insert:

“Sec. 33. Minnesota Statutes 1986, section 473.803, subdivision 1a, is amended to read:

Subd. 1a. [PROPOSED INVENTORY OF DISPOSAL SITES.] By October 15, 1981, a metropolitan county having a population of less than 300,000, as determined by the 1980 United States Census, shall adopt, by resolution of the county governing body, an inventory of at least three proposed sites in the county suitable for mixed municipal solid waste disposal facilities and shall submit the inventory to the council for approval or disapproval. A metropolitan county having a population greater than 300,000, as determined by the 1980 United States Census, shall adopt, by resolution of the county governing body, an inventory of at least four proposed sites in the county that are suitable for mixed municipal solid waste disposal facilities and shall submit the inventory to the council for approval or disapproval. The council shall evaluate and approve or disapprove each proposed site in accordance with the standards set out in this subdivision. Except as otherwise provided in this subdivision, each site shall satisfy the standards and criteria in federal and state regulations and the council's policy plan for solid waste management. In proposing and approving sites for the inventory, the counties and the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility. Each site shall contain no less than 80 acres and no more than 250 acres. Each proposed site shall be surrounded by a buffer area at least equal to the area of the site. No site shall be adopted by a county or the council as part of an inventory unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on site surveys and investigations conducted by the county. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of any state agency or political subdivision, no land shall be excluded from consideration for inclusion in the inventory except: (1) land within any part of the regional recreation open space systems as defined by section 473.351, subdivision 1, paragraph (d); and (2) land determined by the agency to be intrinsically unsuitable. If the metropolitan council has determined

during the original siting process that other suitable sites were available in the county, a county with land to be excluded from the inventory under clause (1) must select an intrinsically suitable alternative site. Each county shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed for the inventory as soon as available. By July 1, 1981 each county shall propose at least the number of sites required for the inventory, and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. Notice of hearings on the director's recommendation shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to the metropolitan council and local government units containing a proposed inventory site. A hearing shall be held in each metropolitan county and shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the administrative law judge's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the county and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The report of the administrative law judge shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly within 90 days of the county's proposal of a site. The agency shall not be required to promulgate rules pursuant to chapter 15 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. The council shall evaluate each site with respect to local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities and other services and facilities appropriate to land disposal facilities, the quality of other potential sites, and patterns of generation of solid waste. The council shall notify a county of any site proposed by the county which the council disapproves and shall allow the county 60 days to propose an alternative site. If the county fails to propose an alternative acceptable to the council in the time allowed, the council shall propose a site acceptable to it for inclusion in the inventory of sites in that county. If in the council's judgment a county does not contain the requisite number of satisfactory sites, the council may reduce the number of sites required of that county."

Page 25, after line 31, insert:

"Sec. 34. Minnesota Statutes 1986, section 473.833, subdivision 3, is amended to read:

Subd. 3. [COUNTY SITE SELECTION AUTHORITIES.] Each metropolitan county shall establish a site selection authority. Within 90 days following the county's determination of adequacy under subdivision 2a, each site selection authority shall select specific sites within the county from the council's disposal site inventory, in accordance with the procedures established by the council under section 473.149, subdivision 2e, and in a number and capacity equal to that required by the council to be acquired by the county. Each site selection authority shall be composed of the county board, plus one member appointed by the governing body of each city or town within the county containing a site in the council's disposal site inventory or the majority of the land contained within such a site. If the number of members on the site selection authority who reside in a city or town containing all or part of a site or buffer area is equal to or greater than the number of members who do not, the chair of the county board shall appoint to the authority an additional member or members, residing within the county but not within a city or town containing all or part of a site or buffer area, sufficient to assure a majority of one on the authority of members residing in cities and towns not containing all or any part of a site or buffer area. The chair of the county board shall be the chair of the site selection authority. If a site selection authority has not selected the requisite number and capacity of sites in accordance with the council's standards, criteria, and procedures within the time allowed by this subdivision, the council shall make the selection. A county is not required to develop a solid waste disposal facility in any municipality in which a mixed municipal solid waste resource recovery facility having a capacity greater than 400 tons per day is located if the council finds that the capacity and number of disposal facilities required by the development schedule in that county can be provided in that county without development of the solid waste disposal facility. A county or group of counties contributing mixed municipal solid waste to a municipal solid waste resource recovery facility is not required to develop a solid waste disposal facility in that county or those counties if the council finds that the capacity of the resource recovery facility is sufficient to provide all of the municipal solid waste disposal needs of the county or counties."

Delete everything after the enacting clause and insert:

#### “PIPELINE ROUTING

Section 1. [116I.015] [ROUTING OF CERTAIN PIPELINES.]

Subdivision 1. [DEFINITION.] For purposes of this section and notwithstanding section 116I.01, subdivision 3, “pipeline” means:

(1) pipe with a nominal diameter of six inches or more that is designed to transport hazardous liquids, but does not include pipe designed to transport a hazardous liquid by gravity, and pipe designed to transport or store a hazardous liquid within a refining, storage, or manufacturing facility; or

(2) pipe designed to be operated at a pressure of more than 275 pounds per square inch and to carry gas.

Subd. 2. [PROHIBITION.] A person may not construct a pipeline without a pipeline routing permit issued by the environmental quality board unless the pipeline is exempted from the board's routing authority under this section or rules adopted under this section. A pipeline requiring a permit may only be constructed on a route designated by the board.

Subd. 3. [RULES.] (a) The environmental quality board shall adopt rules governing the routing of pipelines. The rules apply only to the route of pipelines and may not set safety standards for the construction of pipelines.

(b) The rules must:

(1) require that a person proposing construction of a pipeline submit to the board one preferred route for the pipeline and evidence of consideration of alternatives;

(2) provide for notice of proposed pipeline routes to local units of government and to owners and lessees of property along the routes being considered;

(3) provide for public hearings on proposed pipeline routes;

(4) provide criteria that the board will use in determining pipeline routes, which must include the existence of populated areas, consideration of local government land use laws including ordinances adopted under section 26, and the impact of the proposed pipeline on the natural environment;

(5) provide a procedure that the board will follow in issuing pipeline routing permits and require the board to issue the permits within nine months after the permit application is received by the board, unless the board extends this deadline for cause;

(6) provide for the payment of fees by persons proposing to construct pipelines to cover the costs of the board in implementing this section;

(7) allow the board to provide exemptions from all or part of the pipeline routing permit application process in emergencies or if the board determines that the proposed pipeline will not have a significant impact on humans or the environment;

(8) require exemption determinations to be made within 90 days after an application; and

(9) require that a person who has constructed a pipeline, to the extent possible, restore the area affected by the pipeline to the natural conditions that existed immediately before construction of the pipeline, provided that this restoration is compatible with the safe operation, maintenance, and inspection of the pipeline.

(c) The rules do not apply to temporary use of a route for purposes other than installation of a pipeline, to securing survey or geological data, to repair or replacement of an existing pipeline within the existing right-of-way, or to minor relocation of less than three-

quarters of a mile of an existing pipeline. The rules do not apply to construction of new pipeline in a right-of-way in which pipeline has been constructed before the effective date of subdivision 2 or in a right-of-way that has been approved by the board after the effective date of subdivision 2, except when the board determines that there is a significant chance of an adverse effect on the environment or that there has been a significant change in land use or population density in or near the right-of-way since the first construction of pipeline in the right-of-way, or since the board first approved the right-of-way.

**Subd. 4. [PRIMARY RESPONSIBILITY AND REGULATION OF ROUTE DESIGNATION.]** The issuance of a pipeline routing permit under this section and subsequent purchase and use of the route locations is the only site approval required to be obtained by the person owning or constructing the pipeline. The pipeline routing permit supersedes and preempts all zoning, building, or land use rules, regulations, or ordinances promulgated by regional, county, local, and special purpose governments.

Sec. 2. Minnesota Statutes 1986, section 116I.02, subdivision 2, is amended to read:

**Subd. 2.** Any person proposing to construct or operate a pipeline for which a pipeline routing permit is not required under section 1, shall so notify the environmental quality board and the county board of each county through which the pipeline will be constructed. The notice shall include a description of the route on which the pipeline is proposed to be located, the size and type of pipeline to be constructed, the types of commodities to be carried and the construction and operational characteristics of the pipeline. The proposed route shall be described in sufficient detail so that the owners or lessees of property on which the route is located can be identified. Notice to the environmental quality board shall be accompanied by a fee of \$25,000 for preparation of an information book as provided in section 116I.03 and for expenses incurred by state agencies to participate in public meetings as provided in section 116I.04. All fees received are appropriated to the environmental quality board for its own use and for distribution to state agencies for these purposes. The environmental quality board shall refund any amount that exceeds the actual cost to the board of preparing the information book, including necessary revisions, and to state agencies for participating in the public meetings.

If the pipeline route described in the notice is changed to the extent that, in any county, 20 percent or more of the owners or lessees of property on which the new route is located were not owners or lessees of property on which the other route was located, the person proposing to construct and operate the pipeline shall notify the environmental quality board and the county board of that

county of the change in the proposed route. No additional fee shall be required for a notice of change of a proposed route.

Sec. 3. Minnesota Statutes 1986, section 116I.02, subdivision 3, is amended to read:

Subd. 3. ~~No~~ (a) If a pipeline routing permit is not required for construction of a pipeline under section 1, a person shall may not negotiate or acquire an easement or right-of-way agreement for the purpose of constructing and operating a pipeline until 30 days after:

(a) (1) a public meeting has been held as provided in section 116I.04 in the county in which the right-of-way in question is located; and

(b) (2) that person has provided to the owner or lessee from whom the easement or agreement is acquired a copy of the information book prepared pursuant to section 116I.03.

(b) If the original information book is revised pursuant to section 116I.03, each owner or lessee of property which the original route did not affect shall be provided with a copy of the revised book.

Sec. 4. Minnesota Statutes 1986, section 117.48, is amended to read:

117.48 [CRUDE OIL PIPELINE COMPANIES, EMINENT DOMAIN.]

The business of transporting crude petroleum, oil, their related products and derivatives including liquefied hydrocarbons, or natural gas by pipeline as a common carrier, is declared to be in the public interest and necessary to the public welfare, and the taking of private property therefor is declared to be for a public use and purpose. Any corporation or association qualified to do business in the state of Minnesota engaged in or preparing to engage in the business of transporting crude petroleum, oil, their related products and derivatives including liquefied hydrocarbons, or natural gas by pipeline as a common carrier, is authorized to acquire, for the purpose of such business, easements or rights of way, over, through, under or across any lands, not owned by the state or devoted to a public purpose for the construction, erection, laying, maintaining, operating, altering, repairing, renewing and removing in whole or in part, a pipeline for the transportation of crude petroleum, oil, their related products and derivatives including liquefied hydrocarbons, or natural gas. To such end it shall have and enjoy the right of eminent domain to be exercised in accordance with this chapter, and acts amendatory thereof, all of which provisions shall govern insofar as they may be applicable hereto. Nothing herein shall be construed as authorizing the taking of any property owned by the state, or any municipal subdivision thereof, or the acquisition of any rights in

public waters except after permit, lease, license or authorization issued pursuant to law.

Sec. 5. Minnesota Statutes 1986, section 117.49, is amended to read:

**117.49 [APPROVAL OF PROCEEDINGS BY COMMISSIONER OF NATURAL RESOURCES.]**

In the event that the right to exercise the power of eminent domain in accordance with this chapter, is granted by law to any person, corporation or association qualified to do business in the state of Minnesota engaged in or preparing to engage in the business of transporting crude petroleum, oil, their related products and derivatives including liquefied hydrocarbons, or natural gas by pipeline as a common carrier, the right shall not be exercised by such person, corporation, or association until the plans of the project for which the exercise of the power of eminent domain is proposed shall have first been submitted to and approved by the commissioner of natural resources. The plans shall be submitted in sufficient detail so that the commissioner can make a determination as to the impact that the proposed project will have on the environment. The commissioner of natural resources shall make a comprehensive review of such plans and make detailed comments on the effect that such project, if pursued, would have on the environment, including recommendations for changes or alterations, if any, that would be required before such project would be approved by the commissioner. Failure of the commissioner to approve or disapprove the plans so submitted within 90 days after submission shall be deemed approval of the plans and the power of eminent domain may thereupon be exercised for such project. This section does not apply to use of eminent domain in regard to a pipeline for which a routing permit is required by section 1.

Sec. 6. Minnesota Statutes 1986, section 216B.16, is amended by adding a subdivision to read:

Subd. 9a. [PIPELINE SAFETY PROGRAMS.] All costs of a public utility that are necessary to comply with state pipeline safety programs under sections 7 to 13, sections 299F.56 to 299F.64, or sections 22 to 38 must be recognized and included by the commission in the determination of just and reasonable rates as if the costs were directly incurred by the utility in furnishing utility service.

The other board members must represent and be elected by operators, excavators, and other persons eligible to participate in the center. By November 1, 1987, the board shall, with input from all interested parties, determine the operating procedures and technology needed for a single statewide notification center and establish a notification process and competitive bidding procedure to select a vendor to provide the notification service. In deciding to approve a nonprofit corporation, the commissioner shall consider whether it meets the requirements of this paragraph and whether it demonstrates that it has the ability to contract for and implement the notification center service.

(b) If the commissioner has not approved a nonprofit corporation under paragraph (a) by January 1, 1988, the commissioner shall follow the procedure in this paragraph. The commissioner shall prepare a preliminary draft of operating procedures and technology needed for a statewide notification center and the method for assessing the cost of the service among operators. After holding at least one public hearing on the preliminary draft following notice given in the manner required by paragraph (a), the commissioner shall adopt final operating procedures, technology, and assessment methods. The preliminary draft, public hearings, and final adoption are not subject to chapter 14. By June 1, 1988, the commissioner shall select a vendor to provide the notification center service. The commissioner shall advertise for bids as provided in section 16B.07, subdivision 3, and base the selection of a vendor on an identification of the lowest responsible bidder as provided in section 16B.09, subdivision 1. The commissioner shall select and contract with the vendor to provide the notification center service, but all costs of the center must be paid by the operators. The commissioner may at any time appoint a task force to advise on the renewal of the contract or any other matter involving the center's operations.

(c) The notification center must be in operation by October 1, 1988. An operator may submit a bid and be selected to contract to provide the notification center service under paragraph (a) or (b). The commissioner shall annually review the services provided by the nonprofit corporation approved under paragraph (a) or the vendor selected under paragraph (b).

Subd. 3. [COOPERATION WITH LOCAL GOVERNMENT.] In establishing operating procedures and technology for the statewide notification center, the board of directors or the commissioner must work in cooperation with the league of Minnesota cities, the association of Minnesota counties, and the township officers' association. The purpose of this cooperation is to maximize the participation of local governmental units that issue permits for activities involving excavation to assure that excavators receive notice of and comply with the requirements of sections 7 to 13.

Subd. 4. [NOTICE TO LOCAL GOVERNMENTAL UNITS.] The notification center shall provide local governmental units with a master list, by county, of the operators in the county who are participants in the notification center, and the telephone number and mailing address of the notification center.

Sec. 10. [216C.04] [EXCAVATION.]

Subdivision 1. [NOTICE OF EXCAVATION REQUIRED; CONTENTS.] (a) Except in an emergency, an excavator shall contact the notification center and provide an excavation notice at least 48 hours before beginning any excavation, excluding Saturdays, Sundays, and holidays. An excavation begins, for purposes of this requirement, the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

(b) The excavation notice may be oral or written, and must contain the following information:

- (1) the name of the individual providing the excavation notice;
- (2) the precise location of the proposed area of excavation;
- (3) the name, address, and telephone number of the excavator or excavator's company;
- (4) the excavator's field telephone number, if one is available;
- (5) the type and the extent of the proposed excavation work;
- (6) whether or not the discharge of explosives is anticipated; and
- (7) the date and time when excavation is to commence.

Subd. 2. [DUTIES OF NOTIFICATION CENTER.] The notification center shall assign an inquiry identification number to each excavation notice and retain a record of all excavation notices received for at least six years. The center shall immediately transmit the information contained in an excavation notice to every

operator that has an underground facility in the area of the proposed excavation.

Subd. 3. [LOCATING UNDERGROUND FACILITIES.] (a) An operator shall, within 48 hours after receiving an excavation notice from the center, excluding Saturdays, Sundays, and holidays, unless otherwise agreed to between the excavator and operator, locate and mark or otherwise provide the approximate horizontal location of the underground facilities of the operator, without cost to the excavator. The excavator shall determine the precise location of the underground facility, without damage, before excavating within two feet of the marked location of the underground facility.

(b) For the purpose of this section, the approximate horizontal location of the underground facilities is a strip of land two feet on either side of the underground facilities.

(c) Markers used to designate the approximate location of underground facilities must follow the current color code standard used by the American Public Works Association.

(d) If the operator cannot complete marking of the excavation area before the excavation commencement time stated in the excavation notice, the operator shall promptly contact the excavator. If the excavator postpones the excavation commencement time stated in the excavation notice by more than 48 hours, or cancels the excavation, the excavator shall notify the notification center.

#### Sec. 11. [216C.05] [PRECAUTIONS TO AVOID DAMAGE.]

An excavator shall:

(1) plan the excavation to avoid damage to and minimize interference with underground facilities in and near the construction area;

(2) maintain a clearance between an underground facility and the cutting edge or point of any mechanized equipment, considering the known limit of control of the cutting edge or point to avoid damage to the facility;

(3) provide support for underground facilities in and near the construction area, including during backfill operations, to protect the facilities; and

(4) conduct the excavation in a careful and prudent manner.

#### Sec. 12. [216C.06] [DAMAGE TO FACILITIES.]

Subdivision 1. [NOTICE; REPAIRS.] (a) If any damage occurs to an underground facility or its protective covering, the excavator

shall notify the operator as soon as reasonably possible. When the operator receives a damage notice, the operator shall promptly dispatch personnel to the damage area to investigate. If the damage endangers life, health, or property, the excavator responsible for the work shall take immediate action to protect the public and property and to minimize the hazard until arrival of the operator's personnel or until emergency responders have arrived and taken charge of the damaged area.

(b) An excavator shall delay backfilling in the immediate area of the damaged underground facilities until the damage has been investigated by the operator, unless the operator authorizes otherwise. The repair of damage must be performed by the operator or by qualified personnel authorized by the operator.

(c) An excavator who knowingly damages an underground facility, and who does not notify the operator as soon as reasonably possible or who backfills in violation of paragraph (b), is guilty of a misdemeanor.

Subd. 2. [COST REIMBURSEMENT.] (a) If an excavator damages an underground facility, the excavator shall reimburse the operator for the cost of necessary repairs, and for a pipeline the cost of the product that was being carried in the pipeline and was lost as a direct result of the damage.

(b) Reimbursement is not required if the damage to the underground facility was caused by the sole negligence of the operator or the operator failed to comply with section 10, subdivision 3.

Subd. 3. [PRIMA FACIE EVIDENCE OF NEGLIGENCE.] It is prima facie evidence of the excavator's negligence in a civil court action if damage to the underground facilities of an operator resulted from excavation, and the excavator failed to give an excavation notice under section 10 or provide support as required by section 11.

### Sec. 13. [216C.07] [EFFECT ON LOCAL ORDINANCES.]

(a) Sections 7 to 13 do not affect or impair local ordinances, charters, or other provisions of law requiring permits to be obtained before excavating.

(b) A person with a permit for excavation from the state or a public agency is subject to sections 7 to 13. The state or public agency that issued a permit for excavation is not liable for the actions of an excavator who fails to comply with sections 7 to 13.

## INTRASTATE GAS PIPELINE SAFETY

Sec. 14. Minnesota Statutes 1986, section 299F.56, is amended by adding a subdivision to read:

Subd. 7. "Commissioner" means the commissioner of public safety, acting through the director of pipeline safety.

Sec. 15. Minnesota Statutes 1986, section 299F.57, is amended to read:

## 299F.57 [MINIMUM SAFETY STANDARDS.]

Subdivision 1. The state fire marshal commissioner shall, by order, establish minimum safety standards for the transportation of gas and pipeline facilities. Such standards may apply to the design, installation, inspection, testing, construction, extension, operation, replacement and maintenance of pipeline facilities. Standards affecting the design, installation, construction, initial inspection and initial testing shall not be applicable to pipeline facilities in existence on the date such standards are adopted. Such safety standards shall be practicable and designed to meet the need for pipeline safety. In prescribing such standards, the state fire marshal commissioner shall consider:

- (a) relevant available pipeline safety data;
- (b) whether such standards are appropriate for the particular type of pipeline transportation;
- (c) the reasonableness of any proposed standards;
- (d) the extent to which any such standards will contribute to public safety; and
- (e) the existing standards established by the Secretary of Transportation of the United States pursuant to the Natural Gas Pipeline Safety Act of 1968 of the United States.

Provided, however, that the state fire marshal commissioner shall not be empowered to adopt any such standards as to the transportation of gas or to pipeline facilities which are subject to the jurisdiction of the Federal Power Commission under the Natural Gas Act of the United States, except as provided in sections 22 to 38.

Subd. 2. Any standards prescribed under this section, and amendments thereto, shall become effective 30 days after the date of issuance of such standards unless the state fire marshal commissioner, for good cause recited, determines an earlier or later effective

date is required as the result of the period reasonably necessary for compliance.

Subd. 3. The rulemaking, contested case and judicial review provisions of chapter 14, shall apply to all orders establishing, amending, revoking, or waiving compliance with, any standard established under sections 299F.56 to 299F.64 or any penalty imposed under sections 299F.56 to 299F.64. The state fire marshal commissioner shall afford interested persons an opportunity to participate fully in the establishment of such safety standards through submission of written data, views or arguments, with opportunity to present oral testimony and argument.

Subd. 4. The state fire marshal commissioner, on finding a particular facility to be hazardous to life or property, shall be empowered to require the person operating such facility to take such steps necessary to remove such hazards.

Subd. 5. Upon application by any person engaged in the transportation of gas or the operation of pipeline facilities, the state fire marshal commissioner may, after notice and opportunity for hearing and under such terms and conditions and to such extent as the state fire marshal commissioner deems appropriate, waive in whole or in part compliance with any standards established under sections 299F.56 to 299F.64, on determining that a waiver of compliance with such standard is not inconsistent with gas pipeline safety. The state fire marshal commissioner shall state the reasons for any such waiver.

Sec. 16. Minnesota Statutes 1986, section 299F.58, is amended to read:

#### 299F.58 [CERTIFICATIONS AND REPORTS.]

The state fire marshal commissioner is authorized to make such certifications and reports to the United States Secretary of Transportation as may be required from time to time under the Natural Gas Pipeline Safety Act of 1968 of the United States.

Sec. 17. Minnesota Statutes 1986, section 299F.60, is amended to read:

#### 299F.60 [CIVIL PENALTIES.]

Subdivision 1. Any person who violates any provision of sections 299F.56 to 299F.64, or any rule issued thereunder, shall be subject to a civil penalty to be imposed by the state fire marshal commissioner not to exceed \$1,000 \$10,000 for each such violation for each day that such violation persists, except that the maximum civil penalty shall not exceed \$200,000 for any related series of violations.

Subd. 2. The state fire marshal commissioner may negotiate a compromise settlement of a civil penalty. In determining the amount of such penalty, or the amount of the compromise settlement, the state fire marshal commissioner shall consider the appropriateness of such penalty to the size of the business of the person charged, the gravity of the violation, and the good faith of the person charged in attempting to achieve compliance, after notification of a violation. The contested case and judicial review provisions of chapter 14 shall apply to all orders of the state fire marshal commissioner imposing any penalty under sections 299F.56 to 299F.64 or under any rule promulgated thereunder. The amount of such penalty, when finally determined, may be deducted from any sums owing by the state of Minnesota to the person charged.

Subd. 3. No person shall be subjected to civil penalties under both sections 299F.56 to 299F.64 and under Public Law Number 90-481, Statutes at Large, volume 82, page 720, 90th Congress, S. 1166, approved August 12, 1968, for conduct which may give rise to a violation of both acts.

Subd. 4. All penalties collected under sections 299F.56 to 299F.64 shall be paid over to the state treasurer for deposit in the state treasury to the credit of the general fund pipeline safety account.

Sec. 18. Minnesota Statutes 1986, section 299F.61, is amended to read:

299F.61 [INJUNCTIVE RELIEF]

Subdivision 1. The district courts of the state of Minnesota shall have jurisdiction, subject to the provisions of the statutes and the rules of practice and procedure of the state of Minnesota relative to civil actions in the district courts, to restrain violations of sections 299F.56 to 299F.64, including the restraint of transportation of gas or the operation of a pipeline facility, or to enforce standards established hereunder upon petition by the attorney general on behalf of the state of Minnesota. Whenever practicable, the state fire marshal commissioner shall give notice to any person against whom an action for injunctive relief is contemplated and afford the person an opportunity to present views, and, except in the case of a knowing and willful violation, shall afford the person reasonable opportunity to achieve compliance. However, the failure to give such notice and afford such opportunity shall not preclude the granting of appropriate relief.

Subd. 2. Actions under sections 299F.56 to 299F.64 shall be brought in the district in the state of Minnesota wherein the defendant's principal place of business is located, and process in such cases may be served in any other district in the state of Minnesota where the defendant may be found or of which the defendant is an inhabitant or transacts business.

Sec. 19. Minnesota Statutes 1986, section 299F.62, is amended to read:

**299F.62 [PLAN FOR INSPECTION AND MAINTENANCE.]**

Each person who engages in the transportation of gas or who owns or operates pipeline facilities subject to sections 299F.56 to 299F.64 shall file with the state fire marshal commissioner a plan for inspection and maintenance of each such pipeline facility owned or operated by such person, and any changes in such plan, in accordance with the rules prescribed by the state fire marshal commissioner. On finding that such plan is inadequate to achieve safe operation, the state fire marshal commissioner shall, after notice and opportunity for a hearing, require such plan to be revised. The plan required by the state fire marshal commissioner shall be practicable and designed to meet the need for pipeline safety. In determining the adequacy of any such plan, the state fire marshal commissioner shall consider the following:

- (a) relevant available pipeline safety data;
- (b) whether the plan is appropriate for the particular type of pipeline transportation;
- (c) the reasonableness of the plan; and
- (d) the extent to which such plan will contribute to public safety.

Sec. 20. Minnesota Statutes 1986, section 299F.63, is amended to read:

**299F.63 [RECORDS AND REPORTS; INSPECTIONS; TRADE SECRETS.]**

Subdivision 1. Each person who engages in the transportation of gas or who owns or operates pipeline facilities shall establish and maintain such records, make such reports, and provide such information as the state fire marshal commissioner may reasonably require to determine whether such person has acted or is acting in compliance with sections 299F.56 to 299F.64 and the standards established under sections 299F.56 to 299F.64. Each such person shall, upon request of an officer, employee, or agent authorized by the state fire marshal commissioner, permit such officer, employee, or agent to inspect books, papers, records and documents relevant to determining whether such person has acted or is acting in compliance with sections 299F.56 to 299F.64 and the standards established pursuant to sections 299F.56 to 299F.64. For purposes of enforcement of sections 299F.56 to 299F.64, officers, employees, or agents authorized by the state fire marshal commissioner, upon presenting appropriate credentials to the individual in charge, are authorized to

enter upon, at reasonable times, pipeline facilities, and to inspect, at reasonable times and within reasonable limits and in a reasonable manner, such facilities. Each such inspection shall be commenced and completed with reasonable promptness.

Subd. 2. In the course of the exercise of duties and responsibilities under sections 299F.56 to 299F.64, the state fire marshal commissioner shall wherever practicable employ a practice of spot checking and issuance of certificates of compliance, with respect to persons subject to sections 299F.56 to 299F.64, to limit costs of enforcement of the safety standards established pursuant to sections 299F.56 to 299F.64.

Subd. 3. All information reported to or otherwise obtained by the state fire marshal commissioner or a representative, which contains or relates to a trade secret, as referred to in section 1905 of title 18 of the United States Code, or otherwise constitutes a trade secret under law, shall be considered confidential for the purpose of such laws, except that such information and is private or nonpublic data as defined in section 13.02. This data may be disclosed to other officers or employees concerned with carrying out sections 299F.56 to 299F.64 or when relevant in any proceeding under sections 299F.56 to 299F.64.

Subd. 4. [COST OF INSPECTION AND REVIEW.] The state fire marshal commissioner shall establish, by rule under section 16A.128, a fee to recover the state share of all costs related to field inspections, investigations of pipeline facilities, plan review, and other duties as provided by sections 299F.56 to 299F.63. Fees collected under this subdivision shall be credited to the general fund pipeline safety account.

Sec. 21. Minnesota Statutes 1986, section 299F.64, is amended to read:

**299F.64 [FEDERAL MONEYS.]**

The state fire marshal commissioner may accept any and all moneys provided for or made available to this state by the United States of America or any department or agency thereof with respect to prescribing, setting, and enforcing rules and safety standards for the transportation of natural and other gas by pipelines in accordance with the provisions of federal law and any rules or regulations promulgated thereunder and the state fire marshal commissioner is further authorized to do any and all things, not contrary to the laws of this state, required of this state by such federal law and the rules and regulations promulgated thereunder in order to obtain such federal moneys.

Sec. 25. [299J.04] [DUTIES OF THE OFFICE OF PIPELINE SAFETY.]

Subdivision 1. [GENERAL DUTIES.] The commissioner shall:

(1) promote the use of the 911 emergency telephone system as an appropriate method for the public to notify emergency responders of an emergency release;

(2) provide training on a regular basis to all potentially affected local governmental units in pipeline incident contingency planning and emergency response by itself or in cooperation with pipeline operators, other state offices, or local governmental units;

(3) require local governmental units to work with pipeline owners to provide a program of continuing public education on the subject of pipeline operation and safety;

(4) monitor and gather information on the development of reliable pipeline technologies capable of detecting and geographically locating pipeline releases, use the information gathered in the development of rules as provided in this section, and report to the legislature every two years in the manner provided by section 3.195 on the activities of the office under this clause;

(5) maintain a data base of all pipeline releases, which must be based on annual reports from all pipeline operators;

(6) inspect, as necessary, any record, map, or written procedure required by sections 22 to 38 to be kept by a pipeline operator concerning the reporting of releases, and the design, construction, testing, or operation and maintenance of pipelines; and

(7) adopt rules to implement sections 22 to 38.

The rules adopted under clause (7) must treat separately and distinguish between hazardous liquid and gas pipelines.

Subd. 2. (b) The commissioner shall consider higher safety margin requirements for operating pressures on pipelines located in populated or environmentally sensitive areas.

(c) The commissioner shall consider having pipeline operators periodically submit comprehensive reports to the office on the condition of their pipelines, and requiring appropriate pipeline testing based on concerns identified in these reports. The testing requirements must apply more strictly to pipelines in populated or environmentally sensitive areas.

(d) The commissioner shall consider methods for pipeline operators to improve their ability to rapidly locate and isolate releases. The methods must include:

(1) remote control shutoff valves on all new pipelines, with the distance between the valves dependent on the type and density of development, the presence of environmentally sensitive areas, and the application of appropriate engineering standards;

(2) remotely monitored pressure gauges and flow meters installed at each pump station and remote valve location;

(a) The commissioner shall adopt a model ordinance under chapter 14 requiring a setback from pipelines in areas where residential or other development is allowed. The model ordinance must apply only to new development and not to development that has occurred, or for which development permits have been issued, before the effective date of the ordinance.

(b) By August 1, 1989, each statutory or home rule charter city, town, or county that has planning and zoning authority under sections 366.10 to 366.19, 394.21 to 394.37, or 462.351 to 462.365, and in which a pipeline is located, shall adopt a pipeline setback ordinance that meets or exceeds the minimum standards of the model ordinance and is approved by the commissioner. The model ordinance applies in a jurisdiction where the local governmental unit does not adopt a setback ordinance that is approved by the commissioner by August 1, 1989.

## Sec. 27. [299J.06] [PIPELINE SAFETY ADVISORY COUNCIL.]

Subdivision 1. [MEMBERSHIP.] The pipeline safety advisory council consists of nine members appointed by the commissioner. One member must be chosen from the hazardous liquid pipeline industry, one from the gas pipeline industry, and one from personnel who design or construct pipelines. Three members must be state or local government employees and three members must be state residents unaffiliated with state or local government or the pipeline or utility industries. The members serve on a part-time basis.

Subdivision 1. [DUTY TO REPORT.] A pipeline operator shall immediately report by telephone to the emergency response center established by the commissioner of public safety an emergency release from the operator's pipeline.

Subd. 2. [CRIMINAL LIABILITY.] (a) An employee of a pipeline operator who has responsibility to make the report under subdivision 1 is guilty of a felony if:

(1) the employee knows or has reason to know that an emergency release exists;

(2) the employee does not immediately report the release to the commissioner of public safety; and

(3) the emergency release causes the death of an individual or great bodily harm as defined in section 609.02, subdivision 8.

(b) A person convicted under this subdivision may be sentenced to imprisonment for not more than seven years or payment of a fine of not more than \$14,000, or both.

Sec. 29. [299J.08] [COMMISSIONER TO REPORT RELEASE; ADVICE AND COORDINATION.]

Upon receiving notice of an emergency release, the commissioner or a designee shall immediately report the emergency release to the emergency responder of the appropriate local government unit, to the pollution control agency if the notice of the release is required by section 115.061, and to any other person or office, as provided by the rules or procedures of the office of pipeline safety. A pipeline operator's report of an emergency release to the commissioner satisfies the notification requirements of section 115.061. The commissioner shall advise the emergency responder concerning appropriate emergency procedures and coordinate the procedures.

Sec. 30. [299J.09] [PIPELINE OPERATORS TO FILE INFORMATION AND GIVE NOTICE.]

Subdivision 1. [MAP REQUIRED.] (a) The operator of every pipeline in operation shall file a detailed pipeline map in the scale required by the rules:

(1) with the director and the commissioner of transportation, showing the location and approximate depth of the pipelines and appurtenances operated by that operator within the state; and

(2) with the recorder and with the director of emergency services or the sheriff of every county traversed by the pipeline, showing the

location and approximate depth of the pipelines and appurtenances operated by that operator within the county.

(b) The maps required under paragraph (a) must be filed by the operator of a newly constructed pipeline before it is operational, and by the operator of a pipeline for which the route has been changed after the original filing of a map under this section. The maps required by this paragraph must be filed at least 30 days before a hazardous liquid or gas is first pumped into the pipeline.

Subd. 2. [EMERGENCY RESPONSE PLAN.] (a) At least 30 days before a hazardous liquid or gas is pumped into a pipeline, the pipeline operator shall file an emergency response plan with the director and with the director of emergency services or the sheriff of every county traversed by the pipeline. The emergency response plan must describe the operator's procedures for responding to and containing releases, including:

(1) an identification of specific actions that will be taken by the operator on discovery of a release;

(2) the operator's liaison procedure with emergency responders;

(3) the operator's means of communication with the responders; and

(4) the operator's means of preventing ignition of vapors resulting from a release.

(b) An operator must file significant changes made to an emergency response plan in the same manner as the original response plan within ten days of the effective date of the change.

Subd. 3. [PROCEDURAL MANUAL.] At least 30 days before a hazardous liquid or gas is pumped into a pipeline, the pipeline operator must file with the director its procedural manual as required under Code of Federal Regulations, title 49, part 192, subparts L and M, and part 195, subpart F, as may be required by rules of the commissioner.

Subd. 4. [NOTICE OF TESTING AND TEST RESULTS.] (a) At least 48 hours before conducting a hydrostatic test, whether or not the test is required by sections 22 to 38 or the rules of the commissioner, a pipeline operator shall give notice of the test to the director and the local governmental units traversed by the portion of pipeline to be tested. Advance notice is not required if the operator determines that an emergency exists requiring immediate testing of the pipeline. The notice must include:

(1) the name, address, and telephone numbers of the pipeline operator;

The operator shall include in its filing to sheriffs a material safety data sheet for each product that the operator expects to carry in the pipeline. The sheriff shall transmit copies of the material safety data sheets to the appropriate emergency responders.

The commissioner shall prescribe rules for the content of the plan. The plan must be completed and adopted by local governmental units within six months after the effective date of the rules prescribing the contents of the plan.

(b) A local governmental unit shall review its plan annually and amend it to reflect changes in the operation of the local governmental unit, in the operation of the pipeline, or other matters relating to pipeline safety. The director may at any reasonable time examine a response plan required by this section.

If an operator does not pay the fee within 60 days after the assessment was mailed, the commissioner may impose a delinquency fee of ten percent of the annual inspection fee and interest at the rate of 15 percent per year on the portion of the annual fee not paid. Fees collected by the commissioner under this section must be deposited in the pipeline safety account.

Subd. 2. [CALCULATION OF FEE.] Fees for pipelines governed by section 299F.63, subdivision 4 must be established as provided in the rules adopted under that section. For other pipelines, for each calendar year that an inspection fee is to be assessed, the commissioner shall calculate the total number of miles of pipeline to be inspected, the total cost of inspection, and the percentage of the total miles to be inspected that are or will be operated by each pipeline

operator. Each pipeline operator must be assessed a portion of the total inspection costs equal to the percentage of the total miles of pipeline to be operated by the pipeline operator, but the total fee may not exceed \$5 for each mile of the operator's pipeline.

Notwithstanding any other law to the contrary, data classified as private or nonpublic under this subdivision may be disclosed when relevant in any proceeding under sections 22 to 38, or to other public agencies concerned with the implementation of sections 22 to 38.

Subd. 4. The authority of the commissioner to grant approval may not be delegated.

(b) This subdivision does not prevent the repair of a pipeline in the ground without the approval of the commissioner, or the excavation and removal from the ground of a pipeline or part of a pipeline without the approval of the commissioner. However, the pipeline may not be altered with the intent to prevent or hinder a determination of the cause of the emergency release.

Subd. 2. [CRIMINAL PENALTY.] A person who knowingly violates subdivision 1, or who denies the director or the director's designee access to the pipeline for the purposes of inspection, is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

Sec. 37. [299J.16] [CIVIL PENALTY; INJUNCTIVE RELIEF]

**Sec. 38. [299J.17] [OTHER REMEDIES PRESERVED.]**

(5) not to adopt a practice specified by the commissioner in the easement as a practice that would tend to defeat the purposes of the easement; and

(6) to additional provisions included in the easement that the commissioner determines are desirable.

Upon receipt of an application, the commissioner shall review the current status and conditions of the wetlands. If the commissioner finds that the

current status or conditions are such that it appears likely that the economic or other benefits from agricultural use to the owner or owners which would result from drainage would exceed the public benefits of maintaining the wetlands, the commissioner shall grant the application and issue a drainage permit. If the application is denied, no additional application shall be made until the expiration of an additional ten years.

Sec. 19. Minnesota Statutes 1986, section 105.392, subdivision 1, is amended to read:

Wetlands eligible for inclusion in the waterbank program shall have all the following characteristics as determined by the commissioner: (a) type 3, 4, or 5 as defined in United States Fish and

Wildlife Service Circular No. 39 (1971 edition); (b) its drainage is lawful, feasible, and practical; and (c) its drainage would provide high quality cropland and that is the projected land use. (4) to forfeit all rights to further payments or grants under the agreement and to refund to the state all payments or grants received thereunder upon violating the agreement at any stage during the time the owner has control of the land subject to the agreement if the commissioner determines that the violation is of such a nature as to warrant termination of the agreement, or to make refunds or accept such payment adjustments as the commissioner may deem appropriate if the commissioner determines that the violation by the owner does not warrant termination of the agreement;

(5) upon transfer of right and interest in the land subject to the agreement during the agreement period, to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder during the year of the transfer unless the transferee of any such land agrees with the commissioner to assume all obligations of the agreement;

In making the determination, the commissioner shall consider, among other things, the rate of compensation necessary to encourage owners of wetlands to participate in the waterbank program. The commissioner must make the following payments to the landowner for the easement: (1) for a permanent easement, 50 percent of the average equalized estimated market value of cropland in the township as established by the commissioner of revenue for the time period when the application is made; (2) for an easement of limited duration, a lump sum payment equal to the present value of the annual payments for the term of the easement based on 50 percent of the mean adjusted cash rental for cropland in the county as established by the commissioner of revenue for the time period when the application is made.

Sec. 23. Minnesota Statutes 1986, section 105.392, subdivision 5, is amended to read:

Subd. 5. Any agreement A limited-term easement may be converted to a permanent easement or renewed or extended at the end of the agreement easement period for an additional period of ten 20 years by mutual agreement of the commissioner and the owner, subject to any rate redetermination by the commissioner. #### PROTEST AND DISSENT

Minnesota House Speaker Fred Norton's dictatorial conduct on May 14, 1987, by gagging minority House members has compelled the undersigned to register this protest and dissent pursuant to Article IV, Section 11 of the Minnesota Constitution.

This abuse of power peaked during House floor debate on H. F. No. 756, a DFL bill to rig elections by highlighting DFL candidates' names in an appealing color on the ballots. Fifty members of the IR minority, joined by 21 DFLers, objected and the bill failed on a bipartisan vote of 60-71. The motion to reconsider the bill compelled IRs to renew the debate. We objected to making major revisions in election law that no committee has heard and no public groups have had opportunity to comment on. We objected to the unfair advantage the bill would give DFLers in state elections. We objected to the role that Attorney General Skip Humphrey, a likely candidate in next year's U. S. Senate elections, had in helping this bill take shape. We

objected to the self-serving DFL attempt to undercut Minnesota's tradition of conducting clean and honest elections. One IR member, Elton Redalen of Fountain, firmly committed to opposing this method of legislating and this unfair election law proposal, held the floor for nearly five hours and vowed not to relinquish it until the DFL withdrew its bill.

The speeches and debate led by Representative Redalen were stopped when the DFL Majority Leader raised a point of order which the Speaker upheld without giving the IR Minority any opportunity to advise on or respond to. The majority then closed off debate with a motion that appears to have never been used before in the history of the House.

This "gag" on objections to a bill that would rig elections comes on the heels of other gags and oppressive actions by the Speaker. By stripping members of his own party of committee assignments for voting "No" on a major bill, he has told all DFL legislators they better toe the DFL Caucus line rather than vote in the interests of their districts or they, too, will be punished. More flagrantly abusive is the Speaker's recent bizarre ruling declaring a minority report out of order, thereby depriving us of the chance to offer alternatives.

Because the rights of the minority have been abused and the voices of dissent intimidated in this legislative session, the integrity of the democracy which has made this state strong has been seriously breached. We speak of the high principles of self-government, of the foundation of ethics, traditions and fundamental doctrines upon which our representative form of state government is based. We defend the right of every member to speak within the Rules of the House, and we defend Minnesotans' right to have their voices heard through ours.

But on May 14, 1987, the light of democracy in Minnesota was dimmed. The voices of legislators were silenced against their wills.

May 14, 1987

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Fred C. Norton  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 89, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 89 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [550.366] [JUDGMENTS ON DEBTS RELATED TO AGRICULTURAL PROPERTY.]

Subdivision 1. [DEFINITIONS.] For purposes of this section the following terms have the meanings given:

(a) [AGRICULTURAL PROPERTY.] "Agricultural property" means personal property that is used in a farm operation.

(b) [FARM DEBTOR.] "Farm debtor" means a person who has incurred debt while in the operation of a family farm, a family farm corporation, or an authorized farm corporation as defined in section 500.24, subdivision 2.

Subd. 2. [LIMITS ON EXECUTION.] A judgment for the unpaid balance of a debt on agricultural property owed by a farm debtor

may not be executed upon real or personal property after three years from the date the judgment was entered.

Subd. 3. [ATTACHMENT TO NEWLY ACQUIRED PROPERTY.] A judgment for the unpaid balance of a debt on agricultural property owed by a farm debtor does not attach to real or personal property that is acquired by the farm debtor after the judgment is entered.

Sec. 2. Minnesota Statutes 1986, section 336.9-501, is amended to read:

336.9-501 [DEFAULT; PROCEDURE WHEN SECURITY AGREEMENT COVERS BOTH REAL AND PERSONAL PROPERTY.]

(1) When a debtor is in default under a security agreement, a secured party has the rights and remedies provided in this part and except as limited by subsection (3) those provided in the security agreement. The secured party may reduce a claim to judgment, foreclose, or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the rights, remedies, and duties provided in section 336.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this part, those provided in the security agreement, and those provided in section 336.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (subsection (3) of section 336.9-504 and section 336.9-505) and with respect to redemption of collateral (section 336.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(a) Subsection (2) of section 336.9-502 and subsection (2) of section 336.9-504 insofar as they require accounting for surplus proceeds of collateral;

(b) Subsection (3) of section 336.9-504 and subsection (1) of section 336.9-505 which deal with disposition of collateral;

(c) Subsection (2) of section 336.9-505 which deals with acceptance of collateral as discharge of obligation;

(d) Section 336.9-506 which deals with redemption of collateral; and

(e) Subsection (1) of section 336.9-507 which deals with the secured party's liability for failure to comply with this part.

(4) If the security agreement covers both real and personal property, the secured party may proceed under this part as to the personal property or may proceed as to both the real and the personal property in accordance with the secured party's rights and remedies in respect of the real property in which case the provisions of this part do not apply.

(5) When a secured party has reduced a claim to judgment the lien of any levy which may be made upon collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. A judicial sale, pursuant to such execution, is a foreclosure of the security interest by judicial procedure within the meaning of this section, and the secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

(6) A person may not begin to enforce a security interest in collateral that is agricultural property subject to sections 583.20 to 583.32 that has secured a debt of more than \$5,000 unless: a mediation notice under subsection (7) is served on the debtor after a condition of default has occurred in the security agreement and a copy filed with served on the director; and the debtor and creditor have completed mediation under sections 583.20 to 583.32; or as otherwise allowed under sections 583.20 to 583.32.

(7) A mediation notice under subsection (6) must contain the following notice with the blanks properly filled in.

"TO: ....(Name of Debtor)....

YOU HAVE DEFAULTED ON THE ....(Debt in Default).... SECURED BY AGRICULTURAL PROPERTY DESCRIBED AS ....(Reasonable Description of Agricultural Property Collateral)....

AS A SECURED PARTY, ....(Name of Secured Party).... INTENDS TO ENFORCE THE SECURITY AGREEMENT AGAINST THE AGRICULTURAL PROPERTY DESCRIBED ABOVE BY REPOSSESSING, FORECLOSING ON, OR OBTAINING A COURT JUDGMENT AGAINST THE PROPERTY.

YOU HAVE THE RIGHT TO HAVE THE DEBT REVIEWED FOR MEDIATION. IF YOU REQUEST MEDIATION, A DEBT THAT IS IN DEFAULT WILL BE MEDIATED ONLY ONCE. IF YOU DO NOT REQUEST MEDIATION, THIS DEBT WILL NOT

BE SUBJECT TO FUTURE MEDIATION IF THE SECURED PARTY ENFORCES THE DEBT.

IF YOU PARTICIPATE IN MEDIATION, THE DIRECTOR OF THE AGRICULTURAL EXTENSION SERVICE WILL PROVIDE AN ORIENTATION MEETING AND A CREDIT FINANCIAL ANALYST TO HELP YOU TO PREPARE FINANCIAL INFORMATION. IF YOU DECIDE TO PARTICIPATE IN MEDIATION, IT WILL BE TO YOUR ADVANTAGE TO ASSEMBLE YOUR FARM FINANCE AND OPERATION RECORDS AND TO CONTACT A COUNTY EXTENSION OFFICE AS SOON AS POSSIBLE. MEDIATION WILL ATTEMPT TO ARRIVE AT AN AGREEMENT FOR HANDLING FUTURE FINANCIAL RELATIONS.

TO HAVE THE DEBT REVIEWED FOR MEDIATION YOU MUST FILE A MEDIATION REQUEST WITH THE DIRECTOR ... (Date of 14 Days after Service of the Mediation Notice)... WITHIN 14 DAYS AFTER YOU RECEIVE THIS NOTICE. THE MEDIATION REQUEST FORM IS AVAILABLE AT ANY COUNTY RECORDER'S OR COUNTY EXTENSION OFFICE.

FROM: ....(Name and Address of Secured Party)....”

Sec. 3. [514.661] [LIEN FOR RENTAL VALUE OF FARM MACHINERY DURING MEDIATION.]

Subdivision 1. [DEFINITIONS.] The definitions in this section apply to this section.

(a) “Reasonable rental value” means an amount not more than the rental value of machinery of like capacity and age as determined by the director of the University of Minnesota extension service and is limited to the tachometer time during which or the acreage for which the machinery is used during the mediation period.

(b) “Seasonal use machinery” means machinery, equipment, or implements used exclusively for planting, for row crop cultivating, or for harvesting. Seasonal use machinery does not include a tractor, tillage equipment, or utility implements used for general farm purposes.

Subd. 2. [LIEN; ATTACHMENT.] (a) A person or entity with a debt secured by a perfected or unperfected security interest in seasonal use machinery that is subject to mediation who engages in mediation under sections 583.20 to 583.32, as a result of a debtor's default on a purchase money loan or contract, has a lien limited to the lesser of: (1) the total of principal and interest amounts required to bring the debt current until the stay of the creditor's enforcement action is lifted; and (2) the reasonable rental value of seasonal use machinery that is used for field operation during mediation until the stay of the creditor's enforcement action is lifted.

(b) The lien attaches to the crops produced by the debtor in the calendar year in which mediation occurs.

Subd. 3. [PERFECTION.] To perfect a lien under this section, the lien must attach and a person or entity entitled to the lien must file a lien statement in the appropriate filing office under section 336.9-401 during mediation or within 30 days after the conclusion of mediation.

Subd. 4. [DUTIES OF FILING OFFICER.] The filing officer shall enter on the lien statement the time of day and date of filing. The filing officer shall file, amend, terminate, note the filing of a lien statement, and charge the fee for filing under this section in the manner provided by section 336.9-403 for a financing statement. A lien statement is void and may be removed from the filing system 18 months after the date of filing. The lien statement may be physically destroyed after 30 months from the date of filing.

Subd. 5. [PRIORITY.] (a) A perfected lien has priority over all other liens and security interests in crops produced by the debtor during the calendar year in which the mediation occurs except for a perfected landlord's lien under section 514.960.

(b) An unperfected lien has the priority of an unperfected security interest under section 336.9-312.

For enforcement of the lien, the lienholder is the secured party and the person leasing the property is the debtor, and each has the respective rights and duties of a secured party and a debtor under sections 336.9-501 to 336.9-508. If a right or duty under sections 336.9-501 to 336.9-508 is contingent upon the existence of express language in a security agreement or may be waived by express language in a security agreement, the requisite language does not exist.

(b) The principal amount of debt secured by seasonal use machinery must be reduced by an amount equal to any amount paid in satisfaction of a lien created under this section, less interest accrued on the debt during mediation.

Subd. 7. [ENFORCEMENT ACTIONS; LIEN EXTINGUISHED.] An action to enforce a lien under this section may be brought in district court in a county where the property is located after the lien is perfected. A lien statement may be amended, except the amount demanded, by leave of the court in the furtherance of justice. A lien is extinguished if an action to enforce the lien is not brought within 18 months after the date the lien statement is filed.

Subd. 8. [EXEMPTION FROM MEDIATION.] A lien created and perfected under this section is exempt from sections 583.20 to 583.32 and is effective against crops growing or to be grown by the debtor in the calendar year.

Sec. 4. Minnesota Statutes 1986, section 514.960, subdivision 2, is amended to read:

Subd. 2. [PERFECTION.] ~~(a)~~ To perfect a landlord lien, the lien must attach and the person or entity entitled to the lien must file a lien statement with the appropriate filing office under section 336.9-401 by 30 days after the crops become growing crops.

(b) A landlord lien that is not perfected has the priority of an unperfected security interest under section 336.9-312.

Sec. 6. Minnesota Statutes 1986, section 550.365, is amended to read:

Subdivision 1. business hours on 24 hours' notice to the debtor. For purposes of this subdivision, "normal business hours" means 8:00 a.m. to 6:00 p.m. Monday through Saturday but excludes legal Minnesota and United States holidays.

(b) Failure to permit this inspection by the creditor, or destruction or waste of the property securing the debt, is evidence of the debtor's lack of good faith under subdivision 1, clause (6).

Sec. 30. Minnesota Statutes 1986, section 583.27, is amended by adding a subdivision to read:

Subd. 6. [REVIEW OF GOOD FAITH FINDING.] (a) Upon petition by a debtor or creditor, a court may review a mediator's affidavit of lack of good faith or a mediator's failure to file an affidavit of lack of good faith of a creditor under subdivision 3 or a debtor under subdivision 4. The petition must be brought within one year after the concealing, removing, or transferring occurred. The district court shall issue a summons within seven days commanding the person against whom the petition is made to appear before the court on a day and place stated in the summons. The appearance must be no less than seven and no more than 14 days from the issuance of the summons. The district court must deliver findings within ten days after the close of the hearing. "Section 1. [204B.135] [REDISTRICTING OF ELECTION DISTRICTS.]

Subdivision 1. The wards must be redistricted within 45 days after the legislature has been redistricted or by May 10 in the year ending in two, whichever is first.

Subd. 2. [OTHER ELECTION DISTRICTS.] For purposes of this subdivision, "local government election district" means a county

district, park and recreation district, school district, or soil and water conservation district. Local government election districts, other than city wards covered by subdivision 1, may not be redistricted until precinct boundaries are re-established under section 204B.14, subdivision 3, paragraph (c) or by May 10 in a year ending in two, whichever comes first. Election districts covered by this subdivision must be redistricted within 65 days of the time when the legislature has been redistricted or by June 1 in the year ending in two, whichever comes first.

Sec. 2. Minnesota Statutes 1986, section 204B.14, subdivision 3, is amended to read:

Subd. 3. [BOUNDARY CHANGES; PROHIBITIONS; EXCEPTION.] Notwithstanding other law or charter provisions to the contrary, during the period from January 1 in any year ending in seven to January 1 in any the time when the legislature has been redistricted in a year ending in two, no changes may be made in the boundaries of any election precinct except as provided in this subdivision.

(b) A municipality or county may establish new election precincts lying entirely within the boundaries of any existing precinct and shall assign names to the new precincts which include the name of the former precinct.

During a year ending in one, the council of each home rule charter city which elects its council members by wards and which has a city election in the year ending in one or which has a general city election before March 15 in a year ending in two may change precinct boundaries for the purpose of reapportioning wards. As soon as possible after legislative apportionment, and prior to the next election, cities shall rearrange the

(c) Precinct boundaries must be re-established within 45 days of the time when the legislature has been redistricted, or by May 10 in a year ending in two, whichever comes first.

Precincts must be arranged so that no precinct lies in more than one legislative district.

Sec. 3. Minnesota Statutes 1986, section 375.025, subdivision 1, is amended to read:

Subdivision 1. [STANDARDS.] The redistricting plan in use in a county shall be used until a new plan is adopted in accordance with this section. Each county shall be divided into as many districts numbered consecutively as it has members of the county board. Commissioner districts shall be bounded by town, municipal, ward, or precinct lines. Each district shall be composed of contiguous territory as regular and compact in form as practicable, depending upon the geography of the county involved and shall be as nearly equal in population as possible. No district shall vary in population more than ten percent from the average for all districts in the county, unless the result forces a voting precinct to be split. A majority of the least populous districts shall contain not less than a majority of the population of the county. A county may be redistricted by the county board after each federal census. When it appears after a federal census that the districts of the county are not in accord with the standards set forth in this subdivision, the county shall be redistricted by the county board within 180 days of the date on which certified copies of the latest federal census are filed with the secretary of state in accordance with section 600.18 the times set in section 1, subdivision 2. Before acting to redistrict, the county board, or a redistricting commission if one is appointed, shall publish three weeks notice of its purpose, stating the time and place of the meeting where the matter will be considered, in the newspaper having the contract to publish the commissioners' proceedings for the county for the current year."

That amount of all contributions accepted by a candidate in an election year which equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question which are made by that candidate in that year shall not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision. Any amount by which the aggregate contributions and approved expenditures agreed to under clause (b) exceed the difference shall be returned to the state treasurer in the manner provided in subdivision 2. In no case shall the amount returned exceed the amount received from the state elections campaign fund.

The candidate may submit the signed agreement to the filing officer on the day of filing the affidavit of candidacy or petition to appear on the ballot, or to the board no later than September 1.

The board prior to the first day of filing for office shall forward forms for the agreement to all filing officers. The filing officer shall without delay forward signed agreements to the board. An agreement may not be rescinded after September 1.

For the purposes of this subdivision only, the total amount to be distributed to each candidate is calculated to be the candidate's share of the total estimated funds in the candidate's party account as provided in subdivision 3a, plus the total amount estimated as provided in subdivision 3a to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the amount actually received by the candidate is greater than the candidate's share of the

estimate, and the contributions thereby exceed the difference, the agreement shall not be considered violated."

Subd. 3. [DISTRIBUTION.] The telephone company providing local exchange service to the largest number of persons in the state shall purchase and distribute to each other telephone company providing local exchange service a sufficient number of communication devices so that each eligible household receives an appropriate device. Each telephone company providing local exchange service shall distribute the devices to eligible households in its service area free of charge as directed by the program administrator. Initial distribution of the devices will be on a priority basis as determined by the board under section 2.

Subd. 4. [TRAINING; MAINTENANCE.] The company providing local exchange service to an eligible household shall maintain the communication devices and provide training, without charge, to first-time users of the devices.

Subd. 5. [WIRING INSTALLATION.] If a communication-impaired person is not served by telephone service and is subject to economic hardship as determined by the board, the telephone company providing local service shall at the direction of the administrator of the program install necessary outside wiring without charge to the household.

Subd. 6. [OWNERSHIP.] All communication devices purchased pursuant to subdivision 3 will become the property of the company providing the communication device to eligible recipients and are excluded from that company's rate base for the purpose of establishing rates under section 237.075 as applicable.

Subd. 7. [STANDARDS.] The communication devices distributed under this section must comply with the electronic industries association standards and approved by the Federal Communications Commission. Each company must provide each eligible person a choice of several models of devices, the retail value of which may not exceed \$600 for a communication device for the deaf and a retail value of \$7,000 for a telebraille device.

Subd. 8. [REIMBURSEMENT.] The board shall reimburse telephone companies for the cost of any purchase or service required under this section from money in the fund established in section 3.

Sec. 5. [237.54] [MESSAGE RELAY SERVICE.]

Subdivision 1. [ESTABLISHMENT.] The board shall contract with an inter-LATA interexchange telephone service provider to establish a third-party message relay service with an "800" number to enable telecommunication between communication-impaired persons and non-communication-impaired persons.

Subd. 2. [OPERATION.] The board shall contract with a local consumer organization that serves communication-impaired persons for operation of the message relay system. The operator of the system shall keep all messages confidential, shall train personnel in the unique needs of communication-impaired people, and shall inform communication-impaired persons and the public of the availability and use of the system. The operator shall not relay a message unless it originates or terminates through a communication device for the deaf or a telebraille device.

Sec. 6. [237.55] [REPORTS; PLANS.]

The board shall prepare a report for presentation to the commission not later than December 31, 1987, to include plans for distributing communication devices and establishing a third-party message relay service and a recommendation for a funding mechanism pursuant to section 3, subdivision 2. The provision of service required under sections 1 to 7 may begin when the plan is approved by the commission or March 1, 1988, whichever is earlier.

Beginning in 1988, the board must prepare a report for presentation to the commission by December 31 of each year through the year 1992. Each report must review the accessibility of the telephone system to communication-impaired persons, review the ability of non-communication-impaired persons to communicate with communication-impaired persons via the telephone system, describe services provided, account for money received and disbursed annually for each aspect of the program to date, and include predicted future operation until the final report.

The final report must, in detail, describe program operation and make recommendations for the funding and service level for necessary ongoing services. The commission may recommend changes in the program to the legislature throughout its operation and shall make a recommendation to the legislature by February 1, 1993, for the future provision and maintenance of the services.

Sec. 7. [237.56] [ADEQUATE SERVICE.]

The services required to be provided under sections 1 to 6 may be enforced under section 237.081 upon a complaint of at least two communication-impaired persons within the service area of any one telephone company, provided that if only one person within the service area of a company is receiving service under sections 1 to 6, the commission may proceed upon a complaint from that person.

Ogren moved to amend S. F. No. 1008, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 148.06, subdivision 1, is amended to read:

Subdivision 1. [LICENSE REQUIRED; QUALIFICATIONS.] No person shall practice chiropractic in this state without first being licensed by the state board of chiropractic examiners. The board may recommend a two-year prechiropractic course of instruction to any university, college or community college which in its judgment would satisfy the academic prerequisite for licensure as established by this section.

An examination for a license shall be in writing and shall include testing in:

(a) The basic sciences including but not limited to anatomy, physiology, bacteriology, pathology, hygiene, and chemistry as related to the human body or mind;

(b) The clinical sciences including but not limited to the science and art of chiropractic, chiropractic physiotherapy, diagnosis, roentgenology and nutrition; and

(c) Professional ethics and any other subjects that the board may deem advisable.

The applicant shall be required to give practical demonstration in vertebral palpation, ~~nerve tracing~~ neurology, adjusting and any other subject that the board may deem advisable. A license, countersigned by the members of the board and authenticated by the seal thereof, shall be granted to each applicant who correctly answers 75 percent of the questions propounded in each of the subjects required by this subdivision and meets the standards of practical demonstration established by the board. Each application shall be accompanied by a fee set by the board. The fee shall not be returned in the event of failure to pass, but the applicant may, within one year, apply for examination without the payment of an additional fee. The board may grant a license to an applicant who holds a valid license to practice chiropractic issued by the appropriate licensing board of another state or country, provided the applicant meets the other requirements of this section and satisfactorily passes the practical examination before the board. The burden of proof is on the applicant to demonstrate these qualifications or satisfaction of these requirements.

Sec. 2. Minnesota Statutes 1986, section 148.07, subdivision 2, is amended to read:

Subd. 2. [EXPENSES.] The expenses of administering sections 148.01 to ~~148.101~~ 148.105 shall be paid from the appropriation made to the state board of chiropractic examiners. Expenditures and revenues must be managed in accordance with the statewide accounting principles and requirements of the commissioner of finance.

Sec. 3. Minnesota Statutes 1986, section 148.08, subdivision 3, is amended to read:

Subd. 3. [RULES.] The board of chiropractic examiners shall promulgate rules necessary to administer sections 148.01 to ~~148.101~~ 148.105 to protect the health, safety, and welfare of the public, including rules governing the practice of chiropractic and defining any terms, whether or not used in sections 148.01 to ~~148.101~~ 148.105, if the definitions are not inconsistent with the provisions of sections 148.01 to ~~148.101~~ 148.105.

Sec. 4. Minnesota Statutes 1986, section 148.10, subdivision 1, is amended to read:

Subdivision 1. [GROUNDS.] The state board of chiropractic examiners may refuse to grant, or may revoke, suspend, condition,

limit, restrict or qualify a license to practice chiropractic, or may cause the name of a person licensed to be removed from the records in the office of the court administrator of the district court for:

(1) the publishing or distributing, or causing to be published or distributed, in newspapers, magazines, directories, pamphlets, posters, cards, or in any other manner by advertisement, wherein the term "cure" or "guarantee to cure" or similar terms are used; which is hereby declared to be fraudulent and misleading to the general public; Advertising that is false or misleading; that violates a rule of the board; or that claims the cure of any condition or disease.

(2) The employment of fraud or deception in applying for a license or in passing the examination provided for in section 148.06; or conduct which subverts or attempts to subvert the licensing examination process.

(3) The practice of chiropractic under a false or assumed name or the impersonation of another practitioner of like or different name;

(9) (10) The violation of, or failure to comply with, the provisions of sections 148.01 to 148.101 148.105, the rules of the state board of chiropractic examiners, or a lawful order of the board;

If the board has probable cause to believe that a

person comes within this clause, it shall direct the person to submit to a mental or physical examination. For the purpose of this clause, every person licensed under this chapter shall be deemed to have given consent to submit to a mental or physical examination when directed in writing by the board and further to have waived all objections to the admissibility of the examining physicians' testimony or examination reports on the ground that the same constitute a privileged communication. Failure of a person to submit to such examination when directed shall constitute an admission of the allegations, unless the failure was due to circumstances beyond the person's control, in which case a default and final order may be entered without the taking of testimony or presentation of evidence. A person affected under this clause shall at reasonable intervals be afforded an opportunity to demonstrate that the person can resume the competent practice of chiropractic with reasonable skill and safety to patients.

In addition to ordering a physical or mental examination, the board may, notwithstanding section 13.42, 144.651, or any other law limiting access to health data, obtain health data and health records relating to a licensee or applicant without the licensee's or applicant's consent if the board has probable cause to believe that a doctor of chiropractic comes under this clause. The health data may be requested from a provider, as defined in section 144.335, subdivision 1, paragraph (b), an insurance company, or a government agency, including the department of human services. A provider, insurance company, or government agency shall comply with any written request of the board under this subdivision and is not liable in any action for damages for releasing the data requested by the board if the data are released pursuant to a written request under this subdivision, unless the information is false and the provider or entity giving the information knew, or had reason to believe, the information was false. Information obtained under this subdivision is classified as private under sections 13.01 to 13.87.

In any proceeding under this clause, neither the record of proceedings nor the orders entered by the board shall be used against a person in any other proceeding.

(13) Aiding or abetting an unlicensed person in the practice of chiropractic, except that it is not a violation of this clause for a doctor of chiropractic to employ, supervise, or delegate functions to a qualified person who may or may not be required to obtain a license or registration to provide health services if that person is practicing within the scope of his or her license or registration or delegated authority.

(14) Improper management of health records, including failure to maintain adequate health records as described in clause (18), to comply with a patient's request made under section 144.335 or to furnish a health record or report required by law.

(15) Failure to make reports required by section 7, subdivisions 2 and 5, or to cooperate with an investigation of the board as required by section 9, or the submission of a knowingly false report against another doctor of chiropractic under section 5.

(16) Splitting fees, or promising to pay a portion of a fee or a commission, or accepting a rebate.

(17) Revealing a privileged communication from or relating to a patient, except when otherwise required or permitted by law.

(18) Failing to keep written chiropractic records justifying the course of treatment of the patient, including, but not limited to, patient histories, examination results, test results, and X-rays. Unless otherwise required by law, written records need not be retained for more than seven years and X-rays need not be retained for more than four years.

(19) Exercising influence on the patient or client in such a manner as to exploit the patient or client for financial gain of the licensee or of a third party which shall include, but not be limited to, the promotion or sale of services, goods, or appliances.

(20) Gross or repeated malpractice or the failure to practice chiropractic at a level of care, skill, and treatment which is recognized by a reasonably prudent chiropractor as being acceptable under similar conditions and circumstances.

(21) Delegating professional responsibilities to a person when the licensee delegating such responsibilities knows or has reason to know that the person is not qualified by training, experience, or licensure to perform them.

For the purposes of clause (2), conduct that subverts or attempts to subvert the licensing examination process includes, but is not limited to: (a) conduct that violates the security of the examination materials, such as removing examination materials from the examination room or having unauthorized possession of any portion of a future, current, or previously administered licensing examination; (b) conduct that violates the standard of test administration, such as communicating with another examinee during administration of the examination, copying another examinee's answers, permitting another examinee to copy one's answers, or possessing unauthorized materials; or (c) impersonating an examinee or permitting an impersonator to take the examination on one's own behalf.

For the purposes of clause clauses (4) and (5), conviction shall be deemed to include a criminal proceeding in which as used in these subdivisions includes a conviction of an offense that if committed in this state would be deemed a felony without regard to its designation elsewhere, or a criminal proceeding where a finding or verdict of

guilt is made or returned but the adjudication of guilt is either withheld or not entered.

For the purposes of clauses (4) and, (5), and (6), a copy of the judgment or proceeding under seal of the administrator of the court or of the administrative agency which entered the same shall be admissible into evidence without further authentication and shall constitute prima facie evidence of its contents.

For the purposes of clause (10) (11), unprofessional conduct means any unethical, deceptive or deleterious conduct or practice harmful to the public, any departure from or the failure to conform to the minimal standards of acceptable chiropractic practice, or a willful or careless disregard for the health, welfare or safety of patients, in any of which cases proof of actual injury need not be established. Unprofessional conduct shall include, but not be limited to, the following acts of a chiropractor:

(a) Gross ignorance of, or incompetence in, the practice of chiropractic;

(b) Making suggestive, lewd, lascivious or improper advances to a patient Engaging in conduct with a patient that is sexual or may reasonably be interpreted by the patient as sexual, or in any verbal behavior that is seductive or sexually demeaning to a patient;

(c) Performing unnecessary services;

(d) Charging a patient an unconscionable fee or charging for services not rendered;

(e) Directly or indirectly engaging in threatening, dishonest, or misleading fee collection techniques;

(f) Perpetrating fraud upon patients, third party payers, or others, relating to the practice of chiropractic, including violations of the Medicare or Medicaid laws or state medical assistance laws; and

(g) Advertising that the licensee will accept for services rendered assigned payments from any third-party payor as payment in full, if the effect is to give the impression of eliminating the need of payment by the patient of any required deductible or copayment applicable in the patient's health benefit plan; or advertising a fee or charge for a service or treatment different from the fee or charge the licensee submits to a third-party payor for that service or treatment. As used in this clause, "advertise" means solicitation by the licensee by means of handbills, posters, circulars, motion pictures, radio, newspapers, television, or in any other manner. In addition to the board's power to punish for violations of this clause, violation of this clause is also a misdemeanor;

(h) Accepting for services rendered assigned payments from any third-party payor as payment in full, if the effect is to eliminate the need of payment by the patient of any required deductible or copayment applicable in the patient's health benefit plan, except as hereinafter provided; or collecting a fee or charge for a service or treatment different from the fee or charge the licensee submits to a third-party payor for that service or treatment, except as hereinafter provided. This clause is intended to prohibit offerings to the public of the above listed practices and those actual practices as well, except that in instances where the intent is not to collect an excessive remuneration from the third-party payor but rather to provide services at a reduced rate to a patient unable to afford the deductible or copayment, the services may be performed for a lesser charge or fee. The burden of proof for establishing that this is the case shall be on the licensee; and

(i) Any other act that the board by rule may define.

Sec. 5. Minnesota Statutes 1986, section 148.10, subdivision 3, is amended to read:

Subd. 3. [REPRIMAND; PENALTIES; PROBATION.] In addition to the other powers granted to the board under this chapter, the board may, in connection with any person whom the board, after a hearing, adjudges unqualified or whom the board, after a hearing, finds to have performed one or more of the acts described in subdivision 1:

(b) Place the person on probation for the period and upon the terms and conditions that the board may prescribe; and

(c) Require payment of all costs of proceedings resulting in the disciplinary action; and

(d) Impose a civil penalty not exceeding \$10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the doctor of chiropractic of any economic advantage gained by reason of the violation charged or to reimburse the board for the cost of the investigation and proceeding.

Sec. 6. Minnesota Statutes 1986, section 148.10, is amended by adding a subdivision to read:

Subd. 6. [EFFECT OF APPEAL.] A suspension, revocation, condition, limitation, qualification, or restriction of a license shall be in effect pending determination of an appeal unless the court, upon petition and for good cause shown, shall otherwise order.

A license to practice chiropractic is automatically suspended if (1) a guardian of the person of a licensee is appointed by order of a probate court under sections 525.54 to 525.61, for reasons other than the minority of the licensee; or (2) the licensee is committed by order of a probate court under chapter 253B or sections 526.09 to 526.11. The license remains suspended until the licensee is restored to capacity by a court and, upon petition by the licensee, the suspension is terminated by the board after a hearing.

No report shall be required if the information was obtained in the course of a patient relationship if the patient is a doctor of chiropractic and the treating health professional successfully counsels the doctor of chiropractic to limit or withdraw from practice to the extent required by the impairment; or (2) is a patient or former patient of the doctor of chiropractic and the treating professional is a psychologist from whom the patient is receiving psychotherapeutic services.

(5) the regular address of the practice of the doctor of chiropractic against whom an award was made or with whom a settlement was made; and

(6) the name of the doctor of chiropractic against whom an award was made or with whom a settlement was made.

Subd. 4. [COURTS.] The clerk of district court or any other court of competent jurisdiction shall report to the board any judgment or other determination of the court which adjudges or includes a finding that a doctor of chiropractic is mentally ill, mentally incompetent, guilty of a felony, guilty of an abuse or fraud, appoints a guardian of the doctor of chiropractic under sections 525.54 to 525.61 or commits a doctor of chiropractic under chapter 253B or sections 526.09 to 526.11.

[GENERALLY.] Any person who practices, or attempts to practice, chiropractic or who uses any of the terms or letters "Doctors of Chiropractic," "Chiropractor," "D.C.," or any other title or letters under any circumstances as to lead the public to believe that the person who so uses the terms is engaged in the practice of chiropractic, without having complied with the provisions of sections 148.01 to 148.104, is guilty of a gross misdemeanor; and, upon conviction, fined not less than \$1,000 nor more than \$10,000 or be imprisoned in the county jail for not less than 30 days nor more than six months or punished by both fine and imprisonment, in the discretion of the court. It is the duty of the county attorney of the county in which the person practices to prosecute. Nothing in sections 148.01 to 148.105 shall be considered as interfering with any person:

(a) licensed by a health related licensing board, as defined in section 214.01, subdivision 2, including licensed psychologists with respect to the use of hypnosis;

(b) registered by the commissioner of health under section 214.13;  
or

(c) engaged in other methods of healing regulated by law in the state of Minnesota;  
provided that the person confines activities within the scope of the license or other regulation and does not practice or attempt to practice chiropractic.

Subd. 2. [EXCEPTIONS.] The following persons shall not be in violation of subdivision 1:

(1) a student practicing under the direct supervision of a preceptor while the student is enrolled in and regularly attending a recognized chiropractic college; and

(2) a student who is in continuing training and performing the duties of an intern or resident or engaged in postgraduate work considered by the board to be the equivalent of an internship or residency in any institution approved for training by the board.

Sec. 11. [148.106] [PEER REVIEW OF SERVICES AND FEES.]

Subdivision 1. [DEFINITIONS.] As used in this section, the term:

(a) "Accepted standards" for peer review of a licensed chiropractor means those standards of care, skill, and treatment which are recognized by a reasonably prudent similar health care provider as being acceptable under similar conditions and circumstances.

(b) "Appropriate chiropractic treatment" means a determination made of treatment and other services performed, which by virtue of a substantiated and properly diagnosed condition, appears to be of a type consistent with that diagnosis as reviewed by the peer review committee.

(c) "Unconscionable fees" means charges submitted for services performed that are unnecessary or unreasonable charges in the judgment of the peer review committee. In determining the unconscionability of costs, the committee may consider, among other appropriate factors, charges by health care providers other than chiropractors for the same or similar services.

(d) "Bill for treatment" means all services provided to a consumer, regardless of the monetary consideration paid to the health care provider.

(e) "Patient" means an individual who receives chiropractic treatment from a chiropractor.

(f) "Peer review" means an evaluation, based on accepted standards, by a peer review committee of the appropriateness, quality, utilization, and cost of health care and health services provided to a patient.

(g) "Peer review committee" means a committee of seven individuals, five of whom are chiropractors licensed under this chapter, two of whom are consumers, and none of whom is in a direct business relationship with the provider, insurer, or patient whose case is being reviewed. The committee shall be appointed by the executive director of the board or provided for by a contractual arrangement with the board, and may consist of different individuals for review of different cases.

(h) "Properly utilized services" means appropriate treatment services rendered, including frequency and duration, which are

substantiated as being necessary and reasonable by clinical records and reports of the provider or any other facts or evidence pertinent to the controversy as reviewed by the peer review committee.

Subd. 2. [PURPOSE.] The board shall review directly or by contract information relating to certain chiropractic providers for the purposes identified in section 145.61.

It is the intention of the legislature that the peer review system and activities established under this chapter, including the board and the peer review committee and their officers, members, employees and agents, shall be exempt from challenge under federal or state antitrust laws or other similar laws in regulation of trade or commerce.

Subd. 3. [DUTIES.] The peer review committee shall advise the board as to its findings under subdivision 2. The peer review committee may hear, without qualification or threshold, any submission regarding the appropriateness, quality, or utilization of chiropractic services. The board may establish additional criteria for screening requests for peer review. The screening shall occur upon submission by a patient, the patient's representative, insurer, or chiropractor of an inquiry about a bill for treatment rendered to a patient by a health care provider.

Subd. 4. [FEES FOR REVIEW.] Any third party provider making a peer review request may be charged a fee to assist in defraying the administrative costs of performing the review.

Subd. 5. [CONDUCT OF REVIEW.] Peer review occurs upon submission by a patient, the patient's representative, insurer, or chiropractor, in accordance with the procedures approved by the board, of an inquiry about a bill for treatment rendered to a patient by a chiropractor. The peer review committee shall examine each inquiry submitted to it and shall report its findings to the executive director of the board and furnish copies of the findings to the patient, chiropractor, and third-party payor. The findings of the peer review committee on each inquiry reviewed shall include a determination of whether or not the chiropractor properly utilized services and rendered or ordered appropriate treatment or services and whether or not the cost of the treatment was unconscionable.

Subd. 6. [ANNUAL REPORT.] An annual summary of the findings of the peer review committee shall be prepared by the committee and submitted to the board. The report may be made available to interested persons upon request and upon payment of necessary administrative costs to defray the expenses of reproduction. No report or summary submitted to the public by the board may disclose the name or identifier of any patient without the patient's consent.

Subd. 7. [TREATMENT RECORDS.] The acceptance of, or the request for, payment for treatment rendered to a patient by a doctor of chiropractic constitutes the consent of the doctor of chiropractic to the submission of all necessary records and other information concerning the treatment to the peer review committee.

Subd. 8. [RULES.] (a) The board may adopt rules it considers necessary and appropriate to implement the peer review system and activities established under this chapter.

(b) The decision by the board to refer the matter to a peer review committee, the establishment by the board of the procedures by which a peer review committee reviews the rendering of health care services, and the proceedings and findings of a peer review committee are not subject to the rulemaking provisions of chapter 14.

Subd. 9. [APPLICATION OF OTHER LAW.] (a) The provisions of Minnesota Statutes, section 145.62, apply to any person, firm, corporation, or other entity providing information to the board or the peer review committee.

(b) The provisions of Minnesota Statutes, section 145.63, apply to an officer, member, employee, or agent of the board and to an officer, member, employee, or agent of an entity with which the board has contracted under this section.

Subd. 10. [CONFIDENTIALITY OF PEER REVIEW RECORDS.] All data and information acquired by the board or the peer review committee, in the exercise of its duties and functions, shall be subject to the same disclosure and confidentiality protections as provided for data and information of other review organizations under section 145.64. This subdivision does not limit or restrict the board or the peer review committee from fully performing their prescribed peer review duties and functions, nor does it apply to disciplinary and enforcement proceedings under Minnesota Statutes, sections 14.57 to 14.62, 148.10, 148.105, 214.10, and 214.11. The peer review committee shall file with the board a complaint against a health care provider if it determines that reasonable cause exists to believe the health care provider has violated any portion of this chapter or rules adopted under it, for which a licensed chiropractor may be disciplined. The peer review committee shall transmit all complaint information it possesses to the board. The data, information, and records are classified as private data on individuals for purposes of chapter 13. The patient records obtained by the board pursuant to this section must be used solely for the purposes of the board relating to peer review or the disciplinary process.

Sec. 12. Minnesota Statutes 1986, section 319A.02, subdivision 2, is amended to read:

CONFERENCE COMMITTEE REPORT ON S. F. NO. 282

A bill for an act relating to metropolitan government; permitting regional railroad authorities to engage in certain activities; amending Minnesota Statutes 1986, section 473.398.

May 15, 1987

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Fred C. Norton  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 282, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 282 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 398A.04, subdivision 8, is amended to read:

Subd. 8. [TAXATION.] Before deciding to exercise the power to tax, the authority shall give six weeks published notice in all municipalities in the region. If a number of voters in the region equal to five percent of those who voted for candidates for governor at the last gubernatorial election present a petition within nine weeks of the first published notice to the secretary of state requesting that the matter be submitted to popular vote, it shall be submitted at the next general election. The question prepared shall be:

"Shall the regional rail authority have the power to impose a property tax?

Yes .....

No ....."

If a majority of those voting on the question approve or if no petition is presented within the prescribed time the authority may thereafter levy a tax at any annual rate not exceeding ~~four~~ two mills

on the assessed valuation of all taxable property situated within the municipality or municipalities named in its organization resolution. Its recording officer shall file in the office of the county auditor of each county in which territory under the jurisdiction of the authority is located a certified copy of the board of commissioners' resolution levying the tax, and each county auditor shall assess and extend upon the tax rolls of each municipality named in the organization resolution the portion of the tax that bears the same ratio to the whole amount that the assessed valuation of taxable property in that municipality bears to the assessed value of taxable property in all municipalities named in the organization resolution. Collections of the tax shall be remitted by each county treasurer to the treasurer of the authority.

Sec. 2. [473.169] [LIGHT RAIL TRANSIT; DESIGN PLANS.]

Subdivision 1. [REQUIREMENT.] Before constructing a light rail transit facility, the political subdivision proposing the facility must hold a public hearing on the preliminary design plans as provided in subdivision 2, and submit the preliminary and final design plans for review as provided in subdivisions 3 to 5. The design plans must include a plan for handicapped accessibility.

Subd. 2. [PRELIMINARY DESIGN PLANS; PUBLIC HEARING.] Before preparing final design plans for a light rail transit facility, the political subdivision proposing the facility must hold a public hearing on the preliminary design plans. The proposer must provide appropriate public notice of the hearing and publicity to ensure that affected parties have an opportunity to present their views at the hearing.

Subd. 3. [PRELIMINARY DESIGN PLANS; LOCAL APPROVAL.] At least 30 days before the hearing under subdivision 2, the proposer must submit the preliminary design plans to the governing body of each statutory and home rule charter city, county, and town in which the route is proposed to be located. The city, county, or town must hold a public hearing. Within 45 days after the hearing under subdivision 2, the city, county, or town must review and approve or disapprove the plans for the route to be located in the city, county, or town. Failure to approve or disapprove the plans in writing within 45 days after the hearing is deemed to be approval, unless an extension of time is agreed to by the city, county, or town and the proposer. If the preliminary design plans are approved by each city, county, and town in which the route is proposed to be located, the proposer may proceed with final design plans under subdivision 5.

Subd. 4. [PRELIMINARY DESIGN PLANS; METROPOLITAN COUNCIL REFERRAL.] If the governing body of one or more cities, counties, or towns disapproves the preliminary design plans within the period allowed under subdivision 3, the proposer may refer the plans to the metropolitan council. The council must hold a hearing,

giving the proposer and the disapproving local governmental units an opportunity to present the case for or against approval of the plans. The council may conduct independent study as it deems desirable and may mediate and attempt to resolve disagreements about the plans. Within 90 days after the referral, the council must either approve the plans as submitted by the proposer or recommend amended plans to accommodate the objections presented by the disapproving local governmental units. Failure to respond within the time period is deemed to be approval, unless an extension of time is agreed to by the council and the proposer. Following approval or recommendation of preliminary design plans by the council, the proposer may proceed with final design plans under subdivision 5.

Subd. 5. [FINAL DESIGN PLANS.] (a) After the approval of preliminary design plans under subdivision 3 or review by the council following referral to the council under subdivision 4, the proposer may prepare final design plans.

(b) Before proceeding with construction, the proposer must submit the final design plans to the governing body of each statutory and home rule city, county, and town in which the route is proposed to be located. Within 60 days after the submission of the plans, the city, county, or town must review and approve or disapprove the plans for the route located in the city, county, or town. Failure to approve or disapprove the plans in writing within the time period is deemed to be approval, unless an extension is agreed to by the city, county, or town and the proposer. If the final design plans are approved by each city, county, and town in which the route is proposed to be located, the proposer may proceed with construction on that route.

(c) If the governing body of one or more cities, counties, or towns disapproves the final design plans within the period allowed under paragraph (b), the proposer may refer the plans to the metropolitan council. The council must review the final design plans under the same procedure and with the same effect as provided in subdivision 4 for preliminary design plans. Following approval or recommendation of final design plans by the council, the proposer may proceed with construction.

Subd. 6. [COUNTY APPROVAL.] The proposer of a light rail transit facility in the metropolitan area must submit the preliminary and final design plans for the facility to the governing board of the county in which the route is proposed to be located for approval or disapproval. The proposer of the facility may not proceed with construction of the facility without the approval of the county.

Subd. 7. [COUNCIL REVIEW.] Before proceeding with construction of a light rail transit facility, a regional rail authority established under chapter 398A must submit preliminary and final design plans to the metropolitan council. The council must review

the plans for consistency with the council's development guide and comment on the plans.

Subd. 8. [METROPOLITAN SIGNIFICANCE.] This section does not diminish or replace the authority of the council under section 473.173.

Sec. 3. [473.17] [COOPERATION IN LIGHT RAIL TRANSIT.]

Notwithstanding section 473.398, the metropolitan council may cooperate with regional rail authorities in the study, planning, and design of regional rail authority light rail transit systems, and the metropolitan transit commission may cooperate with regional rail authorities in the operational planning and operation of regional rail authority light rail transit systems.

Sec. 4. Minnesota Statutes 1986, section 473.398, is amended to read:

473.398 [TRANSIT NEEDS ASSESSMENT.]

(a) The metropolitan council, the regional transit board, and the metropolitan transit commission, ~~and any regional rail authority or political subdivision in the metropolitan area~~ may not either separately or in combination expend or obligate any money from public sources for study, planning, design, preliminary engineering, engineering, acquisition, construction, or any other purpose related to facilities for transporting passengers by cars operating on fixed rails, without express legislative authorization.

(b) Before performing any further detailed work on light rail transit, the regional transit board shall complete the total assessment of transit service needs and markets for the metropolitan area and the implementation plan required by section 473.377, subdivisions 1 and 2. It may consider any mode of travel to serve identified needs and markets.

(c) Following approval of the implementation plan by the metropolitan council, as required by section 473.377, subdivision 1, the regional transit board may commence corridor planning, consisting of preliminary engineering for general route configuration and alignments, station locations, modal interconnectors, and access of any modes including light rail transit, for the corridor between the downtowns of Minneapolis and St. Paul if the needs assessment and implementation plan so provide. It may utilize private or public funds to do this work.

(d) The board shall report to the legislature by December 1, 1986, on the needs, alternative transit systems, and services considered

and recommendations for implementation, costs, alternative sources of financing, and preferred financing sources.

Sec. 5. [METROPOLITAN TRANSIT PLANNING PROCESS.]

By January 15, 1988, the metropolitan council shall report to the legislature a recommended process to coordinate transit planning and development by regional railroad authorities and other political subdivisions.

Sec. 6. [COMPREHENSIVE PLAN.]

By July 1, 1988, the Hennepin county regional rail authority must develop a comprehensive plan for the development of a light rail transit system in Hennepin county. In developing the comprehensive plan, the authority must consider at least three primary corridors, including the southwest corridor, a northern corridor, and a southern corridor. In evaluating the corridors, the authority must consider the ridership potential of each corridor, the cost of developing each corridor, and the public benefit to be derived from each corridor. During this evaluation, the authority may acquire right-of-way so that all corridors have, to the extent practicable, an equal opportunity for development based on the guidelines contained in the comprehensive plan. This section does not prohibit the authority from proceeding with the preparation of engineering plans for any corridor before July 1, 1988.

Sec. 7. [EFFECTIVE DATE.]

Section 1 is effective the day following final enactment. A regional rail authority that has acquired the power to impose a property tax under section 398A.04, subdivision 8, before the effective date of section 1, may levy an annual tax up to but not exceeding two mills on the assessed valuation of all taxable property situated within the municipality or municipalities named in its organization resolution for study, planning, design, preliminary engineering, engineering, acquisition, construction, or any purpose related to facilities for transporting passengers on a light rail transit system.

Sec. 8. [APPLICATION.]

Sections 2 to 6 are effective the day following final enactment in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington."

Delete the title and insert:

"A bill for an act relating to transportation; reducing maximum tax levy authorized for regional railroad authorities; permitting regional railroad authorities to engage in activities related to light

rail transit; providing for review of light rail transit plans by local governmental units and the metropolitan council; amending Minnesota Statutes 1986, sections 398A.04, subdivision 8; and 473.398; proposing coding for new law in Minnesota Statutes, chapter 473."

The legislature further anticipates that the regular session full-year equivalent undergraduate students must not exceed 33,750 for fiscal year 1991, and 31,600 by fiscal year 1993. The university shall submit progress reports on the attainment of the anticipated enrollments.

The counseling must occur before admission and must include a presentation of post-secondary options available to the student and an assessment of the student's opportunities for academic success within each option. The counseling is not intended to preclude applicants from being admitted to the university, but instead to improve their understanding of their enrollment options and potential for success in higher education. For applicants enrolled in high schools that have counselors, the high school counselor may provide the required advising. For applicants not enrolled in high schools or in schools without counseling staff, the advising must be provided by the university. The mechanisms may include, but are not limited to: workshops with high school counselors, campus based counseling, toll free hotlines, and reassigning or adding necessary university counseling staff. Subd. 5. [REPORTS.] The task force shall submit a preliminary report to the higher education policy and funding divisions and committees of the legislature by February 1, 1988, concerning progress and plans of the task force. It shall submit a full report of its activities, findings, and recommendations by February 1, 1989, to these divisions and committees. Before submitting each report to the legislature, the task force shall submit the report to the higher education coordinating board for review and comment.

Task force members shall serve without compensation, except that the post-secondary systems must provide for the expenses incurred by their student representatives.

Subd. 3. [DUTIES.] The task force shall study and make recommendations on the expected outcomes and benefits of expanded course equivalency, a common course numbering system for higher education, more accessible transfer information, and students' opportunities for completion of their undergraduate educations. The legislature expects that the AVTIs will be included in these recommendations when they convert to a course credit hour basis.

Subd. 4. [HECB ROLE.] The task force study and report must be coordinated by the higher education coordinating board. The board shall provide necessary staff assistance and information to the task force.

Subd. 5. [REPORT.] By December 15, 1987, the task force shall submit its report to the higher education coordinating board for review and comment. The task force shall submit its recommendations to the higher education coordinating board for review and comment. The report and the review shall be submitted to the legislature by January 15, 1989.

S. F. No. 841 was reported to the House.

Munger moved to amend S. F. No. 841, as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 40.41, is amended to read:

**40.41 [PURPOSE AND POLICY.]**

It is the purposes of sections 40.41 to 40.45 to keep certain marginal agricultural land out of crop production or pasture to protect soil and water quality and support fish and wildlife habitat. It is state policy to encourage the retirement of marginal, highly erodible land, particularly land adjacent to public waters and drainage systems, from crop production and to reestablish a cover of perennial vegetation.

Sec. 2. Minnesota Statutes 1986, section 40.42, subdivision 5, is amended to read:

Subd. 5. [LANDOWNER.] "Landowner" means a Minnesota resident who owns or is a buyer under a contract for deed, of land that qualifies as a family farm, a family farm corporation or an authorized farm corporation under section 500.24, subdivision 2 individuals, family farm, family farm corporations as defined under section 500.24, subdivision 2, paragraph (c), and authorized farm corporations as defined under section 500.24, subdivision 2, paragraph (d), which either own eligible land or are purchasing eligible land under a contract for deed.

Sec. 3. Minnesota Statutes 1986, section 40.42, is amended by adding a subdivision to read:

Subd. 7. [WETLAND.] "Wetland" means land that has a predominance of hydric soils and that is inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, or that periodically does support, a predominance of hydrophytic vegetation typically adapted for life in saturated soil conditions.

Sec. 4. Minnesota Statutes 1986, section 40.42, is amended by adding a subdivision to read:

Subd. 8. [WINDBREAK.] "Windbreak" means a strip or belt of trees, shrubs, or grass barriers at least six rows deep and within 300 feet of the right-of-way of a highway.

Sec. 5. Minnesota Statutes 1986, section 40.43, subdivision 2, is amended to read:

Subd. 2. [ELIGIBLE LAND.] Land may be placed in the conservation reserve program if the land:

(1) is marginal agricultural land, or is adjacent to marginal agricultural land and is either beneficial to resource protection or necessary for efficient recording of the land description, or consists of a drained wetland, or is land that with a windbreak would be beneficial to resource protection. Cropland adjacent to the restored wetland may also be enrolled to the extent of up to four acres of cropland for each acre of wetland restored;

(2) was owned by the applicant landowner on January 1, 1985, or for an application made on or after January 1, 1988, was owned by the applicant landowner, or a parent or other blood relative of the landowner, for at least three years before the date of application;

(3) is at least five acres in size, except for a windbreak, or is a whole field as defined by the United States Agricultural Stabilization and Conservation Services;

(4) is not set aside, enrolled or diverted under another federal or state government program; and

(5) was in agricultural crop production or pasture for at least two years during the period 1981 to 1985.

The ~~eligible~~ enrolled land of a landowner may not exceed 20 percent of the landowner's total agricultural land acreage in the state, if the landowner owns at least 200 acres of agricultural land as defined by section 500.24, subdivision 2. If a landowner owns less than 200 acres of agricultural land the amount that may be enrolled in the conservation reserve is:

(a) all agricultural land owned, if 20 acres or less; or

(b) if the total agricultural land owned is more than 20 acres but less than 200 acres, 20 acres plus ten percent of the balance of the agricultural land.

In selecting land for enrollment in the program, highest priority must be given to permanent easements that are consistent with the purposes stated in section 40.41.

Sec. 6. Minnesota Statutes 1986, section 40.43, subdivision 3, is amended to read:

Subd. 3. [CONSERVATION EASEMENTS.] The commissioner may acquire conservation easements on eligible land. An easement may be permanent or of limited duration. An easement of limited duration may not be acquired if it is for a period less than ~~ten~~ 20 years. The negotiation and acquisition of easements authorized by this section are exempt from the contractual provisions of chapter 16B.

Sec. 7. Minnesota Statutes 1986, section 40.43, subdivision 5, is amended to read:

Subd. 5. [AGREEMENTS BY LANDOWNER.] The commissioner may enroll eligible land in the conservation reserve program by signing an agreement in recordable form with a landowner in which the landowner agrees:

(1) to convey to the state a conservation easement that is not subject to any prior title, lien, or encumbrance;

(2) to seed the land subject to the conservation easement, as specified in the agreement, to establish and maintain perennial cover of either a grass-legume mixture or native grasses for the term of the easement, at seeding rates determined by the commissioner; or to plant trees or carry out other long-term capital improvements

approved by the commissioner for soil and water conservation or wildlife management;

(3) to restore any drained wetland and to convey to the state a permanent easement for the wetland;

(4) that other land supporting natural vegetation owned or leased as part of the same farm operation during the term of the easement, if it supports natural vegetation or has not been used in agricultural crop production or pasture, will not be converted to agricultural crop production or pasture unless a landowner under a permanent easement receives approval from the commissioners of agriculture and natural resources and, prior to the land conversion activity, implements a soil and water conservation district approved conservation plan following the recommendations of the field office technical guide; and

(4) (5) to the enforcement of the terms of the easement and agreements in this subdivision by an action for specific performance, a mandatory injunction, or for damages in an amount not to exceed the total amount paid by the state to the landowner under subdivision 6, with interest from the date of each default under the agreement; and

(6) that the easement duration may be lengthened only through mutual agreement with the commissioners of agriculture and natural resources if they determine that the changes are necessary to effectuate the purpose of the program or to facilitate its administration.

Sec. 8. Minnesota Statutes 1986, section 40.43, subdivision 6, is amended to read:

Subd. 6. [PAYMENTS FOR CONSERVATION EASEMENTS AND ESTABLISHMENT OF COVER.] The commissioner must make the following payments to the landowner for the conservation easement and agreement:

(1) to establish the perennial cover or other improvements required by the agreement, up to 75 percent of the total eligible cost not to exceed \$75 per acre for limited duration easements, and 100 percent of the total eligible cost not to exceed \$100 per acre for perpetual easements;

(2) for the cost of planting trees required by the agreement, up to \$75 75 percent of the total eligible cost not to exceed \$200 per acre for limited duration easements, and 100 percent of the total eligible cost not to exceed \$300 per acre for perpetual easements;

(3) for a permanent easement, 70 percent of the township average equalized estimated market value of agricultural property as established by the commissioner of revenue at the time the of easement is conveyed application; and

(4) for an easement of limited duration, 90 percent of the present value of the average of the ~~acceptable~~ accepted bids for the federal conservation reserve program, as contained in Public Law Number 99-198, in the relevant geographic area and on bids ~~made immediately prior to when accepted at the time of easement is conveyed. If federal bid figures have not been determined for the area, or the federal program has been discontinued, the rate paid shall applica-~~ application; or

(5) an alternative payment system for easements based on cash rent or a similar system as may be determined by the commissioner.

The commissioner may not pay more than \$50,000 to a landowner for all the landowner's conservation easements and agreements.

Sec. 9. Minnesota Statutes 1986, section 40.43, subdivision 7, is amended to read:

Subd. 7. [EASEMENT RENEWAL.] When a conservation easement of limited duration expires, a new conservation easement and agreement for an additional period of ~~ten~~ not less than 20 years may be acquired by agreement of the commissioner and the landowner, under the terms of this section. The commissioner may adjust payment rates as a result of renewing an agreement and conservation easement only after examining the condition of the established cover, conservation practices, and land values.

Sec. 10. Minnesota Statutes 1986, section 40.44, subdivision 2, is amended to read:

Subd. 2. [TECHNICAL ASSISTANCE.] The commissioners of agriculture and natural resources must provide necessary technical assistance to landowners enrolled in the conservation reserve program. The commissioner of natural resources must provide technical advice and assistance to the commissioner on (1) the form and content of the conservation easement and agreement, ~~and on;~~ (2) forestry and agronomic practices; and (3) hydrologic and hydraulic design relating to the establishment and maintenance of permanent cover, or other conservation improvements. The commissioner of transportation must provide technical advice and assistance to the commissioners of agriculture and natural resources on the planting of windbreaks adjacent to highways. The commissioners of agriculture and natural resources shall jointly prepare an informational booklet on the conservation reserve program and other state and federal programs for land acquisition, conservation, and retirement to be made available to eligible landowners and the general public.

Sec. 11. Minnesota Statutes 1986, section 40.44, subdivision 3, is amended to read:

Subd. 3. [SUPPLEMENTAL CONSERVATION PAYMENTS.] The commissioner may supplement ~~cost share~~ payments made under ~~other federal land retirement programs, up to \$75 an acre,~~ to the extent of available appropriations other than bond proceeds. The supplemental ~~cost share~~ payments must be used to establish perennial cover on land enrolled or increase payments for land enrollment in programs approved by the commissioner, including the federal conservation reserve program and federal and state waterbank programs program.

Sec. 12. Minnesota Statutes 1986, section 40.45, is amended to read:

Sec. 13. Minnesota Statutes 1986, section 84.943, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The Minnesota critical habitat private sector matching account is established as a separate account in the state treasury reinvest in Minnesota resources fund established under section 84.95. ~~The account shall be administered by the commissioner of natural resources as provided in this section.~~

Sec. 14. Minnesota Statutes 1986, section 84.944, subdivision 1, is amended to read:

Subdivision 1. [ACQUISITION. CONSIDERATIONS.] In determining what critical natural habitat shall be acquired or improved, the commissioner shall consider:

(1) the significance of the land or water as existing or potential habitat for fish and wildlife and providing fish and wildlife oriented recreation;

(2) the significance of the land, water, or habitat improvement to maintain or enhance native plant, fish, or wildlife species designated as endangered or threatened under section 97.488;

(3) the presence of native ecological communities that are now uncommon or diminishing; and

(4) the significance of the land, water or habitat improvement to protect or enhance natural features within or contiguous to natural areas including fish spawning areas, wildlife management areas, scientific and natural areas, riparian habitat and fish and wildlife management projects.

Based on the above clauses, the commissioner by order promulgated under section 97A.051, subdivision 3, must establish a process to prioritize what critical habitat shall be acquired or improved.

Sec. 15. Minnesota Statutes 1986, section 84.95, is amended by adding a subdivision to read:

Subd. 3. [WORK PLAN.] By February 1 of each year the commissioner of natural resources, in consultation with the commissioner of agriculture, must present a written work plan for expenditure of money from the reinvest in Minnesota resources fund for the next fiscal year to the senate and house committees on agriculture and environment and natural resources for their review and comment. Any recommendations to the commissioners by the committees must be returned to the commissioners by March 15. By April 30 of each year the commissioner must make the work plan, with any revisions, available to the public for comment. In so doing, the commissioner must hold at least three public meetings to inform the public of the work plan; one meeting to be held in the Twin Cities metropolitan area, the others at non-Twin Cities locations, one each in northern and southern Minnesota. By January 15 of each year, the commissioner must prepare a written progress report on projects undertaken and money encumbered during the fiscal year just ended, and must transmit the report to the above committees and make the report available to the public.

Sec. 16. [84.959] [FINDINGS.]

The legislature finds that native prairie is found primarily on marginal lands poorly suited to grain production and provides important wildlife, scientific, erosion control, educational, and recreational values.

Sec. 17. [84.96] [NATIVE PRAIRIE BANK.]

Subdivision 1. [ESTABLISHMENT.] The commissioner shall establish a native prairie bank, determine where native prairie land is located in the state, and prescribe eligibility requirements for inclusion of land in the native prairie bank.

Subd. 2. [DEFINITION.] For the purposes of this section, "native prairie" means land that has never been plowed, with less than ten percent tree cover and with predominantly native prairie vegetation.

Subd. 3. [EASEMENT ACQUISITION.] (a) The commissioner may acquire native prairie for conservation purposes by entering into easements with landowners. The easements must be conservation easements as defined in section 84C.01, clause (1), except the easements may be made possessory as well as nonpossessory if agreed upon by the landowner and the commissioner.

(b) The easements may be permanent or of limited duration. Highest priority must be given to permanent easements consistent with the purposes of this section. Easements of limited duration must be for at least 20 years, with provision for renewal for at least another 20-year period. For easements of limited duration, the commissioner may reexamine and adjust the payment rates at the beginning of any renewal period after considering current land and crop values.

Subd. 4. [EASEMENT AGREEMENT.] (a) In the easement between the commissioner and an owner, the owner must agree:

(1) to place in the program for the period of the easement eligible native prairie areas designated by the owner, including prairie covered by a federal or state easement that allows agricultural use and desirable land adjacent to the prairie as determined by the commissioner;

(2) not to alter the native prairie by plowing, heavy grazing, seeding to nonnative grasses or legumes, spraying with large amounts of herbicides, or otherwise destroying the native prairie character of the easement area, except mowing the native prairie tract for wild hay may qualify for easement as determined by the commissioner;

(3) to implement the native prairie conservation and development plan as provided in the easement agreement, unless a requirement in the easement agreement is waived or modified by the commissioner;

(4) to forfeit all rights to further payments under the terms of the easement and to refund to the state all payments received under the easement if the easement is violated at any time when the owner has control of the land subject to the easement, if the commissioner determines that the violation warrants termination of the easement, or if the commissioner determines that the violation does not warrant termination of the easement, the commissioner may determine refunds or payment adjustments to be paid by the commissioner;

(5) not to adopt a practice specified by the commissioner in the easement as a practice that would tend to defeat the purposes of the easement; and

(6) to additional provisions included in the easement that the commissioner determines are desirable.

(b) In return for the easement of the owner, the commissioner shall make payments as provided in subdivision 5 and may provide advice on conservation and development practices on the native prairie in the easement and adjacent areas.

Subd. 5. [PAYMENTS.] (a) The commissioner must make payments to the landowner under this subdivision for the easement.

(b) For a permanent easement, the commissioner must pay 50 percent of the average equalized estimated market value of cropland in the township as established by the commissioner of revenue for the time period when the application is made.

(c) For an easement of limited duration, the landowner shall receive a lump sum payment equal to the present value of the annual payments for the term of the easement based on 50 percent of the mean adjusted cash rental for cropland in the county as established by the commissioner of revenue for the time period when the application is made.

(d) To maintain and protect native prairies, the commissioner may enter into easements that allow selected agricultural practices. Payment must be based on paragraph (b) or (c) but may be reduced due to the agricultural practices allowed after negotiation with the landowner.

Subd. 6. [RENEWAL.] A limited-term easement may be converted to a permanent easement or renewed at the end of the easement period by mutual agreement of the commissioner and the owner, subject to any rate redetermination by the commissioner.

Subd. 7. [EASEMENT RUNS WITH LAND.] If during the easement period the owner sells or otherwise disposes of the ownership or right of occupancy of the land, the new owner must continue the easement under the same terms or conditions.

Subd. 8. [MODIFICATION AND TERMINATION BY AGREEMENT.] The commissioner may terminate an easement by mutual agreement with the owner if the commissioner determines that the termination would be in the public interest. The commissioner may agree to modifications of agreements if the commissioner determines the modification is desirable to implement the native prairie program.

Subd. 9. [RULES.] The commissioner of natural resources may adopt rules that include the procedures and payment rates to implement this section.

Sec. 18. Minnesota Statutes 1986, section 105.391, subdivision 3, is amended to read:

Subd. 3. Except as provided below, no public waters or wetlands shall be drained, and no permit authorizing drainage of public waters or wetlands shall be issued, unless the public waters or wetlands being drained are replaced by public waters or wetlands which that will have equal or greater public value. ~~However, after a state waterbank program has been established, Wetlands which are eligible for inclusion in that program, the drainage of which is~~ lawful, feasible, and practical and would provide high quality cropland and that is the projected land use, as determined by the commissioner, may be drained without a permit and without replacement of wetlands of equal or greater public value if the commissioner does not elect, within 60 days of the receipt of an application for a permit to drain the wetlands, to either (1) place the wetlands in the state waterbank program under section 105.392, or (2) acquire it in fee pursuant to section 97A.145, or (3) ~~indemnify the landowner through any other appropriate means, including but not limited to conservation restrictions, easements, leases, or any applicable federal program.~~ The applicant, if not offered a choice of the above alternatives, is entitled to drain the wetlands involved.

In addition, the owner or owners of lands underlying wetlands situated on privately owned lands may apply to the commissioner for a permit to drain the wetlands at any time after the expiration of ten years following the original designation thereof. Upon receipt of an application, the commissioner shall review the current status and conditions of the wetlands. If the commissioner finds that the current status or conditions are such that it appears likely that the economic or other benefits from agricultural use to the owner or owners which would result from drainage would exceed the public benefits of maintaining the wetlands, the commissioner shall grant the application and issue a drainage permit. If the application is denied, no additional application shall be made until the expiration of an additional ten years.

Sec. 19. Minnesota Statutes 1986, section 105.392, subdivision 1, is amended to read:

Subdivision 1. The legislature finds that it is in the public interest to preserve the wetlands of the state and thereby to conserve surface waters, ~~to maintain and improve water quality,~~ preserve wildlife habitat, ~~to reduce runoff, to provide for floodwater retention, to reduce stream sedimentation, to contribute to improved subsurface moisture, to enhance the natural beauty of the landscape, and to promote comprehensive and total water management planning.~~

Therefore, the commissioner of natural resources is authorized to promulgate rules, which shall include the procedures and payment rates designed to effectuate the terms of this section. This program is intended to supplement and complement the federal water bank program and the payment rates established shall be at least equal to the federal rates existing at the time any agreements are entered into.

Sec. 20. Minnesota Statutes 1986, section 105.392, subdivision 2, is amended to read:

Subd. 2. For the conservation of wetlands, whether or not included in the definition contained in section 105.37, subdivision 15, the commissioner shall have authority to may acquire wetlands in fee pursuant to section 97A.145, or may enter into easement agreements with landowners for the conservation of wetlands and other waters. These easement agreements shall be conservation easements, as defined in section 84C.01, paragraph (1), but, in addition, may be made possessory as well as nonpossessory if agreed upon by the landowner and the commissioner. These agreements easements shall be entered into for a period of ten not less than 20 years, with provision for renewal for additional ten year not less than 20-year periods, or the agreements may provide that the easement will be permanent in duration. Highest priority must be given to the selection of permanent easements. The commissioner may reexamine the payment rates at the beginning of any ten year 20-year renewal period in the light of the then giving consideration to current land and crop values and make needed adjustments in rates for any renewal period.

Wetlands eligible for inclusion in the waterbank program shall have all the following characteristics as determined by the commissioner: (a) type 3, 4, or 5 as defined in United States Fish and Wildlife Service Circular No. 39 (1971 edition); (b) its drainage is lawful, feasible, and practical; and (c) its drainage would provide high quality cropland and that is the projected land use. Waters which have the foregoing characteristics but are less than ten acres in size in unincorporated areas or less than 2½ acres in size in incorporated areas shall also be eligible for inclusion in the waterbank program, at the discretion of the commissioner.

Sec. 21. Minnesota Statutes 1986, section 105.392, subdivision 3, is amended to read:

Subd. 3. In the agreement easement between the commissioner and an owner, the owner shall agree:

(1) to place in the program for the period of the agreement eligible wetland areas the owner designates, which areas may include wetlands covered by a federal or state government easement which

that permits agricultural use, together with such adjacent areas as determined desirable by the commissioner;

(2) not to drain, burn, fill, or otherwise destroy the wetland character of such areas, nor to use such areas for agricultural purposes, as determined by the commissioner;

(3) to effectuate the wetland conservation and development plan for the land in accordance with the terms of the agreement, unless any requirement thereof is waived or modified by the commissioner;

(4) to forfeit all rights to further payments or grants under the agreement and to refund to the state all payments or grants received thereunder upon violating the agreement at any stage during the time the owner has control of the land subject to the agreement if the commissioner determines that the violation is of such a nature as to warrant termination of the agreement, or to make refunds or accept such payment adjustments as the commissioner may deem appropriate if the commissioner determines that the violation by the owner does not warrant termination of the agreement;

(5) upon transfer of right and interest in the land subject to the agreement during the agreement period, to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder during the year of the transfer unless the transferee of any such land agrees with the commissioner to assume all obligations of the agreement;

(6) not to adopt any practice specified by the commissioner in the agreement easement as a practice which would tend to defeat the purposes of the agreement easement; and

(7) (6) to additional provisions which the commissioner determines are desirable and includes in the agreement easement to effectuate the purposes of the program or to facilitate its administration.

Sec. 22. Minnesota Statutes 1986, section 105.392, subdivision 4, is amended to read:

Subd. 4. In return for the agreement easement of the owner, the commissioner shall (1) make an annual payment to the owner for the period of the agreement at the rate as the commissioner determines to be fair and reasonable in consideration of the obligations undertaken by the owner; and (2) must provide advice on conservation and development practices on the wetlands and adjacent areas for the purposes of this section as the commissioner determines to be appropriate. In making the determination, the commissioner shall consider, among other things, the rate of compensation necessary to encourage owners of wetlands to participate in the waterbank program. The commissioner must make the following payments to

the landowner for the easement: (1) for a permanent easement, 50 percent of the average equalized estimated market value of cropland in the township as established by the commissioner of revenue for the time period when the application is made; (2) for an easement of limited duration, a lump sum payment equal to the present value of the annual payments for the term of the easement based on 50 percent of the mean adjusted cash rental for cropland in the county as established by the commissioner of revenue for the time period when the application is made.

Sec. 23. Minnesota Statutes 1986, section 105.392, subdivision 5, is amended to read:

Subd. 5. Any agreement A limited-term easement may be converted to a permanent easement or renewed or extended at the end of the agreement easement period for an additional period of ten 20 years by mutual agreement of the commissioner and the owner, subject to any rate redetermination by the commissioner. If during the agreement easement period the owner sells or otherwise disposes of the ownership or right of occupancy of the land, the new owner may must continue such agreement the easement under the same terms or conditions, or enter into a new agreement in accordance with the provisions of this section, including the provisions for renewal and adjustment of payment rates, or may choose not to participate in the program, except any water designated as wetlands shall not be drained.

Sec. 24. Minnesota Statutes 1986, section 105.392, subdivision 6, is amended to read:

Subd. 6. Subd. 3. [REPORTS; RULES.] The commissioner shall have power to require periodic factual reports from all licensed importers, manufacturers, wholesalers and retailers of intoxicating liquors and to make all reasonable rules to effect the object of Laws 1985, chapter 305, articles 2 to 11. The rules shall include provisions for assuring the purity of intoxicating liquors and the true statement of its contents and proper labeling thereof with regard to all forms of sale. No rule may require the use of new containers in aging

whiskey. No rule may require cordials or liqueurs to contain in excess of 2½ percent by weight of sugar or dextrose or both.

Sec. 2. Minnesota Statutes 1986, section 340A.101, subdivision 10, is amended to read:

Subd. 10. [EXCLUSIVE LIQUOR STORE.] "Exclusive liquor store" is an establishment used exclusively for the sale of intoxicating liquor except for the incidental sale of ice, tobacco, nonintoxicating malt liquor, beverages for mixing with intoxicating liquor, and soft drinks ~~may also be sold~~, cork extraction devices, and books and videos on the use of alcoholic beverages in the preparation of food, and the establishment may offer recorded or live entertainment and make available coin-operated amusement devices. "Exclusive liquor store" also includes an on-sale or combination on-sale and off-sale intoxicating liquor establishment which sells food for on-premise consumption when authorized by the municipality issuing the license.

No license may be issued under this paragraph unless the town board adopts a resolution supporting the issuance of the license.

(d) No license may be issued under this subdivision unless a public hearing is held on the issuance of the license. Notice must be given to all interested parties and to any city located within three miles of the premises proposed to be licensed. At the hearing the county board shall consider testimony and exhibits presented by interested parties and may base its decision to issue or deny a license upon the nature of the business to be conducted and its impact upon any municipality, the character and reputation of the applicant, and the propriety of the location. Any hearing held under this paragraph is not subject to chapter 14.

(e) A county board may not issue a license under this subdivision to a person for an establishment located less than three miles by the most direct route from the boundary of any statutory or home rule city except cities of the first class or within Pine, Carver, or Kanabec counties within three miles of a statutory or home rule city with a municipal liquor store.

(f) The town board may impose an additional license fee in an amount not to exceed 20 percent of the county license fee.

Subd. 9. [COIN-OPERATED DEVICES.] Coin-operated amusement devices may not be made available in establishments licensed solely for the off-sale of intoxicating liquor or municipal stores which sell only at off-sale. An establishment holding a combination on-sale and off-sale license or a municipal liquor store which sells at on-sale and off-sale which makes coin-operated devices available shall keep such devices to the greatest extent practicable in that area of the establishment where on-sales are made.

Sec. 5. [SUNDAY LICENSES; DOUGLAS COUNTY.]

Notwithstanding any law to the contrary, any license for the on-sale of intoxicating liquor on Sundays issued by Douglas county to an establishment located in a town in which an election under Minnesota Statutes, section 340A.504, subdivision 3, clauses (d) and (e), has not been held may continue in effect and be renewed until the date of the next town meeting, and may continue in effect and be renewed after that date if the issuance of Sunday intoxicating liquor on-sale licenses is approved by the voters of the town at that town meeting.

Sec. 6. [REPEALER.]

Minnesota Statutes 1986, sections 34.119, 34.12, 34.13, and 34.14 are repealed.

**246.51 [PAYMENT FOR CARE AND TREATMENT; DETERMINATION.]**

Subdivision 1. [PROCEDURES.] The commissioner shall make investigation as necessary to determine, and as circumstances require redetermine, what part of the cost of care, if any, the patient is able to pay. If the patient is unable to pay the full cost of care the commissioner shall make a determination as to the ability of the relatives to pay. The patient or relatives or both shall provide the commissioner documents and proofs necessary to determine their ability to pay. Failure to provide the commissioner with sufficient information to determine ability to pay may make the patient or relatives, both, liable for the full cost of care until the time when sufficient information is provided. No parent shall be liable for the cost of care given a patient at a regional treatment center after the patient has reached the age of 18 years. The commissioner's determination shall be conclusive in any action to enforce payment of the cost of care unless appealed from as provided in section 246.55. All money received, except for chemical dependency receipts, shall be paid to the state treasurer and placed in the general fund of the state and a separate account kept of it. Except for services provided under chapter 254B, responsibility under this section shall not apply to those relatives having gross earnings of less than \$11,000 per year.

Subd. 2. [RULES.] The commissioner shall adopt, pursuant to the administrative procedure act, rules establishing uniform standards for determination of patient liability and relative, guardian or conservator responsibility for care provided at state hospitals. The standards may differ for mental illness, chemical dependency, or

mental retardation. The standards established in rules adopted under chapter 254B shall determine the amount of patient and relative responsibility when a portion of the patient's cost of care has been paid under chapter 254B. These rules shall have the force and effect of law.

Sec. 2. Minnesota Statutes 1986, section 246.511, is amended to read:

246.511 [RELATIVE RESPONSIBILITY.]

In no case, shall Except for chemical dependency services paid for with funds provided under chapter 254B, a patient's or resident's relatives shall not, pursuant to the commissioner's authority under section 246.51, be ordered to pay more than ten percent of the cost of care, unless they reside outside the state. Parents of children in state hospitals shall have their responsibility to pay determined according to section 252.27, subdivision 2, or in rules adopted under chapter 254B if the cost of care is paid under chapter 254B. The commissioner may accept voluntary payments in excess of ten percent. The commissioner may require full payment of the full per capita cost of care in state hospitals for patients or residents whose parent, parents, spouse, guardian or conservator do not reside in Minnesota.

Sec. 3. Minnesota Statutes 1986, section 254B.01, subdivision 5, is amended to read:

Subd. 5. [LOCAL AGENCY.] "Local agency" means the agency designated by a board of county commissioners, a county welfare board, or a human services board to make placements and submit state invoices according to Laws 1986, chapter 394, sections 8 to 20.

Sec. 4. Minnesota Statutes 1986, section 254B.02, subdivision 1, is amended to read:

Subdivision 1. [CHEMICAL DEPENDENCY TREATMENT ALLOCATION.] The chemical dependency funds appropriated for allocation shall be placed in a special revenue account. For the fiscal year beginning July 1, 1987, funds shall be transferred to operate the vendor payment, invoice processing, and collections system for one year. The commissioner shall annually transfer funds from the chemical dependency fund to pay for operation of the drug and alcohol abuse normative evaluation system and to pay for all costs incurred by adding two positions for licensing of chemical dependency treatment and rehabilitation programs located in hospitals for which funds are not otherwise appropriated. The commissioner shall annually divide the money available in the chemical dependency fund that is not held in reserve by counties from a previous allocation. Twelve percent of the remaining money must be reserved for treatment of American Indians by eligible vendors under section 254B.05. The remainder of the money must be allocated among the

counties according to the following formula, using state demographer data and other data sources determined by the commissioner:

(a) The county non-Indian and over age 14 per capita-months of eligibility for aid to families with dependent children, general assistance, and medical assistance is divided by the total state non-Indian and over age 14 per capita-months of eligibility to determine the caseload factor for each county.

(b) The average median family income for the previous three years for the state is divided by the average median family income for the previous three years for each county to determine the income factor.

(c) The non-Indian and over age 14 population of the county is multiplied by the sum of the income factor and the caseload factor to determine the adjusted population.

(d) \$15,000 shall be allocated to each county.

(e) The remaining funds shall be allocated proportional to the county adjusted population.

Sec. 5. Minnesota Statutes 1986, section 254B.02, subdivision 2, is amended to read:

Subd. 2. [COUNTY ADJUSTMENT; MAXIMUM ALLOCATION.] The commissioner shall determine the state money used by each county in fiscal year 1986, using all state data sources. If available records do not provide specific chemical dependency expenditures for every county, the commissioner shall determine the amount of state money using estimates based on available data. In state fiscal year 1988, a county must not be allocated more than 150 percent of the state money spent by or on behalf of the county in fiscal year 1986 for chemical dependency treatment services eligible for payment under section 254B.05, but not including expenditures made for persons eligible for placement under section 254B.09, subdivision 6. The allocation maximums must be increased by 25 percent each year. After fiscal year 1992, there must be no allocation maximum. The commissioner shall reallocate the excess over the maximum to counties allocated less than the fiscal year 1986 state money, using the following process:

(a) The allocation is divided by ~~1985~~ 1986 state expenditures to determine percentage of prior expenditure, and counties are ranked by percentage of prior expenditure less expenditures for persons eligible for placement under section 254B.09, subdivision 6.

(b) The allocation of the lowest ranked county is raised to the same percentage of prior expenditure as the second lowest ranked county.

The allocation of these two counties is then raised to the percentage of prior expenditures of the third lowest ranked county.

(c) The operations under paragraph (b) are repeated with each county by ranking until the money in excess of the allocation maximum has been allocated.

Sec. 6. Minnesota Statutes 1986, section 254B.02, subdivision 3, is amended to read:

Subd. 3. [RESERVE ACCOUNT.] The commissioner shall allocate money from the reserve account to counties that, during the current fiscal year, have met or exceeded the base level of expenditures for eligible chemical dependency services from local money. The commissioner shall establish the base level for fiscal year 1988 as the amount of local money used for eligible services in calendar year 1986. In later years, the base level must be increased in the same proportion as state appropriations to implement Laws 1986, chapter 394, sections 8 to 20, are increased. The base level must not be decreased if appropriations are the fund balance from which allocations are made under section 254B.02, subdivision 1, is decreased in later years. The local match rate for the reserve account is the same rate as applied to the initial allocation. Reserve account payments must not be included when calculating the county adjustments made according to subdivision 2.

Sec. 7. Minnesota Statutes 1986, section 254B.02, subdivision 5, is amended to read:

Subd. 5. [ADMINISTRATIVE ADJUSTMENT.] The commissioner may make payments to local agencies from money allocated under this section to support administrative activities under sections 254B.03 and 254B.04. The administrative payment must not exceed five percent of the first \$50,000, four percent of the next \$50,000, and three percent of the remaining county allocation and must not be paid if the level of expenditures indicates that the allocation for the year will be exhausted by payments for services from the allocation. Twenty-five percent of the administrative allowance shall be advanced at the beginning of each year and remaining payments must be made under this section at the end of each quarter from any unspent allocation for that year quarter, based on the payments for services made in the most recent quarter for which data is available. Adjustment of any overestimate or underestimate based on actual expenditures shall be made by the state agency by adjusting the administrative allowance for any succeeding quarter.

Sec. 8. Minnesota Statutes 1986, section 254B.03, subdivision 1, is amended to read:

Subdivision 1. [LOCAL AGENCY DUTIES.] (a) Every local agency shall provide chemical dependency services to persons residing

within its jurisdiction who meet criteria established by the commissioner for placement in a chemical dependency residential or non-residential treatment service. Chemical dependency money must be administered by the local agencies according to law and rules adopted by the commissioner under sections 14.01 to 14.69.

(b) In order to contain costs, the county board shall, with the approval of the commissioner of human services, select eligible vendors of chemical dependency services who can provide economical and appropriate treatment. Unless the local agency is a social services department directly administered by a county or human services board, the local agency shall not be an eligible vendor under section 254B.05. The commissioner may approve proposals from county boards to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. If a county implements a demonstration or experimental medical services funding plan, the commissioner shall transfer the money as appropriate. If a county selects a vendor located in another state, the county shall ensure that the vendor is in compliance with the rules governing licensure of programs located in the state.

Sec. 9. Minnesota Statutes 1986, section 254B.03, subdivision 2, is amended to read:

Subd. 2. [CHEMICAL DEPENDENCY SERVICES.] (a) Payment from the chemical dependency fund is limited to payments for services other than detoxification that, if located outside of federally recognized tribal lands, would be required to be licensed by the commissioner as a ~~residential or nonresidential~~ chemical dependency treatment or rehabilitation program under sections 245.781 to 245.812, and services other than detoxification provided in another state that would be required to be licensed as a chemical dependency program if the program were in the state. Out of state vendors must also provide the commissioner with assurances that the program complies substantially with state licensing requirements and possesses all licenses and certifications required by the host state to provide chemical dependency treatment. Hospitals may apply for and receive licenses to be eligible vendors, notwithstanding the provisions of section 245.791. Except for chemical dependency transitional rehabilitation programs, vendors receiving payments from the chemical dependency fund must not require copayment from a recipient of benefits for services provided under this subdivision.

(b) A county may, from its own resources, provide chemical dependency services for which state payments are not made. A county may elect to use the same invoice procedures and obtain the same state payment services as are used for chemical dependency services for which state payments are made under this section if county payments are made to the state in advance of state payments

to vendors. When a county uses the state system for payment, the commissioner shall make monthly billings to the county using the most recent available information to determine the anticipated services for which payments will be made in the coming month. Adjustment of any overestimate or underestimate based on actual expenditures shall be made by the state agency by adjusting the estimate for any succeeding month.

(c) The commissioner shall coordinate chemical dependency services and determine whether there is a need for any proposed expansion of chemical dependency treatment services. The commissioner shall deny vendor certification to any provider that has not received prior approval from the commissioner for the creation of new programs or the expansion of existing program capacity. The commissioner shall consider the provider's capacity to obtain clients from outside the state based on plans, agreements, and previous utilization history, when determining the need for new treatment services.

Sec. 10. Minnesota Statutes 1986, section 254B.03, subdivision 3, is amended to read:

Subd. 3. [LOCAL AGENCIES TO PAY STATE FOR COUNTY SHARE.] Local agencies shall submit invoices to the state on forms supplied by the commissioner and according to procedures established by the commissioner. Local agencies shall pay the state for the county share of the invoiced services. Payments shall be made at the beginning of each month for services provided in the previous month. The commissioner shall bill the county monthly for services, based on the most recent month for which expenditure information is available. Adjustment of any overestimate or underestimate based on actual expenditures shall be made by the state agency by adjusting the estimate for any succeeding month.

Sec. 11. Minnesota Statutes 1986, section 254B.03, subdivision 4, is amended to read:

Subd. 4. [DIVISION OF COSTS.] The county shall, out of local money, reimburse pay the state for 15 percent of the cost of chemical dependency services costs paid by the state under this section. Counties may use the indigent hospitalization levy for treatment and hospital payments made under this section. Fifteen percent of any state collections from private or third-party pay, less 15 percent of the cost of payment and collections, must be distributed to the county that paid for a portion of the treatment under this section. If all funds allocated according to section 254B.02 are exhausted by a county and the county has met or exceeded the base level of expenditures under section 254B.02, subdivision 3, the county shall reimburse pay the state for 15 percent of the costs paid by the state under this section. The commissioner may refuse to pay state funds for services to persons not eligible under section 254B.04, subdivi-

sion 1, if the commissioner determines that funds will otherwise not be available for persons who are entitled to chemical dependency fund services the county financially responsible for the persons has exhausted its allocation.

Sec. 12. Minnesota Statutes 1986, section 254B.03, subdivision 5, is amended to read:

Subd. 5. [RULES; APPEAL.] The commissioner shall adopt rules as necessary to implement Laws 1986, chapter 394, sections 8 to 20. The commissioner shall ensure that the rules are effective on July 1, 1987. The commissioner shall establish an appeals process for use by vendors or recipients when services certified by the county are disputed. The commissioner shall adopt rules and standards for the appeal process to assure adequate redress for persons referred to inappropriate services.

Sec. 13. Minnesota Statutes 1986, section 254B.04, is amended to read:

254B.04 [ELIGIBILITY FOR CHEMICAL DEPENDENCY FUND SERVICES.]

Subdivision 1. [ELIGIBILITY.] Persons eligible for benefits under sections 256D.01 to 256D.21, or for federal benefits under Code of Federal Regulations, title 25, part 20, and persons eligible for federal health care benefits under section 256B.06 are entitled to chemical dependency fund services.

Subd. 2. [AMOUNT OF CONTRIBUTION.] The commissioner shall adopt a sliding fee scale to determine the amount of contribution to be required from persons whose income and nonexempt property are is greater than the standard of assistance under sections 256B.06 and 256D.01 to 256D.21. The commissioner may adopt an existing fee scale from another assistance program or from the state facilities by publication in the State Register. The commissioner shall establish a separate fee scale for recipients of chemical dependency transitional rehabilitation services that provides for the collection of fees for board and lodging expenses. The fee schedule shall ensure that employed persons are allowed the income disregards and savings accounts that are allowed residents of community mental illness facilities under section 256D.06, subdivisions 1 and 1b. The fee scale must not provide assistance to persons whose income is more than 115 percent of the state median income. Payments of liabilities under this section are medical expenses for purposes of determining spend-down under sections 256B.06 and 256D.01 to 256D.21.

Sec. 14. Minnesota Statutes 1986, section 254B.05, is amended to read:

## 254B.05 [VENDOR ELIGIBILITY.]

**Subdivision 1. [LICENSURE REQUIRED.]** Programs licensed by the commissioner are eligible vendors. Hospitals may apply for and receive licenses to be eligible vendors, notwithstanding the provisions of section 245.791. American Indian programs that, if located outside of federally recognized tribal lands, would be required to be licensed to provide chemical dependency primary treatment, extended care, transitional residence, or outpatient treatment services, are eligible vendors. Detoxification programs are not eligible vendors. Programs that, if located outside of federally recognized tribal lands, would not be licensed as a chemical dependency residential or nonresidential treatment program under sections 245.781 to 245.812 are not eligible vendors. To be eligible for payment under the Consolidated Chemical Dependency Treatment Fund, a vendor must participate in the Drug and Alcohol Abuse Normative Evaluation System or a comparable system approved by the commissioner.

**Subd. 2. [REGULATORY METHODS.]** (a) Where appropriate and feasible, the commissioner shall identify and implement alternative methods of regulation and enforcement to the extent authorized in this subdivision. These methods shall include:

(1) expansion of the types and categories of licenses that may be granted;

(2) when the standards of an independent accreditation body have been shown to predict compliance with the rules, the commissioner shall consider compliance with the accreditation standards to be equivalent to partial compliance with the rules; and

(3) use of an abbreviated inspection that employs key standards that have been shown to predict full compliance with the rules.

If the commissioner determines that the methods in clause (2) or (3) can be used in licensing a program, the commissioner may reduce any fee set under section 10 by up to 50 percent.

(b) The commissioner shall work with the commissioners of health, public safety, administration, and education in consolidating duplicative licensing and certification rules and standards if the commissioner determines that consolidation is administratively feasible, would significantly reduce the cost of licensing, and would not reduce the protection given to persons receiving services in licensed programs. Where administratively feasible and appropriate, the commissioner shall work with the commissioners of health, public safety, administration, and education in conducting joint agency inspections of programs.

(c) The commissioner shall work with the commissioners of health, public safety, administration, and education in establishing a single point of application for applicants who are required to obtain concurrent licensure from more than one of the commissioners listed in this clause.

Subd. 3. [FEE REDUCTIONS.] If the commissioner determines that the methods in subdivision 2, clause (2) or (3), can be used in licensing a program, the commissioner shall reduce licensure fees by up to 50 percent. The commissioner may adopt rules to provide for the reduction of fees when a license holder substantially exceeds the basic standards for licensure.

Sec. 15. Minnesota Statutes 1986, section 254B.06, subdivision 1, is amended to read:

Subdivision 1. [STATE COLLECTIONS.] The commissioner is responsible for all collections from persons determined to be partially responsible for the cost of care of an eligible person receiving services under Laws 1986, chapter 394, sections 8 to 20. The commissioner may collect all third-party payments for chemical dependency services provided under Laws 1986, chapter 394, sections 8 to 20, including private insurance and federal medicaid and medicare financial participation. The commissioner shall deposit in ~~the general fund~~ a dedicated account a percentage of collections to pay for the cost of operating the chemical dependency consolidated treatment fund invoice processing and vendor payment system, billing, and collections. The remaining receipts must be deposited in the chemical dependency fund.

Sec. 16. Minnesota Statutes 1986, section 254B.08, is amended to read:

#### 254B.08 [FEDERAL WAIVERS.]

The commissioner shall apply for any federal waivers necessary to secure, to the extent allowed by law, federal financial participation for the provision of services to persons who need chemical dependency services. The commissioner may seek amendments to the waivers or apply for additional waivers to contain costs. The commissioner shall ensure that payment for the cost of providing chemical dependency services under the federal waiver plan does not exceed the cost of chemical dependency services that would have been provided without the waived services.

Notwithstanding sections 254B.04 and 256B.02, subdivision 8, clause (18), and rules adopted under section 254B.03, subdivision 5, persons eligible under section 256B.06 for medical assistance benefits shall not be eligible for services reimbursed through the consolidated chemical dependency fund, except for transitional rehabilitation, extended care programs, and culturally specific pro-

Subd. 5. [TRIBAL RESERVE ACCOUNT.] The commissioner shall reserve 7.5 percent of the American Indian chemical dependency account. The reserve must be allocated to those tribal units that have used all money allocated under subdivision 4 according to agreements made under subdivision 2. An American Indian tribal governing body may receive not more than 30 percent of the reserve account in a year. Reserve payments shall be made only for persons entitled to services under section 254B.04, subdivision 1. Money must be allocated as invoices are received.

Sec. 19. Minnesota Statutes 1986, section 254B.09, subdivision 7, is amended to read:

Subd. 7. [NONRESERVATION INDIAN ACCOUNT.] Fifty percent of the American Indian chemical dependency allocation must be held in reserve by the commissioner in an account for treatment of Indians not residing on lands of a reservation receiving money under subdivision 4. This money must be used to pay for services certified by county invoice to have been provided to an American Indian eligible recipient. Money allocated under this subdivision may be used for payments on behalf of American Indian county residents only if, in addition to other placement standards, the county certifies that the placement was appropriate to the cultural orientation of the client. Any funds for treatment of nonreservation Indians remaining at the end of a fiscal year shall be reallocated under section 254B.02."

Members who are full-time state employees or full-time employees of the political subdivisions of the state shall not receive the \$35 per day, but they shall suffer no loss in compensation or benefits from the state or a political subdivision as a result of their service on the board. Members who are full-time state employees or full-time employees of the political subdivisions of the state may receive the expenses provided for in this subdivision unless the expenses are reimbursed by another source. May 16, 1987

The Honorable Fred C. Norton  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 234, report that we have agreed upon the items in dispute and recommend as follows:

That the House concur in the Senate amendment and that H. F. No. 234 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [181.93] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 1 to 5, the following terms have the meanings given to them in this section.

Subd. 2. [EMPLOYEE.] “Employee” means a person who performs services for hire for an employer, for an average of 20 or more hours per week, and includes all individuals employed at any site owned or operated by an employer. Employee does not include an independent contractor.

Subd. 3. [EMPLOYER.] “Employer” means a person or entity that employs 21 or more employees at least one site and includes an individual, corporation, partnership, association, nonprofit organization, group of persons, state, county, town, city, school district, or other governmental subdivision.

Sec. 2. [181.94] [PARENTING LEAVE.]

Subdivision 1. [SIX-WEEK LEAVE; BIRTH OR ADOPTION.] An employer must grant an unpaid leave of absence to an employee who has been employed by the employer for at least 12 months and who is a natural or adoptive parent in conjunction with the birth or adoption of a child. The length of the leave shall be determined by the employee, but may not exceed six weeks, unless agreed to by the employer.

Subd. 2. [START OF LEAVE.] The leave shall begin at a time requested by the employee. The employer may adopt reasonable policies governing the timing of requests for unpaid leave. The leave may begin not more than six weeks after the birth or adoption.

Subd. 3. [NO EMPLOYER RETRIBUTION.] An employer shall not retaliate against an employee for requesting or obtaining a leave of absence as provided by this section.

Subd. 4. [CONTINUED INSURANCE.] The employer shall continue to make coverage available to the employee, while on leave of absence, under any group insurance policy, group subscriber contract, or health care plan for the employee and any dependents. Nothing in this section requires the employer to pay the costs of the insurance or health care while the employee is on leave of absence.

Sec. 3. [181.95] [REINSTATEMENT AFTER LEAVE.]

Subdivision 1. [COMPARABLE POSITION.] An employee returning from a leave of absence shall be entitled to return to employment in the employee's former position or in a position of comparable duties, number of hours, and pay. An employee returning from a leave of absence longer than one month must notify a supervisor at least two weeks prior to return from leave.

If, during the leave, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system, including a system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.

Subd. 2. [PAY; BENEFITS; ON RETURN.] An employee returning from a leave of absence shall return to work at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during leave period. The employee returning from a leave shall retain all accrued preleave benefits of employment and seniority, as if there had been no interruption in service; provided that nothing in sections 1 to 4 prevents the accrual of benefits or seniority during the leave pursuant to a collective bargaining or other agreement between the employer and employees.

Subd. 3. [PART-TIME RETURN.] An employee, by agreement with the employer, may return to work part time during the leave period without forfeiting the right to return to employment at the end of the leave period, as provided in sections 1 to 4.

#### Sec. 4. [181.97] [RELATIONSHIP TO OTHER LEAVE.]

The length of leave provided by this act may be reduced by any period of paid parental or disability leave provided by the employer, so that the total leave does not exceed six weeks, unless agreed to by the employer.

Nothing in sections 1 to 4 prevents any employer from providing parental leave benefits in addition to those provided in sections 1 to 4 or otherwise affects an employee's rights with respect to any other employment benefit.

#### Sec. 5. [181.98] [INDIVIDUAL REMEDIES.]

In addition to any remedies otherwise provided by law, any person injured by a violation of sections 1 to 4 may bring a civil action to recover any and all damages recoverable at law, together with costs and disbursements, including reasonable attorney's fees, and may

receive injunctive and other equitable relief as determined by a court."

Delete the title and insert:

#### Sec. 44. [18B.02] [PREEMPTION OF OTHER LAW.]

Except as specifically provided in this chapter, the provisions of this chapter preempt ordinances by local governments that prohibit or regulate any matter relating to the registration, labeling, distribution, sale, handling, use, application, or disposal of pesticides. It is not the intent of this section to preempt local responsibilities for zoning, fire codes, or hazardous waste disposal.

#### Sec. 45. [18B.03] [POWERS AND DUTIES OF COMMISSIONER.]

Subdivision 1. [ADMINISTRATION BY COMMISSIONER.] The commissioner shall administer, implement, and enforce this chapter and the department of agriculture is the lead state agency for the regulation of pesticides.

Rules adopted under this chapter are part of this chapter and a violation of the rules is a violation of a provision of this chapter.

Subd. 2. [CONFORMITY WITH FIFRA.] Rules adopted under this chapter:

(1) may not allow pesticide use that is prohibited by FIFRA; or

(2) relating to private applicators of restricted use pesticides and special local needs registrations, may not be inconsistent with the requirements of FIFRA.

Subd. 3. [PESTICIDE USE, HANDLING, AND DISPOSAL.] The commissioner shall adopt rules, including emergency rules, to govern the distribution, use, storage, handling, and disposal of pesticides, rinsates, and pesticide containers.

Sec. 49. [18B.07] [PESTICIDE USE, APPLICATION, AND EQUIPMENT CLEANING.]

Subdivision 1. [PESTICIDE USE.] Pesticides must be applied in accordance with the product label or labeling and in a manner that will not cause unreasonable adverse effects on the environment within limits prescribed by this chapter and FIFRA.

Subd. 2. [PROHIBITED PESTICIDE USE.] (a) A person may not use, store, handle, or dispose of a pesticide, rinsate, pesticide container, or pesticide application equipment in a manner:

(1) inconsistent with labeling;

(2) that endangers humans, damages agricultural products, food, livestock, fish, wildlife, or beneficial insects; or

(3) that will cause unreasonable adverse effects on the environment.

(b) A person may not direct a pesticide on property beyond the boundaries of the target site. A person may not apply a pesticide resulting in damage to adjacent property.

(c) A person may not directly apply a pesticide on a human by overspray or target site spray.

(d) A person may not apply a pesticide in a manner so as to expose a worker in an immediately adjacent, open field.

Subd. 3. [POSTING.] (a) If the pesticide labels prescribe specific hourly or daily intervals for human reentry following application, the person applying the pesticide must post fields, buildings, or areas where the pesticide has been applied. The posting must be done with placards in accordance with label requirements and rules adopted under this section.

(b) Fields being treated with pesticides through irrigation systems must be posted throughout the period of pesticide treatment.

Subd. 4. [PESTICIDE SAFEGUARDS AT APPLICATION SITES.] A person may not allow a pesticide, rinsate, or unrinsed pesticide container to be stored, kept, or to remain in or on any site without safeguards adequate to prevent the escape or movement of the pesticides from the site.

Subd. 5. [USE OF PUBLIC WATER SUPPLIES FOR FILLING EQUIPMENT.] A person may not fill pesticide application equipment directly from a public water supply, as defined in section 144.382, unless the outlet from the public water supply is equipped with a backflow prevention device that complies with the Minnesota Plumbing Code under Minnesota Rules, parts 4715.2000 to 4715.2280.

Subd. 6. [USE OF PUBLIC WATERS FOR FILLING EQUIPMENT.] (a) A person may not fill pesticide application equipment directly from public waters of the state, as defined in section 105.37, subdivision 14, unless the equipment contains proper and functioning anti-backsiphoning mechanisms. (b) This subdivision does not apply to permitted applications of aquatic pesticides to public waters.

Subd. 7. [CLEANING EQUIPMENT IN OR NEAR SURFACE WATER.] (a) A person may not:

(1) clean pesticide application equipment in surface waters of the state; or

(b) This subdivision does not apply to permitted application of aquatic pesticides to public waters.

Subd. 8. [PESTICIDE, RINSATE, AND CONTAINER DISPOSAL.] A person may only dispose of pesticide, rinsate, and pesticide containers in accordance with this chapter and FIFRA. The manner of disposal must not cause unreasonable adverse effects on the environment.

Subdivision 1. [PERMIT REQUIRED.] (a) A person may not apply pesticides through an irrigation system without a chemigation permit from the commissioner. Only one chemigation permit is required for two or more wells that are protected from contamination by the same devices. The commissioner may allow irrigation to be used to apply pesticides on crops and land, including agricultural, nursery, turf, golf course, and greenhouse sites.

(b) A person must apply for a chemigation permit on forms prescribed by the commissioner.

Subd. 2. [PESTICIDE.] A pesticide used under a chemigation permit must be suitable and labeled for application through an irrigation system.

Subd. 3. [EQUIPMENT.] A chemigation system must be fitted with effective antisiphon devices or check valves that prevent the backflow of pesticides or pesticide-water mixtures into water supplies or other materials during times of irrigation system failure or equipment shutdown. The devices or valves must be installed between:

(1) the irrigation system pump discharge and the point of pesticide injection; and

(2) the point of pesticide injection and the pesticide supply.

Subd. 4. [APPLICATION FEE.] A person initially applying for a chemigation permit must pay a nonrefundable application fee of \$50 for each well that is to be used in applying the pesticides by irrigation.

Subd. 5. [RULES.] The commissioner shall, by rule, develop specific requirements for implementation of a program to regulate application of pesticides by irrigation.

Subd. 2. [AUTHORITY.] Statutory and home rule charter cities may enact an ordinance containing the pesticide application warning information contained in subdivision 3, including their own licensing, penalty, and enforcement provisions. Statutory and home rule charter cities may not enact an ordinance that contains more restrictive pesticide application warning information than is contained in subdivision 3.

**Subd. 3. [WARNING SIGNS FOR PESTICIDE APPLICATION.]**

(a) All commercial or noncommercial applicators who apply pesticides to turf areas must post or affix warning signs on the property where the pesticides are applied.

(b) Warning signs must project at least 18 inches above the top of the grass line. The warning signs must be of a material that is rain-resistant for at least a 48-hour period and must remain in place up to 48 hours from the time of initial application.

(c) The following information must be printed on the warning sign in contrasting colors and capitalized letters measuring at least one-half inch, or in another format approved by the commissioner. The sign must provide the following information:

(1) the name of the business organization, entity, or person applying the pesticide; and

(2) the following language: "This area chemically treated. Keep children and pets off until ...(date of safe entry)..." or a universally accepted symbol and text approved by the commissioner that is recognized as having the same meaning or intent as specified in this paragraph. The warning sign may include the name of the pesticide used.

(d) The warning sign must be posted on a lawn or yard between two feet and five feet from the sidewalk or street. For parks, golf courses, athletic fields, playgrounds, or other similar recreational property, the warning signs must be posted immediately adjacent to areas within the property where pesticides have been applied and at or near the entrances to the property.

**Sec. 52. [18B.10] [ACTION TO PREVENT GROUND WATER CONTAMINATION.]**

The commissioner may, by rule, special order, or delegation through written regulatory agreement with officials of other approved agencies, take action necessary to prevent the contamination of ground water resulting from leaching of pesticides through the soil, from the backsiphoning or back-flowing of pesticides through water wells, or from the direct flowage of pesticides to ground water.

**Sec. 53. [18B.11] [SALE AND USE OF TCDD.]**

Subdivision 1. [DISPLAY AND STORAGE.] (a) A person may store or display pesticides and their containers only in the original container and separated from food, feed, seed, livestock remedies, drugs, plants, and other products or materials stored, displayed, or offered for sale in a manner that prevents contamination which would cause injury or damage to the other products or materials.

(b) A person may not allow open pesticide containers to be displayed for sale under any circumstances.

Subd. 2. [BULK PESTICIDE STORAGE.] (a) A person storing pesticides in containers of a rated capacity of 500 gallons or more must obtain a pesticide storage permit from the commissioner.

(b) Applications must be on forms provided by the commissioner containing information established by rule. The initial application for a permit must be accompanied by a nonrefundable application fee of \$100 for each location where the pesticides are stored.

(c) The commissioner shall by rule develop and implement a program to regulate bulk pesticides. The rules must include installation of secondary containment devices, storage site security, safeguards, notification of storage site locations, criteria for permit

approval, a schedule for compliance, and other appropriate requirements necessary to minimize potential adverse effects on the environment. The rules must conform with existing rules of the pollution control agency.

Sec. 57. [18B.15] [PESTICIDE RELEASE INCIDENTS.]

Subdivision 1. [DUTIES OF RESPONSIBLE PARTY.] (a) A responsible party involved in an incident must immediately report the incident to the department of agriculture and provide information as requested by the commissioner. The responsible party must pay for the costs and immediately take all action necessary to minimize or abate the release and to recover pesticides involved in the incident.

(b) The responsible party must submit a written report of the incident to the commissioner containing the information requested by the commissioner within the time specified by the commissioner.

Subd. 2. [COMMISSIONER'S ACTION.] (a) If in the judgment of the commissioner the responsible party does not take immediate and sufficient action to abate the release of and to recover the pesticide, the commissioner may take action necessary to mitigate or correct the conditions resulting from an incident. The responsible party must reimburse the commissioner for the costs incurred by the commissioner in the enforcement of this subdivision.

(b) The department of agriculture is the lead state agency for responding to and taking action with regard to pesticide incidents.

Sec. 58. [18B.16] [EMPLOYER LIABILITY FOR EMPLOYEES.]

Structural pest control applicators, commercial applicators, non-commercial applicants and pesticides dealers are criminally liable for violations of this chapter by their employees and agents.

Sec. 59. [18B.17] [COOPERATIVE INSPECTION AND ENFORCEMENT AGREEMENTS.]

Subdivision 1. [COOPERATIVE AGREEMENTS.] The commissioner may enter into cooperative agreements with federal and state agencies for training, certification, inspection, and enforcement programs and may make reports to the United States Environmental Protection Agency and other federal agencies as required or requested. The commissioner may adopt and enforce federal standards, regulations, or orders relating to pesticide regulation when determined to be in the best interest of citizens of the state.

Subd. 2. [TRAINING AGREEMENTS.] For purposes of training only, the commissioner may enter into agreements with qualified public or private organizations that wish to offer training programs.

## Sec. 60. [18B.18] [INSPECTION.]

[ACCESS AND ENTRY.] (a) The commissioner, and the commissioner's agents, upon issuance of a notice of inspection, must be granted access at reasonable times to (1) sites where a restricted use pesticide is used; (2) where a person manufactures, formulates, distributes, uses, disposes of, stores, or transports a pesticide in violation of provisions of this chapter; and (3) to all sites affected, or possibly affected, by the use of a pesticide, rinsate, pesticide container, or device in violation of a provision of this chapter.

(b) The commissioner and commissioner's agents may enter sites for:

(1) inspection of equipment for the manufacture, formulation, distribution, disposal, or application of pesticides and the premises on which the equipment is stored;

(2) sampling of sites actually or reportedly exposed to pesticides;

(3) inspection of storage, handling, distribution, use, or disposal areas of pesticides or pesticide containers;

Subd. 2. [INSPECTION FOR SUSPECTED VIOLATION.] If the request for inspection is filed within 60 days after the pesticide was applied or damage has occurred, the commissioner shall investigate to determine if provisions of this chapter have been violated. The commissioner may discontinue the investigation after determining provisions of this chapter have not been violated.

Subd. 3. [INSPECTION FILE DISCLOSURE.] Copies of completed inspection files are available to the person making the inspection request, the applicator, or their agents, upon written request.

Sec. 62. [18B.20] [ENFORCEMENT.]

Subdivision 1. [ENFORCEMENT REQUIRED.] (a) The commissioner shall enforce this chapter.

(b) Upon the request of the commissioner or an agent authorized by the commissioner, county attorneys, sheriffs, and other officers having authority in the enforcement of the general criminal laws shall take action to the extent of their authority necessary or proper for the enforcement of this chapter, or special orders, standards, stipulations, and agreements of the commissioner.

Subd. 2. [CRIMINAL ACTIONS.] For a criminal action, the county attorney where a violation occurred is responsible for prosecuting a violation of a provision of this chapter. If the county attorney refuses to prosecute, the attorney general may prosecute.

If the owner, custodian, or other responsible party is not available for service of the order, the commissioner may attach the order to the pesticide, pesticide container, rinsate, pesticide equipment, or device or facility and notify the owner, custodian, other responsible party, or the registrant. The pesticide, pesticide container, rinsate, pesticide equipment, or device may not be sold, used, or removed until the violation has been corrected and the pesticide, pesticide container, rinsate, pesticide equipment, or device has been released in writing under conditions specified by the commissioner, or until the violation has been otherwise disposed of by a court.

(b) If a violation of a provision of this chapter results in conditions that may have an unreasonable adverse effect on humans, domestic animals, wildlife, or the environment, the commissioner may, by order, require remedial action, including removal and proper disposal.

**Sec. 64. [18B.22] [DAMAGES AGAINST STATE FOR ADMINISTRATIVE ACTION WITHOUT CAUSE.]**

If the commissioner did not have probable cause for an administrative action, including the issuance of a stop-sale, use, or removal order, a court may allow recovery for damages caused by the administrative action.

Subd. 3. [CLEANUP COSTS.] A person who violates a provision of this chapter is liable for and must pay to the state a sum that will compensate the state for the reasonable value of cleanup and other expenses directly resulting from the illegal use, storage, handling, or disposal of pesticides, whether accidental or otherwise.

Subd. 4. [WILDLIFE AND OTHER DAMAGES.] (a) A person who violates a provision of this chapter is liable for and must pay to the state a sum to constitute just compensation for the loss or destruction of wildlife, fish, or other aquatic life, and for actual damages to the state caused by the illegal use, storage, handling, or disposal of pesticides.

(b) The amounts paid as compensation for loss of or destruction to wildlife, fish, or other aquatic life must be deposited into the state treasury and credited to the game and fish fund.

Subd. 5. [DIRECTLY SPRAYING HUMANS.] A person who directly applies pesticides on a human by target site spraying in an open field is subject to a civil penalty up to \$5,000 as determined by the court.

Subd. 6. [DEFENSE TO CIVIL REMEDIES AND DAMAGES.] As a defense to a civil penalty or claim for damages under subdivisions 1 to 4, the defendant may prove that the violation was caused solely by an act of God, an act of war, or an act or failure to act that constitutes sabotage or vandalism, or any combination of these defenses.

Subd. 7. [ACTIONS TO COMPEL PERFORMANCE.] In an action to compel performance of an order of the commissioner to enforce a provision of this chapter, the court may require a defendant adjudged responsible to perform the acts within the person's power that are reasonably necessary to accomplish the purposes of the order.

In determining the amount of these litigation expenses to be allowed, the court shall give consideration to the economic circumstances of the defendant.

Sec. 66. [18B.24] [UNSATISFIED JUDGMENTS.]

(a) An applicant for a commercial, noncommercial, or structural pest control license and a commercial, noncommercial, or structural pest control applicator may not allow a final judgment against the applicant or applicator for damages arising from a violation of a provision of this chapter to remain unsatisfied for a period of more than 30 days.

(b) Failure to satisfy within 30 days a final judgment resulting from these pest control activities will result in automatic suspension of the applicator license.

Sec. 67. [18B.25] [CRIMINAL PENALTIES.]

Subdivision 1. [GENERAL VIOLATION.] Except as provided in subdivisions 2 and 3, a person is guilty of a misdemeanor, if the person violates a provision of this chapter, or a special order, standard, stipulation, agreement, or schedule of compliance of the commissioner.

Subd. 2. [VIOLATION ENDANGERING HUMANS.] A person is guilty of a gross misdemeanor if the person violates a provision of this chapter or a special order, standard, stipulation, agreement, or schedule of compliance of the commissioner, and the violation endangers humans.

Subd. 4. [DISPOSAL THAT BECOMES HAZARDOUS WASTE.] A person who knowingly, or with reason to know, disposes of a pesticide so that the product becomes hazardous waste is subject to the penalties in section 115.071.

Sec. 68. [18B.26] [PESTICIDE REGISTRATION.]

Subdivision 1. [REQUIREMENT.] A person may not use or distribute a pesticide in this state unless it is registered with the commissioner. Pesticide registrations expire on December 31 of each year and may be renewed on or before that date for the following calendar year. Registration is not required if a pesticide is shipped from one plant or warehouse to another plant or warehouse operated by the same person and used solely at the plant or warehouse as an ingredient in the formulation of a pesticide that is registered under this chapter.

Subd. 2. [APPLICATION.] (a) A person must file an application for registration with the commissioner. The application must include:

(1) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the applicant;

(2) the brand name of the pesticide;

(3) other necessary information required by the registration application form;

(4) a true and complete copy of the labeling accompanying the pesticide as provided for in FIFRA; and

(5) current material safety data sheets for each pesticide.

(b) As part of the application, the commissioner may require the submission of any relevant information including the complete formula of a pesticide, including the active and inert ingredients.

Subd. 3. [APPLICATION FEE.] (a) An application for initial registration and renewal must be accompanied by a nonrefundable application fee of \$125 for each pesticide to be registered.

(b) An additional fee of \$100 must be paid by the applicant for each pesticide to be registered if the application is a renewal application that is submitted after December 31.

(c) An additional fee of \$200 must be paid by the applicant for each pesticide distributed or used in the state before initial state registration.

Subd. 4. [EFFECT OF REGISTRATION AFTER RENEWAL APPLICATION.] If a registration is in effect on December 31 and a renewal application has been made and the application fee paid, the registration continues in full force and effect until the commissioner notifies the applicant that the registration is denied or canceled, or the renewed registration expires.

Subd. 5. [APPLICATION REVIEW AND REGISTRATION.] (a) The commissioner may not deny the registration of a pesticide because the commissioner determines the pesticide is not essential.

(b) The commissioner shall review each application and may approve, deny, or cancel the registration of any pesticide. The commissioner may impose state use restrictions on a pesticide as part of the registration to prevent unreasonable adverse effects on the environment.

(c) The commissioner must notify the applicant of the approval, denial, cancellation, or state use restrictions within 30 days after the application and fee are received.

(d) The applicant may request a hearing on any adverse action of the commissioner within 30 days after being notified by the commissioner.

**Sec. 69. [18B.27] [PESTICIDE REGISTRATION FOR SPECIAL LOCAL NEEDS.]**

Subdivision 1. [APPLICATION.] (a) A person must file an application for a special local need application with the commissioner. The application must meet the requirements of section 68, subdivision 2, and the commissioner may require other relevant information.

(b) The commissioner may require a full description of tests and test results upon which claims are based for:

(1) a pesticide use that is not registered under section 68 or FIFRA; or

(2) a pesticide on which restrictions are being considered.

(c) The applicant may request in writing privacy of information submitted as provided in section 80.

Subd. 2. [APPLICATION REVIEW.] (a) After reviewing the application accompanied by the application fee, the commissioner shall, subject to the terms and conditions of the authorization by the administrator of the United States Environmental Protection Agency to register pesticides to meet special local needs, register pesticides if the commissioner determines that:

(1) the pesticide's composition warrants the proposed claims for the pesticide;

(2) the pesticide's label and other material required to be submitted comply with this chapter;

(3) the pesticide will perform its intended function without unreasonable adverse effect on the environment;

(4) the pesticide will not generally cause unreasonable adverse effects on the environment when used in accordance with label directions; and

(5) a special local need for the pesticide exists.

(b) The commissioner may revoke or modify a special local need registration if the commissioner determines that the terms or conditions of the registration do not comply with paragraph (a).

Subd. 3. [APPLICATION FEE.] An application fee for a special local need registration must be accompanied by a nonrefundable fee of \$125.

Sec. 70. [18B.28] [EXPERIMENTAL USE PESTICIDE PRODUCT REGISTRATION.]

Subdivision 1. [REQUIREMENT.] A person may not use or distribute an experimental use pesticide product in the state until it is registered with the commissioner. Experimental use pesticide product registrations expire on December 31 of each year and may be renewed on or before that date.

Subd. 2. [APPLICATION REVIEW AND REGISTRATION.] (a) After reviewing the application accompanied by the application fee, the commissioner may issue an experimental use pesticide product registration if the commissioner determines that the applicant needs the registration to accumulate information necessary to register a pesticide under section 68. The commissioner may prescribe terms, conditions, and a limited period of time for the experimental use product registration. After an experimental use pesticide product registration is issued, the commissioner may revoke or modify the registration at any time if the commissioner

finds that its terms or conditions are being violated or are inadequate to avoid unreasonable adverse effects on the environment.

(b) The commissioner may deny issuance of an experimental use pesticide product registration permit if the commissioner determines that issuance of a registration is not warranted or that the use to be made of the pesticide under the proposed terms and conditions may cause unreasonable adverse effects on the environment.

Subd. 3. [APPLICATION.] A person must file an application for experimental use pesticide product registration with the commissioner. An application to register an experimental use pesticide product must include:

- (1) the name and address of the applicant;
- (2) a federal environmental protection agency approval document;
- (3) the purpose or objectives of the experimental use product;
- (4) an accepted experimental use pesticide product label;
- (5) the name, address, and telephone number of cooperators or participants in this state;
- (6) the amount of material to be shipped or used in this state; and
- (7) other information requested by the commissioner.

Subd. 4. [APPLICATION FEE.] (a) An application for registration of an experimental use pesticide product must be accompanied by a nonrefundable application fee of \$125.

(b) An additional fee of \$200 must be paid by the applicant for each pesticide distributed or used in the state before an initial experimental use pesticide product registration was issued for the pesticide.

#### Sec. 71. [18B.29] [RECIPROCAL LICENSING AND CERTIFICATION AGREEMENTS.]

The commissioner may waive all or part of the examination requirements provided for in sections 71 to 77 on a reciprocal basis with any other jurisdiction which has substantially the same requirements. Licenses or certificates issued under sections 71 to 77 may be suspended or revoked upon suspension or revocation of the license or certificate of another jurisdiction supporting the issuance of a Minnesota license or certificate and in the same manner as other licenses and certificates.

## Sec. 72. [18B.30] [PESTICIDE USE LICENSE REQUIREMENT.]

A person may not use or supervise the use of a restricted use pesticide without a license or certification required under sections 71 to 77 and the use may only be done under conditions prescribed by the commissioner.

## Sec. 73. [18B.31] [PESTICIDE DEALER LICENSE.]

Subdivision 1. [REQUIREMENT.] (a) Except as provided in paragraph (b), a person may not distribute or possess restricted use pesticides or bulk pesticides with an intent to distribute them to an ultimate user without a pesticide dealer license.

(b) The pesticide dealer license requirement does not apply to:

## Sec. 2. [116J.8741] [MAIN STREET PROGRAM.]

The commissioner shall develop and administer a main street program to assist cities in the revitalization of their businesses. The purpose of the program is to strengthen local organization and local management of business districts so that cities become more self-reliant and not dependent on future state financial assistance. The staff dedicated for this program shall assist cities that request assistance in the following manner:

(1) improving the organization of a city's business district including the leadership skills of business owners and city officials;

(2) establishing a marketing strategy to promote a city's business district to residents of the surrounding trade area;

(3) providing technical assistance in the design and rehabilitation of buildings in a city's business district including historic preservation; and

(4) establishing a strategy to strengthen existing businesses, recruit new businesses, diversify the mix of businesses, and develop vacant property in a city's business district.

**Sec. 3. [116J.970] [COMMUNITY DEVELOPMENT CORPORATIONS.]**

**Subdivision 1. [DEFINITIONS.]** For the purposes of this section, the terms in this subdivision have the meanings given them:

(a) "Commissioner" means the commissioner of energy and economic development.

(b) "Economic development region" means an area so designated in the governor's executive order number 60, dated June 12, 1970, as amended.

(c) "Federal poverty level" means the income level established by the United States Community Services Administration in Code of Federal Regulations, title 45, section 1060.2-2.

(d) "Low income" means an annual income below the federal poverty level.

**Subd. 2. [ADMINISTRATION.]** The commissioner shall administer this section and shall enforce the rules related to the community development corporations adopted by the commissioner. The commissioner may amend, suspend, repeal or otherwise modify these rules as provided for in chapter 14.

**Subd. 3. [GRANTS; CORPORATIONS ELIGIBLE.]** (a) The commissioner shall designate a community development corporation as eligible to receive grants under this section if the corporation is a nonprofit corporation incorporated under chapter 317 and meets the other criteria in this subdivision.

(b) The corporation, in its articles of incorporation or bylaws, shall designate a specific geographic community within which it will operate. As least ten percent of the population within the designated community must have low incomes. Within the metropolitan area as

defined in section 473.121, subdivision 2, a designated community must be an identifiable neighborhood or a combination of neighborhoods or home rule charter or statutory cities, townships, unincorporated areas, or combinations of those entities. Outside the metropolitan area, designated communities, so far as possible, may not cross existing economic development boundaries. If a proposed geographic area overlaps the designated community of a community development corporation existing before August 1, 1987, the proposed community development corporation shall obtain the written consent of the existing community development corporation before the proposed corporation may be designated as eligible to receive grants under this section.

(c) The corporation shall limit voting membership to residents of its designated area.

(d) The corporation shall have a board of directors with 15 to 30 members unless the corporation can demonstrate to the satisfaction of the commissioner that a smaller or larger board is more advantageous. At least 40 percent of the directors must have incomes that do not exceed 80 percent of the county median family income or 80 percent of the statewide median family income as determined by the state demographer, whichever is less, and the remaining directors must be members of the business or financial community and the community at large. To the greatest extent possible, and at least 60 percent of, the directors must be residents of the designated community. Directors who meet the income limitations of this paragraph must be elected by the members of the corporation. The remaining directors may be elected by the members or appointed by the directors who meet the income limitations of this paragraph.

(e) The corporation shall hire low-income residents of the designated community to fill nonmanagerial and nonprofessional positions.

(f) The corporation shall demonstrate that it has or will have the technical skills to analyze projects, that it is familiar with other available public and private funding sources and economic development programs, and that it is capable of packaging economic development projects.

Subd. 4. [GRANT APPROVAL FOR PROJECTS.] The commissioner shall approve a grant to a community development corporation only for a project carried on within the designated community, except when the corporation demonstrates that a project carried on outside will have a significant impact inside the designated community.

Subd. 5. [USE OF GRANT.] The commissioner may approve a grant to a community development corporation for planning, including organization of the corporation, training of the directors, cre-

ation of a comprehensive community economic development plan, and development of a proposal for a venture grant, or for establishment of a business venture, including assistance to an existing business venture, purchase of partial or full ownership of a business venture, or development of resources or facilities necessary for the establishment of a business venture.

Subd. 6. [ASSIGNEE.] The commissioner must be named as an assignee of the rights of a state-funded community development corporation on any loan or other evidence of debt provided by a community development corporation to a private enterprise. The assignment of rights must provide that it will be effective upon the dormancy or cessation of existence of the community development corporation. "Dormancy" for the purpose of this section means the continuation of the corporation in name only without any functioning officers or activities. Upon the cessation of the activities of a state-funded community development corporation, any assigned money paid to the commissioner must be deposited in the state treasury and credited to the general fund.

Subd. 7. [FACTORS FOR GRANT APPROVAL.] Factors considered by the commissioner in approving a grant to a community development corporation must include the creation of employment opportunities, the maximization of profit, and the effect on securing money from sources other than the state.

Subd. 8. [PROHIBITION.] Grants under this section are not available for programs conducted by churches or religious organizations or for securing or developing social services.

Subd. 9. [NO EXCLUSION.] A person may not be excluded from participation in a program funded under this section because of race, color, religion, sex, age, or national origin.

Subd. 2. [OTHER PROGRAMS.] The main street program, the Minnesota community improvement program, the governor's design team, and the Minnesota beautiful program are transferred under Minnesota Statutes, section 15.039, from the state planning agency to the department of energy and economic development. The four incumbents of the state planning agency responsible for the administration of these programs are transferred to the department of energy and economic development.

## ARTICLE 6

### URBAN REVITALIZATION PROGRAMS

Section 1. Minnesota Statutes 1986, section 281.17, is amended to read:

281.17 [PERIOD FOR REDEMPTION.]

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota if the land is within an incorporated area unless it is: (a) nonagricultural homesteaded land as defined in section 273.13, subdivision 22, (b) homesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (a), or (c) seasonal recreational land as defined in section 273.13, subdivision 27, paragraph (a), or subdivision 22, paragraph (c), in which event the period of

redemption is five years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in section 4 and sold to the state at a tax judgment sale is two years from the date of sale. The period of redemption for other lands in a targeted neighborhood as defined in section 4 and sold to the state at a tax judgment sale is one year from the date of sale.

The period of redemption for all other lands sold to the state at a tax judgment sale shall be five years from the date of sale.

Sec. 2. Minnesota Statutes 1986, section 429.061, subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued.

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined by the council shall become a part of the adopted assessment roll. No appeal may be taken as to the amount of any assessment adopted under this section unless written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing. All objections to the assessments not received at the assessment hearing in the manner prescribed by this subdivision are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

If the adopted assessment differs from the proposed assessment as to any particular lot, piece, or parcel of land, the clerk must mail to the owner a notice stating the amount of the adopted assessment. Owners must also be notified by mail of any changes adopted by the

council in interest rates or prepayment requirements from those contained in the notice of the proposed assessment.

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. Except as provided below, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. Assessments on property located in a targeted neighborhood as defined in section 4 may be payable in variable annual installments if the resolution provides for a variable payment. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of

prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest thereon for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

Sec. 3. Minnesota Statutes 1986, section 462.445, subdivision 1, is amended to read:

Subdivision 1. [SCHEDULE OF POWERS.] An authority shall be a public body corporate and politic and shall have all the powers necessary or convenient to carry out the purposes of sections 462.415 to 462.705 (but not the power to levy and collect taxes or special assessments except as provided in sections 462.515 to 462.545 with respect to redevelopment projects only) including the following powers in addition to others granted in these sections:

(1) To sue and be sued; to have a seal, which shall be judicially noticed, and to alter the same at pleasure; to have perpetual succession; and to make, and from time to time to amend and repeal, rules and regulations not inconsistent with these sections;

(2) To employ an executive director, technical experts, and such officers, agents, and employees, permanent and temporary, as it may require, and determine their qualifications, duties, and compensation; for such legal services as it may require, to call upon the chief law officer of the municipality or to employ its own counsel and legal staff; so far as practicable, to use the services of local public bodies, in its area of operation, such local public bodies, if requested, to make such services available;

(3) To delegate to one or more of its agents or employees such powers or duties as it may deem proper;

(4) Within its area of operation to undertake, prepare, carry out, and operate projects and to provide for the construction, reconstruction, improvement, extension, alteration, or repair of any project or part thereof;

(5) Subject to the provisions of section 462.511, to give, sell, transfer, convey, or otherwise dispose of real or personal property or any interest therein and to execute such leases, deeds, conveyances, negotiable instruments, purchase agreements, and other contracts or instruments, and take such action, as may be necessary or convenient to carry out the purposes of these sections;

(6) Within its area of operation to acquire real or personal property or any interest therein by gifts, grant, purchase, exchange, lease, transfer, bequest, devise, or otherwise, and by the exercise of the power of eminent domain, in the manner provided by Minnesota Statutes 1945, chapter 117, and any amendments thereof or supplements thereto, to acquire real property which it may deem necessary for its purposes under these sections, after the adoption by it of a resolution declaring that the acquisition of the real property is necessary to eliminate one or more of the conditions found to exist in the resolution adopted pursuant to section 462.425 or found to exist by section 462.415, subdivision 5, or is necessary to carry out a redevelopment project as defined in section 462.421, subdivision 13;

(7) Within its area of operation, and without the adoption of an urban renewal plan, to acquire, by all means as set forth in clause (6) of this subdivision, including by the exercise of the power of eminent domain, in the manner provided by chapter 117, and without the adoption of a resolution provided for in subdivision 1, clause (6), real property, and to demolish, remove, rehabilitate or reconstruct the buildings and improvements or construct new buildings and improvements thereon, or to so provide through other means as set forth in Laws 1974, chapter 228, or to grade, fill and construct foundations or otherwise prepare the site for improvements, and to dispose of said property pursuant to section 462.525, provided that the provisions of section 462.525 requiring conformance to an urban renewal plan shall not apply, and to finance such activities by means of the redevelopment project fund or by means of tax increments or tax increment bonds or by the methods of financing provided for in section 462.545 or by means of contributions from the municipality provided for in section 462.581, clause (9), or by any combination of such means; provided that, real property with buildings or improvements thereon shall only be acquired when the buildings or improvements are substandard; and provided further that the exercise of the power of eminent domain under this clause shall be limited to real property which contains buildings and improvements which are vacated and substandard. For the purpose of this subparagraph, substandard buildings or improvements mean hazardous buildings as defined in section 463.15, subdivision 3, or buildings or improvements that are dilapidated or obsolescent, faultily designed, lack adequate ventilation, light, or sanitary facilities, or any combination of these or other factors that are detrimental to the safety or health of the community.

(8) Within its area of operation to determine the level of income constituting low or moderate family income. Such income level shall be that level below which there is not available within the area of operation a substantial supply of decent, safe and sanitary housing provided by private enterprise without subsidy at prices or rents within the financial means of persons and families of such incomes. The authority may establish various income levels for various family sizes. In making its determination the authority may consider

income levels which may be established by the federal housing administration or a similar or successor federal agency for the purpose of federal loan guarantees or subsidies for persons of low or moderate income. The authority may use such determination as a basis for the maximum amount of income for admissions to housing development projects owned or operated by it;

(9) To provide in federally assisted projects such relocation payments and assistance as may be necessary to comply with the requirements of the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and any amendments or supplements thereto.

Subd. 4. [CITY MATCHING MONEY.] "City matching money" means the money of a city specified in a revitalization and financing program to be spent to implement a revitalization program. The sources of city matching money may include:

(1) money from the general fund or a special fund of a city used to implement a revitalization program;

(2) money paid or repaid to a city from the proceeds of a grant that a city has received from the federal government, a profit or nonprofit corporation, or another entity or individual, that is to be used to implement a revitalization program;

(4) the greater of the fair market value or the cost to the city of acquiring land, buildings, equipment, or other real or personal property that a city contributes, grants, or loans to a profit or nonprofit corporation, or other entity or individual in connection with the implementation of a revitalization program;

(5) city money to be used to install, reinstall, repair, or improve the infrastructure facilities of a targeted neighborhood;

(6) money contributed by a city to pay issuance costs or to otherwise provide financial support for revenue bonds or obligations issued by a city for a project or program related to the implementation of a revitalization program;

(7) money derived from fees received by a city in connection with its community development activities that are to be used in implementing a revitalization program.

City matching money does not include:

(1) city money used to provide a service or exercise a function that is ordinarily provided throughout the city, unless an increased level of the service or function is to be provided in a targeted neighborhood in accordance with a revitalization program;

(2) the proceeds of revenue bonds issued by the city under chapter 458, 462C, 472, or 474; or

(3) administrative expenses that are incurred in connection with the planning or implementation of sections 4 to 10.

Subd. 5. [COMMISSIONER.] "Commissioner" means the commissioner of energy and economic development.

Subd. 6. [LOST UNIT.] "Lost unit" means a rental housing unit that is lost as a result of revitalization activities because it is demolished, converted to an owner-occupied unit that is not a cooperative, converted to a nonresidential use, or if the gross rent to be charged exceeds 125 percent of the gross rent charged for the unit six months before the start of rehabilitation.

Subd. 7. [TARGETED NEIGHBORHOOD.] "Targeted neighborhood" means an area including one or more census tracts as determined and measured by the bureau of census of the United States Department of Commerce that meet the criteria of section 5, subdivision 2, and any additional area designated under section 5, subdivision 3.

Subd. 8. [TARGETED NEIGHBORHOOD MONEY.] "Targeted neighborhood money" means the money designated in the revitalization program to be used to implement the revitalization program.

Subd. 9. [TARGETED NEIGHBORHOOD REVITALIZATION AND FINANCING PROGRAM.] "Targeted neighborhood revitalization and financing program," "revitalization program," or "program"

means the targeted neighborhood revitalization and financing program adopted in accordance with section 6.

Sec. 5. [DESIGNATION OF TARGETED NEIGHBORHOODS.]

Subdivision 1. [CITY AUTHORITY.] A city may by resolution designate targeted neighborhoods within its borders after adopting detailed findings that the designated neighborhoods meet the eligibility requirements in subdivision 2 or 3.

Subd. 2. [ELIGIBILITY REQUIREMENTS FOR TARGETED NEIGHBORHOODS.] An area within a city is eligible for designation as a targeted neighborhood if the area meets two of the following three requirements:

(a) The area had an unemployment rate that was twice the unemployment rate for the Minneapolis and Saint Paul standard metropolitan statistical area as determined by the 1980 federal decennial census.

(b) The median household income in the area was no more than half the median household income for the Minneapolis and Saint Paul standard metropolitan statistical area as determined by the 1980 federal decennial census.

(c) The area is characterized by residential dwelling units in need of substantial rehabilitation. An area qualifies under this clause if 25 percent or more of the residential dwelling units are in substandard condition as determined by the city or 70 percent or more of the residential dwelling units in the area were built before 1940 as determined by the 1980 federal decennial census.

Subd. 3. [ADDITIONAL AREA ELIGIBLE FOR INCLUSION IN TARGETED NEIGHBORHOOD.] The city may add to the area designated as a targeted neighborhood under subdivision 2 additional area extending up to four contiguous city blocks in all directions from the designated targeted neighborhood. For the purpose of this subdivision, "city block" has the meaning determined by the city.

Sec. 6. [TARGETED NEIGHBORHOOD REVITALIZATION AND FINANCING PROGRAM REQUIREMENTS.]

Subdivision 1. [COMPREHENSIVE REVITALIZATION AND FINANCING PROGRAM.] (a) For each targeted neighborhood for which a city requests state financial assistance under section 7, the city must prepare a comprehensive revitalization and financing program that includes the following:

(1) the revitalization objectives of the city for the targeted neighborhood;

(2) the specific activities or means by which the city intends to pursue and implement the revitalization objectives;

(3) the extent to which the activities identified in clause (2) will benefit low and moderate income families, will alleviate the blighted condition of the targeted neighborhood, or will otherwise assist in the revitalization of the targeted neighborhood;

(4) a statement of the intended outcomes to be achieved by implementation of the revitalization program, how the outcomes will be measured both qualitatively and quantitatively, and the estimated time over which they will occur; and

(5) a financing program and budget that identifies the financial resources necessary to implement the revitalization program.

(b) The financing program and budget must include the following items:

(1) the estimated total cost to implement the revitalization program;

(2) the estimated cost to implement each activity in the revitalization program identified in paragraph (a), clause (2);

(3) the estimated amount of financial resources that will be available from all sources other than from the appropriation available under section 7 to implement the revitalization program;

(4) the estimated amount of the appropriation available under section 7 that will be necessary to implement the revitalization program;

(5) a description of the activities identified in the revitalization program for which the state appropriation will be used and the time or times at which the state appropriation will be committed or spent; and

(6) a statement of how the city intends to meet the requirement for a financial contribution matching the state appropriation from city matching money in accordance with section 7, subdivision 3.

Subd. 2. [TARGETED NEIGHBORHOOD PARTICIPATION IN REVITALIZATION PROGRAM DEVELOPMENT.] The city shall develop a process to consult the residents in the targeted neighborhood concerning the development, drafting, and implementation of the revitalization program. The process may include the establish-

ment of an advisory board in each city. The process must include at least one public hearing in addition to a public hearing held by the advisory board.

Subd. 3. [ADVISORY BOARD.] The governing body of the city may establish a nine-member advisory board to assist the city in implementing the revitalization program. The advisory board shall consist of two city council members appointed by the city council, one county commissioner appointed by the county board of the county in which the city is located, two legislators appointed by the city legislative delegation, and four residents who reside in a targeted neighborhood appointed by the city council. The advisory board shall advise the city on the preparation of the revitalization program including the conversion from absent-owner rental housing to home ownership, the promotion of commercial and industrial growth in targeted neighborhoods, and the integration of human service programs and the redevelopment in targeted neighborhoods.

Subd. 4. [PRELIMINARY CITY REVIEW; STATE AGENCY REVIEW.] Before adoption of the revitalization program under subdivision 5, the city must submit a draft program to the commissioner and the Minnesota housing finance agency for their comment. The city may not adopt the revitalization program until comments have been received from the state agencies or 30 days have elapsed without response after the program was sent to them. Comments received by the city from the state agencies within the 30-day period must be responded to in writing by the city before adoption of the program by the city.

Subd. 5. [CITY APPROVAL.] The city may adopt the revitalization program only after holding a public hearing after the program has been prepared. Notice of the hearing must be provided in a newspaper of general circulation in the city and in the targeted neighborhood not less than ten days nor more than 30 days before the date of the hearing.

Subd. 6. [PROGRAM CERTIFICATION.] A certification by the city that a revitalization program has been approved by the city council for the targeted neighborhood must be provided to the commissioner together with a copy of the program. A copy of the program must also be provided to the Minnesota housing finance agency.

Subd. 7. [REVITALIZATION PROGRAM MODIFICATION.] The revitalization program may be modified at any time by the city council after a public hearing, notice of which is published in a newspaper of general circulation in the city and in the targeted neighborhood not less than ten days nor more than 30 days before the date of the hearing. If the city council determines that the proposed modification is a significant modification to the program originally certified under subdivision 6, it must implement the

revitalization program approval and certification process of subdivisions 3 to 6 for the proposed modification.

Sec. 7. [PAYMENT; CITY MATCHING MONEY; DRAWDOWN; USES OF STATE MONEY.]

Subdivision 1. [PAYMENT OF STATE MONEY.] Upon receipt from a city of the certification that a revitalization program has been adopted or modified, the commissioner shall, within 30 days, pay to the city the amount of state money identified as necessary to implement the revitalization program or program modification. State money may be paid to the city only to the extent that the appropriation limit for the city specified in subdivision 2 is not exceeded. Once the state money has been paid to the city, it becomes targeted neighborhood money for use by the city in accordance with an adopted revitalization program and subject only to the restrictions on its use in sections 4 to 10.

Subd. 2. [ALLOCATION.] A city may receive a part of the appropriations made available that is the proportion that the population of the city bears to the combined population of Minneapolis and Saint Paul. One city may agree to reduce its entitlement amount so that the other may receive an amount more than its entitlement amount. The population of each city for the purposes of this subdivision is determined according to the most recent estimates available to the commissioner. Interest earned by a city from money paid to the city must be repaid to the commissioner annually unless the revitalization program identifies the interest as necessary to implement the revitalization program and the requirement for city matching money is satisfied with respect to the interest.

Subd. 3. [CITY MATCHING MONEY; DRAWDOWN OF STATE MONEY; RESTRICTION ON USE OF STATE MONEY.] A city may spend state money only if the revitalization program identifies city matching money to be used to implement the program in an amount equal to the state appropriation. A city must keep the state money in a segregated fund for accounting purposes. No state money may be used to pay the general administrative expenses of a city that are incurred in connection with the planning or implementation of sections 4 to 10.

Sec. 8. [CITY POWERS AND ELIGIBLE USES OF TARGETED NEIGHBORHOOD MONEY.]

Subdivision 1. [CONSOLIDATION OF EXISTING POWERS IN TARGETED NEIGHBORHOODS.] A city may exercise any of its corporate powers within a targeted neighborhood including, but not limited to, all of the powers enumerated and granted by chapters 458, 462, 462C, 472, 472A, and 474. For the purposes of chapter 458, a targeted neighborhood is considered an industrial development district. A city may exercise the powers of chapter 458 in conjunction

with, and in addition to, exercising the powers granted by chapters 462 and 462C in order to promote and assist housing construction and rehabilitation within a targeted neighborhood. For the purposes of section 462C.02, subdivision 9, a targeted neighborhood is considered a "targeted area."

Subd. 2. [GRANTS AND LOANS.] In addition to the authority granted by other law, a city may make grants and loans to individuals, for-profit and nonprofit corporations, and other organizations to implement a revitalization program. The grants and loans must contain the terms concerning use of money, repayment, and other conditions the city deems proper to implement a revitalization program.

Section 1. Minnesota Statutes 1986, section 121.904, subdivision 4a, is amended to read:

Subd. 4a. [LEVY RECOGNITION.] (a) "School district tax settlement revenue" means the current, delinquent, and manufactured home property tax receipts collected by the county and distributed to the school district, including distributions made pursuant to section 279.37, subdivision 7, and excluding the amount levied pursuant to section 275.125, subdivision 9a, and Laws 1976, chapter 20, section 4.

(b) In June of each year, the school district shall recognize as revenue, in the fund for which the levy was made, the lesser of:

(1) the June and July school district tax settlement revenue received in that calendar year; or

(2) the sum of the state aids and credits enumerated in section 124.155, subdivision 2 which are for the fiscal year payable in that fiscal year plus 24 27 percent of the amount of the levy certified in the prior calendar year according to section 124A.03, subdivision 2, plus or minus auditor's adjustments, not including levy portions that are assumed by the state; or

(3) 24 27 percent of the amount of the levy certified in the prior calendar year, plus or minus auditor's adjustments, not including levy portions that are assumed by the state, which remains after subtracting, by fund, the amounts levied for the following purposes:

(i) reducing or eliminating projected deficits in the appropriated fund balance accounts for unemployment insurance and bus purchases;

(ii) statutory operating debt pursuant to section 275.125, subdivision 9a, and Laws 1976, chapter 20, section 4; and

(iii) retirement and severance pay pursuant to section 275.125, subdivision 6a, and Laws 1975, chapter 261, section 4; and

(c) In July of each year, the school district shall recognize as revenue that portion of the school district tax settlement revenue received in that calendar year and not recognized as revenue for the previous fiscal year pursuant to clause (b).

(d) All other school district tax settlement revenue shall be recognized as revenue in the fiscal year of the settlement. Portions of the school district levy assumed by the state, including prior year adjustments and the amount to fund the school portion of the reimbursement made pursuant to section 273.425, shall be recognized as revenue in the fiscal year beginning in the calendar year for which the levy is payable.

Sec. 2. Minnesota Statutes 1986, section 124.17, is amended by adding a subdivision to read:

Subd. 1b. [AFDC PUPIL UNITS.] In a district in which the number of pupils from families receiving aid to families with dependent children equals six percent or more of the actual pupil units in the district for the same year, as computed in subdivision 1, each such pupil shall be counted as an additional one-tenth of a pupil unit for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent. In a district in which the percent of concentration is less than six, additional pupil units may not be counted for such pupils. A pupil may not be counted as more than .6 additional pupil unit under this subdivision. The weighting in this subdivision is in addition to the weighting provided in subdivision 1.

Sec. 3. Minnesota Statutes 1986, section 124.2162, is amended by adding a subdivision to read:

Subd. 3. [REDISTRIBUTION.] For purposes of aid calculations, the commissioner may redistribute current year teacher retirement and FICA obligations among districts that have agreements for sharing staff or for cooperative education of pupils to adjust for changes in staffing patterns between the base year and the current year resulting from the agreements.

Sec. 4. Minnesota Statutes 1986, section 124A.02, is amended by adding a subdivision to read:

Subd. 5a. [BASIC FOUNDATION AID; 1987-1988 SCHOOL YEAR.] A district's basic foundation aid for the 1987-1988 school year equals its basic foundation revenue for that school year, minus the lesser of (1) the basic maintenance mill rate times the applicable adjusted assessed valuation of the district; or (2) \$1,700 times the district's total pupil units for that school year.

Sec. 5. Minnesota Statutes 1986, section 124A.02, subdivision 8, is amended to read:

Subd. 8. [EQUALIZING FACTOR.] "Equalizing factor" means a number equal to the minimum EARC valuation per total pupil unit which disqualifies a district from earning any basic foundation aid. The equalizing factor for the 1987-1988 school year and for levies for use in that school year equals \$74,890. The equalizing factor for each school year, except the 1987-1988 school year, and for levies for use in that school year equals the ratio, rounded to the nearest dollar, of the foundation aid formula allowance for that school year to the basic maintenance mill rate for that school year.

Sec. 6. Minnesota Statutes 1986, section 124A.02, subdivision 9, is amended to read:

Subd. 9. [FORMULA ALLOWANCE.] "Foundation aid formula allowance" or "formula allowance" means the amount of revenue per pupil unit used in the computation of foundation aid for a particular school year and in the computation of permissible levies for use in that school year. The formula allowance shall be \$1,585 for the 1984 payable 1985 levies and for foundation aid for the 1985-1986 school year. The formula allowance shall be \$1,690 for the 1985 payable 1986 levies and for foundation aid for the 1986-1987 school year. The formula allowance is \$1,700 \$1,720 for the 1986 payable 1987 levies and for foundation aid for the 1987-1988 school year.

Sec. 7. Minnesota Statutes 1986, section 124A.02, subdivision 16, is amended to read:

Subd. 16. [PUPIL UNITS, AFDC.] For the 1984-1985 and 1985-1986 school years, "AFDC pupil units" means 98.5 percent of the pupil units identified in Minnesota Statutes 1980, section

124.17, subdivision 1, clauses (4) and (5) in the 1980-1981 school year.

For the 1986-1987 and 1987-1988 school year and each year thereafter years, "AFDC pupil units" means pupil units identified in section 124.17, subdivision 1a. For the 1988-1989 school year and each year thereafter, "AFDC pupil units" means pupil units identified in section 2.

Sec. 8. Minnesota Statutes 1986, section 124A.03, is amended by adding a subdivision to read:

Subd. 3a. [BASIC MAINTENANCE LEVY; DISTRICTS OFF THE FORMULA; 1987-1988 SCHOOL YEAR.] If the amount of the maximum levy limitation under subdivision 1 for any district exceeds the product of \$1,700 times the estimated number of total pupil units for that district for the 1987-1988 school year, the levy limitation for that district under subdivision 1 is limited to the greater of the dollar amount of the levy the district certified in 1977 under Minnesota Statutes 1978, section 275.125, subdivision 2a, clause (1), or the following difference but not to exceed the levy limitation under subdivision 1:

(a) the product of \$1,700 times the estimated number of total pupil units for the 1987-1988 school year; less

(b) the estimated amount of any payments which would reduce the district's foundation aid entitlement as provided in section 124A.035, subdivision 4, in the school year in which the levy is recognized as revenue.

A levy made by a district under this subdivision shall be construed to be the levy made by that district under subdivision 1 for purposes of statutory cross-reference.

Sec. 9. Minnesota Statutes 1986, section 124A.032, is amended to read:

**124A.032 [ANNUAL FOUNDATION AID APPROPRIATION.]**

There is annually appropriated from the general fund to the department of education the amount necessary for foundation aid or general education aid. This amount shall be reduced by the amount of any funds specifically appropriated for the same purpose in any year from any state fund.

Sec. 10. Minnesota Statutes 1986, section 124A.21, is amended to read:

124A.21 [ISOLATED SCHOOL AID FOR ST. LOUIS COUNTY DISTRICT.]

In the ~~1985-1986 and 1986-1987~~ 1987-1988 school years year, a district having more than 2,500 square miles in area and operating six or more secondary schools shall be entitled to additional foundation aid. The additional aid shall equal \$50 times the actual pupil units in each of these the school years year.

Sec. 11. [124A.22] [GENERAL EDUCATION REVENUE.]

Subdivision 1. [GENERAL EDUCATION REVENUE.] The general education revenue for each district equals the sum of the district's basic revenue, compensatory education revenue, training and experience revenue, and sparsity revenue.

Subd. 2. [BASIC REVENUE.] The basic revenue for each district equals the formula allowance times the actual pupil units for the school year. The formula allowance is \$2,735 for the 1988-1989 school year.

Subd. 3. [COMPENSATORY EDUCATION REVENUE.] The compensatory education revenue for each district equals the formula allowance times the AFDC pupil units counted according to section 2 for the school year.

Subd. 4. [TRAINING AND EXPERIENCE REVENUE.] The training and experience revenue for each district equals the greater of zero or the result of the following computation:

(a) Subtract 1.6 from the training and experience index.

(b) Multiply the result in clause (a) by the product of \$700 times the actual pupil units for the school year.

Subd. 5. [DEFINITIONS.] The definitions in this subdivision apply only to subdivision 6.

(a) "High school" means a secondary school that has pupils enrolled in at least the 10th, 11th, and 12th grades. If there is no secondary school in the district that has pupils enrolled in at least the 10th, 11th, and 12th grades, the commissioner shall designate one school in the district as a high school for the purposes of this section.

(b) "Secondary average daily membership" means, for a district that has only one high school, the average daily membership of resident pupils in grades seven through 12. For a district that has more than one high school, "secondary average daily membership" for each high school means the product of the average daily mem-

bership of resident pupils in grades seven through 12 in the high school, times the ratio of six to the number of grades in the high school.

(c) "Attendance area" means the total surface area of the district, in square miles, divided by the number of high schools in the district.

(d) "Isolation index" for a high school means the square root of one-half the attendance area plus the distance in miles, according to the usually-traveled routes, between the high school and the nearest high school.

(e) "Qualifying high school" means a high school that has an isolation index greater than 23 and that has secondary average daily membership of less than 400.

Subd. 6. [SPARSITY REVENUE.] A district's sparsity revenue for a school year equals the sum of the results of the following calculation for each qualifying high school in the district:

(1) the formula allowance for the school year, multiplied by

(2) the secondary average daily membership of the high school, multiplied by

(3) the quotient obtained by dividing 400 minus the secondary average daily membership by 400 plus the secondary daily membership, multiplied by

(4) the lesser of one or the quotient obtained by dividing the isolation index minus 23 by ten.

## Sec. 12. [124A.23] [GENERAL EDUCATION LEVY AND AID.]

Subdivision 1. [GENERAL EDUCATION MILL RATE.] The commissioner of revenue shall establish the general education mill rate and certify it to the commissioner of education by August 1 of each year for levies payable in the following year. The general education mill rate shall be a rate, rounded up to the nearest tenth of a mill, that, when applied to the adjusted assessed valuation for all districts, raises the amount specified in this subdivision. The general education mill rate for the 1989 fiscal year shall be the rate that raises \$1,079,000,000. The general education mill rate certified by the commissioner of revenue must not be changed due to changes or corrections made to a district's adjusted assessed valuation after the mill rate has been certified.

Subd. 2. [GENERAL EDUCATION LEVY.] To obtain general education revenue, a district may levy an amount not to exceed the

general education mill rate times the adjusted assessed valuation of the district for the preceding year. If the amount of the general education levy would exceed the general education revenue, the general education levy shall be determined according to subdivision 3. The adjusted assessed valuation must be determined each year by the equalization aid review committee according to section 124.2131.

Subd. 3. [GENERAL EDUCATION LEVY; DISTRICTS OFF THE FORMULA.] If the amount of the general education levy for a district exceeds the district's general education revenue, the amount of the general education levy shall be limited to the following:

- (1) the district's general education revenue; plus
- (2) the amount of the aid reduction for the same school year according to section 13; minus
- (3) payments made for the same school year according to section 124A.035, subdivision 4.

For purposes of statutory cross-reference, a levy made according to this subdivision shall be construed to be the levy made according to subdivision 2.

Subd. 4. [GENERAL EDUCATION AID.] A district's general education aid is the difference between the general education revenue and the general education levy, multiplied times the ratio of the actual amount levied to the permitted levy.

Subd. 5. [USES OF REVENUE.] General education revenue may be used during the regular school year and the summer for general and special school purposes.

### Sec. 13. [124A.24] [GENERAL EDUCATION LEVY EQUITY.]

If a district's general education levy is determined according to section 12, subdivision 3, an amount must be deducted from state aid authorized in chapters 124 and 124A, receivable for the same school year, and from other state payments receivable for the same school year authorized in sections 273.115; 273.116; 273.123, subdivision 6; 273.13, subdivision 15a; and Laws 1983, chapter 342, article 8, section 8. The aid in section 124.646 must not be reduced.

The amount of the deduction equals the difference between:

- (1) the general education mill rate, according to section 12, times the district's adjusted assessed valuation used to determine the general education aid for the same school year; and

(2) the district's general education revenue for the same school year, according to section 11.

However, for fiscal year 1989, the amount of the deduction shall be one-fourth of the difference between clauses (1) and (2); for fiscal year 1990, the amount of the deduction shall be one-half of the difference between clauses (1) and (2); and for fiscal year 1991, the amount of the deduction shall be three-fourths of the difference between clauses (1) and (2).

Sec. 14. [124A.25] [SUPPLEMENTAL REVENUE.]

Subdivision 1. [1987-1988 REVENUE.] "1987-1988 revenue" means the sum of the following categories of revenue for a district for the 1987-1988 school year:

(1) basic foundation revenue, tier revenue, and declining pupil unit revenue, according to chapter 124A, plus any reduction to second tier revenue, according to Minnesota Statutes 1986, section 124A.08, subdivision 5;

(2) teacher retirement and FICA aid, according to Minnesota Statutes 1986, sections 124.2162 and 124.2163;

(1) the district's 1987-1988 revenue, according to subdivision 1; divided by

(2) the district's 1987-1988 actual pupil units, adjusted for the change in pupil unit weighting made in article 3, section 16; plus

(3) \$40.

Subd. 3. [REVENUE AMOUNT.] If a district's minimum allowance exceeds the amount of its general education revenue per actual pupil unit for a school year, the district shall receive supplemental revenue equal to the amount of the excess times the actual pupil units for the school year.

Subd. 4. [SUPPLEMENTAL LEVY.] To obtain supplemental revenue, a district may levy an amount not to exceed the product of its supplemental revenue for the school year times the lesser of one or the ratio of its general education levy to its general education revenue for the same year.

Subd. 5. [SUPPLEMENTAL AID.] A district's supplemental aid is the difference between its supplemental revenue and its supplemental levy, times the ratio of the actual amount levied to the permitted levy.

Subd. 6. [USES OF REVENUE.] Supplemental revenue may be used during the regular school year and the summer for general and special school purposes.

Sec. 15. [124A.26] [REDUCTION TO GENERAL EDUCATION REVENUE.]

Subdivision 1. [REVENUE REDUCTION.] A district's general education revenue for a school year shall be reduced if the net unappropriated operating fund balance as of June 30 in the second prior school year exceeds \$600 times the actual pupil units in the second prior year. The amount of the reduction shall equal the lesser of:

(1) the amount of the excess, or

(2) \$150 times the actual pupil units for the school year.

Subd. 2. [LEVY REDUCTION.] If a district's general education revenue is reduced, the general education levy shall be reduced by the following amount:

(1) the reduction specified in subdivision 1, times

(2) the lesser of one or the ratio of the district's general education levy to its general education revenue.

Subd. 3. [AID REDUCTION.] A district's general education aid shall be reduced by an amount equal to the difference between the revenue reduction and the levy reduction.

Subdivision 1. [REQUIREMENT.] An amount equal to 1.85 percent of the basic revenue under section 11, subdivision 2, shall be reserved and may be used only to provide one or more of the programs enumerated in this section. The school board shall determine which programs to provide, the manner in which they will be provided, and the extent to which other money may be used for the programs. Except for the requirements of sections 17 and 18, the remaining general education revenue under section 11 and supplemental revenue under section 14 may be used to provide one or more of the programs enumerated in this section.

Subd. 2. [STATE ASSISTANCE.] The state board of education and the commissioner of education shall provide assistance to school boards offering the programs enumerated in this section. The state board or commissioner may establish an advisory committee for any program area. Technical assistance shall be provided commensurate with school board and district needs. State board of education rules apply to all programs or portions of programs offered.

Subd. 4. [ARTS EDUCATION.] A school board may use the reserved revenue to provide a variety of arts education programs for its pupils and staff. The programs may involve staff development, curriculum offerings, and arts activities for all forms of creative and artistic endeavors.

Subd. 5. [CHEMICAL ABUSE PREVENTION.] A school board may use the reserved revenue to offer a program to prevent chemical abuse among pupils in public and nonpublic schools and area vocational technical institutes.

Subd. 6. [GIFTED AND TALENTED.] A school board may use the reserved revenue to offer programs for gifted and talented pupils.

Subd. 7. [INTERDISTRICT COOPERATION TO EXPAND CURRICULUM.] A school board may use the reserved revenue to expand curricular offerings in secondary mathematics, secondary science, foreign languages, and computer usage by entering into cooperation agreements with other school boards. The agreements shall emphasize instruction and minimize administrative costs.

These needs may be met by providing at least some of the following:

(1) remedial instruction in reading, language arts, and mathematics to improve the achievement level of these pupils;

(2) additional teachers and teacher aides to provide more individualized instruction to these pupils;

The refusal of a parent or guardian to consent may be overridden by the decision in a hearing held pursuant to clause (d) at the district's initiative after ~~at least one attempt to obtain this consent through a conciliation conference held pursuant to clause (e);~~

(c) Parents and guardians shall have an opportunity to meet with appropriate district staff in at least one conciliation conference if they object to any proposal of which they are notified pursuant to clause (a). The conciliation process shall not be used to deny or delay a parent or guardian's right to a due process hearing. If the parent or guardian refuses efforts by the district to conciliate the dispute with the school district, the requirement of an opportunity for conciliation shall be deemed to be satisfied;

(d) Parents, guardians and the district shall have an opportunity to obtain an impartial due process hearing initiated and conducted in the school district where the child resides, if ~~after at least one conciliation conference~~ the parent or guardian continues to object to:

If the hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at district expense. The proceedings shall be recorded and preserved, at the expense of the school district, pending ultimate disposition of the action.

(e) The decision of the hearing officer pursuant to clause (d) shall be rendered not more than 45 calendar days from the date of the receipt of the request for the hearing. If the decision is appealed, a written transcript of the hearing shall be made by the school district and shall be accessible to the parties involved within five calendar days of the filing of the appeal. The hearing review officer shall issue a final decision based on an impartial review of the local decision and the entire record within 30 calendar days after the filing of the appeal. The hearing review officer shall seek additional evidence if necessary and may afford the parties an opportunity for written or oral argument; provided any

hearing held to seek additional evidence shall be an impartial due process hearing but shall be deemed not to be a contested case hearing for purposes of chapter 14. The hearing review officer may grant specific extensions of time beyond the 30-day period at the request of any party.

The final decision shall:

- (1) be in writing;
- (2) include findings and conclusions; and
- (3) be based upon the standards set forth in subdivision 3a and in the rules of the state board.

(g) The decision of the hearing review officer shall be final unless appealed by the parent or guardian or school board to the court of appeals. The judicial review shall be in accordance with chapter 14.

(h) The commissioner of education, having delegated general supervision of special education to the appropriate staff, shall be the hearing review officer except for appeals in which:

- (5) the appeal challenges a state or local policy which was developed with substantial involvement of the commissioner; or
- (6) the appeal challenges the actions of a department employee or official.

For any appeal to which the above exceptions apply, the state board of education shall name an impartial and competent hearing review officer.

In all appeals, the parent or guardian of the handicapped student or the district that is a party to the hearing may challenge the impartiality or competence of the proposed hearing review officer by applying to the state board of education.

(i) Pending the completion of proceedings pursuant to this subdivision, unless the district and the parent or guardian of the child agree otherwise, the child shall remain in the child's current educational placement and shall not be denied initial admission to school.

(j) The child's school district of residence, if different from the district where the child actually resides, shall receive notice of and may be a party to any hearings or appeals pursuant to this subdivision.

For purposes of this subdivision, "foundation aid formula allowance" shall have the meaning attributed to it in section 124.32, subdivision 1a.
