The council shall involve the airports commission in preparing the assessment and shall take into consideration the airport development and operations plans and activities of the commission.

Subd. 2. [AVIATION PLAN.] By February 1, 1990, the council shall amend the aviation chapter of the metropolitan development guide to incorporate policies and strategies that will ensure a comprehensive, coordinated, continuing, thorough, and timely investigation and evaluation of alternatives for major airport development in the metropolitan area for a prospective 30-year period. The alternatives to be examined must include both the airport improvements and enhancements of capacity that may be necessary at the existing airport and the location and development of a new airport.

Subd. 3. [SEARCH AREA.] By January 1, 1992, the council, in consultation with the airports commission, shall designate a search area for a major new airport.

- Subd. 4 [LEGISLATIVE REPORTS.] (a) Until the activities required by section 3, subdivision 3, and section 4 are completed, the council shall report to the legislature by February 15 of each year on the results of the aviation planning activities of the council under this section. The report must include a summary of expenditures and sources of funding for the activities.
- (b) By February 1, 1990, the council shall report to the legislature recommending methods and legislative actions that would be necessary to protect a new airport search area from conflicting development, to protect and control development on land at and around a site for a major new airport, and to inhibit land speculation and reduce incentives for land speculation in the airport and all surrounding areas.

In preparing the report, the council shall consider regional growth patterns, economic development, economic impact, regional and statewide investment, and ground transportation.
- (e) By December 1, 1990, the council shall report to the legislature on the general availability of suitable land for a new airport in and in the area surrounding the metropolitan area.
- (f) By January 1, 1993, the council shall report to the legislature on policies for the reuse of the existing major airport site should a new major be developed.

Two of these members must be residents of statutory or home rule charter cities, towns, or counties containing an airport designated by the commissioner of transportation as a key airport. The other two must be residents of statutory or home rule charter cities, towns, or counties containing an airport designated by the commissioner of transportation as an intermediate airport. - (c) By March 1, 1990, the commission shall report to the legislature on the integration of major airport facilities in the metropolitan area with state, national, and international air transportation systems and on the commission's planning assumptions and parameters related to such airport development issues as capacity, safety, environmental impact, and air service.

May 18, 1989

The Honorable Robert E. Vanasek Speaker of the House of Representatives

The Honorable Jerome M. Hughes President of the Senate

We, the undersigned conferees for H. F. No. 1423, report that we have agreed upon the items in dispute and recommend as follows:

That the House concur in the Senate amendments and that H. F. No. 1423 be further amended as follows:

Page 6, after line 30, insert:

"Sec. 5. Minnesota Statutes 1988, section 260.015, subdivision 2a, is amended to read:

Subd. 2a. [CHILD IN NEED OF PROTECTION OR SERVICES.]

"Child in need of protection or services" means a child who is in need of protection or services because the child:

- (1) is abandoned or without parent, guardian, or custodian;
- (2) has been a victim of physical or sexual abuse or resides with a victim of domestic child abuse as defined in subdivision 24, or is a victim of emotional maltreatment as defined in section  $\underline{260.015}$ ,  $\underline{500.015}$ ,  $\underline{50$
- (3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;
- (4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;
- (5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:
  - (i) the infant is chronically and irreversibly comatose;
- (ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's lifethreatening conditions, or otherwise be futile in terms of the survival of the infant; or
- (iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;
- (6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;
  - (7) has been placed for adoption or care in violation of law;
  - (8) is without proper parental care because of the emotional,

mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

- (9) is one whose occupation, behavior, condition, environment, or associations are such as to be injurious or dangerous to the child or others;
- (10) has committed a delinquent act before becoming ten years old;
  - (11) is a runaway; or
  - (12) is an habitual truant.
- Sec. 6. Minnesota Statutes 1988, section 260.015, is amended by adding a subdivision to read:

Subd. 5a. [EMOTIONAL MALTREATMENT.] "Emotional maltreatment" means the consistent, deliberate infliction of mental harm on a child by a person responsible for the child's care, that has an observable, sustained, and adverse effect on the child's physical, mental, or emotional development. "Emotional maltreatment" does not include reasonable training or discipline administered by the person responsible for the child's care or the reasonable exercise of authority by that person."

- Subd. 5. [ELEVATED BLOOD LEAD LEVEL.] "Elevated blood lead level" means at least 25 micrograms per deciliter.
- Subd. 6. [ENCAPSULATION.] "Encapsulation" refers to the covering or containment of a lead source in soil or paint to prevent harmful exposure to lead. Encapsulation includes, but is not limited to, covering of bare soil that contains more than acceptable levels of lead under rules adopted under section 144.862 with sod or soil that contains acceptable parts per million lead under rules adopted under section 144.862, seeding, and treatment for walkways and parking areas.
- Subd. 7. [LEAD ABATEMENT CONTRACTOR.] "Lead abatement contractor" means an employer or other person or entity who, for financial gain, directly performs or causes to be performed, through subcontracting or similar delegation, work related to lead hazard abatement or immediate hazard removal.

Sec. 17. [144.852] [PROACTIVE LEAD EDUCATION STRATEGY.]

The commissioner shall contract with boards of health in communities at high risk for toxic lead exposure to children, lead advocacy organizations, and businesses to design and implement a uniform, proactive educational program to introduce sections 144.851 to 144.861 and promote the prevention of exposure to all sources of lead to target populations. Priority shall be given to provide ongoing education to health care and social service providers, registered lead abatement contractors, building trades professionals and nonprofessionals, property owners, and parents. Educational materials shall be multilingual and multicultural to meet the needs of diverse populations.

Sec. 18. [144.853] [LEAD SCREENING FOR CHILDREN.]

Within limits of available appropriations, the commissioner shall contract with the boards of health in Minneapolis, St. Paul, and Duluth to promote and subsidize a baseline blood lead test of all children at risk who live in the high risk areas served by these boards of health and who are under six years of age. The lead screening shall be advocated on a statewide basis through the proactive education efforts of boards of health. The lead screening shall be promoted to be carried out in conjunction with routine blood tests.

Medical laboratories performing blood lead analyses must provide copies of the laboratory report form for all blood levels of at least ten micrograms per deciliter to the commissioner and to the board of health of the city or county in which the patient resides.

The information obtained from the screenings shall be reported by census tract and made available for research and to the public.

The commissioner shall work through the statewide WIC program to ensure that erythrocyte protoporphyrin testing of children for lead toxicity is integrated as a state reimbursed screening component of WIC services. The commissioner shall also evaluate the accessibility and affordability of lead screening for children throughout the state as provided by other health care providers and report the findings to the legislature by January 1990.

Sec. 19. [144.854] [ASSESSMENT AND ABATEMENT.]

Subdivision 1. [RESIDENCE ASSESSMENT.] If a child or pregnant woman is identified as having a blood lead level that exceeds 25 micrograms per deciliter or the Center for Disease Control recommendation for elevated blood level, the board of health must do a timely assessment of the child's or pregnant woman's residence

to determine the sources of lead contamination and must provide education to the residents and the owner on the best means of reducing the danger of the lead sources.

- Subd. 2. [ABATEMENT ORDERS.] If the level of lead in paint, soil, or dust found during the assessment conducted under subdivision 1 exceeds the toxic level of lead standards established in rules adopted under section 144.862, the board of health must order the property owner to abate the lead sources.
- Subd. 3. [PROVISION OF EQUIPMENT.] State matching funds shall be made available for a grant program to community-based organizations to purchase and provide paint removal equipment. Equipment shall include: drop cloth, secure containers, power water sprayers, scrapers, and any other equipment required by local health department or state health department rules. Equipment shall be made available to low-income households on a priority basis.
- Subd. 4. [PROTECTION OF RESIDENT AND YARD.] No person shall be required to scrape loose paint or remove intact paint in response to a housing code violation order or environmental health or abatement order unless the municipality provides:
- (1) specific information regarding personal safety precautions, and proper removal, containment, and cleanup of lead paint and debris;
- (2) a referral to an organization with proper removal equipment; and
- (3) a lead paint removal hot-line phone number for information and technical assistance.
- Subd. 5. [WARNING NOTICE.] A warning notice must be posted on all entrances to properties for which an order to abate a lead source has been issued by a board of health. This notice must remain posted until the abatement has been completed in accordance with the order, or until the board of health removes it. This warning must be at least 8½ by 11 inches in size, and must include the following provisions, or provisions using substantially similar language:
- (a) "This property contains dangerous amounts of lead to which children under age six and pregnant women should not be exposed."
- (b) "It is unlawful to remove or deface this warning. This warning may be removed only upon the direction of the board of health."
- Subd. 6. [RELOCATION OF RESIDENTS.] Relocation of residents is required from rooms or dwellings for removal of intact paint

and the removal or disruption of lead painted surfaces and plaster walls during construction or remodeling projects. The commissioner shall contract with boards of health for safe housing for relocation requirements. Efforts must be made to minimize disruption and ensure that a family may return to their place of residence if they desire, after abatement is completed.

Subd. 7. [RETESTING REQUIRED.] After completion of the abatement as ordered, the board of health must retest the paint, soil, and dust previously in violation to assure the violations no longer exist.

Sec. 20. [144.856] [REGISTRATION OF ABATEMENT CONTRACTORS.]

After July 1, 1989, abatement contractors who contract for the removal of leaded soil, dust, or deteriorating paint must register by phone, mail, or in person with the commissioner and notify the board of health of all abatement projects undertaken in response to an abatement order. All abatement contractors shall be given instructional materials on safe abatement methods and the requirements of relocation from rooms or dwellings by residents. By July 1, 1990, the commissioner shall develop a training program for abatement contractors and adopt rules specifying the abatement methods that must be used by contractors to provide for the safe collection, handling, storage, encapsulation, removal, transportation, and disposal of lead containing material. The commissioner shall adopt emergency rules for abatement methods and standards for paint, bare soil, dust, and drinking water from public fountains for cities of the first class. By January 1, 1991, the commissioner shall report to the legislature concerning the need for licensure or certification of lead abatement contractors.

Sec. 21. [144.860] [LEAD ABATEMENT ADVOCATE.]

The commissioner shall create and administer a program to fund locally based advocates who, following the issuance of an abatement order, will visit the family in their residence to instruct them about safety measures, materials, and methods to be followed before, during, and after the abatement process.

Sec. 22. [144.861] [STUDY ON ABATEMENT COSTS.]

The commissioner of state planning shall convene a task force of representatives of the Minnesota housing finance agency, the pollution control agency, the department of health, the state planning agency, abatement contractors, realtors, community residents including both tenants and landowners, lead advocacy organizations, and cultural groups at high risk of lead poisoning to evaluate the costs of providing assistance to property owners and local communities required to do abatement under this law and of providing

subsidized programs to assist them. The task force shall also present recommendations for a statewide subsidized abatement service program. The agency shall report its findings and recommendations to the legislature by January 1990.

Sec. 23. [144.862] [RULES.]

By June 30, 1990, the commissioner of the pollution control agency and the commissioner of health shall jointly adopt rules to set toxic lead levels for paint, bare soil, dust, and drinking water from public fountains.

Sec. 24. Minnesota Statutes 1988, section 144A.01, subdivision 5, is amended to read:

Subd. 5. "Nursing home" means a facility or that part of a facility which provides nursing care to five or more persons. "Nursing home" does not include a facility or that part of a facility which is a hospital, a hospital with approved swing beds as defined in section 144.562, clinic, doctor's office, diagnostic or treatment center, or a residential facility program licensed pursuant to sections 245.781 to 245.821 245A.01 to 245A.16 or 252.28.

Sec. 25. Minnesota Statutes 1988, section 144A.45, subdivision 2, is amended to read:

Subd. 2. [REGULATORY FUNCTIONS.] (a) The commissioner shall:

- (1) evaluate, monitor, and license home care providers in accordance with sections 144A.45 to 144A.49;
- (2) inspect the office and records of a provider during regular business hours, provided that when conducting routine office visits or inspections, the commissioner shall provide at least 48 hours without advance notice to the home care provider;
- (3) with the consent of the consumer, visit the home where services are being provided;
- (4) issue correction orders and assess civil penalties in accordance with section 144.653, subdivisions 5 to 8; and
- (5) take other action reasonably required to accomplish the purposes of sections 144A.43 to 144A.49.
- (b) In the exercise of the authority granted in sections 144A.43 to 144A.49, the commissioner shall comply with the applicable requirements of section 144.122, the government data practices act, and the administrative procedure act.

Sec. 26. Minnesota Statutes 1988, section 144A.46, is amended to read:

#### 144A.46 [LICENSURE.]

Subdivision 1. [LICENSE REQUIRED.] (a) A home care provider may not operate in the state without a current license issued by the commissioner of health.

- (b) Within ten days after receiving an application for a license, the commissioner shall acknowledge receipt of the application in writing. The acknowledgment must indicate whether the application appears to be complete or whether additional information is required before the application will be considered complete. Within 90 days after receiving a complete application, the commissioner shall either grant or deny the license. If an applicant is not granted or denied a license within 90 days after submitting a complete application, the license must be deemed granted. An applicant whose license has been deemed granted must provide written notice to the commissioner before providing a home care service.
- (c) Each application for a home care provider license, or for a renewal of a license, shall be accompanied by a fee to be set by the commissioner under section 144.122.
- Subd. 2. [EXEMPTIONS.] The following individuals or organizations are exempt from the requirement to obtain a home care provider license:
- (1) a person who is licensed under sections 148.171 to 148.285 and who independently provides nursing services in the home without any contractual or employment relationship to a home care provider or other organization;
- (2) a personal care assistant who provides services under the medical assistance program as authorized under section 256B.0625, subdivision 19, and section 256B.04, subdivision 16;
- (3) a person or organization that exclusively offers, provides, or arranges for personal care assistant services under the medical assistance program as authorized under section 256B.0625, subdivision 19, and section 256B.04, subdivision 16;
- (4) a person who is registered under sections 148.65 to 148.78 and who independently provides physical therapy services in the home without any contractual or employment relationship to a home care provider or other organization;
  - (5) a person who provides services to a person with mental

retardation under a program of semi-independent living services regulated by Minnesota Rules, parts 9525.0500 to 9525.0660; or

(6) a person who provides services to a person with mental retardation under contract with a county to provide home and community-based services that are reimbursed under the medical assistance program, chapter 256B, and regulated by Minnesota Rules, parts 9525.1800 to 9525.1930.

An exemption under this subdivision does not excuse the individual from complying with applicable provisions of the home care bill of rights.

Subd. 3. [ENFORCEMENT.] The commissioner may refuse to grant or renew a license, or may suspend or revoke a license, for violation of statutes or rules relating to home care services or for conduct detrimental to the welfare of the consumer. Prior to any suspension, revocation, or refusal to renew a license, the home care provider shall be entitled to notice and a hearing as provided by sections 14.57 to 14.70. In addition to any other remedy provided by law, the commissioner may, without a prior contested case hearing, temporarily suspend a license or prohibit delivery of services by a provider for not more than 60 days if the commissioner determines that the health or safety of a consumer is in imminent danger, provided (1) advance notice is given to the provider; (2) after notice, the provider fails to correct the problem; (3) the commissioner has reason to believe that other administrative remedies are not likely to be effective; and (4) there is an opportunity for a contested case hearing within the 60 days. The process of suspending or revoking a license must include a plan for transferring affected clients to other providers.

Subd. 3a. [INJUNCTIVE RELIEF.] In addition to any other remedy provided by law, the commissioner may bring an action in district court to enjoin a person who is involved in the management, operation, or control of a home care provider, or an employee of the home care provider from illegally engaging in activities regulated by sections 144A.43 to 144A.48. The commissioner may bring an action under this subdivision in the district court in Ramsey county or in the district in which a home care provider is providing services. The court may grant a temporary restraining order in the proceeding if continued activity by the person who is involved in the management, operation, or control of a home care provider, or by an employee of the home care provider, would create an imminent risk of harm to a recipient of home care services.

Subd. 3b. [SUBPOENA.] In matters pending before the commissioner under sections 144A.43 to 144A.48, the commissioner may issue subpoenas and compel the attendance of witnesses and the production of all necessary papers, books, records, documents, and other evidentiary material. If a person fails or refuses to comply

with a subpoena or order of the commissioner to appear or testify regarding any matter about which the person may be lawfully questioned or to produce any papers, books, records, documents, or evidentiary materials in the matter to be heard, the commissioner may apply to the district court in any district, and the court shall order the person to comply with the commissioner's order or subpoena. The commissioner of health may administer oaths to witnesses, or take their affirmation. Depositions may be taken in or outside the state in the manner provided by law for the taking of depositions in civil actions. A subpoena or other process or paper may be served upon a named person anywhere within the state by an officer authorized to serve subpoenas in civil actions, with the same fees and mileage and in the same manner as prescribed by law for process issued out of a district court. A person subpoenaed under this subdivision shall receive the same fees, mileage, and other costs that are paid in proceedings in district court.

Subd. 4. [RELATION TO OTHER REGULATORY PROGRAMS.] In the exercise of the authority granted under sections 144A.43 to 144A.49, the commissioner shall not duplicate or replace standards and requirements imposed under another state regulatory program. The commissioner shall not impose additional training or education. requirements upon members of a licensed or registered occupation or profession, except as necessary to address or prevent problems that are unique to the delivery of services in the home or to enforce and protect the rights of consumers listed in section 144A.44. For home care providers certified under the Medicare program, the state standards must not be inconsistent with the Medicare standards for Medicare services. To the extent possible, the commissioner shall coordinate the inspections required under sections 144A.45 to 144A.48 with the health facility licensure inspections required under sections 144.50 to 144.58 or 144A.10 when the health care facility is also licensed under the provisions of Laws 1987, chapter 378.

Subd. 5. [PRIOR CRIMINAL CONVICTIONS.] An applicant for a home care provider license shall disclose to the commissioner all criminal convictions of persons involved in the management, operation, or control of the provider. A home care provider shall require employees of the provider and applicants for employment in positions that involve contact with recipients of home care services to disclose all criminal convictions. The commissioner may adopt rules that may require a person who must disclose criminal convictions under this subdivision to provide fingerprints and releases that authorize law enforcement agencies, including the bureau of criminal apprehension and the federal bureau of investigation, to release information about the person's criminal convictions to the commissioner and home care providers. The bureau of criminal apprehension, county sheriffs, and local chiefs of police shall, if requested, provide the commissioner with criminal conviction data available from local, state, and national criminal record repositories, includ-

ing the criminal justice data communications network. No person may be employed by a home care provider er in a position that involves contact with recipients of home care services nor may any person be involved in the management, operation, or control of a provider, if the person has been convicted of a crime that relates to the provision of home care services or to the position, duties, or responsibilities undertaken by that person in the operation of the home care provider, unless the person can provide sufficient evidence of rehabilitation. The commissioner shall adopt rules for determining what types of employment positions, including volunteer positions, involve contact with recipients of home care services, and whether a crime relates to home care services and what constitutes sufficient evidence of rehabilitation. The rules must require consideration of the nature and seriousness of the crime; the relationship of the crime to the purposes of home care licensure and regulation; the relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the person's position; mitigating circumstances or social conditions surrounding the commission of the crime; the length of time elapsed since the crime was committed; the seriousness of the risk to the home care client's person or property; and other factors the commissioner considers appropriate. Data collected under this subdivision shall be classified as private data under section 13.02, subdivision 12.

## Sec. 27. [144A.465] [LICENSURE; PENALTY.]

A person involved in the management, operation, or control of a home care provider who violates section 144A.46, subdivision 1, paragraph (a), is guilty of a misdemeanor. This section does not apply to a person who had no legal authority to affect or change decisions related to the management, operation, or control of a home care provider.

Sec. 28. Minnesota Statutes 1988, section 145.38, subdivision 1, is amended to read:

Subdivision 1. No person shall sell to a person under 19 18 years of age any glue er, cement, or aerosol paint containing toluene, benzene, xylene, amyl nitrate, butyl nitrate, nitrous oxide, or other aromatic hydrocarbon solvents, or any similar substance which the state commissioner of health has, by rule adopted pursuant to sections 14.02, 14.04 to 14.36, 14.38, and 14.44 to 14.45, declared to have potential for abuse and toxic effects on the central nervous system. This section does not apply if the glue er, cement, or aerosol paint is contained in a packaged kit for the construction of a model automobile, airplane, or similar item.

Sec. 29. [145.385] [WARNING SIGNS.]

A business establishment that offers for sale at retail any item as

described in section 145.38, subdivision 1, must display a conspicuous sign that contains the following, or substantially similar, language:

## "NOTICE

It is unlawful for a person to sell glue, cement, or aerosol paint containing intoxicating substances to a person under 18 years of age, except as provided by law. Such an offense is a misdemeanor. It is also unlawful for a person to use or possess glue, cement, or aerosol paint with the intent of inducing intoxication, excitement, or stupefaction of the central nervous system. Such an offense is a misdemeanor. Such use can be harmful or fatal."

Sec. 30. Minnesota Statutes 1988, section 145.39, subdivision 1, is amended to read:

Subdivision 1. No person under 19 years of age shall use or possess any glue, cement, aerosol paint, or any other substance containing toluene, benzene, xylene, amyl nitrate, butyl nitrate, nitrous oxide, or other aromatic hydrocarbon solvents, or any similar substance which the state commissioner of health has, by rule adopted pursuant to sections 14.02, 14.04 to 14.36, 14.38, and 14.44 to 14.45, declared to have potential for abuse and toxic effects on the central nervous system with the intent of inducing intoxication, excitement or stupefaction of the central nervous system, except under the direction and supervision of a medical doctor.

Sec. 31. [145.406] [INFORMATION ON THE SALE AND USE OF TOXIC SUBSTANCES.]

The commissioner of health shall prepare and distribute materials designed to provide information to retail businesses on the requirements of sections 145.38 to 145.40.

Sec. 32. [145.867] [PERSONS REQUIRING SPECIAL DIETS.]

Subd. 2. [IDENTIFICATION CARD FOR INDIVIDUALS NEED-ING A SPECIAL DIET.] The commissioner of health shall make special diet identification cards available to physicians and to persons with diabetes and other conditions requiring special diets. The identification card must contain spaces for: (1) the person's name, address, and signature; (2) the physician's name, phone number, and signature; (3) a description of the person's medical condition; and (4) an expiration date. The card must also contain the following provision, in identical or substantially similar language: "The owner of this card is exempted by the commissioner of health

from prohibitions on bringing outside food and drink into a public facility." Persons with medical conditions requiring a special diet may ask their physician to fill out and sign the card. The physician shall fill out and sign the card if, in the physician's medical judgment, the person has a medical condition that requires a special diet. Persons with diabetes shall be automatically assumed by physicians to require special diets. Special diet identification cards shall be valid for five years. Persons with a medical condition requiring a special diet may request a new card from their physician up to six months before the expiration date.

- Subd. 3. [EXEMPTION FROM FOOD AND DRINK PROHIBITIONS.] Persons with medical conditions requiring a special diet who present a valid special diet identification card to any employee of a public facility shall be allowed to bring in outside food and drink, subject to the limitations in subdivision 4. To be valid, the card must be filled out according to subdivision 2 and must be current. Persons with special diet identification cards must obey all other food and drink regulations established by a public facility including prohibitions on eating or drinking in certain areas of the public facility.
- Subd. 4. [LIMITATION ON EXEMPTION.] Public facilities may limit the amount of food and drink that may be brought into a public facility by a person with a special diet identification card to the amount that can reasonably be consumed by a single individual. Public facilities may also place limits on the size of any food or drink container carried in, if the container would be a safety hazard or interfere with other patrons or customers. Public facilities may also require persons displaying a special diet identification card to show some other form of identification.
- Sec. 33. Minnesota Statutes 1988, section 145.882, subdivision 1, is amended to read:

Subdivision 1. [CONTINUATION OF 1983 PROJECTS FUND-ING LEVELS AND ADVISORY TASK FORCE REVIEW.] (a) Notwithstanding subdivisions 2 and 3, recipients of maternal and child health grants for special projects in state fiscal year 1983 shall continue to be funded at the same level as in state fiscal year 1983 until December 31, 1987. Beginning January 1, 1988, recipients of maternal and child health special project grants awarded in state fiscal year 1983 must receive:

- (1) for calendar year 1988, no less than 80 percent of the amount awarded in state fiscal year 1983; and
- (2) for calendar year 1989, no less than 70 percent of the amount awarded in state fiscal year 1983.
  - (b) The amount of grants awarded under this subdivision must be

deducted from the allocation under subdivisions 3 and 4 for the community health services area within which the grantee is located. In order to receive money under this subdivision, recipients must continue to comply with sections 145.881 and 145.882 to 145.888. These recipients are also eligible to apply for grants under subdivisions 2, 3, and 4. Any decrease in the amount of federal funding to the state for the maternal and child health block grant must be apportioned to reflect a proportional decrease for each recipient. Any increase in the amount of federal funding to the state must be distributed under subdivisions 2, 3, and 4.

- (e) The advisory task force shall review and recommend the proportion of maternal and child health block grant funds to be expended for indirect costs, direct services and special projects.
- Sec. 34. Minnesota Statutes 1988, section 145.882, subdivision 3, is amended to read:
- Subd. 3. [ALLOCATION TO COMMUNITY HEALTH SERVICES AREAS.] (a) The maternal and child health block grant money remaining after distributions made under subdivisions 1 and subdivision 2 must be allocated according to the formula in subdivision 4 to community health services areas for distribution by community health boards as defined in section 145A.02, subdivision 5, to qualified programs that provide essential services within the community health services area as long as:
- (1) the Minneapolis community health service area is allocated at least \$1,626,215 per year;
- (3) all other community health service areas are allocated at least \$30,000 per county per year or their 1988-1989 funding cycle award, whichever is less.
- (b) Notwithstanding paragraph (a), if the total amount of maternal and child health block grant funding decreases, the decrease must be apportioned to reflect a proportional decrease for each recipient, including recipients who would otherwise receive a guaranteed minimum allocation under paragraph (a).
- Sec. 35. Minnesota Statutes 1988, section 145.882, subdivision 7, is amended to read:
- Subd. 7. [USE OF BLOCK GRANT MONEY.] (a) Maternal and child health block grant money allocated to a community health board or community health services area under this section must be

used for qualified programs for high risk and low income individuals. Block grant money must be used for programs that:

- (1) specifically address the highest risk populations, particularly low income and minority groups with a high rate of infant mortality and children with low birth weight, by providing services calculated to produce measurable decreases in infant mortality rates, instances of children with low birth weight, and medical complications associated with pregnancy and childbirth;
- (2) specifically target pregnant women whose age, medical condition, or maternal history substantially increases the likelihood of complications associated with pregnancy and childbirth or the birth of a child with an illness, disability, or special medical needs;
- (3) specifically address the health needs of young children who have or are likely to have a chronic disease or disability or special medical needs; or
- (4) provide family planning and preventive medical care for specifically identified target populations, such as minority and low income teenagers, in a manner calculated to decrease the occurrence of inappropriate pregnancy and minimize the risk of complications associated with pregnancy and childbirth-; or
- (5) specifically address the frequency and severity of childhood injuries in high risk target populations by providing services calculated to produce measurable decreases in mortality and morbidity. However, money may be used for this purpose only if the community health board's application includes program components for the purposes in clauses (1) to (4) in the proposed geographic service area and the total expenditure for injury-related programs under this clause does not exceed ten percent of the total allocation under subdivision 3.
- (b) Maternal and child health block grant money may be used for purposes other than the purposes listed in this subdivision only if under the following conditions:
- (1) the community health board or community health services area can demonstrate that existing programs fully address the needs of the highest risk target populations described in this subdivision-; or
- (2) the money is used to continue projects that received funding before creation of the maternal and child health block grant in 1981.
- (c) Projects that received funding before creation of the maternal and child health block grant in 1981, must be allocated at least the amount of maternal and child health special project grant funds

received in 1989, unless (1) the local board of health provides equivalent alternative funding for the project from another source; or (2) the local board of health demonstrates that the need for the specific services provided by the project has significantly decreased as a result of changes in the demographic characteristics of the population, or other factors that have a major impact on the demand for services. If the amount of federal funding to the state for the maternal and child health block grant is decreased, these projects must receive a proportional decrease as required in subdivision 1. Increases in allocation amounts to local boards of health under subdivision 4 may be used to increase funding levels for these projects.

Sec. 36. [145.898] [SUDDEN INFANT DEATH.]

The department of health shall develop uniform investigative guidelines and protocols for coroners and medical examiners conducting death investigations and autopsies of children under two years of age.

Sec. 37. [145.9245] [GRANTS FOR CASE MANAGEMENT SER-VICES FOR AIDS INFECTED PERSONS.]

The commissioner may award special grants to community health boards as defined in section 145A.02, subdivision 5, or nonprofit corporations for the development, implementation, and evaluation of case management services for individuals infected with the human immunodeficiency virus to assist in preventing transmission of the human immunodeficiency virus to others.

For purposes of this subdivision, "directly supervised" means an individual listed in clause (1) or (3) is within sight or hearing of a volunteer to the extent that the individual listed in clause (1) or (3) is capable at all times of intervening to protect the health and safety of the persons served by the program who have direct contact with the volunteer.

A study of an individual in clauses (1) to (4) shall be conducted on at least an annual basis. No applicant, license holder, or individual who is the subject of the study shall pay any fees required to conduct the study.

- (b) The individual who is the subject of the study must provide the applicant or license holder with sufficient information to ensure an accurate study including the individual's first, middle, and last name; home address, city, county, and state of residence; zip code; sex; date of birth; and driver's license number. The applicant or license holder shall provide this information about an individual in paragraph (a), clauses (1) to (4), on forms prescribed by the commissioner. The commissioner may request additional information of the individual, which shall be optional for the individual to provide, such as the individual's social security number or race.

The commissioner may also review arrest and investigative information from the bureau of criminal apprehension, a county attorney, county sheriff, county agency, local chief of police, other states, the courts, or a national criminal record repository if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual listed in paragraph (a), clauses (1) to (4).

- (e) (d) An applicant's or license holder's failure or refusal to cooperate with the commissioner is reasonable cause to deny an application or immediately suspend, suspend, or revoke or suspend a license. Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.
- (d) (e) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.
- (f) No person in paragraph (a), clause (1), (2), (3), or (4) who is disqualified as a result of this act may be retained by the agency in a position involving direct contact with persons served by the program.

- (i) The commissioner may establish records to fulfill the requirements of this section. The information contained in the records is only available to the commissioner for the purpose authorized in this section.
- Sec. 71. Minnesota Statutes 1988, section 245A.04, is amended by adding a subdivision to read:
- Subd. 3a. [NOTIFICATION TO SUBJECT OF STUDY RESULTS.] The commissioner shall notify the applicant or license holder and the individual who is the subject of the study, in writing, of the results of the study. When the study is completed, a notice that the study was undertaken and completed shall be maintained in the personnel files of the program.

The commissioner shall notify the individual studied if the information contained in the study could cause disqualification from direct contact with persons served by the program. The commissioner shall disclose the information to the individual studied. An applicant or license holder who is not the subject of the study shall be informed that the commissioner has found information that could cause disqualification of the subject from direct contact with persons served by the program. However, the applicant or license holder shall not be told what that information is unless the data practices act provides for release of the information and the individual studied authorizes the release of the information.

Sec. 72. Minnesota Statutes 1988, section 245A.04, is amended by adding a subdivision to read:

Subd. 3b. [RECONSIDERATION OF DISQUALIFICATION.] (a) Within 30 days after receiving notice of possible disqualification under subdivision 3a, the individual who is the subject of the study may request reconsideration of the notice of possible disqualification. The individual must submit the request for reconsideration to the commissioner in writing. The individual must present information to show that:

- (1) the information the commissioner relied upon is incorrect; or
- (2) the subject of the study does not pose a risk of harm to any person served by the applicant or license holder.
- (b) The commissioner may set aside the disqualification if the commissioner finds that the information the commissioner relied upon is incorrect or the individual does not pose a risk of harm to any person served by the applicant or license holder and rules adopted by the commissioner do not preclude reconsideration. The commissioner shall review the consequences of the event or events that could lead to disqualification, the vulnerability of the victim at the time of the event, the time elapsed without a repeat of the same or similar event, and documentation of successful completion by the individual studied of training or rehabilitation pertinent to the event.
- (c) The commissioner shall respond in writing to all reconsideration requests within 15 working days after receiving the request for reconsideration. If the disqualification is set aside, the commissioner shall notify the applicant or license holder in writing of the decision.
- (d) Except as provided in subdivision 3c, the commissioner's decision to grant or deny a reconsideration of disqualification under this subdivision, or to set aside or uphold the results of the study under subdivision 3, is the final administrative agency action.

Sec. 73. Minnesota Statutes 1988, section 245A.04, is amended by adding a subdivision to read:

Subd. 3c. [CONTESTED CASE.] If a disqualification is not set aside, a person who, on or after the effective date of rules adopted under subdivision 3, paragraph (i), is an employee of an employer, as defined in section 179A.03, subdivision 15, may request a contested case hearing under chapter 14. Rules adopted under this chapter may not preclude an employee in a contested case hearing for disqualification from submitting evidence concerning information gathered under subdivision 3, paragraph (e).

Sec. 74. Minnesota Statutes 1988, section 245A.04, subdivision 5, is amended to read:

Subd. 5. The commissioner must be given access without prior notice and as often as the commissioner considers necessary if the commissioner is conducting an investigation of allegations of abuse, neglect, maltreatment, or other violation of applicable laws or rules. In conducting inspections, the commissioner may request and shall receive assistance from other state, county, and municipal governmental agencies and departments. The applicant or license holder shall allow the commissioner to photocopy, photograph, and make audio and video tape recordings during the inspection of the program at the commissioner's expense. The commissioner shall obtain a court order or the consent of the subject of the records or the parents or legal guardian of the subject before photocopying hospital medical records.

Persons served by the program have the right to refuse to consent to be interviewed, photographed, or audio or videotaped. Failure or refusal of an applicant or license holder to fully comply with this subdivision is reasonable cause for the commissioner to deny the application or immediately suspend or revoke the license.

Sec. 75. Minnesota Statutes 1988, section 245A.04, subdivision 6, is amended to read:

Subd. 6. [COMMISSIONER'S EVALUATION.] Before granting, suspending, revoking, or making probationary a license, the commissioner shall evaluate information gathered under this section. The commissioner's evaluation shall consider facts, conditions, or circumstances concerning the program's operation, the well-being of persons served by the program, consumer evaluations of the pro-

gram, and information about the character and qualifications of the personnel employed by the applicant or license holder.

The commissioner shall evaluate the results of the study required in subdivision 3 and determine whether a risk of harm to the persons served by the program exists. In conducting this evaluation, the commissioner shall apply the disqualification standards set forth in rules adopted under this chapter. If any rule currently does not include these disqualification standards, the commissioner shall apply the standards in section 364.03, subdivision 23, until the rule is revised to include disqualification standards. The commissioner shall revise all rules authorized by this chapter to include disqualification standards. Prior to the adoption of rules establishing disqualification standards, the commissioner shall forward the proposed rules to the commissioner of human rights for review and recommendation concerning the protection of individual rights. The recommendation of the commissioner of human rights is not binding on the commissioner of human services. The provisions of chapter 364 do not apply to applicants or license holders governed by sections 245A.01 to 245A.16 except as provided in this subdivision.

Sec. 76. Minnesota Statutes 1988, section 245A.04, subdivision 7, is amended to read:

- Subd. 7. [ISSUANCE OF A LICENSE; PROVISIONAL LICENSE.] (a) If the commissioner determines that the program complies with all applicable rules and laws, the commissioner shall issue a license. At minimum, the license shall state:

- (b) The commissioner may issue a provisional license for a period not to exceed one year if:
- (1) the commissioner is unable to conduct the evaluation or observation required by subdivision 4, paragraph (a), clauses (3) and (4), because the program is not yet operational;

- (2) certain records and documents are not available because persons are not yet receiving services from the program; and
- (3) the applicant complies with applicable laws and rules in all other respects.

A provisional license must not be issued except at the time that a license is first issued to an applicant.

A license shall not be transferable to another individual, corporation, partnership, voluntary association or other organization, or controlling individual, or to another location. All licenses expire at 12:01 a.m. on the day after the expiration date stated on the license. [CONTENTS OF CORRECTION ORDERS.] (a) If the commissioner finds that the applicant or license holder has failed to comply with an applicable law or rule and this failure does not imminently endanger the health, safety, or rights of the persons served by the program, the commissioner may issue a correction order to the applicant or license holder. The correction order must state:

If the license holder fails to fully comply with the order, the commissioner shall suspend the license until the license holder complies. If the license holder receives state funds, the state, county, or municipal agencies or departments responsible for administering the funds shall withhold payments and recover any payments made while the license is suspended for failure to pay a fine.

Sec. 79. Minnesota Statutes 1988, section 245A.06, is amended by adding a subdivision to read:

Subd. 5a. [ACCRUAL OF FINES.] A license holder shall promptly notify the commissioner of human services, in writing, when a violation specified in an order to forfeit is corrected. A fine assessed for a violation shall stop accruing when the commissioner receives the written notice. The commissioner shall reinspect the program within three working days after receiving the notice. If upon reinspection the commissioner determines that a violation has not been corrected as indicated by the order to forfeit, accrual of the daily fine resumes on the date of reinspection and the amount of fines that otherwise would have accrued between the date the commissioner received the notice and date of the reinspection is added to the total assessment due from the license holder. The commissioner shall notify the license holder by certified mail that accrual of the fine has resumed. The license holder may challenge the resumption in a contested case under chapter 14 by written request within 15 days after receipt of the notice of resumption. Recovery of the resumed fine must be stayed if a controlling individual or a legal representative on behalf of the license holder makes a written request for a hearing. The request for hearing, however, may not stay accrual of the daily fine for violations that have not been corrected. The cost of reinspection conducted under this subdivision for uncorrected violations must be added to the total amount of accrued fines due from the license holder.

Sec. 80. Minnesota Statutes 1988, section 245A.07, subdivision 2, is amended to read:

Subd. 2. [IMMEDIATE SUSPENSION IN CASES OF IMMINENT DANGER TO HEALTH, SAFETY, OR RIGHTS.] If the license holder's failure to comply with applicable law or rule has placed the health, safety, or rights of persons served by the program in imminent danger, the commissioner shall act immediately to suspend the license. No state funds shall be made available or be expended by any agency or department of state, county, or municipal government for use by a license holder regulated under sections 245A.01 to 245A.16 while a license is under immediate suspension. A notice stating the reasons for the immediate suspension and informing the license holder of the right to a contested case hearing under chapter 14 must be delivered by personal service to the address shown on the application or the last known address of the license holder. The license holder may appeal an order immediately suspending a license by notifying the commissioner in writing by certified mail within five calendar days after receiving notice that the license has been immediately suspended. A license holder and any controlling individual shall discontinue operation of the program upon receipt of the commissioner's order to immediately suspend the license.

Sec. 81. Minnesota Statutes 1988, section 245A.08, subdivision 5, is amended to read:

The commissioner shall consider, but shall not be bound by, the recommendations of the administrative law judge. The appellant must be notified of the commissioner's final order as required by chapter 14. The notice must also contain information about the appellant's rights under chapter 14. Sec. 82. Minnesota Statutes 1988, section 245A.12, is amended to read:

## 245A.12 [VOLUNTARY RECEIVERSHIP FOR RESIDENTIAL FACILITIES PROGRAMS.]

A majority of controlling persons individuals of a residential program may at any time ask the commissioner to assume operation of the residential program through appointment of a receiver. On receiving the request for a receiver, the commissioner may enter into an agreement with a majority of controlling persons individuals and provide for the appointment of a receiver to operate the residential program under conditions acceptable to both the commissioner and the majority of controlling persons. The agreement must specify the terms and conditions of the receivership and preserve the rights of the persons being served by the residential program. A receivership set up under this section terminates at the time specified by the parties to the agreement or 30 days after either of the parties gives written notice to the other party of termination of the receivership agreement.

Sec. 83. Minnesota Statutes 1988, section 245A.13, is amended to read:

# 245A.13 [INVOLUNTARY RECEIVERSHIP FOR RESIDENTIAL FACILITIES PROGRAMS.]

Subdivision 1. [APPLICATION.] In addition to any other remedy provided by law, the commissioner may petition the district court in the county where the residential program is located for an order directing the controlling persons individuals of the residential program to show cause why the commissioner or the commissioner's designated representative should not be appointed receiver to oper-

ate the residential program. The petition to the district court must contain proof by affidavit: (1) that the commissioner has either begun license suspension or revocation proceedings, suspended or revoked a license, or has decided to deny an application for licensure of the residential program; or (2) it appears to the commissioner that the health, safety, or rights of the residents may be in jeopardy because of the manner in which the residential program may close, the residential program's financial condition, or violations committed by the residential program of federal or state laws or rules. If the license holder or, applicant, or controlling individual operates more than one residential program, the commissioner's petition must specify and be limited to the residential program for which the commissioner has either begun license suspension or revocation proceedings, suspended or revoked a license, or has decided to deny an application for licensure of the residential program it seeks receivership. The affidavit submitted by the commissioner must set forth alternatives to receivership that have been considered, including rate adjustments. The order to show cause is returnable not less than five days after service is completed and must provide for personal service of a copy to the residential program administrator and to the persons designated as agents by the controlling persons individuals to accept service on their behalf.

Subd. 2. [APPOINTMENT OF RECEIVER: RENTAL.] If the court finds that involuntary receivership is necessary as a means of protecting the health, safety, or rights of persons being served by the residential program, the court shall appoint the commissioner or the commissioner's designated representative as a receiver to operate the residential program. In the event that no receiver can be found who meets the conditions of this section, the commissioner or commissioner's designated representative may serve as the receiver. The court shall determine a fair monthly rental for the physical plant, taking into account all relevant factors including necessary to meet required arms-length obligations of controlling individuals such as mortgage payments, real estate taxes, special assessments, and the conditions of the physical plant. The rental fee must be paid by the receiver to the appropriate controlling persons individuals for each month that the receivership remains in effect. No payment made to a controlling person individual by the receiver or any state agency during a period of involuntary receivership shall include any allowance for profit or be based on any formula that includes an allowance for profit.

Subd. 3. [POWERS AND DUTIES OF THE RECEIVER.] Within 18 36 months after the receivership order, a receiver appointed to operate a residential program during a period of involuntary receivership shall provide for the orderly transfer of the persons served by the residential program to other residential programs or make other provisions to protect their health, safety, and rights. The receiver shall correct or eliminate deficiencies in the residential program that the commissioner determines endanger the health, safety, or

welfare of the persons being served by the residential program unless the correction or elimination of deficiencies involves major alteration in the structure of the physical plant. If the correction or elimination of the deficiencies requires major alterations in the structure of the physical plant, the receiver shall take actions designed to result in the immediate transfer of persons served by the residential program. During the period of the receivership, the receiver shall operate the residential program in a manner designed to guarantee preserve the health, safety, rights, adequate care, and supervision of the persons served by the residential program. The receiver may make contracts and incur lawful expenses. The receiver shall collect incoming payments from all sources and apply them to the cost incurred in the performance of the receiver's functions including the receiver's fee set under subdivision 4. No security interest in any real or personal property comprising the residential program or contained within it, or in any fixture of the physical plant, shall be impaired or diminished in priority by the receiver. The receiver shall pay all valid obligations of the residential program and may deduct these expenses, if necessary, from rental payments owed to any controlling person individual by virtue of the receivership.

- Subd. 4. [RECEIVER'S FEE; LIABILITY; ASSISTANCE FROM THE COMMISSIONER.] A receiver appointed under an involuntary receivership is entitled to a reasonable receiver's fee as determined by the court. The receiver's fee is governed by section 256B.495. The receiver is liable only in an official capacity for injury to person and property by reason of the conditions of the residential program. The receiver is not personally liable, except for gross negligence and intentional acts.
- Subd. 5. [TERMINATION.] An involuntary receivership terminates  $42 \ \underline{36}$  months after the date on which it was ordered or at any other time designated by the court or when any of the following events occurs:
- (1) the commissioner determines that the residential program's license application should be granted or should not be suspended or revoked;
  - (2) a new license is granted to the residential program; or
- (3) the commissioner determines that all persons residing in the residential program have been provided with alternative residential programs.
- Subd. 6. [EMERGENCY PROCEDURE.] If it appears from the petition filed under subdivision 1, from an affidavit or affidavits filed with the petition, or from testimony of witnesses under oath if the court determines it necessary, that there is probable cause to believe that an emergency exists in a residential program, the court

shall issue a temporary order for appointment of a receiver within five days after receipt of the petition. Notice of the petition must be served on the residential program administrator and on the persons designated as agents by the controlling individuals to accept service on their behalf. A hearing on the petition must be held within five days after notice is served unless the administrator or designated agent consents to a later date. After the hearing, the court may continue, modify, or terminate the temporary order.

- Subd. 7. [RATE RECOMMENDATION.] The commissioner of human services may review rates of a residential program participating in the medical assistance program which is in involuntary receivership and that has needs or deficiencies documented by the department of health or the department of human services. If the commissioner of human services determines that a review of the rate established under section 256B.501 is needed, the commissioner shall:
- (2) determine the need for additional staff, additional annual hours by type of employee, and additional consultants, services, supplies, equipment, repairs, or capital assets necessary to satisfy the needs or deficiencies.
- Subd. 8. [ADJUSTMENT TO THE RATE.] Upon review of rates under subdivision 7, the commissioner may adjust the residential program's payment rate. The commissioner shall review the circumstances, together with the residential program cost report, to determine whether or not the deficiencies or needs can be corrected or met by reallocating residential program staff, costs revenues, or other resources including any investments, efficiency incentives, or allowances. If the commissioner determines that any deficiency cannot be corrected or the need cannot be met, the commissioner shall determine the payment rate adjustment by dividing the additional annual costs established during the commissioner's review by the residential program's actual resident days from the most recent desk-audited cost report or the estimated resident days in the projected receivership period. The payment rate adjustment must meet the conditions in Minnesota Rules, parts 9553.0010 to 9553.0080, and remains in effect during the period of the receivership or until another date set by the commissioner. Upon the subsequent sale or transfer of the residential program, the commissioner may recover amounts that were paid as payment rate adjustments under this subdivision. The buyer or transferee shall repay this amount to the commissioner within 60 days after the commissioner notifies the buyer or transferee of the obligation to repay. This provision does not limit the liability of the seller to the commissioner pursuant to section 256B.0641.

Sec. 84. Minnesota Statutes 1988, section 245A.14, subdivision 3, is amended to read:

Subd. 3. [CONDITIONAL LICENSE.] Until such time as the commissioner adopts appropriate rules for conditional licenses, no license holder or applicant for a family or group family day care license is required to spend more than \$100 to meet fire safety rules in excess of those required to meet Group "R" occupancies under the Uniform Building Code, chapter 12, as incorporated by reference in Minnesota Rules, part 1305.0100.

When the commissioner determines that an applicant or license holder of a family or group family day care license would be required to spend over \$100 for physical changes to ensure fire safety, the commissioner may issue a conditional license when all of the following conditions have been met:

- (a) The commissioner shall notify the provider license holder or applicant in writing of the fire safety deficiencies.
- (b) The commissioner shall notify the  $\frac{\text{provider}}{\text{provider}}$   $\frac{\text{license}}{\text{license}}$   $\frac{\text{holder}}{\text{hat would}}$  or applicant in writing of alternative compliance standards that would correct deficiencies, if available.
- (c) The provider license holder or applicant agrees in writing to notify each parent, on a form prescribed by the commissioner that requires the signature of the parent, of the fire safety deficiencies, and the existence of the conditional license.
- Sec. 85. Minnesota Statutes 1988, section 245A.14, is amended by adding a subdivision to read:

Subd. 5a. [DROP-IN CHILD CARE PROGRAMS.] Except as expressly set forth in this subdivision, drop-in child care programs must be licensed as a drop-in program under the rules governing child care programs operated in a center. Drop-in child care programs are exempt from the requirements in Minnesota Rules, parts 9503.0040; 9503.0045, subpart 1, items F and G; 9503.0050, subpart 6, except for children less than two and one-half years old; one-half the requirements of 9503.0060, subpart 4, item A, subitems (2), (5), and (8), subpart 5, item A, subitems (2), (3), and (7), and subpart 6, item A, subitems (3) and (6); 9507.0070; and 9503.0090, subpart 2. A drop-in child care program must maintain a minimum staff ratio for children age two and one-half or greater of one staff person for each ten children, except that there must be at least two persons on staff whenever the program is operating. If the program has additional staff who are on call as a mandatory condition of their employment, the minimum ratio may be exceeded only for children age two and one-half or greater, by a maximum of four children, for no more than 20 minutes while additional staff are in transit. The minimum staffto-child ratio for infants up to 16 months of age is one staff person for every four infants. The minimum staff-to-child ratio for children age 17 months to 30 months is one staff for every seven children. In drop-in care programs that serve both infants and older children, children up to age two and one-half may be supervised by assistant teachers, as long as other staff are present in appropriate ratios. The minimum staff distribution pattern for a drop-in child care program serving children age two and one-half or greater is: the first staff member must be a teacher; the second, third, and fourth staff members must have at least the qualifications of a child care aide: the fifth staff member must have at least the qualifications of an assistant teacher; the sixth, seventh, and eighth staff members must have at least the qualifications of a child care aide; and the ninth staff person must have at least the qualifications of an assistant teacher. A drop-in child care program serving children less than two and one-half years of age must serve these children in an area separated from older children. Children age two and one-half and older may be cared for in the same child care group.

Sec. 94. Minnesota Statutes 1988, section 252.46, subdivision 2, is amended to read:

Subd. 2. [1988 AND 1989 AND 1990 MINIMUM.] Unless a variance is granted under subdivision 6, the minimum payment

rates set by a county board for each vendor for calendar years 1988 and 1989 and 1990 must be equal to the payment rates approved by the commissioner for that vendor in effect January 1, 1987 1988, and January 1, 1988 1989, respectively.

Sec. 95. Minnesota Statutes 1988, section 252.46, subdivision 3, is amended to read:

Subd. 3. [1988 AND 1989 AND 1990 MAXIMUM.] Unless a variance is granted under subdivision 6, the maximum payment rates for each vendor for calendar years 1988 and 1989 and 1990 must be equal to the payment rates approved by the commissioner for that vendor in effect December 1, 1987 1988, and December 1, 1988 1989, respectively, increased by no more than the projected percentage change in the urban consumer price index, all items, published by the United States Department of Labor, for the upcoming calendar year over the current calendar year.

Sec. 96. Minnesota Statutes 1988, section 252.46, subdivision 4, is amended to read:

Subd. 4. [NEW VENDORS.] Payment rates established by a county for calendar years 1988 and 1989 and 1990, for a new vendor for which there were no previous rates must not exceed 125 percent of the average payment rates in the regional development commission district under sections 462.381 to 462.396 in which the new vendor is located.

Sec. 97. Minnesota Statutes 1988, section 252.46, subdivision 6, is amended to read:

Subd. 6. [VARIANCES.] A variance from the minimum or maximum payment rates in subdivisions 2 and 3 may be granted by the commissioner when the vendor requests and the county board submits to the commissioner a written variance request with the recommended payment rates. The commissioner shall develop by October 1, 1989, a uniform format for submission of documentation for the variance requests. This format shall be used by each vendor requesting a variance. The form shall be developed by the commissioner and shall be reviewed by representatives of advocacy and provider groups and counties. A variance may be utilized for costs associated with compliance with state administrative rules, compliance with court orders, capital costs required for continued licensure, increased insurance costs, start-up and conversion costs for supported employment, direct service staff salaries and benefits, and transportation. The county board shall review all vendors' payment rates that are ten or more than ten percent lower than the statewide median payment rates. If the county determines that the payment rates do not provide sufficient revenue to the vendor for authorized service delivery the county must recommend a variance under this section. When the county board contracts for increased services from

any vendor for some or all individuals receiving services from the vendor, the county board shall review the vendor's payment rates to determine whether the increase requires that a variance to the minimum rates be recommended under this section to reflect the vendor's lower per unit fixed costs. The written variance request must include documentation that all the following criteria have been met:

- (1) The commissioner and the county board have both conducted a review and have identified a need for a change in the payment rates and recommended an effective date for the change in the rate.
- (2) The proposed changes are required for the vendor to deliver authorized individual services in an effective and efficient manner.
- (3) The proposed changes are necessary to demonstrate compliance with minimum licensing standards, or to provide community-integrated and supported employment services after a change in the vendor's existing services has been approved as provided in section 252.28.
- (4) The vendor documents that the changes cannot be achieved by reallocating current staff or by reallocating financial resources.
- (5) The county board submits evidence that the need for additional staff cannot be met by using temporary special needs rate exceptions under Minnesota Rules, parts 9510.1020 to 9510.1140.
- (6) The county board submits a description of the nature and cost of the proposed changes, and how the county will monitor the use of money by the vendor to make necessary changes in services.
- (7) The county board's recommended payment rates do not exceed 125 percent of the current calendar year's statewide median payment rates.

The commissioner shall have 60 calendar days from the date of the receipt of the complete request to accept or reject it, or the request shall be deemed to have been granted. If the commissioner rejects the request, the commissioner shall state in writing the specific objections to the request and the reasons for its rejection.

- Sec. 98. Minnesota Statutes 1988, section 252.46, subdivision 12, is amended to read:
- Subd. 12. [RATES ESTABLISHED AFTER 1989 1990.] Payment rates established by a county board to be paid to a vendor on or after January 1, 1990 1991, must be determined under permanent rules adopted by the commissioner. No county shall pay a rate that is less than the minimum rate determined by the commissioner.

In developing procedures for setting minimum payment rates and procedures for establishing payment rates, the commissioner shall consider the following factors:

- (1) a vendor's payment rate and historical cost in the previous year;
  - (2) current economic trends and conditions;
- (3) costs that a vendor must incur to operate efficiently, effectively and economically and still provide training and habilitation services that comply with quality standards required by state and federal regulations;
  - (4) increased liability insurance costs;
- (5) costs incurred for the development and continuation of supported employment services;
- (6) cost variations in providing services to people with different needs;
- (7) the adequacy of reimbursement rates that are more than 15 percent below the statewide average; and
  - (8) other appropriate factors.

The commissioner may develop procedures to establish differing hourly rates that take into account variations in the number of clients per staff hour, to assess the need for day training and habilitation services, and to control the utilization of services.

In developing procedures for setting transportation rates, the commissioner may consider allowing the county board to set those rates or may consider developing a uniform standard.

Medical assistance rates for home and community-based services provided under section 256B.501 by licensed vendors of day training and habilitation services must not be greater than the rates for the same services established by counties under sections 252.40 to 252.47.

Sec. 99. Minnesota Statutes 1988, section 252.47, is amended to read:

### 252.47 [RULES.]

To implement sections 252.40 to 252.47, the commissioner shall adopt permanent rules under sections 14.01 to 14.38. The rules may include a plan for phasing in implementation of the procedures and

rates established by the rules. The phase-in may occur prior to calendar year 1990 1991. The commissioner shall establish an advisory task force to advise and make recommendations to the commissioner during the rulemaking process. The advisory task force must include legislators, vendors, residential service providers, counties, consumers, department personnel, and others as determined by the commissioner.

- (b) A neuroleptic medication may be administered to a patient who is competent to consent to neuroleptic medications only if the patient has given written, informed consent to administration of the neuroleptic medication.
- (c) A neuroleptic medication may be administered to a patient who is not competent to consent to neuroleptic medications only if a court approves the administration of the neuroleptic medication or:
  - (1) the patient does not object to or refuse the medication;
- (2) a guardian ad litem appointed by the court with authority to consent to neuroleptic medications gives written, informed consent to the administration of the neuroleptic medication; and
- (3) a multidisciplinary treatment review panel composed of persons who are not engaged in providing direct care to the patient gives written approval to administration of the neuroleptic medication.
- (d) A person who consents to treatment pursuant to this subdivision is not civilly or criminally liable for the performance of or the manner of performing the treatment. A person is not liable for performing treatment without consent if written, informed consent was given pursuant to this subdivision. This provision does not affect any other liability that may result from the manner in which the treatment is performed.
- (e) The court may allow and order paid to a guardian ad litem a reasonable fee for services provided under paragraph (c), or the court may appoint a volunteer guardian ad litem.
- Sec. 101. Minnesota Statutes 1988, section 254A.08, subdivision 2, is amended to read:

For the purpose of this section, a detoxification program means a social rehabilitation program established for the purpose of facilitating access into care and treatment by detoxifying and evaluating the person and providing entrance into a comprehensive program. Such a Evaluation of the person shall include verification by a professional, after preliminary examination, that the person is intoxicated or has symptoms of chemical dependency and appears to be in imminent danger of harming self or others. A detoxification program shall have available the services of a licensed physician for medical emergencies and routine medical surveillance. A detoxification program licensed by the department of human services to serve both adults and minors at the same site must provide for separate sleeping areas for adults and minors.

Sec. 102. [254A.145] [INHALANT ABUSE DEMONSTRATION PROJECT.]

Within the limits of the available appropriation and notwithstanding the requirements of chapter 254B, the commissioner of human services shall create a demonstration project to provide intervention and to coordinate community services for inhalant abusers aged seven to 14. The project shall be established in a community that has been shown to be at great risk of such inhalant abuse and shall include assessment, education, and case management components. For individuals identified as inhalant abusers, case managers shall make referrals to services otherwise offered in the community. The case manager shall also monitor the progress of the individuals referred.

As part of this project, the commissioner of human services shall work with other agencies that provide services to youth and children, including education agencies and other drug treatment and counseling agencies, to increase public awareness concerning inhalant abuse among youth and children.

Sec. 103. Minnesota Statutes 1988, section 254B.02, subdivision 1, is amended to read:

Subdivision 1. [CHEMICAL DEPENDENCY TREATMENT AL-LOCATION.] The chemical dependency funds appropriated for allocation shall be placed in a special revenue account. For the fiscal year beginning July 1, 1987, funds shall be transferred to operate the vendor payment, invoice processing, and collections system for one year. The commissioner shall annually transfer funds from the chemical dependency fund to pay for operation of the drug and alcohol abuse normative evaluation system and to pay for all costs incurred by adding two positions for licensing of chemical dependency treatment and rehabilitation programs located in hospitals for which funds are not otherwise appropriated. The commissioner shall annually divide the money available in the chemical dependency fund that is not held in reserve by counties from a previous

allocation. Twelve percent of the remaining money must be reserved for treatment of American Indians by eligible vendors under section 254B.05. The remainder of the money must be allocated among the counties according to the following formula, using state demographer data and other data sources determined by the commissioner:

- (a) The county non-Indian and over age 14 per capita-months of eligibility for aid to families with dependent children, general assistance, and medical assistance is divided by the total state non-Indian and over age 14 per capita-months of eligibility to determine the caseload factor for each county.
- (b) The average median family married couple income for the previous three years for the state is divided by the average median family married couple income for the previous three years for each county to determine the income factor.
- (c) The non-Indian and over age 14 population of the county is multiplied by the sum of the income factor and the caseload factor to determine the adjusted population.
  - (d) \$15,000 shall be allocated to each county.
- (e) The remaining funds shall be allocated proportional to the county adjusted population.

Sec. 104. Minnesota Statutes 1988, section 254B.03, subdivision 1, is amended to read:

Subdivision 1. [LOCAL AGENCY DUTIES.] (a) Every local agency shall provide chemical dependency services to persons residing within its jurisdiction who meet criteria established by the commissioner for placement in a chemical dependency residential or non-residential treatment service. (b) In order to contain costs, the county board shall, with the approval of the commissioner of human services, select eligible vendors of chemical dependency services who can provide economical and appropriate treatment. Unless the local agency is a social services department directly administered by a county or human services board, the local agency shall not be an eligible vendor under section 254B.05. The commissioner may approve proposals from county boards to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. If a county implements a demonstration or experimental medical services funding plan, the commissioner shall transfer the money as appropriate. If a county selects a vendor located in another state, the county shall ensure that the vendor is

in compliance with the rules governing licensure of programs located in the state.

(c) A culturally specific vendor that provides assessments under a variance under Minnesota Rules, part 9530.6610, shall be allowed to provide assessment services to persons not covered by the variance.

Sec. 105. Minnesota Statutes 1988, section 254B.03, subdivision 4, is amended to read:

Subd. 4. [DIVISION OF COSTS.] Except for services provided by a county under section 254B.09, subdivision 1, the county shall, out of local money, pay the state for 15 percent of the cost of chemical dependency services. Counties may use the indigent hospitalization levy for treatment and hospital payments made under this section. Fifteen percent of any state collections from private or third-party pay, less 15 percent of the cost of payment and collections, must be distributed to the county that paid for a portion of the treatment under this section. If all funds allocated according to section 254B.02 are exhausted by a county and the county has met or exceeded the base level of expenditures under section 254B.02, subdivision 3, the county shall pay the state for 15 percent of the costs paid by the state under this section. The commissioner may refuse to pay state funds for services to persons not eligible under section 254B.04, subdivision 1, if the county financially responsible for the persons has exhausted its allocation.

Sec. 106. Minnesota Statutes 1988, section 254B.04, is amended by adding a subdivision to read:

Subd. 2a. [AMOUNT OF CONTRIBUTION.] The commissioner shall adopt a sliding fee scale to determine the amount of contribution to be required from persons whose income is greater than the standard of assistance under sections 256B.055, 256B.056, 256B.06, and 256D.01 to 256D.21. The commissioner may adopt rules to amend existing fee scales. The commissioner may establish a separate fee scale for recipients of chemical dependency transitional and extended care rehabilitation services that provides for the collection of fees for board and lodging expenses. The fee schedule shall ensure that employed persons are allowed the income disregards and savings accounts that are allowed residents of community mental illness facilities under section 256D.06, subdivisions 1 and 1b. The fee scale must not provide assistance to persons whose income is more than 115 percent of the state median income. Payments of liabilities under this section are medical expenses for purposes of determining spend-down under sections 256B.055, 256B.056, and 256D.01 to 256D.21. The required amount of contribution established by the fee scale in this subdivision is also the cost of care responsibility subject to collection under section 254B.06, subdivision 1.

If another man is presumed under this clause to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted.

- (f) Evidence of statistical probability of paternity based on blood testing establishes that the likelihood that the man is the father of the child, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater.
- Sec. 162. Minnesota Statutes 1988, section 257.57, subdivision 1, is amended to read:
- Subdivision 1. A child, the child's biological mother, or a man presumed to be the child's father under section 257.55, subdivision 1, clause (a), (b), or (c) may bring an action:
- (a) At any time for the purpose of declaring the existence of the father and child relationship presumed under section 257.55, subdivision 1, clause (a), (b), or (c); or
- (b) Within three years after the child's birth for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, clause (a), (b), or (c) only if the action is brought within a reasonable time after the person bringing the action has obtained knowledge of relevant facts, but in no event later than three years after the child's birth. However, if the presumed father was divorced from the child's mother after service by publication, and, if, on or before the 280th day after the judgment and decree of divorce or dissolution became final, he did not know that the child was born during the marriage or within 280 days after the marriage was terminated, the action is not barred until one year after the child reaches the age of majority. After the presumption has been rebutted, paternity of the child by another man may be determined in the same action, if he has been made a party.
- Sec. 163. Minnesota Statutes 1988, section 257.62, subdivision 5, is amended to read:
- Subd. 5. [POSITIVE TEST RESULTS.] (a) If the results of the blood tests completed in a laboratory accredited by the American Association of Blood Banks indicate that the likelihood of the alleged father's paternity, calculated with a prior probability of no more than 0.5 (50 percent), is more than 92 percent or greater, upon motion the court shall order the alleged father to pay temporary child support determined according to chapter 518. The alleged father shall pay the support money into court pursuant to the rules of civil procedure to await the results of the paternity proceedings.
- (b) If the results of blood tests completed in a laboratory accredited by the American Association of Blood Banks indicate that likelihood of the alleged father's paternity, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater, the alleged father is presumed to be the parent and the party opposing the establishment of the alleged father's paternity has the burden of

proving by clear and convincing evidence that the alleged father is not the father of the child.

Sec. 164. [259.44] [REIMBURSEMENT OF NONRECURRING ADOPTION EXPENSES.]

The commissioner of human services shall provide reimbursement of up to \$2,000 to the adoptive parent or parents for costs incurred in adopting a child with special needs. The commissioner shall determine the child's eligibility for adoption expense reimbursement under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676.

Sec. 165. Minnesota Statutes 1988, section 259.47, subdivision 5, is amended to read:

Reimbursements received by the commissioner according to this subdivision shall be deposited in the general fund.

Sec. 166. [259.471] [POSTADOPTION SERVICE GRANTS PROGRAM.]

Subdivision 1. [PURPOSE.] The commissioner of human services shall establish and supervise a postadoption service grants program to be administered by local social service agencies for the purpose of preserving and strengthening adoptive families. - Subd. 2. [ELIGIBILITY CRITERIA.] A child may be certified by the local social service agency as eligible for a postadoption service grant after a final decree of adoption and before the child's 18th birthday if:

- (b) The child had special needs at the time of adoption. For the purposes of this section, "special needs" means a child who had a physical, mental, emotional, or behavioral disability at the time of an adoption or has a preadoption background to which the current development of such disabilities can be attributed; and
- (c) The adoptive parents have exhausted all other available resources. Available resources include public income support programs, medical assistance, health insurance coverage, services

available through community resources, and any other private or public benefits or resources available to the family or to the child to meet the child's special needs.

  - (ii) medical, psychological, or special education evaluations;
- $\frac{(iii)}{and} \frac{documentation}{\underline{that}} \, \underline{all} \, \underline{other} \, \underline{resources} \, \underline{have} \, \underline{been} \, \underline{exhausted};$
- $\underbrace{\text{(iv) an estimate of the costs necessary to meet the special needs of the child.}}$
- Subd. 4. [COMMISSIONER REVIEW.] The commissioner shall review the facts upon which eligibility is based and shall award postadoption service grants to eligible adoptive parents to the extent funds are appropriated consistent with subdivision 5.
- Subd. 5. [GRANT PAYMENTS.] The amount of the postadoption service grant payment shall be based on the special needs of the child and the determination that other resources to meet those special needs are not available. The amount of any grant payments shall be based on the severity of the child's disability and the effect of the disability on the family and must not exceed \$10,000 annually.

- $\underline{\text{(1)}} \, \underline{\text{medical}} \, \underline{\text{expenses}} \, \underline{\text{not}} \, \underline{\text{covered}} \, \underline{\text{by the}} \, \underline{\text{family's health insurance}}$  or medical assistance;
- $\underline{\text{(2)}}$  therapeutic expenses, including individual and family therapy; and
- (3) nonmedical services, items, or equipment required to meet the special needs of the child.

Sec. 167. Minnesota Statutes 1988, section 259.49, subdivision 2, is amended to read:

# 259.49 [ACCESS TO ADOPTION RECORDS ORIGINAL BIRTH CERTIFICATE INFORMATION.]

Subd. 2. [SEARCH.] Within six months after receiving notice of the request of the adopted person, the commissioner of human services shall make complete and reasonable efforts to notify each parent identified on the original birth certificate of the adopted person. The commissioner, the commissioner's agents, and licensed child-placing agencies may charge a reasonable fee to the adopted person for the cost of making a search pursuant to this subdivision. Every licensed child placing agency in the state shall cooperate with the commissioner of human services in efforts to notify an identified parent. All communications under this subdivision are confidential pursuant to section 13.02, subdivision 3.

For purposes of this subdivision, "notify" means a personal and confidential contact with the genetic parents named on the original birth certificate of the adopted person. The contact shall not be by mail and shall be by an employee or agent of the licensed child placing agency which processed the pertinent adoption or some other licensed child placing agency designated by the commissioner of human services. The contact shall be evidenced by filing with the commissioner of health an affidavit of notification executed by the person who notified each parent certifying that each parent was given the following information:

- (a) The nature of the information requested by the adopted person;
- (b) The date of the request of the adopted person;
- (c) The right of the parent to file, within 120 days of receipt of the notice, an affidavit with the commissioner of health stating that the information on the original birth certificate should not be disclosed;
- (d) The right of the parent to file a consent to disclosure with the commissioner of health at any time; and
- (e) The effect of a failure of the parent to file either a consent to disclosure or an affidavit stating that the information on the original birth certificate should not be disclosed.

Sec. 168. Minnesota Statutes 1988, section 260.251, subdivision 1, is amended to read:

Subdivision 1. [CARE, EXAMINATION, OR TREATMENT.] (a) Except where parental rights are terminated,

- (1) whenever legal custody of a child is transferred by the court to a county welfare board, or
- (2) whenever legal custody is transferred to a person other than the county welfare board, but under the supervision of the county welfare board,
- (3) whenever a child is given physical or mental examinations or treatment under order of the court, and no provision is otherwise made by law for payment for the care, examination, or treatment of the child, these costs are a charge upon the welfare funds of the county in which proceedings are held upon certification of the judge of juvenile court.
- (b) The court shall order, and the county welfare board shall require, the parents or custodian of a child, while the child is under the age of 18, to use the total income and resources attributable to the child for the period of care, examination, or treatment, except for clothing and personal needs allowance as provided in section 256B.35, to reimburse the county for the cost of care, examination, or treatment. Income and resources attributable to the child include, but are not limited to, social security benefits, supplemental security income (SSI), veterans benefits, railroad retirement benefits and child support. When the child is over the age of 18, and continues to receive care, examination, or treatment, the court shall order, and the county welfare board shall require, reimbursement from the child to reimburse the county for the cost of care, examination, or treatment from the income and resources attributable to the child less the clothing and personal needs allowance.
- (c) If the income and resources attributable to the child are not enough to reimburse the county for the full cost of the care, examination, or treatment, the court shall inquire into the ability of the parents to support the child and, after giving the parents a reasonable opportunity to be heard, the court shall order, and the county welfare board shall require, the parents to reimburse the county, in the manner and to whom the court may direct, such sums as will cover in whole or in part contribute to the cost of care, examination, or treatment of the child. When determining the amount to be contributed by the parents, the court shall use a fee schedule based upon ability to pay that is established by the county welfare board and approved by the commissioner of human services. The income of a stepparent who has not adopted a child shall be excluded in calculating the parental contribution under this section.
- (d) The court shall order the amount of reimbursement attributable to the parents or custodian, or attributable to the child, or attributable to both sources, withheld under chapter 518 from the

income of the parents or the custodian of the child. A parent or custodian or child over the age of 18 who fails to pay this sum without good reason may be proceeded against for contempt, or the court may inform the county attorney, who shall proceed against any of them to collect the unpaid sums, or both procedures may be used.

(e) If the court orders a physical or mental examination for a child, the examination is a medically necessary service for purposes of determining whether the service is covered by a health insurance policy, health maintenance contract, or other health coverage plan. Court-ordered treatment shall be subject to policy, contract, or plan requirements for medical necessity. Nothing in this paragraph changes or eliminates benefit limits, conditions of coverage, copayments or deductibles, provider restrictions, or other requirements in the policy, contract, or plan that relate to coverage of other medically necessary services.

Sec. 169. Minnesota Statutes 1988, section 268.08, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY CONDITIONS.] An individual shall be eligible to receive benefits with respect to any week of unemployment only if the commissioner finds that the individual:

- (1) has registered for work at and thereafter has continued to report to an employment office, or agent of the office, in accordance with rules the commissioner may adopt; except that the commissioner may by rule waive or alter either or both of the requirements of this clause as to types of cases or situations with respect to which the commissioner finds that compliance with the requirements would be oppressive or would be inconsistent with the purposes of sections 268.03 to 268.24;
- (2) has made a claim for benefits in accordance with rules as the commissioner may adopt;
- (3) was able to work and was available for work, and was actively seeking work. The individual's weekly benefit amount shall be reduced one-fifth for each day the individual is unable to work or is unavailable for work. Benefits shall not be denied by application of this clause to an individual who is in training with the approval of the commissioner, is a dislocated worker as defined in section 268.975, subdivision 3, who is in training approved by the commissioner, or in training approved pursuant to section 236 of the Trade Act of 1974, as amended.

An individual is deemed unavailable for work with respect to any week which occurs in a period when the individual is a full-time student in attendance at, or on vacation from an established school, college, or university unless a majority of the wage credits earned in the base period were for services performed during weeks in which the student was attending school as a full-time student.

An individual serving as a juror shall be considered as available for work and actively seeking work on each day the individual is on jury duty; and

(4) has been unemployed for a waiting period of one week during which the individual is otherwise eligible for benefits under sections 268.03 to 268.24. However, payment for the waiting week, not to exceed \$20, shall be made to the individual after the individual has qualified for and been paid benefits for four weeks of unemployment in a benefit year which period of unemployment is terminated because of the individual's return to employment. No individual is required to serve a waiting period of more than one week within the one-year period subsequent to filing a valid claim and commencing with the week within which the valid claim was filed.

Sec. 170. Minnesota Statutes 1988, section 268.31, is amended to read:

# 268.31 [DEVELOPMENT OF YOUTH EMPLOYMENT OPPORTUNITIES.]

- (a) To the extent of available funding, the commissioner of jobs and training shall establish a program to employ individuals from the ages of 14 years up to 22 years. Available money may be used to operate this program on a full calendar year basis, to provide transitional services, link basic skills training and remedial education to job training and school completion, and for support services. The amount spent on support services in any one fiscal year may not exceed 15 percent of the total annual appropriation for this program. Individuals employed in this program will be placed in service with departments, agencies, and instrumentalities of the state, county, local governments, school districts, with nonprofit organizations, and private sector employers. The maximum number of hours that an individual may be employed in a position supported under this program is 480 hours. Program funds may not be used for private sector placements. Program operators must use the targeted jobs tax credit, other federal, state, and local government resources, as well as private sector resources to fund private sector placements. The commissioner shall cooperate with the commissioner of human services in determining and implementing the most effective means of disregarding a youth's earnings from family income for purposes of the aid to families with dependent children program, to the extent permitted by the federal government.
- (b) Upon request of the commissioner of the department of natural resources, the commissioner will contract for or provide available services for remedial skills, life skills, and career counseling activities to youth in the Minnesota conservation corps program.

(c) The commissioner shall evaluate the services provided under this section. The evaluation shall include information on the effectiveness of program services in promoting the employability of young people. In order to measure the long-term effectiveness of the program, the evaluation shall include follow-up information on each participant.

Sec. 171. [268.912] [HEAD START PROGRAM.]

The department of jobs and training is the state agency responsible for administering the head start program. The commissioner of jobs and training may make grants to public or private nonprofit agencies for the purpose of providing supplemental funds for the federal head start program.

Sec. 172. [268.913] [DEFINITIONS.]

Subdivision 1. [SCOPE.] As used in sections 268.914 to 268.916, the terms defined in this section have the meanings given them.

- Subd. 4. [PROGRAM ACCOUNT 26.] "Program account 26" means the federally designated and funded account that can only be used to provide special services to handicapped diagnosed children.
- $\frac{Subd.}{means} \; \underbrace{\frac{5.}{means}} \; \underbrace{\frac{5.}{means}} \; \underbrace{\frac{5.}{means}} \; \underbrace{\frac{1}{means}} \;$
- Subd. 6. [START-UP COSTS.] "Start-up costs" means one-time costs incurred in expanding services to additional children.

Sec. 173. [268.914] [DISTRIBUTION OF APPROPRIATION.]

Money must be allocated to each project head start grantee in existence on the effective date of this act. Migrant and Indian reservation grantees must be initially allocated money based on the grantees' share of federal funds. The remaining money must be initially allocated to the remaining local agencies based equally on the agencies' share of federal funds and on the proportion of eligible children in the

agencies' service area who are not currently being served. A head start grantee must be funded at a per child rate equal to its contracted, federally funded base level for program accounts 20 to 26 at the start of the fiscal year. The commissioner may provide additional funding to grantees for start-up costs incurred by grantees due to the increased number of children to be served. Before paying money to the grantees, the commissioner shall notify each grantee of its initial allocation, how the money must be used, and the number of low-income children that must be served with the allocation. Each grantee must notify the commissioner of the number of additional low-income children it will be able to serve. For any grantee that cannot serve additional children to its full allocation, the commissioner shall reduce the allocation proportionately. Money available after the initial allocations are reduced must be redistributed to eligible grantees.

(b) Up to 11 percent of the funds appropriated annually may be used to provide grants to local head start agencies to provide funds for innovative programs designed either to target head start resources to particular at-risk groups of children or to provide services in addition to those currently allowable under federal head start regulations. The commissioner shall award funds for innovative programs under this paragraph on a competitive basis.

### Sec. 174. [268.915] [FEDERAL REQUIREMENTS.]

Grantees and the commissioner shall comply with federal regulations governing the federal head start program, except for innovative programs funded under section 268.914, paragraph (b), which may operate differently than federal head start regulations, and except that when a state statute or regulation conflicts with a federal statute or regulation, the state statute or regulation prevails.

Sec. 175. [268.916] [REPORTS.]

Each grantee shall submit an annual report to the commissioner on the format designated by the commissioner, including program information report data. By January 1 of each year, the commissioner shall prepare an annual report to the health and human services committees of the legislature concerning the uses and impact of head start supplemental funding, including a summary of innovative programs and the results of innovative programs and an evaluation of the coordination of head start programs with employment and training services provided to AFDC recipients.

- Subd. 3. [DISTRIBUTION AND USE OF STATE MONEY.] Money allocated to the coordinating agency by the commissioner must be used for activities consistent with the objectives of the program including, but not limited to: outreach, selection of eligible participants, program sites, individual work sites, classroom training, on-the-job training opportunities, and program marketing. Program funds shall be used to provide training-related costs to enrollees during orientation and classroom training segments. Program funds shall be used to subsidize up to 50 percent of enrollee wages during contracted on-the-job training periods with the employer being responsible for the remainder. Salaries upon employment shall be at least the state or federal minimum wage, whichever is higher.
- Subd. 4. [RESPONSIBILITIES OF COORDINATING AGENCY.] The commissioner shall enter into written agreement with the

coordinating agency for the design, delivery, and general administration of the program. The commissioner shall set program goals and objectives, and monitor the program.

- Subd. 6. [PLANT CLOSING.] "Plant closing" means the announced or actual permanent or temporary shutdown of a single site of employment, or one or more facilities or operating units within a single site of employment, if the shutdown results in an employment

loss at the single site of employment during any 30-day period for (a) 50 or more employees excluding employees who work less than 20 hours per week; or (b) at least 500 employees who in the aggregate work at least 20,000 hours per week, exclusive of hours of overtime.

Sec. 178. [268.976] [EARLY WARNING SYSTEM.]

Subdivision 1. [EARLY WARNING INDICATORS.] The commissioner, in cooperation with the commissioners of revenue and trade and economic development, shall establish and oversee an early warning system to identify industries and businesses likely to experience large losses in employment including a plant closing or a substantial layoff, by collecting and analyzing information which may include, but not be limited to, products and markets experiencing declining growth rates, companies and industries subject to competition from production in low wage counties, changes in ownership, layoff and employment patterns, payments of unemployment compensation contributions, and state tax payments. The commissioner may request the assistance of businesses, business organizations, and trade associations in identifying businesses, industries, and specific establishments that are likely to experience large losses in employment. The commissioner may request information and other assistance from other state agencies for the purposes of this subdivision.

Subd. 2. [NOTICE.] The commissioner shall encourage those business establishments considering a decision to effect a plant closing, substantial layoff or relocation of operations located in this state to give notice of that decision as early as possible to the commissioner, the employees of the affected establishment, any employee organization representing the employees, and the local government unit in which the affected establishment is located. This notice shall be in addition to any notice required under the Worker Adjustment and Retraining Notification Act, United States Code, title 29, section 2101.

Subd. 3. [EMPLOYER RESPONSIBILITY.] An employer providing notice of a plant closing, substantial layoff, or relocation of operations under the Worker Adjustment and Retraining Notifica-

tion Act, United States Code, title 29, section 2101, or under subdivision 2 must report to the commissioner the names, addresses, and occupations of the employees who will be or have been terminated.

Sec. 179. [268.977] [RAPID RESPONSE PROGRAM.]

Subdivision 1. [PROGRAM ESTABLISHMENT.] (a) The commissioner shall establish a rapid response program to assist employees, employers, business organizations or associations, labor organizations, local government units, and community organizations to quickly and effectively respond to announced or actual plant closings and substantial layoffs.

- (b) The program must include or address at least the following:
- (1) within five working days after becoming aware of an announced or actual plant closing or substantial layoff, establish on-site contact with the employer, employees, labor organizations if there is one representing the employees, and leaders of the local government units and community organizations to provide coordination of efforts to formulate a communitywide response to the plant closing or substantial layoff, provide information on the public and private service and programs that might be available, inform the affected parties of the prefeasibility study grants under section 268.978, and collect any information required by the commissioner to assist in responding to the plant closing or substantial layoff;
- (2) provide ongoing technical assistance to employers, employees, business organizations or associations, labor organizations, local government units, and community organizations to assist them in reacting to or developing responses to plant closings or substantial layoffs;
- (3) establish and administer the prefeasibility study grant program under section 268.978 to provide an initial assessment of the feasibility of alternatives to plant closings or substantial layoffs;
- (4) work with employment and training service providers, employers, business organizations or associations, labor organizations, local government units, and community organizations in providing training, education, community support service, job search programs, job clubs, and other services to address the needs of potential or actual dislocated workers;
- (5) coordinate with providers of economic development related financial and technical assistance services so that communities that are experiencing plant closings or substantial layoffs have immediate access to economic development related services; and

(6) collect and make available information on programs that might assist dislocated workers and the communities affected by plant closings or substantial layoffs.

Subd. 2. [APPLICABILITY.] Notwithstanding section 268.975, subdivisions 6 and 8, the commissioner may waive the threshold requirements for finding a plant closing or substantial layoff in special cases where the governor's job training council recommends waiver to the commissioner following a finding by the council that the number of workers dislocated as a result of a plant closing or substantial layoff would have a substantial impact on the community or labor market where the closure or layoff occurs and, in the absence of intervention through the rapid response program, would overwhelm the capacity of other programs to provide effective assistance.

Sec. 180. [268.978] [PREFEASIBILITY STUDIES.]

Subdivision 1. [PREFEASIBILITY STUDY GRANTS.] (a) The commissioner may make grants for up to \$10,000 to eligible organizations to provide an initial assessment of the feasibility of alternatives to plant closings or substantial layoffs. The alternatives may include employee ownership, other new ownership, new products or production processes, or public financial or technical assistance to keep a plant open. Two or more eligible organizations may jointly apply for a grant under this section.

- (b) Interested organizations shall apply to the commissioner for the grants. As part of the application process, applicants must provide a statement of need for a grant, information relating to the workforce at the plant, the area's unemployment rate, the community's and surrounding area's labor market characteristics, information of efforts to coordinate the community's response to the plant closing or substantial layoff, a timetable of the prefeasibility study, a description of the organization applying for the grant, a description of the qualifications of persons conducting the study, and other information required by the commissioner.
- (c) The commissioner shall respond to the applicant within five working days of receiving the organization's application. The commissioner shall inform each organization that applied for but did not receive a grant the reasons for the grant not being awarded. The commissioner may request further information from those organizations that did not receive a grant, and the organization may reapply for the grant.
- Subd. 2. [PREFEASIBILITY STUDY.] (a) The prefeasibility study must explore the current and potential viability, profitability, and productivity of the plant that may close or experience a substantial layoff and alternative uses for the plant. The study is not intended to be a major examination of each possible alternative, but rather is

meant to quickly determine if further action or examination is feasible and should be fully explored.

- (b) The prefeasibility study must contain:
- (1) a description of the plant's present products, production techniques, management structure, and history;
- (2) a brief discussion of the feasibility of the various alternatives for ownership, production technique, and products;
- (3) an estimate of the financing required to keep the plant open and the potential sources of that financing;
- (4) a description of the employer's, employees', and community's efforts to maintain the operation of the plant; and
  - (5) other information the commissioner may require.
- Subd. 3. [REPORTS.] (a) The commissioner shall report monthly to the program subcommittee of the governor's job training council on the grants made and studies completed during the previous month.
- (b) The commissioner shall provide an annual report to the governor, legislature, and the governor's job training council on the administration of the prefeasibility study grant program. The report must also include details of actions taken as a result of a grant.

Sec. 181. [268.979] [DISLOCATED WORKER COORDINATION.]

The commissioner shall coordinate the actions taken by state agencies and public post-secondary educational institutions to respond to or address the specific needs of dislocated workers and to provide services to dislocated workers including education and retraining. The commissioner shall also assist local government units, community groups, business associations or organizations, labor organizations, and others in coordinating their efforts in providing services to dislocated workers.

Sec. 182. [268.98] [PERFORMANCE STANDARDS.]

The commissioner shall establish performance standards for the programs and activities administered or funded through the rapid response program under section 268.977. The commissioner may use existing federal performance standards or, if the commissioner determines that the federal standards are inadequate or not suitable, may formulate new performance standards to ensure that the programs and activities of the rapid response program are effectively administered.

The panel shall also issue a semiannual report concerning its activities. This semiannual report shall be available to the public, but may not include any information that is classified as not public data.

- (3) a project for which a certificate of need was denied prior to the date of enactment of this act if a timely appeal results in an order reversing the denial;
- (4) a project exempted from certificate of need requirements by Laws 1981, chapter 200, section 2;
- (5) a project involving consolidation of pediatric specialty hospital services within the Minneapolis-St. Paul metropolitan area that would not result in a net increase in the number of pediatric specialty hospital beds among the hospitals being consolidated;
- (6) a project involving the temporary relocation of pediatricorthopedic hospital beds to an existing licensed hospital that will allow for the reconstruction of a new philanthropic, pediatricorthopedic hospital on an existing site and that will not result in a net increase in the number of hospital beds. Upon completion of the reconstruction, the licenses of both hospitals must be reinstated at the capacity that existed on each site prior to the relocation;
- (7) the relocation or redistribution of hospital beds within a hospital building or identifiable complex of buildings provided the relocation or redistribution does not result in: (i) an increase in the overall bed capacity at that site; (ii) relocation of hospital beds from one physical site or complex to another; or (iii) redistribution of hospital beds within the state or a region of the state;

- (9) a construction project involving up to 35 new beds in a psychiatric hospital in Rice county that primarily serves adolescents and that receives more than 70 percent of its patients from outside the state of Minnesota; or
- (10) a project to replace a 130-bed or less hospital if: (i) the new hospital site is located within five miles of the current site; and (ii) the total licensed capacity of the replacement hospital, either at the time of construction of the initial building or as the result of future expansion, will not exceed 70 licensed hospital beds.

Sec. 205. Laws 1988, chapter 689, article 2, section 248, is amended to read:

The grantees shall provide training for program workers, offer technical assistance, and prepare educa-

No more than five percent of the appropriation for community outreach programs shall be used by the commissioner for the department's administrative costs. The rulemaking requirements of Minnesota Statutes, chapter 14 do not apply to the procedures used by the commissioner to request and evaluate grant proposals and to award grants and contracts under this section. Salaries of individual employees who transfer must be adjusted to the minimum salary or to the nearest equal or higher step on the state compensation plan for their class, whichever is greater.
- (c) Existing sick leave and vacation accruals for an employee who transfers must be transferred to the department of human services and the employee shall accrue additional vacation and sick leave under the provisions of the appropriate state collective bargaining agreement based on the employee's years of service in either Crow Wing county family service center or in the Redwood county welfare department.

and life insurance plans in an amount equal to what their former county employer would have paid for the coverage had the employee remained a county employee, until the employee is eligible for coverage under the state insurance plans.

(e) Classification seniority for an employee who transfers must be calculated according to the provisions of the appropriate state collective bargaining agreement based upon the employee's years of service in the county merit system. The state must negotiate with the exclusive representative for the bargaining unit to which food stamp quality control employees are transferring regarding their classification seniority. For purposes of calculating classification seniority for employees transferring into state service, a transferred employee must retain the same seniority ranking the employee had within the employee's current classification within the county relative to the other employees with that classification within the county. Classification seniority for classifications outside of the bargaining unit into which the employee is transferring must be calculated according to the provisions of the appropriate state collective bargaining agreement based upon the employee's years of service in the county merit system.

#### HEALTH CARE AND MEDICAL ASSISTANCE

Section 1. Minnesota Statutes 1988, section 62A.045, is amended to read:

62A.045 [PAYMENTS  $\overline{10}$  ON BEHALF OF WELFARE RECIPIENTS.]

No policy of accident and sickness insurance regulated under this chapter; vendor of risk management services regulated under section 60A.23; nonprofit health service plan corporation regulated under chapter 62C; health maintenance organization regulated under chapter 62D; or self-insured plan regulated under chapter 62E shall contain any provision denying or reducing benefits because services are rendered to an insured or dependent a person who is eligible for or receiving medical assistance benefits pursuant to chapter 256B or 256D or services pursuant to section 252.27; 256.936; 260.251, subdivision 1a; 261.27; or 393.07, subdivision 1 or

Notwithstanding any law to the contrary, when a person covered under a policy of accident and sickness insurance, risk management plan, nonprofit health service plan, health maintenance organization, or self-insured plan receives medical benefits according to any statute listed in this section, payment for covered services or notice of denial for services billed by the provider must be issued directly to the provider. If a person was receiving medical benefits through the department of human services at the time a service was provided, the provider must indicate this benefit coverage on any claim forms submitted by the provider to the insurer for those services. If the commissioner of human services notifies the insurer that the commissioner has made payments to the provider, payment for benefits or notices of denials issued by the insurer must be issued directly to the commissioner. Submission by the department to the insurer of the claim on a department of human services claim form is proper notice and shall be considered proof of payment of the claim to the provider, and supersedes any contract requirements of the insurer relating to the form of submission. Liability to the insured for coverage is satisfied to the extent that payments for those benefits are made by the insurer to the provider or the commissioner.

Sec. 2. Minnesota Statutes 1988, section 62A.046, is amended to read:

#### 62A.046 [COORDINATION OF BENEFITS.]

- (1) No group contract providing coverage for hospital and medical treatment or expenses issued or renewed after August 1, 1984, which is responsible for secondary coverage for services provided, may deny coverage or payment of the amount it owes as a secondary payor solely on the basis of the failure of another group contract, which is responsible for primary coverage, to pay for those services.
- (2) A group contract which provides coverage of a claimant as a dependent of a parent who has legal responsibility for the dependent's medical care pursuant to a court order under section 518.171 must make payments directly to the provider of care. In such cases, liability to the insured is satisfied to the extent of benefit payments made to the provider.
- (3) This section applies to an insurer, a vendor of risk management services regulated under section 60A.23, a nonprofit health service plan corporation regulated under chapter 62C and a health maintenance organization regulated under chapter 62D. Nothing in this section shall require a secondary payor to pay the obligations of the primary payor nor shall it prevent the secondary payor from recovering from the primary payor the amount of any obligation of the primary payor that the secondary payor elects to pay.
  - (4) Payments made by an enrollee or by the commissioner on

behalf of an enrollee in the children's health plan under section 256.936, or a person receiving benefits under chapter 256B or 256D, for services that are covered by the policy or plan of health insurance shall, for purposes of the deductible, be treated as if made by the insured.

- (5) The commissioner of human services shall recover payments made by the children's health plan from the responsible insurer, for services provided by the children's health plan and covered by the policy or plan of health insurance.
- Sec. 3. [144.0723] [CLIENT REIMBURSEMENT CLASSIFICATIONS; PROCEDURES FOR RECONSIDERATION.]

Subdivision 1. [CLIENT REIMBURSEMENT CLASSIFICA-TIONS.] The commissioner of health shall establish reimbursement classifications based upon the assessment of each client in intermediate care facilities for the mentally retarded conducted after December 31, 1988, under section 256B.501, subdivision 3g, or under rules established by the commissioner of human services under section 256B.501, subdivision 3j. The reimbursement classifications established by the commissioner must conform to the rules established by the commissioner of human services to set payment rates for intermediate care facilities for the mentally retarded beginning on or after October 1, 1990.

- Subd. 2. [NOTICE OF CLIENT REIMBURSEMENT CLASSIFI-CATION.] The commissioner of health shall notify each client and intermediate care facility for the mentally retarded in which the client resides of the reimbursement classification established under subdivision 1. The notice must inform the client of the classification that was assigned, the opportunity to review the documentation supporting the classification, the opportunity to obtain clarification from the commissioner, and the opportunity to request a reconsideration of the classification. The notice of classification must be sent by first-class mail. The individual client notices may be sent to the client's intermediate care facility for the mentally retarded for distribution to the client. The facility must distribute the notice to the client's case manager and to the client or to the client's representative. This notice must be distributed within three working days after the facility receives the notices from the department. For the purposes of this section, "representative" includes the client's legal representative as defined in Minnesota Rules, part 9525.0015, subpart 18, the person authorized to pay the client's facility expenses, or any other individual designated by the client.
- Subd. 3. [REQUEST FOR RECONSIDERATION.] The client, client's representative, or the intermediate care facility for the mentally retarded may request that the commissioner reconsider the assigned classification. The request for reconsideration must be submitted in writing to the commissioner within 30 days after the

receipt of the notice of client classification. The request for reconsideration must include the name of the client, the name and address of the facility in which the client resides, the reasons for the reconsideration, the requested classification changes, and documentation supporting the requested classification. The documentation accompanying the reconsideration request is limited to documentation establishing that the needs of the client at the time of the assessment resulting in the disputed classification justify a change of classification.

- Subd. 4. [ACCESS TO INFORMATION.] Upon written request, the intermediate care facility for the mentally retarded must give the client's case manager, the client, or the client's representative a copy of the assessment form and the other documentation that was given to the department to support the assessment findings. The facility shall also provide access to and a copy of other information from the client's record that has been requested by or on behalf of the client to support a client's reconsideration request. A copy of any requested material must be provided within three working days after the facility receives a written request for the information. If the facility fails to provide the material within this time, it is subject to the issuance of a correction order and penalty assessment. Notwithstanding this section, any order issued by the commissioner under this subdivision must require that the facility immediately comply with the request for information and that as of the date the order is issued, the facility shall forfeit to the state a \$100 fine the first day of noncompliance, and an increase in the \$100 fine by \$50 increments for each day the noncompliance continues.
- Subd. 5. [FACILITY'S REQUEST FOR RECONSIDERATION.] (a) In addition to the information required in subdivision 3, a reconsideration request from an intermediate care facility for the mentally retarded must contain the following information:
- (1) the date the reimbursement classification notices were received by the facility;
- (2) the date the classification notices were distributed to the client's case manager and to the client or to the client's representative; and
- (3) a copy of a notice sent to the client's case manager, and to the client or client's representative that tells the client or the client's representative (i) that a reconsideration of the client's reimbursement classification is being requested; (ii) the reason for the request; (iii) that the client's rate may change if the request is approved by the department; (iv) that copies of the facility's request and supporting documentation are available for review; and (v) that the client also has the right to request a reconsideration.
  - (b) If the facility fails to provide this information with the

reconsideration request, the request must be denied, and the facility may not make further reconsideration requests on that specific reimbursement classification.

- Subd. 6. [RECONSIDERATION.] The commissioner's reconsideration must be made by individuals not involved in reviewing the assessment that established the disputed classification. The reconsideration must be based upon the initial assessment and upon the information provided to the commissioner under subdivisions 3 and 5. If necessary for evaluating the reconsideration request, the commissioner may conduct on-site reviews. At the commissioner's discretion, the commissioner may review the reimbursement classifications assigned to all clients in the facility. Within 15 working days after receiving the request for reconsideration, the commissioner shall affirm or modify the original client classification. The original classification must be modified if the commissioner determines that the assessment resulting in the classification did not accurately reflect the status of the client at the time of the assessment. The client and the intermediate care facility for the mentally retarded shall be notified within five working days after the decision is made. The commissioner's decision under this subdivision is the final administrative decision of the agency.
- Subd. 7. [AUDIT AUTHORITY.] The department of health may audit assessments of clients in intermediate care facilities for the mentally retarded. The audits may be conducted at the facility, and the department may conduct the audits on an unannounced basis.
- Subd. 8. [RULEMAKING.] The commissioner of health shall adopt rules necessary to implement these provisions.

- (a) to replace a bed decertified after May 23, 1983, or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall be determined by the most recent federal census or the most recent estimate of the

- (d) to license a new nursing home bed in a facility that meets one of the exceptions contained in clauses (a) to (c);
- (e) to license nursing home beds in a facility that has submitted either a completed licensure application or a written request for licensure to the commissioner before March 1, 1985, and has either commenced any required construction as defined in clause (b) before May 1, 1985, or has, before May 1, 1985, received from the commissioner approval of plans for phased-in construction and written authorization to begin construction on a phased-in basis. For the purpose of this clause, "construction" means any erection, building, alteration, reconstruction, modernization, or improvement necessary to comply with the nursing home licensure rules;

- (3) the net proceeds from an insurance settlement for the damages, caused by the hazard are applied to the cost of the new facility;
- (4) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073, subdivision 5; and
- (5) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility;
- (h) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, or to license or certify beds in a facility for which the total costs of remodeling or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, if the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the remodeling or renovation;
- (i) to license or certify beds in a facility that has been involuntarily delicensed or decertified for participation in the medical assistance program, provided that an application for relicensure or recertification is submitted to the commissioner within 120 days after delicensure or decertification;

- (1) to license or certify beds that are moved from one location to another within an existing identifiable complex of hospital buildings, from a hospital-attached nursing home to the hospital building, or from a separate nursing home to a building formerly used as a hospital, provided the original nursing home building will no longer be operated as a nursing home and the building to which the beds are moved will no longer be operated as a hospital. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation. At the time of the licensure and certification of the nursing home beds, the commissioner of health shall delicense the same number of acute care beds within the existing complex of hospital buildings or building. Relocation of nursing home beds under this clause is subject to the limitations in section 144A.073, subdivision 5;
- (m) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;
- (n) to license new nursing home beds in a continuing care retirement community affiliated with a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its residents from outside the state for the purpose of meeting contractual obligations to residents of the retirement community, provided the facility makes a written commitment to the commissioner of human services that it will not seek medical assistance certification for the new beds:
- (o) to certify or license new beds in a new facility on the Red Lake Indian reservation for which payments will be made under the Indian Health Care Improvement Act, Public Law Number 94-437, at the rates specified in United States Code, title 42, section 1396d(b);

If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase in the future. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements; or

- (q) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of Saint Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this clause; or
- (r) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. Money collected because of these fines must be applied to the protection of the health or property of residents of nursing facilities the commissioner finds deficient. A fine for a specific deficiency may not exceed \$500 for each day of noncompliance. The commissioner shall adopt rules establishing a schedule of fines.
- Sec. 14. Minnesota Statutes 1988, section 144A.10, is amended by adding a subdivision to read:

The assessment of a fine under this section does not preclude the use of any other remedy.

Subd. 3. [RECOVERY OF FINES; HEARING.] A nursing home that is assessed a fine under this section must pay the fine no later than 15 days after receipt of the notice of assessment. The assessment shall be stayed if the nursing home makes a written request for a hearing on the assessment within 15 days after receipt of the notice of assessment. After submission of a timely request, a hearing must be conducted as a contested case hearing under chapter 14 no later than 30 days after the request. If a nursing home does not pay the fine as required by this section, the commissioner of health shall notify the commissioner of human services, who shall deduct the amount of the fine from reimbursement payments due or to be due the nursing home under chapter 256B.

- (5) the commissioner determines that the remedy of denial of payment, as provided by subparagraph 1919(h)(2)(A)(i) of the Social Security Act, is to be imposed under section 1919(h) of the Social Security Act, or regulations adopted under that section of the Social Security Act.
- Subd. 2. [ORDER.] If the commissioner suspends admissions under subdivision 1, the commissioner shall notify the nursing home or certified boarding care home, by written order, that admissions to the nursing home or certified boarding care home will be suspended beginning at a time specified in the order. The suspension is effective no earlier than 48 hours after the nursing home or certified boarding care home receives the order, unless the order is due to an emergency under subdivision 1, clause (3). The order may be served on the administrator of the nursing home or certified boarding care home, or the designated agent in charge of the home, by personal service or by certified or registered mail with a return receipt of delivery. The order shall specify the reasons for the suspension, the corrective action required to be taken by the nursing home or certified boarding care home, and the length of time the suspension will be in effect. The nursing home or certified boarding care home shall not admit any residents after the effective time of the order. In determining the length of time for the suspension, the commissioner shall consider the reasons for the suspension, the performance history of the nursing home, and the needs of the residents.

- Subd. 3. [CONFERENCE.] After receiving the order for suspension, the nursing home or certified boarding care home may request a conference with the commissioner to present reasons why the suspension should be modified or should not go into effect. The request need not be in writing. If a conference is requested within 24 hours after receipt of the order, the commissioner shall hold the conference before the effective time of the suspension, unless the order for suspension is due to an emergency under subdivision 1, clause (3). If a conference is not requested within 24 hours after receipt of the order, the nursing home or certified boarding care home may request a conference and the commissioner shall schedule the conference as soon as practicable. The conference may be held in person or by telephone. After a conference, the commissioner may affirm, rescind, or modify the order.

The commissioner may extend the initial suspension period by written notice to the nursing home or certified boarding care home.
- Subd. 5. [NOTIFICATION OF COMMISSIONER OF HUMAN SERVICES.] Whenever the commissioner suspends admissions to a nursing home or certified boarding care home, the commissioner shall notify the commissioner of human services of the order and of any modifications to the order.
- Subd. 6. [HEARING.] A nursing home or certified boarding care home may appeal from an order for suspension of admissions issued under subdivision 1. To appeal, the nursing home or certified boarding care home shall file with the commissioner a written notice of appeal. The appeal must be received by the commissioner within ten days after the date of receipt of the order for suspension by the nursing home or certified boarding care home. Within 15 calendar days after receiving an appeal, the commissioner shall request assignment of an administrative law judge under sections 14.48 to 14.56 to conduct the hearing as soon as possible or according to agreement of the parties. Regardless of any appeal, the order for suspension of admissions remains in effect until final resolution of the appeal.

and the names and addresses of the residents' guardians, representatives, and designated family contacts. The controlling person or designees must provide updated information each month until the proceeding is concluded. If the controlling person or designee fails to provide the information within this time, the nursing home is subject to the issuance of a correction order and penalty assessment under sections 144.653 and 144A.10. Notwithstanding those sections, any correction order issued under this subdivision must require that the facility immediately comply with the request for information and that as of the date of the issuance of the correction order, the facility shall forfeit to the state a \$100 fine the first day of noncompliance, and an increase in the \$100 fine by \$50 increments for each day the noncompliance continues. Information provided under this subdivision may be used by the commissioner or the ombudsman only for the purpose of providing affected consumers information about the status of the proceedings. Within ten working days after the commissioner initiates proceedings to revoke, suspend, or not renew a nursing home license, the commissioner of health shall send a written notice of the action and the process involved to each resident of the nursing home and the resident's legal guardian, representative, or designated family contact. The commissioner shall provide the ombudsman with monthly information on the department's actions and the status of the proceedings.

Sec. 21. Minnesota Statutes 1988, section 144A.11, subdivision 3, is amended to read:

Subd. 3. [HEARING.] No nursing home license may be suspended or revoked, and renewal may not be denied, without a hearing held as a contested case in accordance with chapter 14. The hearing must commence within 60 days after the proceedings are initiated. If the controlling person designated under section 144A.03, subdivision 2, as an agent to accept service on behalf of all of the controlling persons of the nursing home has been notified by the commissioner of health that the facility will not receive an initial license or that a license renewal has been denied, the controlling person or a legal representative on behalf of the nursing home may request and receive a hearing on the denial. This hearing shall be held as a contested case in accordance with chapter 14.

A temporary restraining order may be granted by the court in the proceeding if

continued activity by the controlling person or employee would create an imminent risk of harm to a resident of the facility.

Sec. 23. Minnesota Statutes 1988, section 144A.15, subdivision 1, is amended to read:

Subdivision 1. [PETITION, NOTICE.] In addition to any other remedy provided by law, the commissioner of health may petition the district court in Ramsey or Hennepin county or in the district in which a nursing home or certified boarding care home is located for an order directing the controlling persons of the nursing home or certified boarding care home to show cause why the commissioner of health or a designee should not be appointed receiver to operate the facility. The petition to the district court shall contain proof by affidavit that the commissioner of health has either commenced license suspension or revocation proceedings, suspended or revoked a license, or decided not to renew the nursing home license, or that violations of section 1919(b), (c), or (d), of the Social Security Act, or the regulations adopted under that section, or violations of state law or rules, create an emergency. The order to show cause shall be returnable not less than five days after service is completed and shall provide for personal service of a copy to the nursing home administrator and to the persons designated as agents by the controlling persons to accept service on their behalf pursuant to section 144A.03, subdivision 2.

Sec. 24. Minnesota Statutes 1988, section 144A.15, is amended by adding a subdivision to read:

Subd. 2a. [EMERGENCY PROCEDURE.] If it appears from the petition filed under subdivision 1, or from an affidavit or affidavits filed with the petition, or from testimony of witnesses under oath when the court determines that this is necessary, that there is probable cause to believe that an emergency exists in a nursing home or certified boarding care home, the court shall issue a temporary order for appointment of a receiver within five days after receipt of the petition. Notice of the petition shall be served personally on the nursing home administrator and on the persons designated as agents by the controlling persons to accept service on their behalf according to section 144A.03, subdivision 2. A hearing on the petition shall be held within five days after notice is served unless the administrator or designated agent consents to a later date. After the hearing, the court may continue, modify, or terminate the temporary order.

Sec. 25. Minnesota Statutes 1988, section 144A.15, is amended by adding a subdivision to read:

Subd. 6. [RATE RECOMMENDATION.] The commissioner may recommend to the commissioner of human services a review of the rates for a nursing home or boarding care home that participates in

the medical assistance program that is in involuntary receivership, and that has needs or deficiencies documented by the department of health. If the commissioner of health determines that a review of the rate under section 256B.431 is needed, the commissioner shall provide the commissioner of human services with:

A toll-free telephone number must be used to provide information about medical programs and to promote access to the covered services. The commissioner must make a quarterly assessment of the expected expenditures for the covered services and the appropriation. Based on this assessment the commissioner may limit enrollments and target former aid to families with dependent children recipients. Sec. 36. [256.9685] [ESTABLISHMENT OF INPATIENT HOSPITAL PAYMENT SYSTEM.]

Subdivision 1. [AUTHORITY.] The commissioner shall establish procedures for determining medical assistance and general assistance medical care payment rates under a prospective payment system for inpatient hospital services in hospitals that qualify as vendors of medical assistance. The commissioner shall establish, by rule, procedures for implementing this section and sections 256.9686, 256.969, and 256.9695. The payment rates must be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of recipients in efficiently and economically operated hospitals. Services must meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b), to be eligible for payment.

Subd. 2. [FEDERAL REQUIREMENTS.] If it is determined that a provision of this section or section 256.9686, 256.969, or 256.9695 conflicts with existing or future requirements of the United States government with respect to federal financial participation in medical assistance, the federal requirements prevail. The commissioner may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial participation resulting from rates that are in excess of the medicare limitations.

Sec. 37. [256.9686] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For purposes of this section and sections 256.9685, 256.969, and 256.9695, the following terms and phrases have the meanings given.

## 256.969 [INPATIENT HOSPITALS PAYMENT RATES.]

Subdivision 1. [ANNUAL HOSPITAL COST INDEX.] The commissioner of human services shall develop a prospective payment system for inpatient hospital service under the medical assistance and general assistance medical care programs. Rates established for licensed hospitals for rate years beginning during the fiscal biennium ending June 30, 1987, shall not exceed an annual hospital cost index for the final rate allowed to the hospital for the preceding year not to exceed five percent in any event. The annual hospital cost index shall be obtained from an independent source representing and shall represent a statewide weighted average of inflation historical and projected cost change estimates determined for expense categories to include wages and salaries, employee benefits, medical and professional fees, raw food, medical supplies, pharmaeeuticals, utilities, repairs and maintenance, insurance other than including malpractice insurance, and other applicable expenses as determined by the commissioner. The index shall reflect the regional differences within the state and include a one percent increase to reflect changes in technology. The annual hospital cost index shall

be published 30 days before the start of each calendar quarter and shall be applicable to all hospitals whose fiscal years start on or during the calendar quarter. Minnesota cost category weights. Individual indices shall be specific to Minnesota if the commissioner determines that sufficient accuracy of the hospital cost index is achieved. The hospital cost index shall be used to adjust the base year operating payment rate through the rate year on an annually compounded basis.

Subd. 2. (RATES FOR INPATIENT HOSPITALS DIAGNOSTIC CATEGORIES.] On July 1, 1984, The commissioner shall begin to utilize use to the extent possible existing diagnostic classification systems, including the system used by the Medicare program to determine the relative values of inpatient services and case mix indices. The commissioner may incorporate the grouping of hospitals with similar characteristics for uniform rates upon the development and implementation of the diagnostic classification system. Prior to implementation of the diagnostic classification system, the commissioner shall report the proposed grouping of hospitals to the senate health and human services committee and the house health and welfare committee. The commissioner may combine diagnostic classifications into diagnostic categories and may establish separate categories and numbers of categories based on program eligibility or hospital peer group. Relative values shall be recalculated when the base year is changed and shall not be determined on a hospital specific basis. Relative value determinations shall include paid claims for admissions during each hospital's base year. The commissioner may extend the time period forward to obtain sufficiently valid information to establish relative values. Relative value determinations shall not include property cost data, Medicare crossover data, and data from the transferring hospital on transfer discharges, except data on transfer discharges with a burn diagnostic classification or data on transfer discharges for the patient's convenience that have been reported by the hospital to the commissioner by the October 1 preceding the rate year. The computation of the base year cost per admission and the computation of the relative values of the diagnostic categories must include identified outlier cases and their weighted costs up to the point that they become outlier cases, but must exclude costs and days recognized in outlier payments beyond that point. Claims paid for care provided on or after August 1, 1985, shall be adjusted to reflect a recomputation of rates, unless disapproved by the federal Health Care Financing Administration. The state shall pay the state share of the adjustment for care provided on or after August 1, 1985, up to and including June 30, 1987, whether or not the adjustment is approved by the federal Health Care Financing Administration. The commissioner may reconstitute recategorize the diagnostic categories classifications and recalculate relative values and case mix indices to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce variances within the diagnostic categories after notice in the State Register and a 30-day comment period. After May 1, 1986, acute

care hospital billings under the medical assistance and general assistance medical care programs must not be submitted until the recipient is discharged. However, the commissioner shall establish monthly interim payments with inpatient hospitals that have individual patient lengths of stay in excess of 30 days regardless of diagnosis related group. For purposes of establishing interim rates, the commissioner is exempt from the requirements of chapter 14. Medical assistance and general assistance medical care reimbursement for treatment of mental illness shall be reimbursed based upon diagnosis elassifications. The commissioner may selectively contract with hospitals for services within the diagnostic classifications relating to mental illness and chemical dependency under competitive bidding when reasonable geographic access by recipients can be assured. No physician shall be denied the privilege of treating a recipient required to utilize a hospital under contract with the commissioner, as long as the physician meets credentialing standards of the individual hospital. Effective July 1, 1988, the commissioner shall limit the annual increase in pass-through cost payments for depreciation, rents and leases, and interest expense to the annual growth in the hospital cost index described in subdivision 1. When computing budgeted pass-through cost payments, the commissioner shall use the annual increase in the hospital cost. index forecasted by Data Resources, Inc. consistent with the quarter of the hospital's fiscal year end. In final settlement of pass-through cost payments, the commissioner shall use the hospital cost index for the month in which the hospital's fiscal year ends compared to the same month one year earlier.

Subd. 2a. [AUDIT ADJUSTMENTS TO INPATIENT HOSPITAL RATES.] Inpatient hospital rates established under subdivision 2 using 1981 historical medicare cost report data may be adjusted based on the findings of audits of hospital billings and patient records performed by the commissioner that identify billings for services that were not delivered or never ordered. The audit findings may be based on a statistically valid sample of billings of the hospital. After the audits are complete, the commissioner shall adjust rates paid in subsequent years to reflect the audit findings and recover payments in excess of the adjusted rates or reimburse hospitals when audit findings indicate that underpayments were made to the hospital.

Subd. 2b. [OPERATING PAYMENT RATES.] In determining operating payment rates for admissions occurring on or after the rate year beginning January 1, 1991, and every two years after, or more frequently as determined by the commissioner, the commissioner shall obtain operating data from an updated base year and establish operating payment rates per admission for each hospital based on the cost-finding methods and allowable costs of the Medicare program in effect during the base year. The base year operating payment rate per admission is standardized by the case mix index and adjusted by the hospital cost index, relative values,

and disproportionate population adjustment. The cost and charge data used to establish operating rates shall only reflect inpatient services covered by medical assistance and shall not include property cost information and costs recognized in outlier payments.

Subd. 2c. [PROPERTY PAYMENT RATES.] For each hospital's first two consecutive fiscal years beginning on or after July 1, 1988, the commissioner shall limit the annual increase in property payment rates for depreciation, rents and leases, and interest expense to the annual growth in the hospital cost index derived from the methodology in effect on the day before the effective date of this section. When computing budgeted and settlement property payment rates, the commissioner shall use the annual increase in the hospital cost index forecasted by Data Resources, Inc., consistent with the quarter of the hospital's fiscal year end. For admissions occurring on or after January 1, 1991, the commissioner shall obtain property data from an updated base year and establish property payment rates per admission for each hospital. Property payment rates shall be derived from data from the same base year that is used to establish operating payment rates. The property information shall include cost categories not subject to the hospital cost index and shall reflect the cost-finding methods and allowable costs of the Medicare program in effect during the base year. The property payment rate per admission shall be adjusted for positive percentage change differences in the net book value of hospital property and equipment by increasing the property payment rate per admission 85 percent of the percentage change from the base year through the most recent year ending prior to the rate year for which required information is available. The percentage change shall be derived from equivalent audited information in both years and shall be adjusted to account for changes in generally accepted accounting principles, reclassification of assets, allocations to non-hospital areas, and fiscal years. The cost, audit, and charge data used to establish property rates shall only reflect inpatient services covered by medical assistance and shall not include operating cost information. To be eligible for the property payment rate per admission adjustment, the hospital must provide the necessary information to the commissioner, in a format specified by the commissioner, by the October 1 preceding the rate year. The commissioner shall adjust rates for the rate year beginning January 1, 1991, to ensure that all hospitals are subject to the hospital cost index limitation for two complete years.

Subd. 3. [SPECIAL CONSIDERATIONS.] (a) In determining the rate the commissioner of human services will take into consideration whether the following circumstances exist:

<sup>(1)</sup> minimal medical assistance and general assistance medical care utilization;

- (2) unusual length of stay experience; and
- (3) disproportionate numbers of low-income patients served.
- (b) To the extent of available appropriations, the commissioner shall provide supplemental grants directly to a hospital described in section 256B.031, subdivision 10, paragraph (a), that receives medical assistance payments through a county managed health plan that serves only residents of the county. The payments must be designed to compensate for actuarially demonstrated higher health care costs within the county, for the population served by the plan, that are not reflected in the plan's rates under section 256B.031, subdivision 4.
- (e) The computation of each hospital's payment rate and the relative values of the diagnostic categories are not subject to the routine service cost limitation imposed under the Medicare program.
- (d) Indian health service facilities are exempt from the rate establishment methods required by this section and section 256D.03, subdivision 4, and shall be reimbursed at the facility's usual and customary charges to the general public.
- (e) Out of state hospitals that are located within a Minnesota local trade area shall have rates established using the same procedures and methods that apply to Minnesota hospitals. Hospitals that are not required by law to file information in a format necessary to establish rates shall have rates established based on the commissioner's estimates of the information. Relative values of the diagnostic categories shall not be redetermined under this paragraph until required by rule and hospitals affected by this paragraph shall then be included in determining relative values. However, hospitals that have rates established based upon the commissioner's estimates of information shall not be included in determining relative values. This paragraph is effective for hospital fiscal years beginning on or after July 1, 1988. A hospital shall provide the information necessary to establish rates under this paragraph at least 90 days before the start of the hospital's fiscal year.
- (f) Hospitals that are not located within Minnesota or a Minnesota local trade area shall have rates established as provided in paragraph (e) or, at the commissioner's discretion, at an amount negotiated by the commissioner. Relative values shall not be affected by negotiated rates.
- (g) For inpatient hospital originally paid admissions, excluding Medicare cross overs, provided from July 1, 1988, through June 30, 1989, hospitals with 100 or fewer medical assistance annualized paid admissions, excluding Medicare cross overs, that were paid by March 1, 1988, for admissions paid during the period January 1,

1987, to June 30, 1987, shall have medical assistance impatient payments increased 30 percent. Hospitals with more than 100 but fewer than 250 medical assistance annualized paid admissions, excluding Medicare cross overs, that were paid by March 1, 1988, for admissions paid during the period January 1, 1987, to June 30, 1987, shall have medical assistance inpatient payments increased 20 percent for inpatient hospital originally paid admissions, excluding Medicare cross-overs, provided from July 1, 1988, through June 30, 1989. This provision applies only to hospitals that have 100 or fewer licensed beds on March 1, 1988.

Subd. 3a. [PAYMENTS.] Acute care hospital billings under the medical assistance program must not be submitted until the recipient is discharged. However, the commissioner shall establish monthly interim payments for inpatient hospitals that have individual patient lengths of stay over 30 days regardless of diagnostic category. To establish interim rates, the commissioner is exempt from the requirements of chapter 14. Medical assistance reimbursement for treatment of mental illness shall be reimbursed based on diagnostic classifications. The commissioner may selectively contract with hospitals for services within the diagnostic categories relating to mental illness and chemical dependency under competitive bidding when reasonable geographic access by recipients can be assured. No physician shall be denied the privilege of treating a recipient required to use a hospital under contract with the commissioner, as long as the physician meets credentialing standards of the individual hospital. Individual hospital payments established under this section and sections 256.9685, 256.9686, and 256.9695, in addition to third party liability, for admissions occurring during the rate year shall not exceed, in aggregate, the charges for the medical assistance covered inpatient services paid for the same period of time to the hospital. This payment limitation is not applicable and shall not be calculated to include general assistance medical care services. Services that have rates established under subdivision 6a, paragraph (a), clause (5) or (6), must be limited separately from other services. After consulting with the affected hospitals, the commissioner may consider related hospitals one entity and may merge the payment rates while maintaining separate provider numbers. The operating and property base rates per admission or per day shall be derived from the best Medicare and claims data available when rates are established. The commissioner shall determine the best Medicare and claims data, taking into consideration variables of recency of the data, audit disposition, settlement status, and the ability to set rates in a timely manner. The commissioner shall notify hospitals of payment rates by December 1 of the year preceding the rate year. The rate setting data must reflect the admissions data used to establish relative values. Base year changes from 1981 to the base year established for the rate year beginning January 1, 1991, and for subsequent rate years, shall not be limited to the limits ending June 30, 1987, on the maximum rate of increase under subdivision 1. The commissioner

may adjust base year cost, relative value, and case mix index data to exclude the costs of services that have been discontinued by the October 1 of the year preceding the rate year or that are paid separately from inpatient services. Inpatient stays that encompass portions of two or more rate years shall have payments established based on payment rates in effect at the time of admission unless the date of admission preceded the rate year in effect by six months or more. In this case, operating payment rates for services rendered during the rate year in effect and established based on the date of admission shall be adjusted to the rate year in effect by the hospital cost index.

Subd. 4. [APPEALS BOARD.] An appeals board shall be established for purposes of hearing reports for changes in the rate per admission. The appeals board shall consist of two public representatives, two representatives of the hospital industry, and one representative of the business or consumer community. The appeals board shall advise the commissioner on adjustments to hospital rates under this section.

Subd. 4a. [REPORTS.] If, under this section or section 256.9685, 256.9686, or 256.9695, a hospital is required to report information to the commissioner by a specified date, the hospital must report the information on time. If the hospital does not report the information on time, the commissioner may determine the information that will be used and may disregard the information that is reported late. If the Medicare program does not require or does not audit information that is needed to establish medical assistance rates, the commissioner may, after consulting the affected hospitals, require reports to be provided, in a format specified by the commissioner, that are based on allowable costs and cost-finding methods of the Medicare program in effect during the base year. The commissioner may require any information that is necessary to implement this section and sections 256.9685, 256.9686, and 256.9695 to be provided by a hospital within a reasonable time period.

Subd. 5. [APPEAL RIGHTS.] Nothing in this section supersedes the contested case provisions of chapter 14, the administrative procedure act.

Subd. 5a. [AUDITS AND ADJUSTMENTS.] Inpatient hospital rates and payments must be established under this section and sections 256.9685, 256.9686, and 256.9695. The commissioner may adjust rates and payments based on the findings of audits of payments to hospitals, hospital billings, costs, statistical information, charges, or patient records performed by the commissioner or the Medicare program that identify billings, costs, statistical information, or charges for services that were not delivered, never ordered, in excess of limits, not covered by the medical assistance program, paid separately from rates established under this section and sections 256.9685, 256.9686, and 256.9695, or for charges that

are not consistent with other payor billings. Charges to the medical assistance program must be less than or equal to charges to the general public. Charges to the medical assistance program must not exceed the lowest charge to any other payor. The audit findings may be based on a statistically valid sample of hospital information that is needed to complete the audit. If the information the commissioner uses to establish rates or payments is not audited by the Medicare program, the commissioner may require an audit using Medicare principles and may adjust rates and payments to reflect any subsequent audit.

Subd. 6. [RULES.] The commissioner of human services shall promulgate emergency and permanent rules to implement a system of prospective payment for inpatient hospital services pursuant to chapter 14, the administrative procedure act. Notwithstanding section 14.53, emergency rule authority authorized by Laws 1983, chapter 312, article 5, section 9, subdivision 6, shall extend to August 1, 1985.

Subd. 6a. [SPECIAL CONSIDERATIONS.] (a) In determining the payment rates, the commissioner shall consider whether the following circumstances exist:

- (1) [MINIMAL MEDICAL ASSISTANCE USE.] Minnesota hospitals with 30 or fewer annualized admissions of Minnesota medical assistance recipients in the base year, excluding Medicare crossover admissions, may have the base year operating rates, as adjusted by the case mix index, and property payment rates established at the 70th percentile of hospitals in the peer group in effect during the base year as established by the Minnesota department of health for use by the rate review program. Rates within a peer group shall be adjusted for differences in fiscal years and outlier percentage payments before establishing the 70th percentile. The operating payment rate portion of the 70th percentile shall be adjusted by the hospital cost index. To have rates established under this paragraph, the hospital must notify the commissioner in writing by November 1 of the year preceding the rate year. This paragraph shall be applied to all payment rates of the affected hospital.
- (2) [UNUSUAL COST OR LENGTH OF STAY EXPERIENCE.] The commissioner shall establish day and cost outlier thresholds for each diagnostic category established under subdivision 2 at two standard deviations beyond the geometric mean length of stay or allowable cost. Payment for the days and cost beyond the outlier threshold shall be in addition to the operating and property payment rates per admission established under subdivisions 2, 2b and 2c. Payment for outliers shall be at 70 percent of the allowable operating cost calculated by dividing the operating payment rate per admission, after adjustment by the case mix index, hospital cost index, relative values and the disproportionate population adjustment, by the arithmetic mean length of stay for the diagnostic

categories shall be established at one standard deviation beyond the geometric mean length of stay or allowable cost, and payment shall be at 90 percent of allowable operating cost calculated in the same manner as other outliers. A hospital may choose an alternative percentage outlier payment to a minimum of 60 percent and a maximum of 80 percent if the commissioner is notified in writing of the request by October 1 of the year preceding the rate year. The chosen percentage applies to all diagnostic categories except burns and neonates. The percentage of allowable cost that is unrecognized by the outlier payment shall be added back to the base year operating payment rate per admission. Cost outliers shall be calculated using hospital specific allowable cost data. If a stay is both a day and a cost outlier, outlier payments shall be based on the higher outlier payment.

- (3) [DISPROPORTIONATE NUMBERS OF LOW-INCOME PATIENTS SERVED.] For admissions occurring on or after July 1, 1989, the medical assistance disproportionate population adjustment shall comply with federal law at fully implemented rates. The commissioner may establish a separate disproportionate population operating payment rate adjustment under the general assistance medical care program. For admissions occurring on or after January 1, 1991, the disproportionate population adjustment shall be derived from base year Medicare cost report data and may be adjusted by data reflecting actual claims paid by the department.
- (4) [SEPARATE BILLING BY CERTIFIED REGISTERED NURSE ANESTHETISTS.] Hospitals may exclude certified registered nurse anesthetist costs from the operating payment rate as allowed by section 256B.0625, subdivision 11. To be eligible, a hospital must notify the commissioner in writing by October 1 of the year preceding the rate year of the request to exclude certified registered nurse anesthetist costs. The hospital must agree that all hospital claims for the cost and charges of certified registered nurse anesthetist services will not be included as part of the rates for inpatient services provided during the rate year. In this case, the operating payment rate shall be adjusted to exclude the cost of certified registered nurse anesthetist services. Payments made through separate claims for certified registered nurse anesthetist services shall not be paid directly through the hospital provider number or indirectly by the certified registered nurse anesthetist to the hospital or related organizations.
- (5) [SPECIAL RATES.] The commissioner may establish special rate-setting methodologies, including a per day operating and property payment system, for hospice, ventilator dependent, and other services on a hospital and recipient specific basis taking into consideration such variables as federal designation, program size, and admission from a medical assistance waiver or home care program. The data and rate calculation method shall conform to the

requirements of paragraph (7), except that hospice rates shall not exceed the amount allowed under federal law and payment shall be secondary to any other medical assistance hospice program. Rates and payments established under this paragraph must meet the requirements of section 256.9685, subdivisions 1 and 2, and must not exceed payments that would otherwise be made to a hospital in total for rate year admissions under subdivisions 2, 2b, 2c, 3, 4, 5, and 6. The cost and charges used to establish rates shall only reflect inpatient medical assistance covered services. Hospital and claims data that are used to establish rates under this paragraph shall not be used to establish payments or relative values under subdivisions 2, 2b, 2c, 3, 4, 5, and 6.

- (6) [REHABILITATION DISTINCT PARTS.] Units of hospitals that are recognized as rehabilitation distinct parts by the Medicare program shall have separate provider numbers under the medical assistance program for rate establishment and billing purposes only. These units shall also have operating and property payment rates and the disproportionate population adjustment established separately from other inpatient hospital services, based on the methods of subdivisions 2, 2b, 2c, 3, 4, 5, and 6. The commissioner may establish separate relative values under subdivision 2 for rehabilitation hospitals and distinct parts as defined by the Medicare program. For individual hospitals that did not have separate medical assistance rehabilitation provider numbers or rehabilitation distinct parts in the base year, hospitals shall provide the information needed to separate rehabilitation distinct part cost and claims data from other inpatient service data.
- (7) [NEONATAL TRANSFERS.] For admissions occurring on or after July 1, 1989, neonatal diagnostic category transfers shall have operating and property payment rates established at receiving hospitals which have neonatal intensive care units on a per day payment system that is based on the cost finding methods and allowable costs of the Medicare program during the base year. Other neonatal diagnostic category transfers shall have rates established according to paragraph (8). The rate per day for the neonatal service setting within the hospital shall be determined by dividing base year neonatal allowable costs by neonatal patient days. The operating payment rate portion of the rate shall be adjusted by the hospital cost index and the disproportionate population adjustment. The cost and charges used to establish rates shall only reflect inpatient services covered by medical assistance. Hospital and claims data used to establish rates under this paragraph shall not be used to establish payments or relative values under subdivisions 2, 2b, 2c, 3, 4, 5, and 6.
- (8) [TRANSFERS.] Except as provided in paragraphs (5) and (7), operating and property payment rates for admissions that result in transfers and transfers shall be established on a per day payment system. The per day payment rate shall be the sum of the adjusted

operating and property payment rates determined in subdivisions 2b and 2c, divided by the arithmetic mean length of stay for the diagnostic category. Each admission that results in a transfer and each transfer is considered a separate admission to each hospital, and the total of the admission and transfer payments to each hospital must not exceed the total per admission payment that would otherwise be made to each hospital under paragraph (2) and subdivisions 2b and 2c.

- (b) The computation of each hospital's payment rate and the relative values of the diagnostic categories are not subject to the routine service cost limitation imposed under the Medicare program.
- (c) Indian health service facilities are exempt from the rate establishment methods required by this section and shall be reimbursed at the facility's usual and customary charges to the general public. This exemption is not effective for payments under general assistance medical care.
- (d) Except as provided in paragraph (a), clauses (1) and (3), out-of-state hospitals that are located within a Minnesota local trade area shall have rates established using the same procedures and methods that apply to Minnesota hospitals. Hospitals that are not required by law to file information in a format necessary to establish rates shall have rates established based on the commissioner's estimates of the information. Relative values of the diagnostic categories shall not be redetermined under this paragraph until required by rule. Hospitals affected by this paragraph shall then be included in determining relative values. However, hospitals that have rates established based upon the commissioner's estimates of information shall not be included in determining relative values. This paragraph is effective for hospital fiscal years beginning on or after July 1, 1988. A hospital shall provide the information necessary to establish rates under this paragraph at least 90 days before the start of the hospital's fiscal year.
- (e) Hospitals that are not located within Minnesota or a Minnesota local trade area shall have operating and property rates established at the average of statewide and local trade area rates or, at the commissioner's discretion, at an amount negotiated by the commissioner. Relative values shall not include data from hospitals that have rates established under this paragraph. Payments, including third party liability, established under this paragraph may not exceed the charges on a claim specific basis for inpatient services that are covered by medical assistance.
- (f) Medical assistance inpatient payment rates must include the cost incurred by hospitals to pay the department of health for metabolic disorder testing of newborns who are medical assistance recipients, if the cost is not recognized by another payment source.

- (g) Medical assistance inpatient payments shall increase 20 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988, and December 31, 1990, if: (i) the hospital had 100 or fewer Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988 for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.
- (h) Medical assistance inpatient payments shall increase 15 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988, and December 31, 1990, if: (i) the hospital had more than 100 but fewer than 250 Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988 for the period January 1, 1987, to June 30, 1987; (ii) the hospital had 100 or fewer licensed beds on March 1, 1988; (iii) the hospital is located in Minnesota; and (iv) the hospital is not located in a city of the first class as defined in section 410.01. For this paragraph, medical assistance does not include general assistance medical care.

# Sec. 39. [256.9695] [APPEALS OF RATES; PROHIBITED PRACTICES FOR HOSPITALS; TRANSITION RATES.]

Subdivision 1. [APPEALS.] A hospital may appeal a decision arising from the application of standards or methods under section 256.9685, 256.9686, or 256.969, if an appeal would result in a change to the hospital's payment rate or payments. Both overpayments and underpayments that result from the submission of appeals shall be implemented. Regardless of any appeal outcome, relative values shall not be recalculated. The appeal shall be heard by an administrative law judge according to sections 14.48 to 14.56, or upon agreement by both parties, according to a modified appeals procedure established by the commissioner and the office of administrative hearings. In any proceeding under this section, the appealing party must demonstrate by a preponderance of the evidence that the commissioner's determination is incorrect or not according to law.

(a) To appeal a payment rate or payment determination or a determination made from base year information, the hospital shall file a written appeal request to the commissioner within 60 days of the date the payment rate determination was mailed. The appeal request shall specify: (i) the disputed items; (ii) the authority in federal or state statute or rule upon which the hospital relies for each disputed item; and (iii) the name and address of the person to contact regarding the appeal. A change to a payment rate or payments that results from a successful appeal to the Medicare

program of the base year information establishing rates for the rate year beginning in 1991 and after is a prospective adjustment to subsequent rate years. After December 31, 1990, payment rates shall not be adjusted for appeals of base year information that affect years prior to the rate year beginning January 1, 1991. Facts to be considered in any appeal of base year information are limited to those in existence at the time the payment rates of the first rate year were established from the base year information. In the case of Medicare settled appeals, the 60-day appeal period shall begin on the mailing date of the notice by the Medicare program or the date the medical assistance payment rate determination notice is mailed, whichever is later.

- (b) To appeal a payment rate or payment change that results from a difference in case mix between the base year and a rate year, the procedures and requirements of paragraph (a) apply. However, the appeal must be filed with the commissioner within 60 days after the end of a rate year. A case mix appeal must apply to the cost of services to all medical assistance patients that received inpatient services from the hospital during the rate year appealed. For this paragraph, hospital means a facility holding the provider number as an inpatient service facility.
- Subd. 2. [PROHIBITED PRACTICES.] (a) Hospitals that have a provider agreement with the department may not limit medical assistance admissions to percentages of certified capacity or to quotas unless patients from all payors are limited in the same manner. This requirement does not apply to certified capacity that is unavailable due to contracts with payors for specific occupancy levels.
- (b) Hospitals may not transfer medical assistance patients to or cause medical assistance patients to be admitted to other hospitals without the explicit consent of the receiving hospital when service needs of the patient are available and within the receiving hospital. The transferring hospital is liable to the receiving hospital for patient charges and ambulance services without regard to medical assistance payments plus the receiving hospital's reasonable attorney fees if found in violation of this prohibition.
- Subd. 3. [TRANSITION.] Except as provided in section 256.969, subdivision 6a, paragraph (a), clause (3), the commissioner shall establish a transition period for the calculation of payment rates from the effective date of this section to December 31, 1990, as follows:
- (a) Changes resulting from section 256.969, subdivision 6a, paragraph (a), clauses (1), (2), (4), (5), (6), and (8), shall not be implemented.

- (b) Rates established for hospital fiscal years beginning on or after July 1, 1989, shall not be adjusted for the one percent technology factor included in the hospital cost index.
- (c) Operating payment rates shall be indexed from the hospital's most recent fiscal year ending prior to January 1, 1991, by prorating the hospital cost index methodology in effect on January 1, 1989. Payments made for admissions occurring after July 1, 1990, shall not include the one percent technology factor.
- (d) Property and pass-through payment rates shall be maintained at the most recent payment rate effective for June 1, 1990. However, all hospitals are subject to the hospital cost index limitation of subdivision 2c, for two complete fiscal years. Property and pass-through costs shall be retroactively settled through December 31, 1990. The laws in effect on the day before the effective date of this section apply to the retroactive settlement from the effective date of this section to December 31, 1990.
- Subd. 4. [STUDY.] The commissioner shall contract for an evaluation of the inpatient and outpatient hospital payment systems. The study shall include recommendations concerning:
- (1) more effective methods of assigning operating and property payment rates to specific services or diagnoses;
  - (2) effective methods of cost control and containment;
  - (3) fiscal impacts of alternative payment systems;
- (4) the relationships of the use of and payment for inpatient and outpatient hospital services;
- (5) methods to relate reimbursement levels to the efficient provision of services; and
- (6) methods to adjust reimbursement levels to reflect cost differences between geographic areas.

The commissioner shall report the findings to the legislature by January 15, 1991, along with recommendations for implementation.

Subd. 5. [RULES.] The commissioner of human services shall adopt permanent rules to implement this section and sections 256.9685, 256.9686, and 256.969 under chapter 14, the administrative procedure act.

Sec. 40. Minnesota Statutes 1988, section 256B.031, subdivision 5, is amended to read:

- Subd. 5. [FREE CHOICE LIMITED.] (a) The commissioner may require recipients of aid to families with dependent children to enroll in a prepaid health plan and receive services from or through the prepaid health plan, with the following exceptions:
- (1) recipients who are refugees and whose health services are reimbursed 100 percent by the federal government for the first 24 months after entry into the United States; and
- (2) recipients who are placed in a foster home or facility. If placement occurs before the seventh day prior to the end of any month, the recipient will be disenrolled from the recipient's prepaid health plan effective the first day of the following month. If placement occurs after the seventh day before the end of any month, that recipient will be disenrolled from the prepaid health plan on the first day of the second month following placement. The prepaid health plan must provide all services set forth in subdivision 2 during the interim period.

Enrollment in a prepaid health plan is mandatory only when recipients have a choice of at least two prepaid health plans.

- (b) Recipients who become eligible on or after December 1, 1987, must choose a health plan within 30 days of the date eligibility is determined. At the time of application, the local agency shall ask the recipient whether the recipient has a primary health care provider. If the recipient has not chosen a health plan within 30 days but has provided the local agency with the name of a primary health care provider, the local agency shall determine whether the provider participates in a prepaid health plan available to the recipient and, if so, the local agency shall select that plan on the recipient's behalf. If the recipient has not provided the name of a primary health care provider who participates in an available prepaid health plan, commissioner shall randomly assign the recipient to a health plan.
- (c) If possible, the local agency shall ask whether the recipient has a primary health care provider and the procedures under paragraph (b) shall apply. If a recipient does not choose a prepaid health plan by this date, the commissioner shall randomly assign the recipient to a health plan.
- (d) The commissioner shall request a waiver from the federal Health Care Financing Administration to limit a recipient's ability to change health plans to once every six or 12 months. If such a waiver is obtained, each recipient must be enrolled in the health plan for a minimum of six or 12 months. A recipient may change health plans once within the first 60 days after initial enrollment.
- (e) Women who are receiving medical assistance due to pregnancy and later become eligible for aid to families with dependent children are not required to choose a prepaid health plan until 60 days

postpartum. An infant born as a result of that pregnancy must be enrolled in a prepaid health plan at the same time as the mother.

- (f) If third-party coverage is available to a recipient through enrollment in a prepaid health plan through employment, through coverage by the former spouse, or if a duty of support has been imposed by law, order, decree, or judgment of a court under section 518.551, the obligee or recipient shall participate in the prepaid health plan in which the obligee has enrolled provided that the commissioner has contracted with the plan.
- Sec. 41. Minnesota Statutes 1988, section 256B.04, subdivision 14, is amended to read:
- Subd. 14. [COMPETITIVE BIDDING.] When determined to be effective, economical, and feasible, the commissioner shall may utilize volume purchase through competitive bidding and negotiation under the provisions of chapter 16 16B, to provide the following items under the medical assistance program including but not limited to the following:
  - (1) eyeglasses;
- (2) oxygen. The commissioner shall provide for oxygen needed in an emergency situation on a short-term basis, until the vendor can obtain the necessary supply from the contract dealer;
  - (3) hearing aids and supplies; and
  - (4) durable medical equipment, including but not limited to:
  - (a) hospital beds;
  - (b) commodes;
  - (c) glide-about chairs;
  - (d) patient lift apparatus;
  - (e) wheelchairs and accessories;
  - (f) oxygen administration equipment;
  - (g) respiratory therapy equipment;
  - (h) electronic diagnostic, therapeutic and life support systems;
  - (5) wheelchair special transportation services; and

- (6) drugs.
- Sec. 42. Minnesota Statutes 1988, section 256B.04, is amended by adding a subdivision to read:
- Subd. 17. [PRENATAL CARE OUTREACH.] (a) The commissioner of human services shall award a grant to an eligible organization to conduct a statewide media campaign promoting early prenatal care. The goals of the campaign are to increase public awareness of the importance of early and continuous prenatal care and to inform the public about public and private funds available for prenatal care.
- $\frac{\underline{(b)}\ \underline{In}\ \underline{order}\ \underline{to}\ \underline{receive}\ \underline{a}\ \underline{grant}\ \underline{under}\ \underline{this}\ \underline{section,}\ \underline{an}\ \underline{applicant}}{\underline{must}:}$ 
  - (1) have experience conducting prenatal care outreach;
- $\frac{(2)}{and} \; \underline{ \text{ an }} \; \underline{ \text{ established }} \; \underline{ \text{ statewide }} \; \underline{ \text{ constituency }} \; \underline{ \text{ or }} \; \underline{ \text{ service }} \; \underline{ \text{ area;}}$
- (c) Money received under this subdivision may be used for purchase of materials and supplies, staff fees and salaries, consulting fees, and other goods and services necessary to accomplish the goals of the campaign. Money may not be used for capital expenditures.
- Sec. 43. Minnesota Statutes 1988, section 256B.055, subdivision 7, is amended to read:
- Subd. 7. [AGED, BLIND, OR DISABLED PERSONS.] Medical assistance may be paid for a person who meets the categorical eligibility requirements of the supplemental security income program and the other eligibility requirements of this section. The methodology for calculating disregards and deductions from income must be as specified in section 256D.37; subdivisions 6 to 14 the same methodology used for calculating income for the supplemental security income program except as specified otherwise by state or federal law, rule or regulation.

Effective February 1, 1989, and to the extent allowed by federal law the commissioner shall deduct state and federal income taxes and federal insurance contributions act payments withheld from the individual's earned income in determining eligibility under this subdivision.

- Sec. 44. Minnesota Statutes 1988, section 256B.055, subdivision 8, is amended to read:
- Subd. 8. [MEDICALLY NEEDY PERSONS WITH EXCESS INCOME OR ASSETS.] Medical assistance may be paid for a person who, except for the amount of income or assets, would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children, and who meets the other eligibility requirements of this section. However, in the case of families and children who meet the categorical eligibility requirements for aid to families with dependent children, the methodology for calculating assets shall be as specified in section 256.73, subdivision 2, except that the exclusion for an automobile shall be as in subdivision 3, clause (g), as long as acceptable to the health care financing administration, and the methodology for calculating deductions from earnings for child care and work expenses shall be as specified in section 256.74, subdivision 1.
- Sec. 45. Minnesota Statutes 1988, section 256B.056, subdivision 3, is amended to read:
- Subd. 3. [ASSET LIMITATIONS.] To be eligible for medical assistance, a person must not individually own more than \$3,000 in cash or liquid assets, or if a member of a household with two family members (husband and wife, or parent and child), the household must not own more than \$6,000 in eash or liquid assets, plus \$200 for each additional legal dependent. In addition to these maximum amounts, an eligible individual or family may accrue interest on these amounts, but they must be reduced to the maximum at the time of an eligibility redetermination. For residents of long-term care facilities, the accumulation of the clothing and personal needs allowance pursuant to section 256B.35 must also be reduced to the maximum at the time of the eligibility redetermination. Cash and liquid assets may include a prepaid funeral contract and insurance policies with cash surrender value. The value of the following shall not be included: The value of the items in paragraphs (a) to (i) are not considered in determining medical assistance eligibility.
  - (a) The homestead, is not considered.
- (b) Household goods and personal effects with a total equity value of \$2,000 or less, are not considered.
- (c) Personal property used as a regular abode by the applicant or recipient, is not considered.
- (d) A lot in a burial plot for each member of the household, is not considered.
  - (e) Capital and operating assets of a trade or business that the

local agency determines are necessary to the person's ability to earn an income, are not considered.

- (f) For a period of six months, insurance settlements to repair or replace damaged, destroyed, or stolen property, are not considered.
- (g) One motor vehicle that is licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e, and that is used primarily for the person's benefit, and (h) other items which may be required by federal law or statute is not considered.

To be excluded, the vehicle must have a market value of less than \$4,500; be necessary to obtain medically necessary health services; be necessary for employment; be modified for operation by or transportation of a handicapped person; or be necessary to perform essential daily tasks because of climate, terrain, distance, or similar factors. The equity value of other motor vehicles is counted against the eash or liquid asset limit.

- (h) Life insurance policies and assets designated as burial expenses, according to the standards and restrictions of the supplemental security income (SSI) program.
- (i) Other items which may be excluded by federal law are not considered.
- Sec. 46. Minnesota Statutes 1988, section 256B.056, subdivision 4, is amended to read:
- Subd. 4. [INCOME.] To be eligible for medical assistance, a person must not have, or anticipate receiving, semiannual income in excess of 115 120 percent of the income standards by family size used in the aid to families with dependent children program, except that families and children may have an income up to 133½ percent of the AFDC income standard. Notwithstanding any laws or rules to the contrary, in computing income to determine eligibility of persons who are not residents of long-term care facilities, the commissioner shall disregard increases in income as required by Public Law Numbers 94-566, section 503; 99-272; and 99-509.
- Sec. 47. Minnesota Statutes 1988, section 256B.056, subdivision 5, is amended to read:
- Subd. 5. [EXCESS INCOME.] A person who has excess income is eligible for medical assistance if the person has expenses for medical care that are more than the amount of the person's excess income, computed by deducting incurred medical expenses from the excess income to reduce the excess to the income standard specified in

subdivision 4. The person shall elect to have the medical expenses. deducted monthly at the beginning of a one-month budget period or at the beginning of the a six-month budget period; or who is a pregnant woman or infant up to one year of age who meets the requirements of section 256B.055, subdivisions 1 to 9, except that her anticipated income is in excess of the income standards by family size used in the aid to families with dependent children program, but is equal to or less than 185 percent of the federal poverty guideline for the same family size. Eligibility for a pregnant woman or infant up to one year of age with respect to this clause shall be without regard to the asset standards specified in subdivisions 2 and 4. For persons who reside in licensed nursing homes, regional treatment centers, or medical institutions, the income over and above that required in section 256B.35 for personal needs allowance is to be applied to the cost of institutional care. In addition, income may be retained by an institutionalized person (a) to support dependents in the amount that, together with the income of the spouse and child under age 18, would provide net income equal to the medical assistance standard for the family size of the dependents excluding the person residing in the facility; or (b) for a period of up to three calendar months, in an amount equal to the medical assistance standard for a family size of one if the person was not living together with a spouse or child under age 21 at the time the person entered a long-term care facility, if the person has expenses of maintaining a residence in the community, and if a physician certifies that the person is expected to reside in the long term care facility on a short-term basis. For purposes of this section, persons are determined to be residing in licensed nursing homes, regional treatment centers, or medical institutions if the persons are expected to remain for a period expected to last longer than three months. The commissioner of human services may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care. The commissioner shall seek applicable waivers from the Secretary of Health and Human Services to allow persons eligible for assistance on a spend-down basis under this subdivision to elect to pay the monthly spend-down amount to the local agency in order to maintain eligibility on a continuous basis for medical assistance and to simplify payment to health care providers. If the local agency has not received payment of the spend-down amount by the 15th day of the month, the recipient is ineligible for this option for the following month. The commissioner may seek a waiver of the requirement of the Social Security Act that all requirements be uniform statewide, to phase in this option over a six-month period.

Sec. 48. [256B.057] [ELIGIBILITY, INCOME AND ASSET LIMITATIONS FOR SPECIAL CATEGORIES.]

Subdivision 1. [PREGNANT WOMEN AND INFANTS.] An infant less than one year of age or a pregnant woman, as certified in writing by a physician or nurse midwife, is eligible for medical

assistance if countable family income is equal to or less than 185 percent of the federal poverty guideline for the same family size. Eligibility for a pregnant woman or infant less than one year of age under this subdivision must be determined without regard to asset standards established in section 256B.056, subdivision 3. Adjustments in the income limits due to annual changes in the federal poverty guidelines shall be implemented the first day of July following publication of the changes.

Subd. 2. [CHILDREN.] A child one through seven years of age in a family whose countable income is less than 100 percent of the federal poverty guidelines for the same family size is eligible for medical assistance. Eligibility for children under this subdivision must be determined without regard to asset standards established in section 256B.056, subdivision 3. Adjustments in the income limits due to annual changes in the federal poverty guidelines shall be implemented the first day of July following publication of the changes.

Subd. 3. [QUALIFIED MEDICARE BENEFICIARIES.] A person who is entitled to Part A Medicare benefits, whose income is equal to or less than 85 percent of the federal poverty guidelines, and whose assets are no more than twice the asset limit used to determine eligibility for the supplemental security income program, is eligible for medical assistance reimbursement of Part A and Part B premiums, Part A and Part B coinsurance and deductibles, and cost-effective premiums for enrollment with a health maintenance organization or a competitive medical plan under section 1876 of the Social Security Act. The income limit shall be increased to 90 percent of the federal poverty guidelines on January 1, 1990; to 95 percent on January 1, 1991; and to 100 percent on January 1, 1992. Reimbursement of the Medicare coinsurance and deductibles, when added to the amount paid by Medicare, must not exceed the total rate the provider would have received for the same service or services if the person were a medical assistance recipient with Medicare coverage. Adjustments in the income limits due to annual changes in the federal poverty guidelines shall be implemented the first day of July following publication of the changes.

Sec. 49. [256B.0575] [AVAILABILITY OF INCOME FOR INSTITUTIONALIZED PERSONS.]

When an institutionalized person is determined eligible for medical assistance, the income that exceeds the deductions in paragraphs (a) and (b) must be applied to the cost of institutional care.

- (a) The following amounts must be deducted from the institutionalized person's income in the following order:
  - (1) the personal needs allowance under section 256B.35;

- (3) if the institutionalized person has a legally-appointed guardian or conservator, five percent of the recipient's gross monthly income up to \$100 as reimbursement for guardianship or conservatorship services;
- (4) a monthly income allowance determined under section 256B.058, subdivision 2, but only to the extent income of the institutionalized spouse is made available to the community spouse;
- (5) a monthly family allowance for other family members, equal to one-third of the difference between 122 percent of the federal poverty guidelines and the monthly income for that family member; and
- (6) amounts for reasonable expenses incurred for necessary medical or remedial care for the institutionalized spouse that are not medical assistance covered expenses and that are not subject to payment by a third party.

For purposes of clause (5), family member includes only minor or dependent children, dependent parents, or dependent siblings of the institutionalized or community spouse if the sibling resides with the community spouse.

- (b) Income shall be allocated to an institutionalized person for a period of up to three calendar months, in an amount equal to the medical assistance standard for a family size of one if:
- (1) a physician certifies that the person is expected to reside in the long-term care facility for three calendar months or less;
- (2) if the person has expenses of maintaining a residence in the community; and
  - (3) if one of the following circumstances apply:
- (i) the person was not living together with a spouse or a family member as defined in paragraph (a) when the person entered a long-term care facility; or
- (ii) the person and the person's spouse become institutionalized on the same date, in which case the allocation shall be applied to the income of one of the spouses.

For purposes of this paragraph, a person is determined to be residing in a licensed nursing home, regional treatment center, or medical

institution if the person is expected to remain for a period of one full calendar month or more.

Sec. 50. [256B.058] [TREATMENT OF INCOME OF INSTITUTIONALIZED SPOUSE.]

Subdivision 1. [INCOME NOT AVAILABLE.] The income described in subdivisions 2 and 3 shall be deducted from an institutionalized spouse's monthly income and is not considered available for payment of the monthly costs of an institutionalized person in the institution after the person has been determined eligible for medical assistance.

- Subd. 2. [MONTHLY INCOME ALLOWANCE FOR COMMUNITY SPOUSE.] (a) For an institutionalized spouse with a spouse residing in the community, monthly income may be allocated to the community spouse as a monthly income allowance for the community spouse. Beginning with the first full calendar month the institutionalized spouse is in the institution, the monthly income allowance is not considered available to the institution as long as the income is made available to the community spouse.
- (b) The monthly income allowance is the amount by which the community spouse's monthly maintenance needs allowance under paragraphs (c) and (d) exceeds the amount of monthly income otherwise available to the community spouse.
- (c) The community spouse's monthly maintenance needs allowance is the lesser of \$1,500 or 122 percent of the monthly federal poverty guideline for a family of two plus an excess shelter allowance. The excess shelter allowance is for the amount of shelter expenses that exceed 30 percent of 122 percent of the federal poverty guideline line for a family of two. Shelter expenses are the community spouse's expenses for rent, mortgage payments including principal and interest, taxes, insurance, required maintenance charges for a cooperative or condominium that is the community spouse's principal residence, and the standard utility allowance under section 5(e) of the federal Food Stamp Act of 1977. If the community spouse has a required maintenance charge for a cooperative or condominium, the standard utility allowance must be reduced by the amount of utility expenses included in the required maintenance charge.

If the community or institutionalized spouse establishes that the community spouse needs income greater than the monthly maintenance needs allowance determined in this paragraph due to exceptional circumstances resulting in significant financial duress, the monthly maintenance needs allowance may be increased to an amount that provides needed additional income.

- (d) The percentage of the federal poverty guideline used to determine the monthly maintenance needs allowance in paragraph (c) is increased to 133 percent on July 1, 1991, and to 150 percent on July 1, 1992. Adjustments in the income limits due to annual changes in the federal poverty guidelines shall be implemented the first day of July following publication of the annual changes. The \$1,500 maximum must be adjusted January 1, 1990, and every January 1 after that by the same percentage increase in the consumer price index for all urban consumers (all items; United States city average) between the two previous Septembers.
- (e) If a court has entered an order against an institutionalized spouse for monthly income for support of the community spouse, the community spouse's monthly income allowance under this subdivision shall not be less than the amount of the monthly income ordered.
- Subd. 3. [FAMILY ALLOWANCE.] (a) A family allowance determined under paragraph (b) is not considered available to the institutionalized spouse for monthly payment of costs of care in the institution.
- (b) The family allowance is equal to one-third of the amount by which 122 percent of the monthly federal poverty guideline for a family of two exceeds the monthly income for that family member.
- (c) For purposes of this subdivision, the term family member only includes a minor or dependent child, dependent parent, or dependent sibling of the institutionalized or community spouse if the sibling resides with the community spouse.
- (d) The percentage of the federal poverty guideline used to determine the family allowance in paragraph (b) is increased to 133 percent on July 1, 1991, and to 150 percent on July 1, 1992. Adjustments in the income limits due to annual changes in the federal poverty guidelines shall be implemented the first day of July following publication of the annual changes.
- Subd. 4. [TREATMENT OF INCOME.] (a) No income of the community spouse will be considered available to an eligible institutionalized spouse, beginning the first full calendar month of institutionalization, except as provided in this subdivision.
- - (1) For income that is not from a trust, availability is determined

- $\frac{according\ to\ \underline{items}\ \underline{(i)}\ to\ \underline{(v)},\ \underline{unless}\ \underline{the}}{\underline{income}\ \underline{otherwise}\ \underline{specifically}\ \underline{provides}:}\ \underline{instrument}\ \underline{providing}\ \underline{the}$
- is considered available only to that spouse; the income
- (ii) if payment is made in the names of both spouses, one-half of the income is considered available to each;
- (iii) if payment is made in the names of one or both spouses together with one or more other persons, the income is considered available to each spouse according to the spouse's interest, or one-half of the joint interest is considered available to each spouse if each spouse's interest is not specified;
- (iv) if there is no instrument that establishes ownership, one-half of the income is considered available to each spouse; and
- (v) either spouse may rebut the determination of availability of income by showing by a preponderance of the evidence that ownership interests are different than provided above.
- (2) For income from a trust, income is considered available to each spouse as provided in the trust. If the trust does not specify an amount available to either or both spouses, availability will be determined according to items (i) to (iii):
- (i) if payment of income is made only to one spouse, the income is considered available only to that spouse;
- (iii) if payment is made to either or both spouses and one or more other persons, the income is considered available to each spouse in proportion to each spouse's interest, or if no such interest is specified, one-half of the joint interest is considered available to each spouse.
- Sec. 51. [256B.059] [TREATMENT OF ASSETS WHEN A SPOUSE IS INSTITUTIONALIZED.]
- <u>Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.</u>
- $\underline{\text{(b) "Community spouse" means the spouse of an institutionalized person.}} \ \underline{\text{means the spouse of an institutionalized}}$
- (c) "Spousal share" means one-half of the total value of all assets, to the extent that either the institutionalized spouse or the commu-

 $\frac{nity\ spouse}{ization}\ \underline{had}\ \underline{an}\ \underline{ownership}\ \underline{interest}\ \underline{at}\ \underline{the}\ \underline{time}\ \underline{of}\ \underline{institutional-ization}.$ 

- (d) "Assets otherwise available to the community spouse" means assets individually or jointly owned by the community spouse, other than assets excluded by subdivision 5, paragraph (c).
- $\frac{\text{(e) "Community spouse }}{\text{can be transferred under subdivision 3.}} \underbrace{\text{asset allowance" is }}_{\text{the value of assets that}} \underbrace{\text{the value of assets that}}_{\text{can be transferred under subdivision 3.}}$
- Subd. 2. [ASSESSMENT OF SPOUSAL SHARE.] At the beginning of a continuous period of institutionalization of a person, at the request of either the institutionalized spouse or the community spouse, or upon application for medical assistance, the total value of assets in which either the institutionalized spouse or the community spouse had an interest at the time of institutionalization shall be assessed and documented and the spousal share shall be assessed and documented.
- Subd. 3. [COMMUNITY SPOUSE ASSET ALLOWANCE.] (a) An institutionalized spouse may transfer assets to the community spouse solely for the benefit of the community spouse. Except for increased amounts allowable under subdivision 4, the maximum amount of assets allowed to be transferred is the amount which, when added to the assets otherwise available to the community spouse, is the greater of:
  - (1) \$12,000;
  - (2) the lesser of the spousal share or \$60,000; or

If the assets available to the community spouse are already at the limit permissible under this section, or the higher limit attributable to increases under subdivision 4, no assets may be transferred from the institutionalized spouse to the community spouse. The transfer must be made as soon as practicable after the date the institutionalized spouse is determined eligible for medical assistance, or within the amount of time needed for any court order required for the transfer. On January 1, 1990, and every January 1 thereafter, the \$12,000 and \$60,000 limits shall be adjusted by the same percentage change in the consumer price index for all urban consumers (all items; United States city average) between the two previous Septembers. These adjustments shall also be applied to the \$12,000 and \$60,000 limits in subdivision 5.

Subd. 4. [INCREASED COMMUNITY SPOUSE ASSET ALLOW-ANCE; WHEN ALLOWED.] (a) If either the institutionalized

spouse or community spouse establishes that the community spouse asset allowance under subdivision 3 (in relation to the amount of income generated by such an allowance) is not sufficient to raise the community spouse's income to the minimum monthly maintenance needs allowance in section 256B.058, subdivision 2, paragraph (c), there shall be substituted for the amount allowed to be transferred an amount sufficient, when combined with the monthly income otherwise available to the spouse, to provide the minimum monthly maintenance needs allowance.

- (b) The community spouse asset allowance under subdivision 3 can be increased by court order or hearing that complies with the requirements of United States Code, title 42, section 1924.
- Subd. 5. [ASSET AVAILABILITY.] (a) At the time of application for medical assistance benefits, assets considered available to the institutionalized spouse shall be the total value of all assets in which either spouse has an ownership interest, reduced by the greater of:
  - (1) \$12,000; or
  - (2) the lesser of the spousal share or \$60,000; or
- (3) the amount required by court order to be paid to the community spouse. If the community spouse asset allowance has been increased under subdivision 4, then the assets considered available to the institutionalized spouse under this subdivision shall be further reduced by the value of additional amounts allowed under subdivision 4.
- (b) After the month in which the institutionalized spouse is determined eligible for medical assistance, during the continuous period of institutionalization, no assets of the community spouse are considered available to the institutionalized spouse.
- $\frac{(c)\ For\ purposes\ of\ this\ section,\ assets\ do\ not\ include\ assets}{excluded\ under\ section} \frac{256B.056,\ without\ regard\ to}{on\ total\ value\ in\ that\ section.}$
- Sec. 52. [256B.0595] [PROHIBITIONS ON TRANSFER; EXCEPTIONS.]

Subdivision 1. [PROHIBITED TRANSFERS.] If an institutionalized person has given away, sold, or disposed of, for less than fair market value, any asset or interest therein, except assets other than the homestead that are excluded under section 256B.056, subdivision 3, within 30 months of the date of institutionalization if the person has been determined eligible for medical assistance, or within 30 months of the date of the first approved application for

medical assistance if the person has not yet been determined eligible for medical assistance, the person is ineligible for long-term care services for the period of time determined under subdivision 2. For purposes of this section, long-term care services include nursing facility services, and home and community-based services provided pursuant to section 256B.491. For purposes of this subdivision and subdivisions 2, 3, and 4, "institutionalized person" includes a person who is an inpatient in a nursing facility, or who is receiving home and community-based services under section 256B.491.

- Subd. 2. [PERIOD OF INELIGIBILITY.] For any uncompensated transfer, the number of months of ineligibility for long-term care services shall be the lesser of 30 months, or the uncompensated transfer amount divided by the average medical assistance rate for nursing facility services in the state in effect on the date of application. The amount used to calculate the average medical assistance payment rate shall be adjusted each July 1 to reflect payment rates for the previous calendar year. The period of ineligibility begins with the month in which the assets were transferred. The uncompensated transfer amount is the fair market value of the asset at the time it was given away, sold, or disposed of, less the amount of compensation received.
- Subd. 3. [HOMESTEAD EXCEPTION TO TRANSFER PROHIBITION.] (a) An institutionalized person is not ineligible for long-term care services due to a transfer of assets for less than fair market value if the asset transferred was a homestead and:
  - (1) title to the homestead was transferred to the individual's
  - (i) spouse;
  - (ii) child who is under age 21;
- $\frac{(iii)}{blind} \frac{or\ permanently\ and\ totally\ disabled}{the\ supplemental\ security\ income\ program;} \frac{defined\ in\ defined\ in\ defined\ disabled\ disabled\ defined\ disabled\ disabled\ defined\ disabled\ defined\ disabled\ disabled\ defined\ disabled\ disa$
- (iv) sibling who has equity interest in the home and who was residing in the home for a period of at least one year immediately before the date of the individual's admission to the facility; or
- (v) son or daughter who was residing in the individual's home for a period of at least two years immediately before the date of the individual's admission to the facility, and who provided care to the individual that permitted the individual to reside at home rather than in an institution or facility;
- (2) a satisfactory showing is made that the individual intended to dispose of the homestead at fair market value or for other valuable consideration; or

- (3) the local agency grants a waiver of the excess resources created by the uncompensated transfer because denial of eligibility would cause undue hardship for the individual, based on imminent threat to the individual's health and well-being.
- (b) When a waiver is granted under paragraph (a), clause (3), a cause of action exists against the person to whom the homestead was transferred for that portion of long-term care services granted within 30 months of the transfer or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action. The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256G.
- Subd. 4. [OTHER EXCEPTIONS TO TRANSFER PROHIBITION.] An institutionalized person receiving medical assistance on the date of institutionalization who has transferred assets for less than fair market value within the 30 months immediately before the date of institutionalization or an institutionalized person who was not receiving medical assistance on the date of institutionalization and who has transferred assets for less than fair market value within 30 months immediately before the month of application is not ineligible for long-term care services if one of the following conditions apply:
- (2) the institutionalized spouse, prior to being institutionalized, transferred assets to his or her spouse, provided that the spouse to whom the assets were transferred does not then transfer those assets to another person for less than fair market value. (At the time when one spouse is institutionalized, assets must be allocated between the spouses as provided under section 256B.059); or
- (3) the assets were transferred to the individual's child who is blind or permanently and totally disabled as determined in the supplemental security income program; or
- (4) a satisfactory showing is made that the individual intended to dispose of the assets either at fair market value or for other valuable consideration; or
- (5) the local agency determines that denial of eligibility for long-term care services would work an undue hardship, and grants a waiver of excess assets. When a waiver is granted, a cause of action exists against the person to whom the assets were transferred for that portion of long-term care services granted within 30 months of the transfer, or the amount of the uncompensated transfer, whichever is less, together with the costs incurred due to the action.

The action may be brought by the state or the local agency responsible for providing medical assistance under chapter 256B.

Sec. 53. Minnesota Statutes 1988, section 256B.062, is amended to read:

## 256B 062 [CONTINUED ELIGIBILITY.]

Subdivision 1. Any family which was eligible for aid to families with dependent children in at least three of the six months immediately preceding the month in which the family became ineligible for aid to families with dependent children because of increased income from employment shall, while a member of the family is employed, remain eligible for medical assistance for four calendar months following the month in which the family would otherwise be determined to be ineligible due to the income and resources limitations of this chapter.

Subd. 2. A family whose eligibility for aid to families with dependent children is terminated because of the loss of the \$30, or the \$30 and one-third earned income disregard is eligible for medical assistance for 12 calendar months following the month in which the family loses medical assistance eligibility as an aid to families with dependent children recipient. Medical assistance may be paid for persons who received aid to families with dependent children in at least three of the six months preceding the month in which the person became ineligible for aid to families with dependent children, if the ineligibility was due to an increase in hours of employment or employment income or due to the loss of an earned income disregard. A person who is eligible for extended medical assistance is entitled to six months of assistance without reapplication, unless the assistance unit ceases to include a dependent child. For a person under 21 years of age, medical assistance may not be discontinued within the six-month period of extended eligibility until it has been determined that the person is not otherwise eligible for medical assistance. Medical assistance may be continued for an additional six months if the person meets all requirements for the additional six months, according to Title XIX of the Social Security Act, as amended by section 303 of the Family Support Act of 1988, Public Law Number 100-485.

Sec. 54. Minnesota Statutes 1988, section 256B.0625, subdivision 2, is amended to read:

Subd. 2. [SKILLED AND INTERMEDIATE NURSING CARE.] Medical assistance covers skilled nursing home services and services of intermediate care facilities, including training and habilitation services, as defined in section 252.41, subdivision 3, for persons with mental retardation or related conditions who are residing in intermediate care facilities for persons with mental retardation or related conditions. Medical assistance must not be

used to pay the costs of nursing care provided to a patient in a swing bed as defined in section 144.562; unless (a) the facility in which the swing bed is located is eligible as a sole community provider, as defined in Code of Federal Regulations, title 42, section 412.92, or the facility is a public hospital owned by a governmental entity with 15 or fewer licensed acute care beds; (b) the health care financing administration approves the necessary state plan amendments; (c) the patient was screened as provided in section 256B.091; (d) the patient no longer requires acute care services; and (e) no nursing home beds are available within 25 miles of the facility. The daily medical assistance payment for nursing care for the patient in the swing bed is the statewide average medical assistance skilled nursing care per diem as computed annually by the commissioner on July 1 of each year.

Sec. 55. Minnesota Statutes 1988, section 256B,0625, subdivision 13, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs if prescribed by a licensed practitioner. The commissioner shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two-year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. Prior authorization may be required by the commissioner, with the consent of the drug formulary committee, before certain formulary drugs are eligible for payment. The formulary shall not include: drugs or products for which there is no federal funding; over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven and pregnant or nursing women; or any other over-thecounter drug identified by the commissioner, in consultation with the appropriate professional consultants under contract with or employed by the state agency, as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases,

conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the administrative procedure act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases, conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. Separate payment shall not be made for nutritional products for residents of long-term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and the commissioner's determination shall not be subject to chapter 14, the administrative procedure act. The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(b) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug may be estimated by the commissioner. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2. Implementation of any change in the fixed dispensing fee that has not been subject to the administrative procedure act is limited to not more than 180 days, unless, during that time, the commissioner initiates rulemaking through the administrative procedure act.

Sec. 56. Minnesota Statutes 1988, section 256B.0625, subdivision 17, is amended to read:

- Subd. 17. [TRANSPORTATION COSTS.] (a) Medical assistance covers transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by nonambulatory persons in obtaining emergency or nonemergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this subdivision, a person who is incapable of transport by taxicab or bus shall be considered to be nonambulatory.
- (b) Special transportation, as defined in Minnesota Rules, part 9505.0315, subpart 1, item F, provided to nonambulatory persons who do not need a wheelchair lift van or stretcher-equipped vehicle, may be reimbursed at a lower rate than special transportation provided to persons who need a wheelchair lift van or stretcher-equipped vehicle.
- Sec. 57. Minnesota Statutes 1988, section 256B.0625, is amended by adding a subdivision to read:
- Subd. 26. [SPECIAL EDUCATION SERVICES.] Medical assistance covers medical services identified in a recipient's individualized education plan and covered under the medical assistance state plan. The services may be provided by a Minnesota school district that is enrolled as a medical assistance provider or its subcontractor, and only if the services meet all the requirements otherwise applicable if the service had been provided by a provider other than a school district, in the following areas: medical necessity, physician's orders, documentation, personnel qualifications, and prior authorization requirements. Medical assistance coverage for medically necessary services provided under other subdivisions in this section may not be denied solely on the basis that the same or similar services are covered under this subdivision.
- Sec. 58. Minnesota Statutes 1988, section 256B.0625, is amended by adding a subdivision to read:
- Subd. 27. [ORGAN AND TISSUE TRANSPLANTS.] Medical assistance coverage for organ and tissue transplant procedures is limited to those procedures covered by the Medicare program, provided those procedures comply with all applicable laws, rules, and regulations governing (1) coverage by the Medicare program, (2) federal financial participation by the Medicaid program, and (3) coverage by the Minnesota medical assistance program.

Sec. 59. [256B.0642] [FEDERAL FINANCIAL PARTICIPATION.]

The commissioner may, in the aggregate, prospectively reduce payment rates for medical assistance providers receiving federal funds to avoid reduced federal financial participation resulting from rates that are in excess of the Medicare limitations.

- Sec. 60. Minnesota Statutes 1988, section 256B.091, subdivision 3, is amended to read:
- Subd. 3. [SCREENING TEAM; DUTIES.] Local screening teams shall seek cooperation from other public and private agencies in the community which offer services to the disabled and elderly. The responsibilities of the agency responsible for screening shall include:
- (a) Provision of information and education to the general public regarding availability of the screening program;
- (b) Acceptance of referrals from individuals, families, human service professionals and nursing home personnel of the community agencies;

- (d) Identification of available noninstitutional services to meet the needs of individuals referred;
  - (e) Recommendations for individuals screened regarding:
  - (1) Nursing home or boarding care home admission; and

- (1) in cooperation with a qualified mental health professional for persons with a primary or secondary diagnosis of mental illness; and
- (2) in cooperation with a qualified mental retardation professional for persons with a primary or secondary diagnosis of mental retardation or related conditions.

For purposes of this subdivision, a qualified mental retardation professional must meet the standards for a qualified mental retardation professional in Code of Federal Regulations, title 42, section 483.430;

- (g) Provision of follow up services as needed; and
- (g) (h) Preparation of reports which may be required by the commissioner of human services.
- Sec. 61. Minnesota Statutes 1988, section 256B.092, subdivision 7, is amended to read:

Subd. 7. [SCREENING TEAMS ESTABLISHED.] Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home and community-based services of persons who are entitled to the level of care provided by an intermediate care facility for persons with mental retardation or related conditions or for whom there is a reasonable indication that they might require the level of care provided by an intermediate care facility. The screening team shall make an evaluation of need within 15 working days of the date that the assessment is completed or within 60 working days of a request for service by a person with mental retardation or related conditions. whichever is the earlier, and within five working days of an emergency admission of an individual to an intermediate care facility for persons with mental retardation or related conditions. The screening team shall consist of the case manager, the client, a parent or guardian, and a qualified mental retardation professional, as defined in the Code of Federal Regulations, title 42, section 442.401 483.430, as amended through December 31, 1987. County social service agencies may contract with a public or private agency or individual who is not a service provider for the person for the public guardianship representation required by the screening or individual service and habilitation planning process. The contract shall be limited to public guardianship representation for the screening and individual service and habilitation planning activities. The contract shall require compliance with the commissioner's instructions, and may be for paid or voluntary services. For individuals determined to have overriding health care needs, a registered nurse must be designated as either the case manager or the qualified mental retardation professional. The case manager shall consult with the client's physician, other health professionals or other persons as necessary to make this evaluation. The case manager, with the concurrence of the client or the client's legal representative, may invite other persons to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.

Sec. 62. [256B.093] [SERVICES FOR PERSONS WITH BRAIN INJURIES.]

Subdivision 1. [STATE COORDINATOR.] The commissioner of human services shall designate a full-time position within the

long-term care management division of the department of human services to supervise and coordinate services for persons with brain injuries.

- Subd. 2. [ELIGIBILITY.] The commissioner may contract with qualified agencies or persons to provide case management services to medical assistance recipients who are at risk of institutionalization and meet one of the following criteria:
  - (a) The person has a brain injury.
- (b) The person is receiving home care services or is in an institution and has a discharge plan requiring the provision of home care services and meets one of the following criteria:
- (1) the person suffers from a brain abnormality or degenerative brain disease resulting in significant destruction of brain tissue and loss of brain function that requires extensive services over an extended period of time;
  - (2) the person is unable to direct the person's own care;
- (3) the person has medical home care costs that exceed thresholds established by the commissioner under Minnesota Rules, parts 9505.0170 to 9505.0475;
- (4) the person is eligible for medical assistance under the option for certain disabled children in section 134 of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA);
- (5) the person receives home care from two or more providers who are unable to effectively coordinate the services; or
- Subd. 3. [CASE MANAGEMENT DUTIES.] The department shall fund the case management contracts using medical assistance administrative funds. The contractor must:
- (1) assess the person's individual needs for services required to prevent institutionalization;
- (2) <u>assure that a care plan that meets the person's needs is developed by the appropriate agency or individual;</u>
- (3) assist the person in obtaining services necessary to allow the person to remain in the community;

- (4) coordinate home care services with other medical assistance services under section 256B.0625;
  - (5) assure cost effectiveness of medical assistance services;
- (6) make recommendations to the commissioner on the approval or denial of the use of medical assistance funds to pay for home care services when home care services exceed thresholds established by the commissioner under Minnesota Rules, parts 9505.0170 to 9505.0475;
- (7) <u>assist the person</u> with problems related to the provision of home care services;
  - (8) assure the quality of home care services; and
- (9) reassess the person's need for and level of home care services at a frequency determined by the commissioner.
- (a) "Brain injury" means a sudden insult or damage to the brain or its coverings, not of a degenerative nature. The insult or damage may produce an altered state of consciousness or a decrease in mental, cognitive, behavioral, or physical functioning resulting in partial or total disability.
- (b) "Home care services" means medical assistance home care services defined under section 256B.0625, subdivisions 6, 7, and 19.
- Sec. 63. Minnesota Statutes 1988, section 256B.14, is amended to read:

## 256B.14 [RELATIVE'S RESPONSIBILITY.]

Subdivision 1. [IN GENERAL.] Subject to the provisions of sections 256B.055, 256B.056, and 256B.06, responsible relative means the spouse of a medical assistance recipient or parent of a minor recipient of medical assistance.

Subd. 2. [ACTIONS TO OBTAIN PAYMENT.] The state agency shall promulgate rules to determine the ability of responsible relatives to contribute partial or complete repayment of medical assistance furnished to recipients for whom they are responsible. No resource contribution is required of a spouse at the time of the first approved medical assistance application. These rules shall not require repayment when payment would cause undue hardship to the responsible relative or that relative's immediate family. These rules shall be consistent with the requirements of section 252.27,

subdivision 2, for parents of children whose eligibility for medical assistance was determined without deeming of the parents' resources and income. For parents of children receiving services under a federal medical assistance waiver or under section 134 of the Tax Equity and Fiscal Responsibility Act of 1982, United States Code, title 42, section 1396a(e)(3), while living in their natural home. including in-home family support services, respite care, homemaker services, and minor adaptations to the home, the state agency shall take into account the room, board, and services provided by the parents in determining the parental contribution to the cost of care. The county agency shall give the responsible relative notice of the amount of the repayment. If the state agency or county agency finds that notice of the payment obligation was given to the responsible relative, but that the relative failed or refused to pay, a cause of action exists against the responsible relative for that portion of medical assistance granted after notice was given to the responsible relative, which the relative was determined to be able to pay.

The action may be brought by the state agency or the county agency in the county where assistance was granted, for the assistance, together with the costs of disbursements incurred due to the action.

In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing contributions by a responsible relative found able to repay the county or state agency. The order shall be effective only for the period of time during which the recipient receives medical assistance from the county or state agency.

- Sec. 64. Minnesota Statutes 1988, section 256B.25, is amended by adding a subdivision to read:
- Subd. 4. [PAYMENT DURING SUSPENDED ADMISSIONS.] A nursing home or boarding care home that has received a notice to suspend admissions under section 144A.10, subdivision 4a, shall be ineligible to receive payment for admissions that occur during the effective dates of the suspension. Upon termination of the suspension by the commissioner of health, payments may be made for eligible persons, beginning with the day after the suspension ends.
- Sec. 65. Minnesota Statutes 1988, section 256B.421, subdivision 14, is amended to read:
- Subd. 14. [FRINGE BENEFITS.] "Fringe benefits" means workers' compensation insurance, group health or dental insurance, group life insurance, retirement benefits or plans, except for public employee retirement act contributions, and uniform allowances.
- Sec. 66. Minnesota Statutes 1988, section 256B.431, subdivision 2b, is amended to read:

Subd. 2b. [OPERATING COSTS, AFTER JULY 1, 1985.] (a) For rate years beginning on or after July 1, 1985, the commissioner shall establish procedures for determining per diem reimbursement for operating costs.

- (b) The commissioner shall contract with an econometric firm with recognized expertise in and access to national economic change indices that can be applied to the appropriate cost categories when determining the operating cost payment rate.
- (c) The commissioner shall analyze and evaluate each nursing home's cost report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective.
- (d) The commissioner shall establish limits on actual allowable historical operating cost per diems based on cost reports of allowable operating costs for the reporting year that begins October 1, 1983, taking into consideration relevant factors including resident needs, geographic location, size of the nursing home, and the costs that must be incurred for the care of residents in an efficiently and economically operated nursing home. In developing the geographic groups for purposes of reimbursement under this section, the commissioner shall ensure that nursing homes in any county contiguous to the Minneapolis-St. Paul seven-county metropolitan area are included in the same geographic group. The limits established by the commissioner shall not be less, in the aggregate, than the 60th percentile of total actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1 based on cost reports of allowable operating costs in the previous reporting year. For rate years beginning on or after July 1, 1987, or until the new base period is established, facilities located in geographic group I as described in Minnesota Rules, part 9549.0052 (Emergency), on January 1, 1987, may choose to have the commissioner apply either the care related limits or the other operating cost limits calculated for facilities located in geographic group II, or both, if either of the limits calculated for the group II facilities is higher. The efficiency incentive for geographic group I nursing homes must be calculated based on geographic group I limits. The phase-in must be established utilizing the chosen limits. For purposes of these exceptions to the geographic grouping requirements, the definitions in Minnesota Rules, parts 9549.0050 to 9549.0059 (Emergency), and 9549.0010 to 9549.0080, apply. The limits established under this paragraph remain in effect until the commissioner establishes a new base period. Until the new base period is established, the commissioner shall adjust the limits annually using the appropriate economic change indices established in paragraph (e). In determining allowable historical operating cost per diems for purposes of setting limits and nursing home payment rates, the commissioner shall divide the allowable historical operating costs by the actual number of resident days, except that where a nursing home is occupied at

less than 90 percent of licensed capacity days, the commissioner may establish procedures to adjust the computation of the per diem to an imputed occupancy level at or below 90 percent. The commissioner shall establish efficiency incentives as appropriate. The commissioner may establish efficiency incentives for different operating cost categories. The commissioner shall consider establishing efficiency incentives in care related cost categories. The commissioner may combine one or more operating cost categories and may use different methods for calculating payment rates for each operating cost category or combination of operating cost categories. For the rate year beginning on July 1, 1985, the commissioner shall:

- (1) allow nursing homes that have an average length of stay of 180 days or less in their skilled nursing level of care, 125 percent of the care related limit and 105 percent of the other operating cost limit established by rule; and
- (2) exempt nursing homes licensed on July 1, 1983, by the commissioner to provide residential services for the physically handicapped under Minnesota Rules, parts 9570.2000 to 9570.3600, from the care related limits and allow 105 percent of the other operating cost limit established by rule.

For the purpose of calculating the other operating cost efficiency incentive for nursing homes referred to in clause (1) or (2), the commissioner shall use the other operating cost limit established by rule before application of the 105 percent.

- (e) The commissioner shall establish a composite index or indices by determining the appropriate economic change indicators to be applied to specific operating cost categories or combination of operating cost categories.
- (f) Each nursing home shall receive an operating cost payment rate equal to the sum of the nursing home's operating cost payment rates for each operating cost category. The operating cost payment rate for an operating cost category shall be the lesser of the nursing home's historical operating cost in the category increased by the appropriate index established in paragraph (e) for the operating cost category plus an efficiency incentive established pursuant to paragraph (d) or the limit for the operating cost category increased by the same index. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. In establishing payment rates for one or more operating cost categories, the commissioner may establish separate rates for different classes of residents based on their relative care needs.
- (g) The commissioner shall include the reported actual real estate tax liability or payments in lieu of real estate tax of each nursing home as an operating cost of that nursing home. Allowable costs

under this subdivision for payments made by a nonprofit nursing home that are in lieu of real estate taxes shall not exceed the amount which the nursing home would have paid to a city or township and county for fire, police, sanitation services, and road maintenance costs had real estate taxes been levied on that property for those purposes. For rate years beginning on or after July 1, 1987, the reported actual real estate tax liability or payments in lieu of real estate tax of nursing homes shall be adjusted to include an amount equal to one-half of the dollar change in real estate taxes from the prior year. The commissioner shall include a reported actual special assessment, and reported actual license fees required by the Minnesota department of health, for each nursing home as an operating cost of that nursing home. For rate years beginning on or after July 1, 1989, the commissioner shall include a nursing home's reported public employee retirement act contribution for the reporting year as apportioned to the care-related operating cost categories and other operating cost categories multiplied by the appropriate composite index or indices established pursuant to paragraph (e) as costs under this paragraph. Total adjusted real estate tax liability, payments in lieu of real estate tax, actual special assessments paid, the indexed public employee retirement act contribution, and license fees paid as required by the Minnesota department of health, for each nursing home (1) shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category. (2) shall not be used to compute the 60th percentile care-related operating cost limits or other operating cost limits established by the commissioner, and (3) shall not be increased by the composite index or indices established pursuant to paragraph (e), unless otherwise indicated in this paragraph.

(h) For rate years beginning on or after July 1, 1987, the commissioner shall adjust the rates of a nursing home that meets the criteria for the special dietary needs of its residents as specified in section 144A.071, subdivision 3, clause (c), and the requirements in section 31.651. The adjustment for raw food cost shall be the difference between the nursing home's allowable historical raw food cost per diem and 115 percent of the median historical allowable raw food cost per diem of the corresponding geographic group.

The rate adjustment shall be reduced by the applicable phase-in percentage as provided under subdivision 2h.

Sec. 67. Minnesota Statutes 1988, section 256B.431, subdivision 2e, is amended to read:

Subd. 2e. [CONTRACTS FOR SERVICES FOR VENTILATOR DEPENDENT PERSONS.] The commissioner may contract with a nursing home eligible to receive medical assistance payments to provide services to a ventilator dependent person identified by the commissioner according to criteria developed by the commissioner, including:

- (1) nursing home care has been recommended for the person by a preadmission screening team;
  - (2) the person has been assessed at case mix classification K;
- (3) the person has been hospitalized for at least six months and no longer requires inpatient acute care hospital services; and
- (4) the commissioner has determined that necessary services for the person cannot be provided under existing nursing home rates.

The commissioner may issue a request for proposals to provide services to a ventilator dependent person to nursing homes eligible to receive medical assistance payments and shall select nursing homes from among respondents according to criteria developed by the commissioner, including:

- (1) the cost effectiveness and appropriateness of services;
- (2) the nursing home's compliance with federal and state licensing and certification standards; and
- (3) the proximity of the nursing home to a ventilator dependent person identified by the commissioner who requires nursing home placement.

The commissioner may negotiate an adjustment to the operating cost payment rate for a nursing home selected by the commissioner from among respondents to the request for proposals. The negotiated adjustment must reflect only the actual additional cost of meeting the specialized care needs of a ventilator dependent person identified by the commissioner for whom necessary services cannot be provided under existing nursing home rates and which are not otherwise covered under Minnesota Rules, parts 9549.0010 to 9549.0080 or 9505.0170 to 9505.0475. The negotiated payment rate must not exceed 200 percent of the highest multiple bedroom payment rate for a Minnesota nursing home, as initially established by the commissioner for the rate year for case mix classification K. The negotiated adjustment shall not affect the payment rate charged to private paying residents under the provisions of section 256B.48. subdivision 1. The negotiated adjustment paid pursuant to this paragraph is specifically exempt from the definition of "rule" and the rulemaking procedures required by chapter 14 and section 256B,502.

Sec. 68. Minnesota Statutes 1988, section 256B.431, subdivision 2i, is amended to read:

Subd. 2i. [OPERATING COSTS AFTER JULY 1, 1988.] (a) [OTHER OPERATING COST LIMITS.] For the rate year beginning

- July 1, 1988, the commissioner shall increase the other operating cost limits established in Minnesota Rules, part 9549.0055, subpart 2, item E, to 110 percent of the median of the array of allowable historical other operating cost per diems and index these limits as in Minnesota Rules, part 9549.0056, subparts 3 and 4. The limits must be established in accordance with subdivision 2b, paragraph (d). For rate years beginning on or after July 1, 1989, the adjusted other operating cost limits must be indexed as in Minnesota Rules, part 9549.0056, subparts 3 and 4.
- (b) [CARE-RELATED OPERATING COST LIMITS.] For the rate year beginning July 1, 1988, the commissioner shall increase the care-related operating cost limits established in Minnesota Rules, part 9549.0055, subpart 2, items A and B, to 125 percent of the median of the array of the allowable historical case mix operating cost standardized per diems and the allowable historical other care-related operating cost per diems and index those limits as in Minnesota Rules, part 9549.0056, subparts 1 and 2. The limits must be established in accordance with subdivision 2b, paragraph (d). For rate years beginning on or after July 1, 1989, the adjusted care-related limits must be indexed as in Minnesota Rules, part 9549.0056, subparts 1 and 2.
- (c) [SALARY ADJUSTMENT PER DIEM.] For the rate period October 1, 1988, to June 30, 1990, the commissioner shall add the appropriate salary adjustment per diem calculated in clause (1) or (2) to the total operating cost payment rate of each nursing home. The salary adjustment per diem for each nursing home must be determined as follows:
- (1) for each nursing home that reports salaries for registered nurses, licensed practical nurses, and aides, orderlies and attendants separately, the commissioner shall determine the salary adjustment per diem by multiplying the total salaries, payroll taxes, and fringe benefits allowed in each operating cost category, except management fees and administrator and central office salaries and the related payroll taxes and fringe benefits, by 3.5 percent and then dividing the resulting amount by the nursing home's actual resident days; and
- (2) for each nursing home that does not report salaries for registered nurses, licensed practical nurses, aides, orderlies, and attendants separately, the salary adjustment per diem is the weighted average salary adjustment per diem increase determined under clause (1).

Each nursing home that receives a salary adjustment per diem pursuant to this subdivision shall adjust nursing home employee salaries by a minimum of the amount determined in clause (1) or (2). The commissioner shall review allowable salary costs, including payroll taxes and fringe benefits, for the reporting year ending September 30, 1989, to determine whether or not each nursing home complied with this requirement. The commissioner shall report the extent to which each nursing home complied with the legislative commission on long-term care by August 1, 1990.

- (d) [PENSION CONTRIBUTIONS.] For rate years beginning on or after July 1, 1989, the commissioner shall exempt allowable employee pension contributions separately reported by a nursing home on its annual cost report from the care-related operating cost limits and the other operating cost limits. Hospital-attached homes that provide allowable employee pension contributions may report the costs that are allocated to nursing home operations independently for verification by the commissioner. For rate years beginning on or after July 1, 1989, amounts verified as allowable employee pension contributions are exempt from care-related operating cost limits and other operating cost limits. For purposes of this paragraph, "employee pension contributions" means contributions required under the Public Employee Retirement Act and contributions to other employee pension plans if the pension plan existed on March 1, 1988.
- (e) [NEW BASE YEAR.] The commissioner shall establish the reporting year ending September 30, 1989, as a new base year. The commissioner shall establish new base years for both the reporting year ending September 30, 1989, and the reporting year ending September 30, 1990. In establishing new base years, the commissioner must take into account:
  - (1) statutory changes made in geographic groups;
  - (2) redefinitions of cost categories; and
- $\frac{(3)}{\text{such}} \frac{\text{reclassification, pass-through, or exemption of certain costs}}{\text{such as public employee retirement act contributions.}} \frac{\text{costs}}{\text{contributions.}}$
- Sec. 69. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:
- Subd. 2j. [HOSPITAL-ATTACHED NURSING HOME STATUS.]
  (a) For the purpose of setting rates under Minnesota Rules, parts 9549.0010 to 9549.0080, for rate years beginning after June 30, 1989, a hospital-attached nursing home means a nursing home recognized by the federal Medicare program to be a hospital-based nursing facility for purposes of being subject to higher cost limits accorded hospital-based nursing facilities under the Medicare program, or, prior to June 30, 1983, was classified as a hospital-attached nursing home under Minnesota Rules, parts 9510.0010 to 9510.0480, provided that the nursing home's cost report filed under Minnesota Rules, parts 9549.0010 to 9549.0080,

shall use the same cost allocation principles and methods used in the reports filed for the Medicare program.

- (b) For rate years beginning after June 30, 1989, a nursing home and hospital, which have applied for hospital-based nursing facility status under the federal Medicare program during the reporting year or the nine-month period following the nursing home's reporting year, shall be considered a hospital-attached nursing home for purposes of setting payment rates under Minnesota Rules, parts 9549.0010 to 9549.0080, for the rate year following the reporting year or the nine-month period in which the facility made its Medicare application. The nursing home must file its cost report or an amended cost report for that reporting year before the following rate year using Medicare principles and Medicare's recommended cost allocation methods had the Medicare program's hospital-based nursing facility status been granted to the nursing home. For each subsequent rate year, the nursing home must meet the definition requirements in paragraph (a). If the nursing home is denied hospital-based nursing facility status under the Medicare program, the nursing home's payment rates for the rate years the nursing home was considered to be a hospital-attached nursing home pursuant to this paragraph shall be recalculated treating the nursing home as a non-hospital-attached nursing home.
- Sec. 70. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:
- Subd. 2k. [OPERATING COSTS AFTER JULY 1, 1989.] For rate years beginning on or after July 1, 1989, a nursing home that is exempt under subdivision 2b, paragraph (d), clause (2); whose total number of licensed beds are licensed under Minnesota Rules, parts 9570.2000 to 9570.3600; and that maintains an average length of stay of less than 365 days during each reporting year, is limited to 140 percent of the other-operating-cost limit for hospital-attached nursing homes as established by Minnesota Rules, part 9549.0055, subpart 2, item E, subitem (2), as modified by subdivision 2i, paragraph (a). For purposes of this subdivision, the nursing home's average length of stay must be computed by dividing the nursing home's actual resident days for the reporting year by the nursing home's total discharges for that reporting year.
- Sec. 71. Minnesota Statutes 1988, section 256B.431, subdivision 3a, is amended to read:
- Subd. 3a. [PROPERTY-RELATED COSTS AFTER JULY 1, 1985.]
  (a) For rate years beginning on or after July 1, 1985, the commissioner, by permanent rule, shall reimburse nursing home providers that are vendors in the medical assistance program for the rental use of real estate and depreciable equipment. "Real estate" means land improvements, buildings, and attached fixtures used directly for resident care. "Depreciable equipment" means the standard

movable resident care equipment and support service equipment generally used in long-term care facilities.

- (b) In developing the method for determining payment rates for the rental use of nursing homes, the commissioner shall consider factors designed to:
- (1) simplify the administrative procedures for determining payment rates for property-related costs;
- (2) minimize discretionary or appealable decisions;
  - (3) eliminate any incentives to sell nursing homes;
- (4) recognize legitimate costs of preserving and replacing property;
- (5) recognize the existing costs of outstanding indebtedness allowable under the statutes and rules in effect on May 1, 1983;
- (6) address the current value of, if used directly for patient care, land improvements, buildings, attached fixtures, and equipment;
  - (7) establish an investment per bed limitation;
  - (8) reward efficient management of capital assets;
  - (9) provide equitable treatment of facilities;
  - (10) consider a variable rate; and
- (11) phase-in implementation of the rental reimbursement method.
- (c) No later than January 1, 1984, the commissioner shall report to the legislature on any further action necessary or desirable in order to implement the purposes and provisions of this subdivision.
- (d) For rate years beginning on or after July 1, 1987, a nursing home which has reduced licensed bed capacity after January 1, 1986, shall be allowed to:
- (1) aggregate the applicable investment per bed limits based on the number of beds licensed prior to the reduction; and
- (2) establish capacity days for each rate year following the licensure reduction based on the number of beds licensed on the previous April 1 if the commissioner is notified of the change by April 4. The

notification must include a copy of the delicensure request that has been submitted to the commissioner of health.

- (e) Until the rental reimbursement method is fully phased in, a nursing home whose final property-related payment rate is the rental rate shall continue to have its property-related payment rates established based on the rental reimbursement method.
- (f) For rate years beginning on or after July 1, 1989, the interest expense that results from a refinancing of a nursing home's demand call loan, when the loan that must be refinanced was incurred before May 22, 1983, is an allowable interest expense if:
- (1) the demand call loan or any part of it was in the form of a loan that was callable at the demand of the lender;
- (2) the demand call loan or any part of it was called by the lender through no fault of the nursing home;
- (3) the demand call loan or any part of it was made by a government agency operating under a statutory or regulatory loan program;
- (4) the refinanced debt does not exceed the sum of the allowable remaining balance of the demand call loan at the time of payment on the demand call loan and refinancing costs;
- (5) the term of the refinanced debt does not exceed the remaining term of the demand call loan, had the debt not been subject to an on-call payment demand; and
- (6) the refinanced debt is not a debt between related organizations as defined in Minnesota Rules, part 9549.0020, subpart 38.
- Sec. 72. Minnesota Statutes 1988, section 256B.431, subdivision 3f, is amended to read:
- Subd. 3f. [PROPERTY COSTS AFTER JULY 1, 1988.] (a) [IN-VESTMENT PER BED LIMIT.] For the rate year beginning July 1, 1988, the replacement-cost-new per bed limit must be \$32,571 per licensed bed in multiple bedrooms and \$48,857 per licensed bed in a single bedroom. For the rate year beginning July 1, 1989, the replacement-cost-new per bed limit for a single bedroom must be \$49,907 adjusted according to Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1). Beginning January 1, 1989 1990, the replacement-cost-new per bed limits must be adjusted annually as specified in Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1).
  - (b) [RENTAL FACTOR.] For the rate year beginning July 1, 1988,

the commissioner shall increase the rental factor as established in Minnesota Rules, part 9549.0060, subpart 8, item A, by 6.2 percent rounded to the nearest 100th percent for the purpose of reimbursing nursing homes for soft costs and entrepreneurial profits not included in the cost valuation services used by the state's contracted appraisers. For rate years beginning on or after July 1, 1989, the rental factor is the amount determined under this paragraph for the rate year beginning July 1, 1988.

- (c) [OCCUPANCY FACTOR.] For rate years beginning on or after July 1, 1988, in order to determine property-related payment rates under Minnesota Rules, part 9549.0060, for all nursing homes except those whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use 95 percent of capacity days. For a nursing home whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use the greater of resident days or 80 percent of capacity days but in no event shall the divisor exceed 95 percent of capacity days.
- (d) [EQUIPMENT ALLOWANCE.] For rate years beginning on July 1, 1988, and July 1, 1989, the commissioner shall add ten cents per resident per day to each nursing home's property-related payment rate. The ten-cent property-related payment rate increase is not cumulative from rate year to rate year. For the rate year beginning July 1, 1990, the commissioner shall increase each nursing home's equipment allowance as established in Minnesota Rules, part 9549.0060, subpart 10, by ten cents per resident per day. For rate years beginning on or after July 1, 1991, the adjusted equipment allowance must be adjusted annually for inflation as in Minnesota Rules, part 9549.0060, subpart 10, item E.
- (e) [REFINANCING.] If a nursing home is refinanced, the commissioner shall adjust the nursing home's property related payment rate for the savings that result from refinancing. The adjustment to the property related payment rate must be as follows:
- (1) The commissioner shall recalculate the nursing home's rental per diem by substituting the new allowable annual principle and interest payments for those of the refinanced debt.
- (2) The nursing home's property related payment rate must be decreased by the difference between the nursing home's current rental per diem and the rental per diem determined under clause (1).

If a nursing home payment rate is adjusted according to this paragraph, the adjusted payment rate is effective the first of the month following the date of the refinancing for both medical assistance and private paying residents. The nursing home's ad-

justed property-related payment rate is effective until June 30, 1990.

- (e) [POST CHAPTER 199 RELATED-ORGANIZATION DEBTS AND INTEREST EXPENSE.] For rate years beginning on or after July 1, 1990, Minnesota Rules, part 9549.0060, subpart 5, item E, shall not apply to outstanding related organization debt incurred prior to May 23, 1983, provided that the debt was an allowable debt under Minnesota Rules, parts 9510.0010 to 9510.0480, the debt is subject to repayment through annual principal payments, and the nursing home demonstrates to the commissioner's satisfaction that the interest rate on the debt was less than market interest rates for similar arms-length transactions at the time the debt was incurred. If the debt was incurred due to a sale between family members, the nursing home must also demonstrate that the seller no longer participates in the management or operation of the nursing home. Debts meeting the conditions of this paragraph are subject to all other provisions of Minnesota Rules, parts 9549:0010 to 9549.0080.
- (f) [BUILDING CAPITAL ALLOWANCE FOR NURSING HOMES WITH OPERATING LEASES.] For rate years beginning on or after July 1, 1990, a nursing home with operating lease costs incurred for the nursing home's buildings shall receive its building capital allowance computed in accordance with Minnesota Rules, part 9549.0060, subpart 8.
- Sec. 73. Minnesota Statutes 1988, section 256B 431, subdivision 3g, is amended to read:
- Subd. 3g. [PROPERTY COSTS AFTER JULY 1, 1990, FOR CERTAIN FACILITIES.] For rate years beginning on or after July 1, 1990, non-hospital-attached nursing homes that, on or after January 1, 1976, but prior to December 31, 1985 January 1, 1987, were newly licensed after new construction, or increased their licensed beds by a minimum of 35 percent through new construction, and whose building capital allowance is less than their allowable annual principal and interest on allowable debt prior to the application of the replacement-cost-new per bed limit and whose remaining weighted average debt amortization schedule as of January 1, 1988, exceeded 15 years, must receive a property-related payment rate equal to the greater of their rental per diem or their annual allowable principal and allowable interest without application of the replacement-cost-new per bed limit divided by their capacity days as determined under Minnesota Rules, part 9549.0060, subpart 11, as modified by subdivision 3f, paragraph (c), from the preceding reporting year, plus their equipment allowance. A nursing home that is eligible for a property-related payment rate under this subdivision and whose property-related payment rate in a subsequent rate year is its rental per diem must continue to have its property-related payment rates established for all future rate years

based on the rental reimbursement method in Minnesota Rules, part 9549.0060.

The commissioner may require the nursing home to apply for refinancing as a condition of receiving special rate treatment under this subdivision.

Sec. 74. Minnesota Statutes 1988, section 256B.431, subdivision 4, is amended to read:

- Subd. 4. [SPECIAL RATES.] (a) For the rate years beginning July 1, 1983, and July 1, 1984, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983, and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2a, to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2f, the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The interim payment rate shall not be in effect for more than 17 months. The commissioner shall establish, by emergency and permanent rules, procedures for determining the interim rate and for making a retroactive cost settle-up after the first year of operation; the cost settled operating cost per diem shall not exceed 110 percent of the 60th percentile established for the appropriate group. Until procedures determining operating cost payment rates according to mix of resident needs are established, the commissioner shall establish by rule procedures for determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.
- (b) For the rate years beginning on or after July 1, 1985, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property related costs, operating costs, and real estate taxes and special assessments calculated under rules promulgated by the commissioner.
- (c) For rate years beginning on or after July 1, 1983, the commissioner may exclude from a provision of 12 MCAR S 2.050 any facility that is licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, is licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690, and has less than five percent of its licensed boarding care capacity reimbursed

by the medical assistance program. Until a permanent rule to establish the payment rates for facilities meeting these criteria is promulgated, the commissioner shall establish the medical assistance payment rate as follows:

- (1) The desk audited payment rate in effect on June 30, 1983, remains in effect until the end of the facility's fiscal year. The commissioner shall not allow any amendments to the cost report on which this desk audited payment rate is based.
- (2) For each fiscal year beginning between July 1, 1983, and June 30, 1985, the facility's payment rate shall be established by increasing the desk audited operating cost payment rate determined in clause (1) at an annual rate of five percent.
- (3) For fiscal years beginning on or after July 1, 1985, but before January 1, 1988, the facility's payment rate shall be established by increasing the facility's payment rate in the facility's prior fiscal year by the increase indicated by the consumer price index for Minneapolis and St. Paul.
- (4) For the fiscal year beginning on January 1, 1988, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted prior year's payment rate plus the real estate tax and special assessment per diem.
- (5) For fiscal years beginning on or after January 1, 1989, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate less the real estate tax and special assessment per diem must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted payment rate plus the real estate tax and special assessment per diem.
  - (6) For the purpose of establishing payment rates under this

paragraph, the facility's rate and reporting years coincide with the facility's fiscal year.

- (d) A facility that meets the criteria of paragraph (c) shall submit annual cost reports on forms prescribed by the commissioner.
- (e) For the rate year beginning July 1, 1985, each nursing home total payment rate must be effective two calendar months from the first day of the month after the commissioner issues the rate notice to the nursing home. From July 1, 1985, until the total payment rate becomes effective, the commissioner shall make payments to each nursing home at a temporary rate that is the prior rate year's operating cost payment rate increased by 2.6 percent plus the prior rate year's property-related payment rate and the prior rate year's real estate taxes and special assessments payment rate. The commissioner shall retroactively adjust the property-related payment rate and the real estate taxes and special assessments payment rate to July 1, 1985, but must not retroactively adjust the operating cost payment rate.
- (f) For the purposes of Minnesota Rules, part 9549.0060, subpart 13, item F, the following types of transactions shall not be considered a sale or reorganization of a provider entity:
  - (1) the sale or transfer of a nursing home upon death of an owner;
- (2) the sale or transfer of a nursing home due to serious illness or disability of an owner as defined under the social security act;
- (3) the sale or transfer of the nursing home upon retirement of an owner at 62 years of age or older;
- (4) any transaction in which a partner, owner, or shareholder acquires an interest or share of another partner, owner, or shareholder in a nursing home business provided the acquiring partner, owner, or shareholder has less than 50 percent ownership after the acquisition;
- (5) a sale and leaseback to the same licensee which does not constitute a change in facility license;
  - (6) a transfer of an interest to a trust;
  - (7) gifts or other transfers for no consideration;
  - (8) a merger of two or more related organizations;
  - (9) a transfer of interest in a facility held in receivership;

- (10) a change in the legal form of doing business other than a publicly held organization which becomes privately held or vice versa;
- (11) the addition of a new partner, owner, or shareholder who owns less than 20 percent of the nursing home or the issuance of stock; or
- (12) an involuntary transfer including foreclosure, bankruptcy, or assignment for the benefit of creditors.

Any increase in allowable debt or allowable interest expense or other cost incurred as a result of the foregoing transactions shall be a nonallowable cost for purposes of reimbursement under Minnesota Rules, parts 9549.0010 to 9549.0080.

(g) For rate years beginning on or after July 1, 1986, the commissioner may exclude from a provision of Minnesota Rules, parts 9549.0010 to 9549.0080, any facility that is certified by the commissioner of health as an intermediate care facility, licensed by the commissioner of human services as a chemical dependency treatment program, and enrolled in the medical assistance program as an institution for mental disease. The commissioner of human services shall establish a medical assistance payment rate for these facilities. Chapter 14 does not apply to the procedures and criteria used to establish the ratesetting structure. The ratesetting method is not appealable. Upon receiving a recommendation from the commissioner of health for a review of rates under section 144A.15, subdivision 6, the commissioner may grant an adjustment to the nursing home's payment rate. The commissioner shall review the recommendation of the commissioner of health, together with the nursing home's cost report to determine whether or not the deficiency or need can be corrected or met by reallocating nursing home staff, costs, revenues, or other resources including any investments, efficiency incentives, or allowances. If the commissioner determines that the deficiency cannot be corrected or the need cannot be met, the commissioner shall determine the payment rate adjustment by dividing the additional annual costs established during the commissioner's review by the nursing home's actual resident days from the most recent desk-audited cost report. The payment rate adjustment must meet the conditions in section 256B.47, subdivision 2, and shall remain in effect until the receivership under section 144A.15 ends, or until another date the commissioner sets.

Upon the subsequent sale or transfer of the nursing home, the commissioner may recover amounts paid through payment rate adjustments under this paragraph. The buyer or transferee shall repay this amount to the commissioner within 60 days after the commissioner notifies the buyer or transferee of the obligation to repay. The buyer or transferee must also repay the private-pay resident the amount the private-pay resident paid through payment rate adjustment.

Sec. 75. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:

- Subd. 7. [ONE-TIME ADJUSTMENT TO NURSING HOME PAY-MENT RATES TO COMPLY WITH OMNIBUS BUDGET RECON-CILIATION ACT.] The commissioner shall determine a one-time nursing staff adjustment to the payment rate to adjust payment rates to upgrade certain nursing homes' professional nursing staff complement to meet the minimum standards of 1987 Public Law Number 100-203. The adjustments to the payment rates determined under this subdivision cover cost increases to meet minimum standards for professional nursing staff. For a nursing home to be eligible for the payment rate adjustment, a nursing home must have all of its current licensed beds certified solely for the intermediate level of care. When the commissioner establishes that it is not cost effective to upgrade an eligible nursing home to the new minimum staff standards, the commissioner may exclude the nursing home if it is either an institution for mental disease or a nursing home that would have been determined to be an institution for mental disease. but for the fact that it has 16 or fewer licensed beds.
- (a) The increased cost of professional nursing for an eligible nursing home shall be determined according to clauses (1) to (4):
- (1) subtract from the number 8760 the compensated hours for professional nurses, both employed and contracted, and, if the result is greater than zero, then multiply the result by \$4.55;
- (2) subtract from the number 2920 the compensated hours for registered nurses, both employed and contracted, and, if the result is greater than zero, then multiply the result by \$9.30;
- (3) if an eligible nursing home has less than 61 licensed beds, the director of nurses' compensated hours must be included in the compensated hours for professional nurses in clause (1). If the director of nurses is also a registered nurse, the director of nurses' hours must be included in the compensated hours for registered nurses in clause (2); and
- (4) the one-time nursing staff adjustment to the payment rate shall be the sum of clauses (1) and (2) as adjusted by clause (3), if appropriate, and then divided by the nursing home's actual resident days for the reporting year ending September 30, 1988.
- (b) The one-time nursing staff adjustment to the payment rate is effective from January 1, 1990, to June 30, 1991.
- (c) If a nursing home is granted a waiver to the minimum professional nursing staff standards under Public Law Number 100-203 for either the professional nurse adjustment referred to in

clause (1), or the registered must recover the portion of the nursing home's payment rate that relates to a one-time nursing staff adjustment granted under this subdivision. The amount to be recovered shall be based on the type and extent of the waiver granted.

- Sec. 76. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:
- Subd. 8. [ONETIME PER DIEM RATE ADJUSTMENT FOR INCREASED COSTS UNDER THE OMNIBUS BUDGET RECONCILIATION ACT.] For the rate period January 1, 1990, through June 30, 1991, the commissioner shall add 30 cents per resident per day to the nursing home's payment rate. The adjustment must not be paid to freestanding boarding care homes.
- Sec. 77. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:
- Subd. 9. [ONETIME ADJUSTMENT FOR FREESTANDING BOARDING CARE HOMES TO COVER INCREASED COSTS UNDER THE OMNIBUS BUDGET RECONCILIATION ACT.] (a) The commissioner shall determine a onetime adjustment to the payment rate of a freestanding boarding care home necessary for that home to comply with the provisions of Public Law Number 100-203 except those requirements outlined in subdivision 7. The adjustment to the payment rate determined under this subdivision covers increased costs for a medical director, nurse aide training for newly hired aides, ongoing in-service training for nurses aides, and other requirements identified by the commissioner that are required because of the Omnibus Budget Reconciliation Act of 1987. These costs will only be reimbursed if they are required in the final regulations pertaining to Public Law Number 100-203.
- (b) Each facility eligible for this adjustment shall submit to the commissioner a detailed estimate of the cost increases the facility will incur for these costs.
- (c) The costs that are determined by the commissioner to be reasonable and necessary for a freestanding boarding care home to comply with Public Law Number 100-203, except those costs outlined in subdivision 7, must be included in the calculation of the adjustment.
  - (d) The maximum allowable annual adjustment per bed is \$300.
- (e) The onetime adjustment is the cost allowed in paragraph (c), subject to the limits in paragraph (d), divided by the nursing home's actual resident days for the reporting year that ended September 30, 1988.

- (f) The onetime adjustment determined is effective from January 1, 1990, to June 30, 1991.
- Sec. 78. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:
- Subd. 10. [APPRAISAL SAMPLE STABILIZATION AND SPECIAL REAPPRAISALS.] (a) The percentage change in appraised values for nursing homes in the sample used for routine updating of appraised values under Minnesota Rules, part 9549.0060, subpart 2, shall be stabilized by eliminating from the sample of nursing home those appraisals that represent the five highest and the five lowest deviations from those nursing homes previously established appraised values.
- (b) A special reappraisal request must be submitted to the commissioner within 60 days after the project's completion date to be considered eligible for a special reappraisal. If a project has multiple completion dates or involves multiple projects, only projects or parts of projects with completion dates within one year of the completion date associated with a special reappraisal request can be included for the purpose of establishing the nursing home's eligibility for a special reappraisal. A facility which is eligible to request, has requested, or has received a special reappraisal during the calendar year must not be included in the random sample process used to determine the average percentage change in appraised value of nursing homes in the sample.
- Sec. 79. Minnesota Statutes 1988, section 256B.47, subdivision 3, is amended to read:
- Subd. 3. [ALLOCATION OF COSTS.] To ensure the avoidance of double payments as required by section 256B.433, the direct and indirect reporting year costs of providing residents of nursing homes that are not hospital attached with therapy services that are billed separately from the nursing home payment rate or according to Minnesota Rules, parts 9500.0750 to 9500.1080, must be determined and deducted from the appropriate cost categories of the annual cost report as follows:
- (a) The costs of wages and salaries for employees providing or participating in providing and consultants providing services shall be allocated to the therapy service based on direct identification.
- (b) The costs of fringe benefits and payroll taxes relating to the costs in paragraph (a) must be allocated to the therapy service based on direct identification or the ratio of total costs in paragraph (a) to the sum of total allowable salaries and the costs in paragraph (a).
  - (c) The costs of housekeeping, plant operations and maintenance,

real estate taxes, special assessments, property and insurance, other than the amounts classified as a fringe benefit, must be allocated to the therapy service based on the ratio of service area square footage to total facility square footage.

- (d) The costs of bookkeeping and medical records must be allocated to the therapy service either by the method in paragraph (e) or based on direct identification. Direct identification may be used if adequate documentation is provided to, and accepted by, the commissioner.
- (e) The costs of administrators, bookkeeping, and medical records salaries, except as provided in paragraph (d), must be allocated to the therapy service based on the ratio of the total costs in paragraphs (a) to (d) to the sum of total allowable nursing home costs and the costs in paragraphs (a) to (d).
- (f) The cost of property must be allocated to the therapy service and removed from the rental per diem, based on the ratio of service area square footage to total facility square footage multiplied by the building capital allowance.
- Sec. 80. Minnesota Statutes 1988, section 256B.48, subdivision 1, is amended to read:

Subdivision 1. [PROHIBITED PRACTICES.] A nursing home is not eligible to receive medical assistance payments unless it refrains from all of the following:

(a) Charging private paying residents rates for similar services which exceed those which are approved by the state agency for medical assistance recipients as determined by the prospective desk audit rate, except under the following circumstances: the nursing home may (1) charge private paying residents a higher rate for a private room, and (2) charge for special services which are not included in the daily rate if medical assistance residents are charged separately at the same rate for the same services in addition to the daily rate paid by the commissioner. Services covered by the payment rate must be the same regardless of payment source. Special services, if offered, must be offered available to all residents in all areas of the nursing home and charged separately at the same rate. Residents are free to select or decline special services. Special services must not include services which must be provided by the nursing home in order to comply with licensure or certification standards and that if not provided would result in a deficiency or violation by the nursing home. Services beyond those required to comply with licensure or certification standards must not be charged separately as a special service if they were included in the payment rate for the previous reporting year. A nursing home that charges a private paying resident a rate in violation of this clause is subject to an action by the state of Minnesota or any of its subdivisions or

agencies for civil damages. A private paying resident or the resident's legal representative has a cause of action for civil damages against a nursing home that charges the resident rates in violation of this clause. The damages awarded shall include three times the payments that result from the violation, together with costs and disbursements, including reasonable attorneys' fees or their equivalent. A private paying resident or the resident's legal representative, the state, subdivision or agency, or a nursing home may request a hearing to determine the allowed rate or rates at issue in the cause of action. Within 15 calendar days after receiving a request for such a hearing, the commissioner shall request assignment of an administrative law judge under sections 14.48 to 14.56 to conduct the hearing as soon as possible or according to agreement by the parties. The administrative law judge shall issue a report within 15 calendar days following the close of the hearing. The prohibition set forth in this clause shall not apply to facilities licensed as boarding care facilities which are not certified as skilled or intermediate care facilities level I or II for reimbursement through medical assistance.

- (b) Requiring an applicant for admission to the home, or the guardian or conservator of the applicant, as a condition of admission, to pay any fee or deposit in excess of \$100, loan any money to the nursing home, or promise to leave all or part of the applicant's estate to the home.
- (c) Requiring any resident of the nursing home to utilize a vendor of health care services who is a licensed physician or pharmacist chosen by the nursing home.
- (d) Providing differential treatment on the basis of status with regard to public assistance.
- (e) Discriminating in admissions, services offered, or room assignment on the basis of status with regard to public assistance or refusal to purchase special services. Admissions discrimination shall include, but is not limited to:
- (1) basing admissions decisions upon assurance by the applicant to the nursing home, or the applicant's guardian or conservator, that the applicant is neither eligible for nor will seek public assistance for payment of nursing home care costs; and
- (2) engaging in preferential selection from waiting lists based on an applicant's ability to pay privately or an applicant's refusal to pay for a special service.

The collection and use by a nursing home of financial information of any applicant pursuant to the preadmission screening program established by section 256B.091 shall not raise an inference that the nursing home is utilizing that information for any purpose prohibited by this paragraph.

- (f) Requiring any vendor of medical care as defined by section 256B.02, subdivision 7, who is reimbursed by medical assistance under a separate fee schedule, to pay any amount based on utilization or service levels or any portion of the vendor's fee to the nursing home except as payment for renting or leasing space or equipment or purchasing support services from the nursing home as limited by section 256B.433. All agreements must be disclosed to the commissioner upon request of the commissioner. Nursing homes and vendors of ancillary services that are found to be in violation of this provision shall each be subject to an action by the state of Minnesota or any of its subdivisions or agencies for treble civil damages on the portion of the fee in excess of that allowed by this provision and section 256B.433. Damages awarded must include three times the excess payments together with costs and disbursements including reasonable attorney's fees or their equivalent.
- (g) Refusing, for more than 24 hours, to accept a resident returning to the same bed or a bed certified for the same level of care, in accordance with a physician's order authorizing transfer, after receiving inpatient hospital services.

The prohibitions set forth in clause (b) shall not apply to a retirement home with more than 325 beds including at least 150 licensed nursing home beds and which:

- (1) is owned and operated by an organization tax-exempt under section 290.05, subdivision 1, clause (i); and
- (2) accounts for all of the applicant's assets which are required to be assigned to the home so that only expenses for the cost of care of the applicant may be charged against the account; and
- (3) agrees in writing at the time of admission to the home to permit the applicant, or the applicant's guardian, or conservator, to examine the records relating to the applicant's account upon request, and to receive an audited statement of the expenditures charged against the applicant's individual account upon request; and
- (4) agrees in writing at the time of admission to the home to permit the applicant to withdraw from the home at any time and to receive, upon withdrawal, the balance of the applicant's individual account.

For a period not to exceed 180 days, the commissioner may continue to make medical assistance payments to a nursing home or boarding care home which is in violation of this section if extreme hardship to the residents would result. In these cases the commissioner shall issue an order requiring the nursing home to correct the violation. The nursing home shall have 20 days from its receipt of the order to correct the violation. If the violation is not corrected

within the 20-day period the commissioner may reduce the payment rate to the nursing home by up to 20 percent. The amount of the payment rate reduction shall be related to the severity of the violation, and shall remain in effect until the violation is corrected. The nursing home or boarding care home may appeal the commissioner's action pursuant to the provisions of chapter 14 pertaining to contested cases. An appeal shall be considered timely if written notice of appeal is received by the commissioner within 20 days of notice of the commissioner's proposed action.

In the event that the commissioner determines that a nursing home is not eligible for reimbursement for a resident who is eligible for medical assistance, the commissioner may authorize the nursing home to receive reimbursement on a temporary basis until the resident can be relocated to a participating nursing home.

Certified beds in facilities which do not allow medical assistance intake on July 1, 1984, or after shall be deemed to be decertified for purposes of section 144A.071 only.

- Sec. 81. Minnesota Statutes 1988, section 256B.48, subdivision 6, is amended to read:
- Subd. 6. [MEDICARE CERTIFICATION.] (a) [DEFINITION.] For purposes of this subdivision, "nursing facility" means a nursing home that is certified as a skilled nursing facility or, after September 30, 1990, a nursing home licensed under chapter 144A that is certified as a nursing facility.
- (b) [FULL MEDICARE PARTICIPATION REQUIRED.] All nursing homes certified as skilled nursing facilities under the medical assistance program shall fully participate in Medicare part A and part B unless, after submitting an application, Medicare certification is denied by the federal health care financing administration. Medicare review shall be conducted at the time of the annual medical assistance review. Charges for medicare-covered services provided to residents who are simultaneously eligible for medical assistance and Medicare must be billed to Medicare part A or part B before billing medical assistance. Medical assistance may be billed only for charges not reimbursed by Medicare.

Until September 30, 1987, the commissioner of health may grant exceptions from this requirement when a nursing home submits a written request for exception and it is determined that there is sufficient participation in the Medicare program to meet the needs of Medicare beneficiaries in that region of the state. For the purposes of this section, the relevant region is the county in which the nursing home is located together with contiguous Minnesota counties. There is sufficient participation in the Medicare program in a particular region when the proportion of skilled resident days paid by the Medicare program is at least equal to the national

average based on the most recent figure that can be supplied by the federal health care financing administration. A nursing home that is granted an exception under this subdivision must give appropriate notice to all applicants for admission that Medicare coverage is not available in the nursing home and publish this fact in all literature and advertisement related to the nursing home.

- (c) [UNTIL SEPTEMBER 30, 1990.] Until September 30, 1990, a nursing facility satisfies the requirements of paragraph (b) if: (1) at least 50 percent of the facility's beds that are licensed under section 144A and certified as skilled nursing beds under the medical assistance program are Medicare certified; or (2) if a nursing facility's beds are licensed under section 144A, and some are medical assistance certified as skilled nursing beds and others are Medical assistance certified as intermediate care facility I beds, at least 50 percent of the facility's total skilled nursing beds and intermediate care facility I beds or 100 percent of its skilled nursing beds, whichever is less, are Medicare certified.
- (d) [OCTOBER 1, 1990, TO JUNE 30, 1991.] After September 30, 1990, and until June 30, 1991, a nursing facility satisfies the requirements of paragraph (b) if at least 50 percent of the facility's beds certified as nursing facility beds under the medical assistance program are Medicare certified.
- (e) [AFTER JUNE 30, 1991.] After June 30, 1991, a nursing facility satisfies the requirements of paragraph (b) if 100 percent of the facility's beds that are certified as nursing facility beds under the medical assistance program are Medicare certified.
- (f) [PROHIBITED TRANSFERS.] A resident in a skilled nursing bed or, after September 30, 1990, a resident in any nursing facility bed, who is eligible for medical assistance and who becomes eligible for Medicare has the right to refuse an intrafacility skilled nursing bed transfer if the commissioner approves the exception request based on written documentation submitted by a physician that the transfer would create or contribute to a health problem for the resident. A resident who is occupying a skilled nursing bed or, after September 30, 1990, a nursing facility bed certified by the medical assistance and Medicare programs, has the right to refuse a transfer if the resident's bed is needed for a Medicare-eligible patient or private-pay patient and if the commissioner approves the exception based on written documentation submitted by a physician that the transfer would create or contribute to a health problem for the resident.
- (g) [INSTITUTIONS FOR MENTAL DISEASE.] The commissioner may grant exceptions to the requirements of paragraph (b) for nursing facilities that are designated as institutions for mental disease.

- (h) [NOTICE OF RIGHTS.] The commissioner shall inform recipients of their rights under this subdivision and section 144.651, subdivision 29.
- Sec. 82. Minnesota Statutes 1988, section 256B.48, subdivision 8, is amended to read:
- Subd. 8. [NOTIFICATION TO A SPOUSE.] When a private pay resident who has not yet been screened by the preadmission screening team is admitted to a nursing home or boarding care facility, the nursing home or boarding care facility must notify the resident and the resident's spouse of the following:
- (1) their right to retain certain resources under sections 256B.14, subdivision 2, and 256B.17; and
- (2) that the federal Medicare hospital insurance benefits program covers posthospital extended care services in a qualified skilled nursing facility for up to  $\frac{100}{150}$  days and that there are several limitations on this benefit. The resident and the resident's family must be informed about all mechanisms to appeal limitations imposed under this federal benefit program.

This notice may be included in the nursing home's or boarding care facility's admission agreement and must clearly explain what resources the resident and spouse may retain if the resident applies for medical assistance. The department of human services must notify nursing homes and boarding care facilities of changes in the determination of medical assistance eligibility that relate to resources retained by a resident and the resident's spouse.

The preadmission screening team has primary responsibility for informing all private pay applicants to a nursing home or boarding care facility of the resources the resident and spouse may retain.

Sec. 83. [256B.495] [LONG-TERM CARE RECEIVERSHIP FEES.]

Subdivision 1. [PAYMENT OF RECEIVERSHIP FEES.] The commissioner in consultation with the commissioner of health may establish a receivership fee payment that exceeds a long-term care facility payment rate when the commissioner of health determines a long-term care facility is subject to the receivership provisions under section 144A.14 or 144A.15 or the commissioner of human services determines that a facility is subject to the receivership under section 245A.12 or 245A.13. In establishing the receivership fee payment, the commissioner must reduce the receiver's requested receivership fee by amounts that the commissioner determines are included in the long-term care facility's payment rate and that can be used to cover part or all of the receivership fee. Amounts that can

be used to reduce the receivership fee shall be determined by reallocating facility staff or costs that were formerly paid by the long-term care facility before the receivership and are no longer required to be paid. The amounts may include any efficiency incentive, allowance, and other amounts not specifically required to be paid for expenditures of the long-term care facility.

If the receivership fee cannot be covered by amounts in the long-term care facility's payment rate, a receivership fee payment shall be set according to paragraphs (a) and (b) and payment shall be according to paragraphs (c) to (e).

- (a) The receivership fee per diem shall be determined by dividing the annual receivership fee payment by the long-term care facility's resident days from the most recent cost report for which the commissioner has established a payment rate or the estimated resident days in the projected receivership fee period.
- (b) The receivership fee per diem shall be added to the long-term care facility's payment rate.
- (d) The payment rate in paragraph (b) for a nursing home shall be effective the first day of the month following the receiver's compliance with the notice conditions in paragraph (c). The payment rate in paragraph (b) for an intermediate care facility for the mentally retarded shall be effective on the first day of the rate year in which the receivership fee per diem is determined.
- (e) The commissioner may elect to make a lump sum payment of a portion of the receivership fee to the receiver. In this case, the commissioner and the receiver shall agree to a repayment plan. Regardless of whether the commissioner makes a lump sum payment under this paragraph, the provisions of paragraphs (a) to (d) and subdivision 2 also apply.
- Subd. 2. [DEDUCTION OF RECEIVERSHIP FEE PAYMENTS UPON TERMINATION OF RECEIVERSHIP.] If the commissioner has established a receivership fee per diem for a long-term care facility in receivership; the commissioner must deduct the receivership fee payments according to paragraphs (a) to (c).
- (a) The total receivership fee payments shall be the receivership fee per diem multiplied by the number of resident days for the period of the receivership fee payments. If actual resident days for the receivership fee payment period are not made available within two weeks of the commissioner's written request, the commissioner shall compute the resident days by prorating the facility's resident days

based on the number of calendar days from each portion of the long-term care facility's reporting years covered by the receivership period.

- (b) The amount determined in paragraph (a) must be divided by the long-term care facility's resident days for the reporting year in which the receivership period ends.
- (c) The per diem amount in paragraph (b) shall be subtracted from the long-term care facility's operating cost payment rate for the rate year following the reporting year in which the receivership period ends.
- Subd. 3. [REESTABLISHMENT OF RECEIVERSHIP FEE PAY-MENT.] The commissioner of health may request the commissioner to reestablish the receivership fee payment when the original terms of the receivership fee payment have significantly changed with regard to the cost or duration of the receivership agreement. The commissioner, in consultation with the commissioner of health, may reestablish the receivership fee payment when the commissioner determines the cost or duration of the receivership agreement has significantly changed. The provisions of developing a receivership fee payment in subdivisions 1 and 2 apply to the reestablishment process.
- Sec. 84. Minnesota Statutes 1988, section 256B.501, subdivision 3, is amended to read:
- Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH MENTAL RETARDATION OR RELATED CONDITIONS.] The commissioner shall establish, by rule, procedures for determining rates for care of residents of intermediate care facilities for persons with mental retardation or related conditions. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated facilities. In developing the procedures, the commissioner shall include:
- (a) cost containment measures that assure efficient and prudent management of capital assets and operating cost increases which do not exceed increases in other sections of the economy;
- (b) limits on the amounts of reimbursement for property, general and administration, and new facilities;
- (c) requirements to ensure that the accounting practices of the facilities conform to generally accepted accounting principles;
  - (d) incentives to reward accumulation of equity;

- (e) a revaluation on sale between unrelated organizations for a facility that, for at least three years before its use as an intermediate care facility, has been used by the seller as a single family home and been claimed by the seller as a homestead, and was not revalued immediately prior to or upon entering the medical assistance program, provided that the facility revaluation not exceed the amount permitted by the Social Security Act, section 1902(a)(13); and
- (f) appeals procedures that satisfy the requirements of section 256B.50 for appeals of decisions arising from the application of standards or methods pursuant to Minnesota Rules, parts 9510.0500 to 9510.0890, 9553.0010 to 9553.0080, and 12 MCAR 2.05301 to 2.05315 (temporary).

In establishing rules and procedures for setting rates for care of residents in intermediate care facilities for persons with mental retardation or related conditions, the commissioner shall consider the recommendations contained in the February 11, 1983, Report of the Legislative Auditor on Community Residential Programs for the Mentally Retarded and the recommendations contained in the 1982 Report of the Department of Public Welfare Rule 52 Task Force. Rates paid to supervised living facilities for rate years beginning during the fiscal biennium ending June 30, 1985, shall not exceed the final rate allowed the facility for the previous rate year by more than five percent.

Sec. 85. Minnesota Statutes 1988, section 256B.501, subdivision 3g, is amended to read:

Subd. 3g. [ASSESSMENT OF RESIDENTS.] For rate years beginning on or after October 1, 1990, the commissioner shall establish program operating cost rates for care of residents in facilities that take into consideration service characteristics of residents in those facilities. To establish the service characteristics of residents, the quality assurance and review teams in the department of health shall assess all residents annually beginning January 1, 1989, using a uniform assessment instrument developed by the commissioner. This instrument shall include assessment of the client's behavioral needs, integration into the community, ability to perform activities of daily living, medical and therapeutic needs, and other relevant factors determined by the commissioner. The commissioner may establish procedures to adjust the program operating costs of facilities based on a comparison of client services characteristics, resource needs, and costs. adjust the program operating cost rates of facilities based on a comparison of client service characteristics, resource needs, and costs. The commissioner may adjust a facility's payment rate during the rate year when accumulated changes in the facility's average service units exceed the minimums established in the rules required by subdivision 3j.

- Sec. 86. Minnesota Statutes 1988, section 256B.501, is amended by adding a subdivision to read:
- Subd. 3k. [EXPERIMENTAL PROJECT.] The commissioner of human services may conduct and administer experimental projects to determine the effects of competency-based wage adjustments for direct-care staff on the quality of care and active treatment for persons with mental retardation or related conditions. The commissioner shall authorize one project under the following conditions:
  - (a) One service provider will participate in the project.
- (b) The vendor <u>must have an existing competency-based training curriculum and a proposed salary schedule that is coordinated with the training package.</u>
- (c) The University of Minnesota affiliated programs must approve the content of the training package and assist the vendor in studying the impact on service delivery and outcomes for residents under a competency-based salary structure. The study and its conclusions must be presented to the commissioner at the conclusion of the project.
- (e) The project will be funded by Title XIX, medical assistance and the costs incurred shall be allowable program operating costs for future rate years under Minnesota Rules, parts 9553.0010 to 9553.0080. The project's total annual cost must not exceed \$49,500. The commissioner shall establish an adjustment to the selected facility's per diem by dividing the \$49,500 by the facility's actual resident days for the reporting year ending December 31, 1988. The facility's experimental training project per diem shall be effective on October 1, 1989, and shall remain in effect for the 21-month period ending June 30, 1991.
- (f) Only service vendors who have submitted a determination of need pursuant to Minnesota Rules, parts 9525.0015 to 9525.0165, and Minnesota Statutes, section 252.28, requesting the competency-based training program cost increase are eligible. Furthermore, they are only eligible if their determination of need was approved prior to January 1, 1989, and funds were not available to implement the plan.
- Sec. 87. Minnesota Statutes 1988, section 256B.69, subdivision 4, is amended to read:
- Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be

implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice: (1) persons eligible for medical assistance according to section 256B.055, subdivision 1, or who are in foster placement; and (2) persons eligible for medical assistance due to blindness or disability as determined by the social security administration or the state medical review team, unless they are 65 years of age or older; (3) recipients who currently have private coverage through a health maintenance organization; and (4) recipients who are eligible for medical assistance by spending down excess income for medical expenses other than the nursing facility per diem expense. Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner. If a demonstration provider ends participation in the project for any reason, a recipient enrolled with that provider must select a new provider but may change providers without cause once more within the first 60 days after enrollment with the second provider.

Sec. 88. Minnesota Statutes 1988, section 256B.69, subdivision 5, is amended to read:

Subd. 5. [PROSPECTIVE PER CAPITA PAYMENT.] The project advisory committees with the commissioner shall establish the method and amount of payments for services. The commissioner shall annually contract with demonstration providers to provide services consistent with these established methods and amounts for payment. Notwithstanding section 62D.02, subdivision 1, payments for services rendered as part of the project may be made to providers that are not licensed health maintenance organizations on a risk-based, prepaid capitation basis.

If allowed by the commissioner, a demonstration provider may contract with an insurer, health care provider, nonprofit health service plan corporation, or the commissioner, to provide insurance or similar protection against the cost of care provided by the demonstration provider or to provide coverage against the risks incurred by demonstration providers under this section. The recipients enrolled with a demonstration provider are a permissible group under group insurance laws and chapter 62C, the Nonprofit Health Service Plan Corporations Act. Under this type of contract, the insurer or corporation may make benefit payments to a demonstration provider for services rendered or to be rendered to a recipient. Any insurer or nonprofit health service plan corporation licensed to do business in this state is authorized to provide this insurance or similar protection.

Payments to providers participating in the project are exempt from the requirements of sections 256.966 and 256B.03, subdivision 2. The commissioner shall complete development of capitation rates for payments before delivery of services under this section is begun. For payments made during calendar year 1990 and later years, the commissioner shall contract with an independent actuary to establish prepayment rates.

- Sec. 89. Minnesota Statutes 1988, section 256B.69, subdivision 11, is amended to read:
- Subd. 11. [APPEALS.] A recipient may appeal to the commissioner a demonstration provider's delay or refusal to provide services, according to section 256.045. The commissioner shall appoint a panel of health practitioners, including social service practitioners, as necessary to determine the necessity of services provided or refused to a recipient. The deliberations and decisions of the panel replace the administrative review process otherwise available under chapter 256. The panel shall follow the time requirements and other provisions of the Code of Federal Regulations, title 42, sections 431.200 to 431.246. The time requirements shall be expedited based on request by the individual who is appealing for emergency services. If a service is determined to be necessary and is included among the benefits for which a recipient is enrolled, the service must be provided by the demonstration provider as specified in subdivision 5. The panel's decision is a final agency action.
- Sec. 90. Minnesota Statutes 1988, section 256B.69, is amended by adding a subdivision to read:
- Subd. 17. [CONTINUATION OF PREPAID MEDICAL ASSISTANCE.] The commissioner may continue the provisions of this section after June 30, 1990, in any or all of the participating counties if necessary federal authority is granted. The commissioner may adopt permanent rules to continue prepaid medical assistance in these areas.
- Sec. 91. Minnesota Statutes 1988, section 256D.03, subdivision 3, is amended to read:
- Subd. 3. [GENERAL ASSISTANCE MEDICAL CARE; ELIGIBIL-ITY.] (a) General assistance medical care may be paid for any person:
- (1) who is eligible for assistance under section 256D.05 or 256D.051 and is not eligible for medical assistance under chapter 256B; or
- (2) (i) who is a resident of Minnesota; whose income as calculated under chapter 256B is not in excess of the medical assistance standards or whose excess income is spent down pursuant to chapter

256B; and whose equity in resources assets is not in excess of \$1,000 per assistance unit. Exempt real and liquid assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in chapter 256B; and

- (ii) who has countable income not in excess of the assistance standards established in section 256B.056, subdivision 4, or whose excess income is spent down pursuant to section 256B.056, subdivision 5. The method for calculating earned income disregards and deductions for a person who resides with a dependent child under age 21 shall be as specified in section 256.74, subdivision 1. The earned income deductions for a person who does not reside with a dependent child under age 21 shall be the same as the method used to determine eligibility for a person under section 256D.06, subdivision 1, except for the disregard of the first \$50 of earned income; or
- (3) who is over age 18 and who would be eligible for medical assistance except that the person resides in a facility that is determined by the commissioner or the federal health care financing administration to be an institution for mental diseases.
- (b) Eligibility is available for the month of application and for three months prior to application if the person was eligible in those prior months. A redetermination of eligibility must occur every 12 months.
- (c) General assistance medical care may be paid for a person, regardless of age, who is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, if the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.
- (d) General assistance medical care is not available for applicants or recipients who do not cooperate with the local agency to meet the requirements of medical assistance.
- (e) In determining the amount of assets of an individual, there shall be included any asset or interest in an asset, including an asset excluded under paragraph (a), that was given away, sold, or disposed of for less than fair market value within the 30 months preceding application for general assistance medical care or during the period of eligibility. Any transfer described in this paragraph shall be presumed to have been for the purpose of establishing eligibility for general assistance medical care, unless the individual furnishes convincing evidence to establish that the transaction was exclusively for another purpose. For purposes of this paragraph, the value of the asset or interest shall be the fair market value at the

time it was given away, sold, or disposed of, less the amount of compensation received. For any uncompensated transfer, the number of months of ineligibility shall be calculated by dividing the uncompensated transfer amount by the average monthly per person payment made by the medical assistance program to skilled nursing facilities for the previous calendar year. The individual shall remain ineligible until this fixed period has expired. The period of ineligibility may exceed 30 months, and a reapplication for benefits after 30 months from the date of the transfer shall not result in eligibility unless and until the period of ineligibility has expired.

- Sec. 92. Minnesota Statutes 1988, section 256D.03, subdivision 4, is amended to read:
- Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SER-VICES.] (a) Reimbursement under the general assistance medical care program shall be limited to the following categories of service: inpatient hospital care, outpatient hospital care, services provided by Medicare certified rehabilitation agencies, prescription drugs, equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level, eyeglasses and eye examinations provided by a physician or optometrist, hearing aids, prosthetic devices, laboratory and X-ray services, physician's services, medical transportation, chiropractic services as covered under the medical assistance program, podiatric services, and dental care.   - (6) equipment not specifically listed in this paragraph when the

<u>use of the equipment will prevent the need for costlier services that</u> are reimbursable under this subdivision.

- (b) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota. the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. The rates payable under this section must be calculated according to section 256B.031, subdivision 4 For payments made during fiscal year 1990 and later years, the commissioner shall contract with an independent actuary to establish prepayment rates.

- (e) Chemical dependency services that are reimbursed under Laws 1986, chapter 394, sections 8 to 20, must not be reimbursed under general assistance medical care.

- (9) to the Minnesota department of jobs and training for the purpose of monitoring the eligibility of the data subject for unemployment compensation, for any employment or training program administered, supervised, or certified by that agency, or for the purpose of administering any rehabilitation program, whether alone or in conjunction with the welfare system; and to verify receipt of energy assistance for the telephone assistance plan;
- (10) to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the individual or other individuals or persons; or
- (11) data maintained by residential facilities as defined in section 245A.02, subdivision 6, may be disclosed to the protection and advocacy system established in this state pursuant to Part C of Public Law Number 98-527 to protect the legal and human rights of persons with mental retardation or other related conditions who live in residential facilities for these persons if the protection and

advocacy system receives a complaint by or on behalf of that person and the person does not have a legal guardian or the state or a designee of the state is the legal guardian of the person.

- (b) Mental health data shall be treated as provided in subdivisions 7, 8, and 9, but is not subject to the access provisions of subdivision 10, paragraph (b).
- Sec. 2. Minnesota Statutes 1988, section 237.70, subdivision 7, is amended to read:
- Subd. 7. [ADMINISTRATION.] The telephone assistance plan must be administered jointly by the commission, the department of human services, and the telephone companies in accordance with the following guidelines:
- (a) The commission and the department of human services shall develop an application form that must be completed by the subscriber for the purpose of certifying eligibility for telephone assistance plan credits to the telephone companies. The application must contain the applicant's social security number. Applications without a social security number will be denied. Each telephone company shall annually mail a notice of the availability of the telephone assistance plan to each residential subscriber in a regular billing and shall mail the application form to customers when requested.

The notice must state the following:

YOU MAY BE ELIGIBLE FOR ASSISTANCE IN PAYING YOUR TELEPHONE BILL IF YOU MEET CERTAIN HOUSEHOLD INCOME LIMITS, AND YOU ARE 65 YEARS OF AGE OR OLDER OR ARE DISABLED. FOR MORE INFORMATION OR AN APPLICATION FORM PLEASE CONTACT.....

- (b) The department of human services shall determine the eligibility for telephone assistance plan credits at least annually according to the criteria contained in subdivision 4a.
- (c) Each telephone company shall provide telephone assistance plan credits against monthly charges in the earliest possible month following receipt of an application form and shall continue to provide credits unless notified that the subscriber is ineligible. The company shall cease granting credits at the earliest possible billing cycle when notified by the department of human services that the subscriber is ineligible.
- (d) The commission shall serve as the coordinator of the telephone assistance plan and be reimbursed for its administrative expenses from the surcharge revenue pool. As the coordinator, the commission shall:

- (1) establish a uniform statewide surcharge in accordance with subdivision 6;
- (2) establish a uniform statewide level of telephone assistance plan credit that each telephone company shall extend to each eligible household in its service area;
- (3) require each telephone company to account to the commission on a periodic basis for surcharge revenues collected by the company, expenses incurred by the company, not to include expenses of collecting surcharges, and credits extended by the company under the telephone assistance plan;
- (4) require each telephone company to remit surcharge revenues to the department of administration for deposit in the fund; and
- (5) remit to each telephone company from the surcharge revenue pool the amount necessary to compensate the company for expenses, not including expenses of collecting the surcharges, and telephone assistance plan credits. When it appears that the revenue generated by the maximum surcharge permitted under subdivision 6 will be inadequate to fund any particular established level of telephone assistance plan credits, the commission shall reduce the credits to a level that can be adequately funded by the maximum surcharge. Similarly, the commission may increase the level of the telephone assistance plan credit that is available or reduce the surcharge to a level and for a period of time that will prevent an unreasonable overcollection of surcharge revenues.
- (e) Each telephone company shall maintain adequate records of surcharge revenues, expenses, and credits related to the telephone assistance plan and shall, as part of its annual report or separately, provide the commission and the department of public service with a financial report of its experience under the telephone assistance plan for the previous year. That report must also be adequate to satisfy the reporting requirements of the federal matching plan.
- (f) The department of public service shall investigate complaints against telephone companies with regard to the telephone assistance plan and shall report the results of its investigation to the commission.
- Sec. 3. Minnesota Statutes 1988, section 237.701, subdivision 1, is amended to read:

Subdivision 1. [TELEPHONE ASSISTANCE FUND.] The telephone assistance fund is created as a separate account in the state treasury to consist of amounts received by the department of administration representing the surcharge authorized by section

- 237.70, subdivision 6, and amounts earned on the fund assets. Money in the fund may be used only for:
- (1) reimbursement to telephone companies for expenses and credits allowed in section 237.70, subdivision 7, paragraph (d), clause (5);
- (2) reimbursement of the administrative expenses of the department of human services from January 1, 1988, to June 30, 1989, to implement sections 237.69 to 237.71, not to exceed \$90,000 \$180,000 annually; and
- (3) reimbursement of the administrative expenses of the commission not to exceed \$25,000 annually.
- Sec. 4. Minnesota Statutes 1988, section 245.771, subdivision 3, is amended to read:
- Subd. 3. [EMPLOYMENT AND TRAINING PROGRAMS.] The commissioner of human services, in consultation with the commissioner of jobs and training, is authorized to implement and allocate money to food stamp employment and training programs in as many counties as is necessary to meet federal participation requirements and comply with federal laws and regulations. The commissioner of human services may contract with the commissioner of jobs and training to implement and supervise employment and training programs for food stamp recipients that are required by federal regulations.
- Sec. 5. Minnesota Statutes 1988, section 256.014, subdivision 1, is amended to read:
- Subdivision 1. [ESTABLISHMENT OF SYSTEMS.] The commissioner of human services shall establish and enhance computer systems necessary for the efficient operation of the programs the commissioner supervises, including:
- (1) management and administration of the food stamp and income maintenance programs;
- (2) the central elearinghouse project for management and administration of the child support enforcement program; and
- (3) administration of medical assistance and general assistance medical care.

The commissioner shall distribute the nonfederal share of the costs of operating and maintaining the systems to the commissioner and to the counties participating in the system in a manner that reflects actual system usage, except that the nonfederal share of the

costs of the MAXIS computer system and child support enforcement systems shall be born entirely by the commissioner. Development costs must not be assessed against local agencies.

Sec. 6. [256.031] [MINNESOTA FAMILY INVESTMENT PLAN.]

Subdivision 1. [CITATION.] Sections 256.031 to 256.036 may be cited as the Minnesota family investment plan.

- Subd. 2. [LEGISLATIVE FINDINGS.] The legislature recognizes the need to fundamentally change the way government supports families. The legislature finds that many features of the current system of public assistance do not help families carry out their two basic functions: the economic support of the family unit and the care and nurturing of children. The legislature recognizes that the Minnesota family investment plan is an investment strategy that will support and strengthen the family's social and financial functions. This investment in families will provide long-term benefits through stronger and more independent families.
- Subd. 3. [AUTHORIZATION FOR THE DEMONSTRATION.] The commissioner of human services, in consultation with the commissioners of education, finance, jobs and training, health, and planning, and the directors of the higher education coordinating board and the office of jobs policy, is authorized to proceed with the planning and designing of the Minnesota family investment plan and test policies, methods, and cost impact on an experimental basis by using field trials. Sections 256.031 to 256.033 describe the basic principles of the program. Sections 256.034 to 256.036 provide a basis for congressional action. Using sections 256.031 to 256.036, the commissioner shall seek congressional authority to implement the program in field trials. After obtaining congressional authority to implement the Minnesota family investment plan in field trials, the commissioner shall request specific appropriations from the legislature to implement field trials. The field trials must be conducted for as many years as necessary, and in different geographical settings, to provide reliable instruction about the desirability of expanding the program statewide.
- Subd. 4. [GOALS OF THE MINNESOTA FAMILY INVESTMENT PLAN.] The commissioner shall design the program to meet the following goals:
- (1) to support families' transition to financial independence by emphasizing options, removing barriers to work and education, providing necessary support services, and building a supportive network of education, employment and training, health, social, counseling, and family-based services;
  - $\underline{(2)}\;\underline{to}\;\underline{allow}\;\underline{resources}\;\underline{to}\;\underline{be}\;\underline{more}\;\underline{effectively}\;\underline{and}\;\underline{efficiently}\;\underline{focused}$

on investing in families by removing the complexity of current rules and procedures and consolidating public assistance programs;

- (3) to prevent long-term dependence on public assistance through paternity establishment, child support enforcement, emphasis on education and training, and early intervention with minor parents; and
- (4) to provide families with an opportunity to increase their living standard by rewarding efforts aimed at transition to employment and by allowing families to keep a greater portion of earnings when they become employed.
- Subd. 5. [FEDERAL WAIVERS.] The commissioner of human services shall seek authority from Congress to implement the Minnesota family investment plan on a demonstration basis. If necessary, the commissioner shall seek waivers of compliance with requirements for: aid to families with dependent children under United States Code, title 42, sections 601 to 679a, as amended; medical assistance under United States Code, title 42, sections 1396 to 1396s, as amended; food stamps under United States Code, title 7, sections 2011 to 2030, as amended; and other federal requirements that would inhibit implementation of the Minnesota family investment plan. The commissioner shall seek terms from the federal government that are consistent with the goals of the Minnesota family investment plan. The commissioner shall also seek terms from the federal government that will maximize federal financial participation so that the extra costs to the state of implementing the program are minimized, to the extent that those terms are consistent with the goals of the Minnesota family investment plan. An agreement with the federal government under this section shall provide that the agreements may be canceled by the state or federal government upon six months' notice or immediately upon mutual agreement. If the agreements are canceled, families receiving assistance under the Minnesota family investment plan who are eligible for the aid to families with dependent children, general assistance, medical assistance, general assistance medical care, and the food stamp programs must be placed on those programs.

## Sec. 7. [256.032] [DEFINITIONS.]

Subdivision 1. [SCOPE OF DEFINITIONS.] The terms used in sections 256.031 to 256.036 have the meanings given them unless otherwise provided or indicated by the context.

Subd. 2. [CAREGIVER.] "Caregiver" means a minor child's natural or adoptive parent or parents who live in the home with the minor child. For purposes of determining eligibility for this program, "caregiver" also means any of the following individuals who live with and provide care and support to a minor child when the minor child's natural or adoptive parent or parents do not reside in

- the same home: grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, first cousin, nephew, niece, persons of preceding generations as denoted by prefixes of "great" or "great-great," or a spouse of any person named in the above groups even after the marriage ends by death or divorce.
- Subd. 3. [CASE MANAGEMENT.] "Case management" means the assessment of family needs and coordination of services necessary to support the family in its social and economic roles, in addition to the services described in section 256.736, subdivision 11.
- Subd. 4. [COMMISSIONER.] "Commissioner" means the commissioner of human services or a designee.
- Subd. 5. [CONTRACT] "Contract" means a family self-sufficiency plan, described in section 256.035, subdivision 7, based on the case manager's assessment of the family's needs and abilities and developed, together with a parental caregiver, by a county agency or its designee.
- $\underline{\underline{Subd.}} \ \underline{\underline{6.}} \ [\underline{DEPARTMENT.}] \ \underline{\underline{\ \ "Department"}} \ \underline{\underline{\ \ means}} \ \underline{\underline{\ \ the}} \ \underline{\underline{\ \ department}}$  of human services.
- Subd. 7. [FAMILY.] For purposes of determining eligibility for this program, "family" includes the following individuals who live together: a minor child or a group of minor children related to each other as siblings, half siblings, stepsiblings, or adopted siblings, together with their natural or adoptive parents, or their caregiver as defined in subdivision 2. "Family" also includes a pregnant woman in the third trimester of pregnancy with no children.
- Subd. 8. [FAMILY WAGE LEVEL.] "Family wage level" means 120 percent of the transitional standard, as defined in subdivision 13.
- Subd. 9. [ORIENTATION.] "Orientation" means a presentation that meets the requirements of section 256.736, subdivision 10a, provides information to caregivers about the Minnesota family investment plan, and encourages parental caregivers to engage in activities that will stabilize the family and lead to self-sufficiency.
- $\underline{Subd.\ 10.\ [PROGRAM.]\ \underline{"Program"}\ means}\ \underline{the}\ \underline{Minnesota}\ \underline{family}$  investment plan.
- Subd. 11. [SIGNIFICANT CHANGE.] "Significant change" means a change of ten percent or \$50, whichever is less, in monthly gross family earned income, or a change in family composition.
  - Subd. 12. [TRANSITIONAL STATUS.] "Transitional status"

means the status of caregivers who are independently pursuing self-sufficiency or caregivers who are complying with the terms of a contract with a county agency or its designee.

Subd. 13. [TRANSITIONAL STANDARD.] "Transitional standard" means the sum of the AFDC standard of assistance and the full cash value of food stamps for a family of the same size and composition in effect when implementation of the Minnesota family investment plan begins. This standard applies to families in which the parental caregiver is in transitional status and to families in which the caregiver is exempt from having a contract or is exempt from complying with the terms of the contract. Full cash value of food stamps is the amount of the cash value of food stamps to which a family of a given size would be entitled for a month, determined by assuming unearned income equal to the AFDC standard for a family of that size and composition and subtracting the standard deduction and maximum shelter deduction from gross family income, as allowed under the Food Stamp Act of 1977, as amended, and Public Law Number 100-435. The assistance standard for a family consisting of a pregnant woman in the third trimester of pregnancy with no children must equal the assistance standard for one adult and one child.

- Subd. 4. [TREATMENT OF SSI AND MSA.] The monthly benefits and any other income received through the supplemental security income or Minnesota supplemental aid programs and any real or personal property of a person receiving supplemental security income or Minnesota supplemental aid must be excluded in determining the family's eligibility for the Minnesota family investment plan and the amount of assistance. In determining the amount of assistance to be paid to the family, the needs of the person receiving supplemental security income or Minnesota supplemental aid must not be taken into account.
- Subd 5. [ABILITY TO APPLY FOR FOOD STAMPS.] A family that is ineligible for assistance through the Minnesota family

investment plan due to income or resources may apply for, and if eligible receive, benefits under the food stamp program.

Sec. 9. [256.034] [PROGRAM SIMPLIFICATION.]

Subdivision 1. [CONSOLIDATION OF TYPES OF ASSISTANCE.] Under the Minnesota family investment plan, assistance previously provided to families through the AFDC, food stamp, and general assistance programs must be combined into a single cash assistance program. If authorized by Congress, families receiving assistance through the Minnesota family investment plan are automatically eligible for and entitled to medical assistance under chapter 256B. Federal, state, and local funds that would otherwise be allocated for assistance to families under the AFDC, food stamp, and general assistance programs must be transferred to the Minnesota family investment plan prevail over any provisions of the Minnesota family investment plan prevail over any provisions of sections 256.72 to 256.87 or 256D.01 to 256D.21 with which they are irreconcilable. The food stamp, general assistance, and work readiness programs for single persons and couples who are not responsible for the care of children are not replaced by the Minnesota family investment plan.

Subd. 2. [COUPON OPTION.] Families have the option to receive a portion of their assistance, designated by the commissioner, in the form of food coupons or vendor payments.

Subd. 3. [MODIFICATION OF ELIGIBILITY TESTS.] (a) A needy family is eligible and entitled to receive assistance under the program even if its children are not found to be deprived of parental support or care by reason of death, continued absence from the home, physical or mental incapacity of a parent, or unemployment of a parent, provided the family's income and resources do not exceed the eligibility requirements in section 256.033. In addition, a family member who is physically and mentally fit, who is between the ages of 18 and 60 years, who is enrolled at least half time in an institution of higher education, and whose family income and resources do not exceed the eligibility requirements in section 256.033, is eligible for assistance under the Minnesota family investment plan even if the conditions for eligibility as prescribed under the federal Food Stamp Act of 1977, as amended, are not met.

(b) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is considered to have assigned to the public agency responsible for child support enforcement at the time of application all rights to child support and maintenance from any other person the applicant may have in the applicant's own behalf or on behalf of any other family member for whom application is made under the Minnesota family investment plan. The provisions of section 256.74, subdivision 5, govern the assignment. An applicant for, or a person receiving, assistance under the Minnesota family investment plan shall cooperate with the efforts of

the county agency to collect child and spousal support. The county agency is entitled to any child support and maintenance received by or on behalf of the person receiving assistance or another member of the family for which the person receiving assistance is responsible. Failure by an applicant or a person receiving assistance to cooperate with the efforts of the county agency to collect child and spousal support without good cause must be sanctioned according to section 256.035, subdivision 3.

- (c) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is not required to comply with the employment and training requirements prescribed under sections 256.736, subdivisions 3, 3a, and 14; and 256D.05, subdivision 1; section 402(a)(19) of the Social Security Act; the federal Food Stamp Act of 1977, as amended; Public Law Number 100-485; or any other state or federal employment and training program, unless compliance is specifically required in a contract with the county agency.
- Subd. 4. [SIMPLIFICATION OF BUDGETING PROCEDURES.] The monthly amount of assistance provided by the Minnesota family investment plan must be calculated on a prospective basis taking into account actual income or circumstances that existed in a previous month and other relevant information to predict income and circumstances for the next month or months. When a family has a significant change in circumstances, the budgeting cycle must be interrupted and the amount of assistance for the payment month must be based on the county agency's best estimate of the family's income and circumstances for that month. Families may be required to report their income monthly, but income may be averaged over a period of more than one month.
- Subd. 5. [SIMPLIFICATION OF VERIFICATION PROCE-DURES.] Verification procedures must be reduced to the minimum that is workable and consistent with the goals and requirements of the Minnesota family investment plan.
  - Sec. 10. [256.035] [INCOME SUPPORT AND TRANSITION.]

Subdivision 1. [EXPECTATIONS.] All families eligible for assistance under the family investment plan are expected to be in transitional status as defined in section 256.032, subdivision 12. To be considered in transitional status, families must meet the following expectations:

(a) For a family headed by a single adult parent, the expectation is that the parent will independently pursue self-sufficiency until the family has received assistance for 24 months within the preceding 36 months. Beginning with the 25th month of assistance, the parent must be developing or have a contract and comply with the terms of the contract with the county agency or its designee.

- (b) For a family with a minor parent, the expectation is that, concurrent with the receipt of assistance, the minor parent must be developing or have a contract with the county agency. The terms of the contract must include compliance with section 256.736, subdivision 3b.
- (c) For a family with two adult parents, the expectation is that one or both parents will independently pursue self-sufficiency until the family has received assistance for six months within the preceding 12 months. Beginning with the seventh month of assistance, one parent must be developing or have a contract and comply with the terms of the contract with the county agency or its designee.
- Subd. 2. [EXEMPTIONS.] A caregiver is exempt from the requirement of developing a contract and complying with the terms of the contract developed with the county agency, or engaging in transitional activities, if:
- (1) the caregiver is not the natural or adoptive parent of a minor child; or
- - (i) individual circumstances prevent compliance;
- (ii) support services necessary to enable compliance are not available;
  - (iii) activities identified in the contract are not available; or
- (iv) a parental caregiver is willing to accept suitable employment but employment is not available.
- Subd. 3. [SANCTIONS.] A family whose parental caregiver is not exempt from the expectations in subdivision 1 and who is not complying with those expectations must have assistance reduced by a value equal to ten percent of the transitional standard as defined in section 256.032, subdivision 13. This reduction continues until the failure to comply ceases. The county agency must notify the parental caregiver of its intent to implement this sanction and the opportunity to have a conciliation conference, upon request, before the sanctions are implemented.
- Subd. 4. [TREATMENT OF INCOME.] To help families during their transition from the Minnesota family investment plan to self-sufficiency, the following income supports are available:
- (a) The \$30 and one-third and \$75 disregards allowed under section 256.74, subdivision 1, and the 20 percent earned income

deduction allowed under the federal Food Stamp Act of 1977, as amended, are replaced with a single disregard of not less than 35 percent of gross earned income to cover taxes and other work-related expenses and to reward the earning of income. This single disregard is available for the entire time a family receives assistance through the Minnesota family investment plan.

- (b) The dependent care deduction, as prescribed under section 256.74, subdivision 1, and United States Code, title 7, section 2014(e), is replaced for families with earned income who need assistance with dependent care with an entitlement to a dependent care subsidy from money earmarked for the Minnesota family investment plan.
- (c) The family wage level, as defined in section 256.032, subdivision 8, allows families to supplement earned income with assistance received through the Minnesota family investment plan. If, after earnings are adjusted according to the disregard described in paragraph (a), earnings have raised family income to a level equal to or greater than the family wage level, the amount of assistance received through the Minnesota family investment plan must be reduced.
- (d) The first \$50 of any timely support payment for a month received by the public agency responsible for child support enforcement shall be paid to the family and disregarded in determining eligibility and the amount of assistance in accordance with United States Code, title 42, sections 602(a)(8)(A)(vi) and 657(b)(1). This paragraph applies regardless of whether the caregiver is in transitional status, is exempt from having or complying with the terms of a contract, or has had a sanction imposed under subdivision 3.
- Subd. 5. [ORIENTATION.] All caregivers receiving assistance through the Minnesota family investment plan must attend orientation.
- Subd. 6. [CONTRACT.] (a) To receive the transitional standard of assistance, a single adult parent who is a member of a family that has received assistance through the Minnesota family investment plan for 24 months within the preceding 36 months, a minor parent receiving assistance through the Minnesota family investment plan, and one parent in a two-parent family that has received assistance through the Minnesota family investment plan for six months within the preceding 12 months, must comply with the terms of a contract with the county agency or its designee unless exempt under subdivision 2. Case management must be provided to a caregiver who is a parent to assist the caregiver in meeting established goals and to monitor the caregiver's progress toward achieving those goals. The parental caregiver and the county agency must finalize the contract as soon as possible, but in any event within a reason-

able period of time after the deadline specified in subdivision 1, paragraph (a), (b), or (c), whichever applies.

- (b) A contract must identify the parental caregiver's employment goal and explain what steps the family must take to pursue self-sufficiency. Activities may include:
  - (1) orientation;
  - (2) employment;
- (3) employment and training services as defined under section 256.736, subdivision 1a, paragraph (d);
  - (4) preemployment activities;
- (5) participation in an educational program leading to a high school or general equivalency diploma and post-secondary education programs, excluding postbaccalaureate degrees as provided in section 256.736, subdivision 1a, paragraph (d);
  - (6) case management;
  - (7) social services; or
  - (8) other programs or services leading to self-sufficiency.

The contract must also identify the services that the county agency will provide to the family that the family needs to enable the parental caregiver to comply with the contract, including support services such as transportation and child care.

- Subd. 7: [EMPLOYMENT BONUS.] A family leaving the program as a result of increased earnings through employment is entitled to an employment bonus. This bonus is a one-time cash incentive, not more than the family's monthly payment standard, to cover initial expenses incurred by the family leaving the Minnesota family investment plan.
- Subd. 8. [CHILD CARE.] The commissioner shall ensure that each Minnesota family investment plan caregiver who is a parent in transitional status and who needs assistance with child care costs to independently pursue self-sufficiency or comply with the terms of a contract with the county agency receives a child care subsidy through child care money earmarked for the Minnesota family investment plan. The subsidy must cover all actual child care costs for eligible hours up to the maximum rate allowed under sections 256H.15 and 256H.16. A caregiver who is a parent who leaves the program as a result of increased earnings from employment and who needs child care assistance to remain employed is entitled to

 $\frac{extended}{Code, \ title} \ \frac{care}{42, \ section} \ \frac{assistance}{602(g)(1)(A)(ii)} \ \frac{under}{42} \ \frac{United}{42} \ \frac{States}{42}$

Subdivision 1. [SUPPORT SERVICES.] If assistance with child care or transportation is necessary to enable a caregiver who is a parent to work, obtain training or education, attend orientation, or comply with the terms of a contract with the county agency, and the county determines that child care or transportation is not available, the family's applicable standard of assistance continues to be the transitional standard.

Subd. 2. [VOLUNTEERS.] For caregivers receiving assistance under the Minnesota family investment plan who are independently pursuing self-sufficiency, case management and support services other than child care are available to the extent that resources permit.

Subd. 3. The county agency shall remind the family that beginning with the 24th month of assistance, receipt of the transitional standard is contingent upon transitional status. The county agency shall encourage the family to begin preparing for the change in expectations.

Subd. 4. [TIMELY ASSISTANCE.] Applications must be processed in a timely manner according to the processing standards of the federal Food Stamp Act of 1977, as amended, and no later than 30 days following the date of application, unless the county agency has requested information that the applicant has not yet supplied. Subd. 5. [DUE PROCESS.] Any family that applies for or receives assistance under the Minnesota family investment plan whose application for assistance is denied or not acted upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid, is entitled, upon request, to a hearing under section 256.045. A parental caregiver may request a conciliation conference, under section 256.736, subdivisions 4a and 11, when the caregiver disputes the contents of a contract developed under the Minnesota family investment plan or disputes a decision regarding failure or refusal to cooperate with the

A caregiver need not request a conciliation conference to request a hearing according to section 256.045.

- Subd. 8. [EXPEDITED BENEFITS.] Provisions for expedited benefits under the Minnesota family investment plan may not be less restrictive than provisions for expedited benefits under the Food Stamp Act of 1977, as amended, and state food stamp policy and include either expediting issuance of a predesignated portion of assistance provided through the Minnesota family investment plan or through the existing food stamp program.
- Subd. 9. [SPECIAL RIGHTS OF MIGRANT AND SEASONAL FARM WORKERS AND HOMELESS PEOPLE.] Federally prescribed procedures, means of applying for and obtaining assistance, reporting and verification requirements, and other similar provisions specifically for migrant and seasonal farmworkers or homeless people under the Food Stamp Act of 1977, as amended, continue to be available to eligible migrant, seasonal farmworker, or homeless families. The commissioner shall comply with the bilingual requirements of United States Code, title 7, section 2020(e)(1)(B).

- Sec. 12. Minnesota Statutes 1988, section 256.045, subdivision 1, is amended to read:

Subdivision 1. [POWERS OF THE STATE AGENCY.] The commissioner of human services may appoint one or more state human services referees to conduct hearings and recommend orders in accordance with subdivisions 3, 3a, 4a, and 5. Human services referees designated pursuant to this section may administer oaths and shall be under the control and supervision of the commissioner

of human services and shall not be a part of the office of administrative hearings established pursuant to sections 14.48 to 14.56.

- Sec. 13. Minnesota Statutes 1988, section 256.045, subdivision 3, is amended to read:
- Subd. 3. [STATE AGENCY HEARINGS.] (a) Any person applying for, receiving or having received public assistance or a program of social services granted by the state agency or a local agency under sections <u>252.32</u>, <u>256.031</u> to <u>256.036</u>, <u>and 256.72</u> to 256.879, chapters 256B, 256D, 256E, 261, or the federal Food Stamp Act whose application for assistance is denied, not acted upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid, or any patient or relative aggrieved by an order of the commissioner under section 252.27, or a party aggrieved by a ruling of a prepaid health plan, may contest that action or decision before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action or decision, or within 90 days of such written notice if the applicant, recipient, patient, or relative shows good cause why the request was not submitted within the 30-day time limit.
- (b) All prepaid health plans under contract to the commissioner pursuant to chapter 256B or 256D must provide for a complaint system according to section 62D.11. The prepaid health plan must notify the ombudsman within three working days of any formal complaint made under section 62D.11 by persons enrolled in a prepaid health plan under chapter 256B or 256D. At the time a complaint is made, the prepaid health plan must notify the recipient of the name and telephone number of the ombudsman. Recipients may request the assistance of the ombudsman in the complaint system process. The prepaid health plan shall issue a written resolution within 30 days of filing with the prepaid health plan. - (d) In a notice of appeal from a ruling of a prepaid health plan, a recipient may request an expedited hearing. The ombudsman, after discussing with the recipient his or her condition and in consultation with a health practitioner who practices in the specialty area of the recipient's primary diagnosis, shall investigate and determine

whether an expedited appeal is warranted. In making the determination, the ombudsman shall evaluate whether the medical condition of the recipient, if not expeditiously diagnosed and treated, could cause physical or mental disability, substantial deterioration of physical or mental health, continuation of severe pain, or death. The embudsman may order a second medical opinion from the prepaid health plan or order a second medical opinion from a nonprepaid health plan provider at prepaid health plan expense. If the embudsman determines that an expedited appeal is warranted; the state welfare referee shall hear the appeal and render a decision within a time commensurate with the level of urgency involved, based on the individual circumstances of the case. In urgent or emergency situations in which a prepaid health plan provider has prescribed treatment, and the prepaid health plan has denied authorization for that treatment, the referee may order the health plan to authorize treatment pending the outcome of the appeal. Except for a prepaid health plan, a vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a local agency to provide social services under section 256E.08, subdivision 4, is not a party and may not request a hearing under this section.

The prepaid health plan must issue a written resolution of the complaint to the recipient within 30 days after the complaint is filed with the prepaid health plan. A recipient is not required to exhaust the complaint system procedures in order to request a hearing under paragraph (b).

(b) Recipients enrolled in a prepaid health plan under chapter 256B or 256D may contest a prepaid health plan's denial, reduction, or termination of health services or the prepaid health plan's written resolution of a complaint by submitting a written request for a hearing according to subdivision 3. A state human services referee shall conduct a hearing on the matter and shall recommend an order to the commissioner of human services. The commissioner need not grant a hearing if the sole issue raised by a recipient is the commissioner's authority to require mandatory enrollment in a

prepaid health plan in a county where prepaid health plans are under contract with the commissioner. The state human services referee may order a second medical opinion from the prepaid health plan or may order a second medical opinion from a nonprepaid health plan provider at the expense of the prepaid health plan. Recipients may request the assistance of the ombudsman in the appeal process.

(c) In the written request for a hearing to appeal from a prepaid health plan's denial, reduction, or termination of a health service or the prepaid health plan's written resolution to a complaint, a recipient may request an expedited hearing. [CONDUCT OF HEARINGS.] All hearings held pursuant to subdivision 3, 3a, or 4a shall be conducted according to the provisions of the federal Social Security Act and the regulations implemented in accordance with that act to enable this state to qualify for federal grants-in-aid, and according to the rules and written policies of the commissioner of human services. Local agencies shall install equipment necessary to conduct telephone hearings. A state human services referee may schedule a telephone conference hearing when the distance or time required to travel to the local agency offices will cause a delay in the issuance of an order, or to promote efficiency, or at the mutual request of the parties. Hearings may be conducted by telephone conferences unless the applicant, recipient, or former recipient objects. The hearing shall not be held earlier than five days after filing of the required notice with the local or state agency. The applicant, recipient, or former recipient shall have the opportunity to examine the contents of the case file and all documents and records to be used by the local agency at the hearing at a reasonable time before the date of the hearing and during the hearing. Upon request, the local agency shall provide reimbursement for transportation, child care, photocopying, medical assessment, witness fee, and other necessary and reasonable costs incurred by the applicant, recipient, or former recipient in connection with the appeal. All evidence, except that privileged by law, commonly accepted by reasonable people in the conduct of their affairs as having probative value with respect to the issues shall be

submitted at the hearing and such hearing shall not be "a contested case" within the meaning of section 14.02, subdivision 3.

Sec. 16. Minnesota Statutes 1988, section 256.045, subdivision 4a, is amended to read:

Subd. 4a. [CASE MANAGEMENT APPEALS.] Any recipient of case management services pursuant to section 256B.092, subdivisions 1 to 1b who contests the local agency's action or failure to act in the provision of those services, other than a failure to act with reasonable promptness or a suspension, reduction, denial, or termination of services, must submit a written request for review to the local agency. The local agency shall inform the commissioner of the receipt of a request for review when it is submitted and shall schedule a conciliation conference. The local agency shall notify the recipient, the commissioner, and all interested persons of the time, date, and location of the conciliation conference. The commissioner shall designate a representative to be present at the conciliation conference to assist in the resolution of the dispute without the need for a hearing. Within 30 days, the local agency shall conduct the conciliation conference and inform the recipient in writing of the action the local agency is going to take and when that action will be taken and notify the recipient of the right to a hearing under this subdivision. The conciliation conference shall be conducted in a manner consistent with the procedures for reconsideration of an individual service plan or an individual habilitation plan pursuant to Minnesota Rules, parts 9525.0075, subpart 5 and 9525.0105, subpart 6. If the county fails to conduct the conciliation conference and issue its report within 30 days, or, at any time up to 90 days after the conciliation conference is held, a recipient may submit to the commissioner a written request for a hearing before a state human services referee to determine whether case management services have been provided in accordance with applicable laws and rules or whether the local agency has assured that the services identified in the recipient's individual service plan have been delivered in accordance with the laws and rules governing the provision of those services. The state human services referee shall recommend an order to the commissioner, who shall, in accordance with the procedure in subdivision 5, issue a final order within 60 days of the receipt of the request for a hearing, unless the commissioner refuses to accept the recommended order, in which event a final order shall issue within 90 days of the receipt of that request. The order may direct the local agency to take those actions necessary to comply with applicable laws or rules. The commissioner may issue a temporary order prohibiting the demission of a recipient of case management services from a residential or day habilitation program licensed under chapter 245A, while a local agency review process or an appeal brought by a recipient under this subdivision is pending, or for the period of time necessary for the local agency to implement the commissioner's order. The commissioner shall not issue a final order staying the demission of a recipient of case

A referee may take official notice of adjudicative facts. The commissioner of human services may accept the recommended order of a state human services referee and issue the order to the local agency and the applicant, recipient, or former recipient, or prepaid health plan. The commissioner on refusing to accept the recommended order of the state human services referee, shall notify the local agency and the applicant, recipient, or former recipient, or prepaid health plan of that fact and shall state reasons therefor and shall allow each party ten days' time to submit additional written argument on the matter. - (j) Agreements entered into under this subdivision must require the Indian tribe to specify a starting date for each program with a procedure to enable tribal members participating in county-operated employment and training services to make the transition to the program operated by the tribal unit. Programs must begin on the first day of a month specified by the agreement.
- (k) If the commissioner and Indian tribe enter into an agreement, the commissioner may immediately reallocate county case management and employment and training block grant money from the counties in the Indian tribe's service area to the Indian tribe, prorating each county's annual allocations according to that percentage of the number of tribal unit members receiving AFDC residing in the county compared to the total number of AFDC recipients residing in the county and also prorating the annual allocation according to the month in which the Indian tribe program starts. If the Indian tribe cancels the agreement or fails, in the commissioner's judgment, to fulfill any requirement of the agreement, the commissioner shall reallocate money back to the counties in the Indian tribe's service area.

- Sec. 37. Minnesota Statutes 1988, section 256.74, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] The amount of assistance which shall be granted to or on behalf of any dependent child and mother or other needy eligible relative caring for the dependent child shall be determined by the county agency in accordance with rules promulgated by the commissioner and shall be sufficient, when added to all other income and support available to the child, to provide the child with a reasonable subsistence compatible with decency and health. The amount shall be based on the method of budgeting required in Public Law Number 97-35, section 2315. United States Code, title 42. section 602, as amended and federal regulations at Code of Federal Regulations, title 45, section 233. Nonrecurring lump sum income received by an assistance unit must be budgeted in the normal retrospective cycle. The number of months of ineligibility is determined by dividing the amount of the lump sum income and all other income, after application of the applicable disregards, by the standard of need for the assistance unit. An amount remaining after this calculation is income in the first month of eligibility. If the total monthly income including the lump sum income is larger than the standard of need for a single month the first month of ineligibility is the payment month that corresponds with the budget month in which the lump sum income was received. In making its determination the county agency shall disregard the following from family income:

(1) all of the earned income of each dependent child receiving aid to families with dependent children who is a full-time student or

part-time student, and not a full-time employee, attending a school, college, or university, or a course of vocational or technical training designed to fit students for gainful employment as well as all the earned income derived from the job training and partnership act (JTPA) for a dependent child for six calendar months per year, together with unearned income derived from the job training and partnership act;

- (2) all educational grants and loans;
- (3) the first \$75 \$90 of each individual's earned income. For self-employed persons, the expenses directly related to producing goods and services and without which the goods and services could not be produced shall be disregarded pursuant to rules promulgated by the commissioner;
- (4) an amount equal to the actual expenditures but not to exceed \$160 for the care of each dependent child or incapacitated individual living in the same home and receiving aid. In the case of a person not engaged in full-time employment or not employed throughout the month, the commissioner shall prescribe by rule a lesser amount to be disregarded;
- (5) thirty dollars plus one-third of the remainder of each individual's earned income not already disregarded for individuals found otherwise eligible to receive aid or who have received aid in one of the four months before the month of application. With respect to any month, the county welfare agency shall not disregard under this clause any earned income of any person who has: (a) reduced earned income without good cause within 30 days preceding any month in which an assistance payment is made; or (b) refused without good cause to accept an offer of suitable employment; or (c) left employment or reduced earnings without good cause and applied for assistance so as to be able later to return to employment with the advantage of the income disregard; or (d) failed without good cause to make a timely report of earned income in accordance with rules promulgated by the commissioner of human services. Persons who are already employed and who apply for assistance shall have their needs computed with full account taken of their earned and other income. If earned and other income of the family is less than need, as determined on the basis of public assistance standards, the county agency shall determine the amount of the grant by applying the disregard of income provisions. The county agency shall not disregard earned income for persons in a family if the total monthly earned and other income exceeds their needs, unless for any one of the four preceding months their needs were met in whole or in part by a grant payment. The disregard of \$30 and one-third of the remainder of earned income described in this clause (5) shall be applied to the individual's income for a period not to exceed four consecutive months. Any month in which the individual loses this disregard because of the provisions of sub clauses (5) (a) to (5)

shall be considered as one of the four months. An additional \$30 work incentive must be available for an eight-month period beginning in the month following the last month of the combined \$30 and one-third work incentive. This period must be in effect whether or not the person has earned income or is eligible for AFDC. To again qualify for the earned income disregards under this clause (t), the individual must not be a recipient of aid for a period of 12 consecutive months. When an assistance unit becomes ineligible for aid due to the fact that these disregards are no longer applied to income, the assistance unit shall be eligible for medical assistance benefits for a 12-month period beginning with the first month of AFDC ineligibility;

- (5) an amount equal to the actual expenditures for the care of each dependent child or incapacitated individual living in the same home and receiving aid, not to exceed: (a) \$175 for each individual age two and older, and \$200 for each individual under the age of two, when the family member whose needs are included in the eligibility determination is employed for 30 or more hours per week; or (b) \$174 for each individual age two or older, and \$199 for each individual under the age of two, when the family member whose needs are included in the eligibility determination is not employed throughout the month or when employment is less than 30 hours per week. The dependent care disregard must be applied after all other disregards under this subdivision have been applied;
- (6) the first \$50 per assistance unit of the monthly support obligation collected by the support and recovery (IV-D) unit; and. The first \$50 of periodic support payments collected by the public authority responsible for child support enforcement from a person with a legal obligation to pay support for a member of the assistance unit must be paid to the assistance unit within 15 days after the end of the month in which the collection of the periodic support payments occurred and must be disregarded when determining the amount of assistance;
- (7) that portion of an insurance settlement earmarked and used to pay medical expenses, funeral and burial costs, or to repair or replace insured property; and
- $\frac{(8) \ all \ earned \ income}{as \ \underline{a} \ \underline{refund} \ of \ \underline{federal} \ \underline{income} \ \underline{taxes} \ \underline{or} \ \underline{made} \ \underline{as} \ \underline{advance} \ \underline{payments} \ \underline{by}} \\ \underline{an} \ \underline{employer}.$

The first \$50 of periodic support payments collected by the public authority responsible for child support enforcement from a person with a legal obligation to pay support for a member of the assistance unit shall be paid to the assistance unit within 15 days after the end of the month in which the collection of such periodic support payments occurred and shall be disregarded in determining the amount of assistance.

- Sec. 38. Minnesota Statutes 1988, section 256.74, subdivision 1a, is amended to read:
- Subd. 1a. [STEPPARENT'S INCOME.] In determining income available, the county agency shall take into account the remaining income of the dependent child's stepparent who lives in the same household after disregarding:
- (1) the first \$75 of the stepparent's gross earned income. The commissioner shall prescribe by rule lesser amounts to be disregarded for stepparents who are not engaged in full-time employment or not employed throughout the month;
- (2) an amount for support of the stepparent and any other individuals whom the stepparent claims as dependents for determining federal personal income tax purposes liability and who live in the same household but whose needs are not considered in determining eligibility for assistance under sections 256.72 to 256.87. The amount equals the standard of need for a family of the same composition as the stepparent and these other individuals;
- (3) amounts the stepparent actually paid to individuals not living in the same household but whom the stepparent claims as dependents for determining federal personal income tax purposes liability; and
- (4) alimony or child support, or both, paid by the stepparent for individuals not living in the same household.
- Sec. 39. Minnesota Statutes 1988, section 256.74, is amended by adding a subdivision to read:
- Subd. 1b. [REVIEW OF STANDARD OF NEED.] The commissioner of human services shall develop a household budget sufficient to maintain a family in Minnesota. The budget must be based on a market survey of the cost of items needed by families raising children to the extent these factors are consistent with the requirements of federal regulations. The commissioner shall develop recommendations for an AFDC standard of need and level of payment that are based on the budget. The commissioner shall submit to the legislature by January 1, 1990, a report identifying the methods proposed for the conduct of the market survey, the funds required for the survey, and a timetable for completion of the survey, establishment of a family budget, and recommendation of an AFDC standard of need.

Sections <u>256.031</u> to <u>256.036</u> and <u>256.72</u> to <u>256.87</u> shall be liberally construed with a view to accomplishing their purpose, which is to enable the state and its several counties to cooperate with responsible primary caretakers of children in rearing future citizens, when the cooperation is necessary on account of relatively permanent conditions, in order to keep the family together in the same household, reasonably safeguard the health of the children's primary caretaker and secure personal care and training to the children during their tender years.

## Sec. 41. [256.983] [FRAUD PREVENTION INVESTIGATIONS.]

- (a) Within the limits of available appropriations, and to the extent either required or authorized by applicable federal regulations, the commissioner of human services shall select and fund not less than four pilot projects for a two-year period to test the effectiveness of fraud prevention investigations conducted at the point of application for assistance. County agencies must be selected to be involved in the pilot projects based on their response to requests for proposals issued by the commissioner. One of the county agencies selected must be located in either Hennepin or Ramsey county, one must be from a county in the seven-county metropolitan area other than Hennepin and Ramsey counties, and two must be located outside the metropolitan area.

Providing this assistance is a matter of public concern and a necessity in promoting the public health and welfare.

Sec. 43. Minnesota Statutes 1988, section 256D.01, subdivision 1a, is amended to read:

The state standard of assistance for those recipients is the <del>clothing and</del> personal needs allowance for medical assistance recipients under section 256B.35. Minneseta supplemental aid may be paid to negotiated rate facilities at the rates in effect on March 1. 1985, for services provided under the supplemental aid program to residents of the facility, up to the maximum negotiated rate specified in this section. The rate for room and board for a licensed facility must not exceed \$800. The maximum negotiated rate does not apply to a facility that, on August 1, 1984, was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services under Minnesota Rules, parts 9520,0500 to 9520,0690 or a facility that, on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a supplemental aid negotiated rate facility under this chapter. (1) a facility that only provides services to persons with mental retardation; and

(2) a facility not certified to participate in the medical assistance program that is licensed as a boarding care facility as of March 1, 1985, and does not receive supplemental program funding under Minnesota Rules, parts 9535.2000 to 9535.3000 or 9553.0010 to 9553.0080. Beginning July 1, 1987, the facilities under clause (1) are subject to applicable supplemental aid limits, and must meet all applicable licensing and reimbursement requirements for programs for persons with mental retardation. The negotiated rates may be paid for persons who are placed by the local agency or who elect to reside in a room and board facility or a licensed facility for the purpose of receiving physical, mental health, or rehabilitative care,

provided the local agency agrees that this care is needed by the person. When Minnesota supplemental aid is used to pay a negotiated rate, the rate payable to the facility must not exceed the rate paid by an individual not receiving Minnesota supplemental aid. To receive payment for a negotiated rate, the dwelling must comply with applicable laws and rules establishing standards necessary for health, safety, and licensure. The negotiated rate must be adjusted by the annual percentage change in the consumer price index (CPI-U U.S. city average), as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100) or 2.5 percent, whichever is less. The county agency must determine an applicant's eligibility for Minnesota supplemental aid as soon as the required verifications are received by the county agency and within 30 days after a signed application is received by the county agency for the aged or blind or within 60 days for the disabled. The amount of the first grant of Minnesota supplemental aid awarded to an applicant must be computed to cover the time period starting with the first day of the month in which the county agency received the signed and dated application or the first day of the month in which all eligibility factors were met, whichever is later.

Sec. 99. [256D,405] [VERIFICATION AND REPORTING REQUIREMENTS.]

Subdivision 1. [VERIFICATION.] The county agency shall request, and applicants and recipients shall provide and verify, all

information necessary to determine initial and continuing eligibility and assistance payment amounts. If necessary, the county agency shall assist the applicant or recipient in obtaining verifications. If the applicant or recipient refuses or fails without good cause to provide the information or verification, the county agency shall deny or terminate assistance.

Subd. 2. [REDETERMINATION OF ELIGIBILITY.] The eligibility of each recipient must be redetermined at least once every 12 months.

Subd. 3. [REPORTS.] Recipients must report changes in circumstances that affect eligibility or assistance payment amounts within ten days of the change. Recipients with earned income, and recipients who have income allocated to them from a financially responsible relative with whom the recipient resides, must complete a monthly household report form. If the report form is not received before the end of the month in which it is due, the county agency must terminate assistance. The termination shall be effective on the first day of the month following the month in which the report was due. If a complete report is received within the month the assistance was terminated, the assistance unit is considered to have continued its application for assistance, effective the first day of the month the assistance was terminated.

[PERSONS ENTITLED TO RECEIVE AID.] A person who is aged, blind, or 18 years of age or older and disabled, whose income is less than the standards of assistance in section 256D.44 and whose resources are less than the limits in subdivision 2 is eligible for and entitled to Minnesota supplemental aid. A person found eligible by the Social Security Administration for supplemental security income under Title XVI on the basis of age, blindness, or disability meets these requirements. A person who would be eligible for the supplemental security income program except for income that exceeds the limit of that program but that is within the limits of the Minnesota supplemental aid program, must have blindness or disability determined by the state medical review team.

- Subd. 3. [APPLICATION FOR FEDERALLY FUNDED BENE-FITS.] Persons for whom the applicant or recipient has financial responsibility and who have unmet needs must apply for and, if eligible, accept AFDC and other federally funded benefits. If the persons are determined potentially eligible for AFDC by the county agency, the applicant or recipient may not allocate earned or unearned income to those persons while an AFDC application is pending, or after the persons are determined eligible for AFDC. If the persons are determined potentially eligible for other federal benefits, the applicant or recipient may only allocate income to those persons until they are determined eligible for those other benefits unless the amount of those benefits is less than the amount in subdivision 4.
- Subd. 4. [ALLOCATION OF INCOME.] The rate of allocation to relatives for whom the applicant or recipient is financially responsible is one-half the individual supplemental security income standard of assistance, except as restricted in subdivision 3.
- If the applicant or recipient shares a residence with another person who has financial responsibility for the applicant or recipient, the income of that person is considered available to the applicant or recipient after allowing; (1) the deductions in subdivisions 7 and 8; and (2) a deduction for the needs of the financially responsible relative and others in the household for whom that relative is financially responsible. The rate allowed to meet the needs of each of these people is one-half the individual supplemental security income standard.
- Subd. 5. [GENERAL INCOME DISREGARD.] The local agency shall disregard the first \$20 of the assistance unit's unearned or earned income from the assistance unit's gross earned income.

- Subd. 6: [EARNED INCOME DISREGARDS.] From the assistance unit's gross earned income, the local agency shall disregard \$65 plus one-half of the remaining income.
- Subd. 7. [EARNED INCOME DEDUCTIONS.] From the assistance unit's gross earned income, the local agency shall subtract work expenses allowed by the supplemental security income program.
- Subd. 8. [SELF-EMPLOYMENT EARNINGS.] A local agency must determine gross earned income from self-employment by subtracting business costs from gross receipts.
- Subd. 9. [RENTAL PROPERTY.] Income from rental property is considered self-employment income for each month that the owner of the property who is the assistance unit or a responsible relative of the assistance unit does an average of at least ten hours a week of labor. When no labor is expended, income from rental property is considered uncarned income and an additional deduction is allowed for actual, reasonable, and necessary labor costs for upkeep and repair.
- Subd. 10. [LUMP SUMS.] Lump sum payments are considered income in the month received.
  - Sec. 103. [256D.44] [STANDARDS OF ASSISTANCE.]
- Subdivision 1: [USE OF STANDARDS; INCREASES.] The state standards of assistance for shelter, basic needs, and special need items that establish the total amount of maintenance need for an applicant for or recipient of Minnesota supplemental aid, are used to determine the assistance unit's eligibility for Minnesota supplemental aid. The state standards of assistance for basic needs must increase by an amount equal to the dollar value, rounded up to the nearest dollar, of any cost of living increases in the supplemental security income program.
- Subd. 2. [STANDARD OF ASSISTANCE FOR SHELTER.] The state standard of assistance for shelter provides for the recipient's shelter costs. The monthly state standard of assistance for shelter must be determined according to paragraphs (a) to (c).
- (a) If the recipient does not reside with another person, the state standard of assistance is the actual cost for shelter items or \$124, whichever is less.
- (b) If the recipient resides with another person, the state standard of assistance is the actual costs for shelter items or \$93, whichever is less.

- (c) Actual shelter costs for applicants or recipients are determined by dividing the total monthly shelter costs by the number of persons who share the residence.
- Subd. 3. [STANDARD OF ASSISTANCE FOR BASIC NEEDS.]

  The state standard of assistance for basic needs provides for the applicant's or recipient's maintenance needs, other than actual shelter costs. Except as provided in subdivision 4, the monthly state standard of assistance for basic needs is as follows:
- (a) For an applicant or recipient who does not reside with another person, the state standard of assistance is \$305.
- (b) For an individual who resides with another person or persons, the state standard of assistance is \$242.
- Subd. 4. [TEMPORARY ABSENCE DUE TO ILLNESS.] For the purposes of this subdivision, "home" means a residence owned or rented by a recipient or the recipient's spouse. Home does not include a negotiated rate facility. Assistance payments for recipients who are temporarily absent from their home due to hospitalization for illness must continue at the same level of payment during their absence if the following criteria are met:
- (1) a physician certifies that the absence is not expected to continue for more than three months;
- (2) a physician certifies that the recipient will be able to return to independent living; and
- Subd. 5. [SPECIAL NEEDS.] Notwithstanding subdivisions 1 to 4, payments are allowed for the following special needs of recipients of Minnesota supplemental aid:
- (a) The local agency shall pay a monthly allowance for medically prescribed diets payable under the AFDC program if the cost of those additional dietary needs cannot be met through some other maintenance benefit.
- (b) Payment for nonrecurring special needs must be allowed for necessary home repairs or necessary repairs or replacement of household furniture and appliances using the payment standard of the AFDC program for these expenses, as long as other funding sources are not available.
- (c) A fee for guardian or conservator service is allowed at a reasonable rate negotiated by the county or approved by the court.

This rate shall not exceed five percent of the assistance unit's gross monthly income up to a maximum of \$100 per month. If the guardian or conservator is a member of the county agency staff, no fee is allowed.

- (d) The county agency shall continue to pay a monthly allowance of \$68 for restaurant meals for a person who was receiving a restaurant meal allowance on June 1, 1990, and who eats two or more meals in a restaurant daily. The allowance must continue until the person has not received Minnesota supplemental aid for one full calendar month or until the person's living arrangement changes and the person no longer meets the criteria for the restaurant meal allowance, whichever occurs first.
- Subd. 6. [COUNTY AGENCY STANDARDS OF ASSISTANCE.] The county agency may establish standards of assistance for shelter, basic needs, special needs, clothing and personal needs, and negotiated rates that exceed the corresponding state standards of assistance. State aid is not available for costs above state standards.

Sec. 104. [256D.45] [PAYMENT PERIOD.]

Subdivision 1. [PROSPECTIVE BUDGETING.] A calendar month is the payment period for Minnesota supplemental aid. The monthly payment to a recipient must be determined prospectively.

- Subd. 2. [GROSS INCOME TEST.] The local agency shall apply a gross income test prospectively for each month of program eligibility. An assistance unit is ineligible when nonexcluded income, before applying any disregards or deductions, exceeds 300 percent of the supplemental security income standard for an individual.
- Subd. 3. [AMOUNT OF ASSISTANCE.] The amount of assistance is the difference between the recipient's net income and the applicable standards of assistance in section 256D.44, subdivisions 2 to 4, for persons living independently.

Sec. 105. [256D.46] [EMERGENCY MINNESOTA SUPPLEMENTAL AID.]

Subdivision 1. [ELIGIBILITY.] Emergency Minnesota supplemental aid must be granted if the recipient is without adequate resources to resolve an emergency that, if unresolved, will threaten the health or safety of the recipient.

Subd. 2. [INCOME AND RESOURCE TEST.] All income and resources available to the recipient during the month in which the need for emergency Minnesota supplemental aid arises must be considered in determining the recipient's ability to meet the emergency need. Property that can be liquidated in time to resolve the

emergency and income that is normally disregarded or excluded under the Minnesota supplemental aid program must be considered available to meet the emergency need.

Subd. 3. [PAYMENT AMOUNT.] The amount of assistance granted under emergency Minnesota supplemental aid is limited to the amount necessary to resolve the emergency.

## Sec. 106. [256D.47] [PAYMENT METHODS.]

Minnesota supplemental aid payments must be issued to the recipient, a protective payee, or a conservator or guardian of the recipient's estate in the form of county warrants immediately redeemable in cash, electronic benefits transfer, or by direct deposit into the recipient's account in a financial institution. Minnesota supplemental aid payments must be issued regularly on the first day of the month. The supplemental aid warrants must be mailed only to the address at which the recipient resides, unless another address has been approved in advance by the local agency. Vendor payments must not be issued by the local agency except for nonrecurring emergency need payments; at the request of the recipient; for special needs, other than special diets; or when the agency determines the need for protective payments exist.

## Sec. 107. [256D.48] [PROTECTIVE PAYMENTS.]

Subdivision 1. [NEED FOR PROTECTIVE PAYEE.] The county agency shall determine whether a recipient needs a protective payee when a physical or mental condition renders the recipient unable to manage funds and when payments to the recipient would be contrary to the recipient's welfare. Protective payments must be issued when there is evidence of: (1) repeated inability to plan the use of income to meet necessary expenditures; (2) repeated observation that the recipient is not properly fed or clothed; (3) repeated failure to meet obligations for rent, utilities, food, and other essentials; (4) evictions or a repeated incurrence of debts; or (5) lost or stolen checks. The determination of representative payment by the Social Security Administration for the recipient is sufficient reason for protective payment of Minnesota supplemental aid payments.

- Subd. 2. [ESTABLISHING PROTECTIVE PAYMENT.] When the county agency determines that a recipient needs a protective payee, the county agency shall appoint a payee according to the procedures in paragraphs (a) and (b).
- (a) The county agency shall consider the recipient's preference of protective payee. The protective payee must have an interest in or concern for the welfare of the recipient. The protective payee must be capable of and willing to provide the required assistance. A vendor of goods or services, including the recipient's landlord, shall not serve as protective payee.

(b) The county agency shall reconsider the need for a protective payee at least annually. The criteria used to determine a person's continuing need for a protective payee are the criteria used in the supplemental security income program to determine if a person is incapable of managing or directing the management of the person's money. If the need for protective payment is likely to continue beyond two years, the county agency shall seek judicial appointment of a guardian or other legal representative.

Subd. 3. [PROTECTIVE PAYEE FOR PAYMENTS MADE BY THE SOCIAL SECURITY ADMINISTRATION.] If the assistance unit receives benefits from the social security administration, the county agency shall also petition the social security administration to establish a representative payee for those benefits.

Sec. 108. [256D.49] [PAYMENT CORRECTION.]

Subdivision 1. [WHEN.] When the county agency finds that the recipient has received less than or more than the correct payment of Minnesota supplemental aid benefits, the county agency shall issue a corrective payment or initiate recovery under subdivision 3, as appropriate.

Subd. 2. [UNDERPAYMENT OF MONTHLY GRANTS.] When the county agency determines that an underpayment of the recipient's monthly payment has occurred, it shall, during that same month, issue a corrective payment. Corrective payments must be excluded when determining the applicant's or recipient's income and resources for the month of payment.

Subd. 3. [OVERPAYMENT OF MONTHLY GRANTS.] When the county agency determines that an overpayment of the recipient's monthly payment of Minnesota supplemental aid has occurred, it shall issue a notice of overpayment to the recipient. If the person is no longer receiving Minnesota supplemental aid, the county agency may request voluntary repayment or pursue civil recovery. If the person is receiving Minnesota supplemental aid, the county agency shall recover the overpayment by withholding an amount equal to three percent of the standard of assistance for the recipient or the total amount of the monthly grant, whichever is less. Residents of nursing homes, regional treatment centers, and facilities with negotiated rates shall not have overpayments recovered from their personal needs allowance.

Sec. 109. [256D.50] [NOTICE.]

Subdivision 1. [TEN-DAY NOTICE.] The county agency shall give recipients ten days' advance notice when the agency intends to terminate, suspend, or reduce a grant. The ten-day notice must be in writing on a form prescribed by the commissioner. The notice must be mailed or given to the recipient not later than ten days before the

effective date of the action. The notice must clearly state the action the county agency intends to take, the reasons for the action, the right to appeal the action, and the conditions under which assistance can be continued while an appeal is pending.

Subd. 2. [FIVE-DAY NOTICE.] Five days' advance notice is sufficient when the county agency has verified and documented that the case facts require termination, suspension, or reduction of the grant for probable fraud by a recipient. If the last day of the five-day period falls on a weekend or holiday, the effective date of the action is the next working day.

Subd. 3. [ADEQUATE NOTICE.] Notice must be given no later than the effective date of the action when: (1) the county agency has factual information confirming the death of a person included in the grant; (2) the county agency receives a clear written statement, signed by a recipient, that the recipient no longer wishes assistance; (3) the county agency receives a clear statement, signed by a recipient, reporting information that the recipient acknowledges will require termination of or a reduction in the grant; (4) a recipient has been placed in a skilled nursing home, intermediate care, or a long-term hospitalization facility; (5) a recipient has been admitted to or committed to an institution; or (6) a recipient's whereabouts are unknown and the county agency mail to the recipient has been returned by the post office showing no forwarding address.

Sec. 110. [256D.51] [APPEALS.]

Subdivision 1. [RIGHT TO APPEAL.] Applicants and recipients may appeal under section 256.045 if they are aggrieved by an action or by inaction of the county agency.

Subd. 2. [CONTINUATION OF PAYMENT PENDING APPEAL DECISION.] When assistance is reduced, suspended, or terminated, the client has the right to choose to have the grant continued while an appeal is pending if the appellant files the appeal within ten days after the date the notice is mailed or before the effective date of the proposed action, whichever is later.

Sec. 111. [256D,52] [FRAUD.]

A person who obtains or tries to obtain, or aids or abets any person in obtaining assistance to which the person is not entitled by a willfully false statement or representation, or by the intentional withholding or concealment of a material fact, or by impersonation, or other fraudulent device, violates section 256.98 and is subject to both the criminal and civil penalties in that section.

Sec. 112. [256D.53] [DUTIES OF THE COMMISSIONER.]

In addition to other duties imposed by law, the commissioner shall:

- (1) supervise the administration of Minnesota supplemental aid by county agencies as provided in sections 256D.33 to 256D.54;
- (2) adopt permanent rules consistent with law for carrying out and enforcing the provisions of sections 256D.33 to 256D.54, so that Minnesota supplemental aid may be administered as uniformly as possible throughout the state;

[POTENTIAL ELIGIBILITY.] An applicant or recipient who is otherwise eligible for supplemental aid and who is potentially eligible for maintenance benefits from any other source shall (1) apply for those benefits within 30 days of the county's determination of potential eligibility for those benefits; and (2) execute an interim assistance authorization agreement on a form as directed by the commissioner.

- Subd. 2. [RECOVERY OF SUPPLEMENTAL AID UNDER AN INTERIM ASSISTANCE AGREEMENT.] If a recipient is eligible for benefits from other sources, and receives a payment from another source for a period during which supplemental aid was also issued, the recipient shall reimburse the county agency for the interim assistance paid. Reimbursement shall not exceed the amount of supplemental aid paid during the time period to which the other maintenance benefits apply. Reimbursement shall not exceed the state standard that applies to that time period. Reimbursement may be sought directly from the other source of maintenance income but remains the primary obligation of the recipient when an interim assistance agreement has been executed.
- Subd. 3. [INTERIM ASSISTANCE ADVOCACY INCENTIVE PROGRAM.] From the amount recovered under an interim assistance agreement, county agencies may retain 25 percent plus actual reasonable fees, costs, and disbursements of appeals, litigation, and advocacy assistance given to the recipient for the recipient's claim for supplemental security income. The money kept under this section is from the state share of the recovery. The county agency may contract with qualified persons to provide the special assis-

tance. The methods by which a county agency identifies, refers, and assists recipients who may be eligible for benefits under federal programs for the aged, blind, or disabled are those methods used by the general assistance interim assistance advocacy incentive program.

Sec. 114. Minnesota Statutes 1988, section 256G.03, subdivision 1, is amended to read:

Sec. 115. [256I.01] [CITATION.]

Sections 256I.01 to 256I.06 shall be cited as the "negotiated rate act."

Sec. 116. [256I.02] [PURPOSE.]

The negotiated rate act establishes a comprehensive system of rates and payments for persons who reside in a negotiated rate residence and who meet the eligibility criteria of the general assistance program under sections 256D.01 to 256D.21, or the Minnesota supplemental aid program under sections 256D.33 to 256D.54.

Sec. 117. [256I.03] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 256I.01 to 256I.06, the terms defined in this section have the meanings given them.

Subd. 2. [NEGOTIATED RATE.] "Negotiated rate" means a monthly rate set for shelter, fuel, food, utilities, household supplies, and other costs necessary to provide room and board for individuals eligible for general assistance under sections 256D.01 to 256D.21 or supplemental aid under sections 256D.33 to 256D.54. Negotiated rate does not include payments for foster care for children who are not blind, child welfare services, medical care, dental care, hospitalization, nursing care, drugs or medical supplies, program costs, or other social services. However, the negotiated rate for recipients living in residences in section 256I.05, subdivision 2, paragraph (c), clause (2), includes all items covered by that residence's medical assistance per diem rate. The rate is negotiated by the county

 $\underline{agency\ or\ the\ state}\ \underline{according\ to}\ \underline{the\ provisions}\ \underline{of\ sections}\ \underline{256I.01}\ to$ 

- Subd. 3. [NEGOTIATED RATE RESIDENCE.] "Negotiated rate residence" means a group living situation that provides at a minimum room and board to unrelated persons who meet the eligibility requirements of section 256I.04. To receive payment for a negotiated rate, the residence must comply with applicable laws and rules establishing standards for health, safety, and licensure. Secure crisis shelters for battered women and their children are not negotiated rate residences.
- Subd. 4. [REPRESENTATIVE PAYEE.] "Representative payee" means a person selected to receive and manage general assistance or Minnesota supplemental aid benefits provided by the county agency on behalf of a general assistance or Minnesota supplemental aid recipient.
- Sec. 118. [256I.04] [ELIGIBILITY FOR NEGOTIATED RATE PAYMENT.]

Subdivision 1. [ELIGIBILITY REQUIREMENTS.] To be eligible for a negotiated rate payment, the individual must be eligible for general assistance under sections 256D.01 to 256D.21, or supplemental aid under sections 256D.33 to 256D.54. If the individual is in the negotiated rate residence due to illness or incapacity, the individual must be in the residence under a plan developed or approved by the county agency. Residence in other negotiated rate residences must be approved by the county agency.

Subd. 2. [DATE OF ELIGIBILITY.] For a person living in a negotiated rate residence who is eligible for general assistance under sections 256D.01 to 256D.21, payment shall be made from the date a signed application form is received by the county agency or the date the applicant meets all eligibility factors, whichever is later. For a person living in a negotiated rate residence who is eligible for supplemental aid under sections 256D.33 to 256D.54, payment shall be made from the first of the month in which an approved application is received by a county agency.

Sec. 119. [256I.05] [PAYMENT RATES.]

Subdivision 1. [MONTHLY RATES.] Monthly payments for rates negotiated by a county agency on behalf of a recipient living in a negotiated rate residence may be paid at the rates in effect on March 1, 1985, not to exceed \$919.80 in 1989. These rates must be increased annually according to subdivision 7.

Subd. 2. [MONTHLY RATES; EXEMPTIONS.] (a) The maximum negotiated rate does not apply to a residence that on August 1, 1984,

was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690. For residences in this clause that have less than five percent of their licensed boarding care capacity reimbursed by the medical assistance program, rate increases shall be provided according to section 256B.431, subdivision 4, paragraph (c).

- (b) The maximum negotiated rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a negotiated rate residence under general assistance or Minnesota supplemental aid. Rate increases for these residences are subject to the provisions of subdivision 7.
- (c) The following residences are exempt from the limit on negotiated rates and must be reimbursed for documented actual costs, until an alternative reimbursement system covering services excluding room and board maintenance services is developed by the commissioner:
- (1) a residence that is not certified to participate in the medical assistance program, that was licensed as a boarding care facility by March 1, 1985, and does not receive supplemental program funding under Minnesota Rules, parts 9535.2000 to 9535.3000 or 9553.0010 to 9553.0080;
- (2) a residence certified to participate in the medical assistance program, licensed as a boarding care facility or a nursing home, and declared to be an institution for mental disease by January 1, 1989. Effective January 1, 1989, the actual documented cost for these residences is the individual's appropriate medical assistance case mix rate until the commissioner develops a comprehensive system of rates and payments for persons in all negotiated rate residences. The exclusion from the rate limit for residences under this clause expires July 1, 1991. The commissioner of human services, in consultation with the counties in which these residences are located, shall review the status of each certified nursing home and board and care facility declared to be an institution for mental disease. This review shall include the cost effectiveness of continued payment for residents through general assistance or Minnesota supplemental aid; the appropriateness of placement of general assistance or supplemental aid clients in these facilities; the effects of Public Law Number 100-203 on these facilities; and the role of these facilities in the mental health service delivery system. The commissioner shall make recommendations to the legislature by January 1, 1990, regarding the need to continue the exclusion of these facilities from the negotiated rate maximum and the future role of these facilities in serving persons with mental illness.

- Subd. 3. [LIMITS ON RATES.] When a negotiated rate is used to pay for an individual's room and board, the rate payable to the residence must not exceed the rate paid by an individual not receiving a negotiated rate under this chapter.
- Subd. 4. [CERTAIN RESIDENCES NOT ELIGIBLE.] The commissioner shall make no payments under this section to residences licensed after August 1, 1987, that have more than four residents with a diagnosis of mental illness, except for residences specifically licensed to serve persons with mental illness or residences excluded from licensure under chapter 245A. The commissioner of health shall monitor newly licensed residences and shall report to the commissioner of human services residences that do not comply with this section.
- Subd. 5. [ADULT FOSTER CARE RATES.] The commissioner shall annually establish statewide maintenance and difficulty of care rates for adults in foster care. The commissioner shall adopt rules to implement statewide rates. In adopting rules, the commissioner shall consider existing maintenance and difficulty of care rates so that, to the extent possible, an adult for whom a maintenance or difficulty of care rate is established will not be adversely affected.
- Subd. 6. [STATEWIDE RATE SETTING SYSTEM.] The commissioner shall establish a comprehensive statewide system of rates and payments for recipients who reside in residences with negotiated rates to be effective January 1, 1992, or as soon as possible after that date. The commissioner may adopt rules to establish this rate setting system.
- Subd. 7. [RATE INCREASES.] The negotiated rate must be adjusted by the annual percentage change in the consumer price index (CPI-U U.S. city average), as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100) or 2.5 percent, whichever is less.
- Subd. 8. [STATE PARTICIPATION.] For a resident of a negotiated rate residence who is eligible for general assistance under sections 256D.01 to 256D.21, state participation in the negotiated rate is determined according to section 256D.03, subdivision 2. For a resident of a negotiated rate facility who is eligible under sections 256D.33 to 256D.54, state participation in the negotiated rate is determined according to section 256D.36.
- Subd. 9. [PERSONAL NEEDS ALLOWANCE.] In addition to the negotiated rate paid for the room and board costs, a person residing in a negotiated rate residence shall receive an allowance for clothing and personal needs. The allowance shall not be less than that authorized for a medical assistance recipient in section 256B.35.

Sec. 120. [256I.06] [PAYMENT METHODS.]

When a negotiated rate is used to pay the room and board costs of a person eligible under sections 256D.01 to 256D.21, the monthly payment may be issued as a voucher or vendor payment. When a negotiated rate is used to pay the room and board costs of a person eligible under sections 256D.33 to 256D.54, payments must be made to the recipient. If a recipient is not able to manage the recipient's finances, a representative payee must be appointed.

Sec. 28. [253.28] [STATE-OPERATED, COMMUNITY-BASED PROGRAMS FOR PERSONS WITH MENTAL ILLNESS.]

Subdivision 1. [PROGRAMS FOR PERSONS WITH MENTAL ILLNESS.] Beginning July 1, 1991, the commissioner may establish a system of state-operated, community-based programs for persons with mental illness. For purposes of this section, "state-operated, community-based program" means a program administered by the state to provide treatment and habilitation in community settings to persons with mental illness. Employees of the programs must be state employees under chapters 43A and 179A. The role of state-operated services must be defined within the context of a comprehensive system of services for persons with mental illness. Services may include, but are not limited to, community residential treatment facilities for children and adults.

- Subd. 2. [LOCATION OF PROGRAMS FOR PERSONS WITH MENTAL ILLNESS.] In determining the location of state-operated, community-based programs, the needs of the individual clients shall be paramount. The commissioner shall take into account:
- $\underline{\text{(1) the personal preferences of the persons being served and their families;}}$
- (2) location of the support services needed by the persons being served as established by an individual service plan;
  - (3) the appropriate grouping of the persons served;
  - (4) the availability of qualified staff;
- (6) a reasonable commuting distance from a regional treatment center or the residences of the program staff.
- Subd. 3. The commissioner shall evaluate the progress of the development and quality of the community-based services to determine if further development can proceed. The commissioner shall

report results of the evaluation to the legislature by January 31, 1993.

Sec. 29. Minnesota Statutes 1988, section 256B.092, subdivision 7, is amended to read:

- Subd. 7. [SCREENING TEAMS ESTABLISHED.] (a) Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home and community-based services of persons who are entitled to the level of care provided by an intermediate care facility for persons with mental retardation or related conditions or for whom there is a reasonable indication that they might require the level of care provided by an intermediate care facility. The screening team shall make an evaluation of need within 15 working days of the date that the assessment is completed or within 60 working days of a request for service by a person with mental retardation or related conditions. whichever is the earlier, and within five working days of an emergency admission of an individual to an intermediate care facility for persons with mental retardation or related conditions. The screening team shall consist of the case manager, the client, a parent or guardian, a qualified mental retardation professional, as defined in the Code of Federal Regulations, title 42, section 442.401, as amended through December 31, 1987. For individuals determined to have overriding health care needs, a registered nurse must be designated as either the case manager or the qualified mental retardation professional. The case manager shall consult with the client's physician, other health professionals or other persons as necessary to make this evaluation. The case manager, with the concurrence of the client or the client's legal representative, may invite other persons to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.
- (b) In addition to the requirements of paragraph (a), the following conditions apply to the discharge of persons with mental retardation or a related condition from a regional treatment center:
- (1) For a person under public guardianship, at least two weeks prior to each screening team meeting the case manager must notify in writing parents, near relatives, and the ombudsman established under section 245.92 or a designee, and invite them to attend. The notice to parents and near relatives must include: (i) notice of the provisions of section 252A.03, subdivision 4, regarding assistance to persons interested in assuming private guardianship; (ii) notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7); and (iii) information about advocacy services available to assist parents and near relatives of persons with mental retardation or related conditions. In the case of an emergency screening meeting, the notice must be provided as far in advance as practicable.

- (2) Prior to the discharge, a screening must be conducted under subdivision 8 and a plan developed under subdivision la. For a person under public guardianship, the county shall encourage parents and near relatives to participate in the screening team meeting. The screening team shall consider the opinions of parents and near relatives in making its recommendations. The screening team shall determine that the services outlined in the plan are available in the community before recommending a discharge. The case manager shall provide a copy of the plan to the person, legal representative, parents, near relatives, the ombudsman established under section 245.92, and the protection and advocacy system established under United States Code, title 42, section 6042, at least 30 days prior to the date the proposed discharge is to occur. The information provided to parents and near relatives must include notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7). If a discharge occurs, the case manager and a staff person from the regional treatment center from which the person was discharged must conduct a monitoring visit as required in Minnesota Rules, part 9525.0115, within 90 days of discharge and provide an evaluation within 15 days of the visit to the person, legal representative, parents, near relatives, ombudsman, and the protection and advocacy system established under United States Code, title 42, section 6042.
- (3) In order for a discharge or transfer from a regional treatment center to be approved, the concurrence of a majority of the screening team members is required. The screening team shall determine that the services outlined in the discharge plan are available and accessible in the community before the person is discharged. The recommendation of the screening team cannot be changed except by subsequent action of the team and is binding on the county and on the commissioner. If the commissioner or the county determines that the decision of the screening team is not in the best interests of the person, the commissioner or the county may seek judicial review of the screening team recommendation. A person or legal representative may appeal under section 256.045, subdivision 3 or 4a.
- (4) For persons who have overriding health care needs or behaviors that cause injury to self or others, or cause damage to property that is an immediate threat to the physical safety of the person or others, the following additional conditions must be met:
- (i) For a person with overriding health care needs, either a registered nurse or a licensed physician shall review the proposed community services to assure that the medical needs of the person have been planned for adequately. For purposes of this paragraph, "overriding health care needs" means a medical condition that requires daily clinical monitoring by a licensed registered nurse.
  - (ii) For a person with behaviors that cause injury to self or others,

or cause damage to property that is an immediate threat to the physical safety of the person or others, a qualified mental retardation professional, as defined in paragraph (a), shall review the proposed community services to assure that the behavioral needs of the person have been planned for adequately. The qualified mental retardation professional must have at least one year of experience in the areas of assessment, planning, implementation, and monitoring of individual habilitation plans that have used behavior intervention techniques.

- (5) No person with mental retardation or a related condition may be discharged from a regional treatment center before an appropriate community placement is available to receive the person.
- (6) A resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than 15 beds. Effective July 1, 1993, a resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than ten beds.
- (7) If the person, legal representative, parent, or near relative of the person proposed to be discharged from a regional treatment center objects to the proposed discharge, the individual who objects to the discharge may request a review under section 256.045, subdivision 4a, and may request reimbursement as allowed under section 256.045. The person must not be transferred from a regional treatment center while a review or appeal is pending. Within 30 days of the request for a review, the local agency shall conduct a conciliation conference and inform the individual who requested the review in writing of the action the local agency plans to take. The conciliation conference must be conducted in a manner consistent with section 256.045, subdivision 4a. A person, legal representative, parent, or near relative of the person proposed to be discharged who is not satisfied with the results of the conciliation conference may submit to the commissioner a written request for a hearing before a state human services referee under section 256.045, subdivision 4a. The person, legal representative, parent, or near relative of the person proposed to be discharged may appeal the order to the district court of the county responsible for furnishing assistance by serving a written copy of a notice of appeal on the commissioner and any adverse party of record within 30 days after the day the commissioner issued the order and by filing the original notice and proof of service with the court administrator of the district court. Judicial review must proceed under section 256.045, subdivisions 7 to 10. For a person under public guardianship, the ombudsman established under section 245.92 may object to a proposed discharge by requesting a review or hearing or by appealing to district court as provided in this clause. The person must not be transferred from a regional treatment center while a conciliation conference or appeal of the discharge is pending.

- Sec. 30. Minnesota Statutes 1988, section 256B.092, subdivision 8, is amended to read:

For the biennium ending June 30, 1991, the commissioner shall distribute to counties the appropriation made available under this

section for case management services for persons with mental retardation or related conditions as follows:

- (1) one-half of the appropriation must be distributed to the counties according to the formula in section 256E.06, subdivision 1; and
- (2) one-half of the appropriation must be distributed to the counties on the basis of the number of persons with mental retardation or a related condition that were receiving case management services from the county on the January 1 preceding the start of the fiscal year in which the funds are distributed.

## Sec. 32. [STUDY OF PARENTAL INVOLVEMENT.]

The commissioner of human services shall determine the number of persons transferred from public to private guardianship, and the increased involvement of parents and near relatives in the activities of screening teams established under Minnesota Statutes, section 256B.092, subdivision 7, as a result of the adoption of sections 23, 29, and 30, and report the results of the study to the legislature by December 15, 1990.

# SEX OFFENDERS

Section 1. [241.67] [SEX OFFENDER TREATMENT; PROGRAMS; STANDARDS; DATA.]

Subdivision 1. [SEX OFFENDER TREATMENT.] A sex offender treatment system is established under the administration of the commissioner of corrections to provide and finance a range of sex offender treatment programs for eligible adults and juveniles. Eligible offenders are:

(1) adults and juveniles committed to the custody of the commissioner;

- (2) adult offenders for whom treatment is required by the court as a condition of probation; and
- (3) juvenile offenders who have been found delinquent or received a stay of adjudication, for whom the juvenile court has ordered treatment.
- Subd. 2. [TREATMENT PROGRAM STANDARDS.] By July 1, 1991, the commissioner shall adopt rules under chapter 14 for the certification of adult and juvenile sex offender treatment programs in state and local correctional facilities. The rules shall require that sex offender treatment programs be at least four months in duration. After July 1, 1991, a correctional facility may not operate a sex offender treatment program unless the program has met the standards adopted by and been certified by the commissioner of corrections. As used in this subdivision, "correctional facility" has the meaning given it in section 241.021, subdivision 1, clause (5).
- Subd. 3. [PROGRAMS FOR ADULT OFFENDERS COMMITTED TO THE COMMISSIONER.] (a) The commissioner shall provide for a range of sex offender treatment programs, including intensive sex offender treatment, within the state adult correctional facility system. Participation in any treatment program is voluntary and is subject to the rules and regulations of the department of corrections. Nothing in this section requires the commissioner to accept or retain an offender in a treatment program. Nothing in this section creates a right of an offender to treatment.
- (b) The commissioner shall provide for residential and outpatient sex offender treatment and aftercare when required for conditional release under section 12 or as a condition of supervised release.
- Subd. 4. [PROGRAMS FOR JUVENILE OFFENDERS COMMITTED TO THE COMMISSIONER.] The commissioner shall provide for sex offender treatment programs for juveniles committed to the commissioner by the courts under section 260.185, as provided under section 2.
- Subd. 5. [PILOT PROGRAMS TO INCREASE ADULT AND JUVENILE SEX OFFENDER TREATMENT.] (a) The commissioner shall designate three or more pilot programs to increase sex offender treatment for:
- $\begin{array}{c} \underline{(1) \ adults \ convicted \ of \ a \ violation \ of \ section \ 609.342, \ 609.343, \ 609.345, \ 609.3451, \ 609.746, \ 609.79, \ 617.23, \ 617.246, \ or \ \underline{617.247 \ who \ are \ sentenced \ by \ the \ court \ to \ incarceration \ in \ a \ local \ correctional \ facility \ or \ to \ sex \ offender \ treatment \ as \ a \ condition \ of \ probation; \ and }$ 
  - (2) juveniles found delinquent or receiving a stay of adjudication

for a violation of one of those sections for whom the juvenile court has ordered sex offender treatment.

- (b) At least one pilot program must be in the seven-county metropolitan area, at least one program must be outside the seven-county metropolitan area, at least one program must be in a community corrections act county, and at least one program must be in a noncommunity corrections act county.
- (c) A public human services or community corrections agency may apply to the commissioner for a pilot program grant. The application must be submitted in a form approved by the commissioner and must include:
- (1) a proposal to increase treatment availability for sex offenders sentenced by the district court in the county;
- (2) evidence of participation by local correctional, human services, court, and treatment professionals in identifying the current treatment funding level in the county and unmet sex offender treatment needs; and
  - (3) any other content the commissioner may require.

The commissioner may appoint an advisory task force to assist in the review of applications and the award of grants.

Subd. 6. [SPECIALIZED CORRECTIONS AGENTS AND PROBATION OFFICERS; SEX OFFENDER SUPERVISION.] By January 1, 1990, the commissioner of corrections shall develop in-service training for state and local corrections agents and probation officers who supervise adult and juvenile sex offenders on probation or supervised release. The commissioner shall make the training available to all current and future corrections agents and probation officers who supervise or will supervise sex offenders on probation or supervised release.

After January 1, 1991, a state or local corrections agent or probation officer may not supervise adult or juvenile sex offenders on probation or supervised release unless the agent or officer has completed the in-service sex offender supervision training. The commissioner may waive this requirement if the corrections agent or probation officer has completed equivalent training as part of a post-secondary educational curriculum.

After January 1, 1991, when an adult sex offender is placed on supervised release or is sentenced to probationary supervision, and when a juvenile offender is found delinquent by the juvenile court for a sex offense and placed on probation or is paroled from a juvenile correctional facility, a corrections agent or probation officer

may not be assigned to the offender unless the agent or officer has completed the in-service sex offender supervision training.

# Sec. 2. [242.195] [JUVENILE SEX OFFENDERS.]

Subdivision 1. [TREATMENT PROGRAMS.] The commissioner of corrections shall provide for a range of sex offender treatment programs, including intensive sex offender treatment, for juveniles within state juvenile correctional facilities and through purchase of service from county and private residential and outpatient juvenile sex offender treatment programs.

- Subd. 2. [SECURE CONFINEMENT.] If a juvenile sex offender committed to the custody of the commissioner is in need of secure confinement, the commissioner shall provide for the appropriate level of sex offender treatment within a secure facility or unit in a state juvenile correctional facility.
- Subd. 3. [DISPOSITIONS.] When a juvenile is committed to the commissioner of corrections by a juvenile court, upon a finding of delinquency for a sex offense, the commissioner may, for the purposes of treatment and rehabilitation:
- $\frac{(1) \text{ order the child confined to a state juvenile correctional facility}}{\text{that provides the appropriate level of juvenile sex offender treatment;}} \frac{\text{the child confined to a state juvenile correctional facility}}{\text{the provides the appropriate level of juvenile sex offender treatment;}}$

- (5) order reconfinement or renewed parole, revoke or modify any order, or discharge the child under the procedures provided in section 242.19, subdivision 2, paragraphs (c), (d), and (e); or
- (6) refer the child to a county welfare board or licensed child-placing agency for placement in foster care, or when appropriate, for initiation of child in need of protection or services proceedings under section 242.19, subdivision 2, paragraph (f).
- Subd. 4. [QUALIFYING FACILITIES; TREATMENT PROGRAMS.] The commissioner may not place a juvenile in a correc-

tional facility under this section unless the facility has met the requirements of section 241.021, subdivision 2.

Sec. 3. Minnesota Statutes 1988, section 244.04, subdivision 1, is amended to read:

Subdivision 1. [REDUCTION OF SENTENCE.] Notwithstanding the provisions of section 609.11, subdivision 6, and section 609.346, subdivision 1, the term of imprisonment of any inmate sentenced to a presumptive fixed sentence after May 1, 1980, shall be reduced in duration by one day for each two days during which the inmate violates none of the disciplinary offense rules promulgated by the commissioner. The reduction shall accrue to the period of supervised release to be served by the inmate, except that the period of supervised release for a sex offender sentenced and conditionally released by the commissioner under section 10, subdivision 5, is governed by that provision.

Except as otherwise provided in subdivision 2, if an inmate violates a disciplinary offense rule promulgated by the commissioner, good time earned prior to the violation may not be taken away, but the inmate may be required to serve an appropriate portion of the term of imprisonment after the violation without earning good time.

Sec. 4. Minnesota Statutes 1988, section 244.05, subdivision 1, is amended to read:

Subdivision 1. [SUPERVISED RELEASE REQUIRED.] Except as provided in subdivisions 4 and 5, every inmate shall serve a supervised release term upon completion of the inmate's term of imprisonment as reduced by any good time earned by the inmate or extended by confinement in punitive segregation pursuant to section 244.04, subdivision 2. Except for a sex offender conditionally released under section 10, subdivision 5, the supervised release term shall be equal to the period of good time the inmate has earned, and shall not exceed the length of time remaining in the inmate's sentence.

- Sec. 5. Minnesota Statutes 1988, section 244.05, subdivision 3, is amended to read:
- Subd. 3. [SANCTIONS FOR VIOLATION.] If an inmate violates the conditions of the inmate's supervised release imposed by the commissioner, the commissioner may:
- (1) continue the inmate's supervised release term, with or without modifying or enlarging the conditions imposed on the inmate; or

(2) revoke the inmate's supervised release and reimprison the inmate for the appropriate period of time.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence, except that for a sex offender sentenced and conditionally released under section 10, subdivision 5, the period of time for which conditional release may be revoked may not exceed the balance of the original sentence imposed less good time earned under section 244.04, subdivision 1.

Sec. 6. Minnesota Statutes 1988, section 260.185, subdivision 1, is amended to read:

Subdivision 1. If the court finds that the child is delinquent, it shall enter an order making any of the following dispositions of the case which are deemed necessary to the rehabilitation of the child:

- (a) Counsel the child or the parents, guardian, or custodian;
- (b) Place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court including reasonable rules for conduct and the conduct of the child's parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child, or with the consent of the commissioner of corrections, in a group foster care facility which is under the management and supervision of said commissioner;
- (c) Subject to the supervision of the court, transfer legal custody of the child to one of the following:
  - (1) A child placing agency; or
  - (2) The county welfare board; or
- (3) A reputable individual of good moral character. No person may receive custody of two or more unrelated children unless licensed as a residential facility pursuant to sections 245.781 to 245.812; or

- (d) Except for children found to be delinquent as defined in section 260.015, subdivision 5, clauses (e) and (d), Transfer legal custody by commitment to the commissioner of corrections;
- (e) If the child is found to have violated a state or local law or ordinance which has resulted in damage to the property of another, the court may order the child to make reasonable restitution for such damage;
- (f) Require the child to pay a fine of up to \$700; the court shall order payment of the fine in accordance with a time payment schedule which shall not impose an undue financial hardship on the child;
- (g) If the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided;
- (h) If the court believes that it is in the best interests of the child and of public safety that the driver's license of the child be canceled until the child's 18th birthday, the court may recommend to the commissioner of public safety the cancellation of the child's license for any period up to the child's 18th birthday, and the commissioner is hereby authorized to cancel such license without a hearing. At any time before the termination of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize.

If the child is petitioned and found by the court to have committed or attempted to commit an act in violation of section 609.342, 609.343, 609.344, or 609.345, the court shall order an independent professional assessment of the child's need for sex offender treatment. An assessor providing an assessment for the court may not have any direct or shared financial interest or referral relationship resulting in shared financial gain with a treatment provider. If the assessment indicates that the child is in need of and amenable to sex offender treatment, the court shall include in its disposition order a requirement that the child undergo treatment.

Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

(a) Why the best interests of the child are served by the disposition ordered; and

(b) What alternative dispositions were considered by the court and why such dispositions were not appropriate in the instant case.

This subdivision applies to dispositions of juveniles found to be delinquent as defined in section 260.015, subdivision 5, clause (c) or (d) made prior to, on, or after January 1, 1978.

Sec. 7. [299C.155] [STANDARDIZED EVIDENCE COLLECTION; DNA ANALYSIS DATA AND RECORDS.]

Subdivision 1. [DEFINITION.] As used in this section, "DNA analysis" means the process through which deoxyribonucleic acid (DNA) in a human biological specimen is analyzed and compared with DNA from another human biological specimen for identification purposes.

- Subd. 2. [UNIFORM EVIDENCE COLLECTION.] The bureau shall develop uniform procedures and protocols for collecting evidence in cases of alleged or suspected criminal sexual conduct, including procedures and protocols for the collection and preservation of human biological specimens for DNA analysis. Law enforcement agencies and medical personnel who conduct evidentiary exams shall use the uniform procedures and protocols in their investigation of criminal sexual conduct offenses.
- Subd. 3. [DNA ANALYSIS AND DATA BANK.] The bureau shall adopt uniform procedures and protocols to maintain, preserve, and analyze human biological specimens for DNA. The bureau shall establish a centralized system to cross-reference data obtained from DNA analysis.
- Subd. 4. [RECORDS.] The bureau shall perform DNA analysis and make data obtained available to law enforcement officials in connection with criminal investigations in which human biological specimens have been recovered. Upon request, the bureau shall also make the data available to the prosecutor and the subject of the data in any subsequent criminal prosecution of the subject.
- Sec. 8. Minnesota Statutes 1988, section 526.10, is amended to read:

Before such proceedings are instituted, the facts shall first be submitted to the county attorney, who, if satisfied that good cause exists therefor, shall prepare the petition to be executed by a person having knowledge of the facts and file the same with the judge of the probate court of the county in which the "patient," as defined in such statutes, has a settlement or is present. The judge of probate shall thereupon follow the same procedures set forth in chapter 253B, for judicial commitment. The judge may exclude the general public from attendance at such hearing. If, upon completion of the hearing and consideration of the record, the court finds the proposed patient has a psychopathic personality, the court shall commit such person to a public hospital or a private hospital consenting to receive the person, subject to a mandatory review by the head of the hospital within 60 days from the date of the order as provided for in chapter 253B for persons found to be mentally ill and dangerous to the public. The patient shall thereupon be entitled to all of the rights provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public, and all of the procedures provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public shall apply to such patient except as otherwise provided in subdivision 2.

- Subd. 2.   - (1) the person's unamenability to treatment;
- (2) the person's unwillingness or failure to follow treatment recommendations;
- (3) the person's lack of progress in treatment at the public or private hospital;
- $\frac{(4)\ the\ danger\ posed\ by\ the\ person\ to\ other\ patients\ or\ staff\ at\ the\ public\ or\ private\ hospital;\ and$ 
  - (5) the degree of security necessary to protect the public.

If the court determines that a petition may be appropriate, the court shall forward its preliminary determination along with supporting documentation to the county attorney. If the person is subsequently committed under section 526.10, the person shall serve the sentence in a facility designated by the commissioner of corrections. After the person has served the sentence the person shall be transferred to a facility designated by the commissioner of human services.

Sec. 10. [609.1352] [PATTERNED SEX OFFENDERS; SPECIAL SENTENCING PROVISION.]

Subdivision 1. [SENTENCING AUTHORITY.] A court may sentence a person to a term of imprisonment of not less than double the presumptive sentence under the sentencing guidelines and not more than the statutory maximum, or if the statutory maximum is less than double the presumptive sentence, to a term of imprisonment equal to the statutory maximum, if:

- (1) the court is imposing an executed sentence, based on a sentencing guidelines presumptive imprisonment sentence or a dispositional departure for aggravating circumstances or a mandatory minimum sentence, on a person convicted of committing or attempting to commit a violation of section 609.342, 609.343, 609.344, or 609.345, or on a person convicted of committing or attempting to commit any other crime listed in subdivision 2 if it reasonably appears to the court that the crime was motivated by the offender's sexual impulses or was part of a predatory pattern of behavior that had criminal sexual conduct as its goal;
- $\frac{(2)}{and} \, \frac{the \,\, court \,\, finds}{t} \, \frac{that}{the} \, \frac{the}{offender} \, \frac{is}{is} \, \frac{a}{d} \, \frac{danger}{to} \, \frac{to}{public} \, \frac{safety;}{safety;}$
- (3) the court finds that the offender needs long-term treatment or supervision beyond the presumptive term of imprisonment and supervised release. The finding must be based on a professional assessment by an examiner experienced in evaluating sex offenders that concludes that the offender is a patterned sex offender. The assessment must contain the facts upon which the conclusion is based, with reference to the offense history of the offender or the severity of the current offense, the social history of the offender, and the results of an examination of the offender's mental status. The conclusion may not be based on testing alone. A patterned sex offender is one whose criminal sexual behavior is so engrained that the risk of reoffending is great without intensive psychotherapeutic intervention or other long-term controls.

Subd. 2. [PREDATORY CRIME.] A predatory crime is a felony violation of section 609.185, 609.19, 609.195, 609.20, 609.205,

- 609.221, 609.222, 609.223, 609.24, 609.245, 609.25, 609.255, 609.342, 609.343, 609.344, 609.345, 609.365, 609.498, 609.561, or 609.582, subdivision 1.
- Subd. 3. [DANGER TO PUBLIC SAFETY.] The court shall base its finding that the offender is a danger to public safety on either of the following factors:
- (1) the crime involved an aggravating factor that would justify a durational departure from the presumptive sentence under the sentencing guidelines; or
- (2) the offender previously committed or attempted to commit a predatory crime or a violation of section 609.224, including an offense committed as a juvenile that would have been a predatory crime or a violation of section 609.224 if committed by an adult.
- Subd. 4. [DEPARTURE FROM GUIDELINES.] A sentence imposed under subdivision 1 is a departure from the sentencing guidelines.
- Subd. 5. [CONDITIONAL RELEASE.] At the time of sentencing under subdivision 1, the court may provide that after the offender has completed one-half of the full pronounced sentence imposed, without regard to good time, the commissioner of corrections may place the offender on conditional release for the remainder of the statutory maximum period or for ten years, whichever is longer, if the commissioner finds that:
- (1) the offender is amenable to treatment and has made sufficient progress in a sex offender treatment program available in prison to be released to a sex offender treatment program operated by the department of human services or a community sex offender treatment and reentry program; and
- (2) the offender has been accepted in a program approved by the commissioner that provides treatment, aftercare, and phased reentry into the community.

The conditions of release must include successful completion of treatment and aftercare in a program approved by the commissioner and any other conditions the commissioner considers appropriate. Before the offender is released, the commissioner shall notify the sentencing court, the prosecutor in the jurisdiction where the offender was sentenced and the victim of the offender's crime, where available, of the terms of the offender's conditional release. Release may be revoked and the stayed sentence executed in its entirety less good time if the offender fails to meet any condition of release. The commissioner shall not dismiss the offender from supervision before the sentence expires.

Conditional release granted under this subdivision is governed by provisions relating to supervised release, except as otherwise provided in this subdivision, section 244.04, subdivision 1, or 244.05.

- Subd. 6. [COMMISSIONER OF CORRECTIONS.] The commissioner shall pay the cost of treatment of a person released under subdivision 5. This section does not require the commissioner to accept or retain an offender in a treatment program.
- Sec. 11. Minnesota Statutes 1988, section 609.341, subdivision 11, is amended to read:

(a) "Sexual contact," for the purposes of sections 609.343, subdivision 1, clauses (a) to (f), and 609.345, subdivision 1, clauses (a) to (e), and (h) to  $\frac{1}{2}$   $\frac{1}{2}$  includes any of the following acts committed without the complainant's consent, except in those cases where consent is not a defense, and committed with sexual or aggressive intent:
- $\left( i\right)$  the intentional touching by the actor of the complainant's intimate parts, or
- (ii) the touching by the complainant of the actor's, the complainant's, or another's intimate parts effected by coercion or the use of a position of authority, or by inducement if the complainant is under 13 years of age or mentally impaired, or

# Sec. 18. [634.25] [ADMISSIBILITY OF RESULTS OF DNA ANALYSIS.]

In a civil or criminal trial or hearing, the results of DNA analysis, as defined in section 10, are admissible in evidence without ante-

Subdivision 1. [CITY AUTHORITY.] A city may by resolution designate targeted neighborhoods within its borders after adopting detailed findings that the neighborhoods meet the eligibility requirements in subdivision 2 or 3.

- Subd. 2. [ELIGIBILITY REQUIREMENTS FOR TARGETED NEIGHBORHOODS.] An area within a city is eligible for designation as a targeted neighborhood if the area meets at least two of the following criteria:

The advisory committee may include, but is not limited to: city council members, county commissioners, school board members, community service representatives, business community representatives, and resident representatives of targeted neighborhoods. In addition, the notice shall be published in the most widely circulated community newspaper in the targeted neighborhoods.

Financial assistance or service contracts awarded to a single nonprofit organization under this subdivision are limited to \$10,000 annually.

### Sec. 5. [PAYMENT AND ALLOCATION.]

Subdivision 1. [PAYMENT OF STATE MONEY.] Upon receiving from a city the certification that a community resources program has been adopted or modified, the commissioner of state planning shall, within 30 days after receiving the certification, pay to the city the amount of state money identified as necessary to implement the community resources program. State money may be paid to the city only to the extent that the appropriation limit for the city specified in subdivision 2 is not exceeded.

Subd. 2. [ALLOCATION.] Appropriation to each city shall be in proportion to the city's portion of the combined population of the cities. The population of each city is determined by the most recent estimates available to the commissioner.

Sec. 6. [ELIGIBLE USES FOR COMMUNITY RESOURCE MONEY.]

Subdivision 1. [ELIGIBLE USES.] The city may use up to 20 percent of the community resource money for low-income housing needs and economic development in targeted neighborhoods. Not more than 40 percent of this amount may be used to address low-income housing needs citywide.

If a resident of a targeted neighborhood is a recipient of resource services and moves to a residence in another part of the city, eligibility continues for the community resources services.

Subd. 2. [WAY TO GROW.] The city of Minneapolis shall spend \$350,000 of the funds received by the city under section 5 on the Minneapolis way to grow program.

## Sec. 7. [CITY POWERS.]

A city may exercise any of its corporate powers in implementing the community resources program. The Honorable Jerome M. Hughes President of the Senate

The Honorable Robert E. Vanasek Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 180, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 180 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [5.22] [CONTEST OF REGISTRATION OF NAME.]

Subdivision 1. [NOTICE OF CONTEST; DEPOSIT.] A person doing business in this state may contest the subsequent registration of a name with the office of the secretary of state by filing an acknowledged notice of contest with the secretary of state and sending a copy of the notice of contest to the person who subsequently registered the contested name. The notice to the secretary of state must be accompanied by a \$100 deposit, which the secretary of state shall award to the prevailing party in the contest.

- Subd. 2. [PROCEDURE.] (a) Upon receipt of a notice of contest, the secretary of state shall ask each party to the contest to submit within 30 days an affidavit setting forth the facts, opinions, and arguments for or against the retention of the contested name on the records of the secretary of state. The secretary of state shall review the affidavits and shall make a decision or order a hearing to be held within 30 days.
- (b) If a hearing is ordered, the parties shall meet with the secretary of state before the hearing and attempt to settle the contest.
- (c) If a settlement is not reached, the secretary of state shall hold a hearing. At the hearing, the secretary of state may consider evidence presented by the parties relating to the factual or legal issues raised by the contest. A record of the hearing is not required. The hearing is not a contested case hearing under chapter 14.
- Subd. 3. [STANDARD OF REVIEW.] The secretary of state may order that the contested name be changed on the records of the secretary of state if it is likely that the use of the names will cause confusion, mistake, or deception among the public when applied to the goods or services provided by the businesses. In determining whether confusion, mistake, or deception is likely, the secretary of state shall consider:
  - (1) the strength or unique nature of the names;
  - (2) the similarity of sound, appearance, or meaning of the names;
  - (3) the intent of the parties;
- (4) the type of businesses engaged in or to be engaged in by the parties;

- (5) the geographic market areas served by each party and the manner of distribution and marketing used in those areas;
- (6) the nature and quality of goods or services provided by the parties;
- (7) the level of sophistication of potential purchasers of goods or services offered by the parties;
- (8) whether the party contesting the subsequent registration of a name failed to make a timely objection or acquiesced to the use of the name so that it would be inequitable to prohibit its registration; and
- (9) whether the names in question are in fair use, have been abandoned, or are parodies of other names.
- Subd. 4. [DECISION; ENFORCEMENT.] The secretary of state shall make a decision for one of the parties within ten days of the hearing and may order that the contested name be changed on the records of the office of the secretary of state and the relevant documents be amended by the secretary of state in a manner that results in a new name that is not the same as or deceptively similar to another name registered with the office of the secretary of state.
- Subd. 5. [APPEAL.] A party may appeal the decision of the secretary of state to the district court within 20 days. The district court shall consider the factual and legal issues without reference to the decision of the secretary of state.
- Subd. 6. [LIABILITY.] The office of the secretary of state is not liable for damages incurred as a result of the registration of a name found to be the same or deceptively similar to another name already registered with the office of the secretary of state. The office of the secretary of state is not liable for damages that arise from the decision of the secretary of state in a contest under this section.
- Sec. 2. Minnesota Statutes 1988, section 300.025, is amended to read:

## 300.025 [ORGANIZATION OF FINANCIAL CORPORATIONS.]

(a) Three or more persons may form a corporation for any of the purposes specified in section 47.12 by applying to the department of commerce and complying with all applicable organizational requirements and the conditions set out in clauses (1) to (7). However, no corporation may be formed under this section if it may be formed under the Minnesota business corporation act. The incorporators must subscribe a certificate specifying:

- (1) the corporation's name, which must distinguish it from all other corporations authorized to do business in this state, and must contain the word "company," "corporation," "bank," "association," or "incorporated";
- (2) the general nature of the corporation's business and its principal place of business;
  - (3) the period of its duration, if limited;
  - (4) the names and places of residence of the incorporators;
- (5) the board in which the management of the corporation will be vested, the date of the annual meeting at which it will be elected, and the names and addresses of the board members until the first election, a majority of whom must always be residents of this state;

We, the undersigned conferees for H. F. No. 1734, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1734 be further amended as follows:

Delete everything after the enacting clause and insert:

# "ARTICLE 1 INCOME TAXATION

Section 1. Minnesota Statutes 1988, section 10A.31, subdivision 5, is amended to read:

- Subd. 5. In each calendar year the money in the general account shall be allocated to candidates as follows:
- (1) 21 percent for the offices of governor and lieutenant governor together;
  - (2) 3.6 percent for the office of attorney general;
- (3) 1.8 percent each for the offices of secretary of state, state auditor, and state treasurer;
- (4) In each calendar year during the period in which state senators serve a four-year term,  $23\frac{1}{3}$  percent for the office of state senator and  $46\frac{2}{3}$  percent for the office of state representative;
- (5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative.

In each calendar year the money in each party account shall be allocated as follows:

- (1) 14 percent for the offices of governor and lieutenant governor together;
  - (2) 2.4 percent for the office of attorney general;
- (3) 1.2 percent each for the offices of secretary of state, state auditor, and state treasurer;
- (4) In each calendar year during the period in which state senators serve a four-year term,  $23\frac{1}{3}$  percent for the office of state senator and  $46\frac{2}{3}$  percent for the office of state representative;
- (5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative;
- (6) ten percent for the state committee of a political party; money allocated to each state committee under this clause must be deposited in a separate account and must be spent for legitimate political party operations, including voter education; the sample ballot; operations of precinct caucuses, county unit conventions, and state conventions; and the maintenance and programming of computers used to provide lists of voters, party workers, party officers, patterns of voting, and other data for use in political party activities; money allocated to a state committee under this clause must be paid to the committee by the state treasurer as notified by the state ethical practices board as it is received in the account; on a monthly or other basis agreed to between the committee and the board, with pay-

ment on the 15th day of the calendar month following the month in which the tax returns were received, provided that these distributions would be equal to the amount of money indicated in the department of revenue's weekly unedited reports of income tax returns for that month, subject to final annual adjustment and settlement as indicated according to the certification by the commissioner of revenue under subdivision 6. If the amount of total payments received before September 15 is greater than the amount certified by the commissioner of revenue on September 15, the total amount of payments distributed between September 1 and December 31 must be reduced by the amount of the overpayment.

To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, money from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula;

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

- (a) The sum of the votes cast in the last general election in that part of the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by
- (b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by
- (c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) in the following year. Money from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.

Sec. 2. Minnesota Statutes 1988, section 290.015, subdivision 3, is amended to read:

Subd. 3. [EXCEPTIONS.] (a) A person is not subject to tax under this chapter if the person is engaged in the business of selling tangible personal property and taxation of that person under this chapter is precluded by Public Law Number 86-272, United States Code, title 15, sections 381 to 384 or would be so precluded except for the fact that the person stored tangible personal property in a state licensed facility under chapter 231.

- (b) Ownership of an interest in the following types of property (including those contacts with this state reasonably required to evaluate and complete the acquisition or disposition of the property, the servicing of the property or the income from it, the collection of income from the property, or the acquisition or liquidation of collateral relating to the property) shall not be a factor in determining whether the owner is subject to tax under this chapter:
- (1) an interest in a real estate mortgage investment conduit, a real estate investment trust, or a regulated investment company or a fund of a regulated investment company, as those terms are defined in the Internal Revenue Code of 1986, as amended through December 31, 1987;
- (2) an interest in money market instruments or securities as defined in section 290.191, subdivision 6, paragraphs (c) and (d);
- (3) an interest in a loan-backed, mortgage-backed, or receivable-backed security representing either: (i) ownership in a pool of promissory notes, mortgages, or receivables or certificates of interest or participation in such notes, mortgages, or receivables, or (ii) debt obligations or equity interests which provide for payments in relation to payments or reasonable projections of payments on the notes, mortgages, or receivables, and which are issued by a financial institution or by an entity substantially all of whose assets consist of promissory notes, mortgages, receivables, or interests in them;
- (3) (4) an interest acquired from a person in any assets described in section 290.191, subdivision 11, paragraphs (e) to (l), and in which the payment obligations embodied in such assets were solicited and entered into by persons independent and not acting on behalf of the owner subject to the provisions of paragraph (c), clause (2)(A);
- (4) (5) an interest acquired from a person in the right to service, or collect income from any assets described in section 290.191, subdivision 11, paragraphs (e) to (l), and in which the payment obligations embodied in such assets were solicited and entered into by persons independent and not acting on behalf of the owner subject to the provisions of paragraph (c), clause (2)(A);

exempt under the preceding provisions of this subdivision, provided the property is disposed of within a reasonable period of time; or

(6) (8) amounts held in escrow or trust accounts, pursuant to and in accordance with the terms of property described in this subdivision.

If the person is a member of the unitary group, paragraph (b) does not apply to an interest acquired from another member of the unitary group.

- (c)(1) For purposes of paragraph (b), clauses (4) to (6), an interest in the type of assets or credit agreements described is deemed to exist at the time the owner becomes legally obligated, conditionally or unconditionally, to fund, acquire, renew, extend, amend, or otherwise enter into the credit arrangement.
- (2)(A) An owner has acquired an interest from a person in paragraph (b), clauses (4) to (6), assets if:
- (i) the owner at the time of the acquisition of the asset does not own, directly or indirectly, 15 percent or more of the outstanding stock or in the case of a partnership 15 percent or more of the capital or profit interests of the person from whom it acquired the asset;
- (ii) the person from whom the owner acquired the asset regularly sells, assigns, or transfers interests in paragraph (b), clauses (4) to (6), assets during the 12 calendar months immediately preceding the month of acquisition to three or more persons; and
- (iii) the person from whom the owner acquired the asset does not sell, assign, or transfer 75 percent or more of its paragraph (b), clauses (4) to (6), assets during the 12 calendar months immediately preceding the month of acquisition to the owner.

For purposes of determining indirect ownership under item (i), the owner is deemed to own all stock, capital, or profit interests owned by another person if the owner directly owns 15 percent or more of the stock, capital, or profit interests in the other person. The owner is also deemed to own through any intermediary parties all stock, capital, and profit interests directly owned by a person to the extent there exists a 15 percent or more chain of ownership of stock, capital, or profit interests between the owner, intermediary parties and the person.

(B) If the owner of the asset is a member of the unitary group, paragraph (b), clauses (4) to (8), do not apply to an interest acquired from another member of the unitary group. If the interest in the asset was originally acquired from a nonunitary member and at that

time qualified as a section 290.015, subdivision 3, paragraph (b), asset, the foregoing limitation does not apply.

- (b) The purchase of tangible personal property or intangible property or services by a person that conducts a trade or business with the principal place of business outside of Minnesota, referred to as (the "non-Minnesota person"), from a person within Minnesota shall not be taken into account in determining whether the non-Minnesota person is subject to the taxes imposed by this chapter, except for services involving either the direct solicitation of Minnesota customers or relationships with Minnesota customers after sales are made. This paragraph is subject to the limitations contained in subdivision 3, paragraph (b), clauses (4) to (6).
- (c) No contact with any Minnesota financial institution by any financial institution with its principal place of business outside Minnesota with respect to transactions described in subdivision 3, or with respect to deposits received from or by a Minnesota financial institution, shall be taken into account in determining whether such a financial institution is subject to the taxes imposed by this chapter. The fact of participation by a Minnesota financial institution in a transaction which also involves a borrower and a financial institution that conducts a trade or business with its principal place of business outside of Minnesota shall not be a factor in determining whether such financial institution is subject to the taxes imposed by this chapter. This paragraph does not apply to transactions between or among members of the same unitary group.

Subdivision 1. [PERSONS MAKING RETURNS.] (a) A taxpayer shall file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code of 1986, as amended through December 31, 1987, except that an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota.

The decedent's final income tax return, and all other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, shall be filed by the decedent's personal representative, if any. The return in the case of a corporation must be signed by a person designated by the corporation. The commissioner may shall adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report if the affiliated group includes a bank subject to tax under this chapter. The receivers, trustees in bankruptcy, or assignees operating the

business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if a return is required.

- Subd. 4b. [WITHHOLDING BY PARTNERSHIPS.] (a) A partnership shall deduct and withhold a tax as provided in paragraph (b) when the partnership pays or credits amounts to any of its nonresident individual partners on account of their distributive shares of partnership income for a taxable year of the partnership.
- (b) The amount of tax withheld is determined by multiplying the partner's distributive share allocable to Minnesota under section 290.17, paid or credited during the taxable year by the highest rate used to determine the income tax liability for an individual under section 290.06, subdivision 2c, except that the amount of tax withheld may be determined based on tables provided by the commissioner if the partner submits a withholding exemption certificate under subdivision 5.
- (c) A partnership required to deduct and withhold tax under this subdivision shall file a return with the commissioner. The tax required to be deducted and withheld during that year must be paid with the return. The return and payment is due on or before the due date specified for filing the partnership return under section 290.42.
- (d) A partnership required to withhold and remit tax under this subdivision is liable for payment of the tax to the commissioner, and a person having control of or responsibility for the withholding of the tax or the filing of returns due under this subdivision is personally liable for the tax due. The commissioner may reduce or abate the tax withheld under this subdivision if the partnership had reasonable cause to believe that no tax was due under this section.
- (e) Notwithstanding paragraph (a), a partnership is not required to deduct and withhold tax for a nonresident partner if:
- (1) the partner elects to have the tax due paid as part of the partnership's composite return under section 290.39, subdivision 5;
- (2) the partner has Minnesota assignable federal adjusted gross income from the partnership of less than \$1,000; or
- (3) the partnership is liquidated or terminated, the income was generated by a transaction related to the termination or liquidation, and no cash or other property was distributed in the current or prior taxable year; or
- $\underline{\text{(4)}} \ \underline{\text{the}} \ \underline{\text{distributive}} \ \underline{\text{shares}} \ \underline{\text{of partnership income}} \ \underline{\text{are attributable}}$  to:

- (ii) income recognized because of a sale, exchange, or other disposition of real estate, depreciable property, or property described in section 179 of the Internal Revenue Code of 1986, as amended through December 31, 1988; or
- (iii) income recognized on the sale, exchange, or other disposition of any property that has been the subject of a basis reduction pursuant to sections 108, 734, 743, 754, or 1017 of the Internal Revenue Code of 1986, as amended through December 31, 1988,

to the extent that the income does not include cash received or receivable or, if there is cash received or receivable, to the extent that the cash is required to be used to pay indebtedness by the partnership or a secured debt on partnership property.

- (f) For purposes of subdivisions 6, paragraph (1)(c), 6a, 7, 11, and 15, a partnership is considered an employer.
- (g) To the extent that income is exempt from withholding under paragraph (e), clause (4), the commissioner has a lien in an amount up to the amount that would be required to be withheld with respect to the income of the partner attributable to the partnership interest, but for the application of paragraph (e), clause (4). The lien arises under section 270.69 from the date of assessment of the tax against the partner, and attaches to that partner's share of the profits and any other money due or to become due to that partner in respect of the partnership. Notice of the lien may be sent by mail to the partnership, without the necessity for recording the lien. The notice has the force and effect of a levy under section 270.70; and is enforceable against the partnership in the manner provided by that section. Upon payment in full of the liability subsequent to the notice of lien, the partnership must be notified that the lien has been satisfied.

Sec. 22. Minnesota Statutes 1988, section 290.92, is amended by adding a subdivision to read:

Subd. 29. [LOTTERY PRIZES.] Eight percent of the payment of Minnesota State lottery winnings which are subject to withholding must be withheld as Minnesota withholding tax. For purposes of this subdivision, the term "winnings which are subject to withholding" has the meaning given in section 3402(q)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1988. For purposes of the provisions of this section, a payment to any person of winnings which are subject to withholding must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment of winnings which are subject to withholding shall furnish the state agency responsible for

operating the Minnesota state lottery with a statement, made under the penalties of perjury, containing the name, address, and social security account number of the person receiving the payment. The Minnesota state lottery is liable for the payment of the tax required to be withheld under this subdivision but is not liable to any person for the amount of the payment.

- Sec. 23. Minnesota Statutes 1988, section 290.92, subdivision 21, is amended to read:
- Subd. 21. [EXTENSION OF WITHHOLDING TO UNEMPLOY-MENT COMPENSATION BENEFITS.] (a) At the time an individual makes a claim for unemployment compensation benefits, the commissioner of jobs and training must notify the individual that the individual's unemployment compensation may be subject to state income taxes depending on the individual's other income and that the individual may elect to have the payments subject to withholding under this section. If the individual so requests does not notify the commissioner of jobs and training that the individual elects to have the payments not be subject to withholding within five working days of receipt of the notice from the commissioner, unemployment compensation benefits paid to the individual shall be treated as if it were a payment of wages by an employer to an employee for a payroll period.
- (b) For purposes of this section, any supplemental unemployment compensation benefit paid to an individual to the extent includable in such individual's Minnesota gross income, shall be treated as if it were a payment of wages by an employer to an employee for a payroll period.
- Sec. 24. Minnesota Statutes 1988, section 290.934, subdivision 3a, is amended to read:
- Subd. 3a. [REQUIRED INSTALLMENTS.] (1) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.
- (2) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:
- (a) 90 percent of the tax shown on the return for the taxable year, or if no return is filed 90 percent of the tax for such year; or
- (b) 100 percent of the tax shown on the return of the corporation for the preceding taxable year providing such return was for a full 12-month period, did show a liability, and was filed by the corporation.
  - (3) Except for determining the first required installment for any

taxable year, paragraph (2), clause (b), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (2), clause (b), must be recaptured by increasing the next required installment by the amount of the reduction.

- (4) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (1), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing subsequent required installments to the extent the reductions have not previously been recovered. A reduction shall be treated as recaptured for purposes of this paragraph if 90 percent of the reduction is recaptured.
  - (5) The "annualized income installment" is the excess, if any, of:
- (a) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:
- (i) for the first two months of the taxable year, in the case of the first required installment;
- (ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;
- (iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and
- (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over;
- (b) the aggregate amount of any prior required installments for the taxable year.
- (c) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (a).
  - (d) The "applicable percentage" used in clause (a) is:

In the case of the following			The applicab
required installments:			percentage is
1st	. , .		22.5
2nd		1	45
3rd		•	67.5
∕ 4th			90

- (6)(a) If this paragraph applies, the amount determined for any installment must be determined in the following manner:
- (i) take the taxable income for all months during the taxable year preceding the filing month;
- (ii) divide that amount by the base period percentage for all months during the taxable year preceding the filing month;
- (iii) determine the tax on the amount determined under item (ii); and
- (iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and all months during the taxable year preceding the filing month.
  - (b) For purposes of this paragraph:
- (i) the "base period percentage" for any period of months is the average percent which the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;
- (ii) the term "filing month" means the month in which the installment is required to be paid;
- (iii) this paragraph shall only apply if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and
- (iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.
- (c) In the case of a required installment, determined under this paragraph, if the corporation determines that the installment is less than the amount determined in paragraph (1), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing subsequent required installments to the extent the reductions have not previously been recovered. A reduction shall be treated as recaptured for purposes of this paragraph if 90 percent of the reduction is recaptured.

- Sec. 25. Minnesota Statutes 1988, section 298.01, is amended by adding a subdivision to read:
- Subd. 3c. [ALTERNATIVE MINIMUM TAX.] For purposes of calculating the alternative minimum tax under section 290.0921, Minnesota alternative minimum taxable income must be computed under the provisions of subdivisions 3, 3a, and 3b, and the provisions of section 290.0921, except that:
- (1) the adjustment for adjusted current earnings under section 56(g) of the Internal Revenue Code of 1986, as amended through December 31, 1988, must be determined using gross income as defined in subdivision 3a; and
- (2) the tax preference for depletion under section 57(a)(1) of the Internal Revenue Code of 1986, as amended through December 31, 1988, must be included in alternative minimum taxable income.
- Sec. 26. Minnesota Statutes 1988, section 298.01, is amended by adding a subdivision to read:
- Subd. 4d. [ALTERNATIVE MINIMUM TAX.] For purposes of calculating the alternative minimum tax under section 290.0921, Minnesota alternative minimum taxable income must be computed under the provisions of subdivisions 4, 4a, 4b and 4c, and the provisions of section 290.0921, except that:
- (1) for purposes of the depreciation adjustments provided by section 56(a)(1) of the Internal Revenue Code of 1986, as amended through December 31, 1988, the basis for depreciable property placed in service is the remaining depreciable basis as defined in subdivision 4c;
- (2) the adjustment for adjusted current earnings under section 56(g) of the Internal Revenue Code of 1986, as amended through December 31, 1988, must be determined using gross income as defined in subdivision 4a;
- (3) the tax preference for depletion under section 57(a)(1) of the Internal Revenue Code of 1986, as amended through December 31, 1988, must be included in alternative minimum taxable income; and
- (4) for purposes of calculating the tax preference for accelerated depreciation or amortization of certain property placed in service before January 1, 1987, under section 57(a)(7) of the Internal Revenue Code of 1986, as amended through December 31, 1988, the deduction allowable for the taxable year shall mean the deduction allowable under subdivision 4c, provided that this modification must not reduce the amount of tax preference to less than zero.

The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land. exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the gross tax capacity of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

- Sec. 8. Minnesota Statutes 1988, section 273.11, is amended by adding a subdivision to read:
- Subd. 11. [HOMESTEADS; LIMITATION IN MARKET VALUE INCREASES.] (a) After determining the market value of property classified class 1 or 2a, the assessor shall compare the market value with the market value determined in the preceding assessment. Notwithstanding any law to the contrary, the percentage increase in value entered in the current assessment over the previous year's assessment must not exceed the greater of \$15,000 or ten percent.
- (b) Any increase in value in excess of the amount determined in paragraph (a) must be entered equally in the three subsequent assessment years. An excess amount entered under this paragraph is not subject to the limitation in paragraph (a).
- $\frac{(c) \ This \ subdivision \ does \ not \ apply \ to \ increases \ in \ value \ attributable \ to \ improvements \ made \ to \ the \ property. \ It \ does \ not \ apply \ to \ property \ becoming subject to \ taxation \ since \ the \ last \ assessment.}$
- (d) The limitation contained in this subdivision also applies to the local boards of review under section 274.01, the county boards of equalization under section 274.13, and the state board of equalization and the commissioner of revenue under sections 270.11, 270.12, and 270.16. Except for property subject to the provisions of paragraph (c), the cumulative increases made by the assessor, the boards, and the commissioner may not exceed the maximum increase allowed under paragraph (a). Excess increases must be entered in subsequent years under paragraph (b).
- Sec. 9. Minnesota Statutes 1988, section 273.111, subdivision 4, is amended to read:
- Subd. 4. The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 8, be determined solely with reference to its appropriate agricultural classification and value notwithstanding sections 272.03, subdivision 8 and 273.11. In determining such the value for ad valorem tax purposes, the assessor shall use sales data

obtained from agricultural lands located outside the seven metropolitan counties but within the region used for computing the range of values under section 273.11, subdivision 10. The sales shall have similar soil types, number of degree days, and other similar agricultural characteristics as contained in section 273.11, subdivision 10. Furthermore, the assessor shall not consider any added values resulting from nonagricultural factors.

- Sec. 10. Minnesota Statutes 1988, section 273.124, subdivision 6, is amended to read:
- Subd. 6. [LEASEHOLD COOPERATIVES.] When one or more dwellings or one or more buildings which each contain several dwelling units is owned by a nonprofit corporation subject to the provisions of chapter 317 and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1988, or a limited partnership which corporation or partnership operates the property in conjunction with a cooperative association, homestead treatment may be claimed by the cooperative association on behalf of the members of the cooperative. - (c) to the extent permitted under state or federal law, the cooperative association must have a right under a written agreement with the owner to purchase the property if the owner proposes to sell it; if the cooperative association does not purchase the property when it is offered for sale, the owner may not subsequently sell the property to another purchaser at a price lower than the price at which it was offered for sale to the cooperative association unless the cooperative association approves the sale; and
- (d) the cooperative must meet one of the following criteria with respect to the income of its members: (1) a minimum of 75 percent of members must have incomes at or less than 80 percent of area median income, (2) a minimum of 40 percent of members must have incomes at or less than 60 percent of area median income, or (3) a

minimum of 20 percent of members must have incomes at or less than 50 percent of area median income. For purposes of this clause, "member income" means the income of a member when the member acquires cooperative membership, and "median income" means the Saint Paul-Minneapolis metropolitan area median income as determined by the United States Department of Housing and Urban Development;

- (e) if a limited partnership owns the property, it must include as the managing general partner either the cooperative association or a nonprofit organization operating under the provisions of chapter 317 and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1988, and the limited partnership agreement must provide that the managing general partner have sufficient powers so that it materially participates in the management and control of the limited partnership;
- (f) prior to becoming a member of a leasehold cooperative described in this subdivision, a person must have received notice that (1) describes leasehold cooperative property in plain language, including but not limited to the effects of classification under this subdivision on rents, property taxes and tax credits or refunds, and operating expenses, and (2) states that copies of the articles of incorporation and bylaws of the cooperative association, the lease between the owner and the cooperative association, a sample sublease between the cooperative association and a tenant, and, if the owner is a partnership, a copy of the limited partnership agreement, can be obtained upon written request at no charge from the owner, and the owner must send or deliver the materials within seven days after receiving any request;
- (g) if a dwelling unit of a building was occupied on the 60th day prior to the date on which the unit became leasehold cooperative property described in this subdivision, then (1) the notice described in paragraph (f) must have been sent by first class mail to the occupant of the unit at least 60 days prior to the date on which the unit became leasehold cooperative property, and (2) prior to the mailing of the notice, copies of the documents identified in the notice must have been filed with the secretary of state; and
- (h) the county attorney of the county in which the property is located must certify to the assessor that the property meets the requirements of this subdivision. Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

Sec. 11. Minnesota Statutes 1988, section 273.13, subdivision 22, is amended to read:

Subd. 22. [CLASS 1.] (a) Except as provided in subdivision 23, real estate which is residential and used for homestead purposes is class 1. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The commissioner of jobs and training shall provide a copy of the certification to the commissioner of revenue.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The excess market value over \$65,000 has a tax capacity of 2.2 percent shall have the same tax capacity as if it were class 1a property under subdivision 22. If the market value of the house, garage, and surrounding one acre of land is less than \$65,000 \$100,000, the value of the remaining land including improvements equal to the difference between \$65,000 \$100,000 and the market value of the house, garage, and surrounding one acre of land has a net tax capacity of 1.12 .34 percent of market value and a gross tax capacity of 1.75 percent of market value for the first 320 acres of land and the remaining value over 320 acres has a net tax capacity of 1.295 percent of market value and a gross tax capacity of 1.75 percent of market value. Noncontiguous land shall constitute class 2a only if the homestead is classified as class 2a and the detached land is located in the same township or city or not farther than two townships or cities or combination thereof from the homestead.

Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified class 2a. If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a and is entitled to the homestead credit.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

- Sec. 13. Minnesota Statutes 1988, section 273:13, subdivision 24, is amended to read:
- Subd. 24. [CLASS 3.] (a) Commercial, and industrial, property and utility real and personal property, except class 5a property as identified in subdivision 31, is class 3a. It has a tax capacity of 3.3 3.15 percent of the first \$100,000 \$150,000 of market value and 5.25 5.05 percent of the market value over \$100,000 \$150,000. For taxes payable in 1991, the 5.25 percent rate shall be 5.2 percent and for taxes payable in 1992 and subsequent years the rate shall be 5.15 percent. specific parcel shall be assessed pursuant to the first clause of this sentence. The governing body may provide for assessment under the first clause of the preceding sentence only for property which is located in an area which has been designated by the governing body for the receipt of tax reductions authorized by section 469.171, subdivision 1.

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents. The land on which these structures are situated has a tax capacity of 3.5 2.88 percent of market value if the structure contains fewer than four units, and 4.1 3.38 percent of market value if the structure contains four or more units.

restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. Any portion of the property which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity; and

Class 4c property classified under clauses (1), (2), (3), and (4), and (6) has a tax capacity of 2.5 percent of market value.

- (d) Class 4d property includes any structure:

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (2); paragraph (c), clauses (1), (2), (3), or (4); or paragraph (d), is assessed at the tax capacity percentage applicable to it under section 273.13, if it is found to be a substandard building under section 273.1316.

- Sec. 15. Minnesota Statutes 1988, section 273.13, subdivision 31, is amended to read:
- Subd. 31. [CLASS 5.] All property not included in any other class is class 5 property.

- (d) All other property not otherwise classified has a tax capacity of 5.25 percent of market value.
- Sec. 16. [273.1316] [CLASSIFICATION OF SUBSTANDARD RESIDENTIAL RENTAL PROPERTY.]
- Subdivision 1. [DENIAL OF RENTAL CLASSIFICATION.] A building that is classified as residential rental property under section 273.13, subdivision 25, and that is determined to be substandard under this section is assessed as provided in section 273.13, subdivision 25, paragraph (e).
- Subd. 2. [DEFINITION.] "Substandard building" means a building that:
- (1) has been determined by a state, county, or city agency that is charged by the governing body of the appropriate political subdivision with the responsibility for enforcing health, housing, building, fire prevention, or housing maintenance codes:
- $\frac{(i)}{or} \underline{to} \underline{materially} \underline{endanger} \underline{the} \underline{health} \underline{and} \underline{safety} \underline{of} \underline{the} \underline{occupants};$
- (ii) if unoccupied, to be a hazardous building within the meaning of section 463.15, subdivision 3; or
- (iii) to be substantially out of compliance with the basic provisions of the housing and maintenance code of that county or city, and
- (2) has not been repaired or brought to a condition of compliance within three months after the date of the violation notice to the

owner as provided in subdivision 3, or within the time prescribed by the agency in the notice in accordance with applicable state law or local ordinance, whichever period is longer.

A building is not substandard under this subdivision if it was rendered substandard solely by reason of a tornado, flood, or other natural disaster.

- Subd. 3. [VIOLATION NOTICE.] The initial notice of violation by the agency to the owner must be written and must contain:
  - (1) the details of the violation;
- (2) the date by which repairs must be completed or compliance with other requirements must be achieved;
- $\underline{(3)\ a\ general\ description\ of\ the\ tax\ consequences\ if\ the\ violations}}$   $\underline{are\ not\ corrected;\ and}$ 
  - (4) information on where and how an appeal may be filed.

The agency may extend the compliance date prescribed in the violation notice, for good cause shown, or may determine that good faith efforts at compliance are sufficient to prevent designation as a substandard building.

- Subd. 4. [NOTICE OF NONCOMPLIANCE.] When the period specified in subdivision 3 has expired without compliance and the building has been determined to be substandard as defined in subdivision 2, the agency shall mail to the owner a notice of noncompliance. The notice of noncompliance must be mailed by certified mail, return receipt requested, to the owner of the property at the owner's last known address. The notice must contain:
  - (1) the details of the noncompliance;
- (2) <u>a statement that the local assessor has been notified of the noncompliance and that the property will be reclassified unless compliance is achieved within 30 days of the mailing of the notice;</u>
- (3) a general description of the tax consequences resulting from the denial of a residential rental property tax classification; and
  - (4) information on where and how an appeal may be filed.
- Subd. 5. [APPEALS TO BOARD.] Appeals shall be made to the board created under this subdivision. Each county and city, prior to issuance of a violation notice under subdivision 3, must establish a board to hear appeals under this subdivision. The board shall have five members appointed by the governing body. A decision of the

appeal board may be appealed to the district court of the county in which the building is located, concerning the violation and determination of material endangerment, hazard, or lack of substantial compliance with the basic provisions of the housing and maintenance code under subdivision 2, and concerning a determination of noncompliance under subdivision 4. An appeal must be made no later than 30 days after receipt of the notice of the action or determination being appealed. If the board determines that the substandard building has been brought to a condition of compliance, the board shall require the agency to mail to the taxpayer a notice of compliance, which shall be in the form and include the information prescribed by the local assessor.

- Subd. 6. [TIMING OF PROCESS.] If a notice of noncompliance is mailed before July 1 of any year, and the property owner has neither (1) successfully appealed the determination, nor (2) brought the property into compliance by October 15 of that year, the property will be assessed under section 273.13, subdivision 25, paragraph (e), for taxes levied in that year and all subsequent years until the agency determines that the property is no longer a substandard building, or the property owner prevails on an appeal of the matter. If a notice of noncompliance is mailed after June 30 of any year, the disqualification would initially be effective for taxes levied in the following year.
- Subd. 7. [REFUND UPON APPEAL.] If the property owner prevails on an appeal at any time after taxes have been paid based on assessment of the property as provided in section 273.13, subdivision 25, paragraph (e), the agency shall notify the property owner concerning the procedures for the filing for a refund. The notice shall be in the form and include the information prescribed by the local tax assessor. The taxpayer may then file for a refund of the difference between the amount of the tax paid and the tax that would have been payable if the property had not been incorrectly assessed under this section, and each governmental subdivision that levied the tax on the property shall refund to the property owner its proportionate share of the refund.
- Subd. 8. [SPECIFICATION OF VIOLATIONS.] A notice of non-compliance shall not be mailed by the agency to the taxpayer until the state or the governing body of the appropriate political subdivision has prescribed by statute or ordinance the nature and types of violations of codes referred to in subdivision 2, that would constitute substantial noncompliance with the basic provisions of the code or material endangerment to the health and safety of occupants of buildings, or that would constitute a hazardous building within the meaning of section 463.15, subdivision 3.
- Sec. 17. Minnesota Statutes 1988, section 273.135, subdivision 2, is amended to read:

- Subd. 2. For taxes payable in 1989 only 1990 and subsequent years, the amount of the reduction authorized by subdivision 1 shall be:

In no case will the reduction resulting from this credit be less than \$10.
- (b) In the case of property located within the boundaries of a school district which qualifies as a tax relief area but which is outside the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 57 percent of the net tax up to the taconite breakpoint plus a percentage equal to the homestead eredit equivalency percentage of the net tax in excess of the taconite breakpoint, provided that the reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction resulting from this credit be less than \$10.
- (c)(1) The maximum reduction of the net tax up to the taconite breakpoint is \$225.40 on property described in clause (a) and \$200.10 on property described in clause (b), for taxes payable in 1985. These maximum amounts shall increase by \$15 times the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.
- (2) The total maximum reduction of the net tax on property described in clause (a) is \$400 for taxes payable in 1985. The total maximum reduction for the net tax on property described in clause (b) is \$435 for taxes payable in 1985. A new parcel of property or a parcel with a current year classification that is different from its base year classification has the same base year effective tax rate as an equivalent homesteaded parcel.

- Sec. 18. Minnesota Statutes 1988, section 273.1391, subdivision 2, is amended to read:
- Subd. 2. For taxes payable in 1989 only, the amount of the reduction authorized by subdivision 1 shall be:
- (a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction resulting from this credit be less than \$10. The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.
- (b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the net tax up to the taconite breakpoint plus a percentage equal to the homestead credit equivalency percentage of the net tax in excess of the taconite breakpoint, but not to exceed the maximums specified in clause (c), and shall not exceed an amount sufficient to reduce

the effective tax rate on each parcel of property to the <u>product</u> of 95 percent of the base year effective tax rate <u>multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction resulting from this credit be less than \$10.</u>

- (c)(1) The maximum reduction of the net tax up to the taconite breakpoint is \$200.10 for taxes payable in 1985. This maximum amount shall increase by \$15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.
- (2) The total maximum reduction of the net tax is \$435 for taxes payable in 1985. This total maximum amount shall increase by \$15 per year for taxes payable in 1986 and thereafter.

For the purposes of this subdivision, "net tax" means the tax on the property after deduction of any credit under section 273.13. subdivision 22 or 23, "taconite breakpoint" means the lowest possible net tax for a homestead qualifying for the maximum reduction pursuant to section 273.13, subdivision 22, rounded to the nearest whole dollar, "homestead credit equivalency percentage" means a percentage equal to the percentage reduction authorized in section 273.13, subdivision 22 one minus the ratio of the net tax capacity rate to the gross tax capacity rate applicable to the first \$68,000 of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of the a property, and the "base year effective tax rate" means the payable 1988 tax on the a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under section 273.13, subdivisions 22 and 23, and this section for taxes payable in 1988, divided by the market value of the property. A new parcel with a current year classification that is different from its base year elassification has the same base year effective tax rate as an equivalent homesteaded parcel.

Sec. 19. Minnesota Statutes 1988, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

- (b) "Unique taxing jurisdiction" means the geographic area subject to the same set of tax capacity rates.
- (c) "Gross tax capacity" means the product of the appropriate percentages of market value listed as gross tax capacities in section 273.13 and equalized estimated market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section

473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located and, (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the gross tax capacity of transmission lines deducted from a local government's total gross tax capacity under section 273.425. For purposes of determining the gross tax capacity of property referred to in clauses (1) and (2) for disparity reduction aid payable in 1989, the gross tax capacity before equalization shall equal the property's 1987 assessed value multiplied by 12 percent. Gross tax capacity cannot be less than zero.

- (d) "Net tax capacity" means the product of the appropriate percentages of market value listed as net tax capacities in section 273.13 and equalized estimated market values. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located and, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), the net tax capacity before equalization shall equal the property's 1987 assessed value be multiplied by  $\frac{12}{12}$  percent .962. Net tax capacity cannot be less than zero.
- (e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. For computation of aids payable in 1989 only, if the aggregate assessment sales ratio is less than or equal to 92 percent, the assessment sales ratios by class shall be adjusted proportionally so that the aggregate ratio of the unequalized market values to the equalized market values equals 92 percent; otherwise The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.
- (f) "Homestead effective Local tax rate" means the product of (i) 46 percent; (ii) 2.17 percent; and (iii) the total tax capacity rate for taxes payable in 1989 within a unique taxing jurisdiction multiplied by the 1988 aggregate assessment sales ratio. A sales ratio of .92 is

used if the actual sales ratio is less than .92 the quotient derived by dividing the sum of (1) gross taxes levied within a unique taxing jurisdiction, and (2) the disparity reduction aid actually used to reduce taxes levied within the unique taxing jurisdiction for taxes payable in 1989, by (3) the gross tax capacity of the unique taxing jurisdiction.

- (g) For purposes of calculating the transition homestead and agricultural credit aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's homestead effective local tax rate; (ii) its net tax capacity; and (iii) 103 1.028146.
- (h) For purposes of calculating and allocating transition homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in the year prior to that in which the aids are payable. For purposes of disparity reduction aid only, total gross taxes shall be reduced by the taxes levied for any school district referendum levies authorized pursuant to section 124A.03, subdivision 2, and any school district debt levies authorized pursuant to section 475.61. Gross taxes are before any reduction for disparity reduction aid. Gross taxes levied cannot be less than zero.
  - (i) "Income maintenance aids" means:
- (1) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;
- (2) preadmission screening and alternative care grants under section 256B,091, subdivision 8;
- (3) general assistance, and work readiness under section 256D.03, subdivision 2;
- (4) general assistance medical care under section 256D.03, subdivision 6;
- (5) aid to families with dependent children under section 256.82, subdivision 1, including emergency assistance under section 256.871, subdivision 6; and funeral expense payments under section 256.935, subdivision 1; and

- (6) supplemental aid under section 256D.36, subdivision 1.
- (j) "Adjustment factor" means one plus the percentage change in the ratio of estimated market value of residential homesteads to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. If the market value of farm homesteads exceeds the market value of residential homesteads in the city or township containing the unique taxing jurisdiction, "adjusted factor" means one plus the percentage change in the ratio of the estimated market value of farm homesteads to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. The adjustment factor cannot be less than one. Estimates of market value for the assessment one year prior to the year in which the aid is paid will be made on the basis of the abstract submitted pursuant to section 270.11. Discrepancies between the estimate and actual market values will not result in increased or decreased aid in the year in which the estimates are used to compute aid, but the initial aid used to compute homestead and agricultural credit aid in the subsequent year will be adjusted to reflect actual market values.

Sec. 20. Minnesota Statutes 1988, section 273.1398, subdivision 2, is amended to read:

Subd. 2. [TRANSITION HOMESTEAD AND AGRICULTURAL CREDIT AID.] (a) Transition Initial homestead and agricultural credit aid for each unique taxing jurisdiction for taxes payable in  $\overline{1990}$  equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. Transition The commissioner of revenue may, in computing the amount of the home-stead and agricultural credit aid paid in 1990, adjust the gross tax capacity, net tax capacity, and gross taxes of a taxing jurisdiction for taxes payable in 1989 to reflect auditor's errors in computing taxes payable for 1989 in unique taxing jurisdictions within independent school district Nos. 720 and 792. Homestead and agricultural credit aid cannot be less than zero. The transition aid so determined for school districts for purposes of general education and transportation levies shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value. Each county assessor and the city assessors of Minneapolis, Duluth, and St. Cloud shall furnish the commissioner of revenue with the 1988 market values for taxes payable in 1989 for any new classes of property established in this article. The commissioner shall use those values, and estimate values where needed, in developing the 1988 tax capacity for each unique taxing jurisdiction under this section.

- (b) (1) The transition homestead and agricultural credit aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's payable 1989 gross taxes bears to the total payable 1989 gross taxes levied within the unique taxing jurisdiction.
- (2) The 1990 homestead and agricultural credit aid so determined for school districts for purposes of general education levies pursuant to section 124A.25, subdivisions 2 and 2a, and transportation levies pursuant to section 275.125, subdivision 5, shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.
- (3) If a local government's total tax capacity rate for all funds for taxes payable in 1989 varies within the area in which it exercises taxing authority, the local government's allocated transition homestead and agricultural credit aid must be further allocated between the part of its levy in respect to which the tax capacity rate is constant throughout the area in which it exercises taxing authority and the part of its levy in respect to which the tax capacity rate varies throughout the area in which it exercises taxing authority.
- (c) In 1991 and subsequent years, a local government shall receive transition aid equal to that it received in 1990 subject to the requirement of the last sentence of subdivision 6.
- (d) The difference between (1) the income maintenance aids payable to a county and (2) the income maintenance aids that would be payable to the county pursuant to the rates in effect for calendar year 1989 shall be reduced by the sum of the amount of transition aid a county receives under this subdivision for all unique taxing jurisdictions located within its borders. The reduction must not reduce the difference to less than zero. The reduction shall be prorated among all payments of the increased income maintenance aids so that each payment is reduced by an equal percentage amount. The commissioner of revenue shall certify each county's transition aid to the commissioner of human services for purposes of this adjustment. In 1991 and subsequent years, the initial homestead and agricultural credit aid shall equal that calculated for taxes payable in 1990. The final homestead and agricultural credit aid shall equal the initial homestead and agricultural credit aid increased by the adjustment factor.
- (d) Payments under this subdivision to counties in 1990 and subsequent years shall be reduced by the amount provided in section 477A.012, subdivision 3, paragraph (d).

- Sec. 21. Minnesota Statutes 1988, section 273.1398, is amended by adding a subdivision to read:
- - (1) general education under section 124A.23, subdivision 2;
  - (2) supplemental revenue under section 124A.23, subdivision 2a;
- (3) capital expenditure facilities revenue under section 124.243, subdivision 3;
- (4) capital expenditure equipment revenue under section 124.44, subdivision 2; and
- (5) <u>basic transportation under section 275.125</u>, <u>subdivision 5</u>; <u>as</u> reduced for general education levy equity under section 124A.24.
- (b) By June 15, 1990, the commissioner of education shall determine and certify to the commissioner of revenue the amount of the homestead and agricultural credit aid offset. The offset shall be equal to the amount by which:
- (1) the amount that would have been computed as the district's equalized levies for property taxes payable in 1991, if the levies had been based upon the district's gross tax capacity, exceeds
- $\frac{(2)}{1991}. \; \underline{\text{the district's equalized levies}} \; \underline{\text{for property taxes payable in}}$
- (c) Effective for property taxes payable in 1991 and subsequent years, the amount of the education levy reduction shall be deducted from the homestead and agricultural credit aid payable to each school district under subdivision 2.
- Sec. 22. Minnesota Statutes 1988, section 273.1398, subdivision 3, is amended to read:
- Subd. 3. [DISPARITY REDUCTION AID.] (a) For taxes payable in 1989, a disparity reduction aid shall be calculated for each unique taxing jurisdiction. The aid is the greater of:
- (1) the difference between (i) the total 1988 gross tax payable on all taxable property within the unique taxing jurisdiction, and (ii) the gross tax capacity of the unique taxing jurisdiction; or

(2) 20 percent of the difference between (i) the 1988 gross tax of the city or township, and (ii) 23 percent of the city's or township's gross tax capacity.

In no ease can the aid be less than \$0. For taxes payable in 1990, the amount of disparity aid originally certified for each unique taxing jurisdiction for taxes payable in 1989 shall be multiplied by (1) 1.028146, and (2) the ratio of the jurisdiction's net tax capacity to its gross tax capacity, based upon market values for taxes payable in 1989.

- (b) The disparity reduction aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's payable gross taxes bears to the total payable gross taxes levied within the unique taxing jurisdiction.
- (c) In 1990 1991 and subsequent years, a local government shall receive disparity reduction aid equal to that it received in 1989 1990.
- Sec. 23. Minnesota Statutes 1988, section 273.1398, subdivision 5, is amended to read:
- Subd. 5. [HOMESTEAD AND AGRICULTURAL CREDIT GUAR-ANTEE.] Beginning with taxes payable in 1990, each unique taxing jurisdiction may receive additional homestead and agricultural credit payments.
- (1) Each year, the commissioner shall eertify to the county auditor determine the total education aids paid under chapters 124 and 124A, transition homestead and agricultural credit aid and disparity reduction aid paid under section 273.1398, local government aid to cities, counties, and towns paid under chapter 477A, and income maintenance aid paid to counties for each taxing jurisdiction. The county auditor commissioner shall apportion each local government's aids to the unique taxing jurisdiction based upon the proportion that the unique taxing jurisdiction's tax capacity bears to the total tax capacity of the local government.
- (2) Each year, the county auditor commissioner will compute a gross tax capacity rate for each taxing jurisdiction equal to its total levy divided by its gross tax capacity. For each unique taxing jurisdiction, a total gross tax capacity rate will be determined. This total gross tax capacity rate will be applied against the gross tax capacity of each property that would have been eligible for the homestead credit or the agricultural credit for taxes payable in 1989. A An estimated credit amount will be determined for each parcel all qualifying parcels based upon the credit rate structure in effect for taxes payable in 1989. The resulting credit amounts will be summed for all parcels in the unique taxing jurisdiction.

If the amount determined in clause (2) is greater than the amount determined in clause (1), the difference will be additional homestead and agricultural credit payments for the unique taxing jurisdiction. The additional credit amount shall proportionately reduce the tax capacity rates of all local governments levying taxes within the unique taxing jurisdiction in the following year. The county auditor commissioner shall certify the amounts of all additional credits determined under this section in a form prescribed by the commissioner to the county auditor at the time provided in subdivision 6.

- Sec. 24. Minnesota Statutes 1988, section 273.1398, subdivision 6, is amended to read:
- Subd. 6. [PAYMENT.] The commissioner shall certify the aids provided in subdivisions 2 and, 3, and 5 before September 30 1 of the year preceding the distribution year to the county auditor of the affected local government and pay them and the credit reimbursements to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax nor shall transition aid be payable on the part of a levy to which transition aid was separately allocated under subdivision 2, paragraph (b), clause (2), which is no longer levied.
- Sec. 25. Minnesota Statutes 1988, section 298.28, subdivision 6, is amended to read:
- Subd. 6. [PROPERTY TAX RELIEF.] (a) Twelve Fifteen cents per taxable ton, less any amount required to be distributed under paragraphs (b) and (c), must be allocated to St. Louis county acting as the counties' fiscal agent, to be distributed as provided in sections 273.134 to 273.136.
- (b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .1875 cent per taxable ton of the tax imposed and collected from such taxpayer shall be paid to the county.
- (c) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a school district other than a school district in which the mining and concentrating processes are conducted, .5625 cent per taxable ton of the tax imposed and collected from the taxpayer shall be paid to the school district.

- Sec. 26. Minnesota Statutes 1988, section 477A.012, is amended by adding a subdivision to read:
- Subd. 3. The amount of the deduction shall be computed as provided in this subdivision.
- (b) By June 15, 1990, the board of public defense shall determine and certify to the supreme court the cost of the state-financed public defense services in juvenile and misdemeanor cases for Hennepin and Ramsey counties during the fiscal year beginning the following July 1. By June 30, 1990, the supreme court shall determine and certify to the department of revenue for each county, except counties located in the eighth judicial district, the pro rata share for each county of district court administration and trial court information system costs during the fiscal year beginning on the following July 1 plus, in the case of Hennepin and Ramsey counties, the costs certified by the board of public defenders.
- (c) Twenty-five percent of the amount computed under paragraph (b) for each county shall be deducted from each payment to the county under section 477A.015 in 1990. One-half of the amount computed under paragraph (b) for each county shall be deducted from each payment to the county under section 477A.015 in 1991 and each subsequent year.
- (d) If the amount computed under paragraph (b) exceeds the amount payable to a county under subdivision 1, the excess shall be deducted from the aid payable to the county under section 273.1398, subdivision 2.
- Sec. 27. Minnesota Statutes 1988, section 273.061, subdivision 1, as amended by 1989 H.F. No. 266, article 2, section 17, if enacted, is amended to read:

Notwithstanding any law to the contrary, a county assessor must have senior

accreditation from the state board of assessors by January 1, 1992, or within two years of the assessor's first appointment under this section, whichever is later.

### Sec. 28. [MINNESOTA INTERGOVERNMENTAL FINANCE.]

Subdivision 1. [POLICY STATEMENT.] Under state and federal law, the responsibilities for providing public service, and the raising of revenues to finance those services, are divided between the federal, state, and local governments. This division of service delivery and revenue raising functions is complex and often lacks rational policy bases. This division also results in confusion and reduced accountability to the public by the various levels of government.

In addition, the legislature finds that reductions in federal aid, recent major increases in local property tax levies, and the growing cost of state financing of local governments and property tax relief, are placing growing and unsustainable demands on state revenue sources.

Subd. 2. [STUDY.] The legislature finds there is a need for a major review and reconsideration of the role of state government in helping to finance local government operations in Minnesota. Therefore, the legislature hereby authorizes that a joint legislative/executive effort be undertaken to examine the existing and appropriate fiscal relationship between the state and local units of government.

The study should address the following general issues:

- (1) the appropriate distribution of service delivery and revenue raising responsibilities between state and local government;
- $\frac{(2) \ the \ extent}{the \ cost} \ \underline{to} \ \underline{which} \ \underline{programs} \ \underline{required} \ \underline{by} \ \underline{state} \ \underline{law} \ \underline{influence}$
- (3) the degree to which the state should subsidize local government operations and provide property tax relief.

## Sec. 29. [STUDY AND COMMISSION REPORT.]

Subdivision 1. [COMMISSION.] Under the authority of the executive branch, there is created the commission on intergovernmental finance which shall report to the governor and the legislative commission on planning and fiscal policy. Members shall include:

(1) six persons appointed by the governor, one of whom shall be designated by the governor to serve as chair;

- (2) five persons appointed by the senate in a manner provided by the senate committee on rules and administration, appointees may include members of the senate; and
- (3) five persons appointed by the house in a manner as provided by the house rules committee, appointees may include members of the house.
- Subd. 2. [OUTSIDE RESOURCES.] The commission in encouraged to appoint advisory committees consisting of other interested legislators and representatives of local governments, employee organizations, legislative and executive staff, and other groups and institutions interested in intergovernmental finance. The commission may seek funding and other resources from legislative committees, state agencies, higher education institutions, and private sources.
- Subd. 3. [RECOMMENDATIONS.] The commission shall make recommendations for improvements in the system of intergovernmental finance consistent with the general issues listed in section 28, subdivision 2.
- Subd. 4. [REPORTS.] The commission shall report regularly to the governor and the legislative commission on planning and fiscal policy, and shall submit an interim report to the legislature by January 1, 1990. The legislative commission on planning and fiscal policy shall monitor the work of the commission and may recommend amendments to the commission's work plan. A final report shall be submitted to the legislature by September 1, 1990.
- Subd. 5. [IMPLEMENTATION.] The governor is encouraged to recommend implementation of the commission's recommendations in the governor's budget recommendations for the 1992-1993 biennium.
- $\underline{\underline{Subd.}} \ \underline{6.} \ [EXPIRATION.] \ \underline{\underline{The}} \ \underline{\underline{commission}} \ \underline{\underline{shall}} \ \underline{\underline{expire}} \ \underline{\underline{June}} \ \underline{30},$
- Sec. 30. [STUDY AND REPORT.] The legislature directs the legislative commission on planning and fiscal policy to collect and analyze information on:
- (1) the distribution of responsibility among the various local units of government and the state government for determining the services that must be provided and the financing of those services;
- (2) the current and appropriate levels of property tax funding for those programs required by state law; and
  - (3) the extent to which the state is funding both those programs

and services required by state law and those within the discretion of local public officials.

The commission shall oversee and monitor the progress of the executive commission on intergovernmental finance and develop its own recommendations for a more effective and efficient state and local fiscal relationship. These recommendations should take into account both the distribution of need and the resources available within the various local taxing jurisdictions. The commission shall make preliminary recommendations to the 1990 legislature and a final report to the 1991 legislature. With respect to those programs required by federal or state law, the study and report shall:

- (1) examine the program requirements;
- $\underline{\text{(2)}}$  evaluate the current and alternative funding sources for the program;
- (3) evaluate the current and alternative mechanisms for limiting the property tax affects of these programs;
- $\frac{(4)}{\text{develop a system of reporting any property tax consequences of }}{\frac{\text{the program, including separate levy reporting of the property tax}}{\text{proportion of }} \frac{\text{including separate levy reporting of the property tax}}{\text{the local program costs; and}}$

# Sec. 31. [NOTIFICATION OF ADMINISTRATIVE DIRECTIVES.]

The commissioner of revenue shall notify the chairs of the senate committee on taxes and tax laws and the house committee on taxes of administrative directives or interpretations of the provisions of this article. The notice must be given at least five days before a directive or interpretation is released to the public or provided to a local government to allow time for the chairs to provide advice or to comment on the commissioner's directive or interpretation of the law. An administrative directive or interpretation includes an explanation of a provision, a clarification of its application to a particular circumstance, a directive on how to apply or administer a provision, and other similar communications that are intended to direct or guide local government officials in administering the law. This section applies only to written materials that are either released to the public or mailed, sent, or provided to a local government of a local government official.

Sec. 32. [LOCAL GOVERNMENTAL EXPENDITURES FOR LOBBYISTS.]

On or before September 1, 1989, and each year thereafter, all

counties, cities, school districts, metropolitan agencies, regional railroad authorities, and the regional transit board shall report to the state auditor, on forms prescribed by the auditor, their estimated expenditures paid for the previous calendar year to a lobbyist as defined in section 10A.01, subdivision 11, and to any staff person not registered as a lobbyist but who spends over 25 percent of his or her time during the legislative session on legislative matters.

Sec. 33. [PROPERTY TAX REFUNDS FOR TENANTS OF DIS-QUALIFIED LEASEHOLD COOPERATIVES.]

Property tax refunds payable under Minnesota Statutes, chapter 290A, for rent paid in 1988 and property taxes payable in 1989 to residents of a leasehold cooperative that is disqualified from classification as a leasehold cooperative under Minnesota Statutes, section 273.124, subdivision 6, effective for assessment year 1989 shall not be reduced by the commissioner of revenue because of the disqualification.

Sec. 34. [REPEALER.]

If the assessor has mailed a notice of the increase in market value to the property owner, the assessor must mail a revised notice to the property owner. Notices must state that the increases in market value have been limited under this act.

#### ARTICLE 4

#### INCOME MAINTENANCE AND LEVY LIMITS

Section 1. Minnesota Statutes 1988, section 256.018, is amended to read:

## 256.018 [COUNTY PUBLIC ASSISTANCE INCENTIVE FUND.]

Sec. 6. Minnesota Statutes 1988, section 256B.091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4 and nursing home or boarding care home residents who request a screening. Prior to July of each year, the commissioner shall allocate state funds available for alternative care grants to each local agency. This allocation must be made as follows: half of the state funds available for alternative care grants must be allocated to each county according to the total number of adults in that county who are recipients age 65 or older who are reported to the department by March 1 of each state fiscal year and half of the state funds available for alternative care grants must be allocated to a county according to that county's number of Medicare enrollments age 65 or older for the most recent statistical report. Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home or boarding care home admission, or continued stay if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within 180 days of admission to a nursing home; (3) who need services that are not available at that time in the county through other public assistance; and (4) who are age 65 or older.

The commissioner shall establish by rule, in accordance with chapter 14, procedures for determining grant reallocations, limits on the rates for payment of approved services, including screenings, and submittal and approval of a biennial county plan for the administration of the preadmission screening and alternative care grants program. Grants may be used for payment of costs of providing care-related supplies, equipment, and services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2), and that a client's service needs and eligibility is reassessed at least every six months. The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care and to the commissioner that the most cost-effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. The county agency shall document to the commissioner that the agency made reasonable efforts to inform potential providers of the anticipated need for services under the alternative care grants program, including a minimum of 14 days written advance notice of the opportunity to be selected as a service provider and an annual public meeting with providers to explain and review the criteria for selection, and that the agency allowed potential providers an opportunity to be selected to contract with the county board. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

The county must select providers for contracts or agreements using the following criteria and other criteria established by the county:

- (1) the need for the particular services offered by the provider;
- (2) the population to be served, including the number of clients, the length of time services will be provided, and the medical condition of clients;
  - (3) the geographic area to be served;
  - (4) quality assurance methods, including appropriate licensure,

certification, or standards, and supervision of employees when needed:

- (5) rates for each service and unit of service exclusive of county administrative costs;
  - (6) evaluation of services previously delivered by the provider; and
- (7) contract or agreement conditions, including billing requirements, cancellation, and indemnification.

The county must evaluate its own agency services under the criteria established for other providers. The county shall provide a written statement of the reasons for not selecting providers.

The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the State Register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the nonfederal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of care that the recipient would receive if placed in a nursing home or boarding care home. For the period from January 1 to June 30, the nonfederal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay ten percent of the costs for persons who are eligible for the services but who are not yet eligible for medical assistance. Subsequent to July 1 of each year, the state agency shall, subject to section 273.1398, subdivision 2a, reimburse the county agency for the funds expended during the January 1 to June 30 period, except as provided for in section 256.017. For the period from July 1 to December 31, the nonfederal share may be used to pay up to 100 percent of the start-up

and service delivery costs of providing care under this subdivision, subject to section 273.1398, subdivision 2a.

The commissioner shall promulgate emergency rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

Sec. 7. Minnesota Statutes 1988, section 256B.19, subdivision 1, is amended to read:

Subdivision 1. [DIVISION OF COST.] The cost of medical assistance paid by each county of financial responsibility shall be borne as follows: For the period from January 1 to June 30, payments shall be made by the state to the county for that portion of medical assistance paid by the federal government and the state on or before the 20th day of each month for the succeeding month upon requisition from the county showing the amount required for the succeeding month. Ninety percent of the expense of assistance not paid by federal funds available for that purpose shall be paid by the state and ten percent shall be paid by the county of financial responsibility, except as provided for in section 256.017.

For the period from January 1 to June 30, for counties that participate in a Medicaid demonstration project under sections 256B.69 and 256B.71, the division of the nonfederal share of medical assistance expenses for payments made to prepaid health plans or for payments made to health maintenance organizations in the form of prepaid capitation payments, this division of medical assistance expenses shall be 95 percent by the state and five percent by the county of financial responsibility. Subsequent to July 1 of each year, the state agency shall, subject to section 273.1398, subdivision 2a, reimburse the county agency for the funds expended during the January 1 to June 30 period, except as provided for in section 256.017.

For the period from July 1 to December 31, except as provided for in section 256.017 and subject to section 273.1398, subdivision 2a, payments shall be made by the state to the county for that portion of medical assistance paid by the federal government and the state on or before the 20th day of each month for the succeeding month upon requisition from the county showing the amount required for the succeeding month. The expense of assistance not paid by federal funds available for that purpose shall be paid by the state, subject to section 273.1398, subdivision 2a.

In counties where prepaid health plans are under contract to the commissioner to provide services to medical assistance recipients, the cost of court ordered treatment ordered without consulting the prepaid health plan that does not include diagnostic evaluation, recommendation, and referral for treatment by the prepaid health plan is the responsibility of the county of financial responsibility.

Sec. 8. Minnesota Statutes 1988, section 256D.03, subdivision 2, is amended to read:

Subd. 2. For the period from January 1 to June 30, state aid shall be paid to local agencies for 75 percent of all general assistance and work readiness grants up to the standards of sections 256D.01, subdivision 1a, and 256D.051, and according to procedures established by the commissioner, except as provided for under section 256.017. Subsequent to July 1 of each year, the state agency shall, subject to section 273.1398, subdivision 2a, reimburse the county agency for the funds expended during the January 1 to June 30 period, except as provided for in section 256.017.

For the period from July 1 to December 31, state aid shall, subject to section 273.1398, subdivision 2a, be paid to local agencies for 100 percent of all general assistance and work readiness grants up to the standards of sections 256D.01, subdivision 1a, and 256D.051, and according to procedures established by the commissioner, except as provided for under section 256.017 and except that, after December 31, 1988, state aid is reduced to 65 percent of all general assistance grants if the local agency does not make occupational or vocational literacy training available and accessible to recipients who are eligible for assistance under section 256D.05, subdivision 1, paragraph (a), clause (15).

After December 31, 1988, state aid must be paid to local agencies for 65 percent of work readiness assistance paid under section 256D.051 if the county does not have an approved and operating community investment program.

Any local agency may, from its own resources, make payments of general assistance: (a) at a standard higher than that established by the commissioner without reference to the standards of section 256D.01, subdivision 1; or, (b) to persons not meeting the eligibility standards set forth in section 256D.05, subdivision 1, but for whom the aid would further the purposes established in the general assistance program in accordance with rules promulgated by the commissioner pursuant to the administrative procedure act.

Sec. 9. Minnesota Statutes 1988, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

- (b) "Unique taxing jurisdiction" means the geographic area subject to the same set of tax capacity rates.
- (c) "Gross tax capacity" means the product of the appropriate percentages of market value listed as gross tax capacities in section

273.13 and equalized market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section 473E.02, subdivision 3, multiplied by the ratio determined pursuant to section 473E.08, subdivision 6, for the municipality, as defined in section 473E.02, subdivision 8, in which the unique taxing jurisdiction is located and (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2. For purposes of determining the gross tax capacity of property referred to in clauses (1) and (2) for disparity reduction aid payable in 1989, the gross tax capacity before equalization shall equal the property's 1987 assessed value multiplied by 12 percent. Gross tax capacity cannot be less than zero.

- (d) "Net tax capacity" means the product of the appropriate percentages of market value listed as net tax capacities in section 273.13 and equalized market values. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located and (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177. subdivision 2. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), the net tax capacity before equalization shall equal the property's 1987 assessed value multiplied by 12 percent. Net tax capacity cannot be less than zero.
- (e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. For computation of aids payable in 1989 only, if the aggregate assessment sales ratio is less than or equal to 92 percent, the assessment sales ratio by class shall be adjusted proportionally so that the aggregate ratio of the unequalized market values to the equalized market values equals 92 percent; otherwise the equalized market values shall equal the unequalized market values divided by the assessment sales ratio.
- (f) "Homestead effective rate" means the product of (i) 46 percent; (ii) 2.17 percent; and (iii) the total tax capacity rate for taxes payable in 1989 within a unique taxing jurisdiction multiplied by the 1988

aggregate assessment sales ratio. A sales ratio of .92 is used if the actual sales ratio is less than .92.

- (g) For purposes of calculating the transition aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's homestead effective rate; (ii) its net tax capacity; and (iii) 103.
- (h) For purposes of calculating and allocating transition aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in the year prior to that in which the aids are payable. For purposes of disparity reduction aid only, total gross taxes shall be reduced by the taxes levied for any school district referendum levies authorized pursuant to section 124A.03, subdivision 2, and any school district debt levies authorized pursuant to section 475.61. Gross taxes levied cannot be less than zero.
  - (i) "Income maintenance aids" means the state funded portion of:
- (1) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;
- (2) preadmission screening and alternative care grants under section 256B.091, subdivision 8;

- Sec. 10. Minnesota Statutes 1988, section 273.1398, is amended by adding a subdivision to read:
- Subd. 2a. [INCOME MAINTENANCE AIDS REDUCTION.] (a) The increased income maintenance aids payable to a county must be reduced by the amount of the county share levy, but not below zero.
- (b) On July 15, 1989, each county shall certify to the department of revenue the county share levy for taxes payable in 1989 and the estimate of income maintenance program costs and income maintenance program revenues from nonproperty tax sources used at the time the levy was certified in 1988. At that time each county may revise its county share levy for taxes payable in 1989 for purposes of this subdivision only to reflect changes in estimated income maintenance program costs and income maintenance program revenues from nonproperty tax sources for 1989. The resulting county share levy shall be each county's county share levy under section 275.50, subdivision 5, paragraph (a) for taxes levied in 1989 payable in 1990 and must be used to determine each county's increased income maintenance aid for 1990. The county share levy shall be prorated among the income maintenance programs on the basis of their individual costs to the total costs for all income maintenance programs.
- (c) On July 15, 1990, each county shall certify to the department of revenue the difference between the income maintenance program costs and income maintenance program revenues from nonproperty tax sources for 1989. That difference shall be each county's county share levy under section 275.50, subdivision 5, paragraph (a) for taxes levied in 1990, payable in 1991, and thereafter, and must be used to determine each county's increased income maintenance aid for 1991 and thereafter. The county share levy shall be prorated among the income maintenance programs on the basis of their individual costs to the total costs for all income maintenance programs.

- (d) The county share levies certified in paragraphs (b) and (c) shall be certified to the department of human services by the department of revenue. The department of human services shall make the appropriate reduction in the income maintenance aids payable in 1990 and thereafter. The increased income maintenance aids payable after reduction per this subdivision shall be separately identified and accounted for by the department of human services.
- Sec. 11. Minnesota Statutes 1988, section 275.50, subdivision 5, is amended to read:
- Subd. 5. Notwithstanding any other law to the contrary for taxes levied in  $\frac{1988}{1989}$  payable in  $\frac{1989}{1990}$  and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:
- (a) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. Except for the costs of general assistance as defined in section 256D.02, subdivision 4, general assistance medical care under section 256D.03 and the costs of hospital care pursuant to section 261.21. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, to the extent the county provides benefits under those programs over the state mandated minimums. Effective with taxes levied in 1989, the portion of this special levy for income maintenance programs the county share levy identified in section 273.1398, subdivision 1, paragraph (i) (k), is eliminated limited to the amount calculated under section 273.1398, subdivision 2a;
- (b) pay the costs of principal and interest on bonded indebtedness except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;
- (c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current

- (f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;
- (g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;
- (h) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;
- (i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16; and

- (l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 15;
- (m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 15;
- (n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 15. County governments are not authorized to claim this special levy;
- (o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. (r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under paragraph (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph.

Sec. 12. Minnesota Statutes 1988, section 275.51, subdivision 3f, is amended to read:

Subd. 3f. [LEVY LIMIT BASE.] (a) The property tax levy limit base for governmental subdivisions for taxes levied in 1988 shall be equal to the total actual levy for taxes payable in 1988 plus the amount of any payments the governmental subdivision was certified to receive in 1988 under sections 477A.011 to 477A.014 and minus any special levies claimed for taxes payable in 1988 pursuant to Laws 1987, chapter 268, article 5, section 12, subdivision 4, clauses (1), (2), (3), and (4). A county's levy limit base will be increased by the amount of any increase in its levy under section 134.07 over that levied under section 134.07 for taxes payable in 1988 which is required under section 134.341. For governmental subdivisions located in the seven-county metropolitan area, the total actual levy for taxes payable in 1988 shall include the fiscal disparities distribution levy pursuant to Minnesota Statutes 1986, section 473F.08. subdivision 7a with additions and subtractions as specified in paragraphs (b)  $a\overline{nd}$  (c).

- (c) The amounts to be subtracted from the actual 1988 levy are (1) any special levies claimed for taxes payable in 1988 pursuant to Laws 1987, chapter 268, article 5, section 12, subdivision 4, clauses (1), (2), (3), and (4); and (2) for a governmental subdivision participating in a regional library system receiving grants from the department of education under section 134.34, the amount levied for taxes payable in 1988 for the operating costs of a public library service.
- (b) (d) For taxes levied in 1989 and subsequent years, a governmental subdivision's levy limit base is equal to its adjusted levy limit base for the preceding year not including the adjustment made

- (e) For taxes levied by a county in 1989, the levy limit base determined under paragraph (d) shall be reduced by an amount equal to the cost of public defender services for felonies and gross misdemeanors and the costs of law clerks in the county that are assumed by the state during calendar year 1990, less one-half the amount of fees collected by the courts in the county during calendar year 1988. For taxes levied in 1990 and subsequent years, the levy limit base determined under paragraph (d) shall be reduced by an amount equal to the cost of public defender services for felonies and gross misdemeanors and the cost of law clerks in the county that are assumed by the state during calendar year 1991, less the amount of fees collected by the courts in the county during calendar year 1989, computed at the rate of \$30 for civil and probate filings and \$55 for marriage dissolutions.
- (f) For taxes levied by a county that is located in the eighth judicial district in 1989 only, the levy limit base determined under paragraphs (d) and (e) shall be further reduced by an amount equal to the cost of operation of the trial courts in the county during calendar year 1990 that are assumed by the state less the amount of fees collected by the courts in the county during calendar year 1988. For taxes levied in 1990 only by those counties, the levy limit base determined under paragraphs (d) and (e) shall be reduced by an amount equal to the cost of operation of the trial courts in the county during the first six months of calendar year 1991 that are assumed by the state, less the amount of fees collected by the courts in the county during the first six months of calendar year 1989.
- (g) By July 1, 1989, the board of public defense shall determine and certify to the supreme court the pro rata share for each county of the state-financed public defense services described in paragraph (e) during the six-month period beginning July 1, 1990. By July 15, 1989, the supreme court shall determine and certify to the department of revenue for each county the sum of the amounts certified by the board of public defense and the pro rata share for each county of the cost of providing law clerks during the three-month period beginning October 1, 1990, plus, for each county located in the eighth judicial district, the cost of operation of the trial courts during calendar year 1990.

By July 1, 1990, the board of public defense shall determine and certify to the supreme court the pro rata share for each county of the state-financed public defense services described in paragraph (e) during calendar year 1991. By July 15, 1990, the supreme court shall determine and certify to the department of revenue for each county the sum of the amounts certified by the board of public defense and the pro rata share for each county of the cost of

providing law clerks during calendar year 1991 plus, for each county located in the eighth judicial district, the cost of operation of the trial courts during the first six months of 1991.

Sec. 13. Minnesota Statutes 1988, section 275.51, subdivision 3h, is amended to read:

Subd. 3h. [ADJUSTED LEVY LIMIT BASE.] For taxes levied in 1988 1989 and thereafter, the adjusted levy limit base is equal to the levy limit base computed pursuant to subdivision 3f, increased by:

- (a) a percentage equal to four percent for taxes levied in 1988 and three percent for taxes levied in 1989 and subsequent years; and
- (b) a percentage equal to (1) one-half of the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, for cities and towns and (2) the lesser of the percentage increase in population or the number of households, if any, for counties, using figures derived pursuant to subdivision 6.

For taxes levied in 1989 and subsequent years, to the resulting product must be added the estimated reduction in a county's income maintenance aids as defined in section 273.1398, subdivision 1, pursuant to section 273.1398, subdivision 2, paragraph (d). The department of human services shall annually estimate the increase in income maintenance aids referred to in section 273.1398, subdivision 2, paragraph (d), and certify it by county to the department of revenue by July 15 of the levy year preceding that in which the aids are payable. If the actual increase in a county's income maintenance aid referred to in section 273.1398, subdivision 2, paragraph (d), is less than or greater than the amount added to a county's adjusted levy limit base in the prior year, its adjusted levy limit base for the subsequent year will be increased or decreased by the appropriate amount.

- (c) the amount of a permanent increase in the levy limit base approved at a general or special election held during the 12-month period ending September 30 of the levy year under section 275.58, subdivisions 1 and 2;
- (d) for levy year 1989, for a county which incurred costs since October 1978, for the litigation of federal land claims under United States Code, title 18, section 1162; United States Code, title 25, section 331; and United States Code, title 28, section 1360; an amount of up to the actual costs incurred by the county for this purpose. This adjustment shall not exceed \$250,000; and
- (e) for levy year 1989, an amount of \$1,724,000 for Ramsey county for implementing the local government pay equity act under sec-

tions 471.991 to 471.999. Furthermore, in levy years 1990 and 1991, an additional amount of \$862,000 shall be added to Ramsey county's adjusted levy limit base under this clause for each of the two years.

- Sec. 14. Minnesota Statutes 1988, section 275.51, subdivision 3i, is amended to read:
- Subd. 3i. [LEVY LIMITATION.] The levy limitation for a governmental subdivision shall be equal to the adjusted levy limit base determined pursuant to subdivision 3h, reduced by:
- (1) the local government aid that the governmental subdivision has been certified to receive pursuant to sections 477A.011 to 477A.014-, excluding the additional aid distribution received under section 477A.013, subdivision 5; and
- (2) taconite aids under sections 298.28 and 298.282 including any aid received in the levy year that was required to be placed in a special fund for expenditure in the next succeeding year.

As provided in section 298.28, one cent per taxable ton of the amount distributed under section 298.28, subdivision 5, paragraph (d), must not be deducted from the levy limit base of a county that receives the aid.

This amount is the amount of property taxes which a governmental subdivision may levy for all purposes other than those for which special levies and special assessments are made.

For taxes levied in 1989 and later years, the levy limit for a county calculated under clause (1) must be decreased by an additional amount equal to the difference between what would have been a county's production year 1986 payable 1987 distribution under Minnesota Statutes 1984, section 298.28, based on 1986, payable 1987.

- Sec. 15. Minnesota Statutes 1988, section 275.51, subdivision 3j, is amended to read:
- Subd. 3j. [APPEALS.] (a) A governmental subdivision subject to the limitations in this section county may appeal to the commissioner of revenue for an adjustment in its levy limit base under this section. If the governmental subdivision county can provide evidence satisfactory to the commissioner that its levy for taxes payable in 1988 had been reduced because it had made expenditures from reserve funds 1989 under Minnesota Statutes 1988, section 275.50, subdivision 5, paragraph (a), included a levy for the cost of administration of the programs listed in that paragraph, the commissioner may permit the governmental subdivision county to increase its levy

limit base under this section by the amount determined by the commissioner to have been levied for that purpose, provided that the total adjustment shall not be in excess of three percent of the county's expense for income maintenance programs as defined in section 273.1398, subdivision 1, paragraph (j), for 1989 and certified in section 273.1398, subdivision 2a. The commissioner's decision is final.

- (b) A governmental subdivision subject to the limitations in this section may appeal to the commissioner of revenue for authorization to levy for the special levies as contained in section 275.50, subdivision 5, clauses (I), (m), and (n). If the governmental subdivision can provide evidence satisfactory to the commissioner that it incurred costs for the specified purposes of those levies, the commissioner may allow the governmental subdivision to levy under section 275.50, subdivision 5, clause (I), (m), or (n), by the amount determined by the commissioner. The commissioner's decision is final.
- Sec. 16. Minnesota Statutes 1988, section 275.51, subdivision 4, is amended to read:
- Subd. 4. If the levy made by a governmental subdivision exceeds the limitation provided in sections 275.50 to 275.56, except when such excess levy is due to the rounding of the tax capacity rates of the governmental subdivision in accordance with section 275.28, subsequent distributions required to be made by the commissioner of finance from any formula aids pursuant to sections 477A.011 to 477A.014 or homestead and agricultural credit aid under section 273.1398, shall be reduced 33 cents for each full dollar the levy exceeds the limitation.
- Sec. 17. Minnesota Statutes 1988, section 275.51, subdivision 6, is amended to read:
- Subd. 6. [POPULATION AND HOUSEHOLD ESTIMATES.] For the purpose of determining the amount of tax that a governmental subdivision may levy in accordance with limitation established by this chapter, the population or the number of households of the governmental subdivision shall be that established by the last federal census, by a census taken pursuant to section 275.14, or by an estimate made by the metropolitan council, or by the state demographer made pursuant to section 116K.04, subdivision 4, whichever is the most recent as to the stated date of count or estimate, up to and including July 1 of for the calendar year preceding the current levy year.
- Sec. 18. Minnesota Statutes 1988, section 275.58, subdivision 1, is amended to read:
  - Subdivision 1. Notwithstanding Subject to the provisions of sec-

tions 275.50 to 275.56, but subject and to other law or charter provisions establishing per capita, mill or other limitations on the amount of taxes that may be levied, the levy of a governmental subdivision, as defined by section 275.50, subdivision 1, may be increased above the limitation imposed by sections 275.50 to 275.56 in any per capita or dollar amount which is approved by the majority of voters of the governmental subdivision voting on the question at a general or special election. When the governing body of the governmental subdivision resolves to increase the levy of the governmental subdivision pursuant to this section, it shall provide for submission of the proposition of an increase in the levy limit base per capita or the proposition of an additional levy, as the case may be, at a general or special election. Notice of such election shall be given in the manner required by law. If the proposition is for an adjustment to the governmental subdivision's levy limit base per capita, increasing the levy limit base per capita over the per capita amount established pursuant to section 275.51, subdivision 3, such notice shall state the purpose of such per capita adjustment and the per capita amount of such adjustment. If the proposition is for an additional levy, such notice shall state the purpose and maximum vearly amount of such additional levy.

Sec. 19. Minnesota Statutes 1988, section 398A.04, is amended by adding a subdivision to read:

Subd. 8a. [TAXATION; LIGHT RAIL TRANSIT.] (a) A regional railroad authority may not levy a tax under subdivision 8 to finance light rail transit planning, land acquisition, facilities, equipment, or construction in the metropolitan area, as defined in section 473.121, until a law is enacted that allows light rail transit plans and projects to be implemented only after approval by a metropolitan agency having transit planning or transportation planning responsibility under chapter 473, in order to ensure regional coordination of light rail transit plans and projects and conformity with regional transit plans.

- (b) Paragraph (a) shall not inhibit the ability of a regional railroad authority to (1) levy a tax for one line segment, shops, yards, or vehicles for taxes payable in 1990 to fulfill a local funds matching requirement for a line segment, shops, yards, or vehicles in order to qualify for a federal grant, if application has been made before May 1, 1989, and (2) levy a tax for taxes payable in 1991 and subsequent years to fulfill the local funds matching requirement for a line segment, shops, yards, or vehicles if the grant application has been approved by May 1, 1990.
- (c) If any regional railroad authority levies a tax to fulfill a local funds matching requirement under paragraph (b) which would not otherwise be allowed under paragraph (a), all regional railroad authorities may levy a tax for light rail transit planning in the metropolitan area, as defined in section 473.121, for taxes payable

[57th Day

- in 1990. The amount of this tax may not exceed an amount, determined by the commissioner of revenue, equivalent to the product of
- (1) the regional railroad authority's maximum levy authority under subdivision 8 for taxes payable in 1990, and
- (2) the ratio of the largest amount actually levied under subdivision 8 for light rail transit by a regional railroad authority for taxes payable in 1989 to the maximum amount which that same regional railroad authority would be authorized to levy under subdivision 8 for taxes payable in 1989.
- Sec. 20. Minnesota Statutes 1988, section 473.167, subdivision 3, is amended to read:
- Subd. 3. [TAX.] The council may levy a tax on all taxable property in the metropolitan area, as defined in section 473.121, to provide funds for loans made pursuant to subdivisions 2 and 2a. This tax for the right-of-way acquisition loan fund shall be certified by the council, levied, and collected in the manner provided by section 473.13. The tax shall be in addition to that authorized by section 473.249 and any other law and shall not affect the amount or rate of taxes which may be levied by the council or any metropolitan agency or local governmental unit. The amount of the levy shall be as determined and certified by the council, except as otherwise provided in this subdivision.

The property tax levied by the metropolitan council for the right-of-way acquisition loan fund shall not exceed the following amount for the years specified:

- (a) for taxes payable in 1988, the product of 5/100 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;
- (b) for taxes payable in 1989, except as provided in section 473.249, subdivision 3, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area; and
- (c) for taxes payable in 1990, an amount not to exceed \$2,700,000; and

(d) for taxes payable in 1990 1991 and subsequent years, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the previous year taxes payable in 1988 determined pursuant to this subdivision under clause (a) multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan area for the previous 1987 assessment year.

For the purpose of determining the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

The property tax levied under this subdivision for taxes payable in 1988 and subsequent years shall not be levied at a rate higher than that determined by the metropolitan council to be sufficient, considering the other anticipated revenues of and disbursements from the right-of-way acquisition loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount of the property tax levy limitation for taxes payable in the next calendar year determined under this section.

Sec. 21. Minnesota Statutes 1988, section 473.167, subdivision 5, is amended to read:

Subd. 5. [LEVY INCREASE.] For the purpose of determining the levy limitation for taxes payable in 1989 under subdivision 3, the levy limitation for taxes payable in 1988 shall be multiplied by two. The levy limitation so determined for taxes payable in 1989 shall be the basis for determining levy limitations for taxes payable in 1990 and subsequent years under subdivision 3.

Sec. 22. Minnesota Statutes 1988, section 473.249, subdivision 1, is amended to read:

Subdivision 1. The metropolitan council may levy a tax on all taxable property in the metropolitan area defined in section 473.121 to provide funds for the purposes of sections 473.121 to 473.249 and for the purpose of carrying out other responsibilities of the council as provided by law. This tax for general purposes shall be levied and collected in the manner provided by section 473.13.

The property tax levied by the metropolitan council for general purposes shall not exceed the following amount for the years specified:

- (a) for taxes payable in 1988, the product of 8/30 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49:
- (b) for taxes payable in 1989, the product of (1) the metropolitan council's property tax levy limitation for general purposes for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area; and
- (c) for taxes payable in 1990 and subsequent years, the product of (1) the metropolitan council's property tax levy limitation for general purposes for the previous year determined under this subdivision multiplied by (2) the least of
- (i) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan area for the previous assessment year- $_2$  or
- (ii) an index equal to the implicit price deflator for state and local government purchases of goods and services for the most recent month for which data is available divided by the implicit price deflator for state and local government purchases of goods and services for the same month of the previous year, or

# (iii) 103 percent.

For the purpose of determining the metropolitan council's property tax levy limitation for general purposes for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

# Sec. 23. [ITASCA COUNTY; LEVY LIMIT PENALTY EXEMPTION.]

The amount of any tax levied by Itasca county under Laws 1988, chapter 517, is not subject to a penalty imposed under Minnesota Statutes, section 275.51, subdivision 4, for exceeding levy limits under Minnesota Statutes, sections 275.50 to 275.56.

For taxes levied in 1989 and 1990 only, payable in 1990 and 1991 only, a levy by the Itasca county board under Laws 1988, chapter 517, is not subject to the levy limitations of Minnesota Statutes, sections 275.50 to 275.56, or other law.

#### ARTICLE 5

#### PROPOSED AND FINAL TAX NOTICE

Section 1. Minnesota Statutes 1988, section 124.2131, subdivision 1, is amended to read:

Subdivision 1. [ADJUSTED GROSS TAX CAPACITY.] (a) [COM-PUTATION.] The department of revenue shall annually conduct an assessment/sales ratio study of the taxable property in each school district in accordance with the procedures referenced in paragraphs (b) and (c). Based upon the results of this assessment/sales ratio study, the department of revenue shall determine an aggregate equalized gross tax capacity for the various strata of taxable property in each school district, which tax capacity shall be designated as the adjusted gross tax capacity. The department of revenue shall take such steps as are necessary in the performance of that duty and may incur such expense as is necessary therefor. The commissioner of revenue is authorized to reimburse any county or governmental official for requested services performed in ascertaining such adjusted gross tax capacity. On or before March 15 annually, the department of revenue shall file with the chair of the tax committee of the house of representatives and the chair of the committee on taxes and tax laws of the senate a report of adjusted gross tax capacities. On or before June April 15, annually, the

department of revenue shall file its final report on the gross tax capacities established by the previous year's assessment with the commissioner of education and each county auditor for those school districts for which the auditor has the responsibility for determination of mill rates. A copy of the adjusted gross tax capacity so filed shall be forthwith mailed to the clerk of each district involved and to the county assessor or supervisor of assessments of the county or counties in which each district is located.

- (b) [METHODOLOGY.] In making its annual assessment/sales ratio studies, the department of revenue shall use a methodology consistent with the most recent Standard on Assessment Ratio Studies published by the assessment standards committee of the International Association of Assessing Officers. The commissioner of revenue shall supplement this general methodology with specific procedures necessary for proper execution of the study in accordance with other Minnesota laws impacting the assessment/sales ratio study. The commissioner shall document these specific procedures in writing and shall publish the procedures in the State Register, but these procedures will not be considered "rules" pursuant to the Minnesota administrative procedure act. By January 15, 1985, the commissioner shall report to the chairs of the house tax committee and the senate committee on taxes and tax laws the results of a study which the commissioner shall prepare comparing the 1983 sales ratio study based upon the original 1983 assessment/sales ratio study methodology with the new methodology as provided in clause (b). The 1984 adjusted assessed values which are certified to the commissioner of education shall be computed using the 1983 assessment/sales ratio study methodology unless the 1985 legislature directs otherwise.
- (c) [AGRICULTURAL LANDS.] For purposes of determining the adjusted gross tax capacity of agricultural lands for the calculation of 1987 adjusted gross tax capacities and thereafter, the market value of agricultural lands shall be the price for which the property would sell in an arms length transaction.
- Sec. 2. Minnesota Statutes 1988, section 124.42, subdivision 1, is amended to read:

Subdivision 1. [QUALIFICATION; APPLICATION; AWARD; INTEREST.] Any school district in which the required levy for debt service in any year will exceed its maximum effort debt service levy by ten percent or by \$5,000, whichever is less, is qualified for a debt service loan hereunder in an amount not exceeding the amount applied for, and not exceeding one percent of the net debt of the district, and not exceeding the difference between the required and the maximum effort debt service levy in that year. Applications shall be filed with the commissioner in each calendar year up to and including September 15 July 1. The commissioner shall determine whether the applicant is entitled to a loan and the amount thereof,

and on or before October 1 shall certify to each applicant district the amount granted and its due date. The commissioner shall notify the county auditor of each county in which the district is located that the amount certified is available and appropriated for payment of principal and interest on its outstanding bonds, and the auditors shall reduce by that amount the taxes otherwise leviable as the district's debt service levy on the tax rolls for that year. Each debt service loan shall bear interest from its date at a rate equal to the average annual rate payable on Minnesota state school loan bonds most recently issued prior to the disbursement of the loan to the district, but in no event less than  $3\frac{1}{2}$  percent per annum on the principal amount from time to time remaining unpaid, payable on December 15 of the year following that in which the loan is received and annually thereafter.

Sec. 3. Minnesota Statutes 1988, section 124.42, subdivision 4, is amended to read:

its market value in money, such percent as will reduce the same to its market value in money;

- (3) If the board believes the valuation of the real property of any town or district in any county, or the valuation of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

- (7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization; and

Subd. 3. When a taxing jurisdiction lies in two or more counties. if the sales ratio studies prepared by the department of revenue show that the average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than five percent, the board may order the apportionment of the levy. When the sales ratio studies prepared by the department of revenue show that the average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than ten percent, the board shall order the apportionment of the levy unless (a) the proportion of total adjusted gross tax capacity value in one of the counties is less than ten percent of the total adjusted gross tax capacity in the taxing jurisdiction and the average level of assessment in that portion of the taxing jurisdiction is the level which differs by more than five percent from the assessment level in any one of the other portions of the taxing jurisdiction; (b) significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study. and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less; or (c) commercial, industrial, mineral, or public utility property predominates in one county within the taxing jurisdiction and another class of property predominates in another county within that same taxing jurisdiction. If one or more of these factors are present, the board may order the apportionment of the levy.

Notwithstanding any other provision, the levy for the metropolitan mosquito control district, metropolitan council, metropolitan transit district, and metropolitan transit area must be apportioned without regard to the percentage difference.

If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted gross tax capacity as determined by the commissioner in each portion is to the total adjusted gross tax capacity of the taxing jurisdiction.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Gross tax capacities as determined by the commissioner shall be the gross tax capacities as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on July April 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following October 1 June 30.

In any year in which no federal census is taken pursuant to law in any school district affected by sections 275.11 to 275.16 a population estimate may be made and submitted to the state demographer for approval as hereinafter provided. The school board of a school district, in case it desires a population estimate, shall pass a resolution by September July 1 containing a current estimate of the population of the school district and shall submit the resolution to the state demographer. The resolution shall describe the criteria on which the estimate is based and shall be in a form and accompanied by the data prescribed by the state demographer. The state demographer shall determine whether or not the criteria and process described in the resolution provide a reasonable basis for the population estimate and shall inform the school district of that determination within 30 days of receipt of the resolution. If the state demographer determines that the criteria and process described in the resolution do not provide a reasonable basis for the population estimate, the resolution shall be of no effect. If the state demographer determines that the criteria and process do provide a reasonable basis for the population estimate, the estimate shall be treated as the population of the school district for the purposes of sections 275.11 to 275.16 until the population of the school district has been established by the next federal census or until a more current population estimate is prepared and approved as provided herein, whichever occurs first. The state demographer shall establish guidelines for acceptable population estimation criteria and processes. The state demographer shall issue advisory opinions upon request in writing to cities or school districts as to proposed criteria and processes prior to their implementation in an estimation. The advisory opinion shall be final and binding upon the demographer unless the demographer can show cause why it should not be final and binding.

The tax lists shall also be made out to correspond with the assessment books in reference to ownership and description of property, with columns for the valuation and for the various items of tax included in the total amount of all taxes set down opposite each description; and opposite each description which has been sold for taxes, and which is subject to redemption, but not redeemed, shall be placed the words "sold for taxes." The amount of all special taxes shall be entered in the proper columns, but the general taxes may be shown by entering the rate percent of each tax at the head of the proper columns, without extending the same, in which case a schedule of the rates percent of such taxes shall be made on the first page of each tax list. If the auditor shall fail to enter on any such list before its delivery to the treasurer any tax levied, such tax may be subsequently entered. The clerk shall keep the receipt in the clerk's office. Upon written request of the taxing district, to the extent practicable, the county treasurer shall make partial payments of amounts collected periodically in advance of the next settlement and distribution. A statement prepared by the county treasurer must accompany each payment. It must state the years for which taxes included in the payment were collected and, for each year, the amount of the taxes and any penalties on the tax. Upon written request of a taxing district, except school districts, the county treasurer shall pay at least 70 percent of the estimated collection within 30 days after the March and May settlement dates date. Within seven business days after the due date, the county treasurer shall pay to the treasurer of the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district. The remaining 50 percent of the estimated collections must be paid to the treasurer of the school district within the next seven business days. The treasurer shall pay the balance of the amounts collected to the state or to a municipal corporation or other body within 60 days after the March and May settlement dates date. After 45 days interest at an annual rate of eight percent accrues and must be paid to the taxing district. Interest must be paid upon appropriation from the general revenue fund of the county. When the amount of such tax exceeds the sum of \$50 the first half shall become delinquent if not paid prior to March 1 or 30 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach on such unpaid first half. The second half of a tax in excess of \$50 shall become delinquent if not paid prior to July 1 and thereupon a penalty of eight percent shall attach on such unpaid second half. This section shall not apply to class 2a property.

A county may provide by resolution that in the case of a property owner that has multiple personal property tax statements with the aggregate taxes exceeding \$50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 67. Minnesota Statutes 1988, section 473F.06, is amended to read:

#### 473F.06 [INCREASE IN GROSS TAX CAPACITY.]

On or before September 1 July 15 of 1976 and each subsequent year, the auditor of each county in the area shall determine the amount, if any, by which the gross tax capacity determined in the preceding year pursuant to section 473F.05, of commercial-industrial property subject to taxation within each municipality in the auditor's county exceeds the gross tax capacity in 1971 of commercial-industrial property subject to taxation within that municipality. If a municipality is located in two or more counties within the area, the auditors of those counties shall certify the data required by section 473F.05 to the county auditor who is responsible under other provisions of law for allocating the levies of that municipality between or among the affected counties. The increase in gross tax capacity determined by this section shall be reduced by the amount of any decreases in the gross tax capacity of commercial-industrial property resulting from any court decisions, court related stipulation agreements, or abatements for a prior year, and only in the amount of such decreases made during the 12-month period ending on June 30 May 1 of the current assessment year, where such decreases, if originally reflected in the determination of a prior year's gross tax capacity under section 473F.05, would have resulted in a smaller

contribution from the municipality in that year. An adjustment for such decreases shall be made only if the municipality made a contribution in a prior year based on the higher gross tax capacity of the commercial-industrial property.

Sec. 68. Minnesota Statutes 1988, section 473F07, subdivision 1, is amended to read:

Subdivision 1. Each county auditor shall certify the determinations pursuant to sections 473F.05 and 473F.06 to the administrative auditor on or before November 20 August 1 of each year.   - (b) by September 5, determine the local portion of the current

year's levy by subtracting the resulting amount from clause (a) from the governmental unit's current year's levy.

- Sec. 72. Minnesota Statutes 1988, section 473F.08, subdivision 5, is amended to read:

When computing the rate of tax pursuant to section 275.08, the county auditor shall include the gross tax capacity of land as provided in this clause.
- (b) The county auditor shall compute the tax on lands valued according to subdivision 2 and nonresidential buildings by multiplying the gross tax capacity times the total rate of tax for all purposes as provided in clause (a).
- (c) The county auditor shall then compute the maximum ad valorem property tax on lands valued according to subdivision 2 and nonresidential buildings by multiplying the gross tax capacity times 105 percent of the previous year's statewide average tax capacity rate levied on property located within townships for all purposes.

(d) The tax due and payable by the owner of preserve land valued according to subdivision 2 and nonresidential buildings will be the amount determined in clause (b) or (c), whichever is less. If the gross tax in clause (c) is less than the gross tax in clause (b), the state shall reimburse the taxing jurisdictions for the amount of difference. Residential buildings shall continue to be valued and classified according to the provisions of sections 273.11 and 273.13, as they would be in the absence of this section, and the tax on those buildings shall not be subject to the limitation contained in this clause.

The county may transfer money from the county conservation account created in section 40A.152 to the county revenue fund to reimburse the fund for the tax lost as a result of this subdivision or to pay taxing jurisdictions within the county for the tax lost. Payments shall be made by the state as provided in section 273.13, subdivision 15a, at the times provided in section 477A.015 to each of the affected taxing jurisdictions, other than school districts, in the same proportion that the ad valorem tax is distributed if the county conservation account is insufficient to make the reimbursement. There is annually appropriated from the Minnesota conservation fund under section 40A.151 to the commissioner of revenue an amount sufficient to make the reimbursement provided in this subdivision. If the amount available in the Minnesota conservation fund is insufficient, the balance that is needed is appropriated from the general fund.

Subd. 5. [CERTIFICATION OF COMPLIANCE.] The taxing authority shall certify to the commissioner of revenue its compliance with this section. The certification must contain the information required by the commissioner of revenue to determine compliance with this section. If the commissioner determines that the taxing authority has failed to substantially comply with the requirements of this section, the commissioner of revenue shall notify the taxing authority and the county auditor. The decision of the commissioner is final. When fixing rates under section 275.08 for a taxing authority that has not complied with this section, the county auditor must use the taxing authority's previous year's levy.

Sec. 81. [KOOCHICHING COUNTY TAXING AUTHORITIES; PROPERTY TAX NOTICES.]

Subdivision 1. [APPLICABILITY.] Notwithstanding Minnesota Statutes, section 276.04, for property taxes payable in 1991, and thereafter, property tax notices shall be mailed and payments collected in Koochiching county as provided in this section.

Subd. 2. [MAILING OF STATEMENTS.] On or before March 31, 1991, and each year thereafter, and on or before August 31, 1991, and each year thereafter, the treasurer shall mail to the owner of each parcel of real property located in the county, three separate

statements of the real property taxes due, each for one-half of the current year amount due. One statement shall contain the taxes due to the county, a second statement shall contain the taxes due to the city or township, and a third statement shall contain the taxes due to the school district. For purposes of this paragraph, the amount of tax levied by a special taxing district shall be included, but aggregated as one separate amount, on the county statement. For 1991 only, the statement for the county taxes which are due shall be mailed five days prior to the statements for the city, township, and school district. An insert shall be included in the county taxe envelope stating:

"This is the first of three separate tax bills you will be receiving. Your property taxes will be paid directly to each taxing jurisdiction which levies taxes.

Your county tax will be mailed to your county.

Your city/township taxes will be mailed to your city/township.

Your school taxes will be mailed to your school district."

Each statement shall be mailed in a separate envelope and the statement, along with a return address envelope, shall be color coded so that the taxpayer can easily identify the three separate taxing jurisdiction statements from each other. The contents of the statement shall be in substantially the following form. If any special assessments are due on the property, the dollar amount of the special assessments shall be itemized clearly and separately on the statement to which the assessments are due.

The property taxes you owe this year on the property described above go directly to the taxing authority listed at the top of this bill. You will be receiving a separate property tax bill on this parcel from the county, city/township, and school district.

The state does not receive any property tax revenues. The state of Minnesota does, however, pay "property tax relief" to the above taxing jurisdiction. The relief is paid by the state in various forms, such as education aid for schools, local government aid to counties and cities, homestead credit, etc. The state uses money collected

primarily from individual income, corporate, and sales taxes to provide you with relief to reduce your property tax.

The state of Minnesota reduced that amount on your parcel last year by \$......

Therefore, the net property taxes you actually paid last year was \$......

The gross amount of dollars required by the city/township on this parcel this year was \$......

The state of Minnesota reduced that amount on your parcel this year by \$......

The name on each of the return envelopes shall be the name of the taxing jurisdiction to which the tax is due. Unless an agreement has been made under subdivision 5, the address on each return envelope shall be to a uniform post office box within the county.

Subd. 3. [DIRECT PAYMENTS.] A school district or city which decides to require that the real property tax payments be mailed directly to it shall notify the county treasurer, in writing, by January 15 of the year in which the taxes are due. In those instances, the address on the return envelope, which will be mailed with the tax statement, shall be the school district or city's address, as provided by the school or city official making the request. The county treasurer shall furnish the taxing authority with a list containing the owner of each parcel of real property located within the district, its property identification number, and the amount of real property taxes due for each installment. On or before January 1 of the year following the year the tax is due, the finance officer of the school district or city shall provide the county auditor with a list identifying the unpaid tax amounts. The unpaid amounts shall be treated in the same manner as provided in section 279.02.

If a school district requires direct payments under this subdivision, payments received by the district shall be included in and treated as school district tax settlement revenue under Minnesota Statutes, section 121.904, subdivision 4a.

Sec. 82. [PRESCRIPTION OF TAX STATEMENTS; NOTIFICATION.]

At least 15 working days before the commissioner prescribes the

property tax statement for taxes payable in 1990 as required under Minnesota Statutes, section 276.04, the commissioner shall notify the chairs of the senate committee on taxes and tax laws and the house committee on taxes of the property tax statement that the commissioner proposes to prescribe. The commissioner shall consider the advice and comments of the chairs before prescribing the statement.

Sec. 83. [REPEALER.]

Minnesota Statutes 1988, sections 270.81, subdivision 5; and 275.065, subdivisions 2 and 5, are repealed.

Sec. 84. [EFFECTIVE DATES.]

Section 18 is effective for sales after July 1, 1989.

Sections 30 to 36 are effective for taxes levied in 1989, payable in 1990, except as otherwise provided.

Sections 61 and 77 to 79 are effective July 1, 1989.

If a local government's transition homestead and agricultural credit aid was further allocated between portions of its levy pursuant to section 273.1398, subdivision 2, paragraph (b)(2), the levy or fund to which the transition homestead and agricultural credit aid was allocated is the levy or fund which must be adjusted.

## Sec. 15. [349.215] [EXAMINATIONS.]

Subdivision 1. [EXAMINATION OF TAXPAYER.] To determine the accuracy of a return or report, or in fixing liability under this chapter, the commissioner of revenue may make reasonable examinations or investigations of a taxpayer's place of business, tangible personal property, equipment, computer systems and facilities, pertinent books, records, papers, vouchers, computer printouts, accounts, and documents.

Subd. 2. [ACCESS TO RECORDS OF OTHER PERSONS IN CONNECTION WITH EXAMINATION OF TAXPAYER.] When conducting an investigation or an audit of a taxpayer, the commissioner of revenue may examine, except where privileged by law, the relevant records and files of a person, business, institution, financial institution, state agency, agency of the United States government, or agency of another state where permitted by statute, agreement, or reciprocity. The commissioner of revenue may compel production of these records by subpoena. A subpoena may be served directly by the commissioner of revenue.

<u>Subd.</u> 3. [POWER TO COMPEL TESTIMONY.] <u>In the administration of this chapter, the commissioner of revenue may:</u>

- (1) Administer oaths or affirmations and compel by subpoena the attendance of witnesses, testimony, and the production of a person's pertinent books, records, papers, or other data.
- (2) Examine under oath or affirmation any person regarding the business of a taxpayer concerning a matter relevant to the administration of this chapter. The fees of witnesses required by the commissioner of revenue to attend a hearing are equal to those allowed to witnesses appearing before courts of this state. The fees must be paid in the manner provided for the payment of other expenses incident to the administration of state tax law.
- (3) In addition to other remedies available, bring an action in equity by the state against a taxpayer for an injunction ordering the taxpayer to file a complete and proper return or amended return. The district courts of this state shall have jurisdiction over the action and disobedience of an injunction issued under this clause shall be punished as a contempt of district court.
- Subd. 4. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS KNOWN.] An investigation may extend to any person that the commissioner of revenue determines has access to information that may be relevant to the examination or investigation. When a subpoena requiring the production of records under subdivision 2 is served on a third-party record keeper, written notice of the subpoena must be mailed to the taxpayer and to any other person who is identified in the subpoena. The notices must be given within three days of the day on which the subpoena is served. Notice to the taxpayer required by this section is sufficient if it is mailed to the last address on record with the commissioner of revenue.
- Subd. 5. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS NOT KNOWN.] A subpoena that does not identify the person or persons whose tax liability is being investigated may be served only if:
- (1) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons;
- (2) there is a reasonable basis for believing that the person or group or class of persons may fail or may have failed to comply with tax laws administered by the commissioner of revenue;
- (3) the subpoena is clear and specific concerning information sought to be obtained; and

A party served with a subpoena that does not identify the person

or persons with respect to whose tax liability the subpoena is issued may, within three days after service of the subpoena, petition the district court in the judicial district in which that party is located for a determination whether the commissioner of revenue has complied with all the requirements in clauses (1) to (4), and thus, whether the subpoena is enforceable. If no petition is made by the party served within the time prescribed, the subpoena has the effect of a court order.

- Subd. 6. [REQUEST BY TAXPAYER FOR SUBPOENA.] When the commissioner of revenue has the power to issue a subpoena for investigative or auditing purposes, then the commissioner shall honor a reasonable request by the taxpayer to issue a subpoena on the taxpayer's behalf, if in connection with the investigation or audit.
- Subd. 7. [APPLICATION TO COURT FOR ENFORCEMENT OF SUBPOENA.] The commissioner of revenue or the taxpayer may apply to the district court of the county of the taxpayer's residence, place of business, or county where the subpoena can be served as with any other case at law, for any order compelling the appearance of the subpoenaed witness or the production of the subpoenaed records. Failure to comply with the order of the court for the appearance of a witness or the production of records may be punished by the court as for contempt.
- Subd. 8. [COST OF PRODUCTION OF RECORDS.] The cost of producing records of a third party required by a subpoena must be paid by the taxpayer, if the taxpayer requests the subpoena to be issued, or if the taxpayer has the records available but has refused to provide them to the commissioner of revenue. In other cases where the taxpayer is unable to produce records and the commissioner of revenue then initiates a subpoena for third-party records, the commissioner shall pay the reasonable cost of producing the records. The commissioner of revenue may later assess the reasonable costs against the taxpayer if the records contribute to the determination of an assessment of tax against the taxpayer.

Sec. 16. [349.2151] [ASSESSMENTS.]

Subdivision 1. [GENERALLY.] The commissioner of revenue shall make determinations, corrections, and assessments with respect to taxes (including interest, additions to taxes, and assessable penalties) imposed under this chapter.

Subd. 2. [COMMISSIONER OF REVENUE FILED RETURNS.] If a taxpayer fails to file a return required by this chapter, the commissioner of revenue may make a return for the taxpayer from information in the commissioner's possession or obtainable by the commissioner. The return is prima facie correct and valid.
