REPORTS OF STANDING COMMITTEES

Kelly from the Committee on Judiciary to which was referred:

H. F. No. 297, A bill for an act relating to real property; creating a lien against real property for expenses incurred by the pollution control agency in taking action to protect public health, safety, or the environment with respect to the release of substances; providing for filing, enforcement, and appeal of the lien; proposing coding for new law in Minnesota Statutes, chapter 514.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [514.675] [LIEN FOR STATE CLEANUP ACTION EXPENSES.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given in this subdivision.

(1) “Agency” means the pollution control agency.

(2) “Cleanup action” means corrective action or response action.

(3) “Cleanup action expenses” means expenses incurred for cleanup action under section 115B.17 or 115C.03, which are recoverable by the state under section 115B.17, subdivision 6 or 115C.04, subdivision 3.

(4) “Commissioner” means the commissioner of the pollution control agency.

(5) “Corrective action” has the meaning given in section 115C.02, subdivision 4.

(6) “Release” has the meanings given in sections 115B.02, subdivision 15 and 115C.02, subdivision 12.

(7) “Response action” means remedial and removal action as defined in section 115B.02, subdivisions 16 and 17.

Subd. 2. [APPLICATION OF LIEN.] All cleanup action expenses constitute a lien in favor of the state on the following real property owned by a person who is liable for the expenses under section 115B.04 or 115C.04:

(1) real property subject to the release or to the cleanup action; or

(2) real property that is contiguous to real property subject to the release or to the cleanup action if the contiguous property was included in the legal description of the real property subject to the release or to the cleanup action at any time during the five years preceding the date when cleanup action expenses were first incurred by the agency.

Subd. 3. [DURATION OF LIEN.] (1) [LIEN ARISES.] The lien created under this section arises when the agency first incurs cleanup action expenses and has provided written notice of potential liability for payment of cleanup action expenses to the owner by registered or certified mail.

(2) [LIEN PERFECTED.] The lien is perfected when a notice of lien is filed as provided in subdivision 6, clause (1). Filing of the notice relates back to the date on which the lien arose pursuant to clause (1), and perfects the lien as of that date.

(3) [LIEN CONTINUES IN FORCE.] The lien continues in force until the claim or judgment of the agency for the cleanup action expenses is satisfied or the claim becomes unenforceable by operation of the statute of limitations applicable to recovery of the expenses under section 115B.11 or 541.05, subdivision 1, clause (2).

(4) [NO SECOND LIEN.] When a lien under this section has been attached to real property and the agency determines that cleanup action is completed and is adequate to protect the public health, welfare, and the environment, no further lien under this section may attach to the property for cleanup action expenses taken after the agency's determination, except for cleanup action expenses required by a release that had not occurred or had not been discovered at the time the determination was made. Any person whose property rights may be affected by attachment of a lien may request the agency to make a determination under this clause by submitting a written request to the commissioner stating the reasons why a determination is needed and the facts in support of the determination. The commissioner shall submit the request, together with the commissioner's recommendations, to the agency for its determination.

Subd. 4. [LIEN PRIORITY; EXCEPTIONS.] (1) [PRIORITY.] Subject to the exceptions provided in this subdivision, a lien created under this section has priority over all other liens and encumbrances on the real property recorded after the effective date of this section to the extent of the increase in market value of the real property attributable to the cleanup action for which expenses were incurred. To the extent of the amount of the lien exceeds the increase in market value of the real property attributable to the cleanup action, the lien is subordinate to all other liens and encumbrances recorded or arising before the lien notice is filed.

(2) [RESIDENTIAL PROPERTY.] A lien under this section on real property the greater part of which is devoted to single or multifamily housing is subordinate to all other liens and encumbrances recorded or arising before the lien notice is filed.

(3) [TAXES AND SPECIAL ASSESSMENTS.] A lien under this section is subordinate to a lien for real estate taxes or special assessments.

Subd. 5. [INCREASE IN MARKET VALUE; APPRAISAL.] Subject to challenge under subdivision 9, paragraph (2), clause (a), the amount of any increase in market value of real property attributable to cleanup action shall be determined based upon appraisals of the market value of the real property as provided in this subdivision.

The first appraisal shall be made after approval of a remedial action plan for the cleanup action but before beginning implementation of the plan. The first appraisal must consider the existence and scope of the release for which cleanup action will be taken, the value and current use of improvements on the real property, and the effect of the release or cleanup action on the market value of the real property and on the value and continued use of the improvements. The second appraisal shall be made upon completion of the cleanup action other than continuing long-term actions such as monitoring and ground water pumpout, but shall take into account the estimated cost of continuing long-term actions and the effect of those actions on the market value of the real property.

The appraisals must be performed by a qualified, independent appraiser selected by the commissioner. An appraisal is not required before taking cleanup action to address an emergency requiring immediate action to protect the public health, safety, or the environment, but must be made as soon as practicable after the emergency cleanup action begins.

Subd. 6. [FILING OF LIEN NOTICE, APPRAISALS, AND CERTIFICATE OF EXPENSES.] (1) [LIEN NOTICE.] The lien notice must state the name of the owner and the legal description of the real property, a brief description of the cleanup action for which expenses have been or will be incurred, and the date on which cleanup action expenses were first incurred. A notice of lien may be filed when all of the following events have occurred:

(a) cleanup action expenses constituting a lien on the real property have been incurred by the agency;

(b) the commissioner or agency has taken all actions required under subdivision 7; and

(c) the court has issued an order allowing the filing of the lien notice as provided in subdivision 8.

(2) [APPRAISALS AND CERTIFICATE OF EXPENSES.] Upon completion of cleanup action other than continuing long-term actions, the commissioner shall file a copy of the appraisals required under subdivision 5 together with a certification of the agency's recoverable cleanup action expenses, including an estimate of the expenses of continuing long-term actions. Each document must state the name of the owner and the legal description of the real property.

(3) [FILING.] The lien notice, appraisals, and certification of expenses must be filed in the office of the county recorder or of the registrar of titles of the county in which the real property is located. An attestation, certification, or acknowledgement is not required as a condition of filing. The filing, mailing, or serving of a lien notice and any other document required under this section is the responsibility of the commissioner or the commissioner's delegate.

Subd. 7. [AGENCY PROCEDURES BEFORE FILING LIEN NOTICE.] Before filing a lien notice under this section, the agency or the commissioner shall:

(1) determine pursuant to action taken under section 115B.17, subdivision 1 or 115C.03, that the owner of the property at the time the lien arose is a responsible person with respect to recovery of cleanup action expenses;

(2) send a copy of any request to take response action under section 115B.17, subdivision 1, or any order to take corrective action under section 115C.03, subdivision 2 or 3, to the owner and to any lienholder of record with respect to the real property subject to or affected by the cleanup action;

(3) provide a reasonable opportunity to the owner and any lienholder and encumbrancer of record to negotiate concerning the taking of the cleanup action or reimbursement of the agency for cleanup action expenses;

(4) determine, in the manner provided in section 115B.17, subdivision 1 or 115C.03, subdivision 2, that the cleanup action will not be taken by the persons to whom a request for response action or order for corrective action was issued, and that the cleanup action will not be taken by a lienholder or encumbrancer of record; and

(5) authorize the commencement of cleanup action pursuant to section 115B.17, subdivision 1 or 115C.03, subdivision 2 or 3.

Subd. 8. [SUMMARY COURT PROCEEDING BEFORE FILING

OF NOTICE.] After completion of the actions required under subdivision 7, the commissioner may petition the district court of the county in which the real property is located for an order allowing the filing of a lien notice. The petition must be served upon the owner and any lienholder or encumbrancer of record in the manner provided for service of process in the rules of civil procedure. The petition must be filed within 90 days after completion of the actions required under subdivision 7 or after the agency first incurs expenses for cleanup action at or affecting the real property, whichever is later.

The court shall issue an order allowing the commissioner to file the lien notice upon a showing by the commissioner of evidence that:

(1) the agency or commissioner has taken the actions required under subdivision 7;

(2) cleanup action expenses have been incurred at or affecting the real property; and

(3) the real property against which the lien notice is proposed to be filed meets the criteria of subdivision 2, clause (1) or (2).

The proceeding under this subdivision is summary in nature. In reviewing a determination or authorization made by the commissioner or the agency, or in considering any other issue in this proceeding, the court is limited to determining whether the lien notice may be filed. Any determination made by the court in this proceeding shall have no effect on any other action that the commissioner or agency may take under chapter 115B or 115C with respect to cleanup action or on any other administrative, legal, or equitable remedy available to the commissioner or the agency under those chapters.

Evidence with respect to a determination or authorization made by the commissioner or agency is sufficient if the commissioner shows that the determination or authorization was made in accordance with applicable legal procedure and was accompanied by written reasons for the determination or authorization; provided that a party opposed to the petition may overcome the showing of the commissioner by demonstrating a reasonable probability of success in avoiding the later enforcement of the lien in an action in which the owner's liability for the cleanup action expenses or other issues relevant to lien enforcement may be considered the merits. The opposing party must demonstrate a probability of success sufficient to meet the burden imposed on a person seeking a temporary injunction.

Subd. 9. [LIEN ENFORCEMENT; RELEASE; DEPOSIT OF PROCEEDS.] (1) [ENFORCEMENT.] A perfected lien may be enforced by foreclosure in the manner provided for the foreclosure of

judgment liens under chapter 550 when the agency has obtained a judgment of liability for the cleanup action expenses constituting the lien against the person who owned the real property at the time the lien arose; provided that, with respect to real property containing improvements used for the production of income at the time the lien arose, foreclosure may be commenced only when the improvements are sold, removed, or no longer used for the production of income, or when title to the real property is transferred. The limitation on foreclosure provided in this clause shall not be construed to affect the legal status of the lien in a bankruptcy proceeding.

(2) [CHALLENGE OF LIEN.] When a lien is enforced under this subdivision, a person whose legal interest in the property may be adversely affected by the enforcement may challenge the validity, amount, and priority of the lien subject to the following provisions:

(a) When an increase in the market value attributable to the cleanup action is challenged, the court shall make a final determination of the increased value attributable to cleanup action in the manner provided for determining value of property in chapter 117, except as otherwise required to comply with this section.

(b) The agency's certification of cleanup action expenses is prima facie evidence that the expenses are reasonable and necessary.

(3) [RELEASE.] The commissioner may release a lien for which a notice has been filed under this section when a legally enforceable agreement satisfactory to the commissioner has been executed concerning the taking of cleanup action or reimbursement of the agency's cleanup action expenses. The commissioner shall release a lien when the agency's claim for cleanup action expenses has been satisfied. A release shall be executed and filed by the commissioner in the same manner as a lien notice.

(4) [DEPOSIT IN FUND.] Amounts received under this section in reimbursement of cleanup action expenses or in satisfaction of a lien must be deposited in the fund from which the expenses were paid by the agency.

Subd. 10. [OTHER REMEDIES PRESERVED.] This section does not affect the right of the agency to use a remedy available under any other law to recover expenses incurred in taking cleanup action.

If no victim assistance program serves that county, the court shall forward 100 percent of the fine proceeds to the ~~commissioner of finance~~ treasurer to be credited to the crime victim and witness account. Fine proceeds received by a local victim assistance program must be used to provide direct services to crime victims. Fine proceeds credited to the crime victim and witness account may be appropriated to the crime victim and witness advisory council, and the council may use all or part of the proceeds for the purpose of providing grants to establish new victim assistance programs.

Subd. 6. [FARM OPERATING LOAN.] "Farm operating loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender for the purpose of financing the operations of a farm. Sec. 2. [FARMER ELIGIBILITY.]

Subdivision 1. [DEBT-TO-ASSET RATIO.] Only a farmer with a debt-to-asset ratio exceeding 50 percent at the time of application for a farm operating loan is an eligible borrower for purposes of interest rate buy-down. A participating lender is not required to assist with enrollment or tuition costs for a period longer than the term of the farm operating loan, and a lender is not required to assist with the enrollment and tuition costs for more than one individual for each farm operating loan.

If a participating lender determines that enrollment in an adult farm management program would not benefit the borrower or an approved adult farm management program is not located within 50 miles from the debtor's residence, the lender shall explain the reasons to the borrower in writing and indicate the determination on the application.

Subd. 3. [RECEIPT OF APPLICATIONS FOR INTEREST RATE BUY-DOWN.] (a) A participating lender shall receive and evaluate loan applications from a farmer:

The commissioner shall pay to a participating lender for the first \$60,000 of an approved farm operating loan made to an eligible borrower an amount equal to an annual rate of four percent interest on the loan, less any reduction in interest rate provided by the participating lender pursuant to section 5.

Sec. 5. [LENDER CONTRIBUTION TO INTEREST BUY-DOWN.]

Resolved, that the Rules of the House of Representatives for the 75th Legislature as adopted on February 11, 1987, be amended as follows:

(1) Rule 1.16 is amended to read:

1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee (other than a bill in Appropriations) no report has been made upon it by the committee, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee shall have ten calendar days thereafter in which to vote upon the bill requested. If the Committee fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the foot of General Orders.

Such bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

After ~~Friday, May 8, 1987~~ Wednesday, March 30, 1988, the House shall not act on bills other than those recommended by conference committee reports or the Committee on Rules and Legislative Administration, and those bills contained in messages from the Senate or from the Governor.

(2) Rule 3.4 is amended to read:

3.4 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

~~In an odd-numbered year,~~ Notice of intention to move reconsideration shall not be in order after ~~Monday, April 20~~ Thursday, March 24, 1988.

(3) Rule 5.10 is amended to read:

5.10 WAYS AND MEANS COMMITTEE; RESOLUTION; EFFECT ON EXPENDITURES AND TAX BILLS. The Committee on Ways and Means shall hold hearings as necessary to determine state expenditures and taxes for the coming fiscal biennium. Not later than seven days after the Governor presents the last state revenue forecast during the regular legislative session, but in no case later than March 31, 1987, the Committee on Ways and Means shall report a budget resolution to the House for consideration. The budget resolution shall take the form of a House resolution that sets the maximum limitation on expenditures and taxes for the coming fiscal biennium for the general fund and an amount to be set aside as a budget reserve. The limitation is effective, if adopted, unless the House adopts a different limitation in a subsequent budget resolution that accounts for increases or decreases in general fund revenues and expenditures anticipated for the current fiscal biennium.

No bill described in Rule 5.7 or 5.9 shall be given its second reading until the House has received a statement from the Committee on Ways and Means certifying that the major expenditure and tax bills are reconciled and do not exceed the limitation specified in the budget resolution for the general fund. Major expenditure and tax bills are: the education appropriation bill; the health and human services appropriation bill; the state departments appropriation bill; the agriculture, transportation and semi-state appropriation bill; the education finance bill; the agriculture finance bill; and the omnibus tax bill. However, a bill may be given its second reading by special authorization of the Committee on Ways and Means or by majority vote of the whole House. A special authorization may be reported by an oral notice to the House from the Chairman of the Committee on Ways and Means or his designee stating that the fiscal impact of a bill will be accounted for in the reconciliation statement.

The Committee on Appropriations and the Committee on Taxes, upon recommending passage of any bill described in Rule 5.7 or 5.9, shall provide to the Committee on Ways and Means a fiscal statement on the bill.

After the House has received a reconciliation statement from the Committee on Ways and Means, the House shall not give a second reading to any bill described in Rule 5.7 or 5.9 other than the major expenditure and tax bills. However, a bill may be given its second reading after the House has received from the Committee on Ways and Means a statement certifying that the fiscal impact of the bill is within the guidelines of the budget resolution, or after authorization by majority vote of the whole House. The statement of the Committee on Ways and Means may be reported orally by the Chairman of the Committee on Ways and Means or his designee.

(4) Rule 6.11 is amended to read:

6.11 CONFERENCE COMMITTEES. A conference committee may report at any time. No committee except a conference committee or the Committee on Rules and Legislative Administration shall sit during any daily session of the House without leave.

A conference committee report shall include only subject matter contained in the House or Senate versions of the bill for which that conference committee was appointed, or like subject matter contained in a bill passed by the House. The member presenting the conference committee report to the House shall disclose all substantive changes from the House version of the bill.

~~In an odd-numbered year~~ Except after ~~Monday, May 11~~ Wednesday, March 30, 1988, a written copy of a report of a conference committee shall be placed on the desk of each member of the House 24 hours before action on the report by the House. If the report has

been reprinted in the Journal of the House for a preceding day and is available to the members, the Journal copy shall serve as the written report.

(5) Rule 9.3 is amended to read:

9.3 DEADLINES. ~~In odd-numbered years,~~ Committee reports on bills favorably acted upon by a committee in the house of origin after ~~Friday, April 10~~ Thursday, March 10, 1988, and committee reports on bills originating in the other house favorably acted upon by a committee after ~~Tuesday, April 28~~ Friday, March 18, 1988, shall be referred in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. However, referral is not required after the first deadline when, by the second deadline, a committee acts on a bill that is a companion to a bill that has then been acted upon by the first deadline in the Senate. This rule does not apply in the House Committees on Appropriations and on Taxes and to the education finance bill in the Committee on Education.

(e) The rules must establish standards and procedures for the issuance of certificates of compliance and waiver.

Subd. 3. [PUBLIC INSPECTION STATIONS; CONTRACT.] (a) The program shall provide for the inspection of motor vehicles at public inspection stations. The number and location of the stations must provide convenient public access.

(b) The agency shall contract with a private entity for the design, construction, equipment, establishment, maintenance, and operation of the public inspection stations and the provision of related services and functions. The contractor and its officers and employees may not be engaged in the business of selling, maintaining, or repairing motor vehicles or selling motor vehicle replacement or repair parts, except that the contractor may repair any motor vehicle owned or operated by the contractor. The contractor's employees are not employees of the state for any purpose. In evaluating contractors, the agency shall consider the contractors'

policies and standards on working conditions of employees. Contracts must require the contractor to operate the public inspection stations for a minimum of five years and may provide for equitable compensation, from the vehicle emission inspection account established by section 6, for capital costs and other appropriate expenditures to the contractor, as determined by the agency.

(c) A public inspection station shall inspect and reinspect motor vehicles in accordance with the agency rules and contract. The inspection station shall issue a certificate of compliance for a motor vehicle that has been inspected and determined to comply with the standards and criteria of the agency adopted under this section. If a certificate of compliance cannot be issued, the inspection station shall provide a written inspection report describing the reasons for rejection and, when appropriate, the repairs needed or likely to be needed to bring the vehicle into compliance with the standards and criteria.

(d) The agency shall develop a means of responding to inquiries from members of the public about the current status of a motor vehicle under the program, including the last date of inspection, certification of compliance, and the terms under which a certificate of waiver has been issued. The agency shall ensure in its public information program that the public is aware of this service. The agency may contract for the provision of this service.

Subd. 4. [FLEET INSPECTION STATIONS; LICENSE.] (a) The program shall provide for the licensing of fleet inspection stations by the agency. The license must be issued by the agency, upon payment of a licensing fee in a manner and an amount prescribed by the agency, when the agency determines that an applicant satisfies the requirements of this section and agency rules.

(b) Owners of a fleet of 50 or more motor vehicles may apply for a fleet inspection station license. Two or more persons each owning 25 or more motor vehicles may apply jointly for a fleet inspection station license.

(c) A licensee shall have the facilities, equipment, and personnel to competently perform the inspections required by sections 1 to 10 and the rules of the agency. A licensee shall provide for the inspection of each fleet vehicle in accordance with the requirements of section 2 and before registration of the vehicle shall indicate in a manner prescribed by the agency whether the vehicle complies with the emission standards of the agency.

(d) A fleet inspection station license authorizes and obligates the licensee to perform inspections only on motor vehicles owned or operated exclusively by the fleet licensee.

(e) A licensee shall maintain records of all inspections in a

manner prescribed by the agency and shall make the records available for inspection by authorized representatives of the agency during normal business hours.

(f) To ensure compliance, the agency may require fleet licensees to submit motor vehicles designated by the agency numbering five percent or five motor vehicles, whichever is larger, to annual inspection at public inspection stations.

Subd. 5. [CERTIFICATES OF WAIVER.] (a) A certificate of waiver, valid for one year, must be issued for a motor vehicle following inspection if:

(1) a low emissions adjustment has been performed on the vehicle within 90 days prior to the renewal of registration, and

(2) either the estimated cost of repairs and adjustments necessary to bring the vehicle into compliance with emissions standards or the actual cost of repairs already performed on a vehicle in accordance with the inspection report under subdivision 3 exceeds the repair cost limit.

(b) The following costs may not be considered in determining eligibility for waiver under paragraph (a): costs covered by warranty and costs necessary to repair or replace any emission control equipment that has been removed, dismantled, tampered with, misfueled, or otherwise rendered inoperative in violation of section 325E.0951.

(c) The repair cost limit is \$75 for vehicles manufactured before the 1981 model year, and \$200 for vehicles manufactured in the 1981 model year and after.

(d) A temporary certificate of waiver, valid for not more than 30 days, may be issued to a vehicle to allow time for inspection and necessary repairs and adjustments.

Subd. 6. [FEDERAL GRANTS.] The agency shall apply for and accept on behalf of the state any funds made available by the federal government or by any other sources for motor vehicle pollution control programs.

Subd. 7. [STUDIES; DATA COLLECTIONS; ANNUAL REPORT.] The agency shall collect data and undertake studies necessary to evaluate the cost, effectiveness, and benefits of the motor vehicle inspection program. The agency shall compile data on failure rate, compliance rate, the number of certificates issued, and other similar matters. The agency shall report on the operation of the motor vehicle inspection program to the legislature by January 1, 1992, and every two years thereafter.

Subd. 8. [PUBLIC INFORMATION; TRAINING.] The agency shall design, prepare, and implement a public information program for the motor vehicle inspection program, in cooperation with the department and the contractor under section 3, subdivision 3. The program must include material for distribution, presentations, mass media releases, and other appropriate material.

Sec. 4. [116.63] [PROHIBITED ACTS.]

Subdivision 1. [WRONGFUL CERTIFICATION.] No person may issue a certificate of compliance for a motor vehicle that has not been inspected in accordance with or is not in compliance with the rules of the agency.

Subd. 2. [REFERRAL FOR PARTS OR REPAIR.] An employee, owner, or operator of a public inspection station may not furnish information, except information provided by the state, about the name or other description of a parts or repair facility or other place where parts, repairs, or adjustments may be obtained to bring a motor vehicle into compliance with the rules of the agency.

Subd. 3. [ALTERATION.] A person may not materially alter or change any equipment or mechanism of a motor vehicle that has been certified to comply with the rules of the agency, so that the motor vehicle is no longer in compliance with those rules.

Subd. 4. [FALSE REPAIR COSTS.] A person may not provide false information to a public inspection station or the agency about estimated or actual repair costs or repairs needed to bring a motor vehicle into compliance with the standards of the agency. A person may not claim an amount spent for repair if the repairs were not made or the amount not spent.

Sec. 5. [116.64] [INSPECTION FEE.]

Subdivision 1. [AMOUNT.] An annual fee established in accordance with the rules of the agency, not to exceed \$10, is imposed for the cost of the inspection of a motor vehicle at a public inspection station and such reinspections as the rules of the agency allow, the cost of the contract entered under section 3, subdivision 3, and the administrative costs of the agency and the department.

Subd. 2. [APPLICATION.] The fee must be paid for each motor vehicle inspected at a public inspection station, including a motor vehicle that is exempt from license fees under section 168.012 or 473.448.

Subd. 3. [PAYMENT.] The fee must be paid to the registrar at the time that the motor vehicle is reregistered or, for vehicles exempt

from license fees under section 168.012 or 473.488, at a time set by the agency.

Sec. 6. [116.65] [VEHICLE EMISSION INSPECTION ACCOUNT.]

Subdivision 1. [ESTABLISHMENT; PURPOSE.] A vehicle emission inspection account is created in the state treasury and may be used only to pay the cost of the motor vehicle inspection program and the costs of the agency and department to administer sections 1 to 6.

Subd. 2. [REVENUE SOURCE.] Revenue from the following sources must be deposited in the vehicle emission inspection account:

(1) money recovered by the state under section 4, and money paid under any agreement, stipulation, or settlement;

(2) money received by the agency in the form of gifts, grants, reimbursements, or appropriations from any source intended to be used for the purpose of the account;

(3) fleet inspection station licensing fees;

(4) interest attributable to investment of money deposited in the fund; and

(5) the proceeds of the inspection fee.

Subd. 3. [APPROPRIATION.] By the end of the initial contract entered by the agency under section 3, subdivision 3, the amounts appropriated from the motor vehicle transfer fund to the vehicle emission inspection account must be repaid to the transfer fund, and the amounts necessary for this repayment are appropriated from the vehicle emission inspection account.

Sec. 7. [APPROPRIATION.]

\$ is appropriated to the agency from the motor vehicle transfer fund for transfer to the vehicle emission inspection account.

Sec. 8. [APPROVED COMPLEMENT.]

The approved complement of the agency is increased by classified positions. The positions approved by this section must be paid from the vehicle emission inspection account.

Sec. 9. [STUDY.]

The agency shall study and report to the legislature on the effectiveness, costs, and benefits of requiring the use of alternative fuels and of extending the requirements of section 2 to other vehicles registered in the metropolitan area and to other pollution by these vehicles.

Sec. 10. [EFFECTIVE DATE.]

Subdivision 1. [DEFINITION.] For the purpose of this section "heating system" means a hot air central heating furnace, or a hot water or steam central heating boiler which uses liquid, gaseous, or solid fuels and accessories necessary for its safe operation.

Subd. 2. If the person finds that carbon monoxide exists in the heating system, the person must take appropriate steps to eliminate the carbon monoxide from the flue gases. If carbon monoxide is found in the flue gases and the dwelling has a hot air central heating furnace, an additional safety test must be conducted for the existence of carbon monoxide in the household air stream.

(b) If the person makes a recommendation regarding the condition of the heating system or the safety of continued operation of the

system, the person must provide the owner of the system with the results of any flue gas analysis test or heat exchanger safety check or provide notice that the repair, service, or inspection did not include a flue gas analysis or heat exchanger test.

Subd. 3. [NOTICE.] If the person does not conduct the safety tests as required under subdivision 2, the person must notify the owner of the heating system that the repair, service, or inspection conducted did not include safety tests for the existence of carbon monoxide. The notice required by this subdivision must be given at the time the repair or inspection takes place and be included in writing with the bill for services rendered. Subd. 4. [CONTRACTOR NOTICE.] Any contractor or auditor that performs work or conducts an audit on a residential dwelling that contains less than five units which is designed to make the residence more energy efficient and which may reduce the air infiltration in the building shall provide the owner of the residence with a written notice stating that work to improve the energy efficiency may also result in changes in the ventilation and air quality in the residence and stating that the owner should have the heating system of the residence checked for the existence of carbon monoxide by a qualified furnace contractor to assure that the heating system is operating properly and that there will be no accumulation of carbon monoxide in the residence.

Subd. 5. [EXCEPTION.] This section does not apply to a public utility's or fuel supplier's activities related to providing or maintaining service to its customers."

Sec. 5. Minnesota Statutes 1986, section 3.982, is amended to read:

3.982 [FISCAL NOTES FOR STATE-MANDATED ACTIONS.]

Subdivision 1. [DIVISION OF STATE AND LOCAL MANDATES.] When the state proposes to mandate that a local agency or school district political subdivision take an action, and when reasonable compliance with that action would force the local agency or school district political subdivision to incur costs mandated by the state, a fiscal note shall be prepared as provided in section 3.98, subdivision 2 and shall be made available to the public upon request. If the action is among the exceptions listed in section 3.983, a fiscal note need not be prepared.

When a bill proposing a mandate is introduced and referred to a standing committee, the chair of the standing committee to which the bill is referred shall request the appropriate state agency or department to prepare a fiscal note before the bill is heard in the committee. Before a proposed mandate is issued in an executive order, the governor or appropriate agency head assigned by the governor shall prepare the fiscal note and make it available to the public.

A division of state and local mandates in the office of state auditor is created. The division shall make a reasonable determination in a timely manner of the estimated and actual financial effects on each

political subdivision of each program mandated by the legislature and each rule proposed by an administrative agency. The division may require the commissioner of the appropriate administrative agency of the state to supply in a timely manner any information determined by the division to be necessary to determine local financial effects. The commissioner shall convey the requested information to the division with a signed statement to the effect that the information is accurate and complete to the best of the commissioner's ability.

The division when requested shall update its determination of financial effects based on either actual cost figures or improved estimates or both.

Subd. 2. [MANDATE EXPLANATIONS.] Any bill introduced in the legislature after December 31, 1988, which seeks to impose program or financial mandates on political subdivisions must include an attachment that gives appropriate responses to the following guidelines. It must state and list:

(1) the policy goals which are sought to be attained, the performance standards that are to be imposed, and an explanation why the goals and standards will best be served by the requiring compliance on the part of political subdivisions;

(2) performance standards which will allow political subdivisions flexibility and innovation of method in achieving these goals;

(3) the reasons for each prescribed standard and the process by which each standard shall govern inputs such as staffing and other administrative aspects of the program;

(4) the sources of additional revenue, in addition to existing funding for similar programs, that are directly linked to imposition of the mandates that will provide adequate and stable funding for their requirements;

(5) what input has been obtained to ensure that the implementing agencies have the capacity to carry out the delegated responsibilities; and

(6) the reasons why less intrusive measures such as financial incentives or voluntary compliance would not yield the equity, efficiency, or desired level of statewide uniformity in the proposed program.

Subd. 3. [LOCAL INVOLVEMENT; LAWS.] Any bill introduced in the legislature after December 31, 1988, which seeks to impose a program or financial mandate on political subdivisions must include as an attachment a description of the efforts put forth, if any, to

involve political subdivisions in the creation or development of the proposed mandate.

Subd. 4. [NO MANDATE RESTRICTION.] Except as specifically provided by this act, nothing in this act shall be construed to restrict or eliminate the authority of the state to create or impose programs by legislative mandate upon political subdivisions.

Sec. 6. Minnesota Statutes 1986, section 3.983, subdivision 3, is amended to read:

Subd. 3. [MISCELLANEOUS EXCEPTIONS.] A fiscal note or an attachment as provided in section 3.982, subdivision 2, need not be prepared for the cost of a mandated action if the law containing the mandate:

- (a) accommodates a specific local request;
- (b) results in no new local government duties;
- (c) leads to revenue losses from exemptions to taxes other than sales, use, or property taxes;
- (d) provides only clarifying or conforming, nonsubstantive changes on local government;
- (e) imposes additional net local costs which are minor (less than \$200 for any single local government if the mandate does not apply statewide or less than one-tenth of a mill times the entire value of taxable property in the state if the mandate is statewide) and do not cause a financial burden on local government;
- (f) is a legislative mandate or executive order enacted before July 1, 1985, or a rule initially implementing legislation enacted before July 1, 1985;
- (g) implements something other than a state statute or executive order, such as a federal, court, or voter-approved mandate;
- (h) appears in rules that are permissive or discretionary in nature;
- (i) defines a new crime or redefines an existing crime or infraction;
- (j) provides, or falls within the purview of existing, revenue sources or other financing mechanisms; or
- ~~(k)~~ (i) results in savings that equal or exceed costs;
- (j) requires the holding of elections;

- (k) insures due process and equal protection;
- (l) provides for the notification and conduct of public meetings;
- (m) establishes the procedures for administrative and judicial review of actions taken by political subdivisions;
- (n) protects the public from malfeasance, misfeasance, or nonfeasance by officials of political subdivisions;
- (o) relates directly to financial administration, including the levy, assessment, and collection of taxes;
- (p) relates directly to the preparation and submission of financial audits necessary to the administration of state laws; or
- (q) requires uniform standards to apply to public and private institutions without differentiation.

Sec. 7. [3.984] [REIMBURSEMENT TO LOCAL POLITICAL SUBDIVISIONS FOR COSTS OF STATE MANDATES.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, class A and class B state mandates have the meaning given them.

(a) "Class A state mandates" are those laws under which the state mandates to political subdivisions, their participation, the organizational structure of the program, and the procedural regulations under which the law must be administered.

(b) "Class B state mandates" are those mandates that allow the political subdivisions to opt for administration of a law with program elements mandated beforehand and with an assured revenue level from the state of 90 percent of full program and administrative costs.

Subd. 2. [REPORT.] The division of state and local mandates shall submit to the department of finance by September 1, 1990, and by September 1 of each year thereafter, a report by political subdivisions of the costs of class A state mandates established after December 31, 1988.

The department of finance shall annually include the statewide total of the statement of costs of class A mandates as a notation in the state budget for the next fiscal year.

Subd. 3. [CERTAIN POLITICAL SUBDIVISIONS; REPORT.] The political subdivisions that have opted to administer class B state mandates shall report to the division of state and local mandates on or before September 1, 1990, and on or before September 1 of each

year thereafter, regarding the fact that revenue for a class B state mandate has fallen below 85 percent of the total cost of the program and that the political subdivision intends to cease administration of the program.

The division shall forward a copy of the report to the department of finance and the respective chairs of the senate finance committee and the house appropriations committee for inclusion of the shortfall as a line item appropriation in the state budget for the next fiscal year.

The political subdivision may exercise its option to cease administration only if the legislature has failed to include the shortfall as an appropriation in the state budget for the next fiscal year.

Subd. 4. [EXEMPTIONS.] Statutes and executive orders enumerated in Minnesota Statutes, section 3.983, are exempted from this section.

Sec. 8. Minnesota Statutes 1986, section 14.11, subdivision 1, is amended to read:

Subdivision 1. [FISCAL NOTE ON RULE IN NOTICE.] If the adoption of a rule by an agency will require the expenditure of public money by local public bodies, the appropriate notice of the agency's intent to adopt a rule shall be accompanied by a written statement giving the agency's reasonable estimate of the total cost to all local public bodies in the state to implement the rule for the two years immediately following adoption of the rule if the estimated total cost exceeds \$100,000 in either of the two years after December 31, 1988, must be accompanied by a written report of the division of state and local mandates. The report must state the division's opinion of the total cost to local public bodies to implement the rule for the two years immediately following adoption of the rule. The report must also contain the opinion of the division as to the consistency of the proposed rule with the original legislative intent. The division shall have 60 days from the date of the agency's request to issue the report. For purposes of this subdivision, local public bodies shall mean officers and governing bodies of the political subdivisions of the state and other officers and bodies of less than statewide jurisdiction which have the authority to levy taxes.

Sec. 9. [14.401] [PERIODIC REVIEW OF ADMINISTRATIVE RULES.]

The division of state and local mandates shall review every five years the rules adopted after December 31, 1988, that have significant financial impact upon political subdivisions. For purposes of this section, "significant financial impact" means requiring local political subdivisions to expand existing services, employ additional personnel, or increase local expenditures. The division shall deter-

mine the costs and benefits of each rule and submit a report to the commission with its opinion, if any, for the continuation, modification, or elimination of each rule.

Sec. 10. [REPEALER.]

Minnesota Statutes 1986, section 3.981, subdivisions 4, 5, and 9, are repealed.

"Section 1. Minnesota Statutes 1986, section 257.071, subdivision 3, is amended to read:

Subd. 3. [REVIEW OF VOLUNTARY PLACEMENTS.] Subject to the provisions of subdivision 4, if the child has been placed in a

residential facility pursuant to a voluntary release by the parent or parents, and is not returned home within 18 12 months after initial placement in the residential facility, the social service agency responsible for the placement shall:

(a) Return the child to the home of the parent or parents; or

(b) File an appropriate petition pursuant to section 260.131, subdivision 1, or 260.231, and if the petition is dismissed, petition the court within two years, pursuant to section 260.131, subdivision 1a, to determine if the placement is in the best interests of the child.

Sec. 2. Minnesota Statutes 1986, section 260.011, subdivision 2, is amended to read:

Subd. 2. (a) The purpose of the laws relating to juvenile courts is to secure for each child alleged or adjudicated neglected or dependent and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will serve the spiritual, emotional, mental, and physical welfare of the child and the best interests of the state; to provide judicial procedures which protect the welfare of the child; to preserve and strengthen the child's family ties whenever possible, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal; and, when removal from the child's own family is necessary, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

(b) The purpose of the laws relating to termination of parental rights is to ensure that:

(1) reasonable efforts have been made by the social service agency to reunite the child with the child's parents in a placement that is safe and permanent; and

(2) if such a placement is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents.

The paramount consideration in all proceedings for the termination of parental rights shall be the best interests of the child.

(c) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just; that recognize the unique

characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(d) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 3. Minnesota Statutes 1986, section 260.012, is amended to read:

260.012 [DUTY TO ENSURE FAMILY REUNIFICATION OF JUVENILE COURT.]

At all stages of juvenile court proceedings, if a child is under the court's dependency or neglect jurisdiction, it shall be the duty of the court to ensure that reasonable efforts by the social service agency are made to reunite the child with the child's family at the earliest possible time, consistent with the best interests of the child. If a child is under the court's delinquency jurisdiction, it shall be the duty of the court to ensure that all reasonable efforts are made to reunite a the child with the child's family at the earliest possible time, consistent with the best interests of the child and the safety of the child and the public.

Sec. 4. Minnesota Statutes 1986, section 260.015, subdivision 10, is amended to read:

Subd. 10. "Neglected child" means a child:

- (b) who is without proper parental care because of the faults or habits of a parent, guardian, or other custodian; or
- (c) who is without necessary subsistence, education or other care necessary for physical or mental health or morals because the parent, guardian or other custodian neglects or refuses to provide it; or

- (e) who is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all

conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

- (1) the infant is chronically and irreversibly comatose;
- (2) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or
- (3) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane; or
- (f) whose occupation, behavior, condition, environment or associations are such as to be injurious or dangerous to the child or others; or
- (g) who is living in a facility for foster care which is not licensed as required by law, unless the child is living in the facility under court order; or

[EXAMINATION OF CHILD.] In any dependency, neglect, or neglected and in foster care, or termination of parental rights proceeding the court may, on its own motion or the motion of any party, take the testimony of a child witness informally when it is in the child's best interests to do so. Informal procedures that may be used by the court include taking the testimony of a child witness outside the courtroom. The court may also require counsel for any party to the proceeding to submit questions to the court before the child's testimony is taken, and to submit additional questions to the court for the witness after questioning has been completed. The court may excuse the presence of the child's parent, guardian, or custodian from the room where the child is questioned in accordance with subdivision 5.

Sec. 6. Minnesota Statutes 1986, section 260.155, subdivision 7, is amended to read:

Subd. 7. [FACTORS IN DETERMINING NEGLECT.] In determining whether a child is neglected and in foster care, the court shall consider, among other factors, the following:

- (1) The length of time the child has been in foster care;
- (2) The effort the parent has made to adjust circumstances, conduct, or condition to make it in the child's best interest to be returned to the parent's home in the foreseeable future, including the use of rehabilitative services offered to the parent;
- (3) Whether the parent has visited the child within the ~~nine~~ three months preceding the filing of the petition, unless it was physically or financially impossible for the parent to visit or not in the best interests of the child to be visited by the parent. The court may consider evidence of incidental visitations, communications, or contributions by the parent;
- (4) The maintenance of regular contact or communication with the agency or person temporarily responsible for the child;
- (5) The appropriateness and adequacy of services provided or offered to the parent to facilitate a reunion;
- (6) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time; and

Sec. 7. Minnesota Statutes 1987 Supplement, section 260.221, is amended to read:

260.221 [GROUNDS FOR TERMINATION OF PARENTAL RIGHTS.]

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may, upon petition, terminate all rights of a parent to a child in the following cases:

- (a) With the written consent of a parent who for good cause desires to terminate parental rights; or
- (b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. Abandonment is presumed when:

(i) the parent has had no contact or merely incidental contact with the child for six months in the case of a child under six years of age, or for 12 months in the case of a child ages six to eleven; and

(ii) the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship, treatment for mental disability, incarceration or other good cause prevented the parent from making contact with the child. This presumption shall not apply to children whose custody has been determined pursuant to chapter 257 or 518. The court is not prohibited from finding abandonment in the absence of this presumption; or

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able; or

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be permanently detrimental to the physical or mental health of the child of such duration or nature as to render the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child; or

(5) That following upon a determination of neglect or dependency, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. It shall be presumed that reasonable efforts under clause (5) have failed upon a showing that:

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect or neglected and in foster care;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family. Nothing in clause (5) prohibits the termination of parental rights prior to one year after a child has been placed out of the home; or

(6) That in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.26 and either the person has not filed a notice of intent to retain parental rights under section 259.261 or that the notice has been successfully challenged; or

(7) That the child is neglected and in foster care.

Subd. 2. [ADOPTIVE PARENT.] For purposes of subdivision 1, clause (a), an adoptive parent may not terminate parental rights to an adopted child for a reason that would not apply to a birth parent seeking termination of parental rights to a child under subdivision 1, clause (a).

Subd. 3. [WHEN PRIOR FINDING REQUIRED.] For purposes of subdivision 1, clause (b), no prior judicial finding of dependency, neglect, or neglected and in foster care is required, except as provided in subdivision 1, clause (b)(5).

Subd. 4. [BEST INTERESTS OF CHILD PARAMOUNT.] In any proceeding pursuant to this section, the best interests of the child shall be the paramount consideration, provided that the conditions in subdivision 1, clause (a) or at least one condition in subdivision 1, clause (b) are found by the court. Where the interests of parent and child conflict, the interests of the child are paramount.

Sec. 8. [EFFECTIVE DATE; APPLICATION.]

In addition to all other kinds and amounts of taxes permitted by law to be levied for county purposes, the county board may include in its annual tax levy an amount for the county building fund. Its proceeds shall be credited to the county building fund. A county building fund established pursuant to this section to which a tax is credited may be used by the county solely to acquire, construct, reconstruct, maintain and repair buildings used in the administration of county affairs and to acquire lands necessary for those purposes.

Sec. 2. [373.40] [CAPITAL IMPROVEMENT BONDS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Bonds" means an obligation as defined under section 475.51.

(b) "Capital improvement" means acquisition or betterment of public lands, buildings, or other improvements within the county for the purpose of a county courthouse, administrative building, health or social service facility, correctional facility, jail, law enforcement center, hospital, morgue, library, park, and roads and bridges. An improvement must have an expected useful life of three years or more to qualify.

(c) "Commissioner" means the commissioner of trade and economic development.

(d) "County" excludes any county exercising home rule charter powers under a special or general law.

(e) "Metropolitan county" means a county located in the seven-county metropolitan area as defined in section 473.121 or a county with a population of 90,000 or more.

(f) "Population" means the population established by the most recent of the following (determined as of the date the resolution authorizing the bonds was adopted):

(1) the federal decennial census;

(2) a special census conducted under contract by the United States Bureau of the Census; or

(3) a population estimate made either by the metropolitan council or by the state demographer under section 116K.04, subdivision 4, clause (10).

(g) "Taxable assessed value" means total taxable assessed value but does not include captured assessed value.

Subd. 2. [APPLICATION OF ELECTION REQUIREMENT.] (a) Bonds issued by a county to finance capital improvements under an approved capital improvement plan are not subject to the election requirements of section 375.18 or 475.58. The bonds must be approved by vote of at least three-fifths of the members of the county board. In the case of a metropolitan county, the bonds must be approved by vote of at least two-thirds of the members of the county board.

(b) Before each issuance of bonds qualifying under this section, the county must publish a notice of its intention to issue the bonds and the date and time of a hearing to obtain public comment on the matter. The notice must be published in the official newspaper of the county or in a newspaper of general circulation in the county. The notice must be published at least 14, but not more than 28, days before the date of the hearing.

(c) A county may issue the bonds only upon obtaining the approval of a majority of the voters voting on the question of issuing the obligations, if a petition requesting a vote on the issuance is signed by voters equal to five percent of the votes cast in the county in the last general election and is filed with the county auditor within 30 days after the public hearing. The commissioner of revenue shall prepare a suggested form of the question to be presented at the election. The provisions of this paragraph do not apply to metropolitan counties.

Subd. 3. [CAPITAL IMPROVEMENT PLAN.] (a) A county may adopt a capital improvement plan. The plan must cover at least the five-year period beginning with the date of its adoption. The plan must set forth the estimated schedule, timing, and details of specific capital improvements by year, together with the estimated cost, the need for the improvement, and sources of revenues to pay for the improvement. In preparing the capital improvement plan, the county board must consider for each project and for the overall plan:

(1) the condition of the county's existing infrastructure, including the projected need for repair or replacement;

(2) the likely demand for the improvement;

- (3) the estimated cost of the improvement;
- (4) the available public resources;
- (5) the level of overlapping debt in the county;
- (6) the relative benefits and costs of alternative uses of the funds;
- (7) operating costs of the proposed improvements; and
- (8) alternatives for providing services more efficiently through shared facilities with other counties or local government units.

(b) The capital improvement plan and annual amendments to it must be approved by the county board after public hearing. The capital improvement plan and any amendments to the plan are not effective until they have been reviewed and approved by the commissioner. The commissioner shall approve the plan, if the commissioner determines that (1) the improvements can be financed within the limits specified in subdivision 4, and (2) that the improvements are compatible with the projected public service needs of the area and the capital facilities and improvement plans of surrounding and overlapping jurisdictions. If the commissioner has not disapproved the plan within 90 days after its submission, the plan is deemed approved.

Subd. 4. [LIMITATIONS ON AMOUNT.] A county may not issue bonds under this section if the maximum amount of principal and interest to become due in any year on all the outstanding bonds issued pursuant to this section (including the bonds to be issued) will equal or exceed one mill multiplied by the taxable assessed value of property in the county. Calculation of the limit must be made using the taxable assessed value for the taxes payable year in which the obligations are issued and sold. This section does not limit the authority to issue bonds under any other special or general law.

Subd. 5. [APPLICATION OF BOND CODE.] Bonds to finance capital improvements qualifying under this section must be issued under the issuance authority in chapter 475 and the provisions of chapter 475 apply, except as otherwise specifically provided in this section.

Subd. 6. [BUILDING FUND LEVY.] (a) If the county has an approved capital improvement plan, the county board may annually levy an amount equal to one mill, less the amount levied to pay principal and interest on bonds issued under this section. The proceeds of this levy must be deposited in the county building fund under section 373.25 and may only be expended for capital improvements as provided in the approved capital improvement plan.

(b) The maximum amount of the levy, when added to the unexpended balance in the building fund, must not exceed the projected cost of the remaining improvements in the capital improvement plan. A levy made under this section is not subject to any other levy limitation, nor may the levy be included in the computation of any other levy limitation.

(c) This subdivision and the exercise of levy authority under it does not supersede or preempt the authority to levy under section 373.25 or any other law.

Subd. 7. [ADVISORY COMMITTEE.] The commissioner shall appoint an advisory committee of at least five members. The advisory committee shall advise the commissioner in developing standards for reviewing capital improvement plans. The commissioner may request the advisory committee to assist in evaluating individual capital improvement plans submitted by counties.

The committee's membership must include two representatives who are either county officials or employees, two experts in public capital budgeting and infrastructure planning, and one expert in municipal finance.

Members of the advisory committee receive no compensation but payment of their expenses must be made as provided in section 15.059, subdivision 6.

Subd. 8. [REPEALER.] This section is repealed effective for bonds issued after July 1, 1993, but continues to apply to bonds issued before that date.

Sec. 3. Minnesota Statutes 1986, section 475.52, subdivision 3, is amended to read:

Subd. 3. [COUNTIES.] Any county may issue bonds for the acquisition or betterment of courthouses, county administrative buildings, health or social service facilities, correctional facilities, law enforcement centers, jails, morgues, libraries, parks, and hospitals, for roads and bridges within the county or bordering thereon and for road equipment and machinery and for ambulances and related equipment, and capital equipment for the administration and conduct of elections providing the equipment is uniform county-wide except that the power of counties to issue bonds in connection with a library shall not exist in Hennepin county.

Sec. 4. Minnesota Statutes 1986, section 475.58, subdivision 1, is amended to read:

Subdivision 1. [APPROVAL BY MAJORITY OF ELECTORS; EXCEPTIONS.] Obligations authorized by law or charter may be

issued by any municipality upon obtaining the approval of a majority of the electors voting on the question of issuing the obligations, but an election shall not be required to authorize obligations issued:

- (1) to pay any unpaid judgment against the municipality;
- (2) for refunding obligations;
- (3) for an improvement, which obligation is payable wholly or partly from the proceeds of special assessments levied upon property specially benefited by the improvement, or of taxes levied upon the increased value of property within a district for the development of which the improvement is undertaken, including obligations which are the general obligations of the municipality, if the municipality is entitled to reimbursement in whole or in part from the proceeds of such special assessments or taxes and not less than 20 percent of the cost of the improvement is to be assessed against benefited property or is estimated to be received from such taxes within the district;
- (4) payable wholly from the income of revenue producing conveniences;
- (5) under the provisions of a home rule charter which permits the issuance of obligations of the municipality without election;
- (6) under the provisions of a law which permits the issuance of obligations of a municipality without an election; and
- (7) to fund pension or retirement fund liabilities pursuant to section 475.52, subdivision 6; and
- (8) under a capital improvement plan under section 2.

Sec. 5. [BONDING AUTHORITY; HENNEPIN COUNTY MEDICAL BUILDING.]

Hennepin county may issue and sell not more than \$16,000,000 of general obligation bonds to finance or refinance the construction and purchase of the Hennepin county health services building. Issuance of the obligations is not subject to the election requirements of Minnesota Statutes, section 475.58. The obligations issued under this section and the property taxes levied to pay the obligations must be included in calculation of Hennepin county's bond and building fund levy limitations under section 2.

Sec. 6. [EFFECTIVE DATE.]

Subd. 6. [RECAPTURE OF COSTS.] A municipality that has received a loan under this section shall use reasonable and practicable measures to recapture the reasonable and necessary costs of remedial action from responsible parties unless recovery is deemed by the municipality to be unlikely due to inability to locate responsible persons, the high cost of pursuing remedies in relation to any likely recovery or the financial capacity of responsible persons. After provision for costs of collection, the municipality shall apply all amounts recaptured from responsible parties to repay the obligations owed under the loan agreement. The municipality may elect not to pursue a responsible party if the municipality assigns the claim to the commissioner.

[ORIGINAL ASSESSED VALUE.] (a) "Original assessed value" means the assessed value of all taxable real property within a tax increment financing district as most recently certified by the commissioner of revenue as of the date of the request by an authority for certification by the county auditor, together with subsequent adjustments as set forth in section 469.177, subdivisions 1 and 4. In determining the original assessed value the assessed value of real property exempt from taxation at the time of the request shall be zero, except for real property which is tax exempt by reason of public ownership by the requesting authority and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the assessed value of the property shall be the assessed value as most recently determined by the commissioner of revenue.

(b) The original assessed value of any designated hazardous substance site or hazardous substance subdistrict on January 2 following the date the agency or municipality certifies to the county auditor that:

(1) a loan has been made to the municipality or the agency pursuant to section 3; or

(2) the agency or municipality has entered a redevelopment or other agreement for the removal or remedial actions specified in a development response action plan, or otherwise provided funds to finance the development response action plan; shall be equal to the assessed value of the parcel, as most recently determined by the commissioner of revenue, less the reasonable and necessary costs of the removal actions and remedial actions to be undertaken with respect to the parcel as certified to the county auditor by the municipality or agency but not less than zero.

(c) The original assessed value shall be increased by the amount by which it was reduced pursuant to paragraph (b), clause (1), upon repayment in full of the hazardous substance loan made pursuant to section 3, if any, or paragraph (b), clause (2), if the loan has not been made, upon certification by the municipality that the costs of the removal actions and remedial actions have been paid or reimbursed.

(d) For purposes of this subdivision, "real property" shall include any property normally taxable as personal property by reason of its location on or over publicly-owned property.

(e) The terms "removal," "remedial," "action," "hazardous substance," and "pollutant or contaminant" have the meanings assigned by section 115B.02. The term "development response action plan" has the meaning given by section 1.

Sec. 6. Minnesota Statutes 1987 Supplement, section 469.174, is amended by adding a subdivision to read:

Subd. 16. [DESIGNATED HAZARDOUS SUBSTANCE SITE.] "Designated hazardous substance site" means: (1) any parcel or parcels benefitted by a loan made to the municipality or the authority pursuant to section 3, or (2) any parcel or parcels with respect to which the authority or municipality has certified to the county auditor that the authority or municipality has entered into a redevelopment or other agreement providing for, or otherwise has available to it, funds including, without limitation, tax increment which would be made available pursuant to section 469.175, subdivision 1, to finance the removal or remedial actions specified in a development response action plan.

Sec. 7. Minnesota Statutes 1987 Supplement, section 469.175, is amended by adding a subdivision to read:

Subd. 7. [CREATION OF HAZARDOUS SUBSTANCE SUBDISTRICT.] (a) A municipality or authority which is creating or has created a tax increment financing district may establish within the district a hazardous substance subdistrict upon the notice and after the discussion, public hearing, and findings required for approval of the original plan. The geographic area of the subdistrict shall be made up of any parcels in the district designated for inclusion by the municipality or authority that are designated hazardous substance sites, and any additional parcels in the district designated for inclusion that are contiguous except for the interposition of a right-of-way. Before or at the time of approval of the tax increment financing plan, the municipality shall make the findings under paragraphs (b) to (d), and shall set forth in writing the reasons and supporting facts for each.

(b) The proposed development or redevelopment, in the opinion of the municipality, would not reasonably be expected to occur solely through private investment and tax increment otherwise available, and therefore the hazardous substance district is deemed necessary.

(c) Other parcels that are not designated hazardous substance sites are expected to be developed together with a designated hazardous substance site.

(d) The subdistrict is not larger than, and the period of time during which increments are elected to be received is not longer than, that which is necessary in the opinion of the municipality to provide for the additional costs due to the designated hazardous substance site.

Sec. 8. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 1, is amended to read:

Subdivision 1. [DURATION OF TAX INCREMENT FINANCING DISTRICTS.] (a) Subject to the limitations contained in paragraphs (b) to (f), any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as the bonds continue to be outstanding.

(b) The tax increment pledged to the payment of the bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to the maturity or redemption date.

(c) For bonds issued pursuant to section 469.178, subdivisions 2 and 3, the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full.

(d) No tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original assessed value of the taxable real property in the district by the county auditor or after August 1, 1982, for tax increment financing districts authorized prior to August 1, 1979, unless within the three-year period (1) bonds have been issued pursuant to section 469.178, or in aid of a project pursuant to any other law, except revenue bonds issued pursuant to sections 469.152 to 469.165, prior to August 1, 1979, or (2) the authority has acquired property within the district, or (3) the authority has constructed or caused to be constructed public improvements within the district.

(e) No tax increment shall in any event be paid to the authority from a redevelopment district after 25 years from date of receipt by the authority of the first tax increment, after 25 years from the date of the receipt for a housing district, after 25 years from the date of the receipt for a mined underground space development district, and after eight years from the date of the receipt, or ten years from approval of the tax increment financing plan, whichever is less, for an economic development district.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after 30 years from August 1, 1979.

(f) Modification of a tax increment financing plan pursuant to section 469.175, subdivision 4, shall not extend the durational limitations of this subdivision.

If a parcel of a district is part of a designated hazardous substance site or a hazardous substance subdistrict, tax increment may be paid to the authority from the parcel for longer than the period otherwise provided by this subdivision. The extended period for collection of tax increment shall begin on the date of receipt of the first tax increment from the parcel that is more than any tax increment received from the parcel before the date of the loan or certification and received after the earlier of: (i) the date of a loan made to the municipality or authority pursuant to section 3; or (ii) the date of certification to the county auditor described in section 469.174, subdivision 16, clause (b). The extended period for collection of tax increment shall be the lesser of: (i) 25 years from the date of commencement of the extended period; or (ii) the period necessary to recover the costs of removal or remedial actions specified in a development response action plan.

Sec. 9. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 5, is amended to read:

Subd. 5. [REQUIREMENT FOR AGREEMENTS.] No more than 25 percent, by acreage, of the property to be acquired within a project which contains a redevelopment district, or ten percent, by acreage, of the property to be acquired within a project which contains a housing or economic development district, as set forth in the tax increment financing plan, shall at any time be owned by an authority as a result of acquisition with the proceeds of bonds issued pursuant to section 469.178 unless prior to acquisition in excess of the percentages, the authority has concluded an agreement for the development or redevelopment of the property acquired and which provides recourse for the authority should the development or redevelopment not be completed. This subdivision does not apply to a parcel of a district that is a designated hazardous substance site or part of a hazardous substance subdistrict.

“Section 1. Minnesota Statutes 1987 Supplement, section 256.969, subdivision 3, is amended to read:

Subd. 3. [SPECIAL CONSIDERATIONS.] (a) In determining the rate the commissioner of human services will take into consideration whether the following circumstances exist:

(1) minimal medical assistance and general assistance medical care utilization;

(2) unusual length of stay experience; and

(3) disproportionate numbers of low-income patients served.

(b) To the extent of available appropriations, the commissioner shall provide supplemental grants directly to a hospital described in section 256B.031, subdivision 10, paragraph (a), that receives medical assistance payments through a county-managed health plan that serves only residents of the county. The payments must be designed to compensate for actuarially demonstrated higher health care costs within the county, for the population served by the plan, that are not reflected in the plan's rates under section 256B.031, subdivision 4.

(c) The commissioner shall establish procedures to analyze and correct problems associated with hospital inpatient and outpatient claims preparation and processing. At a minimum, the commissioner shall:

(1) designate a full-time equivalent position as a liaison between the department of human services and hospitals;

(2) analyze impediments to timely processing of claims, provide information and consultation to hospitals and develop methods to resolve or reduce problems;

(3) provide to each hospital a quarterly listing of claims received, and the dates they were received, and identify those claims that have been rejected, suspended, or are otherwise pending and the reason that the claims were rejected or suspended;

(4) provide education and information on reasons for rejection and suspension of claims and identify methods that would avoid multiple submissions of claims; and

(5) identify and prioritize claims that are in jeopardy of exceeding time factors which eliminate payment.

(d) For inpatient hospital services provided from July 1, 1988, to June 30, 1989, hospitals with fewer than 100 medical assistance discharges during the most recent hospital fiscal year for which figures are available, excluding Medicare cross-overs, that were paid for services provided during the period January 1, 1987, to June 30, 1987, shall have medical assistance inpatient payments increased .. percent. Hospitals with more than 100 but fewer than 250 medical assistance discharges during the most recent hospital fiscal year for which figures are available, excluding Medicare cross-overs, that were paid for services provided during the period January 1, 1987, to June 30, 1987, shall have medical assistance inpatient payments increased .. percent for inpatient hospital services provided from July 1, 1988 to June 30, 1989. This provision applies only to hospitals which have 100 or fewer licensed beds.

(e) Hospitals with fewer than 250 medical assistance discharges during the most recent hospital fiscal year for which figures are available shall be reimbursed for day outliers at one standard deviation and at an 80 percent payment difference. The categorical rate per admission and the relative value of diagnostic categories will not be recalculated to accomplish this payment adjustment. (2) Set goals and develop a timetable for completing education and employment goals. The case manager must work with the caretaker in completing this task. For caretakers who are not literate or who have not completed high school, the first goal for the caretaker must be to complete literacy training or a general education diploma. Caretakers who are literate and have completed high school shall be counseled to set realistic attainable goals, taking into account the long-term needs of both the caretaker and the caretaker's family;

(3) Coordinate services such as child care, transportation, and education assistance necessary to enable the caretaker to work toward the goals developed in clause (2). (5) Develop and refer caretakers to counseling or peer group networks for emotional support while participating in work, education, or training.

(b) In addition to the duties in paragraph (a), for minor parents, and pregnant minors the case manager shall:

(1) Ensure that the contract developed under paragraph (a)(4) considers all factors set forth in section 257.33, subdivision 2; ~~and~~

(2) Assess the housing and support systems needed by the caretaker in order to provide the dependent children with adequate parenting. The case manager shall encourage minor parents who are not living with friends or relatives to live in a group home or foster care setting. If minor parents are unwilling to live in a group home or foster care setting or if no group home or foster care setting is available, the case manager shall assess the minor parent's need for training in parenting and independent living skills and shall refer appropriate minor parents to available counseling programs designed to teach needed skills; and

(3) Inform the minor parent and his or her parent and assist the minor parent in evaluating the appropriateness of the high school graduation incentives program under section 126.22, including post-secondary enrollment options, and the employment related and community based instruction programs.

(c) A caretaker may request a conciliation conference to attempt to resolve disputes regarding the contents of a contract developed under this section or a housing and support systems assessment conducted under this section. The caretaker may request a hearing pursuant to section 256.045 to dispute the contents of a contract or assessment developed under this section. The caretaker need not request a conciliation conference in order to request a hearing pursuant to section 256.045.

Sec. 12. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 4, is amended to read:

Subd. 4. [FINANCIAL ELIGIBILITY.] (a) Child care services must be available to families who need child care to find or keep employment or to obtain the training or education necessary to find employment and who:

- (1) receive aid to families with dependent children;
- (2) have household income below the eligibility levels for aid to families with dependent children; or
- (3) have household income within a range established by the commissioner.

(b) Child care services for the families receiving aid to families with dependent children must be made available as in-kind services, to cover any difference between the actual cost and the amount disregarded under the aid to families with dependent children.

program. Child care services to families whose incomes are below the threshold of eligibility for aid to families with dependent children, but that are not receiving aid to families with dependent children, must be made available without cost to the families.

(c) Child care services to families with incomes in the commissioner's established range must be made available on a sliding fee basis. The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.

(d) If a disproportionate amount of the available money is provided to any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all eligible groups, it may prioritize among the groups to be served. If a county maintains a waiting list of applicants for the sliding fee program, it shall place at the top of the list former AFDC recipients who (1) have had their child care subsidized under the set-aside for AFDC priority groups; (2) continue to require a child care subsidy in order to remain employed; and (3) have been employed for 12 months and, during the 12 months, have had their child care needs paid for out of the set-aside money for AFDC priority groups. Counties shall assure that a person receiving child care assistance from the sliding fee program prior to July 1, 1987, continues to receive assistance, providing the person meets all other eligibility criteria. Set-aside money must be prioritized by the state, and counties do not have discretion over the use of this money.

(e) Annual income of the applicant family is the current monthly income of the family multiplied by 12 or the income for the 12-month period immediately preceding the date of application, whichever provides the most accurate assessment of income available to the family. Self-employment income must be calculated based on gross receipts less operating expenses. Income must be redetermined when the family's income changes, but no less often than every six months. Income must be verified with documentary evidence. If the applicant does not have sufficient evidence of income, verification must be obtained from the source of the income.

Sec. 13. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 12, is amended to read:

Subd. 12. [FAIR HEARING PROCESS.] (a) Applicants and recipients have the option to request the county to conduct a conciliation conference to attempt to resolve complaints arising from any of the following actions:

- (1) a determination of ineligibility for child care assistance;
- (2) unauthorized termination of child care assistance;
- (3) determination of the factors considered in setting the family fee; and
- (4) income redetermination resulting in change of a family fee.

(b) The county shall notify the applicant or the recipient, in writing, of any adverse action. The determination described in paragraph (a), clauses (1) and (3), must include written notice of the applicant's or recipient's right to the election described in paragraph (c), where and how to request the election, the time limit within which to make the request, and the reasons for the determination. Notice of the proposed actions described in paragraph (a), clauses (2) and (4), must be mailed to the applicant or recipient at least 15 calendar days before the effective date of the action. The notice must clearly state what action the county proposes to take, the effective date of the proposed action, the reasons for the proposed action, the necessary corrective measures, the option to request either a conciliation conference or an administrative hearing, where and how to make the request, the time limits within which a request must be made, and the consequence of the action.

(c) An applicant or recipient who receives a determination or notice of proposed action under paragraph (b) must mail or deliver either a written notice of request for a conciliation conference to the administering agency or a written notice of request for the hearing specified under paragraph (c) to the administering agency on or before the effective date of the proposed action or the date specified in the notice, or the action will be final.

(d) The county shall provide a conciliation conference within 30 days of receipt of a written request.

The county shall give the applicant or recipient ten calendar days' notice of the conference date. The applicant or recipient and the county's representative have the right to appear, to bring witnesses, and to submit documentation. The written request and the resolution, if any, of the conference shall be maintained as part of the official record. The county's representative shall issue a written resolution only if mutual agreement is reached between the county's representative and the applicant or recipient. The resolution must be signed by both parties and issued the same day as the conciliation conference is held. Participating in a conciliation conference or signing a resolution does not constitute a waiver of the right to an administrative hearing.

An applicant or recipient may, within 15 calendar days of the

conference, mail or deliver a written request to the administering agency for an administrative hearing. Unless an appeal is requested, a determination, proposed action, or resolution of a conciliation conference will be final after the 15-day period has passed.

(c) A fair hearing shall be conducted in the manner prescribed by section 268.10, subdivision 3. A right to review will be provided in accordance with section 268.10, subdivision 5. The proposed action will not take effect until the appeal is decided by the administrative hearing process.

(a) An applicant or recipient adversely affected by a county agency action may request a fair hearing in accordance with section 256.045, subdivision 3.

(b) The county agency shall offer an informal conference to applicants and recipients adversely affected by an agency action to attempt to resolve the dispute. The county agency shall advise adversely affected applicants and recipients that a request for a conference with the agency is optional and shall in no way delay or replace the right to a fair hearing.

16A.1541 [ADDITIONAL REVENUES; PRIORITY.]

Subdivision 1. [FORECAST BALANCES.]If on the basis of a forecast of general fund revenues and expenditures made before the effective date of this section the commissioner of finance determines that there will be a positive unrestricted budgetary general fund balance at the close of the biennium, the commissioner of finance must allocate money in the following order of priority:

(1) the amount necessary to reduce the property tax levy recognition percent under section 121.904, subdivision 4c, to 24 percent;

(2) the remainder (i) ~~one-half to the greater Minnesota fund, but not to exceed \$120,000,000~~ and (ii) ~~one-half to the budget and cash flow reserve account until the total amount in the account equals \$550,000,000~~ \$285,000,000.

Any positive unrestricted budgetary general fund balance forecast by the commissioner of finance after the effective date of this section, or so much thereof as is necessary, must be allocated by the commissioner to the budget and cash flow reserve account until the total amount in the account equals \$285,000,000, and the remainder if any must be retained in the general fund.

The amounts necessary to meet the requirements of clauses (1) and (2) this subdivision are appropriated from the general fund.

"Sec. 2. Minnesota Statutes 1987 Supplement, section 297B.09, subdivision 1, is amended to read:

Subdivision 1. [GENERAL FUND SHARE.] (a) Money collected and received under this chapter must be deposited in the state treasury and credited to the general fund as follows:

(1) of the money collected and received under this chapter during the fiscal year ending June 30, 1989:

(a) 40 percent to the general fund;

(b) 51 percent to the highway user tax distribution fund for distribution in the same manner as other money in that fund; and

(c) 9 percent to the transit assistance fund.

(2) of the money collected and received under this chapter during the fiscal years ending June 30, 1990 and 1991:

(a) 20 percent to the general fund;

(b) 68 percent to the highway user tax distribution fund for distribution in the same manner as any other money in that fund; and

(c) 12 percent to the transit assistance fund.

(3) of the money collected and received under this chapter during each fiscal year ending June 30, 1992 and thereafter

(a) 85 percent to the highway user tax distribution fund for distribution in the same manner as any other money in that fund; and

(c) 15 percent to the transit assistance fund.

The amounts collected and received shall be credited to the highway user tax distribution fund and the transit assistance fund as provided in this subdivision, and must be transferred from the general fund on July 15 and January 15 of each fiscal year. The commissioner of finance must make each transfer based upon the actual receipts of the preceding six calendar months and include the interest earned during that six-month period. The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit assistance fund. Five percent of the money must be deposited in the highway user tax distribution fund and the transit assistance fund for apportionment as provided in this section. Of the money deposited under this section, 75 percent must be credited to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund. The remaining 25 percent of the money must be credited to the transit assistance fund to be appropriated to the commissioner of transportation for transit assistance within the state and to the regional transit board.

(b) The distributions under this subdivision to the highway user tax distribution fund must be reduced by the amount necessary to fund the appropriation under section 41A.09, subdivision 1. For the fiscal years ending June 30, 1988, and June 30, 1989, the commissioner of finance, before making the transfers required on July 15 and January 15 of each year, shall estimate the amount required to fund the appropriation under section 41A.09, subdivision 1, for the six-month period for which the transfer is being made. The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any

time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period."

With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon.

When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

The manager may reclassify such industries into groups or classes at any time, and to create additional groups or classes. The manager may make necessary expenditures to obtain statistical and other information to establish the classes provided for in this section.

Subd. 2. [ACCOUNTS.] The manager shall keep an accurate account of all money paid or credited to the compensation fund, and of the liability incurred and disbursements made against same; and

an accurate account of all money received from each individual subscriber; and of the liability incurred and disbursements made on account of injuries and death of the employees of each subscriber; and of the receipts and incurred liability of each group or class.

In compensable fatal and total permanent disability cases, the amount charged against the employer's account shall be the estimated average incurred loss of such cases to the fund.

Subd. 3. [PREMIUMS.] The manager shall fix and maintain basic rates of premiums which shall be the lowest possible rates of premiums necessary to maintain a solvent workers' compensation fund and the creation and maintenance of a reasonable surplus in each classification, after providing for the payment to maturity of all liability incurred by reason of injury or death to employees entitled to benefits under this chapter. The manager shall use a method of premium calculation consistent with recognized actuarial principles of workers' compensation insurance. The manager may adjust rates annually, or at other times if necessary to maintain fund solvency, including adjustments necessary to fund benefits incurred by bankrupt and delinquent employers.

Subd. 4. [EXPERIENCE RATING.] Notwithstanding any provision to the contrary in chapter 79, the manager may fix premium rates pursuant to multiple rating plan levels, not to exceed three within a single business classification; the specific rating plan level to be applied is determined by risk factors other than premium size; provided, that if any classification has a sufficient number of employers with considerable difference in their degrees of hazard or experience, the manager may fix a rate for any subscriber of such classification, based upon the employer's experience record for a period not to exceed five years ending December 31 of the year preceding the year in which the rate is to be effective; the liability part of such record shall include cases that have been acted upon during such period, irrespective of the date the injury was received; and any subscriber in a classification so rated, whose record for such period cannot be obtained, shall be given a rate based upon the subscriber's record for any part of such period as may be deemed just and equitable by the manager. The manager may fix a reasonable minimum and maximum for any classification to which this individual method of rating is applied, and to add to the rate determined from the employer's record such amount as is necessary to liquidate any deficit as to create a reasonable surplus.

Subd. 5. [NOTICE TO EMPLOYERS.] The manager must notify every employer of any change in rate. The manager must also furnish each employer annually, or more often upon request, a statement giving the name of each employee who was paid for an injury and the amounts so paid during the period covered by the statement.

Sec. 21. [176A.15] [APPLICATION; PAYMENT OF PREMIUMS; PAYROLL REPORT; PREMIUMS; DEPOSITS.]

Subdivision 1. [PAYMENT.] For the purpose of creating a workers' compensation fund, each employer who is required to subscribe to the fund or who elects to subscribe to the fund, shall pay premiums calculated as a percentage of the employer's payroll at the rate determined by the manager. At the time each employer subscribes to the fund, the employer shall submit an application required by the manager and prepay a premium equal to the first year's estimated premium payment. The minimum premium to be paid by any employer shall be \$40.

Thereafter, premiums shall be paid annually on or before the last day of the premium year, and shall be the prescribed percentage of the total earnings of all employees during the preceding year.

At the time each premium is paid, every subscribing employer shall make a payroll report to the manager for the preceding year. The manager may audit each employer annually to determine whether sufficient premium was paid. The report shall be on the form prescribed by the manager.

Subd. 2. [ACCOUNTS.] All premiums and premium deposits required to be paid by this chapter shall be paid by the employers to the fund, which shall maintain record of all sums so received.

Sec. 22. [176A.16] [DELINQUENCY; DEFAULT; REINSTATEMENT; PAYMENT OF BENEFITS; NOTICE TO EMPLOYEES.]

Subdivision 1. [DELINQUENCY.] Failure of an employer to timely pay premium, to timely file a payroll report, or to maintain an adequate premium deposit, shall cause the employer's account to become delinquent. No employer will be declared delinquent or be assessed any penalty if the manager determines that such delinquency has been caused by delays in the administration of the fund. The manager shall, in writing, within 60 days of the end of the premium year, notify all delinquent employers of their delinquency and demand the filing of the delinquent payroll report and payment of delinquent premiums, or insufficient deposits and any interest owed, before the end of the third month following the end of the preceding premium year.

Subd. 2. [NOTICE OF DELINQUENCY.] The notification of delinquency shall explain the legal consequence of subsequent default by employers required to subscribe to the fund, and the effects of termination of any electing employer's account.

Subd. 3. [FAILURE TO RESOLVE DELINQUENCY.] An employer who fails to resolve a delinquency within the prescribed

period under subdivision 1, shall be in default. In addition to being subject to this chapter, the employer shall be deemed an uninsured employer under chapter 176, subject to all penalties and other provisions of that chapter.

Subd. 4. [REINSTATEMENT.] Any employer, who is required to subscribe to the fund and subsequently defaults, or who elects to subscribe and is terminated, shall be restored immediately to the benefits and protection of chapter 176 upon the filing of all delinquent payroll and other reports required by the manager and payment into the fund of all unpaid premiums, an adequate premium deposit, accrued interest and claims losses paid during the period of delinquency and default. The penalty for interest and claims losses paid by the fund during the period of delinquency and default shall not exceed an amount equal to 50 percent of the premium otherwise due and owing for the period of delinquency and default for the period of five years immediately before receipt of the application for reinstatement. The manager may reinstate an employee under the terms of a repayment agreement, provided that the repayment agreement is null and void, and the employer shall be denied the benefits and protection of chapter 176 effective from the date that such employer's account originally became delinquent, if the employer fails to make scheduled payments under the repayment agreement, to timely pay current premiums or to restore the premium deposit to the required amount by the end of the repayment period. The manager shall prescribe the form and information needed on applications for reinstatement.

Subd. 5. [EMPLOYEE PROTECTION.] No employee of an employer required by this chapter to subscribe to the state insurance fund shall be denied benefits provided by chapter 176 because the employer failed to subscribe or because the employer's account is either delinquent or in default. For injuries after December 31, 1989, such employees or employee dependents, shall be paid compensation from the fund, rather than the special compensation fund.

Subd. 6. [RIGHT OF ACTION.] The provisions of chapter 176 or 176A shall not deprive any individual of any cause of action which has accrued as a result of an injury or death which occurred during any period of delinquency not resolved in accordance with the provisions of this section, or after the failure to comply with the terms of a repayment agreement.

Subd. 7. [WITHDRAWAL.] Upon withdrawal from the fund or termination of election of any employer, the employer shall be refunded any balance due.

Subd. 8. [NOTICE.] The manager shall notify the commissioner of labor and industry, who shall notify the employees of any employer that the employer is no longer insured by the fund. The notice shall specify that the employer is delinquent under the workers' compen-

sation law; and, in the case of employers required by this chapter to subscribe and pay premiums to the fund, that the delinquent employer may be liable to employees for injuries under either workers' compensation law or common law or statute; and, in the case of employers not required by this chapter to subscribe and pay premiums to the fund, but voluntarily electing, that neither the employer nor the employees of such employer are protected by the workers' compensation law as to any injury sustained after the date specified in said notice. Such notice shall be in the form prescribed by the commissioner and must be posted in a conspicuous place at the employer's principal place of employment.

Sec. 23. [176A.17] [PREMIUMS FROM DEFAULTING EMPLOYERS; CIVIL REMEDIES; SECRETARY OF STATE TO WITHHOLD CERTIFICATES OF DISSOLUTION.]

Subdivision 1. [CIVIL ACTION.] The fund may commence a civil action against an employer who, after due notice, defaults in any payment required by this chapter. If judgment is against the employer the employer shall pay the costs of the action.

Subd. 2. [LIENS.] Any payment and interest thereon due and unpaid under this chapter shall be a personal obligation of the employer and shall, in addition thereto, be a lien enforceable against all the property of the employer.

Subd. 3. [INSOLVENCY.] If a business subject to the payments under this chapter shall be operated in connection with a receivership or insolvency proceeding in any Minnesota court, the court under whose direction such business is operated shall make provisions, so far as the assets in administration will permit, for the regular payment of such payments as the same became due.

Subd. 4. [CERTIFICATE OF DISSOLUTION.] The secretary of state of this state shall withhold the issuance of any certificate of dissolution or withdrawal in the case of any corporation organized under the laws of this state or admitted to do business in this state, until notified by the state insurance fund that all payments and interest owed by the corporation has been paid or that provision satisfactory to the manager has been made for payment.

Subd. 5. [EQUITABLE RELIEF.] If an employer required to subscribe to the fund defaults in payments of premium, premium deposit, or interest and the manager has been unable to collect such payments by civil remedies, the manager may bring an action to enjoin such employer from continuing to carry on the business in which such liability was incurred; provided, that the manager may, as an alternative, require such delinquent employer to file a bond in the form prescribed by the manager with satisfactory surety in an amount not less than 50 percent more than the payments and interest due.

Sec. 14. A Minnesota environment and natural resources trust fund is established that annually shall receive state appropriations, including two cents per pack from taxes on cigarettes, until the year 2015, at which time state appropriations to the fund must cease. Sec. 2. [115C.01] [FINDINGS.]

The legislature finds that all Minnesotans share the responsibility to ensure wise stewardship of the state’s environment and natural resources for the benefit of current citizens and future generations. Proper management of the state’s environment and natural resources includes and requires foresight, planning, and long-term activities that allow the state to preserve its high quality environment and provides for wise use of its natural resources. The legislature also finds that to undertake such activities properly, a long-term, consistent, and stable source of funding must be provided.

Sec. 3. [115C.02] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 2 to 13.

Subd. 2. [ADVISORY COMMITTEE.] "Advisory committee" means the advisory committee created in section 7.

Subd. 3. [COMMISSION.] "Commission" means the Minnesota future resources commission created in section 6.

Subd. 4. [TRUST FUND.] "Trust fund" means the Minnesota environment and natural resources trust fund.

Sec. 4. [115C.03] [PURPOSE AND INTENT OF TRUST FUND.]

Subdivision 1. [PURPOSE.] The purpose of the Minnesota environment and natural resources trust fund is to ensure that the environment and natural resources of the state will be protected, conserved, preserved and enhanced for current citizens and for future generations. Expenditures from the trust fund must be made only for activities that provide or contribute to long-term protection, conservation, preservation, or enhancement of the state's air, water, land, fish, wildlife, native vegetation, and other natural resources.

Subd. 2. [INTENT.] It is the intent of the legislature that the trust fund not be used as a substitute for traditional sources of funding environmental and natural resources activities, but that the trust fund supplement those traditional sources, including those sources used to support the categories established in section 9, subdivision 1. The trust fund must be used to primarily support activities whose benefits become available only over an extended period of time.

Sec. 5. [115C.04] [TRUST FUND ACCOUNT.]

Subdivision 1. [ESTABLISHMENT OF ACCOUNT AND INVESTMENT.] A Minnesota environment and natural resources trust fund, under article XI, section 14, of the Minnesota Constitution, if approved by the voters in the 1988 general election, is established as an account in the state treasury. The commissioner of finance shall credit to the trust fund all amounts authorized under section 1 and shall ensure that trust fund money is invested under section 11A.24. All money earned by the trust fund must be credited to the trust fund account and remains available until expended. The principal of the trust fund and any unexpended interest must be invested and reinvested by the state board of investment. The trust fund earns its proportionate share of the total annual state investment income.

Subd. 2. [REVENUE.] Revenue collected in accordance with this

section must be deposited monthly in the trust fund account. Nothing in sections 1 to 14 limit the source of contributions to the trust fund.

Subd. 3. [GIFTS AND DONATIONS.] Gifts and donations, including land or interests in land, may be made to the trust fund. Gifts and donations must be disposed of for cash as soon as the board prudently can maximize the value of the gift or donation. Gifts and donations of marketable securities may remain in their present form or be disposed of for cash at the option of the commission. The cash receipts of gifts and donations of cash or capital assets and marketable securities turned into cash must be credited immediately to the principal of the trust fund. The present value of marketable securities obtained as gifts and donations must be considered as part of the trust fund and any earnings generated must be treated as an earning of the trust fund.

Subd. 4. [TRANSFER OF BALANCES.] After June 30, 1989, balances remaining in the Minnesota resources fund under section 297.13, subdivision 1, must be transferred to the trust fund account created by subdivision 1.

Subd. 5. [AUDITS REQUIRED.] (a) The Minnesota future resources commission shall select a certified public accountant to annually audit the trust fund. The audit must be given to the governor and the legislature and be available to the public.

(b) The legislative audit commission shall audit trust fund expenditures to ensure that the money is spent for the purposes provided in the commission's budget plan.

Sec. 6. [115C.05] [MINNESOTA FUTURE RESOURCES COMMISSION.]

A Minnesota future resources commission of 16 members, consisting of the chairs of the house and senate committees on environment and natural resources, the chairs of the house appropriations and senate finance committees, six members of the senate appointed by the majority leader and six members of the house appointed by the speaker, shall develop a budget plan for expenditures from the trust fund and shall adopt a strategic plan as provided in section 9. At least two members from the senate and two members from the house must be from the minority caucus. Citizen members shall be appointed so that the following interests are represented:

- (1) environment;
- (2) fish and wildlife;
- (3) labor;
- (4) business; and
- (5) agriculture.

The governor's appointees must be confirmed by the senate. The membership terms, compensation, removal, and filling of vacancies for citizen members of the advisory committee are governed by section 15.0575. Notwithstanding section 15.06, subdivision 6, members of the advisory committee may not delegate their responsibilities to any other person.

Sec. 8. [115C.07] [RESOURCES CONGRESS.]

The advisory committee must convene a resources congress at least once every biennium. The congress must be open to all interested individuals. The purpose of the congress is to collect public input necessary to allow the Minnesota future resources commission, with the advice of the advisory committee, to develop a strategic plan to guide expenditures from the trust fund. The congress also may be convened to receive and review reports on trust fund projects.

Sec. 9. [115C.08] [TRUST FUND EXPENDITURES; EXCEPTIONS; PLANS.]

Subdivision 1. [EXPENDITURES.] Money in the trust fund may be spent for:

Subd. 2. [EXCEPTIONS.] No expenditure from the trust fund may be made for:

(1) purposes of environmental compensation and liability under chapter 115B;

(2) purposes of municipal water pollution control under the authority of chapters 115 and 116, including combined sewer overflow under section 116.162; or

(3) costs associated with the decommissioning of nuclear power plants.

Subd. 3. [STRATEGIC PLAN REQUIRED.] (a) The commission shall adopt a strategic plan for making expenditures from the trust fund, including identifying the priority areas for funding for the next six years. The strategic plan must be updated every two years. Project proposals inconsistent with the strategic plan are not eligible for funding from the trust fund.

(b) The advisory committee shall develop the initial outline of the plan, taking into consideration the categories established in subdivision 1. The advisory committee shall place an outline of the strategic plan before the resources congress for review and comment and develop a draft strategic plan based on comments made by the resources congress before submitting it to the commission for approval.

(c) The commission may accept or modify the draft of the strategic plan submitted to it by the advisory committee before voting on the plan's adoption.

Subd. 4. [BUDGET PLAN.] (a) Funding may be provided only for those projects that meet the categories established in subdivision 1.

(b) Projects submitted to the commission for funding must be referred to the advisory committee for recommendation, except that research proposals first must be reviewed by the peer review panel created in this section. The advisory committee must review all project proposals for funding and make recommendations to the commission on whether:

(1) the projects meet the standards and funding categories set forth in sections 2 to 13;

(2) the projects duplicate existing federal, state, or local projects being conducted within the state; and

(3) the projects are consistent with the most recent strategic plan adopted by the commission.

(c) The commission must adopt a budget plan to make expenditures from the trust fund for the purposes provided in subdivision 1. The budget plan must be submitted to the governor for inclusion in the biennial budget and supplemental budget submitted to the legislature.

(d) Expenditures from the trust fund are subject to approval by the legislative appropriations process and approval by the governor, except that individual projects must be approved or not approved in their entirety and new projects may not be added. Funding for any project not approved by the governor and the legislature must be returned to the trust fund account and remains available until expended.

Subd. 5. [PUBLIC MEETINGS.] All advisory committee and commission meetings must be open to the public. The commission shall attempt to meet at least once in each of the state's congressional districts during each biennium.

Subd. 6. [PEER REVIEW.] (a) Research proposals must include a stated purpose, timeline, potential outcomes and an explanation of the need for the research. All research proposals must be reviewed by a peer review panel before receiving an appropriation from the trust fund.

In conducting these reviews, the peer review panel shall:

(1) comment on the methodology proposed and whether it can be expected to yield appropriate and useful information and data;

(2) comment on the need for the research and about similar existing information available, if any;

(3) comment on whether the research proposed meets the categories of subdivision 1; and

(4) report to the commission and advisory committee on clauses (1) to (3).

(b) The peer review panel also must review completed research proposals that have received an appropriation from the trust fund and comment and report upon whether the project reached the intended goals.

Subd. 7. [PEER REVIEW PANEL MEMBERSHIP.] (a) The peer review panel must consist of at least five but not more than 11 members who are knowledgeable in general research methods, including but not limited to the areas of air quality research, water research, fish and wildlife management research, environmental health research, and soil conservation research.

(b) Members of the peer review panel shall be selected by the commission and serve four-year staggered terms according to section 15.059. The commission may select additional temporary members for any research proposal deemed to be too technical for adequate peer review by the panel in paragraph (a). Members of the peer review panel shall elect a chair every two years, who shall be responsible for convening meetings of the panel as often as is necessary to fulfill its duties as prescribed in this section. Compensation of panel members is governed by section 15.059, subdivision 3.

Sec. 10. [115C.09] [ADMINISTRATION.]

Subdivision 1. [ADMINISTRATIVE AUTHORITY.] The commission may appoint legal and other personnel and consultants necessary to carry out their functions and duties as well as those of the advisory committee. Permanent employees shall be in the unclassified service. In addition, the commission may request staff assistance and data from any other agency of state government as needed for the execution of the responsibilities of the commission and advisory committee and an agency must promptly furnish it.

Subd. 2. [ADMINISTRATIVE EXPENSE.] (a) For the first five years of operation, the commission shall submit to the legislature for approval a budget plan that contains a reasonable amount for administrative expenses of the commission and advisory committee. The administrative expenses of the commission and advisory committee shall be paid from the general fund until June 30, 1990.

(b) For the sixth year and thereafter, the expenses of the commission and advisory committee combined may not exceed an amount equal to two percent of the total interest earned by the trust fund in the preceding fiscal year.

(c) The commission and the advisory committee must include their administrative expense in the budget plan submitted to the governor or the legislature.

Subd. 3. [CONFLICT OF INTEREST.] A commission member, advisory committee member, peer review panelist, or an employee of the commission, may not participate in or vote on a decision of the commission, advisory committee, or peer review panel relating to an organization in which the member, panelist, or employee has either a direct or indirect personal financial interest. While serving on the legislative commission, advisory committee, or peer review panel, or being an employee of the commission, a person shall avoid any potential conflict of interest.

Subd. 4. [REPORTS REQUIRED.] The commission shall, by July 1 of each even-numbered year, submit a report to the governor, the chairs of the house appropriations and senate finance committees and the chairs of the house and senate committees on environment and natural resources. Copies of the report must be available to the public. The report must include:

Sec. 11. [115C.10] [ROYALTIES, COPYRIGHTS, PATENTS.]

The trust fund owns and shall take title to that percentage of a royalty, copyright, or patent resulting from a project supported by the trust fund equal to the percentage of its total funding provided by the trust fund. Cash receipts resulting from a royalty, copyright, or patent, or the sale of the trust fund's rights to a royalty, copyright, or patent, must be immediately deposited in the principal of the trust fund. At its discretion, the commission may vote to relinquish the ownership or rights to a royalty, copyright, or patent resulting from a project supported by the trust fund to the project's proposer after the time as the amount of the original grant or loan, plus interest, has been repaid to the trust fund. This must be done before including the project in the budget plan submitted to the legislature and the governor under section 9.

Sec. 12. [115C.11] [AVAILABILITY OF FUNDS FOR DISBURSEMENT.]

The following sums are annually available from the Minnesota environment and natural resources trust fund for the budget plan developed by the commission, subject to legislative appropriation as provided in section 9, subdivision 4:

(1) interest earnings from the trust fund generated in the preceding year;

(2) (a) during the first fiscal year following the effective date of sections 2 to 13, up to 25 percent of the revenue deposited in the trust fund;

(b) during the second year following, up to 20 percent of the revenue deposited in the trust fund the preceding year;

(c) during the third year following, up to 15 percent of the revenue deposited in the fund the previous year;

Any funds not expended in the biennium they become available must be returned to the principal of the trust fund.

Sec. 13. [115C.12] [NATURAL RESOURCES LOAN PROGRAM.]

Subdivision 1. [LOANS AUTHORIZED.] When the principal of the trust fund equals or exceeds \$250,000,000, the commission may

vote to set aside not more than five percent of the principal of the trust fund in a natural resources loan account for investment purposes. The purpose of this account is to offer below market rate interest loans to local units of government for the purposes of water system improvements or emergency environmental protection, or both, including wastewater treatment, clean-up, and other programs consistent with the criteria established by section 9. The interest on a loan shall be calculated on the declining balance at a rate four percentage points below the secondary market yield of one-year United States treasury bills calculated according to section 549.09, subdivision 1, paragraph (c). An eligible project must prove that existing federal or state loans or grants have not been adequate for the emergency purpose. The amount of the loan, including the interest, must be repaid to the trust fund.

Subd. 2. [APPLICATION AND ADMINISTRATION.] The commission must adopt a procedure for the issuance of the natural resource loans. The commission also must ensure that the loan account is administered according to its fiduciary standards and requirements.

Subd. 3. [EXCEPTION INAPPLICABLE.] The exception noted in section 9, subdivision 2, clause 2, does not apply to loans issued from the natural resources loan account.

Sec. 14. Minnesota Statutes 1987 Supplement, section 116C.69, subdivision 3, is amended to read:

Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, monitoring of conditions placed on site certificates and construction permits, and all other work, other than specific site and route designation, from an assessment made quarterly, at least 30 days before the start of each quarter, by the board against all utilities with annual retail kilowatt-hour sales greater than 4,000,000 kilowatt-hours in the previous calendar year.

Until June 30, 1992, the assessment shall also include an amount sufficient to cover 60 percent of the costs to the pollution control agency of achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, reprinting informational booklets on acid rain, and costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The director of the pollution control agency must prepare a work plan and budget and submit them annually by June 30 to the pollution control agency board. The agency board must take public testimony on the budget and work plan. After the agency board approves the work plan and budget they must be submitted annually to the legislative commission on ~~Minnesota resources~~ waste management for review and recommendation before an assessment is levied. Each share

shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail kilowatt-hour sales in the state of all these utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all these utilities, multiplied by 0.333, as determined by the board. The assessment shall be credited to the special revenue fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the sum of the annual budget of the board for carrying out the purposes of this subdivision plus 60 percent of the annual budget of the pollution control agency for achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, for reprinting informational booklets on acid rain, and for costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The assessment for the second quarter of each fiscal year shall be adjusted to compensate for the amount by which actual expenditures by the board and the pollution control agency for the preceding fiscal year were more or less than the estimated expenditures previously assessed.

Sec. 15. Minnesota Statutes 1986, section 290.431, is amended to read:

290.431 [NONGAME WILDLIFE CHECKOFF.]

Every individual who files an income tax return or property tax refund claim form may designate on their original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that individual and paid into an account to be established for the management of nongame wildlife. The commissioner of revenue shall, on the income tax return and the property tax refund claim form, notify filers of their right to designate that a portion of their tax or refund shall be paid into the nongame wildlife management account. The sum of the amounts so designated to be paid shall be credited to the nongame wildlife management account for use by the nongame program of the section of wildlife in the department of natural resources. All interest earned on money accrued in the nongame wildlife management account shall be credited to the account by the state treasurer. The commissioner of natural resources shall submit a work program for each fiscal year and semiannual progress reports to the legislative commission on Minnesota future resources commission in the form determined by the commission. None of the money provided in this section may be expended unless the commission has approved the work program.

The state pledges and agrees with all contributors to the nongame wildlife management account to use the funds contributed solely for the management of nongame wildlife projects and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of nongame wildlife.

Sec. 7. [82.41] [GOOD FAITH REQUIRED.]

Each disclosure required by this act and each act that may be performed in making the disclosure, shall be made in good faith. "Good faith" means honesty in fact in the conduct of the transaction.

Sec. 8. [82.42] [EFFECT OF OTHER LAW.]

Subdivision 1. [DISCLOSURE NOT A LIMITATION.] The requirements of this act do not limit or abridge any obligation for disclosure created by any other law or any obligation that exists to prevent fraud, misrepresentation, or deceit in the transfer transaction.

Subd. 2. [MUNICIPAL ORDINANCES ALLOWED.] A county, town, or statutory or home rule charter city may adopt an ordinance changing or adding to the requirements of this act only if the ordinance requires greater disclosure, increases a seller's liability, or otherwise provides a greater degree of buyer protection.

Sec. 9. [82.43] [AMENDMENT OF DISCLOSURES.]

Any disclosure statement made pursuant to this act may be amended in writing by the seller. An amendment is subject to section 3.

Sec. 10. [82.44] [DELIVERY OF DISCLOSURES.]

Delivery of the disclosure statement must be made by personal delivery or by mail to the prospective buyer. Delivery to the spouse of a buyer is delivery to the buyer, unless provided otherwise by contract.

Sec. 11. [82.45] [BROKER RESPONSIBILITY.]

Subdivision 1. [WHICH BROKER TO DELIVER.] If more than one licensed real estate broker is acting as an agent in a transaction subject to this act, the selling broker shall, except as otherwise provided in this act, deliver the required disclosure statement to the buyer, unless the seller has given other written instructions for delivery.

Subd. 2. [ADVICE TO BUYER.] If a licensed real estate broker responsible for delivering the disclosure statement under this section cannot obtain the statement and does not have written assurance from the buyer that it has been received, the broker shall advise the buyer in writing of the buyer's right to the disclosure.

Sec. 12. [82.46] [FAILURE TO COMPLY.]

Subdivision 1. [EFFECT ON TRANSFER.] No transfer subject to this act is invalid solely because of the failure of any person to comply with any provision of it.

Subd. 2. [DAMAGES.] A person who negligently violates or fails to perform any duty prescribed by sections 1 to 13 is liable to the buyer in the amount of actual damages suffered by the buyer caused by the lack of accurate disclosure. A person who willfully violates or fails to perform any duty prescribed by sections 1 to 13 is liable to the buyer in the amount of double the actual damages suffered by the buyer.

A buyer who knowingly fails to request the disclosure statement from the seller may not recover damages from any person for failure to comply with the provisions of this act.

Subd. 3. [LIMITATIONS.] An action for damages based on violation of this act must be brought within three years of the date of transfer of the property and must be filed within one year of the date on which the facts alleged in the complaint could reasonably have been known. Nothing in this act relieves a buyer of the duty to exercise reasonable care with respect to facts known to the buyer or reasonably discoverable by the buyer.

Sec. 13. [82.47] [MEDIATION.]

The parties to any unsettled dispute that arises pursuant to this act must submit the dispute for mediation pursuant to sections 572.31 to 572.40 prior to bringing suit in district court, unless the parties have agreed to another alternative dispute resolution mechanism such as arbitration. Sec. 23. Minnesota Statutes 1987 Supplement, section 62A.041, is amended to read:

62A.041 [MATERNITY BENEFITS.]

Subdivision 1. [DISCRIMINATION PROHIBITED AGAINST UNMARRIED WOMEN.] Each group policy of accident and health insurance and each group health maintenance contract shall provide the same coverage for maternity benefits to unmarried women and minor female dependents that it provides to married women including the wives of employees choosing dependent family coverage. If an unmarried insured or an unmarried enrollee is a parent of a dependent child, each group policy and each group contract shall provide the same coverage for that child as that provided for the child of a married employee choosing dependent family coverage if the insured or the enrollee elects dependent family coverage.

Each individual policy of accident and health insurance and each individual health maintenance contract shall provide the same coverage for maternity benefits to unmarried women and minor female dependents as that provided for married women. If an unmarried insured or an unmarried enrollee is a parent of a dependent child, each individual policy and each individual contract shall also provide the same coverage for that child as that provided for the child of a married insured or a married enrollee choosing dependent family coverage if the insured or the enrollee elects dependent family coverage.

Subd. 2. [LIMITATION ON COVERAGE PROHIBITED.] Each group policy of accident and health insurance, except for policies which only provide coverage for specified diseases, or each group subscriber contract of accident and health insurance or health maintenance contract, issued or renewed after August 1, 1987, shall include maternity benefits in the same manner as any other illness covered under the policy or contract.

Subd. 3. [ABORTION.] For the purposes of this section, the term "maternity benefits" shall not include elective, induced abortion whether performed in a hospital, other abortion facility, or the office of a physician.

This section applies to policies and contracts issued, delivered, or renewed after August 1, 1985, that cover Minnesota residents.

Sec. 24. [62A.047] [LIMITATION ON PREAUTHORIZATIONS.]

No policy of accident and sickness insurance issued or renewed in this state may contain a provision that renders an insured person ineligible to receive full benefits because of the insured's failure to obtain preauthorization if that failure occurs after emergency confinement or emergency treatment; provided, however, that to the extent that the insurer can show actual prejudice caused by the failure to obtain preauthorization, the insured may be denied all or part of their benefits.

Sec. 25. [62A.155] [TREATMENT RESTRICTIONS.]

No group policy or plan of health and accident insurance regulated under this chapter which provides coverage for a particular health care treatment or procedure shall contain a provision requiring that the health care treatment or procedure be performed within an unreasonable time period.

Sec. 26. Minnesota Statutes 1987 Supplement, section 62A.17, subdivision 2, is amended to read:

Subd. 2. [RESPONSIBILITY OF EMPLOYEE.] Every covered employee electing to continue coverage shall pay the former employer, on a monthly basis, the cost of the continued coverage. If the policy, contract, or health care plan is administered by a trust, every covered employee electing to continue coverage shall pay the trust the cost of continued coverage according to the eligibility rules established by the trust. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for similarly situated employees with respect to whom neither termination nor layoff has occurred, without regard to whether such cost is paid by the employer or employee. The employee shall be eligible to continue the coverage until the employee becomes covered satisfies any preexisting conditions limitations and obtains full health care coverage under another group health plan, or for a period of 18 months after the termination of or lay off from employment, whichever is shorter.

Sec. 27. [62A.215] [CONVERSION PRIVILEGES UNDER AN INDIVIDUAL AND GROUP POLICY.]

Subdivision 1. [COVERAGE PRIVILEGES.] Every individual and group policy, plan, or contract of accident and health insurance providing coverage of hospital or medical expenses, which in addition to covering the insured also provides coverage to the dependents of the insured, shall contain a provision allowing a former dependent of an insured, without providing evidence of insurability, to obtain from the insurer, upon the termination of coverage, conversion coverage providing at least the same policy, plan, or contract with identical coverage, priced at a rate appropriate for individuals of the same age and sex. A policy, plan, or contract providing reduced benefits at a reduced premium rate may be accepted by the former dependent in lieu of the optional coverage otherwise required by this section. The individual policy, plan, or contract shall be renewable annually at the option of the former dependent as long as the former dependent is not covered under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under title XVIII of the Social Security Act, as amended.

Subd. 2. [TERMINATION UPON ATTAINMENT OF SPECIFIC AGE.] Every individual and group policy, plan, or contract of accident and health insurance providing coverage of hospital or medical expenses, which in addition to covering the insured also provides coverage to the dependents of the insured, and which provides that coverage of a dependent child terminates upon attainment of a specified age, must also provide that attainment of that age does not terminate coverage while the dependent child is a full-time student in a college, university, or an area vocational technical institute accredited by the Minnesota department of education, except that coverage under the individual or group policy, plan, or contract need not be extended beyond age 23 for the full-time student.

This section applies to all policies, plans, and contracts issued by organizations licensed under chapters 62A, 62C, 62D, and 62H.

Sec. 28. Minnesota Statutes 1987 Supplement, section 62A.27, is amended to read:

Consequently, the policy or plan shall not contain any provision concerning preexisting condition limitations, insurability,

eligibility, or health underwriting approval concerning adopted children.

The coverage required by this section is effective from the date of placement for the purpose of adoption and continues unless the placement is disrupted prior to legal adoption and the child is removed from placement.

Sec. 29. Minnesota Statutes 1986, section 62A.46, subdivision 2, is amended to read:

Subd. 2. [LONG-TERM CARE POLICY.] "Long-term care policy" means an individual or group policy, certificate, subscriber contract, or other evidence of coverage that provides benefits for medically prescribed long-term care, including nursing facility services and home care services, and adult day care services, pursuant to the requirements of sections 62A.46 to ~~62A.56~~ 62A.58. A long-term care policy must contain a designation specifying whether the policy is a long-term care policy AA or A and a caption stating that the commissioner has established two categories of long-term care insurance and the minimum standards for each.

Sections 62A.46, 62A.48, and 62A.52 to ~~62A.56~~ 62A.58 do not apply to a long-term care policy issued to (a) an employer or employers or to the trustee of a fund established by an employer where only employees or retirees, and dependents of employees or retirees, are eligible for coverage or (b) to a labor union or similar employee organization. The associations exempted from the requirements of sections 62A.31 to 62A.44 under 62A.31, subdivision 1, clause (c) shall not be subject to the provisions of sections 62A.46 to ~~62A.56~~ 62A.58 until July 1, 1988.

Sec. 30. Minnesota Statutes 1986, section 62A.46, subdivision 4, is amended to read:

Subd. 4. [HOME CARE SERVICES.] "Home care services" means one or more of the following medically prescribed services for the long-term care and treatment of an insured that are provided by a home health agency in a noninstitutional setting or in an adult day care setting or by an adult day care facility in a noninstitutional setting according to a written diagnosis and plan of care:

(1) nursing and related personal care services under the direction of a registered nurse, including the services of a home health aide;

(2) physical therapy;

(3) speech therapy;

(4) respiratory therapy;

- (5) occupational therapy;
- (6) nutritional services provided by a licensed dietitian;
- (7) homemaker services, meal preparation, and similar nonmedical services;
- (8) medical social services; and
- (9) other similar medical services and health-related support services.

Sec. 31. Minnesota Statutes 1987 Supplement, section 62A.46, subdivision 11, is amended to read:

Subd. 11. [BENEFIT PERIOD.] "Benefit period" means one or more separate or combined periods of confinement covered by a long-term care policy in a nursing facility or at home while receiving home care services or while receiving services for adult day care. A benefit period begins on the first day the insured receives a benefit under the policy and ends when the insured has received no benefits for the same or related cause for an interval of 180 consecutive days.

Sec. 32. Minnesota Statutes 1987 Supplement, section 62A.48, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to ~~62A.56~~ 62A.58. A long-term care policy must cover medically prescribed long-term care in nursing facilities and at least the medically prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency and an adult day care facility. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums, and a requirement of prior hospitalization for up to one day may be imposed only for long-term care in a nursing facility. Coverage under a long-term care policy A must include: a maximum lifetime benefit limit of at least \$50,000 for services, nursing facility and home care coverages must not be subject to separate lifetime maximums, and a requirement of prior hospitalization for up to three days may be imposed for long-term care in a nursing facility or home care services. If long-term care policies require the policyholder to be admitted to a nursing facility or, begin home care services or the services of an adult day care

facility within a specified period after discharge from a hospital, that period may be no less than 30 days.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to meet a prior hospitalization test more than once during a single benefit period. No policy may require the insured to be home-bound or house-confined to receive home care services or adult day care. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

The insurer's system of classification for figuring premium rates must be reasonably designed to avoid an unfair burden on any class of insureds, and to promote predictability of future premiums.

Sec. 33. Minnesota Statutes 1987 Supplement, section 62A.48, subdivision 2, is amended to read:

Subd. 2. [PER DIEM COVERAGE.] If benefits are provided on a per diem basis, the minimum daily benefit for care in a nursing facility must be the lesser of \$60 or actual charges under a long-term care policy AA or the lesser of \$40 or actual charges under a long-term care policy A and the minimum benefit per visit for home care under a long-term care policy AA or A must be the lesser of \$25 or actual charges. The minimum daily benefit for adult day care under a long-term policy AA or A must be the lesser of \$25 or actual charge. The adult care benefit must cover seven days per week. The home care services benefit must cover at least seven paid visits per week.

Sec. 34. Minnesota Statutes 1987 Supplement, section 62A.48, subdivision 7, is amended to read:

Subd. 7. [EXISTING POLICIES.] Nothing in sections 62A.46 to ~~62A.56~~ 62A.58 prohibits the renewal of the following long-term policies:

(1) policies sold outside the state of Minnesota to persons who at the time of sale were not residents of the state of Minnesota;

(2) policies sold before August 1, 1986; and

(3) policies sold before July 1, 1988, by associations exempted from sections 62A.31 to 62A.44 under section 62A.31, subdivision 1a.

Sec. 35. Minnesota Statutes 1987 Supplement, section 62A.50, subdivision 3, is amended to read:

Subd. 3. [DISCLOSURES.] No long-term care policy shall be offered or delivered in this state, whether or not the policy is issued in this state, and no certificate of coverage under a group long-term care policy shall be offered or delivered in this state, unless a statement containing at least the following information is delivered to the applicant at the time the application is made:

(3) a statement of the renewal provisions including any reservation by the insurer of the right to change premiums;

(4) a statement that the outline of coverage is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions;

(5) an explanation of the policy's loss ratio including at least the following language: "This means that, on the average, policyholders may expect that \$ of every \$100 in premium will be returned as benefits to policyholders over the life of the contract."; and

(6) a statement of the out-of-pocket expenses, including deductibles and copayments for which the insured is responsible, and an explanation of the specific out-of-pocket expenses that may be accumulated toward any out-of-pocket maximum as specified in the policy;

(7) the following language, in bold print: “NOT EVERYONE NEEDS LONG-TERM CARE INSURANCE. THERE IS A PROGRAM CALLED MEDICAL ASSISTANCE WHICH HELPS PAY FOR NURSING HOME CARE. OUR AGENTS ARE NOT QUALIFIED TO EXPLAIN MEDICAL ASSISTANCE ELIGIBILITY OR COVERAGE. (8) the following language, in bold print: “YOUR PREMIUMS CAN BE INCREASED IN THE FUTURE. WE DO NOT KNOW, TODAY, HOW MUCH YOUR PREMIUM WILL BE IN FUTURE YEARS. THE RATE SCHEDULE THAT LISTS YOUR PREMIUM NOW CAN CHANGE.”;

(9) the following language, if applicable, in bold print: “A SIGNIFICANT NUMBER OF PEOPLE ARE NOT HOSPITALIZED PRIOR TO ENTERING A NURSING HOME OR NEEDING HOME CARE, AND THEY WOULD NOT BE ABLE TO COLLECT ANY BENEFITS UNDER THIS PARTICULAR POLICY.”; and

(10) a signed and completed copy of the application for insurance is left with the applicant at the time the application is made.

Sec. 36. Minnesota Statutes 1986, section 62A.54, is amended to read:

62A.54. [PROHIBITED PRACTICES.]

Unless otherwise provided for in Laws 1986, chapter 397, sections 2 to 8, the solicitation or sale of long-term care policies is subject to the requirements and penalties applicable to the sale of medicare supplement insurance policies as set forth in sections 62A.31 to 62A.44.

It is misconduct for any agent or company to make any misstatements concerning eligibility or coverage under the medical assistance program, or about how long-term care costs will or will not be financed if a person does not have long-term care insurance. Any inquiry regarding medical assistance or long-term care financing shall be answered with, and every oral marketing presentation must contain, the following statements: “There is a program called

medical assistance which helps pay for nursing home care. Our agents are (or I am) not qualified to advise you on medical assistance eligibility. For information on medical assistance you can call your local older Americans legal services program, your local office of ombudsman for older Minnesotans, or your county human services department."

Sec. 37. [62A.57] [POLICY REPLACEMENT.]

No insurer or agent shall replace a long-term care policy with another long-term care policy of the same category unless there is a substantial difference in cost favorable to the policyholder, or the insured has previously demonstrated a dissatisfaction with the service presently being received from the current insurer. An insurer or agent may replace an AA classification long-term care policy with an A classification long-term care policy only if the prospective insured signs an acknowledgment that it is understood that the prospective insured will receive fewer benefits under the new policy than under the policy presently in force.

Sec. 38. [62A.58] [RESTRICTIONS ON POLICY ISSUANCE.]

Subdivision 1. [DUPLICATE COVERAGE PROHIBITED.] No agent shall sell a long-term care policy, as defined in sections 62A.46 and 62A.48, to a person who currently has one plan in effect. However, an agent may sell a replacement plan under section 62A.57 if the second plan is not made effective any sooner than necessary to provide continuous benefits for preexisting conditions. An application for long-term care insurance must require a listing of all long-term care insurance maintained by the applicant as of the date the application and the date the existing coverage expires.

Subd. 2. [REFUNDS.] An insurer that issues a long-term care plan to a person who has one plan then in effect, except as permitted in subdivision 1, shall, at the request of the insured, either refund the premiums or pay any claims on the policy, whichever is greater.

Subd. 3. [ACTION BY COMMISSIONER.] If the commissioner determines after an investigation that an insurer has issued a long-term care plan to a person who already has one plan, except as permitted in subdivision 1, the commissioner shall notify the insurer in writing of the determination. If the insurer after notification fails to take reasonable action to prevent overselling, the commissioner may, in the manner prescribed in chapter 45, revoke or suspend the insurer's authority to sell accident and health insurance in the state or impose a civil penalty not to exceed \$10,000, or both.

Sec. 39. Minnesota Statutes 1986, section 62B.02, subdivision 6, is amended to read:

Subd. 6. "Indebtedness" means the total amount payable by a debtor to a creditor in connection with a loan or other credit transaction.

"Indebtedness" for purposes of credit life insurance means the original principal amount of the loan or credit transaction including interest earned or precomputed. For contracts payable in installments, indebtedness means the original principal amount payable or scheduled to be paid determined on the actuarial basis.

Sec. 40. Minnesota Statutes 1987 Supplement, section 62E.06, subdivision 1, is amended to read:

Subdivision 1. The coverage shall include a limitation of \$3,000 per person on total annual out-of-pocket expenses for services covered under this subdivision. The coverage shall be subject to a maximum lifetime benefit of not less than \$250,000.

The \$3,000 limitation on total annual out-of-pocket expenses and the \$250,000 maximum lifetime benefit shall not be subject to change or substitution by use of an actuarially equivalent benefit.

(b) Covered expenses shall be the usual and customary charges for the following services and articles when prescribed by a physician:

- (1) hospital services;
- (2) professional services for the diagnosis or treatment of injuries, illnesses, or conditions, other than dental, which are rendered by a physician or at the physician's direction;
- (3) drugs requiring a physician's prescription;

(1) any charge for care for injury or disease either (i) arising out of an injury in the course of employment and subject to a workers' compensation or similar law, (ii) for which benefits are payable without regard to fault under coverage statutorily required to be contained in any motor vehicle, or other liability insurance policy or equivalent self-insurance, or (iii) for which benefits are payable under another policy of accident and health insurance, Medicare or any other governmental program except as otherwise provided by law section 62A.04, subdivision 3, clause (3);

(2) any charge for treatment for cosmetic purposes other than for reconstructive surgery when such service is incidental to or follows surgery resulting from injury, sickness or other diseases of the involved part or when such service is performed on a covered dependent child because of congenital disease or anomaly which has resulted in a functional defect as determined by the attending physician;

(3) care which is primarily for custodial or domiciliary purposes which would not qualify as eligible services under Medicare;

(4) any charge for confinement in a private room to the extent it is in excess of the institution's charge for its most common semiprivate room, unless a private room is prescribed as medically necessary by a physician, provided, however, that if the institution does not have semiprivate rooms, its most common semiprivate room charge shall be considered to be 90 percent of its lowest private room charge;

(5) that part of any charge for services or articles rendered or prescribed by a physician, dentist, or other health care personnel which exceeds the prevailing charge in the locality where the service is provided; and

(g) Outpatient mental health coverage is subject to section 62A.152, subdivision 2.

Sec. 41. [65A.061] [CREDITORS LIMITED TO EXISTING INSURANCE.]

Notwithstanding any other law to the contrary, when a creditor requires the obligors to provide insurance on real or personal property security against reasonable risks of loss, damage, or destruction, no insurance shall be sold or placed by or through the creditor if the obligor provides the creditor with a loss payable through existing policies of insurance that the obligor owns or controls unless the existing insurance is in an amount less than the

amount of indebtedness to be secured of the real or personal property.

Sec. 42. Minnesota Statutes 1986, section 65A.08, is amended by adding a subdivision to read:

Subd. 7. [APPLICATION.] This section applies to homeowner's insurance and mobile home insurance policies.

Sec. 43. Minnesota Statutes 1986, section 65A.11, is amended to read:

65A.11 [PAYMENT TO MORTGAGEE.]

For purposes of this section, (1) "mortgagee" includes a trustee or a seller under a contract of sale agreement; and (2) "mortgage" includes a contract of sale.

Sec. 44. Minnesota Statutes 1986, section 65A.33, subdivision 3, is amended to read:

Subd. 3. Sec. 45. Minnesota Statutes 1987 Supplement, section 65B.15, subdivision 1, is amended to read:

Subdivision 1. No cancellation or reduction in the limits of liability of coverage during the policy period of any policy shall be effective unless notice thereof is given and unless based on one or more reasons stated in the policy which shall be limited to the following:

1. Nonpayment of premium; or

2. The policy was obtained through a material misrepresentation;
or

3. Any insured made a false or fraudulent claim or knowingly aided or abetted another in the presentation of such a claim; or

4. The named insured failed to disclose fully motor vehicle accidents and moving traffic violations of the named insured for the preceding 36 months if called for in the written application; or

5. The named insured failed to disclose in the written application any requested information necessary for the acceptance or proper rating of the risk; or

6. The named insured knowingly failed to give any required written notice of loss or notice of lawsuit commenced against the named insured, or, when requested, refused to cooperate in the investigation of a claim or defense of a lawsuit; or

7. The named insured or any other operator who either resides in the same household, ~~unless the other operator is identified by name in any other policy as an insured~~; or customarily operates an automobile insured under such policy, unless the other operator is identified by name in another policy as an insured:

(a) has, within the 36 months prior to the notice of cancellation, had that person's driver's license under suspension or revocation; or

(b) is or becomes subject to epilepsy or heart attacks, and such individual does not produce a written opinion from a physician testifying to that person's medical ability to operate a motor vehicle safely, such opinion to be based upon a reasonable medical probability; or

(c) has an accident record, conviction record (criminal or traffic), physical condition or mental condition, any one or all of which are such that the person's operation of an automobile might endanger the public safety; or

(d) has been convicted, or forfeited bail, during the 24 months immediately preceding the notice of cancellation for criminal negligence in the use or operation of an automobile, or assault arising out of the operation of a motor vehicle, or operating a motor vehicle while in an intoxicated condition or while under the influence of drugs; or leaving the scene of an accident without stopping to report; or making false statements in an application for a driver's license, or theft or unlawful taking of a motor vehicle; or

(e) has been convicted of, or forfeited bail for, one or more violations within the 18 months immediately preceding the notice of

cancellation, of any law, ordinance, or rule which justify a revocation of a driver's license.

8. The insured automobile is:

(1) so mechanically defective that its operation might endanger public safety; or

(2) used in carrying passengers for hire or compensation, provided however that the use of an automobile for a car pool shall not be considered use of an automobile for hire or compensation; or

(3) used in the business of transportation of flammables or explosives; or

(4) an authorized emergency vehicle; or

(5) subject to an inspection law and has not been inspected or, if inspected, has failed to qualify within the period specified under such inspection law; or

(6) substantially changed in type or condition during the policy period, increasing the risk substantially, such as conversion to a commercial type vehicle, a dragster, sports car or so as to give clear evidence of a use other than the original use.

Sec. 46. Minnesota Statutes 1986, section 65B.44, subdivision 3, is amended to read:

Subd. 3. [DISABILITY AND INCOME LOSS BENEFITS.] Disability and income loss benefits shall provide compensation for 85 percent of the injured person's loss of present and future gross income from inability to work proximately caused by the nonfatal injury subject to a maximum of \$250 per week. Loss of income includes the costs incurred by a self-employed person to hire substitute employees to perform tasks which are necessary to maintain the income of the injured person, which are normally performed by the injured person, and which cannot be performed because of the injury.

If the injured person is unemployed at the time of injury and is receiving or is eligible to receive unemployment benefits under chapter 268, but the injured person loses eligibility for those benefits because of inability to work caused by the injury, disability and income loss benefits shall provide compensation for the lost benefits in an amount equal to the unemployment benefits which otherwise would have been payable, subject to a maximum of \$250 per week.

Compensation under this subdivision shall be reduced by any income from substitute work actually performed by the injured person or by income the injured person would have earned in

available appropriate substitute work which the injured person was capable of performing but unreasonably failed to undertake.

For the purposes of this section "inability to work" means disability which prevents the injured person from engaging in any substantial gainful occupation or employment on a regular basis, for wage or profit, for which the injured person is or may by training become reasonably qualified. If the injured person returns to employment and is unable by reason of the injury to work continuously, compensation for lost income shall be reduced by the income received while the injured person is actually able to work. The weekly maximums may not be prorated to arrive at a daily maximum, even if the injured person does not incur loss of income for a full week.

For the purposes of this section, an injured person who is "unable by reason of the injury to work continuously" includes, but is not limited to, a person who misses time from work, including reasonable travel time, to obtain medical treatment for an injury arising out of the maintenance or use of a motor vehicle.

Sec. 47. Minnesota Statutes 1987 Supplement, section 65B.49, subdivision 5a, is amended to read:

Subd. 5a. [RENTAL VEHICLES.] (a) ~~No~~ Every plan of reparation security may be issued or renewed after August 1, 1987, unless the plan provides that all coverages under the plan are extended to any motor vehicle while being rented by the named insured. The plan insuring a natural person as named insured, covering private passenger vehicles as defined under section 65B.001, subdivision 3 must also provide that all or any part of the obligation of the named insured for property damage and loss of use to a rented vehicle would be covered by the collision or comprehensive portion of the plan. The plan must provide that any deductible will not apply to claims that arise while a motor vehicle is being rented by a named insured property damage liability portion of the plan. The obligation of the plan must not be contingent on fault or negligence. In all cases where the plan's property damage liability coverage is less than \$25,000, the coverage available under the subdivision must be \$25,000. Other than as described in this paragraph, nothing in this section amends or alters the provisions of the plan of reparation security as to primacy of the coverages in section 65B.49.

(b) A vehicle is rented for purposes of this subdivision if the rate for the use of the vehicle is determined on a weekly or daily basis. A vehicle is not rented for purposes of this subdivision if the rate for the vehicle's use is determined on a monthly or longer period ~~or the~~ vehicle is rented principally for business purposes.

(c) The policy or certificate issued by the plan must inform the insured of the application of the plan to rental vehicles and that the

insured may not need to purchase additional coverage from the rental company.

(d) Where an insured has two or more vehicles covered by a plan or plans of reparation security containing the rented motor vehicle coverage required under paragraph (a), claims must be made against the plan covering the motor vehicle most often driven by the insured may select the plan the insured wishes to collect from and that plan is entitled to a pro rata contribution from the other plan or plans based upon the property damage limits of liability.

(e) A notice advising the insured of rental vehicle coverage must be given by the reparation obligor to each current insured with the first renewal notice after January 1, ~~1988~~ 1989. The notice must be approved by the commissioner of commerce. ~~The commissioner may specify the form of the notice. A form approved by the commissioner must be reasonably calculated to put the insured on notice of the coverage.~~

(f) When a motor vehicle is rented or leased in this state on a weekly or daily basis, the rental contract must contain a written notice in at least 10-point bold type, if printed, or in capital letters, if typewritten, which states:

Under Minnesota law, a personal automobile insurance policy issued in Minnesota must cover the rental of a this motor vehicle unless the rental is principally for business use or rented on a monthly or longer basis against damage to the vehicle and against loss of use of the vehicle. Therefore, purchase of any collision damage waiver or other similar insurance affected in this rental contract may is not be necessary if your policy was issued in Minnesota.

No collision damage waiver or other insurance offered as part of or in conjunction with a rental of a motor vehicle may be sold unless the person renting the vehicle provides a written acknowledgment that the above consumer protection notice has been read and understood.

(g) When damage to a rented vehicle is covered by a plan of reparation security as provided under paragraph (a), the rental contract must state that payment by the reparation obligor within the time limits of section 72A.201 is acceptable, and prior payment by the renter is not required.

Sec. 48. Minnesota Statutes 1987 Supplement, section 65B.525, subdivision 1, is amended to read:

Subdivision 1. The supreme court and the several courts of general trial jurisdiction of this state shall by rules of court or other

constitutionally allowable device, provide for the mandatory submission to binding arbitration of all cases at issue where the claim at the commencement of arbitration is in an amount of \$5,000 or less against any insured's reparation obligor for no-fault benefits or comprehensive or collision damage coverage.

Sec. 49. Minnesota Statutes 1987 Supplement, section 72A.125, is amended by adding a subdivision to read:

Subd. 3. [COLLISION DAMAGE WAIVER.] A "collision damage waiver" is a discharge of the responsibility of the renter or leasee to return the motor vehicle in the same condition as when it was first rented. The waiver is a full and complete discharge of the responsibility to return the vehicle in the same condition as when it was first rented. The waiver may not contain any exclusions.

Sec. 50. Minnesota Statutes 1987 Supplement, section 72A.20, subdivision 15, is amended to read:

Subd. 15. [PRACTICES NOT HELD TO BE DISCRIMINATION OR REBATES.] Nothing in subdivision 8, 9, or 10, or in section 72A.12, subdivisions 3 and 4, shall be construed as including within the definition of discrimination or rebates any of the following practices:

- (1) in the case of any contract of life insurance or annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, provided that any bonuses or abatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;
- (2) in the case of life insurance policies issued on the industrial debit plan, making allowance, to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer, in an amount which fairly represents the saving in collection expense;
- (3) readjustment of the rate of premium for a group insurance policy based on the loss or expense experienced thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year;
- (4) in the case of an individual or group health insurance policy, the payment of differing amounts of reimbursement to insureds who elect to receive health care goods or services from providers designated by the insurer, provided that each insurer shall on or before August 1 of each year file with the commissioner summary data regarding the financial reimbursement offered to providers so designated.

Any insurer which proposes to offer an arrangement authorized under this clause shall disclose prior to its initial offering and on or before August 1 of each year thereafter as a supplement to its annual statement submitted to the commissioner pursuant to section 60A.13, subdivision 1, the following information:

(a) the name which the arrangement intends to use and its business address;

(b) the name, address, and nature of any separate organization which administers the arrangement on the behalf of the insurers; and

(c) the names and addresses of all providers designated by the insurer under this clause and the terms of the agreements with designated health care providers.

The commissioner shall maintain a record of arrangements proposed under this clause, including a record of any complaints submitted relative to the arrangements.

If the commissioner requests copies of contracts with provider under this clause, all information contained in the contracts whose release the commissioner determines may place the provider at a competitive disadvantage is nonpublic data.

Sec. 51. Minnesota Statutes 1987 Supplement, section 72A.20, subdivision 17, is amended to read:

Subd. 17. [RETURN OF PREMIUMS.] (a) ~~Refusing, upon surrender of an individual policy of life insurance, to refund to the estate of the insured all unearned premiums paid on the policy covering the insured as of the time of the insured's death if the unearned premium is for a period of more than one month.~~

~~The insurer may deduct from the premium any previously accrued claim for loss or damage under the policy.~~

~~For the purposes of this section, a premium is unearned during the period of time the insurer has not been exposed to any risk of loss. Refusing, upon surrender of an individual policy of life insurance, to refund to the owner all unearned premiums paid on the policy.~~

(b) Refusing, upon termination or cancellation of a policy of automobile insurance under section 65B.14, subdivision 2, or a policy of homeowner's insurance under section 65A.27, subdivision 4, or a policy of accident and sickness insurance under section 62A.01, or a policy of comprehensive health insurance under chapter 62E, to refund to the insured all unearned premiums paid on the

policy covering the insured as of the time of the termination or cancellation if the unearned premium is for a period of more than one month.

The insurer may deduct from the premium any previously accrued claim for loss or damage under the policy.

For purposes of this section, a premium is unearned during the period of time the insurer has not been exposed to any risk of loss. Except for premiums for motorcycle coverage, the unearned premium is determined by multiplying the premium by the fraction that results from dividing the period of time the policy has been in force by the period of time for which the premium was paid.

Sec. 52. Minnesota Statutes 1986, section 72A.20, is amended by adding a subdivision to read:

Subd. 20. No insurance company doing business in this state shall engage in any selection or underwriting practice which is arbitrary, capricious, or unfairly discriminatory.

Sec. 53. Minnesota Statutes 1986, section 72A.20, is amended by adding a subdivision to read:

Subd. 21. [NOTICE OF NONRENEWAL.] No insurer shall fail to renew an individual life or health policy or nonprofit health service plan subscriber contract for nonpayment of premium unless it mails or delivers to the named insured, at the address shown on the policy or subscriber contract at least ten business days before lapse, final notice to pay the premium due for the specified period of coverage.

Proof of mailing of the notice of lapse for failure to pay the premium before the expiration of the grace period is sufficient proof that notice required in this subdivision has been given.

Sec. 54. Minnesota Statutes 1986, section 72A.20, is amended by adding a subdivision to read:

Subd. 22. [DISCRIMINATION IN AUTOMOBILE POLICIES.] (a) No insurer that offers an automobile insurance policy in this state may use unemployment as a basis for denial of coverage.

(b) No insurer that offers an automobile policy in this state may deny coverage based on the failure to have an automobile policy in force during the two years prior to the application.

Sec. 55. Minnesota Statutes 1987 Supplement, section 72A.201, subdivision 4, is amended to read:

Subd. 4. [STANDARDS FOR CLAIM FILING AND HANDLING.]
The following acts by an insurer, an adjuster, a self-insured, or a self-insurance administrator constitute unfair settlement practices:

(1) except for claims made under a health insurance policy, after receiving notification of claim from an insured or a claimant, failing to acknowledge receipt of the notification of the claim within ten business days, and failing to promptly provide all necessary claim forms and instructions to process the claim, unless the claim is settled within ten business days. The acknowledgment must include the telephone number of the company representative who can assist the insured or the claimant in providing information and assistance that is reasonable so that the insured or claimant can comply with the policy conditions and the insurer's reasonable requirements. If an acknowledgment is made by means other than writing, an appropriate notation of the acknowledgment must be made in the claim file of the insurer and dated. An appropriate notation must include at least the following information where the acknowledgment is by telephone or oral contact:

(i) the telephone number called, if any;

(ii) the name of the person making the telephone call or oral contact;

(iii) the name of the person who actually received the telephone call or oral contact;

(iv) the time of the telephone call or oral contact; and

(v) the date of the telephone call or oral contact;

(2) failing to reply, within ten business days of receipt, to all other communications about a claim from an insured or a claimant that reasonably indicate a response is requested or needed;

(3) unless provided otherwise by law or in the policy, failing to complete its investigation and inform the insured or claimant of acceptance or denial of a claim within 30 business days after receipt of notification of claim unless the investigation cannot be reasonably completed within that time. In the event that the investigation cannot reasonably be completed within that time, the insurer shall notify the insured or claimant within the time period of the reasons why the investigation is not complete and the expected date the investigation will be complete. For claims made under a health policy the notification of claim must be in writing;

(4) where evidence of suspected fraud is present, the requirement to disclose their reasons for failure to complete the investigation within the time period set forth in clause (3) need not be specific.

The insurer must make this evidence available to the department of commerce if requested;

(5) failing to notify an insured who has made a notification of claim of all available benefits or coverages which the insured may be eligible to receive under the terms of a policy and of the documentation which the insured must supply in order to ascertain eligibility;

(6) unless otherwise provided by law or in the policy, requiring an insured to give written notice of loss or proof of loss within a specified time, and thereafter seeking to relieve the insurer of its obligations if the time limit is not complied with, unless the failure to comply with the time limit prejudices the insurer's rights and then only if the insurer gave prior notice to the insured of the potential prejudice;

(7) advising an insured or a claimant not to obtain the services of an attorney or an adjuster, or representing that payment will be delayed if an attorney or an adjuster is retained by the insured or the claimant;

(8) failing to advise in writing an insured or claimant who has filed a notification of claim known to be unresolved, and who has not retained an attorney, of the expiration of a statute of limitations at least 60 days prior to that expiration. For the purposes of this clause, any claim on which the insurer has received no communication from the insured or claimant for a period of two years preceding the expiration of the applicable statute of limitations shall not be considered to be known to be unresolved and notice need not be sent pursuant to this clause;

(9) demanding information which would not affect the settlement of the claim;

(10) unless expressly permitted by law or the policy, refusing to settle a claim of an insured on the basis that the responsibility should be assumed by others;

(11) failing, within 60 business days after receipt of a properly executed proof of loss, to advise the insured of the acceptance or denial of the claim by the insurer. No insurer shall deny a claim on the grounds of a specific policy provision, condition, or exclusion unless reference to the provision, condition, or exclusion is included in the denial. The denial must be given to the insured in writing with a copy filed in the claim file;

(12) denying or reducing a claim on the basis of an application which was altered or falsified by the agent or insurer without the knowledge of the insured;

(13) failing to notify the insured of the existence of the additional living expense coverage when an insured under a homeowners policy sustains a loss by reason of a covered occurrence and the damage to the dwelling is such that it is not habitable;

(14) failing to inform an insured or a claimant that the insurer will pay for an estimate of repair if the insurer requested the estimate and the insured or claimant had previously submitted two estimates of repair; and

(15) failing to inform an insured or claimant of all coverages and the dollar amount of all coverages under the insured's insurance policy or policies when that information is requested by the claimant or insured.

Sec. 56. Minnesota Statutes 1987 Supplement, section 72A.201, subdivision 5, is amended to read:

Subd. 5. [STANDARDS FOR FAIR SETTLEMENT OFFERS AND AGREEMENTS.] The following acts by an insurer, an adjuster, a self-insured, or a self-insurance administrator constitute unfair settlement practices:

(1) making any partial or final payment, settlement, or offer of settlement, which does not include an explanation of what the payment, settlement, or offer of settlement is for;

(2) making an offer to an insured of partial or total settlement of one part of a claim contingent upon agreement to settle another part of the claim;

(3) refusing to pay one or more elements of a claim by an insured for which there is no good faith dispute;

(4) threatening cancellation, rescission, or nonrenewal of a policy as an inducement to settlement of a claim;

(5) notwithstanding any inconsistent provision of section 65A.01, subdivision 3, failing to issue payment for any amount finally agreed upon in settlement of all or part of any claim within five business days from the receipt of the agreement by the insurer or from the date of the performance by the claimant of any conditions set by such agreement, whichever is later;

(6) failing to inform the insured of the policy provision or provisions under which payment is made;

(7) settling or attempting to settle a claim or part of a claim with an insured under actual cash value provisions for less than the value of the property immediately preceding the loss, including all appli-

cable taxes and license fees. In no case may an insurer be required to pay an amount greater than the amount of insurance;

(8) except where limited by policy provisions, settling or offering to settle a claim or part of a claim with an insured under replacement value provisions for less than the sum necessary to replace the damaged item with one of like kind and quality, including all applicable taxes, license, and transfer fees;

(9) reducing or attempting to reduce for depreciation any settlement or any offer of settlement for items not adversely affected by age, use, or obsolescence;

(10) reducing or attempting to reduce for betterment any settlement or any offer of settlement unless the resale value of the item has increased over the preloss value by the repair of the damage.

Sec. 57. [72A.205] [PROHIBITED PROVISIONS AND COVERAGES.]

No policy of insurance paying a death benefit that returns premiums or premiums plus interest in lieu of benefits may be issued in this state.

Sec. 58. [72A.33] [HEALTH CLAIMS; RIGHT OF APPEAL.]

An insured whose claim for health benefits is denied because the treatment or services for which the claim is made is claimed to be experimental, not medically necessary, or otherwise not generally accepted by the medical profession may appeal the denial to the commissioner.

The commissioner shall designate a staff member to review the denial of the claim and report to the commissioner. The party that denied the coverage has the burden of proving that the services or treatment are in fact experimental or not generally accepted by the medical profession. If the party fails to sustain its burden, the commissioner shall order the immediate payment of the claim. A decision under this provision may be appealed under chapter 14.

If the commissioner finds that the party has failed to sustain its burden of proof, each denial of similar claims on the basis of the experimental nature, lack of medical necessity, or lack of general acceptance of the treatment or services that occurs after the commissioner's decision is an unfair trade practice under sections 72A.17 to 72A.32.

If prior authorization is required before services or treatment can be rendered, then appeal of the denial of prior authorization may be made as provided in this section.

Sec. 59. [72B.135] [PUBLIC ADJUSTERS.]

Notice of cancellation, if given by mail, is effective upon deposit in a mailbox, properly addressed to the public adjuster and postage prepaid. Notice of cancellation need not take a particular form and is sufficient if it indicates, by any form of written expression, the intention of the homeowner not to be bound by the contract.

Subd. 2. [WRITING REQUIRED; NOTICE OF RIGHT TO CANCEL; NOTICE OF CANCELLATION.] (a) Before entering a contract referred to in subdivision 1, the public adjuster must:

signed and dated copy of this cancellation notice or any other written notice, or send a telegram to (Name of Public Adjuster), at (Address of Public Adjuster's Place of Business) not later than midnight of (Date). If you cancel, any payments made by you under the contract will be returned within ten business days following receipt by the public adjuster of your cancellation notice.

I HEREBY CANCEL THIS TRANSACTION.

.....

(date)

(Homeowner's signature)"

Subd. 3. [RETURN OF PAYMENTS; COMPENSATION.] Within ten days after a contract referred to in subdivision 1 has been canceled, the public adjuster must tender to the homeowner any payments made by the homeowner and any note or other evidence of indebtedness. However, if the public adjuster has performed any emergency services within the 48 hour period, the public adjuster is entitled to compensation for such services. Emergency services shall mean the removal of water, boarding up a building, and reconnecting lights and heat.

Subd. 3. [PROTECTION OF RACIAL OR ETHNIC HERITAGE, OR RELIGIOUS AFFILIATION.] The policy of the state is to ensure that the best interests of children are met by requiring due consideration of the child's minority race or minority ethnic heritage in foster care placements.

The court, in transferring legal custody of any child or appointing a guardian for the child under the laws relating to juvenile courts, shall place the child, in the following order of preference, in the absence of good cause to the contrary, in the legal custody or guardianship of an individual who (a) is the child's relative, or if that would be detrimental to the child or a relative is not available, who (b) is of the same racial or ethnic heritage as the child, or if that is not possible, who (c) is knowledgeable and appreciative of the child's racial or ethnic heritage. The court may require the county welfare agency to continue efforts to find a guardian of the child's minority racial or minority ethnic heritage when such a guardian is not immediately available. For purposes of this subdivision, "relative" includes members of a child's extended family and important friends with whom the child has resided or had significant contact.

If the child's genetic parent or parents explicitly request that the preference described in clause (a) or in clauses (a) and (b) not be followed, the court shall honor that request consistent with the best interests of the child.

If the child's genetic parent or parents express a preference for placing the child in a foster or adoptive home of the same or a similar religious background to that of the genetic parent or parents, in following the preferences in clause (a) or (b), the court shall order placement of the child with an individual who meets the genetic parent's religious preference. Only if no individual is available who is described in clause (a) or (b) may the court give preference to an individual described in clause (c) who meets the parent's religious preference.

Sec. 33. Minnesota Statutes 1987 Supplement, section 256B.02, subdivision 8, is amended to read:

Subd. 8. [MEDICAL ASSISTANCE; MEDICAL CARE.] "Medical assistance" or "medical care" means payment of part or all of the cost of the following care and services for eligible individuals whose income and resources are insufficient to meet all of this cost:

(1) Inpatient hospital services. A second medical opinion is required prior to reimbursement for elective surgeries requiring a second opinion. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion prior to reimbursement, and the criteria and standards for deciding whether an elective surgery should require a second medical opinion. The list and the criteria and standards are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal;

(2) Skilled nursing home services and services of intermediate care facilities, including training and habilitation services, as defined in section 252.41, subdivision 3, for persons with mental retardation or related conditions who are residing in intermediate care facilities for persons with mental retardation or related conditions. Medical assistance must not be used to pay the costs of nursing care provided to a patient in a swing bed as defined in section 144.562;

(3) Physicians' services;

(4) Outpatient hospital or nonprofit community health clinic services or physician-directed clinic services. The physician-directed clinic staff shall include at least two physicians, one of whom is on the premises whenever the clinic is open, and all services shall be provided under the direct supervision of the physician who is on the premises. Hospital outpatient departments are subject to the same limitations and reimbursements as other enrolled vendors for all services, except initial triage, emergency services, and services not provided or immediately available in clinics, physicians' offices, or by other enrolled providers. A second medical opinion is required before reimbursement for elective surgeries requiring a second opinion. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion before reimbursement and the criteria and standards for deciding whether an elective surgery should require a second surgical opinion. The list and the criteria and standards are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal. "Emergency services" means those medical services required for the immediate diagnosis and treatment of medical conditions that, if not immediately diagnosed and treated, could lead to serious physical or mental disability or death or are necessary to alleviate severe pain.

Neither the hospital, its employees, nor any physician or dentist, shall be liable in any action arising out of a determination not to render emergency services or care if reasonable care is exercised in determining the condition of the person, or in determining the appropriateness of the facilities, or the qualifications and availability of personnel to render these services consistent with this section;

(5) Community mental health center services, as defined in rules adopted by the commissioner pursuant to section 256B.04, subdivision 2, and provided by a community mental health center as defined in section 245.62, subdivision 2;

(6) Home health care services;

(7) Private duty nursing services;

(8) Physical therapy and related services;

(9) Dental services, excluding cast metal restorations;

(10) Laboratory and X-ray services;

(11) The following if prescribed by a licensed practitioner: drugs, eyeglasses, dentures, and prosthetic devices. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two-year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. Prior authorization may be required by the commissioner, with the consent of the drug formulary committee, before certain formulary drugs are eligible for payment. The formulary shall not include: drugs or products for which there is no federal funding; over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; or any other over-the-counter drug identified by the commis-

sioner, in consultation with the appropriate professional consultants under contract with or employed by the state agency, as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the administrative procedure act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases, conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. Separate payment shall not be made for nutritional products for residents of long-term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and the commissioner's determination shall not be subject to chapter 14, the administrative procedure act. The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug may be estimated by the commissioner. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifi-

cally indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act;

(12) Diagnostic, screening, and preventive services. "Preventive services" include services related to pregnancy, including services for those conditions which may complicate a pregnancy and which may be available to a pregnant woman determined to be at risk of poor pregnancy outcome. Preventive services available to a woman at risk of poor pregnancy outcome may differ in an amount, duration, or scope from those available to other individuals eligible for medical assistance;

(13) Health care prepayment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act. For purposes of obtaining Medicare part B, expenditures may be made even if federal funding is not available;

(14) Abortion services, but only if one of the following conditions is met:

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion;

(15) Transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by nonambulatory persons in obtaining emergency or nonemergency medical care

when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be nonambulatory;

(16) To the extent authorized by rule of the state agency, costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining nonemergency medical care;

(17) Personal care assistant services provided by an individual, not a relative, who is qualified to provide the services, where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a registered nurse. Payments to personal care assistants shall be adjusted annually to reflect changes in the cost of living or of providing services by the average annual adjustment granted to vendors such as nursing homes and home health agencies;

(18) To the extent authorized by rule of the state agency, case management services to persons with serious and persistent mental illness;

(19) To the extent authorized by rule of the state agency, case management services to persons with brain injuries;

(20) Hospice care services under Public Law Number 99-272, section 9505, to the extent authorized by rule; and

(21) Day treatment services as specified in sections 245.462, subdivision 8, and 245.471, subdivision 3, that are provided under contract with the county board; and

(22) Any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law, except licensed chemical dependency treatment programs or primary treatment or extended care treatment units in hospitals that are covered under Laws 1986, chapter 394, sections 8 to 20. The commissioner shall include chemical dependency services in the state medical assistance plan for federal reporting purposes, but payment must be made under Laws 1986, chapter 394, sections 8 to 20. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion before medical assistance reimbursement, and the criteria and standards for deciding whether an elective surgery should require a second medical opinion. The list and criteria and standards are not subject to the requirements of sections 14.01 to 14.69. The commissioner shall publish in the State Register a list of health services that require prior authorization, as well as the criteria and standards used to select health services on the list. The list and the criteria and standards used to formulate it are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether prior authorization is required for

a health service or a second medical opinion is required for an elective surgery is not subject to administrative appeal.

Subdivision 1. [APPLICATION PROCESS.] An applicant for medical assistance hereunder, or a person acting in the applicant's behalf, shall file an application with a county local agency in such the manner and form as shall be prescribed by the state agency. When a married applicant resides in a nursing home or applies for medical assistance for nursing home services, the county local agency shall consider an application on behalf of the applicant's spouse only upon specific request of the applicant or upon specific request of the spouse and separate filing of an application.

Subd. 2. [EXPEDITED REVIEW FOR PREGNANT WOMEN.] A pregnant woman who may be eligible for assistance under section 256B.06, subdivision 1, shall receive an appointment for eligibility determination no later than five working days from the date of her request for assistance from the local agency. The local agency shall expedite processing her application for assistance and shall make a determination of eligibility on a completed application no later than ten working days following the applicant's initial appointment. The local agency shall assist the applicant to provide all necessary information and documentation in order to process the application within the time period required under this subdivision. Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home or boarding care home admission, screening teams shall assess the needs of all applicants, except (1) patients transferred from other

certified nursing homes or boarding care homes; (2) patients who, having entered acute care facilities from nursing homes or boarding care homes, are returning to a nursing home or boarding care home; (3) persons entering a facility described in section 256B.431, subdivision 4, paragraph (c); (4) individuals not eligible for medical assistance whose length of stay is expected to be 30 days or less based on a physician's certification, if the facility notifies the screening team upon admission and provides an update to the screening team on the 30th day after admission; (5) individuals who have a contractual right to have their nursing home care paid for indefinitely by the veteran's administration; or (6) persons entering a facility conducted by and for the adherents of a recognized church or religious denomination for the purpose of providing care and services for those who depend upon spiritual means, through prayer alone, for healing. ~~The cost for screening applicants who are receiving medical assistance must be paid by the medical assistance program. The total screening cost for each county for applicants who are not eligible for medical assistance and residents of nursing homes who request a screening must be paid monthly by nursing homes and boarding care homes participating in the medical assistance program in the county. The monthly amount to be paid by each nursing home and boarding care home must be determined by dividing the county's estimate of the total annual cost of screenings allowed by the commissioner in the county for the following rate year by 12 to determine the monthly cost estimate and allocating the monthly cost estimate to each nursing home and boarding care home based on the number of licensed beds in the nursing home or boarding care home. The monthly cost estimate for each nursing home or boarding care home must be submitted to the nursing home or boarding care home and the state by the county no later than February 15 of each year for inclusion in the nursing home's or boarding care home's payment rate on the following rate year. The commissioner shall include the reported annual estimated cost of screenings for each nursing home or boarding care home as an operating cost of that nursing home in accordance with section 256B.431, subdivision 2b, clause (g). For all individuals regardless of payment source, if delay-of-screening timelines are not met because a county is late in screening an individual who meets the delay-of-screening criteria, the county is solely responsible for paying the cost of the preadmission screening. Notwithstanding section 256B.0641, overpayments attributable to payment of the screening costs under the medical assistance program may not be recovered from a facility. Any other interested person may be screened under this subdivision if the person pays a fee for the screening based upon a sliding fee scale determined by the commissioner.~~

Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice: (a) persons eligible for medical assistance according to section 256B.06, subdivision 1, paragraphs (1) and (2); and (b) persons eligible for medical assistance due to blindness or disability as determined by the social security administration or the state medical review team, unless they are 65 years of age or older. THIS PROVISION SUPERSEDES ANY CONTRARY ORAL OR WRITTEN AGREEMENT EXISTING NOW OR ENTERED INTO IN THE FUTURE BETWEEN THE PROVIDER AND THE ENROLLEE OR PERSONS ACTING ON THEIR BEHALF REGARDING LIABILITY FOR PAYMENT FOR SERVICES PROVIDED UNDER THIS AGREEMENT.

Subd. 2. [COOPERATION REQUIRED.] An agreement to provide health care services between a provider and a health maintenance organization must require the provider to cooperate with and participate in the health maintenance organization's quality assurance program, dispute resolution procedure, and utilization review program.

Subd. 3. [NOTICE OF TERMINATION.] An agreement to provide health care services between a provider and a health maintenance organization must require that if the provider terminates the agreement, without cause, the provider shall give the organization 120 days' advance notice of termination.

Subd. 4. [LATE PAYMENTS.] If a health maintenance organization's payments to a provider are delayed beyond the payment date in the contract, the provider may notify the commissioner who shall consider that information in assessing the financial solvency of the health maintenance organization.

Sec. 22. Minnesota Statutes 1986, section 62D.14, subdivision 1, is amended to read:

Subdivision 1. The commissioner of health may make an examination of the affairs of any health maintenance organization and its contracts, agreements, or other arrangements with any participating entity as often as the commissioner of health deems necessary for the protection of the interests of the people of this state, but not less frequently than once every three years; provided that. Examinations of participating entities pursuant to this subdivision shall be limited to their dealings with the health maintenance organization and its enrollees, except that examinations of major participating entities may include inspection of the entity's financial statements kept in the ordinary course of business.

Sec. 23. Minnesota Statutes 1986, section 62D.17, is amended by adding a subdivision to read:

Subd. 6. [FULL PAYMENT REQUIRED; INTEREST ON UNPAID CHARGES.] A health maintenance organization shall provide

full payment to any participating entity for services rendered as part of a contract with the organization. Payments due but not paid within 30 days from date of billing are subject to interest charged at the rate established by the commissioner of revenue under section 270.75.

Sec. 24. Minnesota Statutes 1986, section 62D.18, is amended to read:

62D.18 [REHABILITATION, OR LIQUIDATION, OR CONSERVATION OF HEALTH MAINTENANCE ORGANIZATION.]

Subdivision 1. [COMMISSIONER OF HEALTH; ORDER.] The commissioner of commerce may independently, or shall at the request of the commissioner of health, order the rehabilitation, liquidation or conservation of health maintenance organizations. The rehabilitation, liquidation or conservation of a health maintenance organization shall be deemed to be the rehabilitation, liquidation or conservation of an insurance company and shall be conducted under the supervision of the commissioner of commerce and pursuant to chapter 60B, except to the extent that the nature of health maintenance organizations render such law procedures clearly inappropriate and as provided in subdivisions 2 to 8.

Subd. 2. [INSOLVENCY; GROUNDS FOR REHABILITATION; LIQUIDATION.] Insolvency, as grounds for rehabilitation or liquidation of a health maintenance organization, exists when a health maintenance organization cannot be expected to satisfy its financial obligations when the obligations become due or when the health maintenance organization has failed to correct within the time required by the commissioner deficiencies due to net worth or working capital below the required amount.

Subd. 3. [PRIORITY OF CLAIMS.] To determine the priority of distribution of general assets, claims of enrollees have the same priority as claimants under policies or contracts of coverage for losses established under section 60B.44, subdivision 4. If an enrollee is liable to any provider for covered services provided under the health plan, that liability has the status of an enrollee claim for distribution of general assets, whether the enrollee or the provider files the claim. Claims of providers under agreement with the health maintenance organization entities for payment from the plan for services rendered have priority after enrollee claims under section 60B.44, subdivision 4.

Subd. 4. [POWERS OF REHABILITATOR.] The powers of the rehabilitator include, subject to the approval of the court: (a) the power to change premium rates, without the notice requirements of section 62D.07, and (b) the power to amend the terms of provider contracts relating to reimbursement and termination, considering

the interests of providers and the continued viability of the health plan.

Subd. 5. [POWERS OF LIQUIDATOR.] The power to transfer coverage obligations under section 60B.25, clause (8), includes the power to transfer coverage obligations to a solvent health maintenance organization and to assign the provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization.

Subd. 6. [ENROLLEE; NO LIABILITY.] If a health maintenance organization is insolvent, enrollees of the organization are not liable to any provider for the amounts the provider is not paid by the guaranty association pursuant to section 25, subdivisions 5 and 6.

Subd. 7. [SPECIAL EXAMINER.] The commissioner as rehabilitator shall make every reasonable effort to employ a senior executive from a successful health maintenance organization to serve as special examiner to rehabilitate the health maintenance organization, provided that the individual does not have a conflict of interest. The special examiner shall have all the powers of the rehabilitator granted under this section and section 60B.17.

Subd. 8. [EXAMINATION REVOLVING FUND.] (a) A department of health examination revolving fund is established to fund the examination of health maintenance organizations not yet in rehabilitation or liquidation.

(b) The fund consists of the money collected by the department of health from health maintenance organizations for fees and expenses of examinations. Money in the fund is appropriated to the commissioner of health for the purpose of this subdivision.

(c) The fund shall be kept in the state treasury and shall be paid out in the manner prescribed by law for money in the fund.

(d) The fund shall be used to pay per diem salaries and expenses of special examiners. Expenses may include meals, lodging, laundry, transportation, and mileage. The salary of the regular employees of the health department shall not be paid out of this fund.

(e) Upon authorization by the commissioner of health, the money due each examiner engaged in an examination shall be paid from the examination revolving fund in the manner prescribed by law.

Sec. 25. [62D.181] [GUARANTY ASSOCIATION.]

Subdivision 1. [DEFINITION.] "Control" means the direct or indirect possession of the power to control the management and policies of a health maintenance organization through membership

on the board of directors, through holding the position of principal officer, or through other means.

Subd. 2. [LIFE AND HEALTH GUARANTY ASSOCIATION REQUIREMENTS.] Each health maintenance organization is subject to chapter 61B, except to the extent that the chapter is clearly inappropriate for a health maintenance organization and as provided in subdivisions 3 to 8. For purposes of chapter 61B, health maintenance organizations shall be considered health insurers.

Subd. 3. [ASSESSMENTS.] Assessments by the guaranty association shall be diminished by the value of assets of an insolvent health maintenance organization which has not been liquidated at the time of assessment.

Subd. 4. [EXCLUDED PROVIDERS.] The guaranty association has no liability to a provider, or the provider's affiliates or members of the provider's immediate family who, within the one year before issuance of the first order of rehabilitation or liquidation pertaining to the health maintenance organization, exercised control over the organization by serving as a principal officer or director of the health maintenance organization or of a major participating entity of the health maintenance organization.

Subd. 5. [LIMITS ON PAYMENTS.] The guaranty association is not required to pay a provider for services rendered by the provider in excess of (a) the amount contracted between a provider and the insolvent organization for the services, or (b) rates established under the medical assistance program under chapter 256B, whichever is less. The association's payments under this subdivision constitute full and complete payment for the provider services to the enrollee. The guaranty association shall pay providers only for health services rendered.

Subd. 6. [EXCLUDED NONPROVIDERS; EXCEPTIONS.] The guaranty association shall not pay creditors who are not providers, except enrollees who are liable to providers for services rendered.

Subd. 7. [REPORT.] By January 31, 1992, the commissioners of health and commerce shall jointly issue a report analyzing the inclusion of health maintenance organizations in the life and health guaranty association, the effects such inclusion has on enrollees, member insurers, and health maintenance organizations, and recommend whether to continue the inclusion.

Subd. 8. [OPEN ENROLLMENT.] The guaranty association shall not cover the obligations of enrollees who have secured alternative coverage pursuant to section 60A.082.

Sec. 26. [62D.182] [LIABILITIES.]

Every health maintenance organization shall maintain liabilities estimated in the aggregate to be sufficient to pay for all reported or unreported claims incurred, which are unpaid and for which the organization is liable. Liabilities are computed under rules adopted by the commissioner.

Sec. 27. Minnesota Statutes 1986, section 62D.19, is amended to read:

62D.19 [UNREASONABLE EXPENSES.]

No health maintenance organization shall incur or pay for any expense of any nature which is unreasonably high in relation to the value of the service or goods provided. The commissioner of health shall implement and enforce this section by rules adopted under this section.

In an effort to achieve the stated purposes of sections 62D.01 to 62D.29; in order to safeguard the underlying nonprofit status of health maintenance organizations; and to ensure that the payment of health maintenance organization money to major participating entities results in a corresponding benefit to the health maintenance organization and its enrollees, when determining whether an organization has incurred an unreasonable expense in relation to a major participating entity, due consideration shall be given to, in addition to any other appropriate factors, whether the officers and trustees of the health maintenance organization have acted with good faith and in the best interests of the health maintenance organization in entering into, and performing under, a contract under which the health maintenance organization has incurred an expense. The commissioner shall have standing to sue, on behalf of a health maintenance organization, officers or trustees of the health maintenance organization who have breached their fiduciary duty in entering into and performing such contracts.

Sec. 28. [REPEALER.]

Minnesota Statutes 1986, section 62D.041, subdivisions 5, 6, and 8, are repealed. Section 25 is repealed June 31, 1992.

"Section 1. [16A.645] [COLLEGE SAVINGS BONDS.]

Subdivision 1. [ESTABLISHMENT OF PROGRAM.] The commissioner of finance, in consultation with the higher education coordinating board, shall establish a college savings bond program to encourage individuals to save for higher education costs by investing in state general obligation bonds. The program consists of (1) issuing a portion of the state general obligation bonds in zero coupon form and in denominations and maturities that will be attractive to individuals saving to pay for higher education costs, and (2) developing a program for marketing the bonds to investors who are saving to pay for higher education costs. The commissioner of finance may designate all or a portion of each state general obligation bond sale as "college savings bonds." The amount of bonds designated as college savings bonds may not exceed the amount of authorized, but previously unissued, bonds for higher education facilities. Higher education facilities include capital

projects for the University of Minnesota, the state universities, community colleges, and technical institutes.

Subd. 2. [MARKETING STUDY.] The higher education coordinating board and commissioner of finance shall conduct a study of the market for college savings bonds, including the potential demand for the bonds, characteristics of the potential buyers, provisions that would make the bonds more attractive to individuals who are saving to pay higher education costs, and other factors relevant to developing a successful plan for issuing and selling the bonds. As a part of this study, a subscription list of potential buyers of college savings bonds may be compiled.

Subd. 3. [DENOMINATIONS; MATURITIES.] The commissioner shall determine the appropriate denominations and maturities for college savings bonds. It is the intent of the legislature to make bonds available in as small denominations as is feasible given the costs of marketing and administering the bond issue. Minimum denominations of \$1,000 must be made available. The minimum denomination bonds need not be made available for bonds of all maturities. For purposes of this section, "denomination" means the face amount of the bond, including principal and accrued interest when the bond is redeemed.

Subd. 4. [PRINCIPAL AMOUNT OF ZERO COUPON BONDS.] For purposes of the laws authorizing the issuance of bonds, in determining the principal amount of bonds issued as zero coupon bonds, only the aggregate original principal amount of the bonds must be taken into account.

Subd. 5. [TRANSFERS TO BOND FUND FOR ZERO COUPON BONDS.] If state general obligation bonds are issued in zero coupon form, the commissioner shall transfer to the debt service reserve fund on December 1 of each year the amount necessary to repay the outstanding bonds' principal and interest in equal annual installments over the life of the bonds. The amount transferred may be adjusted to reflect the investment income earned on the debt service reserve fund by the amounts transferred.

Subd. 6. [MARKETING PLAN.] The commissioner and the higher education coordinating board shall develop a plan for marketing college savings bonds. The marketing program must include appropriate disclosures to potential buyers, including information on the types of savers for whom long-term, tax-exempt bonds may not be appropriate investments.

Subd. 7. [STUDENT FINANCIAL AID.] The first \$25,000 of college savings bonds purchased for the benefit of a student must not be considered in determining the financial need of an applicant for the state scholarship and grant program under section 136A.121, or the part-time grant program under section 136A.132.

Subd. 8. [APPROPRIATION.] The amount necessary to pay for the cost of the marketing study under subdivision 2, and the marketing plan under subdivision 6, is appropriated out of the proceeds of the college savings bonds.

Sec. 2. [EFFECTIVE DATE.]

This act is effective the day following final enactment.

Section 1. [FINDINGS.]

The legislature finds that to protect the health and welfare of Minnesotans it is necessary to provide a fair pricing and marketing program in the state for dairy products and to protect consumers of dairy products from unfair trade practices, unfair methods of competition, conditions of monopoly, and combinations in restraint of trade.

Sec. 2. [32C.01] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to this chapter.

Subd. 2. [AGRICULTURAL MARKETING AGREEMENT ACT.] “Agricultural Marketing Agreement Act” means the Agricultural Marketing Agreement Act of 1937 as amended, United States Code, title 7, sections 601 et. seq.

Subd. 18. [RETAIL PRICE.] "Retail price" means the price at which a dairy product is purchased when purchased for a purpose other than resale.

UNFAIR DAIRY TRADE PRACTICES

Sec. 3. [32C.02] [BUYING, SELLING, AND PRICING VIOLATIONS.]

Subdivision 1. [PROHIBITED PRICING.] A manufacturer, wholesaler, distributor, or retailer of dairy products doing business in this state must not sell, offer for sale, or advertise for sale a dairy product below cost, or give, offer to give, or advertise the intent to give away a dairy product for the purpose or with the effect of injuring a competitor or destroying competition. This section does not apply to a sale made in conformance with section 325D.06, clauses (1) to (4). No action may be commenced under this section if the retail price is 15 percent or more above the list price of the manufacturer.

Subd. 2. [RETAIL SELLING OF PRODUCTS OF DIFFERENT BRANDS AT DIFFERENT PRICES.] A retailer may not sell or offer for sale dairy products of one brand at a price different from the price charged by the retailer for an equal quantity of a product of the same type, quality, or grade, but of a different brand, unless the price differential is equal to the difference in the prices paid by the retailer for the products.

Subd. 3. [DAIRY PRODUCTS PRICED WITH OTHER PRODUCTS.] A dairy marketer may not charge a combined price for a dairy product and another commodity or service that is less or is represented to be less than the aggregate of the price of the dairy product and the price or value of the other commodity or service when sold or offered for sale separately.

Subd. 4. [SELLING BELOW COST.] A dairy marketer may not sell, offer for sale, or advertise for sale a dairy product below cost, or give, offer to give, or advertise the intent to give away the dairy product, to damage or harass a competitor or destroy competition. This section does not apply to a sale made in conformance with section 325D.06, clauses (1) to (4). An enforcement action may not be commenced under this subdivision if the retail price is 15 percent or more above the list price of the processor.

Subd. 5. [PRIMA FACIE EVIDENCE OF SALE BELOW COST.] (a) In an action for an injunction from or to impose civil penalties for a violation of this section, evidence that a dairy product was sold, offered for sale, or advertised for sale at a price that damages or

destroys competition is prima facie evidence that the product was sold, offered for sale, or advertised for sale below cost to damage a competitor or to destroy competition.

(b) For purposes of paragraph (a), price is presumed to damage or destroy competition if:

(1) a retail price is less than eight percent above the current net delivered price of the processor including a rebate, discount, refund, and price differential; or

(2) a price charged to a retailer by a distributor is less than five percent above the current net delivered price of the processor including any rebate, discount, refund, and price differential.

Subd. 6. [BURDEN OF PROOF] (a) If the commissioner has reason to believe that a dairy marketer is selling dairy products below cost and notifies the dairy marketer, the dairy marketer has the burden of proof using an accepted cost accounting procedure that sales were not made below cost.

(b) In demonstrating that sales of dairy products were not made below cost, general overhead costs and sales volume must be determined for the 12-month period immediately preceding the first month of the alleged violation, or the time in operation if less than 12 months. General overhead costs may not be taken into account if they occur during the same period as alleged violation of this section, and changes in sales volume from the months preceding the violation may not be taken into account if the changes occur during the same period as the alleged violation.

(c) In determining unit costs, raw material, and ingredient costs and other special costs that are announced in advance or otherwise known must be considered at the time the costs become effective, notwithstanding the 12-month period in paragraph (b).

(d) Costs include raw materials, ingredients, general processing, cost of goods sold, labor, marketing, distribution, selling, maintenance and repair, depreciation, taxes, utilities, licenses, and other general administrative or overhead costs, whether fixed or variable, as are recognized by generally accepted accounting principles.

(e) Product cost theories, direct or marginal costing, and differential cost concepts are unacceptable cost accounting procedures.

(f) Cost center accounting concepts must be used in determining cost of manufacturing or selling selected dairy products in multi-level operations.

(g) In an action brought under this chapter, the commissioner's

determination of a dairy marketer's specific costs are prima facie correct, and may be rebutted by the dairy marketer's actual costs. In determining costs and rebuttals of the determination, generally accepted accounting principles and generally accepted auditing standards that are relevant and proper to the determination must be followed and the principles and standards must include the use of proper sampling.

Subd. 7. [COMMISSIONER MAY REQUIRE PRICE SCHEDULES.] When the commissioner determines it necessary for the enforcement of this chapter, the commissioner may require a dairy marketer selling dairy products to furnish to the commissioner a current schedule of prices showing rebates, discounts, refunds, and price differentials for the dairy products offered for sale at wholesale by the dairy marketer to retailers or to any other person for sale at wholesale to a retailer. Manufacturers with retail stores may be required to furnish current price schedules for the stores. The price schedules furnished are informational only. Schedules of prices and cost data are confidential, nonpublic data.

Sec. 4. [32C.03] [UNFAIR DAIRY MARKETING PRACTICES.]

Subdivision 1. [DAMAGING A COMPETITOR.] A dairy marketer may not:

- (1) restrain, lessen, or destroy competition;
- (2) damage a competitor;
- (3) damage a person dealing in dairy products;
- (4) impair or prevent fair competition in the sale of dairy products to retailers in this state; or
- (5) engage in or threaten to engage in a prohibited practice or method of doing business.

Subd. 2. [METHOD TO DEFEAT DAIRY UNFAIR TRADE PRACTICES.] A dairy marketer may not apply or attempt to apply a method or device in the sale or distribution of dairy products intending to defeat the policy or to evade a provision of this chapter or an order or rule adopted by the commissioner.

Subd. 3. [INDUCING PROHIBITED ACTS.] In the course of doing business in this state, a person may not knowingly induce an act or knowingly receive a benefit from an act prohibited by this chapter.

Subd. 4. [FINANCIAL INTEREST IN RETAILER.] A dairy marketer may not own, control, or have more than a five percent financial interest in a retail business selling or offering for sale

dairy products in this state, unless the business name, address, nature, and extent of the dairy marketer's ownership or control of the retail business are prominently displayed at the main public entrance to the premises where the business is being conducted. The information displayed must be in upper-cased type not less than 24 points in size.

Sec. 5. [32C.04] [SALE AND LEASE BACK OF PROPERTY.]

Subdivision 1. [GENERAL PROHIBITION.] A dairy marketer may not purchase real or personal property from a retailer and lease back or resell the property to the retailer under a deferred payment contract except as allowed in this section.

Subd. 2. [RENTAL AGREEMENT.] A dairy marketer and a retailer may enter a written lease signed by both parties that specifies:

(1) a rental rate that is consistent with the value of similar property in the area where the retailer is located when the lease is executed; and

(2) other terms and conditions consistent with leases of similar property in that locality made at or about the same time by persons not having the relationship existing between the retailer, as the purchaser, and the lessor, as the seller, of dairy products.

Subd. 3. [CONTRACTS TO SELL PROPERTY.] (a) A dairy marketer and a retailer may enter a written contract for the sale of property signed by both parties specifying:

(1) a purchase price that is consistent with the fair market value of similar property in the area where the retailer is located when the contract is executed;

(2) the down payment on the purchase price;

(3) the periodic payments on the unpaid balance of the purchase price; and

(4) other terms and conditions consistent with sale contracts of similar property in that locality made at or about the same time by persons not having the relationship existing between the retailer, as the purchaser, and the dairy marketer, as the seller, of dairy products.

(b) A contract or agreement for the lease back or resale to a retailer of property purchased from the retailer by the dairy marketer may not contain a requirement that the retailer must purchase dairy products from a specified dairy marketer.

Sec. 6. [32C.05] [FURNITURE, TRADE FIXTURES, AND EQUIPMENT.]

Subdivision 1. [INDUCEMENT FOR PURCHASE.] A dairy marketer may not furnish, give, lend, lease, or sell furniture, fixtures, fittings, or equipment to a retailer as an incentive or inducement for the retailer to purchase, handle, store, display, sell, or trade in a dairy product of a dairy marketer.

Subd. 2. [RESTRICTION ON SALES TO RETAILERS.] To maintain fair, open, and free competition for the trade and custom of the retailers purchasing dairy products for resale, a dairy marketer may not sell or offer to sell to a retailer furniture, trade fixtures, or equipment except as allowed in this section.

Subd. 3. [TIME PAYMENT SALES.] (a) A dairy marketer may not sell furniture, trade fixtures, or equipment at less than their cost to a retailer that purchases dairy products from the dairy marketer. A sale made by a dairy marketer at less than 15 percent above the actual current invoice or replacement cost, less depreciation in the case of used furniture, trade fixtures, or equipment computed at the annual rate of 15 percent of the seller's cost, is prima facie evidence that the sale was made below the dairy marketer's cost.

(b) If the full purchase price of the furniture, trade fixtures, or equipment sold to the retailer is not paid to the dairy marketer by the retailer by 40 days after delivery, the retailer must pay at least ten percent of the purchase price within the 40 days and provide the dairy marketer a conditional sales contract or a promissory note with a purchase money security interest in the furniture, trade fixtures, or equipment.

(c) The conditional sales contract or purchase money security agreement must specifically describe each item of the sale. The dairy marketer, by ten days after the contract or security agreement is entered into, must file the conditional sales contract, or purchase money security agreement and financing statement, as required to enforce the purchase money secured debt. The conditional sales contract or purchase money security agreement must specify:

(1) the cash payment made by the retailer to the dairy marketer or the value of the trade-in accepted to apply on the purchase price, but the trade-in credit must not exceed the depreciated value of the items representing the trade-in credit as carried on the business records of the purchaser, or if records are not available, at an annual depreciation rate of 15 percent of the purchaser's cost; and

(2) that the amount of the unpaid purchase price must be paid by the retailer in 60 equal monthly installments with the last installment of principal and interest maturing not later than 60 months from the execution of the conditional sales contract or purchase

money security agreement given to the dairy marketer by the retailer.

(d) The rate of interest on the purchases may not be less than the prevailing market rate, and the rates of interest charged for various sales agreements on any given day must be the same for all retailers.

Subd. 4. [SERVICING.] The mechanical, electrical, and other servicing of furniture, trade fixtures, or equipment sold to a retailer by a dairy marketer is the sole responsibility of the retailer unless at the time of the sale, the dairy marketer and the retailer agree in writing that the dairy marketer is responsible for the servicing. The contract must require the dairy marketer to charge the retailer for the servicing at the same price charged by third persons rendering the service in the area or community where the retailer is located. The charge for the servicing, including the full cost of all repair and replacement parts, must be paid by the retailer to the dairy marketer by 40 days after the performance of the work.

Sec. 7. [32C.06] [PROHIBITED GIFTS, LOANS, CREDIT, AND COMPENSATION.]

Subdivision 1. [GIFTS AND LOANS.] A dairy marketer may not give, lend, or advance money, credit, or another thing of value to a retailer, or to a person for the benefit or relief of a retailer.

Subd. 2. [FINANCIAL OBLIGATIONS.] A dairy marketer may not become obligated for the repayment of a loan of money or financial commitment of a retailer.

Subd. 3. [EXTEND CREDIT WHEN DELIVERY DEBTS ARE DUE.] A dairy marketer may not extend or give an additional credit to a retailer if there is indebtedness attributable to the delivery of dairy products from the retailer on the 15th day of the next calendar month after delivery.

Subd. 4. [CREDIT FOR UNSALABLE PRODUCTS.] A dairy marketer may not credit an account of or pay a retailer for a dairy product that the retailer claims has become stale, spoiled, or otherwise unsalable, unless the particular product is in fact spoiled or otherwise unsalable.

Subd. 5. [COMPENSATION IN CONNECTION WITH SALE.] A dairy marketer may not make or offer to make any gift of money, merchandise, trading stamps, coupons, service, supplies, or anything of value, or to grant or offer to grant any rebate, discount, or advertising allowance in connection with any sale to a distributor or retailer in this state of a dairy product except as expressly allowed under this chapter.

Subd. 6. [RETAILER LICENSES.] (a) A dairy marketer may not:

- (1) have an interest in or pay for a license for a retailer; or
- (2) advance, furnish, lend, or give money for the payment of a license fee and expense incident to obtaining a license for a retailer.

(b) A dairy marketer may purchase a required license in the dairy marketer's name to sell the dairy marketer's dairy products in this state.

Sec. 8. [32C.07] [PROHIBITED SIGNS AND ADVERTISING.]

Subdivision 1. [ADVERTISING.] (a) A dairy marketer may not:

(1) provide, pay for, guarantee, or in any other manner assume, satisfy, or discharge the cost or obligation of a retailer for painting, decorating, improving, repairing, or rebuilding an existing billboard, outdoor sign, display area, wall, fence, building, or structure, or other type of outdoor display advertising having a fixed location; or

(2) build, erect, or purchase a new billboard, outdoor sign, or other outdoor advertising having a fixed location, or a structure or facility for use as an outdoor display for the direct benefit of a retailer.

(b) A dairy marketer may engage in all forms of outdoor advertising to promote dairy products manufactured, processed, or distributed by the dairy marketer if a reference is not made to a retailer.

Subd. 2. [INDOOR SIGNS.] (a) A dairy marketer may not furnish or maintain inside signs of a permanent nature unless the signs are used only for advertising or promoting:

(1) dairy products manufactured, distributed, or sold by the person furnishing the sign; or

(2) items of food made principally from the dairy product advertised or the brand name of the dairy product advertised.

(b) A dairy marketer may furnish point-of-sale advertising material made of paper or other similar materials to a retailer without charge only to promote the sale of a dairy product of the person furnishing the material.

Subd. 3. [MEDIA ADVERTISING.] (a) A dairy marketer may not furnish, give, lend, finance, pay for, contribute to, or by other means participate in cooperative advertising using newspapers, radio, television, or other advertising media if a retailer selling, handling,

or offering for sale a dairy product of the dairy marketer is named or otherwise identified or referred to in the advertising.

(b) A dairy marketer may purchase and pay for the lines or space actually used in advertising one or more of its dairy products in a newspaper advertisement, handbill, or other form of printed advertising put out by a retailer or for the time actually so used in any radio or television program sponsored by a retailer.

Subd. 4. [ADVERTISING ON RETAILER'S PREMISES.] (a) A dairy marketer may not pay, loan, or give money, credit, compensation, or anything of value to a retailer for:

(1) the privilege of placing a sign, advertisement, or other sales promotion material in or upon the premises of the retailer; or

(2) storing, advertising, or displaying a dairy product in connection with its sale or promotion.

(b) A dairy marketer may furnish paint and maintain an insulated truck body used exclusively in the sale and delivery of its dairy products by the person making retail sales.

Sec. 9. [32C.08] [DAIRY MARKETERS AS HANDLERS OR HAULERS.]

A dairy marketer may not engage in the business of a processor or distributor selling or offering products for sale at wholesale to retailers while at the same time engaging in the business of hauling, handling, or delivering dairy products to a retailer for a fee, or for itself, or another processor or distributor if the business results in a sale of a dairy product at wholesale to a retailer at a price lower than the retailer could obtain from the processor or distributor without the hauling, handling, or delivering.

ENFORCEMENT

Sec. 10. [32C.09] [ENFORCEMENT.]

The commissioner shall enforce this chapter. The commissioner may adopt rules and temporary rules under chapter 14 to carry out the provisions of this chapter.

Sec. 11. [32C.10] [ENTRY, INSPECTION, AND INVESTIGATION.]

Subdivision 1. [ENTRY.] The commissioner may enter, at reasonable hours:

(1) places of business operated by dairy marketer or retailer where raw milk, milk products, or frozen dairy products are produced, stored, processed, manufactured, or sold; and

(2) places where a dairy marketer or retailer maintains books, papers, accounts, records, or other documents related to the business.

Subd. 2. [SUBPOENA AND INSPECTION.] (a) The commissioner may subpoena, and inspect, audit, and make copies of books, papers, records, accounts, or documents to determine whether this chapter and rules of the commissioner are being complied with.

(b) The commissioner may subpoena, and may inspect, audit, and make copies of relevant books, papers, records, accounts, or other documents.

(c) The commissioner may subpoena and take the testimony, under oath, of persons believed to have information needed to administer and enforce this chapter.

Subd. 3. [INVESTIGATIONS.] The commissioner may call together dairy marketers, retailers, and dairy farmers to investigate and hold hearings on trade practices and make findings relative to a trade practice involving the manufacture, sale, or distribution of dairy products.

Subd. 4. [CONFIDENTIALITY OF INFORMATION.] (a) Information acquired by the commissioner under this section is private data under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9, and may only be used by the commissioner and the commission for the administration and enforcement of this chapter.

(b) A person who divulges confidential information that is private data on individuals or nonpublic data under this subdivision to an unauthorized person is guilty of a misdemeanor.

Sec. 12. [32C.11] [REMEDIES.]

Subdivision 1. [CIVIL PENALTY.] The commissioner may assess a civil penalty not to exceed \$500 per day for each violation or continuing violation, and may collect the civil penalty by a civil proceeding in an appropriate court. Penalties collected by the commissioner must be deposited in the state treasury and credited to the dairy marketing account.

Subd. 2. [COMPLIANCE ENFORCEMENT.] The commissioner may bring an action at law or in equity to enforce compliance with

a provision of this chapter or rule of the commissioner, or to obtain a declaratory judgment.

Subd. 3. [INJUNCTIVE RELIEF.] (a) The commissioner may bring an action for injunctive relief against any person violating or threatening to violate provisions of this chapter. The action does not require:

(1) alleging or proving actual damages or injury or that an adequate legal remedy does not exist, so that injunctive relief can be obtained promptly without awaiting injury or actual damage; or

(2) showing the intent or the effect of restraining, lessening or destroying competition, injuring a competitor or injuring a person dealing in dairy products, or impairing or preventing fair competition in the sale of dairy products in the state.

(b) The court shall grant injunctive relief unless the person objecting proves that the granting of the injunctive relief will damage or injure the person permanently or irreparably, and substantially. The proof must be offered within ten days after the injunctive action is filed.

(c) The injunctive relief must be temporary and may not extend beyond a violation of this chapter. The injunctive relief may not abridge or be in lieu of any other civil remedy provided in this chapter, except that temporary injunctive relief may be made permanent upon a showing by the board that the violation:

(1) has caused injury to competitors or competition;

(2) has restrained or lessened competition;

(3) has impaired fair competition in the sale of dairy products; or

(4) is reasonably expected to cause the effects stated in clause (1), (2), or (3).

(d) This subdivision does not allow the commissioner to bring an action for damages that will benefit the commissioner or the commission.

Sec. 13. [32C.12] [CEASE AND DESIST ORDER.]

Subdivision 1. [HEARING.] (a) If the commissioner has reason to believe that a person is violating provisions of this chapter or a rule of the commissioner, the commissioner may serve a complaint upon the person stating the alleged violation. The complaint must contain a notice of hearing with the time and place at least 20 days after the service of the complaint.

(b) The person receiving the complaint has the right to appear at the hearing to show cause why an order should not be entered by the commissioner requiring the person to cease and desist from the violation charged in the complaint. A person may apply and, upon good cause, be allowed by the commissioner to intervene and appear in the proceeding by counsel or in person.

(c) The testimony in the proceeding must be reduced to writing and filed in the office of the commissioner.

(d) If, upon hearing, the commissioner finds that there has been a violation of provisions of this chapter or rule of the commissioner, the commissioner shall make a report in writing stating the findings. The commissioner shall issue and serve an order upon the person requiring the person to cease and desist from the violation. The commissioner, at any time after notice and opportunity for hearing, may reopen and modify or set aside, in whole or in part, an order issued under this section.

Subd. 2. [REVIEW BY DISTRICT COURT.] (a) A person required by an order of the commissioner to cease and desist from an act or practice may obtain a review of the order in district court by filing with the court within 20 days after the date of service of the order a written petition requesting that the order of the commissioner be set aside. A copy of the petition must be served upon the commissioner. The commissioner shall certify and file in the court a transcript of the entire record and order of the commissioner. Upon the filing of the petition and transcript, the court has jurisdiction of the proceeding and of the question determined.

(b) The court may:

(1) make and enter upon the pleadings, evidence, and proceedings in the transcript a decree affirming, modifying, or setting aside the order of the commissioner or enforcing it to the extent that the order is affirmed; and

(2) issue writs ancillary to its jurisdiction or necessary in its judgment to prevent injury to the public or to competitors while a suit is pending.

(c) The findings of the commissioner relating to the facts, if supported by the evidence in the proceeding before the commissioner, are conclusive. To the extent that the order of the commissioner is affirmed, the court shall issue its own order commanding obedience to the terms of the order of the commissioner.

(d) If either party applies to the court for leave to acquire and offer additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable

grounds for the failure to acquire and offer the evidence in the proceeding before the commissioner, the court may order that the additional evidence be taken before the commissioner. The evidence must be offered at the hearing in the manner and on the terms and conditions determined by the court. The commissioner may modify findings as to the facts, or make new findings, by reason of the additional evidence taken. The commissioner shall file the modified or new findings which, if supported by the evidence, are conclusive and the commissioner's recommendation, if any, for the modification or setting aside of the commissioner's original order with the return of the additional evidence.

(e) The judgment and decree of the court is final, except that it is subject to review by the court of appeals.

Subd. 3. [ENFORCEMENT.] Violations of a cease and desist order of the commissioner must be punished by the district court under the laws of contempt. Each day of failure to obey a cease and desist order of the commissioner is a separate violation and each violation of a particular act enjoined by the court is a separate violation.

Sec. 14. [32C.13] [CIVIL ACTIONS BY DAMAGED PARTIES.]

Subdivision 1. [TREBLE DAMAGES.] A person who has business or property damaged resulting from a violation of this chapter is entitled to an action in district court to recover three times the damages plus costs, including reasonable attorneys fees.

Subd. 2. [REQUEST FOR COMMISSIONER TO SEEK INJUNCTIVE RELIEF.] A person who is damaged or is threatened with damage or loss from a violation of this chapter may request the commissioner to seek injunctive relief under section 12, subdivision 3, against all persons involved in a violation or threatened violation of this chapter.

Subd. 3. [TORT ACTION WITH INJUNCTIVE RELIEF.] A person entitled to an action may sue both in tort and for injunctive relief and may recover for all loss, damage, or injury arising from the continued violation to the time of trial or hearing of the action.

Sec. 15. [32C.14] [DAIRY PROCESSOR ASSESSMENTS.]

Subdivision 1. [FEES.] (a) To administer and enforce this chapter, the commissioner may charge each processor the following maximum fees:

(1) one cent per hundredweight on all milk processed or used in the manufacture of a dairy product sold in this state or manufactured in this state for sale in this state;

(2) 0.75 cent per gallon of frozen foods sold in this state or manufactured in this state for sale in this state;

(3) 1.05 cents per gallon of ice milk mix; and

(4) 1.425 cents per gallon of ice cream mix.

(b) The commissioner may fix the fees at a lesser amount and may adjust the fees if the cost of administering and enforcing this chapter can be paid with less than the maximum fees.

Subd. 2. [COLLECTION.] (a) If the fees are:

(1) less than \$60 annually, the fees must be paid within 30 days following the end of the calendar year;

(2) less than \$240 annually, payment must be made quarterly within 30 days following the end of the quarter; or

(3) equal to or more than \$240 annually, payment must be made monthly within 30 days following the end of the month when due.

(b) A penalty amounting to ten percent of the fees due must be imposed by the commissioner for each month the fees are delinquent.

Subd. 3. [DAIRY MARKETING ACCOUNT.] The dairy marketing account is established in the state treasury. The fees collected by the commissioner under this section must be deposited in the state treasury and credited to the dairy marketing account. The money in the dairy marketing account is continuously appropriated to the commissioner to be used as a revolving fund for administering and enforcing this chapter.

Sec. 16. [32C.15] [MINNESOTA DAIRY COMMISSION.]

Subdivision 1. [ESTABLISHMENT; MEMBERSHIP; SUNSET.] (a) The Minnesota dairy commission of nine members is established consisting of:

(1) the commissioner of agriculture or the commissioner's designee;

(2) a representative from the University of Minnesota designated by the dean of the school of agriculture;

(3) one retail grocer appointed by the governor;

(4) one consumer appointed by the governor;

(5) three milk producers appointed by the governor; and

(6) two dairy processors appointed by the governor.

(b) The governor shall make appointments to the commission not later than August 1, 1988.

(c) The commission shall select a chair from among its members.

(d) The commission sunsets on June 30, 1990.

Subd. 2. [OBJECTIVES.] The objectives of the commission are increased profitability of individual dairy farms and the establishment of long-range goals, objectives, and strategies for the dairy industry in the state.

Subd. 3. [DUTIES; RESPONSIBILITIES; DEADLINES.] Not later than June 1, 1989, the commission shall:

(1) compile existing information on increasing profitability for dairy farmers;

(2) establish a mechanism to efficiently disseminate information and the findings of the commission to dairy farmers;

(3) establish working relationships with appropriate agencies and organizations in neighboring states in an attempt to coordinate information gathering and dissemination and the development of regional dairy policy;

(4) examine available data on patterns and relationships between changes in the purchase price of raw milk from dairy farmers and changes in the retail price of dairy products purchased by the consumer;

(5) examine and evaluate ways in which computer hardware and software could be utilized by dairy farmers to more effectively analyze dairy herd performance and farm operating strategies; and

The commissioner ~~shall have power to~~ may prescribe such rules governing the use of state forest lands under the authority of the commissioner and state forest management roads, or any ~~part~~ parts thereof, by the public ~~or~~ and governing the ~~exercising~~ exercise by holders of leases or permits ~~upon state on forest lands and state forest management roads of all their rights under such the leases or permits as may be necessary to carry out the purposes of this chapter.~~

Sec. 3. [89.29] [STATE FOREST ROAD ACCOUNT.]

Subdivision 1. [ACCOUNT CREATED:] There is created in the state treasury a state forest road account, consisting of funds credited under section 7. Funds credited to the state forest road account are continually appropriated to the commissioner and remain available until expended.

Subd. 2. [EXPENDITURE.] Money in the state forest road account may be appropriated by law only for:

(1) acquisition, development, maintenance, and administration of state forest management roads under the jurisdiction of the commissioner of natural resources; and

(2) the commissioner's share of the cost of cooperative maintenance agreements made with other providers of forest roads.

Sec. 4. [89.30] [FOREST MANAGEMENT ROADS.]

Subdivision 1. [DESIGNATION, INVENTORY, RECORDING.] Forest roads, bridges, and other improvements in existence on July 1, 1988, and administered under section 89.002, subdivision 3, are hereby designated as state forest management roads to the width of the actual use including ditches, backslopes, fills, and maintained right-of-way, unless otherwise specified in a prior easement of record. The commissioner may undesignate all or part of a state forest management road that is not needed to carry out forest resource management policy. The commissioner shall maintain and keep current an inventory listing and describing roads in which the state claims a right or property interest for state forest management

road purposes. The commissioner may file for record with a county recorder or registrar of titles appropriate documents setting forth the state's interest in all or part of any state forest management road.

Subd. 2. [RIGHT-OF-WAY.] After July 1, 1988, additional rights-of-way and easements, including easements needed for drainage or slopes, may be acquired by the commissioner by purchase or gift and by condemnation for safety and/or environmental protection on existing roads and to provide access to tracts of public land larger than 1,000 acres having no access, following a public meeting in the area affected. Rights-of-way and easements shall be designated as state forest management roads when needed for construction, maintenance, or safety of roads.

Subd. 3. [CONSTRUCTION; MAINTENANCE.] The commissioner shall develop specifications for the design and construction of state forest management roads and shall establish maintenance schedules for forest roads consistent with their intended use.

Subd. 4. [RULES.] In promulgating rules relating to the use of state forest management roads, the commissioner may incorporate into the rules, by reference, traffic regulations contained in chapter 169.

Subd. 5. [POSTING OF MINIMUM-MAINTENANCE FOREST MANAGEMENT ROADS.] The commissioner may designate a state forest management road as a minimum-maintenance forest management road to be maintained at a level consistent with the intended use. Designation of a state forest management road as a minimum-maintenance forest management road is effective on the posting of signs, at entry points to the road and at regular intervals along the road, to the effect that the road is a minimum-maintenance forest management road and that the user travels on the road at the user's risk. Posting of the signs is prima facie evidence that adequate notice of minimum-maintenance status has been given to the public.

Subd. 6. [LIABILITY ON FOREST MANAGEMENT ROADS.] The commissioner and employees of the department are not liable for any claim by a person arising on a forest management road that is not in a state forest to the same extent that they are not liable for claims that arise on roads within a state forest under the provisions of section 3.736, subdivision 3, clause (h).

Subd. 7. [CONVEYANCE OF UNNEEDED ROADS TO OTHER GOVERNMENTS.] When the commissioner undesignates a state forest management road and determines that the road is no longer needed for any state purpose, the commissioner may convey, in the manner provided in section 84.63, the state interest in the road to

the United States, the state of Minnesota, or any of its subdivisions, whether or not the road is on state land.

Subd. 8. [COMMISSIONER NOT A ROAD AUTHORITY UNDER HIGHWAY LAWS.] Except as otherwise provided, the commissioner is not a road authority under chapters 160 to 168, and chapters 160 to 168 do not apply to forest management roads unless specifically made applicable by law or rule promulgated in accordance with law.

Sec. 5. [89.305] [COUNTY MANAGEMENT ACCESS ROAD ACCOUNT.]

Counties may receive payments for constructing, reconstructing, and maintaining county forest access roads from funds made available through unrefunded tax paid on gasoline and special fuels used to operate vehicles on county forest roads. This amount is \$275,000 annually and must be paid in equal installments into the state treasury on September 30 and March 31, following each six-month period from the account established pursuant to section 296.421, subdivision 8, must be credited to a special county account administered by the commissioner, to be known as the county management access road account, is continually appropriated to the commissioner, and must be made available in the form of annual payments to counties managing forest lands administered through a county land department under the jurisdiction of a land commissioner appointed under section 282.13. These payments must be made available in the form of annual payments by January 1 of each year through the commissioner and in proportion to each county's ownership of commercial forest lands, for purposes of constructing, reconstructing, acquiring, and maintaining county management access roads, including the acquisition of rights-of-way or easements, as may be needed. Counties having county forest access roads may also use these payments to study, determine, and inventory by December 31, 1989, these roads and their use by logging trucks, recreational vehicles, and other users.

Sec. 6. Minnesota Statutes 1986, section 296.16, is amended by adding a subdivision to read:

Subd. 1a. [INTENT; FOREST ROADS.] \$675,000 of the total unrefunded revenue from the gasoline fuel tax on all gasoline and special fuel received in, produced, or brought into this state, except gasoline and special fuel used for aviation purposes, is derived from the operation of motor vehicles on state forest roads and county forest roads, and of this sum, \$400,000 is derived from motor vehicles operated on state forest roads and \$275,000 is derived from motor vehicles operated on county forest roads in this state.

Sec. 7. Minnesota Statutes 1986, section 296.421, is amended by adding a subdivision to read:

Subd. 8. [COMPUTATION AND DISTRIBUTION OF UNRE-FUNDED TAXES FOR FOREST ROADS.] The amount of unrefunded tax paid on gasoline and special fuel used to operate motor vehicles on forest roads, except gasoline and special fuel used for aviation purposes, is \$675,000 annually and must be paid in equal installments into the state treasury six months, 12 months, 18 months, and 24 months after the effective date of this section. Of this amount, \$400,000 is annually credited to the state forest road account and \$275,000 is annually credited to the county management access road account.

Sec. 8. Laws 1987, chapter 404, section 22, subdivision 4, is amended to read:

Subd. 4. Forest Management

Con. Con.	\$ 250,000	\$ 250,000
Forest Management	\$ 5,527,200	\$ 5,527,300

The divisions of forestry and fish and wildlife must coordinate the harvesting of trees in order to ensure optimum wildlife habitat benefits and water quality of adjacent streams or lakes.

\$500,000 the first year and \$500,000 the second year are for grants to counties or groups of counties for county forestry assistance programs.

The commissioners of natural resources, revenue, and transportation shall jointly study and determine the amount of unrefunded gas tax attributable to forest logging trucks and recreational vehicles that use forest roads and other uses of forest roads under the authority of the commissioner. Their findings and determinations must be reported to the chairs of the house appropriations and senate finance committees by December 1, 1988, along with proposed changes to Minnesota Statutes, section 296.421, that reflect their determinations.

Sec. 9. [STUDY AND REPORT TO LEGISLATURE.]

The commissioner of transportation shall study and determine the percentage of total revenue received from the gasoline and special fuel tax that is derived from gasoline and special fuel for the operation of motor vehicles on state forest roads and county forest roads from May 1, 1988, to April 30, 1989. The commissioner shall report the results of this study by December 31, 1989, to the transportation committees of the senate and house of representatives.

Subd. 2. [DISPOSITIONS.] When a child has been committed to the commissioner of corrections by a juvenile court, upon a finding of delinquency, the commissioner may for the purposes of treatment and rehabilitation:

(a) order the child's confinement to the Minnesota correctional facility-Red Wing or the Minnesota correctional facility-Sauk Centre, which shall accept the child, or to a group foster home under the control of the commissioner of corrections, or to private facilities or facilities established by law or incorporated under the laws of this state that may care for delinquent children;

(b) order the child's release on parole under such supervisions and conditions as the commissioner believes conducive to law-abiding conduct, treatment and rehabilitation;

(c) order reconfinement or renewed parole as often as the commissioner believes to be desirable;

(d) revoke or modify any order, except an order of discharge, as often as the commissioner believes to be desirable;

(e) discharge the child when the commissioner is satisfied that the child has been rehabilitated and that such discharge is consistent with the protection of the public;

(f) if the commissioner finds that the child is eligible for probation or parole and it appears from the commissioner's investigation that conditions in the child's or the guardian's home are not conducive to the child's treatment, rehabilitation, or law-abiding conduct, refer the child, together with the commissioner's findings, to a county welfare board or a licensed child placing agency for placement in a foster care or, when appropriate, for initiation of dependency or neglect child in need of protection or services proceedings as provided in sections 260.011 to 260.301. The commissioner of corrections shall reimburse county welfare boards for foster care costs they incur for the child while on probation or parole to the extent that funds for this purpose are made available to the commissioner by the legislature. The juvenile court shall order the parents of a child on probation or parole to pay the costs of foster care under section 260.251, subdivision 1, according to their ability to pay, and to the extent that the commissioner of corrections has not reimbursed the county welfare board.

Sec. 2. Minnesota Statutes 1986, section 260.011, subdivision 2, is amended to read:

Subd. 2. The purpose of the laws relating to juvenile courts is to secure for each child alleged or adjudicated neglected or dependent in need of protection or services and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will serve the spiritual, emotional, mental, and physical welfare of the child and the best interests of the state; to provide judicial procedures which protect the welfare of the child; to preserve and strengthen the child's family ties whenever possible, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal; and, when removal from the child's own family is necessary, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 3. Minnesota Statutes 1986, section 260.015, is amended by adding a subdivision to read:

Subd. 2a. [CHILD IN NEED OF PROTECTION OR SERVICES.]

- (2) has been a victim of physical or sexual abuse or resides with a victim of domestic child abuse as defined in subdivision 24;
- (3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

(9) is one whose occupation, behavior, condition, environment, or associations are such as to be injurious or dangerous to the child or others;

(10) has committed a delinquent act before becoming ten years old;

(11) is a runaway; or

(12) is an habitual truant.

(1) restraining any party from committing acts of domestic child abuse; or

(2) excluding the alleged abusing party from the dwelling which the family or household members share or from the residence of the child.

However, no order excluding the alleged abusing party from the dwelling may be issued unless the court finds that:

(1) the order is in the best interests of the child or children remaining in the dwelling; and

(2) a remaining adult family or household member is able to care

adequately for the child or children in the absence of the excluded party.

Before the temporary order is issued, the local welfare agency shall advise the court and the other parties who are present that appropriate social services will be provided to the family or household members during the effective period of the order.

An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days. Within five days of the issuance of the temporary order, the petitioner shall file a dependency and neglect petition with the court pursuant to section 260.131, alleging that the child is in need of protection or services and the court shall give docket priority to the petition.

The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the hearing offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

In any other case the court may appoint a guardian ad litem to protect the interests of the minor when the court feels that such an appointment is desirable. The court shall appoint the guardian ad litem on its own motion or in the manner provided for the appointment of a guardian ad litem in the district court.

(b) The court may waive the appointment of a guardian ad litem pursuant to clause (a), whenever counsel has been appointed pursu-

(c) In appointing a guardian ad litem pursuant to clause (a), the court shall not appoint the party, or any agent or employee thereof, filing a petition pursuant to section 260.131.

Sec. 18. Minnesota Statutes 1986, section 260.155, subdivision 4a, is amended to read:

Subd. 4a. [EXAMINATION OF CHILD.] In any ~~dependency, neglect, child in need of protection or services proceeding~~ or neglected and in foster care proceeding the court may, on its own motion or the motion of any party, take the testimony of a child witness informally when it is in the child's best interests to do so. Informal procedures that may be used by the court include taking the testimony of a child witness outside the courtroom. The court may also require counsel for any party to the proceeding to submit questions to the court before the child's testimony is taken, and to submit additional questions to the court for the witness after questioning has been completed. The court may excuse the presence of the child's parent, guardian, or custodian from the room where the child is questioned in accordance with subdivision 5.

Sec. 20. Minnesota Statutes 1986, section 260.171, subdivision 1, is amended to read:

Subdivision 1. If a child is taken into custody as provided in section 260.165, the parent, guardian, or custodian of the child shall be notified as soon as possible. That person shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person taking the child into custody believes it desirable, that person may request the parent, guardian, custodian, or other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on the child's own promise to appear in juvenile court.

Sec. 21. Minnesota Statutes 1986, section 260.171, subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why the child is being placed in a secure detention facility or a shelter care facility; and

(b) of the location of the secure detention facility or shelter care facility. (c) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the secure detention facility or shelter care facility at any time. Subsequent visits by a

If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided. If the court's order for mental health treatment is based on a diagnosis made by a treatment professional, the court may order that the diagnosing professional not provide the treatment to the child if it finds that such an order is in the child's best interests; or

(4) if the child's parent, guardian, or custodian resides in Hennepin county and if the court believes that the child has sufficient maturity and judgment and that it is in the best interests of the child, the court may order a child 16 years old or older to be allowed to live independently, either alone or with others as approved by the court under supervision the court considers appropriate.

The commissioner is authorized to cancel the license without a hearing. The officer shall file a copy of the notice to appear with the juvenile court of the county in which the alleged violation occurred. Whenever a notice to appear or petition is filed alleging that a child is a ~~juvenile alcohol or controlled substance~~ petty offender, the court shall summon and notify the person or persons having custody or control of the child of the nature of the offense charged and the time and place of hearing. This summons and notice shall be served in the time and manner provided in section 260.135, subdivision 1. If a child fails to appear in response to the notice provided by this subdivision, the court may issue a summons notifying the child of the nature of the offense alleged and the time and place set for the hearing. If the peace officer finds it necessary to take the child into custody, sections 260.165 and 260.171 shall apply.

- (b) Participate in a community service project;
- (c) Participate in a drug awareness program; or
- (d) Order the child to undergo a chemical dependency evaluation and if warranted by this evaluation, order participation by the child in an inpatient or outpatient chemical dependency treatment program; or
- (e) Perform any other activities or participate in any other treatment programs deemed appropriate by the court.

Upon receipt, the commissioner shall revoke the child's license or permit for a period of 30 days.

None of the dispositional alternatives described in clauses (a) to (e) shall be imposed by the court in a manner which would cause an undue hardship upon the child.

Subd. 4. [ALTERNATIVE DISPOSITION.] In addition to dispositional alternatives authorized by subdivision 3, in the case of a third or subsequent finding by the court pursuant to an admission in court or after trial that a child is has committed a juvenile alcohol or

controlled substance ~~offender offense~~, the juvenile court shall order a chemical dependency evaluation of the child and if warranted by the evaluation, the court may order participation by the child in an inpatient or outpatient chemical dependency treatment program, or any other treatment deemed appropriate by the court.

Subd. 5. [FINDINGS REQUIRED.] Any order for disposition authorized by this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

(a) Why the best interests of the child are served by the disposition ordered; and

(b) What alternative dispositions were considered by the court and why they were not appropriate in the instant case.

Subd. 6. [REPORT.] The juvenile court shall report to the office of state court administrator each disposition made under this section and sections 260.185, 260.191, and 260.192, and ~~260.194~~ where placement is made outside of this state's jurisdictional boundaries. Each report shall contain information as to date of placement, length of anticipated placement, program costs, reasons for out of state placement, and any other information as the office requires to determine the number of out of state placements, the reasons for these placements, and the costs involved. The report shall not contain the name of the child. Any information contained in the reports relating to factors identifying a particular child is confidential and may be disclosed only by order of the juvenile court. Any person violating this subdivision as to release of this confidential information is guilty of a misdemeanor.

Subd. 7. [EXPUNGEMENT.] The court may expunge the adjudication of a child as a ~~juvenile alcohol or controlled substance~~ petty offender at any time it deems advisable.

- (5) That following upon a determination of ~~neglect or dependency~~ a child's need for protection or services, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination; or
- (6) That in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.26 and either the person has not filed a notice of intent to retain parental rights under section 259.261 or that the notice has been successfully challenged; or

"Section 1. [COUNTIES AND CITIES; PAY EQUITY COMPLIANCE.]

Subdivision 1. [1988 REPORT.] A home rule charter or statutory city or county, referred to in this section as a "governmental subdivision" that employs ten or more people and that did not submit a report according to Minnesota Statutes, section 471.998, shall submit the report by October 1, 1988, to the commissioner of employee relations.

The plan for implementing equitable compensation for the employees must provide for complete implementation not later than December 31, 1991. The plan need not contain a market study.

Subd. 2. [PENALTY FOR NONCOMPLIANCE.] Notwithstanding Minnesota Statutes, sections 275.50 to 275.56, for taxes levied in 1988, payable in 1989 only, a governmental subdivision that does not submit the report required in subdivision 1 shall be subject to the levy limits provided in subdivisions 3 to 5.

Subd. 3. [CITIES.] For a home rule charter or statutory city, the levy limit base for taxes payable in 1989 is the sum of (1) the city's total levy for taxes payable in 1988, excluding the amount levied in that year for debt service and the amount for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); and (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the home rule charter or statutory city multiplied by 103 percent is the city's levy limit base for taxes payable in 1989. The payable 1989 levy limitation for the city shall be equal to the levy limit base determined under this section reduced by the aids for 1989 enumerated in Minnesota Statutes, section 275.51, subdivision 3i.

Subd. 4. [COUNTIES.] For a county, the levy limit base for taxes payable in 1989 is the sum of (1) the county's total levy for taxes payable in 1988, excluding the amount levied in that year for (i) debt service; (ii) levied for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); (iii) income maintenance programs except for the administrative costs associated with those programs; and (iv) social services programs, including the administrative costs associated with those programs, plus (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the county multiplied by 103 percent is the county's levy limit base for taxes payable in 1989.

The payable 1989 levy limitation for the county shall be equal to the levy limit base determined under this section reduced by the aids for 1989 enumerated in section 275.51, subdivision 3i.

Subd. 5. [EXCEPTIONS.] For taxes payable in 1989, the amounts levied for the following costs are not subject to the limitation under subdivision 3 or 4:

(1) levies for debt service;

(2) levies for unfunded accrued pension liabilities as specified in Minnesota Statutes, section 275.50, subdivision 5, clause (o);

(3) levies for income maintenance programs, net of any aid payments received under Minnesota Statutes, section 273.1397, and excluding the administrative costs associated with those programs; and

(4) levies for social service programs including the administrative costs associated with those programs.

The amount levied by the county for taxes payable in 1989 to pay the costs of programs described in clauses (3) and (4) of this subdivision shall be subject to the percentage limitations provided in Minnesota Statutes, section 275.50, subdivision 5, clause (d).

Subd. 6. [PENALTY FOR FAILURE TO IMPLEMENT PLAN.] If the commissioner of employee relations finds after notice and consultation with a governmental subdivision that it has failed to implement its plan for implementing equitable compensation by December 31, 1991, the aid that would otherwise be payable to that governmental subdivision under Minnesota Statutes, sections 477A.011 to 477A.014 in calendar year 1992 shall be reduced by five percent. The commissioner may waive the penalty upon making a finding that the failure to implement was attributable to circumstances beyond the control of the governmental subdivision or to severe hardship."

Delete everything after the enacting clause and insert:

"Section 1. [116.60] [FINDINGS AND PURPOSE.]

The legislature finds that scientific evidence indicates a strong probability that the family of substances known as chlorofluorocar-

bons, when discharged into the atmosphere, degrade the earth's protective layer of ozone, allowing increased amounts of ultraviolet radiation to penetrate the atmosphere and pose an acute and immediate danger to human health, life, and the environment. Available scientific evidence indicates the strong possibility that the resulting increase in human exposure to ultraviolet radiation already may have caused an increase in the incidence of skin cancers and other serious illnesses.

Sources of the chlorofluorocarbons currently being released into the atmosphere are the use of these substances as blowing agents in the manufacture of some of the polystyrene foam packaging products used in the food service industry and the disposal of these packaging products in solid waste landfills. Substitutes for these products currently are available that do not use chlorofluorocarbons in their manufacture.

It is the intent of the legislature to reduce the amount of CFC-processed products purchased and used in Minnesota and thereby to reduce the health hazards created by the manufacture and disposal of these products.

Sec. 2. [116.601] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 1 to 6.

Subd. 2. [CHLOROFLUOROCARBONS OR CFCS.] "Chlorofluorocarbons," or "CFCs" means the family of substances containing carbon, fluorine, and chlorine that have no hydrogen atoms and no double bonds.

Subd. 3. [CFC-PROCESSED FOOD PACKAGING.] "CFC-processed food packaging" means food packaging that uses chlorofluorocarbons as blowing agents in its manufacture.

Subd. 4. [DISTRIBUTOR.] "Distributor" means any person engaged in business who ships or transports products to retailers in this state to be sold by those retailers.

Subd. 5. [FOOD PACKAGING.] "Food packaging" means all bags, sacks, wrapping, containers, bowls, plates, trays, cartons, cups, and lids used to package food or beverages that are not intended for reuse. Food packaging does not include forks, knives, straws, or single-service condiment packages.

Sec. 3. [116.602] [PROHIBITION; CFC-PROCESSED FOOD PACKAGING.]

After July 1, 1990, no person may sell, offer for sale, or give to consumers CFC-processed food packaging.

Sec. 4. [116.603] [DOCUMENTATION REQUIRED; INSPECTION.]

Subdivision 1. [DISTRIBUTOR STATEMENT.] Each distributor shall maintain a written statement signed by the manufacturer of the food packaging stating that the packaging is not CFC-processed and shall note on each invoice for food packaging that the packaging covered by the invoice is not CFC-processed.

Subd. 2. [INSPECTION.] The documentation required in subdivision 1 must be made available, on request, to the commissioner of the pollution control agency. The commissioner may inspect the documents at any time to ensure compliance with sections 3 and 4.

Sec. 5. [116.604] [STUDY.]

By July 1, 1989, the agency shall complete a study and report the findings to the legislature on ways to eliminate sources of CFC in the state in order to accomplish the purposes of section 1.

Sec. 6. [116.605] [ENFORCEMENT; PENALTIES.]

A person who violates section 3 or 4 is subject to a civil penalty of up to \$500 for each violation. The attorney general shall enforce sections 3 and 4 and may bring an action for injunctive relief or an action to compel performance or may seek civil penalties. In an action brought under this section, the attorney general may also recover costs and disbursements, including reasonable attorney fees.

Sec. 7. [APPROPRIATION.]

Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.

(d) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.

Sec. 4. Minnesota Statutes 1987 Supplement, section 245A.04, subdivision 5, is amended to read:

In conducting inspections, the commissioner may request and shall receive assistance from other state, county, and municipal governmental agencies and departments. The applicant or license holder shall allow the commissioner to photocopy, photograph, and make audio and video tape recordings during the inspection of the program at the commissioner's expense. The commissioner shall obtain a court order or the consent of the subject of the records or the parents or legal guardian of the subject before photocopying hospital medical records.

Persons served by the program have the right to refuse to consent to be interviewed, photographed, or audio or videotaped. Failure or refusal of an applicant or license holder to fully comply with this subdivision is reasonable cause for the commissioner to deny the application or immediately suspend or revoke the license.

By January 1, 1989, the commissioner of health shall recommend

to the legislature an appropriate method for enforcing this requirement.

Sec. 6. Minnesota Statutes 1987 Supplement, section 245A.11, subdivision 5, is amended to read:

(2) the county plan must promote dispersal of highly concentrated residential program populations;

(3) the county plan shall promote the development of residential programs in areas that are not highly concentrated;

(4) no person in a residential program shall be displaced as a result of this section until a relocation plan has been implemented that provides for an acceptable alternative placement;

(5) if the plan provides for the relocation of residential programs, the relocation must be completed by January 1, 1990. If the commissioner certifies that the plan does not do so, the commissioner shall state the reasons, and the county has 30 days to submit a plan amended to comply with the requirements of the commissioner.

(c) After July 1, 1985, the commissioner may reduce grants under section 245.73 to a county required to have an approved plan under paragraph (a) if the county does not have a plan approved by the commissioner or if the county acts in substantial disregard of its

approved plan. The county board has the right to be provided with advance notice and to appeal the commissioner's decision. If the county requests a hearing within 30 days of the notification of intent to reduce grants, the commissioner shall not certify any reduction in grants until a hearing is conducted and a decision made in accordance with the contested case provisions of chapter 14.

466.132 [INDEMNIFICATION BY STATE.]

Municipalities, when performing, as required or mandated by state law, inspections or investigations of persons prior to the issuance of state licenses, are employees of the state for purposes of the indemnification provisions of section 3.736, subdivision 9. A municipality is not, however, an employee of the state for purposes of this section if in hiring, supervising, or continuing to employ the person performing an inspection or investigation for the municipality, the municipality was clearly negligent. In no event shall the state be obligated to defend or indemnify a municipality for inspections or investigations relating to licensing to the extent of insurance purchased by the municipality covering liability therefor. The municipality's right to indemnity shall not be considered a waiver of the limitations, defenses, and immunities available to the municipality and state by law.

Sec. 9. [REPEALER.]

Minnesota Statutes 1987 Supplement, sections 256D.01, subdivision 1d; and 256D.37, subdivision 5, are repealed."

Sec. 2. [162.55] [STATE INSTITUTIONS ROAD AND HIGHWAY ACCOUNT.]

A state institutions road and highway account is created in the state treasury. Money in the account is appropriated to the commissioner of transportation to pay state aid to towns, cities, and counties to maintain and improve roads, streets, and highways that:

Distribution of money in the account is governed by a committee appointed by the commissioner of transportation, consisting of a county highway engineer, a county board member, a city council member, and two town supervisors. Roads, streets, and highways maintained or improved with money from this account must meet the same maintenance standards that apply to roads, streets, and highways that are maintained or improved with money from the state-aid system, except that town roads maintained with money from this account must meet the maintenance standards that apply to town roads maintained with money from the town road account in the county state-aid highway fund.

Immediately following the disclosure required under paragraph (b), clause (3), consumers must be given a telephone number to use to contact the health maintenance organization for specific information about access to provider types.

Sec. 7. Minnesota Statutes 1986, section 62D.11, is amended by adding a subdivision to read:

Subd. 4. [COVERAGE OF SERVICE.] A health maintenance organization may not deny or limit coverage of a service which the enrollee has already received:

For the food stamp program, sanctions shall be shared by each county board, with 50 percent of the sanction being distributed to each county in the same proportion as that county's administrative costs for food stamps are to the total of all food stamp administrative costs for all counties, and 50 percent of the sanctions being distributed to each county in the same proportion as that county's value of food stamp benefits issued are to the total of all benefits issued for all counties. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or

counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. Upon the written request of a shelter facility that has been denied payments under section 256.05, subdivision 3, the commissioner shall review all relevant evidence and make a determination within 30 days of the request for review regarding issuance of direct payments to the shelter facility. Failure to act within 30 days shall be considered a determination not to issue direct payments.

(17) Distribute grants to counties to be used to reduce the backlog in day care licensing applications.

Sec. 7. [RULES.]

The commissioner of human services may adopt emergency rules and shall adopt permanent rules to implement grants to counties under section 256.01, subdivision 2, paragraph (17), to be used to reduce the backlog in day care licensing applications.

(3) have household income within a the range established by the commissioner in paragraph (c).

(b) Child care services for the families receiving aid to families with dependent children must be made available as in-kind services, to cover any difference between the actual cost and the amount disregarded under the aid to families with dependent children program. (c) Child care services to families with incomes in the commissioner's established range between 125 percent and 270 percent of the federal poverty level, except families described in paragraph (b), clause (2), must be made available on a sliding fee basis. The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.

(d) If a disproportionate amount of the available money is provided to any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all eligible groups, it may prioritize among the groups to be served. Counties shall assure that a person receiving child care assistance from the sliding fee program prior to July 1, 1987, continues to receive assistance, providing the person meets all other eligibility criteria. Set-aside money must be prioritized by the state, and counties do not have discretion over the use of this money.

The county board that establishes a loan program under this section shall establish a repayment schedule that is based upon the family's income level at the end of the period of time for which the loan was granted.

(c) The county board shall administer the loan program from taxes levied by the county for community social services under section 256E.06, subdivision 5, and other taxes or fees levied by the county.

The rate set by any county shall not be lower than 110 percent or higher than 125 percent of the median rate for like care arrangements in that county. In order to be reimbursed for more than 110 percent of the median rate, a provider with employees must pay wages for teachers, assistants, and aides that are more than 110 percent of the county average rate for child care workers.

Sec. 11. Minnesota Statutes 1986, section 268.91, subdivision 10, is amended to read:

Subd. 10. [EXTENSION OF EMPLOYMENT OPPORTUNITIES.] The county board shall insure that child care services available to county residents are well advertised and that everyone who receives or applies for aid to families with dependent children is informed of training and employment opportunities and programs, including child care services. The county board shall ensure that a person who receives child care services on a sliding fee basis is informed of the availability of a loan for child care services under section 9 after the person's eligibility for the sliding fee services ends.

Sec. 12. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 12, is amended to read:

Subd. 12. [FAIR HEARING PROCESS.] (a) Applicants and recipients have the option to request the county to conduct a conciliation conference to attempt to resolve complaints arising from any of the following actions:

- (1) a determination of ineligibility for child care assistance;
- (2) unauthorized termination of child care assistance;
- (3) determination of the factors considered in setting the family fee; and
- (4) income redetermination resulting in change of a family fee; and
- (5) denial of an application for a loan under section 9 or termination of a loan agreement under section 9.

(b) The county shall notify the applicant or the recipient, in writing, of any adverse action. The determination described in paragraph (a), clauses (1) and (3), must include written notice of the applicant's or recipient's right to the election described in paragraph (c), where and how to request the election, the time limit within which to make the request, and the reasons for the determination. Notice of the proposed actions described in paragraph (a), clauses (2) and (4), must be mailed to the applicant or recipient at least 15 calendar days before the effective date of the action. The notice must clearly state what action the county proposes to take, the effective date of the proposed action, the reasons for the proposed action, the necessary corrective measures, the option to request either a conciliation conference or an administrative hearing, where and how to make the request, the time limits within which a request must be made, and the consequence of the action.

(c) An applicant or recipient who receives a determination or notice of proposed action under paragraph (b) must mail or deliver either a written notice of request for a conciliation conference to the administering agency or a written notice of request for the hearing specified under paragraph (e) to the administering agency on or before the effective date of the proposed action or the date specified in the notice, or the action will be final.

(d) The county shall provide a conciliation conference within 30 days of receipt of a written request.

The county shall give the applicant or recipient ten calendar days' notice of the conference date. The applicant or recipient and the county's representative have the right to appear, to bring witnesses, and to submit documentation. The written request and the resolution, if any, of the conference shall be maintained as part of the official record. The county's representative shall issue a written resolution only if mutual agreement is reached between the county's representative and the applicant or recipient. The resolution must be signed by both parties and issued the same day as the conciliation conference is held. Participating in a conciliation conference or

signing a resolution does not constitute a waiver of the right to an administrative hearing.

An applicant or recipient may, within 15 calendar days of the conference, mail or deliver a written request to the administering agency for an administrative hearing. Unless an appeal is requested, a determination, proposed action, or resolution of a conciliation conference will be final after the 15-day period has passed.

(e) A fair hearing shall be conducted in the manner prescribed by section 268.10, subdivision 3. A right to review will be provided in accordance with section 268.10, subdivision 5. The proposed action will not take effect until the appeal is decided by the administrative hearing process.

The credit shall be reduced in the following tax years to 40 percent in the second year; 30 percent in the third year; 20 percent in the fourth year; and ten percent in the fifth year. [DAY CARE CENTER MATERIALS AND EQUIPMENT.] (a) The gross receipts from the sale or use of all materials and supplies or equipment used or consumed in constructing or incorporated into the construction of a child day care facility licensed under chapter 245A, are exempt, as are other educational facilities. In the case of a day care facility that is located in a private residence, the exemption shall apply to materials, supplies, and equipment purchased for construction of improvements to the resi-

dence that are required to meet the state day care facility licensing standards and are used exclusively for the purpose of providing day care services.

(b) The gross receipts from the sale or use of all materials or supplies used or consumed in the process of providing child day care services licensed under chapter 245A are exempt.

Sec. 18. [STUDY OF FUNDING SOURCES.]

The commissioner of human services, in conjunction with the council on children, youth, and families, shall study the existing public and private funding sources for child care services licensed under chapter 245A including the AFDC special needs program, the sliding fee child care program, the maternal and child nutrition program, county funding, Title XX funding, and private foundation, corporate, community social services act, or nonprofit funding to child care services providers and parents.

The study shall determine if:

(1) individual funding sources meet existing needs and at what level each source is funded;

(2) the need for subsidized child care services for low-income parents is being met;

(3) present funding mechanisms are efficient or can be made more efficient;

(4) there are alternative or better ways to encourage private funding for child care services;

(5) the funding level has an impact on availability of day care facilities; and

(6) day care reimbursement rates are meeting actual costs for quality child care.

The commissioner shall report the results of the study, together with any proposed legislation to implement study recommendations, to the legislature by January 1, 1989.

Sec. 19. [APPROPRIATIONS; EFFECT ON REVENUE AND COLLECTIONS.]

Sec. 20. [EFFECTIVE DATE.]

- (viii) A Child Support or Maintenance Order that is Currently Being Paid.

"Net income" does not include the income of the obligor's spouse.

(b) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, debts to a unit of government, including tax liabilities, and resources of the parents, including real and personal property;

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved but recognizing that the parents now have separate households;

(4) the amount of the aid to families with dependent children grant for the child or children; and

(5) which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it; and

(6) the parents' debts as provided in paragraph (c).

(c) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent, or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the either party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing

goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

Any schedule prepared under paragraph (c), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

Any further ~~departure below the guidelines decrease in child support~~ that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below or above the guidelines.

Sec. 2. Minnesota Statutes 1986, section 518.552, is amended to read:

518.552 [MAINTENANCE.]

Subdivision 1. In a proceeding for dissolution of marriage or legal separation, or in a proceeding for maintenance following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse and which has since acquired jurisdiction, the court may grant a maintenance order for either spouse if it finds that the spouse seeking maintenance:

(a) lacks sufficient property, including marital property apportioned to the spouse, to provide for reasonable needs of the spouse considering the duration of the marriage and the standard of living established during the marriage, especially, but not limited to, a period of training or education, or

(b) is unable to provide adequate self-support, after considering the duration of the marriage and the standard of living established during the marriage and all relevant circumstances, through appropriate employment, or is the custodian of a child whose condition or

circumstances make it appropriate that the custodian not be required to seek employment outside the home.

Subd. 2. The maintenance order shall be in amounts and for periods of time, either temporary or permanent, as the court deems just, without regard to marital misconduct, and after considering all relevant factors, including the following:

(a) the financial resources of the party seeking maintenance, including marital property apportioned to the party, and the party's ability to meet needs independently, including the extent to which a provision for support of a child living with the party includes a sum for that party as custodian;

(b) the time necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment, and the probability, given the party's age and skills, of completing education or training and becoming fully or partially self-supporting;

(c) the standard of living established during the marriage;

(d) the duration of the marriage and, in the case of a homemaker, the length of absence from employment and the extent to which any education, skills, or experience have become outmoded and earning capacity has become permanently diminished;

(e) the loss of earnings, seniority, retirement benefits, and other employment opportunities forgone by the spouse seeking spousal maintenance;

(f) the age, and the physical and emotional condition of the spouse seeking maintenance;

(g) the ability of the spouse from whom maintenance is sought to meet needs while meeting those of the spouse seeking maintenance; and

(h) the contribution of each party in the acquisition, preservation, depreciation, or appreciation in the amount or value of the marital property, as well as the contribution of a spouse as a homemaker or in furtherance of the other party's employment or business; and

(i) in the case of awards for temporary maintenance only, the affirmative obligation of the party seeking maintenance to seek employment, consistent with the recipient's abilities, unless precluded by age or physical or emotional incapacity.

Subd. 3. Nothing in this section shall be construed to favor a

temporary award of maintenance over a permanent award, where the factors under subdivision 2 justify a permanent award.

Where there is some uncertainty as to the necessity of a permanent award, the court shall order a permanent award leaving its order open for later modification.

Sec. 3. Minnesota Statutes 1987 Supplement, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] The terms of a decree respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party; (3) receipt of assistance under sections 256.72 to 256.87; or (4) a change in the cost-of-living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair. On a motion for modification of maintenance, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court shall take into consideration the needs of the children and shall not consider the financial circumstances of each party's spouse, if any. A modification which decreases support or maintenance may be made retroactive only with respect to any period during which the support obligor has pending a motion for modification but only from the date that notice of the motion has been given to the obligee and to the court or other entity which issued each support order upon a showing that any failure to pay in accord with the terms of the original order was for reasons beyond the obligor's control. A modification which increases support or maintenance shall not be made retroactive if the obligor has substantially complied with the previous order. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 4. [EFFECTIVE DATE; APPLICATION.]

Sections 1 and 2 are effective August 1, 1988. Section 3 is effective on the date a waiver is obtained under United States Code, title 42, section 666(a) or on the date it is determined that such a waiver is not necessary, whichever is earlier. The commissioner of human services shall request a waiver promptly after enactment of sections 1 to 3."
