In addition, each major political party's ballot must contain a place for a voter to indicate a preference for having delegates to the party's national convention remain uncommitted, and a blank line printed below the other choices on the ballot so that a voter may write in the name of a person who is not listed on the ballot.

If a municipality which uses lever voting machines or an electronic voting system determines that the use of the machines or voting system would not be practical in the presidential primary, the municipality may use a paper ballot for the presidential primary.

Subd. 2. [VOTER CERTIFICATION; BALLOT.] An individual seeking to vote at the presidential primary shall request the ballot of the party for whose candidates the individual wishes to vote. The voter registration certificate or duplicate registration file for the presidential primary shall list the names of the political parties appearing on the ballot at the presidential primary. The county

Subd. 23. [BALLOT PREPARATION.] The secretary of state shall prepare paper ballots, absentee ballot envelopes, ballot return envelopes, election return envelopes, and summary statements for use in the presidential primary. The ballots must be printed on white paper with a separate ballot for the names of the candidates of each political party.

The secretary of state shall certify to the state chairperson of each political party appearing on the presidential primary ballot the number of delegates to which each presidential candidate is entitled.

Subd. 2. The secretary of each party's state convention or congressional district convention shall promptly notify the secretary of state of the names of the delegates to the national convention chosen as supporters of each presidential candidate. Only supporters of candidates whose names appeared on the presidential primary ballot may be chosen by the state convention of that party to be delegates to the national convention. The secretary of state shall promptly notify each presidential candidate of the names of the delegates to the national convention chosen as supporters of that candidate. If the presidential candidate determines that the delegates chosen as supporters by the state convention are not in fact committed to the candidate's candidacy, the candidate shall, within ten days of receiving the notification from the secretary of state, advise the secretary of state of the names of those delegates to whom the candidate objects on those grounds and shall name as substitute delegates any other individuals who are committed to the candidacy. The determination and selection by the presidential candidate

shall take precedence over the decision of the state convention and is final. The secretary of state shall promptly notify the secretary of the state convention of the affected political party of the action by a presidential candidate.

Subd. 3. [DELEGATE VOTES.] At the national convention, delegates chosen because of their support for a presidential candidate, unless they have been released from their obligation by the candidate, shall vote for that candidate on the first ballot at the national convention regardless of the number of votes the candidate receives, and shall also vote for the candidate on the second and third ballots if the candidate receives at least 20 percent of the votes cast on the preceding ballot; unless they have been released from that obligation by the candidate.

H. F. No. 2327, A bill for an act relating to telephone service; requiring the expansion of the metropolitan extended area telephone service, under some circumstances; proposing coding for new law in Minnesota Statutes, chapter 237.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [237.161] [EXTENDED AREA SERVICE.]

Subdivision 1. [CRITERIA.] The commission may grant a petition for installation of extended area service only when each of the following criteria has been met:

(1) the petitioning exchange is contiguous to the exchange or local calling area to which extended area service is requested in the petition;

(2) a lower cost alternative to basic flat rate service is available in the petitioning exchange; in the alternative, polling by the commission shows that 60 percent of the customers responding to the poll in

the petitioning exchange favor the installation of extended area service;

(3) polling by the commission shows that a majority of the customers responding to the poll in the petitioning exchange favor its installation, unless all parties and the commission agree that no polling is necessary;

(4) at least 50 percent of the customers in the petitioning exchange make one or more calls per month to the exchange or local calling area to which extended area service is requested, as determined by a traffic study; and

(5) the commission determines that a community of interest exists between the petitioning and the petitioned exchanges and that the installation of extended area service is in the public interest as governed by the commission's rules.

The rate to the polled exchange must be available to its customers before the commission determines what proportion of them favor the installation of extended area service.

In making the determination required in clause (4), the commission shall include a reasonable estimate of FX telephone traffic and other types of toll traffic. For the purposes of this subdivision, "FX" means tariffed telephone toll service provided by placing a telephone line from another telephone exchange area in the telephone customer's exchange area.

Subd. 2. [COSTS.] The costs for extended area service shall include the specific additional costs incurred as a result of the installation of the extended area service and the net book cost of existing facilities transferred from another service to now provide extended area service.

Subd. 3. [RATES.] Seventy-five percent of the cost of providing extended area service as identified in subdivision 2, must be apportioned to the petitioning exchange and the remaining 25 percent apportioned to the exchange or exchanges to which extended area service is requested. The cost must be apportioned among the customers in an exchange so that the relationship between the rates for classes of basic local service remains the same. The commission shall set rates that are income neutral for each affected telephone company at the point in time at which the commission determines the extended area service rates. The commission shall consider the interests of all parties when determining a fair and equitable extended area service rate for a local telephone exchange that is newly included in the extended area service.

Sec. 2. [METROPOLITAN EXTENDED AREA TELEPHONE SERVICE.]

Subdivision 1. [DEFINITION.] For the purposes of this section, "metropolitan" or "metropolitan area" means all of the area made up by the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Subd. 2. [REQUIRED EXPANSION OF METROPOLITAN EXTENDED AREA SERVICE.] Notwithstanding section 1, by July 1, 1991, the public utilities commission shall expand the metropolitan extended area service to include each local service telephone exchange served by a central office or wire center located within the metropolitan area if a majority of the consumers in an exchange that respond to polling by the commission are in favor of including that exchange in the extended area service as determined under subdivisions 3 and 4.

Subd. 3. [COMMISSION DUTIES; PROJECT.] The commission, in cooperation with each affected telephone company, shall determine the rates that would be charged to the customers in each metropolitan exchange that is not currently included in the metropolitan extended area service if that exchange were to be included. The commission shall then conduct a poll of all the customers in each exchange. The ballot or questionnaire sent to each customer must clearly identify the rate that would be charged to customers in the applicable exchange if the exchange becomes part of the metropolitan extended area service and must be returnable to the commission, at no cost to the customers, within 60 days of the date the ballot or questionnaire was mailed. If a majority of the customers in an exchange who respond to the commission's poll indicate that they favor inclusion, the commission shall include that exchange in the metropolitan extended area service.

Subd. 4. [COSTS; RATES.] The commission shall determine the costs and rates for each exchange subject to subdivision 3, as provided in section 1, subdivisions 2 and 3, and applicable commission rules.

Subd. 5. [FUTURE EXPANSION.] Customers in metropolitan exchanges that are not included in the extended area service under subdivision 3, and customers in nonmetropolitan exchanges that want to be included in the metropolitan extended area service after the completion of the project under subdivision 3, may petition the commission for inclusion under section 1 and applicable commission rules, provided that no state boundary may be crossed in expanding the metropolitan extended area service.

Subd. 6. [DUTIES; TELEPHONE COMPANIES.] Each telephone company that is potentially affected by the activities of the commission in undertaking the project required by subdivision 3 shall

cooperate with the commission in determining costs and rates and any other activity or determination necessary to implement that subdivision.

Sec. 3. [LOCAL TELEPHONE SERVICE AREA BOUNDARY CHANGE.]

The public utilities commission shall change the boundary between the Red Wing and Hastings local telephone exchanges to include Section 33, Township 116, Range 16, of Dakota county in the Hastings local telephone exchange. The commission shall follow its existing rules in making the change.

Sec. 4. [EFFECTIVE DATE; APPLICATION.]

Sections 1 to 3 are effective the day following final enactment and section 1 applies to all petitions pending before the public utilities commission unless the petitioners are customers of a metropolitan exchange and they withdraw their petition and notify the commission in writing that they want to be governed by section 2."

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 474A.02, subdivision 6, is amended to read:

Subd. 6. [DEPARTMENT; DEPARTMENT OF TRADE AND ECONOMIC DEVELOPMENT FINANCE.] “Department” means the department of trade and economic development finance.

Sec. 2. Minnesota Statutes 1988, section 474A.02, subdivision 8, is amended to read:

Subd. 8. [FEDERAL TAX LAW.] “Federal tax law” means those provisions of the Internal Revenue Code of 1986, as amended through December 31, 1989, that limit the aggregate amount of obligations of a specified type or types which may be issued by an issuer during a calendar year whose interest is excluded from gross income for purposes of federal income taxation.

Sec. 3. Minnesota Statutes 1988, section 474A.02, is amended by adding a subdivision to read:

Subd. 22b. [PUBLIC FACILITIES PROJECT.] “Public facilities project” means any publicly owned facility that is eligible to be financed with the proceeds of public facilities bonds as defined under section 474A.02, subdivision 23a.

Sec. 4. Minnesota Statutes 1988, section 474A.03, is amended to read:

474A.03 [DETERMINATION OF ANNUAL VOLUME CAP.]

Subdivision 1. [ANNUAL VOLUME CAP UNDER FEDERAL TAX LAW; POOL ALLOCATIONS.] At the beginning of each calendar year after December 31, ~~1987~~ 1990, the commissioner shall determine the aggregate dollar amount of the annual volume cap under federal tax law for the calendar year, and of this amount the commissioner shall make the following allocation:

- (1) ~~\$74,000,000~~ \$75,000,000 to the manufacturing pool;
- (2) ~~\$30,000,000~~ \$46,000,000 to the multifamily housing pool;
- (3) ~~\$21,000,000~~ \$10,000,000 to the public facilities pool; and
- (4) amounts to be allocated as provided in subdivision 2a.

If the annual volume cap is greater or less than the amount of bonding authority allocated under clauses (1) to (4) and subdivision 2a, paragraph (a), clauses (1) to (3), the allocation must be adjusted so that each adjusted allocation is the same percentage of the annual volume cap as each original allocation is of the total bonding authority originally allocated.

Subd. 2a. [ENTITLEMENT ISSUER ALLOCATION.] (a) The commissioner shall make the following allocation to the Minnesota housing finance agency and the following cities:

(1) ~~\$50,000,000~~ \$51,000,000 per year to the Minnesota housing finance agency, less any amount received in the previous year under section 474A.091, subdivision 6;

(2) \$20,000,000 per year to the city of Minneapolis; and

(3) \$15,000,000 per year to the city of Saint Paul; and

(4) ~~\$3,000,000~~ to each of the cities of the first class located outside of the metropolitan area as defined in section 473.121, subdivision 2, or an amount equal to the amount of mortgage bonds or residential rental project bonds that each city permanently issued in the previous calendar year, whichever amount is less. If a city is eligible to receive an entitlement allocation under this clause, the amount of the allocation is deducted from the allocations made under clauses (1), (2), and (3) in proportion to the total amount of allocations made in clauses (1), (2), and (3).

(b) Allocations provided under this subdivision must be used for mortgage bonds, mortgage credit certificates, or residential rental project bonds, except that entitlement cities may also use their allocations for public facility bonds.

Sec. 5. [474A.045] [SCORING SYSTEM FOR MANUFACTURING PROJECTS.]

The following criteria must be used in determining the allocation of small issue bonds for manufacturing projects. The issuer must prepare and submit to the commissioner a public purpose scoring worksheet that presents the data and methods used in determining the total score under this section. The total score is the sum of the following:

(1) the number of net direct new jobs in the state generated by the proposed project for the next two years per \$100,000 of proposed allocation multiplied by 15;

(2) the number of direct jobs retained in the state due to the proposed project per \$100,000 of proposed allocation multiplied by 15;

(3) the quotient of the total increase in net payroll generated in the state by the proposed project divided by the proposed bond allocation, multiplied by 100;

(4) the quotient of the estimated total net increase in property taxes generated in the state by the project in the first full year of operation divided by the proposed bond allocation, multiplied by 500; and

(5) the unemployment rate in the community where the proposed project is located measured as a percent of the state's unemployment rate, multiplied by ten.

The community unemployment rate used in determining the points under clause (5) must be the rate for the county in which the proposed project is located unless an accurate rate may be estimated for a smaller geographic area. The commissioner of jobs and training must approve the rate used when an unemployment rate other than that for a county is used.

If the manufacturing project will retain jobs and the total score includes points calculated under clause (2), the issuer must certify to the commissioner that the proceeds of the small issue bonds are required to retain those jobs. The commissioner shall submit the information relating to the retaining of jobs to the commissioner of trade and economic development. The commissioner of trade and economic development must verify that the proceeds of the small

issue bonds are required to retain the jobs referred to in the certification prior to the awarding of any points under this section.

Sec. 6. [474A.047] [RESIDENTIAL RENTAL BONDS; LIMITATIONS.]

Subdivision 1. [ELIGIBILITY.] An issuer may only use the proceeds from residential rental bonds if the proposed project meets one of the following:

(a) The proposed project is a single room occupancy project and all the units of the project will be occupied by individuals whose incomes are 50 percent or less of the greater of the statewide or county median income adjusted for household size as determined by the federal Department of Housing and Urban Development; or

(b) The proposed project is a multifamily project where at least 75 percent of the units have two or more bedrooms and at least 25 percent of the units have three or more bedrooms. At least 75 percent of the units of the multifamily project must be occupied by individuals or families whose incomes are 60 percent or less of the greater of the statewide or county median income adjusted for household size as determined by the federal Department of Housing and Urban Development.

The maximum rent for a proposed single room occupancy unit under paragraph (a) is 30 percent of the amount equal to 30 percent of the greater of the statewide or county median income for a one-member household as determined by the federal Department of Housing and Urban Development. The maximum rent for a multifamily project under paragraph (b) is 30 percent of the amount equal to 50 percent of the greater of the statewide or county median income as determined by the federal Department of Housing and Urban Development based on a household size with one person per bedroom.

Subd. 2. [15-YEAR AGREEMENT.] Prior to the issuance of residential rental bonds, the developer of the project for which the bond proceeds will be used must enter into a 15-year agreement with the issuer that specifies the maximum rental rates of the units in the project and the income levels of the residents of the project. The rental rates and income levels must be within the limitations established under subdivision 1. The developer must annually certify to the issuer over the term of the agreement that the rental rates are within the limitations under subdivision 1. The issuer may request individual certification of the income of all residents of the project.

If a project is found to be out of compliance with the rental rate and income levels under subdivision 1, the issuer must notify the Minnesota housing finance agency and department of revenue. The

interest earnings on the bonds issued for the project will be subject to the tax under chapter 290.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, and (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in August, or in the amount of two percent of the requested allocation on or after the last Monday in August, and (5) a public purpose scoring worksheet for small issue applications. An issuer applying for an allocation from the multifamily housing pool who does not sign an agreement requiring that the project comply with the gross rent restrictions of the low-income housing credit program under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1988, must submit an additional application deposit in the amount of two percent of the requested allocation before the last Monday in August, or in the amount of one percent of the requested allocation on or after the last Monday in August. The issuer must pay the application deposit by check. The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the multifamily housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.

Sec. 8. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

Subd. 2a. [HOUSING POOL ALLOCATION.] (a) On the first business day that falls on a Monday of the calendar year and on the first Monday in April, the commissioner shall allocate available

bonding authority in the housing pool to applications received by the Monday of the previous week for residential rental projects that meet the eligibility criteria under section 6. After April 1, and until April 15, the Minnesota housing finance agency may accept applications from cities for single-family housing programs which meet program requirements as follows:

(1) the housing program must meet a locally identified housing need and be economically viable;

(2) the adjusted income of home buyers cannot exceed the greater of the agency's income limits or 80 percent of the greater of the state or area median income as published by the Department of Housing and Urban Development;

(3) house price limits may not exceed the greater of agency house price limits or 90 percent of the median purchase price in the city for which the bonds are to be sold up to a maximum of 90 percent of the safe harbor limitations for existing housing provided under section 143(e) of the Internal Revenue Code of 1986, as amended through December 31, 1989, except that house price limits may be 100 percent of the median city purchase price if subsidy is used to reduce the effective purchase price of the property to the above levels. Data establishing the median purchase price in the city must be included in the application by a city requesting house price limits higher than the housing finance agency's house price limits;

(4) mortgage bonds may be issued during the first eight months that mortgage bond proceeds are available only for the purchase or purchase and rehabilitation of existing housing except in the following circumstances: newly constructed housing located in an area where a redevelopment project as defined under section 469.002, subdivision 14, may occur; newly constructed housing approved under the Affordable Housing Program of the Department of Housing and Urban Development; newly constructed housing located on a parcel purchased by the city or conveyed to the city under section 282.01, subdivision 1; or newly constructed housing that is part of a housing affordability initiative, other than those financed with the proceeds from the sale of bonds, in which federal, state, or local assistance is used to substantially improve the terms of the financing or to substantially write down the purchase price of the new housing; and

(5) the agency or a city may not make available, provide set asides, or commit to make available money or proceeds of bonds for the exclusive use of builders or developers for loans to eligible purchasers for new housing except for housing located in an area where a redevelopment project as defined under section 469.002, subdivision 14, may occur. This prohibition is in effect for the entire time mortgage bond proceeds are available.

The Minnesota housing finance agency may accept applications from July 1 to July 15 from cities for single-family housing programs which meet program requirements specified under clauses (1) to (5) if bonding authority is available in the housing pool. The agency and a representative for each applicant shall negotiate the terms of an agreement regarding the allocation of available authority among the applicants. The agreement must allot available bonding authority among the applicants. For purposes of paragraphs (a) to (d), "city" has the meaning given it in section 462C.02, subdivision 6, and "agency" means the Minnesota housing finance agency.

(b) Upon reaching agreement with participating cities, the agency shall forward to the commissioner the amounts allotted to each applicant pursuant to the agreement. The agency may issue bonds on behalf of participating cities. The agency shall request an allocation from the commissioner for all applicants who choose to have the agency issue bonds on their behalf and the commissioner shall allocate the requested amount to the agency. The agency may request an allocation at any time between the first Tuesday after the first Monday in April and the last Monday in August, but may request an allocation no later than the last Monday in August.

(c) A city may choose to issue bonds on its own behalf or through a joint powers agreement and may request an allocation from the commissioner. If the total amount requested by all applicants exceeds the amount available in the pool, the city may not receive a greater allocation than the amount it would have received under the agreement forwarded by the Minnesota housing finance agency to the commissioner. No city may request or receive an allocation from the commissioner until the agreement under paragraph (b) has been forwarded to the commissioner. Between the first Monday in April and the last Monday in August, no city may receive an allocation from the housing pool which has not first applied to the Minnesota housing finance agency.

(d) If a city issues mortgage bonds from an allocation received under paragraph (c), the issuer must provide for the recycling of funds into new loans. If the issuer is not able to provide for recycling, the issuer must notify the commissioner in writing of the reason that recycling was not possible and the reason the issuer elected not to have the Minnesota housing finance agency issue the bonds. "Recycling" means the use of money generated from the repayment and prepayment of loans for further eligible loans or for the redemption of bonds and the issuance of current refunding bonds.

(e) The total amount of allocation for mortgage bonds for one city is limited to the lesser of (i) \$4,000,000 or (ii) 20 percent of the total amount available for allocation for mortgage bonds from the housing pool after the first Monday in April.

Sec. 9. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

Subd. 2b. [MANUFACTURING POOL ALLOCATION.] From the beginning of the calendar year until the last Monday in August, the commissioner shall allocate available bonding authority from the manufacturing pool on Monday of each week to applications received on or before the Monday of the preceding week. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 5. Proposed projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed projects that receive less than 50 points are eligible to receive a proportionally reduced share of the proposed authority.

If there are two or more applications for manufacturing projects from the manufacturing pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

Sec. 10. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

Subd. 2c. [PUBLIC FACILITIES POOL ALLOCATION.] From the beginning of the calendar year until the last Monday in August, the commissioner shall allocate available bonding authority from the public facilities pool on Monday of each week to applications for eligible public facilities projects received on or before the Monday of the preceding week. If there are two or more applications for public facilities projects from the pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

Sec. 11. Minnesota Statutes 1988, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first Monday Tuesday in September only if the issuer has submitted to the department before the first Monday Tuesday in September a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. The Minnesota housing finance agency may retain an unused portion of an allocation after

the first Tuesday in September without submitting an additional deposit.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 474A.061, subdivision 4, is amended to read:

Subd. 4. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section by the end of the current year within 90 days of allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in August, the amount of allocation is canceled and returned must be reallocated for reallocation through the pool from which it was originally allocated. If the issuer notifies the department or the 90-day period since allocation has expired on or after the last Monday in August, the amount of allocation is canceled and returned must be reallocated for reallocation through the unified pool. If the issuer notifies the department after the last Monday in November, the amount of allocation is canceled and returned must be reallocated for reallocation to the Minnesota housing finance agency.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of allocation shall receive within 30 days a refund of all of its application deposits equal to:

(1) one-half of the amount on application deposit for the amount of bonding authority returned before the first Monday in November within 30 days of receiving allocation;

(2) one-fourth of the amount on application deposit for the amount of bonding authority returned on or after the first Monday in November and before the third Monday in November between 31 and 60 days of receiving allocation; and

(3) one-eighth of the amount on application deposit for the amount of bonding authority returned on or after the third Monday in November and before the last Monday in November between 61 and 90 days of receiving allocation.

No refund shall be available for allocations returned on or after the last Monday in November 90 or more days after receiving the allocation. This subdivision does not apply to the Minnesota housing finance agency.

Sec. 13. Minnesota Statutes 1988, section 474A.081, as amended by Laws 1989, chapter 328, article 1, section 21, is amended to read:

474A.081 [POOL TRANSFERS.]

Subdivision 1. [AUTHORITY TO TRANSFER BONDING AUTHORITY.] If there is insufficient bonding authority in either the manufacturing pool or the multifamily housing pool to provide allocations for applications received in any one week, additional bonding authority for small issue bonds and residential rental project bonds may be obtained under this section.

Subd. 2. [TRANSFER LIMITS.] No transfer of bonding authority may be made from any pool for qualified bonds not eligible to receive allocations from that pool (i) prior to June 30, or (ii) if, on June 30, allocations of bonding authority have been made from that pool equal to or exceeding 50 percent of the annual volume cap originally allocated to that pool. For 1987, the amount considered originally allocated to each of the pools shall be \$80,000,000 for the manufacturing pool and \$60,000,000 for the multifamily housing pool.

Subd. 4. [POOL TRANSFERS.] If there is insufficient bonding authority to provide allocations for all small issue bonds or residential rental project bonds in any one week, applications for small issue bonds may receive bonding authority from the multifamily housing pool or applications for residential rental project bonds may receive bonding authority from the manufacturing pool, except as provided in subdivision 2. If bonding authority is transferred from one pool to the other pool, applications for small issue bonds must receive priority for allocations from the manufacturing pool, and applications for residential rental project bonds must receive priority for allocations from the multifamily housing pool.

Sec. 14. Minnesota Statutes 1988, section 474A.091, subdivision 1, is amended to read:

Subdivision 1. [UNIFIED POOL AMOUNT.] On the day after the last Monday in August any bonding authority remaining unallocated from the manufacturing pool, the multifamily housing pool, and the public facilities pool is transferred to the unified pool and must be reallocated as provided in this section.

Sec. 15. Minnesota Statutes Second 1989 Supplement, section 474A.091, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the

type of qualified bonds to be issued, and (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for small issue applications. An issuer applying for an allocation for residential rental project bonds who does not sign an agreement requiring that the project comply with the gross rent restrictions of the low-income housing credit program under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1988, must submit an additional application deposit in the amount of one percent of the requested allocation. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in September. Notwithstanding the restrictions imposed on unified pool allocations after October 1, under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the unified pool after October 1. The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 16. Minnesota Statutes Second 1989 Supplement, section 474A.091, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in September through and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before October 1, allocations shall be awarded from the unified pool in the following order of priority:

(1) applications for small issue bonds, with preference given to projects to be located in distressed counties designated under section 297A.257;

(2) applications for residential rental project bonds, with preference given to issuers agreeing to require that the project comply

with the gross rent restrictions of the low-income housing credit program under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1988;

(3) applications for public facility projects funded by public facility bonds;

(4) applications for redevelopment bonds;

(5) applications for mortgage bonds; and

(6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in September. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 5. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 5 are only eligible to receive a proportionally reduced share of the proposed authority. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 5 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in October, \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the manufacturing pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the manufacturing pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in October, ~~\$5,000,000~~ \$2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds and public facility bonds, ~~three-fourths~~ seven-eighths of the remaining available bonding authority is reserved for small issue bonds and ~~one-fourth~~ one-eighth of the remaining available bonding authority is reserved for public facility bonds.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

- (i) \$10,000,000 for any one city; or
- (ii) \$20,000,000 for any number of cities in any one county; or
- (iii) 60 percent of the amount initially allocated to the unified pool.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After October 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, with preference given to manufacturing projects to be located in distressed counties designated under section 207A.257, public facility bonds, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Sec. 17. Minnesota Statutes 1988, section 474A.091, subdivision 4, is amended to read:

Subd. 4. [MORTGAGE BOND SUNSET BONDS.] If federal tax law is not amended to permit the issuance of tax exempt mortgage bonds after December 31, 1988, All remaining bonding authority available for allocation under this section on December 1, 1988, is allocated to the Minnesota housing finance agency. For purposes of this subdivision, "city" has the meaning given it in section 462C.02, subdivision 6. The Minnesota housing finance agency shall reallocate at least 50 percent of the remaining bonding authority available for allocation to cities requesting an allocation on or before November 1, 1988, for the issuance of mortgage bonds. A city may apply for an allocation under this subdivision by submitting to the Minnesota housing finance agency an application on or before November 1, 1988, on forms provided by the agency. After December 1, 1988, any unallocated bonding authority remaining after all city requests are filled is reallocated to the Minnesota housing finance agency for issuance by the agency or for reallocation to a city requesting an allocation on or before November 1, 1988.

Sec. 18. Minnesota Statutes 1988, section 474A.091, subdivision 5, is amended to read:

Subd. 5. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section by the end of the current year within 90 days of the allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in November, the amount of allocation is canceled and returned must be reallocated for reallocation through the unified pool.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of the allocation shall receive within 30 days a refund of its application deposit equal to:

(1) one-half of the amount on application deposit for the amount of bonding authority returned before the first Monday in November within 30 days of receiving the allocation;

(2) one-fourth of the amount on application deposit for the amount of bonding authority returned on or after the first Monday in November and before the third Monday in November between 31 and 60 days of receiving the allocation; and

(3) one-eighth of the amount on application deposit for the amount of bonding authority returned on or after the third Monday in November and before the last Monday in November between 61 and 90 days of receiving the allocation.

No refund of the application deposit shall be available for allocations returned on or after the last Monday in November. This subdivision does not apply to the Minnesota housing finance agency.

Sec. 19. Minnesota Statutes 1988, section 474A.131, subdivision 2, is amended to read:

Subd. 2. [CARRYFORWARD NOTICE.] If an issuer intends to carry forward an allocation received under this chapter, it must notify the department in writing before the last Monday of December. If the written notice of carryforward is not provided within the time required, one-quarter of the amount of the application deposit eligible for refund upon filing of the notice of issue under this section is forfeited.

Sec. 20. Minnesota Statutes 1988, section 474A.14, is amended to read:

474A.14 [NOTICE OF AVAILABLE AUTHORITY.]

The department shall publish in the State Register at least twice monthly, a notice of the amount of bonding authority, if any, available for allocation pursuant to sections 474A.061 and 474A.091 in the housing, manufacturing, and public facilities pools as soon after January 1 as possible. The department shall publish in the State Register a notice of the amount of bonding authority available for allocation in the unified pool as soon after September 1 as possible.

Sec. 21. [SUNSET OF QUALIFIED BONDS.]

Subdivision 1. [TRANSFER.] If federal tax law is not amended by May 31, 1990, to permit the issuance of tax exempt mortgage bonds or small issue bonds past September 30, 1990, all remaining bonding authority available for allocation in housing, manufacturing, and public facilities pools is transferred to the unified pool on the first business day in June and must be reallocated as provided in this section.

Subd. 2. [APPLICATION.] An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for small issue applications as provided under section 5. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in June. Notwithstanding the restrictions imposed on the unified pool allocations after July 1 under subdivision 3, paragraph (c), clause (2), the agency may be awarded allocations for mortgage bonds from the unified pool after July 1. The agency may apply for and receive an allocation under this section without submitting an application deposit.

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in June through and on the last Monday in August. Applications for allocations must be received by the department by the Monday

preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day.

(b) On or before July 1, allocations shall be awarded from the unified pool in the following order of priority:

- (1) applications for small issue bonds;
- (2) applications for residential rental project bonds;
- (3) applications for public facilities projects financed with public facility bonds;
- (4) applications for redevelopment bonds;
- (5) applications for mortgage bonds; and
- (6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in June and must meet the eligibility requirements of section 6. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 5. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocations. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 5 with those projects receiving the greatest number of points receiving allocation first. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

(c)(1) On the first Monday in July, \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the manufacturing pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the manufacturing pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in July, \$2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year,

whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds and public facility bonds, seven-eighths of the remaining available bonding authority is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds.

(2) Allocations for mortgage bonds from the unified pool may not exceed:

(i) \$10,000,000 for any one city;

(ii) \$20,000,000 for any number of cities in any one county; or

(iii) 60 percent of the amount initially allocated to the unified pool.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After July 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Subd. 4. [REMAINING ALLOCATION.] Any remaining bonding authority that has not been allocated by September 1 in the unified pool shall be allocated to the Minnesota housing finance agency.

Subd. 5. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section within 90 days of the allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in August, the amount of allocation is canceled and returned for reallocation through the unified pool.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of the allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving the allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving the allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 90 days of receiving the allocation.

No refund of the application deposit shall be available for allocations returned on or after the last Monday in August.

HOUSE RESOLUTION NO. 17

A house resolution designating and proclaiming April 22, 1990, as Earth Day 1990.

Whereas, almost 20 years ago, more than 20 million Americans joined together on Earth Day in a demonstration of concern for the environment, and their collective action resulted in the passage of sweeping new laws to protect our air, water, and land; and

Whereas, in the 19 years since the first Earth Day, despite environmental improvements, the environmental health of the planet is increasingly endangered, threatened by global climate change, ozone depletion, growing world population, tropical deforestation, ocean pollution, toxic wastes, desertification, and nuclear waste requiring action by all sectors of society; and

Whereas, Earth Day 1990 is a national and international call to action for all citizens to join in a global effort to save the planet; and

Whereas, Earth Day 1990 activities and events will educate all citizens on the importance of acting in an environmentally sensitive fashion by recycling, conserving energy and water, using efficient transportation, and adopting more ecologically sound lifestyles; and

Whereas, Earth Day 1990 will also educate all citizens on the importance of buying and using those products least harmful to the environment, the importance of doing business with companies that are environmentally sensitive and responsible, the importance of voting for those candidates who demonstrate an abiding concern for

the environment, and the importance of supporting the passage of legislation that will help protect the environment; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota that it designate and proclaim April 22, 1990, as Earth Day 1990, and that that day shall be set aside for public activities promoting preservation of the global environment and launching the "Decade of the Environment."

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare an enrolled copy of this resolution, to be authenticated by his signature and that of the Speaker, and that it be presented to the appropriate Minnesota organizations planning public activities for Earth Day 1990.

Munger moved that House Resolution No. 17 be now adopted. The motion prevailed and House Resolution No. 17 was adopted.

House Resolution No. 18 was reported to the House.

HOUSE RESOLUTION NO. 18

A house resolution relating to Earth Day; April 22, 1990.

Whereas, April 22, 1990, marks the 20th anniversary of Earth Day, a citizen awakening of how humans can affect the environment; and

Whereas, activities and awareness spawned by the original Earth Day led to key federal environmental legislation being enacted and new state law, such as the Environmental Rights Act, the Environmental Policy Act, the Waste Management Act, the state Superfund Act, the Reinvest in Minnesota Resources Act, and the constitutionally created Environmental Trust Fund; and

Whereas, the Environment and Natural Resources committees of the Minnesota House and Senate have played an important part in enacting the above state legislation, as well as countless other environmental laws during the past 20 years, thus leading to a national reputation as an environmentally progressive state; and

Whereas, public concern for the environment has grown, standing as an important and enduring legacy of the last 20 years, and the public stands ready to act in support of new environmental initiatives; and

Whereas, the call for environmental action has become a global

effort, with needs to act on ozone depletion, global warming, forest destruction, oil spills, growing world population, and international air and water pollution; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota that the citizens of the state are encouraged to participate in and support all events and activities honoring Earth Day 1990, and throughout the year.

Be It Further Resolved that the Chief Clerk of the House of Representatives shall be directed to prepare enrolled copies of this resolution, to be authenticated by his signature and that of the Speaker, and that they be presented to representatives of organizations sponsoring events and activities recognizing Earth Day.

Munger moved that House Resolution No. 18 be now adopted. The motion prevailed and House Resolution No. 18 was adopted.

Carruthers, Schreiber, Scheid and Limmer introduced:

House Resolution No. 19, A house resolution commending the Sunny Hollow Elementary School, New Hope, Minnesota, for their efforts in environmental activism.

SUSPENSION OF RULES

Carruthers moved that the rules be so far suspended that House Resolution No. 19 be now considered and be placed upon its adoption. The motion prevailed.

HOUSE RESOLUTION NO. 19

A house resolution commending the Sunny Hollow Elementary School, New Hope, Minnesota, for their efforts in environmental activism.

Whereas, a "pollution solution" has excited the school principal, teachers, and students of Sunny Hollow Elementary School; and

Whereas, Clinton Hill, who passed away recently, left his 6th grade classmates to carry out his dream that kids could save the Earth and all the creatures upon it from pollution; and

Whereas, Will and Tessa Hill, Clinton's parents, have taken the initiative to follow through with his dreams, and have taken steps to keep alive Clinton's Kids for Saving Earth Club; and

Whereas, about \$5,000 in unsolicited donations have come in for the cause, and Target Stores is putting in nearly \$1,000,000 towards the dream; and

Whereas, the Kids for Saving Earth Club and Target Stores have plans to:

Put brochures telling about Clinton's crusade inside advertising supplements;

Broadcast 30-second commercials during Earth Week telling about the kids' involvement;

Give away 5 million posters with tips on things that kids can do to help the environment;

Sell special T-shirts and donate the profits to Kids for Saving Earth Club;

Give the State of Minnesota a Kids for Saving Earth flag to fly over the Capitol on Earth Day, April 22, 1990; and

Prepare kits for every elementary school in the country explaining how they can start their own clubs; and

Whereas, by passing Clinton's dream to other elementary schools across the country, the dream of using "kid power" to clean up the environment comes closer to a reality; *Now, Therefore*,

Be It Resolved by the House of Representatives of the State of Minnesota that it commend the Sunny Hollow Elementary School for their efforts and increased environmental awareness.

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare an enrolled copy of this resolution, to be authenticated by his signature and that of the Speaker, and that it be presented to Sunny Hollow Elementary School, New Hope, Minnesota.

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 254A.03, is amended by adding a subdivision to read:

Subd. 4. [RULE AMENDMENT.] The commissioner shall by emergency rulemaking amend Minnesota Rules, parts 9530.6600 to 9530.7030, in order to contain costs and increase collections for the consolidated chemical dependency treatment fund. The amendment must establish criteria that will:

(1) increase the use of outpatient treatment for individuals who can abstain from mood-altering chemicals long enough to benefit from outpatient treatment;

(2) increase the use of outpatient treatment in combination with primary residential treatment;

(3) increase the use of long-term treatment programs for individuals who are not likely to benefit from primary residential treatment; and

(4) limit the repeated use of residential placements for individuals who have been shown not to benefit from residential placements, including long-term residential treatment.

Sec. 2. [254A.17] [PREVENTION AND TREATMENT INITIATIVES.]

Subdivision 1. [TRAINING.] The commissioner shall offer training in chemical dependency diagnostic and intervention services through appropriate human services programs managed by the department. Child care workers, social workers, and others shall be trained to recognize the symptoms of chemical abuse and dependency and respond with appropriate referrals or interventions.

Subd. 2. [ADDICTION RESEARCH.] The commissioner shall award grants to support research in the causes and mitigation of chemical addiction, coordinate these efforts with other related research, and disseminate the results.

Subd. 3. [MATERNAL AND CHILD SERVICE PROGRAMS.] The commissioner shall fund maternal and child health and social service programs designed to improve the health and functioning of children born to mothers using alcohol and controlled substances. Comprehensive programs shall include immediate and ongoing intervention, treatment, and coordination of medical, educational, and social services through a child's preschool years. Programs shall also include research and evaluation to identify methods most effective in improving outcomes among this high-risk population.

Subd. 4. [CHILD PROTECTION PROGRAMS.] The commissioner shall fund innovative child protection programs for children and families at risk due to substance abuse. Funding of a program under this subdivision must result in (1) earlier intervention; (2) the provision of in-home supervision; and (3) case management of all services required. Programs must also include research and evaluation to identify methods most effective in child protection services for this high-risk population.

Subd. 5. [STATEWIDE DETOXIFICATION TRANSPORTATION

Sec. 3. Minnesota Statutes 1989 Supplement, section 254B.03, subdivision 4, is amended to read:

Subd. 4. [DIVISION OF COSTS.] Except for services provided by a county under section 254B.09, subdivision 1, or services provided under section 256B.69 or 256D.03, subdivision 4, paragraph (b), the county shall, out of local money, pay the state for 15 percent of the cost of chemical dependency services, including those services provided to persons eligible for medical assistance under chapter 256B and general assistance medical care under chapter 256D. Counties may use the indigent hospitalization levy for treatment and hospital payments made under this section. Fifteen percent of any state collections from private or third-party pay, less 15 percent of the cost of payment and collections, must be distributed to the county that paid for a portion of the treatment under this section. If all funds allocated according to section 254B.02 are exhausted by a county and the county has met or exceeded the base level of expenditures under section 254B.02, subdivision 3, the county shall pay the state for 15 percent of the costs paid by the state under this section. The commissioner may refuse to pay state funds for services to persons not eligible under section 254B.04, subdivision 1, if the county financially responsible for the persons has exhausted its allocation.

gency services. The commissioner may seek amendments to the waivers or apply for additional waivers to contain costs. 60B.15 [GROUNDS FOR REHABILITATION.]

The commissioner may apply by verified petition to the district court for Ramsey county or for the county in which the principal office of the insurer is located for an order directing the commissioner to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

(1) Any ground on which the commissioner may apply for an order of liquidation under section 60B.20, whenever the commissioner believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer, its policyholders or to the public;

(2) That the commissioner has reasonable cause to believe that there has been theft from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer or other illegal conduct in, by or with respect to the insurer, which endanger assets in an amount threatening insolvency of the insurer;

(3) That substantial and unexplained discrepancies exist between the insurer's records and the most recent annual report or other official company reports;

(4) That the insurer, after written demand by the commissioner, has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found by the commissioner after notice and hearing to be dishonest or untrustworthy in a way affecting the insurer's business such as is the basis for action under section 60A.051;

(5) That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one or more persons found by the commissioner after notice and hearing to be dishonest or untrustworthy such as is the basis for action under section 60A.051;

(6) That the insurer, after written demand by the commissioner, has failed within a reasonable period of time to terminate the employment and status and all influences on management of any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee or other person if the

person has refused to submit to lawful examination under oath by the commissioner concerning the affairs of the insurer, whether in this state or elsewhere;

(7) That after lawful written demand by the commissioner the insurer has failed to submit promptly any of its own property, books, accounts, documents, or other records, or those of any subsidiary or related company within the control of the insurer, or those of any person having executive authority in the insurer so far as they pertain to the insurer, to reasonable inspection or examination by the commissioner or an authorized representative. If the insurer is unable to submit the property, books, accounts, documents, or other records of a person having executive authority in the insurer, it shall be excused from doing so if it promptly and effectively terminates the relationship of the person to the insurer;

(8) That without first obtaining the written consent of the commissioner, or if required by law, the written consent of the attorney general, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business of any other person;

(10) That within the previous year the insurer has willfully violated its charter or articles of incorporation or its bylaws or any applicable insurance law or regulation of any state, or of the federal government, or any valid order of the commissioner under section 60B.11 in any manner or as to any matter which threatens substantial injury to the insurer, its creditors, its policyholders or the public, or having become aware within the previous year of an unintentional or willful violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violations in the future;

(11) That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors, its policyholders, or the public is threatened by reason thereof;

(12) That the insurer has failed to pay for 60 days after due date any obligation to this state or any political subdivision thereof or

any judgment entered in this state, except that such nonpayment shall not be a ground until 60 days after any good faith effort by the insurer to contest the obligation or judgment has been terminated, whether it is before the commissioner or in the courts;

(13) That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the commissioner has failed to give an adequate explanation immediately;

(14) That two-thirds of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under sections 60B.01 to 60B.61;

(15) That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements;

(e) within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future.

Sec. 3. Minnesota Statutes 1988, section 60B.17, subdivision 2, is amended to read:

Subd. 2. [GENERAL POWER.] Subject to court approval, the rehabilitator may take such action as that person deems necessary or expedient to reform and revitalize the insurer. The rehabilitator shall have all the powers of the officers and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator and shall have full power to direct and manage; to hire and discharge employees subject to any contract rights they may have, and to deal with the property and business of the insurer.

The power of the rehabilitator of a health maintenance organization includes the power to transfer coverage obligations to a solvent and voluntary health maintenance organization, insurer, or non-profit health service plan, and to assign provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization, insurer, or nonprofit health service plan permitted to enter into such agreements. The rehabilitator shall not be required to meet the requirements of section 62D.121. Transferees of coverage obligations or provider contracts shall have no liability to creditors or obligees of the health maintenance organization except those liabilities expressly assumed.

Sec. 4. Minnesota Statutes 1988, section 60B.17, is amended by adding a subdivision to read:

Subd. 8. [PLAN OF REHABILITATION FOR A HEALTH MAINTENANCE ORGANIZATION.] (a) The rehabilitator of a health maintenance organization, after consultation with the board of directors of the health maintenance organization, has the sole authority to propose a plan of rehabilitation.

(b) The court shall approve a plan of rehabilitation of a health maintenance organization if it meets the following criteria:

(1) the plan provides for payments to lien claimants equal to the value of each lien claim on the date of approval of the plan and may provide for payment of lien claims beyond the effective date of the plan and beyond the original repayment period for the obligation

underlying the claim where the plan provides sufficient protection for the lien claim during the period for such claim under the rehabilitation plan;

(2) the plan provides for payment in full of each prior class of claims before payment of the next class;

(3) the plan provides for payment in full of all claims for taxes of the United States Government, except for claims for interest accruing during the rehabilitation or claims for penalties. The plan may provide for payment of the claims over any period of time up to ten years after the effective date of the plan; and

(4) the plan is fair and equitable as to each class of claims for which the plan does not provide full payment. In determining whether the plan is fair and equitable to these claimants, the court shall consider the feasibility of the plan, the health maintenance organization's ability to generate a significant surplus, the health maintenance organization's need to expend money to change or expand its business, and the injury to enrollees through loss of coverage, if such a plan is not approved.

(c) The plan may provide for transfer of the health maintenance contracts and liquidation of the health maintenance organization.

(d) The court's approval of a plan of rehabilitation discharges the health maintenance organization from all claims except to the extent provided in the plan.

Sec. 5. [60B.171] [USE, SALE, OR TRANSFER OF ASSETS DURING REHABILITATION.]

Subdivision 1. [REHABILITATOR AUTHORITY TO USE, SELL, TRANSFER ASSETS.] In addition to the powers of the rehabilitator provided in this chapter, during rehabilitation of a health maintenance organization, the rehabilitator may use, sell, or transfer assets as provided in this section.

Subd. 2. [ORDINARY COURSE OF BUSINESS.] (a) The rehabilitator may use, sell, or transfer assets in which a person has a lien, which are not cash or cash equivalents, in the ordinary course of business without approval of the court, except that the rehabilitator must provide sufficient protection for that lien unless the lienholder consents.

(b) The rehabilitator may use, sell, or transfer cash or cash equivalents in which any person has a lien in the ordinary course of business only if:

(1) each person who has a lien in the assets consents; or

(2) after notice and a hearing, the court finds that the rehabilitator has or will provide the person who has a lien with sufficient protection for that lien.

Subd. 3. [OUT OF THE ORDINARY COURSE OF BUSINESS.]
(a) The rehabilitator may use, sell, or transfer assets in which any person has a lien out of the ordinary course of business with court approval where:

(1) the person that has a lien consents; or

(2) the rehabilitator provides sufficient protection for that lien. Sufficient protection includes, but is not limited to, equivalent substitute collateral or payments in the amount approximately equal to decrease in value or amount of collateral.

(b) Any sale or transfer shall be free and clear of all lien interests, if:

(1) all persons with liens in the assets to be sold or transferred consent to the sale or transfer;

(2) the consideration for the sale or transfer exceeds the total amount of all liens in the assets to be transferred;

(3) the rehabilitator provides sufficient protection for all lien claims in the assets; or

(4) other law permits a sale or transfer free and clear of any lien.

Sec. 6. [60B.181] [NOTICE REGARDING REHABILITATION OR LIQUIDATION PROCEEDING.]

In an insolvency proceeding against a health maintenance organization, at the time the rehabilitator or liquidator gives notice to creditors and enrollees according to section 60B.26, the rehabilitator or liquidator shall also give notice that any interested party may request in writing notice of subsequent actions or hearings in the proceeding. After the initial notice, the rehabilitator or liquidator may give notice only to those with a direct stake in any action or hearing and to those who have requested notice in writing. However, the rehabilitator or liquidator must give all claimants who timely file proofs of claims notice of any plan of rehabilitation or liquidation.

Sec. 7. [60B.191] [CLAIMS REGARDING REHABILITATION AND LIQUIDATION OF HEALTH MAINTENANCE ORGANIZATIONS.]

Subdivision 1. [PRIORITY OF CLAIMS.] The rehabilitator or liquidator of a health maintenance organization shall, in lieu of the classification otherwise provided in this chapter, classify all approved claims into the following classes:

(1) claims for ordinary and necessary expenses of operating and administering the health maintenance organization during rehabilitation or liquidation proceeding. Administrative expenses of a rehabilitation proceeding shall constitute administrative expenses of the liquidation proceeding;

(2) claims of the United States government for unpaid taxes;

(3) claims by persons employed by the health maintenance organization for services rendered within the four months before the initiation of any insolvency proceeding, up to \$1,000. Employee claimants shall not be entitled to any lien claim or other claim under chapter 514;

(4) claims by all providers for health care goods and services to the extent covered under a health maintenance contract between enrollees and the health maintenance organization, and claims by enrollees for coverage under a health maintenance contract with the health maintenance organization;

(5) claims which are not secured by any perfected lien or security interest in assets of the health maintenance organization and which are not otherwise classified; or

(6) claims subordinated under this chapter, chapter 62D, or by agreement with the health maintenance organization or the commissioner of health.

Subd. 2. [CLAIMS FOR MALPRACTICE.] As to a health maintenance organization, a claim shall be classified as an unsecured claim if it is made by an enrollee, a parent or guardian of an enrollee, or a person seeking contribution based on injuries to an enrollee, for damages of any type related to death or bodily illness or injury based on improper provisions or failure to provide health care goods or services by a health maintenance organization and its employees, or a provider and its employees to an enrollee of the health maintenance organization. However, a claimant who has secured a judgment or settlement shall receive any insurance proceeds received by the health maintenance organization based on the claims or the medical care provided to the enrollee, other than reinsurance payable because the aggregate value of services to an enrollee exceeds a certain amount, less any expenses, including reasonable attorneys' fees the health maintenance organization incurred in defending the claim or prosecuting its claim against the insurer. This section does not expand the liability of health maintenance organizations on bodily injury to enrollees.

Sec. 8. [60B.193] [LIABILITY OF ENROLLEES.]

Upon any Minnesota state district court's order of rehabilitation or liquidation of a health maintenance organization under this chapter, all providers of health care goods or services to enrollees of the health maintenance organization, regardless of whether they have a written contract with the health maintenance organization, are prohibited from attempting to collect or collecting payment for authorized referrals from any enrollee of the health maintenance organization for goods or services to the extent the health maintenance organization is obligated to cover the goods and services under a health maintenance contract with the enrollee. A provider's only recourse is to file a claim against the health maintenance organization in the insolvency proceeding and to receive payment in the proceeding.

Sec. 9. Minnesota Statutes 1988, section 60B.20, is amended to read:

60B.20 [GROUNDS FOR LIQUIDATION.]

The commissioner may apply by verified petition to the district court for Ramsey county or for the county in which the principal office of the insurer is located for an order to liquidate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

(1) Any ground on which the commissioner may apply for an order of rehabilitation under section 60B.15, whenever the commissioner believes that attempts to rehabilitate the insurer would substantially increase the risk of loss to its creditors, its policyholders, or the public, or would be futile, or that rehabilitation would serve no useful purpose;

(2) That the insurer is or is about to become insolvent;

(3) That the insurer has not transacted the business for which it was organized or incorporated during the previous 12 months or has transacted only a token such business during that period, although authorized to do so throughout that period, or that more than 12 months after incorporation it has failed to become authorized to do the business for which it was organized or incorporated;

(4) That the insurer has commenced, or within the previous year has attempted to commence, voluntary dissolution or liquidation otherwise than as provided in section 60B.04, subdivision 3 in the case of a solvent insurer;

(5) That the insurer has concealed records or assets from the

commissioner or improperly removed them from the jurisdiction, or the commissioner believes that the insurer is about to do so;

(6) That the insurer does not satisfy the requirements that would be applicable if it were seeking initial authorization in this state to do the business for which it was organized or incorporated, except for:

(a) (i) Requirements that are intended to apply only at the time the initial authorization to do business is obtained, and not thereafter; and

(b) (ii) Requirements that are expressly made inapplicable by the laws establishing the requirements;

(7) That the holders of two-thirds of the shares entitled to vote, or two-thirds of the members or policyholders entitled to vote in an insurer controlled by its members or policyholders, have consented to a petition;

(8) In addition to the grounds in clauses (1) to (7), any one of the following constitutes grounds for liquidation of a health maintenance organization:

(i) the health maintenance organization is unable or is expected to be unable to meet its debts as they become due;

(ii) grounds exist under section 62D.042, subdivision 7;

(iii) the health maintenance organization's liabilities exceed the current value of its assets, exclusive of intangibles and, where the guaranteeing organization's financial condition no longer meets the requirements of sections 62D.041 and 62D.042, exclusive of any deposits, letters of credit, or guarantees provided by any guaranteeing organization under chapter 62D;

(iv) within the last year the health maintenance organization has failed, and the commissioner of health expects failure to continue in the future, to make comprehensive medical care adequately available and accessible to its enrollees and the health maintenance organization has not successfully implemented a plan of corrective action pursuant to section 62D.121, subdivision 7; and

(v) within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future.

Sec. 10. Minnesota Statutes 1988, section 60B.25, is amended to read:

60B.25 [POWERS OF LIQUIDATOR.]

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. The liquidator shall coordinate having an interest in the liquidation and shall submit a report detailing how coordination will be achieved to the court for its approval within 30 days following appointment, or within the time which the court, in its discretion, may establish. Subject to the court's control, the liquidator may:

(1) Appoint a special deputy to act under sections 60B.01 to 60B.61 and determine the deputy's compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.

(2) Appoint or engage employees and agents, actuaries, accountants, appraisers, consultants, and other personnel deemed necessary to assist in the liquidation without regard to chapter 14.

(3) Fix the compensation of persons under clause (2), subject to the control of the court.

(4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of the appropriation made to the department of commerce. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the department of commerce out of the first available money of the insurer.

(5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath and compel any person to subscribe to testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, records, or other documents which the liquidator deems relevant to the inquiry.

(6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve, or protect its assets or property, including sell, compound, compromise, or assign for purposes of collection, upon such terms and conditions as the liquidator

deems best, any bad or doubtful debts; and pursue any creditor's remedies available to enforce claims.

(7) Conduct public and private sales of the property of the insurer in a manner prescribed by the court.

(8) Use assets of the estate to transfer coverage obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under section 60B.44.

(9) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds \$10,000 shall be concluded without express permission of the court. The liquidator may also execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county recorder for the county in which the property is located a certified copy of the order of appointment.

(10) Borrow money on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.

(11) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party.

(12) Continue to prosecute and institute in the name of the insurer or in the liquidator's own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims the liquidator deems unprofitable to pursue further. If the insurer is dissolved under section 60B.23, the liquidator may apply to any court in this state or elsewhere for leave to be substituted for the insurer as plaintiff.

(13) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person.

(14) Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.

(15) Deposit in one or more banks in this state such sums as are

required for meeting current administration expenses and dividend distributions.

(16) Deposit with the state board of investment for investment pursuant to section 11A.24, all sums not currently needed, unless the court orders otherwise.

(17) File any necessary documents for record in the office of any county recorder or record office in this state or elsewhere where property of the insurer is located.

(18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.

(19) Exercise and enforce all the rights, remedies, and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within sections 60B.30 and 60B.32.

(20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.

(21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.

(22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with sections 60B.01 to 60B.61.

(23) The enumeration in this section of the powers and authority of the liquidator is not a limitation, nor does it exclude the right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

(24) The power of the liquidator of a health maintenance organization includes the power to transfer coverage obligations to a solvent and voluntary health maintenance organization, insurer, or nonprofit health service plan, and to assign provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization, insurer, or nonprofit health service plan permitted to enter into such agreements. The liquidator is not required to meet the requirements of section 62D.121. Transferees of coverage obligations or provider contracts shall have no liability to creditors or obligees of the health maintenance organization except those liabilities expressly assumed.

Sec. 11. Minnesota Statutes 1988, section 62D.02, subdivision 15, is amended to read:

Subd. 15. "Net worth" means admitted assets, as defined in section 62D.044, minus liabilities. Liabilities do not include those obligations that are subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10. For purposes of this subdivision, preferred ownership claims under section 60B.44, subdivision 10, include promissory notes subordinated to all other liabilities of the health maintenance organization.

Sec. 12. Minnesota Statutes 1988, section 62D.03, subdivision 4, is amended to read:

(r) a copy of the conflict of interest policy which applies to all members of the board of directors and the principal officers of the health maintenance organization, as described in section 62D.04, subdivision 1, paragraph (g). (s) a copy of the statement that describes the health maintenance organization's prior authorization administrative procedures;

(t) a copy of the agreement between the guaranteeing organization and the health maintenance organization, as described in section 62D.043, subdivision 6; and

Sec. 13. Minnesota Statutes 1988, section 62D.04, subdivision 1, is amended to read:

Subdivision 1. Upon receipt of an application for a certificate of authority, the commissioner of health shall determine whether the applicant for a certificate of authority has:

(a) demonstrated the willingness and potential ability to assure that health care services will be provided in such a manner as to enhance and assure both the availability and accessibility of adequate personnel and facilities;

(b) arrangements for an ongoing evaluation of the quality of health care;

(d) reasonable provisions for emergency and out of area health care services;

(e) demonstrated that it is financially responsible and may reasonably be expected to meet its obligations to enrollees and prospective enrollees. In making this determination, the commissioner of health shall require the amounts of net worth and working capital

required in section 62D.042, the deposit required in section 62D.041, and in addition shall consider:

(1) the financial soundness of its arrangements for health care services and the proposed schedule of charges used in connection therewith;

(2) arrangements which will guarantee for a reasonable period of time the continued availability or payment of the cost of health care services in the event of discontinuance of the health maintenance organization; and

(3) agreements with providers for the provision of health care services;

(f) demonstrated that it will assume full financial risk on a prospective basis for the provision of comprehensive health maintenance services, including hospital care; provided, however, that the requirement in this paragraph shall not prohibit the following:

(1) a health maintenance organization from obtaining insurance or making other arrangements (i) for the cost of providing to any enrollee comprehensive health maintenance services, the aggregate value of which exceeds \$5,000 in any year, (ii) for the cost of providing comprehensive health care services to its members on a nonelective emergency basis, or while they are outside the area served by the organization, or (iii) for not more than 95 percent of the amount by which the health maintenance organization's costs for any of its fiscal years exceed 105 percent of its income for such fiscal years; and

(2) a health maintenance organization from having a provision in a group health maintenance contract allowing an adjustment of premiums paid based upon the actual health services utilization of the enrollees covered under the contract, except that at no time during the life of the contract shall the contract holder fully self-insure the financial risk of health care services delivered under the contract. Risk sharing arrangements shall be subject to the requirements of sections 62D.01 to 62D.30;

(g) demonstrated that it has made provisions for and adopted a conflict of interest policy applicable to all members of the board of directors and the principal officers of the health maintenance organization. The conflict of interest policy shall include the procedures described in section 317A.255, subdivisions 1 and 2. However, the commissioner is not precluded from finding that a particular transaction is an unreasonable expense as described in section 62D.19 even if the directors follow the required procedures; and

(h) otherwise met the requirements of sections 62D.01 to 62D.30.

Sec. 14. Minnesota Statutes 1988, section 62D.041, subdivision 2, is amended to read:

Subd. 2. [REQUIRED DEPOSIT.] Each health maintenance organization shall deposit with any organization or trustee acceptable to the commissioner through which a custodial or controlled account is utilized, bankable funds in the cash amount required in this section. The commissioner may allow a health maintenance organization's deposit requirement to be ~~met~~ funded by a guaranteeing organization, as defined in section 62D.042, subdivision 1, based on the criteria set out in section 62D.042, subdivision 5 62D.043.

Sec. 15. [62D.043] [GUARANTEEING ORGANIZATIONS.]

Subdivision 1. [DEFINITION.] (a) For purposes of this section, a "guaranteeing organization" means an organization that has agreed to assume the responsibility for the obligation of the health maintenance organization's net worth requirement.

Subd. 2. [RESPONSIBILITIES OF GUARANTEEING ORGANIZATION.] Upon an order of rehabilitation or liquidation, a guaranteeing organization shall transfer funds to the commissioner in the amount necessary to satisfy the net worth requirement.

Subd. 3. [REQUIREMENTS FOR GUARANTEEING ORGANIZATION.] (a) An organization's net worth requirement may be guaranteed provided that the guaranteeing organization:

(1) transfers into a restricted asset account cash or securities permitted by section 61A.28, subdivisions 2, 5, and 6, in an amount necessary to satisfy the net worth requirement. Restricted asset accounts shall be considered admitted assets for the purpose of determining whether a guaranteeing organization is maintaining sufficient net worth. Permitted securities shall not be transferred to the restricted asset account in excess of the limits applied to the health maintenance organization, unless approved by the commissioner in advance;

(2) designates the restricted asset account specifically for the purpose of funding the health maintenance organization's net worth requirement;

(3) maintains positive working capital subsequent to establishing the restricted asset account, if applicable;

(4) maintains net worth, retained earnings, or surplus in an amount in excess of the amount of the restricted asset account, if applicable, and allows the guaranteeing organization:

(i) to remain a solvent business organization, which shall be

evaluated on the basis of the guaranteeing organization's continued ability to meet its maturing obligations without selling substantially all its operating assets and paying debts when due; and

(ii) to be in compliance with any state or federal statutory net worth, surplus, or reserve requirements applicable to that organization or lesser requirements agreed to by the commissioner; and

(5) fulfills requirements of clauses (1) to (4) by April 1 of each year.

(b) The commissioner may require the guaranteeing organization to complete the requirements of paragraph (a) more frequently if the amount necessary to satisfy the net worth requirement increases during the year.

Subd. 4. [EXCEPTIONS TO REQUIREMENTS.] When a guaranteeing organization is a governmental entity, subdivision 3 is not applicable. The commissioner may consider factors which provide evidence that the governmental entity is a financially reliable guaranteeing organization. Similarly, when a guaranteeing organization is a Minnesota-licensed health maintenance organization, health service plan corporation, or insurer, subdivision 3, paragraphs (1) and (2), are not applicable.

Subd. 5. [AMOUNTS NEEDED TO MEET NET WORTH REQUIREMENTS.] The amount necessary for a guaranteeing organization to satisfy the health maintenance organization's net worth requirement shall be the lesser of:

(1) an amount needed to bring the health maintenance organization's net worth to the amount required by section 62D.042; or

(2) an amount agreed to by the guaranteeing organization.

Subd. 6. [CONSOLIDATED CALCULATIONS FOR GUARANTEED HEALTH MAINTENANCE ORGANIZATIONS.] If a guaranteeing organization guarantees one or more health maintenance organizations, the guaranteeing organization may calculate the amount necessary to satisfy the health maintenance organizations' net worth requirements on a consolidated basis. Liabilities of the health maintenance organization to the guaranteeing organization must be subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10.

Subd. 7. [AGREEMENT BETWEEN GUARANTEERING ORGANIZATION AND HEALTH MAINTENANCE ORGANIZATION.] A written agreement between the guaranteeing organization and the health maintenance organization must include the commissioner as a party and include the following provisions:

(1) any or all of the funds needed to satisfy the health maintenance organization's net worth requirement shall be transferred, unconditionally and upon demand, according to subdivision 2;

(2) the arrangement shall not terminate for any reason without the commissioner being notified of the termination at least nine months in advance. The arrangement may terminate earlier if net worth requirements will be satisfied under other arrangements, as approved by the commissioner;

(3) the guaranteeing organization shall pay or reimburse the commissioner for all costs and expenses, including reasonable attorney fees and costs, incurred by the commissioner in connection with the protection, defense, or enforcement of the guarantee;

(4) the guaranteeing organization shall waive all defenses and claims it may have or the health maintenance organization may have pertaining to the guarantee including, but not limited to, waiver, release, res judicata, statute of frauds, lack of authority, usury, illegality;

(5) the guaranteeing organization waives present demand for payment, notice of dishonor or nonpayment and protest, and the commissioner shall not be required to first resort for payment to other sources or other means before enforcing the guarantee;

(6) the guarantee may not be waived, modified, amended, terminated, released, or otherwise changed except as provided by the guarantee agreement, and as provided by applicable statutes;

(7) the guaranteeing organization waives its rights under the Federal Bankruptcy Code, United States Code, title 11, section 303, to initiate involuntary proceedings against the health maintenance organization and agrees to submit to the jurisdiction of the commissioner and Minnesota state courts in any rehabilitation or liquidation of the health maintenance organization;

(8) the guarantee shall be governed by and construed and enforced according to the laws of the state of Minnesota; and

(9) the guarantee must be approved by the commissioner.

Subd. 8. [SUBMISSION OF GUARANTEEING ORGANIZATION'S FINANCIAL STATEMENTS.] Health maintenance organizations shall submit to the commissioner the guaranteeing organization's audited financial statements annually by April 1 or at a different date if agreed to by the commissioner. The health maintenance organization shall also provide other financial information regarding a guaranteeing organization as may be requested by the commissioner.

Subd. 9. [PERFORMANCE AS GUARANTEEING ORGANIZATION VOLUNTARY.] No provider may be compelled to serve as a guaranteeing organization.

Subd. 10. [GUARANTOR STATUS IN REHABILITATION OR LIQUIDATION.] Any or all of the funds in excess of the amounts needed to satisfy the health maintenance organization's obligations as of the date of an order of liquidation or rehabilitation shall be returned to the guaranteeing organization in the same manner as preferred ownership claims under section 60B.44, subdivision 10.

Sec. 16. Minnesota Statutes 1988, section 62D.044, is amended to read:

“Section 1. Minnesota Statutes 1988, section 216B.163, is amended to read:

216B.163 [FLEXIBLE TARIFFS.]

Subdivision 1. [DEFINITIONS.] (a) For the purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) “Effective competition” means that a customer of a gas utility who either receives interruptible service or whose daily requirement exceeds 50,000 cubic feet maintains or plans on acquiring the capability to switch to the same, equivalent, or substitutable energy supplies or service, except indigenous biomass energy supplies composed of wood products, grain, biowaste, and cellulose materials, at comparable prices from a supplier not regulated by the commission.

(c) “Flexible tariff” means a rate schedule under which a gas utility may set or change the price for its service to an individual customer or group of customers without prior approval of the commission within a range of prices determined by the commission to be just and reasonable.

Subd. 2. [FLEXIBLE TARIFFS PERMITTED.] Notwithstanding any other provision of this chapter section 216B.03, 216B.05, 216B.06, 216B.07, or 216B.16, the commission is authorized to may approve a flexible tariff for any class of customers of a gas utility when provision of service, including the sale or transportation of gas, to any customers within the class is subject to effective competition. Upon application of a gas utility, the commission shall find that effective competition exists for a class of customers taking

interruptible service at a level exceeding 199,000 cubic feet per day. A gas utility may only apply a flexible tariff only to a customer that is subject to effective competition and a gas utility may not apply a flexible tariff or otherwise reduce its rates to compete with indigenous biomass energy supplies, or with customers of district heating facilities as of June 1, 1987. Customers of a gas utility whose only alternative source of energy is gas from a supplier not regulated by the commission and who must use the gas utility's system to transport the gas are not subject to effective competition unless the customers have or can reasonably acquire the capability to bypass the gas utility's system to obtain gas from a supplier not regulated by the commission. A customer subject to effective competition may elect to take service either under the flexible tariff or under the appropriate nonflexible tariff for that class of service set in accordance with section 216B.03, provided that a customer that uses an alternative energy supply or service other than indigenous biomass energy supplies from a supplier not regulated by the commission for reasons of price shall be deemed to have elected to take service under the flexible tariff.

Subd. 3. [ESTABLISHING OR CHANGING A FLEXIBLE TARIFF.] The commission may establish a flexible tariff through a miscellaneous rate filing only if the filing does not seek to recover any revenues which the utility expects to lose by implementing flexible tariffs from any customers who do not take service under the flexible tariff, nor to change any other rates another rate. If a gas utility requests authority to establish a flexible tariff and as part of that request seeks to recover any revenues which the utility expects to lose by implementing flexible tariffs from any customers who do not take service under the flexible tariff or to change any other rates the commission may only establish that flexible tariff within a general rate case for that gas utility. The commission may only change the rates in a flexible tariff within a gas utility's general rate case.

Subd. 4. [RATES AND TERMS OF SERVICE.] Whenever the commission authorizes a flexible tariff, it shall set the terms, and conditions of service for that tariff, which shall include including:

(1) that the minimum rate for the tariff, which must recover at least the incremental cost of providing the service;

(2) that there is no upward the maximum for the rate for the tariff; and

(3) a requirement that a customer who elects to take service under the flexible tariff remain on that tariff for a reasonable period of time, which shall not be less than one year; and

(4) that any customer changing from a flexible tariff to the

appropriate nonflexible tariff for that class pay all costs incurred by the utility due to that change.

The commission may set the terms and conditions of service for a flexible tariff in a gas utility proceeding, a miscellaneous filing, or a complaint proceeding under section 216B.17.

Subd. 5. [RECOVERY OF REVENUES.] In a general rate case which that establishes a flexible tariff for a gas utility, and in each general rate case of a gas utility for which a flexible tariff has been authorized, the commission shall determine a projected level of revenues and expenses from services under that tariff based on a single target rate for all sales under that tariff, which projection shall be used and use the projection to determine the utility's overall rates. That target rate method used to establish a level of projected revenues shall may not limit the gas utility's ability or right to set rates for any a customer taking service under the flexible tariff.

Subd. 6. [INTERIM FLEXIBLE TARIFF] Notwithstanding section 216B.16, subdivision 3, if a gas utility files with the commission to establish or change a flexible tariff the commission shall permit the proposed flexible tariff to take effect on an interim basis no later than 30 days after filing. If any customers receive an increase in rates during the period that an interim flexible tariff is in effect, the increase is subject to refund as provided in section 216B.16, subdivision 3. The gas utility shall provide ten days written notice, or other notice as may be established by contract not to exceed 30 days, to a customer before implementing an interim rate increase change for that customer under this section.

Subd. 7. [FINAL DETERMINATION.] The commission shall make a final determination in a proceeding begun under this section for approval of a flexible tariff, other than a filing made within a general rate case, within 180 days of the filing by the gas utility.

Subd. 8. [STUDY AND REPORT.] The department shall review the operation and effects of any rates implemented under this section. The review must include, at a minimum, an evaluation of the impact of flexible gas rates on alternative energy sources, including indigenous biomass energy, and the impact on the utility and its customers of setting a maximum rate for the tariff. The department shall submit its report to the legislature by January 1, 1995. The department shall assess gas utilities that utilize a flexible tariff under section 1 for the actual cost of conducting the study, not to exceed \$10,000. Each utility utilizing a flexible tariff must be assessed an equal share of the cost.

Sections 1 to 3 are effective the day following final enactment, and are repealed effective July 1, 1990.

“Section 1. [237.161] [EXTENDED AREA SERVICE.]

Subdivision 1. [CRITERIA.] The commission may grant a petition for installation of extended area service only when each of the following criteria has been met:

(1) the petitioning exchange is contiguous to the exchange or local calling area to which extended area service is requested in the petition;

(2) a lower cost alternative to basic flat rate service is available in the petitioning exchange; in the alternative, polling by the commission shows that 60 percent of the customers responding to the poll in the petitioning exchange favor the installation of extended area service;

(3) polling by the commission shows that a majority of the customers responding to the poll in the petitioning exchange favor its installation, unless all parties and the commission agree that no polling is necessary;

(4) at least 50 percent of the customers in the petitioning exchange make one or more calls per month to the exchange or local calling area to which extended area service is requested, as determined by a traffic study; and

(5) the commission determines that a community of interest exists between the petitioning and the petitioned exchanges and that the installation of extended area service is in the public interest as governed by the commission's rules.

The rate to the polled exchange must be available to its customers before the commission determines what proportion of them favor the installation of extended area service.

In making the determination required in clause (4), the commission shall include a reasonable estimate of FX telephone traffic and other types of toll traffic. For the purposes of this subdivision, "FX" means tariffed telephone toll service provided by placing a telephone line from another telephone exchange area in the telephone customer's exchange area.

Subd. 2. [COSTS.] The costs for extended area service shall include the specific additional costs incurred as a result of the installation of the extended area service and the net book cost of existing facilities transferred from another service to now provide extended area service.

Subd. 3. [RATES.] (a) When the proposed extended service area is located in the metropolitan counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington, 75 percent of the cost of providing extended area service as identified in subdivision 2, must

be apportioned to the petitioning exchange and the remaining 25 percent apportioned to the exchange or exchanges to which extended area service is requested. When the proposed extended service area is not located in the metropolitan counties, the cost must be equally divided between the petitioning exchange and the exchange or exchanges to which extended area service is requested. The cost must be apportioned among the customers in an exchange so that the relationship between the rates for classes of basic local service remains the same.

(b) The commission shall set rates that are income neutral for each affected telephone company at the point in time at which the commission determines the extended area service rates. The commission shall consider the interests of all parties when determining a fair and equitable extended area service rate for a local telephone exchange that is newly included in the extended area service.

Sec. 2. Minnesota Statutes 1988, section 403.02, is amended by adding a subdivision to read:

Subd. 8. [LOCAL LOCATION IDENTIFICATION.] "Local location identification" means the process of locating the origin of calls to a 911 system by means of a periodically updated data base located and maintained at the public safety answering point.

Sec. 3. Minnesota Statutes 1988, section 403.07, is amended by adding a subdivision to read:

Subd. 3. [DATA BASE.] In 911 systems that have been approved by the department of administration for a local location identification base, each public utility providing telephone service shall provide current customer names, service addresses, and telephone numbers to each public safety answering point within the 911 system and shall update the information according to a schedule prescribed by the county 911 plan. Information provided under this subdivision must be provided in accordance with the transactional record disclosure requirements of the federal Electronic Communications Privacy Act of 1986, United States Code, title 18, section 2703, subsection (c), paragraph (1), clause (B)(iv).

Sec. 4. Minnesota Statutes 1988, section 403.07, is amended by adding a subdivision to read:

Subd. 4. [USE OF FURNISHED INFORMATION.] Names, addresses, and telephone numbers provided to a 911 system under subdivision 3 are private data and may be used only for identifying the location or identity, or both, of a person calling a 911 public safety answering point. The information furnished under subdivision 3 may not be used or disclosed by 911 system agencies, their agents, or their employees for any other purpose except under a court order.

Sec. 5. Minnesota Statutes 1989 Supplement, section 403.11, subdivision 1, is amended to read:

Subdivision 1. [EMERGENCY TELEPHONE SERVICE FEE.] (a) Each customer of a local exchange company is assessed a fee to cover the costs of ongoing maintenance and related improvements for trunking and central office switching equipment for minimum 911 emergency telephone service, plus administrative and staffing costs of the department of administration related to managing the 911 emergency telephone service program. Recurring charges by a public utility providing telephone service for updating the information required by section 403.07, subdivision 3, must be paid by the commissioner for information if the utility is included in an approved 911 plan and the charges have been certified and approved under subdivision 3.

(b) The fee may not be less than eight cents nor more than 30 cents a month for each customer access line, including trunk equivalents as designated by the public utilities commission for access charge purposes. The fee must be the same for all customers.

(c) The fee must be collected by each utility providing local exchange telephone service. Fees are payable to and must be submitted to the commissioner of administration monthly before the 25th of each month following the month of collection, except that fees may be submitted quarterly if less than \$250 a month is due, or annually if less than \$25 a month is due. Receipts must be deposited in the state treasury and credited to a 911 emergency telephone service account in the special revenue fund. Subd. 3. [COMMISSION DUTIES; PROJECT.] The commission, in cooperation with each affected telephone company, shall determine the rates that would be charged to the customers in each metropolitan exchange that is not currently included in the metropolitan extended area service if that exchange were to be included. The commission shall then conduct a poll of all the customers in each exchange. The ballot or questionnaire sent to each customer must clearly identify the rate that would be charged to customers in the applicable exchange if the exchange becomes part of the metropolitan extended area service and must be returnable to the commission, at no cost to the customers, within 60 days of the date the ballot or questionnaire was mailed. If a majority of the customers in an exchange who respond to the commission's poll indicate that they favor inclusion, the commission shall include that exchange in the metropolitan extended area service.

Subd. 4. [COSTS; RATES.] The commission shall determine the costs and rates for each exchange subject to subdivision 3, as provided in section 1, subdivisions 2 and 3, and applicable commission rules.

Subd. 5. [FUTURE EXPANSION.] Customers in metropolitan exchanges that are not included in the extended area service under subdivision 3, and customers in nonmetropolitan exchanges that want to be included in the metropolitan extended area service after the completion of the project under subdivision 3, may petition the commission for inclusion under section 1 and applicable commission rules, provided that no state boundary may be crossed in expanding the metropolitan extended area service.

Subd. 6. [DUTIES; TELEPHONE COMPANIES.] Each telephone company that is potentially affected by the activities of the commission in undertaking the project required by subdivision 3 shall cooperate with the commission in determining costs and rates and any other activity or determination necessary to implement that subdivision.

Sec. 7. [LOCAL TELEPHONE SERVICE AREA BOUNDARY CHANGE.]

The public utilities commission shall change the boundary between the Red Wing and Hastings local telephone exchanges to include Section 33, Township 116, Range 16, of Dakota county in the Hastings local telephone exchange. The commission shall follow its existing rules in making the change.

Be It Further Resolved that the Legislature finds that it should continue to improve legislative oversight of off-budget expenditures through fund consolidation into the general fund and that the limit on expenditures and transfers from the general fund established under House Rule 5.10 may be automatically adjusted to reflect fund consolidation adopted by the Legislature. Sec. 2. Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1989 payable in 1990 and subsequent years, “special levies” means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. (e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension

funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

County governments are not authorized to claim this special levy;

If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate

amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; and

(v) pay an amount of up to 25 percent of the money sought for distribution and approved under section 115A.557, subdivision 3, paragraph (b), clause (3).

If the amount levied in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991.

Sec. 11. [10A.322] [PUBLIC SUBSIDY AGREEMENTS.]

Subdivision 1. [AGREEMENT BY CANDIDATE.] (a) As a condition of receiving a public subsidy from the state elections campaign fund, a candidate shall sign and file with the board a written agreement in which the candidate agrees that:

(1) the aggregate of expenditures made by the principal campaign committee of the candidate and approved expenditures made on behalf of the candidate will not exceed the expenditure limits in

section 10A.25, as adjusted by section 10A.255, except as otherwise provided by section 10A.25, subdivision 10; and

(2) except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, the candidate will not accept contributions or allow approved expenditures to be made on the candidate's behalf for the period beginning with January 1 of the election year or with the registration of the candidate's principal campaign committee, whichever occurs later, and ending December 31 of the election year, that exceed the difference between the amount that may legally be expended by or for the candidate, and the amount that the candidate receives from the state elections campaign fund.

(b) Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought must be considered contributions accepted by that candidate in that year for the purposes of this subdivision. The portion of contributions accepted by a candidate in an election year that equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question that are made by that candidate in that year do not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision.

(c) Except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, any amount by which the aggregate contributions and approved expenditures agreed to exceed the difference must be returned to the state treasurer, deposited in the state treasury, and credited to the general fund. The amount returned must not exceed the amount received from the state elections campaign fund.

Subd. 2. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the candidate may submit the agreement directly to the board by September 1. An agreement may not be rescinded after September 1. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Subd. 3. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 10A.25, as adjusted by section 10A.255, remains effective for candidates until the dissolution of the principal campaign committee of the candidate or the opening of filing for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.

Subd. 4. [ESTIMATE; ACTUAL AMOUNT.] For the purposes of subdivisions 1 to 3 only, the total amount to be distributed to each candidate is calculated to be the candidate's share of the total estimated funds in the candidate's party account as provided in section 10, subdivision 1, plus the total amount estimated as provided in section 10, subdivision 1, to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the amount actually received by the candidate is greater than the candidate's share of the estimate, and the contributions thereby exceed the difference, the agreement must not be considered violated.

Sec. 12. [10A.323] [TAX CREDIT; PENALTY.]

As a condition of receiving a public subsidy for the candidate's election campaign in the form of tax credits against the tax due from individuals who contribute to the candidate's principal campaign committee, a candidate shall agree by stating in writing to the board at any time, beginning with the registration of the candidate's principal campaign committee, that the candidate's expenditures and approved expenditures will not exceed the expenditure limits in section 10A.25, except as otherwise provided by section 10A.25, subdivision 10. The agreement must remain effective until the dissolution of the principal campaign committee of the candidate or the opening of filing for the next election for the office held or sought at the time of agreement, whichever occurs first.

The commissioner of revenue shall not allow any credit under article 1, section 13, for any contribution to a candidate for legislative or statewide office who has not signed an agreement under this subdivision. Nothing in this subdivision may be construed to limit the campaign expenditure of any candidate who does not sign an agreement under this subdivision but accepts a contribution for which the contributor claims a credit against tax due. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

The board shall make available to any candidate signing an agreement a supply of official tax credit receipt forms which state in boldface type that: (1) a contributor who is given a receipt form is eligible to receive a credit against tax due in an amount equal to the amount of the contributions, but not more than \$50 for an individual or not more than \$100 for a married couple filing jointly; and (2) the candidate to whom the contribution was made has voluntarily agreed to abide by campaign expenditure limits. A candidate who does not sign an agreement under this subdivision may not issue an official tax credit receipt form or any facsimile of one to any of the candidate's contributors.

Any candidate who does not voluntarily agree to abide by the expenditure limits imposed in section 10A.25 and who willfully issues official tax credit receipt forms or any facsimiles of tax credit receipt forms to any contributor is guilty of a misdemeanor.

Sec. 13. [10A.324] [MATCHING REQUIREMENT.]

In addition to the requirements of section 11, to be eligible to receive a public subsidy from the state elections campaign fund a candidate shall file an affidavit with the board stating that during that calendar year the candidate has accumulated contributions, including unexpended balances from the year before, or has made contributions to self, equal to 20 percent or more of the minimum amount that the board estimates, on August 15 of the general election year, would be received by the candidate from the state elections campaign fund. The candidate or the candidate's treasurer shall submit the affidavit required by this subdivision to the board in writing by October 1 of the general election year.

Sec. 14. [10A.325] [RETURN OF PUBLIC SUBSIDY.]

Subdivision 1. [WHEN RETURN REQUIRED.] A candidate shall return all or a portion of the public subsidy received from the state elections campaign fund under the circumstances in paragraph (a) or (b).

(a) To the extent that the amount of public subsidy received by the candidate exceeds the expenditure limits for the office held or sought, as provided in section 10A.25 and as adjusted by section 10A.255, the treasurer of the candidate's principal campaign committee shall return the excess to the board.

(b) To the extent that the amount of public subsidy received exceeds the aggregate of: (1) actual expenditures made by the principal campaign committee of the candidate; and (2) approved expenditures made on behalf of the candidate, the treasurer of the candidate's principal campaign committee shall return an amount equal to the difference to the board.

Subd. 2. [HOW RETURN DETERMINED.] Whether or not a candidate is required under subdivision 1 to return all or a portion of the public subsidy received from the state elections campaign fund must be determined from the report required to be filed with the board by that candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the candidate from the state elections campaign fund.

Sec. 15. [10A.326] [POLITICAL PARTY NOT HAVING CERTAIN CANDIDATES.]

If money has been accumulated in the state elections campaign fund for the candidates of a political party, and the party does not have a candidate in a general election for the office of state senator or state representative, the party account money allocated for the office for which there is no candidate must be returned to the general fund of the state. If that party does not have a candidate in a general election for any state constitutional office, the party account money allocated for that office must be transferred to the state general account of the state elections campaign fund for reallocation to all of the candidate offices as provided in section 10A.31, subdivision 5, and for distribution in that election year to candidates as provided under section 10A.31, subdivision 7.

Sec. 16. Minnesota Statutes 1988, section 10A.33, is amended to read:

10A.33 [APPLICATION.]

Except as otherwise provided in section 9, the provisions of sections 10A.30 to 10A.32 shall 10A.325 apply only in general elections and primaries preceding general elections and shall do not apply to special elections or special primaries.

Sec. 17. [REPEALER.]

Minnesota Statutes 1988, sections 10A.27, subdivision 5; and 10A.32, subdivisions 1, 2, 3, and 4; and Minnesota Statutes 1989 Supplement, section 10A.32, subdivision 3a, are repealed.

Sec. 18. [SEVERABILITY.]

If a provision of this article is found to be unconstitutional and void, the remaining provisions of this article remain valid.

Sec. 19. [EFFECTIVE DATE.]

This article is effective July 1, 1990.

Subd. 4. [CONGRESSIONAL CANDIDATE.] "Congressional candidate" means an individual who seeks nomination or election to the United States Senate or House of Representatives and who is a "candidate" as that term is defined under United States Code, title 2, section 431, paragraph (2). A congressional candidate is not a "candidate" as defined in section 10A.01, subdivision 5.

Sec. 2. [10A.42] [LIMITATION ON APPLICATION.]

The provisions of sections 10A.11 to 10A.24 relating to the organization, registration, and administration of and reporting and disclosure by political funds and political committees, including principal campaign committees, do not apply to congressional candidates and authorized committees of congressional candidates. The organization, registration, and administration of and reporting and

disclosure by authorized committees of congressional candidates are governed by United States Code, title 2, chapter 14.

Sec. 3. [10A.43] [PUBLIC SUBSIDY AGREEMENT.]

Subdivision 1. [AGREEMENT.] As a condition of receiving a public subsidy, a congressional candidate shall sign and file with the board a written agreement in which the candidate agrees that the aggregate of expenditures made by the authorized committees of the congressional candidate may not exceed the expenditure limits in section 4.

Subd. 2. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The congressional candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the congressional candidate may submit the agreement directly to the board by September 1. An agreement may not be rescinded after September 1. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Subd. 3. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 4, remains effective for congressional candidates until the termination of the authorized committees of the congressional candidate, as provided under United States Code, title 2, section 433(d), or the opening of filing for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.

Sec. 4. [10A.44] [CONGRESSIONAL CAMPAIGN SPENDING LIMITS.]

Subdivision 1. [LIMITS.] In a year in which an election is held for an office sought by a congressional candidate, no expenditures may be made by the authorized committees of that congressional candidate that result in an aggregate amount in excess of the following:

- (1) for United States senator, \$3,000,000; and
- (2) for representative in Congress, \$300,000.

Subd. 2. [ADJUSTMENT BY CONSUMER PRICE INDEX.] (a) The dollar amounts provided in subdivision 1 must be adjusted for general election years as provided in this subdivision. By June 1 of the general election year, the executive director of the board shall determine the percentage increase in the consumer price index from December of the year preceding the last general election year to

December of the year preceding the year in which the determination is made. The dollar amounts used for the last general election year must be multiplied by that percentage. The product of the calculation must be added to each dollar amount to produce the dollar limitations to be in effect for the next general election. The product must be rounded up to the next highest whole dollar. The index used must be the revised consumer price index for all urban consumers for the St. Paul-Minneapolis metropolitan area prepared by the United States Department of Labor with 1982 as a base year.

(b) The dollar amounts in subdivision 1 must be adjusted for the 1992 races for representative in Congress and the 1994 race for United States senate, and subsequent general elections for those offices in the manner provided in paragraph (a), except that the last general election year must be considered to be 1986 and the dollar amounts used for the last general election year for the offices of United States senator and representative in Congress must be \$3,000,000 and \$300,000 respectively.

(c) By June 15 of each year, the board shall publish in the State Register the expenditure limit for each office for that calendar year as adjusted under this subdivision.

Subd. 3. [CONTESTED PRIMARY RACES.] Notwithstanding the limits imposed by subdivisions 1 and 2, the winning congressional candidate in a contested race in a primary who receives less than twice as many votes as any one of the candidate's opponents in that primary may make aggregate expenditures equal to 120 percent of the applicable amount under subdivisions 1 and 2.

Subd. 4. [POSTELECTION YEAR EXPENDITURES.] In a year following an election year for the office held or sought, the aggregate amount of expenditures on behalf of a congressional candidate for or holder of that office must not exceed 20 percent of the expenditure limit in subdivisions 1 and 2.

Subd. 5. [LIMITATION CONDITIONAL.] (a) The expenditure limits imposed by this section apply only to congressional candidates whose major political party opponents agree to be bound by the limits and who themselves agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns.

(b) If a congressional candidate of a major political party agrees to be bound by the limits and has an opponent who is a congressional candidate of a major political party who is otherwise eligible to receive a subsidy, then:

(1) if the opponent agrees to be bound by the limits, both candidates are bound by the limits but neither may receive a public subsidy and the amount that both candidates would have received must be canceled to the general fund; and

(2) if the opponent does not agree to be bound by the limits, the congressional candidate is no longer bound by the limits but is still eligible to receive a public subsidy.

Sec. 5. [10A.45] [CONTRIBUTION AND LOAN LIMITS.]

Contributions by or to a congressional candidate and loans to a congressional candidate are governed by United States Code, title 2, chapter 14.

Sec. 6. [10A.46] [MULTICANDIDATE POLITICAL PARTY EXPENDITURES.]

Multicandidate political party expenditures with respect to congressional candidates are governed by United States Code, title 2, section 431, paragraph (9).

Sec. 7. [10A.47] [PENALTY FOR EXCEEDING LIMITS.]

Subdivision 1. [EXPENDITURE LIMITS.] A congressional candidate subject to the expenditure limits in section 4 who permits the candidate's authorized committees to make aggregate expenditures on the candidate's behalf in excess of the limits imposed by section 4 is subject to a civil fine up to four times the amount by which the expenditures exceed the limit.

Subd. 2. [CONTRIBUTION LIMITS.] A congressional candidate who permits the candidate's authorized committees to accept contributions in excess of the limits imposed under United States Code, title 2, chapter 14, is subject to the penalties imposed by United States Code, title 2, section 437g.

Subd. 3. [CONCILIATION AGREEMENTS.] If the board finds that there is reason to believe that excess expenditures have been made or excess contributions accepted contrary to subdivision 1 or 2, the board shall make every effort, for not less than 14 days after its finding, to correct the matter by informal methods of conference and conciliation and to enter a conciliation agreement with the person involved. A conciliation agreement made under this subdivision is a matter of public record. Unless violated, a conciliation agreement bars any civil proceeding under subdivision 4.

Subd. 4. [CIVIL ACTION.] If the board is unable after a reasonable time to correct by informal methods any matter that constitutes probable cause to believe that excess expenditures have been made or excess contributions accepted contrary to subdivision 1 or 2, the board shall make a public finding of probable cause in the matter. After making a public finding, the board shall bring an action or transmit the finding to a county attorney who shall bring an action to impose a civil fine as prescribed by the board under subdivision 1

or 2. An action filed against a congressional candidate for United States senator must be brought in the district court of Ramsey county. An action filed against a congressional candidate for representative in Congress must be brought in the district court of a county within the congressional candidate's congressional district. All money recovered under this section must be deposited in the state treasury and credited to the general fund.

Sec. 8. [10A.48] [MATCHING REQUIREMENTS.]

In order to be eligible to receive a public subsidy, a congressional candidate must provide evidence to the board of nonpublic contributions equal to the public subsidy.

Sec. 9. [10A.49] [CERTIFICATION AND DISTRIBUTION.]

Subdivision 1. [CERTIFICATION OF ELIGIBLE CANDIDATES.] Within one week after certification by the state canvassing board of the results of the primary, the ethical practices board shall certify to the state treasurer the name of each congressional candidate who is eligible to receive a public subsidy.

Subd. 2. [DISTRIBUTION OF MONEY AFTER PRIMARY.] Within two weeks after certification by the state canvassing board of the results of the primary, the state treasurer shall pay a public subsidy of up to \$1,000,000 to any congressional candidate of a major political party for the office of senator who has signed an agreement as required under section 3 and is eligible to receive a public subsidy; and up to \$100,000 to each congressional candidate of a major political party for the office of representative who has signed an agreement as required under section 3 and is eligible to receive a public subsidy.

Sec. 10. [10A.50] [RETURN OF PUBLIC SUBSIDY.]

Subdivision 1. [WHEN REQUIRED.] A congressional candidate shall return all or a portion of the public subsidy received under the circumstances in paragraphs (a) and (b).

(a) To the extent that the public subsidy received by the congressional candidate exceeds the expenditure limits for the office held or sought, as provided in section 4, the treasurer of the congressional candidate's principal campaign committee shall return the excess to the board.

(b) To the extent that the public subsidy received exceeds the aggregate of actual expenditures made by the authorized committees of the congressional candidate, the treasurer of the congressional candidate's principal campaign committee shall return an amount equal to the difference to the board.

Subd. 2. [HOW RETURN DETERMINED.] Whether or not a congressional candidate is required under subdivision 1 to return all or a portion of the public subsidy received must be determined from the report required to be filed with the board by that congressional candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the congressional candidate.

Sec. 11. [10A.51] [CAMPAIGN REPORTS.]

A congressional candidate who agrees to be bound by the expenditure limits in section 4, as a condition of receiving a public subsidy for the candidate's campaign, shall file with the board copies of all reports that the candidate or the candidate's principal campaign committee treasurer acting for the candidate is required to file under United States Code, title 2, chapter 14. The reports must be filed with the board at the times required under United States Code, title 2, section 434.

Sec. 12. [10A.52] [CONTRIBUTION LIMITATION.]

Notwithstanding any other law, a congressional candidate may receive no more than 40 percent of the candidate's campaign contributions from political action committees.

Sec. 13. [SEVERABILITY.]

Subd. 4. [CONTROLLING PERSON RESTRICTIONS.] (a) The controlling persons of a nursing home may not include any person who was a controlling person of another nursing home during any period of time in the previous two-year period:

(a) (1) during which time of control that other nursing home incurred the following number of uncorrected or repeated violations:

(1) (i) two or more uncorrected violations or one or more repeated violations which created an imminent risk to direct resident care or safety; or

(2) (ii) four or more uncorrected violations or two or more repeated violations of any nature for which the fines are in the four highest daily fine categories prescribed in rule; or

(b) (2) who was convicted of a felony or gross misdemeanor punishable by a term of imprisonment of more than 90 days that relates to operation of the nursing home or directly affects resident safety or care, during that period.

Sec. 2. Minnesota Statutes 1988, section 144A.04, is amended by adding a subdivision to read:

Subd. 4a. [STAY OF ADVERSE ACTION REQUIRED BY CONTROLLING PERSON RESTRICTIONS.] (a) In lieu of revoking, suspending, or refusing to renew the license of a nursing home with a controlling person disqualified by subdivision 4, paragraph (a), clause (1), the commissioner may issue an order staying the revocation, suspension, or nonrenewal of the nursing home license. The order may, but need not, be contingent upon the nursing home's compliance with restrictions and conditions imposed on the license to ensure the proper operation of the nursing home and to protect the health, safety, comfort, treatment, and well-being of the residents in the home. The decision to issue an order for stay must be made within 90 days of the commissioner's determination that a controlling person is disqualified by subdivision 4, paragraph (a), clause (1), from operating a nursing home.

(b) In determining whether to issue a stay and to impose conditions and restrictions, the commissioner shall consider the following factors:

(1) the ability of the controlling persons to operate other nursing homes in accordance with the licensure rules and laws;

(2) the conditions in the facility that received the number and type of uncorrected or repeated violations described in subdivision 4, paragraph (a), clause (1); and

(3) the conditions and compliance history of each of the nursing homes operated by the controlling persons.

(c) The commissioner's decision to exercise the authority under this subdivision in lieu of revoking, suspending, or refusing to renew the license of the nursing home is not subject to administrative or judicial review.

(d) The order for the stay of revocation, suspension, or nonrenewal of the nursing home license must include any conditions and restrictions on the nursing home license that the commissioner deems necessary based upon the factors listed in paragraph (b).

(e) Prior to issuing an order for stay of revocation, suspension, or nonrenewal, the commissioner shall inform the controlling persons, in writing, of any conditions and restrictions that will be imposed. The controlling persons shall, within ten working days, notify the commissioner in writing of their decision to accept or reject the conditions and restrictions. If the nursing home rejects any of the conditions and restrictions, the commissioner shall either modify the conditions and restrictions or take action to suspend, revoke, or not renew the nursing home license.

(f) Upon issuance of the order for stay of revocation, suspension, or nonrenewal, the controlling persons shall be responsible for compliance with the conditions and restrictions contained therein. Any time after the conditions and restrictions have been in place for 180 days, the controlling persons may petition the commissioner for removal or modification of the conditions and restrictions. The commissioner shall respond to the petition within 30 days of the receipt of the written petition. If the commissioner denies the petition, the controlling persons may request a hearing under the provisions of chapter 14. Any hearing shall be limited to a determination of whether the conditions and restrictions shall be modified or removed. At the hearing, the controlling persons will have the burden of proof.

(g) The failure of the controlling persons to comply with the conditions and restrictions contained in the order for stay shall result in the immediate removal of the stay and the commissioner shall take action to suspend, revoke, or not renew the license.

(h) The conditions and restrictions are effective for two years after the date they are imposed.

(i) Nothing in this subdivision shall be construed to limit in any way the commissioner's ability to impose other sanctions against a nursing home license under the standards set forth in state or federal law whether or not a stay of revocation, suspension, or nonrenewal is issued.

(1) Has committed an offense for which mandatory revocation of license is required upon conviction; or

(2) Has been convicted by a court of competent jurisdiction for violation of a provision of the highway traffic regulation act or an ordinance regulating traffic and where it appears from department records that the violation for which the licensee was convicted contributed in causing an accident resulting in the death or personal injury of another, or serious property damage; or

(5) Is incompetent to drive a motor vehicle as determined and adjudged in a judicial proceeding; or

(10) has failed to report a medical condition that if reported would have resulted in cancellation of driving privileges.

Provided, however, that any action taken by the commissioner under subparagraphs (2) and (5) shall conform to the recommendation of the court when made in connection with the prosecution of the licensee.

Upon suspending the license of any person, as hereinbefore in this section authorized, the department shall immediately notify the licensee, in writing, by depositing in the United States post office a notice addressed to the licensee at the licensee's last known address, with postage prepaid thereon, and the licensee's written request shall afford the licensee an opportunity for a hearing within not to exceed 20 days after receipt of such request in the county wherein the licensee resides, unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or duly authorized agent, may administer oaths and issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee. HOUSE CONCURRENT RESOLUTION NO. 5

A house concurrent resolution congratulating the 1990 International Trans-Antarctica Expedition Team on its successful continental crossing.

Whereas, the 1990 International Trans-Antarctica Expedition team consists of: Will Steger, of the United States of America; Dr. Jean-Louis Etienne, of France; Dr. Victor Boyarsky, of the Union of Soviet Socialist Republics; Geoff Somers, of Great Britain; Keizo Funatsu, of Japan; and Qin Dahe, of the People's Republic of China; and

Whereas, the international composition of the expedition purposefully reflects the Antarctic Treaty, signed in 1961 and kept by 39 countries, that sets aside Antarctica as an international scientific laboratory; and

Whereas, logging nearly 4,000 miles in the harshest conditions on earth, the six men and their sled dogs, 40 polar huskies, traveled for seven months; and

Whereas, they began at Seal Nunataks on the Antarctic Peninsula on July 27, 1989, the middle of austral winter; and

Whereas, on the first leg of their journey, along the mountainous peninsula never before traversed in winter, the team experienced a 60-day storm with winds up to 100 miles per hour, temperatures as low as minus 45 degrees Fahrenheit, and deep snow that slowed their progress and threatened their lives; and

Whereas, in November, on top of the Antarctic Plateau, the team increased its mileage from an average of 8 miles per day to 25 miles per day and made up nearly one month of lost time; and

Whereas, the expedition reached the South Pole on December 11, 1989, becoming the first to do so by dogsled since its discovery in 1912 by Roald Amundsen, of Norway; and

Whereas, two of the huskies belonging to Will Steger, a native Minnesotan, became the first to travel to both poles; and

Whereas, the team next accomplished the first on-foot crossing of the Area of Inaccessibility, a 750-mile stretch named for its remoteness and unilateral distance from all coasts of the continent, and reached the Soviet Vostok station on January 18, 1990; and

Whereas, the last 850 miles consisted of 41 days of enduring temperatures as low as minus 54 degrees Fahrenheit, and windchills as low as minus 113 degrees Fahrenheit, before reaching Mirnyy, a Soviet base, on March 3, 1990; and

Whereas, the completion of the expedition is the first unmechanized traverse of Antarctica traveling the west to east axis; and

Whereas, a public celebration will be held at 12:00 Noon, on

Saturday, March 24, 1990, on the State Capitol lawn and will include a banner parade, songs, band music, and proclamations; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota, the Senate concurring, that it congratulates the 1990 International Trans-Antarctica Expedition Team on its successful continental crossing.

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare enrolled copies of this resolution, to be authenticated by himself and the Speaker of the House of Representatives and by the Chair of the Senate Rules and Administration Committee and the Secretary of the Senate, and that they be presented to the members of the 1990 International Trans-Antarctica Expedition.

POINT OF ORDER

Subd. 6. [MEDICARE CERTIFICATION.] (a) [DEFINITION.] For purposes of this subdivision, "nursing facility" means a nursing home that is certified as a skilled nursing facility or, after September 30, 1990, a nursing home licensed under chapter 144A that is certified as a nursing facility.

(b) [FULL MEDICARE PARTICIPATION REQUIRED.] All nursing facilities shall fully participate in Medicare part A and part B unless, after submitting an application, Medicare certification is denied by the federal health care financing administration. Medicare review shall be conducted at the time of the annual medical assistance review. Charges for Medicare-covered services provided to residents who are simultaneously eligible for medical assistance and Medicare must be billed to Medicare part A or part B before billing medical assistance. Medical assistance may be billed only for charges not reimbursed by Medicare.

(c) [UNTIL SEPTEMBER 30, 1990.] Until September 30, 1990, a nursing facility satisfies the requirements of paragraph (b) if: (1) at least 50 percent of the facility's beds that are licensed under section 144A and certified as skilled nursing beds under the medical

assistance program are Medicare certified; or (2) if a nursing facility's beds are licensed under section 144A, and some are medical assistance certified as skilled nursing beds and others are Medical assistance certified as intermediate care facility I beds, at least 50 percent of the facility's total skilled nursing beds and intermediate care facility I beds or 100 percent of its skilled nursing beds, whichever is less, are Medicare certified.

(d) [~~OCTOBER 1, 1990, TO JUNE 30, 1991 AFTER SEPTEMBER 30, 1990.~~] After September 30, 1990, and ~~until June 30, 1991,~~ a nursing facility satisfies the requirements of paragraph (b) if at least 50 percent of the facility's beds certified as nursing facility beds under the medical assistance program are Medicare certified.

(e) [~~AFTER JUNE 30, 1991.~~] After June 30, 1991, a nursing facility satisfies the requirements of paragraph (b) if 100 percent of the facility's beds that are certified as nursing facility beds under the medical assistance program are Medicare certified.

(f) [~~PROHIBITED TRANSFERS.~~] A resident in a skilled nursing bed or, after September 30, 1990, a resident in any nursing facility bed, who is eligible for medical assistance and who becomes eligible for Medicare has the right to refuse an intrafacility skilled nursing bed transfer if the commissioner approves the exception request based on written documentation submitted by a physician that the transfer would create or contribute to a health problem for the resident. A resident who is occupying a skilled nursing bed or, after September 30, 1990, a nursing facility bed certified by the medical assistance and Medicare programs, has the right to refuse a transfer if the resident's bed is needed for a Medicare-eligible patient or private-pay patient and if the commissioner approves the exception based on written documentation submitted by a physician that the transfer would create or contribute to a health problem for the resident. [~~CONFLICT WITH MEDICARE DISTINCT PART REQUIREMENTS.~~] At the request of a facility, the commissioner of human services may reduce the 50 percent Medicare participation requirement in paragraphs (c) and (d) to no less than 20 percent if the commissioner of health determines that, due to the facility's physical plant configuration, the facility cannot satisfy Medicare distinct part requirements at the 50 percent certification level. To receive a reduction in the participation requirement, a facility must demonstrate that the reduction will not adversely affect access of Medicare-eligible residents to Medicare-certified beds.

(g) (f) [~~INSTITUTIONS FOR MENTAL DISEASE.~~] The commissioner may grant exceptions to the requirements of paragraph (b) for nursing facilities that are designated as institutions for mental disease.

Sec. 2. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:

Subd. 3h. [PROPERTY COSTS FOR THE RATE YEAR BEGINNING JULY 1, 1990.] Notwithstanding Minnesota Rules, part 9549.0060, subpart 13, item H, the commissioner shall determine

property-related payment rates for nursing homes for the rate year beginning July 1, 1990, as follows:

(a) The property-related payment rate for a nursing home that qualifies under subdivision 3g is the rate determined under that subdivision.

(b) Nursing homes shall be grouped according to the type of property-related payment rate the commissioner determined for the rate year beginning July 1, 1989. A nursing home whose property-related payment rate was determined under Minnesota Rules, part 9549.0060, subpart 13, item A (full rental reimbursement) shall be considered group A. A nursing home whose property-related payment rate was determined under Minnesota Rules, part 9549.0060, subpart 13, item B (phase-down to full rental reimbursement) shall be considered group B. A nursing home whose property-related payment rate was determined under Minnesota Rules, part 9549.0060, subpart 13, item C or D (phase-up to full rental reimbursement) shall be considered group C.

(c) For the rate year beginning July 1, 1990, a Group A nursing home shall receive its property-related payment rate determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section.

(d) For the rate year beginning July 1, 1990, a Group B nursing home shall receive the greater of 90.5 percent of the property-related payment rate in effect on July 1, 1989; or the rental per diem rate determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section in effect on July 1, 1990; or the sum of 100 percent of the nursing home's allowable principal and interest expense, plus its equipment allowance multiplied by the resident days for the reporting year ending September 30, 1989, divided by the nursing home's capacity days as determined under Minnesota Rules, part 9549.0060, subpart 11, as modified by subdivision 3f, paragraph (c); except that the nursing home's property-related payment rate must not exceed its property-related payment rate in effect on July 1, 1989.

(e) For the rate year beginning July 1, 1990, a Group C nursing home shall receive its property-related payment rate determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section, except the rate must not exceed the lesser of its property-related payment rate determined for the rate year beginning July 1, 1989, multiplied by 150 percent or its rental per diem rate determined effective July 1, 1990.

(f) The property-related payment rate for a nursing home that qualifies for a rate adjustment under Minnesota Rules, part 9549.0060, subpart 13, item G (special reappraisals) shall have the

property-related payment rate determined in paragraphs (a) to (e) adjusted according to the provisions in that rule.

Sec. 3. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:

Subd. 3i. [PROPERTY RATE ADJUSTMENT FOR REQUIRED IMPROVEMENTS.] The commissioner shall add an adjustment to the property-related payment rate of a certified, freestanding boarding care home reflecting the costs incurred by that nursing home to install a communications system in every room and hallway handrails, as required under the 1987 federal Omnibus Budget Reconciliation Act, Public Law Number 100-203. The property-related payment rate increase is only available if, and to the extent that, the nursing home's existing property-related payment rate, minus the nursing home's allowable principal and interest costs and equipment allowance, is not sufficient to cover the costs of the required improvements. Each nursing home eligible for the adjustment shall submit to the commissioner a detailed estimate of the cost increases the facility will incur to meet the new physical plant requirements. Ten percent of the amount of the costs that are determined by the commissioner to be reasonable for the nursing home to meet the new requirements, divided by resident days, must be added to the nursing home's property-related payment rate. The adjustment shall be added to the property-related payment rate determined under section 2. The resulting recalculated property-related payment rate is effective October 1, 1990, or 60 days after a nursing home submits its detailed cost estimate, whichever occurs later.

The adjustment is only available to a certified, freestanding boarding care home that cannot meet the requirements of Public Law Number 100-203 for communications systems and handrails as demonstrated to the satisfaction of the commissioner of health. When the commissioner of human services establishes that it is not cost effective to upgrade an eligible certified, freestanding boarding care home to the new standards, the commissioner of human services may exclude the certified freestanding boarding care home if it is either an institution for mental disease or a certified, freestanding boarding care home that would have been determined to be an institution for mental disease but for the fact that it has 16 or fewer licensed beds.

Sec. 4. [RECOMMENDATIONS REGARDING PROPERTY COST PAYMENTS.]

By December 15, 1990, the rule 50 property reimbursement advisory task force under the convening authority of the commissioner of state planning shall recommend to the legislature a new system for determining property-related payment rates for nursing homes. The system recommended by the advisory task force must

not increase total medical assistance spending for nursing home property costs. The system must be designed to:

(1) reimburse nursing homes for their legitimate and reasonable property-related costs;

(2) permit appropriate sales of facilities within reasonable limitations;

(3) allow for the reasonable accumulation of funds to replace capital assets;

(4) take into consideration Medicare principles and required state plan assurances;

(5) provide equitable treatment of facilities;

(6) establish limitations on investment per bed; and

(7) encourage long-term ownership of nursing facilities through providing a return on an owner's actual investment which is related to the length of ownership at the time of an arm's length sale.

Sec. 5. [REPEALER.]

Minnesota Statutes 1988, sections 256B.431, subdivisions 3, 3b, 3c, and 3d; and 256B.50, subdivision 2; and Minnesota Statutes 1989 Supplement, section 256B.431, subdivisions 3a and 3f, are repealed effective July 1, 1991.

Section 1. Minnesota Statutes Second 1989 Supplement, section 10A.31, subdivision 5, is amended to read:

Subd. 5. In each calendar year the money in the general account shall be allocated to candidates as follows:

(1) 21 percent for the offices of governor and lieutenant governor together;

(2) 3.6 percent for the office of attorney general;

(3) 1.8 percent each for the offices of secretary of state, state auditor, and state treasurer;

(4) In each calendar year during the period in which state senators serve a four-year term, 23 $\frac{1}{3}$ percent for the office of state senator and 46 $\frac{2}{3}$ percent for the office of state representative;

(5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative.

In each calendar year the money in each party account shall be allocated as follows:

(1) 14 percent for the offices of governor and lieutenant governor together;

(2) 2.4 percent for the office of attorney general;

(3) 1.2 percent each for the offices of secretary of state, state auditor, and state treasurer;

(4) In each calendar year during the period in which state senators serve a four-year term, 23 $\frac{1}{3}$ percent for the office of state senator and 46 $\frac{2}{3}$ percent for the office of state representative;

(5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative;

(6) ten percent for the state committee of a political party; money allocated to each state committee under this clause must be deposited in a separate account and must be spent for only those items enumerated in section 10A.275; money allocated to a state committee under this clause must be paid to the committee by the state treasurer as notified by the state ethical practices board as it is received in the account on a monthly basis, with payment on the 15th day of the calendar month following the month in which the ~~tax~~ returns were ~~received~~ processed by the department of revenue, provided that these distributions would be equal to 90 percent of the amount of money indicated in the department of revenue's weekly unedited reports of income tax returns for that and property tax refund returns processed in the month, as notified by the department of revenue to the state ethical practices board. The amounts paid to each state committee are subject to final annual biennial adjustment and settlement as indicated according to the at the time of each certification by required of the commissioner of revenue under subdivision 6 subdivisions 7 and 10. If the total amount of total payments received before September 15 by a state committee for the period reflected on a certification by the department of revenue is greater than different from the amount certified by the commissioner of revenue on September 15, the total amount of payments distributed between September 1 and December 31 that should have been received during the period according to the certification, each subsequent monthly payment must be reduced by increased or decreased to the fullest extent possible until the amount of the overpayment is recovered or the underpayment is distributed.

To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, money from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula;

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that

part of the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state

senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) in the following year. Money from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.

Sec. 2. Minnesota Statutes Second 1989 Supplement, section 290.17, subdivision 2, is amended to read:

Subd. 2. [INCOME NOT DERIVED FROM CONDUCT OF A TRADE OR BUSINESS.] The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from labor or personal or professional services is assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota; and

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident from the United States, its agencies or instrumentalities, the Federal Reserve Bank, the state of Minnesota or any of its political or governmental subdivisions, or a Minnesota volunteer firefighters' relief association, by way of payment as a pension, public employee

retirement benefit, or any combination of these, or as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 408, or 409, or as defined in section 403(b) or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1987, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

(c) Except upon the sale of a partnership interest or the sale of stock of an S corporation, income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of stock held in an S corporation is allocable to this state in the ratio of the original cost of tangible property of the S corporation within this state to the original cost of tangible property of the S corporation everywhere an amount equal to the gain on the sale of the stock multiplied by the ratio that was used to compute the amount of S corporation income assignable to Minnesota in the tax year preceding the year of sale.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was assignable to Minnesota under subdivision 3.

(d) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state.

(e) Income from winnings on Minnesota pari-mutuel betting tickets, the Minnesota state lottery, and lawful gambling as defined in section 349.12, subdivision 2, conducted within the boundaries of the state of Minnesota shall be assigned to this state.

(f) All items of gross income not covered in paragraphs (a) to (e) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

Sec. 3. Minnesota Statutes 1988, section 290.17, subdivision 5, is amended to read:

Subd. 5. [SPECIAL RULES.] Notwithstanding subdivisions 3 and 4, all income from the operation of the following types of businesses must be allocated as follows:

(a) All income from the operation of a farm is assigned to this state if the farm is located within this state and no such income is assigned to this state if the farm is located without this state.

(b) ~~Income from a trade or business consisting principally of the performance of personal or professional services is assigned to this state if, and to the extent that, the services are performed within this state.~~

(e) For athletic teams when the visiting team does not share in the gate receipts, all of the team's income is assigned to the state in which the team's operation is based.

Sec. 4. Minnesota Statutes 1989 Supplement, section 290.39, subdivision 4, is amended to read:

Subd. 4. [VOTER REGISTRATION FORM.] The commissioner shall insert securely in each individual income tax return form or instruction booklet distributed ~~in an even-numbered~~ for an odd-numbered year a voter registration form, returnable to the secretary of state, designed according to rules adopted by the secretary of state. This requirement applies to forms and booklets supplied to post offices, banks, and other outlets, as well as to those mailed directly to taxpayers.

Sec. 5. Minnesota Statutes 1988, section 290.39, subdivision 5, is amended to read:

Subd. 5. [PARTNERSHIPS; NONRESIDENT PARTNERS.] (a) The commissioner may allow a partnership with five or more nonresident partners to file a composite return on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, social security numbers, income allocation, and tax liability for all nonresident partners electing to be covered by the composite return.

(b) The computation of each partner's tax liability will be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under

section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners ~~on or before the due date for filing the individual income tax return. The request may be made a part of the return filed. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.~~

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The penalty for failure to file a return as provided in section 290.53, subdivision 2, is assessed from the due date for filing a return until a noncomposite return is filed. The tax paid for such an individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return constitutes a return for purposes of subdivision 1.

(e) This subdivision does not preclude the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 290.93. However, a composite estimate may be filed in a manner similar to and containing the same information required under paragraph (a).

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under section 290.37, subdivision 1, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is not available to any partner other than a full-year nonresident individual who has no other Minnesota source income.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this subdivision. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to each shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of such estates or trusts may make an election under this subdivision. The provisions covering the

partnership apply to the estate or trust. The provisions applying to the partner apply to each beneficiary.

Sec. 6. Minnesota Statutes 1988, section 290.49, subdivision 3, is amended to read:

Subd. 3. [OMISSION IN EXCESS OF 25 PERCENT.] If the taxpayer omits from gross income an amount properly includable therein which is in excess of 25 percent of the amount of gross income stated in the return, the tax may be assessed, or a proceeding in court for the collection of such tax may be begun at any time within 6½ years after the return was filed.

For purposes of this subdivision, the term "gross income" shall mean gross income as defined in section ~~290.37, subdivision 1, clause (e)~~ 290.01, subdivision 20.

Sec. 7. Minnesota Statutes 1988, section 290.92, subdivision 12, is amended to read:

Subd. 12. [WITHHELD AMOUNT, CREDIT AGAINST TAX.] The amount deducted and withheld as tax under subdivision 2a or, 3, 4b, or 4c or section 290.923, subdivision 2, during any calendar year upon the wages, partnership income, or "S" corporation income of any individual or person receiving royalty payments shall be allowed as a credit to the recipient of the income against the taxes imposed by this chapter or by chapter 298, for a taxable year beginning in such calendar year. If more than one taxable year begins in such calendar year, such amount shall be allowed as a credit against the taxes for the last taxable year so beginning.

Sec. 8. Minnesota Statutes 1988, section 290.92, subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, within five years after the date of assessment of the tax, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice

which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.41. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.495. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.55. The employer shall continue to withhold each pay period until the total amount shown by the notice is paid in full. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.55. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision. In crediting amounts withheld against delinquent taxes of an employee, the department shall apply amounts withheld in the following order: penalties, interest, tax, and costs.

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.61, subdivision 2.

(3) The employer shall, by the date prescribed in subdivision 6, remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during the calendar

quarter under this subdivision. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. ~~No amount required to be paid by an employer by reason of the employer's failure to remit under this subdivision, may be deducted from the gross income of the employer, under sections 290.09, subdivision 4 or 290.01, subdivisions 20 to 20f.~~ Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax, and costs.

(4) Clauses (1), (2) and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3) above, the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.

Sec. 9. Minnesota Statutes 1988, section 290.93, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT OF DECLARATION.] (1) Every individual shall, at the time prescribed in subdivision 5, make and file with the commissioner a declaration of estimated tax for the taxable year if

the gross income (for purposes of this subdivision and subdivision 5 as defined in section ~~290.37, subdivision 1, clause (e)~~ 290.01, subdivision 20) for the taxable year can reasonably be expected to exceed the gross income amounts set forth in section 290.37, subdivision 1 pertaining to the requirements for making a return.

(2) If the individual is an infant or incompetent person, the declaration shall be made by the individual's guardian.

(3) Notwithstanding the provisions of this section, no declaration is required if the estimated tax (as defined in subdivision 3) is less than \$500.

(xii) nontaxable scholarship or fellowship grants.

In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" shall mean federal adjusted gross income reflected in the fiscal year ending in the calendar year. Federal adjusted gross income shall not be reduced by the amount of a net operating loss carryback.

(2) "Income" does not include

(a) amounts excluded pursuant to the Internal Revenue Code, sections 101(a), 102, and 121;

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than ten percent over the net property taxes payable in the prior year on the same property that is owned by the same owner in both years, and the amount of that increase is \$40 or more for taxes payable in 1990 and 1991, \$60 or more for taxes payable in 1992, \$80 or more for taxes payable in 1993, and \$100 or more for taxes payable in 1994, a claimant who is a homeowner shall be allowed an additional refund equal to the sum of (1) 75 percent of the first \$250 of the amount of the increase over ten percent for taxes payable in 1990 and 1991, 75 percent of the first \$275 of the amount of the increase over ten percent for taxes payable in 1992, 75 percent of the first \$300 of the amount of the increase over ten percent for taxes payable in 1993, and 75 percent of the first \$325 of the amount of the increase over ten percent for taxes payable in 1994, and (2) 90 percent of the amount of the increase over ten percent plus \$250 for taxes payable in 1990 and 1991, 90 percent of the amount of the increase over ten percent plus \$275 for taxes payable in 1992, 90 percent of the amount of the increase over ten percent plus \$300 for taxes payable in 1993, and 90 percent of the amount of the increase

over ten percent plus \$325 for taxes payable in 1994. This subdivision shall not apply to any increase in the net gross property taxes payable attributable to improvements made to the homestead after the assessment date for the current year's taxes.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable after reductions made under sections 273.13, subdivisions 22 and 23; 273.132; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

On or before December 1, 1990, and December 1 of each of the following three years, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in the following year. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims exceed the following amounts for the taxes payable year designated, the commissioner shall decrease the percentages of the excess taxes the state will pay and increase the dollar amount of tax increase which must occur before a taxpayer qualifies for a refund.

Taxes payable in:	Appropriation limit
1991	\$7,000,000
1992	\$6,500,000
1993	\$6,000,000
1994	\$5,500,000

The commissioner shall make the adjustments so that half of the estimated savings come from decreasing the percentages of the excess taxes the state will pay and half of the estimated savings come from increasing the dollar amount of the tax increase which must occur before a taxpayer qualifies for a refund. The determinations of the revised percentages and thresholds by the commissioner are not rules subject to chapter 14.

Sec. 13. Minnesota Statutes Second 1989 Supplement, section 290A.04, subdivision 2i, is amended to read:

Subd. 2i. If the net property taxes payable in 1990 on a seasonal residential and recreational property, not devoted to commercial use, increase more than ten percent over the net property taxes payable in 1989 and if the amount is \$40 or more, one claimant individual who is an owner of the property in both years is allowed a refund equal to 75 percent of the first \$250 of the excess of the increase over ten percent. This subdivision does not apply to the portion of an increase in taxes payable that are attributable to improvements to the property.

The individual claiming the refund can use only one contiguous seasonal residential and recreational property in computing the refund and is allowed only one refund. For the purposes of this subdivision, a husband and wife are treated as one individual.

In addition to the other proofs required by this chapter, each claimant individual claiming a refund under this subdivision shall file with the application a copy of the property tax statement for property taxes payable in 1989 and 1990 and any other documents required by the commissioner.

Sec. 4. Minnesota Statutes 1989 Supplement, section 273.01, is amended to read:

273.01 [LISTING AND ASSESSMENT, TIME.]

All real property subject to taxation shall be listed and at least one-fourth of the parcels listed shall be appraised each year with reference to their value on January 2 preceding the assessment so that each parcel shall be reappraised at maximum intervals of four years. All real property becoming taxable in any year shall be listed with reference to its value on January 2 of that year. Except as provided in this section and section 274.01, subdivision 1, all real property assessments shall be completed two weeks prior to the date scheduled for the local board of review or equalization. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes which extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. Any changes made by the assessor after this time adjournment must be fully documented and maintained in a file in the assessor's office and shall be available for review by any person. A copy of any changes made during this period shall be sent to the county board no later than December 31 of the

assessment year. In the event a valuation and classification is not placed on any real property by the dates scheduled for the local board of review or equalization the valuation and classification determined in the preceding assessment shall be continued in effect and the provisions of section 273.13 shall, in such case, not be applicable, except with respect to real estate which has been constructed since the previous assessment. Real property containing iron ore, the fee to which is owned by the state of Minnesota, shall, if leased by the state after January 2 in any year, be subject to assessment for that year on the value of any iron ore removed under said lease prior to January 2 of the following year. Personal property subject to taxation shall be listed and assessed annually with reference to its value on January 2; and, if acquired on that day, shall be listed by or for the person acquiring it.

Sec. 5. Minnesota Statutes 1989 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, and 9 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment valuation of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, ~~the net tax capacity~~ of that lot or any single contiguous lot fronting on the same street shall be eligible for ~~reassessment~~ revaluation. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such

property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 6. Minnesota Statutes Second 1989 Supplement, section 273.13, subdivision 25, is amended to read:

Subd. 25. [CLASS 4.] (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. Class 4a property has a class rate of 3.6 percent of market value.

(b) Class 4b includes:

(1) residential real estate containing less than four units, other than seasonal residential, and recreational;

(2) post-secondary student housing not to exceed one acre of land which is owned by a nonprofit corporation organized under chapter 317 and is used exclusively by a sorority or fraternity organization for housing;

(3) manufactured homes not classified under any other provision;

(4) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4b property has a class rate of 3.0 percent of market value.

(c) Class 4c property includes:

(1) a structure that is situated on real property that is used for housing for the elderly or for low and moderate income families as defined by Title II of the National Housing Act or the Minnesota housing finance agency law of 1971 or rules promulgated by the agency pursuant thereto and financed by a direct federal loan or federally insured loan or a loan made by the Minnesota housing finance agency pursuant to the provisions of either of those acts and acts amendatory thereof. This clause applies only to property of a nonprofit or limited dividend entity. Property is classified as class 4c under this clause for 15 years from the date of the completion of the original construction or substantial rehabilitation, or for the original term of the loan;

(2) a structure that is:

(i) situated upon real property that is used for housing lower income families or elderly or handicapped persons, as defined in section 8 of the United States Housing Act of 1937, as amended; and

(ii) owned by an entity which has entered into a housing assistance payments contract under section 8 which provides assistance for 100 percent of the dwelling units in the structure, other than dwelling units intended for management or maintenance personnel. Property is classified as class 4c under this clause for the term of the housing assistance payments contract, including all renewals, or for the term of its permanent financing, whichever is shorter; and

(3) a qualified low-income building that (i) receives a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1988; or (ii) meets the requirements of that section. Classification pursuant to this clause is limited to buildings the construction or rehabilitation of which began after May 1, 1988, and to a term of 15 years.

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents. The land on which these structures are situated has the class rate given in paragraph (b) if the structure contains fewer than four units, and the class rate given in paragraph (a) if the structure contains four or more units.

(4) a parcel of land, not to exceed one acre, and its improvements or a parcel of unimproved land, not to exceed one acre, if it is owned by a neighborhood real estate trust and at least 60 percent of the dwelling units, if any, on all land owned by the trust are leased to or occupied by lower income families or individuals. This clause does not apply to any portion of the land or improvements used for nonresidential purposes. For purposes of this clause, a lower income family is a family with an income that does not exceed 65 percent of the median family income for the area, and a lower income individual is an individual whose income does not exceed 65 percent of the median individual income for the area, as determined by the United States Secretary of Housing and Urban Development. For purposes of this clause, "neighborhood real estate trust" means an entity which is certified by the governing body of the municipality in which it is located to have the following characteristics: (a) it is a nonprofit corporation organized under chapter 317; (b) it has as its principal purpose providing housing for lower income families in a specific geographic community designated in its articles or bylaws; (c) it limits membership with voting rights to residents of the designated community; and (d) it has a board of directors consisting of at least seven directors, 60 percent of whom are members with voting rights and, to the extent feasible, 25 percent of whom are elected by resident members of buildings owned by the trust; and

(5) except as provided in subdivision 22, paragraph (c), real property devoted to temporary and seasonal residential occupancy for recreation purposes, including real property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for more than 225 days in the year preceding the year of assessment. For this purpose, property is devoted to commercial use on a specific day if it is used, or offered for use, and a fee is charged for the use. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 225 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause and clause (6) also includes the remainder of class 1c resorts; and

(6) real property up to a maximum of one acre of land owned by a nonprofit community service oriented organization; provided that the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment and the property is not used for residential purposes on either a temporary or permanent basis. For purposes of this clause, a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1988. For purposes of this clause, "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or nonintoxicating malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. Any portion of the property which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity; and

Class 4c property has a class rate of 2.4 percent of market value.

(d) Class 4d property includes any structure:

(i) situated on real property that is used for housing for the elderly

or for low and moderate income families as defined by the farmers home administration;

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the farmers home administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. Classification under this clause is only available to property of a nonprofit or limited dividend entity.

Class 4d property has a class rate of 1.7 percent of market value for taxes payable in 1990, and two percent of market value for taxes payable thereafter.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (2); or paragraph (c), clause (1), (2), (3), or (4); ~~or paragraph (d)~~, is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.4 percent of market value if it is found to be a substandard building under section 273.1316.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 273.1391, subdivision 2, is amended to read:

Subd. 2. For taxes payable in 1990 and subsequent years, the amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the tax on qualified property located in the school district that does not meet the qualifications of

section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10. The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the tax, but not to exceed the maximums specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10.

(c) The maximum reduction of the tax up to the taconite breakpoint is \$200.10 for taxes payable in 1985. This maximum amount shall increase by \$15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

For the purposes of this subdivision, "homestead credit equivalency percentage" means one minus the ratio of the net tax capacity percentage to the gross tax capacity percentage applicable to the first \$68,000 of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.

Sec. 8. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of tax capacity rates.

(c) "Gross tax capacity" means the product of the gross class rates and estimated market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the gross tax capacity of transmission lines deducted from a local government's total gross tax capacity under section 273.425. Gross tax capacity cannot be less than zero.

(d) "Net tax capacity" means the product of the appropriate net class rates for the year in which the aid is payable, except that for class 3 utility real and personal property the class rate applied shall be 5.38 percent, and estimated market values for the assessment two years prior to that in which aid is payable. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), the net tax capacity shall be multiplied by the ratio of the highest class rate for class 3a property for taxes payable in the year in which the aid is payable to the highest class rate for class 3a property in the prior year. Net tax capacity cannot be less than zero.

(e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(f) "Local tax rate" means the quotient derived by dividing the gross taxes levied within a unique taxing jurisdiction for taxes payable in 1989 by the gross tax capacity of the unique taxing jurisdiction for taxes payable in 1989. For computation of the local

tax rate for aid payable in 1991 and subsequent years, gross taxes for taxes payable in 1989 exclude equalized levies as defined in subdivision 2a. For purposes of computation of the local tax rate only, gross taxes shall not be adjusted by inflation or household growth.

(g) For purposes of calculating the homestead and agricultural credit aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's local tax rate; (ii) its total net tax capacity; and (iii) 0.9767.

(h) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in 1989. Gross taxes are before any reduction for disparity reduction aid. Gross taxes levied cannot be less than zero.

For homestead and agricultural credit aid payable in 1991 and subsequent years, "gross taxes" or "gross taxes levied on all properties" shall mean gross taxes payable in 1989, excluding taxes defined as "equalized levies" actual amounts levied for the purposes listed in subdivision 2a, multiplied by the cost-of-living adjustment factor and the household adjustment factor.

(i) "Human services aids" means:

(1) aid to families with dependent children under sections 256.82, subdivision 1, and 256.935, subdivision 1;

(2) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;

(3) general assistance medical care under section 256D.03, subdivision 6;

(4) general assistance under section 256D.03, subdivision 2;

(5) work readiness under section 256D.03, subdivision 2;

(6) emergency assistance under section 256.871, subdivision 6;

(7) Minnesota supplemental aid under section 256D.36, subdivision 1;

(8) preadmission screening and alternative care grants under section 256B.091;

(9) work readiness services under section 256D.051;

(10) case management services under section 256.736, subdivision 13;

(11) general assistance claims processing, medical transportation and related costs; and

(12) medical assistance, medical transportation and related costs.

(j) "Adjustment factor" means one plus the percentage change in (1) the ratio of estimated market value of residential ~~homesteads~~ property to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. If the market value of farm homesteads exceeds the market value of residential homesteads in the city or township containing the unique taxing jurisdiction for the assessment two years prior to the year in which the aid is payable, "adjusted adjustment factor" means one plus the percentage change in the ratio of the estimated market value of farm ~~homesteads~~ property to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. The adjustment factor cannot be less than one. Estimates of market value for the assessment one year prior to the year in which the aid is paid will be made on the basis of the abstract submitted pursuant to section 270.11. Discrepancies between the estimate and actual market values will not result in increased or decreased aid in the year in which the estimates are used to compute aid.

(k) "Cost-of-living adjustment factor" means one plus the percentage, if any, by which:

(1) the consumer price index for the calendar year preceding that in which aid is payable, exceeds

(2) the consumer price index for calendar year 1989.

(l) "Consumer price index for any calendar year" means the average of the consumer price index as of the close of the 12-month period ending on May 31 of such calendar year.

(m) "Consumer price index" means the last consumer price index for all-urban consumers published by the department of labor. For purposes of the preceding sentence, the revision of the consumer price index which is most consistent with the consumer price index for calendar year 1989 shall be used.

(n) "Household adjustment factor" means the number of households for the most recent year preceding that in which the aids are payable divided by the 1988 number of households. The household adjustment factor cannot be less than one.

Sec. 9. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 2, is amended to read:

Subd. 2. [HOMESTEAD AND AGRICULTURAL CREDIT AID.]

(a) Initial homestead and agricultural credit aid for each unique taxing jurisdiction equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. The commissioner of revenue may, in computing the amount of the homestead and agricultural credit aid paid in 1990, adjust the gross tax capacity, net tax capacity, and gross taxes of a taxing jurisdiction for taxes payable in 1989 to reflect auditor's errors in computing taxes payable for 1989 in unique taxing jurisdictions within independent school district Nos. 720 and 792. Homestead and agricultural credit aid cannot be less than zero.

(b)(1) The homestead and agricultural credit aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's gross taxes bears to the total gross taxes levied within the unique taxing jurisdiction.

(2) The 1990 homestead and agricultural credit aid so determined for school districts for purposes of general education levies pursuant to section 124A.23, subdivisions 2 and 2a, and transportation levies pursuant to section 275.125, subdivisions 5 and 5c, shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.

(3) If a local government's total tax capacity rate for all funds for taxes payable in 1989 varies within the area in which it exercises taxing authority, the local government's allocated homestead and agricultural credit aid must be further allocated between the part of its levy in respect to which the tax capacity rate is constant throughout the area in which it exercises taxing authority and the part of its levy in respect to which the tax capacity rate varies throughout the area in which it exercises taxing authority.

(c) The calendar year 1990 homestead and agricultural credit aid shall be adjusted by the adjustment factor.

(d) Payments under this subdivision to counties in 1990 and subsequent years shall be reduced by the amount provided in section 477A.012, subdivisions 3, paragraph (d), and 4, paragraph (d).

(e) Payments under this subdivision to cities and towns shall be annually reduced by the amount of the homestead and agricultural credit aid adjustment, if any, determined for 1990 under section 477A.013, subdivision 6.

Sec. 10. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 5a, is amended to read:

Subd. 5a. [AID ADJUSTMENT FOR COUNTY HUMAN SERVICES AID.] (a) There shall be transferred to the human services aid account from the payment to a county under subdivision 2 an amount representing a county's human services aid increase as calculated in subdivision 5b, paragraphs (a) to (c). The amount calculated for each county shall be deducted from the first payment to the county under this section in 1991 and subsequent years. If the deduction exceeds the amount of the first payment, the balance shall be subtracted from the second payment. The amount of the payments under subdivision 2 shall not be less than zero as a result of this adjustment.

Sec. 11. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 6, is amended to read:

Subd. 6. [PAYMENT.] The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before December 1, 1989, and October 1 thereafter of the year preceding the distribution year to the county auditor of the affected local government and pay them and the credit reimbursements to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax nor shall homestead and agricultural credit aid be payable on the part of a levy to which homestead and agricultural credit aid was separately allocated under subdivision 2, paragraph (b), clause (2), which is no longer levied.

Sec. 12. Minnesota Statutes 1988, section 274.01, subdivision 1, is amended to read:

Subdivision 1. [ORDINARY BOARD; MEETINGS, DEADLINES, GRIEVANCES.] (a) The town board of a town, or the council or other governing body of a city, is the board of review except in cities whose

charters provide for a board of equalization. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting. The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes which extend homestead treatment to property are permitted after the board of review or the county board of equalization has adjourned. This restriction does not apply to corrections of errors that are merely clerical or administrative in nature adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just.

(c) A local board of review may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board of review without regard to the one percent limitation.

(d) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend, with the assessment books and papers, and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor

shall attend the meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board, placed opposite the item. The county assessor shall enter all changes made by the board in the assessment book.

(e) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of equalization for a review of the assessment or classification. This paragraph does not apply if an assessment was made after the board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board of review meeting.

(f) The board of review or the board of equalization must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be heard and determined by the county board of equalization. The county board of equalization or the special board of equalization appointed by it shall meet during the last two weeks in June that contain ten meeting days, excluding Saturday and Sunday. Sec. 16. Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1989 payable in 1990 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. The aggregate amounts levied under this clause for the costs of purchase or delivery of social services and income maintenance programs, other than those identified in section 273.1398, subdivision 1, paragraph (i), are subject to a maximum increase over the amount levied for the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, paragraph (i), to the extent the county provides benefits under those programs over the statutory mandated standards. Effective with taxes levied in 1990, the portion of this special levy for human service programs identified in section 273.1398, subdivision 1, paragraph (i), is eliminated;

(b) pay the costs of principal and interest on bonded indebtedness except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c, or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(h) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5;

(k) pay the cost of hospital care under section 261.21;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

(n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision 3. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

(o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount

levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(t) for taxes levied in 1990 only by a county in the eighth judicial district, provide an amount equal to the amount of the levy, if any, that is required under Laws 1989, chapter 335, article 3, section 54, subdivision 8;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; and.

If the amount levied under this paragraph (u) in 1989 is less than the actual expenditures needed for these programs for 1990, the

difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991; and

(v) pay an amount of up to 25 percent of the money sought for distribution and approved under section 115A.557, subdivision 3, paragraph (b), clause (3).

~~If the amount levied in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991.~~

Sec. 17. Minnesota Statutes Second 1989 Supplement, section 275.51, subdivision 3f, is amended to read:

Subd. 3f. [LEVY LIMIT BASE.] (a) The property tax levy limit base for governmental subdivisions for taxes levied in 1988 shall be equal to the total actual levy for taxes payable in 1988 with additions and subtractions as specified in paragraphs (b) and (c).

(b) The amounts to be added to the actual 1988 levy are (1) the amount of local government aid the governmental subdivision was certified to receive in 1988 under sections 477A.011 to 477A.014, (2) its 1988 taconite aids under sections 298.28 and 298.282, and (3) its 1988 wetlands and native prairie reimbursements under Minnesota Statutes 1986, sections 273.115, subdivision 3, and 273.116, subdivision 3.

(c) The amounts to be subtracted from the actual 1988 levy are (1) any special levies claimed for taxes payable in 1988 pursuant to Laws 1987, chapter 268, article 5, section 12, subdivision 4, clauses (1), (2), (3), and (4); and (2) for a governmental subdivision participating in a regional library system receiving grants from the department of education under section 134.34, the amount levied for taxes payable in 1988 for the operating costs of a public library service.

(d) For taxes levied in 1989 and subsequent years, a governmental subdivision's levy limit base is equal to its adjusted levy limit base for the preceding year, provided that for taxes levied in 1989, the amount of the administrative reimbursement aid received in 1988 shall be added to the base.

(e) For taxes levied by a county in 1989, the levy limit base determined under paragraph (d) shall be reduced by an amount equal to 90 percent of the cost of public defender services for felonies and gross misdemeanors and the costs of law clerks in the county that are assumed by the state during calendar year 1990, less 103 percent of one-half the amount of fees collected by the courts in the county during calendar year 1988. For taxes levied in 1990, the levy limit base determined under paragraph (d) shall first be increased by the product of (1) the amount deducted under this paragraph for taxes levied in 1989 and (2) the adjustments under subdivision 3h, paragraphs (a) and (b) for taxes levied in 1989, and then shall be reduced by an amount equal to the cost of public defender services for felonies and gross misdemeanors and the cost of law clerks in the county that are assumed by the state during calendar year 1991, less the amount of fees collected by the courts in the county during calendar year 1989, computed at the rate of \$30 for civil and probate filings and \$20 for marriage dissolutions.

For taxes levied in 1990 only by those counties, the levy limit base determined under paragraphs (d) and (e) shall first be increased by the product of (1) the amount deducted under this paragraph for taxes levied in 1989 and (2) the adjustments under subdivision 3h, paragraphs (a) and (b) for taxes levied in 1989, and then shall be further reduced by an amount equal to the cost of operation of the trial courts in the county during the first six months of calendar year 1991 that are assumed by the state less 50 percent of the amount of fines collected by the courts during calendar year 1989.

(g) By October 15, 1989, the board of public defense shall determine and certify to the commissioner of revenue the pro rata share for each county of the state-financed public defense services described in paragraph (e) during the six-month period beginning July 1, 1990. By October 15, 1989, the supreme court shall determine and certify to the department of revenue for each county the pro rata share for each county of the cost of providing law clerks during the three-month period beginning October 1, 1990, plus, for each county located in the eighth judicial district, the cost of operation of the trial courts during calendar year 1990.

(h) For taxes levied in a county in 1991, the levy limit base shall be reduced by an amount equal to the cost in the county of court reporters, judicial officers, and district court referees and the expenses of law clerks and court reporters as authorized in sections 484.545, subdivision 3, and 486.05, subdivisions 1 and 1a, as certified by the supreme court pursuant to section 477A.012, subdivision 4.

(i) If a governmental subdivision received an adjustment to its levy limit base for taxes levied in 1988 under section 275.51, subdivision 3j, its levy limit base for taxes levied in 1989 must be reduced by the lesser of (1) the adjustment under section 275.51, subdivision 3j, or (2) the difference between its (i) levy limit for taxes levied in 1988 and its (ii) total actual levy for taxes levied in 1988 minus any special levies claimed for taxes levied in 1988 under section 275.50, subdivision 5.

(d) for levy year 1989, for a county which incurred costs since October 1978, for the litigation of federal land claims under United States Code, title 18, section 1162; United States Code, title 25, section 331; and United States Code, title 28, section 1360; an amount of up to the actual costs incurred by the county for this purpose. This adjustment shall not exceed \$250,000;

(e) for levy year 1989, an amount of \$1,724,000 for Ramsey county for implementing the local government pay equity act under sections 471.991 to 471.999. Furthermore, in levy years 1990 and 1991, an additional amount of \$862,000 shall be added to Ramsey county's adjusted levy limit base under this clause for each of the two years; and

(f) for levy year 1989, an amount equal to the decrease in a county's 50 percent share of the powerline taxes extended between taxes payable years 1988 and 1989 under section 273.42, subdivision 1. The adjustment shall be determined by the department of revenue.

275.54 [CONSOLIDATION AND ANNEXATION OF GOVERNMENTAL SUBDIVISIONS.]

If all or part of the area included within two or more governmental subdivisions is consolidated, merged, or otherwise combined to constitute a single governmental subdivision, and differing limitations upon the amount of tax levy per capita apply to the governmental subdivisions from which the consolidated,

merged, or otherwise combined governmental subdivision was formed, the limitation applicable to the surviving entity for purposes of sections 275.50 to 275.56 shall be equal to the highest limitation applicable to any one of the constituent subdivisions prior to the consolidation, merger or other combination.

Subd. 2. If a function or service of one governmental subdivision is transferred to another governmental subdivision, the levy limitations established by Extra Session Laws 1971, chapter 31, shall be adjusted by the commissioner of revenue in such manner so as to fairly and equitably reflect the reduced or increased property tax burdens of such subdivisions resulting from such transfer. The aggregate of the adjusted limitations shall not exceed the aggregate of such limitations prior to adjustment.

Subd. 3. If the area included within the governmental subdivision is increased due to annexation in the 12 months prior to the most recent population estimate for the calendar year preceding the current levy year and the state demographer prepares a population estimate for the annexed area under section 116K.04, subdivision 4, paragraph (11), the governmental subdivision's adjusted levy limit base under section 275.51, subdivision 3h, will be adjusted in the following manner:

(a) A percentage will be calculated equal to the percentage increase in population in the governmental subdivision due to annexation determined by dividing the population of the annexed area by the population of the governmental subdivision excluding the annexed area, using population estimates for the calendar year preceding the current levy year.

(b) The governmental subdivision's adjusted levy limit base under section 275.51, subdivision 3h, after giving effect to paragraphs (a) and (b) but before any other paragraphs in section 275.51, subdivision 3h, shall be increased by the percentage calculated in paragraph (a).

Subd. 1a. [ORIGINAL TAX CAPACITY RATE.] At the time of the initial certification of the original net tax capacity for a tax increment financing district, the county auditor shall certify the original tax capacity rate that applies to the district. The original tax capacity rate is the sum of all the tax capacity rates that apply to a property in the district ~~for the taxes payable in the calendar year in which the initial certification of.~~ The tax capacity rate to be certified is the rate in effect for the same taxes payable year applicable to the tax capacity values certified as the district's original net tax capacity is requested under subdivision 1. If the total tax capacity rate applicable to properties in the tax increment financing district varies, the tax capacity rate must be computed by determining the average total tax capacity rate in the district, weighted on the basis of net tax capacity. The resulting tax capacity rate is the original tax capacity rate for the life of the district.

Sec. 24. Minnesota Statutes Second 1989 Supplement, section 473F.08, subdivision 8a, is amended to read:

(4) Each municipality's final contribution tax capacity shall be determined equal to its initial contribution tax capacity multiplied by the ratio of the new highest class rate for class 3a property to the previous year's highest class rate for class 3a property.

(5) For the purposes of computing education aids and any other state aids requiring the addition of the fiscal disparities distribution tax capacity to the local tax capacity, each municipality's final distribution tax capacity shall be determined equal to its initial distribution tax capacity multiplied by the ratio of the new highest class rate for class 3a property to the previous year's highest class rate for class 3a property.

(6) The areawide tax capacity rate shall be determined by dividing the sum of the amounts determined in clause (3) by the sum of the values determined in clause (4).

The county treasurer shall pay warrants only from the fund from which they are legally payable. Payments under any special contract shall be kept separate under the name of such contract, and under the general title of the fund from which such payment may be legally

made. The treasurer need not keep a specific appropriations account separately, but shall keep a general appropriations account.

In any county having a net tax capacity market value of not less than \$150,000,000 \$620,000,000, exclusive of money and credits, the county board may, by resolution, issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes levied for any fund named in the tax levy for the purpose of raising money for such fund, but the certificates outstanding for any such separate funds shall not at any time exceed 50 percent of the amount of taxes previously levied for such fund remaining uncollected, and no certificate shall be issued to become due and payable later than December 31 of the year succeeding the year in which the tax levy was made, and the certificates shall not be sold for less than par and accrued interest and shall not bear a greater rate of interest than six percent per annum. No such certificates shall be issued prior to the beginning of the fiscal year for which the taxes so anticipated were intended, except that when taxes shall have been levied for the purpose of paying a deficit in any such fund carried over from any previous year or years certificates of indebtedness in anticipation of collection of the taxes levied for such deficit may be issued at any time after such levy shall have been finally made and certified to the county auditor. Each certificate shall state upon its face for which fund the proceeds thereof shall be used, the total amount of certificates so issued, and the whole amount embraced in the levy for that particular purpose. They shall be numbered consecutively, be in denominations of \$100 or a multiple thereof, may have interest coupons attached, shall be otherwise of such form and terms, and may be made payable at such place, as will best aid in their negotiation, and the proceeds of the tax assessed and collected on account of the fund and the full faith and credit of the county shall be irrevocably pledged for the redemption and payment of the certificates so issued. Such certificates shall be payable primarily from the moneys derived from the levy for the years against which such certificates were issued, but shall constitute unlimited general obligations of the county. Moneys derived from the sale of such certificates shall be credited to the fund or funds the taxes for which are so anticipated.

Sec. 15. Minnesota Statutes 1989 Supplement, section 385.31, is amended to read:

385.31 [PAYMENT OF COUNTY ORDERS OR WARRANTS.]

When any order or warrant drawn on the treasurer is presented for payment, if there is money in the treasury for that purpose, the county treasurer shall redeem the same, and write across the entire face thereof the word "redeemed," the date of the redemption, and the treasurer's official signature. If there is not sufficient funds in the proper accounts to pay such orders they shall be numbered and registered in their order of presentation, and proper endorsement

thereof shall be made on such orders and they shall be entitled to payment in like order. Such orders shall bear interest at not to exceed the rate of six percent per annum from such date of presentment. The treasurer, as soon as there is sufficient money in the treasury, shall appropriate and set apart a sum sufficient for the payment of the orders so presented and registered, and, if entitled to interest, issue to the original holder a notice that interest will cease in 30 days from the date of such notice; and, if orders thus entitled to priority of payment are not then presented, the next in order of registry may be paid until such orders are presented. No interest shall be paid on any order, except upon a warrant drawn by the county auditor for that purpose, giving the number and the date of the order on account of which the interest warrant is drawn. In any county in this state now or hereafter having a net tax capacity market value of all taxable property, exclusive of money and credits, of not less than ~~\$250,000,000~~ \$1,033,000,000, the county treasurer, in order to save payment of interest on county warrants drawn upon a fund in which there shall be temporarily insufficient money in the treasury to redeem the same, may borrow temporarily from any other fund in the county treasury in which there is a sufficient balance to care for the needs of such fund and allow a temporary loan or transfer to any other fund, and may pay such warrants out of such funds. Any such money so transferred and used in redeeming such county warrants shall be returned to the fund from which drawn as soon as money shall come in to the credit of such fund on which any such warrant was drawn and paid as aforesaid. Any county operating on a cash basis may use a combined form of warrant or order and check, which, when signed by the chair of the county board and by the auditor, is an order or warrant for the payment of the claim, and, when countersigned by the county treasurer, is a check for the payment of the amount thereof.

Such plat or plats, in a declaration thereon, shall recite such resolution and shall identify each separate tract of land described therein with such tract of land in the purported plat or plats intended to be corrected thereby, and shall be certified by the proper officers of the municipality as to authorization and by an engineer or surveyor as to correctness, and the signatures of such persons shall be acknowledged in like manner as a deed.

ARTICLE 7

PROCEDURES

Section 1. [289A.01] [APPLICATION OF CHAPTER.]

This chapter applies to taxes administered by or paid to the commissioner under chapters 290, 290A, 291, and 297A.

Sec. 2. [289A.02] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] Unless the context clearly requires otherwise, the following terms used in this chapter have the following meanings.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of revenue of the state of Minnesota or a person to whom the commissioner has delegated functions.

Subd. 3. [TAXPAYER.] "Taxpayer" means a person subject to, or liable for, a state tax; a person required to file a return with respect to, or to pay, or withhold or collect and remit, a state tax; or a person required to obtain a license or a permit or to keep records under a law imposing a state tax.

Subd. 4. [PERSON.] "Person" means an individual, partnership, corporation, association, governmental unit or agency, or public or private organization of any kind, under a duty to comply with state tax laws because of its character or position.

Subd. 5. [OTHER WORDS.] Unless specifically defined in this chapter, or unless the context clearly indicates otherwise, the words used in this chapter have the same meanings as they are defined in chapters 290, 290A, 291, and 297A.

Sec. 3. [289A.021] [FILING REQUIREMENTS FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.]

Subdivision 1. (a) A taxpayer must file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code of 1986, as amended through December 31, 1989, except that an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota.

(b) The decedent's final income tax return, and other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, must be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns must be filed by the transferees, as defined in

section 289A.06, subdivision 13, who receive property of the decedent.

(c) The term "gross income," as it is used in this section, has the same meaning given it in section 290.01, subdivision 20.

Subd. 2. [RETURNS FILED BY FIDUCIARIES.] (a) The trustee or other fiduciary of property held in trust must file a return with respect to the taxable net income of the trust or estate if it exceeds an amount determined by the commissioner and if the trust belongs to the class of taxable persons.

(b) The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer must file a return with respect to the taxable net income of the taxpayer if a return is required.

Subd. 3. [CORPORATIONS.] A corporation that is subject to the state's jurisdiction to tax under section 290.014, subdivision 5, must file a return, except that a foreign operating corporation as defined in section 290.01, subdivision 6b, is not required to file a return. The return must be signed by a person designated by the corporation. The commissioner shall adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report. Members of an affiliated group that elect to file one return on behalf of the members of the group under rules adopted by the commissioner may change or rescind the election by filing the form required by the commissioner.

Subd. 4. [EXEMPT ORGANIZATIONS; UNRELATED BUSINESS INCOME.] An exempt organization that is subject to tax on unrelated business income under section 290.05, subdivision 3, must file a return for each taxable year in which the organization is required to file a return under section 6012 of the Internal Revenue Code of 1986, as amended through December 31, 1989, because of the receipt of unrelated business income. If an organization is required to file a return under federal law but has no federal tax liability for the taxable year, the commissioner may provide that the filing requirement under this paragraph is satisfied by filing a copy of the taxpayer's federal return.

Subd. 5. [ANNUAL RETURN; EXCEPTIONS.] A return under this section must cover a 12-month period, except in the following cases:

(1) A return made by or for a taxpayer in existence for less than the whole of a taxable year must cover the part of the taxable year the taxpayer was in existence;

(2) A taxpayer who, in keeping books, regularly computes income

on the basis of an annual period that varies from 52 to 53 weeks and ends always on the same day of the week, and ends always (i) on the date that day of the week last occurs in a calendar month or (ii) on the date that day of the week falls that is nearest to the last day of a calendar month, may compute the taxpayer's net income and taxable net income on the basis of that annual period in accordance with rules prescribed by the commissioner. If the effective date or the applicability of a provision of this chapter or chapter 290 is expressed in terms of taxable years beginning or ending with reference to a named date that is the first or last day of a month, a taxable year must be treated as beginning with the first day of the calendar month beginning nearest to the first day of that taxable year, or as ending with the last day of the calendar month ending nearest to the last day of that taxable year, as the case may be;

(3) A taxpayer who changes from one taxable year to another must make a return for the fractional parts of the year, under section 290.32.

Subd. 6. [RETURNS OF MARRIED PERSONS.] A husband and wife must file a joint Minnesota income tax return if they filed a joint federal income tax return. If the husband and wife have elected to file separate federal income tax returns, they must file separate Minnesota income tax returns. This election to file a joint or separate return must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, the change must be done in the manner and on the form prescribed by the commissioner.

The determination of whether an individual is married shall be made under the provisions of section 7703 of the Internal Revenue Code of 1986, as amended through December 31, 1989.

Subd. 7. [COMPOSITE INCOME TAX RETURNS FOR NONRESIDENT PARTNERS, SHAREHOLDERS, AND BENEFICIARIES.]

(a) The commissioner may allow a partnership with five or more nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, social security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners on or before the due

date for filing the individual income tax returns. The request may be made a part of the return filed.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.026. A composite estimate may, however, be filed in a manner similar to and containing the information required under paragraph (a).

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is not available to any partner other than a full-year nonresident individual who has no other Minnesota source income.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

Subd. 8. [RETURNS OF ENTERTAINMENT ENTITIES.] An entertainment entity subject to the tax imposed by section 290.9201 shall file an annual return for the calendar year with the commissioner.

Subd. 9. [VERIFICATION.] If a return is prepared for a taxpayer by an individual (or individuals) or a firm (including partnerships, corporations, etc.), the individual or firm responsible for the prepa-

ration must complete the statement of verification provided on the tax return forms in the following manner:

(1) If the individual (or individuals) responsible for the preparation of the return is an individual acting in a personal capacity, the statement of verification must be signed by the individual.

(2) If a firm is responsible for the preparation of the return, the statement of verification must be signed with the firm name. However, if the firm name is stamped or typed, it should be followed by the signature of an individual authorized to sign the verification on behalf of the firm. The firm may authorize an officer, member, or employee to sign the verification.

Verification is not required if the actual preparation of the return is a regular and usual incident of the employment of one regularly and continuously employed full time by the person for whom the return is made (such as a clerk, secretary, bookkeeper, etc.).

Subd. 10. [FILING OF PROPER RETURN.] The return must specifically set forth the items of gross income, deductions, credits against the tax, and any other data necessary for computing the amount of any item required for determining the amount of the net income tax liability. The return must be in the form the commissioner prescribes. The filing of a return required under this section is considered an assessment.

Subd. 11. [INFORMATION INCLUDED IN INCOME TAX RETURN.] The return must state the name of the taxpayer, or taxpayers, if the return is a joint return, and the address of the taxpayer in the same name or names and same address as the taxpayer has used in making the taxpayer's income tax return to the United States, and must state the social security number of the taxpayer, or taxpayers, if a social security number has been issued by the United States with respect to the taxpayers, and must state the amount of the taxable income of the taxpayer as it appears on the federal return for the taxable year to which the Minnesota state return applies. The taxpayer must attach to the taxpayer's Minnesota state income tax return a copy of the federal income tax return that the taxpayer has filed or is about to file for the period.

Subd. 12. [CONFESSION OF JUDGMENT.] The return must contain (1) a written declaration that it is correct and complete, and (2) language prescribed by the commissioner providing a confession of judgment for the amount of the tax shown due to the extent not timely paid.

Subd. 13. [LONG AND SHORT FORMS.] The commissioner shall provide a long form individual income tax return and may provide a short form individual income tax return. The returns shall be in a form that is consistent with the provisions of chapter 290, notwith-

standing any other law to the contrary. The nongame wildlife checkoff provided in section 290.431 and the dependent care credit provided in section 290.067 must be included on the short form.

Subd. 14. [VOTER REGISTRATION FORM.] The commissioner shall insert securely in the individual income tax return form or instruction booklet a voter registration form, returnable to the secretary of state. The form shall be designed according to rules adopted by the secretary of state.

Sec. 4. [289A.0212] [FILING REQUIREMENTS FOR TAXES WITHHELD FROM WAGES FROM COMPENSATION OF ENTERTAINERS AND FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS; AND TAXES WITHHELD BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.]

(e) An S corporation required to deduct and withhold tax under section 290.92, subdivision 4c, must also file a return.

(f) Returns must be filed in the form and contain the information prescribed by the commissioner. Every return must contain a written declaration that it is correct and complete, and a confession of judgment for the amount of tax shown due, to the extent not timely paid.

Subd. 2. [WITHHOLDING STATEMENT TO EMPLOYEE OR PAYEE AND TO COMMISSIONER.] (a) A person required to deduct and withhold from an employee a tax under section 290.92, subdivision 2a or 3, or section 290.923, subdivision 2, or who would have been required to deduct and withhold a tax under section 290.92, subdivision 2a or 3, or persons required to withhold tax under section 290.923, subdivision 2, determined without regard to section 290.92, subdivision 19, if the employee or payee had claimed no

more than one withholding exemption, or who paid wages or made payments not subject to withholding under section 290.92, subdivision 2a or 3, or section 290.923, subdivision 2, to an employee or person receiving royalty payments in excess of \$600, or who has entered into a voluntary withholding agreement with a payee under section 290.92, subdivision 20, must give every employee or person receiving royalty payments in respect to the remuneration paid by the person to the employee or person receiving royalty payments during the calendar year, on or before January 31 of the succeeding year, or, if employment is terminated before the close of the calendar year, within 30 days after the date of receipt of a written request from the employee if the 30-day period ends before January 31, a written statement showing the following:

(4) the total amount deducted and withheld as tax under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2.

(b) The statement required to be furnished by this paragraph with respect to any remuneration must be furnished at those times, must contain the information required, and must be in the form the commissioner prescribes.

(c) The commissioner may prescribe rules providing for reasonable extensions of time, not in excess of 30 days, to employers or payers required to give the statements to their employees or payees under this subdivision.

(d) A duplicate of any statement made under this subdivision and in accordance with rules prescribed by the commissioner, along with a reconciliation in the form the commissioner prescribes of the statements for the calendar year, including a reconciliation of the quarterly returns required to be filed under subdivision 1, must be filed with the commissioner on or before February 28 of the year after the payments were made.

The return must be verified by a written declaration that it is made under the criminal penalties for making a false return, and in addition must contain a confession of judgment for the amount of the tax shown due to the extent not timely paid. A person making sales at retail at two or more places of business may file a consolidated return subject to rules prescribed by the commissioner.

Subd. 2. [LIQUOR SALES.] A person required to collect the tax imposed by section 297A.02, subdivision 3, on sales of intoxicating liquor and nonintoxicating malt liquor, shall report the total sales tax liability, including the sales tax on items other than intoxicating liquor and nonintoxicating malt liquor, on a distinct sales tax return prescribed by the commissioner.

(b) The fiduciary of an estate or trust making the return required to be filed under subdivision 1 for a taxable year must give a beneficiary who receives a distribution from the estate or trust with respect to the taxable year or to whom any item with respect to the taxable year is allocated, a statement containing the information required to be shown on the return, on or before the date on which the return was filed.

(c) An S corporation must make a return for a taxable year during which an election under section 290.9725 is in effect, stating specifically the names and addresses of the persons owning stock in the corporation at any time during the taxable year, the number of shares of stock owned by a shareholder at all times during the taxable year, the shareholder's pro rata share of each item of the

corporation for the taxable year, and other information the commissioner requires. An S corporation required to file a return under this paragraph for any taxable year must furnish a copy of the information shown on the return to the person who is a shareholder at any time during the taxable year, on or before the day on which the return for the taxable year was filed.

Subd. 4. [RETURNS BY PERSONS, CORPORATIONS, COOPERATIVES, GOVERNMENTAL ENTITIES, OR SCHOOL DISTRICTS.] To the extent required by section 6041 of the Internal Revenue Code of 1986, as amended through December 31, 1989, a person, corporation, or cooperative, the state of Minnesota and its political subdivisions, and a city, county, and school district in Minnesota, making payments in the regular course of a trade or business during the taxable year to any person or corporation of \$600 or more on account of rents or royalties, or of \$10 or more on account of interest, or \$10 or more on account of dividends or patronage dividends, or \$600 or more on account of either wages, salaries, commissions, fees, prizes, awards, pensions, annuities, or any other fixed or determinable gains, profits or income, not otherwise reportable under section 289A.0212, subdivision 2, or on account of earnings of \$10 or more distributed to its members by savings, building and loan associations or credit unions chartered under the laws of this state or the United States, (1) must make a return (except in cases where a valid agreement to participate in the combined federal and state information reporting system has been entered into, and the return is filed only with the commissioner of internal revenue under the applicable filing and informational reporting requirements of the Internal Revenue Code of 1986, as amended through December 31, 1989) with respect to the payments in excess of the amounts named, giving the names and addresses of the persons to whom the payments were made, the amounts paid to each, and (2) must make a return with respect to the total number of payments and total amount of payments, for each category of income named, which were in excess of the amounts named. This subdivision does not apply to the payment of interest or dividends to a person who was a nonresident of Minnesota for the entire year.

A person, corporation, or cooperative required to file returns under this subdivision must file the returns on magnetic media if magnetic media was used to satisfy the federal reporting requirement under section 6011(e) of the Internal Revenue Code of 1986, as amended through December 31, 1989, unless the person establishes to the satisfaction of the commissioner that compliance with this requirement would be an undue hardship.

Subd. 5. [RETURNS BY BROKERS.] The commissioner may, within 30 days after notice and demand, require a person doing business as a broker to give the commissioner the names and addresses of customers for whom they have transacted business, and the details regarding gross proceeds and other information concern-

ing the transactions as will enable the commissioner to determine whether the income tax due on profits or gains of those customers has been paid. The provisions of section 6045 of the Internal Revenue Code of 1986, as amended through December 31, 1989, which define terms and require that a statement be furnished to the customer apply.

Subd. 6. [RETURNS BY AGENTS.] The commissioner may, within 30 days after notice and demand, require a person acting as agent for another to make a return furnishing the information reasonably necessary to properly assess and collect the tax imposed by chapter 290 upon the person for whom the agent acts.

Subd. 7. [RETURNS FOR REAL PROPERTY HOLDINGS OF ALIENS.] A person or corporation required to make a return under section 6039C (relating to information return on a foreign person holding a United States real property interest) of the Internal Revenue Code of 1986, as amended through December 31, 1989, must make a similar return for the commissioner for foreign persons holding a Minnesota real property interest.

Subd. 8. [RETURNS FOR UNEMPLOYMENT COMPENSATION.] A person who makes payments of unemployment compensation totaling \$10 or more to any individual during a calendar year and who is required to make and file a return under section 6050B of the Internal Revenue Code of 1986, as amended through December 31, 1989, must file a copy of the return with the commissioner.

Subd. 9. [RETURNS FOR PAYMENTS OF REMUNERATION FOR SERVICES AND DIRECT SALES.] A person who is required to make a return under section 6041A (relating to information returns regarding payments of remuneration for services and direct sales) of the Internal Revenue Code of 1986, as amended through December 31, 1989, must file a copy of the return containing the information required under that section with the commissioner. The provisions of that section govern the requirements of a statement that must be given to persons with respect to whom information is required to be given.

Subd. 10. [RETURNS RELATING TO SOCIAL SECURITY BENEFITS.] The appropriate federal official who is required to make a return under section 6050F (relating to social security benefits) of the Internal Revenue Code of 1986, as amended through December 31, 1989, shall file a copy of the return containing the information required under that section with the commissioner.

Subd. 11. [RETURNS BY TRUSTEES.] The trustee of an individual retirement account and the issuer of an endowment contract or an individual retirement annuity who is required to make a report under section 408(i) of the Internal Revenue Code of 1986, as amended through December 31, 1989, must file with the commis-

sioner a copy of that report containing the information required under that subsection. The provisions of that subsection govern when the reports are to be filed and the requirements of a statement that must be given to persons with respect to whom information must be given.

Subd. 12. [STATEMENTS TO PAYEES.] A person making a return under subdivisions 4 to 10 must furnish to a person whose name is set forth in the return a written statement showing the name and address of the person making the return, and the aggregate amount of payments to the person shown on the return.

This written statement must be given to the person on or before January 31 of the year following the calendar year for which the return was made. A duplicate of this written statement, along with a reconciliation of all the statements for the calendar year in the form the commissioner prescribes, must be furnished to the commissioner on or before February 28 of the year following the calendar year for which the return was made.

Subd. 13. [SUPPLYING OF SOCIAL SECURITY NUMBER.] An individual with respect to whom a return, statement, or other document is required under this section to be made by another person must furnish to that person the individual's social security account number. A person required under this section to make a return, statement, or other document with respect to another person who is an individual must request from that individual and must include in the return, statement, or other document, the individual's social security account number. A return of an estate or trust with respect to its liability for tax, and any statement or other document in its support, is considered a return, statement, or other document with respect to the individual beneficiary of the estate or trust; otherwise, a return of an individual with respect to the individual's liability for tax, or any statement or other document in its support, is not considered a return, statement, or other document with respect to another person.

Sec. 8. [289A.023] [DUE DATES FOR FILING OF RETURNS.]

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES; PARTNERSHIP AND S CORPORATION RETURNS; INFORMATION RETURNS.] The returns required to be made under sections 289A.021 and 289A.0218 must be filed at the following times:

(1) returns made on the basis of the calendar year must be filed on April 15 following the close of the calendar year, except that returns of corporations must be filed on March 15 following the close of the calendar year;

(2) returns made on the basis of the fiscal year must be filed on the

15th day of the fourth month following the close of the fiscal year, except that returns of corporations must be filed on the 15th day of the third month following the close of the fiscal year;

(3) returns for a fractional part of a year must be filed on the 15th day of the fourth month following the end of the month in which falls the last day of the period for which the return is made, except that the returns of corporations must be filed on the 15th day of the third month following the end of the month in which falls the last day of the period for which the return is made;

(4) in the case of a final return of a decedent for a fractional part of a year, the return must be filed on the 15th day of the fourth month following the close of the 12-month period that began with the first day of that fractional part of a year;

(5) in the case of the return of a cooperative association, returns must be filed on or before the 15th day of the ninth month following the close of the taxable year;

(6) if a corporation has been divested from a unitary group and files a return for a fractional part of a year in which it was a member of a unitary business that files a combined report under section 290.34, subdivision 2, the divested corporation's return must be filed on the 15th day of the third month following the close of the common accounting period that includes the fractional year; and

(7) returns of entertainment entities must be filed on April 15 following the close of the calendar year.

Subd. 2. [WITHHOLDING RETURNS, ENTERTAINER WITHHOLDING RETURNS, RETURNS FOR WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING RETURNS FROM PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] Withholding returns are due on or before the last day of the month following the close of the quarterly period. However, if the return shows timely deposits in full payment of the taxes due for that period, the return may be filed on or before the tenth day of the second calendar month following the period. An employer, in preparing a quarterly return, may take credit for monthly deposits previously made for that quarter. Entertainer withholding tax returns are due within 30 days after each performance. Returns for withholding from payments to out-of-state contractors are due within 30 days after the payment to the contractor. Returns for withholding by partnerships are due on or before the due date specified for filing partnership returns. Returns for withholding by small business corporations are due on or before the due date specified for filing corporate franchise tax returns.

Subd. 3. [ESTATE TAX RETURNS.] An estate tax return must be

filed with the commissioner within nine months after the decedent's death.

Subd. 4. [SALES AND USE TAX RETURNS.] Sales and use tax returns must be filed on or before the 20th day of the month following the close of the preceding reporting period. In addition, on or before June 20 of a year, a retailer who has a May liability of \$1,500 or more must file a return with the commissioner for one-half of the estimated June liability, in addition to filing a return for the May liability. On or before August 20 of a year, the retailer must file a return showing the actual June liability.

Subd. 5. [PROPERTY TAX REFUND CLAIMS.] A claim for a refund based on property taxes payable must be filed with the commissioner on or before August 15 of the year in which the property taxes are due and payable. Any claim for refund based on rent paid must be filed on or before August 15 of the year following the year in which the rent was paid.

Sec. 9. [289A.024] [EXTENSIONS FOR FILING RETURNS.]

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, ENTERTAINMENT TAX, AND INFORMATION RETURNS.] When, in the commissioner's judgment, good cause exists, the commissioner may extend the time for filing individual and fiduciary income tax returns, entertainment tax returns, and information returns for not more than six months. If an extension to file the federal individual or fiduciary income tax return or information return has been granted under section 6081 of the Internal Revenue Code of 1986, as amended through December 31, 1989, the time for filing the state return is extended for that period. The commissioner may require the taxpayer to file a tentative return when the regularly required return is due, and to pay a tax on the basis of the tentative return at the times required for the payment of taxes on the basis of the regularly required return from the taxpayer.

Subd. 2. [CORPORATE FRANCHISE TAXES.] The commissioner may grant an extension of up to seven months for filing the return of a corporation subject to tax under chapter 290 if:

(1) the corporation files a tentative return when the regularly required return is due;

(2) the corporation pays the tax on the basis of the tentative return and the amount of tax, determined without regard to any prepayment of tax, shown on the tentative return, or the amount of tax paid on or before the regular due date of the return, is at least 90 percent of the amount shown on the corporation's regularly required return;

(3) the balance due shown on the regularly required return is paid on or before the extended due date of the return; and

(4) interest on any balance due is paid at the rate specified in section 270.75 from the regular due date of the return until the tax is paid.

Subd. 3. [WITHHOLDING RETURNS.] Where good cause exists, the commissioner may grant an extension of time of not more than 60 days for filing a withholding return.

Subd. 4. [ESTATE TAX RETURNS.] Where good cause exists, the commissioner may extend the time for filing an estate tax return for not more than six months. When an extension to file the federal estate tax return has been granted under section 6081 of the Internal Revenue Code of 1986, as amended through December 31, 1989, the time for filing the estate tax return is extended for that period.

Subd. 5. [SALES AND USE TAX RETURNS.] Where good cause exists, the commissioner may extend the time for filing sales and use tax returns for not more than 60 days.

Subd. 6. [PROPERTY TAX REFUND RETURNS.] Where good cause exists, the commissioner may extend the time for filing claims under chapter 290A for not more than six months.

Sec. 10. [289A.025] [DUE DATES FOR MAKING PAYMENTS OF TAX.]

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.] (a) Individual income, fiduciary, and corporate franchise taxes must be paid to the commissioner on or before the date the return must be filed under section 289A.023, subdivision 1, or the extended due date as provided in section 289A.024, unless an earlier date for payment is provided.

Notwithstanding any other law, a taxpayer whose unpaid liability for income or corporate franchise taxes, as reflected upon the return, is \$1 or less need not pay the tax.

(b) Entertainment taxes must be paid on or before the date the return must be filed under section 289A.023, subdivision 1.

Subd. 2. [WITHHOLDING FROM WAGES, ENTERTAINER WITHHOLDING, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] (a) A tax required to be deducted and withheld during the quarterly period

must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer, and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.023, subdivision 2. Taxes required to be deducted and withheld by partnerships and S corporations must be paid on or before the date the return must be filed under section 289A.023, subdivision 2.

(b)(1) Unless clause (2) applies, if during any calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under section 290.92, subdivision 2a or 3, or under section 290.923, subdivision 2, exceeds \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days after the close of the calendar month. (2) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer, or person withholding tax under section 290.92, subdivision 2a or 3, or section 290.923, subdivision 2, shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this clause, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day of a calendar month, or the part of a calendar month following the 25th day of the month.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment will be assessed and collected in the manner and at the times the commissioner prescribes.

Subd. 3. [ESTATE TAX.] Taxes imposed by chapter 291 take effect at and upon the death of the person whose estate is subject to taxation and are due and payable on or before the expiration of nine months from that death.

Subd. 4. [SALES AND USE TAX.] (a) The taxes imposed by chapter 297A are due and payable to the commissioner monthly on or before the 20th day of the month following the month in which the taxable event occurred or following another reporting period as the commissioner prescribes.

(b) A vendor having a liability of \$1,500 or more in May of a year must remit the June liability in the following manner:

(1) On or before June 20 of the year, the vendor must remit the actual May liability and one-half of the estimated June liability to the commissioner.

(2) On or before August 20 of the year, the vendor must pay any additional amount of tax not remitted in June.

(c) When a retailer located outside of a city that imposes a local sales and use tax collects use tax to be remitted to that city, the retailer is not required to remit the tax until the amount collected reaches \$10.

Sec. 11. [289A.026] [PAYMENT OF ESTIMATED TAX BY INDIVIDUALS.]

Subdivision 1. [REQUIREMENTS TO PAY.] An individual must, when prescribed in subdivision 3, paragraph (b), make payments of estimated tax. The term "estimated tax" means the amount the individual estimates is the sum of the taxes imposed by chapter 290 for the taxable year. If the individual is an infant or incompetent person, the payments must be made by the individual's guardian. If joint payments on estimated tax are made but a joint return is not made for the taxable year, the estimated tax for that year may be treated as the estimated tax of either the husband or the wife or may be divided between them.

Notwithstanding the provisions of this section, no payments of estimated tax are required if the estimated tax (as defined in this subdivision), less the credits allowed against the tax, is less than \$500.

Subd. 2. [ADDITIONS TO TAX FOR UNDERPAYMENT.] (a) In the case of any underpayment of estimated tax by an individual, except as provided in subdivision 6 or 7, there must be added to and become a part of the taxes imposed by chapter 290, for the taxable year an amount determined at the rate specified in section 270.75 upon the amount of the underpayment for the period of the underpayment.

(b) For purposes of paragraph (a), the amount of underpayment shall be the excess of

(1) the amount of the installment required to be paid over

(2) the amount, if any, of the installment paid on or before the last day prescribed for the payment.

Subd. 3. [PERIOD OF UNDERPAYMENT.] (a) The period of the underpayment shall run from the date the installment was required to be paid to the earlier of the following dates:

(1) The 15th day of the fourth month following the close of the taxable year.

(2) With respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax on any installment date is considered a payment of any unpaid required installments in the order in which the installments are required to be paid.

(b) For purposes of this subdivision, there shall be four required installments for a taxable year. The times for payment of installments shall be:

For the following
required installments:

1st
2nd
3rd
4th

The due date is:

April 15
June 15
September 15
January 15 of the following
taxable year

Subd. 4. [NO ADDITION TO TAX WHERE TAX IS SMALL.] No addition to tax is imposed under subdivision 2 for a taxable year if the tax shown on the return for the taxable year (or, if no return is filed, the tax), reduced by the credits allowable is less than \$500.

Subd. 5. [AMOUNT OF REQUIRED INSTALLMENT.] The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

(1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed, or

(2) The total tax liability shown on the return of the individual for the preceding taxable year, if a return showing a liability for the taxes was filed by the individual for the preceding taxable year of 12 months, or

(3) An amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the

taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) Multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid.

(ii) Dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

Subd. 6. [EXCEPTION TO ADDITION TO TAX.] No addition to the tax shall be imposed under this section for any taxable year if:

(1) the individual did not have liability for tax for the preceding taxable year,

(2) the preceding taxable year was a taxable year of 12 months, and

(3) the individual was a resident of Minnesota throughout the preceding taxable year.

Subd. 7. [WAIVER OF ADDITION TO TAX.] No addition to the tax is imposed under this section with respect to an underpayment to the extent the commissioner determines that the provisions of section 6654(e)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1989, apply.

Subd. 8. [APPLICATION OF SECTION; TAX WITHHELD ON WAGES.] For purposes of this section, the estimated tax must be computed without reduction for the amount that the individual estimates as the individual's credit under section 290.92, subdivision 12 (relating to tax withheld at source on wages), and any other refundable credits allowed against income tax liability, and the amount of those credits for the taxable year is considered a payment of estimated tax, and an equal part of those amounts is considered paid on the installment date, determined under subdivision 3, paragraph (c), for that taxable year, unless the taxpayer establishes the dates on which the amounts were actually withheld, in which case the amounts so withheld are considered payments of estimated tax on the dates on which the amounts were actually withheld.

Subd. 9. [SPECIAL RULE FOR RETURN FILED ON OR BEFORE JANUARY 31.] If, on or before January 31 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, then no addition to tax is imposed under subdivision 2 with respect to any underpayment of the fourth required installment for the taxable year.

Subd. 10. [SPECIAL RULE FOR FARMERS AND FISHERMEN.] For purposes of this section, if an individual is a farmer or fisherman as defined in section 6654(f)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1989, for a taxable year, only one installment is required for the taxable year, the due date of which is January 15 of the following taxable year, the amount of which is equal to the required annual payment determined under subdivision 5 by substituting "66 $\frac{2}{3}$ percent" for "90 percent," and subdivision 9 shall be applied by substituting "March 1" for "January 31," and by treating the required installment described as the fourth required installment.

Subd. 11. [FISCAL YEAR TAXPAYER.] The application of this section to taxable years beginning other than January 1, must be made by substituting, for the months named in this section, the months that correspond. This section must be applied to taxable years of less than 12 months, under rules issued by the commissioner.

Subd. 12. [TRUSTS AND ESTATES.] The provisions of this section do not apply to an estate or trust.

Subd. 13. [OVERPAYMENT OF ESTIMATED TAX INSTALLMENT.] If an installment payment of estimated tax exceeds the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.

Sec. 12. [289A.027] [PAYMENT OF ESTIMATED TAX BY CORPORATIONS.]

Subdivision 1. [MINIMUM LIABILITY.] A corporation subject to taxation under chapter 290 (excluding section 290.92) must make payment of estimated tax for the taxable year if its tax liability so computed can reasonably be expected to exceed \$500, or in accordance with rules prescribed by the commissioner for an affiliated group of corporations electing to file one return as permitted under section 289A.021, subdivision 3.

Subd. 2. [AMOUNT AND TIME FOR PAYMENT OF INSTALLMENTS.] The estimated tax payment required under subdivision 1 must be paid in four equal installments on or before the 15th day of the third, sixth, ninth, and 12th month of the taxable year.

Subd. 3. [SHORT TAXABLE YEAR.] (a) A corporation with a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.

(b) A corporation is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed \$500.

(c) No payment is required for a short taxable year of less than four months.

Subd. 4. [UNDERPAYMENT OF ESTIMATED TAX.] If there is an underpayment of estimated tax by a corporation, there shall be added to the tax for the taxable year an amount determined at the rate in section 270.75 on the amount of the underpayment (determined under subdivision 5) for the period of the underpayment (determined under subdivision 6). This subdivision does not apply in the first taxable year that a corporation is subject to the tax imposed under section 290.02.

Subd. 5. [AMOUNT OF UNDERPAYMENT.] For purposes of subdivision 4, the amount of the underpayment is the excess of

(1) the required installment, over

(2) the amount, if any, of the installment paid on or before the last date prescribed for payment.

Subd. 6. [PERIOD OF UNDERPAYMENT.] The period of the underpayment runs from the date the installment was required to be paid to the earlier of the following dates:

(1) The 15th day of the third month following the close of the taxable year.

(2) With respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax shall be credited against unpaid required installments in the order in which those installments are required to be paid.

Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) 90 percent of the tax shown on the return for the taxable year, or if no return is filed, 90 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the corporation for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the corporation.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

<u>For the following required installments:</u>	<u>The applicable percentage is:</u>
<u>1st</u>	<u>22.5</u>
<u>2nd</u>	<u>45</u>
<u>3rd</u>	<u>67.5</u>
<u>4th</u>	<u>90</u>

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the corporation determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Subd. 8. [DEFINITION OF TAX.] The term "tax" as used in this section means the tax imposed by chapter 290.

Subd. 9. [FAILURE TO FILE AN ESTIMATE.] In the case of a corporation that fails to file an estimated tax for a taxable year when one is required, the period of the underpayment runs from the four installment dates in subdivision 2 or 3, whichever applies, to the earlier of the periods in subdivision 6, clauses (1) and (2).

Subd. 10. [PAYMENT ON ACCOUNT.] Payment of the estimated tax or any installment of it shall be considered payment on account of the taxes imposed by chapter 290, for the taxable year.

Subd. 11. [OVERPAYMENT OF ESTIMATED TAX INSTALLMENT.] If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.

Sec. 13. [289A.028] [EXTENSIONS FOR PAYING TAX.]

Subdivision 1. [INDIVIDUAL AND FIDUCIARY INCOME TAX.] Where good cause exists, the commissioner may extend the time for payment of the amount determined as an individual or fiduciary income tax by the taxpayer, or an amount determined as a deficiency, for a period of not more than six months from the date prescribed for the payment of the tax.

Subd. 2. [ESTATE TAX.] Where good cause exists, the commissioner may extend the time for payment of estate tax for a period of not more than six months. If an extension to pay the federal estate tax has been granted under section 6161 of the Internal Revenue Code of 1986, as amended through December 31, 1989, the time for payment of the estate tax without penalty is extended for that period. A taxpayer who owes at least \$5,000 in taxes and who, under section 6161 or 6166 of the Internal Revenue Code of 1986, as amended through December 31, 1989, has been granted an extension for payment of the tax shown on the return, may elect to pay the tax due to the commissioner in equal amounts at the same time as required for federal purposes. A taxpayer electing to pay the tax in installments must notify the commissioner in writing no later than nine months after the death of the person whose estate is subject to

taxation. If the taxpayer fails to pay an installment on time, unless it is shown that the failure is due to reasonable cause, the election is revoked and the entire amount of unpaid tax plus accrued interest is due and payable 90 days after the date on which the installment was payable.

Sec. 14. [289A.029] [LIABILITY FOR PAYMENT OF TAX.]

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.] (a) Individual income, fiduciary income, and corporate franchise taxes, and interest and penalties, must be paid by the taxpayer upon whom the tax is imposed, except in the following cases:

(1) The tax due from a decedent for that part of the taxable year in which the decedent died during which the decedent was alive and the taxes, interest, and penalty due for the prior years must be paid by the decedent's personal representative, if any. If there is no personal representative, the taxes, interest, and penalty must be paid by the transferees, as defined in section 289A.06, subdivision 13, to the extent they receive property from the decedent;

(2) The tax due from an infant or other incompetent person must be paid by the person's guardian or other person authorized or permitted by law to act for the person;

(3) The tax due from the estate of a decedent must be paid by the estate's personal representative;

(4) The tax due from a trust, including those within the definition of a corporation, as defined in section 290.01, subdivision 4, must be paid by a trustee; and

(5) The tax due from a taxpayer whose business or property is in charge of a receiver, trustee in bankruptcy, assignee, or other conservator, must be paid by the person in charge of the business or property so far as the tax is due to the income from the business or property.

(b) Entertainment taxes are the joint and several liability of the entertainer and the entertainment entity. The payor is liable to the state for the payment of the tax required to be deducted and withheld under section 290.9201, subdivision 7, and is not liable to the entertainer for the amount of the payment.

Subd. 2. [JOINT INCOME TAX RETURNS.] If a joint income tax return is made by a husband and wife, the liability for the tax is joint and several. A spouse who is relieved of a liability attributable to a substantial underpayment under section 6013(e) of the Internal Revenue Code of 1986, as amended through December 31, 1989, is

also relieved of the state income tax liability on the substantial underpayment.

In the case of individuals who were a husband and wife prior to the dissolution of their marriage, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if the husband and wife filed separate returns for the taxable year. This provision is effective only when the commissioner receives written notice of the marriage dissolution from the husband or wife. No refund may be claimed by an ex-spouse for any taxes paid before receipt by the commissioner of the written notice.

Subd. 3. [TRANSFEREES AND FIDUCIARIES.] The amounts of the following liabilities are, except as otherwise provided in section 289A.06, subdivision 13, assessed, collected, and paid in the same manner and subject to the same provisions and limitations as a deficiency in a tax imposed by chapter 290, including any provisions of law for the collection of taxes:

(1) The liability, at law or in equity, of a transferee of property of a taxpayer for tax, including interest, additional amounts, and additions to the tax provided by law, imposed upon the taxpayer by chapter 290.

(2) The liability of a fiduciary under subdivision 4 for the payment of tax from the estate of the taxpayer. The liability may reflect the amount of tax shown on the return or any deficiency in tax.

Subd. 4. [TAX AS A PERSONAL DEBT OF A FIDUCIARY.] The tax imposed by chapter 290, and interest and penalties, is a personal debt of the taxpayer from the time the liability arises, regardless of when the time for discharging the liability by payment occurs. The debt is, in the case of the personal representative of the estate of a decedent and in the case of any fiduciary, that of the individual in the individual's official or fiduciary capacity only unless the individual has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which event the individual is personally liable for the deficiency.

Subd. 5. [WITHHOLDING TAX, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] (a) Except as provided in paragraph (b), an employer or person withholding tax under section 290.92 or 290.923, subdivision 2, who fails to pay to or deposit with the commissioner a sum or sums required by those sections to be deducted, withheld, and paid, is personally and individually liable to the state for the sum or sums (and added penalties and interest), and is not liable to

another person for that payment or payments. The sum or sums deducted and withheld under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, must be held as a special fund in trust for the state of Minnesota.

(b) If the employer or person withholding tax under section 290.92 or 290.923, subdivision 2, fails to deduct and withhold the tax in violation of those sections, and later the taxes against which the tax may be credited are paid, the tax required to be deducted and withheld will not be collected from the employer. This does not, however, relieve the employer from liability for any penalties and interest otherwise applicable for failure to deduct and withhold.

(c) Liability for payment of withholding taxes includes a responsible person or entity described in the personal liability provisions of section 270.101.

(d) Liability for payment of withholding taxes includes a third party lender or surety described in section 290.92, subdivision 22.

(e) A partnership or S corporation required to withhold and remit tax under section 290.92, subdivisions 4b and 4c, is liable for payment of the tax to the commissioner, and a person having control of or responsibility for the withholding of the tax or the filing of returns due in connection with the tax is personally liable for the tax due.

(f) A payor of sums required to be withheld under section 290.9705, subdivision 1, is liable to the state for the amount required to be deducted, and is not liable to an out-of-state contractor for the amount of the payment.

Subd. 6. [ESTATE TAX.] The personal representative and person to whom property that is subject to taxation under this chapter is transferred, other than a bona fide purchaser, mortgagee, or lessee, is personally liable for that tax, until its payment, to the extent of the value of the property at the time of the transfer. The exemption from personal liability extends to subsequent transferees from bona fide purchasers, mortgagees, and lessees.

Subd. 7. [SALES AND USE TAX.] (a) The sales and use tax required to be collected by the retailer under chapter 297A constitutes a debt owed by the retailer to Minnesota, and the sums collected must be held as a special fund in trust for the state of Minnesota.

A retailer who does not maintain a place of business within this state as defined by section 297A.21, subdivision 2, shall not be indebted to Minnesota for amounts of tax that it was required to

collect but did not collect unless the retailer knew or had been advised by the commissioner of its obligation to collect the tax.

(b) The use tax required to be paid by a purchaser is a debt owed by the purchaser to Minnesota.

(c) The tax imposed by sections 297A.01 to 297A.44, and interest and penalties, is a personal debt of the individual required to file a return from the time the liability arises, irrespective of when the time for payment of that liability occurs. The debt is, in the case of the executor or administrator of the estate of a decedent and in the case of a fiduciary, that of the individual in an official or fiduciary capacity unless the individual has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which case the individual is personally liable for the deficiency.

(d) Liability for payment of sales and use taxes includes any responsible person or entity described in the personal liability provisions of section 270.101.

Sec. 15. [289A.03] [ASSESSMENTS.]

The commissioner shall make determinations, corrections, and assessments with respect to state taxes (including interest, additions to taxes, and assessable penalties). The commissioner may audit and adjust the taxpayer's computation of federal taxable income to make it conform with the provisions of section 290.01, subdivisions 19 to 19g, or the items of federal tax preferences or federal credit amounts to make them conform with the provisions of chapter 290. If a taxpayer fails to file a required return, the commissioner, from information in the commissioner's possession or obtainable by the commissioner, may make a return for the taxpayer. The return will be prima facie correct and valid. If a return has been filed, the commissioner shall examine the return and make any audit or investigation that is considered necessary. The commissioner may use statistical or other sampling techniques consistent with generally accepted accounting principles in examining returns or records and making assessments.

Sec. 16. [289A.04] [EXAMINATIONS; AUDITS AND COLLECTIONS.]

Subdivision 1. [EXAMINATION OF TAXPAYER.] To determine the accuracy of a return or report, or in fixing liability under state tax law, or for the purpose of collection, the commissioner may make reasonable examinations or investigations of a taxpayer's place of business, tangible personal property, equipment, computer systems and facilities, pertinent books, records, papers, vouchers, computer printouts, accounts, and documents.

Subd. 2. [ACCESS TO RECORDS OF OTHER PERSONS IN CONNECTION WITH EXAMINATION OF TAXPAYER.] When conducting an investigation or an audit of a taxpayer, or for the purpose of collection, the commissioner may examine, except where privileged by law, the relevant records and files of any person, business, institution, financial institution, state agency, agency of the United States government, or agency of any other state where permitted by statute, agreement, or reciprocity. The commissioner may compel production of these records by subpoena. A subpoena may be served directly by the commissioner.

Subd. 3. [POWER TO COMPEL TESTIMONY.] In the administration of state tax law, the commissioner may:

(1) Administer oaths or affirmations and compel by subpoena the attendance of witnesses, testimony, and the production of a person's pertinent books, records, papers, or other data.

(2) Examine under oath or affirmation any person regarding the business of any taxpayer concerning any relevant matter incident to the administration of state tax law. The fees of witnesses required by the commissioner to attend a hearing are equal to those allowed to witnesses appearing before courts of this state. The fees must be paid in the manner provided for the payment of other expenses incident to the administration of state tax law.

(3) In addition to other remedies that may be available, bring an action in equity by the state against a taxpayer for an injunction ordering the taxpayer to file a complete and proper return or amended return. The district courts of this state have jurisdiction over the action and disobedience of an injunction issued under this clause will be punished as a contempt of district court.

Subd. 4. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS KNOWN.] An investigation may extend to a person that the commissioner determines has access to information that may be relevant to the examination or investigation. When a subpoena requiring the production of records as described in subdivision 2 is served on a third-party recordkeeper, written notice of the subpoena must be mailed to the taxpayer and to any other person who is identified in the subpoena. The notices must be given within three days of the day on which the subpoena is served. Notice to the taxpayer required by this section is sufficient if it is mailed to the last address on record with the commissioner.

The provisions of this subdivision relating to notice to the taxpayer or other parties identified in the subpoena do not apply if there is reasonable cause to believe that the giving of notice may lead to attempts to conceal, destroy, or alter records relevant to the examination, to prevent the communication of information from

other persons through intimidation, bribery, or collusion, or to flee to avoid prosecution, testifying, or production of records.

Subd. 5. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS NOT KNOWN.] A subpoena that does not identify the person or persons whose tax liability is being investigated may be served only if:

(1) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons;

(2) there is a reasonable basis for believing that the person or group or class of persons may fail or may have failed to comply with tax laws administered by the commissioner;

(3) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the subpoena is issued) is not readily available from other sources;

(4) the subpoena is clear and specific concerning the information sought to be obtained; and

(5) the information sought to be obtained is limited solely to the scope of the investigation.

The party served with a subpoena that does not identify the person or persons with respect to whose tax liability the subpoena is issued may, within 20 days after service of the subpoena, petition the district court in the judicial district in which that party is located for a determination concerning whether the commissioner has complied with the requirements in clauses (1) to (5), and thus, whether the subpoena is enforceable. If no petition is made by the party served within the time prescribed, the subpoena has the effect of a court order.

Subd. 6. [REQUEST BY TAXPAYER FOR SUBPOENA.] When the commissioner has the power to issue a subpoena for investigative or auditing purposes, the commissioner shall honor a reasonable request by the taxpayer to issue a subpoena on the taxpayer's behalf, if in connection with the investigation or audit.

Subd. 7. [APPLICATION TO COURT FOR ENFORCEMENT OF SUBPOENA.] The commissioner or the taxpayer may apply to the district court of the county of the taxpayer's residence, place of business, or county where the subpoena can be served as with any other case at law, for an order compelling the appearance of the subpoenaed witness or the production of the subpoenaed records. If the subpoenaed party fails to comply with the order of the court, the party may be punished by the court as for contempt.

Subd. 8. [COST OF PRODUCTION OF RECORDS.] The cost of producing records of a third party required by a subpoena must be paid by the taxpayer, if the taxpayer requests the subpoena to be issued, or if the taxpayer has the records available but has refused to provide them to the commissioner. In other cases where the taxpayer cannot produce records and the commissioner then initiates a subpoena for third-party records, the commissioner shall pay the reasonable cost of producing the records. The commissioner may later assess the reasonable costs against the taxpayer if the records contribute to the determination of an assessment of tax against the taxpayer.

Sec. 17. [289A.05] [ORDER OF ASSESSMENT.]

Subdivision 1. [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.] (a) When a return has been filed and the commissioner determines that the tax disclosed by the return is different than the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An order of assessment is final when made but may be reconsidered by the commissioner under section 289A.16.

(b) An amount of unpaid tax shown on the order must be paid to the commissioner: (1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the commissioner; or (2) if an administrative appeal is filed under section 289A.16, within 60 days following the determination of the appeal.

Subd. 2. [ERRONEOUS REFUNDS.] An erroneous refund is considered an underpayment of tax on the date made. An assessment of a deficiency arising out of an erroneous refund may be made at any time within two years from the making of the refund. If part of the refund was induced by fraud or misrepresentation of a material fact, the assessment may be made at any time.

Subd. 3. [ASSESSMENT PRESUMED VALID.] A return or assessment of tax made by the commissioner is prima facie correct and valid. The taxpayer has the burden of establishing its incorrectness or invalidity in any related action or proceeding.

Subd. 4. [AGGREGATE REFUND OR ASSESSMENT.] The commissioner, on examining returns of a taxpayer for more than one year or period, may issue one order covering the period under examination that reflects the aggregate refund or additional tax due.

Subd. 5. [SUFFICIENCY OF NOTICE.] An order of assessment, sent postage prepaid by United States mail, to the taxpayer at the

taxpayer's last known address, is sufficient even if the taxpayer is deceased or is under a legal disability, or, in the case of a corporation, has terminated its existence, unless the department has been provided with a new address by a party authorized to receive notices of assessment.

Subd. 6. [ORDER OF ASSESSMENT IF JOINT INCOME TAX RETURN.] If a joint income tax return is filed by a husband and wife, an order of assessment may be a single joint notice. If the commissioner has been notified by either spouse that that spouse's address has changed and if that spouse requests it, then a duplicate or original of the joint notice must be sent to the requesting spouse at the address designated by the requesting spouse. The other joint notice must be mailed to the other spouse at that spouse's last known address. An assessment is not invalid for failure to send it to a spouse if the spouse actually receives the notice in the same period as if it had been mailed to that spouse at the correct address or if the spouse has failed to provide an address to the commissioner other than the last known address.

Sec. 18. [289A.06] [LIMITATIONS ON TIME FOR ASSESSMENT OF TAX.]

Subdivision 1. [GENERAL RULE.] Except as otherwise provided in this section, the amount of taxes assessable must be assessed within 3½ years after the date the return is filed.

Subd. 2. [FILING DATE.] For purposes of this section, a tax return filed before the last day prescribed by law for filing is considered to be filed on the last day.

Subd. 3. [ESTATE TAXES.] Estate taxes must be assessed within 180 days after the return and the documents required under section 289A.0214, subdivision 2, have been filed.

Subd. 4. [PROPERTY TAX REFUND.] For purposes of computing the limitation under this section, the due date of the property tax refund return as provided for in chapter 290A is the due date for an income tax return covering the year in which the rent was paid or the year preceding the year in which the property taxes are payable.

Subd. 5. [FALSE OR FRAUDULENT RETURN; NO RETURN.] Notwithstanding the limitations under subdivisions 1 and 3, the tax may be assessed at any time if a false or fraudulent return is filed or when a taxpayer fails to file a return.

Subd. 6. [OMISSION IN EXCESS OF 25 PERCENT.] Additional taxes may be assessed within 6½ years after the due date of the return or the date the return was filed, whichever is later, if:

(1) the taxpayer omits from gross income an amount properly includable in it that is in excess of 25 percent of the amount of gross income stated in the return;

(2) the taxpayer omits from a sales or withholding tax return an amount in excess of 25 percent of the taxes reported in the return; or

(3) the taxpayer omits from the gross estate assets in excess of 25 percent of the gross estate reported in the return.

Subd. 7. [FEDERAL TAX CHANGES.] If the amount of income, items of tax preference, deductions, or credits for any year of a taxpayer as reported to the Internal Revenue Service is changed or corrected by the commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in income, items of tax preference, deductions, or credits, or, in the case of estate tax, where there are adjustments to the taxable estate resulting in a change to the credit for state death taxes, the taxpayer shall report the change or correction or renegotiation results in writing to the commissioner, in the form required by the commissioner. The report must be submitted within 90 days after the final determination and must concede the accuracy of the determination or state how it is wrong. A taxpayer filing an amended federal tax return must also file a copy of the amended return with the commissioner of revenue within 90 days after filing the amended return.

Subd. 8. [FAILURE TO REPORT CHANGE OR CORRECTION OF FEDERAL RETURN.] If a taxpayer fails to make a report as required by subdivision 7, the commissioner may recompute the tax, including a refund, based on information available to the commissioner. The tax may be recomputed within six years after the report should have been filed, notwithstanding any period of limitations to the contrary.

Subd. 9. [REPORT MADE OF CHANGE OR CORRECTION OF FEDERAL RETURN.] If a taxpayer is required to make a report under subdivision 7, and does report the change or files a copy of the amended return, the commissioner may recompute and reassess the tax due, including a refund (1) within one year after the report or amended return is filed with the commissioner, notwithstanding any period of limitations to the contrary, or (2) within any other applicable period stated in this section, whichever period is longer. The period provided for the carryback of any amount of loss or credit is also extended as provided in this subdivision, notwithstanding any law to the contrary.

Subd. 10. [INCORRECT DETERMINATION OF FEDERAL ADJUSTED GROSS INCOME.] Notwithstanding any other provision of this chapter, if a taxpayer whose gross income is determined

under section 290.01, subdivisions 20 and 20e, omits from income an amount that will under the Internal Revenue Code of 1986, as amended through December 31, 1989, extend the statute of limitations for the assessment of federal income taxes, or otherwise incorrectly determines the taxpayer's federal adjusted gross income resulting in adjustments by the Internal Revenue Service, then the period of assessment and determination of tax will be that under the Internal Revenue Code of 1986, as amended through December 31, 1989. When a change is made to federal income during the extended time provided under this subdivision, the provisions under subdivisions 7 to 9 regarding additional extensions apply.

Subd. 11. [NET OPERATING LOSS CARRYBACK.] If a deficiency of tax is attributable to a net operating loss carryback that has been disallowed in whole or in part, the deficiency may be assessed at any time that a deficiency for the taxable year of the loss may be assessed.

Subd. 12. [REQUEST FOR EARLY AUDIT FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, AND CORPORATE FRANCHISE TAXES.] (a) Tax must be assessed within 18 months after written request for an assessment has been made in the case of income received (1) during the lifetime of a decedent, (2) by the decedent's estate during the period of administration, (3) by a trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.029, subdivision 4, or (4) by a corporation. A proceeding in court for the collection of the tax must begin within two years after written request for the assessment (filed after the return is made and in the form the commissioner prescribes) by the personal representative or other fiduciary representing the estate of the decedent, or by the trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.029, subdivision 4, or by the corporation. Except as provided in section 289A.10, subdivision 1, an assessment must not be made after the expiration of 3½ years after the return was filed, and an action must not be brought after the expiration of four years after the return was filed.

(b) Paragraph (a) only applies in the case of a corporation if:

(1) the written request notifies the commissioner that the corporation contemplates dissolution at or before the expiration of the 18-month period;

(2) the dissolution is begun in good faith before the expiration of the 18-month period; and

(3) the dissolution is completed within the 18-month period.

Subd. 13. [TIME LIMIT FOR ASSESSMENT AND COLLECTION

FOR TRANSFEREE OR FIDUCIARY.] The period of limitation for assessment and collection of any liability of a transferee or fiduciary is as follows:

(1) In the case of the liability of an initial transferee of the property of the taxpayer, the tax may be assessed within one year after the expiration of the period of limitation of assessment against the taxpayer. The tax may be collected by action brought within one year after the expiration of the period of limitation for the starting of an action against the taxpayer.

(2) In the case of the liability of the transferee of a transferee of the property of the taxpayer, the tax may be assessed within one year after the expiration of the period of limitation for assessment against the preceding transferee, but only if within 3½ years after the expiration of the period of limitation for assessment against the taxpayers. The tax may be collected by action brought within one year after the expiration of the period of limitation for the starting of an action against the preceding transferee, but only if within four years after the expiration of the period of limitation for bringing an action against the taxpayer; except that if before the liability of the transferee a court proceeding for the collection of the tax or liability has been begun against the taxpayer or last preceding transferee, liability of the transferee expires one year after the return of execution in the court proceeding and the period of limitation for collection by action will expire one year after the liability is assessed.

(3) In the case of the liability of a fiduciary, the tax may be assessed up to one year after the liability arises or not later than the expiration of the period for collection of the tax for which the liability arises, whichever is later, and may be collected by action brought within one year after assessment.

(4) For the purposes of this subdivision, if the taxpayer is deceased, or in the case of a corporation, has ended its existence, the period of limitation for assessment against the taxpayer will be the period that would be in effect had death or termination of existence not occurred.

As used in this subdivision, the term "transferee" includes heir, legatee, devisee, and distributee.

Subd. 14. [FAILURE TO TIMELY FILE WITHHOLDING RECONCILIATION.] If an employer fails to timely file the reconciliation required by section 289A.0212, subdivision 2, paragraph (d), withholding taxes may be assessed within the period prescribed in subdivision 1, or within one year from the date the reconciliation is filed with the commissioner, whichever is later.

Sec. 19. [289A.07] [LIMITATIONS; ARMED SERVICES.]

Subdivision 1. [EXTENSIONS FOR SERVICE MEMBERS.] The limitations of time provided by this chapter and chapter 290 relating to income taxes and chapter 271 relating to the tax court for filing returns, paying taxes, claiming refunds, commencing action thereon, appealing to the tax court from orders relating to income taxes, and appealing to the Supreme Court from decisions of the tax court relating to income taxes are extended, with respect to an individual, for the period during which the individual serves in the Armed Forces of the United States, or serves in support of the Armed Forces and as provided in section 7508 of the Internal Revenue Code of 1986, as amended through December 31, 1989, or serves in an area designated by the president as a combat zone or is hospitalized outside the United States as a result of injury received while serving in the combat during that time and for a further period of six months.

Subd. 2. [INTEREST AND PENALTIES.] Interest on income tax must not be assessed or collected from an individual, and interest must not be paid upon an income tax refund to any individual, with respect to whom, and for the period during which, the limitations or time are extended as provided in subdivision 1. A penalty will not be assessed or collected from an individual for failure during that period to perform an act required by the laws described in subdivision 1.

Subd. 3. [ASSESSMENTS; ACTIONS.] The time limitations provided for the assessment of a tax, penalty, or interest, are extended, with respect to those individuals and for the period provided in subdivision 1 and for a further period of six months; and the time limitations for the commencement of action to collect a tax, penalty, or interest from those individuals are extended for a period ending six months after the expiration of the time for assessment as provided in this section.

Subd. 4. [APPLICABILITY.] Nothing in this section reduces the time within which an act is required or permitted under this chapter.

Subd. 5. [EXTENSION LIMITATIONS.] This section does not extend the time for performing any of the acts set forth in this chapter beyond the expiration of three months after the appointment of a personal representative or guardian, in this state, for any individual described in this section, except as provided in subdivision 6.

Subd. 6. [DEATH WHILE SERVING IN ARMED FORCES.] If an individual dies while in active service as a member of the military or naval forces of the United States or of any of the United Nations, an income tax imposed under chapter 290 will not be imposed for the taxable year in which the individual dies. Income tax imposed for a prior taxable year that is unpaid at the date of death (including

additions to the tax, penalties) must not be assessed, and if assessed, the assessment must be abated. In addition, upon the filing of a claim for refund within seven years from the date the return was filed, the tax paid or collected with respect to any taxable year beginning after December 31, 1949, during which the decedent was in active service must be refunded.

Subd. 7. [DEATH OF CIVILIAN WHILE OUTSIDE UNITED STATES.] If an individual dies while a civilian employee of the United States as a result of wounds or injuries incurred while the individual was a civilian employee of the United States, and which were incurred outside the United States in a terroristic or military action, a tax imposed by chapter 290 does not apply with respect to the taxable year in which the death falls and with respect to any prior taxable years in the period beginning with the last taxable year ending before the taxable year in which the wounds or injury were incurred. Terroristic or military action has the meaning given it in section 692(c)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1989.

Sec. 20. [289A.08] [LIMITATIONS ON CLAIMS FOR REFUND.]

Subdivision 1. [TIME LIMIT; GENERALLY.] Unless otherwise provided in this chapter, a claim for a refund of an overpayment of state tax must be filed within 3½ years from the date prescribed for filing the return (plus any extension of time granted for filing the return, but only if filed within the extended time) or two years from the time the tax is paid in full, whichever period expires later.

Subd. 2. [BAD DEBT LOSS.] If a claim relates to an overpayment because of a failure to deduct a loss due to a bad debt or to a security becoming worthless, the claim is considered timely if filed within seven years from the date prescribed for the filing of the return. The refund or credit is limited to the amount of overpayment attributable to the loss.

Subd. 3. [NET OPERATING LOSS; INDIVIDUALS.] A refund or credit must be allowed for a net operating loss carryback to any taxable year authorized by section 290.095, or section 172 of the Internal Revenue Code of 1986, as amended through December 31, 1989, but the refund or credit is limited to the amount of overpayment arising from the carryback.

Sec. 21. [289A.09] [BANKRUPTCY; SUSPENSION OF TIME.]

The running of the period during which a tax must be assessed or collection proceedings commenced is suspended during the period from the date of a filing of a petition in bankruptcy until 30 days after either notice to the commissioner of revenue that the bankruptcy proceedings have been closed or dismissed, or the automatic stay has been terminated or has expired, whichever occurs first.

The suspension of the statute of limitations under this section applies to the person the petition in bankruptcy is filed against and other persons who may also be wholly or partially liable for the tax.

Sec. 22. [289A.10] [CONSENT TO EXTEND STATUTE.]

Subdivision 1. [EXTENSION AGREEMENT.] If before the expiration of time prescribed in sections 289A.06 and 289A.08 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon.

Subd. 2. [FEDERAL EXTENSIONS.] A taxpayer who consents to an extension of time for the assessment of federal income taxes must notify the commissioner within 90 days of the execution of the consent. The period in which the commissioner may recompute the tax is also extended, notwithstanding any period of limitations to the contrary, as follows:

(1) for the periods provided in section 289A.06, subdivisions 8 and 9;

(2) for six months following the expiration of the extended federal period of limitations when no change is made by the federal authority.

Sec. 23. [289A.11] [CLAIMS FOR REFUNDS.]

Subdivision 1. [GENERAL RIGHT TO REFUND.] (a) Subject to the requirements of this section and section 289A.08, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has

been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds \$1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than \$1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.

(d) If the amount allowable as a credit for withholding or estimated taxes exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment.

(e) If the entertainment tax withheld at the source exceeds by \$1 or more the taxes, penalties, and interest reported in the return of the entertainment entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than \$1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

Subd. 2. [REFUND OF SALES TAX TO VENDORS; LIMITATION.] If a vendor has collected from a purchaser and remitted to the state a tax on a transaction that is not subject to the tax imposed by chapter 297A, the tax is refundable to the vendor only if and to the extent that it is credited to amounts due to the vendor by the purchaser or returned to the purchaser by the vendor.

Subd. 3. [WITHHOLDING TAX AND ENTERTAINER WITHHOLDING TAX REFUNDS.] When there is an overpayment of withholding tax by an employer or a person making royalty payments, or an overpayment of entertainer withholding tax by the payor, a refund allowable under this section is limited to the amount of the overpayment that was not deducted and withheld from employee wages or from the royalty payments, or from the compensation of an entertainer.

Subd. 4. [NOTICE OF REFUND.] The commissioner shall determine the amount of refund, if any, that is due, and notify the taxpayer of the determination as soon as practicable after a claim has been filed.

Subd. 5. [WITHHOLDING OF REFUNDS FROM CHILD SUPPORT DEBTORS.] (a) If a court of this state finds that a person obligated to pay child support is delinquent in making payments, the amount of child support unpaid and owing, including attorneys fees and costs incurred in ascertaining or collecting child support, must be withheld from a refund due the person under chapter 290. The public agency responsible for child support enforcement or the parent or guardian of a child for whom the support, attorneys fees, and costs are owed may petition the district or county court for an order providing for the withholding of the amount of child support, attorneys fees, and costs unpaid and owing as determined by court order. The person from whom the refund may be withheld must be notified of the petition under the rules of civil procedure before the issuance of an order under this subdivision. The order may be granted on a showing to the court that required support payments, attorneys fees, and costs have not been paid when they were due.

(b) On order of the court and on payment of \$3 to the commissioner, the commissioner shall withhold the money from the refund due to the person obligated to pay the child support. The amount withheld shall be remitted to the public agency responsible for child support enforcement or to the parent or guardian petitioning on behalf of the child, after any delinquent tax obligations of the taxpayer owed to the revenue department have been satisfied. An amount received by the responsible public agency or the petitioning parent or guardian in excess of the amount of public assistance spent for the benefit of the child to be supported, or the amount of any support, attorneys fees, and costs that had been the subject of the claim under this subdivision that has been paid by the taxpayer before the diversion of the refund, must be paid to the person entitled to the money. If the refund is based on a joint return, the part of the refund that must be paid to the petitioner is the proportion of the total refund that equals the proportion of the total federal adjusted gross income of the spouses that is the federal adjusted gross income of the spouse who is delinquent in making the child support payments.

(c) A petition filed under this subdivision remains in effect with respect to any refunds due under this section until the support money, attorneys fees, and costs have been paid in full or the court orders the commissioner to discontinue withholding the money from the refund due the person obligated to pay the support, attorneys fees, and costs. If a petition is filed under this subdivision and a claim is made under chapter 270A with respect to the individual's refund and notices of both are received before the time when payment of the refund is made on either claim, the claim relating to the liability that accrued first in time must be paid first. The amount of the refund remaining must then be applied to the other claim.

Subd. 6. [OFFSETTING OF INCOME TAX REFUNDS.] Notwith-

standing any other law to the contrary, in the case of an overpayment, the commissioner, within the applicable period of limitations, may credit the amount of the overpayment against a liability with respect to Minnesota income tax on the part of the person who made the overpayment or against a liability with respect to Minnesota income tax on the part of either spouse who filed a joint return for the taxable year in which the overpayment was made and must refund a balance of more than \$1 to the person if the taxpayer so requests.

Subd. 7. [REMEDIES.] (a) If the taxpayer is notified by the commissioner that the refund claim is denied in whole or in part, the taxpayer may:

(1) file an administrative appeal as provided in section 289A.16, or an appeal with the tax court, within 60 days after issuance of the commissioner's notice of denial; or

(2) file an action in the district court to recover the refund.

(b) An action in the district court on a denied claim for refund must be brought within 18 months of the date of the denial of the claim by the commissioner.

(c) No action in the district court or the tax court shall be brought within six months of the filing of the refund claim unless the commissioner denies the claim within that period.

(d) If a taxpayer files a claim for refund and the commissioner has not issued a denial of the claim, the taxpayer may bring an action in the district court or the tax court at any time after the expiration of six months of the time the claim was filed, but within four years of the date that the claim was filed.

(e) The commissioner and the taxpayer may agree to extend the period for bringing an action in the district court.

(f) An action for refund of tax by the taxpayer must be brought in the district court of the district in which lies the county of the taxpayer's residence or principal place of business. In the case of an estate or trust, the action must be brought at the principal place of its administration. Any action may be brought in the district court for Ramsey county.

Subd. 8. [MISTAKE DISCOVERED BY COMMISSIONER.] If the commissioner determines that money has been erroneously collected from a taxpayer or other person, the commissioner shall, within the period named in section 289A.08 for filing a claim for refund, and subject to the provisions of section 270.07, subdivision 5, and chapter 270A, grant a refund to that taxpayer or other person.

Sec. 24. [289A.12] [INTEREST PAYABLE TO COMMISSIONER.]

Subdivision 1. [INTEREST RATE.] When interest is required under this section, interest is computed at the rate specified in section 270.75.

Subd. 2. [LATE PAYMENT.] If a tax is not paid within the time named by law for payment, the unpaid tax bears interest from the date the tax should have been paid until the date the tax is paid.

Subd. 3. [EXTENSIONS.] When an extension of time for payment has been granted, interest must be paid from the date the payment should have been made, if no extension had been granted, until the date the tax is paid.

Subd. 4. [ADDITIONAL ASSESSMENTS.] When a taxpayer is liable for additional taxes because of a redetermination by the commissioner, or for any other reason, the additional taxes bear interest from the time the tax should have been paid, without regard to an extension allowed, until the date the tax is paid.

Subd. 5. [EXCESSIVE CLAIMS FOR REFUNDS UNDER CHAPTER 290A.] When it is determined that a claim for a property tax refund was excessive, the amount that the taxpayer must repay bears interest from the date the claim was paid until the date of repayment.

Subd. 6. [ERRONEOUS REFUNDS.] In the case of an erroneous refund, interest begins to accrue from the date the refund was paid unless the erroneous refund results from a mistake of the department, in which case no interest or penalty will be imposed, unless the deficiency assessment is not satisfied within 60 days of the order.

Subd. 7. [INSTALLMENT PAYMENTS; ESTATE TAX.] Interest must be paid on unpaid installment payments of the tax authorized under section 289A.028, subdivision 2, beginning on the date the tax was due without regard to extensions allowed or extensions elected, at the rate of interest in effect under section 270.75, nine months following the date of death.

Subd. 8. [INTEREST ON JUDGMENTS.] Notwithstanding section 549.09, if judgment is entered in favor of the commissioner with regard to any tax, the judgment bears interest at the rate given in section 270.75 from the date the judgment is entered until the date of payment.

Subd. 9. [INTEREST ON PENALTIES.] (a) A penalty imposed under section 289A.14, subdivisions 1, 2, 3, 4, 5, or 6, bears interest

from the date the return or payment was required to be filed or paid (including any extensions), to the date of payment of the penalty.

(b) A penalty not included in paragraph (a) bears interest only if it is not paid within ten days from the date of notice. In that case interest is imposed from the date of notice to the date of payment.

Sec. 25. [289A.13] [INTEREST ON OVERPAYMENTS.]

Subdivision 1. [INTEREST RATE.] When interest is due on an overpayment under this section, it must be computed at the rate specified in section 270.76.

Subd. 2. [CORPORATE FRANCHISE, INDIVIDUAL AND FIDUCIARY INCOME, AND ENTERTAINER TAX OVERPAYMENTS.] Interest must be paid on an overpayment refunded or credited to the taxpayer from the date of payment of the tax until the date the refund is paid or credited. For purposes of this subdivision, the prepayment of tax made by withholding of tax at the source or payment of estimated tax before the due date is considered paid on the last day prescribed by law for the payment of the tax by the taxpayer. A return filed before the due date is considered as filed on the due date.

When the amount of tax withheld at the source or paid as estimated tax or allowable as other refundable credits, or withheld from compensation of entertainers, exceeds the tax shown on the original return by \$10, the amount refunded bears interest from 90 days after (1) the due date of the return of the taxpayer, or (2) the date on which the original return is filed, whichever is later, until the date the refund is paid to the taxpayer. Where the amount to be refunded is less than \$10, no interest is paid. However, to the extent that the basis for the refund is a net operating loss carryback, interest is computed only from the end of the taxable year in which the loss occurs.

Subd. 3. [WITHHOLDING TAX, ENTERTAINER WITHHOLDING TAX, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, ESTATE TAX, AND SALES TAX OVERPAYMENTS.] When a refund is due for overpayments of withholding tax, entertainer withholding tax, withholding from payments to out-of-state contractors, estate tax, or sales tax, interest is computed from the date of payment to the date the refund is paid or credited. For purposes of this subdivision, the date of payment is the later of the date the tax was finally due or was paid.

Subd. 4. [CAPITAL EQUIPMENT REFUNDS.] Notwithstanding subdivision 3, for refunds payable under section 297A.15, subdivision 5, interest is computed from the date the refund claim is filed with the commissioner.

Subd. 5. [SALES OR MOTOR VEHICLE EXCISE TAX; RETAILERS.] In the case of a refund allowed under section 297A.211, subdivision 3, interest is allowed only from the date on which the person has both registered as a retailer and filed a claim for refund.

Subd. 6. [PROPERTY TAX REFUNDS UNDER CHAPTER 290A.] (a) When a renter is owed a property tax refund, an unpaid refund bears interest after August 14, or 60 days after the refund claim was made, whichever is later, until the date the refund is paid.

(b) When any other claimant is owed a property tax refund, the unpaid refund bears interest after September 29, or 60 days after the refund claim was made, whichever is later, until the date the refund is paid.

Sec. 26. [289A.14] [CIVIL PENALTIES.]

Subdivision 1. [PENALTY FOR FAILURE TO PAY TAX.] If a tax is not paid or amounts required to be withheld are not remitted within the time specified for payment, a penalty must be added to the amount required to be shown as tax. The penalty is three percent of the tax not paid on or before the date specified for payment of the tax if the failure is for not more than 30 days, with an additional penalty of three percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days during which the failure continues, not exceeding 24 percent in the aggregate.

Subd. 2. [PENALTY FOR FAILURE TO MAKE AND FILE RETURN.] If a taxpayer fails to make and file a return within the time prescribed or an extension, a penalty is added to the tax. The penalty is three percent of the amount of tax not paid on or before the date prescribed for payment of the tax including any extensions if the failure is for not more than 30 days, with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days, during which the failure continues, not exceeding 23 percent in the aggregate.

If a taxpayer fails to file a return, other than an income tax return of an individual, within 60 days of the date prescribed for filing of the return (determined with regard to any extension of time for filing), the addition to tax under this subdivision must not be less than the lesser of: (1) \$200; or (2) the greater of (a) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax, or (b) \$50.

Subd. 3. [COMBINED PENALTIES.] When penalties are imposed under subdivisions 1 and 2, except for the minimum penalty under subdivision 2, the penalties imposed under both subdivisions combined must not exceed 38 percent.

Subd. 4. [SUBSTANTIAL UNDERSTATEMENT OF LIABILITY; PENALTY.] The commissioner of revenue shall impose a penalty for substantial understatement of any tax payable to the commissioner, except a tax imposed under chapter 297A.

There must be added to the tax an amount equal to 20 percent of the amount of any underpayment attributable to the understatement. There is a substantial understatement of tax for the period if the amount of the understatement for the period exceeds the greater of: (1) ten percent of the tax required to be shown on the return for the period; or (2)(a) \$10,000 in the case of a corporation other than an S corporation as defined in section 290.9725 when the tax is imposed by chapter 290, or (b) \$5,000 in the case of any other taxpayer, and in the case of a corporation any tax not imposed by chapter 290. The term "understatement" means the excess of the amount of the tax required to be shown on the return for the period, over the amount of the tax imposed that is shown on the return. The amount of the understatement shall be reduced by that part of the understatement that is attributable to the tax treatment of any item by the taxpayer if there is or was substantial authority for the treatment, or any item with respect to which the relevant facts affecting the item's tax treatment are adequately disclosed in the return or in a statement attached to the return. The special rules in cases involving tax shelters provided in section 6662(d)(2)(C) of the Internal Revenue Code of 1986, as amended through December 31, 1989, shall apply and shall apply to a tax shelter the principal purpose of which is the avoidance or evasion of state taxes. The commissioner may abate all or any part of the addition to the tax provided by this section on a showing by the taxpayer that there was reasonable cause for the understatement, or part of it, and that the taxpayer acted in good faith. The additional tax and penalty shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid.

Subd. 5. [PENALTY FOR INTENTIONAL DISREGARD OF LAW OR RULES.] If part of an additional assessment is due to negligence or intentional disregard of the provisions of the applicable tax laws or rules of the commissioner (but without intent to defraud), there must be added to the tax an amount equal to ten percent of the additional assessment.

Subd. 6. [PENALTY FOR FALSE OR FRAUDULENT RETURN, EVASION.] If a person files a false or fraudulent return, or attempts in any manner to evade or defeat a tax or payment of tax, there is imposed on the person a penalty equal to 50 percent of the tax (less amounts paid by the person on the basis of the false or fraudulent return) due for the period to which the return related.

Subd. 7. [PENALTY FOR FRIVOLOUS RETURN.] If an individual files what purports to be a tax return required by chapter 290 but which does not contain information on which the substantial

correctness of the assessment may be judged or contains information that on its face shows that the assessment is substantially incorrect and the conduct is due to a position that is frivolous or a desire that appears on the purported return to delay or impede the administration of Minnesota tax laws, then the individual shall pay a penalty of \$500. In a proceeding involving the issue of whether or not a person is liable for this penalty, the burden of proof is on the commissioner.

Subd. 8. [PENALTY FOR FAILURE TO FILE INFORMATIONAL RETURN.] In the case of a failure to file an informational return required by section 289A.0218 with the commissioner on the date prescribed (determined with regard to any extension of time for filing), the person failing to file the return shall pay a penalty of \$50 for each failure or in the case of a partnership, S corporation, or fiduciary return, \$50 for each partner, shareholder, or beneficiary; but the total amount imposed on the delinquent person for all failures during any calendar year must not exceed \$25,000. If a failure to file a return is due to intentional disregard of the filing requirement, then the penalty imposed under the preceding sentence must not be less than an amount equal to:

(1) in the case of a return not described in clause (2) or (3), ten percent of the aggregate amount of the items required to be reported;

(2) in the case of a return required to be filed under section 289A.0218, subdivision 5, five percent of the gross proceeds required to be reported; and

(3) in the case of a return required to be filed under section 289A.0218, subdivision 9, relating to direct sales, \$100 for each failure; however, the total amount imposed on the delinquent person for intentional failures during a calendar year must not exceed \$50,000. The penalty must be collected in the same manner as a delinquent income tax.

Subd. 9. [PENALTIES FOR FAILURE TO GIVE ANNUAL REPORT INFORMATION BY EXEMPT INDIVIDUALS, CORPORATIONS.] In the case of a failure to give annual report information as prescribed by section 290.05, subdivision 4, the exempt individual or corporation shall pay the commissioner a penalty of \$100 for each failure.

Subd. 10. [PENALTY FOR FAILURE TO PROVIDE SOCIAL SECURITY NUMBER AS REQUIRED.] A person who is required by law to: (1) give the person's social security account number to another person; or (2) include in a return, statement, or other document made with respect to another person that individual's social security account number, who fails to comply with the requirement when prescribed, must pay a penalty of \$50 for each

failure. The total amount imposed on a person for failures during a calendar year must not exceed \$25,000.

Subd. 11. [PENALTIES RELATING TO INFORMATION REPORTS, WITHHOLDING.] (a) When a person required under section 289A.0212, subdivision 2, to give a statement to an employee or payee and a duplicate statement to the commissioner, or to give a reconciliation of the statements and quarterly returns to the commissioner, gives a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements and quarterly returns to the commissioner; or fails to give a statement or the reconciliation in the manner, when due, and showing the information required by section 289A.0212, subdivision 2, or rules prescribed by the commissioner under that section, is liable for a penalty of \$50 for an act or failure to act. The total amount imposed on the delinquent person for failures during a calendar year must not exceed \$25,000.

(b) In addition to any other penalty provided by law, an employee who gives a withholding exemption certificate or a residency affidavit to an employer that the employee has reason to know contains a materially incorrect statement is liable to the commissioner of revenue for a penalty of \$500 for each instance.

(c) In addition to any other penalty provided by law, an employer who fails to submit a copy of a withholding exemption certificate or a residency affidavit required by section 290.92, subdivision 5a, clause (1)(a), (1)(b), or (2) is liable to the commissioner of revenue for a penalty of \$50 for each instance.

(d) An employer or payor who fails to file an application for a withholding account number, as required by section 290.92, subdivision 24, is liable to the commissioner for a penalty of \$100.

Subd. 12. [PENALTIES RELATING TO PROPERTY TAX REFUNDS.] (a) If the commissioner determines that a property tax refund claim is or was excessive and was filed with fraudulent intent, the claim must be disallowed in full. If the claim has been paid, the amount disallowed may be recovered by assessment and collection.

(b) If it is determined that a property tax refund claim is excessive and was negligently prepared, ten percent of the corrected claim must be disallowed. If the claim has been paid, the amount disallowed must be recovered by assessment and collection.

(c) An owner or managing agent who knowingly fails to give a certificate of rent constituting property tax to a renter, as required by section 290A.19, paragraph (a), is liable to the commissioner for a penalty of \$100 for each failure.

(d) If the owner or managing agent knowingly gives rent certificates that report total rent constituting property taxes in excess of the amount of actual property taxes paid on the rented part of a property, the owner or managing agent is liable for a penalty equal to the greater of (1) \$100 or (2) 50 percent of the excess that is reported.

(e) A claim filed after the original or extended due date will be reduced by five percent of the amount otherwise allowable, plus an additional five percent for each month of delinquency, not exceeding a total reduction of 25 percent, which may be canceled or reduced by the commissioner if the delinquency is due to reasonable cause. In any event, no claim is allowed if the initial claim is filed more than one year after the original due date for filing the claim.

Subd. 13. [PENALTIES FOR TAX RETURN PREPARERS.] (a) If an understatement of liability with respect to a return or claim for refund is due to a willful attempt in any manner to understate the liability for a tax by a person who is a tax return preparer with respect to the return or claim, the person shall pay to the commissioner a penalty of \$500. If a part of a property tax refund claim is excessive due to a willful attempt in any manner to overstate the claim for relief allowed under chapter 290A by a person who is a tax refund or return preparer, the person shall pay to the commissioner a penalty of \$500 with respect to the claim. These penalties may not be assessed against the employer of a tax return preparer unless the employer was actively involved in the willful attempt to understate the liability for a tax or to overstate the claim for refund. These penalties are income tax liabilities and may be assessed at any time as provided in section 289A.06, subdivision 5.

(b) A civil action in the name of the state of Minnesota may be commenced to enjoin any person who is a tax return preparer doing business in this state from further engaging in any conduct described in paragraph (c). An action under this paragraph must be brought by the attorney general in the district court for the judicial district of the tax return preparer's residence or principal place of business, or in which the taxpayer with respect to whose tax return the action is brought resides. The court may exercise its jurisdiction over the action separate and apart from any other action brought by the state of Minnesota against the tax return preparer or any taxpayer.

(c) In an action under paragraph (b), if the court finds that a tax return preparer has:

(1) engaged in any conduct subject to a civil penalty under section 289A.14 or a criminal penalty under section 289A.15;

(2) misrepresented the preparer's eligibility to practice before the department of revenue, or otherwise misrepresented the preparer's experience or education as a tax return preparer;

(3) guaranteed the payment of any tax refund or the allowance of any tax credit; or

(4) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of state tax law, and injunctive relief is appropriate to prevent the recurrence of that conduct,

the court may enjoin the person from further engaging in that conduct.

(d) If the court finds that a tax return preparer has continually or repeatedly engaged in conduct described in paragraph (c), and that an injunction prohibiting that conduct would not be sufficient to prevent the person's interference with the proper administration of state tax laws, the court may enjoin the person from acting as a tax return preparer. The court may not enjoin the employer of a tax return preparer for conduct described in paragraph (c) engaged in by one or more of the employer's employees unless the employer was also actively involved in that conduct.

(e) For purposes of this subdivision, the term "understatement of liability" means an understatement of the net amount payable with respect to a tax imposed by state tax law, or an overstatement of the net amount creditable or refundable with respect to a tax. The determination of whether or not there is an understatement of liability must be made without regard to any administrative or judicial action involving the taxpayer. For purposes of this subdivision, the amount determined for underpayment of estimated tax under either section 289A.026 or 289A.027 is not considered an understatement of liability.

(f) For purposes of this subdivision, the term "overstatement of claim" means an overstatement of the net amount refundable with respect to a claim for property tax relief provided by chapter 290A. The determination of whether or not there is an overstatement of a claim must be made without regard to administrative or judicial action involving the claimant.

(g) For purposes of this section, the term "tax refund or return preparer" means an individual who prepares for compensation, or who employs one or more individuals to prepare for compensation, a return of tax, or a claim for refund of tax. The preparation of a substantial part of a return or claim for refund is treated as if it were the preparation of the entire return or claim for refund. An individual is not considered a tax return preparer merely because the individual:

(1) gives typing, reproducing, or other mechanical assistance;

(2) prepares a return or claim for refund of the employer, or an officer or employee of the employer, by whom the individual is regularly and continuously employed;

(3) prepares a return or claim for refund of any person as a fiduciary for that person; or

(4) prepares a claim for refund for a taxpayer in response to a tax order issued to the taxpayer.

Subd. 14. [PENALTY FOR USE OF SALES TAX EXEMPTION CERTIFICATES TO EVADE TAX.] A person who uses an exemption certificate to buy property that will be used for purposes other than the exemption claimed, with the intent to evade payment of sales tax to the seller, is subject to a penalty of \$100 for each transaction where that use of an exemption certificate has occurred.

Subd. 15. [ACCELERATED PAYMENT OF JUNE SALES TAX LIABILITY; PENALTY FOR UNDERPAYMENT.] If a vendor is required by law to submit an estimation of June sales tax liabilities and one-half payment by a certain date, and the vendor fails to remit the balance due by the date required, the vendor shall pay a penalty equal to ten percent of the amount of actual June liability required to be paid in June less the amount remitted in June. The penalty must not be imposed, however, if the amount remitted in June equals the lesser of: (1) 45 percent of the actual June liability, or (2) 50 percent of the preceding May's liability.

Subd. 16. [PENALTY FOR SALES AFTER REVOCATION.] A person who engages in the business of making retail sales after revocation of a permit under section 297A.07 is liable for a penalty of \$100 for each day the person continues to make taxable sales.

Subd. 17. [OPERATOR OF FLEA MARKETS; PENALTY.] A person who fails to comply with the provisions of section 297A.041 is subject to a penalty of \$100 for each day of each selling event that the operator fails to obtain evidence that a seller is the holder of a valid seller's permit issued under section 297A.04.

Subd. 18. [PAYMENT OF PENALTIES.] The penalties imposed by this section are collected and paid in the same manner as taxes.

Subd. 19. [PENALTIES ARE ADDITIONAL.] The civil penalties imposed by this section are in addition to the criminal penalties imposed by this chapter.

Sec. 27. [289A.15] [CRIMINAL PENALTIES.]

Subdivision 1. [PENALTIES FOR KNOWING FAILURE TO FILE OR PAY; WILLFUL EVASION.] (a) A person required to file a return, report, or other document with the commissioner, who knowingly, rather than accidentally, inadvertently, or negligently, fails to file it when required, is guilty of a gross misdemeanor. A person required to file a return, report, or other document who willfully attempts in any manner to evade or defeat a tax by failing to file it when required, is guilty of a felony.

(b) A person required to pay or to collect and remit a tax, who knowingly, rather than accidentally, inadvertently, or negligently, fails to do so when required, is guilty of a gross misdemeanor. A person required to pay or to collect and remit a tax, who willfully attempts to evade or defeat a tax law by failing to do so when required, is guilty of a felony.

270.06 [POWERS AND DUTIES.]

The commissioner of revenue shall:

(1) have and exercise general supervision over the administration of the assessment and taxation laws of the state, over assessors, town, county, and city boards of review and equalization, and all

(2) confer with, advise, and give the necessary instructions and directions to local assessors and local boards of review throughout the state as to their duties under the laws of the state;

(3) direct proceedings, actions, and prosecutions to be instituted to enforce the laws relating to the liability and punishment of public officers and officers and agents of corporations for failure or negligence to comply with the provisions of the laws of this state governing returns of assessment and taxation of property, and cause complaints to be made against local assessors, members of boards of equalization, members of boards of review, or any other assessing or taxing officer, to the proper authority, for their removal from office for misconduct or negligence of duty;

(4) require county attorneys to assist in the commencement of prosecutions in actions or proceedings for removal, forfeiture and punishment for violation of the laws of this state in respect to the assessment and taxation of property in their respective districts or counties;

(5) require town, city, county, and other public officers to report information as to the assessment of property, collection of taxes received from licenses and other sources, and such other information as may be needful in the work of the department of revenue, in such form and upon such blanks as the commissioner may prescribe;

(6) require individuals, copartnerships, companies, associations, and corporations to furnish information concerning their capital, funded or other debt, current assets and liabilities, earnings, operating expenses, taxes, as well as all other statements now required by law for taxation purposes;

(7) summon witnesses, at a time and place reasonable under the circumstances, to appear and give testimony, and to produce books, records, papers and documents relating to any tax matter which the commissioner may have authority to investigate or determine. Provided, that any summons which does not identify the person or persons with respect to whose tax liability the summons is issued may be served only if (a) the summons relates to the investigation of a particular person or ascertainable group or class of persons, (b) there is a reasonable basis for believing that such person or group or class of persons may fail or may have failed to comply with any tax law administered by the commissioner, (c) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the summons is issued) is not readily available from other sources, (d) the summons is clear and specific as to the information sought to be obtained, and

(e) the information sought to be obtained is limited solely to the scope of the investigation. Provided further that the party served with a summons which does not identify the person or persons with respect to whose tax liability the summons is issued shall have the right, within 20 days after service of the summons, to petition the district court for the judicial district in which lies the county in which that party is located for a determination as to whether the commissioner of revenue has complied with all the requirements in (a) to (e), and thus, whether the summons is enforceable. If no such petition is made by the party served within the time prescribed, the summons shall have the force and effect of a court order;

Sec. 11. Minnesota Statutes 1988, section 270.69, subdivision 7, is amended to read:

Provided, notice need not be given pursuant to this subdivision if the lien of the commissioner has been filed within 30 days or less prior to the foreclosure sale or date of termination. The contents of the notice shall be as prescribed in section 7425(e)(1) of the Internal Revenue Code of 1954, as amended through December 31, 1982, must contain the following information: (1) the name and address of the taxpayer; (2) a copy of the notice of mortgage foreclosure or contract for deed cancellation; (3) a copy of the lien filed by the commissioner; (4) the total unpaid balance of the mortgage or contract for deed; (5) a legal description of the property; and (6) the fair market value of the property.

Subd. 12. [LIEN RELEASE FEE.] A fee of \$25 must be paid to the commissioner of revenue for each duplicate of an original release of lien.

Sec. 14. Minnesota Statutes 1988, section 270.70, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY OF COMMISSIONER.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the date of assessment of the tax, or if a lien has been filed, during the period the lien is enforceable, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property, including any property in the possession of law enforcement officials, of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37) or property on which there is a lien provided in section 270.69. For this purpose, the term "tax" shall include any penalty, interest and costs properly payable. The term "levy" includes the power of distraint and seizure by any means.

Sec. 15. Minnesota Statutes 1989 Supplement, section 270.73, subdivision 1, is amended to read:

Subdivision 1. [POSTING, NOTICE.] Pursuant to section 270B.12, subdivision 4, the commissioner shall, by the 15th of each month, submit to the commissioner of public safety a list of all taxpayers who are required to withhold or collect the tax imposed by section 290.92 or 297A.02, or local sales and use tax payable to the commissioner of revenue, and who are 30 days or more delinquent in either filing a tax return or paying the tax. At least ten days before notifying the commissioner of public safety, the commissioner of revenue shall notify the taxpayer of the intended action.

The commissioner of public safety shall post the list in the same manner as provided in section 340A.318, subdivision 3. The list will prominently show the date of posting. If a taxpayer previously listed cures the delinquency by filing all returns and paying all taxes, the commissioner shall notify the commissioner of public safety within two business days that the delinquency was cured.

Sec. 16. Minnesota Statutes 1988, section 290.92, subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, within five years after the date of assessment of the tax, or if a lien has been filed under section 270.69, within the statutory period for enforcement of the lien, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.41. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.495. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.55. The employer shall continue to withhold each pay period until the total amount shown by the notice is paid in full released by the commissioner under section 270.709. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.55. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any

irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision. ~~In crediting amounts withheld against delinquent taxes of an employee, the department shall apply amounts withheld in the following order: penalties, interest, tax and costs.~~

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.61, subdivision 2.

(3) Within ten days after the expiration of such pay period, the employer shall, by the date prescribed in subdivision 6, remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during the calendar quarter each pay period under this subdivision. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. No amount required to be paid by an employer by reason of the employer's failure to remit under this subdivision, may be deducted from the gross income of the employer, under sections 290.09, subdivision 4 or 290.01, subdivisions 20 to 20f. Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax and costs.

(4) Clauses (1), (2) and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3) above, the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties,

interest and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.

Sec. 17. Minnesota Statutes 1988, section 524.3-1001, is amended to read:

524.3-1001 [FORMAL PROCEEDINGS TERMINATING ADMINISTRATION; TESTATE OR INTESTATE; ORDER OF DISTRIBUTION, DECREE, AND GENERAL PROTECTION.]

(a) (1) A personal representative or any interested person may petition for an order of complete settlement of the estate. The personal representative may petition at any time, and any other interested person may petition after one year from the appointment of the original personal representative except that no petition under this section may be entertained until the time for presenting claims which arose prior to the death of the decedent has expired. The petition may request the court to determine testacy, if not previously determined, to consider the final account or compel or approve an accounting and distribution, to construe any will or determine heirs and adjudicate the final settlement and distribution of the estate. After notice to all interested persons and hearing the court may enter an order or orders, on appropriate conditions, determining the persons entitled to distribution of the estate, and, as circumstances require, approving settlement and directing or approving distribution of the estate and discharging the personal representative from further claim or demand of any interested person.

(2) In such petition for complete settlement of the estate, the petitioner may apply for a decree. Upon the hearing, if in the best interests of interested persons, the court may issue its decree which shall determine the persons entitled to the estate and assign the same to them in lieu of ordering the assignment by the personal representative. The decree shall name the heirs and distributees, state their relationship to the decedent, describe the property, and state the proportions or part thereof to which each is entitled. In the estate of a testate decedent, no heirs shall be named in the decree unless all heirs be ascertained.

(3) In solvent estates, the hearing may be waived by written consent to the proposed account and decree of distribution or order of distribution by all heirs or distributees, and the court may then enter its order allowing the account and issue its decree or order of distribution.

(4) Where a decree or order for distribution is issued, the personal

representative shall not be discharged until all property is paid or transferred to the persons entitled thereto, and the personal representative has otherwise fully discharged the trust. If objections are an order assessing estate tax or request for documents is filed with the court by the commissioner of revenue, no discharge shall be issued until the objections are determined assessment is paid or the request is complied with. If no objection order assessing estate tax or request for documents is filed, the court shall have the power to settle and distribute the estate and discharge the personal representative without regard to tax obligations.

(b) If one or more heirs or devisees were omitted as parties in, or were not given notice of, a previous formal testacy proceeding, the court, on proper petition for an order of complete settlement of the estate under this section, and after notice to the omitted or unnotified persons and other interested parties determined to be interested on the assumption that the previous order concerning testacy is conclusive as to those given notice of the earlier proceeding, may determine testacy as it affects the omitted persons and confirm or alter the previous order of testacy as it affects all interested persons as appropriate in the light of the new proofs. In the absence of objection by an omitted or unnotified person, evidence received in the original testacy proceeding shall constitute prima facie proof of due execution of any will previously admitted to probate, or of the fact that the decedent left no valid will if the prior proceedings determined this fact.

impound and the order of impoundment. If the registered owner is not the violator, the commissioner shall notify the registered owner of the impoundment. The notice must advise the violator of the duties and obligations set forth in subdivision 6 and of the right to obtain administrative and judicial review. The notice must also advise the violator and the registered owner who is not the violator of the procedure and eligibility criteria for obtaining special registration plates under subdivision 12. The commissioner shall report in writing the results of the review within 15 days of receiving the request. The review provided in this subdivision is not subject to the contested case provisions of the administrative procedure act in sections 14.01 to 14.70. privileges were not revoked under section 169.123 or as a result of an impaired driving conviction as defined in section 169.121, subdivision 3.

The filing of the petition shall not stay the impoundment order. The reviewing court may order a stay of the balance of the impoundment period if the hearing has not been conducted within 60 days after filing of the petition upon terms the court deems proper. The court shall order either that the impoundment be rescinded or sustained and forward the order to the commissioner of public safety. The court shall file its order within 14 days following the hearing.

(c) In addition to the issues described in section 169.123, subdivision 5c, the scope of a hearing under this subdivision is limited to:

Subd. 12. [ISSUANCE OF SPECIAL REGISTRATION PLATES.] A violator or registered owner may apply to the commissioner for new registration plates, which must bear a special series of numbers or letters so as to be readily identified by traffic law enforcement officers. The commissioner may authorize the issuance of special plates if:

(2) the violator or registered owner has a limited license issued under section 171.30;

(3) the registered owner is not the violator and the registered owner has a valid or limited driver's license; or

(4) a member of the registered owner's household has a valid driver's license.

The commissioner may issue the special plates on payment of a \$25 fee for each vehicle for which special plates are requested.

Subd. 13. [SALE OF VEHICLE SUBJECT TO IMPOUNDMENT ORDER.] A registered owner may not sell a motor vehicle during the time its registration plates have been ordered impounded or during the time its registration plates bear a special series number, unless:

(1) the sale is for a valid consideration;

(2) the transferee does not reside in the same household as the registered owner; and

(3) all elements of section 168A.10 are satisfied. The registrar may then transfer the title to the new owner upon proper application and issue new registration plates.

The petition shall be filed with the district court administrator in the county where the alleged offense occurred, together with proof of service of a copy on the commissioner of public safety, and accompanied by the standard filing fee for civil actions. No responsive pleading shall be required of the commissioner of public safety, and no court fees shall be charged for the appearance of the commissioner of public safety in the matter.

The petition shall be captioned in the full name of the person making the petition as petitioner and the commissioner of public safety as respondent. The petition must include the petitioner's date of birth, driver's license number, and date of the offense, and a copy of the notice of revocation or disqualification. Sec. 4. [360.0752] [AIRCRAFT OPERATORS UNDER THE INFLUENCE OF ALCOHOL OR CONTROLLED SUBSTANCES.]

Subdivision 1. [DEFINITION.] As used in this section and section 5, "operate" includes the acts of all crew members with responsibility to operate the aircraft.

Subd. 2. [CRIME.] It is a crime for any person to operate or attempt to operate an aircraft on or over land or water within this state or over any boundary water of this state:

(a) when the person is under the influence of alcohol;

(b) when the person is under the influence of a controlled substance, as defined in section 152.01, subdivision 4;

(c) when the person is under the influence of a combination of any two or more of the elements named in clauses (a), (b), and (f);

(d) when the person's alcohol concentration is 0.04 or more;

(e) when the person's alcohol concentration as measured within two hours of the time of operation or attempted operation is 0.04 or more;

(f) when the person is knowingly under the influence of any chemical compound or combination of chemical compounds that is listed as a hazardous substance in rules adopted under section 182.655 and that affects the nervous system, brain, or muscles of the person so as to substantially impair the person's ability to operate the aircraft; or

(g) within eight hours of having consumed any alcoholic beverage or used any controlled substance.

Subd. 3. [ALLOWING OPERATION.] It is a crime for any person to knowingly permit any individual who is in violation of subdivision 2 to operate any aircraft owned by or in the custody or control of the person.

Subd. 4. [ARREST.] A peace officer may lawfully arrest a person for violation of subdivision 2 without a warrant upon probable cause, without regard to whether the violation was committed in the officer's presence. The express grant of arrest powers in this subdivision does not limit the arrest powers of peace officers pursuant to

sections 626.65 to 626.70 or section 629.40 in cases of arrests for violation of subdivision 2 or any other provision of law.

Subd. 5. [EVIDENCE.] Upon the trial of any prosecution arising out of acts alleged to have been committed by any person arrested for operating or attempting to operate an aircraft in violation of subdivision 2, the court may admit evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine as shown by an analysis of those items.

Evidence of the refusal to take a test is admissible into evidence in a prosecution under this section.

If proven by a preponderance of the evidence, it shall be an affirmative defense to a violation of subdivision 2, clause (e), that the defendant consumed a sufficient quantity of alcohol after the time of the violation and before the administration of the evidentiary test to cause the defendant's alcohol concentration to exceed 0.04; provided, that this evidence may not be admitted unless notice is given to the prosecution prior to the omnibus or pretrial hearing in the matter.

The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person violated this section, including tests obtained more than two hours after the alleged violation and results obtained from partial tests on an infrared breath-testing instrument. A result from a partial test is the measurement obtained by analyzing one adequate breath sample, as defined in section 5, subdivision 4, paragraph (b).

Subd. 6. [CRIMINAL PENALTIES.] (a) A person who violates subdivision 2, clause (g); or 3 is guilty of a misdemeanor.

(b) A person who violates subdivision 2, clauses (a) to (f), is guilty of a gross misdemeanor.

(c) The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations shall also be responsible for prosecution of gross misdemeanor violations of this section.

Subd. 7. [PRELIMINARY SCREENING TEST.] When a peace officer has reason to believe that a person may be violating or has violated subdivision 2, the officer may require the person to provide a sample of the person's breath for a preliminary screening test using a device approved by the commissioner of public safety or the commissioner of transportation for this purpose. The results of this preliminary screening test shall be used for the purpose of deciding whether to require the tests authorized in section 5, but shall not be used in any court action except to prove that a test was properly

required of a person pursuant to section 5. Following the screening test, additional tests may be required of the person pursuant to the provisions of section 5.

A person who refuses to furnish a sample of the person's breath is subject to the provisions of section 5 unless, in compliance with section 5, the person submits to a blood, breath, or urine test to determine the presence of alcohol or a controlled substance.

Sec. 5. [360.0753] [TESTING PROCEDURES.]

Subdivision 1. [PEACE OFFICER DEFINED.] For purposes of this section, the term "peace officer" means an employee of a political subdivision or state law enforcement agency who is licensed by the Minnesota board of peace officers standards and training, who is charged with the prevention and detection of crime and the enforcement of the general criminal laws of the state, and who has full power of arrest, and shall also include the Minnesota state patrol and metropolitan airports commission peace officers, but does not include employees of the department of natural resources.

Subd. 2. [IMPLIED CONSENT; CONDITIONS; ELECTION AS TO TYPE OF TEST.] (a) Any person who operates or attempts to operate an aircraft in or over this state or over any boundary water of this state consents, subject to the provisions of this section and section 4, to a chemical test of that person's blood, breath, or urine for the purpose of determining the presence of alcohol or a controlled substance. The test shall be administered at the direction of a peace officer. The test may be required of a person when an officer has probable cause to believe the person was operating or attempting to operate an aircraft in violation of section 4 and one of the following conditions exist:

(1) the person has been lawfully placed under arrest for violation of section 4;

(2) the person has been involved in an aircraft accident or collision resulting in property damage, personal injury, or death;

(3) the person has refused to take the screening test provided for by section 4;

(4) the screening test was administered and recorded an alcohol concentration of 0.04 or more; or

(5) the officer had probable cause to believe that the person was operating or attempting to operate an aircraft with any amount of alcohol present in the person's body.

(b) At the time a test is requested, the person shall be informed:

(1) that Minnesota law requires the person to take a test to determine the presence of alcohol or to determine if the person is under the influence of alcohol or a controlled substance;

(2) that if testing is refused, the person will be disqualified from operating an aircraft for a minimum period of one year;

(3) that if a test is taken and the results indicate an alcohol concentration of 0.04 or more or that the person is under the influence of a controlled substance, the person will be subject to criminal penalties and the person may be prohibited from operating an aircraft in this state for up to one year;

(4) that after submitting to testing, the person has the right to consult with an attorney and to have additional tests made by someone of the person's own choosing; and

(5) that if the person refuses to take a test, the refusal will be offered into evidence against the person at trial.

(c) The peace officer who requires a test pursuant to this subdivision may direct whether the test shall be of blood, breath, or urine. Action may be taken against a person who refuses to take a blood test only if an alternative test was offered and action may be taken against a person who refuses to take a urine test only if an alternative test was offered.

Subd. 3. [REQUIREMENT OF URINE OR BLOOD TEST.] Notwithstanding subdivision 2, if there is probable cause to believe there is impairment by a controlled substance that is not subject to testing by a breath test, a urine or blood test may be required even after a breath test has been administered. Action may be taken against a person who refuses to take a blood test under this subdivision only if a urine test was offered and action may be taken against a person who refuses to take a urine test only if a blood test was offered.

Subd. 4. [BREATH TEST USING AN INFRARED BREATH-TESTING INSTRUMENT.] (a) In the case of a breath test administered using an infrared breath-testing instrument, the test shall consist of analyses in the following sequence: one adequate breath sample analysis, one calibration standard analysis, and a second, adequate breath sample analysis.

(b) In the case of a test administered using an infrared breath-testing instrument, a sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient.

(c) For purposes of this section, when a test is administered using an infrared breath-testing instrument, failure of a person to provide two separate, adequate breath samples in the proper sequence constitutes a refusal.

Subd. 5. [CONSENT OF PERSON INCAPABLE OF REFUSAL NOT WITHDRAWN.] A person who is unconscious or who is otherwise in a condition rendering the person incapable of refusal is deemed not to have withdrawn the consent provided by subdivision 2 and the test may be given.

Subd. 6. [MANNER OF MAKING TEST; ADDITIONAL TESTS.] Only a physician, medical technician, physician's trained mobile intensive care paramedic, registered nurse, medical technologist, or laboratory assistant acting at the request of a peace officer may withdraw blood for the purpose of determining the presence of alcohol or controlled substance. This limitation does not apply to the taking of a breath or urine sample. The person tested has the right to have someone of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a peace officer; provided, that the additional test sample on behalf of the person is obtained at the place where the person is in custody, after the test administered at the direction of a peace officer, and at no expense to the state. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission in evidence of the test taken at the direction of a peace officer unless the additional test was prevented or denied by the peace officer. The physician, medical technician, physician's trained mobile intensive care paramedic, medical technologist, laboratory assistant, or registered nurse drawing blood at the request of a peace officer for the purpose of determining alcohol concentration shall in no manner be liable in any civil or criminal action except for negligence in drawing the blood. The person administering a breath test shall be fully trained in the administration of breath tests pursuant to training given by the commissioner of public safety or the commissioner of transportation.

Subd. 7. [REFUSAL TO PERMIT TEST; CEASE AND DESIST ORDER.] If a person under arrest refuses to permit chemical testing, none shall be given, but the commissioner of transportation, upon the receipt of a certificate of the peace officer that the officer had reasonable and probable grounds to believe the arrested person had been operating or attempting to operate an aircraft in violation of section 4 and that the person had refused to permit the test, shall issue a cease and desist order prohibiting the operation of an aircraft for a period of one year.

Subd. 8. [NOTICE OF CEASE AND DESIST ORDER; REQUEST FOR HEARING.] No cease and desist order under subdivision 7 shall be made until the commissioner notifies the person by certified mail of intention to issue a cease and desist order and allows the

person a 20-day period after the date of receiving the notice to request of the commissioner, in writing, a hearing as herein provided. If no request is filed within the 20-day period, the commissioner may then issue a cease and desist order. However, if a request for hearing is filed, no cease and desist order shall be made until final judicial determination resulting in an adverse decision to the person.

Subd. 9. [HEARING.] The hearing shall be before a district court in the county where the arrest occurred, unless there is agreement that the hearing may be held in some other county. The hearing shall be recorded and proceed as in a criminal matter, without the right of trial by jury, and its scope shall cover the issues of whether the peace officer had reasonable and probable grounds to believe the person was operating or attempting to operate an aircraft in violation of section 4; whether the person was lawfully placed under arrest; whether the person refused to permit the test, and if the person refused whether the person had reasonable grounds for refusing to permit the test; and whether at the time of request for the test the peace officer informed the person that the right to fly might be denied if the person refused to permit the test and of the right to have additional tests made by someone of the person's own choosing. The court shall order either that the denial be rescinded or sustained and refer the order to the commissioner of transportation for further action.

Subd. 10. [NOTICE OF ACTION TO OTHER STATES.] When it has been finally determined that a nonresident's privilege to operate an aircraft in this state has been denied, the commissioner shall give information in writing of the action taken to the appropriate federal authorities and any state in which the nonresident operates an aircraft or has a license to operate an aircraft.

Sec. 13. [57.12] [CANCELLATION.]

A customer of a general or individual mortgage broker who pays a fee before the loan is actually funded has an unconditioned right to rescind the contract for mortgage brokerage services before midnight of the third business day after the day the contract was signed. Cancellation is evidenced by the customer giving written notice of cancellation to the general mortgage broker at the address stated in the contract. Notice of cancellation, if given by mail, is effective upon deposit in a mailbox properly addressed to the general mortgage broker with postage prepaid. Notice of cancellation need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the customer not to be bound by the contract. A customer of a general or individual mortgage broker may not waive the right to rescind provided in this section.

Sec. 14. [57.13] [RIGHT TO USE TERMS.]

A person making or brokering a mortgage loan, including a person exempt from the licensing requirements of this chapter, may not advertise or represent that the person is a mortgage banker,

Employees of exempt persons who hold a loan originator's or individual mortgage broker's license shall comply with the requirements of this chapter as if they were licensed to a mortgage banker or general mortgage broker.

Sec. 16. [57.15] [RESPONSIBILITY FOR EMPLOYEES.]

The report shall be made within a reasonable time after the person has knowledge of the violation. The commissioner shall prescribe the manner and form of the report. The making of a report of a violation to the commissioner is not grounds for any action for libel, slander, or defamation by an employee against an employer or former employer, unless the employer knows that the report is false or acts with reckless disregard for the truth or falsity of the report.

Sec. 18. [57.17] [RULES.]

"ARTICLE 1
GENERAL EDUCATION

Section 1. Minnesota Statutes 1988, section 124.14, subdivision 7, is amended to read:

Subd. 7. [APPROPRIATION TRANSFERS.] If a direct appropriation from the general fund to the department of education for any education aid or grant authorized in this chapter and chapters 121, 123, ~~124A~~, 125, 126, 129B, and 134 exceeds the amount required, the commissioner of education may transfer the excess to any education aid or grant appropriation that is insufficient. ~~However, section 124A.032 applies to a deficiency in the direct appropriation for general education aid.~~ Excess appropriations shall be allocated proportionately among aids or grants that have insufficient appropriations. An excess in the direct appropriation for general education aid authorized in chapter 124A must revert to the general fund, and a deficiency must be funded as provided in section 124A.032. The commissioner of finance shall make the necessary transfers among appropriations according to the determinations of the commissioner of education. The commissioner of education shall report appropriation transfers to the education committees of the legislature each year by January 15. If the amount of the direct appropriation for the aid or grant plus the amount transferred according to this subdivision is insufficient, the commissioner shall prorate the available amount among eligible districts. The state is not obligated for any additional amounts.

Sec. 2. Minnesota Statutes 1988, section 124.195, is amended by adding a subdivision to read:

Subd. 12. [AID ADJUSTMENT FOR TRA CONTRIBUTION RATE CHANGE.] (a) Beginning in fiscal year 1991 and continuing each year thereafter, aids paid to school districts, education cooperative service units, special education cooperatives, secondary vocational cooperatives, regional management information centers, or another unit providing elementary or secondary education services must be reduced by the department of education by an amount equal to the following percent of salaries paid by the unit to members of the teachers retirement association established in chapter 354, except that salaries paid to members of this association who are employed by technical colleges must be excluded from this calculation:

(1) in fiscal year 1991, 0.84 percent,

(2) in fiscal year 1992 and later years, the greater of

(i) zero, or

(ii) 4.48 percent less the additional employer contribution rate established by the board of trustees under section 354.42, subdivision 5.

(b) In fiscal year 1991, this reduction is estimated to equal \$14,260,000.

Sec. 3. Minnesota Statutes Second 1989 Supplement, section 124A.03, subdivision 2, is amended to read:

Subd. 2. [REFERENDUM LEVY.] (a) The levy authorized by section 124A.23, subdivision 2, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum must be held on the first Tuesday after the first Monday in November. However, in a district where a referendum levy that has been authorized before the effective date of this section expires and results in a district having no remaining referendum authority, a referendum to reauthorize the expiring levy may be held on a date determined by the school board that complies with the requirements of section 205A.05. The referendum to reauthorize may be held only once, and a district holding a referendum to reauthorize must not hold in the same calendar year another referendum of any kind authorized by this subdivision. The amount of the reauthorized levy must not exceed the amount certified in the last year the expiring levy was certified. The ballot shall state the maximum amount of the increased levy as a percentage of net tax capacity, the amount that will be raised by that tax capacity rate in the first year it is to be levied, and that the tax capacity rate shall be used to finance school operations. The ballot shall designate the specific number of years for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

“Shall the increase in the levy proposed by (petition to) the board of, School District No. . . ., be approved?”

If approved, the amount provided by the approved tax capacity rate applied to the net tax capacity for the year preceding the year the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at

least 15 days but no more than 30 days prior to the day of the election to each taxpayer at the address listed on the school district's current year's assessment roll, a notice of the referendum and the proposed levy increase. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "In 1989 the legislature reduced property taxes for education by increasing the state share of funding for education. However, state aid for cities and townships was reduced by a corresponding amount. As a result, property taxes for cities and townships may increase. Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction election may be held to revoke or reduce a levy for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Sec. 4. Minnesota Statutes Second 1989 Supplement, section 124A.26, subdivision 1, is amended to read:

Subdivision 1. [REVENUE REDUCTION.] A district's general education revenue for a school year shall be reduced if the estimated net unappropriated operating fund balance as of June 30 in the second prior school year exceeds \$600 times the actual fund balance pupil units in the prior year. In this subdivision only, "fund balance pupil units" means the number of pupil units in average daily membership attending in the district. The amount of the reduction shall equal the lesser of:

- (1) the amount of the excess, or
- (2) \$150 times the actual pupil units for the school year.

The final adjustment payments made under section 124.195, subdivision 6, must be adjusted to reflect actual net operating fund balances as of June 30 of the prior school year.

Sec. 5. [FORMULA ALLOWANCE ASSUMPTIONS.]

Notwithstanding Minnesota Statutes, section 16A.10, the department of education shall prepare and the governor shall submit to the legislature a detailed budget under section 16A.11 that includes an education aids budget change request based on a basic revenue formula allowance of \$3,071 per pupil unit and a supplemental revenue allowance of \$386 per pupil unit for fiscal year 1992. The governor shall include a specific recommendation regarding the general education formula allowance for fiscal year 1992 as part of the governor's budget submittal to the 1991 legislature.

Sec. 6. [SCHOOL DISTRICT LEVY REFERENDUM.]

Notwithstanding Minnesota Statutes, section 124A.03, subdivision 2, independent school districts Nos. 118, Remer, 622, North St. Paul-Maplewood, and 656, Faribault, may conduct before November 1990 a levy referendum authorized by that section.

Sec. 7. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day following final enactment. Section 6 is effective the day after the governing bodies of independent school districts Nos. 118, Remer, 622, North St. Paul-Maplewood, and 656, Faribault, comply with Minnesota Statutes, section 645.021, subdivision 3.

(d) "Regular transportation allowance" for the 1989-1990 school year means the adjusted authorized predicted cost per FTE, inflated pursuant to subdivision 7b.

(e) For purposes of this section, "transportation category" means a category of transportation service provided to pupils:

(1) regular transportation is transportation services provided during the regular school year under section 124.223, clauses (1) and (2), excluding the following transportation services provided under section 124.223, clause (1): transportation between schools; noon transportation to and from school for kindergarten pupils attending half-day sessions; late transportation home from school for pupils involved in after school activities; transportation of pupils to and from schools located outside their normal attendance areas under the provisions of a plan for desegregation mandated by the state

board of education or under court order; and transportation of elementary pupils to and from school within a mobility zone;

(f) "Mobile unit" means a vehicle or trailer designed to provide facilities for educational programs and services, including diagnostic testing, guidance and counseling services, and health services. A mobile unit located off nonpublic school premises is a neutral site as defined in section 123.932, subdivision 9.

(g) "Current year" means the school year for which aid will be paid.

(h) "Base year" means the second school year preceding the school year for which aid will be paid.

(i) "Base cost" for the 1986-1987 and 1987-1988 base years means the ratio of:

(1) the sum of:

(i) the authorized cost in the base year for regular transportation as defined in clause (b), plus

(ii) the actual cost in the base year for excess transportation as defined in paragraph (e), clause (3),

(2) to the sum of:

(i) the number of FTE pupils transported in the regular category in the base year, plus

(ii) the number of FTE pupils transported in the excess category in the base year.

(j) Base cost for the 1988-1989 base year and later years means the ratio of:

(1) the sum of the authorized cost in the base year for regular transportation as defined in clause (b) plus the actual cost in the base year for excess transportation as defined in clause (e);

(2) to the sum of the number of weighted FTE pupils transported in the regular and excess categories in the base year.

(k) "Predicted base cost" for the 1986-1987 and 1987-1988 base years means the base cost as predicted by subdivision 3.

(l) "Predicted base cost" for the 1988-1989 base year and later years means the predicted base cost as computed in subdivision 3a.

(m) "Pupil weighting factor" for the excess transportation category for a school district means the lesser of one, or the result of the following computation:

(1) divide the square mile area of the school district by the number of FTE pupils transported in the regular and excess categories in the base year;

(2) raise the result in clause (1) to the one-fifth power;

(3) divide four-tenths by the result in clause (2).

The pupil weighting factor for the regular transportation category is one.

(n) "Weighted FTE's" means the number of FTE's in each transportation category multiplied by the pupil weighting factor for that category.

(o) "Sparsity index" for a school district means the greater of .005 or the ratio of the square mile area of the school district to the sum of the number of weighted FTE's transported by the district in the regular and excess categories in the base year.

Sec. 2. Minnesota Statutes 1989 Supplement, section 124.225, subdivision 3a, is amended to read:

Subd. 3a. [PREDICTED BASE COST.] A district's predicted base cost for the 1988-1989 base year and later years equals the result of the following computation:

(a) Multiply the transportation formula allowance by the district's sparsity index raised to the one-fourth power. The transportation formula allowance is \$406 for the 1988-1989 base year and \$421 for the 1989-1990 base year.

(b) Multiply the result in clause (a) by the district's density index raised to the 35/100 power.

(c) Multiply the result in clause (b) by the district's contract transportation index raised to the 1/20 power.

Sec. 3. Minnesota Statutes 1989 Supplement, section 124.225, subdivision 8k, is amended to read:

Subd. 8k. [CONTRACTED SERVICES AID REDUCTION.] (a) Each year, a district's transportation aid shall be reduced according to the provisions of this subdivision, if the district contracted for some or all of the transportation services provided in the regular category.

(b) For the 1988-1989 and 1989-1990 school years, the department of education shall compute this subtraction by conducting the multiple regression analysis specified in subdivision 3 and computing the district's aid under two circumstances, once including the coefficient of the factor specified in subdivision 4b, clause (3), and once excluding the coefficient of that factor. The aid subtraction shall equal the difference between the district's aid computed under these two circumstances.

(c) For 1990-1991 and later school years, the department of education shall determine the subtraction by computing the district's regular transportation revenue, excluding revenue based on the minimum regular transportation allowance, under two circumstances, once including the factor specified in subdivision 3a, clause (c), and once excluding the factor. The aid subtraction equals the difference between the district's revenue computed under the two circumstances.

Sec. 4. Minnesota Statutes 1989 Supplement, section 275.125, subdivision 5e, is amended to read:

Subd. 5e. [EXCESS TRANSPORTATION LEVY.] A school district may make a levy for excess transportation costs according to this subdivision. The amount of the levy shall be the result of the following computation:

(a) Multiply the lesser of (1) the regular transportation allowance for the fiscal year to which the levy is attributable, or (2) the base cost for the fiscal year to which the levy is attributable, by the number of weighted FTE pupils transported in the excess category in the district in the current school year.

(b) Add to the result in paragraph (a) the actual cost in the fiscal year to which the levy is attributable of other related services that are necessary because of extraordinary traffic, drug, or crime hazards.

ARTICLE 3

SPECIAL PROGRAMS

Section 1. Minnesota Statutes 1988, section 121.88, subdivision 6, is amended to read:

Subd. 6. [PROGRAMS FOR HANDICAPPED ADULTS WITH DISABILITIES.] A school board may offer, as part of a community education program, a program for handicapped adults with disabilities. Boards are encouraged to offer programs cooperatively with other districts and organizations. Programs may not be limited to district residents. Programs may include:

- (1) services enabling the adults to participate in community activities or community education classes;
- (2) classes specifically for handicapped adults with disabilities;
- (3) outreach activities to identify adults needing service;
- (4) activities to increase public awareness of the roles of handicapped people with disabilities;
- (5) activities to enhance the role of handicapped people with disabilities in the community; and
- (6) other direct and indirect services and activities benefiting handicapped adults with disabilities.

Sec. 2. Minnesota Statutes 1989 Supplement, section 124.19, subdivision 7, is amended to read:

Subd. 7. [ALTERNATIVE PROGRAMS.] (a) This subdivision applies to an alternative program that has been approved by the state board of education pursuant to Minnesota Rules, part 3500.3500, as exempt from Minnesota Rules, part 3500.1500, requiring a school day to be at least six hours in duration.

(b) To receive general education revenue for a pupil in an alternative program, a school district must meet the requirements in this paragraph. The program must be approved by the commissioner of education. In approving a program, the commissioner may use the process used for approving state designated area learning centers under section 129B.56.

(c) In addition to the requirements in paragraph (b), to receive general education revenue for a pupil in an alternative program that has an independent study component, a school district must meet the requirements in this paragraph.

~~For a course having an independent study component, the pupil must complete coursework and receive credit for each course for which the aid is claimed.~~

The school district must develop with the pupil a continual learning plan for the pupil. A district must allow a minor pupil's

parent or guardian to participate in developing the plan, if the parent or guardian wants to participate. The plan must identify the learning experiences and expected outcomes needed for satisfactory credit for the year and for graduation. The plan must be updated each year.

General education revenue for a pupil in an approved alternative program without an independent study component must be prorated for a pupil participating for less than a full school year, or its equivalent.

General education revenue for a pupil in an approved alternative program that has an independent study component must be prorated for a pupil receiving fewer than six credits in a year.

For an alternative program having an independent study component, the commissioner shall require a description of the courses in the program, the kinds of independent study involved, the expected learning outcomes of the courses, and the means of measuring student performance against the expected outcomes.

A Beginning with the 1989-1990 school year, and each school year thereafter, an independent study credit for a year in an approved alternative program shall, for the purposes of audit, be considered to be 170 hours of teacher contact time and independent study time satisfactorily completed coursework.

General education revenue for a pupil enrolled in an independent study course may be claimed for each hour of teacher contact time and each hour of satisfactory coursework completed toward a credit necessary for graduation.

Sec. 3. [124.325] [ALTERNATIVE DELIVERY OF SPECIALIZED INSTRUCTIONAL SERVICES.]

Subdivision 1. [COMMISSIONER APPROVAL.] (a) The commissioner of education may approve proposals submitted by independent school district No. 625, St. Paul, and up to nine additional school districts for a program to reorganize the delivery of specialized instructional services during the 1990-1991, 1991-1992, and 1992-1993 school years. The objective of the program must be to provide services under an experimental model for pupils who:

(1) based on documented experiences, would probably be identified for special education and related services under section 120.17, if the early intervention services and programs were not provided;
or

(2) are eligible for special education and related services under section 120.17.

(b) Pupils may be provided services during extended school days or throughout the entire year.

Subd. 2. [PUPILS' RIGHTS.] Any pupil participating in this program must be individually evaluated based upon the pupil's actual abilities and needs. A pupil who is eligible for services under section 120.17 is entitled to procedural protections similar to those procedural protections provided under Public Law Number 94-142 in any matter that affects the identification, evaluation, placement, or change in placement of a pupil. A participating district must ensure the protection of a pupil's civil rights, provide equal educational opportunities, and prohibit discrimination. Failure to comply with this subdivision will at least cause a district to become ineligible to participate in this program. Notwithstanding subdivision 5, a pupil's rights under this subdivision cannot be waived.

Subd. 3. [PROPOSAL CONTENTS.] The proposal must set forth:

(1) a detailed description of the experimental program and instructional services for eligible pupils, as defined in section 124.311, subdivision 3, and handicapped pupils, as defined in section 120.03;

(2) the specific criteria used to select individual pupils for the program;

(3) a description of the methods used to involve parents of pupils in the program;

(4) the staff, equipment, procedures, and monitoring needed to implement the program;

(5) staff development plans for teachers who are affected by the program;

(6) annual review and evaluation procedures conducted by an impartial evaluator whose selection is agreed upon by the district submitting the proposal and the commissioner; and

(7) any other information requested by the commissioner.

Subd. 4. [ANNUAL REPORT.] Each year the district must submit to the commissioner a report containing the information set forth in section 124.311, subdivision 7.

Subd. 5. [RULE WAIVER.] To the extent a rule of the state board of education impedes implementation of an approved alternative delivery system, it is waived for the 1990-1991, 1991-1992, and 1992-1993 school years. The commissioner shall identify rules that are waived.

Subd. 6. [REVENUE AVAILABLE.] For fiscal year 1991, a district with an approved program shall receive the sum of the revenue it received for fiscal year 1990 for its special education program under sections 124.32, subdivisions 1b, 2, 5, and 10; and 275.125, subdivision 8c, multiplied by an inflation adjustment factor of 1.03. For each of fiscal years 1992 and 1993, the amount to be paid to a district with an approved program must be the amount paid for the previous fiscal year multiplied by an inflation adjustment factor of 1.03.

For fiscal years 1991, 1992, and 1993, the ratio of aid payments for special education under section 124.32, subdivisions 1b, 2, 5, and 10, to the levy for special education salaries under section 275.125, subdivision 8c, equals the ratio for fiscal year 1990.

For any fiscal year, aid for a district with an approved program must be prorated in the same manner that special education aid is prorated for other districts.

For fiscal years 1991, 1992, and 1993, the state must not pay a district with an approved program any aid under section 124.32, subdivisions 1b, 2, 5, and 10, and the district must not levy under section 275.125, subdivision 8c, except for secondary vocational handicapped teacher salaries, limited English proficiency teacher salaries, deficiencies, and other adjustments for previous years.

Sec. 4. Minnesota Statutes 1989 Supplement, section 124.573, subdivision 2d, is amended to read:

Subd. 2d. [ADMINISTRATION.] In making the computation in subdivision 2b, paragraph (a), clause (1), the salaries of ~~the administrator and administrators~~, support service ~~facilitator~~ facilitators, vocational evaluators, and supplemental support staff/technical tutors must be apportioned among programs based on the number of full-time-equivalent instructors in each program.

Grants to qualifying districts for the salary cost of a student service specialist must not exceed \$20,000 and must be reduced proportionately for less than full-time service. To the extent qualified proposals are received, at least 50 percent of the available appropriation must be used in cities of the first class.

Subd. 6. [SCHOOL/COMMUNITY GRANTS.] For school/community grants according to section 11:

\$425,000 1991

\$100,000 of this amount is for up to 20 planning grants of up to \$5,000 each.

\$300,000 of this amount is for implementation grants of up to \$50,000 each to six of the 20 sites receiving planning grants.

\$25,000 is for evaluation of the six sites receiving implementation grants.

Subd. 7. [EVALUATING PREVENTION STRATEGIES.] For evaluating prevention strategies being implemented by districts;

FACILITIES

Section 1. Minnesota Statutes 1988, section 121.148, is amended to read:

121.148 [SCHOOL DISTRICT CONSTRUCTION.]

Subdivision 1. [COMMISSIONER APPROVAL.] In determining whether to give a school facility a positive, negative, or unfavorable review and comment, the commissioner must evaluate the proposals for facilities using the information provided under section 121.15, subdivision 7.

Subd. 2. [POSITIVE REVIEW AND COMMENT.] If the commissioner submits a positive review and comment for a proposal according to section 121.15, the school board may proceed with the construction according to the requirements of applicable laws.

Subd. 2 3. [NEGATIVE REVIEW AND COMMENT.] If the commissioner submits a negative review and comment for a proposal according to section 121.15, the school board, by resolution of the board, shall reconsider must not proceed with construction.

Subd. 4. [UNFAVORABLE REVIEW AND COMMENT.] If the commissioner submits an unfavorable review and comment for a proposal under section 121.15, the school board, by resolution of the board, must reconsider construction. If, upon reconsideration, the school board decides to proceed with construction, it may initiate proceedings for issuing bonds to finance construction under sections 475.51 to 475.76. Unless 60 percent of the voters at the election approve of issuing the obligations, the board is not authorized to issue the obligations.

Sec. 2. Minnesota Statutes 1988, section 121.15, subdivision 1, is amended to read:

Subdivision 1. [CONSULTATION.] A school district shall consult with the commissioner of education before developing any plans and specifications to construct, remodel, or improve the building or site of an educational facility, other than a technical institute, for which the estimated cost exceeds \$100,000. This consultation shall occur before a referendum for bonds, solicitation for bids, or use of capital expenditure facilities revenue according to section 124.243, subdivision 6, clause (2). The commissioner may require the district to

participate in a management assistance plan before conducting a review and comment on the project.

Sec. 3. Minnesota Statutes 1989 Supplement, section 121.15, subdivision 2, is amended to read:

Subd. 2. [PLAN SUBMITTAL.] For a project for which consultation is required under subdivision 1, the commissioner, after the consultation required in subdivision 1, may require a school district to submit the following for approval:

(a) two sets of preliminary plans for each new building or addition, and

(b) one set of final plans for each construction, remodeling, or site improvement project. The commissioner shall approve or disapprove the plans within ~~60~~ 90 days after submission.

Final plans shall meet all applicable state laws, rules, and codes concerning public buildings, including sections 16B.59 to 16B.73. The department may furnish to a school district plans and specifications for temporary school buildings containing two classrooms or less.

Sec. 4. Minnesota Statutes 1988, section 121.15, subdivision 7, is amended to read:

Subd. 7. [INFORMATION REQUIRED.] A school board proposing to construct a facility described in subdivision 6 shall submit to the commissioner a proposal containing information including at least the following:

(a) the geographic area proposed to be served, whether within or outside the boundaries of the school district;

(b) the people proposed to be served, including census findings and projections for the next ten years of the number of preschool and school-aged people in the area;

(c) the reasonably anticipated need for the facility or service to be provided;

(d) a description of the construction in reasonable detail, including: the expenditures contemplated; the estimated annual operating cost, including the anticipated salary and number of new staff necessitated by the proposal; and an evaluation of the energy efficiency and effectiveness of the construction, including estimated annual energy costs;

(e) a description of existing facilities within the area to be served and within school districts adjacent to the area to be served; the extent to which existing facilities or services are used; the extent to which alternate space is available, including other school districts, post-secondary institutions, or other public buildings, or other noneducation community resources; and the anticipated effect that the facility will have on existing facilities and services;

(f) the anticipated benefit of the facility to the area;

(g) if known, the relationship of the proposed construction to any priorities that have been established for the area to be served;

(h) the availability and manner of financing the facility and the estimated date to begin and complete the facility;

(i) desegregation requirements that cannot be met by any other reasonable means; and

(j) the relationship of the proposed facility to the cooperative integrated learning needs of the area; and

(k) the estimated effects of the proposed facility on the district's operating budget.

Sec. 5. [121.1502] [INSPECTION OF PUBLIC SCHOOLS.]

Subdivision 1. [INSPECTION.] The commissioner and the state fire marshal shall develop a plan to inspect once every three years every public school facility used for educational purposes. Inspections must begin during the 1990-1991 school year. The plan must provide for continued inspection by local units of government of public school facilities that have been inspected by a local unit of government between January 1, 1987 and January 1, 1990, and may provide for inspections by local units of government in other situations. Each inspection report must be filed with the commissioner, the local school board, and the state fire marshal. Notwithstanding section 299F.011, subdivisions 5a and 5b, a variance from the code must be approved by the state fire marshal before taking effect. The state board may request that the state fire marshal inspect a particular school facility.

Subd. 2. [CONTRACTING.] The commissioner may contract with the state fire marshal to provide the inspections provided in subdivision 1.

Sec. 6. [121.1505] [UNSAFE SCHOOL FACILITIES.]

Subdivision 1. [SCHOOL BOARD COMPLIANCE.] A school board must comply with all school facility inspection orders issued

under section 5 or this section. In this section, "school facility" means property used by a school district for educational purposes regardless of whether the property is owned, leased, or otherwise used by the district.

Subd. 2. [REMEDY REQUIRED.] Until September 1, 1991, the commissioner shall require a school district to remedy a condition that causes the school facility to be unsafe or unfit for use due to imminent danger to occupants, or conditions that threaten the life, health, or safety of the occupants. After September 1, 1991, the commissioner shall require a school district to remedy a condition that violates the rules adopted under subdivision 5.

Subd. 3. [CONDEMNATION.] If a school district does not comply with the school facility inspection orders issued by the state fire marshal, local fire official, or commissioner, the commissioner must order a remedy as follows:

(a) If practical, the commissioner shall order repairs to the facility. The commissioner must determine what costs for repairs must be paid out of the district's current capital budget, and must require the district to levy for the remaining repairs under section 124.83, subdivision 4, or order the district to issue general obligation bonds without an election to provide money immediately to make the necessary repairs. If the district sells bonds, each year the district must pledge an attributable share of its health and safety revenue to the repayment of the principal and interest on the bonds. The pledged revenue must be transferred to the debt redemption fund of the district. The commissioner must approve the district's proposed repayment schedule for bonds issued.

(b) If the commissioner determines that repairs are not practical, the commissioner must condemn the school facility and specify the date by which the facility must be vacated.

(c) If the commissioner condemns a school facility, the commissioner must require the school district to submit a plan to provide replacement facilities or otherwise to provide for the education of the pupils attending school in the facility. If the district does not submit a workable plan to replace the facilities or to provide for the education of the pupils attending school in the facility, the commissioner may determine how the district's facilities needs shall be met. The commissioner may order the district to build a new facility and require the district to issue obligations under chapter 475, notwithstanding the local approval requirement of section 475.58. The publication procedures of section 121.15, subdivision 9, do not apply to bonds issued under this paragraph. The commissioner must approve both the plan for the replacement facility and the proposed location of the facility.

(d) If the commissioner determines that the school facility cannot

be repaired or replaced or that the district cannot otherwise meet its facilities needs and that the district refuses to otherwise provide for the education of the pupils attending school in that facility, the commissioner may dissolve the district under section 122.22, subdivision 2. The dissolution may proceed without voter approval and without approval of the affected school boards.

Subd. 4. [DISTRICT APPEAL.] A school board may appeal the commissioner's order to condemn by filing a notice of appeal with the commissioner within 30 days of the day the district receives the commissioner's order. An appeal must be heard as a contested case under sections 14.57 to 14.62. The appealing school district must pay for the costs of the services of the office of administrative hearings for the contested case. However, if the district prevails in its appeal, the commissioner shall reimburse the district for the costs of the services of the office of administrative hearings.

A prevailing district must resubmit a plan to remedy all conditions cited by an inspector issuing school facilities inspection orders to the district.

Subd. 5. [RULES.] By September 1, 1991, the state board must adopt rules establishing criteria for determining if school facilities are unsafe or unfit for use.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 124.2442, subdivision 1, is amended to read:

Subdivision 1. [INSUFFICIENT FUNDS.] If the total appropriation for capital expenditure equipment aid or capital expenditure facilities aid for any fiscal year, plus any amount transferred under section 124.14, subdivision 7, is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's capital expenditure facilities and equipment revenue according to the calculations in subdivisions 2 to 4.

Sec. 8. Minnesota Statutes 1989 Supplement, section 124.38, subdivision 7, is amended to read:

Subd. 7. [MAXIMUM EFFORT DEBT SERVICE LEVY.] "Maximum effort debt service levy" means the lesser of:

(1) A levy in whichever of the following amounts is applicable:

(a) In any school district granted a debt service loan after June 30, 1990, or granted a capital loan that is approved after June 30, 1990, a levy in a total dollar amount computed as a rate of 20 percent of adjusted net tax capacity for taxes payable in 1991 and thereafter;

(b) In any school district granted a debt service loan after July 31,

1981, or granted a capital loan which is approved after July 31, 1981, a levy in a total dollar amount computed as a gross tax capacity rate of 13.08 percent on the adjusted gross tax capacity for taxes payable in 1990 or a net tax capacity rate of 16.27 percent on the adjusted net tax capacity for taxes payable in 1991 and thereafter;

(b) (c) In any school district granted a debt service loan before August 1, 1981, or granted a capital loan which was approved before August 1, 1981, a levy in a total dollar amount computed as a gross tax capacity rate of 12.26 percent on the adjusted gross tax capacity for taxes payable in 1990 or a net tax capacity rate of 15.26 percent on the net tax capacity for taxes payable in 1991 and thereafter, until and unless the district receives an additional loan; or

(2) A levy in whichever of the following amounts is applicable:

(a) In any school district which received a debt service or capital loan from the state before January 1, 1965, a levy in a total dollar amount computed as 4.10 mills on the market value in each year, unless the district applies or has applied for an additional loan subsequent to January 1, 1965, or issues or has issued bonds on the public market, other than bonds refunding state loans, subsequent to January 1, 1967;

(b) In any school district granted a debt service or capital loan between January 1, 1965, and July 1, 1969, a levy in a total dollar amount computed as 5½ mills on the market value in each year, until and unless the district receives an additional loan;

(c) In any school district granted a debt service or capital loan between July 1, 1969, and July 1, 1975, a levy in a total dollar amount computed as 6.3 mills on market value in each year until and unless the district has received an additional loan;

(d) In any school district for which a capital loan was approved prior to August 1, 1981, a levy in a total dollar amount equal to the sum of the amount of the required debt service levy and an amount which when levied annually will in the opinion of the commissioner be sufficient to retire the remaining interest and principal on any outstanding loans from the state within 30 years of the original date when the capital loan was granted; provided, that the school board in any district affected by the provisions of clause (2)(d) may elect instead to determine the amount of its levy according to the provisions of clause (1); provided further that if a district's capital loan is not paid within 30 years because it elects to determine the amount of its levy according to the provisions of clause (2)(d), the liability of the district for the amount of the difference between the amount it levied under clause (2)(d) and the amount it would have levied under clause (1), and for interest on the amount of that

difference, shall not be satisfied and discharged pursuant to section 124.43, subdivision 4.

Sec. 9. [124.431] [CAPITAL LOANS.]

Subdivision 1. [CAPITAL LOAN REQUESTS AND USES.] Capital loans are available only to qualifying districts. Capital loans must not be used for the construction of swimming pools, ice arenas, athletic facilities, auditoriums, day care centers, bus garages or heating system improvements. Proceeds of the loans may be used only for sites for school buildings and for acquiring, bettering, furnishing, or equipping school buildings. Contracts must be entered into within 18 months after the date on which each loan is granted. Beginning with capital loans granted after June 30, 1988, the state board must grant a reasonable extension to the 18 month limit for a district whose financing is delayed.

Subd. 2. [DISTRICT REQUEST FOR REVIEW AND COMMENT.] A school district that intends to apply for a capital loan must submit a proposal to the commissioner for review and comment according to section 121.15 on or before July 1. The commissioner must prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility.

Subd. 3. [DISTRICT APPLICATION FOR CAPITAL LOAN.] The school board of a district desiring a capital loan shall adopt a resolution stating the amount proposed to be borrowed, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the loan is requested will be contracted for and completed. Applications for loans must be accompanied by a copy of the adopted board resolution.

Applications must be in the form and accompanied by the additional data required by the commissioner. Applications must be received by the commissioner by November 1. A district must resubmit an application each year. Capital loan applications that do not receive voter approval or are not approved in law cancel July 1 of the year following application. When an application is received, the commissioner shall obtain from the commissioner of revenue the information in the revenue department's official records that is required to be used in computing the debt limit of the district under section 475.53, subdivision 4.

Subd. 4. [STATE BOARD REVIEW; INDIVIDUAL DISTRICT PROPOSALS.] By January 1 of each year, the state board must review all applications for capital loans that have received a positive review and comment. The state board may either approve or reject an application for a capital loan. To approve the application the state board must determine that:

- (1) the capital loan application has met all required timelines;
- (2) the facilities are needed for pupils for whom no adequate facilities exist or will exist;
- (3) the district will serve, on average, at least 80 pupils per grade or is eligible for sparsity revenue;
- (4) no form of cooperation with another district would provide the necessary facilities;
- (5) no existing facilities that would meet the district's educational needs could be purchased or leased from any other source within the area;
- (6) the facilities are comparable in size and quality to facilities recently constructed in other districts of similar enrollments;
- (7) the district's need for facilities is comparable to facilities in other districts that are financed through local bond issues; and
- (8) the district is projected to maintain or have an increase in its average daily membership over the next ten years or is eligible for sparsity revenue.

The state board may approve a capital loan application in a reduced amount or change the application to meet any of the foregoing criteria.

Subd. 5. [STATE BOARD REVIEW; MULTIPLE DISTRICT PROPOSALS.] In addition to the requirements of subdivision 4, the state board may place additional requirements on projects that are designed to serve more than one district. These requirements may include but not be limited to:

- (1) limiting or increasing the number of districts that plan to use the facility;
- (2) location of the facility;
- (3) formation of a joint powers agreement among the participating districts;
- (4) determination of which district, or group of districts acting under a joint powers agreement, will be responsible for issuing the bonds;
- (5) determination of contributions by districts that are not directly responsible for issuance of the bonds; and

(6) minimum lengths of time that participating districts must contribute to the repayment of the bonds.

Subd. 6. [RECOMMENDATIONS OF THE COMMISSIONER.] The commissioner shall examine and consider applications for capital loans that have been approved by the state board of education, and promptly notify any district rejected by the state board of the state board's decision.

The commissioner shall make recommendations concerning each capital loan that has been approved by the state board and that has received voter approval to the education committees of the legislature by February 1 of each year. The commissioner must not recommend a capital loan that has not received voter approval. The commissioner shall also report on the money remaining in the capital loan account and, if necessary, request that another bond issue be authorized.

Subd. 7. [LEVY LIMITATION.] A district's maximum effort levy is 20 percent of adjusted net tax capacity.

Subd. 8. [LOAN AMOUNT LIMITS.] (a) A loan must not be recommended for approval for a district exceeding an amount computed as follows:

(1) the amount requested by the district under subdivision 3;

(2) plus the aggregate principal amount of general obligation bonds of the district outstanding on June 30 of the year following the year the application was received, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 305 percent of its adjusted net tax capacity as most recently determined, whichever is less;

(3) less the maximum net debt permissible for the district on December 1 of the year the application is received, under the limitation in section 475.53, subdivision 4, or 305 percent of its adjusted net tax capacity as most recently determined, whichever is less;

(4) less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4.

(b) The loan may be approved in an amount computed as provided in paragraph (a), clauses (1) to (3), subject to later reduction according to paragraph (a), clause (4).

Subd. 9. [LEGISLATIVE ACTION.] Each capital loan must be approved in a law.

If the aggregate amount of the capital loans exceeds the amount that is or can be made available, the commissioner shall allot the available amount among any number of qualified applicant districts, according to the commissioner's judgment and discretion, based upon the districts' respective needs.

Subd. 10. [DISTRICT REFERENDUM.] After receipt of the review and comment on the project and before February 1, the question authorizing the borrowing of money for the facilities must be submitted by the school board to the voters of the district at a regular or special election. The question submitted must state the total amount to be borrowed from all sources. Approval of a majority of those voting on the question is sufficient to authorize the issuance of the obligations on public sale in accordance with chapter 475. The district shall mail to the commissioner of education a certificate by the clerk showing the vote at the election.

Subd. 11. [CONTRACT.] Each capital loan must be evidenced by a contract between the school district and the state acting through the commissioner. It must obligate the state to pay to the district on a reimbursement basis, out of the maximum effort school loan fund, for eligible capital expenses for construction of the facility for which the loan is granted an amount computed as provided in subdivision 6. The commissioner must receive from the school district a certified resolution of the school board reciting that contracts for construction of the facilities for which the loan is granted have been awarded and that bonds of the district have been issued and sold in the amount necessary to pay all costs of construction in excess of the amount of the loan, and estimating the costs. It must obligate the district to repay the loan out of the excesses of its maximum effort debt service levy over its required debt service levy, including interest at a rate equal to the weighted average annual rate payable on Minnesota state school loan bonds issued for the project and disbursed to the school district on a reimbursement basis but in no event less than 3-1/2 percent per year on the principal amount from time to time unpaid. The district shall each year, as long as it is indebted to the state, levy for debt service (i) the amount of its maximum effort debt service levy or (ii) the amount of its required debt service levy, whichever is greater, except as the required debt service levy may be reduced by a loan under section 124.42. When the maximum effort debt service levy is greater, the district shall remit to the commissioner within ten days after its receipt of the last regular tax distribution in each year, that part of the debt service tax collections, including penalties and interest that exceeded the required debt service levy. The commissioner shall supervise the collection of outstanding accounts due the fund and may, by notice to the proper county auditor require the maximum levy to be made as required in this subdivision. Interest on capital loans must be paid on December 15 of the year after the year the loan is granted and annually in later years. On or before November 1 in each year the commissioner shall notify the county auditor of each county containing taxable

property situated within the school district of the amount of the maximum effort debt service levy of the district for that year. The county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified.

Subd. 12. [LOAN FORGIVENESS.] If a capital loan is not paid within 50 years after it is granted from maximum effort debt service levies in excess of required debt service levies, the liability of the school district on the loan is satisfied and discharged and interest on the loan ceases. After a district's capital loan has been outstanding for 20 years, the district must not issue bonds on the public market except to refund the loan.

Subd. 13. [PARTICIPATION BY COUNTY AUDITOR; RECORD OF CONTRACT; PAYMENT OF LOAN.] The school district shall file a copy of the capital loan contract with the county auditor of each county in which any part of the district is situated. The county auditor shall enter the capital loan, evidenced by the contract, in the auditor's bond register. The commissioner shall keep a record of each capital loan and contract showing the name and address of the district, the date of the contract, and the amount of the loan initially approved. On receipt of the resolution required in subdivision 11, the commissioner shall issue warrants, which may be dispersed in accordance with the schedule in the contract, on the capital loan account for the amount that may be disbursed under subdivision 1. Interest on each disbursement of the capital loan amount accrues from the date on which the state treasurer issues the warrant.

Subd. 14. [BOND SALE LIMITATIONS.] A district having an outstanding state loan must not issue and sell any bonds on the public market, except to refund state loans, unless it agrees to make the maximum effort debt service levy in each later year at the higher rate provided in section 124.38, subdivision 7, and unless it schedules the maturities of the bonds according to section 475.54, subdivision 2. The district shall report each sale to the commissioner of education.

Sec. 10. [124.432] [JOINT POWERS AGREEMENTS FOR MAXIMUM EFFORT SCHOOL AID CAPITAL LOANS.]

Any group of districts may form a joint powers district representing all participating districts to obtain a maximum effort school aid capital loan. The joint powers board may submit an application for a capital loan under section 124.431. The joint powers board must hold a hearing on the capital loan proposal. The joint powers district must submit the question of authorizing the borrowing of funds for the project to the voters of the joint powers district at a special election, which may be held in conjunction with the annual election of the school board members of the member districts. The question submitted shall state the total amount of funding need from all

sources. A majority of those voting in the affirmative on the question is sufficient to authorize the joint powers board to accept a capital loan and to issue the bonds on public sale according to chapter 475. The clerk of the joint powers board must certify the vote of the bond election to the commissioner of education.

Sec. 11. Minnesota Statutes Second 1989 Supplement, section 124.83, subdivision 1, is amended to read:

Subdivision 1. [HEALTH AND SAFETY PROGRAM.] To receive health and safety revenue a district must submit to the commissioner of education an application for aid and levy by June 1 in the previous school year. The application may be for hazardous substance removal, fire code compliance, or life safety repairs. The application must include a health and safety program adopted by the school district board. The program must include the estimated cost of the program by fiscal year. The commissioner must not approve health and safety program revenue in excess of an amount that would cause the 1990 payable 1991 health and safety levy to exceed \$56,000,000 statewide.

Sec. 12. Minnesota Statutes 1989 Supplement, section 124.83, subdivision 6, is amended to read:

Subd. 6. [USES OF HEALTH AND SAFETY REVENUE.] Health and safety revenue may be used only for approved expenditures necessary to correct fire safety hazards, life safety hazards, or for the removal or encapsulation of asbestos from school buildings or property, asbestos-related repairs, cleanup and disposal of polychlorinated biphenyls found in school buildings or property, or the cleanup, removal, disposal, and repairs related to storing heating fuel or transportation fuels such as alcohol, gasoline, fuel oil, and special fuel, as defined in section 296.01. Health and safety revenue must not be used for the construction of new facilities or the purchase of portable classrooms.

Sec. 13. Minnesota Statutes 1989 Supplement, section 275.125, subdivision 11d, is amended to read:

Subd. 11d. [EXTRA CAPITAL EXPENDITURE LEVY FOR LEASING BUILDINGS.] When a district finds it economically advantageous to rent or lease a building, or to purchase a building and site under an installment purchase agreement, lease purchase agreement, or any other deferred payment agreement authorized under section 465-71, for any instructional purposes and it determines that the capital expenditure facilities revenues authorized under section 124.243 are insufficient for this purpose, it may apply to the commissioner for permission to make an additional capital expenditure levy for this purpose. An application for permission to levy under this subdivision must contain financial justification for the proposed levy, the terms and conditions of the proposed lease or

agreement, and a description of the space to be leased or purchased according to any type of deferred payment agreement, and its proposed use. The criteria for approval of applications to levy under this subdivision must include: the reasonableness of the price, the appropriateness of the space to the proposed activity, the feasibility of transporting pupils to the building, conformity of the lease or agreement to the laws and rules of the state of Minnesota, and the appropriateness of the proposed lease or agreement to the space needs and the financial condition of the district. The commissioner must not authorize a levy under this subdivision in an amount greater than the cost to the district of renting or leasing or purchasing a building for approved purposes. The proceeds of this levy must not be used for custodial or other maintenance services or to purchase a building newly constructed under an installment purchase agreement, lease purchase agreement, or any other deferred payment agreement authorized under section 465.71.

Sec. 14. Laws 1959, chapter 462, section 3, subdivision 10, as renumbered, as amended by Laws 1963, chapter 645, section 3, Laws 1967, chapter 661, section 3, Laws 1969, chapter 994, section 1, Laws 1975, chapter 320, section 1, Laws 1980, chapter 525, section 2, and Laws 1989, chapter 329, article 5, section 17, is amended to read:

Subd. 10. [SPECIAL SCHOOL DISTRICT NO. 1; MINNEAPOLIS, CITY OF; EXTENDING BONDING AUTHORITY.] As used in this act the word "project" shall mean any proposed new or enlarged school building site, any proposed new school building or any proposed new addition to a school building, and "undertaking" shall mean any other purpose for which bonds may be issued as authorized in this subdivision. Subject to the limitations of subdivision 11, the special independent school district of Minneapolis may issue and sell bonds with the approval of 53 percent of the electors voting on the question at a general school district election or at a school district election held at the same time and place within the district as a state general or primary election, as determined by the board of education. Subject to the provisions of subdivision 11, the school district may also by a two-thirds majority vote of all the members of its board of education and without any election by the voters of the district, issue and sell in each calendar year bonds of the district in an amount not to exceed one-half of one percent of the assessed value of the taxable property in the district (plus, for calendar year 1990 years 1990 to 1996, an amount not to exceed \$7,500,000; with an additional provision that any amount of bonds so authorized for sale in a specific year and not sold can be carried forward and sold in the year immediately following); provided, however, that the board shall submit the list of projects and undertakings to be financed by a proposed issue to the city planning commission as provided in subdivision 11(c). All bonds of the school district shall be payable in not more than 30 years. The proceeds of the sale of the bonds shall be used only for the rehabilitating, remodeling, expanding and equipping of existing school buildings and for the acquisition of

sites, construction and equipping of new school buildings, and for acquisition and betterment purposes, and no part of the proceeds shall be used for maintenance. The provisions of this act shall apply to the issuance and sale of the bonds and to the purposes for which the bonds may be issued notwithstanding any provisions to the contrary in any other existing law relating thereto.

Sec. 15. Laws 1989, chapter 329, article 5, section 21, subdivision 4, is amended to read:

Subd. 4. [HEALTH AND SAFETY AID.] For health and safety aid according to Minnesota Statutes, section 124.83, subdivision 5:

\$8,168,000 1990

\$10,796,000 1991

The 1990 appropriation includes \$8,168,000 for 1990.

The 1991 appropriation includes \$1,442,000 for 1990 and \$9,354,000 for 1991.

Up to \$15,000 of the 1991 appropriation may be used for the state board task force under section 19.

Subdivision 1. [MEMBER DISTRICT REFERENDUM LEVIES.]

(a) As of the date that an education district first certifies general education revenue, the authorization for a referendum levy previously approved by the voters of a member district in that education district under section 124A.03 is canceled.

(b) The education district may certify to the department of education an amount equal to the combined dollar amount of the referendum authorized by each of the member districts for the year before the date that the education district first certifies general education revenue, unless the amount of revenue that the education district may certify is modified under subdivision 2.

Subd. 2. [REFERENDUM LEVY.] (a) The amount of general education revenue certified by an education district board under section 124B.10 may be increased in any amount that is approved by the voters of the education district at a referendum called for the purpose. The ballot shall designate a specific number of years for which the referendum authorization applies. The ballot may contain a text with the information required in this subdivision and a question stating substantially the following:

“Shall the increase in the levy proposed by (petition to) the board of Education District No. . . , be approved?”

(b) If approved, the amount provided by the approved tax capacity rate applied to the net tax capacity for the year before the year the levy is certified is authorized for certification for the number of

years approved, if applicable, or until revoked or reduced by the voters of the education district at a later referendum.

(c) The education district board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the election to each taxpayer at the address listed on each member district's current year's assessment roll, a notice of the referendum and the proposed levy increase. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the education district.

(d) The notice must include the following statement: "In 1989, the legislature reduced property taxes for education by increasing the state share of funding for education. However, state aid for cities and townships was reduced by a corresponding amount. As a result, property taxes for cities and townships may increase. Passage of this referendum will result in an increase in your property taxes."

(e) A referendum on the question of revoking or reducing the increased levy amount authorized under paragraph (a) may be called by the education district board and must be called by the education district board upon the written petition of qualified voters of the education district. A levy approved by the voters of the education district under paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. A referendum invoked by petition must be held on the day specified in paragraph (a).

"ARTICLE 1

INCOME, GROSS PREMIUMS, AND FRANCHISE TAXES

Section 1. Minnesota Statutes Second 1989 Supplement, section 60A.15, subdivision 1, is amended to read:

Subdivision 1. [DOMESTIC AND FOREIGN COMPANIES.] (a) On or before April 15, June 15, and December 15 of each year, every domestic and foreign company, including town and farmers' mutual insurance companies and domestic mutual insurance companies, shall pay to the commissioner of revenue installments equal to one-third of the insurer's total estimated tax for the current year. Except as provided in paragraph (b), installments must be based on

a sum equal to two percent of the premiums described in paragraph (c).

(b) For town and farmers' mutual insurance companies and mutual property and casualty insurance companies other than those (i) writing life insurance, or (ii) whose total assets at the end of the preceding calendar year exceed on December 31, 1989, exceeded \$1,600,000,000, the installments must be based on an amount equal to the following percentages of the premiums described in paragraph (c):

(1) for premiums paid after December 31, 1988, and before January 1, 1992, one percent; and

(2) for premiums paid after December 31, 1991, one-half of one percent.

(c) Installments under paragraph (a) or (b) are percentages of gross premiums less return premiums on all direct business received by the insurer in this state, or by its agents for it, in cash or otherwise, during such year, excepting premiums written for marine insurance as specified in subdivision 6.

(d) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section.

Sec. 2. [268.55] [FOOD SHELF ACCOUNT.]

Subdivision 1. [ESTABLISHMENT.] A food shelf account is established in the state general fund to receive contributions designated on income tax returns and property tax refund forms. The state treasurer shall credit all interest earned on the money to the account.

Subd. 2. [DISTRIBUTION OF MONEY.] The commissioner shall periodically distribute money in the account to qualifying food shelf programs. A food shelf program qualifies under this section if (1) it is a nonprofit corporation as defined under section 501(c)(3) of the Internal Revenue Code of 1986 or it operates a food shelf program and uses a section 501(c)(3) nonprofit corporation as its fiscal agent, and (2) it distributes a standard food order to needy individuals. The standard food order must consist of, at least, a two-day supply or six pounds per person of nutritionally balanced food items. A qualifying food shelf program may not limit food distributions to individuals of a particular religious affiliation, race, or other criteria unrelated to need or to requirements necessary to administration of a fair and orderly distribution system. A qualifying food shelf program may

not use the money received or the food distribution program to foster or advance religious or political views. A qualifying food shelf must have a stable address and directly serve individuals in a defined geographic area that is not also served in substantial part by another food shelf. The commissioner shall resolve questions of whether two food shelves are serving in substantial part the same area.

Subd. 3. [APPLICATION.] In order to receive money from the food shelf account, a program must apply to the commissioner. The application must be in a form prescribed by the commissioner and must contain information specified by the commissioner to verify that the applicant is a qualifying food shelf program and the amount the applicant is entitled to receive under subdivision 4. Applications must be filed at the times and for the periods determined by the commissioner.

Subd. 4. [DISTRIBUTION FORMULA.] The commissioner shall distribute the food shelf account money to qualifying food shelf programs in proportion to the number of individuals served by the program during the prior period of its operation. The commissioner shall gather data from applications or other appropriate sources to determine the proportionate amount each qualifying program is entitled to receive. The commissioner may increase or decrease the qualifying program's proportionate amount if the commissioner determines the increase or decrease is necessary or appropriate to meet changing needs or demands.

Subd. 5. [USE OF MONEY.] Money distributed to food shelf programs under this section must be used to purchase food for distribution to needy individuals and families. No more than one percent of the money expended may be used to pay for other expenses, such as transportation, rent, salaries, administrative expenses, and other nonfood purchases. Recipients must retain records documenting expenditure of the money for a three-year period and comply with any additional requirements imposed by the commissioner.

Subd. 6. [ENFORCEMENT.] The commissioner may undertake any reasonable actions, including but not limited to on-site inspections and auditing of accounts and records, to assure that recipients of money under this section comply with the requirements of the law. The commissioner may contract with an outside organization to audit or otherwise oversee recipients' use of the money. If ineligible expenditures are made by a recipient, the amount must be repaid to the commissioner and deposited in the food shelf account.

Subd. 7. [APPROPRIATION.] (a) The money deposited in the food shelf account is appropriated to the commissioner of jobs and training for distribution to food shelf programs under this section. No more than 15 percent of the money deposited in the account may

be expended for the department's cost of administering the program. The remaining money must be distributed to qualifying food shelf programs.

(b) For each fiscal year, the commissioner may estimate the amounts that will be received during the year by the food shelf account and may distribute the estimated receipts evenly over the fiscal year even though the contributions are not received until the second half of the year.

(10) For purposes of calculating the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code, the term "alternative minimum taxable income" as it is used in section 56(g) of the Internal Revenue Code, means alternative minimum taxable income as defined in this subdivision, determined without regard to the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code.

(11) For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.01, subdivision 19d, clause (1), (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.01, subdivision 19d, clause (10), or (iii) the amount of royalties, fees or other like income subtracted as provided in section 290.01, subdivision 19d, clause (11).

Items of tax preference must not be reduced below zero as a result of the modifications in this subdivision.

Sec. 11. Minnesota Statutes 1988, section 290.431, is amended to read:

290.431 [NONGAME WILDLIFE CHECKOFF AND FOOD SHELF CHECKOFFS.]

Subdivision 1. [CHECKOFF AUTHORIZED.] Every individual who files an income tax return or property tax refund claim form may designate on their original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that individual and paid either into an account to be established for the management of nongame wildlife or for Minnesota food shelf programs, or both. The commissioner of revenue shall, on the income tax return and the property tax refund

claim form, notify filers of their right to designate that a portion of their tax or refund shall be paid either into the nongame wildlife management account or the food shelf account, or both.

Subd. 2. [DEPOSIT OF MONEY.] The sum of the amounts so designated to be paid shall be credited to the nongame wildlife management account for use by the nongame program of the section of wildlife in the department of natural resources and to the food shelf account established under section 2.

Subd. 3. [NONGAME WILDLIFE ACCOUNT.] All interest earned on money accrued in the nongame wildlife management account shall be credited to the account by the state treasurer. The commissioner of natural resources shall submit a work program for each fiscal year and semiannual progress reports to the legislative commission on Minnesota resources in the form determined by the commission. None of the money provided in this section may be expended unless the commission has approved the work program.

Subd. 4. [STATE PLEDGE.] The state pledges and agrees with all contributors to the nongame wildlife management account to use the funds contributed solely for the management of nongame wildlife projects and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of nongame wildlife.

The state further pledges that all money given to the food shelf programs will be used for food shelf programs for needy people in Minnesota.

Sec. 12. Minnesota Statutes 1988, section 290.50, is amended by adding a subdivision to read:

Subd. 7. [WITHHOLDING REFUNDS FROM JUDGMENT DEBTORS.] The provisions of this subdivision apply only in a county to be designated by the commissioner of revenue not later than August 1, 1990. It applies only to refunds due with respect to returns filed before December 1, 1993, for 1990, 1991, and 1992 tax years.

Upon the docketing of a judgment in district court in an amount between \$25 and \$4,000 by a judgment creditor who is an individual, the amount of the judgment shall be withheld from a refund due a person under this section. When the judgment is docketed, the judgment creditor may pay the court administrator a fee of \$5 and request the court administrator to forward a certified copy of the judgment, and a fee of \$3 from the judgment creditor, to the commissioner of revenue. The court administrator shall also send

the judgment debtor written notice that the judgment has been forwarded to the commissioner pursuant to this subdivision.

Upon receipt of the certified copy of the judgment and the judgment creditor's fee, the commissioner shall withhold the refund due the judgment debtor, up to the amount of the judgment. The refund shall be remitted to the court administrator who forwarded the copy of the judgment to the commissioner. Upon receipt of the refund, the court administrator shall request the judgment creditor to certify the amount of the judgment that remains unsatisfied and shall remit to the judgment creditor the judgment debtor's refund, up to the unsatisfied amount of the judgment. Any additional amount received by the court administrator shall be forwarded to the judgment debtor.

If the refund forwarded to the court administrator is based on a joint return, the portion of the refund that is remitted to the judgment creditor shall be the proportion of the total refund that equals the proportion of the total federal adjusted gross income of the spouses that is the federal adjusted gross income of the spouse who is the judgment debtor.

A request for a refund pursuant to this subdivision shall be in effect with respect to any refunds due under this section until the judgment is satisfied or for ten years, whichever is earlier.

A claim for a refund under this subdivision by a judgment creditor is subordinate to claims filed under chapter 270A and subdivision 6.

The commissioner shall report to the chairs of the tax committee in the house of representatives and the senate on the experience with this subdivision and make recommendations for future proceedings under it on or before January 15, 1993.

Sec. 13. Laws 1989, First Special Session chapter 1, article 10, section 45, is amended to read:

Sec. 45. [TEMPORARY ALTERNATIVE MINIMUM TAX EXEMPTION.]

Corporations subject to tax under Minnesota Statutes, sections 60A.15, subdivision 1, and 290.35 or exempt from tax under section 290.092, subdivision 2, are not subject to the tax imposed by Minnesota Statutes, section 290.0921 for taxable years beginning after December 31, 1989 and before January 1, 1991 1992.

Sec. 14. [INSTRUCTION TO REVISOR.]

In the next edition of Minnesota Statutes, the revisor of statutes shall substitute the phrase "Internal Revenue Code of 1986, as

amended through December 31, 1989" for the words "Internal Revenue Code of 1986, as amended through December 31, 1988" wherever it occurs in chapters 290, 290A, and 291 except for the use of the phrase in section 290.01, subdivision 19.

Sec. 15. [FEDERAL CHANGES.]

The changes made by sections 7841, 7304(a), 7817, 7110, 7815, 7816, 7811(d) of the Omnibus Budget Reconciliation Act of 1989, Public Law Number 101-239, and sections 202, 203, and 204 of Public Law Number 101-140 that affect the computation of gross income as defined in Minnesota Statutes, section 290.01, subdivision 20, the credit for research and experimental expenditures as defined in Minnesota Statutes, section 290.068, subdivision 2, the credit for state death taxes allowable as defined in Minnesota Statutes, section 291.03, subdivision 1, and the federal alternative minimum taxable income as defined in Minnesota Statutes, section 290.091, subdivision 2, shall be in effect at the same time they become effective for federal income and estate tax purposes.

The change made by section 7631 of the Omnibus Budget Reconciliation Act of 1989, Public Law Number 101-239, that changes the definition of wages subject to withholding in Minnesota Statutes, section 290.92, subdivision 1, paragraph (1), shall be effective for Minnesota for wages paid after December 31, 1990.

Sec. 16. [SEVERABILITY; INSURANCE TAXATION.]

(a) If a provision of Minnesota Statutes, section 60A.15, subdivision 1, providing a reduced insurance premiums tax rate to mutual insurance companies is found by a final nonappealable order of a court of competent jurisdiction to be unconstitutional or to have an unconstitutional effect on the application of the insurance premiums tax to other insurance companies, the legislature intends that the provision granting a reduced rate to be invalid and the otherwise applicable insurance premiums tax rate to apply to all the affected companies.

(b) If a provision of Minnesota Statutes, section 290.05, subdivision 1, clause (d), exempting a mutual insurance company from taxation under the corporate franchise tax is found by a final nonappealable order of a court of competent jurisdiction to be unconstitutional or to have an unconstitutional effect on the application of the corporate franchise tax to other insurance companies, the legislature intends that the exemption to be invalid and the corporate franchise tax to apply to all the affected companies.

Sec. 17. [APPROPRIATION; INITIAL ADMINISTRATIVE EXPENSES.]

Notwithstanding the percentage restriction on administrative expenses in section 2, subdivision 7, \$75,000 is appropriated out of the food shelf account to the commissioner of jobs and training for fiscal year 1991. Minnesota Statutes Second 1989 Supplement, section 290.06, subdivision 1a, is repealed.

Sec. 19. [EFFECTIVE DATE.]

Section 1 is effective for premiums paid after December 31, 1989. Sections 4 to 11, 13, and 18 are effective for taxable years beginning after December 31, 1989, except as otherwise provided.

ARTICLE 2

PROPERTY TAXES

Section 1. Minnesota Statutes Second 1989 Supplement, section 103B.3369, subdivision 5, is amended to read:

Subd. 5. [FINANCIAL ASSISTANCE.] The board may award grants to counties only to carry out water resource protection and management programs identified as priorities in comprehensive local water plans. Grants may be used to employ persons and to obtain and use information necessary to:

(1) develop comprehensive local water plans under section 110B.04 that have not received state funding for water resources planning as provided for in Laws 1987, chapter 404, section 30, subdivision 5, clause (a); and

(2) implement comprehensive local water plans.

A basic grant shall be awarded to a county that levies a tax at the rate established under section 275.50, subdivision 5, paragraph (bb), item (i), in an amount equal to \$40,000 less the amount raised by that levy. If the amount necessary to develop and implement the local water plan for the county is less than \$40,000, the amount of the basic grant shall be the amount that, when added to the levy amount, equals the amount required to develop and implement the plan.

Sec. 2. Minnesota Statutes Second 1989 Supplement, section 103B.3369, subdivision 7, is amended to read:

Subd. 7. [RULES.] The board shall adopt rules that:

(1) establish performance criteria for grant administration for local implementation of state delegated or mandated programs that recognize regional variations in program needs and priorities;

(2) recognize the unique nature of state delegated or mandated programs;

(3) specify that program activities contracted by a county to another local unit of government are eligible for funding; and

(4) require that grants from the board may not exceed the amount matched by participating local units of government; and

(5) specify a process for the board to establish a base level grant amount that all participating counties may be eligible to receive.

Sec. 3. [134.342] [ALLOCATION OF LEVY AUTHORITY.]

Subdivision 1. [AUTHORITY.] A regional public library system board may adopt a written resolution to assume responsibility for the allocation of the regional library system levy authority throughout the region. If adopted, the board shall furnish a list to the commissioners of revenue and education by July 1 of the levy year, containing the name of each member city, town, and county that will be participating in that regional system.

Subd. 2. [DETERMINATION OF LEVY LIMITATION.] The levy limitation for a regional library system is equal to the sum of the total maximum amount allowable for operating regional library services for all member cities, towns, and counties within the region subject to the levy limitation under section 275.50, subdivision 5, clause (o). If a member city or town of a regional library system is not subject to the levy limitations under sections 275.50 to 275.56, the commissioner of revenue shall determine a levy limitation for the purposes of this section as if the member were subject to the provisions of section 275.50, subdivision 5, clause (o). The commissioner of revenue shall determine the total maximum amount allowable for the regional library system and shall certify the total amount to the regional library board and to the commissioner of education by August 1 of the levy year.

Subd. 3. [ALLOCATION OF AUTHORITY.] A regional public library system board that has resolved to allocate library levy authority among its member cities, towns, and counties shall allocate the amount, up to the total amount certified to the board by the commissioner of revenue, and shall notify each member city, town, and county by August 15 of the levy year of its respective share of the total library levy for the region. Each member city,

town, or county located in the region shall levy the amount negotiated and agreed upon by the board and each member city, town, or county.

The board shall certify to the commissioners of revenue and education by September 1 of the levy year, the levy amount allocated to each member city, town, and county in the regional library system.

Subd. 4. [NON-ALLOCATED REGIONAL LIBRARY LEVY LIMITATION.] A city, town, or county located within a regional library system that does not allocate library levy authority under subdivisions 1 to 3 but is subject to the levy limitations under sections 275.50 to 275.56, shall levy according to section 275.50, subdivision 5, clause (o), to pay the operating costs of a regional library system.

Sec. 4. Minnesota Statutes Second 1989 Supplement, section 272.02, subdivision 4, is amended to read:

Subd. 4. [CONVERSION TO EXEMPT OR TAXABLE USES.] (a) Any property exempt from taxation on January 2 of any year which, due to sale or other reason, loses its exemption prior to December 20 of any year, shall be placed on the current assessment rolls for that year.

The valuation shall be determined with respect to its value on January 2 of such year. The classification shall be based upon the use to which the property was put by the purchaser, or in the event the purchaser has not utilized the property by December 20, the intended use of the property, determined by the county assessor, based upon all relevant facts.

(b) Property subject to tax on January 2 that is acquired by a governmental entity, church, or educational institution before August 1 of the year is exempt for that year if (1) the property is to be used for an exempt purpose under subdivision 1, clauses (1) to (7), and (2) the property is not subject to the filing requirement under section 272.025.

Sec. 5. Minnesota Statutes 1989 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, and 9, and 11 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall

the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the net tax capacity of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 6. Minnesota Statutes 1988, section 273.11, is amended by adding a subdivision to read:

Subd. 11. [ZONING CHANGES TO RESIDENTIAL HOMESTEAD PROPERTY.] For purposes of property taxation, the market value determined by the assessor for residential homestead property classified under section 273.13, subdivision 22, up to a maximum of five acres of land, shall be based upon its use as residential property regardless of its zoning. A higher market value based upon a commercial, industrial, or other nonresidential zoning of the real property must be disregarded until the property ceases to be classified under section 273.13, subdivision 22.

Sec. 7. Minnesota Statutes 1989 Supplement, section 273.112, subdivision 3, is amended to read:

Subd. 3. Real estate shall be entitled to valuation and tax deferment under this section only if it is:

(a) actively and exclusively devoted to golf, skiing, or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of an archery or firearms range;

(c)(1) operated by private individuals and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more, provided that the club does not discriminate in membership requirements or selection on the basis of sex; and

(d) made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.

If a golf club membership allows use of golf course facilities by more than one adult per membership, the use must be equally available to all adults entitled to use of the golf course under the membership, except that use may be restricted on the basis of sex as permitted in this section. Memberships that permit play during restricted times may be allowed only if the restricted times apply to all adults using the membership. A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to that person's spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those services and facilities for both men and women members in all membership categories. Nothing in this paragraph shall be construed to require service or access to facilities to persons under the age of 21 years or require any act which would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.

Sec. 8. Minnesota Statutes 1989 Supplement, section 273.124, subdivision 8, is amended to read:

Subd. 8. [HOMESTEAD OWNED BY FAMILY FARM CORPORATION OR PARTNERSHIP.] (a) Each family farm corporation and each partnership operating a family farm is entitled to class 1b under section 273.13, subdivision 22, paragraph (b), or class 2a assessment for ~~one~~ each homestead occupied by a shareholder or partner thereof who is residing on the land and actively engaged in farming of the land owned by the corporation or partnership. Homestead treatment applies even if legal title to the property is in the name of the corporation or partnership and not in the name of the person residing on it. "Family farm corporation" and "family farm" have the meanings given in section 500.24, except that the number of allowable shareholders or partners under this subdivision shall not exceed 12.

(b) In addition to property specified in paragraph (a), any other residences owned by corporations or partnerships described in paragraph (a) which are located on agricultural land and occupied as homesteads by shareholders or partners who are actively engaged in farming on behalf of the corporation or partnership must also be assessed as class 2a property or as class 1b property under section 273.13, subdivision 22, paragraph (b), but the property eligible is limited to the residence itself and as much of the land surrounding the homestead, not exceeding one acre, as is reasonably necessary for the use of the dwelling as a home, and does not include any other structures that may be located on it.

Sec. 9. Minnesota Statutes 1989 Supplement, section 273.124, subdivision 9, is amended to read:

Subd. 9. [HOMESTEAD ESTABLISHED AFTER ASSESSMENT DATE.] Any property that was not used for the purpose of a homestead on the assessment date, but which was used for the purpose of a homestead ~~by~~ on June 1 of a year, constitutes class 1 or class 2a.

Any taxpayer meeting the requirements of this subdivision must notify the county assessor, or the assessor who has the powers of the county assessor pursuant to section 273.063, in writing, prior to June 15 of the year of occupancy in order to qualify under this subdivision.

The county assessor and the county auditor may make the necessary changes on their assessment and tax records to provide for proper homestead classification as provided in this subdivision.

The owner of any property qualifying under this subdivision, which has not been accorded the benefits of this subdivision, regardless of whether or not the notification has been timely filed,

may be entitled to receive homestead classification by proper application as provided in section 270.07 or 375.192.

The county assessor shall publish in a newspaper of general circulation within the county no later than June 1 of each year a notice informing the public of the requirement to file an application for homestead prior to June 15.

Sec. 10. Minnesota Statutes 1988, section 273.124, is amended by adding a subdivision to read:

Subd. 15. [HOMESTEAD ACQUIRED UNDER EMINENT DOMAIN.] If a home classified as a homestead under section 273.13, subdivision 22, is acquired from the owner under eminent domain proceedings, a home purchased by the owner for use as a homestead within six months of the date of acquisition under eminent domain must be classified by the assessor as class 1 homestead property under section 273.13, subdivision 22, for taxes payable in the following year, notwithstanding the provisions of subdivision 9. The homeowner must apply to the assessor for classification under this subdivision within 30 days of the purchase of the home. The homeowner must provide the assessor with the information necessary for the assessor to determine that the property qualifies for homestead under this subdivision. The assessor may require the homeowner to submit an affidavit.

Sec. 11. Minnesota Statutes Second 1989 Supplement, section 273.13, subdivision 22, is amended to read:

Subd. 22. [CLASS 1.] (a) Except as provided in subdivision 23, real estate which is residential and used for homestead purposes is class 1. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first \$68,000 of market value of class 1a property has a net class rate of one percent of its market value and a gross class rate of 2.17 percent of its market value. The market value of class 1a property that exceeds \$68,000 but does not exceed \$100,000 \$115,000 has a class rate of two percent of its market value. The market value of class 1a property that exceeds \$100,000 \$115,000 has a class rate of three percent of its market value.

(b) Class 1b property includes real estate or manufactured homes used for the purposes of a homestead by

(1) any blind person, if the blind person is the owner thereof or if the blind person and the blind person's spouse are the sole owners thereof; or

(2) any person, hereinafter referred to as "veteran," who:

(i) served in the active military or naval service of the United States; and

(ii) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes; or a wheelchair; and

(iii) with assistance by the administration of veterans affairs has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability, or the surviving spouse of the deceased veteran for as long as the surviving spouse retains the special housing unit as a homestead; or

(3) any person who:

(i) is permanently and totally disabled and

(ii) receives 90 percent or more of total income from

(A) aid from any state as a result of that disability; or

(B) supplemental security income for the disabled; or

(C) workers' compensation based on a finding of total and permanent disability; or

(D) social security disability, including the amount of a disability insurance benefit which is converted to an old age insurance benefit and any subsequent cost of living increases; or

(E) aid under the Federal Railroad Retirement Act of 1937, United States Code Annotated, title 45, section 228b(a)5; or

(F) a pension from any local government retirement fund located in the state of Minnesota as a result of that disability; or

(iii) whose household income as defined in section 290A.03, subdivision 5, is 150 percent or less of the federal poverty level.

Property is classified and assessed pursuant to clause (1) only if the commissioner of jobs and training certifies to the assessor that the owner of the property satisfies the requirements of this subdivision.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which

brings the person an income. The first \$32,000 market value of class 1b property has a net class rate of .4 percent of its market value and a gross class rate of .87 percent of its market value. The remaining market value of class 1b property has a gross or net class rate using the rates for class 1 or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real property that abuts a lakeshore line and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 225 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort or a partner in a partnership that owns the resort, even if the title to the homestead is held by the corporation or partnership. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used or available for use for residential occupancy and a fee is charged for residential occupancy. Class 1c property has a class rate of .4 percent of the first \$32,000 of market value for taxes payable in 1990, .6 percent of the first \$32,000 of market value for taxes payable in 1991, .8 percent of the first \$32,000 of market value for taxes payable in 1992, and one percent of market value in excess of \$32,000 for taxes payable in 1990, 1991, and 1992, and one percent of total market value for taxes payable in 1993 and thereafter with the following limitation: the area of the property must not exceed 100 feet of lakeshore footage for each cabin or campsite located on the property up to a total of 800 feet and 500 feet in depth, measured away from the lakeshore.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. [CLASS 2.] (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. If the market value of the house, garage, and surrounding one acre of land is less than \$100,000, the value of the remaining land including improvements equal to the difference between \$100,000 and the market value of the house, garage, and surrounding one acre of land has a net class rate of .4 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over \$100,000 of market value that does not exceed 320 acres has a net class rate of 1.3 percent of market value for taxes payable in 1990, ~~1.4 percent of market value for taxes payable in 1991, and 1.5 percent of market value for taxes payable in 1992~~ and thereafter, and a gross class rate of 2.25 percent of market value. The remaining property over the \$100,000 market value in excess of 320 acres has a class rate of 1.7 percent of market value for taxes payable

During the discussion, the governing body shall hear comments regarding a proposed increase and explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions prior to adoption of any measures by the governing body. The governing body, other than the governing body school districts, shall adopt its final property tax levy prior to adopting its final budget.

The hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No hearing may be held on a Sunday. The commissioner of revenue county auditor shall provide for the coordination of and approve the hearing dates for all taxing authorities within the county for which the county auditor is home auditor so that a taxing authority does not schedule public meetings on the days scheduled for the hearing by another taxing authority. The county must set its hearing date and notify the county auditor by September 15. The school district must set its hearing date and notify the county auditor after the county in which it is located has set its date, but no later than September 22. The taxes certified shall not be adjusted by the aid received under sections 273.1398, subdivisions 2 and 3, and 477A.013, subdivision 5. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

Sec. 20. Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1989 payable in 1990 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. The aggregate amounts levied under this clause for the costs of purchase or delivery of social services and income maintenance programs, other than those identified in section 273.1398, subdivision 1, paragraph (i), are subject to a maximum increase over the amount levied for the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, paragraph (i), to the extent the county provides benefits under those programs over the statutory mandated standards. Effective with taxes levied in 1990, the portion of this special levy for human service programs identified in section 273.1398, subdivision 1, paragraph (i), is eliminated;

(b) pay the costs of principal and interest on bonded indebtedness except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c, or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(h) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5;

(k) pay the cost of hospital care under section 261.21;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivi-

sion in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

(n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision 3. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

(o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. This limit may be redistributed according to the provisions of section 134.342. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(t) for taxes levied in 1990 only by a county in the eighth judicial district, provide an amount equal to the amount of the levy, if any, that is required under Laws 1989, chapter 335, article 3, section 54, subdivision 8;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; and.

If the amount levied under this paragraph (u) in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991;

(w) pay the unreimbursed costs of per diem jail or correctional facilities services paid by the county in the previous 12-month period ending on July 1 of the current year provided that the county

is operating under a department of corrections directive that limits the capacity of county jails or correctional facilities;

(x) for taxes levied in 1990 and 1991, payable in 1991 and 1992 only, pay the operating or maintenance costs of a county jail as authorized in section 641.01 or 641.262, or of a correctional facility as defined in section 241.021, subdivision 1, paragraph (5), to the extent that the county can demonstrate to the commissioner of revenue that the amount has been included in the county budget as a direct result of a rule, minimum requirement, minimum standard, or directive of the department of corrections. If the county utilizes this special levy, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.51, shall be deducted from the levy limit base under section 275.51, subdivision 3f, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(y) for taxes levied in 1990, payable in 1991 only, pay an amount equal to the unreimbursed county costs paid in 1990 for the purpose of grasshopper control on public lands; and, for taxes levied in 1991 payable in 1992 only, pay an amount equal to the unreimbursed county costs paid in 1991 for the purpose of grasshopper control on public lands;

(z) pay the unreimbursed county costs for court-ordered family-based services and court-ordered out-of-home placement for children to the extent that the county can demonstrate to the commissioner of revenue that the estimated amount included in the county's budget for the following levy year is for the purposes specified under this clause. For purposes of this special levy, costs for "family-based services" and "out-of-home placement" means costs resulting from court-ordered targeted family services designed to avoid out-of-home placement and from court-ordered out-of-home placement under the provisions of sections 260.172 and 260.191, which are unreimbursed by the state or federal government, insurance proceeds, or parental or child obligations. Any amount levied under this clause must only be used by the county for the purposes specified in this clause.

If the county uses this special levy and the county levied an amount in the previous levy year, for the purposes specified under this clause, under another special levy or under the levy limitation in section 275.51, the following adjustments must be made:

(i) The amount levied in the previous levy year for the purposes specified under this clause under the levy limitation in section 275.51 must be deducted from the levy limit base under section

275.51, subdivision 3f when determining the current year levy limitation.

(ii) The amount levied in the previous levy year, for the purposes specified under clause (a) or clause (u) must be deducted from the previous year's amount used to calculate the maximum amount allowable under clause (a) in the current levy year; and

(aa) pay the unreimbursed costs of a municipality for the salaries and benefits of peace officers whose primary responsibilities are to investigate controlled substance crimes under chapter 152 or to teach drug abuse resistance education curricula in schools. This special levy is limited to the amount that the city can demonstrate to the commissioner of revenue is included in the city's budget for the following levy year for the purposes specified under this clause.

If the municipality utilizes this special levy, any amount levied by the municipality in the previous levy year for the purpose specified under this clause and included in the municipality's previous year's levy limitation computed under section 275.51, shall be deducted from the levy limit base under section 275.51, subdivision 3f, when determining the municipality's current year levy limitation. The municipality shall provide the necessary information to the commissioner of revenue for making this determination; and

(bb) for a county, provide an amount needed to fund comprehensive local water planning and implementation activities under sections 103B.3361 to 103B.3369 as provided in this clause.

(i) A county may levy an amount not to exceed the water planning and implementation local tax rate times the adjusted net tax capacity of the county for the preceding year. The water planning and implementation local tax rate shall be set by September 1 each year by the commissioner of revenue for taxes payable in the following year. As used in this paragraph, the "adjusted net tax capacity of the county" means the net tax capacity of the county as equalized by the commissioner of revenue based upon the results of an assessment/sales ratio study. That rate shall be the rate, rounded up to the nearest one-tenth of a percent, that, when applied to the adjusted gross tax capacity for all counties, raises the amount specified in this item. The water planning and implementation local tax rate for taxes levied in 1990 shall be the rate that raises \$1,740,000 and the rate for taxes levied in 1991 shall be the rate that raises \$1,740,000. A county must levy a tax at the rate established under this item to qualify for a grant from the board of water and soil resources under section 103B.3369, subdivision 5, except that if the amount necessary to develop and implement the local water plan for the county is less than \$40,000, the levy under this item shall be \$20,000, less one-half of the difference between \$40,000 and the amount necessary to develop and implement the plan.

(ii) A county may also levy the amount necessary to implement a comprehensive local water plan approved by the board of water and soil resources to the extent that that amount exceeds the sum of the amount levied under item (i) and the amount of any grant to the county from the board under section 103B.3369, subdivision 5.

If the amount levied in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991.

Sec. 21. Minnesota Statutes Second 1989 Supplement, section 275.51, subdivision 3f, is amended to read:

county during calendar year 1988. For taxes levied in 1990, the levy limit base determined under paragraph (d) shall be reduced by an amount equal to the cost of public defender services for felonies and gross misdemeanors and the cost of law clerks in the county that are assumed by the state during calendar year 1991, less the amount of fees collected by the courts in the county during calendar year 1989, computed at the rate of \$30 for civil and probate filings and \$20 for marriage dissolutions.

For taxes levied in 1990 only by those counties, the levy limit base determined under paragraphs (d) and (e) shall be further reduced by an amount equal to the cost of operation of the trial courts in the county during the first six months of calendar year 1991 that are assumed by the state less 50 percent of the amount of fines collected by the courts during calendar year 1989.

(g) By October 15, 1989, the board of public defense shall determine and certify to the commissioner of revenue the pro rata share for each county of the state-financed public defense services described in paragraph (e) during the six-month period beginning July 1, 1990. By October 15, 1989, the supreme court shall determine and certify to the department of revenue for each county the pro rata share for each county of the cost of providing law clerks during the three-month period beginning October 1, 1990, plus, for each county located in the eighth judicial district, the cost of operation of the trial courts during calendar year 1990.

By July 15, 1990, the board of public defense shall determine and certify to the department of revenue the pro rata share for each county of the state-financed public defense services described in paragraph (e) during calendar year 1991. By July 15, 1990, the supreme court shall determine and certify to the department of revenue for each county the pro rata share for each county of the cost of providing law clerks during calendar year 1991 plus, for each county located in the eighth judicial district, the cost of operation of the trial courts during the first six months of 1991.

(h) For taxes levied in a county in 1991, the levy limit base shall be reduced by an amount equal to the cost in the county of court reporters, judicial officers, and district court referees and the expenses of law clerks and court reporters as authorized in sections 484.545, subdivision 3, and 486.05, subdivisions 1 and 1a, as

certified by the supreme court pursuant to section 477A.012, subdivision 4.

(i) If a governmental subdivision received an adjustment to its levy limit base for taxes levied in 1988 under section 275.51, subdivision 3j, its levy limit base for taxes levied in 1989 must be reduced by the lesser of (1) the adjustment under section 275.51, subdivision 3j, or (2) the difference between its (i) levy limit for taxes levied in 1988 and its (ii) total actual levy for taxes levied in 1988 minus any special levies claimed for taxes levied in 1988 under section 275.50, subdivision 5.

(j) For taxes levied in 1990, the levy limit base of cities and counties shall be reduced by the amount equal to .6 percent of the city's and county's revenue base determined under sections 477A.012, subdivision 5, and 477A.013, subdivision 7.

The county auditor may apply the tax capacity rate from the year before the year of distribution when apportioning and distributing delinquent tax proceeds, if the composition of the previous year's tax capacity rate between taxing districts is not significantly different than the tax capacity rate that existed for the year of the delinquency.

Sec. 24. Minnesota Statutes Second 1989 Supplement, section 276.11, subdivision 1, is amended to read:

Upon written request of a taxing district, except school districts, the county treasurer shall pay at least 70 percent of the estimated collection within 30 days after the May settlement date determined in section 276.09. Within seven business days after the due date, or 21 calendar days after the postmark date on the envelopes containing real property tax statements, whichever is later, the county treasurer shall pay to the treasurer of the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district. The remaining 50 percent of the estimated collections must be paid to the treasurer of the school district within the next seven business days. The treasurer shall pay the balance of the amounts collected to the state or to a municipal corporation or other body within 60 days after the May settlement date determined in section 276.09. the county. If not paid, it may be recovered by the taxing district, in a civil action.

Sec. 25. Minnesota Statutes 1988, section 276.111, is amended to read:

276.111 [DISTRIBUTIONS AND FINAL YEAR-END SETTLEMENT.]

Sec. 26. Minnesota Statutes Second 1989 Supplement, section 277.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in this subdivision, all unpaid personal property taxes shall be deemed delinquent on May 16 next after they become due or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach and be charged upon all such taxes. In the case of unpaid personal property taxes due and owing under section 272.01, subdivision 2, the first half shall become delinquent if not paid before May 16, or 14 days after the postmark date, whichever is later, and thereupon a penalty of

eight percent shall attach on the unpaid first half; and the second half shall become delinquent if not paid before October 16, and thereupon a penalty of eight percent shall attach on the unpaid second half. This section shall not apply to class 2a property.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 27. Minnesota Statutes Second 1989 Supplement, section 277.02, is amended to read:

277.02 [DELINQUENT LIST FILED IN COURT.]

The list shall be filed with an affidavit of the sheriff, or of the deputy sheriff entrusted with the collection thereof, stating that the affiant has made diligent search and inquiry for goods and chattels from which to collect such taxes, and is unable to collect the same. The list of such taxes as they apply to manufactured homes shall be filed on December 1 and the list of

such taxes as they apply to property taxable under section 272.01, subdivision 2, shall be filed on December 15. The sheriff shall note on the margin of such list the place to which any delinquent taxpayer may have removed, with the date of removal, if known. At the time of filing the list the sheriff shall also return all the warrants with endorsements thereon showing the doings of the sheriff or deputy in the premises, and the court administrator shall file and preserve the same. On or before ~~September tenth~~ July 25 thereafter, the court administrator shall deliver such list and affidavit to the county treasurer, who shall, by comparison of such list with the tax duplicates in the treasurer's office, ascertain whether or not all personal property taxes reported by the treasurer to the court administrator as delinquent, except those included in such list, have been paid into the treasurer's office, and shall attach to the list a certificate stating whether or not all taxes reported by the treasurer to the court administrator as delinquent and not included in the list have been received, and stating the items of such taxes, if any, as have been received. The court administrator shall deliver such list and affidavit as they apply to manufactured homes on or before December 10 and as they apply to property taxable under section 272.01, subdivision 2, on or before December 24. 277.06 [CITATION TO DELINQUENTS; DEFAULT JUDGMENT.]

On September 5, or within ten days after the adjournment of the county board, whichever occurs first, the county auditor shall file a copy of such revised list with the court administrator of the district court. The county auditor shall file a copy of the revised list as it applies to manufactured homes on January 20 and a copy of the revised list as it applies to property taxable under section 272.01, subdivision 2, on February 15. Within ten days after the list has been filed, the court administrator shall issue a citation to each delinquent named in the list, stating the amount of tax and penalty, and requiring such delinquent to appear on a day to be set by the district court in the county, appointed to be held at a time not less than 30 days after the issuance of such citation, and show cause, if any there be, why the delinquent should not pay the tax and penalty. The citation shall be delivered for service to the sheriff of the county where such person may at the time reside or be. If such person, after service of the citation, fails to pay such tax, penalty, and costs to the sheriff before the first day of the term, or on such day to show cause

When unable to serve the citation, the sheriff shall return the same to the court administrator, with a return thereto to that effect, and thereupon, or if the court decides that the service of such citation made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation, requiring such delinquent to appear on the first day of the next general term to be held in the county, and show cause as aforesaid, and if the delinquent fails to pay or to show cause, the court shall direct judgment as aforesaid. Whenever the sheriff has been unable to serve any such citation theretofore issued in any year or years, or whenever the court decides that the service of any such citation theretofore made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation requiring such delinquent to appear, as in the case last provided, and with like effect; provided, that all citations other than the first shall be issued only on the request of the county attorney.

Sec. 30. Minnesota Statutes 1988, section 277.15, is amended to read:

277.15 [INTEREST.]

When a judgment has heretofore been entered and docketed, or shall hereafter be entered and docketed, for the recovery of taxes, except in the case of real estate tax judgments provided for in section 279.19, the same shall bear interest until paid at the rate of six percent per annum until January 1, 1981, ~~and~~ at the rate determined under section 549.09 ~~thereafter~~ until December 31, 1990, and at the rate provided in section 279.03, subdivision 1a, on or after January 1, 1991.

The department of revenue sales ratio study shall be prima facie evidence of the level of assessment. Additional evidence relevant to the sales ratio study is also admissible. No sales ratio study received into evidence shall be conclusive or binding on the court and evidence of its reliability or unreliability may be introduced by any party including, but not

limited to, evidence of inadequate adjustment of sale prices for terms of financing, inadequate adjustment of sales prices to reflect the difference in the date of sale compared to the assessment date, and inadequate sample size.

No reduction in value on the grounds of discrimination shall be granted on the basis of a sales ratio study unless

(a) the sales prices are adjusted for the terms of the sale to reflect market value,

(b) the sales prices are adjusted to reflect the difference in the date of sale compared to the assessment date,

(c) there is an adequate sample size, and

(d) the median ratio of the same classification of property in the same county, city, or town as the subject property is lower than 90 percent, except that in the case of a county containing a city of the first class, the median ratio for the county shall be the ratio determined excluding sales from the first class city within the county.

~~If a reduction in value on the grounds of discrimination is granted based on the above criteria, the reduction shall equal the difference between 90 percent and the median ratio determined by the court.~~

Sec. 32. Minnesota Statutes 1989 Supplement, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, on the later of May 16, of each year or 14 calendar days after the postmark date on the envelope containing the property tax statement, with respect to property actually occupied and used as a homestead by the owner of the property, a penalty of three percent shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer, and a penalty of seven percent on nonhomestead property, except that this penalty shall not accrue until the later of June 1 of each year or 29 calendar days after the postmark date on commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before the later of June 1 or 29 calendar days after the postmark date shall attach an affidavit to the payment attesting to compliance with the income provision of this subdivision. Thereafter, for both homestead and nonhomestead property, on the first day

of each month, up to and including October 1 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes. When the taxes against any tract or lot exceed \$50, one-half thereof may be paid prior to the later of May 16 or 14 calendar days after the postmark date on the envelope containing the property tax statement; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of four percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November and December following, an additional penalty of two percent for each month shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to the later of May 16 or 14 calendar days after the postmark date on the envelope containing the property tax statement, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding \$50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 33. Minnesota Statutes 1988, section 279.03, is amended by adding a subdivision to read:

Subd. 1a. [RATE AFTER DECEMBER 31, 1990.] Interest on delinquent property taxes, penalties, and costs unpaid on or after January 1, 1991, shall be payable at the per annum rate determined in section 270.75, subdivision 5. The rate shall be subject to change on January 1 of each year.

The rate of interest is subject to change each year in the same manner that section 549.09 or subdivision 1a, whichever is applicable, provides for rate changes on judgments. Interest on the unpaid contract balance on judgments confessed before July 1, 1982, is payable at the rate applicable to the judgment at the time that it was confessed.

This amount is not subject to the limitations in Minnesota Statutes, sections 275.50 to 275.56.

Sec. 58. [LOCAL APPROVAL; EFFECTIVE DATE.]

Section 57 is effective the day after approval by the governing body of the city of Windom and its compliance with Minnesota Statutes, section 645.021, subdivision 3.

Sec. 59. [REVERSE REFERENDUM.]

If the Jackson city council intends to exercise the authority provided by section 57 in subsequent years, it shall pass a resolution stating the fact before January 1, 1991. The resolution must be published for two successive weeks in the official newspaper of the city or, if there is no official newspaper, in a newspaper of general circulation in the city, together with a notice fixing a date for a public hearing on the matter. The hearing must be held at least two weeks but not more than four weeks after the first publication of the resolution. Following the public hearing, the city may determine to take no further action or adopt a resolution confirming its intention to exercise the authority. That resolution must also be published in the official newspaper of the city or, if there is no official newspaper, in a newspaper of general circulation in the city. If within 30 days after publication of the resolution a petition signed by voters equal in number to five percent of the votes cast in the city in the last general election requesting a vote on the proposed resolution is filed with the county auditor, the resolution is not effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at the election. The referendum must be held at a special or general election before December 1, 1991.

Sec. 60. [KOOCHICHING COUNTY; AMBULANCE SERVICE LEVY.]

For taxes levied in 1990, payable in 1991, and thereafter, Koochiching County may levy to pay the costs of ambulance service in a county subordinate service district under Minnesota Statutes, section 375B.09. This amount is not subject to the limitations in Minnesota Statutes, sections 275.50 to 275.56. If the county utilizes this special levy, any amount levied by the county in the previous

levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under Minnesota Statutes, section 275.51, shall be deducted from the levy limit base under Minnesota Statutes, section 275.51, subdivision 3f, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination.

Sec. 61. [SEASONAL RESORT CLASSIFICATION STUDY.]

The taxes committee of the house of representatives and the taxes and tax laws committee of the senate shall study the class rates that apply to seasonal resort properties.

The study shall include the legislative history and an analysis of the policy objectives of the present classes, and an analysis of the former and current economic circumstances of the seasonal resort and tourism industries.

In addition, the committees shall (1) consider whether the application of the present resort classes results in an equitable distribution of the tax burden among similarly situated competitors based on ability to pay, (2) consider the administrative feasibility of the various classes, (3) identify other policy issues related to property tax burdens of the seasonal resort industry, and (4) recommend alternative methods of assessing seasonal resorts.

In conducting the study, the committees shall consider data available from the department of revenue, the department of trade and economic development, assessors, legislative committees and subcommittees, and other appropriate sources.

The committees shall report their findings and recommendations prior to the third week of the 1991 legislative session.

Sec. 62. [AUTHORITY TO TRANSFER LIGHT RAIL MONEY.]

Notwithstanding any law to the contrary, a regional railroad authority located in the metropolitan area, as defined in Minnesota Statutes, section 473.121, may transfer any available money of the authority, including money in capital accounts, to the county in which the authority is located. The county may spend the amount transferred for social service costs during 1990. The authority under this section to transfer the regional railroad authority levy applies only during calendar year 1990.

ARTICLE 3

PROPERTY TAX AIDS AND CREDITS

Section 1. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of tax capacity rates.

(c) "Gross tax capacity" means the product of the gross class rates and estimated market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the gross tax capacity of transmission lines deducted from a local government's total gross tax capacity under section 273.425. Gross tax capacity cannot be less than zero.

(d) "Net tax capacity" means the product of the appropriate net class rates for the year in which the aid is payable, except that for class 3 utility real and personal property the portion of class 1 residential market value in excess of \$100,000 the class rate applied shall be 5.38 percent 3.0 percent, and estimated market values for the assessment two years prior to that in which aid is payable. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be increased by (1) the unique taxing jurisdiction's fiscal disparities distribution tax capacity under section 473F.08, subdivision 2, paragraph (b), and reduced by the sum of (1) (2) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) (3) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) (4) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), and (3), the net tax capacity shall be multiplied by the ratio of the highest class rate for class 3a property for taxes payable in the year in which the aid is payable to the highest class rate for class 3a property in the prior year. Net tax capacity cannot be less than zero.

(e) "Previous net tax capacity" means the product of the appropriate net class rates for the year previous to the year in which the aid is payable, and estimated market values for the assessment two years prior to that in which aid is payable. "Total net tax capacity"

means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity shall be increased by (1) the unique taxing jurisdiction's fiscal disparities distribution tax capacity under section 473F.08, subdivision 2, paragraph (b), and reduced by the sum of (2) the unique taxing jurisdiction's net tax capacity of commercial-industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (3) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (4) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. Previous net tax capacity cannot be less than zero.

(f) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(g) "Local tax rate" means the quotient derived by dividing the gross taxes levied within a unique taxing jurisdiction for taxes payable in 1989 by the gross tax net capacity of the unique taxing jurisdiction for taxes payable in 1989. For computation of the local tax rate for aid payable in 1991 and subsequent years, gross taxes for taxes payable in 1989 exclude equalized levies as defined in subdivision 2a. For purposes of computation of the local tax rate only, gross taxes shall not be adjusted by inflation or household growth.

(g) For purposes of calculating the homestead and agricultural credit aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's local tax rate; (ii) its total net tax capacity; and (iii) 0.9767.

(h) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F.02, subdivision 3, subject to the areawide tax as provided in section 473F.08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in 1989. Gross taxes are before

any reduction for disparity reduction aid. Gross taxes levied cannot be less than zero.

For homestead and agricultural credit aid payable in 1991 and subsequent years, "gross taxes" or "gross taxes levied on all properties" shall mean gross taxes payable in 1989, excluding taxes defined as "equalized levies" in subdivision 2a, multiplied by the cost-of-living adjustment factor and the household adjustment factor.

(i) "Human services aids" means:

(1) aid to families with dependent children under sections 256.82, subdivision 1, and 256.935, subdivision 1;

(2) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;

(3) general assistance medical care under section 256D.03, subdivision 6;

(4) general assistance under section 256D.03, subdivision 2;

(5) work readiness under section 256D.03, subdivision 2;

(6) emergency assistance under section 256.871, subdivision 6;

(7) Minnesota supplemental aid under section 256D.36, subdivision 1;

(8) preadmission screening and alternative care grants under section 256B.091;

(9) work readiness services under section 256D.051;

(10) case management services under section 256.736, subdivision 13;

(11) general assistance claims processing, medical transportation and related costs; and

(12) medical assistance, medical transportation and related costs.

(j) "Adjustment factor" means one plus the percentage change in (1) the ratio of estimated market value of residential homesteads to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years

prior to the year in which the aid is payable. If the market value of farm homesteads exceeds the market value of residential homesteads in the city or township containing the unique taxing jurisdiction, "adjusted factor" means one plus the percentage change in the ratio of the estimated market value of farm homesteads to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. The adjustment factor cannot be less than one. Estimates of market value for the assessment one year prior to the year in which the aid is paid will be made on the basis of the abstract submitted pursuant to section 270.11. Discrepancies between the estimate and actual market values will not result in increased or decreased aid in the year in which the estimates are used to compute aid.

(k) "Cost of living adjustment factor" means one plus the percentage, if any, by which:

(1) the consumer price index for the calendar year preceding that in which aid is payable, exceeds

(2) the consumer price index for calendar year 1989.

(l) "Consumer price index for any calendar year" means the average of the consumer price index as of the close of the 12-month period ending on May 31 of such calendar year.

(m) "Consumer price index" means the last consumer price index for all-urban consumers published by the department of labor. For purposes of the preceding sentence, the revision of the consumer price index which is most consistent with the consumer price index for calendar year 1989 shall be used.

(n) "Household adjustment factor" means the number of households for the most recent year preceding that in which the aids are payable divided by the 1988 number of households for the previous year. The household adjustment factor cannot be less than one.

(k) "Homestead and agricultural credit base" means the previous year's certified homestead and agricultural credit aid determined under subdivision 2.

(l) "Net tax capacity adjustment factor" means (1) the net tax capacity minus previous net tax capacity multiplied by (2) the unique taxing jurisdiction's local tax rate for taxes payable in the year preceding the aid distribution year. The net tax capacity adjustment cannot be less than 0.

Sec. 2. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 2, is amended to read:

Subd. 2. [HOMESTEAD AND AGRICULTURAL CREDIT AID.]
(a) Initial homestead and agricultural credit aid for each unique taxing jurisdiction equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. The commissioner of revenue may, in computing the amount of the homestead and agricultural credit aid paid in 1990, adjust the gross tax capacity, net tax capacity, and gross taxes of a taxing jurisdiction for taxes payable in 1989 to reflect auditor's errors in computing taxes payable for 1989 in unique taxing jurisdictions within independent school district Nos. 720 and 792. Homestead and agricultural credit aid cannot be less than zero.

(b)(1) The homestead and agricultural credit aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's gross taxes bears to the total gross taxes levied within the unique taxing jurisdiction.

(2) The 1990 homestead and agricultural credit aid so determined for school districts for purposes of general education levies pursuant to section 124A.23, subdivisions 2 and 2a, and transportation levies pursuant to section 275.125, subdivisions 5 and 5c, shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.

(3) If a local government's total tax capacity rate for all funds for taxes payable in 1989 varies within the area in which it exercises taxing authority, the local government's allocated homestead and agricultural credit aid must be further allocated between the part of its levy in respect to which the tax capacity rate is constant throughout the area in which it exercises taxing authority and the part of its levy in respect to which the tax capacity rate varies throughout the area in which it exercises taxing authority.

(c) The calendar year 1990 homestead and agricultural credit aid shall be adjusted by the adjustment factor.

(d) Payments under this subdivision to counties in 1990 and subsequent years shall be reduced by the amount provided in section 477A.012, subdivisions 3, paragraph (d), and 4, paragraph (d), and 5.

(e) Payments under this subdivision to cities and towns in 1990 shall be annually reduced by the amount of the homestead and agricultural credit aid adjustment, if any, determined for 1990 under section 477A.013, subdivision 6.

(f) Payments under this subdivision to cities in 1990 shall be

reduced by the amount of the homestead and agricultural credit aid adjustment, if any, determined for 1990 under section 477A.013, subdivisions 6 and 7.

(g) Payments under this subdivision to special taxing districts, excluding hospital districts, in 1990 shall be reduced by an amount equal to one percent of the revenue base. "Revenue base," in this clause, means the amount levied for taxes payable in 1990, before reduction for the homestead and agricultural credit aid under this subdivision, and disparity reduction aid under subdivision 3.

(h) Payments under this subdivision to cities, towns, counties, and special taxing districts in 1991 and subsequent years are equal to the product of (1) the homestead and agricultural credit aid base plus the net tax capacity adjustment factor, and (2) the household adjustment factor.

Sec. 3. Minnesota Statutes 1988, section 273.1398, is amended by adding a subdivision to read:

Subd. 2c. [CITY, TOWN REDUCTION.] (a) For homestead and agricultural credit aid payable in 1991 and subsequent years, if the city or town local tax rate for taxes payable in the preceding year is less than 90 percent of the state weighted average city and town local tax rate for the preceding taxes payable year, then homestead and agricultural credit aid is reduced by an amount equal to two percent of the city or town net tax capacity, not to exceed one-half of the difference between the state weighted average tax capacity rate multiplied by the previous net tax capacity and the city or town tax capacity rate multiplied by the previous net tax capacity.

(b) For purposes of this subdivision, "city and town local tax rate" includes the county local tax rate for property located in the city or town subject to a county levy. If the city is located in more than one county, then a weighted average local tax rate for the part of the county located within the city must be calculated.

(c) "State weighted average city and town local tax rate" means the taxes after disparity reduction aid on all properties located within this state divided by the taxable net tax capacity for all properties located within this state.

Sec. 4. Minnesota Statutes 1989 Supplement, section 275.08, subdivision 1d, is amended to read:

Subd. 1d. If, after computing each local government's adjusted tax capacity rate within a unique taxing jurisdiction pursuant to subdivision 1c, the auditor finds that the total adjusted tax capacity rate of all local governments combined is less than 90 percent of gross tax capacity for taxes payable in 1989 and 90 100 percent of

net tax capacity for taxes payable in 1990 and thereafter, the auditor shall increase each local government's adjusted tax capacity rate proportionately so the total adjusted tax capacity rate of all local governments combined equals ~~90~~ 100 percent. The total amount of the increase in tax resulting from the increased tax capacity rates must not exceed the amount of disparity aid allocated to the unique taxing district under section 273.1398. The auditor shall certify to the department of revenue the difference between the disparity aid originally allocated under section 273.1398, subdivision 3, and the amount necessary to reduce the total adjusted tax capacity rate of all local governments combined to ~~90~~ 100 percent. Each local government's disparity reduction aid payment under section 273.1398, subdivision 6, must be reduced accordingly.

Sec. 5. Minnesota Statutes Second 1989 Supplement, section 477A.011, subdivision 1a, is amended to read:

Subd. 1a. [CITY.] City means a statutory or home rule charter city. City also means a town having a population of 5,000 or more for purposes of the aid payable under section 477A.013, subdivision 3. Towns and cities of the first class are not eligible to be treated as cities for purposes of aid payable under section 477A.013, subdivision 5 or the aid adjustment under section 477A.013, subdivision 7.

Sec. 6. Minnesota Statutes 1988, section 477A.011, subdivision 17, is amended to read:

Subd. 17. [REVENUE GUARANTEE INCREASE.] "Revenue guarantee increase" is the sum of:

(1) \$190 per household for cities of the first class located in the metropolitan area and \$190 per household for cities located outside the metropolitan area; and

(2) 15 percent of a city's base revenue guarantee for cities in which the population has declined since the estimate for the third year preceding the most recent estimate. If the city's population has not declined since the estimate for the third year preceding the most recent estimate, but a city's revenue guarantee increase included an amount under this clause in the year prior to the year for which the aid is being calculated, an amount equal to the product of (i) the percent of base revenue increase it received under this clause in the previous year less three percent, and (ii) its base revenue guarantee.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 477A.011, subdivision 25, is amended to read:

Subd. 25. [NET TAX CAPACITY.] "Net tax capacity" means for aids payable under section 477A.013, subdivision 5, (1) the net tax capacity of a city computed using the net tax capacity class rates in

Minnesota Statutes 1988, section 273.13, for taxes payable the year prior to the aid distribution; and based on 1988 estimated market values for taxes payable the year prior to the aid distribution, plus (2) a city's fiscal disparities distribution tax capacity under section 473F.08, subdivision 2, paragraph (b), for taxes payable in 1989 the year prior to the aid distribution. The market value utilized in computing net tax capacity shall be reduced by the sum of (1) a city's market value of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 2, paragraph (a), (2) the market value of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the market value of transmission lines deducted from a city's total net tax capacity under section 273.425. The net tax capacity will be computed using equalized market values.

Sec. 8. Minnesota Statutes 1988, section 477A.011, is amended by adding a subdivision to read:

Subd. 26. [REVENUE BASE.] "Revenue base" means the amount levied for taxes payable in 1990, before reduction for the homestead and agricultural credit aid under section 273.1398, subdivision 2, equalization aid under section 477A.013, subdivision 5, and disparity reduction aid under section 273.1398, subdivision 3; plus the local government aid under sections 477A.011; 477A.012, subdivisions 1 and 3, determined without regard to subdivision 2; and 477A.013, subdivisions 3 and 6; and taconite aid under sections 298.28, and 298.282, for taxes payable in 1990.

Sec. 9. Minnesota Statutes 1988, section 477A.012, subdivision 1, is amended to read:

Subdivision 1. [AID AMOUNT.] In calendar year 1988 and calendar years thereafter 1990, each county government shall receive a distribution equal to the aid amount certified for 1987 pursuant to this subdivision. In calendar year 1991 and subsequent years, each county government shall receive a distribution equal to the aid amount it received in 1990 under this subdivision less the reduction made under subdivision 5.

Sec. 10. Minnesota Statutes 1988, section 477A.012, is amended by adding a subdivision to read:

Subd. 5. [COUNTY AID ADJUSTMENT.] For calendar year 1990, a county's aid amount as calculated under subdivisions 1 and 3 is reduced by an amount equal to .6 percent of its revenue base. The amount of aid computed under this subdivision cannot be less than \$0. If the subtraction amount under this subdivision is greater than the amount of aid calculated for any county under subdivisions 1 and 3, the remaining amount shall be subtracted from the county's

homestead and agricultural credit aid under section 273.1398, subdivision 2.

Sec. 11. Minnesota Statutes Second 1989 Supplement, section 477A.013, subdivision 3, is amended to read:

Subd. 3. [CITY AID DISTRIBUTION.] In 1989, a city whose initial aid is greater than \$0 will receive the following aid increases in addition to an amount equal to the local government aid it received in 1988 under Minnesota Statutes 1987 Supplement, section 477A.013:

(1) for a city whose expenditure/unlimited aid ratio is at least 1.5, two percent of city revenue;

(2) for a city whose expenditure/unlimited aid ratio is at least 1.4 but less than 1.5, 2.5 percent of city revenue;

(3) for a city whose expenditure/unlimited aid ratio is at least 1.3 but less than 1.4, three percent of city revenue;

(4) for a city whose expenditure/unlimited aid ratio is at least 1.2 but less than 1.3, four percent of city revenue;

(5) for a city whose expenditure/unlimited aid ratio is at least 1.1 but less than 1.2, five percent of city revenue;

(6) for a city whose expenditure/unlimited aid ratio is at least 1.05 but less than 1.1, six percent of city revenue;

(7) for a city whose expenditure/unlimited aid ratio is at least 1.0 but less than 1.05, seven percent of city revenue;

(8) for a city whose expenditure/unlimited aid ratio is at least .95 but less than 1.0, 7.5 percent of city revenue;

(9) for a city whose expenditure/unlimited aid ratio is at least .75 but less than .95, 8.5 percent of city revenue; and

(10) for a city whose expenditure/unlimited aid ratio is less than .75, nine percent of city revenue.

In 1990, a city whose initial aid is greater than \$0 will receive an amount equal to the aid it received under this section in the year prior to that for which aids are being calculated plus an aid increase equal to 50 percent of the rates listed in clauses (1) to (10) multiplied by city revenue.

In 1991 and subsequent years, a city whose initial aid is greater than \$0 will receive an amount equal to the local government aid it

received under this section in the year prior to that for which aids are being calculated plus an aid increase equal to 25 eight percent of the rates listed in clauses (1) to (10) multiplied by city revenue.

In 1992 and subsequent years, a city will receive an amount equal to the local government aid it received under this section in the previous year.

A city's aid increase under this subdivision is limited to the lesser of (1) 20 percent of its levy for taxes payable in the year prior to that for which aids are being calculated after the adjustments provided in section 273.1398, subdivision 2, or (2) its initial aid amount, or (3) 15 percent of the total local government aid amount received under this section in the previous year, provided that no city will receive an increase that is less than two percent of its 1989 local government aid for aids payable in 1990.

A city whose initial aid is \$0 will receive in 1990 an amount equal to 102 percent of the local government aid it received in 1989 under Minnesota Statutes 1988, section 477A.013. A city whose initial aid is \$0 will receive in 1991 and subsequent years an amount equal to the aid it received in the previous year under this section. For purposes of this subdivision, the term "local government aid" includes does not include equalization aid for aids payable in 1991 and thereafter amounts under subdivision 5.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 477A.013, subdivision 5, is amended to read:

Subd. 5. [EQUALIZATION AID.] A city is eligible for equalization aid in 1990 only. The amount of the aid is equal to (1) the aid amount received under this subdivision in 1990 after the adjustments, if any, under subdivisions 6 and 7, plus an equalization aid increase equal to the product of (i) a city's average levy for the three immediately preceding years less the disparity reduction aids allocated to the city pursuant to Minnesota Statutes 1988, section 273.1398, subdivision 3, for the year prior to the aid distribution, and less the equalization aid it received under this subdivision in the year prior to that for which the aid is being calculated, (ii) .36 .30, and (iii) one minus the ratio of the net tax capacity per capita to 900; less (2) the local government aid increase for the city under subdivision 3. The equalization aid increase under this section is limited to 15 12 percent of the total local government aid the city received in 1989 under this section in the prior year. The aid under this section cannot be less than zero. For the purposes of this subdivision, "levy" includes a city's levy on fiscal disparities distribution under section 473F.08, subdivision 3, paragraph (a).

If the amount appropriated under section 477A.03, subdivision 1, is insufficient to pay the aid amounts calculated under this subdivision, the commissioner of revenue shall first proportionately

reduce the equalization aid increase for each city so that the sum of the equalization aid amounts paid under this subdivision equals the amount appropriated in section 477A.03, subdivision 1. If the equalization aid increase is reduced to zero and the amount appropriated under section 477A.03, subdivision 1, is still insufficient to pay the aid amounts under this subdivision, the remaining amount of equalization aid for each city will be reduced proportionately so that the sum of the aid paid under this subdivision equals the amount appropriated in section 477A.03, subdivision 1.

Sec. 13. Minnesota Statutes 1988, section 477A.013, is amended by adding a subdivision to read:

Subd. 7. [1990 CITY AID ADJUSTMENT.] For cities only in calendar year 1990, there shall be an amount, equal to .6 percent of a city's revenue base, subtracted from the aid amounts computed under subdivisions 3, 5, and 6. The subtraction will be made first from the local government aid computed under subdivisions 3 and 6. If the subtraction amount under this subdivision is greater than the local government aid computed under subdivisions 3 and 6, the remaining amount will be subtracted from the equalization aid computed under subdivisions 5 and 6. The resulting amounts shall be the city's local government aid and equalization aid for calendar year 1990. The local government aid and equalization aid amount for any city cannot be less than zero. If the subtraction amount under this section is greater than the aid amount for any city computed under subdivisions 3, 5, and 6, the remaining amount shall be subtracted from the city's homestead and agricultural credit aid under section 273.1398, subdivision 2.

Sec. 14. Minnesota Statutes 1988, section 477A.03, subdivision 1, is amended to read:

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Budget" means the budget adopted by the special taxing district to determine its levy for property taxes payable in 1990. It

includes changes in the budget formally adopted by the governing body of the district before March 15, 1990.

(b) "General fund" means the general fund or equivalent current operating fund of the special taxing district. It does not include a separate fund to pay for capital improvements and equipment or other capital costs.

(c) "Projected unreserved fund balance" means for the district's general fund the sum of the balance at the end of 1989 and the projected revenues for 1990 in its budget, less the budgeted amount of current, general fund expenditures for 1990. Current expenditures include budgeted payments to other public agencies or entities for their operations to the extent that the source of the payment is derived 25 percent or more from the district's property tax levy. Federal aid or other nonproperty tax revenues (other than homestead and agricultural credit aid) must be excluded from computation of the unreserved fund balance, if the revenues are passed through or paid to another entity and the expenditures are also excluded.

(d) "Special taxing district" or "district" means a political subdivision with the authority to levy property taxes, other than a city, county, or school district.

Subd. 3. [REPORTING OF RESERVE FUNDS.] By May 15, 1990, each special taxing district must report to the commissioner of revenue the following amounts: (1) its projected unreserved fund balance, (2) the revenues to be derived from its property tax levy and homestead and agricultural credit aid for taxes payable in 1990, and (3) the general fund expenditures authorized by its budget for 1990.

Subd. 4. [REDUCTION IN AID PAYMENTS.] The commissioner shall reduce the homestead and agricultural credit aid payments in calendar year 1990 to the district by the amount of the excess of the projected unreserved fund balance, over the greater of (1) 50 percent of its levy before reduction for homestead and agricultural credit aid and disparity reduction aid or (2) 20 percent of its general fund expenditures authorized by its 1990 budget. If the commissioner calculates that the sum of the reductions under this subdivision for all districts exceeds \$3,000,000, the commissioner shall proportionately reduce the amount for each district so that the total reduction is \$3,000,000.

December 31, the amount of rent constituting property taxes shall be computed as follows:

(i) The net tax shall be reduced by 1/12 for each month remaining in the calendar year.

(ii) In calculating the denominator of the fraction pursuant to section 290A.03, subdivision 11, the gross rent paid through the last month of claimant's occupancy shall be substituted for "the gross rent paid for the calendar year for the property in which the unit is located."

The renter shall supply the commissioner with a statement from the county treasurer which gives the amount of property tax on the parcel, the address and property tax parcel identification number of the property, and the number of units in the building.

Subdivision 1. [AUTHORIZATION.] Notwithstanding section 477A.016 or any other law, a statutory or home rule charter city may by ordinance, and a town may by the affirmative vote of the electors at the annual town meeting, or at a special town meeting, impose a tax of up to ~~six~~ three percent on the gross receipts from the furnishing for consideration of lodging at a hotel, motel, rooming

house, tourist court, or resort, other than the renting or leasing of it for a continuous period of 30 days or more. A statutory or home rule charter city may by ordinance impose the tax authorized under this subdivision on the camping site receipts of a municipal campground.

Sec. 6. Minnesota Statutes 1989 Supplement, section 469.190, subdivision 2, is amended to read:

Subd. 2. [EXISTING TAXES.] No statutory or home rule charter city or town may impose a tax under this section upon transient lodging that, when combined with any tax authorized by special law or enacted prior to 1972, exceeds a rate of ~~six~~ three percent.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 469.190, subdivision 3, is amended to read:

Subd. 3. [DISPOSITION OF PROCEEDS.] Ninety-five percent of the gross proceeds from ~~the first three percent of~~ any tax imposed under subdivision 1 shall be used by the statutory or home rule charter city or town to fund a local convention or tourism bureau for the purpose of marketing and promoting the city or town as a tourist or convention center. This subdivision shall not apply to any statutory or home rule charter city or town that has a lodging tax authorized by special law or enacted prior to 1972 at the time of enactment of this section.

Sec. 8. [LOCAL OPTION TAX; REPEALER.]

If a city or town imposed a tax under Laws 1989, First Special Session chapter 1, article 8, the tax so imposed is repealed on January 1, 1993, or the date the tax is repealed by the city or town, whichever is earlier.

Sec. 9. [BLOOMINGTON-LODGING TAX.]

Notwithstanding Minnesota Statutes, section 469.190, 477A.016, or other law, in addition to the tax authorized in Laws 1986, chapter 391, section 4, the governing body of the city of Bloomington may impose a tax of up to one percent on the gross receipts from the furnishing for consideration of lodging at a hotel, motel, rooming house, tourist court, or resort, other than the renting or leasing of it for a continuous period of 30 days or more, located in the city. The city may agree with the commissioner of revenue that a tax imposed under this section shall be collected by the commissioner together with the tax imposed by Minnesota Statutes, chapter 297A, and subject to the same interest, penalties, and other rules and that its proceeds, less the cost of collection, shall be remitted to the city. The proceeds of the tax must be used to promote tourism within the city. This section is repealed effective for sales made after January 1, 1993.

Sec. 10. [ROSEVILLE LODGING TAX.]

Notwithstanding Minnesota Statutes, section 477A.016, or other law, in addition to a tax authorized in Minnesota Statutes, section 469.190, the governing body of the city of Roseville may impose a tax of up to two percent on the gross receipts from the furnishing for consideration of lodging at a hotel, motel, rooming house, tourist court, or resort, other than the renting or leasing of it for a continuous period of 30 days or more, located in the city. The city may agree with the commissioner of revenue that a tax imposed under this section shall be collected by the commissioner together with the tax imposed by Minnesota Statutes, chapter 297A, and subject to the same interest, penalties, and other rules and that its proceeds, less the cost of collection, shall be remitted to the city. The proceeds of the tax shall be dedicated to and used to pay the costs of the construction, debt service, operation, and maintenance of a public multiuse speed skating/bandy facility within the city to the extent the costs exceed any revenues derived from the lease, rental, or operation of the facility. This section is repealed effective for sales made after January 1, 1993.

Sec. 11. [EFFECTIVE DATE.]

Sections 1 and 2 are effective for sales after June 30, 1990.

ARTICLE 6

TAX INCREMENT FINANCING

Section 1. [273.1399] [REDUCTION IN STATE TAX INCREMENT FINANCING AID PAYMENTS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Qualifying captured tax capacity" means the captured tax capacity of a tax increment financing district for which certification was requested after April 30, 1990.

(b) The terms defined in section 469.174 have the meanings given in that section.

Subd. 2. [REPORTING.] The county auditor shall calculate the qualifying captured tax capacity amount for each municipal part of each school district in the county and report the amounts to the commissioner of revenue at the time and in the manner prescribed by the commissioner.

Subd. 3. [CALCULATION OF EDUCATION AIDS.] For each school district containing qualifying captured tax capacity, the commissioner of education shall compute a hypothetical state aid amount that would be paid to the school district if the qualifying captured tax capacity were divided by the sales ratio and included in the school district's adjusted tax capacity for purposes of calculating state aids. The commissioner of education shall notify the commissioner of revenue of the difference between the actual aid paid and the hypothetical aid amounts calculated for each school district, broken down by the municipality that approved the tax increment financing district containing the qualifying captured tax capacity. The resulting amount is the reduction in state tax increment financing aid.

Subd. 4. [LOCAL GOVERNMENT AIDS; HOMESTEAD AND AGRICULTURAL AID CALCULATIONS.] (a) The reduction in state tax increment financing aid for a municipality must be deducted first from the local government aids to be paid to the municipality. If the deduction exceeds the amount of the local government aid, the remainder must be deducted from the homestead and agricultural credit aid to be paid to the municipality.

(b) The amount of qualifying captured tax capacity must be included in adjusted tax capacity for purposes of computing the local government aid of the municipality that approved the tax increment financing district.

Sec. 2. Minnesota Statutes 1988, section 469.129, subdivision 2, is amended to read:

Subd. 2. [REVENUE BONDS.] A city may authorize, issue, and sell revenue bonds under section 469.178, subdivision 4, to refund the principal of and interest on general obligation bonds originally issued to finance a development district, or one or more series of bonds one of which series was originally issued to finance a development district, for the purpose of relieving the city of restrictions on the application of tax increments or for other purposes authorized by law. The refunding bonds shall not be subject to the conditions set

out in section 475.67, subdivisions 11 and 12. Tax increments received by the city with respect to the district may be used to pay the principal of and interest on the refunding bonds and to pay premiums for insurance or other security guaranteeing the payment of their principal and interest when due. Tax increments may be applied in any manner permitted by section 469.176, subdivisions 2 and 4. Bonds may not be issued under this subdivision after May 1, 1990.

Sec. 3. Minnesota Statutes Second 1989 Supplement, section 469.174, subdivision 7, is amended to read:

Subd. 7. [ORIGINAL NET TAX CAPACITY.] (a) Except as provided in paragraph (b), "original net tax capacity" means the tax capacity of all taxable real property within a tax increment financing district as most recently certified by the commissioner of revenue as of the date of the request by an authority for certification by the county auditor, together with subsequent adjustments as set forth in section 469.177, subdivisions 1 and 4. In determining the original net tax capacity the net tax capacity of real property exempt from taxation at the time of the request shall be zero, except for real property which is tax exempt by reason of public ownership by the requesting authority and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the net tax capacity of the property shall be the net tax capacity as most recently determined by the commissioner of revenue.

(b) The original net tax capacity of any designated hazardous substance site or hazardous substance subdistrict shall be determined as of the date the authority certifies to the county auditor that the ~~agency or municipality~~ authority has entered a redevelopment or other agreement for the removal actions or remedial actions specified in a development response action plan, or otherwise provided funds to finance the development response action plan. The original net tax capacity equals (i) the net tax capacity of the parcel or parcels in the site or subdistrict, as most recently determined by the commissioner of revenue, less (ii) the estimated costs of the removal actions and remedial actions as specified in a development response action plan to be undertaken with respect to the parcel or parcels, (iii) but not less than zero.

(c) The original net tax capacity of a hazardous substance site or subdistrict shall be increased by the amount by which it was reduced pursuant to paragraph (b), clause (ii), upon certification by the municipality that the cost of the removal and remedial actions specified in the development response action plan, except for long-term monitoring and similar activities, have been paid or reimbursed.

(d) For purposes of this subdivision, "real property" shall include

any property normally taxable as personal property by reason of its location on or over publicly owned property.

Sec. 4. Minnesota Statutes Second 1989 Supplement, section 469.174, subdivision 10, is amended to read:

Subd. 10. [REDEVELOPMENT DISTRICT.] (a) "Redevelopment district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that one of the following conditions, reasonably distributed throughout the district, exists:

(1) parcels consisting of 70 percent of the area of the district are occupied by buildings, streets, utilities, or other improvements and more than 50 percent of the buildings, not including outbuildings, are structurally substandard to a degree requiring substantial renovation or clearance; or

(2) parcels consisting of 70 percent of the area of the district are occupied by buildings, streets, utilities, or other improvements and 20 percent of the buildings are structurally substandard and an additional 30 percent of the buildings are found to require substantial renovation or clearance in order to remove such existing conditions as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety, and general well being of the community; or

(3) the property consists of vacant, unused, underused, inappropriately used, or infrequently used railyards, rail storage facilities, or excessive or vacated railroad rights-of-way.

(b) For purposes of this subdivision, "structurally substandard" shall mean containing defects in structural elements or a combination of deficiencies in essential utilities and facilities, light and ventilation, fire protection including adequate egress, layout and condition of interior partitions, or similar factors, which defects or deficiencies are of sufficient total significance to justify substantial renovation or clearance.

A building is not structurally substandard if it is in compliance with the building code applicable to new buildings or could be modified to satisfy the building code at a cost of less than 15 percent of the cost of constructing a new structure of the same square footage and type on the site. The municipality may find that a building is not disqualified as structurally substandard under the preceding sentence on the basis of reasonably available evidence, such as the size, type, and age of the building, the average cost of plumbing, electrical, or structural repairs, or other similar reliable evidence. If the evidence supports a reasonable conclusion that the

building is not disqualified as structurally substandard, the municipality may make such a determination without an interior inspection or an independent, expert appraisal of the cost of repair and rehabilitation of the building.

(c) For purposes of this subdivision, a parcel is not occupied by buildings, streets, utilities, or other improvements unless 15 percent of the area of the parcel contains improvements.

(d) For districts consisting of two or more noncontiguous areas, each area must qualify as a redevelopment district under paragraph (a), clauses (1) to (3), to be included in the district, and the entire area of the district must satisfy paragraph (a).

Sec. 5. Minnesota Statutes 1988, section 469.174, is amended by adding a subdivision to read:

Subd. 10a. [RENEWAL AND RENOVATION DISTRICT.] "Renewal and renovation district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that:

(1)(i) parcels consisting of 70 percent of the area of the district are occupied by buildings, streets, utilities, or other improvements; (ii) 20 percent of the buildings are structurally substandard; (iii) 30 percent of the other buildings require substantial renovation or clearance to remove existing conditions such as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety, and general well-being of the community; and

(2) the conditions described in clause (1) are reasonably distributed throughout the geographic area of the district.

Sec. 6. Minnesota Statutes 1988, section 469.174, subdivision 12, is amended to read:

Subd. 12. [ECONOMIC DEVELOPMENT DISTRICT.] "Economic development district" means a type of tax increment financing district which consists of any project, or portions of a project, not meeting the requirements found in the definition of redevelopment district, renewal and renovation district, soils condition district, mined underground space development district, or housing district, but which the authority finds to be in the public interest because:

(1) it will discourage commerce, industry, or manufacturing from moving their operations to another state or municipality; or

(2) it will result in increased employment in the municipality state; or

(3) it will result in preservation and enhancement of the tax base of the municipality state.

Sec. 7. Minnesota Statutes 1988, section 469.174, is amended by adding a subdivision to read:

Subd. 21. [CREDIT ENHANCED BONDS.] "Credit enhanced bonds" means special obligation bonds that are:

(1) payable primarily from tax increments (i) derived from a tax increment financing district within which the activity financed by the bonds is located and (ii) estimated on the date of issuance to be sufficient to pay when due the debt service on the bonds, and

(2) further secured by tax increments (i) derived from one or more tax increment financing districts and (ii) determined by the issuer to be necessary in order to make the marketing of the bonds feasible.

Sec. 8. Minnesota Statutes 1988, section 469.175, subdivision 1a, is amended to read:

Subd. 1a. [INCLUSION OF COUNTY ROAD COSTS.] (a) The county board may require the authority to pay all or a portion of the cost of county road improvements out of increment revenues, if the following conditions occur:

(1) the proposed tax increment financing plan or an amendment to the plan contemplates construction of a development that will, in the judgment of the county, substantially increase the use of county roads requiring construction of road improvements or other road costs; and

~~(2) the proposed tax increment financing district is a soils condition district; and~~

~~(3) the road improvements or other road costs, in the opinion of the county, would not reasonably be expected to be needed within the reasonably foreseeable future if the tax increment financing plan were not implemented.~~

(b) If the county elects to use increments to finance the road improvements, the county must notify the authority and municipality within 30 days after receipt of the information on the proposed tax increment district under subdivision 2. The notice must include the estimated cost of the road improvements and schedule for construction and payment of the cost. The authority must include the improvements in the tax increment financing plan. The improve-

ments may be financed with the proceeds of tax increment bonds or the authority and the county may agree that the county will finance the improvements with county funds to be repaid in installments, with or without interest, out of increment revenues. If the cost of the road improvements and other project costs exceed the projected amount of the increment revenues, the county and authority shall negotiate an agreement, modifying the development plan or proposed road improvements that will permit financing of the costs before the tax increment financing plan may be approved.

Sec. 9. Minnesota Statutes 1988, section 469.175, is amended by adding a subdivision to read:

Subd. 1b. [REDEVELOPMENT PROJECT AREAS.] (a) Each redevelopment district must be included in a redevelopment project area. The geographic area of the redevelopment project area must be set forth in the tax increment financing plan for the district and may not be increased in size more than five years after adoption of the tax increment financing plan.

(b) A redevelopment project area must meet, at least, the following minimum requirements.

(1) The geographic area of the project area is contiguous and compact.

(2) Parcels consisting of 50 percent or more of the area (excluding public parks, streets, and other public rights-of-way) of the project area were occupied by buildings, structures or other improvements, as defined in section 469.174, subdivision 10, paragraph (c), during the previous five-year period.

(c) The municipality must find and demonstrate that the project area meets at least two of the following requirements:

(1) the fair market value of properties contained in the area, as determined for purposes of property taxation, has declined by five percent or more over the preceding five-year period;

(2) the area is characterized by one or more of the following: excessive vacant land on which buildings or structures had been located, vacant buildings, substandard buildings and structures, or delinquencies in the payment of property taxes; or

(3) a substantial proportion of the buildings in the area contain residential units and five percent or more of the housing units in the area are contained in buildings meeting the definition of a substandard building under section 273.1316, regardless of whether the building has been cited for violating the provisions of section 273.1316.

Sec. 10. Minnesota Statutes Second 1989 Supplement, section 469.175, subdivision 3, is amended to read:

Subd. 3. [MUNICIPALITY APPROVAL.] A county auditor shall not certify the original net tax capacity of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority that proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. The published notice must include a map of the area of the district from which increments may be collected and, if the project area includes additional area, a map of the project area in which the increments may be expended. The hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project. Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:

(1) that the proposed tax increment financing district is a redevelopment district, a renewal or renovation district, a mined underground space development district, a housing district, a soils condition district, or an economic development district; if the proposed district is a redevelopment district or a renewal or renovation district, the reasons and supporting facts for the determination that the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) ~~to (5)~~ and (2), or subdivision 10a, must be retained and made available to the public by the authority until the district has been terminated.

(2) that the proposed development or redevelopment, in the opinion of the municipality, would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future and therefore the use of tax increment financing is deemed necessary.

(3) that the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole.

(4) that the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as

a whole, for the development or redevelopment of the project by private enterprise.

(5) that the municipality elects the method of tax increment computation set forth in section 469.177, subdivision 3, clause (b), if applicable.

When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority, or the plan shall be deemed approved. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for the financing.

Sec. 11. Minnesota Statutes 1989 Supplement, section 469.175, subdivision 4, is amended to read:

Subd. 4. [MODIFICATION OF PLAN.] (a) A tax increment financing plan may be modified by an authority, provided that any reduction or enlargement of geographic area of the project or tax increment financing district, increase in amount of bonded indebtedness to be incurred, including a determination to capitalize interest on the debt if that determination was not a part of the original plan, or to increase or decrease the amount of interest on the debt to be capitalized, increase in the portion of the captured net tax capacity to be retained by the authority, increase in total estimated tax increment expenditures or designation of additional property to be acquired by the authority shall be approved upon the notice and after the discussion, public hearing, and findings required for approval of the original plan; provided that if an authority changes the type of district from housing, redevelopment, or economic development to another type of district, this change shall not be considered a modification but shall require the authority to follow the procedure set forth in sections 469.174 to 469.179 for adoption of a new plan, including certification of the net tax capacity of the district by the county auditor. If a redevelopment district or a renewal and renovation district is enlarged, the reasons and supporting facts for the determination that the addition to the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) to (5) and (2), or subdivision 10a, must be documented. The requirements of this paragraph do not apply if (1) the only modification is elimination of parcels from the project or district and (2)(A) the current net tax capacity of the parcels eliminated from the district equals or exceeds the net tax capacity of those parcels in the district's original net tax capacity or (B) the authority agrees that, notwithstanding section 469.177, subdivision 1, the original net tax capacity will be reduced by no more than the current net tax

capacity of the parcels eliminated from the district. The authority must notify the county auditor of any modification that reduces or enlarges the geographic area of a district or a project area.

(b) The geographic area of a tax increment financing district may be reduced, but shall not be enlarged after five years following the date of certification of the original net tax capacity by the county auditor or after August 1, 1984, for tax increment financing districts authorized prior to August 1, 1979.

Sec. 12. Minnesota Statutes 1988, section 469.175, is amended by adding a subdivision to read:

Subd. 4a. [REVERSE REFERENDUM.] (a) The municipality's approval of the tax increment financing plan under subdivision 3 or an amendment of the plan that is required by subdivision 4 to be adopted using the procedures for the adoption of an original plan is not effective for a 60-day period following the date of approval by the municipality.

(b) Upon receipt of a petition signed by a qualifying number of qualified voters in the municipality, the adoption of the tax increment financing plan or the amendments to the plan is suspended until a referendum of all qualified voters in the municipality is held. For purposes of this subdivision, a qualifying number of voters means the number equal to the greater of (1) five percent of the voters who voted in the last general election or (2) the lesser of (A) 200 voters or (B) 50 percent of the registered voters in the municipality.

(c) The governing body of the municipality must hold a special election not less than 30 nor more than 90 days after receipt of the petition. If a general or municipal election or another special election is scheduled to occur in the municipality within this time period, the governing body must hold the referendum at the same time. The action of the municipality in approving the plan or amendments to the plan is effective only upon approval of a majority of the voters voting on the question. If creation of a district or expansion of the area of a district is rejected by the voters, the city may not include all or part of the area in another tax increment financing district for a period of two years.

(d) The provisions of this paragraph do not apply to approval of a tax increment financing plan for certification of a new district or amendment of a plan for an existing district, if the municipality submits the proposed plan or amendments to a citizen review board, neighborhood council, committee, or other similar body of residents that are representative of the individuals living in the municipality and in the area affected by the development. The board, council, committee, or other body must have the authority to review,

comment on, and recommend modifications to the plan or amendment.

The provisions of this subdivision do not apply to the approval of a housing district or to the amendment of a plan for an existing housing district, if the initial request for certification of the district was filed after May 1, 1990.

Sec. 13. Minnesota Statutes Second 1989 Supplement, section 469.175, subdivision 7, is amended to read:

Subd. 7. [CREATION OF HAZARDOUS SUBSTANCE SUBDISTRICT; RESPONSE ACTIONS.] (a) An authority which is creating or has created a tax increment financing district may establish within the district a hazardous substance subdistrict upon the notice and after the discussion, public hearing, and findings required for approval of or modification to the original plan. The geographic area of the subdistrict is made up of any parcels in the district designated for inclusion by the municipality or authority that are designated hazardous substance sites, and any additional parcels in the district designated for inclusion that are contiguous to the hazardous substance sites, including parcels that are contiguous to the site except for the interposition of a right-of-way. Before or at the time of approval of the tax increment financing plan or plan modification providing for the creation of the hazardous substance subdistrict, the authority must make the findings under paragraphs (b) to (d), and set forth in writing the reasons and supporting facts for each.

(b) Development or redevelopment of the site, in the opinion of the authority, would not reasonably be expected to occur solely through private investment and tax increment otherwise available, and therefore the hazardous substance district is deemed necessary.

(c) Other parcels that are not designated hazardous substance sites are expected to be developed together with a designated hazardous substance site.

(d) The subdistrict is not larger than, and the period of time during which increments are elected to be received is not longer than, that which is necessary in the opinion of the municipality authority to provide for the additional costs due to the designated hazardous substance site.

(e) Upon request by an authority that has incurred expenses for removal or remedial actions to implement a development response action plan, the attorney general may:

(1) bring a civil action on behalf of the authority to recover the expenses, including administrative costs and litigation expenses, under section 115B.04 or other law; or

(2) assist the authority in bringing an action as described in clause (1), by providing legal and technical advice, intervening in the action, or other appropriate assistance.

The decision to participate in any action to recover expenses is at the discretion of the attorney general.

(f) If the attorney general brings an action as provided in paragraph (e), clause (1), the authority shall certify its reasonable and necessary expenses incurred to implement the development response action plan and shall cooperate with the attorney general as required to effectively pursue the action. The certification by the authority is prima facie evidence that the expenses are reasonable and necessary. The attorney general may deduct litigation expenses incurred by the attorney general from any amounts recovered in an action brought under paragraph (e), clause (1). The authority shall reimburse the attorney general for litigation expenses not recovered in an action under paragraph (e), clause (1), but only from the additional tax increment required to be used as described in section 469.176, subdivision 4e. The authority must reimburse the attorney general for litigation expenses incurred to assist in bringing an action under paragraph (e), clause (2), but only from amounts recovered by the authority in an action or, if the amounts are insufficient, from the additional tax increment required to be used as described in section 469.176, subdivision 4e. All money recovered or paid to the attorney general for litigation expenses under this paragraph shall be paid to the general fund of the state for deposit to the account of the attorney general. For the purposes of this section, "litigation expenses" means attorney fees and costs of discovery and other preparation for litigation.

(g) The authority shall reimburse the pollution control agency for its administrative expenses incurred to review and approve a development action response plan. The authority must reimburse the pollution control agency for expenses incurred for any services rendered to the attorney general to support the attorney general in actions brought or assistance provided under paragraph (e), but only from amounts recovered by the municipality or authority in an action brought under paragraph (e) or from the additional tax increment required to be used as described in section 469.176, subdivision 4e. All money paid to the pollution control agency under this paragraph shall be deposited in the environmental response, compensation and compliance fund.

(h) Actions taken by an authority consistent with a development response action plan are deemed to be authorized response actions for the purpose of section 115B.17, subdivision 12. An authority that takes actions consistent with a development response action plan qualifies for the defenses available under sections 115B.04, subdivision 11, and 115B.05, subdivision 9.

(i) All money recovered by an authority in an action brought under paragraph (e) in excess of the amounts paid to the attorney general and the pollution control agency must be treated as excess increments and be distributed as provided in section 469.176, subdivision 2, clause (4), to the extent the removal and remedial actions were initially financed with increment revenues.

Sec. 14. Minnesota Statutes 1988, section 469.175, is amended by adding a subdivision to read:

Subd. 8. [PAYMENT OF DEBT SERVICE ON CREDIT ENHANCED BONDS.] A tax increment financing plan may provide for the use of the tax increment to pay, or secure payment of, debt service on credit enhanced bonds issued to finance any project located within the boundaries of the municipality, whether or not the tax increment financing district from which the increment is derived is located within the boundaries of the project.

Sec. 15. Minnesota Statutes Second 1989 Supplement, section 469.176, subdivision 1, is amended to read:

Subdivision 1. [DURATION OF TAX INCREMENT FINANCING DISTRICTS.] (a) Subject to the limitations contained in paragraphs (b) to (g), any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as the bonds continue to be outstanding. The municipality may, at the time of approval of the initial tax increment financing plan, provide for a shorter maximum duration limit than specified in paragraphs (b) to (g). The specified limit applies in place of the otherwise applicable limit.

(b) The tax increment pledged to the payment of the bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to the maturity or redemption date.

(c) For bonds issued pursuant to section 469.178, subdivisions 2 and 3, the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full.

(d) No tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original net tax capacity of the taxable real property in the district by the county auditor or after August 1, 1982, for tax increment financing districts authorized prior to

August 1, 1979, unless within the three-year period (1) bonds have been issued pursuant to section 469.178, or in aid of a project pursuant to any other law, except revenue bonds issued pursuant to sections 469.152 to 469.165, prior to August 1, 1979, or (2) the authority has acquired property within the district, or (3) the authority has constructed or caused to be constructed public improvements within the district.

(e) No tax increment shall in any event be paid to the authority from a redevelopment district (1) after 25 years from date of receipt by the authority of the first tax increment, after 25 years from the date of the receipt for a housing district, after 25 years from the date of the receipt for a mined underground space development district, (2) after 20 years after receipt of the first increment for a redevelopment or housing district, (3) after 15 years after receipt of the first increment for a renewal and renovation district, (4) after 12 years from approval of the tax increment financing plan for a soils condition district, and (5) after eight years from the date of the receipt, or ten years from approval of the tax increment financing plan, whichever is less, for an economic development district.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after April 1, 2001, or the term of a nondefeased bond or obligation outstanding on April 1, 1990, secured by increments from the district or project area, whichever time is greater, provided that in no case will a tax increment be paid to an authority after August 1, 2009, from such a district. If a district's termination date is extended beyond April 1, 2001, because bonds were outstanding on April 1, 1990, with maturities extending beyond April 1, 2001, the following restrictions apply. No increment collected from the district may be expended after April 1, 2001, except to pay or defease (i) bonds issued before April 1, 1990, or (ii) bonds issued to refund the principal of the outstanding bonds and pay associated issuance costs, provided the average maturity of the refunding bonds does not exceed the bonds refunded.

(f) Modification of a tax increment financing plan pursuant to section 469.175, subdivision 4, shall not extend the durational limitations of this subdivision.

(g) If a parcel of a district is part of a designated hazardous substance site or a hazardous substance subdistrict, tax increment may be paid to the authority from the parcel for longer than the period otherwise provided by this subdivision. The extended period for collection of tax increment begins on the date of receipt of the first tax increment from the parcel that is more than any tax increment received from the parcel before the date of the certification under section 469.175, subdivision 7, paragraph (b), and received after the date of certification to the county auditor described in section 469.175, subdivision 7, paragraph (b). The extended

period for collection of tax increment is the lesser of: (1) 25 years from the date of commencement of the extended period; or (2) the period necessary to recover the costs of removal actions or remedial actions specified in a development response action plan.

Sec. 16. Minnesota Statutes 1988, section 469.176, subdivision 2, is amended to read:

Subd. 2. [EXCESS TAX INCREMENTS.] (a) In any year in which the tax increment exceeds the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as provided in section 475.61, subdivision 3, the authority shall use the excess amount to do any of the following: (1) prepay any outstanding bonds, (2) discharge the pledge of tax increment therefor, (3) pay into an escrow account dedicated to the payment of such bond, or (4) return the excess amount to the county auditor who shall distribute the excess amount to the municipality, county, and school district in which the tax increment financing district is located in direct proportion to their respective tax capacity rates. The county auditor must report to the commissioner of education the amount of any excess tax increment distributed to a school district within 30 days of the distribution.

(b) The amounts distributed to a city or county must be deducted from the levy limits of the governmental unit for the following year. In calculating the levy limit base for later years, the amount deducted must be treated as a local government aid payment.

Sec. 17. Minnesota Statutes 1988, section 469.176, subdivision 3, is amended to read:

Subd. 3. [LIMITATION ON ADMINISTRATIVE EXPENSES.] (a) For districts for which certification was requested before August 1, 1979, or after June 30, 1982, no tax increment shall be used to pay any administrative expenses for a project which exceed ten percent of the total tax increment expenditures authorized by the tax increment financing plan or the total tax increment expenditures for the project, whichever is less.

(b) For districts for which certification was requested after July 31, 1979, and before July 1, 1982, no tax increment shall be used to pay administrative expenses for a project which exceeds five percent of the total tax increment expenditures authorized by the tax increment financing plan or the total tax increment expenditures for the project, whichever is less.

(c) For districts for which certification was requested after April 30, 1990, the total amount of revenue derived from tax increments that may be expended for administrative expenses is limited to ten percent of the increments collected in (1) the three years following

the date the first increment was received in the case of an economic development or soils condition district or (2) the six years following the date the first increment was received in case of any other district. If administrative expenses are paid out of the proceeds of tax increment bonds and if the increments collected during the period permitted under this paragraph are insufficient to repay the amounts, the authority or municipality must pay the difference into the bond fund out of other unrestricted moneys. The provisions of this paragraph do not apply to county administrative expenses under subdivision 4h.

Sec. 18. Minnesota Statutes 1989 Supplement, section 469.176, subdivision 4c, is amended to read:

Subd. 4c. [ECONOMIC DEVELOPMENT DISTRICTS.] (a) Revenue derived from tax increment from an economic development district may not be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form to developments consisting of buildings and ancillary facilities, if at least 25 percent of the buildings and facilities (determined on the basis of square footage) are used for the purposes listed in section 144(a)(8) of the Internal Revenue Code of 1986 (determined without regard to the 25 percent restriction in subparagraph (A)). The restrictions under this paragraph apply only to districts located in a purpose other than the manufacturing or production of tangible personal property (including processing resulting in the change in condition of the property) or warehousing, storage, and distribution of property (but excluding retail sales) or tourism facilities, if the tourism facility is not located in a development regions region, as defined in section 462.384, with populations a population in excess of 1,000,000. The percentage of buildings and facilities that may be used for nonqualifying purposes is increased to 25 percent (determined on the basis of square footage), if at least 15 percent of the nonqualifying square footage is directly related to and ancillary to the manufacturing or warehousing facility.

(b) Population must be determined under the provisions of section 477A.011. Tourism facilities are limited to hotel and motel properties (including ancillary restaurants), convention and meeting facilities, amusement parks, recreation facilities, cultural facilities, marinas, and parks. The city must find that the tourism facilities are intended primarily to serve individuals outside of the development region.

(c) If the authority financed the construction of improvements with increment revenues for a site on which the authority expected qualifying manufacturing, warehousing, or tourism property to be constructed and nonqualified property was constructed on the site in excess of the amount permitted under paragraph (a) within five years after the district was created, the developer of the nonqualified property must pay to the authority an amount equal to 90

percent of the benefit resulting from the improvements. The amount required to be paid may not exceed the proportionate cost of the improvements, including capitalized interest, that was financed with increment revenues. The payment is a developer payment under section 469.1765 and must be distributed as provided for excess increments under section 469.176, subdivision 2, paragraph (a), clause (4). "Benefit" has the meaning given in chapter 429.

Sec. 19. Minnesota Statutes Second 1989 Supplement, section 469.176, subdivision 4j, is amended to read:

Subd. 4j. [REDEVELOPMENT DISTRICTS.] (a) At least 90 percent of the revenues derived from tax increments from a redevelopment district or renewal and renovation district must be used to finance the cost of correcting conditions that allow designation of redevelopment and renewal and renovation districts under section 469.174, subdivision 10. These costs include are limited to acquiring properties containing structurally substandard buildings or improvements, acquiring adjacent parcels necessary to provide a site of sufficient size to permit development, demolition of structures, clearing of the land or other site preparation, and installation of utilities, roads, sidewalks, and parking facilities for the site. The allocated administrative expenses of the authority may be included in the qualifying costs.

(b) Qualifying costs for a redevelopment district must be expended for activities within the redevelopment project area.

Sec. 20. [469.1763] [VOLUME LIMITATIONS.]

Subdivision 1. [IMPOSITION.] A tax increment financing plan, including an amendment to a plan expanding the area from which tax increments may be collected, may not be approved by a municipality under section 469.175, subdivision 3, unless (1) the total captured tax capacity in the municipality is less than the municipality's final limit under subdivision 2, or (2) the boards of the school district and county in which the proposed district is located each approve the plan.

Subd. 2. [CALCULATION OF LIMITS.] (a) The commissioner of revenue shall calculate the limit of each municipality with captured tax capacity on or before March 15 of each year, based upon the tax capacity for taxes payable during the calendar year. The limit so calculated applies for districts certified during the 12-month period beginning on March 15.

(b) The limit for a municipality must be calculated as follows:

(1) the total tax capacity, including captured tax capacity, of all

cities must be divided by the total population of all cities. The resulting amount is the state per capita tax capacity;

(2) the state per capita tax capacity must be multiplied by the greater of the population of the city or 1,500 and the product multiplied by 12.5 percent. The resulting amount is the initial limit;

(3) the total tax capacity, including captured tax capacity, of the municipality must be divided by the population of the municipality. The resulting amount is the municipality's per capita tax capacity;

(4) the municipality's per capita tax capacity must be divided by the state per capita tax capacity and the resulting amount rounded to the nearest one-tenth;

(5) if the amount determined under clause (4) equals one, the initial limit is the final limit for the municipality;

(6) if the amount determined under clause (4) is less than one, the amount must be subtracted from one and the remainder multiplied by ten. The lesser of the resulting amount or five is the adjustment factor for the municipality. The final limit for the municipality equals the amount calculated under clause (2) except the sum of 12.5 and the adjustment factor must be substituted for 12.5 in the calculation;

(7) if the amount determined under clause (5) is greater than one, the excess of the amount over one must be rounded to the nearest one-tenth and multiplied by five. The lesser of the resulting amount or five is the adjustment factor for the municipality. The final limit for the municipality equals the amount calculated under clause (2), except that 12.5 minus the adjustment factor must be substituted for 12.5 in the calculation.

(c) If more than 25 percent of the housing units in the municipality were constructed before 1940, as reported by the most recent United States census, and if the municipality has a population of 20,000 or more, the limit is 17.5 percent of the state per capita tax capacity multiplied by the population of the municipality.

Subd. 3. [DEFINITION.] For purposes of this section, "population" means population as defined in section 477A.011, subdivision 3.

Sec. 21. [469.1764] [RESTRICTIONS ON POOLING; FIVE-YEAR LIMIT.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given.

(b) "Activities" mean acquisition of property, clearing of land, site

preparation, soils correction, removal of hazardous waste or pollution, installation of utilities, construction of public or private improvements, and other similar activities, but only to the extent that tax increment revenues may be spent for such purposes under other law. Activities do not include allocated administrative expenses, but do include engineering, architectural, and similar costs of the improvements in the district.

(c) "Third party" means an entity other than (1) the person receiving the benefit of assistance financed with tax increments, or (2) the municipality or the development authority or other person substantially under the control of the municipality.

Subd. 2. [EXPENDITURES OUTSIDE DISTRICT.] (a) For each tax increment financing district, an amount equal to at least 85 percent of the revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district. Not more than 15 percent of the revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. The revenue derived from tax increments for the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) Notwithstanding section 469.179, the provisions of this subdivision and subdivision 1 apply to districts and project areas for which certification for the collection of increment was requested before July 1, 1982, including those before August 1, 1979, and districts for which certification was requested after April 30, 1990.

(c) The provisions of this subdivision do not limit expenditure of increments to pay binding obligations entered into before May 1, 1990, or to pay bonds issued before May 1, 1990, or bonds issued pursuant to a binding obligation entered into before May 1, 1990, or subsequent refunding bonds, if the refunding bonds are payable solely from the same tax increment revenues or other nonincrement revenues as the prior bonds.

Subd. 3. [FIVE-YEAR RULE.] (a) Revenues derived from tax increments are considered to have been expended on an activity within the district under subdivision 2 only if one of the following occurs:

(1) before or within five years after certification of the district, the revenues are actually paid to a third party with respect to the activity;

(2) bonds, the proceeds of which must be used to finance the activity, are issued and sold to a third party before or within five years after certification and the revenues are expended to repay the bonds;

(3) binding contracts with a third party are entered into for performance of the activity before or within five years after certification of the district and the revenues are expended under the contractual obligation; or

(4) costs with respect to the activity are paid before or within five years after certification of the district and the revenues are spent to reimburse a party for payment of the costs.

(b) For purposes of this subdivision, bonds include subsequent refunding bonds if one of two tests is met: (1) the proceeds of the refunded bonds were expended on activities within five years after the district was certified or (2) the refunded bonds are issued within five years after the district was certified and the proceeds are expended on activities within a reasonable temporary period within the meaning of the use of that term under section 148(c)(1) of the Internal Revenue Code.

Subd. 4. [USE OF REVENUES FOR DECERTIFICATION.] Beginning with the sixth year following certification of the district, 85 percent of the revenues derived from tax increments paid by properties in the district that remain after the expenditures permitted under subdivision 3 must be used only to pay outstanding bonds, as defined in subdivision 3, clause (2), or contracts, as defined in subdivision 3, clauses (3) and (4). When the outstanding bonds have been defeased and when sufficient money has been set aside to pay contractual obligations as defined in subdivision 3, clause (3), the district must be decertified and the pledge of tax increment discharged.

Subd. 5. [APPLICATION.] Subdivisions 3 and 4 apply to districts for which certification is requested after April 30, 1990.

Sec. 22. [469.1765] [DEVELOPER PAYMENTS.]

(a) If the development agreement or other agreement or arrangement provides for the developer to repay all or a portion of the assistance provided that was financed with revenues derived from tax increments, the developer payments up to the amount of the subsidy must be treated as revenues derived from tax increments for the district and must be expended on qualifying project costs or distributed as excess increments as provided under section 469.176, subdivision 2, paragraph (a), clause (4). A developer includes a beneficiary of assistance financed with revenues derived from tax increments. Assistance includes sales of property at less than the cost of acquisition or fair market value, grants, ground, or other true

leases at less than fair market rent, interest rate subsidies, utility service or connections, roads, or other similar subsidies.

(b) Notwithstanding section 469.179, this subdivision applies to all districts, including districts and housing and redevelopment authority project areas, for which certification was requested before August 1, 1979.

Sec. 23. [469.1766] [LAND SALES.]

Properties acquired with revenues derived from tax increments may not be sold or transferred to a nongovernmental entity for a price less than fair market value. Fair market value must be determined at the time of the sale or transfer.

Sec. 24. Minnesota Statutes 1988, section 469.177, subdivision 8, is amended to read:

Subd. 8. [ASSESSMENT AGREEMENTS.] An authority may, upon entering into a development or redevelopment agreement pursuant to section 469.176, subdivision 5, enter into a written assessment agreement in recordable form with the a developer or redeveloper of property within the tax increment financing district which establishes a minimum market value of the land and completed improvements to be constructed thereon until a specified termination date, which date shall be not later than the date upon which tax increment will no longer be remitted to the authority pursuant to section 469.176, subdivision 1. The assessment agreement shall be presented to the county assessor, or city assessor having the powers of the county assessor, of the jurisdiction in which the tax increment financing district is located. The assessor shall review the plans and specifications for the improvements to be constructed, review the market value previously assigned to the land upon which the improvements are to be constructed and, so long as the minimum market value contained in the assessment agreement appears, in the judgment of the assessor, to be a reasonable estimate, shall execute the following certification upon the agreement:

The undersigned assessor, being legally responsible for the assessment of the above described property upon completion of the improvements to be constructed thereon, hereby certifies that the market value assigned to the land and improvements upon completion shall not be less than \$

Upon transfer of title of the land to be developed or redeveloped from the authority to the developer or redeveloper, the assessment agreement, together with a copy of this subdivision, shall be filed for record and recorded in the office of the county recorder or filed in the office of the registrar of titles of the county where the real estate or any part thereof is situated. Upon completion of the improvements by the developer or redeveloper, the assessor shall value the property

pursuant to section 273.11, except that the market value assigned thereto shall not be less than the minimum market value contained in the assessment agreement. Nothing herein shall limit the discretion of the assessor to assign a market value to the property in excess of the minimum market value contained in the assessment agreement nor prohibit the developer or redeveloper from seeking, through the exercise of administrative and legal remedies, a reduction in market value for property tax purposes; provided, however, that the developer or redeveloper shall not seek, nor shall the city assessor, the county assessor, the county auditor, any board of review, any board of equalization, the commissioner of revenue, or any court of this state grant a reduction of the market value below the minimum market value contained in the assessment agreement during the term of the agreement filed of record regardless of actual market values which may result from incomplete construction of improvements, destruction, or diminution by any cause, insured or uninsured, except in the case of acquisition or reacquisition of the property by a public entity. Recording or filing of an assessment agreement complying with the terms of this subdivision shall constitute notice of the agreement to any subsequent purchaser or encumbrancer of the land or any part thereof, whether voluntary or involuntary, and shall be binding upon them.

Sec. 25. Minnesota Statutes 1989 Supplement, section 469.177, subdivision 9, is amended to read:

Subd. 9. [DISTRIBUTIONS OF EXCESS TAXES ON CAPTURED NET TAX CAPACITY.] (a) If the amount of tax paid on captured net tax capacity exceeds the amount of tax increment, the county auditor shall distribute the excess to the municipality, county, and school district as follows: each governmental unit's share of the excess equals

(1) the total amount of the excess for the tax increment financing district, multiplied by

(2) a fraction, the numerator of which is the current tax capacity rate of the governmental unit less the governmental unit's tax capacity rate for the year the original tax capacity rate for the district was certified (in no case may this amount be less than zero) and the denominator of which is the sum of the numerators for the municipality, county, and school district.

If the entire increase in the tax capacity rate is attributable to a taxing district, other than the municipality, county, or school district, then the excess must be distributed to the municipality, county, and school district in proportion to their respective tax capacity rates.

The school district's tax rate must be divided into the portion of the tax rate attributable (1) to state equalized levies, and (2)

unequalized levies. Equalized levies mean the levies identified in section 273.1398, subdivision 2a and unequalized levies mean the remainder of the school district's levies. The calculations under clause (2) must determine the amount of excess taxes attributable to each portion of the school district's tax rate. If one of the portions of the change in the school district tax rate is less than zero and the combined change is greater than zero, the combined rate must be used and all the school district's share of excess taxes allocated to that portion of the tax rate.

(b) The amounts distributed shall be deducted in computing the levy limits of the taxing district for the succeeding taxable year. In the case of a school district only the proportion of the excess taxes attributable to unequalized levies that are subject to a fixed dollar amount levy limit shall be deducted from the levy limit.

(c) In the case of distributions to a school district that are attributable to state equalized levies, the county auditor shall report amounts distributed to the commissioner of education in the same manner as provided for excess increments under section 469.176, subdivision 2, and the distribution shall be treated as an excess increment for purposes of section 124.214, subdivision 3 be deducted from the school district's state aid payments.

Sec. 26. Minnesota Statutes Second 1989 Supplement, section 469.177, subdivision 10, is amended to read:

Subd. 10. [PAYMENT TO SCHOOL FOR REFERENDUM LEVY.]

(a) The provisions of this subdivision apply to tax increment financing districts and projects for which certification was requested before May 1, 1988, that are located in a school district in which the voters have approved new tax capacity rates or an increase in tax capacity rates after the tax increment financing district was certified.

(b) (1) if there are no outstanding bonds on May 1, 1988, to which increment from the district is pledged, or (2) if the referendum is approved after May 1, 1988, and there are no bonds outstanding at the time the referendum is approved, that were issued before May 1, 1988, or (3) if the referendum increasing the tax capacity rate was approved after the most recent issue of bonds to which increment from the district is pledged. If clause (1) or (2) applies, the authority must annually pay to the school district an amount of increment equal to the increment that is attributable to the increase in the tax capacity rate under the referendum.

(2) If clause (3) applies (1) does not apply, upon approval by a majority vote of the governing body of the municipality and the school board, the authority must pay to the school district an amount of increment equal to the increment that is attributable to the increase in the tax capacity rate under the referendum.

(c) The amounts of these increments may be expended and must be treated by the school district in the same manner as provided for the revenues derived from the referendum levy approved by the voters. The provisions of this subdivision apply to projects for which certification was requested before, on, and after August 1, 1979.

Sec. 27. [469.1771] [VIOLATIONS.]

Subdivision 1. [ENFORCEMENT.] (a) The commissioner of revenue and the county auditor shall enforce the provisions of sections 469.174 to 469.179. In addition, the owner of taxable property located in the city, town, school district, or county in which the tax increment financing district is located may bring suit for equitable relief or for damages, as provided in subdivisions 3 and 4, arising out of a failure of a municipality or authority to comply with the provisions of sections 469.174 to 469.179, or related provisions of chapter 469. The prevailing party in a suit filed under the preceding sentence is entitled to costs, including reasonable attorney fees.

(b) Notwithstanding paragraph (a), the responsibility for financial and compliance auditing of political subdivisions' use of tax increment financing remains with the state auditor. The commissioner of revenue may audit an authority's use of tax increment financing. If the state auditor finds evidence that an authority or municipality has violated a provision of the law for which a remedy is provided under this section, the state auditor shall forward the relevant information to the commissioner of revenue.

Subd. 2. [COLLECTION OF INCREMENT.] If an authority includes or retains a parcel of property in a tax increment financing district that does not qualify for inclusion or retention within the district, the authority must pay to the county auditor an amount of money equal to 110 percent of the increment collected from the property for the year or years. The property must be eliminated from the original and captured tax capacity of the district effective for the current property tax assessment year.

Subd. 3. [EXPENDITURE OF INCREMENT.] If an authority expends revenues derived from tax increments, including the proceeds of tax increment bonds, (1) for a purpose that is not a permitted project under section 469.176, (2) for a purpose that is not permitted under section 469.176 for the district from which the increment was received, or (3) on activities outside of the geographic area in which the revenues may be expended under this chapter, the authority must pay to the county auditor an amount equal to 110 percent of the expenditures made in violation of the law.

Subd. 4. [DISPOSITION OF PAYMENTS.] If the authority does not have sufficient increments or other available moneys to make a payment required by this section, the municipality that approved the district must use any available moneys to make the payment

including the levying of property taxes. Moneys received by the county auditor under this section must be distributed as excess increments under section 469.176, subdivision 2, paragraph (a), clause (4). No distributions may be made to the municipality that approved the tax increment financing district.

Subd. 5. [APPLICATION.] This section applies to increments collected from tax increment financing districts and projects for which certification was requested before, on, and after August 1, 1979.

Sec. 28. [469.1781] [REQUIRED EXPENDITURES FOR NEIGHBORHOOD REVITALIZATION.]

(a) The provisions of this section apply to a city of the first class if the following conditions are met:

(1) the city refunded bonds and revenues, derived from increment from a district for which certification was requested before August 1, 1979, were pledged to pay the bonds;

(2) the refunding bonds were issued after April 1, 1988, and before April 1, 1990;

(3) the refunded bonds' obligations were due and payable in full by the calendar year 2002 and the refunding bonds' obligations are payable, in whole or part, during the calendar years 2001 through 2009; and

(4) the city had in place during 1989 an ordinance providing for excess increments to be distributed under section 469.176, subdivision 2, paragraph (a), clause (4) and the city modified the ordinance to eliminate all or part of the distributions of excess increments.

(b) For calendar years 1990 through 2001 inclusive, in each year the city must expend for a neighborhood revitalization program, as established under section 29, an amount of revenues derived from tax increments equal to at least:

(1) the amount of the additional principal and interest payments that would have been due for the year on the refunded bonds, if the bonds had not been refunded; and

(2) the amount of moneys which would have been distributed as excess increments under the city ordinance had it not been modified.

Sec. 29. [469.1831] [NEIGHBORHOOD REVITALIZATION PROGRAMS; FIRST CLASS CITIES.]

Subdivision 1. [DEFINITIONS.] (a) For the purposes of this section, the following terms have the meanings given them.

(b) "Neighborhood action plan" means the plan developed with the participation of neighborhood residents under subdivision 6.

(c) "Neighborhood revitalization program" or "program" means the program developed under subdivision 5.

(d) "Neighborhood revitalization program money" or "program money" means the money derived from tax increments required to be expended on the program under section 28, paragraph (b).

Subd. 2. [ESTABLISHMENT.] A city of the first class may establish a neighborhood revitalization program authorizing the expenditure of neighborhood revitalization program money. The activities of a program must preserve and enhance within the neighborhood private and public physical infrastructure, public health and safety, economic vitality, the sense of community, and social benefits.

Subd. 3. [PURPOSES; QUALIFYING COSTS.] (a) A neighborhood revitalization program may provide for expenditure of program money for the following purposes:

(1) to eliminate blighting influences by acquiring and clearing or rehabilitating properties that, the city finds, have caused or will cause a decline in the value of properties in the area or will increase the probability that properties in the area will be allowed to physically deteriorate;

(2) assist in the development of industrial properties that provide employment opportunities paying a livable income to the residents of the neighborhood and that will not adversely affect the overall character of the neighborhood;

(3) rehabilitate, renovate or replace neighborhood commercial and retail facilities necessary to maintain neighborhood vitality;

(4) eliminate health hazards through the removal of hazardous waste and pollution and return of land to productive use, if the responsible party is unavailable or unable to pay for the cost;

(5) rehabilitate existing housing and encourage homeownership;

(6) construct new housing, where appropriate;

(7) rehabilitate and construct new low income, affordable rental housing;

(8) remove vacant and boarded up houses; and

(9) rehabilitate or construct public facilities necessary to carry out the purpose of the program.

Subd. 4. [PROGRAM MONEY; DISTRIBUTION AND RESTRICTIONS.] (a) Neighborhood revitalization program money may only be expended in accordance with the program for a purpose listed in subdivision 3 or this subdivision. Program money may not be used in those project areas of the city where private investment is occurring without public sector assistance except in cases where program money is being used to remove or rehabilitate structurally substandard or obsolete buildings. Revenues derived from tax increments may only be expended for the purposes otherwise permitted by law, except that notwithstanding any law to the contrary, the city must pay, at least, 25 percent of the program money, including revenues derived from tax increments, each to (1) the county and (2) the school district. The payment must be made to the county and school district within 15 days after the city receives the distribution of increment revenues, provided that the payment for calendar year 1990 may be made at any time during the year.

(b) One-half of the money distributed to the county in a calendar year must be deducted from the county's levy limit for the following calendar year. In calculating the county's levy limit base for later years, the amount deducted must be treated as a local government aid payment.

The city must notify the commissioner of education of the amount of the payment made to the school district for the year. The commissioner shall deduct from the school district's state education aid payments one-half of the amount received by the school district.

The program money paid to the school district must be expended for additional education programs and services in accordance with the program, and the program money paid to the county must be expended for social services in accordance with the program. The amounts expended by the school district may not replace existing services.

(c) The city must expend on housing programs and related purposes as provided by the program, at least, 75 percent of the program money, after deducting the payments to the school district and county.

(d) Notwithstanding any other provisions of law to the contrary, for a city of the first class qualifying under section 469.1781, paragraph (a), program money may be expended anywhere within the city by the authority for a purpose permitted by this section for any political subdivision.

Subd. 5. [NEIGHBORHOOD REVITALIZATION PROGRAM; CONTENTS.] (a) The neighborhood revitalization program must be developed based on the following general principles:

(1) The social needs of neighborhood residents, particularly lower income residents, must be addressed to provide a safe and healthy environment for neighborhood residents, provide for the self sufficiency of families, and increase the economic and social stability of neighborhoods;

(2) The children residing in the neighborhoods must be given the opportunity for a quality education and the needs of each neighborhood must be addressed individually wherever possible; and

(3) The physical structure of the neighborhoods must be enhanced by providing safe and suitable housing and infrastructure to increase the desirability of neighborhoods as places to live.

(b) The neighborhood revitalization program must include the following:

(1) the identification of the neighborhoods that require assistance through the program;

(2) a strategy of the citizen participation required under subdivision 6;

The neighborhood workshops must include the participation of, whenever possible, all populations and interests in each neighborhood including renters, homeowners, people of color, business owners, representatives of neighborhood institutions, youth, and the elderly. The neighborhood action plan must be submitted to the policy board established under (c). The city must provide available resources, information and technical assistance to prepare the neighborhood action plans.

(c) Each city that develops a program must establish a policy board whose membership includes members of the city council, county board, school board, and citywide library and park board where they exist appointed by the respective governing bodies; the mayor or designee of the mayor; and a representative from the city's house of representatives delegation and a representative from the city's state senate delegation appointed by the respective delegation. The policy board may also include representatives of citywide community organizations, neighborhood organizations, business owners, labor and neighborhood residents. The elected officials who are members of the policy board may appoint the other members of the board.

(d) The policy board shall review, modify where appropriate, and approve, in whole or in part, the neighborhood action plans and forward its recommendations for final action to the governing bodies represented on the policy board. The governing bodies shall review, modify where appropriate, and give final approval, in whole or in part, to those actions over which they have programmatic jurisdiction.

Subd. 7. [REVIEW OF PROGRAM COMPLIANCE.] The policy board must periodically review the activities funded with program money to determine if the expenditure of the program money is in compliance with the neighborhood revitalization program.

If the tax increments have been pledged, together with tax increments to be derived from other property, to the payment of bonds now outstanding, the tax increments derived from the other property must be used first to pay the bonds, and the tax increments from the blighted railroad property may be used only if and to the extent the other tax increments are insufficient for this purpose.

ARTICLE 7

TAXPAYERS' BILL OF RIGHTS

Section 1. [270.0602] [BASIS FOR EVALUATION OF DEPARTMENT OF REVENUE EMPLOYEES.]

The department of revenue must not use tax enforcement results to impose individual revenue quotas with respect to employees or their immediate supervisors who are directly involved in assessment or collection activities. The department may, however, use individual performance with regard to number of cases completed and, in the case of collections employees, dollars collected, as factors in evaluating an employee and not be considered as failing to comply with this section.

Sec. 2. [270.0603] [DISCLOSURE OF RIGHTS OF TAXPAYERS.]

Subdivision 1. [IN GENERAL.] The commissioner of revenue shall, as soon as practicable, but not later than 180 days after the date of enactment of this act, prepare a statement that sets forth in simple and nontechnical terms:

(1) the rights and obligations of the department of revenue and the taxpayer during an audit;

(2) the procedures by which a taxpayer may appeal an adverse decision of the department, including administrative and judicial appeals;

(3) the procedures for filing refund claims and filing of taxpayer complaints; and

(4) the procedures that the department may use in enforcing the tax laws, including assessment, jeopardy assessment, levy and distraint, and the filing of liens.

Subd. 2. [TRANSMISSION TO LEGISLATURE.] The commissioner shall provide drafts of the statement required under subdivision 1 to the chairs of the house and senate tax committees for proposed revisions of the statement.

Subd. 3. [DISTRIBUTION.] The statement prepared in accordance with subdivisions 1 and 2 must be distributed by the commis-

sioner to all taxpayers contacted with respect to the determination or collection of a tax, other than the providing of tax forms. Failure to receive the statement does not invalidate the determination or collection action.

Sec. 3. Minnesota Statutes 1988, section 270.07, is amended by adding a subdivision to read:

Subd. 6. [ABATEMENT OF PENALTY.] (a) A request for abatement of penalty under subdivision 1, under section 289A.14, subdivision 4, or under paragraph (c), must be filed with the commissioner within 60 days of the date the notice was mailed to the taxpayer's last known address, stating that a penalty has been imposed.

(b) If the commissioner issues an order denying a request for abatement of penalty, the taxpayer may, except as limited under subdivision 1, file an administrative appeal as provided in section 289A.16 or appeal to tax court as provided in section 271.06.

If the commissioner does not issue an order on the abatement request within 60 days from the date the request is received, the taxpayer may appeal to tax court as provided in section 271.06.

(c) The commissioner shall abate any part of a penalty or additional tax charge under section 289A.026, subdivision 2, or 289A.027, subdivision 4, attributable to erroneous advice given to the taxpayer in writing by an employee of the department acting in an official capacity, if the advice:

(1) was reasonably relied on and was in response to a specific written request of the taxpayer; and

(2) was not the result of failure by the taxpayer to provide adequate or accurate information.

Sec. 4. Minnesota Statutes 1989 Supplement, section 270.10, subdivision 1a, is amended to read:

Subd. 1a. [NOTIFICATION TO TAXPAYER.] At the same time that notice of the assessment, determination, or order of the commissioner is given to a taxpayer, the taxpayer must be notified in writing of the right to appeal to the tax court, and if applicable, to the small claims division. Except in the case of mathematical or clerical errors, the notice must contain a description of the basis for, including applicable law and other factors considered in the determination, and a listing of the amounts of tax due, interest, additions to tax, and penalties. Failure to provide all the required information does not invalidate the notice for purposes of satisfying statutory notice requirements if the notice contains sufficient information to

advise the taxpayer that an assessment, order, or other determination has been made. The taxpayer may request further clarification within the time provided for appealing the determination. In any notice of assessment, determination, or order dealing with property valuation or assessment for property tax purposes by the commissioner of revenue or a local unit of government, the taxpayer must be notified in writing that a taxpayer must appeal to the town or city board of equalization and to the county board of equalization before appealing to the small claims division of the tax court, except for those taxpayers whose original assessments are determined by the commissioner of revenue.

Sec. 5. [270.272] [PROCEDURES INVOLVING IN-PERSON TAXPAYER INTERVIEWS.]

Subdivision 1. [RECORDING OF INTERVIEWS.] (a) In connection with an interview with a taxpayer relating to the audit or collection of a tax, and on advance request of the taxpayer, an employee of the department of revenue shall allow the taxpayer to make an audio recording of the interview at the taxpayer's expense and with the taxpayer's equipment.

(b) An employee of the department may record an interview described in paragraph (a) if the taxpayer is informed of the recording before the interview and a transcript or copy of the recording is made available to the taxpayer on the taxpayer's request, provided the department is reimbursed by the taxpayer for the cost of transcribing or copying the recording.

Subd. 2. [SAFEGUARDS.] (a) Before or at the start of an initial interview, an employee of the department shall provide to the taxpayer in the case of an audit interview an explanation of the audit process and the taxpayer's rights under that process and, in the case of a collection interview, an explanation of the collection process and the taxpayer's rights under that process.

(b) If a taxpayer requests to consult with an attorney, accountant, agent, preparer, or any other person permitted to represent the taxpayer before the department at any time during an interview, except an interview initiated by an administrative subpoena, the interview must be suspended for no more than 30 days.

Subd. 3. [REPRESENTATIVES HOLDING POWER OF ATTORNEY.] An attorney, accountant, agent, preparer, or any other person permitted to represent the taxpayer before the department who has a written power of attorney executed by the taxpayer may represent the taxpayer in an interview described in subdivision 1. The taxpayer may be required to accompany the representative only if an administrative subpoena is issued. In this instance, with the consent of an immediate supervisor and after ten days' notice to the representative, the department employee may notify the taxpayer

directly that the employee believes the representative is unreasonably delaying the examination or investigation process.

Subd. 4. [NOT TO APPLY TO CERTAIN INVESTIGATIONS.] This section does not apply to criminal investigations or investigations relating to the conduct of an employee of the department.

Sec. 6. [270.273] [TAXPAYER ASSISTANCE ORDERS; TAXPAYER'S RIGHTS ADVOCATE.]

Subdivision 1. [AUTHORITY TO ISSUE.] On application filed by a taxpayer with the department of revenue taxpayer's rights advocate, in the form, manner, and in the time prescribed by the commissioner, and after thorough investigation, the taxpayer's rights advocate may issue a taxpayer assistance order if, in the determination of the taxpayer's rights advocate, the manner in which the state tax laws are being administered is creating or will create an unjust and inequitable result for the taxpayer.

Subd. 2. [TERMS OF A TAXPAYER ASSISTANCE ORDER.] A taxpayer assistance order may require the department to release property of the taxpayer levied on, cease any action, or refrain from taking any action to enforce the state tax laws against the taxpayer, until the issue or issues giving rise to the order have been resolved.

Subd. 3. [AUTHORITY TO MODIFY OR RESCIND.] A taxpayer assistance order issued by the taxpayer's rights advocate under this section may be modified or rescinded by the commissioner.

Subd. 4. [SUSPENSION OF RUNNING OF PERIOD OF LIMITATION.] The running of the period of limitation with respect to an action described in subdivision 2 is suspended from the date of the taxpayer assistance order until the expiration date of the order or, if modified, the expiration date of the modified order or, if rescinded, the date of the rescission.

Subd. 5. [INDEPENDENT ACTION OF TAXPAYER'S RIGHTS ADVOCATE.] This section does not prevent the taxpayer's rights advocate from taking action in the absence of an application under subdivision 1.

Subd. 6. [TAXPAYER'S RIGHTS ADVOCATE.] For purposes of this section, the term "taxpayer's rights advocate" includes a designee of the taxpayer's rights advocate. The taxpayer's rights advocate shall represent the interests of taxpayers who have grievances against the department in connection with an audit or collection activity, and shall report directly to the commissioner. A determination of the taxpayer's rights advocate under this section to issue or to not issue a taxpayer assistance order is final, and cannot be appealed to the tax court or any other court.

Sec. 7. [270.274] [REVIEW OF JEOPARDY ASSESSMENT AND LEVY PROCEDURES.]

Subdivision 1. [ADMINISTRATIVE REVIEW.] Within five days after a jeopardy assessment or collection is made to assess or collect a tax administered by the commissioner of revenue, the commissioner shall provide the taxpayer with a written statement of the information relied on in making the assessment or levy. Within 30 days after the written statement is provided or, if not provided, within 35 days after the assessment or levy, the taxpayer may request the commissioner to review the action taken. After a request for review, the commissioner shall determine whether the assessment or levy is reasonable and whether the amount assessed or demanded as a result of the action is appropriate under the circumstances.

Subd. 2. [JUDICIAL REVIEW.] A determination by the commissioner under subdivision 1 is appealable to the tax court in the manner provided by law, and the appeal must be expeditiously heard by the court. If the court determines that the making of the assessment or levy is unreasonable, or that the amount assessed or demanded is inappropriate, the court may order the commissioner to release the levy, abate the assessment, redetermine in whole or in part the amount assessed or demanded, or take other action. A determination by the court under this subdivision is final and may not be appealed by either party.

Subd. 3. [BURDEN OF PROOF.] In a proceeding under subdivision 2, the burden of proving that the assessment or collection of the tax was jeopardized by delay is on the commissioner. Regarding the issue of whether the amount assessed or demanded as a result of the action is appropriate, the commissioner shall provide a written statement explaining the basis for determining the amount, and the burden is on the taxpayer to show that the statement is incorrect or invalid.

Sec. 8. [270.275] [CIVIL DAMAGES FOR FAILURE TO RELEASE LIEN.]

Subdivision 1. [IN GENERAL.] (a) A taxpayer may bring a civil action for damages against the commissioner in district court when an employee or the department has knowingly or negligently:

(1) failed to release a lien as required by section 270.69, subdivision 11; or

(2) failed to release a lien within 30 days after satisfaction of the liability on which the lien is based.

(b) An action under paragraph (a), clause (2), must be preceded by

30 days written notice by the taxpayer to the commissioner and the taxpayer's rights advocate that the lien has not been released. An action under paragraph (a) must be commenced within two years after the date the right of action accrued.

Subd. 2. [DAMAGES.] On a finding of liability on the part of the defendant in an action brought under subdivision 1, the defendant is liable to the plaintiff in an amount equal to the sum of actual, direct economic damages sustained by the plaintiff due to the actions of the defendant, plus the costs of the action. Damages must be paid in accordance with section 3.736, subdivision 7.

Subd. 3. [MITIGATION OF DAMAGES.] Damages awarded must be reduced by the amount of the damages that could reasonably have been mitigated by the plaintiff.

Sec. 9. [270.276] [CIVIL DAMAGES FOR CERTAIN UNAUTHORIZED COLLECTION ACTIONS.]

Subdivision 1. [IN GENERAL.] If in connection with the collection of previously determined delinquent taxes from a taxpayer of a state tax administered by the commissioner of revenue, an employee of the department recklessly or intentionally disregards a state tax law or rule, the taxpayer may bring a civil action for damages against the commissioner in district court within two years after the date the right of action accrues.

Subd. 2. [DAMAGES.] On a finding of liability on the part of the defendant in an action brought under subdivision 1, the defendant is liable to the plaintiff in an amount equal to the lesser of \$100,000, or the sum of (1) actual, direct economic damages sustained by the plaintiff as a proximate result of the reckless or intentional actions of the employee and (2) the costs of the action. Damages must be paid in accordance with section 3.736, subdivision 7.

Subd. 3. [LIMITATIONS.] A judgment for damages must not be awarded under subdivision 2 unless the court determines that the plaintiff has exhausted the administrative remedies available to the plaintiff within the department. Damages awarded must be reduced by the amount of the damages that could reasonably have been mitigated by the plaintiff.

Subd. 4. [PENALTIES FOR PROCEDURES INSTITUTED PRIMARILY FOR DELAY.] When it appears to the district court that:

(1) proceedings before it under this section have been instituted or maintained by the taxpayer primarily for delay;

(2) the taxpayer's position in such proceeding is frivolous or groundless; or

(3) the taxpayer unreasonably failed to pursue available administrative remedies,

the district court, in its decision, may require the taxpayer to pay to the department of revenue a penalty not in excess of \$25,000. The penalty may be assessed and, upon notice and demand, may be collected in the same manner as a tax.

Sec. 10. Minnesota Statutes 1989 Supplement, section 270.69, subdivision 11, is amended to read:

Subd. 11. [ERRONEOUS LIENS.] After the filing of a notice of lien under this section on the property or rights to property of a person, the person may appeal to the commissioner, in the form and at the time prescribed by the commissioner, alleging an error in the filing of the lien and requesting its release. If the commissioner of revenue determines that the filing of the notice of any lien was erroneous, within 14 days after the determination, the commissioner must issue a certificate of release of the lien. The certificate must include a statement that the filing of the lien was erroneous. In the event that the ~~claim~~ lien is erroneous and is not released within the 14-day period, reasonable attorney fees shall be paid. Damages must be paid in accordance with section 3.736, subdivision 7.

Sec. 11. Minnesota Statutes 1988, section 270.70, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY OF COMMISSIONER.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the date of assessment of the tax, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property, including any property in the possession of law enforcement officials, of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37 and amounts received under United States Code, title 29, chapter 19, as amended through December 31, 1989) or property on which there is a lien provided in section 270.69. For this purpose, the term "tax" shall include any penalty, interest and costs properly payable. The term "levy" includes the power of distraint and seizure by any means.

Sec. 12. Minnesota Statutes 1988, section 270.70, subdivision 2, is amended to read:

Subd. 2. [NOTICE AND DEMAND; COLLECTION BY LEVY; JEOPARDY COLLECTION.] Before a levy is made, notice and demand for payment of the amount due shall ~~must~~ be given to the person liable for the payment or collection of the tax at least ~~ten~~ 30 days prior to the levy. If the commissioner has reason to believe that

collection of the tax is in jeopardy, notice and demand for immediate payment of the tax may be made by the commissioner. If the tax is not paid, the commissioner may proceed to collect by levy without regard to the ten day period provided herein. The notice required under this subdivision must be sent to the taxpayer's last known address and must include a brief statement that sets forth in simple and nontechnical terms:

(1) the administrative appeals available to the taxpayer with respect to the levy and sale; and

(2) the alternatives available to the taxpayer that can prevent a levy, including installment payment agreements under section 270.67, subdivision 2.

Sec. 13. Minnesota Statutes 1988, section 270.70, subdivision 4, is amended to read:

Subd. 4. [STAY OF SALE.] (a) Where a jeopardy assessment or any other assessment has been made by the commissioner, the property seized for collection of the tax shall not be sold until the time has expired for filing an appeal of the assessment with the tax court pursuant to chapter 271. If an appeal has been filed, no sale shall be made unless the taxes remain unpaid for a period of more than 30 days after final determination of the appeal by the tax court or by the appropriate judicial forum.

(b) Notwithstanding clause (a), seized property may be sold if

(i) the taxpayer consents in writing to the sale, or

(ii) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that such property cannot be kept without great expense.

The tax court has jurisdiction to review a determination made under clause (b)(ii). Review is commenced by motion of the commissioner or the taxpayer. The order of the court in response to the motion is reviewable in the same manner as any other decision of the tax court.

Sec. 14. Minnesota Statutes 1988, section 270.70, subdivision 8, is amended to read:

Subd. 8. [SURRENDER OF PROPERTY SUBJECT TO LEVY.] Any person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy, upon demand by the commissioner, shall be liable personally to the state of Minnesota in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for

the collection of which such levy has been made. Any amount recovered under this subdivision shall be credited against the tax liability for the collection of which such levy was made. A financial institution need not surrender funds on deposit until ten days after service of the levy.

Sec. 15. Minnesota Statutes 1988, section 270.70, is amended by adding a subdivision to read:

Subd. 17. [UNECONOMICAL LEVY.] No levy may be made on property if the amount of the expenses that the commissioner estimates would be incurred by the department with respect to the levy and sale of the property exceeds the fair market value of the property at the anticipated time of levy.

Sec. 16. Minnesota Statutes 1988, section 270.70, is amended by adding a subdivision to read:

Subd. 18. [LEVY ON APPEARANCE DATE OF SUBPOENA.] No levy may be made on the property of a person on the day on which the person, or an officer or employee of the person, is required to appear in response to a subpoena issued by the commissioner to collect unpaid taxes, unless the commissioner determines that the collection of the tax is in jeopardy.

Sec. 17. Minnesota Statutes 1988, section 270.701, is amended by adding a subdivision to read:

Subd. 6. [RIGHT TO REQUEST SALE OF SEIZED PROPERTY WITHIN 60 DAYS.] The owner of property seized by levy may request that the commissioner offer to sell the property within 60 days after the request, or within a longer period requested by the owner. The request must be complied with unless the commissioner determines and notifies the owner within that period that compliance is not in the best interests of the state of Minnesota. A determination by the commissioner not to comply with the request is appealable to the tax court in the manner provided by law.

Sec. 18. Minnesota Statutes 1988, section 270.709, subdivision 1, is amended to read:

Subdivision 1. [RELEASE OF LEVY.] It shall be lawful for the commissioner to release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release shall not operate to prevent any subsequent levy. The commissioner shall release a levy on all or part of the property or rights to property levied on and shall promptly notify the person on whom the levy was made that the levy has been released if: (1) the liability for which the levy was made is satisfied or has become

unenforceable by lapse of time; (2) release of the levy will facilitate collection of the liability; (3) the taxpayer has entered into an installment payment agreement under section 270.67, subdivision 2, unless the agreement provides otherwise, or unless release of the levy will jeopardize the status of the department as a secured creditor; or (4) the fair market value of the property exceeds the liability, and release of the levy on a part of the property can be made without hindering collection. In the case of tangible personal property essential in carrying on the trade or business of the taxpayer, the commissioner shall provide for an expedited determination under this subdivision. A release of levy under this subdivision does not prevent a subsequent levy on the property released.

Sec. 19. Minnesota Statutes 1988, section 271.12, is amended to read:

271.12 [WHEN ORDER EFFECTIVE.]

No order for refundment by the commissioner of revenue, the appropriate unit of government, or the tax court shall take effect until the time for appeal therefrom or review thereof by all parties entitled thereto has expired. Otherwise every order of the commissioner, the appropriate unit of government, or the tax court shall take effect immediately upon the filing thereof, and no appeal therefrom or review thereof shall stay the execution thereof or extend the time for payment of any tax or other obligation unless otherwise expressly provided by law; provided, that in case an order which has been acted upon, in whole or in part, shall thereafter be set aside or modified upon appeal, the determination upon appeal or review shall supersede the order appealed from and be binding upon all parties affected thereby, and such adjustments as may be necessary to give effect thereto shall be made accordingly; and provided further, the tax court may enjoin enforcement of the order of the commissioner being appealed. If it be finally determined upon such appeal or review that any person is entitled to refundment of any amount which has been paid for a tax or other obligation, such amount, unless otherwise provided by law, shall be paid to the person by the state treasurer, or other proper officer, out of funds derived from taxes of the same kind, if available for the purpose, or out of other available funds, if any, with interest at the rate specified in section 270.76 from the date of payment of the tax, unless a different rate of interest is otherwise provided by law, in which case such other rate shall apply, upon certification by the commissioner of revenue, the appropriate unit of government, the tax court or the supreme court.

If, within 120 days after a decision of the tax court becomes final, the commissioner does not refund the overpayment determined by the court, together with interest, on motion by the taxpayer, the tax court shall have jurisdiction to order the refund of the overpayment and interest, and to award reasonable litigation costs for bringing

the motion. If any tax, assessment, or other obligation be increased upon such appeal or review, the increase shall be added to the original amount, and may be enforced and collected therewith.

Sec. 20. Minnesota Statutes 1988, section 271.19, is amended to read:

271.19 [COSTS AND DISBURSEMENTS.]

Upon the determination of any appeal under this chapter before the tax court, or of any review hereunder by the supreme court, the costs and disbursements may be taxed and allowed in favor of the prevailing party and against the losing party as in civil actions. In any case where a person liable for a tax or other obligation has lost an appeal or review instituted by the person, and the tax court or court shall determine that the person instituted the same merely for the purposes of delay, or that the taxpayer's position in the proceedings is frivolous, additional costs, commensurate with the expense incurred and services performed by the agencies of the state in connection with the appeal, but not exceeding \$5,000 in any case, may be allowed against the taxpayer, in the discretion of the tax court or court. Costs and disbursements allowed against any such person shall be added to the tax or other obligation determined to be due, and shall be payable therewith. To the extent described in section 3.761, where an award of costs and attorney fees is authorized under section 3.762, the costs and fees shall be allowed against the state, including expenses incurred by the taxpayer to administratively protest or appeal to the department of revenue the order, decision, or report of the commissioner that is the subject of the tax court proceedings. Costs and disbursements allowed against the state or other public agencies shall be paid out of funds received from taxes or other obligations of the kind involved in the proceeding, or other funds of the agency concerned appropriated and available therefor. Witnesses in proceedings under this chapter shall receive like fees as in the district court, to be paid in the first instance by the parties by whom the witnesses were called, and to be taxed and allowed as herein provided.

Sec. 21. Minnesota Statutes, section 289A.11, as added in 1990 Legislative Session, H. F. No. 2480, article 7, section 23, is amended by adding a subdivision to read:

Subd. 9. [PETITION IN TAX COURT; REFUND OF INTEREST.] Notwithstanding any other law, within one year after a decision of the tax court upholding an assessment of the commissioner of revenue becomes final, if the taxpayer has paid the assessment in full, plus interest calculated by the commissioner, the taxpayer may petition the tax court to reopen the case solely for a determination that the interest paid exceeds the interest legally due, and if so, the amount of the overpayment. A determination of overpayment of interest under this subdivision is a determination of overpayment of

tax under section 271.12, and is reviewable in the same manner as any other decision of the tax court.

Sec. 22. [ALTERNATIVE DISPUTE RESOLUTION; LETTER RULINGS; STUDY.]

For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. Each certificate shall state upon its face for which fund the proceeds thereof shall be used, the total amount of certificates so issued, and the whole amount embraced in the levy for that particular purpose. They shall be numbered consecutively, be in denominations of \$100 or a multiple thereof, may have interest coupons attached, shall be otherwise of such form and terms, and may be made payable at such place, as will best aid in their negotiation, and the proceeds of the tax assessed and collected on account of the fund and the full faith and credit of the county shall be irrevocably pledged for the redemption and payment of the certificates so issued. “Subd. 6. St. Cloud, Bemidji, and Winona Campuses	2,500,000
--	-----------

This appropriation is to be used for developing a model for projecting college campus library needs 15 years into the future. The model must take into account anticipated changes in technology affecting publishing, storage, access and reference, electronics, administration, and other related capabilities appropriate to a comprehensive library and the efficient use of its resources. The model must be applied to evaluate the future needs of the library at the St. Cloud, Bemidji, and Winona campuses. A report must be made by

the state board to the education divisions of the senate finance and house appropriations committees by February 1, 1991, describing the model, its application to the needs of the libraries at the St. Cloud, Bemidji, and Winona campuses, and how it might be used as a model by other state universities, the University of Minnesota, community colleges, and technical colleges for evaluating their campus library needs."

Subd. 6. [PURCHASE.] Notwithstanding Minnesota Statutes, section 352.01, subdivision 11, any member of the Minnesota state retirement system currently employed by the Willmar Regional Treatment Center who left state service to attend the University of Michigan, Ann Arbor, between February 1966 and April 1968 may obtain allowable service credit for that period.

The calculation must also assume a future salary history that includes annual salary increases at the salary increase rate specified in Minnesota Statutes, section 356.215, subdivision 4d. The person requesting the purchase of prior service shall establish in the records of the fund or association sufficient proof of the service for which the purchase of prior service is requested.
