Sec. 13. [CORRECTION 7.]

Subdivision 1. [CLASS 4C PROPERTY.] Minnesota Statutes 1991 Supplement, section 273.13, subdivision 25, is amended to read:

Subd. 25. [CLASS 4.] (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. Class 4a property has a class rate of 3.5 percent of market value for taxes payable in 1992, and 3.4 percent of market value for taxes payable in 1993 and thereafter.

(b) Class 4b includes:

(1) residential real estate containing less than four units, other than seasonal residential, and recreational;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4b property has a class rate of 2.8 percent of market value for taxes payable in 1992, 2.5 percent of market value for taxes payable in 1993, and 2.3 percent of market value for taxes payable in 1994 and thereafter.

(c) Class 4c property includes:

(1) a structure that is:

(i) situated on real property that is used for housing for the elderly or for low- and moderate-income families as defined in Title II, as amended through December 31, 1990, of the National Housing Act

or the Minnesota housing finance agency law of 1971 or rules promulgated by the agency and financed by a direct federal loan or federally insured loan made pursuant to Title II of the act; or

(ii) situated on real property that is used for housing the elderly or for low- and moderate-income families as defined by the Minnesota housing finance agency law of 1971, as amended, or rules adopted by the agency pursuant thereto and financed by a loan made by the Minnesota housing finance agency pursuant to the provisions of the act.

This clause applies only to property of a nonprofit or limited dividend entity. Property is classified as class 4c under this clause for 15 years from the date of the completion of the original construction or substantial rehabilitation, or for the original term of the loan.

(2) a structure that is:

(i) situated upon real property that is used for housing lower income families or elderly or handicapped persons, as defined in section 8 of the United States Housing Act of 1937, as amended; and

(ii) owned by an entity which has entered into a housing assistance payments contract under section 8 which provides assistance for 100 percent of the dwelling units in the structure, other than dwelling units intended for management or maintenance personnel. Property is classified as class 4c under this clause for the term of the housing assistance payments contract, including all renewals, or for the term of its permanent financing, whichever is shorter; and

(3) a qualified low-income building as defined in section 42(c)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1990, that (i) receives a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1990; or (ii) meets the requirements of that section and receives public financing, except financing provided under sections 469.174 to 469.179, which contains terms restricting the rents; or (iii) meets the requirements of section 273.1317. Classification pursuant to this clause is limited to a term of 15 years.

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents unless the owner of the property elects to have the property assessed under Laws 1991, chapter 291, article 1, section 55. If the owner of the property elects to have the market value determined on the basis of the actual restricted rents, as provided in Laws 1991, chapter 291, article 1, section 55, the property will be assessed at the rate provided for class 4a or class 4b property, as appropriate. Properties described in clauses (1)(ii), (3), and (4) may apply to the

assessor for valuation under Laws 1991, chapter 291, article 1, section 55. The land on which these structures are situated has the class rate given in paragraph (b) if the structure contains fewer than four units, and the class rate given in paragraph (a) if the structure contains four or more units. This clause applies only to the property of a nonprofit or limited dividend entity.

(4) a parcel of land, not to exceed one acre, and its improvements or a parcel of unimproved land, not to exceed one acre, if it is owned by a neighborhood real estate trust and at least 60 percent of the dwelling units, if any, on all land owned by the trust are leased to or occupied by lower income families or individuals. This clause does not apply to any portion of the land or improvements used for nonresidential purposes. For purposes of this clause, a lower income family is a family with an income that does not exceed 65 percent of the median family income for the area, and a lower income individual is an individual whose income does not exceed 65 percent of the median individual income for the area, as determined by the United States Secretary of Housing and Urban Development. For purposes of this clause, "neighborhood real estate trust" means an entity which is certified by the governing body of the municipality in which it is located to have the following characteristics:

(a) it is a nonprofit corporation organized under chapter 317A;

(b) it has as its principal purpose providing housing for lower income families in a specific geographic community designated in its articles or bylaws;

(c) it limits membership with voting rights to residents of the designated community; and

(d) it has a board of directors consisting of at least seven directors, 60 percent of whom are members with voting rights and, to the extent feasible, 25 percent of whom are elected by resident members of buildings owned by the trust; and

(5) except as provided in subdivision 22, paragraph (c), real property devoted to temporary and seasonal residential occupancy for recreation purposes, including real property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used, or available for use for residential occupancy, and a fee is charged for residential occupancy. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the

year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause also includes the remainder of class 1c resorts;

(6) real property up to a maximum of one acre of land owned by a nonprofit community service oriented organization; provided that the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment and the property is not used for residential purposes on either a temporary or permanent basis. For purposes of this clause, a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990. For purposes of this clause, "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or nonintoxicating malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. Any portion of the property which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity;

(7) post-secondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus; and

(8) manufactured home parks as defined in section 327.14, subdivision 3.

Class 4c property has a class rate of 2.3 percent of market value, except that seasonal residential recreational property not used for commercial purposes under clause (5) has a class rate of 2.2 percent of market value for taxes payable in 1992, and for taxes payable in 1993 and thereafter, the first \$72,000 of market value has a class rate of two percent and the market value that exceeds \$72,000 has a class rate of 2.5 percent.

(d) Class 4d property includes:

(1) a structure that is:

(i) situated on real property that is used for housing for the elderly or for low and moderate income families as defined by the Farmers Home Administration;

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the Farmers Home Administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. Classification under this clause is only available to property of a nonprofit or limited dividend entity.

(2) For taxes payable in 1992, 1993 and 1994, only, buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the Federal National Mortgage Association, provided the occupant's income is no greater than 60 percent of the county or area median income, adjusted for family size and the building consists of existing single family or duplex housing. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) For taxes payable in 1992, 1993 and 1994, only, federally acquired buildings under four units and appurtenances, together with the land upon which they are located that is leased to a nonprofit corporation organized under chapter 317A that qualifies for tax exempt status under United States Code, title 26, section 501(c), or a housing and redevelopment authority authorized under sections 469.001 to 469.047; the purpose of the lease must be to allow the nonprofit corporation to provide transitional housing for homeless persons under the program established in Code of Federal Regulations, title 55, section 49489. As used in this clause, "transitional housing" has the meaning given in section 268.38, subdivision 1, except that the two-year restriction does not apply. If the

property is purchased from the federal government by the nonprofit corporation for the purpose of continuing to provide transitional housing after the expiration of the lease, the property shall continue to be eligible for this classification. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the county assessor to determine qualification under this clause. Property qualifying under this clause in 1992, 1993, or 1994 continues to receive a two percent class rate until the five-year lease has expired provided that the property continues to be used for the purposes as described in this clause.

Class 4d property has a class rate of two percent of market value.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (3); paragraph (c), clause (1), (2), (3), or (4), is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.3 percent of market value if it is found to be a substandard building under section 273.1316.

Subd. 2. [EFFECTIVE DATE.] Subdivision 1 is effective for taxes levied in 1991, payable in 1992, and thereafter.

Sec. 14. [CORRECTION 11.]

Minnesota Statutes 1991 Supplement, section 469.101, subdivision 23, is amended to read:

Subd. 23. [SUPPLYING SMALL BUSINESS CAPITAL.] Notwithstanding any contrary law, the authority may participate with public or private corporations or other entities, whose purpose is to provide seed or venture capital to small businesses that have facilities located or to be located in the district. For that purpose the authority may use not more than ~~ten~~ ten percent of available annual net income or ~~\$1,000,000~~ \$1,000,000 annually, whichever is less, to invest in equities or acquire equity-type investments. These investments can be made directly in eligible corporations or entities or acquired through participation in a public or private seed or venture capital fund. The participation by the authority may not exceed in any year 25 percent of the total amount of funds provided for venture or seed capital purposes by all of the participants. The corporation, entity, or fund shall report in writing each six months to the commissioners of the authority all investments and other action taken by it since the last report. Funds contributed to the corporation or entity must be invested pro rata with each contributor of capital taking proportional risks on each investment. As used in this subdivision, the

term "small business" has the meaning given it in section 645.445, subdivision 2.

**Sec. 15. [CORRECTION 14.]**

**Subdivision 1.** The amendment to Minnesota Statutes 1990, section 92.67, subdivision 1, made by Laws 1991, chapter 254, article 2, section 23, is of no effect.

**Subd. 2.** Minnesota Statutes 1990, section 92.46, subdivision 1, is amended to read:

**Subdivision 1. [PUBLIC CAMPGROUNDS.]** (a) The director may designate suitable portions of the state lands withdrawn from sale and not reserved, as provided in section 92.45, as permanent state public campgrounds. The director may have the land surveyed and platted into lots of convenient size, and lease them for cottage and camp purposes under terms and conditions the director prescribes, subject to the provisions of this section.

(b) A lease may not be for a term more than 20 years. The lease may allow renewal, from time to time, for additional terms of no longer than 20 years each. The lease may be canceled by the commissioner 90 days after giving the person leasing the land written notice of violation of lease conditions. The lease rate shall be based on the appraised value of leased land as determined by the commissioner of natural resources and shall be adjusted by the commissioner at the fifth, tenth, and 15th anniversary of the lease, if the appraised value has increased or decreased. For leases that are renewed in 1991 and following years, the lease rate shall be five percent of the appraised value of the leased land. The appraised value shall be the value of the leased land without any private improvements and must be comparable to similar land without any improvements within the same county. The minimum appraised value that the commissioner assigns to the leased land must be substantially equal to the county assessor's estimated market value of similar land adjusted by the assessment/sales ratio as determined by the department of revenue.

(c) By July 1, 1986, the commissioner of natural resources shall adopt rules under chapter 14 to establish procedures for leasing land under this section. The rules shall be subject to review and approval by the commissioners of revenue and administration prior to the initial publication pursuant to chapter 14 and prior to their final adoption. The rules must address at least the following:

- (1) method of appraising the property; and
- (2) an appeal procedure for both the appraised values and lease rates.

(d) All money received from these leases must be credited to the fund to which the proceeds of the land belong.

Notwithstanding section 16A.125 or any other law to the contrary, 50 percent of the money received from the lease of permanent school fund lands leased pursuant to this subdivision shall be deposited into the permanent school trust fund. However, in fiscal years 1987, 1988, 1989, 1990, 1991, and 1992, 1993, and 1994, the money received from the lease of permanent school fund lands that would otherwise be deposited into the permanent school fund is hereby appropriated to survey, appraise, and pay associated selling costs of lots as required in section 92.67, subdivision 3. The money appropriated may not be used to pay the cost of surveying lots not scheduled for sale. Any money designated for deposit in the permanent school fund that is not needed to survey, appraise, and pay associated selling costs of lots, as required in section 92.67, shall be deposited in the permanent school fund. The commissioner shall add to the appraised value of any lot offered for sale the costs of surveying, appraising, and selling the lot, and shall first deposit into the permanent school fund an amount equal to the costs of surveying, appraising, and selling any lot paid out of the permanent school fund. Any remaining money shall be deposited into any other contributing funds in proportion to the contribution from each fund. In no case may the commissioner add to the appraised value of any lot offered for sale an amount more than \$700 for the costs of surveying and appraising the lot.

(2) are not assigned to a continuing contract teacher employed by a member school district after any reasonable realignments which may be necessary under the applicable provisions of section 125.12, subdivision 6a or 6b, to accommodate the seniority rights of teachers employed by the member district.

[ADVISORY COMMITTEE.] The commissioner shall establish a 15-member advisory committee under section 15.059 to assist in selecting eligible organizations to receive grants, evaluating the final reports of each organization, and providing recommendations to the legislature. Members of the committee may be reimbursed for expenses but may not receive any other compensation for service on the committee. The advisory committee consists of representatives of the commissioners of health, housing finance, and jobs and training; a representative of the chancellor of vocational education; and 11 public members appointed by the commissioner. Four public members must represent neighborhood groups from areas at high risk for toxic lead exposure. Each of the following groups must be represented by one or more public member recommended to the commissioner by the organization: community action agencies, labor organizations, local housing authorities, Legal Aid Societies, and the Lead Coalition. The commissioner may provide staff to the advisory committee to assist in carrying out its purpose.

Subd. 5. [LEAD ABATEMENT CONTRACTORS.] (a) Organizations and licensed contractors may participate in the program. Subd. 10. [PROGRAM BENEFITS.] As a condition of providing lead abatement under this section, organizations may enter into agreements with a property owner requiring that, for a period of two years, the owner shall not increase rents on a property solely as a result of a substantial property improvement made with public funds provided by the programs in this section.

Subd. 11. [REQUIREMENTS OF ORGANIZATIONS RECEIVING GRANTS.] An eligible organization that is awarded a training and demonstration grant under this section shall prepare and submit a progress report to the commissioner by February 15, 1993.

Hazardous levels are as determined by the department of health or the pollution control agency. The agency must establish grant criteria for a residential lead paint and lead contaminated soil abatement program, including the terms of loans and grants under this section, a maximum amount for loans or

grants, eligible owners, eligible contractors, and eligible buildings. The agency may make grants to cities, local units of government, registered lead abatement contractors, and nonprofit organizations for the purpose of administering a residential lead paint and contaminated lead soil abatement program. No loan or grant may be made for lead paint abatement for a multifamily building which contains substantial housing maintenance code violations unless the violations are being corrected in conjunction with receipt of the loan or grant under this section. The agency must establish standards for the relocation of families where necessary and the payment of relocation expenses. To the extent possible, the agency must coordinate loans and grants under this section with existing housing programs. All benefits that result from lead abatement activities funded under this section must accrue to the residents of the abated property. Property owners must not increase rents on property solely as a result of property improvements made in conjunction with lead abatement activities funded under this section.

The agency, in consultation with the department of health, shall report to the legislature by January 1993 on the costs and benefits of subsidized lead abatement and the extent of the childhood lead exposure problem. The agency shall review the effectiveness of its existing loan and grant programs in providing funds for residential lead abatement and report to the legislature with examples, case studies and recommendations. The agency shall report biennially to the legislature on its activities concerning lead abatement.

subdivision 2, rounded to the nearest 1,000 gallons. A distributor who fails to pay the fee imposed under this section is subject to the penalties provided in section 296.15. The commissioner of revenue must deposit the proceeds from the fee in the lead fund.

Sec. 2. [115C.082] [LEAD FUND.]

Subdivision 1. [FUND ESTABLISHED.] A lead fund is created in the state treasury. The fund consists of all revenue deposited in the fund under sections 115C.081 and 297E.01, subdivision 11, and all other money and interest made available to the fund by law.

Subd. 2. [USES OF FUND.] (a) Money in the lead fund may be appropriated for:

(1) all lead programs administered by the commissioner of jobs and training;

(2) all lead activities and programs administered by the commissioner of health; and

(3) all lead programs administered by the commissioner of the housing finance agency.

(b) Money in the lead fund must be annually distributed for lead abatement as follows:

(1) 25 percent, up to a maximum of \$2,000,000, to the commissioner of health for lead activities and programs;

(2) ten percent, up to a maximum of \$1,000,000, to the housing development fund for lead programs; and

(3) the remainder to the commissioner of jobs and training for lead abatement programs.

Sec. 3. [297E.01] [WHOLESALE PAINT TAX.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the terms in this subdivision have the meanings given.

(a) "Commissioner" means the commissioner of revenue.

(b) "Paint" means a fluid, semifluid, or other material which changes to a solid film when a layer is applied to a metal, wood, stone, paper, leather, cloth, plastic, or other surface. Paint includes fluids with a suspension of finely divided coloring matter, stains, and varnishes. Paint does not include:

(1) printing inks or those materials that become a part of the substrate, such as the pigment in a plastic article; or

(2) those materials that are bonded to the substrate, such as by electroplating or ceramic glazing.

(c) "Retailer" means a person who sells paint at retail to ultimate users. Retailer includes a person who buys paint for redistribution to one or more retail establishments the person owns or with which the person maintains a franchise agreement.

(d) "Wholesaler" means any person who sells or otherwise furnishes for resale purposes, from a stock maintained inside or outside the state, paint to one or more retailers within the state. Wholesaler includes a manufacturer of paint who sells paint directly to retailers.

Subd. 2. [TAX IMPOSED.] There is imposed a tax on the sale of each container of paint by a wholesaler to a retailer in the state. The rate of tax is ten cents per gallon or metric equivalent. The liability for the tax is incurred when the paint is delivered by the wholesaler to the retailer, to a common or contract carrier for delivery to the retailer, or when received by the customer's authorized representative at the wholesaler's place of business, regardless of the wholesaler's method of accounting or of the terms of the sale.

Subd. 3. [RETURNS.] The tax imposed by this section is due and payable on or before the 20th day of the month following the month in which the liability for the tax is incurred. Each wholesaler shall file a return monthly with the commissioner stating the total volume of paint the wholesaler has sold that is subject to the tax during the previous month. The commissioner may authorize returns to be filed via magnetic media or electronic data transfer.

Subd. 4. [TAX PERMIT.] Every wholesaler must file with the commissioner an application, on a form the commissioner prescribes, for a paint tax identification number and paint tax permit. A permit is not assignable and is valid only for the wholesaler in whose name it is issued.

Subd. 5. [RECORDS.] A wholesaler must keep at each licensed place of business complete and accurate records for that place of business, including itemized invoices of all paint held, purchased, manufactured, or brought in or caused to be brought in from outside the state, and all sales of paint. Books, records, and other papers and documents must be kept for a period of at least three years after the date of the documents, or the date of entries appearing in the records, unless the commissioner authorizes in writing their destruction or disposal at an earlier date. At any time during usual business hours, the commissioner or the commissioner's authorized agents may enter a wholesaler's place of business and inspect the

premises and the records required to be kept under this section, to determine whether the provisions of this chapter are being fully complied with. If the commissioner or any of the commissioner's agents are denied free access to, or are hindered or interfered with in making an inspection of, a wholesaler's place of business, the commissioner may revoke the wholesaler's permit.

Subd. 6. [SUSPENSION; REVOCATION.] The commissioner, after giving notice, may for reasonable cause revoke or suspend a permit issued to a wholesaler under this section. The notice must be sent to the distributor at least 15 days before the effective date of the proposed suspension or revocation. The notice must give the reason for the proposed action and must direct the wholesaler to show cause why the proposed action should not be taken. The notice may be served personally or by mail. A suspension or revocation is a contested case under sections 14.57 to 14.69.

Subd. 7. [REFUND.] The commissioner shall allow a refund of tax paid under this section of (1) tax paid on a container, or case of containers, of paint that is returned to a wholesaler by a retailer, and the container or case is subsequently returned by the wholesaler to the manufacturer, and (2) tax paid in excess of the amount owed. The amounts necessary to make the refunds are appropriated to the commissioner from the lead fund.

Subd. 8. [COLLECTION; CIVIL PENALTIES.] The provisions of chapter 297A relating to the commissioner's authority to audit, assess, and collect the tax imposed by that chapter apply to the tax, penalty, and interest imposed by this section. The commissioner shall impose civil penalties for violation of this section as provided in section 289A.60, and the additional tax and penalties are subject to interest at the rate provided in section 270.75.

Subd. 9. [RULES.] The commissioner may adopt rules, including emergency rules, for the administration and enforcement of this chapter.

Subd. 10. [PERSONAL DEBT.] The tax imposed by this section, penalties and interest thereon, is a personal debt of the person required to file a return from the time the liability for the tax arises, without regard to when the time for payment of the liability occurs. The debt is, in the case of the executor or administrator of the estate or a decedent and in the case of and fiduciary, that of the person in the person's official or fiduciary capacity only unless the person has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which event the person is personally liable for any deficiency.

Subd. 11. [DEPOSIT OF FUNDS.] All revenues received under this chapter must be paid to the state treasurer for deposit in the lead fund.

## Sec. 4. [297E.02] [VIOLATIONS.]

It is a gross misdemeanor for any person to:

(1) possess, with intent to evade the tax, paint on which the tax imposed by section 3 has not been paid;

(2) make a false statement on any return or other document filed with the commissioner under this chapter; or

(3) fail to keep, or to falsify, a record required to be kept under this chapter.

## Sec. 5. [FUND BALANCE.]

For two fiscal years, beginning with the first full fiscal year following enactment of this article, the commissioner of finance shall notify the commissioner of revenue if the unencumbered balance in the lead fund established in section 2, reaches \$..... After receiving such notification, the commissioner of revenue shall not impose the fee established in section 1 on the use of a tank. If the fee is not imposed for a period of time in one fiscal year because the fund balance exceeds the maximum amount established in this section, the commissioner of revenue shall impose the fee beginning on the first day of the next fiscal year regardless of the balance in the lead fund."

(b) grounds exist under section 62D.042, subdivision 7;

(c) the health maintenance organization's liabilities exceed the current value of its assets, exclusive of intangibles and, where the guaranteeing organization's financial condition no longer meets the requirements of sections 62D.041 and 62D.042, exclusive of any deposits, letters of credit, or guarantees provided by any guaranteeing organization under chapter 62D;

(d) in addition to grounds under clause (16), within the last year the health maintenance organization has failed, and the commissioner of health expects such failure to continue in the future, to make comprehensive medical care adequately available and accessible to its enrollees and the health maintenance organization has not successfully implemented a plan of corrective action pursuant to section 62D.121, subdivision 7; and

(e) in addition to grounds under clause (16), within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future;

(19) An affiliate of the insurer has been placed in conservatorship, rehabilitation, liquidation, or other court supervision such that the insurer's financial condition may be jeopardized.

Sec. 27. Minnesota Statutes 1990, section 60B.17, subdivision 1, is amended to read:

Subdivision 1. [SPECIAL DEPUTY COMMISSIONER.] The commissioner as rehabilitator shall ~~make every reasonable effort to employ an active or retired senior executive from a successful insurer to serve as~~ employ a special deputy commissioner to rehabilitate the insurer. The special deputy shall have all of the powers of the rehabilitator granted under this section. ~~To obtain a suitable~~

~~special deputy, the commissioner may consult with and obtain the assistance and advice of executives of insurers doing business in this state. Subject to court approval, the commissioner shall make such arrangements for compensation as are necessary to obtain a special deputy of proven ability. The special deputy shall serve at the pleasure of the commissioner.~~

Sec. 28. Minnesota Statutes 1991 Supplement, section 60D.15, subdivision 4, is amended to read:

Subd. 4. [CONTROL.] The term "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with ~~or~~ corporate office held by, or court appointment of, the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 60D.19, subdivision 11, that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

Sec. 29. Minnesota Statutes 1991 Supplement, section 60D.17, subdivision 4, is amended to read:

Subd. 4. [APPROVAL BY COMMISSIONER; HEARINGS.] (a) The commissioner shall approve any merger or other acquisition of control referred to in subdivision 1 unless, after a public hearing, the commissioner finds that:

(1) After the change of control, the domestic insurer referred to in subdivision 1 would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed unless the domestic insurer is in rehabilitation or other court-ordered supervision and the acquiring party commits to a plan that would enable the domestic insurer to satisfy the requirements for the issuance of a license within a reasonable amount of time;

(2) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly therein in applying the competitive standard in this subdivision:

(i) the informational requirements of section 60D.18, subdivision 3, paragraph (b), and the standards of section 60D.18, subdivision 4, paragraph (c), shall apply;

(ii) the merger or other acquisition shall not be disapproved if the commissioner finds that any of the situations meeting the criteria provided by section 60D.18, subdivision 4, paragraph (c), exist; and

(iii) the commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;

(3) The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;

(4) The plans or proposals that the acquiring party has to liquidate the insurer, sell its assets, or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest;

(5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(6) The acquisition is likely to be hazardous or prejudicial to the insurance buying public.

(b) The public hearing referred to in paragraph (a) must be held 30 days after the statement required by subdivision 1 is filed, and at least 20 days notice of it shall be given by the commissioner to the person filing the statement. Not less than seven days notice of the public hearing shall be given by the person filing the statement to the insurer and to other persons designated by the commissioner. The commissioner shall make a determination within 30 days after the conclusion of the hearing. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interest may be affected by it may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and may conduct discovery proceedings in the same manner as is presently allowed in the district courts of this state. All discovery proceedings must be concluded not later than three days before the start of the public hearing.

(c) The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably

necessary to assist the commissioner in reviewing the proposed acquisition of control.

Sec. 30. Minnesota Statutes 1990, section 62A.10, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENTS.] Group accident and health insurance is hereby declared to be that form of accident and health insurance covering not less than two employees nor less than ten members, and which may include the employee's or member's dependents, consisting of husband, wife, children, and actual dependents residing in the household, written under a master policy issued to any governmental corporation, unit, agency, or department thereof, or to any corporation, copartnership, individual, employer, or to any association ~~having a constitution or bylaws and formed in good faith for purposes other than that of obtaining insurance under the provisions of this chapter as defined by section 60A.02, subdivision 1a,~~ where officers, members, employees, or classes or divisions thereof, may be insured for their individual benefit.

The individual policy shall be renewable at the option of the former spouse covered person as long as the former spouse covered person is not covered under another qualified plan as defined in section 62E.02, subdivision 4. Any revisions in the table of rate for the individual policy shall apply to the former spouse's covered person's original age at entry and shall apply equally to all similar policies issued by the insurer.~~

A policy providing reduced benefits at a reduced premium rate

may be accepted by the covered person in lieu of the optional coverage otherwise required by this subdivision.

Sec. 32. Minnesota Statutes 1990, section 62A.30, subdivision 1, is amended to read:

Subdivision 1. [SCOPE OF COVERAGE.] This section applies to all policies of accident and health insurance, health maintenance contracts regulated under chapter 62D, health benefit certificates offered through a fraternal beneficiary association regulated under chapter 64B, and ~~group~~ subscriber contracts offered by nonprofit health service plan corporations regulated under chapter 62C, but does not apply to policies designed primarily to provide coverage payable on a per diem, fixed indemnity or nonexpense incurred basis, or policies that provide only accident coverage.

Sec. 33. Minnesota Statutes 1990, section 62A.54, is amended to read:

#### 62A.54 [PROHIBITED PRACTICES.]

Unless otherwise provided for in ~~Laws 1986, chapter 397,~~ sections 2 to 8 62A.46 to 62A.56, the solicitation or sale of long-term care policies is subject to the requirements and penalties applicable to the sale of Medicare supplement insurance policies as set forth in sections 62A.31 to 62A.44.

It is misconduct for any agent or company to make any misstatements concerning eligibility or coverage under the medical assistance program, or about how long-term care costs will or will not be financed if a person does not have long-term care insurance. Any agent or company providing information on the medical assistance program shall also provide information about how to contact the county human services department or the state department of human services.

Sec. 34. Minnesota Statutes 1990, section 62E.02, subdivision 23, is amended to read:

Subd. 23. "Contributing member" means those companies ~~operating pursuant to~~ regulated under chapter 62A and offering, selling, issuing, or renewing policies or contracts of accident and health insurance ~~or~~ health maintenance organizations ~~and~~ regulated under chapter 62D, nonprofit health service plan corporations ~~incorporated~~ regulated under chapter 62C ~~or~~ fraternal benefit society ~~operating societies~~ regulated under chapter 64B, and joint self-insurance plans regulated under chapter 62H. For the purposes of determining liability of contributing members pursuant to section 62E.11 payments received from or on behalf of Minnesota residents

for coverage by a health maintenance organization shall be considered to be accident and health insurance premiums.

Sec. 35. Minnesota Statutes 1990, section 62E.11, subdivision 9, is amended to read:

Subd. 9. Each contributing member that terminates individual health coverage ~~regulated under chapter 62A, 62C, 62D, or 64B~~ for reasons other than (a) nonpayment of premium; (b) failure to make copayments; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and does not provide or arrange for replacement coverage that meets the requirements of section 62D.121; shall pay a special assessment to the state plan based upon the number of terminated individuals who join the comprehensive health insurance plan as authorized under section 62E.14, subdivisions 1, paragraph (d), and 6. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

Sec. 36. Minnesota Statutes 1990, section 62E.14, is amended by adding a subdivision to read:

Subd. 7. [TERMINATIONS OF CONVERSION POLICIES.] (a) A Minnesota resident who is covered by a conversion policy or contract

of health coverage may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation in subdivision 3 and a waiver of the evidence of rejection in subdivision 1, paragraph (c), at any time for any reason during the term of coverage.

(b) A Minnesota resident who was covered by a conversion policy or contract of health coverage may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation in subdivision 3 and a waiver of the evidence of rejection in subdivision 1, paragraph (c), if that person applies for coverage within 90 days after termination of the conversion policy or contract coverage regardless of: (1) the reasons for the termination; or (2) the party terminating coverage.

(c) Coverage under this subdivision is effective upon termination of prior coverage if the enrollee has submitted a completed application and paid the required premium or fee.

Sec. 37. Minnesota Statutes 1990, section 62E.15, subdivision 4, is amended to read:

If the health maintenance organization has canceled coverage for the group because of a loss of providers in a service area, the health maintenance organization shall arrange for other health maintenance or indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group or of the employer member of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group or of the employer member of the group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of

coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. An individual conversion contract issued by a health maintenance organization shall not be deemed to be an individual enrollment contract for the purposes of section 62D.10.

Sec. 41. Minnesota Statutes 1990, section 62H.01, is amended to read:

Joint plans covering employers not resident in Minnesota must meet the requirements of sections 62H.01 to 62H.08 as if the portion of the plan covering Minnesota resident employees was treated as a separate plan. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

A multiple employer welfare arrangement as defined in United States Code, title 29, section 1002(40)(a), is subject to this chapter to the extent authorized by the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.

No Surcharges cannot be applied to accidents or traffic violations that occurred prior to a change in a surcharge plan may be applied retroactively except to the extent provided under the prior plan.

Sec. 44. Minnesota Statutes 1990, section 70A.11, subdivision 1, is amended to read:

If the commissioner has not approved the rate increase, the amount of the refund, plus interest, must be computed from the commencement effective date of the contested case hearing on the rate increase. (2) denying a claim without having made a reasonable investigation of the claim;

(3) denying a liability claim because the insured has requested that the claim be denied;

(4) denying a liability claim because the insured has failed or refused to report the claim, unless an independent evaluation of available information indicates there is no liability;

(5) denying a claim without including the following information:

(i) the basis for the denial;

(ii) the name, address, and telephone number of the insurer's claim service office or the claim representative of the insurer to whom the insured or claimant may take any questions or complaints about the denial; and

Section 1. Minnesota Statutes 1990, section 45.028, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT.] (a) When a person, including any nonresident of this state, engages in conduct prohibited or made actionable by chapters 45 to 83, 155A, 309, and 332, or any rule or order under those chapters, and the person has not filed a consent to service of process under chapters 45 to 83, 155A, 309, and 332, that conduct is equivalent to an appointment of the commissioner as the person's attorney to receive service of process in any noncriminal suit, action, or proceeding against the person which is based on that conduct and is brought under chapters 45 to 83, 155A, 309, and 332, or any rule or order under those chapters.

(b) Subdivision 2 also applies in all other cases under chapters 45 to 83, 155A, 309, and 332, or any rule or order under those chapters, in which a person, including a nonresident of this state, has filed a consent to service of process. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the applicant shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying the application, the allegations of which may be considered to be true.

Subd. 4. [ACTIONS AGAINST LAPSED CERTIFICATE OF AUTHORITY.] If a certificate of authority lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within

Sec. 3. [60K.01] [DEFINITIONS.]

Unless the language or context clearly indicates that a different meaning is intended, the definitions in section 60A.01 are applicable to this chapter.

The license must specifically set forth the name of the person authorized to act as an agent and the class or classes of insurance for which that person is authorized to solicit or countersign policies. An insurance agent may qualify for a license in the following classes: (1) life and health; and (2) property and casualty.

No insurer shall appoint or reappoint a natural person, partnership, or corporation to act as an insurance agent on its behalf until that natural person, partnership, or corporation obtains a license as an insurance agent.

Subd. 2. Upon request by the commissioner, each partnership and corporation licensed as an insurance agent shall provide the commissioner with a list of the names of each partner, director, officer, stockholder, and employee who is required to hold a valid insurance agent's license.

Subd. 3. [TRANSITION.] (a) Any agent who is qualified for life or accident and health as of June 1, 1981, is qualified for a life and health license under Laws 1981, chapter 307, and is appointed by an

state line of this state, the applicant may qualify for a resident license in this state and at the same time hold a resident license from the contiguous state.

(b) The commissioner shall subject each applicant who is a natural person to a written examination as to the applicant's competence to act as an insurance agent. The examination must be held at a reasonable time and place designated by the commissioner.

(c) The examination shall be approved for use by the commissioner and shall test the applicant's knowledge of the lines of insurance, policies, and transactions to be handled under the class of license applied for, of the duties and responsibilities of the licensee, and pertinent insurance laws of this state.

(d) The examination shall be given only after the applicant has completed a program of classroom studies in a school, which shall not include a school sponsored by, offered by, or affiliated with an insurance company or its agents; except that this limitation does not preclude a bona fide professional association of agents, not acting on behalf of an insurer, from offering courses. The course of study shall consist of 30 hours of classroom study devoted to the basic fundamentals of insurance for those seeking a Minnesota license for the first time, 15 hours devoted to specific life and health topics for those seeking a life and health license, and 15 hours devoted to specific property and casualty topics for those seeking a property and casualty license. The program of studies or study course shall have been approved by the commissioner in order to qualify under this clause. If the applicant has been previously licensed for the particular line of insurance in the state of Minnesota, the requirement of a program of studies or a study course shall be waived. A certification of compliance by the organization offering the course shall accompany the applicant's license application. This program of studies in a school or a study course shall not apply to farm property perils and farm liability applicants, or to agents writing such other lines of insurance as the commissioner may exempt from examination by order.

(e) The applicant must pass the examination with a grade determined by the commissioner to indicate satisfactory knowledge and understanding of the class or classes of insurance for which the applicant seeks qualification. The commissioner shall inform the applicant as to whether or not the applicant has passed.

(f) An applicant who has failed to pass an examination may take subsequent examinations. Examination fees for subsequent examinations shall not be waived.

(g) Any applicant for a license covering the same class or classes of insurance for which the applicant was licensed under a similar license in this state, other than a temporary license, within the

three years preceding the date of the application shall be exempt from the requirement of a written examination, unless the previous license was revoked or suspended by the commissioner. An applicant whose license is not renewed under section 60G.12 is exempt from the requirement of a written examination.

Subd. 3. [NONRESIDENT AGENT.] The commissioner shall issue a nonresident insurance agent's license to a qualified person who is a resident of another state or country as follows:

(a) A person may qualify for a license under this section as a nonresident only if that person holds a license in another state, province of Canada, or other foreign country which, in the opinion of the commissioner, qualifies that person for the same activity as that for which a license is sought.

(b) The commissioner shall not issue a license to a nonresident applicant until that person files with the commissioner a designation of the commissioner and the commissioner's successors in office as the applicant's true and lawful attorney upon whom may be served all lawful process in an action, suit, or proceeding instituted by or on behalf of an interested person arising out of the applicant's insurance business in this state. This designation constitutes an agreement that this service of process is of the same legal force and validity as personal service of process in this state upon that applicant.

Service of process upon a licensee in an action or proceeding begun in a court of competent jurisdiction of this state may be made in compliance with section 45.028, subdivision 2.

(c) A nonresident license terminates automatically when the resident license for that class of license in the state, province, or foreign country in which the licensee is a resident is terminated for any reason.

Subd. 4. [TERM.] All licenses issued pursuant to this section remain in force until voluntarily terminated by the licensee, not renewed as prescribed in section 60K.06, or until suspended or revoked by the commissioner. A voluntary termination occurs when the license is surrendered to the commissioner with the request that it be terminated or when the licensee dies, or when the licensee is dissolved or its existence is terminated. In the case of a nonresident license, a voluntary termination also occurs upon the happening of the event described in subdivision 3, paragraph (c).

Every licensed agent shall notify the commissioner within 30 days of a change of name, address, or information contained in the application.

Subd. 5. [SUBSEQUENT APPOINTMENTS.] A person who holds a valid agent's license from this state may solicit applications for insurance on behalf of an admitted insurer with which the licensee does not have a valid appointment on file with the commissioner; provided, that the licensee has permission from the insurer to solicit insurance on its behalf and, provided further, that the insurer upon receipt of the application for insurance submits a written notice of appointment to the commissioner accompanied by its check payable to the state treasurer in the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9). The notice of appointment must be on a form prescribed by the commissioner.

Subd. 6. [AMENDMENT OF LICENSE.] An application to the commissioner to amend a license to reflect a change of name, or to include an additional class of license, or for any other reason, shall be on forms provided by the commissioner and shall be accompanied by the applicant's surrendered license and a check payable to the state treasurer for the amount of fee specified in section 60A.14, subdivision 1, paragraph (c).

An applicant who surrenders an insurance license pursuant to this subdivision retains licensed status until an amended license is received.

Subd. 7. [EXCEPTIONS.] The following are exempt from the general licensing requirements prescribed by this section:

(1) agents of township mutuals who are exempted pursuant to section 60K.04;

(2) fraternal benefit society representatives exempted pursuant to section 60K.05;

(3) any regular salaried officer or employee of a licensed insurer, without license or other qualification, may act on behalf of that licensed insurer in the negotiation of insurance for that insurer; provided that a licensed agent must participate in the sale of the insurance;

(4) employers and their officers or employees, and the trustees or employees of any trust plan, to the extent that the employers, officers, employees, or trustees are engaged in the administration or operation of any program of employee benefits for the employees of the employers or employees of their subsidiaries or affiliates involving the use of insurance issued by a licensed insurance company; provided, that the activities of the officers, employees and trustees are incidental to clerical or administrative duties and their compensation does not vary with the volume of insurance or applications for insurance;

(5) employees of a creditor who enroll debtors for life or accident and health insurance; provided the employees receive no commission or fee for it;

(6) clerical or administrative employees of an insurance agent who take insurance applications or receive premiums in the office of their employer, if the activities are incidental to clerical or administrative duties and the employee's compensation does not vary with the volume of the applications or premiums; and

(7) rental vehicle companies and their employees in connection with the offer of rental vehicle personal accident insurance under section 72A.125.

Sec. 6. [60K.04] [TOWNSHIP MUTUAL AGENTS.]

No agent for a township mutual shall be required to take an examination to become eligible for an agent's license in farm property perils and farm liability if it is certified by one or more township mutual companies that the agent has been acting in the capacity of an agent at least since January 1, 1971, and no new examination shall be required for eligibility for a license in farm property perils and farm liability for a licensed agent in farm windstorm and hail insurance who was licensed prior to January 1, 1971.

Sec. 7. [60K.05] [FRATERNAL BENEFIT SOCIETY REPRESENTATIVES.]

Representatives of fraternal benefit societies who solicit and negotiate insurance contracts shall be deemed to be insurance agents and subject to the licensing requirements as set forth in section 60K.03, subdivision 1; provided, that no insurance agent's license shall be required of:

(1) any officer, employee, or secretary of a fraternal benefit society, or of any subordinate lodge or branch who devotes substantially all of that person's time to activities other than the solicitation or negotiation of insurance contracts and who receives no commission or other compensation directly dependent upon the number or amount of contracts solicited or negotiated; or

(2) any agent or representative of a fraternal benefit society who devotes, or intends to devote, less than 50 percent of that person's time to the solicitation and procurement of insurance contracts for that society. Any person who in the preceding calendar year has solicited and procured life insurance in excess of \$50,000 face amount, or, in the case of any other kinds of insurance which the society may write, on the persons of more than 25 individuals, and who has received or will receive a commission or other compensation

in the total amount of \$1,000 or more, shall be presumed to be devoting, or intending to devote, 50 percent of that person's time to the solicitation or procurement of insurance contracts for that society.

Sec. 8. [60K.06] [RENEWAL FEE.]

(a) Each agent licensed pursuant to section 60B.03 shall annually pay in accordance with the procedure adopted by the commissioner a renewal fee as prescribed by section 60A.14, subdivision 1, paragraph (c), clause (10).

(b) Every agent, corporation, and partnership license expires on October 31 of the year for which period a license is issued.

(c) Persons whose applications have been properly and timely filed who have not received notice of denial of renewal are approved for renewal and may continue to transact business whether or not the renewed license has been received on or before November 1. Applications for renewal of a license are timely filed if received by the commissioner on or before October 15 of the year due, on forms duly executed and accompanied by appropriate fees. An application mailed is considered timely filed if addressed to the commissioner, with proper postage, and postmarked by October 15.

(d) The commissioner may issue licenses for agents, corporations, or partnerships for a three-year period. If three-year licenses are issued, the fee is three times the annual license fee.

Sec. 9. [60K.07] [TEMPORARY LICENSES.]

Subdivision 1. [EXAMINATION.] The commissioner may grant a temporary insurance agent's license to a person who has successfully completed the examination, if any, required by the commissioner. The temporary license may be granted as of the date upon which the applicant receives written notice from the commissioner that the person has passed any required examination. A temporary license will permit the applicant to act as an insurance agent for the original appointing insurer for the class of business specified therein until the earlier of (1) receipt by the applicant of the resident license, or (2) the expiration of 90 days from the date on which the temporary license was granted.

Subd. 2. [PERMISSIVE TEMPORARY LICENSE.] The commissioner may issue a temporary license to a person to act as an insurance agent for a period not to exceed 90 days, which may be extended as determined by the commissioner, without requiring an examination if the commissioner considers a temporary license necessary for the servicing of an insurance business in the following cases:

(1) to an agent licensed as a resident agent in another state where the commissioner determines that the foreign license is substantially the equivalent of that being applied for from the state of Minnesota and where the agent has been transferred into this state with the intention of becoming a resident, working as an insurance agent, and obtaining a resident license from the state of Minnesota;

(2) to the surviving spouse or next of kin, or to the administrator or executor, or to an employee of a deceased licensed insurance agent, or to the spouse, next of kin, an employee or legal guardian of a disabled licensed insurance agent;

(3) to the designee of a licensed insurance agent entering upon active service in the armed forces of the United States; or

(4) in any other circumstance where the commissioner considers that the public interest will best be served by the issuance of a temporary license.

#### Sec. 10. [60K.08] [BROKERAGE BUSINESS.]

Every insurance agent duly licensed to transact business in this state shall have the right to procure the insurance of risks, or parts of risks, in the class or classes of insurance for which the agent is licensed in other insurers duly authorized to transact business in this state, but the insurance shall only be consummated through a duly appointed resident agent of the insurer taking the risk. If the law of another state requires a nonresident agent who is a resident agent of Minnesota to pay a portion of the premium to or share commissions with a licensed resident agent of that state, then the licensed resident agent of Minnesota when consummating and countersigning for a licensed nonresident agent of that state shall receive five percent of the total premium or 25 percent of the commission, whichever is less.

#### Sec. 11. [60K.09] [UNFIT PERSON NOT TO BE EMPLOYED BY INSURER.]

No insurer, its officers, agents, or managers, shall knowingly make application to the commissioner for appointment of a person as its agent where that person is known to the insurer, its officers, agents, or managers, making the application, to be unfit or disqualified to be licensed as an insurance agent, and immediately upon the discovery by the insurer, its officers, agents, or managers, having supervision of the agent, of the unfitness or disqualification, the insurer, or the officers, agents, or managers, shall forthwith inform the commissioner, in writing of their decision to terminate their appointment of this agent; nor shall any insurer retain in its employ any agent known by it to be disqualified or unfit to be licensed as an insurance agent.

Sec. 12. [60K.10] [TERM OF APPOINTMENTS.]

All appointments of agents by insurers pursuant to this section shall remain in force until terminated voluntarily by the appointing insurer or the license of the agent has for any reason been terminated during the appointment. The original appointing insurer, as well as any subsequent appointing insurer, may terminate their appointment of an agent at any time by giving written notice thereof to the commissioner and by sending a copy thereof to the last known address of the agent. The effective date of the termination shall be the date of receipt of the notice by the commissioner unless another date is specified by the insurer in the notice. Within 30 days after the insurer gives notice of termination to the commissioner, the insurer shall furnish the agent with a current statement of the agent's commission account.

Accompanying the notice of a termination given to the commissioner by the insurer shall be a statement of the specific reasons constituting the cause of termination. Any document, record, or statement relating to the agent which is disclosed or furnished to the commissioner contemporaneously with, or subsequent to, the notice of termination shall be deemed confidential by the commissioner and a privileged communication. The document, record, or statement furnished to the commissioner shall not be admissible in whole or in part for any purpose in any action or proceeding against (1) the insurer or any of its officers, employees, or representatives, submitting or providing the document, record, or statement, or (2) any person, firm, or corporation furnishing in good faith to the insurer the information upon which the reasons for termination are based.

Sec. 13. [60K.11] [DENIAL, REVOCATION, SUSPENSION, AND CENSURE OF LICENSES.]

Subdivision 1. [GROUNDS.] The commissioner may by order take any or all of the following actions:

- (1) deny, suspend, or revoke an insurance agent or agency license;
- (2) censure the licensee; or
- (3) impose a civil penalty as provided for in section 45.027, subdivision 6.

In order to take this action the commissioner must find that the order is in the public interest and that the applicant, licensee, or in the case of an insurance agency, partner, director, shareholder, officer, or agent of that insurance agency:

- (i) does not intend to or is not in good faith carrying on the business of an insurance agent;

(ii) has filed an application for a license which is incomplete in any material respect or contains any statement which, in light of the circumstances under which it is made, contains any misrepresentation, or is false, misleading, or fraudulent;

(iii) has engaged in an act or practice, whether or not such act or practice involves the business of insurance, which demonstrates that the applicant or licensee is untrustworthy, financially irresponsible, or otherwise incompetent or unqualified to act as an insurance agent or agency;

(iv) has pled guilty, with or without explicitly admitting guilt, pled nolo contendere, or been convicted of a felony, gross misdemeanor, or misdemeanor involving moral turpitude, including but not limited to, assault or similar conduct;

(v) has violated or failed to comply with any of the provisions of the insurance laws including chapters 45 or 60A to 72A or any rule or order under those chapters;

(vi) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the insurance business;

(vii) has violated or failed to comply with any order of the insurance regulator of any other state or jurisdiction;

(viii) has had an insurance agent or agency license denied, suspended, or revoked, has been censured or reprimanded, has been the subject of any other discipline imposed by, or has paid or has been required to pay a monetary penalty or fine to, another state or jurisdiction;

(ix) has misrepresented the terms of any actual or proposed insurance contract;

(x) has engaged in any fraudulent, coercive, deceptive, or dishonest act or practice whether or not such act or practice involves the business of insurance;

(xi) has improperly withheld, misappropriated, or converted to the licensee's or applicant's own use any money belonging to a policy holder, insurer, beneficiary, or other person; or

(xii) has forged another's name to any document whether or not the document relates to an application for insurance or a policy of insurance.

Subd. 2. [LICENSEES.] If the commissioner determines that one of the conditions listed in subdivision 1 exists, the commissioner

may issue an order requiring a licensee to show cause why any or all of the following should not occur: (1) the license revocation or suspension; (2) censuring of the licensee; or (3) the imposition of a civil penalty. The order shall be calculated to give reasonable notice of the time and place for hearing on the matter, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend a license pending final determination of any order to show cause. If a license is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order of suspension. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the licensee fails to appear at a hearing after having been duly notified of it, the licensee shall be considered in default, and the proceeding may be determined against the licensee upon consideration of the order to show cause, the allegations of which may be considered to be true.

Subd. 3. [APPLICANTS.] Whenever it appears to the commissioner that a license application should be denied pursuant to subdivision 1, the commissioner shall promptly give a written notice to the applicant of the denial. The notice must state the grounds for the denial and give reasonable notice of the rights of the applicant to request a hearing. A hearing must be held not later than 30 days after the request for the hearing is received by the commissioner unless the applicant and the department of commerce agree that the hearing may be held at a later date. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making such disposition as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the person shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying application, the allegations of which may be considered to be true. All fees accompanying the application and appointment are considered earned and are not refundable.

Subd. 4. [ACTIONS AGAINST LAPSED LICENSE.] If a license lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the license was last effective and enter a revocation or suspension order as of the last date on which the license was in effect, or impose a civil penalty as provided for in section 45.027, subdivision 6.

Subd. 5. [NOTIFICATION OF ACTION TAKEN BY OTHER STATE.] An insurance agent shall notify the commissioner within 30 days of any fine imposed on that agent by another state or of a suspension or revocation of license by the commissioner of commerce of this state or the commissioner of insurance of any other state.

Subd. 6. [CONDITIONS FOR RELICENSURE.] A revocation of a license shall prohibit the licensee from making a new application for a license for at least two years from the effective date of the revocation. Further, the commissioner shall, as a condition of reapplication, require the applicant to obtain a performance bond issued by an insurer authorized to transact business in this state in the amount of \$20,000 or a greater amount the commissioner considers appropriate for the protection of citizens of this state in the event the commissioner grants the application. The bond shall be filed with the commissioner, with the state of Minnesota as obligee, conditioned for the prompt payment to any aggrieved person entitled to payment of any amounts received by the licensee or to protect any aggrieved person from loss resulting from fraudulent, deceptive, dishonest, or other prohibited practices arising out of any transaction when the licensee was licensed or performed acts for which a license is required under this chapter. The bond shall remain operative for as long as that licensee is licensed. The bond required by this subdivision must provide coverage for all matters arising during the period of licensure.

Sec. 14. [60K.12] [TAX CLEARANCE CERTIFICATE.]

Subdivision 1. [REQUIREMENT FOR ISSUANCE OR RENEWAL OF LICENSE.] In addition to the provisions of section 60G.11, the commissioner may not issue or renew a license if the commissioner of revenue notifies the commissioner and the licensee or applicant for a license that the licensee or applicant owes the state delinquent taxes in the amount of \$500 or more. The commissioner may issue or renew the license only if: (1) the commissioner of revenue issues a tax clearance certificate; and (2) the commissioner of revenue or the licensee or applicant forwards a copy of the clearance to the commissioner. The commissioner of revenue may issue a clearance certificate only if the licensee or applicant does not owe the state any uncontested delinquent taxes.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them:

(1) "taxes" are all taxes payable to the commissioner of revenue, including penalties and interest due on those taxes; and

(2) "delinquent taxes" do not include a tax liability if (i) an administrative or court action that contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the licensee or applicant has entered into a payment agreement to pay the liability and is current with the payments.

Subd. 3. [CONTESTED CASE HEARING.] In lieu of the notice and hearing requirements of section 60K.11, when a licensee or applicant is required to obtain a clearance certificate under this

section, a contested hearing must be held if the licensee or applicant requests a hearing in writing to the commissioner of revenue within 30 days of the date of the notice provided in subdivision 1. The hearing must be held within 45 days of the date the commissioner of revenue refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the licensee or applicant must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the licensee or applicant. The notice may be served personally or by mail.

Subd. 4. [IDENTIFICATION REQUIRED.] The commissioner shall require all licensees or applicants to provide their social security number and Minnesota business identification number on all license applications. Upon request of the commissioner of revenue, the commissioner must provide to the commissioner of revenue a list of all licensees and applicants, including the name and address, social security number, and business identification number. The commissioner of revenue may request a list of the licensees and applicants no more than once each calendar year.

Sec. 15. [60K.13] [SURRENDER, LOSS, OR DESTRUCTION OF LICENSE.]

Subdivision 1. [NOTIFICATION.] The commissioner shall promptly notify the licensee and all appointing insurers, where applicable, of any suspension, revocation, or termination of the licensee's agent's license by the commissioner. Upon receipt of the notice of suspension or revocation of a license, the licensee shall immediately deliver it to the commissioner.

Subd. 2. [RETURN OF LICENSE.] An agent whose resident or nonresident license is terminated, as provided in section 60K.11, shall deliver the terminated license to the commissioner by personal delivery or by mail within 30 days after the date of termination.

Subd. 3. [DUPLICATE LICENSE.] The commissioner may issue a duplicate license for any lost, stolen, or destroyed license issued pursuant to this section upon an affidavit of the licensee concerning the facts of the loss, theft, or destruction, and the payment of a fee of \$3 by money order or cashier's check payable to the state treasurer.

Sec. 16. [60K.14] [PROHIBITED ACTS.]

Subdivision 1. [PERSONAL SOLICITATION OF INSURANCE SALES.] (a) [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(1) "agent" means a person, copartnership, or corporation required to be licensed pursuant to section 60K.02; and

(2) "personal solicitation" means any contact by an agent, or any person acting on behalf of an agent, made for the purpose of selling or attempting to sell insurance, when either the agent or a person acting for the agent contacts the buyer by telephone or in person, except: (i) an attempted sale in which the buyer personally knows the identity of the agent, the name of the general agency, if any, which the agent represents, and the fact that the agent is an insurance agent; (ii) an attempted sale in which the prospective purchaser of insurance initiated the contact; or (iii) a personal contact which takes place at the agent's place of business.

(b) [DISCLOSURE REQUIREMENT.] Before a personal solicitation, the agent or person acting for an agent shall, at the time of initial personal contact or communication with the potential buyer, clearly and expressly disclose:

(1) the name of the person making the contact or communication;

(2) the name of the agent, general agency, or insurer that person represents; and

(3) the fact that the agent, agency, or insurer is in the business of selling insurance.

(c) [FALSE REPRESENTATION OF GOVERNMENT AFFILIATION.] No agent or person acting for an agent shall make any communication to a potential buyer that indicates or gives the impression that the agent is acting on behalf of a government agency.

Subd. 2. [FEES FOR SERVICES.] No person shall charge a fee for any services rendered in connection with the solicitation, negotiation, or servicing of any insurance contract unless:

(1) before rendering the services, a written statement is provided disclosing:

(i) the services for which fees are charged;

(ii) the amount of the fees;

(iii) that the fees are charged in addition to premiums; and

(iv) that premiums include a commission; and

(2) all fees charged are reasonable in relation to the services rendered.

Subd. 3. [COMMISSIONS OR COMPENSATION.] No commission or other compensation shall be paid or allowed by any person, firm,

or corporation to any other person, firm, or corporation acting, or assuming to act, as an insurance agent without a license therefor. A duly licensed agent may pay commissions or assign or direct that commissions be paid to a partnership of which the agent is a member, employee, or agent, or to a corporation of which the agent is an officer, employee, or agent. This subdivision does not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because the person has ceased to hold a license to act as an insurance agent.

Subd. 4. [SUITABILITY OF INSURANCE.] In recommending the purchase of any life, endowment, long-term care, annuity, life-endowment, or Medicare supplement insurance to a customer, an agent must have reasonable grounds for believing that the recommendation is suitable for the customer and must make reasonable inquiries to determine suitability. The suitability of a recommended purchase of insurance will be determined by reference to the totality of the particular customer's circumstances, including, but not limited to, the customer's income, the customer's need for insurance, and the values, benefits, and costs of the customer's existing insurance program, if any, when compared to the values, benefits, and costs of the recommended policy or policies.

Subd. 5. [PREMIUMS.] All premiums or other money received by an agent from an insured or applicant for insurance must be forthwith deposited directly in a business checking, savings, or other similar account maintained by the agent or agency, unless the money is forwarded directly to the designated insurer.

Subd. 6. [PRIVACY OF CLIENT.] Except as otherwise provided by law, no insurance agent may disclose nor cause to be disclosed to any other person the identity of a person insured through the agent without the consent of the insured.

#### **Sec. 17. [60K.15] [INSURER'S AGENT.]**

Any person who solicits insurance is the agent of the insurer and not the agent of the insured.

#### **Sec. 18. [60K.16] [LIABILITY FOR PLACING INSURANCE IN UNAUTHORIZED COMPANY.]**

Any person, regardless of whether that person is required to be licensed as an insurance agent, who participates in any manner in the sale of any insurance policy or certificate, or any other contract providing benefits, for or on behalf of any company which is required to be, but which is not authorized to engage in the business of insurance in this state, other than pursuant to sections 60A.195 to 60A.209, shall be personally liable for all premiums, whether earned or unearned, paid by the insured, and the premiums may be recovered by the insured. In addition, that person shall be personally

liable for any loss the insured has sustained or may sustain if the loss is one resulting from a risk or hazard covered in the issued policy, certificate, or contract or which would have been covered if the policy, certificate, or contract had been issued to the purchaser of the insurance.

Sec. 19. [60K.17] [AGENTS; VARIABLE CONTRACTS.]

Subdivision 1. [LICENSE REQUIRED.] No person shall sell or offer for sale a contract on a variable basis unless prior to making any solicitation or sale the person has obtained from the commissioner a license therefor. The license shall only be granted, upon the written requisition of an insurer, to a qualified person who holds a current license authorizing the person to solicit and sell life insurance and annuity contracts in this state. To become qualified, a person shall complete a written application on a form prescribed by the commissioner and shall take and pass an examination prescribed by the commissioner.

Subd. 2. [EXCEPTIONS.] (a) Any regularly salaried officer or employee of a licensed insurer may, without license or other qualification, act on behalf of that licensed insurer in the negotiation of a contract on a variable basis, provided that a licensed agent must participate in the sale of any contract.

(b) Any person who, on July 1, 1969, holds a valid license authorizing the person to solicit and sell life insurance and annuity contracts and who also holds a valid license issued by the department of commerce authorizing the person to sell or offer for sale contracts on a variable basis shall be issued a license by the commissioner of commerce upon application therefor and payment of a \$2 fee, which license shall expire on May 31, 1970, unless renewed by an insurer as provided in subdivision 1.

(c) Any person who holds a valid license to solicit and sell life insurance and annuity contracts may solicit and sell contracts on a variable basis without acquiring a license under this subdivision if the contract is based on an account which is excluded from the definition of investment company under the Investment Company Act of 1940, United States Code, title 15, section 80a-3(11).

Subd. 3. [RULES.] The commissioner may by rule waive or modify any of the requirements in this section or prescribe additional requirements considered necessary for the proper sale and solicitation of contracts on a variable basis.

Sec. 20. [60K.18] [ALTERING EXISTING POLICIES; WRITTEN BINDERS REQUIRED.]

An insurance agent having express authority to bind coverage,

who orally agrees on behalf of an insurer to provide insurance coverage, or to alter an existing insurance agreement, shall execute and deliver a written memorandum or binder containing the terms of the oral agreement to the insured within three business days from the time the oral agreement is entered into.

Sec. 21. Minnesota Statutes 1990, section 62A.41, subdivision 4, is amended to read:

Subd. 4. [UNLICENSED SALES.] Notwithstanding section ~~60A.17~~ 60K.02, subdivision 1, paragraph (d), a person who acts or assumes to act as an insurance agent without a valid license for the purpose of selling or attempting to sell Medicare supplement insurance, and the person who aids or abets the actor, is guilty of a felony and is subject to a civil penalty of not more than \$5,000 per violation.

Sec. 22. Minnesota Statutes 1990, section 62C.17, subdivision 5, is amended to read:

Subd. 5. A person shall not be qualified for a license if upon examination or reexamination it is determined that the person is incompetent to act as an agent or solicitor, if the person has acted in any manner which would disqualify a person to hold a license as an insurance agent or solicitor under section ~~60A.17~~, subdivision 6 sections 60K.01 to 60K.18, or if the person fails to produce documents subpoenaed by the commissioner, or fails to appear at a hearing to which the person is a party or has been subpoenaed, if the production of documents or appearance is lawfully required.

Sec. 23. Minnesota Statutes 1990, section 62D.22, subdivision 8, is amended to read:

Subd. 8. All agents, solicitors, and brokers engaged in soliciting or dealing with enrollees or prospective enrollees of a health maintenance organization, whether employees or under contract to the health maintenance organization, shall be subject to the provisions of section ~~60A.17~~ sections 60K.01 to 60K.18, concerning the licensure of health insurance agents, solicitors, and brokers, and lawful rules thereunder. Medical doctors and others who merely explain the operation of health maintenance organizations shall be exempt from the provisions of section ~~60A.17~~ sections 60K.01 to 60K.18. ## 72A.07 [VIOLATIONS OF LAWS RELATING TO AGENTS, PENALTIES.]

Any person, firm, or corporation violating, or failing to comply with, any of the provisions of ~~section 60A.17~~ sections 60K.01 to 60K.18 and any person who acts in any manner in the negotiation or transaction of unlawful insurance with an insurance company not licensed to do business in the state, or who, as principal or agent, violates any provision of law relating to the negotiation or effecting of contracts of insurance, shall be guilty of a misdemeanor. Upon the filing of a complaint by the commissioner of commerce in a court of competent jurisdiction against any person violating any provisions of this section, the county attorney of the county in which the violation occurred shall prosecute the person. Upon the conviction of any agent of any violation of the provisions of ~~section 60A.17~~ sections 60K.01 to 60K.18, the commissioner shall suspend the authority of the agent to transact any insurance business within the state for a period of not less than three months. Any insurer employing an agent and failing to procure an appointment, as required by ~~section 60A.17~~ sections 60K.01 to 60K.18, or allowing the agent to transact business for it within the state before an appointment has been procured, shall pay the commissioner, for the use of the state, a penalty of \$25 for each offense. Each sale of an insurance policy by an agent who is not appointed by an insurance company shall constitute a separate offense, but no insurer shall be required to pay more than \$300 in penalties as a result of the activities of a single unappointed agent. In the event of failure to pay a penalty within ten days after notice from the commissioner, the authority of the insurer to do business in this state shall be revoked by the commissioner until the penalty is paid. No insurer whose authority is revoked shall be readmitted until it shall have complied with all the terms and conditions imposed for admission in the first instance. Sec. 26. Minnesota Statutes 1990, section 72A.125, subdivision 2, is amended to read:

Subd. 2. [SALE BY AUTO RENTAL COMPANIES.] An auto

rental company that offers or sells rental vehicle personal accident insurance in this state in conjunction with the rental of a vehicle shall only sell these products if the forms and rates have met the relevant requirements of section 62A.02, taking into account the possible infrequency and severity of loss that may be incurred. Sections ~~60A.17~~ and 60A.1701 and ~~60K.01~~ to 60K.18 do not apply if the persons engaged in the sale of these products are employees of the auto rental company who do not receive commissions or other remuneration for selling the product in addition to their regular compensation. Compensation may not be determined in any part by the sale of insurance products. The auto rental company before engaging in the sale of the product must file with the commissioner the following documents:

(1) an appointment of the commissioner as agent for service of process;

(2) an agreement that the auto rental company assumes all responsibility for the authorized actions of all unlicensed employees who sell the insurance product on its behalf in conjunction with the rental of its vehicles;

(3) an agreement that the auto rental company with respect to itself and its employees will be subject to this chapter regarding the marketing of the insurance products and the conduct of those persons involved in the sale of insurance products in the same manner as if it were a licensed agent.

An auto rental company failing to file the documents in clauses (1) to (3) is guilty of an individual violation as to the unlicensed sale of insurance for each sale that occurs after August 1, 1987, until they make the required filings. Each individual sale after August 1, 1987, and prior to the filing required by this section is subject to, in addition to any other penalties allowable by law, up to a \$200 per violation fine. Further, the sale of the insurance product by an auto rental company or any employee or agent of the company after August 1, 1987, without having complied with this section shall be deemed to be in acceptance of the provisions of this section.

Insurance sold pursuant to this subdivision must be limited in availability to rental vehicle customers though coverage may extend to the customer, other drivers, and passengers using or riding in the rented vehicles; and limited in duration to a period equal to and concurrent with that of the vehicle rental.

Persons purchasing rental vehicle personal accident insurance may be provided a certificate summarizing the policy provisions in lieu of a copy of the policy if a copy of the policy is available for inspection at the place of sale and a free copy of the policy may be obtained from the auto rental company's home office.

The commissioner may, after a hearing, revoke an auto rental company's right to operate under this section if the company has repeatedly violated the insurance laws of this state and the revocation is in the public interest.

Sec. 2. Minnesota Statutes 1990, section 62A.146, is amended to read:

## 62A.146 [CONTINUATION OF BENEFITS TO SURVIVORS.]

No policy, contract, or plan of accident and health protection issued by an insurer, nonprofit health service plan corporation, or health maintenance organization, providing coverage of hospital or

medical expense on either an expense incurred basis or other than an expense incurred basis which in addition to coverage of the insured, subscriber, or enrollee, also provides coverage to dependents, shall, except upon the written consent of the survivor or survivors of the deceased insured, subscriber, or enrollee, terminate, suspend, or otherwise restrict the participation in or the receipt of benefits otherwise payable under the policy, contract, or plan to the survivor or survivors until the earlier of the following dates:

(a) the date the surviving spouse becomes covered under another group health plan; or

(b) the date coverage would have terminated under the policy, contract, or plan had the insured, subscriber, or enrollee lived.

The survivor or survivors, in order to have the coverage and benefits extended, may be required to pay the entire cost of the protection on a monthly basis. The policy, contract, or plan must require the group policyholder or contract holder to, upon request, provide the insured, subscriber, or enrollee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium or fee contributions charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children who are not the survivors of a deceased insured, without regard to whether such cost is paid by the employer or employee. Failure of the survivor to make premium or fee payments within 90 days after notice of the requirement to pay the premiums or fees shall be a basis for the termination of the coverage without written consent. In event of termination by reason of the survivor's failure to make required premium or fee contributions, written notice of cancellation must be mailed to the survivor's last known address at least 30 days before the cancellation. If the coverage is provided under a group policy, contract, or plan, any required premium or fee contributions for the coverage shall be paid by the survivor to the group policyholder or contract holder for remittance to the insurer, non-profit health service plan corporation, or health maintenance organization.

Sec. 3. Minnesota Statutes 1990, section 62A.17, subdivision 2, is amended to read:

If the policy, contract, or health care plan is

administered by a trust, every covered employee electing to continue coverage shall pay the trust the cost of continued coverage according to the eligibility rules established by the trust. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for similarly situated employees with respect to whom neither termination nor layoff has occurred, without regard to whether such cost is paid by the employer or employee. The employee shall be eligible to continue the coverage until the employee becomes covered under another group health plan, or for a period of 18 months after the termination of or lay off from employment, whichever is shorter. If the employee becomes covered under another group policy, contract, or health plan and the new group policy, contract, or health plan contains any preexisting condition limitations, the employee may, subject to the 18-month maximum continuation limit, continue coverage with the former employer until the preexisting condition limitations have been satisfied. The new policy, contract, or health plan is primary except as to the preexisting condition. In the case of a newborn child who is a dependent of the employee, the new policy, contract, or health plan is primary upon the date of birth of the child, regardless of which policy, contract, or health plan coverage is deemed primary for the mother of the child.

Sec. 4. Minnesota Statutes 1990, section 62A.21, subdivision 2a, is amended to read:

Subd. 2a. [CONTINUATION PRIVILEGE.] Every policy described in subdivision 1 shall contain a provision which permits continuation of coverage under the policy for the insured's former spouse and dependent children upon entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the insured's former spouse becomes covered under any other group health plan; or

(b) the date coverage would otherwise terminate under the policy.

If the coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the insured on a monthly basis to the group policyholder for remittance to the insurer. The policy must require the group policyholder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Sec. 5. [62A.285] [PROHIBITED UNDERWRITING; BREAST IMPLANTS.]

[SCOPE OF COVERAGE.] This section applies to all policies of accident and health insurance regulated under this chapter, subscriber contracts offered by nonprofit health service plan corporations regulated under chapter 62C, health maintenance contracts regulated under chapter 62D, and health benefit certificates offered through a fraternal benefit society regulated under chapter 64B. Subd. 2. [REQUIRED COVERAGE.] No policy, plan, certificate, or contract referred to in subdivision 1 shall be issued or renewed to provide coverage to a Minnesota resident if it provides an exclusion, reduction, or other limitation as to coverage, deductible, coinsurance, or copayment applicable solely to conditions caused by breast implants.

Subd. 3. [REFUSAL TO ISSUE OR RENEW.] No issuer of a policy, plan, certificate, or contract referred to in subdivision 1 shall refuse to issue or renew at standard premium rates a policy, plan, certificate, or contract referred to in subdivision 1 solely because the prospective insured or enrollee has breast implants.

Subd. 4. [EXCLUSION PERMITTED.] A policy, plan, certificate, or contract referred to in subdivision 1 may limit or exclude coverage for conditions caused by breast implants, if the conditions were diagnosed prior to the date that coverage for the person begins.

Subd. 2a. [CONTINUATION PRIVILEGE.] Every subscriber contract, other than a contract whose continuance is contingent upon continued employment or membership, shall contain a provision which permits continuation of coverage under the contract for the subscriber's former spouse and children upon entry of a valid decree of dissolution of marriage, if the decree requires the subscriber to provide continued coverage for those persons. The coverage may be continued until the earlier of the following dates:

(a) the date of remarriage of either the subscriber or the subscriber's former spouse; or

(b) the date coverage would otherwise terminate under the subscriber contract.

The contract must require the group contract holder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Sec. 7. Minnesota Statutes 1990, section 62D.101, subdivision 2a, is amended to read:

Subd. 2a. [CONTINUATION PRIVILEGE.] Every health maintenance contract as described in subdivision 1 shall contain a provision which permits continuation of coverage under the contract for the enrollee's former spouse and children upon entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the enrollee's former spouse becomes covered under another group plan or Medicare; or

(b) the date coverage would otherwise terminate under the health maintenance contract.

If coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the enrollee on a monthly basis to the group contract holder to be paid to the health maintenance organization. The contract must require the group contract holder to, upon request, provide the enrollee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the fee charged exceed 102 percent of the cost to the plan for the period of coverage for other similarly situated spouses and dependent children when the marital relationship has not dissolved, regardless of whether the cost is paid by the employer or employee.

Sec. 8. Minnesota Statutes 1991 Supplement, section 62E.10, subdivision 9, is amended to read:

Subd. 9. [EXPERIMENTAL DELIVERY METHOD.] The association may petition the commissioner of commerce for a waiver to allow the experimental use of alternative means of health care delivery. The commissioner may approve the use of the alternative means the commissioner considers appropriate. The commissioner may waive any of the requirements of this chapter and chapters 60A, 62A, and 62D in granting the waiver. The commissioner may also grant to the association any additional powers as are necessary to

facilitate the specific waiver, including the power to implement a provider payment schedule.

This subdivision is effective until August 1, ~~1992~~ 1993.

Sec. 9. Minnesota Statutes 1991 Supplement, section 62E.12, is amended to read:

**62E.12 [MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.]**

The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan, and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be \$1,000,000, and basic and extended basic Medicare supplement plans. The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15. They shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier. Notwithstanding the provisions of section 62E.06 the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

Sec. 10. Minnesota Statutes 1990, section 65B.133, is amended by adding a subdivision to read:

Subd. 5a. [LIMITATION ON CHARGEABLE ACCIDENTS.] No accident is a chargeable accident for purposes of this section unless it meets the definition of a chargeable accident under Minnesota Rules 1991, part 2770.7700, subpart 2.

Sec. 11. Minnesota Statutes 1990, section 65B.133, subdivision 7, is amended to read:

Subd. 7. [COMMISSIONER MAY PROMULGATE RULES RULE-MAKING.] (a) The commissioner may ~~promulgate~~ adopt rules reasonably necessary to carry out and make effective this section.

(b) The commissioner shall adopt rules establishing surcharge rates for the first and each successive accident or traffic violation. The rules may create a grading system in which each chargeable accident or violation is assigned a certain number of points to determine the maximum allowable surcharge rate.

For collision losses, the rules must require an insurer that recovers 80 percent or more of the insurer's loss through subrogation to immediately refund any surcharges imposed as a result of this loss.

If the insured cannot be located after reasonable effort, the refund is presumed abandoned for purposes of disposition under the uniform disposition of unclaimed property act, sections 345.31 to 345.60.

Sec. 12. Minnesota Statutes 1990, section 72A.20, is amended by adding a subdivision to read:

Sec. 4. Minnesota Statutes 1990, section 56.125, subdivision 3, is amended to read:

Subd. 3. [CHARGES.] In addition to the charges authorized in subdivision 1, a licensee may contract for and receive in connection with an open-end loan agreement the additional charges, fees, costs, and expenses with respect to the line of credit limit permitted by sections 56.131, subdivisions 1, paragraph (f), clauses (4) and (5), 2, 5, and 6; and 56.155 with respect to other loans, with the following variations:

(1) If credit life ~~or~~, disability, or unemployment insurance is provided and if the insured dies ~~or~~, becomes disabled, or becomes unemployed when there is an outstanding open-end loan indebtedness, the amount of the insurance may not exceed the total balance of the loan due on the date of the borrower's death or on the date of the last billing statement in the case of credit life insurance, or all minimum payments which become due on the loan during the covered period of disability in the case of credit disability insurance, or during the covered period of unemployment in the case of credit unemployment insurance. The additional charge for credit life insurance ~~or~~, credit disability insurance, or credit unemployment insurance must be calculated in each billing cycle by applying the current monthly premium rate for the insurance to the unpaid balances in the borrower's account.

(2) The amount, terms, and conditions of any credit insurance against loss or damage to property must be reasonable in relation to the character and value of the property insured.

Sec. 5. Minnesota Statutes 1990, section 56.155, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] No licensee shall, directly or indirectly, sell or offer for sale any insurance in connection with any loan made under this chapter except as and to the extent authorized by this section. The sale of credit life ~~and~~, credit accident and health, and credit unemployment insurance is subject to the provisions of chapter 62B, except that the term of the insurance may exceed 60 months if the term of the loan exceeds 60 months. Life, accident, ~~and~~ health, and unemployment insurance, or any of them, may be

written upon or in connection with any loan but must not be required as additional security for the indebtedness. If the debtor chooses to procure credit life insurance or, credit accident and health insurance, or credit unemployment insurance as security for the indebtedness, the debtor shall have the option of furnishing this security through existing policies of insurance that the debtor owns or controls, or of furnishing the coverage through any insurer authorized to transact business in this state. A statement in substantially the following form must be made orally and provided in writing in bold face type of a minimum size of 12 points to the borrower before the transaction is completed for each credit life and, accident and health, and unemployment insurance coverage sold:

**CREDIT LIFE INSURANCE AND, CREDIT DISABILITY INSURANCE, AND CREDIT UNEMPLOYMENT INSURANCE ARE NOT REQUIRED TO OBTAIN CREDIT. YOU MAY BUY ANY INSURANCE FROM ANYONE YOU CHOOSE OR YOU MAY USE EXISTING INSURANCE.**

The licensee shall disclose whether or not the benefits commence as of the first day of disability or unemployment and shall further disclose the number of days that an insured obligor must be disabled or unemployed, as defined in the policy, before benefits, whether retroactive or nonretroactive, commence. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit accident and health or credit unemployment benefits may be procured by or through a licensee upon more than one of the obligors. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit life insurance may be procured by or through a licensee upon more than two of the obligors in which case they shall be insured jointly. The premium or identifiable charge for the insurance must not exceed that filed by the insurer with the department of commerce. The charge, computed at the time the loan is made for a period not to exceed the full term of the loan contract on an amount not to exceed the total amount required to pay principal and charges, may be deducted from the proceeds or may be included as part of the principal of any loan. If a borrower procures insurance by or through a licensee, the statement required by section 56.14 must disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. No licensee shall decline new or existing insurance which meets the standards set out in this section nor prevent any obligor from obtaining this insurance coverage from other sources. Notwithstanding any other provision of this chapter, any gain or advantage to the licensee or to any employee, affiliate, or associate of the licensee from this insurance or the sale or provision thereof is not an additional or further charge in connection with the loan; nor are any of the provisions pertaining to insurance contained in this section prohibited by any other provision of this chapter.

Sec. 6. Minnesota Statutes 1990, section 60A.17, subdivision 1a, is amended to read:

Subd. 1a. [LICENSE APPLICATION.] (a) [PROCEDURE.] An application for a license to act as an insurance agent shall be made to the commissioner by the person who seeks to be licensed. The application for license shall be accompanied by a written appointment from an admitted insurer authorizing the applicant to act as its agent under one or both classes of license. The insurer must also submit its check payable to the state treasurer for the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9) at the time the agent becomes licensed. The application and appointment shall be on forms prescribed by the commissioner.

If the applicant is a natural person, no license shall be issued until that natural person has become qualified.

If the applicant is a partnership or corporation, no license shall be issued until at least one natural person who is a partner, director, officer, stockholder, or employee shall be licensed as an insurance agent.

(b) [RESIDENT AGENT.] The commissioner shall issue a resident insurance agent's license to a qualified resident of this state as follows:

(1) a person may qualify as a resident of this state if that person resides in this state or the principal place of business of that person is maintained in this state. Application for a license claiming residency in this state for licensing purposes, shall constitute an election of residency in this state. Any license issued upon an application claiming residency in this state shall be void if the licensee, while holding a resident license in this state, also holds, or makes application for, a resident license in, or thereafter claims to be a resident of, any other state or jurisdiction or if the licensee ceases to be a resident of this state; provided, however, if the applicant is a resident of a community or trade area, the border of which is contiguous with the state line of this state, the applicant may qualify for a resident license in this state and at the same time hold a resident license from the contiguous state;

(2) the commissioner shall subject each applicant who is a natural person to a written examination as to the applicant's competence to act as an insurance agent. The examination shall be held at a reasonable time and place designated by the commissioner;

(3) the examination shall be approved for use by the commissioner and shall test the applicant's knowledge of the lines of insurance, policies, and transactions to be handled under the class of license

applied for, of the duties and responsibilities of the licensee, and pertinent insurance laws of this state;

(4) the examination shall be given only after the applicant has completed a program of classroom studies in a school, which shall not include a school sponsored by, offered by, or affiliated with an insurance company or its agents; except that this limitation does not preclude a bona fide professional association of agents, not acting on behalf of an insurer, from offering courses. The course of study shall consist of 30 hours of classroom study devoted to the basic fundamentals of insurance for those seeking a Minnesota license for the first time, 15 hours devoted to specific life and health topics for those seeking a life and health license, and 15 hours devoted to specific property and casualty topics for those seeking a property and casualty license. The program of studies or study course shall have been approved by the commissioner in order to qualify under this clause. If the applicant has been previously licensed for the particular line of insurance in the state of Minnesota, the requirement of a program of studies or a study course shall be waived. A certification of compliance by the organization offering the course shall accompany the applicant's license application. This program of studies in a school or a study course shall not apply to farm property perils and farm liability applicants, or to agents writing such other lines of insurance as the commissioner may exempt from examination by order;

(5) the applicant must pass the examination with a grade determined by the commissioner to indicate satisfactory knowledge and understanding of the class or classes of insurance for which the applicant seeks qualification. The commissioner shall inform the applicant as to whether or not the applicant has passed;

(6) an applicant who has failed to pass an examination may take subsequent examinations. Examination fees for subsequent examinations shall not be waived; and

(7) any applicant for a license covering the same class or classes of insurance for which the applicant was licensed under a similar license in this state, other than a temporary license, within the three years preceding the date of the application shall be exempt from the requirement of a written examination, unless the previous license was revoked or suspended by the commissioner. An applicant whose license is not renewed under subdivision 20 is exempt from the requirement of a written examination.

(c) [NONRESIDENT AGENT.] The commissioner shall issue a nonresident insurance agent's license to a qualified person who is a resident of another state or country as follows:

(1) A person may qualify for a license under this section as a nonresident only if that person holds a license in another state,

province of Canada, or other foreign country which, in the opinion of the commissioner, qualifies that person for the same activity as that for which a license is sought;

(2) The commissioner shall not issue a license to any nonresident applicant until that person files with the commissioner a designation of the commissioner and the commissioner's successors in office as the applicant's true and lawful attorney upon whom may be served all lawful process in any action, suit, or proceeding instituted by or on behalf of any interested person arising out of the applicant's insurance business in this state. This designation shall constitute an agreement that this service of process is of the same legal force and validity as personal service of process in this state upon that applicant.

Service of process upon any licensee in any action or proceeding commenced in any court of competent jurisdiction of this state may be made by serving the commissioner with appropriate copies of the process along with payment of the fee pursuant to section 60A.14, subdivision 1, paragraph (c), clause (4). The commissioner shall forward a copy of the process by registered or certified mail to the licensee at the last known address of record or principal place of business of the licensee; and

(3) A nonresident license shall terminate automatically when the resident license for that class of license in the state, province, or foreign country in which the licensee is a resident is terminated for any reason.

(d) [DENIAL.] (1) If the commissioner finds that an applicant for a resident or nonresident license has not fully met the requirements for licensing, the commissioner shall refuse to issue the license and shall promptly give written notice to both the applicant and the appointing insurer of the denial, stating the grounds for the denial. All fees which accompanied the application and appointment shall be deemed earned and shall not be refundable.

(2) The commissioner may also deny issuance of a license for any cause that would subject the license of a licensee to suspension or revocation. If a license is denied pursuant to this clause, the provisions of subdivision 6c, paragraph (c), apply.

(3) The applicant may make a written demand upon the commissioner for a hearing within 30 days of the denial of a license to determine whether the reasons stated for the denial were lawful. The hearing shall be held pursuant to chapter 14.

(e) [TERM.] All licenses issued pursuant to this section shall remain in force until voluntarily terminated by the licensee, not renewed as prescribed in subdivision 1d, or until suspended or revoked by the commissioner. A voluntary termination shall occur

when the license is surrendered to the commissioner with the request that it be terminated or when the licensee dies, or when the licensee is dissolved or its existence is terminated. In the case of a nonresident license, a voluntary termination shall also occur upon the happening of the event described in paragraph (c), clause (3).

Every licensed agent shall notify the commissioner within 30 days of any change of name, address, or information contained in the application.

(f) [SUBSEQUENT APPOINTMENTS.] A person who holds a valid agent's license from this state may solicit applications for insurance on behalf of an admitted insurer with which the licensee does not have a valid appointment on file with the commissioner; provided, that the licensee has permission from the insurer to solicit insurance on its behalf and, provided further, that the insurer upon receipt of the application for insurance submits a written notice of appointment to the commissioner accompanied by its check payable to the state treasurer in the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9). The notice of appointment shall be on a form prescribed by the commissioner.

(g) [AMENDMENT OF LICENSE.] An application to the commissioner to amend a license to reflect a change of name, or to include an additional class of license, or for any other reason, shall be on forms provided by the commissioner and shall be accompanied by the applicant's surrendered license and a check payable to the state treasurer for the amount of fee specified in section 60A.14, subdivision 1, paragraph (c).

An applicant who surrenders an insurance license pursuant to this clause retains licensed status until an amended license is received.

(h) [EXCEPTIONS.] The following are exempt from the general licensing requirements prescribed by this section:

(1) agents of township mutuals who are exempted pursuant to subdivision 1b;

(2) fraternal beneficiary association representatives exempted pursuant to subdivision 1c;

(3) any regular salaried officer or employee of a licensed insurer, without license or other qualification, may act on behalf of that licensed insurer in the negotiation of insurance for that insurer; provided that a licensed agent must participate in the sale of any such insurance;

(4) employers and their officers or employees, and the trustees or employees of any trust plan, to the extent that the employers, officers, employees, or trustees are engaged in the administration or operation of any program of employee benefits for the employees of the employers or employees of their subsidiaries or affiliates involving the use of insurance issued by a licensed insurance company; provided, that the activities of the officers, employees and trustees are incidental to clerical or administrative duties and their compensation does not vary with the volume of insurance or applications therefor;

(5) employees of a creditor who enroll debtors for life ~~or~~, accident and health, or unemployment insurance; provided the employees receive no commission or fee therefor;

(6) clerical or administrative employees of an insurance agent who take insurance applications or receive premiums in the office of their employer, if the activities are incidental to clerical or administrative duties and the employee's compensation does not vary with the volume of the applications or premiums; and

(7) rental vehicle companies and their employees in connection with the offer of rental vehicle personal accident insurance under section 72A.125.

Sec. 7. Minnesota Statutes 1990, section 60A.1701, subdivision 3, is amended to read:

Subd. 3. [EXEMPTIONS.] This section does not apply to:

(a) persons soliciting or selling solely on behalf of companies organized and operating according to chapter 67A; or

(b) persons holding life and health, or property and casualty licenses who, by February 28 of each year, certify to the commissioner in writing that they will sell only credit life, credit health, credit unemployment, and credit property insurance, during that year and do in fact so limit their sale of insurance.

Sec. 8. Minnesota Statutes 1990, section 62B.01, is amended to read:

62B.01 [SCOPE.]

All life insurance ~~and~~, accident and health insurance, and unemployment insurance in connection with loan or other credit transactions shall be subject to the provisions of sections 62B.01 to 62B.14, except mortgage life, mortgage accidental death, and mortgage disability insurance. Insurance shall not be subject to the provisions of sections 62B.01 to 62B.14 where its issuance is an isolated

transaction on the part of the insurer not related to an agreement or a plan for insuring debtors of the creditor. Credit life ~~and~~, accident and health, and unemployment insurance provided at no additional cost to the borrower shall not be subject to the provisions of sections 62B.01 to 62B.14.

Sec. 9. Minnesota Statutes 1990, section 62B.02, is amended by adding a subdivision to read:

Sec. 12. Minnesota Statutes 1990, section 62B.05, is amended to read:

**62B.05 [TERM OF CREDIT LIFE INSURANCE AND CREDIT ACCIDENT AND HEALTH INSURANCE.]**

The term of any credit life insurance ~~or~~ credit accident and health insurance, or credit unemployment insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor, except that, where a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to the indebtedness shall commence on the effective date of the policy. Where evidence of insurability is required and the evidence is furnished more than 30 days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date on which the insurance company determines the evidence to be satisfactory, and in that event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. The term of the insurance shall not extend more than 15 days beyond the scheduled maturity date of the indebtedness except when extended without additional cost to the debtor.

If an indebtedness is prepaid in full before its scheduled maturity, except by performance of the insurer's obligation under the policy, the insurance shall be deemed canceled and a refund shall be paid or credited as provided in section 62B.08. Upon prepayment in full, the creditor shall make the refund of unearned premium, unless the credit insurance was originated by a third party, in which case the creditor shall promptly notify the third party who shall make the refund.

Sec. 13. Minnesota Statutes 1990, section 62B.06, subdivision 1, is amended to read:

Subdivision 1. All credit life insurance ~~and~~ credit accident and health insurance, and credit unemployment insurance shall be evidenced by an individual policy, memorandum copy, or in the case of group insurance by a certificate of insurance, which shall be delivered to the debtor.

Subd. 2. Each individual policy or group certificate of credit life insurance, ~~or~~ credit accident and health insurance, or credit unemployment insurance, shall, in addition to other requirements of law, set forth the name and home office address of the insurer, the name or names of the debtor or in the case of a certificate under a group policy, the identity by name or otherwise of the debtor, the rate or amount of payment, if any, by the debtor separately for credit life insurance ~~and~~, credit accident and health insurance, and credit unemployment insurance, a description of the amount, term and coverage including any exceptions, limitations and restrictions, and shall state that the benefits shall be paid to the creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance may exceed the unpaid indebtedness, that any such excess shall be payable to a beneficiary, other than the creditor, named by the debtor or to the debtor's estate. No individual or group policy of credit accident and health insurance or credit unemployment insurance issued, amended, renewed, or delivered in this state on or after January 1, 1976 shall contain any provision offsetting, or in any other manner reducing any benefit under the policy by the amount of, or in proportion to, any increase in disability or other benefits received or receivable under the federal Social Security Act, as amended subsequent to the date of commencement of such benefit.

Sec. 15. Minnesota Statutes 1990, section 62B.06, subdivision 4, is amended to read:

The copy of the application for, or notice of proposed insurance, shall also refer exclusively to insurance coverage, and shall be separate and apart from the loan, sale or other credit statement of account, instrument or agreement, unless the information required by this subdivision is prominently set forth therein. If an application for a policy or a notice of proposed insurance is not delivered at the time the indebtedness is incurred as required by this subdivision, the creditor shall assume all of the liabilities under such insurance until an insurer accepts the risk.

## Sec. 16. [62B.065] [DISCLOSURE OF COVERAGE FEATURES.]

- (2) the period of time, if any, between the beginning of unemployment and the beginning of eligibility for payments;
- (3) the period of time during which payments will be made; and

Sec. 17. Minnesota Statutes 1990, section 62B.07, subdivision 2, is amended to read:

Subd. 2. The commissioner shall within 60 days after the filing of policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements and riders, disapprove any such form if the premium rates charged or to be charged are excessive in relation to benefits, or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the coverage, or are contrary to any provision of the insurance laws or of any rule promulgated thereunder. In order to determine whether the premium to be charged under a particular policy form submitted by an insurer is excessive in relation to benefits, and to facilitate the submission and approval of policy forms and premium rates to be used in connection therewith, the commissioner shall give full consideration to and make reasonable allowances for underwriting expenses including, but not limited to, claim adjustment expenses, general administrative expenses including costs for handling return premiums, compensation to agents, expense allowances to creditors, if any, branch and field expenses and other acquisition costs, the types of policies actually issued and authorized as defined in section 62B.03, (1), (2), (3) ~~and~~, (4), (5), and (6), and any and all other factors and trends demonstrated to be relevant, except as otherwise required by section 62B.071. An insurer may support these factors by statistical information, experience, actuarial computations, and/or estimates certified by an executive officer of the insurer, and the commissioner shall give due consideration to such supporting data.

Sec. 18. Minnesota Statutes 1990, section 62B.07, subdivision 6, is amended to read:

Subd. 6. If a group policy of credit life insurance ~~or~~ credit accident and health insurance, or credit unemployment insurance

(1) has been delivered in this state before May 28, 1967, or

(2) has been or is delivered in another state before or after May 28, 1967, the insurer shall be required to file only the group certificate and notice of proposed insurance delivered or issued for delivery in this state as specified in subdivisions 2 and 4 of section 62B.06 and the forms shall be approved by the commissioner if they conform to the requirements specified in those subdivisions and if the schedules of premium rates applicable to the insurance evidenced by the certificate or notice are not in excess of the insurer's schedules of premium rates filed with the commissioner; provided, however, the premium rate in effect on existing group policies may be continued until the first policy anniversary date following the date this act is effective as provided in section 62B.12.

Sec. 19. [62B.071] [MINIMUM LOSS RATIO.]

(a) Each individual and group policy form for credit life, credit accident and health, and credit unemployment insurance must return to Minnesota policyholders and certificate holders in the form of aggregate benefits under the policy or certificate, for each year, on the basis of claims incurred and premiums earned in Minnesota and in accordance with accepted actuarial principles and practices, at least the percent provided in paragraph (c) of the aggregate amount of premiums earned.

(b) Policies and certificates subject to this section are also subject to the requirements, penalties, and remedies applicable to Medicare supplement policies, as set forth in Minnesota Statutes 1990, section 62A.36, subdivisions 1a, 1b, and 2. The first supplement to the annual statement required to be filed under this paragraph is for the annual statement required to be submitted on or after January 1, 1993, for credit unemployment insurance and January 1, 1994, for credit life and credit accident and health insurance.

(c) The minimum loss ratio required in paragraph (a) is 50 percent through December 31, 1993; 55 percent from January 1, 1994 to December 31, 1995; and 60 percent beginning January 1, 1996. For credit life and credit accident and health insurance, this section does not apply until January 1, 1993. The dates in this paragraph apply to the date that a policy is issued or renewed.

Sec. 20. Minnesota Statutes 1990, section 62B.08, subdivision 1, is amended to read:

Subdivision 1. An insurer may revise its schedules or premium rates from time to time, and shall file such revised schedules with the commissioner. No insurer shall issue any credit life insurance policy ~~or~~<sub>1</sub> credit accident and health insurance policy, or credit unemployment insurance policy for which the premium rate exceeds that determined by the schedules of the insurer then on file with the commissioner.

Sec. 21. Minnesota Statutes 1990, section 62B.08, subdivision 3, is amended to read:

Subd. 3. If a creditor requires a debtor to make a payment for credit life insurance ~~or~~<sub>1</sub> credit accident and health insurance, or credit unemployment insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to the debtor and shall promptly make an appropriate credit to the account.

Sec. 22. Minnesota Statutes 1990, section 62B.08, subdivision 4, is amended to read:

The amount charged to a debtor for credit life ~~or~~<sub>1</sub> credit health and accident insurance, or credit unemployment insurance shall not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined, and any premium charged or collected on a single premium basis shall be submitted to the insurer within 90 days of the month in which said premium is charged or collected.

Sec. 23. Minnesota Statutes 1990, section 62B.09, subdivision 1, is amended to read:

Subdivision 1. Policies of credit life insurance ~~and~~<sub>1</sub> credit accident and health insurance, and credit unemployment insurance shall be delivered or issued for delivery in this state only by an insurer authorized to do an insurance business in this state and shall be issued only through holders of licenses or authorizations issued by the commissioner.

Sec. 24. Minnesota Statutes 1990, section 62B.09, subdivision 2, is amended to read:

Subd. 2. (a) It is the goal of this chapter to improve waste management in the state to serve the following purposes:

- (1) Reduction in waste generated;
- (2) Separation and recovery of materials and energy from waste;
- (3) Reduction in indiscriminate dependence on disposal of waste;
- (4) Coordination of solid waste management among political subdivisions; and
- (5) Orderly and deliberate development and financial security of waste facilities including disposal facilities.

(b) The waste management goal of the state is to foster an integrated waste management system in a manner appropriate to the characteristics of the waste stream. The following waste management practices are in order of preference:

- (1) waste reduction and reuse;
- (2) waste recycling;
- (3) composting of yard waste and food waste;
- (4) resource recovery through mixed municipal solid waste composting or incineration; and
- (5) land disposal.

(c) It is the further goal of this chapter to ensure that, to the extent practicable, solid waste is separated into groups that contain materials that lend themselves to reuse, recycling, composting, incineration, other processing, or disposal and that each county or group of counties that cooperatively manages solid waste ensure that each separate group is appropriately reused, recycled, composted, incinerated, otherwise processed, or disposed to minimize adverse environmental impacts.

Sec. 2. Minnesota Statutes 1990, section 115A.03, is amended by adding a subdivision to read:

Subd. 22b. [PACKAGING.] "Packaging" means any container and appurtenant material that provides a means of transportation, marketing, protecting, or handling a product. (2) develop and make available to schools educational curricula on waste education for grades kindergarten to 12 to address at least waste reduction, reuse, recycling, litter, and proper management and disposal of problem materials; and

(3) inform consumers, after consultation with the commissioner of the agency and the department of natural resources, of the environmental consequences of burning solid waste materials outside of incinerators designed and permitted to burn solid waste and of on-site burial of solid waste.

(4) review progress made toward the production and use of environmentally sound packaging;

(5) report by July 1, 1993, to the director on the likelihood of implementation of a nationwide environmental labeling program for packaging and when such a labeling program will be implemented; and

(6) report to the director a comprehensive range of public policies and private activities that might encourage reduction in the amount of or environmental risks associated with production and use of packaging.

Sec. 8. [115A.5501] [REDUCTION OF PACKAGING IN WASTE.]

Subdivision 1. [STATEWIDE WASTE PACKAGING REDUCTION GOAL.] It is the goal of the state that there be a minimum 25 percent statewide per capita reduction in the amount of discarded packaging delivered to solid waste composting, incineration, refuse-derived fuel and disposal facilities by July 1, 1995, based on a reasonable estimate of the amount of packaging that was delivered to solid waste composting, incineration, and disposal facilities in fiscal year 1992.

Subd. 2. [MEASUREMENT; PROCEDURES.] To measure the overall percentage of packaging in the statewide solid waste stream, the commissioner and the chair of the metropolitan council, in consultation with the director shall each conduct an annual four-season solid waste composition study in the nonmetropolitan and metropolitan areas respectively or shall develop an alternative statistically reliable method to measure the percentage of packaging in the waste stream.

Beginning in 1992, the chair of the council shall submit the results from the metropolitan area to the commissioner by August 15 of each year. The commissioner shall average the nonmetropolitan and metropolitan results and submit the statewide percentage, along with a statistically reliable margin of error, to the director by August 31 of each year. The director shall report the information to the legislative commission on waste management by November 15 of each year.

Subd. 3. [FACILITY COOPERATION AND REPORTS.] The owner or operator of a solid waste composting, incineration, refuse-derived fuel or disposal facility shall allow access upon reasonable notice to authorized office, agency, or metropolitan council staff for the purpose of conducting waste composition studies or otherwise assessing the amount of total packaging in the waste delivered to the facility under this section.

Beginning in 1992, by August 1 of each year the owner or operator of a facility governed by this subdivision shall submit a report to the commissioner, on a form prescribed by the commissioner, information specifying the total amount of solid waste received by the facility between July 1 of the previous year and June 30 of the year the report is made. The commissioner shall calculate the total amount of solid waste delivered to solid waste facilities from the reports received from the facility owners or operators and shall report the aggregate amount to the director by August 31 of each year. The commissioner shall assess a nonforgivable administrative penalty under section 116.072 of \$500 plus any forgivable amount necessary to enforce this subdivision on any owner or operator who fails to submit a report required by this subdivision.

Subd. 4. [REPORT.] The director shall apply the statewide percentage determined under subdivision 2 to the aggregate amount of

solid waste determined under subdivision 3 to determine the amount of packaging in the waste stream. By November 15, 1995, the director shall submit to the legislative commission on waste management an analysis of the extent to which the waste packaging reduction goal in subdivision 1 has been met. In determining whether the goal has been met, the margin of error must be applied in favor of meeting the goal.

Sec. 9. [115A.5502] [ADVANCE DISPOSAL FEE.]

Subdivision 1. [FEE.] If the director reports under section 115A.5501, subdivision 4, that the waste packaging reduction goal has not been met, a manufacturer or importer, as defined in section 115A.951, subdivision 2, who ships to or bills to a person in this state packaging for use in conjunction with a product for retail sale in this state shall pay an advance disposal fee of one cent for each package or packaged product shipped to or billed to a person in this state based on the product's smallest unit division intended for sale at the retail level. If a number of packaged products that can be and are sold individually are bundled or aggregated and packaged again and sold in another context as one item, the one cent fee applies to each individual product that can be sold individually and to the package that bundles or aggregates the individual products.

Subd. 2. [PAYMENT.] The number of packages or packaged products shipped to or billed to persons in this state must be reported to the director and the commissioner of the department of revenue and fees must be paid to the commissioner of revenue on forms and in the manner prescribed by the commissioner. The commissioner of revenue and the director, after consultation with the packaging advisory council, may each adopt rules to implement this section.

Subd. 3. [EXEMPTIONS FROM FEE.] (a) The rules must exempt from payment of the advance disposal fee packaging:

(1) that has achieved significant reduction of material in its manufacture since 1985 measured against the most efficient use of packaging in delivering a given product in a comparable market;

(2) that is designed to be and actually is reused for the original purpose at least five times;

(3) that consists of at least 50 percent postconsumer recycled material;

(4) that is recyclable and is regularly collected for recycling through recycling collection programs available to at least 75 percent of the residents of the state;

(5) that is required under federal or state law for health and safety

purposes and for which there are no environmentally less harmful substitutes; or

(6) for which no commercially feasible substitute material would offer any environmental advantage.

(b) To qualify for an exemption under this subdivision, the manufacturer of the packaging or of the product to be sold in conjunction with the packaging shall submit the reports required in subdivision 2 together with evidence that the packaging meets one or more of the requirements of paragraph (a), clauses (1) to (6), and must receive written approval from the director for the exemption. The director shall allow an exemption for packaging that meets one of the requirements of paragraph (a), clauses (1) to (6).

(c) A package does not meet the material reduction requirements of paragraph (a), clause (1), if in reducing the amount of material used to make the package the reduction results in changing:

(1) from a material that allows the package to be reused to a material that does not allow the package to be reused at least as many times as the original material;

(2) from a material that consists of postconsumer recycled material to a material that contains less postconsumer recycled material; or

(3) from a recyclable material that is being recycled to a nonrecyclable material or to a recyclable material collected by fewer recycling collection programs than the original material.

Subd. 5. [EXCHANGE OF INFORMATION.] The director may provide the commissioner of revenue with the information necessary for the enforcement of this section. Information disclosed in a return filed under this section is public information. Information exchanged between the commissioner and the director is public unless the information is trade secret information classified under section 13.37. Information obtained in the course of an audit by the department of revenue is private or nonpublic data to the extent that it would not be directly divulged in a return.

Subd. 6. [ENFORCEMENT AND APPLICATION.] The fees in this section may be enforced under section 115A.9512, subdivision 10, and apply to packaging shipped to persons in this state beginning January 1, 1996.

Sec. 10. Minnesota Statutes 1990, section 115A.552, is amended by adding a subdivision to read:

Subd. 5. [PACKAGING MATERIALS.] Each county shall ensure

that recycling services are available for residents in the county, including residents of single and multifamily dwellings, to recycle the maximum number of different types of postconsumer packaging materials that is economically feasible given availability of state, local, and private funding for recycling programs. A county may contract with a person or entity, including but not limited to, a manufacturer, distributor, wholesaler, retailer, or a group of manufacturers, distributors, wholesalers, or retailers, to expand a recycling collection program to include any specific recyclable material if the person or entity agrees to pay the county an amount equal to the incremental cost to the program to collect, transport, store, process, and market the material.

Sec. 11. Minnesota Statutes 1990, section 115A.558, is amended to read:

**115A.558 [SAFETY GUIDE; WORKER SAFETY.]**

Subdivision 1. [SAFETY GUIDE.] The pollution control agency, in cooperation with the office of waste management and the metropolitan council, shall prepare and distribute to all interested persons a guide for operation of a recycling or yard waste composting facility to protect the environment and public health.

Subd. 2. [WORKER SAFETY.] The commissioner, in cooperation with the director and the commissioners of the departments of health and labor and industry, shall determine the health and safety risks of workers who sort and process recyclable materials in recycling and waste facilities and shall prepare and distribute, as part of the safety guide required in subdivision 1 or separately, a guide to minimization of health and safety risks for the workers. The commissioner of the department of labor and industry shall amend rules relating to the protection and safety of workers accordingly.

Sec. 12. [115A.56] [RECYCLED CONTENT IN CERTAIN PRODUCTS AND PACKAGING.]

Subdivision 1. [DEFINITIONS.] The definitions in this subdivision apply to this section.

(a) "Paper" means products made of paper to be used for printing, duplicating, or writing, and paper containing printed, duplicated, or written information, including magazines, catalogs and solicitations, and telephone directories.

(b) "Paper packaging" means packaging made, in whole or in part, of rigid or flexible paper that is sold or distributed empty or filled.

(c) "Plastic packaging" means rigid or flexible packaging, includ-

ing films, made, in whole or in part, of one or more plastic resins that is sold or distributed empty or filled.

(d) "Telephone directory" means a printed list of residential, governmental, and/or commercial telephone service subscribers or users that is distributed to the subscribers or users, except a directory distributed primarily within an organization that is not a telephone company for use by the members or employees of the organization.

Subd. 2. [RECYCLED CONTENT; REQUIREMENTS.] (a) By January 1, 1996, glass packaging, newsprint, paper, paper packaging, and plastic packaging that is distributed for sale or use must contain at least 25 percent postconsumer recycled material.

(b) By January 1, 2000, glass packaging, newsprint, paper, paper packaging, and plastic packaging that is distributed for sale or use must contain at least 50 percent postconsumer recycled material.

Subd. 3. [EXEMPTIONS; EXCLUSIONS.] (a) A product or package is exempt from the recycled content requirement of subdivision 2 if the product or package cannot comply because of other federal or state requirements.

(b) A manufacturer or distributor of a product or package may apply to the commissioner of the agency for exclusion from the requirements of subdivision 2 if the manufacturer is unable to obtain a sufficient supply of postconsumer material to meet those requirements. An application for an exclusion must include a plan detailing how and when the person intends to meet the requirements in the future. The commissioner may grant an exclusion if the commissioner determines that the manufacturer has no reasonable means of complying with the requirements. Economic considerations alone are insufficient for granting an exclusion.

Subd. 4. [LABELING.] A person may not label or otherwise indicate on a product or package that is distributed for sale or use that the product or package contains recycled material unless the product or package meets the requirements in subdivision 2.

Subd. 5. [PENALTY; ENFORCEMENT.] (a) A person who violates subdivision 2, paragraph (b), is subject to a minimum civil penalty of \$100 per item that is distributed in the state in violation of that paragraph.

(b) The commissioner of the agency may enforce subdivision 2, paragraph (a), under section 116.072 and may enforce subdivision 2, paragraph (b), under sections 115.071 and 116.072.

Sec. 13. Minnesota Statutes 1990, section 325E.042, subdivision 3, is amended to read:

Subd. 3. [PENALTY.] A person who violates ~~subdivision 1 or 2~~ this section is guilty of a misdemeanor.

Sec. 14. Minnesota Statutes 1990, section 400.08, subdivision 5, is amended to read:

Subd. 5. [FINANCIAL INCENTIVES TO RECYCLE.] A county may:

(1) ~~charge or may require any person who collects solid waste in the county to charge solid waste generators rates for collection or disposal that vary depending on the volume of waste generated;~~

(2) ~~require collectors~~ any person who collects solid waste in the county to provide significant financial incentives to solid waste generators who separate recyclable materials from their waste; or

(3) (2) require use of any other mechanism to provide encouragement or rewards to solid waste generators who reduce their waste generation or who separate recyclable materials from their waste.

Sec. 15. [REPEALER.]

Section 5 is repealed effective July 1, 1996.

## ARTICLE 2

### PRIORITY TOXICS REGISTRATION

Section 1. [115A.951] [SCOPE.]

Subdivision 1. [DEFINITIONS.] For purposes of sections 1 to 3, the terms in this section have the meanings given.

Subd. 2. [IMPORTATION.] "Importation" means the purchase of a product from a nonregistered seller, located outside of this state, for retail sale in Minnesota.

Subd. 3. [PRIORITY TOXIC.] "Priority toxic" means a material defined as a priority toxic under section 115A.9511, subdivision 1, 2, or 3.

Subd. 4. [PRODUCT.] "Product" means tangible personal property that is manufactured or imported for retail sale in this state. Product includes the packaging and other material that is sold with

the product at retail. Product does not include durable goods with an expected useful life of three years or more.

Subd. 5. [RETAIL SALE.] "Retail sale" has the meaning given in section 297A.01.

Sec. 2. [115A.9511] [PRIORITY TOXICS IN SOLID WASTE.]

Subdivision 1. [LIST OF PRIORITY TOXICS.] Priority toxics are:

(1) the following metals, whether used in elemental form or as a compound: arsenic, barium, cadmium, chromium, lead, manganese, mercury, nickel, silver; and

(2) the following chemical compounds, whether identified by this name or a synonym: acetone, benzene, bromomethane, chloromethane, chloroform, 1,4-dichlorobenzene, dichlorodifluoromethane, 1,2-dichloroethylene, 1,2-dichloropropane, ethyl benzene, ethyl ether, methyl ethyl ketone, methylene chloride, tetrahydrofuran, toluene, trichlorofluoromethane, m-xylene, o-xylene, and p-xylene.

Subd. 2. [REVISED LIST; PUBLICATION.] The commissioner shall add a hazardous substance to the list in subdivision 1 when, during the preceding reporting year, that substance appeared in:

(1) leachate collected from 50 percent or more of the mixed municipal solid waste disposal facilities in the state sampled as required under state rules; or

(2) the leachate samples collected from 50 percent or more of the mixed municipal solid waste incinerator ash disposal facilities in the state.

By October 1 of each year the commissioner shall publish in the State Register a notice of determination that lists the priority toxics in subdivision 1 and any toxics added to the list since the most recent publication. The notice of determination is not subject to chapter 14 but it must be filed with the secretary of state and included in Minnesota Rules. A copy of the notice of determination must be submitted to the chairs of the committees on environment and natural resources in the house of representatives and the senate and to the chair of the legislative commission on waste management.

Additions to the list of priority toxics under this subdivision are effective for sales made after the next January 1 for purpose of the fee under section 115A.9512.

A substance, listed on the priority toxics list in subdivision 1 or under this subdivision or subdivision 3, must be removed from the

list if the United States Environmental Protection Agency or federal law removes the substance from the federal list of hazardous substances for the purposes of the Federal Superfund Act, as defined in section 115B.02, subdivision 6.

Subd. 3. [OTHER PRIORITY TOXICS.] The commissioner, after consultation with representatives of the public and private sectors who have technical expertise on the impact of hazardous substances on human health and the environment, shall recommend to the legislative commission on waste management by November 1 of each year beginning in 1993 additional substances that do not meet the criteria under subdivision 2 but that should be added to the list in subdivision 1 because they:

(1) pose risks to human health or the environment similar to those risks posed by the substances that appear on the list or that are added under subdivision 2; and

(2) appear in products or packaging materials that are likely to be discarded as solid waste or are likely to require special management to keep them separate from solid waste.

Subd. 4. [PRIORITY TOXICS MANAGEMENT ACCOUNT.] The priority toxics management account is in the environmental fund in the state treasury. The account consists of revenue deposited in it under section 115A.9512, subdivision 6. The commissioner of finance shall administer the account.

Subd. 5. [APPROPRIATION; PURPOSES FOR WHICH MONEY MAY BE SPENT.] On June 30 of each year the commissioner of finance shall transfer \$15,000,000 from the priority toxics management account to the environmental response, compensation, and compliance account established in section 115B.20 to be used solely in connection with solid waste disposal facilities using procedures to be established by the legislature after receipt of recommendations from the commissioner of the agency.

Subject to appropriation by the legislature, the remainder of the money in the priority toxics management account may be appropriated for any of the following purposes:

(1) administrative and legal costs of the office of waste management, the department of revenue, the metropolitan council, and the pollution control agency related to implementation and enforcement of sections 115A.9511 and 115A.9512;

(2) household hazardous waste management programs that prevent the inclusion of household hazardous waste in mixed municipal solid waste;

(3) problem materials identification and labeling;

(4) reimbursement of an owner or operator of a resource recovery facility for the actual costs incurred for necessary testing and treatment of ash generated by the facility prior to disposal, unless the facility has not implemented its plan for separation from the waste stream of household hazardous waste;

(5) research and implementation of projects to develop and publicize alternatives to the use of priority toxics in products and packaging and to develop and implement methods of managing solid waste materials that contain priority toxics to minimize environmental degradation; and

(6) grants or loans to be administered by the director of the office to persons for development of facilities and technologies to recycle priority toxics in products and packaging.

### Sec. 3. [115A.9512] [PRIORITY TOXICS; REGISTRATION.]

Subdivision 1. [REGISTRATION REQUIRED.] Each product into which has been deliberately introduced a priority toxic material, except a product that is exempt under subdivision 4, must be registered with the commissioner. The commissioner, in consultation with the commissioner of revenue, shall prescribe the registration forms and procedures. The manufacturer shall register the product. If the manufacturer does not register the product, an importer or other seller may register the product.

Subd. 2. [LABELING.] The manufacturer of a product or package sold or otherwise distributed in this state into which a priority toxic material has been deliberately introduced shall:

(1) label the product, or the shipping container for the product, or package with the type and amount by weight of each priority toxic material in the product or package; or

(2) clearly identify on the invoice or shipping documents for the product or package, or on a separate sheet to be included with the invoice or shipping documents, a statement of the type and amount by weight of each priority toxic material in the product or package.

If the manufacturer identifies priority toxic materials on invoices or shipping documents or on a separate sheet to be included with the invoice or shipping documents, the document that includes the priority toxic material information must be forwarded with the product or package and retained by the first importer of the product or package for at least five years.

For products and packages manufactured in the state, the manu-

facturer shall also keep records of the amount of priority toxic materials in the manufacturer's products or packages that are sold or otherwise distributed in the state for at least five years.

A person required to retain records under this subdivision shall allow access to the records by the commissioner of the department of revenue or the commissioner's designee.

Subd. 3. [FEE IMPOSED.] A registration fee is imposed on the registration of the product. The fee is \$150, for a manufacturer or importer other than a retailer that is a small business or any other small business, for any amount of each priority toxic contained in the product line sold in Minnesota for the calendar year; plus 50 cents per pound of each priority toxic contained in the product line up to 100 pounds and 75 cents per pound for 100 pounds or more. A retailer that is a small business or any other small business that registers a product line sold by that retailer or small business may choose to pay:

(1) \$10 for any amount of each priority toxic contained in a product line sold by the retailer or small business during the calendar year; plus 50 cents per pound of each priority toxic contained in the product line up to 100 pounds and 75 cents per pound for 100 pounds or more; or

(2) \$25 for any amount of a priority toxic contained in a product line sold by the retailer or small business during the calendar year. The fee shall be paid by the manufacturer or importer of the product registering the product and as provided in this section.

Subd. 4. [EXEMPTIONS.] Any product containing a priority toxic is subject to registration and the fee unless specifically exempted under this section. The following products containing priority toxics are exempt:

(1) articles used for (i) food or drink for humans or animals, (ii) chewing gum, or (iii) components of such an article;

(2) drugs, as defined in United States Code, title 21, section 321(g)(1);

(3) a product that is banned by state or federal law from the solid waste stream and for which there exists an effective separate collection and processing system that receives no ongoing financial assistance from the state or a political subdivision; and

(4) a product for which the manufacturers or importers establish an effective collection and processing system that is separate from the solid waste stream and that receives no ongoing financial assistance from the state or a political subdivision.

The commissioner of the pollution control agency, in consultation with the director of the office of waste management, shall develop and maintain a list of products that qualify for exemption under clauses (3) and (4) and annually submit an updated list to the commissioner of revenue.

Subd. 5. [PAYMENT DATES AND RETURNS.] (a) The manufacturer or importer must make estimated payments of the fee for the calendar year in quarterly installments to the commissioner of revenue by April 15, July 15, October 15, and January 15 of the following calendar year. The manufacturer or importer must file an annual return, reconciling the quarterly estimated payments with the total liability for the calendar year by March 1 of the following calendar year. The estimated payments and annual return must contain the information and be in the form prescribed by the commissioner of revenue.

(b) Estimated payments are not required, if the estimated fee for the calendar year is less than \$500.

(c) If the manufacturer or importer is engaged in business within and without Minnesota, it must determine the amount of its product sales that are made in Minnesota. If necessary, it must estimate the amount of its products sold in Minnesota using a reasonable and reliable method. The estimation method must be documented and provided to the commissioner of revenue upon request.

(d) The commissioner of revenue may pay refunds or allow credits to the manufacturer or importer for overpayments of the fee.

(e) Payment of estimated installments is not subject to the provisions of subdivision 10. Underpayments of estimated installments bear interest from the due date of the payment until paid or the due date of the annual return at the rate specified in section 270.75. Underpayments of estimated installments are, in addition, subject to a penalty equal to the greater of \$50 or ten percent of the underpayment. For purposes of this section, an underpayment of an estimated installment is the difference between the amount paid and the lesser of (1) 90 percent of one-quarter of the fee for the calendar year, or (2) the fee for actual sales made during the quarter. Interest and penalties under subdivision 10 apply to the fee, including any unpaid estimated installments, due with the annual return.

Subd. 6. [DEPOSIT OF RECEIPTS.] The commissioner of revenue shall deposit the fees paid under this section in the priority toxics management account in the environmental fund in the state treasury.

Subd. 7. [REGISTRATION LIST.] The commissioner shall make

available to the public a list of products that have been registered under this section.

Subd. 8. [REMOVAL FROM REGISTRATION.] When a registered product no longer contains any priority toxics, the manufacturer may apply to the commissioner to remove the product from the registration list. The application must include documentation showing that the product no longer contains any of the substances on the applicable priority toxics list. The commissioner shall remove a product from the registration list when the commissioner determines that it no longer contains any priority toxics.

Subd. 9. [EXCHANGE OF INFORMATION.] Notwithstanding the provisions of section 116.075, the agency may provide the commissioner of revenue with the information necessary for the enforcement of this section. Information disclosed in a return filed under this section is public information. Information exchanged between the commissioner and the agency is public unless the information is of the type determined to be for the confidential use of the agency under section 116.075 or is trade secret information classified under section 13.37. Information obtained in the course of an audit by the department of revenue is private or nonpublic data to the extent that it would not be directly divulged in a return.

Subd. 10. [SALES TAX ENFORCEMENT AND PENALTY PROVISION APPLY.] Except as otherwise specifically provided in this section, the enforcement, collection, interest, and penalty provisions, including criminal penalties, for the general sales tax under chapters 270, 289A, and 297A apply to liability for the fee imposed under this section as if it were a sales tax liability.

In an enforcement action brought by the attorney general, in the name of the state, under this subdivision in which the state prevails, the state may recover reasonable administrative expenses, court costs, and attorney fees incurred to take the enforcement action in an amount to be determined by the court.

Subd. 11. [SALE OF UNREGISTERED PRODUCTS PROHIBITED.] No product containing priority toxic material that is not registered as required by this section may be sold, at retail, in this state. The provisions of this section do not apply to materials, the first sale of which occurred in Minnesota before July 1, 1992, or to occasional sales, as defined in section 297A.25, subdivision 12. Violation of this subdivision is a gross misdemeanor punishable by imprisonment for up to one year, or a fine of up to \$1,000, or both, for each violation.

(a) For the purposes of adopting rules under this act and for recommending future legislative action, the director of the office, in consultation with the commissioner of the pollution control agency, shall:

(1) identify innovative collection and processing systems for the purpose of increasing the types and amount of packaging that is collected and recycled; and

(2) provide economic guidelines for counties, cities, and towns that indicate when a jurisdiction should add to its recycling program the collection and processing of a specific classification of packaging material.

(b) For the purposes of adopting rules under this act and for recommending future legislative action, the commissioner of the pollution control agency, in consultation with the director of the office of waste management, shall:

(1) establish methods to determine the true costs of processing, disposal, and recycling of packaging and methods for internalizing those costs in the manufacture, sale, and use of products;

(2) identify methods to compensate for existing subsidies that encourage the use of virgin materials for packaging; and

(3) identify the health and environmental consequences of burning and burying packaging materials outside of permitted waste facilities.

## Sec. 2. [ENVIRONMENTAL BURDEN FEE; REPORT.]

By November 1, 1993, the director of the office of waste management, after consultation with the commissioners of revenue and the pollution control agency and other interested parties, shall recommend to the legislative commission on waste management a mechanism for imposition and collection of a fee on packaging that poses significant harmful environmental consequences when it is processed or disposed as solid waste. The fee must be set at a level that will cover the costs of the harmful environmental consequences or the costs of separate management of the waste packaging.

The aforementioned ten-year or five-year limitation period shall be deemed a covenant running with the title to the land against any grantee, assignee, or successor of the pension or investment fund or corporate or limited partnership grantee or assignee or the successor of such pension or investment fund or corporation or limited partnership, corporation, family farm limited liability company, authorized farm limited liability company, or limited partnership. Notwithstanding the five-year divestiture requirement under this clause, a financial institution may continue to own the agricultural land if the agricultural land is leased to the immediately preceding former owner, but must divest of the agricultural land within the ten-year period;

(j) Agricultural land acquired by a corporation regulated under the provisions of Minnesota Statutes 1974, chapter 216B, for purposes described in that chapter or by an electric generation or transmission cooperative for use in its business, provided, however, that such land may not be used for farming except under lease to a family farm unit, a family farm corporation, family farm limited liability company, or a family farm partnership;

(k) Agricultural land, either leased or owned, totaling no more than 2,700 acres, acquired after May 20, 1973, for the purpose of replacing or expanding asparagus growing operations, provided that such corporation had established 2,000 acres of asparagus production;

(l) All agricultural land or land capable of being used for farming which was owned or leased by an authorized farm corporation as defined in Minnesota Statutes 1974, section 500.24, subdivision 1, clause (d), but which does not qualify as an authorized farm corporation as defined in subdivision 2, clause (d);

(m) A corporation formed primarily for religious purposes whose sole income is derived from agriculture;

(n) Agricultural land owned or leased by a corporation prior to August 1, 1975, which was exempted from the restriction of this subdivision under the provisions of Laws 1973, chapter 427, includ-

ing normal expansion of such ownership or leasehold interest to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1975, in any five-year period and the additional ownership reasonably necessary to meet requirements of pollution control rules;

(o) Agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) An interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, or a family farm limited liability company or an authorized farm limited liability company, but limited to the farm on which one or more of those owners or shareholders, or limited liability company members have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) Agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. This exemption is available until July 1, 1995;

(r) The acreage of agricultural land and land capable of being used for farming owned and recorded by an authorized farm corporation as defined in Minnesota Statutes 1986, section 500.24, subdivision 2, paragraph (d), or a limited partnership as of May 1, 1988, including the normal expansion of the ownership at a rate not to exceed 20 percent of the land owned and recorded as of May 1, 1988, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(s) Agricultural land owned or leased as a necessary part of an aquatic farm as defined in section 17.47, subdivision 3.

Sec. 34. Minnesota Statutes 1990, section 500.24, subdivision 3a, is amended to read:

Subd. 3a. [LEASE AGREEMENT; CONSERVATION PRACTICE PROTECTION CLAUSE.] A corporation, limited liability company, pension or investment fund, or limited partnership, other than a

family farm corporation, an authorized farm corporation, a family farm limited liability company, an authorized farm limited liability company, a family farm partnership, or an authorized farm partnership, when leasing farm land to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm limited liability company, an authorized farm limited liability company, a family farm partnership, or an authorized farm partnership under provisions of subdivision 3, clause (i), must include within the lease agreement a provision prohibiting intentional damage or destruction to a conservation practice on the agricultural land.

Sec. 35. Minnesota Statutes 1990, section 500.24, subdivision 3b, is amended to read:

Subd. 3b. [PROTECTION OF CONSERVATION PRACTICES.] If a corporation, limited liability company, pension or investment fund, or limited partnership, other than a family farm corporation, an authorized farm corporation, a family farm limited liability company, an authorized farm limited liability company, a family farm partnership, or authorized farm partnership, during the period of time it holds agricultural land under subdivision 3, clause (i), intentionally destroys a conservation practice as defined in section 103F.401, subdivision 3, to which the state has made a financial contribution, the corporation, limited liability company, pension or investment fund, or limited partnership must pay the commissioner of agriculture, for deposit in the general fund, an amount equal to the state's total contributions to that conservation practice plus interest from the time of investment in the conservation practice. Interest must be calculated at an annual percentage rate of 12 percent.

Sec. 36. Minnesota Statutes 1990, section 500.24, subdivision 4, is amended to read:

Subd. 4. [REPORTS.] (a) The chief executive officer of every pension or investment fund, corporation, limited liability company, or limited partnership, except a family farm corporation, family farm limited liability company, or a family farm limited partnership, that holds any interest in agricultural land or land used for the breeding, feeding, pasturing, growing, or raising of livestock, dairy or poultry, or products thereof, or land used for the production of agricultural crops or fruit or other horticultural products, other than a bona fide encumbrance taken for purposes of security, or which is engaged in farming or proposing to commence farming in this state after May 20, 1973, shall file with the commissioner of agriculture a report containing the following information and documents:

(1) the name of the pension or investment fund, corporation, limited liability company, or limited partnership and its place of incorporation, organization, certification, or registration;

(2) the address of the pension or investment plan headquarters or of the registered office of the corporation or limited liability company in this state, the name and address of its registered agent in this state and, in the case of a foreign corporation, foreign limited liability company, or limited partnership, the address of its principal office in its place of incorporation, organization, certification, or registration;

(3) the acreage and location listed by quarter-quarter section, township and county of each lot or parcel of land in this state owned or leased by the pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company and used for the growing of crops or the keeping or feeding of poultry or livestock;

(4) the names and addresses of the officers, administrators, directors or trustees of the pension or investment fund, or of the officers, shareholders owning more than ten percent of the stock, including the percent of stock owned by each such shareholder, and the members of the board of directors of the corporation, or of the managers, members owning more than ten percent of the voting power, including the percent of voting power owned by each member, and the members of the board of governors of the limited liability company, and the general and limited partners and the percentage of interest in the partnership by each partner;

(5) the farm products which the pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company produces or intends to produce on its agricultural land;

(6) with the first report, a copy of the title to the property where the farming operations are or will occur indicating the particular exception claimed under subdivision 3, clauses (a) to (r); and

(7) with the first or second report, a copy of the conservation plan proposed by the soil and water conservation district, and with subsequent reports a statement of whether the conservation plan was implemented.

The report of a ~~corporation~~ an entity seeking to qualify hereunder as a family farm corporation, an authorized farm corporation, a family farm limited liability company, an authorized farm limited liability company, a family farm partnership, or authorized farm partnership shall contain the following additional information: the number of shares, limited liability company membership interests, or the partnership interests owned by persons residing on the farm or actively engaged in farming, or their relatives within the third degree of kindred according to the rules of the civil law or their spouses; the name, address, and number of shares owned by each shareholder, membership interests owned by each limited liability company member, or partnership interests owned by each partner; and a statement as to percentage of gross receipts of the ~~corporation~~

entity derived from rent, royalties, dividends, interest, and annuities. No pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company shall commence farming in this state until the commissioner of agriculture has inspected the report and certified that its proposed operations comply with the provisions of this section.

(b) Every pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company as described in clause (a) shall, prior to April 15 of each year, file with the commissioner of agriculture a report containing the information required in clause (a), based on its operations in the preceding calendar year and its status at the end of the year. A pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company that does not file the report by April 15 must pay a \$500 civil penalty. The penalty is a lien on the land being farmed under subdivision 3 until the penalty is paid.

(c) The commissioner or the commissioner's authorized representative may enter into a written agreement with a person required to file a report under this subdivision who, for good cause shown, has failed to make a timely filing. An agreement must be construed as a "no contest" pleading and may encompass a reduction or waiver of the civil penalty for late filing. The agreement is final and conclusive with respect to the civil penalty, except upon a showing of fraud or malfeasance or misrepresentation of a material fact. The matter agreed upon in the agreement may not be reopened or modified by an officer, employee, or agent of the state. The report required under paragraph (b) must be completed prior to a reduction or waiver under this paragraph. The commissioner may enter into an agreement under this paragraph only once for each person required to file under this subdivision. The commissioner may enter into an agreement under this paragraph only once for each corporation or partnership.

(d) Failure to file a required report, or the willful filing of false information, shall constitute a gross misdemeanor.

Sec. 37. Minnesota Statutes 1990, section 500.24, subdivision 5, is amended to read:

Subd. 5. [ENFORCEMENT.] With reason to believe that a corporation, limited liability company, limited partnership, or pension or investment fund is violating subdivision 3, the attorney general shall commence an action in the district court in which any agricultural lands relative to such violation are situated, or if situated in two or more counties, in any county in which a substantial part of the lands are situated. The attorney general shall file for record with the county recorder or the registrar of titles of each county in which any portion of said lands are located a notice of the pendency of the action as provided in section 557.02. If the court

finds that the lands in question are being held in violation of subdivision 3, it shall enter an order so declaring. The attorney general shall file for record any such order with the county recorder or the registrar of titles of each county in which any portion of said lands are located. Thereafter, the pension or investment fund, limited partnership, ~~or~~ corporation, or limited liability company owning such land shall have a period of five years from the date of such order to divest itself of such lands. The aforementioned five-year limitation period shall be deemed a covenant running with the title to the land against any grantee, assignee, or successor of the pension or investment fund, limited partnership, ~~or corporate grantee or assignee or the successor of such pension or investment fund, limited partnership,~~ or corporation, or limited liability company. Any lands not so divested within the time prescribed shall be sold at public sale in the manner prescribed by law for the foreclosure of a mortgage by action. In addition, any prospective or threatened violation may be enjoined by an action brought by the attorney general in the manner provided by law.

Sec. 38. Minnesota Statutes 1991 Supplement, section 500.24, subdivision 6, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] (a) A state or federal agency, limited partnership, limited liability company, or a corporation may not lease or sell agricultural land or a farm homestead before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. The requirements of this subdivision do not apply to a sale or lease by a corporation that is a family farm corporation or an authorized farm corporation, to a lease or sale by a limited liability company that is a family farm limited liability company or an authorized farm limited liability company, or to a sale or lease by the commissioner of agriculture of property acquired by the state under the family farm security program under chapter 41. This subdivision applies only to a sale or lease when the seller or lessor acquired the property by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor. The seller must provide written notice to the immediately preceding former owner that the agricultural land or farm homestead will be offered for sale at least 14 days before the agricultural land or farm homestead is offered for sale.

(b) An immediately preceding former owner is the entity with record legal title to the agricultural land or farm homestead before acquisition by the state or federal agency or corporation or limited

liability company except: if the immediately preceding former owner is a bankruptcy estate, the debtor in bankruptcy is the immediately preceding former owner; and if the agricultural land or farm homestead was acquired by termination of a contract for deed or deed in lieu of termination of a contract for deed, the immediately preceding former owner is the purchaser under the contract for deed. For purposes of this subdivision, only a family farm, family farm corporation, family farm limited liability company, or family farm partnership can be an immediately preceding former owner.

(c) An immediately preceding former owner may elect to purchase or lease the entire property or an agreed to portion of the property. If the immediately preceding former owner elects to purchase or lease a portion of the property, the election must be reported in writing to the seller or lessor prior to the time the property is first offered for sale or lease. If election is made to purchase or lease a portion of the property, the portion must be contiguous and compact so that it does not unreasonably reduce access to or the value of the remaining property.

(d) For purposes of this subdivision, the term "a price no higher than the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds of similar maturity on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that is financed entirely or partially by the seller and includes an offer to purchase under a contract for deed or mortgage. An equivalent cash offer is not required to be made if the state participates in an offer to a third party through the rural finance authority.

(e) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for the time period specified in subdivision 3, paragraph (i), after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold;

(2) an offer to sell to the immediately preceding former owner is required until the property is sold; and

(3) if the immediately preceding former owner elects to lease or purchase a portion of the property, this subdivision does not apply to the seller with regard to the balance of the property after the election is made under paragraph (c).

(f) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.

(g) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for the time period specified in subdivision 3, paragraph (i).

(h) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(i) The immediately preceding former owner must exercise the right to lease all or a portion of the agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. If election is made to lease only the homestead or a portion of the agricultural land, the portion to be leased must be clearly identified in writing. The immediately preceding former owner must exercise the right to buy the agricultural land, a portion of the agricultural land, or a farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(j) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(k) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, limited liability company, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

(l) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by:

(1) an express statement in a deed in lieu of foreclosure of the agricultural land;

(2) an express statement in a deed in lieu of a termination of a contract for deed for the agricultural land;

(3) an express statement conveying the right to the state or federal agency, limited liability company, or corporation owning the agricultural land that is required to make an offer under this subdivision; however, the preceding former owner may rescind the conveyance by notifying the state or federal agency, limited liability company, or corporation in writing within 20 calendar days after signing the express statement;

(4) to cure a title defect, an express statement conveying the right

may be made to a person to whom the agricultural land has been transferred by the state or federal agency, limited liability company, or corporation; or

(5) an express statement conveying the right to a contract for deed vendee to whom the agricultural land or farm homestead was sold under a contract for deed by the immediately preceding former owner if the express statement and the contract for deed are recorded.

(m) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred except as provided in paragraph (l), but may be inherited.

(n) An immediately preceding former owner, except a former owner who is actively engaged in farming as defined in subdivision 2, paragraph (a), and who agrees to remain actively engaged in farming on a portion of the agricultural land or farm homestead for at least one year after accepting an offer under this subdivision, may not sell agricultural land acquired by accepting an offer under this subdivision if the arrangement of the sale was negotiated or agreed to prior to the former owner accepting the offer under this subdivision. A person who sells property in violation of this paragraph is liable for damages plus reasonable attorney fees to a person who is damaged by a sale in violation of this paragraph. There is a rebuttable presumption that a sale by an immediately preceding former owner is in violation of this paragraph if the sale takes place within 270 days of the former owner accepting the offer under this subdivision. This paragraph does not apply to a sale by an immediately preceding former owner to the owner's spouse, the owner's parents, the owner's sisters and brothers, the owner's spouse's sisters and brothers, or the owner's children.

Sec. 39. Minnesota Statutes 1990, section 500.24, subdivision 7, is amended to read:

**REPORTS OF STANDING COMMITTEES**

Skoglund from the Committee on Financial Institutions and Insurance to which was referred:

H. F. No. 1791, A bill for an act relating to insurance; Minnesota comprehensive health association; increasing the maximum lifetime benefit amounts of certain state plan coverages; extending the effective date of the authorization of use of experimental delivery methods; amending Minnesota Statutes 1991 Supplement, sections 62E.10, subdivision 9; and 62E.12.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"ARTICLE 1

Section 1. Minnesota Statutes 1991 Supplement, section 62A.31, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract or other evidence of accident and health insurance the effect or purpose of which is to supplement Medicare coverage issued or delivered in this state or offered to a resident of this state shall be sold or issued to an individual covered by Medicare unless the following requirements are met:

(a) The policy must provide a minimum of the coverage set out in subdivision 2; and section 62E.07.

(b) The policy must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage;.

(c) The policy must contain a provision that the plan will not be canceled or nonrenewed on the grounds of the deterioration of health of the insured;.

(d) Before the policy is sold or issued, an offer of both categories of Medicare supplement insurance has been made to the individual, together with an explanation of both coverages;.

(e) An outline of coverage as provided in section 62A.39 must be delivered at the time of application and prior to payment of any premium;.

(f)(1) The policy must provide that benefits and premiums under the policy shall be suspended at the request of the policyholder for the period, not to exceed 24 months, in which the policyholder has applied for and is determined to be entitled to medical assistance under title XIX of the Social Security Act, but only if the policyholder notifies the issuer of the policy within 90 days after the date the individual becomes entitled to this assistance;

(2) if suspension occurs and if the policyholder or certificate holder loses entitlement to this medical assistance, the policy shall be automatically reinstated, effective as of the date of termination of this entitlement, if the policyholder provides notice of loss of the entitlement within 90 days after the date of the loss;

(3) the policy must provide that upon reinstatement (i) there is no additional waiting period with respect to treatment of preexisting conditions, (ii) coverage is provided which is substantially equivalent to coverage in effect before the date of the suspension, and (iii) premiums are classified on terms that are at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had coverage not been suspended;

(g) The written statement required by an application for Medicare supplement insurance pursuant to section 62A.43, subdivision 1, shall be made on a form, approved by the commissioner, that states that counseling services may be available in the state to provide advice concerning the purchase of Medicare supplement policies and enrollment under the Medicaid program;

(h) No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B;

(i) If a Medicare supplement policy replaces another Medicare supplement policy, the issuer of the replacing policy shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, and probationary periods in the new Medicare supplement policy for ~~similar~~ benefits to the extent the time was spent under the original policy;

(j) The policy has been filed with and approved by the department as meeting all the requirements of sections 62A.31 to 62A.44; and,

(k) The policy guarantees renewability.

Only the following standards for renewability may be used in Medicare supplement insurance policy forms.

No issuer of Medicare supplement insurance policies may cancel or nonrenew a Medicare supplement policy or certificate for any reason other than nonpayment of premium or material misrepresentation.

If a group Medicare supplement insurance policy is terminated by the group policyholder and is not replaced as provided in this clause, the issuer shall offer certificate holders an individual Medicare supplement policy which, at the option of the certificate holder, provides for continuation of the benefits contained in the group policy; or provides for such benefits and benefit packages as otherwise meet the requirements of this clause.

If an individual is a certificate holder in a group Medicare supplement insurance policy and the individual terminates membership in the group, the issuer of the policy shall offer the certificate holder the conversion opportunities described in this clause; or offer the certificate holder continuation of coverage under the group policy.

(l) A Medicare supplement policy or certificate shall not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(m) A Medicare supplement policy or certificate shall provide that benefits designed to cover cost sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible amount and copayment percentage factors. Premiums may be modified to correspond with the changes.

As soon as practicable, but no later than 30 days prior to the annual effective date of any Medicare benefit changes, an issuer shall notify its policyholders and certificate holders of modifications it has made to Medicare supplement insurance policies or certificates in a format acceptable to the commissioner. Such notice shall:

(1) include a description of revisions to the Medicare program and a description of each modification made to the coverage provided under the Medicare supplement policy or certificate; and

(2) inform each policyholder or certificate holder as to when any premium adjustment is to be made, due to changes in Medicare.

The notice of benefit modifications and any premium adjustments must be in outline form and in clear and simple terms so as to facilitate comprehension.

The notices must not contain or be accompanied by any solicitation.

(n) Termination by an issuer of a Medicare supplement policy or certificate shall be without prejudice to any continuous loss that began while the policy or certificate was in force, but the extension of benefits beyond the period during which the policy or certificate was in force may be conditioned on the continuous total disability of the insured, limited to the duration of the policy or certificate benefit period, if any, or payment of the maximum benefits. The extension of benefits does not apply when the termination is based on fraud, misrepresentation, or nonpayment of premium. An issuer may discontinue the availability of a policy form or certificate form if the issuer provides to the commissioner in writing its decision at least 30 days before discontinuing the availability of the form of the policy or certificate. An issuer that discontinues the availability of a policy form or certificate shall not file for approval a new policy form or certificate form of the same type for the same Medicare supplement benefit plan as the discontinued form for five years after the issuer provides notice to the commissioner of the discontinuance. The period of discontinuance may be reduced if the commissioner determines that a shorter period is appropriate. The sale or other transfer of Medicare supplement business to another issuer shall be considered a discontinuance for the purposes of this section. A change in the rating structure or methodology shall be considered a discontinuance under this section unless the issuer complies with the following requirements:

(1) the issuer provides an actuarial memorandum, in a form and manner prescribed by the commissioner, describing the manner in which the revised rating methodology and resulting rates differ from the existing rating methodology and resulting rates; and

(2) the issuer does not subsequently put into effect a change of rates or rating factors that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The commissioner may approve a change to the differential that is in the public interest.

(o)(1) Except as provided in clause (2), the Minnesota experience of all policy forms or certificate forms of the same type in a standard Medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in section 62A.36;

(2) forms assumed under an assumption reinsurance agreement shall not be combined with the Minnesota experience of other forms for purposes of the refund or credit calculation.

(p) Medicare supplement policies and certificates shall include a renewal or continuation provision. The language or specifications of the provision shall be consistent with the type of contract issued. The provision shall be appropriately captioned and shall appear on the first page of the policy or certificate, and shall include any reservation by the issuer of the right to change premiums and any automatic renewal premium increases based on the policyholder's age. Except for riders or endorsements by which the issuer effectuates a request made in writing by the insured, exercises a specifically reserved right under a Medicare supplement policy or certificate, or is required to reduce or eliminate benefits to avoid duplication of Medicare benefits, all riders or endorsements added to a Medicare supplement policy or certificate after the date of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the policy or certificate shall require a signed acceptance by the insured. After the date of policy or certificate issue, a rider or endorsement that increases benefits or coverage with a concomitant increase in premium during the policy or certificate term shall be agreed to in writing and signed by the insured, unless the benefits are required by the minimum standards for Medicare supplement policies or if the increased benefits or coverage is required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, the premium charge shall be set forth in the policy, declaration page, or certificate. If a Medicare supplement policy or certificate contains limitations with respect to preexisting conditions, the limitations shall appear as a separate paragraph of the policy or certificate and be labeled as "preexisting condition limitations."

Issuers of accident and sickness policies or certificates that provide hospital or medical expense coverage on an expense incurred or indemnity basis, other than incidentally, to a person eligible for Medicare by reason of age shall provide to such applicants a Medicare Supplement Buyer's Guide in the form developed by the Health Care Financing Administration and in a type size no smaller than 12-point type. Delivery of the Buyer's Guide must be made whether or not such policies or certificates are advertised, solicited, or issued as Medicare supplement policies or certificates as defined in this section. Except in the case of direct response issuers, delivery of the Buyer's Guide must be made to the applicant at the time of application, and acknowledgment of receipt of the Buyer's Guide must be obtained by the issuer. Direct response issuers shall deliver the Buyer's Guide to the applicant upon request, but no later than the time at which the policy is delivered.

(q)(1) An issuer, directly or through its producers, shall:

(i) establish marketing procedures to assure that a comparison of policies by its agents or other producers will be fair and accurate;

(ii) establish marketing procedures to ensure that excessive insurance is not sold or issued;

(iii) establish marketing procedures that set forth a mechanism or formula for determining whether a replacement policy or certificate contains benefits clearly and substantially greater than the benefits under the replaced policy or certificate;

(iv) display prominently by type or other appropriate means, on the first page of the policy or certificate, the following:

“Notice to buyer: This policy or certificate may not cover all of your medical expenses”;

(v) inquire and otherwise make every reasonable effort to identify whether a prospective applicant or enrollee for Medicare supplement insurance already has accident and sickness insurance and the types and amounts of the insurance;

(vi) establish auditable procedures for verifying compliance with this paragraph;

(2) in addition to the practices prohibited in chapter 72A, the following acts and practices are prohibited:

(i) knowingly making any misleading representation or incomplete or fraudulent comparison of any insurance policies or issuers for the purpose of inducing, or tending to induce, any person to lapse, forfeit, surrender, terminate, retain, pledge, assign, borrow on, or convert any insurance policy or to take out a policy of insurance with another insurer;

(ii) employing any method of marketing having the effect of or tending to induce the purchase of insurance through force, fright, threat, whether explicit or implied, or undue pressure to purchase or recommend the purchase of insurance;

(iii) making use directly or indirectly of any method of marketing which fails to disclose in a conspicuous manner that a purpose of the method of marketing is solicitation of insurance and that contact will be made by an insurance agent or insurance company;

(3) the terms “Medicare supplement,” “medigap,” and words of similar import shall not be used unless the policy or certificate is issued in compliance with this subdivision.

(r) Each health maintenance organization, health service plan corporation, insurer, or fraternal benefit society that sells coverage that supplements Medicare coverage shall establish a separate community rate for that coverage. Beginning January 1, 1993, no

coverage that supplements Medicare or that is governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., may be offered, issued, sold, or renewed to a Minnesota resident, except at the community rate required by this paragraph.

(6) providing to the secretary of health and human services, at least annually, a central mailing address to which all claims may be sent by Medicare carriers.

(b) Compliance with the requirements in paragraph (a) shall be certified on the Medicare supplement insurance experience reporting form.

Sec. 7. [62A.319] [REPORTING OF MULTIPLE POLICIES.]

Subdivision 1. [ANNUAL REPORT.] On or before March 1 of each year, an issuer shall report the following information for every individual resident of this state for which the issuer has in force more than one Medicare supplement policy or certificate:

(1) the policy and certificate number; and

(2) the date of issuance.

Subd. 2. [NAIC REPORT FORMS.] The items in subdivision 1 must be grouped by individual policyholder and be on the National Association of Insurance Commissioners Reporting Medicare Supplement Policies form.

Sec. 8. Minnesota Statutes 1990, section 62A.36, subdivision 1, is amended to read:

Subdivision 1. [MINIMUM LOSS RATIOS RATIO STANDARDS.] Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, (a) A Medicare supplement policies policy form or certificate form shall not be required delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to Minnesota policyholders and certificate holders in the form of aggregate benefits under the policy, for each year excluding the year of issuance and the first year thereafter, on the basis of incurred claims experience and earned premiums in Minnesota and in accordance with accepted actuarial principles and practices, not including anticipated refunds or credits, provided under the policy form or certificate form:

(a) (1) at least 75 percent of the aggregate amount of premiums collected earned in the case of group policies, and

(b) (2) at least 65 percent of the aggregate amount of premiums collected earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and prac-

tices. An insurer shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage.

All filings of rates and rating schedules shall demonstrate that actual expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy or certificate shall equal or exceed the appropriate loss ratio standards.

(b) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the National Association of Insurance Commissioners Medicare Supplement Refund Calculating form, for each type of Medicare supplement benefit plan.

If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation must be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary of health and human services, but in no event shall it be less than the average rate of interest for 13-week treasury bills. A refund or credit against premiums due shall be made by September 30 following the experience year on which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy or certificate duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies or certificates in force less than three years.

As soon as practicable, but before the effective date of enhance-

ments in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1) a premium adjustment that is necessary to produce an expected loss ratio under the policy or certificate that will conform with minimum loss ratio standards for Medicare supplement policies or certificates. No premium adjustment that would modify the loss ratio experience under the policy or certificate other than the adjustments described herein shall be made with respect to a policy or certificate at any time other than on its renewal date or anniversary date;

(2) if an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section;

(3) any appropriate riders, endorsements, or policy or certificate forms needed to accomplish the Medicare supplement insurance policy or certificate modifications necessary to eliminate benefit duplications with Medicare. The riders, endorsements, or policy or certificate forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) The commissioner may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of a refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

Sec. 9. Minnesota Statutes 1990, section 62A.38, is amended to read:

For purposes of this section, "compensation" includes pecuniary or nonpecuniary remuneration of any kind relating to the sale or renewal of the policy or certificate, including but not limited to bonuses, gifts, prizes, awards, and finder's fees.

(2) List policies sold in the past five years that are no longer in force.

(c) In the case of a direct response issuer, a copy of the application or supplemental form, signed by the applicant, and acknowledged by the insurer, shall be returned to the applicant by the insurer on delivery of the policy or certificate.

(d) Upon determining that a sale will involve replacement of Medicare supplement coverage, any issuer, other than a direct response issuer, or its agent, shall furnish the applicant, before issuance or delivery of the Medicare supplement policy or certificate, a notice regarding replacement of Medicare supplement coverage. One copy of the notice signed by the applicant and the agent, except where the coverage is sold without an agent, shall be provided to the applicant and an additional signed copy shall be retained by the issuer. A direct response issuer shall deliver to the applicant at the time of the issuance of the policy or certificate the notice regarding replacement of Medicare supplement coverage.

(e) The notice required by paragraph (d) for an issuer shall be provided in substantially the following form in no less than 12-point type:

“NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE

[Insurance company’s name and address]

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to [your application] [information you have furnished], you intend to terminate existing Medicare supplement insurance and replace it with a policy or certificate to be issued by [Company Name] Insurance Company. Your new policy or certificate will provide 30 days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. Terminate your present policy only if, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision.

STATEMENT TO APPLICANT BY ISSUER, AGENT, [BROKER OR OTHER REPRESENTATIVE]: I have reviewed your current medical or health insurance coverage. The replacement of insurance involved in this transaction does not duplicate coverage, to the best of my knowledge. The replacement policy or certificate is being purchased for the following reason(s) (check one):

- \_\_\_\_\_ Additional benefits
- \_\_\_\_\_ No change in benefits, but lower premiums
- \_\_\_\_\_ Fewer benefits and lower premiums
- \_\_\_\_\_ Other (please specify)
- \_\_\_\_\_
- \_\_\_\_\_

(1) Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under

the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.

(2) State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent the time was spent (depleted) under the original policy or certificate.

(3) If you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. [If the policy or certificate is guaranteed issue, this paragraph need not appear.]

Do not cancel your present policy or certificate until you have received your new policy or certificate and are you sure that you want to keep it.

62E.07 [QUALIFIED MEDICARE SUPPLEMENT PLAN.]

Any plan which provides benefits to persons over the age of 65 years may be certified as a qualified Medicare supplement plan if the plan is designed to supplement Medicare and provides coverage of 100 percent of the deductibles required under Medicare and 80 percent of the charges for covered services described in section 62E.06, subdivision 1, which charges are not paid by Medicare. The coverage shall include a limitation of \$1,000 per person on total annual out-of-pocket expenses for the covered services. ~~The coverage may be subject to a maximum lifetime benefit of not less than \$500,000.~~

Subd. 9. [EXPERIMENTAL DELIVERY METHOD.] The association may petition the commissioner of commerce for a waiver to allow the experimental use of alternative means of health care delivery. The commissioner may approve the use of the alternative means the commissioner considers appropriate. The commissioner may waive any of the requirements of this chapter and chapters 60A, 62A, and 62D in granting the waiver. The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, including the power to implement a provider payment schedule.

62E.12 [MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.]

The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan, and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be \$1,000,000, and

basic and an extended basic plan and a basic Medicare supplement plans plan as described in sections 62A.31 to 62A.44 and 62E.07. The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15. They shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier. Notwithstanding the provisions of section 62E.06 the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

Sec. 17. [FEDERAL CHANGES.]

If the federal government requires additions or changes for compliance with any provisions of this act that are required by the federal Omnibus Budget Reconciliation Act of 1990, Public Law Number 101-508, the commissioner may by order make those additions or changes. Before issuing an order, the commissioner shall notify the appropriate policy committees of the legislature of the additions or changes.

Sec. 18. [EFFECTIVE DATE.]

An updated list of network providers shall be filed with the commissioner at least quarterly.

If the issuer does not have available for sale a policy or certificate without restrictive network provisions, the issuer shall provide enrollment information for the Minnesota comprehensive health association Medicare supplement plans.

(2) For the purposes of this paragraph, a Medicare supplement policy or certificate will be considered to have comparable or lesser benefits unless it contains one or more significant benefits not included in the Medicare select policy or certificate being replaced. For the purposes of this paragraph, a significant benefit means coverage for the Medicare part A deductible, coverage for prescription drugs, coverage for at-home recovery services, or coverage for part B excess charges.

**COMPUTATION AND ENFORCEMENT OF SUPPORT**

**Section 1. [16B.091] [CONTRACTS; COMPLIANCE WITH CHILD SUPPORT ORDERS.]**

A state agency may not enter into, extend, or renew a contract with an individual unless the individual submits a verified statement that the individual is not under a court-ordered obligation to pay child support or that the individual is in good standing with respect to a court-ordered child support obligation. For purposes of this section, an individual is in good standing if:

(1) no arrearages are owed with respect to a child support obligation;

(2) the individual has a motion pending with respect to modification of child support and liability for arrearages; or

(3) the individual is complying with a court-ordered repayment plan for arrearages.

Sec. 2. Minnesota Statutes 1991 Supplement, section 214.101, subdivision 1, is amended to read:

**Subdivision 1. [COURT ORDER; HEARING ON SUSPENSION.]**

(a) For purposes of this section, “licensing board” means a licensing board or other state agency that issues an occupational license.

(b) If a licensing board receives an order from a court under section 518.551, subdivision 12, dealing with suspension of a license of a person found by the court to be in arrears in child support payments, the board shall, within 30 days of receipt of the court order, provide notice to the licensee and hold a hearing. If the board finds that the person is licensed by the board and evidence of full payment of arrearages found to be due by the court is not presented at the hearing, the board shall suspend the license unless it determines that probation is appropriate under subdivision 2. The only issues to be determined by the board are whether the person named in the court order is a licensee, whether the arrearages have been paid, and whether suspension or probation is appropriate. The board may not consider evidence with respect to the appropriateness of the court order or the ability of the person to comply with the order. The board may not lift the suspension until the licensee files

with the board proof showing that the licensee is current in child support payments.

Sec. 3. Minnesota Statutes 1990, section 257.67, subdivision 3, is amended to read:

Subd. 3. Willful failure to obey the judgment or order of the court is a civil contempt of the court. All remedies for the enforcement of judgments apply including those available under chapters 518 and 518C and sections 518C.01 to 518C.36 and 256.871 to 256.878.

Sec. 4. Minnesota Statutes 1990, section 518.14, is amended to read:

**518.14 [COSTS AND DISBURSEMENTS AND ATTORNEY FEES.]**

In a proceeding under this chapter, the court shall award attorney fees, costs, and disbursements in an amount necessary to enable a party to carry on or contest the proceeding, provided it finds:

- (1) that the fees are necessary for the good-faith assertion of the party's rights in the proceeding and will not contribute unnecessarily to the length and expense of the proceeding;
- (2) that the party from whom fees, costs, and disbursements are sought has the means to pay them; and
- (3) that the party to whom fees, costs, and disbursements are awarded does not have the means to pay them.

Nothing in this section precludes the court from awarding, in its discretion, additional fees, costs, and disbursements against a party who unreasonably contributes to the length or expense of the proceeding. Fees, costs, and disbursements provided for in this section may be awarded at any point in the proceeding, including a modification proceeding under section 518.64. The court may adjudge costs and disbursements against either party. The court may authorize the collection of money awarded by execution, or out of property sequestered, or in any other manner within the power of the court. An award of attorney's fees made by the court during the pendency of the proceeding or in the final judgment survives the proceeding and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought in the attorney's own name. If the proceeding is dismissed or abandoned prior to determination and award of attorney's fees, the court may nevertheless award attorney's fees upon the attorney's motion. The award shall also survive the proceeding and may be enforced in the same manner as last above provided.

Sec. 5. Minnesota Statutes 1990, section 518.171, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] Unless the obligee has comparable or The court shall order the parent who has better group dependent health insurance coverage available at a more reasonable cost, the court shall order the obligor, after considering cost, to name the minor child as beneficiary on any health and dental insurance plan that is available to the obligor parent on a group basis or through an employer or union. If only one parent has such coverage available, the court shall order that parent to name the minor child as beneficiary. "Health insurance coverage" as used in this section does not include medical assistance provided under chapter 256, 256B, or 256D.

If the court finds that dependent health or dental insurance is not available to the obligor either parent on a group basis or through an employer or union, or that the group insurer is not accessible to the obligee custodial parent, the court may require the obligor either parent to obtain dependent health or dental insurance, or to be liable for reasonable and necessary medical or dental expenses of the child.

If the court finds that the dependent health or dental insurance required to be obtained by the obligor does not pay all the reasonable and necessary medical or dental expenses of the child, or that the dependent health or dental insurance available to the obligee does not pay all the reasonable and necessary medical or dental expenses of the child, and the court finds that the obligor has the financial ability to contribute to the payment of these medical or dental expenses, the court shall require the obligor to be liable for all or a portion of the medical or dental expenses of the child not covered by the required health or dental plan. If the court awards child support in the guidelines amount, the parents shall contribute equally to the cost of the premium for the child and the cost of medical or dental expenses of the child not covered by health or dental insurance. If the court awards child support in a lesser amount, the court shall allocate the cost of the premium for the child and the cost of any medical or dental expenses of the child not covered by health or dental insurance to each parent in proportion to the parent's share, after the transfer of child support, of the total combined net incomes of the parents.

Sec. 6. Minnesota Statutes 1990, section 518.171, subdivision 3, is amended to read:

Subd. 3. [IMPLEMENTATION.] (a) Upon the entry of an order for insurance coverage under this section, the court shall mail a copy of the court order for insurance coverage shall be forwarded to the obligor's employer or union by the obligee or the public authority

responsible for support enforcement only when ordered by the court or when the following conditions are met:

(1) the obligor fails to provide written proof to the obligee or the public authority, within 30 days of receiving effective notice of the court order, that the insurance has been obtained or that application for insurability has been made;

(2) the obligee or the public authority serves written notice of its intent to enforce medical support on the obligor by mail at the obligor's last known post office address; and

(3) the obligor fails within 15 days after the mailing of the notice to provide written proof to the obligee or the public authority that the insurance coverage existed as of the date of mailing of the parent who is responsible for the insurance coverage, if insurance is available to the parent on a group basis. The employer or union shall forward a copy of the order to the health and dental insurance plan offered by the employer.

Sec. 7. Minnesota Statutes 1990, section 518.171, subdivision 4, is amended to read:

Subd. 4. [EFFECT OF ORDER.] The order is binding on the employer or union and the health and dental insurance plan when service under subdivision 3 has been made. Upon receipt of the order, or upon application of the obligor pursuant to the order, the employer or union and its health and dental insurance plan shall enroll the minor child as a beneficiary in the group insurance plan and withhold any required premium from the obligor's income or wages. If more than one plan is offered by the employer or union, the child shall be enrolled in the insurance plan in which the obligor is enrolled or the least costly plan otherwise available to the obligor that is comparable to a number two qualified plan. An employer or union that fails to comply with the order for 30 or more days is subject to contempt of court. Failure of the obligor to execute any documents necessary to enroll the dependent in the group health and dental insurance plan will not affect the obligation of the employer or union and group health and dental insurance plan to enroll the dependent in a plan for which other eligibility requirements are met. Information and authorization provided by the public authority responsible for child support enforcement, or by the custodial parent or guardian, is valid for the purposes of meeting enrollment requirements of the health plan. The insurance coverage for a child eligible under subdivision 5 shall not be terminated except as authorized in subdivision 5.

Sec. 8. Minnesota Statutes 1990, section 518.171, subdivision 6, is amended to read:

Subd. 6. [INSURER REIMBURSEMENT; CORRESPONDENCE

AND NOTICE.] (a) The signature of the custodial parent of the insured dependent is a valid authorization to the insurer for purposes of processing an insurance reimbursement payment to the provider of the medical services. If a parent makes a payment for medical services for which reimbursement is required, the insurer shall pay the reimbursement directly to the parent who made the payment.

(b) The insurer shall send copies of all correspondence regarding the insurance coverage to both parents. When an order for dependent insurance coverage is in effect and the obligor's employment is terminated, or the insurance coverage is terminated, the insurer shall notify the obligee within ten days of the termination date with notice of conversion privileges.

Sec. 9. [518.173] [CHILD CARE EXPENSES.]

If, at the time a child support order is entered, joint physical custody of the child is not ordered and the party who has physical custody has work-related child care expenses, the court shall allocate the cost of work-related child care to each parent in proportion to each parent's share, after the transfer of child support, of the total combined net incomes of the parents.

Sec. 10. Minnesota Statutes 1990, section 518.175, subdivision 1, is amended to read:

In particular, the court shall consider the need of each child to spend time alone with each parent. If the court finds, after a hearing, that visitation is likely to endanger the any child's physical or emotional health or impair the any child's emotional development, the court shall restrict visitation by the noncustodial parent with that child as to time, place, duration, or supervision and may deny visitation entirely, as the circumstances warrant. The court shall consider the age of the each child and the each child's relationship with the noncustodial parent prior to the commencement of the proceeding. A parent's failure to pay support because of the parent's inability to do so shall not be sufficient cause for denial of visitation.

After receipt of the notice, the court shall set child support as provided in this subdivision. In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in paragraph (b) and any departure therefrom. The court may also

order the obligor to pay child support in the form of a percentage share of the obligor's net bonuses, commissions, or other forms of compensation, in addition to, or if the obligor receives no base pay in lieu of, an order for a specific dollar amount.

“Net income” does not include:

(1) the income of the obligor’s spouse, but does include in-kind payments received by the obligor in the course of employment, self-employment, or operation of a business if the payments reduce the obligor’s living expenses; or

(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:

(i) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and

(ii) the party demonstrates, and the court finds, that:

(A) the excess employment began after the filing of the petition for dissolution;

(B) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(C) the excess employment is voluntary and not a condition of employment;

(D) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(E) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph ~~(a)~~ (b), clause (2)(ii);

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;

~~(4) the amount of the aid to families with dependent children grant for the child or children;~~

~~(5)~~ which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it; and

~~(6)~~ (5) the parents' debts as provided in paragraph ~~(e)~~ (d); and

(6) existing or anticipated extraordinary medical expenses of the child.

~~(e)~~ (d) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

(d) (e) Any schedule prepared under paragraph (e) (d); clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

(e) (f) Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration; after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

(f) (g) If payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(g) (h) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(h) (i) The guidelines in this subdivision are a rebuttable presumption and shall be used in all cases when establishing or modifying child support. If the court does not deviate from the guidelines, the court shall make written findings concerning the amount of the obligor's income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the determination of child support. If the court deviates from the guidelines, the court shall make written findings giving the reasons for the deviation and shall specifically address the criteria in paragraph (b) (c) and how the deviation serves the best interest of the child. The provisions of this paragraph apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court shall review stipulations presented to it for conformity to the guidelines and the court is not required to conduct a hearing, but the parties shall provide the documentation of earnings required under subdivision 5b.

(i) (j) Under no circumstances shall the fact that the obligee receives public assistance be grounds for the court to depart downward from the applicable child support amount calculated under paragraph (b).

## Sec. 2. [325F.791] [SALES OF DOGS AND CATS.]

Subdivision 1. [DISCLOSURE.] Every pet dealer shall deliver to each retail purchaser of an animal written disclosure as follows:

If these documents are not received from the pet dealer, the purchaser may retain the animal and receive a refund of 50 percent of the purchase price, or return the

animal, along with all documentation previously provided, and receive a full refund. The pet dealer shall not be responsible for delays in registration which are the result of persons other than the pet dealer.

Subd. 4. [HEALTH.] No animal may be offered for sale by a broker or pet dealer to a retail purchaser until the animal has been examined by a veterinarian. The veterinarian used by the broker shall not be the same veterinarian used by the pet dealer. In the event an animal dies due to a disease which existed in the animal at the time of delivery to the purchaser, the pet dealer shall provide the purchaser with one of the following remedies selected by the purchaser: receive an animal, of equal value, if available, and reimbursement for reasonable veterinary fees, such reimbursements not to exceed the original purchase price of the animal; or receive a refund of the full purchase price.

The price of veterinary service shall be deemed reasonable if the service is appropriate for the diagnosis and treatment of the health problem and the price of the service is comparable to that of similar service rendered by other veterinarians in proximity to the treating veterinarian.

Subd. 7. [RIGHTS OF PET DEALER.] No refund, replacement, or reimbursement of veterinary fees shall be required if any one or more of the following conditions exist:

(c) The purchaser fails to carry out recommended treatment prescribed by the examining veterinarian, pursuant to subdivision 1, paragraph (b).

Subd. 8. [CONTEST.] (a) In the event that a pet dealer wishes to contest a demand for the relief specified in subdivision 3 or 6, the pet dealer may require the purchaser to produce the animal for examination or autopsy by a veterinarian designated by the pet dealer. The pet dealer shall pay the initial cost of this examination but shall have the right of recovery against the purchaser unless the pet dealer is obligated to provide a remedy under subdivision 6.

(b) If the pet dealer does not provide the relief selected by the purchaser set forth in subdivisions 3 or 6, the purchaser may initiate a court action.

(c) The prevailing party in the court action shall have the right to recover costs and reasonable attorney's fees not to exceed \$500.

Subd. 9. [POSTED NOTICE.] Every pet dealer shall post in a prominent location of the facility, a notice, in 48-point bold-face type, containing the following language:

"Information on all dogs and cats is available. You are entitled to a statement of consumer rights. Make sure you receive this statement at the time of purchase."

The statement of consumer rights shall also contain or have attached the disclosures required under subdivision 1.

Subd. 11. [LIMITATION.] Nothing in this subdivision shall limit the rights or remedies which are otherwise available to a purchaser under any other law. Any agreement or contract by a purchaser to waive any rights under this chapter shall be null and void and shall be unenforceable.

Sec. 3. [325F.792] [ADDITIONAL PENALTIES.]

[CLAIMS ADMINISTRATOR.] "Claims administrator" means an entity that reviews and determines whether to pay claims to enrollees, physicians, hospitals, or others based on the contract provisions of the health plan contract. Claims administrators may include insurance companies licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 62H; a multiple employer welfare arrangement, as defined in section 3 of the Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1103, as amended.

Subd. 11. [ENROLLEE.] “Enrollee” means an individual who has elected to contract for, or participate in, a health benefit plan for enrollee coverage or for dependent coverage.

Subd. 12. [HEALTH BENEFIT PLAN.] “Health benefit plan” means a policy, contract, or certificate issued by a health carrier to an employer or individual for the coverage of medical, dental, or hospital benefits. A health benefit plan does not include coverage that is:

- (1) limited to disability or income protection coverage;

Subd. 16. [PROSPECTIVE REVIEW.] "Prospective review" means utilization review conducted prior to an enrollee's inpatient stay.

Subd. 17. [PROVIDER.] "Provider" means a licensed health care facility, physician, or other health care professional that delivers health care services to an enrollee or covered person.

Subd. 18. [QUALITY ASSESSMENT PROGRAM.] "Quality assessment program" means a structured mechanism that monitors and evaluates a utilization review organization's program and provides management intervention to support compliance with the requirements of this chapter.

Subd. 19. [RECONSIDERATION REQUEST.] "Reconsideration request" means an initial request by telephone for additional review of a utilization review organization's determination not to certify an admission, extension of stay, or other health care service.

Subd. 20. [UTILIZATION REVIEW.] "Utilization review" means the evaluation of the necessity, appropriateness, and efficacy of the use of health care services, procedures, and facilities, by a person or entity other than the attending physician, for the purpose of determining the medical necessity of the service or admission. Utilization review also includes review conducted after the admission of the enrollee. It includes situations where the enrollee is unconscious or otherwise unable to provide advance notification. Utilization review does not include the imposition of a requirement that services be received by or upon referral from a participating provider.

Subd. 21. [UTILIZATION REVIEW ORGANIZATION.] "Utilization review organization" means an entity including but not limited to an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; a multiple employer welfare arrangement, as defined in section 3 of the Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1103, as amended; a third party administrator licensed under section 60A.23, subdivision 8, which conducts utilization review and determines certification of an admission, extension of stay, or other health care services for a

Minnesota resident; or any entity performing utilization review that is affiliated with, under contract with, or conducting utilization review on behalf of, a business entity in this state.

Sec. 3. [62M.03] [COMPLIANCE WITH STANDARDS.]

Subdivision 1. [LICENSED UTILIZATION REVIEW ORGANIZATION.] Beginning January 1, 1993, any organization that is licensed in this state and that meets the definition of utilization review organization in section 2, subdivision 21, must comply with sections 1 to 16.

Subd. 2. [NONLICENSED UTILIZATION REVIEW ORGANIZATION.] An organization that meets the definition of a utilization review organization under section 2, subdivision 21, that is not licensed in this state that performs utilization review services for Minnesota residents must register with the commissioner of commerce and must certify compliance with sections 1 to 16.

Initial registration must occur no later than January 1, 1993.

Subd. 3. [PENALTIES AND ENFORCEMENTS.] If a nonlicensed utilization review organization fails to comply with sections 1 to 16, the organization may not provide utilization review services for any Minnesota resident. The commissioner of commerce may issue a cease and desist order under section 45.027, subdivision 5, to enforce this provision. The cease and desist order is subject to appeal under chapter 14. A nonlicensed utilization review organization that fails to comply with the provisions of sections 1 to 16 is subject to all applicable penalty and enforcement provisions of section 72A.201.

Sec. 4. [62M.04] [STANDARDS FOR UTILIZATION REVIEW PERFORMANCE.]

Subdivision 1. [RESPONSIBILITY FOR OBTAINING CERTIFICATION.] A health benefit plan that includes utilization review requirements must specify the process for notifying the utilization review organization in a timely manner and obtaining certification for health care services. In addition to the enrollee, the utilization review organization must allow any licensed hospital, physician or the physician's designee, or responsible patient representative, including a family member, to fulfill the obligations under the health plan.

A claims administrator that contracts directly with providers for the provision of health care services to enrollees may, through contract, require the provider to notify the review organization in a timely manner and obtain certification for health care services.

Subd. 2. [INFORMATION UPON WHICH UTILIZATION RE-

VIEW IS CONDUCTED.] If the utilization review organization is conducting routine prospective and concurrent utilization review, utilization review organizations must collect only the information necessary to certify the admission, procedure of treatment, and length of stay.

(a) Utilization review organizations may request, but may not require, hospitals, physicians, or other providers to supply numerically encoded diagnoses or procedures as part of the certification process.

(b) Utilization review organizations must not routinely request copies of medical records for all patients reviewed. In performing prospective and concurrent review, copies of the pertinent portion of the medical record should be required only when a difficulty develops in certifying the medical necessity or appropriateness of the admission or extension of stay.

(c) Utilization review organizations may request copies of medical records retrospectively for a number of purposes, including auditing the services provided, quality assurance review, assuring compliance with the terms of either the health benefit plan or the provider contract, and compliance with utilization review activities. Except for reviewing medical records associated with an appeal or with an investigation or audit of data discrepancies, health care providers must be reimbursed for the reasonable costs of duplicating records requested by the utilization review organization for retrospective review unless otherwise provided under the terms of the provider contract.

Subd. 3. [DATA ELEMENTS.] Except as otherwise provided in sections 1 to 16, for purposes of certification a utilization review organization must limit its data requirements to the following elements:

(a) Patient information that includes the following:

(1) name;

(2) address;

(3) date of birth;

(2) patient treatment plan and goals;

(3) prognosis;

(4) staff qualifications; and

(5) 24-hour availability of staff.

Additional information may be required for other specific review functions such as discharge planning or catastrophic case management. Second opinion information may also be required, when applicable, to support benefit plan requirements.

Subd. 4. [ADDITIONAL INFORMATION.] A utilization review organization may request information in addition to that described in subdivision 3 when there is significant lack of agreement between the utilization review organization and the health care provider regarding the appropriateness of certification during the review or appeal process. For purposes of this subdivision, "significant lack of agreement" means that the utilization review organization has:

(1) tentatively determined through its professional staff that a service cannot be certified;

(2) referred the case to a physician for review; and

(3) talked to or attempted to talk to the attending physician for further information.

Nothing in sections 1 to 16 prohibit a utilization review organization from requiring submission of data necessary to comply with the quality assurance and utilization review requirements of chapter 62D or other appropriate data or outcome analyses.

Subd. 5. [SHARING OF INFORMATION.] To the extent allowed under section 72A.49, a utilization review organization shall share all available clinical and demographic information on individual patients internally to avoid duplicate requests for information from enrollees or providers.

Sec. 5. [62M.05] [PROCEDURES FOR REVIEW DETERMINATION.]

Subdivision 1. [WRITTEN PROCEDURES.] A utilization review organization must have written procedures to assure that reviews are conducted in accordance with the requirements of this chapter and section 72A.20, subdivision 4a.

Subd. 2. [CONCURRENT REVIEW.] A utilization review organization may review ongoing inpatient stays based on the severity or complexity of the patient's condition or on necessary treatment or discharge planning activities. Such review must not be consistently conducted on a daily basis.

Subd. 3. [NOTIFICATION OF DETERMINATIONS.] A utilization review organization must have written procedures for providing notification of its determinations on all certifications in accordance with the following:

(a) When an initial determination is made to certify, notification must be provided promptly by telephone to the provider.

(b) When a determination is made not to certify a hospital or surgical facility admission or extension of a hospital stay, or other service requiring review determination, within one working day after making the decision the attending physician and hospital must be notified by telephone and a written notification must be sent to the hospital, attending physician, and enrollee or patient. The written notification must include the principal reason or reasons for the determination and the process for initiating an appeal of the determination. Reasons for a determination not to certify may include, among other things, the lack of adequate information to certify after a reasonable attempt has been made to contact the attending physician.

Subd. 4. [FAILURE TO PROVIDE NECESSARY INFORMATION.] A utilization review organization must have written procedures to address the failure of a health care provider, patient, or representative of either to provide the necessary information for review. If the patient or provider will not release the necessary information to the utilization review organization, the utilization review organization may deny certification in accordance with its own policy or the policy described in the health benefit plan.

Sec. 6. [62M.06] [APPEALS OF DETERMINATIONS NOT TO CERTIFY.]

Subdivision 1. [PROCEDURES FOR APPEAL.] A utilization review organization must have written procedures for appeals of determinations not to certify an admission, procedure, service, or extension of stay. The right to appeal must be available to the enrollee or designee and to the attending physician. The right of appeal must be communicated to the enrollee or designee or to the attending physician, whomever initiated the original certification request, at the time that the original determination is communicated.

Subd. 2. [EXPEDITED APPEAL.] When an initial determination not to certify a health care service is made prior to or during an ongoing service requiring review, and the attending physician believes that the determination warrants immediate appeal, the utilization review organization must assure that the attending physician, enrollee, or designee has an opportunity to appeal the determination over the telephone on an expedited basis. In such an appeal, the utilization review organization must assure reasonable

access to its consulting physician. Expedited appeals that are not resolved may be resubmitted through the standard appeal process.

Subd. 3. [STANDARD APPEAL.] The utilization review organization must establish procedures for appeals to be made either in writing or by telephone.

(a) Each utilization review organization shall notify in writing the enrollee or patient, attending physician, and claims administrator of its determination on the appeal as soon as practical, but in no case later than 45 days after receiving the required documentation on the appeal.

(b) The documentation required by the utilization review organization may include copies of part or all of the medical record and a written statement from the health care provider.

(c) Prior to upholding the original decision not to certify for clinical reasons, the utilization review organization shall conduct a review of the documentation by a physician who did not make the original determination not to certify.

(d) The process established by a utilization review organization may include defining a period within which an appeal must be filed to be considered. The time period must be communicated to the patient, enrollee, or attending physician when the initial determination is made.

(e) An attending physician who has been unsuccessful in an attempt to reverse a determination not to certify shall, consistent with section 72A.285, be provided the following:

(1) a complete summary of the review findings;

(2) qualifications of the reviewers, including any license, certification, or specialty designation; and

(3) the relationship between the enrollee's diagnosis and the review criteria used as the basis for the decision, including the specific rationale for the reviewer's decision.

(f) In cases where an appeal to reverse a determination not to certify for clinical reasons is unsuccessful, the utilization review organization must assure that a physician in the same or a similar general specialty as typically manages the medical condition, procedure, or treatment under discussion is reasonably available to review the case.

Subd. 4. [NOTIFICATION TO CLAIMS ADMINISTRATOR.] If the utilization review organization and the claims administrator are

separate entities, the utilization review organization must forward electronically or in writing, a notification of certification or determination not to certify to the appropriate claims administrator for the health benefit plan.

Sec. 7. [62M.07] [PRIOR AUTHORIZATION OF SERVICES.]

Utilization review organizations conducting prior authorization of services must have written standards that meet at a minimum the following requirements:

(1) written procedures and criteria used to determine whether care is appropriate, reasonable, or medically necessary;

(2) a system for providing prompt notification of its determinations to enrollees and providers and for notifying the provider, enrollee, or enrollee's designee of appeal procedures under clause (4);

(3) compliance with section 72A.20, subdivision 4a, regarding time frames for approving and disapproving prior authorization requests;

(4) written procedures for appeals of denials of prior authorization which specify the responsibilities of the enrollee and provider, and which meet the requirements of section 72A.285, regarding release of summary review findings; and

(5) procedures to ensure confidentiality of patient-specific information, consistent with applicable law.

Sec. 8. [62M.08] [CONFIDENTIALITY.]

Subdivision 1. [WRITTEN PROCEDURES TO ASSURE CONFIDENTIALITY.] A utilization review organization must have written procedures for assuring that patient-specific information obtained during the process of utilization review will be:

(1) kept confidential in accordance with applicable federal and state laws;

(2) used solely for the purposes of utilization review, quality assurance, discharge planning, and case management; and

(3) shared only with those organizations or persons that have the authority to receive such information.

Subd. 2. [SUMMARY DATA.] Summary data is not subject to this section if it does not provide sufficient information to allow identification of individual patients.

## Sec. 9. [62M.09] [STAFF AND PROGRAM QUALIFICATIONS.]

Subdivision 1. [STAFF CRITERIA.] A utilization review organization shall have utilization review staff who are properly trained, qualified, and supervised.

Subd. 2. [LICENSURE REQUIREMENT.] Nurses, physicians, and other licensed health professionals conducting reviews of medical services, and other clinical reviewers conducting specialized reviews in their area of specialty must be currently licensed or certified by an approved state licensing agency in the United States.

Subd. 3. [PHYSICIAN REVIEWER INVOLVEMENT.] A physician must review all cases in which the utilization review organization has concluded that a determination not to certify for clinical reasons is appropriate. The physician should be reasonably available by telephone to discuss the determination with the attending physician.

Subd. 4. [DENTIST PLAN REVIEWS.] A dentist must review all cases in which the utilization review organization has concluded that a determination not to certify a dental service or procedure for clinical reasons is appropriate and an appeal has been made by the attending dentist, enrollee, or designee.

Subd. 5. [WRITTEN CLINICAL CRITERIA.] A utilization review organization's decisions must be supported by written clinical criteria and review procedures. Clinical criteria and review procedures must be established with appropriate involvement from physicians. A utilization review organization must use written clinical criteria, as required, for determining the appropriateness of the certification request. The utilization review organization must have a procedure for assuring the periodic evaluation and updating of the written criteria.

Subd. 6. [PHYSICIAN CONSULTANTS.] A utilization review organization must use physician consultants in the appeal process described in section 6, subdivision 3. The physician consultants should include, as needed and available, specialists who are board-certified, or board-eligible and working towards certification, in a specialty board approved by the American Board of Medical Specialists or the American Board of Osteopathy.

Subd. 7. [TRAINING FOR PROGRAM STAFF.] A utilization review organization must have a formalized program of orientation and ongoing training of utilization review staff.

Subd. 8. [QUALITY ASSESSMENT PROGRAM.] A utilization review organization must have written documentation of an active quality assessment program.

Sec. 10. [62M.10] [ACCESSIBILITY AND ON-SITE REVIEW PROCEDURES.]

Subdivision 1. [TOLL-FREE NUMBER.] A utilization review organization must provide access to its review staff by a toll-free or collect call telephone line during normal business hours. A utilization review organization must also have an established procedure to receive timely callbacks from providers and must establish written procedures for receiving after-hour calls, either in person or by recording.

Subd. 2. [REVIEWS DURING NORMAL BUSINESS HOURS.] A utilization review organization must conduct its telephone reviews, on-site reviews, and hospital communications during hospitals' and physicians' reasonable and normal business hours, unless otherwise mutually agreed.

Subd. 3. [IDENTIFICATION OF ON-SITE REVIEW STAFF.] Each utilization review organization's staff must identify themselves by name and by the name of their organization and, for on-site reviews, must carry picture identification and the utilization review organization's company identification card. On-site reviews should, whenever possible, be scheduled at least one business day in advance with the appropriate hospital contact. If requested by a hospital or inpatient facility, utilization review organizations must assure that their on-site review staff register with the appropriate contact person, if available, prior to requesting any clinical information or assistance from hospital staff. The on-site review staff must wear appropriate hospital supplied identification tags while on the premises.

Subd. 4. [ON-SITE REVIEWS.] Utilization review organizations must agree, if requested, that the medical records remain available in designated areas during the on-site review and that reasonable hospital administrative procedures must be followed by on-site review staff so as to not disrupt hospital operations or patient care. Such procedures, however, must not limit the ability of the utilization review organizations to efficiently conduct the necessary review on behalf of the patient's health benefit plan.

Subd. 5. [ORAL REQUESTS FOR INFORMATION.] Utilization review organizations shall orally inform, upon request, designated hospital personnel or the attending physician of the utilization review requirements of the specific health benefit plan and the general type of criteria used by the review agent. Utilization review organizations should also orally inform, upon request, hospitals, physicians, and other health care professionals of the operational procedures in order to facilitate the review process.

Subd. 6. [MUTUAL AGREEMENT.] Nothing in this section limits

the ability of a utilization review organization and a provider to mutually agree in writing on how review should be conducted.

Sec. 11. [62M.11] [COMPLAINTS TO COMMERCE OR HEALTH.]

Notwithstanding the provisions of sections 1 to 16, an enrollee may file a complaint regarding a determination not to certify directly to the commissioner responsible for regulating the utilization review organization.

Sec. 12. [62M.12] [PROHIBITION OF INAPPROPRIATE INCENTIVES.]

No individual who is performing utilization review may receive any financial incentive based on the number of denials of certifications made by such individual, provided that utilization review organizations may establish medically appropriate performance standards. This prohibition does not apply to financial incentives established between health plans and their providers.

Sec. 13. [62M.13] [SEVERABILITY.]

If any provisions of sections 1 to 16 are held invalid, illegal, or unenforceable for any reason and in any respect, the holding does not affect the validity of the remainder of sections 1 to 16.

Sec. 14. [62M.14] [EFFECT OF COMPLIANCE.]

Evidence of a utilization review organization's compliance or noncompliance with the provisions of sections 1 to 16 shall not be determinative in an action alleging that services denied were medically necessary and covered under the terms of the enrollee's health benefit plan.

Sec. 15. [62M.15] [APPLICABILITY OF OTHER CHAPTER REQUIREMENTS.]

The requirements of this chapter regarding the conduct of utilization review are in addition to any specific requirements contained in chapter 62A, 62C, 62D, or 72A.

Sec. 16. [62M.16] [RULEMAKING.]

If it is determined that rules are reasonable and necessary to accomplish the purpose of sections 1 to 16, the rules must be adopted through a joint rulemaking process by both the department of commerce and the department of health.

Sec. 17. Minnesota Statutes 1991 Supplement, section 144.335, subdivision 3a, is amended to read:

Subd. 3a. [PATIENT CONSENT TO RELEASE OF RECORDS; LIABILITY.] (a) A provider, or a person who receives health records from a provider, may not release a patient's health records to a person without a signed and dated consent from the patient or the patient's legally authorized representative authorizing the release, unless the release is specifically authorized by law. A consent is valid for one year or for a lesser period specified in the consent or for a different period provided by law.

(b) This subdivision does not prohibit the release of health records for a medical emergency when the provider is unable to obtain the patient's consent due to the patient's condition or the nature of the medical emergency.

(c) A person who negligently or intentionally releases a health record in violation of this subdivision, or who forges a signature on a consent form, or who obtains under false pretenses the consent form or health records of another person, or who, without the person's consent, alters a consent form, is liable to the patient for compensatory damages caused by an unauthorized release, plus costs and reasonable attorney's fees.

(d) A patient's consent to the release of data on the date and type of immunizations administered to the patient is effective until the patient directs otherwise, if the consent was executed before August 1, 1991.

For purposes of this subdivision, person does not include an accident and health insurer, health service plan corporation, health maintenance organization, or third party administrator, that is reviewing health record information for purposes of claims determination, eligibility, care protocol development, provider audit, data analysis and studies, fraud investigation, health outcomes analysis and studies, or quality of care review and studies. Any use or release of the health record information by the accident and health insurer, health service plan corporation, health maintenance organization, or third party administrator must meet the requirements of sections 72A.49 to 72A.505.

"Section 1. Minnesota Statutes 1990, section 115.03, subdivision 1, is amended to read:

Subdivision 1. The agency is hereby given and charged with the following powers and duties:

(a) To administer and enforce all laws relating to the pollution of any of the waters of the state;

(b) To investigate the extent, character, and effect of the pollution of the waters of this state and to gather data and information necessary or desirable in the administration or enforcement of pollution laws, and to make such classification of the waters of the state as it may deem advisable;

(c) To establish and alter such reasonable pollution standards for any waters of the state in relation to the public use to which they are

or may be put as it shall deem necessary for the purposes of this chapter and, with respect to the pollution of waters of the state, chapter 116;

(d) To encourage waste treatment, including advanced waste treatment, instead of stream low-flow augmentation for dilution purposes to control and prevent pollution;

(e) To adopt, issue, reissue, modify, deny, or revoke, enter into or enforce reasonable orders, permits, variances, standards, rules, schedules of compliance, and stipulation agreements, under such conditions as it may prescribe, in order to prevent, control or abate water pollution, or for the installation or operation of disposal systems or parts thereof, or for other equipment and facilities;

(1) Requiring the discontinuance of the discharge of sewage, industrial waste or other wastes into any waters of the state resulting in pollution in excess of the applicable pollution standard established under this chapter;

(2) Prohibiting or directing the abatement of any discharge of sewage, industrial waste, or other wastes, into any waters of the state or the deposit thereof or the discharge into any municipal disposal system where the same is likely to get into any waters of the state in violation of this chapter and, with respect to the pollution of waters of the state, chapter 116, or standards or rules promulgated or permits issued pursuant thereto, and specifying the schedule of compliance within which such prohibition or abatement must be accomplished;

(3) Prohibiting the storage of any liquid or solid substance or other pollutant in a manner which does not reasonably assure proper retention against entry into any waters of the state that would be likely to pollute any waters of the state;

(4) Requiring the construction, installation, maintenance, and operation by any person of any disposal system or any part thereof, or other equipment and facilities, or the reconstruction, alteration, or enlargement of its existing disposal system or any part thereof, or the adoption of other remedial measures to prevent, control or abate any discharge or deposit of sewage, industrial waste or other wastes by any person;

(5) Establishing, and from time to time revising, standards of performance for new sources taking into consideration, among other things, classes, types, sizes, and categories of sources, processes, pollution control technology, cost of achieving such effluent reduction, and any nonwater quality environmental impact and energy requirements. Said standards of performance for new sources shall encompass those standards for the control of the discharge of pollutants which reflect the greatest degree of effluent reduction

which the agency determines to be achievable through application of the best available demonstrated control technology, processes, operating methods, or other alternatives, including, where practicable, a standard permitting no discharge of pollutants. New sources shall encompass buildings, structures, facilities, or installations from which there is or may be the discharge of pollutants, the construction of which is commenced after the publication by the agency of proposed rules prescribing a standard of performance which will be applicable to such source. Notwithstanding any other provision of the law of this state, any point source the construction of which is commenced after May 20, 1973, and which is so constructed as to meet all applicable standards of performance for new sources shall, consistent with and subject to the provisions of section 306(d) of the Amendments of 1972 to the Federal Water Pollution Control Act, not be subject to any more stringent standard of performance for new sources during a ten-year period beginning on the date of completion of such construction or during the period of depreciation or amortization of such facility for the purposes of section 167 or 169, or both, of the Federal Internal Revenue Code of 1954, whichever period ends first. water quality classification in a specific portion of the waters of the state. Prior to establishment of any such effluent limitation, the agency shall hold a public hearing to determine the relationship of the economic and social costs of achieving such limitation or limitations, including any economic or social dislocation in the affected community or communities, to the social and economic benefits to be obtained and to determine whether or not such effluent limitation can be implemented with available technology or other alternative control strategies. If a person affected by such limitation demonstrates at such hearing that, whether or not such technology or other alternative control strategies are available, there is no reasonable relationship between the economic and social costs and the benefits to be obtained, such limitation shall not become effective and shall be adjusted as it applies to such person;

These contributions shall be made by deduction from salary in the manner provided in subdivision 4. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the total salary received from all sources.

Sec. 13. Minnesota Statutes 1990, section 353.29, subdivision 3, is amended to read:

Subd. 3. [RETIREMENT ANNUITY FORMULA.] (a) This paragraph, in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c, applies to any member who first became a public employee or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless paragraph (b), in conjunction with section 353.30, subdivision 5, produces a higher annuity amount, in which case paragraph (b) will apply. The average salary as defined in subdivision 2, multiplied by ~~two~~ 2.1 percent for each year of allowable service for the first ten years and thereafter by ~~2.5~~ 2.6 percent per year of allowable service and completed months less than a full year for the "basic member," and ~~one~~ 1.1 percent for each year of allowable service for the first ten years and thereafter by ~~1.5~~ 1.6 percent per year of allowable service and completed months less than a full year for the "coordinated member," shall determine the amount of the "normal" retirement annuity.

(b) This paragraph applies to a member who has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with section 353.30, subdivision 5, is higher than it is when calculated under paragraph (a), in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c. The average salary, as defined in subdivision 2, multiplied by ~~2.5~~ 2.6 percent for each year of allowable service and completed months less than a full year for a basic member and ~~1.5~~ 1.6 percent per year of allowable service and completed months less than a full year for a coordinated member, shall determine the amount of the normal retirement annuity.

Sec. 14. Minnesota Statutes 1990, section 353.651, subdivision 3, is amended to read:

Subd. 3. [RETIREMENT ANNUITY FORMULA.] The average salary as defined in subdivision 2, multiplied by ~~2-1/2~~ 2.7 percent per year of allowable service shall determine the amount of the normal retirement annuity. If the member has earned allowable service for performing services other than those of a police officer or firefighter, the annuity representing such service shall be computed in accordance with sections 353.29 and 353.30.

Sec. 15. Minnesota Statutes 1990, section 353.656, subdivision 1, is amended to read:

Subdivision 1. [IN LINE OF DUTY; COMPUTATION OF BENEFITS.] Any member of the police and fire fund less than 55 years of age, who becomes disabled and physically unfit to perform duties as a police officer or firefighter subsequent to June 30, 1973, as a direct result of an injury, sickness, or other disability incurred in or arising out of any act of duty, which has or is expected to render the member physically or mentally unable to perform duties as a police officer or firefighter for a period of at least one year, shall receive disability

benefits during the period of such disability. The benefits must be in an amount equal to ~~50~~ 54 percent of the "average salary" pursuant to subdivision 3 plus an additional ~~2-1/2~~ 2.7 percent of said average salary for each year of service in excess of 20 years. Should disability under this subdivision occur before the member has at least five years of allowable service credit in the police and fire fund, the disability benefit must be computed on the "average salary" from which deductions were made for contribution to the police and fire fund.

Sec. 16. Minnesota Statutes 1991 Supplement, section 353C.06, subdivision 3, is amended to read:

Subd. 3. [ANNUITY AMOUNT.] The average salary as defined in subdivision 2, multiplied by ~~two~~ 2.2 percent for each year of allowable service for the first ten years and ~~2.5~~ 2.7 percent for each additional year of allowable service, and pro rata for completed months less than a full year, determines the amount of the normal annuity. If a person has earned allowable service in the public employees retirement association or the public employees police and fire fund prior to participation under this chapter, the annuity representing such service must be computed in accordance with the formula under sections 353.29 and 353.30 or 353.651, whichever applies.

Sec. 17. Minnesota Statutes 1990, section 354.42, subdivision 2, is amended to read:

Subd. 2. The employee contribution to the fund shall be an amount equal to ~~4-1/2~~ ... percent of the salary of every coordinated member and ~~8-1/2~~ ... percent of the salary of every basic member. This contribution shall be made by deduction from salary. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the entire salary received.

Sec. 18. Minnesota Statutes 1990, section 354.42, subdivision 3, is amended to read:

Subd. 3. The employer contribution to the fund shall be an amount equal to ~~4-1/2~~ ... percent of the salary of each coordinated member and ~~8-1/2~~ ... percent of the salary of each basic member. This contribution shall be made in the manner provided in section 354.43.

Sec. 19. Minnesota Statutes 1990, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder

shall be computed in accordance with the applicable provisions of the formulas stated in clause (2) or (4) on the basis of each member's average salary for the period of the member's formula service credit.

For all years of formula service credit, "average salary," for the purpose of determining the member's retirement annuity, means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, section 354.511, for the highest five successive years of formula service credit provided, however, that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of formula service credit if this service credit is less than five years.

(2) This clause, in conjunction with clause (3), applies to a person who first became a member of the fund or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless clause (4), in conjunction with clause (5), produces a higher annuity amount, in which case clause (4) applies. The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	<del>1.0</del> <u>1.1</u> percent per year	<del>2.0</del> <u>2.1</u> percent per year
Each year of service thereafter	<del>1.5</del> <u>1.6</u> percent per year	<del>2.5</del> <u>2.6</u> percent per year

(3)(i) This clause applies only to a person who first became a member of the fund or a member of a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, and whose annuity is higher when calculated under clause (2), in conjunction with this clause than when calculated under clause (4), in conjunction with clause (5).

(ii) Where any member retires prior to normal retirement age under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in clause (2) reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month that the member is under age 62.

(iii) Any member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in clause (2), without any reduction by reason of early retirement.

(4) This clause applies to a member who has become at least 55 years old and first became a member of the fund after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity amount when calculated under this clause and in conjunction with clause (5), is higher than it is when calculated under clause (2), in conjunction with clause (3). The average salary, as defined in clause (1) multiplied by ~~2.5~~ 2.6 percent for each year of service for a basic member and by ~~1.5~~ 1.6 percent for each year of service for a coordinated member shall determine the amount of the retirement annuity to which the member is entitled.

(5) This clause applies to a person who has become at least 55 years old and first becomes a member of the fund after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under clause (4) in conjunction with this clause than when calculated under clause (2), in conjunction with clause (3). An employee who retires under the formula annuity before the normal retirement age shall be paid the normal annuity provided in clause (4) reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 20. Minnesota Statutes 1990, section 354A.12, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYEE CONTRIBUTIONS.] The contribution required to be paid by each member of a teachers retirement fund association shall not be less than the percentage of total salary specified below for the applicable association and program:

Association and Program	Percentage of Total Salary
Duluth teachers retirement association	
old law and new law coordinated programs	4.5 <u>...</u> percent
Minneapolis teachers retirement association	
basic program	8.5 <u>...</u> percent
coordinated program	4.5 <u>...</u> percent
St. Paul teachers retirement association	
basic program	8 <u>...</u> percent
coordinated program	4.5 <u>...</u> percent

Sec. 21. Minnesota Statutes 1990, section 354A.12, subdivision 2, is amended to read:

Subd. 2. [EMPLOYER CONTRIBUTIONS.] Notwithstanding any law to the contrary, levies for teachers retirement fund associations in cities of the first class, including levies for any employer social security taxes for teachers covered by the Duluth teachers retirement fund association or the Minneapolis teachers retirement fund association or the St. Paul teachers retirement fund association, are disallowed.

The employing units shall make the following employer contributions to teachers retirement fund associations:

(a) For any coordinated member of a teachers retirement fund association in a city of the first class, the employing unit shall pay the employer social security taxes in accordance with section 355.46, subdivision 3, clause (b);

(b) For any coordinated member of one of the following teachers retirement fund associations in a city of the first class, the employing unit shall make a contribution to the respective retirement fund association in an amount equal to the designated percentage of the salary of the coordinated member as provided below:

Duluth teachers retirement fund association	5.79 ... percent
Minneapolis teachers retirement fund association	4.50 ... percent
St. Paul teachers retirement fund association	4.50 ... percent

(c) For any basic member of one of the following teachers retirement fund associations in a city of the first class, the employing unit shall make a contribution to the respective retirement fund in an amount equal to the designated percentage of the salary of the basic member as provided below:

Minneapolis teachers retirement fund association	13.35 ... percent
St. Paul teachers retirement fund association	12.63 ... percent

The employer contributions shall be remitted directly to each teachers retirement fund association each month.

Payments for school district or technical college employees who are paid from normal operating funds, shall be made from the appropriate fund of the district or technical college.

Sec. 22. Minnesota Statutes 1990, section 354A.31, subdivision 4, is amended to read:

Subd. 4. [COMPUTATION OF THE NORMAL COORDINATED RETIREMENT ANNUITY.] (a) The normal coordinated retirement annuity shall be an amount equal to a retiring coordinated member's average salary multiplied by the retirement annuity formula percentage. Average salary for purposes of this section shall mean an amount equal to the average salary upon which contributions were made for the highest five successive years of service credit, but which shall not in any event include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of service credit if this service credit is less than five years.

(b) This paragraph, in conjunction with subdivision 6, applies to a person who first became a member or a member in a pension fund listed in section 356.30, subdivision 3, before July 1, 1989, unless paragraph (c), in conjunction with subdivision 7, produces a higher annuity amount, in which case paragraph (c) will apply. The retirement annuity formula percentage for purposes of this paragraph is ~~one~~ 1.1 percent per year for each year of coordinated service for the first ten years and ~~1.5~~ 1.6 percent for each year of coordinated service thereafter.

(c) This paragraph applies to a person who has become at least 55 years old and who first becomes a member after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity amount, when calculated under this paragraph and in conjunction with subdivision 7 is higher than it is when calculated under paragraph (b), in conjunction with the provisions of subdivision 6. The retirement annuity formula percentage for purposes of this paragraph is ~~1.5~~ 1.6 percent for each year of coordinated service.

Sec. 23. Minnesota Statutes 1991 Supplement, section 356.215, subdivision 4d, is amended to read:

Subd. 4d. [INTEREST AND SALARY ASSUMPTIONS.] (a) For funds governed by chapters 352, 352B, 353, 353C, and 354, the actuarial valuation must use a preretirement interest assumption of 8.5 percent, a postretirement interest assumption of five percent, and a future salary increase assumption of ~~6.5~~ six percent.

(b) For funds governed by chapter 354A, the actuarial valuation must use preretirement and postretirement assumptions of 8.5 percent and a future salary increase assumption of ~~6.5~~ six percent, but the actuarial valuation must reflect the payment of postretirement adjustments to retirees, based on the methods specified in the bylaws of the fund as approved by the legislature. For a fund governed by chapter 422A, the actuarial valuation shall use a preretirement interest assumption of six percent, a postretirement interest assumption of five percent, and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.04 multiplied by the salary for the preceding year.

(c) For all other funds not specified in paragraph (a), (b), or (d), the actuarial valuation must use a preretirement interest assumption of five percent, a postretirement interest assumption of five percent, and a future salary increase assumption of 3.5 percent.

(d) For funds governed by chapters 3A, 352C, and 490, the actuarial valuation must use a preretirement interest assumption of 8.5 percent, a postretirement interest assumption of five percent, and a future salary increase assumption of ~~6.5~~ six percent in each future year in which the salary amount payable is not determinable from section 3.099, 15A.081, subdivision 6, or 15A.083, subdivision 1, whichever applies, or from applicable compensation council recommendations under section 15A.082.

Sec. 24. Minnesota Statutes 1991 Supplement, section 356.215, subdivision 4g, is amended to read:

Subd. 4g. [AMORTIZATION CONTRIBUTIONS.] (a) In addition to the exhibit indicating the level normal cost, the actuarial valuation must contain an exhibit indicating the additional annual contribution sufficient to amortize the unfunded actuarial accrued liability. For funds governed by chapters 3A, 352, 352B, 352C, 353, 353C, 354, 354A, and 490, the additional contribution must be calculated on a level percentage of covered payroll basis by the established date for full funding in effect when the valuation is prepared. The level percent additional contribution must be calculated assuming annual payroll growth of ~~6.5~~ six percent. For all other funds, the additional annual contribution must be calculated on a level annual dollar amount basis.

(b) For any fund other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, 1989, if there has not been a change in the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, which change or changes by themselves without inclusion of any other items of increase or decrease produce a net increase in the unfunded actuarial accrued liability of the fund, the established date for full funding for the first actuarial valuation made after June 1, 1989, and each successive actuarial valuation is the first actuarial valuation date occurring after June 1, 2020.

(c) For any fund or plan other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, 1989, if there has been a change in any or all of the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial

cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, and the change or changes, by themselves and without inclusion of any other items of increase or decrease, produce a net increase in the unfunded actuarial accrued liability in the fund, the established date for full funding must be determined using the following procedure:

(i) the unfunded actuarial accrued liability of the fund must be determined in accordance with the plan provisions governing annuities and retirement benefits and the actuarial assumptions in effect before an applicable change;

(ii) the level annual dollar contribution or level percentage, whichever is applicable, needed to amortize the unfunded actuarial accrued liability amount determined under item (i) by the established date for full funding in effect before the change must be calculated using the interest assumption specified in subdivision 4d in effect before the change;

(iii) the unfunded actuarial accrued liability of the fund must be determined in accordance with any new plan provisions governing annuities and benefits payable from the fund and any new actuarial assumptions and the remaining plan provisions governing annuities and benefits payable from the fund and actuarial assumptions in effect before the change;

(iv) the level annual dollar contribution or level percentage, whichever is applicable, needed to amortize the difference between the unfunded actuarial accrued liability amount calculated under item (i) and the unfunded actuarial accrued liability amount calculated under item (iii) over a period of 30 years from the end of the plan year in which the applicable change is effective must be calculated using the applicable interest assumption specified in subdivision 4d in effect after any applicable change;

(v) the level annual dollar or level percentage amortization contribution under item (iv) must be added to the level annual dollar amortization contribution or level percentage calculated under item (ii);

(vi) the period in which the unfunded actuarial accrued liability amount determined in item (iii) is amortized by the total level annual dollar or level percentage amortization contribution computed under item (v) must be calculated using the interest assumption specified in subdivision 4d in effect after any applicable change, rounded to the nearest integral number of years, but not to exceed 30 years from the end of the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and not to be less than the period of years beginning in the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made

and ending by the date for full funding in effect before the change;  
and

(vii) the period determined under item (vi) must be added to the date as of which the actuarial valuation was prepared and the date obtained is the new established date for full funding.

(d) For the Minneapolis employees retirement fund, the established date for full funding is June 30, 2020.

Sec. 25. Minnesota Statutes 1990, section 356.30, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; COMPUTATION OF ANNUITY.]  
(1) Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in subdivision 3, a person who has met the qualifications of clause (2) may elect to receive a retirement annuity from each fund in which the person has at least six months allowable service, based on the allowable service in each fund, subject to the provisions of clause (3).

(2) A person may receive upon retirement, in lieu of any augmentation of deferred annuities provided by laws governing the funds enumerated in subdivision 3, a retirement annuity from each fund in which the person has at least six months allowable service if

(a) the person has allowable service totaling an amount that allows the person to receive an annuity in any two or more of the enumerated funds;

(b) the person has at least six months of allowable service with the last such fund earned during the last period of employment; and

(c) the person has not begun to receive an annuity from any enumerated fund or the person has made application for benefits from all funds within a six-month period.

(3) The retirement annuity from each fund shall be based upon the allowable service in each fund, except that:

(a) The laws governing annuities shall be the law in effect on the date of final termination from the last public service under a covered fund.

(b) The "average salary" on which the annuity from each covered fund in which the employee has credit in a formula plan shall be based on the employee's highest five successive years of covered salary during the entire service in covered funds.

(c) The formula percentages to be used by each fund shall be those percentages prescribed by each fund's formula as continued for the respective years of allowable service from one fund to the next, recognizing all previous allowable service with the other covered funds.

(d) Allowable service in all the funds shall be combined in determining eligibility for and the application of each fund's provisions in respect to actuarial reduction in the benefit amount for retirement prior to normal retirement.

(e) The benefit amount payable for any allowable service under a nonformula plan of a covered fund shall not be affected but such service and covered salary shall be used in the above calculation.

(f) This section shall not apply to any person whose final termination from the last public service under a covered fund is prior to May 1, 1975.

(g) For the purpose of computing benefits under this section the formula percentages used by any covered fund shall in no event exceed  $2\frac{1}{2}$  2.7 percent per year of service for any year of service or fraction thereof.

(h) Any period of time for which a person has credit in more than one of the covered funds shall be used only once for the purpose of determining total allowable service.

(i) If the period of duplicated service credit is more than six months, or the person has credit for more than six months with each of the funds, each fund shall apply its formula to a prorated service credit for the period of duplicated service based on a fraction of the salary on which deductions were paid to that fund for the period divided by the total salary on which deductions were paid to all funds for the period.

(j) If the period of duplicated service credit is less than six months, or when added to other service credit with that fund is less than six months, the service credit shall be ignored and a refund of contributions made to the person in accord with that fund's refund provisions.

Sec. 26. Minnesota Statutes 1990, section 422A.10, subdivision 1, is amended to read:

Subdivision 1. There shall be deducted and withheld from the basic salary, pay or compensation of each employee in the contributing class, prior to January 1, 1980 an amount equal to  $7\frac{1}{4}$  percent, after December 31, 1979 but prior to January 1, 1981 an amount equal to  $8\frac{1}{4}$  percent and after December 31, 1980 an

amount equal to ~~9-1/4~~ ... percent of such salary, pay or compensation, except as hereinafter provided. The retirement board may increase the percentage rate of contribution to the retirement fund of any employee or employees for the purpose of establishing and maintaining on an actuarial basis a plan of insurance, survivors' benefits, or other type of benefit or benefits, the cost of which shall be paid out of such extra percentage so authorized and deducted from the employee's compensation, except as hereinafter provided. Any plan or plans so established and placed in operation may be amended from time to time, or may be abandoned, but if abandoned, any surplus remaining from the operation of a plan shall be the property of the fund, and shall be credited to the reserve for loss in investment account.

Sec. 27. Minnesota Statutes 1990, section 422A.15, subdivision 1, is amended to read:

Subdivision 1. Except as otherwise provided in subdivision 3, each contributing member who, at the time of retirement, fulfills the conditions necessary to enable the member to retire, shall receive what shall be known as a "formula pension and annuity" equal to ~~two~~ 2.1 percent for each year of allowable service for the first ten years and thereafter ~~2.5~~ 2.6 percent per year of allowable service of the arithmetic average annual salary, wages or compensation of the member from the city for any five calendar years out of the last ten calendar years of service except as provided for in section 422A.16, which may include the year in which the employee retires, as selected by the employee, multiplied by the years of service credited by the retirement fund. The formula pension and annuity shall be computed on the single life plan but subject to the option selections provided for in section 422A.17.

In order to be entitled to the formula pension and annuity herein provided for, the retiring employee at the time of cessation of employment and of actual retirement shall have attained the age of 60 years or have been employed by the city not less than 30 years, or meet the qualifications provided for in section 422A.16, and in addition thereto have contributed to the retirement fund at the percentage rate prescribed by the retirement law applicable when the salary, wages or compensation was paid on all salaries, wages, or compensation received from the city or from an applicable employing unit. The years of service to be applied in the formula pension and annuity shall be found and determined by the retirement board, except that no credit shall be allowed for any year in which a back charge is owing at time of retirement and the earnings from any year in which a back charge is owing shall not be used in determining the average annual salary.

Sec. 28. [FIRST CLASS CITY TEACHER FUNDS.]

Subdivision 1. [AUTHORITY GRANTED TO INCREASE FOR-

MULAS.] In accordance with Minnesota Statutes, section 354A.12, subdivision 4, approval is granted for the teachers retirement fund associations in each of the cities of the first class to amend their articles of incorporation or bylaws in the manner specified in this section. The amendments in this section apply only to basic members in the Minneapolis teachers retirement fund association and the St. Paul teachers retirement fund association, and to old law coordinated program members in the Duluth teachers retirement fund association.

Subd. 2. [PERMISSIBLE INCREASES.] The formula percentages for persons specified in subdivision 1 may be increased as follows:

(1) for the Minneapolis teachers retirement fund, 2.6 instead of 2.5 percent for each year of service;

(2) for the St. Paul teachers retirement fund, 2.1 instead of 2.0 percent for each year of service for persons whose annuity is calculated under Laws 1989, chapter 319, article 13, section 94, paragraph (a), and 2.6 instead of 2.5 percent for persons whose annuity is calculated under authority of Laws 1989, chapter 319, article 13, section 94, paragraphs (b) and (c);

(3) for the Duluth teachers retirement fund old coordinated plan, 1.35 instead of 1.25 percent for each year of service for persons whose annuity is calculated under Laws 1989, chapter 319, article 13, section 94, paragraph (a), and 1.6 instead of 1.5 percent for persons whose annuity is calculated under Laws 1989, chapter 319, article 13, section 94, paragraphs (b) and (c).

Sec. 29. [EFFECTIVE DATE.]

Sections 3, 6, 7, 10, 11, 13, 14, 15, 16, 19, 22, 23, 24, 25, 27, and 28 are effective May 16, 1993. Sections 1, 2, 4, 5, 8, 9, 12, 17, 18, 20, 21, and 26 are effective the first full payroll period beginning after July 1, 1993."
