Subd. 3a. [UNINSURED AND UNDERINSURED MOTORIST COVERAGES.] (1) No plan of reparation security may be renewed, delivered or issued for delivery, or executed in this state with respect to any motor vehicle registered or principally garaged in this state unless separate uninsured and underinsured motorist coverages are provided therein. Each coverage, at a minimum, must provide limits of \$25,000 because of injury to or the death of one person in any accident and \$50,000 because of injury to or the death of two or more persons in any accident. In the case of injury to, or the death of, two or more persons in any accident, the amount available to any one person must not exceed the coverage limit provided for injury to, or the death of, one person in any accident.

(2) Every owner of a motor vehicle registered or principally garaged in this state shall maintain uninsured and underinsured motorist coverages as provided in this subdivision.

(3) No reparation obligor is required to provide limits of uninsured and underinsured motorist coverages in excess of the bodily injury liability limit provided by the applicable plan of reparation security.

(4) No recovery shall be permitted under the uninsured and underinsured motorist coverages of this section for basic economic loss benefits paid or payable, or which would be payable but for any applicable deductible.

(5) If at the time of the accident the injured person is occupying a motor vehicle, the limit of liability for uninsured and underinsured motorist coverages available to the injured person is the limit specified for that motor vehicle. However, if the injured person is occupying a motor vehicle of which the injured person is not an insured, the injured person may be entitled to excess insurance protection afforded by a policy in which the injured party is otherwise insured. The excess insurance protection is limited to the extent of covered damages sustained, and further is available only to the extent by which the limit of liability for like coverage applicable to any one motor vehicle listed on the automobile insurance policy of which the injured person is an insured exceeds the limit of liability of the coverage available to the injured person from the occupied motor vehicle.

If at the time of the accident the injured person is not occupying a motor vehicle or motorcycle, the injured person is entitled to select any one limit of liability for any one vehicle afforded by a policy under which the injured person is insured.

(6) Regardless of the number of policies involved, vehicles involved, persons covered, claims made, vehicles or premiums shown on the policy, or premiums paid, in no event shall the limit of liability for uninsured and underinsured motorist coverages for two or more motor vehicles be added together to determine the limit of

insurance coverage available to an injured person for any one accident.

(7) The uninsured and underinsured motorist coverages required by this subdivision do not apply to bodily injury of the insured while occupying a motor vehicle owned by the insured, unless the occupied vehicle is an insured motor vehicle.

(8) The uninsured and underinsured motorist coverages required by this subdivision do not apply to bodily injury of the insured while occupying a motorcycle owned by the insured.

Sec. 2. [EFFECTIVE DATE; APPLICABILITY.]

Section 1 is effective August 1, 1990, and applies to all contracts issued or renewed on or after that date and all injuries occurring on or after that date."

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 796, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 796 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1989 Supplement, section 176.135, subdivision 1, is amended to read:

Subdivision 1. [MEDICAL, PSYCHOLOGICAL, CHIROPRACTIC, PODIATRIC, SURGICAL, HOSPITAL.] (a) The employer shall furnish any medical, psychological, chiropractic, podiatric, surgical and hospital treatment, including nursing, medicines, medical, chiropractic, podiatric, and surgical supplies, crutches and apparatus, including artificial members, or, at the option of the employee, if the employer has not filed notice as hereinafter provided, Christian Science treatment in lieu of medical treatment, chiropractic medicine and medical supplies, as may reasonably be required at the time of the injury and any time thereafter to cure and relieve from the effects of the injury. This treatment shall include treatments necessary to physical rehabilitation. Exposure to rabies is an injury and an employer shall furnish preventive treatment to employees exposed to rabies. The employer shall furnish replacement or repair for artificial members, glasses, or spectacles, artificial eyes, podiatric orthotics, dental bridge work, dentures or artificial teeth, hearing aids, canes, crutches, or wheel chairs damaged by reason of an injury arising out of and in the course of the employment. In case of the employer's inability or refusal seasonably to do so the employer is liable for the reasonable expense incurred by or on behalf of the employee in providing the same, including costs of copies of any medical records or medical reports that are in existence, obtained from health care providers, and that directly relate to the items for which payment is sought under this chapter, limited to the charges allowed by subdivision 7, and attorney fees incurred by the employee. No action to recover the cost of copies may be brought until the commissioner adopts a schedule of reasonable charges under subdivision 7. Attorney's fees shall be determined on an hourly basis according to the criteria in section 176.081, subdivision 5. The employer shall pay for the reasonable value of nursing services by a

member of the employee's family in cases of permanent total disability.

(b) Both the commissioner and the compensation judges have authority to make determinations under this section in accordance with sections 176.106 and 176.305."

Delete the title and insert:

Subd. 28. [AGE.] "Age" insofar as it refers to any prohibited unfair employment or education practice shall be deemed to protect only those individuals. The prohibition against unfair employment or education practices based on age prohibits using a person's age as a basis for a decision if the person is over the age of majority except for section 363.03, subdivision 5 which shall be deemed to protect any individual over the age of 25 years.

Sec. 2. Minnesota Statutes 1988, section 363.02, is amended by adding a subdivision to read:

Subd. 8. [LAW ENFORCEMENT AGENCIES.] Notwithstanding any other provision of this chapter, a law enforcement agency filling a peace officer position or part-time peace officer position may require or request an applicant to undergo psychological evaluation before a job offer is made provided that the psychological evaluation is for those job-related abilities set forth by the board of peace officer standards and training for psychological evaluations and is otherwise lawful. A law enforcement agency may, after notifying an applicant for a peace officer or part-time peace officer position that the law enforcement agency is commencing a background investigation on the applicant, request the applicant's date of birth, gender, and race on a separate form for the sole and exclusive purpose of conducting a criminal history check, a driver's license check, and fingerprint criminal history inquiry. The form shall include a statement indicating why the data is being collected and what its limited use will be. No document which has date of birth, gender, or race information will be included in the information given to or available to any person who is involved in selecting the person or persons employed other than the background investigator. No person may act both as background investigator and be involved in the selection of an employee except that the background investigator's report about background may be used in that selection as long as no direct or indirect references are made to the applicant's race, age, or gender.

Sec. 3. Minnesota Statutes 1988, section 363.02, is amended by adding a subdivision to read:

Subd. 9. [EMPLOYEE HEALTH RECORDS.] Notwithstanding

any other provision of this chapter, an employer, with the consent of the employee after employment has commenced, may obtain medical information only for the purposes of assessing continuing ability to perform the job or employee health insurance eligibility; for purposes mandated by local, state, or federal law; for purposes of assessing the need to reasonably accommodate an employee or obtaining information to determine eligibility for the second injury fund under chapter 176; or pursuant to sections 181.950 to 181.957; or other legitimate business reason not otherwise prohibited by law.

Sec. 4. Minnesota Statutes 1988, section 363.03, subdivision 2, is amended to read:

(b) to discriminate against any person or group of persons because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status in the terms, conditions or privileges of the sale, rental or lease of any real property or in the furnishing of facilities or services in connection therewith, except that nothing in this clause shall be construed to prohibit the adoption of reasonable rules intended to protect the safety of minors in their use of the real property or any facilities or services furnished in connection therewith; or

(c) in any transaction involving real property, to print, circulate or post or cause to be printed, circulated, or posted any advertisement or sign, or use any form of application for the purchase, rental or lease of real property, or make any record or inquiry in connection with the prospective purchase, rental, or lease of real property which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status, or any intent to make any such limitation, specification, or discrimination except that nothing in this clause shall be construed to prohibit the advertisement of a dwelling unit as available to adults-only if the person placing the advertisement reasonably believes that the provisions of this subdivision prohibiting discrimination because of familial status do not apply to the dwelling unit.

(2) For a real estate broker, real estate salesperson, or employee, or agent thereof:

(a) to refuse to sell, rent, or lease or to offer for sale, rental, or lease any real property to any person or group of persons or to negotiate for the sale, rental, or lease of any real property to any person or group of persons because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status or represent that real property is not available for inspection, sale, rental, or lease when in fact it is so available, or otherwise deny or withhold any real property or any facilities of real property to or from any person or group of persons because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status; or

(b) to discriminate against any person because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status in the terms, conditions or privileges of the sale, rental or lease of real property or in the furnishing of facilities or services in connection therewith; or

(c) to print, circulate, or post or cause to be printed, circulated, or posted any advertisement or sign, or use any form of application for the purchase, rental, or lease of any real property or make any record or inquiry in connection with the prospective purchase, rental or lease of any real property, which expresses directly or indirectly, any limitation, specification or discrimination as to race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status or any intent to make any such limitation, specification, or discrimination except that nothing in this clause shall be construed to prohibit the advertisement of a dwelling unit as available to adults-only if the person placing the advertisement reasonably believes that the provisions of this subdivision prohibiting discrimination because of familial status do not apply to the dwelling unit.

(3) For a person, bank, banking organization, mortgage company, insurance company, or other financial institution or lender to whom application is made for financial assistance for the purchase, lease, acquisition, construction, rehabilitation, repair or maintenance of any real property or any agent or employee thereof:

(a) to discriminate against any person or group of persons because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status of the person or group of persons or of the prospective occupants or tenants of the real property in the granting, withholding, extending, modifying or renewing, or in the rates, terms, conditions, or privileges of the financial assistance or in the extension of services in connection therewith; or

(b) to use any form of application for the financial assistance or make any record or inquiry in connection with applications for the financial assistance which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or familial status or any intent to make any such limitation, specification, or discrimination; or

(c) to discriminate against any person or group of persons who desire to purchase, lease, acquire, construct, rehabilitate, repair, or maintain real property in a specific urban or rural area or any part thereof solely because of the social, economic, or environmental conditions of the area in the granting, withholding, extending, modifying, or renewing, or in the rates, terms, conditions, or privileges of the financial assistance or in the extension of services in connection therewith.

(4) For any real estate broker or real estate salesperson, for the purpose of inducing a real property transaction from which the person, the person's firm, or any of its members may benefit financially, to represent that a change has occurred or will or may occur in the composition with respect to race, creed, color, national origin, sex, marital status, status with regard to public assistance, or disability of the owners or occupants in the block, neighborhood, or area in which the real property is located, and to represent, directly or indirectly, that this change will or may result in undesirable consequences in the block, neighborhood, or area in which the real property is located, including but not limited to the lowering of property values, an increase in criminal or antisocial behavior, or a decline in the quality of schools or other public facilities.

(5) For a person to deny a totally or partially blind, physically handicapped, or deaf person with a service dog full and equal access to real property provided for in this section. The person may not be required to pay extra compensation for the service dog but is liable for damage done to the premises by the service dog.

(6) For a person to coerce, intimidate, threaten, or interfere with a person in the exercise or enjoyment of, or on account of that person having exercised or enjoyed, or on account of that person having aided or encouraged a third person in the exercise or enjoyment of, any right granted or protected by this subdivision.

Notwithstanding the provisions of any law, ordinance, or home rule charter to the contrary, no person shall be deemed to have committed an unfair discriminatory practice based upon age if the unfair discriminatory practice alleged is attempted or accomplished for the purpose of obtaining or maintaining one of the exemptions provided for a dwelling unit provided for in section 363.02, subdivision 2.

Sec. 5. Minnesota Statutes 1988, section 363.03, subdivision 8a, is amended to read:

Subd. 8a. [~~BUSINESS; SEX DISCRIMINATION.~~] It is an unfair discriminatory practice for a person engaged in a trade or business or in the provision of a service:

(a) to refuse to do business with or provide a service to a woman based on her use of her current or former surname; or

It is an ~~unfair discriminatory practice for a person~~ (b) to impose, as a condition of doing business with or providing a service to a woman, that a woman use her current surname rather than a former surname; or

(c) intentionally to refuse to do business with, to refuse to contract with, or to discriminate in the basic terms, conditions, or performance of the contract because of a person's race, color, sex, or disability, unless the alleged refusal or discrimination is because of a legitimate business purpose.

Nothing in this subdivision shall prohibit positive action plans.

Sec. 6. Minnesota Statutes 1988, section 363.03, is amended by adding a subdivision to read:

Subd. 11. [~~DISPARATE IMPACT CASES.~~] If the complaining party has met its burden of showing that an employment practice is responsible for a statistically significant adverse impact on a particular class of persons protected by section 363.03, subdivision 1, clause (2), an employer must justify that practice by demonstrating that the practice is manifestly related to the job or significantly furthers an important business purpose. Upon establishment of this justification, the charging party may prevail upon demonstration of the existence of a comparably effective practice that the court finds would cause a significantly lesser adverse impact on the identified protected class.

Sec. 7. Minnesota Statutes 1988, section 363.06, subdivision 1, is amended to read:

Subdivision 1. [~~ACTIONS.~~] Any person aggrieved by a violation of this chapter may bring a civil action as provided in section 363.14, subdivision 1, clause (a), or may file a verified charge with the commissioner or the commissioner's designated agent. A charge filed with the commissioner must be in writing on a form provided by the commissioner and signed by the charging party. The charge must state the name of the person alleged to have committed an unfair discriminatory practice and set out a summary of the details of the practice complained of. The commissioner may require a

charging party to provide the address of the person alleged to have committed the unfair discriminatory practice, names of witnesses, documents, and any other information necessary to process the charge. The commissioner may dismiss a charge when the charging party fails to provide required information. The commissioner within ten days of the filing shall serve a copy of the charge and a form for use in responding to the charge upon the respondent personally or by mail. The respondent shall file with the department a written response setting out a summary of the details of the respondent's position relative to the charge within 20 days of receipt of the charge. If the respondent fails to respond with a written summary of the details of the respondent's position within 30 days after service of the charge, and service was consistent with rule 4 of the rules of civil procedure, the commissioner, on behalf of the complaining party, may bring an action for default in district court pursuant to rule 55.01 of the rules of civil procedure.

Sec. 8. Minnesota Statutes 1988, section 363.06, is amended by adding a subdivision to read:

Subd. 3a. For purposes of subdivision 3, the first application of an unfair discriminatory practice, employment policy, or seniority system to a new person establishes a basis for the filing of a claim by that person.

Sec. 9. Minnesota Statutes 1988, section 363.116, is amended to read:

363.116 [TRANSFER TO COMMISSIONER.]

A local commission may refer a matter under its jurisdiction to the commissioner.

The charging party has the option of filing a charge either with a local commission or the department. Notwithstanding the provisions of any ordinance or resolution to the contrary, a charge may be filed with a local commission within 300 days one year after the occurrence of the practice. The exercise of such choice in filing a charge with one agency shall preclude the option of filing the same charge with the other agency. At the time a charge comes to the attention of a local agency, the agency or its representative shall inform the charging party of this option, and of the party's rights under Laws 1967, chapter 897.

Where this chapter provides additional protections and remedies not provided for under a local antidiscrimination ordinance, the local commission shall advise a party bringing a charge under a local ordinance of those additional protections and remedies and of the option to file a charge under this chapter.

The term "local commission" as used in this section has the same meaning given the term in section 363.115.

Sec. 10. [INSTRUCTION TO REVISOR.]

In the next edition of Minnesota Statutes; the revisor of statutes shall alphabetize the definitions in Minnesota Statutes, section 363.01, and make all appropriate cross-reference changes in Minnesota Statutes and Minnesota Rules."

Delete the title and insert:

"A bill for an act relating to human rights; amending the definition of age; clarifying medical information obtainable from prospective employees; prohibiting threats against home owners and renters; prohibiting discriminatory business practices; clarifying the meaning of business necessity and continuing violations; renumbering definitions; amending Minnesota Statutes 1988, sections 363.01, subdivision 28; 363.02, by adding subdivisions; 363.03, subdivisions 2, 8a, and by adding a subdivision; 363.06, subdivision 1, and by adding a subdivision; and 363.116."

Subd. 2. [POST BOARD STANDARDS.] The peace officers standards and training board shall adopt standards governing situations in which licensed peace officers as defined in section 626.84, subdivision 1, paragraph (c), may operate a vehicle or watercraft without lights as provided in subdivision 1. The board shall report to the legislature on the standards by January 1, 1991.

Subd. 3. Date of substantial completion shall be determined by the date when construction is sufficiently completed so that the owner or the owner's representative can occupy or use the improvement for the intended purpose.

(b) For purposes of paragraph (a), a cause of action accrues upon discovery of the injury or, in the case of an action for contribution or indemnity, upon payment of a final judgment, arbitration award, or settlement arising out of the defective and unsafe condition.

(c) Nothing in this section shall apply to actions for damages resulting from negligence in the maintenance, operation or inspection

tion of the real property improvement against the owner or other person in possession.

(d) The limitations prescribed in this section do not apply to the manufacturer or supplier of any equipment or machinery installed upon real property.

Sec. 13. Minnesota Statutes 1988, section 548.36, subdivision 3, is amended to read:

(b) If the court cannot determine the amounts specified in paragraph (a) from the written evidence submitted, the court may within ten days request additional written evidence or schedule a conference with the parties to obtain further evidence.

(c) In any case where the claimant is found to be at fault under section 604.01, the reduction required under paragraph (a) must be made before the claimant's damages are reduced under section 604.01, subdivision 1.

Sec. 14. Minnesota Statutes 1988, section 549.20, subdivision 1, is amended to read:

Subdivision 1. (a) Punitive damages shall be allowed in civil actions only upon clear and convincing evidence that the acts of the defendant show a willful indifference to deliberate disregard for the rights or safety of others.

(b) A defendant has acted with deliberate disregard for the rights or safety of others if the defendant has knowledge of facts or intentionally disregards facts that create a high probability of injury to the rights or safety of others and:

(1) deliberately proceeds to act in conscious or intentional disregard of the high degree of probability of injury to the rights or safety of others; or

(2) deliberately proceeds to act with indifference to the high probability of injury to the rights or safety of others.

Sec. 15. Minnesota Statutes 1988, section 549.20, subdivision 2, is amended to read:

Subd. 2. Punitive damages can properly be awarded against a master or principal because of an act done by an agent only if:

(b) the agent was unfit and the principal was reckless in employing the agent deliberately disregarded a high probability that the agent was unfit, or

(c) the agent was employed in a managerial capacity with authority to establish policy and make planning level decisions for the principal and was acting in the scope of that employment, or

(d) the principal or a managerial agent of the principal, described in clause (c), ratified or approved the act while knowing of its character and probable consequences.

Sec. 16. Minnesota Statutes 1988, section 549.20, is amended by adding a subdivision to read:

Subd. 4. [SEPARATE PROCEEDING.] In a civil action in which punitive damages are sought, the trier of fact shall, if requested by any of the parties, first determine whether compensatory damages are to be awarded. Evidence of the financial condition of the defendant and other evidence relevant only to punitive damages is not admissible in that proceeding. After a determination has been made, the trier of fact shall, in a separate proceeding, determine whether and in what amount punitive damages will be awarded.

Sec. 17. Minnesota Statutes 1988, section 549.20, is amended by adding a subdivision to read:

Subd. 5. [JUDICIAL REVIEW.] The court shall specifically review the punitive damages award in light of the factors set forth in subdivision 3 and shall make specific findings with respect to them. The appellate court, if any, also shall review the award in light of the factors set forth in that subdivision. Nothing in this section may be construed to restrict either court's authority to limit punitive damages.

Sec. 18. Minnesota Statutes 1988, section 604.01, subdivision 1, is amended to read:

Subdivision 1. [SCOPE OF APPLICATION.] Contributory fault shall does not bar recovery in an action by any person or the person's legal representative to recover damages for fault resulting in death or, in injury to person or property, or in economic loss, if the contributory fault was not greater than the fault of the person against whom recovery is sought, but any damages allowed shall must be diminished in proportion to the amount of fault attributable to the person recovering. The court may, and when requested by any party shall, direct the jury to find separate special verdicts deter-

mining the amount of damages and the percentage of fault attributable to each party; and the court shall then reduce the amount of damages in proportion to the amount of fault attributable to the person recovering.

Sec. 19. Minnesota Statutes 1988, section 604.01, subdivision 1a, is amended to read:

Subd. 1a. [FAULT.] "Fault" includes acts or omissions that are in any measure negligent or reckless toward the person or property of the actor or others, or that subject a person to strict tort liability. The term also includes breach of warranty, unreasonable assumption of risk not constituting an express consent or primary assumption of risk, misuse of a product and unreasonable failure to avoid an injury or to mitigate damages, and the defense of complicity under section 340A.801. Legal requirements of causal relation apply both to fault as the basis for liability and to contributory fault. The doctrine of last clear chance is abolished.

Evidence of unreasonable failure to avoid aggravating an injury or to mitigate damages may be considered only in determining the damages to which the claimant is entitled. It may not be considered in determining the cause of an accident.

Sec. 20. Minnesota Statutes 1988, section 604.01, subdivision 3, is amended to read:

Subd. 3. [PROPERTY DAMAGE OR ECONOMIC LOSS; SETTLEMENT OR PAYMENT.] Settlement with or any payment made to a person or on the person's behalf to others for damage to or destruction of property shall or for economic loss does not constitute an admission of liability by the person making the payment or on whose behalf the payment was made.

Sec. 21. [REPEALER.]

Minnesota Statutes 1988, sections 549.23 and 549.24, are repealed.

Sec. 22. [EFFECTIVE DATE; APPLICATION.]

S. F. No. 1940 was reported to the House.

Greenfield moved to amend S. F. No. 1940, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 60B.04, subdivision 1, is amended to read:

Subdivision 1. [ACTIONS BY COMMISSIONER.] Except as provided in subdivision 2 and section 60B.24, subdivision 1, no delinquency proceeding shall be commenced under sections 60B.01 to 60B.61 by anyone other than the commissioner, including an acting commissioner, of this state and no court shall have jurisdiction to entertain, hear, or determine any proceeding under sections 60B.01 to 60B.61 commenced by any other person. However, the commissioner of health shall have the authority to commence a delinquency proceeding under sections 60B.01 to 60B.61 as to a health maintenance organization.

Sec. 2. Minnesota Statutes 1988, section 60B.15, is amended to read:

60B.15 [GROUNDS FOR REHABILITATION.]

The commissioner may apply by verified petition to the district court for Ramsey county or for the county in which the principal office of the insurer is located for an order directing the commissioner to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

(1) Any ground on which the commissioner may apply for an order of liquidation under section 60B.20, whenever the commissioner believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer, its policyholders or to the public;

(2) That the commissioner has reasonable cause to believe that there has been theft from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer or other illegal conduct in, by or with respect to the insurer, which endanger assets in an amount threatening insolvency of the insurer;

(3) That substantial and unexplained discrepancies exist between the insurer's records and the most recent annual report or other official company reports;

(4) That the insurer, after written demand by the commissioner, has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found by the commissioner after notice and hearing to be dishonest or untrustworthy in a way

affecting the insurer's business such as is the basis for action under section 60A.051;

(5) That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one or more persons found by the commissioner after notice and hearing to be dishonest or untrustworthy such as is the basis for action under section 60A.051;

(6) That the insurer, after written demand by the commissioner, has failed within a reasonable period of time to terminate the employment and status and all influences on management of any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee or other person if the person has refused to submit to lawful examination under oath by the commissioner concerning the affairs of the insurer, whether in this state or elsewhere;

(7) That after lawful written demand by the commissioner the insurer has failed to submit promptly any of its own property, books, accounts, documents, or other records, or those of any subsidiary or related company within the control of the insurer, or those of any person having executive authority in the insurer so far as they pertain to the insurer, to reasonable inspection or examination by the commissioner or an authorized representative. If the insurer is unable to submit the property, books, accounts, documents, or other records of a person having executive authority in the insurer, it shall be excused from doing so if it promptly and effectively terminates the relationship of the person to the insurer;

(8) That without first obtaining the written consent of the commissioner, or if required by law, the written consent of the attorney general, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business of any other person;

(9) That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under sections 60B.01 to 60B.61, and that such appointment has been made or is imminent, and that such appointment might divest the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under sections 60B.01 to 60B.61;

(10) That within the previous year the insurer has willfully violated its charter or articles of incorporation or its bylaws or any applicable insurance law or regulation of any state, or of the federal government, or any valid order of the commissioner under section 60B.11 in any manner or as to any matter which threatens substan-

tial injury to the insurer, its creditors, its policyholders or the public, or having become aware within the previous year of an unintentional or willful violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violations in the future;

(11) That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors, its policyholders, or the public is threatened by reason thereof;

(12) That the insurer has failed to pay for 60 days after due date any obligation to this state or any political subdivision thereof or any judgment entered in this state, except that such nonpayment shall not be a ground until 60 days after any good faith effort by the insurer to contest the obligation or judgment has been terminated, whether it is before the commissioner or in the courts;

(13) That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the commissioner has failed to give an adequate explanation immediately;

(14) That two-thirds of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under sections 60B.01 to 60B.61;

(15) That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements;

(16) That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public;

(17) That within the previous 12 months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full;

(18) In addition to the grounds in clauses (1) to (17), any one of the following constitutes grounds for rehabilitation of a health maintenance organization:

(a) the health maintenance organization is unable or is expected to be unable to meet its debts as they become due;

(b) grounds exist under section 62D.042, subdivision 7;

(c) the health maintenance organization's liabilities exceed the current value of its assets, exclusive of intangibles and, where the guaranteeing organization's financial condition no longer meets the requirements of sections 62D.041 and 62D.042, exclusive of any deposits, letters of credit, or guarantees provided by any guaranteeing organization under chapter 62D;

(d) within the last year the health maintenance organization has failed, and the commissioner of health expects such failure to continue in the future, to make comprehensive medical care adequately available and accessible to its enrollees and the health maintenance organization has not successfully implemented a plan of corrective action pursuant to section 62D.121, subdivision 7; and

(e) within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future.

Sec. 3. Minnesota Statutes 1988, section 60B.17, subdivision 2, is amended to read:

Subd. 2. [GENERAL POWER.] Subject to court approval, the rehabilitator may take such action as that person deems necessary or expedient to reform and revitalize the insurer. The rehabilitator shall have all the powers of the officers and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator and shall have full power to direct and manage, to hire and discharge employees subject to any contract rights they may have, and to deal with the property and business of the insurer.

The power of the rehabilitator of a health maintenance organization includes the power to transfer coverage obligations to a solvent and voluntary health maintenance organization, insurer, or non-profit health service plan, and to assign provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization, insurer, or nonprofit health service plan permitted to enter into such agreements. The rehabilitator shall not be required to meet the notice requirements of section 62D.121. Transferees of coverage obligations or provider contracts shall have no liability to creditors or obligees of the health maintenance organization except those liabilities expressly assumed.

Sec. 4. Minnesota Statutes 1988, section 60B.17, is amended by adding a subdivision to read:

Subd. 8. [PLAN OF REHABILITATION FOR A HEALTH MAINTENANCE ORGANIZATION.] (a) The rehabilitator of a health maintenance organization, after consultation with the board of directors of the health maintenance organization, has the sole authority to propose a plan of rehabilitation.

(b) The court shall approve a plan of rehabilitation of a health maintenance organization if it meets the following criteria:

(1) the plan provides for payments to lien claimants equal to the value of each lien claim on the date of approval of the plan and may provide for payment of lien claims beyond the effective date of the plan and beyond the original repayment period for the obligation underlying the claim where the plan provides sufficient protection for the lien claim during the period for such claim under the rehabilitation plan;

(2) the plan provides for payment in full of each prior class of claims before payment of the next class;

(3) the plan provides for payment in full of all claims for taxes of the United States Government, except for claims for interest accruing during the rehabilitation or claims for penalties. The plan may provide for payment of the claims over any period of time up to ten years after the effective date of the plan; and

(4) the plan is fair and equitable as to each class of claims for which the plan does not provide full payment. In determining whether the plan is fair and equitable to these claimants, the court shall consider the feasibility of the plan, the health maintenance organization's ability to generate a significant surplus, the health maintenance organization's need to expend money to change or expand its business, and the injury to enrollees through loss of coverage, if such a plan is not approved.

(c) The plan may provide for transfer of the health maintenance contracts and liquidation of the health maintenance organization.

(d) The court's approval of a plan of rehabilitation discharges the health maintenance organization from all claims except to the extent provided in the plan.

Sec. 5. [60B.171] [USE, SALE, OR TRANSFER OF ASSETS DURING REHABILITATION.]

Subdivision 1. [REHABILITATOR AUTHORITY TO USE, SELL, TRANSFER ASSETS.] In addition to the powers of the rehabilitator provided in this chapter, during rehabilitation of a health maintenance organization, the rehabilitator may use, sell, or transfer assets as provided in this section.

Subd. 2. [ORDINARY COURSE OF BUSINESS.] (a) The rehabilitator may use, sell, or transfer assets in which a person has a lien, which are not cash or cash equivalents, in the ordinary course of business without approval of the court, except that the rehabilitator must provide sufficient protection for that lien unless the lienholder consents.

(b) The rehabilitator may use, sell, or transfer cash or cash equivalents in which any person has a lien in the ordinary course of business only if:

(1) each person who has a lien in the assets consents; or

(2) after notice and a hearing, the court finds that the rehabilitator has or will provide the person who has a lien with sufficient protection for that lien.

Subd. 3. [OUT OF THE ORDINARY COURSE OF BUSINESS.] (a) The rehabilitator may use, sell, or transfer assets in which any person has a lien out of the ordinary course of business with court approval where:

(1) the person that has a lien consents; or

(2) the rehabilitator provides sufficient protection for that lien. Sufficient protection includes, but is not limited to, equivalent substitute collateral or payments in the amount approximately equal to decrease in value or amount of collateral.

(b) Any sale or transfer shall be free and clear of all lien interests, if:

(1) all persons with liens in the assets to be sold or transferred consent to the sale or transfer;

(2) the consideration for the sale or transfer exceeds the total amount of all liens in the assets to be transferred;

(3) the rehabilitator provides sufficient protection for all lien claims in the assets; or

(4) other law permits a sale or transfer free and clear of any lien.

Sec. 6. [60B.181] [NOTICE REGARDING REHABILITATION OR LIQUIDATION PROCEEDING.]

In an insolvency proceeding against a health maintenance organization, at the time the rehabilitator or liquidator gives notice to creditors and enrollees according to section 60B.26, the rehabilitator or liquidator shall also give notice that any interested party may

request in writing notice of subsequent actions or hearings in the proceeding. After the initial notice, the rehabilitator or liquidator may give notice only to those with a direct stake in any action or hearing and to those who have requested notice in writing. However, the rehabilitator or liquidator must give all claimants who timely file proofs of claims notice of any plan of rehabilitation or liquidation.

Sec. 7. [60B.191] [CLAIMS REGARDING REHABILITATION AND LIQUIDATION OF HEALTH MAINTENANCE ORGANIZATIONS.]

Subdivision 1. [PRIORITY OF CLAIMS.] The rehabilitator or liquidator of a health maintenance organization shall, in lieu of the classification otherwise provided in this chapter, classify all approved claims into the following classes:

(1) claims for ordinary and necessary expenses of operating and administering the health maintenance organization during rehabilitation or liquidation proceeding. Administrative expenses of a rehabilitation proceeding shall constitute administrative expenses of the liquidation proceeding;

(2) claims of the United States government for unpaid taxes;

(3) claims by persons employed by the health maintenance organization for services rendered within the four months before the initiation of any insolvency proceeding, up to \$1,000. Employee claimants shall not be entitled to any lien claim or other claim under chapter 514;

(4) claims by all providers for health care goods and services to the extent covered under a health maintenance contract between enrollees and the health maintenance organization, and claims by enrollees for coverage under a health maintenance contract with the health maintenance organization;

(5) claims which are not secured by any perfected lien or security interest in assets of the health maintenance organization and which are not otherwise classified; or

(6) claims subordinated under this chapter, chapter 62D, or by agreement with the health maintenance organization or the commissioner of health.

Subd. 2. [CLAIMS FOR MALPRACTICE.] As to a health maintenance organization, a claim shall be classified as an unsecured claim if it is made by an enrollee, a parent or guardian of an enrollee, or a person seeking contribution based on injuries to an enrollee, for damages of any type related to death or bodily illness or injury based

on improper provisions or failure to provide health care goods or services by a health maintenance organization and its employees, or a provider and its employees to an enrollee of the health maintenance organization. However, a claimant who has secured a judgment or settlement shall receive any insurance proceeds received by the health maintenance organization based on the claims or the medical care provided to the enrollee, other than reinsurance payable because the aggregate value of services to an enrollee exceeds a certain amount, less any expenses, including reasonable attorneys' fees the health maintenance organization incurred in defending the claim or prosecuting its claim against the insurer. This section does not expand the liability of health maintenance organizations on bodily injury to enrollees.

Sec. 8. [60B.193] [LIABILITY OF ENROLLEES.]

Upon any Minnesota state district court's order of rehabilitation or liquidation of a health maintenance organization under this chapter, all providers of health care goods or services to enrollees of the health maintenance organization, regardless of whether they have a written contract with the health maintenance organization, are prohibited from attempting to collect or collecting payment for authorized referrals from any enrollee of the health maintenance organization for goods or services to the extent the health maintenance organization is obligated to cover the goods and services under a health maintenance contract with the enrollee. A provider's only recourse is to file a claim against the health maintenance organization in the insolvency proceeding and to receive payment in the proceeding.

Sec. 9. Minnesota Statutes 1988, section 60B.20, is amended to read:

60B.20 [GROUNDS FOR LIQUIDATION.]

The commissioner may apply by verified petition to the district court for Ramsey county or for the county in which the principal office of the insurer is located for an order to liquidate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

(1) Any ground on which the commissioner may apply for an order of rehabilitation under section 60B.15, whenever the commissioner believes that attempts to rehabilitate the insurer would substantially increase the risk of loss to its creditors, its policyholders, or the public, or would be futile, or that rehabilitation would serve no useful purpose;

(2) That the insurer is or is about to become insolvent;

(3) That the insurer has not transacted the business for which it was organized or incorporated during the previous 12 months or has transacted only a token such business during that period, although authorized to do so throughout that period, or that more than 12 months after incorporation it has failed to become authorized to do the business for which it was organized or incorporated;

(4) That the insurer has commenced, or within the previous year has attempted to commence, voluntary dissolution or liquidation otherwise than as provided in section 60B.04, subdivision 3 in the case of a solvent insurer;

(5) That the insurer has concealed records or assets from the commissioner or improperly removed them from the jurisdiction, or the commissioner believes that the insurer is about to do so;

(6) That the insurer does not satisfy the requirements that would be applicable if it were seeking initial authorization in this state to do the business for which it was organized or incorporated, except for:

(a) (i) Requirements that are intended to apply only at the time the initial authorization to do business is obtained, and not thereafter; and

(b) (ii) Requirements that are expressly made inapplicable by the laws establishing the requirements;

(7) That the holders of two-thirds of the shares entitled to vote, or two-thirds of the members or policyholders entitled to vote in an insurer controlled by its members or policyholders, have consented to a petition;

(8) In addition to the grounds in clauses (1) to (7), any one of the following constitutes grounds for liquidation of a health maintenance organization:

(i) the health maintenance organization is unable or is expected to be unable to meet its debts as they become due;

(ii) grounds exist under section 62D.042, subdivision 7;

(iii) the health maintenance organization's liabilities exceed the current value of its assets, exclusive of intangibles and, where the guaranteeing organization's financial condition no longer meets the requirements of sections 62D.041 and 62D.042, exclusive of any deposits, letters of credit, or guarantees provided by any guaranteeing organization under chapter 62D;

(iv) within the last year the health maintenance organization has

failed, and the commissioner of health expects failure to continue in the future, to make comprehensive medical care adequately available and accessible to its enrollees and the health maintenance organization has not successfully implemented a plan of corrective action pursuant to section 62D.121, subdivision 7; and

(v) within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future.

Sec. 10. Minnesota Statutes 1988, section 60B.25, is amended to read:

60B.25 [POWERS OF LIQUIDATOR.]

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. The liquidator shall coordinate having an interest in the liquidation and shall submit a report detailing how coordination will be achieved to the court for its approval within 30 days following appointment, or within the time which the court, in its discretion, may establish. Subject to the court's control, the liquidator may:

(1) Appoint a special deputy to act under sections 60B.01 to 60B.61 and determine the deputy's compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.

(2) Appoint or engage employees and agents, actuaries, accountants, appraisers, consultants, and other personnel deemed necessary to assist in the liquidation without regard to chapter 14.

(3) Fix the compensation of persons under clause (2), subject to the control of the court.

(4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of the appropriation made to the department of commerce. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the department of commerce out of the first available money of the insurer.

(5) Hold hearings, subpoena witnesses and compel their atten-

dance, administer oaths, examine any person under oath and compel any person to subscribe to testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, records, or other documents which the liquidator deems relevant to the inquiry.

(6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions, in order to forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve, or protect its assets or property, including sell, compound, compromise, or assign for purposes of collection, upon such terms and conditions as the liquidator deems best, any bad or doubtful debts; and pursue any creditor's remedies available to enforce claims.

(7) Conduct public and private sales of the property of the insurer in a manner prescribed by the court.

(8) Use assets of the estate to transfer coverage obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under section 60B.44.

(9) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds \$10,000 shall be concluded without express permission of the court. The liquidator may also execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county recorder for the county in which the property is located a certified copy of the order of appointment.

(10) Borrow money on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.

(11) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party.

(12) Continue to prosecute and institute in the name of the insurer or in the liquidator's own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims the liquidator deems unprofitable to pursue further. If the insurer is dissolved under section 60B.23, the liquidator may apply

to any court in this state or elsewhere for leave to be substituted for the insurer as plaintiff.

(13) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person.

(14) Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.

(15) Deposit in one or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.

(16) Deposit with the state board of investment for investment pursuant to section 11A.24, all sums not currently needed, unless the court orders otherwise.

(17) File any necessary documents for record in the office of any county recorder or record office in this state or elsewhere where property of the insurer is located.

(18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.

(19) Exercise and enforce all the rights, remedies, and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within sections 60B.30 and 60B.32.

(20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.

(21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.

(22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with sections 60B.01 to 60B.61.

(23) The enumeration in this section of the powers and authority of the liquidator is not a limitation, nor does it exclude the right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

(24) The power of the liquidator of a health maintenance organization includes the power to transfer coverage obligations to a solvent and voluntary health maintenance organization, insurer, or nonprofit health service plan, and to assign provider contracts of the insolvent health maintenance organization to an assuming health maintenance organization, insurer, or nonprofit health service plan permitted to enter into such agreements. The liquidator is not required to meet the notice requirements of section 62D.121. Transferees of coverage obligations or provider contracts shall have no liability to creditors or obligees of the health maintenance organization except those liabilities expressly assumed.

Sec. 11. Minnesota Statutes 1988, section 62D.02, subdivision 15, is amended to read:

Subd. 15. "Net worth" means admitted assets, as defined in section 62D.044, minus liabilities. Liabilities do not include those obligations that are subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10. For purposes of this subdivision, preferred ownership claims under section 60B.44, subdivision 10, include promissory notes subordinated to all other liabilities of the health maintenance organization.

Sec. 12. Minnesota Statutes 1988, section 62D.03, subdivision 4, is amended to read:

Subd. 4. Each application for a certificate of authority shall be verified by an officer or authorized representative of the applicant, and shall be in a form prescribed by the commissioner of health. Each application shall include the following:

(a) a copy of the basic organizational document, if any, of the applicant and of each major participating entity; such as the articles of incorporation, or other applicable documents, and all amendments thereto;

(b) a copy of the bylaws, rules and regulations, or similar document, if any, and all amendments thereto which regulate the conduct of the affairs of the applicant and of each major participating entity;

(c) a list of the names, addresses, and official positions of the following:

(2) all members of the board of directors, or governing body of the local government unit, and the principal officers of the major

participating entity and each shareholder beneficially owning more than ten percent of any voting stock of the major participating entity;

The commissioner may by rule identify persons included in the term "principal officers";

(e) the name and address of each participating entity and the agreed upon duration of each contract or agreement;

(f) a copy of the form of each contract binding the participating entities and the health maintenance organization. Contractual provisions shall be consistent with the purposes of sections 62D.01 to 62D.30, in regard to the services to be performed under the contract, the manner in which payment for services is determined, the nature and extent of responsibilities to be retained by the health maintenance organization, the nature and extent of risk sharing permissible, and contractual termination provisions;

(g) a copy of each contract binding major participating entities and the health maintenance organization. Contract information filed with the commissioner shall be confidential and subject to the provisions of section 13.37, subdivision 1, clause (b), upon the request of the health maintenance organization.

Upon initial filing of each contract, the health maintenance organization shall file a separate document detailing the projected annual expenses to the major participating entity in performing the contract and the projected annual revenues received by the entity from the health maintenance organization for such performance. The commissioner shall disapprove any contract with a major participating entity if the contract will result in an unreasonable

expense under section 62D.19. The commissioner shall approve or disapprove a contract within 30 days of filing.

Within 120 days of the anniversary of the implementation of each contract, the health maintenance organization shall file a document detailing the actual expenses incurred and reported by the major participating entity in performing the contract in the proceeding year and the actual revenues received from the health maintenance organization by the entity in payment for the performance.

Contracts implemented prior to April 25, 1984, shall be filed within 90 days of April 25, 1984. These contracts are subject to the provisions of section 62D.19, but are not subject to the prospective review prescribed by this clause, unless or until the terms of the contract are modified. Commencing with the next anniversary of the implementation of each of these contracts immediately following filing, the health maintenance organization shall, as otherwise required by this subdivision, file annual actual expenses and revenues.

(m) a statement reasonably describing the geographic area or areas to be served and the type or types of enrollees to be served;

(n) a description of the complaint procedures to be utilized as required under section 62D.11;

(o) a description of the procedures and programs to be implemented to meet the requirements of section 62D.04, subdivision 1, clauses (b) and (c) and to monitor the quality of health care provided to enrollees;

(p) a description of the mechanism by which enrollees will be afforded an opportunity to participate in matters of policy and operation under section 62D.06;

(q) a copy of any agreement between the health maintenance organization and an insurer or nonprofit health service corporation regarding reinsurance, stop-loss coverage, insolvency coverage, or any other type of coverage for potential costs of health services, as authorized in sections 62D.04, subdivision 1, clause (f), 62D.05, subdivision 3, and 62D.13; and

(r) a copy of the conflict of interest policy which applies to all members of the board of directors and the principal officers of the health maintenance organization, as described in section 62D.04, subdivision 1, paragraph (g). All currently licensed health maintenance organizations shall also file a conflict of interest policy with the commissioner within 60 days after the effective date of this provision or at a later date if approved by the commissioner;

(s) a copy of the statement that describes the health maintenance organization's prior authorization administrative procedures;

(t) a copy of the agreement between the guaranteeing organization and the health maintenance organization, as described in section 62D.043, subdivision 6; and

(u) other information as the commissioner of health may reasonably require to be provided.

Sec. 13. Minnesota Statutes 1988, section 62D.04, subdivision 1, is amended to read:

Subdivision 1. Upon receipt of an application for a certificate of authority, the commissioner of health shall determine whether the applicant for a certificate of authority has:

(a) demonstrated the willingness and potential ability to assure that health care services will be provided in such a manner as to enhance and assure both the availability and accessibility of adequate personnel and facilities;

(b) arrangements for an ongoing evaluation of the quality of health care;

(c) a procedure to develop, compile, evaluate, and report statistics

relating to the cost of its operations, the pattern of utilization of its services, the quality, availability and accessibility of its services, and such other matters as may be reasonably required by regulation of the commissioner of health;

(d) reasonable provisions for emergency and out of area health care services;

(e) demonstrated that it is financially responsible and may reasonably be expected to meet its obligations to enrollees and prospective enrollees. In making this determination, the commissioner of health shall require the amounts of net worth and working capital required in section 62D.042, the deposit required in section 62D.041, and in addition shall consider:

(1) the financial soundness of its arrangements for health care services and the proposed schedule of charges used in connection therewith;

(2) arrangements which will guarantee for a reasonable period of time the continued availability or payment of the cost of health care services in the event of discontinuance of the health maintenance organization; and

(3) agreements with providers for the provision of health care services;

(f) demonstrated that it will assume full financial risk on a prospective basis for the provision of comprehensive health maintenance services, including hospital care; provided, however, that the requirement in this paragraph shall not prohibit the following:

(1) a health maintenance organization from obtaining insurance or making other arrangements (i) for the cost of providing to any enrollee comprehensive health maintenance services, the aggregate value of which exceeds \$5,000 in any year, (ii) for the cost of providing comprehensive health care services to its members on a nonelective emergency basis, or while they are outside the area served by the organization, or (iii) for not more than 95 percent of the amount by which the health maintenance organization's costs for any of its fiscal years exceed 105 percent of its income for such fiscal years; and

(2) a health maintenance organization from having a provision in a group health maintenance contract allowing an adjustment of premiums paid based upon the actual health services utilization of the enrollees covered under the contract, except that at no time during the life of the contract shall the contract holder fully self-insure the financial risk of health care services delivered under

the contract. Risk sharing arrangements shall be subject to the requirements of sections 62D.01 to 62D.30;

(g) demonstrated that it has made provisions for and adopted a conflict of interest policy applicable to all members of the board of directors and the principal officers of the health maintenance organization. The conflict of interest policy shall include the procedures described in section 317A.255, subdivisions 1 and 2. However, the commissioner is not precluded from finding that a particular transaction is an unreasonable expense as described in section 62D.19 even if the directors follow the required procedures; and

(h) otherwise met the requirements of sections 62D.01 to 62D.30.

Sec. 14. Minnesota Statutes 1988, section 62D.041, subdivision 2, is amended to read:

Subd. 2. [REQUIRED DEPOSIT.] Each health maintenance organization shall deposit with any organization or trustee acceptable to the commissioner through which a custodial or controlled account is utilized, bankable funds in the cash amount required in this section. The commissioner may allow a health maintenance organization's deposit requirement to be met funded by a guaranteeing organization, as defined in section 62D.042, subdivision 1, based on the criteria set out in section 62D.042, subdivision 5 62D.043.

Sec. 15. [62D.043] [GUARANTEEING ORGANIZATIONS.]

Subdivision 1. [DEFINITION.] (a) For purposes of this section, a "guaranteeing organization" means an organization that has agreed to assume the responsibility for the obligation of the health maintenance organization's net worth requirement.

Subd. 2. [RESPONSIBILITIES OF GUARANTEEING ORGANIZATION.] Upon an order of rehabilitation or liquidation, a guaranteeing organization shall transfer funds to the commissioner in the amount necessary to satisfy the net worth requirement.

Subd. 3. [REQUIREMENTS FOR GUARANTEEING ORGANIZATION.] (a) An organization's net worth requirement may be guaranteed provided that the guaranteeing organization:

(1) transfers into a restricted asset account cash or securities permitted by section 61A.28, subdivisions 2, 5, and 6, in an amount necessary to satisfy the net worth requirement. Restricted asset accounts shall be considered admitted assets for the purpose of determining whether a guaranteeing organization is maintaining sufficient net worth. Permitted securities shall not be transferred to the restricted asset account in excess of the limits applied to the

health maintenance organization, unless approved by the commissioner in advance;

(2) designates the restricted asset account specifically for the purpose of funding the health maintenance organization's net worth requirement;

(3) maintains positive working capital subsequent to establishing the restricted asset account, if applicable;

(4) maintains net worth, retained earnings, or surplus in an amount in excess of the amount of the restricted asset account, if applicable, and allows the guaranteeing organization:

(i) to remain a solvent business organization, which shall be evaluated on the basis of the guaranteeing organization's continued ability to meet its maturing obligations without selling substantially all its operating assets and paying debts when due; and

(ii) to be in compliance with any state or federal statutory net worth, surplus, or reserve requirements applicable to that organization or lesser requirements agreed to by the commissioner; and

(5) fulfills requirements of clauses (1) to (4) by April 1 of each year.

(b) The commissioner may require the guaranteeing organization to complete the requirements of paragraph (a) more frequently if the amount necessary to satisfy the net worth requirement increases during the year.

Subd. 4. [EXCEPTIONS TO REQUIREMENTS.] When a guaranteeing organization is a governmental entity, subdivision 3 is not applicable. The commissioner may consider factors which provide evidence that the governmental entity is a financially reliable guaranteeing organization. Similarly, when a guaranteeing organization is a Minnesota-licensed health maintenance organization, health service plan corporation, or insurer, subdivision 3, paragraphs (1) and (2), are not applicable.

Subd. 5. [AMOUNTS NEEDED TO MEET NET WORTH REQUIREMENTS.] The amount necessary for a guaranteeing organization to satisfy the health maintenance organization's net worth requirement shall be the lesser of:

(1) an amount needed to bring the health maintenance organization's net worth to the amount required by section 62D.042; or

(2) an amount agreed to by the guaranteeing organization.

Subd. 6. (g) such other provisions for regulating the affairs of the district as the board of directors shall determine to be necessary.

Sec. 13. [115A.715] [SOLID WASTE AUTHORITY.]

A district has all the authority of a county for solid waste management purposes that is given to counties under this chapter, chapter 400, and chapter 473, except the authority to issue general obligation bonds or to levy property taxes. A district has the authority of a county to issue general obligation bonds and to levy property taxes only if and only to the extent that the governing body of each county that is a member of the district agrees to delegate the authority to the district. The delegation of the authority is irrevocable unless the governing body of each county that is a member of the district agrees to the revocation.

Sec. 14. Minnesota Statutes 1989 Supplement, section 115A.84, subdivision 2, is amended to read:

Subd. 2. [DESIGNATION; PLAN CONTENTS.] (a) The designation plan must evaluate:

(1) the benefits of the designation, including the public purposes achieved by the conservation and recovery of resources, the furtherance of local and any district or regional waste management plans

and policies, and the furtherance of the state policies and purposes expressed in section 115A.02; and

(2) the estimated costs of the designation, including the direct capital, operating, and maintenance costs of the facility designated, the indirect costs, and the long-term effects of the designation.

(b) In particular the designation plan must evaluate:

(1) whether the designation will result in the recovery of resources or energy from materials which would otherwise be wasted;

(2) whether the designation will lessen the demand for and use of indiscriminate land disposal;

(3) whether the designation is necessary for the financial support of the facility;

(4) whether less restrictive methods for ensuring an adequate solid waste supply are available;

(5) other feasible and prudent waste management alternatives for accomplishing the purposes of the proposed designation, the direct and indirect costs of the alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators; and

(6) whether the designation takes into account and promotes local, regional, and state waste management goals.

(c) When the plan proposes designation to disposal facilities, the designation plan must also evaluate:

(1) whether the disposal facility is part of an integrated waste management system involving a processing facility and the designation is necessary for the financial support of the processing facility;

(2) whether the designation will better serve to protect public health and safety;

(3) the impacts on other disposal facilities inside and outside the area;

(4) whether the designation is necessary to promote regional waste management programs and cooperation; and

(5) the extent to which the design and operation of the disposal facility protects the environment including whether it is permitted

under current agency rules and whether any portion of the facility's site is listed under section 115B.17, subdivision 13.

(d) When the plan proposes designation to a disposal facility, mixed municipal solid waste that is subject to a contract between a hauler and a different facility that is in effect on the date notice is given under section 115A.85, subdivision 2, is not subject to the designation during the contract period or for one year after the date notice is given, whichever period is shorter.

Sec. 15. Minnesota Statutes 1989 Supplement, section 115A.86, subdivision 5, is amended to read:

Subd. 5. [AMENDMENTS.] (a) Except as provided in section 16, amendments to a designation ordinance must be submitted to the reviewing authority for approval. The reviewing authority shall approve the amendment if the amendment is in the public interest and in furtherance of the state policies and purposes expressed in section 115A.02. If the reviewing authority finds that the proposed amendment is a substantive change from the existing designation plan, the reviewing authority may require that the county or solid waste management district submit a revised designation plan to the reviewing authority for approval. After receiving approval for the designation plan amendment from the reviewing authority, the county or district shall follow the procedure outlined in section 115A.85 prior to submitting the amended designation ordinance to the reviewing authority for approval. If the reviewing authority does not act within 90 days after receiving the proposed amendment to the designation ordinance, the amendment is approved.

(b) Except as provided in section 16, prior to amending an ordinance to designate solid waste to a disposal facility, a county or district shall submit an amended designation plan to the reviewing authority for approval, and shall follow the procedures outlined in section 115A.85.

Sec. 16. Minnesota Statutes 1988, section 115A.86, is amended by adding a subdivision to read:

Subd. 6. [PENALTIES.] (a) A county may include in its designation ordinance civil and criminal penalties for violation of the ordinance. A civil penalty adopted by the county may not exceed a fine of \$10,000 per day of violation plus the cost of mitigating any damages caused by the violation and the attorney fees and court costs incurred by the county to enforce the ordinance.

(b) Subdivision 5 does not govern a designation ordinance amendment adopted under this subdivision.

Sec. 17. Minnesota Statutes 1989 Supplement, section 115A.919, is amended to read:

115A.919 [COUNTY FEE AUTHORITY.]

Subdivision 1. [FEE.] A county may impose a fee, by cubic yard of waste or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste or construction debris located within the county, except a facility permitted solely for disposal of an industrial waste generated by the owner of the facility, or ash resulting from the combustion of solid waste. The revenue from the fees shall be credited to the county general fund and shall be used only for landfill abatement purposes, or costs of closure, postclosure care, and response actions or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. When the county makes expenditures of funds generated by the fee, it shall prioritize the expenditures based on the types of facilities from which the fees were generated.

Any fee imposed under this section must be the same for all facilities within the county that accept the same type of waste.

Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from the fee imposed by a county under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate county.

A facility permitted for the disposal of construction debris is exempt from 50 percent of a fee imposed under this section if the facility has implemented a recycling program that has been approved by the county.

Subd. 2. [ADDITIONAL FEE.] A county may impose a fee, by cubic yard or the equivalent of waste collected outside the county, in addition to a fee imposed under subdivision 1, on operators of mixed municipal solid waste disposal facilities located within the county. Revenue generated from the additional fee shall be credited to the county general fund and shall be used only for the purposes listed in subdivision 1, except it shall not be used for landfill abatement purposes.

Sec. 18. Minnesota Statutes 1989 Supplement, section 115A.921, is amended to read:

115A.921 [CITY OR TOWN FEE AUTHORITY.]

(a) A city or town may impose a fee, not to exceed \$1 per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste or construction debris, or facilities that are exempt from the payment of property taxes for the processing of refuse derived fuel or the direct incineration of solid waste located within the city or town, except a facility permitted solely for disposal of an industrial waste generated by the owner of the facility. The revenue from the fees must be credited to the city or town general fund. Revenue produced by 25 cents of the fee must be used only for purposes of new landfill abatement programs or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Revenue produced by the balance of the fee may be used for any general fund purpose.

(b) Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from the fee imposed by a city or town under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town.

Sec. 19. Minnesota Statutes 1988, section 115A.94, subdivision 3, is amended to read:

Subd. 3. [GENERAL PROVISIONS.] (a) The local government unit may organize collection as a municipal service or by ordinance, franchise, license, negotiated or bidded contract, or other means, using one or more collectors or an organization of collectors.

(b) The local government unit may not establish or administer organized collection in a manner that impairs the preservation and development of recycling and markets for recyclable materials. The local government unit shall exempt recyclable materials from organized collection upon a showing by the generator or collector that the materials are or will be separated from mixed municipal solid waste by the generator, separately collected, and delivered for reuse in their original form or for use in a manufacturing process.

(c) The local government unit may shall invite and employ the assistance of interested persons, including persons operating solid waste collection services, in developing plans and proposals for organized collection and in establishing the organized collection system.

(d) Organized collection accomplished by contract or as a munic-

ipal service may include a requirement that all or any portion of the solid waste, except (1) recyclable materials and (2) materials that are processed at a resource recovery facility at the capacity in operation at the time that the requirement is imposed, be delivered to a waste facility identified by the local government unit. In a district or county where a resource recovery facility has been designated by ordinance under section 115A.86, organized collection must conform to the requirements of the designation ordinance.

Sec. 20. Minnesota Statutes 1988, section 115A.94, subdivision 4, is amended to read:

Subd. 4. [CITIES AND TOWNS; NOTICE; PLANNING.] (a) At least ~~90~~ 180 days before ~~proposing~~ implementing an ordinance, franchise, license, contract or other means of organizing collection, a city or town, by resolution of the governing body, shall announce its intent to organize collection and invite the participation of interested persons in planning and establishing the organized collection system.

(b) The resolution of intent must be adopted after a public hearing. The hearing must be held at least two weeks after public notice and mailed notice to persons known by the city or town to be operating solid waste collection services in the city or town. The failure to give mailed notice to persons or defect in the notice does not invalidate the proceedings, provided a bona fide effort to comply with notice requirements has been made.

(c) During the a 90-day period following the resolution of intent, and before proposing a method of organizing collection, the city or town shall develop or supervise the development of plans or proposals for organized collection. During this 90-day planning period, the city or town shall invite and employ the assistance of persons licensed as of the date of the resolution of intent to operate solid waste collection services in the city or town. Failure of a licensed collector to participate in the 90-day planning period, when the city or town has made a bona fide effort to provide the person the opportunity to participate, does not invalidate the planning process.

(d) For 90 days from the date ending the planning period required under paragraph (c), the city or town shall discuss possible organized collection arrangements with all licensed collectors operating in the city or town who have expressed interest. If the city or town is unable to agree on an organized collection arrangement with a majority of the licensed collectors who have expressed interest, it may then propose implementation of an alternate method of organizing collection as authorized in subdivision 3.

(e) The city or town shall make specific findings that:

(1) describe in detail the procedures it used to plan and to attempt

implementation of organized collection through an arrangement with collectors who expressed interest; and

(2) evaluate the proposed organized collection method in light of at least the following standards: achieving the stated organized collection goals of the city or town; minimizing displacement of collectors; ensuring participation of all interested parties in the decision making process; and maximizing efficiency in solid waste collection.

~~(d)~~ (f) Upon request, the city or town shall provide mailed notice of subsequent all proceedings on the organization of collection in the city or town.

Sec. 21. Minnesota Statutes 1988, section 115A.97, subdivision 5, is amended to read:

Subd. 5. [PLANS; BOARD REPORT.] A county solid waste plan, or revision of a plan, that includes incineration of mixed municipal solid waste must clearly state how the county plans to meet the goals in subdivision 1 of reducing the toxicity and quantity of incinerator ash and of reducing the quantity of processing residuals that require disposal. ~~The board director~~, in cooperation with the agency, the counties, and the metropolitan council, may develop guidelines for counties to use to identify ways to meet the goals in subdivision 1.

~~The board director~~, in cooperation with the agency, the counties, and the metropolitan council, shall develop and propose statewide goals and timetables for the reduction of the noncombustible fraction of mixed municipal solid waste prior to incineration or processing into refuse derived fuel and for the reduction of the toxicity of the incinerator ash. By January 1, 1990, ~~the board director~~ shall report to the legislative commission on waste management on the proposal goals and timetables with recommendations for their implementation and, by November 15, 1991, shall submit to the legislative commission on waste management a supplementary report that, at a minimum, assesses the nature of the incinerator ash produced in the state and progress made in removal of problem materials and noncombustibles from the waste stream.

Sec. 22. Minnesota Statutes 1989 Supplement, section 115B.04, subdivision 4, is amended to read:

Subd. 4. [LIABILITY OF POLITICAL SUBDIVISIONS.] (a) The liability of a political subdivision under this section is subject to the limits imposed under section 466.04, subdivision 1, except when the political subdivision is liable under this section as the owner or operator of a disposal facility as defined in section 115A.03, subdivision 10.

(b) When a political subdivision is liable as an owner or operator of a disposal facility, the liability of each political subdivision is limited to \$400,000 at each facility unless the facility was owned or operated under a valid joint powers agreement by three or more political subdivisions, in which case the aggregate liability of all political subdivisions that are parties to the joint powers agreement is limited to \$1,200,000.

(c) The limits on the liability of a political subdivision for ownership or operation of a disposal facility apply to the costs of remedial response action incurred between the date a request for response action is issued by the agency and the date one year after the construction certificate of completion is approved by the commissioner, excluding the costs incurred during of negotiation of a consent order agreement.

(d) When a political subdivision takes remedial response action as the owner or operator of a disposal facility between the dates in paragraph (c), it may receive, after approval by the agency, reimbursement of any amount spent pursuant to an approved work plan that exceeds the applicable liability limit specified in this subdivision.

Sec. 23. Minnesota Statutes 1988, section 116.36, subdivision 1, is amended to read:

Subdivision 1. For the purposes of ~~this section and section 116.37~~ sections 116.36 to 116.38, the following terms shall have the meanings given.

Sec. 24. [116.38] [PCB BURNING.]

Subdivision 1. [STATE POLICY.] The legislature finds that risks to human health must be adequately evaluated before a facility may burn wastes containing 50 parts per million (ppm) or greater polychlorinated biphenyls (PCBs). The legislature also finds that if there is a risk to human health, all human health must be treated with equal concern, and facilities that cause risks to human health must not be allowed to operate in sparsely populated areas if they would not be allowed to operate in heavily populated areas.

Subd. 2. [ENVIRONMENTAL IMPACT STATEMENT REQUIRED.] A state agency may not allow burning of wastes containing 50 ppm or greater PCBs by permit or otherwise unless an environmental impact statement is completed. This section does not apply to experimental burning of small quantities of waste containing 50 ppm or greater PCBs.

Sec. 25. Minnesota Statutes 1989 Supplement, section 116.41, subdivision 2, is amended to read:

Subd. 2. [TRAINING AND CERTIFICATION PROGRAMS.] The agency shall may develop standards of competence for persons operating and inspecting various classes of disposal waste management facilities. The agency shall conduct training programs for persons operating waste management facilities for the disposal of waste and for inspectors of such facilities, and may charge such fees as are necessary to cover the actual costs of the training programs. All fees received shall be paid into the state treasury and credited to the pollution control agency training account and are appropriated to the agency to pay expenses relating to the training of disposal waste management facility personnel.

The agency shall require operators and inspectors of such facilities to obtain from the agency a certificate of competence. The agency shall conduct examinations to test the competence of applicants for certification, and shall require that certificates be renewed at reasonable intervals. The agency may charge such fees as are necessary to cover the actual costs of receiving and processing applications, conducting examinations, and issuing and renewing certificates. Certificates shall not be required for a private individual for landspreading and associated interim and temporary storage of sewage sludge on property owned or farmed by that individual.

Sec. 26. Minnesota Statutes 1989 Supplement, section 116C.69, subdivision 3, is amended to read:

Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, monitoring of conditions placed on site certificates and construction permits, and all other work, other than specific site and route designation, from an assessment made quarterly, at least 30 days before the start of each quarter, by the board against all utilities with annual retail kilowatt-hour sales greater than 4,000,000 kilowatt-hours in the previous calendar year.

Until June 30, 1992, the assessment shall also include an amount sufficient to cover 60 percent of the costs to the pollution control agency of achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, reprinting informational booklets on acid rain, and costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The director of the pollution control agency must prepare a work plan and budget and submit them annually by June 30 to the pollution control agency board. The agency board must take public testimony on the budget and work plan. After the agency board approves the work plan and budget they must be submitted annually to the legislative water commission on waste management for review and recommendation before an assessment is levied. Each share shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail

kilowatt-hour sales in the state of all these utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all these utilities, multiplied by 0.333, as determined by the board. The assessment shall be credited to the special revenue fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the sum of the annual budget of the board for carrying out the purposes of this subdivision plus 60 percent of the annual budget of the pollution control agency for achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, for reprinting informational booklets on acid rain, and for costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The assessment for the second quarter of each fiscal year shall be adjusted to compensate for the amount by which actual expenditures by the board and the pollution control agency for the preceding fiscal year were more or less than the estimated expenditures previously assessed.

Subd. 3. [SERVICE CHARGES.] The county may establish by ordinance, revise when deemed advisable, and collect just and reasonable rates and charges for solid waste management services provided by the county or by others under contract with the county. The ordinance may obligate the owners, lessees, or occupants of property, or any or all of them, to pay charges for solid waste management services to their properties or for disposal at a facility and may obligate the user of any facility to pay a reasonable charge for the use of the facility. Rates and charges may take into account the character, kind, and quality of the service and of the solid waste, the method of disposition, the number of people served at each place of collection, and all other factors that enter into the cost of the service, including but not limited to depreciation and payment of principal and interest on money borrowed by the county for the acquisition or betterment of facilities. A notice of intention to enact an ordinance, published pursuant to section 375.51, subdivision 2, shall provide for a public hearing prior to the meeting at which the ordinance is to be considered.

Sec. 29. Minnesota Statutes 1988, section 473.823, subdivision 5, is amended to read:

Subd. 5. [REVIEW OF WASTE PROCESSING FACILITIES.] (a) A metropolitan county may establish a waste processing facility within the county without complying with local ordinances, if the action is approved by the council in accordance with the review process established by this subdivision. A county requesting review by the council shall show that:

(1) the required permits for the proposed facility have been or will be issued by the agency; ~~that;~~

(2) the facility is consistent with the council's policy plan and the approved county master plan; and ~~that~~

(b) The council shall meet to commence the review within 90 days of the submission of a request determined by the council to satisfy the requirements for review under this subdivision. At the meeting commencing the review the chair shall recommend and the council establish a scope and procedure, including criteria, for its review and final decision on the proposed facility. The procedure shall require

the council to make a final decision on the proposed facility within 120 days following the commencement of review. For facilities other than waste incineration and mixed municipal solid waste composting facilities, the council shall meet to commence the review within 45 days of submission of the request and shall make a final decision within 75 days following commencement of review.

(c) The council shall conduct at least one public hearing in the city or town within which the proposed facility would be located. Notice of the hearing shall be published in a newspaper or newspapers of general circulation in the area for two successive weeks ending at least 15 days before the date of the hearing. The notice shall describe the proposed facility, its location, the proposed permits, and the council's scope and procedure, and criteria for review. The notice shall identify a location or locations within the local government unit and county where the permit applications and the council's scope and procedure, and criteria for review are available for review and where copies may be obtained.

(d) In its review and final decision on the proposed facility, the council shall consider at least the following matters:

(a) (1) the risk and effect of the proposed facility on local residents, units of government, and the local public health, safety, and welfare, and the degree to which the risk or effect may be alleviated;

(b) (2) the consistency of the proposed facility with, and its effect on, existing and planned local land use and development; local laws, ordinances, and permits; and local public facilities and services;

(c) (3) the adverse effects of the facility on agriculture and natural resources and opportunities to mitigate or eliminate such adverse effects by additional stipulations, conditions, and requirements respecting the design and operation of the proposed facility at the proposed site;

(d) (4) the need for the proposed facility and the availability of alternative sites;

(e) (5) the consistency of the proposed facility with the county master plan adopted pursuant to section 473.803 and the council's policy plan adopted pursuant to section 473.149;

(f) (6) transportation facilities and distance to points of waste generation.

(e) In its final decision in the review, the council may either approve or disapprove the proposed facility at the proposed site. The council's approval shall embody all terms, conditions, and requirements of the permitting state agencies, provided that the council

may require more stringent permit terms, conditions, and requirements respecting the design, construction, operation, inspection, monitoring, and maintenance of the proposed facility at the proposed site.

Sec. 30. Minnesota Statutes 1988, section 473.833, is amended by adding a subdivision to read:

The council may incorporate its report in the report required by section 473.149. In its 1988 report, the council shall make recommendations to the legislature on the future management and use of the metropolitan landfill abatement fund.

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 2294, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 2294 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1989 Supplement, section 171.06, subdivision 3, is amended to read:

Subd. 3. [CONTENTS OF APPLICATION.] Every application ~~shall~~ must state the full name, date of birth, social security number,

sex and residence address of the applicant, a description of the applicant in such manner as the commissioner may require, and shall must state whether or not the applicant has theretofore been licensed as a driver; and, if so, when and by what state or country and whether any such license has ever been suspended or revoked, or whether an application has ever been refused; and, if so, the date of and reason for such suspension, revocation, or refusal, together with such facts pertaining to the applicant and the applicant's ability to operate a motor vehicle with safety as may be required by the commissioner. The application form shall must contain a notification to the applicant of the availability of the donor document provided pursuant to section 171.07, subdivision 5, and shall must contain spaces where the applicant must indicate a desire to receive or not to receive the donor document. The application form must contain a notification to the applicant of the availability of a living will designation on the license under section 171.07, subdivision 7. The application shall must be in the form prepared by the commissioner.

The application form must be accompanied by a pamphlet containing relevant facts relating to:

- (1) the effect of alcohol on driving ability;
- (2) the effect of mixing alcohol with drugs;
- (3) the laws of Minnesota relating to operation of a motor vehicle while under the influence of alcohol or a controlled substance; and
- (4) the levels of alcohol-related fatalities and accidents in Minnesota and of arrests for alcohol-related violations.

Sec. 2. Minnesota Statutes 1989 Supplement, section 171.07, subdivision 1, is amended to read:

Subdivision 1. [LICENSE; CONTENTS.] The department shall, upon the payment of the required fee, issue to every applicant qualifying therefor a license designating the type or class of vehicles the applicant is authorized to drive as applied for, which license shall bear thereon a distinguishing number assigned to the licensee, the full name, date of birth, residence address and permanent mailing address if different, a description of the licensee in such manner as the commissioner deems necessary, and a space upon which the licensee shall write the usual signature and the date of birth of the licensee with pen and ink. No license shall be valid until it has been so signed by the licensee. Except in the case of an instruction permit, every license shall bear thereon a colored photograph or an electronically produced image of the licensee. Every license issued to an applicant under the age of 21 shall be of a distinguishing color and plainly marked "Under-21." The department shall use such process or processes in the issuance of licenses

that prohibits as near as possible, the ability to alter or reproduce the licenses, or prohibit the ability to superimpose a ~~photo~~ photograph or electronically produced image on such licenses without ready detection. A license issued to an applicant of age 65 or over shall be plainly marked "senior" if requested by the applicant.

Sec. 3. Minnesota Statutes 1988, section 171.07, subdivision 1a, is amended to read:

Subd. 1a. [PHOTOGRAPHIC NEGATIVES; FILING PHOTOGRAPHS OR IMAGES; DATA CLASSIFICATION.] The department shall file, or contract to file, all photographic negatives photographs or electronically produced images obtained in the process of issuing driver licenses or Minnesota identification cards. The negatives photographs or electronically produced images shall be private data pursuant to section 13.02, subdivision 12. Notwithstanding section 13.04, subdivision 3, the department shall not be required to provide copies of photographic negatives photographs or electronically produced images to data subjects. The use of the files is restricted to the issuance and control of driver licenses and for law enforcement purposes in the investigation and prosecution of felonies and violations of section 169.09; 169.121; 169.123; 169.129; 171.22; 171.24; 171.30; 609.41; 609.487, subdivision 3; 609.631, subdivision 4, clause (3); or 609.821, subdivision 3, clauses (1), item (iv), and (3).

Sec. 4. Minnesota Statutes 1989 Supplement, section 171.07, subdivision 3, is amended to read:

Subd. 3. Upon payment of the required fee the department shall issue to every applicant therefor a Minnesota identification card. The department may not issue a Minnesota identification card to a person who has a driver's license, other than an instruction permit. The card must bear a distinguishing number assigned to the applicant, a colored photograph or an electronically produced image, the full name, date of birth, residence address, a description of the applicant in the manner as the commissioner deems necessary, and a space upon which the applicant shall write the usual signature and the date of birth of the applicant with pen and ink.

Each Minnesota identification card must be plainly marked "Minnesota identification card - not a driver's license." The fee for a Minnesota identification card issued to a person who is mentally retarded, as defined in section 252A.02, subdivision 2, is 50 cents.

Sec. 5. Minnesota Statutes 1988, section 171.07, subdivision 6, is amended to read:

Subd. 6. [MEDICAL ALERT IDENTIFIER.] Upon the written request of the applicant, the department shall issue a driver's license or Minnesota identification card bearing a medical alert identifier. The applicant must request the medical alert identifier at the time

the photograph or electronically produced image is taken. No specific medical information will be contained on the driver's license or Minnesota identification card.

Sec. 6. Minnesota Statutes 1988, section 171.07, is amended by adding a subdivision to read:

Subd. 7. [LIVING WILL DESIGNATION.] At the written request of the applicant and on payment of the required fee, the department shall issue, renew, or reissue a driver's license or Minnesota identification card bearing the designation "Living Will" or an abbreviation thereof. The designation does not constitute delivery of a health care declaration under section 145B.05.

On payment of the required fee, the department shall issue a replacement or renewal license or identification card without the designation if requested by the applicant.

This subdivision does not impose any additional duty on a health care provider, as defined in section 145B.02, subdivision 6, beyond the duties imposed in chapter 145B.

For the purposes of this subdivision, "living will" means a declaration made under section 145B.03.

Sec. 7. Minnesota Statutes 1988, section 171.071, is amended to read:

171.071 [IDENTIFICATION IN LIEU OF PHOTOGRAPHS.]

Notwithstanding the provisions of section 171.07, the commissioner of public safety may adopt rules to permit identification on a driver's license in lieu of a photograph or electronically produced image where the commissioner finds that the licensee has religious objections to the use of a photograph or electronically produced image.

Sec. 8. Minnesota Statutes 1989 Supplement, section 171.18, is amended to read:

171.18 [SUSPENSION.]

The commissioner shall have authority to and may suspend the license of any driver without preliminary hearing upon a showing by department records or other sufficient evidence that the licensee:

(1) Has committed an offense for which mandatory revocation of license is required upon conviction; or

(2) Has been convicted by a court of competent jurisdiction for violation of a provision of the highway traffic regulation act or an ordinance regulating traffic and where it appears from department records that the violation for which the licensee was convicted contributed in causing an accident resulting in the death or personal injury of another, or serious property damage; or

(3) Is an habitually reckless or negligent driver of a motor vehicle; or

(4) Is an habitual violator of the traffic laws; or

(5) Is incompetent to drive a motor vehicle as determined and adjudged in a judicial proceeding; or

(6) Has permitted an unlawful or fraudulent use of such license; or

(7) Has committed an offense in another state which, if committed in this state, would be grounds for suspension; or

(8) Has committed a violation of section 171.22; or

(9) Has failed to appear in court as provided in section 169.92, subdivision 4; or

(10) has failed to report a medical condition that if reported would have resulted in cancellation of driving privileges.

Provided, however, that any action taken by the commissioner under subparagraphs (2) and (5) shall conform to the recommendation of the court when made in connection with the prosecution of the licensee.

Upon suspending the license of any person, as hereinbefore in this section authorized, the department shall immediately notify the licensee, in writing, by depositing in the United States post office a notice addressed to the licensee at the licensee's last known address, with postage prepaid thereon, and the licensee's written request shall afford the licensee an opportunity for a hearing within not to exceed 20 days after receipt of such request in the county wherein the licensee resides, unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or duly authorized agent, may administer oaths and issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or, good cause appearing therefor, may extend the suspension of such license or revoke such license. The department shall not suspend a license for a period of more than one year."

Delete the title and insert:

Subd. 44. [AMBULANCES.] The lease of a motor vehicle for use as an ambulance by an ambulance service licensed under section 144.802 is exempt.

There is specifically exempted from the provisions of this chapter and from computation of the amount of tax imposed by it the following:

(1) Purchase or use, including use under a lease purchase agreement or installment sales contract made pursuant to section 465.71, of any motor vehicle by the United States and its agencies and instrumentalities and by any person described in and subject to the conditions provided in section 297A.25, subdivision 18.

(2) Purchase or use of any motor vehicle by any person who was a resident of another state at the time of the purchase and who

(3) Purchase or use of any motor vehicle by any person making a valid election to be taxed under the provisions of section 297A.211.

(4) Purchase or use of any motor vehicle previously registered in the state of Minnesota by any corporation or partnership when such transfer constitutes a transfer within the meaning of section 351 or 721 of the Internal Revenue Code of 1986, as amended through December 31, 1988.

(5) Purchase or use of any vehicle owned by a resident of another state and leased to a Minnesota based private or for hire carrier for regular use in the transportation of persons or property in interstate commerce provided the vehicle is titled in the state of the owner or secured party, and that state does not impose a sales or motor vehicle excise tax on motor vehicles used in interstate commerce.

(6) Purchase or use of a motor vehicle by a private nonprofit or public educational institution for use as an instructional aid in automotive training programs operated by the institution.

(7) Purchase of a motor vehicle for use as an ambulance by an ambulance service licensed under section 144.802.

Sec. 8. [353E.01] [AMBULANCE SERVICE PERSONNEL INCENTIVE PLAN.]

Subdivision 1. [ESTABLISHMENT.] The ambulance service personnel incentive plan is administered by the public employees retirement association under supervision of the association board of directors. To assist it in governing the operations of the plan, the board may appoint an advisory committee of not more than seven members who are representative of ambulance service operators and ambulance service personnel.

Subd. 2. [COVERAGE.] Coverage under the personnel incentive plan is open to ambulance attendants and drivers from participating ambulance services who earn less than \$5,000 a year in hourly stipends or salary from service as an ambulance attendant or driver.

Sec. 9. [353E.02] [ELECTION OF COVERAGE.]

Each public ambulance service or privately operated ambulance service with its base of operation, as defined in section 144.801, subdivision 7, in Minnesota and with eligible personnel may elect to participate in the plan. If a service elects to participate, its eligible personnel may elect to participate or to decline to participate. An

individual's initial election must be made within the latter of 30 days of the service's election to participate or 30 days of the date on which the individual was employed by the service or began to provide service for it. The board of trustees of the public employees retirement association shall designate an annual period during which: (1) individuals or ambulance services who initially declined participation may choose to participate; and (2) individuals or ambulance services participating in the retirement plan may choose to end their participation.

Sec. 10. [353E.021] [FUNDING OF PLAN.]

Subdivision 1. [CALCULATION OF CREDIT; 20-YEAR LIMIT.] The plan is funded by general fund appropriations to the public employees retirement association. Money received by the public employees retirement association shall be remitted to the state board of investment for investment, until allocated and credited to participants. Beginning January 1, 1992, all funds received by the public employees retirement association and investment earnings on the funds, shall be allocated and credited to participants in proportion to the service units credited during the prior year for their years of service as provided in this subdivision and subdivisions 2 and 3.

Participants shall receive credit for two service units for each year of service following January 1, 1992, plus one service unit for each year of service prior to this date. Years of service must be verified by the participant's ambulance service in the report to the public employees retirement association required by section 13. Participant accounts may receive credit for service units for a maximum of 20 years of service.

Subd. 2. [CREDITS FOR FIRST FIVE YEARS.] For the calendar year beginning January 1, 1992, and for each of the next four calendar years, every participant shall receive credit at the end of the calendar year for two service units for that year, plus one-fifth of the total number of service units accumulated according to subdivision 1 for years of service prior to January 1, 1992. The amount of money per service unit that is to be deposited into each participant's account for each year during the period January 1, 1992, to December 31, 1996, is determined by dividing the total appropriation to the public employees retirement association for each fiscal year, plus investment earnings on that amount, by the total number of service units credited to all participants for that calendar year, as calculated according to this subdivision. Money appropriated to the public employees retirement association for fiscal year 1991 shall be allocated and credited with any appropriation received for fiscal year 1992.

Subd. 3. [CREDITS FOR SIXTH AND FOLLOWING YEARS.] For the calendar year beginning January 1, 1997, and for each

following calendar year, every participant shall receive credit for two service units at the end of that year. The amount of money per service unit that is to be deposited into each participant's account for each year after December 31, 1996, is determined by dividing the total appropriation to the public employees retirement association for that fiscal year, plus investment earnings on that amount, by the total number of service units credited to all participants for that calendar year, as calculated according to this subdivision.

Subd. 4. [PROHIBITION ON PARTICIPANT AND AMBULANCE SERVICE CONTRIBUTIONS.] Contributions by participants to their accounts, and contributions by ambulance services to their employees' accounts, are prohibited.

Subd. 5. [LIMITATION ON BENEFITS.] Benefits to participants under this plan are limited by and subject to the availability of funding.

Sec. 11. [353E.031] [VESTING.]

(a) Sixty months of service credit, accumulated after January 1, 1992, are required for vesting of retirement benefits. These 60 months must be accumulated within 120 months of the first month of service credit earned after January 1, 1992. No minimum period of service is required for vesting of death benefits, once the retirement plan has taken effect. Upon completion of 60 months of service under the plan with one or more participating ambulance services, a participant terminating active service is entitled to receive the value of the participant's individual account. An application by or on behalf of the participant must be filed before any payment of benefits is made.

(b) Funds credited to a person's account are forfeited at the end of the 120th month after the first month of service credit earned after January 1, 1992, if the person does not have 60 months of service credit at that time. Funds forfeited must be allocated as provided in section 10.

Sec. 12. [353E.05] [INVESTMENT OF FUNDS.]

Subdivision 1. [INVESTMENT.] Money allocated and credited to individual accounts, after the deduction of an amount for administrative expenses, must be remitted to the state board of investment for investment in the Minnesota supplemental investment fund established by section 11A.17. Investment options and procedures are governed by section 353D.05.

Subd. 2. [ADMINISTRATIVE EXPENSES.] The public employees retirement association may deduct a reasonable amount, set annually by the executive director of the association, but not to exceed

two percent of the funding of the plan under section 10, to defray the actual and necessary expenses of the association in administering the plan.

Sec. 13. [353E.06] [REPORTING BY AMBULANCE SERVICES.]

The executive director of the public employees retirement association shall prescribe the form of annual and any other reports required from an ambulance service and the election forms required from ambulance service members. Member forms shall contain names, identification numbers, total number of years and dates of accumulated service, and such other data as is required to keep an accurate account of the account value of each participant.

In the event an ambulance service fails to provide required information within 60 days after the public employees retirement association sends the service a notice that the information is overdue, its members forfeit the service units credited and funding allocated for that year. Funds forfeited must be allocated as provided in section 10. Ambulance services that provide fraudulent information shall be suspended from the program for a period of time determined by the executive director and are subject to criminal prosecution.

Sec. 14. [353E.07] [BENEFITS.]

Subdivision 1. [TYPE OF PLAN.] The plan is a defined contribution plan when the benefits are payable upon termination of service, retirement, or death. The amount of benefits is determined by the value of accumulated contributions plus a proportionate share of investment income of the fund credited to each individual account.

Subd. 2. [PAYMENT OF BENEFITS.] Withdrawal of or a retirement benefit based on fund contributions plus accrued investment income is payable immediately upon the death or termination of an active member for a period that exceeds 30 days. An application by or on behalf of the participant must be filed before any payment of benefits may be made.

Subd. 3. [FORM OF BENEFIT.] A retirement benefit is payable in a lump sum equal to the value of a participant's account at the date of retirement and may be rolled over into another qualified plan at the option of the member. As an alternative to a lump sum distribution, the member may choose to have the association use the total account value to purchase an annuity payable at a designated age from an insurance company licensed to do business in the state.

Subd. 4. [DEATH OF A MEMBER.] In the event of the death of an active participant, the total value of the account must be paid in a

lump sum to the designated beneficiary or, if none, the estate of the decedent.

Sec. 15. [353E.08] [PORTABILITY.]

Qualified ambulance service personnel who change employment or membership among participating ambulance services remain eligible for service unit credits under the plan.

Sec. 16. [353E.09] [RULES; TAX QUALIFICATION.]

The public employees retirement association may adopt rules required for administration of the plan. The proposed plan shall be formulated and adopted in accordance with applicable restrictions and standards of the Internal Revenue Code and rulings and regulations of the Internal Revenue Service in order to assure the tax exempt status of the plan as a qualified pension plan. If the public employees retirement association determines that its administration of the plan will jeopardize the tax exempt status of the plan as a qualified pension plan or the tax exempt status of any public pension plan listed in section 356.30, the public employees retirement association may contract with another organization for administration of the plan.

If the executive director of the public employees retirement association determines that the plan must comply with federal ERISA requirements, including any requirements necessary for tax-deferred treatment of contributions and interest earned thereon, participants shall not be credited with service units and the public employees retirement association shall not transfer money into participants' accounts until the director determines that the plan has met ERISA requirements. If the executive director determines that legislative changes are needed to comply with ERISA requirements, the director shall recommend the changes to the legislature at its next regular session.

Sec. 17. [NORTH PINE AREA HOSPITAL DISTRICT.]

Effective retroactive to October 1, 1989, the North Pine Area Hospital District shall not be considered to be a governmental subdivision and employees of the district shall not be considered to be public employees for purposes of membership or participation in the public employees retirement association."

S. F. No. 2158 was reported to the House.

Jacobs moved to amend S. F. No. 2158, as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 216B.163, is amended to read:

216B.163 [FLEXIBLE TARIFFS.]

Subdivision 1. [DEFINITIONS.] (a) For the purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) “Effective competition” means that a customer of a gas utility who either receives interruptible service or whose daily requirement exceeds 50,000 cubic feet maintains or plans on acquiring the capability to switch to the same, equivalent, or substitutable energy supplies or service, ~~except indigenous biomass energy supplies composed of wood products, grain, biowaste, and cellulose materials,~~ at comparable prices from a supplier not regulated by the commission.

(c) “Flexible tariff” means a rate schedule under which a gas utility may set or change the price for its service to an individual customer or group of customers without prior approval of the commission within a range of prices determined by the commission to be just and reasonable.

Subd. 2. [FLEXIBLE TARIFFS PERMITTED.] Notwithstanding ~~any other provision of this chapter~~ section 216B.03, 216B.05, 216B.06, 216B.07, or 216B.16, the commission is ~~authorized to may~~ approve a flexible tariff for any class of customers of a gas utility when provision of service, including the sale or transportation of gas, to any customers within the class is subject to effective competition. Upon application of a gas utility, the commission shall find that effective competition exists for a class of customers taking interruptible service at a level exceeding 199,000 cubic feet per day. A gas utility may only apply a flexible tariff only to a customer that is subject to effective competition and a gas utility may not apply a flexible tariff or otherwise reduce its rates to compete with indigenous biomass energy supplies, or with customers of district heating

facilities as of June 1, 1987. Customers of a gas utility whose only alternative source of energy is gas from a supplier not regulated by the commission and who must use the gas utility's system to transport the gas are not subject to effective competition unless the customers have or can reasonably acquire the capability to bypass the gas utility's system to obtain gas from a supplier not regulated by the commission. A customer subject to effective competition may elect to take service either under the flexible tariff or under the appropriate nonflexible tariff for that class of service set in accordance with section 216B.03, provided that a customer that uses an alternative energy supply or service other than indigenous biomass energy supplies from a supplier not regulated by the commission for reasons of price shall be deemed to have elected to take service under the flexible tariff.

Subd. 3. [ESTABLISHING OR CHANGING A FLEXIBLE TARIFF.] The commission may establish a flexible tariff through a miscellaneous rate filing only if the filing does not seek to recover any revenues which the utility expects to lose by implementing flexible tariffs from any customers who do not take service under the flexible tariff, nor to change any other rates another rate. If a gas utility requests authority to establish a flexible tariff and as part of that request seeks to recover any revenues which the utility expects to lose by implementing flexible tariffs from any customers who do not take service under the flexible tariff or to change any other rates the commission may only establish that flexible tariff within a general rate case for that gas utility. The commission may only change the rates in a flexible tariff within a gas utility's general rate case.

Subd. 4. [RATES AND TERMS OF SERVICE.] Whenever the commission authorizes a flexible tariff, it shall set the terms, and conditions of service for that tariff, which shall include including:

(1) that the minimum rate for the tariff, which must recover at least the incremental cost of providing the service;

(2) that there is no upward the maximum for the rate for the tariff; and

(3) a requirement that a customer who elects to take service under the flexible tariff remain on that tariff for a reasonable period of time, which shall not be less than one year; and

(4) that any customer changing from a flexible tariff to the appropriate nonflexible tariff for that class pay all costs incurred by the utility due to that change.

The commission may set the terms and conditions of service for a flexible tariff in a gas utility proceeding, a miscellaneous filing, or a complaint proceeding under section 216B.17.

Subd. 5. [RECOVERY OF REVENUES.] In a general rate case ~~which~~ that establishes a flexible tariff for a gas utility, and in each general rate case of a gas utility for which a flexible tariff has been authorized, the commission shall determine a projected level of revenues and expenses from services under that tariff based on a single target rate for all sales under that tariff, which projection shall be used and use the projection to determine the utility's overall rates. That target rate method used to establish a level of projected revenues shall ~~may not limit~~ the gas utility's ability or right to set rates for any a customer taking service under the flexible tariff.

Subd. 6. [INTERIM FLEXIBLE TARIFF.] Notwithstanding section 216B.16, subdivision 3, if a gas utility files with the commission to establish or change a flexible tariff the commission shall permit the proposed flexible tariff to take effect on an interim basis no later than 30 days after filing. If any customers receive an increase in rates during the period that an interim flexible tariff is in effect, the increase is subject to refund as provided in section 216B.16, subdivision 3. The gas utility shall provide ten days written notice, or other notice as may be established by contract not to exceed 30 days, to a customer before implementing an interim rate ~~increase~~ change for that customer under this section.

Subd. 7. [FINAL DETERMINATION.] The commission shall make a final determination in a proceeding begun under this section for approval of a flexible tariff, other than a filing made within a general rate case, within 180 days of the filing by the gas utility.

Subd. 8. [STUDY AND REPORT.] The department shall review the operation and effects of any rates implemented under this section. The review must include, at a minimum, an evaluation of the impact of flexible gas rates on alternative energy sources, including indigenous biomass energy, and the impact on the utility and its customers of setting a maximum rate for the tariff. The department shall submit its report to the legislature by January 1, 1995. The department shall assess gas utilities that utilize a flexible tariff under section 1 for the actual cost of conducting the study, not to exceed \$5,000. Each utility utilizing a flexible tariff must be assessed an equal share of the cost.

Sec. 2. Laws 1987, chapter 371, section 4, is amended to read:

Sec. 4. [EFFECTIVE DATE.]

Sections 1 to 3 are effective the day following final enactment, and are repealed effective July 1, 1990.

Sec. 3. [APPROPRIATION.]

\$5,000 is appropriated from the general fund to the department of

public service to be reimbursed from the assessment authorized in section 1, subdivision 8, for the purpose of conducting the study required by section 1. The money is available until February 1, 1995.

Sec. 4. [EFFECTIVE DATES.]

Sections 1 and 3 are effective July 1, 1990. Section 2 is effective the day following final enactment."

Page 6, after line 7, insert:

"Sec. 14. [DAY-FINES.]

Subdivision 1. [MODEL SYSTEM.] By June 1, 1991, the sentencing guidelines commission shall develop a model day-fine system.

Each judicial district must adopt either the model system or its own day-fine system by January 1, 1992.

Subd. 2. [COMPONENTS.] A day-fine system adopted under this section must provide for a two-step sentencing procedure for those receiving a fine as part of a probationary felony sentence. In the first step, the court determines how many punishment points a person will receive, taking into account the severity of the offense and the criminal history of the offender. The second step is to multiply the punishment points by a factor that accounts for the offender's financial circumstances. The goal of the system is to provide a fine that is proportional to the seriousness of the offense and largely equal in impact among offenders with different financial circumstances. The system may provide for community service in lieu of fines for offenders whose means are so limited that the payment of a fine would be unlikely.

Sec. 15. [SUPREME COURT STUDIES.]

Subdivision 1. [JOINDER STUDY.] The supreme court shall study the feasibility of amending rule 17.03 of the Minnesota Rules of Criminal Procedure to facilitate the joint trial of certain defendants being prosecuted for possession of a controlled substance where separate trials do not serve the interests of justice. The court shall consider whether the amendment of rule 17.03 would have an unfair impact on particular economic classes or ethnic groups or otherwise create unfair categories of defendants.

Subd. 2. [CASH BAIL STUDY.] The supreme court shall study the feasibility of amending the Minnesota Rules of Criminal Procedure to provide a hearing when a defendant pays a large bail amount in cash to allow the court to determine whether the funds are the proceeds of the unlawful sale of controlled substances."

[PENALTY FOR FAILURE TO IMPLEMENT PLAN.] If (a) The commissioner of employee relations finds, after notice and consultation with a shall review the implementation report submitted by a governmental subdivision, that it has failed to implement its plan for implementing to determine whether the subdivision has established equitable compensation relationships as required by section 471.992, subdivision 1, by December 31, 1991, or the later date approved by the commissioner. The commissioner shall notify a subdivision found to have achieved compliance with section 471.992, subdivision 1.

(b) If the commissioner finds that the subdivision is not in compliance based on the information contained in the implementation report required by section 7, the commissioner shall notify the subdivision of the basis for the finding. The notice must include a detailed description of the basis for the finding, specific recommended actions to achieve compliance, and an estimated cost of compliance. If the subdivision disagrees with the finding, it shall notify the commissioner, who shall provide a specified time period in which to submit additional evidence in support of its claim that it is in compliance. The commissioner shall consider at least the following additional information in reconsidering whether the subdivision is in compliance:

However, the commissioner of revenue may not enforce a penalty until after the end of the first regular legislative session after a report listing the subdivision as not in compliance has been submitted to the legislature under section 471.999. The penalty remains in effect until the subdivision achieves compliance. The commissioner of employee relations may waive suspend the penalty upon making a finding that the failure to implement was attributable to circumstances beyond the control of the governmental subdivision or to severe hardship, or that noncompliance results from factors unrelated to the sex of the members dominating the

affected classes and that the subdivision is taking substantial steps to achieve compliance to the extent possible.

Sec. 10. Minnesota Statutes 1988, section 471.9981, is amended by adding a subdivision to read:

[APPEAL.] A governmental subdivision may appeal the imposition of a penalty under subdivision 6 by filing a notice of appeal with the commissioner of employee relations within 30 days of the commissioner's notification to the subdivision of the penalty. The appeal shall must be taken within 15 days after the date of the resolution setting such the salary or budget by serving a notice of appeal on the

It is prima facie evidence that the board did not act in an arbitrary, capricious, oppressive, or unreasonable manner or without taking into account the responsibilities and duties of the office of the court administrator, and the court administrator's experience, qualifications, and performance, if the board's action was in accordance with a job evaluation system under section 471.994. After determination of the appeal the county board shall proceed in conformity ~~therewith~~ with the court's order. This subdivision is not in effect from July 1, 1989, to July 1, 1991, with respect to the amount of the budget of the office of court administrator of district court.

CONFERENCE COMMITTEE REPORT ON S. F. NO. 1743

A bill for an act relating to telephone service; regulating the installation of extended area service in exchanges; requiring the expansion of the metropolitan extended area telephone service, under some circumstances; proposing coding for new law in Minnesota Statutes, chapter 237.

April 11, 1990

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Robert E. Vanasek
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1743, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1743 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [237.161] [EXTENDED AREA SERVICE.]

Subdivision 1. [CRITERIA.] (a) The commission shall grant a petition for installation of extended area service only when each of the following criteria has been met:

(1) the petitioning exchange is contiguous to an exchange or local calling area to which extended area service is requested in the petition;

(2) polling by the commission shows that a majority of the customers responding to a poll in the petitioning exchange favor its installation, unless all parties and the commission agree that no polling is necessary; and

(3) at least 50 percent of the customers in the petitioning exchange make one or more calls per month to the exchange or local calling area to which extended area service is requested, as determined by a traffic study.

The rate to the polled exchange must be available to its customers before the commission determines what proportion of them favor the installation of extended area service.

(b) For the purpose of clause (3), the commission shall include as a customer an FX telephone service subscriber in the petitioning exchange whose FX service is provided through the exchange or an exchange within the local calling area to which extended area service is sought. For the purposes of this subdivision, "FX" means tariffed telephone toll service provided by placing a telephone line from another telephone exchange area in the telephone customer's exchange area.

(c) When the local calling area to which extended service is sought is the metropolitan local calling area in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington counties and the petitioning exchange meets the criteria in paragraph (a), the telephone company serving the petitioning exchange shall make local measured service or another lower cost alternative to basic flat-rate service available to customers in the petitioning exchange.

Subd. 2. [BASIS OF RATES; COSTS.] For a proposal to install extended area service, proposed rates must be based on specific additional cost incurred, operating expenses, actual cost for new facilities constructed specifically to provide for extended area service, net book value of existing facilities transferred from another service to extended area service, a return on the capital investment associated with installing and providing the extended area service, and appropriate contributions to common overheads.

Subd. 3. [RATES.] (a) When the local calling area to which extended service is sought is the metropolitan local calling area in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington counties, 75 percent of the costs of providing extended area service, as identified in subdivision 2, must be apportioned to the petitioning exchange and the remaining 25 percent apportioned to the exchange or exchanges to which extended area service is requested. When the proposed extended service area is not the metropolitan local calling area, the commission shall determine the apportionment of costs, provided that between 50 and 75 percent of the costs must be allocated to the petitioning exchange. The costs must be apportioned

among the customers in an exchange so that the relationship between the rates for classes of basic local service remains the same. Rates within the existing metropolitan local calling area may not be raised as a result of the addition of a local exchange under this subdivision until the rates in the added exchange are at least equal to the highest rates in an adjacent exchange within the metropolitan local calling area, provided that the rates in the added exchange may not exceed the amount necessary to recover 100 percent of the costs and ensure that the rates are income neutral for the telephone company serving the added exchange.

(b) The commission shall establish rates that are income neutral for each affected telephone company at the time at which the commission determines the extended area service rates. The commission shall consider the interests of all parties when determining a fair and equitable extended area service rate for a local telephone exchange that is newly included in the extended area service.

(c) A telephone company that provides local telephone service in an exchange that is included in an extended service area shall include the extended area service rate in the basic rate for the purpose of billing customers so that only one line item charge appears on customers' bills for both rates.

Subd. 4. [LATA BOUNDARIES.] When the commission has determined that a petition for inclusion of a local exchange in an extended service area should be granted under this section, but the inclusion of that local exchange would place a telephone company in violation of the federal prohibition on providing telephone service across a local access and transport area (LATA) line, as defined in section 237.57, subdivision 5, the commission shall order the affected telephone company to seek a waiver of the prohibition on the provision of service across the LATA line to the extent necessary to include the exchange in the extended service area.

Subd. 5. [INTERSTATE EXTENDED AREA SERVICE.] No state boundary may be crossed to establish extended area service under this section, but an exchange may be added to an interstate extended service area in existence on the effective date of this section.

Sec. 2. [METROPOLITAN EXTENDED AREA TELEPHONE SERVICE.]

Subdivision 1. [DEFINITION.] For the purposes of this section, "metropolitan" or "metropolitan area" means all of the area within the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Subd. 2. [REQUIRED EXPANSION OF METROPOLITAN EXTENDED AREA SERVICE.] Notwithstanding section 1, by July 1,

1991, the public utilities commission shall expand the metropolitan extended area service local calling area to include each local service telephone exchange served by a central office or wire center located within the metropolitan area if a majority of the consumers in the exchange that respond to polling by the commission favor including that exchange in the metropolitan local calling area as determined under subdivisions 3 and 4.

Subd. 3. [COMMISSION DUTIES; PROJECT.] The commission, in cooperation with each affected telephone company, shall determine the rates that would be charged to the customers in each metropolitan exchange that is not currently included in the metropolitan local calling area if that exchange were to be included. The commission shall then conduct a poll of the customers in each exchange. The ballot or questionnaire sent to each customer must clearly identify the rate that would be charged to customers in that exchange if the exchange becomes part of the metropolitan extended service area and must be returnable to the commission, at no cost to the customers, within 60 days of the date the ballot or questionnaire was mailed. If a majority of the customers in an exchange who respond to the commission's poll indicate that they favor inclusion, the commission shall include that exchange in the metropolitan local calling area.

Subd. 4. [COSTS; RATES.] The commission shall determine the costs and rates for each exchange subject to subdivision 3 in accordance with section 1, subdivisions 2 and 3, and commission rules.

Subd. 5. [FUTURE EXPANSION.] Customers in metropolitan exchanges that are not included in the metropolitan local calling area under subdivision 3 and customers in nonmetropolitan exchanges that want to be included in the metropolitan local calling area may petition the commission for inclusion under section 1 and commission rules, provided that no state boundary may be crossed in expanding the metropolitan local calling area.

Subd. 6. [DUTIES; TELEPHONE COMPANIES.] Each telephone company that is potentially affected by the activities of the commission in implementing subdivision 3 shall cooperate with the commission in determining costs and rates and any other activity or determination necessary to implement that subdivision.

Sec. 3. [REPEALER.]

Section 1 is repealed effective June 1, 1994.

Sec. 4. [EFFECTIVE DATE; APPLICATION.]

Sections 1 and 2 are effective the day following final enactment.

Section 1 applies to all petitions pending before the public utilities commission on that date and to bills sent to customers in exchanges that become part of an extended service area after that date. Section 2 applies to local exchanges whose central offices or wire centers are located in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. The public utilities commission shall suspend further action on any pending extended area service petition from an exchange governed by section 2 until the public utilities commission has implemented that section."

We request adoption of this report and repassage of the bill.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 2343

A bill for an act relating to insurance; accident and health; providing for the classification and disclosure of certain comprehensive health insurance data; regulating the Minnesota comprehensive health insurance plan; requiring insurers to provide written materials on the Minnesota comprehensive health insurance plan; amending Minnesota Statutes 1988, sections 13.71, by adding a subdivision; 62E.10, subdivision 9; 62E.14, by adding subdivisions; and 62E.15, subdivision 4.

April 12, 1990

The Honorable Robert E. Vanasek
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 2343, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2343 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 13.71, is amended by adding a subdivision to read:

Subd. 6. [COMPREHENSIVE HEALTH INSURANCE DATA.] The following data on eligible persons and enrollees of the state comprehensive health insurance plan are classified as private: all data collected or maintained by the Minnesota comprehensive health association, the writing carrier, and the department of commerce.

The Minnesota comprehensive health association is considered a state agency for purposes of chapter 13.

The Minnesota comprehensive health association may disclose data on eligible persons and enrollees of the state comprehensive health insurance plan to conduct actuarial and research studies, notwithstanding the classification of this data, if:

- (1) the board authorizes the disclosure;
- (2) no individual may be identified in the actuarial or research report;
- (3) materials allowing an individual to be identified are returned or destroyed as soon as they are no longer needed; and
- (4) the actuarial or research organization agrees not to disclose the information unless the disclosure would be permitted under this chapter if made by the association.

Sec. 2. Minnesota Statutes 1988, section 62E.10, subdivision 9, is amended to read:

Subd. 9. [EXPERIMENTAL DELIVERY METHOD.] The association may petition the commissioner of commerce for a waiver to allow the experimental use of alternative means of health care delivery. The commissioner may approve the use of the alternative means the commissioner considers appropriate. The commissioner may waive any of the requirements of this chapter and chapters 60A, 62A, and 62D in granting the waiver. The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, including the power to implement a provider payment schedule.

This subdivision is effective until August 1, 1990 1991.

The commissioner of commerce in consultation with the governor's commission on health plan regulatory reform shall study and report to the legislature by January 15, 1989, on the current means utilized to finance the annual operating deficits incurred under the association. In conducting the study, the commissioner shall analyze any negative financial impacts which the current deficits are having on the contributing members of the association and recommend alternative sources of funding or other approaches which could be utilized to finance the operating deficit. The study shall also address the current association funding inequities between employers which self insure for employee health benefit coverage and those employers which have health coverage subject to state regulation.

Sec. 3. Minnesota Statutes 1988, section 62E.14, is amended by adding a subdivision to read:

Subd. 4a. [WAIVER OF PREEXISTING CONDITIONS FOR MINNESOTA RESIDENTS.] A person may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in subdivision 3, provided that the following requirements are met:

(1) the person is a Minnesota resident eligible to enroll in the comprehensive health plan;

(2) the person:

(a) would be eligible for continuation under federal or state law if continuation coverage were available or were required to be available;

(b) would be eligible for continuation under clause (a) except that the person was exercising continuation rights and the continuation period required under federal or state law has expired; or

(c) is eligible for continuation of health coverage under federal or state law;

(3) continuation coverage is not available; and

(4) the person applies for coverage within 90 days of termination of prior coverage from a policy or plan.

Coverage in the comprehensive health plan is effective on the date of termination of prior coverage. The availability of conversion rights does not affect a person's rights under this subdivision.

Sec. 4. Minnesota Statutes 1988, section 62E.14, is amended by adding a subdivision to read:

Subd. 4b. [WAIVER OF PREEXISTING CONDITIONS FOR PERSONS COVERED BY RETIREE PLANS.] A person who was covered by a retiree health care plan may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in subdivision 3, provided that the following requirements are met:

(1) the person is a Minnesota resident eligible to enroll in the comprehensive health plan;

(2) the person was covered by a retiree health care plan from an employer and the coverage is no longer available to the person; and

(3) the person applies for coverage within 90 days of termination of prior coverage.

Coverage in the comprehensive health plan is effective on the date of termination of prior coverage. The availability of conversion rights does not affect a person's rights under this section.

Sec. 5. [WAIVER OF PREEXISTING CONDITION.]

A person may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in Minnesota Statutes, section 62E.14, subdivision 3, provided that the person meets the following requirements:

(1) group coverage was provided through a rehabilitation facility defined in Minnesota Statutes, section 129A.01, subdivision 6, and coverage was terminated;

(2) all other eligibility requirements for enrollment in the comprehensive health plan are met; and

(3) coverage is applied for within 90 days of termination of previous coverage.

Sec. 6. Minnesota Statutes 1988, section 62E.15, subdivision 4, is amended to read:

Subd. 4. Every insurer which rejects or applies underwriting restrictions to an applicant for accident and health insurance shall: (1) provide the applicant with a written notice of rejection or the underwriting restrictions applied to the applicant in a manner consistent with the requirements in section 72A.499; (2) notify the applicant of the existence of the state plan, the requirements for being accepted in it, and the procedure for applying to it; and (3) provide the applicant with written materials explaining the state plan in greater detail. This written material shall be provided by the association to every insurer at no charge.

Sec. 7. [62E.19] [PAYMENTS FOR PREEXISTING CONDITIONS.]

Subdivision 1. [EMPLOYER LIABILITY.] An employer is liable to the association for the costs of any preexisting conditions of the employer's former employees or their dependents during the first six months of coverage under the state comprehensive health insurance plan under the following conditions:

(1) the employer has terminated or laid off employees and is required to meet the notice requirements under section 268.976, subdivision 3;

(2) the employer has failed to provide, arrange for, or make available continuation health insurance coverage required to be provided under federal or state law to employees or their dependents; and

(3) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5; or

(4) the employer has terminated or allowed the employer's plan of health insurance coverage to lapse within 90 days prior to the date of termination or layoff of an employee; and

(5) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5.

The employer shall pay a special assessment to the association for the costs of the preexisting conditions. The special assessment may be assessed before the association makes the annual determination of each contributing member's liability as required under this chapter. The association may enforce the obligation to pay the special assessment by action, as a claim in an insolvency proceeding, or by any other method not prohibited by law.

If the association makes the special assessment permitted by this subdivision, the association may also make any assessment of contributing members otherwise permitted by law, without regard to the special assessment permitted by this subdivision. Contributing members must pay the assessment, subject to refund or adjustment, in the event of receipt by the association of any portion of the special assessment.

Subd. 2. [EXEMPTION.] Subdivision 1 does not apply to a termination of or failure to implement an employee health benefit

plan which results from or occurs during a strike or lockout, nor does it apply to employee health benefit plans separately provided by an employee organization or bargaining agent, regardless of any financial contribution to the plan by the employer.

Sec. 8. [EFFECTIVE DATE.]

Sections 3, 4, and 7 are effective retroactively to March 1, 1990. Sections 1, 2, and 5 are effective the day following final enactment. The 90-day requirement in sections 3 and 4 does not apply to terminations of coverage occurring after March 1, if application to or enrollment in the comprehensive health plan occurs within 90 days after final enactment.

Delete the title and insert:

SPECIAL ORDERS

S. F. No. 1674 was reported to the House.

Nelson, C., moved to amend S. F. No. 1674, as follows:

Delete everything after the enacting clause and insert:

“Section 1. [3.7372] [HONEYBEE OWNERS; COMPENSATION FOR DAMAGE CAUSED BY GRASSHOPPER CONTROL MEASURES.]

Subdivision 1. [AUTHORIZATION.] The commissioner of agriculture shall compensate an owner of honeybee colonies damaged or destroyed by grasshopper control measures in a designated grasshopper control zone.

Subd. 2. [CLAIM FORM.] The owner of damaged or destroyed honeybee colonies shall prepare a claim on forms provided by the commissioner of agriculture and available from county agricultural inspectors, local weed inspectors, or the office of the county extension agent.

Subd. 3. [COMPENSATION.] The owner of damaged or destroyed honeybee colonies is entitled to fair market value for reduced honey production caused by chemical control measures applied in a grasshopper control zone designated by the commissioner under section 18.0223. For each colony destroyed or rendered economically non-productive by the chemical control measures, the owner is also entitled to the reasonable cost of replacing the colony. The commissioner of agriculture shall determine the fair market value of reduced honey production and reasonable colony replacement costs upon recommendation of the county agricultural inspector or other qualified agent.

Subd. 4. [INSURANCE DEDUCTION.] Payments authorized under this section must be reduced by amounts received by an owner of honeybee colonies as proceeds from an insurance policy covering loss of colonies or reduced honey production or from any other source for the same purposes including, but not limited to, a federal program.

Subd. 5. [DENIAL OF CLAIM; APPEAL.] If the commissioner of agriculture denies compensation claimed by an owner of damaged or

destroyed honeybee colonies under this section, the commissioner shall issue a written decision based upon the available evidence including a statement of the facts upon which the decision is based and the conclusions on the material issues of the claim. A copy of the decision must be mailed to the owner of the honeybee colonies.

Sec. 2. Minnesota Statutes 1989 Supplement, section 18.0225, is amended to read:

18.0225 [GRASSHOPPER CONTROL PROGRAM.]

(a) The commissioner of agriculture shall develop and implement a grasshopper control program to prevent crop damage in the grasshopper control zone. Within grasshopper control zones the commissioner, landowners, and local weed inspectors have the same authorities and duties under chapter 18 for grasshoppers as if grasshoppers are noxious weeds under chapter 18, except that the commissioner and the commissioner's agents do not have authority to require grasshopper control measures on land under the jurisdiction of the commissioner of natural resources under section 84.033 or land owned by a nonprofit scientific or educational organization and maintained in a natural state. After consultation and cooperation with the state extension service entomologist, the commissioner must develop the program to economically and efficiently control grasshoppers and to minimize adverse environmental impact, including the selection of pesticides and prescription of application rates.

(b) Notwithstanding the provisions of paragraph (a) and chapter 18, the board of a town designated by the commissioner as a grasshopper control zone may appoint a grasshopper control advisory committee of up to three members who are residents of the township before issuing orders for grasshopper control measures. The advisory committee must include at least one owner of land enrolled in the conservation reserve program if any land is enrolled and one dairy farmer if dairying occurs in the township. The town board must seek the advice of the advisory committee before the issuance of each order for grasshopper control.

(b) (c) The grasshopper control program must utilize proven methods of grasshopper control and the commissioner may make grants for experimental methods of control in selected areas.

(d) The commissioner, upon written request from any person or organization, may exempt from grasshopper control measures a parcel of land that the commissioner, in consultation with the commissioner of natural resources, determines to be of particular scientific or natural significance or is particularly sensitive to the use of insecticides or other control methods being used. The request for exemption must include at least the following:

(1) the name and address of the person or organization making the request;

(2) the acreage and legal description of the parcel; and

(3) a statement of the specific reasons why an exemption is reasonable.

(e) A decision of the commissioner under paragraph (d) must be in writing and delivered to the person or organization making the request and the clerk of the town in which the property is located. The commissioner, counties, towns, and their agents are not liable for damages from exemptions granted under paragraphs (d) and (e).

(f) Before any grasshopper control measures, including but not limited to spraying or the deposit of pelletized controls, are applied on or to public waters, waterways, streams, or lakes, the commissioner shall seek the review and approval of the commissioner of natural resources.

Sec. 3. [18.0228] [CONTROL PROVISIONS.]

Subdivision 1. [PESTICIDE SELECTION.] (a) The commissioner, in consultation with the extension service entomologist, shall prepare a list of registered pesticides for use in the grasshopper control program. The commissioner must recommend pesticides and application methods that will minimize the adverse impact on foraging bees. The pesticides must economically and efficiently control grasshoppers and minimize adverse environmental impacts. Grasshopper control may only be conducted under this chapter with pesticides according to their label requirements.

(b) The commissioner shall determine grasshopper densities and densities causing economic or potential economic damage by May 1, 1990, notwithstanding chapter 14, except that section 14.38, subdivisions 7 and 8, must be complied with.

Subd. 2. [INDIVIDUAL NOTICES.] (a) The individual notices required under this chapter for the grasshopper control program must be in the form provided in this subdivision.

(b) The individual notice must be in the form prescribed by the commissioner and state at least the following:

(1) the legal description of the property covered by the notice to control;

(2) the date the notice is issued;

(3) the name and work telephone number of the inspector issuing the notice;

(4) the grasshopper counts found on the property;

(5) the date the property will be controlled by the county or municipality if the owner or occupant does not comply with the notice, which must be at least three days after the date the notice was served;

(6) that the costs of the control will be a lien and applied against the property's tax roll; and

(7) that the owner or occupant may contact the inspector about the notice before the time that the county or the municipality will control grasshoppers, which must be at least three days after the date the notice was served.

(c) The commissioner, a county agricultural inspector, or a local weed inspector issuing a notice under this subdivision must provide the same number of days for compliance under paragraph (b), clause (5), for property controlled by a private land owner or occupant as for property controlled by a unit of state or local government.

Subd. 3. [EFFECTS ON FORAGING BEES.] (a) Minnesota extension service shall hold meetings in grasshopper control zone areas explaining grasshopper control methods and procedures to minimize adverse effects on foraging bees.

(b) Not later than May 1 of each year, an owner of honeybee colonies must notify the commissioner as to the number and location of the colonies. Notification under this section must be accomplished by identifying on a map provided by the commissioner the location of colonies. The notice must include the name, address, and telephone number of the owner. If an owner of honeybee colonies relocates the colonies the owner must report the relocation orally, by phone, or in writing to the extension agent within ten days after the relocation.

(c) The extension agent in each county where one or more townships are designated grasshopper control zones must prepare maps of the location of all known honeybee colonies, including identification of the name, address, and telephone number of the owner. The maps must be updated at least weekly if owners of honeybee colonies give notice of relocations. The extension agent must make copies of the map available to pesticide applicators and to the town clerk of each township in the county.

(d) A pesticide applicator must not apply grasshopper control pesticides on blooming crops including alfalfa, clover, or sunflowers

except during the first three hours after sunrise or during the last hour before sunset within two miles of honeybee colonies.

(e) A farmer who applies pesticides or contracts to have pesticides applied must notify beekeepers within two miles of the application site within not more than seven days nor less than 24 hours prior to the application.

Subd. 4. [APPEAL OF CONTROL COSTS; PETITION.] (a) If a land owner objects to paying for grasshopper control measures ordered under section 18.0225, the land owner shall petition for judicial review. The petition must be filed within 30 days after the conclusion of grasshopper control measures on the petitioner's property. The petition shall be filed with the court administrator in the county in which the real property is located together with proof of service of a copy of the petition on the commissioner and the county auditor. The petition must be accompanied by the standard filing fee for civil actions. No responsive pleadings shall be required of the commissioner or the county, and no court fees shall be charged for the appearance of the commissioner or the county in the matter.

(b) The petition must be captioned in the name of the person making the petition as petitioner and the commissioner of agriculture and the respective county as respondents. The petition must include the petitioner's name, the legal description of the real estate involved, a copy of the notice to control grasshoppers, and the date or dates on which appealed control measures were undertaken.

(c) The petition must state with specificity the grounds upon which the petitioner seeks to avoid the impositions of a lien for the cost of grasshopper control measures.

Subd. 5. [HEARING.] (a) A hearing under subdivisions 4 to 6 must be held at the earliest practicable date, and in no event later than 90 days following the filing of the petition of objection. The hearing must be before a district judge in the county in which the real estate is located, and must be conducted in accordance with the normal rules of civil procedure. The commissioner must be represented by the attorney general. The county in which the petition is filed must be represented by the county attorney.

(b) The scope of the hearing must be limited to:

(1) procedures used in the selection of the real property upon which grasshopper control measures were undertaken and the reasonableness and arbitrariness of that selection;

(2) the reasonableness of the time period allowed for the land owner to undertake the grasshopper control measures before the

county agricultural inspector or the local weed inspector ordered a third party to undertake the control measures;

(3) the reasonableness of the costs for control measures undertaken; and

(4) any other factors relating to the reasonable necessity for imposing the grasshopper control measures.

(c) The court shall either order that a lien representing part or all of the costs for grasshopper control measures be imposed against the real property or that the land owner be relieved of responsibility for payment of grasshopper control measures undertaken.

Subd. 6. [APPEAL.] Any party aggrieved by the decision of the reviewing court may appeal the decision as provided in the rules of appellate procedure.

Sec. 4. [18.0229] [LIABILITY.]

Counties and townships and their agents are not liable for damages from the grasshopper control program for actions conducted in accordance with sections 18.0223 to 18.0228.

Sec. 5. [18.205] [PUBLIC UTILITY EASEMENTS.]

For property that is subject to a public utility easement, the person controlling the surface of the land other than the holder of the public utility easement is the person responsible for control of noxious weeds and plant pests under this chapter.

Sec. 6. [REPEALER.]

Minnesota Statutes 1989 Supplement, section 18.0226, is repealed.

Sec. 7. [EFFECTIVE DATE.]

Sections 2 to 4 and 6 are effective the day following final enactment."

If the nominating petition for the district originated from a majority of the cities in the district, or if the district is wholly within the metropolitan area, the county commissioners shall appoint the managers from a list of persons nominated jointly or severally by the towns and municipalities within the district. If the district is wholly within the metropolitan area, the county commissioners shall appoint the managers from a list of persons nominated jointly or severally by the towns and municipalities within the district. The list must contain at least three nominees for each position to be filled. Managers for a district wholly within the metropolitan area must be appointed to fairly represent by residence the various hydrologic areas within the district.

(b) The list of nominees must be submitted to the affected county board at least 60 days before the expiration of the term of office. If the list is not submitted within 60 days prior to the expiration of the term of office, the county commissioners shall select the managers from eligible individuals within the district. The county commissioners shall meet and appoint the successors at least 30 days before any manager's term expires. Thereafter, the term of office for each manager must be three years, and until a successor is appointed and qualified. If the district affects more than five counties, in order to provide for the orderly distribution of the managers, the board may determine and identify the manager areas within the territory of the district and select the appointing county board of commissioners for each manager's area. Any vacancy in an office of a manager must be filled by the appointing county board of commissioners.

Subd. 6. [TAX.] For the payment of principal and interest on the bonds issued under subdivision 5 and the payment required under subdivision 4, the county shall irrevocably pledge and appropriate the proceeds of a tax levied on all taxable property located within the territory of the watershed management organization or minor watershed subwatershed unit for which the bonds are issued. Each year until the reserve for payment of the bonds is sufficient to retire the bonds, the county shall levy on all taxable property in the territory of the organization or unit, without respect to any statutory or other limitation on taxes, an amount of taxes sufficient to pay principal and interest on the bonds and to restore any deficiencies in reserves required to be maintained for payment of the bonds. The tax levied on rural towns other than urban towns may not exceed 0.02418 percent of taxable market value, unless approved by resolution of the town electors. If at any time the amounts available from the levy on property in the territory of the organization are insufficient to pay principal and interest on the bonds when due, the county shall make payment from any available funds in the county treasury. The amount of any taxes which are required to be levied outside of the territory of the watershed management organization

or unit or taken from the general funds of the county to pay principal or interest on the bonds shall be reimbursed to the county from taxes levied within the territory of the watershed management organization or unit.

Sec. 26. Minnesota Statutes 1988, section 473.883, subdivision 7, is amended to read:

Subd. 7. [MAINTENANCE LEVY.] For the purpose of creating a maintenance fund to be used for normal and routine maintenance of a work of improvement constructed in whole or part with money provided by the county pursuant to subdivision 4, the board of managers of a watershed district, with the approval of the county, may impose an ad valorem levy on all property located within the territory of the watershed district or ~~minor watershed subwatershed~~ unit. The levy shall be certified, levied, collected, and distributed as provided in section 112.611, and shall be in addition to any other money levied and distributed to the district thereunder. The board shall provide guidance and technical assistance to the drainage authorities in meeting this requirement.

Every market agency engaged in selling livestock on a commission or agency basis in this state shall establish and maintain a separate bank account designated as "custodial account for shippers proceeds."

Sec. 20. [31B.01] [CITATION.]

This chapter is known and may be cited as the "Minnesota packers and stockyards act."

Sec. 21. [31B.02] [DEFINITIONS.]

Subdivision 1. [SCOPE.] The definitions in this section apply to this chapter.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of agriculture.

Subd. 3. [DEALER.] "Dealer" means a person, other than a market agency in the business of buying or selling livestock, either on the person's own account or as the employee or agent of the vendor or purchaser.

Subd. 4. [LIVESTOCK.] "Livestock" means live or dead cattle, sheep, swine, horses, mules, or goats.

Subd. 5. [LIVESTOCK PRODUCTS.] "Livestock products" means products and by-products other than meats and meat food products of the slaughtering and meat-packing industry derived in whole or in part from livestock.

Subd. 6. [MARKET AGENCY.] "Market agency" means a person engaged in the business of (1) buying or selling livestock on a commission basis, or (2) furnishing stockyard services and includes a person who sells or offers for sale livestock located in this state by satellite video auction.

Subd. 7. [MEAT FOOD PRODUCTS.] "Meat food products" means edible products and by-products of the slaughtering and meat-packing industry.

Subd. 8. [PACKER.] "Packer" means a person in the business of (1) buying livestock for purposes of slaughter, (2) manufacturing or preparing meats or meat food products for sale or shipment, or (3) marketing meats, meat food products, or livestock products in an

unmanufactured form acting as a wholesale broker, dealer, or distributor.

Subd. 9. [STOCKYARD.] "Stockyard" means a place, establishment, or facility commonly known as a stockyard conducted, operated, or managed for profit or nonprofit as a public market for livestock producers, feeders, market agencies, and buyers, consisting of pens, or other enclosures, and their appurtenances, in which live cattle, sheep, swine, horses, mules, or goats are received, held, or kept for sale or shipment.

Subd. 11. [STOCKYARD SERVICES.] "Stockyard services" means services or facilities furnished at a stockyard in connection with the receiving, buying, or selling on a commission basis or otherwise, marketing, feeding, watering, holding, delivery, shipment, weighing, or handling of livestock.

Sec. 22. [31B.03] [REPORTING REQUIREMENTS.]

A packer, stockyard owner, market agency, and dealer and grain and feed businesses with livestock contracts shall file annually with the commissioner a copy of the annual report form of the federal packers and stockyards regulations filed with the federal packers and stockyards administration and any additional information that may be required on a form prescribed by the commissioner. The report and any additional information must be filed with the commissioner not later than April 15 following the end of the calendar year or, if the records are kept on a fiscal year basis, not later than 90 days after the close of the fiscal year.

The commissioner shall require: (1) a packer to annually complete a form showing the maximum capacity of each of the packer's packing plants; and (2) a copy of each contract a packer has entered into with a livestock producer and each agreement that will become part of the contract that a packer has with a livestock producer for the purchase or contracting of livestock.

Sec. 23. [31B.04] [PROMPT PAYMENT FOR PURCHASE OF LIVESTOCK.]

Subdivision 1. [KIND OF PAYMENT; TIME REQUIRED.] A packer, market agency, or dealer purchasing livestock shall, before the close of the next business day following the purchase of livestock and transfer of its possession, deliver to the seller or the seller's authorized representative the full amount of the purchase price. If a packer, market agency, or dealer is purchasing livestock for slaughter, that person shall, before the close of the next business day

following purchase of livestock and transfer of its possession, actually deliver at the point of transfer of possession to the seller or the seller's authorized representative a check or shall wire transfer funds to the seller's account for the full amount of the purchase price; or, in the case of a purchase on a carcass or "grade and yield" basis, the purchaser shall make payment by check at the point of transfer of possession or shall wire transfer funds to the seller's account for the full amount of the purchase price not later than the close of the first business day following determination of the purchase price. If the seller or a duly authorized representative is not present to receive payment at the point of transfer of possession, the packer, market agency, or dealer shall wire funds or place a check in the United States mail for the full amount of the purchase price properly addressed to the seller within the time limits specified in this section, and that action complies with the requirement for prompt payment.

Subd. 2. [WAIVER.] Notwithstanding subdivision 1 and subject to terms and conditions the commissioner may prescribe, the parties to the purchase and sale of livestock may expressly agree in writing, before the purchase or sale, to effect payment in a manner other than that required in subdivision 1. The agreement must be disclosed in the records of the market agency or dealer selling the livestock, and in the purchaser's records and on the accounts or other documents issued by the purchaser relating to the transaction.

Subd. 3. [DELAY IN PAYMENT OR ATTEMPT TO DELAY.] Any delay or attempt to delay by a market agency, dealer, or packer purchasing livestock, the collection of funds under this section, or otherwise for the purpose of or resulting in extending the normal period of payment for the livestock is an "unfair practice" in violation of this chapter.

Sec. 24. [31B.05] [UNFULFILLED CONTRACT TO BUY LIVESTOCK.]

A packer who has committed either orally or in writing to buy more livestock than the packer's plant can process and who cannot fulfill the commitment to the producer within 30 days of the delivery date of the contract is subject to denial, suspension, or revocation of the packer's license.

Sec. 25. [31B.06] [PACKER AND PROCESSOR ACCOUNTING REQUIREMENTS.]

S. F. No. 2282 which was temporarily laid over earlier today was again reported to the House.

Blatz, Rice, Abrams and Begich moved to amend S. F. No. 2282, as follows:

Page 1, after line 5, insert:

“Section 1. [325E.34] [TERMINATION OF SALES REPRESENTATIVES.]

Subdivision 1. [DEFINITIONS.] (a) As used in this section, the following terms have the meaning given them.

(b) “Good cause” means failure by the sales representative to substantially comply with the material and reasonable requirements imposed by the manufacturer, wholesaler, assembler, or importer, including, but not limited to:

(1) the bankruptcy or insolvency of the sales representative;

(2) assignment for the benefit of creditors or similar disposition of the assets of the sales representative's business;

(3) voluntary abandonment of the business by the sales representative;

(4) conviction or a plea of guilty or no contest to a charge of violating any law relating to the sales representative's business; or

(5) any act by or conduct of the sales representative which materially impairs the good will associated with the manufacturer's, wholesaler's, assembler's, or importer's trademark, trade name, service mark, logotype, or other commercial symbol.

(c) "Sales representative" means a person, other than an employee, who contracts with a principal to solicit wholesale orders and who is compensated, in whole or in part, by commission, but does not include a person who places orders or purchases exclusively for the person's own account for resale.

(d) "Sales representative agreement" means a contract or agreement, either express or implied, whether oral or written, for a definite or indefinite period, between a sales representative and another person or persons, whereby a sales representative is granted the right to distribute, represent, sell, or offer for sale a manufacturer's, wholesaler's, assembler's, or importer's goods by use of the latter's trade name, trademark, service mark, logotype, advertising, or other commercial symbol or related characteristics, and in which there exists a community of interest between the parties in the marketing of the goods or services at wholesale, retail, by lease, agreement, or otherwise.

Subd. 2. [TERMINATION OF AGREEMENT.] (a) A manufacturer, wholesaler, assembler, or importer may not terminate a sales representative agreement unless the person has good cause and:

(1) that person has given written notice setting forth all the reasons for the termination at least 90 days in advance of termination; and

(2) the recipient of the notice fails to correct the reasons stated for termination in the notice within 60 days of receipt of the notice.

(b) A notice of termination is effective immediately upon receipt where the alleged grounds for termination are:

(1) voluntary abandonment of the relationship by the sales representative;

(2) the conviction of the sales representative of an offense directly

related to the business conducted pursuant to the sales representative agreement; or

(3) material impairment of the good will associated with the manufacturer's, assembler's, or importer's trade name, trademark, service mark, logotype, or other commercial symbol.

Subd. 3. [RENEWAL OF AGREEMENTS.] Unless the failure to renew a sales representative agreement is for good cause, and the sales representative has failed to correct reasons for termination as required by subdivision 2, no person may fail to renew a sales representative agreement unless the sales representative has been given written notice of the intention not to renew at least 90 days in advance of the expiration of the agreement.

Subd. 4. [RIGHTS UPON TERMINATION.] If a sales representative is paid by commission under a sales representative agreement and the agreement is terminated, the representative is entitled to be paid for all sales made and orders to creditworthy customers made in the representative's territory prior to the date of termination of the agreement or the end of the notification period, whichever is later, regardless of whether the goods or services have actually been delivered to the purchaser. The payments of commissions are due when the goods or services are delivered or at the date of termination, whichever occurs first.

Subd. 5. [ARBITRATION.] (a) The sole remedy for a sales representative against a manufacturer, wholesaler, assembler, or importer who has allegedly violated any provision of this section is to submit the matter to arbitration. Each party to a sales representative agreement shall be bound by the arbitration. The cost of an arbitration hearing must be borne equally by both parties. The arbitration proceeding is to be governed by the uniform arbitration act, sections 572.08 to 572.30.

(b) The arbitrator may provide any of the following remedies:

(1) sustainment of the termination of the sales representative agreement;

(2) reinstatement of the sales representative agreement;

(3) payment of commissions due under subdivision 4;

(4) reasonable attorneys' fees and costs to a prevailing sales representative;

(5) reasonable attorneys' fees and costs to a prevailing manufacturer, wholesaler, assembler, or importer, if the arbitrator finds the complaint was frivolous, unreasonable, or without foundation; or

(6) the full amount of the arbitrator's fees and expenses if the arbitrator finds that the sales representative's resort to arbitration or the manufacturer's, wholesaler's, assembler's, or importer's defense in arbitration was vexatious and lacking in good faith.

(c) Notwithstanding any provision of the uniform arbitration act, the decision of any arbitration hearing under this subdivision is final and binding on the sales representative and the manufacturer, wholesaler, assembler, or importer."

Page 2, line 26, after "enactment." insert:

"Section 1 is effective August 1, 1990, and applies to any sale representative agreements entered into or renewed on or after that date."

Page 1, after line 5, insert:

"Section 1. [256.9691] [TECHNOLOGY ASSISTANCE REVIEW PANEL.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of health shall establish a technology assistance review panel to resolve disputes over the provision of health care benefits for technology-assisted persons who receive benefits under a policy or plan of health, medical, hospitalization, or accident and sickness insurance regulated under chapter 62A, a subscriber contract of a nonprofit health service plan corporation regulated under chapter 62C, or a certificate of coverage of a health maintenance organization regulated under chapter 62D.

Subd. 2. [DEFINITION.] For purposes of this section, "technology-assisted person" means a person who:

- (1) has a chronic health condition;
- (2) requires the routine use of a medical device to compensate for the loss of a life-sustaining body function; and
- (3) requires ongoing care or monitoring by trained personnel on a daily basis.

Subd. 3. [STEERING COMMITTEE.] The commissioner shall appoint a seven-member steering committee to appoint the review panel members, develop policies and procedures for the review process, including the replacement of review panel members, serve as a liaison between the regulatory agencies and the review panel, and provide the review panel with technical assistance. The steering committee shall consist of representatives of the departments of health, human services, and commerce; a health maintenance organization regulated under chapter 62D; an insurer regulated under chapter 62A or a health service plan corporation regulated under chapter 62C; an advocacy organization representing persons who are technology assisted; and a tertiary care center that serves technology-assisted persons. The steering committee shall not be reimbursed for any expenses as defined under section 15.0575, subdivision 3. The steering committee shall dissolve no later than June 30, 1992.

Subd. 4. [COMPOSITION OF REVIEW PANEL.] (a) The review panel shall be appointed by the members of the steering committee that do not represent state agencies and must include:

- (1) a medical director from an insurer regulated under chapter 62A, a health service plan corporation regulated under chapter 62C, or a health maintenance organization regulated under chapter 62D;
- (2) a contract benefits analyst from an insurer regulated under

chapter 62A, a health service plan corporation regulated under chapter 62C, or a health maintenance organization regulated under chapter 62D;

(3) a consumer board member of an insurer regulated under chapter 62A, a health service plan corporation regulated under chapter 62C, or a health maintenance organization regulated under chapter 62D;

(4) a physician with expertise in providing care for technology-assisted persons in a nonhospital setting;

(5) a registered nurse with expertise in providing care for technology-assisted persons in a nonhospital setting; and

(6) a consumer of health care benefits regulated under chapter 62A, 62C, or 62D who is a technology-assisted person or the parent or guardian of a technology-assisted person.

(b) The term of service for review panel members is three years except that, for the initial appointment, the steering committee shall establish procedures to assure that the terms of the members are staggered. Members are eligible to serve two consecutive terms.

Subd. 5. [AUTHORITY.] The review panel may review cases involving disputes over the provision of contract benefits regarding discharge planning, home health care benefits eligibility and coverage, or changes in the level of home health care services for technology-assisted persons. The review may be requested by a third-party payor, a health or social service professional, or a parent or guardian of a technology-assisted child or a technology-assisted adult. For the case to be eligible for review by the panel, the parent or guardian of a technology-assisted child or technology-assisted adult must consent to the review. The review panel may not review cases involving discharge to a long-term care facility or cases involving coverage by title 18 or 19 of the Social Security Act or other public funding sources. The review panel may seek advice from experts outside the membership of the panel as necessary. The internal grievance process within an insurer, health service plan corporation, or health maintenance organization, except binding arbitration, must be exhausted before requesting a review by the review panel. The recommendations of the review panel are not binding. If, following a review by the review panel, a complaint is filed with the appropriate state agency regarding the same subject matter, the findings of the review panel must be made available to the agency upon request and with the consent of the parent or guardian of a technology-assisted child or technology-assisted adult. The information must be maintained by the agency as nonpublic information under chapter 13. The steering committee may establish policies for reimbursement of expenses for review panel members consistent with the provisions of section 15.0575, subdivision 3.

Subd. 6. [CONFIDENTIALITY.] All proceedings of the review organization are nonpublic under chapter 13. All data, information, and findings acquired and developed by the review panel in the exercise of its duties or functions must be held in confidence, may not be disclosed to anyone except to the extent necessary to carry out one or more of the purposes of the review panel or as described in subdivision 5, and are not subject to subpoena or discovery. Members of the review panel may not disclose what transpired at a meeting of the review panel except to the extent necessary to carry out one or more of the purposes of the review panel. The proceedings and record of the review panel are not subject to discovery or introduction into evidence in any civil action against a health care professional or insurer, health service plan corporation, or health maintenance organization, arising out of the matter or matters that are the subject of consideration by the review panel.

Subd. 7. [LIMITATION ON LIABILITY FOR MEMBERS OF STEERING COMMITTEE AND REVIEW PANEL.] A person who is a member of, or who acts in an advisory capacity to or who gives counsel or services to, the steering committee or review panel is not liable for damages or other relief in any action brought by a person or persons whose case has been reviewed by the panel, by reason of the performance of any duty, function, or activity of the review panel, unless the performance of the duty, function, or activity was motivated by malice toward the person affected. A member is not liable for damages or other relief in any action by reason of the performance of the member of any duty, function, or activity as a member of the steering committee or review panel or by reason of any recommendation or action of the review committee when the member acts in the reasonable belief that the action or recommendation is warranted by the facts known to the member or review panel after reasonable efforts to ascertain the facts."

Delete everything after the enacting clause and insert:

“Section 1. [116C.850] [FINDINGS; PURPOSE.]

Subdivision 1. [FINDINGS.] The legislature finds that the unregulated processing and disposal of low-level radioactive waste pose certain environmental risks and economic costs. The pending action by the United States Nuclear Regulatory Commission to designate certain low-level radioactive waste as “below regulatory concern” means the state must establish an additional radiation monitoring system to protect the public interest and the environment.

Subd. 2. [PURPOSE.] The purpose of sections 1 to 3 is to:

(1) avoid the costs that would be incurred if radioactive waste disposal is deregulated by the federal government;

(2) require all low-level radioactive waste regulated as of January 1, 1990, to remain regulated, so that it must be stored or disposed of at facilities specifically licensed for that purpose;

(3) avoid needless dissemination of radioactivity into the environment;

(4) encourage the Midwest Interstate Low-Level Radioactive Waste Compact members under section 116C.831 to amend the terms of the compact if it conflicts with the provisions in sections 1 to 3.

Sec. 2. [116C.851] [DEFINITIONS.]

Subdivision 1. [FACILITY.] “Facility” has the meaning given in section 116C.831, article II, paragraph f.

Subd. 2. [LOW-LEVEL RADIOACTIVE WASTE.] “Low-level radioactive waste” means waste that consists of or contains class A, B, or C radioactive waste as defined by Code of Federal Regulations, title 10, section 61.55, as in effect on January 26, 1983.

Sec. 3. [116C.852] [LOW-LEVEL RADIOACTIVE WASTE DISPOSAL.]

No low-level radioactive waste may be treated, recycled, stored, or disposed of in this state except at a facility that is specifically licensed for treatment, recycling, storage, or disposal of low-level

radioactive waste regardless of whether or not the waste has been reclassified as "below regulatory concern" by the United States Nuclear Regulatory Commission pursuant to a generic rule or standard adopted after January 1, 1990.

Sec. 4. [EFFECTIVE DATE.]

Sections 1 to 3 are effective the day following final enactment."

Jennings moved to amend S. F. No. 2195, as amended, as follows:

Page 1, after line 7, insert:

"Section 1. Minnesota Statutes 1988, section 115A.94, subdivision 3, is amended to read:

Subd. 3. [GENERAL PROVISIONS.] (a) The local government unit may organize collection as a municipal service or by ordinance, franchise, license, negotiated or bidded contract, or other means, using one or more collectors or an organization of collectors.

(b) The local government unit may not establish or administer organized collection in a manner that impairs the preservation and development of recycling and markets for recyclable materials. The local government unit shall exempt recyclable materials from organized collection upon a showing by the generator or collector that the materials are or will be separated from mixed municipal solid waste by the generator, separately collected, and delivered for reuse in their original form or for use in a manufacturing process.

(c) The local government unit ~~may~~ shall invite and employ the assistance of interested persons, including persons ~~operating li-~~
icensed to operate solid waste collection services in the local govern-
ment unit, in developing plans and proposals for organized collection and in establishing the organized collection system.

(d) Organized collection accomplished by contract or as a municipal service may include a requirement that all or any portion of the solid waste, except (1) recyclable materials and (2) materials that are processed at a resource recovery facility at the capacity in

operation at the time that the requirement is imposed, be delivered to a waste facility identified by the local government unit. In a district or county where a resource recovery facility has been designated by ordinance under section 115A.86, organized collection must conform to the requirements of the designation ordinance.

Sec. 2. Minnesota Statutes 1988, section 115A.94, subdivision 4, is amended to read:

Subd. 4. [CITIES AND TOWNS; NOTICE; PLANNING.] (a) At least 90 ~~180~~ days before proposing implementing an ordinance, franchise, license, contract or other means of organizing collection, a city or town, by resolution of the governing body, shall announce its intent to organize collection and invite the participation of interested persons, including persons licensed to operate solid waste collection services, in planning and establishing the organized collection system.

(b) The resolution of intent must be adopted after a public hearing. The hearing must be held at least two weeks after public notice and mailed notice to persons known by the city or town to be operating solid waste collection services in the city or town. The failure to give mailed notice to persons or defect in the notice does not invalidate the proceedings, provided a bona fide effort to comply with notice requirements has been made.

(c) During the a 90-day period following the resolution of intent, and before proposing a method of organizing collection, the city or town shall develop or supervise the development of plans or proposals for organized collection. During this 90-day planning period, the city or town shall invite and employ the assistance of persons licensed as of the date of the resolution of intent to operate solid waste collection services in the city or town. Failure of a licensed collector to participate in the 90-day planning period, when the city or town has made a bona fide effort to provide the person the opportunity to participate, does not invalidate the planning process.

(d) For 90 days after the date ending the planning period required under paragraph (c), the city or town shall discuss possible organized collection arrangements with all licensed collectors operating in the city or town who have expressed interest. If the city or town is unable to agree on an organized collection arrangement with a majority of the licensed collectors who have expressed interest, or upon expiration of the 90 days, the city or town may propose implementation of an alternate method of organizing collection as authorized in subdivision 3.

(e) The city or town shall make specific findings that:

(1) describe in detail the procedures it used to plan and to attempt

implementation of organized collection through an arrangement with collectors who expressed interest; and

(2) evaluate the proposed organized collection method in light of at least the following standards: achieving the stated organized collection goals of the city or town; minimizing displacement of collectors; ensuring participation of all interested parties in the decision making process; and maximizing efficiency in solid waste collection.

(d) (f) Upon request, the city or town shall provide mailed notice of subsequent all proceedings on the organization of collection in the city or town."

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 2390, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2390 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [3.9227] [LEGISLATIVE COMMISSION ON CHILD PROTECTION.]

Subdivision 1. [CREATION.] A legislative commission on child protection is created consisting of ten members. Five members of the house of representatives, including members of the minority caucus, shall be appointed by the speaker and five members of the senate, including members of the minority caucus, shall be appointed by the subcommittee on committees. Members serve until expiration of their legislative terms and vacancies must be filled in the same manner as the original positions.

Subd. 2. [POWERS AND DUTIES.] The commission shall study matters relating to child protection and coordinate and oversee activities of the standing committees dealing with these issues. The commission's agenda shall include:

(1) analyzing and making recommendations regarding federal, state, and county funding and responsibility for the child protection system;

(2) developing ways to maximize the use of federal funding sources to enhance state child protection efforts; and

(3) encouraging and facilitating the funding of child protection services with an emphasis on prevention and treatment.

Subd. 3. [REPORT.] The commission shall report its findings and recommendations to the governor and the legislature by December 15 of each even-numbered year, beginning in 1992.

Subd. 4. [ADMINISTRATION.] The commission shall utilize existing legislative staff in carrying out its duties.

Sec. 2. [144.3871] [POSTERS ON THE DANGERS OF ALCOHOL USE.]

The commissioner of health shall encourage all establishments required to obtain on-sale or off-sale intoxicating liquor licenses under chapter 340A, to display, in a prominent location, posters informing pregnant women of the dangers of alcohol use. The commissioner shall make posters available, at no charge, to establishments with on-sale or off-sale licenses for intoxicating liquors. Posters must provide, in large print, the following message: "Warning: drinking alcoholic beverages during pregnancy can cause birth defects and prematurity" or a similar message approved by the commissioner of health.

Sec. 3. Minnesota Statutes 1988, section 145.88, is amended to read:

145.88 [PURPOSE.]

The legislature finds that it is in the public interest to assure:

(a) Statewide planning and coordination of maternal and child health services through the acquisition and analysis of population-based health data, provision of technical support and training, and coordination of the various public and private maternal and child health efforts; and

(b) Support for targeted maternal and child health services in communities with significant populations of high risk, low income families through a grants process.

Federal money received by the Minnesota department of health, pursuant to United States Code, title 42, sections 701 to 709, shall be expended to:

(1) assure access to quality maternal and child health services for mothers and children, especially those of low income and with limited availability to health services and those children at risk of physical, neurological, emotional, and developmental problems arising from chemical abuse by a mother during pregnancy;

(2) reduce infant mortality and the incidence of preventable diseases and handicapping conditions among children;

(3) reduce the need for inpatient and long-term care services and to otherwise promote the health of mothers and children, especially by providing preventive and primary care services for low income mothers and children and prenatal, delivery and postpartum care for low income mothers;

(4) provide rehabilitative services for blind and disabled children under age 16 receiving benefits under Title XVI of the Social Security Act; and

(5) provide and locate medical, surgical, corrective and other service for children who are crippled or who are suffering from conditions that lead to crippling.

Sec. 4. Minnesota Statutes 1989 Supplement, section 145.882, subdivision 7, is amended to read:

Subd. 7. [USE OF BLOCK GRANT MONEY.] (a) Maternal and child health block grant money allocated to a community health board or community health services area under this section must be used for qualified programs for high risk and low income individuals. Block grant money must be used for programs that:

(1) specifically address the highest risk populations, particularly low income and minority groups with a high rate of infant mortality and children with low birth weight, by providing services, including pre-pregnancy family planning services, calculated to produce measurable decreases in infant mortality rates, instances of children with low birth weight, and medical complications associated with pregnancy and childbirth, including infant mortality, low birth rates, and medical complications arising from chemical abuse by a mother during pregnancy;

(2) specifically target pregnant women whose age, medical condition, ~~or~~ maternal history, or chemical abuse substantially increases the likelihood of complications associated with pregnancy and childbirth or the birth of a child with an illness, disability, or special medical needs;

(3) specifically address the health needs of young children who have or are likely to have a chronic disease or disability or special medical needs, including physical, neurological, emotional, and developmental problems that arise from chemical abuse by a mother during pregnancy;

(4) provide family planning and preventive medical care for specifically identified target populations, such as minority and low income teenagers, in a manner calculated to decrease the occurrence of inappropriate pregnancy and minimize the risk of complications associated with pregnancy and childbirth; or

(5) specifically address the frequency and severity of childhood injuries in high risk target populations by providing services calculated to produce measurable decreases in mortality and morbidity. However, money may be used for this purpose only if the community health board's application includes program components for the

purposes in clauses (1) to (4) in the proposed geographic service area and the total expenditure for injury-related programs under this clause does not exceed ten percent of the total allocation under subdivision 3.

(b) Maternal and child health block grant money may be used for purposes other than the purposes listed in this subdivision only under the following conditions:

(1) the community health board or community health services area can demonstrate that existing programs fully address the needs of the highest risk target populations described in this subdivision; or

(2) the money is used to continue projects that received funding before creation of the maternal and child health block grant in 1981.

(c) Projects that received funding before creation of the maternal and child health block grant in 1981, must be allocated at least the amount of maternal and child health special project grant funds received in 1989, unless (1) the local board of health provides equivalent alternative funding for the project from another source; or (2) the local board of health demonstrates that the need for the specific services provided by the project has significantly decreased as a result of changes in the demographic characteristics of the population, or other factors that have a major impact on the demand for services. If the amount of federal funding to the state for the maternal and child health block grant is decreased, these projects must receive a proportional decrease as required in subdivision 1. Increases in allocation amounts to local boards of health under subdivision 4 may be used to increase funding levels for these projects.

Sec. 5. Minnesota Statutes 1988, section 147.09, is amended to read:

147.09 [EXEMPTIONS:]

Section 147.081 does not apply to, control, prevent or restrict the practice, service, or activities of:

(1) A person who is a commissioned medical officer of, a member of, or employed by, the armed forces of the United States, the United States Public Health Service, the Veterans Administration, any federal institution or any federal agency while engaged in the performance of official duties within this state, if the person is licensed elsewhere.

(2) A licensed physician from a state or country who is in actual consultation here.

(3) A licensed or registered physician who treats the physician's home state patients or other participating patients while the physicians and those patients are participating together in outdoor recreation in this state as defined by section 86A.03, subdivision 3. A physician shall first register with the board on a form developed by the board for that purpose. The board shall not be required to promulgate the contents of that form by rule. No fee shall be charged for this registration.

(4) A student practicing under the direct supervision of a preceptor while the student is enrolled in and regularly attending a recognized medical school.

(5) A student who is in continuing training and performing the duties of an intern or resident or engaged in postgraduate work considered by the board to be the equivalent of an internship or residency in any hospital or institution approved for training by the board.

(6) A person employed in a scientific, sanitary or teaching capacity by the state university, the state department of education, or by any public or private school, college, or other bona fide educational institution, or the state department of health, whose duties are entirely of a public health or educational character, while engaged in such duties.

(7) Physician's assistants registered in this state.

(8) A doctor of osteopathy duly licensed by the state board of osteopathy under Minnesota Statutes 1961, sections 148.11 to 148.16, prior to May 1, 1963, who has not been granted a license to practice medicine in accordance with this chapter provided that the doctor confines activities within the scope of the license.

(9) Any person licensed by a health related licensing board, as defined in section 214.01, subdivision 2, or registered by the commissioner of health pursuant to section 214.13, including licensed psychologists with respect to the use of hypnosis; provided that the person confines activities within the scope of the license.

(10) A Christian Scientist or other person who endeavors to prevent or cure disease or suffering exclusively by mental or spiritual means or by prayer, or who practices ritual circumcision pursuant to the requirements or tenets of any established religion.

(11) A Christian Scientist or other person who endeavors to prevent or cure disease or suffering exclusively by mental or spiritual means or by prayer.

PROCEDURES IN FACILITIES SERVING EMOTIONALLY DISTURBED CHILDREN.]

When amending rules governing facilities serving emotionally disturbed children that are licensed under section 245A.09 and Minnesota Rules, parts 9545.0900 to 9545.1090, and 9545.1400 to 9545.1500, the commissioner of human services shall include provisions governing the use of restrictive techniques and procedures. No provision of these rules may encourage or require the use of restrictive techniques and procedures. The rules must prohibit: (1) the application of certain restrictive techniques or procedures in facilities, except as authorized in the child's case plan and monitored by the county caseworker responsible for the child; (2) the use of restrictive techniques or procedures that restrict the clients' normal access to nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, and necessary clothing; and (3) the use of corporal punishment. The rule may specify other restrictive techniques and procedures and the specific conditions under which permitted techniques and procedures are to be carried out.

Sec. 7. Minnesota Statutes 1989 Supplement, section 245A.04, subdivision 3, is amended to read:

Subd. 3. [STUDY OF THE APPLICANT.] (a) Before the commissioner issues a license, the commissioner shall conduct a study of the individuals specified in clauses (1) to (4) according to rules of the commissioner. The applicant, license holder, the bureau of criminal apprehension, and county agencies, after written notice to the individual who is the subject of the study, shall help with the study by giving the commissioner criminal conviction data and reports about abuse or neglect of adults substantiated under section 626.557 and the maltreatment of minors substantiated under section 626.556. The individuals to be studied shall include:

(1) the applicant;

(2) persons over the age of 13 living in the household where the licensed program will be provided;

(3) current employees or contractors of the applicant who will have direct contact with persons served by the program; and

(4) volunteers who have direct contact with persons served by the program to provide program services, if the contact is not directly supervised by the individuals listed in clause (1) or (3).

The juvenile courts shall also help with the study by giving the commissioner existing juvenile court records on individuals described in clause (2) relating to delinquency proceedings held within

either the five years immediately preceding the application or the five years immediately preceding the individual's 18th birthday, whichever time period is longer. The commissioner shall destroy juvenile records obtained pursuant to this subdivision when the subject of the records reaches age 23.

For purposes of this subdivision, "direct contact" means providing face-to-face care, training, supervision, counseling, consultation, or medication assistance to persons served by a program. For purposes of this subdivision, "directly supervised" means an individual listed in clause (1) or (3) is within sight or hearing of a volunteer to the extent that the individual listed in clause (1) or (3) is capable at all times of intervening to protect the health and safety of the persons served by the program who have direct contact with the volunteer.

A study of an individual in clauses (1) to (4) shall be conducted on at least an annual basis. No applicant, license holder, or individual who is the subject of the study shall pay any fees required to conduct the study.

(b) The individual who is the subject of the study must provide the applicant or license holder with sufficient information to ensure an accurate study including the individual's first, middle, and last name; home address, city, county, and state of residence; zip code; sex; date of birth; and driver's license number. The applicant or license holder shall provide this information about an individual in paragraph (a), clauses (1) to (4), on forms prescribed by the commissioner. The commissioner may request additional information of the individual, which shall be optional for the individual to provide, such as the individual's social security number or race.

(c) A study must include information from the county agency's record of substantiated abuse of adults, neglect of adults, and the maltreatment of minors, and information from the bureau of criminal apprehension.

The commissioner may also review arrest and investigative information from the bureau of criminal apprehension, a county attorney, county sheriff, county agency, local chief of police, other states, the courts, or a national criminal record repository if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual listed in paragraph (a), clauses (1) to (4).

(d) An applicant's or license holder's failure or refusal to cooperate with the commissioner is reasonable cause to deny an application or immediately suspend, suspend, or revoke a license. Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's

application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.

(e) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.

(f) No person in paragraph (a), clause (1), (2), (3), or (4) who is disqualified as a result of this act may be retained by the agency in a position involving direct contact with persons served by the program.

(g) The commissioner shall not implement the procedures contained in this subdivision until appropriate rules have been adopted, except for the applicants and license holders for child foster care, adult foster care, and family day care homes.

(h) Termination of persons in paragraph (a), clause (1), (2), (3), or (4) made in good faith reliance on a notice of disqualification provided by the commissioner shall not subject the applicant or license holder to civil liability.

(i) The commissioner may establish records to fulfill the requirements of this section. The information contained in the records is only available to the commissioner for the purpose authorized in this section.

Sec. 8. Minnesota Statutes 1988, section 259.40, subdivision 1, is amended to read:

Subdivision 1. [SUBSIDY PAYMENTS.] The commissioner of human services may make subsidy payments as necessary after the subsidized adoption agreement is approved to an adoptive parent or parents who adopt a child who meets the eligibility requirements under title IV-E of the Social Security Act, United States Code, title 42, section 670, or who otherwise meets the requirements in subdivision 4, is a Minnesota resident and is under guardianship of the commissioner or of a licensed child placing agency after the final decree of adoption is issued. The subsidy payments and any subsequent modifications to the subsidy payments shall be based on the needs of the adopted person that the commissioner has determined cannot be met using other resources including programs available to the adopted person and the adoptive parent or parents.

Sec. 9. Minnesota Statutes 1988, section 259.40, subdivision 4, is amended to read:

Subd. 4. [ELIGIBILITY CONDITIONS.] The placing agency shall determine the child's eligibility for adoption assistance under title IV-E of the Social Security Act. If the child does not qualify, the

placing agency shall certify a child as eligible for a state-funded subsidy only if the following criteria are met:

(a) A placement agency has made reasonable efforts to place the child for adoption without subsidy, but has been unsuccessful; or

(b) The child's licensed foster parents desire to adopt the child and it is determined by the placing agency that:

(1) The adoption is in the best interest of the child; and,

(2) Due to the child's characteristics or circumstances it would be difficult to provide the child an adoptive home without subsidy; and

(c) The child has been a ward of the commissioner, or licensed child placing agency.

Sec. 10. Minnesota Statutes 1988, section 260.011, subdivision 2, is amended to read:

Subd. 2. (a) The paramount consideration in all proceedings concerning a child alleged or found to be in need of protection or services is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with sections 257.35 to 257.3579 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923. The purpose of the laws relating to juvenile courts is to secure for each child alleged or adjudicated in need of protection or services and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will best serve the spiritual, emotional, mental, and physical welfare of the child and the best interests of the state; to provide judicial procedures which protect the welfare of the child; to preserve and strengthen the child's family ties whenever possible and in the child's best interests, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal; and, when removal from the child's own family is necessary and in the child's best interests, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

(b) The purpose of the laws relating to termination of parental rights is to ensure that:

(1) reasonable efforts have been made by the social service agency to reunite the child with the child's parents in a placement that is safe and permanent; and

(2) if placement with the parents is not reasonably foreseeable, to

secure for the child a safe and permanent placement, preferably with adoptive parents.

The paramount consideration in all proceedings for the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

(c) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(d) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 11. Minnesota Statutes 1989 Supplement, section 260.015, subdivision 2a, is amended to read:

Subd. 2a. [CHILD IN NEED OF PROTECTION OR SERVICES.] "Child in need of protection or services" means a child who is in need of protection or services because the child:

(1) is abandoned or without parent, guardian, or custodian;

(2)(i) has been a victim of physical or sexual abuse, or (ii) resides with or has resided with a victim of domestic child abuse as defined in subdivision 24, (iii) resides with or would reside with a perpetrator of domestic child abuse, or (iv) is a victim of emotional maltreatment as defined in subdivision 5a;

(3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the

infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile, in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

(9) is one whose behavior, condition, or environment is such as to be injurious or dangerous to the child or others;

(10) has committed a delinquent act before becoming ten years old;

(11) is a runaway; or

(12) is an habitual truant; or

(13) is one whose custodial parent's parental rights to another child have been involuntarily terminated within the past five years.

Sec. 12. Minnesota Statutes 1988, section 260.155, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Except for hearings arising under section 260.261, hearings on any matter shall be without a jury and may be conducted in an informal manner. The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to

be delinquent, in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12), or a juvenile petty offender, and hearings conducted pursuant to section 260.125 except to the extent that the rules themselves provide that they do not apply. Except for proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may be continued or adjourned from time to time and, in the interim. In proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may not be continued or adjourned for more than one week unless the court makes specific findings that the continuance or adjournment is in the best interests of the child. When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

Sec. 13. Minnesota Statutes 1989 Supplement, section 260.161, subdivision 2, is amended to read:

Subd. 2. Except as provided in this subdivision and in subdivision 1, and except for legal records arising from proceedings that are public under section 260.155, subdivision 1, none of the records of the juvenile court and none of the records relating to an appeal from a nonpublic juvenile court proceeding, except the written appellate opinion, shall be open to public inspection or their contents disclosed except (a) by order of a court or (b) as required by sections 245A.04, 611A.03, 611A.04, and 611A.06. The records of juvenile probation officers and county home schools are records of the court for the purposes of this subdivision. Court services data relating to delinquent acts that are contained in records of the juvenile court may be released as allowed under section 13.84, subdivision 5a. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court, except that this subdivision does not apply to proceedings under section 260.255, 260.261, or 260.315 when the proceeding involves an adult defendant. The court shall maintain the confidentiality of adoption files and records in

accordance with the provisions of laws relating to adoptions. In juvenile court proceedings any report or social history furnished to the court shall be open to inspection by the attorneys of record and the guardian ad litem a reasonable time before it is used in connection with any proceeding before the court.

When a judge of a juvenile court, or duly authorized agent of the court, determines under a proceeding under this chapter that a child has violated a state or local law, ordinance, or regulation pertaining to the operation of a motor vehicle on streets and highways, except parking violations, the judge or agent shall immediately report the violation to the commissioner of public safety. The report must be made on a form provided by the department of public safety and must contain the information required under section 169.95.

Sec. 14. Minnesota Statutes 1989 Supplement, section 260.171, subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why the child is being placed in a juvenile secure detention facility or a shelter care facility; and

(b) of the location of the juvenile secure detention facility or shelter care facility. If there is reason to believe that disclosure of the location of the shelter care facility would place the child's health and welfare in immediate endangerment, disclosure of the location of the shelter care facility shall not be made; and

(c) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the juvenile secure detention facility or shelter care facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney or guardian ad litem at reasonable hours; and

(d) that the child may telephone parents and an attorney or guardian ad litem from the juvenile secure detention facility or shelter care facility immediately after being admitted to the facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be detained for acts as defined in section 260.015, subdivision 5, at a juvenile secure detention facility or shelter care facility longer than 36 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that

time and the court orders the child's continued detention, pursuant to section 260.172; and

(f) that the child may not be detained for acts defined in section 260.015, subdivision 5, at an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a petition has been filed and the court orders the child's continued detention under section 260.172; and

(g) that the child may not be detained pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), at a shelter care facility longer than 72 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(h) of the date, time, and place of the detention hearing, if this information is available to the person who has taken the child into custody; and

(i) that the child and the child's parent, guardian, or custodian have the right to be present and to be represented by counsel at the detention hearing, and that if they cannot afford counsel, counsel will be appointed at public expense for the child, if it is a delinquency matter, or for any party, if it is a child in need of protection or services, neglected and in foster care, or termination of parental rights matter.

After August 1, 1991, the child's parent, guardian, or custodian shall also be informed under clause (f) that the child may not be detained in an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a motion to refer the child for adult prosecution has been made within that time period.

Sec. 15. Minnesota Statutes 1989 Supplement, section 260.221, subdivision 1, is amended to read:

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may upon petition, terminate all rights of a parent to a child in the following cases:

(a) With the written consent of a parent who for good cause desires to terminate parental rights; or

(b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. Abandonment is presumed when:

(i) the parent has had no contact or merely incidental contact with the child for six months in the case of a child under six years of age, or for 12 months in the case of a child ages six to 11; and

(ii) the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518. The court is not prohibited from finding abandonment in the absence of this presumption; or

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, and reasonable efforts by the social service agency have failed to correct the conditions that formed the basis of the petition; or

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent and child relationship upon a showing that:

(i) the child was adjudicated in need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); and

(ii) within the three-year period immediately prior to that adjudication, the parent's parental rights to one or more other children were involuntarily terminated under clause (1), (2), (4), or (7) of this

paragraph, or under clause (5) of this paragraph if the child was initially determined to be in need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); or

(5) That following upon a determination of neglect or dependency, or of a child's need for protection or services, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect, need for protection or services under section 260.015, subdivision 2a, clause (1), (2), (6), (8), or (9), or neglected and in foster care, and an order for disposition under section 260.191, including adoption of the case plan required by section 257.071;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year after a child has been placed out of the home.

It is also presumed that reasonable efforts have failed under this clause upon a showing that:

(i) the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;

(ii) the parent has been required by a case plan to participate in a chemical dependency treatment program;

(iii) the treatment programs offered to the parent were culturally, linguistically, and clinically appropriate;

(iv) the parent has either failed two or more times to successfully complete a treatment program or has refused at two or more separate meetings with a caseworker to participate in a treatment program; and

(v) the parent continues to abuse chemicals.

Provided, that this presumption applies only to parents required by a case plan to participate in a chemical dependency treatment program on or after the effective date of this section; or

(6) That the parent has been convicted of causing the death of another of the parent's children; or

(7) That in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.26 and either the person has not filed a notice of intent to retain parental rights under section 259.261 or that the notice has been successfully challenged; or

~~(7)~~ (8) That the child is neglected and in foster care.

In an action involving an American Indian child, sections 257.35 to 257.3579 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to the extent that the provisions of this section are inconsistent with those laws.

Subdivision 1. [PUBLIC POLICY.] The legislature hereby declares that the public policy of this state is to protect children whose health or welfare may be jeopardized through physical abuse, neglect or sexual abuse; In furtherance of this public policy, it is the intent of the legislature under this section to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings; and to provide, when necessary, a safe temporary or permanent home environment for physically or sexually abused or neglected children.

Sec. 21. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342, 609.343, 609.344, or 609.345. Sexual abuse also includes any act which involves a minor which constitutes a violation of sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(b) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(c) "Neglect" means failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter or medical care when reasonably able to do so or failure to protect a child from conditions or actions which imminently and seriously endanger the child's physical or mental health when reasonably able to do so. Nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that there is a duty to report if a lack of medical care may cause imminent and serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, or medical care, a duty to provide that care. "Neglect" includes prenatal exposure to a controlled substance, as defined in section ~~626.556-253B.02~~, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means "medical neglect" as defined in section 260.015, subdivision 2a, clause (5).

(d) "Physical abuse" means any physical or mental injury, or threatened injury, inflicted by a person responsible for the child's

(e) "Report" means any report received by the local welfare agency, police department, or county sheriff pursuant to this section.

(f) "Facility" means a day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed pursuant to sections 144.50 to 144.58, 241.021, or 245.781 to 245.812.

(g) "Operator" means an operator or agency as defined in section 245A.02.

(h) "Commissioner" means the commissioner of human services.

(i) "Assessment" includes authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing the risk to the child, and formulating a plan.

(j) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem services.

(k) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(l) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury.

Sec. 22. Minnesota Statutes 1988, section 626.556, subdivision 3, is amended to read:

Subd. 3. [PERSONS MANDATED TO REPORT.] (a) A person who knows or has reason to believe a child is being neglected or physically or sexually abused, as defined in subdivision 2, or has been neglected or physically or sexually abused within the preceding three years, shall immediately report the information to the local welfare agency, police department, or the county sheriff if the person is:

practice of the healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, or law enforcement; or

(2) employed as a member of the clergy and received the information while engaged in ministerial duties, provided that a member of the clergy is not required by this subdivision to report information that is otherwise privileged under section 595.02, subdivision 1, paragraph (c).

The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency and police department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school, or agency.

(b) Any person may voluntarily report to the local welfare agency, police department, or the county sheriff if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b.

(d) Any person mandated to report shall, upon request to the local welfare agency, receive a summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

Sec. 23. Minnesota Statutes 1988, section 626.556, subdivision 4, is amended to read:

Subd. 4. [IMMUNITY FROM LIABILITY.] (a) The following persons are immune from any civil or criminal liability that otherwise might result from their actions, if they are acting in good faith:

(1) any person making a voluntary or mandated report under subdivision 3 or under section 626.5561 or assisting in an assessment under this section or under section 626.5561;

(2) any social worker or supervisor employed by a local welfare agency complying with subdivision 10d or the provisions of section 626.5561; and

(3) any public or private school, facility as defined in subdivision 2, or the employee of any public or private school or facility who permits access by a local welfare agency or local law enforcement agency and assists in an investigation or assessment pursuant to subdivision 10 or under section 626.5561.

(b) A person who is a supervisor or social worker employed by a local welfare agency complying with subdivisions 10 and 11 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care.

(c) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

(d) If a person who makes a voluntary or mandatory report under subdivision 3 prevails in a civil action from which the person has been granted immunity under this subdivision, the court may award the person attorney fees and costs.

Sec. 24. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. [DETERMINATIONS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

(1) an assault, as defined in section 609.02, subdivision 10, or any physical contact not exempted by section 609.379, where the assault or physical contact is either severe or recurring and causes either

injury or significant risk of injury to the child physical abuse as defined in subdivision 2, paragraph (d);

- (2) neglect as defined in subdivision 2, paragraph (c); or
- (3) sexual abuse as defined in subdivision 2, paragraph (a); or
- (4) mental injury as defined in section 21.

(b) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(c) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in imminent and serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

Sec. 25. Minnesota Statutes 1988, section 626.556, is amended by adding a subdivision to read:

Subd. 10g. [INTERSTATE DATA EXCHANGE.] All reports and records created, collected, or maintained under this section by a local social service agency or law enforcement agency may be disclosed to a local social service or other child welfare agency of another state when the agency certifies that:

(1) the reports and records are necessary in order to conduct an investigation of actions that would qualify as sexual abuse, physical abuse, or neglect under this section; and

(2) the reports and records will be used only for purposes of a child protection assessment or investigation and will not be further disclosed to any other person or agency.

The local social service agency or law enforcement agency in this state shall keep a record of all records or reports disclosed pursuant to this subdivision and of any agency to which the records or reports are disclosed. If in any case records or reports are disclosed before a determination is made under subdivision 10e, or a disposition of any

criminal proceedings is reached, the local social service agency or law enforcement agency in this state shall forward the determination or disposition to any agency that has received any report or record under this subdivision.

Sec. 26. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 11, is amended to read:

Subd. 11. [RECORDS.] Except as provided in subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority. Section 13.82, subdivisions 5, 5a, and 5b, apply to law enforcement data other than the reports. The welfare board shall make available to the investigating, petitioning, or prosecuting authority any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the rules of criminal procedure.

Sec. 27. Minnesota Statutes 1989 Supplement, section 626.5561, subdivision 1, is amended to read:

Subdivision 1. [REPORTS REQUIRED.] A person mandated to report under section 626.556, subdivision 3, shall immediately report to the local welfare agency if the person knows or has reason to believe that a woman is pregnant and has used a controlled

substance for a nonmedical purpose during the pregnancy. Any person may make a voluntary report if the person knows or has reason to believe that a woman is pregnant and has used a controlled substance for a nonmedical purpose during the pregnancy. An oral report shall be made immediately by telephone or otherwise. An oral report made by a person required to report shall be followed within 72 hours, exclusive of weekends and holidays, by a report in writing to the local welfare agency. Any report shall be of sufficient content to identify the pregnant woman, the nature and extent of the use, if known, and the name and address of the reporter.

Sec. 28. Minnesota Statutes 1989 Supplement, section 626.5561, subdivision 3, is amended to read:

Subd. 3. [RELATED PROVISIONS.] Reports under this section are governed by section 626.556, subdivisions 4, 4a, 5, 6, 7, 8, and 11.

Subdivision 1. [TEST; REPORT.] A physician shall administer a toxicology test to a pregnant woman under the physician's care or to a woman under the physician's care within eight hours after delivery to determine whether there is evidence that she has ingested a controlled substance, if the woman has obstetrical complications that are a medical indication of possible use of a controlled substance for a nonmedical purpose. If the test results are positive, the physician shall report the results under section 626.5561. A negative test result does not eliminate the obligation to

report under section 626.5561, if other evidence gives the physician reason to believe the patient has used a controlled substance for a nonmedical purpose.

Sec. 32. Minnesota Statutes 1989 Supplement, section 626.5562, subdivision 2, is amended to read:

Subd. 2. [NEWBORNS.] A physician shall administer to each newborn infant born under the physician's care a toxicology test to determine whether there is evidence of prenatal exposure to a controlled substance, if the physician has reason to believe based on a medical assessment of the mother or the infant that the mother used a controlled substance for a nonmedical purpose ~~prior to the birth~~ during the pregnancy. If the test results are positive, the physician shall report the results as neglect under section 626.556. A negative test result does not eliminate the obligation to report under section 626.556 if other medical evidence of prenatal exposure to a controlled substance is present.

Sec. 33. Minnesota Statutes 1989 Supplement, section 626.5562, subdivision 4, is amended to read:

Subd. 4. [IMMUNITY FROM LIABILITY.] Any physician or other medical personnel administering a toxicology test to determine the presence of a controlled substance in a pregnant woman, in a woman within eight hours after delivery, or in a child at birth or during the first month of life is immune from civil or criminal liability arising from administration of the test, if the physician ordering the test believes in good faith that the test is required under this section and the test is administered in accordance with an established protocol and reasonable medical practice.

Sec. 34. Minnesota Statutes 1989 Supplement, section 626.558, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT OF THE TEAM.] A county ~~may~~ shall establish a multidisciplinary child protection team that may include, but not be limited to, the director of the local welfare agency or designees, the county attorney or designees, the county sheriff or designees, representatives of health and education, representatives of mental health or other appropriate human service agencies, and parent groups.

(2) the special duties of child protection workers and law enforcement officers under section 626.556;

(3) the appropriate methods for directing and managing affiliated professionals who may be utilized in providing protective services and strengthening family ties;

(4) the appropriate methods for interviewing alleged victims of child abuse and other minors in the course of performing an assessment or an investigation;

(6) the legal, evidentiary considerations that may be relevant to the conduct of an assessment or an investigation;

(7) the circumstances under which it is appropriate to remove the alleged abuser or the alleged victim from the home;

(8) the protective social services that are available to protect alleged victims from further abuse, to prevent child abuse and domestic abuse, and to preserve the family unit, and training in the preparation of case plans to coordinate services for the alleged child abuse victim with services for any parents who are victims of domestic abuse; and

(9) the methods by which child protection workers and law enforcement workers cooperate in conducting assessments and investigations in order to avoid duplication of efforts.

Sec. 36. [ATTORNEY GENERAL DATA PRACTICES STUDY.]

The attorney general and the department of human services, in consultation with the multidisciplinary task force established under section 39, shall:

(1) prepare a plain language interpretation of existing data practices laws that affect the child protection system;

(2) identify ambiguities and inconsistencies in the laws and compare the classification and treatment of data in law enforcement and child protection agencies;

(3) prepare standard forms for giving information to individuals under Minnesota Statutes, section 13.04, subdivision 2, and for reports under Minnesota Statutes, section 626.556;

(4) determine the need for giving mandated reporters, law enforcement, and child protection workers who must diagnose and investigate child abuse increased access to medical records and information on prior abuse; and

(5) consider the desirability of defining false or unfounded reports under Minnesota Statutes, section 626.556.

The attorney general and the department of human services shall report and make recommendations to the legislature by December 15, 1991.

Sec. 37. [CHILD ABUSE; PLAN FOR STATEWIDE COMPUTER DATA SYSTEM.]

Subdivision 1. [APPLICATION.] This section applies only if the commissioner of public safety is required by another law enacted in the 1990 legislative session to prepare a plan for a statewide computer data system containing information on domestic assault crimes and domestic abuse orders for protection.

Subd. 2. [PLAN.] The commissioner of public safety, in consultation with the department of human services, shall determine the feasibility and costs of establishing a statewide computerized data system containing the following information on determinations made under Minnesota Statutes, section 626.556, and on the criminal and juvenile court matters specified in clauses (1) to (6):

(1) identifying information on any individual that a local social service agency has determined under Minnesota Statutes, section 626.556, subdivision 10e, to have been responsible for the maltreatment of a child or to have necessitated the provision of child protective services for a child, and the name and birth date of any child found to have been maltreated or to be in need of child protective services as a result of the individual's actions;

(2) identifying information on individuals arrested for, charged with, or convicted of malicious punishment of a child or neglect of a child;

(3) pretrial release conditions applicable to individuals charged with an offense listed in clause (2);

(4) probation and supervised release conditions applicable to individuals convicted of an offense listed in clause (2);

(5) identifying information on individuals whose parental rights to a child have been involuntarily terminated under Minnesota Statutes, section 260.226; and

(6) identifying information on individuals who have a child who was found to be in need of protective services as defined in Minnesota Statutes, section 260.015, subdivision 2a.

The commissioner shall also determine the feasibility and costs of requiring all local social service agencies, law enforcement agencies, prosecutors, courts, and court services personnel to report relevant information to the statewide data system; of making the information available to these agencies on request; and of providing a process by which the accuracy of the data may be reviewed at the request of the subject of the data.

The commissioner shall coordinate the study and plan under this section with the study and plan on domestic assault and domestic abuse data.

The commissioner shall report the results of the study and provide an implementation plan to the chairs of the judiciary committees in the house of representatives and the senate on or before February 1, 1991.

Sec. 38. [SUPREME COURT REVIEW OF CERTAIN JUVENILE COURT ISSUES.]

The supreme court is requested to study and review the following two issues:

(1) whether the use of Minnesota Statutes, section 542.16, and Rule 63.03, of the rules of civil procedure, to remove judges in juvenile court cases involving allegations of child abuse or neglect is frequent and appropriate;

(2) whether there is adequate special training for judges who hear juvenile court cases involving allegations of child abuse or neglect.

The supreme court is requested to report to the judiciary committees of the senate and the house of representatives with any findings or recommendations for change resulting from these reviews.

Sec. 39. [ALTERNATIVE DISPOSITIONS STUDY.]

The department of human services shall report and make recommendations regarding the use of permanency planning and alterna-

tive dispositions for children who are placed in out-of-home care, cannot be returned to their families, and for whom termination of parental rights is not in the child's best interest. President of the Senate

We, the undersigned conferees for H. F. No. 2474, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2474 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 62A.46, subdivision 2, is amended to read:

Subd. 2. [LONG-TERM CARE POLICY.] “Long-term care policy” means an individual or group policy, certificate, subscriber contract, or other evidence of coverage that provides benefits for medically prescribed long-term care, including nursing facility services and home care services, pursuant to the requirements of sections 62A.46 to 62A.56. A long-term care policy must contain a designation specifying whether the policy is a long-term care policy AA or A and a caption stating that the commissioner has established two categories of long-term care insurance and the minimum standards for each.

Sections 62A.46, 62A.48, and 62A.52 to 62A.56 do not apply to a long-term care policy issued to (a) an employer or employers or to the trustee of a fund established by an employer where only employees or retirees, and dependents of employees or retirees, are eligible for coverage or (b) to a labor union or similar employee organization. The associations exempted from the requirements of sections 62A.31 to 62A.44 under 62A.31, subdivision 1, clause (c) shall not be subject to the provisions of sections 62A.46 to 62A.56 until July 1, 1988.

Sec. 2. Minnesota Statutes 1988, section 62A.46, subdivision 4, is amended to read:

Subd. 4. [HOME CARE SERVICES.] “Home care services” means one or more of the following medically prescribed services for the long-term care and treatment of an insured that are provided by a home health agency in a noninstitutional setting according to a written diagnosis or assessment and plan of care:

(1) nursing and related personal care services under the direction of a registered nurse, including the services of a home health aide;

(2) physical therapy;

(3) speech therapy;

(4) respiratory therapy;

(5) occupational therapy;

(6) nutritional services provided by a licensed dietitian;

(7) homemaker services, meal preparation, and similar nonmedical services;

(8) medical social services; and

(9) other similar medical services and health-related support services.

Sec. 3. Minnesota Statutes 1988, section 62A.46, subdivision 5, is amended to read:

Subd. 5. ~~MEDICALLY PRESCRIBED LONG-TERM CARE.]~~ "Medically Prescribed long-term care" means a service, type of care, or procedure that could not be omitted without adversely affecting the patient's illness or condition and is specified in a plan of care prepared by either: (1) a physician and a registered nurse and is appropriate and consistent with the physician's diagnosis and that could not be omitted without adversely affecting the patient's illness or condition; or (2) a registered nurse or licensed social worker based on an assessment of the insured's ability to perform the activities of daily living and to perform basic cognitive functions appropriately.

Sec. 4. Minnesota Statutes 1988, section 62A.46, subdivision 8, is amended to read:

Subd. 8. ~~PLAN OF CARE.]~~ "Plan of care" means a written document prepared and signed by either: (1) a physician and registered nurse that specifies medically prescribed long-term care services or treatment that are consistent with the diagnosis and are; or (2) by a registered nurse or licensed social worker that specifies prescribed long-term care services or treatment that are consistent with an assessment of the insured's ability to perform the activities of daily living and to perform basic cognitive functions appropriately. The plan of care must be prepared in accordance with accepted medical and nursing standards of practice and must contain services or treatment that could not be omitted without adversely affecting the patient's illness or condition.

Sec. 5. Minnesota Statutes 1989 Supplement, section 62A.48, subdivision 1, is amended to read:

Subdivision 1. ~~POLICY REQUIREMENTS.]~~ No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to 62A.56. A long-term care policy must cover medically prescribed long-term care in nursing

facilities and at least the medically prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Coverage under a long-term care policy A must include: a maximum lifetime benefit limit of at least \$50,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to be homebound or house confined to receive home care services. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. Each time an individual policy is renewed or continued, the insurer shall notify the insured of the right to change this written designation.

The insurer may file a policy form that utilizes a plan of care prepared as provided under section 62A.46, subdivision 5, clause (1) or clause (2).

Sec. 6. Minnesota Statutes 1988, section 62A.48, subdivision 3, is amended to read:

Subd. 3. [EXPENSE-INCURRED COVERAGE.] If benefits are provided on an expense-incurred basis, a benefit of not less than 80 percent of covered charges for medically prescribed long-term care must be provided.

Sec. 7. Minnesota Statutes 1988, section 62A.48, is amended by adding a subdivision to read:

Subd. 8. [CANCELLATION FOR NONPAYMENT OF PREMIUM.] No individual long-term care policy shall be canceled for nonpayment of premium unless the insurer, at least 30 days before the effective date of the cancellation, has given notice to the insured and to those persons designated pursuant to section 62A.48, subdivision 1, at the address provided by the insured for purposes of receiving notice of cancellation.

Sec. 8. Minnesota Statutes 1988, section 62A.56, is amended to read:

62A.56 [RULEMAKING.]

Subdivision 1. [PERMISSIVE.] The commissioner may adopt rules pursuant to chapter 14 to carry out the purposes of sections 62A.46 to 62A.56. The rules may:

(1) establish additional disclosure requirements for long-term care policies designed to adequately inform the prospective insured of the need and extent of coverage offered;

(2) prescribe uniform policy forms in order to give the purchaser of long-term care policies a reasonable opportunity to compare the cost of insuring with various insurers; and

(3) establish other reasonable minimum standards as needed to further the purposes of sections 62A.46 to 62A.56.

Subd. 2. [MANDATORY.] The commissioner shall adopt rules under chapter 14 establishing general standards to ensure that assessments used in the prescribing of long-term care are reliable, valid, and clinically appropriate.

Sec. 9. [APPLICATION.]

Sections 1 to 8 apply to policies issued after the effective date of sections 1 to 8.

For policies issued before the effective date of sections 1 to 8, the insured may exercise the right to designate additional persons under section 5 at each renewal or continuation date after August 1, 1990. The insurer shall notify the insured in writing of this right, and the right to change a written designation, each time the policy is renewed or continued beginning with the first renewal or continuation date after August 1, 1990.

We request adoption of this report and repassage of the bill.

(a) If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance such food shall not be considered adulterated under this clause if the quantity of such substance in such food does not ordinarily render it injurious to health; or

(b) If it bears or contains any added poisonous or added deleterious substance, other than one which is a pesticide chemical in or on a raw agricultural commodity; a food additive; or a color additive, which is unsafe within the meaning of section 31.122; or

turing practice, and the concentration of such residue in the processed food when ready to eat is not greater than the tolerance prescribed for the raw agricultural commodity; or

(e) If it consists in whole or in part of a diseased, contaminated, filthy, putrid, or decomposed substance, or if it is otherwise unfit for food; or

this clause, issue rules allowing or prohibiting the use of particular nonnutritive substances; or

(o) If it is or bears or contains any color additive which is unsafe within the meaning of section 31.122; or

Sec. 3. Minnesota Statutes 1988, section 340A.101, subdivision 25, is amended to read:

Subd. 25. [RESTAURANT.] "Restaurant" is an establishment, other than a hotel, under the control of a single proprietor or manager, where meals are regularly served at tables to the general public, and having seating capacity for guests in the following minimum numbers:

In the case of classes (b) and (c) above, the governing body of a city or county may prescribe a higher minimum number. In fourth class

cities and statutory cities under 10,000 population, minimum seating requirements are those prescribed by the governing body of the city.

Sec. 4. Minnesota Statutes 1988, section 340A.301, subdivision 1, is amended to read:

Subdivision 1. [LICENSES REQUIRED.] No person may directly or indirectly manufacture or sell at wholesale intoxicating liquor, or nonintoxicating malt liquor without obtaining an appropriate license from the commissioner, except where otherwise provided in this chapter. A manufacturer's license includes the right to import. ~~A licensed brewer of malt liquor may sell products at wholesale without an additional license. A licensed brewer may sell the brewer's products at wholesale only if the brewer has been issued a wholesaler's license. The commissioner shall issue a wholesaler's license to a brewer only if (1) the commissioner determines that the brewer was selling the brewer's own products at wholesale in Minnesota on January 1, 1991, or (2) the brewer has acquired a wholesaler's business or assets under subdivision 7a, paragraph (c) or (d). A licensed wholesaler of intoxicating malt liquor may sell nonintoxicating malt liquor at wholesale without an additional license. The business of manufacturer and wholesaler may be combined and carried on under a single manufacturer's license.~~

Sec. 5. Minnesota Statutes 1988, section 340A.301, subdivision 7, is amended to read:

Subd. 7. [INTEREST IN OTHER BUSINESS.] (a) Except as provided in this subdivision, a holder of a license as a manufacturer, brewer, or wholesaler may not have any ownership, in whole or in part, in a business holding a retail intoxicating liquor or nonintoxicating malt liquor license, but a manufacturer or wholesaler of intoxicating liquor may use or have property rented for retail intoxicating liquor sales if the manufacturer or wholesaler has owned the property continuously since November 1, 1933.

(b) A licensed brewer of malt liquor described in subdivision 6, clause (d) may be issued an on-sale intoxicating liquor or nonintoxicating malt liquor license by a municipality for a restaurant operated in or immediately adjacent to the place of manufacture.

(c) Except as provided in subdivision 7a, no brewer as defined in subdivision 7a may have any interest, in whole or in part, directly or indirectly, in the license, business, assets, or corporate stock of a licensed malt liquor wholesaler.

Sec. 6. Minnesota Statutes 1988, section 340A.301, is amended by adding a subdivision to read:

Subd. 7a. [PERMITTED INTERESTS IN WHOLESALE BUSINESS.] (a) A brewer may financially assist a wholesaler of malt liquor through participation in a limited partnership in which the brewer is the limited partner and the wholesaler is the general partner. A limited partnership authorized in this paragraph may not exist for more than ten years from the date of its creation, and may not, directly or indirectly, be recreated, renewed, or extended beyond that date.

(b) A brewer may financially assist a malt liquor wholesaler and collateralize the financing by taking a security interest in the inventory and assets, other than the corporate stock, of the wholesaler. A financial agreement authorized by this paragraph may not be in effect for more than ten years from the date of its creation and may not be directly or indirectly extended or renewed.

(c) A brewer who, after creation of a financial agreement authorized by paragraph (b), or after creation of a limited partnership authorized in paragraph (a), acquires legal or equitable title to the wholesaler's business which was the subject of the agreement or limited partnership, or to the business assets, must divest the business or its assets within two years of the date of acquiring them. A malt liquor wholesaler whose business or assets are acquired by a brewer as described in this paragraph may not enter into another such financial agreement, or participate in another such limited partnership, for 20 years from the date of the acquisition of the business or assets.

(d) A brewer may have an interest in the business, assets, or corporate stock of a malt liquor wholesaler as a result of (1) a judgment against the wholesaler arising out of a default by the wholesaler or (2) acquisition of title to the business, assets, or corporate stock as a result of a written request of the wholesaler. A brewer may maintain ownership of or an interest in the business, assets, or corporate stock under this paragraph for not more than two years, and only for the purpose of facilitating an orderly transfer of the business to an owner not affiliated with the brewer.

(e) A brewer may continue to maintain an ownership interest in a malt liquor wholesaler if it owned the interest on the effective date of this section.

(f) A brewer that was legally selling the brewer's own products at wholesale in Minnesota on the effective date of this section may continue to sell those products at wholesale in the area where it was selling those products on that date.

(g) A brewer that manufactures malt liquor in Minnesota may, if the brewer does not manufacture in Minnesota in any year more than 25,000 barrels of malt liquor or its metric equivalent, own or

have an interest in a malt liquor wholesaler that sells only the brewer's products.

(h) When the commissioner issues a license to a malt liquor wholesaler described in paragraph (a) or (b), the commissioner may issue the license only to the entity which is actually operating the wholesale business and may not issue the license to a brewer that is a limited partner under paragraph (a) or providing financial assistance under paragraph (b) unless the brewer has acquired a wholesaler's business or assets under paragraph (c) or (d).

(i) For purposes of this subdivision and subdivision 7, clause (c), "brewer" means:

(1) a holder of a license to manufacture malt liquor;

(2) an officer, director, agent, or employee of such a license holder; and

(3) an affiliate of such a license holder, regardless of whether the affiliation is corporate or by management, direction, or control.

Sec. 7. Minnesota Statutes 1989 Supplement, section 340A.404, subdivision 2, is amended to read:

Subd. 2. [SPECIAL PROVISION; CITY OF MINNEAPOLIS.] (a) The city of Minneapolis may issue an on-sale intoxicating liquor license to the Guthrie Theatre, the Cricket Theatre, the Orpheum Theatre, and the State Theatre, notwithstanding the limitations of law, or local ordinance, or charter provision relating to zoning or school or church distances. The licenses authorize sales on all days of the week to holders of tickets for performances presented by the theatres and to members of the nonprofit corporations holding the licenses and to their guests.

(b) The city of Minneapolis may issue an intoxicating liquor license to 510 Groveland Associates, a Minnesota cooperative, for use by a restaurant on the premises owned by 510 Groveland Associates, notwithstanding limitations of law, or local ordinance, or charter provision.

(c) Notwithstanding any other law, local ordinance, or charter provision, the city of Minneapolis may issue one or more on-sale intoxicating liquor licenses to the owner of the sports arena located at 600 First Avenue North in the city of Minneapolis or an entity holding a concessions contract with the owner for use on the premises of that sports arena. The license authorizes sales on all days of the week to holders of tickets for sporting events or other events at the sports arena and to the owner of the sports arena and the owner's guests. The licensee may not dispense intoxicating

liquor to any person attending or participating in an amateur athletic event held on the premises.

Sec. 8. Minnesota Statutes 1988, section 340A.404, subdivision 3, is amended to read:

Subd. 3. [NOTICE TO THE COMMISSIONER.] A city shall within ten days of the issuance of a license under subdivision 1 or 5, inform the commissioner of the licensee's name and address and trade name, and the effective date and expiration date of the license. The city shall also inform the commissioner of a license transfer, cancellation, suspension, or revocation during the license period.

Sec. 9. Minnesota Statutes 1988, section 340A.404, subdivision 5, is amended to read:

Subd. 5. [WINE LICENSES.] (a) A municipality may issue an on-sale wine license with the approval of the commissioner to a restaurant having facilities for seating at least 25 guests at one time. A wine license permits the sale of wine of up to 14 percent alcohol by volume for consumption with the sale of food. A wine license authorizes the sale of wine on all days of the week unless the issuing authority restricts the license's authorization to the sale of wine on all days except Sundays.

(b) The governing body of a municipality may by ordinance authorize a holder of an on-sale wine license issued pursuant to paragraph (a) who is also licensed to sell nonintoxicating malt liquors at on-sale pursuant to section 340A.411, and whose gross receipts are at least 60 percent attributable to the sale of food, to sell intoxicating malt liquors at on-sale without an additional license.

(c) A municipality may issue an on-sale wine license with the approval of the commissioner to a licensed bed and breakfast facility. A license under this paragraph authorizes a bed and breakfast facility to furnish wine only to registered guests of the facility.

Sec. 10. Minnesota Statutes 1988, section 340A.404, is amended by adding a subdivision to read:

Subd. 11. [REMOVAL OF WINE FROM RESTAURANT.] A restaurant licensed to sell intoxicating liquor or wine at on-sale under this section may permit a person purchasing a full bottle of wine in conjunction with the purchase of a meal to remove the bottle on leaving the licensed premises provided that the bottle has been opened and the contents partially consumed. A removal of a bottle under the conditions described in this subdivision is not an off-sale of intoxicating liquor and may be permitted without additional license.

Sec. 11. Minnesota Statutes 1988, section 340A.405, subdivision 2, is amended to read:

Subd. 2. [COUNTIES.] (a) A county may issue an off-sale intoxicating license with the approval of the commissioner to exclusive liquor stores located within unorganized territory of the county.

(b) A county board of any county except Ramsey county containing a town exercising powers under section 368.01, subdivision 1, may issue an off-sale license to an exclusive liquor store within that town with the approval of the commissioner. No license may be issued under this paragraph unless the town board adopts a resolution supporting the issuance of the license.

(c) A county board of any county except Ramsey county containing a town that may not exercise powers under section 368.01, subdivision 1, may issue a combination off-sale and on-sale license to restaurants within that town with the approval of the commissioner pursuant to section 340A.404, subdivision 6. No license may be issued under this paragraph unless the town board adopts a resolution supporting the issuance of the license.

(d) No license may be issued under this subdivision unless a public hearing is held on the issuance of the license. Notice must be given to all interested parties and to any city located within three miles of the premises proposed to be licensed. At the hearing the county board shall consider testimony and exhibits presented by interested parties and may base its decision to issue or deny a license upon the nature of the business to be conducted and its impact upon any municipality, the character and reputation of the applicant, and the propriety of the location. Any hearing held under this paragraph is not subject to chapter 14.

(e) A county board may not issue a license under this subdivision to a person for an establishment located less than three miles one mile by the most direct route from the boundary of any statutory or home rule city except cities of the first class or within Pine, Carlton, Carver, Itasca, or Red Lake county within three miles one mile of a statutory or home rule city with a municipal liquor store.

(f) The town board may impose an additional license fee in an amount not to exceed 20 percent of the county license fee.

(g) Notwithstanding any provision of this subdivision or Laws 1973, chapter 566, as amended by Laws 1974, chapter 200, a county board may transfer or renew a license that was issued by a town board under Minnesota Statutes 1984, section 340.11, subdivision 10b, prior to January 1, 1985.

Sec. 12. Minnesota Statutes 1988, section 340A.405, is amended by adding a subdivision to read:

Subd. 6. [AIRPORTS COMMISSION.] The metropolitan airports commission may with the approval of the commissioner issue licenses for the off-sale of Minnesota-produced wine at the Minneapolis-St. Paul International Airport.

Sec. 13. Minnesota Statutes 1988, section 340A.413, subdivision 4, is amended to read:

- (4) Lake Superior tour boats that are issued licenses under section 340A.404, subdivision 8; and
- (5) theaters that are issued licenses under section 340A.404, subdivision 2.

Sec. 14. Minnesota Statutes 1988, section 340A.504, subdivision 1, is amended to read:

Subdivision 1. [NONINTOXICATING MALT LIQUOR.] No sale of nonintoxicating malt liquor may be made between 1:00 a.m. and 8:00 a.m. on the days of Monday through Saturday, nor between 1:00 a.m. and 12:00 noon on Sunday, provided that an establishment located on land owned by the metropolitan sports commission, or the sports arena for which one or more licenses have been issued under section 340A.404, subdivision 2, paragraph (c), may sell nonintoxicating malt liquor between 10:00 a.m. and 12:00 noon on a Sunday on which a sports or other event is scheduled to begin at that location on or before 1:00 p.m. of that day.

Sec. 15. Minnesota Statutes 1988, section 340A.601, subdivision 2, is amended to read:

Subd. 2. [POPULATION CHANGE.] A city which has established a municipal liquor store may continue to operate it notwithstanding a subsequent change in population if within one year after the effective date of the census by which the municipality exceeds 10,000 in population, the question, "Shall the city continue to

operate its municipal liquor store?" is submitted to the voters of the city at a general or special municipal election and a majority of the voters voting on the question at the election vote in the affirmative on the question. The notice of the election shall state the question to be submitted to the electors at the election.

Sec. 16. [340A.908] [LIQUEUR-FILLED CANDY.]

Liqueur-filled candy may only be sold in an exclusive liquor store.

(c) Unmarked vehicles used in general police work and arson investigations, and passenger automobiles, pickup trucks, and buses owned or operated by the department of corrections shall be registered and shall display appropriate license number plates which shall be furnished by the registrar at cost. Original and renewal applications for these license plates authorized for use in general police work and for use by the department of corrections must be accompanied by a certification signed by the appropriate chief of police if issued to a police vehicle, the appropriate sheriff if issued to a sheriff's vehicle, the commissioner of corrections if issued to a department of corrections vehicle, or the appropriate officer in charge if issued to a vehicle of any other law enforcement agency. Such identification shall be in a color giving contrast with that of the part of the vehicle on which it is placed and shall endure throughout the term of the registration. The identification must not be on a removable plate or placard and shall be kept clean and visible at all times; except that a removable plate or placard may be utilized on vehicles leased or loaned to a political subdivision.

Sec. 2. Minnesota Statutes 1989 Supplement, section 168.013, subdivision 1a, is amended to read:

Subd. 1a. [PASSENGER AUTOMOBILES; ~~AMBULANCES;~~ HEARSEs.] (a) On passenger automobiles as defined in section 168.011, subdivision 7, ~~ambulances,~~ and hearses, except as otherwise provided, the tax shall be \$10 plus an additional tax equal to 1.25 percent of the base value.

(b) Subject to the classification provisions herein, "base value" means the manufacturer's suggested retail price of the vehicle including destination charge as reflected on the price listing affixed to the vehicle in conformity with United States Code, title 15, sections 1231 to 1233 (Public Law Number 85-506) or otherwise suggested by the manufacturer or determined by the registrar if no suggested retail price exists, and shall not include the cost of each accessory or item of optional equipment separately added to the vehicle and the suggested retail price.

(c) If unable to determine the base value because the vehicle is specially constructed, or for any other reason, the registrar may establish such value upon the cost price to the purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales or use tax or any local sales or other local tax.

(d) The registrar shall classify every vehicle in its proper base value class as follows:

FROM	TO
\$ 0	\$199.99
200	399.99

(f) The registrar shall establish the base value, when new, of every passenger automobile, ambulance and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31, using list price information published by the manufacturer or any nationally recognized firm or association compiling such data for the automotive industry. If unable to ascertain the base value of any registered vehicle in the foregoing manner, the registrar may use any other available source or method. The tax on all previously registered vehicles shall be computed upon the base value thus determined taking into account the depreciation provisions of Extra Session Laws 1971, chapter 31.

(g) Except as provided in paragraph (h), the annual additional tax computed upon the base value as provided herein, during the first and second years of vehicle life shall be computed upon 100 percent of the base value; for the third and fourth years, 90 percent of such value; for the fifth and sixth years, 75 percent of such value; for the seventh year, 60 percent of such value; for the eighth year, 40 percent of such value; for the ninth year, 30 percent of such value; for the tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of \$25.

In no event shall the annual additional tax be less than \$25.

(h) The annual additional tax under paragraph (g) on a motor vehicle on which the first annual tax was paid before January 1, 1990, must not exceed the tax that was paid on that vehicle the year before.

“ARTICLE 1

MINNESOTA TOXIC POLLUTION PREVENTION ACT

Section 1. [115D.01] [CITATION.]

Sections 1 to 11 may be cited as the “Minnesota toxic pollution prevention act.”

Sec. 2. [115D.02] [POLICY.]

(a) To protect the public health, welfare, and the environment, the legislature declares that it is the policy of the state to encourage toxic pollution prevention. The preferred means of preventing toxic pollution are techniques and processes that are implemented at the source and that minimize the transfer of toxic pollutants from one environmental medium to another.

(b) The legislature intends that the programs developed under this act shall encourage and lead to a greater awareness of the need for and benefits of toxic pollution prevention, and to a greater degree of cooperation and coordination among all elements of government, industry, and the public in encouraging and carrying out pollution prevention activities.

Sec. 3. [115D.03] [DEFINITIONS.]

(b) Except for facilities that release less than a total of 10,000 pounds of toxic pollutants annually, the plan must be completed as follows:

(1) on or before July 1, 1991, for facilities having a two-digit standard industrial classification of 35 to 39;

(2) by January 1, 1992, for facilities having a two-digit standard industrial classification of 28 to 34; and

(3) by July 1, 1992, for all other persons required to prepare a plan under this subdivision.

(c) Facilities that release less than a total of 10,000 pounds of toxic pollutants annually must complete their plans by July 1, 1992.

(d) Each plan must be updated every two years and must be maintained at the facility to which it pertains.

Subd. 2. [CONTENTS OF PLAN.] (a) Each toxic pollution prevention plan must establish a program identifying the specific technically and economically practicable steps that could be taken during at least the three years following the date the plan is due, to eliminate or reduce the generation or release of toxic pollutants reported by the facility. Toxic pollutants resulting solely from research and development activities need not be included in the plan.

(b) At a minimum, each plan must include:

(1) a policy statement articulating upper management support for eliminating or reducing the generation or release of toxic pollutants at the facility;

(2) a description of the current processes generating or releasing toxic pollutants that specifically describes the types, sources, and quantities of toxic pollutants currently being generated or released by the facility;

(4) an assessment of technically and economically practicable options available to eliminate or reduce the generation or release of

toxic pollutants at the facility, including options such as changing the raw materials, operating techniques, equipment and technology, personnel training, and other practices used at the facility. The assessment may include a cost benefit analysis of the available options;

(5) a statement of objectives based on the assessment in clause (4) and a schedule for achieving those objectives. Wherever technically and economically practicable, the objectives for eliminating or reducing the generation or release of each toxic pollutant at the facility must be expressed in numeric terms. Otherwise, the objectives must include a clearly stated list of actions designed to lead to the establishment of numeric objectives as soon as practicable;

(6) an explanation of the rationale for each objective established for the facility;

(7) a listing of options that were considered not to be economically and technically practicable; and

Sec. 8. [115D.08] [PROGRESS REPORTS.]

Subdivision 1. [REQUIREMENT TO SUBMIT PROGRESS REPORT.] (a) All persons required to prepare a toxic pollution prevention plan under section 7 shall submit an annual progress report to the commissioner that may be drafted in a manner that does not disclose proprietary information. Progress reports are due on October 1 of each year. The first progress reports are due in 1992.

(b) At a minimum, each progress report must include:

(1) a summary of each objective established in the plan including the schedule for meeting the objective;

(2) a summary of progress made during the past year, if any, toward meeting each objective established in the plan including the quantity of each toxic pollutant eliminated or reduced;

(3) a statement of the methods through which elimination or reduction has been achieved;

(4) if necessary, an explanation of the reasons objectives were not achieved during the previous year, including identification of any technological, economic, or other impediments the facility faced in its efforts to achieve its objectives; and

(5) a certification, signed and dated by the facility manager and an officer of the company under penalty of section 609.63, attesting that a plan meeting the requirements of section 7 has been prepared and also attesting to the accuracy of the information in the progress report.

Subd. 2. [REVIEW OF PROGRESS REPORTS.] (a) The commissioner shall review all progress reports to determine if they meet the requirements of subdivision 1. If the commissioner determines that a progress report does not meet the requirements, the commissioner shall notify the facility in writing and shall identify specific deficiencies and specify a reasonable time period of not less than 90 days for the facility to modify the progress report.

(b) The commissioner shall be given access to a facility plan required under section 7 if the commissioner determines that the progress report for that facility does not meet the requirements of subdivision 1. Twenty-five or more persons living within ten miles of the facility may submit a petition to the commissioner that identifies specific deficiencies in the progress report and requests the commissioner to review the facility plan. Within 30 days after receipt of the petition, the commissioner shall respond in writing. If the commissioner agrees that the progress report does not meet requirements of subdivision 1, the commissioner shall be given access to the facility plan.

(c) After reviewing the plan and the progress report with any modifications submitted, the commissioner shall state in writing whether the progress report meets the requirements of subdivision 1. If the commissioner determines that a modified progress report still does not meet the requirements of subdivision 1, the commissioner shall schedule a public meeting. The meeting shall be held in the county where the facility is located. The meeting is not subject to the requirements of chapter 14.

(d) The facility shall be given the opportunity to amend the progress report within a period of not less than 30 days after the public meeting.

(e) If the commissioner determines that a modified progress report still does not meet the requirements of subdivision 1, action may be taken under section 115.071 to obtain compliance with sections 1 to 11.

Sec. 9. [115D.09] [CONFIDENTIALITY.]

Sec. 4. [18C.541] [LICENSE.]

Subdivision 1. [LICENSE TO SELL.] Before a person may sell, offer for sale, or dispose of in this state agricultural liming material to be used for the correction of soil acidity or soil fertility, the distributor and producer must obtain a license by filing with the commissioner an acceptable application for a license to sell, together with the license fee, on or before January 1 of each year. The application must state the name of the producer or distributor, the location of the principal office of the producer or distributor, the number and location of each source of production covered by the license, and the name, brand, or trademark under which the agricultural liming material will be sold.

Subd. 2. [EFFECTIVE DATES.] A license is effective until January 1 following the date of its issuance or approval. A license may not be transferred from one person to another.

Subd. 3. [LICENSE POSTING.] The license must be posted in a conspicuous place in each location where agricultural liming materials are sold.

Subd. 4. [SUBSTANTIATION OF CLAIMS.] The commissioner may require a person applying for a license to sell or produce an agricultural liming material for use in this state to submit authentic-experimental evidence or university research data to substantiate the claims made for the product. As evidence to substantiate claims, the commissioner may rely on experimental data, evaluations, or advice furnished by experts at the University of Minnesota and may accept or reject additional sources of evidence in evaluating the agricultural liming material. In all cases, the experimental evidence must relate to conditions in this state for which use of the product is intended. The commissioner may also require evidence of value of the product when used as directed or recommended.

Subd. 5. [INSUFFICIENT EVIDENCE.] If the commissioner determines that the evidence submitted under subdivision 4 does not substantiate the product's usefulness in this state, the commissioner may require the applicant to submit samples, conduct tests, or submit additional information, including conditions affecting performance, to evaluate its performance and usefulness.

Subd. 6. [INDUSTRIAL BY-PRODUCT WITHOUT CHARGE EXEMPT.] Industrial by-product lime material that is transferred between parties without compensation, except for a fair and reasonable transportation charge, is exempt from fees for licensing and inspection.

Sec. 5. [18C.545] [LABELING.]

Subdivision 1. [PRODUCT LABEL.] An agricultural liming material offered for sale in this state must be labeled in accordance with rules adopted under this chapter.

Subd. 2. [BULK SHIPMENT LABEL.] If agricultural liming material is transported or sold in bulk, an invoice or delivery ticket in written or printed form as required by subdivision 1 must accompany each delivery and be supplied to each purchaser at the time of delivery.

Sec. 6. [18C.551] [LICENSE, SAMPLING, AND INSPECTION FEES.]

Subdivision 1. [APPLICATION FEE.] An application for a license must be accompanied by a nonrefundable license fee of \$150. This fee shall not apply to occasional sales of 50 tons or less on an annual basis.

Subd. 3. [INSPECTION FEES.] An inspection fee, at the rate of five cents per ton, must be paid to the commissioner for all agricultural liming material offered for sale or sold in this state. The report is due on or before the last day of the month following the close of each reporting period of each calendar year. For a tonnage report that is not filed within 31 days after the end of the reporting period, a penalty of \$50 must be paid by the licensee and may be recovered in a civil action against the licensee. The assessment of this penalty does not prevent the department from taking other actions as provided in sections 2 to 11.

Subd. 2. [RECORD VERIFICATION.] Submission of each tonnage report gives authority to the commissioner to verify the records upon which the statement of tonnage is based.

Sec. 8. [18C.561] [SAMPLING METHODS.]

The methods of sampling and analysis of agricultural liming materials must be those adopted by the Association of Official Analytical Chemists. In cases not covered by those methods, or in cases where methods are available in which improved applicability has been demonstrated, the commissioner may adopt appropriate methods from other sources.

Sec. 9. [18C.565] [FALSE OR MISLEADING STATEMENTS.]

A person may not sell a misbranded agricultural liming material. An agricultural liming material is misbranded if it carries a false or

misleading statement on the container or on the label attached to the container, or if false or misleading statements concerning the agricultural liming material are disseminated in any manner or by any means.

Sec. 10. [18C.571] [ADULTERATION.]

A person may not sell an adulterated agricultural liming material. An agricultural liming material is adulterated if:

(3) The acreage and location listed by quarter-quarter section, township and county of each lot or parcel of land in this state owned or leased by the pension or investment fund, limited partnership, or corporation and used for the growing of crops or the keeping or feeding of poultry or livestock;

(4) The names and addresses of the officers, administrators, directors or trustees of the pension or investment fund, or of the officers, shareholders owning more than ten percent of the stock, including the percent of stock owned by each such shareholder, and the members of the board of directors of the corporation, and the general and limited partners and the percentage of interest in the partnership by each partner;

(5) The farm products which the pension or investment fund, limited partnership, or corporation produces or intends to produce on its agricultural land;

(6) With the first report, a copy of the title to the property where the farming operations are or will occur indicating the particular exception claimed under subdivision 3, clauses (a) to (r); and

(b) Every pension or investment fund, limited partnership, or corporation as described in clause (a) shall, prior to April 15 of each year, file with the commissioner of agriculture a report containing the information required in clause (a), based on its operations in the preceding calendar year and its status at the end of the year. A pension or investment fund, limited partnership, or corporation that does not file the report by April 15 must pay a \$500 civil penalty. (c) The commissioner or the commissioner's authorized representative may enter into a written agreement with a person required to file a report under this subdivision who, for good cause shown, has failed to make a timely filing. An agreement must be construed as a "no contest" pleading and may encompass a reduction or waiver of the civil penalty for late filing. The agreement is final and conclusive with respect to the civil penalty, except upon a showing of fraud or malfeasance or misrepresentation of a material fact. The matter agreed upon in the agreement may not be reopened or modified by an officer, employee, or agent of the state. The report required under paragraph (b) must be completed prior to a reduction or waiver under this paragraph. The commissioner may enter into an agreement under this paragraph only once for each person required to file under this subdivision.

The Honorable Robert E. Vanasek

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H. F. No. 2200, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2200 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1
GENERAL EDUCATION

Section 1. Minnesota Statutes 1988, section 124.17, subdivision 1b, is amended to read:

Subd. 1b. [AFDC PUPIL UNITS.] In a district in which the number of pupils from families receiving aid to families with dependent children on October 1 of the previous school year equals six percent or more of the actual pupil units in the district for the ~~same current school year~~, as computed in subdivision 1, each such pupil shall be counted as an additional one-tenth of a pupil unit for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent. In a district in which the percent of concentration is less than six, additional pupil units may not be counted for such pupils. A pupil may not be counted as more than .6 additional pupil unit under this subdivision. The weighting in this subdivision is in addition to the weighting provided in subdivision 1.

Sec. 2. Minnesota Statutes 1988, section 124.195, is amended by adding a subdivision to read:

Subd. 12. [AID ADJUSTMENT FOR TRA CONTRIBUTION RATE CHANGE.] (a) The department of education shall reduce general education aid or any other aid paid in a fiscal year to school districts, intermediate school districts, education districts, education cooperative service units, special education cooperatives, secondary vocational cooperatives, regional management information centers, or another district or unit providing elementary or secondary education services. The reduction shall equal the following percent of salaries paid in a fiscal year by the entity to members of the teachers retirement association established in chapter 354. However, salaries paid to members of the association who are employed by a technical college shall be excluded from this calculation:

(1) in fiscal year 1991, 0.84 percent,

(2) in fiscal year 1992 and later years, the greater of

(i) zero, or

(ii) 4.48 percent less the additional employer contribution rate established under section 354.42, subdivision 5.

(b) In fiscal year 1991, this reduction is estimated to equal \$14,260,000.

Sec. 3. Minnesota Statutes Second 1989 Supplement, section 124A.03, subdivision 2, is amended to read:

Subd. 2. [REFERENDUM LEVY.] (a) The levy authorized by section 124A.23, subdivision 2, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased levy as a percentage of net tax capacity, the amount that will be raised by that tax capacity rate in the first year it is to be levied, and that the tax capacity rate shall be used to finance school operations. The ballot shall designate the specific number of years for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

“Shall the increase in the levy proposed by (petition to) the board of, School District No. . ., be approved?”

If approved, the amount provided by the approved tax capacity rate applied to the net tax capacity for the year preceding the year the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the election referendum to each taxpayer at the address listed on the school district's current year's assessment roll, a notice of the referendum and the proposed levy increase. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: “In 1989 the legislature reduced property taxes for education by increasing the

state share of funding for education. However, state aid for cities and townships was reduced by a corresponding amount. As a result, property taxes for cities and townships may increase. Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction ~~election~~ referendum may be held to revoke or reduce a levy for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 30 15 days after the district holds a referendum pursuant to this clause results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

Sec. 4. Minnesota Statutes Second 1989 Supplement, section 124A.23, subdivision 1, is amended to read:

Subdivision 1. [GENERAL EDUCATION TAX CAPACITY RATE.] The general education tax capacity rate for fiscal year 1991 is 26.3 percent. Beginning in 1990, the commissioner of revenue shall establish the general education tax capacity rate and certify it to the commissioner of education by July 1 of each year for levies payable in the following year. The general education tax capacity rate shall be a rate, rounded up to the nearest tenth of a percent, that, when applied to the adjusted net tax capacity for all districts, raises the amount specified in this subdivision. The general education tax capacity rate shall be the rate that raises \$845,000,000 for fiscal year 1992 and \$887,000,000 for fiscal year 1993 and subsequent fiscal years. The general education tax capacity rate certified by the commissioner of revenue may not be changed due to changes or

corrections made to a district's adjusted net tax capacity after the tax capacity rate has been certified.

Sec. 5. Minnesota Statutes Second 1989 Supplement, section 124A.26, subdivision 1, is amended to read:

Subdivision 1. [REVENUE REDUCTION.] A district's general education revenue for a school year shall be reduced if the estimated net unappropriated operating fund balance as of June 30 in the second prior school year exceeds \$600 times the actual fund balance pupil units in the prior year. For purposes of this subdivision only, fund balance pupil units means the number of pupil units in average daily membership enrolled in the district, including shared time pupils, according to section 124A.02, subdivision 20, and excluding pupils for whom payment is made according to section 126.22, subdivision 8, or 126.23. The amount of the reduction shall equal the lesser of:

- (1) the amount of the excess, or
- (2) \$150 times the actual pupil units for the school year.

The final adjustment payments made under section 124.195, subdivision 6, must be adjusted to reflect actual net operating fund balances as of June 30 of the prior school year.

Sec. 6. [APPROPRIATION CANCELLATION.]

Any excess in the general education appropriation for fiscal years 1990 and 1991 shall cancel to the general fund. Any amount canceled shall not be included in the transfer of excess appropriations under Minnesota Statutes, section 124.14, subdivision 7.

Sec. 7. [SCHOOL DISTRICT LEVY REFERENDUM.]

Notwithstanding Minnesota Statutes, section 124A.03, subdivision 2, independent school districts Nos. 118, Remer, 622, North St. Paul-Maplewood, and 656, Faribault, may conduct one levy referendum authorized by that section before November 1990. Only one levy referendum may be conducted in 1990 by each district.

Every driver shall possess all the qualifications required by the rules of the state board of education. In any school district, the board shall arrange for the attendance of all pupils living two miles or more from the school through suitable provision for transportation or through the boarding and rooming of the pupils who may be more economically and conveniently provided for by that means. The board shall provide transportation to and from the home of a handicapped child not yet enrolled in kindergarten when special instruction and services under section 120.17 are provided in a location other than in the child's home. school bus routes established to provide nonregular transportation as defined in section 124.225, subdivision 1, paragraph (e)(2)(ii), when space is available, for pupils attending programs at an area learning center. The transportation is only permitted between schools and if it does not increase the district's expenditures for transportation. The cost of these services shall be considered part of the authorized cost for nonregular transportation for the purpose of section 124.225.

Sec. 4. Minnesota Statutes 1989 Supplement, section 124.223, is amended to read:

Sec. 6. Minnesota Statutes 1989 Supplement, section 124.225, subdivision 3a, is amended to read:

Subd. 3a. [PREDICTED BASE COST.] A district's predicted base cost for the 1988-1989 base year and later years equals the result of the following computation:

(a) Multiply the transportation formula allowance by the district's sparsity index raised to the one-fourth power. The transportation formula allowance is \$406 for the 1988-1989 base year and \$421 for the 1989-1990 base year.

The amount of aid is derived by:

(1) multiplying the formula allowance under section 124A.22, subdivision 2, times the difference between (a) the actual pupil units as defined in section 124A.02, subdivision 15, in attendance during the fall count week, but not including pupil units for which the school has received reimbursement under sections 123.933 and 126.23 for the school for the current school year and (b) the number of pupils for the current school year, weighted according to section 124.17, subdivision 1, receiving benefits under section 123.933 or 123.935 or for which the school is receiving reimbursement under section 126.23;

(d) The district of residence shall pay tuition to a district providing special instruction and services to a handicapped pupil, as defined in section 120.03, who is enrolled in a program listed in this subdivision. The tuition shall be equal to (1) the actual cost of providing special instruction and services to the pupil, including a proportionate amount for debt service and for capital expenditure facilities and equipment, and debt service but not including any amount for transportation, minus (2) the amount of special education aid, attributable to that pupil, that is received by the district providing special instruction and services.

(e) An area learning center operated by an educational cooperative service unit, intermediate district, education district, or a joint powers cooperative may elect through the action of the constituent boards to charge tuition for nonhandicapped pupils rather than to calculate general education aid adjustments under clause (a), (b), or (c). The tuition must be equal to the average general education revenue per pupil unit attributable to the student, or the average

per pupil cost of operating the area learning center, whichever is less.

Sec. 8. Minnesota Statutes 1989 Supplement, section 128B.03, subdivision 4, is amended to read:

- (3) the program of the experimental school;
- (4) the boundaries of the attendance area of the experimental school; or
- (5) a related reason.

(b) For the sole purpose of receiving federal impact aid, the experimental school on the land comprising the former independent school district No. 25 is a local education agency, according to Code of Federal Regulations, title 34, section 222.80. For the purpose of establishing a combined seniority list, each member district must be considered to have started school on the same date.

Subd. 6. [BARGAINING AGREEMENT.] The terms and conditions of employment of teachers in a member district of an education district will be governed by the contract executed by the exclusive bargaining representative and that member district until a successor contract is executed.

Unless specifically provided otherwise in the plan, chapter 179A governs the rights and duties of employers and employees in an education district.

class mail at least 15 days but no more than 30 days prior to the day of the election to each taxpayer at the address listed on each member district's current year's assessment roll, a notice of the referendum and the proposed levy increase. A levy approved by the voters of the education district under paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. (2) A district, if eligible, may levy under this subdivision or subdivision 9b but not both.

(3) The proceeds of this levy shall be used only for cash flow requirements and shall not be used to supplement district revenues or income for the purposes of increasing the district's expenditures or budgets.

(4) Any district that levies pursuant to this subdivision shall certify the maximum levy allowable under section 124A.23, subdivision 2, in that same year.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 275.125, subdivision 18, is amended to read:

Subd. 18. [NOTICE OF CERTIFIED LEVIES LEVY INFORMATION.] By September 15 of each year each district shall notify the commissioner of education of the proposed levies in compliance with the levy limitations of this section and chapters 124 and, 124A, and 124B. By January 15 of each year each district shall notify the commissioner of education of the final levies certified. The commissioner of education shall prescribe the form of these notifications and may request any additional information necessary to compute certified levy amounts.

ARTICLE 11

MAXIMUM EFFORT

Section 1. [121.151] [JOINT POWERS AGREEMENTS FOR EDUCATIONAL FACILITIES.]

Any group of districts may form a joint powers district under section 471.59 representing all participating districts to build or acquire a facility to be used for instructional purposes. The joint powers board must submit the project for review and comment under section 121.15. The joint powers board must hold a hearing on the proposal. The joint powers district must submit the question of authorizing the borrowing of funds for the project to the voters of the joint powers district at a special election. The question submitted shall state the total amount of funding needed from all sources. The joint powers board may issue the bonds according to chapter 475 and certify the levy required by section 475.61 only if a majority of those voting on the question vote in the affirmative and only after the school boards of each member district have adopted a resolution pledging the full faith and credit of that district. The resolution shall irrevocably commit that district to pay a proportionate share, based on pupil units, of any debt levy shortages that, together with other funds available, would allow the joint powers board to pay the principal and interest on the obligations. The district's payment of its proportionate share of the shortfall shall be made from the district's capital expenditure fund. The clerk of the joint powers board must certify the vote of the bond election to the commissioner of education.

Sec. 2. Minnesota Statutes 1989 Supplement, section 124.38, subdivision 7, is amended to read:

Subd. 7. [MAXIMUM EFFORT DEBT SERVICE LEVY.] "Maximum effort debt service levy" means the lesser of:

(1) A levy in whichever of the following amounts is applicable:

(a) In any school district receiving a debt service loan for a debt service levy payable in 1991 and thereafter, or granted a capital loan after January 1, 1990, a levy in a total dollar amount computed at a rate of 20 percent of adjusted net tax capacity for taxes payable in 1991 and thereafter;

(b) In any school district granted a debt service loan after July 31, 1981, or granted a capital loan which is approved after July 31, 1981, a levy in a total dollar amount computed as a gross tax capacity rate of 13.08 percent on the adjusted gross tax capacity for taxes payable in 1990 or a net tax capacity rate of ~~16.27~~ 18.42 percent on the adjusted net tax capacity for taxes payable in 1991 and thereafter;

(b) (c) In any school district granted a debt service loan before August 1, 1981, or granted a capital loan which was approved before August 1, 1981, a levy in a total dollar amount computed as a gross tax capacity rate of 12.26 percent on the adjusted gross tax capacity for taxes payable in 1990 or a net tax capacity rate of ~~15.26~~ 17.17 percent on the adjusted net tax capacity for taxes payable in 1991

and thereafter, until and unless the district receives an additional loan; or

(2) A levy in whichever of the following amounts is applicable:

(a) In any school district which received a debt service or capital loan from the state before January 1, 1965, a levy in a total dollar amount computed as 4.10 mills on the market value in each year, unless the district applies or has applied for an additional loan subsequent to January 1, 1965, or issues or has issued bonds on the public market, other than bonds refunding state loans, subsequent to January 1, 1967;

(b) In any school district granted a debt service or capital loan between January 1, 1965, and July 1, 1969, a levy in a total dollar amount computed as 5½ mills on the market value in each year, until and unless the district receives an additional loan;

(c) In any school district granted a debt service or capital loan between July 1, 1969, and July 1, 1975, a levy in a total dollar amount computed as 6.3 mills on market value in each year until and unless the district has received an additional loan;

(d) In any school district for which a capital loan was approved prior to August 1, 1981, a levy in a total dollar amount equal to the sum of the amount of the required debt service levy and an amount which when levied annually will in the opinion of the commissioner be sufficient to retire the remaining interest and principal on any outstanding loans from the state within 30 years of the original date when the capital loan was granted; provided, that the school board in any district affected by the provisions of clause (2)(d) may elect instead to determine the amount of its levy according to the provisions of clause (1); provided further that if a district's capital loan is not paid within 30 years because it elects to determine the amount of its levy according to the provisions of clause (2)(d), the liability of the district for the amount of the difference between the amount it levied under clause (2)(d) and the amount it would have levied under clause (1), and for interest on the amount of that difference, shall not be satisfied and discharged pursuant to Minnesota Statutes 1988, or an earlier edition of Minnesota Statutes if applicable, section 124.43, subdivision 4.

Sec. 3. Minnesota Statutes 1988, section 124.39, subdivision 3, is amended to read:

Subd. 3. There shall be a capital loan account, out of which loans under section ~~124.43~~ 5 shall be made. There shall be transferred to it from the debt service loan account on October 1 of each year all moneys therein in excess of those required for debt service loans then agreed to be made. There shall be transferred from it to the debt service loan account on July 1 of each year all moneys therein

in excess of those required for capital loans theretofore agreed to be made.

Sec. 4. Minnesota Statutes 1988, section 124.39, subdivision 4, is amended to read:

Subd. 4. There shall be a loan repayment account, into which shall be paid all principal and interest paid by school districts on debt service loans and capital loans made under section 124.42 or ~~124.43~~ 5. The state's cost of administering the maximum effort school aid law shall be paid out of this account, to an amount not exceeding \$10,000 in any year. As soon as possible in each year after the committee has determined the ratio existing between the correct market value of all taxable property in each school district in the state and the "market value in money" of such property as recorded in accordance with section 270.13, the commissioner of revenue shall cause a list of all such ratios to be prepared. The clerical costs of preparation of such list shall be paid as a cost of administration of the maximum effort school aid law. The documents division of the department of administration may publish and sell copies of such list. There shall be transferred out of the loan repayment account to the state bond fund the sums required to pay the principal of and interest on all school loan bonds as provided in section 124.46.

Sec. 5. [124.431] [CAPITAL LOANS.]

Subdivision 1. [CAPITAL LOAN REQUESTS AND USES.] Capital loans are available only to qualifying districts. Capital loans must not be used for the construction of swimming pools, ice arenas, athletic facilities, auditoriums, day care centers, bus garages, or heating system improvements. Proceeds of the loans may be used only for sites for education facilities and for acquiring, bettering, furnishing, or equipping education facilities. Contracts must be entered into within 18 months after the date on which each loan is granted.

Subd. 2. [DISTRICT REQUEST FOR REVIEW AND COMMENT.] A school district or a joint powers district that intends to apply for a capital loan must submit a proposal to the commissioner for review and comment according to section 121.15 on or before July 1. The commissioner must prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. In addition to the information provided under section 121.15, subdivision 7, the commissioner shall consider the following criteria in determining whether to make a positive review and comment.

(a) To grant a positive review and comment the commissioner must determine that all of the following conditions are met:

(1) the facilities are needed for pupils for whom no adequate facilities exist or will exist;

(2) the district will serve, on average, at least 80 pupils per grade or is eligible for sparsity revenue;

(3) no form of cooperation with another district would provide the necessary facilities;

(4) the facilities are comparable in size and quality to facilities recently constructed in other districts that have similar enrollments;

(5) the facilities are comparable in size and quality to facilities recently constructed in other districts that are financed without a capital loan;

(6) the district is projected to maintain or increase its average daily membership over the next five years or is eligible for sparsity revenue;

(7) the current facility poses a threat to the life, health, and safety of pupils, and cannot reasonably be brought into compliance with fire, health, or life safety codes;

(8) the district has made a good faith effort, as evidenced by its maintenance expenditures, to adequately maintain the existing facility during the previous ten years and to comply with fire, health, and life safety codes and state and federal requirements for handicapped accessibility; and

(9) evaluations by school boards of adjacent districts have been received.

(b) The commissioner may grant a negative review and comment if:

(1) the state demographer has examined the population of the communities to be served by the facility and determined that the communities have not grown during the previous five years;

(2) the state demographer determines that the economic and population bases of the communities to be served by the facility are not likely to grow or to remain at a level sufficient, during the next ten years, to ensure use of the entire facility;

(3) the need for facilities could be met within the district or adjacent districts at a comparable cost by leasing, repairing, remodeling, or sharing existing facilities or by using temporary facilities;

(4) the district plans do not include cooperation and collaboration with health and human services agencies and other political subdivisions; or

(5) if the application is for new construction, an existing facility that would meet the district's needs could be purchased at a comparable cost from any other source within the area.

Subd. 3. [MULTIPLE DISTRICT PROPOSALS; REVIEW AND COMMENT.] In addition to the requirements of subdivision 2, the commissioner may use additional requirements to determine a positive review and comment on projects that are designed to serve more than one district. These requirements may include:

(1) reducing or increasing the number of districts that plan to use the facility;

(2) location of the facility; and

(3) formation of a joint powers agreement among the participating districts.

Subd. 4. [ADJACENT DISTRICT COMMENTS.] The district shall present the proposed project to the school board of each adjacent district at a public meeting of that district. The board of an adjacent district shall make a written evaluation of how the project will affect the future education and building needs of the adjacent district. The board shall submit the evaluation to the applying district within 30 days of the meeting.

Subd. 5. [DISTRICT APPLICATION FOR CAPITAL LOAN.] The school board of a district desiring a capital loan shall adopt a resolution stating the amount proposed to be borrowed, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the loan is requested will be contracted for and completed. Applications for loans must be accompanied by a copy of the adopted board resolution and copies of the adjacent district evaluations. The evaluation shall be retained by the commissioner as part of a permanent record of the district submitting the evaluation.

Applications must be in the form and accompanied by the additional data required by the commissioner. Applications must be received by the commissioner by November 1. A district must resubmit an application each year. Capital loan applications that do not receive voter approval or are not approved in law cancel July 1 of the year following application. When an application is received, the commissioner shall obtain from the commissioner of revenue the information in the revenue department's official records that is

required to be used in computing the debt limit of the district under section 475.53, subdivision 4.

Subd. 6. [STATE BOARD REVIEW; DISTRICT PROPOSALS.] By January 1 of each year, the state board must review all applications for capital loans that have received a positive review and comment. When reviewing applications, the state board shall consider whether the criteria in subdivision 2 have been met. The state board may not approve an application if all of the required deadlines have not been met. The state board may either approve or reject an application for a capital loan.

Subd. 7. [RECOMMENDATIONS OF THE COMMISSIONER.] The commissioner shall examine and consider applications for capital loans that have been approved by the state board of education, and promptly notify any district rejected by the state board of the state board's decision.

The commissioner shall report each capital loan that has been approved by the state board and that has received voter approval to the education committees of the legislature by February 1 of each year. The commissioner must not report a capital loan that has not received voter approval. The commissioner shall also report on the money remaining in the capital loan account and, if necessary, request that another bond issue be authorized.

Subd. 8. [LOAN AMOUNT LIMITS.] (a) A loan must not be recommended for approval for a district exceeding an amount computed as follows:

(1) the amount requested by the district under subdivision 5;

(2) plus the aggregate principal amount of general obligation bonds of the district outstanding on June 30 of the year following the year the application was received, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 305 percent of its adjusted net tax capacity as most recently determined, whichever is less;

(3) less the maximum net debt permissible for the district on December 1 of the year the application is received, under the limitation in section 475.53, subdivision 4, or 305 percent of its adjusted net tax capacity as most recently determined, whichever is less;

(4) less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted.

(b) The loan may be approved in an amount computed as provided

in paragraph (a), clauses (1) to (3), subject to later reduction according to paragraph (a), clause (4).

Subd. 9. [LEGISLATIVE ACTION.] Each capital loan must be approved in a law.

If the aggregate amount of the capital loans exceeds the amount that is or can be made available, the commissioner shall allot the available amount among any number of qualified applicant districts, according to the commissioner's judgment and discretion, based upon the districts' respective needs.

Subd. 10. [DISTRICT REFERENDUM.] After receipt of the review and comment on the project and before February 1, the question authorizing the borrowing of money for the facilities must be submitted by the school board to the voters of the district at a regular or special election. The question submitted must state the total amount to be borrowed from all sources. Approval of a majority of those voting on the question is sufficient to authorize the issuance of the obligations on public sale in accordance with chapter 475. The face of the ballot must include the following statement: "APPROVAL OF THIS QUESTION DOES NOT GUARANTEE THAT THE SCHOOL DISTRICT WILL RECEIVE A CAPITAL LOAN FROM THE STATE. THE LOAN MUST BE APPROVED BY THE STATE LEGISLATURE AND IS DEPENDENT ON AVAILABLE FUNDING." The district shall mail to the commissioner of education a certificate by the clerk showing the vote at the election.

Subd. 11. [CONTRACT.] Each capital loan must be evidenced by a contract between the school district and the state acting through the commissioner. The contract must obligate the state to reimburse the district, from the maximum effort school loan fund, for eligible capital expenses for construction of the facility for which the loan is granted, an amount computed as provided in subdivision 8. The commissioner must receive from the school district a certified resolution of the school board estimating the costs of construction and reciting that contracts for construction of the facilities for which the loan is granted have been awarded and that bonds of the district have been issued and sold in the amount necessary to pay all estimated costs of construction in excess of the amount of the loan. The contract must obligate the district to repay the loan out of the excesses of its maximum effort debt service levy over its required debt service levy, including interest at a rate equal to the weighted average annual rate payable on Minnesota state school loan bonds issued for the project and disbursed to the districts on a reimbursement basis, but in no event less than 3½ percent per year on the principal amount from time to time unpaid. The district shall each year, as long as it is indebted to the state, levy for debt service (a) the amount of its maximum effort debt service levy or (b) the amount of its required debt service levy, whichever is greater, except as the required debt service levy may be reduced by a loan

under section 124.42. On November 20 of each year each district having an outstanding capital loan shall compute the excess amount in the debt redemption fund. The commissioner shall prescribe the form and calculation to be used in computing the excess amount. A completed copy of this form shall be sent to the commissioner before December 1 of each year. The commissioner may recompute the excess amount and shall promptly notify the district of the recomputed amount. On December 15 of each year, the district shall remit to the commissioner an amount equal to the excess amount in the debt redemption fund. When the maximum effort debt service levy is greater, the district shall remit to the commissioner within ten days after its receipt of the last regular tax distribution in each year, that part of the debt service tax collections, including penalties and interest that exceeded the required debt service levy. The commissioner shall supervise the collection of outstanding accounts due the fund and may, by notice to the proper county auditor, require the maximum levy to be made as required in this subdivision. Interest on capital loans must be paid on December 15 of the year after the year the loan is granted and annually in later years. On or before September 1 in each year the commissioner shall notify the county auditor of each county containing taxable property situated within the school district of the amount of the maximum effort debt service levy of the district for that year. The county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified.

Subd. 12. [LOAN FORGIVENESS.] If any capital loan is not paid within 50 years after it is granted from maximum effort debt service levies in excess of required debt service levies, the liability of the school district on the loan is satisfied and discharged and interest on the loan ceases.

Subd. 13. [PARTICIPATION BY COUNTY AUDITOR; RECORD OF CONTRACT; PAYMENT OF LOAN.] The school district shall file a copy of the capital loan contract with the county auditor of each county in which any part of the district is situated. The county auditor shall enter the capital loan, evidenced by the contract, in the auditor's bond register. The commissioner shall keep a record of each capital loan and contract showing the name and address of the district, the date of the contract, and the amount of the loan initially approved. On receipt of the resolution required in subdivision 11, the commissioner shall issue warrants, which may be dispersed in accordance with the schedule in the contract, on the capital loan account for the amount that may be disbursed under subdivision 1. Interest on each disbursement of the capital loan amount accrues from the date on which the state treasurer issues the warrant.

Subd. 14. [BOND SALE LIMITATIONS.] A district having an outstanding state loan must not issue and sell any bonds on the public market, except to refund state loans, unless it agrees to make the maximum effort debt service levy in each later year at the

higher rate provided in section 124.38, subdivision 7, and unless it schedules the maturities of the bonds according to section 475.54, subdivision 2. The district shall report each sale to the commissioner of education.

After a district's capital loan has been outstanding for 20 years, the district must not issue bonds on the public market except to refund the loan.

Sec. 6. Minnesota Statutes 1988, section 475.51, subdivision 4, is amended to read:

Subd. 4. "Net debt" means the amount remaining after deducting from its gross debt the amount of current revenues which are applicable within the current fiscal year to the payment of any debt and the aggregate of the principal of the following:

(1) Obligations issued for improvements which are payable wholly or partly from the proceeds of special assessments levied upon property specially benefited thereby, including those which are general obligations of the municipality issuing them, if the municipality is entitled to reimbursement in whole or in part from the proceeds of the special assessments.

(2) Warrants or orders having no definite or fixed maturity.

(3) Obligations payable wholly from the income from revenue producing conveniences.

(4) Obligations issued to create or maintain a permanent improvement revolving fund.

(5) Obligations issued for the acquisition, and betterment of public waterworks systems, and public lighting, heating or power systems, and of any combination thereof or for any other public convenience from which a revenue is or may be derived.

(6) Debt service loans and capital loans made to a school district under the provisions of sections 124.42 and ~~124.43~~ 5.

(7) Amount of all money and the face value of all securities held as a debt service fund for the extinguishment of obligations other than those deductible under this subdivision.

(8) Obligations to repay loans made under section 216C.37.

(9) Obligations to repay loans made from money received from litigation or settlement of alleged violations of federal petroleum pricing regulations.

(10) All other obligations which under the provisions of law authorizing their issuance are not to be included in computing the net debt of the municipality.

Sec. 7. Minnesota Statutes 1989 Supplement, section 475.62, is amended to read:

475.62 [REGISTER.]

Each county auditor shall keep a register in which shall be entered, as to each issue of such obligations by any municipality located, in whole or in part, in the county, a record of the aggregate amount authorized, the aggregate amount issued, the purpose for which issued, the number, denomination, date, and maturity of each, the rate of interest, the time of payment, the place of payment of principal and interest, and the amount of tax levied for the payment thereof. The auditor shall also enter in said register the date and amount of each debt service loan and capital loan made by the state to any school district situated wholly or partly within the county, in accordance with section 124.42, subdivision 2, or section 124.43 5, subdivision 5 13, and shall enter on or before November 1 in each year thereafter the amount of the maximum effort debt service levy and the additional amount of the levy for interest on state loans to be extended on the tax rolls in that year, as certified by the commissioner of education in accordance with section 124.42, subdivision 4, and section 124.43 5, subdivision 4 11. In each such year the auditor shall extend on the tax rolls against all taxable property within each such district either (a) the aggregate amount of all tax levies required by section 475.61 to be so extended in such year, less the principal amount of any new debt service loan granted in the current year, or (b) the maximum effort debt service levy of the district as certified by the commissioner of education, if greater than the levy required by the preceding clause (a); adding in either case (c) the amount of the levy for interest on state loans as certified by the commissioner of education, including interest on any new debt service loan granted in the current year. If the school district is situated in more than one county, the aggregate levy shall be apportioned among the counties as provided in section 475.61, subdivision 2, by the county auditor of the county in which is situated the largest portion by net tax capacity of the taxable property within the school district.

Sec. 8. [1990 LOAN APPLICATIONS.]

Notwithstanding section 5, subdivision 5, or any other law to the contrary, a capital loan application and the state board approval of a capital loan for independent school districts No. 115, Cass Lake; No. 192, Farmington; No. 213, Osakis; No. 345, New London-Spicer; No. 390, Lake of the Woods; No. 484, Pierz; No. 533, Dover-Eyota; No. 682, Roseau; No. 748, Sartell; and No. 885, St. Michael-Albertville, does not cancel until July 1, 1995. Applications for

capital loans approved by the state board before February 15, 1990, for the school districts listed do not need to meet the criteria in section 5, subdivision 2. Except for emergency requests, the school districts listed in this section shall be the top priority for funding capital loans until July 1, 1995.

Sec. 9. [HOLDINGFORD CAPITAL LOAN.]

Subdivision 1. [TIME EXTENSION.] Notwithstanding Minnesota Statutes, section 124.43, subdivision 1, independent school district No. 738, Holdingford, may enter into construction contracts for facilities for which a capital loan was granted within 24 months after the date the capital loan was granted.

Subd. 2. [LOCAL APPROVAL.] Subdivision 1 is effective for independent school district No. 738 the day following compliance with Minnesota Statutes, section 645.021, subdivision 3, by the school board of the district.

Sec. 10. [ALTERNATIVE LOAN LIMITATION.]

Notwithstanding section 5, subdivision 8, a maximum effort loan amount computed under section 5, subdivision 8, for districts listed in section 8 shall not be less than 85 percent of the loan amount that would be granted if the qualifying percentage rate used was 245 percent of adjusted net tax capacity.

Sec. 11. [REPEALER.]

Minnesota Statutes 1988, section 124.43, subdivisions 2, 3, 3a, 3b, 4, 5, and 6; and Minnesota Statutes 1989 Supplement, section 124.43, subdivision 1, are repealed. The validity of bonds issued to fund loans issued under Minnesota Statutes 1988, section 124.43 or earlier law is not impaired. Districts obligated under contracts entered into under Minnesota Statutes 1988, section 124.43 or earlier law remain obligated until the obligations end under the terms of the contract. Section 10 is repealed July 1, 1995.

Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective the day after final enactment.

ARTICLE 12

RURAL HEALTH CARE

Section 1. [SUMMER HEALTH CARE INTERNS.]

Subdivision 1. [SUMMER INTERNSHIPS.] The commissioner of

education shall award grants to eligible districts or groups of districts to establish a summer health care intern program in the summer of 1991 for pupils who intend to complete high school graduation requirements and who are between their junior year and senior year of high school. The purpose of the program is to expose interested high school pupils to various careers within the health care profession.

Subd. 2. [CRITERIA.] The commissioner, with the advice of the Minnesota medical association and the Minnesota hospital association, shall establish criteria for awarding grants to districts or groups of districts that have juniors enrolled in high school who are interested in pursuing a career in the health care profession. The criteria must include, among other things:

(1) the proximity of a district or districts to a hospital or clinic willing to participate in the program;

(2) the kinds of formal exposure to the health care profession a hospital or clinic can provide to a pupil;

(3) the need for health care professionals in a particular area; and

(4) the willingness of a hospital or clinic to pay one-half the costs of employing a pupil.

The Minnesota medical association and the Minnesota hospital association jointly must provide the commissioner by January 31, 1991, with a list of hospitals and clinics willing to participate in the program and what provisions those hospitals or clinics will make to ensure a pupil's adequate exposure to the health care profession, and indicate whether a hospital or clinic is willing to pay one-half the costs of employing a pupil.

Subd. 3. [GRANTS.] The commissioner shall award grants to districts or groups of districts meeting the requirements of subdivision 2. The grants must be used to pay one-half of the costs of employing a pupil in a hospital or clinic during the course of the program. No more than five pupils may be selected from any one high school to participate in the program and no more than one-half of the number of pupils selected may be from the seven-county metropolitan area.

Subd. 4. [EVALUATION.] The commissioner, in cooperation with the Minnesota medical association and the Minnesota hospital association, shall evaluate the summer health care intern program and recommend to the education committees of the legislature by February 15, 1992, whether or not the program should be continued and, if so, under what circumstances.

Sec. 2. [APPROPRIATION.]

If the executive director finds that the person is totally and permanently disabled and will as a result be unable to return to similar employment, the person must receive the cash realized on the redemption of the shares. The person may direct the redemption of not more than 20 percent of the shares in the employee's share account record in any one year and may not direct more than one redemption in any one calendar month; provided, however, that the state university board or its designee, in the case of a person employed by the state university board, and the state board for community colleges or its designee, in the case of a person employed by the state board for community colleges, may, upon application, at their sole discretion, permit greater withdrawals in any one year. Subdivision 1. [ELIGIBILITY; CONTRIBUTIONS.] An elected

local government official who participates in the defined contribution plan under this chapter may make contributions to the plan for the service as an elected public officer rendered before the effective date of this section that was not covered by a public or private employer contributory pension plan, including a plan administered by the public employees retirement association under chapter 353.

the state deferred compensation plan before the employee terminates public employment.

Subd. 5. [PRIOR SERVICE AND COMPENSATION DOCUMENTATION.] The participating elected local government official shall supply sufficient documentation of the person's prior uncredited service and compensation for which the purchase payment is made.

Subd. 2. [PURCHASE PAYMENT AMOUNT.] To purchase credit for prior service under subdivision 1, there must be paid to the public employee retirement association an amount equal to the present value, on the date of payment, of the amount of the additional retirement annuity obtained by the purchase of the additional service credit. Calculation of this amount must be made using the applicable preretirement interest rate for the association specified in Minnesota Statutes, section 356.215, subdivision 4d, and the mortality table adopted for the association. The calculation must assume continuous future service in the association until, and retirement at, the age at which the minimum requirements of the association for normal retirement or retirement with an annuity unreduced for retirement at an early age, including Minnesota Statutes, section 356.30, are met with the additional service credit purchased. The calculation must also assume a future salary history that includes annual salary increases at the applicable salary increase rate for the association specified in section 356.215, subdivision 4d. The member must establish in the records of the association proof of the service for which the purchase of prior service is requested. The manner of the proof of service must be in accordance

with procedures prescribed by the executive director of the association.

Subd. 3. [PAYMENT; CREDITING SERVICE.] Payment may be made in one lump sum, or in annual increments over a period not to exceed five years from the effective date of this section. If payments are made in increments, the period of allowable service purchased by each payment is credited to the account of the member upon receipt of each payment by the executive director. If payments are made in increments, the executive director must calculate the present value of the amount of the additional retirement annuity obtained by each incremental payment.

Subd. 4. [OPTIONAL EMPLOYER PARTIAL PAYMENT.] Payment of the amount calculated under subdivision 2 must be made by the member. However, the current or former governmental subdivision employer of the member may, at its discretion, pay all or any portion of the payment amount that exceeds an amount equal to the employee contribution rates in effect during the period or periods of prior service applied to the actual salary rates in effect during the period or periods of prior service, plus interest at the rate of six percent a year compounded annually from the date on which the contributions would otherwise have been made to the date on which the payment is made.

[RETIREMENT ANNUITY FORMULA.] (a) This paragraph, in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c, applies to any member who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless paragraph (b), in conjunction with section 353.30, subdivision 5, produces a higher annuity amount, in which case paragraph (b) will apply. The average salary as defined in subdivision 2, multiplied by two percent for each year of allowable service for the first ten years and thereafter by 2.5 percent per year of allowable service and completed months less than a full year for the "basic member", and one percent for each year of allowable service for the first ten years and thereafter by 1.5 percent per year of allowable service and completed months less than a full year for

the "coordinated member," shall determine the amount of the "normal" retirement annuity.

(b) This paragraph applies to a member who has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with section 353.30, subdivision 5, is higher than it is when calculated under paragraph (a), in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c. The average salary, as defined in subdivision 2, multiplied by 2.5 percent for each year of allowable service and completed months less than a full year for a basic member and 1.5 percent per year of allowable service and completed months less than a full year for a coordinated member, shall determine the amount of the normal retirement annuity.

Sec. 21. Minnesota Statutes 1989 Supplement, section 353.30, is amended to read:

353.30 [ANNUITIES UPON RETIREMENT.]

Subdivision 1. Upon separation from public service, any person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and who has attained the age of become at least 58 years old but not more than normal retirement age and who received credit for not less than 20 years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement.

Subd. 1a. Any person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose attained age plus credited allowable service totals 90 years is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), without any reduction in annuity by reason of such early retirement.

Subd. 1b. Any person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, with 30 years or more of allowable service credit, who elects early retirement under subdivision 1, shall receive an annuity in an amount equal to the normal annuity provided under section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under age 62 at the time of retirement.

Subd. 1c. Any person who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3,

before July 1, 1989, and who has received credit for at least 30 years of allowable service or who has attained the age of become at least 55 years old but not normal retirement age, and has received credit for at least three years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement, except that for any member who has 30 or more years of allowable service the reduction shall be applied only for each month that the member is under age 62 at the time of retirement.

Subd. 3. [OPTIONAL RETIREMENT ANNUITY FORMS:] The board of trustees shall establish optional annuities which shall take the form of a joint and survivor annuity. Except as provided in subdivision 3a, the optional annuity forms shall be actuarially equivalent to the forms provided in section 353.29 and subdivisions 1, 1a, 1b, 1c, and 5. In establishing those optional forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of the board. A member or former member may select an optional form of annuity in lieu of accepting any other form of annuity which might otherwise be available.

Subd. 3a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 3, the former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary dies first but has not died before July 1, 1989, shall have their annuity increased as of

July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 3b. [BOUNCE-BACK ANNUITY.] (a) The board of trustees must provide a joint and survivor annuity option to members of the police and fire fund. Under this option, a former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant of the police and fire fund who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary dies first but has not died before July 1, 1989, shall have their annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 3c. [EFFECTIVE DATE OF BOUNCE-BACK ANNUITY.] In the event of the death of the designated optional annuity beneficiary before the retired employee or disabilitant, the restoration of the normal single life annuity under subdivision 3a or 3b will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the

death certificate is received in the office of the public employees retirement association, whichever date is later.

Subd. 4. Any Monthly payments to which any person may be entitled under this chapter may be reduced ~~in amount~~ upon application of the person entitled thereto to the association, provided that the person shall first relinquish in writing all claim to that part of the full monthly payment which is the difference between the monthly payment which that person would be otherwise entitled to receive and the monthly payment which that person will receive. The reduced monthly payment shall be payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced monthly payment releases the retirement association from all obligation to pay to the person the difference between the amount of the reduced monthly payment and the full amount of the monthly payment which the person would otherwise have received. Upon application of the person who is entitled to such monthly payment, it may be increased prospectively to not more than the amount to which the person would have been entitled had no portion thereof been waived.

Subd. 5. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a member who has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under section 353.29, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 353.29, subdivision 3, paragraph (a), in conjunction with subdivision 1, 1a, 1b, or 1c. An employee who retires before normal retirement age shall be paid the retirement annuity provided in section 353.29, subdivision 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 22. Minnesota Statutes 1989 Supplement, section 353.651, subdivision 4, is amended to read:

Subd. 4. [EARLY RETIREMENT.] Any police officer or firefighter member who has attained the age of become at least 50 years old and who has at least ~~five~~ three years of allowable service is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the member if the member deferred receipt of the annuity from the day the annuity begins to accrue until the member attains age 55.

Sec. 23. Minnesota Statutes 1989 Supplement, section 354.05, subdivision 38, is amended to read:

Subd. 38. [NORMAL RETIREMENT AGE.] "Normal retirement age" means age 65 for a person who first became a member of the fund or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989. For a person who first becomes a member of the fund after June 30, 1989, normal retirement age means the higher of age 65 or "retirement age," as defined in United States Code, title 42, section 416(l), as amended.

The state board of investment shall thereupon transfer such assets to the appropriate fund provided herein, in accordance with the procedure set forth in ~~sections 354.62 and section 354.63,~~ or invest and reinvest an amount equal to the sum so certified in such securities as are now or may hereafter be duly authorized legal investments for state employees retirement fund and all such securities so transferred or purchased shall be deposited with the state treasurer. All interest from these investments shall be credited to the appropriate funds and used for current purposes or investments, except as hereinafter provided. The state board of investment shall have authority to sell, convey, and exchange such securities and invest and reinvest the funds when it deems it desirable to do so, and shall sell securities upon request of the officers of the association when such officers determine funds are needed for its purposes. All of the provisions regarding accounting procedures and restrictions and conditions for the purchase and sale of securities for the state employees retirement fund shall apply to the accounting, purchase and sale of securities for the teachers' retirement fund.

Sec. 25. Minnesota Statutes 1989 Supplement, section 354.071, subdivision 2, is amended to read:

Subd. 2. [NOTICE OF TERMINATION OR DENIAL.] If the executive director terminates a benefit or denies an application or a written request of any person claiming a right under this chapter or the applicable sections of chapters 136, 355, and 356, the executive director must serve upon that person a written notice. The notice must contain:

(1) the reasons for the termination or denial;

(2) notice that the person may petition the board for a review of the termination or denial and that the petition for review must be filed within 60 days of the receipt of the written notice;

(3) a statement that relevant documentation submitted by the petitioner to the executive director must be received in the office of the teachers retirement association at least 30 days before the meeting prescribed in subdivision 4;

(4) a statement that failure to petition the board within 60 days will preclude the person from contesting in any other court procedure or administrative hearing, the issues determined by the executive director; and

~~(4)~~ (5) a copy of this section.

Sec. 26. Minnesota Statutes 1989 Supplement, section 354.071, subdivision 3, is amended to read:

Subd. 3. [PETITION FOR REVIEW.] A person who claims a right under subdivision 2 and whose benefit has been terminated or whose application or written request has been denied may petition for a review of that decision by the board. A petition under this section must be served upon the executive director personally, or by mail postmarked no later than 60 days after the petitioner received the notice required by subdivision 2. The petition must include the sworn, notarized statement of the reasons the petitioner believes the decision of the executive director should be reversed or modified and may include relevant documentation. Relevant documentation submitted by the petitioner to the executive director must be received in the office of the teachers retirement association at least 30 days before the meeting prescribed in subdivision 4.

Sec. 27. Minnesota Statutes 1989 Supplement, section 354.071, is amended by adding a subdivision to read:

Subd. 5a. [EXECUTIVE DIRECTOR'S ORDER.] Notwithstanding subdivisions 4 and 5, if the executive director determines with respect to a petition that no relevant facts are in dispute, the executive director shall inform the board of that determination, and the board may issue findings of fact, a decision, reasons for the decision, and a final order and serve it upon the petitioner as provided in subdivision 8. If a petitioner receives an adverse decision, the petitioner may appeal the board's final order under subdivision 9.

Sec. 28. Minnesota Statutes 1988, section 354.146, subdivision 1, is amended to read:

Subdivision 1. Every member who has rendered teaching service or was on an authorized leave of absence after June 30, 1972 is covered by the full formula program except that those members who have contributed to the variable annuity fund are covered by the combined formula and variable annuity program. The benefit of a former member who does not return to teaching service prior to before retirement shall be determined under the program in effect at the time of termination.

Sec. 29. Minnesota Statutes 1988, section 354.42, subdivision 2, is amended to read:

Subd. 2. The employee contribution to the fund shall be an amount equal to $4\frac{1}{2}$ percent of the salary of every coordinated member and $8\frac{1}{2}$ percent of the salary of every basic member. This contribution shall be made by deduction from salary. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the entire salary received. For purposes of financing the various options related to the variable annuity division, employee variable annuity contributions will be credited in accordance with section 354.62, subdivision 2.

Sec. 30. Minnesota Statutes 1988, section 354.42, subdivision 3, is amended to read:

Subd. 3. The employer contribution to the fund shall be an amount equal to $4\frac{1}{2}$ percent of the salary of each coordinated member and $8\frac{1}{2}$ percent of the salary of each basic member. This contribution shall be made in the manner provided in section 354.43. For purposes of financing the various options related to the variable annuity division, employer contributions equal to the employee variable annuity contributions prescribed in section 354.62, subdivision 2, shall be allocated at the same time to the employer variable annuity contribution account in section 354.62, subdivision 3.

Sec. 31. Minnesota Statutes 1989 Supplement, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formulas stated in clause (2) or (4) on the basis of each member's average salary for the period of the member's formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit, "average salary," for the purpose of determining the member's retirement annuity, means the

average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, section 354.511 for the highest five successive years of formula service credit provided, however, that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of formula service credit if this service credit is less than five years.

(2) This clause, in conjunction with clause (3), applies to a person who first became a member of the fund or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless clause (4), in conjunction with clause (5), produces a higher annuity amount, in which case clause (4) applies. The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3)(i) This clause applies only to a person who first became a member of the fund or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose annuity is higher when calculated under clause (2), in conjunction with this clause than when calculated under clause (4), in conjunction with clause (5).

(ii) Where any member retires prior to normal retirement age under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in clause (2) and subdivision 7, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month that the member is under age 62.

(iii) Any member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in clause (2), without any reduction by reason of early retirement.

(4) This clause applies to a member who has become at least 55 years old and first became a member of the fund after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity amount when calculated under this clause and in

conjunction with clause (5), is higher than it is when calculated under clause (2), in conjunction with clause (3). The average salary, as defined in clause (1) multiplied by 2.5 percent for each year of service for a basic member and by 1.5 percent for each year of service for a coordinated member shall determine the amount of the retirement annuity to which the member is entitled.

(5) This clause applies to a person who has become at least 55 years old and first becomes a member of the fund after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under clause (4) in conjunction with this clause than when calculated under clause (2), in conjunction with clause (3). An employee who retires under the formula annuity before the normal retirement age shall be paid the normal annuity provided in clause (4) and subdivision 7, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 32. Minnesota Statutes 1989 Supplement, section 354.45, subdivision 1a, is amended to read:

Subd. 1a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 1, the former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) The restoration of the normal single life annuity under this subdivision will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a

certified copy of the death certificate of the designated optional annuity beneficiary is received in the office of the teachers retirement association, whichever date is later.

Sec. 33. Minnesota Statutes 1988, section 354.46, subdivision 1, is amended to read:

Subdivision 1. [BASIC PROGRAM; BENEFITS FOR SPOUSE AND CHILDREN OF TEACHER.] If a basic member who has at least 18 months of allowable service credit and who has an average salary as defined in section 354.44, subdivision 6 equal to or greater than \$75 dies prior to retirement or if a former basic member who, at the time of death, was totally and permanently disabled and receiving disability benefits pursuant to section 354.48 dies prior to attaining the age of 65 years, the surviving dependent spouse and dependent children of the basic member or former basic member shall be entitled to receive a monthly benefit as follows:

- (a) Surviving dependent spouse 50 percent of the basic member's monthly average salary paid in the last full fiscal year preceding death
- (b) Each dependent child ten percent of the basic member's monthly average salary paid in the last full fiscal year preceding death

Payments for the benefit of any dependent child under the age of 22 years shall be made to the surviving parent, or if there be none, to the legal guardian of the child. The maximum monthly benefit shall not exceed \$1,000 for any one family, and the minimum benefit per family shall not be less than 50 percent of the basic member's average salary, subject to the foregoing maximum. The surviving dependent spouse benefit shall terminate upon remarriage, and the surviving dependent children's benefit shall be reduced pro tanto when any surviving child is no longer dependent.

If the basic member and the surviving dependent spouse are killed in a common disaster and if the total of all survivors benefits payable pursuant to this subdivision is less than the accumulated deductions plus interest payable, the surviving dependent children shall receive the difference in a lump sum payment.

If the survivor benefits provided in this subdivision exceed in total the monthly average salary of the deceased basic member, these benefits shall be reduced to an amount equal to the deceased basic member's monthly average salary.

Prior to payment of any survivor benefit pursuant to this subdivision, in lieu of that benefit, the surviving dependent spouse may elect to receive the joint and survivor annuity provided pursuant to subdivision 2, or may elect to receive a refund of accumulated deductions with interest in a lump sum as provided pursuant to sections 354.47, subdivision 1 or 354.62, subdivision 5, clause (3). If there are any surviving dependent children, the surviving dependent spouse may elect to receive the refund of accumulated deductions only with the consent of the district court of the district in which the surviving dependent child or children reside.

Sec. 34. Minnesota Statutes 1989 Supplement, section 354.46, subdivision 2, is amended to read:

Subd. 2. [DEATH WHILE ELIGIBLE DESIGNATED BENEFICIARY BENEFIT.] The surviving spouse of any member or former member who has attained the age of at least 50 years and has credit for at least three years of allowable service or who has credit for at least 30 years of allowable service irrespective of age shall be entitled to joint and survivor annuity coverage in the event of death of the member prior to retirement. If the surviving spouse does not elect to receive a surviving spouse benefit provided pursuant to subdivision 1, if applicable, or does not elect to receive a refund of accumulated member contributions provided pursuant to section 354.47, subdivision 1, or 354.62, subdivision 5, clause (3), whichever is applicable, the surviving spouse shall be entitled to receive, upon written application on a form prescribed by the executive director, a benefit equal to the second portion of a 100 percent joint and survivor annuity as provided pursuant to section 354.45 and computed pursuant to section 354.44, subdivision 2, 6, or 7, whichever is applicable. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. Sections 354.44, subdivisions 6 and 7, and 354.60 apply to a deferred annuity payable under this section. If the member was a participant in the variable annuity division, the applicable portion of the benefit shall be computed pursuant to section 354.62, subdivision 5, clause (1). The benefit shall be payable for life.

Sec. 35. Minnesota Statutes 1989 Supplement, section 354.47, subdivision 1, is amended to read:

Subdivision 1. [DEATH BEFORE RETIREMENT.] (1) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, subdivision 2, and neither an optional annuity, nor a reversionary annuity, nor a benefit pursuant to section 354.46, subdivision 1, is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions with interest credited to the account of the member to the date of death.

(2) If a member dies before retirement and is covered pursuant to

the provisions of section 354.44, ~~subdivisions~~ subdivision 6 and 7, and neither an optional annuity, nor reversionary annuity, nor the benefit described in section 354.46, subdivision 1, is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions credited to the account of the member as of June 30, 1957, and from July 1, 1957, to the date of death the member's accumulated deductions plus interest at the rate of six percent per annum compounded annually.

(3) The amounts payable in clause (1) or (2) are in addition to the amount payable in section 354.62, subdivision 5, for the member's variable annuity account.

Sec. 36. Minnesota Statutes 1989 Supplement, section 354.48, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF BENEFITS.] (1) The amount of the disability benefit granted to members covered under section 354.44, subdivision 2, clauses (1) and (2), is an amount equal to double the annuity which could be purchased by the member's accumulated deductions plus interest on the amount computed as though the teacher were at normal retirement age at the time the benefit begins to accrue and in accordance with the law in effect when the disability application is received. Any member who applies for a disability benefit after June 30, 1974, and who failed to make an election pursuant to Minnesota Statutes 1971, section 354.145, shall have the disability benefit computed under this clause or clause (2), whichever is larger.

The benefit granted shall be determined by the following:

- (a) the amount of the accumulated deductions;
- (b) interest actually earned on these accumulated deductions to the date the benefit begins to accrue;
- (c) interest for the years from the date the benefit begins to accrue to the date the member attains normal retirement age at the rate of three percent;
- (d) annuity purchase rates based on an appropriate annuity table of mortality established by the board as provided in section 354.07, subdivision 1, and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 4d.

In addition, a supplementary monthly benefit shall be paid to basic members only in accordance with the following table:

Age When Benefit Begins to Accrue	Supplementary Benefit
Under Age 56	\$50
56	45
57	40
58	35
59	30
60	25
61	20
62	15
63	10
64	5

(2) The disability benefit granted to members covered under section 354.44, subdivision 6 or 7, shall be computed in the same manner as the annuity provided in section 354.44, subdivision 6 or 7, whichever is applicable. The disability benefit shall be the formula annuity without the reduction for each month the member is under normal retirement age when the benefit begins to accrue.

(3) For the purposes of computing a retirement annuity when the member becomes eligible, the amounts paid for disability benefits shall not be deducted from the individual member's accumulated deductions. If the disability benefits provided in this subdivision exceed the monthly average salary of the disabled member, the disability benefits shall be reduced to an amount equal to the disabled member's average salary.

Sec. 37. Minnesota Statutes 1989 Supplement, section 354.49, subdivision 2, is amended to read:

Subd. 2. Except as provided in section 354.44, subdivision 1, any person who ceases to be a member by reason of termination of teaching service, shall receive a refund in an amount equal to the accumulated deductions credited to the account as of June 30, 1957, and after July 1, 1957, the accumulated deductions with interest at the rate of six percent per annum compounded annually plus any variable annuity account accumulations payable pursuant to section 354.62, subdivision 5, clause (4). [PERA.] A basic member of the public employees retirement association who was employed by the city of White Bear Lake from March 1, 1966, to February 1979, employed by the metropolitan transit commission on February 23, 1979, and who received a reduced salary based on service with the metropolitan transit commission between November 4, 1987, and March 1, 1988, may elect to exclude that service from calculation of the highest five successive years average salary used to determine the person's annuity from the public employees retirement association.

Subd. 7. [PURCHASE PAYMENT AMOUNT.] To purchase credit for prior service under subdivisions 1 to 5 there must be paid to the applicable fund an amount equal to the present value, on the date of payment, of the amount of the additional retirement annuity obtained by the purchase of the additional service credit. To make an exclusion under subdivision 6, there must be paid to the public employees retirement association an amount equal to the difference in the present value, on the date of payment, of the additional retirement annuity obtained by the exclusion of service between November 4, 1987, and March 1, 1988, from calculation of the highest five successive years average salary. Calculation of this amount must be made using the applicable preretirement interest rate specified in Minnesota Statutes, section 356.215, subdivision 4d, and the mortality table adopted for the fund. The calculation must assume continuous future service in the association until, and retirement at, the age at which the minimum requirements of the retirement association for normal retirement or retirement with an annuity unreduced for retirement at an early age, including Minnesota Statutes, section 356.30, are met with the additional service credit purchased. The calculation must also assume a future salary history that includes annual salary increases at the salary increase rate specified in section 356.215, subdivision 4d. The person requesting the purchase of prior service shall establish in the records of the fund or association sufficient proof of the service for which the purchase of prior service is requested. The manner of the proof of service must be in accordance with procedures prescribed by the executive director of the association.

Subd. 8. [PAYMENT; CREDITING SERVICE.] Payment must be made in one lump sum, unless the executive director of the fund or association agrees to accept payment in installments over a period not to exceed three years from the date of the agreement, with interest at a rate deemed appropriate by the executive director. The period of allowable service may be credited to the account of the person or the period of service excluded from calculation of the high five only after receipt of full payment by the executive director.

Subd. 9. [OPTIONAL EMPLOYER PARTIAL PAYMENT.] Payment is the obligation of the person entitled to purchase credit for the prior service. However, the current or former employer of a person specified in subdivisions 1 to 6 may, at its discretion, pay all or any portion of the payment amount that exceeds an amount equal to the employee contribution rates in effect during the period of prior service applied to the actual salary rates in effect during the period of prior service, plus interest at the rate of six percent a year compounded annually from the date on which the contributions would otherwise have been made to the date on which the payment is made.

Sec. 2. [EFFECTIVE DATE.]

Section 1 is effective the day following final enactment.

Subd. 7. [SCREENING TEAMS ESTABLISHED.] (a) Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home and community-based services of persons who are entitled to the level of care provided by an intermediate care facility for persons

with mental retardation or related conditions or for whom there is a reasonable indication that they might require the level of care provided by an intermediate care facility. The screening team shall make an evaluation of need within 15 working days of the date that the assessment is completed or within 60 working days of a request for service by a person with mental retardation or related conditions, whichever is the earlier, and within five working days of an emergency admission of an individual to an intermediate care facility for persons with mental retardation or related conditions. The screening team shall consist of the case manager, the client, a parent or guardian, and a qualified mental retardation professional, as defined in the Code of Federal Regulations, title 42, section 483.430, as amended through June 3, 1988. The case manager may also act as the qualified mental retardation professional if the case manager meets the federal definition. County social service agencies may contract with a public or private agency or individual who is not a service provider for the person for the public guardianship representation required by the screening or individual service and habilitation planning process. The contract shall be limited to public guardianship representation for the screening and individual service and habilitation planning activities. The contract shall require compliance with the commissioner's instructions and may be for paid or voluntary services. For individuals determined to have overriding health care needs, a registered nurse must be designated as either the case manager or the qualified mental retardation professional. The case manager shall consult with the client's physician, other health professionals or other persons as necessary to make this evaluation. The case manager, with the concurrence of the client or the client's legal representative, may invite other persons to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.

(b) In addition to the requirements of paragraph (a), the following conditions apply to the discharge of persons with mental retardation or a related condition from a regional treatment center:

(1) For a person under public guardianship, at least two weeks prior to each screening team meeting the case manager must notify in writing parents, near relatives, and the ombudsman established under section 245.92 or a designee, and invite them to attend. The notice to parents and near relatives must include: (i) notice of the provisions of section 252A.03, subdivision 4, regarding assistance to persons interested in assuming private guardianship; (ii) notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7); and (iii) information about advocacy services available to assist parents and near relatives of persons with mental retardation or related conditions. In the case of an emergency screening meeting, the notice must be provided as far in advance as practicable.

(2) Prior to the discharge, a screening must be conducted under subdivision 8 and a plan developed under subdivision 1a. For a person under public guardianship, the county shall encourage parents and near relatives to participate in the screening team meeting. The screening team shall consider the opinions of parents and near relatives in making its recommendations. The screening team shall determine that the services outlined in the plan are available in the community before recommending a discharge. The case manager shall provide a copy of the plan to the person, legal representative, parents, near relatives, the ombudsman established under section 245.92, and the protection and advocacy system established under United States Code, title 42, section 6042, at least 30 days prior to the date the proposed discharge is to occur. The information provided to parents and near relatives must include notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7). If a discharge occurs, the case manager and a staff person from the regional treatment center from which the person was discharged must conduct a monitoring visit as required in Minnesota Rules, part 9525.0115, within 90 days of discharge and provide an evaluation within 15 days of the visit to the person, legal representative, parents, near relatives, ombudsman, and the protection and advocacy system established under United States Code, title 42, section 6042.

(3) In order for a discharge or transfer from a regional treatment center to be approved, the concurrence of a majority of the screening team members is required. The screening team shall determine that the services outlined in the discharge plan are available and accessible in the community before the person is discharged. The recommendation of the screening team cannot be changed except by subsequent action of the team and is binding on the county and on the commissioner. If the commissioner or the county determines that the decision of the screening team is not in the best interests of the person, the commissioner or the county may seek judicial review of the screening team recommendation. A person or legal representative may appeal under section 256.045, subdivision 3 or 4a.

(4) For persons who have overriding health care needs or behaviors that cause injury to self or others, or cause damage to property that is an immediate threat to the physical safety of the person or others, the following additional conditions must be met:

(i) For a person with overriding health care needs, either a registered nurse or a licensed physician shall review the proposed community services to assure that the medical needs of the person have been planned for adequately. For purposes of this paragraph, "overriding health care needs" means a medical condition that requires daily clinical monitoring by a licensed registered nurse.

(ii) For a person with behaviors that cause injury to self or others,

or cause damage to property that is an immediate threat to the physical safety of the person or others, a qualified mental retardation professional, as defined in paragraph (a), shall review the proposed community services to assure that the behavioral needs of the person have been planned for adequately. The qualified mental retardation professional must have at least one year of experience in the areas of assessment, planning, implementation, and monitoring of individual habilitation plans that have used behavior intervention techniques.

(5) No person with mental retardation or a related condition may be discharged from a regional treatment center before an appropriate community placement is available to receive the person.

(6) Effective July 1, 1996, a resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than 15 beds. Effective July 1, 1998, a resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than ten beds.

(7) If the person, legal representative, parent, or near relative of the person proposed to be discharged from a regional treatment center objects to the proposed discharge, the individual who objects to the discharge may request a review under section 256.045, subdivision 4a, and may request reimbursement as allowed under section 256.045. The person must not be transferred from a regional treatment center while a review or appeal is pending. Within 30 days of the request for a review, the local agency shall conduct a conciliation conference and inform the individual who requested the review in writing of the action the local agency plans to take. The conciliation conference must be conducted in a manner consistent with section 256.045, subdivision 4a. A person, legal representative, parent, or near relative of the person proposed to be discharged who is not satisfied with the results of the conciliation conference may submit to the commissioner a written request for a hearing before a state human services referee under section 256.045, subdivision 4a. The person, legal representative, parent, or near relative of the person proposed to be discharged may appeal the order to the district court of the county responsible for furnishing assistance by serving a written copy of a notice of appeal on the commissioner and any adverse party of record within 30 days after the day the commissioner issued the order and by filing the original notice and proof of service with the court administrator of the district court. Judicial review must proceed under section 256.045, subdivisions 7 to 10. For a person under public guardianship, the ombudsman established under section 245.92 may object to a proposed discharge by requesting a review or hearing or by appealing to district court as provided in this clause. The person must not be transferred from a regional treatment center while a conciliation conference or appeal of the discharge is pending."

Sec. 10. Minnesota Statutes 1988, section 518.14, is amended to read:

518.14 [COSTS AND DISBURSEMENTS AND ATTORNEY FEES.]

In a proceeding brought either for dissolution or legal separation under this chapter, the court, from time to time, after considering the financial resources of both parties, may require one party to pay a reasonable amount necessary to enable the other spouse to carry on or to contest the proceeding, and to pay attorney's fees, including

sums for legal services rendered and costs incurred prior to the commencement or after entry of judgment. In a proceeding under this chapter, the court shall award attorney fees, costs, and disbursements in an amount necessary to enable a party to carry on or contest the proceeding, provided it finds:

(1) that the fees are necessary for the good-faith assertion of the party's rights in the proceeding and will not contribute unnecessarily to the length and expense of the proceeding;

(2) that the party from whom fees, costs, and disbursements are sought has the means to pay them; and

(3) that the party to whom fees, costs, and disbursements are awarded does not have the means to pay them.

Nothing in this section precludes the court from awarding, in its discretion, additional fees, costs, and disbursements against a party who unreasonably contributes to the length or expense of the proceeding. Fees, costs, and disbursements provided for in this section may be awarded at any point in the proceeding. The court may adjudge costs and disbursements against either party. The court may authorize the collection of money awarded by execution, or out of property sequestered, or in any other manner within the power of the court. An award of attorney's fees made by the court during the pendency of the proceeding or in the final judgment survives the proceeding and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought in the attorney's own name. If the proceeding is dismissed or abandoned prior to determination and award of attorney's fees, the court may nevertheless award attorney's fees upon the attorney's motion. The award shall also survive the proceeding and may be enforced in the same manner as last above provided.

Sec. 11. Minnesota Statutes 1988, section 518.156, is amended to read:

518.156 [COMMENCEMENT OF CUSTODY PROCEEDING.]

Subdivision 1. In a court of this state which has jurisdiction to decide child custody matters, a child custody proceeding is commenced:

(a) By a parent

(1) By filing a petition for dissolution or legal separation; or

(2) Where a decree of dissolution or legal separation has been entered or where none is sought, by filing a petition or motion seeking custody or visitation of the child in the county where the

child is permanently resident or where the child is found or where an earlier order for custody of the child has been entered; or

(b) By a person other than a parent, where a decree of dissolution or legal separation has been entered or where none is sought by filing a petition or motion seeking custody or visitation of the child in the county where the child is permanently resident or where the child is found or where an earlier order for custody of the child has been entered.

Subd. 2. Written notice of a child custody or visitation proceeding shall be given to the child's parent, guardian and custodian, who may appear and be heard and may file a responsive pleading. The court may, upon a showing of good cause, permit the intervention of other interested parties.

Sec. 12. Minnesota Statutes 1988, section 518.167, subdivision 2, is amended to read:

Subd. 2. [PREPARATION.] (a) In preparing a report concerning a child, the investigator may consult any person who may have information about the child and the potential custodial arrangements except for persons involved in mediation efforts between the parties. Mediation personnel may disclose to investigators and evaluators information collected during mediation only if agreed to in writing by all parties. Upon order of the court, the investigator may refer the child to professional personnel for diagnosis. The investigator may consult with and obtain information from medical, psychiatric, school personnel, or other expert persons who have served the child in the past after obtaining the consent of the parents or the child's custodian or guardian.

(b) The report submitted by the investigator must consider and evaluate the factors in section 518.17, subdivision 1, and include a detailed analysis of all information considered for each factor. If joint custody is contemplated or sought, the report must consider and evaluate the factors in section 518.17, subdivision 2, state the position of each party and the investigator's recommendation and the reason for the recommendation, and reference established means for dispute resolution between the parties.

Sec. 13. Minnesota Statutes 1989 Supplement, section 518.17, subdivision 1, is amended to read:

Subdivision 1. [THE BEST INTERESTS OF THE CHILD.] (a) "The best interests of the child" means all relevant factors to be considered and evaluated by the court including:

- (1) the wishes of the child's parent or parents as to custody;

(2) the reasonable preference of the child, if the court deems the child to be of sufficient age to express preference;

(3) the child's primary caretaker;

(4) the intimacy of the relationship between each parent and the child;

(5) the interaction and interrelationship of the child with a parent or parents, siblings, and any other person who may significantly affect the child's best interests;

(6) the child's adjustment to home, school, and community;

(7) the length of time the child has lived in a stable, satisfactory environment and the desirability of maintaining continuity;

(8) the permanence, as a family unit, of the existing or proposed custodial home;

(9) the mental and physical health of all individuals involved;

(10) the capacity and disposition of the parties to give the child love, affection, and guidance, and to continue educating and raising the child in the child's culture and religion or creed, if any;

(11) the child's cultural background; and

(12) the effect on the child of the actions of an abuser, if related to domestic abuse, as defined in section 518B.01, that has occurred between the parents.

The court may not use one factor to the exclusion of all others. The primary caretaker factor may not be used as a presumption in determining the best interests of the child. The court must make detailed findings on each of the factors and explain how the factors led to its conclusions and to the determination of the best interests of the child.

(b) The court shall not consider conduct of a proposed custodian that does not affect the custodian's relationship to the child.

Sec. 14. Minnesota Statutes 1989 Supplement, section 518.17, subdivision 2, is amended to read:

Subd. 2. [FACTORS WHEN JOINT CUSTODY IS SOUGHT.] In addition to the factors listed in subdivision 1, where either joint legal or joint physical custody is contemplated or sought, the court shall consider the following relevant factors:

(a) The ability of parents to cooperate in the rearing of their children;

(b) Methods for resolving disputes regarding any major decision concerning the life of the child, and the parents' willingness to use those methods;

(c) Whether it would be detrimental to the child if one parent were to have sole authority over the child's upbringing; and

(d) Whether domestic abuse, as defined in section 518B.01, has occurred between the parents.

The court shall use a rebuttable presumption that upon request of either or both parties, joint legal custody is in the best interests of the child. However, the court shall use a rebuttable presumption that joint legal custody is not in the best interests of the child if domestic abuse, as defined in section 518B.01, has occurred between the parents.

If the court awards joint legal or physical custody over the objection of a party, the court shall make detailed findings on each of the factors in this subdivision and explain how the factors led to its determination that joint custody would be in the best interests of the child.

Sec. 15. Minnesota Statutes 1989 Supplement, section 518.175, subdivision 5, is amended to read:

Subd. 5. The court shall modify an order granting or denying visitation rights whenever modification would serve the best interests of the child, but the court shall. Except as provided in section 23, the court may not restrict visitation rights unless it finds that:

(1) the visitation is likely to endanger the child's physical or emotional health or impair the child's emotional development; or

(2) the noncustodial parent has chronically and unreasonably failed to comply with court-ordered visitation.

If the custodial parent makes specific allegations that visitation places the custodial parent or child in danger of harm, the court shall hold a hearing at the earliest possible time to determine the need to modify the order granting visitation rights. The court may require a third party, including the county welfare board, to supervise the visitation or may restrict a parent's visitation rights if necessary to protect the custodial parent or child from harm.

Sec. 16. [518.179] [CUSTODY OR VISITATION WHEN PERSON CONVICTED OF CERTAIN OFFENSES.]

Subdivision 1. [SEEKING CUSTODY OR VISITATION.] Notwithstanding any contrary provision in section 518.17 or 518.175, if a person seeking child custody or visitation has been convicted of a crime described in subdivision 2, the person seeking custody or visitation has the burden to prove that custody or visitation by that person is in the best interests of the child if:

- (1) the conviction occurred within the preceding five years;
- (2) the person is currently incarcerated, on probation, or under supervised release for the offense; or
- (3) the victim of the crime was a family or household member as defined in section 518B.01, subdivision 2.

If this section applies, the court may not grant custody or visitation to the person unless it finds that the custody or visitation is in the best interests of the child. If the victim of the crime was a family or household member, the standard of proof is clear and convincing evidence.

Subd. 2. [APPLICABLE CRIMES.] This section applies to the following crimes or similar crimes under the laws of the United States, or any other state:

- (1) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;
- (2) manslaughter in the first degree under section 609.20;
- (3) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;
- (4) kidnapping under section 609.25;
- (5) depriving another of custodial or parental rights under section 609.26;
- (6) soliciting, inducing, or promoting prostitution involving a minor under section 609.322;
- (7) receiving profit from prostitution involving a minor under section 609.323;
- (8) criminal sexual conduct in the first degree under section 609.342;
- (9) criminal sexual conduct in the second degree under section 609.343;

(10) criminal sexual conduct in the third degree under section 609.344, subdivision 1, paragraph (c), (f), or (g);

(11) solicitation of a child to engage in sexual conduct under section 609.352;

(12) incest under section 609.365;

(13) malicious punishment of a child under section 609.377; or

(14) neglect of a child under section 609.378.

Sec. 17. Minnesota Statutes 1988, section 518.18, is amended to read:

518.18 [MODIFICATION OF ORDER.]

(a) Unless agreed to in writing by the parties, no motion to modify a custody order may be made earlier than one year after the date of the entry of a decree of dissolution or legal separation containing a provision dealing with custody, except in accordance with clause (c).

(b) If a motion for modification has been heard, whether or not it was granted, unless agreed to in writing by the parties no subsequent motion may be filed within two years after disposition of the prior motion on its merits, except in accordance with clause (c).

(c) The time limitations prescribed in clauses (a) and (b) shall not prohibit a motion to modify a custody order if the court finds that there is persistent and willful denial or interference with visitation, or has reason to believe that the child's present environment may endanger the child's physical or emotional health or impair the child's emotional development.

(d) If the court has jurisdiction to determine child custody matters, the court shall not modify a prior custody order unless it finds, upon the basis of facts that have arisen since the prior order or that were unknown to the court at the time of the prior order, that a change has occurred in the circumstances of the child or the custodian and that the modification is necessary to serve the best interests of the child. In applying these standards the court shall retain the custodian established by the prior order unless:

(i) The custodian agrees to the modification;

(ii) The child has been integrated into the family of the petitioner with the consent of the custodian; or

(iii) The child's present environment endangers the child's physical or emotional health or impairs the child's emotional development

and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child.

In addition, a court may modify a custody order under section 23.

Sec. 18. Minnesota Statutes 1988, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] (a) The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families with dependent children or applies for it subsequent to the commencement of the proceeding. After receipt of the notice, the court shall set child support as provided in this subdivision. The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct. The court shall approve a child support agreement of the parties if each party is represented by independent counsel, unless the agreement is not in the interest of justice. In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in paragraph (b) and any departure therefrom.

The court shall multiply derive a specific dollar amount by multiplying the obligor's net income by the percentage indicated by the following guidelines:

Net Income Per Month of Obligor	Number of Children						
	1	2	3	4	5	6	7 or more
\$400 and Below	Order based on the ability of the obligor to provide support at these income levels, or at higher levels, if the obligor has the earning ability.

Guidelines for support for an obligor with a monthly income of \$4,001 or more shall be the same dollar amounts as provided for in

the guidelines for an obligor with a monthly income of \$4,000.

Net Income defined as:

Total monthly
income less

- *(i) Federal Income Tax
- *(ii) State Income Tax
- (iii) Social Security
Deductions
- (iv) Reasonable
Pension Deductions

*Standard
Deductions apply-
use of tax tables
recommended

- (v) Union Dues
- (vi) Cost of Dependent
Insurance Coverage
- (vii) Cost of Individual or Group
Health/Hospitalization
Coverage or an
Amount for Actual
Medical Expenses
- (viii) A Child Support or
Maintenance Order that is
Currently Being Paid.

“Net income” does not include:

(1) the income of the obligor’s spouse; or

(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:

(a) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and

(b) the party demonstrates, and the court finds, that:

(i) the excess employment began after the filing of the petition for dissolution;

(ii) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(iii) the excess employment is voluntary and not a condition of employment;

(iv) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(v) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

(b) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph (a), clause (2)(b);

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;

(4) the amount of the aid to families with dependent children grant for the child or children;

(5) which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it; and

(6) the parents' debts as provided in paragraph (c).

(c) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

Any schedule prepared under paragraph (c), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18

months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below or above the guidelines.

Sec. 19. Minnesota Statutes 1988, section 518.57, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] Upon a decree of dissolution, legal separation or annulment, the court may shall make a further order which is just and proper concerning the maintenance of the minor children as provided by section 518.551, and for the maintenance of any child of the parties as defined in section 518.54, as support money, and may make the same a lien or charge upon the property of the parties to the proceeding, or either of them, either at the time of the entry of the judgment or by subsequent order upon proper application.

Sec. 20. [518.583] [NOTICE OF TAX EFFECT ON PRINCIPAL RESIDENCE.]

If the parties to an action for dissolution own a principal residence, the court must make express findings of fact that the parties who are represented by an attorney have been advised as to the income tax laws respecting the capital gain tax, or that parties who are not represented by an attorney have been notified that income tax laws regarding the capital gain tax may apply to the sale of the residence. This includes, but is not limited to, the exclusion available on the sale of a principal residence for those over a certain age under section 121 of the Internal Revenue Code of 1986, or other applicable law. The order must expressly provide for the use of that exclusion unless the court otherwise orders. All judgment and decrees involving a principal residence must include a notice to the parties that income tax laws regarding the capital gain tax may apply to the sale of the residence and that the parties may wish to consult with an attorney concerning the applicable laws.

Sec. 21. Minnesota Statutes 1988, section 518.619, is amended to read:

518.619 [CONTESTED CUSTODY OR VISITATION; MEDIATION SERVICES.]

Subdivision 1. [MEDIATION PROCEEDING.] Except as provided in subdivision 2, if it appears on the face of the petition or other application for an order or modification of an order for the custody of a child that custody or visitation is contested, or that any issue pertinent to a custody or visitation determination, including visitation rights, is unresolved, the matter may be set for mediation of the contested issue prior to or, concurrent with, or subsequent to the setting of the matter for hearing. The purpose of the mediation proceeding is to reduce acrimony which may exist between the parties and to develop an agreement assuring the child's close and continuing contact with both parents after the marriage is dissolved that is supportive of the child's best interests. The mediator shall use best efforts to effect a settlement of the custody or visitation dispute, but shall have no coercive authority.

Subd. 2. [EXCEPTION.] If the court determines that there is probable cause that one of the parties, or a child of a party, has been physically or sexually abused by the other party, the court shall not require or refer the parties to mediation or any other process that requires parties to meet and confer without counsel, if any, present.

Subd. 3. [MEDIATOR APPOINTMENT.] In order to participate in a custody mediation, a mediator must be appointed by the family court. A mediator must be a member of the professional staff of a family court, probation department, mental health services agency, or a private mediation service. The mediator must be on a list of mediators approved by the court having jurisdiction of the matter, unless the parties stipulate to a mediator not on the list.

Subd. 4. [MEDIATOR QUALIFICATIONS.] A mediator who performs mediation in contested child custody matters shall meet the following minimum qualifications:

(a) knowledge of the court system and the procedures used in contested child custody matters;

(b) knowledge of other resources in the community to which the parties to contested child custody matters can be referred for assistance;

(c) knowledge of child development, clinical issues relating to children, the effects of marriage dissolution on children, and child custody research; and

(d) a minimum of 40 hours of certified mediation training.

Subd. 5. [RECORDS; PRIVATE DATA.] Mediation proceedings

shall be conducted in private. All records of a mediation proceeding shall be private and not available as evidence in an action for marriage dissolution and related proceedings on any issue in controversy in the dissolution.

Subd. 6. [MEDIATOR RECOMMENDATIONS.] When the parties have not reached agreement as a result of the mediation proceeding, the mediator may recommend to the court that an investigation be conducted under section 518.167, or that other action be taken to assist the parties to resolve the controversy before hearing on the issues. The mediator may not conduct the investigation. The mediator may recommend that mutual restraining orders be issued in appropriate cases, pending determination of the controversy, to protect the well-being of the children involved in the controversy.

Subd. 7. [MEDIATION AGREEMENT.] An agreement reached by the parties as a result of mediation shall be discussed by the parties with their attorneys, if any, and the approved agreement may then be included in the marital dissolution decree or other stipulation submitted to the court. An agreement reached by the parties as a result of mediation may not be presented to the court nor made enforceable unless the parties and their counsel, if any, consent to its presentation to the court, and the court adopts the agreement.

Sec. 22. Minnesota Statutes 1989 Supplement, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] (a) The terms of a decree respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party; (3) receipt of assistance under sections 256.72 to 256.87; or (4) a change in the cost of living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair.

(b) On a motion for modification of maintenance, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court:

(1) shall take into consideration the needs of the children and shall not consider the financial circumstances of each party's spouse, if any; and

(2) shall not consider compensation received by a party for employment in excess of a 40-hour work week, provided that the party demonstrates, and the court finds, that:

(i) the excess employment began after entry of the existing support order;

(ii) the excess employment is voluntary and not a condition of employment;

(iii) the excess employment is in the nature of additional, part-time employment, or overtime employment compensable by the hour or fractions of an hour;

(iv) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation;

(v) in the case of an obligor, current child support payments are at least equal to the guidelines amount based on income not excluded under this clause; and

(vi) in the case of an obligor who is in arrears in child support payments to the obligee, any net income from excess employment must be used to pay the arrearages until the arrearages are paid in full.

(c) A modification of support or maintenance may be made retroactive only with respect to any period during which the petitioning party has pending a motion for modification but only from the date of service of notice of the motion on the responding party. However, modification may be applied to an earlier period if the court makes express findings that the party seeking modification was precluded from serving a motion by reason of a significant physical or mental disability or a material misrepresentation of another party and that the party seeking modification, when no longer precluded, promptly served a motion.

(d) Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 23. [631.52] [EFFECT OF CERTAIN CONVICTIONS ON CUSTODY AND VISITATION RIGHTS.]

Subdivision 1. [SUSPENSION OF VISITATION RIGHTS; TRANSFER OF CUSTODY.] (a) If a person who has court-ordered custody of a child or visitation rights is convicted of a crime listed in

subdivision 2 and if no action is pending regarding custody or visitation, the sentencing court shall refer the matter to the appropriate family court for action under this section. The family court shall:

(1) grant temporary custody to the noncustodial parent, unless it finds that another custody arrangement is in the best interests of the child; or

(2) suspend visitation rights, unless it finds that visitation with the convicted person is in the best interests of the child.

The family court shall expedite proceedings under this section. The defendant has the burden of proving that continued custody or visitation with the defendant is in the best interests of the child. If the victim of the crime was a family or household member as defined in section 518B.01, subdivision 2, the standard of proof is clear and convincing evidence.

(b) If a person who has child custody or visitation rights was convicted of a crime listed in subdivision 2 before July 1, 1990, then any interested party may petition the sentencing court for relief under paragraph (a) if:

(1) the defendant is currently incarcerated, on probation, or under supervised release for the offense; or

(2) the victim of the crime was a family or household member as defined in section 518B.01, subdivision 2.

Subd. 2. [APPLICATION.] Subdivision 1 applies to the following crimes or similar crimes under the laws of the United States or any other state:

(1) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;

(2) manslaughter in the first degree under section 609.20;

(3) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;

(4) kidnapping under section 609.25;

(5) depriving another of custodial or parental rights under section 609.26;

(6) soliciting, inducing, or promoting prostitution involving a minor under section 609.322;

(7) receiving profit from prostitution involving a minor under section 609.323;

(8) criminal sexual conduct in the first degree under section 609.342;

(9) criminal sexual conduct in the second degree under section 609.343;

(10) criminal sexual conduct in the third degree under section 609.344, subdivision 1, paragraph (c), (f), or (g);

(11) solicitation of a child to engage in sexual conduct under section 609.352;

(12) incest under section 609.365;

(13) malicious punishment of a child under section 609.377; or

(14) neglect of a child under section 609.378.

Sec. 24. [FEDERAL WAIVER.]

The department of human services shall seek from the Congress of the United States or the United States Department of Health and Human Services a change in or waiver of existing requirements of the aid to families with dependent children program (AFDC) to the extent necessary to allow the retroactive modification of support or maintenance payments permitted by section 22, paragraph (c). The attorney general shall prepare the necessary documentation and request letter for the waiver request.

Sec. 25. [APPROPRIATION.]

\$890,000 is appropriated from the general fund to the supreme court to be distributed under Minnesota Statutes, section 480.242, to the qualified legal services programs described in section 480.242, subdivision 2, paragraph (a), to improve the access of low-income clients to legal representation in family law matters.

Sec. 26. [EFFECTIVE DATE.]

Section 20 is effective August 1, 1990, and applies to actions commenced on or after that date. The provisions of section 22, paragraph (c), allowing retroactive modification of support or maintenance payments in certain cases, are effective July 1, 1991, provided that these provisions do not take effect if a change in or waiver of the existing AFDC requirements is not obtained under section 24."

The commissioner of finance must make each transfer based upon the actual receipts of the preceding six calendar months and include the interest earned during that six-month period. The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit assistance fund.

(b) ~~Thirty~~ Twenty-five percent of the money collected and received under this chapter after June 30, ~~1988~~ 1990, and before July 1, 1991, must be transferred to the highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be transferred to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent of the money must be transferred to the transit assistance fund to be appropriated to the commissioner of transportation for transit assistance within the state and to the regional transit board.

(c) Five percent of the money collected and received under this chapter after June 30, 1989, and before July 1, 1991, must be transferred as follows: 75 percent must be transferred to the trunk highway fund and 25 percent must be transferred to the transit assistance fund.

(d) ~~Thirty-five~~ Thirty percent of the money collected and received under this chapter after June 30, 1991, must be transferred as follows: 75 percent must be transferred to the trunk highway fund and 25 percent must be transferred to the transit assistance fund.

(e) The distributions under this subdivision to the highway user

tax distribution fund until June 30, 1991, and to the trunk highway fund thereafter, must be reduced by the amount necessary to fund the appropriation under section 41A.09, subdivision 1. For the fiscal years ending June 30, 1988, and June 30, 1989, the commissioner of finance, before making the transfers required on July 15 and January 15 of each year, shall estimate the amount required to fund the appropriation under section 41A.09, subdivision 1, for the six-month period for which the transfer is being made. The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period.

assessments and treatment for offenders. Under the pilot program, when a court sentences a defendant convicted of a felony and it appears from the presentence investigation that alcohol or controlled substance abuse was a contributing factor to the commission of the crime, the court may order that the defendant be assessed for chemical dependency. In addition, any defendant convicted of a violation of Minnesota Statutes, section 609.21 or a felony violation of Minnesota Statutes, section 169.09 shall be assessed for chemical dependency as part of the presentence investigation. The assessment shall be conducted by a local agency, as defined in Minnesota Statutes, section 254B.01, subdivision 5, or by a court-designated assessor qualified under rules adopted under Minnesota Statutes, section 254B.03, subdivision 3, or credentialed by the Institute for Chemical Dependency Professionals. If the local agency or the court-appointed assessor finds that the defendant is chemically dependent or abusive, the court may order that the defendant be treated for chemical dependency or abuse. In any case, the local agency shall determine the appropriate level of care and authorize payment under Minnesota Statutes, chapter 254B up to the amount of this appropriation without a local match; provided that if the assessment is conducted by a court-appointed assessor, its findings shall be provided to the local agency and the commissioner of human services before payment under chapter 254B is authorized. The pilot program expires June 30, 1991.

The commissioner of human services shall postpone the implementation of the establishment of program operating cost payment rates as provided in Minnesota Statutes, section 256B.501, subdivision 3g, until October 1, 1992. Beginning January 1, 1990, each facility's interdisciplinary team shall assess each new admission to the facility. The quality assurance and review teams in the department of health shall continue to assess all residents annually. The quality assurance and review teams and the interdisciplinary team shall assess residents using a uniform assessment instrument developed by the commissioner of human services and the ICF/MR reimbursement and quality assurance and review procedures manual. The commissioner of human services shall annually collect client statistical data based on assessments performed by the quality assurance and review teams and by the interdisciplinary team on the cost reports submitted by the facility and may use this data in the calculation of operating cost payment rates after October 1, 1992.

Federal financial participation received during the biennium ending June 30, 1991, for self-employment investment demonstration project expenditures is appropriated to the commissioner to operate the self-employment investment demonstration project.

Money appropriated in Laws 1989, chapter 282, article 1, section 2, subdivision 6 for administration and maintenance of the child support enforcement information system does not cancel but is available for fiscal year 1991 to finalize development of the system.

(a) Medical Assistance, General Assistance Medical Care, Preadmission Screening and Alternative Care Grants, and Children's Health Plan		
	\$ 40,708,000	\$ 47,120,000

Money appropriated for preadmission screening and alternative care grants for fiscal year 1991 may be used for these purposes in fiscal year 1990.

Payments for obstetrical and pediatric services rendered on or after July 1, 1990, to medical assistance recipients are increased by 15 percent. This increase must be applied to the provider categories under section 6402(b) of the Omnibus Budget Reconciliation Act of 1989, and applicable federal guidelines. For obstetrical services, this increase is in addition to the 10 percent increase effective October 1, 1988.

Of this appropriation, up to \$14,000 may be used to reimburse the state share of medical assistance allowable payments to pharmacies providing services to one or more nursing homes during the period of May to December 1987, for claims rejected under Minnesota Rules, part 9505.0450. The reimbursement is available only if the pharmacy demonstrates to the satisfaction of the commissioner that its computer system failed to recognize a claim for electronic billing because a computer file indicator designated the claim as a manual bill.

Effective for services rendered on or after July 1, 1990, medical assistance payments to ambulance services are increased by 7.5 percent from the lower

of: (1) the submitted charges; or (2) the 50th percentile of the prevailing charge for 1982.

Medical assistance and general assistance medical care payments for individual and group psychotherapy rendered on or after July 1, 1990, are reduced by six percent. Effective for services rendered on or after October 1, 1990, the payment rate for masters-prepared social workers and registered nurses providing mental health services is 65 percent of the rate paid to other mental health professionals.

Notwithstanding Laws 1989, chapter 282, article 1, section 2, subdivision 7, clause (a), the 50th percentile of the prevailing charge for 1982 must be estimated by the commissioner in the following situations:

(1) there were less than ten billings in the calendar year specified in legislation governing maximum payment rates;

(2) the service was not available in the calendar year specified in legislation governing maximum payment rates;

(3) the payment amount is the result of a provider appeal;

(4) the procedure code description has changed since the calendar year specified in legislation governing maximum payment rates, and, therefore, the prevailing charge information reflects the same code but a different procedure description; or

(5) the 50th percentile reflects a payment which is grossly inequitable when compared with payment rates for procedures or services which are substantially similar.

	1990	1991
	\$	\$

When one of the above situations occur, the commissioner will use the following methodology to reconstruct a rate comparable to the 50th percentile of the prevailing rate:

- (1) refer to information which exists for the first nine billings in the calendar year specified in legislation governing maximum payment rates; or
- (2) refer to surrounding or comparable procedure codes; or
- (3) refer to the 50th percentile of years subsequent to the calendar year specified in legislation governing maximum payment rates and backdown the amount by applying an appropriate Consumer Price Index formula; or
- (4) refer to relative value indexes; or
- (5) refer to reimbursement information from other third parties, such as Medicare.

If the federal government approves a client-specific invoice payment system, the nonfederal share of the costs of case management services provided to persons with mental retardation or related conditions receiving home- and community-based services funded through the waiver granted under section 1915(c)(7)(B) of the Social Security Act shall be provided from state-appropriated medical assistance grant funds for the biennium ending June 30, 1991. The division of cost is subject to the provisions of Minnesota Statutes, section 256B.19, and the services are included as covered programs and services under Minnesota Statutes, section 256.025, subdivision 2.

If the federal government does not approve a client-specific invoice payment system for this waiver, state funds currently appropriated to the medical as-

assistance grant fund shall be transferred to a separate nonmedical assistance account. The commissioner shall use this account to establish a pilot program to reimburse counties for case management to persons served under this waiver. To be eligible for payment, counties must submit requests for reimbursement in the form prescribed by the commissioner.

The rate for case management services funded for any person served by this waiver shall not exceed the lesser of the current average rate for case management services provided to all persons served under the home- and community-based waiver for persons with developmental disabilities in the same county or \$65 per hour. The amount of case management per person funded in this manner must not exceed 30 hours for a recipient in fiscal year 1991 unless otherwise authorized by the commissioner. Total state money expended under this provision must not exceed \$67,000 for the biennium ending June 30, 1991.

Any transfer of money to implement this provision must be made by direction of the governor after consulting with the legislative advisory commission.

The maximum pharmacy dispensing fee under medical assistance and general assistance medical care is \$4.10.

If approved by the federal government, medical assistance payments to American Indian health services facilities for outpatient medical services billed after June 30, 1990, must be in accordance with the rate published by the United States Assistant Secretary for Health under the authority of United States Code, title 42, sections 248(a) and 249(b). General assistance medical care payments to American Indian health services facilities for the provision of outpatient medical care services

In order to facilitate outreach for prenatal and infant medical care covered under Minnesota Statutes, chapters 265B and 256D, such care is considered part of Minnesota's plan for children's health care and may be referred to as the Children's Health Plan Medical Assistance portion. Eligibility for these services shall be included in descriptions, outreach materials, and other communications about the Children's Health Plan.

For fiscal years 1990 and 1991, federal receipts received for review of medical assistance prepaid health plan activities and for the study of utilization of outpatient mental health services by children enrolled in medical assistance are appropriated to the commissioner for these purposes.

For fiscal years 1990 and 1991, federal money received as a result of state expenditures for the development of an early childhood screening tool to screen for mental health problems in children through the early, periodic, screening, diagnosis, and treatment component of the medical assistance program is appropriated to the commissioner for development and training. The state appropriation for this activity shall not be included as a base adjustment in the fiscal year 1992-1993 biennial budget request.

The commissioner of human services, in consultation with the commissioners of revenue and commerce, shall study issues related to prescription drug costs. Issues to be examined must include, but are not limited to, the following: levels of copayments and deductibles for prescription drug coverage, the cost of prescription drugs, the need for prescription drug coverage among the general population, and the feasibility of private and public initiatives to ensure affordable prescription drug coverage. The study must examine the feasibility of a state assistance program for persons with high out-of-pocket expenses for prescription maintenance and life-sustaining medications who are ineligible for medical assistance or general assistance medical care, do not have private or employer-sponsored health insurance coverage for prescription drug expenses, and have family incomes equal to or less than 185 percent of federal poverty guidelines. The study must provide recommendations for setting

The commissioner of human services shall report findings and recommendations to the legislature by February 15, 1991.

Of the appropriation for 1991, \$70,000 is for a regional demonstration project under Minnesota Statutes, section 256B.73, to provide health coverage to low-income uninsured persons. Money appropriated in Laws 1988, chapter 689, article 1, section 2, subdivision 5, for the project does not cancel but is available for 1991. These appropriations are available when the planning for the project is complete, sufficient money has been committed from non-state sources to allow the project to proceed, and the project is prepared to begin accepting and approving applications from uninsured individuals. The commissioner shall contract with the coalition formed for the nine counties named in Minnesota Statutes, section 256B.73, subdivision 2.

The commissioner of human services shall study the impact the use of nursing and other personnel employed by temporary help employment agencies is having on nursing homes reimbursed by the medical assistance program. The study shall gather information on rates charged by employment agencies com-

The commissioner shall report the results of the study to the legislature by December 15, 1990, along with recommendations for reducing the need for nursing homes to use employees provided by employment agencies and recommendations regarding the need for further regulation of temporary help employment agencies that supply personnel for nursing homes.

Sec. 2. Minnesota Statutes 1989 Supplement, section 116.76, subdivision 9, is amended to read:

Subd. 9. [GENERATOR.] "Generator" means a person whose activities produce infectious waste. "Generator" does not include a person who produces sharps as a result of administering medication to oneself. "Generator" does not include an ambulance service licensed under section 144.802, an eligible board of health, community health board, or public health nursing agency as defined in section 116.78, subdivision 10, or a program providing school health service under section 123.35, subdivision 17.

Sec. 3. Minnesota Statutes 1989 Supplement, section 116.78, is amended by adding a subdivision to read:

Subd. 9. [DISPOSAL OF INFECTIOUS WASTE BY AMBULANCE SERVICES.] Any infectious waste, as defined in section 116.76, subdivision 12, produced by an ambulance service in the transport or care of a patient must be properly packaged and disposed of at the destination hospital or at the nearest hospital if the patient is not transported. A hospital must accept the infectious waste if it is properly packaged according to the standards the hospital uses for packaging its own infectious wastes. The hospital may charge the ambulance service a reasonable fee for disposal of the infectious waste. Nothing in this subdivision shall require a hospital to accept infectious waste if the waste is of a type not generated by the hospital or if the hospital cannot safely store the waste. A hospital that accepts infectious waste under this subdivision is not subject to those provisions of section 116.79, subdivision 4, paragraph (a), that apply to the storage or decontamination of infectious or pathological waste generated at a site other than the hospital.

Sec. 4. Minnesota Statutes 1989 Supplement, section 116.78, is amended by adding a subdivision to read:

Subd. 10. [DISPOSAL OF INFECTIOUS WASTE BY PUBLIC HEALTH AGENCIES AND PROGRAMS PROVIDING SCHOOL HEALTH SERVICES.] Any infectious waste, as defined in section 116.76, subdivision 12, produced by an eligible board of health, community health board, or public health nursing agency or a program providing school health services under section 123.35, subdivision 17, must be properly packaged and may be disposed of at a hospital. For purposes of this subdivision, an "eligible board of health, community health board, or public health nursing agency" is defined as a board of health, community health board, or public health nursing agency located in a county with a population of less than 40,000. A hospital must accept the infectious waste if it is properly packaged according to the standards the hospital uses for packaging its own infectious wastes. The hospital may charge an eligible board of health, community health board, or public health

nursing agency or a program providing school health services a reasonable fee for disposal of the infectious waste. Nothing in this subdivision shall require a hospital to accept infectious waste if the waste is of a type not generated by the hospital or if the hospital cannot safely store the waste. A hospital that accepts infectious waste under this subdivision is not subject to those provisions of section 116.79, subdivision 4, paragraph (a), that apply to the storage or decontamination of infectious or pathological waste generated at a site other than the hospital.

Sec. 5. [144.062] [VACCINE COST REDUCTION PROGRAM.]

The commissioner of administration, after consulting with the commissioner of health, shall negotiate discounts or rebates on vaccine or may purchase vaccine at reduced prices. Vaccines may be offered for sale to medical care providers at the department's cost plus a fee for administrative costs. As a condition of receiving the vaccine at reduced cost, a medical care provider must agree to pass on the savings to patients. The commissioner of health may transfer money appropriated for other department of health programs to the commissioner of administration for the initial cost of purchasing vaccine, provided the money is repaid by the end of each state fiscal year and the commissioner of finance approves the transfer. Proceeds from the sale of vaccines to medical care providers, including fees collected for administrative costs, are appropriated to the commissioner of administration. If the commissioner of administration, in consultation with the commissioner of health, determines that a vaccine cost reduction program is not economically feasible or cost effective, the commissioner may elect not to implement the program, but shall provide a report to the legislature that explains the reasons for the decision.

Sec. 6. [144.1465] [FINDING AND PURPOSE.]

The legislature finds that rural hospitals are an integral part of the health care delivery system and are fundamental to the development of a sound rural economy. The legislature further finds that access to rural health care must be assured to all Minnesota residents. The rural health care system is undergoing a restructuring that threatens to jeopardize access in rural areas to quality health services. To assure continued rural health care access the legislature proposes to establish a grant program to assist rural hospitals and their communities with the development of strategic plans and transition projects, provide subsidies for geographically isolated hospitals facing closure, and examine the problem of recruitment and retention of rural physicians, nurses, and other allied health care professionals.

Sec. 7. [144.147] [RURAL HOSPITAL PLANNING AND TRANSITION GRANT PROGRAM.]

Subdivision 1. [DEFINITION.] "Eligible rural hospital" means any nonfederal, general acute care hospital that:

(1) is either located in a rural area, as defined in the federal Medicare regulations, Code of Federal Regulations, title 42, section 405.1041, or located in a community with a population of less than 5,000, according to United States Census Bureau statistics, outside the seven-county metropolitan area;

(2) has 100 or fewer beds;

(3) has experienced net income losses in at least two of the three most recent consecutive hospital fiscal years for which audited financial information is available;

(4) is not for profit; and

(5) has not been awarded a grant under the federal rural health transition grant program.

Subd. 2. [GRANTS AUTHORIZED.] The commissioner shall establish a program of grants to assist eligible rural hospitals. The commissioner shall award grants to hospitals and communities for the purposes set forth in paragraphs (a) and (b).

(a) Grants may be used by hospitals and their communities to develop strategic plans for preserving access to health services. At a minimum, a strategic plan must consist of:

(1) a needs assessment to determine what health services are needed and desired by the community. The assessment must include interviews with or surveys of area health professionals, local community leaders, and public hearings;

(2) an assessment of the feasibility of providing needed health services that identifies priorities and timeliness for potential changes; and

(3) an implementation plan.

The strategic plan must be developed by a committee that includes representatives from the hospital, local public health agencies, other health providers, and consumers from the community.

(b) The grants may also be used by eligible rural hospitals that have developed strategic plans to implement transition projects to modify the type and extent of services provided, in order to reflect the needs of that plan. Grants may be used by hospitals under this paragraph to develop hospital-based physician practices that inte-

grate hospital and existing medical practice facilities that agree to transfer their practices, equipment, staffing, and administration to the hospital. Not more than one-third of any grant shall be used to offset losses incurred by physicians agreeing to transfer their practices to hospitals.

Subd. 3. [CONSIDERATION OF GRANTS.] In determining which hospitals will receive grants under this section, the commissioner shall take into account:

- (1) improving community access to hospital or health services;
- (2) changes in service populations;
- (3) demand for ambulatory and emergency services;
- (4) the extent that the health needs of the community are not currently being met by other providers in the service area;
- (5) the need to recruit and retain health professionals; and
- (6) the involvement and extent of support of the community and local health care providers.

Subd. 4. [ALLOCATION OF GRANTS.] (a) Eligible hospitals must apply to the commissioner no later than September 1, 1990, for grants awarded in the 1991 state fiscal year; and no later than September 1, 1990, for grants awarded in the 1992 state fiscal year.

(b) The commissioner may award at least two grants for each fiscal year. The commissioner must make a final decision on the funding of each application within 60 days of the deadline for receiving applications.

(c) Each relevant community health board has 30 days in which to review and comment to the commissioner on grant applications from hospitals in their community health service area.

(d) In determining which hospitals will receive grants under this section, the commissioner shall consider the following factors:

(1) Description of the problem, description of the project and the likelihood of successful outcome of the project. The applicant must explain clearly the nature of the health services problems in their service area, how the grant funds will be used, what will be accomplished, and the results expected. The applicant should describe achievable objectives, a timetable, and roles and capabilities of responsible individuals and organizations.

(2) The extent of community support for the hospital and this proposed project. The applicant should demonstrate support for the hospital and for the proposed project from other local health service providers and from local community and government leaders. Evidence of such support may include past commitments of financial support from local individuals, organization or government entities; and commitment of financial support, in-kind services or cash, for this project.

(3) The comments, if any, resulting from a review of the application by the community health board in whose community health service area the hospital is located.

(e) In evaluating applications, the commissioner shall score each application on a 100 point scale, assigning the maximum of 70 points for an applicant's understanding of the problem, description of the project, and likelihood of successful outcome of the project; and a maximum of 30 points for the extent of community support for the hospital and this project. The commissioner may also take into account other relevant factors.

(f) A grant to a hospital, including hospitals that submit applications as consortia, may not exceed \$50,000 a year, and may not exceed a term of two years. Prior to the receipt of any grant, the hospital must certify to the commissioner that at least one-half of the amount, which may include in-kind services, is available for the same purposes from nonstate sources. A hospital receiving a grant under this section may use the grant for any expenses incurred in the development of strategic plans or the implementation of transition projects with respect to which the grant is made. Project grants may not be used to retire debt incurred with respect to any capital expenditure made prior to the date on which the project is initiated.

Subd. 5. [EVALUATION.] The commissioner shall evaluate the overall effectiveness of the grant program. The commissioner may collect, from the hospital, and communities receiving grants, the information necessary to evaluate the grant program. Information related to the financial condition of individual hospitals shall be classified as nonpublic data.

Sec. 8. 1990 S.F. No. 1698, section 1, if enacted, is amended to read:

(2) the establishment of a new hospital.

(b) This section does not apply to:

(6) a project involving the temporary relocation of pediatric-orthopedic hospital beds to an existing licensed hospital that will allow for the reconstruction of a new philanthropic, pediatric-orthopedic hospital on an existing site and that will not result in a net increase in the number of hospital beds. Upon completion of the reconstruction, the licenses of both hospitals must be reinstated at the capacity that existed on each site before the relocation;

(7) the relocation or redistribution of hospital beds within a hospital building or identifiable complex of buildings provided the relocation or redistribution does not result in: (i) an increase in the overall bed capacity at that site; (ii) relocation of hospital beds from one physical site or complex to another; or (iii) redistribution of hospital beds within the state or a region of the state;

Subd. 2. [EMERGENCY WAIVER.] The commissioner shall grant an emergency waiver from the provisions of this section if the need for the project is a result of fire, tornado, flood, storm damage, or other similar disaster, if adequate health care facilities are not available for the people who previously used the applicant facility, and if the request for an emergency waiver is limited in nature and scope only to those repairs necessitated by the natural disaster.

Subd. 3. [ENFORCEMENT.] The district court in Ramsey county has jurisdiction to enjoin an alleged violation of subdivision 1. At the request of the commissioner of health, the attorney general may bring an action to enjoin an alleged violation. The commissioner of health shall not issue a license for any portion of a hospital in violation of subdivision 1. No hospital in violation of subdivision 1 may apply for or receive public funds under chapters 245 to 256B, or from any other source.

(c) For applications for the provision of ambulance services in a service area larger than a county, the commissioner shall promptly send notice of the completed application to the municipality in which the service's base of operation will be located and to each community health board, county board, governing body of a regional emergency medical services system designated under section 144.8093, and ambulance service located within the counties in which any part of the service area described by the applicant is located, and any contiguous counties.
