(e) The commissioner is directed to conduct a review of the preadmission screening program and alternative care grant program including screening requirements, screening reimbursement, program effectiveness, eligibility criteria for alternative care, accessibility to services, copayment and sliding fee issues, county utilization, rates for services, the payment system, funding and forecasting issues, administrative requirements, incentives for innovation, improved consistency with the community assistance for disabled individuals program and medical assistance home care services, and the allocation formula. In conducting this review, special attention should be given to ways to increase sliding fee collections and reduce or minimize administrative and program requirements and associated county costs. The commissioner shall appoint a work group including county and senior citizen representatives to assist in the program review. The commissioner must

present a report on the findings of the review and recommendations for change to the legislature by February 15, 1991.

(f) Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home or boarding care home admission, or continued stay if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within 180 days of admission to a nursing home; (3) who need services that are not available at that time in the county through other public assistance; and (4) who are age 65 or older.

(g) The commissioner shall establish by rule, in accordance with chapter 14, procedures for determining limits on the rates for payment of approved services, including screenings, and submittal and approval of a biennial county plan for the administration of the preadmission screening and alternative care grants program.

(h) Grants may be used for payment of costs of providing care-related supplies, equipment, and the following services: adult foster care, adult day care, home health aide, homemaker, personal care, case management, and respite care. These services must be provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency.

(i) The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2), and that a client's service needs and eligibility is reassessed at least every six months. The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care and to the commissioner that the most cost-effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. The county agency shall document to the commissioner that the agency made reasonable efforts to inform potential providers of the anticipated need for services under the alternative care grants program, including a minimum of 14 days written advance notice of the opportunity to be selected as a service provider and an annual public meeting with providers to explain and review the criteria for selection, and that the agency allowed potential providers an opportunity to be selected to contract with the county board. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

(j) The county must select providers for contracts or agreements using the following criteria and other criteria established by the county:

(1) the need for the particular services offered by the provider;

(2) the population to be served, including the number of clients, the length of time services will be provided, and the medical condition of clients;

(3) the geographic area to be served;

(4) quality assurance methods, including appropriate licensure, certification, or standards, and supervision of employees when needed;

(5) rates for each service and unit of service exclusive of county administrative costs;

(6) evaluation of services previously delivered by the provider; and

(7) contract or agreement conditions, including billing requirements, cancellation, and indemnification.

(k) The county must evaluate its own agency services under the criteria established for other providers. The county shall provide a written statement of the reasons for not selecting providers.

(l) The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the State Register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.

(m) The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. Waivered services provided to medical assistance recipients must comply with the same criteria as defined in this section and in the approved waiver. Reimbursement for the medical assistance recipients shall be made from the regular medical assistance account. The commissioner shall provide grants to counties from the nonfederal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new

programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of care that the recipient would receive if placed in a nursing home or boarding care home. The nonfederal share may be used to pay up to *90* percent *of the start-up and service delivery costs of* providing care under this subdivision. The state share of the nonfederal portion of costs shall be 90 percent and the county share shall be ten percent. Each county agency that receives a grant shall pay ten percent of the costs for persons who are eligible for the services but who are not yet eligible for medical assistance.

(n) Beginning July 1, 1991, the state will reimburse counties according to the payment schedule in section 256.025 for the county share of costs incurred under this subdivision from January 1, 1991, on, for individuals who are receiving medical assistance.

(o) Beginning July 1, 1991, the state will reimburse counties, up to the limit of state appropriations, according to the payment schedule in section 256.025 for the county share of costs incurred under this subdivision from January 1, 1991, on, for individuals who would be *eligible for medical assistance within 180 days of admis*sion to a nursing home.

(p) The commissioner shall promulgate emergency rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

Sec. 4. Minnesota Statutes 1990, section 256B.49, is amended by adding a subdivision to read:

Subd. 4. [INFLATION ADJUSTMENT.] For the biennium ending June 30, 1993, the commissioner of human services shall not provide an annual inflation adjustment for home and community-based waivered services.

Sec. 5. Minnesota Statutes 1990, section 256B.501, subdivision 3g, is amended to read:

Subd. 3g. [ASSESSMENT OF RESIDENTS.] For rate years beginning on or after October 1, ~~1990~~ 1993, the commissioner shall establish program operating cost rates for care of residents in facilities that take *into consideration service characteristics of* residents in those facilities. To establish the service characteristics of residents, the quality assurance and review teams in the department of health shall assess all residents annually beginning January 1, 1989, using a uniform assessment instrument developed by the commissioner. This instrument shall include assessment of the client's behavioral needs, integration into the community, ability to

perform activities of daily living, medical and therapeutic needs, and other relevant factors determined by the commissioner. The commissioner may adjust the program operating cost rates of facilities based on a comparison of client service characteristics, resource needs, and costs. The commissioner may adjust a facility's payment rate during the rate year when accumulated changes in the facility's average service units exceed the minimums established in the rules required by subdivision 3j.

Each facility's interdisciplinary team shall continue to assess each new admission to the facility. The quality assurance and review teams in the department of health shall continue to assess all residents annually. The quality assurance and review teams and the interdisciplinary team shall assess all residents using a uniform assessment instrument developed by the commissioner and the ICF/MR reimbursement and quality assurance and review manual. Beginning with the reporting year which ends December 31, 1991, the commissioner shall annually collect client statistical data based on assessments performed by the quality assurance and review teams and by the interdisciplinary team on annual cost reports submitted by the facility and may use this data in the calculation of program operating costs payment rates after October 1, 1993.

Sec. 6. Minnesota Statutes 1990, section 256B.501, subdivision 11, is amended to read:

Subd. 11. [INVESTMENT PER BED LIMITS, INTEREST EXPENSE LIMITATIONS, AND ARMS-LENGTH LEASES.] (a) The provisions of Minnesota Rules, part 9553.0075, except as modified under this subdivision, shall apply to newly constructed or established facilities that are certified for medical assistance on or after May 1, 1990.

(b) For purposes of establishing payment rates under this subdivision and Minnesota Rules, parts 9553.0010 to 9553.0080, the term "newly constructed or newly established" means a facility (1) for which a need determination has been approved by the commissioner under sections 252.28 and 252.291; (2) whose program is newly licensed under Minnesota Rules, parts 9525.0215 to 9525.0355, and certified under Code of Federal Regulations, title 42, section 442.400, et seq.; and (3) that is part of a proposal that meets the requirements of section 252.291, subdivision 2, paragraph (2). The term does not include a facility for which a need determination was granted solely for other reasons such as the relocation of a facility; a change in the facility's name, program, number of beds, type of beds, or ownership; or the sale of a facility, unless the relocation of a facility to one or more service sites is the result of a closure of a facility under section 252.292, in which case clause (3) shall not apply. The term does include a facility that converts more than 50 percent of its licensed beds from class A to class B residential or class B institutional to serve persons discharged from state regional

treatment centers on or after May 1, 1990, in which case clause (3) does not apply.

(c) Newly constructed or newly established facilities that are certified for medical assistance on or after May 1, 1990, shall be allowed the capital asset investment per bed limits as provided in clauses (1) to (4).

(1) The 1990 calendar year investment per bed limit for a facility's land must not exceed $5,700 per bed for newly constructed or newly established facilities in Hennepin, Ramsey, Anoka, Washington, Dakota, Scott, Carver, Chisago, Isanti, Wright, Benton, Sherburne, Stearns, St. Louis, Clay, and Olmsted counties, and must not exceed $3,000 per bed for newly constructed or newly established facilities in other counties.

(2) The 1990 calendar year investment per bed limit for a facility's depreciable capital assets must not exceed $44,800 for class B residential beds, and $45,200 for class B institutional beds.

(3) The investment per bed limit in clause (2) must not be used in determining the three-year average percentage increase adjustment in Minnesota Rules, part 9553.0060, subpart 1, item C, subitem (4), for facilities that were newly constructed or newly established before May 1, 1990.

(4) The investment per bed limits in clause (2) shall be adjusted annually beginning January 1, 1991, and each January 1 following, as provided in Minnesota Rules, part 9553.0060, subpart 1, item C, subitem (2).

(d) A newly constructed or newly established facility's interest expense limitation as provided for in Minnesota Rules, part 9553.0060, subpart 3, item F, on capital debt for capital assets acquired during the interim or settle-up period, shall be increased by 2.5 percentage points for each full .25 percentage points that the facility's interest rate on its mortgage is below the maximum interest rate as established in Minnesota Rules, part 9553.0060, subpart 2, item A, subitem (2). For all following rate periods, the interest expense limitation on capital debt in Minnesota Rules, part 9553.0060, subpart 3, item F, shall apply to the facility's capital assets acquired, leased, or constructed after the interim or settle-up period. If a newly constructed or newly established facility is acquired by the state, the limitations of this paragraph and Minnesota Rules, part 9553.0060, subpart 3, item F, shall not apply.

(e) If a newly constructed or newly established facility is leased with an arms-length lease as provided for in Minnesota Rules, part 9553.0060, subpart 7, the lease agreement shall be subject to the following conditions:

(1) the term of the lease, including option periods, must not be less than 20 years;

(2) the maximum interest rate used in determining the present value of the lease must not exceed the lesser of the interest rate limitation in Minnesota Rules, part 9553.0060, subpart 2, item A, subitem (2), or 16 percent; and

(3) the residual value used in determining the net present value of the lease must be established using the provisions of Minnesota Rules, part 9553.0060.

(f) All leases of the physical plant of an intermediate care facility for the mentally retarded shall contain a clause that requires the owner to give the commissioner notice of any requests or orders to vacate the premises 90 days before such vacation of the premises is to take place. In the case of unlawful detainer actions, the owner shall notify the commissioner within three days of notice of an unlawful detainer action being served upon the tenant. The only exception to this notice requirement is in the case of emergencies where immediate vacation of the premises is necessary to assure the safety and welfare of the residents. In such an emergency situation, the owner shall give the commissioner notice of the request to vacate at the time the owner of the property is aware that the vacating of the premises is necessary. This section applies to all leases entered into after May 1, 1990. Rentals set in leases entered into after that date that do not contain this clause are not allowable costs for purposes of medical assistance reimbursement.

(g) A newly constructed or newly established facility's preopening costs are subject to the provisions of Minnesota Rules, part 9553.0035, subpart 12, and must be limited to only those costs incurred during one of the following periods, whichever is shorter:

(1) between the date the commissioner approves the facility's need determination and 30 days before the date the facility is certified for medical assistance; or

(2) the 12-month period immediately preceding the 30 days before the date the facility is certified for medical assistance.

(h) The development of any newly constructed or newly established facility as defined in this subdivision and projected to be operational after July 1, 1991, by the commissioner of human services shall be delayed until July 1, 1993, except for those facilities authorized by the commissioner as a result of a closure of a facility according to section 252.292 prior to January 1, 1991, or those facilities developed as a result of a receivership of a facility according to section 245A.12. This paragraph does not apply to state-operated community facilities authorized in section 252.50.

Sec. 7. Minnesota Statutes 1990, section 256I.04, is amended by adding a subdivision to read:

Subd. 3. [MORATORIUM ON THE DEVELOPMENT OF NEGOTIATED RATE BEDS.] County agencies shall not enter into agreements for new general assistance or Minnesota supplemental aid negotiated rate beds except for: adult foster homes licensed by the commissioner of human services under Minnesota Rules, parts 9555.5105 to 9555.6265, or facilities licensed under Minnesota Rules, parts 9525.0215 to 9525.0355, provided the foster home or facility is needed to meet the census reduction targets for persons with mental retardation or related conditions at regional treatment centers; or to ensure compliance with the federal Omnibus Budget Reconciliation Act alternative disposition plan requirements for inappropriately placed persons with mental retardation or related conditions or mental illness. Agreements for new beds are subject to the approval of the commissioner. This moratorium expires June 30, 1993.

Sec. 8. Minnesota Statutes 1990, section 256I.05, is amended by adding a subdivision to read:

Subd. 1a. [LOWER MAXIMUM RATE.] The maximum monthly rate for a general assistance or Minnesota supplemental aid negotiated rate residence that enters into an initial negotiated rate agreement with a county agency on or after June 1, 1989, may not exceed 90 percent of the maximum rate established under subdivision 1. This is effective until June 30, 1993, or until the statewide system authorized under subdivision 6 is established, whichever occurs first.

Sec. 9. Minnesota Statutes 1990, section 256I.05, is amended by adding a subdivision to read:

Subd. 1b. [RATES FOR UNCERTIFIED BOARDING CARE HOMES.] The maximum rate for a boarding care home not certified to receive medical assistance is equal to 47 percent of the average nursing home level "A" rate in effect for the geographic area in which the boarding care home is located. This is effective until June 30, 1993. A noncertified boarding care home licensed under Minnesota Rules, parts 9520.0500 to 9520.0690, is exempt from this rate limit.

Sec. 10. Minnesota Statutes 1990, section 256I.05, subdivision 2, is amended to read:

Subd. 2. [MONTHLY RATES; EXEMPTIONS.] (a) The maximum negotiated rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services

under Minnesota Rules, parts 9520.0500 to 9520.0690. For residences in this clause that have less than five percent of their licensed boarding care capacity reimbursed by the medical assistance program, rate increases shall be provided according to section 256B.431, subdivision 4, paragraph (c).

(b) The maximum negotiated rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a negotiated rate residence under general assistance or Minnesota supplemental aid. Rate increases for these residences are subject to the provisions of subdivision 7.

(c) ~~The following residences are exempt from the limit on negotiated rates and must be reimbursed for documented actual costs, until an alternative reimbursement system covering services excluding room and board maintenance services is developed by the commissioner:~~

~~(1) a residence that is not certified to participate in the medical assistance program, that was licensed as a boarding care facility by March 1, 1985, and does not receive supplemental program funding under Minnesota Rules, parts 9535.2000 to 9535.3000 or 9553.0010 to 9553.0080;~~

~~(2)~~ A residence certified to participate in the medical assistance program, licensed as a boarding care facility or a nursing home, and declared to be an institution for mental disease by January 1, 1989, is exempt from the limit on negotiated rates and must be reimbursed for documented actual costs, until an alternative reimbursement system covering services excluding room and board maintenance services is developed by the commissioner. Effective January 1, 1989, the actual documented cost for these residences is the individual's appropriate medical assistance case mix rate until the commissioner develops a comprehensive system of rates and payments for persons in all negotiated rate residences. The exclusion from the rate limit for residences under this clause expires July 1, 1991. The commissioner of human services, in consultation with the counties in which these residences are located, shall review the status of each certified nursing home and board and care facility declared to be an institution for mental disease. This review shall include the cost effectiveness of continued payment for residents through general assistance or Minnesota supplemental aid; the appropriateness of placement of general assistance or supplemental aid clients in these facilities; the effects of Public Law Number 100-203 on these facilities; and the role of these facilities in the mental health service delivery system. The commissioner shall make recommendations to the legislature by January 1, 1990, regarding the need to continue the exclusion of these facilities from the negotiated rate maximum and the future role of these facilities in serving persons with mental illness.

Sec. 11. Minnesota Statutes 1990, section 256I.05, is amended by adding a subdivision to read:

Subd. 7a. [RATE INCREASES FOR THE 1991-1993 BIENNIUM.] For the biennium ending June 30, 1993, no inflationary increases shall be provided in rates for negotiated rate settings under subdivision 7.

Sec. 12. [DEMONSTRATION PROJECTS.]

The commissioner shall demonstrate the development of family foster care services for persons with developmental disabilities in order to achieve regional treatment center census reduction or to develop alternative placements for persons inappropriately placed in nursing homes. For all persons participating in this demonstration that receive services funded by the enhanced waivered services fund, the costs of waivered services shall not exceed an average of $120 per person per day in fiscal year 1993.

The commissioner shall demonstrate a family choice option for 100 persons with developmental disabilities and their families in fiscal year 1992 and for 200 persons and their families in fiscal year 1993. For all persons authorized by the commissioner to receive services under the family choice option, the cost of services funded by the Title XIX home- and community-based waiver are limited to an average of $35 per person per day in fiscal year 1992 with annual cost adjustments as authorized by the legislature."

Sec. 3. Minnesota Statutes 1990, section 171.10, subdivision 2, is amended to read:

Subd. 2. [ENDORSEMENTS ADDED.] (a) Any person, after applying for or receiving a driver's license and prior to the expiration year of the license, who wishes to have a motorcycle, school bus, special transportation service vehicle, tank vehicle, passenger, double-trailer or triple-trailer, or hazardous materials vehicle endorsement added to the license, shall, after taking the necessary examination, apply for a duplicate license and make payment of the proper fee.

(b) The examination for a special transportation service vehicle endorsement shall consist of proof of completion of training as required by the commissioner of transportation under section 174.30, and a criminal records check as required under section 5.

Sec. 4. Minnesota Statutes 1990, section 171.13, subdivision 5, is amended to read:

Subd. 5. [FEE FOR VEHICLE ENDORSEMENT.] Any person applying to secure a motorcycle, school bus, special transportation service vehicle, tank vehicle, passenger, double-trailer or triple-trailer, or hazardous materials vehicle endorsement on the person's driver's license shall pay a $2.50 examination fee at the place of application.

Subd. 2. [QUALIFICATIONS; RULES.] The commissioner of public safety shall prescribe rules governing the qualifications of individuals to drive motor vehicles providing special transportation services.

Subd. 3. [STUDY OF APPLICANT.] Before issuing or renewing a special transportation service vehicle endorsement, the commissioner shall conduct a criminal records check of the applicant. The commissioner may also conduct a records check at any time while a person is so licensed. The check shall consist of a criminal records check of the state criminal records repository. If the applicant has resided in Minnesota for less than five years, the records check shall also include a criminal records check of information from the state law enforcement agencies in the states where the applicant resided

during the five years before moving to Minnesota, and of the national criminal records repository including the criminal justice data communications network. The applicant's failure to cooperate with the commissioner in conducting a records check is reasonable cause to deny an application or cancel a special transportation vehicle endorsement. The commissioner may not release the results of a records check to any person except the applicant.

Subd. 2. [OTHER ELECTION DISTRICTS.] For purposes of this subdivision, "local government election district" means a county district, park and recreation district, school district, or soil and water conservation district. Local government election districts, other than city wards covered by subdivision 1, may not be redistricted until precinct boundaries are reestablished under section 204B.14, subdivision 3, paragraph (c), or by May 10 in a year ending in two, whichever comes first. When redistricting is required, election districts covered by this subdivision must be redistricted within 65 days of the time when the legislature has been redistricted or by June 1 in the year ending in two, whichever comes first.

Sec. 2. Minnesota Statutes 1990, section 205.84, is amended to read:

205.84 [WARDS IN CERTAIN CITIES.]

Subdivision 1. [GENERAL PROVISIONS.] In a statutory or home rule charter city electing council members by wards, wards shall be as equal in population as practicable and each ward shall be composed of compact, contiguous territory. No ward shall vary in population more than five percent from the average for all wards in the city, unless the result would force a voting precinct to be split. The wards must not dilute the voting strength of racial or language minority populations. Where a concentration of a racial or language minority population makes it possible, the wards must increase the probability that members of the minority will be elected. The wards should attempt to preserve communities of interest where that can be done in compliance with the preceding standards. Each council member shall be a resident of the ward for which elected~~, but a change in ward boundaries does not disqualify a council member from serving for the remainder of a term~~.

Subd. 2. [REDEFINING WARD BOUNDARIES.] This subdivision applies to statutory cities. The governing body of the city may by ordinance redefine ward boundaries after a municipal general election. The council shall hold a public hearing on the proposed ordinance before its adoption. One week's published notice of the

hearing shall be given. Within six months after the official certification of each federal decennial or special census, the governing body of the city shall either confirm the existing ward boundaries as conforming to the standards of subdivision 1 or redefine ward boundaries to conform to those standards. If the governing body of the city fails to take either action within the time required, no further compensation shall be paid to the mayor or council member until the wards of the city are either reconfirmed or redefined as required by this section. An ordinance establishing new ward boundaries shall apply to the first election held at least six months after adoption of the ordinance. All council members whose ward boundaries have changed must run for election at this time. Following redistricting of wards, the initial terms of the members to be elected from each ward must be determined by lot at a meeting of the city council, unless otherwise determined by a majority decision of the council.

Sec. 3. Minnesota Statutes 1990, section 375.025, subdivision 1, is amended to read:

Subdivision 1. [STANDARDS.] The redistricting plan in use in a county shall be used until a new plan is adopted in accordance with this section. Each county shall be divided into as many districts numbered consecutively as it has members of the county board. Commissioner districts shall be bounded by town, municipal, ward, or precinct lines. Each district shall be composed of contiguous territory as regular and compact in form as practicable, depending upon the geography of the county involved and shall be as nearly equal in population as possible. No district shall vary in population more than ~~ten~~ five percent from the average for all districts in the county, unless the result forces a voting precinct to be split. A majority of the least populous districts shall contain not less than a majority of the population of the county. The districts must not dilute the voting strength of racial or language minority populations. Where a concentration of a racial or language minority population makes it possible, the districts must increase the probability that members of the minority will be elected. The districts should attempt to preserve communities of interest where that can be done in compliance with the preceding standards. A county may be redistricted by the county board after each federal census. When it appears after a federal census that the districts of the county are not in accord with the standards set forth in this subdivision, the county shall be redistricted by the county board within the times set in section 204B.135, subdivision 2. Before acting to redistrict, the county board, or a redistricting commission if one is appointed, shall publish three weeks notice of its purpose, stating the time and place of the meeting where the matter will be considered, in the newspaper having the contract to publish the commissioners' proceedings for the county for the current year.

Sec. 4. Minnesota Statutes 1990, section 375.025, subdivision 4, is amended to read:

Subd. 4. [REDISTRICTING PLAN; ELECTION FOLLOWING REDISTRICTING.] A redistricting plan whether prepared by the county board or the redistricting commission shall be filed in the office of the county auditor. A redistricting plan shall be effective on the 31st day after filing unless a later effective date is specified but no plan shall be effective for the next election of county commissioners unless the plan is filed with the county auditor not less than 30 days before the first date candidates may file for the office of county commissioner. One commissioner shall be elected in each district who, at the time of the election, is a resident of the district. A person elected may hold the office only while remaining a resident of the commissioner district. The county board or the redistricting commission shall determine the number of members of the county board who shall be elected for two-year terms and for four-year terms to provide staggered terms on the county board. Unless a majority of the county board agrees, the county auditor shall publicly decide by lot at a meeting of the county board which districts shall have members elected for an initial two-year term of office. Thereafter, all commissioners shall be elected for four years. ~~When~~ If a county is redistricted, there shall be a new election of commissioners in ~~all~~ the districts whose boundaries have changed at the next general election ~~except that if the change made in the boundaries of a district is less than ten percent of the average of all districts of the county, the commissioner in office at the time of the redistricting shall serve for the full period for which elected~~."

This subdivision does not prohibit the replacement or rebuilding of an engine if: (1) the motor vehicle in which the engine is replaced is not subject to the inspection requirement in section 116.61; or (2) after the replacement the motor vehicle complies with section 2.

Sec. 2. [116.635] [EXCHANGED AND REBUILT ENGINES.]

(a) Except as provided in paragraph (b), a motor vehicle that is subject to the inspection requirement in section 116.61, and has had its engine rebuilt or exchanged, must comply with the emissions standards for the model year of the vehicle's engine or the model year of the vehicle's chassis, whichever year is earlier.

If the inspector determines that the vehicle meets the emissions standards for an exchanged or rebuilt engine as set forth in this section, the vehicle must be issued a certificate of compliance.

If the inspector is unable to determine the engine year by

reviewing the engine identification number or the owner is unable to provide documentation of the year the engine was manufactured, the vehicle is required to meet the emissions standards for the year of the chassis.

Regular meetings of the board of directors shall be held at least quarterly and more frequently as provided in bylaws of the hospital district, at the time and place as the board shall by resolution determine. The meetings may be held at any time upon the call of the chair or of any two other members, upon written notice mailed to each member three days prior to the meeting, or upon other notice as the board, by resolution or according to bylaws adopted by the board of directors, may provide, or without notice, if each member is present or files with the secretary a written consent to the holding of the meeting, which consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned meeting or at a duly called special meeting if a quorum is present. A majority of all the members of the board shall constitute a quorum, but a lesser number may meet and adjourn from time to time.

Sec. 31. [THE HOSPITAL DISTRICT AND ITS POWERS.]

Subdivision 1. [AUTHORITY; STATUS; PREEXISTING OBLIGATION.] The hospital district shall have perpetual succession, may contract and be contracted with, may sue and be sued, may, but shall not be required to, use a corporate seal, may acquire real and personal property as it may require, within or without the district, by purchase, gift, devise, lease, condemnation, or otherwise, and may hold, manage, control, sell, convey, or otherwise dispose of such property as its interests require. All of the assets, real and personal, of the preexisting hospital organization owned by the county and the city, doing business as Swift County-Benson Hospital, shall pass to the hospital district in fee title or by lease, and all legally valid and enforceable claims and contract obligations of the preexisting hospital organization shall be assumed by the city of Benson and county

of Swift. All taxable property in the district shall continue to be taxable for the payment of any bonded debt previously incurred by the preexisting hospital or by the city of Benson or the county of Swift on behalf of the preexisting hospital. Any properties, real, personal, or mixed, which are acquired, owned, leased, controlled, used, or occupied by the district shall be exempt from general property taxation by the state or any of its political subdivisions, but nothing in this act shall prevent the levy of special assessments for public improvements benefiting the property.

Subd. 2. [BUDGET.] The board of directors shall adopt a budget for each ensuing year and shall provide the budget to the city council and the county board prior to the beginning of the year to which the budget applies. The city council and county board may consider the budget and provide their comments and recommendations to the board of directors.

Subd. 3. [POWERS.] The hospital district shall have all the powers necessary and convenient to provide for the acquisition, betterment, operation, maintenance, and administration for the hospital, including nursing home, other facilities for the residential occupancy of ambulatory elderly citizens who do not require nursing home or general hospital care and related programs, as the board of directors shall determine to be necessary and expedient. The enumeration of specific powers herein does not restrict the power of the board to take any lawful action which, in the reasonable exercise of its discretion, it deems necessary or convenient for the furtherance of the purpose for which the district exists, whether or not the power to take the action is implied from any of the powers expressly granted. These powers shall include, but not be limited to, the power to:

(1) employ management, administrative, nursing, and other personnel, legal counsel, engineers, architects, accountants, and other qualified persons, who may be paid for their services by monthly salaries, hourly wages, and pension benefits, or by fees as may be agreed on;

(2) cause reports, plans, studies, and recommendations to be prepared;

(3) when acquiring real and personal property as authorized in subdivision 1, contract for the acquisition by option, contract for deed, conditional sales contract, or otherwise;

(4) construct, equip, and furnish necessary buildings and grounds and maintain the same;

(5) adopt bylaws and rules and regulations to govern the operation and administration of any and all hospital, nursing home, and other facilities under its control, and for the admission of persons thereto;

(6) impose and collect charges for all services and facilities provided and made available by it;

(7) borrow money and issue bonds as prescribed in this act;

(8) procure insurance against liability of the district or its officers and employees, or both, for torts committed within the scope of their official duties, whether governmental or proprietary, or for errors and omissions, and against damage to or destruction of any of its facilities, equipment, or other property;

(9) subject to subdivision 4, sell or lease any of its facilities or equipment as may be expedient;

(10) cause annual audits to be made of its accounts, books, vouchers, and funds by competent public accountants; this provision shall be construed to be mandatory;

(11) require a corporate surety bond from officers and employees of the district, and in the amount the board shall determine, and authorize payment of the premiums therefor; or

(12) provide loans to students as provided in Minnesota Statutes, section 447.331.

Subd. 4. [APPROVAL FOR SALE OR LEASE.] Nothing contained in this section shall be construed to authorize the district or its board of directors to at any time sell, lease, or otherwise transfer the management, control, or operation of the hospital, including nursing home or other facilities, except upon approval by a majority vote of the county board and the city council.

Subd. 5. [BYLAWS.] Bylaws shall be adopted to further govern the operation of the hospital district. Bylaws or any amendment or repeal of them, shall first be adopted by the board of directors, but shall not take effect until approved by the county board and the city council. Bylaws may address any subject matter pertinent to the organization and operation of the hospital district consistent with sections 31 to 40 and other applicable laws.

Sec. 32. [PAYMENT OF EXPENSES.]

Expenses of acquisition, betterment, administration, operation, and maintenance of the hospital district shall be paid from the revenue derived therefrom and, to the extent authorized by this act, from the proceeds of debt incurred for the benefit of the district, and to the extent determined from time to time by the county board or the city council, from appropriations made by the county board or the city council. Money appropriated by the board of county commissioners and the city council to acquire or improve facilities of the

hospital district may be transferred in the discretion of the board of directors to a sinking fund for bonds issued for that purpose. The hospital board may agree to repay to the county and the city any sums appropriated by the county board or the city council for this purpose, out of the net revenues to be derived from operation of its facilities, and subject to the terms agreed on.

Sec. 33. [TEMPORARY BORROWING AUTHORITY.]

Subdivision 1. [CERTIFICATES OF INDEBTEDNESS.] Subject to the approval of the city and the county, the hospital district may borrow money by issuing certificates of indebtedness in anticipation of revenues and federal aids. Total indebtedness for the certificates must not exceed $50,000. The proceeds must be used for expenses of administration, operation, and maintenance of the district's hospital, nursing home, or other facilities. The approval of the city and county shall be effected by an affirmative vote of their respective governing bodies.

Subd. 2. [RESOLUTION.] The district may authorize and borrow and issue the certificates of indebtedness on passage of a resolution specifying the amount and reasons for borrowing. The resolution must be adopted by a vote of at least two-thirds of its board members, excluding board members who may not vote. The board shall fix the amount, date, maturity, form, denomination, and other details of the certificates and the date and place for receipt of bids for their purchase. The board shall direct the secretary to give notice of the date and place fixed.

Subd. 3. [TERMS OF CERTIFICATES.] Certificates must become due and payable no later than two years from the date of issuance. Certificates must be negotiable and payable to the order of the payee and have a definite due date but may be payable on or before the due date. Certificates must be sold for at least par and accrued interest and must bear interest at not more than eight percent a year. Interest must be payable at maturity or earlier as the board determines. The proceeds of current county or city appropriations, revenues derived from the facilities of the district and future federal aids, and any other district funds that become available must be applied to the extent necessary to repay the certificates.

Sec. 34. [HOSPITALS, NURSING HOMES, AND OTHER FACILITIES; FINANCING AND LEASING.]

Subdivision 1. [FINANCING.] Subject to the approval of the city and the county, the hospital district may issue revenue bonds by resolution of its governing body to finance the acquisition and betterment of hospital, nursing home, and other facilities. This power is in addition to other powers granted by law and includes, but is not limited to, the payment of interest during construction and for a reasonable period after construction and the establishment

of reserves for bond payment and for working capital. The approval of the city and county shall be effected by an affirmative vote of their respective governing bodies. In connection with the acquisition of any existing hospital or nursing home facilities, the city, county, or district may retire outstanding indebtedness incurred to finance the construction of the existing facilities.

Subd. 2. [PLEDGE OF REVENUE.] The hospital district may pledge and appropriate the revenues to be derived from its operation of the facilities to pay the principal and interest on the bonds when due and to create and maintain reserves for that purpose, as a first and prior lien on the revenues or, if so provided in the bond resolution, as a lien on the revenues subordinate to the current payment of a fixed amount or percentage or all of the costs of running the facilities.

Sec. 35. [SECURITY FOR BONDS; PLEDGE OF CREDIT FOR BONDS.]

In the issuance of bonds the revenues or rentals must be pledged and appropriated by resolution for the use and benefit of bondholders generally, or may be pledged by the execution of an indenture or other appropriate instrument to a trustee for the bondholders. The site and facilities, or any part of them, may be mortgaged to the trustee. The governing body may enter into any covenants with the bondholders or trustee that it finds necessary and proper to assure the marketability of the bonds, the completion of the facilities, the segregation of the revenues or rentals and other funds pledged, and the sufficiency of funds for prompt and full payment of bonds and interest. The bonds shall be deemed to be payable wholly from the income of a revenue-producing convenience within the meaning of Minnesota Statutes, section 475.58, unless the appropriate governing body also pledges to their payment the full faith and credit of the county or city. In this event, notice of the intent to issue bonds with a pledge of the full faith and credit of the county or city specifying the maximum amount and the purpose of the bond issue shall be published and if, within ten days of the date of publication, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular election is filed with the secretary, the bonds may not be issued unless approved by a majority of the electors voting on the question at a legal election.

Sec. 36. [MISCELLANEOUS PROVISIONS.]

Bonds issued under sections 31 to 38 must be issued and sold as provided in Minnesota Statutes, chapter 475. If the bonds do not pledge the credit of the hospital district as provided in section 35, the governing body may negotiate their sale without advertisement for bids. They shall not be included in the net debt of any municipality or county, and are not subject to interest rate limitations, as

defined or referred to in Minnesota Statutes, sections 475.51 and 475.55.

Sec. 37. [LEASE OF FACILITIES TO NONPROFIT OR PUBLIC CORPORATION.]

Subject to section 31, subdivision 4, the hospital district may lease hospital, nursing home, or other facilities to be run by a nonprofit or public corporation as community facilities. The facilities must be open to all residents of the community on equal terms. The district may lease related medical facilities to any person, firm, association, or corporation, at rent and on conditions agreed. The term of the lease must not exceed 30 years. The lessee may be granted an option to renew the lease for an additional term or to purchase the facilities. The terms of renewal or purchase must be provided for in the lease. The hospital district may by resolution of its governing body agree to pay to the lessee annually, and to include in each annual budget for hospital and nursing home purposes, a fixed compensation for services agreed to be performed by the lessee in running the hospital, nursing home, or other facilities as a community facility; for any investment by the lessee of its own funds or funds granted or contributed to it in the construction or equipment of the hospital, nursing home, or other facilities; and for any auxiliary services to be provided or made available by the lessee through other facilities owned or operated by it. Services other than those provided for in the lease agreement may be compensated at rates agreed upon later. The lease agreement must, however, require the lessee to pay a net rental not less than the amount required to pay the principal and interest when due on all revenue bonds issued by the hospital district to acquire, improve, and refinance the leased facilities, and to maintain the agreed revenue bond reserve. The lease agreement must not grant the lessee an option to purchase the facilities at a price less than the amount of the bonds issued and interest accrued on them, except bonds and accrued interest paid from the net rentals before the option is exercised.

To the extent that the facilities are leased under this section for use by persons in private medical or dental or similar practice or other private business, a tax on that use must be imposed just as though the user were the owner of the space. It must be collected as provided in Minnesota Statutes, section 272.01, subdivision 2.

Sec. 38. [REFUNDING BONDS.]

The county, city, or hospital district may issue bonds by resolution of its governing body to refund bonds issued for the purposes stated in sections 27 to 40.

Sec. 39. [SWIFT COUNTY.]

The county of Swift may make appropriations in whatever amount it deems appropriate for capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under this act and any other hospital in the county notwithstanding Minnesota Statutes, sections 376.08 and 376.09 or any other limiting statutes or laws otherwise applicable to the county. The county may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 40. [CITY OF BENSON.]

The city of Benson may make appropriations in whatever amount it deems appropriate for the purposes of capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under this act notwithstanding any limiting statutes or laws otherwise applicable to the city. The city may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 41. [POWERS SUPPLEMENTARY.]

The powers granted by sections 27 to 40 are supplementary to and not in substitution for any other powers possessed by political subdivisions in connection with the acquisition, betterment, administration, operation, and maintenance of hospitals, nursing homes, and related facilities and programs or the creation of hospital districts.

Sec. 42. [KOOCHICHING COUNTY; ENTERPRISE ZONE.]

Notwithstanding Minnesota Statutes, section 469.167, subdivision 3, the commissioner of trade and economic development shall designate up to 400 acres in Koochiching county as an enterprise zone under sections 469.166 to 469.173. The applicant must submit an application to the commissioner containing at a minimum documentation required by section 469.169, subdivisions 1; 2, clauses (2), (3), (5), (6), and (7); and 5. The area designated must meet requirements of section 469.168, subdivisions 1, 2, and 3.

The application and application review procedures shall not comply with the provisions of Minnesota Statutes, sections 469.168, subdivision 4; 469.169, subdivisions 2, clauses (1) and (4); 3; 4; and 6.

Sec. 43. [APPLICATION.]

Sections 16 to 22 apply in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Sec. 44. [REPEALER.]

Minnesota Statutes 1990, sections 383C.33; 383C.331; 383C.332; 383C.333; 383C.334; 383C.335; 383C.336; 383C.337; 383C.338; 383C.34, are repealed.

Sec. 45. [EFFECTIVE DATE.]

Sections 7 and 8 are effective the day after final enactment. Section 11 is effective the day after the Dakota county board complies with Minnesota Statutes, section 645.021, subdivision 3. Section 25 is effective the day after the governing body of the city of New Brighton complies with section 645.021, subdivision 3. Section 26 is effective the day after the governing body of the city of Minneapolis complies with section 645.021, subdivision 3. Sections 27 to 41 are effective the day after the county board of Swift county and the governing body of the city of Benson comply with section 645.021, subdivision 3. "CONSUMER CREDIT FILE RIGHTS UNDER MINNESOTA AND FEDERAL LAW

You have a right to obtain a copy of your credit report from a credit bureau. You may be charged a reasonable fee. There is no fee, however, if you have been turned down for credit, employment, insurance, or a rental dwelling because of information in your credit report within the preceding 30 days. The credit bureau must provide someone to help you interpret the information in your credit file.

You have a right to dispute inaccurate information by contacting the credit bureau directly. However, neither you nor any "credit repair" company or credit services organization has the right to have accurate, current, and verifiable information removed from your credit bureau report. Under the federal Fair Credit Reporting Act, the credit bureau must remove accurate, negative information from your report only if it is over seven years old. Bankruptcy can be reported for ten years.

You have a right to sue a credit repair company that violates Minnesota's credit services organization act. This law prohibits deceptive practices by credit repair companies and gives you a right to cancel your contract for any reason within five working days from the date you signed it.

Credit bureaus are required to follow reasonable procedures to ensure that creditors report information accurately. However, mistakes may occur.

You may, on your own, notify a credit bureau in writing that you dispute the accuracy of information in your credit file. The credit bureau must then reinvestigate and modify or remove inaccurate information. The credit bureau may not charge any fee for this service. Any pertinent information and copies of any documents you have concerning an error should be given to the credit bureau.

If reinvestigation does not resolve the dispute to your satisfaction, you may send a brief statement to the credit bureau to keep in your file, explaining why you think the record is inaccurate. The credit

bureau must include your statement about disputed information with any reports it issues about you."

Sec. 7. [332.58] [CONTRACT.]

Subdivision 1. [REQUIREMENTS.] Each contract between the buyer and a credit services organization for the purchase of the services of the credit services organization must be in writing, dated, and signed by the buyer and must include the following:

(1) a conspicuous statement in boldface type, in immediate proximity to the space reserved for the signature of the buyer, as follows: "If you, the buyer, have been denied credit within the last 30 days, you may obtain a free copy of the consumer credit report from the consumer reporting agency. You also have the right to dispute inaccurate information in a report. You may cancel this contract at any time prior to midnight of the fifth day after the date of the transaction. See the attached notice of cancellation form for an explanation of this right";

(2) the terms and conditions of payment, including the total of all payments to be made by the buyer, whether to the credit services organization or to some other person;

(3) a full and detailed description of the services to be performed by the credit services organization for the buyer, including all guarantees and all promises of full or partial refunds, and the estimated date by which the services are to be performed or the estimated length of time for performing the services;

(4) the credit services organization's principal business address and the name and address of its agent in this state authorized to receive service of process; and

(5) with respect to the previous calendar year or the time period the credit services organization has been in business, whichever is shorter, the percentage of the credit services organization's customers for whom the credit services organization has fully and completely performed the services the credit services organization agreed to perform for the buyer.

Subd. 2. [NOTICE OF CANCELLATION.] The contract must be accompanied by a completed form in duplicate, captioned "Notice of Cancellation" that must be attached to the contract, is easily detachable, and contains in boldface type the following statement written in the same language as used in the contract:

"Notice of Cancellation

You may cancel this contract without any penalty or obligation within five days from the date the contract is signed.

If you cancel this contract, any payment made by you under this contract will be returned within ten days following receipt by the seller of your cancellation notice.

To cancel this contract, mail or deliver a signed dated copy of this cancellation notice, or any other written notice to .....(name of seller)..... at .....(address of seller)....., ...(place of business)..... not later than midnight .....(date).....

I hereby cancel this transaction,

.....(date).....

...(purchaser's signature)..."

Subd. 3. [BUYER'S COPY.] The credit services organization shall give to the buyer a copy of the completed contract and all other documents the credit services organization requires the buyer to sign at the time that they are signed.

Sec. 8. [332.59] [VIOLATIONS.]

Any person who violates sections 1 to 7 is guilty of a misdemeanor. The commissioner of commerce may bring a civil action or proceeding against a person who violates any provision of sections 1 to 7. A violation of sections 1 to 7 is a violation of section 325F.69, subdivision 1, and the provisions of section 8.31 apply. Sections 1 to 9 do not limit or restrict the right of any person to pursue any appropriate remedy for a violation of sections 1 to 9.

Sec. 9. [332.60] [DAMAGES.]

A buyer suffering damages as a result of a violation of sections 1 to 7 by a credit services organization may bring an action for recovery of damages. Subd. 2. [REFERENDUM LEVY.] (a) The levy authorized by section 124A.23, subdivision 2, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased levy as a percentage of net tax capacity, the amount that will be raised by that local tax rate in the first year it is to be levied, and that the local tax rate shall be used to finance school operations. The ballot shall designate the specific number of years for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the levy proposed by (petition to) the board of ....., School District No. .., be approved?"

If approved, the amount provided by the approved local tax rate applied to the net tax capacity for the year preceding the year the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the

referendum to each taxpayer at the address listed on the school district's current year's assessment roll, a notice of the referendum and the proposed levy increase. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "In 1989 the legislature reduced property taxes for education by increasing the state share of funding for education. However, state aid for cities and townships was reduced by a corresponding amount. As a result, property taxes for cities and townships may increase. Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce a levy for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

"Section 1. Minnesota Statutes 1990, section 168.021, subdivision 1, is amended to read:

Subdivision 1. [SPECIAL PLATES; APPLICATION FOR ISSUANCE.] (a) When a motor vehicle registered under section 168.017, a motorcycle, or a self-propelled recreational vehicle, is owned or primarily operated by a permanently physically disabled person or a custodial parent or guardian of a permanently physically disabled minor, the owner may apply for and secure from the registrar of motor vehicles two license plates with attached emblems, one plate to be attached to the front, and one to the rear of the vehicle. Application for the plates must be made at the time of renewal or first application for registration. When the owner first applies for the plates, the owner must submit a physician's statement on a form developed by the commissioner under section 169.345, or proof of physical disability provided for in that section.

(b) The owner of a motor vehicle may apply for and secure a set of special plates for a motor vehicle if:

Sec. 2. Minnesota Statutes 1990, section 169.345, subdivision 1, is amended to read:

Subdivision 1. [SCOPE OF PRIVILEGE.] A vehicle that prominently displays the certificate authorized by this section, or that bears license plates issued under section 168.021, may be parked by or for a physically disabled person:

For purposes of this subdivision, a certificate is prominently displayed if it is displayed on the dashboard in the left-hand corner of the front windshield of the vehicle with no part of the certificate obscured.

Notwithstanding clauses (1) and (2), this section does not permit parking in areas prohibited by sections 169.32 and 169.34, in

HOMESTEAD CREDIT TRUST

Section 1. [16A.711] [HOMESTEAD CREDIT TRUST.]

Subdivision 1. [CREATION.] The commissioner shall deposit to the credit of the homestead credit trust fund all money available to the credit of the trust. The commissioner shall maintain the trust as a separate fund to be used only to pay money, as provided by law, to individuals or local governments for property tax relief or to repay advances made by the general fund, as provided under subdivision 4.

Subd. 2. [APPROPRIATION.] The money to be paid by law from the homestead credit trust is appropriated annually.

Subd. 3. [ESTIMATES; REDUCTION OF PAYMENTS.] (a) At the beginning of each fiscal year the commissioner, in consultation with the commissioner of revenue, shall estimate for the fiscal year:

(1) the amount of revenues to be deposited in the trust under section 297A.44 or other law; and

(2) the payments authorized by law to be made out of the trust.

If the estimated payments exceed the estimated receipts of the trust, the appropriations from the trust to each program are proportionately reduced, unless otherwise provided by law.

If the estimated receipts of the trust exceed the estimated payments by $1,000,000 or more, the appropriation from the trust to each intergovernmental aid program is increased proportionately. The aid paid to each local government under the program shall be increased proportionately unless otherwise provided by law.

(b) If as a result of changes in economic conditions or if information becomes available that indicates changes either in receipts or payments from the trust, the commissioner may at other times estimate the amount of receipts or payments and reduce or restore the appropriations under paragraph (a).

Subd. 4. [GENERAL FUND ADVANCES.] If the money in the trust is insufficient to make payments on the dates provided by law, but the commissioner estimates receipts for the fiscal year will be sufficient, the commissioner shall advance money from the general fund to the trust necessary to make the payments. On or before the close of the biennium the trust shall repay the advances with

interest, calculated at the rate of earnings on invested treasurer's cash, to the general fund.

Sec. 2. [HOMESTEAD CREDIT TRUST; FISCAL YEARS 1992 AND 1993 APPROPRIATIONS.]

Subdivision 1. [APPROPRIATIONS.] (a) The amounts necessary to make the following fiscal year 1992 and 1993 payments are appropriated to the commissioner of revenue from the homestead credit trust:

(2) disparity reduction aid to counties, cities, towns, and special taxing districts under section 273.1398;

Subd. 2. [CONTINGENT REDUCTIONS.] If the commissioner of finance, in consultation with the commissioner of revenue, estimates that the receipts of the homestead credit trust will be insufficient to pay the appropriations under subdivision 1, the appropriations under paragraph (a), clause (5), and paragraph (b) shall be paid in full and the appropriations under paragraph (a), clauses (1) to (4), reduced as provided by chapter 477A.

Sec. 3. [273.1381] [COUNTIES ELECTING OUT OF HOMESTEAD CREDIT TRUST.]

(a) If a county does not impose the county option sales and use tax under section 297A.021 for the fiscal year, no payments may be made out of the homestead credit trust to the county or to a city, town, or special taxing district located in the county for the fiscal year, except as provided in paragraph (b).

(b) If a city or special taxing district is located in two or more counties and one or more of the counties imposes the county option sales tax and one or more of the counties does not, the city, town, or special taxing district's aid payments from the homestead credit trust equal the amount of the aid multiplied by a fraction, (1) the numerator of which is the net tax capacity of the taxing district in counties imposing the tax and (2) the denominator is the total net tax capacity of the taxing district.

(c) If a county does not impose the county option sales and use tax under section 297A.021 for the fiscal year, no special property tax refund under section 290A.04, subdivision 2h, shall be paid to owners of property in the county.

Sec. 4. Minnesota Statutes 1990, section 273.1398, subdivision 6, is amended to read:

The amounts certified shall not be reduced due to the failure of the county to impose the local option sales and use tax provided in section 297A.021. The disparity reduction credit provided in subdivision 4 must be paid to taxing jurisdictions other than school districts at the time provided in section 473H.10, subdivision 3. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax.

Sec. 5. Minnesota Statutes 1990, section 273.1398, subdivision 7, is amended to read:

Subd. 7. [APPROPRIATION.] An amount sufficient to pay the aids and credits provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity is annually appropriated from the general fund to the commissioner of revenue.

Sec. 6. Minnesota Statutes 1990, section 477A.011, subdivision 27, as amended by Laws 1991, chapter 2, article 8, section 2, is amended to read:

Subd. 27. [REVENUE BASE.] "Revenue base" means the amount levied for taxes payable in ~~1991~~ the current year, including the levy on the fiscal disparity distribution under section 473F.08, subdivi-

For the cut in the December 1991 aid payments and for adjustments under section 477A.013, subdivision 1a, the revenue base is less the special levies under section 275.50, subdivision 5, clause (a).

Sec. 7. Minnesota Statutes 1990, section 477A.011, subdivision 28, as amended by Laws 1991, chapter 2, article 8, section 3, is amended to read:

Subd. 28. [REDUCTION PERCENTAGE.] "Reduction percentage" means the equal percentage reduction in each county and city revenue base that was necessary to reduce 1990 aid payments by $28,000,000 under sections 477A.012, subdivision 5, and 477A.013, subdivision 7, and, in addition, the equal percentage reduction in each county, city, town, and special taxing district revenue base that is necessary to reduce the July 20, 1991, aid payments under sections 477A.012, subdivisions 1, 3, and 5; 477A.013, subdivisions 1, 3, 5, 6, and 7; and 273.1398, subdivisions 2 and 3, by a combined amount of $50,000,000 and the December 1991 payments by a combined amount of $25,000,000. For reductions under section 477A.013, subdivision 1a, the reduction percentage means the equal percentage reduction in each county, city, town, and special taxing district revenue base that is necessary to reduce the aid payments under sections 273.1398, subdivisions 2 and 3; 477A.012, subdivisions 1, 3, and 5; and 477A.013, subdivisions 1, 3, 5, 6, and 7, by a combined amount equal to the difference between the payments provided for under these sections and the estimated appropriations for these purposes under section 2.

Sec. 8. Minnesota Statutes 1990, section 477A.012, subdivision 6, as added by Laws 1991, chapter 2, article 8, section 5, is amended to read:

Subd. 6. [1991 COUNTY AID ADJUSTMENT.] A county's July 20, 1991, payment of local government aid and homestead and agricultural credit aid is reduced by the product of its revenue base and the reduction percentage. The aid reduction is first applied to a county's local government aid in its scheduled July 20, 1991, aid payment. If the aid reduction is greater than the local government aid amount in its scheduled July 20, 1991, aid payment, the remaining amount is then applied to the county's homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The July 20, 1991, local government aid, homestead

and agricultural credit aid, and disparity reduction aid payment to a county after this reduction cannot be less than $0.

A county's December 1991 payment of local government aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a county's local government aid in its scheduled December 1991 aid payment. If the aid reduction is greater than the local government aid amount in its scheduled December 1991 aid payment, the remaining amount is then applied to the county's homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The December 1991 local government aid, homestead and agricultural credit aid, and disparity reduction aid payment to a county after this reduction cannot be less than $0.

Sec. 9. Minnesota Statutes 1990, section 477A.014, is amended by adding a subdivision to read:

Subd. 1a. [ADJUSTMENTS FOR HOMESTEAD CREDIT TRUST REVENUES.] If the amount appropriated under section 2 for homestead and agricultural credit aid and disparity reduction aid under section 273.1398, and local government aid under sections 477A.011 to 477A.013, except aid under section 477A.012, subdivision 2, is less than or greater than the amounts certified to be paid by the commissioner of revenue, the aids will be reduced or increased in the following manner unless otherwise provided for in law.

Each city's, county's, town's, and special taxing district's aids will be reduced or increased by the product of its revenue base and the reduction percentage. In the case of an aid reduction, the reduction is first applied to the local government aid amount under chapter 477A. If the aid reduction is greater than the local government aid amount, the remaining reduction amount is then applied to the local government's homestead and agricultural credit aid, and then if necessary, to its disparity reduction aid. In the case of an aid increase, the increase will be added to the local government aid amount. The aid reduction or increase will be split equally between the July 20 and December aid payments each year.

If the commissioner estimates an additional reduction or increase in appropriations for these programs after the July 20 aid payment but before the December payment, the December aid payments to local governments for these programs will be reduced or increased proportionately.

Sec. 10. Minnesota Statutes 1990, section 477A.013, subdivision 8, as added by Laws 1991, chapter 2, article 8, section 8, is amended to read:

Subd. 8. [1991 CITY, OR TOWN AID ADJUSTMENT.] A city or town's July 20, 1991, payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base, and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a city or town's local government aid amount in its scheduled July 20, 1991, aid payment. If the aid reduction is greater than the local government aid amount in its scheduled July 20, 1991, aid payment, the remaining amount is then applied to the city or town's equalization aid, and then, if necessary, to its homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The July 20, 1991, local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid payment to a city or town after this reduction cannot be less than $0.

A city's or town's December 1991 payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base, and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a city's or town's local government aid amount in its scheduled December 1991 aid payment. If the aid reduction is greater than the local government aid amount in its scheduled December 1991 aid payment, the remaining amount is then applied to the city's or town's equalization aid, and then, if necessary, to its homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The December 1991 local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid payment to a city or town after this reduction cannot be less than $0.

477A.0135 [SPECIAL TAXING DISTRICTS; 1991 AID REDUCTION.]

A special taxing district's July 20, 1991, payment of homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a special taxing district's homestead and agricultural credit aid amount in its scheduled July 20, 1991, aid payment. If the aid reduction is greater than the homestead and agricultural credit aid amount in its scheduled July 20, 1991, aid payment, the remaining amount is then applied to the special taxing district's disparity reduction aid. The July 20, 1991, homestead and agricultural credit aid and disparity reduction aid payment to a special taxing district after this reduction cannot be less than $0.

A special taxing district's December 1991 payment of homestead

and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a special taxing district's homestead and agricultural credit aid amount in its scheduled December 1991 aid payment. If the aid reduction is greater than the homestead and agricultural credit aid amount in its scheduled December 1991 aid payment, the remaining amount is then applied to the special taxing district's disparity reduction aid. Subd. 2. [EXEMPTION.] The gross earnings or operating revenues from the utility's operations in the municipality do not include revenue derived from the sale of natural, manufactured or mixed gas, or electricity by the public utility to another public utility for resale.

Subd. 3. [DEFINITIONS.] "Public utility" has the meaning given in section 216B.02, except it also includes (1) a municipality or cooperative electric association organized under chapter 308A, and (2) a public utility whose total natural gas business consists of supplying natural, manufactured or mixed gas to no more than 650 customers within the municipality.

Subd. 7. [COLLECTION.] The statutory or home rule charter city, town, or county may agree with the commissioner of revenue that a tax imposed pursuant to this section shall be collected by the commissioner together with the tax imposed by chapter 297A, and subject to the same interest, penalties, and other rules and that its proceeds, less the cost of collection, shall be remitted to the city.

Subd. 2. Notwithstanding Minnesota Statutes, Section 477A.01, Subdivision 18, or any other law, ordinance, or city charter provision to the contrary, the city of Duluth may, by ordinance, impose an additional sales tax of up to one percent on sales transactions which are described in Minnesota Statutes, Section 297A.01, Subdivision 3, Clause (c). Sec. 14. Laws 1990, chapter 604, article 6, section 9, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] Notwithstanding Minnesota Statutes, section 469.190, 477A.016, or other law, in addition to the tax authorized in Laws 1986, chapter 391, section 4, the governing body of the city of Bloomington may impose a tax of up to one percent on the gross receipts from the furnishing for consideration of lodging at a hotel, motel, rooming house, tourist court, or resort, other than the renting or leasing of it for a continuous period of 30 days or more, located in the city. The city may agree with the commissioner of revenue that a tax imposed under this section shall be collected by the commissioner together with the tax imposed by Minnesota Statutes, chapter 297A, and subject to the same interest, penalties, and other rules and that its proceeds, less the cost of collection, shall be remitted to the city. The proceeds of the tax must be used ~~to promote the metropolitan sports area defined in Minnesota Statutes, section 473.551, subdivision 5~~ by the Bloomington convention bureau only to market and promote the city as a tourist or convention center. If the duties of the convention bureau as they existed on January 1, 1991, are assigned to another agency, the tax shall cease.

Sec. 15. [REVISOR'S INSTRUCTION.]

In the next edition of Minnesota Statutes, the revisor of statutes shall recodify Minnesota Statutes, section 469.190 to reflect the fact that the revenue from a lodging tax is no longer restricted to economic development purposes.

Sec. 16. [EFFECTIVE DATE.]

Sections 1 to 12 are effective for sales made after June 30, 1991. Section 13 is effective the day after approval in compliance with Minnesota Statutes, section 645.021, subdivision 3, by the city council of Duluth. Section 14 takes effect the day after the governing body of the city of Bloomington complies with Minnesota Statutes, section 645.021, subdivision 3.

ARTICLE 3

PROPERTY TAXES

Section 1. [117.57] [AUTHORITIES; RAILROAD PROPERTIES.]

Subdivision 1. [EMINENT DOMAIN.] The power of eminent domain of an authority, as defined in section 469.174, subdivision 2, extends to railroad properties located within the authority's limits, provided:

(1) the railroad property is not a line of track for which abandonment is required under federal law, or if it is a line of track for which abandonment is required under federal law, abandonment has been approved;

(2) some part of the property contains land pollution as defined in section 116.06, or contains a release or threatened release of petroleum, as provided in chapter 115C, or contains a release or threatened release of a pollutant, contaminant, hazardous substance, or hazardous waste, as provided in chapter 115B; and

(3) the authority intends to develop the property and has a plan for its cleanup and development within five years in order to maximize its market value.

Upon a showing by the petitioner in condemnation proceedings that the conditions described in clauses (1) to (3) exist, then the public use to which the authority would put the property is adjudged a superior public use to railroad use or any other past, present, or proposed future use, regardless of whether the property is held in trust, was previously acquired by condemnation, or is owned by a railroad.

Subd. 2. [RELATION TO STATE RAIL BANK.] Nothing in this section shall supersede the provisions of section 222.63.

Subd. 3. [RELATION TO REGIONAL RAILROAD AUTHORITIES.] An authority shall not be adjudged to have a superior public use to that of a regional railroad authority as defined in section 398A.01.

Sec. 2. Minnesota Statutes 1990, section 124A.03, subdivision 2, is amended to read:

Subd. 2. [REFERENDUM LEVY.] (a) The levy authorized by section 124A.23, subdivision 2, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. Unless the referendum is conducted by mail under paragraph (g), the referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased levy as a percentage of net tax capacity, the amount that will be raised by that local tax rate in the first year it is to be levied, and that the local tax rate shall be used to finance school operations. The ballot may state that existing levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring authority. The ballot shall designate the specific number of years for which the referendum authorization shall apply. The ballot

may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the levy proposed by (petition to) the board of ....., School District No. .., be approved?"

If approved, the amount provided by the approved local tax rate applied to the net tax capacity for the year preceding the year the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the referendum to each taxpayer at the address listed on the school district's current year's assessment roll, a notice of the referendum and the proposed levy increase. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy, if any, in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "In 1989 the legislature reduced property taxes for education by increasing the state share of funding for education. However, state aid for cities and townships was reduced by a corresponding amount. As a result, property taxes for cities and townships may increase. Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to paragraph (a) must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or

reduction referendum may be held to revoke or reduce a levy for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 15 days after the results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

(g) Any referendum under this section held on a day other than the first Tuesday after the first Monday in November must be conducted by mail in accordance with section 204B.46. Notwithstanding paragraph (b) to the contrary, in the case of a referendum conducted by mail under this paragraph, the notice required by paragraph (b) shall be prepared and delivered by first class mail at least 20 days before the referendum.

Sec. 3. Minnesota Statutes 1990, section 124A.03, is amended by adding a subdivision to read:

Subd. 2a. [SCHOOL REFERENDUM LEVY; MARKET VALUE.] Notwithstanding the provisions of subdivision 2, a school referendum levy approved after the day of final enactment, shall be levied against the market value of all taxable property. Any referendum levy amount subject to the requirements of this subdivision shall be certified separately to the county auditor under section 275.07.

The ballot shall state the maximum amount of the increased levy as a percentage of market value, the amount that will be raised by that new school referendum tax rate in the first year it is to be levied, and that the new school referendum tax rate shall be used to finance school operations.

If approved, the amount provided by the new school referendum tax rate applied to the market value for the year preceding the year the levy is certified, shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

All other provisions of subdivision 2 that do not conflict with this subdivision shall apply to referendum levies under this subdivision.

Sec. 4. Minnesota Statutes 1990, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 1a, 6, 8, ~~and~~ 9, 11, and 12, or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under $100 is rounded up to $100 and any amount exceeding $100 shall be rounded to the nearest $100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. The assessor shall take into account the effect on the market value of property of environmental factors in the vicinity of the property. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the valuation of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot~~, or for a period of three years after final approval of said plat whichever is shorter~~. When a lot is sold or construction begun, that lot ~~or any single contiguous lot fronting on the same street~~ shall be eligible for revaluation. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 5. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 1a. [GENERAL AND ROUTINE MAINTENANCE.] General and routine maintenance of structures classified under section 273.13, subdivisions 22 and 23, shall not be subject to assessment and shall be disregarded in establishing market value, provided that it is owned by the same taxpayer in the current and previous

years' assessment. For purposes of this subdivision, "general and routine maintenance" includes, but is not limited to, the following items:

(1) roof repair, including replacement;

(2) siding repair, including replacement;

(3) window repair, including replacement;

(4) paint, stain, wallpaper, and floor coverings;

(5) smoke detection, security, and sprinkler systems;

(6) plumbing repair, including replacement;

(7) electrical rewiring; and

(8) any maintenance necessary to bring the structure into conformance with building codes and minimum housing standards. General and routine maintenance does not include any structural changes made to the improvement such as adding square footage, changing interior walls, adding a bathroom, or adding a fireplace.

Sec. 6. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 11. [VALUATION OF RESTORED WETLAND.] Wetlands restored by a federal, state, or local government, or by a nonprofit organization, must be valued by county assessors at its wetland value. The commissioner of revenue shall establish guidelines for the assessors by October 1, 1991, in determining an appropriate market value for this property for its use as wetlands. Any other potential use of this land must be disregarded in establishing the market value. The property owner shall notify the county assessor of the county in which the property is located that the property has been granted wetland status and provide any necessary documentation that the assessor requires to verify the property's wetland status.

For purposes of this subdivision, "wetlands" means lands transitional between terrestrial and aquatic systems where the water table is usually at or near the surface or the land is covered by shallow water. For purposes of this definition, wetlands must have the following three attributes:

(1) have a predominance of hydric soils;

(2) are inundated or saturated by surface or ground water at a frequency and duration sufficient to support a prevalence of hydro-

phytic vegetation typically adapted for life in saturated soil conditions; and

(3) under normal circumstances support a prevalence of such vegetation.

Sec. 7. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 12. [LOW-INCOME HOUSING.] In addition to the normal market value determination, a special market value for properties classified under section 273.13, subdivision 25, paragraph (c), clauses (1)(ii), (3), and (4), which have applied for treatment under this subdivision, shall be determined by capitalizing the net operating income derived from actual restricted rents and standardized expenses which are from time to time determined by the housing finance agency for like projects. Net operating incomes must be greater than zero. The special market value shall be used to compute the taxes owing only on that portion of the structure occupied by low-income, elderly, or handicapped persons or low- and moderate-income families as defined in the applicable laws. Management of properties valued under this subdivision must demonstrate annually to the assessor that tax savings realized by use of this method of valuation have inured to the tenants. The tax savings shall be used for reduced rents, improved maintenance, capital improvements, or capital reserves. Capital reserves must be in accordance with agreements approved by the governmental regulatory authority. After the first year, certification that the funds have been spent as required shall be made by an independent auditor performing the financial audit or review on the property as required by the regulatory authority. If it is determined from the audit that the benefit has not inured to the tenants, the independent auditor shall notify the county assessor and the assessor shall impose additional property taxes in the amount of triple the difference between the taxes determined in accordance with this subdivision and the amount it would pay if it were valued according to subdivision 1 and classified according to section 273.13, subdivision 25, paragraph (a) or (b), as appropriate for those years in which the benefit of the tax savings did not inure to the tenants.

Sec. 8. Minnesota Statutes 1990, section 273.112, subdivision 1, is amended to read:

Subdivision 1. This section may be cited as the "Minnesota ~~open space~~ recreational property tax law."

Sec. 9. Minnesota Statutes 1990, section 273.112, subdivision 2, is amended to read:

Subd. 2. The present general system of ad valorem property taxation in the state of Minnesota does not provide an equitable

basis for the taxation of certain private ~~outdoor~~ recreational, open space and park land property and has resulted in excessive taxes on some of these lands. Therefore, it is hereby declared that the public policy of this state would be best served by equalizing tax burdens upon private ~~outdoor~~, recreational, open space and park land within this state through appropriate taxing measures to encourage private development of these lands which would otherwise have to be provided by governmental authority.

Sec. 10. Minnesota Statutes 1990, section 273.112, subdivision 3, is amended to read:

Subd. 3. Real estate shall be entitled to valuation and tax deferment under this section only if it is:

(a) actively and exclusively devoted to golf, skiing, or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of an archery or firearms range or an establishment actively and exclusively devoted to indoor fitness, health, social, recreation, and related uses in which the establishment is owned and operated by a nonprofit corporation;

(c)(1) operated by private individuals and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more, provided that the club does not discriminate in membership requirements or selection on the basis of sex; and

(d) made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.

If a golf club membership allows use of golf course facilities by more than one adult per membership, the use must be equally available to all adults entitled to use of the golf course under the membership, except that use may be restricted on the basis of sex as permitted in this section. Memberships that permit play during restricted times may be allowed only if the restricted times apply to all adults using the membership. A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to

that person's spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those facilities and services for both men and women members in all membership categories at all times. Nothing in this paragraph shall be construed to require service or access to facilities to persons under the age of 21 years or require any act that would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.

Sec. 11. Minnesota Statutes 1990, section 273.112, subdivision 4, is amended to read:

Subd. 4. The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 6, be determined solely with reference to its appropriate private ~~outdoor~~, recreational, open space and park land classification and value notwithstanding sections 272.03, subdivision 8, and 273.11. In determining such value for ad valorem tax purposes the assessor shall not consider the value such real estate would have if it were converted to commercial, industrial, residential or seasonal residential use.

Sec. 12. Minnesota Statutes 1990, section 273.12, is amended to read:

273.12 [ASSESSMENT OF REAL PROPERTY.]

It shall be the duty of every assessor and board, in estimating and determining the value of lands for the purpose of taxation, to consider and give due weight to every element and factor affecting the market value thereof, including its location with reference to roads and streets and the location of roads and streets thereon or over the same, and to take into consideration a reduction in the acreage of each tract or lot sufficient to cover the amount of land actually used for any improved public highway and the reduction in area of land caused thereby, provided, that in determining the

market value of vacant land, the fact that such land is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot~~, or for a period of three years after final approval of said plat whichever is shorter~~. When a lot is sold or construction begun, the net tax capacity of that lot ~~or any single contiguous lot fronting on the same street~~ shall be eligible for reassessment. It shall be the duty of every assessor and board, in estimating and determining the value of lands for the purpose of taxation, to consider and give due weight to lands which are comparable in character, quality, and location, to the end that all lands similarly located and improved will be assessed upon a uniform basis and without discrimination and, for agricultural lands, to consider and give recognition to its earning potential as measured by its free market rental rate.

Notwithstanding the provisions of this or any other section, no additional value shall be assessed for unmined mineral value except for iron ore or taconite.

Sec. 13. Minnesota Statutes 1990, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

The assessor shall require proof, by affidavit or otherwise, of the facts upon which classification as a homestead may be determined.

For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

In the case of property owned by a married couple in joint tenancy or tenancy in common, the assessor must not deny homestead treatment in whole or in part if only one of the spouses is occupying the property and the other spouse is absent due to divorce or separation, or is a resident of a nursing home or a boarding care facility.

If property is owned in joint tenancy or tenancy in common by parents and children who occupy the property for purposes of a homestead, the assessor must not deny homestead treatment in whole or in part because a parent or a child ceases to occupy the property. For purposes of this paragraph, "parents" and "children" include relationships by marriage.

If an individual is purchasing property with the intent of claiming it as a homestead, and is required by the terms of the financing agreement to have ~~one or both parents~~ a relative shown on the deed as ~~coowners~~ a coowner, the assessor shall allow a full homestead classification ~~and extend full homestead credit~~. This provision only applies to first time purchasers, whether married or single, or to a person who had previously been married and is purchasing as a single individual for the first time. For purposes of this paragraph, "relative" means a parent, stepparent, grandparent, brother, sister, uncle, or aunt. The relationship may be by blood or marriage. The application for homestead benefits must be on a form prescribed by the commissioner and must contain the data necessary for the assessor to determine if full homestead benefits are warranted.

Sec. 14. Minnesota Statutes 1990, section 273.124, subdivision 7, is amended to read:

Subd. 7. [LEASED BUILDINGS OR LAND.] For purposes of class 1 determinations, homesteads include:

(a) buildings and appurtenances owned and used by the occupant as a permanent residence which are located upon land the title to which is vested in a person or entity other than the occupant;

(b) all buildings and appurtenances located upon land owned by the occupant and used for the purposes of a homestead together with the land upon which they are located, if all of the following criteria are met:

(1) the occupant is using the property as a permanent residence;

(2) the occupant is paying the property taxes and any special assessments levied against the property;

(3) the occupant has signed a lease which has an option to purchase the buildings and appurtenances;

(4) the term of the lease is at least five years; and

(5) the occupant has made a down payment of at least $5,000 in cash if the property was purchased by means of a contract for deed or subject to a mortgage;

(c) buildings and appurtenances, together with the land upon which they are located, leased by the occupant under a lease-purchase program administered by the Minnesota housing finance agency or a city, provided the occupant's income is no greater than 60 percent of the county or area median income. For purposes of this subdivision, "city" has the meaning given in section 462C.02, subdivision 6;

(d) buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the federal national mortgage association, provided the occupant's income is no greater than 60 percent of the county or area median income; and

(e) federally acquired building and appurtenances, together with the land upon which they are located that is leased to a nonprofit corporation organized under chapter 317A that qualifies for tax exempt status under United States Code, title 26, section 501(c), or a housing and redevelopment authority authorized under sections 469.001 to 469.047. The purpose of the lease must be to allow the nonprofit corporation to provide homeownership opportunities or transitional housing for homeless persons. If the property is purchased from the federal government by the nonprofit corporation for the purpose of continuing to provide transitional housing after the expiration of the lease, the property shall continue to be eligible for homestead treatment under this subdivision.

Any taxpayer meeting ~~all~~ the requirements of ~~this~~ paragraph (b), (c), (d), or (e) must notify the county assessor, or the assessor who has the powers of the county assessor pursuant to section 273.063, in writing, as soon as possible after signing the lease agreement and occupying the buildings as a homestead.

Sec. 15. Minnesota Statutes 1990, section 273.124, subdivision 14, is amended to read:

Subd. 14. [AGRICULTURAL HOMESTEADS; SPECIAL PROVISIONS.] (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

(1) the parcel on which the house is located is contiguous ~~to agricultural land~~ on at least two sides to (i) agricultural land, (ii)

land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the department of natural resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

(2) its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

(3) the noncontiguous land is located not farther than two townships or cities, or a combination of townships or cities from the homestead; and

(4) the agricultural use value of the *noncontiguous* land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this subdivision shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4).

(b) Noncontiguous land shall be included as part of a homestead under section 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached land is located in the same township or city, or not farther than two townships or cities or combination thereof from the homestead.

(c) Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified as a homestead under section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a.

Sec. 16. Minnesota Statutes 1990, section 273.13, subdivision 22, is amended to read:

Subd. 22. [CLASS 1.] (a) Except as provided in subdivision 23, real estate which is residential and used for homestead purposes is class 1. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $68,000 of market value of class 1a property has a net class rate of one percent of its market value and a gross class rate of 2.17 percent of its market value. For taxes payable in 1992, the

market value of class 1a property that exceeds $68,000 but does not exceed $110,000 has a class rate of two percent of its market value.; and the market value of class 1a property that exceeds $110,000 has a class rate of ~~three~~ 2.5 percent of its market value. For taxes payable in 1993 and thereafter, the market value of class 1a property that exceeds $68,000 has a class rate of two percent.

(b) Class 1b property includes real estate or manufactured homes used for the purposes of a homestead by

(1) any blind person, if the blind person is the owner thereof or if the blind person and the blind person's spouse are the sole owners thereof; or

(2) any person, hereinafter referred to as "veteran," who:

(i) served in the active military or naval service of the United States; and

(ii) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or a wheelchair; and

(iii) ~~with assistance by the administration of veterans affairs~~ has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability, or the surviving spouse of the deceased veteran for as long as the surviving spouse retains the special housing unit as a homestead; or

(3) any person who:

(i) is permanently and totally disabled and

(ii) receives 90 percent or more of total income from

(A) aid from any state as a result of that disability; or

(B) supplemental security income for the disabled; or

(C) workers' compensation based on a finding of total and permanent disability; or

(D) social security disability, including the amount of a disability insurance benefit which is converted to an old age insurance benefit and any subsequent cost of living increases; or

(E) aid under the Federal Railroad Retirement Act of 1937, United States Code Annotated, title 45, section 228b(a)5; or

(F) a pension from any local government retirement fund located in the state of Minnesota as a result of that disability; or

(G) a pension from a local union if the pension is guaranteed by the federal government; or

~~(iii)~~ (4) any person who is permanently and totally disabled and whose household income as defined in section 290A.03, subdivision 5, is 150 percent or less of the federal poverty level.

Subd. 32. [TARGET CLASS RATE.] All classes of property with a class rate of 5.06 percent have a target class rate of four percent. At the time of submission of the biennial budget under section 16A.11,

the governor shall recommend the effective class rate for taxes payable in the following two calendar years by designating a "phase-in percentage," equal to the proportion of the effective class rate that will be based on the target class rate of four percent, with the remaining proportion based on the class rate of 5.06 percent. The governor shall identify and include within the budget funding for the increased expenditures for homestead and agricultural credit aid over the amount of expenditures for homestead and agricultural credit aid provided in Laws 1989, First Special Session chapter 1, that are estimated to result from the recommendation. At that time, the governor may propose alternative programs other than homestead and agricultural credit aid to prevent other taxpayers' taxes from increasing as a result of the governor's recommended increase in the phase-in percentage. The effective net class rate is the sum of the products of:

(1) the phase-in percentage adopted by the legislature multiplied by four percent; and

(2) 100 percent minus the phase-in percentage multiplied by 5.06 percent.

The phase-in percentage in any year cannot be less than it was in the prior year. The phase-in percentage is ten percent for taxes payable in 1991 ~~is ten percent provided that the governor may recommend an alternative phase-in percentage for taxes payable in 1991~~, 19.8 percent for taxes payable in 1992, and 29.2 percent for taxes payable in 1993.

Beginning in 1991, the commissioner of revenue shall annually set the effective class rate to use for taxes payable in the following year as provided in this subdivision and announce it by June 1. For purposes of any aid, levy limitation, debt limit, or salary limitation, and property tax administration, net tax capacity must be computed with reference to the effective class rate for the properties affected by this subdivision.

Sec. 21. Minnesota Statutes 1990, section 273.13, is amended by adding a subdivision to read:

Subd. 33. [UNIMPROVED PROPERTY.] Real property that is not improved with a structure and that is not used as part of a commercial or industrial activity must be classified and assessed according to its highest and best use permitted under the local zoning ordinance. If the ordinance permits more than one use, the land must be classified and assessed according to the highest and best use permitted under the ordinance. If no such ordinance exists, the assessor shall consider the most likely potential use of the vacant land based upon the use made of surrounding land or land in proximity to the vacant land.

Sec. 22. Minnesota Statutes 1990, section 275.065, subdivision 1a, is amended to read:

Subd. 1a. [OVERLAPPING JURISDICTIONS.] In the case of a taxing authority lying in two or more counties, the home county auditor shall certify the proposed levy to the other county auditor by September 20 for taxes levied in 1990~~,~~ and ~~thereafter~~ 1991, and the proposed local tax rate by September 5 for taxes levied in ~~1991,~~ 1992 and thereafter~~, for counties containing a city of the first class~~. The home county auditor must estimate the levy or rate in preparing the notices required in subdivision 3, if the other county has not certified the appropriate information. If requested by the home county auditor, the other county auditor must furnish an estimate to the home county auditor.

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver on or before November 10 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

The resulting ratio, the taxing district's new referendum tax rate, multiplied by each property's estimated market value shall be each property's new referendum tax before reduction by any credits.

Sec. 27. [275.59] [LEVY OR BOND REFERENDUM; BALLOT NOTICE.]

Notwithstanding any general or special law or any charter provisions, any question submitted to the voters by any local governmental subdivision at a general or special election after the day of final enactment, authorizing a property tax levy or tax rate increase, including the issuance of debt obligations payable in whole

or in part from property taxes, must include on the ballot the following notice in bold-face type.

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING FOR A PROPERTY TAX INCREASE."

For purposes of this section, "local governmental subdivision" includes counties, home rule and statutory cities, towns, school districts, and all special taxing districts. This statement is in addition to any general or special laws or any charter provisions that govern the contents of a ballot question.

Sec. 28. [275.60] [REFERENDUM LEVY; MARKET VALUE.]

Any levy required to be approved and approved by the voters at a general or special election after the day of final enactment, including school district referenda under section 124A.03, subdivision 29, shall be levied against the market value of all taxable property within the governmental subdivision. Any levy amount subject to the requirements of this section shall be certified separately to the county auditor under section 275.07.

The ballot shall state the maximum amount of the increased levy as a percentage of market value and the amount that will be raised by the new referendum tax rate in the first year it is to be levied.

Sec. 29. [276.035] [DISCOUNT FOR PREPAYMENT.]

Subdivision 1. [DISCOUNT ALLOWED; AMOUNT.] The county treasurer shall allow a percentage discount to a taxpayer who pays property taxes on qualifying property in full on or before May 15 or ten days after the postmark date on the envelope containing the property tax statement, whichever is later. The discount applies to payment of current taxes only, after all delinquent taxes, interest, and penalties have been paid.

The percentage discount is one-fourth of the percentage rate determined under section 270.75, subdivision 5. The commissioner of revenue shall determine and notify county treasurers by January 1 of the discount percentage for taxes payable in the current year.

Subd. 2. [DEFINITIONS.] For purposes of this section:

(1) "Taxes" means only real property taxes and property taxes due under section 273.19, after reduction for any credits, if the taxes exceed $50. Except as provided in this subdivision "taxes" does not include taxes on personal property, special assessments, or payments or special assessments imposed in lieu of taxes; and

(2) "Qualifying property" means property classified under section 273.13, subdivisions 22, 23, and 25.

Subd. 3. [DISTRIBUTION.] The amount of the taxes collected after application of the discount must be apportioned among and distributed to the local taxing jurisdiction by the county auditor and treasurer as part of the settlement under sections 276.09 to 276.11.

Sec. 30. Minnesota Statutes 1990, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality and school district must be separately stated. The amounts due other taxing districts, if any, may be aggregated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value as defined in section 272.03, subdivision 8;

(2) the property's gross tax, calculated by multiplying the property's ~~gross~~ net tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in ~~clause~~ clauses (3) and (4);

(3) a total of the following aids:

(i) education aids payable under chapters 124 and 124A;

(ii) local government aids for cities, towns, and counties under chapter 477A; and

(iii) disparity reduction aid under section 273.1398;

(4) for homestead residential and agricultural properties, the homestead and agricultural credit aid apportioned to the property. This amount is obtained by ~~multiplying~~ apportioning the total ~~local tax rate by~~ homestead and agricultural credit aid under section 273.1398, subdivision 2, to all property types which qualified for either homestead or agricultural credit for taxes payable in 1989, based upon the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." ~~For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989~~ For taxes payable in 1992, the statement shall indicate that this item may be different than the amount shown on the previous year's statement due to a change in the way the credit is calculated;

(5) any credits received under sections 273.119; 273.123; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; ~~and~~

(6) the net tax payable in the manner required in paragraph (a)~~.~~; and

(7) any additional amount of tax authorized under sections 124A.03, subdivision 2a, and 275.60. These amounts shall be listed as "voter approved referenda levies."

The commissioner of revenue shall certify to the county auditor the actual or estimated aids enumerated in clauses (3) and (4) that local governments will receive in the following year for each unique taxing jurisdiction as defined in section 273.1398, subdivision 1. ~~In the case of a county containing a city of the first class, for taxes levied in 1991, and for all counties~~ For taxes levied in 1992 and thereafter, the commissioner must certify this amount by September 1.

(d) Property tax statements must notify taxpayers that a discount is available for prepayment of the entire tax amount in the case of qualifying property as defined under section 276.035, subdivision 2, clause (2). It must state that payment must be made by the later of

May 15 or ten days after the postmark date on the envelope containing the property tax statement.

Sec. 31. Minnesota Statutes 1990, section 279.03, subdivision 1a, is amended to read:

Subd. 1a. [RATE AFTER DECEMBER 31, 1990.] (a) Except as provided in paragraph (b), interest on delinquent property taxes, penalties, and costs unpaid on or after January 1, 1991, shall be payable at the per annum rate determined in section 270.75, subdivision 5. If the rate so determined is less than ten percent, the rate of interest shall be ten percent. The maximum per annum rate shall be 14 percent if the rate specified under section 270.75, subdivision 5, exceeds 14 percent. The rate shall be subject to change on January 1 of each year.

(b) If a person is the owner of one or more parcels of property on which taxes are delinquent, and the aggregate tax capacity of that property exceeds five percent of the total tax capacity of the school district in which the property is located, or the owner of one or more parcels of property owes more than 25 percent of the prior year's school district levy, interest on the delinquent property taxes, penalties, and costs unpaid after January 1, 1992, shall be payable at twice the rate determined under paragraph (a) for the year.

Sec. 32. Minnesota Statutes 1990, section 281.17, is amended to read:

281.17 [PERIOD FOR REDEMPTION.]

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota if the land is within an incorporated area unless it is: (a) nonagricultural homesteaded land as defined in section 273.13, subdivision 22~~,~~; (b) homesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (a)~~,~~; or (c) seasonal recreational land as defined in section 273.13, subdivision 25, paragraph ~~(d)(1) or~~ (c)~~(4)~~ clause (5), ~~in~~ for which ~~event~~ the period of redemption is five years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, and sold to the state at a tax judgment sale is three years from the date of sale. The period of redemption for all lands located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, except homesteaded lands as defined in section 273.13, subdivision 22, and sold to the state at a tax judgment sale is one year from the date of sale.

The period of redemption for all other lands sold to the state at a tax judgment sale shall be five years from the date of sale, except that the period of redemption for nonhomesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (b), shall be two years from the date of sale if at that time, that property is owned by a person who owns one or more parcels of property on which taxes are delinquent, and the aggregate tax capacity of that property exceeds five percent of the total tax capacity of the school district in which the property is located, or the owner of one or more parcels of that property owes more than 25 percent of the prior year's school district levy.

Sec. 33. Minnesota Statutes 1990, section 430.102, subdivision 3, is amended to read:

Subd. 3. [ANNUAL IMPROVEMENT ASSESSMENT PROCEDURE; APPEALS.] When the council has acted on the estimate of costs, the city engineer, with the assistance of the city assessor, shall prepare an assessment roll. The roll must list separately the amounts to be specially assessed against benefited and assessable property in the district in proportion to the benefits, descriptions of the property, and the names of the owners of the property to the extent they are available to the engineer. The assessment roll must be filed in the office of the city clerk and be available there for inspection.

The city council shall meet to consider objections to the amounts of special assessments at least ten days after a notice of hearing has been mailed to the named owners of the tracts, parcels, and lots of property proposed to be assessed. The notice must give the time, place, and purpose of the meeting, but may refer to the assessment roll for further particulars. When the city council has approved the amounts of the special assessments in the assessment roll or has changed them, the city clerk shall certify a copy of the assessment roll, with any changes, to the county auditor to be extended on the tax lists of the county. The special assessments must be collected with and in the same manner as other taxes on property for the current year.

Within 20 days after the adoption of the assessment, an aggrieved person may appeal to the district court as provided in section 430.03 except that no commissioners will be appointed to consider the amount of benefits. If the court finds that the assessment is not arbitrary, unreasonable, or made under a demonstrable mistake of fact or erroneous theory of law, it shall confirm the proceedings~~;~~. If the court finds that the assessment is valid but for the inclusion of one or more items of cost, it shall reduce the assessment by the amount erroneously included and confirm the assessment as reduced. Otherwise the court shall remand the matter to the city council for reconsideration and reassessment of the benefits after notice and hearing like those for the original assessments under this

subdivision. Objections to the assessment are waived unless appealed under this paragraph.

Sec. 34. Minnesota Statutes 1990, section 430.102, subdivision 4, is amended to read:

Subd. 4. [COSTS AND ANNUAL IMPROVEMENTS DEFINED.] For the purposes of this chapter, with respect to pedestrian malls, "annual improvements" means any reconstruction, replacement, or repair of trees and plantings, *furniture*, roadway fixtures, sidewalks, shelters, and other facilities of a pedestrian mall, snow removal, sweeping, furnishing overhead or underground heating ~~for snow removal or~~ for enjoyment of pedestrians, and any other local improvement benefiting properties within the district. For the purposes of this chapter, with respect to annual improvements to and operation and maintenance of pedestrian malls, "costs" means costs of annual improvements, fees of consultants employed by the city council to assist in the planning of annual improvements, premiums on public liability insurance insuring the city and users of the pedestrian mall and on property damage insurance for pedestrian mall *facilities*, reasonable and necessary costs to the city for the time of city officials, the advisory board, and employees spent in connection with annual improvements to and operating and maintaining a pedestrian mall and levying and collecting special assessments and special taxes for the mall, publication costs, and other costs incurred or to be incurred in connection with annual improvements to and operation and maintenance of pedestrian malls.

Sec. 35. Minnesota Statutes 1990, section 473F.01, is amended to read:

473F.01 [PURPOSE; USE OF PROCEEDS.]

Subdivision 1. [PURPOSE.] The legislature finds it desirable to improve the revenue raising and distribution system in the seven county Twin Cities area to accomplish the following objectives:

(1) To provide a way for local governments to share in the resources generated by the growth of the area, without removing any resources which local governments already have;

(2) To increase the likelihood of orderly urban development by reducing the impact of fiscal considerations on the location of business and residential growth and of highways, transit facilities and airports;

(3) To establish incentives for all parts of the area to work for the growth of the area as a whole;

(4) To provide a way whereby the area's resources can be made

available within and through the existing system of local governments and local decision making;

(5) To help communities in different stages of development by making resources increasingly available to communities at those early stages of development and redevelopment when financial pressures on them are the greatest; and

(6) To encourage protection of the environment by reducing the impact of fiscal considerations so that flood plains can be protected and land for parks and open space can be preserved; ~~and~~

~~(7) To provide for the distribution to municipalities of additional revenues generated within the area or from outside sources pursuant to other legislation.~~

Subd. 2. [USE OF PROCEEDS.] Except as provided in section 473F.08, subdivision 3a, the proceeds from the areawide tax imposed under this chapter must be used by a local governmental unit in the same manner and for the same purposes as the proceeds from other ad valorem taxes levied by the local governmental unit.

Sec. 36. Minnesota Statutes 1990, section 473F.02, subdivision 3, is amended to read:

Subd. 3. "Commercial-industrial property" means the following categories of property, as defined in section 273.13, excluding that portion of such property (1) which may, by law, constitute the tax base for a tax increment pledged ~~pursuant to~~ under section 469.042 or 469.162, certification of which was requested prior to August 1, 1979, to the extent and while such tax increment is so pledged; or (2) ~~which may, by law, constitute the tax base for tax revenues set aside and paid over for credit to a sinking fund pursuant to direction of the city council in accordance with Laws 1963, chapter 881, as amended, to the extent that such revenues are so treated in any year; or (3)~~ which is exempt from taxation ~~pursuant to~~ under section 272.02:

(a) That portion of class 3 property defined in Minnesota Statutes 1971, section 273.13, consisting of stocks of merchandise and furniture and fixtures used therewith; manufacturers' materials and manufactured articles; and tools, implements and machinery, whether fixtures or otherwise.

(b) That portion of class 4 property defined in Minnesota Statutes 1971, section 273.13, which is ~~either~~ used ~~or zoned for use~~ for any commercial or industrial purpose, except for such property which is, or, in the case of property under construction, will when completed be used exclusively for residential occupancy and the provision of services to residential occupants thereof. Property shall be considered as used exclusively for residential occupancy only if each of not

less than 80 percent of its occupied residential units is, or, in the case of property under construction, will when completed be occupied under an oral or written agreement for occupancy over a continuous period of not less than 30 days.

If the classification of property prescribed by section 273.13 is modified by legislative amendment, the references in this subdivision shall be to such successor class or classes of property, or portions thereof, as embrace the kinds of property designated in this subdivision.

Sec. 37. Minnesota Statutes 1990, section 473F.02, subdivision 8, is amended to read:

Subd. 8. "Municipality" means a city, town, or township located in whole or part within the area, but not the cities of New Prague or Northfield. If a municipality is located partly within and partly without the area, the references in sections 473F.01 to 473F.13 to property or any portion thereof subject to taxation or taxing jurisdiction within the municipality are to such property or portion thereof as is located in that portion of the municipality within the area, except that the fiscal capacity of such a municipality shall be computed upon the basis of the valuation and population of the entire municipality.

A municipality shall be excluded from the area if its municipal comprehensive zoning and planning policies conscientiously exclude most commercial-industrial development, for reasons other than preserving an agricultural use. The metropolitan council and the commissioner of revenue shall jointly make this determination annually and shall notify those municipalities that are ineligible to participate in the tax base sharing program provided in this chapter for the following year.

Sec. 38. Minnesota Statutes 1990, section 473F.02, subdivision 12, is amended to read:

Subd. 12. "Market value" of real and personal property within a municipality means the ~~"actual market value"~~ assessor's estimated market value of all real and personal property within the municipality~~, determined in the manner and with respect to the property described for school districts in section 475.53, subdivision 4, except that no adjustment shall be made for property on which taxes are paid into the state treasury under gross earnings tax laws applicable to common carrier railroads~~. For purposes of sections 473F.01 to 473F.13, the commissioner of revenue shall annually make determinations and reports with respect to each municipality which are comparable to those it makes for school districts under section 124.2131, subdivision 1, in the same manner and at the same times as are prescribed by the subdivision. The commissioner of revenue shall annually determine, for each municipality, information com-

parable to that required by section 475.53, subdivision 4, for school districts, as soon as practicable after it becomes available. The commissioner of revenue shall then compute the equalized market value of property within each municipality using the aggregate sales ratios from the department of revenue's sales ratio study.

Sec. 39. Minnesota Statutes 1990, section 473F.02, subdivision 13, is amended to read:

Subd. 13. "Valuation" means the market value of real and personal property within a municipality as defined in subdivision 12.

Sec. 40. Minnesota Statutes 1990, section 473F.05, is amended to read:

473F.05 [~~GROSS~~ NET TAX CAPACITY ~~YEARS~~.]

On or before August 5 of each year, the assessors within each county in the area shall determine and certify to the county auditor the ~~gross~~ net tax capacity in that year of commercial-industrial property subject to taxation within each municipality in the county, determined without regard to section 469.177, subdivision 3.

Sec. 41. Minnesota Statutes 1990, section 473F.06, is amended to read:

473F.06 [INCREASE IN ~~GROSS~~ NET TAX CAPACITY.]

On or before July 15 of each year, the auditor of each county in the area shall determine the amount, if any, by which the ~~gross~~ net tax capacity determined in the preceding year ~~pursuant to~~ under section 473F.05, of commercial-industrial property subject to taxation within each municipality in the auditor's county exceeds the ~~gross~~ net tax capacity in 1971 of commercial-industrial property subject to taxation within that municipality. If a municipality is located in two or more counties within the area, the auditors of those counties shall certify the data required by section 473F.05 to the county auditor who is responsible under other provisions of law for allocating the levies of that municipality between or among the affected counties. That county auditor shall determine the amount of the net excess, if any, for the municipality under this section, and certify that amount under section 473F.07. Notwithstanding any other provision of sections 473F.01 to 473F.13 to the contrary, in the case of a municipality which is designated on July 24, 1971, as a redevelopment area ~~pursuant to~~ under section 401(a)(4) of the Public Works and Economic Development Act of 1965, Public Law Number 89-136, the increase in its ~~gross~~ net tax capacity of commercial-industrial property for purposes of this section shall be determined in each year ~~subsequent to the termination of such designation~~ by using as a base the ~~gross~~ net tax capacity of commercial-industrial property in that

municipality in the 1989 assessment year ~~following that in which such designation is terminated~~, rather than the ~~gross~~ net tax capacity of such property in 1971. The increase in ~~gross~~ total net tax capacity determined by this section shall be reduced by the amount of any decreases in ~~the gross~~ net tax capacity of commercial-industrial property resulting from any court decisions, court related stipulation agreements, or abatements for a prior year, and only in the amount of such decreases made during the 12-month period ending on May 1 of the current assessment year, where such decreases, if originally reflected in the determination of a prior year's ~~gross~~ net tax capacity under section 473F.05, would have resulted in a smaller contribution from the municipality in that year. An adjustment for such decreases shall be made only if the municipality made a contribution in a prior year based on the higher ~~gross~~ net tax capacity of the commercial-industrial property.

Sec. 42. Minnesota Statutes 1990, section 473F.07, is amended to read:

473F.07 [COMPUTATION OF AREAWIDE TAX BASE.]

Subdivision 1. Each county auditor shall certify the determinations ~~pursuant to~~ under sections 473F.05 and 473F.06 to the administrative auditor on or before August 1 of each year.

The administrative auditor shall determine an amount equal to 40 percent of the sum of the amounts certified ~~pursuant to~~ under section 473F.06~~, and divide that sum by 2-1/2~~. The resulting amount shall be known as the "areawide ~~gross~~ net tax capacity for .....(year)."

Subd. 2. The commissioner of revenue shall certify to the administrative auditor, on or before August 10 of each year, the population of each municipality for the ~~second~~ preceding year, the proportion of that population which resides within the area, the average fiscal capacity of all municipalities in the area for the preceding year, and the fiscal capacity of each municipality in the area for the preceding year.

Subd. 3. The administrative auditor shall determine, for each municipality, the product of (a) its population, and (b) the proportion which the average fiscal capacity of municipalities for the preceding year bears to the fiscal capacity of that municipality for the preceding year~~, and (c) two~~. The product shall be the areawide tax base distribution index for that municipality~~, provided that (a) if the product in the case of any municipality is less than its population, its index shall be increased to its population, and (b)~~. If a municipality is located partly within and partly without the area its index shall be that which is otherwise determined hereunder, multiplied by the proportion which its population residing within the area bears to its total population as of the preceding year.

Subd. 4. The administrative auditor shall determine the proportion which the index of each municipality bears to the sum of the indices of all municipalities and shall then multiply this proportion in the case of each municipality, by the areawide net tax capacity, provided that if the distribution net tax capacity for a municipality is less than 95 percent of the municipality's previous year distribution net tax capacity, and the municipality's fiscal capacity is less than twice the average fiscal capacity for the area, the municipality's distribution net tax capacity will be increased to 95 percent of the previous year net tax capacity and the distribution net tax capacity of other municipalities in the area will be proportionately reduced.

Subd. 5. The ~~product~~ result of the ~~multiplication~~ procedure prescribed by subdivision 4 shall be known as the "areawide ~~gross~~ net tax capacity for .....(year) attributable to .....(municipality)." The administrative auditor shall certify such product to the auditor of the county in which the municipality is located on or before August 15.

Sec. 43. Minnesota Statutes 1990, section 473F.08, subdivision 2, is amended to read:

Subd. 2. The net tax capacity of a governmental unit is its net tax capacity, as determined in accordance with other provisions of law including section 469.177, subdivision 3, subject to the following adjustments:

(a) There shall be subtracted from its net tax capacity, in each municipality in which the governmental unit exercises ad valorem taxing jurisdiction, an amount which bears the same proportion to 40 percent of the amount certified in that year ~~pursuant to section~~ under sections 473F.06 ~~in respect to that~~ and 473F.07 for the municipality as the total preceding year's net tax capacity of commercial-industrial property which is subject to the taxing jurisdiction of the governmental unit within the municipality, determined without regard to section 469.177, subdivision 3, bears to the total preceding year's net tax capacity of commercial-industrial property within the municipality, determined without regard to section 469.177, subdivision 3;

(b) There shall be added to its net tax capacity, in each municipality in which the governmental unit exercises ad valorem taxing jurisdiction, an amount which bears the same proportion to the areawide net tax capacity for the year attributable to that municipality as the total preceding year's net tax capacity of residential property which is subject to the taxing jurisdiction of the governmental unit within the municipality bears to the total preceding year's net tax capacity of residential property of the municipality.

Sec. 44. Minnesota Statutes 1990, section 473F.08, subdivision 5, is amended to read:

Subd. 5. On or before August 25 of each year, the county auditor shall certify to the administrative auditor that portion of the levy of each governmental unit determined ~~pursuant to~~ under subdivision 3, clause (a). The administrative auditor shall then determine the areawide tax rate sufficient to yield an amount equal to the sum of such levies from the areawide ~~gross~~ net tax capacity. On or before September 1 of each year, the administrative auditor shall certify the areawide tax rate to each of the county auditors.

Sec. 45. Minnesota Statutes 1990, section 473F.08, subdivision 6, is amended to read:

Subd. 6. The areawide tax rate determined in accordance with subdivision 5 shall apply ~~in the taxation of~~ to each ~~item of~~ commercial-industrial property subject to taxation within a municipality, including property located within any tax increment financing district, as defined in section 469.174, subdivision 9, to that portion of the net tax capacity of the item which bears the same proportion to its total net tax capacity as 40 percent of the amount determined ~~pursuant to section~~ under sections 473F.06 ~~in respect to the municipality in which the property~~ and 473F.07 is ~~taxable bears~~ to the amount determined ~~pursuant to~~ under section 473F.05. The tax rate determined in accordance with subdivision 4 shall apply in the taxation of the remainder of the net tax capacity of the item.

Sec. 46. Minnesota Statutes 1990, section 473F.09, is amended to read:

473F.09 [ADJUSTMENTS IN DATES.]

If, by reason of the enactment of any other law, the date by which the commissioner of revenue is required to certify to the county auditors the records of proceedings affecting the ~~gross~~ net tax capacity of property is advanced to a date earlier than June 30, the dates specified in sections 473F.07 and 473F.10 may be modified in the years to which such other law applies in the manner and to the extent prescribed by the administrative auditor.

Sec. 47. Minnesota Statutes 1990, section 473F.13, subdivision 1, is amended to read:

Subdivision 1. If a ~~qualifying~~ municipality is dissolved, is consolidated with all or part of another municipality, annexes territory, has a portion of its territory detached from it, or is newly incorporated, the secretary of state shall immediately certify that fact to the commissioner of revenue. The secretary of state shall also certify to the commissioner of revenue the current population of the new,

enlarged, or successor municipality, if determined by the Minnesota municipal board incident to consolidation, annexation, or incorporation proceedings. The population so certified shall govern for purposes of sections 473F.01 to 473F.13 until the metropolitan council files its first population estimate as of a later date with the commissioner of revenue. If an annexation of unincorporated land occurs without proceedings before the Minnesota municipal board, the population of the annexing municipality as previously determined shall continue to govern for purposes of sections 473F.01 to 473F.13 until the metropolitan council files its first population estimate as of a later date with the commissioner of revenue.

Sec. 48. Laws 1990, chapter 604, article 3, section 46, subdivision 1, is amended to read:

Subdivision 1. [LIMITED VALUATION INCREASE.] (a) Notwithstanding Minnesota Statutes, section 273.11, or any other law to the contrary, the estimated market value of a manufactured home park, as defined in section 327.14, subdivision 3, and assessed under section 273.13, subdivision 25, for taxes levied in 1990, may not exceed 133-1/3 percent of its estimated market value for taxes levied in 1989 as limited by Laws 1989, First Special Session chapter 1, article 3, section 32, subdivision 1. The excess market value, including value added by the January 2, 1991, assessment, must be entered equally in the ~~next two succeeding~~ 1991 and 1992 assessment years.

(b) This subdivision does not apply to increases in value attributable to improvements made to the real estate since the January 2, 1989, assessment. It does not apply to property becoming subject to taxation since the January 2, 1989, assessment. The limitation in this subdivision applies to any increase in valuation imposed by the local boards of review under section 274.01, the county boards of equalization under section 274.13, and the state board of equalization and the commissioner of revenue under sections 270.11, 270.12, and 270.16.

ARTICLE 4

LEVY LIMITS

Section 1. Minnesota Statutes 1990, section 275.125, is amended by adding a subdivision to read:

Subd. 6j. [LEVY FOR CRIME RELATED COSTS.] Each school district may make an annual levy on all taxable property located within the school district for the purposes specified in this subdivision. The maximum amount which may be levied for all costs under this subdivision shall be equal to $1 multiplied by the population of the school district. For purposes of this subdivision, "population" of the school district means the same as contained in section 275.14. The proceeds of the levy must be used for reimbursing the cities and counties who contract with the school district for the following purposes: (1) to pay the costs incurred for the salaries, benefits, and transportation costs of peace officers and sheriffs for liaison services

in the district's middle and secondary schools, (2) to teach drug abuse resistance education curricula in the elementary schools, and (3) to pay the costs incurred for the salaries and benefits of peace officers and sheriffs whose primary responsibilities are to investigate controlled substance crimes under chapter 152. The school district must initially attempt to contract for these services with the police department of each city or the sheriff department of the county within the school district containing the school receiving the services. If a local police department or a county sheriff's department does not wish to provide the necessary services, the district may contract for these services with any other police or sheriff's department located entirely or partially within the school district's boundaries. The levy authorized under this subdivision is not included in determining the school district's levy limitations and must be disregarded in computing any overall levy limitations under sections 275.50 to 275.56 of the participating cities or counties.

Sec. 2. Minnesota Statutes 1990, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1990 payable in 1991 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. The aggregate amounts levied under this clause for the costs of purchase or delivery of social services and income maintenance programs, other than those identified in section 273.1398, subdivision 1, paragraph ~~(i)~~ (k), are subject to a maximum increase over the amount levied for the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, paragraph ~~(i)~~ (k), to the extent the county provides benefits under those programs over the statutory mandated standards. Effective with taxes levied in 1990, the portion of this special levy for human service programs identified in Minnesota Statutes 1988, section 273.1398, subdivision 1, paragraph (i), is eliminated. For taxes levied in 1991, the maximum increase shall be calculated based on the sum of the amounts levied in 1990 under this clause and Minnesota Statutes 1990, section 275.50, subdivision 5, clause (aa);

(b) pay the costs of principal and interest on bonded indebtedness

except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c, or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year, provided that an appeal for the levy under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3j;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year, provided that an appeal for the levy under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3j;

(h) ~~pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the~~

~~governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;~~

~~(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;~~

~~(j)~~ pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5, provided that an appeal for the levy under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3j;

~~(k)~~ (i) pay the cost of hospital care under section 261.21;

~~(l)~~ (j) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision ~~3~~ 3j;

~~(m)~~ (k) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision ~~3~~ 3j;

~~(n)~~ (l) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision ~~3~~ 3j. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

~~(o)~~ (m) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of ~~the greater of (1) 103 percent multiplied by one plus~~ the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause ~~(b), or (2) six~~

~~percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year~~ (a). This limit may be redistributed according to the provisions of section 134.342. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

~~(p)~~ (n) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6. For taxes levied in 1991, this amount is limited to the amount levied under this clause in 1990;

~~(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;~~

~~(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;~~

~~(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;~~

~~(t) for taxes levied in 1990 only by a county in the eighth judicial district, provide an amount equal to the amount of the levy, if any, that is required under Laws 1989, chapter 335, article 3, section 54, subdivision 8, as amended by Laws 1990, chapter 604, article 9, section 14;~~

~~(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:~~

~~(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.~~

~~(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs.~~

~~If the amount levied under this paragraph (u) in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991;~~

~~(v) pay an amount of up to 25 percent of the money sought for distribution and approved under section 115A.557, subdivision 3, paragraph (b), clause (3);~~

~~(w)~~ (o) pay the unreimbursed costs of per diem jail or correctional facilities services paid by the county in the previous 12-month period ending on July 1 of the current year provided that the county is operating under a department of corrections directive that limits the capacity of a county jail as authorized in section 641.01 or 641.262, or a correctional facility as defined in section 241.021, subdivision 1, paragraph (5);

~~(x) for taxes levied in 1990 and 1991, payable in 1991 and 1992 only, pay the operating or maintenance costs of a county jail as authorized in section 641.01 or 641.262, or of a correctional facility as defined in section 241.021, subdivision 1, paragraph (5), to the extent that the county can demonstrate to the commissioner of revenue that the amount has been included in the county budget as a direct result of a rule, minimum requirement, minimum standard, or directive of the department of corrections. If the county utilizes this special levy, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.51, shall be deducted from the levy limit base under section 275.51, subdivision 3f, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;~~

~~(y) for taxes levied in 1990, payable in 1991 only, pay an amount equal to the unreimbursed county costs paid in 1989 and 1990 for the purpose of grasshopper control; and,~~ (p) for taxes levied in 1991 payable in 1992 only, pay an amount equal to the unreimbursed county costs paid in 1991 for the purpose of grasshopper control;

~~(z) for a county, provide an amount needed to fund comprehensive~~

~~local water implementation activities under sections 103B.3361 to 103B.3369 as provided in this clause.~~

~~A county may levy an amount not to exceed the water implementation local tax rate times the adjusted net tax capacity of the county for the preceding year. The water implementation local tax rate shall be set by August 1 each year by the commissioner of revenue for taxes payable in the following year. As used in this paragraph, the "adjusted net tax capacity of the county" means the net tax capacity of the county as equalized by the commissioner of revenue based upon the results of an assessment/sales ratio study. That rate shall be the rate, rounded up to the nearest one-thousandth of a percent, that, when applied to the adjusted net tax capacity for all counties, raises the amount specified in this clause. The water implementation local tax rate for taxes levied in 1990 shall be the rate that raises $1,500,000 and the rate for taxes levied in 1991 shall be the rate that raises $1,500,000. A county must levy a tax at the rate established under this clause to qualify for a grant from the board of water and soil resources under section 103B.3369, subdivision 5;~~

~~(aa) pay the unreimbursed county costs for court-ordered family-based services and court-ordered out-of-home placement for children to the extent that the county can demonstrate to the commissioner of revenue that the estimated amount included in the county's budget for the following levy year is for the purposes specified under this clause. For purposes of this special levy, costs for "family-based services" and "out-of-home placement" means costs resulting from court-ordered targeted family services designed to avoid out-of-home placement and from court-ordered out-of-home placement under the provisions of sections 260.172 and 260.191, which are unreimbursed by the state or federal government, insurance proceeds, or parental or child obligations. Any amount levied under this clause must only be used by the county for the purposes specified in this clause.~~

~~If the county uses this special levy and the county levied an amount in the previous levy year, for the purposes specified under this clause, under another special levy or under the levy limitation in section 275.51, the following adjustments must be made:~~

~~(i) The amount levied in the previous levy year for the purposes specified under this clause under the levy limitation in section 275.51 must be deducted from the levy limit base under section 275.51, subdivision 3f, when determining the current year levy limitation.~~

~~(ii) The amount levied in the previous levy year, for the purposes specified under clause (a) or (u) must be deducted from the previous year's amount used to calculate the maximum amount allowable under clause (a) in the current levy year; and~~

~~(bb)~~ (q) pay the amounts allowed as special levies under ~~Laws 1989, First Special Session chapter 1, article 5, section 50, and~~ subdivisions 5a and 5b.~~;~~

(r) an amount equal to one-half of the estimated aid payments the county or city was not eligible to receive in the previous year from the homestead credit trust due to the failure of the county to impose the county option sales and use tax, as provided in section 297A.021;

(s) for taxes levied in 1991, payable in 1992 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids payable in 1992 to a county located in the third or sixth judicial district for public defense services in juvenile and misdemeanor cases under section 477A.012, subdivision 7; and

If the county can provide evidence satisfactory to the commissioner that its levy for taxes payable in 1989 under Minnesota Statutes 1988, section 275.50, subdivision 5, paragraph (a), included a levy for the cost of administration of the programs listed in that paragraph, the commissioner may permit the county to increase its levy limit base~~

~~under this section by the amount determined by the commissioner to have been levied for that purpose, provided that the total adjustment shall not be in excess of three percent of the total expense for income maintenance programs within the county. The commissioner's decision is final.~~

~~(b)~~ A governmental subdivision subject to the limitations in this section may appeal to the commissioner of revenue for authorization to levy for the special levies as contained in section 275.50, subdivision 5, clauses ~~(l), (m), and (n)~~ (f), (g), (h), (j), (k), and (l). If the governmental subdivision can provide evidence satisfactory to the commissioner that it incurred costs for the specified purposes of those levies, the commissioner may allow the governmental subdivision to levy under section 275.50, subdivision 5, clause ~~(l), (m), or (n)~~ (f), (g), (h), (j), (k), or (l), by the amount determined by the commissioner. The commissioner's decision is final.

~~(c) A county may appeal to the commissioner of revenue for an adjustment to its levy limit base for taxes levied in 1989. If the county can provide evidence satisfactory to the commissioner that the percentage adjustments to the costs, fees, or fines described in subdivision 3f, paragraph (c) or (f), do not provide accurate adjustments for that county, the commissioner may permit the county to increase its levy limit base by the amount determined by the commissioner. The commissioner's decision is final.~~

~~(d) A county may appeal to the commissioner of revenue for an increase in its levy base for the 12 or 15 percent limit under section 275.50, subdivision 5, clause (u), item (i), for the portion of the amount of its payable 1989 special levy under Minnesota Statutes 1988, section 275.50, subdivision 5, clause (a), for the income maintenance programs that was actually used to finance social services and social services administration subject to the 18 percent limit under Minnesota Statutes 1988, section 275.50, subdivision 5, clause (a), for payable 1989. If the county can provide evidence satisfactory to the commissioner in support of this claim, the commissioner may permit the county to increase its levy base for the 12 or 15 percent limit under section 275.50, subdivision 5, clause (u), item (i), in the amount determined by the commissioner. The commissioner's decision is final.~~

Sec. 8. Minnesota Statutes 1990, section 275.54, subdivision 3, is amended to read:

Subd. 3. [ADJUSTMENTS AFTER ANNEXATION.] If the area included within the governmental subdivision is increased due to annexation in the 12 months prior to the most recent population estimate for the calendar year preceding the current levy year and the state demographer prepares a population estimate for the annexed area under section 116K.04, subdivision 4, paragraph (11), the governmental subdivision's adjusted levy limit base under section 275.51, subdivision 3h, must be adjusted in the following manner:

(a) A percentage will be calculated equal to the percentage increase in population in the governmental subdivision due to annexation determined by dividing the population of the annexed area by the population of the governmental subdivision excluding the annexed area, using population estimates for the calendar year preceding the current levy year.

(b) The governmental subdivision's adjusted levy limit base under section 275.51, subdivision 3h, after giving effect to ~~paragraphs~~ paragraph (a) ~~and (b)~~ of subdivision 3h, but before any other paragraphs in section 275.51, subdivision 3h, shall be increased by the percentage calculated in paragraph (a) of this subdivision.

Its recording officer shall file in the office of the county auditor of each county in which territory under the jurisdiction of the authority is located a certified copy of the board of commissioners' resolution levying the tax, and each county auditor shall assess and extend upon the tax rolls of each municipality named in the organization resolution the portion of the tax that bears the same ratio to the whole amount that the net tax capacity of taxable property in that municipality bears to the net tax capacity of taxable property in all municipalities named in the organization resolution. Collections of the tax shall be remitted by each county treasurer to the treasurer of the authority. For taxes levied in 1991, the amount levied for light rail transit purposes under this subdivision shall not exceed 75 percent of the amount levied in 1990 for light rail transit purposes under this subdivision.

ARTICLE 5

INCOME TAX AND FEDERAL UPDATE

Section 1. [268.55] [FOODSHELF ACCOUNT.]

Subdivision 1. [ESTABLISHMENT.] A foodshelf account is established in the state general fund to receive contributions designated on income tax returns and property tax refund forms. The state treasurer shall credit all interest earned on the money to the account.

Subd. 2. [DISTRIBUTION OF MONEY.] The board established under subdivision 6 shall periodically distribute money in the account to qualifying foodshelf programs. A foodshelf program qualifies under this section if it is a nonprofit corporation as defined under section 501(c)(3) of the Internal Revenue Code of 1986, and distributes a standard food order without charge to needy individuals. The standard food order must consist of, at least, a two-day supply or six pounds per person of nutritionally balanced food items. A qualifying foodshelf program may not limit food distributions to individuals of a particular religious affiliation, race, or other criteria unrelated to need or to requirements necessary to administra-

tion of a fair and orderly distribution system. A qualifying foodshelf program may not use the money received or the food distribution program to foster or advance religious or political views. A qualifying foodshelf must have a stable address and directly serve individuals in a defined geographic area that is not also served in substantial part by another foodshelf. The board shall resolve questions of whether two foodshelves are serving in substantial part the same area.

Subd. 3. [APPLICATION.] In order to receive money from the foodshelf account, a program must apply to the board. The application must be in a form prescribed by the board and must contain information specified by the board to verify that the applicant is a qualifying foodshelf program and the amount the applicant is entitled to receive under subdivision 4. Applications must be filed at the times and for the periods determined by the board.

Subd. 4. [DISTRIBUTION FORMULA.] The board shall distribute the foodshelf account money to qualifying foodshelf programs either (1) in proportion to the number of individuals served by the program during the prior period of its operation or (2) in proportion to the share of contributions to the foodshelf account from taxpayers who reside in the geographic service area of the foodshelf. The board shall gather data from applications or other appropriate sources to determine the proportionate amount each qualifying program is entitled to receive. The board may increase or decrease the qualifying program's proportionate amount if it determines the increase or decrease is necessary or appropriate to meet changing needs or demands.

Subd. 5. [USE OF MONEY.] Money distributed to foodshelf programs under this section must be used to provide client services to needy individuals and families. Qualified expenditures include purchases of food or personal care items, expenditures for vouchers for those items, and expenditures for transportation of food. No more than five percent of the money expended may be used to pay for other expenses, such as rent, salaries, and other administrative expenses. Recipients must retain records documenting expenditure of the money for a three-year period and comply with any additional requirements imposed by the board.

Subd. 6. [CREATION AND OPERATION OF BOARD.] There is created a foodshelf account distribution board consisting of 11 members to be appointed by the governor. At least eight of the members must be employed by or provide volunteer services to a foodshelf. At least one member shall be appointed from each congressional district, and the remaining members shall be appointed at large. The governor shall designate the chair. A vice-chair and secretary shall be elected by the board members. The membership terms, compensation, removal of members, and filling of vacancies on the board shall be as provided in section 15.0575.

The board shall distribute money in the foodshelf account as provided in this section.

Subd. 7. [ENFORCEMENT.] The board may undertake any reasonable actions, including but not limited to on-site inspections and auditing of accounts and records, to assure that recipients of money under this section comply with the requirements of the law. The board may contract with an outside organization to audit or otherwise oversee recipients' use of the money. If ineligible expenditures are made by a recipient, the amount must be repaid to the board and deposited in the foodshelf account.

Subd. 8. [APPROPRIATION.] (a) The money deposited in the foodshelf account is appropriated to the chair of the foodshelf account distribution board for distribution to foodshelf programs under this section and for administration of the distribution.

(b) For each fiscal year, the board may estimate the amounts that will be received during the year by the foodshelf account and may distribute the estimated receipts evenly over the fiscal year even though the contributions are not received until the second half of the year.

Sec. 6. Minnesota Statutes 1990, section 289A.20, is amended by adding a subdivision to read:

Subd. 5. [PAYMENT OF FRANCHISE TAX ON LIFO RECAPTURE.] If a corporation is subject to LIFO recapture under section 1363(d) of the Internal Revenue Code of 1986, as amended through December 31, 1990, any increase in the tax imposed by section 290.06, subdivision 1, by reason of the inclusion of the LIFO recapture amount in its income is payable in four equal installments.

The first installment must be paid on or before the due date, determined without regard to extensions, for filing the return for the first taxable year for which the corporation was subject to the LIFO recapture. The three succeeding installments must be paid on or before the due date, determined without regard to extensions, for filing the corporations's return for the three succeeding taxable years.

For purposes of computing interest on underpayments, the last three installments must not be considered underpayments until after the payment due date specified in this subdivision.

Sec. 7. Minnesota Statutes 1990, section 289A.25, subdivision 10, is amended to read:

Subd. 10. [SPECIAL RULE FOR FARMERS ~~AND~~, FISHERMEN, AND SEAFARERS.] For purposes of this section, if an individual is a farmer or fisherman as defined in section 6654(f)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1989, or a seafarer whose wages are subject to United States Code, title 46, section 11108, as amended through December 31, 1990, for a taxable year, only one installment is required for the taxable year, the due date of which is January 15 of the following taxable year, the amount of which is equal to the required annual payment determined under subdivision 5 by substituting "66-2/3 percent" for "90 percent," and subdivision 9 shall be applied by substituting "March 1" for "Janu-

ary 31," and by treating the required installment described as the fourth required installment.

Sec. 8. Minnesota Statutes 1990, section 289A.30, subdivision 1, is amended to read:

Subdivision 1. [~~INDIVIDUAL AND~~ FIDUCIARY INCOME, CORPORATE FRANCHISE TAX.] Where good cause exists, the commissioner may extend the time for payment of the amount determined as ~~an individual or~~ a fiduciary income tax or corporate franchise tax by the taxpayer, or an amount determined as a deficiency, for a period of not more than six months from the date prescribed for the payment of the tax.

Sec. 9. Minnesota Statutes 1990, section 289A.38, subdivision 9, is amended to read:

Subd. 9. [REPORT MADE OF CHANGE OR CORRECTION OF FEDERAL RETURN.] If a taxpayer is required to make a report under subdivision 7, and does report the change or files a copy of the amended return, the commissioner may recompute and reassess the tax due, including a refund (1) within one year after the report or amended return is filed with the commissioner, notwithstanding any period of limitations to the contrary, or (2) within any other applicable period stated in this section, whichever period is longer. The period provided for the carryback of any amount of loss or credit is also extended as provided in this subdivision, notwithstanding any law to the contrary. If the commissioner has completed a field audit of the taxpayer, and, but for this subdivision, the commissioner's time period to adjust the tax has expired, the additional tax due or refund is limited to only those changes that are required to be made to the return which relate to the changes made on the federal return. This subdivision does not apply to sales and use tax.

For purposes of this subdivision and section 289A.42, subdivision 2, a "field audit" is the physical presence of examiners in the taxpayer's or taxpayer's representative's office conducting an examination of the taxpayer with the intention of issuing an assessment or notice of change in tax or which results in the issuing of an assessment or notice of change in tax. The examination may include inspecting a taxpayer's place of business, tangible personal property, equipment, computer systems and facilities, pertinent books, records, papers, vouchers, computer printouts, accounts, and documents.

Sec. 10. Minnesota Statutes 1990, section 289A.38, subdivision 10, is amended to read:

Subd. 10. [INCORRECT DETERMINATION OF FEDERAL ADJUSTED GROSS INCOME.] Notwithstanding any other provision of this chapter, if a taxpayer whose ~~gross~~ net income is determined

under section 290.01, ~~subdivisions 20 and 20c~~ subdivision 19, omits from income an amount that will under the Internal Revenue Code of 1986, as amended through December 31, 1989, extend the statute of limitations for the assessment of federal income taxes, or otherwise incorrectly determines the taxpayer's federal adjusted gross income resulting in adjustments by the Internal Revenue Service, then the period of assessment and determination of tax will be that under the Internal Revenue Code of 1986, as amended through December 31, 1989. When a change is made to federal income during the extended time provided under this subdivision, the provisions under subdivisions 7 to 9 regarding additional extensions apply.

Sec. 11. Minnesota Statutes 1990, section 289A.42, subdivision 2, is amended to read:

Subd. 2. [FEDERAL EXTENSIONS.] When a taxpayer ~~who~~ consents to an extension of time for the assessment of federal income taxes ~~must notify the commissioner within 90 days of the execution of the consent.~~, the period in which the commissioner may recompute the tax is also extended, notwithstanding any period of limitations to the contrary, as follows:

(1) for the periods provided in section 289A.38, subdivisions 8 and 9;

(2) for six months following the expiration of the extended federal period of limitations when no change is made by the federal authority. If no change is made by the federal authority, and, but for this subdivision, the commissioner's time period to adjust the tax has expired, and if the commissioner has completed a field audit of the taxpayer, no additional changes resulting in additional tax due or a refund may be made. For purposes of this subdivision, "field audit" has the meaning given it in section 289A.38, subdivision 9.

Sec. 12. Minnesota Statutes 1990, section 289A.50, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RIGHT TO REFUND.] (a) Subject to the requirements of this section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax

return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds $1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than $1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.

(d) If the amount allowable as a credit for withholding ~~or~~, estimated taxes, or dependent care exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment. The refund allowed by section 290.06, subdivision 23, is also considered an overpayment.

(e) If the entertainment tax withheld at the source exceeds by $1 or more the taxes, penalties, and interest reported in the return of the entertainment entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than $1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

Sec. 13. Minnesota Statutes 1990, section 289A.60, subdivision 2, is amended to read:

Subd. 2. [PENALTY FOR FAILURE TO MAKE AND FILE RETURN.] If a taxpayer fails to make and file a return other than an income tax return of an individual, within the time prescribed or an extension, a penalty is added to the tax. The penalty is three percent of the amount of tax not paid on or before the date prescribed for payment of the tax including any extensions if the failure is for not more than 30 days, with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days, during which the failure continues, not exceeding 23 percent in the aggregate.

If a taxpayer fails to file a return, other than an income tax return of an individual, within 60 days of the date prescribed for filing of the return (determined with regard to any extension of time for filing), the addition to tax under this subdivision must not be less than the lesser of: (1) $200; or (2) the greater of (a) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax, or (b) $50.

If a taxpayer fails to file an individual income tax return within six months after the date prescribed for filing of the return, a penalty of ten percent of the amount of tax not paid by the end of that six-month period is added to the tax.

Sec. 14. Minnesota Statutes 1990, section 289A.60, subdivision 12, is amended to read:

Subd. 12. [PENALTIES RELATING TO PROPERTY TAX REFUNDS.] (a) If the commissioner determines that a property tax refund claim is or was excessive and was filed with fraudulent intent, the claim must be disallowed in full. If the claim has been paid, the amount disallowed may be recovered by assessment and collection.

(b) If it is determined that a property tax refund claim is excessive and was negligently prepared, ten percent of the corrected claim must be disallowed. If the claim has been paid, the amount disallowed must be recovered by assessment and collection.

(c) An owner or managing agent who knowingly fails to give a certificate of rent constituting property tax to a renter, as required by section 290A.19, paragraph (a), is liable to the commissioner for a penalty of $100 for each failure.

(d) If the owner or managing agent knowingly gives rent certificates that report total rent constituting property taxes in excess of the amount of actual rent constituting property taxes paid on the rented part of a property, the owner or managing agent is liable for a penalty equal to the greater of (1) $100 or (2) 50 percent of the excess that is reported. An overstatement of rent constituting property taxes is presumed to be knowingly made if it exceeds by ten percent or more the actual rent constituting property taxes.

(e) ~~A claim filed after the original or extended due date will be reduced by five percent of the amount otherwise allowable, plus an additional five percent for each month of delinquency, not exceeding a total reduction of 25 percent, which may be canceled or reduced by the commissioner if the delinquency is due to reasonable cause. In any event,~~ No claim is allowed if the initial claim is filed more than one year after the original due date for filing the claim.

[INFLATION ADJUSTMENT OF BRACKETS.] (a) For taxable years beginning after December 31, ~~1990~~ 1991, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, ~~1987~~ 1990, and before January 1, ~~1991~~ 1992. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest $10 amount. If the rate bracket ends in $5, it must be rounded up to the nearest $10 amount.

(b) The commissioner shall adjust the rate brackets and by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code of 1986, as amended through December 31, ~~1989~~ 1990, except that in section 1(f)(3)(B) the word ~~"1989"~~ "1990" shall be substituted for the word "1987." For 1991, the commissioner shall then determine the percent change from the 12 months ending on August 31, ~~1989~~ 1990, to the 12 months ending on August 31, ~~1990~~ 1991, and in each subsequent year, from the 12 months ending on August 31, ~~1989~~ 1990, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the administrative procedure act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

Sec. 20. Minnesota Statutes 1990, section 290.06, subdivision 22, is amended to read:

Subd. 22. [CREDIT FOR TAXES PAID TO ANOTHER STATE.] (a) A taxpayer who is liable for taxes on or measured by net income to another state or province or territory of Canada, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state or province or territory of Canada if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, clause (2), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state or province or territory of Canada that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1989, modified by the addition required by section 290.01, subdivision 19a, clause (1), and the subtraction allowed by section 290.01, subdivision 19b, clause (1), to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, paragraph (c), the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state or province or territory of Canada by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state or province or territory of Canada on the gross income earned within the other state or province or territory of Canada subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state or province or territory of Canada on the lump sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump sum distribution defined in section 290.032, subdivision 1, includes lump sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump sum distribution allowed under

section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state or province or territory of Canada on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state or province or territory of Canada. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation having a valid election in effect under section 1362 of the Internal Revenue Code of 1986, as amended through December 31, 1990, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to a state that does not measure the income of the shareholder of the S corporation by reference to the income of the S corporation. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

Sec. 21. Minnesota Statutes 1990, section 290.06, subdivision 23, is amended to read:

Subd. 23. [CONTRIBUTIONS TO POLITICAL PARTIES AND CANDIDATES.] (a) A taxpayer may claim a ~~credit~~ refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to any political party. The maximum ~~credit~~ refund for an individual must not exceed $50 and, for a married couple filing jointly, must not exceed $100. A ~~credit for~~ refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official ~~credit~~ refund receipt form issued by the candidate or party. A claim must be filed with the commissioner not sooner than September 1 of the calendar year in which the contribution is made and no later than April 15 of the calendar year following the calendar year in which the contribution is made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution is made must include interest at the rate specified in section 270.76.

(b) No ~~credit~~ refund is allowed under this subdivision for a contribution to any candidate who has not signed an agreement to limit campaign expenditures as provided in section 10A.322, or 10A.43, and for whom voluntary spending limits are specified in section 10A.25 or 10A.43. This subdivision does not limit the campaign expenditure of a candidate who does not sign an agree-

ment but accepts a contribution for which the contributor improperly claims a ~~credit~~ refund.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a. A "major or minor party" includes the aggregate of the party organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts. "Candidate" means a candidate as defined in section 10A.01, subdivision 5, but does not include a candidate for judicial office. Beginning January 1, 1991, "candidate" also means a candidate for the United States Senate or United States House of Representatives from Minnesota. "Contribution" means a gift of money.

(d) ~~The commissioner shall include a copy of the credit form with the instructions for the long and short individual taxation forms.~~ The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a ~~credit~~ refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The amount necessary to pay claims for the ~~credit~~ refund provided in this section is appropriated from the general fund to the commissioner of revenue.

Sec. 22. Minnesota Statutes 1990, section 290.06, is amended by adding a subdivision to read:

Subd. 24. [MILITARY PAY CREDIT.] An individual is allowed a credit against the tax imposed under subdivision 2c equal to ten percent of the amount of the taxpayer's compensation for service in the armed forces of the United States or the United Nations. The maximum amount of this credit is the lesser of $100 or the taxpayer's liability for tax under subdivision 2c. Compensation does not include a pension, retired pay, or similar income.

Sec. 23. Minnesota Statutes 1990, section 290.06, is amended by adding a subdivision to read:

Subd. 25. [SEED CAPITAL FUND CREDIT.] (a) A taxpayer is allowed a credit against the tax imposed by subdivision 1 equal to ten percent of the amount of a qualified investment in the regional seed capital program, established and operated by the Greater

Minnesota Corporation, during the taxable year. The maximum amount of this credit is $1,000.

(b) The credit for the taxable year may not exceed the liability for tax. If the amount of the credit exceeds the liability for tax for the taxable year, the balance of the credit is a carryover credit to each of the next three taxable years. The entire amount of the credit is a credit carryover to the earliest of the taxable years to which it may be carried and then to each successive year to which the credit may be carried. In no case may the sum of credits allowed in a taxable year exceed the liability for tax.

(c) For purposes of this subdivision, the following terms have the meanings given.

(1) "Liability for tax" means the tax imposed under subdivision 1, reduced by the sum of nonrefundable credits allowed under this chapter.

(2) "Qualified investment" means the amount of an investment in the regional seed capital fund that receives a credit entitlement certificate from the Greater Minnesota Corporation under paragraph (d).

(d) The sum of the credits for investment in the fund under this subdivision may not exceed $200,000 in fiscal year 1992 and $100,000 in fiscal year 1993. In order to administer and enforce this limit, the corporation shall provide to investors in the fund, on a first-come first-served basis, credit entitlement certificates up to the annual limit.

Sec. 24. Minnesota Statutes 1990, section 290.067, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF CREDIT.] A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as an aid to families with dependent children grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer.

If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person ~~whose tax is computed under section 290.06, subdivision 2e, paragraph (f)~~ who has earned income not subject to tax under this chapter, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

Sec. 25. Minnesota Statutes 1990, section 290.067, subdivision 2a, is amended to read:

Subd. 2a. [INCOME.] (a) For purposes of this section, "income" means the sum of the following:

(ii) the amount of a passive activity loss that is not disallowed as a result of section 469, paragraph (i) or ~~(1)~~ (m) of the Internal Revenue Code and the amount of passive activity loss carryover allowed under section 469(b) of the Internal Revenue Code;

(iii) an amount equal to the total of any discharge of qualified farm indebtedness of a solvent individual excluded from gross income under section 108(g) of the Internal Revenue Code;

(iv) cash public assistance and relief;

(v) any pension or annuity (including railroad retirement benefits, all payments received under the federal Social Security Act, supplemental security income, and veterans benefits), which was not

(vi) interest received from the federal or a state government or any instrumentality or political subdivision thereof;

(vii) workers' compensation;

(viii) nontaxable strike benefits;

(xii) nontaxable scholarship or fellowship grants.

In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" means federal adjusted gross income reflected in the fiscal year ending in the next calendar year. Federal adjusted gross income may not be reduced by the amount of a net operating loss carryback or carryforward or a capital loss carryback or carryforward allowed for the year.

(b) "Income" does not include:

(1) amounts excluded pursuant to the Internal Revenue Code, sections 101(a), 102, and 121;

(2) amounts of any pension or annuity that were exclusively funded by the claimant or spouse if the funding payments were not excluded from federal adjusted gross income in the years when the payments were made;

(c) surplus food or other relief in kind supplied by a governmental agency;

(d) relief granted under chapter 290A; and

(e) child support payments received under a temporary or final decree of dissolution or legal separation.

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(e) Receipts from the lease or rental of real or tangible personal property, including both finance leases and true leases, must be attributed to this state if the property is located in this state. Tangible personal property that is characteristically moving property, such as motor vehicles, rolling stock, aircraft, vessels, mobile equipment, and the like, is considered to be located in a state if:

(1) the operation of the property is entirely within the state; or

(2) the operation of the property is in two or more states, but the principal base of operations from which the property is sent out is in the state.

(f) Interest income and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property must be attributed to this state if the security property is located in this state under the principles stated in paragraph (e).

(g) Interest income and other receipts from consumer loans not secured by real or tangible personal property that are made to residents of this state, whether at a place of business, by traveling loan officer, by mail, by telephone or other electronic means, must be attributed to this state.

(h) Interest income and other receipts from commercial loans and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the income and receipts are attributed to the state in which the office of the borrower from which the application would be made in the regular course of business is located. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) Interest income and other receipts from a participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h). A participation loan is an arrangement in which a lender makes a loan to a borrower and then sells, assigns, or otherwise transfers all or a part of the loan to a purchasing financial institution. A syndication loan is a ~~multibank~~ loan transaction involving multiple financial institutions in which all the lenders are named as parties to the loan documentation, are known to the borrower, and have privity of contract with the borrower.

It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Receipts from the performance of fiduciary and other services must be attributed to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one state, the receipts from those benefits must be apportioned to this state pro rata according to the portion of the benefits consumed in this state. If the extent to which the benefits of services are consumed in this state is not readily determinable, the benefits of the services shall be deemed to be consumed at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the benefits of the services shall be deemed to be consumed at the office of the customer to which the services are billed.

If a financial institution is subject to tax under this chapter, its interest in property described in section 290.015, subdivision 3, paragraph (b), is included in the receipts factor in the same manner as assets in the nature of securities or money market instruments are included under paragraph (n) and subdivision 7.~~ and from money market instruments must be apportioned to this state based on the ratio that total deposits from this state, its residents, including any business with an office or other place of business in this state, its political subdivisions, agencies, and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies, and instrumentalities. In the case of an unregu-

lated financial institution subject to this section, these receipts are apportioned to this state based on the ratio that its gross business income, excluding such receipts, earned from sources within this state bears to gross business income, excluding such receipts, earned from sources within all states. For purposes of this subdivision, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities must be attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(o) A financial institution's interest in property described in section 290.015, subdivision 3, paragraph (b), is included in the receipts factor in the same manner as assets in the nature of securities or money market instruments are included in paragraph (n).

Sec. 18. Minnesota Statutes 1990, section 290.191, subdivision 8, is amended to read:

Subd. 8. [DEPOSIT; DEFINITION.] (a) "Deposit," as used in subdivision 7, has the meanings in this subdivision.

(b) "Deposit" means the unpaid balance of money or its equivalent received or held by a financial institution in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time, or thrift account whether or not advance notice is required to withdraw the credited funds, or which is evidenced by its certificate of deposit, thrift certificate, investment certificate, or certificate of indebtedness, or other similar name, or a check or draft drawn against a deposit account and certified by the financial institution, or a letter of credit or a traveler's check on which the financial institution is primarily liable. However, without limiting the generality of the term "money or its equivalent," any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining the credit or instrument is primarily or secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts, or other instruments forwarded to the bank for collection.

(c) "Deposit" means trust funds received or held by the financial institution, whether held in the trust department or held or deposited in any other department of the financial institution.

(d) "Deposit" means money received or held by a financial institution, or the credit given for money or its equivalent received or held by a financial institution, in the usual course of business for a special or specific purpose, regardless of the legal relationship so established. Under this paragraph, "deposit" includes, but is not limited to, escrow funds, funds held as security for an obligation due

to the financial institution or others, including funds held as dealers reserves, or for securities loaned by the ~~bank~~ financial institution, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes. It does not include funds received by the financial institution for immediate application to the reduction of an indebtedness to the receiving financial institution, or under condition that the receipt of the funds immediately reduces or extinguishes the indebtedness.

(e) "Deposit" means outstanding drafts, including advice or another such institution, cashier's checks, money orders, or other officer's checks issued in the usual course of business for any purpose, but not including those issued in payment for services, dividends, or purchases or other costs or expenses of the financial institution itself.

(f) "Deposit" means money or its equivalent held as a credit balance by a financial institution on behalf of its customer if the entity is engaged in soliciting and holding such balances in the regular course of its business.

(g) Interinstitution fund transfers are not deposits.

Sec. 19. Minnesota Statutes 1990, section 290.191, subdivision 11, is amended to read:

Subd. 11. [FINANCIAL INSTITUTIONS; PROPERTY FACTOR.] (a) For financial institutions, the property factor includes, as well as tangible property, intangible property as set forth in this subdivision.

(b) Intangible personal property must be included at its tax basis for federal income tax purposes.

(c) Goodwill must not be included in the property factor.

(d) Coin and currency located in this state must be attributed to this state.

(e) Lease financing receivables must be attributed to this state if and to the extent that the property is located within this state.

(f) Assets in the nature of loans that are secured by real or tangible personal property must be attributed to this state if and to the extent that the security property is located within this state.

(g) Assets in the nature of consumer loans and installment

obligations that are unsecured or secured by intangible property must be attributed to this state if the loan was made to a resident of this state.

(h) Assets in the nature of commercial loan and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the assets must be attributed to the state in which there is located the office of the borrower from which the application would be made in the regular course of business. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) A participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h).

(j) Financial institution credit card and travel and entertainment credit card receivables must be attributed to the state to which the credit card charges and fees are regularly billed.

(k) Receivables arising from merchant discount income derived from financial institution credit card holder transactions with a merchant are attributed to the state in which the merchant is located. In the case of merchants located within and without the state, only receivables from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Assets in the nature of securities and money market instruments are apportioned to this state based upon the ratio that total deposits from this state, its residents, its political subdivisions, agencies and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies and instrumentalities. In the case of an unregulated financial institution, the assets are apportioned to this state based upon the ratio that its gross business income earned from sources within this state bears to gross business income earned from sources within all states. For purposes of this subsection, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities are attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(m) A financial institution's interest in any property described in section 290.015, subdivision 3, paragraph (b), ~~is not included in the numerator or the denominator of the property factor provided the financial institution's activities within this state with respect to any interest in such property are limited in the manner provided in~~

~~section 290.015, subdivision 3, paragraph (b). If a financial institution is subject to tax under this chapter, its interest in property described in section 290.015, subdivision 3, paragraph (b),~~ is included in the property factor in the same manner as assets in the nature of securities or money market instruments are included under paragraph (1).

The fee for a permit required by this section must be calculated based on the number of unexpired months remaining in the registration year of the vehicle as measured from the date of the occurrence of the event requiring the permit.

Sec. 12. Minnesota Statutes 1990, section 296.026, subdivision 7, is amended to read:

Subd. 7. [FEES IN LIEU OF GAS TAX.] The permit fees collected under ~~subdivision~~ subdivisions 2 and 2a are in lieu of the gasoline

excise tax imposed by sections 296.02 and 296.025. All alternate fuel permit fees collected by the department of public safety must be deposited in the state treasury and credited to the highway user tax distribution fund.

Sec. 13. [296.165] [UNTAXED GASOLINE AND SPECIAL FUEL; SEIZURE AND FORFEITURE.]

Subdivision 1. [SEIZURE.] The commissioner or authorized designees may seize gasoline or special fuel being transported for delivery in violation of section 296.06, subdivision 1, and any vehicle or other method of conveyance used for transporting the gasoline or special fuel. Property seized under this subdivision is subject to forfeiture as provided in subdivisions 2 and 3.

Subd. 2. [INVENTORY.] Within two days after the seizure of gasoline or special fuel, the person making the seizure shall deliver an inventory of the property seized to the person from whom the seizure was made, if known, and file a copy with the office of the commissioner. Within ten days after the date of service of the inventory, the person from whom the property was seized or any person claiming an interest in the property may file with the commissioner a demand for a judicial determination of whether the property was lawfully subject to seizure and forfeiture. The commissioner, within 30 days of demand for a judicial determination, shall begin an action in the district court of the county where the seizure was made to determine the issue of forfeiture. The action must be brought in the name of the state and prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved. When a judgment of forfeiture is entered, the commissioner may, unless the judgment is stayed pending an appeal, either (1) cause the forfeited property to be destroyed; or (2) cause it to be sold at public auction as provided by law. Proceeds of a sale, after deducting the expense of keeping the gasoline or special fuel and costs of the sale, must be paid into the state treasury. The commissioner shall reimburse designees for costs incurred. If a demand for judicial determination is made and no action is commenced as provided in this subdivision, the property must be released by the commissioner and redelivered to the person entitled to it. If no demand is made, the property seized must be considered forfeited to the state by operation of law and may be disposed of by the commissioner as provided where there has been a judgment of forfeiture. When the commissioner is satisfied that a person from whom property is seized under this chapter was acting in good faith and without intent to evade the tax, the commissioner shall release the property seized, without further legal proceedings.

Subd. 3. [CONVEYANCES.] (a) The commissioner or authorized designees shall file with the court a separate complaint against the vehicle or conveyance, describing it and charging its use in the specified violation, and specifying substantially the time and place of the unlawful use. A copy of the complaint must be served on the defendant or person in charge of the vehicle or conveyance at the time of seizure, if any. The court shall issue an order directed to any person known or believed to have a right or title to, interest in, or lien on the vehicle or conveyance and to persons unknown claiming a right, title, interest, or lien:

(1) describing the vehicle or conveyance and stating that it was seized and that a complaint against it, charging the specified violation, has been filed with the court;

(2) requiring the persons to file with the court administrator of the court their answer to the complaint, setting forth any claim they may have to a right or title to, interest in, or lien on the vehicle or conveyance, within ten days after the service of the order; and

(3) notifying them in substance that if they fail to file their answer within that time the vehicle or conveyance will be ordered sold by the commissioner.

(b) The court shall cause the order to be served on:

(1) the registered owner;

(2) any person who has duly filed a conditional sales contract, mortgage, or other lien instrument covering the property unless it has been released or satisfied;

(3) any other person known or believed to have a right, title, interest in, or lien upon, the vehicle or conveyance as in the case of a summons in a civil action; and

(4) on unknown persons by publication, as provided for service of summons in a civil action.

(c) If no answer is filed within the time prescribed, the court shall, on affidavit by the court administrator of the court setting forth that fact, order the vehicle or conveyance forfeited and direct that it be sold by the commissioner or the commissioner's agents. The proceeds of the sale, after deducting the expense of keeping the vehicle or conveyance and costs of the sale, including any costs incurred pursuant to paragraph (f), must be paid into the state treasury. The commissioner shall reimburse designees for costs incurred.

(d) If an answer is filed within the time provided, the court shall fix a time for hearing at least ten but no more than 30 days after the

time for filing the answer expires. At the hearing, the matter must be heard and determined by the court, without a jury, as in other civil actions. If the court finds that the vehicle or conveyance, or any part of it, was used in a violation as specified in the complaint, it shall order the vehicle or conveyance forfeited and direct that it be sold, as provided in this section, unless the owner shows to the satisfaction of the court that the vehicle was being used without the owner's consent or that, when giving the consent, the owner had no notice or knowledge or reason to believe that the vehicle or conveyance was intended to be used in a violation. After deducting the expense of keeping the vehicle or conveyance and costs of the sale, the officer making the sale shall pay, according to their priority, all liens established at the hearing as being bona fide and existing without the lienor having any notice or knowledge at the time the lien was created that the vehicle or conveyance was being used or was intended to be used in connection with any violation, and shall pay the balance of the proceeds into the state treasury. The commissioner shall reimburse designees for costs incurred. A sale under this section frees the conveyance sold from all liens.

(e) At any time after seizure and before the hearing, the vehicle or conveyance must be returned to the owner or person having a legal right to its possession on execution by that person of a valid bond to the state of Minnesota, with corporate surety, of at least $100 but not more than double the value of the vehicle or conveyance seized, to be approved by the court in which the case is triable, or a judge of that court. The bond must guarantee compliance with the order and judgment of the court, and, if ordered by the court, payment of the full value of the vehicle or conveyance at the time of seizure.

(f) If the seized vehicle or conveyance is owned or operated by a for-hire common or contract motor carrier, and was being used without knowledge of the violation, the commissioner shall return the vehicle or conveyance to its owner or operator as soon as possible without need for court order, and shall provide to such owner or operator reasonable compensation for the time during which the vehicle or conveyance is held pursuant to seizure.

ARTICLE 9

TAX INCREMENT FINANCING

Section 1. Minnesota Statutes 1990, section 273.1399, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Qualifying captured tax capacity" means the following amounts:

(1) the captured tax capacity of a new or the expanded part of an existing economic development or soils condition tax increment financing district, other than a qualified manufacturing district, for which certification was requested after April 30, 1990; ~~and~~

(2) the captured tax capacity of a qualified manufacturing district, multiplied by the following percentage based on the number of years that have elapsed since the district was first certified (measured from January 2 immediately preceding certification of the original tax capacity). In no case may the final amounts be less than zero or greater than the total captured tax capacity of the district:

Number of Years	Percentage
1	0
2	20
3	40
4	60
5	80
6 or more	100;

(3) the captured tax capacity of a new or the expanded part of an existing tax increment financing district, other than an economic development or soils condition district, for which certification was requested after April 30, 1990, multiplied by the following percentage based on the number of years that have elapsed since the district was first certified (measured from January 2 immediately preceding certification of the original tax capacity). In no case may the final amounts be less than zero or greater than the total captured tax capacity of the district.

Number of years	Renewal and Renovation Districts	All other Districts
0 to 5	0	0
6	12.5	6.25
7	25	12.5
8	37.5	18.75
9	50	25
10	62.5	31.25
11	75	37.5
12	87.5	43.75
13	100	50
14	100	56.25
15	100	62.5
16	100	68.75
17	100	75
18	100	81.25
19	100	87.5
20	100	93.75
21 or more	100	100

In the case of a hazardous substance subdistrict, the number of years must be measured from the date of certification of the subdistrict for purposes of the additional captured tax capacity resulting from the reduction in the subdistrict's or site's original tax capacity.

(b) The terms defined in section 469.174 have the meanings given in that section.

(c) "Qualified manufacturing district" means an economic development district that qualifies under section 469.176, subdivision 4c, paragraph (a), without regard to clauses (2) and (4), for which certification was requested after June 30, 1991, located in a home rule charter or statutory city that (1) has a population under 10,000 according to the last federal census and (2) is wholly located outside of a metropolitan statistical area as determined by the United States Office of Management and Budget.

Sec. 2. Minnesota Statutes 1990, section 273.1399, subdivision 3, is amended to read:

Subd. 3. [CALCULATION OF EDUCATION AIDS.] For each school district containing qualifying captured tax capacity, the commissioner of education shall compute a hypothetical state aid amount that would be paid to the school district if the qualifying captured tax capacity were divided by the sales ratio and included in the school district's adjusted tax capacity for purposes of calculating equalized levies as defined in section 273.1398, subdivision 2a, and associated state aids. The commissioner of education shall notify the commissioner of revenue of the difference between the actual aid

paid and the hypothetical aid amounts calculated for each school district, broken down by the municipality that approved the tax increment financing district containing the qualifying captured tax capacity. The resulting amount is the reduction in state tax increment financing aid.

Sec. 3. Minnesota Statutes 1990, section 469.012, subdivision 8, is amended to read:

Subd. 8. [INTEREST REDUCTION PROGRAM; LIMITATIONS.] In developing the interest reduction program authorized by subdivision 7 the authority shall consider:

(1) the availability and affordability of other governmental programs;

(2) the availability and affordability of private market financing; and

(3) the need for additional affordable mortgage credit to encourage the construction and enable the purchase of housing units within the jurisdiction of the authority.

The authority shall adopt rules for the interest reduction program. Interest reduction assistance shall not be provided if the authority determines that financing for the purchase of a housing unit or for the construction or rehabilitation of housing units is otherwise available from private lenders upon terms and conditions that are affordable by the applicant, as provided by the authority in its rules.

For the purposes of this subdivision an "assisted housing unit" is a housing unit which is rented or to be rented and which is a part of a rental housing development where the financing for the rental housing development is assisted with interest reduction assistance provided by the authority during the calendar year. If interest reduction assistance is provided for construction period interest for a rental housing development, the housing units in the housing development shall be considered assisted housing units for a period after occupancy of the housing units which is equal to the period during which interest reduction assistance is provided to assist the construction financing of the rental housing development. In any calendar year when an authority provides interest reduction assistance for assisted housing units (1) at least 20 percent of the total assisted housing units within the jurisdiction of the authority shall be held available for rental to families or individuals with an adjusted gross income which is equal to or less than 80 percent of the median family income, and (2) at least an additional 55 percent of the total assisted housing units within the jurisdiction of the authority shall be held available for rental to individuals or families with an annual adjusted gross income which is equal to or less than

66 times 120 percent of the monthly fair market rent for the unit established by the United States Department of Housing and Urban Development. At least 80 percent of the aggregate dollar amount of funds appropriated by an authority within any calendar year to provide interest reduction assistance for financing of construction, rehabilitation, or purchase of single family housing, as that term is defined in section 462C.02, subdivision 4, shall be appropriated for housing units that are to be sold to or occupied by families or individuals with an adjusted gross income which is equal to or less than 110 percent of median family income. For the purposes of this subdivision, "median family income" means the median family income established by the United States Department of Housing and Urban Development for the nonmetropolitan county or the standard metropolitan statistical area, as the case may be. The adjusted gross income ~~may~~ must be adjusted by the authority for family size. The limitations imposed upon assisted housing units by this subdivision do not apply to interest reduction assistance for a rental housing development located in a targeted area as defined in section 462C.02. An authority that establishes a program pursuant to this subdivision shall by January 2 each year report to the commissioner of trade and economic development a description of the program established and a description of the recipients of interest reduction assistance.

Sec. 4. Minnesota Statutes 1990, section 469.176, subdivision 1, is amended to read:

Subdivision 1. [DURATION OF TAX INCREMENT FINANCING DISTRICTS.] (a) Subject to the limitations contained in paragraphs (b) to (g), any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as the bonds continue to be outstanding. The municipality may, at the time of approval of the initial tax increment financing plan, provide for a shorter maximum duration limit than specified in paragraphs (b) to (g). The specified limit applies in place of the otherwise applicable limit.

(b) The tax increment pledged to the payment of the bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to the maturity or redemption date.

(c) For bonds issued pursuant to section 469.178, subdivisions 2 and 3, the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full.

(d) No tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original net tax capacity of the taxable real property in the district by the county auditor ~~or after August 1, 1982, for tax increment financing districts authorized prior to August 1, 1979~~, unless within the three-year period (1) bonds have been issued in aid of the project containing the district pursuant to section 469.178, or ~~in aid of a project pursuant to~~ any other law, except revenue bonds issued pursuant to sections 469.152 to 469.165, ~~prior to August 1, 1979,~~ or (2) the authority has acquired property within the district, or (3) the authority has constructed or caused to be constructed public improvements within the district.

(e) No tax increment shall in any event be paid to the authority (1) after 25 years from date of receipt by the authority of the first tax increment for a mined underground space development district, redevelopment district, or housing district, (2) after 15 years after receipt by the authority of the first increment for a renewal and renovation district, (3) after 12 years from approval of the tax increment financing plan for a soils condition district, and (4) after eight years from the date of the receipt, or ten years from approval of the tax increment financing plan, whichever is less, for an economic development district.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after April 1, 2001, or the term of a nondefeased bond or obligation outstanding on April 1, 1990, secured by increments from the district or project area, whichever time is greater, provided that in no case will a tax increment be paid to an authority after August 1, 2009, from such a district. If a district's termination date is extended beyond April 1, 2001, because bonds were outstanding on April 1, 1990, with maturities extending beyond April 1, 2001, the following restrictions apply. No increment collected from the district may be expended after April 1, 2001, except to pay or defease (i) bonds issued before April 1, 1990, or (ii) bonds issued to refund the principal of the outstanding bonds and pay associated issuance costs, provided the average maturity of the refunding bonds does not exceed the bonds refunded.

(f) Modification of a tax increment financing plan pursuant to section 469.175, subdivision 4, shall not extend the durational limitations of this subdivision.

(g) If a parcel of a district is part of a designated hazardous substance site or a hazardous substance subdistrict, tax increment may be paid to the authority from the parcel for longer than the period otherwise provided by this subdivision. The extended period for collection of tax increment begins on the date of receipt of the first tax increment from the parcel that is more than any tax increment received from the parcel before the date of the certifica-

tion under section ~~469.175~~ 469.174, subdivision 7, paragraph (b), and received after the date of certification to the county auditor described in section ~~469.175~~ 469.174, subdivision 7, paragraph (b). The extended period for collection of tax increment is the lesser of: (1) 25 years from the date of commencement of the extended period; or (2) the period necessary to recover the costs of removal actions or remedial actions specified in a development response action plan.

(h) If a parcel located in the district has delinquent property taxes when the district terminates under the duration limits under this subdivision, the payment of the parcel's delinquent taxes made after decertification of the district are tax increments to the extent the nonpayment of property taxes caused the outstanding bonds or contractual obligations pledged to be paid by the district to be paid by sources other than tax increments or to go unpaid. The county auditor shall pay the appropriate amount to the district. The authority shall provide the county auditor with information regarding the payment of outstanding bonds or contractual obligations and any other information necessary to administer the payment, as requested by the county auditor.

Sec. 5. Minnesota Statutes 1990, section 469.1763, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given.

(b) "Activities" means acquisition of property, clearing of land, site preparation, soils correction, removal of hazardous waste or pollution, installation of utilities, construction of public or private improvements, and other similar activities, but only to the extent that tax increment revenues may be spent for such purposes under other law. ~~Activities do not include allocated administrative expenses, but do include engineering, architectural, and similar costs of the improvements in the district.~~

(c) "Third party" means an entity other than (1) the person receiving the benefit of assistance financed with tax increments, or (2) the municipality or the development authority or other person substantially under the control of the municipality.

Sec. 6. Minnesota Statutes 1990, section 469.1763, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURES OUTSIDE DISTRICT.] (a) For each tax increment financing district, an amount equal to at least 75 percent of the revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district or to pay, or secure payment of, debt service on credit enhanced bonds. Not more than 25 percent of

the revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. The revenue derived from tax increments for the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) All administrative expenses are for activities outside of the district.

Sec. 7. Minnesota Statutes 1990, section 469.1763, subdivision 3, is amended to read:

Subd. 3. [FIVE-YEAR RULE.] (a) Revenues derived from tax increments are considered to have been expended on an activity within the district under subdivision 2 only if one of the following occurs:

(1) before or within five years after certification of the district, the revenues are actually paid to a third party with respect to the activity;

(2) bonds, the proceeds of which must be used to finance the activity, are issued and sold to a third party before or within five years after certification ~~and~~, the revenues are spent to repay the bonds, and the proceeds of the bonds either are, on the date of issuance, reasonably expected to be spent before the end of the later of (i) the five-year period, or (ii) a reasonable temporary period within the meaning of the use of that term under section 148(c)(1) of the Internal Revenue Code, or are deposited in a reasonably required reserve or replacement fund;

(3) binding contracts with a third party are entered into for performance of the activity before or within five years after certification of the district and the revenues are spent under the contractual obligation; or

(4) costs with respect to the activity are paid before or within five years after certification of the district and the revenues are spent to reimburse a party for payment of the costs, including interest on unreimbursed costs.

(b) For purposes of this subdivision, bonds include subsequent refunding bonds if ~~one of two tests is met: (1) the proceeds of~~ the

original refunded bonds ~~were spent on activities within five years after the district was certified or (2) the original refunded bonds are issued within five years after the district was certified and the proceeds are expended on activities within a reasonable temporary period within the meaning of the use of that term under section 148(e)(1) of the Internal Revenue Code~~ meet the requirements of paragraph (a), clause (2).

Sec. 8. Minnesota Statutes 1990, section 469.1763, subdivision 4, is amended to read:

Subd. 4. [USE OF REVENUES FOR DECERTIFICATION.] (a) Beginning with the sixth year following certification of the district, 75 percent of the revenues derived from tax increments paid by properties in the district that remain after the expenditures permitted under subdivision 3 must be used only to pay:

(1) outstanding bonds, as defined in subdivision 3, paragraphs (a), clause (2), and (b) ~~or~~;

(2) contracts, as defined in subdivision 3, paragraph (a), clauses (3) and (4); or

(3) credit enhanced bonds to which the revenues derived from tax increments are pledged, but only to the extent that revenues of the district for which the credit enhanced bonds were issued are insufficient to pay the bonds and to the extent that the increments from the unrestricted 25 percent share are insufficient.

(b) When the outstanding bonds have been defeased and when sufficient money has been set aside to pay contractual obligations as defined in subdivision 3, paragraph (a), clauses (3) and (4), the district must be decertified and the pledge of tax increment discharged.

Sec. 9. Minnesota Statutes 1990, section 469.1763, is amended by adding a subdivision to read:

Subd. 5. [CREDIT ENHANCED BONDS.] Except as otherwise provided in this section, revenues derived from tax increments may be used to pay debt service on credit enhanced bonds issued to finance activities outside of the district from which the revenues are derived, regardless of when the district is created. For purposes of this subdivision, "district" includes a project area for which certification to collect increments was made before August 1, 1979.

Sec. 10. Minnesota Statutes 1990, section 469.177, subdivision 1, is amended to read:

Subdivision 1. [ORIGINAL NET TAX CAPACITY.] (a) Upon or

after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original net tax capacity of the tax increment financing district as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original net tax capacity has increased or decreased as a result of a change in tax exempt status of property within the district, reduction or enlargement of the district or changes pursuant to subdivision 4.

(b) In the case of a mined underground space development district the county auditor shall certify the original net tax capacity as zero, plus the net tax capacity, if any, previously assigned to any subsurface area included in the mined underground space development district pursuant to section 272.04.

(c) For districts approved under section 469.175, subdivision 3, or parcels added to existing districts after May 1, 1988, if the classification under section 273.13 of property located in a district changes to a classification that has a different assessment ratio, the original net tax capacity of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.

(d) The amount to be added to the original net tax capacity of the district as a result of previously tax exempt real property within the district becoming taxable ~~shall be equal to~~ equals the net tax capacity of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If substantial taxable improvements were made to a parcel after certification of the district and if the property later becomes tax exempt, in whole or part, as a result of the authority acquiring the property through foreclosure or exercise of remedies under a lease or other revenue agreement, the amount to be added to the original net tax capacity of the district as a result of the property again becoming taxable is the amount of the parcel's value that was included in original net tax capacity when the parcel was first certified. The amount to be added to the original net tax capacity of the district as a result of enlargements ~~thereof shall be equal to~~ equals the net tax capacity of the added real property as most recently certified by the commissioner of revenue as of the date of modification of the tax increment financing plan pursuant to section 469.175, subdivision 4.

(e) For districts approved under section 469.175, subdivision 3, or parcels added to existing districts after May 1, 1988, if the net tax capacity of a property increases because the property no longer qualifies under the Minnesota agricultural property tax law, section

273.111; the Minnesota open space property tax law, section 273.112; or the metropolitan agricultural preserves act, chapter 473H, or because platted, unimproved property is improved or three years pass after approval of the plat under section 273.11, subdivision 1, the increase in net tax capacity must be added to the original net tax capacity.

(f) Each year the auditor shall also add to the original net tax capacity of each economic development district an amount equal to the original net tax capacity for the preceding year multiplied by the average percentage increase in the ~~net tax capacity~~ market value of all property included in the economic development district during the five years prior to certification of the district.

(g) The amount to be subtracted from the original net tax capacity of the district as a result of previously taxable real property within the district becoming tax exempt, or a reduction in the geographic area of the district, shall be the amount of original net tax capacity initially attributed to the property becoming tax exempt or being removed from the district. If the net tax capacity of property located within the tax increment financing district is reduced by reason of a court-ordered abatement, stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original net tax capacity of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured net tax capacity of the district in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor may specify reasonable form and content of the request for certification of the authority and any modification thereof pursuant to section 469.175, subdivision 4.

Sec. 11. Minnesota Statutes 1990, section 469.177, subdivision 8, is amended to read:

Subd. 8. If a taxpayer fails to file a required return, the commissioner, from information in the commissioner's possession or obtainable by the commissioner, may make a return for the taxpayer. The return will be prima facie correct and valid. If a return has been filed, the commissioner shall examine the return and make any audit or investigation that is considered necessary. The commissioner may use statistical or other sampling techniques consistent with generally accepted accounting principles in examining returns or records and making assessments.

Sec. 9. Minnesota Statutes 1990, section 289A.38, subdivision 12, is amended to read:

Subd. 12. [REQUEST FOR EARLY AUDIT FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, MINING COMPANY, AND CORPORATE FRANCHISE TAXES.] (a) Tax must be assessed

within 18 months after written request for an assessment has been made in the case of income received (1) during the lifetime of a decedent, (2) by the decedent's estate during the period of administration, (3) by a trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.31, subdivision 4, or (4) by a mining company or a corporation. A proceeding in court for the collection of the tax must begin within two years after written request for the assessment (filed after the return is made and in the form the commissioner prescribes) by the personal representative or other fiduciary representing the estate of the decedent, or by the trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.31, subdivision 4, or by the corporation. Except as provided in section 289A.42, subdivision 1, an assessment must not be made after the expiration of 3-1/2 years after the return was filed, and an action must not be brought after the expiration of four years after the return was filed.

(b) Paragraph (a) only applies in the case of a mining company or a corporation if:

(1) the written request notifies the commissioner that the corporation contemplates dissolution at or before the expiration of the 18-month period;

(2) the dissolution is begun in good faith before the expiration of the 18-month period; and

(3) the dissolution is completed within the 18-month period.

Sec. 10. Minnesota Statutes 1990, section 289A.56, subdivision 2, is amended to read:

Subd. 2. [CORPORATE FRANCHISE, MINING COMPANY, INDIVIDUAL AND FIDUCIARY INCOME, AND ENTERTAINER TAX OVERPAYMENTS.] Interest must be paid on an overpayment refunded or credited to the taxpayer from the date of payment of the tax until the date the refund is paid or credited. For purposes of this subdivision, the prepayment of tax made by withholding of tax at the source or payment of estimated tax before the due date is considered paid on the last day prescribed by law for the payment of the tax by the taxpayer. A return filed before the due date is considered as filed on the due date.

When the amount of tax withheld at the source or paid as estimated tax or allowable as other refundable credits, or withheld from compensation of entertainers, exceeds the tax shown on the original return by $10, the amount refunded bears interest from 90 days after (1) the due date of the return of the taxpayer, or (2) the date on which the original return is filed, whichever is later, until the date the refund is paid to the taxpayer. Where the amount to be

refunded is less than $10, no interest is paid. However, to the extent that the basis for the refund is a net operating loss carryback, interest is computed only from the end of the taxable year in which the loss occurs.

Sec. 11. Minnesota Statutes 1990, section 289A.60, subdivision 4, is amended to read:

Subd. 4. [SUBSTANTIAL UNDERSTATEMENT OF LIABILITY; PENALTY.] The commissioner of revenue shall impose a penalty for substantial understatement of any tax payable to the commissioner, except a tax imposed under chapter 297A.

There must be added to the tax an amount equal to 20 percent of the amount of any underpayment attributable to the understatement. There is a substantial understatement of tax for the period if the amount of the understatement for the period exceeds the greater of: (1) ten percent of the tax required to be shown on the return for the period; or (2)(a) $10,000 in the case of a mining company or a corporation, other than an S corporation as defined in section 290.9725, when the tax is imposed by chapter 290, or (b) $5,000 in the case of any other taxpayer, and in the case of a mining company or a corporation any tax not imposed by chapter 290 or section 298.01 or 298.015. The term "understatement" means the excess of the amount of the tax required to be shown on the return for the period, over the amount of the tax imposed that is shown on the return. The amount of the understatement shall be reduced by that part of the understatement that is attributable to the tax treatment of any item by the taxpayer if there is or was substantial authority for the treatment, or any item with respect to which the relevant facts affecting the item's tax treatment are adequately disclosed in the return or in a statement attached to the return. The special rules in cases involving tax shelters provided in section 6662(d)(2)(C) of the Internal Revenue Code of 1986, as amended through December 31, 1989, shall apply and shall apply to a tax shelter the principal purpose of which is the avoidance or evasion of state taxes. The commissioner may abate all or any part of the addition to the tax provided by this section on a showing by the taxpayer that there was reasonable cause for the understatement, or part of it, and that the taxpayer acted in good faith. The additional tax and penalty shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid.

The amount of the credit allowed under this paragraph is determined under section 290.06, subdivision 21.

(b) A credit is allowed against qualified regular tax for qualified alternative minimum tax previously paid. The amount of the credit allowed under this paragraph is determined under section 290.0921,

subdivision 8. For purposes of calculating this credit, the following terms have the meanings given:

Sec. 2. Minnesota Statutes 1990, section 270.11, subdivision 6, is amended to read:

Subd. 6. [CHANGE OF ~~NET TAX CAPACITIES~~ MARKET VALUES.] The commissioner of revenue shall raise or lower the ~~net tax capacity~~ market value of any real or personal property, including the power to raise or lower the ~~net tax capacity~~ market value of the real or personal property of any individual, copartnership, company, association, or corporation; provided, that before any such assessment against the property of any individual, copartnership, company, association, or corporation is so raised, notice of an intention to

raise such ~~net tax capacity~~ market value and of the time and place at which a hearing thereon will be held shall be given to such person, by mail, addressed to the person at the place of residence listed upon the assessment book, at least five days before the day of such hearing.

All relevant and material evidence concerning the ~~net tax capacity~~ market value of the real or personal property shall be submitted at the hearing, and the hearing shall not be a "contested case" within the meaning of section 14.02, subdivision 3. The person notified of the hearing, or any other person having an interest in the property, may present evidence and argument bearing upon the ~~net tax capacity~~ market value of the property.

Sec. 3. Minnesota Statutes 1990, section 270.12, subdivision 2, is amended to read:

Subd. 2. The board shall meet annually between April 15 and June 30 at the office of the commissioner of revenue and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its market value, subject to the following rules:

(1) The board shall add to the aggregate valuation of the real property of every county, which the board believes to be valued below its market value in money, such percent as will bring the same to its market value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its market value in money, such percent as will reduce the same to its market value in money;

(3) If the board believes the valuation for a part of a class determined by a range of market value under clause (8), a class, or classes of the real property of any town or district in any county, or the valuation for a part of a class, a class, or classes of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of a part of a class, a class, or classes in any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

(4) The board shall add to the aggregate valuation of any class of personal property of any county, town, or city, which the board believes to be valued below the market value thereof, such percent as will raise the same to its market value in money;

(5) The board shall take from the aggregate valuation of any class of personal property in any county, town or city, which the board believes to be valued above the market value thereof, such percent as will reduce the same to its market value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one percent on the whole valuation thereof;

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization; ~~and~~

(8) In equalizing values pursuant to this section, the board shall utilize a 12-month assessment/sales ratio study conducted by the department of revenue containing only sales that are filed in the county auditor's office under section 272.115, by November 1 of the previous year and that occurred between October 1 of the year immediately preceding the previous year and September 30 of the previous year. If the methodology is consistent with the most recent Standard on Assessment Sales Ratio Studies published by the assessment standards committee of the International Association of Assessing Officers for adequacy of sample size, the assessment/sales ratio study must separate the values of residential property into five market value categories as follows:

(1) under $30,000 market value;

(2) $30,000 to under $68,000 market value;

(3) $68,000 to under $110,000 market value;

(4) $110,000 to under $175,000 market value; and

(5) $175,000 or greater market value.

The sales prices used in the study must be discounted for terms of financing. The board shall use the median ratio as the statistical measure of the level of assessment for any particular category of property; and

(9) The board shall receive from each county the estimated market

values on the assessment date falling within the study period for all parcels by magnetic tape or other medium as prescribed by the commissioner of revenue.

Sec. 4. Minnesota Statutes 1990, section 270.12, is amended by adding a subdivision to read:

Subd. 5. [EQUALIZATION ORDERS.] The board of equalization may, pursuant to its responsibilities under subdivisions 2 and 3, issue orders to ensure that the results of local and county boards of equalization are consistent with the objective of state equalization. The board may issue, at its discretion, a supplemental order to amend, supersede, or correct a prior order of the board or an order of a local or county board. The supplemental order must be issued within 60 days of the order to be changed. The board may issue to a local or county board of equalization, within ten business days of the receipt of minutes of a local or county board of equalization, an order explaining the action that the state board believes will be necessary to effect the objective of state equalization.

Sec. 5. Minnesota Statutes 1990, section 272.02, subdivision 4, is amended to read:

Subd. 4. [CONVERSION TO EXEMPT OR TAXABLE USES.] (a) Any property exempt from taxation on January 2 of any year which, due to sale or other reason, loses its exemption prior to ~~December 20~~ July 1 of any year, shall be placed on the current assessment rolls for that year.

The valuation shall be determined with respect to its value on January 2 of such year. The classification shall be based upon the use to which the property was put by the purchaser, or in the event the purchaser has not utilized the property by ~~December 20~~ July 1, the intended use of the property, determined by the county assessor, based upon all relevant facts.

(b) Property subject to tax on January 2 that is acquired by a governmental entity, church, or educational institution before ~~August~~ July 1 of the year is exempt for that assessment year if (1) the property is to be used for an exempt purpose under subdivision 1, clauses (1) to (7), and (2) the property is not subject to the filing requirement under section 272.025.

Sec. 6. Minnesota Statutes 1990, section 272.025, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, a taxpayer claiming an exemption from taxation on property described in section 272.02, subdivision 1, clauses (1) to (7), (10), (11), (13), (15), (16), and (18), except churches and houses of worship and property

solely used for educational purposes by academies, colleges, universities or seminaries of learning and property owned by the state of Minnesota or any political subdivision thereof, shall file a statement of exemption with the assessor of the assessment district in which the property is located~~, or~~. In the case of a taxpayer claiming an exemption from taxation on property described in section 272.02, subdivision 1, clause (9), the taxpayer shall file a statement of exemption with the commissioner or revenue, on or before February 15 of each year for which the taxpayer claims an exemption. In case of sickness, absence or other disability or for good cause, the assessor may extend the time for filing the statement of exemption for a period not to exceed 60 days. The commissioner of revenue shall prescribe the form and contents of the statement of exemption.

Sec. 7. Minnesota Statutes 1990, section 272.31, is amended to read:

272.31 [LIEN OF REAL ESTATE TAXES.]

The taxes assessed upon real property shall be a perpetual lien thereon, and on all structures and standing timber thereon and on all minerals therein, from ~~and including January 2 in~~ the year in which ~~they are levied, until they are paid; but,~~ the property is assessed. As between grantor and grantee, such lien shall not attach until the first Monday of January of the year next thereafter.

Sec. 8. Minnesota Statutes 1990, section 272.67, subdivision 6, is amended to read:

Subd. 6. A certified copy of every ordinance, amendment, and order adopted or entered ~~pursuant to~~ under this section shall be filed with the county auditor before it becomes effective. For the purposes of taxation, if the ordinance, amendment, or order is certified on or before August 1 of a levy year, it may be implemented that same levy year. If the ordinance, amendment, or order is certified after August 1 of a levy year, it may not be implemented until the following levy year. The amount of taxes levied each year by each city shall be certified to the county auditor in the manner now or hereafter provided by law. Taxes levied for payment of bonds and judgments and interest thereon shall continue to be spread upon all taxable property within the boundaries of the city in proportion to the ~~gross~~ net tax capacity thereof. The remaining amount of the taxes levied each year shall be allocated by the county auditor to the urban service district and the rural service district in amounts proportionate to the current benefit ratio times the current ratio between the market values of all taxable property within the urban service district and all taxable property within the rural service district. Within each district, the amount so allocated shall be spread upon all taxable property in proportion to the net tax capacity thereof.

Sec. 9. Minnesota Statutes 1990, section 273.111, subdivision 6, is amended to read:

Subd. 6. Real property shall be considered to be in agricultural use provided that annually: (1) at least 33 1/3 percent of the total family income of the owner is derived therefrom, or the total production income including rental from the property is $300 plus $10 per tillable acre; and (2) it is devoted to the production for sale of ~~livestock, dairy animals, dairy products, poultry and poultry products, fur bearing animals, horticultural and nursery stock which is under sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees and apiary products by the owner, slough, wasteland, and woodland contiguous to or surrounded by land described in subdivision 3 shall be considered to be in agricultural use if under the same ownership and management~~ agricultural products as defined in section 273.13, subdivision 23, paragraph (e).

Sec. 10. Minnesota Statutes 1990, section 273.124, subdivision 13, is amended to read:

Subd. 13. [SOCIAL SECURITY NUMBER REQUIRED FOR HOMESTEAD APPLICATION.] Every property owner applying for homestead classification must furnish to the county assessor that owner's social security number. If the social security number is not provided, the county assessor shall classify the property as nonhomestead. The social security numbers of the property owners are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue.

At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner applying for homestead classification.

If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, ~~the homestead credit under section 273.1398 for taxes payable in 1990 and thereafter,~~ the taconite homestead credit under section 273.135, and the supplemental homestead credit~~, and the tax reduction resulting from the agricultural credit under section 273.1398 for taxes payable in 1990 and thereafter~~ under section 273.1391. The county auditor shall send a notice to the owners of the

affected property, demanding reimbursement of the homestead benefits plus a penalty equal to ~~25~~ 50 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county.

If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount to the succeeding year's tax list to be collected as part of the property taxes.

Any amount of homestead benefits recovered from the property owner must be transmitted to the commissioner by the end of each calendar quarter. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The amount of penalty collected must be deposited in the county general fund.

The commissioner will provide suggested homestead applications to each county. If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 11. Minnesota Statutes 1990, section 273.13, subdivision 23, is amended to read:

Subd. 23. [CLASS 2.] (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. If the market value of the house, garage, and surrounding one acre of land is less than $110,000, the value of the remaining land including improvements equal to the difference between $110,000 and the market value of the house, garage, and surrounding one acre of land has a net class rate of .45 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over $110,000 of market value that does not exceed 320 acres has a net class rate of 1.3 percent of market value for taxes payable in 1990 and thereafter, and a gross class rate of 2.25 percent of market value. The remaining property over the $110,000 market value in excess of 320 acres has a class rate of 1.7 percent of market value for taxes payable in 1990, and 1.6 percent of market value for taxes payable in 1991, and thereafter, and a gross class rate of 2.25 percent of market value.

(b) Class 2b property is (1) real estate, rural in character and used exclusively for growing trees for timber, lumber, and wood and wood products; and (2) real estate that is nonhomestead agricultural land. Class 2b property has a net class rate of 1.7 percent of market value for taxes payable in 1990, and 1.6 percent of market value for taxes payable in 1991, and thereafter, and a gross class rate of 2.25 percent of market value.

(c) Agricultural land as used in this section means contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land, and land included in state or federal farm programs. "Agricultural purposes" as used in this section means the raising or cultivation of agricultural products~~, and includes the commercial boarding of horses if the commercial boarding of horses is done in conjunction with the raising or cultivation of agricultural products~~.

(d) Real estate of less than ten acres used principally for raising ~~poultry, livestock, fruit, vegetables or other agricultural products, including the breeding of fish for sale and consumption if the fish breeding occurs on land zoned for~~ or cultivating agricultural ~~use~~ products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(e) The term "agricultural products" as used in ~~the preceding sentence means any of the products identified in section 273.111,~~ this subdivision ~~6, clause (2)~~ includes:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock described in sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1); and

(4) property used for equestrian activities excluding racing which is owned and operated by nonprofit organizations.

~~(c)~~ (f) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

Sec. 12. Minnesota Statutes 1990, section 273.1398, subdivision 6, is amended to read:

Subd. 6. [PAYMENT.] The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before December 1, 1989, and October 1 thereafter of the year preceding the distribution year to the county auditor of the affected local government ~~and pay them~~. The aids provided in subdivisions 2, 2b, 3, and 5 must be paid to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions, except that the first one-half payment of disparity reduction aid provided in subdivision 3 must be paid on or before August 31. The disparity reduction credit provided in subdivision 4 must be paid to taxing jurisdictions other than school districts at the time provided in section 473H.10, subdivision 3. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax.

Sec. 13. Minnesota Statutes 1990, section 276.041, is amended to read:

276.041 [FILING TO RECEIVE NOTICE OF DELINQUENT TAXES.]

Fee owners, vendees, mortgagees, lienholders, escrow agents, and lessees of real property may file their names and current mailing addresses with the county auditor in the county where the land is located for the purpose of receiving notices affecting the land that are issued under sections 276.04, 281.23, and 279.091. A person filing shall pay a filing fee of $15 to the county auditor for each parcel. The filing expires after three years. The county auditor shall give a copy of the list of names and addresses to the county treasurer. Taxpayers of record with the county auditor and mortgagees who remit taxes on their behalf shall receive tax statements and other notices and are not required to file and pay fees under this section.

Sec. 14. Minnesota Statutes 1990, section 277.01, is amended to read:

277.01 [WHEN TAX IS DELINQUENT; PENALTY.]

Subdivision 1. Except as provided in this subdivision and subdivision 3, all unpaid personal property taxes shall be deemed delinquent on May 16 next after they become due or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach and be charged upon all such taxes. In the case of unpaid personal property taxes due and owing under section 272.01, subdivision 2, or 273.19, the first half shall become delinquent if not paid before May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach on the unpaid first half; and the second half shall become delinquent if not paid before October 16, and thereupon a penalty of eight percent shall attach on the unpaid second half. This section shall not apply to ~~class 2a~~ property taxed under section 274.19, subdivision 8, paragraph (c).

A county may provide by resolution that in the case of a property owner that has multiple personal property tax statements with the aggregate taxes exceeding $50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Subd. 3. [IMPROVEMENTS TO REAL PROPERTY.] Personal property taxes assessed upon improvements made to real property taxed under section 272.01, subdivision 2, or 273.19, if unpaid, become delinquent on May 16 or 21 days after the postmark date on

the envelope containing the property tax statement, whichever is later. If the tax against the improvements exceeds $50, one-half may be paid before May 16 and the remaining one-half must be paid at any time before the following October 16, without penalty. Section 279.01, subdivision 1, otherwise governs imposition of penalties.

Sec. 15. Minnesota Statutes 1990, section 278.01, subdivision 1, is amended to read:

Subdivision 1. [DETERMINATION OF VALIDITY.] Any person having any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving ~~two copies~~ one copy of a petition for such determination upon the county auditor, one copy on the county attorney, ~~and~~ one copy on the county treasurer, and three copies on the county assessor. In counties where the office of county treasurer has been combined with the office of county auditor, the petitioner must serve the number of copies required by the county. The petitioner must file the copies with proof of service, in the office of the court administrator of the district court before the 16th day of May of the year in which the tax becomes payable. The county ~~auditor~~ assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be ~~sent~~ forwarded by the assessor to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the valuation notice required by section 273.121 but prior to May 16 of the year in which the taxes are payable.

Sec. 16. Minnesota Statutes 1990, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, on May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer. The penalty shall be at a rate of three percent on homestead property and seven percent on nonhomestead property. This penalty shall not accrue

until June 1 of each year, or 21 days after the postmark date on the envelope containing the property tax statements, whichever is later, on commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, shall attach an affidavit to the payment attesting to compliance with the income provision of this subdivision. Thereafter, for both homestead and nonhomestead property, on the first day of each month, up to and including October 1 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed $50, one-half thereof may be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of four percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November and December following, an additional penalty of two percent for each month shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

This section applies to payment of personal property taxes assessed against improvements to leased property, except as provided by section 277.01, subdivision 3.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding $50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than

the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 17. Minnesota Statutes 1990, section 279.01, subdivision 2, is amended to read:

Subd. 2. ~~In the case of any tax on class 1b, 2a, and 1a homestead property paid within 30 days after the due date specified in this section or after the 30-day extension as specified in subdivision 3,~~ The county board may, with the concurrence of the county treasurer, delegate to the county treasurer the power to abate the penalty provided for late payment of taxes in the current year. Notwithstanding section 270.07, if any county board so elects, the county treasurer may abate the penalty on finding that the imposition of the penalty would be unjust and unreasonable.

Sec. 18. Minnesota Statutes 1990, section 279.06, is amended to read:

279.06 [COPY OF LIST AND NOTICE.]

The period of redemption for all lands sold to the state at a tax judgment sale shall be three years from the date of sale to the state of Minnesota if the land is within an incorporated area unless it is: (a) nonagricultural homesteaded land as defined in section 273.13, subdivision 22, (b) homesteaded agricultural land as defined in section 273.13, subdivision 23, paragraph (a), or (c) seasonal recreational land as defined in section 273.13, ~~subdivision~~ subdivisions 22, paragraph (c), and 25, paragraph ~~(d)(1) or~~ (c)~~(4)~~, clause (5), in which event the period of redemption is five years from the date of sale to the state of Minnesota.

The period of redemption for homesteaded lands as defined in section 273.13, subdivision 22, located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, and sold to the state at a tax judgment sale is three years from the date of sale. The period of redemption for all lands located in a targeted neighborhood as defined in Laws 1987, chapter 386, article 6, section 4, except homesteaded lands as defined in section 273.13, subdivision 22, and sold to the state at a tax judgment sale is one year from the date of sale.

The period of redemption for all other lands sold to the state at a tax judgment sale shall be five years from the date of sale.

Sec. 20. Minnesota Statutes 1990, section 282.01, subdivision 1, is amended to read:

Subdivision 1. [CLASSIFICATION.] It is the general policy of this state to encourage the best use of tax-forfeited lands, recognizing that some lands in public ownership should be retained and managed for public benefits while other lands should be returned to private ownership. Parcels of land becoming the property of the state in trust under law declaring the forfeiture of lands to the state for taxes shall be classified by the county board of the county in which the parcels lie as conservation or nonconservation. In making the classification the board shall consider the present use of adjacent lands, the productivity of the soil, the character of forest or other growth, accessibility of lands to established roads, schools, and other public services, their peculiar suitability or desirability for particular uses and the suitability of the forest resources on the land for multiple use, sustained yield management. The classification, furthermore, must encourage and foster a mode of land utilization that will facilitate the economical and adequate provision of transportation, roads, water supply, drainage, sanitation, education, and recreation; facilitate reduction of governmental expenditures; conserve and develop the natural resources; and foster and develop agriculture and other industries in the districts and places best suited to them.

In making the classification the county board may use information made available by any office or department of the federal, state, or local governments, or by any other person or agency possessing pertinent information at the time the classification is made. The lands may be reclassified from time to time as the county board may consider necessary or desirable, except for conservation lands held by the state free from any trust in favor of any taxing district.

If the lands are located within the boundaries of an organized town, with taxable valuation in excess of $20,000, or incorporated municipality, the classification or reclassification and sale must first be approved by the town board of the town or the governing body of the municipality in which the lands are located. The town board of the town or the governing body of the municipality is considered to have approved the classification or reclassification and sale if the county board is not notified of the disapproval of the classification or reclassification and sale within 90 days of the date the request for approval was transmitted to the town board of the town or governing body of the municipality. If the town board or governing body desires to acquire any parcel lying in the town or municipality by procedures authorized in this subdivision, it must file a written application with the county board to withhold the parcel from public sale. The application must be filed within 90 days of the request for classification or reclassification and sale. The county board shall then withhold the parcel from public sale for one year. A clerical error made by county officials does not serve to eliminate the request of the town board or governing body if the board or governing body has forwarded the application to the county auditor.

Sec. 21. Minnesota Statutes 1990, section 375.192, subdivision 2, is amended to read:

Subd. 2. Upon written application by the owner of the property, the county board may grant the reduction or abatement of estimated market valuation or taxes and of any costs, penalties, or interest on them as the board deems just and equitable and order the refund in whole or part of any taxes, costs, penalties, or interest which have been erroneously or unjustly paid. The county board may also grant the abatement of penalties for taxes paid within 30 days of the due date, regardless of the classification of the property. The application must include the social security number of the applicant. The social security number is private data on individuals as defined by section 13.02, subdivision 12. The application must be approved by the county assessor, or, if the property is located in a city of the first or second class having a city assessor, by the city assessor, and by the county auditor before consideration by the county board. If the application is for abatement of penalty or interest, the application must be approved by the county treasurer and county auditor. No reduction, abatement, or refund of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing

authority of the municipality. Before taking action on any reduction or abatement where the reduction of taxes, costs, penalties, and interest exceed $10,000, the county board shall give 20 days' notice to the school board and the municipality in which the property is located. The notice must describe the property involved, the actual amount of the reduction being sought, and the reason for the reduction. If the school board or the municipality object to the granting of the reduction or abatement, the county board must refer the abatement or reduction to the commissioner of revenue with its recommendation. The commissioner shall consider the abatement or reduction under section 270.07, subdivision 1.

An appeal may not be taken to the tax court from any order of the county board made in the exercise of the discretionary authority granted in this section.

Sec. 22. Minnesota Statutes 1990, section 414.031, subdivision 6, is amended to read:

Subd. 7. For the purposes of taxation, if the detachment becomes effective on or before August 1 of a levy year, the town or towns acquiring the detached area may levy on it beginning with that same levy year. If the detachment becomes effective after August 1 of a levy year, the municipality may continue to levy on the detached area for that levy year, and the town or towns acquiring the detached area may not levy on it until the following levy year.

Sec. 26. Minnesota Statutes 1990, section 414.061, subdivision 3, is amended to read:

Subd. 3. [EFFECTIVE DATE.] The concurrent detachment and annexation shall be effective upon the issuance of the board's order, or at such later date as provided by the board in its order. A copy of the annexation order must be delivered immediately by the executive director of the Minnesota municipal board to the appropriate county auditor or auditors. For the purposes of taxation, if the annexation becomes effective on or before August 1 of a levy year, the municipality acquiring the detached area of another municipality may levy on it beginning with that same levy year. If the annexation becomes effective after August 1 of a levy year, the municipality losing the detached area may continue to levy on it for that levy year, and the municipality acquiring the detached area may not levy on it until the following levy year.

DELINQUENT TAXES ON PERSONAL PROPERTY

Section 1. [277.20] [LIEN FOR PERSONAL PROPERTY TAX.]

Subdivision 1. [CREATION OF LIEN.] Except for property exempt under subdivision 3, the tax assessed on personal property or manufactured homes and collectible under this chapter is a lien on all the real and personal property within this state of the person liable for the payment of the tax. The lien arises on January 2 of the year in which the tax is assessed and continues until the tax is paid. For purposes of this section and section 277.21, "tax" also includes penalty, interest, recording fees, sheriff fees, and court costs that may accrue on the unpaid tax.

Subd. 2. [FILING OF LIEN FOR ENFORCEABILITY.] The lien imposed by subdivision 1 is not enforceable against any purchaser, mortgagee, pledgee, holder of a uniform commercial code security interest, mechanic's lienor, or judgment lien creditor until a notice of lien has been filed by the county treasurer in the office of the county recorder of the county in which the property is situated, or in the case of personal property belonging to an individual who is not a resident of this state, or that is a corporation, partnership, or other organization, in the office of the secretary of state. Priority of a lien created under this article shall be determined in accordance with the provisions of section 507.34. Liens filed in the office of the county recorder shall be filed with the state tax liens filed pursuant to section 270.69, and the index shall indicate the name of the county for which the lien was filed. If the land is registered, the notice of lien shall be filed in the office of the registrar of titles of the county in which the property is registered. Notwithstanding any other law to the contrary, the county treasurer is exempt from the payment of fees when the lien is offered for filing or recording; the fee for filing or recording the lien must be paid at the time the release of lien is offered for filing or recording. Notwithstanding any law to the contrary, the fee for filing or recording the lien or the release of lien is $15.

Subd. 3. [EXEMPT PROPERTY.] The lien imposed on personal

property by this section, even though properly filed, is not enforceable against the personal property listed as exempt in sections 550.37, 550.38, and 550.39, but manufactured homes otherwise exempt under section 550.37, subdivision 12, are subject to lien under this section.

Subd. 4. [PERIOD OF LIMITATIONS.] Notwithstanding any other law to the contrary, the lien imposed by this section is enforceable from the time the lien arises and for ten years from the date of filing the notice of lien. The notice of lien must be filed by the county treasurer within five years after the date of assessment of the tax. A notice of lien filed in one county may be transcribed to any other county within ten years after the date of its filing, but the transcription does not extend the period during which the lien is enforceable. A notice of lien may be renewed by the county treasurer before the expiration of the ten-year period for an additional ten years. The taxpayer must receive written notice of the renewal.

Subd. 5. [ENFORCEABILITY OF LIEN.] The lien imposed by this section is enforceable by levy as authorized in section 277.21, or by judgment lien foreclosure as authorized in chapter 550.

Subd. 6. [NOTICE OF MORTGAGE FORECLOSURE OR CONTRACT TERMINATION.] If a lien has been filed by the county treasurer against real property under this section, and, after the recording of the lien, a mortgage foreclosure upon the real property is commenced under chapter 580, or a termination of contract of sale of the real property is commenced under section 559.21, notice of the mortgage foreclosure or termination of contract of sale must be mailed to the county treasurer at least 25 days before the foreclosure, sale, or date of termination. Notice need not be given under this subdivision if the lien has been filed within 30 days or less before the foreclosure, sale, or date of termination. The notice must contain the following information: (1) the name and address of the taxpayer; (2) a copy of the notice of mortgage foreclosure or contract for deed cancellation; (3) a copy of the lien filed by the county treasurer; (4) the total unpaid balance of the mortgage or contract for deed; and (5) a legal description of the property. Upon a request of a party providing notice under this subdivision, the county treasurer shall send to the party within one business day of receiving the notice a receipt for the notice.

Subd. 7. [FILING ENTITLEMENT.] Execution of notices of liens or of other notices affecting personal property tax liens by the county treasurer or a delegate entitles them to be filed, and no other attestation, certification, or acknowledgment is necessary.

Subd. 8. [LIEN SEARCH FEES.] Upon request of a person, the filing officer shall issue a certificate showing whether there is on file, on the date and hour stated in the certificate, any notice of lien or certificate or notice affecting any lien filed after December 31,

1991, naming a particular person, and giving the date and hour of filing of each notice or certificate naming the person. The fee for a certificate is as provided by section 336.9-407 or 357.18, subdivision 1, clause (3). Upon request, the filing officer shall furnish a copy of any notice of lien, or notice or certificate affecting a lien, for a fee of $1 per page.

Sec. 2. [277.21] [LEVY AND DISTRAINT.]

Subdivision 1. [COLLECTION AUTHORITY OF THE COUNTY TREASURER.] If a tax assessed on personal property or manufactured homes and collectible under this chapter is not paid when due, the county treasurer shall, as soon as practicable, take action the county treasurer considers necessary and reasonable to collect the delinquent tax. By mutual agreement, the county treasurer may use the services of the district court or the central collection unit of the county to effect collection. In addition, by inclusion and not limitation, the county treasurer may request a writ of execution to enforce any tax judgment or may levy and seize property under authority granted by this section. Taxes may be collected by the county treasurer within five years after the date of assessment of the tax, or if a lien has been filed, within the period the lien is enforceable, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property of the person liable for the payment of the tax. However, the right to levy does not extend to property that is exempt from execution under sections 550.37, 550.38, and 550.39, but manufactured homes otherwise exempt per section 550.37, subdivision 12, are subject to levy and sale under this section. The term "levy" includes the power of distraint and seizure by any means. For this purpose, the term "tax" includes penalty, interest, and costs properly payable.

Subd. 2. [NOTICE AND DEMAND; JEOPARDY COLLECTION.] Before a levy is made, notice and demand for payment of the amount due must be given to the person liable for the payment or collection of the tax at least ten days before the levy. If the county treasurer has reason to believe that collection of the tax is in jeopardy, notice and demand for immediate payment of the tax may be made by the county treasurer. If the tax is not paid, the county treasurer may proceed to collect by levy without regard to the ten-day period or the due date.

If collection of tax on personal property or manufactured homes is in jeopardy because of removal from the county or other reasons before the time that the taxes are calculated for the property for the current tax year, the county auditor shall immediately determine the amount of tax by applying the latest available levy rate and market value and shall notify the county treasurer of the amount of tax in jeopardy. The county treasurer may levy and seize the property without regard to prior notice or due date.

The notice required under this subdivision must be sent to the taxpayer's last known address and must include a brief statement that states in simple and nontechnical terms: (1) the administrative appeals available to the taxpayer with respect to the levy and sale; and (2) the alternatives available to the taxpayer that can prevent a levy, including an installment payment agreement under section 277.23.

Subd. 3. [MANNER OF EXECUTION AND SALE.] In making the execution of the levy and in collecting the taxes due, the county treasurer has all of the powers in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption therefrom, must be consistent with authority granted to the commissioner of revenue to collect state taxes under sections 270.70 to 270.709. The seal of the court, subscribed by the court administrator, as provided in section 550.04, is not required. The levy for collection of taxes may be made, whether or not a legal action for collection of the taxes has been commenced.

Subd. 4. [STAY OF SALE.] (a) If a jeopardy assessment or other assessment has been made, the property seized for collection of the tax may not be sold until the time has expired for filing an appeal of the assessment with the tax court under chapter 277. If an appeal has been filed, no sale may be made unless the taxes remain unpaid for a period of more than 30 days after final determination of the appeal by the tax court or by the appropriate judicial forum.

(b) Notwithstanding paragraph (a), seized property may be sold if:

(1) the taxpayer consents in writing to the sale; or

(2) the county treasurer determines that the property is perishable or may become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense.

Subd. 5. [PROBATE COURT JURISDICTION.] If a levy has been made to collect taxes under this section and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, the property may not be sold until the probate proceedings are completed or until the court so orders.

Subd. 6. [BOND OR SECURITY TO RELEASE A SEIZURE.] The property seized must be returned to the owner if the owner gives a surety bond equal to the appraised value of the owner's interest in the property, or deposits with the county treasurer security in a form and amount that is necessary to ensure payment of the liability, but not more than twice the liability.

Subd. 7. [INJUNCTION.] Notwithstanding any other provision to the contrary, if a levy or sale under this section would irreparably injure rights in property that the court determines to be superior to rights of the taxing districts in the property, the district court may grant an injunction to prohibit the enforcement of the levy or to prohibit a sale.

Subd. 8. [PERSONAL LIABILITY.] A person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy, upon demand by the county treasurer, is personally liable to the treasurer in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for the collection of which the levy has been made. Any amount recovered under this subdivision must be credited against the tax liability for the collection of which the levy was made.

Subd. 9. [PENALTY.] In addition to the personal liability imposed by subdivision 8, if a person required to surrender property or rights to property fails or refuses to surrender the property or rights to property without reasonable cause, the person is liable for a penalty equal to 25 percent of the amount recoverable under subdivision 8. No part of the penalty may be credited against the tax liability for the collection of which the levy was made.

Subd. 10. [PERSON DEFINED.] The term "person" as used in subdivision 8 includes an officer or employee of a corporation or a member or employee of a partnership who, as an officer, employee, or member is under a duty to surrender the property or rights to property or to discharge the obligation. The county attorney shall take appropriate action against any person who has failed to comply with subdivision 8 or 9.

Subd. 11. [OPTIONAL REMEDY.] An action taken by the county treasurer under this section does not constitute an election to pursue a remedy to the exclusion of any other remedy.

Subd. 12. [EQUITABLE RELIEF.] Upon the seizure of property of a person, that person may, upon giving 48-hours notice to the county treasurer and to the court, bring a claim for equitable relief before the district court for the release of the property to the taxpayer upon terms and conditions the court considers equitable.

Subd. 13. [LEVY AND SALE BY SHERIFF.] If a tax collectible under this chapter is not paid as provided in subdivision 1 or 2, the county treasurer may, within the time prescribed for collection in subdivision 1, delegate authority by issuing a warrant to the sheriff of a county in the state of Minnesota directing the sheriff as the county treasurer's agent to levy on and sell the real and personal property of the person liable for the payment of the tax and to return

the warrant and pay to the county treasurer the money collected within 120 days from the date of the warrant.

The sheriff shall proceed under authority of the warrant to levy on and seize any property and rights to property in the county belonging to the person liable for the payment of the tax, except that the right to levy and seizure does not extend to property that is exempt from execution under sections 550.37, 550.38, and 550.39, but manufactured homes otherwise exempt under section 550.37, subdivision 12, are subject to levy under this section. The sheriff shall sell so much of the property levied on as is necessary to satisfy the amount of the warrant and the sheriff's costs.

Sales procedures, and the time and manner of redemption from them, must be consistent with the procedures in sections 270.701 to 270.709 for warrants issued by the commissioner of revenue. The sale proceeds, less the sheriff's costs, must be turned over to the county treasurer who issued the warrant. The proceeds must be applied as provided in section 270.708.

Subd. 14. [PRIORITY OF LEVY.] Notwithstanding section 52.12, a levy by the county treasurer made under this section on a taxpayer's funds on deposit in a financial institution located in this state, has priority over an unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the taxpayer to the financial institution. A claim by the financial institution that it exercised its right to setoff before the levy must be substantiated by evidence of the date of the setoff, and must be verified by the sworn statement of a responsible corporate officer of the financial institution. Furthermore, for purposes of determining the priority of a levy made under this section, the levy must be treated as if it were an execution made under chapter 550.

Subd. 15. [EFFECT OF HONORING LEVY.] A person in possession of, or obligated with respect to, property or rights to property subject to levy on which a levy has been made who, upon demand by the county treasurer or agent, surrenders the property or rights to property, or pays a liability under subdivision 8, must be discharged from any obligation or liability to the person liable for the payment or collection of the delinquent tax with respect to the property or rights to property so surrendered or paid.

Subd. 16. [NOTICE OF LEVY.] Notwithstanding any other law to the contrary, the notice of a levy authorized by this section may be served by mail or by delivery by an employee or agent of the county treasurer.

Sec. 3. [277.22] [ADJUSTMENT OF TAX LIABILITY.]

If the amount of tax determined under section 277.21, subdivision

2, is greater than the corrected tax computed by applying the proper value and levy rate, the excess must be refunded to the person paying the tax. If the amount paid is less, the deficiency must be collected in the same manner as other personal property taxes not collected.

Sec. 4. [277.23] [CONFESSION OF JUDGMENT FOR HOMESTEAD.]

Subdivision 1. [PROCEDURE.] The owner or another person having an interest in a manufactured home classified and taxed as a homestead may confess judgment and pay the delinquent personal property tax on the manufactured home in installments in the general manner provided in section 279.37 for real property tax. The provisions of section 279.37 apply to these confessions of judgment and installment payments, except as otherwise provided in this section. A down payment must be tendered of 20 percent of the amount of taxes, costs, penalty, and interest accrued to the date of tender. The balance of the judgment must be paid in four equal annual installments, plus interest on the unpaid balance as provided in this chapter.

The confession of judgment must be substantially in the following form:

"To the court administrator of the district court of ..... county:

Name of taxpayer: .....

Location of manufactured home (county): .....

Description of property: .....

Tax Year (start with the most recent tax year in which you owe taxes)	Amount due (total of delinquent taxes, costs, interest, and penalty)
.....	.....
.....	.....
.....	.....
.....	.....
.....	.....
.....	.....

I am the owner of the manufactured home described above.

I offer to confess judgment on the following amount of the delinquent taxes on the property named above:

Amount to be paid: $.....

I direct the court to enter judgment for that amount.

I waive all irregularities in the tax proceedings affecting these taxes, and I waive any defense or objection I may have to them.

I agree to pay 20 percent of the total amount now.

Amount paid now: $.....

I agree to pay the balance of the amount in four equal annual installments. I agree to pay each installment on or before December 31 of each year after the year in which I file this form.

I agree to pay interest as provided in Minnesota Statutes, chapter 277. I agree that the interest is payable annually on the installments remaining unpaid.

I agree to pay current taxes each year before they become delinquent, unless I contest the taxes under Minnesota Statutes, chapter 277. If I do contest them, I agree to pay the amount decided by the tax court within 30 days after the court enters its final judgment in the proceedings.

Date: .....

Signature of taxpayer: ....."

Upon receipt of the signed confession of judgment and the required payment, the county treasurer shall file the confession of judgment with the court administrator of the district court. When entered by the court administrator, the judgment has the same force and effect of other civil judgments in personam.

Subd. 2. [BILLING.] The county treasurer shall give notice by *mail* before December 1 of each year to the person making a confession of judgment at the address given in it of the payment due under the confession on the following December 31. If the county treasurer has not received the installment payment by December 31, the treasurer shall give notice by certified mail at the last known address of the person making the confession of judgment, without regard to the county or state of the person's residency. This notice must state that the property is subject to levy and sale if payment is not made for the preceding December 31 within 60 days. Failure to send or receive the notice does not postpone any payment or excuse any default under the confession of judgment. Proof of mailing must be made by the certificate of the county treasurer filed in the treasurer's office.

Subd. 3. [FEES.] The party making a confession of judgment shall pay the county treasurer a fee as set by the county board to defray the costs of processing the confession of judgment and making the

annual billings required. Fees as set by the county board must be paid to the court administrator of the court for entry of judgment and for the entry of each full or partial release of the confession of judgment. Fees must be credited to the general revenue fund of the county.

Sec. 5. [277.24] [UNCOLLECTED TAXES.]

If at any time in the collection proceedings the county treasurer is satisfied that the tax cannot be collected for any reason or finds that the collection costs are excessive in comparison to the amount of tax involved, the treasurer may cancel the taxes due. A list of canceled taxes must be kept by the treasurer for a period of six years. The list must identify the taxpayer, the amount of uncollectible liability, and the reason for uncollectibility.

Sec. 6. [REPEALER.]

Minnesota Statutes 1990, sections 272.50; 272.51; 272.52; 272.53; 277.02; 277.05; 277.06; 277.07; 277.08; 277.09; 277.10; 277.11; 277.12; and 277.13, are repealed.

Sec. 7. [EFFECTIVE DATE.]

Sections 1 to 6 are effective January 1, 1992.

COLLECTIONS

Section 1. Minnesota Statutes 1990, section 270.274, subdivision 1, is amended to read:

Subdivision 1. [ADMINISTRATIVE REVIEW.] Within five days after a jeopardy assessment or jeopardy collection is made to assess or collect a tax administered by the commissioner of revenue, the commissioner shall provide the taxpayer with a written statement of the information relied on in making the assessment or levy. Within 30 days after the written statement is provided or, if not provided, within 35 days after the assessment or levy, the taxpayer may request the commissioner to review the action taken. After a request for review, the commissioner shall determine whether the assessment or levy is reasonable and whether the amount assessed or demanded as a result of the action is appropriate under the circumstances.

Sec. 2. Minnesota Statutes 1990, section 270.66, subdivision 3, is amended to read:

Subd. 3. [AGENCIES SHALL MAINTAIN RECORDS.] Notwith-

standing any provision to the contrary, every person, organization, or corporation doing business (hereafter called vendor) with the state of Minnesota or any of its departments, agencies, or educational institutions including the University of Minnesota (all hereafter called agency) shall provide that agency with either their social security number, federal taxpayer identification number, or Minnesota tax identification number. The agency shall maintain records of this information, and shall make these records available, on request, to the commissioner for the sole purpose of identifying people who have not filed state tax returns or who have not paid uncontested state tax liabilities (hereafter called delinquent taxpayer). When an agency is notified by the commissioner that a vendor is a delinquent taxpayer, payments shall not be made by the agency to the vendor until the commissioner notifies the agency that the vendor no longer is a delinquent taxpayer. Furthermore, if the vendor has an uncontested delinquent tax liability, the setoff provided in subdivision 1 may be implemented. The commissioner shall determine that a vendor no longer is a delinquent taxpayer when the vendor has filed all delinquent state tax returns, paid all uncontested state tax liabilities or entered into an agreement with the commissioner which provides for the payment of these liabilities.

Sec. 3. Minnesota Statutes 1990, section 270.68, subdivision 1, is amended to read:

Subdivision 1. [LEGAL ACTION.] In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the department of revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may proceed under this subdivision. Within five years after the date of assessment of the tax, or, if the action is to renew or enforce a judgment, at any time before the judgment's expiration, the commissioner may bring an action at law against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof. The action shall be brought in the district court of the judicial district in which lies the county of the residence or principal place of business within this state of the taxpayer, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by the taxpayer shall be conclusive against the taxpayer in this matter. If no place is named in the return, the action may be commenced in Ramsey county. The action shall be commenced by filing with the court administrator a statement showing the name and address of the taxpayer, if known, an itemized summary of the taxable periods and the type of tax, the tax due and unpaid and the interest and penalties due with respect thereto under the provisions of law applicable to the tax, and shall contain a prayer that the court adjudge the taxpayer to be indebted on account of the taxes, interest, and penalties in the amount specified in the statement; a copy of the statement shall be furnished

to the court administrator therewith. The court administrator shall mail a copy of the statement by certified mail to the taxpayer at the address given in the return, if any; and to the taxpayer's last known address, within five days after the same is filed, except that, if the taxpayer's address is not known, notice shall be made by posting a copy of the statement for ten days in the place in the courthouse where public notices are regularly posted. To litigate the claim, or any part of it, the taxpayer shall serve an answer upon the commissioner on or before the 20th day after the date of mailing the statement; or, if notice has been given by posting, on or before the 20th day after the expiration of the period during which the notice was required to be posted. If no answer is served within the specified time, the court administrator, upon the filing of an affidavit of default, shall enter judgment for the state in the amount prayed for, plus costs of $10. If an answer is filed, the issues raised shall stand for trial as soon as possible after the filing of the answer, and the court shall determine the issues and direct judgment accordingly; and, if the taxes, interest, or penalties are sustained to any extent over the amount rendered by the taxpayer, shall assess $10 costs against the taxpayer. The court shall disregard all technicalities and matters of form not affecting the substantial merits. The commissioner may call upon the county attorney or the attorney general to conduct the proceedings on behalf of the state. If a proceeding is referred to a county attorney, and the county attorney fails to issue or cause to be issued an indictment or criminal complaint within 30 days after the referral by the commissioner, the attorney general may conduct the proceeding. Execution shall be issued upon the judgment at the request of the commissioner, and the execution shall, in all other respects, be governed by the laws applicable to executions issued on judgments. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon the execution.

In addition to the procedure in this subdivision, legal action may be commenced by the commissioner in district court in the same manner or venue as any other civil action.

Sec. 4. Minnesota Statutes 1990, section 270.69, is amended by adding a subdivision to read:

Subd. 13. [FORTY-FIVE DAY RULE.] A notice of tax lien filed under this section has priority over a security interest arising under article 9 of the Uniform Commercial Code, codified as sections 336.9-101 to 336.9-508, that is perfected before the date of filing of the lien imposed by this section, but only if:

(1) the perfected security interest secures property acquired by the taxpayer or advances made by the secured party after the notice of tax lien is filed; and

(2) the property is acquired or the advance is made after the 45th

day following the day on which the notice of tax lien is filed, or after the secured party has actual notice or knowledge of the tax lien filing, whichever is earlier.

Sec. 5. Minnesota Statutes 1990, section 270.70, subdivision 10, is amended to read:

Subd. 10. [PERSON DEFINED.] The term "person" as used in subdivision 8 includes an officer or employee of a corporation or a member or employee of a partnership who, as such officer, employee or member is under a duty to surrender the property or rights to property or to discharge the obligation. The personal liability imposed by subdivision 8 and the penalty imposed by subdivision 9 may, after demand to honor a levy has been made, be assessed by the commissioner within 60 days after service of the ~~levy~~ demand. An assessing tax order under this subdivision shall be appealable to the tax court without payment of the tax, penalty, or interest in the manner provided by law, but an appeal shall not preclude the commissioner from exercising any collection action the commissioner deems necessary to preserve the interests of the state while the matter is pending.

Sec. 6. Minnesota Statutes 1990, section 270.75, subdivision 4, is amended to read:

Subd. 4. There shall be added to the amount of any underpayment of estimated income tax, computed pursuant to chapter ~~290~~ 289A, an amount in lieu of interest. The amount in lieu of interest for that taxable year shall be the amount determined in subdivision 5 for January 1 on which begins the taxable year or precedes the beginning of the taxable year. The amount in lieu of interest does not bear interest after the due date of the return for that taxable year.

Sec. 7. Minnesota Statutes 1990, section 289A.37, subdivision 1, is amended to read:

Subdivision 1. [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.] (a) When a return has been filed and the commissioner determines that the tax disclosed by the return is different than the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. When no return has been filed, the commissioner may make a return for the taxpayer under section 289A.35 or may send an order of assessment under this subdivision. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An order of assessment is final when made but may be reconsidered by the commissioner under section 289A.65.

(b) An amount of unpaid tax shown on the order must be paid to the commissioner: (1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the

commissioner; or (2) if an administrative appeal is filed under section 289A.65, within 60 days following the determination of the appeal.

Sec. 8. Minnesota Statutes 1990, section 289A.42, subdivision 1, is amended to read:

Subdivision 1. [EXTENSION AGREEMENT.] If before the expiration of time prescribed in sections 289A.38 and 289A.40 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon. The taxpayer and the commissioner may also agree to extend the period for collection of the tax.

Sec. 9. Minnesota Statutes 1990, section 289A.60, is amended by adding a subdivision to read:

Subd. 20. [PENALTY FOR PROMOTING ABUSIVE TAX SHELTERS.] Any person who:

(1)(i) organizes or assists in the organization of a partnership or other entity, an investment plan or arrangement, or any other plan or arrangement, or (ii) participates in the sale of any interest in an entity or plan or arrangement referred to in clause (i); and

(2) makes or furnishes in connection with the organization or sale a statement with respect to the allowability of a deduction or credit, the excludability of income, or the securing of any other tax benefit by reason of holding an interest in the entity or participating in the plan or arrangement that the person knows or has reason to know is false or fraudulent concerning any material matter, shall pay a penalty equal to the greater of $1,000 or 20 percent of the gross income derived or to be derived by the person from the activity.

The penalty imposed by this subdivision is in addition to any other penalty provided by this section. The penalty must be collected in the same manner as any delinquent income tax. In a proceeding involving the issue of whether or not any person is liable for this penalty, the burden of proof is upon the commissioner.

Sec. 10. Minnesota Statutes 1990, section 290.92, is amended by adding a subdivision to read:

Subd. 6b. [JEOPARDY ASSESSMENTS.] The commissioner, on having reason to believe that the collection of the tax under this section, section 290.923, or chapter 289A will be jeopardized by

delay, may immediately assess the tax, whether or not the time prescribed by law for making and filing the return and paying the tax has expired.

Sec. 11. [REPEALER.]

Minnesota Statutes 1990, sections 290.48, subdivisions 5 and 8; and 297A.39, subdivision 9, are repealed.

Sec. 12. [EFFECTIVE DATES.]

Sections 1, 2, 5, 6 to 9, and 11 are effective the day following final enactment.

Sections 3 and 10 are effective on the effective date of Laws 1990, chapter 480, article 1, section 45, in order that repealed provisions authorizing ordinary civil actions for the collection of taxes and jeopardy withholding tax assessments are replaced, with no lapse in time during which the repealed provisions and these sections are enforceable.

Section 4 is effective for liens filed on or after July 1, 1991.

ELECTRONIC FUNDS TRANSFERS

Section 1. Minnesota Statutes 1990, section 115B.24, subdivision 2, is amended to read:

Subd. 2. [DECLARATIONS OF ESTIMATED TAX.] For 1983, every generator of hazardous waste required to pay a tax pursuant to section 115B.22 shall make a declaration of estimated hazardous waste generated for the last six months of calendar year 1983 if the tax can reasonably be estimated to exceed $500. The declaration of the estimated tax shall be filed by October 15, 1983. The amount of estimated tax with respect to which a declaration is required shall be paid in two equal installments by October 15, 1983 and January 15, 1984. For 1984 and subsequent years, every generator of hazardous waste required to pay a tax pursuant to section 115B.22 shall make a declaration of estimated hazardous waste generated for the calendar year if the tax can reasonably be expected to be in excess of $1,000. The declaration of estimated tax shall be filed by March 15. The amount of estimated tax with respect to which a declaration is required shall be paid in four equal installments on or before the 15th day of March, June, September, and December.

An amendment of a declaration may be filed in any interval between installment dates prescribed above but only one amendment may be filed in each interval. If an amendment of a declaration

is filed, the amount of each remaining installment shall be the amount which would have been payable if the new estimate had been made when the first estimate for the calendar year was made, increased or decreased, as the case may be, by the amount computed by dividing

(1) the difference between (A) the amount of estimated tax required to be paid before the date on which the amendment was made, and (B) the amount of estimated tax which would have been required to be paid before that date if the new estimate had been made when the first estimate was made, by

(2) the number of installments remaining to be paid on or after the date on which the amendment is made.

The commissioner of revenue may grant a reasonable extension of time for filing any declaration but the extension shall not be for more than six months.

If the aggregate amount of estimated tax payments made during a fiscal year ending June 30 is equal to or exceeds $80,000, all estimated tax payments in the subsequent calendar year must be paid by means of a funds transfer as defined in section 336.4A-104, paragraph (a). The funds transfer payment date, as defined in section 336.4A-401, must be on or before the date the estimated tax payment is due. If the date the estimated tax payment is due is not a funds transfer business day, as defined in section 336.4A-105, paragraph (a), clause (4), the payment date must be on or before the funds transfer business day next following the date the estimated tax payment is due.

Sec. 2. Minnesota Statutes 1990, section 289A.20, subdivision 1, is amended to read:

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.] (a) Individual income, fiduciary, and corporate franchise taxes must be paid to the commissioner on or before the date the return must be filed under section 289A.18, subdivision 1, or the extended due date as provided in section 289A.19, unless an earlier date for payment is provided.

Notwithstanding any other law, a taxpayer whose unpaid liability for income or corporate franchise taxes, as reflected upon the return, is $1 or less need not pay the tax.

A corporation required to make estimated tax payments by means of an electronic funds transfer must also make the payment with the return in accordance with section 289A.26, subdivision 2a.

(b) Entertainment taxes must be paid on or before the date the return must be filed under section 289A.18, subdivision 1.

UNIFORM RECORDING OF STATE AND FEDERAL TAX LIENS

Section 1. Minnesota Statutes 1990, section 268.161, subdivision 1, is amended to read:

Subdivision 1. [LIEN.] (a) Any contributions, benefit overpayments, or reimbursements due under this chapter and interest and penalties imposed with respect thereto, shall become a lien upon all

the property, within this state, both real and personal, of the person liable therefor, from the date of assessment of the contribution, benefit overpayment, or reimbursement. The term "date of assessment" means the date a report was due or the payment due date of the notice of benefits charged to a reimbursable account.

(b)(1) The lien imposed by this section is not enforceable against any purchaser, mortgagee, pledgee, holder of a uniform commercial code security interest, mechanic's lien, or judgment lien creditor, until a notice of lien has been filed by the commissioner in the office of the county recorder of the county in which the property is situated, or in the case of personal property belonging to an individual who is not a resident of the state, or which is a corporation, partnership, or other organization, in the office of the secretary of state. When the filing of the notice of lien is made in the office of the county recorder, the fee for filing and indexing shall be as prescribed in sections 272.483 and 272.484.

(2) Notices of liens, lien renewals, and lien releases, in a form prescribed by the commissioner of jobs and training, may be filed with the county recorder or the secretary of state by mail, personal delivery, or by electronic transmission by the commissioner or a delegate into the computerized filing system of the secretary of state authorized under section 336.9-411. If received through the computerized filing system, the secretary of state shall transmit the notice electronically to the office of the county recorder, if that is the place of filing, in the county or counties shown on the computer entry. The filing officer, whether the county recorder or the secretary of state, shall endorse and index a printout of the notice in the same manner as if the notice had been mailed or delivered.

(3) County recorders and the secretary of state shall enter information relative to lien notices, renewals, and releases filed in their offices into the central data base of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county recorder's file number, and for notices filed electronically with the secretary of state, the secretary of state's recording information, must be entered by the filing officer into the central data base before the close of the working day following the day of the original data entry by the department of jobs and training.

(c) The lien imposed on personal property by this section, even though properly filed, is not enforceable against a purchaser with respect to tangible personal property purchased at retail or as against the personal property listed as exempt in sections 550.37, 550.38 and 550.39.

(d) A notice of tax lien filed pursuant to this section has priority over any security interest arising under chapter 336, article 9, which

is perfected prior in time to the lien imposed by this section, but only if:

(1) the perfected security interest secures property not in existence at the time the notice of tax lien is filed; and

(2) the property comes into existence after the 45th day following the day on which the notice of tax lien is filed, or after the secured party has actual notice or knowledge of the tax lien filing, whichever is earlier.

(e) The lien imposed by this section shall be enforceable from the time the lien arises and for ten years from the date of filing the notice of lien. A notice of lien may be renewed by the commissioner before the expiration of the ten-year period for an additional ten years. The delinquent employer must receive notice of the renewal.

(f) The lien imposed by this section shall be enforceable by levy as authorized in subdivision 8 or by judgment lien foreclosure as authorized in chapter 550.

Subd. 2. [FILING OF LIENS NECESSARY FOR ENFORCEABILITY AGAINST CERTAIN PERSONS; METHODS OF FILING; FEES.] (a) The lien imposed by subdivision 1 is not enforceable against any purchaser, mortgagee, pledgee, holder of a uniform commercial code security interest, mechanic's lienor, or judgment lien creditor whose interest has been duly perfected or is entitled to protection under applicable provisions of state law, until a notice of lien has been filed by the commissioner of revenue in the office of the county recorder of the county in which real property is situated, or in the case of personal property belonging to an individual who is not a resident of this state or to a corporation, partnership, or other organization, in the office of the secretary of state, or in the case of personal property belonging to a resident individual, in the office of the county recorder of the county of residence of the individual. ~~Notwithstanding any other law to the contrary, the department of revenue is exempt from the payment of fees at the time the lien is offered for filing or recording. The fee for filing or recording the lien must be paid at the time the release of lien is offered for filing or recording. Notwithstanding any law to the contrary, the fee for filing or recording the lien or the release of lien is $15.~~

(b)(1) Notices of liens, and lien releases, transcriptions, and renewals, in a form prescribed by the commissioner of revenue, may be filed with the county recorder or the secretary of state by mail, personal delivery, or by electronic transmission by the commissioner or a delegate into the computerized filing system of the secretary of state authorized under section 336.9-411. If received

through the computerized filing system, the secretary of state shall transmit the notice electronically to the office of the county recorder, if that is the place of filing, in the county or counties shown on the computer entry. The filing officer, whether the county recorder or the secretary of state, shall endorse and index a printout of the notice in the same manner as if the notice had been mailed or delivered.

(2) County recorders and the secretary of state shall enter information relative to lien notices, transcriptions, renewals, and releases filed in their offices into the central data base of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county recorder's file number, and for notices filed electronically with the secretary of state, the secretary of state's recording information, must be entered by the filing officer into the central data base before the close of the working day following the day of the original data entry by the department of revenue.

The filing and indexing of all notices must be in accordance with the filing and indexing of notices of federal liens, certificates of release, and refiled notices under section 272.483.

(c) Notwithstanding any other law to the contrary, the department of revenue is exempt from payment of fees when a lien, lien renewal, or lien transcription is offered for recording. The recording fees must be paid along with the release fee for the month in which the release of lien is recorded, after receipt of a monthly statement from a county recorder or the secretary of state. The department of revenue shall add the recording fees to the delinquent tax liability of the taxpayer. Notwithstanding any other law to the contrary, the fee for filing or recording a notice of lien, or lien release, transcription, or renewal is $15.

(d) There is appropriated to the commissioner of revenue an amount representing the cost of payment of recording fees to the county recorders and the secretary of state. The commissioner shall keep a separate accounting of the costs and of payments for recording fees remitted by taxpayers, and make the records available to the legislature upon request.

By August 20, the county auditor shall notify the clerks of the cities within the county of the dates on which the county and school districts have elected to hold their hearings. At the time a city certifies its proposed levy under subdivision 1 it shall certify the dates on which it elects to hold its hearings and any continuations under subdivision 3. The city must not select dates that conflict with those elected by or assigned to the counties and school districts in which the city is located.

The hearing dates so elected or assigned must be designated on the notices required under subdivision 3.

The treasurer shall file one of the receipts with the county auditor, and shall return one by mail on the day of its receipt to the clerk of the town, city, school district, or special district to which payment was made. The clerk shall keep the receipt in the clerk's office. ~~Upon written request of the taxing district, to the extent practicable, the county treasurer shall make partial payments of amounts collected periodically in advance of the next settlement and distribution.~~ A statement prepared by the county treasurer must accompany each payment. The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

The petitioner, upon ten days notice to the county attorney and to the county

(2) that there is probable cause to believe that the property may be held exempt from the tax levied or that the tax may be determined to be less than 50 percent of the amount levied; and

(3) that it would work a hardship upon petitioner to pay the taxes due,

the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment. The petition shall be automatically reinstated upon payment of the entire tax plus interest and penalty if the payment is made within one year of the dismissal. The county treasurer shall, upon request of the petitioner, issue duplicate receipts for the tax payment, one of which shall be filed by the petitioner in the proceeding.

If, within ten days thereafter, the petitioner, or the attorney, gives notice in writing to the county

attorney, or the attorney for the city or town, that the offer is accepted, the official notified may file the offer with proof of notice, and the court administrator shall enter judgment accordingly. Otherwise, the offer shall be deemed withdrawn and evidence thereof shall not be given; and, unless a lower valuation than specified in the offer is found by the court, no costs or disbursements shall be allowed to the petitioner, but the costs and disbursements of the state, county, city or town, including interest at six percent on the tax based on the amount of the offer from and after the 16th day of ~~October, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property, the 16th day of~~ November, of the year the taxes are payable, shall be taxed in its favor and included in the judgment and when collected shall be credited to the county revenue fund, unless the taxes were paid in full before the 16th day of ~~October, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property, the 16th day of~~ November, of the year in which the taxes were payable, in which event interest shall not be taxable.

Sec. 6. [353D.031] [AMBULANCE SERVICE PERSONNEL INCENTIVE PROGRAM.]

(d) The amount of credited service by qualified personnel in the form of units must be determined. Sec. 7. Minnesota Statutes 1990, section 353D.05, is amended to read:

(b) Twice in a calendar year, a participant may indicate in writing a choice of options for subsequent purchases of shares. After a choice is made, until the participant makes a different written indication, the executive director of the association shall purchase shares in the supplemental investment fund or funds specified by the participant. If no initial option is indicated by a participant, the executive

director shall invest all contributions made by or on behalf of a participant in the income share account. A choice of investment options is effective no later than the first pay date occurring more than 30 days after receipt of the written choice of options.

(c) One month before the start of a new guaranteed investment contract, a participant may elect to transfer all or a portion of the participant's shares previously purchased in the income share, growth share, common stock index, bond market, or money market accounts to the new guaranteed investment contract in the guaranteed return account. If a partial transfer is made, a minimum of $200 must be transferred and a minimum balance of $200 must remain in the previously selected investment options. Upon expiration of a guaranteed investment contract, the participant's shares attributable to that contract must be transferred to a new guaranteed investment contract unless the executive director is otherwise directed by the participant. Shares in the guaranteed return account may not be withdrawn from the fund or transferred to another account until the guaranteed investment contract has expired, unless the participant qualifies for a benefit payment under section 353D.07.

(d) Twice in a calendar year, a participant or former participant may also change the investment options selected for all or a portion of the individual's previously purchased shares in accounts other than the guaranteed return account. If a partial transfer of previously purchased shares is selected, a minimum of $200 must be transferred and a minimum balance of $200 must remain in the previously selected investment option. A change under this paragraph is effective as soon as cash flow to an account permits, but not later than six months from the requested change.

Subd. 3. [ADMINISTRATIVE EXPENSES.] The public employees retirement association may deduct an amount~~, set annually by the executive director of the association, but not to exceed two percent of the employing unit contributions to the plan,~~ to defray the expenses of the association in administering the plan. The amount must be set annually by the executive director of the association, but not to exceed two percent of the total amount of the employing unit contributions to the plan and the ambulance service personnel incentive allocation received by the plan.

Sec. 8. [353D.051] [VESTING FOR INCENTIVE ALLOCATION.]

(a) Sixty months of service credit, accumulated after the date on which the person elects to participate in the plan, are required for vesting of retirement benefits under section 353D.07, other than on account of death, that are derived from ambulance service personnel incentive allocations under section 353D.031. These 60 months must be accumulated within 120 months of the first month of service credit earned after the date on which the person elects to participate

in the plan. No minimum period of service is required for vesting of benefits under section 353D.07, on account of death, that are derived from ambulance service personnel incentive allocations under section 353D.031, once the person has elected to participate in the plan. Upon completion of 60 months of service under the plan with one or more participating ambulance services, a participant terminating active service is entitled to receive the value of the participant's individual account as provided in section 353D.07.

(b) Amounts derived from ambulance service personnel incentive allocations under section 353D.031 that are credited to a person's account are forfeited at the end of the 120th month after the first month of service credit earned after the date on which the person elects to participate in the plan, if the person does not have 60 months of service credit at that time. Funds forfeited must be added to the emergency medical services personnel account for the subsequent January 1 allocation under section 353D.031.

Sec. 9. Minnesota Statutes 1990, section 353D.06, is amended to read:

353D.06 [REPORTING.]

The executive director of the public employees retirement association shall prescribe the reporting forms required from employing units and the election forms required from participants. Reporting forms must contain names, identification numbers, amount of contribution by and on behalf of each participant, and such other data as is required to keep an accurate record of the account value of each participant and to determine eligibility for aid allocations of ambulance service personnel incentive amounts under section 353D.031.

In the event an ambulance service fails to provide required information within 60 days after the public employees retirement association sends the service a notice that the information is overdue, its members forfeit the service units credited and its members are not entitled to the ambulance service personnel incentive amount allocated for that year. Ambulance services that provide fraudulent information are subject to criminal prosecution.

Sec. 10. [353D.091] [FEDERAL REQUIREMENTS.]

Subdivision 1. [PLAN TAX QUALIFICATION AND STATUS.] The public employees retirement association shall seek a determination from the Internal Revenue Service regarding the tax qualification status of the incentive program and from the United States Department of Labor regarding whether the incentive program must comply with federal Employee Retirement Income Security Act (ERISA) requirements.

Subd. 2. [REPORT TO LEGISLATURE.] The executive director shall immediately report the results of each determination to the chairs of the senate governmental operations committee, house governmental operations committee, and legislative commission on pensions and retirement.

Subd. 3. [IMPLEMENTATION DELAY.] The association shall not credit participants with service units nor transfer money from the emergency medical services personnel account under section 353D.031, subdivision 1, into individual accounts unless written notification is received from (1) the Internal Revenue Service that implementation of the incentive program does not jeopardize the tax-exempt status of the defined contribution plan or a public pension plan under section 356.30, subdivision 3, and (2) the United States Department of Labor that the incentive program need not comply with federal ERISA requirements, including any requirements for tax-deferred treatment of contributions and interest earned on contributions.

[RULES AND POLICIES.] If the incentive program receives favorable determinations from both the Internal Revenue Service and the United States Department of Labor, the association shall formulate and adopt rules or policies in accordance with the restrictions and standards of the Internal Revenue Code and rules and regulations of the Internal Revenue Service.

Sec. 11. [EFFECTIVE DATE.]

If the requirements under section 10 are met by June, 1992, sections 1 to 5 and 9 are effective July 1, 1992, and section 6 is effective January 1, 1993. If not, sections 1 to 10 are inoperative.

Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. The commissioner of revenue may issue tax information bulletins. "Tax information bulletins" are informational guides to enable taxpayers to become more familiar with Minnesota tax laws and their rights and responsibilities under the tax laws. Nothing contained in the tax information bulletins supersedes, alters, or otherwise changes any provisions of the Minnesota tax law, administrative rules, court decisions, or revenue notices.

Sec. 7. Minnesota Statutes 1990, section 270.067, subdivision 1, is amended to read:

Subdivision 1. [STATEMENT OF PURPOSE.] State governmental policy objectives are sought to be achieved both by direct expenditure of governmental funds and by the granting of special and selective tax relief or tax expenditures. Both direct expenditures of governmental funds and tax expenditures have an effect on the ability of the state and local governments to lower tax rates or to increase expenditures. As a result, tax expenditures should receive a regular and comprehensive review by the legislature as to (a) their total cost, (b) their effectiveness in achieving their objectives, (c) their effect on the fairness and equity of the distribution of the tax burden, and (d) the public and private cost of administering tax expenditure financed programs. This section is intended to facilitate a regular review of the state and local tax expenditure budget by the legislature by providing for the preparation of a regular biennial tax expenditure budget.

Sec. 8. Minnesota Statutes 1990, section 270.067, subdivision 2, is amended to read:

Subd. 2. [PREPARATION; SUBMISSION.] The commissioner of revenue shall prepare a tax expenditure budget for the state ~~every four years~~. The tax expenditure budget report shall be submitted to the legislature as a supplement to the governor's budget and at the same time as provided for submission of the budget pursuant to section 16A.11, subdivision 1~~, except that the next such report shall be submitted in 1993, and every four years thereafter~~.

Sec. 9. Minnesota Statutes 1990, section 270B.09, is amended to read:

270B.09 [CONTRACTS WITH THE STATE; SETOFF.]

The commissioner may disclose to the department of finance or any state agency making payment to a vendor as described in section 270.66 or 290.97 whether the vendor has an uncontested delinquent tax liability owed to the commissioner and the amount of any liability. The commissioner may also disclose taxpayer identity information to the department of finance and to the University of Minnesota, solely for vendor setoff purposes.

Sec. 10. Minnesota Statutes 1990, section 290.611, subdivision 1, is amended to read:

Subdivision 1. No person who prepares, aids in the preparation, processes, transmits, consults with respect to or reviews a state or federal tax return for another person, corporation, partnership, association or other taxpayer shall divulge any particulars of such return, except to authorized employees of the department of revenue or of the Internal Revenue Service in the course of an examination, without the written permission of such person, corporation, partnership, association or other taxpayer or the legally appointed representative of such taxpayer if such taxpayer is deceased, incompetent or otherwise unable to give such consent. The provisions of this subdivision shall not apply to disclosure by an employee of the department of revenue or of the Internal Revenue Service to other employees of such department or service where such disclosure is necessary for the effective administration of the tax laws of the state or the federal government.

Sec. 11. Minnesota Statutes 1990, section 325D.32, is amended by adding a subdivision to read:

Subd. 5a. [INTEGRATED WHOLESALER.] "Integrated wholesaler" means a corporation that offers, in-house, a diversified range of services including advertising, accounting, store planning, engineering, and distribution in conjunction with the wholesale distri-

bution of grocery, perishable, and other products including cigarettes to retail grocery stores and which derives less than ten percent of its gross sales from the sale of cigarettes. Except as provided in subdivision 11, paragraph (b), the term "wholesaler" as used in this section also applies to "integrated wholesaler."

Sec. 12. Minnesota Statutes 1990, section 325D.32, subdivision 10, is amended to read:

Subd. 10. (a) "Cost to wholesaler" means the basic cost of the cigarettes, prior to deducting manufacturer's timely payment and stamping discounts and any other discounts or rebates, plus the cost of doing business by the wholesaler, as defined in sections 325D.30 to 325D.42.

(b) In the absence of proof of a lesser or higher cost, the cost of doing business by the wholesaler is presumed to be four percent of the basic cost of the cigarettes, plus cartage to the retail outlet, if furnished or paid for by the wholesaler~~, in the absence of proof of a lesser or higher cost~~. Such cartage cost is presumed to be one-half of one percent of the basic cost of the cigarettes in the absence of proof of a lesser or higher cost. A manufacturer's timely payment and stamping discounts and any other discounts or rebates shall not be deducted in determining the cost of doing business by a wholesaler who is not an integrated wholesaler, whether it is determined under the percentage formula set forth in this paragraph or proof of actual cost.

(c) A wholesaler electing to sell cigarettes at a price other than that presumed by law must submit to the commissioner documentation substantiating the actual cost of the cigarettes before selling at actual cost. For purposes of this paragraph "actual cost" means basic cost as defined in subdivision 9 plus the wholesaler's cost of doing business. The commissioner shall review the documents submitted and, if necessary, request additional documentation to verify the accuracy of the cost computations. If, within 15 days of submission of the documentation, the commissioner has not notified the wholesaler of any deficiencies in the cost computations, the wholesaler may begin selling at actual cost. The cost computations are effective for a period of not more than 12 months beginning 15 days after submission of the documentation. Fifteen days before expiration of the 12-month period, the wholesaler must submit new cost documentation for review by the commissioner to continue selling at less than the price presumed by law. New cost documentation must also be submitted to the commissioner on the last day of a month in which the basic cost of cigarettes increases.

Sec. 13. Minnesota Statutes 1990, section 325D.415, is amended to read:

325D.415 [CIGARETTE DISTRIBUTOR FEES.]

A cigarette distributor as defined in section 297.01, subdivision 7, shall pay to the commissioner an annual fee as follows:

(1) a fee of $2,500 is due from those distributors whose annual cigarette tax collections exceed $2,000,000; and

(2) a fee of $1,200 is due from those distributors whose annual cigarette tax collections are $2,000,000 or less.

The annual fee must be paid by December 31 of each year. If the fee is not paid when due, the commissioner shall revoke or refuse to issue or renew the license under chapter 297. The annual fee must be deposited into the general fund, and is annually appropriated to the commissioner of revenue to be used for the administration and enforcement of sections 325D.30 to 325D.415.

Sec. 14. [373.42] [MANDATE EXCEPTIONS.]

Upon submission of resolutions adopted by five or more counties representing 30 percent or more of Minnesota's population according to the last decennial census, the state auditor must determine, within 30 days following notification, whether sufficient funds are available for those counties to fulfill the requirements of a new or existing program imposed by the legislature, a state agency, or a judicial authority without incurring a civil liability, criminal penalty, or administrative sanction.

The state auditor must separately determine whether the full or partial suspension of administrative requirements reduces program costs to the level of available funding. For purposes of this section, administrative requirements include rules, reporting requirements, and administrative or procedural requirements.

Notwithstanding any law or rule to the contrary, if the state auditor finds that revenues are insufficient to fund administrative requirements, a county board may, by resolution, order suspension of those administrative requirements. If the auditor finds that revenues are insufficient to fund program benefits, the county board may additionally order suspension of the program benefits. For purposes of this section, program benefits means total cost less the cost of administrative requirements.

The legislative commission on planning and fiscal policy may order the reinstatement of program benefits by a majority vote of its members.

Sec. 15. Minnesota Statutes 1990, section 462C.03, subdivision 10, is amended to read:

Subd. 10. Notwithstanding any provision of this chapter, not more

than 20 percent of the aggregate dollar amount of tax-exempt bond proceeds ~~and any other funds~~ appropriated by any city within any calendar year to make or purchase loans providing single family housing or dwelling units for sale within multifamily housing developments described in section 462C.05, subdivision 3, shall be appropriated to provide single family housing for persons or families, including renters of the single family housing, whose gross income exceeds the limit in section 462C.03, subdivision 2. If 20 percent of the total amount of tax-exempt bond funds so appropriated by the city in any calendar year is expended for housing not within the limit, no additional funds may be expended pursuant to any other similar appropriation until the remaining 80 percent is expended for housing within the limit. Notwithstanding subdivision 2, the city may use taxable bond proceeds for single family housing for persons and families with adjusted gross incomes of up to 175 percent of the median family income as estimated by the United States Department of Housing and Urban Development for the nonmetropolitan county or standard metropolitan statistical area, whichever is appropriate.

Sec. 16. [471.593] [CITIZENS BUDGET ADVISORY COMMITTEES.]

(a) This section may be cited as the "citizen budget advisory committee act."

The governing body of a home rule or statutory city may appoint a citizen budget advisory committee to:

(1) forward proposals for more efficient delivery of city services including the coordination and consolidation of various city programs and services where appropriate;

(2) study the budgetary effects that locally provided services required under state law have on the city's budget;

(3) work cooperatively with city council members and staff in addressing any other funding and program concerns the citizen advisory council may determine are appropriate; and

(4) undertake outreach efforts to communicate to city residents potential changes to existing programs.

(b) The number of members, the length of their terms, and the duration of a committee shall be set by the city. Members of a committee shall represent a cross-section of city geographical areas, housing, and income levels. The committee may determine the frequency of meetings. The first meeting may coincide with the beginning of the local budget development process. City staff shall provide background rationale and explanation of:

(1) revenue sources and formulas as they pertain to local expenditures;

(2) the history of local revenues and expenditures;

(3) cost-saving mechanisms already in place; and

(4) the impact of projected revenue cuts.

Meetings shall be open to the public and notice provided. The committee may issue a report upon completion of the budget process. Nothing in this section shall preclude a committee from studying issues not described in this section, if authority is granted to it by the city.

Sec. 17. Laws 1974, chapter 285, section 4, as amended by Laws 1989, chapter 328, article 4, section 6, is amended to read:

Sec. 4. [ISSUANCE OF BONDS.]

To finance the programs authorized in section 2, 2a, and 3 of this act, the governing body of the city may by resolution authorize, issue, and sell general obligation bonds of the city ~~in accordance with the provisions of Minnesota Statutes, Chapter 475~~ without submission of the question to the electors of the city, notwithstanding any provision of the city charter or local ordinance. Minnesota Statutes, chapter 475, applies to the issuances of bonds. The total amount of all bonds outstanding for the programs shall not exceed $25,000,000. The amount of all bonds issued shall be ~~included in~~ excluded from the net indebtedness of the city for the purpose of any charter or statutory debt limitation.

Sec. 18. [PENNINGTON COUNTY; THIEF RIVER FALLS; STUDENT HOUSING.]

Subdivision 1. Pennington county or the city of Thief River Falls may construct and own student housing in the county or city. The county or city may incur debt as provided by Minnesota Statutes, chapter 475, to finance the cost of the student housing, which is a purpose like other purposes stated in Minnesota Statutes, section 475.52. Payment of the debt may be secured by either or both the pledge of revenue from the housing or the pledge of the full faith and credit of the county or city. An election is not necessary to authorize obligations issued under the authority provided by this section.

Subd. 2. Subdivision 1 takes effect separately for Pennington county and the city of Thief River Falls upon compliance with Minnesota Statutes, section 645.021, subdivision 3, by their respective governing bodies.

Subd. 3. Property taxes may not be levied under this section until the 1992 levy, payable in 1993 and thereafter.

The board shall establish an application process for interested schools, colleges, or programs of nursing. Initial applications are due by January 1, 1991, and by January 1 of each later year. By March 1, 1991, and by March 1 of each later year, the board shall notify each applicant school, college, or program of nursing of its approximate allocation of funds in order to allow the school, college, or program to determine the number of students that can be supported by the allocation. Sec. 21. Minnesota Statutes 1990, section 299A.45, subdivision 1, is amended to read:

Subdivision 1. Subd. 3. [APPLICATIONS.] The board shall determine procedures to solicit and evaluate proposals and to award grants. The board must consider the way in which a proposal would aid students needing child care, considering the limited funds available for the state child care grant program. The grants may also fund programs to assure that child care funding and delivery is part of a student's overall package of support services.

The board must not award a grant unless the proposal demonstrates a strong likelihood that the value of the services to be generated as a result of the grant substantially exceeds the amount of the grant.

Subd. 4. [REPORT.] The higher education coordinating board shall report to the appropriations and finance committees on its distribution of the grants by February 1, 1992. The board shall evaluate the projects and make its final report by January 1, 1993.

(3) residents of other states who are attending a Minnesota institution under a tuition reciprocity agreement.

Sec. 4. Laws 1990, chapter 591, article 3, section 10, is amended to read:

Sec. 10. [CONDITIONS.]

(a) The state university board, the state board for community colleges, the state board of vocational technical education, and their respective campuses must not enter into new long-term lease arrangements, significantly increase the course offerings at off-campus sites, enter any 2 + 2 arrangements, or significantly increase staffing levels for off-campus sites between the effective date of this section and the end of the ~~1990-1991~~ 1992-1993 academic year. Sec. 7. [ENROLLMENT AUDIT.]

The legislative audit commission and the commissioner of finance are requested to undertake a study of enrollment, including an audit of full-year equivalents, in the technical college and community college systems. The study should examine the changes in full-year equivalents since the enactment of average cost funding, the distribution of students in credit and noncredit programs, degree and nondegree programs, the inclusion of students in average cost funding for whom the systems are receiving alternative funding, and the changes in enrollment and cost among the average cost funding cells. The auditor and the commissioner are requested to report their findings and recommendations to the education divisions of the appropriations and finance committees by February 15, 1992.

Sec. 8. [EFFECTIVE DATE.]

Sections 5 and 7 are effective the day following final enactment.

Subdivision 1. The head or chief administrative officer of each department or agency of the state government, including the supreme court, shall prepare a fiscal note at the request of the chair of the standing committee to which a bill has been referred, or the chair of the house appropriations committee, or the chair of the senate committee on finance.

For purposes of this subdivision, "supreme court" includes all agencies, committees, and commissions supervised or appointed by the state supreme court or the state court administrator.

Sec. 2. Minnesota Statutes 1990, section 3.982, is amended to read:

3.982 [FISCAL NOTES FOR STATE-MANDATED ACTIONS.]

When a bill is introduced and referred to a standing committee, the commissioner of finance shall determine whether the bill proposes a new or expanded mandate on a political subdivision, a

district court, or the public defense system. If the commissioner determines that a new or expanded mandate is proposed, the commissioner shall direct the appropriate department or agency of state government to prepare a fiscal note identifying the projected fiscal impact of the bill on state government and on the affected ~~political subdivisions~~ entity. The commissioner of finance shall be responsible for coordinating the fiscal note process, for assuring the accuracy and completeness of the note, and for ensuring that fiscal notes are prepared, delivered, and updated as provided in this section. To the extent that the bill would impose new fiscal obligations ~~on political subdivisions~~, the note shall indicate the efforts made to reduce those obligations, including consultations made with representatives of the ~~political subdivisions~~ affected entities. Chairs of legislative committees receiving bills on rereferrals from other legislative committees may request that fiscal notes be amended to reflect amendments made to the bills by prior committee action. Preparation of the fiscal notes required in this section shall be consistent with section 3.98. The commissioner of finance shall periodically report to and consult with the legislative commission on planning and fiscal policy on the issuance of the notes.

Sec. 3. Minnesota Statutes 1990, section 244.16, is amended to read:

244.16 [DAY-FINES.]

Subdivision 1. [MODEL SYSTEM.] ~~By June 1, 1991,~~ The sentencing guidelines commission shall develop a model day-fine system. ~~Each judicial district must adopt either the model system or its own day-fine system by January 1, 1992.~~ The commission shall report its model system to the legislature by February 1, 1993. Upon request of a judicial district, the commission may establish one pilot project for the development of a day-fine system.

Subd. 2. [COMPONENTS.] A day-fine system adopted under this section must provide for a two-step sentencing procedure for those receiving a fine as part of a probationary felony, gross misdemeanor, or misdemeanor sentence. In the first step, the court determines how many punishment points a person will receive, taking into account the severity of the offense and the criminal history of the offender. The second step is to multiply the punishment points by a factor that accounts for the offender's financial circumstances. The goal of the system is to provide a fine that is proportional to the seriousness of the offense and largely equal in impact among offenders with different financial circumstances. The system may provide for community service in lieu of fines for offenders whose means are so limited that the payment of a fine would be unlikely.

Sec. 4. [244.17] [LOCAL CORRECTIONAL PROGRAM; IMPOSITION OF FEES ON OFFENDERS.]

Subdivision 1. [DEFINITION.] As used in this section, "local correctional fees" include fees for the following correctional services:

(1) community service work placement and supervision;

(2) restitution collection;

(3) supervision;

(4) court-ordered investigations; or

(5) any other court-ordered service to be provided by a local probation and parole agency established under section 260.311 or community corrections agency established under chapter 401.

Subd. 2. [FEE SCHEDULE.] A local correctional agency may establish a schedule of local correctional fees to be charged persons under the supervision and control of the agency to defray costs associated with correctional services. Local correctional fees must be reasonably related to correctional inmates' abilities to pay and the actual cost of correctional services. The local correction agency may spend fees collected under this section for local correctional services.

Subd. 3. [FEE COLLECTION.] The chief executive officer of the local correctional agency under which the offender is supervised may collect the fee assessment. The local correctional agency may collect the fee at any time and is not limited to collecting the fee assessment to the time the offender is under sentence. The local correctional agency may use any available civil means of debt collection in collecting a fee assessment.

Subd. 4. [EXEMPTION FROM FEE.] The local correctional agency shall waive payment of a local correctional fee if so ordered by the court pursuant to section 6. The agency may waive payment of a fee at its discretion, if the court fails to waive the fee, and if the agency determines the offender does not have the ability to pay the fee, the prospects for payment are poor, or that there are extenuating circumstances justifying waiver of the fee.

Subd. 5. [FAILURE TO PAY FEE.] After a showing and upon a finding that the offender has failed to make local correctional fee payments, the local correctional agency may impose sanctions to induce payment. The local correctional agency shall afford an offender an appeal or hearing before imposing sanctions for failure to pay a local correctional fee.

Sec. 5. [609.102] [LOCAL CORRECTIONAL PROGRAM FEES; IMPOSITION BY COURT.]

Subdivision 1. [DEFINITION.] As used in this section, "local correctional fees" has the meaning given in section 4.

Subd. 2. [IMPOSITION OF FEE.] When a court sentences a person convicted of a crime, the court shall impose a local correctional fee under the following circumstances:

(1) when a person is convicted of a misdemeanor or gross misdemeanor and placed under supervision of a local correctional agency;

(2) when a person convicted of a felony, as a condition of probation, is placed under supervision for up to one year in a local correctional agency; or

(3) any other circumstance when a person convicted of a crime is placed under supervision of a local correctional agency for correctional purposes.

The court shall use the fee schedule adopted by the local correctional facility under section 4 to set the fee or order the agency to set the fee under its schedule.

Subd. 3. [FEE EXEMPTION.] The court may waive payment of a local correctional program fee if it makes findings on the record that the convicted person is exempt due to any of the factors named under section 4, subdivision 4. The court shall consider prospects for payment during the term of supervision by the local correctional agency.

Sec. 6. Minnesota Statutes 1990, section 631.425, subdivision 3, is amended to read:

Subd. 3. [CONTINUATION OF EMPLOYMENT.] If the person committed under this section has been regularly employed, the sheriff shall arrange for a continuation of the employment insofar as possible without interruption. If the person is not employed, the ~~sheriff or any~~ court may designate a suitable person or agency ~~designated by the court shall make every effort~~ to make reasonable efforts to secure some suitable employment for that person. An inmate employed under this section must be paid a fair and reasonable wage for work performed and must work at fair and reasonable hours per day and per week.

Sec. 7. Minnesota Statutes 1990, section 631.425, subdivision 7, is amended to read:

Subd. 7. [VIOLATION OF SENTENCE; PROCEDURE.] If the

inmate violates a condition of work release relating to conduct, custody, or employment, the ~~inmate must be returned to the court. Subd. 4. Subdivision 1. [PROHIBITED ACTS.] (a) A person subject to the provisions of this section and sections 27.01 to 27.15 may not:

(1) operate or advertise to operate as a dealer at wholesale without a license;

(2) make any false statement or report as to the grade, condition, markings, quality, or quantity of produce, as defined in section 27.069, received or delivered, or act in any manner to deceive a consignor or purchaser;

(3) refuse to accept a shipment contracted for by the person, unless the refusal is based upon the showing of a state inspection certificate secured with reasonable promptness after the receipt of the shipment showing that the kind and quality of produce, as defined in section 27.069, is other than that purchased or ordered by the person;

(4) fail to account or make a settlement for produce within the required time;

(5) violate or fail to comply with the terms or conditions of a contract entered into by the person for the purchase or sale of produce;

(6) purchase for a person's own account any produce received on consignment, either directly or indirectly, without the consent of the consignor;

(7) issue a false or misleading market quotation, or cancel a quotation during the period advertised by the person;

(8) increase the sales charges on produce shipped to the person by means of "dummy" or fictitious sales;

(9) receive decorative forest products and the products of farms and waters from foreign states or countries for sale or resale, either within or outside of the state, and give the purchaser the impression, through any method of advertising or description, that the produce is of Minnesota origin;

(10) fail to notify in writing all suppliers of produce of the protection afforded to suppliers by the person's licensee bond, including: availability of a bond, notice requirements, and any other conditions of the bond;

(11) make a false statement to the commissioner on an application for license or bond or in response to written questions from the commissioner regarding the license or bond;

(12) commit to pay and not pay in full for all produce committed for. A processor may not commit to pay an amount less than the full contract price if the crop produced is satisfactory for processing and is not harvested for reasons within the processor's control. If the processor sets the date for planting, bunching, unusual yields, and a processor's inability or unwillingness to harvest must be considered to be within the processor's control. Under this clause growers must be compensated for passed acreage at the same rate for grade and yield as they would have received had the crop been harvested in a timely manner minus any contractual provision for green manure or

feed value. Both parties are excused from payment or performance for crop conditions that are beyond the control of the parties; or

(13) discriminate between different sections, localities, communities, or cities, or between persons in the same community, by purchasing produce from farmers of the same grade, quality, and kind, at different prices, except that price differentials are allowed if directly related to the costs of transportation, shipping, and handling of the produce and a person is allowed to meet the prices of a competitor in good faith, in the same locality for the same grade, quality, and kind of produce. A showing of different prices by the commissioner is prima facie evidence of discrimination.

(b) A separate violation occurs with respect to each different person involved, each purchase or transaction involved, and each false statement.

Subdivision 1. [CHECKOFF AUTHORIZED.] Every individual who files an income tax return or property tax refund claim form may designate on their original return that $1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that individual and paid either into an account to be established for the management of nongame wildlife or into the foodshelf account, or both. The commissioner of revenue shall, on the income tax return and the property tax refund claim form, notify filers of their right to designate that a portion of their tax or refund shall be paid into either the nongame wildlife management account or the foodshelf account, or both.

Subd. 2. [DEPOSIT OF MONEY.] The sum of the amounts so designated to be paid shall be credited to the nongame wildlife management account for use by the nongame program of the section of wildlife in the department of natural resources and to the foodshelf account established under section 1.

Subd. 4. [STATE PLEDGE.] The state pledges and agrees with all contributors to the nongame wildlife management account to use the funds contributed solely for the management of nongame wildlife projects and further agrees that it will not impose additional

conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of nongame wildlife.

The state further pledges that all money given to the foodshelf programs will be used for foodshelf programs for needy people in Minnesota.

Subd. 5. [INFORMATION ON SOURCE.] The commissioner shall annually report to the foodshelf account distribution board the amount of the contributions to that account designated on the tax returns of residents of each county.

Subd. 6. [LIMITATIONS ON CHECKOFFS.] (a) No more than two tax checkoffs may be included on income tax returns and property tax refund forms for any taxable year.

(b) Beginning with the third taxable year when a tax checkoff for contributions for a specific purpose is included on the tax form, if the contributions designated for a tax year equal less than $300,000, the checkoff program for that purpose will terminate and that checkoff will no longer be included on the income tax returns and property tax refund forms for subsequent years."

"Sec. 14. [297A.161] [REIMBURSEMENT FOR COSTS OF COMPLYING WITH TAX CHANGES.]

Subdivision 1. [DEFINITION.] As used in this subdivision, "cash register" means a cash register used by the retailer to compute the correct tax on the date the new tax or tax increase took effect and that could not have been used to compute the correct tax on that date unless adjustments or modifications were made to it.

Subd. 2. [APPLICATION FOR REFUND.] Within six months after a tax imposed under chapter 297A takes effect for the first time or the effective date of an increase in the rate of a tax under chapter 297A, a retailer required to collect the tax may apply to the commissioner of revenue for a refund of a portion of the tax required to be paid. The refund is in consideration of the costs incurred by or charges to the retailer for modifications or adjustments that were necessary to enable the correct tax to be computed at the retailer's cash registers.

Subd. 3. [REFUND AMOUNT.] The total refund paid to a retailer under this section shall be determined as follows:

(a) If the retailer has one place of business and one cash register, the refund equals the lesser of (1) $150 or (2) the actual cost incurred by the retailer in making the modifications or adjustments.

(b) If the retailer has one place of business and more than one cash register at that place of business, the refund equals the lesser of (1) $100 multiplied by the number of cash registers or (2) the actual cost incurred by the retailer in making the modifications or adjustments.

(c) If the retailer has more than one place of business, each place of business must be considered separately in determining the refund to which the retailer is entitled under this section.

Subd. 4. [ALLOWANCE OF REFUND.] The application must be in the form prescribed by the commissioner by rule. Within nine months of the filing of the application, the commissioner shall certify the amount of the refund allowed to the retailer. The refund shall be treated as payment of sales that the retailer has collected and remitted and paid to the state on a transaction that is not taxable under chapter 297A as provided by section 289A.50, subdivision 2."

BUDGET RESERVE

Section 1. Minnesota Statutes 1990, section 16A.15, subdivision 1, is amended to read:

Subdivision 1. [REDUCTION.] (a) If the commissioner determines that probable receipts for the general fund will be less than ~~anticipated~~ the amount projected in the prior official forecast, and that the amount available for the ~~remainder of the biennium~~ current budget period will be less than needed, the commissioner shall, with the approval of the governor, and after consulting the legislative advisory commission, reduce the amount in the budget and cash flow

reserve account established in subdivision 6 as needed to balance expenditures with revenue.

(b) An additional deficit shall, with the approval of the governor, and after consulting the legislative advisory commission, be made up by reducing unexpended allotments of any prior appropriation or transfer. Notwithstanding any other law to the contrary, the commissioner is empowered to defer or suspend prior statutorily created obligations which would prevent effecting such reductions.

(c) If the commissioner determines that probable receipts for any other fund, appropriation, or item will be less than anticipated, and that the amount available for the remainder of the term of the appropriation or for any allotment period will be less than needed, the commissioner shall notify the agency concerned and then reduce the amount allotted or to be allotted so as to prevent a deficit.

(d) In reducing allotments, the commissioner may consider other sources of revenue available to recipients of state appropriations and may apply allotment reductions based on all sources of revenue available.

(e) In like manner, the commissioner shall reduce allotments to an agency by the amount of any saving that can be made over previous spending plans through a reduction in prices or other cause.

Sec. 2. Minnesota Statutes 1990, section 16A.15, subdivision 6, is amended to read:

Subd. 6. [BUDGET AND CASH FLOW RESERVE ACCOUNT.] A budget and cash flow reserve account is created in the general fund in the state treasury. The commissioner of finance shall, as authorized from time to time by law, restrict part or all of the budgetary balance in the general fund for use as the budget and cash flow reserve account. The commissioner of finance shall transfer to the budget and cash flow reserve account such amounts as are available to bring the total amount, including any existing balance in the account on June 30, ~~1989~~ 1991, to ~~$550,000,000~~ $400,000,000. The property must not be used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment, and the property must not be used for residential purposes on either

a temporary or permanent basis. For purposes of this subdivision, a nonprofit community service oriented organization means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990. Subdivision 1. [MANNER OF VALUATION AND CLASSIFICATION.] All real and personal property subject to a general property tax and not subject to a gross earnings or other fee in lieu of tax, is classified as provided by this section.

Subd. 2. [CLASS 1.] Class 1 property must be valued at 100 percent of market value, provided that 75 percent of the market value is exempt from valuation for purposes of real estate taxes. The combined market value of each house, garage, and the immediately surrounding one acre of land is class 2 property.

Subd. 3. [CLASS 2.] Class 2 property must be valued at 100 percent of market value, provided that 50 percent of the market value is exempt from valuation for purposes of real estate taxes. Class 2 property includes residential property.

Subd. 4. [CLASS 3.] Class 3 property must be valued at 100 percent of market value, with a 25 percent exemption for purposes of valuation for real estate taxes. "Market value" for purposes of this subdivision includes the land and the buildings. Class 3 property includes:

(2) that portion of the market value of commercial, industrial, and utility property that does not exceed $120,000. In the case of state-assessed commercial, industrial, and utility property owned by one person or entity, only one parcel has a 25 percent exemption on the first $120,000 of market value. In the case of other commercial, industrial, and utility property owned by one person or entity, only one parcel in each county has a 25 percent exemption on the first $120,000 of market value;

(3) manufactured home parks of four or more units;

(4) commercial recreational property; and

(3) unmined iron ore and low-grade iron-bearing formations as defined in section 273.14.

Subd. 6. [UNIMPROVED LAND.] Real property that is not improved with a structure and that is not used as part of a commercial or industrial activity must be classified according to its highest and best use permitted under the local zoning ordinance, and consistent with this section. If no ordinance exists, the land must be classified in the same manner as the surrounding land or land in the most immediate proximity to the vacant land.

Subd. 7. [SUBSTANDARD BUILDINGS.] The amount of market

value exempt from property taxes for residential property that is found to be a substandard building under section 273.1316 shall be reduced by 25 percent of the property's market value.

Subd. 8. [MULTI-USE PROPERTY.] In the case of multi-use property, the valuation and classification is apportioned according to the uses of the property.

respective final budgets and property tax levies for taxes payable in the following year, and the governing body of the school district shall hold a public hearing to adopt its property tax levy for taxes payable in the following year.

(a) In the week beginning with the second Monday in October, each county shall hold its public hearing.

(b) In the week beginning with the third Monday in October, each school district shall hold its public hearing.

(c) In the week beginning with the fourth Monday in October, each city shall hold its public hearing.

At the hearing, the taxing authority, other than a school district, may amend the proposed budget and property tax levy and must adopt a final budget and property tax levy, and the school district may amend the proposed property tax levy and must adopt a final property tax levy.

The property tax levy certified under section 275.07 by a city, county, or school district must not exceed the proposed levy determined under subdivision 1, except by an amount up to the sum of the following amounts:

(1) the amount of a school district levy whose voters approved a referendum to increase taxes under section 124A.03, subdivision 2, or 124.82, subdivision 3, after the proposed levy was certified;

(2) the amount of a city or county levy approved by the voters under section ~~275.58~~ 275.581 after the proposed levy was certified;

(3) the amount of a levy to pay principal and interest on bonds issued or approved by the voters under section 475.58 after the proposed levy was certified;

At the hearing the percentage increase in property taxes proposed by the taxing authority, if any, and the specific purposes for which property tax revenues are being increased must be discussed. During the discussion, the governing body shall hear comments regarding a proposed increase and explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions prior to adoption of any measures by the governing body. The governing body, other than the governing body school districts, shall adopt its final property tax levy prior to adopting its final budget.

The hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No hearing may be held on a Sunday. The county auditor shall provide for the coordination of hearing dates for all taxing authorities within the county.

By August 1, the county auditor shall notify the clerk of each school district within the county of the dates that the county board has designated for its hearing and any continuation under subdivision 3. By August 15, each school board shall certify to the county auditors of the counties in which the school district is located the dates on which it elects to hold its hearings and any continuations under subdivision 3. If a school board does not certify the dates by August 15, the auditor will assign the hearing date. The dates elected or assigned must not conflict with the county hearing dates. By August 20, the county auditor shall notify the clerks of the cities within the county of the dates on which the county and school districts have elected to hold their hearings. At the time a city certifies its proposed levy under subdivision 1 it shall certify the dates on which it elects to hold its hearings and any continuations under subdivision 3. The city must not select dates that conflict with those elected by or assigned to the counties and school districts in which the city is located.

The hearing dates so elected or assigned must be designated on the notices required under subdivision 3.

This subdivision does not apply to towns and special taxing districts.

Sec. 4. Minnesota Statutes 1990, section 275.07, subdivision 1, is amended to read:

The taxes voted by cities, counties, school districts, and special districts shall be certified by the proper authorities to the county auditor on or before ~~five working days after December 20~~ November 15 in each year. A town must certify the levy adopted by the town board to the county auditor by September 1 each year. If the town board modifies the levy at a special town meeting after September 1, the town board must recertify its levy to the county auditor on or before ~~five working days after December 20~~ November

15. The taxes certified shall not be adjusted by the aid received under sections 273.1398, subdivisions 2 and 3, and 477A.013, subdivision 5. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

Sec. 5. Minnesota Statutes 1990, section 275.07, subdivision 4, is amended to read:

Subd. 4. [REPORT TO COMMISSIONER.] On or before September 15 for taxes levied in 1990, and thereafter, the county auditor shall report to the commissioner of revenue the proposed levy certified by local units of government under section 275.065, subdivision 1. On or before ~~January 15~~ December 1, for taxes levied in ~~1989~~ 1991 and thereafter, the county auditor shall report to the commissioner of revenue the final levy certified by local units of government under subdivision 1. The levies must be reported in the manner prescribed by the commissioner. The reports must show a total levy and the amount of each special levy.

Sec. 6. Minnesota Statutes 1990, section 276.04, subdivision 2, is amended to read:

Subd. 2. [CONTENTS OF TAX STATEMENTS.] (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain a tabulated statement of the dollar amount due to each taxing authority from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the county, township or municipality and school district must be separately stated. The amounts due other taxing districts, if any, may be aggregated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. ~~The statement shall include the following sentence, printed in upper case letters in boldface print: "THE STATE OF MINNESOTA DOES NOT RECEIVE ANY PROPERTY TAX REVENUES. THE STATE OF MINNESOTA REDUCES YOUR PROPERTY TAX BY PAYING CREDITS AND REIMBURSEMENTS TO LOCAL UNITS OF GOVERNMENT."~~

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the

right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value as defined in section 272.03, subdivision 8;

~~(2) the property's gross tax, calculated by multiplying the property's gross tax capacity times the total local tax rate and adding to the result the sum of the aids enumerated in clause (3);~~

~~(3) a total of the following aids:~~

~~(i) education aids payable under chapters 124 and 124A;~~

~~(ii) local government aids for cities, towns, and counties under chapter 477A; and~~

~~(iii) disparity reduction aid under section 273.1398;~~

This amount is obtained by multiplying the total local tax rate by the difference between the property's gross and net tax capacities under section 273.13. This amount must be separately stated and identified as "homestead and agricultural credit." For purposes of comparison with the previous year's amount for the statement for taxes payable in 1990, the statement must show the homestead credit for taxes payable in 1989 under section 273.13, and the agricultural credit under section 273.132 for taxes payable in 1989;~~

~~(5)~~ (2) any credits received under sections 273.119; 273.123; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10; and

~~(6)~~ (3) the net tax payable in the manner required in paragraph (a).

Statements of the real property taxes due shall be mailed not later than ~~April 15~~ March 31 for property taxes payable in ~~1990~~ 1991 and ~~March 31~~ February 1 for property taxes payable in 1992 and thereafter. The validity of the tax shall not be affected by failure of the treasurer to mail the statement. The taxpayer is defined as the owner who is responsible for the payment of the tax.

Sec. 8. Minnesota Statutes 1990, section 276.10, is amended to read:

276.10 [APPORTIONMENT AND DISTRIBUTION OF FUNDS.]

~~On the settlement day determined in section 276.09 for each year,~~ The county auditor and county treasurer shall distribute all undistributed funds in the treasury. The funds must be apportioned as provided by law, and credited to the state, town, city, school district, special district and each county fund. Within 20 days after the distribution is completed, the county auditor shall report to the state auditor in the form prescribed by the state auditor. The county auditor shall issue a warrant for the payment of money in the county treasury to the credit of the state, town, city, school district, or special districts on application of the persons entitled to receive the payment. The county auditor may apply the local tax rate from the year before the year of distribution when apportioning and distributing delinquent tax proceeds, if the composition of the previous year's local tax rate between taxing districts is not significantly different from the local tax rate that existed for the year of the delinquency.

Sec. 9. Minnesota Statutes 1990, section 276.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] ~~As soon as practical after the settlement day determined in section 276.09,~~ On or before April 30, August 14, and December 15, the county treasurer shall pay to the state treasurer or the treasurer of a town, city, school district, or special district, on the warrant of the county auditor, all receipts of taxes levied by the taxing district and deliver up all orders and other evidences of indebtedness of the taxing district, taking triplicate receipts for them. The treasurer shall file one of the receipts with the county auditor, and shall return one by mail on the day of its receipt to the clerk of the town, city, school district, or special district to which payment was made. The clerk shall keep the receipt in the clerk's office. ~~Upon written request of the taxing district, to the extent practicable, the county treasurer shall make partial payments of amounts collected periodically in advance of the next settlement and distribution.~~ A statement prepared by the county treasurer must accompany each payment. It must state the years for

which taxes included in the payment were collected and, for each year, the amount of the taxes and any penalties on the tax. ~~Upon written request of a taxing district, except school districts, the county treasurer shall pay at least 70 percent of the estimated collection within 30 days after the settlement date determined in section 276.09. Within seven business days after the due date, or 28 calendar days after the postmark date on the envelopes containing real or personal property tax statements, whichever is latest, the county treasurer shall pay to the treasurer of the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district, unless the school district elects to receive 50 percent of the estimated collections arising from taxes levied by and belonging to the school district after making a proportionate reduction to reflect any loss in collections as the result of any delay in mailing tax statements. In that case, 50 percent of those adjusted, estimated collections shall be paid by the county treasurer to the treasurer of the school district within seven business days of the due date. The remaining 50 percent of the estimated collections must be paid to the treasurer of the school district within the next seven business days of the later of the dates in the preceding sentence, unless the school district elects to receive the remainder of its estimated collections after a proportionate reduction has been made to reflect any loss in collections as the result of any delay in mailing tax statements. In that case, the remaining 50 percent of those adjusted, estimated collections shall be paid by the county treasurer to the treasurer of the school district within 14 days of the due date.~~ The treasurer shall pay the balance of ~~the~~ any additional amounts collected to the state or to a municipal corporation or other body within ~~60~~ 45 days after the ~~settlement date determined in section 276.09~~ distribution dates of April 30, August 14, or December 15. After ~~45 days~~ the time for payment by the treasurer elapses, interest at an annual rate of eight percent accrues and must be paid to the taxing district. Interest must be paid upon appropriation from the general revenue fund of the county. If not paid, it may be recovered by the taxing district, in a civil action.

Sec. 10. Minnesota Statutes 1990, section 277.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in this subdivision, all unpaid personal property taxes shall be deemed delinquent on ~~May~~ March 16 next after they become due or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach and be charged upon all such taxes. In the case of unpaid personal property taxes due and owing under section 272.01, subdivision 2, or 273.19, the first half shall become delinquent if not paid before ~~May~~ March 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach on the unpaid first half; and the second half shall become delinquent if not paid before ~~October~~ July 16, and

thereupon a penalty of eight percent shall attach on the unpaid second half. ~~This section shall not apply to class 2a property.~~

A county may provide by resolution that in the case of a property owner that has multiple personal property tax statements with the aggregate taxes exceeding $50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 11. Minnesota Statutes 1990, section 278.01, is amended to read:

278.01 [DEFENSE OR OBJECTION TO TAX ON LAND; SERVICE AND FILING.]

Subdivision 1. [DETERMINATION OF VALIDITY.] Any person having any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor, one copy on the county attorney, and one copy on the county treasurer. In counties where the office of county treasurer has been combined with the office of county auditor, the petitioner must serve the number of copies required by the county. The petitioner must file the copies with proof of service, in the office of the court administrator of the district court before the 16th day of ~~May~~ March of the year in which the tax becomes payable. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the

valuation notice required by section 273.121 but prior to ~~May~~ March 16 of the year in which the taxes are payable.

Subd. 2. [HOMESTEADS.] Any person having any estate, right, title or interest in or lien upon any parcel which is classified as homestead under the provisions of section 273.13, subdivision 22 or 23, who claims that said parcel has been assessed at a valuation which exceeds by ten percent or more the valuation which the parcel would have if it were valued at the average assessment/sales ratio for real property in the same class, in that portion of the county in which that parcel is located, for which the commissioner is able to establish and publish a sales ratio study as determined by the applicable real estate assessment/sales ratio study published by the commissioner of revenue, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor and one copy each on the county treasurer and the county attorney and filing the same, with proof of such service, in the office of the court administrator of the district court before the 16th day of ~~May~~ March of the year in which such tax becomes payable. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court.

Subd. 3. [EXCEPTION.] The procedures established by this section are not available to contest the validity or amount of any special assessment made pursuant to chapters 429, 430, any special law or city charter.

Sec. 12. Minnesota Statutes 1990, section 278.03, is amended to read:

278.03 [PAYMENT OF TAX.]

If the proceedings instituted by the filing of the petition have not been completed before the 16th day of ~~May~~ March next following the filing, the petitioner shall pay to the county treasurer 50 percent of the tax levied for such year against the property involved, unless permission to continue prosecution of the petition without such payment is obtained as herein provided. If the proceedings instituted by the filing of the petition have not been completed by the next ~~October 16, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property,~~ November 16, the petitioner shall pay to the county treasurer 50 percent of the unpaid balance of the taxes levied for the year against the property involved if the unpaid balance is $2,000 or

less and 80 percent of the unpaid balance if the unpaid balance is over $2,000, unless permission to continue prosecution of the petition without payment is obtained as herein provided. The petitioner, upon ten days notice to the county attorney and to the county auditor, given at least ten days prior to the 16th day of ~~May~~ March or the 16th day ~~of October, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property, the 16th day~~ of November, may apply to the court for permission to continue prosecution of the petition without payment; and, if it is made to appear

(1) that the proposed review is to be taken in good faith;

(2) that there is probable cause to believe that the property may be held exempt from the tax levied or that the tax may be determined to be less than 50 percent of the amount levied; and

(3) that it would work a hardship upon petitioner to pay the taxes due,

the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment. The petition shall be automatically reinstated upon payment of the entire tax plus interest and penalty if the payment is made within one year of the dismissal. The county treasurer shall, upon request of the petitioner, issue duplicate receipts for the tax payment, one of which shall be filed by the petitioner in the proceeding.

Sec. 13. Minnesota Statutes 1990, section 278.05, subdivision 5, is amended to read:

Subd. 5. Any time after the filing of the petition and before the trial of the issues raised thereby, when the defense or claim presented is that the property has been partially, unfairly, or unequally assessed, or that the parcel has been assessed at a valuation greater than its real or actual value, or that a parcel which is classified as homestead under the provisions of section 273.13, subdivision 22 or 23, has been assessed at a valuation which exceeds by ten percent or more the valuation which the parcel would have if it were valued at the average assessment/sales ratio for real property in the same class in that portion of the county in which the parcel is located, for which the commissioner is able to establish and publish a sales ratio study, the attorney representing the state, county, city or town in the proceedings may serve on the petitioner, or the

petitioner's attorney, and file with the court administrator of the district court, an offer to reduce the valuation of any tract or tracts to a valuation set forth in the offer. If, within ten days thereafter, the petitioner, or the attorney, gives notice in writing to the county attorney, or the attorney for the city or town, that the offer is accepted, the official notified may file the offer with proof of notice, and the court administrator shall enter judgment accordingly. Otherwise, the offer shall be deemed withdrawn and evidence thereof shall not be given; and, unless a lower valuation than specified in the offer is found by the court, no costs or disbursements shall be allowed to the petitioner, but the costs and disbursements of the state, county, city or town, including interest at six percent on the tax based on the amount of the offer from and after the 16th day of ~~October, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property, the 16th day of~~ November, of the year the taxes are payable, shall be taxed in its favor and included in the judgment and when collected shall be credited to the county revenue fund, unless the taxes were paid in full before the 16th day of ~~October, or, in the case of class 1b agricultural homestead, class 2a agricultural homestead, and class 2b(2) agricultural nonhomestead property, the 16th day of~~ November, of the year in which the taxes were payable, in which event interest shall not be taxable.

Sec. 14. Minnesota Statutes 1990, section 279.01, is amended by adding a subdivision to read:

Subd. 1a. [DUE DATES.] All taxes on real property are due in three equal installments, to be paid on March 15 or 20 calendar days after the postmark date on the envelope containing the property tax statement, whichever is later, July 15, and November 15.

Sec. 15. Minnesota Statutes 1990, section 279.01, is amended by adding a subdivision to read:

Subd. 2a. [PENALTIES.] Late payments of real property tax incur a penalty. The rate of the penalty increases with each successive month that the payment is late and is dependent upon the class of property taxed. The following is the schedule of penalties for late payment of property tax:

Sec. 16. Minnesota Statutes 1990, section 279.01, is amended by adding a subdivision to read:

Subd. 3a. [EXTENDED DUE DATES.] Notwithstanding subdivision 2a, if any of the due dates provided in subdivision 1a are extended as a result of a delay in mailing property tax statements, no penalty accrues if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had not been extended must be charged.

Sec. 17. Minnesota Statutes 1990, section 279.01, is amended by adding a subdivision to read:

Subd. 4. [PARTIAL PAYMENTS.] The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 18. Minnesota Statutes 1990, section 469.1763, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURES OUTSIDE DISTRICT.] (a) For each tax increment financing district, an amount equal to at least 75 percent of the revenue derived from tax increments paid by properties in the district must be expended on activities in the district or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities in the district or to pay, or secure payment of, debt service on credit enhanced bonds. Not more than 25 percent of the revenue derived from tax increments paid by properties in the district may be expended, through a development fund or otherwise, on activities outside of the district but within the defined geographic area of the project except to pay, or secure payment of, debt service on credit enhanced bonds. The revenue derived from tax increments for the district that are expended on costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before calculating the percentages that must be expended within and without the district.

(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) If the revenue derived from tax increments of any district is insufficient to expend on activities in the district for which binding contracts were entered into prior to April 30, 1991, or to pay bonds issued prior to April 30, 1991, increments from within the defined geographic area of the project may be expended on the activities or bonds for the district. If the revenue derived from tax increments of one district is insufficient to pay bonds issued under section 469.178, the authority must, in the next levy year, levy in an amount to pay the insufficiency.

Sec. 19. Minnesota Statutes 1990, section 469.177, is amended by adding a subdivision to read:

Subd. 1b. [LOCAL TAX RATE; CONVERSION TO MILLS.] The county auditor shall ensure that the calculations of local tax rates for tax increment districts certified after April 30, 1988, are made consistent with the provisions of section 273.126.

Sec. 20. Minnesota Statutes 1990, section 469.177, subdivision 7, is amended to read:

Subd. 7. [PROPERTY CLASSIFICATION CHANGES.] When any law governing the classification of real property and determining the percentage of market value to be assessed for ad valorem taxation purposes is amended, the increase or decrease in ~~net tax capacity~~ taxable values resulting therefrom shall be applied proportionately to original net ~~tax capacity~~ taxable value and captured net ~~tax capacity~~ taxable value of any tax increment financing district in each year thereafter. This subdivision applies to tax increment districts created pursuant to sections 469.174 to 469.178 or any prior tax increment law.

Sec. 2. Minnesota Statutes 1990, section 273.1391, subdivision 2, is amended to read:

Subd. 2. For taxes payable in ~~1990~~ 1992 and subsequent years, the amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the school district tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c)~~, and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate~~. ~~For the purposes of this subdivision, "homestead credit equiva-~~

~~lency percentage" means one minus the ratio of the net class rate to the gross class rate applicable to the first $68,000 of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.~~

Sec. 3. Minnesota Statutes 1990, section 273.1398, subdivision 1, is amended to read:

~~(c) "Gross tax capacity" means the product of the gross class rates and estimated market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the gross tax capacity of transmission lines deducted from a local government's total gross tax capacity under section 273.425. Gross tax capacity cannot be less than zero.~~

~~(d) "Net tax capacity" means the product of (i) the appropriate net class rates for the year in which the aid is payable, except that for aids payable in 1991 the class rate applied to class 3 utility real and personal property shall be 5.38 percent; the class rate applied to class 4c property and that portion of class 3 property with an actual net class rate of 2.3 percent shall be 2.4 percent; the class rates applied to class 2a agricultural homestead property excluding the house, garage, and one acre shall be .4 percent for the first $100,000 of value reduced by the value of the house, garage, and one acre, 1.3 percent for the remaining value of the first 320 acres, and 1.7 percent for the remaining value of any acreage in excess of 320 acres; the class rate applied to class 2b property shall be 1.7 percent; the class rate applied to class 1b property shall be .4 percent; and the class rate for the portion of class 1 property and the house, garage, and one acre portion of class 2a property with a market value in excess of $100,000 shall be 3.0 percent, and (ii) estimated market values for the assessment two years prior to that in which aid is~~

The reclassification of fraternity and sorority houses as class 4e shall not be considered in determining net tax capacity for purposes of this paragraph for aids payable in 1991. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 473F.08, subdivision 6, for the municipality, as defined in section 473F.02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. Previous net tax capacity cannot be less than zero.

~~(f) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.~~

~~(g) "1989 local tax rate" means the quotient derived by dividing the gross taxes levied within a unique taxing jurisdiction for taxes payable in 1989 by the gross tax capacity of the unique taxing jurisdiction for taxes payable in 1989. For computation of the local tax rate for aid payable in 1991 and subsequent years, gross taxes for taxes payable in 1989 exclude equalized levies as defined in subdivision 2a. For purposes of computation of the local tax rate only, gross taxes shall not be adjusted by inflation or household growth.~~

Subd. 2. [HOMESTEAD AND AGRICULTURAL CREDIT AID.] ~~(a) For aid payable in 1991, homestead and agricultural credit aid for each unique taxing jurisdiction equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. The commissioner of revenue may, in computing the amount of the homestead and agricultural credit aid paid in 1990 and subsequent years, adjust the gross tax capacity, net tax capacity, and gross taxes of a taxing jurisdiction for taxes payable in 1989 to reflect auditor's errors in computing taxes payable for 1989 in unique taxing jurisdictions within independent school district Nos. 720 and 792. Homestead and agricultural credit aid cannot be less than zero.~~

~~(b)(1) The 1990 and 1991 homestead and agricultural credit aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's gross taxes bears to the total gross taxes levied within the unique taxing jurisdiction. The net tax capacity adjustment is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's taxes levied bears to the total taxes levied in the unique taxing jurisdiction.~~

~~(2) The 1990 homestead and agricultural credit aid so determined for school districts for purposes of general education levies pursuant to section 124A.23, subdivisions 2 and 2a, and transportation levies pursuant to section 275.125, subdivisions 5 and 5c, shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.~~

~~(c) The calendar year 1990 homestead and agricultural credit aid shall be adjusted by the adjustment factor.~~

~~(d) Payments under this subdivision to counties in 1990 and 1991 shall be reduced by the amount provided in section 477A.012, subdivisions 3, paragraph (d), 4, paragraph (d), and 5.~~

~~(f) Payments under this subdivision to cities in 1990 and 1991 shall be reduced by the amount of the homestead and agricultural credit aid adjustment, if any, determined for 1990 under section 477A.013, subdivisions 6 and 7.~~

~~(g) Payments under this subdivision to special taxing districts, excluding hospital districts and the regional transit board defined in section 473.373, in 1990 and 1991 shall be reduced by an amount equal to 2.35 percent of the amount levied for taxes payable in 1990, before reduction for homestead and agricultural credit aid and disparity reduction aid. Payments under this subdivision to the regional transit board in 1990 and 1991 shall be reduced by $450,000.~~

~~(h)~~ Payments under this subdivision to all ~~taxing jurisdictions~~ school districts in 1992 and subsequent years are equal to the product of (1) the homestead and agricultural credit aid base, and (2) the growth adjustment factor, plus the net tax capacity adjustment and the fiscal disparity adjustment.

Sec. 5. Minnesota Statutes 1990, section 273.1398, subdivision 3, is amended to read:

Subd. 3. [DISPARITY REDUCTION AID.] ~~(a)~~ For taxes payable in 1990, and subsequent years, the amount of school district disparity aid originally certified for each unique taxing jurisdiction for taxes payable in the prior year shall be multiplied by the ratio of (1) the jurisdiction's tax capacity using the class rates for taxes payable in the year for which aid is being computed, to (2) its tax capacity using the class rates for taxes payable in the year prior to that for which aid is being computed, both based upon market values for taxes payable in the year prior to that for which aid is being computed.

~~(b) The disparity reduction aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's payable gross taxes bears to the total payable gross taxes levied within the unique taxing jurisdiction.~~

Sec. 6. Minnesota Statutes 1990, section 273.1398, subdivision 6, is amended to read:

Subd. 6. [PAYMENT.] ~~The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before December 1, 1989, and October 1 thereafter of the year preceding the distribution year to the county auditor of the affected local government and pay them to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions. The disparity reduction credit provided in subdivision 4 must be paid to taxing jurisdictions other than school districts at the time provided in section 473H.10, subdivision 3.~~ Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax.

Sec. 7. Minnesota Statutes 1990, section 275.07, subdivision 3, is amended to read:

Subd. 3. The county auditor shall adjust each ~~local government's~~ school district's levy certified under subdivision 1, ~~except for the equalization levies defined in section 273.1398, subdivision 2a, paragraph (a),~~ by the amount of homestead and agricultural credit aid certified by section 273.1398, ~~subdivision 2, reduced by the amount under section 273.1398, subdivision 5a; fiscal disparity homestead and agricultural credit aid under section 273.1398, subdivision 2b; and equalization aid certified by section 477A.013, subdivision 5.~~

Sec. 8. Minnesota Statutes 1990, section 275.08, is amended to read:

275.08 [AUDITOR TO FIX RATE.]

Subdivision 1. [GENERALLY.] The rate ~~percent~~ of all taxes, except the state tax and taxes the rate of which may be fixed by law, shall be calculated and fixed by the county auditor according to the limitations in this chapter hereinafter prescribed; provided, that if any county, city, town, or school district shall return a greater amount than the prescribed rates will raise, the auditor shall extend only such amount of tax as the limited rate will produce.

Subd. 1a. For taxes payable in 1989, the county auditor shall compute the gross tax capacity for each parcel according to the class rates specified in section 273.13. The gross tax capacity will be the appropriate class rate multiplied by the parcel's market value. For taxes payable in 1990 ~~and subsequent years~~ to 1993, the county auditor shall compute the net tax capacity for each parcel according to the class rates specified in section 273.13. The net tax capacity will be the appropriate class rate multiplied by the parcel's market value.

Subd. 1b. The amounts certified under section 275.07 after adjustment under section 275.07, subdivision 3, by an individual local government unit shall be divided by the total gross tax capacity of all taxable properties within the local government unit's taxing jurisdiction for tax payable in 1989 and by the total net tax capacity of all taxable properties within the local government unit's taxing jurisdiction, for taxes payable in 1990 ~~and thereafter~~ to 1993. The resulting ratio, the local government's local tax rate, multiplied by each property's gross tax capacity for taxes payable in 1989 and net tax capacity for taxes payable in 1990 ~~and subsequent years~~ to 1993 shall be each property's total tax for that local government unit before reduction by any credits.

For taxes payable in 1994 and thereafter, the amounts certified under section 275.07, after adjustment under section 275.07, subdivision 3, by an individual local government unit shall be divided by the total taxable value of all taxable properties within the local government unit's taxing jurisdiction. The resulting ratio, the local government's mill rate, multiplied by each property's taxable value, shall be each property's total tax for that local government before reduction for any credits.

Subd. 1c. After the local tax rate of a local government has been determined pursuant to subdivision 1b, the auditor shall adjust the local government's local tax rate within each unique taxing jurisdiction as defined in section 273.1398, subdivision 1, in which the local government exercises taxing authority. The adjustment shall equal the unique taxing jurisdiction's disparity reduction aids allocated to the local government pursuant to section 273.1398, subdivision 3, divided by the total ~~tax capacity~~ taxable value of all taxable property within the unique taxing jurisdiction. The adjustment shall reduce the local tax rate of the local government within the unique taxing jurisdiction for which the adjustment was calculated.

Subd. 1d. If, after computing each local government's adjusted local tax rate within a unique taxing jurisdiction pursuant to subdivision 1c, the auditor finds that the total adjusted local tax rate of all local governments combined is less than 90 percent of gross tax capacity for taxes payable in 1989 and 90 percent of net tax capacity for taxes payable in 1990 to 1993, and mills equivalent to 90 percent of total taxable value for taxes payable in 1994 and thereafter, the auditor shall increase each local government's adjusted local tax rate proportionately so the total adjusted local tax rate of all local governments combined equals 90 percent. The total amount of the increase in tax resulting from the increased local tax rates must not exceed the amount of disparity aid allocated to the unique taxing district under section 273.1398. The auditor shall certify to the department of revenue the difference between the disparity aid originally allocated under section 273.1398, subdivision 3, and the amount necessary to reduce the total adjusted local tax rate of all local governments combined to 90 percent. Each local government's

disparity reduction aid payment under section 273.1398, subdivision 6, must be reduced accordingly.

Subd. 2. [ESTIMATES.] If, by January 15 of any year, the county auditor has not received from another county auditor the local tax rate ~~or gross tax capacity~~ applicable to any taxing district lying in two or more counties, the county auditor who has not received the necessary information may levy taxes for the overlapping district by estimating the local tax rate ~~or the gross tax capacity~~.

Subd. 3. [ASSISTANCE OF COUNTY AUDITOR.] A county auditor who has not furnished the local tax rate or ~~gross tax capacity~~ taxable value of property in the county by January 15 shall, on request, furnish the county auditor of a county in the overlapping district an estimate of the ~~tax capacities~~ total taxable values or the local tax rate. The auditor may request the assistance of the county assessor in determining the estimate.

Subd. 4. [SUBSEQUENT ADJUSTMENT.] After the correct local tax rate or ~~net tax capacity~~ taxable value has been certified, the amount of taxes over or under levied shall be computed and notice sent to each affected taxing district. If the estimated tax levy exceeds the correct tax levy based on ~~actual net tax capacity and~~ the local tax rate, the county treasurer shall remit any amount of excess collected to the affected taxing district. In the following levy year, the estimating county auditor shall adjust the levy of the affected taxing district to compensate for the amount of variance.

In the event that the estimated tax levy is less than the correct tax levy based on actual net tax capacity and local tax rate, the auditor shall adjust the levy of the affected taxing district as provided in section 275.075. For taxes payable in 1994 and thereafter, the adjustment must be made if the tax levy is less than the correct tax levy based on taxable value and local tax rate.

Sec. 9. [275.581] [ELECTIONS TO INCREASE LEVY.]

Subdivision 1. Subject only to any law or charter provisions establishing per capita, mill, local tax rate, or other limitations on the amount of taxes that may be levied, the levy of a taxing authority may be increased in any per capita or dollar amount which is approved by the majority of voters of the taxing authority voting on the question at a general or special election. When the governing body of the taxing authority resolves to increase the levy of the taxing authority pursuant to this section, it shall provide for submission of the proposition of an increase in the levy per capita or the proposition of an additional levy, as the case may be, at a general or special election. The election must be held on the first Tuesday after the first Monday in the month of November. Notice of the election must be given in the manner required by law. If the proposition is for an adjustment to the taxing authority's levy per

capita, increasing the levy per capita over the per capita amount indicated pursuant to section 275.065, the notice must state the purpose of the per capita adjustment and the per capita amount of the adjustment. If the proposition is for an additional levy, the notice must state the purpose and maximum yearly amount of the additional levy.

Subd. 2. Notwithstanding any statute, special law, ordinance or charter provision to the contrary, a referendum pursuant to subdivision 1 requires approval of a majority of those voting on the question to pass.

Subd. 3. Notwithstanding any statute, special law, ordinance or charter provision to the contrary, the governing body of a governmental subdivision may call and hold special elections pursuant to this section.

Subd. 4. "Taxing authority" means towns, cities, school districts, special districts, and counties as defined in section 275.065, subdivision 1.

Subd. 5. This section applies to levy increases permitted under sections 124A.03 and section 205A.10.

Sec. 10. Minnesota Statutes 1990, section 477A.011, subdivision 1a, is amended to read:

Subd. 1a. [LARGE CITY.] Large city means a statutory or home rule charter city. ~~City also means a town~~ having a population of ~~5,000~~ 2,500 or more for purposes of the aid payable under section ~~477A.013, subdivision~~ 3 477A.0136. ~~Towns are not eligible to be treated as cities for purposes of aid payable under section 477A.013, subdivision 5, or the aid adjustment under section 477A.013, subdivision 7.~~

Sec. 11. Minnesota Statutes 1990, section 477A.011, subdivision 1b, is amended to read:

Subd. 1b. [~~TOWN~~ SMALL CITY.] ~~"Town"~~ "Small city" means a statutory or home rule charter city with a population less than 2,500 or means a township with a population of less than 5,000.

Sec. 12. Minnesota Statutes 1990, section 477A.011, subdivision 27, as amended by Laws 1991, chapter 2, article 8, section 2, is amended to read:

Subd. 27. [REVENUE BASE.] (a) "Revenue base" means the amount levied for taxes payable in 1991, including the levy on the fiscal disparity distribution under section 473F.08, subdivision 3, paragraph (a), and before reduction for the homestead and agricul-

tural credit aid under section 273.1398, subdivision 2, equalization aid under section 477A.013, subdivision 5, and disparity reduction aid under section 273.1398, subdivision 3; plus the local government aid under sections 477A.011; 477A.012, subdivisions 1, 3, and 5, determined without regard to subdivision 2; and 477A.013, subdivisions 1, 3, 6, and 7; and the estimated taconite aids used to determine levy limits for taxes payable in 1991 under section 275.51, subdivision 3i. This definition of "revenue base" applies only to small cities effective for aids payable in 1992.

(b) Notwithstanding paragraph (a), the revenue base of a county used to calculate the reduction required by subdivision 28, for aids payable December 15, 1991, excludes the amount levied as a special levy under section 275.50, subdivision 5, clause (a).

Sec. 13. Minnesota Statutes 1990, section 477A.011, subdivision 28, as amended by Laws 1991, chapter 2, article 8, section 3, is amended to read:

Subd. 28. [REDUCTION PERCENTAGE.] (1) "Reduction percentage" means the equal percentage reduction in each county and city revenue base that was necessary to reduce 1990 aid payments by $28,000,000 under sections 477A.012, subdivision 5, and 477A.013, subdivision 7, and, in addition, the equal percentage reduction in each county, city, town, and special taxing district revenue base that ~~is~~ was necessary to reduce 1991 aid payments under sections 477A.012, subdivisions 1, 3, and 5; 477A.013, subdivisions 1, 3, 5, 6, and 7; and 273.1398, subdivisions 2 and 3, by a combined amount of $50,000,000 on July 20, 1991; and, in addition, the equal percentage reduction in each county, city, town, and special taxing district revenue base that is necessary to further reduce 1991 aid payments under sections 477A.012, subdivisions 1, 3, and 5; 477A.013, subdivisions 1, 3, 5, 6, and 7; and 273.1398, subdivisions 2 and 3, by a combined amount of $50,000,000 on December 15, 1991.

(2) For aids payable in 1992 and thereafter, the reduction percentage of each small city's aid as defined in section 477A.011, subdivision 1b, means the equal percentage reduction in each small city's revenue base as described in paragraph (1) and, in addition, the equal percentage reduction in each small city's revenue base that is necessary to further reduce 1991 aid payments to small cities by a combined amount of $31,000,000. In no case shall the amount paid exceed the amount appropriated under section 477A.0137, subdivision 2.

Sec. 14. Minnesota Statutes 1990, section 477A.011, is amended by adding a subdivision to read:

Subd. 29. [CITY FISCAL ABILITY.] For aids payable in calendar year 1992 and subsequent calendar years, the commissioner of revenue shall, for purposes of distributing local government aid,

utilize the "need-capacity gap" approach of the study entitled "Measuring the Fiscal Condition of Cities in Minnesota," (hereinafter, the FCCS report), as submitted to the legislative commission on planning and fiscal policy, March 1991, as provided under Laws 1989, First Special Session chapter 1, article 1, section 11.

Each city's fiscal ability means the need-capacity gap as determined by the methodology used in the FCCS report, and as modified by the commissioner of revenue, as follows:

(1) a city's revenue-raising capacity is determined using the tax base approach outlined in the FCCS report and the average property tax rate for large cities is recalculated by excluding special assessment revenues from a city's property tax amount. The actual amount of special assessment revenues is added to the revenue-raising capacity of each city imposing special assessments;

(2) the calculation of a city's nonschool tax increment financing revenues is modified to restrict the increment amount to greater than or equal to zero;

(3) a city's total expenditure need includes the sum of public safety, transportation, and economic and social services expenditures needs as calculated in the FCCS report, but does not include expenditures for administration and miscellaneous.

Sec. 15. Minnesota Statutes 1990, section 477A.012, subdivision 6, as added by Laws 1991, chapter 2, article 8, section 5, is amended to read:

Subd. 6. [1991 COUNTY AID ADJUSTMENT.] (a) A county's July 20, 1991 payment of local government aid and homestead and agricultural credit aid is reduced by the product of its revenue base and the reduction percentage. The aid reduction is first applied to a county's local government aid in its scheduled July 20, 1991 aid payment. If the aid reduction is greater than the local government aid amount in its scheduled July 20, 1991 aid payment, the remaining amount is then applied to the county's homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The July 20, 1991 local government aid, homestead and agricultural credit aid, and disparity reduction aid payment to a county after this reduction cannot be less than $0.

(b) A county's December 15, 1991, payment of local government aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a county's local government aid in its scheduled December 15, 1991, aid payment. If the aid reduction is greater than the local government aid amount in its scheduled December 15, 1991, aid payment, the remaining amount is then

applied to the county's homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The December 15, 1991, local government aid, homestead and agricultural credit aid, and disparity reduction aid payment to a county after this reduction cannot be less than $0.

Sec. 16. Minnesota Statutes 1990, section 477A.013, subdivision 8, as added by Laws 1991, chapter 2, article 8, section 8, is amended to read:

Subd. 8. [1991 CITY, OR TOWN AID ADJUSTMENT.] (a) A city or town's July 20, 1991 payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base, and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a city or town's local government aid amount in its scheduled July 20, 1991 aid payment. If the aid reduction is greater than the local government aid amount in its scheduled July 20, 1991 aid payment, the remaining amount is then applied to the city or town's equalization aid, and then, if necessary, to its homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The July 20, 1991 local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid payment to a city or town after this reduction cannot be less than $0.

(b) A city's or town's December 15, 1991, payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base, and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a city's or town's local government aid amount in its scheduled December 15, 1991, aid payment. If the aid reduction is greater than the local government aid amount in its scheduled December 15, 1991, aid payment, the remaining amount is then applied to the city's or town's equalization aid, and then, if necessary, to its homestead and agricultural credit aid, and then, if necessary, to its disparity reduction aid. The December 15, 1991, local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid payment to a city or town after this reduction cannot be less than $0.

Sec. 17. Laws 1991, chapter 2, article 8, section 9, is amended to read:

Sec. 9. [477A.0135] [SPECIAL TAXING DISTRICTS; 1991 AID REDUCTION.]

(a) A special taxing district's July 20, 1991 payment of homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage, as

determined in section 477A.011, subdivision 28. The aid reduction is first applied to a special taxing district's homestead and agricultural credit aid amount in its scheduled July 20, 1991 aid payment. If the aid reduction is greater than the homestead and agricultural credit aid amount in its scheduled July 20, 1991 aid payment, the remaining amount is then applied to the special taxing district's disparity reduction aid. The July 20, 1991 homestead and agricultural credit aid and disparity reduction aid payment to a special taxing district after this reduction cannot be less than $0.

(b) A special taxing district's December 15, 1991, payment of homestead and agricultural credit aid, and disparity reduction aid is reduced by the product of its revenue base and the reduction percentage, as determined in section 477A.011, subdivision 28. The aid reduction is first applied to a special taxing district's homestead and agricultural credit aid amount in its scheduled December 15, 1991, aid payment. If the aid reduction is greater than the homestead and agricultural credit aid amount in its scheduled December 15, 1991, aid payment, the remaining amount is then applied to the special taxing district's disparity reduction aid. The December 15, 1991, homestead and agricultural credit aid and disparity reduction aid payment to a special taxing district after this reduction cannot be less than $0.

Sec. 18. [477A.0136] [LARGE CITY LOCAL GOVERNMENT AID.]

Subdivision 1. [BASIC LOCAL GOVERNMENT AID.] The commissioner of revenue shall annually distribute the amount of large city basic local government aid appropriated, by calculating each large city's aid in the following manner:

(a) determine each large city's fiscal ability, representing the difference between the city's total expenditure need and the city's revenue raising capacity, based upon the FCCS report, as modified;

(b) determine an average distribution ratio by dividing the annual appropriation by the total sum of all large cities with a fiscal ability of greater than $0; and

(c) multiply each large city's fiscal ability by the distribution ratio to obtain the amount of aid to be paid each large city.

Subd. 2. [RESTRICTIONS.] The amount of local government aid paid to each large city shall not exceed a fixed percentage of each city's fiscal ability based upon the average distribution ratio as determined in subdivision 1, paragraph (b). Each city with a fiscal ability of less than $0 shall not receive local government aid.

Subd. 3. [ADJUSTMENT FOR SUPPLEMENTAL AID TO FIRST

CLASS CITIES.] In addition to the aid distributed under subdivision 1, each first class city shall receive an adjustment equal to the amount appropriated for this adjustment multiplied by the appropriate proportion of each city's fiscal ability in relation to the sum of the fiscal abilities of all first class cities.

Subd. 4. [ADJUSTMENT FOR TEMPORARY TRANSITIONAL LOCAL AID.] The 1992 revenue base for each large city cannot be reduced from the 1991 revenue base by more than a fixed percentage, to be determined by the 1992 appropriation for temporary transitional local aid. Temporary transitional local government aid is the amount of additional aid necessary to increase each large city's 1992 revenue base to equal the fixed percentage of the city's 1991 revenue base as determined in subdivision 2. The 1992 appropriation shall be reduced by 25 percent for aids payable in 1993, 50 percent for aids payable in 1994, 75 percent for aids payable in 1995, and 100 percent for aids payable in 1996. The fixed percentage must be recalculated each year based on the annual appropriation for aids payable in 1993 through 1995. For purposes of this subdivision, "1992 revenue base" means the sum of the city's taxes levied in 1990, payable in 1991, and the city's basic and supplemental local government aid paid to the city in 1992 under this section. The "1991 revenue base" means the sum of the city's taxes levied in 1990, payable in 1991, and local government aid paid to the city in 1991 after reductions under Laws 1991, chapter 2, article 8, and under this article, including equalization aid, under section 477A.013, homestead and agricultural credit aid under section 273.1398, subdivision 2, and disparity reduction aid under section 273.1398, subdivision 3.

Subd. 5. [FINAL ADJUSTMENT.] The total amount of local government aid paid to all large cities, under subdivisions 1 to 4, shall not exceed 90 percent of all large cities 1991 revenue base. If a city's 1992 revenue base exceeds 90 percent of the city's 1991 revenue base, then the amount of the city's basic local government aid shall be reduced until the 1992 revenue base equals 90 percent of the 1991 revenue base. The aid reduction shall first be applied to a city's supplemental aid, and then to the city's basic aid. Amounts resulting from this reduction shall be redistributed the following year to all large cities through the basic local government aid formula. If a city's 1992 revenue base is less than 80 percent of the 1991 revenue base, the city shall receive an adjustment under subdivision 4.

Subd. 6. [APPROPRIATION.] A sum sufficient to pay the basic local government aid, including the adjustments for first class cities, and temporary transitional local aid is annually appropriated from the general fund to the commissioner of revenue, subject to the limitations in subdivisions 1 to 5. For aids payable in 1992, the amount appropriated for basic local government aid is $97,000,000, the amount appropriated for supplemental aid to first class cities is

$30,000,000, and the amount appropriated for temporary transitional aid is $138,000,000.

Sec. 19. [477A.0137] [SMALL CITY LOCAL GOVERNMENT AID.]

Subdivision 1. [DISTRIBUTION AMOUNT.] In calendar year 1992, and thereafter, each small city shall receive a distribution equal to the amount appropriated for small cities in 1991, after reductions under Laws 1991, chapter 2, article 8, and this article, including equalization aid under section 477A.013, homestead and agricultural credit aid under section 273.1398, subdivision 2, and disparity reduction aid under section 273.1398, subdivision 3, as adjusted by the reduction percentage determined in section 477A.011, subdivision 28.

Subd. 2. [APPROPRIATION.] A sum sufficient to pay the small city local government aid is annually appropriated from the general fund to the commissioner of revenue. For aids payable in 1992, the amount appropriated is $49,000,000.

Sec. 20. Minnesota Statutes 1990, section 477A.014, subdivision 1, as amended by Laws 1991, chapter 2, article 8, section 10, is amended to read:

Subdivision 1. [CALCULATIONS AND PAYMENTS.] The commissioner of revenue shall make all necessary calculations and make payments pursuant to sections 477A.012, 477A.013, and 477A.03 directly to the affected taxing authorities annually. In addition, the commissioner shall notify the authorities of their aid amounts, as well as the computational factors used in making the calculations for their authority, and those statewide total figures that are pertinent, before August 15 of the year preceding the aid distribution year, except that for aid payable in 1990 the commissioner of revenue must notify the authorities of their aid amounts as well as the computational factors used in the calculation before October 23, 1989. The commissioner shall reduce the July 20, 1991, payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid to counties, cities, towns, and special taxing districts by a combined amount of $50,000,000. In addition to the reduction to be made on July 20, 1991, the commissioner shall reduce the December 15, 1991 payment of local government aid, equalization aid, homestead and agricultural credit aid, and disparity reduction aid to counties, cities, towns, and special taxing districts by a combined amount of $50,000,000.

Sec. 21. Minnesota Statutes 1990, section 477A.014, is amended by adding a subdivision to read:

Subd. 5. [SUPPLEMENTAL SOCIAL SERVICE AID.] The sum of

$20,000,000 is appropriated from the general fund as supplemental social service aid to the commissioner of revenue to distribute to counties in the same proportion that the counties receive aid in the calendar year from the commissioner of human services under section 256E.07. The commissioner of revenue shall pay these amounts in two equal installments on July 20 and December 15. No later than June 1, the commissioner of human services shall provide the commissioner of revenue with sufficient information to determine the amount of aid payable to each county.

Sec. 22. Minnesota Statutes 1990, section 477A.014, is amended by adding a subdivision to read:

Subd. 6. [LARGE CITY LOCAL GOVERNMENT AID; PAYMENTS.] As required by section 477A.0136, the commissioner of revenue shall pay a sum not to exceed $100,000,000 as basic local government aid to large cities for aids payable in 1992. In addition, the commissioner shall pay a sum not to exceed $40,000,000 as supplemental aid and an additional $111,000,000 as temporary transitional local government aid under section 477A.0136. The payments must be made as required by section 477A.015.

Sec. 23. Minnesota Statutes 1990, section 477A.014, is amended by adding a subdivision to read:

Subd. 7. [SMALL CITY LOCAL GOVERNMENT AID; PAYMENTS.] The commissioner of revenue shall pay a sum not to exceed $31,000,000 to small cities for aids payable in 1992 as local government aid pursuant to section 477A.0137. The payments must be made as required by section 477A.015.

Supportive services also include other health-related support services identified by the commissioner in rule.

Sec. 8. [144B.02] [LICENSE REQUIRED.]

No person, partnership, association, or corporation, nor any state, county, or local governmental units, nor any division, department, board, or agency shall establish, operate, conduct, or maintain in the state any residential care home without first obtaining a license as required in sections 144B.01 to 144B.17. No person or entity shall advertise a home providing services required to be licensed under sections 144B.01 to 144B.17 without first obtaining a license. A violation of this section is a misdemeanor punishable by a fine of not more than $300. The commissioner may seek an injunction in the district court against the continuing operation of the unlicensed home. Proceedings for securing an injunction may be brought by the attorney general or by the appropriate county attorney. The sanctions in this section do not restrict other available sanctions.

Sec. 9. [144B.03] [LICENSE APPLICATION.]

Subdivision 1. [LICENSE PROCEDURES.] The commissioner shall by rule establish forms and procedures for processing residential care home license applications. An application for a residential care home license shall include:

(1) the name and address of the licensee and the manager of the home to be licensed;

(2) the address of the home; and

(3) any other relevant information which the commissioner by rule may determine is necessary to properly evaluate an application for license.

An applicant for licensure which is a corporation shall submit copies of its articles of incorporation and bylaws and any amendments as they occur, together with the names and addresses of its officers and directors. An applicant for licensure which is a foreign corporation shall furnish the commissioner with a copy of its certificate of authority to do business in this state. The application of a corporation, association, or a governmental unit or instrumentality shall be signed by at least two officers or managing agents of that entity.

Subd. 2. [AGENTS IDENTIFIED.] Each application for a residential care home license or for renewal of a residential care home license shall specify one or more individuals or employees as agents:

(1) who shall be responsible for dealing with the commissioner on all matters provided for in sections 144B.01 to 144B.17; and

(2) on whom personal service of all notices and orders shall be made, and who shall be authorized to accept service on behalf of the licensee.

Notwithstanding any law to the contrary, personal service on the designated person or persons named in an application shall be deemed to be service on the licensee, and it shall not be a defense to any action arising, that personal service was not made on each individual. The designation of one or more individuals pursuant to this subdivision shall not affect the legal responsibility of the licensee under sections 144B.01 to 144B.17.

Sec. 10. [144B.04] [FEES.]

Each application for a license to operate a residential care home, or for a renewal of license, shall be accompanied by a fee established by the commissioner according to section 144.122. No fee shall be refunded. The fee established must include an amount necessary to recover, over a five-year period, the commissioner's direct expenditures for adoption of the residential care home rules.

Sec. 11. [144B.05] [QUALIFICATIONS FOR LICENSE.]

Subdivision 1. [COMPLIANCE REQUIRED.] No license shall be

issued to a home unless the commissioner of health determines that the home complies with the requirements of this chapter.

Subd. 2. [APPLICATION REQUIRED.] The applicant for a license under sections 144B.01 to 144B.17 must comply with the application requirements specified by section 144B.03.

Subd. 3. [HEALTH; SAFETY STANDARDS.] The home must meet the minimum health, safety, comfort, and well-being standards prescribed by the rules of the commissioner with respect to the construction, equipment, maintenance, and operation of a residential care home.

Subd. 4. [LICENSURE CONDITIONS OR LIMITATIONS.] The commissioner may attach to the license any conditions or limitations necessary to assure compliance with the laws or rules governing the operation of the home or to protect the health, safety, comfort, or well-being of the residents. A condition or limitation may be attached to the license when first issued, when renewed, or during the course of the licensure year. The commissioner shall adopt rules governing the procedures for issuing conditions or limitations.

Sec. 12. [144B.06] [LICENSE RENEWAL.]

Unless the license is suspended or revoked according to section 144B.08, a residential care home license is effective for one year from the date of its issuance. The commissioner shall by rule establish forms and procedures for the processing of license renewals. The commissioner shall approve a license renewal application if the home continues to satisfy the requirements, standards, and conditions of sections 144B.01 to 144B.17, and the rules adopted under those sections.

Sec. 13. [144B.07] [TRANSFERABILITY OF LICENSE.]

Subdivision 1. [TRANSFERS PROHIBITED; CHANGE OF OWNERSHIP.] A license shall be issued only for the premise identified in the application for license and may not be transferred or assigned to another party. Prior to any change of licensee of a home, the prospective licensee must apply for a license according to subdivision 2. "Change of licensee" means a transfer of the legal responsibility to operate the home to a different individual or entity.

Subd. 2. [NOTIFICATION.] At least 60 days prior to the final change of license, the prospective licensee shall notify the department of the intended change of licensee and shall file an application for a license. The original licensee shall notify the department of the intended change at least 90 days prior to the change. The original licensee remains responsible for the operation of the home until the

date a new license is issued by the department. The original licensee is liable for all penalties assessed against the home and for all violations occurring prior to the transfer of operation. The commissioner may not issue a license to the prospective licensee if, at the time of the requested transfer, there are any uncorrected violations of sections 144B.01 to 144B.17 or rules adopted under those sections unless the commissioner determines that the violations will not create an imminent risk of harm to the residents and that the prospective licensee has submitted an acceptable plan of correction to the commissioner.

Sec. 14. [144B.08] [LICENSE SUSPENSION, REVOCATION, OR REFUSAL TO ISSUE; HEARING; RELICENSING.]

Subdivision 1. [PROCEEDINGS.] The commissioner may institute proceedings to suspend or revoke a residential care home license, or may refuse to grant or renew the license of a residential care home if any action by a licensee or employee of the residential care home:

(1) violates any of the provisions of sections 144B.01 to 144B.17, or the rules adopted under those sections;

(2) permits, aids, or abets the commission of any illegal act in the residential care home or relating to the operation of the home;

(3) performs any act contrary to the welfare of the residential care home; or

(4) obtains, or attempts to obtain, a license by fraudulent means or misrepresentation.

Subd. 2. [HEARING.] No residential care home license may be suspended or revoked, and renewal may not be denied, without a hearing held as a contested case in accordance with chapter 14. If the individual designated under section 144B.03, subdivision 2, as an agent to accept service on behalf of the licensee has been notified by the commissioner that the home will not receive an initial license or that a license renewal has been denied, the licensee or a legal representative on behalf of the residential care home may request and receive a hearing on the denial. This hearing shall be held as a contested case in accordance with chapter 14.

Subd. 3. [MANDATORY REVOCATION OR REFUSAL TO ISSUE A LICENSE.] Notwithstanding subdivision 2, the commissioner shall revoke or refuse to issue a residential care home license if the applicant, licensee, or manager of the licensed home is convicted of a felony or gross misdemeanor that is punishable by a term of imprisonment of not more than 90 days and that relates to operation of the residential care home or directly affects resident safety or

care. The commissioner shall notify the residential care home 30 days before the date of revocation.

Subd. 4. [RELICENSING.] If a residential care home license is revoked, a new application for license may be considered by the commissioner when the conditions upon which revocation was based have been corrected and satisfactory evidence of this fact has been furnished to the commissioner. A new license may be granted after an inspection has been made and the home has been found to comply with all provisions of sections 144B.01 to 144B.17, and the rules adopted under those sections.

Sec. 15. [144B.09] [RULES.]

The commissioner shall establish by rule minimum standards for the construction, maintenance, equipping, and operation of residential care homes. To the extent possible, the rules shall assure the health, safety, comfort, and well-being of residential care home residents. The rules shall include, but not be limited to the following provisions:

(1) the supportive services that can be provided;

(2) special service permit requirements for medication or other supportive services;

(3) staffing requirements;

(4) training and qualifications of staff;

(5) criteria for admission and continued stay of a resident;

(6) resident rights;

(7) fire safety and physical plant requirements that are based on the size of the home, and the resident's ability to ambulate, taking into consideration the need for differing standards for existing physical plants and for new construction; and

(8) procedures for granting variances or waivers from the rules.

Sec. 16. [144B.10] [INSPECTIONS; ENFORCEMENT.]

Subdivision 1. [ENFORCEMENT.] The department is the exclusive state agency charged with the responsibility and duty of inspecting all homes required to be licensed under sections 144B.01 to 144B.17. The commissioner shall enforce its rules subject only to the authority of the department of public safety respecting the enforcement of fire and safety standards in licensed residential care homes.

Subd. 2. [PERIODIC INSPECTION.] (a) All homes required to be licensed under sections 144B.01 to 144B.17 shall be periodically inspected by the commissioner to ensure compliance with rules and standards. Inspections shall occur at different times throughout the calendar year.

(b) Within the limits of the resources available to the commissioner, the commissioner shall conduct inspections and reinspections with a frequency and in a manner calculated to produce the greatest benefit to residents. In performing this function, the commissioner may devote proportionately more resources to the inspection of those homes in which conditions present the most serious concerns with respect to resident health, safety, comfort, and well-being, including: (1) change in ownership; (2) frequent change in management or staff; (3) complaints about care, safety, or rights; (4) previous inspections or reinspections which have resulted in correction orders related to care, safety, or rights; and (5) indictment of persons involved in ownership or operation of the home for alleged criminal activity.

(c) A home that does not have any of the conditions in paragraph (b) or any other condition established by the commissioner that poses a risk to resident care, safety, or rights shall be inspected once every two years.

Subd. 3. [AUTHORITY.] The commissioner may request and must be given access to relevant information, records, incident reports, or other documents in the possession of a home if the commissioner considers them necessary for the discharge of responsibilities. For the purposes of inspections and securing information to determine compliance with the licensure laws and rules, the commissioner need not present a release, waiver, or consent of the individual. The identities of patients or residents must be kept private as defined by section 13.02, subdivision 12.

Subd. 4. [INSPECTIONS WITHOUT NOTICE.] No prior notice shall be given of an inspection or reinspection conducted under this section.

Subd. 5. [CORRECTION ORDERS.] Whenever a duly authorized representative of the commissioner determines that a home is not in compliance with the provisions of this chapter or the rules adopted under it, a correction order shall be issued to the home. The correction order shall state the deficiency, cite the specific law or rule violated, and specify the time allowed for correction.

Subd. 6. [REINSPECTIONS; FINES.] If, upon reinspection, it is found that the home has not corrected deficiencies specified in the correction order, a notice of noncompliance shall be issued stating all deficiencies not corrected. Unless a hearing is requested under subdivision 8, the home shall forfeit to the state, within 15 days

after receiving the notice of noncompliance, up to $1,000 for each deficiency not corrected. For each subsequent reinspection, the home may be fined an additional amount for each deficiency which has not been corrected. All forfeitures shall be paid into the general fund. The commissioner shall adopt by rule a schedule of fines applicable for each type of uncorrected deficiency.

Subd. 7. [RECOVERY.] Any unpaid forfeitures may be recovered by the attorney general.

Subd. 8. [HEARINGS.] A licensee is entitled to a hearing on any notice of noncompliance provided that the licensee makes a written request within 15 days after receiving the notice of noncompliance. Failure to request a hearing shall result in the forfeiture of a penalty as determined by the commissioner according to subdivision 6. During the hearing and review process a request for a hearing shall operate as a stay of the payment of any forfeiture provided for in this section. The hearing shall be conducted as a contested case proceeding under the provisions of chapter 14.

Subd. 9. [RECORDS OF INSPECTIONS.] After each inspection or reinspection required or authorized by this section, the commissioner shall, by certified mail, send copies of any correction order or notice of noncompliance to the home. A copy of each correction order and notice of noncompliance shall be kept on file at the home and shall be made available for viewing by any person upon request.

Subd. 10. [POWERS NOT LIMITED.] Nothing in this section shall be construed to limit the powers granted to the commissioner in this chapter.

Sec. 17. [144B.11] [INJUNCTIVE RELIEF; SUBPOENAS.]

Subdivision 1. [INJUNCTIVE RELIEF.] In addition to any other remedy provided by law, the commissioner may bring an action in the district court in Ramsey or Hennepin county or in the district in which a home is located to enjoin the licensee or an employee of the home from illegally engaging in activities regulated by sections 144B.01 to 144B.17. A temporary restraining order may be granted by the court in the proceeding if continued activity by the licensee or employee would create an imminent risk of harm to a resident of the facility.

Subd. 2. [SUBPOENAS.] In all matters pending before the commissioner under sections 144B.01 to 144B.17, the commissioner shall have the power to issue subpoenas, and to compel the attendance of witnesses and the production of all necessary papers, books, records, documents, and other evidentiary material. Any person failing or refusing to appear or testify regarding any matter about which that person may be lawfully questioned or refusing to produce any papers, books, records, documents, or evidentiary materials in

the matter to be heard, after having been required by order of the commissioner or by a subpoena of the commissioner to do so may, upon application by the commissioner to the district court in any district, be ordered by the court to comply with the subpoena or order. The commissioner may issue subpoenas and may administer *oaths to witnesses,* or take their affirmation. Depositions may be taken within or without the state in the manner provided by law for the taking of depositions in civil actions, with the same fees and mileage and in the same manner as prescribed by law for process issued out of the district court of this state. Fees and mileage and other costs for persons subpoenaed by the commissioner shall be paid in the same manner as for proceedings in district court.

Sec. 18. [144B.12] [PLACEMENT OF A MONITOR.]

Subdivision 1. [AUTHORITY.] The commissioner may place a person to act as a monitor in a residential care home when the commissioner determines that violations of this chapter, or the rules adopted under it, require extended surveillance to enforce compliance or to protect the health, safety, or welfare of the residents.

Subd. 2. [DUTIES OF THE MONITOR.] The monitor shall observe *the operation of the home, provide* advice to the home on methods of complying with state law and rules, where documented deficiencies for the regulations exist, and periodically shall submit a written report to the commissioner on the ways in which the home meets or fails to meet state rules.

Subd. 3. [SELECTION OF THE MONITOR.] The commissioner may select as monitor an employee of the department or may contract with any other individual to serve as a monitor. The commissioner shall publish a notice in the State Register that requests proposals from individuals who wish to be considered for placement as monitors and that sets forth the criteria for selecting individuals as monitors. The commissioner shall maintain a list of individuals who are not employees of the department who are interested in serving as monitors. The commissioner may contract with those individuals determined to be qualified.

Subd. 4. [PAYMENT OF THE MONITOR.] A residential care home in which a monitor is placed shall pay to the department the actual costs associated with the placement, unless the payment would create an undue hardship for the home.

Sec. 19. [144B.13] [FREEDOM FROM ABUSE AND NEGLECT.]

Residents shall be free from abuse and neglect as defined in section 626.557, subdivision 2. The commissioner shall by rule develop procedures for the reporting of alleged incidents of abuse or neglect in residential care homes. The office of health facility

complaints shall investigate reports of alleged abuse or neglect according to sections 144A.51 to 144A.54.

Sec. 20. [144B.14] [CESSATION OF OPERATIONS.]

If a residential care home voluntarily plans to cease operations or to curtail operations to the extent that relocation of residents is necessary, the licensee of the home shall notify the commissioner at least 90 days prior to the scheduled cessation or curtailment. The commissioner shall cooperate with and advise the licensee of the home in the resettlement of residents. Failure to comply with this section shall be subject to the issuance of a correction order and fine under section 144B.10.

Sec. 21. [144B.15] [HUMAN SERVICES LICENSURE EXCLUSION.]

Notwithstanding section 245A.03, subdivision 2, board and lodging establishments licensed by the commissioner and registered under section 157.031, subdivision 2, that provide services for five or more persons whose primary diagnosis is mental illness and who have refused a residential program offered by a county agency are exempt from licensure under sections 245A.01 to 245A.16, until one year after the residential care home licensure rules required under sections 144B.01 to 144B.17 are adopted by the commissioner of health. At that time, these establishments shall be licensed under sections 245A.01 to 245A.16, or as residential care homes.

Sec. 22. [144B.16] [TRANSITIONAL PERIOD.]

Except as provided for in section 157.031, subdivision 4, the requirement to obtain a residential care home license is effective as of the effective date of the rules adopted by the commissioner. Until that time, board and lodging establishments that are required to be registered under the provisions of section 157.031 shall continue to meet the requirements contained in that section.

Sec. 23. [144B.17] [ADVISORY WORK GROUP.]

The commissioner shall convene a work group to advise, consult with, and make recommendations to the commissioner regarding the development of rules required under sections 144B.01 to 144B.16. The work group must include consumers and providers of the services described in sections 144B.01 to 144B.16 and other interested parties.

Sec. 24. Minnesota Statutes 1990, section 144.335, subdivision 1, is amended to read:

Notwithstanding any rules to the contrary, including rules proposed in the State Register on April 1, 1991, the commissioner, in allocating grant funds for family planning special projects, shall not limit the total amount of funds that can be allocated to an organization that has submitted applications from more than one region, except that no more than $75,000 may be allocated to any grantee within a single region. For two or more organizations who have submitted a joint application, that limit is $75,000 for each organization. This subdivision does not affect any procedure established in rule for allocating special project money to the different regions. The commissioner shall revise the rules for family planning special project grants so that they conform to the requirements of this subdivision. In adopting these revisions, the commissioner is not subject to the rulemaking provisions of chapter 14, but is bound by section 14.38, subdivision 7.

The right to provide services remains suspended until the ~~individual~~ licensee is restored to capacity by a court and, upon petition by the ~~individual~~ licensee, the suspension is terminated by the board after a hearing. In its discretion, a board may restore and reissue permission to provide services, but as a condition thereof may impose any disciplinary or corrective measure that it might originally have imposed.

Sec. 30. Minnesota Statutes 1990, section 148B.06, subdivision 1, is amended to read:

Sec. 34. Minnesota Statutes 1990, section 148B.07, subdivision 4, is amended to read:

Subd. 4. [~~REGULATED INDIVIDUALS AND~~ LICENSED PROFESSIONALS.] A ~~regulated individual or a~~ licensed health professional shall report to the appropriate board personal knowledge of any conduct that the ~~regulated individual or~~ licensed health professional reasonably believes constitutes grounds for disciplinary or adverse action under this chapter by any ~~regulated individual~~ licensee, including conduct indicating that the ~~individual~~ licensee may be medically *incompetent*, or may be medically or physically unable to engage safely in the provision of services. If the information was obtained in the course of a client relationship, the client is another ~~regulated individual~~ licensee, and the treating individual successfully counsels the other individual to limit or withdraw from practice to the extent required by the impairment, the board may deem this limitation of or withdrawal from practice to be sufficient disciplinary action.

The suspension is in effect upon service of a written order on the licensee specifying the statute or rule violated. The order remains in effect until the board issues a final order in the matter after a hearing or upon agreement between the board and the licensee. Service of the order is effective if the order is served on the licensee or counsel of record personally or by first class mail to the most recent address provided to the board for

the licensee or the counsel of record. Within ten days of service of the order, the board shall hold a hearing before its own members on the sole issue of whether there is a reasonable basis to continue, modify, or lift the suspension. Evidence presented by the board or licensee shall be in affidavit form only. The licensee or the counsel of record may appear for oral argument. Within five working days after the hearing, the board shall issue its order and, if the suspension is continued, schedule a contested case hearing within 45 days after issuance of the order. The administrative law judge shall issue a report within 30 days after closing of the contested case hearing record. The board shall issue a final order within 30 days after receipt of that report.

If the information was obtained in the course of a client relationship, the client is an unlicensed mental health practitioner, and the treating individual successfully counsels the other practitioner to limit or withdraw from practice to the extent required by the impairment, the office may deem this limitation of or withdrawal from practice to be sufficient disciplinary action.

Subd. 5. Sec. 50. [148B.64] [IMMUNITY.]

Subdivision 1. [REPORTING.] Any person, health care facility, business, or organization is immune from civil liability or criminal prosecution for submitting a report to the office of mental health practice, for otherwise reporting to the office violations or alleged violations of this chapter, or for cooperating with an investigation of a report, except as provided in this subdivision. Subd. 2. [INVESTIGATION.] The commissioner and employees of the department of health, members of the advisory council on mental health practice, and other persons engaged in the investigation of violations and in the preparation, presentation, and management of and testimony pertaining to charges of violations of this chapter are absolutely immune from civil liability and criminal prosecution for any actions, transactions, or publications in the execution of, or relating to, their duties under this chapter.

Sec. 51. [148B.65] [DISCIPLINARY RECORD ON JUDICIAL REVIEW.]

Upon judicial review of any disciplinary action taken by the commissioner under this chapter, the reviewing court shall seal the administrative record, except for the commissioner's final decision, and shall not make the administrative record available to the public.

Sec. 52. [148B.66] [PROFESSIONAL COOPERATION.]

Subdivision 1. [COOPERATION.] An unlicensed mental health practitioner who is the subject of an investigation, or who is

questioned in connection with an investigation, by or on behalf of the office of mental health practice shall cooperate fully with the investigation. Cooperation includes responding fully and promptly to any question raised by or on behalf of the office relating to the subject of the investigation and providing copies of client records, as reasonably requested by the office, to assist the office in its investigation, and appearing at conferences or hearings scheduled by the commissioner. If the office does not have a written consent from a client permitting access to the client's records, the unlicensed mental health practitioner shall delete any data in the record that identifies the client before providing it to the board. The office shall maintain any records obtained pursuant to this section as investigative data pursuant to section 13.41. If an unlicensed mental health practitioner refuses to give testimony or produce any documents, books, records, or correspondence on the basis of the fifth amendment to the Constitution of the United States, the commissioner may compel the unlicensed mental health practitioner to provide the testimony or information; however, the testimony or evidence may not be used against the practitioner in any criminal proceeding. Challenges to requests of the office may be brought before the appropriate agency or court.

Subd. 2. [TRANSFER OF DATA AND RECORDS.] All data and records obtained by the board of unlicensed mental health service providers, pursuant to section 148B.09, subdivision 1, as investigative data pursuant to chapter 13 shall be transferred to the office of mental health practice no later than June 30, 1991. All other data gathered by the board of unlicensed mental health service providers shall also be transferred no later than June 30, 1991.

Sec. 53. [148B.67] [PROFESSIONAL ACCOUNTABILITY.]

The office of mental health practice shall maintain and keep current a file containing the reports and complaints filed against unlicensed mental health practitioners within the commissioner's jurisdiction. Each complaint filed with the office must be investigated. If the files maintained by the office show that a malpractice settlement or award has been made against an unlicensed mental health practitioner, as reported by insurers under section 148B.63, subdivision 5, the commissioner may authorize a review of the practitioner's practice by the staff of the office of mental health practice.

Sec. 54. [148B.68] [PROHIBITED CONDUCT.]

Subdivision 1. [PROHIBITED CONDUCT.] The commissioner may impose disciplinary action as described in section 148B.69 against any unlicensed mental health practitioner. The following conduct is prohibited and is grounds for disciplinary action:

(a) Conviction of a crime, including a finding or verdict of guilt, an

(c) Failure to comply with the self-reporting requirements of section 148B.63, subdivision 6.

(d) Engaging in sexual contact with a client or former client as defined in section 148A.01, or engaging in contact that may be reasonably interpreted by a client as sexual, or engaging in any verbal behavior that is seductive or sexually demeaning to the patient, or engaging in sexual exploitation of a client or former client.

(e) Advertising that is false, fraudulent, deceptive, or misleading.

(f) Conduct likely to deceive, defraud, or harm the public; or demonstrating a willful or careless disregard for the health, welfare, or safety of a client; or any other practice that may create unnecessary danger to any client's life, health, or safety, in any of which cases, proof of actual injury need not be established.

(g) Adjudication as mentally incompetent, or as a person who has a psychopathic personality as defined in section 526.09, or who is dangerous to self, or adjudication pursuant to chapter 253B, as chemically dependent, mentally ill, mentally retarded, or mentally ill and dangerous to the public.

(j) Improper or unauthorized personal or other use of any legend drugs as defined in chapter 151, any chemicals as defined in chapter 151, or any controlled substance as defined in chapter 152.

(k) Revealing a communication from, or relating to, a client except when otherwise required or permitted by law.

(l) Failure to comply with a client's request made under section 144.335, or to furnish a client record or report required by law.

Subd. 2. [EVIDENCE.] In disciplinary actions alleging a violation of subdivision 1, paragraph (a), (b), (c), or (g), a copy of the judgment or proceeding under the seal of the court administrator or of the administrative agency that entered the same shall be admissible into evidence without further authentication and shall constitute prima facie evidence of its contents.

Subd. 3. [EXAMINATION; ACCESS TO MEDICAL DATA.] (a) If the commissioner has probable cause to believe that an unlicensed mental health practitioner has engaged in conduct prohibited by subdivision 1, paragraph (g), (h), (i), or (j), the commissioner may issue an order directing the practitioner to submit to a mental or physical examination or chemical dependency evaluation. For the purpose of this subdivision, every unlicensed mental health practitioner is deemed to have consented to submit to a mental or physical

examination or chemical dependency evaluation when ordered to do so in writing by the commissioner of health and further to have waived all objections to the admissibility of the testimony or examination reports of the health care provider performing the examination or evaluation on the grounds that the same constitute a privileged communication. Failure of an unlicensed mental health practitioner to submit to an examination or evaluation when ordered, unless the failure was due to circumstances beyond the practitioner's control, constitutes an admission that the unlicensed mental health practitioner violated subdivision 1, paragraph (g), (h), (i), or (j), based on the factual specifications in the examination or evaluation order and may result in a default and final disciplinary order being entered after a contested case hearing. An unlicensed mental health practitioner affected under this paragraph shall at reasonable intervals be given an opportunity to demonstrate that the practitioner can resume the provision of mental health services with reasonable safety to clients. In any proceeding under this paragraph, neither the record of proceedings nor the orders entered by the commissioner shall be used against a mental health practitioner in any other proceeding.

(b) In addition to ordering a physical or mental examination or chemical dependency evaluation, the commissioner may, notwithstanding section 13.42, 144.651, 595.02, or any other law limiting access to medical or other health data, obtain medical data and health records relating to an unlicensed mental health practitioner without the practitioner's consent if the commissioner has probable cause to believe that a practitioner has engaged in conduct prohibited by subdivision 1, paragraph (g), (h), (i), or (j). The medical data may be requested from a health care professional, as defined in section 144.335, subdivision 1, paragraph (b), an insurance company, or a government agency, including the department of human services. A health care professional, insurance company, or government agency shall comply with any written request of the commissioner under this subdivision and is not liable in any action for damages for releasing the data requested by the commissioner if the data are released pursuant to a written request under this subdivision, unless the information is false and the person or organization giving the information knew, or had reason to believe, the information was false. Information obtained under this subdivision is private data under section 13.41.

Sec. 55. [148B.69] [DISCIPLINARY ACTIONS.]

Subdivision 1. [FORMS OF DISCIPLINARY ACTION.] When the commissioner finds that an unlicensed mental health practitioner has violated a provision or provisions of this chapter, the commissioner may take one or more of the following actions, only against the individual practitioner:

(1) revoke the right to practice;

(2) suspend the right to practice;

(3) impose limitations or conditions on the practitioner's provision of mental health services, the imposition of rehabilitation requirements, or the requirement of practice under supervision;

(4) impose a civil penalty not exceeding $10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the practitioner of any economic advantage gained by reason of the violation charged or to reimburse the office of mental health practice for all costs of the investigation and proceeding;

(5) order the practitioner to provide unremunerated professional service under supervision at a designated public hospital, clinic, or other health care institution;

(6) censure or reprimand the practitioner;

(7) impose a fee on the practitioner to reimburse the office for all or part of the cost of the proceedings resulting in disciplinary action including, but not limited to, the amount paid by the office for services from the office of administrative hearings, attorney fees, court reports, witnesses, reproduction of records, advisory council members' per diem compensation, staff time, and expense incurred by advisory council members and staff of the office of mental health practice; or

(8) any other action justified by the case.

Subd. 2. [REINSTATEMENT.] The commissioner may at the commissioner's discretion reinstate the right to practice and may impose any disciplinary measure listed under subdivision 1.

Subd. 3. [TEMPORARY SUSPENSION.] In addition to any other remedy provided by law, the commissioner may, acting through a person to whom the commissioner has delegated this authority and without a hearing, temporarily suspend the right of an unlicensed mental health practitioner to practice if the commissioner's delegate finds that the practitioner has violated a statute or rule that the commissioner is empowered to enforce and continued practice by the practitioner would create a serious risk of harm to others. The suspension is in effect upon service of a written order on the practitioner specifying the statute or rule violated. The order remains in effect until the commissioner issues a final order in the matter after a hearing or upon agreement between the commissioner and the practitioner. Service of the order is effective if the order is served on the practitioner or counsel of record personally or by first class mail. Within ten days of service of the order, the commissioner shall hold a hearing on the sole issue of whether there is a reasonable basis to continue, modify, or lift the suspension.

Evidence presented by the office or practitioner shall be in affidavit form only. The practitioner or the counsel of record may appear for oral argument. Within five working days after the hearing, the commissioner shall issue the commissioner's order and, if the suspension is continued, schedule a contested case hearing within 45 days after issuance of the order. The administrative law judge shall issue a report within 30 days after closing of the contested case hearing record. The commissioner shall issue a final order within 30 days after receipt of that report.

Subd. 4. [AUTOMATIC SUSPENSION.] The right to practice is automatically suspended if (1) a guardian of an unlicensed mental health practitioner is appointed by order of a probate court under sections 525.54 to 525.61, or (2) the practitioner is committed by order of a probate court pursuant to chapter 253B or sections 526.09 to 526.11. The right to practice remains suspended until the practitioner is restored to capacity by a court and, upon petition by the practitioner, the suspension is terminated by the commissioner after a hearing or upon agreement between the commissioner and the practitioner.

Subd. 5. [PUBLIC EMPLOYEES.] Notwithstanding subdivision 1, the commissioner must not take disciplinary action against an employee of the state or a political subdivision of the state. If, after an investigation conducted in compliance with and with the authority granted under sections 148B.60 to 148B.71, the commissioner determines that the employee violated a provision or provisions of this chapter, the commissioner shall report to the employee's employer the commissioner's findings and the actions the commissioner recommends that the employer take. The commissioner's recommendations are not binding on the employer.

Sec. 56. [148B.70] [MENTAL HEALTH CLIENT BILL OF RIGHTS.]

Subdivision 1. [SCOPE.] All unlicensed mental health practitioners other than those providing services in a facility regulated under section 144.651 or a government agency shall provide to each client prior to providing treatment a written copy of the mental health client bill of rights. A copy must also be posted in a prominent location in the office of the mental health practitioner. (g) a statement that the client has a right to reasonable notice of changes in services or charges;

(h) a brief summary, in plain language, of the theoretical approach used by the practitioner in treating patients;

(i) notice that the client has a right to complete and current information concerning the practitioner's assessment and recommended course of treatment, including the expected duration of treatment;

(5) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(6) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expenditures for medical care to recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

(7) Establish and maintain any administrative units reasonably necessary for the performance of administrative functions common to all divisions of the department.

(8) Act as designated guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded.

(9) Act as coordinating referral and informational center on requests for service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or statewide schedules of maximum fees and charges which may be paid by county agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver

shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed four years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan, including estimated project costs and the proposed order establishing the waiver, shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to statewide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(13) In accordance with federal requirements, establish procedures to be followed by local welfare boards in creating citizen advisory committees, including procedures for selection of committee members.

(14) Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs. For the medical assistance and AFDC programs, disallowances shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for the AFDC and medical assistance programs. For the food stamp program, sanctions shall be shared by each county board, with 50 percent of the sanction being distributed to each county in the same proportion as that county's administrative costs for food stamps are to the total of all food stamp administrative costs for all counties, and 50 percent of the sanctions being distributed to each county in the same proportion as that county's value of food stamp benefits issued are to the total of all benefits issued for all counties. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disal-

lowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches ~~$400,000~~ $1,000,000. When the balance in the account exceeds ~~$400,000~~ $1,000,000, the excess shall be transferred and credited to the general fund. All money in the account is appropriated to the commissioner for the purposes of this paragraph.

(16) Have the authority to make direct payments to facilities providing shelter to women and their children pursuant to section 256D.05, subdivision 3. Upon the written request of a shelter facility that has been denied payments under section 256D.05, subdivision 3, the commissioner shall review all relevant evidence and make a determination within 30 days of the request for review regarding issuance of direct payments to the shelter facility. Failure to act within 30 days shall be considered a determination not to issue direct payments.

(17) Have the authority to establish and enforce the following county reporting requirements:

(a) The commissioner shall establish fiscal and statistical reporting requirements necessary to account for the expenditure of funds allocated to counties for human services programs. When establishing financial and statistical reporting requirements, the commissioner shall evaluate all reports, in consultation with the counties, to determine if the reports can be simplified or the number of reports can be reduced.

(b) The county board shall submit monthly or quarterly reports to the department as required by the commissioner. Monthly reports are due no later than 15 working days after the end of the month. Quarterly reports are due no later than 30 calendar days after the end of the quarter, unless the commissioner determines that the deadline must be shortened to 20 calendar days to avoid jeopardizing compliance with federal deadlines or risking a loss of federal funding. Only reports that are complete, legible, and in the required format shall be accepted by the commissioner.

(c) If the required reports are not received by the deadlines established in clause (b), the commissioner may delay payments and withhold funds from the county board until the next reporting period. When the report is needed to account for the use of federal funds and the late report results in a reduction in federal funding, the commissioner shall withhold from the county boards with late reports an amount equal to the reduction in federal funding until full federal funding is received.

(d) A county board that submits reports that are late, illegible, incomplete, or not in the required format for two out of three consecutive reporting periods is considered noncompliant. When a county board is found to be noncompliant, the commissioner shall notify the county board of the reason the county board is considered noncompliant and request that the county board develop a corrective action plan stating how the county board plans to correct the problem. The corrective action plan must be submitted to the commissioner within 45 days after the date the county board received notice of noncompliance.

(e) The final deadline for fiscal reports or amendments to fiscal reports is one year after the date the report was originally due. If the commissioner does not receive a report by the final deadline, the county board forfeits the funding associated with the report for that reporting period and the county board must repay any funds associated with the report received for that reporting period.

(f) The commissioner may not delay payments, withhold funds, or require repayment under paragraph (c) or (e) if the county demonstrates that the commissioner failed to provide appropriate forms, guidelines, and technical assistance to enable the county to comply with the requirements. If the county board disagrees with an action taken by the commissioner under paragraph (c) or (e), the county board may appeal the action according to sections 14.57 to 14.69.

(g) Counties subject to withholding of funds under paragraph (c) or forfeiture or repayment of funds under paragraph (e) shall not reduce or withhold benefits or services to clients to cover costs incurred due to actions taken by the commissioner under paragraph (c) or (e).

(18) Allocate federal fiscal disallowances or sanctions for audit exceptions when federal fiscal disallowances or sanctions are based on a statewide random sample for the foster care program under title IV-E of the Social Security Act, United States Code, title 42, in direct proportion to each county's title IV-E foster care maintenance claim for that period.

The authorized child placing agency shall place a child, released by court order or by voluntary release by the parent or parents, in a family foster home selected by following the preferences described in section 260.181, subdivision 3. In instances where a child from a family of color is placed in a family foster home of a different racial or ethnic background, the local social service agency shall review the placement after 30 days and each 30 days thereafter for the first six months to determine if there is another available placement that would better satisfy the requirements of this subdivision.

Before making public a conclusion or recommendation that expressly or implicitly criticizes an agency, facility, program, or any person, the ombudsperson shall inform the governor and the affected agency, facility, program, or person concerning the conclusion or recommendation. When sending a conclusion or recommendation to the governor that is adverse to an agency, facility, program, or any person, the ombudsperson shall include any statement of reasonable length made by that agency, facility, program, or person in defense or mitigation of the ombudsperson's conclusion or recommendation.

Sec. 48. Minnesota Statutes 1990, section 257.352, subdivision 2, is amended to read:

Subd. 2. [AGENCY NOTICE OF POTENTIAL OUT-OF-HOME PLACEMENT.] When a local social service agency or private child placing agency determines that an Indian child is in a dependent or other condition that could lead to an out-of-home placement and requires the continued involvement of the agency with the child for a period in excess of 30 days, the agency shall send notice of the condition and of the initial steps taken to remedy it to the Indian child's tribal social service agency within seven days of the determination. At this and any subsequent stage of its involvement with an Indian child, the agency shall, upon request, give the tribal social service agency full cooperation including access to all files concerning the child. If the files contain confidential or private data, the agency may require execution of an agreement with the tribal social service agency that the tribal social service agency shall maintain the data according to statutory provisions applicable to the data. Sec. 49. Minnesota Statutes 1990, section 268.022, subdivision 2, is amended to read:

Subd. 2. [DISBURSEMENT OF SPECIAL ASSESSMENT FUNDS.] (a) The money collected under this section shall be deposited in the state treasury and credited to a dedicated fund to provide for the dislocated worker programs established under sections 268.975 to 268.98; including vocational guidance, training, placement, and job development.

(b) All money in the dedicated fund is appropriated to the commissioner who must act as the fiscal agent for the money and must disburse the money for the purposes of this section, not allowing the money to be used for any other obligation of the state. All money in the dedicated fund shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as are provided by law for the other dedicated funds in the state treasury, except that all interest or net income

resulting from the investment or deposit of money in the fund shall accrue to the fund for the purposes of the fund.

(c) No more than five percent of the dedicated funds collected in each fiscal year may be used by the department of jobs and training for its administrative costs.

(d) The dedicated funds, less amounts under paragraph (c), must be allocated as follows:

(1) 50 percent to be allocated according to paragraph (e) to the substate grantees under subchapter III of the Job Training Partnership Act, United States Code, title 29, section 1661a in proportion to each substate area's share of the federal allocated funds, to be used to assist dislocated workers under the standards in section 268.98;

(2) 50 percent to fund specific programs proposed under the state plan request for proposal process and recommended by the governor's job training council. This fund shall be used for state plan request for proposal programs addressing plant closings or layoffs regardless of size; and

(3) in fiscal year 1991, 1992, and 1993, any amounts transferred to the general fund or obligated before the effective date of this section shall be excluded from the calculation under this paragraph.

(e) In the event that a substate grantee has obligated 100 percent of its formula allocated federal funds under subchapter III of the Job Training Partnership Act, United States Code, title 29, section 1651 et seq., the substate grantee may request and the commissioner shall provide additional funds to the substate area in an amount equal to the federal formula allocated funds. When a substate grantee has obligated 100 percent of the additional funds provided under this section, the substate grantee may request and the commissioner shall provide further additional funds in amounts equal to the federal formula allocated funds until the substate area receives its proportionate share of funds under paragraph (d), clause (1).

(f) By December 31 of each fiscal year each substate grantee and the governor's job training council shall report to the commissioner on the extent to which funds under this section are committed and the anticipated demand for funds for the remainder of the fiscal year. The commissioner shall reallocate those funds that the substate grantees and the council do not anticipate expending for the remainder of the fiscal year to be available for requests from other substate grantees or other dislocated worker projects proposed to the governor's job training council which demonstrate a need for additional funding.

(g) The amounts allocated under paragraph (d) must be based on estimated collections for the fiscal year. Any adjustments for actual collections shall be made in the following fiscal year.

Sec. 50. Minnesota Statutes 1990, section 268.914, is amended to read:

268.914 [DISTRIBUTION OF APPROPRIATION.]

Subdivision 1. [STATE SUPPLEMENT FOR FEDERAL GRANTEES.] (a) The commissioner of jobs and training shall distribute money appropriated for that purpose to head start program grantees to expand services to additional low-income children. Money must be allocated to each project head start grantee in existence on the effective date of Laws 1989, chapter 282. Migrant and Indian reservation grantees must be initially allocated money based on the grantees' share of federal funds. The remaining money must be initially allocated to the remaining local agencies based equally on the agencies' share of federal funds and on the proportion of eligible children in the agencies' service area who are not currently being served. A head start grantee must be funded at a per child rate equal to its contracted, federally funded base level for program accounts 20 to 26 at the start of the fiscal year. The commissioner may provide additional funding to grantees for start-up costs incurred by grantees due to the increased number of children to be served. Before paying money to the grantees, the commissioner shall notify each grantee of its initial allocation, how the money must be used, and the number of low-income children that must be served with the allocation. Each grantee must notify the commissioner of the number of additional low-income children it will be able to serve. For any grantee that cannot serve additional children to its full allocation, the commissioner shall reduce the allocation proportionately. Money available after the initial allocations are reduced must be redistributed to eligible grantees.

(b) Up to 11 percent of the funds appropriated annually may be used to provide grants to local head start agencies to provide funds for innovative programs designed either to target head start resources to particular at-risk groups of children or to provide services in addition to those currently allowable under federal head start regulations. The commissioner shall award funds for innovative programs under this paragraph on a competitive basis.

Subd. 2. [SERVICE EXPANSION GRANTS.] One-third of any biennial increase in the state appropriations for head start programs shall be allocated by the commissioner of jobs and training, under a request for proposal system, to existing head start grantees for service expansion.

Priority for state-funded service expansion grants must be given to applicants who propose to:
