Subd. 2a. [PURCHASE OF CERTAIN EQUIPMENT.] The board may issue certificates of indebtedness or capital notes subject to the school district debt limits to purchase vehicles, computers, telephone systems, cable equipment, photocopy and office equipment, technological equipment for instruction, and other capital equipment having an expected useful life at least as long as the terms of

the certificates or notes. The certificates or notes shall be payable in not more than five years and shall be issued on the terms and in the manner determined by the board. If the amount of the certificates or notes to be issued to finance the purchase exceeds one percent of the assessed valuation of the school district, they shall not be issued for at least 30 days after publication in the official newspaper of a school board resolution determining to issue them. If, before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular school board election is filed with the clerk, the certificates or notes shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election. The notes shall be payable in not more than five years and be issued on terms and in the manner the city determines. Sec. 3. Minnesota Statutes 1987 Supplement, section 469.012, subdivision 1, is amended to read:

Subdivision 1. [SCHEDULE OF POWERS.] An authority shall be a public body corporate and politic and shall have all the powers necessary or convenient to carry out the purposes of sections 469.001 to 469.047, except that the power to levy and collect taxes or special assessments is limited to the power provided in sections 469.027 to 469.033. Its powers include the following powers in addition to others granted in sections 469.001 to 469.047:

(3) to delegate to one or more of its agents or employees the powers or duties it deems proper;

(4) within its area of operation, to undertake, prepare, carry out, and operate projects and to provide for the construction, reconstruction, improvement, extension, alteration, or repair of any project or part thereof;

(5) subject to the provisions of section 469.026, to give, sell, transfer, convey, or otherwise dispose of real or personal property or any interest therein and to execute leases; deeds, conveyances, negotiable instruments, purchase agreements, and other contracts or instruments, and take action that is necessary or convenient to carry out the purposes of these sections;

(6) within its area of operation, to acquire real or personal property or any interest therein by gifts, grant, purchase, exchange, lease, transfer, bequest, devise, or otherwise, and by the exercise of the power of eminent domain, in the manner provided by chapter 117, to acquire real property which it may deem necessary for its purposes, after the adoption by it of a resolution declaring that the acquisition of the real property is necessary to eliminate one or more of the conditions found to exist in the resolution adopted pursuant to section 469.003 or to provide decent, safe, and sanitary housing for persons of low and moderate income, or is necessary to carry out a redevelopment project. Real property needed or convenient for a project may be acquired by the authority for the project by condemnation pursuant to this section. This includes any property devoted to a public use, whether or not held in trust, notwithstanding that the property may have been previously acquired by condemnation or is owned by a public utility corporation, because the public use in conformity with the provisions of sections 469.001 to 469.047 shall be deemed a superior public use. Property devoted to a public use may be so acquired only if the governing body of the municipality has approved its acquisition by the authority. An award of compensation shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance or reconstruction, or proposed assembly, clearance or reconstruction for the

The authority may dispose of the property pursuant to section 469.029, provided that the provisions of section 469.029 requiring conformance to an urban renewal plan shall not apply. The authority may finance these activities by means of the redevelopment project fund or by means of tax increments or tax increment bonds or by the methods of financing provided for in section 469.033 or by means of contributions from the municipality provided for in section 469.041, clause (9), or by any combination of those means. Real property with buildings or improvements thereon shall only be acquired under this clause when the buildings or improvements are substandard. The exercise of the power of eminent domain under this clause shall be limited to real property which contains buildings and improvements which are vacated and substandard. For the purpose of this clause, substandard buildings or improvements mean hazardous buildings as defined in section 463.15, subdivision 3, or buildings or improvements that are dilapidated or obsolescent, faultily designed, lack adequate ventilation, light, or sanitary facilities, or any combination of these or other factors that are detrimental to the safety or health of the community;

(8) within its area of operation, to determine the level of income constituting low or moderate family income. The authority may establish various income levels for various family sizes. In making its determination, the authority may consider income levels that may be established by the federal housing administration or a similar or successor federal agency for the purpose of federal loan guarantees or subsidies for persons of low or moderate income. The authority may use that determination as a basis for the maximum amount of income for admissions to housing development projects or housing projects owned or operated by it;

(9) to provide in federally assisted projects any relocation payments and assistance necessary to comply with the requirements of the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and any amendments or supplements thereto;

(11) to cooperate with or act as agent for the federal government, the state or any state public body, or any agency or instrumentality of the foregoing, in carrying out any of the provisions of sections 469.001 to 469.047 or of any other related federal, state, or local legislation; and upon the consent of the governing body of the city to purchase, lease, manage, or otherwise take over any housing project already owned and operated by the federal government;

(12) to make plans for carrying out a program of voluntary repair and rehabilitation of buildings and improvements, and plans for the enforcement of laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements, and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements. The authority may develop, test, and report methods and techniques, and carry out demonstrations and other activities for the prevention and elimination of slums and blight;

(13) to borrow money or other property and accept contributions, grants, gifts, services, or other assistance from the federal government, the state government, state public bodies, or from any other public or private sources;

(14) to include in any contract for financial assistance with the federal government any conditions that the federal government may attach to its financial aid of a project, not inconsistent with purposes of sections 469.001 to 469.047, including obligating itself (which obligation shall be specifically enforceable and not constitute a mortgage, notwithstanding any other laws) to convey to the federal government the project to which the contract relates upon the occurrence of a substantial default with respect to the covenants or conditions to which the authority is subject; to provide in the contract that, in case of such conveyance, the federal government may complete, operate, manage, lease, convey, or otherwise deal with the project until the defaults are cured if the federal government agrees in the contract to reconvey to the authority the project as then constituted when the defaults have been cured;

(15) to issue bonds for any of its corporate purposes and to secure the bonds by mortgages upon property held or to be held by it or by pledge of its revenues, including grants or contributions;

(16) to invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control or in the manner and subject to the conditions provided in section 475.66 for the deposit and investment of debt service funds;

(17) within its area of operation, to determine where blight exists or where there is unsafe, unsanitary, or overcrowded housing;

(18) to carry out studies of the housing and redevelopment needs within its area of operation and of the meeting of those needs. This includes study of data on population and family groups and their distribution according to income groups, the amount and quality of available housing and its distribution according to rentals and sales prices, employment, wages, desirable patterns for land use and community growth, and other factors affecting the local housing and redevelopment needs and the meeting of those needs; to make the results of those studies and analyses available to the public and to building, housing, and supply industries;

(19) if a local public body does not have a planning agency or the planning agency has not produced a comprehensive or general community development plan, to make or cause to be made a plan to be used as a guide in the more detailed planning of housing and redevelopment areas;

(20) to lease or rent any dwellings, accommodations, lands, buildings, structures, or facilities included in any project and, subject to the limitations contained in sections 469.001 to 469.047 with respect to the rental of dwellings in housing projects, to establish and revise the rents or charges therefor;

(22) to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards;

compiled in either catalog is appropriate for disposal pursuant to the provisions of section 469.029, subdivisions 9 and 10;

(27) to recommend to the city concerning the enforcement of the applicable health, housing, building, fire prevention, and housing maintenance code requirements as they relate to residential dwelling structures that are being rehabilitated by low or moderate income persons pursuant to section 469.029, subdivision 9, for the period of time necessary to complete the rehabilitation, as determined by the authority; and

(28) to recommend to the city the initiation of municipal powers, against certain real properties, relating to repair, closing, condemnation, or demolition of unsafe, unsanitary, hazardous, and unfit buildings, as provided in section 469.041, clause (5).

Sec. 4. Minnesota Statutes 1987 Supplement, section 469.015, subdivision 4, is amended to read:

Subd. 4. [EXCEPTION; CERTAIN PROJECTS.] An authority need not require either competitive bidding or performance bonds in the case of a contract for the acquisition of a low rent housing project for which financial assistance is provided by the federal government, and which does not require any direct loan or grant of money from the municipality as a condition of the federal financial assistance, and where the contract provides for the construction of such a project upon land not owned by the authority at the time of the contract, or owned by the authority for redevelopment purposes, and provides for the conveyance or lease to the authority of the project or improvements upon completion of construction. An authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, a development and financed with the proceeds of tax increment or parking ramp revenue bonds. An authority need not require competitive bidding in the case of a housing development project that (1) is financed with the proceeds of bonds secured by the project and to which the full faith and credit of the authority is not pledged; (2) is located on land owned by the authority; (3) is constructed or rehabilitated under agreements with a developer for the construction of the project, guarantee of the bonds, and management of the property; and (4) is found by the authority to require negotiation rather than use of a competitive bidding procedure to be economical and feasible.

Sec. 5. [469.1651] [REVENUE ANTICIPATION NOTES FOR HOSPITALS.]

Subdivision 1. [AUTHORIZATION.] A municipality may issue and sell, at public or private sale, negotiable notes or certificates of indebtedness, as provided in this section and lend the proceeds to nonprofit hospitals in anticipation of revenues or state and federal

aids payable to the hospitals within one year after the date of issue of the notes or certificates of indebtedness. The principal amount of the notes or certificates shall not exceed 75 percent of the accounts receivable and third-party reimbursement payments payable to the hospital as of a date within 45 days of the date of issuance. While notes or certificates issued under this section on behalf of a hospital are outstanding, additional notes or certificates shall not be issued unless, for the period of 30 consecutive days immediately preceding the date of issuance, the amount of outstanding notes and certificates was less than six percent of the hospital's gross revenues for the preceding fiscal year.

The municipality need not comply with the procedures set forth in sections 469.152 to 469.165 in the issuance of notes or certificates of indebtedness pursuant to this section, but the municipality shall comply with sections 469.152 to 469.165 at the time of issuance of the refunding obligations if long-term obligations are issued to refund notes or certificates of indebtedness issued pursuant to this section.

Subd. 2. [REVENUE AGREEMENT.] No notes or certificates of indebtedness shall be issued pursuant to this section unless the municipality has entered into a revenue agreement with a qualifying hospital providing for payment by the hospital of all principal of and interest on the notes or certificates of indebtedness when they become due and payable, together with any expenses and fees of the municipality incurred in connection with the notes or their issuance. Notes and certificates of indebtedness issued under authority of this section do not, and shall state that they do not, represent or constitute a debt or pledge of the faith and credit of the municipality or the state of Minnesota, or grant to their owners or holders any right to have the municipality or state levy any taxes or appropriate any funds for the payment of their principal or interest on them. The notes or certificates are payable and shall state that they are payable solely from the revenues and other property, income, accounts, charges, and money that are pledged for their payment in accordance with the proceedings authorizing their issuance.

Subd. 3. [ENABLING RESOLUTION; FORM OF CERTIFICATES.] The municipality may authorize and effect the borrowing and issue the notes or certificates of indebtedness authorized by this section upon passage of a resolution specifying the amount and purposes of the borrowing. The municipality shall fix the amount, date, maturity, form, denomination, and other details of the notes or certificates of indebtedness, consistent with this section, and shall fix the date and place for the receipt of bids for their purchase, if the notes or certificates of indebtedness are to be sold by public sale.

Subd. 4. [REPAYMENT; MATURITY DATE; INTEREST.] The proceeds of revenues and future state and federal aid and other funds of the hospital which may become available shall be applied to

the extent necessary to repay the notes or certificates of indebtedness. The full faith and credit of the hospital, or any other lawfully pledged security of the hospital, as deemed necessary by the municipality, shall be pledged to their payment. Notes or certificates of indebtedness issued pursuant to this section shall mature not later than 13 months after the date of issue. The notes or certificates shall be sold at such price as the municipality may agree. The notes or certificates shall bear interest after maturity until paid at the rate they bore before maturity. Any interest accruing before or after maturity shall be paid from any available funds of the hospital.

Any note or certificate of indebtedness issued pursuant to this section may be issued giving its owner the right to tender, or the municipality or the hospital to demand tender of, the obligation to the municipality or the hospital or another person designated by either of them, for purchase at a specified time or times. The note or certificate of indebtedness shall not be deemed to mature on any tender date, and the purchase of a tendered note or certificate shall not be deemed a payment or discharge of the note or certificate. Notes or certificates of indebtedness tendered for purchase may be remarketed by or on behalf of the municipality or any other purchaser. The municipality or the hospital may enter into agreements deemed appropriate to provide for the purchase and remarketing of tendered notes or certificates of indebtedness, including provisions under which undelivered obligations may be deemed tendered for purchase and new obligations may be substituted for them, provisions for the payment of charges of tender agents, remarketing agents, and financial institutions extending lines of credit or letters of credit assuring repurchase, and for reimbursement of advances under letters of credit, which charges and reimbursements shall be paid by the hospital.

Any notes or certificates of indebtedness issued pursuant to this section may bear interest at a rate varying periodically at the time or times and on the terms, including convertibility to a fixed rate of interest, determined by the governing body of the municipality.

Subd. 5. [TRUST AGREEMENT.] Any notes or certificates of indebtedness issued under this section may be secured by a trust agreement between the municipality and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the state. The trust agreement or the resolution providing for the issuance of the notes or certificates may pledge or assign the revenues to be received, the proceeds of any contracts pledged, and any other property pledged by the borrowing institution or proceeds from it. The trust agreement or resolution providing for the issuance of the notes or certificates may contain reasonable provisions to protect and enforce the rights and remedies of the holders of the notes or certificates. Any bank or trust company incorporated under the laws of the state that may act as depository

of the proceeds of notes or certificates or of revenues or other moneys may furnish the indemnifying bonds or pledge the securities that may be required by the municipality. The trust agreement may set forth the rights and remedies of the holders of the notes or certificates and of the trustee and may restrict the individual right of action by holders of the notes or certificates. The trust agreement or resolution may contain any other provisions that the municipality deems reasonable for the security of the holders of the notes or certificates. All expenses incurred in carrying out the provisions of the trust agreement or resolution shall be paid by the hospital.

Sec. 6. Minnesota Statutes 1987 Supplement, section 475.54, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, 5a, 15 or ~~5b~~ 17, or as expressly authorized in another law, all obligations of each issue shall mature or be subject to mandatory sinking fund redemption in installments, the first not later than three years and the last not later than 30 years from the date of the issue. No amount of principal of the issue payable in any calendar year shall exceed five times the amount of the smallest amount payable in any preceding calendar year ending three years or more after the issue date.

Sec. 7. Minnesota Statutes 1986, section 475.54, is amended by adding a subdivision to read:

Subd. 17. Obligations payable primarily from a source other than ad valorem taxes may mature at any time or times within 30 years after the date of issue, if the governing body estimates that the primary source of payment is sufficient to pay when due the principal of and interest on the obligations and if the primary source of payment is irrevocably appropriated to payment of the obligations.

Sec. 8. Minnesota Statutes 1986, section 475.60, subdivision 3, is amended to read:

Subd. 3. [PUBLISHED NOTICE.] Published notice, where required, shall specify the maximum principal amount of the obligations, the place of receipt and consideration of bids and such other details as to the obligations and terms of sale as the governing body deems suitable. The published notice shall either specify the date and time for receipt of bids or provide that the bids will be received at a date and time not less than ten nor more than ~~45~~ 60 days after the date of publication. If the published notice does not state the specific date and or amount for the sale, it shall specify the manner in which notice of the date and or amount of the sale will be given to prospective bidders. Notification of prospective bidders shall be given by electronic data transmission or other form of communication common to the municipal bond trade at least four days (omitting Saturdays, Sundays, and legal holidays) before the date for receipt of

bids. If within five days after the date of publication a prospective bidder requests in writing to be notified by mail, the municipality shall do so. Failure to give the notice as described in the preceding sentence to a bidder shall not affect the validity of the sale or of the obligations. The governing body may employ an agent to receive and open the bids at any place within or outside the corporate limits of the municipality, in the presence of an officer of the municipality, but the obligations shall not be sold except by action of the governing body or authorized officers of the municipality after communication of the bids to them. Additional notice may be given for such time and in such manner as the governing body deems suitable. At the time and place so fixed, the bids shall be opened and the offer complying with the terms of sale and deemed most favorable shall be accepted, but the governing body may reject any and all such offers, in which event, or if no offers have been received, it may award the obligations to any person who within 30 days thereafter presents an offer complying with the terms of sale and deemed more favorable than any received previously, or upon like notice the governing body may invite other bids upon the same or different terms and conditions, except that if the original published notice does not state the specific date or amount for the sale and if the material terms and conditions of the sale remain the same, except for the date and amount, notice of the date or amount may be given in the manner provided above.

Sec. 9. Minnesota Statutes 1987 Supplement, section 475.66, subdivision 3, is amended to read:

prior to maturity in accordance with its terms. The securities representing any such investment may be sold or hypothecated by the municipality at any time, but the money so received remains a part of the fund until used for the purpose for which the fund was created.

Sec. 10. Minnesota Statutes 1987 Supplement, section 475.67, subdivision 12, is amended to read:

Subd. 12. In the refunding of general obligations, for which the full faith and credit of the issuing municipality has been pledged, the following additional conditions shall be observed: each such obligation, if repayable, shall be called for redemption prior to its maturity in accordance with its terms no later than either (i) the earliest date on which it may be redeemed without payment of any premium, or (ii) if the obligation is only prepayable with payment of a premium, on the earliest date on which it may be redeemed with payment of the least premium required by its terms. No refunding obligations shall be issued and sold more than six months before the refunded obligations mature or are called for redemption in accordance with their terms, unless either (i) as a result of the refunding the average life of the maturities is extended at least three years or (ii) as of the nominal date of the refunding obligations the present value of the dollar amount of the debt service on the refunding obligations, computed to their stated maturity dates, after deducting any premium ~~or adding any discount~~, is lower by at least three percent than the present value of the dollar amount of debt service, on all general obligations refunded, exclusive of any premium ~~or discount~~, computed to their stated maturity dates; provided that in computing the dollar amount of debt service on the refunding obligations, any expenses of the refunding payable from a source other than the proceeds of the refunding obligations or the interest derived from the investment thereof shall be added to the dollar amount of debt service on the refunding obligations. For purposes of this subdivision, the present value of the dollar amount of debt service means the dollar amount of debt service to be paid, discounted to the nominal date of the refunding obligations at a rate equal to the yield on the refunding obligations. Expenses of the refunding include the amount, if any, in excess of the proceeds of the refunding obligations or the principal amount of obligations to be refunded, whichever is the greater, which is required to be deposited in escrow to provide cash and purchase securities sufficient to retire the refunded obligations and unaccrued interest thereon in accordance with subdivision 6; charges of the escrow agent and of the paying agent for the refunding obligations; and expenses of printing and publications and of fiscal, legal, or other professional service necessarily incurred in the issuance of the refunding obligations.

Sec. 11. Minnesota Statutes 1986, section 475.67, subdivision 13, is amended to read:

Subd. 13. Crossover refunding obligations may be issued by a municipality without regard to the limitations in subdivisions 4 to 10. The proceeds of crossover refunding obligations, less any proceeds applied to payment of the costs of their issuance, shall be deposited in a debt service fund irrevocably appropriated to the payment of principal of and interest on the refunding obligations until the date the proceeds are applied to payment of the obligations to be refunded. The debt service fund shall be maintained as an escrow account with a suitable financial institution within or without the state and amounts in it shall be invested in securities described in subdivision 8 or in an investment contract or similar agreement with a bank or insurance company meeting the requirements of section 475.66, subdivision 3, clause (f). Excess proceeds, if any, of the tax levy pursuant to section 475.61, subdivision 1, made with respect to the obligations to be refunded, and any other available amounts, may be deposited in the escrow account. In the resolution authorizing the issuance of crossover refunding obligations, the governing body may pledge to their payment any source of payment of the obligations to be refunded. The resolution may provide that the refunding obligations are payable solely from the escrow account prior to the date scheduled for payment of the obligations to be refunded and that the obligations to be refunded shall not be discharged if the amounts on deposit in the escrow account on that date are insufficient. Subdivisions 11 and 12 shall not apply to any crossover refunding obligations, or the obligations to be refunded. Subject to section 475.61, subdivision 3, in the case of general obligation bonds, taxes shall be levied pursuant to section 475.61 and appropriated to the debt service fund in the amounts needed, together with estimated investment income of the debt service fund and any other revenues available upon discharge of the obligations refunded, to pay when due the principal of and interest on the refunding obligations. The levy so imposed may be reduced by earnings to be received from investments on hand in the debt service fund to the extent the applicable recording officer certifies to the county auditor that the earnings are expected to be received in amounts and at such times as to be sufficient, together with the remaining levy, to satisfy the purpose of the levy requirements under section 475.61.

Sec. 12. [EXCEPTION; PARKING FACILITIES.]

Notwithstanding Minnesota Statutes, section 469.068, the Bloomington port authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, or adjacent and integrally related to, a development and financed with the proceeds of tax increment or revenue bonds.

March 29, 1988

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Robert Vanasek
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1861, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1861 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [FINDINGS.]

The legislature finds that access to continuous and uninterrupted health care coverage is necessary for citizens of Minnesota enrolled

in health care plans. While Minnesota law requires conversion policies for members of group health plan contracts, no similar right is extended to holders of individual contracts.

The legislature finds it necessary for individual health care coverage policyholders to immediately be afforded the same protections as group contract holders. The legislature further finds that a legal requirement is necessary to protect the access to health care coverage for the citizens of Minnesota who hold individual health care contracts. In view of continuing uncertainty in the marketplace, the legislature finds it necessary to impose this legal requirement on all existing individual contracts the day after enactment, so that no other consumers face a threat to their health care coverage.

Sec. 2. Minnesota Statutes 1987 Supplement, section 62A.17, subdivision 6, is amended to read:

Subd. 6. [CONVERSION TO INDIVIDUAL POLICY.] A group insurance policy that provides posttermination or layoff coverage as required by this section shall also include a provision allowing a covered employee, surviving spouse, or dependent at the expiration of the posttermination or layoff coverage provided by subdivision 2 to obtain from the insurer offering the group policy or group subscriber contract, at the employee's, spouse's, or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual policy of insurance or an individual subscriber contract providing at least the minimum benefits of a qualified plan as prescribed by section 62E.06 and the option of a number three qualified plan, a number two qualified plan, and a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3, provided application is made to the insurer within 30 days following notice of the expiration of the continued coverage and upon payment of the appropriate premium. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. A health maintenance contract issued by a health maintenance organization that provides posttermination or layoff coverage as required by this section shall also include a provision allowing a former employee, surviving spouse, or dependent at the expiration of the posttermination or layoff coverage provided in subdivision 2 to obtain from the health maintenance organization, at the former employee's, spouse's, or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual health maintenance contract. Effective January 1, 1985, enrollees who have become nonresidents of the health maintenance organization's service area shall be given the option, to be arranged by the health maintenance organization, of a number three qualified plan, a number two qualified plan, or a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3 if an arrangement with an insurer can reasonably be made by the health maintenance organization. This option shall be made available at the enrollee's expense, without

further evidence of insurability and without interruption of coverage.

A policy providing reduced benefits at a reduced premium rate may be accepted by the employee, the spouse, or a dependent in lieu of the optional coverage otherwise required by this subdivision.

The individual policy or contract shall be renewable at the option of the individual as long as the individual is not covered under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under title XVIII of the Social Security Act, as amended. Any revisions in the table of rate for the individual policy shall apply to the covered person's original age at entry and shall apply equally to all similar policies issued by the insurer.

Sec. 3. Minnesota Statutes 1986, section 62D.07, is amended to read:

The individual health maintenance contract shall be renewable at the option of the former spouse as long as the former spouse is not covered under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under title XVIII of the Social Security Act, as amended. Subd. 2. [CONTINUATION PRIVILEGE.] The coverage described in subdivision 1 may be continued until the earlier of the following dates:

(1) the date coverage would otherwise terminate under the contract;

(2) 36 months after continuation by the spouse or dependent was elected; or

If coverage is provided under a group policy, any required fees for the coverage shall be paid by the enrollee on a monthly basis to the group contract holder for remittance to the health maintenance organization. In no event shall the fee charged exceed 102 percent of

the cost to the plan for such coverage for other similarly situated spouse and dependent children to whom subdivision 1 is not applicable, without regard to whether such cost is paid by the employer or employee.

Sec. 10. Minnesota Statutes 1986, section 62D.11, is amended to read:

62D.11 [COMPLAINT SYSTEM.]

Subdivision 1. Every health maintenance organization shall establish and maintain a complaint system including an impartial arbitration provision, to provide reasonable procedures for the resolution of written complaints initiated by enrollees concerning the provision of health care services. “Provision of health services” includes, but is not limited to, questions of the scope of coverage, quality of care, and administrative operations. Arbitration shall be subject to chapter 572, except (a) in the event that an enrollee elects to litigate a complaint prior to submission to arbitration, and (b) no medical malpractice damage claim shall be subject to arbitration unless agreed to by both parties subsequent to the event giving rise to the claim.

Subd. 1a. Where a complaint involves a dispute about a health maintenance organization's coverage of an immediately and urgently needed service, the commissioner may either (a) review the complaint and any information and testimony necessary in order to make a determination and order the appropriate remedy pursuant to sections 62D.15 to 62D.17, or (b) order the health maintenance organization to use an expedited system to process the complaint.

Subd. 2. The health maintenance organization shall maintain a record of each written complaint filed with it for ~~three~~ five years and the commissioner of health shall have access to the records.

Sec. 11. Minnesota Statutes 1986, section 62D.12, subdivision 2, is amended to read:

Subd. 2. No health maintenance organization may cancel or fail to renew the coverage of an enrollee except for (a) failure to pay the charge for health care coverage; (b) termination of the health care plan; (c) termination of the group plan; (d) enrollee moving out of the area served, subject to section 62A.17, subdivisions 1 and 6, and section 8; (e) enrollee moving out of an eligible group, subject to section 62A.17, subdivisions 1 and 6, and section 8; (f) failure to make copayments required by the health care plan; or (g) other reasons established in rules promulgated by the commissioner of health.

An enrollee Subd. 2a. Enrollees shall be given 30 days notice of

any cancellation or nonrenewal, except that enrollees who are eligible to receive replacement coverage under section 13, subdivision 1, shall receive 90 days notice as provided under section 13, subdivision 5.

Sec. 12. Minnesota Statutes 1986, section 62D.12, is amended by adding a subdivision to read:

Subd. 14. Each health maintenance organization shall establish a telephone number, which need not be toll free, that providers may call with questions about coverage, prior authorization, and approval of medical services. The telephone number must be staffed by an employee of the health maintenance organization during normal working hours during the normal work week. After normal working hours, the telephone number must be equipped with an answering machine and recorded message to allow the caller an opportunity to leave a message. The health maintenance organization must respond to questions within 24 hours after they are received, excluding weekends and holidays. At the request of a provider, the health maintenance organization shall provide a copy of the health maintenance contract for enrollees in the provider's service area.

Sec. 13. [62D.121] [REQUIRED REPLACEMENT COVERAGE.]

Subdivision 1. When membership of an enrollee who has individual health coverage is terminated by the health maintenance organization for a reason other than (a) failure to pay the charge for health care coverage; (b) failure to make copayments required by the health care plan; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership, the health maintenance organization must offer or arrange to offer replacement coverage, without evidence of insurability, without preexisting condition exclusions, and without interruption of coverage.

Subd. 2. If the health maintenance organization has terminated individuals from coverage in a service area, the replacement coverage shall be health maintenance organization coverage issued by the health maintenance organization terminating coverage unless the health maintenance organization can demonstrate to the commissioner that offering health maintenance organization replacement coverage would not be feasible. In making the determination, the commissioner shall consider (1) loss ratios and forecasts, (2) lack of agreements between health care providers and the health maintenance organization to offer that product, (3) evidence of anticipated premium needs compared with established rates, (4) the financial impact of the replacement coverage on the overall financial solvency of the plan, and (5) the cost to the enrollee of health maintenance organization replacement coverage as compared to cost to the enrollee of the replacement coverage required under subdivision 3 of this section.

Subd. 3. If replacement coverage is not provided by the health maintenance organization, as explained under subdivision 2, the replacement coverage shall provide, for enrollees covered by Title XVIII of the Social Security Act, coverage at least equivalent to a Medicare supplement two plan as defined in section 62A.34, except that the replacement coverage shall also cover the liability for any Medicare Part A and Part B deductible as defined under Title XVIII of the Social Security Act. After satisfaction of the Medicare Part B deductible, the replacement coverage shall be based on 120 percent of the Medicare Part B eligible expenses less the Medicare Part B payment amount. The fee or premium of the replacement coverage shall not exceed the premium charged by the state comprehensive health plan as established under section 62E.08, for a qualified Medicare supplement plan. All enrollees not covered by Medicare shall be given the option of a number three qualified plan or a number two qualified plan as defined in section 62E.06, subdivisions 1 and 2, for replacement coverage. The fee or premium for a number three qualified plan shall not exceed 125 percent of the average of rates charged by the five insurers with the largest number of individuals in a number three qualified plan of insurance in force in Minnesota. The fee or premium for a number two qualified plan shall not exceed 125 percent of the average of rates charged by the five insurers with the largest number of individuals in a number two qualified plan of insurance in force in Minnesota.

If the replacement coverage is health maintenance organization coverage, the fee shall not exceed 125 percent of the cost of the average fee charged by health maintenance organizations for a similar health plan. The commissioner of health will determine the average cost of the plan on the basis of information provided annually by the health maintenance organizations concerning the rates charged by the health maintenance organizations for the plans offered. Fees or premiums charged under this section must be actuarially justified.

Subd. 4. The commissioner will approve or disapprove the replacement coverage within 30 days. A health maintenance organization shall not give enrollees a notice of cancellation of coverage until a replacement policy has been filed with the commissioner and approved or disapproved.

Subd. 5. The health maintenance organization must provide the terminated enrollees with a notice of cancellation 90 days before the date the cancellation takes effect. If the replacement coverage is approved by the commissioner under subdivision 4, the notice shall clearly and completely describe the replacement coverage that the enrollees are eligible to receive and explain the procedure for enrolling. If the replacement coverage is not approved by the commissioner, the health maintenance organization shall provide a cancellation notice with information that the enrollee is entitled to enroll in the state comprehensive health insurance plan with a

waiver of the waiting period for preexisting conditions under section 62E.14, subdivisions 1, paragraph (d), and 6.

Subd. 6. The commissioner may waive the notice required in this section if the commissioner determines that the health maintenance organization has not received information regarding Medicare reimbursement rates from the Health Care Financing Administration before September 1 for contracts renewing on January 1 of the next year. In no event shall enrollees covered by Title XVIII of the Social Security Act receive less than 60 days' notice of contract termination.

Subd. 7. [GEOGRAPHIC ACCESSIBILITY.] If the commissioner determines that there are not enough providers to assure that enrollees have accessible health services available in a geographic service area, the commissioner shall institute a plan of corrective action that shall be followed by the health maintenance organization. Such a plan may include but not be limited to requiring the health maintenance organization to make payments to nonparticipating providers for health services for enrollees, requiring the health maintenance organization to discontinue accepting new enrollees in that service area, and requiring the health maintenance organization to reduce its geographic service area. If a nonparticipating provider has been a participating provider with the health maintenance organization within the last year, any payments made under this section must not exceed the payment level of the previous contract unless the commissioner determines that without adjusting payments the health maintenance organization will be unable to meet the health care needs of enrollees in the area.

Sec. 14. [62D.122] [MEDIATION.]

When current parties to a health maintenance organization contract between providers of health care services and the health maintenance organization believe they will be unable to reach agreement on the terms of renewal or maintenance of the agreement, either party may request the commissioner of health to order that the dispute be submitted to mediation. The parties to the dispute shall enter mediation upon the order of the commissioner of health. Whether or not a request for mediation from one of the parties has been received, the commissioner shall order mediation if failure to reach agreement would significantly impair access to health care services on the part of current enrollees of that health maintenance organization. In determining whether access to health care services for current enrollees will be significantly impaired, the commissioner shall consider:

- (1) the number of enrollees affected,
- (2) the ability of the plan to make alternate arrangements with

other participating providers for the provision of health care services to the affected enrollees,

(3) the availability of nonparticipating providers who may become participating providers for those with whom the health maintenance organization is in dispute,

(4) the time remaining until termination of the provider contract, and

(5) whether failure to resolve the dispute may establish a precedent for similar disputes in other parts of the state or might impede competition among health plans.

During the period in which the dispute is in mediation, no action to terminate provider or enrollee contracts may be taken by either party. Participation in mediation shall be required of all parties for a period of not more than 30 days. Notice of termination of provider agreements, as required under section 5, shall take effect no earlier than 31 days after the first day of mediation under this section.

When mediation is ordered by the commissioner, arrangements for mediation shall be made through either the office of dispute resolution in the state planning agency, or the office of administrative hearings.

Costs of the mediation shall be borne equally by the health maintenance organization and the health care providers unless otherwise agreed to by the parties. The office of administrative hearings shall establish rates for mediation services comparable to those charged by mediators listed with the office of dispute resolution.

The mediator shall not have authority to impose a settlement or otherwise bind a participant to a nonvoluntary resolution of the dispute; however, any agreement reached as a result of the mediation shall be enforceable.

Except as otherwise provided under chapter 13 and sections 62D.03 and 62D.14, the commissioner shall make public the results of any mediation agreement.

Sec. 15. Minnesota Statutes 1986, section 62D.17, subdivision 1, is amended to read:

Subdivision 1. The commissioner of health may, for any violation of statute or rule applicable to a health maintenance organization, or in lieu of suspension or revocation of a certificate of authority under section 62D.15, levy an administrative penalty in an amount up to \$10,000 for each violation. In the case of contracts or agree-

ments made pursuant to section 62D.05, subdivisions 2 to 4, each contract or agreement entered into or implemented in a manner which violates sections 62D.01 to 62D.29 shall be considered a separate violation. Reasonable notice in writing to the health maintenance organization shall be given of the intent to levy the penalty and the reasons therefor, and the health maintenance organization may have a reasonable time 15 days within which to remedy the defect in its operations which gave rise to the penalty citation, or have file a written request for an administrative hearing and review of the commissioner of health's determination. Such administrative hearing shall be subject to judicial review pursuant to chapter 14.

Sec. 16. Minnesota Statutes 1986, section 62D.20, is amended to read:

62D.20 [RULES.]

Subdivision 1. The commissioner of health may, pursuant to chapter 14, promulgate such reasonable rules as are necessary or proper to carry out the provisions of sections 62D.01 to 62D.29. Included among such rules shall be those which provide minimum requirements for the provision of comprehensive health maintenance services, as defined in section 62D.02, subdivision 7, and reasonable exclusions therefrom. Nothing in such rules shall force or require a health maintenance organization to provide elective, induced abortions, except as medically necessary to prevent the death of the mother, whether performed in a hospital, other abortion facility, or the office of a physician; the rules shall provide every health maintenance organization the option of excluding or including elective, induced abortions, except as medically necessary to prevent the death of the mother, as part of its comprehensive health maintenance services.

Subd. 2. The commissioner shall adopt rules that address the issue of appropriate prior authorization requirements, considering consumer needs, administrative concerns, and the nature of the benefit.

Sec. 17. Minnesota Statutes 1986, section 62E.11, is amended by adding a subdivision to read:

Subd. 9. Each contributing member that terminates individual health coverage regulated under chapter 62A, 62C, 62D, or 64B for reasons other than (a) nonpayment of premium; (b) failure to make copayments; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and does not provide or arrange for replacement coverage that meets the requirements of section 13; shall pay a special assessment to the state plan based upon the number of terminated individuals who join the comprehensive health insurance plan as authorized under section 62E.14, subdivi-

sion 1, paragraph (d), and section 21. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees, multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

Sec. 18. Minnesota Statutes 1986, section 62E.11, is amended by adding a subdivision to read:

Subd. 10. Any contributing members who have terminated individual health plans and do not provide or arrange for replacement coverage that meets the requirements of section 13, and whose former insureds or enrollees enroll in the state comprehensive health insurance plan with a waiver of the preexisting conditions pursuant to section 62E.14, subdivision 1, paragraph (d), and section 21, will be liable for the costs of any preexisting conditions of their former enrollees or insureds treated during the first six months of coverage under the state plan. The liability for preexisting conditions will be assessed before the association makes the annual determination of each contributing member's liability as required under this section.

Sec. 19. Minnesota Statutes 1986, section 62E.14, subdivision 1, is amended to read:

Subdivision 1. [CERTIFICATE, CONTENTS.] The comprehensive health insurance plan shall be open for enrollment by eligible

persons. An eligible person shall enroll by submission of a certificate of eligibility to the writing carrier. The certificate shall provide the following:

(a) Name, address, age, and length of time at residence of the applicant;

(b) Name, address, and age of spouse and children if any, if they are to be insured;

(c) Evidence of rejection, a requirement of restrictive riders, a rate up, or a preexisting conditions limitation on a qualified plan, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk, by at least one association members within six months of the date of the certificate, or other eligibility requirements adopted by rule by the commissioner which are not inconsistent with this chapter and which evidence that a person is unable to obtain coverage substantially similar to that which may be obtained by a person who is considered a standard risk;

(d) Evidence that the applicant meets the eligibility requirements of section 62E.081, subdivision 1; and If the applicant has been terminated from individual health coverage which does not provide replacement coverage, evidence that no replacement coverage that meets the requirements of section 13 was offered, and evidence of termination of individual health coverage by an insurer, nonprofit health service plan corporation, or health maintenance organization provided that the contract or policy has been terminated for reasons other than (1) failure to pay the charge for health care coverage; (2) failure to make copayments required by the health care plan; (3) enrollee moving out of the area served; or (4) a materially false statement or misrepresentation by the enrollee in the application for membership; and

(e) A designation of the coverage desired.

An eligible person may not purchase more than one policy from the state plan. Upon ceasing to be a resident of Minnesota a person is no longer eligible to purchase or renew coverage under the state plan.

Sec. 20. Minnesota Statutes 1986, section 62E.14, subdivision 3, is amended to read:

Subd. 3. [PREEXISTING CONDITIONS.] No person who obtains coverage pursuant to this section shall be covered for any preexisting condition during the first six months of coverage under the state plan if the person was diagnosed or treated for that condition during

the 90 days immediately preceding the filing of an application except as provided under subdivisions 4 and 5, and section 21.

Sec. 21. Minnesota Statutes 1986, section 62E.14, is amended by adding a subdivision to read:

Subd. 6. A Minnesota resident who holds an individual health maintenance contract, individual nonprofit health service corporation contract, or an individual insurance policy previously approved by the commissioners of health or commerce, may enroll in the comprehensive health insurance plan with a waiver of the preexisting condition as described in subdivision 3, without interruption in coverage, provided (1) no replacement coverage that meets the requirements of section 13 was offered by the contributing member, and (2) the policy or contract has been terminated for reasons other than (a) nonpayment of premium; (b) failure to make copayments required by the health care plan; (c) moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and, provided further, that the option to enroll in the plan is exercised within 30 days of termination of the existing policy or contract.

Coverage allowed under this section is effective on the date of termination, when the contract or policy is terminated and the enrollee has completed the proper application and paid the required premium or fee.

Expenses incurred from the preexisting conditions of individuals enrolled in the state plan under this subdivision must be paid by the contributing member canceling coverage as set forth in section 18.

The application must include evidence of termination of the existing policy or certificate as required in subdivision 1.

Sec. 22. Minnesota Statutes 1986, section 62E.16, is amended to read:

62E.16 [CONVERSION PRIVILEGES.]

Every program of self-insurance, policy of group accident and health insurance or contract of coverage by a health maintenance organization written or renewed in this state, shall include, in addition to the provisions required by section 62A.17, the right to convert to an individual coverage qualified plan without the addition of underwriting restrictions if the individual insured leaves the group regardless of the reason for leaving the group, or upon cancellation or termination of the coverage for the group except where uninterrupted and continuous group coverage is otherwise provided to the group. If the health maintenance organization has canceled coverage for the group because of a loss of providers in a

service area, the health maintenance organization shall arrange for other health maintenance or indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 256.87, subdivision 1, is amended to read:

Subdivision 1. [ACTIONS AGAINST PARENTS FOR ASSISTANCE FURNISHED.] A parent of a child is liable for the amount of assistance furnished under sections 256.72 to 256.87 to and for the benefit of the child, including any assistance furnished for the benefit of the caretaker of the child, which the parent has had the ability to pay. Ability to pay must be determined according to chapter 518. The parent's liability is limited to the amount of assistance furnished during the two years immediately preceding the commencement of the action, except that where child support has been previously ordered, the state or county agency providing the assistance, as assignee of the obligee, shall be entitled to judgments for child support payments accruing within ten years preceding the date of the commencement of the action up to the full amount of assistance furnished. The action may be ordered by the state agency or county agency and shall be brought in the name of the county by the county attorney of the county in which the assistance was granted, or by the state agency against the parent for the recovery of the amount of assistance granted, together with the costs and disbursements of the action.

Sec. 2. Minnesota Statutes 1986, section 256.87, subdivision 1a, is amended to read:

Subd. 1a. [CONTINUING CHILD SUPPORT CONTRIBUTIONS.] In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing child support contributions by a parent found able to reimburse the county or state agency. Except as provided in subdivision 4, the order shall be effective for the period of time during which the recipient receives public assistance from any county or state agency and for five months thereafter. The order shall require support according to chapter 518. An order for continuing contributions is reinstated without further hearing upon notice to the parent by any county or state agency that assistance is again being provided for the child of the parent under sections 256.72 to 256.87. The notice shall be in writing and shall indicate that the parent may request a hearing for modification of the amount of support or maintenance.

Sec. 3. Minnesota Statutes 1986, section 256.978, is amended to read:

256.978 [LOCATION OF PARENTS DESERTING THEIR CHILDREN, ACCESS TO RECORDS.]

The commissioner of human services, in order to carry out the child support enforcement program and to assist in the location of parents who have, or appear to have, deserted their children, may request information from the records of all departments, boards, bureaus or other agencies of this state, which shall, notwithstanding the provisions of section 290.61, section 268.12, subdivision 12 or any other law to the contrary, provide the information necessary for this purpose. Employers and utility companies doing business in this state shall provide the following data upon written request by an agency responsible for child support enforcement, to identify and locate individuals owing or allegedly owing a duty to support, whether the individual is employed or is receiving utility service and the individual's address. A request for this information may be made to an employer when there is reasonable cause to believe that the subject of the inquiry is or was employed by the employer of whom the request was made. The request must include a statement that such reasonable cause exists. Information relative to the identity, whereabouts, employment, income, and property of a person owing or alleged to be owing an obligation of support may be requested and used or transmitted by the commissioner pursuant to the authority conferred by this section. The commissioner of human services may make such information available only to public officials and agencies of this state and its political subdivisions and other states of the union and their political subdivisions who are seeking to enforce the support liability of parents or to locate parents who have, or appear to have, deserted their children. Any person who, pursuant to this section, obtains information from the department of revenue the confidentiality of which is protected by law shall not divulge the information except to the extent necessary for the administration of the child support enforcement program or when otherwise authorized by law.

Sec. 4. Minnesota Statutes 1986, section 270A.03, subdivision 4, is amended to read:

Subd. 4. "Debtor" means a natural person obligated on a debt to a claimant agency or having a delinquent account with a public agency responsible for child support enforcement.

Sec. 5. Minnesota Statutes 1987 Supplement, section 356.80, is amended to read:

356.80 [PROVISION OF INFORMATION IN THE EVENT OF MARRIAGE DISSOLUTION.]

Subdivision 1. [INFORMATION FOR A PENDING MARRIAGE DISSOLUTION.] (a) Upon written request by a person with access to the data under subdivision 3 who cites this statute, a public or

private pension plan administrator must provide the court and the parties to a marriage dissolution action involving a plan member or former plan member with information regarding pension benefits or rights of the plan member or former plan member. The pension plan shall provide this information upon request of the court or a party to the action without requiring a signed authorization from the plan member or former plan member.

(b) The information must include the pension benefits or rights of the plan member or former plan member as of the first day of the month following the date of the request, ~~as of the first day of the seventh month following the date of the request if the action involves an active plan member,~~ and as of the date of valuation of marital assets under section 518.58, if the person requesting the information specifies that date. The information must also include the accrued service credit of the person, the credited salary of the person for the most current five-year period, a summary of the benefit plan, and any other information relevant to the calculation of the present value of the benefits or rights.

Subd. 2. [INFORMATION FOR AN EXISTING DISSOLUTION DECREE.] If a marriage dissolution decree rendered by a court of competent jurisdiction prior to August 1, 1987, provided a procedure for ~~dividing pension benefits or rights in the form~~ the distribution of future pension plan payments, upon request the applicable pension plan administrator shall provide on a timely basis to the court and the parties to the action the required information to implement that procedure without requiring a signed authorization from the plan member or former plan member.

Subd. 3. [ACCESS TO DATA.] Notwithstanding any provision of chapter 13 to the contrary, ~~a responsible authority an administrator~~ may release private or confidential data on individuals to the court, the parties to a marriage dissolution, their attorneys, and an actuary appointed under section 518.582, to the extent necessary to comply with this section.

Sec. 6. Minnesota Statutes 1986, section 518.145, is amended to read:

518.145 [DECREE, FINALITY, AND REOPENING.]

Subdivision 1. [APPEAL.] A decree of dissolution of marriage or of legal separation is final when entered, subject to the right of appeal. When entered, the findings of fact and conclusions of law may constitute the judgment and decree. An appeal from the decree of dissolution that does not challenge the finding that the marriage is irretrievably broken does not delay the finality of that provision of the decree which dissolves the marriage beyond the time for appealing from that provision. A party may remarry before the time for appeal has run if it is not contested that the marriage is irretriev-

ably broken or if a stipulation that the marriage is irretrievably broken is incorporated in the decree of dissolution.

Subd. 2. [REOPENING.] On motion and upon terms as are just, the court may relieve a party from a judgment and decree, order, or proceeding under chapter 518, except for provisions dissolving the bonds of marriage, annulling the marriage, or directing that the parties are legally separated, and may order a new trial or grant other relief as may be just for the following reasons:

- (1) mistake, inadvertence, surprise, or excusable neglect;
- (2) newly discovered evidence which by due diligence could not have been discovered in time to move for a new trial under the rules of civil procedure, rule 59.03;
- (3) fraud, whether denominated intrinsic or extrinsic, misrepresentation, or other misconduct of an adverse party;
- (4) the judgment and decree or order is void; or
- (5) the judgment has been satisfied, released, or discharged, or a prior judgment and decree or order upon which it is based has been reversed or otherwise vacated, or it is no longer equitable that the judgment and decree or order should have prospective application.

The motion must be made within a reasonable time, and for a reason under clause (1), (2), or (3), not more than one year after the judgment and decree, order, or proceeding was entered or taken. A motion under this subdivision does not affect the finality of a judgment and decree or order or suspend its operation. This subdivision does not limit the power of a court to entertain an independent action to relieve a party from a judgment and decree, order, or proceeding or to grant relief to a party not actually personally notified as provided in the rules of civil procedure, or to set aside a judgment for fraud upon the court.

Sec. 7. Minnesota Statutes 1986, section 518.17, subdivision 3, is amended to read:

Subd. 3. [CUSTODY ORDER.] (a) Upon adjudging the nullity of a marriage, or in a dissolution or separation proceeding, or in a child custody proceeding, the court shall make such further order as it deems just and proper concerning:

- (a) (1) the legal custody of the minor children of the parties which shall be sole or joint;
- (b) (2) their physical custody and residence; and

(e) (3) their support. In determining custody, the court shall consider the best interests of the each child and shall not prefer one parent over the other solely on the basis of the sex of the parent.

(b) The court shall grant the following rights to each of the parties, unless specific findings are made under paragraph (c), and every custody order must include the following notice to the parties:

NOTICE IS HEREBY GIVEN TO THE PARTIES:

Each party has the right of access to, and to receive copies of, school, medical, dental, religious training, and other important records and information about the minor children. Presentation of a copy of this order to the custodian of a record or other information about the minor children constitutes sufficient authorization for the release of the record or information to the requesting party.

Each party shall keep the other party informed as to the name and address of the school of attendance of the minor children. Each party has the right to be informed by school officials about the children's welfare, educational progress, and status, and to attend school and parent-teacher conferences. The school is not required to hold a separate conference for each party.

In case of an accident or serious illness of a minor child, each party shall notify the other party of the accident or illness, and the name of the health care provider and the place of treatment.

Each party has the right to reasonable access and telephone contact with the minor children.

(c) The court may waive all or part of the notice required under paragraph (b) if it finds that it is necessary to protect the welfare of a party or child.

Sec. 8. Minnesota Statutes 1986, section 518.171, is amended by adding a subdivision to read:

Subd. 2. [CONDITIONS OF INCOME WITHHOLDING.] (a) Withholding shall result whenever the obligor fails to make the maintenance or support payments, and the following conditions are met:

(1) The obligor is at least 30 days in arrears;

(2) The obligee or the public authority serves written notice of income withholding, showing arrearage, on the obligor at least 15 days before service of the notice of income withholding and a copy of the court's order on the payor of funds;

(3) Within the 15-day period, the obligor fails to move the court to deny withholding on the grounds that an arrearage of at least 30 days does not exist as of the date of the notice of income withholding, or on other grounds limited to mistakes of fact, and, ex parte, to stay service on the payor of funds until the motion to deny withholding is heard; and

(4) The obligee or the public authority serves a copy of the notice of income withholding, a copy of the court's order, and the provisions of this section on the payor of funds; and

(5) The obligee serves on the public authority a copy of the notice of income withholding, a copy of the court's order, an application, and the fee to use the public authority's collection services.

(b) To pay the arrearage specified in the notice of income withholding, the employer or payor of funds shall withhold from the obligor's income an additional amount equal to 20 percent of the monthly child support or maintenance obligation until the arrearage is paid.

(c) The obligor may, at any time, waive the written notice required by this subdivision.

(d) The obligor may move the court, under section 518.64, to modify the order respecting the amount of maintenance or support.

(e) Every order for support or maintenance shall provide for a conspicuous notice of the provisions of this subdivision. An order without this notice remains subject to this subdivision.

Sec. 17. Minnesota Statutes 1986, section 518.611, subdivision 10, is amended to read:

Subd. 10. [ORDER TERMINATING INCOME WITHHOLDING.]

(a) Whenever an obligation for support of a child or maintenance of a spouse, or both, terminates under the terms of the order or decree establishing the obligation, and where the obligation is enforced by an order for income withholding from the obligor, the court shall enter an order, directed to the obligor's employer or other payer of funds, which terminates the income withholding. The order terminating income withholding must specify the effective date of the order, referencing the initial order or decree establishing the support obligation.

The order must be entered once the following conditions have been met:

(1) the obligor serves written notice of the application for termination of income withholding by mail upon the obligee at the obligee's last known mailing address; and a duplicate copy of the application is served upon the public authority responsible for the processing of support collection services;

(2) the application for termination of income withholding specifies the event that terminates the support obligation, the effective date of the termination of the support obligation, and the applicable

provisions of the order or decree that established the support obligation;

(3) the application includes the complete name of the obligor's employer or other payer of funds, the business mailing address, the court action and court file number, and the support and collections file number, if known; and

(4) after receipt of the application for termination of income withholding, the obligee or the public authority fails within 20 days to request a hearing on the issue of whether income withholding of support should continue clearly specifying the basis for the continued support obligation and, ex parte, to stay the service of the order terminating income withholding upon the obligor's employer or other payer of funds, pending the outcome of the hearing.

(b) If the public authority determines that the support obligation has terminated under the terms of the order or decree establishing the obligation, the public authority shall notify the obligee and obligor of intent to terminate income withholding. Five days following this notice, the public authority shall issue a notice to the payor of funds terminating income withholding, without a requirement for a court order terminating income withholding, unless a hearing has been requested under paragraph (a).

Sec. 18. Minnesota Statutes 1987 Supplement, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] The terms of a decree respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party; (3) receipt of assistance under sections 256.72 to 256.87; or (4) a change in the cost-of-living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair. On a motion for modification of maintenance, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court shall take into consideration the needs of the children and shall not consider the financial circumstances of each party's spouse, if any. A modification which decreases support or maintenance may be made retroactive only with respect to any period during which the support obligor has pending a motion for modification but only from the date that notice of the motion has been given to the obligee and to the court or other entity which issued each support order. A modification which increases support or maintenance shall not be made retroactive if the obligor has substantially complied with the previous order. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may

be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 19. Minnesota Statutes 1986, section 518.641, is amended to read:

518.641 [COST-OF-LIVING ADJUSTMENTS IN MAINTENANCE OR CHILD SUPPORT ORDER.]

Subdivision 1. [REQUIREMENT.] An order for child support shall, and an order for maintenance may, provide for a biennial adjustment in the amount to be paid based on a change in the cost-of-living. ~~The~~ An order which provides for a cost-of-living adjustment shall specify the cost-of-living index to be applied. The court may use the consumer price index for all urban consumers, Minneapolis-St. Paul (CPI-U), the consumer price index for wage earners and clerical, Minneapolis-St. Paul (CPI-W), or another cost-of-living index published by the department of labor which it specifically finds is more appropriate. The court may specify that the housing component be excluded from the cost-of-living adjustment. Cost-of-living increases under this section shall be compounded. ~~It~~ The court may also increase the amount by more than the cost-of-living adjustment by agreement of the parties or by making further findings. The adjustment becomes effective on the first of May of the year in which it is made. A court may waive the requirement of the cost-of-living clause in an order for child support if it expressly finds that the obligor's occupation or income, or both, does not provide for cost-of-living adjustment or that the order for child support has a provision such as a step increase that has the effect of a cost-of-living clause. The court may waive a cost-of-living adjustment in a maintenance order if the parties so agree in writing. The commissioner of human services may promulgate rules for child support adjustments under this section in accordance with the rulemaking provisions of chapter 14.

Subd. 2. [CONDITIONS.] No adjustment under this section may be made unless the order provides for it and until the following conditions are met:

(a) the obligee or public authority serves notice of its application for adjustment by mail on the obligor at the obligor's last known address at least 20 days before the effective date of the adjustment;

(b) the notice to the obligor shall inform the obligor that an

adjustment in payments shall become effective on the first of May; and

(c) after receipt of notice and before the effective day of the adjustment, the obligor fails to request a hearing on the issue of whether the adjustment should take effect, and ex parte, to stay imposition of the adjustment pending outcome of the hearing.

Subd. 3. [RESULT OF HEARING.] If, at a hearing pursuant to this section, the obligor establishes an insufficient cost of living or other increase in income that prevents fulfillment of the an adjusted maintenance or child support obligation, the court may direct that all or part of the adjustment not take effect. If, at the hearing, the obligor does not establish this insufficient increase in income, the adjustment shall take effect as of the date it would have become effective had no hearing been requested.

Subd. 4. [FORM.] The department of human services shall prepare and make available to the court and obligors a form to be submitted to the department by the obligor in support of a request for hearing under this section regarding a child support order. The rulemaking provisions of chapter 14 shall not apply to the preparation of the form.

Subd. 5. [REQUEST FOR COST-OF-LIVING CLAUSE.] A motion for enforcement or modification of an existing child support order shall include a request for a cost-of-living clause. The court may deny the request only upon an express finding that the obligor's occupation, income, or both, does not provide for a cost-of-living adjustment or that the existing child support order either has a cost-of-living clause or sets forth a step increase which has the effect of a cost-of living adjustment."

518.552 [MAINTENANCE.]

Subdivision 1. In a proceeding for dissolution of marriage or legal separation, or in a proceeding for maintenance following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse and which has since acquired jurisdiction, the court may grant a maintenance order for either spouse if it finds that the spouse seeking maintenance:

(a) lacks sufficient property, including marital property apportioned to the spouse, to provide for reasonable needs of the spouse considering the duration of the marriage and the standard of living established during the marriage, especially, but not limited to, a period of training or education, or

(b) is unable to provide adequate self-support, after considering the duration of the marriage and the standard of living established during the marriage and all relevant circumstances, through appropriate employment, or is the custodian of a child whose condition or circumstances make it appropriate that the custodian not be required to seek employment outside the home.

Subd. 2. The maintenance order shall be in amounts and for periods of time, either temporary or permanent, as the court deems just, without regard to marital misconduct, and after considering all relevant factors, including the following:

(a) the financial resources of the party seeking maintenance, including marital property apportioned to the party, and the party's ability to meet needs independently, including the extent to which a provision for support of a child living with the party includes a sum for that party as custodian;

(b) the time necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment, and the probability, given the party's age and skills, of completing education or training and becoming fully or partially self-supporting;

(c) the standard of living established during the marriage;

(d) the duration of the marriage and, in the case of a homemaker, the length of absence from employment and the extent to which any education, skills, or experience have become outmoded and earning capacity has become permanently diminished;

(e) the loss of earnings, seniority, retirement benefits, and other employment opportunities forgone by the spouse seeking spousal maintenance;

(f) the age, and the physical and emotional condition of the spouse seeking maintenance;

(g) the ability of the spouse from whom maintenance is sought to meet needs while meeting those of the spouse seeking maintenance; and

(h) the contribution of each party in the acquisition, preservation, depreciation, or appreciation in the amount or value of the marital property, as well as the contribution of a spouse as a homemaker or in furtherance of the other party's employment or business; and

(i) in the case of awards for temporary maintenance only, the affirmative obligation of the party seeking maintenance to seek employment, consistent with the recipient's abilities, unless precluded by age or physical or emotional incapacity.

Subd. 3. Nothing in this section shall be construed to favor a temporary award of maintenance over a permanent award, where the factors under subdivision 2 justify a permanent award.

Where there is some uncertainty as to the necessity of a permanent award, the court shall order a permanent award leaving its order open for later modification."

[NORMAL RETIREMENT UNDER THE RULE OF 90.] Any person whose attained age plus credited allowable service totals 90 years shall be entitled upon termination of active service and application to a normal retirement annuity provided in section 352.115, without any reduction in the amount of the annuity by reason of the early retirement.

Sec. 6. Minnesota Statutes 1986, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in clause (2) hereof on the basis of each member's average salary for the period of the member's formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit “average salary” for the purpose of determining the member's retirement annuity means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, section 354.511 for the highest five successive years of formula service credit provided however that such “average salary” shall not include any more than the equivalent of 60 monthly salary payments.

(2) The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3) Except as provided in clause (4), where any member retires prior to age 65 under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in this subdivision and subdivision 7, reduced by one-half of one percent for each month that the member is under age 65 and including age 60 and reduced by one-fourth of one percent for each month under age 60 at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month which the member is under age 62.

(4) Any member whose attained age plus credited allowable service totals 90 years shall be entitled upon termination of active service and application to a normal retirement annuity provided in clauses (1) and (2) without any reduction in the amount of the annuity by reason of early retirement.

If the alleged father is dead, the court may, and upon request of a party shall, within a period of one year from date of death require the decedent's parents or brothers and sisters or both to submit to blood tests. However, in a case involving these relatives of an alleged father, who is deceased, the court may refuse to order blood tests if the court makes an express finding that submitting to the tests presents a danger to the health of one or more of these relatives that outweighs the child's interest in having the tests performed. Unless the person gives consent to the use, the results of any blood tests of the decedent's parents, brothers, or sisters may be used only to establish the right of the child to public assistance including but not limited to social security and veterans' benefits. The tests shall be performed by a qualified expert appointed by the court."

UNFAIR DAIRY TRADE PRACTICES

Sec. 3. [32C.02] [BUYING, SELLING, AND PRICING VIOLATIONS.]

Subdivision 1. [PROHIBITED PRICING.] A manufacturer, wholesaler, distributor, or retailer of dairy products doing business in this state must not sell, offer for sale, or advertise for sale a dairy product below cost, or give, offer to give, or advertise the intent to give away a dairy product for the purpose or with the effect of injuring a competitor or destroying competition. This section does not apply to a sale made in conformance with section 325D.06, clauses (1) to (4). No action may be commenced under this section if the retail price is 15 percent or more above the list price of the manufacturer.

Subd. 2. [RETAIL SELLING OF PRODUCTS OF DIFFERENT BRANDS AT DIFFERENT PRICES.] A retailer may not sell or offer for sale dairy products of one brand at a price different from the price charged by the retailer for an equal quantity of a product of the same type, quality, or grade, but of a different brand, unless the price differential is equal to the difference in the prices paid by the retailer for the products.

Subd. 3. [DAIRY PRODUCTS PRICED WITH OTHER PRODUCTS.] A dairy marketer may not charge a combined price for a dairy product and another commodity or service that is less or is represented to be less than the aggregate of the price of the dairy product and the price or value of the other commodity or service when sold or offered for sale separately.

Subd. 4. [SELLING BELOW COST.] A dairy marketer may not sell, offer for sale, or advertise for sale a dairy product below cost, or give, offer to give, or advertise the intent to give away the dairy product, to damage or harass a competitor or destroy competition. This section does not apply to a sale made in conformance with section 325D.06, clauses (1) to (4). An enforcement action may not be commenced under this subdivision if the retail price is 15 percent or more above the list price of the processor.

Subd. 5. [PRIMA FACIE EVIDENCE OF SALE BELOW COST.] In an action for an injunction from or to impose civil penalties for a violation of this section, evidence that a dairy product was sold, offered for sale, or advertised for sale at a price that damages or destroys competition is prima facie evidence that the product was sold, offered for sale, or advertised for sale below cost to damage a competitor or to destroy competition.

Subd. 6. [COMMISSIONER MAY REQUIRE PRICE SCHEDULES.] When the commissioner determines it necessary for the enforcement of this chapter, the commissioner may require a dairy marketer selling dairy products to furnish to the commissioner a current schedule of prices showing rebates, discounts, refunds, and price differentials for the dairy products offered for sale at wholesale by the dairy marketer to retailers or to any other person for sale at wholesale to a retailer. Manufacturers with retail stores may be required to furnish current price schedules for the stores. The price

schedules furnished are informational only. Schedules of prices and cost data are confidential, nonpublic data.

Sec. 4. [32C.03] [UNFAIR DAIRY MARKETING PRACTICES.]

Subdivision 1. [DAMAGING A COMPETITOR.] A dairy marketer may not:

- (1) restrain, lessen, or destroy competition;
- (2) damage a competitor;
- (3) damage a person dealing in dairy products;
- (4) impair or prevent fair competition in the sale of dairy products to retailers in this state; or
- (5) engage in or threaten to engage in a prohibited practice or method of doing business.

Subd. 2. [METHOD TO DEFEAT DAIRY UNFAIR TRADE PRACTICES.] A dairy marketer may not apply or attempt to apply a method or device in the sale or distribution of dairy products intending to defeat the policy or to evade a provision of this chapter or an order or rule adopted by the commissioner.

Subd. 3. [INDUCING PROHIBITED ACTS.] In the course of doing business in this state, a person may not knowingly induce an act or knowingly receive a benefit from an act prohibited by this chapter.

Subd. 4. [FINANCIAL INTEREST IN RETAILER.] A dairy marketer may not own, control, or have more than a five percent financial interest in a retail business selling or offering for sale dairy products in this state, unless the business name, address, nature, and extent of the dairy marketer's ownership or control of the retail business are prominently displayed at the main public entrance to the premises where the business is being conducted. The information displayed must be in upper-cased type not less than 24 points in size.

Sec. 5. [32C.04] [SALE AND LEASE BACK OF PROPERTY.]

Subdivision 1. [GENERAL PROHIBITION.] A dairy marketer may not purchase real or personal property from a retailer and lease back or resell the property to the retailer under a deferred payment contract except as allowed in this section.

Subd. 2. [RENTAL AGREEMENT.] A dairy marketer and a retailer may enter a written lease signed by both parties that specifies:

(1) a rental rate that is consistent with the value of similar property in the area where the retailer is located when the lease is executed; and

(2) other terms and conditions consistent with leases of similar property in that locality made at or about the same time by persons not having the relationship existing between the retailer, as the purchaser, and the lessor, as the seller, of dairy products.

Subd. 3. [CONTRACTS TO SELL PROPERTY.] (a) A dairy marketer and a retailer may enter a written contract for the sale of property signed by both parties specifying:

(1) a purchase price that is consistent with the fair market value of similar property in the area where the retailer is located when the contract is executed;

(2) the down payment on the purchase price;

(3) the periodic payments on the unpaid balance of the purchase price; and

(4) other terms and conditions consistent with sale contracts of similar property in that locality made at or about the same time by persons not having the relationship existing between the retailer, as the purchaser, and the dairy marketer, as the seller, of dairy products.

(b) A contract or agreement for the lease back or resale to a retailer of property purchased from the retailer by the dairy marketer may not contain a requirement that the retailer must purchase dairy products from a specified dairy marketer.

Sec. 6. [32C.05] [FURNITURE, TRADE FIXTURES, AND EQUIPMENT.]

Subdivision 1. [INDUCEMENT FOR PURCHASE.] A dairy marketer may not furnish, give, lend, lease, or sell furniture, fixtures, fittings, or equipment to a retailer as an incentive or inducement for the retailer to purchase, handle, store, display, sell, or trade in a dairy product of a dairy marketer.

Subd. 2. [RESTRICTION ON SALES TO RETAILERS.] To maintain fair, open, and free competition for the trade and custom of the retailers purchasing dairy products for resale, a dairy marketer may not sell or offer to sell to a retailer furniture, trade fixtures, or equipment except as allowed in this section.

Subd. 3. [TIME PAYMENT SALES.] (a) A dairy marketer may not sell furniture, trade fixtures, or equipment at less than their cost to

a retailer that purchases dairy products from the dairy marketer. A sale made by a dairy marketer at less than 15 percent above the actual current invoice or replacement cost, less depreciation in the case of used furniture, trade fixtures, or equipment computed at the annual rate of 15 percent of the seller's cost, is prima facie evidence that the sale was made below the dairy marketer's cost.

(b) If the full purchase price of the furniture, trade fixtures, or equipment sold to the retailer is not paid to the dairy marketer by the retailer by 40 days after delivery, the retailer must pay at least ten percent of the purchase price within the 40 days and provide the dairy marketer a conditional sales contract or a promissory note with a purchase money security interest in the furniture, trade fixtures, or equipment.

(c) The conditional sales contract or purchase money security agreement must specifically describe each item of the sale. The dairy marketer, by ten days after the contract or security agreement is entered into, must file the conditional sales contract, or purchase money security agreement and financing statement, as required to enforce the purchase money secured debt. The conditional sales contract or purchase money security agreement must specify:

(1) the cash payment made by the retailer to the dairy marketer or the value of the trade-in accepted to apply on the purchase price, but the trade-in credit must not exceed the depreciated value of the items representing the trade-in credit as carried on the business records of the purchaser, or if records are not available, at an annual depreciation rate of 15 percent of the purchaser's cost; and

(2) that the amount of the unpaid purchase price must be paid by the retailer in 60 equal monthly installments with the last installment of principal and interest maturing not later than 60 months from the execution of the conditional sales contract or purchase money security agreement given to the dairy marketer by the retailer.

(d) The rate of interest on the purchases may not be less than the prevailing market rate, and the rates of interest charged for various sales agreements on any given day must be the same for all retailers.

Subd. 4. [SERVICING.] The mechanical, electrical, and other servicing of furniture, trade fixtures, or equipment sold to a retailer by a dairy marketer is the sole responsibility of the retailer unless at the time of the sale, the dairy marketer and the retailer agree in writing that the dairy marketer is responsible for the servicing. The contract must require the dairy marketer to charge the retailer for the servicing at the same price charged by third persons rendering the service in the area or community where the retailer is located. The charge for the servicing, including the full cost of all repair and

replacement parts, must be paid by the retailer to the dairy marketer by 40 days after the performance of the work.

Sec. 7. [32C.06] [PROHIBITED GIFTS, LOANS, CREDIT, AND COMPENSATION.]

Subdivision 1. [GIFTS AND LOANS.] A dairy marketer may not give, lend, or advance money, credit, or another thing of value to a retailer, or to a person for the benefit or relief of a retailer.

Subd. 2. [FINANCIAL OBLIGATIONS.] A dairy marketer may not become obligated for the repayment of a loan of money or financial commitment of a retailer.

Subd. 3. [EXTEND CREDIT WHEN DELIVERY DEBTS ARE DUE.] A dairy marketer may not extend or give an additional credit to a retailer if there is indebtedness attributable to the delivery of dairy products from the retailer on the 15th day of the next calendar month after delivery.

Subd. 4. [CREDIT FOR UNSALABLE PRODUCTS.] A dairy marketer may not credit an account of or pay a retailer for a dairy product that the retailer claims has become stale, spoiled, or otherwise unsalable, unless the particular product is in fact spoiled or otherwise unsalable.

Subd. 5. [COMPENSATION IN CONNECTION WITH SALE.] A dairy marketer may not make or offer to make any gift of money, merchandise, trading stamps, coupons, service, supplies, or anything of value, or to grant or offer to grant any rebate, discount, or advertising allowance in connection with any sale to a distributor or retailer in this state of a dairy product except as expressly allowed under this chapter.

Subd. 6. [RETAILER LICENSES.] (a) A dairy marketer may not:

(1) have an interest in or pay for a license for a retailer; or

(2) advance, furnish, lend, or give money for the payment of a license fee and expense incident to obtaining a license for a retailer.

(b) A dairy marketer may purchase a required license in the dairy marketer's name to sell the dairy marketer's dairy products in this state.

Sec. 8. [32C.07] [PROHIBITED SIGNS AND ADVERTISING.]

Subdivision 1. [ADVERTISING.] (a) A dairy marketer may not:

(1) provide, pay for, guarantee, or in any other manner assume, satisfy, or discharge the cost or obligation of a retailer for painting, decorating, improving, repairing, or rebuilding an existing billboard, outdoor sign, display area, wall, fence, building, or structure, or other type of outdoor display advertising having a fixed location; or

(2) build, erect, or purchase a new billboard, outdoor sign, or other outdoor advertising having a fixed location, or a structure or facility for use as an outdoor display for the direct benefit of a retailer.

(b) A dairy marketer may engage in all forms of outdoor advertising to promote dairy products manufactured, processed, or distributed by the dairy marketer if a reference is not made to a retailer.

Subd. 2. [INDOOR SIGNS.] (a) A dairy marketer may not furnish or maintain inside signs of a permanent nature unless the signs are used only for advertising or promoting:

(1) dairy products manufactured, distributed, or sold by the person furnishing the sign; or

(2) items of food made principally from the dairy product advertised or the brand name of the dairy product advertised.

(b) A dairy marketer may furnish point-of-sale advertising material made of paper or other similar materials to a retailer without charge only to promote the sale of a dairy product of the person furnishing the material.

Subd. 3. [MEDIA ADVERTISING.] (a) A dairy marketer may not furnish, give, lend, finance, pay for, contribute to, or by other means participate in cooperative advertising using newspapers, radio, television, or other advertising media if a retailer selling, handling, or offering for sale a dairy product of the dairy marketer is named or otherwise identified or referred to in the advertising.

(b) A dairy marketer may purchase and pay for the lines or space actually used in advertising one or more of its dairy products in a newspaper advertisement, handbill, or other form of printed advertising put out by a retailer or for the time actually so used in any radio or television program sponsored by a retailer.

Subd. 4. [ADVERTISING ON RETAILER'S PREMISES.] (a) A dairy marketer may not pay, loan, or give money, credit, compensation, or anything of value to a retailer for:

(1) the privilege of placing a sign, advertisement, or other sales promotion material in or upon the premises of the retailer; or

(2) storing, advertising, or displaying a dairy product in connection with its sale or promotion.

(b) A dairy marketer may furnish paint and maintain an insulated truck body used exclusively in the sale and delivery of its dairy products by the person making retail sales.

Sec. 9. [32C.08] [DAIRY MARKETERS AS HANDLERS OR HAULERS.]

A dairy marketer may not engage in the business of a processor or distributor selling or offering dairy products for sale at wholesale to retailers while at the same time engaging in the business of hauling, handling, or delivering dairy products to a retailer for a fee, or for itself, or another processor or distributor if the business results in a sale of a dairy product at wholesale to a retailer at a price lower than the retailer could obtain from the processor or distributor without the hauling, handling, or delivering.

ENFORCEMENT

Sec. 10. [32C.09] [ENFORCEMENT.]

The commissioner shall enforce this chapter. The commissioner may adopt rules and temporary rules under chapter 14 to carry out the provisions of this chapter.

Sec. 11. [32C.10] [ENTRY, INSPECTION, AND INVESTIGATION.]

Subdivision 1. [ENTRY.] The commissioner may enter, at reasonable hours:

(1) places of business operated by dairy marketer or retailer where raw milk, milk products, or frozen dairy products are produced, stored, processed, manufactured, or sold; and

(2) places where a dairy marketer or retailer maintains books, papers, accounts, records, or other documents related to the business.

Subd. 2. [SUBPOENA AND INSPECTION.] (a) The commissioner may subpoena, and inspect, audit, and make copies of books, papers, records, accounts, or documents to determine whether this chapter and rules of the commissioner are being complied with.

(b) The commissioner may subpoena, and may inspect, audit, and make copies of relevant books, papers, records, accounts, or other documents.

(c) The commissioner may subpoena and take the testimony, under oath, of persons believed to have information needed to administer and enforce this chapter.

Subd. 3. [INVESTIGATIONS.] The commissioner may call together dairy marketers, retailers, and dairy farmers to investigate and hold hearings on trade practices and make findings relative to a trade practice involving the manufacture, sale, or distribution of dairy products.

Subd. 4. [CONFIDENTIALITY OF INFORMATION.] (a) Information acquired by the commissioner under this section is private data under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9, and may only be used by the commissioner and the commission for the administration and enforcement of this chapter.

(b) A person who divulges confidential information that is private data on individuals or nonpublic data under this subdivision to an unauthorized person is guilty of a misdemeanor.

Sec. 12. [32C.11] [REMEDIES.]

Subdivision 1. [CIVIL PENALTY.] The commissioner may assess a civil penalty not to exceed \$500 per day for each violation or continuing violation, and may collect the civil penalty by a civil proceeding in an appropriate court. Penalties collected by the commissioner must be deposited in the state treasury and credited to the dairy marketing account.

Subd. 2. [COMPLIANCE ENFORCEMENT.] The commissioner may bring an action at law or in equity to enforce compliance with a provision of this chapter or rule of the commissioner, or to obtain a declaratory judgment.

Subd. 3. [INJUNCTIVE RELIEF.] (a) The commissioner may bring an action for injunctive relief against any person violating or threatening to violate provisions of this chapter. The action does not require:

(1) alleging or proving actual damages or injury or that an adequate legal remedy does not exist, so that injunctive relief can be obtained promptly without awaiting injury or actual damage; or

(2) showing the intent or the effect of restraining, lessening or destroying competition, injuring a competitor or injuring a person dealing in dairy products, or impairing or preventing fair competition in the sale of dairy products in the state.

(b) The court shall grant injunctive relief unless the person

objecting proves that the granting of the injunctive relief will damage or injure the person permanently or irreparably, and substantially. The proof must be offered within ten days after the injunctive action is filed.

(c) The injunctive relief must be temporary and may not extend beyond a violation of this chapter. The injunctive relief may not abridge or be in lieu of any other civil remedy provided in this chapter, except that temporary injunctive relief may be made permanent upon a showing by the board that the violation:

- (1) has caused injury to competitors or competition;
- (2) has restrained or lessened competition;
- (3) has impaired fair competition in the sale of dairy products; or
- (4) is reasonably expected to cause the effects stated in clause (1), (2), or (3).

(d) This subdivision does not allow the commissioner to bring an action for damages that will benefit the commissioner or the commission.

Sec. 13. [32C.12] [CEASE AND DESIST ORDER.]

Subdivision 1. [HEARING.] (a) If the commissioner has reason to believe that a person is violating provisions of this chapter or a rule of the commissioner, the commissioner may serve a complaint upon the person stating the alleged violation. The complaint must contain a notice of hearing with the time and place at least 20 days after the service of the complaint.

(b) The person receiving the complaint has the right to appear at the hearing to show cause why an order should not be entered by the commissioner requiring the person to cease and desist from the violation charged in the complaint. A person may apply and, upon good cause, be allowed by the commissioner to intervene and appear in the proceeding by counsel or in person.

(c) The testimony in the proceeding must be reduced to writing and filed in the office of the commissioner.

(d) If, upon hearing, the commissioner finds that there has been a violation of provisions of this chapter or rule of the commissioner, the commissioner shall make a report in writing stating the findings. The commissioner shall issue and serve an order upon the person requiring the person to cease and desist from the violation. The commissioner, at any time after notice and opportunity for

hearing, may reopen and modify or set aside, in whole or in part, an order issued under this section.

Subd. 2. [REVIEW BY DISTRICT COURT.] (a) A person required by an order of the commissioner to cease and desist from an act or practice may obtain a review of the order in district court by filing with the court within 20 days after the date of service of the order a written petition requesting that the order of the commissioner be set aside. A copy of the petition must be served upon the commissioner. The commissioner shall certify and file in the court a transcript of the entire record and order of the commissioner. Upon the filing of the petition and transcript, the court has jurisdiction of the proceeding and of the question determined.

(b) The court may:

(1) make and enter upon the pleadings, evidence, and proceedings in the transcript a decree affirming, modifying, or setting aside the order of the commissioner or enforcing it to the extent that the order is affirmed; and

(2) issue writs ancillary to its jurisdiction or necessary in its judgment to prevent injury to the public or to competitors while a suit is pending.

(c) The findings of the commissioner relating to the facts, if supported by the evidence in the proceeding before the commissioner, are conclusive. To the extent that the order of the commissioner is affirmed, the court shall issue its own order commanding obedience to the terms of the order of the commissioner.

(d) If either party applies to the court for leave to acquire and offer additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to acquire and offer the evidence in the proceeding before the commissioner, the court may order that the additional evidence be taken before the commissioner. The evidence must be offered at the hearing in the manner and on the terms and conditions determined by the court. The commissioner may modify findings as to the facts, or make new findings, by reason of the additional evidence taken. The commissioner shall file the modified or new findings which, if supported by the evidence, are conclusive and the commissioner's recommendation, if any, for the modification or setting aside of the commissioner's original order with the return of the additional evidence.

(e) The judgment and decree of the court is final, except that it is subject to review by the court of appeals.

Subd. 3. [ENFORCEMENT.] Violations of a cease and desist order

of the commissioner must be punished by the district court under the laws of contempt. Each day of failure to obey a cease and desist order of the commissioner is a separate violation and each violation of a particular act enjoined by the court is a separate violation.

Sec. 14. [32C.13] [CIVIL ACTIONS BY DAMAGED PARTIES.]

Subdivision 1. [TREBLE DAMAGES.] A person who has business or property damaged resulting from a violation of this chapter is entitled to an action in district court to recover three times the damages plus costs, including reasonable attorneys fees.

(d) The commissioner may conduct check samples on laboratories that are not certified.

Subd. 3. [ANALYSES REPORTING STANDARDS.] The results obtained from soil or plant analysis must be reported in accordance with standard reporting units established by the commissioner by rule. The standard reporting units must conform as far as practical to uniform standards that are adopted on a regional or national basis.

If a certified laboratory offers a recommendation, the University of Minnesota recommendation or that of another land grant college in a contiguous state must be offered in addition to other recommendations, and the source of the recommendation must be identified on the recommendation form. If relative levels such as low, medium, or high are presented to classify the analytical results, the corresponding relative levels based on the analysis as designated by the University of Minnesota or the land grant college in a contiguous state must also be presented.

Subd. 4. [REVOCATION OF CERTIFICATION.] If the commissioner determines that analysis being performed by a laboratory is inaccurate as evidenced by check sample results, the commissioner may deny, suspend, or revoke certification.

Subd. 5. [CERTIFICATION FEES.] (a) A laboratory applying for certification shall pay an application fee of \$100 and a certification fee of \$100 before the certification is issued.

RURAL FINANCE ADMINISTRATION

Section 1. Minnesota Statutes 1987 Supplement, section 41B.01, subdivision 2, is amended to read:

Subd. 2. [PURPOSE.] Sections 41B.01 to 41B.23 create and establish the Minnesota rural finance authority and establish a program under which state bonds are authorized to be issued and proceeds of their sale are appropriated under the authority of article XI, section 5, clause (h) of the Minnesota Constitution, to develop the state's agricultural resources by extending credit on real estate security. The purpose of the rural finance authority's programs and of the bonds issued to finance or provide security for the programs is to purchase participation interests in loans, including seller-sponsored loans to be made available by agricultural lenders to farmers on terms and conditions not otherwise available from other credit sources. It is hereby found and declared that there presently exist in the state economic conditions which have severely adversely affected the economic viability of farms to the detriment of the rural economy and to the detriment of the economy of the state of Minnesota as a whole. It is further found and declared that as a result of public agricultural policies, agricultural market conditions, and other causes, the condition of the farm economy of the state of Minnesota is such as to jeopardize the continued existence and successful operation of farms in this state, necessitating the establishment of the programs in sections 41B.01 to 41B.23 to provide new sources of credit on favorable terms and conditions. It is further found and declared that providing credit for farmers on favorable terms and conditions will serve and promote the public welfare by assuring the viability of farm operations, by preventing erosion of the tax base in rural areas, by reducing foreclosures on farm property, and by enhancing the financial stability of farmers and of the businesses which depend on farmers as customers. It is further found and declared that in establishing a Minnesota rural finance authority and in authorizing the programs in sections 41B.01 to 41B.23, the legislature is acting in all respects for the benefit of the people of the state of Minnesota to serve the public purpose of improving and otherwise promoting their health, welfare, and prosperity and that the Minnesota rural finance authority, as created and established, is empowered to act on behalf of the people of the state of Minnesota in serving this public purpose for the benefit of the general public.

Sec. 2. Minnesota Statutes 1986, section 41B.02, is amended by adding a subdivision to read:

Subd. 18. [SELLER-SPONSORED LOAN.] "Seller-sponsored loan" means a loan in which part or all of the price of a farm is

financed by a loan from the seller of the farm who is a natural person, a partnership, or a family farm corporation as defined in section 500.24, located in Minnesota. The loan must be secured by a real estate mortgage evidenced by one or more notes that may carry different interest rates or by a contract for deed.

Sec. 3. Minnesota Statutes 1987 Supplement, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [BEGINNING AND REENTERING FARMER LOANS.] In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan, including a seller-sponsored loan, in which the authority holds an interest, must:

(1) have sufficient education, training, or experience in the type of farming for which the loan is desired;

(2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than \$100,000;

(3) demonstrate a need for the loan;

(4) demonstrate an ability to repay the loan;

(5) demonstrate that the agricultural land to be purchased will be used by the borrower for agricultural purposes; and

(6) demonstrate that farming will be the principal occupation of the borrower.

Sec. 4. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The authority may establish, develop criteria, and implement a beginning farmer program. The program must assist persons entering farming who have not owned a farm before entering the beginning farmer program. The program must include assistance for persons entering or reentering farming through the use of seller-sponsored loans.

Sec. 5. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 2, is amended to read:

Subd. 2. [STATE PARTICIPATION.] The state may participate in a new real estate loan with an eligible lender to a beginning farmer to the extent of ~~one-fourth~~ 35 percent of the principal amount of the loan or \$25,000 \$35,000, whichever is less. In the case of a seller-sponsored loan, the state may participate to the extent of three-fourths of the principal of the loan or \$75,000, whichever is less. The interest rates and repayment terms of the authority's participation

interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 6. Minnesota Statutes 1987 Supplement, section 41B.039, is amended by adding a subdivision to read:

Subd. 2a. [SELLER-SPONSORED LOANS.] In the case of seller-sponsored loans, the borrower shall make required monthly or annual payments on the loan to the authority or its fiscal agent and the authority or its fiscal agent shall make required monthly or annual payments to the seller who sponsored the loan.

Sec. 7. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 4, is amended to read:

Subd. 4. [FARM MANAGEMENT.] A borrower must agree to participate in a farm management program approved by the commissioner of agriculture for at least the first eight five years of the loan.

MILK IN SCHOOLS PROGRAM

Section 1. [124,648] [MILK PROGRAM.]

Subdivision 1. [LEGISLATIVE FINDINGS.] The legislature finds that the health and well-being of school children in the state depends on their receiving at least one serving of milk each day. The school milk program established in this section is to provide school districts in the state with added resources so that all kindergarten students in public and nonpublic schools may have access to wholesome milk on a daily basis.

Subd. 2. [ESTABLISHMENT.] Each school district in the state is encouraged to participate in the state-supported school milk program for kindergartners. Participating districts shall provide one serving of milk on each school day to each kindergarten student attending a public or nonpublic school in the district. No student is required to accept the milk that is provided by the district. The

program must be promoted and operated under the direction of the commissioner or the commissioner's designee.

Subd. 3. [PROGRAM GUIDELINES; DUTIES OF THE COMMISSIONER.] The commissioner shall encourage all districts to participate in the school milk program for kindergartners. The commissioner shall prepare program guidelines, not subject to chapter 14, which will effectively and efficiently distribute appropriated money to participating districts. It is suggested that the benefits of the school milk program can reach the largest number of kindergarten students if districts are allowed to place annual bids stating the per-serving level of reimbursement that would be acceptable to the district for their participation in the program, after which the commissioner shall approve the number and value of bids that would maximize the provision of milk to kindergarten students within the available appropriation.

Subd. 4. [REIMBURSEMENT.] In accordance with program guidelines, the commissioner shall reimburse participating school districts for the state share of the district's cost for providing milk to kindergarten students.

Subd. 4. [ENROLLMENT IN ADULT FARM MANAGEMENT PROGRAM.] To be an eligible borrower, a farmer shall agree to enroll in an approved adult farm management program if enrollment is required by the lender and an approved program is offered not more than 50 miles from the farmer's residence. The approved adult farm management program must bill the lender for one-half of the course tuition.

Sec. 3. [LENDER ELIGIBILITY; OBLIGATIONS.]

Subdivision 1. [ELIGIBLE PARTICIPATING LENDER STATUS.] A lender who meets the requirements established by the commissioner must be certified as a participating lender.

Subd. 2. [PARTIAL PAYMENT FOR ADULT FARM MANAGEMENT TRAINING.] A participating lender shall require an eligible borrower to enroll in an approved adult farm management program and agree to pay one-half of the enrollment and tuition costs of the program for an eligible borrower approved by the commissioner for interest rate buy-down unless the participating lender determines an approved adult farm management program would not benefit the borrower. A participating lender is not required to assist with enrollment or tuition costs for a period longer than the term of the farm operating loan, and a lender is not required to assist with the enrollment and tuition costs for more than one individual for each farm operating loan.

If a participating lender determines that enrollment in an adult farm management program would not benefit the borrower or an approved adult farm management program is not located within 50 miles from the debtor's residence, the lender shall explain the reasons to the borrower in writing and indicate the determination on the application.

Subd. 3. [RECEIPT OF APPLICATIONS FOR INTEREST RATE BUY-DOWN.] (a) A participating lender shall receive and evaluate loan applications from a farmer:

(1) who has transacted farm-related borrowing with a lender within the previous three years;

(2) who has not previously established farm-related borrowing; or

(3) whose previous lender is no longer in the business of making farm-related loans.

(b) In determining whether to make a farm operating loan to a farmer, the participating lender may use criteria in addition to those in section 2.

Subd. 4. [LENDER APPROVAL OF FARM OPERATION FINANCIAL STATEMENTS.] A participating lender must require that a farmer who applies for a farm operating loan under the interest rate buy-down program provide a financial statement suitable for determining debt-to-asset ratios and net worth for the farming operation. A financial statement determined by the participating lender to be suitable is deemed to be suitable, reasonable, and accurate without further audit or substantiation.

Subd. 5. [MAXIMUM INTEREST RATE.] To qualify for interest rate buy-down payments, a participating lender shall offer to make a farm operating loan to an eligible borrower at a rate of interest equivalent to that offered to other farmers having similar security and financial status, but the interest rate may not exceed the current commissioner's interest index. The commissioner may use appropriate means to verify that the operating loan interest rate available to an eligible borrower is substantially the same as that available to other borrowers.

Sec. 4. [STATE CONTRIBUTION TO INTEREST RATE BUY-DOWN.]

To be eligible for state interest rate buy-down payments under sections 1 to 6, a participating lender must submit to the commissioner a properly completed application form for each eligible farm operating loan.

The commissioner shall pay to a participating lender for the first \$40,000 of an approved farm operating loan made to an eligible borrower an amount equal to an annual rate of 2.8 percent interest on the loan.

Sec. 5. [LENDER CONTRIBUTION TO INTEREST BUY-DOWN.]

A participating lender must provide a reduction in interest rate for the first \$40,000 of an approved farm operating loan made to an eligible borrower an amount equal to an annual rate of 1.2 percent interest on the loan.

Sec. 6. [RESPONSIBILITIES OF THE COMMISSIONER.]

Subdivision 1. [ADOPTION OF PROGRAM GUIDELINES.]

Within 30 days after the effective date of sections 1 to 6, the commissioner shall adopt and make available to the public guidelines for the farm operating loan interest buy-down program. Adoption of the program guidelines is not subject to Minnesota Statutes, chapter 14.

Subd. 2. [PREPARATION AND DISTRIBUTION OF LENDER PARTICIPATION FORMS.] The commissioner shall prepare and distribute forms and instructions for the farm operating loan interest buy-down program to all lenders in the state. The forms must be designed to gather from the participating lender and the farmer information in sufficient detail for the commissioner to determine significant characteristics of the participants and their farming operations.

Subd. 3. [APPROVAL OF ADULT FARM MANAGEMENT PROGRAMS.] The commissioner, in consultation with the commissioner of agriculture, shall prepare a list of adult farm management training programs approved for eligible borrowers and distribute the list to all participating lenders.

Subd. 4. [APPROVAL OF APPLICATIONS FOR BUY-DOWN PAYMENT.] (a) The commissioner shall review within five working days of submission by a participating lender a properly completed application for interest rate buy-down payments on a farm operating loan made to a farmer. If a qualified lender does not receive written notice that the commissioner has denied interest rate buy-down payments within seven working days, the farmer is an eligible borrower and interest rate buy-down payments on the farm operating loan are approved by the commissioner.

(b) All applications received by the commissioner after appropriated interest rate buy-down program funds have been encumbered must be returned immediately to the lender with an explanation that interest buy-down payments are denied due to prior commitment of available program funds.

Subd. 5. [BUY-DOWN PAYMENTS TO PARTICIPATING LENDERS.] The commissioner shall pay one-half of the expected interest rate buy-down amount when requested by the participating lender, but not more than 60 days after the application was approved by the commissioner, and the balance within 30 days after request for final payment has been received. All interest buy-down payments under sections 1 to 6 must be made by joint payee checks in the name of the participating lender and the eligible borrower.

Subd. 6. [REVIEW OF FARMER ELIGIBILITY.] The commissioner shall, not later than March 1, 1989, complete a review of a statistically significant random sample of participants in the interest rate buy-down program for 1988. The purpose of the review is to determine the extent to which eligibility criteria have been adhered

to by lenders and farmers. The commissioner must report a summary of the findings to the chair of the house agriculture committee and the chair of the senate agriculture committee.

"Section 1. [BONDS FOR TRUNK HIGHWAY NEEDS.]

To provide for financing loans to local governments located outside the seven-county metropolitan area to acquire rights-of-way for present and future trunk highway needs in the state, the

commissioner of finance on request of the governor shall sell and issue trunk highway bonds of the state in an amount up to \$1,000,000, in the manner, upon the terms, and with the effect prescribed by the Minnesota Constitution, article XI, sections 4 to 7 and article XIV, section 11; and, except as otherwise provided in this section, Minnesota Statutes, sections 167.50 to 167.52.

Proceeds from the bonds, minus expenses and fund transfers identified in Minnesota Statutes, sections 167.50 to 167.52, must be credited to the special account created and established in section 2, subdivision 3 and are appropriated for the implementation, administration, and purposes of section 2.

Principal and interest is appropriated and must be paid first from the fund established in section 2, subdivision 3, and then, if necessary, from other money in the trunk highway fund as provided by Minnesota Statutes, section 167.51.

Sec. 2. [161.179] [LOANS FOR RIGHT-OF-WAY ACQUISITION; APPROPRIATION, ACCOUNT.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.

(b) "Acquiring authority" means a town, statutory or home rule charter city, or county, located outside the metropolitan area.

(c) "Homestead property" means a single-family dwelling occupied by the owner, and the surrounding land.

(d) "Metropolitan area" has the meaning given it in section 473.121, subdivision 2.

(e) "Salvage value" means the probable sale price of the dwelling and other property that is severable from the land if offered for sale on the condition that it be removed from the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge of the possible uses of the property, including separate use of serviceable components and scrap when there is no other reasonable prospect of sale.

Subd. 2. [LOANS TO ACQUIRING AUTHORITIES.] The commissioner may make loans to acquiring authorities located outside the metropolitan area for purchasing property within the proposed state trunk highway right-of-way, corridor, or project shown on an official map adopted under section 394.361 or 462.359 or for purchasing property within a proposed principal or intermediate arterial highway right-of-way, corridor, or project designated by the commissioner as a part of the state trunk highway system and approved by the commissioner. The loans must be made by the commissioner

from the account established under subdivision 4, for purchases approved by the commissioner. The loans must bear no interest. The commissioner shall make loans only to (1) avert the imminent conversion or the granting of approvals that would allow the conversion of property to uses that would jeopardize its availability for highway construction, or (2) purchase the property before imminent development or other use of the property would result in a substantial increase in its acquisition cost. The commissioner shall not make a loan for the purchase of property at a price that exceeds the fair market value of the property or that includes the costs of relocating or moving persons or property, except as provided in subdivision 3. A private property owner may elect to receive the purchase price either in a lump sum or in not more than four annual installments without interest on the deferred installments. If the purchase agreement provides for installment payments, the acquiring authority shall make the loan in installments corresponding to those in the purchase agreement. The acquiring authority receiving an acquisition loan shall convey the property to the department for the construction of the highway at the same price that the acquiring authority paid for the property. On notification by the commissioner that the plan to construct the highway has been abandoned or the anticipated location of the highway changed, the acquiring authority shall sell the property at market value in accordance with the procedures required for the disposition of the property. Rents and other money received because of the acquiring authority's ownership of the property and the proceeds from the conveyance or sale of the property must be paid to the commissioner and deposited in the special account in the trunk highway fund established in subdivision 4. Money paid to the commissioner by acquiring authorities receiving loans under this section, and interest on the proceeds and payments, must be deposited in the special account established in subdivision 4. For administration of the loan program the commissioner may expend from the account each year an amount no greater than three percent of the amount disbursed as loans to acquiring authorities in that year.

Subd. 3. [HARDSHIP ACQUISITION AND RELOCATION.] (a)
The commissioner may make hardship loans to acquiring authorities outside the metropolitan area to purchase homestead property located in a proposed state trunk highway right-of-way or project, and to provide relocation assistance. Acquiring authorities are authorized to accept the loans and to acquire the property. Except as provided in this subdivision, the loans must be made as provided in subdivision 2. Loans must be in the amount of the appraised fair market value of the homestead property plus relocation costs and less salvage value. Before construction of the highway begins, the acquiring authority shall convey the property to the commissioner of transportation at the same price it paid, plus relocation costs and less its salvage value. Acquisition and assistance under this subdivision must conform to sections 117.50 to 117.56.

(b) The commissioner may make hardship loans only when:

(1) the owner of affected homestead property requests acquisition and relocation assistance from an acquiring authority;

(2) federal financial participation is not available;

(3) the owner is unable to sell the homestead property at its appraised market value because the property is located in a proposed state trunk highway right-of-way, corridor, or project as indicated on an official map or plat adopted under section 160.085, 394.361, or 462.359;

(4) the appraisal of the fair market value of the homestead property has been approved by the commissioner, who must not unreasonably withhold approval; and

(5) the owner of the homestead property is burdened by circumstances that constitute a hardship, such as catastrophic medical expenses; a transfer of the homestead owner by the owner's employer to a distant site of employment; or inability of the owner to maintain the property due to physical or mental disability or the permanent departure of children from the homestead.

Subd. 4. [APPROPRIATION; SPECIAL ACCOUNT.] Money collected by the commissioner under this section, including proceeds from the sale of highway bonds under section 1, must be deposited in the state treasury and credited to a special account in the trunk highway fund. Money in the account and money transferred under subdivision 5 does not cancel and is annually appropriated to the commissioner to administer and carry out the purposes of this section.

Subd. 5. [FUND TRANSFERS.] On taking title to lands acquired under this section, the commissioner of transportation, with the approval of the commissioner of finance, shall transfer money from the trunk highway fund appropriated for trunk highway development to the special account established under subdivision 4. The amount of money transferred must equal the loan amount made available to acquire the lands under this section."

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in clause (2) hereof on the basis of each member's average salary for the period of the member's formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

(2) The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3) Except as provided in clause (4), where any member retires prior to age 65 under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in this subdivision and subdivision 7, reduced by one-half of one percent for each month that the member is under age 65 and including age 60 and reduced by one-fourth of one percent for each month under age 60 at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month which the member is under age 62.

(4) Any member whose attained age plus credited allowable service totals 90 years shall be entitled upon termination of active service and application to a normal retirement annuity provided in clauses (1) and (2) without any reduction in the amount of the annuity by reason of early retirement.

Whereas, together with all Americans, we stand as living examples to the world of the ideal expressed by our founders in the motto "E Pluribus Unum," or "One From Many"; and

Whereas, from time to time, we need to reaffirm our dedication to that ideal and to remind ourselves that, while each of us is different, we are all members of the family of humankind; and

March 28, 1988

The Honorable Robert Vanasek
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 85, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 85 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 168.27, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(1) “Leasing motor vehicles” means furnishing a motor vehicle for a fee under a bailor-bailee relationship where no incidences of ownership are intended to be transferred other than the right to use the vehicle for a stated period of time.

(2) “Brokering motor vehicles” means arranging sales between willing buyers and sellers of motor vehicles and receiving a fee for said service.

(3) "Wholesaling motor vehicles" means selling new or used motor vehicles to dealers for resale to the public.

(4) "Auctioning motor vehicles" means arranging for and handling the sale of motor vehicles, not the property of the auctioneer, to the highest bidder.

(5) "Dealer" includes new motor vehicle dealers, used motor vehicle dealers, brokers, wholesalers, auctioneers and lessors of new or used motor vehicles.

(6) "Commercial building" means a permanent, enclosed building that is on a permanent foundation and connected to local sewer and water facilities or otherwise complying with local sanitary codes, is adapted to commercial use and located in an area zoned for commercial or other less restrictive nonresidential use by the governmental unit in which it is located, and conforms to local government zoning requirements. "Commercial building" may include strip office malls or garages if a separate entrance and a separate address are maintained and the dealership is clearly identified as a separate business.

(7) "Commercial office space" means office space occupying all or part of a commercial building.

(8) "Horse trailer" is a trailer designed and used to carry horses and other livestock, which has not more than three axles and a maximum gross weight capacity of not more than 24,000 pounds.

(9) "Isolated or occasional sales or leases" means the sale or lease of not more than five motor vehicles in a 12-month period, exclusive of pioneer or classic motor vehicles as defined in section 168.10, subdivisions 1a and 1b or sales by a licensed auctioneer selling motor vehicles at an auction if, in the ordinary course of the auctioneer's business, the sale of motor vehicles is incidental to the sale of other real or personal property.

(10) "Used motor vehicle" means a motor vehicle for which title has been transferred from the person who first acquired it from the manufacturer, distributor, or dealer. A new motor vehicle will not be considered a used motor vehicle until it has been placed in actual operation and not held for resale by an owner who has been granted a certificate of title on the motor vehicle and has registered the motor vehicle in accordance with chapters 168, 168A, and 297B, or the laws of the residence of the owner.

(11) "New motor vehicle" means a motor vehicle other than described in paragraph (10).

Sec. 2. Minnesota Statutes 1986, section 168.27, subdivision 2, is amended to read:

Subd. 2. [NEW MOTOR VEHICLE DEALER.] (a) No person shall engage in the business of selling ~~or arranging the sale of~~ new motor vehicles or shall offer to sell, solicit, ~~arrange~~ or advertise the sale of new motor vehicles without first acquiring a new motor vehicle dealer license. A new motor vehicle dealer licensee shall be entitled thereunder to sell, broker, wholesale or auction and to solicit and advertise the sale, broker, wholesale or auction of new motor vehicles covered by the franchise and any used motor vehicles or to lease and to solicit and advertise the lease of new motor vehicles and any used motor vehicles and such sales or leases may be either for consumer use at retail or for resale to a dealer. Nothing herein shall be construed to require an applicant for a dealer license who proposes to deal in: (1) new and unused motor vehicle bodies; or (2) type A, B, or C motor homes as defined in section 168.011, subdivision 25, to have a bona fide contract or franchise in effect with either the first-stage manufacturer of the motor home or the manufacturer or distributor of any motor vehicle chassis upon which the new and unused motor vehicle body is mounted. The modification or conversion of a new van-type vehicle into a multipurpose passenger vehicle which is not a motor home does not constitute dealing in new or unused motor vehicle bodies, and a person engaged in the business of selling these van-type vehicles must have a bona fide contract or franchise with the appropriate manufacturer under subdivision 10. A van converter or modifier who owns these modified or converted van-type vehicles may sell them at wholesale to new motor vehicle dealers having a bona fide contract or franchise with the first-stage manufacturer of the vehicles.

(b) The requirements pertaining to franchises do not apply to persons who remodel or convert motor vehicles for medical purposes. For purposes of this subdivision, "medical purpose" means certification by a licensed physician that remodeling or conversion of a motor vehicle is necessary to enable a handicapped person to use the vehicle.

Sec. 3. Minnesota Statutes 1986, section 168.27, is amended by adding a subdivision to read:

Subd. 5a. [CONSIGNMENT SALES.] No person may solicit, accept, offer for sale, or sell motor vehicles for consignment sale unless licensed as a new or used motor vehicle dealer, a motor vehicle wholesaler, or a motor vehicle auctioneer. This requirement does not apply to a licensed auctioneer selling motor vehicles at an auction if, in the ordinary course of the auctioneer's business, the sale of motor vehicles is incidental to the sale of other real or personal property.

Sec. 4. Minnesota Statutes 1986, section 168.27, subdivision 8, is amended to read:

Subd. 8. [EXEMPTIONS.] (1) Salespeople and other employees of licensed dealers under this section shall not be required to obtain individual licenses.

(2) Isolated or occasional sales or leases of new or used motor vehicles shall be exempt from the provisions of this section. A person who makes only isolated or occasional sales or leases is not considered to be in the business of selling or leasing motor vehicles and does not qualify to receive dealer plates pursuant to subdivision 16.

Sec. 5. Minnesota Statutes 1986, section 168.27, subdivision 10, is amended to read:

Subd. 10. [ESTABLISHED PLACE OF DOING BUSINESS.] All licensees under this section shall have an established place of business which shall include as a minimum:

(c) a sign clearly identifying the dealership by name which is readily viewable by the public.

(7) (6) If a new or used motor vehicle dealer maintains more than one place of doing business in a county, the separate places shall be listed on the application. If additional places of business are maintained outside of one county, separate licenses shall be obtained for each county.

(8) (7) If a motor vehicle lessor, ~~broker wholesaler~~, or auctioneer maintains more than one permanent place of doing business, either in one or more counties, the separate places shall be listed in the application, but only one license shall be required. If a lessor proposes to sell previously leased or rented vehicles at a location outside the seven-county metropolitan area, as defined in section 473.121, subdivision 2, other than cities of the first or second class, the lessor must obtain a license for each nonmetropolitan area county in which sales are to take place.

(8) If a motor vehicle dealer, lessor, or wholesaler does not have direct access to a public road or street, any privately owned roadway providing access to a public road or street must be clearly identified and adequately maintained.

Sec. 6. Minnesota Statutes 1986, section 168.27, subdivision 11, is amended to read:

Subd. 11. [LICENSES.] Application for license or notification of a change of location of a license must include a street address, not a post office box, and is subject to the registrar's approval. The registrar may extend the temporary license 30 days. At the end of the period of investigation the license shall either be granted or denied. The license must be denied if within the previous five years the applicant was enjoined due to a violation of section 325F.69 or convicted of violating section 325E.14, 325E.15, 325E.16, or 325F.69, or convicted under section 609.53 of receiving or selling stolen vehicles, or convicted of violating United States Code, title 15, sections 1981 to 1991, as amended through December 31, 1984. Each initial application for a license shall be accompanied by a fee of \$50 in addition to the annual fee. The annual fee shall be \$100. All initial fees and annual fees shall be paid into the state treasury and

credited to the general fund. If the initial application is received by the registrar after July 1 of any year, the first annual fee shall be reduced by one-half.

Sec. 7. Minnesota Statutes 1986, section 168.27, is amended by adding a subdivision to read:

Subd. 12a. [GROUNDS FOR CANCELLATION WITHOUT HEARING.] A license may be canceled by the registrar upon satisfactory proof that the dealer has failed to provide or maintain the required surety bond, or that the dealer has failed to provide or maintain the insurance required under chapter 65B. Surety companies and insurers providing required coverages shall promptly notify the registrar upon canceling any surety bond or required insurance. The registrar shall notify the dealer of the reason or reasons for cancellation before the cancellation occurs.

Sec. 8. Minnesota Statutes 1986, section 168.27, is amended by adding a subdivision to read:

The amount of the refund ~~shall be~~ is the tax paid by the purchaser less an amount equal to the tax paid multiplied by a fraction, the denominator of which is the purchase price of the vehicle and the numerator of which is the allowance deducted from the refund for the consumer's use of the vehicle. The refund ~~shall~~ must be paid to the manufacturer, dealer, or lessor only upon filing of a written application, in a form and providing information as prescribed by the commissioner. Payment of a refund pursuant to this section ~~shall~~ must be made out of the general and highway user funds in the same proportion provided for deposit of tax proceeds for the fiscal year pursuant to section 297B.09, subdivision 1. (a) "Consumer" means the purchaser, other than for purposes of resale, of a used motor vehicle used primarily for personal, family, or household purposes.

(b) "Dealer" means a motor vehicle dealer or lessor, as defined in section 168.27, subdivisions 2, 3, and 4, whether licensed or unlicensed, or the dealer's or lessor's agent, who is engaged in the business of selling or arranging the sale of used motor vehicles in this state; except that, the term does not include a bank or financial institution, a business selling a used motor vehicle to an employee of that business, a lessor selling a leased used motor vehicle to that vehicle's lessee or a family member or employee of the lessee, or a licensed auctioneer selling motor vehicles at an auction if, in the ordinary course of the auctioneer's business, the sale of motor vehicles is incidental to the sale of other real or personal property.

(c) "Motor vehicle" means a passenger automobile, as defined in section 168.011, subdivision 7, including pickup trucks and vans.

(e) "Express warranty" means a dealer's written statement, as defined in section 325G.17, subdivision 5, provided to a consumer in connection with the sale of a used motor vehicle.

(f) "Buyer's Guide" means the window form required by the Federal Trade Commission's "Used Motor Vehicle Trade Regulation Rule," Code of Federal Regulations, title 16, section 455.2.

Subd. 2. [WRITTEN WARRANTY REQUIRED.] (a) Every used motor vehicle sold by a dealer is covered by an express warranty which the dealer shall provide to the consumer. At a minimum, the express warranty applies for the following terms:

(1) if the used motor vehicle has less than 36,000 miles, the

warranty must remain in effect for at least 60 days or 2,500 miles, whichever comes first;

(2) if the used motor vehicle has 36,000 miles or more, but less than 75,000 miles, the warranty must remain in effect for at least 30 days or 1,000 miles, whichever comes first.

(b) The express warranty must require the dealer, in the event of a malfunction, defect, or failure in a covered part, to repair or replace the covered part, or at the dealer's election, to accept return of the used motor vehicle from the consumer and provide a refund to the consumer.

(c) For used motor vehicles with less than 36,000 miles, the dealer's express warranty shall cover, at minimum, the following parts:

(1) with respect to the engine, all lubricated parts, intake manifolds, engine block, cylinder head, rotary engine housings, and ring gear;

(2) with respect to the transmission, the automatic transmission case, internal parts, and the torque converter; or, the manual transmission case, and the internal parts;

(3) with respect to the drive axle, the axle housings and internal parts, axle shafts, drive shafts and output shafts, and universal joints; but excluding the secondary drive axle on vehicles, other than passenger vans, mounted on a truck chassis;

(4) with respect to the brakes, the master cylinder, vacuum assist booster, wheel cylinders, hydraulic lines and fittings, and disc brakes calipers;

(5) with respect to the steering, the steering gear housing and all internal parts, power steering pump, valve body, piston, and rack;

(6) the water pump;

(7) the externally-mounted mechanical fuel pump;

(8) the radiator;

(9) the alternator, generator, and starter.

(d) For used motor vehicles with 36,000 miles or more, but less than 75,000 miles, the dealer's express warranty shall cover, at minimum, the following parts:

(1) with respect to the engine, all lubricated parts, intake manifolds, engine block, cylinder head, rotary engine housings, and ring gear;

(2) with respect to the transmission, the automatic transmission case, internal parts, and the torque converter; or, the manual transmission case, and internal parts;

(3) with respect to the drive axle, the axle housings and internal parts, axle shafts, drive shafts and output shafts, and universal joints; but excluding the secondary drive axle on vehicles, other than passenger vans, mounted on a truck chassis;

(4) with respect to the brakes, the master cylinder, vacuum assist booster, wheel cylinders, hydraulic lines and fittings, and disc brake calipers;

(5) with respect to the steering, the steering gear housing and all internal parts, power steering pump, valve body, and piston;

(6) the water pump;

(7) the externally-mounted mechanical fuel pump.

(e)(1) A dealer's obligations under the express warranty remain in effect notwithstanding the fact that the warranty period has expired, if the consumer promptly notified the dealer of the malfunction, defect, or failure in the covered part within the specified warranty period and, within a reasonable time after notification, brings the vehicle or arranges with the dealer to have the vehicle brought to the dealer for inspection and repair.

(2) If a dealer does not have a repair facility, the dealer shall designate where the vehicle must be taken for inspection and repair.

(3) In the event the malfunction, defect, or failure in the covered part occurs at a location which makes it impossible or unreasonable to return the vehicle to the selling dealer, the consumer may have the repairs completed elsewhere with the consent of the selling dealer, which consent may not be unreasonably withheld.

(4) Notwithstanding the provisions of this paragraph, a consumer may have non-warranty maintenance and non-warranty repairs performed other than by the selling dealer and without the selling dealer's consent.

(f) Nothing in this section diminishes the obligations of a manufacturer under an express warranty issued by the manufacturer. The express warranties created by this section do not require a dealer to repair or replace a covered part if the repair or replacement

is covered by a manufacturer's new car warranty, or the manufacturer otherwise agrees to repair or replace the part.

(g) The express warranties created by this section do not cover defects or repair problems which result from collision, abuse, negligence, or lack of adequate maintenance following sale to the consumer.

(h) The terms of the express warranty, including the duration of the warranty and the parts covered, must be fully, accurately, and conspicuously disclosed by the dealer on the front of the Buyers Guide.

Subd. 3. [EXCLUSIONS.] Notwithstanding the provisions of subdivision 2, a dealer is not required to provide an express warranty for the following used motor vehicles:

(1) vehicles sold for a total cash sale price of less than \$3,000, including the trade-in value of any vehicle traded in by the consumer, but excluding tax, license fees, registration fees, and finance charges;

(2) vehicles with engines designed to use diesel fuel;

(3) vehicles with gross weight, as defined in section 168.011, subdivision 16, in excess of 9,000 pounds;

(4) vehicles that have been custom-built or modified for show or for racing;

(5) vehicles that are eight years of age or older, as calculated from the first day in January of the designated model year of the vehicle;

(6) vehicles that have been produced by a manufacturer which has never manufactured more than 10,000 motor vehicles in any one year;

(7) vehicles having 75,000 miles or more at time of sale;

(8) vehicles that are not manufactured in compliance with applicable federal emission standards in force at the time of manufacture as provided by the Clean Air Act, United States Code, title 42, sections 7401 through 7642, and regulations adopted pursuant thereto, and safety standards as provided by the National Traffic and Motor Safety Act, United States Code, title 15, sections 1381 through 1431, and regulations adopted pursuant thereto.

Subd. 4. [WAIVER.] When purchasing a used motor vehicle, a consumer may waive the express warranty for a covered part if:

(1) the dealer discloses in a clear and conspicuous typed or printed statement on the front of the Buyers Guide that the waived part contains a malfunction, defect, or repair problem; and

(2) the consumer circles this typed or printed statement and signs the Buyers Guide next to the circled statement.

Subd. 5. [WARRANTY AUTOMATIC.] If a dealer fails to give the express warranty required by this section, the dealer nevertheless is considered to have given the express warranty as a matter of law.

Subd. 6. ["BUYERS GUIDE" REQUIREMENTS.] In selling or offering to sell any used motor vehicle, and in providing the express warranty required by this section, a dealer shall comply in all respects with the Federal Trade Commission's "Used Motor Vehicle Trade Regulation Rule," Code of Federal Regulations, title 16, part 455.

Subd. 7. [HONORING OF EXPRESS WARRANTIES.] (a) In accordance with section 325G.19, subdivision 2, every express warranty in connection with the sale of a used motor vehicle must be honored by the dealer according to the terms of the express warranty.

(b) Following repair or replacement of a covered part, the dealer remains responsible under the express warranty for that covered part for one additional warranty period.

(c) By honoring the terms of the express warranty by repairing or replacing a covered part, the dealer does not create an additional implied warranty on any portion of the used motor vehicle.

(d) A dealer may limit the duration of implied warranties to the duration of the express warranty.

Subd. 8. [REFUNDS.] (a) A refund, as provided under subdivision 2, must consist of the full purchase price of the used motor vehicle and all other charges, including but not limited to excise tax, registration tax, license fees, and reimbursement for towing expenses incurred by the consumer as a result of the vehicle being out of service for warranty repair, less a reasonable allowance for the consumer's use of the vehicle not exceeding ten cents per mile driven or ten percent of the purchase price, whichever is less. Refunds must include the amount stated by the dealer as the trade-in value of any vehicle traded in and applied to the purchase price of the used motor vehicle. Refunds must be made to the consumer and lienholder, if any, as their interests appear on the records of the registrar of motor vehicles.

(b) The amount of the excise tax to be paid by the dealer to the

consumer under paragraph (a) is the tax paid by the consumer when the vehicle was purchased less an amount equal to the tax paid multiplied by a fraction, the denominator of which is the purchase price of the vehicle and the numerator of which is the allowance deducted from the refund for the consumer's use of the vehicle.

Subd. 9. [CIVIL REMEDIES.] Any dealer who is found to have violated this section is subject to the penalties and remedies, including a private right of action, as provided in section 8.31. In addition, a violation of subdivision 7 is also a violation of section 325F.69.

Subd. 10. [LIMITATION ON ACTIONS.] A private civil action brought by a consumer under this section must be commenced within one year of the expiration of the express warranty.

Subd. 11. [REMEDY NONEXCLUSIVE.] Nothing in this section limits the rights or remedies which are otherwise available to a consumer under any other law."

Page 2, after line 18, insert:

"Sec. 6. [161.179] [LOANS FOR RIGHT-OF-WAY ACQUISITION; APPROPRIATION, ACCOUNT.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.

(b) "Acquiring authority" means a town, statutory or home rule charter city, or county, located outside the metropolitan area.

(c) "Homestead property" means a single-family dwelling occupied by the owner, and the surrounding land.

(d) "Metropolitan area" has the meaning given it in section 473.121, subdivision 2.

(e) "Salvage value" means the probable sale price of the dwelling and other property that is severable from the land if offered for sale on the condition that it be removed from the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge of the possible uses of the property, including separate use of serviceable components and scrap when there is no other reasonable prospect of sale.

Subd. 2. [LOANS TO ACQUIRING AUTHORITIES.] The commissioner may make loans to acquiring authorities located outside the metropolitan area for purchasing property within the proposed state trunk highway right-of-way, corridor, or project shown on an official map adopted under section 394.361 or 462.359 or for purchasing property within a proposed principal or intermediate arterial highway right-of-way, corridor, or project designated by the commissioner as a part of the state trunk highway system and approved by the commissioner. The loans must be made by the commissioner from the fund established under subdivision 4, for purchases approved by the commissioner. The loans must bear no interest. The commissioner shall make loans only to (1) avert the imminent conversion or the granting of approvals that would allow the conversion of property to uses that would jeopardize its availability for highway construction, or (2) purchase the property before imminent development or other use of the property would result in a substantial increase in its acquisition cost. The commissioner shall not make a loan for the purchase of property at a price that exceeds the fair market value of the property or that includes the costs of relocating or moving persons or property, except as provided in subdivision 3. A private property owner may elect to receive the purchase price either in a lump sum or in not more than four annual installments without interest on the deferred installments. If the purchase agreement provides for installment payments, the acquiring authority shall make the loan in installments corresponding to those in the purchase agreement. The acquiring authority receiving an acquisition loan shall convey the property to the department for the construction of the highway at the same price that the acquiring authority paid for the property. On notification by the commissioner that the plan to construct the highway has been abandoned or the anticipated location of the highway changed, the acquiring authority shall sell the property at market value in accordance with the procedures required for the disposition of the property. Rents and other money received because of the acquiring authority's ownership of the property and the proceeds from the conveyance or sale of the property must be paid to the commissioner and deposited in the special account in the state treasury established in subdivision 4. Money paid to the commissioner by acquiring authorities receiving loans under this section, and interest on the proceeds and payments, must be deposited in the fund established in subdivision 4. For administration of the loan program the commissioner may expend from the fund each year an amount no greater than three percent of the amount disbursed as loans to acquiring authorities in that year.

Subd. 3. [HARDSHIP ACQUISITION AND RELOCATION.] (a) The commissioner may make hardship loans to acquiring authorities outside the metropolitan area to purchase homestead property located in a proposed state trunk highway right-of-way or project, and to provide relocation assistance. Acquiring authorities are authorized to accept the loans and to acquire the property. Except as provided in this subdivision, the loans must be made as provided in subdivision 2. Loans must be in the amount of the appraised fair market value of the homestead property plus relocation costs and less salvage value. Before construction of the highway begins, the acquiring authority shall convey the property to the commissioner of transportation at the same price it paid, plus relocation costs and less its salvage value. Acquisition and assistance under this subdivision must conform to sections 117.50 to 117.56.

(b) The commissioner may make hardship loans only when:

(1) the owner of affected homestead property requests acquisition and relocation assistance from an acquiring authority;

(2) federal financial participation is not available;

(3) the owner is unable to sell the homestead property at its appraised market value because the property is located in a proposed state trunk highway right-of-way, corridor, or project as indicated on an official map or plat adopted under section 160.085, 394.361, or 462.359;

(4) the appraisal of the fair market value of the homestead property has been approved by the commissioner, who must not unreasonably withhold approval; and

(5) the owner of the homestead property is burdened by circumstances that constitute a hardship, such as catastrophic medical expenses; a transfer of the homestead owner by the owner's employer to a distant site of employment; or inability of the owner to maintain the property due to physical or mental disability or the permanent departure of children from the homestead.

Subd. 4. [APPROPRIATION; SPECIAL ACCOUNT.] Money collected by the commissioner under this section must be deposited in the state treasury and credited to a special account in the trunk highway fund. Money in the account and money transferred under subdivision 5 does not cancel and is annually appropriated to the commissioner to administer and carry out the purposes of this section.

Subd. 5. [FUND TRANSFERS.] On taking title to lands acquired under this section, the commissioner of transportation, with the approval of the commissioner of finance, shall transfer money from

the trunk highway account appropriated for trunk highway development to the special fund established under subdivision 4. The amount of money transferred must equal the loan amount made available to acquire the lands under this section.

Sec. 7. [APPROPRIATION TRANSFER.]

Up to \$1,000,000 of the appropriation made in Laws 1987, chapter 358, section 2, subdivision 2, is for transfer from the trunk highway fund to the special account created in section 6, subdivision 4."

Page 2, after line 10, insert:

"Sec. 3. Laws 1949, chapter 406, section 5, is amended by adding a subdivision to read:

Subd. 7. [INVESTMENT RELATED POSTRETIREMENT PAYMENTS.] (a) For the purpose of this subdivision, these terms have the following meaning:

(1) "Excess investment income" means the amount by which the time weighted total rate of return earned by the fund in the most recent fiscal year has exceeded the actual percentage increase in the current monthly salary of a top grade patrol officer in the most recent fiscal year plus 1.5 percent. The excess investment income must be expressed as a dollar amount; excess investment income shall not exceed 1.5 percent of the total assets of the fund and does not exist unless the time weighted total rate of return of the fund exceeds five percent.

(2) "Time weighted total rate of return" means the percentage amount determined by using the formula or formulas established by the state board of investment under Minnesota Statutes, section 11A.04, clause (11), and in effect on January 1, 1987.

(3) "Eligible member" means any person, including service pensioners, disability pensioners, their survivors, or dependents, who received an annuity during the 12 months prior to the determination date. Members who received an annuity for the entire 12 months prior to the determination date are eligible for a full annual postretirement payment. Members who received an annuity for less than 12 months prior to the determination date are eligible for prorated annual postretirement payments.

(4) "Determination date" means December 31 of each year.

(5) "Annual postretirement payment" means the payment of a lump sum postretirement benefit to eligible members on June 1 following the determination date in any year.

(b) The board of trustees of the relief association shall determine by May 1 of each year whether the relief association has excess investment income. The amount of excess investment income, if any, must be stated as a dollar amount and reported by the relief association to the governing body of the municipality, the state auditor, the commissioner of finance, and the legislative commission on pensions and retirement. The dollar amount of excess investment income up to 1.5 percent of the assets of the fund must be applied for the purposes specified in paragraphs (c) and (d). Excess investment

income must not be considered for actuarial valuations of the fund for that year under sections 69.77, 356.215, and 356.216. Additional investment income must be included in the actuarial valuations performed under sections 69.77, 356.215, and 356.216.

(c) The amount determined by paragraph (b) must be applied as follows:

(1) one-third of the excess investment income must be paid as a benefit to eligible members under paragraph (d) in an amount not to exceed .5 percent of the assets of the fund or an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan, whichever is less;

(2) the state amortization state aid or supplementary amortization state aid payments otherwise due to the relief association under section 423A.02 for the current calendar year must be reduced by one-third of the amount of the excess investment income; and

(3) the minimum obligation of the municipality otherwise due to the relief association for the following calendar year must be reduced by one-third of the amount of excess investment income.

(d) The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed .5 percent of the assets of the fund. Payment of the annual postretirement payment shall be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment shall be made only if the time weighted total rate of return exceeds five percent in any year. The total amount of all payments to members shall not exceed the amount determined under paragraph (b) of this subdivision. Payment to each eligible member shall be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible member's annual postretirement payment. Payment to each eligible member shall not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan.

(e) In the event an eligible member dies prior to the payment of the post-retirement payment, the relief association shall pay that eligible member's estate the amount to which the eligible member was entitled.

(f) The relief association shall submit a report on the amount of all post-retirement payments made pursuant to this section and the manner in which those payments were determined to the state

auditor, the executive secretary of the legislative commission on pensions and retirement, and the Minneapolis city clerk.

Sec. 4. [MINNEAPOLIS FIRE; POSTRETIREMENT PAYMENTS.]

Subdivision 1. [AUTHORIZED.] Notwithstanding the provisions of Minnesota Statutes, chapter 69, or any other law to the contrary, the Minneapolis fire department relief association shall provide postretirement payments to eligible members under subdivision 2.

Subd. 2. [DEFINITIONS; CALCULATION.] (a) For the purpose of this subdivision these terms have the following meaning:

(1) "Excess investment income" means the amount by which the time weighted total rate of return earned by the fund in the most recent fiscal year has exceeded the actual percentage increase in the current monthly salary of a top grade firefighter in the most recent fiscal year plus 1.5 percent. The excess investment income must be expressed as a dollar amount; excess investment income shall not exceed 1.5 percent of the total assets of the fund and does not exist unless the time weighted total rate of return of the fund exceeds five percent.

(2) "Time weighted total rate of return" means the percentage amount determined by using the formula or formulas established by the state board of investment under Minnesota Statutes, section 11A.04, clause (11), and in effect on January 1, 1987.

(3) "Eligible member" means any person, including service pensioners, disability pensioners, their survivors, or dependents, who received an annuity during the 12 months prior to the determination date. Members who received an annuity for the entire 12 months prior to the determination date are eligible for a full annual postretirement payment. Members who received an annuity for less than 12 months prior to the determination date are eligible for prorated annual postretirement payments.

(4) "Determination date" means December 31 of each year.

(5) "Annual postretirement payment" means the payment of a lump sum postretirement benefit to eligible members on June 1 following the determination date in any year.

(b) The board of trustees of the relief association shall determine by May 1 of each year whether the relief association has excess investment income. The amount of excess investment income, if any, must be stated as a dollar amount and reported by the relief association to the governing body of the municipality, the state auditor, the commissioner of finance, and the legislative commission

on pensions and retirement. The dollar amount of excess investment income up to 1.5 percent of the assets of the fund must be applied for the purposes specified in paragraphs (c) and (d). Excess investment income must not be considered for actuarial valuations of the fund for that year under sections 69.77, 356.215, and 356.216. Additional investment income must be included in the actuarial valuations performed under sections 69.77, 356.215, and 356.216.

(c) The amount determined by paragraph (b) must be applied as follows:

(1) one-third of the excess investment income must be paid as a benefit to eligible members under paragraph (d) in an amount not to exceed .5 percent of the assets of the fund or an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan, whichever is less;

(2) the state amortization state aid or supplementary amortization state aid payments otherwise due to the relief association under section 423A.02 for the current calendar year must be reduced by one-third of the amount of the excess investment income; and

(3) the minimum obligation of the municipality otherwise due to the relief association for the following calendar year must be reduced by one-third of the amount of excess investment income.

(d) The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed .5 percent of the assets of the fund. Payment of the annual postretirement payment shall be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment shall be made only if the time weighted total rate of return exceeds five percent in any year. The total amount of all payments to members shall not exceed the amount determined under paragraph (b) of this subdivision. Payment to each eligible member shall be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible members annual postretirement payment. Payment to each eligible member shall not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan.

(e) In the event an eligible member dies prior to the payment of the post-retirement payment, the relief association shall pay that eligible member's estate the amount to which the eligible member was entitled.

(f) The relief association shall submit a report on the amount of all

post-retirement payments made pursuant to this section and the manner in which those payments were determined to the state auditor, the executive secretary of the legislative commission on pensions and retirement, and the Minneapolis city clerk.

Sec. 5. [NONENTITLEMENT OF ANNUAL POSTRETIREMENT PAYMENT.]

No provision of, or payment made under, sections 1 or 2 shall be interpreted or relied upon by any member of either the Minneapolis police relief association or the Minneapolis fire department relief association to guarantee or entitle a member to annual postretirement benefits for a period when no excess investment income is earned by either fund."

Price moved to amend H. F. No. 2526, the first engrossment, as follows:

Delete everything after the enacting clause and insert:

“Section 1. [POLICY STATEMENT; LEGISLATIVE FINDINGS.]

Since 1931 the expressed policy of the state of Minnesota, stated by law in Minnesota Statutes, section 481.02, subdivision 3, clause (3), has been that real estate brokers and salespeople may provide drafting services incident to real estate closings. The legislature continues to find that the public interest will be served by permitting the provision of those services by brokers, salespeople, and closing agents with or without compensation. The legislature also finds it appropriate, and it is the purpose of this act, to provide clarification of the role of real estate brokers, salespeople, and closing agents.

Sec. 2. Minnesota Statutes 1986, section 82.17, is amended by adding a subdivision to read:

Subd. 10. “Closing agent” or “real estate closing agent” means any person, except a licensed attorney, real estate broker, or real estate salesperson, who for another and with or without a commission, fee, or other valuable consideration or with or without the intention or expectation of receiving a commission, fee, or other valuable consideration, directly or indirectly provides closing services incident to the sale, trade, lease, or loan of residential real estate, including drawing or assisting in drawing papers incident to the sale, trade, lease, or loan, or advertises or claims to be engaged in these activities.

Sec. 3. Minnesota Statutes 1986, section 481.02, subdivision 3, is amended to read:

Subd. 3. [PERMITTED ACTIONS.] The provisions of this section shall not prohibit:

(1) any person from drawing, without charge, any document to which the person, an employer of the person, a firm of which the person is a member, or a corporation whose officer or employee the person is, is a party, except another's will or testamentary disposition or instrument of trust serving purposes similar to those of a will;

(2) a person from drawing a will for another in an emergency if the imminence of death leaves insufficient time to have it drawn and its execution supervised by a licensed attorney-at-law;

(3) any one, acting as broker for the parties or agent of one of the parties to a sale or trade or lease of property or to a loan, from drawing or assisting in drawing, with or without charge, papers incident to the sale, trade, lease, or loan;

(4) any insurance company from causing to be defended, or from offering to cause to be defended through lawyers of its selection, the insureds in policies issued or to be issued by it, in accordance with the terms of the policies;

(5) (4) a licensed attorney-at-law from acting for several common-carrier corporations or any of its subsidiaries pursuant to arrangement between the corporations;

(6) (5) any bona fide labor organization from giving legal advice to its members in matters arising out of their employment;

(7) (6) any person from conferring or cooperating with a licensed attorney-at-law of another in preparing any legal document, if the attorney is not, directly or indirectly, in the employ of the person or of any person, firm, or corporation represented by the person;

(8) (7) any licensed attorney-at-law of Minnesota, who is an officer or employee of a corporation, from drawing, for or without compensation, any document to which the corporation is a party or in which it is interested personally or in a representative capacity, except wills or testamentary dispositions or instruments of trust serving purposes similar to those of a will, but any charge made for the legal work connected with preparing and drawing the document shall not exceed the amount paid to and received and retained by the attorney, and the attorney shall not, directly or indirectly, rebate the fee to or divide the fee with the corporation;

(9) (8) any person or corporation from drawing, for or without a fee, farm or house leases, notes, mortgages, chattel mortgages, bills of sale, deeds, assignments, satisfactions, or any other conveyances except testamentary dispositions and instruments of trust;

(10) (9) a licensed attorney-at-law of Minnesota from rendering to a corporation legal services to itself at the expense of one or more of its bona fide principal stockholders by whom the attorney is employed and by whom no compensation is, directly or indirectly, received for the services;

(11) (10) any person or corporation engaged in the business of making collections from engaging or turning over to an attorney-at-law for the purpose of instituting and conducting suit or making proof of claim of a creditor in any case in which the attorney-at-law receives the entire compensation for the work;

~~(12)~~ (11) any regularly established farm journal or newspaper, devoted to general news, from publishing a department of legal questions and answers to them, made by a licensed attorney-at-law, if no answer is accompanied or at any time preceded or followed by any charge for it, any disclosure of any name of the maker of any answer, any recommendation of or reference to any one to furnish legal advice or services, or by any legal advice or service for the periodical or any one connected with it or suggested by it, directly or indirectly;

~~(13)~~ (12) any authorized management agent of an owner of rental property used for residential purposes, whether the management agent is a natural person, corporation, partnership, limited partnership, or any other business entity, from commencing, maintaining, conducting, or defending in its own behalf any action in any court in this state to recover or retain possession of the property, except that the provision of this clause does not authorize a person who is not a licensed attorney-at-law to conduct a jury trial or to appear before a district court or the court of appeals or supreme court pursuant to an appeal; and

~~(14)~~ (13) any person from commencing, maintaining, conducting, or defending on behalf of the plaintiff or defendant any action in any court of this state pursuant to the provisions of section 566.175 or sections 566.18 to 566.33 or from commencing, maintaining, conducting, or defending on behalf of the plaintiff or defendant any action in any court of this state for the recovery of rental property used for residential purposes pursuant to the provisions of section 566.02 or 566.03, subdivision 1, except that the provision of this clause does not authorize a person who is not a licensed attorney-at-law to conduct a jury trial or to appear before a district court or the court of appeals or supreme court pursuant to an appeal, and provided that, except for a nonprofit corporation, a person who is not a licensed attorney-at-law shall not charge or collect a separate fee for services rendered pursuant to this clause.

Sec. 4. Minnesota Statutes 1986, section 481.02, is amended by adding a subdivision to read:

Subd. 3a. [REAL ESTATE CLOSING SERVICES.] Nothing in this section shall be construed to prevent a real estate broker, a real estate salesperson, or a real estate closing agent, as defined in section 82.17 from drawing or assisting in drawing papers incident to the sale, trade, lease, or loan of property, or from charging for drawing or assisting in drawing them, except as hereafter provided by the supreme court.

Sec. 5. Minnesota Statutes 1986, section 481.02, is amended by adding a subdivision to read:

Subd. 9. Nothing in section 481.02, subdivision 3a, shall be

construed to allow a person other than a licensed attorney to perform or provide the services of an attorney or be construed to otherwise conflict with section 481.02.

Sec. 6. [507.45] [RESIDENTIAL REAL ESTATE CLOSINGS.]

Subdivision 1. Residential real estate closing services may be provided and a fee charged by a licensed attorney, real estate broker, real estate salesperson, and real estate closing agent.

Subd. 2. If the closing services are to be provided by a real estate broker, real estate salesperson, or real estate closing agent, the following regulations shall apply.

(a) The written contract for closing services shall state in at least 10-point type that the real estate broker, real estate salesperson, or real estate closing agent has not and, under applicable state law, may not express opinions regarding the legal effect of the closing documents or of the closing itself.

(b) No closing fee may be charged if a closing is performed without either a mortgagee's or owner's title insurance commitment or a legal opinion regarding the status of title.

(c) Except for charges required to be disclosed by Regulation Z, Code of Federal Regulations, title 12, section 226, no closing fee may be charged unless the party to be charged is informed of the charge in writing at least five business days before the closing by the party charging for the closing services.

Sec. 7. [CONSTRUCTION.]

Nothing in this act shall be construed to imply that fees charged for closing services before its enactment constituted the unauthorized practice of law.

Sec. 8. [NONSEVERABILITY.]

If section 4 or section 6, subdivision 1, is found to be unconstitutional or otherwise inoperative, the entire act shall be void and without effect.

Sec. 9. [EFFECTIVE DATES.]

Sections 2, 3, 4, 5 and 6, subdivision 1, take effect the day after final enactment. The other sections and subdivisions take effect January 1, 1989."

"Sec. 2. Laws 1949, chapter 406, section 5, is amended by adding a subdivision to read:

Subd. 7. [INVESTMENT RELATED POSTRETIREMENT PAYMENTS.] (a) For the purpose of this subdivision, these terms have the following meaning:

(1) "Excess investment income" means the amount by which the time weighted total rate of return earned by the fund in the most recent fiscal year has exceeded the actual percentage increase in the current monthly salary of a top grade patrol officer in the most recent fiscal year plus 1.5 percent. The excess investment income must be expressed as a dollar amount; excess investment income shall not exceed 1.5 percent of the total assets of the fund and does not exist unless the time weighted total rate of return of the fund exceeds five percent.

(2) "Time weighted total rate of return" means the percentage amount determined by using the formula or formulas established by the state board of investment under Minnesota Statutes, section 11A.04, clause (11), and in effect on January 1, 1987.

(3) "Eligible member" means any person, including service pensioners, disability pensioners, their survivors, or dependents, who received an annuity during the 12 months prior to the determination date. Members who received an annuity for the entire 12 months prior to the determination date are eligible for a full annual postretirement payment. Members who received an annuity for less than 12 months prior to the determination date are eligible for prorated annual postretirement payments.

(4) "Determination date" means December 31 of each year.

(5) "Annual postretirement payment" means the payment of a lump sum postretirement benefit to eligible members on June 1 following the determination date in any year.

(b) The board of trustees of the relief association shall determine

by May 1 of each year whether the relief association has excess investment income. The amount of excess investment income, if any, must be stated as a dollar amount and reported by the relief association to the governing body of the municipality, the state auditor, the commissioner of finance, and the legislative commission on pensions and retirement. The dollar amount of excess investment income up to 1.5 percent of the assets of the fund must be applied for the purposes specified in paragraphs (c) and (d). Excess investment income must not be considered for actuarial valuations of the fund for that year under sections 69.77, 356.215, and 356.216. Additional investment income must be included in the actuarial valuations performed under sections 69.77, 356.215, and 356.216.

(c) The amount determined by paragraph (b) must be applied as follows:

(1) one-third of the excess investment income must be paid as a benefit to eligible members under paragraph (d) in an amount not to exceed .5 percent of the assets of the fund or an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan, whichever is less;

(2) the state amortization state aid or supplementary amortization state aid payments otherwise due to the relief association under section 423A.02 for the current calendar year must be reduced by one-third of the amount of the excess investment income; and

(3) the minimum obligation of the municipality otherwise due to the relief association for the following calendar year must be reduced by one-third of the amount of excess investment income.

(d) The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed .5 percent of the assets of the fund. Payment of the annual postretirement payment shall be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment shall be made only if the time weighted total rate of return exceeds five percent in any year. The total amount of all payments to members shall not exceed the amount determined under paragraph (b) of this subdivision. Payment to each eligible member shall be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible member's annual postretirement payment. Payment to each eligible member shall not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan.

(e) In the event an eligible member dies prior to the payment of

the post-retirement payment, the relief association shall pay that eligible member's estate the amount to which the eligible member was entitled.

(f) The relief association shall submit a report on the amount of all post-retirement payments made pursuant to this section and the manner in which those payments were determined to the state auditor, the executive secretary of the legislative commission on pensions and retirement, and the Minneapolis city clerk.

Sec. 3. [MINNEAPOLIS FIRE; POSTRETIREMENT PAYMENTS.]

Subdivision 1. [AUTHORIZED.] Notwithstanding the provisions of Minnesota Statutes, chapter 69, or any other law to the contrary, the Minneapolis fire department relief association shall provide postretirement payments to eligible members under subdivision 2.

Subd. 2. [DEFINITIONS; CALCULATION.] (a) For the purpose of this subdivision these terms have the following meaning:

(1) "Excess investment income" means the amount by which the time weighted total rate of return earned by the fund in the most recent fiscal year has exceeded the actual percentage increase in the current monthly salary of a top grade firefighter in the most recent fiscal year plus 1.5 percent. The excess investment income must be expressed as a dollar amount; excess investment income shall not exceed 1.5 percent of the total assets of the fund and does not exist unless the time weighted total rate of return of the fund exceeds five percent.

(2) "Time weighted total rate of return" means the percentage amount determined by using the formula or formulas established by the state board of investment under Minnesota Statutes, section 11A.04, clause (11), and in effect on January 1, 1987.

(3) "Eligible member" means any person, including service pensioners, disability pensioners, their survivors, or dependents, who received an annuity during the 12 months prior to the determination date. Members who received an annuity for the entire 12 months prior to the determination date are eligible for a full annual postretirement payment. Members who received an annuity for less than 12 months prior to the determination date are eligible for prorated annual postretirement payments.

(4) "Determination date" means December 31 of each year.

(5) "Annual postretirement payment" means the payment of a lump sum postretirement benefit to eligible members on June 1 following the determination date in any year.

(b) The board of trustees of the relief association shall determine by May 1 of each year whether the relief association has excess investment income. The amount of excess investment income, if any, must be stated as a dollar amount and reported by the relief association to the governing body of the municipality, the state auditor, the commissioner of finance, and the legislative commission on pensions and retirement. The dollar amount of excess investment income up to 1.5 percent of the assets of the fund must be applied for the purposes specified in paragraphs (c) and (d). (d) The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed .5 percent of the assets of the fund. Payment of the annual postretirement payment shall be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment shall be made only if the time weighted total rate of return exceeds five percent in any year. The total amount of all payments to members shall not exceed the amount determined under paragraph (b) of this subdivision. Payment to each eligible member shall be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible members annual postretirement payment. Payment to each eligible member shall not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the pension plan.

(e) In the event an eligible member dies prior to the payment of the post-retirement payment, the relief association shall pay that eligible member's estate the amount to which the eligible member was entitled.

(f) The relief association shall submit a report on the amount of all post-retirement payments made pursuant to this section and the manner in which those payments were determined to the state auditor, the executive secretary of the legislative commission on pensions and retirement, and the Minneapolis city clerk.

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 41.57, subdivision 4, is amended to read:

Subd. 4. [ADDITIONAL PAYMENT; PRINCIPAL REDUCTION.]

(a) The commissioner must annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller sponsored family farm security loan. No payment may be made under this subdivision to a qualified seller, unless the seller agrees to reduce the outstanding principal amount of the loan by three percent effective prior to or beginning for the year in which application is made.

(b) The payment amount must be determined as follows:

(1) In order to qualify for a payment, the seller must apply to the commissioner by October 1, ~~1986~~ following the previous tax year. The application must include a copy of the seller's ~~1985~~ previous tax year state income tax return. The commissioner must recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For any calendar year ~~1986~~ the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.

(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows: (A) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986. (B) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year. (C) The product determined under clause (B) is the payment for the calendar year.

(c) If for a tax year after 1986 the qualified seller's taxable income

has changed substantially, the commissioner may provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b)(2)(A).

(d)(1) (c) If the seller elects to receive payments under this subdivision, the buyer's payments of principal and interest under the loan must be recalculated. The revised payment schedule must reflect the three percent reduction in the outstanding principal required by paragraph (a) and must provide for equal payments over the remaining term of the loan. The interest rate on the loan may not be increased.

(2) The state's payment adjustment under subdivision 2 and the amount of the payment under paragraph (b) must be calculated on the basis of the outstanding principal amount of the loan before the reduction required by paragraph (a).

(e) (d) The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.

(f) (e) For purposes of this subdivision, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller sponsored loan after April 1, 1978 and before June 28 December 31, 1985, and who is a resident of Minnesota during the calendar year and is subject to the payment of Minnesota income taxes.

Sec. 2. [41.63] [DATA PRIVACY.]

Financial information, including credit reports, financial statements, tax refund calculations, and net worth statements, received or prepared by the commissioner regarding any family farm security loan, and the name of each individual who is the recipient of a family farm security loan, and the name of each cooperating seller of a seller-sponsored loan are private data on individuals under chapter 13.

Sec. 3. [EFFECTIVE DATE.]

This act is effective the day following final enactment."

Subd. 8. [PUBLIC INSPECTION STATION.] “Public inspection station” means a facility for motor vehicle inspection operated under contract with the agency under section 3.

Subd. 9. [FLEET INSPECTION STATION.] “Fleet inspection station” means a facility for the inspection of motor vehicle fleets operated under license issued by the agency under section 3.

Subd. 10. [OWNER.] “Owner” has the meaning given it in section 168.011.

Subd. 11. [REGISTRAR.] “Registrar” means the registrar of motor vehicles under section 168.33.

Sec. 2. [116.61] [INSPECTION REQUIRED.]

Subdivision 1. [REQUIREMENT.] (a) Beginning no later than July 1, 1991, each motor vehicle registered to an owner residing in the metropolitan area and each motor vehicle customarily domiciled in the metropolitan area but exempt from registration under section 168.012 or 473.448 must be inspected annually for air pollution emissions as provided in sections 1 to 6.

(b) The inspections must take place at a public or fleet inspection station. The inspections must take place within 90 days prior to the registration deadline for the vehicle or, for vehicles that are exempt from license fees under section 168.012 or 473.448, at a time set by the agency.

(c) The registration on a motor vehicle subject to paragraph (a) may not be renewed unless the vehicle has been inspected for air pollution emissions as provided in sections 1 to 6 and received a certificate of compliance or a certificate of waiver.

Subd. 2. [EXEMPT VEHICLES.] The following motor vehicles are exempt from the requirements of this section:

(1) a motor vehicle manufactured before the 1976 model year or with an engine manufactured before the 1976 model year;

(2) a motor vehicle registered as classic, pioneer, collector, or street rod under section 168.10;

(3) a motor vehicle that is exempted in accordance with rules of the agency because the vehicle, although registered to an owner residing in the metropolitan area, is customarily domiciled outside of the metropolitan area; and

(4) any class of motor vehicle that is exempted by rule of the agency because the vehicles present prohibitive inspection problems or are inappropriate for inspection.

Sec. 3. [116.62] [MOTOR VEHICLE INSPECTION PROGRAM.]

Subdivision 1. [ESTABLISHMENT.] The agency shall establish and administer a program to test and inspect for air pollution emissions the motor vehicles that are subject to the requirement of section 2.

Subd. 2. [CRITERIA AND STANDARDS.] (a) The agency shall adopt rules for the program under chapter 14 establishing standards and criteria governing the testing and inspection of motor vehicles for air pollution emissions.

(b) The rules must specify maximum pollutant emission levels for motor vehicles, giving consideration to the levels of emissions necessary to achieve applicable federal and state air quality standards. The standards may be different for different model years, sizes, and types of motor vehicles.

(c) The rules must establish testing procedures and standards for test equipment used for the inspection. The test procedures or procedures producing comparable results must be available to the automobile pollution equipment repair industry. The test equipment used for the inspection or comparable equipment must be available to the repair industry on the open market.

(d) The rules must establish standards and procedures for the issuance of licenses for fleet inspection stations.

(e) The rules must establish standards and procedures for the issuance of certificates of compliance and waiver.

Subd. 3. [PUBLIC INSPECTION STATIONS; CONTRACT.] (a) The program shall provide for the inspection of motor vehicles at public inspection stations. The number and location of the stations must provide convenient public access.

(b) The agency shall contract with a private entity for the design, construction, equipment, establishment, maintenance, and operation of the public inspection stations and the provision of related services and functions. The contractor and its officers and employees may not be engaged in the business of selling, maintaining, or repairing motor vehicles or selling motor vehicle replacement or repair parts, except that the contractor may repair any motor vehicle owned or operated by the contractor. The contractor's employees are not employees of the state for any purpose. In evaluating contractors, the agency shall consider the contractors' policies and standards on working conditions of employees. Contracts must require the contractor to operate the public inspection stations for a minimum of five years and may provide for equitable compensation, from the vehicle emission inspection account established by section 6, for capital costs and other appropriate expenditures to the contractor, as determined by the agency.

(c) A public inspection station shall inspect and reinspect motor vehicles in accordance with the agency rules and contract. The inspection station shall issue a certificate of compliance for a motor vehicle that has been inspected and determined to comply with the standards and criteria of the agency adopted under this section. If a certificate of compliance cannot be issued, the inspection station shall provide a written inspection report describing the reasons for rejection and, when appropriate, the repairs needed or likely to be needed to bring the vehicle into compliance with the standards and criteria.

(d) The agency shall develop a means of responding to inquiries from members of the public about the current status of a motor vehicle under the program, including the last date of inspection, certification of compliance, and the terms under which a certificate of waiver has been issued. The agency shall ensure in its public information program that the public is aware of this service. The agency may contract for the provision of this service.

Subd. 4. [FLEET INSPECTION STATIONS; LICENSE.] (a) The program shall provide for the licensing of fleet inspection stations by the agency. The license must be issued by the agency, upon payment of a licensing fee in a manner and an amount prescribed by the agency, when the agency determines that an applicant satisfies the requirements of this section and agency rules.

(b) Owners of a fleet of 50 or more motor vehicles may apply for a fleet inspection station license. Two or more persons each owning 25 or more motor vehicles may apply jointly for a fleet inspection station license.

(c) A licensee shall have the facilities, equipment, and personnel to competently perform the inspections required by sections 1 to 6 and the rules of the agency. A licensee shall provide for the inspection of each fleet vehicle in accordance with the requirements of section 2 and before registration of the vehicle shall indicate in a manner prescribed by the agency whether the vehicle complies with the emission standards of the agency.

(d) A fleet inspection station license authorizes and obligates the licensee to perform inspections only on motor vehicles owned or operated exclusively by the fleet licensee.

(e) A licensee shall maintain records of all inspections in a manner prescribed by the agency and shall make the records available for inspection by authorized representatives of the agency during normal business hours.

(f) To ensure compliance, the agency may require fleet licensees to submit motor vehicles designated by the agency numbering five percent or five motor vehicles, whichever is larger, to annual inspection at public inspection stations.

Subd. 5. [CERTIFICATES OF WAIVER.] (a) A certificate of waiver, valid for one year, must be issued for a motor vehicle following inspection if:

(1) a low emissions adjustment has been performed on the vehicle, following inspection and within 90 days prior to the renewal of registration, and

(2) either the estimated cost of repairs and adjustments necessary to bring the vehicle into compliance with emissions standards or the actual cost of repairs already performed on a vehicle in accordance with the inspection report under subdivision 3 exceeds the repair cost limit.

(b) The following costs may not be considered in determining eligibility for waiver under paragraph (a): costs for repairs made under warranty and costs necessary to repair or replace any emission control equipment that has been removed, dismantled, tampered with, misfueled, or otherwise rendered inoperative in violation of section 325E.0951.

(c) The repair cost limit is \$75 for vehicles manufactured before the 1981 model year, and \$200 for vehicles manufactured in the 1981 model year and after.

(d) A temporary certificate of waiver, valid for not more than 30 days, may be issued to a vehicle to allow time for inspection and necessary repairs and adjustments.

Subd. 6. [FEDERAL GRANTS.] The agency shall apply for and accept on behalf of the state any funds made available by the federal government or by any other sources for motor vehicle pollution control programs.

Subd. 7. [STUDIES; DATA COLLECTIONS; ANNUAL REPORT.] The agency shall collect data and undertake studies necessary to evaluate the cost, effectiveness, and benefits of the motor vehicle inspection program. The agency shall compile data on failure rate, compliance rate, the number of certificates issued, and other similar matters. The agency shall report on the operation of the motor vehicle inspection program to the legislature by January 1, 1992, and every two years thereafter.

Subd. 8. [PUBLIC INFORMATION; TRAINING.] The agency shall design, prepare, and implement a public information program for the motor vehicle inspection program, in cooperation with the department and the contractor under section 3, subdivision 3. The program must include material for distribution, presentations, mass media releases, and other appropriate material.

Sec. 4. [116.63] [PROHIBITED ACTS.]

Subdivision 1. [WRONGFUL CERTIFICATION.] No person may issue a certificate of compliance for a motor vehicle that has not been inspected in accordance with or is not in compliance with the rules of the agency.

Subd. 2. [REFERRAL FOR PARTS OR REPAIR.] An employee,

owner, or operator of a public inspection station may not furnish information, except information provided by the state, about the name or other description of a parts or repair facility or other place where parts, repairs, or adjustments may be obtained to bring a motor vehicle into compliance with the rules of the agency.

Subd. 3. [ALTERATION.] A person may not materially alter or change any equipment or mechanism of a motor vehicle that has been certified to comply with the rules of the agency, so that the motor vehicle is no longer in compliance with those rules.

Subd. 4. [FALSE REPAIR COSTS.] A person may not provide false information to a public inspection station or the agency about estimated or actual repair costs or repairs needed to bring a motor vehicle into compliance with the standards of the agency. A person may not claim an amount spent for repair if the repairs were not made or the amount not spent.

Sec. 5. [116.64] [INSPECTION FEE.]

Subdivision 1. [AMOUNT.] An annual fee established in accordance with the rules of the agency, not to exceed \$10, is imposed for the cost of the inspection of a motor vehicle at a public inspection station and such reinspections as the rules of the agency allow, the cost of the contract entered under section 3, subdivision 3, and the administrative costs of the agency and the department.

Subd. 2. [APPLICATION.] The fee must be paid for each motor vehicle inspected at a public inspection station, including a motor vehicle that is exempt from license fees under section 168.012 or 473.448.

Subd. 3. [PAYMENT.] The fee must be paid to the registrar at the time that the motor vehicle is reregistered or, for vehicles exempt from license fees under section 168.012 or 473.488, at a time set by the agency.

Sec. 6. [116.65] [VEHICLE EMISSION INSPECTION ACCOUNT.]

Subdivision 1. [ESTABLISHMENT; PURPOSE.] A vehicle emission inspection account is created in the state treasury and may be used only to pay the cost of the motor vehicle inspection program and the costs of the agency and department to administer sections 1 to 6.

Subd. 2. [REVENUE SOURCE.] Revenue from the following sources must be deposited in the vehicle emission inspection account:

(1) money recovered by the state under section 4, and money paid under any agreement, stipulation, or settlement;

(2) money received by the agency in the form of gifts, grants, reimbursements, or appropriations from any source intended to be used for the purpose of the account;

(3) fleet inspection station licensing fees;

(4) interest attributable to investment of money deposited in the fund; and

(5) the proceeds of the inspection fee.

Subd. 3. [APPROPRIATION.] By the end of the initial contract entered by the agency under section 3, subdivision 3, the amounts appropriated from the motor vehicle transfer fund to the vehicle emission inspection account must be repaid to the transfer fund, and the amounts necessary for this repayment are appropriated from the vehicle emission inspection account.

Sec. 7. [APPROPRIATION.]

\$10,000 is appropriated to the agency from the motor vehicle transfer fund for transfer to the vehicle emission inspection account.

Sec. 8. [APPROPRIATION.]

\$200,000 is appropriated to the agency from the motor vehicle transfer fund for transfer to the vehicle emission inspection account.

Sec. 9. [APPROVED COMPLEMENT.]

The approved complement of the agency is increased by four classified positions. The positions approved by this section must be paid from the vehicle emission inspection account.

Sec. 10. [STUDY.]

The agency shall study and report to the legislature on the effectiveness, costs, and benefits of requiring the use of alternative fuels and of extending the requirements of section 2 to other vehicles registered in the metropolitan area and to other pollution by these vehicles.

“Section 1. Minnesota Statutes 1986, section 13.82, is amended by adding a subdivision to read:

Subd. 5a. [CHILD ABUSE INVESTIGATIVE DATA.] (a) “Child abuse investigative data” means data collected and maintained by county sheriffs and police departments in their investigation of reports of child abuse received pursuant to section 626.556.

(b) Child abuse investigative data is classified as confidential until an arrest is made or a criminal charge is filed against an alleged perpetrator of child abuse. At the time an arrest is made, the data listed in subdivisions 2, 3, and 4 of this section, which is part of a child abuse investigative file, is public data, except that any data which identifies the victim of abuse is private data on individuals and data which identifies the child abuse reporter is confidential. Child abuse investigative data may be made available to the local child protective agency pursuant to Minnesota Statutes, section 626.556, subdivision 10a. Child abuse investigative data shall retain its data classification while in the possession of a local child protection agency.

(c) A child abuse investigation becomes inactive upon the occurrence of any of the events specified in subdivision 5. With the exception of data which identifies the victim of abuse, which shall be private, data which identifies the child abuse reporter, which shall be confidential, and data which the county sheriff or police department received from a child protection agency under section 626.556,

subdivision 10, which shall be private, all other inactive child abuse investigative data is public.

Sec. 2. Minnesota Statutes 1986, section 626.556, subdivision 5, is amended to read:

Subd. 5. [~~FALSIFIED MALICIOUS REPORTS.~~] Any person who knowingly or recklessly makes a false report under the provisions of this section shall be liable in a civil suit for any actual damages suffered by the person or persons so reported and for any punitive damages set by the court or jury.

Sec. 3. Minnesota Statutes 1986, section 626.556, subdivision 10d, is amended to read:

Subd. 10d. [~~NOTIFICATION OF NEGLIGENCE OR ABUSE MAL-TREATMENT IN A FACILITY.~~] (a) When a report is received that ~~alleges neglect, physical abuse, or sexual abuse maltreatment~~ of a child while in the care of a facility required to be licensed pursuant to sections 245.781 to 245.812, the commissioner or local welfare agency investigating the report shall provide the following information to the parent, guardian, or legal custodian of a child alleged to have been ~~neglected, physically abused, or sexually abused mal-treated~~: the name of the facility; the fact that a report ~~alleging neglect, physical abuse, or sexual abuse maltreatment~~ of a child in the facility has been received; the nature of the ~~alleged neglect, physical abuse, or sexual abuse maltreatment~~; that the agency is conducting an investigation; any ~~protective or corrective measures~~ being taken pending the outcome of the investigation; and that a written memorandum will be provided when the investigation is completed.

(b) The commissioner or local welfare agency may also provide the information in paragraph (a) to the parent, guardian, or legal custodian of any other child in the facility if the investigative agency knows or has reason to believe the ~~alleged neglect, physical abuse, or sexual abuse maltreatment~~ has occurred. In determining whether to exercise this authority, the commissioner or local welfare agency shall consider the seriousness of the ~~alleged neglect, physical abuse, or sexual abuse maltreatment~~; the number of children ~~allegedly neglected, physically abused, or sexually abused maltreated~~; the number of alleged perpetrators; and the length of the investigation. The facility shall be notified whenever this discretion is exercised.

(c) When the commissioner or local welfare agency has completed its investigation, every parent, guardian, or legal custodian notified of the investigation by the commissioner or local welfare agency shall be provided with the following information in a written memorandum: the name of the facility investigated; the nature of the ~~alleged neglect, physical abuse, or sexual abuse maltreatment~~; the investigator's name; a summary of the investigation findings; a

statement whether ~~the report~~ maltreatment was found to be substantiated, inconclusive, or false; and the protective or corrective measures that are being or will be taken. The memorandum shall be written in a manner that protects the identity of the reporter and the child and shall not contain the name, or to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed during the investigation. The commissioner or local welfare agency shall also provide the written memorandum to the parent, guardian, or legal custodian of each child in the facility if ~~the report~~ maltreatment is substantiated. ~~The commissioner or local welfare agency~~ may also provide the written memorandum to the parent, guardian, or legal custodian of any other child in the facility if the investigation is inconclusive. ~~The facility shall be notified whenever this discretionary authority is exercised.~~

Sec. 4. Minnesota Statutes 1986, section 626.556, is amended by adding a subdivision to read:

Subd. 10e. [FINDINGS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two findings: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

(1) an assault, as defined in section 609.02, subdivision 10, or any physical contact not exempted by section 609.379, where the assault or physical contact is either severe or recurring and causes either injury or significant risk of injury to the child;

(2) neglect as defined in subdivision 2, paragraph (c);

(3) sexual abuse as defined in subdivision 2, paragraph (a), or the intentional or recurring exposure of a child to either materials that are harmful to minors, as defined in section 617.292, subdivision 7, or to sexual acts involving the touching of a person's intimate parts, where the exposure is inappropriate for the child's age or level of development; or

(4) deliberate or recurring verbal or behavioral acts or omissions which have an observable and sustained adverse effect on the child's physical, mental, or emotional development.

(b) For the purposes of this subdivision, a finding that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk

of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

Sec. 5. Minnesota Statutes 1986, section 626.556, is amended by adding a subdivision to read:

Subd. 10f. [NOTICE OF FINDINGS.] Within ten working days of the conclusion of an assessment the local welfare agency shall notify the parent or guardian of the child of the findings. Within ten working days of completing an investigation of a licensed facility, the local welfare agency shall notify the person alleged to be maltreating the child, the director of the facility, and the parent or guardian of the child of the findings. In addition to the findings, the notice shall include the length of time that the records will be kept under subdivision 11b. When there is no finding of either maltreatment or a need for services, the notice shall also include the alleged perpetrator's right to have the records destroyed.

Sec. 6. Minnesota Statutes 1987 Supplement, section 626.556, subdivision 11, is amended to read:

Subd. 11. [RECORDS.] All records concerning individuals maintained by a local welfare agency under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff, and except as otherwise provided in subdivisions 10b and 10d. Report records maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority. The welfare board shall make available to the investigating, petitioning, or prosecuting authority any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The

subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the rules of criminal procedure.

Notwithstanding sections 138.163 and 138.17, records maintained by local welfare agencies, the police department or county sheriff under this section shall be destroyed as described in clauses (a) to (d):

(a) If upon assessment or investigation a report is found to be false, notice of intent to destroy records of the report shall be mailed to the individual subject of the report. At the subject's request the records shall be maintained as private data. If no request from the subject is received within 30 days of mailing the notice of intent to destroy, the records shall be destroyed.

(b) All records relating to reports which, upon assessment or investigation, are found to be substantiated shall be destroyed seven years after the date of the final entry in the case record.

(c) All records of reports which, upon initial assessment or investigation, cannot be substantiated or disproved to the satisfaction of the local welfare agency, local police department or county sheriff may be kept for a period of one year. If the local welfare agency, local police department or county sheriff is unable to substantiate the report within that period, each agency unable to substantiate the report shall destroy its records relating to the report in the manner provided by clause (a).

(d) Any notification of intent to interview which was received by a school under subdivision 10, paragraph (e), shall be destroyed by the school when ordered to do so by the agency conducting the assessment or investigation. The agency shall order the destruction of the notification when other records relating to the report under investigation or assessment are destroyed under this subdivision.

Sec. 7. Minnesota Statutes 1986, section 626.556, is amended by adding a subdivision to read:

Subd. 11b. [RECORDS MAINTAINED.] Notwithstanding sections 138.163 and 138.17, records maintained or records derived from reports of abuse by local welfare agencies, county sheriffs or police departments, or schools under this section shall be destroyed as provided in paragraphs (a) to (c).

(a) If upon assessment or investigation there is no finding of credible information indicating maltreatment or the need for child

protective services, the records may be maintained for a period of four years. Upon notification to the individual alleged to have maltreated a child under subdivision 10f as to the findings at the conclusion of the assessment or investigation, that individual may request that records be destroyed after two years.

(b) All records relating to reports which, upon assessment or investigation, indicate either maltreatment or a need for child protective services shall be destroyed seven years after the date of the final entry in the case record.

(c) All records regarding a report of maltreatment, including any notification of intent to interview which was received by a school under subdivision 10, paragraph (d), shall be destroyed by the school when ordered to do so by the agency conducting the assessment or investigation. The agency shall order the destruction of the notification when other records relating to the report under investigation or assessment are destroyed under this subdivision.

Sparby moved to amend S. F. No. 1742, as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 6, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] (a) A state or federal agency or a corporation, other than a family farm corporation or an authorized farm corporation, may not lease or sell agricultural land or a farm homestead that was acquired by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed, before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor.

(b) An immediately preceding former owner may elect to purchase or lease the entire property or a portion of the property. An election to purchase or lease a portion of the property must be reported in writing to the seller or lessor prior to the time the property is offered for sale or lease. If election is made to purchase or lease a portion of the property, that portion must be contiguous and compact so that it does not unreasonably reduce access to or the value of the remaining property.

~~(b)~~ (c) For purposes of this subdivision, the term “a price no higher than the highest price offered by a third party” means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves

simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that ~~defers payment of a portion of the price and does not involve a transfer of fee title until payment of the entire amount of the offer is made~~ is financed entirely or partially by the seller and includes an offer to purchase under a contract for deed or mortgage.

(e) (d) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for five years after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold; and

(2) an offer to sell to the immediately preceding former owner is required until the property is sold; and

(3) if the immediately preceding former owner elects to lease or purchase a portion of the property, the balance of the property may be sold or leased without further regard to this subdivision.

(d) (e) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.

(e) (f) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years or longer.

(f) (g) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(g) (h) The immediately preceding former owner must exercise the right to lease all or a portion of the agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. If election is made to lease only the homestead or a portion of the agricultural land, the portion to be leased must be clearly identified in writing by the immediately preceding former

owner. The immediately preceding former owner must exercise the right to buy the agricultural land, a portion of the agricultural land, or a farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(h) (i) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(i) (j) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

⊕ (k) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by the:

(1) an express statement in a deed in lieu of foreclosure or of the agricultural land;

(2) an express statement in a deed in lieu of a termination of a contract for deed for the agricultural land; or

(3) an express statement conveying the right to the state or federal agency or corporation owning the agricultural land that is required to make an offer under this subdivision.

⊕ (l) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred except as provided in paragraph (j), but may be inherited.

(m) An immediately preceding former owner, except a former owner who remains actively engaged in farming the land acquired by accepting an offer under this subdivision may not sell agricultural land acquired by accepting an offer under this subdivision if the arrangement of such sale was negotiated or agreed to prior to the former owner accepting the offer under this subdivision. A person who sells property in violation of this paragraph is liable for up to treble damages and court costs and reasonable attorney fees to a person who is damaged by a sale in violation of this paragraph. There shall be a rebuttable presumption that a sale by an immediately preceding former owner is in violation of this paragraph if the sale takes place within 180 days of the former owner accepting the offer under this subdivision. The prohibition in this paragraph does not apply to a sale by an immediately preceding former owner to his or her spouse or to a person related to the former owner in the first degree of kindred according to the rules of the civil law.

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1987 Supplement, section 349.12, subdivision 11, is amended to read:

Subd. 11. "Lawful purpose" means one or more of the following: (a) benefiting persons by enhancing their opportunity for religious or educational advancement, by relieving or protecting them from disease, suffering or distress, by contributing to their physical well-being, by assisting them in establishing themselves in life as worthy and useful citizens, or by increasing their comprehension of and devotion to the principles upon which this nation was founded; (b) initiating, performing, or fostering worthy public works or enabling or furthering the erection or maintenance of public structures; (c) lessening the burdens borne by government or voluntarily supporting, augmenting or supplementing services which government would normally render to the people; or (d) ~~the improving, expanding, maintaining or repairing real property owned or leased by an organization;~~ or (e) payment of taxes imposed under this chapter, and other taxes imposed by the state or the United States on receipts from lawful gambling.

"Lawful purpose" does not include the erection ~~or~~ acquisition, improvement, expansion, maintenance, or repair of any real prop-

erty owned or leased by the organization, unless the board specifically authorizes the expenditures after finding that the property will be used exclusively for one or more of the purposes specified in this clause clauses (a) to (c): The board may by rule adopt procedures and standards to administer this subdivision.

Sec. 2. Minnesota Statutes 1987 Supplement, section 349.15, is amended to read:

349.15 [USE OF PROFITS.]

(a) Profits from lawful gambling may be expended only for lawful purposes or expenses as authorized at a regular meeting of the conducting organization.

(b) ~~Provided that~~ No more than 55 percent of profits from bingo, and no more than 45 percent for other forms of lawful gambling, may be expended for necessary expenses related to lawful gambling. In determining compliance with this requirement an organization may exclude gross receipts, expenses, and net profit from any licensed premises at which profits from all lawful gambling conducted by the organization do not exceed \$50,000 in any 12-month period. This exclusion does not relieve an organization of any requirement the board imposes for reporting gambling activity and expense computation at any licensed premises.

(c) The board shall provide by rule for the administration of this section, including specifying allowable expenses. The rules must specify that no more than one-third of the annual premium on a policy of liability insurance procured by the organization may be taken as an allowable expense from the gross receipts from lawful gambling. This expense shall be allowed by the board only to the extent that it relates directly to the conduct of lawful gambling and is verified in the manner the board prescribes by rule. The rules may provide a maximum percentage of gross receipts which may be expended for certain expenses.

Sec. 3. [349.164] [BINGO HALL LICENSES.]

Subdivision 1. [LICENSE REQUIRED.] No person may lease a facility to more than one licensed organization to conduct bingo without having obtained a bingo hall license under this section, unless the person is a licensed organization.

Subd. 2. [LICENSE APPLICATION.] The board may issue a bingo hall license to persons who meet the qualifications of this section if the board determines that a license is consistent with the purpose of sections 349.11 to 349.22. Applications must be on a form the board prescribes.

Subd. 3. [QUALIFICATIONS.] A license may not be issued under this section to a person, or to a corporation, firm, or partnership which has as an officer, director, or other person in a supervisory or management position, who:

(1) has been convicted of a felony in a state or federal court within the past five years or who has a felony charge pending; or

(2) has been convicted in a state or federal court of a gambling-related offense within ten years of the date of license application.

Subd. 4. [FEES.] The annual fee for a bingo hall license is \$250.

Subd. 5. [CRIMINAL HISTORY.] The board may request the assistance of the bureau of criminal apprehension in investigating the background of an applicant for a bingo hall license and may reimburse the bureau for the costs. The board has access to all criminal history data compiled by the bureau on licensees and applicants.

Subd. 6. [PROHIBITION.] No bingo hall licensee may also be a licensed distributor or registered manufacturer or affiliate of the distributor or manufacturer under section 349.161 or 349.163.

Subd. 7. [RESTRICTIONS.] A bingo hall licensee or affiliate of the licensee may not:

(1) provide any staff to conduct bingo or any other form of lawful gambling during the bingo occasion;

(2) acquire, provide storage or inventory control, or report the use of any gambling equipment used by an organization that conducts bingo on the premises;

(3) provide accounting services to an organization conducting bingo on the premises;

(4) make any expenditures of gross receipts of an organization from lawful gambling; or

(5) charge any admission fee for entering the premises where the bingo occasion will be held.

Subd. 8. [LEASES.] All of the remuneration to be received from the organization for the conduct of lawful gambling must be stated in the lease. No amount may be paid by the organization or received by the operator of the bingo hall based on the number of participants attending the bingo occasion or on the gross receipts or profit received by the organization.

Subd. 9. [REVOCAION AND SUSPENSION.] A license under this section may be suspended by the board for a violation of law or board rule or for failure to meet the qualifications in subdivision 3 at any time or revoked for what the board determines to be a pattern of willful violations of law or board rule. A revocation or suspension is a contested case under sections 14.57 to 14.69 of the administrative procedure act.

Sec. 4. Minnesota Statutes 1987, Supplement, section 349.17, subdivision 2, is amended to read:

Subd. 2. [BINGO ON LEASED PREMISES.] (a) A person or corporation, other than an organization, which leases any premises that it owns to two or more organizations for purposes including the conduct of bingo occasions, may not allow more than 18 bingo occasions to be conducted on the premises in any week.

(b) If an organization conducts bingo on premises it does not own, the organization must provide the board with the name of the owner and lessor of the premises, copies of all agreements between the organization and the owner or lessor, and the name of employees of the owner or lessor who will be responsible for the premises during the bingo occasion held by the organization.

(c) During any bingo occasion held by an organization on premises it does not own, the organization shall be directly responsible for the:

- (1) staffing of the bingo occasion;
- (2) conducting of lawful gambling during the bingo occasion;
- (3) acquiring, storage, inventory control, and reporting of all gambling equipment used by the organization; and
- (4) receipt, accounting, and all expenditures of gross receipts from lawful gambling.

Sec. 5. Minnesota Statutes 1986, section 349.19, subdivision 1, is amended to read:

Subdivision 1. [REQUIRED RECORD OF RECEIPTS.] A licensed organization must keep a record of each occasion on which it conducts gambling, including each bingo occasion and each day on which other forms of lawful gambling are conducted. The record must include gross receipts, quantities of free plays if any, expenses, and profits. The board may by rule provide for the methods by which expenses are documented. Gross receipts for bingo include any amount received by the organization which has been paid by a person at the bingo occasion to play the game, without which the

player could not play the game. In the case of bingo, gross receipts must be compared to the checkers' records for the occasion by a person who did not sell cards for the occasion. Separate records must be kept for bingo and all other forms of lawful gambling."

~~In a year in which plates are not issued,~~ The registrar shall issue for each registration a tab or sticker to designate the year of registration. This tab or sticker shall show the calendar year or years for which issued, and is valid only for that period. The number plates, number tabs, or stickers issued for a motor vehicle may not be transferred to another motor vehicle during the period for which it is issued.

Notwithstanding any other provision of this subdivision, number plates issued to a vehicle which is used for behind-the-wheel instruction in a driver education course in a public school may be transferred to another vehicle used for the same purpose without payment of any additional fee. "Sec. 8. Minnesota Statutes 1987 Supplement, section 169.345, subdivision 2a, is amended to read:

Subd. 2a. [PHYSICIAN'S STATEMENT.] The commissioner shall develop a form for the physician's statement. The statement must be signed by a licensed physician who certifies that the applicant is a physically handicapped person as defined in subdivision 2. The commissioner may request additional information from the physician if needed to verify the applicant's eligibility. The physician's statement must specify whether the disability is permanent or temporary, and if temporary, the opinion of the physician as to the duration of the disability. A physician who fraudulently certifies to the commissioner that a person is a physically handicapped person as defined in subdivision 2, and that the person is entitled to the license plates authorized by section 168.021 or to the certificate authorized by this section, is guilty of a misdemeanor and is subject to a fine of \$500.

The form must include a notice to the effect that a copy of the form as signed and submitted confers the same privileges as the identifying certificate for a period of 14 days after the date of signing.

Sec. 9. Minnesota Statutes 1987 Supplement, section 169.345, subdivision 3, is amended to read:

Subd. 3. [IDENTIFYING CERTIFICATE.] (a) The division of driver and vehicle services in the department of public safety shall issue a special identifying certificate for a motor vehicle when a physically handicapped applicant submits a physician's statement. The commissioner shall design separate certificates for persons with permanent and temporary disabilities that can be readily distinguished from each other from outside a vehicle at a distance of 25 feet. The certificate is valid for the duration of the person's disability, as specified in the physician's statement, up to a maximum of six years. A person with a disability of longer duration will be required to renew the certificate for additional periods of time, up to six years each, as specified in the physician's statement.

(b) When the commissioner is satisfied that a motor vehicle is used primarily for the purpose of transporting physically handicapped persons, the division may issue without charge a special identifying certificate for the vehicle. The operator of a vehicle displaying the certificate has the parking privileges provided in subdivision 1 while the vehicle is in use for transporting physically handicapped persons. The certificate issued to a person transporting physically handicapped persons must be renewed every third year. On application and renewal, the person must present evidence that the vehicle continues to be used for transporting physically handicapped persons.

(c) A certificate must be made of plastic or similar durable

material, must be distinct from certificates issued before January 1, 1988, and must bear its expiration date prominently on its face. A certificate issued to a temporarily disabled person must display the date of expiration of the duration of the disability, as determined under paragraph (a). Each certificate must have printed on the back a summary of the parking privileges and restrictions that apply to each vehicle in which it is used. The commissioner may charge a fee of \$5 for issuance or renewal of a certificate, and a fee of \$5 for a duplicate to replace a lost, stolen, or damaged certificate.

(d) A copy of a physician's statement submitted under paragraph (a), when prominently displayed in the manner prescribed in subdivision 1, entitles the person submitting the statement the same privileges under subdivision 1 as an identifying certificate, for a period of 14 days after the date on which the statement was signed by the physician."

(14) to include in any contract for financial assistance with the federal government any conditions that the federal government may attach to its financial aid of a project, not inconsistent with purposes of sections 469.001 to 469.047, including obligating itself (which obligation shall be specifically enforceable and not constitute a mortgage, notwithstanding any other laws) to convey to the federal government the project to which the contract relates upon the occurrence of a substantial default with respect to the covenants or conditions to which the authority is subject; to provide in the contract that, in case of such conveyance, the federal government may complete, operate, manage, lease, convey, or otherwise deal with the project until the defaults are cured if the federal government agrees in the contract to reconvey to the authority the project as then constituted when the defaults have been cured;

(15) to issue bonds for any of its corporate purposes and to secure the bonds by mortgages upon property held or to be held by it or by pledge of its revenues, including grants or contributions;

(16) to invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control or in the manner and subject to the conditions provided in section 475.66 for the deposit and investment of debt service funds;

(17) within its area of operation, to determine where blight exists or where there is unsafe, unsanitary, or overcrowded housing;

(18) to carry out studies of the housing and redevelopment needs within its area of operation and of the meeting of those needs. This includes study of data on population and family groups and their distribution according to income groups, the amount and quality of available housing and its distribution according to rentals and sales prices, employment, wages, desirable patterns for land use and community growth, and other factors affecting the local housing and redevelopment needs and the meeting of those needs; to make the results of those studies and analyses available to the public and to building, housing, and supply industries;

(19) if a local public body does not have a planning agency or the planning agency has not produced a comprehensive or general community development plan, to make or cause to be made a plan to be used as a guide in the more detailed planning of housing and redevelopment areas;

(20) to lease or rent any dwellings, accommodations, lands, buildings, structures, or facilities included in any project and, subject to the limitations contained in sections 469.001 to 469.047 with respect to the rental of dwellings in housing projects, to establish and revise the rents or charges therefor;

(21) to own, hold, and improve real or personal property and to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein;

(22) to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards;

(23) to procure or agree to the procurement of government insurance or guarantees of the payment of any bonds or parts thereof issued by an authority and to pay premiums on the insurance;

(26) to compile and maintain a catalog of all vacant, open and undeveloped land, or land which contains substandard buildings and improvements as that term is defined in clause (7), that is owned or controlled by the authority or by the governing body within its area of operation and to compile and maintain a catalog of all authority owned real property that is in excess of the foreseeable needs of the authority, in order to determine and recommend if the real property

compiled in either catalog is appropriate for disposal pursuant to the provisions of section 469.029, subdivisions 9 and 10;

(27) to recommend to the city concerning the enforcement of the applicable health, housing, building, fire prevention, and housing maintenance code requirements as they relate to residential dwelling structures that are being rehabilitated by low or moderate income persons pursuant to section 469.029, subdivision 9, for the period of time necessary to complete the rehabilitation, as determined by the authority; and

(28) to recommend to the city the initiation of municipal powers, against certain real properties, relating to repair, closing, condemnation, or demolition of unsafe, unsanitary, hazardous, and unfit buildings, as provided in section 469.041, clause (5).

Sec. 4. Minnesota Statutes 1987 Supplement, section 469.015, subdivision 4, is amended to read:

Subd. 4. [EXCEPTION; CERTAIN PROJECTS.] An authority need not require either competitive bidding or performance bonds in the case of a contract for the acquisition of a low rent housing project for which financial assistance is provided by the federal government, and which does not require any direct loan or grant of money from the municipality as a condition of the federal financial assistance, and where the contract provides for the construction of such a project upon land not owned by the authority at the time of the contract, or owned by the authority for redevelopment purposes, and provides for the conveyance or lease to the authority of the project or improvements upon completion of construction. An authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, a development and financed with the proceeds of tax increment or parking ramp revenue bonds. An authority need not require competitive bidding in the case of a housing development project that (1) is financed with the proceeds of bonds secured by the project and to which the full faith and credit of the authority is not pledged; (2) is located on land owned by the authority; (3) is constructed or rehabilitated under agreements with a developer for the construction of the project, guarantee of the bonds, and management of the property; and (4) is found by the authority to require negotiation rather than use of a competitive bidding procedure to be economical and feasible.

Sec. 5. [469.1651] [REVENUE ANTICIPATION NOTES FOR HOSPITALS.]

Subdivision 1. [AUTHORIZATION.] A municipality may issue and sell, at public or private sale, negotiable notes or certificates of indebtedness, as provided in this section and lend the proceeds to nonprofit hospitals in anticipation of revenues or state and federal

aids payable to the hospitals within one year after the date of issue of the notes or certificates of indebtedness. The principal amount of the notes or certificates shall not exceed 75 percent of the accounts receivable and third-party reimbursement payments payable to the hospital as of a date within 45 days of the date of issuance. While notes or certificates issued under this section on behalf of a hospital are outstanding, additional notes or certificates shall not be issued unless, for the period of 30 consecutive days immediately preceding the date of issuance, the amount of outstanding notes and certificates was less than six percent of the hospital's gross revenues for the preceding fiscal year.

The municipality need not comply with the procedures set forth in sections 469.152 to 469.165 in the issuance of notes or certificates of indebtedness pursuant to this section, but the municipality shall comply with sections 469.152 to 469.165 at the time of issuance of the refunding obligations if long-term obligations are issued to refund notes or certificates of indebtedness issued pursuant to this section.

Subd. 2. [REVENUE AGREEMENT.] No notes or certificates of indebtedness shall be issued pursuant to this section unless the municipality has entered into a revenue agreement with a qualifying hospital providing for payment by the hospital of all principal and interest on the notes or certificates of indebtedness when they become due and payable, together with any expenses and fees of the municipality incurred in connection with the notes or their issuance. Notes and certificates of indebtedness issued under authority of this section do not, and shall state that they do not, represent or constitute a debt or pledge of the faith and credit of the municipality or the state of Minnesota, or grant to their owners or holders any right to have the municipality or state levy any taxes or appropriate any funds for the payment of their principal or interest on them. The notes or certificates are payable and shall state that they are payable solely from the revenues and other property, income, accounts, charges, and money that are pledged for their payment in accordance with the proceedings authorizing their issuance.

Subd. 3. [ENABLING RESOLUTION; FORM OF CERTIFICATES.] The municipality may authorize and effect the borrowing and issue the notes or certificates of indebtedness authorized by this section upon passage of a resolution specifying the amount and purposes of the borrowing. The municipality shall fix the amount, date, maturity, form, denomination, and other details of the notes or certificates of indebtedness, consistent with this section, and shall fix the date and place for the receipt of bids for their purchase, if the notes or certificates of indebtedness are to be sold by public sale.

Subd. 4. [REPAYMENT; MATURITY DATE; INTEREST.] The proceeds of revenues and future state and federal aid and other funds of the hospital which may become available shall be applied to

the extent necessary to repay the notes or certificates of indebtedness. The full faith and credit of the hospital, or any other lawfully pledged security of the hospital, as deemed necessary by the municipality, shall be pledged to their payment. Notes or certificates of indebtedness issued pursuant to this section shall mature not later than 13 months after the date of issue. The notes or certificates shall be sold at such price as the municipality may agree. The notes or certificates shall bear interest after maturity until paid at the rate they bore before maturity. Any interest accruing before or after maturity shall be paid from any available funds of the hospital.

Any note or certificate of indebtedness issued pursuant to this section may be issued giving its owner the right to tender, or the municipality or the hospital to demand tender of, the obligation to the municipality or the hospital or another person designated by either of them, for purchase at a specified time or times. The note or certificate of indebtedness shall not be deemed to mature on any tender date, and the purchase of a tendered note or certificate shall not be deemed a payment or discharge of the note or certificate. Notes or certificates of indebtedness tendered for purchase may be remarketed by or on behalf of the municipality or any other purchaser. The municipality or the hospital may enter into agreements deemed appropriate to provide for the purchase and remarketing of tendered notes or certificates of indebtedness, including provisions under which undelivered obligations may be deemed tendered for purchase and new obligations may be substituted for them, provisions for the payment of charges of tender agents, remarketing agents, and financial institutions extending lines of credit or letters of credit assuring repurchase, and for reimbursement of advances under letters of credit, which charges and reimbursements shall be paid by the hospital.

Any notes or certificates of indebtedness issued pursuant to this section may bear interest at a rate varying periodically at the time or times and on the terms, including convertibility to a fixed rate of interest, determined by the governing body of the municipality.

Subd. 5. [TRUST AGREEMENT.] Any notes or certificates of indebtedness issued under this section may be secured by a trust agreement between the municipality and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the state. The trust agreement or the resolution providing for the issuance of the notes or certificates may pledge or assign the revenues to be received, the proceeds of any contracts pledged, and any other property pledged by the borrowing institution or proceeds from it. The trust agreement or resolution providing for the issuance of the notes or certificates may contain reasonable provisions to protect and enforce the rights and remedies of the holders of the notes or certificates. Any bank or trust company incorporated under the laws of the state that may act as depository

of the proceeds of notes or certificates or of revenues or other moneys may furnish the indemnifying bonds or pledge the securities that may be required by the municipality. The trust agreement may set forth the rights and remedies of the holders of the notes or certificates and of the trustee and may restrict the individual right of action by holders of the notes or certificates. The trust agreement or resolution may contain any other provisions that the municipality deems reasonable for the security of the holders of the notes or certificates. All expenses incurred in carrying out the provisions of the trust agreement or resolution shall be paid by the hospital.

Sec. 6. Minnesota Statutes 1987 Supplement, section 475.54, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, 5a, 15 or 5b 17, or as expressly authorized in another law, all obligations of each issue shall mature or be subject to mandatory sinking fund redemption in installments, the first not later than three years and the last not later than 30 years from the date of the issue. No amount of principal of the issue payable in any calendar year shall exceed five times the amount of the smallest amount payable in any preceding calendar year ending three years or more after the issue date.

Sec. 7. Minnesota Statutes 1986, section 475.54, is amended by adding a subdivision to read:

Subd. 17. Obligations payable primarily from a source other than ad valorem taxes may mature at any time or times within 30 years after the date of issue, if the governing body estimates that the primary source of payment is sufficient to pay when due the principal of and interest on the obligations and if the primary source of payment is irrevocably appropriated to payment of the obligations.

Sec. 8. Minnesota Statutes 1986, section 475.60, subdivision 3, is amended to read:

Subd. 3. [PUBLISHED NOTICE.] Published notice, where required, shall specify the maximum principal amount of the obligations, the place of receipt and consideration of bids and such other details as to the obligations and terms of sale as the governing body deems suitable. The published notice shall either specify the date and time for receipt of bids or provide that the bids will be received at a date and time not less than ten nor more than 45 60 days after the date of publication. If the published notice does not state the specific date and or amount for the sale, it shall specify the manner in which notice of the date and or amount of the sale will be given to prospective bidders. Notification of prospective bidders shall be given by electronic data transmission or other form of communication common to the municipal bond trade at least four days (omitting Saturdays, Sundays, and legal holidays) before the date for receipt of

bids. If within five days after the date of publication a prospective bidder requests in writing to be notified by mail, the municipality shall do so. Failure to give the notice as described in the preceding sentence to a bidder shall not affect the validity of the sale or of the obligations. The governing body may employ an agent to receive and open the bids at any place within or outside the corporate limits of the municipality, in the presence of an officer of the municipality, but the obligations shall not be sold except by action of the governing body or authorized officers of the municipality after communication of the bids to them. Additional notice may be given for such time and in such manner as the governing body deems suitable. At the time and place so fixed, the bids shall be opened and the offer complying with the terms of sale and deemed most favorable shall be accepted, but the governing body may reject any and all such offers, in which event, or if no offers have been received, it may award the obligations to any person who within 30 days thereafter presents an offer complying with the terms of sale and deemed more favorable than any received previously, or upon like notice the governing body may invite other bids upon the same or different terms and conditions, except that if the original published notice does not state the specific date or amount for the sale and if the material terms and conditions of the sale remain the same, except for the date and amount, notice of the date or amount may be given in the manner provided above.

Sec. 9. Minnesota Statutes 1987 Supplement, section 475.66, subdivision 3, is amended to read:

Subd. 3. Subject to the provisions of any resolutions or other instruments securing obligations payable from a debt service fund, any balance in the fund may be invested

(a) in governmental bonds, notes, bills, mortgages, and other securities, which are direct obligations or are guaranteed or insured issues of the United States, its agencies, its instrumentalities, or organizations created by an act of Congress,

(b) in shares of an investment company (1) registered under the Federal Investment Company Act of 1940, whose shares are registered under the Federal Securities Act of 1933, and (2) whose only investments are in (i) securities described in the preceding clause and, (ii) general obligation tax-exempt securities rated A or better by a national bond rating service, and (iii) repurchase agreements or reverse repurchase agreements fully collateralized by those securities, if the repurchase agreements or reverse repurchase agreements are entered into only with those primary reporting dealers that report to the Federal Reserve Bank of New York and with the 100 largest United States commercial banks,

(c) in any security which is (1) a general obligation of the state of Minnesota or any of its municipalities or in general obligations of

other state and local governments with taxing powers which are rated A or better by a national bond rating service, or (2) a general obligation of the Minnesota housing finance agency, or (3) a general obligation of a housing finance agency of any state if it includes a moral obligation of the state, provided that investments under this clause (2) (3) must be in obligations that are rated the highest or next highest rating given by Standard & Poor's Corporation or Moody's Investors Service, Inc., and may be made only (i) prior to August 1, 1990 1991, and (ii) for a period of no more than three years from the date of purchase and further provided that investments under clauses (2) and (3) be determined to be expedient to reduce the amount of arbitrage rebate otherwise payable to the United States under section 148 of the Internal Revenue Code of 1986,

(d) in bankers acceptances of United States banks eligible for purchase by the Federal Reserve System, or

(e) in commercial paper issued by United States corporations or their Canadian subsidiaries that is of the highest quality and matures in 270 days or less, or

(f) in guaranteed investment contracts issued or guaranteed by United States commercial banks or domestic branches of foreign banks or United States insurance companies or their Canadian or United States subsidiaries; provided that the investment contracts rank on a parity with the senior unsecured debt obligations of the issuer or guarantor and, (1) in the case of long-term investment contracts, either (i) the long-term senior unsecured debt of the issuer or guarantor is rated, or obligations backed by letters of credit of the issuer or guarantor if forming the primary basis of a rating of such obligations would be rated, in the highest or next highest rating category of Standard & Poor's Corporation, Moody's Investors Service, Inc., or a similar nationally recognized rating agency, or (ii) if the issuer is a bank with headquarters in Minnesota, the long-term senior unsecured debt of the issuer is rated, or obligations backed by letters of credit of the issuer if forming the primary basis of a rating of such obligations would be rated in one of the three highest rating categories of Standard & Poor's Corporation, Moody's Investors Service, Inc., or similar nationally recognized rating agency, or (2) in the case of short-term investment contracts, the short-term unsecured debt of the issuer or guarantor is rated, or obligations backed by letters of credit of the issuer or guarantor if forming the primary basis or a rating of such obligations would be rated, in the highest two rating categories of Standard and Poor's Corporation, Moody's Investors Service, Inc., or similar nationally recognized rating agency.

The fund may also be used to purchase any obligation, whether general or special, of an issue which is payable from the fund, at such price, which may include a premium, as shall be agreed to by the holder, or may be used to redeem any obligation of such an issue

prior to maturity in accordance with its terms. The securities representing any such investment may be sold or hypothecated by the municipality at any time, but the money so received remains a part of the fund until used for the purpose for which the fund was created.

Sec. 10. Minnesota Statutes 1987 Supplement, section 475.67, subdivision 12, is amended to read:

Subd. 12. In the refunding of general obligations, for which the full faith and credit of the issuing municipality has been pledged, the following additional conditions shall be observed: each such obligation, if repayable, shall be called for redemption prior to its maturity in accordance with its terms no later than either (i) the earliest date on which it may be redeemed without payment of any premium, or (ii) if the obligation is only prepayable with payment of a premium, on the earliest date on which it may be redeemed with payment of the least premium required by its terms. No refunding obligations shall be issued and sold more than six months before the refunded obligations mature or are called for redemption in accordance with their terms, unless either (i) as a result of the refunding the average life of the maturities is extended at least three years or (ii) as of the nominal date of the refunding obligations the present value of the dollar amount of the debt service on the refunding obligations, computed to their stated maturity dates, after deducting any premium ~~or adding any discount~~, is lower by at least three percent than the present value of the dollar amount of debt service, on all general obligations refunded, exclusive of any premium ~~or discount~~, computed to their stated maturity dates; provided that in computing the dollar amount of debt service on the refunding obligations, any expenses of the refunding payable from a source other than the proceeds of the refunding obligations or the interest derived from the investment thereof shall be added to the dollar amount of debt service on the refunding obligations. For purposes of this subdivision, the present value of the dollar amount of debt service means the dollar amount of debt service to be paid, discounted to the nominal date of the refunding obligations at a rate equal to the yield on the refunding obligations. Expenses of the refunding include the amount, if any, in excess of the proceeds of the refunding obligations or the principal amount of obligations to be refunded, whichever is the greater, which is required to be deposited in escrow to provide cash and purchase securities sufficient to retire the refunded obligations and unaccrued interest thereon in accordance with subdivision 6; charges of the escrow agent and of the paying agent for the refunding obligations; and expenses of printing and publications and of fiscal, legal, or other professional service necessarily incurred in the issuance of the refunding obligations.

Sec. 11. Minnesota Statutes 1986, section 475.67, subdivision 13, is amended to read:

Subd. 13. Crossover refunding obligations may be issued by a municipality without regard to the limitations in subdivisions 4 to 10. The proceeds of crossover refunding obligations, less any proceeds applied to payment of the costs of their issuance, shall be deposited in a debt service fund irrevocably appropriated to the payment of principal of and interest on the refunding obligations until the date the proceeds are applied to payment of the obligations to be refunded. The debt service fund shall be maintained as an escrow account with a suitable financial institution within or without the state and amounts in it shall be invested in securities described in subdivision 8 or in an investment contract or similar agreement with a bank or insurance company meeting the requirements of section 475.66, subdivision 3, clause (f). Excess proceeds, if any, of the tax levy pursuant to section 475.61, subdivision 1, made with respect to the obligations to be refunded, and any other available amounts, may be deposited in the escrow account. In the resolution authorizing the issuance of crossover refunding obligations, the governing body may pledge to their payment any source of payment of the obligations to be refunded. The resolution may provide that the refunding obligations are payable solely from the escrow account prior to the date scheduled for payment of the obligations to be refunded and that the obligations to be refunded shall not be discharged if the amounts on deposit in the escrow account on that date are insufficient. Subdivisions 11 and 12 shall not apply to any crossover refunding obligations, or the obligations to be refunded. Subject to section 475.61, subdivision 3, in the case of general obligation bonds, taxes shall be levied pursuant to section 475.61 and appropriated to the debt service fund in the amounts needed, together with estimated investment income of the debt service fund and any other revenues available upon discharge of the obligations refunded, to pay when due the principal of and interest on the refunding obligations. The levy so imposed may be reduced by earnings to be received from investments on hand in the debt service fund to the extent the applicable recording officer certifies to the county auditor that the earnings are expected to be received in amounts and at such times as to be sufficient, together with the remaining levy, to satisfy the purpose of the levy requirements under section 475.61.

Sec. 12. [EXCEPTION; PARKING FACILITIES.]

Notwithstanding Minnesota Statutes, section 469.068, the Bloomington port authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, or adjacent and integrally related to, a development and financed with the proceeds of tax increment or revenue bonds.

Skoglund and Pauly moved to amend S. F. No. 1963, as amended, as follows:

Page 19, after line 29, insert:

"Sec. 13. [COUNTIES AND CITIES; PAY EQUITY COMPLIANCE.]

Subdivision 1. [1988 REPORT.] A home rule charter or statutory city or county, referred to in this section as a "governmental subdivision," that employs ten or more people and that did not submit a report according to Minnesota Statutes, section 471.998, shall submit the report by October 1, 1988, to the commissioner of employee relations.

The plan for implementing equitable compensation for the employees must provide for complete implementation not later than December 31, 1991, unless a later date has been approved by the commissioner. If a report was filed before October 1, 1987, and had an implementation date after December 31, 1991, the date in the report shall be approved by the commissioner. The plan need not contain a market study.

Subd. 2. [PENALTY FOR NONCOMPLIANCE.] Notwithstanding Minnesota Statutes, sections 275.50 to 275.56, for taxes levied in 1988, payable in 1989 only, a governmental subdivision that does not submit the report required in subdivision 1 shall be subject to the levy limits provided in subdivisions 3 to 5.

Subd. 3. [CITIES.] For a home rule charter or statutory city, the levy limit base for taxes payable in 1989 is the sum of (1) the city's total levy for taxes payable in 1988, excluding the amount levied in that year for debt service and the amount for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); and (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the home rule charter or statutory city multiplied by 103 percent is the city's levy limit base for taxes payable in 1989. The payable 1989 levy limitation for the city shall be equal to the levy limit base determined under this section reduced by the aids for 1989 enumerated in Minnesota Statutes, section 275.51, subdivision 3i.

Subd. 4. [COUNTIES.] For a county, the levy limit base for taxes payable in 1989 is the sum of (1) the county's total levy for taxes payable in 1988, excluding the amount levied in that year for (i) debt service; (ii) levied for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); (iii) income maintenance programs except for the administrative costs associated with those programs; and (iv) social services programs, including the administrative costs associated with those programs, plus (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the county multiplied by 103 percent is the county's levy limit base for taxes payable in 1989. The payable 1989 levy limitation for the county shall be equal to the levy limit base determined under this section reduced by the aids for 1989 enumerated in section 275.51, subdivision 3i.

Subd. 5. [EXCEPTIONS.] For taxes payable in 1989, the amounts levied for the following costs are not subject to the limitation under subdivision 3 or 4:

- (1) levies for debt service;
- (2) levies for unfunded accrued pension liabilities as specified in Minnesota Statutes, section 275.50, subdivision 5, clause (o);
- (3) levies for income maintenance programs, net of any aid payments received under Minnesota Statutes, section 273.1397, and excluding the administrative costs associated with those programs; and
- (4) levies for social service programs including the administrative costs associated with those programs.

The amount levied by the county for taxes payable in 1989 to pay the costs of programs described in clauses (3) and (4) of this subdivision shall be subject to the percentage limitations provided in Minnesota Statutes, section 275.50, subdivision 5, clause (d).

Subd. 6. [PENALTY FOR FAILURE TO IMPLEMENT PLAN.] If the commissioner of employee relations finds, after notice and consultation with a governmental subdivision, that it has failed to implement its plan for implementing equitable compensation by December 31, 1991, or the later date approved by the commissioner the aid that would otherwise be payable to that governmental subdivision under Minnesota Statutes, sections 477A.011 to 477A.014 in calendar year 1992 shall be reduced by five percent; provided that the reduction in aid shall apply to the first calendar

year beginning after the date for implementation of the plan of a governmental subdivision for which the commissioner of employee relations has approved an implementation date later than December 31, 1991. The commissioner may waive the penalty upon making a finding that the failure to implement was attributable to circumstances beyond the control of the governmental subdivision or to severe hardship."

“Sec. 13. [PORT AUTHORITY.]

Each of the cities of Cannon Falls and Redwood Falls may, by adoption of an enabling resolution in compliance with the proce-

dural requirements of section 15, establish a port authority commission that, subject to section 14, has the same powers as a port authority established under Minnesota Statutes, section 458.09, or other law, and a housing and redevelopment authority established under Minnesota Statutes, chapter 462, or other law, and is an agency that may administer one or more municipal development districts under Minnesota Statutes, section 472A.10. The port authority commission may exercise any of these powers within industrial development districts or within other property under the jurisdiction of the commission. The port authority commission may enter into agreements with nonprofit organizations or corporations, including, but not limited to, joint venture and limited partnership agreements, in order to carry out its purposes. If a city establishes a port authority commission under this section, the city shall exercise all the powers in dealing with a port authority that are granted to a city by Minnesota Statutes, chapter 458, and all powers in dealing with a housing and redevelopment authority that are granted to a city by Minnesota Statutes, chapter 462, or other law.

Sec. 14. [LIMITATION OF POWERS.]

Subdivision 1. [IN THIS SECTION.] An enabling resolution may impose the limits listed in this section on the actions of the port authority of Cannon Falls or Redwood Falls.

Subd. 2. [NOT USE SPECIFIED POWERS.] An enabling resolution may require that the port authority must not use specified powers contained in Minnesota Statutes, chapters 458 and 462, or that the port authority must not use powers without the prior approval of the city council.

Subd. 3. [TRANSFER RESERVES.] An enabling resolution may require the port authority to transfer a portion of the reserves generated by activities of the port authority that the city council determines is not necessary for the successful operation of the port authority, to the city general fund, to be used for any general purpose of the city. Reserves previously pledged by the port authority must not be transferred.

Subd. 4. [BOND APPROVAL.] An enabling resolution may require that the sale of bonds or obligations other than general obligation tax supported bonds or obligations issued by the port authority be approved by the city council before issuance.

Subd. 5. [BUDGET PROCESS.] An enabling resolution may require that the port authority follow the budget process for city departments as provided by the city and as implemented by the city council and mayor.

Subd. 6. [LEVY APPROVAL.] An enabling resolution may require

that the port authority must not levy a tax for its benefit without approval of the city council.

Subd. 10. [ADMINISTRATION, MANAGEMENT.] An enabling resolution may require that the port authority submit its administrative structure and management practices to the city council for approval.

Subd. 11. [EMPLOYEE APPROVAL.] An enabling resolution may require that the port authority must not employ anyone without the approval of the city council.

Subd. 12. [OTHER LIMITS.] An enabling resolution may impose any other limit or control established by the city council.

Subd. 13. [MODIFICATIONS.] An enabling resolution may be modified at any time, subject to subdivision 16. A modification must be made according to the procedural requirements of section 15.

Subd. 14. [MODIFICATION PROCEDURE.] Each year, within 60 days of the anniversary date of the first adoption of the enabling resolution, the port authority shall submit a report to the city council stating whether and how it wishes the enabling resolution to be modified. Within 30 days of receipt of the recommendation, the city council shall review the enabling resolution, consider the recommendations of the port authority, and make any modification it considers appropriate. A modification must be made according to the procedural requirements of section 15. The petition requirement does not limit the right of the port authority to petition the city council at any time.

Subd. 15. [COUNCIL ACTION CONCLUSIVE.] A determination by the city council that the limits imposed under this section have been complied with by the port authority is conclusive.

Subd. 16. [NOT TO IMPAIR BONDS, CONTRACTS.] Limits imposed under this section must not be applied in a manner that impairs the security of any bonds issued or contracts executed before the limit is imposed. The city council must not modify any limit in effect at the time any bonds or obligations are issued or contracts executed to the detriment of the holder of the bonds or obligations or any contracting party.

Sec. 15. [PROCEDURAL REQUIREMENT.]

(a) The creation of a port authority by the city of Cannon Falls or Redwood Falls must be by written resolution known as the enabling resolution. Before adoption of the enabling resolution, the city council shall conduct a public hearing. The first publication must appear within 30 days before the public hearing.

(b) A modification to the enabling resolution must be by written resolution and must be adopted after notice is given and a public hearing conducted as required for the original adoption of the enabling resolution.

Sec. 16. [GENERAL OBLIGATION BONDS.]

The port authority of Cannon Falls or Redwood Falls must not proceed with the sale of general obligation tax supported bonds until the city council by resolution approves the proposed issuance. The resolution must be published in the official newspaper. If, within 30 days after the publication, a petition signed by voters equal in number to ten percent of the number of voters at the last regular city election is filed with the city clerk, the city and port authority must not issue the general obligation tax supported bonds until the proposition has been approved by a majority of the votes cast on the question at a regular or special election.

Sec. 17. [NAME.]

The city of Cannon Falls or Redwood Falls may choose the name of its port authority commission.

Sec. 18. [REMOVAL OF COMMISSIONERS FOR CAUSE.]

A commissioner of the port authority of Cannon Falls or Redwood Falls may be removed by the city council for inefficiency, neglect of duty, or misconduct in office. A commissioner may be removed only after a hearing. A copy of the charges must be given to the commissioner at least ten days before the hearing. The commis-

sioner must be given an opportunity to be heard in person or by counsel at the hearing. After the charges have been submitted to a commissioner, the city council may temporarily suspend the commissioner. If the city council finds that the charges have not been substantiated, the commissioner shall be immediately reinstated. If a commissioner is removed, a record of the proceedings, together with the charges and findings, must be filed in the office of the city clerk."

(4) provide criteria that the board will use in determining pipeline routes, which must include the existence of populated areas, consideration of local government land use laws including ordinances adopted under section 299J.05, and the impact of the proposed pipeline on the natural environment;

(5) provide a procedure that the board will follow in issuing pipeline routing permits and require the board to issue the permits within nine months after the permit application is received by the board, unless the board extends this deadline for cause;

(6) provide for the payment of fees by persons proposing to construct pipelines to cover the costs of the board in implementing this section;

(7) allow the board to provide exemptions from all or part of the pipeline routing permit application process in emergencies or if the board determines that the proposed pipeline will not have a significant impact on humans or the environment;

(8) require exemption determinations to be made within 90 days after an application; and

(9) require that a person who has constructed a pipeline, to the extent possible, restore the area affected by the pipeline to the natural conditions that existed immediately before construction of the pipeline, provided that this restoration is compatible with the safe operation, maintenance, and inspection of the pipeline.

(c) The rules do not apply to temporary use of a route for purposes other than installation of a pipeline, to securing survey or geological data, to repair or replacement of an existing pipeline within the existing right-of-way, or to minor relocation of less than three-quarters of a mile of an existing pipeline. The rules do not apply to construction of new pipeline in a right-of-way in which pipeline has been constructed before July 1, 1988, or in a right-of-way that has been approved by the board after July 1, 1988, except when the board determines that there is a significant chance of an adverse effect on the environment or that there has been a significant change in land use or population density in or near the right-of-way since the first construction of pipeline in the right-of-way, or since the board first approved the right-of-way.

Sec. 15. Minnesota Statutes 1987 Supplement, section 299F.62, is amended to read:

299F.62 [PLAN FOR INSPECTION AND MAINTENANCE; GAS PIPELINES.]

Each person who engages in the transportation of gas or who owns or operates gas pipeline facilities subject to sections 299F.56 to 299F.64 shall file with the commissioner a plan for inspection and maintenance of each such pipeline facility owned or operated by such person, and any changes in such plan, in accordance with the rules prescribed by the commissioner. On finding that such plan is inadequate to achieve safe operation, the commissioner shall, after notice and opportunity for a hearing, require such plan to be revised. The plan required by the commissioner shall be practicable and designed to meet the need for pipeline safety. In determining the adequacy of any such plan, the commissioner shall consider the following:

- (a) relevant available pipeline safety data;
- (b) whether the plan is appropriate for the particular type of pipeline transportation;
- (c) the reasonableness of the plan; and
- (d) the extent to which such plan will contribute to public safety.

Sec. 16. Minnesota Statutes 1987 Supplement, section 299F.63, subdivision 1, is amended to read:

Subdivision 1. Each person who engages in the transportation of gas or who owns or operates gas pipeline facilities shall establish and maintain such records, make such reports, and provide such information as the commissioner may reasonably require to determine whether such person has acted or is acting in compliance with

sections 299F.56 to 299F.64 and the standards established under sections 299F.56 to 299F.64. Each such person shall, upon request of an officer, employee, or agent authorized by the commissioner, permit such officer, employee, or agent to inspect books, papers, records and documents relevant to determining whether such person has acted or is acting in compliance with sections 299F.56 to 299F.64 and the standards established pursuant to sections 299F.56 to 299F.64. For purposes of enforcement of sections 299F.56 to 299F.64, officers, employees, or agents authorized by the commissioner, upon presenting appropriate credentials to the individual in charge, are authorized to enter upon, at reasonable times, gas pipeline facilities, and to inspect, at reasonable times and within reasonable limits and in a reasonable manner, such facilities. Each such inspection shall be commenced and completed with reasonable promptness.

Sec. 17. [299F.631] [INSPECTION FEE.]

Subdivision 1. [ASSESSMENT AND DEPOSIT OF FEE.] From each pipeline operator subject to the intrastate pipeline inspection authority under sections 299F.56 to 299F.64 and section 19, the commissioner shall assess and collect an inspection fee in an amount calculated under subdivisions 2 and 4. The assessment of the inspection fee must be made no fewer than 30 days after the end of the quarter. If an operator does not pay the fee within 60 days after the assessment was mailed, the commissioner may impose a delinquency fee of ten percent of the quarterly inspection fee and interest at the rate of 15 percent per year on the portion of the fee not paid. Fees collected under this section must be credited to the pipeline safety account.

Subd. 2. [CALCULATION OF FEE.] (a) For each quarter that an inspection fee is to be assessed, the commissioner shall calculate the total actual expenses and obligations incurred by the office of pipeline safety in implementing sections 299F.56 to 299F.64 and section 19. The calculation must not include:

- (1) expenses that will be reimbursed by the federal government;
- (2) expenses attributable to follow-up inspections necessitated by the failure of a pipeline facility to comply with safety standards;
- (3) expenses attributable to investigations of specific pipeline facilities;
- (4) expenses attributable to inspections of newly constructed pipelines over 2,000 feet in length;
- (5) expenses attributable to the inspection of facilities carrying liquefied natural gas, and hazardous liquids; and

(6) expenses attributable to the inspection of facilities carrying liquefied petroleum gas, until the commissioner adopts a rule providing for metered billing of these facilities.

(b) The commissioner shall assess each pipeline operator for a pro rata share of the expenses and obligations calculated under paragraph (a), based on the number of meters in service on the preceding December 31.

(c) The expenses and obligations described in paragraph (a), clauses (2), (3), (4), and (5) must be directly charged to the appropriate pipeline operators on a quarterly basis. The expenses and obligations described in paragraph (a), clause (6), must be directly charged to the appropriate pipeline operators on a quarterly basis until the commissioner adopts a rule providing for metered billing of facilities carrying liquefied petroleum gas.

Subd. 3. [EMERGENCY RULES.] The commissioner may adopt emergency rules to implement this section.

Subd. 4. [SUPPORT COSTS.] The commissioner shall calculate the general support costs of the office of pipeline safety for the preceding quarter, and add to the inspection fee calculated under subdivision 2 the share of those costs that is proportionate to the amount of time spent by the office in implementing sections 299F.56 to 299F.64 and section 19 with respect to that pipeline operator.

Sec. 18. Minnesota Statutes 1987 Supplement, section 299F.64, is amended to read:

299F.64 [FEDERAL MONEY.]

The commissioner may accept any and all moneys provided for or made available to this state by the United States of America or any department or agency thereof with respect to prescribing, setting, and enforcing rules and safety standards for the transportation of natural and other gas, and hazardous liquids, by pipelines in accordance with the provisions of federal law and any rules or regulations promulgated thereunder and the commissioner is further authorized to do any and all things, not contrary to the laws of this state, required of this state by such federal law and the rules and regulations promulgated thereunder in order to obtain such federal money.

Sec. 19. [299F.641] [INTRASTATE HAZARDOUS LIQUID PIPELINES.]

Subdivision 1. [JURISDICTION.] The commissioner has regulatory jurisdiction over the safety standards and practices of in-

trastate hazardous liquid pipeline facilities and the transportation of hazardous liquids associated with those facilities.

Subd. 2. [FEDERAL STANDARDS ADOPTED.] The federal safety standards adopted as Code of Federal Regulations, title 49, part 195, are adopted. The commissioner may adopt additional or more stringent safety standards for intrastate pipeline facilities and the transportation of hazardous liquids associated with those facilities, if the state standards are compatible with the federal standards. The standards may not prescribe the location or routing of a pipeline facility.

Subd. 3. [ENFORCEMENT.] The commissioner must establish and implement an inspection program to enforce the standards adopted under subdivision 2. The program must be established and implemented in a manner that fully complies with requirements for state certification under United States Code, title 49, section 2004.

Subd. 4. [PROTECTION OF PIPELINE FACILITIES.] The commissioner must encourage and promote programs designed to prevent damage to hazardous liquid pipeline facilities as a consequence of demolition, excavation, tunneling, or construction activity.

Subd. 5. [INVESTIGATIONS; RECORD KEEPING.] (a) The commissioner may, to the extent necessary to carry out the enforcement responsibilities of this section, conduct investigations, make reports, issue subpoenas, conduct hearings, require the production of relevant documents and records, take depositions, and conduct research, testing, development, demonstration, and training activities.

(b) The commissioner may require each person who engages in the transportation of hazardous liquids or who owns or operates pipeline facilities to establish and maintain records, and to make reports and provide information to the commissioner. The records and other information must be made available as the commissioner orders to enable the commissioner to determine whether the person has acted or is acting in compliance with this section and the standards or orders adopted under this section.

(c) Officers, employees, or agents authorized by the commissioner, on presenting appropriate credentials to the person in charge, may enter upon, inspect, and examine, at reasonable times and in a reasonable manner, the records and properties of persons to the extent the records and properties are relevant to determine whether the persons have acted or are acting in compliance with this section and the standards adopted under this section.

(d) An accident report made by an officer, employee, or agent of the office of pipeline safety is available for use in any civil, criminal, or other judicial proceeding arising out of the accident. The officer, employee, or agent may be required to testify in the proceedings as

to the facts developed in the investigation. A report made available to the public need not identify individuals. All reports on research projects, demonstration projects, and other related activities are public information.

(e) All information reported to or obtained by the commissioner under this subdivision that contains or relates to a trade secret referred to in United States Code, title 18, section 1905, is confidential for the purpose of that section, except that the information may be disclosed to other officers or employees concerned with enforcing this section. Nothing in this section authorizes the withholding of information by the commissioner from a duly authorized committee of the legislature.

Subd. 6. [INSPECTION AND MAINTENANCE PLAN.] (a) Each person who engages in the transportation of hazardous liquids or who owns or operates hazardous liquid pipeline facilities must prepare, maintain, and carry out a current written plan for inspection and maintenance of each facility used in that transportation and owned or operated by that person as prescribed by the commissioner. The commissioner may, by regulation, also require persons who engage in the transportation of hazardous liquids or who own or operate pipeline facilities subject to this section to file the plans for approval. A plan required by this subdivision must be practicable, designed to meet the need for pipeline safety, and available to the commissioner on request. The plan must enhance the commissioner's ability to discover a condition that causes a significant change or restriction in the operation of the pipeline facilities or constitutes a hazard to life or property.

(b) If the commissioner finds that a plan required under this subdivision is inadequate to achieve safe operation of pipeline facilities, the commissioner may, after notice and opportunity for a hearing, require the plan to be revised. In determining the adequacy of a plan filed under this section, the commissioner shall consider:

(1) relevant available pipeline safety data;

(2) whether the plan is appropriate for the particular type of pipeline transportation or facility;

(3) the reasonableness of the plan; and

(4) the extent to which the plan will contribute to public safety.

Subd. 7. [ANNUAL CERTIFICATION REPORT.] The commissioner must file an annual certification report with the secretary of the federal Department of Transportation. The report must include:

(1) the name and address of each person subject to the safety jurisdiction of the commissioner under this section;

(2) all accidents or incidents reported during the preceding 12 months by each person that involved personal injury requiring hospitalization, fatality, or property damage exceeding \$5,000 (whether or not sustained by a person subject to the safety jurisdiction of the office), and all other significant accidents, together with a summary of the commissioner's investigation as to the cause and circumstances surrounding the accident or incident;

(3) the record maintenance, reporting, and inspection program carried out by the commissioner to enforce compliance with the federal safety standards, including a detailed description of the number of inspections made of pipeline facilities during the preceding 12 months; and

(4) other information as the commissioner or federal law or rule may require.

The report included with the first annual certification need not show information unavailable at that time.

Subd. 8. [CIVIL RELIEF] The safety standards adopted under this section may be enforced as is provided for gas pipeline facilities under sections 299F.60 and 299F.61, and penalties collected must be paid to the commissioner for deposit in the state treasury and credit to the pipeline safety account.

Sec. 20. Minnesota Statutes 1987 Supplement, section 299J.12, subdivision 2, is amended to read:

Subd. 2. [CALCULATION OF FEE.] Fees for pipelines governed by section 299F.63, subdivision 4, must be established as provided in the rules adopted under that section. For other interstate pipelines subject to the inspection authority granted under sections 299J.01 to 299J.11, for each calendar year that an inspection fee is to be assessed, the commissioner shall calculate the total number of miles of pipeline to be inspected, the total cost of inspection, and the percentage of the total miles to be inspected that are or will be operated by each pipeline operator. Each pipeline operator must be assessed a portion of the total inspection costs equal to the percentage of the total miles of pipeline to be operated by the pipeline operator, but the total fee may not exceed \$5 for each mile of the operator's pipeline.

Sec. 21. [HAZARDOUS MATERIALS RESPONSE TEAMS; STUDY.]

The commissioner of the department of public safety shall conduct

a study to determine the need for hazardous materials response teams, training standards for and equipment needs of such teams, and potential implementation of teams including locating, directing and coordinating them. The study must take into account the hazardous materials response and reporting requirements of the Superfund Amendments and Reauthorization Act, Public Law Number 99-499, 100 Stat. 1613 (1986). The commissioner shall report the results of the study to the committee on regulated industries and the committee on environment and natural resources in the house of representatives and the committee on public utilities and energy and the committee on environment and natural resources in the senate by December 31, 1988.

Sec. 22. [APPROPRIATION.]

The unexpended balance of funds appropriated to the commissioner of public safety by Laws 1987, chapter 353, section 41, for fiscal year 1988 does not cancel but is available for fiscal year 1989.

Sec. 23. [REPEALER.]

Minnesota Statutes 1987 Supplement, section 299F.63, subdivision 4, is repealed.

Sec. 24. [EFFECTIVE DATE.]

Section 6 is effective July 1, 1989, with respect to the extension of the jurisdiction of the commissioner of public safety to intrastate liquefied petroleum gas facilities and the transportation of liquefied petroleum gas associated with these facilities. Section 23 is effective January 1, 1989."

Sec. 3. Minnesota Statutes 1986, section 173.085, is amended to read:

173.085 [STAR CITY SIGNS.]

Subdivision 1. [AUTHORITY TO ERECT.] (a) A county or lesser populated statutory or home rule charter city of Minnesota that has received instruction and expertise from the department of energy and economic development on attracting and retaining businesses for the county or city and subsequently has been designated and annually recertified as a star county or star city for economic development by that department may erect star county or star city signs upon payment of a fee required under section 173.13, subdivision 4, to the department of transportation. In the case of star cities, one sign may be erected at each approach to the city within the right-of-way of an interstate or other highway that passes inside the city limits. In the case of star counties, one sign may be erected within the right-of-way of an interstate or other highway at or near the point where the highway enters the county.

(b) Notwithstanding the provisions of paragraph (a), a lesser populated statutory or home rule charter city that has an official sign in an adjacent area of an approach of an interstate highway passing through or near the city as of August 1, 1985 may replace that sign with a star city sign upon payment of a fee required under section 173.13, subdivision 4, to the department of transportation. A county that has an official sign on the right-of-way or adjacent area of an interstate highway at the point where the highway enters the county may replace that sign with a star county sign on payment of a fee required under section 173.13, subdivision 4, to the department of transportation.

Subd. 2. [SIGN STANDARDS.] The department of transportation shall design and manufacture the star county and star city sign signs to specifications not contrary to other federal and state

Any such payments to the county treasurer shall be disbursed by the treasurer on the same basis as real estate taxes are divided among the various governmental units, but if such port authority shall have received funds from the state of Minnesota and funds from any city and county pursuant to Laws 1957, chapters 648, 831 and 849 and acts amendatory thereof, then such disbursement by the county treasurer shall be on the same basis as real estate taxes are divided among the various governmental units, except that the portion of such payments which would otherwise go to other taxing units shall be divided equally among the state of Minnesota and said county and city.

Sec. 5. Minnesota Statutes 1987 Supplement, section 272.121, is amended to read:

This certification is in addition to the certification for delinquent tax required by section 272.12.

Subd. 2. [EXCEPTIONS.] No certification of current tax paid is required when the parcel is being conveyed to a governmental body or for any sheriff's or referee's certificate of sale or other instrument if a certification of delinquent tax for the instrument is not required under section 272.12. For purposes of this section, "governmental

The applicant shall provide the commissioner with a copy of the agreement, which must state the circumstances under which the mortgage banker or financial institution shall be obligated to fund closings or purchase loans from the applicant. The licensee shall notify the commissioner of any modifications to the agreement.

Subd. 4. [EXPERIENCE.] An applicant for a mortgage banker license shall have at least one corporate officer with two years of

The application for a loan officer and individual mortgage broker license must set forth: (1) the name and address of the applicant; and (2) other information concerning the financial responsibility, background, experience, and activities of the applicant as the commissioner requires.

Sec. 7. [57.06] [FEES.]

An application must be accompanied by the payment of the following fees:

Subd. 2. [EXAMINATION FREQUENCY.] The commissioner shall not be required to hold examinations more frequently than once every 120 days. The examination may be held more frequently upon demand and as the commissioner considers reasonable.

Subd. 3. [INSTRUCTION; NEW LICENSES.] (a) An applicant for a loan officer and individual mortgage broker license shall be required to successfully complete a course of study in the mortgage banking field consisting of 45 hours of instruction approved by the commissioner before taking the examination specified in subdivision 1. A loan officer and individual mortgage broker shall, within one year of licensure, be required to successfully complete an additional course of study in the mortgage lending field consisting of 45 hours of instruction approved by the commissioner.

(b) A person applying for a loan officer or individual mortgage broker license on or before October 1, 1989, who was employed by a mortgage banker or general mortgage broker on or before February 1, 1988, in a capacity that would require a loan officer license or individual mortgage broker license, shall not be required to satisfy the educational requirements of paragraph (a). If the person applying for a license fails the examination, the person is unlicensed. The commissioner may allow the person to continue to conduct business for 60 days from the date of the examination. If during the 60-day period the person reapplies for a license and passes the examination, the person may be licensed upon payment of the license fee.

(c) The commissioner may approve courses of study offered in educational institutions of higher learning in this state, including degree programs, or courses of study developed by and offered under the auspices of national or state trade associations or private schools. The commissioner shall not approve any course offered by, sponsored by, or affiliated with any person or company otherwise licensed by the commissioner.

(d) The commissioner may waive the educational requirements of paragraph (a) for a person applying for a loan officer or individual mortgage broker license who can demonstrate proficiency in mortgage banking.

Subd. 4. [CONTINUING EDUCATION.] (a) All loan officers and individual mortgage brokers shall be required to successfully complete 15 hours of education each renewal year, either as a student or a lecturer, in courses of study approved by the commissioner.

(b) A person applying for a loan officer or individual mortgage broker license who was not employed by a mortgage banker or

general mortgage broker on or before February 1, 1988, is not required to satisfy the educational requirements of paragraph (a) until the second year after licensure.

Sec. 9. [57.08] [LICENSE DURATION; TRANSFER RESTRICTIONS.]

(a) Every license is issued annually under this chapter and expires on September 30 next following its issuance.

(b) A loan officer or individual mortgage broker shall be licensed to act on behalf of a licensed mortgage banker or general mortgage broker respectively and may not be licensed to act on behalf of more than one mortgage banker or general mortgage broker in this state during the same period of time.

The commissioner shall establish the procedure for the transfer of a mortgage banker or general mortgage broker license because of a merger or acquisition.

(c) When an individual mortgage broker or loan officer terminates activity on behalf of a general mortgage broker or mortgage banker in order to begin association immediately with another general mortgage broker or mortgage banker, the commissioner shall automatically transfer that person's license. The transfer is effective either upon the mailing of the required fee and the executed documents by mail or upon personal delivery of the fee and documents to the commissioner's office.

(d) A person who becomes unlicensed for reasons other than a revocation or suspension of a license may have the license reinstated without complying with the educational requirements of section 8, subdivision 3, if the person has been unlicensed for less than 24 months and reports 15 hours of continuing education credit for each year.

Sec. 10. [57.09] [RENEWALS.]

(a) Persons whose renewal applications have been properly and timely filed and who have not received notice of denial or a renewed license may continue to transact business whether or not the renewed license has been received on or before October 1. Application for renewal of a license is considered to have been timely filed if received by the commissioner, or mailed with proper postage and postmarked, by September 15 in each year. Applications for renewal are considered properly filed if made upon forms duly executed and containing information the commissioner requires.

(b) The commissioner may require a licensee to file an annual report with the commissioner that sets forth the information and is

in the form the commissioner requires regarding the business conducted by the licensee during the preceding calendar year.

Sec. 11. [57.10] [RETENTION OF BOOKS, ACCOUNTS, AND RECORDS.]

(a) Any person, whether or not licensed under this chapter, while making or brokering a loan or administering an escrow account shall maintain in its offices any books, accounts, and records the commissioner reasonably requires in order to determine whether the person is in compliance with this chapter and the rules adopted under it. The books, accounts, and records must be maintained separately from other business in which the mortgage banker, general mortgage broker, or escrow administrator is involved.

(b) Any person, whether or not licensed under this chapter, while making a mortgage loan shall retain for at least two years after settlement on a mortgage loan, copies of the note, settlement statement, truth-in-lending disclosure, and other papers or records relating to the loan as may be required by rule. Any person, whether or not licensed under this chapter, while brokering a mortgage loan shall retain for at least two years after a mortgage loan is made the original contract for the individual mortgage broker's compensation, a copy of the settlement statement, and an account of fees received in connection with the loan, and other papers or records as may be required by rule.

Sec. 12. [57.12] [PROHIBITED PRACTICES.]

Subdivision 1. [GENERALLY.] No person, whether or not licensed under this chapter, while making or brokering a mortgage loan or administering an escrow account shall:

If the mortgage banker or escrow administrator fails to make or causes a failure to make the payments by the due date, that person is liable to the mortgagor for actual damages caused by the failure to pay the amounts when due. In addition, that person is liable for \$500 per occurrence if the failure to make, or the action causing the failure to make, the payments by the due date was due to the mortgage banker's or escrow administrator's failure to exercise reasonable care;

(22) upon receipt of an application for a mortgage loan, fail to provide to the borrower an itemized list of the fees the borrower must pay at the time of application, and a statement of which fees will or will not be refunded if the application is withdrawn or denied. If there is more than one borrower, the information may be provided to one of them; or

(23) refuse to honor a provision of a written real estate purchase agreement between a borrower and a seller relating to which party to the purchase agreement may execute a written interest rate or discount point agreement. The acceptance, whether by the borrower or the seller, must be in writing pursuant to section 47.206, subdivision 3.

Subd. 2. [GENERAL OR INDIVIDUAL MORTGAGE BROKERS.] No person, whether or not licensed under this chapter, while brokering a mortgage loan shall:

(1) except for documented out-of-pocket expenses paid or to be paid to third parties and which are necessary to obtain a loan commitment, receive compensation from a borrower until a written commitment to make a mortgage loan is given to the borrower by a mortgage banker or loan officer;

(4) receive compensation from the borrower other than that specified in a written agreement signed by the borrower; or

(5) receive compensation from the borrower for acting as a general mortgage broker or individual mortgage broker without first entering into a written contract with the borrower that:

(i) identifies the trust account into which the fees or consideration will be deposited;

(ii) sets forth the circumstances under which the general and individual mortgage broker will be entitled to disbursement from the trust account;

(iii) sets forth the circumstances under which the borrower will be entitled to a refund of all or part of the fee;

(v) states the maximum rate of interest to be charged on any loan obtained;

(vi) discloses, with respect to the 12-month period ending ten business days prior to the date of the contract in question, the percentage of the general mortgage broker's customers for whom loans have actually been funded as a result of the mortgage broker's services (this disclosure need not be made for any period before the effective date of this statute); and

(vii) discloses the cancellation rights and procedures in section 13.

Subd. 3. [PENALTIES.] Notwithstanding section 8.31, no borrower shall have a cause of action against any person violating the provisions of this section.

Sec. 13. [57.13] [CANCELLATION.]

A customer of a general or individual mortgage broker who pays a fee before the time the loan is actually funded has an unconditioned right to rescind the contract for mortgage brokerage services at any time until midnight of the third business day after the day on which the contract is signed. Cancellation is evidenced by the customer giving written notice of cancellation to the general mortgage broker at the address stated in the contract. Notice of cancellation, if given by mail, is effective upon deposit in a mailbox properly addressed to the general mortgage broker with postage prepaid. Notice of cancellation need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the customer not to be bound by the contract. No act of a customer of a general or individual mortgage broker is effective to waive the right to rescind as provided in this section.

Sec. 14. [57.14] [DENIAL, SUSPENSION, OR REVOCATION OF LICENSE.]

In addition to the powers granted in section 45.027, subdivision 7, the commissioner may deny, suspend, or revoke any mortgage

banker's, general mortgage broker's, loan officer's, or individual mortgage broker's license issued under this chapter for:

(1) conviction of a felony or misdemeanor involving fraud, misrepresentation, or deceit;

(2) entry of a judgment against the mortgage banker, loan officer, general mortgage broker, or individual mortgage broker involving fraud, misrepresentation, or deceit;

(3) entry of a federal or state administrative order against the mortgage banker, loan officer, general mortgage broker, or individual mortgage broker for violation of any law or any regulation applicable to the conduct of the licensed business.

For the purposes of this section and section 45.027, acts of an officer, employee, director, partner, or principal stockholder are considered to be acts of the mortgage banker or mortgage broker.

Sec. 15. [57.15] [RIGHT TO USE THE TERM MORTGAGE BANKER OR GENERAL MORTGAGE BROKER.]

Subdivision 1. [RESTRICTION.] No persons making or brokering a mortgage loan or administering an escrow account, including persons exempt from the licensing requirements of this chapter, may advertise or represent themselves to be a mortgage banker or general mortgage broker unless licensed as provided in this chapter or unless the person elects licensure for employees who perform the functions defined in section 3, subdivisions 8 and 10, pursuant to section 16.

Subd. 2. [PENALTY.] A person who willfully violates this section is guilty of a misdemeanor and may be fined not more than \$700 or imprisoned not more than 90 days, or both. Each act in violation of this section constitutes a separate offense and a prosecution or conviction for any violation of this section does not bar prosecution or conviction for another violation under this section.

Sec. 16. [57.16] [RIGHT OF FINANCIAL INSTITUTION TO ELECT LOAN OFFICER AND INDIVIDUAL MORTGAGE BROKER LICENSURE.]

(a) Notwithstanding the exemption provided in section 4, an exempt financial institution may elect licensing for its employees if each employee who performs the functions defined in section 3, subdivisions 8 and 10 holds a loan officer or individual mortgage broker license. Employees of exempt institutions who hold a loan officer's or individual mortgage broker's license shall comply with the requirements of this chapter as if they were licensed to a mortgage banker or general mortgage broker.

(b) A financial institution that elects licensing for its employees does not forfeit its right to the exemption provided in section 4 by virtue of the election.

Sec. 17. [57.17] [MORTGAGE BANKER AND GENERAL MORTGAGE BROKER; REPORT OF VIOLATIONS TO COMMISSIONER.]

A person, whether or not licensed under this chapter, while making or brokering a mortgage loan or administering an escrow account shall report a violation of this chapter by an employee to the commissioner. The report shall be made within a reasonable time after that person has knowledge of the violation. The commissioner shall prescribe the manner and form of the report. The making of a report of a violation to the commissioner shall not provide grounds for any action for libel, slander, or defamation by an employee against an employer, unless the employer knows that the report is false or acts with reckless disregard for the truth or falsity of the report.

A person who fails to report a violation is guilty of a misdemeanor and may be fined not more than \$700 or imprisoned not more than 90 days, or both. Each act in violation of this section constitutes a separate offense and a prosecution or conviction for any violation of this section does not bar prosecution or conviction for another violation under this section.

Sec. 18. [57.18] [RULES.]

The commissioner may adopt rules the commissioner considers appropriate to administer this chapter.

The program shall include: (1) compulsory preservice training for child protection workers; and (2) early inservice training for child protection workers that includes work-site observation and evaluation, and demonstrated application of skills and knowledge. This training shall be made available throughout the state at reasonable intervals. The training shall be coordinated with ongoing inservice child protection worker training, but shall not include that training.

The intermediaries may be paid or may be volunteers, but shall function independently of the county human services agency, the county attorney's office, local law enforcement agencies, and the public defender's office.

By January 1, 1991, a county participating in the program must report to the legislature the interim results of its pilot program. The county must submit a final report of the results of the program to the legislature by January 1, 1993.

Subd. 3. [APPOINTMENT BY COURT.] In a county with a pilot program established under subdivision 2, a child intermediary may be appointed by the district court at the time a criminal charge is filed alleging child abuse against a child by an adult who has a significant relationship with that child. In making the appointment, the court shall consider the person's background in and familiarity with the judicial process, social service programs, and child abuse. If a guardian ad litem or other representative has been appointed to represent the child in concurrent judicial proceedings, the district court shall appoint the same individual to be the child intermediary if possible and if qualifications are met. The court must not appoint as a child intermediary a person who is likely to be a witness in any proceeding associated with the alleged child abuse.

(2) make motions or objections to motions and petition the court for the appointment of an attorney for the intermediary if necessary to adequately protect the best interests of the child.

The intermediary may not introduce evidence or examine or cross-examine witnesses in the presence of the jury.

Subd. 6. [WITNESS PRIVILEGE.] Notwithstanding section 595.02, subdivision 1, child intermediaries appointed in child abuse cases under this section may not be compelled to testify in any court action or proceeding about any opinion or information received from or about the child victim in the course of serving as an intermediary.

"Section 1. Laws 1980, chapter 595, section 3, subdivision 1, as amended by Laws 1985, chapter 194, section 29, is amended to read:

Subdivision 1. Notwithstanding any contrary law or provision of the Minneapolis city charter, the city council may exercise the powers presently, or hereafter granted to a governmental agency or subdivision by Minnesota Statutes, Chapters 458 and 462 sections 469.001 to 469.068 except the power to operate and maintain public housing as provided in Minnesota Statutes, Chapter 462. The city council shall not exercise the powers contained in Minnesota Statutes, Chapter 462 sections 469.001 to 469.047 prior to the initial adoption of an ordinance provided for in section 2, subdivision 1, or this subdivision. Notwithstanding any contrary law or provision of the Minneapolis city charter, the agency or the Minneapolis housing and redevelopment authority or the Minneapolis industrial development commission may after approval by the city council by ordinance exercise any of the powers presently or hereafter granted to a governmental subdivision by Minnesota Statutes, Chapters 458, 462, 472, 472A, and 474 sections 469.001 to 469.068, 469.109 to 469.134, and 469.152 to 469.165. The city council or the agency or the Minneapolis housing and redevelopment authority or the Minneapolis industrial development commission may exercise the powers granted by this subdivision and any other development or redevelopment powers authorized by other laws, independently or in conjunction with each other as though all of the powers had been granted to a single entity, provided, however, that any project undertaken pursuant to authority granted by Minnesota Statutes, Chapter 458, 462, 472, 472A, sections 3 to 7, or 474 sections 469.001 to 469.068, 469.109 to 469.134, 469.136 to 469.140, and 469.152 to 469.165 is subject to all of the limitations contained within that chapter those sections.

Sec. 2. Laws 1980, chapter 595, section 3, subdivision 3, is amended to read:

Subd. 3. The city council may, upon the request of the department, levy a general ad valorem tax for any purpose for which a housing and redevelopment authority pursuant to Minnesota Statutes, Chapter 462 sections 469.001 to 469.047 may levy an ad valorem tax. The agency may levy a general ad valorem tax upon all taxable property in the city of Minneapolis for any economic development, housing, or redevelopment purpose for which the city council may levy a tax, or for which a housing and redevelopment authority pursuant to Minnesota Statutes, Chapter 462 sections 469.001 to 469.047 may levy a tax. The levy of this tax shall be in the same manner as for a tax levied by the city council. The tax levied by the agency pursuant to this subdivision shall not exceed three mills levied upon all taxable property in the city of Minneapolis, provided that this limitation shall not apply to any levy for the repayment of bonds or obligations of the agency.

Sec. 3. Laws 1980, chapter 595, section 3, subdivision 6, is amended to read:

Subd. 6. Notwithstanding any contrary law or provision of the Minneapolis city charter, the city council may, by resolution, transfer the control, authority, and operation of any project as defined in Minnesota Statutes, section ~~273.73~~ 469.174, Subdivision 8, or any other program or project authorized by Minnesota Statutes, Chapter 462 sections 469.001 to 469.047, for the purpose of rehabilitation of housing units or for the purpose of providing public housing as provided in Minnesota Statutes, Chapter 462 sections 469.001 to 469.047, located within the city of Minneapolis, from the governmental agency or subdivision which established the project to any other governmental agency or subdivision established in whole or in part for the purpose of economic development housing or redevelopment within the city of Minneapolis, including the city council. The city council may also require acceptance of control, authority, and operation of the project by the governmental entity to which the transfer is intended. The governmental agency or subdivision to which the control, authority, and operation of the project is transferred, may exercise all of the powers and only the powers which the governmental unit which established the project could exercise with respect to the project.

Upon the transfer of a project or program, the receiving agency or body shall covenant and pledge to perform the terms, conditions, and covenants of bond indenture or other agreement executed for the security of any bonds issued by the governmental subdivision which initiated the project or program. The receiving governmental subdivision is granted by this act all powers necessary to perform the terms, conditions, and covenants of any indenture or other agree-

ment executed for the security of bonds on which it shall become obligated by operation of this subdivision.

The powers authorized by this subdivision may be exercised only after either (a) the city council adopts the first ordinance exercising the powers granted pursuant to section 2, subdivision 1, or (b) the city council adopts the first ordinance granting to the Minneapolis housing and redevelopment authority or the Minneapolis industrial development commission powers authorized pursuant to section 3, subdivision 1.

Sec. 4. Laws 1980, chapter 595, section 3, subdivision 7, is amended to read:

Sec. 5. Laws 1980, chapter 595, section 4, is amended to read:

Sec. 4. [LIMITATIONS.] The city council may, by ordinance, impose the following limitations upon the actions of the agency:

(a) That the sale of any or all bonds or obligations issued by the agency be approved before issuance by the city council by resolution.

The city council shall not amend any limitations in effect at the time any bonds or obligations are issued pursuant to this act to the detriment of the holder of the bonds or obligations. A determination by the city council that the limitations imposed pursuant to this section have been complied with by the agency shall be conclusive.

Sec. 6. [SMALL BUSINESS LOANS.]

The city council or the agency may make or guarantee working capital loans in an aggregate principal amount not exceeding \$450,000 outstanding at any time, subject to such terms and conditions as established by ordinance by the city, to expanding small businesses which are located in the city for the purpose of increasing the tax base and providing employment opportunities within the city. As used in this subdivision, the term "small business" has the meaning given it in Minnesota Statutes, section 645.445, subdivision 2. This section expires June 30, 1991.

The provisions of article 2, sections 210A.22 to 210A.33 2 to 7 do not apply to the financing of campaigns for elections subject to the provisions of sections 383B.041 to 383B.058.

ARTICLE 2

Section 1. [211A.01] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in chapter 200 and this section apply to this chapter.

Subd. 2. [BALLOT QUESTION.] "Ballot question" means a proposition placed on the ballot to be voted on by the voters of one or more political subdivisions but not by all the voters of the state.

Subd. 3. [CANDIDATE.] "Candidate" means an individual who seeks nomination or election to a county, municipal, school district, or other political subdivision office. This definition does not include an individual seeking a judicial office. For purposes of sections 1 to 5 and 7, "candidate" also includes a candidate for the United States Senate or House of Representatives.

Subd. 4. [COMMITTEE.] "Committee" means a corporation or association or persons acting together to influence the nomination, election, or defeat of a candidate or to promote or defeat a ballot question. Promoting or defeating a ballot question includes efforts to qualify or prevent a proposition from qualifying for placement on the ballot.

Subd. 5. [CONTRIBUTION.] "Contribution" means anything of monetary value that is given or loaned to a candidate or committee for a political purpose. "Contribution" does not include a service provided without compensation by an individual.

Subd. 6. [DISBURSEMENT.] "Disbursement" means money, property, office, position, or any other thing of value that passes or is directly or indirectly conveyed, given, promised, paid, expended, pledged, contributed, or lent.

Subd. 7. [FILING OFFICER.] "Filing officer" means the officer authorized by law to accept affidavits of candidacy or nominating petitions for an office or the officer authorized by law to place a ballot question on the ballot.

Subd. 8. [POLITICAL PURPOSES.] An act is done for "political purposes" if it is of a nature, done with the intent, or done in a way to influence or tend to influence, directly or indirectly, voting at a primary or an election or if it is done because a person is about to vote, has voted, or has refrained from voting at a primary or an election.

Sec. 2. [211A.02] [FINANCIAL REPORT.]

Subdivision 1. [WHEN AND WHERE FILED BY COMMIT-

TEES.] A committee or a candidate who receives contributions or makes disbursements of more than \$750 in a calendar year shall submit an initial report to the filing officer within 14 days after the candidate or committee receives or makes disbursements of more than \$750 and shall continue to make reports until a final report is filed. The committee or candidate must also file a report by January 31 of each year following the year when the initial report was filed. In addition, in a year when the candidate's name or a ballot question appears on the ballot, the candidate or committee shall file a report:

- (1) ten days before the primary;
- (2) ten days before the general election;
- (3) seven days before a special primary;
- (4) seven days before a special election; and
- (5) 30 days after a special election.

Subd. 2. [INFORMATION REQUIRED.] The report to be filed by a candidate or committee must include:

- (1) the name of the candidate or ballot question;
- (2) the name and address of the person responsible for filing the report;
- (3) the total amount of receipts and expenditures for the period from the last previous report to five days before the current report is due;
- (4) the purpose for each expenditure; and
- (5) the name of any individual or committee that during the year has made one or more contributions that in the aggregate are equal to or greater than \$500.

Subd. 3. [MUNICIPAL CHARTER PROVISIONS AND SPECIAL LAWS SAVED.] The provisions of this section requiring the filing of reports are in addition to the provisions of any municipal charter requiring the filing of reports in connection with a municipal primary, general election, special primary, or special election, but they do not replace special laws providing filing requirements for a municipality.

Subd. 4. [CONGRESSIONAL CANDIDATES.] Candidates for election to the United States House of Representatives or Senate and any political committees raising money and making disbursements exclusively on behalf of any one of those candidates may file copies

of their financial disclosures required by federal law in lieu of the financial statement required by this section.

Sec. 3. [211A.03] [FINAL REPORT.]

A candidate or committee may file a final report when all debts have been settled and all assets in excess of \$100 in the aggregate are disposed of. The final report may be filed at any time and must include the kinds of information contained in the financial statements required by section 2 for the period from the last previous report to the date of the final report.

Sec. 4. [211A.04] [SECRETARY OF STATE'S DUTIES.]

Subdivision 1. [REPORT FORMS.] The secretary of state shall prepare blanks for reports required by section 2. Copies must be furnished through the county auditor or otherwise, as the secretary of state finds expedient, to a committee upon request or to a candidate upon filing for office.

Subd. 2. [DIGEST OF LAWS.] The secretary of state, with the approval of the attorney general, shall prepare and print an easily understandable annotated digest of this chapter. The secretary of state shall distribute the digest in the same manner as the report forms required by subdivision 1.

Sec. 5. [211A.05] [FAILURE TO FILE STATEMENT.]

Subdivision 1. [PENALTY.] A candidate who intentionally fails to file a report required by section 2 is guilty of a misdemeanor. A member of a committee that fails to file a report required by section 2 is guilty of a misdemeanor. An officer who issues a certificate of election to a candidate with knowledge that the candidate's financial statement has not been filed is guilty of a misdemeanor.

Subd. 2. [NOTICE OF FAILURE TO FILE.] If a candidate or committee fails to file a report on the date it is due, the filing officer shall immediately notify the county attorney of the county where the candidate resides or where the committee headquarters is located. The county attorney shall then immediately notify the candidate or committee of the failure to file. If a report is not filed within ten days after the notification is mailed, the county attorney shall proceed under section 8.

Sec. 6. [211A.06] [FAILURE TO KEEP ACCOUNT; PENALTY.]

A treasurer or other individual who receives money for a committee is guilty of a misdemeanor if the individual:

(1) fails to keep a correct account as required by law;

(2) mutilates, defaces, or destroys an account record; or

(3) in the case of a committee, refuses upon request to provide financial information to a candidate; and

(4) does any of these things with the intent to conceal receipts or disbursements, the purpose of receipts or disbursements, or the existence or amount of an unpaid debt or the identity of the person to whom it is owed.

Sec. 7. [211A.07] [BILLS WHEN RENDERED AND PAID.]

A person who has a bill, charge, or claim against a candidate's committee shall render it in writing to the committee within 60 days after the material or service is provided. A bill, charge, or claim that is not presented within 60 days after the material or service is provided must not be paid.

Sec. 8. [211A.08] [COUNTY ATTORNEY INQUIRY.]

A county attorney who is notified of an alleged violation of this chapter shall promptly investigate. If there is probable cause to institute a prosecution, the county attorney shall proceed by complaint or present the charge with whatever evidence has been found to the grand jury. A county attorney who refuses or intentionally fails to faithfully perform this or any other duty imposed by this chapter is guilty of a misdemeanor and upon conviction shall forfeit his or her office. The county attorney, under penalty of forfeiture of office, shall prosecute all violations of this chapter except for a violation of this section; if, however, a complainant desires to withdraw a complaint under this chapter, the county attorney is not required to proceed with prosecution.

Subd. 2. [ASSOCIATE COUNSEL.] Anyone except the person under investigation or the person's agent may employ an attorney to assist the county attorney in the investigation and prosecution of a violation of this chapter. The county attorney and the court shall recognize the attorney as associate counsel for the proceeding. A prosecution, action, or proceeding may not be dismissed without notice to the associate counsel. If the associate counsel objects to the dismissal, the county attorney's reasons for dismissal and the associate counsel's objections must be filed with the court and heard within the time period the court requires.

Sec. 9. [211A.09] [FORFEITURE OF NOMINATION OR OFFICE.]

Subdivision 1. [FORFEITURE REQUIRED.] Except as provided in subdivision 2, if a candidate is convicted of violating a provision of this chapter or if an offense was committed by another individual

with the knowledge, consent, or connivance of the candidate, the court, after entering the adjudication of guilty, shall enter a supplemental judgment declaring that the candidate has forfeited the nomination or office. If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.

Subd. 2. [CIRCUMSTANCES WHERE NOMINATION OR OFFICE NOT FORFEITED.] In a trial for a violation of this chapter, the candidate's nomination or election is not void if the court finds that:

(1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or

(2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith, and that it would be unjust for the candidate to forfeit the nomination or election.

Neither of these findings is a defense to a conviction under this chapter.

Sec. 10. [211A.10] [DISQUALIFIED INDIVIDUALS NOT TO HOLD VARIOUS POSITIONS.]

A candidate whose election to office has been set aside for a violation of this chapter may not be appointed, during the period fixed by law as the term of the office, to fill a vacancy that may occur in the office. A candidate or other individual who is convicted of a violation of this chapter may not be appointed, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in the office. An appointment to an office made contrary to this section is void.

A candidate or other individual who is convicted of a violation of this chapter is not qualified, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in an office for which the legislature may establish qualifications under article XII, section 3, of the Minnesota Constitution.

Sec. 11. [211A.11] [PENALTIES FOR VIOLATIONS.]

A violation of this chapter for which no other penalty is provided is a misdemeanor.

A person or candidate may not knowingly make, directly or indirectly, a false claim stating or implying that a candidate or ballot question has the support or endorsement of a major political party or party unit or of an organization. A person or candidate may not state in written campaign material that the candidate or ballot question has the support or endorsement of an individual without first getting written permission from the individual to do so.

Sec. 3. [211B.021] [USE OF THE TERM REELECT.]

Sec. 6. [211B.05] [FALSE POLITICAL AND CAMPAIGN MATERIAL; PENALTY; EXCEPTIONS.]

Subdivision 1. [GROSS MISDEMEANOR.] A person is guilty of a gross misdemeanor who intentionally participates in the preparation, dissemination, or broadcast of paid political advertising or campaign material with respect to the personal or political character or acts of a candidate, whether or not defamatory, or with respect to the effect of a ballot question, that the person knows or has reason to believe is false and that is designed or tends to elect, injure, or

defeat a candidate for nomination or election to a public office or to promote or defeat a ballot question.

A person is guilty of a misdemeanor who intentionally participates in the drafting of a letter to the editor with respect to the personal or political character or acts of a candidate, if defamatory, or with respect to the effect of a ballot question, that the person knows is false and which is designed or tends to elect, injure, or defeat any candidate for nomination or election to a public office or to promote or defeat a ballot question.

A person may not directly or indirectly use or threaten force, coercion, violence, restraint, damage, harm, loss, including loss of employment or economic reprisal, undue influence, or temporal or spiritual injury against an individual to compel the individual to vote for or against a candidate or ballot question. Abduction, duress, or fraud may not be used to obstruct or prevent the free exercise of the right to vote of a voter at a primary or election, or compel a voter to vote at a primary or election. Violation of this section is a gross misdemeanor.

Sec. 8. [211B.07] [SOLICITATION OF CONTRIBUTIONS PROHIBITED.]

A religious, charitable, or educational organization may not request a candidate or committee to contribute to the organization, to subscribe for the support of a club or organization, to buy tickets to entertainment, or to pay for space in a publication. This section does not apply to:

An employee or official of the state or of a political subdivision may not use official authority or influence to compel a person to apply for membership in or become a member of a political organization, to pay or promise to pay a political contribution, or to take part in political activity. A political subdivision may not impose or enforce additional limitations on the political activities of its employees.

Sec. 10. [211B.09] [INDUCING OR REFRAINING CANDIDACY; TIME OFF FOR PUBLIC OFFICE MEETINGS.]

Subdivision 1. [INDUCING OR REFRAINING FROM CANDIDACY.] A person may not reward or promise to reward another in any manner to induce the person to be or refrain from or cease being a candidate. A person may not solicit or receive a payment, promise, or reward from another for this purpose.

Subd. 2. [TIME OFF FOR PUBLIC OFFICE MEETINGS.] A person elected to a public office must be permitted time off from regular employment to attend meetings required by reason of the public office. The time off may be without pay, with pay, or made up with other hours, as agreed between the employee and employer. When an employee takes time off without pay, the employer shall make an effort to allow the employee to make up the time with other hours when the employee is available. No retaliatory action may be taken by the employer for absences to attend meetings necessitated by reason of the employee's public office.

Sec. 11. [211B.10] [ELECTION DAY PROHIBITIONS.]

Subdivision 1. [SOLICITING NEAR POLLING PLACES.] A person may not display campaign material, post signs, ask, solicit, or in any manner try to induce or persuade a voter within a polling place or within 100 feet of the building in which a polling place is situated on primary or election day to vote for or refrain from voting for a candidate or ballot question. A person may not provide political badges, political buttons, or other political insignia to be worn at or about the polling place on the day of a primary or election. A political badge, political button, or other political insignia may not be worn at or about the polling place on primary or election day.

Subd. 2. [ELECTION DAY CAMPAIGNING.] A person may not broadcast, circulate, or distribute campaign material, or cause campaign material to be broadcast, circulated, or distributed on the day of a primary or election. This subdivision does not modify or repeal section 7.

This section does not prevent a candidate from stating publicly preference for or support of another candidate to be voted for at the same primary or election. Refreshments of food or nonalcoholic beverages of nominal

value consumed on the premises at a private gathering or public meeting are not prohibited under this section.

Subd. 2. [CERTAIN SOLICITATIONS PROHIBITED.] A person may not knowingly solicit, receive, or accept any money, property, or other thing of monetary value, or a promise or pledge of these that is a disbursement prohibited by this section or section 15.

For the purpose of this subdivision, "contribution" includes an expenditure to promote or defeat the election or nomination of a candidate to a political office that is made with the authorization or expressed or implied consent of, or in cooperation or in concert with, or at the request or suggestion of, a candidate or committee established to support or oppose a candidate.

Subd. 3. [INDEPENDENT EXPENDITURES.] A corporation may not make an independent expenditure or offer or agree to make an independent expenditure to promote or defeat the candidacy of an individual for nomination, election, or appointment to a political office. For the purpose of this subdivision, "independent expenditure" means an expenditure that is not made with the authorization or expressed or implied consent of, or in cooperation or concert with, or at the request or suggestion of, a candidate or committee established to support or oppose a candidate.

Subd. 4. [BALLOT QUESTION.] A corporation may make contributions or expenditures to promote or defeat a ballot question, to

qualify a question for placement on the ballot unless otherwise prohibited by law, or to express its views on issues of public concern. A corporation may not take a deduction as provided in section 290.09 for an expenditure made under this subdivision. A corporation may not make a contribution to a candidate for nomination, election, or appointment to a political office or to a committee organized wholly or partly to promote or defeat a candidate.

Subd. 5. [NEWS MEDIA.] This section does not prohibit publication or broadcasting of news items or editorial comments by the news media.

Subd. 6. [PENALTY FOR INDIVIDUALS.] An officer, stockholder, agent, employee, attorney, or other representative of a corporation acting in behalf of the corporation who violates this section may be fined not more than \$20,000 or be imprisoned for not more than five years, or both.

Subd. 7. [PENALTY FOR CORPORATIONS.] A corporation convicted of violating this section is subject to a fine not greater than \$40,000. A convicted domestic corporation may be dissolved as well as fined. If a foreign or nonresident corporation is convicted, in addition to being fined, its right to do business in this state may be declared forfeited.

Subd. 8. [PERMITTED ACTIVITY; POLITICAL PARTY.] It is not a violation of this section for a political party, as defined in section 200.02, subdivision 7, to form a nonprofit corporation for the sole purpose of holding real property to be used exclusively as the party's headquarters.

Subd. 9. [MEDIA PROJECTS.] It is not a violation of this section for a corporation to contribute to or conduct public media projects to encourage individuals to attend precinct caucuses, register, or vote if the projects are not controlled by or operated for the advantage of a candidate, political party, or committee.

Subd. 10. [MEETING FACILITIES.] It is not a violation of this section for a corporation to provide meeting facilities to a committee, political party, or candidate on a nondiscriminatory and nonpreferential basis.

Subd. 11. [MESSAGES ON CORPORATE PREMISES.] It is not a violation of this section for a corporation selling products or services to the public to post on its public premises messages that promote participation in precinct caucuses, voter registration, or elections if the messages are not controlled by or operated for the advantage of a candidate, political party, or committee.

Subd. 12. [REPORTS REQUIRED.] The total amount of an

expenditure or contribution for any one project permitted by subdivisions 9 and 11 that is more than \$200, together with the date, purpose, and the names and addresses of the persons receiving the contribution or expenditures, must be reported to the secretary of state. The reports must be filed on forms provided by the secretary of state on the dates required for committees under article 2, section 2. Failure to file is a misdemeanor.

Subd. 13. [AIDING VIOLATION; PENALTY.] An individual who aids, abets, or advises a violation of this section is guilty of a gross misdemeanor.

Subd. 14. [PROSECUTIONS; VENUE.] Violations of this section may be prosecuted in the county where the payment or contribution was made, where services were rendered, or where money was paid or distributed.

Sec. 16. [211B.15] [COUNTY ATTORNEY INQUIRY; ASSOCIATE COUNSEL.]

Subdivision 1. [COUNTY ATTORNEY INQUIRY.] A county attorney who is notified of an alleged violation of this chapter shall promptly investigate. If there is probable cause for instituting a prosecution, the county attorney shall proceed by complaint or present the charge, with whatever evidence has been found, to the grand jury. A county attorney who refuses or intentionally fails to faithfully perform this or any other duty imposed by this chapter is guilty of a misdemeanor and upon conviction forfeits the office. The county attorney, under the penalty of forfeiture of office, shall prosecute all violations of this chapter except violations of this section. If, however, a complainant withdraws an allegation under this chapter, the county attorney is not required to proceed with prosecution.

Subd. 2. [ASSOCIATE COUNSEL.] Anyone except the person under investigation or the person's agent may employ an attorney to assist the county attorney in the investigation and prosecution of a violation of this chapter. The county attorney and the court shall recognize the attorney as associate counsel for the proceeding. A prosecution, action, or proceeding must not be dismissed without notice to the associate counsel. If the associate counsel objects to the dismissal, the county attorney's reasons for dismissal and the associate counsel's objections must be filed with the court and heard within the time period the court requires.

Sec. 17. [211B.16] [FORFEITURE OF NOMINATION OR OFFICE; CIRCUMSTANCES WHERE NOT FORFEITED.]

Subdivision 1. [FORFEITURE OF NOMINATION OR OFFICE.] Except as provided in subdivision 2, if a candidate is found guilty of violating this chapter or an offense was committed by another

individual with the knowledge, consent, or connivance of the candidate, the court, after entering the adjudication of guilty, shall enter a supplemental judgment declaring that the candidate has forfeited the nomination or office. If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.

Subd. 2. [CIRCUMSTANCES WHERE NOMINATION OR OFFICE NOT FORFEITED.] In a trial for a violation of this chapter, the candidate's nomination or election is not void if the court finds that:

(1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or

(2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith; and the court also finds that it would be unjust for a candidate to forfeit the nomination or election.

None of these findings is a defense to a conviction under this chapter.

Sec. 18. [211B.17] [DISQUALIFIED CANDIDATE NOT TO HOLD VARIOUS POSITIONS.]

A candidate whose election to office has been set aside for a violation of this chapter may not be appointed, during the period fixed by law as the term of the office, to fill a vacancy in that office. A candidate or other individual who is convicted of a violation of this chapter may not be appointed, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy that may occur in the office. An appointment to an office made contrary to the provisions of this section is void.

A violation of this section is a petty misdemeanor.

Subd. 2. [EXCEPTIONS.] Subdivision 1 does not prohibit:

(4) limiting visits by candidates or workers accompanied by the candidate to a reasonable number of persons or reasonable hours;

(5) requiring a prior appointment to gain access to the facility; or

(6) denial of admittance to or expulsion from a multiple unit dwelling for good cause.

Sec. 21. [APPLICABILITY.]

Page 1, after line 7, insert:

"Section 1. Minnesota Statutes 1986, section 473.602, is amended to read:

473.602 [DECLARATION OF PURPOSES.]

It is the purpose of sections 473.601 to 473.679 to:

(1) promote the public welfare and national security; serve public interest, convenience, and necessity; promote air navigation and transportation, international, national, state, and local, in and through this state; promote the efficient, safe, and economical handling of air commerce; assure the inclusion of this state in national and international programs of air transportation; and to those ends to develop the full potentialities of the metropolitan area in this state as an aviation center, and to correlate that area with all aviation facilities in the entire state so as to provide for the most economical and effective use of aeronautic facilities and services in that area;

(2) assure the residents of the metropolitan area of the minimum environmental impact from air navigation and transportation, and to that end provide for noise abatement, control of airport area land use, and other protective measures; and

(3) promote the overall goals of the state's environmental policies and minimize the public's exposure to noise and safety hazards around airports.

To ~~this end~~ achieve these purposes, the corporation shall cooperate with and assist the metropolitan council, the Federal government, the commissioner of transportation of this state, the pollution

control agency, and others engaged in aeronautics or the promotion and regulation of aeronautics and shall seek to coordinate its activities with the aeronautical activities of these bodies.

Sec. 2. [473.614] [ENVIRONMENTAL REVIEW.]

Subdivision 1. [CAPITAL PLAN; ENVIRONMENTAL ASSESSMENTS.] The commission shall prepare an assessment of the environmental effects of projects in the commission's seven-year capital improvement program and plan at each airport owned and operated by the commission. The assessment must examine the cumulative environmental effects at each airport of the projects at that airport, considered collectively. The commission need not prepare an assessment for an airport when the capital improvement program and plan for that airport has not changed from the one adopted the previous year or when the changes in the program and plan will have only trivial environmental effects.

Subd. 2. [CAPITAL PROGRAM; ENVIRONMENTAL ASSESSMENT WORKSHEETS.] (a) The commission shall prepare environmental assessment worksheets under Minnesota Statutes, chapter 116D, and rules issued pursuant thereto, on the environmental effects of projects in the commission's capital improvement program at each airport owned and operated by the commission. The scope of the environmental assessment worksheets required by this section is limited to only those projects in the program for an airport that meet all of the following conditions:

(1) The project is scheduled in the program for the succeeding calendar period.

(2) The project is scheduled in the program for the expenditure of \$5,000,000 or more at Minneapolis-St. Paul International Airport or \$2,000,000 or more at any other airport.

(3) The project involves: (i) the construction of a new or expanded structure for handling passengers, cargo, vehicles, or aircraft; or (ii) the construction of a new or the extension of an existing runway or taxiway.

After adopting its capital program, the commission may amend the program by adding or changing a project without amending or redoing the worksheets required by this subdivision, if the project to be added or the change to be made is one that the commission could not reasonably have foreseen at the time that it completed the worksheets.

(b) For the purpose of determining the need for an environmental impact statement, the commission shall consider the projects included in the scope of a worksheet as a single project and shall assess

their environmental effects collectively and cumulatively. The commission's decision on whether an environmental impact statement is needed must be based on the worksheet and comments. The commission may not base a decision that an environmental impact statement is not needed on exemptions of projects in state or federal rules. The commission is not required to prepare an environmental impact statement on an individual project, or to include a project in the scope of an environmental impact statement that the commission determines is needed, if the project is shown in the worksheet to have trivial environmental effects or if an environmental impact statement on the project has been determined to be adequate under state law.

(c) The commission may incorporate into worksheets information from the commission's long-range plans, environmental assessments prepared under subdivision 1, or other environmental documents prepared on projects under state or federal law.

Subd. 3. [PROCEDURE.] (a) The environmental assessments required under subdivision 1 and the environmental assessment worksheets required under subdivision 2 must be prepared each year before the commission adopts its capital improvement plan and program.

(b) The commission shall hold a public hearing on each environmental assessment and worksheet before adopting the capital improvement plan and program. The commission may consolidate hearings.

(c) The initial environmental assessments and worksheets must be completed before the commission adopts its capital improvement plan and program for calendar years 1989 to 1995, but the initial assessments and worksheets must extend to and incorporate projects under construction in calendar year 1988. A project that is under construction in 1988 may proceed, but the project must be included in the environmental review required by this section as if the project were scheduled for the succeeding calendar year. The commission is not required to prepare an environmental impact statement on an individual project, or to include a project in the scope of an environmental impact statement that the commission determines is needed, if: (1) the project is under construction in 1988, or (2) on the effective date of this act the project is included in the commission's capital program for 1988 and 1989 and an environmental review is under way on the project individually under state or federal law.

Subd. 4. [OTHER ENVIRONMENTAL REVIEW.] Nothing in this section limits the responsibility of the commission or any other governmental unit or agency, under any other law or regulation, to conduct environmental review of any project, decision, or recommendation, except that the environmental assessment worksheets

prepared under subdivision 2 satisfy the requirements under state law or rule for environmental assessment worksheets on individual projects covered by the worksheets prepared under subdivision 2."

Subd. 7. [RECIPROCATING STATE.] “Reciprocating state” is: (1) a state that authorizes the acquisition, directly or indirectly, or control of, banks in that state by a bank or bank holding company located in this state under conditions substantially similar to those imposed by the laws of Minnesota as determined by the commissioner; and (2) limited to the states of Iowa, North Dakota, South Dakota, ~~and Wisconsin,~~ Idaho, Montana, Nebraska, Washington, and Wyoming.

Sec. 2. Minnesota Statutes 1986, section 48.93, subdivision 4, is amended to read:

Subd. 4. [DISAPPROVAL.] The commissioner shall disapprove any proposed acquisition if:

(1) the financial condition of any acquiring person is such as might jeopardize the financial stability of the bank or prejudice the interests of the depositors of the bank;

(2) the competence, experience, integrity of any acquiring person or of any of the proposed management personnel indicates that it would not be in the interest of the depositors of the bank, or in the interest of the public to permit the person to control the bank;

(3) the acquisition will result in undue concentration of resources or substantial lessening of competition in this state;

(4) the application fails to adequately demonstrate that the acquisition proposal would bring net new funds into Minnesota; ~~or~~

(5) the application is incomplete or any acquiring party neglects, fails, or refuses to furnish all the information required by the commissioner;

(6) the bank has failed to meet the requirements set forth in the federal Community Reinvestment Act, and sections 48.97, 48.991, and 48.993; or

(7) the acquisition will result in over 30 percent of Minnesota's total banking deposits being held by banks located in this state owned by a reciprocating state bank holding company. This limitation shall not apply to consideration for approval pursuant to section 48.99, special acquisitions.

Sec. 3. Minnesota Statutes 1986, section 48.95, subdivision 1, is amended to read:

Subdivision 1. [DIVESTITURE; CEASE AND DESIST.] In the event a reciprocating state bank holding company makes an acquisition other than in full compliance with the requirements and procedures of Laws 1986, chapter 339, the commissioner may:

48.991 [DEVELOPMENTAL LOANS.]

A financial institution located in this state ~~owned by an interstate bank holding company~~ shall provide a level of developmental loans as defined by the commissioner by rule. In establishing the developmental loan levels for financial institutions, the commissioner may consider the developmental loan performance of financially stable financial institutions of comparable or smaller size that have above average levels of activity in developmental loans in reciprocating states as defined in section 48.92, subdivision 7. A "developmental loan" includes, but is not limited to, (1) loans for low and moderate income housing, loans to community development corporations, loans to woman and minority owned businesses, student education loans, and alternative energy or energy conservation loans, and (2) loans within distressed areas and on any Indian reservation for any commercial nonreal estate purpose, home loans, home improvement loans, and operating loans to family farmers. The commissioner of commerce shall annually designate distressed areas. A distressed area may be made for a geographic region smaller than a county within the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. The determination of a distressed area should be made on the area's unemployment rate, economic conditions, and credit needs.

Sec. 5. [48.993] [ANNUAL REPORTING OF COMMUNITY RE-INVESTMENT ACTIVITIES BY BANKS.]

Subdivision 1. [INVESTMENT; REPORTING REQUIREMENTS.] Every bank organized under the laws of this state or the United States and doing business in this state as defined by section 48.92, subdivision 6, clause (1), shall fully and accurately disclose in an annual report to the commissioner of commerce the same information required of financial institutions located in this state owned by an interstate bank holding company pursuant to section 48.97, subdivisions 2 to 4, and the rules adopted in connection with sections 48.97 and 48.991.

Subd. 2. [COMPLIANCE BY BANK HOLDING COMPANIES.] Any corporation qualifying as a bank holding company as defined in the Bank Holding Company Act of 1956, as amended, with banking subsidiaries described in subdivision 1, must meet the requirements of this section in the event of noncompliance with this section for any reason by their banking subsidiaries.

(b) Any school board which intends to submit an application for a capital loan shall submit a proposal to the commissioner for review and comment pursuant to section 121.15 by September 1 of any year, and the commissioner shall prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. The state board shall not make a favorable recommendation on an application for a capital loan for any facility unless:

(1) the facility receives a favorable review and comment pursuant to section 121.15; and

(2) the state board determines that

(C) the facilities are comparable in size and quality to facilities recently constructed in other districts of similar enrollment; and

(D) the district's need for the facilities is comparable to needs which comparable districts are meeting through local bond issues.

The state board may recommend that the loan be approved in a reduced amount in order to meet the foregoing criteria. If the state

board recommends that a loan not be approved, the commissioner shall not recommend approval of the loan. If the state board recommends that the loan be approved in a reduced amount, the commissioner shall not recommend approval of a loan larger than that recommended by the state board.

These estimates shall assume no growth in assessed valuation over the term of the loan, shall assume a 16 mill levy, and shall be prepared using a methodology approved by the commissioner of finance. The commissioner of education shall use a discount factor provided by the commissioner of finance in determining the present value of the estimated amount of interest and principal which may be forgiven after the term of the loan.

(d) No loan shall be recommended for approval for any district exceeding an amount computed as follows:

(1) The amount ~~voted~~ requested by the district under subdivision 2;

(2) Plus the aggregate principal amount of general obligation bonds of the district outstanding on the date of approval June 30 of the year following the year the application was received, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less;

(3) Less the maximum net debt permissible for the district on the date of approval on December 1 of the year the application is received, under the limitation in section 475.53, subdivision 4, or 24 percent of the most recent adjusted assessed value available at the time of application, whichever is less; and

(4) Less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4, provided that the loan may be approved in an amount computed as provided in clauses (1) to (3), subject to subsequent reduction in accordance with this clause.

Sec. 38. [161.179] [LOANS FOR RIGHT-OF-WAY ACQUISITION; APPROPRIATION, ACCOUNT.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.

(b) "Acquiring authority" means a town, statutory or home rule charter city, or county, located outside the metropolitan area.

(c) "Homestead property" means a single-family dwelling occupied by the owner, and the surrounding land.

(d) "Metropolitan area" has the meaning given it in section 473.121, subdivision 2.

(e) "Salvage value" means the probable sale price of the dwelling and other property that is severable from the land if offered for sale on the condition that it be removed from the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge of the possible uses of the property, including separate use of serviceable components and scrap when there is no other reasonable prospect of sale.

Subd. 2. [LOANS TO ACQUIRING AUTHORITIES.] The commissioner may make loans to acquiring authorities located outside the metropolitan area for purchasing property within the proposed state trunk highway right-of-way, corridor, or project shown on an official map adopted under section 394.361 or 462.359 or for purchasing property within a proposed principal or intermediate arterial highway right-of-way, corridor, or project designated by the commis-

sioner as a part of the state trunk highway system and approved by the commissioner. The loans must be made by the commissioner from the fund established under subdivision 4, for purchases approved by the commissioner. The loans must bear no interest. The commissioner shall make loans only to (1) avert the imminent conversion or the granting of approvals that would allow the conversion of property to uses that would jeopardize its availability for highway construction, or (2) purchase the property before imminent development or other use of the property would result in a substantial increase in its acquisition cost. The commissioner shall not make a loan for the purchase of property at a price that exceeds the fair market value of the property or that includes the costs of relocating or moving persons or property, except as provided in subdivision 3. A private property owner may elect to receive the purchase price either in a lump sum or in not more than four annual installments without interest on the deferred installments. If the purchase agreement provides for installment payments, the acquiring authority shall make the loan in installments corresponding to those in the purchase agreement. The acquiring authority receiving an acquisition loan shall convey the property to the department for the construction of the highway at the same price that the acquiring authority paid for the property. On notification by the commissioner that the plan to construct the highway has been abandoned or the anticipated location of the highway changed, the acquiring authority shall sell the property at market value in accordance with the procedures required for the disposition of the property. Rents and other money received because of the acquiring authority's ownership of the property and the proceeds from the conveyance or sale of the property must be paid to the commissioner and deposited in the special account in the state treasury established in subdivision 4. Money paid to the commissioner by acquiring authorities receiving loans under this section, and interest on the proceeds and payments, must be deposited in the fund established in subdivision 4. For administration of the loan program the commissioner may expend from the fund each year an amount no greater than three percent of the amount disbursed as loans to acquiring authorities in that year.

Subd. 3. [HARDSHIP ACQUISITION AND RELOCATION.] (a) The commissioner may make hardship loans to acquiring authorities outside the metropolitan area to purchase homestead property located in a proposed state trunk highway right-of-way or project, and to provide relocation assistance. Acquiring authorities are authorized to accept the loans and to acquire the property. Except as provided in this subdivision, the loans must be made as provided in subdivision 2. Loans must be in the amount of the appraised fair market value of the homestead property plus relocation costs and less salvage value. Before construction of the highway begins, the acquiring authority shall convey the property to the commissioner of transportation at the same price it paid, plus relocation costs and less its salvage value. Acquisition and assistance under this subdivision must conform to sections 117.50 to 117.56.

(b) The commissioner may make hardship loans only when:

(1) the owner of affected homestead property requests acquisition and relocation assistance from an acquiring authority;

(2) federal financial participation is not available;

(3) the owner is unable to sell the homestead property at its appraised market value because the property is located in a proposed state trunk highway right-of-way, corridor, or project as indicated on an official map or plat adopted under section 160.085, 394.361, or 462.359;

(4) the appraisal of the fair market value of the homestead property has been approved by the commissioner, who must not unreasonably withhold approval; and

(5) the owner of the homestead property is burdened by circumstances that constitute a hardship, such as catastrophic medical expenses; a transfer of the homestead owner by the owner's employer to a distant site of employment; or inability of the owner to maintain the property due to physical or mental disability or the permanent departure of children from the homestead.

Subd. 4. [APPROPRIATION; SPECIAL ACCOUNT.] Money collected by the commissioner under this section must be deposited in the state treasury and credited to a special account in the trunk highway fund. Money in the account and money transferred under subdivision 5 does not cancel and is annually appropriated to the commissioner to administer and carry out the purposes of this section.

Subd. 5. [FUND TRANSFERS.] On taking title to lands acquired under this section, the commissioner of transportation, with the approval of the commissioner of finance, shall transfer money from the trunk highway fund appropriated for trunk highway development to the special account established under subdivision 4. The amount of money transferred must equal the loan amount made available to acquire the lands under this section.

Guidelines for support for an obligor with a monthly income of \$4001 or more shall be the same dollar amounts as provided for in the guidelines for an obligor with a monthly income of \$4000.

Net Income defined as:

Total monthly income less	*(i)	Federal Income Tax
	*(ii)	State Income Tax
	(iii)	Social Security Deductions
	(iv)	Reasonable Pension Deductions
*Standard Deductions apply- use of tax tables recommended	(v)	Union Dues

(b) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, and resources of the parents, including real and personal property;

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

Any schedule prepared under paragraph (c), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court

makes express findings of fact as to the reason for departure below or above the guidelines.”

CONFERENCE COMMITTEE REPORT ON S. F. NO. 2255

A bill for an act relating to agriculture; extending certain benefits under the family farm security act; amending Minnesota Statutes 1986, section 41.57, subdivision 4.

April 14, 1988

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Robert Vanasek
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 2255, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 2255 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 41.57, subdivision 4, is amended to read:

Subd. 4. [ADDITIONAL PAYMENT; PRINCIPAL REDUCTION.]

(a) The commissioner must annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller sponsored family farm security loan. No payment may be made under this subdivision to a qualified seller, unless the seller agrees to reduce the outstanding principal amount of the loan by three percent effective prior to or beginning for the year in which application is made.

(b) The payment amount must be determined as follows:

(1) In order to qualify for a payment, the seller must apply to the commissioner by October 1, ~~1986~~ following the previous tax year. The application must include a copy of the seller's ~~1985~~ previous tax year state income tax return. The commissioner must recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For any calendar year ~~1986~~ the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.

(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows: (A) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986. (B) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year. (C) The product determined under clause (B) is the payment for the calendar year.

(c) If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b)(2)(A).

(d)(1) (c) If the seller elects to receive payments under this subdivision, the buyer's payments of principal and interest under the loan must be recalculated. The revised payment schedule must

reflect the three percent reduction in the outstanding principal required by paragraph (a) and must provide for equal payments over the remaining term of the loan. The interest rate on the loan may not be increased.

(2) The state's payment adjustment under subdivision 2 and the amount of the payment under paragraph (b) must be calculated on the basis of the outstanding principal amount of the loan before the reduction required by paragraph (a).

(e) (d) The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.

(f) (e) For purposes of this subdivision, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller sponsored loan after April 1, 1978 and before June 28 December 31, 1985, and who is a resident of Minnesota during the calendar year and is subject to the payment of Minnesota income taxes.

Sec. 2. [41.63] [DATA PRIVACY.]

Personal financial information, credit reports, financial statements, tax refund calculations, and net worth statements, received or prepared by the commissioner regarding any family farm security loans, are private data on individuals under chapter 13.

Sec. 3. [EFFECTIVE DATE.]

This act is effective the day following final enactment."

We, the undersigned conferees for H. F. No. 2049, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 2049 be further amended as follows:

Page 2, line 35, before the period, insert "If the person renting the motor vehicle is also covered by the person's employer's insurance policy or the employer's automobile self-insurance plan, the repairer obligor under the employer's policy or self-insurance plan has primary responsibility to pay claims arising from use of the rented vehicle"

Page 3, line 8, after the comma, insert "there must be attached to" and strike "must"

Page 3, line 9, strike "contain" and insert "a separate form containing"

Page 3, after line 28, insert:

"(h) To be compensated for the loss of use of a damaged rented motor vehicle, the car rental company must prove:

(1) that had the vehicle been available, it would have been rented; and

(2) that no other vehicle was available for rental in place of the damaged vehicle.

The standard of proof set forth in this paragraph does not limit the responsibility of a repairer obligor to provide an insured with coverage for any loss of use for which the repairer obligor is otherwise responsible. A car rental company may be compensated for loss of use of a damaged rental motor vehicle only for the period when the damaged car actually would have been rented."

"ARTICLE 1

INSURANCE REGULATIONS

Section 1. Minnesota Statutes 1987 Supplement, section 62I.02, subdivision 1, is amended to read:

Subdivision 1. [CREATION.] The Minnesota joint underwriting association is created to provide insurance coverage to any person or entity unable to obtain insurance through ordinary methods if the insurance is required by statute, ordinance, or otherwise required by law, or is necessary to earn a livelihood or conduct a business and serves a public purpose. Prudent business practice or mere desire to have insurance coverage is not a sufficient standard for the association to offer insurance coverage to a person or entity. For purposes of this subdivision, directors' and officers' liability insurance is considered to be a business necessity and not merely a prudent business practice. The association shall be specifically authorized to provide insurance coverage to day care providers, foster parents, foster homes, developmental achievement centers, group homes, and sheltered workshops for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383, and surety bonds required by Minnesota Rules, part 2780.2700, for workers' compensation group self-insurers made up of truckers subject to licensing by the state or federal department of transportation. Because the activities of certain persons or entities present a risk that is so great, the association shall not offer insurance coverage to any person or entity the board of directors of the association determines is outside the intended scope and purpose of the association because of the gravity

of the risk of offering insurance coverage. The association shall not offer environmental impairment liability or product liability insurance. The association shall not offer coverage for activities that are conducted substantially outside the state of Minnesota unless the insurance is required by statute, ordinance, or otherwise required by law. Every insurer authorized to write property and casualty insurance in this state shall be a member of the association as a condition to obtaining and retaining a license to write insurance in this state.

Sec. 2. [62I.065] [TRUCKERS' SURETY BOND.]

Subdivision 1. [JOINT AND SEVERAL LIABILITY REQUIRED.] Surety bonds may not be issued to workers' compensation group self-insurers made up of truckers licensed by the state or federal department of transportation if the members do not have joint and several liability.

Subd. 2. [RATE.] The rate for surety bonds which comply with subdivision 1 shall be 120 percent of the average rate for the surety bonds of all other workers' compensation group self-insurers.

Subd. 3. [GROUP QUALIFICATIONS.] No surety bond may be issued to workers' compensation truckers group self-insurers unless the group meets the requirements for all other group self-insurers established by statute or by rule. In addition to any other requirement of law, a truckers' group that wishes to receive a bond (1) must receive approval from the commissioner of commerce that sufficient premium is being charged to the members of the group and (2) may not declare a refund, in any year, of more than 50 percent of any surplus over 125 percent of the amount necessary to fulfill all obligations under chapter 176, provided that if the refundable amount is less than \$500, than 100 percent of any surplus in excess of 125 percent may be declared refundable.

Sec. 3. Minnesota Statutes 1986, section 62I.07, is amended to read:

62I.07 [MEMBERSHIP ASSESSMENTS.]

(a) Each member of the association shall participate in its losses and expenses in the proportion that the direct written premiums of the member bears to the total aggregate direct written premiums written in this state by all members. The members' participation in the association shall be determined annually on the direct written premiums written during the preceding calendar year as reported on the annual statements and other reports filed by the member with the commissioner.

(b) Losses resulting from surety bonds for truckers groups that self-insure for workers' compensation shall be paid by the special

compensation fund. The special compensation fund shall seek appropriations in each biennium for any amounts paid pursuant to this subdivision.

Sec. 4. [62I.166] [REINSURANCE ASSOCIATION TO ASSIST.]

The workers' compensation reinsurance association shall assist the association in any manner requested by the association in regard to surety bonds issued to trucker group self-insurers. This assistance may consist of the provision of data, the use of computer programs, or similar aid needed by the association in regard to the bonds. The workers' compensation reinsurance association must provide these services without cost to the association.

Sec. 5. Minnesota Statutes 1986, section 62I.21, is amended to read:

62I.21 [ACTIVATION OF MARKET ASSISTANCE PLAN AND JOINT UNDERWRITING ASSOCIATION.]

At any time the commissioner of commerce deems it necessary to provide assistance with respect to the placement of general liability insurance coverage, including bonds, on Minnesota risks for a class of business, the commissioner shall by notice in the State Register activate the market assistance plan and the joint underwriting association. The plan and association are activated for a period of 180 days from publication of the notice. At the same time the notice is published, the commissioner shall prepare a written petition requesting that a hearing be held to determine whether activation of the market assistance plan and the joint underwriting association is necessary beyond the 180-day period. The hearing must be held in accordance with section 62I.22. The commissioner by order shall deactivate a market assistance program and the joint underwriting association at any time the commissioner finds that the market assistance program and the joint underwriting association are not necessary.

Sec. 6. Minnesota Statutes 1986, section 79.01, subdivision 1, is amended to read:

Subdivision 1. [TERMS.] Unless the language or context clearly indicates that a different meaning is intended, the following terms, for the purposes of sections 79.01 to ~~79.23~~ 36, shall have the meanings ascribed to them.

Sec. 7. Minnesota Statutes 1986, section 79.074, is amended by adding a subdivision to read:

Subd. 3. [RATES.] One rate is unfairly discriminatory in relation to another if it clearly fails to reflect equitably the differences in

expected losses, expenses, and the degree of risk. Rates are not unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expense factors, or like expense factors but different loss exposures, so long as the rates reflect the differences with reasonable accuracy.

Sec. 8. Minnesota Statutes 1986, section 79.074, is amended by adding a subdivision to read:

Subd. 4. [FLEXIBLE RANGE OF RATES.] An insurer may write insurance at rates that are lower than the rates approved by the commissioner provided the rates are not unfairly discriminatory.

Sec. 9. [79.253] [PRIOR RATES.]

Subdivision 1. Rates and rating plans, including experience rating plans, that have been filed with the commissioner prior to January 1, 1988, pursuant to section 79.56 by insurers are conclusively presumed to satisfy the requirements of this act until the initial schedule of rates has been approved by order of the commissioner.

Subd. 2. If a rate, including an experience rating plan, was not filed by an insurer prior to January 1, 1988, then an insurer shall file a rate or rating plan for any classification for which a rate was not previously filed. This rate shall not be used until it is approved by the commissioner. The commissioner may approve a rate up to the rate level approved for use by the assigned risk plan for that rate class. These rates may remain in force until the commissioner has approved an initial schedule of rates pursuant to section 10, subdivision 4. If the commissioner disapproves of any rate or rating plan pursuant to authority granted in this subdivision, the disapproval shall not be subject to chapter 14 and the decision shall be final.

Subd. 3. Until the commissioner issues a rate order approving a schedule of rates pursuant to section 10, subdivision 4, an insurer may not, through the use of any rating plan charge a rate higher than the rates applicable to the insurer pursuant to subdivision 1 or 2 and may not increase rates, including discounted rates, for any policy renewal. This subdivision does not prohibit the use of approved experience rate plans or retrospective rating plans which have been adopted in the filed rates by insurers, the assigned risk plan, or filed by a data service organization.

Subd. 4. This section shall apply only to policies issued after the effective date of this section.

Sec. 10. [79.71] [RATES; HEARINGS.]

Subdivision 1. [ADOPTION OF INITIAL RATE SCHEDULE.]

The commissioner shall adopt a schedule of workers' compensation insurance rates for use in this state after June 30, 1989, for each classification under which business is written. The schedule of rates shall not be excessive, inadequate, or unfairly discriminatory. The adoption of the initial schedule of rates shall be by hearing held pursuant to the contested case procedures in chapter 14. In adopting a schedule of rates, the commissioner may act on the written petition of the association, the department of labor and industry, or any other interested party requesting that a hearing be held for modification of the schedule of rates.

Subd. 2. [PETITION FOR RATE HEARING.] Upon receipt of a petition requesting a hearing for modification of an existing schedule of rates, the commissioner shall determine whether the petition sufficiently sets forth facts that show that the existing schedule of rates is excessive, inadequate, unfairly discriminatory, or otherwise in need of modification so as to indicate the need to hold a hearing. If the association is a petitioner, the commissioner may decline to grant a hearing if the association has failed to provide information requested by previous orders modifying the schedule of rates, provided that the request was not unreasonable. The commissioner may accept or reject the petition for a hearing and shall give notice of a determination to the petitioning party within 90 days of receipt of the petition. If the commissioner rejects the petition, the commissioner shall notify the petitioning party of the reasons for the rejection. If the commissioner of labor and industry petitions the commissioner for a hearing pursuant to this section or section 13, the commissioner must hold a hearing if the commissioner of labor and industry certifies that the hearing is necessary because a decision of the supreme court, enactment of a statute or other circumstance has effected a substantial change in the basis upon which the existing schedule of rates was adopted. Upon such certification by the commissioner of labor and industry, the commissioner may, by order, modify the existing schedule of rates to reflect the supreme court's decision, enactment of statute, or other circumstance. The order modifying the schedule of rates is not subject to chapter 14 and shall remain in effect until the commissioner has made a final determination as required by subdivisions 4 and 5.

Subd. 3. [HEARING.] The commissioner shall determine, within 90 days of receipt of the petition whether to accept or reject the petition. If the commissioner accepts the petition for hearing, the commissioner shall order a hearing on matters set forth in the petition. The hearing shall be held pursuant to the contested case procedures in chapter 14. The burden of proof is on the petitioning party. The commissioner shall forward a copy of the order for hearing to the chief administrative law judge. The chief administrative law judge must, within 30 days of the receipt of the order, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the

administrative law judge assigned to hear the matter. The report of the administrative law judge must be issued within 180 days from the date of receipt of the order by the chief administrative law judge. The commissioner shall publish notice of the hearing in the State Register at least 20 days before the hearing date. The administrative law judge must admit documentary and statistical evidence accepted and relied upon by an expert witness whose expertise is related to workers' compensation rate matters, without the traditional evidentiary foundation. Approval of the notice prior to publication by the administrative law judge is not required. Within 90 days of the completion of the hearing, the administrative law judge must submit a report to the commissioner. The parties or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedures to conform with the the time requirements set forth in this subdivision. After the close of the hearing record, the administrative law judge shall transmit to the commissioner the entire record of the hearing, including the transcript, exhibits, and all other material properly accepted into evidence, together with the finding of facts, conclusions, and recommended order made by the administrative law judge. The time for filing the report may be extended by the chief administrative law judge for good cause.

Subd. 4. [HEARING DETERMINATION.] The commissioner may accept, reject, or modify, in whole or in part, matters raised in the petition for modifications of the schedule of rates or matters raised in the findings and recommendations of the administrative law judge. The commissioner's determination shall be based upon substantial evidence.

Subd. 5. [DEADLINE FOR DETERMINATION.] The commissioner shall make a final determination with respect to adoption of a schedule of rates within 90 days after receipt of the administrative law judge's report. If the commissioner fails to act within the 90-day period, the findings, conclusions, and recommended order of the administrative law judge become the final order of the commissioner on the 91st day.

Subd. 6. [CONSULTANTS; COMMISSIONER OF COMMERCE.] The commissioner of commerce may hire consultants, including a consulting actuary and other experts, deemed necessary to assist in the establishment or modification of the schedule of rates. A sum sufficient to pay the costs of conducting the hearing provided under subdivision 3, appeals therefrom, or the establishment or modification of the schedule of rates, including the costs of consultants, staff, and related costs, and the costs of the attorney general's office, is appropriated from the special compensation fund to the commissioner of commerce and assessed against the rating association and its members by the special compensation fund.

Subd. 7. [CONSULTANTS; COMMISSIONER OF LABOR AND

INDUSTRY.] The commissioner of labor and industry may hire consultants, including a consulting actuary and other experts, deemed necessary to assist the commissioner of labor and industry in the hearing for modification of the schedule of rates and appeals therefrom. A sum sufficient to pay the costs of the commissioner of labor and industry in regard to the hearing provided under subdivision 3 and appeals therefrom, including the costs of consultants, staff, and related costs, and the costs of the attorney general's office, is appropriated from the special compensation fund to the commissioner of labor and industry and assessed against the rating association and its members by the special compensation fund.

Subd. 8. [CONSULTANTS, ADMINISTRATIVE JUDGES.] The office of administrative hearings, upon approval of the chief administrative law judge, may hire consultants necessary to assist the administrative law judge assigned to a workers' compensation rate proceeding. The cost of such consultants shall be paid by the special compensation fund and assessed against the rating association and its members by the special compensation fund.

Subd. 9. [COMMISSIONER OF LABOR AND INDUSTRY AS A PARTY.] The commissioner of labor and industry must be a party to all proceedings under this chapter and shall act to assure that the public interest is represented and protected. The commissioner of labor and industry may: (1) inspect at all reasonable times, and copy the books, records, memoranda, and correspondence or other documents and records of any person relating to any regulated business; and (2) cause the deposition to be taken of any person concerning the business and affairs of any business regulated by the department. Information sought through said deposition shall be for a lawfully authorized purpose and shall be relevant and material to the investigation or hearing before the commissioner. Information obtained from said deposition shall be used by the department only for a lawfully authorized purpose and pursuant to powers and responsibilities conferred upon the department. Said deposition is to be taken in the manner prescribed by law for taking depositions in civil actions in the district court. The commissioner of labor and industry may, on the commissioner's own initiative, investigate any matter subject to the jurisdiction of the department of labor and industry. The costs of the commissioner of labor and industry in discharging this obligation shall be paid by the special compensation fund and assessed against the rating association and its members by the special compensation fund.

Subd. 10. [APPOINTMENT OF ACTUARY.] The commissioner of labor and industry shall employ the services of a casualty actuary experienced in workers' compensation whose duties shall include but not be limited to investigation of complaints by insured parties relative to rates, rate classifications, or discriminatory practices of an insurer. The salary of the actuary employed pursuant to this

section is not subject to the provisions of section 43A.17, subdivision 1.

Sec. 11. [79.72] [PETITION FOR REHEARING.]

Subdivision 1. [PETITION CONTENTS.] Any interested party may petition the commissioner for rehearing and reconsideration of a determination made pursuant to section 10. The petition for rehearing and reconsideration shall be served on the commissioner and all parties to the rate hearing within 30 days after service of the commissioner's final order. The petition shall set forth factual grounds in support of its petition. An interested party adversely affected by a petition for review and reconsideration has 15 days to respond to factual matters alleged in the petition.

Subd. 2. [GRANT OF REHEARING.] The commissioner may grant a rehearing upon the filing of a petition under subdivision 1. On rehearing, the commissioner may limit the scope of factual matters that are subject to rehearing and reconsideration. The rehearing is subject to the provisions of section 10.

Subd. 3. [MODIFICATION OF ORDER.] Following rehearing, the commissioner may modify the terms of the initial order adopting a change in the schedule of rates upon a determination that adequate factual grounds exist to support modification. Adequate factual grounds include, but are not limited to, erroneous testimony by any witness or party to the hearing, material change in Minnesota loss or expense data occurring after a petition for modification of the schedule of rates has been filed, or any other mistake of fact that has a substantial effect upon the schedule of rates adopted in the initial order of the commissioner.

Sec. 12. [79.731] [JUDICIAL REVIEW.]

Final orders of the commissioner pursuant to sections 10 and 11 are subject to judicial review pursuant to sections 14.63 to 14.69 but shall remain in effect during the pendency of any appeal.

Sec. 13. [79.711] [INTERIM SCHEDULE OF RATES.]

The rating association, the commissioner of labor and industry, or any other interested party may file a petition for an adjustment in the schedule of rates when there has been a law change in the benefit payable under chapter 176. "Law change" means only statutory changes by the legislature or supreme court decisions. When a petition for a change in the schedule of rates due to a law change is received by the commissioner, the commissioner shall review any petition for up to 30 days to determine if it presents facts which warrant a hearing. If the commissioner accepts a petition for hearing it shall be conducted pursuant to the contested case proce-

dures found in chapter 14. The chief administrative law judge shall assign an administrative law judge to hear a petition for a change in the schedule of rates within 30 days of the referral by the commissioner. The administrative law judge shall conclude the hearing within 60 days of assignment by the chief administrative law judge and file findings of fact, conclusions of law, and a proposed order with the commissioner within 30 days of the close of the record. The administrative law judge shall, after the close of the record, file a report with recommendations in the same manner as in section 10, subdivision 3. The time for holding the hearing and filing the report with the commissioner may be expanded by the chief administrative law judge upon a showing of good cause for an additional 30 days. The commissioner's order may affirm, reverse, or modify the findings and order of the administrative law judge. The petitioning party shall have the burden of proof in any hearing held pursuant to this subdivision. Interim rate hearings are only for changes in the schedule of workers' compensation rates resulting from law changes. All other evidentiary, procedural, and review standards in section 10 shall apply to interim rate hearings except for the time requirements in this subdivision. Interim rate hearings are subject to judicial review pursuant to chapter 14 except that the commissioner's interim rate order shall remain in effect during the pendency of any appeal by any party. The commissioner is an interested party if the commissioner's decision is appealed pursuant to chapter 14. Interim rate hearings may only be held after an initial schedule of rates has been approved by the commissioner unless requested by the commissioner of labor and industry; except that an interim rate hearing shall be held before August 1, 1988, to consider the effect of the law changes made in 1988.

Sec. 14. [79.74] [AUTOMATIC ADJUSTMENT OF RATES.]

The commissioner shall adopt a rule to automatically adjust a schedule of rates to reflect benefit changes mandated by operation of law after the most recent change in the statewide schedule of rates. This adjustment shall also reflect the annual change in the maximum weekly compensation made pursuant to section 176.101, an adjustment in the assessment rate for the special fund, and the annual adjustment made pursuant to section 176.645, any adjustment in the assessment for the assigned risk plan pursuant to section 79.251, subdivision 5, any adjustment in the assessment for the Minnesota insurance guarantee association pursuant to section 60C.05, or any other assessment required by law. The initial rule to automatically adjust the schedule of rates and any amendments made pursuant to this subdivision is effective on October 1, 1988, or as soon thereafter as possible. Adoption of the initial rule is not subject to chapter 14, except the commissioner of commerce shall comply with section 14.38, subdivision 7.

At each rate hearing held pursuant to section 10 or rehearing pursuant to section 11, following an automatic adjustment, the

commissioner shall review the rate adjustment to assure that the schedule of rates adopted subsequent to the adjustment are not excessive, inadequate, or unfairly discriminatory. If the commissioner finds that the schedule of rates adopted subsequent to the adjustment are excessive, inadequate, or unfairly discriminatory, the commissioner shall order appropriate remedial action.

Sec. 15. [79.75] [RATE REVISION ORDER; EFFECT.]

Subdivision 1. [POLICIES.] A revised schedule of rates, adopted under section 10 or 11, applies to new and renewal policies issued after the effective date of the commissioner's final order.

Subd. 2. [INSUREDS.] The revised schedule of rates applies to all insureds and prospective insureds under the workers' compensation rating manual adopted by the association and approved by the commissioner.

Sec. 16. [79.76] [COMMISSIONER MAY REQUIRE SURVEY.]

Following a complaint, the commissioner may require the association to conduct a survey and report. The commissioner may withdraw approval of any rate or classification upon ten days' notice to the parties interested.

Sec. 17. [79.77] [CLASSIFICATION OF WORKERS' COMPENSATION INSURANCE.]

No classification for compensation insurance purposes shall be effective until approved by the commissioner. No rule or regulation with reference to compensation risks filed by any insurer, or by the association, shall be effective until approved by the commissioner. No type of insurance covering any part of the liability of an employer allowed to self-insure as provided in section 176.181, is effective in this state unless approved by the commissioner. If it appears at any time that reasonable doubt on the part of the commissioner as to the proper classification or rate for any risk exists, such risk may be bound for insurance subject to establishing a rate and classification.

Sec. 18. [79.78] [INSURERS SHALL BE MEMBERS OF ASSOCIATION.] Every insurer issuing workers' compensation insurance in this state shall be a member of the association organized under section 19, to be maintained in this state for the following purposes:

(1) to separate the industries of this state that are subject to workers' compensation insurance into proper classes for compensation insurance purposes; to inspect compensation risks and establish the merit and experience rating system approved for use in this state; to establish charges and credits under the system; and to

report all facts affecting compensation insurance risks and those necessary for approving policies of compensation insurance as conforming with classifications and rates previously promulgated by the association and approved by the commissioner; and

(2) to assist the commissioner and insurers in approving rates, determining hazards and other material facts in connection with compensation risks, and to assist in promoting safety in the industries.

Sec. 19. [79.79] [ORGANIZATION OF ASSOCIATION.]

The association shall adopt articles of incorporation, bylaws, and a plan of operation. These articles, bylaws, and plan of operation and all amendments thereto shall be filed with and approved by the commissioner and shall not be effective until so filed and approved. The association shall admit to membership any insurer authorized to transact workers' compensation insurance in this state. The charges and service of the association shall be fixed in the articles or bylaws and shall be equitable and nondiscriminatory as between members. The initial articles, bylaws, and plan of operation shall be filed with the commissioner no later than June 15, 1988. If the initial articles, bylaws, and plan of operation are not filed by June 15, 1988, the commissioner shall adopt the initial articles, bylaws, and plan of operation.

Sec. 20. [79.80] [EXPENSE, HOW PAID.]

Each member of the association shall pay an equitable and nondiscriminatory share of the cost of operating the association. If the members of the association cannot agree upon an apportionment of cost, any member may in writing petition the commissioner to establish a basis for apportioning the cost. If any member is aggrieved by an apportionment made by the association, it may in writing petition the commissioner for a review of the apportionment. The commissioner shall, upon not less than five days notice to each member of the association, hold a hearing upon any such petition at which all members are entitled to be present and be heard. The commissioner shall determine the matter and mail a copy of the determination to each member of the association. The decision of the commissioner shall be final and binding upon all members of the association.

Sec. 21. [79.81] [BOARD OF DIRECTORS.]

A board of directors of the rating association is created and is responsible for the operation of the rating association consistent with the plan of operation and sections 10 to 36. The board consists of seven directors. Four directors shall represent insurers and the commissioner of commerce shall appoint the remaining directors. Each director is entitled to one vote. Terms of the directors shall be

two years. The board shall select a chair and other officers it deems appropriate.

A majority of the directors currently holding office constitutes a quorum. Action may be taken by a majority vote of the directors present.

The board shall take reasonable and prudent action regarding the management of the rating association including but not limited to the management of the daily affairs of the rating association.

Sec. 22. [79.82] [PLAN OF OPERATION.]

Subdivision 1. [PROVISIONS.] The plan of operation shall provide for all of the following:

- (a) the establishment of necessary facilities;
- (b) the management and operation of the rating association;
- (c) a preliminary assessment, payable by each member in proportion to its total premium in the year preceding the inauguration of the rating association, for initial expenses necessary to commence operation of the rating association;
- (d) procedures governing the actual payment of assessments to the rating association;
- (e) reimbursement of each member of the board by the rating association for actual and necessary expenses incurred on rating association business; and
- (f) any other matters required by or necessary to effectively implement sections 10 to 36.

Subd. 2. [AMENDMENTS.] (a) The plan of operation shall be subject to approval by the commissioner after consultation with the members of the association, representatives of the public and other affected individuals and organizations. If the commissioner disapproves all or any part of the proposed plan of operation, the directors shall within 15 days submit for review an appropriate revised plan of operation or part thereof. If a revised plan is not submitted within 15 days, the commissioner shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the commissioner shall become effective and operational upon order of the commissioner.

(b) Amendments to the plan of operation may be made by the commissioner or by the directors of the association, subject to the approval of the commissioner.

Sec. 23. [79.83] [APPLICABILITY OF CHAPTER 79.]

Subdivision 1. [EXAMINATION BY COMMISSIONER.] The rating association is subject to all the provisions of this chapter. The commissioner or an authorized representative of the commissioner may visit the rating association at any time and examine, audit, or evaluate the rating association's operations, records and practices. For purposes of this section, "authorized representative of the commissioner" includes employees of the departments of commerce or labor and industry or other parties retained by the commissioner.

Subd. 2. [COSTS AND EXPENSES.] The commissioner may order and the rating association shall pay the costs and expenses of any examination, audit, or evaluation conducted pursuant to subdivision 1. A sum sufficient to pay these costs and expenses is appropriated from the special compensation fund to the commissioner of commerce.

Sec. 24. [79.84] [MANUALS.]

Subdivision 1. [FILING REQUIRED.] On or before July 1, 1988, the association must file with the commissioner all underwriting and rating manuals which are used in the classification of risks and the calculation of rating plans, rates, and fees. The association must provide the commissioner with at least six copies of each manual. A copy of each manual filed shall also be provided to the commissioner of labor and industry.

The commissioner shall review the manuals and on or before October 1, 1988, approve or disapprove the manuals or any part thereof. Until the commissioner has approved or disapproved the manuals, they shall remain in force. As to any manual or part thereof that is not approved, a hearing pursuant to the contested case procedures of chapter 14 shall be held.

Until the conclusion of the contested case proceeding, the portions of the manuals that were not approved shall remain in force.

Subd. 2. [AMENDMENTS.] If the association amends a manual, the amendment shall not be effective until approved by the commissioner. The commissioner shall approve or disapprove any amendment within 90 days of filing. Any amendment not approved within 90 days shall be deemed to be disapproved. As to a disapproved amendment, the association may contest the disapproval pursuant to the contested case procedures of chapter 14.

Subd. 3. [BURDEN OF PROOF.] The burden of proof in a proceeding under this section shall be upon the party requesting the adoption of a manual or an amendment of a manual.

Subd. 4. [COSTS.] The costs of the commissioner and the commissioner of labor and industry in regard to a contested case proceeding under this section, including the costs of consultants, staff, and related costs, and costs billed by the attorney general's office shall be paid by the special compensation fund and assessed to the association and its members by the special compensation fund.

Subd. 5. [PUBLIC ACCESS.] Copies of all approved manuals must be made available to the public for inspection during regular business hours at the office of the association. Proposed manuals and amendments to manuals must be made available in the same manner.

Sec. 25. [79.85] [EXEMPTION.]

The rating association is not subject to sections 15.0597 and 471.705 and chapter 13 nor any other law or rule that pertains to a public body. For purposes of Minnesota law or rule, the association is not a public body.

Sec. 26. [79.86] [LICENSE; FEE.]

The association shall procure annually from the commissioner a license to carry on its business. The license shall run from July 1 to the last day of June. An annual license fee of \$100 must be paid at the time of filing application for license.

Sec. 27. [79.861] [ANNUAL STATEMENT.]

The association on or before March 1 each year shall file with the commissioner a statement covering its activities for the year ending on the preceding December 31. This report shall cover its financial transactions and other matters connected with its operation, including employee compensation and other specific expenditures as required by the commissioner. The commissioner shall prescribe the form of the report. The association and its members are subject to supervision and examination by the commissioner or any examiner authorized by the commissioner on such matters as the commissioner deems appropriate. Examination may be made as often as the commissioner deems necessary. A sum sufficient to pay the cost of all examinations is appropriated from the special compensation fund to the commissioner of commerce.

Sec. 28. [79.862] [ASSOCIATION SHALL MAKE CLASSIFICATION.]

The association shall, on behalf of its members, assign each compensation risk and subdivision thereof in this state to its proper classification. The determination as to the proper classification by the association shall be subject to the approval of the commissioner

as provided in this chapter. The association shall, on behalf of all members thereof, inspect and make a written survey of each risk to which the system of merit rating approved for use in this state is applicable. It shall, on behalf of all the members thereof, file with the commissioner its classification of risks and keep on file at the office of the association the written surveys of all risks inspected by it, which survey shall show the location and description of all items producing charges and credits, if any, and such other facts as are material in the writing of insurance thereon. It shall file any subsequent proposed classification or later survey and all rules and regulations which do or may affect the writing of these risks. The association classification shall be binding upon all insurers. The commissioner and the association and its representatives shall give all information as to classifications, rates, surveys, and other facts collected and intended for the common use of insurers subject to sections 10 to 36 to all these insurers at the same time. A copy of the complete survey by the association, with the approved classification and rates based thereon and the effective date thereof, shall be furnished to the insurer of record as soon as approved. The approved classification and rates upon a specific risk shall be furnished upon request to any other insurer upon the payment of a reasonable charge for the service. Every insurer shall promptly file with the association a copy of each payroll audit, which shall be checked by the association for correctness of classification and rate. The commissioner may require the association to file any such copy and may verify any payroll audit by a reaudit of the books of the employer or in such other manner as may appear most expedient. Upon written complaint stating facts sufficient to warrant action by it, the commissioner shall verify any payroll audit reported to the commissioner.

Sec. 29. [79.863] [INFORMATION.]

In addition to other information that the commissioner requests pursuant to section 10, the rating association shall: (a) separate the incurred but not reported losses of its members; (b) separate paid and outstanding losses of its members; (c) provide information indicating cases in which its members have established a reserve in excess of \$50,000; (d) provide information on the income on invested reserves of its members; and (e) provide information as to policies written at other than the filed rates. The rating association shall file information based solely on Minnesota premium income of its members concerning investment income, legal expenses, subrogation recoveries, administrative expenses, and commission expenses. The rating association shall file information based solely on Minnesota data concerning its members reserving practices, premium income, indemnity and medical benefit paid and lobbying expenses of its members. The rating association shall file an itemized breakdown of its lobbying expenses.

The commissioner shall consider this information in an appropri-

ate manner in adopting a schedule of rates and shall decline to grant a hearing pursuant to section 10 for purposes of considering a rate increase if the association fails to provide the information.

Sec. 30. [79.864] [RECORD; ASSOCIATION SHALL FURNISH INFORMATION.]

The association shall keep a careful record of its proceedings. It shall furnish, upon demand, to any employer whose workers' compensation risk has been surveyed, full information as to the survey, including the method of the computation and a detailed description and location of all items producing charges or credits. The association shall provide a means, approved by the commissioner for hearing any member or employer whose risk has been inspected, either in person or by a representative, before the governing or rating committee or other proper representatives with reference to any matter affecting the risk. Any insurer or employer may appeal from a decision of the association to the commissioner. The association shall make rules governing appeals, to be filed with and approved by the commissioner. The commissioner may require the association to file any information connected with its activities.

Sec. 31. [79.865] [INSURERS SHALL NOT DISCRIMINATE.]

No insurer shall make or charge any rate for workers' compensation insurance in this state which discriminates unfairly between risks or classes, or which discriminates unfairly between risks in the application of like charges and credits in the plan of merit or experience rating in use.

Sec. 32. [79.867] [RATES SHALL BE FILED.]

Every insurer writing workers' compensation insurance in this state, except as ordered by the commissioner, must file with the commissioner its rates for this compensation insurance and all additions or changes. All rates so filed must comply with the requirements of law and are not effective until approved by the commissioner. A rate which is filed and approved cannot be changed until 15 days after the substituted rate is filed and after approval by the commissioner.

Sec. 33. [79.868] [RATES TO BE UNIFORM; EXCEPTIONS.]

No insurer may write insurance at a rate above that established by the association and approved as reasonable by the commissioner. The association may reduce or increase a rate by the application to individual risks of the system of merit or experience rating which has been approved by the commissioner. This reduction or increase shall be set forth in the policy or by endorsement thereon. Upon written request, an insurer shall furnish a written explanation to

the insured of how and why the individual rate was adjusted by application of a system of merit or experience rating. This explanation shall be mailed to the insured within 30 days of the request.

Sec. 34. [79.869] [DUTIES OF COMMISSIONER.]

The commissioner of commerce shall require compensation insurers, or their agents, to file such reports as may be necessary for the purposes of sections 10 to 36 for use by the commissioner.

Sec. 35. [79.87] [VIOLATIONS; PENALTIES.]

In addition to any other penalties prescribed by law, any insurer, rating association, agent, or other representative or employee of any insurer or rating association that fails to comply with, violates any of the provisions of sections 10 to 36, or any order or ruling of the commissioner, shall be punished by a fine of not less than \$50 nor more than \$5,000. In addition, the license of any insurer, agent, or broker guilty of such violation may be revoked or suspended by the commissioner.

Sec. 36. [79.88] [RULEMAKING.]

Until July 1, 1989, the commissioner shall be exempt from the rulemaking provisions of chapter 14. The commissioner must comply with section 14.38, subdivision 7, when adopting rules to carry out the commissioner's duties assigned by this section. Any rules adopted pursuant to this exemption shall be subsequently adopted by a chapter 14 rules proceeding commencing no later than July 1, 1990.

Sec. 37. [MANDATED RATE REDUCTIONS.]

The approved rate schedule that is adopted after the interim rate hearing, held before August 1, 1988, under section 13, must include a minimum rate reduction of 12 percent on all rate schedules, effective October 1, 1988, and applied to all policies issued, renewed, or outstanding on or after that date. An insurer may not adjust its filed rating plan to recover the rate reduction mandated by this section. An insurer shall provide all employers having an outstanding policy with the insurer as of October 1, 1988, a credit or refund of 12 percent or greater, as determined by the commissioner, on the unexpired portion of the policy, as well as a written notice of the credit or refund before that date.

Sec. 38. [OLD ASSOCIATION.]

Subdivision 1. [RECORDS DEPOSITED WITH THE COMMISSIONER.] All records of the rating association authorized by sections 79.61 and 79.62 or its predecessors pertaining to proceedings

before the department of commerce or its predecessors regarding rates or classifications shall be deposited with the commissioner no later than the effective date of the repeal of sections 79.61 and 79.62.

Subd. 2. [ASSOCIATION ASSETS.] All assets of the rating association authorized by section 79.61 or 79.62 or its predecessors shall be transferred to the rating association established under section 19.

Sec. 39. [TRANSITION PROVISIONS; EMPLOYEES.]

Until January 1, 1989, initial appointment to the professional positions authorized by section 41 shall be deemed to be provisional or exceptional appointments as defined by section 43A.15, subdivisions 4 and 8, and the commissioner of employee relations must authorize those appointments as requested by the commissioner of commerce or labor and industry. Upon request of the commissioner of commerce or labor and industry, the appointments under this section shall be considered an unusual employment condition as defined by section 43A.17, subdivision 3 and salaries may be set accordingly.

Sec. 40. [RULE SUPERSEDED.]

The security or bonding requirements of Minnesota Rules, part 2780.2700, shall continue in force but without any dollar limitations. The commissioner shall amend the rule as soon as possible to conform with this section. The amendment of the rule is not subject to chapter 14, except that the commissioner shall comply with section 14.38, subdivision 7.

Sec. 41. [LEGISLATIVE INTENT.]

It is the intent of the legislature in enacting Article 1 to reinstate the prior state law regarding rate regulation which was repealed effective January 1, 1984. Judicial and administrative decisions regarding the prior law shall be deemed to be applicable to Article 1 in the same manner as to the prior law.

Sec. 42. [APPROPRIATION.]

Subdivision 1. \$200,000 is appropriated from the special compensation fund to the department of commerce for the purpose of sections 10 to 38. The complement of the department of commerce is increased by three positions.

Subd. 2. \$375,000 is appropriated from the special compensation fund to the department of labor and industry for the purpose of sections 10 to 38. The complement of the department of labor and industry is increased by six positions.

Sec. 44. [EFFECTIVE DATE.]

Article 1 is effective the day following final enactment.

ARTICLE 2

CHANGES TO THE WORKERS' COMPENSATION SYSTEM

Section 1. Minnesota Statutes 1986, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed $66 \frac{2}{3}$ 80 percent of the product of the daily wage times the number of days normally worked employee's spendable weekly earnings, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4,

or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 2. Minnesota Statutes 1986, section 176.011, is amended by adding a subdivision to read:

Subd. 28. [SPENDABLE WEEKLY EARNINGS.] (a) "Spendable weekly earnings" means the employee's weekly wage, as defined by subdivision 18, reduced by both of the following:

(1) an amount equal to a weekly amount required to be withheld under state law and under the Internal Revenue Code of 1954, as amended, using the number of exemptions allowed for the employee, and for actual dependents, old age, and blindness, to which the employee is entitled on the date of injury; and

(2) an amount equal to the weekly amount required to be withheld from the earnings of the employee at the time of the injury under the Federal Insurance Contributions Act, without regard to the yearly maximum.

(b) Each September 1, the commissioner of the department of labor and industry shall publish a uniform table of spendable weekly earnings, as defined in paragraph (a), using applicable federal and state tax laws in effect the preceding July 1. This table shall take effect on October 1 and be conclusive for the purpose of converting a weekly wage into spendable weekly earnings during the following twelve months. The commissioner may contract with the department of revenue or any other person or organization to assist in the preparation of the table. The adoption of this table is exempt from the administrative rulemaking provisions of chapter 14.

Sec. 3. Minnesota Statutes 1986, section 176.021, subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section 176.101 12. If doubt exists as to the eventual permanent partial disability, payment for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section 176.101, shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertain-

ment of greater permanent partial disability. Prior to or at the time of commencement of the payment of economic recovery compensation or lump sum or periodic payment of impairment compensation permanent partial disability benefits, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. Economic recovery compensation or impairment compensation pursuant to section 176.101 is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section 176.101. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section 176.101. Economic recovery compensation or impairment compensation pursuant to section 176.101 shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total disability. Economic recovery compensation or impairment compensation is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.

The right to receive economic recovery compensation or impairment compensation vests in an injured employee at the time the disability can be ascertained provided that the employee lives for at least 30 days beyond the date of the injury. Upon the death of an employee who is receiving economic recovery compensation or impairment permanent partial compensation further compensation is payable pursuant to section 176.101 12, subdivision 3. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical

improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Disability ratings for permanent partial disability shall be based on objective medical evidence.

[TEMPORARY AND PERMANENT PARTIAL.] For injuries occurring before January 1, 1984, if an employee has returned to work for at least six months and has, if applicable, completed a rehabilitation plan, this section does not prevent the payment of compensation for permanent partial disability because the employee is receiving compensation for temporary partial disability. If the employer or the insurer or the defendant is given written notice of claims for legal services or disbursements, the claim shall be a lien against the amount paid or payable as compensation. In no case shall fees be calculated on the basis of any undisputed portion of compensation awards. Allowable fees under this chapter shall be based solely upon genuinely disputed portions of claims, including disputes related to the payment of rehabilitation benefits or to other aspects of a rehabilitation plan. The statement shall be on a form prescribed by the commissioner, shall report the number of hours spent on the case, and shall clearly and conspicuously state that the employee or insurer has ten calendar days to object to the attorney fees requested. If no objection is timely made by the employee or insurer, the amount requested shall be conclusively presumed reasonable providing the amount does not exceed the limitation in subdivision 1. The commissioner, compensation judge, or court of appeals shall issue an order granting the fees and the amount requested shall be awarded to the party requesting the fee.

If a timely objection is filed, or the fee is determined on an hourly basis, the commissioner, compensation judge, or court of appeals shall review the matter and make a determination based on the criteria in subdivision 5.

If no timely objection is made by an employer or insurer, reimbursement under subdivision 7 shall be made if the statement of fees requested this reimbursement.

(c) An attorney representing employers or insurers shall file a statement of attorney fees or wages with the commissioner, compensation judge before whom the matter was heard, or workers' compensation court of appeals on cases before the court. The statement of attorney fees or wages must contain the following information: the average hourly wage or the value of hours worked on that case if the attorney is an employee of the employer or insurer, the number of hours worked on that case, and the average hourly rate or amount charged an employer or insurer for that case if the attorney is not an employee of the employer or insurer.

(d) Employers and insurers may not pay attorney fees or wages for legal services of more than \$6,500 per case unless the additional fees or wages are approved under subdivision 2.

(e) Each insurer and self-insured employer shall file annual statements with the commissioner detailing the amount of legal fees and other legal costs incurred by the insurer or employer during the year. The statement shall include the amount paid for outside and in-house counsel, deposition and other witness fees, and all other costs relating to litigation.
