Subd. 3. [AUTHORIZATION FOR THE DEMONSTRATION.] (a) The commissioner of human services, in consultation with the commissioners of education, finance, jobs and training, health, and planning, and the director of the higher education coordinating board, is authorized to proceed with the planning and designing of the Minnesota family investment plan and to implement the plan to test policies, methods, and cost impact on an experimental basis by using field trials. The commissioner, under the authority in section 256.01, subdivision 2, shall implement the plan according to sections 256.031 to 256.0361 and Public Law Numbers 101-202 and 101-239, section 8015, as amended. If major and unpredicted costs to the program occur, the commissioner may take corrective action consistent with Public Law Numbers 101-202 and 101-239, which may include termination of the program. Before taking such corrective action, the commissioner shall consult with the chairs of the senate health and human services committee, the house health and human services committee, the health and human services division of the senate finance committee and the human resources division of the house appropriations committee, or, if the legislature is not in session, consult with the legislative advisory commission.

(b) The field trials shall be conducted as permitted under federal law, for as many years as necessary, and in different geographical settings, to provide reliable instruction about the desirability of expanding the program statewide.

(c) The commissioner shall select the counties which shall serve as field trial or ~~control~~ comparison sites based on criteria which ensure reliable evaluation of the program.

(d) The commissioner is authorized to determine the number of families and characteristics of subgroups to be included in the evaluation.

(i) A family that applies for or is currently receiving financial assistance from aid to families with dependent children; family general assistance or work readiness; or food stamps may be tested for eligibility for aid to families with dependent children or family general assistance and may be assigned by the commissioner to ~~an experimental~~ a test or a control comparison group for the purposes of evaluating the family investment plan. A family found not eligible for aid to families with dependent children or family general assistance will be tested for eligibility for the food stamp program. If found eligible for the food stamp program, the commissioner may randomly assign the family to a test group, comparison group, or neither group. Families assigned to ~~an experimental~~ a test group receive benefits and services through the family investment plan. Families assigned to a ~~control~~ comparison group receive benefits and services through existing programs. A family may not select the group to which it is assigned. Once assigned to a group, ~~a~~ an eligible family must remain in that group for the duration of the project.

(ii) To evaluate the effectiveness of the family investment plan, the commissioner may designate a subgroup of families from the ~~experimental~~ test group who shall be exempt from section 256.035, subdivision 1, and shall not receive case management services under section 256.035, subdivision 6a. Families are eligible for services under section 256.736 to the same extent as families receiving AFDC.

Sec. 3. Minnesota Statutes 1991 Supplement, section 256.033, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY CONDITIONS.] (a) A family is entitled to assistance under the Minnesota family investment plan if the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d), and:

Sec. 4. Minnesota Statutes 1991 Supplement, section 256.033, subdivision 2, is amended to read:

Subd. 2. [DETERMINATION OF FAMILY INCOME.] The aid to families with dependent children income exclusions listed in Code of Federal Regulations, title 45, sections 233.20(a)(3) and 233.20(a)(4), must be used when determining a family's available income, except that:

(iii) amounts the stepparent or parent of the minor caregiver actually paid to individuals not living in the same household but whom the stepparent claims as dependents for determining federal personal income tax liability; and

Sec. 7. Minnesota Statutes 1991 Supplement, section 256.034, subdivision 3, is amended to read:

Subd. 3. [MODIFICATION OF ELIGIBILITY TESTS.] (a) A needy family is eligible and entitled to receive assistance under the program if the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d), even if its children are not found to be deprived of parental support or care by reason of death, continued absence from the home, physical or mental incapacity of a parent, or unemployment of a parent, provided the family's income and resources do not exceed the eligibility requirements in section 256.033. In addition, a caregiver who is in the assistance unit who is physically and mentally fit, who is between the ages of 18 and 60 years, who is enrolled at least half time in an institution of higher education, and whose family income and resources do not exceed the eligibility requirements in section 256.033, is eligible for assistance under the Minnesota family investment plan if the family is assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d), even if the conditions for eligibility as prescribed under the federal Food Stamp Act of 1977, as amended, are not met.

(b) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is considered to have assigned to the public agency responsible for child support enforcement at the time of application all rights to child support, health care benefits coverage, and maintenance from any other person the applicant may have in the applicant's own behalf or on behalf of any other family member for whom application is made under the Minnesota family investment plan. The provisions of section 256.74, subdivision 5, govern the assignment. An applicant for, or a person receiving, assistance under the Minnesota family investment plan shall cooperate with the efforts of the county agency to collect child and spousal support. The county agency is entitled to any child support and maintenance received by or on behalf of the person receiving assistance or another member of the family for which the person receiving assistance is responsible. Failure by an applicant or a person receiving assistance to cooperate with the efforts of the

county agency to collect child and spousal support without good cause must be sanctioned according to section 256.035, subdivision 3.

(c) An applicant for, or a person receiving, assistance under the Minnesota family investment plan is not required to comply with the employment and training requirements prescribed under sections 256.736, subdivisions 3, 3a, and 14; and 256D.05, subdivision 1; section 402(a)(19) of the Social Security Act; the federal Food Stamp Act of 1977, as amended; Public Law Number 100-485; or any other state or federal employment and training program, unless and to the extent compliance is specifically required in a family support agreement with the county agency or its designee.

Sec. 8. Minnesota Statutes 1991 Supplement, section 256.035, subdivision 1, is amended to read:

Subdivision 1. [EXPECTATIONS.] All families eligible for assistance under the family investment plan who are assigned to a test group in the evaluation as provided in section 256.031, subdivision 3, paragraph (d), are expected to be in transitional status as defined in section 256.032, subdivision 12. To be considered in transitional status, families must meet the following expectations:

(a) For a family headed by a single adult parental caregiver, the expectation is that the parental caregiver will independently pursue self-sufficiency until the family has received assistance for 24 months within the preceding 36 months. Beginning with the 25th month of assistance, the parent must be developing or complying with the terms of the family support agreement.

(b) For a family with a minor parental caregiver or a family whose parental caregiver is 18 or 19 years of age and does not have a high school diploma or its equivalent, the expectation is that, concurrent with the receipt of assistance, the parental caregiver must be developing or complying with a family support agreement. The terms of the family support agreement must include compliance with section 256.736, subdivision 3b. However, if the assistance unit does not comply with section 256.736, subdivision 3b, the sanctions in subdivision 3 apply.

(c) For a family with two adult parental caregivers, the expectation is that at least one parent will independently pursue self-sufficiency until the family has received assistance for six months within the preceding 12 months. Beginning with the seventh month of assistance, one parent must be developing or complying with the terms of the family support agreement.

Sec. 9. Minnesota Statutes 1991 Supplement, section 256.0361, subdivision 2, is amended to read:

Subd. 2. [FINANCIAL REIMBURSEMENT.] (a) Up to the limit of the state appropriation, a county selected by the commissioner to serve as a field trial or a ~~control~~ comparison site for the Minnesota family investment plan shall be reimbursed by the state for the nonfederal share of administrative costs that were incurred during the development, implementation, and operation of the program and that exceed the administrative costs that would have been incurred in the absence of the program.

(b) Minnesota family investment plan assistance is included as covered programs and services under section 256.025, subdivision 2.

Sec. 10. [256.046] [ADMINISTRATIVE FRAUD DISQUALIFICATION HEARINGS.]

Subdivision 1. [HEARING AUTHORITY.] A local agency may initiate an administrative fraud disqualification hearing for individuals accused of wrongfully obtaining assistance or intentional program violations in the aid to families with dependent children or food stamp programs. The hearing is subject to the requirements of section 256.045 and the requirements in Code of Federal Regulations, title 7, section 273.16, for the food stamp program and title 45, section 235.112, for the aid to families with dependent children program.

Subd. 2. [COMBINED HEARING.] The referee may combine a fair hearing and administrative fraud disqualification hearing into a single hearing if the factual issues arise out of the same, or related, circumstances and the individual receives prior notice that the hearings will be combined. If the administrative fraud disqualification hearing and fair hearing are combined, the time frames for administrative fraud disqualification hearings set forth in Code of Federal Regulations, title 7, section 273.16, and title 45, section 235.112, apply. If the individual accused of wrongfully obtaining assistance is charged under section 256.98 for the same act or acts which are the subject of the hearing, the individual may request that the hearing be delayed until the criminal charge is decided by the court or withdrawn.

Sec. 11. Minnesota Statutes 1990, section 256.12, is amended by adding a subdivision to read:

Subd. 23. [IN-KIND INCOME.] "In-kind income," as used in sections 256.72 to 256.87, means income, benefits, or payments provided in a form other than money or liquid assets. In-kind income includes goods, produce, services, privileges, or payments on behalf of a person by a third party. Retirement Survivors and Disability Insurance (RSDI) benefits of an applicant or recipient, paid to a representative payee, and spent on behalf of the applicant or recipient, are not in-kind income, but are considered available income of the applicant or recipient.

Sec. 12. Minnesota Statutes 1990, section 256.81, is amended to read:

256.81 [COUNTY AGENCY, DUTIES.]

(1) The county agency shall keep such records, accounts, and statistics in relation to aid to families with dependent children as the state agency shall prescribe.

(2) Each grant of aid to families with dependent children shall be paid to the recipient by the county agency unless paid by the state agency. Payment must be by check or electronic means except in those instances in which the county agency, subject to the rules of the state agency, determines that payments for care shall be made to an individual other than the parent or relative with whom the dependent child is living or to vendors of goods and services for the benefit of the child because such parent or relative is unable to properly manage the funds in the best interests and welfare of the child. At the request of a recipient, the state or county may make payments directly to vendors of goods and services, but only for goods and services appropriate to maintain the health and safety of the child, as determined by the county.

(3) The state or county may ask the recipient to give written consent authorizing the state or county to provide advance notice to a vendor before vendor payments of rent are reduced or terminated. Whenever possible under state and federal laws and regulations and if the recipient consents, the state or county shall provide at least 30 days notice to vendors before vendor payments of rent are reduced or terminated. If 30 days notice cannot be given, the state or county shall notify the vendor within three working days after the date the state or county becomes aware that vendor payments of rent will be reduced or terminated. When the county notifies a vendor that vendor payments of rent will be reduced or terminated, the county shall include in the notice that it is illegal to discriminate on the grounds that a person is receiving public assistance and the penalties for violation. The county shall also notify the recipient that it is illegal to discriminate on the grounds that a person is receiving public assistance and the procedures for filing a complaint. The county agency may develop procedures, including using the MAXIS system, to implement vendor notice and may charge vendors a fee not exceeding \$5 to cover notification costs.

(4) A vendor payment arrangement is not a guarantee that a vendor will be paid by the state or county for rent, goods, or services furnished to a recipient, and the state and county are not liable for any damages claimed by a vendor due to failure of the state or county to pay or to notify the vendor on behalf of a recipient, except under a specific written agreement between the state or county and the vendor or when the state or county has provided a voucher guaranteeing payment under certain conditions.

(3) (5) The county shall be paid from state and federal funds available therefor the amount provided for in section 256.82.

(4) (6) Federal funds available for administrative purposes shall be distributed between the state and the counties in the same proportion that expenditures were made except as provided for in section 256.017.

Sec. 13. Minnesota Statutes 1991 Supplement, section 256.935, subdivision 1, is amended to read:

Subdivision 1. On the death of any person receiving public assistance through aid to dependent children, the county agency shall pay an amount for funeral expenses not exceeding \$370 and the amount paid for comparable services under section 261.035 plus actual cemetery charges. No funeral expenses shall be paid if the estate of the deceased is sufficient to pay such expenses or if the ~~children, or spouse, who were~~ was legally responsible for the support of the deceased while living, ~~are~~ is able to pay such expenses; provided, that the additional payment or donation of the cost of cemetery lot, interment, religious service, or for the transportation of the body into or out of the community in which the deceased resided, shall not limit payment by the county agency as herein authorized. Freedom of choice in the selection of a funeral director shall be granted to persons lawfully authorized to make arrangements for the burial of any such deceased recipient. In determining the sufficiency of such estate, due regard shall be had for the nature and marketability of the assets of the estate. The county agency may grant funeral expenses where the sale would cause undue loss to the estate. Any amount paid for funeral expenses shall be a prior claim against the estate, as provided in section 524.3-805, and any amount recovered shall be reimbursed to the agency which paid the expenses. The commissioner shall specify requirements for reports, including fiscal reports, according to section 256.01, subdivision 2, paragraph (17). The state share of county agency expenditures shall be 50 percent and the county share shall be 50 percent. Benefits shall be issued to recipients by the state or county and funded according to section 256.025, subdivision 3, subject to provisions of section 256.017.

Beginning July 1, 1991, the state will reimburse counties according to the payment schedule set forth in section 256.025 for the county share of county agency expenditures made under this subdivision from January 1, 1991, on. Payment under this subdivision is subject to the provisions of section 256.017.

Sec. 14. Minnesota Statutes 1991 Supplement, section 256.98, subdivision 8, is amended to read:

Subd. 8. [DISQUALIFICATION FROM PROGRAM.] Any person found to be guilty of wrongfully obtaining assistance by a federal or

state court or by an administrative hearing determination, in either the aid to families with dependent children program or the food stamp program, shall be disqualified from that program. The needs of that individual shall not be taken into consideration in determining the grant level for that assistance unit:

- (1) for six months after the first conviction offense;
- (2) for 12 months after the second conviction offense; and
- (3) permanently after the third or subsequent conviction offense.

Any period for which sanctions are imposed is effective, without possibility of administrative stay, until the findings upon which the sanctions were imposed are reversed by a court of competent jurisdiction. The period for which sanctions are imposed is not subject to review. The sanctions provided under this subdivision are in addition to, and not in substitution for, any other sanctions that may be provided for by law for the offense involved. ~~When the disqualified individual is a caretaker relative, the remainder of the aid to families with dependent children grant payable to the other eligible assistance unit members must be provided in the form of protective payments. These payments may be made to the disqualified individual only if, after reasonable efforts, the county agency documents that it cannot locate an appropriate protective payee. Protective payments must continue until the disqualification period ends.~~

The amount attributable to employment expenses shall include amounts paid or withheld for federal and state personal income taxes and federal social security taxes.

"Income" includes any payments received as an annuity, retirement, or disability benefit, including veteran's or workers' compensation; old age, survivors, and disability insurance; railroad retirement benefits; unemployment benefits; and benefits under any federally aided categorical assistance program, supplementary security income, or other assistance program; rents, dividends, interest and royalties; and support and maintenance payments. Such payments may not be considered as available to meet the needs of any person other than the person for whose benefit they are received, unless that person is a family member or a spouse and the income is not excluded under section 256D.01, subdivision 1a. Goods and services provided in lieu of cash payment shall be excluded from the

definition of income, except that payments made for room, board, tuition or fees by a parent, on behalf of a child enrolled as a full-time student in a post-secondary institution, and payments made on behalf of an applicant or recipient which the applicant or recipient could legally require to be paid in cash to himself or herself, must be included as income. Benefits of an applicant or recipient, such as those administered by the Social Security Administration, that are paid to a representative payee, and are spent on behalf of the applicant or recipient, are considered available income of the applicant or recipient.

Sec. 17. Minnesota Statutes 1991 Supplement, section 256D.03, subdivision 4, is amended to read:

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) For a person who is eligible under subdivision 3, paragraph (a), clause (3), general assistance medical care covers:

- (1) inpatient hospital services;
- (2) outpatient hospital services;
- (3) services provided by Medicare certified rehabilitation agencies;

- (10) physician's services;
- (11) medical transportation;

(b) For a recipient who is eligible under subdivision 3, paragraph (a), clause (1) or (2), general assistance medical care covers the services listed in paragraph (a) with the exception of special transportation services.

(c) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent

(d) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986, to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987, to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1987, to June 30, 1988, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than five percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1988, to June 30, 1989, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may not be reduced. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(e) Any county may, from its own resources, provide medical payments for which state payments are not made.

(f) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(g) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(h) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule.

Sec. 18. Minnesota Statutes 1991 Supplement, section 256D.05, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY.] (a) Each person or family whose income and resources are less than the standard of assistance established by the commissioner and who is a resident of the state shall be eligible for and entitled to general assistance if the person or family is:

(1) a person who is suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(2) a person whose presence in the home on a substantially continuous basis is required because of the professionally certified illness, injury, incapacity, or the age of another member of the household;

(3) a person who has been placed in, and is residing in, a licensed or certified facility for purposes of physical or mental health or rehabilitation, or in an approved chemical dependency domiciliary facility, if the placement is based on illness or incapacity and is pursuant to a plan developed or approved by the county agency through its director or designated representative;

(4) a person who resides in a shelter facility described in subdivision 3;

(5) a person not described in clause (1) or (3) who is diagnosed by a licensed physician, licensed psychologist, or other qualified professional, as mentally retarded or mentally ill, and that condition prevents the person from obtaining or retaining employment;

(6) a person who has an application pending for, or is appealing termination of benefits from, the social security disability program or the program of supplemental security income for the aged, blind, and disabled, provided the person has a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment;

(7) a person who is unable to obtain or retain employment because advanced age significantly affects the person's ability to seek or engage in substantial work;

(8) a person who, following participation in the work readiness program, completion of an individualized employability assessment by the work readiness service provider, and consultation between the county agency and the work readiness service provider, the county agency work readiness service provider determines is not employable. For purposes of this item, a person is considered employable if the county agency determines that there exist positions of employment in the local labor market, regardless of the current availability of openings for those positions, that the person is capable of performing. Eligibility under this category must be reassessed at least annually by the county agency and must be based upon the results of a new individualized employability assessment completed by the work readiness service provider. The recipient shall, if otherwise eligible, continue to receive general assistance while the annual individualized employability assessment is completed by the work readiness service provider, rather than receive work readiness payments under section 256D.051. Subsequent eligibility for general assistance is dependent upon the county agency determining, following consultation with the work readiness service provider, that the person is not employable, or the person meeting the requirements of another general assistance category of eligibility;

(9) a person who is determined by the county agency, in accordance with emergency and permanent rules adopted by the commis-

sioner, to be learning disabled, provided that if a rehabilitation plan for the person is developed or approved by the county agency, the person is following the plan;

(10) a child under the age of 18 who is not living with a parent, stepparent, or legal custodian, but only if: the child is legally emancipated or living with an adult with the consent of an agency acting as a legal custodian; the child is at least 16 years of age and the general assistance grant is approved by the director of the county agency or a designated representative as a component of a social services case plan for the child; or the child is living with an adult with the consent of the child's legal custodian and the county agency. For purposes of this clause, "legally emancipated" means a person under the age of 18 years who: (i) has been married; (ii) is on active duty in the uniformed services of the United States; (iii) has been emancipated by a court of competent jurisdiction; or (iv) is otherwise considered emancipated under Minnesota law, and for whom county social services has not determined that a social services case plan is necessary, for reasons other than that the child has failed or refuses to cooperate with the county agency in developing the plan;

(11) a woman in the last trimester of pregnancy who does not qualify for aid to families with dependent children. A woman who is in the last trimester of pregnancy who is currently receiving aid to families with dependent children may be granted emergency general assistance to meet emergency needs;

(12) a person who is eligible for displaced homemaker services, programs, or assistance under section 268.96, but only if that person is enrolled as a full-time student;

(13) a person who lives more than two hours round-trip traveling time from any potential suitable employment; ~~and~~

(14) a person who is involved with protective or court-ordered services that prevent the applicant or recipient from working at least four hours per day; ~~and~~

(15) a family as defined in section 256D.02, subdivision 5, which is ineligible for the aid to families with dependent children program. If all children in the family are six years of age or older, or if suitable child care is available for children under age six at no cost to the family, all the adult members of the family must register for and cooperate in the work readiness program under section 256D.051. If one or more of the children is under the age of six and suitable child care is not available without cost to the family, all the adult members except one adult member must register for and cooperate with the work readiness program under section 256D.051. The adult member who must participate in the work readiness program is the one having earned the greater of the incomes, excluding in-kind income, during the 24-month period immediately preceding the

month of application for assistance. When there are no earnings or when earnings are identical for each adult, the applicant must designate the adult who must participate in work readiness and that designation must not be transferred or changed after program eligibility is determined as long as program eligibility continues without an interruption of 30 days or more. The adult members required to register for and cooperate with the work readiness program are not eligible for financial assistance under section 256D.051, except as provided in section 256D.051, subdivision 6, and shall be included in the general assistance grant. If an adult member fails to cooperate with requirements of section 256D.051, the local agency shall not take that member's needs into account in making the grant determination as provided by the termination provisions of section 256D.051, subdivision 1a, paragraph (b). The time limits of section 256D.051, subdivision 1, do not apply to persons eligible under this clause; or

(16) a person over age 18 whose primary language is not English and who is attending high school at least half time.

(b) Persons or families who are not state residents but who are otherwise eligible for general assistance may receive emergency general assistance to meet emergency needs.

(c) As a condition of eligibility under paragraph (a), clauses (1), (3), (5), (8), and (9), the recipient must complete an interim assistance agreement and must apply for other maintenance benefits as specified in section 256D.06, subdivision 5, and must comply with efforts to determine the recipient's eligibility for those other maintenance benefits.

(d) The burden of providing documentation for a county agency to use to verify eligibility for general assistance or work readiness is upon the applicant or recipient. The county agency shall use documents already in its possession to verify eligibility, and shall help the applicant or recipient obtain other existing verification necessary to determine eligibility which the applicant or recipient does not have and is unable to obtain.

Sec. 19. Minnesota Statutes 1991 Supplement, section 256D.051, subdivision 1, is amended to read:

Subdivision 1. [WORK REGISTRATION.] (a) Except as provided in this subdivision, persons who are residents of the state and whose income and resources are less than the standard of assistance established by the commissioner, but who are not categorically eligible under section 256D.05, subdivision 1, are eligible for the work readiness program for a maximum period of ~~five consecutive~~ six calendar months during any 12 consecutive calendar month period, subject to the provisions of paragraph (d), subdivision 3, and section 256D.052, subdivision 4. The person's ~~five-month~~ eligibility

period begins on the first day of the calendar month following the date of application for assistance or following the date all eligibility factors are met, whichever is later; and ends on the last day of the fifth consecutive calendar month, whether or not the person has received benefits for all five months. The person is not eligible to receive work readiness benefits during the seven calendar months immediately following the five-month eligibility period; however, the person may voluntarily continue to participate in work readiness services for up to three additional consecutive months immediately following the last month of benefits to complete the provisions of the person's employability development plan. After July 1, 1992, if orientation is available within three weeks after the date eligibility is determined, initial payment will not be made until the registrant attends orientation to the work readiness program. Prior to terminating work readiness assistance the county agency must provide advice on the person's eligibility for general assistance medical care and must assess the person's eligibility for general assistance under section 256D.05 to the extent possible, using information in the case file, and determine the person's eligibility for general assistance. A determination that the person is not eligible for general assistance must be stated in the notice of termination of work readiness benefits.

(b) Persons, families, and married couples who are not state residents but who are otherwise eligible for work readiness assistance may receive emergency assistance to meet emergency needs.

(c) Except for family members who must participate in work readiness services under the provisions of section 256D.05, subdivision 1, clause (14), any person who would be defined for purposes of the food stamp program as being enrolled at least half-time in an institution of higher education is ineligible for the work readiness program.

(d) Notwithstanding the provisions of sections 256.045 and 256D.10, during the pendency of an appeal, work readiness payments and services shall not continue to a person who appeals the termination of benefits due to exhaustion of the period of eligibility specified in paragraph (a) or (d).

Sec. 20. Minnesota Statutes 1990, section 256D.051, is amended by adding a subdivision to read:

Subd. 17. [START WORK GRANTS.] Within the limit of available appropriations, the county agency may make grants necessary to enable work readiness recipients to accept bona fide offers of employment. The grants may be made for costs directly related to starting employment, including transportation costs, clothing, tools and equipment, license or other fees, and relocation. Start work grants are available once in any 12-month period to a recipient. The commissioner shall allocate money appropriated for start work

grants to counties based on each county's work readiness caseload in the 12 months ending in March for each following state fiscal year and may reallocate any unspent amounts.

Sec. 21. Minnesota Statutes 1990, section 256D.06, subdivision 5, is amended to read:

Subd. 5. Any applicant, otherwise eligible for general assistance and possibly eligible for maintenance benefits from any other source shall (a) make application for those benefits within 30 days of the general assistance application; and (b) execute an interim assistance authorization agreement on a form as directed by the commissioner. If found eligible for benefits from other sources, and a payment received from another source relates to the period during which general assistance was also being received, the recipient shall be required to reimburse the county agency for the interim assistance paid. Reimbursement shall not exceed the amount of general assistance paid during the time period to which the other maintenance benefits apply and shall not exceed the state standard applicable to that time period. The commissioner shall adopt rules, and may adopt emergency rules, authorizing county agencies or other client representatives to retain from the amount recovered under an interim assistance agreement 25 percent plus actual reasonable fees, costs, and disbursements of appeals and litigation, of providing special assistance to the recipient in processing the recipient's claim for maintenance benefits from another source. The money retained under this section shall be from the state share of the recovery. The commissioner or the county agency may contract with qualified persons to provide the special assistance. The rules adopted by the commissioner shall include the methods by which county agencies shall identify, refer, and assist recipients who may be eligible for benefits under federal programs for the disabled. This subdivision does not require repayment of per diem payments made to shelters for battered women pursuant to section 256D.05, subdivision 3.

Sec. 22. Minnesota Statutes 1990, section 256D.06, is amended by adding a subdivision to read:

Subd. 5a. [SSI CONVERSIONS AND BACK CLAIMS.] (a) [SSI CONVERSIONS.] The commissioner of human services shall contract with agencies or organizations capable of ensuring that clients who are presently receiving assistance under sections 256D.01 to 256D.21, and who may be eligible for benefits under the federal Supplemental Security Income program, apply and, when eligible, are converted to the federal income assistance program and made eligible for health care benefits under the medical assistance program. The commissioner shall ensure that money owing to the state under interim assistance agreements is collected.

(b) [BACK CLAIMS FOR FEDERAL HEALTH CARE BENEFITS.] The commissioner shall also directly or through contract

implement procedures for collecting federal Medicare and medical assistance funds for which clients converted to SSI are retroactively eligible.

(c) [ADDITIONAL REQUIREMENTS.] The commissioner shall begin contracting with agencies to ensure implementation of this section within 14 days after enactment of this section. County contracts with providers for residential services shall include the requirement that providers screen residents who may be eligible for federal benefits and provide that information to the local agency. The commissioner shall modify the MAXIS computer system to provide information on clients who have been on general assistance for two years or longer. The list of clients shall be provided to local services for screening under this section.

(d) [REPORT.] The commissioner shall report to the legislature by January 15, 1993, on the implementation of this section. The report shall contain information on the following:

(1) the number of clients converted from general assistance to SSI, by county;

(2) information on the organizations involved;

(3) the amount of money collected through interim assistance agreements;

(4) the amount of money collected in federal Medicare or Medicaid funds;

(5) problems encountered in processing conversions and back claims; and

(6) recommended changes to enhance recoveries and maximize the receipt of federal money in the most efficient way possible.

#### Sec. 23. [256D.091] [GRANT DIVERSION.]

Subdivision 1. [DEFINITIONS.] (a) “Diverted grant” means the amount of the general assistance grant or work readiness assistance payment, not exceeding the standard of assistance for one person, that is available for a wage subsidy.

(c) The county agency shall submit fiscal and summary reports required by the commissioner.

Subd. 3. [REGISTRANT PARTICIPATION.] (a) A recipient may refuse employment or employment-related training under the grant diversion program unless the recipient lacks a work history or local work reference and the recipient's employability plan requires participation in a community investment program.

Subd. 6. [GRANT DIVERSION MONTHLY PAYMENT.] (a) The county agency shall calculate and pay the diverted grant directly to the registrant's employer or shall reimburse an employment and training service provider that has paid the employer. The amount of monthly payment available to an employer under the grant diversion program must not exceed the monthly standard of assistance for one person.

(b) If a registrant is receiving assistance as a member of an assistance unit, the monthly payment to the assistance unit may be reduced only by the amount of the assistance standard for one person.

(c) Notwithstanding any change in resources, household, or income of the registrant or the registrant's assistance unit, eligibility for work readiness and the amount of monthly payment is not subject to change during the grant diversion period if the registrant is participating in the grant diversion program as required in the notice provided under subdivision 5.

Subd. 3. [INTERIM ASSISTANCE ADVOCACY INCENTIVE PROGRAM.] From the amount recovered under an interim assistance agreement, county agencies may retain 25 percent plus actual reasonable fees, costs, and disbursements of appeals, litigation, and advocacy assistance given to the recipient for the recipient's claim for supplemental security income. The money kept under this section is from the state share of the recovery. The commissioner or the county agency may contract with qualified persons to provide the special assistance. The methods by which a county agency identifies, refers, and assists recipients who may be eligible for benefits under federal programs for the aged, blind, or disabled are those methods used by the general assistance interim assistance advocacy incentive program.

Sec. 26. Minnesota Statutes 1990, section 256H.01, is amended by adding a subdivision to read:

For purposes of this clause, "state and federal earnings" means the reported ~~nonfederal share of direct child care expenditures adjusted for the administrative allowance and 15 percent required county match and seven percent administration limit.~~

(b) When the amount of funds available for allocation is less than the amount available in the previous year, each county's previous year allocation shall be reduced in proportion to the reduction in the statewide funding, for the purpose of establishing the guaranteed floor.

Each county will receive a number of family slots based on the county's proportion of the AFDC caseload. A county must receive at least two family slots. Eligibility and reimbursement are limited to the number of family slots allocated to each county. County agencies shall authorize an educational plan

for each student and may prioritize families eligible for this program in their child care fund plan upon approval of the commissioner of human services.

Sec. 32. Minnesota Statutes 1990, section 256H.10, subdivision 1, is amended to read:

This is effective until June 30, 1993, or until the statewide system authorized under subdivision 6 is established, whichever occurs first.

(b) The maximum monthly rate for a general assistance or Minnesota supplemental aid group residence that is neither licensed by nor registered with the Minnesota department of health, or licensed by the department of human services, to provide programs or services in addition to room and board is an amount equal to the total of:

(1) the combined maximum shelter and basic needs standards for Minnesota supplemental aid recipients living alone specified in section 256D.44, subdivisions 2, paragraph (a), and 3, paragraph (a); plus

(2) for persons who are not eligible to receive food stamps due to living arrangements, the maximum allotment authorized by the federal food stamp program for a single individual which is in effect on the first day of July each year; less

(3) the personal needs allowance authorized for medical assistance recipients under section 256B.35.

Sec. 40. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 1b, is amended to read:

Subd. 1b. [RATES FOR UNCERTIFIED BOARDING CARE HOMES.] Effective July 1, 1992, the maximum rate for a boarding care home not certified to receive medical assistance is equal to 65 percent of the average nursing home level "A" rate in effect for the geographic area in which the boarding care home is located, except that a facility's rate must not be reduced by more than ten percent for the year ending June 30, 1992. This is effective until June 30, 1993. A noncertified boarding care home licensed under Minnesota

Rules, parts 9520.0500 to 9520.0690, is exempt from this rate limit. The commissioner shall study the numbers of facilities and residents that will be affected by the limit in this subdivision, the number of facilities likely to close because of the limit, the available alternatives for affected residents, methods of relocating or securing alternative placements for residents, and other effects of the limit. The commissioner shall provide a report to the legislature by January 1, 1992, on the commissioner's findings and recommendations relating to the rate limit specified in subdivision 1 does not apply to a facility which was licensed by the Minnesota department of health as a boarding care home before March 1, 1985, and which is not certified to receive medical assistance.

Sec. 41. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 2, is amended to read:

Subd. 2. [MONTHLY RATES; EXEMPTIONS.] (a) The maximum negotiated group residential housing rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690. For residences in this clause that have less than five percent of their licensed boarding care capacity reimbursed by the medical assistance program, rate increases shall be provided according to section 256B.431, subdivision 4, paragraph (e).

(b) The maximum negotiated group residential housing rate does not apply to a residence that on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a negotiated rate group residence under general assistance or Minnesota supplemental aid. Rate increases for these residences are subject to the provisions of subdivision 7.

(c) The maximum negotiated rate does not apply to a residence certified to participate in the medical assistance program, licensed as a boarding care facility or a nursing home, and declared to be an institution for mental disease by January 1, 1989. Effective January 1, 1989, the rate for these residences is the individual's appropriate medical assistance case mix rate. The exclusion from the rate limit for residences under this clause continues until June 30, 1992. The commissioner of human services, in consultation with the counties in which these residences are located, shall review the status of each certified nursing home and board and care facility declared to be an institution for mental disease. This review shall include the cost effectiveness of continued payment for residents through general assistance or Minnesota supplemental aid; the appropriateness of placement of general assistance or supplemental aid clients in these facilities; the effects of Public Law Number 100-203 on these facilities; and the role of these facilities in the mental health service

delivery system. The commissioner shall make recommendations to the legislature by January 1, 1990, regarding the need to continue the exclusion of these facilities from the negotiated rate maximum and the future role of these facilities in serving persons with mental illness.

(d) The commissioner of human services shall take the following action in relation to certified boarding care facilities and nursing homes that have been declared institutions for mental diseases, excluding those facilities exempt under paragraph (a):

(1) All mental health and placement screenings and diagnostic assessments required under the federal Omnibus Budget Reconciliation Act (OBRA) must be completed by July 1, 1991, for all residents in institutions for mental diseases admitted before June 1, 1991. Residents determined to need relocation under the preadmission screening and annual resident review must be relocated to a more appropriate placement in accordance with the timelines established in the state's alternative disposition plan.

(2) By October 1, 1991, all institutions for mental diseases must be reviewed again by the commissioner to determine if they are still institutions for mental diseases, and the commissioner shall immediately revoke a declaration that a facility is an institution for mental diseases if the commissioner determines that the facility is not an institution for mental diseases.

(3) The commissioner shall provide to institutions for mental diseases training in the criteria used in assessing residents for determination of institutions for mental diseases status and the numbers of residents in each category.

(4) For facilities whose status as an institution for mental diseases is not revoked by the commissioner by October 1, 1991, a facility-specific plan must be developed by the commissioner and the facility, in consultation with the appropriate consumer groups, to offer alternative services to enough residents by July 1, 1992, to allow the commissioner to revoke the facility's status as an institution for mental diseases.

Sec. 42. Minnesota Statutes 1990, section 256I.05, subdivision 3, is amended to read:

Subd. 3. [LIMITS ON RATES.] When a negotiated group residential housing rate is used to pay for an individual's room and board, the rate payable to the residence must not exceed the rate paid by an individual not receiving a negotiated group residential housing rate under this chapter.

Sec. 43. Minnesota Statutes 1990, section 256I.05, subdivision 6, is amended to read:

Subd. 6. [STATEWIDE RATE SETTING SYSTEM.] The commissioner shall establish a comprehensive statewide system of rates and payments for recipients who reside in ~~residences with negotiated rates~~ group residential housing to be effective ~~January 1, 1992, or as soon as possible after that date.~~ The commissioner may adopt rules to establish this rate setting system.

Sec. 44. Minnesota Statutes 1990, section 256I.05, is amended by adding a subdivision to read:

Subd. 7b. [COMMISSIONER'S DUTIES.] The commissioner shall not provide automatic annual inflation adjustments for group residential housing rates for the fiscal year beginning on July 1, 1993, and for subsequent fiscal years. The commissioner of finance shall include as a budget change request annual adjustments in reimbursement rates for group residential housing in each biennial detailed expenditure budget submitted to the legislature under section 16A.11.

Sec. 45. Minnesota Statutes 1990, section 256I.05, subdivision 8, is amended to read:

Subd. 8. [STATE PARTICIPATION.] For a resident of a negotiated rate group residence who is eligible for general assistance under sections 256D.01 to 256D.21, state participation in the negotiated group residential housing rate is determined according to section 256D.03, subdivision 2. For a resident of a negotiated rate facility group residence who is eligible under sections 256D.33 to 256D.54, state participation in the negotiated group residential housing rate is determined according to section 256D.36.

Sec. 46. Minnesota Statutes 1990, section 256I.05, subdivision 9, is amended to read:

Subd. 9. [PERSONAL NEEDS ALLOWANCE.] In addition to the negotiated group residential housing rate paid for the room and board costs, a person residing in a negotiated rate group residence shall receive an allowance for clothing and personal needs. The allowance shall not be less than that authorized for a medical assistance recipient in section 256B.35.

Sec. 47. Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 10, is amended to read:

Subd. 10. [FOSTER CARE.] In keeping with the definition of "group residential housing rate" established in section 256I.03, subdivision 2, beginning July 1, 1992, the negotiated group residen-

tial housing rate of a group residence licensed as a foster home is limited to the rate set for room and board costs payments provided the foster home is not the license holder's primary residence, or the license holder is not the primary caregiver to persons receiving services in the negotiated rate group residence, and federal funding is available to pay for so long as the cost of other necessary services meets the definition of services or costs eligible for payment under the state's Medicaid program under title XIX of the Social Security Act and the persons receiving services in the group residence also receive title XIX home- and community-based waiver services for persons with mental retardation or a related condition, or persons with traumatic or acquired brain injury. For the purpose purposes of this section, the July 1, 1992, rate set for room and board costs mean costs of providing food and shelter for eligible persons, and includes payments must not exceed the group residential housing rate effective June 30, 1992, minus the additional rate to be paid under title XIX of the Social Security Act. The only exception to this limitation is a rate adjustment for the payment of the additional room and board costs of serving additional persons in the group residence. Until a statewide rate setting system is developed in accordance with subdivision 6, "room and board payments" referred in this section means the directly identifiable payments for the usual costs of:

- (1) normal and special diet, food preparation and food services;
- (2) providing linen, bedding, laundering, and laundry supplies;
- (3) housekeeping, including cleaning and lavatory supplies;
- (4) maintenance and operation of the residence and grounds, including fuel, utilities, supplies, and equipment;
- (5) the allocation of salaries related to these areas; and
- (6) the lease or mortgage payment, property tax and insurance, furnishings and appliances.

For purposes of this section, room and board payments do not include payments for the costs of modifications and adaptations of the group residence required to ensure the health and safety of the resident or to meet the requirements of the applicable life safety code when those costs meet the definition of services and costs eligible for payment under the state's Medicaid program under title XIX of the Social Security Act. The group residences identified in this section shall be subject to a statewide rate setting system identified in subdivision 6 once the rate setting system has been developed. Any amount of payment made by counties prior to July 1, 1992, that exceeds the rate caps established in subdivisions 1 and 2 is not considered part of the group residential housing rate under this section and may not be considered as part of the group

residential housing rate set as of July 1, 1992, nor shall that amount be considered eligible for payment under title XIX of the Social Security Act.

Sec. 48. [256I.051] [RATE LIMITATION; WAIVERED SERVICES ELIGIBILITY.]

(a) If a group residential housing rate for an adult foster care or board and lodging placement is for an individual who would be or is eligible for the elderly waiver, the community alternatives for disabled individuals program, or the community alternative care program, the group residential housing rate must include only the room and board portion of the rate. This paragraph applies only to the extent that there are waiver funds available.

(b) The room and board portion of the group residential housing rate is an amount equal to the total of:

(1) the combined maximum shelter and basic needs standards for Minnesota supplemental aid recipients living alone, specified in section 256D.44, subdivisions 2, paragraph (a), and 3, paragraph (a); plus

(2) the maximum allotment authorized by the federal food stamp program for a single individual in effect on the first day of July each year to be applied to persons who are not eligible to receive food stamps due to living arrangement; and less

(3) the personal needs allowance authorized for medical assistance recipients under section 256B.35.

Sec. 49. Minnesota Statutes 1990, section 256I.06, is amended to read:

256I.06 [PAYMENT METHODS.]

When a negotiated group residential housing rate is used to pay the room and board costs of a person eligible under sections 256D.01 to 256D.21, the monthly payment may be issued as a voucher or vendor payment. When a negotiated group residential housing rate is used to pay the room and board costs of a person eligible under sections 256D.33 to 256D.54, payments must be made to the recipient. If a recipient is not able to manage the recipient's finances, a representative payee must be appointed.

Sec. 50. Minnesota Statutes 1991 Supplement, section 261.035, is amended to read:

261.035 [BURIAL FUNERALS AT EXPENSE OF COUNTY.]

A screener-collector position for purposes of this paragraph is an employee whose function is to increase the collection of fines and to review the incomes of potential clients of the public defender, in order to verify eligibility for that service.

Sec. 54. Minnesota Statutes 1990, section 518.551, subdivision 10, is amended to read:

Subd. 10. [ADMINISTRATIVE PROCESS FOR CHILD AND MEDICAL SUPPORT ORDERS.] (a) An administrative process is established to obtain, modify, and enforce child and medical support orders and maintenance.

The commissioner of human services may designate counties to participate in the administrative process established by this section. All proceedings for obtaining, modifying, or enforcing child and medical support orders and maintenance and adjudicating uncontested parentage proceedings, required to be conducted in counties designated by the commissioner of human services in which the county human services agency is a party or represents a party to the action must be conducted by an administrative law judge from the office of administrative hearings, except for the following proceedings:

- (1) adjudication of contested parentage;

- (3) evidentiary hearing on contempt motions; and
- (4) motions to sentence or to revoke the stay of a jail sentence in contempt proceedings.

(b) An administrative law judge may hear a stipulation reached on a contempt motion, but any stipulation that involves a finding of

contempt and a jail sentence, whether stayed or imposed, shall require the review and signature of a district judge.

(c) For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue orders to show cause and to issue bench warrants for failure to appear.

(d) Before implementing the process in a county, the chief administrative law judge, the commissioner of human services, the director of the county human services agency, the county attorney, and the county court administrator shall jointly establish procedures and the county shall provide hearing facilities for implementing this process in a county.

Persons selected for the project shall be MSA recipients who are mentally ill and who are certified by a physician as needing shared housing for medical reasons. These individuals shall be permitted to reside with other individuals while still receiving the full MSA shelter allowance and full basic needs allowance under Minnesota Statutes, section 256D.44. The purpose of the project is to demonstrate that allowing full MSA grants for certain persons with mental illness who share housing can be effective in helping those individuals avoid costly mental health treatment including repeated hospitalizations. The study must be conducted in conformity with federal requirements on studies using human subjects for research.

As part of the demonstration project, the commissioner shall conduct a survey of mental health professionals and county case managers and shall analyze the MSA caseload figures maintained by the department of human services. The purpose of the survey and analysis is to determine the likely number of individuals that would be impacted by an increase in the standard of assistance under Minnesota Statutes, section 256D.44, for mentally ill persons in shared housing situations. The commissioner shall consult with mental health advocacy and other public interest groups in preparing and carrying out the survey. The commissioner shall report to the legislature by January 15, 1994, on the results of the survey and demonstration project. For purposes of this demonstration project, eligible individuals shall be limited to Hennepin county on a first-come, first-served basis, subject to approval of the county board.

Sec. 56. [COLLECTIONS AND COST RECOVERY.]

The commissioner of human services shall consult with representatives of the office of child support enforcement, local social service agencies, the department of revenue, and legislative staff to make recommendations for a process to increase the collection of child support arrearages and to institute cost recovery in child support enforcement. The commissioner of human services and the commissioner of revenue shall report the recommendations to the chairs of the committees on health and human services and judiciary in the senate and the house of representatives by January 15, 1993.

Sec. 57. [CHILD SUPPORT COMPUTER SYSTEM.]

The commissioner of human services shall take appropriate action to ensure that the statewide computer system for the collection and enforcement of child support is operating effectively and efficiently as soon as possible. The commissioner shall report to the chairs of the committees on health and human services and judiciary in the

senate and the house of representatives by January 15, 1993, concerning the status of the computer system and any problems in the functioning of the system.

Sec. 58. [IMPLEMENTATION.]

Minnesota Statutes 1990, sections 144A.15, subdivision 6; 256B.495, subdivision 3; 256D.09, subdivision 3; and 256I.05, subdivision 7; and Minnesota Statutes 1991 Supplement, section 256I.05, subdivision 7a, are repealed.

Sec. 60. [EFFECTIVE DATE.]

Sections 26 to 32 are effective the day following final enactment. Section 37, subdivision 3, clause (4), is effective July 1, 1993.

Programs otherwise allowed under this subdivision shall not be prohibited by operation of restrictive covenants or similar restrictions, regardless of when entered into, which cannot be met because of the nature of the licensed program, including provisions which require the home's occupants be related, and that the home must be occupied by the owner, or similar provisions.

Subd. 2a. [ADULT FOSTER CARE LICENSE CAPACITY.] An adult foster care license holder may have a maximum license capacity of five if all persons in care are age 60 or over and who do not have a serious and persistent mental illness or a developmental disability. A license holder who is incorporated as a business may operate a maximum of two programs with a licensed capacity of five in each program.

Subd. 2b. ACTIVITIES UNDER THE STATE PLAN MEDICAID OPTION.] Upon receipt of federal approval, the commissioner shall make payments to approved vendors of case management services participating in the medical assistance program to reimburse costs for providing case management service activities to medical assistance eligible persons with mental retardation or a related condition, in accordance with the state Medicaid plan and federal requirements and limitations.

Sec. 27. Minnesota Statutes 1991 Supplement, section 256B.092, subdivision 7, is amended to read:

Subd. 7. [SCREENING TEAMS.] For persons with mental retardation or a related condition, screening teams shall be established which shall evaluate the need for the level of care provided by residential-based habilitation services, residential services, training and habilitation services, and nursing facility services. The evaluation shall address whether home- and community-based services are appropriate for persons who are at risk of placement in an intermediate care facility for persons with mental retardation or related conditions, or for whom there is reasonable indication that they might require this level of care. The screening team shall make an evaluation of need within 15 working days of the date that the assessment is completed or within 60 working days of a request for service by a person with mental retardation or related conditions, whichever is the earlier, and within five working days of an emergency admission of a person to an intermediate care facility for persons with mental retardation or related conditions. The screening team shall consist of the case manager for persons with mental retardation or related conditions, the person, the person's legal guardian or conservator, or the parent if the person is a minor, and a qualified mental retardation professional, as defined in the Code of Federal Regulations, title 42, section 483.430, as amended through June 3, 1988. The case manager may also act as the qualified mental retardation professional if the case manager meets the federal definition. County social service agencies may contract with a public or private agency or individual who is not a service provider for the person for the public guardianship representation required by the screening or individual service planning process. The contract shall be limited to public guardianship representation for the screening and individual service planning activities. The contract shall require compliance with the commissioner's instructions and may be for paid or voluntary services. For persons determined to have overriding health care needs, a registered nurse must be designated as either the case manager or the qualified mental retardation professional. The case manager shall consult with the person's physician, other health professionals or other individuals as necessary to make this evaluation. For persons under the jurisdiction of a correctional agency, the case manager must consult with the corrections administrator regarding additional health, safety, and supervision needs. The case manager, with the concurrence of the person,

the person's legal guardian or conservator, or the parent if the person is a minor, may invite other individuals to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case. Nothing in this section shall be construed as requiring the screening team meeting to be separate from the service planning meeting.

This adjustment must be used to maintain or increase services and shall not be used by county agencies for inflation increases for waived services vendors. Home care services referenced in this section are those listed in section 256B.0627, subdivision 2. The average daily reimbursement rates established in accordance with the provisions of this subdivision apply only to the combined average, daily costs of waived and home care services and do not change home care limitations under section 256B.0627. Waivered services recipients receiving home care as of June 30, 1992, shall not have the amount of their services reduced as a result of this section.

Sec. 29. Minnesota Statutes 1990, section 256B.501, is amended by adding a subdivision to read:

The adjustment to the waiver rates shall be based on county reports of service costs that are no longer eligible for group residential housing payments. No adjustment shall be made for any amount of reported payments that prior to July 1, 1992, exceeded the group residential housing rate limits established in section 256I.05 and were reimbursed through county funds.

Sec. 30. Minnesota Statutes 1990, section 256C.28, subdivision 2, is amended to read:

~~(1) one-half of the appropriation must be distributed to the counties according to the formula in section 256E.06, subdivision 1; and~~

(c) Nothing in this subdivision prohibits the department of human services from adopting or enforcing rules regulating day care, including the subjects in subdivision 4a, clauses (1) and (3). The department may not, however, adopt or enforce a rule stricter than subdivision 4a, clause (2).

(d) The department of human services may by rule adopt procedures for requesting the state fire marshal or a local fire marshal to conduct an inspection of day care homes to ensure compliance with state or local fire codes.

(e) The commissioners of public safety and human services may enter into an agreement for the commissioner of human services to perform follow-up inspections of programs, subject to licensure under section 245A, to determine whether certain violations cited by the state fire marshal have been corrected. The agreement shall provide for training of individuals who will conduct follow-up inspections. The agreement shall contain procedures for the commissioner of human services to follow when the commissioner requires assistance from the state fire marshal to carry out the duties of the agreement.

(f) No tort liability is transferred to the commissioner of human services as a result of the commissioner of human services performing activities within the limits of the agreement.

Sec. 34. Minnesota Statutes 1990, section 363.071, is amended by adding a subdivision to read:

Subd. 7. [LITIGATION AND HEARING COSTS.] The administrative law judge shall order a respondent who is determined to have engaged in an unfair discriminatory practice to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparing for and conducting the hearing, unless payment of the costs would impose a financial hardship on the respondent. Appropriate costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the costs of transcripts and other necessary supplies and materials.

Sec. 35. Minnesota Statutes 1990, section 363.14, subdivision 2, is amended to read:

Subd. 2. [DISTRICT COURT JURISDICTION.] Any action brought pursuant to this section shall be filed in the district court of the county wherein the unlawful discriminatory practice is alleged

Any action brought pursuant to this chapter shall be heard and determined by a judge sitting without a jury.

If the court finds that the respondent has engaged in an unfair discriminatory practice, it shall issue an order directing appropriate relief as provided by section 363.071, subdivision 2.

When the court issues an order providing for payment to the state of a civil penalty pursuant to section 363.071, subdivision 2, it shall serve a copy of that order upon the attorney general at the same time as it makes service upon the parties.

Sec. 36. Minnesota Statutes 1990, section 363.14, subdivision 3, is amended to read:

Appropriate costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, court costs, court reporters, and expert witnesses as well as the costs of transcripts and other necessary supplies and materials.

Sec. 37. [SPECIAL RATE AND LICENSING EXCEPTION.]

Notwithstanding contrary provisions of Minnesota Statutes, chapters 144, 157, 245A, and 256B, a facility that on August 1, 1987, was licensed by the commissioner of health as a boarding care facility with 11 or fewer beds and which had at least 75 percent of its licensed beds occupied by chronically, severely impaired, mentally ill individuals who were transferred to the facility from a regional treatment center may retain that license and must be reimbursed at a rate equal to its documented actual costs and known cost changes according to the rate formula in effect in 1980, or \$50 per resident per day, whichever is lower. This exemption from other rate-setting regulations or restrictions continues as long as the proportion of the facility's residents who are chronically, severely impaired, mentally ill individuals who were transferred to the facility from a regional treatment center remains at or above 75 percent.

## Sec. 38. [WAIVERED SERVICES RATE STRUCTURE.]

The commissioner of human services shall report to the legislature by January 15, 1993, with plans to implement on July 1, 1993, a rate structure for home- and community-based services under title XIX of the Social Security Act which bases funding on assessed needs of persons with mental retardation or related conditions.

## Sec. 39. [MENTAL HEALTH SERVICES DELIVERY SYSTEM PILOT PROJECT IN DAKOTA COUNTY.]

Subdivision 1. [AUTHORIZATION FOR PILOT PROJECT.] (a) Notwithstanding Minnesota Statutes, section 256E.05, subdivision 3a, after July 1, 1992, the commissioner of human services shall establish a pilot project in Dakota county to test alternatives to the delivery of mental health services required under the Minnesota comprehensive mental health act, Minnesota Statutes, sections 245.461 to 245.486.

(b) The pilot project shall be established to design and plan an improved mental health services delivery system for adults with serious and persistent mental illness that would: (1) enhance consumer choice and flexibility; (2) maximize local community-based alternatives; (3) support persons in independent living arrangements; (4) enhance the person's ability to work; (5) ensure the person a place in the community; and (6) enhance the development of a strong community-based psychiatric program.

(c) By January 1, 1993, the pilot program shall develop a comprehensive proposal for integrated program funding which would permit flexibility in expenditures based on local needs with local control. The planning process shall include, but not be limited to, mental health consumers, health advocacy groups, Dakota county, and the department of human services.

The integrated funding proposal shall be presented to the state legislature for approval prior to implementation on July 1, 1993.

(d) The pilot project may include, but not be limited to, issues in the service delivery system relating to:

(1) financial assistance from the state and the ability to use existing funds flexibly to downsize residential facilities for persons with mental illness governed by Minnesota Rules, parts 9520.0500 to 9520.0690;

(2) joint collaboration or program development projects between counties to enhance efficiency and expand program opportunities in such areas as mental illness and chemical dependency, downsizing of residential facilities for persons with mental illness, and residential

or supported living arrangements for mothers with mental illness and their children;

(3) integrated program funding to permit flexibility in expenditures based on local needs with local control;

(4) flexibility in the delivery of case management services;

(5) waiver or removal of the rate cap and moratorium on negotiated rate facilities;

(6) broader usage and additional services to be covered under the medical assistance state plan rehabilitation option;

(7) prepaid managed health care programs; and

(8) commitment of persons under Minnesota Statutes, chapter 253B, to community facilities and programs.

(e) The integrated funding may include current mental health expenditures, including maintenance costs, from the following sources:

(1) general assistance medical care;

(2) general assistance;

(3) medical assistance;

(4) Minnesota supplemental aid;

(5) grants for residential services for adults with mental illness;

(6) grants for community support services programs for persons with serious and persistent mental illness; and

(7) mental health special project grants.

(f) The pilot project shall establish an opportunity to expand educational opportunities in the area of community-based psychiatry. The pilot project shall develop and may implement a psychiatric residency program at the Dakota Mental Health Center, Inc. The program may train at least one psychiatric resident per year. The program may contract with a psychiatric faculty member from a Minnesota medical school who will supervise the resident and assist in the development of a strong community-based psychiatric program.

(g) For purposes of the pilot project, for those persons committed under Minnesota Statutes, chapter 253B, and awaiting transfer to a regional treatment center, postcommitment costs of care will be added to the cost of care as provided for in Minnesota Statutes, sections 246.50, subdivision 5, and 246.54.

(h) An intergovernmental agreement or contract may be developed between the county and state to specify the terms of the pilot.

(i) Evaluation of the pilot project will be based on outcome evaluation criteria negotiated with the county prior to implementation of the pilot project.

(j) The pilot project shall be implemented after July 1, 1992.

(k) The pilot project shall be completed by July 1, 1997.

(l) A report on the pilot project must be completed by January 1, 1998, and a report presented to the commissioner.

Subd. 2. [DUTIES OF THE COMMISSIONER.] For purposes of the pilot project, the commissioner:

(1) shall combine all mental health program and funding plans into one comprehensive plan unless otherwise required by federal law. Any mental health expenditures from regional treatment center appropriations or any share of expenditures from mental health funding used for commitment to or treatment in a regional treatment center shall not become part of any comprehensive fund or plan;

(2) may waive administrative rule requirements for the duration of the pilot project status;

(3) may exempt the participating county from fiscal sanctions for noncompliance with social services requirements in laws and rules; and

(4) shall recommend legislative changes in the biennial state plan if the results of the pilot project indicate the need for legislative change.

#### Sec. 40. [PILOT PROJECT FOR CRISIS SERVICES.]

The commissioner may authorize a pilot project to provide community-based crisis services for persons with mental retardation or related conditions who would otherwise be admitted to or are at risk of being admitted to an acute care hospital for psychological care. To make available the facility capacity for the pilot project, the commissioner may authorize relocation of and alternative services for up

to 15 residents of an existing intermediate care facility for persons with mental retardation or related conditions. The medical assistance costs of the alternative services must not exceed the medical assistance costs of services, including day training and habilitation services, for the residents at the intermediate care facility who are relocated. The commissioner may adjust the program operating costs rate of the facility under Minnesota Rules, part 9553.0050, subpart 3, as necessary to implement the pilot project. The project shall serve persons who are the responsibility of Hennepin and Carver counties and other counties as determined by the commissioner.

By January 15, 1994, the commissioner shall report to the legislature on the cost effectiveness of the pilot project.

Sec. 41. [ALTERNATIVE SERVICES PILOT PROJECTS.]

Subdivision 1. [ELIGIBLE PERSON.] "Eligible person" means a person with mental retardation or related conditions who is 65 years of age or older. An eligible person may be under 65 years of age if authorized by the commissioner to receive alternative services for health or medical reasons.

Subd. 2. [ALTERNATIVE SERVICES AUTHORIZED.] Notwithstanding other law to the contrary, the commissioner may develop pilot projects that provide alternatives to day training and habilitation services for persons with mental retardation or related conditions who are 65 years of age or older. Before implementing the pilot projects, the commissioner shall consult with the board on aging; providers of day training and habilitation programs, residential programs, state-operated community-based programs, and other alternative services for persons with mental retardation or related conditions; and other interested persons including parents, advocates, and persons who may be considered for alternative services. The commissioner shall select as pilot project vendors only current providers of day training and habilitation programs, residential programs, state-operated community-based programs, or other alternative programs.

Subd. 3. [ALTERNATIVE SERVICES PARTICIPATION.] No more than 30 persons may receive alternative services under the pilot projects, and participants must be selected as follows: no more than seven persons from day training and habilitation programs; no more than seven persons from state-operated community-based programs; no more than seven persons from residential programs; and no more than nine persons from other community-integrated programs. Alternative services may be provided by a person's residential program provider only after other alternative services have been considered and determined not to meet the person's needs.

Subd. 4. [ADVISORY COMMITTEE.] The commissioner shall convene an advisory committee consisting of persons concerned with

and affected by the alternative services pilot projects and the effect of the projects on existing services to evaluate the alternative services pilot projects. The commissioner shall report the advisory committee's evaluation to the legislature by February 1, 1994.

Subd. 5. [RIGHTS AND PROTECTIONS.] (a) The commissioner shall notify eligible persons or their legal representatives, in writing, when alternative services pilot projects have been authorized in the county. Eligible persons or their legal representatives may choose to participate in the alternative services pilot project that best serves the person's individual needs.

(b) Persons participating in alternative services must continue to receive active treatment as provided in a person's individual service plan to ensure compliance with applicable federal regulations.

(c) The county must inform persons participating in alternative services when any part of Minnesota Rules is waived. No rights or procedural protections under sections 256.045, subdivision 4a, or 256B.092, may be waived.

Subd. 6. [PAYMENT FOR ALTERNATIVE SERVICES.] (a) Payment for alternative services shall be made to approved vendors under the conditions of existing contracts with the host county, except for intermediate care facilities for persons with mental retardation or a related condition reimbursed through Minnesota Rules, parts 9553.0010 to 9553.0080. When alternative services under this section are provided by an intermediate care facility for persons with mental retardation or related conditions, the following reimbursement and reporting procedures will be applied.

(b) Effective upon date of enactment, the commissioner shall, for a facility determined to be eligible under this section, negotiate an adjustment to the payment rate. The negotiated adjustment must reflect only the actual programmatic costs of meeting the alternative day training and habilitation needs of persons participating in service alternatives under this section. Additional programmatic costs must not include administrative and property-related costs. The additional programmatic costs shall be limited to:

(1) program salaries, payroll taxes, and fringe benefits of facility employees providing direct care services;

(2) costs of program consultants providing direct care services;

(3) training costs of facility employees providing direct care services;

(4) costs of program supplies; and

(5) additional operating costs related to transporting persons to community activities which have not been included in the facility's payment rate.

The additional programmatic costs must be reported on the facility's annual cost report in the program operating cost category. A facility receiving a negotiated adjustment to its payment rate must agree to report these payments on an accrual basis as an applicable credit in the program operating cost category on its annual cost report for each reporting year in which a negotiated adjustment is in effect. The maximum amount of the negotiated adjustment shall not exceed the cost of the day training and habilitation service provided to a person just prior to entering alternative services.

(c) The negotiated per diem adjustment to the facility's payment rate shall be equal to the sum of the negotiated programmatic costs divided by the facility's resident days for the reporting year used to establish the payment rate being adjusted. The adjusted payment rate shall be effective the first day of the month following the month when a person ceases receiving day training and habilitation services. The negotiated per diem adjustment may be subject to renegotiation on October 1 of each subsequent rate year. The negotiated per diem adjustment shall terminate upon discharge of the person from the facility, or at such time when the person is determined by the commissioner to no longer require service alternatives.

(d) Upon statewide implementation of a residential client-based reimbursement system for ICF/MR facilities, parts or all of this subdivision shall be subject to amendment, if no longer applicable, as determined by the commissioner.

**Sec. 42. [SOCIAL SERVICE PILOT PROJECT; INTERGOVERNMENTAL AGREEMENTS.]**

Subdivision 1. [PILOT PROJECTS.] The commissioner of human services may approve up to six counties to participate in a pilot project to demonstrate the use of intergovernmental contracts between the state and counties to fund, administer, and regulate the delivery of programs under Minnesota Statutes, sections 245.461 to 245.4861 and 245.487 to 245.4887, and Minnesota Statutes, chapter 256E. The commissioner shall consider statewide distribution and county population in selecting counties for the pilot project. Counties may also develop integrated plans for any social service and community health programs which shall be accepted by the commissioners of health and human services in lieu of plans required in statute or rule. Two or more counties may submit joint proposals under the pilot project. The pilot projects shall expire after June 30, 1997.

Subd. 2. [PURPOSE OF PILOT PROJECTS.] Purposes of the social service contract pilot projects include:

(a) Improving the quality of social services provided to persons by county human service agencies.

(b) Eliminating administrative mandates and procedural requirements governing delivery of social services.

(c) Consolidating program funds to permit county flexibility in the use of program funds.

(d) Encouraging intercounty and regional cooperation and coordination.

(e) Simplifying and consolidating planning and reporting requirements.

(f) Determining feasibility of using outcome-based performance standards to regulate the delivery of social services by counties.

(g) Clarifying the role of counties and state in the delivery of social services programs.

Subd. 3. [TERMS; CONDITIONS OF INTERGOVERNMENTAL AGREEMENTS.] Counties participating in the pilot projects shall be exempt from the procedural requirements in state law except as required in federal law. Counties providing services under the pilot project shall continue mandated services. Program funds may be consolidated to permit the greatest flexibility in the delivery of services. Each intergovernmental agreement shall specify a limited and reasonable number of measurable objectives based on the county's community social services plan which will be used by the state to determine compliance. Counties participating in pilot projects will be required to provide mandated services to all eligible persons but will have flexibility in the delivery of services and use of funds. The county shall review pilot projects proposed under subdivisions 1 to 5 with all county social services and mental health advisory committees and councils.

Subd. 4. [MONITORING AND ENFORCEMENT.] The commissioner of human services shall monitor the pilot projects to determine compliance with the terms of the intergovernmental contracts and to assure that social services are delivered according to the county community social services act plan. The commissioner may rescind approval for the pilot project if the county fails to comply with the terms of the intergovernmental contract. If approval is withdrawn, the county will immediately be subject to all the requirements of the administrative rules governing programs covered under the intergovernmental contract.

Subd. 5. [DISPUTE RESOLUTION.] Nothing in this section shall alter the due process rights available to persons under state and federal law. Disputes which arise between the state and county in the development of contracts authorized in this section shall be resolved through mediation. The state and county shall select a mediator acceptable to both parties for the purpose of resolving disputes.

**Sec. 43. [STUDY OF RESTRICTIONS ON RIGHT TO PROVIDE LICENSED DAY CARE.]**

The commissioner of human services shall submit a report to the legislature by December 1, 1992, on the feasibility and desirability of prohibiting deeds; covenants; housing, condominium, or town-house association bylaws, declarations, or rules; leases, rental agreements, or rules for manufactured home park lots or other rental property; or other conveyance instruments from including restrictions on use of residential property that would prevent a person from providing family or group family day care services for which the person is licensed under Minnesota Rules, parts 9502.0300 to 9502.0445. In completing the report, the commissioner shall consider the need for exceptions for:

(1) owner-occupied rental property with no more than two units, including the owner-occupied unit; and

(2) housing for older persons, as defined in United States Code, title 42, section 3607(b), as amended through December 31, 1991.

**Sec. 44. [REPEALER.]**

Minnesota Statutes 1990, sections 245A.14, subdivision 5; 245A.17; and Minnesota Statutes 1991 Supplement, section 252.46, subdivision 15, are repealed.

Minnesota Rules, part 9503.0170, subpart 6, item D, are repealed."

#### 16B.121 [PURCHASE OF RECYCLED, REPAIRABLE, AND DURABLE MATERIALS.]

The commissioner shall take the recycled content and recyclability of commodities to be purchased into consideration in bid specifications. ~~The commissioner shall apply weighting factors to the recycled content and recyclability criteria in order to give a preferential treatment to those criteria. State agencies shall purchase recycled materials when specifications allow the practical use of the recycled materials and the price does not exceed the price of nonrecycled materials by more than ten percent. If possible, state agencies should purchase materials recycled from waste generated in this state. When feasible and when the price of recycled materials does not exceed the price of nonrecycled materials by more than ten percent, the commissioner, and state agencies when purchasing under delegated authority, shall purchase recycled materials. In order to maximize the quantity and quality of recycled materials purchased, the commissioner, and state agencies when purchasing under delegated authority, may also use other appropriate procedures to acquire recycled materials at the most economical cost to the state.~~

When purchasing commodities and services, the commissioner, and state agencies when purchasing under delegated authority,

shall apply and promote the preferred waste management practices listed in section 115A.02, with special emphasis on reduction of the quantity and toxicity of materials in waste. The commissioner, and state agencies when purchasing under delegated authority, in developing bid specifications, shall consider the extent to which a commodity or product is durable, reusable, or recyclable and marketable through the state resource recovery program.

Sec. 2. Minnesota Statutes 1991 Supplement, section 16B.122, subdivision 2, is amended to read:

Subd. 2. [PURCHASES; PRINTING.] (a) Whenever practicable, a public entity shall:

  - (7) use soy-based inks; and
  - (8) produce reports, publications, and periodicals that are readily recyclable within the state ~~resources~~ resource recovery program.
- (b) Paragraph (a), clause (1), does not apply to coated paper that is made with at least 50 percent ~~fiber that has been recycled after use by a consumer~~ postconsumer material.

Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules and the requirements of paragraph (b) is a condition of obtaining or retaining a permit to operate the facility.

(b) ~~The agency shall amend the rules adopted under paragraph (a) to allow~~ A municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, ~~to may~~ meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility through its authority to issue bonds, provided that the method developed in the rules will ensure that when funds are needed for a contingency action, sufficient bonds can and will be

issued by the municipality by pledging its full faith and credit to meet its responsibility.

The rules must include at least The pledge must be made in accordance with the requirements in chapter 475 for issuing bonds of the municipality, and the following additional requirements:

(1) ~~a requirement that~~ The governing body of the municipality shall enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs ~~calculated under the rules.~~

(2) ~~a requirement that~~ The municipality ~~assure~~ shall require that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means;

(3) ~~a requirement that~~ When a municipality opts under the rules to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside funds in a dedicated long-term care trust fund money that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action; ~~and. The agency may not require a municipality to set aside more than five percent of the total cost in a single year.~~

(4) ~~a requirement that~~ A municipality shall have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(5) The municipality shall file with the commissioner of revenue its consent to have the amount of its contingency action costs deducted from state aid payments otherwise due the municipality and paid instead to the environmental response, compensation, and compliance account created in section 115B.20, if the municipality fails to conduct the contingency action at the facility when ordered by the agency. If the agency notifies the commissioner that the municipality has failed to conduct contingency action when ordered by the agency, the commissioner shall deduct the amounts indicated by the agency from the state aids in accordance with the consent filed with the commissioner.

(6) The municipality shall file with the agency written proof that it has complied with the requirements of paragraph (b).

(c) ~~Counties shall comply with existing financial responsibility rules until those rules are amended under paragraph (b), and, after that time, counties shall comply with the amended rules.~~ The method for proving financial responsibility developed under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, unless the expansion is a vertical expansion. "Sec. 26. Minnesota Statutes 1990, section 116.12, subdivision 2, is amended to read:

Subd. 2. [HAZARDOUS WASTE GENERATOR FEE.] (a) Each generator of hazardous waste shall pay a fee on the hazardous waste generated by that generator. The agency shall compute the amount of the fee due based on the hazardous waste disclosures submitted by the generators and other information available to the agency. The agency shall annually prepare a statement of the amount of the fee due from each generator. The fee shall be paid annually commencing with the first day of the calendar quarter after the date of the statement.

(b) The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a minimum fee for each generator not exempted by the agency and an additional fee based on the quantity of wastes generated by the generator.

(c) If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. The agency shall not charge a fee in any metropolitan county which charges such a fee. counties that provide for the removal of household hazardous waste from the waste.

(c) The agency may not require, as a condition of using refuse derived fuel under this section, any additional monitoring or testing of a solid fired boiler's air emissions beyond the monitoring or testing required by state or federal law or by the terms of the solid fuel fired boiler's permit issued by the agency."

CONFERENCE COMMITTEE REPORT ON S. F. NO. 1938

A bill for an act relating to landlords and tenants; providing for assignment to the county attorney of the landlord's right to evict for breach of the covenant not to sell drugs or permit their sale; clarifying the law on forfeiture of real estate interests related to contraband or controlled substance seizures; amending Minnesota Statutes 1990, sections 504.181, subdivision 2; and 609.5317, subdivision 1.

April 14, 1992

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Dee Long  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1938, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 1938 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 504.181, subdivision 2, is amended to read:

Subd. 2. [BREACH VOIDS RIGHT TO POSSESSION.] A breach of the covenant created by subdivision 1 voids the lessee's or licensee's right to possession of the residential premises. All other provisions

of the lease or license, including but not limited to the obligation to pay rent, remain in effect until the lease is terminated by the terms of the lease or operation of law.

If the lessor or licensee breaches the covenant created by subdivision 1, the landlord may bring, or assign to the county attorney of the county in which the residential premises are located, the right to bring an unlawful detainer action against the lessee or licensee. The assignment must be in writing on a form provided by the county attorney, and the county attorney may determine whether to accept the assignment. If the county attorney accepts the assignment of the landlord's right to bring an unlawful detainer action:

(1) any court filing fee that would otherwise be required in an unlawful detainer action is waived; and

(2) the landlord retains all the rights and duties, including removal of the lessee's or licensee's personal property, following issuance of the writ of restitution and delivery of the writ to the sheriff for execution.

Sec. 2. Minnesota Statutes 1990, section 609.5311, subdivision 3, is amended to read:

Subd. 3. [LIMITATIONS ON FORFEITURE OF CERTAIN PROPERTY ASSOCIATED WITH CONTROLLED SUBSTANCES.] (a) A conveyance device is subject to forfeiture under this section only if the retail value of the controlled substance is \$25 or more and the conveyance device is associated with a felony-level controlled substance crime.

(b) Real property is subject to forfeiture under this section only if the retail value of the controlled substance or contraband is \$1,000 or more.

(c) Property used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section only if the owner of the property is a consenting party to, or is privy to, the use or intended use of the property as described in subdivision 2.

(d) Property is subject to forfeiture under this section only if its owner was privy to the use or intended use described in subdivision 2, or the unlawful use or intended use of the property otherwise occurred with the owner's knowledge or consent.

(e) Forfeiture under this section of a conveyance device or real property encumbered by a bona fide security interest is subject to the interest of the secured party unless the secured party had knowledge of or consented to the act or omission upon which the forfeiture is

based. A person claiming a security interest bears the burden of establishing that interest by clear and convincing evidence.

(f) Notwithstanding paragraphs (d) and (e), property is not subject to forfeiture based solely on the owner's or secured party's knowledge of the unlawful use or intended use of the property: (1) if the owner or secured party took reasonable steps to terminate use of the property by the offender; or (2) the property is real property owned by the parent of the offender, unless the parent actively participated in, or knowingly acquiesced to, a violation of chapter 152, or the real property constitutes proceeds derived from or traceable to a use described in subdivision 2.

Sec. 3. Minnesota Statutes 1990, section 609.5317, subdivision 1, is amended to read:

Subdivision 1. [RENTAL PROPERTY.] (a) When contraband or a controlled substance manufactured, distributed, or acquired in violation of chapter 152 is seized on residential rental property incident to a lawful search or arrest, the county attorney shall give the notice required by this subdivision to (1) the landlord of the property or the fee owner identified in the records of the county assessor, and (2) the agent authorized by the owner to accept service pursuant to section 504.22. The notice is not required during an ongoing investigation. The notice shall state what has been seized and specify the applicable duties and penalties under this subdivision. The notice shall state that the landlord who chooses to assign the right to bring an unlawful detainer action retains all rights and duties, including removal of a tenant's personal property following issuance of the writ of restitution and delivery of the writ to the sheriff for execution. The notice shall also state that the landlord may contact the county attorney if threatened by the tenant. Notice shall be sent by certified letter, return receipt requested, within 30 days of the seizure. If receipt is not returned, notice shall be given in the manner provided by law for service of summons in a civil action.

(b) Within 15 days after notice of the first occurrence, the landlord shall bring, or assign to the county attorney of the county in which the real property is located, the right to bring an unlawful detainer action against the tenant. The assignment must be in writing on a form prepared by the county attorney. Should the landlord choose to assign the right to bring an unlawful detainer action, the assignment shall be limited to those rights and duties up to and including delivery of the writ of restitution to the sheriff for execution.

(c) Upon notice of a second occurrence on any residential rental property owned by the same landlord in the same county and involving the same tenant, and within one year after notice of the first occurrence, the property is subject to forfeiture under sections 609.531, 609.5311, 609.5313, and 609.5315, unless an unlawful detainer action has been commenced as provided in paragraph (b) or

the right to bring an unlawful detainer action was assigned to the county attorney as provided in paragraph (b). If the right has been assigned and not previously exercised, or if the county attorney requests an assignment and the landlord makes an assignment, the county attorney may bring an unlawful detainer action rather than an action for forfeiture.

Sec. 4. [EFFECTIVE DATE; APPLICATION.]

Section 1 is effective August 1, 1992, and applies to breaches of the covenant occurring on or after that date.

Section 2 is effective the day after final enactment and applies to forfeiture proceedings commenced or pending on or after that date. Section 3 is effective August 1, 1992, and applies to second occurrences on or after that date."

Delete the title and insert:

April 10, 1992

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Dee Long  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 2514, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 2514 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Laws 1963, chapter 276, section 2, subdivision 2, is amended to read:

Subd. 2. One third of the members of the first hospital board shall be appointed for a term to expire one year from December 31 next following such appointment, one third for a term to expire two years from such date, and one third for a term to expire three years from such date. Successors to the original board members shall each be elected for terms of three years, and all members shall hold office until their successors are elected and qualify. Terms of all members shall expire on December 31. In case of a vacancy on the hospital board, whether due to death, removal from the district, inability to serve, resignation, or other cause the majority of the remaining members of the hospital board, at its next regular or special meeting, shall make an appointment to fill such vacancy for the then unexpired term. The election of successors to the original board members shall be elected by popular vote of the qualified voters in the hospital district. ~~Such elections and any special elections shall be called and conducted in accordance with the provisions of Minnesota Statutes, Section 447.32, Subdivisions 1, 2, 3, and 4 insofar as the same is applicable.~~

Sec. 2. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2a. The hospital board shall, by resolution, fix a date for an election, not later than December 7 just before the expiration of board members' terms. It shall establish the whole district as a single election precinct and shall designate the polling place. Special elections may be called at any time by the hospital board to vote on any matter required by law to be submitted to the voters. Special elections must be held within the same election precinct and at the same polling place as regular elections. Advisory ballots may be submitted by the hospital board on any question it wishes concerning the affairs of the district, but only at a regular election or at a special election required for another purpose.

Sec. 3. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2b. At least two weeks before the first day to file affidavits of candidacy, the clerk of the district shall publish a notice stating the first and last day on which affidavits of candidacy may be filed, the places for filing the affidavits, and the closing time of the last day for filing. The clerk shall post a similar notice. At least two weeks before the election the clerk of the district shall publish a notice of the election, and at least ten days before the election the clerk shall post a notice of the election. A notice required to be published under this subdivision must be published in the official newspaper of the district, or, if a paper has not been designated, in a legal newspaper having general circulation within the district. A notice required to be posted under this subdivision shall be posted in at least one public and conspicuous place within each city and town included in the district. Failure to give notice does not invalidate the election of an officer of the district. A voter may contest a hospital district election in accordance with Minnesota Statutes, chapter 209.

Sec. 4. Laws 1963, chapter 276, section 2, is amended by adding a subdivision to read:

Subd. 2c. (a) A candidate for the hospital board shall file an affidavit of candidacy for the election either as a member at large or as a member representing the city or town where the candidate resides. The affidavit of candidacy must be filed with the city or town clerk not more than ten weeks nor less than eight weeks before the election. The city or town clerk must forward the affidavits of candidacy to the clerk of the hospital district immediately after the last day of the filing period. A candidate may withdraw from the election by filing an affidavit of withdrawal with the clerk of the district no later than 12:00 p.m. on the day after the last day to file affidavits of candidacy.

(b) Voting must be by secret ballot. The clerk shall prepare, at the

expense of the district, necessary ballots for the election of officers. Ballots must contain the names of the proposed candidates for each office, the length of the term of each office, and an additional blank space for the insertion of another name by the voter. The ballots must be marked and initialed by at least two judges as official ballots and used exclusively at the election. Any proposition to be voted on may be printed on the ballot provided for the election of officers or on a different ballot. The hospital board may also authorize the use of voting machines subject to Minnesota Statutes, chapter 206. At least two election judges shall be appointed to receive the votes. They may be paid by the district at a rate set by the board. The election judges shall act as clerks of election, count the ballots cast, and submit them to the board for canvass.

(c) After canvassing the election, the board shall issue a certificate of election to the candidate who received the largest number of votes cast for each office. The clerk shall deliver the certificate to the person entitled to it in person or by certified mail. Each person certified shall file an acceptance and oath of office in writing with the clerk within 30 days after the date of delivery or mailing of the certificate. If the person elected fails to qualify within 30 days, a majority of the remaining members of the board may appoint a successor, but qualification is effective if made before the board acts to fill the vacancy.

Sec. 5. Laws 1963, chapter 276, section 4, is amended to read:

Sec. 4. [MEETINGS OF THE BOARD.] Regular meetings of the hospital board shall be held at least ~~once a month~~ annually, and ~~may meet more frequently, at such time times and place places~~ as the board shall by resolution determine. Special meetings may be held at any time upon the call of the chairman or of any two other members, upon written notice mailed to each member three days prior to the meeting, or upon such other notice as the board, by resolution, may provide, or without notice, if each member is present or files with the secretary a written consent to the holding of the meeting, which consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned meeting or at a duly called special meeting if a quorum is present. A majority of all the members of the board shall constitute a quorum, but a lesser number may meet and adjourn from time to time.

Sec. 6. [COUNTY OF SWIFT; CITY OF BENSON: REORGANIZATION OF JOINT POWERS HOSPITAL.]

Subdivision 1. [AUTHORIZATION.] Any hospital organized and operating under a joint powers agreement between the county of Swift and the city of Benson may be reorganized and operate pursuant to the provisions of sections 6 to 20, upon compliance with subdivision 2.

Subd. 2. [REORGANIZATION.] In order to effect a reorganization, the existing governing body of the hospital shall file its request for reorganization with the county board of the county of Swift and the city council of the city of Benson and the county board and city council shall then at their next regular meetings consider the establishment of a hospital district under sections 6 to 20. Upon the adoption of resolutions by each political subdivision stating that the reorganization is effective and assigning a name to the hospital district the creation of the hospital district shall be effected.

Subd. 3. [REORGANIZATION; DISSOLUTION.] After a hospital district is organized under sections 6 to 20, upon approval by the city and the county, it may reorganize and operate under and pursuant to Minnesota Statutes, sections 447.31 to 447.50; or it may be dissolved in accordance with Minnesota Statutes, section 447.38, provided that in that event the county and the city shall be deemed to be the governmental subdivisions that may petition for dissolution and upon dissolution one-third of the assets of the district shall be conveyed to the city and two-thirds shall be conveyed to the county.

Subd. 4. [POLITICAL SUBDIVISION.] For the purpose of laws applicable to political subdivisions the hospital district shall be a political subdivision but shall not have taxing authority.

#### Sec. 7. [HOSPITAL BOARD; APPOINTMENT; TERMS.]

Subdivision 1. [GOVERNING BOARD.] The hospital district shall be governed by a board of directors of at least nine and not more than 12 voting members, elected as provided in subdivision 2. All members of the hospital board at the time the hospital district is organized shall continue in office until the members of the first board of the hospital district are elected and qualify.

Subd. 2. [ELECTION.] Three directors shall be elected by the city council and six directors shall be elected by the county board. Up to three additional voting members and additional nonvoting members may be provided for in bylaws adopted pursuant to section 5, subdivision 5. As nearly as possible, one-third of the members of the first board of directors shall be elected for a term to expire one year from the next December 31 following that election, one-third for a term to expire two years from that date, and one-third for a term to expire three years from that date. Each of the political subdivisions electing directors shall assign terms of office to each director according to these staggered terms. Successors to the first board members shall each be elected for terms of three years, and all members shall hold office until their successors are elected and qualify. Terms of office shall expire on December 31. In case of vacancy on the board of directors, whether due to death, removal from the district, inability to serve, resignation, removal by the entity that elected the director, or other cause, the majority of the governing body of the entity that elected the director whose position

is vacant shall elect a director to fill such vacancy for the then unexpired term.

Subd. 3. [COMPENSATION.] The members of the board of directors may receive compensation for their services as such and may be reimbursed for reasonable expenses necessarily incurred in the performance of their duties to the extent provided for in bylaws adopted pursuant to section 5, subdivision 5.

Subd. 4. [IMMUNITY FROM LIABILITY.] Except as otherwise provided in this subdivision, no person who serves without compensation as a member of the board of directors shall be held civilly liable for an act or omission by that person if the act or omission was in good faith, was within the scope of the person's responsibilities as a member of the board, and did not constitute willful or reckless misconduct. This subdivision does not apply to:

(1) an action or proceeding brought by the attorney general for a breach of a fiduciary duty as a director;

(2) a cause of action to the extent it is based on federal law; or

(3) a cause of action based on the board member's express contractual obligation.

Nothing in this subdivision shall be construed to limit the liability of a member of the board for physical injury to the person of another or for wrongful death which is personally and directly caused by the board member.

For purposes of this subdivision, the term "compensation" means any thing of value received for services rendered, except:

(1) reimbursement for expenses actually incurred;

(2) a per diem in an amount not to exceed the per diem authorized for state advisory councils and committees pursuant to Minnesota Statutes, section 15.059, subdivision 3; or

(3) payment by the hospital district of insurance premiums on behalf of a member of the board.

#### Sec. 8. [OFFICERS OF THE BOARD.]

Subdivision 1. [OFFICES; ELECTION.] At the first meeting of the board of directors of the hospital district, and at each first regular meeting after December 31, the board shall elect, from their number, a chair, a vice-chair, a secretary, and a treasurer. Each officer elected at the first regular meeting after December 31 shall hold office for one year, and until the officer's successor has been duly

elected and qualified. In case of vacancy in any office the chair shall appoint a member to fill the vacancy until the next regular election of officers.

Subd. 2. [DUTIES.] The officers shall have the duties specified in this subdivision and additional duties as set forth in bylaws adopted in accordance with section 5, subdivision 5. The chair shall preside at all meetings of the board of directors and shall perform all duties usually incumbent upon such an officer. The vice-chair shall preside in the absence of the chair. The secretary shall record the minutes of all meetings of the board and be the custodian of all books and records of the district. The treasurer shall be the custodian of money received by the district and shall see that they are properly accounted for. The board may appoint deputies who shall perform any functions and duties of any officer, subject to the supervision and control of the officer.

#### Sec. 9. [MEETINGS OF THE BOARD.]

Regular meetings of the board of directors shall be held at least quarterly and more frequently as provided in bylaws of the hospital district, at the time and place as the board shall by resolution determine. The meetings may be held at any time upon the call of the chair or of any two other members, upon written notice mailed to each member three days prior to the meeting, or upon other notice as the board, by resolution or according to bylaws adopted by the board of directors, may provide, or without notice, if each member is present or files with the secretary a written consent to the holding of the meeting, which consent may be filed before or after the meeting. Any action within the authority of the board may be taken by the vote of a majority of the members present at a regular or adjourned meeting or at a duly called special meeting if a quorum is present. A majority of all the members of the board shall constitute a quorum, but a lesser number may meet and adjourn from time to time.

#### Sec. 10. [THE HOSPITAL DISTRICT AND ITS POWERS.]

Subdivision 1. [AUTHORITY; STATUS; PREEXISTING OBLIGATION.] The hospital district shall have perpetual succession, may contract and be contracted with, may sue and be sued, may, but shall not be required to, use a corporate seal, may acquire real and personal property as it may require, within or without the district, by purchase, gift, devise, lease, condemnation, or otherwise, and may hold, manage, control, sell, convey, or otherwise dispose of such property as its interests require. All of the assets, real and personal, of the preexisting hospital organization owned by the county and the city, doing business as Swift County-Benson Hospital, shall pass to the hospital district in fee title or by lease, and all legally valid and enforceable claims and contract obligations of the preexisting hospital organization shall be assumed by the district. All taxable

property in the city of Benson and the county of Swift shall continue to be taxable for the payment of any bonded debt previously incurred by the preexisting hospital or by the city of Benson or the county of Swift on behalf of the preexisting hospital. Any properties, real, personal, or mixed, which are acquired, owned, leased, controlled, used, or occupied by the district shall be exempt from general property taxation by the state or any of its political subdivisions, but nothing in sections 6 to 20, shall prevent the levy of special assessments for public improvements benefiting the property.

Subd. 2. [BUDGET.] The board of directors shall adopt a budget for each ensuing year and shall provide the budget to the city council and the county board prior to the beginning of the year to which the budget applies. The city council and county board may consider the budget and provide their comments and recommendations to the board of directors.

Subd. 3. [POWERS.] (a) The hospital district shall have all the powers necessary and convenient to provide for the acquisition, betterment, operation, maintenance, and administration for the hospital, including nursing home, other facilities for the residential occupancy of ambulatory elderly citizens who do not require nursing home or general hospital care and related programs, as the board of directors shall determine to be necessary and expedient. The enumeration of specific powers herein does not restrict the power of the board to take any lawful action which, in the reasonable exercise of its discretion, it deems necessary or convenient for the furtherance of the purpose for which the district exists, whether or not the power to take the action is implied from any of the powers expressly granted. These powers shall include, but not be limited to, the power to:

(1) employ management, administrative, nursing, and other personnel, legal counsel, engineers, architects, accountants, and other qualified persons, who may be paid for their services by monthly salaries, hourly wages, and pension benefits, or by fees as may be agreed on;

(2) cause reports, plans, studies, and recommendations to be prepared;

(3) when acquiring real and personal property as authorized in subdivision 1, contract for the acquisition by option, contract for deed, conditional sales contract, or otherwise;

(4) construct, equip, and furnish necessary buildings and grounds and maintain the same;

(5) adopt bylaws and rules and regulations to govern the operation and administration of any and all hospital, nursing home, and other facilities under its control, and for the admission of persons thereto;

(6) impose and collect charges for all services and facilities provided and made available by it;

(7) borrow money and issue bonds as prescribed in sections 6 to 20;

(8) procure insurance against liability of the district or its officers and employees, or both, for torts committed within the scope of their official duties, whether governmental or proprietary, or for errors and omissions, and against damage to or destruction of any of its facilities, equipment or other property;

(9) subject to subdivision 4, sell or lease any of its facilities or equipment as may be expedient;

(10) cause annual audits to be made of its accounts, books, vouchers, and funds by competent public accountants; this provision shall be construed to be mandatory;

(11) require a corporate surety bond from officers and employees of the district, and in the amount the board shall determine, and authorize payment of the premiums therefor; or

(12) provide loans to students as provided in Minnesota Statutes, section 447.331.

(b) If the Swift county or Benson hospital is sold or leased to a private organization, the successor employer shall provide hospital employees who were members of the public employees retirement association immediately before the lease or sale a pension program and benefits comparable to those provided by the public employees retirement association.

Subd. 4. [APPROVAL FOR SALE OR LEASE.] Nothing contained in section 5 shall be construed to authorize the district or its board of directors to at any time sell, lease, or otherwise transfer the management, control or operation of the hospital, including nursing home or other facilities, except upon approval by a majority vote of the county board and the city council.

Subd. 5. [BYLAWS.] Bylaws shall be adopted to further govern the operation of the hospital district. Bylaws or any amendment or repeal of them, shall first be adopted by the board of directors, but shall not take effect until approved by the county board and the city council. Bylaws may address any subject matter pertinent to the organization and operation of the hospital district consistent with sections 6 to 20, and other applicable laws.

**Sec. 11. [PAYMENT OF EXPENSES.]**

Expenses of acquisition, betterment, administration, operation,

and maintenance of the hospital district shall be paid from the revenue derived therefrom and, to the extent authorized by sections 6 to 20, from the proceeds of debt incurred for the benefit of the district, and to the extent determined from time to time by the county board or the city council, from appropriations made by the county board or the city council. Money appropriated by the board of county commissioners and the city council to acquire or improve facilities of the hospital district may be transferred in the discretion of the board of directors to a sinking fund for bonds issued for that purpose. The hospital board may agree to repay to the county and the city any sums appropriated by the county board or the city council for this purpose, out of the net revenues to be derived from operation of its facilities, and subject to the terms agreed on.

Sec. 12. [TEMPORARY BORROWING AUTHORITY.]

Subdivision 1. [CERTIFICATES OF INDEBTEDNESS.] Subject to the approval of the city and the county, the hospital district may borrow money by issuing certificates of indebtedness in anticipation of revenues and federal aids. Total indebtedness for the certificates must not exceed \$50,000. The proceeds must be used for expenses of administration, operation, and maintenance of the district's hospital, nursing home, or other facilities. The approval of the city and county shall be effected by an affirmative vote of their respective governing bodies.

Subd. 2. [RESOLUTION.] The district may authorize and borrow and issue the certificates of indebtedness on passage of a resolution specifying the amount and reasons for borrowing. The resolution must be adopted by a vote of at least two-thirds of its board members, excluding board members who may not vote. The board shall fix the amount, date, maturity, form, denomination, and other details of the certificates and the date and place for receipt of bids for their purchase. The board shall direct the secretary to give notice of the date and place fixed.

Subd. 3. [TERMS OF CERTIFICATES.] Certificates must become due and payable no later than two years from the date of issuance. Certificates must be negotiable and payable to the order of the payee and have a definite due date but may be payable on or before the due date. Certificates must be sold for at least par and accrued interest and must bear interest at not more than eight percent a year. Interest must be payable at maturity or earlier as the board determines. The proceeds of current county or city appropriations, revenues derived from the facilities of the district and future federal aids, and any other district funds that become available must be applied to the extent necessary to repay the certificates.

Sec. 13. [HOSPITALS, NURSING HOMES, AND OTHER FACILITIES; FINANCING AND LEASING.]

Subdivision 1. [FINANCING.] Subject to the approval of the city and the county, the hospital district may issue revenue bonds by resolution of its governing body to finance the acquisition and betterment of hospital, nursing home, and other facilities. This power is in addition to other powers granted by law and includes, but is not limited to, the payment of interest during construction and for a reasonable period after construction and the establishment of reserves for bond payment and for working capital. The approval of the city and county shall be effected by an affirmative vote of their respective governing bodies. In connection with the acquisition of any existing hospital or nursing home facilities, the city, county, or district may retire outstanding indebtedness incurred to finance the construction of the existing facilities.

Subd. 2. [PLEDGE OF REVENUE.] The hospital district may pledge and appropriate the revenues to be derived from its operation of the facilities to pay the principal and interest on the bonds when due and to create and maintain reserves for that purpose, as a first and prior lien on the revenues or, if so provided in the bond resolution, as a lien on the revenues subordinate to the current payment of a fixed amount or percentage or all of the costs of running the facilities.

**Sec. 14. [SECURITY FOR BONDS; PLEDGE OF CREDIT FOR BONDS.]**

In the issuance of bonds the revenues or rentals must be pledged and appropriated by resolution for the use and benefit of bondholders generally, or may be pledged by the execution of an indenture or other appropriate instrument to a trustee for the bondholders. The site and facilities, or any part of them, may be mortgaged to the trustee. The governing body may enter into any covenants with the bondholders or trustee that it finds necessary and proper to assure the marketability of the bonds, the completion of the facilities, the segregation of the revenues or rentals and other funds pledged, and the sufficiency of funds for prompt and full payment of bonds and interest. The bonds shall be deemed to be payable wholly from the income of a revenue-producing convenience within the meaning of Minnesota Statutes, section 475.58, unless the appropriate governing body also pledges to their payment the full faith and credit of the county or city. In this event, notice of the intent to issue bonds with a pledge of the full faith and credit of the county or city specifying the maximum amount and the purpose of the bond issue shall be published and if, within ten days of the date of publication, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular election is filed with the secretary, the bonds may not be issued unless approved by a majority of the electors voting on the question at a legal election.

**Sec. 15. [MISCELLANEOUS PROVISIONS.]**

Bonds issued under sections 8 to 13 must be issued and sold as provided in Minnesota Statutes, chapter 475. If the bonds do not pledge the credit of the hospital district as provided in section 10, the governing body may negotiate their sale without advertisement for bids. They shall not be included in the net debt of any municipality or county, and are not subject to interest rate limitations, as defined or referred to in Minnesota Statutes, sections 475.51 and 475.55.

Sec. 16. [LEASE OF FACILITIES TO NONPROFIT OR PUBLIC CORPORATION.]

Subject to section 5, subdivision 4, the hospital district may lease hospital, nursing home, or other facilities to be run by a nonprofit or public corporation as community facilities. The facilities must be open to all residents of the community on equal terms. The district may lease related medical facilities to any person, firm, association, or corporation, at rent and on conditions agreed. The term of the lease must not exceed 30 years. The lessee may be granted an option to renew the lease for an additional term or to purchase the facilities. The terms of renewal or purchase must be provided for in the lease. The hospital district may by resolution of its governing body agree to pay to the lessee annually, and to include in each annual budget for hospital and nursing home purposes, a fixed compensation for services agreed to be performed by the lessee in running the hospital, nursing home, or other facilities as a community facility; for any investment by the lessee of its own funds or funds granted or contributed to it in the construction or equipment of the hospital, nursing home, or other facilities; and for any auxiliary services to be provided or made available by the lessee through other facilities owned or operated by it. Services other than those provided for in the lease agreement may be compensated at rates agreed upon later. The lease agreement must, however, require the lessee to pay a net rental not less than the amount required to pay the principal and interest when due on all revenue bonds issued by the hospital district to acquire, improve, and refinance the leased facilities, and to maintain the agreed revenue bond reserve. The lease agreement must not grant the lessee an option to purchase the facilities at a price less than the amount of the bonds issued and interest accrued on them, except bonds and accrued interest paid from the net rentals before the option is exercised.

To the extent that the facilities are leased under this section for use by persons in private medical or dental or similar practice or other private business, a tax on that use must be imposed just as though the user were the owner of the space. It must be collected as provided in Minnesota Statutes, section 272.01, subdivision 2.

Sec. 17. [REFUNDING BONDS.]

The county, city, or hospital district may issue bonds by resolution

of its governing body to refund bonds issued for the purposes stated in sections 6 to 20.

Sec. 18. [SWIFT COUNTY.]

The county of Swift may make appropriations in whatever amount it deems appropriate for capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 6 to 20, and any other hospital in the county notwithstanding Minnesota Statutes, sections 376.08 and 376.09 or any other limiting statutes or laws otherwise applicable to the county. The county may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 19. [CITY OF BENSON.]

The city of Benson may make appropriations in whatever amount it deems appropriate for the purposes of capital acquisition, capital improvements, maintenance, and operating subsidy for a hospital district created under sections 6 to 20, notwithstanding any limiting statutes or laws otherwise applicable to the city. The city may also guarantee any indebtedness incurred by or on behalf of the hospital and pledge its full faith and credit in support of it.

Sec. 20. [POWERS SUPPLEMENTARY.]

The powers granted in sections 6 to 20 are supplementary to and not in substitution for any other powers possessed by political subdivisions in connection with the acquisition, betterment, administration, operation, and maintenance of hospitals, nursing homes, and related facilities and programs or the creation of hospital districts.

Sec. 21. [EFFECTIVE DATE.]

Sections 1 to 5 are effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the governing body of the Yellow Medicine county hospital district.

Sections 6 to 20 are effective upon approval by majority of the county board of the county of Swift and by a majority of the city council of the city of Benson and upon compliance with all other provisions of Minnesota Statutes, section 645.021."

April 15, 1992

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Dee Long  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1619, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1619 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1990, section 609.224, subdivision 2, is amended to read:

Subd. 2. [GROSS MISDEMEANOR.] (a) Whoever violates the provisions of subdivision 1 against the same victim within five years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 may be sentenced to imprisonment for not more than one year or to a payment of a fine of not more than \$3,000, or both. Whoever violates the provisions of subdivision 1 against a family or household member as defined in section 518B.01, subdivision 2, within five years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 against a family or household member, may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

(b) Whoever violates the provisions of subdivision 1 within two years of a previous conviction under subdivision 1 or sections 609.221 to 609.2231 may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

Sec. 2. Minnesota Statutes 1990, section 609.224, is amended by adding a subdivision to read:

Subd. 3. [DOMESTIC ASSAULTS; FIREARMS.] (a) When a

person is convicted of a violation of this section, the court shall determine and make written findings on the record as to whether:

(1) the assault was a family or household member, as defined in section 518B.01, subdivision 2;

(2) the defendant owns or possesses a firearm; and

(3) the firearm was used in any way during the commission of the assault.

(b) If the court determines that the assault was of a family or household member, and that the offender owns or possesses a firearm and used it in any way during the commission of the assault, it shall order the defendant to relinquish possession of the firearm and give it to the local law enforcement agency. Notwithstanding section 609.531, subdivision 1, paragraph (f), clause (1), the court shall determine whether the firearm shall be forfeited under section 609.5316, subdivision 3, or retained by the local law enforcement agency for a period of three years. If the owner has not been convicted of any crime of violence as defined in section 624.712, subdivision 5, or 609.224 against a family or household member within that period, the law enforcement agency shall return the firearm.

(c) When a person is convicted of a violation of this section and the court determines that the victim was a family or household member, the court shall inform the defendant that the defendant is prohibited from possessing a pistol for a period of three years from the date of conviction and that it is a gross misdemeanor offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the pistol possession prohibition or the gross misdemeanor penalty to that defendant.

(d) A person is not entitled to possess a pistol if:

(1) the person has been convicted after August 1, 1992 of assault in the fifth degree if the offense was committed within three years of a previous conviction under sections 609.221 to 609.224; or

(2) the person has been convicted after August 1, 1992 of assault in the fifth degree under section 609.224 and the assault victim was a family or household member as defined in section 518B.01, subdivision 2, unless three years have elapsed from the date of conviction and, during that time, the person has not been convicted of any other violation of section 609.224. Property rights may not be abated but access may be restricted by the courts. A person who possesses a pistol in violation of this subdivision is guilty of a gross misdemeanor.

Sec. 3. Minnesota Statutes 1990, section 624.713, is amended by adding a subdivision to read:

Subd. 3. [NOTICE TO CONVICTED PERSONS.] When a person is convicted of a crime of violence as defined in section 624.712, subdivision 5, the court shall inform the defendant that the defendant is prohibited from possessing a pistol for a period of ten years after the person was restored to civil rights or since the sentence has expired, whichever occurs first, and that it is a felony offense to violate this prohibition. The failure of the court to provide this information to a defendant does not affect the applicability of the pistol possession prohibition or the felony penalty to that defendant.

Sec. 4. [EFFECTIVE DATE.]

Sections 1 to 3 are effective August 1, 1992, and apply to crimes committed on or after that date."

Delete the title and insert:

"A bill for an act relating to crimes; enhancing penalties for an assault against a family or household member; requiring courts to take possession of any firearm used in the commission of such an assault; disqualifying persons convicted of fifth degree domestic assault from possessing a pistol under certain circumstances; requiring persons convicted of crimes of violence to be notified that they are prohibited from possessing pistols for ten years after restored to civil rights; amending Minnesota Statutes 1990, sections 609.224, subdivision 2, and by adding a subdivision; and 624.713, by adding a subdivision."

We request adoption of this report and repassage of the bill.

The Honorable Dee Long  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 2800, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 2800 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1  
COST CONTAINMENT

Section 1. [62J.01] [PURPOSE.]

The legislature finds that the staggering growth in health care costs is having a devastating effect on the health and cost of living of Minnesota residents. The legislature further finds that the number of uninsured and underinsured residents is growing each year and that the cost of health care coverage for our insured residents is increasing annually at a rate that far exceeds the state's overall rate of inflation.

The legislature further finds that it must enact immediate and intensive cost containment measures to limit the growth of health care expenditures, reform insurance practices, and finance a plan that offers access to affordable health care for our permanent residents by capturing dollars now lost to inefficiencies in Minnesota's health care system.

The legislature further finds that controlling costs is essential to the maintenance of the many factors contributing to the quality of life in Minnesota: our environment, education system, safe communities, affordable housing, provision of food, economic vitality, purchasing power, and stable population.

It is, therefore, the intent of the legislature to lay a new foundation for the delivery and financing of health care in Minnesota and to call this new foundation The Minnesota Health Right Act.

Sec. 2. [62J.03] [DEFINITIONS.]

Subdivision 1. [SCOPE OF DEFINITIONS.] For purposes of this chapter, the terms defined in this section have the meanings given.

Subd. 2. [CLINICALLY EFFECTIVE.] “Clinically effective” means that the use of a particular medical technology improves patient clinical status, as measured by medical condition, survival rates, and other variables, and that the use of the particular technology demonstrates a clinical advantage over alternative technologies.

Subd. 3. [COMMISSION.] “Commission” or “state commission” means the Minnesota health care commission established in section 62J.05.

Subd. 4. [COMMISSIONER.] “Commissioner” means the commissioner of health.

Subd. 5. [COST EFFECTIVE.] “Cost effective” means that the economic costs of using a particular technology to achieve improvement in a patient’s health outcome are justified given a comparison to both the economic costs and the improvement in patient health outcome resulting from the use of alternative technologies.

Subd. 6. [GROUP PURCHASER.] “Group purchaser” means a person or organization that purchases health care services on behalf of an identified group of persons, regardless of whether the cost of coverage or services is paid for by the purchaser or by the persons receiving coverage or services, as further defined in rules adopted by the commissioner. “Group purchaser” includes, but is not limited to, health insurance companies, health maintenance organizations and other health plan companies; employee health plans offered by self-insured employers; group health coverage offered by fraternal organizations, professional associations, or other organizations; state and federal health care programs; state and local public employee health plans; workers’ compensation plans; and the medical component of automobile insurance coverage.

Subd. 7. [IMPROVEMENT IN HEALTH OUTCOME.] “Improvement in health outcome” means an improvement in patient clinical status, and an improvement in patient quality-of-life status, as measured by ability to function, ability to return to work, and other variables.

Subd. 8. [PROVIDER.] “Provider” or “health care provider” means a person or organization other than a nursing home that provides health care or medical care services within Minnesota for a fee, as further defined in rules adopted by the commissioner.

Sec. 3. [62J.04] [CONTROLLING THE RATE OF GROWTH OF HEALTH CARE SPENDING.]

Subdivision 1. [COMPREHENSIVE BUDGET.] The commissioner of health shall set an annual limit on the rate of growth of public and

private spending on health care services for Minnesota residents. The limit on growth must be set at a level that will slow the current rate of growth by at least ten percent per year using the spending growth rate for 1991 as a base year. This limit must be achievable through good faith, cooperative efforts of health care consumers, purchasers, and providers.

Subd. 2. [DATA COLLECTION.] For purposes of setting limits under this section, the commissioner shall collect from all Minnesota health care providers data on patient revenues received during a time period specified by the commissioner. The commissioner shall also collect data on health care spending from all group purchasers of health care. All health care providers and group purchasers doing business in the state shall provide the data requested by the commissioner at the times and in the form specified by the commissioner. Professional licensing boards and state agencies responsible for licensing, registering, or regulating providers shall cooperate fully with the commissioner in achieving compliance with the reporting requirements. Intentional failure to provide reports requested under this section is grounds for revocation of a license or other disciplinary or regulatory action against a regulated provider. The commissioner may assess a fine against a provider who refuses to provide information required by the commissioner under this section. If a provider refuses to provide a report or information required under this section, the commissioner may obtain a court order requiring the provider to produce documents and allowing the commissioner to inspect the records of the provider for purposes of obtaining the information required under this section. All data received is nonpublic, trade secret information under section 13.37. The commissioner shall establish procedures and safeguards to ensure that data provided to the Minnesota health care commission is in a form that does not identify individual patients, providers, employers, purchasers, or other individuals and organizations, except with the permission of the affected individual or organization.

Subd. 3. [COST CONTAINMENT DUTIES.] After obtaining the advice and recommendations of the Minnesota health care commission, the commissioner shall:

(1) establish statewide and regional limits on growth in total health care spending under this section, monitor regional and statewide compliance with the spending limits, and take action to achieve compliance to the extent authorized by the legislature;

(2) divide the state into no fewer than four regions, with one of those regions being the Minneapolis/St. Paul metropolitan statistical area, for purposes of fostering the development of regional health planning and coordination of health care delivery among regional health care systems and working to achieve spending limits;

(3) provide technical assistance to regional coordinating boards;

(4) monitor the quality of health care throughout the state, conduct consumer satisfaction surveys, and take action as necessary to ensure an appropriate level of quality;

(5) develop uniform billing forms, uniform electronic billing procedures, and other uniform claims procedures for health care providers by January 1, 1993;

(6) undertake health planning responsibilities as provided in section 62J.15;

(7) monitor and promote the development and implementation of practice parameters;

(8) authorize, fund, or promote research and experimentation on new technologies and health care procedures;

(9) designate centers of excellence for specialized and high-cost procedures and treatment and establish minimum standards and requirements for particular procedures or treatment;

(10) administer or contract for statewide consumer education and wellness programs that will improve the health of Minnesotans and increase individual responsibility relating to personal health and the delivery of health care services;

(11) administer the health care analysis unit under article 7; and

(12) undertake other activities to monitor and oversee the delivery of health care services in Minnesota with the goal of improving affordability, quality, and accessibility of health care for all Minnesotans.

Subd. 4. [CONSULTATION WITH THE COMMISSION.] Before undertaking any of the duties required under this chapter, the commissioner of health shall consult with the Minnesota health care commission and obtain the commission's advice and recommendations. If the commissioner intends to depart from the commission's recommendations, the commissioner shall inform the commission of the intended departure, provide a written explanation of the reasons for the departure, and give the commission an opportunity to comment on the intended departure. If, after receiving the commission's comment, the commissioner still intends to depart from the commission's recommendations, the commissioner shall notify each member of the legislative oversight commission of the commissioner's intent to depart from the recommendations of the Minnesota health care commission. The notice to the legislative oversight commission must be provided at least ten days before the commissioner takes final action. If emergency action is necessary that does not allow the commissioner to obtain the advice and recommenda-

tions of the Minnesota health care commission or to provide advance notice and an opportunity for comment as required in this subdivision, the commissioner shall provide a written notice and explanation to the Minnesota health care commission and the legislative oversight commission at the earliest possible time.

Subd. 5. [APPEALS.] A person or organization may appeal a decision of the commissioner through a contested case proceeding under chapter 14.

Subd. 6. [RULEMAKING.] The commissioner shall adopt rules under chapter 14 to implement this chapter, including appeals of decisions by the Minnesota health care commission and the regional coordinating boards.

Subd. 7. [PLAN FOR CONTROLLING GROWTH IN SPENDING.] (a) By January 15, 1993, the Minnesota health care commission shall submit to the legislature and the governor for approval a plan, with as much detail as possible, for slowing the growth in health care spending to the growth rate identified by the commission, beginning July 1, 1993. The goal of the plan shall be to reduce the growth rate of health care spending, adjusted for population changes, so that it declines by at least ten percent per year for each of the next five years. The commission shall use the rate of spending growth in 1991 as the base year for developing its plan. The plan may include tentative targets for reducing the growth in spending for consideration by the legislature.

(b) In developing the plan, the commission shall consider the advisability and feasibility of the following options, but is not obligated to incorporate them into the plan:

(1) data and methods that could be used to calculate regional and statewide spending limits and the various options for expressing spending limits, such as maximum percentage growth rates or actuarially adjusted average per capita rates that reflect the demographics of the state or a region of the state;

(2) methods of adjusting spending limits to account for patients who are not Minnesota residents, to reflect care provided to a person outside the person's region, and to adjust for demographic changes over time;

(3) methods that could be used to monitor compliance with the limits;

(4) criteria for exempting spending on research and experimentation on new technologies and medical practices when setting or enforcing spending limits;

(5) methods that could be used to help providers, purchasers, consumers, and communities control spending growth;

(6) methods of identifying activities of consumers, providers, or purchasers that contribute to excessive growth in spending;

(7) methods of encouraging voluntary activities that will help keep spending within the limits;

(8) methods of consulting providers and obtaining their assistance and cooperation and safeguards that are necessary to protect providers from abrupt changes in revenues or practice requirements;

(9) methods of avoiding, preventing, or recovering spending in excess of the rate of growth identified by the commission;

(10) methods of depriving those who benefit financially from overspending of the benefit of overspending, including the option of recovering the amount of the excess spending from the greater provider community or from individual providers or groups of providers through targeted assessments;

(11) methods of reallocating health care resources among provider groups to correct existing inequities, reward desirable provider activities, discourage undesirable activities, or improve the quality, affordability, and accessibility of health care services;

(12) methods of imposing mandatory requirements relating to the delivery of health care, such as practice parameters, hospital admission protocols, 24-hour emergency care screening systems, or designated specialty providers;

(13) methods of preventing unfair health care practices that give a provider or group purchaser an unfair advantage or financial benefit or that significantly circumvent, subvert, or obstruct the goals of this chapter;

(14) methods of providing incentives through special spending allowances or other means to encourage and reward special projects to improve outcomes or quality of care; and

(15) the advisability or feasibility of a system of permanent, regional coordinating boards to ensure community involvement in activities to improve affordability, accessibility, and quality of health care in each region.

Sec. 4. [62J.05] [MINNESOTA HEALTH CARE COMMISSION.]

Subdivision 1. [PURPOSE OF THE COMMISSION.] The Minnesota health care commission consists of health care providers,

purchasers, consumers, employers, and employees. The two major functions of the commission are:

(c) [HEALTH PLAN COMPANY REPRESENTATIVES.] Each regional board includes three members representing health plan companies who provide coverage for residents of the region, including one member representing health insurers who is elected by a vote of all health insurers providing coverage in the region, one member elected by a vote of all health maintenance organizations providing coverage in the region, and one member appointed by Blue Cross and Blue Shield of Minnesota. The fourth member is appointed by the governor.

(d) [EMPLOYER REPRESENTATIVES.] Regional boards include

three members representing employers in the region. Employer representatives are elected by a vote of the employers who are members of chambers of commerce in the region. At least one member must represent self-insured employers.

(e) [EMPLOYEE UNIONS.] Regional boards include one member appointed by the AFL-CIO Minnesota who is a union member residing or working in the region or who is a representative of a union that is active in the region.

(f) [PUBLIC MEMBERS.] Regional boards include three consumer members. One consumer member is elected by the community health boards in the region, with each community health board having one vote. One consumer member is elected by the state legislators with districts in the region. One consumer member is appointed by the governor.

(g) [COUNTY COMMISSIONER.] Regional boards include one member who is a county board member. The county board member is elected by a vote of all of the county board members in the region, with each county board having one vote.

(h) [STATE AGENCY.] Regional boards include one state agency commissioner appointed by the governor to represent state health coverage programs.

Subd. 3. [ESTABLISHMENT OF REGIONAL COORDINATING ORGANIZATIONS AND STRUCTURE.] The providers of health services in each region should begin formulating the appropriate structure for organizing the delivery networks or systems to accomplish the objectives in subdivision 1. Once a draft plan is outlined, or during the drafting process, other entities should be included as appropriate so as to ensure the comprehensiveness of the plan and the regional planning process. The ultimate structure of the regional coordinating organization may vary by region and in composition. Each region may consult with the commissioner of health and the Minnesota health care commission during the planning process.

Subd. 4. [FINANCIAL INTERESTS OF MEMBERS.] A member representing employers, consumers, or employee unions must not have any personal financial interest in the health care system except as an individual consumer of health care services. An employee who participates in the management of a health benefit plan may serve as a member representing employers or unions.

Subd. 5. [CONFLICTS OF INTEREST.] No member may participate or vote in commission proceedings involving an individual provider, purchaser, or patient, or a specific activity or transaction, if the member has a direct financial interest in the outcome of the commission's proceedings other than as an individual consumer of health care services.

Subd. 6. [TECHNICAL ASSISTANCE.] The state health care commission shall provide technical assistance to regional boards.

Subd. 7. [TERMS; COMPENSATION; REMOVAL; AND VACANCIES.] Regional coordinating boards are governed by section 15.0575, except that members do not receive per diem payments.

Subd. 8. [REPEALER.] This section is repealed effective July 1, 1993.

Sec. 7. [62J.15] [HEALTH PLANNING.]

Subdivision 1. [HEALTH PLANNING ADVISORY COMMITTEE.] The Minnesota health care commission shall convene an advisory committee to make recommendations regarding the use and distribution of new and existing health care technologies and procedures and major capital expenditures by providers. The advisory committee may include members of the state commission and other persons appointed by the commission. The advisory committee must include at least one person representing physicians, at least one person representing hospitals, and at least one person representing the health care technology industry. Health care technologies and procedures include high-cost pharmaceuticals, organ and other high-cost transplants, high-cost health care procedures and devices excluding United States Food and Drug Administration approved implantable or wearable medical devices, and expensive, large-scale technologies such as scanners and imagers.

Subd. 2. [HEALTH PLANNING.] In consultation with the health planning advisory committee, the Minnesota health care commission shall:

(1) make recommendations on the types of high-cost technologies, procedures, and capital expenditures for which a plan on statewide use and distribution should be made;

(2) develop criteria for evaluating new high-cost health care technology and procedures and major capital expenditures that take into consideration the clinical effectiveness, cost effectiveness, and health outcome;

(3) recommend to the commissioner of health and the regional coordinating organizations statewide and regional goals and targets for the distribution and use of new and existing high-cost health care technologies and procedures and major capital expenditures;

(4) make recommendations to the commissioner regarding the designation of centers of excellence for transplants and other specialized medical procedures; and

(5) make recommendations to the commissioner regarding minimum volume requirements for the performance of certain procedures by hospitals and other health care facilities or providers.

Sec. 8. [62J.17] [EXPENDITURE REPORTING.]

Subdivision 1. [PURPOSE.] To ensure access to affordable health care services for all Minnesotans it is necessary to restrain the rate of growth in health care costs. An important factor believed to contribute to escalating costs may be the purchase of costly new medical equipment, major capital expenditures, and the addition of new specialized services. After spending limits are established under section 62J.04, providers, patients, and communities will have the opportunity to decide for themselves whether they can afford capital expenditures or new equipment or specialized services within the constraints of a spending limit. In this environment, the state's role in reviewing these spending commitments can be more limited. However, during the interim period until spending targets are established, it is important to prevent unrestrained major spending commitments that will contribute further to the escalation of health care costs and make future cost containment efforts more difficult. In addition, it is essential to protect against the possibility that the legislature's expression of its attempt to control health care costs may lead a provider to make major spending commitments before targets or other cost containment constraints are fully implemented because the provider recognizes that the spending commitment may not be considered appropriate, needed, or affordable within the context of a fixed budget for health care spending. Therefore, the legislature finds that a requirement for reporting health care expenditures is necessary.

Subd. 2. [DEFINITIONS.] For purposes of this section, the terms defined in this subdivision have the meanings given.

(a) [CAPITAL EXPENDITURE.] "Capital expenditure" means an expenditure which, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance.

(b) [HEALTH CARE SERVICE.] "Health care service" means:

(1) a service or item that would be covered by the medical assistance program under chapter 256B if provided in accordance with medical assistance requirements to an eligible medical assistance recipient; and

(2) a service or item that would be covered by medical assistance except that it is characterized as experimental, cosmetic, or voluntary.

“Health care service” does not include retail, over-the-counter sales of nonprescription drugs and other retail sales of health-related products that are not generally paid for by medical assistance and other third-party coverage.

(c) [MAJOR SPENDING COMMITMENT.] “Major spending commitment” means:

(1) acquisition of a unit of medical equipment;

(2) a capital expenditure for a single project for the purposes of providing health care services, other than for the acquisition of medical equipment;

(3) offering a new specialized service not offered before;

(4) planning for an activity that would qualify as a major spending commitment under this paragraph; or

(5) a project involving a combination of two or more of the activities in clauses (1) to (4).

The cost of acquisition of medical equipment, and the amount of a capital expenditure, is the total cost to the provider regardless of whether the cost is distributed over time through a lease arrangement or other financing or payment mechanism.

(d) [MEDICAL EQUIPMENT.] “Medical equipment” means fixed and movable equipment that is used by a provider in the provision of a health care service. “Medical equipment” includes, but is not limited to, the following:

(1) an extracorporeal shock wave lithotripter;

(2) a computerized axial tomography (CAT) scanner;

(3) a magnetic resonance imaging (MRI) unit;

(4) a positron emission tomography (PET) scanner; and

(5) emergency and nonemergency medical transportation equipment and vehicles.

(e) [NEW SPECIALIZED SERVICE.] “New specialized service” means a specialized health care procedure or treatment regimen offered by a provider that was not previously offered by the provider, including, but not limited to:

(1) cardiac catheterization services involving high-risk patients as defined in the Guidelines for Coronary Angiography established by the American Heart Association and the American College of Cardiology;

(2) heart, heart-lung, liver, kidney, bowel, or pancreas transplantation service, or any other service for transplantation of any other organ;

(3) megavoltage radiation therapy;

(4) open heart surgery;

(5) neonatal intensive care services; and

(6) any new medical technology for which premarket approval has been granted by the United States Food and Drug Administration, excluding implantable and wearable devices.

(f) [PROVIDER.] "Provider" means an individual, corporation, association, firm, partnership, or other entity that is regularly engaged in providing health care services in Minnesota.

Subd. 3. [HOSPITAL AND NURSING HOME MORATORIA PRESERVED; NURSING HOMES EXEMPT.] Nothing in this section supersedes or limits the applicability of section 144.551 or 144A.071. This section does not apply to major spending commitments made by nursing homes or intermediate care facilities that are related to the provision of long-term care services to residents.

Subd. 4. [EXPENDITURE REPORTING.] Any provider making a capital expenditure establishing a health care service or new specialized service, or making a major spending commitment after April 1, 1992, that is in excess of \$500,000, shall submit notification of this expenditure to the commissioner and provide the commissioner with any relevant background or other information. The commissioner shall not have any approval or denial authority, but should use such information in the ongoing evaluation of statewide and regional progress toward cost containment and other objectives.

Subd. 5. [RETROSPECTIVE REVIEW.] The commissioner of health, in consultation with the Minnesota health care commission, shall retrospectively review capital expenditures and major spending commitments that are required to be reported by providers under subdivision 4. In the event that health care providers refuse to cooperate with attempts by the Minnesota health care commission and regional coordinating organizations to coordinate the use of health care technologies and procedures, and reduce the growth rate in health care expenditures; or in the event that health care providers use, purchase, or perform health care technologies and

procedures that are not clinically effective and cost effective and do not improve health outcomes based on the results of medical research; or in the event providers have failed to pursue collaborative arrangements; the commissioner shall require those health care providers to follow the procedures for prospective review and approval established in subdivision 6.

Subd. 6. [PROSPECTIVE REVIEW AND APPROVAL.] (a) [REQUIREMENT.] The commissioner shall prohibit those health care providers subject to retrospective review under subdivision 5 from making future major spending commitments or capital expenditures that are required to be reported under subdivision 4 for a period of up to five years, unless: (1) the provider has filed an application to proceed with the major spending commitment or capital expenditure with the commissioner and provided supporting documentation and evidence requested by the commissioner; and (2) the commissioner determines, based upon this documentation and evidence, that the spending commitment or capital expenditure is appropriate. The commissioner shall make a decision on a completed application within 60 days after an application is submitted. The Minnesota health care commission shall convene an expert review panel made up of persons with knowledge and expertise regarding medical equipment, specialized services, and health care expenditures to review applications and make recommendations to the commissioner and the commission.

(b) [EXCEPTIONS.] This subdivision does not apply to:

(1) a major spending commitment to replace existing equipment with comparable equipment, if the old equipment will no longer be used in the state;

(2) a major spending commitment made by a research and teaching institution for purposes of conducting medical education, medical research supported or sponsored by a medical school, or by a federal or foundation grant, or clinical trials;

(3) a major spending commitment to repair, remodel, or replace existing buildings or fixtures if, in the judgment of the commissioner, the project does not involve a substantial expansion of service capacity or a substantial change in the nature of health care services provided; and

(4) mergers, acquisitions, and other changes in ownership or control that, in the judgment of the commissioner, do not involve a substantial expansion of service capacity or a substantial change in the nature of health care services provided.

(c) [APPEALS.] A provider may appeal a decision of the commissioner under this section through a contested case proceeding under chapter 14.

(d) [PENALTIES AND REMEDIES.] The commissioner of health shall have the authority to issue fines, seek injunctions, and pursue other remedies as provided by law.

**Sec. 9. [62J.19] [SUBMISSION OF REGIONAL PLAN TO COMMISSIONER.]**

Each regional coordinating organization shall submit its plan to the commissioner on or before June 30, 1993. In the event that any major provider, provider group or other entity within the region chooses to not participate in the regional planning process, the commissioner may require the participation of that entity in the planning process or adopt other rules or criteria for that entity. In the event that a region fails to submit a plan to the commissioner that satisfactorily promotes the objectives in section 62J.09, subdivisions 1 and 2, or where competing plans and regional coordination organizations exist, the commissioner has the authority to establish a public regional coordinating organization for purposes of establishing a regional plan which will achieve the objectives. The public regional coordinating organization shall be appointed by the commissioner and under the commissioner's direction.

**Sec. 10. [62J.21] [REPORTING TO THE LEGISLATURE.]**

The commissioner shall report to the legislature by January 1, 1993 regarding the process being made within each region with respect to the establishment of a regional coordinating organization and the development of a regional plan. In the event that the commissioner determines that any region is not making reasonable progress or a good-faith commitment towards establishing a regional coordinating organization and regional plan, the commissioner may establish a public regional board for this purpose. The commissioner's report should also include the issues, if any, raised during the planning process to date and request any appropriate legislative action that would facilitate the planning process.

**Sec. 11. [62J.22] [PARTICIPATION OF FEDERAL PROGRAMS.]**

The commissioner of health shall seek the full participation of federal health care programs under this chapter, including Medicare, medical assistance, veterans administration programs, and other federal programs. The commissioner of human services shall under the direction of the health care commission submit waiver requests and take other action necessary to obtain federal approval to allow participation of the medical assistance program. Other state agencies shall provide assistance at the request of the commission. If federal approval is not given for one or more federal programs, data on the amount of health care spending that is collected under section 62J.04 shall be adjusted so that state and regional spending limits take into account the failure of the federal program to participate.

## Sec. 12. [62J.23] [PROVIDER CONFLICTS OF INTEREST.]

Subdivision 1. [RULES PROHIBITING CONFLICTS OF INTEREST.] The commissioner of health shall adopt rules restricting financial relationships or payment arrangements involving health care providers under which a provider benefits financially by referring a patient to another provider, recommending another provider, or furnishing or recommending an item or service. The rules must be compatible with, and no less restrictive than, the federal Medicare antikickback statute, in section 1128B(b) of the Social Security Act, United States Code, title 42, section 1320a-7b(b), and regulations adopted under it. However, the commissioner's rules may be more restrictive than the federal law and regulations and may apply to additional provider groups and business and professional arrangements. When the state rules restrict an arrangement or relationship that is permissible under federal laws and regulations, including an arrangement or relationship expressly permitted under the federal safe harbor regulations, the fact that the state requirement is more restrictive than federal requirements must be clearly stated in the rule.

Subd. 2. [INTERIM RESTRICTIONS.] From July 1, 1992, until rules are adopted by the commissioner under this section, the restrictions in the federal Medicare antikickback statutes in section 1128B(b) of the Social Security Act, United States Code, title 42, section 1320a-7b(b), and rules adopted under the federal statutes, apply to all health care providers in the state, regardless of whether the provider participates in any state health care program. The commissioner shall approve a transition plan submitted to the commissioner by January 1, 1993, by a provider who is in violation of this section that provides a reasonable time for the provider to modify prohibited practices or divest financial interests in other providers in order to come into compliance with this section.

Subd. 3. [PENALTY.] The commissioner may assess a fine against a provider who violates this section. The amount of the fine is \$1,000 or 110 percent of the estimated financial benefit that the provider realized as a result of the prohibited financial arrangement or payment relationship, whichever is greater. A provider who is in compliance with a transition plan approved by the commissioner under subdivision 2, or who is making a good faith effort to obtain the commissioner's approval of a transition plan, is not in violation of this section.

## Sec. 13. [62J.25] [MANDATORY MEDICARE ASSIGNMENT.]

(a) Effective January 1, 1993, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 115 percent of the Medicare-approved amount for any Medicare-covered service provided.

(b) Effective January 1, 1994, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 110 percent of the Medicare-approved amount for any Medicare-covered service provided.

(c) Effective January 1, 1995, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of 105 percent of the Medicare-approved amount for any Medicare-covered service provided.

(d) Effective January 1, 1996, a health care provider authorized to participate in the Medicare program shall not charge to or collect from a Medicare beneficiary who is a Minnesota resident any amount in excess of the Medicare-approved amount for any Medicare-covered service provided.

(e) This section does not apply to ambulance services as defined in section 144.801, subdivision 4.

#### Sec. 14. [62J.29] [ANTITRUST EXCEPTIONS.]

Subdivision 1. [PURPOSE.] The legislature finds that the goals of controlling health care costs and improving the quality of and access to health care services will be significantly enhanced by some cooperative arrangements involving providers or purchasers that would be prohibited by state and federal antitrust laws if undertaken without governmental involvement. The purpose of this section is to create an opportunity for the state to review proposed arrangements and to substitute regulation for competition when an arrangement is likely to result in lower costs, or greater access or quality, than would otherwise occur in the competitive marketplace. The legislature intends that approval of relationships be accompanied by appropriate conditions, supervision, and regulation to protect against private abuses of economic power.

Subd. 2. [REVIEW AND APPROVAL.] The commissioner shall establish criteria and procedures to review and authorize contracts, business or financial arrangements, or other activities, practices, or arrangements involving providers or purchasers that might be construed to be violations of state or federal antitrust laws but which are in the best interests of the state and further the policies and goals of this chapter. The commissioner shall not approve any application unless the commissioner finds that the proposed arrangement is likely to result in lower health care costs, or greater access to or quality of health care, than would occur in the competitive marketplace. The commissioner may condition approval of a proposed arrangement on a modification of all or part of the arrangement to eliminate any restriction on competition that is not reasonably related to the goals of controlling costs or improving

access or quality. The commissioner may also establish conditions for approval that are reasonably necessary to protect against any abuses of private economic power and to ensure that the arrangement is appropriately supervised and regulated by the state. The commissioner shall actively monitor and regulate arrangements approved under this section to ensure that the arrangements remain in compliance with the conditions of approval. The commissioner may revoke an approval upon a finding that the arrangement is not in substantial compliance with the terms of the application or the conditions of approval.

Subd. 3. [APPLICATIONS.] Applications for approval under this section must be filed with the commissioner. An application for approval must describe the proposed arrangement in detail. The application must include at least: the identities of all parties, the intent of the arrangement, the expected effects of the arrangement, an explanation of how the arrangement will control costs or improve access or quality, and financial statements showing how the efficiencies of operation will be passed along to patients and purchasers of health care. The commissioner may ask the attorney general to comment on an application, but the application and any information obtained by the commissioner under this section is not admissible in any proceeding brought by the attorney general based on antitrust.

Subd. 4. [STATE ANTITRUST LAW.] Notwithstanding the Minnesota antitrust law of 1971, as amended, in Minnesota Statutes, sections 325D.49 to 325D.66, contracts, business or financial arrangements, or other activities, practices, or arrangements involving providers or purchasers that are approved by the commissioner under this section do not constitute an unlawful contract, combination, or conspiracy in unreasonable restraint of trade or commerce under Minnesota Statutes, sections 325D.49 to 325D.66. Approval by the state commission is an absolute defense against any action under state antitrust laws.

Subd. 5. [RULEMAKING.] The commissioner shall by January 1, 1994, adopt permanent rules to implement this section. The commissioner is exempt from rulemaking until January 1, 1994.

#### Sec. 15. [HOSPITAL PLANNING TASK FORCE.]

The legislative commission on health care access shall convene a hospital health planning task force to undertake preliminary planning relating to cost containment, accessibility of health care services, and quality of care, and to develop options and recommendations to be presented to the legislative commission and to the Minnesota health care commission. The task force consists of interested representatives of Minnesota hospitals, the commissioner of health or the commissioner's representatives, and the members of the legislative commission or their representatives. The task force shall submit reports to the Minnesota health care commission by

August 1, 1992, and July 1, 1993. The task force expires on August 1, 1993. The expenses and compensation of members is the responsibility of the institutions, organizations, or agencies they represent.

Sec. 16. [STUDY ON RECOVERY OF UNCOMPENSATED CARE COSTS.]

The commissioner of health shall study cost-shifting and uncompensated care costs in the health care industry. The commissioner shall recommend to the legislature by January 15, 1993, methods to recover from health care providers an amount equal to the share of uncompensated care costs shifted to other payers that are no longer incurred by the provider as uncompensated care costs, due to the availability of the health right plan.

Sec. 17. [STUDY OF HEALTH CARE MANAGEMENT COMPANIES.]

The commissioner of commerce and the commissioner of health shall study and make recommendations to the legislature regarding the regulation of health care management companies. The recommendations shall include, but are not limited to:

(1) the definition of a for-profit, and nonprofit health care management company;

(2) the scope and appropriateness of regulation of for-profit health care management companies, and of nonprofit health care management companies;

(3) the extent to which cost containment and expenditure targets can be attained or realized through regulation of health care management companies; and

(4) the relationship between health care management companies and health care providers, health care plans, health care technology entities, and other components of the health care system.

The commissioners of commerce and health shall present a joint report to the legislature on or before January 15, 1993.

Sec. 18. [STUDY OF HEALTH MAINTENANCE ORGANIZATION REGULATION.]

The commissioners of health and commerce shall jointly study the regulation of health maintenance organizations. The commissioners shall examine the level and type of regulation that is appropriate for the department of health and for the department of commerce and shall report to the legislature by January 15, 1993. The report must contain a consensus plan to transfer authority over the financial

aspects of health maintenance organizations to the commissioner of commerce, while allowing the commissioner of health to retain authority over the health care quality aspects of health maintenance organizations.

Sec. 19. [STUDY OF MEDICARE ASSIGNMENT FOR HOME MEDICAL EQUIPMENT.]

The commissioner of health, in consultation with representatives of the home medical equipment industry, shall study the financial impact of the phase-in of mandatory Medicare assignment on the home medical equipment suppliers. The study must include an examination of charges for medical equipment, physician documentation of medical need for medical equipment, the appropriateness of federal guidelines regarding the treatment of assignment, and other factors related to Medicare assignment that may be unique to the home medical equipment industry. The commissioner shall present recommendations to the legislature by January 15, 1993.

Sec. 20. [EFFECTIVE DATE.]

Sections 1 to 11; 12, subdivisions 1 and 2; and 13 to 19 are effective the day following final enactment. Section 12, subdivision 3, is effective July 1, 1993.

## ARTICLE 2

### SMALL EMPLOYER INSURANCE REFORM

Section 1. [62L.01] [CITATION.]

Subdivision 1. [POPULAR NAME.] Sections 62L.01 to 62L.23 may be cited as the Minnesota small employer health benefit act.

Subd. 2. [JURISDICTION.] Sections 62L.01 to 62L.23 apply to any health carrier that offers, issues, delivers, or renews a health benefit plan to a small employer.

Subd. 3. [LEGISLATIVE FINDINGS AND PURPOSE.] The legislature finds that underwriting and rating practices in the individual and small employer markets for health coverage create substantial hardship and unfairness, create unnecessary administrative costs, and adversely affect the health of residents of this state. The legislature finds that the premium restrictions provided by this chapter reduce but do not eliminate these harmful effects. Accordingly, the legislature declares its desire to phase out the remaining rating bands as quickly as possible, with the end result of eliminating all rating practices based on risk by July 1, 1997.

Sec. 2. [62L.02] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 62L.01 to 62L.23.

Subd. 2. [ACTUARIAL OPINION.] "Actuarial opinion" means a written statement by a member of the American Academy of Actuaries that a health carrier is in compliance with this chapter, based on the person's examination, including a review of the appropriate records and of the actuarial assumptions and methods utilized by the health carrier in establishing premium rates for health benefit plans.

Subd. 3. [ASSOCIATION.] "Association" means the health coverage reinsurance association.

Subd. 9. [CONTINUOUS COVERAGE.] "Continuous coverage" means the maintenance of continuous and uninterrupted qualifying prior coverage by an eligible employee or dependent. An eligible employee or dependent is considered to have maintained continuous coverage if the individual requests enrollment in a health benefit plan within 30 days of termination of the qualifying prior coverage.

Subd. 10. [DEDUCTIBLE.] "Deductible" means the amount of

health care expenses an eligible employee or dependent is required to incur before benefits are payable under a health benefit plan.

[DEPENDENT.] “Dependent” means an eligible employee’s spouse, unmarried child who is under the age of 19 years, unmarried child who is a full-time student under the age of 25 years as defined in section 62A.301 and financially dependent upon the eligible employee, or dependent child of any age who is handicapped and who meets the eligibility criteria in section 62A.14, subdivision 2. For the purpose of this definition, a child may include a child for whom the employee or the employee’s spouse has been appointed legal guardian.

Subd. 12. [ELIGIBLE CHARGES.] “Eligible charges” means the actual charges submitted to a health carrier by or on behalf of a provider, eligible employee, or dependent for health services covered by the health carrier’s health benefit plan. Eligible charges do not include charges for health services excluded by the health benefit plan or charges for which an alternate health carrier is liable under the coordination of benefit provisions of the health benefit plan.

Subd. 13. [ELIGIBLE EMPLOYEE.] “Eligible employee” means an individual employed by a small employer for at least 20 hours per week and who has satisfied all employer participation and eligibility requirements, including, but not limited to, the satisfactory completion of a probationary period of not less than 30 days but no more than 90 days. The term includes a sole proprietor, a partner of a partnership, or an independent contractor, if the sole proprietor, partner, or independent contractor is included as an employee under a health benefit plan of a small employer, but does not include employees who work on a temporary, seasonal, or substitute basis.

Subd. 14. [FINANCIALLY IMPAIRED CONDITION.] “Financially impaired condition” means a situation in which a health carrier is not insolvent, but (1) is considered by the commissioner to be potentially unable to fulfill its contractual obligations, or (2) is placed under an order of rehabilitation or conservation by a court of competent jurisdiction.

Subd. 15. [HEALTH BENEFIT PLAN.] “Health benefit plan” means a policy, contract, or certificate issued by a health carrier to a small employer for the coverage of medical and hospital benefits. (11) workers' compensation insurance.

For the purpose of this chapter, a health benefit plan issued to employees of a small employer who meets the participation requirements of section 62L.03, subdivision 3, is considered to have been issued to a small employer. A health benefit plan issued on behalf of a health carrier is considered to be issued by the health carrier.

Subd. 16. [HEALTH CARRIER.] "Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; and a multiple employer welfare arrangement, as defined in United States Code, title 29, section 1002(40), as amended through December 31, 1991. For the purpose of this chapter, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota, or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation, or any health maintenance organization that is an affiliate of another health maintenance organization in Minnesota, may treat the health maintenance organization as a separate carrier.

Subd. 17. [HEALTH PLAN.] “Health plan” means a health benefit plan issued by a health carrier, except that it may be issued:

(1) to a small employer;

(2) to an employer who does not satisfy the definition of a small employer as defined under subdivision 26; or

However, an eligible employee or dependent must not be considered a late entrant if:

(1) the individual was covered under qualifying existing coverage at the time the individual was eligible to enroll in the health benefit plan, declined enrollment on that basis, and presents to the carrier a certificate of termination of the qualifying prior coverage, provided that the individual maintains continuous coverage;

(2) the individual has lost coverage under another group health plan due to the expiration of benefits available under the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law Number 99-272, as amended, and any state continuation laws applicable to the employer or carrier, provided that the individual maintains continuous coverage;

(3) the individual is a new spouse of an eligible employee, provided that enrollment is requested within 30 days of becoming legally married;

(4) the individual is a new dependent child of an eligible employee, provided that enrollment is requested within 30 days of becoming a dependent;

(5) the individual is employed by an employer that offers multiple health benefit plans and the individual elects a different plan during an open enrollment period; or

(6) a court has ordered that coverage be provided for a dependent

child under a covered employee's health benefit plan and request for enrollment is made within 30 days after issuance of the court order.

Subd. 20. [MCHA.] "MCHA" means the Minnesota comprehensive health association established under section 62E.10.

Subd. 21. [MEDICAL NECESSITY.] "Medical necessity" means the appropriate and necessary medical and hospital services eligible for payment under a health benefit plan as determined by a health carrier.

Subd. 22. [MEMBERS.] "Members" means the health carriers operating in the small employer market who may participate in the association.

Subd. 23. [PREEXISTING CONDITION.] "Preexisting condition" means a condition manifesting in a manner that causes an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received during the six months immediately preceding the effective date of coverage, or a pregnancy existing as of the effective date of coverage of a health benefit plan.

Subd. 24. [QUALIFYING PRIOR COVERAGE OR QUALIFYING EXISTING COVERAGE.] "Qualifying prior coverage" or "qualifying existing coverage" means health benefits or health coverage provided under:

- (1) a health plan, as defined in this section;
- (2) Medicare;
- (3) medical assistance under chapter 256B;
- (4) general assistance medical care under chapter 256D;
- (5) MCHA;
- (6) a self-insured health plan;
- (7) the health right plan established under section 256.936, subdivision 2, when the plan includes inpatient hospital services as provided in section 256.936, subdivision 2a, paragraph (c);
- (8) a plan provided under section 43A.316; or
- (9) a plan similar to any of the above plans provided in this state or in another state as determined by the commissioner.

Subd. 25. [RATING PERIOD.] “Rating period” means the 12-month period for which premium rates established by a health carrier are assumed to be in effect, as determined by the health carrier. During the rating period, a health carrier may adjust the rate based on the prorated change in the index rate.

Subd. 26. [SMALL EMPLOYER.] “Small employer” means a person, firm, corporation, partnership, association, or other entity actively engaged in business who, on at least 50 percent of its working days during the preceding calendar year, employed no fewer than two nor more than 29 eligible employees, the majority of whom were employed in this state. If a small employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other, except that a small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two employees or the employees are family members. Entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to an employer who no longer meets the requirements of this definition until the annual renewal date of the employer’s health benefit plan. Where an association, described in section 62A.10, subdivision 1, comprised of employers contracts with a health carrier to provide coverage to its members who are small employers, the association may elect to be considered to be a small employer, even though the association provides coverage to more than 29 employees of its members, so long as each employer that is provided coverage through the association qualifies as a small employer. An association’s election to be considered a small employer under this section is not effective unless filed with the commissioner of commerce. The association may revoke its election at any time by filing notice of revocation with the commissioner.

Subd. 27. [SMALL EMPLOYER MARKET.] (a) “Small employer market” means the market for health benefit plans for small employers.

(b) A health carrier is considered to be participating in the small employer market if the carrier offers, sells, issues, or renews a health benefit plan to: (1) any small employer; or (2) the eligible employees of a small employer offering a health benefit plan if, with the knowledge of the health carrier, both of the following conditions are met:

(i) any portion of the premium or benefits is paid for or reimbursed by a small employer; and

(ii) the health benefit plan is treated by the employer or any of the eligible employees or dependents as part of a plan or program for the purposes of the Internal Revenue Code, section 106, 125, or 162.

Subd. 28. [SMALL EMPLOYER PLAN.] "Small employer plan" means a health benefit plan issued by a health carrier to a small employer for coverage of the medical and hospital benefits described in section 62L.05.

Sec. 3. [62L.03] [AVAILABILITY OF COVERAGE.]

Subdivision 1. [GUARANTEED ISSUE AND REISSUE.] Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, affirmatively market, offer, sell, issue, and renew any of its health benefit plans to any small employer as provided in this chapter. Every health carrier participating in the small employer market shall make available both of the plans described in section 62L.05 to small employers and shall fully comply with the underwriting and the rate restrictions specified in this chapter for all health benefit plans issued to small employers. A health carrier may cease to transact business in the small employer market as provided under section 62L.09.

Subd. 2. [EXCEPTIONS.] (a) No health maintenance organization is required to offer coverage or accept applications under subdivision 1 in the case of the following:

(1) with respect to a small employer, where the worksite of the employees of the small employer is not physically located in the health maintenance organization's approved service areas; or

(2) with respect to an employee, when the employee does not work or reside within the health maintenance organization's approved service areas.

(b) A small employer carrier shall not be required to offer coverage or accept applications pursuant to subdivision 1 where the commissioner finds that the acceptance of an application or applications would place the small employer carrier in a financially impaired condition, provided, however, that a small employer carrier that has not offered coverage or accepted applications pursuant to this paragraph shall not offer coverage or accept applications for any health benefit plan until 180 days following a determination by the commissioner that the small employer carrier has ceased to be financially impaired.

Subd. 3. [MINIMUM PARTICIPATION.] (a) A small employer that has at least 75 percent of its eligible employees who have not waived coverage participating in a health benefit plan must be guaranteed coverage from any health carrier participating in the small employer

market. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. A health carrier may not increase the participation requirements applicable to a small employer at any time after the small employer has been accepted for coverage. For the purposes of this subdivision, waiver of coverage includes only waivers due to coverage under another group health plan.

(b) A health carrier may require that small employers contribute a specified minimum percentage toward the cost of the coverage of eligible employees, so long as the requirement is uniformly applied for all small employers. For the small employer plans, a health carrier must require that small employers contribute at least 50 percent of the cost of the coverage of eligible employees. The health carrier must impose this requirement on a uniform basis for both small employer plans and for all small employers.

(c) Nothing in this section obligates a health carrier to issue coverage to a small employer that currently offers coverage through a health benefit plan from another health carrier, unless the new coverage will replace the existing coverage and not serve as one of two or more health benefit plans offered by the employer.

Subd. 4. [UNDERWRITING RESTRICTIONS.] Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted under this chapter. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees of small employers. Except as otherwise authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee or dependent. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by qualifying prior coverage, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant. Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation must not exceed 18 months.

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the small employer group. A health carrier may cancel or fail to renew a health benefit plan:

(1) for nonpayment of the required premium;

(2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;

(4) if the employer fails to comply with the minimum contribution percentage legally required by the health carrier;

(5) if the health carrier ceases to do business in the small employer market; or

(6) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.

Subd. 6. [MCHA ENROLLEES.] Health carriers shall offer coverage to any eligible employee or dependent enrolled in MCHA at the time of the health carrier's issuance or renewal of a health benefit plan to a small employer. The health benefit plan must require that the employer permit MCHA enrollees to enroll in the small employer's health benefit plan as of the first date of renewal of a health benefit plan occurring on or after July 1, 1993, or, in the case of a new group, as of the initial effective date of the health benefit plan. Unless otherwise permitted by this chapter, health carriers must not impose any underwriting restrictions, including any preexisting condition limitations or exclusions, on any eligible employee or dependent previously enrolled in MCHA and transferred to a health benefit plan so long as continuous coverage is maintained, provided that the health carrier may impose any unexpired portion of a preexisting condition limitation under the person's MCHA coverage. An MCHA enrollee is not a late entrant, so long as the enrollee has maintained continuous coverage.

#### Sec. 4. [62L.04] [COMPLIANCE REQUIREMENTS.]

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] Beginning July 1, 1993, health carriers participating in the small employer market must offer and make available any health benefit plan that they offer, including both of the small employer plans provided in section 62L.05, to all small employers who satisfy the small employer participation requirements specified

in this chapter. Compliance with these requirements is required as of the first renewal date of any small employer group occurring after July 1, 1993. For new small employer business, compliance is required as of the first date of offering occurring after July 1, 1993.

Compliance with these requirements is required as of the first renewal date occurring after July 1, 1994, with respect to employees of a small employer who had been issued individual coverage prior to July 1, 1993, administered by the health carrier on a group basis. Notwithstanding any other law to the contrary, the health carrier shall terminate any individual coverage for employees of small employers who satisfy the small employer participation requirements specified in section 62L.03 and offer to replace it with a health benefit plan. If the employer elects not to purchase a health benefit plan, the health carrier must offer all covered employees and dependents the option of maintaining their current coverage, administered on an individual basis, or replacement individual coverage. Small employer and replacement individual coverage provided under this subdivision must be without application of underwriting restrictions, provided continuous coverage is maintained.

Subd. 2. [NEW CARRIERS.] A health carrier entering the small employer market after July 1, 1993, shall begin complying with the requirements of this chapter as of the first date of offering of a health benefit plan to a small employer. A health carrier entering the small employer market after July 1, 1993, is considered to be a member of the health coverage reinsurance association as of the date of the health carrier's initial offer of a health benefit plan to a small employer.

#### Sec. 5. [62L.05] [SMALL EMPLOYER PLAN BENEFITS.]

Subdivision 1. [TWO SMALL EMPLOYER PLANS.] Each health carrier in the small employer market must make available to any small employer both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be \$3,000 per individual and \$6,000 per family per year. The maximum lifetime benefit must be \$500,000. The out-of-pocket cost limits and the deductible amounts provided in subdivision 2 must be adjusted on July 1 every two years, based upon changes in the consumer price index, as of the end of the previous calendar year, as determined by the commissioner of commerce. Adjustments must be in increments of \$50 and must not be made unless at least that amount of adjustment is required.

Subd. 2. [DEDUCTIBLE-TYPE SMALL EMPLOYER PLAN.] The benefits of the deductible-type small employer plan offered by a health carrier must be equal to 80 percent of the eligible charges for

health care services, supplies, or other articles covered under the small employer plan, in excess of an annual deductible which must be \$500 per individual and \$1,000 per family.

Subd. 3. [COPAYMENT-TYPE SMALL EMPLOYER PLAN.] The benefits of the copayment-type small employer plan offered by a health carrier must be equal to 80 percent of the eligible charges for health care services, supplies, or other articles covered under the small employer plan, in excess of the following copayments:

(1) \$15 per outpatient visit, other than to a hospital outpatient department or emergency room, urgent care center, or similar facility;

(2) \$15 per day for the services of a home health agency or private duty registered nurse;

(3) \$50 per outpatient visit to a hospital outpatient department or emergency room, urgent care center, or similar facility; and

(4) \$300 per inpatient admission to a hospital.

Subd. 4. [BENEFITS.] The medical services and supplies listed in this subdivision are the benefits that must be covered by the small employer plans described in subdivisions 2 and 3:

(1) inpatient and outpatient hospital services, excluding services provided for the diagnosis, care, or treatment of chemical dependency or a mental illness or condition, other than those conditions specified in clauses (10), (11), and (12);

(2) physician and nurse practitioner services for the diagnosis or treatment of illnesses, injuries, or conditions;

(3) diagnostic X-rays and laboratory tests;

(4) ground transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition, or as otherwise required by the health carrier;

(5) services of a home health agency if the services qualify as reimbursable services under Medicare and are directed by a physician or qualify as reimbursable under the health carrier's most commonly sold health plan for insured group coverage;

(6) services of a private duty registered nurse if medically necessary, as determined by the health carrier;

(7) the rental or purchase, as appropriate, of durable medical equipment, other than eyeglasses and hearing aids;

(8) child health supervision services up to age 18, as defined in section 62A.047;

(9) maternity and prenatal care services, as defined in sections 62A.041 and 62A.047;

(10) inpatient hospital and outpatient services for the diagnosis and treatment of certain mental illnesses or conditions, as defined by the International Classification of Diseases-Clinical Modification (ICD-9-CM), seventh edition (1990) and as classified as ICD-9 codes 295 to 299;

(11) ten hours per year of outpatient mental health diagnosis or treatment for illnesses or conditions not described in clause (10);

(12) 60 hours per year of outpatient treatment of chemical dependency; and

(13) 50 percent of eligible charges for prescription drugs, up to a separate annual maximum out-of-pocket expense of \$1,000 per individual for prescription drugs, and 100 percent of eligible charges thereafter.

Subd. 5. [PLAN VARIATIONS.] (a) No health carrier shall offer to a small employer a health benefit plan that differs from the two small employer plans described in subdivisions 1 to 4, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health care benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Subd. 6. [CHOICE PRODUCTS EXCEPTION.] Nothing in subdivision 1 prohibits a health carrier from offering a small employer plan which provides for different benefit coverages based on whether the benefit is provided through a primary network of providers or through a secondary network of providers so long as the benefits provided in the primary network equal the benefit requirements of the small employer plan as described in this section. For purposes of products issued under this subdivision, out-of-pocket costs in the

secondary network may exceed the out-of-pocket limits described in subdivision 1.

Subd. 7. [BENEFIT EXCLUSIONS.] No medical, hospital, or other health care benefits, services, supplies, or articles not expressly specified in subdivision 4 are required to be included in a small employer plan. Nothing in subdivision 4 restricts the right of a health carrier to restrict coverage to those services, supplies, or articles which are medically necessary. Health carriers may exclude a benefit, service, supply, or article not expressly specified in subdivision 4 from a small employer plan.

Subd. 8. [CONTINUATION COVERAGE.] Small employer plans must include the continuation of coverage provisions required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Public Law Number 99-272, as amended through December 31, 1991, and by state law.

Subd. 9. [DEPENDENT COVERAGE.] Other state law and rules applicable to health plan coverage of newborn infants, dependent children who do not reside with the eligible employee, handicapped children and dependents, and adopted children apply to a small employer plan. Health benefit plans that provide dependent coverage must define "dependent" no more restrictively than the definition provided in section 62L.02.

Subd. 10. [MEDICAL EXPENSE REIMBURSEMENT.] Health carriers may reimburse or pay for medical services, supplies, or articles provided under a small employer plan in accordance with the health carrier's provider contract requirements including, but not limited to, salaried arrangements, capitation, the payment of usual and customary charges, fee schedules, discounts from fee-for-service, per diems, diagnostic-related groups (DRGs), and other payment arrangements. Nothing in this chapter requires a health carrier to develop, implement, or change its provider contract requirements for a small employer plan. Coinsurance, deductibles, out-of-pocket maximums, and maximum lifetime benefits must be calculated and determined in accordance with each health carrier's standard business practices.

Subd. 11. [PLAN DESIGN.] Notwithstanding any other law, regulation, or administrative interpretation to the contrary, health carriers may offer small employer plans through any provider arrangement, including, but not limited to, the use of open, closed, or limited provider networks. A health carrier may only use product and network designs currently allowed under existing statutory requirements. The provider networks offered by any health carrier may be specifically designed for the small employer market and may be modified at the carrier's election so long as all otherwise applicable regulatory requirements are met. Health carriers may use professionally recognized provider standards of practice when

they are available, and may use utilization management practices otherwise permitted by law, including, but not limited to, second surgical opinions, prior authorization, concurrent and retrospective review, referral authorizations, case management, and discharge planning. A health carrier may contract with groups of providers with respect to health care services or benefits, and may negotiate with providers regarding the level or method of reimbursement provided for services rendered under a small employer plan.

Subd. 12. [DEMONSTRATION PROJECTS.] Nothing in this chapter prohibits a health maintenance organization from offering a demonstration project authorized under section 62D.30. The commissioner of health may approve a demonstration project which offers benefits that do not meet the requirements of a small employer plan if the commissioner finds that the requirements of section 62D.30 are otherwise met.

**Sec. 6. [62L.06] [DISCLOSURE OF UNDERWRITING RATING PRACTICES.]**

When offering or renewing a health benefit plan, health carriers shall disclose in all solicitation and sales materials:

(1) the case characteristics and other rating factors used to determine initial and renewal rates;

(2) the extent to which premium rates for a small employer are established or adjusted based upon actual or expected variation in claim experience;

(3) provisions concerning the health carrier's right to change premium rates and the factors other than claim experience that affect changes in premium rates;

(4) provisions relating to renewability of coverage;

(5) the use and effect of any preexisting condition provisions, if permitted; and

(6) the application of any provider network limitations and their effect on eligibility for benefits.

**Sec. 7. [62L.07] [SMALL EMPLOYER REQUIREMENTS.]**

Subdivision 1. [VERIFICATION OF ELIGIBILITY.] Health benefit plans must require that small employers offering a health benefit plan maintain information verifying the continuing eligibility of the employer, its employees, and their dependents, and provide the information to health carriers on a quarterly basis or as reasonably requested by the health carrier.

Subd. 2. [WAIVERS.] Health benefit plans must require that small employers offering a health benefit plan maintain written documentation of a waiver of coverage by an eligible employee or dependent and provide the documentation to the health carrier upon reasonable request.

Sec. 8. [62L.08] [RESTRICTIONS RELATING TO PREMIUM RATES.]

Subdivision 1. [RATE RESTRICTIONS.] Premium rates for all health benefit plans sold or issued to small employers are subject to the restrictions specified in this section.

Subd. 2. [GENERAL PREMIUM VARIATIONS.] Beginning July 1, 1993, each health carrier must offer premium rates to small employers that are no more than 25 percent above and no more than 25 percent below the index rate charged to small employers for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this subdivision must be based only on health status, claims experience, industry of the employer, and duration of coverage from the date of issue. For purposes of this subdivision, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined to be actuarially valid and approved by the commissioner.

Subd. 3. [AGE-BASED PREMIUM VARIATIONS.] Beginning July 1, 1993, each health carrier may offer premium rates to small employers that vary based upon the ages of the eligible employees and dependents of the small employer only as provided in this subdivision. In addition to the variation permitted by subdivision 2, each health carrier may use an additional premium variation based upon age of up to plus or minus 50 percent of the index rate.

Subd. 4. [GEOGRAPHIC PREMIUM VARIATIONS.] A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than twenty percent. The commissioner may grant approval if the following conditions are met:

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) if one geographic region is rural, the index rate for the rural

region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area;

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

Subd. 5. [GENDER-BASED RATES PROHIBITED.] Beginning July 1, 1993, no health carrier may determine premium rates through a method that is in any way based upon the gender of eligible employees or dependents.

Subd. 6. [RATE CELLS PERMITTED.] Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based on the number of adults and children covered under the policy and may reflect the availability of Medicare coverage.

Subd. 7. [INDEX AND PREMIUM RATE DEVELOPMENT.] In developing its index rates and premiums, a health carrier may take into account only the following factors:

(1) actuarially valid differences in benefit designs of health benefit plans;

(2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;

(3) actuarially valid geographic variations if approved by the commissioner as provided in subdivision 4.

Subd. 8. [FILING REQUIREMENT.] No later than July 1, 1993, and each year thereafter, a health carrier that offers, sells, issues, or renews a health benefit plan for small employers shall file with the commissioner the index rates and must demonstrate that all rates shall be within the rating restrictions defined in this chapter. Such demonstration must include the allowable range of rates from the index rates and a description of how the health carrier intends to use demographic factors including case characteristics in calculating the premium rates.

Subd. 9. [EFFECT OF ASSESSMENTS.] Premium rates must comply with the rating requirements of this section, notwithstanding the imposition of any assessments or premiums paid by health carriers as provided under sections 62L.13 to 62L.22.

Subd. 10. [RATING REPORT.] Beginning January 1, 1995, and annually thereafter, the commissioners of health and commerce shall provide a joint report to the legislature on the effect of the

rating restrictions required by this section and the appropriateness of proceeding with additional rate reform. Each report must include an analysis of the availability of health care coverage due to the rating reform, the equitable and appropriate distribution of risk and associated costs, the effect on the self-insurance market, and any resulting or anticipated change in health plan design and market share and availability of health carriers.

Sec. 9. [62L.09] [CESSATION OF SMALL EMPLOYER BUSINESS.]

Subdivision 1. [NOTICE TO COMMISSIONER.] A health carrier electing to cease doing business in the small employer market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the failure of a health carrier to offer or issue new business in the small employer market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current small employer business or other product lines.

Subd. 2. [NOTICE TO EMPLOYERS.] A health carrier electing to cease doing business in the small employer market shall provide 120 days' written notice to each small employer covered by a health benefit plan issued by the health carrier. A health carrier that ceases to write new business in the small employer market shall continue to be governed by this chapter with respect to continuing small employer business conducted by the carrier.

Subd. 3. [REENTRY PROHIBITION.] A health carrier that ceases to do business in the small employer market after July 1, 1993, is prohibited from writing new business in the small employer market in this state for a period of five years from the date of notice to the commissioner. This subdivision applies to any health maintenance organization that ceases to do business in the small employer market in one service area with respect to that service area only. Nothing in this subdivision prohibits an affiliated health maintenance organization from continuing to do business in the small employer market in that same service area.

Subd. 4. [CONTINUING ASSESSMENT LIABILITY.] A health carrier that ceases to do business in the small employer market remains liable for assessments levied by the association as provided in section 62L.22.

Sec. 10. [62L.10] [SUPERVISION BY COMMISSIONER.]

Subdivision 1. [REPORTS.] A health carrier doing business in the small employer market shall file by April 1 of each year an annual actuarial opinion with the commissioner certifying that the health carrier complied with the underwriting and rating requirements of this chapter during the preceding year and that the rating methods

used by the health carrier were actuarially sound. A health carrier shall retain a copy of the opinion at its principal place of business.

Subd. 2. [RECORDS.] A health carrier doing business in the small employer market shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.

Subd. 3. [SUBMISSIONS TO COMMISSIONER.] Subsequent to the annual filing, the commissioner may request information and documentation from a health carrier describing its rating practices and renewal underwriting practices, including information and documentation that demonstrates that a health carrier's rating methods and practices are in accordance with sound actuarial principles and the requirements of this chapter. Except in cases of violations of this chapter or of another chapter, information received by the commissioner as provided under this subdivision is nonpublic.

Subd. 4. [REVIEW OF PREMIUM RATES.] The commissioner shall regulate premium rates charged or proposed to be charged by all health carriers in the small employer market under section 62A.02. The commissioner of health has, with respect to carriers under that commissioner's jurisdiction, all of the powers of the commissioner of commerce under that section.

Subd. 5. [TRANSITIONAL PRACTICES.] The commissioner shall disapprove index rates, premium variations, or other practices of a health carrier if they violate the spirit of this chapter and are the result of practices engaged in by the health carrier between the date of final enactment of this act and July 1, 1993, where the practices engaged in were carried out for the purpose of evading the spirit of this chapter. Each health carrier shall report to the commissioner, within 30 days and on a form prescribed by the commissioner, each cancellation, nonrenewal, or other termination of coverage of a small employer between the date of final enactment of this act and June 30, 1993. The health carrier shall provide any related information requested by the commissioner within the time specified in the request. Any health carrier that engages in a practice of terminating or inducing termination of coverage of small employers in order to evade the effects of this act, is guilty of an unfair method of competition and an unfair or deceptive act or practice in the business of insurance and is subject to the remedies provided in sections 72A.17 to 72A.32.

Sec. 11. [62L.11] [PENALTIES AND ENFORCEMENT.]

Subdivision 1. [DISCIPLINARY PROCEEDINGS.] The commis-

tioner may, by order, suspend or revoke a health carrier's license or certificate of authority and impose a monetary penalty not to exceed \$25,000 for each violation of this chapter, including the failure to pay an assessment required by section 62L.22. The notice, hearing, and appeal procedures specified in section 60A.051 or 62D.16, as appropriate, apply to the order. The order is subject to judicial review as provided under chapter 14.

Subd. 2. [ENFORCEMENT POWERS.] The commissioners of health and commerce each has for purposes of this chapter all of each commissioner's respective powers under other chapters that are applicable to their respective duties under this chapter.

Sec. 12. [62L.12] [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] A health carrier operating in the small employer market shall not knowingly offer, issue, or renew an individual policy, subscriber contract, or certificate to an eligible employee or dependent of a small employer that meets the minimum participation requirements defined in section 62L.03, subdivision 3, except as authorized under subdivision 2.

Subd. 2. [EXCEPTIONS.] (a) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.

(b) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.

(c) A health carrier may sell, issue, or renew conversion policies under section 62E.16 to eligible employees and dependents.

(d) A health carrier may sell, issue, or renew individual continuation policies to eligible employees and dependents as required.

(e) A health carrier may sell, issue, or renew individual coverage if the coverage is appropriate due to an unexpired preexisting condition limitation or exclusion applicable to the person under the employer's group coverage or due to the person's need for health care services not covered under the employer's group policy.

(f) A health carrier may sell, issue, or renew an individual policy, with the prior consent of the commissioner, if the individual has elected to buy the individual coverage not as part of a general plan

to substitute individual coverage for group coverage nor as a result of any violation of subdivision 3 or 4.

(g) Nothing in this subdivision relieves a health carrier of any obligation to provide continuation or conversion coverage otherwise required under federal or state law.

Subd. 3. [AGENT'S LICENSURE.] An agent licensed under chapter 60A or section 62C.17 who knowingly and willfully breaks apart a small group for the purpose of selling individual policies to eligible employees and dependents of a small employer that meets the participation requirements of section 62L.03, subdivision 3, is guilty of an unfair trade practice and subject to the revocation or suspension of license under section 60A.17, subdivision 6c, or 62C.17. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section 60A.17, subdivision 6d. The action of the commissioner is subject to judicial review as provided under chapter 14.

Subd. 4. [EMPLOYER PROHIBITION.] A small employer shall not encourage or direct an employee or applicant to:

(1) refrain from filing an application for health coverage when other similarly situated employees may file an application for health coverage;

(2) file an application for health coverage during initial eligibility for coverage, the acceptance of which is contingent on health status, when other similarly situated employees may apply for health coverage, the acceptance of which is not contingent on health status;

(3) seek coverage from another carrier, including, but not limited to, MCHA; or

(4) cause coverage to be issued on different terms because of the health status or claims experience of that person or the person's dependents.

Subd. 5. [SALE OF OTHER PRODUCTS.] A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including, but not limited to, life, disability, property, and general liability insurance. This prohibition does not apply to insurance products offered as a supplement to a health maintenance organization plan, including, but not limited to, supplemental benefit plans under section 62D.05, subdivision 6.

Sec. 13. [62L.13] [REINSURANCE ASSOCIATION.]

Subdivision 1. [CREATION.] The health coverage reinsurance association is established as a nonprofit corporation. All health carriers in the small employer market shall be and remain members of the association as a condition of their authority to transact business.

Subd. 2. [PURPOSE.] The association is established to provide for the fair and equitable transfer of risk associated with participation by a health carrier in the small employer market to a private reinsurance pool established and maintained by the association.

Subd. 3. [EXEMPTIONS.] The association, its transactions, and all property owned by it are exempt from taxation under the laws of this state or any of its subdivisions, including, but not limited to, income tax, sales tax, use tax, and property tax. The association may seek exemption from payment of all fees and taxes levied by the federal government. Except as otherwise provided in this chapter, the association is not subject to the provisions of chapters 13, 14, 60A, 62A to 62H, and section 471.705. The association is not a public employer and is not subject to the provisions of chapters 179A and 353. Health carriers who are members of the association are exempt from the provisions of sections 325D.49 to 325D.66 in the performance of their duties as members of the association.

Subd. 4. [POWERS OF ASSOCIATION.] The association may exercise all of the powers of a corporation formed under chapter 317A, including, but not limited to, the authority to:

(1) establish operating rules, conditions, and procedures relating to the reinsurance of members' risks;

(2) assess members in accordance with the provisions of this section and to make advance interim assessments as may be reasonable and necessary for organizational and interim operating expenses;

(3) sue and be sued, including taking any legal action necessary to recover any assessments;

(4) enter into contracts necessary to carry out the provisions of this chapter;

(5) establish operating, administrative, and accounting procedures for the operation of the association; and

(6) borrow money against the future receipt of premiums and assessments up to the amount of the previous year's assessment, with the prior approval of the commissioner.

The provisions of this chapter govern if the provisions of chapter

317A conflict with this chapter. The association shall adopt bylaws and shall be governed in accordance with this chapter and chapter 317A.

Subd. 5. [SUPERVISION BY COMMISSIONER.] The commissioner of commerce shall supervise the association in accordance with this chapter. The commissioner of commerce may examine the association. The association's reinsurance policy forms, its contracts, its premium rates, and its assessments are subject to the approval of the commissioner of commerce. The association's policy forms, contracts, and premium rates are deemed approved if not disapproved by the commissioner of commerce within 60 days after the date of filing them with the commissioner of commerce. The association's assessments are deemed approved if not disapproved by the commissioner of commerce within 15 business days after filing them with the commissioner of commerce. The association shall notify the commissioner of all association or board meetings, and the commissioner or the commissioner's designee may attend all association or board meetings. The association shall file an annual report with the commissioner on or before July 1 of each year, beginning July 1, 1994, describing its activities during the preceding calendar year. The report must include a financial report and a summary of claims paid by the association. The annual report must be available for public inspection.

#### Sec. 14. [62L.14] [BOARD OF DIRECTORS.]

Subdivision 1. [COMPOSITION OF BOARD.] The association shall exercise its powers through a board of 13 directors. Four members must be public members appointed by the commissioner. The public members must not be employees of or otherwise affiliated with any member of the association. The nonpublic members of the board must be representative of the membership of the association and must be officers, employees, or directors of the members during their term of office. No member of the association may have more than three members of the board. Directors are automatically removed if they fail to satisfy this qualification.

Subd. 2. [ELECTION OF BOARD.] On or before July 1, 1992, the commissioner shall appoint an interim board of directors of the association who shall serve through the first annual meeting of the members and for the next two years. Except for the public members, the commissioner's initial appointments must be equally apportioned among the following three categories: accident and health insurance companies, nonprofit health service plan corporations, and health maintenance organizations. Thereafter, members of the association shall elect the board of directors in accordance with this chapter and the bylaws of the association, subject to approval by the commissioner. Members of the association may vote in person or by proxy. The public members shall continue to be appointed by the commissioner.

Subd 3. [TERM OF OFFICE.] The first annual meeting must be held by December 1, 1992. After the initial two-year period, each director shall serve a three-year term, except that the board shall make appropriate arrangements to stagger the terms of the board members so that approximately one-third of the terms expire each year. Each director shall hold office until expiration of the director's term or until the director's successor is duly elected or appointed and qualified, or until the director's death, resignation, or removal.

Subd. 4. [RESIGNATION AND REMOVAL.] A director may resign at any time by giving written notice to the commissioner. The resignation takes effect at the time the resignation is received unless the resignation specifies a later date. A nonpublic director may be removed at any time, with cause, by the members.

Subd. 5. [QUORUM.] A majority of the members of the board of directors constitutes a quorum for the transaction of business. If a vacancy exists by reason of death, resignation, or otherwise, a majority of the remaining directors constitutes a quorum.

Subd. 6. [DUTIES OF DIRECTORS.] The board of directors shall adopt or amend the association's bylaws. The bylaws may contain any provision for the purpose of administering the association that is not inconsistent with this chapter. The board shall manage the association in furtherance of its purposes and as provided in its bylaws. On or before January 1, 1993, the board or the interim board shall develop a plan of operation and reasonable operating rules to assure the fair, reasonable, and equitable administration of the association. The plan of operation must include the development of procedures for selecting an administering carrier, establishment of the powers and duties of the administering carrier, and establishment of procedures for collecting assessments from members, including the imposition of interest penalties for late payments of assessments. The plan of operation must be submitted to the commissioner for review and approval and must be submitted to the members for approval at the first meeting of the members. The board of directors may subsequently amend, change, or revise the plan of operation without approval by the members.

Subd. 7. [COMPENSATION.] Members of the board may be reimbursed by the association for reasonable and necessary expenses incurred by them in performing their duties as directors, but shall not otherwise be compensated by the association for their services.

Subd. 8. [OFFICERS.] The board may elect officers and establish committees as provided in the bylaws of the association. Officers have the authority and duties in the management of the association as prescribed by the bylaws and determined by the board of directors.

Subd. 9. [MAJORITY VOTE.] Approval by a majority of the board

members present is required for any action of the board. The majority vote must include one vote from a board member representing an accident and health insurance company, one vote from a board member representing a health service plan corporation, one vote from a board member representing a health maintenance organization, and one vote from a public member.

Sec. 15. [62L.15] [MEMBERS.]

Subdivision 1. [ANNUAL MEETING.] The association shall conduct an annual meeting of the members of the association for the purpose of electing directors and transacting any other appropriate business of the membership of the association. The board shall determine the date, time, and place of the annual meeting. The association shall conduct its first annual member meeting on or before December 1, 1992.

Subd. 2. [SPECIAL MEETINGS.] Special meetings of the members must be held whenever called by any three of the directors. At least two categories must be represented among the directors calling a special meeting of the members. The categories are accident and health insurance companies, nonprofit health service plan corporations, and health maintenance organizations. Special meetings of the members must be held at a time and place designated in the notice of the meeting.

Subd. 3. [MEMBER VOTING.] Each member's vote is a weighted vote and is based on each member's total insurance premiums, subscriber contract charges, health maintenance contract payments, or other health benefit plan revenue derived from, or on behalf of, small employers during the preceding calendar year, as determined by the board and approved by the commissioner, based on annual statements and other reports considered necessary by the board of directors.

Subd. 4. [INITIAL MEMBER MEETING.] At least 60 days before the first annual meeting of the members, the commissioner shall give written notice to all members of the time and place of the member meeting. The members shall elect directors representing the members, approve the initial plan of operation of the association, and transact any other appropriate business of the membership of the association.

Subd. 5. [MEMBER COMPLIANCE.] All members shall comply with the provisions of this chapter, the association's bylaws, the plan of operation developed by the board of directors, and any other operating, administrative, or other procedures established by the board of directors for the operation of the association. The board may request the commissioner to secure compliance with this chapter through the use of any enforcement action otherwise available to the commissioner.

## Sec. 16. [62L.16] [ADMINISTRATION OF ASSOCIATION.]

Subdivision 1. [ADMINISTRATOR.] The association shall contract with a qualified entity to operate and administer the association. If there is no available qualified entity, or in the event of a termination under subdivision 2, the association may directly operate and administer the reinsurance program. The administrator shall perform all administrative functions required by this chapter. The board of directors shall develop administrative functions required by this chapter and written criteria for the selection of an administrator. The administrator must be selected by the board of directors, subject to approval by the commissioner.

Subd. 2. [TERM.] The administrator shall serve for a period of three years, unless the administrator requests the termination of its contract and the termination is approved by the board of directors. The board of directors shall approve or deny a request to terminate within 90 days of its receipt after consultation with the commissioner. A failure to make a final decision on a request to terminate within 90 days is considered an approval.

Subd. 3. [DUTIES OF ADMINISTRATOR.] The association shall enter into a written contract with the administrator to carry out its duties and responsibilities. The administrator shall perform all administrative functions required by this chapter including the:

- (1) preparation and submission of an annual report to the commissioner;
- (2) preparation and submission of monthly reports to the board of directors;
- (3) calculation of all assessments and the notification thereof of members;
- (4) payment of claims to health carriers following the submission by health carriers of acceptable claim documentation; and
- (5) provision of claim reports to health carriers as determined by the board of directors.

Subd. 4. [BID PROCESS.] The association shall issue a request for proposal for administration of the reinsurance association and shall solicit responses from health carriers participating in the small employer market and from other qualified entities. Methods of compensation of the administrator must be a part of the bid process. The administrator shall substantiate its cost reports consistent with generally accepted accounting principles.

Subd. 5. [AUDITS.] The board of directors may conduct periodic

audits to verify the accuracy of financial data and reports submitted by the administrator.

Subd. 6. [RECORDS OF ASSOCIATION.] The association shall maintain appropriate records and documentation relating to the activities of the association. All individual patient-identifying claims data and information are confidential and not subject to disclosure of any kind, except that a health carrier shall have access upon request to individual claims data relating to eligible employees and dependents covered by a health benefit plan issued by the health carrier. All records, documents, and work product prepared by the association or by the administrator for the association are the property of the association. The commissioner shall have access to the data for the purposes of carrying out the supervisory functions provided for in this chapter.

Sec. 17. [62L.17] [PARTICIPATION IN THE REINSURANCE ASSOCIATION.]

Subdivision 1. [MINIMUM STANDARDS.] The board of directors or the interim board shall establish minimum claim processing and managed care standards which must be met by a health carrier in order to reinsure business.

Subd. 2. [PARTICIPATION.] A health carrier may elect to not participate in the reinsurance association through transferring risk only after filing an application with the commissioner of commerce. The commissioner may approve the application after consultation with the board of directors. In determining whether to approve an application, the commissioner shall consider whether the health carrier meets the following standards:

(1) demonstration by the health carrier of a substantial and established market presence;

(2) demonstrated experience in the small group market and history of rating and underwriting small employer groups;

(3) commitment to comply with the requirements of this chapter for small employers in the state or its service area; and

(4) financial ability to assume and manage the risk of enrolling small employer groups without the protection of the reinsurance.

Initial application for nonparticipation must be filed with the commissioner no later than February 1993. The commissioner shall make the determination and notify the carrier no later than April 15, 1993.

Subd. 3. [LENGTH OF PARTICIPATION.] A health carrier's

initial election is for a period of two years. Subsequent elections of participation are for five-year periods.

Subd. 4. [APPEAL.] A health carrier whose application for non-participation has been rejected by the commissioner may appeal the decision. The association may also appeal a decision of the commissioner, if approved by a two-thirds majority of the board. Chapter 14 applies to all appeals.

Subd. 5. [ANNUAL CERTIFICATION.] A health carrier that has received approval to not participate in the reinsurance association shall annually certify to the commissioner on or before December 1 that it continues to meet the standards described in subdivision 2.

Subd. 6. [SUBSEQUENT ELECTION.] Election to participate in the reinsurance association must occur on or before December 31 of each year. If after a period of nonparticipation, the nonparticipating health carrier subsequently elects to participate in the reinsurance association, the health carrier retains the risk it assumed when not participating in the association.

If a participating health carrier subsequently elects to not participate in the reinsurance association, the health carrier shall cease reinsuring through the association all of its small employer business and is liable for any assessment described in section 62L.22 which has been prorated based on the business covered by the reinsurance mechanism during the year of the assessment.

Subd. 7. [ELECTION MODIFICATION.] The commissioner, after consultation with the board, may authorize a health carrier to modify its election to not participate in the association at any time, if the risk from the carrier's existing small employer business jeopardizes the financial condition of the health carrier. If the commissioner authorizes a health carrier to participate in the association, the health carrier shall retain the risk it assumed while not participating in the association. This election option may not be exercised if the health carrier is in rehabilitation.

#### Sec. 18. [62L.18] [CEDING OF RISK.]

Subdivision 1. [PROSPECTIVE CEDING.] For health benefit plans issued on or after July 1, 1993, all health carriers participating in the association may prospectively reinsure an employee or dependent within a small employer group and entire employer groups of seven or fewer eligible employees. A health carrier must determine whether to reinsure an employee or dependent or entire group within 60 days of the commencement of the coverage of the small employer and must notify the association during that time period.

Subd. 2. [ELIGIBILITY FOR REINSURANCE.] A health carrier may not reinsure existing small employer business through the association. A health carrier may reinsure an employee or dependent who previously had coverage from MCHA who is now eligible for coverage through the small employer group at the time of enrollment as defined in section 62L.03, subdivision 6. A health carrier may not reinsure individuals who have existing individual health care coverage with that health carrier upon replacement of the individual coverage with group coverage as provided in section 62L.04, subdivision 1.

Subd. 3. [REINSURANCE TERMINATION.] A health carrier may terminate reinsurance through the association for an employee or dependent or entire group on the anniversary date of coverage for the small employer. If the health carrier terminates the reinsurance, the health carrier may not subsequently reinsure the individual or entire group.

Subd. 4. [CONTINUING CARRIER RESPONSIBILITY.] A health carrier transferring risk to the association is completely responsible for administering its health benefit plans. A health carrier shall apply its case management and claim processing techniques consistently between reinsured and nonreinsured business. Small employers, eligible employees, and dependents shall not be notified that the health carrier has reinsured their coverage through the association.

**Sec. 19. [62L.19] [ALLOWED REINSURANCE BENEFITS.]**

A health carrier may reinsure through the association only those benefits described in section 62L.05.

**Sec. 20. [62L.20] [TRANSFER OF RISK.]**

Subdivision 1. [REINSURANCE THRESHOLD.] A health carrier participating in the association may transfer up to 90 percent of the risk above a reinsurance threshold of \$5,000 of eligible charges resulting from issuance of a health benefit plan to an eligible employee or dependent of a small employer group whose risk has been prospectively ceded to the association. If the eligible charges exceed \$50,000, a health carrier participating in the association may transfer 100 percent of the risk each policy year not to exceed 12 months.

Satisfaction of the reinsurance threshold must be determined by the board of directors based on eligible charges. The board may establish an audit process to assure consistency in the submission of charge calculations by health carriers to the association.

Subd. 2. [CONVERSION FACTORS.] The board shall establish a standardized conversion table for determining equivalent charges

for health carriers that use alternative provider reimbursement methods. If a health carrier establishes to the board that the carrier's conversion factor is equivalent to the association's standardized conversion table, the association shall accept the health carrier's conversion factor.

Subd. 3. [BOARD AUTHORITY.] The board shall establish criteria for changing the threshold amount or retention percentage. The board shall review the criteria on an annual basis. The board shall provide the members with an opportunity to comment on the criteria at the time of the annual review.

Subd. 4. [NOTIFICATION OF TRANSFER OF RISK.] A participating health carrier must notify the association, within 90 days of receipt of proof of loss, of satisfaction of a reinsurance threshold. After satisfaction of the reinsurance threshold, a health carrier continues to be liable to its providers, eligible employees, and dependents for payment of claims in accordance with the health carrier's health benefit plan. Health carriers shall not pend or delay payment of otherwise valid claims due to the transfer of risk to the association.

Subd. 5. [PERIODIC STUDIES.] The board shall, on a biennial basis, prepare and submit a report to the commissioner of commerce on the effect of the reinsurance association on the small employer market. The first study must be presented to the commissioner no later than January 1, 1995, and must specifically address whether there has been disruption in the small employer market due to unnecessary churning of groups for the purpose of obtaining reinsurance and whether it is appropriate for health carriers to transfer the risk of their existing small group business to the reinsurance association. After two years of operation, the board shall study both the effect of ceding both individuals and entire small groups of seven or fewer eligible employees to the reinsurance association and the composition of the board and determine whether the initial appointments reflect the types of health carriers participating in the reinsurance association and whether the voting power of members of the association should be weighted and recommend any necessary changes.

Sec. 21. [62L.21] [REINSURANCE PREMIUMS.]

Subdivision 1. [MONTHLY PREMIUM.] A health carrier ceding an individual to the reinsurance association shall be assessed a monthly reinsurance coverage premium that is 5.0 times the adjusted average market price. A health carrier ceding an entire group to the reinsurance association shall be assessed a monthly reinsurance coverage premium that is 1.5 times the adjusted average market price. The adjusted average market premium price must be established by the board of directors in accordance with its plan of

operation. The board may consider benefit levels in establishing the reinsurance coverage premium.

Subd. 2. [ADJUSTMENT OF PREMIUM RATES.] The board of directors shall establish operating rules to allocate adjustments to the reinsurance premium charge of no more than minus 25 percent of the monthly reinsurance premium for health carriers that can demonstrate administrative efficiencies and cost-effective handling of equivalent risks. The adjustment must be made annually on a retrospective basis. The operating rules must establish objective and measurable criteria which must be met by a health carrier in order to be eligible for an adjustment. These criteria must include consideration of efficiency attributable to case management, but not consideration of such factors as provider discounts.

Subd. 3. [LIABILITY FOR PREMIUM.] A health carrier is liable for the cost of the reinsurance premium and may not directly charge the small employer for the costs. The reinsurance premium may be reflected only in the rating factors permitted in section 62L.08, as provided in section 62L.08, subdivision 10.

Sec. 22. [62L.22] [ASSESSMENTS.]

Subdivision 1. [ASSESSMENT BY BOARD.] For the purpose of providing the funds necessary to carry out the purposes of the association, the board of directors shall assess members as provided in subdivisions 2, 3, and 4 at the times and for the amounts the board of directors finds necessary. Assessments are due and payable on the date specified by the board of directors, but not less than 30 days after written notice to the member. Assessments accrue interest at the rate of six percent per year on or after the due date.

Subd. 2. [INITIAL CAPITALIZATION.] The interim board of directors shall determine the initial capital operating requirements for the association. The board shall assess each licensed health carrier \$100 for the initial capital requirements of the association. The assessment is due and payable no later than January 1, 1993.

Subd. 3. [RETROSPECTIVE ASSESSMENT.] On or before July 1 of each year, the administering carrier shall determine the association's net loss, if any, for the previous calendar year, the program expenses of administration, and other appropriate gains and losses. If reinsurance premium charges are not sufficient to satisfy the operating and administrative expenses incurred or estimated to be incurred by the association, the board of directors shall assess each member participating in the association in proportion to each member's respective share of the total insurance premiums, subscriber contract payments, health maintenance organization payments, and other health benefit plan revenue derived from or on behalf of small employers during the preceding calendar year. The assessments must be calculated by the board of directors based on

annual statements and other reports considered necessary by the board of directors and filed by members with the association. The amount of the assessment shall not exceed four percent of the member's small group market premium. In establishing this assessment, the board shall consider a formula based on total small employer premiums earned and premiums earned from newly issued small employer plans. A member's assessment may not be reduced or increased by more than 50 percent as a result of using that formula, which includes a reasonable cap on assessments on any premium category or premium classification. The board of directors may provide for interim assessments as it considers necessary to appropriately carry out the association's responsibilities. The board of directors may establish operating rules to provide for changes in the assessment calculation.

Subd. 4. [ADDITIONAL ASSESSMENTS.] If the board of directors determines that the retrospective assessment formula described in subdivision 3 is insufficient to meet the obligations of the association, the board of directors shall assess each member not participating in the reinsurance association, but which is providing health plan coverage in the small employer market, in proportion to each member's respective share of the total insurance premiums, subscriber contract payments, health maintenance organization payments, and other health benefit plan revenue derived from or on behalf of small employers during the preceding calendar year. The assessment must be calculated by the board of directors based on annual statements and other reports considered necessary by the board of directors and filed by members with the association. The amount of the assessment may not exceed one percent of the member's small group market premium. Members who paid the retrospective assessment described in subdivision 3 are not subject to the additional assessment.

If the additional assessment is insufficient to meet the obligations of the association, the board of directors may assess members participating in the association who paid the retrospective assessment described in subdivision 3 up to an additional one percent of the member's small group market premium.

Subd. 5. [ABATEMENT OR DEFERMENT.] The association may abate or defer, in whole or in part, the retrospective assessment of a member if, in the opinion of the commissioner, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations or the member is placed under an order of rehabilitation, liquidation, receivership, or conservation by a court of competent jurisdiction. In the event that a retrospective assessment against a member is abated or deferred, in whole or in part, the amount by which the assessment is abated or deferred may be assessed against other members in accordance with the methodology specified in subdivisions 3 and 4.

Subd. 6. [REFUND.] The board of directors may refund to members, in proportion to their contributions, the amount by which the assets of the association exceed the amount the board of directors finds necessary to carry out its responsibilities during the next calendar year. A reasonable amount may be retained to provide funds for the continuing expenses of the association and for future losses.

Subd. 7. [APPEALS.] A health carrier may appeal to the commissioner of commerce within 30 days of notice of an assessment by the board of directors. A final action or order of the commissioner is subject to judicial review in the manner provided in chapter 14.

Subd. 8. [LIABILITY FOR ASSESSMENT.] Employer liability for other costs of a health carrier resulting from assessments made by the association under this section are limited by the rate spread restrictions specified in section 62L.08.

Sec. 23. [62L.23] [LOSS RATIO STANDARDS.]

Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, each policy or contract form used with respect to a health benefit plan offered, or issued in the small employer market, is subject, beginning July 1, 1993, to section 62A.021. The commissioner of health has, with respect to carriers under that commissioner's jurisdiction, all of the powers of the commissioner of commerce under that section.

Sec. 24. [COMMISSIONER OF COMMERCE STUDY.]

The commissioner of commerce shall study and provide a written report and recommendations to the legislature that analyze the effects of this article and future measures that the legislature could enact to achieve the purpose set forth in section 62L.01, subdivision 3. The commissioner shall study, report, and make recommendations on the following:

(1) the effects of this article on availability of coverage, average premium rates, variations in premium rates, the number of uninsured and underinsured residents of this state, the types of health benefit plans chosen by employers, and other effects on the market for health benefit plans for small employers;

(2) the desirability and feasibility of achieving the goal stated in section 62L.01, subdivision 3, in the small employer market by means of the following timetable:

(i) as of July 1, 1995, a reduction of the age rating bands to 30 percent on each side of the index rate, accompanied by a proportional

reduction of the general premium rating bands to 15 percent on each side of the index rate;

(ii) as of July 1, 1996, a reduction in the bands referenced in the preceding clause to 15 percent and 7.5 percent respectively; and

(iii) as of July 1, 1997, a ban on all rating bands; and

(3) Any other aspects of the small employer market considered relevant by the commissioner.

The commissioner shall file the written report and recommendations with the legislature no later than December 1, 1994.

#### Sec. 25. [EFFECTIVE DATES.]

Sections 1 to 12 and 23 are effective July 1, 1993, except that section 10, subdivision 5, is effective the day following final enactment. Sections 13 to 22 are effective the day following final enactment.

### ARTICLE 3

Section 1. [43A.317] [PRIVATE EMPLOYERS INSURANCE PROGRAM.]

The committee shall advise the commissioner on issues related to administration of the program. The committee is governed by sections 15.014 and 15.059, and continues to exist while the program remains in operation.

Subd. 5. [EMPLOYER ELIGIBILITY.] (a) [PROCEDURES.] All employers are eligible for coverage through the program subject to the terms of this subdivision. The commissioner shall establish procedures for an employer to apply for coverage through the program.

(b) [TERM.] The initial term of an employer’s coverage will be two years from the effective date of the employer’s application. After that, coverage will be automatically renewed for additional two-year terms unless the employer gives notice of withdrawal from the program according to procedures established by the commissioner or the commissioner gives notice to the employer of the discontinuance of the program. The commissioner may establish conditions under which an employer may withdraw from the program prior to the expiration of a two-year term, including by reason of a midyear increase in health coverage premiums of 50 percent or more. An employer that withdraws from the program may not reapply for coverage for a period of two years from its date of withdrawal.

(c) [MINNESOTA WORK FORCE.] An employer is not eligible for coverage through the program if five percent or more of its eligible employees work primarily outside Minnesota, except that an employer may apply to the program on behalf of only those employees who work primarily in Minnesota.

(d) [EMPLOYEE PARTICIPATION; AGGREGATION OF GROUPS.] An employer is not eligible for coverage through the program unless its application includes all eligible employees who work primarily in Minnesota, except employees who waive coverage as permitted by subdivision 6. Private entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer, except as otherwise approved by the commissioner.

(e) [PRIVATE EMPLOYER.] A private employer is not eligible for coverage unless it has two or more eligible employees in the state of Minnesota. If an employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other.

(f) [MINIMUM PARTICIPATION.] The commissioner must require as a condition of employer eligibility that at least 75 percent of its eligible employees who have not waived coverage participate in the program. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. For purposes of this section, waiver of coverage includes only waivers due to coverage under another group health benefit plan.

(g) [EMPLOYER CONTRIBUTION.] The commissioner must require as a condition of employer eligibility that the employer contribute at least 50 percent toward the cost of the premium of the employee and may require that the contribution toward the cost of coverage is structured in a way that promotes price competition among the coverage options available through the program.

(h) [ENROLLMENT CAP.] The commissioner may limit employer enrollment in the program if necessary to avoid exceeding the program's reserve capacity.

Subd. 6. [INDIVIDUAL ELIGIBILITY.] (a) [PROCEDURES.] The commissioner shall establish procedures for eligible employees and other eligible individuals to apply for coverage through the program.

(b) [EMPLOYEES.] An employer shall determine when it applies to the program the criteria its employees must meet to be eligible for coverage under its plan. An employer may subsequently change the criteria annually or at other times with approval of the commissioner. The criteria must provide that new employees become eligible

for coverage after a probationary period of at least 30 days, but no more than 90 days.

(c) [OTHER INDIVIDUALS.] An employer may elect to cover under its plan:

(1) the spouse, dependent children, and dependent grandchildren of a covered employee;

(2) a retiree who is eligible to receive a pension or annuity from the employer and a covered retiree's spouse, dependent children, and dependent grandchildren;

(3) the surviving spouse, dependent children, and dependent grandchildren of a deceased employee or retiree, if the spouse, children, or grandchildren were covered at the time of the death;

(4) a covered employee who becomes disabled, as provided in sections 62A.147 and 62A.148; or

(5) any other categories of individuals for whom group coverage is required by state or federal law.

An employer shall determine when it applies to the program the criteria individuals in these categories must meet to be eligible for coverage. An employer may subsequently change the criteria annually, or at other times with approval of the commissioner. The criteria for dependent children and dependent grandchildren may be no more inclusive than the criteria under section 43A.18, subdivision 2. This paragraph shall not be interpreted as relieving the program from compliance with any federal and state continuation of coverage requirements.

(d) [WAIVER AND LATE ENTRANCE.] An eligible individual may waive coverage at the time the employer joins the program or when coverage first becomes available. The commissioner may establish a preexisting condition exclusion of not more than 18 months for late entrants as defined in section 62L.02, subdivision 19.

(e) [CONTINUATION COVERAGE.] The program shall provide all continuation coverage required by state and federal law.

Subd. 7. [COVERAGE.] Coverage is available through the program beginning on July 1, 1993. At least annually, the commissioner shall solicit bids from carriers regulated under chapters 62A, 62C, and 62D, to provide coverage of eligible individuals. The commissioner shall provide coverage through contracts with carriers, unless the commissioner receives no reasonable bids from carriers.

(a) [HEALTH COVERAGE.] Health coverage is available to all employers in the program. The commissioner shall attempt to establish health coverage options that have strong care management features to control costs and promote quality and shall attempt to make a choice of health coverage options available. Health coverage for a retiree who is eligible for the federal Medicare program must be administered as though the retiree is enrolled in Medicare parts A and B. To the extent feasible as determined by the commissioner and in the best interests of the program, the commissioner shall model coverage after the plan established in section 43A.18, subdivision 2. Health coverage must include at least the benefits required of a carrier regulated under chapter 62A, 62C, or 62D for comparable coverage. Coverage under this paragraph must not be provided as part of the health plans available to state employees.

(b) [OPTIONAL COVERAGES.] In addition to offering health coverage, the commissioner may arrange to offer dental coverage through the program. Employers with health coverage may choose to offer dental coverage according to the terms established by the commissioner.

(c) [OPEN ENROLLMENT.] The program must meet all underwriting requirements of chapter 62L and must provide periodic open enrollments for eligible individuals for those coverages where a choice exists.

(d) [TECHNICAL ASSISTANCE.] The commissioner may arrange for technical assistance and referrals for eligible employers in areas such as health promotion and wellness, employee benefits structure, tax planning, and health care analysis services as described in section 62J.33.

Subd. 8. [PREMIUMS.] (a) [PAYMENTS.] Employers enrolled in the program shall pay premiums according to terms established by the commissioner. If an employer fails to make the required payments, the commissioner may cancel coverage and pursue other civil remedies.

(b) [RATING METHOD.] The commissioner shall determine the premium rates and rating method for the program. The rating method for eligible small employers must meet or exceed the requirements of chapter 62L. The rating methods must recover in premiums all of the ongoing costs for state administration and for maintenance of a premium stability and claim fluctuation reserve. Premiums must be established so as to recover and repay within five years after July 1, 1993, any direct appropriations received to provide start-up administrative costs. Premiums must be established so as to recover and repay within five years after July 1, 1993, any direct appropriations received to establish initial reserves.

(c) [TAXES AND ASSESSMENTS.] To the extent that the pro-

gram operates as a self-insured group, the premiums paid to the program are not subject to the premium taxes imposed by sections 60A.15 and 60A.198, but the program is subject to a Minnesota comprehensive health association assessment under section 62E.11.

Subd. 9. [PRIVATE EMPLOYERS INSURANCE TRUST FUND.]  
(a) [CONTENTS.] The private employer insurance trust fund in the state treasury consists of deposits received from eligible employers and individuals, contractual settlements or rebates relating to the program, investment income or losses, and direct appropriations.

(b) [APPROPRIATION.] All money in the fund is appropriated to the commissioner to pay insurance premiums, approved claims, refunds, administrative costs, and other costs necessary to administer the program.

(c) [RESERVES.] For any coverages for which the program does not contract to transfer full financial responsibility, the commissioner shall establish and maintain reserves:

(1) for claims in process, incomplete and unreported claims, premiums received but not yet earned, and all other accrued liabilities; and

(2) to ensure premium stability and the timely payment of claims in the event of adverse claims experience. The reserve for premium stability and claim fluctuations must be established according to the standards of section 62C.09, subdivision 3, except that the reserve may exceed the upper limit under this standard until July 1, 1997.

(d) [INVESTMENTS.] The state board of investment shall invest the fund's assets according to section 11A.24. Investment income and losses attributable to the fund must be credited to the fund.

Subd. 10. [PROGRAM STATUS.] The private employers insurance program is a state program to provide the advantages of a large pool to small employers for purchasing health coverage, other coverages, and related services from insurance companies, health maintenance organizations, and other organizations. The program is not an insurance company. Coverage under this program shall be considered a certificate of insurance or similar evidence of coverage and is subject to all applicable requirements of chapters 60A, 62A, 62C, 62E, 62H, 62L, and 72A, and is subject to regulation by the commissioner of commerce to the extent applicable. Coverage is subject to section 471.617, subdivisions 2 and 3, and the bidding requirements of section 471.6161.

Subd. 11. [EVALUATION.] The commissioner shall report to the legislature on December 15, 1995. The report must provide a detailed summary of all direct and indirect administrative costs

associated with the program, and must include an analysis of whether the program (1) is providing coverage to persons who would otherwise be unable to purchase coverage in the private sector; (2) will provide coverage at lower premium costs without ongoing state subsidy; (3) will provide coverage to persons in geographic areas of the state where coverage options would otherwise be limited; and (4) will fulfill the intent of the legislature.

Sec. 2. [62A.011] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] For purposes of this chapter, the terms defined in this section have the meanings given.

Subd. 2. [HEALTH CARRIER.] "Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a nonprofit health service plan corporation operating under chapter 62C; a health maintenance organization operating under chapter 62D; a fraternal benefit society operating under chapter 64B; or a joint self-insurance employee health plan operating under chapter 62H.

Subd. 3. [HEALTH PLAN.] "Health plan" means a policy or certificate of accident and sickness insurance as defined in section 62A.01 offered by an insurance company licensed under chapter 60A; a subscriber contract or certificate offered by a nonprofit health service plan corporation operating under chapter 62C; a health maintenance contract or certificate offered by a health maintenance organization operating under chapter 62D; a health benefit certificate offered by a fraternal benefit society operating under chapter 64B; or health coverage offered by a joint self-insurance employee health plan operating under chapter 62H. Health plan means individual and group coverage, unless otherwise specified.

Sec. 3. Minnesota Statutes 1990, section 62A.02, subdivision 1, is amended to read:

Subdivision 1. [FILING.] No policy of accident and sickness insurance health plan as defined in section 62A.011 shall be issued or delivered to any person in this state, nor shall any application, rider, or endorsement be used in connection therewith with the health plan, until a copy of the its form thereof and of the classification of risks and the premium rates pertaining thereto to the form have been filed with the commissioner. The filing for nongroup policies health plan forms shall include a statement of actuarial reasons and data to support the need for any premium rate increase. For health benefit plans as defined in section 62L.02, and for health plans to be issued to individuals, the health carrier shall file with the commissioner the information required in section 62L.08, subdivision 8. For group health plans for which approval is sought for sales only outside of the small employer market as defined in section

62L.02, this section applies only to policies or contracts of accident and sickness insurance. All forms intended for issuance in the individual or small employer market must be accompanied by a statement as to the expected loss ratio for the form. Premium rates and forms relating to specific insureds or proposed insureds, whether individuals or groups, need not be filed, unless requested by the commissioner.

Sec. 4. Minnesota Statutes 1990, section 62A.02, subdivision 2, is amended to read:

Subd. 2. [APPROVAL.] ~~No such policy~~ The health plan form shall not be issued, nor shall any application, rider, or endorsement, or rate be used in connection therewith with it, until the expiration of 60 days after it has been so filed unless the commissioner shall sooner give written approval thereto approves it before that time.

Sec. 5. Minnesota Statutes 1990, section 62A.02, subdivision 3, is amended to read:

Subd. 3. [STANDARDS FOR DISAPPROVAL.] The commissioner shall, within 60 days after the filing of any form or rate, disapprove the form or rate:

(1) if the benefits provided therein are unreasonable not reasonable in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the policy health plan form, or otherwise does not comply with this chapter, chapter 62L, or chapter 72A; or

(3) if the proposed premium rate is excessive because the insurer has failed to exercise reasonable cost control or not adequate; or

(4) the actuarial reasons and data submitted do not justify the rate.

The party proposing a rate has the burden of proving by a preponderance of the evidence that it does not violate this subdivision.

In determining the reasonableness of a rate, the commissioner shall also review all administrative contracts, service contracts, and other agreements to determine the reasonableness of the cost of the contracts or agreement and effect of the contracts on the rate. If the commissioner determines that a contract or agreement is not reasonable, the commissioner shall disapprove any rate that reflects any unreasonable cost arising out of the contract or agreement. The

commissioner may require any information that the commissioner deems necessary to determine the reasonableness of the cost.

For the purposes of ~~clause (4)~~ this subdivision, the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. ~~For the purposes of this subdivision,~~ "Anticipated loss ratio" means the ratio at the time of form filing, at the time of notice of withdrawal under subdivision 4a, or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the premium charged.

If the commissioner notifies ~~an insurer which~~ a health carrier that has filed any form or rate that ~~the form~~ it does not comply with the provisions of this section or sections 62A.03 to 62A.05 and 72A.20 chapter, chapter 62L, or chapter 72A, it shall be unlawful thereafter for the ~~insurer health carrier~~ health carrier to issue or use the form or ~~use it in connection with any policy rate.~~ In the notice the commissioner shall specify the reasons for disapproval and state that a hearing will be granted within 20 days after request in writing by the ~~insurer health carrier.~~

The 60-day period within which the commissioner is to approve or disapprove the form or rate does not begin to run until a complete filing of all data and materials required by statute or requested by the commissioner has been submitted.

However, if the supporting data is not filed within 30 days after a request by the commissioner, the rate is not effective and is presumed to be an excessive rate.

Sec. 6. Minnesota Statutes 1990, section 62A.02, is amended by adding a subdivision to read:

Subd. 4a. [WITHDRAWAL OF APPROVAL.] The commissioner may, at any time after a 20-day written notice has been given to the insurer, withdraw approval of any form or rate that has previously been approved on any of the grounds stated in this section. It is unlawful for the health carrier to issue a form or rate or use it in connection with any health plan after the effective date of the withdrawal of approval. The notice of withdrawal of approval must

advise the health carrier of the right to a hearing under the contested case procedures of chapter 14, and must specify the matters to be considered at the hearing.

The commissioner may request an health carrier to provide actuarial reasons and data, as well as other information, needed to determine if a previously approved rate continues to satisfy the requirements of this section. If the requested information is not provided within 30 days after request by the commissioner, the rate is presumed to be an excessive rate.

Sec. 7. Minnesota Statutes 1990, section 62A.02, is amended by adding a subdivision to read:

Subd. 5a. [HEARING.] The health carrier must request a hearing before the 20-day notice period has ended, or the commissioner's order is final. A request for hearing stays the commissioner's order until the commissioner notifies the health carrier of the result of the hearing. The commissioner's order may require the modification of any rate or form and may require continued coverage to persons covered under a health plan to which the disapproved form or rate applies.

Sec. 8. [62A.021] [HEALTH CARE POLICY RATES.]

Subdivision 1. [LOSS RATIO STANDARDS.] Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, a health care policy form or certificate form shall not be delivered or issued for delivery to an individual or to a small employer as defined in section 62L.02, unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to Minnesota policyholders and certificate holders in the form of aggregate benefits not including anticipated refunds or credits, provided under the policy form or certificate form, (1) at least 75 percent of the aggregate amount of premiums earned in the case of policies issued in the small employer market, as defined in section 62L.02, subdivision 27; and (2) at least 65 percent of the aggregate amount of premiums earned in the case of policies issued in the individual market, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. A health carrier shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage. Assessments by the reinsurance association created in chapter 62L and any types of taxes, surcharges, or assessments created by this act or created on or after the date of final enactment of this act are included in the calculation of incurred claims experience or incurred health care expenses. The applicable percentage for policy forms and certificate forms issued in the small employer market, as defined in section

62L.02, increases by one percentage point on July 1 of each year, until an 80 percent loss ratio is reached on July 1, 1998. The applicable percentage for policy forms and certificate forms issued in the individual market increases by one percentage point on July 1 of each year, until a 70 percent loss ratio is reached on July 1, 1998. Premiums earned and claims incurred in markets other than the small employer and individual markets are not relevant for purposes of this section.

Notwithstanding section 645.26, any act enacted at this session that amends or repeals section 62A.135 or that otherwise changes the loss ratios provided in that section is void.

All filings of rates and rating schedules shall demonstrate that actual expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy form or certificate form shall equal or exceed the appropriate loss ratio standards.

A health carrier that issues health care policies and certificates to individuals or to small employers, as defined in section 62L.02, in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy form or certificate form duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policy forms or certificate forms in force less than three years. If the data submitted does not confirm that the health carrier has satisfied the loss ratio requirements of this section, the commissioner shall notify the health carrier in writing of the deficiency. The health carrier shall have 30 days from the date of the commissioner's notice to file amended rates that comply with this section. If the health carrier fails to file amended rates within the prescribed time, the commissioner shall order that the health carrier's filed rates for the nonconforming policy form or certificate form be reduced to an amount that would have resulted in a loss ratio that complied with this section had it been in effect for the reporting period of the supplement. The health carrier's failure to file amended rates within the specified time or the issuance of the commissioner's order amending the rates does not preclude the health carrier from filing an amendment of its rates at a later time. The commissioner shall

annually make the submitted data available to the public at a cost not to exceed the cost of copying. The data must be compiled in a form useful for consumers who wish to compare premium charges and loss ratios.

Each sale of a policy or certificate that does not comply with the loss ratio requirements of this section is an unfair or deceptive act or practice in the business of insurance and is subject to the penalties in sections 72A.17 to 72A.32.

For purposes of this section, health care policies issued as a result of solicitations of individuals through the mail or mass media advertising, including both print and broadcast advertising, shall be treated as individual policies.

For purposes of this section, (1) "health care policy" or "health care certificate" is a health plan as defined in section 62A.011; and (2) "health carrier" has the meaning given in section 62A.011 and includes all health carriers delivering or issuing for delivery health care policies or certificates in this state or offering these policies or certificates to residents of this state.

Subd. 2. [COMPLIANCE AUDIT.] The commissioner has the authority to audit any health carrier to assure compliance with this section. Health carriers shall retain at their principal place of business information necessary for the commissioner to perform compliance audits.

**Sec. 9. [62A.302] [COVERAGE OF DEPENDENTS.]**

Subdivision 1. [SCOPE OF COVERAGE.] This section applies to all health plans as defined in section 62A.011.

Subd. 2. [REQUIRED COVERAGE.] Every health plan included in subdivision 1 that provides dependent coverage must define "dependent" no more restrictively than the definition provided in section 62L.02.

**Sec. 10. [62A.303] [PROHIBITION; SEVERING OF GROUPS.]**

Section 62L.12, subdivisions 1, 2, 3, and 4, apply to all employer group health plans, as defined in section 62A.011, regardless of the size of the group.

Sec. 11. Minnesota Statutes 1991 Supplement, section 62A.31, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract issued by a health service plan corporation regulated under chapter 62C, or other

evidence of accident and health insurance the effect or purpose of which is to supplement Medicare coverage issued or delivered in this state or offered to a resident of this state shall be sold or issued to an individual covered by Medicare unless the following requirements are met:

(a) The policy must provide a minimum of the coverage set out in subdivision 2;

(b) The policy must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage;

(c) The policy must contain a provision that the plan will not be canceled or nonrenewed on the grounds of the deterioration of health of the insured;

(d) Before the policy is sold or issued, an offer of both categories of Medicare supplement insurance has been made to the individual, together with an explanation of both coverages;

(e) An outline of coverage as provided in section 62A.39 must be delivered at the time of application and prior to payment of any premium;

(f)(1) The policy must provide that benefits and premiums under the policy shall be suspended at the request of the policyholder for the period, not to exceed 24 months, in which the policyholder has applied for and is determined to be entitled to medical assistance under title XIX of the Social Security Act, but only if the policyholder notifies the issuer of the policy within 90 days after the date the individual becomes entitled to this assistance;

(2) If suspension occurs and if the policyholder or certificate holder loses entitlement to this medical assistance, the policy shall be automatically reinstated, effective as of the date of termination of this entitlement, if the policyholder provides notice of loss of the entitlement within 90 days after the date of the loss;

(3) The policy must provide that upon reinstatement (i) there is no additional waiting period with respect to treatment of preexisting conditions, (ii) coverage is provided which is substantially equivalent to coverage in effect before the date of the suspension, and (iii) premiums are classified on terms that are at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had coverage not been suspended;

(g) The written statement required by an application for Medicare

supplement insurance pursuant to section 62A.43, subdivision 1, shall be made on a form, approved by the commissioner, that states that counseling services may be available in the state to provide advice concerning the purchase of Medicare supplement policies and enrollment under the Medicaid program;

(h) No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B;

(i) If a Medicare supplement policy replaces another Medicare supplement policy, the issuer of the replacing policy shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, and probationary periods in the new Medicare supplement policy for similar benefits to the extent the time was spent under the original policy;

(j) The policy has been filed with and approved by the department as meeting all the requirements of sections 62A.31 to 62A.44; and

(k) The policy guarantees renewability.

Only the following standards for renewability may be used in Medicare supplement insurance policy forms.

No issuer of Medicare supplement insurance policies may cancel or nonrenew a Medicare supplement policy or certificate for any reason other than nonpayment of premium or material misrepresentation.

If a group Medicare supplement insurance policy is terminated by the group policyholder and is not replaced as provided in this clause, the issuer shall offer certificate holders an individual Medicare supplement policy which, at the option of the certificate holder, provides for continuation of the benefits contained in the group policy; or provides for such benefits and benefit packages as otherwise meet the requirements of this clause.

If an individual is a certificate holder in a group Medicare supplement insurance policy and the individual terminates mem-

bership in the group, the issuer of the policy shall offer the certificate holder the conversion opportunities described in this clause; or offer the certificate holder continuation of coverage under the group policy.

(1) Each health maintenance organization, health service plan corporation, insurer, or fraternal benefit society that sells coverage that supplements Medicare coverage shall establish a separate community rate for that coverage. Beginning January 1, 1993, no coverage that supplements Medicare or that is governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., may be offered, issued, sold, or renewed to a Minnesota resident, except at the community rate required by this paragraph.

For coverage that supplements Medicare and for the Part A rate calculation for plans governed by section 1833 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., the community rate may take into account only the following factors:

(1) actuarially valid differences in benefit designs or provider networks;

(2) geographic variations in rates if preapproved by the commissioner of commerce; and

(3) premium reductions in recognition of healthy lifestyle behaviors, including but not limited to, refraining from the use of tobacco. Premium reductions must be actuarially valid and must relate only to those healthy lifestyle behaviors that have a proven positive impact on health. Factors used by the health carrier making this premium reduction must be filed with and approved by the commissioner.

#### Sec. 12. [62A.65] [INDIVIDUAL MARKET REGULATION.]

Subdivision 1. [APPLICABILITY.] No health carrier, as defined in chapter 62L, shall offer, sell, issue, or renew any individual policy of accident and sickness coverage, as defined in section 62A.01, subdivision 1, any individual subscriber contract regulated under chapter 62C, any individual health maintenance contract regulated under chapter 62D, any individual health benefit certificate regulated under chapter 64B, or any individual health coverage provided by a multiple employer welfare arrangement, to a Minnesota resident except in compliance with this section. For purposes of this section, "health benefit plan" has the meaning given in chapter 62L, except that the term means individual coverage, including family coverage, rather than employer group coverage. This section does not apply to the comprehensive health association established in section 62E.10 or to coverage described in section 62A.31, subdivision 1, paragraph

(h), or to long-term care policies as defined in section 62A.46, subdivision 2.

Subd. 2. [GUARANTEED RENEWAL.] No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health benefit plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health benefit plan to the person. The premium rate upon renewal must also otherwise comply with this section. A health benefit plan may be subject to refusal to renew only under the conditions provided in chapter 62L.

Subd. 3. [PREMIUM RATE RESTRICTIONS.] No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident unless the premium rate charged is determined in accordance with the rating and premium restrictions provided under chapter 62L, except the minimum loss ratio applicable to individual coverage is as provided in section 62A.021. All provisions of chapter 62L apply to rating and premium restrictions in the individual market, unless clearly inapplicable to the individual market.

Subd. 4. [GENDER RATING PROHIBITED.] No health benefit plan offered, sold, issued, or renewed to a Minnesota resident may determine the premium rate or any other underwriting decision, including initial issuance, on the gender of any person covered or to be covered under the health benefit plan.

Subd. 5. [PORTABILITY OF COVERAGE.] (a) No health benefit plan may be offered, sold, issued, or renewed to a Minnesota resident that contains a preexisting condition limitation or exclusion, unless the limitation or exclusion would be permitted under chapter 62L. The individual may be treated as a late entrant, as defined in chapter 62L, unless the individual has maintained continuous coverage as defined in chapter 62L. An individual who has maintained continuous coverage may be subjected to a one-time preexisting condition limitation as permitted under chapter 62L for persons who are not late entrants, at the time that the individual first is covered by individual coverage. Thereafter, the person must not be subject to any preexisting condition limitation, except an unexpired portion of a limitation under prior coverage, so long as the individual maintains continuous coverage.

(b) A health carrier must offer individual coverage to any individual previously covered under a group health benefit plan issued by that health carrier, so long as the individual maintained continuous coverage as defined in chapter 62L. Coverage issued under this paragraph must not contain any preexisting condition limitation or exclusion, except for any unexpired limitation or exclusion under the previous coverage. The initial premium rate for the individual

coverage must comply with subdivision 3. The premium rate upon renewal must comply with subdivision 2.

Subd. 6. [GUARANTEED ISSUE NOT REQUIRED.] Nothing in this section requires a health carrier to initially issue a health benefit plan to a Minnesota resident, except as otherwise expressly provided in subdivision 4 or 5.

Sec. 13. Minnesota Statutes 1990, section 62E.02, subdivision 23, is amended to read:

Subd. 23. "Contributing member" means those companies ~~operating pursuant to regulated under~~ chapter 62A and offering, selling, issuing, or renewing policies or contracts of accident and health insurance ~~or~~; health maintenance organizations ~~and regulated under~~ chapter 62D; nonprofit health service plan corporations ~~incorporated regulated~~ under chapter 62C ~~or~~; fraternal benefit ~~society~~ operating societies regulated under chapter 64B; the private employers insurance program established in section 43A.317, effective July 1, 1993; and joint self-insurance plans regulated under chapter 62H. For the purposes of determining liability of contributing members pursuant to section 62E.11 payments received from or on behalf of Minnesota residents for coverage by a health maintenance organization shall be considered to be accident and health insurance premiums.

Sec. 14. Minnesota Statutes 1990, section 62E.10, subdivision 1, is amended to read:

Subdivision 1. [CREATION; TAX EXEMPTION.] There is established a comprehensive health association to promote the public health and welfare of the state of Minnesota with membership consisting of all insurers; self-insurers; fraternal; joint self-insurance plans regulated under chapter 62H; the private employers insurance program established in section 43A.317, effective July 1, 1993; and health maintenance organizations licensed or authorized to do business in this state. The comprehensive health association shall be exempt from taxation under the laws of this state and all property owned by the association shall be exempt from taxation.

Sec. 15. Minnesota Statutes 1990, section 62E.11, subdivision 9, is amended to read:

Subd. 9. Each contributing member that terminates individual health coverage ~~regulated under chapter 62A, 62C, 62D, or 64B~~ for reasons other than (a) nonpayment of premium; (b) failure to make copayments; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and does not provide or arrange for replacement coverage that meets the requirements of section 62D.121; shall pay a special assessment to the state plan based upon

the number of terminated individuals who join the comprehensive health insurance plan as authorized under section 62E.14, subdivisions 1, paragraph (d), and 6. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

Sec. 16. Minnesota Statutes 1990, section 62E.11, is amended by adding a subdivision to read:

Subd. 12. [FUNDING.] Notwithstanding subdivision 5, the claims expenses and operating and administrative expenses of the association incurred on or after January 1, 1994 shall be paid from the health care access account established in section 16A.724, to the extent appropriated for that purpose by the legislature. Any such expenses not paid from that account shall be paid as otherwise provided in this section. All contributing members shall adjust their premium rates to fully reflect funding provided under this subdivision. The commissioner of commerce or the commissioner of health, as appropriate, shall require contributing members to prove compliance with this rate adjustment requirement.

Sec. 17. [62E.141] [INCLUSION IN EMPLOYER-SPONSORED PLAN.]

No employee, or dependent of an employee, of an employer who

offers a health benefit plan, under which the employee or dependent is eligible to enroll under chapter 62L, is eligible to enroll, or continue to be enrolled, in the comprehensive health association, except for enrollment or continued enrollment necessary to cover conditions that are subject to an unexpired preexisting condition limitation or exclusion under the employer's health benefit plan. This section does not apply to persons enrolled in the comprehensive health association as of June 30, 1993.

Sec. 18. Minnesota Statutes 1990, section 62H.01, is amended to read:

**62H.01 [JOINT SELF-INSURANCE EMPLOYEE HEALTH PLAN.]**

Any ~~three~~ <sup>two</sup> or more employers, excluding the state and its political subdivisions as described in section 471.617, subdivision 1, who are authorized to transact business in Minnesota may jointly self-insure employee health, dental, or short-term disability benefits. Joint plans must have a minimum of 250 covered employees and meet all conditions and terms of sections 62H.01 to 62H.08. Joint plans covering employers not resident in Minnesota must meet the requirements of sections 62H.01 to 62H.08 as if the portion of the plan covering Minnesota resident employees was treated as a separate plan. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

A multiple employer welfare arrangement as defined in United States Code, title 29, section 1002(40)(a), is subject to this chapter to the extent authorized by the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.

**Sec. 19. [REQUEST FOR ERISA EXEMPTION.]**

The commissioner of commerce shall request and diligently pursue an exemption from the federal preemption of state laws relating to health coverage provided under employee welfare benefit plans under the Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1144. The scope of the exemption should permit the state to:

(1) require that employers participate in a state payroll withholding system designed to pay for health coverage for employees and dependents;

(2) regulate self-insured health plans to the same extent as insurance companies; and

(3) enact or adopt other state laws relating to health coverage that

would, in the judgment of the commissioner of commerce, further the public policies of this state.

In determining the scope of the exemption request and in requesting and pursuing the exemption, the commissioner of commerce shall seek the advice and assistance of the legislative commission on health care access. The commissioner shall report in writing to that commission at least quarterly regarding the status of the exemption request.

Sec. 20. [COMMISSIONER OF COMMERCE STUDY.]

The commissioner of commerce shall study the operation of the individual market and shall file a report and recommendations with the legislature, no later than December 15, 1992. The study, report, and recommendations must:

(1) evaluate the extent to which the individual market and the state's regulation of it can achieve the goals provided in Minnesota Statutes, section 62L.01, subdivision 3;

(2) evaluate the need for and feasibility of a guaranteed issue requirement in the individual market;

(3) make recommendations regarding the future of the comprehensive health association.

Sec. 21. [REVIEW OF STANDARDIZED POLICY FORMS.]

The commissioner of commerce shall review the health care policies currently in use in the state, other than specialized and limited scope products such as dental insurance and hospital indemnity products, and make recommendations to the legislature by February 1, 1993, relating to standardized health care policy forms to be used by all insurers, health service plans, or other entities regulated under Minnesota Statutes, chapter 62A, 62C, 62E, or 62H.

Sec. 22. [STUDY OF HEALTHY LIFESTYLE PREMIUM REDUCTIONS.]

The commissioner of commerce shall study and make recommendations to the legislature regarding whether health benefits plans, as defined in Minnesota Statutes, section 62L.02, but including both individual and group plans, should be permitted or required to offer premium discounts in recognition of and to encourage healthy lifestyle behaviors. The commissioner shall file the recommendations with the legislature on or before December 15, 1992. The commissioner shall make recommendations regarding:

(1) the types of lifestyle behaviors, including but not limited to,

nonuse of tobacco, nonuse of alcohol, and regular exercise appropriate to the person's age and health status, that should be eligible for premium discounts;

(2) the level or amounts of premium discounts that should be permitted or required, including appropriateness of premium discounts of up to 25 percent of the premium;

(3) the actuarial justification that the commissioner should require for premium reductions;

(4) the extent to which health carriers can monitor compliance with promised lifestyle behaviors and whether new legislation could increase the monitoring ability or reduce its cost; and

(5) any favorable or adverse impacts on the individual or small group market. Any data on individuals collected under this section and received by the commissioner, which has not previously been public data, is private data on individuals.

This section shall not be interpreted as prohibiting any premium discounts approved under current law by the commissioner of commerce or by the commissioner of health or permitted under this act.

Sec. 23. [REPEALER.]

Minnesota Statutes 1990, sections 62A.02, subdivisions 4 and 5, are repealed.

Sec. 24. [EFFECTIVE DATE.]

Section 11 is effective July 30, 1992. Sections 1 to 10, 12, 15, 16, 17, 18, and 23 are effective July 1, 1993, except that section 1, subdivision 9, is effective the day following final enactment. Sections 19, 20, 21, and 22 are effective the day following final enactment.

## ARTICLE 4

### CHILDREN'S HEALTH PLAN EXPANSION

Section 1. [256.362] [REPORTS AND IMPLEMENTATION.]

Subdivision 1. [WELLNESS COMPONENT.] The commissioners of human services and health shall recommend to the legislature, by January 1, 1993, methods to incorporate discounts for wellness factors of up to 25 percent into the health right plan premium sliding scale. Beginning October 1, 1992, the commissioner of human services shall inform health right plan enrollees of the

future availability of the wellness discount, and shall encourage enrollees to incorporate wellness factors into their lifestyles.

Subd. 2. [FEDERAL HEALTH INSURANCE CREDIT.] By October 1, 1992, the commissioners of human services and revenue shall apply for any federal waivers or approvals necessary to allow enrollees in state health care programs to assign the federal health insurance credit component of the earned income tax credit to the state.

Subd. 3. [COORDINATION OF MEDICAL ASSISTANCE AND THE HEALTH RIGHT PLAN.] The commissioner shall develop and implement a plan to combine medical assistance and health right plan application and eligibility procedures. The plan may include the following changes: (1) use of a single mail-in application; (2) elimination of the requirement for personal interviews; (3) postponing notification of paternity disclosure requirements; (4) modifying verification requirements for pregnant women and children; (5) using shorter forms for recertifying eligibility; (6) expedited and more efficient eligibility determinations for applicants; (7) expanded outreach efforts, including combined marketing of the two plans; and (8) other changes that improve access to services provided by the two programs. The plan may include seeking the following changes in federal law: (1) extension and expansion of exemptions for different eligibility groups from Medicaid quality control sanctions; (2) changing requirements for the redetermination of eligibility; (3) eliminating asset tests for all children; and (4) other changes that improve access to services provided by the two programs. The commissioner shall seek any necessary federal approvals, and any necessary changes in federal law. The commissioner shall implement each element of the plan as federal approval is received, and shall report to the legislature by January 1, 1993, on progress in implementing this plan.

Subd. 4. [PLAN FOR MANAGED CARE.] By January 1, 1993, the commissioner of human services shall present a plan to the legislature for providing all medical assistance and health right plan services through managed care arrangements. The commissioner shall apply to the secretary of health and human services for any necessary federal waivers or approvals, and shall begin to implement the plan for managed care upon receipt of the federal waivers or approvals.

Subd. 5. [REPORT ON PURCHASES AT FULL COST.] By January 1, 1994, the commissioner shall report to the legislature on the effect on average overall premium cost for the health right plan of allowing families who are not eligible for a subsidy to enroll in the health right plan at 100 percent of premium cost. By January 1, 1995, the commissioner shall report to the legislature on the effect on average overall premium cost for the health right plan of allowing individuals who are not eligible for a subsidy to enroll in the health

right plan at 100 percent of premium cost. The commissioner shall recommend whether enrollment for this group should begin.

Sec. 2. Minnesota Statutes 1990, section 256.936, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section the following terms shall have the meanings given them:

(a) "Eligible persons" means children who are one year of age or older but less than 18 years of age who have gross family incomes that are equal to or less than 185 percent of the federal poverty guidelines and who are not eligible for medical assistance under chapter 256B or general assistance medical care under chapter 256D and who are not otherwise insured for the covered services. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes 18 years old.

(b) "Covered services" means children's health services.

(c) "Children's health services" means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, special education services, private duty nursing services, orthodontic services, medical transportation services, personal care assistant and case management services, hospice care services, nursing home or intermediate care facilities services, inpatient mental health services, outpatient mental health services in excess of \$1,000 per enrolled child per 12-month eligibility period, and chemical dependency services. Outpatient mental health services covered under the children's health plan are limited to diagnostic assessments, psychological testing, explanation of findings, and individual, family, and group psychotherapy.

(d) "Eligible providers" means those health care providers who provide children's covered health services to medical assistance recipients under rules established by the commissioner for that program. Reimbursement under this section shall be at the same rates and conditions established for medical assistance.

(e) (b) "Commissioner" means the commissioner of human services.

(f) (c) "Gross family income" for farm and nonfarm self-employed means income calculated using as the baseline the adjusted gross income reported on the applicant's federal income tax form for the previous year and adding back in reported depreciation, carryover loss, and net operating loss amounts that apply to the business in which the family is currently engaged. Applicants shall report the most recent financial situation of the family if it has changed from

the period of time covered by the federal income tax form. The report may be in the form of percentage increase or decrease.

Sec. 3. Minnesota Statutes 1990, section 256.936, subdivision 2, is amended to read:

Subd. 2. [PLAN ADMINISTRATION.] ~~The children's health right plan is established to promote access to appropriate primary health care services to assure healthy children and adults. The commissioner shall establish an office for the state administration of this plan. The plan shall be used to provide children's covered health services for eligible persons. Payment for these services shall be made to all eligible providers. The commissioner may shall adopt rules to administer this section the health right plan. The commissioner shall establish marketing efforts to encourage potentially eligible persons to receive information about the program and about other medical care programs administered or supervised by the department of human services. A toll-free telephone number must be used to provide information about medical programs and to promote access to the covered services. The commissioner shall manage spending for the health right plan in a manner that maintains a minimum reserve equal to five percent of the expected cost of state premium subsidies. The commissioner must make a quarterly assessment of the expected expenditures for the covered services and the appropriation for the remainder of the current fiscal year and for the following two fiscal years. Based on this assessment the commissioner may limit enrollments and target former aid to families with dependent children recipients. If sufficient money is not available to cover all costs incurred in one quarter, the commissioner may seek an additional authorization for funding from the legislative advisory committee. The estimated expenditure shall be compared to an estimate of the revenues that will be deposited in the health care access fund. Based on this comparison, and after consulting with the chairs of the house appropriations committee and the senate finance committee, and the legislative commission on health care access, the commissioner shall make adjustments as necessary to ensure that expenditures remain within the limits of available revenues. The adjustments the commissioner may use must be implemented in this order: first, stop enrollment of single adults and households without children; second, upon 45 days' notice, stop coverage of single adults and households without children already enrolled in the health right plan; third, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income above 200 percent of the federal poverty guidelines; fourth, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income at or below 200 percent; and fifth, require applicants to be uninsured for at least six months prior to eligibility in the health right plan. If these measures are insufficient to limit the expenditures to the estimated amount of revenue, the commissioner may further limit enrollment or decrease premium subsidies.~~

If the commissioner determines that, despite adjustments made as authorized under this subdivision, estimated costs will exceed the forecasted amount of available revenues other than the reserve, the commissioner may, with the approval of the commissioner of finance, use all or part of the reserve to cover the costs of the program.

The commissioner may adopt emergency rules to govern implementation of this section. Notwithstanding section 14.35, the emergency rules adopted under this section shall remain in effect for 720 days.

Sec. 4. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 2a. [COVERED HEALTH SERVICES.] (a) [COVERED SERVICES.] “Covered health services” means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, special education services, private duty nursing services, orthodontic services, medical transportation services, personal care assistant and case management services, hospice care services, nursing home or intermediate care facilities services, inpatient mental health services, outpatient mental health services in excess of \$1,000 per adult enrollee and \$2,500 per child enrollee per 12-month eligibility period, and chemical dependency services. Outpatient mental health services covered under the health right plan are limited to diagnostic assessments, psychological testing, explanation of findings, and individual, family, and group psychotherapy. Medication management by a physician is not subject to the \$1,000 and \$2,500 limitations on outpatient mental health services. Covered health services shall be expanded as provided in this subdivision.

(b) [ALCOHOL AND DRUG DEPENDENCY.] Beginning October 1, 1992, covered health services shall include up to ten hours per year of individual outpatient treatment of alcohol or drug dependency by a qualified health professional or outpatient program. Two hours of group treatment count as one hour of individual treatment.

Persons who may need chemical dependency services under the provisions of this chapter shall be assessed by a local agency as defined under section 254B.01, and under the assessment provisions of section 254A.03, subdivision 3. Persons who are recipients of medical benefits under the provisions of this chapter and who are financially eligible for consolidated chemical dependency treatment fund services provided under the provisions of chapter 254B shall receive chemical dependency treatment services under the provisions of chapter 254B only if:

(1) they have exhausted the chemical dependency benefits offered under this chapter; or

(2) an assessment indicates that they need a level of care not provided under the provisions of this chapter.

(c) [INPATIENT HOSPITAL SERVICES.] Beginning July 1, 1993, covered health services shall include inpatient hospital services, subject to those limitations necessary to coordinate the provision of these services with eligibility under the medical assistance spend-down. The inpatient hospital benefit for adult enrollees not eligible for medical assistance is subject to an annual benefit limit of \$10,000. The commissioner shall provide enrollees with at least 60 days' notice of coverage for inpatient hospital services and any premium increase associated with the inclusion of this benefit.

(d) [EMERGENCY MEDICAL TRANSPORTATION SERVICES.] Beginning July 1, 1993, covered health services shall include emergency medical transportation services.

(e) [FEDERAL WAIVERS AND APPROVALS.] The commissioner shall coordinate the provision of hospital inpatient services under the health right plan with enrollee eligibility under the medical assistance spend-down, and shall apply to the secretary of health and human services for any necessary federal waivers or approvals.

(f) [COPAYMENTS AND COINSURANCE.] The health right benefit plan shall include the following copayments and coinsurance requirements:

(1) ten percent for inpatient hospital services for adult enrollees not eligible for medical assistance, subject to an annual out-of-pocket maximum of \$2,000 per individual and \$3,000 per family;

(2) 50 percent for adult dental services, except for preventive services;

(3) \$3 per prescription for adult enrollees; and

(4) \$25 for eyeglasses for adult enrollees.

Enrollees who would be eligible for medical assistance with a spenddown must pay the coinsurance amount up to the spenddown limit or the coinsurance amount, whichever is less, in order to become eligible for the medical assistance program.

Sec. 5. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 2b. [ELIGIBLE PERSONS.] (a) [CHILDREN.] "Eligible persons" means children who are one year of age or older but less than 18 years of age who have gross family incomes that are equal to or less than 185 percent of the federal poverty guidelines and who

are not eligible for medical assistance under chapter 256B and who are not otherwise insured for the covered services. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes 18 years old. Eligibility for the health right plan shall be expanded as provided in paragraphs (b) to (e). Under paragraphs (b) to (e), parents who enroll in the health right plan must also enroll their children and dependent siblings, if the children and their dependent siblings are eligible. Children and dependent siblings may be enrolled separately without enrollment by parents. However, if one parent in the household enrolls, both parents must enroll, unless other insurance is available. If one child from a family is enrolled, all children must be enrolled, unless other insurance is available. Families cannot choose to enroll only certain uninsured members. For purposes of this subdivision, a "dependent sibling" means an unmarried child who is a full-time student under the age of 25 years who is financially dependent upon his or her parents. Proof of school enrollment will be required.

(b) [FAMILIES WITH CHILDREN.] Beginning October 1, 1992, "eligible persons" means children eligible under paragraph (a), and parents and dependent siblings residing in the same household as a child eligible under paragraph (a). Individuals who initially enroll in the health right plan under the eligibility criteria in this paragraph shall remain eligible for the health right plan, regardless of age, place of residence within Minnesota, or the presence or absence of children in the same household, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.

(c) [CONTINUATION OF ELIGIBILITY.] Beginning October 1, 1992, individuals who initially enrolled in the health right plan under the eligibility criteria in paragraph (a) or (b) remain eligible even if their gross income after enrollment exceeds 185 percent of the federal poverty guidelines, subject to any premium required under subdivision 4a, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.

(d) [FAMILIES WITH CHILDREN; ELIGIBILITY BASED ON PERCENTAGE OF INCOME PAID FOR HEALTH COVERAGE.] Beginning January 1, 1993, "eligible persons" means children, parents, and dependent siblings residing in the same household who are not eligible for medical assistance under chapter 256B. These persons are eligible for coverage through the health right plan but must pay a premium as determined under subdivisions 4a and 4b. Individuals and families whose income is greater than the limits established under subdivision 4b may not enroll in the health right plan. Individuals who initially enroll in the health right plan under the eligibility criteria in this paragraph remain eligible for the health right plan, regardless of age, place of residence within

Minnesota, or the presence or absence of children in the same household, as long as all other eligibility requirements are met and continuous enrollment in the health right plan or medical assistance is maintained.

(e) [ADDITION OF SINGLE ADULTS AND HOUSEHOLDS WITH NO CHILDREN.] Beginning July 1, 1994, "eligible persons" means all families and individuals who are not eligible for medical assistance under chapter 256B. These persons are eligible for coverage through the health right plan but must pay a premium as determined under subdivisions 4a and 4b. Individuals and families whose income is greater than the limits established under subdivision 4b may not enroll in the health right plan.

Sec. 6. Minnesota Statutes 1990, section 256.936, subdivision 3, is amended to read:

Subd. 3. [APPLICATION PROCEDURES.] Applications and other information must be made available to provider offices, local human services agencies, school districts, public and private elementary schools in which 25 percent or more of the students receive free or reduced price lunches, community health offices, and Women, Infants and Children (WIC) program sites. These sites may accept applications, collect the enrollment fee or initial premium fee, and forward the forms and fees to the commissioner. Otherwise, applicants may apply directly to the commissioner. The commissioner ~~may~~ shall use individuals' social security numbers as identifiers for purposes of administering the plan and conduct data matches to verify income. Applicants shall submit evidence of family income, earned and unearned, that ~~will be used~~ is necessary to verify income eligibility. The commissioner shall perform random audits to verify reported income and eligibility. The commissioner may execute data sharing arrangements with the department of revenue and any other governmental agency in order to perform income verification related to eligibility and premium payment under the health right plan. The effective date of coverage is the first day of the month following the month in which a complete application is entered to the eligibility file and the first premium payment has been received. Benefits are not available until the day following discharge if an enrollee is hospitalized on the first day of coverage. Notwithstanding any other law to the contrary, benefits under this section are secondary to a plan of insurance or benefit program under which an eligible person may have coverage and the commissioner shall use cost avoidance techniques to ensure coordination of any other health coverage for eligible persons. The commissioner shall identify eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance.

Sec. 7. Minnesota Statutes 1990, section 256.936, subdivision 4, is amended to read:

Subd. 4. [ENROLLMENT AND PREMIUM FEE.] (a) [ENROLLMENT FEE.] Until October 1, 1992, an annual enrollment fee of \$25, not to exceed \$150 per family, is required from eligible persons for children's covered health services.

(b) [PREMIUM PAYMENTS.] Beginning October 1, 1992, the commissioner shall require health right plan enrollees to pay a premium based on a sliding scale, as established under subdivision 4a. Applicants who are eligible under subdivision 2b, paragraph (a), are exempt from this requirement until July 1, 1993, if the application is received by the health right plan staff on or before September 30, 1992. Before July 1, 1993, these individuals shall continue to pay the annual enrollment fee required by paragraph (a).

(c) [ADMINISTRATION.] Enrollment and premium fees are dedicated to the commissioner for the children's health right plan program. The commissioner shall make an annual redetermination of continued eligibility and identify people who may become eligible for medical assistance. The commissioner shall develop and implement procedures to: (1) require enrollees to report changes in income; (2) adjust sliding scale premium payments, based upon changes in enrollee income; and (3) disenroll enrollees from the health right plan for failure to pay required premiums. Premiums are calculated on a calendar month basis and may be paid on a monthly or quarterly basis, with the first payment due upon notice from the commissioner of the premium amount required. Premium payment is required before enrollment is complete and to maintain eligibility in the health right plan. Nonpayment of the premium will result in disenrollment from the plan within one calendar month after the due date. Persons disenrolled for nonpayment may not reenroll until four calendar months have elapsed.

Sec. 8. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4a. [ELIGIBILITY FOR SUBSIDIZED PREMIUMS BASED ON SLIDING SCALE.] (a) [GENERAL REQUIREMENTS.] Families and individuals who enroll on or after October 1, 1992, are eligible for subsidized premium payments based on a sliding scale under subdivision 4b only if the family or individual meets the requirements in paragraphs (b) to (d). Children already enrolled in the health right plan as of September 30, 1992, are eligible for subsidized premium payments without meeting these requirements, as long as they maintain continuous coverage in the health right plan or medical assistance.

Families and individuals who initially enrolled in the health right plan under subdivision 2b, and whose income increases above the limits established in subdivision 4b, may continue enrollment and pay the full cost of coverage.

(b) [MUST NOT HAVE ACCESS TO EMPLOYER-SUBSIDIZED COVERAGE.] To be eligible for subsidized premium payments based on a sliding scale, a family or individual must not have access to subsidized health coverage through an employer, and must not have had access to subsidized health coverage through an employer for the 18 months prior to application for subsidized coverage under the health right plan. The requirement that the family or individual must not have had access to employer-subsidized coverage during the previous 18 months does not apply if employer-subsidized coverage was lost for reasons that would not disqualify the individual for unemployment benefits under section 268.09 and the family or individual has not had access to employer-subsidized coverage since the layoff. For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee, excluding dependent coverage, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans as qualified employer subsidies toward the cost of health coverage for employees for purposes of this paragraph.

(c) [PERIOD UNINSURED.] To be eligible for subsidized premium payments based on a sliding scale, families and individuals initially enrolled in the health right plan under subdivision 2b, paragraphs (d) and (e), must have had no health coverage for at least four months prior to application. The commissioner may change this eligibility criterion for sliding scale premiums without complying with rulemaking requirements in order to remain within the limits of available appropriations. The requirement of at least four months of no health coverage prior to application for the health right plan does not apply to families, children, and individuals who want to apply for the health right plan upon termination from the medical assistance program, general assistance medical care program, or coverage under a regional demonstration project for the uninsured funded under section 256B.73, the Hennepin county assured care program, or the Group Health, Inc., community health plan. This paragraph does not apply to families and individuals initially enrolled under subdivision 2b, paragraphs (a) and (b).

Sec. 9. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4b. [PREMIUMS.] (a) Each individual or family enrolled in the health right plan shall pay a premium determined according to a sliding fee based on the cost of coverage as a percentage of the individual's or family's gross family income.

(b) The commissioner shall establish sliding scales to determine the percentage of gross family income that households at different

income levels must pay to obtain coverage through the health right plan. The sliding scale must be based on the enrollee's gross family income, as defined in subdivision 1, paragraph (c), during the previous four months. The sliding scale must provide separate sliding scales for individuals, two-person households, and households of three or more.

(c) Beginning July 1, 1993, the sliding scales begin with a premium of 1.5 percent of gross family income for individuals with incomes below the limits for the medical assistance program set at 133-1/3 percent of the AFDC payment standard and proceed through the following evenly spaced steps: 1.8, 2.3, 3.1, 3.8, 4.8, 5.9, 7.4, and 8.8. These percentages are matched to evenly spaced income steps ranging from the medical assistance income limit to a gross monthly income of \$1,600 for an individual, \$2,160 for a household of two, \$2,720 for a household of three, \$3,280 for a household of four, \$3,840 for a household of five, and \$4,400 for households of six or more persons. For the period October 1, 1992 through June 30, 1993, the commissioner shall employ a sliding scale that sets required premiums at percentages of gross family income equal to two-thirds of the percentages specified in this paragraph.

(d) An individual or family whose gross monthly income is above the amount specified in paragraph (c) is not eligible for the plan.

(e) The premium for coverage under the health right plan may be collected through wage withholding with the consent of the employer and the employee.

(f) The sliding fee scale and percentages are not subject to the provisions of chapter 14.

Sec. 10. Minnesota Statutes 1990, section 256.936, is amended by adding a subdivision to read:

Subd. 4c. [RESIDENCY.] (a) The legislature finds that the enactment of a comprehensive health plan for uninsured Minnesotans creates a risk that persons needing medical care will migrate to the state for the primary purpose of obtaining medical care subsidized by the state. The risk of migration undermines the state's ability to provide to legitimate state residents a valuable and necessary health care program which is an important component of the state's comprehensive cost containment and health care system reform plan. Intent-based residency requirements, which are expressly authorized under decisions of the United States Supreme Court, are an unenforceable and ineffective method of denying benefits to those persons the Supreme Court has stated may legitimately be denied eligibility for state programs. If the state is unable to limit eligibility to legitimate permanent residents of the state, the state faces a significant risk that it will be forced to reduce the eligibility and benefits it would otherwise provide to Minnesotans. The legislature

finds that a durational residence requirement is a legitimate, objective, enforceable standard for determining whether a person is a permanent resident of the state. The legislature also finds low-income persons who have not lived in the state for the required time period will have access to necessary health care services through the general assistance medical care program, the medical assistance program, and public and private charity care programs.

(b) To be eligible for health coverage under the health right program, families and individuals must be permanent residents of Minnesota.

(c) For purposes of this subdivision, a permanent Minnesota resident is a person who has demonstrated, through persuasive and objective evidence, that the person is domiciled in the state and intends to live in the state permanently.

(d) To be eligible, all applicants must demonstrate the requisite intent to live in the state permanently by:

(1) showing that the applicant maintains a residence at a verified address other than a place of public accommodation, through the use of evidence of residence described in section 256D.02, subdivision 12a, clause (1);

(2) demonstrating that the applicant has been continuously domiciled in the state for no less than 180 days immediately before the application; and

(3) signing an affidavit declaring that (A) the applicant currently resides in the state and intends to reside in the state permanently; and (B) the applicant did not come to the state for the primary purpose of obtaining medical coverage or treatment.

(e) An individual or family that moved to Minnesota primarily to obtain medical treatment or health coverage for a pre-existing condition is not a permanent resident.

(f) If the 180-day requirement in paragraph (d), clause (2), is determined by a court to be unconstitutional, the commissioner of human services shall impose a 12-month pre-existing condition exclusion on coverage for persons who have been domiciled in the state for less than 180 days.

(g) If any paragraph, sentence, clause, or phrase of this subdivision is for any reason determined by a court to be unconstitutional, the decision shall not affect the validity of the remaining portions of the subdivision. The legislature declares that it would have passed each paragraph, sentence, clause, and phrase in this subdivision,

irrespective of the fact that any one or more paragraphs, sentences, clauses, or phrases is declared unconstitutional.

Sec. 11. Minnesota Statutes 1991 Supplement, section 256.936, subdivision 5, is amended to read:

Subd. 5. [APPEALS.] If the commissioner suspends, reduces, or terminates eligibility for the ~~children's health right~~ plan, or services provided under the ~~children's health right~~ plan, the commissioner must provide notification according to the laws and rules governing the medical assistance program. A ~~children's health right~~ plan applicant or enrollee aggrieved by a determination of the commissioner has the right to appeal the determination according to section 256.045.

Sec. 12. Minnesota Statutes 1990, section 256B.057, is amended by adding a subdivision to read:

Subd. 2a. [NO ASSET TEST FOR CHILDREN.] Eligibility for medical assistance for a person under age 21 must be determined without regard to asset standards established in section 256B.056.

Sec. 13. [256B.0644] [PARTICIPATION REQUIRED FOR REIMBURSEMENT UNDER OTHER STATE HEALTH CARE PROGRAMS.]

A vendor of medical care, as defined in section 256B.02, subdivision 7, and a health maintenance organization, as defined in chapter 62D, must participate as a provider or contractor in the medical assistance program, general assistance medical care program, and the health right plan as a condition of participating as a provider in health insurance plans or contractor for state employees established under section 43A.18, the public employees insurance plan under section 43A.316, the workers' compensation system under section 176.135, and insurance plans provided through the Minnesota comprehensive health association under sections 62E.01 to 62E.17. For providers other than health maintenance organizations, participation in the medical assistance program means that (1) the provider accepts new medical assistance patients or (2) at least 20 percent of the provider's patients are covered by medical assistance, general assistance medical care, or the health right plan as their primary source of coverage. The commissioner shall establish participation requirements for health maintenance organizations. The commissioner shall provide lists of participating medical assistance providers on a quarterly basis to the commissioner of employee relations, the commissioner of labor and industry, and the commissioner of commerce. Each of the commissioners shall develop and implement procedures to exclude as participating providers in the program or programs under their jurisdiction those providers who do not participate in the medical assistance program.

## Sec. 14. [PROVIDER PAYMENT INCREASES.]

Subdivision 1. [HOSPITAL OUTPATIENT REIMBURSEMENT.] For outpatient hospital facility fee payments for services rendered on or after October 1, 1992, the commissioner of human services shall pay the lower of (1) submitted charge, or (2) 32 percent above the rate in effect on June 30, 1992, except for those services for which there is a federal maximum allowable payment. Services for which there is a federal maximum allowable payment shall be paid at the lower of (1) submitted charge, or (2) the federal maximum allowable payment. Total aggregate payment for outpatient hospital facility fee services shall not exceed the Medicare upper limit. If it is determined that a provision of this section conflicts with existing or future requirements of the United States government with respect to federal financial participation in medical assistance, the federal requirements prevail. The commissioner may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial participation resulting from rates that are in excess of the Medicare upper limitations.

Subd. 2. [PHYSICIAN AND DENTAL REIMBURSEMENT.] (a) The physician reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 2, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for physician services as follows:

(1) payment for level one Health Care Finance Administration's common procedural coding system (HCPCS) codes titled "office and other outpatient services," "preventive medicine new and established patient," "delivery, antepartum, and postpartum care," "critical care," caesarean delivery and pharmacologic management provided to psychiatric patients, and HCPCS level three codes for enhanced services for prenatal high risk, shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992. If the rate on any procedure code within these categories is different than the rate that would have been paid under the methodology in Minnesota Statutes, section 256B.74, subdivision 2, then the larger rate shall be paid;

(2) payments for all other services shall be paid at the lower of (i) submitted charges, or (ii) 15.4 percent above the rate in effect on June 30, 1992; and

(3) all physician rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

(b) The dental reimbursement increase provided in Minnesota Statutes, section 256B.74, subdivision 5, shall not be implemented. Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for dental services as follows:

(1) dental services shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992; and

(2) dental rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases.

Subd. 3. [CONTINGENT ON ENACTMENT OF APPROPRIATIONS.] Subdivisions 1 and 2 are effective only if money is appropriated to the commissioner of human services to cover the entire state cost of the increases.

Sec. 15. [COORDINATION OF STATE HEALTH CARE PURCHASING.]

The commissioner of administration shall convene an interagency task force to develop a plan for coordinating the health care programs administered by state agencies and local governments in order to improve the efficiency and quality of health care delivery and make the most effective use of the state's market leverage and expertise in contracting and working with health plans and health care providers. The commissioner shall present to the legislature, by January 1, 1994, recommendations to: (1) improve the effectiveness of public health care purchasing; and (2) streamline and consolidate health care delivery, through merger, transfer, or reconfiguration of existing health care and health coverage programs. At the request of the commissioner of administration, the commissioners of other state agencies and units of local government shall provide assistance in evaluating and coordinating existing state and local health care programs.

Sec. 16. [STUDY ON PREMIUMS AND BENEFITS.]

The commissioner of human services shall study the cost of health right premiums and the level of premium subsidies in relationship to the benefits provided. This study must include a comparison of the additional enrollee premium costs associated with the provision of an inpatient hospital benefit beginning July 1, 1993. Based on this analysis, the commissioner shall report to the legislative commission on health care access by January 15, 1993, on whether the premiums and subsidy level for the health right plan should be adjusted.

Sec. 17. [PHASE-OUT OF THE CHILDREN'S HEALTH PLAN.]

Notwithstanding contrary provisions of Minnesota Statutes, section 256.936, the commissioner shall continue to accept enrollments in the children's health plan until July 1, 1993, using the eligibility and coverage requirements in effect prior to October 1, 1992, until

the commissioner projects that the total enrollment in the children's health plan will exhaust the fiscal year 1993 appropriation for the children's health plan. These enrollees pay the annual fee established in Minnesota Statutes, section 256.936, subdivision 4, until July 1, 1993.

Sec. 18. [IMPACT OF HEALTH RIGHT ON CHILDREN'S HEALTH PLAN ENROLLEE.]

The commissioner of human services shall examine the impact of health right plan premium costs on access to health care for children's health plan enrollees. The commissioner shall examine whether health right plan premiums are affordable for children's health plan enrollees, and shall examine the degree to which children's health plan enrollees fail to continue coverage through the health right plan for financial reasons. The commissioner shall present recommendations to the legislature by February 15, 1993, on methods to ensure continued access to health care coverage for children's health plan enrollees.

Sec. 19. [INSTRUCTION TO REVISOR.]

(a) The revisor of statutes is directed to change the words "children's health plan" to "health right plan" wherever they appear in the next edition of Minnesota Statutes.

(b) The revisor of statutes is directed to recodify the subdivisions of Minnesota Statutes, section 256.936 as separate sections in chapter 256, and to recodify paragraphs as subdivisions within these sections.

Sec. 20. [EFFECTIVE DATE.]

Section 13, relating to participation in state health care programs, is effective October 1, 1992.

## ARTICLE 5

### RURAL HEALTH INITIATIVES

Section 1. Minnesota Statutes 1990, section 16A.124, is amended by adding a subdivision to read:

Subd. 4a. [INVOICE ERRORS; DEPARTMENT OF HUMAN SERVICES.] For purposes of department of human services payments to hospitals receiving reimbursement under the medical assistance and general assistance medical care programs, if an invoice is incorrect, defective, or otherwise improper, the department of human services must notify the hospital of all errors, within 30 days of discovery of the errors.

Sec. 2. Minnesota Statutes 1990, section 43A.17, subdivision 9, is amended to read:

Subd. 9. [POLITICAL SUBDIVISION SALARY LIMIT.] The salary of a person employed by a statutory or home rule charter city, county, town, school district, metropolitan or regional agency, or other political subdivision of this state, or employed under section 422A.03, may not exceed 95 percent of the salary of the governor as set under section 15A.082, except as provided in this subdivision. Deferred compensation and payroll allocations to purchase an individual annuity contract for an employee are included in determining the employee's salary. The salary of a medical doctor or doctor of osteopathy occupying a position that the governing body of the political subdivision has determined requires an M.D. or D.O. degree is excluded from the limitation in this subdivision. The commissioner may increase the limitation in this subdivision for a position that the commissioner has determined requires special expertise necessitating a higher salary to attract or retain a qualified person. The commissioner shall review each proposed increase giving due consideration to salary rates paid to other persons with similar responsibilities in the state. The commissioner may not increase the limitation until the commissioner has presented the proposed increase to the legislative commission on employee relations and received the commission's recommendation on it. The recommendation is advisory only. If the commission does not give its recommendation on a proposed increase within 30 days from its receipt of the proposal, the commission is deemed to have recommended approval.

Sec. 3. [62A.65] [PARTICIPATING PROVIDERS.]

Subdivision 1. [HEALTH PLAN COMPANY.] For purposes of this section, "health plan company" means any entity governed by chapter 62A, 62C, 62D, 62E, 62H, or 64B, or section 471.617, subdivision 2, that offers, sells, issues, or renews health coverage in this state. Health plan company does not include an entity that sells only policies designed primarily to provide coverage on a per diem, fixed indemnity, or nonexpense-incurred basis, or policies that provide only accident coverage.

Subd. 2. [ACCEPTANCE AS PARTICIPATING PROVIDER.] A health plan company shall not exclude, as a participating provider, a physician who is licensed under chapter 147 and meets the requirements of section 147.02, subdivision 1, paragraph (b), solely because the physician has not completed a full residency or is not board certified, if:

(1) the physician meets all other requirements for serving as a participating provider;

(2) the physician has completed a minimum of two years residency in any specialty;

(3) the physician has not been disciplined by the board of medical practice under section 147.091;

(4) the physician is credentialed by and has staff privileges at a hospital, or is employed by a medical clinic, located in an area designated by the federal government as either a health personnel shortage area or a medically underserved area;

(5) the medical clinic at which the physician practices was part of the provider network of a health plan company, and that health plan company provides health care services to a significant number of persons residing in the community in which the medical clinic is located, many of whom had formerly received services at the medical clinic; and

(6) the medical clinic and the hospital at which the physician has staff privileges are the only providers of 24-hour emergency services in the county.

Sec. 4. Minnesota Statutes 1990, section 144.147, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION.] "Eligible rural hospital" means any nonfederal, general acute care hospital that:

(1) is either located in a rural area, as defined in the federal Medicare regulations, Code of Federal Regulations, title 42, section 405.1041, or located in a community with a population of less than 5,000, according to United States Census Bureau statistics, outside the seven-county metropolitan area;

(2) has 100 or fewer beds;

Sec. 5. Minnesota Statutes 1990, section 144.147, subdivision 3, is amended to read:

Subd. 3. [CONSIDERATION OF GRANTS.] In determining which

hospitals will receive grants under this section, the commissioner shall take into account:

- (1) improving community access to hospital or health services;
- (2) changes in service populations;

- (4) the extent that the health needs of the community are not currently being met by other providers in the service area;
- (5) the need to recruit and retain health professionals; ~~and~~
- (6) the involvement and extent of support of the community and local health care providers; and
- (7) the financial condition of the hospital.

Sec. 6. Minnesota Statutes 1990, section 144.147, subdivision 4, is amended to read:

Subd. 4. [ALLOCATION OF GRANTS.] (a) Eligible hospitals must apply to the commissioner no later than September 1, ~~1990, of each year for grants awarded in the 1991 state fiscal year; and no later than September 1, 1990, for grants awarded in the 1992 state for the~~ fiscal year beginning the following July 1.

(b) ~~The commissioner may award at least two grants for each fiscal year.~~ The commissioner must make a final decision on the funding of each application within 60 days of the deadline for receiving applications.

(c) Each relevant community health board has 30 days in which to review and comment to the commissioner on grant applications from hospitals in their community health service area.

(d) In determining which hospitals will receive grants under this section, the commissioner shall consider the following factors:

(1) Description of the problem, description of the project, and the likelihood of successful outcome of the project. The applicant must explain clearly the nature of the health services problems in their service area, how the grant funds will be used, what will be accomplished, and the results expected. The applicant should describe achievable objectives, a timetable, and roles and capabilities of responsible individuals and organizations.

(3) The comments, if any, resulting from a review of the application by the community health board in whose community health service area the hospital is located.

(e) In evaluating applications, the commissioner shall score each application on a 100 point scale, assigning the maximum of 70 points for an applicant's understanding of the problem, description of the project, and likelihood of successful outcome of the project; and a maximum of 30 points for the extent of community support for the hospital and this project. The commissioner may also take into account other relevant factors.

(f) A grant to a hospital, including hospitals that submit applications as consortia, may not exceed \$50,000 a year and may not exceed a term of two years. Prior to the receipt of any grant, the hospital must certify to the commissioner that at least one-half of the amount, which may include in-kind services, is available for the same purposes from nonstate sources. A hospital receiving a grant under this section may use the grant for any expenses incurred in the development of strategic plans or the implementation of transition projects with respect to which the grant is made. Project grants may not be used to retire debt incurred with respect to any capital expenditure made prior to the date on which the project is initiated.

To be eligible for a grant, a hospital must have 50 or fewer beds and must not be located in a city of the first class. To receive a grant, the hospital must demonstrate to the satisfaction of the commissioner of health that the hospital will close in the absence of state assistance under this subdivision and that the hospital tax is the principal reason for the closure. The amount of the grant must not exceed the amount of the tax the hospital would pay under article 9, section 7, based on the previous year's hospital revenues.

Sec. 11. [144.1485] [DATA BASE ON HEALTH PERSONNEL.]

The commissioner of health shall develop and maintain a data base on health services personnel. The commissioner shall use this information to assist local communities and units of state government to develop plans for the recruitment and retention of health personnel. Information collected in the data base must include, but is not limited to, data on levels of educational preparation, specialty, and place of employment. The commissioner may collect information through the registration and licensure systems of the state health licensing boards.

Sec. 12. [144.1486] [RURAL COMMUNITY HEALTH CENTERS.]

The commissioner of health shall develop and implement a program to establish community health centers in rural areas of Minnesota that are underserved by health care providers. Sec. 14. Minnesota Statutes 1990, section 144.8093, is amended to read:

#### 144.8093 [EMERGENCY MEDICAL SERVICES FUND.]

Subdivision 1. [CITATION.] This section is the "Minnesota emergency medical services system support act."

Subd. 2. [ESTABLISHMENT AND PURPOSE.] In order to develop, maintain, and improve regional emergency medical services systems, the department of health shall establish an emergency medical services system fund. The fund shall be used for the general purposes of promoting systematic, cost-effective delivery of emergency medical care throughout the state; identifying common local, regional, and state emergency medical system needs and providing assistance in addressing those needs; ~~undertaking special providing discretionary grants for emergency medical service projects of statewide significance that will enhance the provision of emergency medical care in Minnesota with potential regionwide significance;~~ providing for public education about emergency medical care; promoting the exchange of emergency medical care information; ensuring the ongoing coordination of regional emergency medical services systems; and establishing and maintaining training standards to ensure consistent quality of emergency medical services throughout the state.

Subd. 3. [USE AND RESTRICTIONS.] Designated regional emergency medical services systems may use emergency medical services system funds to support local and regional emergency medical services as determined within the region, with particular emphasis given to supporting and improving emergency trauma and cardiac care and training. No part of a region's share of the fund may be used to directly subsidize any ambulance service operations or rescue service operations or to purchase any vehicles or parts of vehicles for an ambulance service or a rescue service.

Subd. 4. [DISTRIBUTION.] Money from the fund shall be distributed according to this subdivision. ~~Eighty~~ Ninety-three and one-third percent of the fund shall be distributed annually on a contract for services basis with each of the eight regional emergency medical services systems designated by the commissioner of health. The systems shall be governed by a body consisting of appointed representatives from each of the counties in that region and shall also include representatives from emergency medical services organizations. The commissioner shall contract with a regional entity only if the contract proposal satisfactorily addresses proposed emergency medical services activities in the following areas: personnel training, transportation coordination, public safety agency cooperation, communications systems maintenance and development, public involvement, health care facilities involvement, and system management. If each of the regional emergency medical services systems submits a satisfactory contract proposal, then this part of the fund shall be distributed evenly among the regions. If one or more of the regions does not contract for the full amount of its even share or if its proposal is unsatisfactory, then the commissioner may reallocate the unused funds to the remaining regions on a pro rata basis. Six and two-thirds percent of the fund shall be used by the commissioner to support regionwide reporting systems and to provide other regional administration and technical assistance. ~~Thirteen and one-third percent shall be distributed by the commissioner as discretionary grants for special emergency medical services projects with potential statewide significance.~~

Sec. 15. Minnesota Statutes 1990, section 447.31, subdivision 1, is amended to read:

Subdivision 1. [RESOLUTIONS.] Any ~~four~~ two or more cities and towns, however organized, except cities of the first class, may create a hospital district. They must do so by resolutions adopted by their respective governing bodies or electors. A hospital district may be reorganized according to sections 447.31 to 447.37. Reorganization must be by resolutions adopted by the district's hospital board and the governing body or voters of each city and town in the district.

Sec. 16. Minnesota Statutes 1990, section 447.31, subdivision 3, is amended to read:

Subd. 3. [CONTENTS OF RESOLUTION.] A resolution under subdivision 1 must state that a hospital district is authorized to be created under sections 447.31 to 447.37, or that an existing hospital district is authorized to be reorganized under sections 447.31 to 447.37, in order to acquire, improve, and run hospital and nursing home facilities that the hospital board decides are necessary and expedient in accordance with sections 447.31 to 447.37. The resolution must name the ~~four~~ two or more cities or towns included in the district. The resolution must be adopted by a two-thirds majority of

the members-elect of the governing body or board acting on it, or by the voters of the city or town as provided in this section.

Each resolution adopted by the governing body of a city or town must be published in its official newspaper and takes effect 40 days after publication, unless a petition for referendum on the resolution is filed with the governing body within 40 days. A petition for referendum must be signed by at least five percent of the number of voters voting at the last election of officers. If a petition is filed, the resolution does not take effect until approved by a majority of voters voting on it at a regular municipal election or a special election which the governing body may call for that purpose.

The resolution may also be initiated by petition filed with the governing body of the city or town, signed by at least ten percent of the number of voters voting at the last general election. A petition must present the text of the proposed resolution and request an election on it. If the petition is filed, the governing body shall call a special election for the purpose, to be held within 30 days after the filing of the petition, or may submit the resolution to a vote at a regular municipal election that is to be held within the 30-day period. The resolution takes effect if approved by a majority of voters voting on it at the election. Only one election shall be held within any given 12-month period upon resolutions initiated by petition. The notice of the election and the ballot used must contain the text of the resolution, followed by the question: "Shall the above resolution be approved?"

The commissioners shall study plans offered in other states and shall study the cost effectiveness and feasibility of offering these plans in Minnesota. The commissioners shall study methods of funding the plans. The commissioners shall also address the issue of whether these plans should be regulated as insurance, health maintenance organizations, or as another type of entity. The commissioners shall conduct the study in conjunction with the attorney general. The commissioners shall report the findings of the study to the legislature by January 1, 1993.

**Sec. 21. [REPEALER.]**

Section 1. Minnesota Statutes 1990, section 136A.1355, subdivision 2, is amended to read:

Subd. 2. [ELIGIBILITY.] To be eligible to participate in the program, a prospective physician must submit a letter of interest to the higher education coordinating board ~~while attending medical school. Before completing the first year of residency.~~ A student or resident who is accepted must sign a contract to agree to serve at least three of the first five years following residency in a designated rural area.

Sec. 2. Minnesota Statutes 1990, section 136A.1355, subdivision 3, is amended to read:

Subd. 3. [LOAN FORGIVENESS.] Prior to June 30, 1992, the higher education coordinating board may accept up to eight applicants who are fourth year medical students, up to eight applicants who are first year residents, and up to eight applicants who are second year residents for participation in the loan forgiveness program. For the period July 1, 1992 through June 30, 1995, the higher education coordinating board may accept up to eight applicants who are fourth year medical students per fiscal year for participation in the loan forgiveness program. Applicants are responsible for securing their own loans. Applicants chosen to participate in the loan forgiveness program may designate for each year of medical school, up to a maximum of four years, an agreed amount, not to exceed \$10,000, as a qualified loan. For each year that a participant serves as a physician in a designated rural area, up to a maximum of four years, the higher education coordinating board shall annually pay an amount equal to one year of qualified loans and the interest accrued on these loans. Participants who move their practice from one designated rural area to another remain eligible for loan repayment. In addition, if a resident participating in the loan forgiveness program serves at least four weeks during a year of residency substituting for a rural physician to temporarily relieve the rural physician of rural practice commitments to enable the

rural physician to take a vacation, engage in activities outside the practice area, or otherwise be relieved of rural practice commitments, the participating resident may designate up to an additional \$2,000, above the \$10,000 maximum, for each year of residency during which the resident substitutes for a rural physician for four or more weeks.

Sec. 3. [136A.1356] [MIDLEVEL PRACTITIONER EDUCATION ACCOUNT.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following definitions apply:

(a) “Designated rural area” has the definition developed in rule by the higher education coordinating board.

(b) “Midlevel practitioner” means a nurse practitioner, nurse-midwife, nurse anesthetist, advanced clinical nurse specialist, or physician assistant.

(c) “Nurse-midwife” means a registered nurse who has graduated from a program of study designed to prepare registered nurses for advance practice as nurse-midwives.

(d) “Nurse practitioner” means a registered nurse who has graduated from a program of study designed to prepare registered nurses for advance practice as nurse practitioners.

(e) “Physician assistant” means a person meeting the definition in Minnesota Rules, part 5600.2600, subpart 11.

Subd. 2. [CREATION OF ACCOUNT.] A midlevel practitioner education account is established. The higher education coordinating board shall use money from the account to establish a loan forgiveness program for midlevel practitioners agreeing to practice in designated rural areas.

Subd. 3. [ELIGIBILITY.] To be eligible to participate in the program, a prospective midlevel practitioner must submit a letter of interest to the higher education coordinating board prior to or while attending a program of study designed to prepare the individual for service as a midlevel practitioner. Before completing the first year of this program, a midlevel practitioner must sign a contract to agree to serve at least two of the first four years following graduation from the program in a designated rural area.

Subd. 4. [LOAN FORGIVENESS.] The higher education coordinating board may accept up to eight applicants per year for participation in the loan forgiveness program. Applicants are responsible for securing their own loans. Applicants chosen to participate in the

loan forgiveness program may designate for each year of midlevel practitioner study, up to a maximum of two years, an agreed amount, not to exceed \$7,000, as a qualified loan. For each year that a participant serves as a midlevel practitioner in a designated rural area, up to a maximum of four years, the higher education coordinating board shall annually repay an amount equal to one-half a qualified loan. Participants who move their practice from one designated rural area to another remain eligible for loan repayment.

Subd. 5. [PENALTY FOR NONFULFILLMENT.] If a participant does not fulfill the service commitment required under subdivision 4 for full repayment of all qualified loans, the higher education coordinating board shall collect from the participant 100 percent of any payments made for qualified loans and interest at a rate established according to section 270.75. The higher education coordinating board shall deposit the money collected in the midlevel practitioner education account. The board shall allow waivers of all or part of the money owed the board if emergency circumstances prevented fulfillment of the required service commitment.

Sec. 4. [137.38] [EDUCATION AND TRAINING OF PRIMARY CARE PHYSICIANS.]

Subdivision 1. [CONDITION.] If the board of regents accepts the funding appropriated for sections 137.38 to 137.40, it shall comply with the duties for which the appropriations are made.

Subd. 2. [PRIMARY CARE.] For purposes of sections 137.38 to 137.40, "primary care" means a type of medical care delivery that assumes ongoing responsibility for the patient in both health maintenance and illness treatment. It is personal care involving a unique interaction and communication between the patient and the physician. It is comprehensive in scope, and includes all the overall coordination of the care of the patient's health care problems including biological, behavioral, and social problems. The appropriate use of consultants and community resources is an important aspect of effective primary care.

Subd. 3. [GOALS.] The board of regents of the University of Minnesota, through the University of Minnesota medical school, is requested to implement the initiatives required by sections 137.38 to 137.40 in order to increase the number of graduates of residency programs of the medical school who practice primary care by 20 percent over an eight-year period. The initiatives must be designed to encourage newly graduated primary care physicians to establish practices in areas of rural Minnesota that are medically underserved.

Subd. 4. [GRANTS.] The board of regents is requested to seek grants from private foundations and other nonstate sources for the medical school initiatives outlined in sections 137.38 to 137.40.

Subd. 5. [REPORTS.] The board of regents is requested to report annually to the legislature on progress made in implementing sections 137.38 to 137.40, beginning January 15, 1993, and each succeeding January 15.

Sec. 5. [137.39] [MEDICAL SCHOOL INITIATIVES.]

Subdivision 1. [MODIFIED SCHOOL INITIATIVES.] The University of Minnesota medical school is requested to study the demographic characteristics of students that are associated with a primary care career choice. The medical school is requested to modify the selection process for medical students based on the results of this study, in order to increase the number of medical school graduates choosing careers in primary care.

Subd. 2. [DESIGN OF CURRICULUM.] The medical school is requested to ensure that its curriculum provides students with early exposure to primary care physicians and primary care practice. The medical school is requested to also support premedical school educational initiatives that provide students with greater exposure to primary care physicians and practices.

Subd. 3. [CLINICAL EXPERIENCES IN PRIMARY CARE.] The medical school, in consultation with medical school faculty at the University of Minnesota, Duluth, is requested to develop a program to provide students with clinical experiences in primary care settings in internal medicine and pediatrics. The program must provide training experiences in medical clinics in rural Minnesota communities, as well as in community clinics and health maintenance organizations in the Twin Cities metropolitan area.

Sec. 6. [137.40] [RESIDENCY AND OTHER INITIATIVES.]

Subdivision 1. [PRIMARY CARE AND RURAL ROTATIONS.] The University of Minnesota medical school is requested to increase the opportunities for general medicine, pediatrics, and family practice residents to serve rotations in primary care settings. These settings must include community clinics, health maintenance organizations, and practices in rural communities.

Subd. 2. [RURAL RESIDENCY TRAINING PROGRAM IN FAMILY PRACTICE.] The medical school is requested to establish a rural residency training program in family practice. The program shall provide an initial year of training in a metropolitan-based hospital and family practice clinic. The second and third years of the residency program shall be based in rural communities, utilizing local clinics and community hospitals, with specialty rotations in nearby regional medical centers.

Subd. 3. [CONTINUING MEDICAL EDUCATION.] The medical

school is requested to develop continuing medical education programs for primary care physicians that are comprehensive, community-based, and accessible to primary care physicians in all areas of the state.

Sec. 7. [136A.1357] [EDUCATION ACCOUNT FOR NURSES WHO AGREE TO PRACTICE IN A NURSING HOME.]

Subdivision 1. [CREATION OF THE ACCOUNT.] An education account in the general fund is established for a loan forgiveness program for nurses who agree to practice nursing in a nursing home. The account consists of money appropriated by the legislature and repayments and penalties collected under subdivision 4. Money from the account must be used for a loan forgiveness program.

Subd. 2. [ELIGIBILITY.] To be eligible to participate in the loan forgiveness program, a person planning to enroll or enrolled in a program of study designed to prepare the person to become a registered nurse or licensed practical nurse must submit a letter of interest to the board before completing the first year of study of a nursing education program. Before completing the first year of study, the applicant must sign a contract in which the applicant agrees to practice nursing for at least one of the first two years following completion of the nursing education program providing nursing services in a licensed nursing home.

Subd. 3. [LOAN FORGIVENESS.] The board may accept up to ten applicants a year. Applicants are responsible for securing their own loans. For each year of nursing education, for up to two years, applicants accepted into the loan forgiveness program may designate an agreed amount, not to exceed \$3,000, as a qualified loan. For each year that a participant practices nursing in a nursing home, up to a maximum of two years, the board shall annually repay an amount equal to one year of qualified loans. Participants who move from one nursing home to another remain eligible for loan repayment.

Subd. 4. [PENALTY FOR NONFULFILLMENT.] If a participant does not fulfill the service commitment required under subdivision 3 for full repayment of all qualified loans, the commissioner shall collect from the participant 100 percent of any payments made for qualified loans and interest at a rate established according to section 270.75. The board shall deposit the collections in the general fund to be credited to the account established in subdivision 1. The board may grant a waiver of all or part of the money owed as a result of a nonfulfillment penalty if emergency circumstances prevented fulfillment of the required service commitment.

Subd. 5. [RULES.] The board shall adopt rules to implement this section.

## Sec. 8. [STUDY OF OBSTETRICAL ACCESS.]

The commissioner of health shall study access to obstetrical services in Minnesota and report to the legislature by January 1, 1993. The study must examine the number of physicians discontinuing obstetrical care in recent years and the effects of high malpractice costs and low government program reimbursement for obstetrical services, and must identify areas of the state where access to obstetrical services is most greatly affected. The commissioner shall recommend ways to reduce liability costs and to encourage physicians to continue to provide obstetrical services.

## Sec. 9. [GRANT PROGRAM FOR MIDDLELEVEL PRACTITIONER TRAINING.]

The higher education coordinating board may award grants to Minnesota schools or colleges that educate, or plan to educate midlevel practitioners, in order to establish and administer midlevel practitioner training programs in areas of rural Minnesota with the greatest need for midlevel practitioners. The program must address rural health care needs, and incorporate innovative methods of bringing together faculty and students, such as the use of telecommunications, and must provide both clinical and lecture components.

## Sec. 10. [GRANTS FOR CONTINUING EDUCATION.]

The higher education coordinating board shall establish a competitive grant program for schools of nursing and other providers of continuing nurse education, in order to develop continuing education programs for nurses working in rural areas of the state. The programs must complement, and not duplicate, existing continuing education activities, and must specifically address the needs of nurses working in rural practice settings. The board shall award two grants for the fiscal year ending June 30, 1993.

## ARTICLE 7

## DATA COLLECTION AND RESEARCH INITIATIVES

## Section 1. [62J.30] [HEALTH CARE ANALYSIS UNIT.]

Subdivision 1. [DEFINITIONS.] For purposes of sections 62J.30 to 62J.34, the following definitions apply:

(a) "Practice parameter" means a statement intended to guide the clinical decision making of health care providers and patients that is supported by the results of appropriately designed outcomes research studies, including those studies sponsored by the federal

agency for health care policy and research, or has been adopted for use by a national medical society.

(b) “Outcomes research” means research designed to identify and analyze the outcomes and costs of alternative interventions for a given clinical condition, in order to determine the most appropriate and cost-effective means to prevent, diagnose, treat, or manage the condition, or in order to develop and test methods for reducing inappropriate or unnecessary variations in the type and frequency of interventions.

Subd. 2. [ESTABLISHMENT.] The commissioner of health, in consultation with the Minnesota health care commission, shall establish a health care analysis unit to conduct data and research initiatives in order to improve the efficiency and effectiveness of health care in Minnesota.

Subd. 3. [GENERAL DUTIES; IMPLEMENTATION DATE.] The commissioner, through the health care analysis unit, shall:

(1) conduct applied research using existing and newly established health care data bases, and promote applications based on existing research;

(2) establish the condition-specific data base required under section 62J.31;

(3) develop and implement data collection procedures to ensure a high level of cooperation from health care providers and health carriers, as defined in section 62L.02, subdivision 16;

(4) work closely with health carriers and health care providers to promote improvements in health care efficiency and effectiveness;

(5) participate as a partner or sponsor of private sector initiatives that promote publicly disseminated applied research on health care delivery, outcomes, costs, quality, and management;

(6) provide technical assistance to health plan and health care purchasers, as required by section 62J.33;

(7) develop outcome-based practice parameters as required under section 62J.34; and

(8) provide technical assistance as needed to the health planning advisory committee and the regional coordinating boards.

Subd. 4. [CRITERIA FOR UNIT INITIATIVES.] Data and research initiatives by the health care analysis unit must:

(1) serve the needs of the general public, public sector health care programs, employers and other purchasers of health care, health care providers, including providers serving large numbers of low-income people, and health carriers;

(2) promote a significantly accelerated pace of publicly disseminated, applied research on health care delivery, outcomes, costs, quality, and management;

(3) conduct research and promote health care applications based on scientifically sound and statistically valid methods;

(4) be statewide in scope, in order to benefit health care purchasers and providers in all parts of Minnesota and to ensure a broad and representative data base for research, comparisons, and applications;

(5) emphasize data that is useful, relevant, and nonredundant of existing data. The initiatives may duplicate existing private activities, if this is necessary to ensure that the data collected will be in the public domain;

(6) be structured to minimize the administrative burden on health carriers, health care providers, and the health care delivery system, and minimize any privacy impact on individuals; and

(7) promote continuous improvement in the efficiency and effectiveness of health care delivery.

Subd. 5. [CRITERIA FOR PUBLIC SECTOR HEALTH CARE PROGRAMS.] Data and research initiatives related to public sector health care programs must:

(1) assist the state's current health care financing and delivery programs to deliver and purchase health care in a manner that promotes improvements in health care efficiency and effectiveness;

(2) assist the state in its public health activities, including the analysis of disease prevalence and trends and the development of public health responses;

(3) assist the state in developing and refining its overall health policy, including policy related to health care costs, quality, and access; and

(4) provide a data source that allows the evaluation of state health care financing and delivery programs.

Subd. 6. [DATA COLLECTION PROCEDURES.] The health care analysis unit shall collect data from health care providers, health

carriers, and individuals in the most cost-effective manner, which does not unduly burden providers. The unit may require health care providers and health carriers to collect and provide patient health records, provide mailing lists of patients who have consented to release of data, and cooperate in other ways with the data collection process. For purposes of this chapter, the health care analysis unit shall assign, or require health care providers and health carriers to assign, a unique identification number to each patient to safeguard patient identity.

Subd. 7. [DATA CLASSIFICATION.] (a) Data collected through the large-scale data base initiatives of the health care analysis unit required by section 62J.31 that identify individuals are private data on individuals. Data not on individuals are nonpublic data. The commissioner may release private data on individuals and nonpublic data to researchers affiliated with university research centers or departments who are conducting research on health outcomes, practice parameters, and medical practice style; researchers working under contract with the commissioner; and individuals purchasing health care services for health carriers and groups. Prior to releasing any nonpublic or private data under this paragraph that identify or relate to a specific health carrier, medical provider, or health care facility, the commissioner shall provide at least 30 days' notice to the subject of the data, including a copy of the relevant data, and allow the subject of the data to provide a brief explanation or comment on the data which must be released with the data. To the extent reasonably possible, release of private or confidential data under this chapter shall be made without releasing data that could reveal the identity of individuals and should instead be released using the identification numbers required by subdivision 6.

(b) Summary data derived from data collected through the large-scale data base initiatives of the health care analysis unit may be provided under section 13.05, subdivision 7, and may be released in studies produced by the commissioner.

(c) The commissioner shall adopt rules to establish criteria and procedures to govern access to and the use of data collected through the initiatives of the health care analysis unit.

Subd. 8. [DATA COLLECTION ADVISORY COMMITTEE.] The commissioner shall convene a 15-member data collection advisory committee consisting of health service researchers, health care providers, health carrier representatives, representatives of businesses that purchase health coverage, and consumers. Six members of this committee must be health care providers. The advisory committee shall evaluate methods of data collection and shall recommend to the commissioner methods of data collection that minimize administrative burdens, address data privacy concerns, and meet the needs of health service researchers. The advisory committee is governed by section 15.059.

Subd. 9. [FEDERAL AND OTHER GRANTS.] The commissioner shall seek federal funding, and funding from private and other nonstate sources, for the initiatives of the health care analysis unit.

Subd. 10. [CONTRACTS AND GRANTS.] To carry out the duties assigned in sections 62J.30 to 62J.34, the commissioner may contract with or provide grants to private sector entities. Any contract or grant must require the private sector entity to maintain the data on individuals which it receives according to the statutory provisions applicable to the data.

Subd. 11. [RULEMAKING.] The commissioner may adopt permanent and emergency rules to implement sections 62J.30 to 62J.34.

Sec. 2. [62J.31] [LARGE-SCALE DATA BASE.]

Subdivision 1. [ESTABLISHMENT.] The health care analysis unit shall establish a large-scale data base for a limited number of health conditions. This initiative must meet the requirements of this section.

Subd. 2. [SPECIFIC HEALTH CONDITIONS.] (a) The data must be collected for specific health conditions, rather than specific procedures, types of health care providers, or services. The health care analysis unit shall designate a limited number of specific health conditions for which data shall be collected during the first year of operation. For subsequent years, data may be collected for additional specific health conditions. The number of specific conditions for which data is collected is subject to the availability of appropriations.

(b) The initiative must emphasize conditions that account for significant total costs, when considering both the frequency of a condition and the unit cost of treatment. The initial emphasis must be on the study of conditions commonly treated in hospitals on an inpatient or outpatient basis, or in freestanding outpatient surgical centers. This initial emphasis may be expanded to include entire episodes of care for a given condition, whether or not treatment includes use of a hospital or a freestanding outpatient surgical center, if adequate data collection and evaluation techniques are available for that condition.

Subd. 3. [INFORMATION TO BE COLLECTED.] The data collected must include information on health outcomes, including information on mortality, morbidity, patient functional status and quality of life, symptoms, and patient satisfaction. The data collected must include information necessary to measure and make adjustments for differences in the severity of patient condition across different health care providers, and may include data obtained directly from the patient or from patient medical records. The data must be collected in a manner that allows comparisons to be made

between providers, health carriers, public programs, and other entities.

Subd. 4. [DATA COLLECTION AND REVIEW.] Data collection for any one condition must continue for a sufficient time to permit: adequate analysis by researchers and appropriate providers, including providers who will be impacted by the data; feedback to providers; and monitoring for changes in practice patterns. The health care analysis unit shall annually review all specific health conditions for which data is being collected, in order to determine if data collection for that condition should be continued.

Subd. 5. [USE OF EXISTING DATA BASES.] (a) The health care analysis unit shall negotiate with private sector organizations currently collecting data on specific health conditions of interest to the unit, in order to obtain required data in a cost-effective manner and minimize administrative costs. The unit shall attempt to establish linkages between the large scale data base established by the unit and existing private sector data bases and shall consider and implement methods to streamline data collection in order to reduce public and private sector administrative costs.

(b) The health care analysis unit shall use existing public sector data bases, such as those existing for medical assistance and Medicare, to the greatest extent possible. The unit shall establish linkages between existing public sector data bases and consider and implement methods to streamline public sector data collection in order to reduce public and private sector administrative costs.

Sec. 3. [62J.32] [ANALYSIS AND USE OF DATA COLLECTED THROUGH THE LARGE-SCALE DATA BASE.]

Subdivision 1. [DATA ANALYSIS.] The health care analysis unit shall analyze the data collected on specific health conditions using existing practice parameters and newly researched practice parameters, including those established through the outcomes research studies of the federal government. The unit may use the data collected to develop new practice parameters, if development and refinement is based on input from and analysis by practitioners, particularly those practitioners knowledgeable about and impacted by practice parameters. The unit may also refine existing practice parameters, and may encourage or coordinate private sector research efforts designed to develop or refine practice parameters.

Subd. 2. [EDUCATIONAL EFFORTS.] The health care analysis unit shall maintain and improve the quality of health care in Minnesota by providing practitioners in the state with information about practice parameters. The unit shall promote, support, and disseminate parameters for specific, appropriate conditions, and the research findings on which these parameters are based, to all

practitioners in the state who diagnose or treat the medical condition.

Subd. 3. [PEER REVIEW.] The unit may require peer review by the Minnesota Medical Association, Minnesota Chiropractic Association or appropriate health licensing board for specific health care conditions for which practice in all or part of the state deviates from practice parameters. The commissioner may also require peer review by the Minnesota Medical Association, Minnesota Chiropractic Association or appropriate health licensing board for specific conditions for which there are large variations in treatment method or frequency of treatment in all or part of the state. Peer review may be required for all practitioners statewide, or limited to practitioners in specific areas of the state. The peer review must determine whether the procedures conducted by practitioners are necessary and appropriate, and within acceptable and prevailing practice parameters that have been disseminated by the health care analysis unit in conjunction with the appropriate professional organizations. If a practitioner continues to perform procedures that are inappropriate, even after educational efforts by the review panel, the practitioner may be reported to the appropriate professional licensing board.

Subd. 4. [PRACTICE PARAMETER ADVISORY COMMITTEE.] The commissioner shall convene a 15-member practice parameter advisory committee comprised of eight health care professionals, and representatives of the research community and the medical technology industry. The committee shall present recommendations on the adoption of practice parameters to the commissioner and the Minnesota health care commission and provide technical assistance as needed to the commissioner and the commission. The advisory committee is governed by section 15.059, but does not expire.

Sec. 4. [62J.33] [TECHNICAL ASSISTANCE FOR PURCHASERS.]

The health care analysis unit shall provide technical assistance to health plan and health care purchasers. The unit shall collect information about:

(1) premiums, benefit levels, managed care procedures, health care outcomes, and other features of popular health plans and health carriers; and

(2) prices, outcomes, provider experience, and other information for services less commonly covered by insurance or for which patients commonly face significant out-of-pocket expenses.

The commissioner shall publicize this information in an easily understandable format.

## Sec. 5. [62J.34] [OUTCOME-BASED PRACTICE PARAMETERS.]

Subdivision 1. [PRACTICE PARAMETERS.] The health care analysis unit may develop, adopt, revise, and disseminate practice parameters, and disseminate research findings, that are supported by medical literature and appropriately controlled studies to minimize unnecessary, unproven, or ineffective care. Among other appropriate activities relating to the development of practice parameters, the health care analysis unit shall:

(1) determine uniform specifications for the collection, transmission, and maintenance of health outcomes data; and

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others not to exceed \$650 for each dependent in grades kindergarten to 6 and \$1,000 for each dependent in grades 7 to 12, for tuition, textbooks, and transportation of

each dependent in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363. As used in this clause, "textbooks" includes books and other instructional materials and equipment used in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. In order to qualify for the subtraction under this clause the taxpayer must elect to itemize deductions under section 63(e) of the Internal Revenue Code;

(4) to the extent included in federal taxable income, distributions from a qualified governmental pension plan, an individual retirement account, simplified employee pension, or qualified plan covering a self-employed person that represent a return of contributions that were included in Minnesota gross income in the taxable year for which the contributions were made but were deducted or were not included in the computation of federal adjusted gross income. The distribution shall be allocated first to return of contributions until the contributions included in Minnesota gross income have been exhausted. This subtraction applies only to contributions made in a taxable year prior to 1985;

(5) income as provided under section 290.0802;

If the taxpayer deducted insurance payments under section 213 of the Internal Revenue Code of 1986, the subtraction under this clause must be reduced by the lesser of:

standard deduction under section 63(c) of the Internal Revenue Code; or

The legislature declares that it would have passed sections 295.50 to 295.58 and each section, subdivision, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subdivisions, sentences, clauses, or phrases is declared unconstitutional.

The tax imposed by this section is due and payable by August 1, 1992, and after that date bears interest at the rate of one percent a month.

Each retailer, subjobber, vendor, manufacturer, or manufacturer's representative shall file a return with the commissioner, in the form the commissioner prescribes, showing the cigarettes on hand at 12:01 a.m. on July 1, 1992, and pay the tax due thereon by August 1, 1992. Sec. 17. [TEMPORARY DEPOSIT OF CIGARETTE TAX REVENUES.]

Notwithstanding the provisions of Minnesota Statutes, section 297.13, the revenue provided by 2.5 mills of the tax on cigarettes

weighing not more than three pounds a thousand and five mills of the tax on cigarettes weighing more than three pounds a thousand must be credited to the health care access fund in the state treasury. This section applies only to revenue collected for sales after June 30, 1992, and before January 1, 1994. Revenue includes revenue from the tax, interest, and penalties collected under the provisions of Minnesota Statutes, sections 297.01 to 297.13.

This section expires June 30, 1994.

Sec. 18. [TRANSITION PROVISION; HOSPITAL TAX.]

For gross revenues taxable under section 7, subdivision 1, for calendar year 1993, the exclusions under section 8, subdivision 1, clauses (5) and (6) do not apply.

The expense must not exceed two percent of the gross revenues received under the third-party contract, including copayments and deductibles paid by the individual patient or consumer. Subd. 2. [EXPIRATION.] This section expires January 1, 1994.

Sec. 20. [STUDY.]

The commissioner of revenue, in consultation with the commissioner of health and the board of pharmacy, shall report to the legislature by November 1, 1992, on the expected impact of the wholesale drug distributor tax and the health care provider tax on pharmacies and pharmacists. If the commissioner determines that these taxes are not effective or equitable as applied to pharmacies and pharmacists, the commissioner shall recommend alternative methods of taxing prescription drugs.

Sec. 21. [FEDERAL WAIVER; HEALTH CARE RELATED TAX.]

The legislature finds that taxes imposed by this article are not subject to or in violation of the restrictions contained in the Social Security Act or other federal law. The tax is imposed solely to fund a state program and is not used to pay the state share of medical assistance. Nevertheless to avoid any ambiguity, the commissioner of human services shall apply to the secretary of the United States Department of Health and Human Services for a waiver to treat the tax imposed under section 7 as a broad-based health care related tax under section 1903 of the Social Security Act, 42 United States Code section 1396b.

That the Senate recede from its amendment and that H. F. No. 2031 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1990, section 124.2131, subdivision 1, is amended to read:

Subdivision 1. [ADJUSTED GROSS TAX CAPACITY.] (a) [COMPUTATION.] The department of revenue shall annually conduct an assessment/sales ratio study of the taxable property in each school district in accordance with the procedures in paragraphs (b) and (c). Based upon the results of this assessment/sales ratio study, the department of revenue shall determine an aggregate equalized gross tax capacity and an aggregate equalized net tax capacity for the various classes of taxable property in each school district, which tax capacity shall be designated as the adjusted gross tax capacity and the adjusted net tax capacity, respectively. The department of revenue may incur the expense necessary to make the determinations. The commissioner of revenue may reimburse any county or governmental official for requested services performed in ascertaining the adjusted gross tax capacity and the adjusted net tax capacity. On or before March 15 annually, the department of revenue shall file with the chair of the tax committee of the house of representatives and the chair of the committee on taxes and tax laws of the senate a report of adjusted gross tax capacities and adjusted net tax capacities. On or before April 15 annually, the department of revenue shall file its final report on the adjusted gross tax capacities and adjusted net tax capacities established by the previous year's assessment with the commissioner of education and each county auditor for those school districts for which the auditor has the responsibility for

determination of local tax rates. A copy of the report so filed shall be mailed to the clerk of each district involved and to the county assessor or supervisor of assessments of the county or counties in which each district is located.

(b) [METHODOLOGY.] In making its annual assessment/sales ratio studies, the department of revenue shall use a methodology consistent with the most recent Standard on Assessment Ratio Studies published by the assessment standards committee of the International Association of Assessing Officers. The commissioner of revenue shall supplement this general methodology with specific procedures necessary for execution of the study in accordance with other Minnesota laws impacting the assessment/sales ratio study. The commissioner shall document these specific procedures in writing and shall publish the procedures in the State Register, but these procedures will not be considered "rules" pursuant to the Minnesota administrative procedure act. For purposes of this section, section 270.12, subdivision 2, clause (8), and section 278.05, subdivision 4, the commissioner of revenue shall exclude from the assessment/sales ratio study the sale of any nonagricultural property which does not contain an improvement, if (1) the statutory basis on which the property's taxable value as most recently assessed is less than market value as defined in section 273.11, or (2) the property has undergone significant physical change or a change of use since the most recent assessment.

(c) [AGRICULTURAL LANDS.] For purposes of determining the adjusted gross tax capacity and adjusted net tax capacity of agricultural lands for the calculation of adjusted gross tax capacities and adjusted net tax capacities, the market value of agricultural lands shall be the price for which the property would sell in an arms length transaction.

Sec. 2. Minnesota Statutes 1991 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, 9, and 11, and 12 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. The assessor shall take into account the effect on the market value of property of environmental factors in the vicinity of the property. In

assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, ~~the fact that such platted property is platted shall be taken into account. An individual lot of such platted property shall be assessed at its market value beginning with the first assessment following final approval of the plat assessed as provided in subdivision 12.~~ All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 3. Minnesota Statutes 1990, section 273.11, is amended by adding a subdivision to read:

Subd. 12. [VACANT LAND PLATTED ON OR AFTER AUGUST 1, 1991.] (a) All land platted on or after August 1, 1991, and not improved with a permanent structure, shall be assessed as provided in this subdivision. The assessor shall determine the market value of each individual lot based upon the highest and best use of the property as unplatted land. In establishing the market value of the property, the assessor shall consider the sale price of the unplatted land or comparable sales of unplatted land of similar use and similar availability of public utilities.

(b) The market value determined in paragraph (a) shall be increased as follows for each of the three assessment years immediately following the final approval of the plat: one-third of the difference between the property's unplatted market value as determined under paragraph (a) and the market value based upon the highest and best use of the land as platted property shall be added in each of the three subsequent assessment years.

(c) Any increase in market value after the first assessment year following the plat's final approval shall be added to the property's market value in the next assessment year. Notwithstanding paragraph (b), if construction begins before the expiration of the three years in paragraph (b), that lot shall be eligible for revaluation in the next assessment year. The market value of a platted lot determined under this subdivision shall not exceed the value of that lot based upon the highest and best use of the property as platted land.

Sec. 4. Minnesota Statutes 1990, section 414.0325, is amended by adding a subdivision to read:

Subd. 1a. [ORDERLY ANNEXATION BY PETITION.] If the board receives a petition for annexation of an area owned by a municipality or from all of the property owners in an area, and the area is within two miles of the corporate boundaries of the municipality, the petition shall confer jurisdiction on the board to consider designation of the area for orderly annexation. Upon receipt of the petition, the board shall inform the affected parties of their opportunity to request a hearing before the board on the petition, and if a hearing is requested, it must be held within 60 days of the request. Any person aggrieved by the board's designation of an area as appropriate for orderly annexation may appeal the board's order to district court in accordance with section 414.07.

At least 30 days before a petition is filed for annexation under this subdivision or section 414.033, the petitioner must be notified by the municipality that the cost of utility service to the petitioner may change if the land is annexed to the municipality. The notice must estimate the cost impact of any change in utility services, including rate changes and assessments, resulting from the annexation.

Sec. 5. Minnesota Statutes 1990, section 414.033, subdivision 2, is amended to read:

Subd. 2. A municipal council may by ordinance declare land annexed to the municipality and any such land is deemed to be urban or suburban in character or about to become so if:

- ~~(a)~~ (1) the land is owned by the municipality; or
- ~~(b)~~ (2) the land is completely surrounded by land within the municipal limits; or
- (3) the land abuts the municipality and the area to be annexed is 60 acres or less, and the municipality receives a petition for annexation from all the property owners of the land.

Sec. 6. Minnesota Statutes 1990, section 414.033, is amended by adding a subdivision to read:

Subd. 2a. [MUNICIPALITY MAY ANNEX.] Notwithstanding the abutting requirement of subdivision 1, if land is owned by a municipality or if all of the landowners petition for annexation, and the land is within an existing orderly annexation area as provided by section 414.0325, then the municipality may declare the land annexed.

Sec. 7. Minnesota Statutes 1990, section 414.033, subdivision 3, is amended to read:

Subd. 3. If the perimeter of the area to be annexed by a municipi-

pality is 60 percent or more bordered by the municipality and if the area to be annexed is 40 acres or less, the municipality shall serve notice of intent to annex upon the town board and the municipal board, unless the area is appropriate for annexation by ordinance under subdivision 2, clause (3). The town board shall have 90 days from the date of service to serve objections with the board. If no objections are forthcoming within the said 90 day period, such land may be annexed by ordinance. If objections are filed with the board, the board shall conduct hearings and issue its order as in the case of annexations under section 414.031, subdivisions 3 and 4.

Sec. 8. Minnesota Statutes 1990, section 414.033, subdivision 5, is amended to read:

Subd. 5. If the land is platted, or, if unplatted, does not exceed 200 acres, ~~the property owner or~~ a majority of the property owners in number may petition the municipal council to have such land included within the abutting municipality and, within ten days thereafter, shall file copies of the petition with the board, the town board, the county board and the municipal council of any other municipality which borders the land to be annexed. Within 90 days from the date of service, the town board or the municipal council of such abutting municipality may submit written objections to the annexation to the board and the annexing municipality. Upon receipt of such objections, the board shall proceed to hold a hearing and issue its order in accordance with section 414.031, subdivisions 3, 4, and 5. If written objections are not submitted within the time specified hereunder and if the municipal council determines that property proposed for the annexation is now or is about to become urban or suburban in character, it may by ordinance declare such land annexed to the municipality. If the petition is not signed by all the property owners of the land proposed to be annexed, the ordinance shall not be enacted until the municipal council has held a hearing on the proposed annexation after at least 30 days mailed notice to all property owners within the area to be annexed.

Sec. 9. [VACANT LAND PLATTED BEFORE AUGUST 1, 1991.]

All land platted before August 1, 1991, and not improved with a structure shall be assessed as provided in this section. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the valuation of the land as if it were unplatted until the lot is improved with a permanent improvement all or part of which is located on the lot, or for a period of three years after final approval of the plat, whichever is shorter. When a lot is sold or construction begun, that lot shall be eligible for revaluation.

Sec. 10. [TOWNS OF QUEEN AND EDEN; FOREST FIRE PROTECTION DISTRICTS.]

Notwithstanding Minnesota Statutes, section 88.08 or other law, the commissioner of natural resources may not create and establish forest fire protection districts, in whole or in part, within the towns of Queen and Eden in Polk county.

Sec. 11. [LOCAL APPROVAL.]

Section 10 is effective for each of the towns named in section 10 the day after the filing of a certificate of local approval by the town board of the respective town in compliance with Minnesota Statutes, section 645.021, subdivision 3.

Sec. 12. [REPEALER.]

Minnesota Statutes 1990, section 414.031, subdivision 5, is repealed.

Sec. 13. [EFFECTIVE DATE.]

Sections 1, 2, and 9 are effective the day following final enactment. Section 3 is effective for assessments in 1992 and thereafter."

Delete everything after the enacting clause and insert:

#### “ARTICLE 1

Section 1. Minnesota Statutes 1991 Supplement, section 62A.31, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract or other evidence of accident and health insurance the effect or purpose of which is to supplement Medicare coverage issued or delivered in this state or offered to a resident of this state shall be sold or issued to an individual covered by Medicare unless the following requirements are met:

(a) The policy must provide a minimum of the coverage set out in subdivision 2; and section 62E.07.

(b) The policy must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage;.

(c) The policy must contain a provision that the plan will not be canceled or nonrenewed on the grounds of the deterioration of health of the insured;.

(d) Before the policy is sold or issued, an offer of both categories of

Medicare supplement insurance has been made to the individual, together with an explanation of both coverages;

(e) An outline of coverage as provided in section 62A.39 must be delivered at the time of application and prior to payment of any premium;

(f)(1) The policy must provide that benefits and premiums under the policy shall be suspended at the request of the policyholder for the period, not to exceed 24 months, in which the policyholder has applied for and is determined to be entitled to medical assistance under title XIX of the Social Security Act, but only if the policyholder notifies the issuer of the policy within 90 days after the date the individual becomes entitled to this assistance;

(2) if suspension occurs and if the policyholder or certificate holder loses entitlement to this medical assistance, the policy shall be automatically reinstated, effective as of the date of termination of this entitlement, if the policyholder provides notice of loss of the entitlement within 90 days after the date of the loss;

(3) the policy must provide that upon reinstatement (i) there is no additional waiting period with respect to treatment of preexisting conditions, (ii) coverage is provided which is substantially equivalent to coverage in effect before the date of the suspension, and (iii) premiums are classified on terms that are at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had coverage not been suspended;

(g) The written statement required by an application for Medicare supplement insurance pursuant to section 62A.43, subdivision 1, shall be made on a form, approved by the commissioner, that states that counseling services may be available in the state to provide advice concerning the purchase of Medicare supplement policies and enrollment under the Medicaid program;

(h) No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B;

(i) If a Medicare supplement policy replaces another Medicare supplement policy, the issuer of the replacing policy shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, and probationary periods in the new Medicare supplement policy for similar benefits to the extent the time was spent under the original policy;

(j) The policy has been filed with and approved by the department as meeting all the requirements of sections 62A.31 to 62A.44; and.

(k) The policy guarantees renewability.

Only the following standards for renewability may be used in Medicare supplement insurance policy forms.

No issuer of Medicare supplement insurance policies may cancel or nonrenew a Medicare supplement policy or certificate for any reason other than nonpayment of premium or material misrepresentation.

If a group Medicare supplement insurance policy is terminated by the group policyholder and is not replaced as provided in this clause, the issuer shall offer certificate holders an individual Medicare supplement policy which, at the option of the certificate holder, provides for continuation of the benefits contained in the group policy; or provides for such benefits and benefit packages as otherwise meet the requirements of this clause.

If an individual is a certificate holder in a group Medicare supplement insurance policy and the individual terminates membership in the group, the issuer of the policy shall offer the certificate holder the conversion opportunities described in this clause; or offer the certificate holder continuation of coverage under the group policy.

(l) A Medicare supplement policy or certificate shall not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(m) A Medicare supplement policy or certificate shall provide that benefits designed to cover cost sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible amount and copayment percentage factors. Premiums may be modified to correspond with the changes.

As soon as practicable, but no later than 30 days prior to the annual effective date of any Medicare benefit changes, an issuer shall notify its policyholders and certificate holders of modifications it has made to Medicare supplement insurance policies or certificates in a format acceptable to the commissioner. Such notice shall:

(1) include a description of revisions to the Medicare program and a description of each modification made to the coverage provided under the Medicare supplement policy or certificate; and

(2) inform each policyholder or certificate holder as to when any premium adjustment is to be made, due to changes in Medicare.

The notice of benefit modifications and any premium adjustments must be in outline form and in clear and simple terms so as to facilitate comprehension.

The notices must not contain or be accompanied by any solicitation.

(n) Termination by an issuer of a Medicare supplement policy or certificate shall be without prejudice to any continuous loss that began while the policy or certificate was in force, but the extension of benefits beyond the period during which the policy or certificate was in force may be conditioned on the continuous total disability of the insured, limited to the duration of the policy or certificate benefit period, if any, or payment of the maximum benefits. The extension of benefits does not apply when the termination is based on fraud, misrepresentation, or nonpayment of premium. An issuer may discontinue the availability of a policy form or certificate form if the issuer provides to the commissioner in writing its decision at least 30 days before discontinuing the availability of the form of the policy or certificate. An issuer that discontinues the availability of a policy form or certificate shall not file for approval a new policy form or certificate form of the same type for the same Medicare supplement benefit plan as the discontinued form for five years after the issuer provides notice to the commissioner of the discontinuance. The period of discontinuance may be reduced if the commissioner determines that a shorter period is appropriate. The sale or other transfer of Medicare supplement business to another issuer shall be considered a discontinuance for the purposes of this section. A change in the rating structure or methodology shall be considered a discontinuance under this section unless the issuer complies with the following requirements:

(1) the issuer provides an actuarial memorandum, in a form and manner prescribed by the commissioner, describing the manner in which the revised rating methodology and resulting rates differ from the existing rating methodology and resulting rates; and

(2) the issuer does not subsequently put into effect a change of rates or rating factors that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The commissioner may approve a change to the differential that is in the public interest.

(o)(1) Except as provided in clause (2), the Minnesota experience of

all policy forms or certificate forms of the same type in a standard Medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in section 62A.36;

(2) forms assumed under an assumption reinsurance agreement shall not be combined with the Minnesota experience of other forms for purposes of the refund or credit calculation.

(p) Medicare supplement policies and certificates shall include a renewal or continuation provision. The language or specifications of the provision shall be consistent with the type of contract issued. The provision shall be appropriately captioned and shall appear on the first page of the policy or certificate, and shall include any reservation by the issuer of the right to change premiums and any automatic renewal premium increases based on the policyholder's age. Except for riders or endorsements by which the issuer effectuates a request made in writing by the insured, exercises a specifically reserved right under a Medicare supplement policy or certificate, or is required to reduce or eliminate benefits to avoid duplication of Medicare benefits, all riders or endorsements added to a Medicare supplement policy or certificate after the date of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the policy or certificate shall require a signed acceptance by the insured. After the date of policy or certificate issue, a rider or endorsement that increases benefits or coverage with a concomitant increase in premium during the policy or certificate term shall be agreed to in writing and signed by the insured, unless the benefits are required by the minimum standards for Medicare supplement policies or if the increased benefits or coverage is required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, the premium charge shall be set forth in the policy, declaration page, or certificate. If a Medicare supplement policy or certificate contains limitations with respect to preexisting conditions, the limitations shall appear as a separate paragraph of the policy or certificate and be labeled as "preexisting condition limitations."

Issuers of accident and sickness policies or certificates that provide hospital or medical expense coverage on an expense incurred or indemnity basis, other than incidentally, to a person eligible for Medicare by reason of age shall provide to such applicants a Medicare Supplement Buyer's Guide in the form developed by the Health Care Financing Administration and in a type size no smaller than 12-point type. Delivery of the Buyer's Guide must be made whether or not such policies or certificates are advertised, solicited, or issued as Medicare supplement policies or certificates as defined in this section. Except in the case of direct response issuers, delivery of the Buyer's Guide must be made to the applicant at the time of application, and acknowledgment of receipt of the Buyer's Guide must be obtained by the issuer. Direct response issuers shall deliver

the Buyer's Guide to the applicant upon request, but no later than the time at which the policy is delivered.

(q)(1) An issuer, directly or through its producers, shall:

(i) establish marketing procedures to assure that a comparison of policies by its agents or other producers will be fair and accurate;

(ii) establish marketing procedures to ensure that excessive insurance is not sold or issued;

(iii) establish marketing procedures that set forth a mechanism or formula for determining whether a replacement policy or certificate contains benefits clearly and substantially greater than the benefits under the replaced policy or certificate;

(iv) display prominently by type or other appropriate means, on the first page of the policy or certificate, the following:

"Notice to buyer: This policy or certificate may not cover all of your medical expenses";

(v) inquire and otherwise make every reasonable effort to identify whether a prospective applicant or enrollee for Medicare supplement insurance already has accident and sickness insurance and the types and amounts of the insurance;

(vi) establish auditable procedures for verifying compliance with this paragraph;

(2) in addition to the practices prohibited in chapter 72A, the following acts and practices are prohibited:

(i) knowingly making any misleading representation or incomplete or fraudulent comparison of any insurance policies or issuers for the purpose of inducing, or tending to induce, any person to lapse, forfeit, surrender, terminate, retain, pledge, assign, borrow on, or convert any insurance policy or to take out a policy of insurance with another insurer;

(ii) employing any method of marketing having the effect of or tending to induce the purchase of insurance through force, fright, threat, whether explicit or implied, or undue pressure to purchase or recommend the purchase of insurance;

(iii) making use directly or indirectly of any method of marketing which fails to disclose in a conspicuous manner that a purpose of the method of marketing is solicitation of insurance and that contact will be made by an insurance agent or insurance company;

(3) the terms "Medicare supplement," "medigap," and words of similar import shall not be used unless the policy or certificate is issued in compliance with this subdivision.

(r) Each health maintenance organization, health service plan corporation, insurer, or fraternal benefit society that sells coverage that supplements Medicare coverage shall establish a separate community rate for that coverage. Beginning January 1, 1993, no coverage that supplements Medicare or that is governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., may be offered, issued, sold, or renewed to a Minnesota resident, except at the community rate required by this paragraph.

For coverage that supplements Medicare and for the Part A rate calculation for plans governed by section 1833 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., the community rate may take into account only the following factors:

(1) actuarially valid differences in benefit designs or provider networks;

(2) geographic variations in rates if preapproved by the commissioner of commerce; and

(3) premium reductions in recognition of healthy lifestyle behaviors, including but not limited to, refraining from the use of tobacco. Premium reductions must be actuarially valid and must relate only to those healthy lifestyle behaviors that have a proven positive impact on health. Factors used by the health carrier making this premium reduction must be filed with and approved by the commissioner of commerce.

(s) Beginning January 1, 1993, a health maintenance organization that issues coverage that supplements Medicare or that issues coverage governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq., must make available with each contract at least one option that includes coverage for at least 80 percent of the usual and customary charge for prescription drugs or the copayment equivalency. Each contract issued without prescription drug coverage by any insurer, health service plan corporation, health maintenance organization, or fraternal benefit society must contain, displayed prominently by type or other appropriate means, on the first page of the contract, the following:

"Notice to buyer: This contract does not cover prescription drugs. Prescription drugs can be a very high percentage of your medical expenses. Coverage for prescription drugs is available to you as an optional benefit."

(a) An issuer shall comply with section 1882(c)(3) of the federal Social Security Act, as enacted by section 4081(b)(2)(C) of the Omnibus Budget Reconciliation Act of 1987 (OBRA), Public Law Number 100-203, by:

(2) notifying the Medicare participating physician or supplier and the beneficiary of the payment determination;

(3) paying the Medicare participating physician or supplier directly;

(4) furnishing, at the time of enrollment, each enrollee with a card listing the policy or certificate name, number, and a central mailing address to which notices from a Medicare carrier may be sent;

(5) paying user fees for claim notices that are transmitted electronically or otherwise; and

(6) providing to the secretary of health and human services, at least annually, a central mailing address to which all claims may be sent by Medicare carriers.

(b) Compliance with the requirements in paragraph (a) shall be certified on the Medicare supplement insurance experience reporting form.

Sec. 7. [62A.319] [REPORTING OF MULTIPLE POLICIES.]

Subdivision 1. [ANNUAL REPORT.] On or before March 1 of each year, an issuer shall report the following information for every individual resident of this state for which the issuer has in force more than one Medicare supplement policy or certificate:

(1) the policy and certificate number; and

(2) the date of issuance.

Subd. 2. [NAIC REPORT FORMS.] The items in subdivision 1 must be grouped by individual policyholder and be on the National Association of Insurance Commissioners Reporting Medicare Supplement Policies form.

Sec. 8. Minnesota Statutes 1990, section 62A.36, subdivision 1, is amended to read:

Subdivision 1. [MINIMUM LOSS RATIOS RATIO STANDARDS.] Notwithstanding section 62A.02, subdivision 3, relating to loss ratios, (a) A Medicare supplement policies policy form or certificate form shall not be required delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to Minnesota policyholders and certificate holders in the form of aggregate benefits under the policy, for each year excluding the year of issuance and the first year thereafter, on the basis of incurred claims experience and earned premiums in Minnesota and in accordance with accepted actuarial principles and practices, not including anticipated refunds or credits, provided under the policy form or certificate form:

(a) (1) at least 75 percent of the aggregate amount of premiums collected earned in the case of group policies, and

(b) (2) at least 65 percent of the aggregate amount of premiums collected earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. An insurer shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage.

All filings of rates and rating schedules shall demonstrate that actual expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy or certificate shall equal or exceed the appropriate loss ratio standards.

(b) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the National Association of Insurance Commissioners Medicare Supplement Refund Calculating form, for each type of Medicare supplement benefit plan.

If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation must be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary of health and human services, but in no event shall it be less than the average rate of interest for 13-week treasury bills. A refund or credit against premiums due shall be made by September 30 following the experience year on which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy or certificate duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation

shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies or certificates in force less than three years.

As soon as practicable, but before the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1) a premium adjustment that is necessary to produce an expected loss ratio under the policy or certificate that will conform with minimum loss ratio standards for Medicare supplement policies or certificates. No premium adjustment that would modify the loss ratio experience under the policy or certificate other than the adjustments described herein shall be made with respect to a policy or certificate at any time other than on its renewal date or anniversary date;

(2) if an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section;

(3) any appropriate riders, endorsements, or policy or certificate forms needed to accomplish the Medicare supplement insurance policy or certificate modifications necessary to eliminate benefit duplications with Medicare. The riders, endorsements, or policy or certificate forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) The commissioner may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of a refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

Sec. 9. Minnesota Statutes 1990, section 62A.38, is amended to read:

62A.38 [NOTICE OF FREE EXAMINATION.]

Medicare supplement policies or certificates, other than those issued pursuant to direct response solicitation, shall have a notice

prominently printed on the first page of the policy or attached thereto stating in substance that the policyholder or certificate holder shall have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded in full if, after examination of the policy or certificate, the insured person is not satisfied for any reason. Medicare supplement policies or certificates, issued pursuant to a direct response solicitation to persons eligible for medicare by reason of age, shall have a notice prominently printed on the first page or attached thereto stating in substance that the policyholder or certificate holder shall have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded within ten days after receipt of the returned policy or certificate to the insurer if, after examination, the insured person is not satisfied for any reason.

Sec. 11. Minnesota Statutes 1990, section 62A.42, is amended to read:

#### 62A.42 [RULEMAKING AUTHORITY.]

To carry out the purposes of sections 62A.31 to 62A.44, the commissioner may promulgate rules pursuant to chapter 14. These rules may:

(a) prescribe additional disclosure requirements for medicare

supplement plans, designed to adequately inform the prospective insured of the need and extent of coverage offered;

(b) prescribe uniform policy forms in order to give the insurance purchaser a reasonable opportunity to compare the cost of insuring with various insurers and may prescribe reasonable measures as necessary to conform Medicare supplement policies and certificates to the requirements of federal law and regulations; and

(c) establish other reasonable standards to further the purpose of sections 62A.31 to 62A.44.

Sec. 12. Minnesota Statutes 1990, section 62A.436, is amended to read:

62A.436 [COMMISSIONS.]

The commission, sales allowance, service fee, or compensation to an agent for the sale of a Medicare supplement plan must be the same for each of the first four years of the policy. The commissioner may grant a waiver of this restriction on commissions when the commissioner believes that the insurer's fee structure does not encourage deceptive practices.

In no event may the rate of commission, sales allowance, service fee, or compensation for the sale of a basic Medicare supplement plan exceed that which applies to the sale of an extended basic Medicare supplement plan.

For purposes of this section, "compensation" includes pecuniary or nonpecuniary remuneration of any kind relating to the sale or renewal of the policy or certificate, including but not limited to bonuses, gifts, prizes, awards, and finder's fees.

This section also applies to sales of replacement policies.

Sec. 13. Minnesota Statutes 1990, section 62A.44, is amended to read:

62A.44 [APPLICATIONS.]

Subdivision 1. [APPLICANT COPY.] No individual medicare supplement plan shall be issued or delivered in this state unless a signed and completed copy of the application for insurance is left with the applicant at the time application is made.

Subd. 2. [QUESTIONS.] (a) Application forms shall include the following questions designed to elicit information as to whether, as of the date of the application, the applicant has another Medicare supplement or other health insurance policy or certificate in force or

whether a Medicare supplement policy or certificate is intended to replace any other accident and sickness policy or certificate presently in force. A supplementary application or other form to be signed by the applicant and agent containing the questions and statements may be used.

“(1) You do not need more than one Medicare supplement policy or certificate.

(2) If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy or certificate.

(3) The benefits and premiums under your Medicare supplement policy or certificate will be suspended during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your policy or certificate will be reinstated if requested within 90 days of losing Medicaid eligibility.

To the best of your knowledge:

(1) Do you have another Medicare supplement policy or certificate in force, including health care service contract or health maintenance organization contract? If so, with which company?

(2) Do you have any other health insurance policies that provide benefits that this Medicare supplement policy or certificate would duplicate? (a) If so, with which company?

(3) If the answer to question 1 or 2 is yes, do you intend to replace these medical or health policies with this policy or certificate?

(4) Are you covered by Medicaid?”

(b) Agents shall list any other health insurance policies they have sold to the applicant.

(1) List policies sold that are still in force.

(2) List policies sold in the past five years that are no longer in force.

(c) In the case of a direct response issuer, a copy of the application or supplemental form, signed by the applicant, and acknowledged by the insurer, shall be returned to the applicant by the insurer on delivery of the policy or certificate.

(d) Upon determining that a sale will involve replacement of Medicare supplement coverage, any issuer, other than a direct response issuer, or its agent, shall furnish the applicant, before issuance or delivery of the Medicare supplement policy or certificate, a notice regarding replacement of Medicare supplement coverage. One copy of the notice signed by the applicant and the agent, except where the coverage is sold without an agent, shall be provided to the applicant and an additional signed copy shall be retained by the issuer. A direct response issuer shall deliver to the applicant at the time of the issuance of the policy or certificate the notice regarding replacement of Medicare supplement coverage.

(e) The notice required by paragraph (d) for an issuer shall be provided in substantially the following form in no less than 12-point type:

“NOTICE TO APPLICANT REGARDING REPLACEMENT  
OF MEDICARE SUPPLEMENT INSURANCE

[Insurance company's name and address]

SAVE THIS NOTICE! IT MAY BE IMPORTANT  
TO YOU IN THE FUTURE.

According to [your application] [information you have furnished], you intend to terminate existing Medicare supplement insurance and replace it with a policy or certificate to be issued by [Company Name] Insurance Company. Your new policy or certificate will provide 30 days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. Terminate your present policy only if, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision.

STATEMENT TO APPLICANT BY ISSUER, AGENT, [BROKER OR OTHER REPRESENTATIVE]: I have reviewed your current medical or health insurance coverage. The replacement of insurance involved in this transaction does not duplicate coverage, to the best of my knowledge. The replacement policy or certificate is being purchased for the following reason(s) (check one):

\_\_\_\_\_ Additional benefits

\_\_\_\_\_ No change in benefits, but lower premiums

Fewer benefits and lower premiums

Other (please specify)

(1) Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.

(2) State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent the time was spent (depleted) under the original policy or certificate.

(3) If you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. [If the policy or certificate is guaranteed issue, this paragraph need not appear.]

Do not cancel your present policy or certificate until you have received your new policy or certificate and are you sure that you want to keep it.

(f) Paragraph (e), clauses (1) and (2), of the replacement notice (applicable to preexisting conditions) may be deleted by an issuer if the replacement does not involve application of a new preexisting condition limitation.

Sec. 14. Minnesota Statutes 1990, section 62E.07, is amended to read:

**62E.07 [QUALIFIED MEDICARE SUPPLEMENT PLAN.]**

Any plan which provides benefits to persons over the age of 65 years may be certified as a qualified Medicare supplement plan if the plan is designed to supplement Medicare and provides coverage of 100 percent of the deductibles required under Medicare and 80 percent of the charges for covered services described in section 62E.06, subdivision 1, which charges are not paid by Medicare. The coverage shall include a limitation of \$1,000 per person on total annual out-of-pocket expenses for the covered services. ~~The coverage may be subject to a maximum lifetime benefit of not less than \$500,000.~~

The commissioner may approve the use of the alternative means the commissioner considers appropriate. The commissioner may waive any of the requirements of this chapter and chapters 60A, 62A, and 62D in granting the waiver. The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, including the power to implement a provider payment schedule.

This subdivision is effective until August 1, ~~1992~~ 1993.

Sec. 16. Minnesota Statutes 1991 Supplement, section 62E.12, is amended to read:

**62E.12 [MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.]**

The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan, and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be \$1,000,000, and ~~basic and an extended basic plan and a basic Medicare supplement plans~~ plan as described in sections 62A.31 to 62A.44 and 62E.07. The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15. They shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier. Notwithstanding the provisions of section 62E.06 the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

**Sec. 17. [FEDERAL CHANGES.]**

Before issuing an order, the commissioner shall notify the appropriate policy committees of the legislature of the additions or changes.

**Sec. 18. [EFFECTIVE DATE.]**

Sections 1 to 14 and 17 are effective the day following final enactment and apply to policies or certificates issued before and after that date. Sections 15 and 16 are effective the day following final enactment.

The purpose of the home visit is to provide information about safety measures, community resources, legal resources related to the abatement process, housing resources, nutrition, health follow-up materials, and methods to be followed before, during, and after the abatement process. If a family moves to a new residence temporarily, during the abatement process, services should be provided at the temporary residence whenever feasible. (3) holds a valid license issued under sections 1 to 12 to engage in the practice of chemical dependency counseling.

Subd. 3. [OTHER TITLES.] For the purposes of sections 1 to 13, all individuals who practice, as their main vocation, chemical dependency counseling as defined in subdivision 2, regardless of their titles, shall be covered by sections 1 to 12. (c) hold examinations at least twice a year to assess applicants' knowledge and skills. The examinations may be written or oral and may be administered by the commissioner or by a nonprofit agency under contract with the commissioner to administer the licensing examinations. Examinations must minimize cultural bias and must be balanced in various theories relative to practice of chemical dependency;

(d) issue licenses to individuals qualified under sections 1 to 12;

(i) educate the public about the existence and content of the rules for chemical dependency counselor licensing to enable consumers to file complaints against licensees who may have violated the rules; and

(j) evaluate the rules in order to refine and improve the methods used to enforce the commissioner's standards.

Subd. 2. [CONTINUING EDUCATION COMMITTEE.] The commissioner shall appoint a continuing education committee of five persons, including a chair, which shall advise the commissioner on the administration of continuing education requirements in section 6, subdivision 2.

The fee established must include an amount necessary to recover, over a five-year period, the commissioner's direct expenditures for the adoption of the rules providing for the licensure of chemical dependency counselors. All fees received shall be deposited in the state treasury and credited to the special revenue fund.

Subd. 2. [REPORTS.] The commissioner shall prepare reports on activities related to the licensure of chemical dependency counselors according to this subdivision by October 1 of each even-numbered year. (16) any other objective information which the commissioner believes will be useful in reviewing the commissioner's activities.

Sec. 5. [148C.04] [REQUIREMENTS FOR LICENSURE.]

Subdivision 1. [GENERAL REQUIREMENTS.] The commissioner shall issue licenses to the individuals qualified under sections 1 to 12 to practice chemical dependency counseling.

Sec. 6. [148C.05] [LICENSE RENEWAL REQUIREMENTS.]

Subdivision 1. [RENEWAL.] Licensees shall renew licenses at the time and in the manner established by the commissioner.

Subd. 2. [CONTINUING EDUCATION.] At the time of renewal, each licensee shall furnish evidence satisfactory to the commissioner that the licensee has completed annually at least the equivalent of 40 clock hours of continuing professional postdegree education every two years, in programs approved by the commissioner, and that the licensee continues to be qualified to practice under sections 1 to 12.

Sec. 7. [148C.06] [LICENSE WITHOUT EXAMINATION; TRANSITION PERIOD.]

(d) has seven years or 14,000 hours of supervised chemical dependency counselor experience as defined by the 12 core functions and 270 clock hours of chemical dependency training with 60 hours of this training occurring within the past five years.

After July 1, 1995, no person may be licensed without passing the examination.

#### Sec. 8. [148C.07] [RECIPROCITY.]

The commissioner shall issue an appropriate license to an individual who holds a current license or other credential from another jurisdiction if the commissioner finds that the requirements for that credential are substantially similar to the requirements in sections 1 to 12.

#### Sec. 9. [148C.08] [NONTRANSFERABILITY OF LICENSES.]

A chemical dependency counselor license is not transferable.

#### Sec. 10. [148C.09] [DENIAL, SUSPENSION, OR REVOCATION OF LICENSE.]

Subdivision 1. [GROUNDS.] The commissioner may refuse to grant a license to, or may suspend, revoke, or restrict the license of an individual if the commissioner, after a hearing under the contested case provisions of chapter 14, determines that a licensee or applicant:

(1) is incompetent to engage in chemical dependency counseling practice or is found to be engaged in chemical dependency counseling practice in a manner harmful or dangerous to a client or the public;

(2) has violated the rules of the commissioner or the statutes the commissioner is empowered to enforce;

Sec. 11. [148C.10] [PROHIBITION AGAINST UNLICENSED PRACTICE OR USE OF TITLES; PENALTY.]

Subdivision 1. [PRACTICE.] After the commissioner adopts rules, no individual shall engage in chemical dependency counseling practice unless that individual holds a valid license as a chemical dependency counselor.

Subd. 2. [USE OF TITLES.] After the commissioner adopts rules, no individual shall be presented to the public by any title incorporating the words "chemical dependency counselor" unless that individual holds a valid license. City, county, and state agency chemical dependency counselors who are not licensed under sections 1 to 12 may use the title "city agency chemical dependency counselor," "county agency chemical dependence counselor," or "state agency chemical dependency counselor." Hospital chemical dependency counselors who are not licensed under sections 1 to 12 may use the title "hospital chemical dependency counselor" while acting within the scope of their employment.

Subd. 3. [PENALTY.] A person who violates sections 1 to 12 is guilty of a misdemeanor.

Sec. 12. [148C.11] [EXCEPTIONS TO LICENSE REQUIREMENT.]

Subdivision 1. [OTHER PROFESSIONALS.] Nothing in sections 1 to 11 shall prevent members of other professions or occupations from performing functions for which they are qualified or licensed. This

exception includes, but is not limited to, licensed physicians, registered nurses, licensed practical nurses, licensed psychologists, members of the clergy, attorneys, probation officers, marriage and family therapists, social workers, professional counselors, school counselors, and registered occupational therapists or certified occupational therapist assistants. These persons must not, however, use a title incorporating the words "chemical dependency counselor" or "licensed chemical dependency counselor" or otherwise hold themselves out to the public by any title or description stating or implying that they are licensed to engage in the practice of chemical dependency counseling.

Subd. 2. [STUDENTS.] Nothing in sections 1 to 11 shall prevent students enrolled in an accredited school of chemical dependency counseling from engaging in the practice of chemical dependency counseling under qualified supervision in an accredited school of chemical dependency counseling.

Subd. 3. [FEDERALLY RECOGNIZED TRIBES AND PRIVATE NONPROFIT AGENCIES WITH A MINORITY FOCUS.] (a) The licensing of chemical dependency counselors who are employed by federally recognized tribes shall be voluntary.

(b) The commissioner shall develop special licensing criteria for issuance of a license to chemical dependency counselors who: (1) are members of ethnic minority groups; and (2) are employed by private, nonprofit agencies, including agencies operated by private, nonprofit hospitals, whose primary agency service focus addresses ethnic minority populations. These licensing criteria may differ from the licensing criteria specified in section 5. To develop these criteria, the commissioner shall establish a committee comprised of representatives from the council on hearing impaired, the council on affairs of Spanish-speaking people, the council on Asian-Pacific Minnesotans, the council on Black Minnesotans, and the Indian affairs council.

Subd. 4. [HOSPITAL CHEMICAL DEPENDENCY COUNSELORS.] Except as provided in subdivision 4, paragraph (b), the licensing of hospital chemical dependency counselors shall be voluntary. Hospitals employing chemical dependency counselors shall not be required to employ licensed chemical dependency counselors, nor shall they require their chemical dependency counselors to be licensed.

Sec. 13. Minnesota Statutes 1990, section 595.02, subdivision 1, is amended to read:

Subdivision 1. [COMPETENCY OF WITNESSES.] Every person of sufficient understanding, including a party, may testify in any action or proceeding, civil or criminal, in court or before any person

who has authority to receive evidence, except as provided in this subdivision:

(a) A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. This exception does not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other or against a child of either or against a child under the care of either spouse, nor to a criminal action or proceeding in which one is charged with homicide or an attempt to commit homicide and the date of the marriage of the defendant is subsequent to the date of the offense, nor to an action or proceeding for nonsupport, neglect, dependency, or termination of parental rights.

(b) An attorney cannot, without the consent of the attorney's client, be examined as to any communication made by the client to the attorney or the attorney's advice given thereon in the course of professional duty; nor can any employee of the attorney be examined as to the communication or advice, without the client's consent.

(c) A member of the clergy or other minister of any religion shall not, without the consent of the party making the confession, be allowed to disclose a confession made to the member of the clergy or other minister in a professional character, in the course of discipline enjoined by the rules or practice of the religious body to which the member of the clergy or other minister belongs; nor shall a member of the clergy or other minister of any religion be examined as to any communication made to the member of the clergy or other minister by any person seeking religious or spiritual advice, aid, or comfort or advice given thereon in the course of the member of the clergy's or other minister's professional character, without the consent of the person.

(d) A licensed physician or surgeon, dentist, or chiropractor shall not, without the consent of the patient, be allowed to disclose any information or any opinion based thereon which the professional acquired in attending the patient in a professional capacity, and which was necessary to enable the professional to act in that capacity; after the decease of the patient, in an action to recover insurance benefits, where the insurance has been in existence two years or more, the beneficiaries shall be deemed to be the personal representatives of the deceased person for the purpose of waiving this privilege, and no oral or written waiver of the privilege shall have any binding force or effect except when made upon the trial or examination where the evidence is offered or received.

(e) A public officer shall not be allowed to disclose communications

made to the officer in official confidence when the public interest would suffer by the disclosure.

(f) Persons of unsound mind and persons intoxicated at the time of their production for examination are not competent witnesses if they lack capacity to remember or to relate truthfully facts respecting which they are examined.

(g) A registered nurse, psychologist or consulting psychologist shall not, without the consent of the professional's client, be allowed to disclose any information or opinion based thereon which the professional has acquired in attending the client in a professional capacity, and which was necessary to enable the professional to act in that capacity.

(h) An interpreter for a person handicapped in communication shall not, without the consent of the person, be allowed to disclose any communication if the communication would, if the interpreter were not present, be privileged. For purposes of this section, a "person handicapped in communication" means a person who, because of a hearing, speech or other communication disorder, or because of the inability to speak or comprehend the English language, is unable to understand the proceedings in which the person is required to participate. The presence of an interpreter as an aid to communication does not destroy an otherwise existing privilege.

(i) Licensed chemical dependency counselors shall not disclose information or an opinion based on the information which they acquire from persons consulting them in their professional capacities, and which was necessary to enable them to act in that capacity, except that they may do so:

(1) when informed consent has been obtained in writing, except in those circumstances in which not to do so would violate the law or would result in clear and imminent danger to the client or others;

(2) when the communications reveal the contemplation or ongoing commission of a crime; or

(3) when the consulting person waives the privilege by bringing suit or filing charges against the licensed professional whom that person consulted.

(j) A parent or the parent's minor child may not be examined as to any communication made in confidence by the minor to the minor's parent. A communication is confidential if made out of the presence of persons not members of the child's immediate family living in the same household. This exception may be waived by express consent to disclosure by a parent entitled to claim the privilege or by the child who made the communication or by failure of the child or parent to

object when the contents of a communication are demanded. This exception does not apply to a civil action or proceeding by one spouse against the other or by a parent or child against the other, nor to a proceeding to commit either the child or parent to whom the communication was made or to place the person or property or either under the control of another because of an alleged mental or physical condition, nor to a criminal action or proceeding in which the parent is charged with a crime committed against the person or property of the communicating child, the parent's spouse, or a child of either the parent or the parent's spouse, or in which a child is charged with a crime or act of delinquency committed against the person or property of a parent or a child of a parent, nor to an action or proceeding for termination of parental rights, nor any other action or proceeding on a petition alleging child abuse, child neglect, abandonment or nonsupport by a parent.

(j) (k) Sexual assault counselors may not be compelled to testify about any opinion or information received from or about the victim without the consent of the victim. However, a counselor may be compelled to identify or disclose information in investigations or proceedings related to neglect or termination of parental rights if the court determines good cause exists. In determining whether to compel disclosure, the court shall weigh the public interest and need for disclosure against the effect on the victim, the treatment relationship, and the treatment services if disclosure occurs. Nothing in this clause exempts sexual assault counselors from compliance with the provisions of sections 626.556 and 626.557.

"Sexual assault counselor" for the purpose of this section means a person who has undergone at least 40 hours of crisis counseling training and works under the direction of a supervisor in a crisis center, whose primary purpose is to render advice, counseling, or assistance to victims of sexual assault.

(k) (l) A person cannot be examined as to any communication or document, including worknotes, made or used in the course of or because of mediation pursuant to an agreement to mediate. This does not apply to the parties in the dispute in an application to a court by a party to have a mediated settlement agreement set aside or reformed. A communication or document otherwise not privileged does not become privileged because of this paragraph. This paragraph is not intended to limit the privilege accorded to communication during mediation by the common law.

(l) (m) A child under ten years of age is a competent witness unless the court finds that the child lacks the capacity to remember or to relate truthfully facts respecting which the child is examined. A child describing any act or event may use language appropriate for a child of that age.

\$217,000 is appropriated from the state government special revenue fund to the commissioner of human services for the purposes of sections 1 to 13. The complement of the department of human services is increased by four positions.

If filed with full supporting documentation before July 1 of any year, applications submitted under subdivision 2 shall be acted upon by the commissioner before December 31 of the year of submission.

Sec. 25. Minnesota Statutes 1990, section 60B.15, is amended to read:

#### 60B.15 [GROUNDS FOR REHABILITATION.]

The commissioner may apply by verified petition to the district court for Ramsey county or for the county in which the principal office of the insurer is located for an order directing the commissioner to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one or more of the following grounds:

(1) Any ground on which the commissioner may apply for an order of liquidation under section 60B.20, whenever the commissioner believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer, its policyholders or to the public;

(2) That the commissioner has reasonable cause to believe that there has been theft from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer or other illegal conduct in, by or with respect to the insurer, which endanger assets in an amount threatening insolvency of the insurer;

(3) That substantial and unexplained discrepancies exist between the insurer's records and the most recent annual report or other official company reports;

(4) That the insurer, after written demand by the commissioner, has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found by the commissioner after notice and hearing to be dishonest or untrustworthy in a way affecting the insurer's business such as is the basis for action under section 60A.051;

(5) That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one or more persons found by the commissioner after notice and hearing to be dishonest or untrustworthy such as is the basis for action under section 60A.051;

(6) That the insurer, after written demand by the commissioner, has failed within a reasonable period of time to terminate the employment and status and all influences on management of any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee or other person if the

person has refused to submit to lawful examination under oath by the commissioner concerning the affairs of the insurer, whether in this state or elsewhere;

(7) That after lawful written demand by the commissioner the insurer has failed to submit promptly any of its own property, books, accounts, documents, or other records, or those of any subsidiary or related company within the control of the insurer, or those of any person having executive authority in the insurer so far as they pertain to the insurer, to reasonable inspection or examination by the commissioner or an authorized representative. If the insurer is unable to submit the property, books, accounts, documents, or other records of a person having executive authority in the insurer, it shall be excused from doing so if it promptly and effectively terminates the relationship of the person to the insurer;

(8) That without first obtaining the written consent of the commissioner, or if required by law, the written consent of the attorney general, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business of any other person;

(9) That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under sections 60B.01 to 60B.61, and that such appointment has been made or is imminent, and that such appointment might divest the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under sections 60B.01 to 60B.61;

(10) That within the previous year the insurer has willfully violated its charter or articles of incorporation or its bylaws or any applicable insurance law or regulation of any state, or of the federal government, or any valid order of the commissioner under section 60B.11 in any manner or as to any matter which threatens substantial injury to the insurer, its creditors, its policyholders or the public, or having become aware within the previous year of an unintentional or willful violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violations in the future;

(11) That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors, its policyholders, or the public is threatened by reason thereof;

(12) That the insurer has failed to pay for 60 days after due date any obligation to this state or any political subdivision thereof or

any judgment entered in this state, except that such nonpayment shall not be a ground until 60 days after any good faith effort by the insurer to contest the obligation or judgment has been terminated, whether it is before the commissioner or in the courts;

(13) That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the commissioner has failed to give an adequate explanation immediately;

(14) That two-thirds of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under sections 60B.01 to 60B.61;

(15) That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements;

(16) That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public;

(17) That within the previous 12 months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full;

(18) In the context of a health maintenance organization, "insurer" when used in clauses (1) to (17) means "health maintenance organization." In addition to the grounds in clauses (1) to (17), any one of the following constitutes grounds for rehabilitation of a health maintenance organization:

(b) grounds exist under section 62D.042, subdivision 7;

(c) the health maintenance organization's liabilities exceed the current value of its assets, exclusive of intangibles and, where the guaranteeing organization's financial condition no longer meets the requirements of sections 62D.041 and 62D.042, exclusive of any deposits, letters of credit, or guarantees provided by any guaranteeing organization under chapter 62D;

(d) in addition to grounds under clause (16), within the last year the health maintenance organization has failed, and the commissioner of health expects such failure to continue in the future, to

make comprehensive medical care adequately available and accessible to its enrollees and the health maintenance organization has not successfully implemented a plan of corrective action pursuant to section 62D.121, subdivision 7; and

(e) in addition to grounds under clause (16), within the last year the directors or officers of the health maintenance organization willfully violated the requirements of section 317A.251, or having become aware within the previous year of an unintentional or willful violation of section 317A.251, have failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent the same violation in the future;

(19) An affiliate of the insurer has been placed in conservatorship, rehabilitation, liquidation, or other court supervision such that the insurer's financial condition may be jeopardized.

Sec. 26. Minnesota Statutes 1990, section 60B.17, subdivision 1, is amended to read:

Subdivision 1. [SPECIAL DEPUTY COMMISSIONER.] The commissioner as rehabilitator shall ~~make every reasonable effort to employ an active or retired senior executive from a successful insurer to serve as~~ employ a special deputy commissioner to rehabilitate the insurer. The special deputy shall have all of the powers of the rehabilitator granted under this section. ~~To obtain a suitable special deputy, the commissioner may consult with and obtain the assistance and advice of executives of insurers doing business in this state.~~ Subject to court approval, the commissioner shall make such arrangements for compensation as are necessary to obtain a special deputy of proven ability. The special deputy shall serve at the pleasure of the commissioner.

Sec. 27. Minnesota Statutes 1991 Supplement, section 60D.15, subdivision 4, is amended to read:

Subd. 4. [CONTROL.] The term "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with ~~or~~ corporate office held by, or court appointment of, the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 60D.19, subdivision 11, that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be

heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

Sec. 28. Minnesota Statutes 1991 Supplement, section 60D.17, subdivision 4, is amended to read:

Subd. 4. [APPROVAL BY COMMISSIONER; HEARINGS.] (a) The commissioner shall approve any merger or other acquisition of control referred to in subdivision 1 unless, after a public hearing, the commissioner finds that:

(1) After the change of control, the domestic insurer referred to in subdivision 1 would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed, unless the domestic insurer is in rehabilitation or other court-ordered supervision and the acquiring party commits to a plan that would enable the domestic insurer to satisfy the requirements for the issuance of a license within a reasonable amount of time;

(2) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly therein in applying the competitive standard in this subdivision:

(i) the informational requirements of section 60D.18, subdivision 3, paragraph (b), and the standards of section 60D.18, subdivision 4, paragraph (c), shall apply;

(ii) the merger or other acquisition shall not be disapproved if the commissioner finds that any of the situations meeting the criteria provided by section 60D.18, subdivision 4, paragraph (c), exist; and

(iii) the commissioner may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;

(3) The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;

(4) The plans or proposals that the acquiring party has to liquidate the insurer, sell its assets, or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest;

(5) The competence, experience, and integrity of those persons who would control the operation of the insurer are such that it would

not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(6) The acquisition is likely to be hazardous or prejudicial to the insurance buying public.

(b) The public hearing referred to in paragraph (a) must be held 30 days after the statement required by subdivision 1 is filed, and at least 20 days notice of it shall be given by the commissioner to the person filing the statement. Not less than seven days notice of the public hearing shall be given by the person filing the statement to the insurer and to other persons designated by the commissioner. The commissioner shall make a determination within 30 days after the conclusion of the hearing. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interest may be affected by it may present evidence, examine and cross-examine witnesses, and offer oral and written arguments and may conduct discovery proceedings in the same manner as is presently allowed in the district courts of this state. All discovery proceedings must be concluded not later than three days before the start of the public hearing.

(c) The commissioner may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the commissioner's staff as may be reasonably necessary to assist the commissioner in reviewing the proposed acquisition of control.

Sec. 29. Minnesota Statutes 1990, section 61A.011, is amended by adding a subdivision to read:

Any insurer authorized to write accident and health insurance in this state shall have power to issue group accident and health policies.

Sec. 31. Minnesota Statutes 1990, section 62A.21, subdivision 2b, is amended to read:

Sec. 33. Minnesota Statutes 1990, section 62A.54, is amended to read:

**62A.54 [PROHIBITED PRACTICES.]**

Unless otherwise provided for in ~~Laws 1986, chapter 397, sections 2 to 8~~ 62A.46 to 62A.56, the solicitation or sale of long-term care policies is subject to the requirements and penalties applicable to the sale of Medicare supplement insurance policies as set forth in sections 62A.31 to 62A.44.

For the purposes of determining liability of contributing members pursuant to section 62E.11 payments received from or on behalf of Minnesota residents for coverage by a health maintenance organization shall be considered to be accident and health insurance premiums.

Sec. 35. Minnesota Statutes 1990, section 62E.10, subdivision 1, is amended to read:

Subdivision 1. [CREATION; TAX EXEMPTION.] There is established a comprehensive health association to promote the public health and welfare of the state of Minnesota with membership consisting of all insurers, self-insurers, fraternal, joint self-insurance plans regulated under chapter 62H, and health maintenance organizations licensed or authorized to do business in this state. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

(5) denying a claim without including the following information:

(i) the basis for the denial;

If the defendant is a foreign insurance corporation, the summons may be served by two copies delivered to the commissioner of commerce, who shall file one in the commissioner's office and forthwith mail the other postage prepaid to the defendant at its home office in compliance with section 45.028, subdivision 2.

## ARTICLE 3

## INSURANCE AGENTS

Section 1. Minnesota Statutes 1990, section 60A.02, subdivision 7, is amended to read:

Subd. 7. [INSURANCE AGENT OR INSURANCE AGENCY.] An "insurance agent" or "insurance agency" is a person acting under express authority from, and an appointment pursuant to section ~~60A.17~~ 60K.02 by, an insurer and on its behalf to solicit insurance, or to appoint other agents to solicit insurance, or to write and countersign policies of insurance, or to collect premiums therefor within this state, or to exercise any or all these powers when so authorized by the insurer. The term "person" includes a natural person, a partnership, a corporation, or other entity, including an insurance agency.

Sec. 2. [60A.052] [DENIAL, REVOCATION, SUSPENSION OF CERTIFICATE OF AUTHORITY.]

Subdivision 1. [GROUNDS.] The commissioner may by order take any or all of the following actions: (1) deny, suspend, or revoke a certificate of authority; (2) censure the insurance company; or (3) impose a civil penalty as provided for in section 45.027, subdivision 6. In order to take this action the commissioner must find that the order is in the public interest, and the insurance company:

(1) has a board of directors or principal management that is incompetent, untrustworthy, or so lacking in insurance company managerial experience as to make its operation hazardous to policyholders, its stockholders, or to the insurance buying public;

(2) is controlled directly or indirectly through ownership, management, reinsurance transactions, or other business relations by any person or persons whose business operations are or have been marked by manipulation of any assets, reinsurance, or accounts as to create a hazard to the company's policyholders, stockholders, or the insurance buying public;

(3) is in an unsound or unsafe condition;

(4) has the actual liabilities that exceed the actual funds of the company;

(5) has filed an application for a license which is incomplete in any material respect or contains any statement which, in light of the circumstances under which it was made, contained any misrepresentation or was false, misleading, or fraudulent;

(6) has pled guilty, with or without explicitly admitting guilt, pled nolo contendere, or been convicted of a felony, gross misdemeanor, or misdemeanor involving moral turpitude, or similar conduct;

(7) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the insurance business;

(8) has violated or failed to comply with any order of the insurance regulator of any other state or jurisdiction;

(9) has had a certificate of authority denied, suspended, or revoked, has been censured or reprimanded, has been the subject of any other discipline imposed by, or has paid or has been required to pay a monetary penalty or fine to, another state;

(10) agents, officers, or directors refuse to submit to examination or perform any related legal obligation; or

(11) has violated or failed to comply with, any of the provisions of the insurance laws including chapter 45 or chapters 60A to 72A or any rule or order under those chapters.

Subd. 2. [SUMMARY SUSPENSION OR REVOCATION OF AUTHORITY OR CENSURE.] If the commissioner determines that one of the conditions listed in subdivision 1 exists, the commissioner may issue an order requiring the insurance company to show cause why any or all of the following should not occur: (1) revocation or

suspension of any or all certificates of authority granted to the foreign or domestic insurance company or its agent; (2) censuring of the insurance company; or (3) the imposition of a civil penalty. The order shall be calculated to give reasonable notice of the time and place for hearing thereon, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend or revoke a certificate pending final determination of any order to show cause. If a certificate is suspended or revoked pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the summary order. All hearings shall be conducted in accordance with chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the insurance company fails to appear at a hearing after having been duly notified of it, the company shall be considered in default, and the proceeding may be determined against the company upon consideration of the order to show cause, the allegations of which may be considered to be true.

Subd. 3. [APPLICANTS.] Whenever it appears to the commissioner that an application for a certificate of authority should be denied pursuant to subdivision 1, the commissioner shall promptly give a written notice to the applicant of the denial. The notice must state the grounds for the denial and give reasonable notice of the rights of the applicant to request a hearing. A hearing must be held not later than 30 days after the request for hearing is received by the commissioner unless the applicant and the department of commerce agree that the hearing may be held at a later date. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the applicant shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying the application, the allegations of which may be considered to be true.

Subd. 4. [ACTIONS AGAINST LAPSED CERTIFICATE OF AUTHORITY.] If a certificate of authority lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the certificate of authority was last effective and enter a revocation or suspension order as of the last date on which the certificate of authority was in effect, or impose a civil penalty as provided for in section 45.027, subdivision 6.

### Sec. 3. [60K.01] [DEFINITIONS.]

Unless the language or context clearly indicates that a different meaning is intended, the definitions in section 60A.01 are applicable to this chapter.

Sec. 4. [60K.02] [INSURANCE AGENTS; SOLICITORS LICENSE.]

Subdivision 1. [REQUIREMENT.] No person shall act or assume to act as an insurance agent in the solicitation or procurement of applications for insurance, nor in the sale of insurance or policies of insurance, nor in any manner aid as an insurance agent in the negotiation of insurance by or with an insurer, including resident agents or reciprocal or interinsurance exchanges and fraternal benefit societies, until that person obtains from the commissioner a license for that purpose. The license must specifically set forth the name of the person authorized to act as an agent and the class or classes of insurance for which that person is authorized to solicit or countersign policies. An insurance agent may qualify for a license in the following classes: (1) life and health; and (2) property and casualty.

No insurer shall appoint or reappoint a natural person, partnership, or corporation to act as an insurance agent on its behalf until that natural person, partnership, or corporation obtains a license as an insurance agent.

Subd. 2. [PARTNERSHIPS AND CORPORATIONS.] A license issued to a partnership or corporation must be solely in the name of the entity to which it is issued; provided that each partner, director, officer, stockholder, or employee of the licensed entity who is personally engaged in the solicitation or negotiation of a policy of insurance on behalf of the licensed entity shall be personally licensed as an insurance agent.

Upon request by the commissioner, each partnership and corporation licensed as an insurance agent shall provide the commissioner with a list of the names of each partner, director, officer, stockholder, and employee who is required to hold a valid insurance agent's license.

Subd. 3. [TRANSITION.] (a) Any agent who is qualified for life or accident and health as of June 1, 1981, is qualified for a life and health license under Laws 1981, chapter 307, and is appointed by an insurer which has submitted a written requisition for a license for that agent as of June 1, 1981.

(b) Any agent who is qualified for one or more lines of insurance, excluding life or accident and health and farm property liability as of June 1, 1981, is qualified for a property and casualty license under Laws 1981, chapter 307, and is appointed by any insurer which has submitted a written requisition for a license for that agent as of June 1, 1981.

Subd. 4. [CRIMINAL PENALTIES.] A person who acts or assumes

to act as an insurance agent without a valid license issued by the commissioner is guilty of a gross misdemeanor.

Sec. 5. [60K.03] [LICENSE APPLICATION.]

Subdivision 1. [PROCEDURE.] An application for a license to act as an insurance agent shall be made to the commissioner by the person who seeks to be licensed. The application for license shall be accompanied by a written appointment from an admitted insurer authorizing the applicant to act as its agent under one or both classes of license. The insurer must also submit its check payable to the state treasurer for the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9), at the time the agent becomes licensed. The application and appointment must be on forms prescribed by the commissioner.

If the applicant is a natural person, no license shall be issued until that natural person has become qualified.

If the applicant is a partnership or corporation, no license shall be issued until at least one natural person who is a partner, director, officer, stockholder, or employee shall be licensed as an insurance agent.

Subd. 2. [RESIDENT AGENT.] The commissioner shall issue a resident insurance agent's license to a qualified resident of this state as follows:

(a) A person may qualify as a resident of this state if that person resides in this state or the principal place of business of that person is maintained in this state. Application for a license claiming residency in this state for licensing purposes constitutes an election of residency in this state. A license issued upon an application claiming residency in this state is void if the licensee, while holding a resident license in this state, also holds, or makes application for, a resident license in, or thereafter claims to be a resident of, any other state or jurisdiction or if the licensee ceases to be a resident of this state; provided, however, if the applicant is a resident of a community or trade area, the border of which is contiguous with the state line of this state, the applicant may qualify for a resident license in this state and at the same time hold a resident license from the contiguous state.

(b) The commissioner shall subject each applicant who is a natural person to a written examination as to the applicant's competence to act as an insurance agent. The examination must be held at a reasonable time and place designated by the commissioner.

(c) The examination shall be approved for use by the commissioner and shall test the applicant's knowledge of the lines of insurance,

policies, and transactions to be handled under the class of license applied for, of the duties and responsibilities of the licensee, and pertinent insurance laws of this state.

(d) The examination shall be given only after the applicant has completed a program of classroom studies in a school, which shall not include a school sponsored by, offered by, or affiliated with an insurance company or its agents; except that this limitation does not preclude a bona fide professional association of agents, not acting on behalf of an insurer, from offering courses. The course of study shall consist of 30 hours of classroom study devoted to the basic fundamentals of insurance for those seeking a Minnesota license for the first time, 15 hours devoted to specific life and health topics for those seeking a life and health license, and 15 hours devoted to specific property and casualty topics for those seeking a property and casualty license. The program of studies or study course shall have been approved by the commissioner in order to qualify under this clause. If the applicant has been previously licensed for the particular line of insurance in the state of Minnesota, the requirement of a program of studies or a study course shall be waived. A certification of compliance by the organization offering the course shall accompany the applicant's license application. This program of studies in a school or a study course shall not apply to farm property perils and farm liability applicants, or to agents writing such other lines of insurance as the commissioner may exempt from examination by order.

(e) The applicant must pass the examination with a grade determined by the commissioner to indicate satisfactory knowledge and understanding of the class or classes of insurance for which the applicant seeks qualification. The commissioner shall inform the applicant as to whether or not the applicant has passed.

(f) An applicant who has failed to pass an examination may take subsequent examinations. Examination fees for subsequent examinations shall not be waived.

(g) Any applicant for a license covering the same class or classes of insurance for which the applicant was licensed under a similar license in this state, other than a temporary license, within the three years preceding the date of the application shall be exempt from the requirement of a written examination, unless the previous license was revoked or suspended by the commissioner. An applicant whose license is not renewed under section 60K.12 is exempt from the requirement of a written examination.

Subd. 3. [NONRESIDENT AGENT.] The commissioner shall issue a nonresident insurance agent's license to a qualified person who is a resident of another state or country as follows:

(a) A person may qualify for a license under this section as a

nonresident only if that person holds a license in another state, province of Canada, or other foreign country which, in the opinion of the commissioner, qualifies that person for the same activity as that for which a license is sought.

(b) The commissioner shall not issue a license to a nonresident applicant until that person files with the commissioner a designation of the commissioner and the commissioner's successors in office as the applicant's true and lawful attorney upon whom may be served all lawful process in an action, suit, or proceeding instituted by or on behalf of an interested person arising out of the applicant's insurance business in this state. This designation constitutes an agreement that this service of process is of the same legal force and validity as personal service of process in this state upon that applicant.

Service of process upon a licensee in an action or proceeding begun in a court of competent jurisdiction of this state may be made in compliance with section 45.028, subdivision 2.

(c) A nonresident license terminates automatically when the resident license for that class of license in the state, province, or foreign country in which the licensee is a resident is terminated for any reason.

Subd. 4. [TERM.] All licenses issued pursuant to this section remain in force until voluntarily terminated by the licensee, not renewed as prescribed in section 60K.06, or until suspended or revoked by the commissioner. A voluntary termination occurs when the license is surrendered to the commissioner with the request that it be terminated or when the licensee dies, or when the licensee is dissolved or its existence is terminated. In the case of a nonresident license, a voluntary termination also occurs upon the happening of the event described in subdivision 3, paragraph (c).

Every licensed agent shall notify the commissioner within 30 days of a change of name, address, or information contained in the application.

Subd. 5. [SUBSEQUENT APPOINTMENTS.] A person who holds a valid agent's license from this state may solicit applications for insurance on behalf of an admitted insurer with which the licensee does not have a valid appointment on file with the commissioner; provided that the licensee has permission from the insurer to solicit insurance on its behalf and, provided further, that the insurer upon receipt of the application for insurance submits a written notice of appointment to the commissioner accompanied by its check payable to the state treasurer in the amount of the appointment fee prescribed by section 60A.14, subdivision 1, paragraph (c), clause (9). The notice of appointment must be on a form prescribed by the commissioner.

Subd. 6. [AMENDMENT OF LICENSE.] An application to the commissioner to amend a license to reflect a change of name, or to include an additional class of license, or for any other reason, shall be on forms provided by the commissioner and shall be accompanied by the applicant's surrendered license and a check payable to the state treasurer for the amount of fee specified in section 60A.14, subdivision 1, paragraph (c).

An applicant who surrenders an insurance license pursuant to this subdivision retains licensed status until an amended license is received.

Subd. 7. [EXCEPTIONS.] The following are exempt from the general licensing requirements prescribed by this section:

(1) agents of township mutuals who are exempted pursuant to section 60K.04;

(2) fraternal benefit society representatives exempted pursuant to section 60K.05;

(3) any regular salaried officer or employee of a licensed insurer, without license or other qualification, may act on behalf of that licensed insurer in the negotiation of insurance for that insurer, provided that a licensed agent must participate in the sale of the insurance;

(4) employers and their officers or employees, and the trustees or employees of any trust plan, to the extent that the employers, officers, employees, or trustees are engaged in the administration or operation of any program of employee benefits for the employees of the employers or employees of their subsidiaries or affiliates involving the use of insurance issued by a licensed insurance company; provided that the activities of the officers, employees and trustees are incidental to clerical or administrative duties and their compensation does not vary with the volume of insurance or applications for insurance;

(5) employees of a creditor who enroll debtors for life or accident and health insurance; provided the employees receive no commission or fee for it;

(6) clerical or administrative employees of an insurance agent who take insurance applications or receive premiums in the office of their employer, if the activities are incidental to clerical or administrative duties and the employee's compensation does not vary with the volume of the applications or premiums; and

(7) rental vehicle companies and their employees in connection

with the offer of rental vehicle personal accident insurance under section 72A.125.

Sec. 6. [60K.04] [TOWNSHIP MUTUAL AGENTS.]

No agent for a township mutual shall be required to take an examination to become eligible for an agent's license in farm property perils and farm liability if it is certified by one or more township mutual companies that the agent has been acting in the capacity of an agent at least since January 1, 1971, and no new examination shall be required for eligibility for a license in farm property perils and farm liability for a licensed agent in farm windstorm and hail insurance who was licensed prior to January 1, 1971.

Sec. 7. [60K.05] [FRATERNAL BENEFIT SOCIETY REPRESENTATIVES.]

Representatives of fraternal benefit societies who solicit and negotiate insurance contracts shall be deemed to be insurance agents and subject to the licensing requirements as set forth in section 60K.03 subdivision 1; provided, that no insurance agent's license shall be required of:

(1) any officer, employee, or secretary of a fraternal benefit society or of any subordinate lodge or branch who devotes substantially all of that person's time to activities other than the solicitation or negotiation of insurance contracts and who receives no commission or other compensation directly dependent upon the number or amount of contracts solicited or negotiated; or

(2) any agent or representative of a fraternal benefit society who devotes, or intends to devote, less than 50 percent of that person's time to the solicitation and procurement of insurance contracts for that society. Any person who in the preceding calendar year has solicited and procured life insurance in excess of \$50,000 face amount, or, in the case of any other kinds of insurance which the society may write, on the persons of more than 25 individuals, and who has received or will receive a commission or other compensation in the total amount of \$1,000 or more, shall be presumed to be devoting, or intending to devote, 50 percent of that person's time to the solicitation or procurement of insurance contracts for that society.

Sec. 8. [60K.06] [RENEWAL FEE.]

(a) Each agent licensed pursuant to section 60K.03 shall annually pay in accordance with the procedure adopted by the commissioner a renewal fee as prescribed by section 60A.14, subdivision 1, paragraph (c), clause (10).

(b) Every agent, corporation, and partnership license expires on October 31 of the year for which period a license is issued.

(c) Persons whose applications have been properly and timely filed who have not received notice of denial of renewal are approved for renewal and may continue to transact business whether or not the renewed license has been received on or before November 1. Applications for renewal of a license are timely filed if received by the commissioner on or before October 15 of the year due, on forms duly executed and accompanied by appropriate fees. An application mailed is considered timely filed if addressed to the commissioner, with proper postage, and postmarked by October 15.

(d) The commissioner may issue licenses for agents, corporations, or partnerships for a three-year period. If three-year licenses are issued, the fee is three times the annual license fee.

#### Sec. 9. [60K.07] [TEMPORARY LICENSES.]

Subdivision 1. [EXAMINATION.] The commissioner may grant a temporary insurance agent's license to a person who has successfully completed the examination, if any, required by the commissioner. The temporary license may be granted as of the date upon which the applicant receives written notice from the commissioner that the person has passed any required examination. A temporary license will permit the applicant to act as an insurance agent for the original appointing insurer for the class of business specified therein until the earlier of (1) receipt by the applicant of the resident license, or (2) the expiration of 90 days from the date on which the temporary license was granted.

Subd. 2. [PERMISSIVE TEMPORARY LICENSE.] The commissioner may issue a temporary license to a person to act as an insurance agent for a period not to exceed 90 days, which may be extended as determined by the commissioner, without requiring an examination if the commissioner considers a temporary license necessary for the servicing of an insurance business in the following cases:

(1) to an agent licensed as a resident agent in another state where the commissioner determines that the foreign license is substantially the equivalent of that being applied for from the state of Minnesota and where the agent has been transferred into this state with the intention of becoming a resident, working as an insurance agent, and obtaining a resident license from the state of Minnesota;

(2) to the surviving spouse or next of kin, or to the administrator or executor, or to an employee of a deceased licensed insurance agent, or to the spouse, next of kin, an employee, or legal guardian of a disabled licensed insurance agent;

(3) to the designee of a licensed insurance agent entering upon active service in the armed forces of the United States; or

(4) in any other circumstance where the commissioner considers that the public interest will best be served by the issuance of a temporary license.

Sec. 10. [60K.08] [BROKERAGE BUSINESS.]

Every insurance agent duly licensed to transact business in this state shall have the right to procure the insurance of risks, or parts of risks, in the class or classes of insurance for which the agent is licensed in other insurers duly authorized to transact business in this state, but the insurance shall only be consummated through a duly appointed resident agent of the insurer taking the risk. If the law of another state requires a nonresident agent who is a resident agent of Minnesota to pay a portion of the premium to or share commissions with a licensed resident agent of that state, then the licensed resident agent of Minnesota when consummating and countersigning for a licensed nonresident agent of that state shall receive five percent of the total premium or 25 percent of the commission, whichever is less.

Sec. 11. [60K.09] [UNFIT PERSON NOT TO BE EMPLOYED BY INSURER.]

No insurer, its officers, agents, or managers shall knowingly make application to the commissioner for appointment of a person as its agent where that person is known to the insurer, its officers, agents, or managers making the application, to be unfit or disqualified to be licensed as an insurance agent, and immediately upon the discovery by the insurer, its officers, agents, or managers having supervision of the agent, of the unfitness or disqualification, the insurer, or the officers agents, or managers shall forthwith inform the commissioner in writing of their decision to terminate their appointment of this agent; nor shall any insurer retain in its employ any agent known by it to be disqualified or unfit to be licensed as an insurance agent.

Sec. 12. [60K.10] [TERM OF APPOINTMENTS.]

All appointments of agents by insurers pursuant to this section shall remain in force until terminated voluntarily by the appointing insurer or the license of the agent has for any reason been terminated during the appointment. The original appointing insurer, as well as any subsequent appointing insurer, may terminate the appointment of an agent at any time by giving written notice thereof to the commissioner and by sending a copy thereof to the last known address of the agent. The effective date of the termination shall be the date of receipt of the notice by the commissioner unless another date is specified by the insurer in the notice. Within 30 days after the

insurer gives notice of termination to the commissioner, the insurer shall furnish the agent with a current statement of the agent's commission account.

Accompanying the notice of a termination given to the commissioner by the insurer shall be a statement of the specific reasons constituting the cause of termination. Any document, record, or statement relating to the agent which is disclosed or furnished to the commissioner contemporaneously with, or subsequent to, the notice of termination shall be deemed confidential by the commissioner and a privileged communication. The document, record, or statement furnished to the commissioner shall not be admissible in whole or in part for any purpose in any action or proceeding against (1) the insurer or any of its officers, employees, or representatives submitting or providing the document, record, or statement, or (2) any person, firm, or corporation furnishing in good faith to the insurer the information upon which the reasons for termination are based.

Sec. 13. [60K.11] [DENIAL, REVOCATION, SUSPENSION, AND CENSURE OF LICENSES.]

Subdivision 1. [GROUNDS.] The commissioner may by order take any or all of the following actions:

- (1) deny, suspend, or revoke an insurance agent or agency license;
- (2) censure the licensee; or
- (3) impose a civil penalty as provided for in section 45.027, subdivision 6.

In order to take this action the commissioner must find that the order is in the public interest and that the applicant, licensee, or in the case of an insurance agency, partner, director, shareholder, officer, or agent of that insurance agency:

- (i) does not intend to or is not in good faith carrying on the business of an insurance agent;
- (ii) has filed an application for a license which is incomplete in any material respect or contains any statement which, in light of the circumstances under which it is made, contains any misrepresentation, or is false, misleading, or fraudulent;
- (iii) has engaged in an act or practice, whether or not such act or practice involves the business of insurance, which demonstrates that the applicant or licensee is untrustworthy, financially irresponsible, or otherwise incompetent or unqualified to act as an insurance agent or agency;

(iv) has pled guilty, with or without explicitly admitting guilt, pled nolo contendere, or been convicted of a felony, gross misdemeanor, or misdemeanor involving moral turpitude, including, but not limited to, assault or similar conduct;

(v) has violated or failed to comply with any of the provisions of the insurance laws including chapter 45 or chapters 60A to 72A or any rule or order under those chapters;

(vi) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the insurance business;

(vii) has violated or failed to comply with any order of the insurance regulator of any other state or jurisdiction;

(viii) has had an insurance agent or agency license denied, suspended, or revoked, has been censured or reprimanded, has been the subject of any other discipline imposed by, or has paid or has been required to pay a monetary penalty or fine to, another state or jurisdiction;

(ix) has misrepresented the terms of any actual or proposed insurance contract;

(x) has engaged in any fraudulent, coercive, deceptive, or dishonest act or practice whether or not such act or practice involves the business of insurance;

(xi) has improperly withheld, misappropriated, or converted to the licensee's or applicant's own use any money belonging to a policyholder, insurer, beneficiary, or other person; or

(xii) has forged another's name to any document whether or not the document relates to an application for insurance or a policy of insurance.

Subd. 2. [LICENSEES.] If the commissioner determines that one of the conditions listed in subdivision 1 exists, the commissioner may issue an order requiring a licensee to show cause why any or all of the following should not occur: (1) the license revocation or suspension; (2) censuring of the licensee; or (3) the imposition of a civil penalty. The order shall be calculated to give reasonable notice of the time and place for hearing on the matter, and shall state the reasons for the entry of the order. The commissioner may by order summarily suspend a license pending final determination of any order to show cause. If a license is suspended pending final determination of an order to show cause, a hearing on the merits shall be held within 30 days of the issuance of the order of suspension. All hearings shall be conducted in accordance with the provisions of

chapter 14. After the hearing, the commissioner shall enter an order disposing of the matter as the facts require. If the licensee fails to appear at a hearing after having been duly notified of it, the licensee shall be considered in default, and the proceeding may be determined against the licensee upon consideration of the order to show cause, the allegations of which may be considered to be true.

Subd. 3. [APPLICANTS.] Whenever it appears to the commissioner that a license application should be denied pursuant to subdivision 1, the commissioner shall promptly give a written notice to the applicant of the denial. The notice must state the grounds for the denial and give reasonable notice of the rights of the applicant to request a hearing. A hearing must be held not later than 30 days after the request for the hearing is received by the commissioner unless the applicant and the department of commerce agree that the hearing may be held at a later date. If no hearing is requested within 30 days of service of the notice, the denial will become final. All hearings shall be conducted in accordance with the provisions of chapter 14. After the hearing, the commissioner shall enter an order making such disposition as the facts require. If the applicant fails to appear at a hearing after having been duly notified of it, the person shall be considered in default, and the proceeding may be determined against the applicant upon consideration of the notice denying application, the allegations of which may be considered to be true. All fees accompanying the application and appointment are considered earned and are not refundable.

Subd. 4. [ACTIONS AGAINST LAPSED LICENSE.] If a license lapses, is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the commissioner may institute a proceeding under this subdivision within two years after the license was last effective and enter a revocation or suspension order as of the last date on which the license was in effect, or impose a civil penalty as provided for in section 45.027, subdivision 6.

Subd. 5. [NOTIFICATION OF ACTION TAKEN BY OTHER STATE.] An insurance agent shall notify the commissioner within 30 days of any fine imposed on that agent by another state or of a suspension or revocation of license by the commissioner of commerce of this state or the commissioner of insurance of any other state.

Subd. 6. [CONDITIONS FOR RELICENSURE.] A revocation of a license shall prohibit the licensee from making a new application for a license for at least two years from the effective date of the revocation. Further, the commissioner shall, as a condition of reapplication, require the applicant to obtain a performance bond issued by an insurer authorized to transact business in this state in the amount of \$20,000 or a greater amount the commissioner considers appropriate for the protection of citizens of this state in the event the commissioner grants the application. The bond shall be filed with the commissioner, with the state of Minnesota as obligee, condi-

tioned for the prompt payment to any aggrieved person entitled to payment of any amounts received by the licensee or to protect any aggrieved person from loss resulting from fraudulent, deceptive, dishonest, or other prohibited practices arising out of any transaction when the licensee was licensed or performed acts for which a license is required under this chapter. The bond shall remain operative for as long as that licensee is licensed. The bond required by this subdivision must provide coverage for all matters arising during the period of licensure.

Sec. 14. [60K.12] [TAX CLEARANCE CERTIFICATE.]

Subdivision 1. [REQUIREMENT FOR ISSUANCE OR RENEWAL OF LICENSE.] In addition to the provisions of section 60K.11, the commissioner may not issue or renew a license if the commissioner of revenue notifies the commissioner and the licensee or applicant for a license that the licensee or applicant owes the state delinquent taxes in the amount of \$500 or more. The commissioner may issue or renew the license only if: (1) the commissioner of revenue issues a tax clearance certificate; and (2) the commissioner of revenue or the licensee or applicant forwards a copy of the clearance certificate to the commissioner. The commissioner of revenue may issue a clearance certificate only if the licensee or applicant does not owe the state any uncontested delinquent taxes.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them:

(1) "taxes" are all taxes payable to the commissioner of revenue, including penalties and interest due on those taxes; and

(2) "delinquent taxes" do not include a tax liability if (i) an administrative or court action that contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the licensee or applicant has entered into a payment agreement to pay the liability and is current with the payments.

Subd. 3. [CONTESTED CASE HEARING.] In lieu of the notice and hearing requirements of section 60K.11, when a licensee or applicant is required to obtain a clearance certificate under this section, a contested case hearing must be held if the licensee or applicant requests a hearing in writing to the commissioner of revenue within 30 days of the date of the notice provided in subdivision 1. The hearing must be held within 45 days of the date the commissioner of revenue refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the licensee or applicant must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the licensee or applicant. The notice may be served personally or by mail.

Subd. 4. [IDENTIFICATION REQUIRED.] The commissioner shall require all licensees or applicants to provide their social security number and Minnesota business identification number on all license applications. Upon request of the commissioner of revenue, the commissioner must provide to the commissioner of revenue a list of all licensees and applicants, including the name and address, social security number, and business identification number. The commissioner of revenue may request a list of the licensees and applicants no more than once each calendar year.

**Sec. 16. [60K.14] [PROHIBITED ACTS.]**

Subdivision 1. [PERSONAL SOLICITATION OF INSURANCE SALES.] (a) [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(1) "agent" means a person, copartnership, or corporation required to be licensed pursuant to section 60K.02; and

(2) "personal solicitation" means any contact by an agent, or any person acting on behalf of an agent, made for the purpose of selling or attempting to sell insurance, when either the agent or a person acting for the agent contacts the buyer by telephone or in person, except: (i) an attempted sale in which the buyer personally knows the identity of the agent, the name of the general agency, if any, which the agent represents, and the fact that the agent is an insurance agent; (ii) an attempted sale in which the prospective purchaser of insurance initiated the contact; or (iii) a personal contact which takes place at the agent's place of business.

(b) [DISCLOSURE REQUIREMENT.] Before a personal solicitation, the agent or person acting for an agent shall, at the time of initial personal contact or communication with the potential buyer, clearly and expressly disclose:

- (1) the name of the person making the contact or communication;
- (2) the name of the agent, general agency, or insurer that person represents; and
- (3) the fact that the agent, agency, or insurer is in the business of selling insurance.

(c) [FALSE REPRESENTATION OF GOVERNMENT AFFILIATION.] No agent or person acting for an agent shall make any communication to a potential buyer that indicates or gives the impression that the agent is acting on behalf of a government agency.

Subd. 2. [FEES FOR SERVICES.] No person shall charge a fee for any services rendered in connection with the solicitation, negotiation, or servicing of any insurance contract unless:

(1) before rendering the services, a written statement is provided disclosing:

- (i) the services for which fees are charged;
- (ii) the amount of the fees;
- (iii) that the fees are charged in addition to premiums; and
- (iv) that premiums include a commission; and

(2) all fees charged are reasonable in relation to the services rendered.

Subd. 3. [COMMISSIONS OR COMPENSATION.] No commission or other compensation shall be paid or allowed by any person, firm, or corporation to any other person, firm, or corporation acting, or assuming to act, as an insurance agent without a license therefor. A duly licensed agent may pay commissions or assign or direct that commissions be paid to a partnership of which the agent is a member, employee, or agent, or to a corporation of which the agent is an officer, employee, or agent. This subdivision does not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because the person has ceased to hold a license to act as an insurance agent.

Subd. 4. [SUITABILITY OF INSURANCE.] In recommending the purchase of any life, endowment, long-term care, annuity, life-endowment, or Medicare supplement insurance to a customer, an agent must have reasonable grounds for believing that the recommendation is suitable for the customer and must make reasonable inquiries to determine suitability. The suitability of a recommended purchase of insurance will be determined by reference to the totality of the particular customer's circumstances, including, but not limited to, the customer's income, the customer's need for insurance, and the values, benefits, and costs of the customer's existing insurance program, if any, when compared to the values, benefits, and costs of the recommended policy or policies.

Subd. 5. [PREMIUMS.] All premiums or other money received by an agent from an insured or applicant for insurance must be forthwith deposited directly in a business checking, savings, or other similar account maintained by the agent or agency, unless the money is forwarded directly to the designated insurer.

Subd. 6. [PRIVACY OF CLIENT.] Except as otherwise provided by law, no insurance agent may disclose nor cause to be disclosed to any other person the identity of a person insured through the agent without the consent of the insured.

#### Sec. 17. [60K.15] [INSURER'S AGENT.]

Any person who solicits insurance is the agent of the insurer and not the agent of the insured.

#### Sec. 18. [60K.16] [LIABILITY FOR PLACING INSURANCE IN UNAUTHORIZED COMPANY.]

Any person, regardless of whether that person is required to be licensed as an insurance agent, who participates in any manner in the sale of any insurance policy or certificate, or any other contract providing benefits, for or on behalf of any company which is required to be, but which is not authorized to engage in the business of insurance in this state, other than pursuant to sections 60A.195 to 60A.209, shall be personally liable for all premiums, whether earned or unearned, paid by the insured, and the premiums may be recovered by the insured. In addition, that person shall be personally liable for any loss the insured has sustained or may sustain if the loss is one resulting from a risk or hazard covered in the issued policy, certificate, or contract or which would have been covered if the policy, certificate, or contract had been issued to the purchaser of the insurance.

#### Sec. 19. [60K.17] [AGENTS; VARIABLE CONTRACTS.]

Subdivision 1. [LICENSE REQUIRED.] No person shall sell or

offer for sale a contract on a variable basis unless prior to making any solicitation or sale the person has obtained from the commissioner a license therefor. The license shall only be granted, upon the written requisition of an insurer, to a qualified person who holds a current license authorizing the person to solicit and sell life insurance and annuity contracts in this state. To become qualified, a person shall complete a written application on a form prescribed by the commissioner and shall take and pass an examination prescribed by the commissioner.

Subd. 2. [EXCEPTIONS.] (a) Any regularly salaried officer or employee of a licensed insurer may, without license or other qualification, act on behalf of that licensed insurer in the negotiation of a contract on a variable basis, provided that a licensed agent must participate in the sale of any contract.

(b) Any person who holds a valid license to solicit and sell life insurance and annuity contracts may solicit and sell contracts on a variable basis without acquiring a license under this subdivision if the contract is based on an account which is excluded from the definition of investment company under the Investment Company Act of 1940, United States Code, title 15, section 80a-3(11).

Subd. 3. [RULES.] The commissioner may by rule waive or modify any of the requirements in this section or prescribe additional requirements considered necessary for the proper sale and solicitation of contracts on a variable basis.

Sec. 20. [60K.18] [ALTERING EXISTING POLICIES; WRITTEN BINDERS REQUIRED.]

An insurance agent having express authority to bind coverage, who orally agrees on behalf of an insurer to provide insurance coverage, or to alter an existing insurance agreement, shall execute and deliver a written memorandum or binder containing the terms of the oral agreement to the insured within three business days from the time the oral agreement is entered.

Sec. 22. Minnesota Statutes 1990, section 62C.17, subdivision 5, is amended to read:

Subd. 5. A person shall not be qualified for a license if upon examination or reexamination it is determined that the person is incompetent to act as an agent or solicitor, if the person has acted in any manner which would disqualify a person to hold a license as an insurance agent or solicitor under ~~section 60A.17, subdivision 6~~ sections 60K.01 to 60K.18, or if the person fails to produce documents subpoenaed by the commissioner, or fails to appear at a hearing to which the person is a party or has been subpoenaed, if the production of documents or appearance is lawfully required.

Sec. 23. Minnesota Statutes 1990, section 62D.22, subdivision 8, is amended to read:

Subd. 8. All agents, solicitors, and brokers engaged in soliciting or dealing with enrollees or prospective enrollees of a health maintenance organization, whether employees or under contract to the health maintenance organization, shall be subject to the provisions of ~~section 60A.17 sections 60K.01 to 60K.18~~, concerning the licensure of health insurance agents, solicitors, and brokers, and lawful rules thereunder. Medical doctors and others who merely explain the operation of health maintenance organizations shall be exempt from the provisions of ~~section 60A.17 sections 60K.01 to 60K.18~~. Section ~~60A.17 60K.03~~, subdivision ~~4a 2, paragraph (b)~~ shall not apply except as to provide for an examination of an applicant in the applicant's knowledge concerning the operations and benefits of health maintenance organizations and related insurance matters.

Sec. 24. Minnesota Statutes 1990, section 64B.33, is amended to read:

#### 64B.33 [LICENSING OF AGENTS.]

Sec. 25. Minnesota Statutes 1990, section 72A.07, is amended to read:

#### 72A.07 [VIOLATIONS OF LAWS RELATING TO AGENTS, PENALTIES.]

Any person, firm, or corporation violating, or failing to comply with, any of the provisions of ~~section 60A.17 sections 60K.01 to 60K.18~~ and any person who acts in any manner in the negotiation or

transaction of unlawful insurance with an insurance company not licensed to do business in the state, or who, as principal or agent, violates any provision of law relating to the negotiation or effecting of contracts of insurance, shall be guilty of a misdemeanor. Upon the filing of a complaint by the commissioner of commerce in a court of competent jurisdiction against any person violating any provisions of this section, the county attorney of the county in which the violation occurred shall prosecute the person. Upon the conviction of any agent of any violation of the provisions of ~~section 60A.17~~ sections 60K.01 to 60K.18, the commissioner shall suspend the authority of the agent to transact any insurance business within the state for a period of not less than three months. Any insurer employing an agent and failing to procure an appointment, as required by ~~section 60A.17~~ sections 60K.01 to 60K.18, or allowing the agent to transact business for it within the state before an appointment has been procured, shall pay the commissioner, for the use of the state, a penalty of \$25 for each offense. Each sale of an insurance policy by an agent who is not appointed by an insurance company shall constitute a separate offense, but no insurer shall be required to pay more than \$300 in penalties as a result of the activities of a single unappointed agent. In the event of failure to pay a penalty within ten days after notice from the commissioner, the authority of the insurer to do business in this state shall be revoked by the commissioner until the penalty is paid. No insurer whose authority is revoked shall be readmitted until it shall have complied with all the terms and conditions imposed for admission in the first instance. Any action taken by the commissioner under this section shall be subject to review by the district court of the county in which the office of the commissioner is located.

Sec. 26. Minnesota Statutes 1990, section 72A.125, subdivision 2, is amended to read:

Subd. 2. [SALE BY AUTO RENTAL COMPANIES.] An auto rental company that offers or sells rental vehicle personal accident insurance in this state in conjunction with the rental of a vehicle shall only sell these products if the forms and rates have met the relevant requirements of section 62A.02, taking into account the possible infrequency and severity of loss that may be incurred. ~~Sections 60A.17 and 60A.1701 and 60K.01 to 60K.18~~ do not apply if the persons engaged in the sale of these products are employees of the auto rental company who do not receive commissions or other remuneration for selling the product in addition to their regular compensation. Compensation may not be determined in any part by the sale of insurance products. The auto rental company before engaging in the sale of the product must file with the commissioner the following documents:

(1) an appointment of the commissioner as agent for service of process;

(2) an agreement that the auto rental company assumes all responsibility for the authorized actions of all unlicensed employees who sell the insurance product on its behalf in conjunction with the rental of its vehicles;

(3) an agreement that the auto rental company with respect to itself and its employees will be subject to this chapter regarding the marketing of the insurance products and the conduct of those persons involved in the sale of insurance products in the same manner as if it were a licensed agent.

An auto rental company failing to file the documents in clauses (1) to (3) is guilty of an individual violation as to the unlicensed sale of insurance for each sale that occurs after August 1, 1987, until they make the required filings. Each individual sale after August 1, 1987, and prior to the filing required by this section is subject to, in addition to any other penalties allowable by law, up to a \$200 per violation fine. Further, the sale of the insurance product by an auto rental company or any employee or agent of the company after August 1, 1987, without having complied with this section shall be deemed to be in acceptance of the provisions of this section.

Insurance sold pursuant to this subdivision must be limited in availability to rental vehicle customers though coverage may extend to the customer, other drivers, and passengers using or riding in the rented vehicles; and limited in duration to a period equal to and concurrent with that of the vehicle rental.

Persons purchasing rental vehicle personal accident insurance may be provided a certificate summarizing the policy provisions in lieu of a copy of the policy if a copy of the policy is available for inspection at the place of sale and a free copy of the policy may be obtained from the auto rental company's home office.

The commissioner may, after a hearing, revoke an auto rental company's right to operate under this section if the company has repeatedly violated the insurance laws of this state and the revocation is in the public interest.

Sec. 4. Minnesota Statutes 1990, section 60A.23, subdivision 8, is amended to read:

Subd. 8. [SELF-INSURANCE OR INSURANCE PLAN ADMINISTRATORS WHO ARE VENDORS OF RISK MANAGEMENT SERVICES.] (1) [SCOPE.] This subdivision applies to any vendor of risk management services and to any entity which administers, for compensation, a self-insurance or insurance plan. The license fee is \$100. All licenses are for a period of two years.

(4) [REGULATORY RESTRICTIONS; POWERS OF THE COMMISSIONER.] To assure that self-insurance or insurance plans are financially solvent, are administered in a fair and equitable fashion, and are processing claims and paying benefits in a prompt, fair, and honest manner, vendors of risk management services and entities administering insurance or self-insurance plans are subject to the supervision and examination by the commissioner. Vendors of risk management services, entities administering insurance or self-insurance plans, and insurance or self-insurance plans established or operated by them are subject to the trade practice requirements of sections 72A.19 to 72A.30. In lieu of an unlimited guarantee from a parent corporation for a vendor of risk management services or an entity administering insurance or self-insurance plans, the commissioner may accept a fidelity bond in a form satisfactory to the commissioner in an amount equal to 120 percent of the total amount of claims handled by the applicant in the prior year. If at any time the total amount of claims handled during a year exceeds the amount upon which the bond was calculated, the administrator shall immediately notify the commissioner. The commissioner may require that the bond be increased accordingly.

Sec. 5. Minnesota Statutes 1990, section 62A.146, is amended to read:

62A.146 [CONTINUATION OF BENEFITS TO SURVIVORS.]

No policy, contract, or plan of accident and health protection issued by an insurer, nonprofit health service plan corporation, or health maintenance organization, providing coverage of hospital or medical expense on either an expense incurred basis or other than an expense incurred basis which in addition to coverage of the insured, subscriber, or enrollee, also provides coverage to dependents, shall, except upon the written consent of the survivor or survivors of the deceased insured, subscriber, or enrollee, terminate, suspend, or otherwise restrict the participation in or the receipt of benefits otherwise payable under the policy, contract, or plan to the survivor or survivors until the earlier of the following dates:

(a) the date the surviving spouse becomes covered under another group health plan; or

(b) the date coverage would have terminated under the policy, contract, or plan had the insured, subscriber, or enrollee lived.

The survivor or survivors, in order to have the coverage and benefits extended, may be required to pay the entire cost of the protection on a monthly basis. The policy, contract, or plan must require the group policyholder or contract holder to, upon request, provide the insured, subscriber, or enrollee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium or fee contributions charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children who are not the survivors of a deceased insured, without regard to whether such cost is paid by the employer or employee. Failure of the survivor to make premium or fee payments within 90 days after notice of the requirement to pay the premiums or fees shall be a basis for the termination of the coverage without written consent. In event of termination by reason of the survivor's failure to make required premium or fee contributions, written notice of cancellation must be mailed to the survivor's last known address at least 30 days before the cancellation. If the coverage is provided under a group policy, contract, or plan, any required premium or fee contributions for the coverage shall be paid by the survivor to the group policyholder or contract holder for remittance to the insurer, nonprofit health service plan corporation, or health maintenance organization.

Sec. 6. Minnesota Statutes 1990, section 62A.17, subdivision 2, is amended to read:

Subd. 2. [RESPONSIBILITY OF EMPLOYEE.] Every covered employee electing to continue coverage shall pay the former employer, on a monthly basis, the cost of the continued coverage. The policy, contract, or plan must require the group policyholder or contract holder to, upon request, provide the employee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. If the policy, contract, or health care plan is administered by a trust, every covered employee electing to continue coverage shall pay the trust the cost of continued coverage according to the eligibility rules established by the trust. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for similarly situated employees with respect to whom neither termination nor layoff has occurred, without regard to whether such cost is paid by the employer or employee. The employee shall be eligible to continue the coverage until the employee becomes covered under another group health plan, or for a period of 18 months after the termination of or lay off from employment, whichever is shorter. If the employee becomes covered under another group policy, contract, or health plan and the new group policy, contract, or health plan contains any preexisting condition limitations, the employee may, subject to the 18-month maximum continuation limit, continue coverage with the former employer until the preexisting condition limitations have been satisfied. The new policy, contract, or health plan is primary except as to the preexisting condition. In the case of a newborn child who is a dependent of the employee, the new policy, contract, or health plan is primary upon the date of birth of the child, regardless of which policy, contract, or health plan coverage is deemed primary for the mother of the child.

Sec. 7. Minnesota Statutes 1990, section 62A.21, subdivision 2a, is amended to read:

Subd. 2a. [CONTINUATION PRIVILEGE.] Every policy described in subdivision 1 shall contain a provision which permits continuation of coverage under the policy for the insured's former spouse and dependent children upon entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the insured's former spouse becomes covered under any other group health plan; or

(b) the date coverage would otherwise terminate under the policy.

If the coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the insured on a monthly basis to the group policyholder for remittance to the insurer. The policy must require the group policyholder to, upon request, provide the insured with written verification from the

insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

**Sec. 8. [62A.285] [PROHIBITED UNDERWRITING; BREAST IMPLANTS.]**

Subdivision 1. [SCOPE OF COVERAGE.] This section applies to all policies of accident and health insurance regulated under this chapter, subscriber contracts offered by nonprofit health service plan corporations regulated under chapter 62C, health maintenance contracts regulated under chapter 62D, and health benefit certificates offered through a fraternal benefit society regulated under chapter 64B. This section does not apply to policies, plans, certificates, or contracts payable on a fixed indemnity or nonexpense incurred basis, or policies, plans, certificates, or contracts that provide only accident coverage.

Subd. 2. [REQUIRED COVERAGE.] No policy, plan, certificate, or contract referred to in subdivision 1 shall be issued or renewed to provide coverage to a Minnesota resident if it provides an exclusion, reduction, or other limitation as to coverage, deductible, coinsurance, or copayment applicable solely to conditions caused by breast implants.

Subd. 3. [REFUSAL TO ISSUE OR RENEW.] No issuer of a policy, plan, certificate, or contract referred to in subdivision 1 shall refuse to issue or renew at standard premium rates a policy, plan, certificate, or contract referred to in subdivision 1 solely because the prospective insured or enrollee has breast implants.

Subd. 4. [EXCLUSION PERMITTED.] A policy, plan, certificate, or contract referred to in subdivision 1 may limit or exclude coverage for conditions caused by breast implants, if the conditions were diagnosed prior to the date that coverage for the person begins.

Sec. 9. Minnesota Statutes 1990, section 62C.142, subdivision 2a, is amended to read:

**Subd. 2a. [CONTINUATION PRIVILEGE.]** Every subscriber contract, other than a contract whose continuance is contingent upon continued employment or membership, shall contain a provision which permits continuation of coverage under the contract for the subscriber's former spouse and children upon entry of a valid decree of dissolution of marriage, if the decree requires the subscriber to provide continued coverage for those persons. The coverage may be continued until the earlier of the following dates:

(a) the date of remarriage of either the subscriber or the subscriber's former spouse; or

(b) the date coverage would otherwise terminate under the subscriber contract.

The contract must require the group contract holder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Sec. 10. Minnesota Statutes 1990, section 62D.101, subdivision 2a, is amended to read:

Subd. 2a. [CONTINUATION PRIVILEGE.] Every health maintenance contract as described in subdivision 1 shall contain a provision which permits continuation of coverage under the contract for the enrollee's former spouse and children upon entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the enrollee's former spouse becomes covered under another group plan or Medicare; or

(b) the date coverage would otherwise terminate under the health maintenance contract.

If coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the enrollee on a monthly basis to the group contract holder to be paid to the health maintenance organization. The contract must require the group contract holder to, upon request, provide the enrollee with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the fee charged exceed 102 percent of the cost to the plan for the period of coverage for other similarly situated spouses and dependent children when the marital relationship has not dissolved, regardless of whether the cost is paid by the employer or employee.

The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, including the power to implement a provider payment schedule.

This subdivision is effective until August 1, ~~1992~~ 1993.

The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15. They shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier. Notwithstanding the provisions of section 62E.06 the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

Sec. 13. Minnesota Statutes 1990, section 65A.29, subdivision 11, is amended to read:

Subd. 4. [BOND.] Every applicant shall submit to the commissioner at the time of the application for a license, a surety bond ~~to be approved by the attorney general~~ in which the applicant shall be the obligor, in a sum to be determined by the commissioner but not less than \$5,000, and in which an insurance company, which is duly authorized by the state of Minnesota to transact the business of fidelity and surety insurance, shall be a surety; provided, however, the commissioner may accept a deposit in cash, or securities such as may legally be purchased by savings banks or for trust funds of an aggregate market value equal to the bond requirement, in lieu of the surety bond, such cash or securities to be deposited with the state treasurer. The commissioner may also require a fidelity bond in an appropriate amount covering employees of any applicant. Each branch office or additional place of business of an applicant shall be bonded as provided herein. In determining the bond amount necessary for the maintenance of any office be it surety, fidelity or both the commissioner shall consider the financial responsibility, experience, character and general fitness of the agency and its operators and owners; the volume of business handled or proposed to be handled; the location of the office and the geographical area served or proposed to be served; and such other information the commissioner may deem pertinent based upon past performance, previous examinations, annual reports and manner of business conducted in other states.

the obligor arising out of the obligor's activities as a credit services organization. The commissioner may accept a deposit in cash, or securities that may be legally purchased by savings banks or for trust funds of an aggregate market value equal to the bond requirement, in lieu of the surety bond. The cash or securities must be deposited with the state treasurer.

Sec. 17. Minnesota Statutes 1991 Supplement, section 345.485, is amended to read:

345.485 [RECOVERY OF PROPERTY IN OTHER STATES BY OTHERS.]

Expenses paid under this section shall not reduce the amount to which the claimant is entitled.

Sec. 18. [MINIMUM LOSS RATIO STUDY.]

The commissioner of commerce shall study the effect of minimum loss ratios required under Minnesota Statutes, section 62A.135, and report to the legislature by January 31, 1993.

At least 75 percent of the units of the multifamily project must be occupied by individuals or families whose incomes at the time of their initial residency in the project are 60 percent or less of the greater of the: (1) statewide median income or (2) county or metropolitan statistical area median income, adjusted for household size as determined by the federal Department of Housing and Urban Development.

The maximum rent for a proposed single room occupancy unit under paragraph (a) is 30 percent of the amount equal to 30 percent of the greater of the statewide or county median income for a one-member household as determined by the federal Department of

Housing and Urban Development. The maximum rent for at least 75 percent of the units of a multifamily project under paragraph (b) is 30 percent of the amount equal to 50 percent of the greater of the statewide or county median income as determined by the federal Department of Housing and Urban Development based on a household size with one person per bedroom.

Sec. 6. Minnesota Statutes 1991 Supplement, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in July, or in the amount of two percent of the requested allocation on or after the last Monday in July, and (5) a public purpose scoring worksheet for manufacturing project applications. The issuer must pay the application deposit by a check made payable to the department of finance. The Minnesota housing finance agency ~~and~~, the Minnesota rural finance authority, ~~and the Minnesota higher education coordinating board~~ may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. This paragraph does not apply to an application from the Minnesota housing finance agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on their behalf.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.

Sec. 7. Minnesota Statutes 1991 Supplement, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of

the allocation after the first Tuesday in August only if the issuer has submitted to the department before the first Tuesday in August a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. Subdivision 4 applies to an allocation made under this section. The Minnesota housing finance agency and the Minnesota rural finance authority may retain an unused portion of an allocation after the first Tuesday in August without submitting an additional deposit.

Sec. 8. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] Issuers ~~other than the Minnesota rural finance authority~~ may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for manufacturing applications. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in August. Notwithstanding the restrictions imposed on unified pool allocations after September 1 under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the unified pool after September 1. The Minnesota housing finance agency, the Minnesota higher education coordinating board, and the Minnesota rural finance authority may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 9. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in

August through and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before September 1, allocations shall be awarded from the unified pool in the following order of priority:

- (1) applications for small issue bonds;
- (2) applications for residential rental project bonds;
- (3) applications for public facility projects funded by public facility bonds;
- (4) applications for redevelopment bonds;
- (5) applications for mortgage bonds; and
- (6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in August. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority, based upon the number of points received. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in August, \$5,000,000 of bonding authority is reserved within the unified pool for agricultural development bond loan projects of the Minnesota rural finance authority and \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in September, \$2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority

allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds manufacturing projects and public facility bonds agricultural development bond loan projects, seven-eighths of the remaining available bonding authority is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds must be distributed between the two reservations on a pro rata basis, based upon the amounts each would have received if sufficient authority was available.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

- (i) \$10,000,000 for any one city; or
- (ii) \$20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After September 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds to finance publicly owned facility projects, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

#### Sec. 10. [HIGHER EDUCATION COORDINATING BOARD.]

Subdivision 1. [1992 MANUFACTURING POOL RESERVATION.] On the first Monday in May of 1992, \$15,000,000 of bonding authority is reserved within the manufacturing pool and \$5,000,000 of bonding authority is reserved within the public facilities pool for student loan bonds issued by the higher education coordinating board. On the day after the last Monday in July of 1992, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the unified pool and must be reallocated as provided in Minnesota Statutes, section 474A.091. If a common pool is established as provided under section 11, any bonding authority

remaining unallocated from the student loan bond reservations is transferred to the common pool on June 1, 1992.

Subd. 2. [1992 CARRYFORWARD.] Notwithstanding Minnesota Statutes, section 474A.091, subdivision 4, the commissioner of finance may allocate a portion of remaining available bonding authority to the higher education coordinating board for student loan bonds on December 1 of 1992.

Subd. 3. [1993 UNIFIED POOL RESERVATION.] On the first Monday in August of 1993, up to \$10,000,000 of bonding authority is reserved within the unified pool for student loan bonds issued by the higher education coordinating board; provided that the total amount of the unified pool reservation authorized under this subdivision and the carryforward authorized under subdivision 2 may not exceed \$20,000,000 of bonding authority.

#### Sec. 11. [SUNSET OF QUALIFIED BONDS.]

Subdivision 1. [TRANSFER.] Notwithstanding Minnesota Statutes, sections 474A.061 and 474A.091, if federal tax law is not amended by May 31, 1992, to permit the issuance of tax exempt mortgage bonds or small issue bonds after June 30, 1992, any bonding authority remaining in the small issue, housing, and public facilities pools is transferred on June 1, 1992, to a common pool and is available for allocation as provided in this section. The commissioner of finance shall set aside \$30,000,000 of bonding authority from the common pool from June 1, 1992, to July 1, 1992. After July 1, the set-aside is available for allocation as provided under subdivision 2.

Subd. 2. [ALLOCATION.] For the period from June 1, 1992, through November 30, 1992, the commissioner of finance may allocate any available bonding authority in the common pool for any purpose authorized under federal tax law. The application and allocation procedures established in Minnesota Statutes, section 474A.091, and the limits on mortgage bonds established in Minnesota Statutes, section 474A.091, subdivision 3, paragraph (c)(2), apply to allocations from the common pool. The reserve and priority requirements established under Minnesota Statutes, section 474A.091, do not apply to allocations from the common pool.

Subd. 3. [CARRYFORWARD.] Notwithstanding Minnesota Statutes, section 474A.091, on December 1, 1992, the commissioner may allocate any bonding authority remaining in the common pool to any issuer authorized by federal law to carry forward bonding authority.

#### Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective the day following final enactment.

ARTICLE 2  
HOUSING PROGRAMS

Section 1. Minnesota Statutes 1990, section 462A.03, subdivision 7, is amended to read:

Subd. 7. "Residential housing" means a specific work or improvement within this state undertaken primarily to provide residential care facilities for mentally ill, mentally retarded, physically handicapped, and drug dependent persons licensed or potentially eligible for licensure under rules promulgated by the commissioner of human services, or to provide dwelling accommodations or manufactured home parks for persons and families of low and moderate income and for other persons and families when determined to be necessary in furtherance of the policy of economic integration stated in section 462A.02, subdivision 6, including land development and the acquisition, construction or rehabilitation of buildings and improvements thereto, for residential housing, and such other nonhousing facilities as may be incidental or appurtenant thereto.

Sec. 2. Minnesota Statutes 1990, section 462A.05, subdivision 14a, is amended to read:

Subd. 14a. It may make loans to persons and families of low and moderate income to rehabilitate or to assist in rehabilitating existing residential housing owned and occupied by those persons or families. No loan shall be made unless the agency determines that the loan will be used primarily for rehabilitation work necessary for health or safety, essential accessibility improvements, or to improve the energy efficiency of the dwelling. No loan for rehabilitation of owner occupied residential housing shall be denied solely because the loan will not be used for placing the residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. The amount of any loan shall not exceed the lesser of (a) \$9,000, or (b) the actual cost of the work performed, or (c) that portion of the cost of rehabilitation which the agency determines cannot otherwise be paid by the person or family without the expenditure of an unreasonable portion of the income of the person or family. Loans made in whole or in part with federal funds may exceed the maximum loan amount to the extent necessary to comply with federal lead abatement requirements prescribed by the funding source. In making loans, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion of the loan will be repaid and shall determine the appropriate security for the repayment of the loan. Loans pursuant to this subdivision may be made with or without interest or periodic payments. No loan under this subdivision shall be denied solely on the basis of the inability of the applicant to make periodic loan payments. Loans made without interest or periodic payments need

not be repaid by the borrower if the property for which the loan is made has not been sold, transferred, or otherwise conveyed nor has it ceased to be the principal place of residence of the borrower, within ten years after the date of the loan.

Sec. 3. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 20a, is amended to read:

Subd. 20a. [SPECIAL NEEDS HOUSING FOR CHEMICALLY DEPENDENT ADULTS.] (a) The agency may make loans or grants to for-profit, limited-dividend, or nonprofit sponsors, as defined by the agency, for residential housing to be used to provide ~~temporary or transitional~~ housing to low- and moderate-income persons and families having an immediate need for temporary or transitional housing as a result of natural disaster, resettlement, condemnation, displacement, lack of habitable housing, or other cause defined by the agency who are chronic chemically dependent adults.

(b) ~~Loans or grants for housing for chronic chemically dependent adults may be made under this subdivision.~~ Housing for chronic chemically dependent adults must satisfy the following conditions:

(1) be certified by the department of health or the city as a board and lodging facility or single residence occupancy housing;

(2) meet all applicable health, building, fire safety, and zoning requirements;

(3) be located in an area significantly distant from the present location of county detoxification service sites;

(4) make available the services of trained personnel to appraise each client before or upon admission and to provide information about medical, job training, and chemical dependency services as necessary;

(5) provide on-site security designed to assure the health and safety of clients, staff, and neighborhood residents; and

(6) operate with the guidance of a neighborhood-based board.

Priority for loans and grants made under this paragraph must be given to proposals that address the needs of the Native American population and veterans of military services for this type of housing.

(c) Loans or grants pursuant to this subdivision must not be used for facilities that provide housing available for occupancy on less than a 24-hour continuous basis. To the extent possible, a sponsor shall combine the loan or grant with other funds obtained from public and private sources. In making loans or grants, the agency

shall determine the circumstances, terms, and conditions under which all or any portion of the loan or grant will be repaid and the appropriate security should repayment be required.

Sec. 4. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 36, is amended to read:

Subd. 36. [LEASE-PURCHASE HOUSING.] The agency may make grants or loans to nonprofit organizations, local government units, Indian tribes, and Indian tribal organizations to finance the acquisition, improvement, rehabilitation, and lease-purchase of existing housing for persons of low and moderate income. A person or family is eligible to participate in a lease-purchase agreement if the person's or family's income does not exceed 60 percent of the greater of (1) state median income, or (2) area or county median income. The lease agreement must provide for a portion of the lease payment to be escrowed as a down payment on the housing. A property containing two or fewer dwelling units is eligible for financing under the lease-purchase housing program. A loan made under this subdivision must be repaid to the agency upon sale of the housing. ~~The agency may only make grants or loans under this subdivision from funds specifically appropriated by the legislature for that purpose.~~

Sec. 5. Minnesota Statutes 1991 Supplement, section 462A.05, subdivision 37, is amended to read:

Subd. 37. [BLIGHTED RESIDENTIAL PROPERTY ACQUISITION AND REHABILITATION; NEIGHBORHOOD LAND TRUST.] The agency may make grants to cities for the purpose of acquisition and demolition of blighted residential property and gap financing for the rehabilitation of blighted residential property or construction of new housing on the property. Gap financing is financing for the difference between the cost of the improvement of the blighted property, including acquisition, demolition, rehabilitation, and construction, and the market value of the property upon sale. Grants under this section must be used for households with income less than or equal to the county or area median income as determined by the United States Department of Housing and Urban Development. Cities may use the grants to establish revolving loan funds and provide loans and grants to eligible mortgagors for the acquisition, demolition, redevelopment, and rehabilitation of blighted residential property located in a neighborhood designated by the city for neighborhood preservation. The city may determine the terms and conditions of the loans and grants. ~~The agency may make grants or loans to nonprofit organizations for the purpose of organizing or funding neighborhood land trust projects. The projects must assure the long-term affordability of neighborhood housing by maintaining ownership of the land through a neighborhood land trust.~~

Sec. 6. Minnesota Statutes 1990, section 462A.05, is amended by adding a subdivision to read:

Subd. 38. [NEIGHBORHOOD LAND TRUSTS.] The agency may make loans with or without interest for the purpose of funding neighborhood land trusts under sections 462A.30 and 462A.31 from money other than state general obligation bond proceeds. To assure the long-term affordability of housing provided by the neighborhood land trust, the neighborhood land trust must own the land acquired in whole or in part with a loan from the agency under this section under terms and conditions determined by the agency. The agency may convert the loan to a grant under circumstances approved by the agency.

Sec. 7. Minnesota Statutes 1990, section 462A.06, subdivision 11, is amended to read:

Subd. 11. - (1) the new housing is located in a redevelopment area;
- (2) the new housing is replacing a structurally substandard structure or structures; ~~or~~
- (3) the new housing is part of a housing affordability initiative, other than those financed with the proceeds from the sale of bonds, in which federal, state, or local assistance is used to substantially improve the terms of the financing or to substantially write down the purchase price of the new housing; or
- (4) the new housing is accessible housing and the borrower or a member of the borrower's family is a person with a disability. For the purposes of this clause, "accessible housing" means a dwelling unit with the modifications necessary to enable a person with a disability

to function in a residential setting. "A person with a disability" means a person who has a permanent physical condition which is not correctable and which substantially reduces the person's ability to function in a residential setting. A person with a physical condition which does not require the use of a device to increase mobility must be deemed a person with a disability upon written certification of a licensed physician that the physical condition substantially limits the person's ability to function in a residential setting.

Upon expiration of the first ten-month period, the agency may make loans financed with the proceeds of mortgage bonds for the purchase of new and existing housing.

Sec. 9. Minnesota Statutes 1990, section 462A.202, subdivision 1, is amended to read:

Subdivision 1. [ACCOUNT.] The local government unit housing account is established as a separate account in the housing development fund. Money in the account is appropriated to the agency for loans to cities for the purposes specified in this section. The agency must take steps to ensure distribution of the funds around the state.

Sec. 10. Minnesota Statutes 1990, section 462A.202, subdivision 2, is amended to read:

Subd. 2. [TRANSITIONAL HOUSING.] The agency may make loans or grants with or without interest to local government units cities to finance the acquisition, improvement, and rehabilitation of existing housing properties or the acquisition, site improvement, and development of new properties for the purposes of providing transitional housing, upon terms and conditions the agency determines. Preference must be given to local government units cities that propose to acquire properties being sold by the resolution trust corporation or the department of housing and urban development. The local government unit may contract with a nonprofit or for-profit organization to manage the property and to operate a transitional housing program on the property on behalf of the local government unit, on terms and conditions approved by the agency. The local government unit shall retain ownership of the property for at least 20 years. After 20 years, the sale of a property before the expiration of its useful life must be at its fair market value, and the net proceeds of sale must be used for the same purpose or repaid to the agency for deposit in the local government unit housing account. Loans under this subdivision are subject to the restrictions in section 12.

Sec. 11. Minnesota Statutes 1990, section 462A.202, is amended by adding a subdivision to read:

Subd. 6. [NEIGHBORHOOD LAND TRUSTS.] The agency may

Sec. 12. Minnesota Statutes 1990, section 462A.202, is amended by adding a subdivision to read:

Subd. 7. [RESTRICTIONS.] (a) Except as provided in paragraphs (b), (c), and (d), the city must own the property financed with a loan under this section and use the property for the purposes specified in this section:

(1) the city may sell the property at its fair market value provided it repays the lesser of the net proceeds of the sale or the amount of the loan balance to the agency for deposit in the local government unit housing account; or

(2) the city may use the property for a different purpose provided that the city repays the amount of the original loan.

If the city owns and uses the property for the purposes specified in this section for a 20-year period, the agency shall forgive the loan.

(b) In cases where the property consists of land only, including land on which buildings acquired with a loan under this section are demolished by the city, the city may lease the property for a term not to exceed 99 years to a nonprofit corporation to use for the purposes specified in this section.

(c) In cases where the property consists of land and buildings, the city may do the following:

(1) demolish the buildings in whole or in part and use or lease the property under paragraph (b);

(2) sell the buildings to a nonprofit corporation to use for the purposes specified in this section. If sold, the city must sell the buildings for fair market value and repay the proceeds of the sale to the agency for deposit in the local government unit housing account;

(3) lease the buildings to a nonprofit corporation to use for the purposes specified in this section. If leased, except as provided in paragraph (d), the annual rental must equal the amount of the loan attributable to the cost of the buildings, divided by the number of years of useful life of the buildings as determined in accordance with generally accepted accounting principles. For purposes of determining the required rental, the purchase price of land and buildings must be allocated between them based on standard valuation procedures; or

(4) contract with a nonprofit organization to manage the property.

Sec. 13. Minnesota Statutes 1991 Supplement, section 462A.30, subdivision 6, is amended to read:

Subd. 6. [LIMITED EQUITY FORMULA.] "Limited equity formula" means a method, ~~to be determined by rule adopted approved~~ by the agency, for calculation of the limited equity price, designed to maintain the affordability of the housing and the public subsidy.

Sec. 14. Minnesota Statutes 1991 Supplement, section 462A.30, subdivision 8, is amended to read:

Subd. 8. [NEIGHBORHOOD LAND TRUST.] "Neighborhood land trust" means a city or a nonprofit corporation organized under chapter 317A that complies with section 462A.31 and that qualifies for tax exempt status under United States Code, title 26, section 501(c)(3), and that meets all other criteria for neighborhood land trust trusts set by the agency.

### ARTICLE 3

#### PUBLIC FINANCE

Section 1. Minnesota Statutes 1990, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.]

(1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner

pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than \$100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, consistent with subdivision 2b. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietor-

ship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines consistent with subdivision 2b to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 4. Minnesota Statutes 1990, section 429.091, subdivision 2, is amended to read:

Subd. 2. (ii) the project is either located on land that is not owned or is being acquired by the authority at the time the contract is entered into, or is owned by the authority only for development purposes, and or is not owned by the authority at the time the contract is entered into but the contract provides for conveyance or lease to the authority of the project or improvements upon completion of construction; and

(iii) the authority finds and determines that elimination of the public bidding requirements is necessary in order for the housing development project to be economical and feasible.

(b) An authority need not require a performance bond in the case of a contract described in paragraph (a), clause (1).

Sec. 6. Minnesota Statutes 1991 Supplement, section 469.155, subdivision 12, is amended to read:

Subd. 12. [REFUNDING.] It may issue revenue bonds to refund, in whole or in part, bonds previously issued by the municipality or redevelopment agency under authority of sections 469.152 to 469.165, and interest on them. The municipality or redevelopment agency may issue and sell warrants which give to their holders the right to purchase refunding bonds issuable under this subdivision prior to a stipulated date. The warrants are not required to be sold at public sale and all or any agreed portion of the proceeds of the warrants may be paid to the contracting party under the revenue agreement required by subdivision 5 or to its designee under the conditions the municipality or redevelopment agency shall agree upon. The warrants may provide a stipulated exercise price or a price that depends on the tax exempt status of interest on the refunding bonds at the time of issuance. The average interest rate on refunding bonds issued upon the exercise of the warrants to refund fixed rate bonds shall not exceed the average interest rate on fixed rate bonds to be refunded. The municipality or redevelopment agency may appoint a bank or trust company to serve

as agent for the warrant holders and enter into agreements deemed necessary or incidental to the issuance of the warrants.

Sparby; Bauerly; Nelson, S.; Waltman; Bertram; Schafer; Dauner; Steensma; Johnson, V.; Tunheim; Kahn; Wenzel; Krueger; Peterson; Johnson, R.; Omann; Olson, E.; Jennings and Cooper moved to amend H. F. No. 2734, the second engrossment, as amended, as follows:

Page 7, after line 35, insert:

"Sec. 3. Minnesota Statutes 1990, section 41.56, subdivision 3, is amended to read:

Subd. 3. [DEFAULT FILING CLAIM.] Within 90 days of a default on a guaranteed family farm security loan, the lender shall send notice to the participant stating that the commissioner must be notified if the default continues for 180 days, and the consequences

of that default. The lender and the participant may agree to take any steps reasonable to assure the fulfillment of the loan obligation.

If a participant cannot meet scheduled loan payments because of unique or temporary circumstances and the participant proves sufficiently to the commissioner that the necessary cash flow can be generated in the future, the commissioner may use money in the special account in section 41.61, subdivision 1, to meet the participant's loan obligation for up to two consecutive years. This money must be paid back within eight years with interest at an annual percentage rate four percent below the prevailing Federal Land Bank rate. If the loan is not repaid within eight years, the commissioner and participant may agree to new terms of repayment that are mutually satisfactory. The commissioner may add any unpaid principal and interest payments on special assistance loans to the payment adjustment obligation balance provided for in section 41.57, subdivision 2.

A contract for deed participant may enter into an agreement with the commissioner whereby the outstanding principal balance of the loan is reduced by a minimum of ten percent, the loan is reamortized for the years remaining, and the commissioner agrees that the state shall pay the lender 100 percent of the sum due and payable if a default occurs during the remaining term of the reamortized loan.

After 180 days from the initial default, if the participant has not made arrangements to meet the obligation, the lender shall file a claim with the commissioner, identifying the loan and the nature of the default, and assigning to the state all of the lender's security and interest in the loan in exchange for payment according to the terms of the family farm security loan guarantee. In the case of a seller-sponsored loan, the seller may elect to pay the commissioner all sums owed the commissioner by the participant and retain title to the property in lieu of payment by the commissioner under the terms of the loan guarantee. If the commissioner determines that the terms of the family farm security loan guarantee have been met, the commissioner shall authorize payment of state funds to the lender, and shall notify the defaulting party. The state of Minnesota shall then succeed to the interest of the mortgagee or the vendor of the contract for deed. Taxes shall be levied and paid on the land as though the owner were a natural person and not a political subdivision of the state. The commissioner may, on behalf of the state, commence foreclosure or termination proceedings in the manner provided by law.

Sec. 4. Minnesota Statutes 1990, section 41.57, is amended by adding a subdivision to read:

Subd. 2a. [SETTLEMENTS BEFORE DUE DATE.] The commissioner may settle payment adjustment accounts of participants before the contractual due date. These settlements may include

receiving discounted payments for outstanding obligations discounted under subdivision 2b if the participant and cooperating lender agree to voluntarily withdraw from the program.

Sec. 5. Minnesota Statutes 1990, section 41.57, is amended by adding a subdivision to read:

Subd. 2b. [DISCOUNTING USING PRESENT VALUE.] The commissioner may settle payment adjustment accounts by discounting the obligation using a present value calculation. The interest rate used in this calculation must be three percent above the current Farm Credit Bank of St. Paul wholesale loan rate to the agricultural credit associations as certified each month by the commissioner."

A redistricting plan shall be effective on the 31st day after filing unless a later effective date is specified but no plan shall be effective for the next election of county commissioners unless the plan is filed with the county auditor not less than 30 days before the first date candidates may file for the office of county commissioner. One commissioner shall be elected in each district who, at the time of the election, is a resident of the district. A person elected may hold the office only while remaining a resident of the commissioner district or, after June 15 during a year ending in “2”, while remaining a resident of the county. The county board or the redistricting commission shall determine the number of members of the county board who shall be elected for two-year terms and for four-year terms to provide staggered terms on the county board. Thereafter, all commissioners shall be elected for four years. When a county is redistricted, there shall be a new election of commissioners in all the districts at the next general election except that if the change made in the boundaries of a district is less than five percent of the average of all districts of the county, the commissioner in office

at the time of the redistricting shall serve for the full period for which elected.”

**SPECIAL ORDERS**

S. F. No. 2432 was reported to the House.

Sparby moved to amend S. F. No. 2432, as follows:

Delete everything after the enacting clause and insert:

“Section 1. [17.4981] [GENERAL CONDITIONS FOR REGULATION OF AQUATIC FARMS.]

Aquatic farms are licensed to culture private aquatic life. Cultured aquatic life is not wildlife. Aquatic farms must be licensed and given classifications to prevent or minimize impacts on natural resources. The purpose of sections 1 to 15 is to:

- (1) prevent public aquatic life from entering an aquatic farm;
- (2) prevent release of nonindigenous or exotic species into public waters without approval of the commissioner;
- (3) protect against release of disease pathogens to public waters;
- (4) protect existing natural aquatic habitats and the wildlife dependent on them; and
- (5) protect private aquatic life from unauthorized taking or harvest.

Private aquatic life that is legally acquired and possessed is an article of interstate commerce and may be restricted only as necessary to protect state fish and water resources.

Sec. 2. [17.4982] [DEFINITIONS.]

Subdivision 1. [SCOPE.] The definitions in this section apply to sections 1 to 15.

Subd. 2. [APPROVED LABORATORY METHODS.] “Approved laboratory methods” means methods described in the latest edition of the “Procedures for the Detection and Identification of Certain Fish Pathogens” published by the American Fisheries Society Fish Health Section known as the Fish Health Blue Book.

Subd. 3. [AQUARIUM FACILITIES.] “Aquarium facilities” means facilities that rear or hold private aquatic life for sale for aquarium or display purposes.

Subd. 4. [AQUATIC FARM.] “Aquatic farm” means a licensed facility used for hatching, raising, rearing, and culturing private aquatic life in waters and preparing aquatic life for sale, including, but not limited to, ponds, vats, tanks, raceways, and other indoor or outdoor facilities that an aquatic farmer owns or waters of which an aquatic farmer has the use.

Subd. 5. [AQUATIC LIFE.] “Aquatic life” has the meaning given to “private aquatic life” in section 17.47, subdivision 7, and for purposes of commercial transactions, aquatic life is livestock.

Subd. 6. [CERTIFIABLE DISEASES.] “Certifiable diseases” include channel catfish virus, bacterial kidney disease, bacterial furunculosis, enteric redmouth disease, enteric septicemia of catfish, infectious hematopoietic necrosis virus, infectious pancreatic necrosis virus, whirling disease, proliferative kidney disease, viral hemorrhagic septicemia virus, epizootic epitheliotropic virus, ceratomyxosis, and any emergency disease.

Subd. 7. [COMMISSIONER.] “Commissioner” means the commissioner of natural resources.

Subd. 8. [CONTAINMENT FACILITY.] “Containment facility” means a licensed facility for salmonids or catfish that complies with clauses (1), (3), and (4), or clauses (2), (3), and (4):

(1) disinfects its effluent to the standards in section 9 before the effluent is discharged to public waters, if the facility contains catfish and discharges into or upstream of waters containing catfish or if the facility contains salmonids and discharges into or upstream of waters containing salmonids;

(2) does not discharge to public waters or to waters of the state directly connected to public waters;

(3) raises aquatic life for food consumption only;

(4) contains aquatic life requiring a fish health inspection prior to transportation.

Subd. 9. [EMERGENCY FISH DISEASE.] “Emergency fish disease” means designated fish diseases not already present in this state that could impact populations of aquatic life if inadvertently released by infected aquatic life, including channel catfish virus, viral hemorrhagic septicemia virus, infectious hematopoietic necrosis virus, infectious pancreatic necrosis virus, whirling disease, ceratomyxosis, proliferative kidney disease, and epizootic epitheliotropic virus disease or any other disease listed in a rule or published by the commissioner in the State Register on an emergency basis to be effective for not more than 240 days.

Subd. 10. [ENZOOTIC.] “Enzootic” means a disease that is known to occur within well-defined geographic boundaries.

Subd. 11. [FISH HEALTH BLUE BOOK.] “Fish Health Blue Book” means the standardized set of procedures and guidelines established and published by the American Fisheries Society Fish Health Section for the detection and isolation of fish pathogens.

Subd. 12. [FISH HEALTH INSPECTION.] “Fish health inspection” means an on-site, statistically based sampling in accordance with processes in the Fish Health Blue Book for all lots of fish in a facility. The inspection must include at least viral testing of ovarian fluids at the 95 percent confidence level of detecting two percent incidence of disease (ovarian fluids must be sampled for certification of viral hemorrhagic septicemia and infectious hematopoietic necrosis). Bacterial diseases must be sampled at the 95 percent confidence level with a five percent incidence of disease. The inspection must be performed by a fish health inspector in cooperation with the producer with subsequent examination of the collected tissues and fluids for the detection of certifiable diseases.

Subd. 13. [FISH HEALTH INSPECTOR.] “Fish health inspector” means an individual certified as a fish health inspector by the American Fisheries Society or state, federal, or provincial resource management agency, except that a certification may not be made by an inspector who has a conflict of interest in connection with the outcome of the certification.

Subd. 14. [GAME FISH.] “Game fish” has the meaning given in section 97A.015, subdivision 25, except that green or orange spotted sunfish are not game fish for purposes of determining fish of significant public value.

Subd. 15. [INTENSIVE CULTURE.] “Intensive culture” means the rearing of fish at densities greater than can be supported in the natural environment.

Subd. 16. [LICENSED FACILITY.] “Licensed facility” means a licensed aquatic farm, including all licensed waters.

Subd. 17. [LOT.] “Lot” means a group of fish of the same species and age that originated from the same discrete spawning population and that always have shared a common water supply. Various age groups of adult brood stock of the same species may comprise the same lot if they have shared the same containers for one brood cycle.

Subd. 18. [MINNOWS.] “Minnows” has the meaning given in section 97A.015, subdivision 29, except the 12-inch restriction on sucker minnows does not apply.

Subd. 19. [PUBLIC WATERS.] “Public waters” has the meaning given in section 103G.005, subdivision 15.

Subd. 20. [QUARANTINE FACILITY.] “Quarantine facility” means a culture system that is enclosed in a building and is separated from other fish culture facilities where fish can be isolated and maintained while preventing their introduction and pathogen introduction into the environment.

Subd. 21. [STANDARD FACILITY.] “Standard facility” means a licensed facility with a continual or intermittent discharge of effluent to public waters.

Subd. 22. [WATERS OF THE STATE.] “Waters of the state” has the meaning given in section 103G.005, subdivision 17.

### **Sec. 3. [17.4983] [AQUATIC FARM OPERATIONS.]**

Subdivision 1. [ACQUISITION AND SALE OF PRIVATE AQUATIC LIFE.] Aquatic life legally possessed may be bought, acquired, and sold by licensed facilities as provided in sections 1 to 15.

Subd. 2. [ACQUISITION FROM STATE.] (a) The commissioner may sell aquatic life to licensed facilities at fair market value. Fair market value must be determined by the average market price charged in this state and contiguous states and provinces for similar quantities.

(b) The commissioner shall establish procedures to make aquatic life available to licensed facilities if state aquatic life would otherwise die or go to waste, such as in cases of winterkill lakes, waters where piscicides will be applied, and waters subject to extreme draw-down. The public must be given angling opportunities if public access is available.

(c) The commissioner shall attempt to provide opportunities to

make brood stock available to licensed facilities to reduce reliance on out-of-state sources without causing adverse impacts to game fish populations.

(d) If the commissioner denies approval to obtain aquatic life outside the state, a written notice must be submitted to the applicant stating the reasons for denial, and the commissioner shall:

(1) designate approved sources if available to obtain the desired aquatic life; or

(2) sell the aquatic life from state hatcheries at fair market value if there is a surplus from state operations.

Subd. 3. [METHODS TO HARVEST AQUATIC LIFE.] Licensed facilities may use all reasonable methods to operate and harvest aquatic life from licensed facilities, including available nets.

Subd. 4. [DISCHARGE MAY REQUIRE PERMIT.] The discharge from an aquatic farm must comply with discharge permits required by the Minnesota pollution control agency.

Subd. 5. [OWNERSHIP OF AQUATIC LIFE.] (a) Notwithstanding other provisions of law, aquatic life lawfully acquired and possessed by a licensed facility is private aquatic life and property of the owner of the licensed facility.

(b) The state may not seize or otherwise confiscate private aquatic life without due process of law, except that private aquatic life in public waters may become property of the state if the waters are not part of a licensed facility. The commissioner shall notify the licensee that the aquatic life in a facility that is no longer licensed will become property of the state if the aquatic life is not removed. If the licensee does not respond in writing within 30 days after receiving the notice and make alternative arrangements, or does not remove the aquatic life by 60 ice-free days after receiving the notice, the private aquatic life becomes property of the state.

(c) Private aquatic life that is transferred to the state or released into public waters that are not part of a licensed facility is owned by the state and may be considered wildlife.

Subd. 6. [CONTROL OF LICENSED WATERS.] (a) If the public cannot legally access waters of the state that are part of a licensed aquatic farm except by permission of the licensee, the use of the waters by the public is subject to restriction by the licensee.

(b) Waters of the state may not be licensed for aquaculture use to more than one licensee.

Subd. 7. [ANGLING IN LICENSED WATERS.] A person may not take fish by angling from waters subject to subdivision 6 unless the person has written permission from the licensee and:

(1) has an invoice when in possession of fish; or

(2) takes fish under an angling license, subject to the limits and conditions in the game and fish laws.

Sec. 4. [17.4984] [AQUATIC FARM LICENSE.]

Subdivision 1. [LICENSE REQUIRED.] (a) A person or entity may not operate an aquatic farm without first obtaining an aquatic farm license from the commissioner.

(b) Applications for an aquatic farm license must be made on forms provided by the commissioner.

(c) Licenses are valid for five years and are transferable upon notification to the commissioner.

(d) The commissioner shall issue an aquatic farm license on payment of the required license fee under section 8.

(e) A license issued by the commissioner is not a determination of private property rights, but is only based on a determination that the licensee does not have a significant detrimental impact on the public resource.

Subd. 2. [LISTED WATERS.] (a) An aquatic farm license must list:

(1) the specific waters of the state that may be used in connection with the licensed aquatic farm and the species approved for each licensed water;

(2) whether aeration requiring a permit is approved; and

(3) whether piscicide use is approved.

Additional waters may not be used until they are approved by the commissioner.

(b) The right to use waters licensed for private fish hatchery or aquatic farm purposes may be transferred between licensees with prior approval by the commissioner if requirements for species to be raised are met. Waters that are continually connected by a permanent watercourse to other waters must not be approved for aquatic farm use, except that connected waters that are isolated from other waters may be licensed as a single water body. Waters that are intermittently connected or may become connected with other

waters may be denied, or screening or other measures may be required to prevent passage of aquatic life. Listed waters may be changed on approval by the area fisheries supervisor or the commissioner.

(c) The commissioner shall conduct an inspection of waters to be licensed prior to approving or denying initial licensing of the waters.

(d) Waters containing game fish of significant public value may be denied licensing unless the applicant can demonstrate exclusive riparian control.

(e) Waters containing game fish of significant public value may be denied licensing unless the game fish of significant public value are sold to the licensee, removed for other state use by the department of natural resources, or disposed of as provided in writing by the commissioner.

(f) Waters licensed under an aquatic farm license may be aerated during open water periods without a separate aeration permit.

Subd. 3. [LISTED SPECIES.] (a) An aquatic farm license must list the species of aquatic life appropriate for the classification of the waters. Listed species of aquatic life may be changed on written request to and approval by the area fisheries supervisor. Species of aquatic life regulated under chapter 97A, 97B, or 97C may not be cultured unless listed on the license.

(b) All waters licensed before July 1, 1992, under a private fish farm or fish hatchery license must be approved for species listed under current licenses if other conditions for licensing are met.

(c) If licensed waters are located within a 25-year floodplain and are not enclosed within a building, species of aquatic life may be licensed at the discretion of the commissioner.

(d) Licensed waters located outside of a 25-year floodplain or enclosed within a building may be licensed for any species, except that the commissioner may deny licensing for species not present in the state.

Subd. 4. [SINGLE LICENSE FOR AQUATIC FARMING OPERATION.] The commissioner shall issue a single license for aquatic farming, with the following information and endorsements:

- (1) waters covered by the license;
- (2) classification of each of the licensed waters;

(3) aeration endorsement for each licensed water where the licensee has exclusive control of riparian access or where the conditions for an aeration permit have been met; and

(4) endorsements requested by the licensee.

Subd. 5. [STATE LIST OF WATERS.] If the state uses waters of the state for aquatic farming, the state shall acquire legal access to the waters and make documentation of the access available to the public.

Subd. 6. [INSPECTIONS AND ENFORCEMENT.] (a) The premises, property, vehicles, private aquatic life, and equipment where private aquatic farm operations are being conducted are subject to an annual operations inspection and other reasonable and necessary inspections at reasonable times by conservation officers. The reason for the inspection must be provided in writing upon request. The owner, operator, or designee may be present when inspections are conducted.

(b) Conservation officers may enforce sections 1 to 15 under section 97A.205.

Subd. 7. [NONPUBLIC RECORDS.] (a) Licensees must keep complete, up-to-date, nonpublic records of the operation of the aquatic farm. The records must be kept for at least three years.

(b) The records must be in English and include the following information:

(1) for each species acquired, the number and pounds of fish or eggs acquired, names and addresses of the sources from which acquired, and the dates of receipt;

(2) for each species sold or disposed of, the number and pounds of fish sold or disposed of, the names and addresses of the purchasers or persons to whom the conveyances are made, and the dates of sale; and

(3) for fish sperm or viable eggs, the amount acquired or sold, the names and addresses of the sources from which acquired, the purchasers to whom conveyed, and the dates of purchase or sale;

(c) On or before March 1 of each year, the licensee shall submit a complete annual report on a form furnished by the commissioner, covering the quantity of all species sold or purchased in the preceding licensed year.

(d) An aquatic farmer shall maintain records for reasonable

inspection by the commissioner. Information on aquatic life production, harvest, and sales is nonpublic information.

Sec. 5. [17.4985] [TRANSPORTATION OF AQUATIC LIFE.]

Subdivision 1. [REQUIREMENTS FOR IMPORTATION, TRANSPORTATION WITHIN THE STATE, OR STOCKING OF FISH.] Except as provided in subdivision 3, a licensee may not import aquatic life into the state, transport aquatic life within the state, or stock waters of the state with aquatic life without first obtaining a bill of lading or transportation permit from the commissioner, with disease certification, if applicable.

Subd. 2. [BILL OF LADING.] (a) A person may transport aquatic life except salmonids or catfish with a completed bill of lading for:

(1) intrastate transportation of aquatic life between licensed private fish hatcheries, aquatic farms, or aquarium facilities licensed for the same species and of the proper classification for the aquatic life; and

(2) stocking of waters other than public waters.

(b) When aquatic life is transported between licensed private fish hatcheries, aquatic farms, or aquarium facilities, a copy of the bill of lading must be submitted to the regional fisheries manager:

(1) at least 72 hours before the transportation if species transported into a watershed are not found in it, or have their original source outside Minnesota and contiguous states; or

(2) within 30 days in cases not covered by clause (1).

(c) A bill of lading is also required at least 72 hours before any transportation between licensed waters of the same licensee if species transported into a watershed are not found in it, or have their original source outside Minnesota and contiguous states.

(d) For transportation and stocking of waters that are not public waters:

(1) a bill of lading must be submitted to the regional fisheries manager 72 hours before transporting fish for stocking;

(2) a bill of lading must be submitted to the regional fisheries manager within five days after stocking if the waters to be stocked are confirmed by telecopy or telephone prior to stocking by the regional fisheries office not to be public waters; or

(3) a completed bill of lading may be submitted to the regional fisheries office by telecopy prior to transporting fish for stocking. Confirmation that the waters to be stocked are not public waters may be made by returning the bill of lading by telecopy or in writing, in which cases additional copies need not be submitted to the department of natural resources.

(e) Bill of lading forms may only be issued by the department of natural resources in St. Paul, and new bill of lading forms may not be issued until all previously issued forms have been returned.

Subd. 3. [EXEMPTIONS FOR TRANSPORTATION PERMITS AND BILLS OF LADING.] (a) A bill of lading or transportation permit is not required by an aquatic farm licensee for importation, transportation, or export for the following:

(1) minnows taken under an aquatic farm license in this state and transported intrastate;

(2) aquarium or ornamental fish including tropical, subtropical, and saltwater species that cannot survive in the waters of the state, which may be imported or transported if accompanied by shipping documents;

(3) fish or fish eggs that have been processed for use as food, bait, or other purposes unrelated to fish propagation;

(4) live fish, except salmonids and catfish, from a licensed aquatic farm, which may be transported directly to an outlet for processing or for other food purposes if accompanied by shipping documents;

(5) fish being exported if accompanied by shipping documents;

(6) sucker eggs, sucker fry, or fathead minnows transported intrastate for bait propagation or feeding of cultural aquatic life;

(7) species of fish that are found within the state used in connection with public shows, exhibits, demonstrations, or fishing pools for periods not exceeding 14 days; or

(8) transfer of aquatic life between licensed waters of the same licensee, except where required in subdivision 2.

(b) Shipping documents required under paragraph (a) must show the place of origin, owner or consignee, destination, number, and species.

Subd. 4. [TRANSPORTATION PERMIT REQUIREMENTS.] A transportation permit is required for all importation, transportation, or stocking of private aquatic life not covered by subdivision 2

or exempted in subdivision 3. A transportation permit may be used for multiple shipments within the 30-day term for the permit if the source and the destination remains the same. Transportation permits, which may authorize importation or stocking of public waters, may be issued through department of natural resources regional offices or the St. Paul office, and must be obtained prior to shipment.

Subd. 5. [PERMIT APPLICATION.] An application for a transportation permit must be made on forms provided by the commissioner. An incomplete application must be rejected. An application for a transportation permit for salmonids and catfish, their eggs, or sperm must be accompanied by certification that the source of the eggs or sperm are free of certifiable diseases, except that eggs with enteric redmouth, whirling disease, or furunculosis may be imported, transported, or stocked following treatment approved by the commissioner, and fish with bacterial kidney disease may be imported, transported, or stocked into areas where the disease has been previously introduced. A copy of the transportation permit showing the date of certification inspection must accompany the shipment of fish while in transit and must be available for inspection by the commissioner. By 14 days after a completed application is received, the commissioner must approve or deny the importation permits as provided in this section.

Subd. 6. [VEHICLE IDENTIFICATION.] (a) A vehicle used by a licensee for transporting aquatic life must be identified with the licensee's name and town of residence as it appears on the license and the license number.

(b) A vehicle used by a licensee must have identification displayed so that it is readily visible from either side of the vehicle in letters and numbers not less than 2-1/2 inches high and with a three-eighths inch wide stroke. Identification may be permanently affixed to vehicles or displayed on removable plates or placards placed on opposite doors of the vehicle or on the tanks carried on the vehicle.

(c) An application to license a vehicle for minnow transport or export or for use as a fish vendor that is received by the commissioner is a temporary license until it is approved or denied.

## Sec. 6. [17.4986] [IMPORTATION OF AQUATIC LIFE.]

Subdivision 1. [IMPORTATION AND STOCKING RESTRICTIONS.] A person may not import fish into or stock fish in the state without first obtaining a transportation permit with a disease certification when required or a bill of lading from the commissioner, unless the person is exempted.

Subd. 2. [LICENSED FACILITIES.] (a) The commissioner shall issue transportation permits to import.

(1) indigenous and naturalized species except trout, salmon, and catfish from any source to a standard facility;

(2) trout, salmon, and catfish from a nonemergency disease area to a containment facility if the fish are certified within the previous year to be free of certifiable diseases, except that eggs with enteric redmouth, whirling disease, or furunculosis may be imported following treatment approved by the commissioner, and fish with bacterial kidney disease may be imported into areas where the disease has been previously introduced; and

(3) trout, salmon, and catfish from a facility in a nonemergency disease area with a disease-free history of three years or more to a standard facility, except that eggs with enteric redmouth, whirling disease, or furunculosis may be imported following treatment approved by the commissioner, and fish with bacterial kidney disease may be imported into areas where the disease has been previously introduced.

(b) If a source facility in an emergency disease area cannot demonstrate a history free from disease, aquatic life may only be imported into a quarantine facility.

Subd. 3. [ENZOOTIC DISEASE AREA.] (a) Except as otherwise provided and except that eggs with enteric redmouth, whirling disease, or furunculosis may be imported following treatment approved by the commissioner, and fish with bacterial kidney disease may be imported into areas where the disease has been previously introduced, fish may be imported from emergency disease enzootic areas only as fertilized eggs under the following conditions:

(1) to be imported into a standard facility, fertilized eggs must have a disease-free history for at least five years;

(2) to be imported into a containment facility, fertilized eggs must have a disease-free history for at least three years; or

(3) to be imported into a quarantine facility, fertilized eggs may have a disease-free history of less than three years.

(b) A hatchery inspection must occur at least once a year and fish must have been tested for all certifiable diseases. Fish health inspections under this subdivision must comply with section 2, subdivision 12.

Sec. 7. [17.4987] [STOCKING PRIVATE AQUATIC LIFE.]

(a) A person may not release private aquatic life into public waters that are not licensed as part of an aquatic farm without first obtaining a transportation permit from the commissioner. The

commissioner may deny issuance of a permit if releasing the private aquatic life is not consistent with the management plan for the public waters. The commissioner shall make management plans available to the public.

(b) If a permit is denied, the commissioner must provide reasons for the denial in writing.

Sec. 8. [17.4988] [LICENSE AND INSPECTION FEES.]

Subdivision 1. [REQUIREMENTS FOR ISSUANCE.] A permit or license must be issued by the commissioner if the requirements of law are met and the license and permit fees specified in this section are paid.

Subd. 2. [AQUATIC FARMING LICENSE.] (a) The annual fee for an aquatic farming license is \$275.

(b) The aquatic farming license must contain endorsements for the rights and privileges of the following licenses under the game and fish laws. The endorsement must be made upon payment of the license fee prescribed in section 97A.475 for the following licenses:

(1) minnow dealer license;

(2) minnow retailer license for sale of minnows as bait;

(3) minnow exporting license;

(4) minnow dealer helper license;

(5) aquatic farm vehicle endorsement, which includes a minnow dealer vehicle license, a minnow retailer vehicle license, an exporting minnow hauler vehicle license, and a fish vendor vehicle license;

(6) sucker egg taking license; and

(7) game fish packers license.

Subd. 3. [INSPECTION FEES.] The fees for the following inspections are:

(1) initial inspection of each water to be licensed, \$50;

(2) fish health inspection and certification, \$20 plus \$80 per lot thereafter; and

(3) initial inspection for containment and quarantine facility inspections, \$50.

Subd. 4. [AQUARIUM FACILITY.] (a) A person may not operate an aquarium facility without an aquarium facility license issued by the commissioner. The fee for an aquarium facility license is \$15.

(b) Game fish transferred by an aquarium facility must be accompanied by a receipt containing the information required on a shipping document by section 5, subdivision 3, paragraph (b).

Sec. 9. [17.4991] [DISEASE TRANSMISSION.]

Medical records of a patient cared for by a nurse who is under review by the board of nursing are classified under sections

Subdivision 1. [FACILITY DESIGNATION.] (a) The licensee may apply to the commissioner for designation of all or a portion of a facility as a standard, containment, or quarantine facility on forms prescribed by the commissioner as part of the license application or separately.

(b) By 15 business days after an application is submitted, the commissioner must notify the applicant if there are any deficiencies in the application. By 30 business days after a complete application is submitted, the commissioner shall approve or deny the designation requested. A denial must include an assessment of the actual risk to wildlife populations at the particular site. A containment designation must be approved if the facility meets the disinfection requirements of subdivision 2 and complies with section 2, subdivision 8.

Subd. 2. [DISINFECTION.] (a) Containment facilities must disinfect effluent prior to discharge to public waters. The effluent required to be disinfected includes water used by a containment facility in the production of the aquatic life of concern, waste or mortalities from the aquatic life of concern, and live forage or commercial feed discarded from the containment facility. Runoff from precipitation and excess water from natural springs, wells, or other sources that is not used in the production of aquatic life is not effluent to be disinfected.

(b) The disinfection must minimize the potential release of disease pathogens to wildlife susceptible to the pathogens based on a reasonable risk assessment. Disinfection treatment processes may include chlorination or other processes. If chlorine disinfection is utilized, a measurable residual level of 1.0 parts per million of active chlorine in the effluent must be maintained for one hour of retention time. The effluent must be sufficiently dechlorinated to prevent toxic adverse impacts to wildlife after discharge to public waters.

(c) A disinfection treatment process must ensure uninterrupted effluent treatment in the event of electrical power failure, a primary system failure, or other similar events that would cause treatment interruptions.

(d) The effluent disinfection process must be sited, designed, and operated in a manner that allows inspection by the commissioner at all times to determine whether adequate effluent disinfection is maintained.

(e) The commissioner may prescribe reasonable documentation of daily monitoring of treatment system performance to be included in the licensee's annual report. The records must be available for daily inspection by the commissioner during normal business hours and maintained for three years.

Subd. 3. [FISH HEALTH INSPECTION.] (a) An aquatic farm propagating trout, salmon, or catfish and having an effluent discharge from the aquatic farm into public waters must have an annual fish health inspection conducted by a certified fish health inspector. Testing must be conducted according to approved laboratory methods.

(b) A health inspection fee must be charged based on each lot of fish sampled. The fee by check or money order, payable to the department of natural resources must be prepaid or paid at the time a bill or notice is received from the commissioner that the inspection and processing of samples is completed.

(c) Upon receipt of payment and completion of inspection, the commissioner shall notify the operator and issue a fish health certificate. The certification must be made according to the Fish Health Blue Book by a person certified as a fish health inspector.

(d) All aquatic life in transit or held at transfer stations within the state may be inspected by the commissioner. This inspection may include the collection of stock for purposes of pathological analysis. Sample size necessary for analysis will follow guidelines listed in the Fish Health Blue Book.

Subd. 4. [EMERGENCY DISEASE DETERMINATION.] If emergency diseases exist, the commissioner may order the fish in the facility to be impounded, confiscated, sold, or destroyed and the facility disinfected. The commissioner shall make every effort to allow disposed fish to be sold for market if there is no imminent danger of a significant adverse impact on natural fish populations or human health or of escape of the pathogen to public waters.

Sec. 10. [17.4992] [GAME FISH.]

Subdivision 1. [ACQUISITION AND PURCHASE.] Game fish sperm, viable game fish eggs, or live game fish may not be taken from public waters for aquaculture purposes, but may be purchased from the state or acquired from aquatic farms.

Subd. 2. [RESTRICTION ON THE SALE OF GAME FISH.] Species of the family salmonidae or ictaluridae, except bullheads, must be free of certifiable diseases if sold for stocking or transfer to another aquatic farm, except that eggs with enteric redmouth, whirling disease, or furunculosis may be transferred or stocked following treatment approved by the commissioner, and fish with bacterial kidney disease may be transferred or stocked to areas where the disease has been previously introduced.

Subd. 3. [ACQUISITION OF FISH FOR BROOD STOCK.] Game fish brood stock may be sold to private fish hatcheries or aquatic farms by the state at fair market value. As a one-time purchase for brood stock development, up to 20 pair of adults may be provided, if available, by the state through normal operations.

Subd. 4. [SALE OF EGGS BY THE STATE.] The commissioner may offer for sale as eggs or fry up to two percent of the department's annual game fish egg harvest. Additional eggs or fry may be sold if they are surplus to this state's program needs.

Subd. 5. [PURCHASE OF EGGS DEPENDENT UPON FACILITY.] Licensees may purchase game fish eggs or fry from the state at a rate based on the capacity of their facility to hatch and rear fish. Licensees may purchase walleye at a rate of no more than one-half quart of eggs or 5,000 fry for each acre or fraction of licensed surface water. This limitation may be waived if an aquatic farm is an intensive culture facility. The allowable purchase of trout or salmon eggs must be based on the capacity of rearing tanks and flow of water through the aquatic farm facility.

Subd. 6. [STOCKING WALLEYES NORTH OF MARKED STATE HIGHWAY NO. 210.] Walleyes from outside of the area of the state north of marked state highway No. 210 may not be stocked in waters of the state north of marked state highway No. 210 without approval by the commissioner.

Sec. 11. [17.4993] [MINNOWS.]

Subdivision 1. [TAKING FROM PUBLIC WATERS.] A licensee may take minnow sperm, minnow eggs, and live minnows from public waters for aquatic farm purposes under an aquatic farm license.

Subd. 2. [IMPORTATION OF LIVE MINNOWS.] Minnows from outside the state may not be imported live by a licensee for purposes other than processing or feeding aquatic farm fish.

Sec. 12. [17.4994] [SUCKER EGGS.]

Sucker eggs may be taken from public waters with a sucker egg

license endorsement, which authorizes sucker eggs to be taken at a rate of one quart of eggs for each 1-1/2 acres of licensed surface waters except that for intensive culture systems, sucker eggs may be taken at a rate of two quarts per 1,000 muskellunge fry being reared. The taking of sucker eggs from public waters is subject to chapter 97C and may be supervised by the commissioner.

Sec. 13. [17.4995] [RECEIPTS TO THE GAME AND FISH FUND.]

Money received by the state under sections 1 to 15 must be deposited in the state treasury and credited to the game and fish fund.

Sec. 14. [17.4996] [WHITE EARTH INDIAN RESERVATION.]

Until the commissioner reaches an agreement with the White Earth Indian Reservation regarding the acquisition and sale of aquatic life from public waters, an aquatic farm licensee may acquire and transport rough fish, as defined in section 97A.015, subdivision 43, and yellow perch lawfully acquired and possessed by a tribal member for sale under tribal laws and regulations on the White Earth Reservation. Transportation of yellow perch off the reservation must be accompanied by documentation showing the source and number of the yellow perch.

Sec. 15. [17.4997] [RULES.]

The commissioner may adopt rules that are consistent with sections 1 to 14. The commissioner must notify the Minnesota aquaculture commission and the commissioner of agriculture prior to publication of the proposed rules.

Sec. 16. Minnesota Statutes 1990, section 97C.203, is amended to read:

97C.203 [DISPOSAL OF STATE HATCHERY EGGS OR FRY.]

(a) The commissioner shall dispose of game fish eggs and fry according to the following order of priorities:

(1) distribution of fish eggs and fry to state hatcheries to hatch fry or raise fingerlings for stocking waters of the state for recreational fishing;

(2) sale of fish eggs and fry to private fish hatcheries or licensed aquatic farms to hatch fry or raise fingerlings to stock waters of this state with fingerlings for recreational fishing at a price not less than the fair market value, established as the average price charged at

the state's private hatcheries and contiguous states per volume rates; and

(3) sale at a price not less than the fair market value, established as the average price charged at the state's private hatcheries sources and contiguous states per volume rates of fish eggs and fry to private fish hatcheries and fish aquatic farms to hatch fry or raise fingerlings for sale.

(b) Until July 1, 1990, the commissioner must make at least two percent of the game fish eggs collected available to private hatcheries.

Sec. 17. Minnesota Statutes 1990, section 97C.301, is amended by adding a subdivision to read:

Subd. 5. [AQUATIC FARMS.] An aquatic farm licensee may take aquatic life under the aquatic farm license and its endorsements as authorized without additional licenses under the game and fish laws.

Sec. 18. Minnesota Statutes 1990, section 97C.345, subdivision 4, is amended to read:

Subd. 4. [EXCEPTIONS.] This section does not apply to:

- (1) nets used to take rainbow smelt during the open season;
- (2) nets used to land game fish taken by angling;
- (3) seines or traps used for the taking of minnows for bait; and
- (4) nets, seines, or traps possessed and used under an aquatic farm license; and
- (5) angling equipment.

Sec. 19. Minnesota Statutes 1990, section 97C.391, is amended to read:

#### 97C.391 [BUYING AND SELLING FISH.]

Subdivision 1. [GENERAL RESTRICTIONS.] A person may not buy or sell fish taken from the waters of this state, except:

- (4) fish raised in a fish farm that are identified as prescribed by the commissioner that are private aquatic life; and
- (5) fish raised in a private hatchery that are tagged or labeled or otherwise identified as prescribed by the commissioner; and
- (6) fish lawfully taken and subject to sale from other states and countries.

Subd. 2. [RESTRICTIONS ON CERTAIN GAME FISH.] Large-mouth bass, smallmouth bass, rock bass, muskellunge, and sunfish may not be bought or sold, unless bought or sold by a private hatchery or fish aquatic farm to stock waters for recreational fishing, or as prescribed by the commissioner.

Sec. 20. Minnesota Statutes 1990, section 97C.505, subdivision 6, is amended to read:

Subd. 6. [APPROVED EQUIPMENT REQUIRED.] A person must use equipment approved by the commissioner to possess or transport minnows for sale. This subdivision does not apply to licensed aquatic farms.

Sec. 21. [REPEALER.]

Minnesota Statutes 1990, sections 97A.475, subdivision 29a; and 97C.209, are repealed.

Sec. 22. [1992 TRANSITION.]

A 1992 private fish hatchery or fish farm licensee may obtain an aquatic farm license by applying to the commissioner and paying the difference between the aquatic farm license with endorsements and the private fish hatchery or fish farm license and corresponding licenses under the game and fish laws.

Subd. 14. [AQUATIC MANAGEMENT AREAS.] (a) Aquatic management areas may be established to protect, develop, and manage lakes, rivers, streams, and adjacent wetlands and lands that are critical for fish and other aquatic life, for water quality, and for their intrinsic biological value, public fishing, or other compatible outdoor recreational uses.

(b) No unit may be authorized unless it meets one or more of the following criteria:

- (1) provides angler or management access;
- (2) protects fish spawning, rearing, or other unique habitat;
- (3) protects aquatic wildlife feeding and nesting areas;
- (4) protects critical shoreline habitat; or
- (5) provides a site for research on natural history.

(c) Aquatic management areas must be administered by the commissioner of natural resources in a manner consistent with the purposes of this subdivision to perpetuate and, if necessary, reestablish high quality aquatic habitat for production of fish, wildlife, and other aquatic species. Public fishing and other uses shall be consistent with the limitations of the resource, including the need to preserve adequate populations and prevent long-term habitat injury or excessive fish population reduction or increase. Public access to aquatic management areas may be closed during certain time periods.

Sec. 17. Minnesota Statutes 1990, section 86A.09, subdivision 1, is amended to read:

Subdivision 1. [MASTER PLAN REQUIRED.] No construction of new facilities or other development of an authorized unit, other than repairs and maintenance, shall commence until the managing agency has prepared and submitted to the commissioner of trade and economic development and the commissioner of trade and economic development has reviewed, pursuant to this section, a master plan for administration of the unit in conformity with this section. No master plan is required for wildlife management areas that do not have resident managers, for water access sites, for aquatic management areas, or for rest areas.”

#### “ARTICLE 1

Section 1. Minnesota Statutes 1990, section 241.67, subdivision 3, is amended to read:

Subd. 3. [PROGRAMS FOR ADULT OFFENDERS COMMITTED TO THE COMMISSIONER.] (a) The commissioner shall provide for a range of sex offender ~~treatment~~ programs, including intensive sex offender ~~treatment~~ programs, within the state adult correctional facility system. Participation in any ~~treatment~~ program is ~~voluntary~~ and is subject to the rules and regulations of the department of corrections. Nothing in this section requires the commissioner to accept or retain an offender in a ~~treatment~~ program if the offender is determined by prison professionals as unamenable to programming within the prison system or if the offender refuses or fails to comply

with the program's requirements. Nothing in this section creates a right of an offender to treatment.

(b) The commissioner shall provide for residential and outpatient sex offender ~~treatment programming~~ and aftercare when required for conditional release under section 609.1352 or as a condition of supervised release.

Sec. 2. Minnesota Statutes 1990, section 241.67, subdivision 6, is amended to read:

Subd. 6. [SPECIALIZED CORRECTIONS AGENTS AND PROBATION OFFICERS; SEX OFFENDER SUPERVISION.] ~~By January 1, 1990,~~ The commissioner of corrections shall develop in-service training for state and local corrections agents and probation officers who supervise adult and juvenile sex offenders on probation or supervised release. The commissioner shall make the training available to all current and future corrections agents and probation officers who supervise or will supervise sex offenders on probation or supervised release.

~~After January 1, 1991,~~ A state or local corrections agent or probation officer may not supervise adult or juvenile sex offenders on probation or supervised release unless the agent or officer has completed the in-service sex offender supervision training. The commissioner may waive this requirement if the corrections agent or probation officer has completed equivalent training as part of a post-secondary educational curriculum.

~~After January 1, 1991,~~ When an adult sex offender is placed on supervised release or is sentenced to probationary supervision, and when a juvenile offender is found delinquent by the juvenile court for a sex offense and placed on probation or is paroled from a juvenile correctional facility, a corrections agent or probation officer may not be assigned to the offender unless the agent or officer has completed the in-service sex offender supervision training.

Sec. 3. Minnesota Statutes 1990, section 244.05, is amended by adding a subdivision to read:

Subd. 1a. [RELEASE ON CERTAIN DAYS.] Notwithstanding the amount of good time earned by an inmate whose crime was committed before August 1, 1992, if the inmate's scheduled release date occurs on a Friday, Saturday, Sunday, or holiday, the inmate's supervised release term shall begin on the last day before the inmate's scheduled release date that is not a Friday, Saturday, Sunday, or holiday. For an inmate whose crime was committed on or after August 1, 1992, if the inmate's scheduled release date occurs on a Friday, Saturday, Sunday, or holiday, the inmate's supervised release term shall begin on the first day after the inmate's scheduled release date that is not a Friday, Saturday, Sunday, or holiday.

Sec. 4. Minnesota Statutes 1990, section 244.05, subdivision 3, is amended to read:

Subd. 3. [SANCTIONS FOR VIOLATION.] If an inmate violates the conditions of the inmate's supervised release imposed by the commissioner, the commissioner may:

(1) continue the inmate's supervised release term, with or without modifying or enlarging the conditions imposed on the inmate; or

(2) revoke the inmate's supervised release and reimprison the inmate for the appropriate period of time.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence, except that ~~for if a sex offender is sentenced and conditionally released under section 609.1352, subdivision 5, the period of time for which conditional release may be revoked may not exceed the balance of the original sentence imposed less good time earned under section 244.04, subdivision 1~~ conditional release term.

Sec. 5. Minnesota Statutes 1990, section 244.05, subdivision 4, is amended to read:

Subd. 4. [MINIMUM IMPRISONMENT, LIFE SENTENCE.] An inmate serving a mandatory life sentence under section 609.184 must not be given supervised release under this section. An inmate serving a mandatory life sentence ~~for conviction of murder in the first degree under section 609.185, clause (1), (3), (4), (5), or (6); or 609.346, subdivision 2a,~~ must not be given supervised release under this section without having served a minimum term of 30 years. An inmate serving a mandatory life sentence under section 609.385 must not be given supervised release under this section without having served a minimum term of imprisonment of 17 years.

Sec. 6. Minnesota Statutes 1990, section 244.05, subdivision 5, is amended to read:

Subd. 5. [SUPERVISED RELEASE, LIFE SENTENCE.] The commissioner of corrections may, under rules promulgated by the commissioner, give supervised release to an inmate serving a mandatory life sentence under section 609.185, clause (1), (3), (4), (5), or (6); 609.346, subdivision 2a; or 609.385 after the inmate has served the minimum term of imprisonment specified in subdivision 4.

Sec. 7. Minnesota Statutes 1991 Supplement, section 244.05, subdivision 6, is amended to read:

Subd. 6. [INTENSIVE SUPERVISED RELEASE.] The commis-

sioner may order that an inmate be placed on intensive supervised release for all or part of the inmate's supervised release or parole term if the commissioner determines that the action will further the goals described in section 244.14, subdivision 1, clauses (2), (3), and (4). In addition, the commissioner may order that an inmate be placed on intensive supervised release for all of the inmate's conditional or supervised release term if the inmate was convicted of a sex offense under sections 609.342 to 609.345 or was sentenced under the provisions of section 609.1352. The commissioner may impose appropriate conditions of release on the inmate including but not limited to unannounced searches of the inmate's person, vehicle, or premises by an intensive supervision agent; compliance with court-ordered restitution, if any; random drug testing; house arrest; daily curfews; frequent face-to-face contacts with an assigned intensive supervision agent; work, education, or treatment requirements; and electronic surveillance. In addition, any sex offender placed on intensive supervised release may be ordered to participate in an appropriate sex offender program as a condition of release. If the inmate violates the conditions of the intensive supervised release, the commissioner shall impose sanctions as provided in subdivision 3 and section 609.1352.

Sec. 8. Minnesota Statutes 1991 Supplement, section 244.12, subdivision 3, is amended to read:

Subd. 3. [OFFENDERS NOT ELIGIBLE.] The following are not eligible to be placed on intensive community supervision, under subdivision 2, clause (2):

- (1) offenders who were committed to the commissioner's custody under a statutory mandatory minimum sentence;
- (2) offenders who were committed to the commissioner's custody following a conviction for murder, manslaughter, criminal sexual conduct in the first or second degree, or criminal vehicular homicide or operation resulting in death; and
- (3) offenders whose presence in the community would present a danger to public safety.

Sec. 9. Minnesota Statutes 1990, section 260.185, subdivision 1, is amended to read:

Subdivision 1. If the court finds that the child is delinquent, it shall enter an order making any of the following dispositions of the case which are deemed necessary to the rehabilitation of the child:

- (a) Counsel the child or the parents, guardian, or custodian;
- (b) Place the child under the supervision of a probation officer or

other suitable person in the child's own home under conditions prescribed by the court including reasonable rules for the child's conduct and the conduct of the child's parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child, or with the consent of the commissioner of corrections, in a group foster care facility which is under the management and supervision of said commissioner;

(c) Subject to the supervision of the court, transfer legal custody of the child to one of the following:

(1) a child placing agency; or

(2) the county welfare board; or

(3) a reputable individual of good moral character. No person may receive custody of two or more unrelated children unless licensed as a residential facility pursuant to sections 245A.01 to 245A.16; or

(4) a county home school, if the county maintains a home school or enters into an agreement with a county home school; or

(5) a county probation officer for placement in a group foster home established under the direction of the juvenile court and licensed pursuant to section 241.021;

(d) Transfer legal custody by commitment to the commissioner of corrections;

(e) If the child is found to have violated a state or local law or ordinance which has resulted in damage to the person or property of another, the court may order the child to make reasonable restitution for such damage;

(f) Require the child to pay a fine of up to \$700; the court shall order payment of the fine in accordance with a time payment schedule which shall not impose an undue financial hardship on the child;

(g) If the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided;

(h) If the court believes that it is in the best interests of the child and of public safety that the driver's license of the child be canceled until the child's 18th birthday, the court may recommend to the commissioner of public safety the cancellation of the child's license for any period up to the child's 18th birthday, and the commissioner

is hereby authorized to cancel such license without a hearing. At any time before the termination of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize.

If the child is petitioned and found by the court to have committed or attempted to commit an act in violation of section 609.342;<sub>2</sub>; 609.343;<sub>2</sub>; 609.344, or; 609.345;<sub>2</sub>; 609.345<sub>1</sub>; 609.746, subdivision 1; 609.79; or 617.23, or another offense arising out of a delinquency petition based on one or more of those sections, the court shall order an independent professional assessment of the child's need for sex offender treatment. An assessor providing an assessment for the court may not have any direct or shared financial interest or referral relationship resulting in shared financial gain with a treatment provider. If the assessment indicates that the child is in need of and amenable to sex offender treatment, the court shall include in its disposition order a requirement that the child undergo treatment. Notwithstanding section 13.42, 13.85, 144.335, 260.161, or 626.556, the assessor has access to the following private or confidential data on the child if access is relevant and necessary for the assessment:

- (1) medical data under section 13.42;
- (2) corrections and detention data under section 13.85;
- (3) health records under section 144.335;
- (4) juvenile court records under section 260.161; and
- (5) local welfare agency records under section 626.556.

Data disclosed under this paragraph may be used only for purposes of the assessment and may not be further disclosed to any other person, except as authorized by law.

If the child is found delinquent due to the commission of an offense that would be a felony if committed by an adult, the court shall make a specific finding on the record regarding the juvenile's mental health and chemical dependency treatment needs.

Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

- (a) why the best interests of the child are served by the disposition ordered; and
- (b) what alternative dispositions were considered by the court and why such dispositions were not appropriate in the instant case.

Sec. 10. Minnesota Statutes 1991 Supplement, section 609.135, subdivision 2, is amended to read:

Subd. 2. (a) If the conviction is for a felony the stay shall be for not more than three years or the maximum period for which the sentence of imprisonment might have been imposed, whichever is longer.

(b) If the conviction is for a gross misdemeanor the stay shall be for not more than two years.

(c) If the conviction is for any misdemeanor under section 169.121; 609.746, subdivision 1; 609.79; or 617.23; or for a misdemeanor under section 609.224, subdivision 1, in which the victim of the crime was a family or household member as defined in section 518B.01, the stay shall be for not more than two years. The court shall provide for unsupervised probation for the second year of the stay unless the court finds that the defendant needs supervised probation for all or part of the second year.

(d) If the conviction is for a misdemeanor not specified in paragraph (c), the stay shall be for not more than one year.

(e) The defendant shall be discharged when the stay expires, unless the stay has been revoked or extended under paragraph (f), or the defendant has already been discharged.

(f) Notwithstanding the maximum periods specified for stays of sentences under paragraphs (a) to (e), a court may extend a defendant's term of probation for up to one year if it finds, at a hearing conducted under subdivision 1a, that:

(1) the defendant has not paid court-ordered restitution in accordance with the payment schedule or structure; and

(2) the defendant is likely to not pay the restitution the defendant owes before the term of probation expires.

This one-year extension of probation for failure to pay restitution may be extended by the court for up to one additional year if the court finds, at another hearing conducted under subdivision 1a, that the defendant still has not paid the court-ordered restitution that the defendant owes.

Sec. 11. Minnesota Statutes 1990, section 609.1352, subdivision 1, is amended to read:

Subdivision 1. [SENTENCING AUTHORITY.] A court ~~may~~ shall sentence a person to a term of imprisonment of not less than double the presumptive sentence under the sentencing guidelines and not

more than the statutory maximum, or if the statutory maximum is less than double the presumptive sentence, to a term of imprisonment equal to the statutory maximum, if:

(1) the court is imposing an executed sentence, based on a sentencing guidelines presumptive imprisonment sentence or a dispositional departure for aggravating circumstances or a mandatory minimum sentence, on a person convicted of committing or attempting to commit a violation of section 609.342, 609.343, 609.344, or 609.345, or on a person convicted of committing or attempting to commit any other crime listed in subdivision 2 if it reasonably appears to the court that the crime was motivated by the offender's sexual impulses or was part of a predatory pattern of behavior that had criminal sexual conduct as its goal;

(2) the court finds that the offender is a danger to public safety; and

(3) the court finds that the offender needs long-term treatment or supervision beyond the presumptive term of imprisonment and supervised release. The finding must be based on a professional assessment by an examiner experienced in evaluating sex offenders that concludes that the offender is a patterned sex offender. The assessment must contain the facts upon which the conclusion is based, with reference to the offense history of the offender or the severity of the current offense, the social history of the offender, and the results of an examination of the offender's mental status unless the offender refuses to be examined. The conclusion may not be based on testing alone. A patterned sex offender is one whose criminal sexual behavior is so engrained that the risk of reoffending is great without intensive psychotherapeutic intervention or other long-term controls.

Sec. 12. Minnesota Statutes 1990, section 609.1352, subdivision 5, is amended to read:

Subd. 5. [CONDITIONAL RELEASE.] At the time of sentencing under subdivision 1, the court ~~may~~ shall provide that after the offender has completed ~~one-half~~ of the ~~full pronounced~~ sentence imposed, ~~without regard to less any good time earned by an offender whose crime was committed before August 1, 1993,~~ the commissioner of corrections ~~may~~ shall place the offender on conditional release for the remainder of the statutory maximum period or for ten years, whichever is longer; ~~if the commissioner finds that:~~

(1) the offender is amenable to treatment and has made sufficient progress in a sex offender treatment program available in prison to be released to a sex offender treatment program operated by the department of human services or a community sex offender treatment and reentry program; and

~~(2) the offender has been accepted in a program approved by the commissioner that provides treatment, aftercare, and phased reentry into the community.~~

The conditions of release ~~must~~ may include successful completion of treatment and aftercare in a program approved by the commissioner, satisfaction of the release conditions specified in section 244.05, subdivision 6, and any other conditions the commissioner considers appropriate. Before the offender is released, the commissioner shall notify the sentencing court, the prosecutor in the jurisdiction where the offender was sentenced and the victim of the offender's crime, where available, of the terms of the offender's conditional release. ~~Release may be revoked and the stayed sentence executed in its entirety less good time~~ If the offender fails to meet any condition of release, the commissioner may revoke the offender's conditional release and order that the offender serve the remaining portion of the conditional release term in prison. The commissioner shall not dismiss the offender from supervision before the ~~sentene~~ conditional release term expires.

Conditional release granted under this subdivision is governed by provisions relating to supervised release, except as otherwise provided in this subdivision, section 244.04, subdivision 1, or 244.05.

Sec. 13. Minnesota Statutes 1990, section 609.184, subdivision 2, is amended to read:

Subd. 2. [LIFE WITHOUT RELEASE.] The court shall sentence a person to life imprisonment without possibility of release ~~when~~ under the following circumstances:

(1) the person is convicted of first degree murder under section 609.185, clause (2); or

(2) the person is convicted of first degree murder under section 609.185, clause (1), (3), (4), (5), or (6), and the court determines on the record at the time of sentencing that the person has one or more previous convictions for a heinous crime.

These disciplinary offense rules may cover violation of institution rules, refusal to work, refusal to participate in treatment or other rehabilitative programs, and other matters determined by the commissioner. No inmate who violates a disciplinary rule shall be placed on supervised release until the inmate has served the disciplinary confinement period or until the inmate is discharged or released from punitive segregation confinement, whichever is later. The imposition of a disciplinary confinement period shall be considered to be a disciplinary sanction imposed upon an inmate, and the procedure for imposing the disciplinary confinement period and the rights of the inmate in the procedure shall be those in effect for the imposition of other disciplinary sanctions at each state correctional institution.

The lengths of the term of imprisonment and the supervised release term actually served by an inmate are subject to the provisions of section 244.05, subdivision 1a.

Subd. 2. [EXPLANATION OF SENTENCE.] When a court pronounces sentence under this section, it shall specify the amount of time the defendant will serve in prison and the amount of time the defendant will serve on supervised release, assuming the defendant commits no disciplinary offense in prison that may result in the imposition of a disciplinary confinement period. The court shall also explain that the defendant's term of imprisonment may be extended by the commissioner if the defendant commits any disciplinary offenses in prison and that this extension could result in the defendant's serving the entire pronounced sentence in prison. The court's explanation shall be included in the sentencing order.

Subd. 3. [NO RIGHT TO SUPERVISED RELEASE.] Notwithstanding the court's specification of the potential length of a defendant's supervised release term in the sentencing order, the court's

(i) the offender's past criminal behavior, such as the offender's high frequency rate of criminal activity or juvenile adjudications, or long involvement in criminal activity including juvenile adjudications; or

(ii) the fact that the present offense of conviction involved an aggravating factor that would justify a durational departure under the sentencing guidelines.

Sec. 10. Minnesota Statutes 1990, section 609.152, subdivision 3, is amended to read:

Subd. 3. [INCREASED SENTENCES; CAREER OFFENDERS.] Whenever a person is convicted of a felony, and the judge is imposing an executed sentence based on a sentencing guidelines presumptive imprisonment sentence, the judge may impose an aggravated durational departure from the presumptive sentence up to the statutory maximum sentence if the judge finds and specifies on the record that the offender has more than four prior felony convictions and that the present offense is a felony that was committed as part of a pattern of criminal conduct ~~from which a substantial portion of the offender's income was derived.~~

## Sec. 12. [SENTENCING GUIDELINES COMMISSION; STUDY.]

The sentencing guidelines commission shall study the following issues and report its findings and conclusions to the chairs of the house and senate judiciary committees by February 1, 1993:

(1) whether the crime of first degree criminal sexual conduct should be ranked, in whole or in part, in the next higher severity level of the sentencing guidelines grid;

(2) whether the current presumptive sentence for the crime of second degree intentional murder is adequately proportional to the mandatory life imprisonment penalty provided for first degree murder; and

(3) whether the sentencing guidelines should provide a presumption in favor of consecutive sentences for persons who are convicted of multiple crimes against a person in separate behavioral incidents.

## Sec. 13. [SENTENCING GUIDELINES MODIFICATION.]

The sentencing guidelines commission shall modify the sentencing guidelines to provide that if an inmate of a state correctional facility is convicted of committing a felony at the facility, it is presumed that the sentence imposed for the current felony will run consecutively to the sentence for which the inmate was confined when the felony was committed. The commission shall also modify the sentencing guidelines to provide that the judge may depart from this presumption and impose a concurrent sentence based on evidence that the defendant has provided substantial and material assistance in the detection or prosecution of crime.

## Sec. 14. [EFFECTIVE DATE.]

Sections 1 to 7 are effective August 1, 1993, and apply to crimes committed on or after that date. Sections 8 to 10 are effective August 1, 1992, and apply to crimes committed on or after that date.

Upon request of the county attorney, the attorney general shall appear in court in such criminal cases as the attorney general deems proper. Upon request of a county attorney, the attorney general may assume the duties of the county attorney in psychopathic personality commitment proceedings under section 526.10. Whenever the governor shall so request, in writing, the attorney general shall prosecute any person charged with an indictable offense, and in all such cases may attend upon the grand jury and exercise the powers of a county attorney.

The assessment against appropriations supported by fees must be included in the fee calculation. The assessment against appropriations from the general fund not supported by fees must be one-half of the cost of providing the services. An amount equal to the general fund receipts in the even-numbered year of the biennium is appropriated to the attorney general for each year of the succeeding biennium. All other receipts from assessments must be deposited in the state treasury and credited to the general fund.

The attorney general in consultation with the commissioner of finance shall assess political subdivisions fees to cover half the cost of legal services rendered to them; except that the attorney general may not assess a county any fee for legal services rendered in connection with a psychopathic personality commitment proceeding under section 526.10 for which the attorney general assumes responsibility under section 8.01.

Sec. 3. Minnesota Statutes 1990, section 244.05, is amended by adding a subdivision to read:

[SEX OFFENDERS; CIVIL COMMITMENT DETERMINATION.] Before the commissioner releases from prison any inmate convicted under sections 609.342 to 609.345 or sentenced as a patterned offender under section 609.1352, and determined by the commissioner to be in a high risk category, the commissioner shall make a preliminary determination whether, in the commissioner's opinion, a petition under section 526.10 may be appropriate. If the commissioner determines that a petition may be appropriate, the commissioner shall forward this determination, along with a summary of the reasons for the determination, to the county attorney in

Upon receiving the commissioner's preliminary determination, the county attorney shall proceed in the manner provided in section 526.10. If the person is in the custody of the commissioner of corrections when the initial commitment is ordered under subdivision 1, the written treatment report must be filed within 60 days after the person is admitted to the Minnesota security hospital or a private hospital receiving the person. The court, prior to making a final determination with regard to a person initially committed as mentally ill and dangerous to the public, shall hold a hearing. The hearing shall be held within the earlier of 14 days of the court's receipt of the written treatment report, if one is filed, or within 90 days of the date of initial commitment or admission, ~~whichever is earlier,~~ unless otherwise agreed by the parties. If the court finds that the patient qualifies for commitment as mentally ill, but not as mentally ill and dangerous to the public, the court may commit the person as a mentally ill person and the person shall be deemed not to have been found to be dangerous to the public for the purposes of subdivisions 4 to 15. Failure of the treatment facility to provide the required report at the end of the 60-day period shall not result in automatic discharge of the patient.

Sec. 5. Minnesota Statutes 1990, section 526.10, is amended to read:

526.10 [LAWS RELATING TO MENTALLY ILL PERSONS DANGEROUS TO THE PUBLIC TO APPLY TO PSYCHOPATHIC PERSONALITIES; TRANSFER OR COMMITMENT TO CORRECTIONS.]

Subdivision 1. [PROCEDURE.] Except as otherwise provided in this section or in chapter 253B, the provisions of chapter 253B, pertaining to persons mentally ill and dangerous to the public shall apply with like force and effect to persons having a psychopathic personality, to persons alleged to have such personality, and to persons found to have such personality, respectively. Before such proceedings are instituted, the facts shall first be submitted to the county attorney, who, if satisfied that good cause exists therefor, shall prepare the petition to be executed by a person having knowledge of the facts and file the same with the judge of the probate court of the county in which the "patient," as defined in such statutes, has a settlement or is present. If the patient is in the

custody of the commissioner of corrections, the petition may be filed in the county where the conviction for which the person is incarcerated was entered. The judge of probate shall thereupon follow the same procedures set forth in chapter 253B, for judicial commitment. The judge may exclude the general public from attendance at such hearing. If, upon completion of the hearing and consideration of the record, the court finds the proposed patient has a psychopathic personality, the court shall commit such person to a public hospital or a private hospital consenting to receive the person, subject to a mandatory review by the head of the hospital within 60 days from the date of the order as provided for in chapter 253B for persons found to be mentally ill and dangerous to the public. The patient shall thereupon be entitled to all of the rights provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public, and all of the procedures provided for in chapter 253B, for persons found to be mentally ill and dangerous to the public shall apply to such patient except as otherwise provided in subdivision 2.

Subd. 2. [TRANSFER TO CORRECTIONAL FACILITY.] ~~Unless the provisions of section 609.1351 apply, (a) If a person has been committed under this section and also has been later is committed to the custody of the commissioner of corrections, the person may be transferred from a hospital to another facility designated by the commissioner of corrections as provided in section 253B.18; except that the special review board and the commissioner of human services may consider the following factors in lieu of the factors listed in section 253B.18, subdivision 6, to determine whether a transfer to the commissioner of corrections is appropriate:~~

- (1) the person's unamenability to treatment;
- (2) the person's unwillingness or failure to follow treatment recommendations;
- (3) the person's lack of progress in treatment at the public or private hospital;
- (4) the danger posed by the person to other patients or staff at the public or private hospital; and
- (5) the degree of security necessary to protect the public.

(b) If a person is committed under this section after a commitment to the commissioner of corrections, the person shall first serve the sentence in a facility designated by the commissioner of corrections. After the person has served the sentence, the person shall be transferred to a regional center designated by the commissioner of human services.

Sec. 6. [526.115] [STATEWIDE JUDICIAL PANEL; PSYCHOPATHIC PERSONALITY COMMITMENTS.]

Subdivision 1. [CREATION.] The supreme court may establish a panel of district judges with statewide authority to preside over commitment proceedings brought under section 526.10. Only one judge of the panel is required to preside over a particular commitment proceeding. Panel members shall serve for one-year terms. One of the judges shall be designated as the chief judge of the panel, and is vested with the power to designate the presiding judge in a particular case, to set the proper venue for the proceedings, and to otherwise supervise and direct the operation of the panel. The chief judge shall designate one of the other judges to act as chief judge whenever the chief judge is unable to act.

Subd. 2. [EFFECT OF CREATION OF PANEL.] If the supreme court creates the judicial panel authorized by this section, all petitions for civil commitment brought under section 526.10 shall be filed with the supreme court instead of with the probate court in the county where the proposed patient is present, notwithstanding any provision of section 526.10 to the contrary. Otherwise, all of the other applicable procedures contained in section 526.10 and chapter 253B apply to commitment proceedings conducted by a judge on the panel.

Sec. 7. Minnesota Statutes 1990, section 609.1351, is amended to read:

609.1351 [PETITION FOR CIVIL COMMITMENT.]

When a court sentences a person under section 609.1352, 609.342, 609.343, 609.344, or 609.345, the court shall make a preliminary determination whether in the court's opinion a petition under section 526.10 may be appropriate and include the determination as part of the sentencing order. If the court determines that a petition may be appropriate, the court shall forward its preliminary determination along with supporting documentation to the county attorney. If the person is subsequently committed under section 526.10, the person shall serve the sentence in a facility designated by the commissioner of corrections. After the person has served the sentence the person shall be transferred to a facility designated by the commissioner of human services.

Sec. 8. [EFFECTIVE DATE.]

The clerk of court shall verify the terms of any existing order governing the parties. A subsequent order in a separate action under this chapter may modify only the provision of an existing order that grants relief authorized under subdivision 6, paragraph (a), clause (1). Except for cases in which custody is contested, findings under section 257.025, 518.17, or 518.175 are not required. If the court finds that the safety of the victim or the children will be jeopardized by unsupervised or unrestricted visitation, the court shall condition or restrict visitation as to time, place, duration, or supervision, or deny visitation entirely, as needed to guard the safety of the victim and the children. The court's deliberation under this subdivision decision on custody and visitation shall in no way delay the issuance of an order for protection granting other reliefs provided for in Laws 1985, chapter 195 this section;

(c) An order granting the relief authorized in paragraph (a), clause (1), may not be vacated or modified in a proceeding for dissolution of marriage or legal separation, except that the court may hear a motion for modification of an order for protection concurrently with a proceeding for dissolution of marriage upon notice of motion and motion. The notice required by court rule shall not be waived. If the proceedings are consolidated and the motion to modify is granted, a separate order for modification of an order for protection shall be issued.

(d) An order granting the relief authorized in paragraph (a), clause (2), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

(e) If a proceeding for dissolution of marriage or legal separation is pending between the parties, the court shall provide a copy of the order for protection to the court with jurisdiction over the dissolution or separation proceeding for inclusion in its file.

(b) A finding by the court that there is a basis for issuing an ex parte temporary order for protection constitutes a finding that sufficient reasons exist not to require notice under applicable court rules governing applications for ex parte temporary relief.

(c) An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days, except for good cause as provided under paragraph ~~(e)~~ (d). A full hearing, as provided by this section, shall be set for not later than seven days from the issuance of the temporary order. The respondent shall be served forthwith a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

~~(e)~~ (d) When service is made by published notice, as provided under subdivision 5, the petitioner may apply for an extension of the period of the ex parte order at the same time the petitioner files the affidavit required under that subdivision. The court may extend the ex parte temporary order for an additional period not to exceed 14 days. The respondent shall be served forthwith a copy of the modified ex parte order along with a copy of the notice of the new date set for the hearing.

(b) If the applicant notifies the court administrator of a change in the applicant's residence so that a different local law enforcement agency has jurisdiction over the residence, the order for protection must be forwarded by the court administrator to the new law

enforcement agency within 24 hours of the notice. If the applicant notifies the new law enforcement agency that an order for protection has been issued under this section and the applicant has established a new residence within that agency's jurisdiction, within 24 hours the local law enforcement agency shall request a copy of the order for protection from the court administrator in the county that issued the order.

(c) When an order for protection is granted, the applicant for an order for protection must be told by the court that:

(1) notification of a change in residence should be given immediately to the court administrator and to the local law enforcement agency having jurisdiction over the new residence of the applicant;

(2) the reason for notification of a change in residence is to forward an order for protection to the proper law enforcement agency; and

(3) the order for protection must be forwarded to the law enforcement agency having jurisdiction over the new residence within 24 hours of notification of a change in residence, whether notification is given to the court administrator or to the local law enforcement agency having jurisdiction over the applicant's new residence.

An order for protection is enforceable even if the applicant does not notify the court administrator or the appropriate law enforcement agency of a change in residence.

Sec. 7. Minnesota Statutes 1991 Supplement, section 518B.01, subdivision 14, is amended to read:

Subd. 14. [VIOLATION OF AN ORDER FOR PROTECTION.] (a) Whenever an order for protection is granted pursuant to this section, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor. Upon conviction, the defendant must be sentenced to a minimum of three days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. If the court stays imposition or execution of the jail sentence and the defendant refuses or fails to comply with the court's treatment order, the court must impose and execute the stayed jail sentence. A person who violates this paragraph within two years after a previous conviction under this paragraph or within two years after a previous conviction under a similar law of another state, is guilty of a gross misdemeanor. When a court sentences a person convicted of a gross misdemeanor and does not impose a period of incarceration, the court shall make findings on the record regarding the reasons for not requiring incarceration. Upon conviction, the defendant must be sentenced to a minimum of ten days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. Notwithstanding section 609.135, the court

must impose and execute the minimum sentence provided in this paragraph for gross misdemeanor convictions.

(b) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to this section restraining the person or excluding the person from the residence or the petitioner's place of employment, even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer. The person shall be held in custody for at least 36 hours, excluding the day of arrest, Sundays, and holidays, unless the person is released earlier by a judge or judicial officer. A peace officer acting in good faith and exercising due care in making an arrest pursuant to this paragraph is immune from civil liability that might result from the officer's actions.

(c) A violation of an order for protection shall also constitute contempt of court and be subject to the penalties therefor.

(d) If the court finds that the respondent has violated an order for protection and that there is reason to believe that the respondent will commit a further violation of the provisions of the order restraining the respondent from committing acts of domestic abuse or excluding the respondent from the petitioner's residence, the court may require the respondent to acknowledge an obligation to comply with the order on the record. The court may require a bond sufficient to deter the respondent from committing further violations of the order for protection, considering the financial resources of the respondent, and not to exceed \$10,000. If the respondent refuses to comply with an order to acknowledge the obligation or post a bond under this paragraph, the court shall commit the respondent to the county jail during the term of the order for protection or until the respondent complies with the order under this paragraph. The warrant must state the cause of commitment, with the sum and time for which any bond is required. If an order is issued under this paragraph, the court may order the costs of the contempt action, or any part of them, to be paid by the respondent. An order under this paragraph is appealable.

(e) Upon the filing of an affidavit by the petitioner, any peace officer, or an interested party designated by the court, alleging that the respondent has violated any order for protection granted pursuant to this section, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court and punished therefor. The hearing may be held by the court in any county in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation. The court also may refer the violation of the order for protection to the appropriate prosecuting authority for possible prosecution under paragraph (a).

(f) If it is alleged that the respondent has violated an order for protection issued under subdivision 6 and the court finds that the order has expired between the time of the alleged violation and the court's hearing on the violation, the court may grant a new order for protection under subdivision 6 based solely on the respondent's alleged violation of the prior order, to be effective until the hearing on the alleged violation of the prior order. If the court finds that the respondent has violated the prior order, the relief granted in the new order for protection shall be extended for a fixed period, not to exceed one year.

(g) The admittance into petitioner's dwelling of an abusing party excluded from the dwelling under an order for protection is not a violation by the petitioner of the order for protection.

A peace officer is not liable under section 609.43, clause (1), for a failure to perform a duty required by clause (b).

Sec. 8. Minnesota Statutes 1990, section 518B.01, is amended by adding a subdivision to read:

Section 1. Minnesota Statutes 1990, section 260.125, subdivision 3a, is amended to read:

Subd. 3a. [PRIOR REFERENCE; EXCEPTION.] Notwithstanding the provisions of subdivisions 2 and 3, the court shall order a reference in any case where the prosecutor shows that the child has been previously referred for prosecution on a felony charge by an order of reference issued pursuant to either a hearing held under subdivision 2 or pursuant to the waiver of the right to such a hearing, other than a prior reference in the same case.

This subdivision only applies if the child is convicted of the offense or offenses for which the child was prosecuted pursuant to the order of reference or of a lesser included offense which is a felony.

This subdivision does not apply to juvenile offenders who are subject to criminal court jurisdiction under section 609.055.

Sec. 2. Minnesota Statutes 1990, section 260.151, subdivision 1, is amended to read:

Subdivision 1. Upon request of the court the county welfare board or probation officer shall investigate the personal and family history and environment of any minor coming within the jurisdiction of the court under section 260.111 and shall report its findings to the court. The court may order any minor coming within its jurisdiction to be examined by a duly qualified physician, psychiatrist, or psychologist appointed by the court.

The court shall have a chemical use assessment conducted when a child is (1) found to be delinquent for violating a provision of chapter 152, or for committing a felony-level violation of a provision of chapter 609 if the probation officer determines that alcohol or drug use was a contributing factor in the commission of the offense, or (2) alleged to be delinquent for violating a provision of chapter 152, if the child is being held in custody under a detention order. The assessor's qualifications and the assessment criteria shall comply with Minnesota Rules, parts 9530.6600 to 9530.6655. If funds under chapter 254B are to be used to pay for the recommended treatment, the assessment and placement must comply with all provisions of Minnesota Rules, parts 9530.6600 to 9530.6655 and 9530.7000 to 9530.7030. The commissioner of public safety shall reimburse the court for the cost of the chemical use assessment, up to a maximum of \$100.

With the consent of the commissioner of corrections and agreement of the county to pay the costs thereof, the court may, by order, place a minor coming within its jurisdiction in an institution maintained by the commissioner for the detention, diagnosis, custody and treatment of persons adjudicated to be delinquent, in order that the condition of the minor be given due consideration in the disposition of the case. Adoption investigations shall be conducted in accordance with the laws relating to adoptions. Any funds received under the provisions of this subdivision shall not cancel until the end of the fiscal year immediately following the fiscal year in which the funds were received. The funds are available for use by the commissioner of corrections during that period and are hereby appropriated annually to the commissioner of corrections as reimbursement of the costs of providing these services to the juvenile courts.

Sec. 3. Minnesota Statutes 1990, section 260.155, subdivision 1, is amended to read:

Except for proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may be continued or adjourned from time to time. In proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may not be continued or adjourned for more than one week unless the court makes specific findings that the continuance or adjournment is in the best interests of the child. If a hearing is held on a petition involving physical or sexual abuse of a child who is alleged to be in need of protection or services or neglected and in foster care, the court shall file the decision with the court administrator as soon as possible but no later than 15 days after the matter is submitted to the court. When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. The juvenile court shall provide, upon the request of any other juvenile court, copies of the records concerning

adjudications involving the particular child. The court shall also keep an index in which files pertaining to juvenile matters shall be indexed under the name of the child. After the name of each file shall be shown the file number and, if ordered by the court, the book and page of the register in which the documents pertaining to such file are listed. The court shall also keep a register properly indexed in which shall be listed under the name of the child all documents filed pertaining to the child and in the order filed. The list shall show the name of the document and the date of filing thereof. The juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, findings, orders, decrees, judgments, and motions and such other matters as the court deems necessary and proper. The legal records maintained in this file shall be open at all reasonable times to the inspection of any child to whom the records relate, and to the child's parent and guardian.

(b) The court shall retain records of the court finding that a juvenile committed an act that would be a violation of, or an attempt to violate, section 609.342, 609.343, 609.344, or 609.345, until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the court shall retain the juvenile records for as long as the records would have been retained if the offender had been an adult at the time of the juvenile offense. This paragraph does not apply unless the juvenile was represented by an attorney when the petition was admitted or proven.

(b) The bureau shall retain data on a juvenile until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the bureau shall retain the data for as long as the data would have been retained if the offender had been an adult at the time of the juvenile offense.

Sec. 6. Minnesota Statutes 1990, section 260.172, subdivision 1, is amended to read:

Subdivision 1. (a) If a child was taken into custody under section 260.165, subdivision 1, clause (a) or (c)(2), the court shall hold a hearing within 72 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in custody.

(2) within 24 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, if the child is being held at an adult jail or municipal lockup.

(c) Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person, subject to reasonable conditions of release including, but not limited to, a requirement that the child undergo a chemical use assessment as provided in section 260.151, subdivision 1. In determining whether the child's health or welfare would be immediately endangered, the court shall consider whether the child would reside with a perpetrator of domestic child abuse. In a proceeding regarding a child in need of protection or services, the court, before determining whether a child should continue in custody, shall also make a determination, consistent with section 260.012 as to whether reasonable efforts, or in the case of an Indian child, active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement or to reunite the child with the child's family, or that reasonable efforts were not possible. The court shall also determine whether there are available services that would prevent the need for further detention.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

The plan shall reflect the legislature's intent to prevent crime and to minimize the expenditure of limited corrections resources by engaging young people in constructive alternatives to criminal and other antisocial activities. The plan shall also reflect the legislature's recognition that each young person has significant strengths, and that state investment should build on these strengths rather than plan for failure. The plan must include at least the following components:

### SEX OFFENDER TREATMENT

Section 1. Minnesota Statutes 1990, section 241.67, subdivision 1, is amended to read:

Subdivision 1. [SEX OFFENDER TREATMENT.] A sex offender treatment system is established under the administration of the commissioner of corrections to provide and finance a range of sex offender treatment programs for eligible adults and juveniles. Eligible Offenders who are eligible to receive treatment, within the limits of available funding, are:

(1) adults and juveniles committed to the custody of the commissioner;

(2) adult offenders for whom treatment is required by the court as a condition of probation; and

(3) juvenile offenders who have been found delinquent or received a stay of adjudication, for whom the juvenile court has ordered treatment; and

(4) adults and juveniles who are eligible for community-based

treatment under the sex offender treatment fund established in section 4.

Sec. 2. Minnesota Statutes 1990, section 241.67, subdivision 2, is amended to read:

Subd. 2. [TREATMENT PROGRAM STANDARDS.] By July 1, 1991, (a) The commissioner shall adopt rules under chapter 14 for the certification of adult and juvenile sex offender treatment programs in state and local correctional facilities. The rules shall require that sex offender treatment programs be at least four months in duration. After July 1, 1991, A correctional facility may not operate a sex offender treatment program unless the program has met the standards adopted by and been certified by the commissioner of corrections. As used in this subdivision, "correctional facility" has the meaning given it in section 241.021, subdivision 1, clause (5).

(b) By July 1, 1994, the commissioner shall adopt rules under chapter 14 for the certification of community-based adult and juvenile sex offender treatment programs not operated in state or local correctional facilities.

(c) In addition to other certification requirements established under paragraphs (a) and (b), rules adopted by the commissioner must require all certified programs to participate in an ongoing outcome-based evaluation and quality management system established by the commissioner.

Sec. 3. Minnesota Statutes 1990, section 241.67, is amended by adding a subdivision to read:

Subd. 7. [FUNDING PRIORITY; PROGRAM EFFECTIVENESS.] (a) Unless otherwise directed by the terms of a particular appropriations provision, the commissioner shall give priority to the funding of juvenile sex offender programs over the funding of adult sex offender programs.

(b) Every county or private sex offender program that seeks new or continued state funding or reimbursement shall provide the commissioner with any information relating to the program's effectiveness that the commissioner considers necessary. The commissioner shall deny state funding or reimbursement to any county or private program that fails to provide this information or that appears to be an ineffective program.

Sec. 4. [241.671] [SEX OFFENDER TREATMENT FUND.]

Subdivision 1. [TREATMENT FUND ADMINISTRATION.] A sex offender treatment fund is established to pay for community-based

sex offender treatment for adults and juveniles. The commissioner of corrections and the commissioner of human services shall establish an interagency staff work group to coordinate agency activities relating to sex offender treatment. The commissioner of human services is responsible for administering the sex offender treatment fund, including establishing requirements for submitting claims for payment, paying vendors, and enforcing the county maintenance of effort requirement in subdivision 7. The commissioner of corrections is responsible for overseeing and coordinating a statewide sex offender treatment system under section 241.67, subdivision 1; certifying sex offender treatment providers under section 241.67, subdivision 2, paragraph (b); establishing eligibility criteria and an assessment process under subdivision 3; determining county allocations of treatment fund money under subdivision 4; and approving special project grants under subdivision 5. The county is responsible for developing and coordinating sex offender treatment services under the supervision of the commissioner of corrections, approving sex offender treatment vendors under subdivision 8, approving persons for treatment within the limits of the county's allocation of treatment fund money under subdivision 4, and selecting an eligible vendor to provide the appropriate level of treatment to each person who is eligible to receive treatment and for whom funding is available. The assessment of eligibility and treatment needs under subdivision 3 must be conducted by the agency responsible for probation services. If this agency is not a county agency, the county shall enter into an agreement with the agency that prescribes the process for county approval of treatment and treatment vendors within the limits of the county's allocation of treatment fund money. The commissioner of corrections shall adopt rules under chapter 14 governing the sex offender treatment fund. At the request of the commissioner of corrections, the commissioner of human services shall provide technical assistance relating to the duties required under this section. The commissioner of corrections and the commissioner of human services shall coordinate activities relating to the sex offender treatment fund with activities relating to the consolidated chemical dependency treatment fund.

Subd. 2. [PERSONS ELIGIBLE TO RECEIVE TREATMENT.] Within the limits of available funding, the sex offender treatment fund pays for sex offender treatment for sex offenders who have been ordered by the court to receive treatment and high-risk persons who seek treatment voluntarily. For purposes of this section, a sex offender is an adult who has been convicted under, or a juvenile who has been adjudicated to be delinquent based on a violation of, section 609.342; 609.343; 609.344; 609.345; 609.3451; 609.746, subdivision 1; 609.79; or 617.23, or another offense arising out of a charge or delinquency petition based on one or more of those sections. The treatment fund pays for treatment only to the extent that the costs of treatment cannot be met by the person's income or assets, health coverage, or other resources. Payment may be made on behalf of eligible persons only if:

(1) the person has been assessed and determined to be in need of community-based treatment under subdivision 3;

(2) the county has approved treatment and designated a treatment vendor within the limits of the county's allocation of money under subdivision 4;

(3) the person received the appropriate level of treatment as determined through the assessment process;

(4) the person received services from a vendor certified by the commissioner of corrections under section 241.67, subdivision 2, paragraph (b); and

(5) the vendor submitted a claim for payment in accordance with requirements established by the commissioner of human services.

Subd. 3. [ASSESSMENT.] (a) The commissioner of corrections shall establish a process and criteria for assessing the eligibility and treatment needs of persons on whose behalf payment from the sex offender treatment fund is sought. The assessment determines: (1) whether the individual is eligible under subdivision 2; (2) the person's ability to contribute to the cost of treatment; (3) whether a need for treatment exists; (4) if treatment is needed, the appropriate level of treatment; and (5) if the person is seeking treatment voluntarily, whether the person represents a high risk of becoming a sex offender in the absence of intervention and treatment.

(b) The commissioner shall develop a sliding fee scale to determine the amount of the contribution required from persons who have income or other financial resources. The fee scale must require persons whose income and assets are above the limits for the medical assistance program to contribute to the cost of the assessment and treatment and require persons whose income is above the state median income to pay the entire cost of assessment and treatment.

Subd. 4. [COUNTY ALLOCATIONS.] (a) For the first year of the sex offender treatment fund, the money appropriated for the treatment fund must be allocated among the counties according to the following formula:

(1) two-thirds based on the number of sex offender convictions or adjudications in the county in the previous year; and

(2) one-third based on county population.

(b) Any balance remaining in the fund at the end of the first year of the fund does not cancel and is available for the next year. Any balance remaining in subsequent years does not carry forward unless specifically authorized by the legislature.

(c) For the second year of the fund, an amount equal to the balance carried forward from the first year, plus any legislative appropriation for special project grants, must be reserved for special projects under subdivision 5. This becomes the base funding level for special project grants. The appropriation for the treatment fund must be allocated to counties in proportion to the amount actually paid out of each county's treatment fund allocation in the previous year.

(d) For the third and subsequent years of the fund, the appropriation for the sex offender treatment fund must be allocated to counties in proportion to the previous year's allocations. Any increase or decrease in funding for the sex offender treatment fund must be allocated proportionately among counties.

(e) For the second and subsequent years of the treatment fund, a reduction in the special projects base funding and a corresponding increase in a county's sex offender treatment fund allocation may be made under subdivision 5.

(f) Money appropriated specifically for sex offender assessments must be allocated to counties based on the number of sex offender convictions and delinquency adjudications in the county in the previous year. The money must be used to pay for assessments conducted under subdivision 3.

Subd. 5. [SPECIAL PROJECT GRANTS.] The commissioner of corrections shall approve grants to counties for special projects using the money reserved for special projects under subdivision 4, paragraph (c), and any appropriations specifically designated for sex offender treatment special projects. Special project grants may be used to develop new sex offender treatment services or providers, develop or test new treatment methods, educate courts and corrections personnel on treatment programs and methods, address special treatment needs in a particular county, or provide additional funding to counties that demonstrate that their treatment needs cannot be met within their formula allocation under subdivision 4. For the first three years of the fund, highest priority for special project grants must be given to counties that spent less than their allocation under the formula in subdivision 4, paragraph (a), during the previous year; demonstrate a significant need to increase their spending for sex offender treatment; and submit a detailed plan for improving their sex offender treatment system. For these high priority counties, upon successful completion of a special project the commissioner shall increase that county's base allocation under subdivision 4 for subsequent years by the amount of the special project grant or another amount determined by the commissioner and agreed to by the county as a condition of receiving a special project grant. The base funding level for special projects for the subsequent year must be reduced by the amount of the increase in the county's base allocation. After the third year of the treatment fund, the commissioner may allocate up to 40 percent of the special

project grant money to increase the base allocation of treatment fund money for those counties that demonstrate the greatest need to increase funding for sex offender treatment. The base funding level for special projects must be reduced by the amount of the increase in counties' base allocations.

Subd. 6. [COUNTY ADMINISTRATION.] A county may use up to five percent of the money allocated to it under subdivision 4 for administrative costs associated with the sex offender treatment fund, including the costs of assessment and referral of persons for treatment, state administrative and reporting requirements, service development, and other activities directly related to sex offender treatment. Two or more counties may undertake any of the activities required under this section as a joint action under section 471.59. Nothing in this section requires a county to spend local money or commit local resources in addition to state money provided under this section, except as provided in subdivision 7.

Subd. 7. [MAINTENANCE OF EFFORT.] As a condition of receiving an allocation of money from the sex offender treatment fund under this section, a county must agree not to reduce the level of funding provided for sex offender treatment below the average annual funding level for calendar years 1989, 1990, and 1991.

Subd. 8. [ELIGIBILITY OF VENDORS.] To be eligible to receive payment from the sex offender treatment fund, a vendor must be certified by the commissioner of corrections under section 241.67, subdivision 2, paragraph (b), and must comply with billing and reporting requirements established by the commissioner of human services. A county may become certified and approved as a vendor by satisfying the same requirements that apply to other vendors.

Subd. 9. [START-UP GRANTS.] Within the limits of appropriations made specifically for this purpose, the commissioner of corrections shall award grants to counties or providers for the initial start-up costs of establishing new certified, community-based sex offender treatment programs eligible for reimbursement under the sex offender treatment fund. In awarding the grants, the commissioner shall promote a statewide system of sex offender treatment programs that will provide reasonable geographic access to treatment throughout the state.

Subd. 10. [COORDINATION OF FUNDING FOR SEX OFFENDER TREATMENT.] The commissioners of corrections and human services shall identify all sources of funding for sex offender treatment in the state and develop methods of coordinating funding sources.

Sec. 5. Minnesota Statutes 1990, section 242.195, subdivision 1, is amended to read:

Subdivision 1. [~~TREATMENT SEX OFFENDER PROGRAMS.~~] The commissioner of corrections shall provide for a range of sex offender ~~treatment~~ programs, including intensive sex offender ~~treatment~~ programs, for juveniles within state juvenile correctional facilities and through purchase of service from county and private residential and outpatient juvenile sex offender ~~treatment~~ programs. The commissioner shall establish and operate a juvenile sex offender program at one of the state juvenile correctional facilities.

Sec. 6. [SEX OFFENDER TREATMENT; PILOT PROGRAM.]

The commissioner of corrections, in consultation with the commissioner of human services, shall administer a grant to create a pilot program to test the effectiveness of pharmacological agents, such as antiandrogens, in the treatment of sex offenders including psychopathic personalities.

Participation in the study must be by volunteers who meet defined criteria. The commissioner of corrections shall report to the legislature by February 1, 1993, regarding the preliminary results of the study.

Sec. 7. [REPORT ON SEX OFFENDER TREATMENT FUNDING.]

By January 1, 1993, the commissioners of corrections and human services shall submit a report to the legislature on funding for sex offender treatment, including:

- (1) a summary of the sources and amounts of public and private funding for sex offender treatment;
- (2) a progress report on implementation of sections 4 to 7;
- (3) methods currently being used to coordinate funding;
- (4) recommendations on whether other sources of funding should be consolidated into the sex offender treatment fund;
- (5) recommendations regarding medical assistance program changes or waivers that will improve the cost-effective use of medical assistance funds for sex offender treatment;
- (6) recommendations on whether start-up grants are needed to promote the development of needed sex offender treatment vendors, and if so, the amount of money needed for various regions, types of vendor, and class of sex offender;
- (7) an estimate of the amount of money needed to fully fund the sex offender treatment fund and information regarding the cost of an

array of possible options for partial funding, including funding options that prioritize treatment needs based on the age of the offender, the level of offense, or other factors identified by the commissioner; and

(8) recommendations for other changes that will improve the effectiveness and efficiency of the sex offender treatment funding system.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 7 are effective the day following final enactment.

Subdivision 1. [PURPOSE.] The commissioner shall issue a request for proposals from existing local nonprofit, nongovernmental organizations, to use existing local facilities as pilot children's safety centers. The commissioner shall award grants in amounts up to \$50,000 for the purpose of creating children's safety centers to reduce children's vulnerability to violence and trauma related to family visitation, where there has been a history of domestic violence or abuse within the family. At least one of the pilot projects shall be located in the seven-county metropolitan area and at least one of the projects shall be located outside the seven-county metropolitan area, and the commissioner shall award the grants to provide the greatest possible number of safety centers and to locate them to provide for the broadest possible geographic distribution of the centers throughout the state.

Each children's safety center must use existing local facilities to provide a healthy interactive environment for parents who are separated or divorced and for parents with children in foster homes to visit with their children. The centers must be available for use by district courts who may order visitation to occur at a safety center. The centers may also be used as drop-off sites, so that parents who are under court order to have no contact with each other can exchange children for visitation at a neutral site. Each center must provide sufficient security to ensure a safe visitation environment for children and their parents. A grantee must demonstrate the ability to provide a local match, which may include in-kind contributions.

- (14) have been adjudicated children in need of protection or services.

Subd. 3. [SERVICES.] The program must be designed not to duplicate existing programs, but to enable schools to collaborate with county social service agencies and county health boards and with local public and private providers to assure that at-risk children and youth receive health care, mental health services, family drug and alcohol counseling, and needed social services. Screenings and referrals under this program shall not duplicate screenings under section 123.702.

(4) children's day care funds available under federal transition year child care, the Family Support Act, Public Law Number 100-485; federal at-risk child care program, Public Law Number 101-5081; and federal child care and development block grant, Public Law Number 101-5082; and

Subd. 6. [PILOT PROJECTS.] Within 90 days of receiving the necessary federal waivers, the commissioners of human services and

education shall implement at least two pilot programs that link health and social services in the schools. One program shall be located in a school district in the seven-county metropolitan area. The other program shall be located in a greater Minnesota school district. The commissioner of human services, in collaboration with the commissioner of education, shall select the pilot programs on a request for proposal basis. The commissioners shall give priority to school districts with some expertise in collocating services for at-risk children and youth. Programs funded under this subdivision must:

addressed through nonresidential services. At least one of the pilot projects must be in the seven-county metropolitan area and at least one must be in greater Minnesota.

Subd. 2. [PROGRAM COMPONENTS.] The commissioner of human services shall, in consultation with the Indian affairs council, the council on affairs of Spanish-speaking people, the council on Black Minnesotans, and the council on Asian-Pacific Minnesotans, provide grants to the counties for the pilot projects. The projects shall build upon the existing service capabilities in the community and must include:

(1) screening for mental health problems of all juveniles admitted before adjudication to a secure detention facility as defined in section 260.015, subdivision 16, and any juvenile alleged to be delinquent as that term is defined in section 260.015, subdivision 5, who is admitted to a shelter care facility, as defined in section 260.015, subdivision 17;

(2) referral for mental health assessment of all juveniles for whom the screening indicates a need. This assessment is to be provided by the appropriate mental health professional. If the juvenile is of a minority race or minority ethnic heritage, the mental health professional must be skilled in and knowledgeable about the juvenile's racial and ethnic heritage, or must consult with a special mental health consultant who has such knowledge so that the assessment is relevant, culturally specific, and sensitive to the juvenile's cultural needs; and

(3) upon completion of the assessment, access to or provision of nonresidential mental health services identified as needed in the assessment.

Subd. 3. [SCREENING TOOL.] The commissioner of human services and the commissioner of corrections shall jointly develop a model screening tool to screen juveniles held in juvenile detention to determine if a mental health assessment is needed. This tool must contain specific questions to identify potential mental health problems. In implementing a pilot project, a county must either use this model tool or another screening tool approved by the commissioner of human services which meets the requirements of this section.

Subd. 4. [PROGRAM REQUIREMENTS.] To receive funds, the county program proposal shall be a joint proposal with all affected local agencies, resulting in part from consultation with the local coordinating council established under section 245.4873, subdivision 3, and the local mental health advisory council established under section 245.4875, subdivision 5, and shall contain the following:

(1) evidence of interagency collaboration by all publicly funded

agencies serving juveniles with emotional disturbances, including evidence of consultation with the agencies listed in this section;

(2) a signed agreement by the local court services and local mental health and county social service agencies to work together on the following: development of a program; development of written inter-agency agreements and protocols to ensure that the mental health needs of juvenile offenders are identified, addressed, and treated; and development of a procedure for joint evaluation of the program;

(3) a description of existing services that will be used in this program;

(4) a description of additional services that will be developed with program funds, including estimated costs and numbers of juveniles to be served; and

The commissioner of human services and the commissioner of corrections shall jointly determine the application form, information needed, deadline for application, criteria for awards, and a process for providing technical assistance and training to counties. The technical assistance shall include information about programs that have been successful in reducing recidivism by juvenile offenders.

Subd. 5. [INTERAGENCY AGREEMENTS.] To receive funds, the county must agree to develop written interagency agreements between local court services agencies and local county mental health agencies within six months of receiving the initial program funds. These agreements shall include a description of each local agency's responsibilities, with a detailed assignment of the tasks necessary to implement the program. The agreement shall state how they will comply with the confidentiality requirements of the participating local agencies.

Subd. 6. [EVALUATION.] The commissioner of human services and the commissioner of corrections shall, in consultation with the Indian affairs council, the council on affairs of Spanish-speaking people, the council on Black Minnesotans, and the council on Asian-Pacific Minnesotans, develop systems and procedures for evaluating the pilot projects. The departments must develop an interagency management information system to track juveniles who receive mental health and chemical dependency services. The system must be designed to meet the information needs of the agencies involved and to provide a basis for evaluating outcome data. The system must be designed to track the mental health treatment of juveniles released from custody and to improve the planning, delivery, and evaluation of services and increase interagency collabora-

tion. The evaluation protocol must be designed to measure the impact of the program on juvenile recidivism, school performance, and state and county budgets.

Subd. 7. [REPORT.] On January 1, 1994, and annually after that, the commissioner of corrections and the commissioner of human services shall present a joint report to the legislature on the pilot projects funded under this section. The report shall include information on the following:

- (1) the number of juvenile offenders screened and assessed;
- (2) the number of juveniles referred for mental health services, the types of services provided, and the costs;
- (3) the number of subsequently adjudicated juveniles that received mental health services under this program; and
- (4) the estimated cost savings of the program and the impact on crime.

The department of corrections and county corrections agencies shall ensure that probation offices are staffed on a 24-hour basis or make available a 24-hour telephone number to receive the reports.

The local correctional fees on the schedule must be reasonably related to defendants' abilities to pay and the actual cost of correctional services.

Subd. 3. [FEE COLLECTION.] The chief executive officer of a local correctional agency may collect local correctional fees assessed under section 13. The local correctional agency may collect the fee at any time while the offender is under sentence or after the sentence has been discharged. Subd. 4. [EXEMPTION FROM FEE.] The local correctional agency shall waive payment of a local correctional fee if so ordered by the court under section 13. If the court fails to waive the fee, the chief executive officer of the local correctional agency may waive payment of the fee if the officer determines that the offender does not have the ability to pay the fee, the prospects for payment are poor, or there are extenuating circumstances justifying waiver of the fee. Instead of waiving the fee, the local correctional agency may require the offender to perform community work service as a means of paying the fee.

Subd. 5. [RESTITUTION PAYMENT PRIORITY.] If a defendant has been ordered by a court to pay restitution and a local correc-

tional fee, the defendant shall be obligated to pay the restitution ordered before paying the local correctional fee.

Subd. 6. [USE OF FEES.] The local correctional fees shall be used by the local correctional agency to pay the costs of local correctional services. Local correctional fees may not be used to supplant existing local funding for local correctional services.

Subd. 3a. [DETAINING PERSON ON CONDITIONAL RELEASE.] (a) County probation officers serving a district or juvenile court may, without a warrant when it appears necessary to prevent escape or enforce discipline, take and detain a probationer or any person on conditional release and bring that person before the court or the commissioner of corrections, whichever is appropriate, for disposition. (b) The written order of the chief executive officer or designee of a county corrections agency established under this section is sufficient authority for any peace officer or county probation officer to take and place in actual custody any person under sentence or on probation who:

(1) fails to report to serve a sentence at a local correctional facility, as defined in section 241.021, subdivision 1;

No probationer

or other person on conditional release shall be detained more than 72 hours, exclusive of legal holidays, Saturdays and Sundays, pursuant to this subdivision without being provided with the opportunity for a hearing before the court or the commissioner of corrections or a designee. When providing supervision and other correctional services to persons conditionally released pursuant to sections 241.26, 242.19, 243.05, 243.16, 244.05, and 244.065, including intercounty transfer of persons on conditional release, and the conduct of presentence investigations, participating counties shall comply with the policies and procedures relating thereto as prescribed by the commissioner of corrections.

(b) The written order of the chief executive officer or designee of a community corrections agency established under this chapter is sufficient authority for any peace officer or county probation officer to take and place in actual custody any person under sentence or on probation who:

(2) fails to return from furlough or authorized temporary release from a local correctional facility;

Subdivision 1. [DEFINITION.] As used in this section, "local correctional fee" means a fee for local correctional services established by a local correctional agency under section 9.

Subd. 2. [IMPOSITION OF FEE.] When a court sentences a person convicted of a crime, and places the person under the supervision and control of a local correctional agency, the court shall impose a local correctional fee based on the local correctional agency's fee schedule adopted under section 9.

Subd. 3. [FEE EXEMPTION.] The court may waive payment of a local correctional fee if it makes findings on the record that the convicted person is exempt due to any of the factors named under section 9, subdivision 4. The court shall consider prospects for payment during the term of supervision by the local correctional agency.

Subd. 4. [RESTITUTION PAYMENT PRIORITY.] If the court orders the defendant to pay restitution and a local correctional fee, the court shall order that the restitution be paid before the local correctional fee.

Sec. 14. Minnesota Statutes 1990, section 609.125, is amended to read:

609.125 [SENTENCE FOR MISDEMEANOR OR GROSS MISDEMEANOR.]

Upon conviction of a misdemeanor or gross misdemeanor the court, if sentence is imposed, may, to the extent authorized by law, sentence the defendant:

Sec. 6. Minnesota Statutes 1991 Supplement, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. The Minnesota housing finance agency and, the Minnesota rural finance authority, and the Minnesota higher education coordinating board may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. This paragraph does not apply to an application from the Minnesota housing finance agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on their behalf.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.

Sec. 7. Minnesota Statutes 1991 Supplement, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first Tuesday in August only if the issuer has submitted to the department before the first Tuesday in August a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. Subdivision 4 applies to an allocation

made under this section. The Minnesota housing finance agency and the Minnesota rural finance authority may retain an unused portion of an allocation after the first Tuesday in August without submitting an additional deposit.

Sec. 8. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] Issuers ~~other than the Minnesota rural finance authority~~ may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for manufacturing applications. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in August. Notwithstanding the restrictions imposed on unified pool allocations after September 1 under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the unified pool after September 1. The Minnesota housing finance agency, the Minnesota higher education coordinating board, and the Minnesota rural finance authority may apply for and receive an allocation under this section without submitting an application deposit.

Sec. 9. Minnesota Statutes 1991 Supplement, section 474A.091, subdivision 3, is amended to read:

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in August through and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before September 1, allocations shall be awarded from the unified pool in the following order of priority:

- (1) applications for small issue bonds;
- (2) applications for residential rental project bonds;
- (3) applications for public facility projects funded by public facility bonds;
- (4) applications for redevelopment bonds;
- (5) applications for mortgage bonds; and
- (6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in August. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority, based upon the number of points received. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in August, \$5,000,000 of bonding authority is reserved within the unified pool for agricultural development bond loan projects of the Minnesota rural finance authority and \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in September, \$2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds manufacturing projects and public facility bonds agricultural development bond loan projects, seven-eighths of the remaining

available bonding authority is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds must be distributed between the two reservations on a pro rata basis, based upon the amounts each would have received if sufficient authority was available.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

- (i) \$10,000,000 for any one city; or
- (ii) \$20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After September 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds to finance publicly owned facility projects, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

#### Sec. 10. [HIGHER EDUCATION COORDINATING BOARD.]

Subdivision 1. [1992 MANUFACTURING POOL RESERVATION.] On the first Monday in May of 1992, \$15,000,000 of bonding authority is reserved within the manufacturing pool and \$5,000,000 of bonding authority is reserved within the public facilities pool for student loan bonds issued by the higher education coordinating board. On the day after the last Monday in July of 1992, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the unified pool and must be reallocated as provided in Minnesota Statutes, section 474A.091. If a common pool is established as provided under section 11, any bonding authority remaining unallocated from the student loan bond reservations is transferred to the common pool on June 1, 1992.

Subd. 2. [1992 CARRYFORWARD.] Notwithstanding Minnesota Statutes, section 474A.091, subdivision 4, the commissioner of finance may allocate a portion of remaining available bonding

authority to the higher education coordinating board for student loan bonds on December 1 of 1992.

Subd. 3. [1993 UNIFIED POOL RESERVATION.] On the first Monday in August of 1993, up to \$10,000,000 of bonding authority is reserved within the unified pool for student loan bonds issued by the higher education coordinating board; provided that the total amount of the unified pool reservation authorized under this subdivision and the carryforward authorized under subdivision 2 may not exceed \$20,000,000 of bonding authority.

#### Sec. 11. [SUNSET OF QUALIFIED BONDS.]

Subdivision 1. [TRANSFER.] Notwithstanding Minnesota Statutes, sections 474A.061 and 474A.091, if federal tax law is not amended by May 31, 1992, to permit the issuance of tax exempt mortgage bonds or small issue bonds after June 30, 1992, any bonding authority remaining in the small issue, housing, and public facilities pools is transferred on June 1, 1992, to a common pool and is available for allocation as provided in this section. The commissioner of finance shall set aside \$30,000,000 of bonding authority from the common pool from June 1, 1992, to July 1, 1992. After July 1, the set-aside is available for allocation as provided under subdivision 2.

Subd. 2. [ALLOCATION.] For the period from June 1, 1992, through November 30, 1992, the commissioner of finance may allocate any available bonding authority in the common pool for any purpose authorized under federal tax law. The application and allocation procedures established in Minnesota Statutes, section 474A.091, and the limits on mortgage bonds established in Minnesota Statutes, section 474A.091, subdivision 3, paragraph (c)(2), apply to allocations from the common pool. The reserve and priority requirements established under Minnesota Statutes, section 474A.091, do not apply to allocations from the common pool.

Subd. 3. [CARRYFORWARD.] Notwithstanding Minnesota Statutes, section 474A.091, on December 1, 1992, the commissioner may allocate any bonding authority remaining in the common pool to any issuer authorized by federal law to carry forward bonding authority.

#### Sec. 12. [EFFECTIVE DATE.]

Sections 1 to 11 are effective the day following final enactment.

#### PUBLIC FINANCE

Section 1. Minnesota Statutes 1990, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than \$100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, consistent with subdivision 2b. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the

commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines consistent with subdivision 2b to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation,

operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 2. Minnesota Statutes 1990, section 176.181, is amended by adding a subdivision to read:

Subd. 2b. [ACCEPTABLE SECURITIES.] The following are acceptable securities and surety bonds for the purpose of funding self-insurance plans and group self-insurance plans:

(1) direct obligations of the United States government except mortgage-backed securities of the Government National Mortgage Association;

(2) bonds, notes, debentures, and other instruments which are obligations of agencies and instrumentalities of the United States including, but not limited to, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Home Loan Bank, the Student Loan Marketing Association, and the Farm Credit System, and their successors, but not including collateralized mortgage obligations or mortgage pass-through instruments;

(7) obligations of or instruments unconditionally guaranteed by Minnesota insurance companies, whose long-term debt rating is at least AA-, Aa3, or their equivalent, by at least two nationally recognized rating agencies and whose rating is A+ by A. M. Best, Inc.; and

(8) any guarantee from the United States government whereby the payment of the workers' compensation liability of a self-insurer is

guaranteed; and bonds which are the general obligation of the Minnesota housing finance agency.

Sec. 3. [RULE CHANGE.]

The commissioner of commerce shall amend Minnesota Rules, part 2780.0400, so that it is consistent with the changes in section 2.

Sec. 4. Minnesota Statutes 1990, section 429.091, subdivision 2, is amended to read:

Subd. 2. [TYPES OF OBLIGATIONS PERMITTED.] The council may by resolution adopted prior to the sale of obligations pledge the full faith, credit, and taxing power of the municipality for the payment of the principal and interest. Such obligations shall be called improvement bonds and the council shall pay the principal and interest out of any fund of the municipality when the amount credited to the specified fund is insufficient for the purpose and shall each year levy a sufficient amount to take care of accumulated or anticipated deficiencies, which levy shall not be subject to any statutory or charter tax limitation. Obligations for the payment of which the full faith and credit of the municipality is not pledged shall be called ~~improvement warrants~~ assessment revenue notes or, in the case of bonds for fire protection, revenue bonds and shall contain a promise to pay solely out of the proper special fund or funds pledged to their payment. It shall be the duty of the municipal treasurer to pay maturing principal and interest on warrants or revenue bonds out of funds on hand in the proper funds and not otherwise.

(iii) for which the contract provides for the construction of the project upon land ~~not that is~~ either owned by the authority for redevelopment purposes or not owned by the authority at the time of the contract, or owned by the authority for redevelopment purposes,

~~and but the contract~~ provides for the conveyance or lease to the authority of the project or improvements upon completion of construction;

(2) with respect to a structured parking facility:

(i) constructed in conjunction with, and directly above or below, a development; and

(ii) financed with the proceeds of tax increment or parking ramp revenue bonds; and

(iii) the authority finds and determines that elimination of the public bidding requirements is necessary in order for the housing development project to be economical and feasible.

(b) An authority need not require a performance bond in the case of a contract described in paragraph (a), clause (1).

Sec. 6. Minnesota Statutes 1991 Supplement, section 469.155, subdivision 12, is amended to read:

The municipality or redevelopment agency may issue and sell warrants which give to their holders the right to purchase refunding bonds issuable under this subdivision prior to a stipulated date. The warrants are not required to be sold at public sale and all or any agreed portion of the proceeds of the warrants may be paid to

The warrants may provide a stipulated exercise price or a price that depends on the tax exempt status of interest on the refunding bonds at the time of issuance. The average interest rate on refunding bonds issued upon the exercise of the warrants to refund fixed rate bonds shall not exceed the average interest rate on fixed rate bonds to be refunded. The municipality or redevelopment agency may appoint a bank or trust company to serve as agent for the warrant holders and enter into agreements deemed necessary or incidental to the issuance of the warrants.

A decal issued to a vehicle described in clause (1) ~~or~~, (2), or (3) is valid for two years from the date of issuance. Sec. 20. [296.171] [FUEL TAX COMPACTS.]

Subdivision 1. [AUTHORITY.] The commissioner of public safety has the powers granted to the commissioner of revenue under section 296.17. The commissioner of public safety may enter into an agreement or arrangement with the duly authorized representative

of another state or make an independent declaration, granting to owners of vehicles properly registered or licensed in another state, benefits, privileges, and exemptions from paying, wholly or partially, fuel taxes, fees, or other charges imposed for operating the vehicles under the laws of Minnesota. The agreement, arrangement, or declaration may impose terms and conditions not inconsistent with Minnesota laws.

Subd. 2. [RECIPROCAL PRIVILEGES AND TREATMENT.] An agreement or arrangement must be in writing and provide that when a vehicle properly licensed for fuel in Minnesota is operated on highways of the other state, it must receive exemptions, benefits, and privileges of a similar kind or to a similar degree as are extended to a vehicle properly licensed for fuel in that state, when operated in Minnesota. A declaration must be in writing and must contemplate and provide for mutual benefits, reciprocal privileges, or equitable treatment of the owner of a vehicle registered for fuel in Minnesota and the other state. In the judgment of the commissioner of public safety, an agreement, arrangement, or declaration must be in the best interest of Minnesota and its citizens and must be fair and equitable regarding the benefits that the agreement brings to the economy of Minnesota.

Subd. 3. [COMPLIANCE WITH MINNESOTA LAWS.] Agreements, arrangements, and declarations made under authority of this section must contain a provision specifying that no fuel license, or exemption issued or accruing under the license, excuses the operator or owner of a vehicle from compliance with Minnesota laws.

The filing of fuel tax returns under this section is subject to the rights, terms, and conditions granted or contained in the applicable agreement or arrangement made by the commissioner under the authority of this section.

Subd. 6. [MINNESOTA-BASED INTERSTATE CARRIERS.] Notwithstanding the exemption contained in section 296.17, subdivision 9, as the commissioner of public safety enters into interstate fuel tax compacts requiring base state licensing and filing and eliminating filing in the nonresident compact states, the Minnesota-

based motor vehicles registered under section 168.187 will be required to license under the fuel tax compact in Minnesota.

Subd. 7. [DELINQUENT FILING OR PAYMENT.] If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the fleet owner, after ten days' written notice, is subject to suspension of the apportioned license plates and the international fuel tax agreement license.

Subd. 8. [TRANSFERRING FUNDS TO PAY DELINQUENT FEES.] If a fleet owner licensed under this section is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing under section 168.187 for more than 30 days, the commissioner may authorize any credit in either the international fuel tax agreement account or the international registration plan account to be used to offset the liability in either the international registration plan account or the international fuel tax agreement account.

Subd. 9. [FUEL COMPACT FEES.] License fees paid to the commissioner of public safety under the international fuel tax agreement must be deposited in the highway user tax distribution fund. The commissioner shall charge the fuel license fee of \$30 established under section 296.17, subdivision 10, in annual installments of \$15 and an annual application filing fee of \$13 for quarterly reporting of fuel tax.

Subd. 10. [FUEL DECAL FEES.] The commissioner of public safety may issue and require the display of a decal or other identification to show compliance with subdivision 5. The commissioner may charge a fee to cover the cost of issuing the decal or other identification. (1) A financing statement is sufficient if it gives the name of the debtor and the secured party, is signed by the debtor, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor, gives the social security number of the debtor or, in the case of a debtor doing business other than as an individual, the internal revenue service taxpayer identification number of the debtor, and contains a statement indicating the types or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. (a) collateral already subject to a security interest in another jurisdiction when it is brought into this state, or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances; or

(b) proceeds under section 336.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) collateral as to which the filing has lapsed within one year; or

(d) collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)); or

(e) a lien filed pursuant to chapter 514; or

(f) collateral which is subject to a filed judgment.

(2a) Except for documents filed under clauses (e) and (f), the reason for the omission of the debtor signature must be stated on the front of the financing statement.

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor)

.....

Address

.....

Debtor's Social Security Number or I.R.S. Tax I.D. Number

.....

Name of secured party (or assignee)

.....

Address

.....

1. This financing statement covers the following types (or items) of property:

(Describe)

.....

2. (If collateral is crops) The above described crops are growing or are to be grown on:

(Describe real estate and the name of the record owner thereof)

.....

3. (If applicable) The above goods are to become fixtures on

(Describe real estate) ..... and this financing statement is to be filed for record in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is .....

4. (If products of collateral are claimed)

Products of the collateral are also covered.

Use whichever signature line is applicable.

Signature of debtor (or assignor)

.....

Signature of secured party (or assignee)

.....

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party. If the sole purpose of the amendment is to change the name or address of the secured party, only the secured party need sign the amendment. A writing is sufficient if it sets forth the name and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment, the file number and date of filing of the financing statement. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or a financing statement filed as a fixture filing (section 336.9-313) where the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner. No description of the real estate or the name of the record owner thereof is required for a fixture filing where the debtor is a transmitting utility. Notwithstanding the foregoing a general description of the real estate is sufficient for a fixture filing where a

railroad is the record owner of the real estate on which the fixtures are or are to be located; and for the purposes of this subsection, the requirement of a general description is satisfied if the fixture filing (1) identifies the section, township and range numbers of the county in which the land is located; (2) identifies the quarter-quarter of the section that the land is located in; (3) indicates the name of the record owner of the real estate; and (4) states the street address of the real estate if one exists.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, and (d) the mortgage is duly recorded. No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners, and gives the social security number of the debtor or, in the case of a debtor doing business other than as an individual, the internal revenue service taxpayer identification number of the debtor. Where the debtor so changes a personal name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement, amendment, continuation, assignment, release, or termination substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading. The omission or any inaccuracy in stating the debtor's social security or federal tax identification number is not, standing alone, a seriously misleading error.

Sec. 33. Minnesota Statutes 1990, section 336.9-403, is amended to read:

336.9-403 [WHAT CONSTITUTES FILING; DURATION OF FILING; EFFECT OF LAPSED FILING; DUTIES OF FILING OFFICER.]

(1) Presentation for filing of a financing statement and tender of

the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) Except as provided in subsection (6) a filed financing statement is effective for a period of five years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five-year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period, whichever occurs later regardless of whether the financing statement filed as to that security interest is destroyed by the filing officer pursuant to subsection (3). Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six months prior to the expiration of the five-year period specified in subsection (2). Any such continuation statement must be signed by the secured party, set forth the name, social security number or other tax identification number of the debtor, and address of the debtor and secured party as those items appear on the original financing statement or the most recently filed amendment, identify the original statement by file number and filing date, and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of section 336.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if the officer has retained a microfilm or other photographic record, or in other cases after one year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other related filings, or by other means, that if the officer physically destroys the financing statements of a period more than five years past, those which have been continued by a continuation statement or which are still effective under subsection (6) shall be retained. If insolvency proceedings are commenced by or against the debtor, the secured party shall notify

the filing officer both upon commencement and termination of the proceedings, and the filing officer shall not destroy any financing statements filed with respect to the debtor until termination of the insolvency proceedings. The security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of 60 days or until expiration of the five-year period, whichever occurs later.

(4) Except as provided in subsection (7) a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number ~~and~~, the address of the debtor given in the statement, and the social security number or other tax identification number of the debtor given in the statement.

(5) The secretary of state shall prescribe uniform forms for statements and samples thereof shall be furnished to all filing officers in the state. The uniform fee for filing and indexing and for stamping a copy furnished by the secured party to show the date and place of filing for an original financing statement or for a continuation statement shall be \$7 if the statement is in the standard form prescribed by the secretary of state and otherwise shall be \$10, plus in each case, if the financing statement is subject to subsection (5) of section 336.9-402, \$5. An additional fee of \$7 shall be collected if more than one name is required to be indexed or if the secured party chooses to show a trade name for any debtor listed. The uniform fee collected for the filing of an amendment to a financing statement if the amendment is in the standard form prescribed by the secretary of state and does not add additional debtor names to the financing statement shall be \$7. The fee for an amendment adding additional debtor names shall be \$14 if the amendment is in the form prescribed by the secretary of state and, if otherwise, \$17. The fee for an amendment which is not in the form prescribed by the secretary of state but which does not add additional names shall be \$10.

The secretary of state shall adopt rules for filing, amendment, continuation, termination, removal, and destruction of financing statements.

(6) If the debtor is a transmitting utility (subsection (5) of section 336.9-401) and a filed financing statement so states, it is effective until a termination statement is filed. A real estate mortgage which is effective as a fixture filing under subsection (6) of section 336.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers

minerals or the like (including oil and gas) or accounts subject to subsection (5) of section 336.9-103, or is filed as a fixture filing, it shall be filed for record and the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if the secured party were the mortgagee thereunder, or, for filing offices other than the secretary of state, where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described. If requested of the filing officer on the financing statement, a financing statement filed for record as a fixture filing in the same office where nonfixture filings are made is effective, without a dual filing, as to collateral listed thereon for which filing is required in such office pursuant to section 336.9-401 (1) (a); in such case, the filing officer shall also index the recorded statement in accordance with subsection (4) using the recording data in lieu of a file number.

(8) The fees provided for in this article shall supersede the fees for similar services otherwise provided for by law except in the case of security interests filed in connection with a certificate of title on a motor vehicle.”

The Honorable Dee Long  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1691, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 1691 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1991 Supplement, section 481.02, subdivision 3, is amended to read:

Subd. 3. [PERMITTED ACTIONS.] The provisions of this section shall not prohibit:

(1) any person from drawing, without charge, any document to which the person, an employer of the person, a firm of which the person is a member, or a corporation whose officer or employee the person is, is a party, except another's will or testamentary disposition or instrument of trust serving purposes similar to those of a will;

(2) a person from drawing a will for another in an emergency if the imminence of death leaves insufficient time to have it drawn and its execution supervised by a licensed attorney-at-law;

(3) any insurance company from causing to be defended, or from offering to cause to be defended through lawyers of its selection, the insureds in policies issued or to be issued by it, in accordance with the terms of the policies;

(4) a licensed attorney-at-law from acting for several common-carrier corporations or any of its subsidiaries pursuant to arrangement between the corporations;

(5) any bona fide labor organization from giving legal advice to its members in matters arising out of their employment;

(6) any person from conferring or cooperating with a licensed attorney-at-law of another in preparing any legal document, if the attorney is not, directly or indirectly, in the employ of the person or of any person, firm, or corporation represented by the person;

(7) any licensed attorney-at-law of Minnesota, who is an officer or employee of a corporation, from drawing, for or without compensation, any document to which the corporation is a party or in which it is interested personally or in a representative capacity, except wills or testamentary dispositions or instruments of trust serving purposes similar to those of a will, but any charge made for the legal work connected with preparing and drawing the document shall not

exceed the amount paid to and received and retained by the attorney, and the attorney shall not, directly or indirectly, rebate the fee to or divide the fee with the corporation;

(8) any person or corporation from drawing, for or without a fee, farm or house leases, notes, mortgages, chattel mortgages, bills of sale, deeds, assignments, satisfactions, or any other conveyances except testamentary dispositions and instruments of trust;

(9) a licensed attorney-at-law of Minnesota from rendering to a corporation legal services to itself at the expense of one or more of its bona fide principal stockholders by whom the attorney is employed and by whom no compensation is, directly or indirectly, received for the services;

(10) any person or corporation engaged in the business of making collections from engaging or turning over to an attorney-at-law for the purpose of instituting and conducting suit or making proof of claim of a creditor in any case in which the attorney-at-law receives the entire compensation for the work;

(11) any regularly established farm journal or newspaper, devoted to general news, from publishing a department of legal questions and answers to them, made by a licensed attorney-at-law, if no answer is accompanied or at any time preceded or followed by any charge for it, any disclosure of any name of the maker of any answer, any recommendation of or reference to any one to furnish legal advice or services, or by any legal advice or service for the periodical or any one connected with it or suggested by it, directly or indirectly;

The Honorable Dee Long  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 2199, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 2199 be further amended as follows:

Delete everything after the enacting clause and insert:

#### “ARTICLE 1

Section 1. Minnesota Statutes 1990, section 16B.121, is amended to read:

#### 16B.121 [PURCHASE OF RECYCLED, REPAIRABLE, AND DURABLE MATERIALS.]

The commissioner shall take the recycled content and recyclability of commodities to be purchased into consideration in bid specifications. The commissioner shall apply weighting factors to the recycled content and recyclability criteria in order to give a preferential treatment to those criteria. State agencies shall purchase recycled materials when specifications allow the practical use of the recycled materials and the price does not exceed the price of nonrecycled materials by more than ten percent. If possible, state agencies should purchase materials recycled from waste generated in this state. When feasible and when the price of recycled materials does not exceed the price of nonrecycled materials by more than ten percent, the commissioner, and state agencies when purchasing under delegated authority, shall purchase recycled materials. In order to maximize the quantity and quality of recycled materials purchased, the commissioner, and state agencies when purchasing under delegated authority, may also use other appropriate procedures to acquire recycled materials at the most economical cost to the state.

When purchasing commodities and services, the commissioner, and state agencies when purchasing under delegated authority, shall apply and promote the preferred waste management practices listed in section 115A.02, with special emphasis on reduction of the quantity and toxicity of materials in waste. The commissioner, and state agencies when purchasing under delegated authority, in developing bid specifications, shall consider the extent to which a commodity or product is durable, reusable, or recyclable and marketable through the state resource recovery program.

Sec. 2. Minnesota Statutes 1991 Supplement, section 16B.122, subdivision 2, is amended to read:

Subd. 2. [PURCHASES; PRINTING.] (a) Whenever practicable, a public entity shall:

- (3) purchase paper which has not been dyed with colors, excluding pastel colors;
- (4) purchase recycled content paper that is manufactured using little or no chlorine bleach or chlorine derivatives;
- (5) use no more than two colored inks, standard or processed, except in formats where they are necessary to convey meaning;
- (6) use reusable binding materials or staples and bind documents by methods that do not use glue;
- (7) use soy-based inks; and
- (8) produce reports, publications, and periodicals that are readily recyclable within the state ~~resources~~ resource recovery program.

(b) Paragraph (a), clause (1), does not apply to coated paper that is made with at least 50 percent fiber ~~that has been recycled after use by a consumer~~ postconsumer material.

(c) A public entity shall print documents on both sides of the paper where commonly accepted publishing practices allow.

### Sec. 3. [16B.123] [PACKING MATERIALS.]

Whenever technically feasible, a public entity shall purchase and use degradable loose foam packing material manufactured from vegetable starches or other renewable resources, unless the cost of the packing material is more than ten percent greater than the cost of packing material made from nonrenewable resources. For the purposes of this section, "packing material" means loose foam material, other than an exterior packaging shell, that is used to stabilize, protect, cushion, or brace the contents of a package.

Sec. 4. Minnesota Statutes 1991 Supplement, section 115A.02, is amended to read:

115A.02 [LEGISLATIVE DECLARATION OF POLICY; PURPOSES.]

(a) It is the goal of this chapter to improve waste management in the state to serve the following purposes:

- (1) Reduction in the amount and toxicity of waste generated;
- (2) Separation and recovery of materials and energy from waste;
- (3) Reduction in indiscriminate dependence on disposal of waste;
- (4) Coordination of solid waste management among political subdivisions; and
- (5) Orderly and deliberate development and financial security of waste facilities including disposal facilities.

(b) The waste management goal of the state is to foster an integrated waste management system in a manner appropriate to the characteristics of the waste stream. The following waste management practices are in order of preference:

- (2) waste recycling;
- (3) composting of yard waste and food waste;
- (4) resource recovery through mixed municipal solid waste composting or incineration; and

Sec. 9. Minnesota Statutes 1990, section 115A.07, is amended by adding a subdivision to read:

Subd. 3. [UNIFORM WASTE STATISTICS; RULES.] The director, after consulting with the commissioner, the metropolitan council, local government units, and other interested persons, may adopt rules to establish uniform methods for collecting and reporting waste reduction, generation, collection, transportation, storage, recycling, processing, and disposal statistics necessary for proper waste management and for reporting required by law. Prior to publishing proposed rules, the director shall submit draft rules to the legislative commission on waste management for review and comment. Rules adopted under this subdivision apply to all persons and units of government in the state for the purpose of collecting and reporting waste-related statistics requested under or required by law.

Sec. 10. Minnesota Statutes 1991 Supplement, section 115A.15, subdivision 9, is amended to read:

Subd. 9. [RECYCLING GOAL.] By December 31, 1993, the commissioner shall recycle at least 40 percent by weight of the solid waste generated by state offices and other state operations located in the metropolitan area. By ~~August~~ March 1 of each year the commissioner shall report to the office and the metropolitan council the estimated recycling rates by county for state offices and other state operations in the metropolitan area for the previous ~~fiscal~~ calendar year. The office shall incorporate these figures into the reports submitted by the counties under section 115A.557, subdivision 3, to determine each county's progress toward the goal in section 115A.551, subdivision 2.

Each state agency in the metropolitan area shall work to meet the recycling goal individually. If the goal is not met by an agency, the commissioner shall notify that agency that the goal has not been met and the reasons the goal has not been met and shall provide information to the employees in the agency regarding recycling opportunities and expectations.

Sec. 11. Minnesota Statutes 1990, section 115A.32, is amended to read:

115A.32 [RULES.]

The ~~office~~ board shall promulgate rules pursuant to chapter 14 to govern its activities under sections 115A.32 to 115A.39. For the purposes of sections 115A.32 to 115A.39, "board" means the environmental quality board established in section 116C.03. In all of its activities and deliberations under sections 115A.32 to 115A.39, the board shall consult with the director of the office of waste management.

Sec. 12. Minnesota Statutes 1991 Supplement, section 115A.411, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY; PURPOSE.] The director with assistance from the commissioner shall prepare and adopt a report on solid waste management policy excluding the metropolitan area. The report must be submitted by the director to the legislative commission on waste management by ~~November 15~~ July 1 of each even-numbered year and may include reports required under sections 115A.551, subdivision 4, and 115A.557, subdivision 4.

Sec. 13. [115A.5501] [REDUCTION OF PACKAGING IN WASTE.]

Subdivision 1. [STATEWIDE WASTE PACKAGING REDUCTION GOAL.] It is the goal of the state that there be a minimum 25 percent statewide per capita reduction in the amount of discarded packaging delivered to solid waste composting, incineration, refuse derived fuel and disposal facilities by December 31, 1995, based on a reasonable estimate of the amount of packaging that was delivered to solid waste composting, incineration, and disposal facilities in calendar year 1992.

Subd. 2. [MEASUREMENT; PROCEDURES.] To measure the overall percentage of packaging in the statewide solid waste stream, the commissioner and the chair of the metropolitan council, in consultation with the director, shall each conduct an annual four-season solid waste composition study in the nonmetropolitan and metropolitan areas respectively or shall develop an alternative

method that is as statistically reliable as a waste composition study to measure the percentage of packaging in the waste stream.

Beginning in 1993, the chair of the council shall submit the results from the metropolitan area to the commissioner by March 1 of each year. The commissioner shall average the nonmetropolitan and metropolitan results and submit the statewide percentage, along with a statistically reliable margin of error, to the director by April 1 of each year. The director shall report the information to the legislative commission on waste management by July 1 of each year.

Subd. 3. [FACILITY COOPERATION AND REPORTS.] The owner or operator of a solid waste composting, incineration, refuse derived fuel or disposal facility shall allow access upon reasonable notice to authorized office, agency, or metropolitan council staff for the purpose of conducting waste composition studies or otherwise assessing the amount of total packaging in the waste delivered to the facility under this section.

Beginning in 1993, by February 1 of each year the owner or operator of a facility governed by this subdivision shall submit a report to the commissioner, on a form prescribed by the commissioner, information specifying the total amount of solid waste received by the facility between January 1 and December 31 of the previous year. The commissioner shall calculate the total amount of solid waste delivered to solid waste facilities from the reports received from the facility owners or operators and shall report the aggregate amount to the director by April 1 of each year. The commissioner shall assess a nonforgivable administrative penalty under section 116.072 of \$500 plus any forgivable amount necessary to enforce this subdivision on any owner or operator who fails to submit a report required by this subdivision.

Subd. 4. [REPORT.] The director shall apply the statewide percentage determined under subdivision 2 to the aggregate amount of solid waste determined under subdivision 3 to determine the amount of packaging in the waste stream. By July 1, 1996, the director shall submit to the legislative commission on waste management an analysis of the extent to which the waste packaging reduction goal in subdivision 1 has been met. In determining whether the goal has been met, the margin of error must be applied in favor of meeting the goal.

Sec. 14. Minnesota Statutes 1991 Supplement, section 115A.551, subdivision 2a, is amended to read:

Subd. 2a. [SUPPLEMENTARY RECYCLING GOALS.] By July December 31, 1996, each county will have as a goal to recycle the following amounts:

(1) for a county outside of the metropolitan area, 30 percent by weight of total solid waste generation;

(2) for a metropolitan county, 45 percent by weight of total solid waste generation.

Each county will develop and implement or require political subdivisions within the county to develop and implement programs, practices, or methods designed to meet its recycling goal. Nothing in this section or in any other law may be construed to prohibit a county from establishing a higher recycling goal. For the purposes of this subdivision “recycle” and “total solid waste generation” ~~has~~ have the meaning meanings given it them in subdivision 1, except that ~~it does not include neither~~ includes yard waste.

Sec. 15. Minnesota Statutes 1991 Supplement, section 115A.551, subdivision 4, is amended to read:

Subd. 4. [INTERIM MONITORING.] The office, for counties outside of the metropolitan area, and the metropolitan council, for counties within the metropolitan area, shall monitor the progress of each county toward meeting the recycling ~~goal~~ goals in subdivision subdivisions 2 and 2a and shall report to the legislative commission on waste management on the progress of the counties by November 15 of each year. If the office or the council finds that a county is not progressing toward the ~~goal~~ goals in subdivision subdivisions 2 and 2a, it shall negotiate with the county to develop and implement solid waste management techniques designed to assist the county in meeting the ~~goal~~ goals, such as organized collection, curbside collection of source-separated materials, and volume-based pricing.

In even-numbered years the progress report may be included in the solid waste management policy report required under section 115A.411.

Sec. 16. Minnesota Statutes 1990, section 115A.551, subdivision 5, is amended to read:

Subd. 5. [FAILURE TO MEET GOAL.] (a) A county failing to meet the interim goals in subdivision 3 shall, as a minimum:

(1) notify county residents of the failure to achieve the goal and why the goal was not achieved; and

(2) provide county residents with information on recycling programs offered by the county.

(b) If, based on the recycling monitoring described in subdivision 4, the office or the metropolitan council finds that a county will be unable to meet the recycling ~~goal~~ goals established in ~~subdivision~~

subdivisions 2 and 2a, the office or council shall, after consideration of the reasons for the county's inability to meet the goal goals, recommend legislation for consideration by the legislative commission on waste management to establish mandatory recycling standards and to authorize the office or council to mandate appropriate solid waste management techniques designed to meet the standards in those counties that are unable to meet the goal goals.

Sec. 17. Minnesota Statutes 1990, section 115A.557, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY TO RECEIVE MONEY.] (a) To be eligible to receive money distributed by the office under this section, a county shall within one year of October 4, 1989:

(1) create a separate account in its general fund to credit the money; and

(2) set up accounting procedures to ensure that money in the separate account is spent only for the purposes in subdivision 2.

(b) In each following year, each county shall also:

(1) have in place an approved solid waste management plan or master plan including a recycling implementation strategy under section 115A.551, subdivision 7, or 473.803, subdivision 1e, and a household hazardous waste management plan under section 115A.96, subdivision 6, by the dates specified in those provisions;

(2) submit a report by ~~August~~ March 1 of each year to the office detailing how the money was spent and the resulting gains achieved in solid waste management practices during the previous ~~fiscal~~ calendar year; and

(3) provide evidence to the office that local revenue equal to 25 percent of the money sought for distribution under this section will be spent for the purposes in subdivision 2.

(c) The office shall withhold all or part of the funds to be distributed to a county under this section if the county fails to comply with this subdivision and subdivision 2.

Sec. 18. [115A.56] [RECYCLED CONTENT; LABELS.]

A person may not label or otherwise indicate on a product or package for sale or distribution that the product or package contains recycled material unless the label or other indication states the minimum percentage of postconsumer material in the product or package:

(1) by weight for a finished nonpaper product or package; and

(2) by fiber content for a finished paper product or package.

For the purposes of this section "product" includes advertising materials and campaign material as defined in section 211B.01, subdivision 2.

No waste district shall be established wholly within one county. The office director shall not establish a waste district within or extending into the metropolitan area, nor define or alter the powers or boundaries of a district, without the approval of the metropolitan council. The council shall not approve a district unless the articles of incorporation of the district require that the district will have the same procedural and substantive responsibilities, duties, and relationship to the metropolitan agencies as a metropolitan county. ~~The office shall not establish a district unless the petitioners demonstrate that they are unable to fulfill the purposes of a district through joint action under section 471.50.~~ The office director shall require the completion of a comprehensive solid waste management plan conforming to the requirements of section 115A.46, by petitioners seeking to establish a district.

Sec. 20. Minnesota Statutes 1990, section 115A.81, subdivision 2, is amended to read:

Subd. 2. [DESIGNATION.] "Designation" means a requirement by a waste management district or county that all or any portion of the ~~mixed municipal~~ solid waste that is generated within its boundaries or any service area thereof be delivered to a processing or disposal facility identified by the district or county.

(4) recyclable materials that are being recycled, and residuals from recycling if there is at least an 85 percent volume reduction in the solid waste processed at the recycling facility and the residuals are managed as separate waste streams.

For the purposes of this section, "manufacturing processes" does not include the treatment of waste after collection for the purpose of composting.

The exemptions in this section apply to only those materials separated from ~~mixed municipal~~ solid waste that are managed in a manner that is preferred over the primary management method of the designated facility under section 115A.02, paragraph (b).

Manufacturers may act as a group or through a representative organization. The pilot projects must run for a minimum of 18 months and be designed to collect sufficient statewide data for the design and implementation of permanent collection and management programs that may be reasonably expected to collect at least 90 percent of waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state.

By December 1, 1991, the manufacturers or their representative organization shall submit plans for the projects to the legislative commission. At least every six months during the pilot projects the manufacturers shall submit progress reports to the commission. The commission shall review the plans and progress reports.

Sec. 26. Minnesota Statutes 1990, section 115A.93, is amended by adding a subdivision to read:

Subd. 3a. [VOLUME REQUIREMENT.] A licensing authority that requires a pricing system based on volume instead of weight under subdivision 3 shall determine a base unit size for an average small quantity household generator and establish, or require the licensee to establish, a multiple unit pricing system that ensures that amounts of waste generated in excess of the base unit amount are priced higher than the base unit price.

Sec. 27. [115A.9301] [SOLID WASTE COLLECTION; VOLUME- OR WEIGHT-BASED PRICING.]

Subdivision 1. [REQUIREMENT.] A local government unit that collects charges for solid waste collection directly from waste generators shall implement charges that increase as the volume or weight of the waste collected on-site from each generator's residence or place of business increases.

Subd. 2. [VOLUME REQUIREMENT.] If a local government unit implements a pricing system based on volume instead of weight under subdivision 1, it shall determine a base unit size for an average small quantity household generator and establish a multiple unit pricing system that ensures that amounts of waste generated in excess of the base unit amount are priced higher than the base unit price.

The owner or operator of a facility may not increase fees until 30 days after the owner or operator has submitted a fee schedule amendment to the agency commissioner.~~

Subd. 3. [AGENCY REPORT.] (a) The agency commissioner shall report to the legislative commission on waste management by July 1 of each odd-numbered year on the viability economic status and outlook of the state's solid waste processing and disposal capability, the status of competitive forces in the market including recycling,

[FINANCIAL RESPONSIBILITY RULES.] (a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating life of the facility and for 20 years after closure, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules and the requirements of paragraph (b) is a condition of obtaining or retaining a permit to operate the facility.

(b) ~~The agency shall amend the rules adopted under paragraph (a) to allow~~ A municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, ~~to~~ may meet its financial responsibility for all or a portion of the contingency

action portion of the reasonable and necessary response costs at the facility through its authority to issue bonds, provided that the method developed in the rules will ensure that when funds are needed for a contingency action, sufficient bonds can and will be issued by the municipality by pledging its full faith and credit to meet its responsibility.

The rules must include at least The pledge must be made in accordance with the requirements in chapter 475 for issuing bonds of the municipality, and the following additional requirements:

(1) a requirement that The governing body of the municipality shall enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs calculated under the rules;

(2) a requirement that The municipality assure shall require that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means;

(3) a requirement that When a municipality opts under the rules to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside funds in a dedicated long-term care trust fund money that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action; and. The agency may not require a municipality to set aside more than five percent of the total cost in a single year.

(4) a requirement that A municipality shall have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(5) The municipality shall file with the commissioner of revenue its consent to have the amount of its contingency action costs deducted from state aid payments otherwise due the municipality and paid instead to the environmental response, compensation, and compliance account created in section 115B.20, if the municipality fails to conduct the contingency action at the facility when ordered by the agency. If the agency notifies the commissioner that the municipality has failed to conduct contingency action when ordered by the agency, the commissioner shall deduct the amounts indicated

by the agency from the state aids in accordance with the consent filed with the commissioner.

(6) The municipality shall file with the agency written proof that it has complied with the requirements of paragraph (b).

~~(c) Counties shall comply with existing financial responsibility rules until those rules are amended under paragraph (b), and, after that time, counties shall comply with the amended rules. The method for proving financial responsibility developed under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, unless the expansion is a vertical expansion. Vertical expansions of qualifying existing facilities cannot be permitted for a duration of longer than three years.~~

Sec. 32. Minnesota Statutes 1990, section 116.12, subdivision 2, is amended to read:

Subd. 2. [HAZARDOUS WASTE GENERATOR FEE.] (a) Each generator of hazardous waste shall pay a fee on the hazardous waste generated by that generator. The agency shall compute the amount of the fee due based on the hazardous waste disclosures submitted by the generators and other information available to the agency. The agency shall annually prepare a statement of the amount of the fee due from each generator. The fee shall be paid annually commencing with the first day of the calendar quarter after the date of the statement.

(b) The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a minimum fee for each generator not exempted by the agency and an additional fee based on the quantity of wastes generated by the generator.

(c) If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. The agency shall not charge a fee in any metropolitan county which charges such a fee. The agency shall impose a fee calculated as a surcharge on the fees charged by the metropolitan counties and by the agency to reflect the agency's expenses in carrying out its statewide hazardous waste regulatory responsibilities. The surcharge imposed on the fees charged by the metropolitan counties shall be collected by the metropolitan counties in the manner in which the counties collect their generator fees. Metropolitan counties shall remit the proceeds of the surcharge to the agency by the last day of the month following the month in which they were collected.

(d) The agency may not impose a fee under this subdivision on

material that is reused at the facility where the material is generated in a manner that the facility owner or operator can demonstrate does not increase the toxicity of, or the level of hazardous substances or pollutants or contaminants in, products that leave the facility.

(b) "Agency" means the pollution control agency.

(c) "Minor modification" means a physical or operational change that does not increase the rated energy production capacity of a solid fuel fired boiler and which does not involve capital costs in excess of 20 percent of a new solid fuel fired boiler having the same rated capacity.

(d) "Refuse derived fuel" means a product resulting from the processing of mixed municipal solid waste in a manner that reduces the quantity of noncombustible material present in the waste, reduces the size of waste components through shredding or other mechanical means, and produces a fuel suitable for combustion in existing or new solid fuel fired boilers.

(e) "Solid fuel fired boiler" means a device that is designed to combust solid fuel, including but not limited to: wood, coal, biomass, or lignite to produce steam or heat water.

Subd. 2. [USE OF REFUSE DERIVED FUEL.] (a) Existing or new solid fuel fired boilers may utilize refuse derived fuel in an amount up to 30 percent by weight of the fuel feed stream under the following conditions:

(1) utilization of refuse derived fuel involves no modification or only minor modification to the solid fuel fired boiler;

(2) utilization of refuse derived fuel does not cause a violation of emissions limitations or ambient air quality standards applicable to the solid fuel fired boiler;

(3) the solid fuel fired boiler has a valid permit to operate; ~~and~~

(4) the refuse derived fuel is manufactured and sold in compliance with permits issued by the agency and:

(i) is produced by a facility for which a permit was issued by the agency before June 1, 1991; or

(ii) is produced by an agency-permitted facility designed as part of a regional waste management system at which facility the waste is mechanically and hand sorted to avoid inclusion of items containing mercury or other heavy metals in the waste that is processed into refuse derived fuel, and the refuse derived fuel producer has contracted with an end user to combust the fuel; and

(5) the owner or operator of the solid fuel fired boiler gives prior written notice to the commissioner of the agency of the amount of refuse derived fuel expected to be used and the date on which the use is expected to begin.

(b) A facility that produces refuse derived fuel that is sold for use in a solid fuel fired boiler may accept waste for processing only from counties that provide for the removal of household hazardous waste from the waste.

(c) The agency may not require, as a condition of using refuse derived fuel under this section, any additional monitoring or testing of a solid fuel fired boiler's air emissions beyond the monitoring or testing required by state or federal law or by the terms of the solid fuel fired boiler's permit issued by the agency.

(3) otherwise negotiate, with or without competitive bids, an interim waste collection system that may not be extended beyond the date the new organized collection system will be effective.

(b) This section does not affect the applicability of Minnesota Statutes, section 115A.94, to the city's new organized collection system.

**Sec. 46. [AUTOMOBILE WASTE; STUDY AND RECOMMENDATIONS.]**

The legislative commission on waste management, in consultation with the commissioner of the pollution control agency, the director of the office of waste management, and other interested persons, shall study the existing system for managing automobile-related wastes other than air emissions and, if necessary, recommend appropriate legislation for consideration during the 1993 legislative session to ensure that materials from automobiles that cause damage if released into the environment are properly removed and managed during maintenance and prior to recycling or disposal of the automobiles and to ensure that waste automobile hulks are properly recycled or disposed.

**Sec. 47. [CONSTRUCTION DEBRIS AND NONHAZARDOUS INDUSTRIAL WASTE; STUDY AND RECOMMENDATIONS.]**

The commissioner of the pollution control agency shall gather information about construction debris and nonhazardous industrial waste, including composition, possibilities for source reduction, recyclability and recycling rates, processibility and processing rates, and existing disposal system. The commissioner shall summarize the information and present the summary to the legislative commission on waste management by August 15, 1993, including, if the commissioner determines that legislation is necessary to adequately regulate generation and management of construction debris or nonhazardous industrial waste, recommendations for appropriate legislation.

**Sec. 48. [USED MOTOR OIL; STUDY AND RECOMMENDATIONS.]**

The commissioner of the pollution control agency, in consultation with the director of the office of waste management, shall identify

locations for the retail sale of motor oil and locations for the deposit and collection of used motor oil across the state to determine the extent of compliance with Minnesota Statutes, section 325E.11, and to determine whether used oil is being properly managed. By August 15, 1993, the commissioner shall report to the legislative commission on waste management on compliance with the law, the general management system for used motor oil, and any appropriate recommendations for legislation to ensure that used motor oil is properly managed and that persons who generate used motor oil have reasonably convenient opportunities for discarding the used oil.

Sec. 49. [ASSESSMENT OF REGIONAL WASTE MANAGEMENT NEEDS.]

By July 15, 1993, the director of the office of waste management, in consultation with, and after approval of metropolitan area information by, the chair of the metropolitan council, shall submit to the legislative commission on waste management a preliminary assessment of the need for additional regional solid waste management capacity in the state, including the metropolitan area. The preliminary assessment must be based on a review of existing county solid waste management plans, the current metropolitan solid waste management policy plan, and the current metropolitan counties' solid waste management master plans. The preliminary assessment of need for additional capacity must identify likely regions of the state, based on the current patterns for the flow and management of waste, within which the needs for capacity can be most efficiently and economically met. The assessment must be made in light of existing facilities and the waste management priorities and policies stated in Minnesota Statutes, section 115A.02, with strong emphasis given to the potential for significant improvements in waste reduction and recycling. The assessment must include estimates of the capital costs necessary to ensure sufficient solid waste management capacity for a period of at least 20 years, the extent to which fees and other existing financing methods can cover those costs, the extent to which those costs will need to be publicly subsidized, and the extent to which private investment is likely to occur in building and operating new capacity statewide.

Sec. 50. [DEGRADABLE LOOSE PACKING MATERIAL; STUDY.]

The director of the office of waste management, in consultation with the commissioner of agriculture, shall evaluate the relative economic, recycling, and waste management advantages and disadvantages of loose packing material manufactured from vegetable starches and loose packing material manufactured from petroleum products. (b) By October 9, 1994, the commissioner of the pollution control agency shall inspect all facilities and portions of facilities that have stopped accepting waste by October 9, 1993, to determine the status of closure activities and to evaluate the environmental and public health threats posed by the facility. The commissioner may undertake activities necessary to:

(1) evaluate the adequacy of final cover, slopes, vegetation, and erosion control;

(2) determine the presence and concentration of hazardous substances, pollutants or contaminants, and decomposition gases; and

(3) determine the boundaries of the fill areas.

(c) The commissioner of the pollution control agency shall identify actions that are necessary to achieve compliance with the following closure requirements at facilities inspected under paragraph (b):

(1) for a facility or portion of a facility that stopped accepting waste before November 15, 1988, the closure requirements in rules of the pollution control agency in effect on the effective date of this section; and

(2) for a facility or portion of a facility that stopped accepting waste after November 15, 1988, the closure requirements in the facility's permit and the rules of the pollution control agency in effect on the effective date of this section.

Actions identified by the commissioner under this paragraph may include moving or consolidating waste from facilities.

(d) The commissioner of the pollution control agency shall establish a proposed priority list of the evaluated facilities based on the relative risk or danger to public health or welfare or the environment, taking into consideration to the extent possible the population at risk, the hazardous potential of substances at the facility, the potential for contamination of drinking water supplies, the potential for direct human contact, the potential for destruction of sensitive ecosystems, and other appropriate factors.

## Sec. 52. [COUNTY RECYCLING; REPORT; 1991.]

For the reports due on August 1, 1992, under Minnesota Statutes, section 115A.557, subdivision 3, counties shall report recycling rates and information for calendar year 1991 rather than for the previous fiscal year.

Section 1. Minnesota Statutes 1990, section 13.72, is amended by adding a subdivision to read:

Subd. 8. [ORIGIN AND DESTINATION STUDIES; COMMUTER SURVEY DATA.] Data collected by the commissioner of transportation under section 174.258 are private data with regard to data on individuals or nonpublic data with regard to data not on individuals, including the subject's name, home address, telephone number, place of work, and commuting information. Summaries and analyses of the data collected are public data if they do not reveal private data or nonpublic data.

Sec. 2. Minnesota Statutes 1990, section 103F.351, is amended by adding a subdivision to read:

(b) A county may not reconstruct a route designated under paragraph (a) where the reconstruction project would (1) materially change the existing profile, alignment, recovery area, or cross-section of the existing highway, or (2) require the acquisition of any significant amount of real property, unless the project has been approved by the commissioner as provided in this subdivision. On receiving a request for approval of the project, the commissioner shall refer the request to the appropriate advisory committee established under section 162.021, subdivision 5, paragraph (b). The county may not proceed with the reconstruction project except in conformity with the commissioner's order. In any administrative or judicial proceeding regarding the project, the party proposing the change has the burden of justifying the change, and, if the change is for a reason other than to preserve the scenic, historical, or environmental characteristics of the highway corridor, has the burden of showing that the reasons for the change clearly outweigh the applicable scenic, historical, or environmental considerations.

No person who is without driving privileges at the time shall be issued a temporary license and any temporary license issued shall bear the same restrictions and limitations as the driver's license or permit for which it is exchanged.~~

COMMUNICATIONS AND ANNOUNCEMENTS RECEIVED  
SUBSEQUENT TO ADJOURNMENT SINE DIE

## PETITIONS AND COMMUNICATIONS

The following communications were received:

STATE OF MINNESOTA  
OFFICE OF THE GOVERNOR  
SAINT PAUL 55155

April 9, 1992

The Honorable Dee Long  
Speaker of the House of Representatives  
The State of Minnesota

Dear Speaker Long:

I have vetoed and I am returning Chapter 434, House File No. 2388/Senate File No. 2170, a bill relating to civil government.

Chapter 434 provides that a public officer may apply for a loan or grant from a housing and redevelopment authority or other jurisdiction administering loans or grants, and not be guilty of having a prohibited financial interest in contract.

I am concerned that permitting this exception will establish an intimidating environment for those staff persons charged with administering loans and grants in a fair, nondiscriminatory manner. In addition, where exceptions of this nature are to be permitted, the law should require that there be mandatory disclosure on the public record that the public officer intends to make use of an exception.

Sincerely,

ARNE H. CARLSON  
Governor

The preceding veto message was received from the Governor on Thursday, April 9, 1992. No action was taken by the House.

STATE OF MINNESOTA  
OFFICE OF THE GOVERNOR  
SAINT PAUL 55155

April 10, 1992

The Honorable Dee Long  
Speaker of the House of Representatives  
The State of Minnesota

Dear Speaker Long:

I have vetoed and am returning Chapter 457, House File No. 1114/Senate File No. 768, the bill purporting to guarantee gender balance in state government.

The bill makes gender the dominant factor in making appointments by generally calling for one-half of the membership of any appointed board, commission or other agency to be filled by one gender. This is an inappropriate intrusion into the Executive branch functions and is simply bad government.

First, the bill fails to provide any mechanism for addressing existing gender imbalances over the numerous boards, commissions and councils covered by the bills. Absent the ability to correct the mistakes and obvious omissions of past administrations, no appointing authority can achieve the results desired under this bill.

Second, it appears to suggest that race is not worthy of legislative "quota" protection when it comes to appointments - illustrating the risk of carving out exceptions when straight-forward good policy should govern.

Third, Chapter 457 appears to suggest that gender balance is only important when the appointments are made by the Governor and the agency commissioners but fails to consider appointments made by legislative and judicial bodies.

When Lieutenant Governor Joanell Dyrstad and I took office in January 1991, we gave the people of Minnesota an executive team that represented one of the strongest in the state's history in its inclusion of women, both in numbers and caliber. The extremely talented group of women we appointed brought the state of Minnesota national attention when I was recognized by the National Women's Political Caucus for appointment of women to top-level cabinet positions. Nine appointees of my 24-member cabinet are women.

In the state of Minnesota there are more than 200 boards, commissions, and councils subject to the open appointments law. During a four-year period, there are approximately 2000 gubernatorial

torial appointments to these boards and commissions. In making these 2000 appointments there are a number of critical factors to consider. Gender is certainly one of the important considerations, but by no means should it rise above all other protected group considerations.

The appointments I have made during my one and one-half year tenure as Governor clearly demonstrate my recognition that women are qualified and competent and should be appointed to government positions that allow the state to benefit from their contribution. I intend to continue this tradition of drawing on all of Minnesota's human resources.

Sincerely,

ARNE H. CARLSON  
Governor

The preceding veto message was received from the Governor on Friday, April 10, 1992. No action was taken by the House.
