[BOND SALE; DEBT SERVICE.] To provide the money appropriated from the state building fund in subdivisions 1, 2, 3 and 4 the commissioner of finance upon request of the governor shall sell and issue bonds of the state in an amount up to ~~\$3,275,000~~ \$3,775,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, Sections 16A.63 to 16A.67, and by the Constitution, Article XI, Sections 4 to 7.

Sec. 57. Laws 1979, Chapter 332, Article I, Section 115, Subdivision 2, is amended to read:

Subd. 3. [OPEN APPROPRIATIONS; COMPENSATION INCREASES.] (a) The compensation and economic benefit increases covered by this clause are those paid to classified and unclassified employees in the executive, legislative, and judicial branches of state government, and to employees of the Minnesota historical society and nonacademic employees of the University of Minnesota who are paid from state appropriations, if the increases are authorized by law during the 1979 session of the legislature or by appropriate resolutions for employees of the legislature. The amounts necessary to pay compensation and economic benefit increases covered by this clause are appropriated from the various

funds in the state treasury from which salaries are paid to the commissioner of finance for the fiscal years ending June 30, 1980, and June 30, 1981.

(b) The cost of living increases covered by this clause are those paid to classified employees pursuant to sections 43.12, subdivision 10 and 43.127, those paid to unclassified employees who are paid salaries comparable to employees in the classified service, and those paid to unclassified employees in the executive, legislative, and judicial branches of state government, and to employees of the Minnesota historical society and nonacademic employees of the University of Minnesota who are paid from state appropriations, if the increases are authorized by law during the 1979 session of the legislature or by appropriate resolutions for employees of the legislature. The amounts necessary to pay cost of living increases covered by this clause are appropriated from the various funds in the state treasury from which their salaries are paid to the commissioner of finance for the fiscal years ending June 30, 1980, and June 30, 1981, *except that the amount provided by the general fund shall not exceed \$17,535,800.*

(c) The amounts necessary to pay increased premium rates for basic life insurance and basic health benefit coverage authorized for eligible state employees and their dependents, in the event that these rates are increased over the rates in existence at the time of the passage of this act, are appropriated from the various funds in the state treasury from which these premiums are paid, to the commissioner of finance for the fiscal years ending June 30, 1980 and June 30, 1981.

(d) The commissioner shall transfer the necessary amounts to the proper accounts and shall promptly notify the committee on finance of the senate and the committee on appropriations of the house of representatives of the amount transferred to each appropriation account.

(e) Money certified as needed by the University of Minnesota and transferred to it under this subdivision shall be used only for the purpose certified. Any amount transferred that exceeds the actual amount of cost of living increases or insurance premium increases paid to or for university employees until June 30, 1981 shall be returned to the general fund.

Sec. 58. [EMPLOYEE STATUS.] *Persons employed by a state agency and paid from an appropriation in Laws 1979, Chapter 301, Section 3, Clause 10 are in the unclassified service and their continued employment is contingent upon the availability of money from that appropriation.*

Sec. 59. [SPRING VALLEY ABANDONED RIGHT OF WAY.] *Subdivision 1. [LEGISLATIVE FINDINGS AND CONCLUSIONS.] The legislature finds, for the reasons stated below, that it is in the best interest of the state to acquire a portion of the abandoned Chicago, Milwaukee, St. Paul and Pacific Railroad right-of-way between the vicinities of Ramsey in Mower County and LaCrescent in Houston County. The reasons are: (1) An*

approximately 33 mile portion of the right-of-way, east of Fountain, satisfies the criteria stated in Minnesota Statutes, Section 86A.05, Subdivision 4, Clause (b), for the establishment of a state trail pursuant to Minnesota Statutes, Sections 84.029, Subdivision 2; and 85.015, Subdivision 7; (2) Other portions of the right-of-way west of Spring Valley, satisfy the criteria stated in Minnesota Statutes, Section 86A.05, Subdivisions 5, Clause (b), for the establishment of a state scientific and natural area; (3) Development of these units of the outdoor recreation system can be accomplished in such a way as to minimize adverse effects on adjoining agricultural lands; and (4) The right-of-way from Spring Valley to Ramsey has been proposed for, and has high potential for use by the Austin Utilities Board as a high voltage power line.

**Subd. 2. [ACQUISITION AUTHORITY.]** Following the planning process and hearings specified in Laws 1979, Chapter 301, Section 7, the commissioner of natural resources shall acquire, for development of a state recreational trail and to hold for a potential utility use, the portions of the abandoned Chicago, Milwaukee, St. Paul and Pacific Railroad right-of-way described in subdivision 1, determined appropriate by commissioner after planning studies, including trestles, bridges and culverts from the railroad or from any person to whom the right-of-way may revert upon abandonment. The commissioner shall have the first rights of purchase and may acquire by gift, purchase or, if required to perfect title or to require the railroad to sell the line in segments, condemnation pursuant to Minnesota Statutes, Chapter 117.

**Subd. 3. [MITIGATION OF ADVERSE IMPACTS.]** To the maximum extent the commissioner shall develop and maintain the portion of right-of-way used for trail purposes so as to minimize adverse effects on adjoining agricultural land and property owners. To this end the commissioner shall:

(a) Notwithstanding the provisions of Minnesota Statutes, Section 94.342, Subdivision 3, offer to exchange land with landowners whose land is crossed or adjacent to the trail right-of-way where the exchange will minimize or mitigate impact on farming use, privacy or other beneficial use of the lands of the adjacent owner and is consistent with the trail use;

(b) Allow easements for drainage culverts and tile lines to cross the trail right-of-way without cost to adjacent landowners, provided that the commissioner may restrict the location and construction method of the culverts and tile lines to protect the resource;

(c) Provide and maintain fencing on both sides of the line at the expense of the state where requested by the adjoining landowner;

(d) Allow easements for crossing livestock and farm equipment of adjoining owners where necessary and convenient; and

(e) Assign, prior to the opening of the trail, a full time trail manager to this trail.

**Subd. 4. [FURTHER STUDY.]** The commissioner shall study,

and hold a hearing, in the manner provided in Laws 1979, Chapter 301, Section 7, on the appropriateness of developing a trail on the portion of the right-of-way from Ramsey to Dexter. If the commissioner determines such a trail use is appropriate, it shall conform to all requirements of subdivision 3, except the requirement for land exchanges under clause (a). Notwithstanding the provisions of Minnesota Statutes, Chapter 86A or other laws to the contrary, this portion of the right-of-way if used for a trail may be used for high voltage power line purposes.

Subd. 5. The commissioner shall designate and manage as scientific and natural areas those portions of the right-of-way from Ramsey to Spring Valley recommended by the Scientific and Natural Area Advisory Committee totaling approximately 10.3 miles. Notwithstanding the provisions of Minnesota Statutes, Chapter 86A, the commissioner may operate a trail on the land described in subdivision 1 that is designated as a scientific and natural area, provided that trail uses shall be limited and controlled in a manner to assure the protection of the scientific and natural area resource values. Further, notwithstanding the provisions of Minnesota Statutes, Chapter 86A, or any other laws to the contrary, the scientific and natural areas may be used for a high voltage power line, provided towers are located and constructed and the line maintained in a manner to insure protection of the resource.

Sec. 60. [TRANSPORTATION FINANCE STUDY COMMISSION.] Subdivision 1. An interim transportation finance study commission is created to examine the total state transportation system, present and future needs of the system, and the sources of transportation revenue of this state.

Subd. 2. In addition to the examination of the management and program system and its sources of revenue, the commission shall:

(a) Study and make recommendations regarding present and future finance methods and improved use of resources for the construction and maintenance of the state transportation system;

(b) Conduct a survey of communities within the state in order to determine:

(1) Which communities are not adequately being served by either rail access or nine ton roads;

(2) The costs of upgrading roads to either nine or ten ton capacity in those communities that are not adequately serviced; and

(3) Any other information concerning the possible improvement and revitalization of transportation services to those communities that the commission deems relevant; and

(c) File a report by January 1, 1981, with the legislature.

Subd. 3. The commission shall consist of five members of the senate, including the chairman of the senate committee on transportation, to be appointed by the subcommittee on committees of the committee on rules and administration of the senate and five

members of the house of representatives, including the chairman of the house committee on transportation, to be appointed by the speaker. The governor shall appoint five additional members representing a broad cross-section of the public interest. The compensation of non-legislator members, their removal, and the filling of vacancies shall be as provided in Minnesota Statutes, Section 15.059. The members of the commission shall be reimbursed for all expenses actually and necessarily incurred in the performance of their duties. For legislative members, reimbursement shall be made pursuant to the rules governing legislators and legislative employees. Expenses of the commission shall be approved by the chairman and the expenses shall be paid in the same manner as other state expenses are paid.

Subd. 4. The commission shall exist and act from the date its members are appointed. The commission is terminated on January 1, 1981.

Subd. 5. The commission shall hold meetings at the times and places it may designate. It shall select a chairman and other officers from its membership.

Subd. 6. The commission may request information and staff assistance from any state officer or agency to assist it in carrying out the duties specified in subdivision 2. The officer or agency shall promptly furnish any data and staff assistance requested to the extent permitted by law.

Sec. 61. [CORRECTIONAL SERVICES FINANCING; STUDY COMMITTEE EXTENSION.] Notwithstanding the provisions of Laws 1979, Chapter 336, Section 4, Subdivision 4, the committee created to study the financing of correctional services and the Community Corrections Act in Minnesota may continue to meet until it has completed its report to the legislature, but not after January 1, 1981. The department of corrections approved complement is increased by one effective July 1, 1980 through January 31, 1981, but this position shall be financed from salary savings.

Sec. 62. [REPEALER.] Minnesota Statutes, 1979 Supplement, Section 16.965, is repealed, effective January 1, 1981.

Sec. 63. [EFFECTIVE DATE.] This act is effective the day following final enactment."

Amend the title by deleting it and inserting:

"A bill for an act relating to the organization and operation of state government; clarifying, providing for deficiencies in, and supplementing appropriations for the expenses of state government with certain conditions; appropriating money; amending Minnesota Statutes 1978, Sections 15.0597, Subdivisions 3, 4, 5, 6 and 7; 16.854, Subdivision 1; 16A.131; 16A.67, Subdivision 1; 97.431, Subdivision 4; 97.432; 174.03, by adding a subdivision; 155.14; 214.06, Subdivision 1; 256.73, Subdivision 2; 256D.06, by adding a subdivision; 403.11, Subdivision 3; 473.408, by adding a subdivision; 473.435; and Chapters 16, by adding a section; and

Bids may not be solicited without approval by the board of the functional and physical specifications proposed for the vehicle system purchase contract. Eligible bidders shall be limited to suppliers who have provided people mover systems which have successfully served the public.

**Subd. 2. [CONTRACT AWARD.]** Contracts for equipment purchase and for construction may not be awarded without approval of the board. The purchase contract for the vehicle system shall require the supplier to assure that the vehicle system operates within the specifications of the contract and to maintain the vehicle system for a five year period of revenue operation at a fixed base price with escalation clauses. The five year period shall be extended for the period of time equal to the time when the vehicle system is not in service because of a failure of the system to perform according to the specifications of the contract. The contract shall contain a provision permitting termination of the operation and maintenance portion of the contract by the board at the end of any year of revenue operation.

**Subd. 3. [CERTIFICATION.]** No revenue operation of the people mover system shall begin until the board receives written notice, signed by the administrator of the urban mass transportation administration, stating that the vehicle system or the part proposed to be operated has been fully tested, that it meets the criteria for acceptance established by the authority that let the construction and equipment purchase contracts with the concurrence of the administration, and that it is ready for year-around

**Sec. 6. [ACCESS FACILITIES.]** *By December 15, 1980 the board, the commission and the city shall report to the legislature on their plans for improving and facilitating access to the people mover system from other modes of transportation. In addition to filing copies of the reports as provided in section 3.195, the board, the city and the commission shall provide oral presentations of the reports to the appropriate standing committees of the legislature. The commission, subject to the approval of the board, shall produce a plan for managing the relationship between transit vehicles and the people mover to enhance ridership, revenue and patron satisfaction on both systems. The city, subject to the approval of the board, shall produce parking and traffic and pedestrian management plans, including plans for the construction of fringe parking ramps or lots and skyways to improve and facilitate access to the people mover system. The parking plans shall identify the specific locations and capacities of the proposed facilities, along with preliminary design, engineering, and traffic management studies. The plans shall include a development program with a schedule for the development of such facilities and a detailed financial plan demonstrating financial capability for a prospective five year period to support the capital, operating, maintenance and promotional costs of the parking and other access facilities.*

[REDUCED OR SOCIAL FARES.] Fares charged during non-peak hours for elderly and handicapped riders shall not exceed one-half of the peak hour fares for the general public. The board may charge the social fares provided in Minnesota Statutes, Section 473.408, Subdivision 3, during non-peak hours. The board shall determine the peak and non-peak hours of the people mover system for purposes of the reduced fares provided in this subdivision. Reduced or social fares charged by the board shall be reimbursed by the Minnesota department of transportation as provided in Minnesota Statutes, Section 174.24, Subdivision 4.*

**Subd. 2. [TRANSFER POLICY.]** *All fares charged to riders of*

*the people mover system who transfer from the system to transit service provided by the commission shall be paid to the commission. No additional fare shall be charged to any rider who transfers to the people mover system from transit service provided by the commission.*

**Sec. 8. [OPERATING DEFICIT; DETERMINATION AND PAYMENT.]** *Subdivision 1. Any operating deficit of the people mover system shall be paid as provided in this section and section 9.*

*Subd. 2. For the purposes of this section and section 9, "operating deficit" means that portion of the costs of operating, maintaining and promoting the people mover system during the period of revenue service which exceeds the amount received from revenues of the system, reimbursement for reduced or social fares, federal operating assistance and other sources exclusive of payments by the city, the commission and owners of benefited properties as provided in this section and section 9.*

*Subd. 3. As soon as practicable before the start of revenue service, the board shall:*

*(a) Establish an operating deficit account for the deposit of all money required to be paid pursuant to this section by the city, the commission and owners of benefited properties and for the payment of the operating deficit;*

*(b) Determine the estimated operating deficit for the calendar year in which revenue service is expected to begin and for the first year of revenue service;*

*(c) Determine the amount of the share required from the city, the commission and the owners of benefited properties to pay the estimated operating deficit as provided in section 9. If the system is expected to be in revenue service for only a portion of the first calendar year of revenue service, the shares shall be prorated according to the percentage of the year the system is expected to be in revenue service; and*

*(d) Establish procedures which assure that an amount equal to the estimated operating deficit for the calendar year in which service begins, as determined under clause (b), is paid to the operating deficit account by the city and the commission not later than the first day of revenue service and that additional amounts will be paid by the city and the commission if necessary to pay the actual operating deficit through the end of the first full calendar year of revenue service. 241.021 [LICENSING AND SUPERVISION OF INSTITUTIONS AND FACILITIES.] Subdivision 1. [SUPERVISION OVER CORRECTIONAL INSTITUTIONS; ADVISORY TASK FORCES.] (1) The commissioner of corrections shall inspect and license all correctional facilities throughout the state, whether public or private, established and operated for the detention and confinement of persons detained or confined therein according to law except to the extent that they are inspected or licensed by other state regulating agencies. He shall promulgate pursuant to chapter 15, rules establishing minimum standards for these facilities with respect to their management, operation, physical condition, and the security, safety, health, treatment and discipline of persons detained or confined therein. Commencing September 1, 1980, no individual, corporation, partnership, voluntary association or other private organization legally responsible for the operation of a correctional facility may operate the facility unless licensed by the commissioner of corrections. The commissioner may provide by rule for provisional licenses which authorize

the operation of a correctional facility on a temporary basis where the operator is temporarily unable to comply with all of the requirements for a license. Notwithstanding the provisions of sections 15.0412 and 15.0413, rules setting standards for group homes established under the direction of the juvenile courts shall not take effect until September 1, 1979. The commissioner shall have access to the buildings, grounds, books, records, staff and to persons detained or confined in these facilities. He may require the officers in charge of these facilities to furnish all information and statistics he deems necessary, upon forms furnished by him. *Rules promulgated hereunder establishing the maximum number of children permitted to reside in group homes shall require that children in the group foster parents' natural family be counted in the number of children actually residing in the group home, and the application of the rules providing the maximum number and manner of counting residents shall not be waived.*

(2) Any state agency which regulates, inspects, or licenses certain aspects of correctional facilities shall, insofar as is possible, ensure that the minimum standards it requires are substantially the same as those required by other state agencies which regulate, inspect, or license the same aspects of similar types of correctional facilities, although at different correctional facilities.

(3) Nothing in this section shall be construed to limit the commissioner of corrections' authority to promulgate rules establishing standards of eligibility for counties to receive funds under sections 401.01 to 401.16, or to require counties to comply with operating standards the commissioner establishes as a condition precedent for counties to receive that funding.

(4) When the commissioner finds that any facility described in clause (1) of this subdivision, except foster care facilities for delinquent children and youth as provided in subdivision 2, does not conform to the minimum standards established by law or by the commissioner, he shall promptly notify the chief executive officer and the governing board of the facility of the deficiencies and order that they be remedied within a reasonable period of time. The commissioner may by written order restrict the use of any facility which does not substantially conform to minimum standards to prohibit the detention of any person therein for more than 72 hours at one time. When, after due notice and hearing, the commissioner finds that any facility described in this subdivision, except county jails and lockups as provided in sections 641.26, 642.10, and 642.11, does not conform to minimum standards, or is not making satisfactory progress toward substantial compliance therewith, he may issue his order revoking the license of that facility. After revocation of its license, that facility shall not be used until its license is renewed. When the commissioner is satisfied that satisfactory progress towards substantial compliance with minimum standard is being made, he may, at the request of the appropriate officials of the affected facility supported by a written schedule for compliance, grant an extension of time for a period not to exceed one year.

(5) As used in this subdivision, "correctional facility" means

any facility, including a group home, having a residential component, the primary purpose of which is to serve persons placed therein by a court, court services department, parole authority, or other correctional agency having dispositional power over persons charged with, convicted or adjudicated to be guilty or delinquent."

(3) If an employee in the classified civil service accepts a newly created unclassified position, he shall retain an inactive classified civil service status and, upon his request, shall be reappointed to a classified position comparable to that which he held immediately prior to being appointed to the unclassified position.

43.24 [REMOVAL.] Subdivision 1. [WRITTEN STATEMENT.] No permanent employee in the classified service, under the provisions of this chapter or the rules made pursuant thereto, shall be removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position, except for just cause. In case of any disciplinary action, as enumerated in this section, the employee shall, before the action is taken, be furnished with a statement, in writing, setting forth the reasons for the disciplinary action, be permitted five days time to reply thereto, in writing, or upon his request, to appear personally and reply to the head of the department. A copy of the statement and the employee's reply, if any, shall be filed with the commissioner prior to the effective date thereof. Any permanent employee in the classified service who is removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position, shall be notified no later than the effective date of the action of his right to appeal the action to the *board chief hearing examiner of the state office of administra-*

*tive hearings who shall assign a hearing examiner to hear the matter.*

Subd. 1a. [JUST CAUSE.] For the purposes of this section, "just cause" includes, but is not limited to, consistent failure to perform assigned duties, substandard performance, insubordination, and serious violation of written policies and procedures, provided the policies and procedures are applied in a uniform, non-discriminatory manner. "Just cause" excludes the religious beliefs, political beliefs, race, sex, disability status and age of the employee, subject however to mandatory retirement ages specified by law and excludes discharge for mere whim or caprice.

Subd. 2. [APPEAL TO BOARD; PUBLIC HEARINGS, FINDINGS, HEARING CONFERENCE.] Any permanent employee who is removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position and who has not elected to proceed pursuant to a grievance procedure, if *such the* procedure is available, pursuant to sections 179.61 to 179.77, may appeal to the *board chief hearing examiner of the state office of administrative hearings who shall assign a hearing examiner to hear the matter* within 30 days after the effective date of *such the* removal, discharge, suspension or reduction in pay or position. In no event may an employee avail himself of both the procedure under this section and the grievance procedure under sections 179.61 to 179.77. Upon *such* appeal, both the appealing employee and the appointing authority or their representatives shall meet with the hearing officer, at a place and on *such a* date as set by him for the purpose of determining the facts at issue. Prior to the hearing conference, both parties may stipulate on mutually agreed matters relevant to the dismissal or other disciplinary action referred to in this subdivision. If the hearing officer is successful in reaching a mutually agreed settlement between both parties, such agreement shall be certified to the *board chief hearing examiner*, with copies furnished to both parties, and *such the* agreement, if approved by the *board chief hearing examiner*, shall become binding on both parties. The hearing conference shall be conducted in such manner and follow such procedures as prescribed by the *board contested case provisions of chapter 15*. The issues and facts on which agreement has not been reached will be decided during the hearing at which hearing technical rules of evidence shall not apply. If the *board hearing examiner* finds that the action complained of was not taken by the appointing authority for just cause, the employee shall be reinstated to his position, or an equal position in another department or division, without loss of pay. If the *board hearing examiner* finds that there exist sufficient grounds for institution of dismissal but extenuating circumstances are brought out in testimony and evidence, *it he* may in *its his* discretion reinstate the employee, with full, partial, or no pay, or it may modify the appointing authority's action by substituting a lesser disciplinary action. The hearing officer shall recommend to the *board chief hearing examiner* an appropriate disposition of the case. If no exceptions are made, the hearing officer's recommended disposition shall, at the option of the *board chief hearing examiner*, become final. If exceptions are taken, the *board chief hearing*

*examiner*, upon a review of the record, may accept the officer's recommendations with or without additional oral or written evidence from the parties, may remand the case to the officer for further hearing, adopt the hearing officer's report with any changes warranted by the record, or issue its own report of findings and orders. In those cases in which the *board chief hearing examiner* finds just cause for dismissal, the findings and recommendations of the board shall be submitted to and considered by the appointing authority, who may, not later than 30 days after receipt of such the findings and recommendations, reinstate the employee with or without pay for the period of suspension, or otherwise modify his original decision of suspension, demotion, or discharge. When any permanent employee is dismissed and not reinstated after appeal, the *board chief hearing examiner* may direct that his name be placed on an appropriate reemployment list, for employment in any similar position other than the one from which he has been removed, which direction shall be enforced by the commissioner. *If the chief hearing examiner supports the agency decision, or if the agency refuses to accept the chief hearing examiner's recommendations, the employee may appeal as though from a contested case decision pursuant to chapter 15.*

Subd. 3. [REQUEST FOR WRITTEN STATEMENT.] When any such permanent employee shall be suspended without pay, he shall, within 30 days time after being notified of such disciplinary action, be furnished with a statement in writing specifically setting forth the reasons for the disciplinary action, and a copy of such statement shall then also be filed with the commissioner.

Subd. 2. The election judges shall compare the voter's name with the names appearing on their copy of the application records to insure that the voter has not already returned a ballot in the election. The number of election judges appointed shall be determined by considering the number of voters in the entire city as if they were voters in a single precinct. Separate ballot boxes shall be provided and separate returns made for each precinct in the city.*

**Subd. 3. [DESIGNATION EFFECTIVE UNTIL CHANGED.]** *The designation of a polling place pursuant to this section shall remain effective until a different polling place is designated for that precinct. **Sec. 38. [204B.38] [NAMES ON BALLOTS; IDENTICAL DESCRIPTIVE WORDS.]** *When the similarity of surnames of two or more candidates for the same office at the same election may cause confusion to voters, up to three additional words may be printed on the ballot after each surname to indicate the candidate's occupation, office, residence or any combination of them if the candidate furnishes the identifying words to the filing officer by the last day for withdrawal of candidacy.*

**Sec. 39. [204B.39] [SUBSTITUTE BALLOTS.]** *If a sufficient number of official ballots are not delivered or if the official ballots are stolen or destroyed and a sufficient number of official*

ballots cannot be procured, the official in charge of preparing the official ballots shall prepare substitute ballots in the form prescribed by this section. The substitute ballots shall be prepared in the same form as official ballots as far as practicable. The word "Substitute" shall be printed in brackets immediately above the words "Official Ballot". When the substitute ballots are delivered to the municipal clerks or election judges they shall be accompanied by an initialed affidavit of the officer preparing them. The affidavit shall state that the substitute ballots have been prepared and furnished in the manner prescribed by this section and shall state the reason why sufficient official ballots were not ready for delivery. The election judges shall include this affidavit with the election returns from that precinct.

Sec. 40. [204B.40] [BALLOTS; ELECTION RECORDS AND OTHER MATERIALS; DISPOSITION.] The county auditors and municipal clerks shall retain all election materials returned to them after any election for at least one year from the date of that election. All election materials involved in a contested election shall be retained for one year or until the contest has been finally determined, whichever is later. Abstracts filed by canvassing boards shall be retained permanently by any officer with whom those abstracts are filed. Election materials no longer required to be retained pursuant to this section shall be disposed of in accordance with Minnesota Statutes, Sections 138.163 to 138.21.

Sec. 41. [204B.41] [VACANCY IN NOMINATION; CHANGING BALLOTS.] When a vacancy in nomination is filled pursuant to Article IV, Section 13, after the ballots have been printed, the officer in charge of preparing the ballots shall prepare and distribute a sufficient number of separate paper ballots which shall be headed with the words "OFFICIAL SUPPLEMENTAL BALLOT". This ballot shall contain the title of the office for which the vacancy in nomination has been filed and the names of all the candidates nominated for that office. The ballot shall conform to the provisions governing the printing of other official ballots as far as practicable. The title of the office and the names of the candidates for that office shall be blotted out or stricken from the regular ballots by the election judges. The official supplemental ballot shall be given to each voter when he is given the regular ballot or is directed to the voting machine. Regular ballots shall not be changed nor shall official supplemental ballots be prepared as provided in this section during the three calendar days before an election. Absentee ballots that have been mailed prior to the preparation of official supplemental ballots shall be counted in the same manner as if the vacancy had not occurred. Official supplemental ballots shall not be mailed to absent voters to whom ballots were mailed before the official supplemental ballots were prepared.

Sec. 42. [204B.42] [PAPER COLOR FOR SAMPLE BALLOTS.] No sample ballot shall be printed on paper of the same color as any official ballots except when printed in black ink on white paper and appearing in a newspaper as news matter. A violation of this section is a misdemeanor.

**Sec. 43. [204B.43] [UNLAWFUL PRINTING OR DISTRIBUTION OF BALLOTS; PENALTY.]** *Every person authorized or employed to print official ballots who knowingly gives or delivers those ballots to, or knowingly permits them to be taken by, any person other than the official under whose direction they are being printed, or who knowingly prints any ballot or causes or permits any ballot to be printed in a form other than that prescribed by law, or with any other names on it, or with the names of candidates or the titles of offices arranged or the names of candidates spelled in any way other than that authorized and directed by that official, is guilty of a felony.*

**Sec. 44. [204B.44] [ERRORS AND OMISSIONS; REMEDY.]**  
**Subdivision 1.** *Any individual may file a petition in the manner provided in this subdivision for the correction of any of the following errors, omissions or wrongful acts which have occurred or are about to occur:*

(a) *An error or omission in the placement or printing of the name or description of any candidate on any official ballot;*

(b) *Any other error in preparing or printing any official ballot;*

(c) *Failure of the chairman or secretary of the proper committee of a major political party to execute or file a certificate of nomination;*

(d) *Any wrongful act, omission, or error of any election judge, municipal clerk, county auditor, canvassing board or any of its members, the secretary of state, or any other individual charged with any duty concerning an election.*

*The petition shall describe the error, omission or wrongful act and the correction sought by the petitioner. The petition shall be filed with any judge of the supreme court in the case of an election for state or federal office or any judge of the district court in that county in the case of an election for county or municipal office. The petitioner shall serve a copy of the petition on the officer, board or individual charged with the error, omission or wrongful act, and on any other party as required by the court. Upon receipt of the petition the court shall immediately set a time for a hearing on the matter and order the officer, board or individual charged with the error, omission or wrongful act to correct the error or wrongful act or perform the duty or show cause why he should not do so. The court shall issue its findings and a final order for appropriate relief as soon as possible after the hearing. Failure to obey the order is contempt of court.*

*Subd. 3. [ELECTIONS ON A QUESTION.] At an election where a question is to be voted upon, the mayor of a city or the board of supervisors of a town, upon receiving a written petition signed by at least 25 eligible voters, shall appoint by written certificate one voter for each precinct in the municipality to act as a challenger of voters in the polling place for that precinct.*

*Subd. 4. [RESTRICTIONS ON CONDUCT.] The election judges shall permit challengers appointed pursuant to this section to be present in the polling place during the hours of voting and to remain there until the votes are counted and the results declared. No challenger shall handle or inspect registration cards, files, or lists. Challengers shall not prepare in any manner any list of individuals who have or have not voted. They shall not attempt to influence voting in any manner. They shall not converse with a voter except to determine, in the presence of an election judge, whether the voter is eligible to vote in the precinct.*

*Sec. 8. [204C.08] [OPENING OF POLLING PLACES.] Subdivision 1. [DISPLAY OF FLAG.] Upon their arrival at the polling place on the day of election, the election judges shall cause the national flag to be displayed on a suitable staff at the entrance to the polling place. The flag shall be displayed continuously during the hours of voting. The election judges shall receive no compen-*

sation for any time during which they wilfully fail to display the flag as required by this subdivision.

**Subd. 2. [POSTING OF VOTING INSTRUCTIONS.]** Before the hours for voting are scheduled to begin, the election judges shall post any official voter instruction posters furnished to them in a conspicuous location or locations in the polling place.

**Subd. 3. [LOCKING OF BALLOT BOXES.]** Immediately before the time when voting is scheduled to begin, one of the election judges shall open the ballot boxes in the presence of the individuals assembled at the polling place, turn the boxes upside down to empty them, lock them, and deliver the key to another election judge. The boxes shall not be reopened except to count the ballots after the hours for voting have ended and all voting has been concluded. The boxes shall be kept in public view at all times during voting hours. After locking the ballot boxes, the election judges shall proclaim that voting may begin, and shall post outside the polling place conspicuous written or printed notices of the time when voting is scheduled to end.

**Subd. 4. [BALLOT BOXES, BOX-CAR SEALS.]** The governing body of a municipality by resolution may direct the municipal clerk to furnish a box-car seal for each ballot box in place of a lock and key. Each seal shall consist of a numbered metal strap with a self-locking device securely attached to one end of the strap so that the other end may be inserted and securely locked in the seal.

**Sec. 9. [204C.09] [BALLOT PREPARATION BY ELECTION JUDGES.]** Subdivision 1. [INITIALLING.] Before the voting begins, or as soon as possible after it begins, at least two election judges shall each initial the backs of all the ballots. The election judges shall not otherwise mark the ballots.

**Subd. 2. [DISTRIBUTION PROCEDURE.]** Official ballots shall be distributed only in the room containing the voting booths and only to individuals who are about to vote, except as otherwise provided in Article V, Section 15, Subdivision 2. No official ballots shall be distributed to a voter unless it has been initialed by the election judges as provided in subdivision 1.

**Sec. 10. [204C.10] [PERMANENT REGISTRATION; COMPLETION OF VOTER CERTIFICATES; VERIFICATION OF REGISTRATION.]** In election precincts with a permanent registration system, an individual seeking to vote shall print his name and address on a certificate which states that the individual is registered and will be voting only in that precinct. The individual shall then sign the certificate.

An election judge shall compare the signature on the voter's certificate with the signature as it appears on the duplicate registration card. If the election judge is satisfied that the signatures are the same, the election judge shall initial the certificate and record the fact of voting on the back of the duplicate registration card. The initialed certificate shall be handed to the voter, who

*shall deliver it to the election judge in charge of ballots as proof of the right to vote.*

**Sec. 11. [204C.11] [PRECINCTS WITHOUT PERMANENT REGISTRATION; ELECTION REGISTER.] Subdivision 1. [ELECTION REGISTERS; FORM.]** *Two election registers shall be provided for each election precinct without a permanent registration system by the county auditor in unorganized territory or the municipal clerk in a municipality. Two election judges shall have charge of them, each using one election register as provided in this section. Each election register shall be headed by the name of the precinct, and shall contain one column headed "Name of Voter," one headed "Residence," one headed "Address of Most Recent Prior Registration" and one headed "Remarks". Each election register shall contain the names of the voters in alphabetical order according to the first letter of their surnames. Names beginning with the same letter of the alphabet shall be grouped together with not more than one group on each page. The names in each group shall be separately numbered beginning with the numeral "1".*

**Subd. 2. [EVIDENCE OF ELIGIBILITY TO VOTE.]** *In election precincts without a permanent registration system, an individual seeking to vote shall give his first and last name, middle initial, street or route, city and county of residence and the address of most recent prior registration to the election judges in charge of the election registers. The individual shall also give the election judges sufficient evidence to satisfy them that he maintains residence in the precinct and shall state under oath that he is at least 18 years of age and has been a resident of the state for at least 20 days immediately preceding the election. An individual who refuses to provide the information required by this subdivision shall not be allowed to vote.*

**Subd. 3. [ENTRIES IN ELECTION REGISTERS.]** *When the election judges in charge of the election registers are satisfied that an individual is eligible to vote in that precinct, they shall enter the individual's name, residence and address of most recent prior registration in the proper place in the election registers.*

**Sec. 12. [204C.12] [CHALLENGES TO VOTERS; PENALTY.] Subdivision 1. [MANNER OF CHALLENGING.]** *An election judge shall, and an authorized challenger or other voter may, challenge an individual whom he knows or reasonably believes is not an eligible voter.*

**Subd. 2. [STATEMENT OF GROUNDS; OATH.]** *The challenger shall state the ground for the challenge, and an election judge shall administer to the challenged individual the following oath:*

*"Do you solemnly swear that you will fully and truly answer all questions put to you concerning your eligibility to vote at this election?"*

*The election judge shall then ask the challenged individual*

sufficient questions to test that individual's residence and right to vote.

**Subd. 3. [DETERMINATION OF RESIDENCE.]** In determining the legal residence of a challenged individual, the election judges shall be governed by the principles contained in Article I, Section 4. If the challenged individual's answers to the questions show that he is not eligible to vote in that precinct, he shall not be allowed to vote. If the individual has marked ballots but not yet deposited them in the ballot boxes before the election judges determine that he is not eligible to vote in that precinct, the marked ballots shall be placed unopened with the spoiled ballots. If the answers to the questions fail to show that the individual is not eligible to vote in that precinct and the challenge is not withdrawn, the challenged individual shall sign an affidavit stating that he is a citizen of the United States; is 18 years of age; is an actual resident of that precinct; is an eligible voter in that precinct; and has not already voted at that election.

After signing the affidavit, the challenged individual shall be allowed to vote.

**Subd. 4. [REFUSAL TO ANSWER QUESTIONS OR SIGN AFFIDAVIT.]** A challenged individual who refuses to answer questions or sign an affidavit as required by this section shall not be allowed to vote. No challenged individual who leaves the polling place and returns later willing to answer questions or sign an affidavit shall be allowed to vote. In precincts without voter registration the name of the individual shall not be entered or allowed to remain on the election register.

**Subd. 5. [ELECTION JUDGES; PENALTIES.]** An election judge who fails to carry out the duties prescribed by this section is guilty of a gross misdemeanor.

**Sec. 13. [204C.13] [RECEIVING AND MARKING BALLOTS.]** **Subdivision 1. [HANDING BALLOT TO VOTER.]** When the election judges are satisfied that an individual is eligible to vote in that precinct, the election judge in charge of the ballots shall give the voter only one ballot of each kind that is to be voted upon at that precinct. Each ballot shall be removed separately as needed for each voter from the previously initialled pile of ballots.

**Subd. 2. [VOTING BOOTHS.]** One of the election judges shall explain to the voter the proper method of marking and folding the ballots. Except as otherwise provided in Article V, Section 15, the voter shall retire alone to an unoccupied voting booth and mark the ballots without undue delay. The voter may take sample ballots into the booth to assist in voting. The election judges may adopt and enforce reasonable rules governing the amount of time a voter may spend in the voting booth marking ballots.

**Subd. 3. [MARKING BALLOTS.]** The voter shall mark each ballot in the following manner:

(a) A mark (X) shall be placed in the square opposite the printed name of each candidate for whom the individual desires to vote, and in the square before the "YES" or "NO" if the individual desires to vote for or against a question.

(b) The voter may write in other names on the lines provided under the printed names of the candidates, except that no names shall be written in on primary ballots.

(c) At a state primary an individual may vote for candidates of only one major political party on the partisan primary ballot. If a partisan primary ballot contains votes for the candidates of more than one major political party, the ballot is totally defective and no vote on the ballot shall be counted.

(d) An individual who spoils a ballot may return it to the election judges and receive another.

**Subd. 4. [FOLDING BALLOTS.]** After marking the ballots, the voter shall fold each of them separately to conceal the face and all marks on it, and to expose only the initials of the election judges on the back of the ballot.

**Subd. 5. [DEPOSIT OF BALLOTS IN BALLOT BOXES.]** The voter shall then withdraw from the voting booth with the ballots and hand them to the election judge in charge of the ballot boxes. That election judge shall immediately deposit each ballot in the proper box. Ballots that have not been initialled by the election judges as provided in Article V, Section 9, shall not be deposited in the ballot box.

**Subd. 6. [CHALLENGE OF VOTER; TIME LIMITS; DISPOSITION OF BALLOTS.]** At any time before the ballots of any voter are deposited in the ballot boxes, the election judges or any individual who was not present at the time the voter procured the ballots, but not otherwise, may challenge the eligibility of that voter and the deposit of any received absentee ballots in the ballot boxes. The election judges shall determine the eligibility of any voter who is present in the polling place in the manner provided in Article V, Section 12, and if the voter is found to be not eligible to vote, shall place the ballots of that voter unopened among the spoiled ballots. The election judges shall determine whether to receive or reject the ballots of an absent voter and whether to deposit received absentee ballots in the ballot boxes in the manner provided in Article III, Sections 12, 24 and 25, and shall dispose of any absentee ballots not received or deposited in the manner provided in Article III, Section 12. A violation of this subdivision by an election judge is a gross misdemeanor.

**Subd. 7. [LEAVING THE POLLING PLACE.]** An individual who has voted or whose ballot has been rejected shall leave the polling place and shall not return except as provided by Article V, Section 6 or 7.

**Sec. 14. [204C.14] [UNLAWFUL VOTING; PENALTIES]**  
No individual shall intentionally:

(a) *Misrepresent his identity in applying for a ballot, depositing a ballot in a ballot box or attempting to vote by means of a voting machine or electronic voting system;*

(b) *Vote more than once at the same election;*

(c) *Put a ballot in a ballot box for any illegal purpose;*

(d) *Give more than one ballot of the same kind and color to an election judge to be placed in a ballot box;*

(e) *Aid, abet, counsel or procure another to go into any precinct for the purpose of voting in that precinct, knowing that the other individual is not eligible to vote in that precinct; or*

(f) *Aid, abet, counsel or procure another to do any act in violation of this section.*

*A violation of this section is a felony.*

**Sec. 15. [204C.15] [ASSISTANCE TO VOTERS.]** *Subdivision 1. [INTERPRETERS; PHYSICAL ASSISTANCE IN MARKING BALLOTS.] A voter who states under oath that he is in need of assistance because he cannot read English or is physically unable to mark a ballot may obtain the aid of two election judges who are members of different major political parties. The election judges shall mark the ballots as directed by the voter and in as secret a manner as circumstances permit. If the voter cannot speak English or understand it when it is spoken, the election judges may select two individuals who are members of different major political parties to act as interpreters. The interpreters shall take an oath similar to that taken by election judges, and shall assist the individual in marking the ballots. A voter in need of assistance may alternatively obtain the assistance of a voter of the same precinct who, unaccompanied by an election judge, shall retire with that voter to a booth and mark the ballot as directed by the voter. No voter who assists another voter as provided in the preceding sentence shall mark the ballots of more than three voters at one election. Before the ballots are deposited, the voter may show them privately to an election judge to ascertain that they are marked as the voter directed. An election judge or other individual assisting a voter shall not in any manner request, persuade, induce, or attempt to persuade or induce the voter to vote for any particular political party or candidate. The election judges or other individuals who assist the voter shall not reveal to anyone the name of any candidate for whom the voter has voted or anything that took place while assisting the voter.*

**Subd. 2. [OUTSIDE THE POLLING PLACE.]** *An individual who is unable to enter a polling place where paper ballots or an electronic voting system are used may register and vote without leaving his motor vehicle. Two election judges who are members of different major political parties shall assist the voter to register and to complete a voter's certificate and shall provide the necessary ballots. The voter may request additional assistance in marking ballots as provided in subdivision 1.*

**Subd. 3. [VOTING LINES.]** *In all polling places two election judges shall assist a disabled voter to enter the polling place and go through the registration and voting lines. The voter may also request the assistance of election judges or any other individual in marking ballots, as provided in subdivision 1.*

**Sec. 16. [204C.16] [MISMARKING BALLOTS; DISCLOSURE OF MARKINGS BY OTHERS.]** *An election judge or other individual who marks the ballot of any voter, except as authorized by law and as directed by the voter, or who informs anyone other than the voter how the ballot was marked, is guilty of a gross misdemeanor.*

**Sec. 17. [204C.17] [VOTING; SECRECY.]** *Except as authorized by Article V, Section 15, a voter shall not reveal to anyone in the polling place the name of any candidate for whom the voter intends to vote or has voted. A voter shall not ask for or receive assistance in the marking of a ballot from anyone within the polling place except as authorized by Article V, Section 15. If a voter, after marking a ballot, shows it to anyone except as authorized by law, the election judges shall refuse to deposit the ballot in any ballot box and shall place it among the spoiled ballots. Unless the showing of the ballot was clearly intentional, the voter shall receive another ballot as provided in Article V, Section 13, Subdivision 3, Clause (d).*

**Sec. 18. [204C.18] [BALLOTS; SECRECY.] Subdivision 1. [PARTY PREFERENCES; PROTECTION OF SECRECY.]** *The election judges shall make no entry or notation in the election register or anywhere else showing the political party to which a voter belongs or for which political party he voted. No election judge shall knowingly permit anyone in the polling place to make such an entry or notation.*

**Subd. 2. [BALLOTS; IDENTIFYING MARKS.]** *No voter, election judge, or other individual shall place at any time a mark as a means of identification upon any ballot handed to or cast by a voter or upon spoiled or discarded ballots, except the initials authorized by Article V, Section 9. A violation of this subdivision is a gross misdemeanor.*

**Sec. 19. [204C.19] [COUNTING VOTES.] Subdivision 1. [PROCEDURE.]** *When the hours for voting have ended and all voting has concluded, the election judges shall immediately count the votes cast at the election. The count shall be held at the polling place and shall be public. It shall be continued without intermission until it is completed and the results are declared, except that the election judges may recess for meals or other necessary purposes. During the count no one except the election judges shall handle the ballots. Any other individual who touches or interferes with ballots during the counting or any election judge who permits such touching or interference is guilty of a misdemeanor.*

**Subd. 2. [BALLOTS; ORDER OF COUNTING.]** *Except as otherwise provided in this subdivision, the ballot boxes shall be opened, the votes counted, and the total declared one box at a*

time in the following order: the white box, the pink box, the canary box, the light green box, and then the other kinds of ballots voted at the election. If enough election judges are available to provide counting teams of four or more election judges for each box, more than one box may be opened and counted at the same time. The election judges on each counting team shall be members of at least two different major political parties. The numbers entered on the summary sheet shall not be considered final until the ballots in all the boxes have been counted and corrections have been made if ballots have been deposited in the wrong boxes.

**Subd. 3. [PREMATURE DISCLOSURE OF COUNT RESULTS.]** No count results from any precinct shall be disclosed by any election judge or other individual until all count results from that precinct are available, nor shall the public media disclose any count results from any precinct before the time when voting is scheduled to end in the state.

**Sec. 20. [204C.20] [BALLOTS; NUMBER TO BE COUNTED.]**  
**Subdivision 1. [DETERMINATION OF PROPER NUMBER.]** The election judges shall determine the number of ballots to be counted by adding the number of return envelopes from accepted absentee ballots to the number of signed voter's certificates, or to the number of names entered in the election register. The election judges shall then remove all the ballots from the box. Without considering how the ballots are marked, the election judges shall ascertain that each ballot is separate and shall count them to determine whether the number of ballots in the box corresponds with the number of ballots to be counted.

**Subd. 2. [EXCESS BALLOTS.]** If two or more ballots are found folded together like a single ballot, the election judges shall lay them aside until all the ballots in the box have been counted. If it is evident from the number of ballots to be counted that the ballots folded together were cast by one voter, the election judges shall preserve but not count them. If the number of ballots in one box exceeds the number to be counted, the election judges shall examine all the ballots in the box to ascertain that all are properly marked with the initials of the election judges. If any ballots are not properly marked with the initials of the election judges, the election judges shall preserve but not count them. If there is still an excess of properly marked ballots, the election judges shall replace them in the box, and one election judge, without looking, shall withdraw from the box a number of ballots equal to the excess. The withdrawn ballots shall not be counted but shall be preserved as provided in subdivision 4.

**Subd. 3. [BALLOTS IN WRONG BOX.]** If the election judges find in a ballot box any ballots that are not the kind properly belonging in it, they shall lay those ballots aside. If the number of ballots found in any box equals or exceeds the number of ballots to be counted, the ballots which should have been placed in that box, but which are found in another box, shall not be counted. If the number of ballots found in a box is less than the number of ballots to be counted, and a number of ballots equal to or less than the

deficiency and properly belonging in that box are found in another box, the latter ballots shall be counted. If the number of ballots found in another box exceeds the deficiency, the excess ballots shall be placed in the proper ballot box and, without looking, an election judge shall withdraw a number of ballots equal to the deficiency and the withdrawn ballots shall then be counted.

Subd. 4. [BALLOTS NOT COUNTED; DISPOSITION.] When the final count of ballots agrees with the number of ballots to be counted, those ballots not counted shall be attached to a certificate made by the election judges which states why the ballots were not counted. The certificate and uncounted ballots shall be sealed in a separate envelope and returned to the county auditor or municipal clerk from whom they were received.

Sec. 21. [204C.21] [COUNTING BALLOTS; PILING SYSTEM.] Subdivision 1. [METHOD.] The election judges shall take all the ballots of the same kind and count the votes cast for each office or question, beginning with the first office or question on the ballot. They shall make one pile of the ballots for each candidate who received votes for that office, or one pile for the "Yes" votes and one pile for the "No" votes on a question. They shall make a pile of totally defective ballots and a pile of totally blank ballots. They shall make a pile of ballots that are not totally defective but are defective with respect to the office or question being counted and a pile of ballots that are not totally blank but are blank with respect to the office or question being counted. After the separation into piles, the election judges shall examine each pile and remove and place in the proper pile any ballots that are found in the wrong pile. The election judges shall count the totally blank and totally defective ballots and set them aside until the counting is over for that ballot. The election judges may pile ballots crosswise in groups of 25 in the same pile to facilitate counting. When their counts agree, the election judges shall announce the number of ballots in each pile, and shall write the number in the proper place on the summary statements.

The election judges shall then return all the counted ballots, and all the partially defective or partially blank ballots, to the original pile to be separated and counted in the same manner for the next office or question.

Subd. 2. [MORE THAN ONE CANDIDATE TO BE ELECTED; PILING.] Where more than one candidate is to be elected to an office, the votes for that office shall be counted and canvassed in the manner provided in subdivision 1 as far as practicable.

Subd. 3. [PRIMARY.] At a primary the election judges shall first separate the partisan ballots by major political party and then count the votes for each office as provided in subdivision 1. The nonpartisan primary ballots shall be counted separately after the partisan primary ballots have been counted.

Sec. 22. [204C.22] [DETERMINING VOTER'S INTENT.] Subdivision 1. A ballot shall not be rejected for a technical error

*that does not make it impossible to determine the voter's intent. In determining intent the principles contained in this section apply.*

*Subd. 2. Intent shall be ascertained only from the face of the ballot.*

*Subd. 3. If a voter places a mark (X) beside the names of more candidates for an office than are to be elected or nominated, the ballot is defective with respect only to that office. No vote shall be counted for any candidate for that office, but the rest of the ballot shall be counted if possible. At a primary, if a voter places a mark (X) beside the names of candidates of more than one party on the partisan ballot, the ballot is totally defective and no votes on it shall be counted.*

*Subd. 4. If a voter has written the name of an individual in the proper place on a general or special election ballot a vote shall be counted for that individual whether or not the voter makes a mark (X) in the square opposite the blank.*

*Subd. 5. If a voter has written the name of an individual on a primary or special primary ballot, a vote shall not be counted for that office.*

*Subd. 6. If a mark (X) is made out of its proper place, but so near a name or space as to indicate clearly the voter's intent, the vote shall be counted.*

*Subd. 7. If a number of individuals are to be elected to the same office, the election judges shall count all names written in and all printed names with (X) marks in squares opposite them, not exceeding the whole number to be elected. When fewer names than the number to be elected are marked with an (X) or written in, only the marked or written in names shall be counted. When more names than the number to be elected are marked or written in, the ballot is defective with respect to that office and no vote shall be counted for that office.*

*Subd. 8. Misspelling or abbreviations of the names of write-in candidates shall be disregarded if the individual for whom the vote was intended can be clearly ascertained from the ballot.*

*Subd. 9. If the voter's choice for only some of the offices can be determined from a ballot, the ballot shall be counted for those offices only.*

*Subd. 10. If a voter uniformly uses a mark other than (X) which clearly indicates an intent to mark a name or to mark yes or no on a question, and the voter does not use (X) anywhere else on the ballot, a vote shall be counted for each candidate or position marked. If a voter uses two or more distinct marks, such as (X) and some other mark, a vote shall be counted for each candidate or position marked, unless the ballot is marked by distinguishing characteristics that make the entire ballot defective as provided in subdivision 13.*

*Subd. 11. If the names of two candidates have been marked, and an attempt has been made to erase or obliterate one of the*

marks, a vote shall be counted for the remaining marked candidate. If an attempt has been made to obliterate a write-in name a vote shall be counted for the remaining write-in name or marked candidate.

*Subd. 12. A ballot shall not be rejected merely because it is slightly soiled or defaced.*

*Subd. 13. If a ballot is marked by distinguishing characteristics in a manner making it evident that the voter intended to identify the ballot, the entire ballot is defective.*

*Subd. 14. If the number of candidates for an office is equal to the number of individuals to be elected to that office, and the voter has not marked any name, no vote shall be counted for any candidate for that office.*

*Subd. 15. If no name or position is marked and no name is written in, the ballot is blank with respect to that office or question. A ballot that is blank with respect to one or more offices or questions is not defective.*

**Sec. 23. [204C.23] [DEFECTIVE BALLOTS.] Subdivision 1. [MARKING BY ELECTION JUDGES; MEMORANDUM.]** A ballot that is defective to the extent that the election judges are unable to determine the voter's intent shall be marked on the back "Defective" if it is totally defective or "Defective as to .....", naming the office or question if it is defective only in part.

**Sec. 24. [204C.24] [ELECTION RETURNS; SUMMARY STATEMENTS.] Subdivision 1. [INFORMATION REQUIREMENTS.]** Notwithstanding the provisions of Minnesota Statutes, Sections 206.185, Subdivision 5; and 206.21, Subdivisions 1 and 2, precinct summary statements shall be submitted by the election judges in every precinct. The election judges shall complete three or more copies of the summary statements, and each copy shall contain the following information for each kind of ballot:

(a) The number of votes each candidate received or the number of yes and no votes on each question, the number of partially blank ballots and the number of partially defective ballots with respect to each office or question;

(b) The number of totally blank ballots, the number of totally defective ballots, the number of spoiled ballots, and the number of unused ballots;

(c) The number of individuals who voted at the election in the precinct;

(d) In counties with permanent registration, the number of voters registered before the polling place opened and the number of voters registering on election day in that precinct; and

(e) The signatures of the election judges who counted the ballots certifying that the national flag was displayed on a suitable staff during voting hours; that all of the ballots cast were properly piled, checked, and counted; and that the numbers entered by the

*election judges on the summary statements correctly show the number of votes cast for each candidate and for and against each question.*

**Subd. 2. [SEALING IN ENVELOPES.]** *The election judges shall place a full set of completed summary statements in each of three separate envelopes and seal them. Each sealed envelope shall be secured with evidence tape furnished by the county auditor. The election judges shall then sign each envelope over the sealed part so that no envelope can be opened without disturbing the continuity of the signatures. Each of the envelopes shall show substantially the following information on its face:*

*"Summary statements of the returns of the .... election precinct, (Town) or (City) of ....., in the County of ....., State of Minnesota".*

**Sec. 25. [204C.25] [DISPOSITION OF BALLOTS.]** *Subdivision 1. [SEALING IN ENVELOPES.] After the count and the summary statements have been completed, in the presence of all the election judges, the counted, defective and blank ballots shall be placed in envelopes of the same color as the ballots and sealed. The election judges shall sign each envelope over the sealed part so that the envelope cannot be opened without disturbing the continuity of the signatures. The number and kind of ballots in each envelope, the name of the town or city, and the name of the precinct shall be plainly written upon the envelopes. The spoiled ballots shall be placed in separate envelopes and returned with the unused ballots to the county auditor or municipal clerk from whom they were received.*

**Sec. 26. [204C.26] [SUMMARY STATEMENTS AND ENVELOPES FOR BALLOT RETURNS; ELECTION OFFICIALS TO FURNISH.]** *Subdivision 1. [SUMMARY STATEMENTS.] Each official responsible for printing ballots shall furnish three or more blank summary statement forms for the returns of those ballots for each precinct. The blank summary statement forms shall be furnished at the same time and in the same manner as the ballots. The county auditor shall furnish blank summary statement forms containing separate space for the summary statement of the returns of the white ballot and the summary statement of the returns for the state pink ballot.*

**Subd. 2. [SUMMARY STATEMENTS; CONTENTS.]** *The blank summary statement forms furnished to each precinct shall identify the precinct, ward number if any, city or town, date, and kind of election and, under appropriate headings identifying each color ballot, shall contain spaces for the election judges to enter the information required by Article V, Section 24, Subdivision 1.*

*Each blank summary statement form shall also contain a certificate to be signed by the election judges stating that the national flag was displayed on a suitable staff during voting hours; that all of the ballots cast were properly piled, checked, and counted; and that the numbers entered by the election judges on the summary statements correctly show the number of votes cast*

*for each candidate and for and against each question.*

**Subd. 3. [SECRETARY OF STATE; RULES.]** *On or before July 1 of each even numbered year, the secretary of state shall prescribe the form for summary statements of election returns and the methods by which returns for the state primary and state general election shall be recorded by precinct, county, and state election officials. Each county auditor and municipal clerk required to furnish summary statements shall prepare them in the manner prescribed by the secretary of state. The summary statement of the primary returns shall be in the same form as the summary statement of the general election returns except that a separate part of the summary statement shall be provided for the partisan primary ballot and a separate part for the nonpartisan primary ballot.*

**Subd. 4. [ENVELOPES FOR COUNTED BALLOTS.]** *Each official responsible for printing ballots shall also furnish envelopes to contain those ballots after they have been counted. The envelopes shall be made of heavy paper of the same color as the ballots to be contained in them. They shall be of convenient size to hold the ballots and shall be furnished at the same time and in the same manner as the ballots.*

**Sec. 27. [204C.27] [DELIVERY OF RETURNS TO COUNTY AUDITORS.]** *One or more of the election judges in each precinct shall deliver two sets of summary statements; all unused and spoiled white, pink, and canary ballots; one election register in counties with no permanent voter registration system; and the envelopes containing the white, pink, and canary ballots either directly to the municipal clerk for transmittal to the county auditor's office or directly to the county auditor's office within 24 hours after the end of the hours for voting. One or more election judges shall deliver the remaining set of summary statements and returns, all unused and spoiled municipal ballots, the remaining election register in counties without a permanent voter registration system, the envelopes containing municipal ballots, and all other things furnished by the municipal clerk, to the municipal clerk's office within 24 hours after the end of the hours for voting.*

**Sec. 28. [204C.28] [ELECTION NIGHT; DUTIES OF COUNTY AUDITORS AND MUNICIPAL CLERKS.]** **Subdivision 1. [COUNTY AUDITOR.]** *Every county auditor shall remain at his office to receive delivery of the returns, to permit public inspection of the summary statements, and to tabulate the votes until all have been tabulated and the results made known, or until 24 hours have elapsed since the end of the hours for voting, whichever occurs first. The county auditor shall file all envelopes containing ballots in a safe place with seals unbroken. If the envelopes were previously opened by proper authority for examination or recount, the county auditor shall have the envelopes sealed again and signed by the individuals who made the inspection or recount. The envelopes may be opened by the county canvassing board if necessary to procure election returns that the election judges inadvertently may have sealed in the envelopes with the ballots.*

*In that case, the envelopes shall be sealed again and signed in the same manner as otherwise provided in this subdivision.*

**Subd. 2. [CLERKS.]** *The clerk of every first, second, and third class city shall remain at his office to receive delivery of returns, or until 24 hours have elapsed since the end of the hours for voting, whichever occurs first. The clerk of every first class city shall keep a book in which, in the presence of the election judges or other individuals who deliver the returns, the clerk shall make a record of all materials delivered, the time of delivery, and the names of the election judges or other individuals who made delivery. The book shall be retained in the clerk's office for the same period as the ballots as provided in Article IV, Section 40.*

**Sec. 29. [204C.29] [IMPROPER DELIVERY OF RETURNS.]**  
**Subdivision 1. [FAILURE OF ELECTION JUDGES TO MAKE DELIVERY.]** *If the election judges fail to deliver returns as required by Article V, Section 27, the county auditor or municipal clerk to whom the returns should have been delivered shall dispatch a special messenger to obtain them. The messenger shall receive the same compensation as an election judge would receive for performing the same service and shall be subject to the same penalties as an election judge for violation of any provision of the Minnesota election law.*

**Subd. 2. [IRREGULARITIES IN DELIVERY.]** *An officer to whom election returns are required to be made shall not refuse to receive them because they are delivered in any manner other than that prescribed by law, except that the returns must be sealed. No canvassing board shall refuse to include any returns in its canvass of votes because of any informality in holding the election or making returns. All returns shall be received and the votes canvassed by the canvassing board and included in its statements when there is substantial compliance with the provisions of the Minnesota election law.*

**Subd. 3. [DAMAGING RETURNS OR PREVENTING DELIVERY.]** *No individual who is appointed to carry a report, certificate, or certified copy of election returns shall intentionally mutilate, tear, deface or obliterate any portion of it or do any act to prevent its delivery. No individual shall take or accept from a messenger any report, certificate or certified copy of election returns with intent to prevent its delivery, or having taken or accepted it, shall mutilate, tear, deface, obliterate or destroy any portion of it. A violation of this subdivision is a felony.*

**Sec. 30. [204C.30] [ELECTION RETURNS; ADDITIONAL DUTIES OF COUNTY AUDITOR.]**  
**Subdivision 1. [DELIVERY OF SUMMARY STATEMENTS TO SECRETARY OF STATE.]** *The county auditor shall promptly deliver to the secretary of state one of the sets of summary statements received from each precinct.*

**Subd. 2. [NOTIFICATION OF PRIOR REGISTRATION.]** *In counties without a permanent voter registration system, the*

county auditor shall examine all election registers from each precinct for names of voters who list a prior registration at another address. The county auditor shall notify the county auditor of the county where the voter was previously registered, using the form required by Article II, Section 9, Subdivision 4.

**Sec. 31. [204C.31] [CANVASSING BOARDS; MEMBERSHIP.] Subdivision 1. [COUNTY CANVASSING BOARD.]** The county canvassing board shall consist of the county auditor, the clerk of the district court, the mayor or chairman of the town board of the county's most populous municipality, and two members of the county board selected by the board from its members who are not candidates at the election. If one of these individuals fails to appear at the meeting of the canvassing board, the county auditor shall appoint an eligible voter of the county who is not a public official or a candidate for public office to fill the vacancy. Three members constitute a quorum.

**Subd. 2. [STATE CANVASSING BOARD.]** The state canvassing board shall consist of the secretary of state, two judges of the supreme court, and two judges of the district court selected by the secretary of state. None of the judges shall be a candidate at the election. If a judge fails to appear at the meeting of the canvassing board, the secretary of state shall fill the vacancy in membership by selecting another judge from either court who is not a candidate at the election. Not more than two judges of the supreme court shall serve on the canvassing board at one time.

After taking the oath of office, the canvassing board shall publicly canvass the election returns delivered to the county auditor. The board shall complete the canvass by the evening of the sixth day following the election and shall promptly prepare and file with the county auditor a report that states:

(b) The number of individuals registering to vote on election day and the number of individuals registered before election day in each precinct;

(c) For each major political party, the names of the candidates running for each partisan office and the number of votes received by each candidate in the county and in each precinct;

(d) The names of the candidates of each major political party who are nominated; and

(e) The number of votes received by each of the candidates for nonpartisan office in each precinct in the county and the names of the candidates nominated for nonpartisan office.

Upon completion of the canvass, the county auditor shall mail or deliver a notice of nomination to each nominee voted for only in

*that county. The county auditor shall promptly certify to the secretary of state the vote reported by the county canvassing board for candidates voted for in more than one county.*

*Subd. 2. [STATE CANVASS.] The state canvassing board shall meet at the secretary of state's office on the second Tuesday after the state primary to canvass the certified copies of the county canvassing board reports received from the county auditors. Upon completion of the canvass, the secretary of state shall promptly certify the names of the nominees to the county auditors and shall mail to each nominee a notice of nomination.*

**Sec. 33. [204C.33] [CANVASS OF STATE GENERAL ELECTIONS.]** *Subdivision 1. [COUNTY CANVASS.] The county canvassing board shall meet at the county auditor's office on or before the third day following the state general election. After taking the oath of office, the board shall promptly and publicly canvass the general election returns delivered to the county auditor. Upon completion of the canvass, the board shall promptly prepare and file with the county auditor a report which states:*

*(a) The number of individuals voting at the election in the county and in each precinct;*

*(d) The number of votes counted for and against a proposed change of county lines or county seat; and*

*(e) The number of votes counted for and against a constitutional amendment or other question in the county and in each precinct.*

*Upon completion of the canvass, the county canvassing board shall declare the candidate duly elected who received the highest number of votes for each county and state office voted for only within the county. The county auditor shall promptly certify to the secretary of state the vote reported by the county canvassing board for candidates voted for in more than one county.*

*Subd. 2. [COUNTY CANVASSING BOARD REPORTS; PUBLIC AVAILABILITY.] Upon payment of a one dollar fee, the county auditor of each county shall provide a certified copy of the county canvassing board report to anyone who requests it.*

*Subd. 3. [STATE CANVASS.] The state canvassing board shall meet at the secretary of state's office on the second Tuesday following the state general election to canvass the certified copies of the county canvassing board reports received from the county auditors and shall prepare a report that states:*

*(a) The number of individuals voting in the state and in each county;*

**Sec. 34. [204C.34] [TIE VOTES.]** *In case of a tie vote for nomination or election to an office, the canvassing board with the responsibility for declaring the results for that office shall determine the tie by lot.*

**Sec. 35. [204C.35] [LEGISLATIVE RACES; AUTOMATIC RECOUNTS.]** *In a state primary when the difference between the votes cast for the candidates for nomination to a legislative office is 100 or less, the difference is less than ten percent of the total number of votes counted for that nomination, and the difference determines the nomination, the canvassing board with responsibility for declaring the results for that office shall recount the vote. In a state general election when the difference between the votes of a candidate who would otherwise be declared elected to a legislative office and the votes of any other candidate for that office is 100 or less, the canvassing board shall recount the votes. A recount shall not delay any other part of the canvass. The results of the recount shall be certified by the canvassing board as soon as possible. Time for notice of a contest for an office which is recounted pursuant to this section shall begin to run upon certification of the results of the recount by the canvassing board. A losing candidate may waive a recount required pursuant to this section by filing a written notice of waiver with the canvassing board.*

**Sec. 36. [204C.36] [RECOUNTS IN COUNTY AND MUNICIPAL ELECTIONS.]** *A losing candidate for nomination or election to a county or municipal office may request a recount of the votes cast for the nomination or election to that office if the difference between the vote cast for that candidate and for a winning candidate for nomination or election is:*

*(a) Five votes or less when the total vote cast for nomination or election to that office is 100 votes or less;*

*(b) Ten votes or less when the total vote cast for nomination or election to that office is more than 100 but not more than 500 votes;*

*(c) Twenty votes or less when the total vote cast for nomination or election to that office is more than 500 but not more than 2,000 votes;*

*(d) One percent of the votes or less when the total vote cast for nomination or election to that office is more than 2,000 but less than 10,000 votes; or*

*Candidates for county offices shall file a written request for the recount with the county auditor. Candidates for municipal offices shall file a written request with the municipal clerk. All requests shall be filed during the time for notice of contest of the primary or election for which a recount is sought.*

*Upon receipt of a request made pursuant to this section, the county auditor shall recount the votes for a county office at the expense of the county and the governing body of the municipality shall recount the votes for a municipal office at the expense of the municipality.*

*A losing candidate for nomination or election to a county or municipal office may request a recount in the manner provided in this section at the candidate's own expense when the vote difference is greater than the difference required by clauses (a) to (e). The votes shall be recounted as provided in this section if the requesting candidate files with the county auditor or municipal clerk a bond, cash or surety in an amount set by the governing body of the jurisdiction for the payment of the recount expenses.*

*Time for notice of contest of a nomination or election to a county office which is recounted pursuant to this section shall begin to run upon certification of the results of the recount by the county canvassing board. Time for notice of contest of a nomination or election to a municipal office which is recounted pursuant to this section shall begin to run upon certification of the results by the governing body of the municipality.*

**Sec. 37. [204C.36] [COUNTY CANVASS; RETURN OF REPORTS TO SECRETARY OF STATE.]** *Two copies of the reports required by Article V, Section 32, Subdivision 1 and Article V, Section 33, Subdivision 1 shall be certified under the official seal of the county auditor. Each copy shall be enclosed in an envelope addressed to the secretary of state, with the county auditor's name and official address and the words "Election Returns" endorsed on the envelope. The copies shall be mailed or delivered to the secretary of state and, if mailed, shall be forwarded by different mails. If neither copy is received by the secretary of state within ten days following the applicable election, the secretary of state shall immediately notify the county auditor, who shall deliver another copy to the secretary of state by special messenger.*

**Sec. 38. [204C.37] [CORRECTION OF OBVIOUS ERRORS; WHEN CANDIDATES AGREE.]** *Subdivision 1. [ERRORS OF ELECTION JUDGES.] If the candidates for an office unanimously agree in writing that the election judges in any precinct have made an obvious error in the counting or recording of the votes for that office, they shall deliver the agreement to the county auditor of that county who shall reconvene the county canvassing board, if necessary, and present the agreement to it. The county canvassing board shall correct the error as specified in the agreement.*

**Subd. 2. [ERRORS OF COUNTY CANVASSING BOARD.]** *If the candidates for an office unanimously agree in writing that the county canvassing board has made an obvious error in the counting and recording of the vote for that office they shall notify the county auditor who shall reconvene the canvassing board. The county canvassing board shall promptly correct the error as specified in the agreement and file an amended report. When an error is corrected pursuant to this subdivision, the county canvassing board and the county auditor shall proceed in accordance with Article V, Sections 32 to 36.*

**Subd. 3. [ERRORS OF STATE CANVASSING BOARD.]** *If the candidates for an office unanimously agree in writing that the state canvassing board has made an obvious error in the counting and recording of the vote for that office they shall deliver the agreement to the secretary of state. If a certificate of election has not been issued, the secretary of state shall reconvene the state canvassing board and present the agreement to it. The board shall promptly correct the error as specified in the agreement and file an amended statement. When an error is corrected pursuant to this subdivision by the state canvassing board, the state canvassing board and the secretary of state shall proceed in accordance with Article V, Sections 32 to 36.*

**Sec. 39. [204C.38] [CORRECTION OF OTHER OBVIOUS ERRORS.]** **Subdivision 1. [MANNER OF CORRECTION.]** *A county canvassing board may determine by majority vote that the election judges have made an obvious error in counting or recording the votes for an office. The county canvassing board shall then promptly notify all candidates for that office of the determination, including a description of the error. A candidate who receives notification pursuant to this subdivision or any candidate who believes that the election judges in a precinct have made an obvious error in the counting or recording of the votes for an office may apply without unreasonable delay to the district court of the county containing the precinct in which the alleged error was made for an order determining whether or not an obvious error has been made. The applicant shall describe the alleged error in the application and may submit additional evidence as directed by the court. The applicant shall notify the county canvassing board and all candidates for the affected office in the manner directed by the court. If the court finds that the election judges made an obvious error it shall issue an order specifying the error and directing the county canvassing board to inspect the ballots and returns of the precinct in order to correct the error and to proceed further in accordance with this section or otherwise as the court may direct.*

**Subd. 2. [INSPECTION; TIME; PLACE.]** *The county auditor shall schedule a meeting of the county canvassing board at his office as soon as practicable after the court issues an order under subdivision 1 and shall give sufficient advance notice of the meeting to the affected candidates. The board, in the presence of all the candidates for the office or their representatives shall inspect the ballots and returns, correct any error and proceed further in accordance with the order of the court.*

*Preparation of the county canvassing board report with respect to other offices on the ballot shall not be delayed because of an inspection required by this section.*

**Subd. 3. [REPORT OF CANVASSING BOARD; ADDENDUM.]** *After the canvassing board has inspected the ballots and returns, it shall promptly submit to the county auditor an addendum to its regular report, which addendum shall contain the following information:*

*(a) A copy of the order of the court, if any;*

*(b) The minutes of the meeting showing the time, date, and place of the meeting, the names of the candidates or their representatives who were present, and the action taken by the board;*

*(c) A copy of the meeting notice given to each candidate and proof of service; and*

*(d) The names of the candidates for each office for which votes were inspected and the total number of votes received by each candidate for that office in the county and in each precinct.*

**Subd. 4. [CANVASSING BOARD; DECLARATION OF RESULTS; NOTIFICATION.]** *The canvassing board shall declare the results of the election upon completing the inspection for the office in question. The report and declaration shall be filed by the county auditor, who shall mail a certified copy to each candidate for that office. The county auditor shall promptly notify the secretary of state by certified mail of the action of the county canvassing board.*

**Sec. 40. [204C.39] [CERTIFICATES OF ELECTION.]** **Subdivision 1. [PREPARATION; METHOD OF DELIVERY.]** *The county auditor shall prepare an election certificate for every candidate declared elected by the county canvassing board, and the secretary of state shall prepare a certificate for every candidate declared elected by the state canvassing board. Except as otherwise provided in this section, the secretary of state or county auditor, as appropriate, shall deliver an election certificate on demand to the elected candidate. In an election for state representative or state senator, the county auditor or secretary of state shall deliver the original election certificate to the chief clerk of the house or the secretary of the senate. The chief clerk of the house or the secretary of the senate shall give a copy of the certificate to the representative-elect or senator-elect. Upon taking the oath of office, the representative or senator shall receive the original certificate of election. If a recount is undertaken by a canvassing board pursuant to Article V, Section 35, no certificate of election shall be prepared or delivered until after the recount is completed. In case of a contest, the court may invalidate and revoke the certificate as provided in Minnesota Statutes, Chapter 209.*

**Subd. 2. [TIME OF ISSUANCE; CERTAIN OFFICES.]** *No certificate of election shall be issued until 12 days after the canvassing board has declared the result of the election. In case of a contest, an election certificate shall not be issued until a court*

*of proper jurisdiction has finally determined the contest. This subdivision shall not apply to candidates elected to the office of state senator or representative.*

**Sec. 41. [204C.40] [NEGLECT OF DUTY; OTHER OFFENSES BY ELECTION OFFICIALS; PENALTY.]** *An election officer or other individual required by law to safely keep and produce on election day the ballots entrusted to him or to perform any other act, who intentionally fails or refuses to perform the act required, or who is required by law to abstain from any act, and intentionally does the act, or who in either of these cases is guilty of fraud, corruption, partiality or misbehavior in conducting or aiding in the conduct of an election, or in counting or making returns of votes, or who wrongfully refuses to make or deliver a certificate of election, or who falsely or corruptly performs any required act, for which a punishment has not been otherwise expressly provided for by law, is guilty of a felony.*

## ARTICLE VI

### PARTICULAR ELECTIONS

**Section 1. [204D.01] [DEFINITIONS.]** *The definitions in Minnesota Statutes, Chapter 200 apply to this article.*

If, during the 30 day period allowed for comment, seven or more persons submit to the agency a written request for a hearing of the proposed rule, the

agency shall proceed under the provisions of subdivisions 4 through 4f 4g. In the event that a hearing is required, a citation in the state register to the prior publication of the proposed rule may be substituted for republication unless the agency has modified the proposed rule. Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1978, Chapter 116H, is amended by adding a section to read:

[116H.31] [DISTRICT HEATING LOANS.] *Subdivision 1. [POLICIES.] Developing and improving efficient and economical district heating systems is a public purpose for state financing and a proper function of state government. Climate and geography make a reliable, economic supply of energy essential for industrial, commercial and residential heating. Imported supplies are increasingly costly, unreliable, and environmentally disadvantageous. District heating systems employing cogeneration techniques and innovative technology offer an important means of increasing the efficiency of Minnesota's energy systems and reducing the state's reliance on imported energy supplies. The combination of the large initial capital cost and investors' lack of familiarity with district heating has made the private market reluctant to provide the necessary capital for district heating projects. As a result, public leadership, cooperation, and aid are needed to demonstrate the feasibility of district heating systems by establishing economically viable municipal district heating systems as demonstration projects. Municipal district heating systems may be financed by loans from the state.*

*Subd. 2. [DEFINITIONS.] In this section:*

- (a) "Commissioner" means the commissioner of finance.*
- (b) "Director" means the director of the Minnesota energy agency.*
- (c) "District heating" means the use of a central energy conversion facility to produce hot water or steam for distribution to homes or businesses. District heating facilities may also produce electricity in addition to hot water or steam.*
- (d) "Municipality" means any county, city, town, municipal power agency, or public utility, as defined in section 452.01, subdivision 3, owned and operated by a city, however organized.*

*Subd. 3. [ELIGIBILITY.] The commissioner of finance, upon request of the director of the energy agency, shall make loans to municipalities for the acquisition and betterment of district heating systems. A loan shall be made only to a municipality that has demonstrated that:*

- (a) The municipality has the financial capability to sponsor the project;*
- (b) The project is technologically feasible; and*
- (c) The municipality has made adequate provision to assure proper and efficient operation and maintenance of the project after construction is completed.*

*Subd. 4. [PRIORITIES.] The director shall give higher priority to a project that does more to achieve the following goals:*

- (a) The district heating conversion facility employs cogeneration techniques;*

(b) *The facility uses renewable or non-petroleum sources of energy;*

(c) *The district heating facility will save petroleum or natural gas;*

(d) *The operation of the district heating facility will not have an adverse impact on the environment;*

(e) *The district heating facility may readily be expanded to serve additional customers or to supply additional amounts of energy, and market demand for the energy exists;*

(f) *The project has obtained additional financing from the federal government, private sources, or other sources of capital; and*

(g) *Other goals the director finds desirable for district heating systems.*

*Subd. 5. [ELIGIBLE COST.] The eligible cost of any municipal district heating project includes (a) preliminary planning to determine the economic, engineering, and environmental feasibility of the project; (b) engineering, architectural, legal, fiscal, economic, and project administrative costs of the agency and the municipality, and other investigations and studies; (c) surveys, designs, plans, working drawings, specifications, procedures, and other actions necessary to the planning, design, and construction of the project; (d) erection, building, acquisition, alteration, remodeling, improvement, and extension of district heating systems; (e) inspection and supervision of construction; and (f) loans to potential users of the district heating system to finance conversion of, additions to, or other necessary alterations of their energy systems to facilitate use of energy supplied by the district heating system.*

*Subd. 6. [AMOUNT.] The amount of a loan is limited to:*

*(a) 50 percent of the costs included under subdivision 5, clauses (a), (b), (c) and (e);*

*(b) 90 percent of the costs included under subdivision 5, clauses (d) and (f).*

*Subd. 7. [TERMS.] A loan is repayable over a period not to exceed 20 years, with interest at a rate sufficient to cover the cost to the state of borrowing the money.*

*Subd. 8. [APPLICATION.] Application for a loan shall be made by a municipality to the director on a form prescribed by the director by rule. The director shall review each application and determine:*

*(a) Whether or not the project is eligible for a loan;*

*(b) The priority of the project when ranked with all other eligible projects for which a loan application has been submitted;*

*(c) The total estimated cost of the project;*

*(d) The amount of the loan for which the project is eligible;*

(e) *The terms upon which the loan would be made; and*

(f) *The means by which the municipality proposes to finance the project, including:*

(1) *A loan authorized by state law; or*

(2) *A grant of money appropriated by state law; or*

(3) *A grant to the municipality by an agency of the federal government within the amount of money then appropriated to that agency and allocated by it to projects within the state; or*

(4) *The appropriation of proceeds of bonds or other money of the municipality to an account for the construction of the project; or*

(5) *Any or all of the means referred to in clauses (1) to (4).*

**Subd. 9. [PROJECT APPROVAL.]** *The director shall prepare and submit to the legislature a list of district heating projects, if any, for which loan applications have been submitted and reviewed. The list shall contain supporting information, including descriptions of the projects, plans, and the determinations made by the director pursuant to subdivision 8. The director shall request the commissioner of finance to make loans for projects within the limits of appropriations provided by the legislature.*

**Subd. 10. [PAYMENT; OBLIGATION.]** *The commissioner shall not pay money to a municipality pursuant to an approved loan until he has determined that:*

(a) *Financing of the project as proposed by the municipality is assured by an irrevocable undertaking, by resolution of the governing body of the municipality, to use all money made available by the financing plan exclusively for the construction of the project, and to pay any additional amount by which the cost of the project exceeds the estimate by the appropriation to the construction account of additional municipal money or the proceeds of additional bonds to be issued by the municipality; and that*

(b) *The governing body of the municipality has adopted a resolution obligating the municipality to repay the loan according to its terms. The obligation may be payable solely from user charges, special assessments or other money available to the municipality. The resolution shall obligate the municipality to annually impose and collect user charges or special assessments or to use any other money available to it from any other specified source, in amounts and at times that if collected in full will annually produce at least five percent in excess of the amount needed for all annual costs of the system, including annual repayment on state loans. A municipality may also pledge to levy an ad valorem tax to guarantee the payments under the loan agreement. For the purpose of repaying the loan the municipality by resolution of its governing body may fix the rates and charges for district heating system service and products, may enter into contracts for the payment by others of costs of construction, maintenance, and use of the project in accordance with section 444.075, and may pledge the revenues*

*derived therefrom. The commissioner may condition a loan upon the establishment of rates and charges or the execution of contracts sufficient to produce the revenues pledged.*

*Subd. 11. [RECEIPTS.] All principal and interest payments received by the commissioner in repayment of the loans authorized by this section shall be deposited in the state treasury and credited to the Minnesota state building bond account and are appropriated to the commissioner for the purposes of that account.*

*Subd. 12. [RULES.] The director shall adopt rules necessary to carry out this section. The director may adopt temporary rules pursuant to section 15.0412, subdivision 5, meeting the requirements of this section. The rules shall contain as a minimum:*

*(a) Procedures for application by municipalities; and*

*(b) Criteria for reviewing loan applications, including those specified in subdivisions 3 and 4.*

Sec. 2. Minnesota Statutes 1978, Section 412.321, Subdivision 1, is amended to read:

412.321 [MUNICIPAL UTILITIES.] Subdivision 1. [AUTHORITY TO OWN AND OPERATE.] Any statutory city may own and operate any waterworks, *district heating system*, or gas, light, power, or heat plant for supplying its own needs for utility service or for supplying utility service to private consumers or both. It may construct and install all facilities reasonably needed for that purpose and may lease or purchase any existing utility properties so needed. It may, in lieu of providing for the local production of gas, electricity, water, *hot water, steam* or heat, purchase the same wholesale and resell it to local consumers. After any such utility has been acquired, the council, except as its powers have been limited through establishment of a public utilities commission in the city, shall make all necessary rules and regulations for the protection, maintenance, operation, extension, and improvement thereof and for the sale of its utility products.

Sec. 3. Minnesota Statutes 1978, Section 412.351, is amended to read:

412.351 [COMMISSION, JURISDICTION.] The council shall, in the ordinance establishing the commission, decide which of the following public utilities shall be within the commission's jurisdiction: (1) the city water system; (2) light and power system, including any system then in use or later acquired for the production and distribution of steam heat; (3) gas system; (4) sanitary or storm sewer system or both, including the city sewage disposal plant; (5) public buildings owned or leased by the city; (6) *district heating system*. As used subsequently in sections 412.351 to 412.391, the term "public utility" means any water, light and power, gas or sewer system, or public buildings thus placed by ordinance under the jurisdiction of the public utilities commission. Any public utility not placed under the jurisdiction of the public utilities commission by the ordinance establishing the commission may be placed under the jurisdiction of the commission by an amendment to the original ordinance.

Sec. 4. Minnesota Statutes 1978, Section 412.361, Subdivision 3, is amended to read:

**Subd. 2.** "General election" is as defined in section 200.02, subdivision 2.

**Subd. 3.** "Measure" means the proposed law in an initiative petition or the law in either the Laws of Minnesota or Minnesota Statutes cited in a referendum petition.

**Subd. 4.** "Petition drive" means the organized process by the sponsors and their authorized agents of soliciting the general public to sign initiative or referendum petitions.

**Subd. 5.** "Eligible voter" means those persons who may register to vote under the provisions of chapter 201.

**Subd. 6.** "Sponsors" means the persons specified by section 5, subdivision 2, clause (a).

**Sec. 5. [3B.03] [PREPARATION FOR PETITIONING ON AN INITIATIVE MEASURE.]** Subdivision 1. Before circulation of any petitions to have an initiative measure placed on the ballot, the sponsors shall file a declaration with the secretary of state not later than October 31 of an odd numbered year or not later than August 1 in calendar year 1980.

**Subd. 2.** The declaration shall:

(a) State the names, mailing addresses and any business or residential phone numbers of not less than 25 eligible voters with an indication of who is the chairman and who is the treasurer; and,

(b) State the name and mailing address of all committees, groups or organizations known to the sponsors who intend to support the petition drive on the measure or otherwise aid the sponsors; and,

(c) Give a description of the intent or purpose of the measure, or, if the proposed measure is already drafted, include a copy of the draft; and,

(d) State a short title by which the sponsors want the initiative measure to be identified and which is not misleading; and,

The enacting clause shall be "BE IT ENACTED BY THE PEOPLE OF THE STATE OF MINNESOTA". No initiative shall embrace more than one subject. The measure may not provide for the form of the ballot question by which it would be submitted to the voters.*

Sec. 7. [3B.05] [PETITIONS FOR INITIATIVE.] *Subdivision 1. Each initiative petition shall consist of as many copies as the sponsors print, each of which shall be not more than one sheet of paper and contain the following on the front:*

(a) *In not less than 25 point bold type on a 30 point body at the top of the front page, the printed words "OFFICIAL INITIATIVE PETITION"; and,*

(b) *The short title by which the initiative measure is to be identified and the chairman of the sponsoring committee; and,*

If the secretary finds that the form of the initiative measure or petition is not in compliance with law, he shall disapprove it and order it redrafted. The secretary shall, within seven days after the initiative measure and petition are filed, notify the sponsors that the initiative measure and the petition are not in compliance with the law and specify what changes are necessary to bring them into compliance, or the form of the initiative measure and the petition shall be deemed to be approved by the secretary. Failure to refile a new form of initiative measure or petition drafted in accordance with the secretary's instructions not later than seven calendar days after the secretary's notice constitutes abandonment of the drive. Upon refile, the secretary shall again examine the initiative measure or petition for compliance with law and approve it or again reject it. The initiative measure or petition may subsequently be refiled until found to comply with the law.*

*Subd. 4. The secretary of state shall, within seven calendar days after approving the initiative measure or petition form, send to the county auditor in each county a verbatim copy of the initiative measure as on file in his office.*

**Sec. 8. [3B.06] [TIME OF CIRCULATION OF INITIATIVE PETITIONS; VOLUNTARY ABANDONMENT.]** *Subdivision 1. Initiative petitions may only be circulated on those days of odd numbered years or calendar year 1980 which are more than eight calendar days after the date of the secretary of state's approval of the petition. This limitation shall not prevent the sponsors from undertaking organizational activity or completing the procedures of section 5 or 7 prior to the time petitions are circulated.*

*Subd. 2. The sponsors may voluntarily abandon the drive any time before the certification by the secretary of state provided for in section 14. To abandon the drive, a declaration to that effect shall be filed with the secretary of state. The filing of the declaration shall not prevent other sponsors from beginning a similar or identical petition drive. All petitions signed prior to the declaration are invalid upon the filing of the declaration and may not subsequently be utilized by the new sponsors.*

*Subd. 3. Petitions which are signed but never filed, or which are filed but the number of signatures is later determined to be insufficient, are invalid on January 8 of the year after they are signed, except those petitions signed in 1980 which shall not become invalid unless they are not filed before January 8, 1982. The petitions may not be used for similar or identical petition circulation efforts in subsequent years.*

**Sec. 9. [3B.07] [AMOUNT OF SIGNATURES FOR INITIATIVE.]** *An initiative measure shall be placed on the ballot if petitions for the measure are signed by eligible voters in each congressional district of the state in a number not less than five percent of the number of votes cast for all candidates for governor in that congressional district at the last gubernatorial election.*

**Sec. 10. [3B.08] [FILING OF PETITIONS.]** *Subdivision 1. The sponsors may file the signed petitions with the secretary of state not later than January 7 of the year succeeding the one in which the petitions were circulated, except as to initiative petitions circulated in 1980 which may not be filed later than January 7, 1982. When filed, the signed petitions shall be securely bound together by the sponsors.*

*Subd. 2. Only the sponsors, or those authorized in writing by the sponsors, may file petitions.*

**Sec. 11. [3B.09] [PETITIONS RECEIVED BY SECRETARY OF STATE AND SIGNATURES COUNTED.]** *The secretary of state shall determine the total number of signatures on the petitions filed and shall, not later than January 16, give written notification to the sponsors of the number of signatures. If the number of signatures filed is less than the minimum number of signatures required in a congressional district, the secretary of state*

*shall notify the sponsors and petitions for additional signatures may be circulated for an additional period of 21 days commencing from the date of notification.*

**Sec. 12. [3B.10] [VERIFICATION OF PETITIONS.]** *Subdivision 1. The secretary of state may challenge the validity of any signature on or before March 31. Any eligible voter may challenge the number or validity of signatures on the petitions. The secretary of state shall determine the contest of the number or validity of signatures by an eligible voter.*

**Subd. 2. A signature is valid when:**

*(a) The signatory was an eligible voter in the congressional district indicated on the date he signed the petition; and,*

*(b) The signature is identifiable.*

**Subd. 3. Upon the challenging of the validity of any signature on a petition, a signature otherwise valid under subdivision 2, is invalid upon a finding by a preponderance of the evidence that a signature:**

*(a) is forged or fictional;*

*(b) was not voluntarily signed; or,*

*(c) was procured by fraud.*

**Subd. 4. The secretary of state may use the random sampling method provided for in section 13 for the verification of signatures. County auditors shall assist the secretary in verifying signatures to the extent requested by the secretary.**

**Subd. 5. An eligible voter contesting the sufficiency or validity of signatures shall file the protest on or before March 31 and shall include a brief statement of the evidence of insufficiency or invalidity. If an eligible voter contests the sufficiency or validity of signatures on a petition in bad faith, he may be assessed costs of the contest up to a maximum of \$2000. The secretary of state shall hear evidence and determine contests not later than April 30.**

**Subd. 6. If the secretary of state determines that the number of valid signatures is less than the number required, he shall so notify the sponsors and petitions for additional signatures may be circulated for an additional period of 21 days, in the case of a determination of an actual number deficiency, or 35 days, in the case of an estimated number deficiency, commencing from the date of notification.**

**Sec. 13. [3B.11] [RANDOM SAMPLING METHOD OF SIGNATURE VERIFICATION.]** *Subdivision 1. If the random sampling method is used, a sample of signatures to be verified shall be drawn in such a manner that every signature filed with the secretary of state shall be given an equal opportunity to be included in the sample. The sample shall include five percent of the signatures.*

**Subd. 2. If the verification from the statistical sample shows**

*that the total number of valid signatures on the petitions is within 90 to 110 percent of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for the congressional district, the secretary of state may verify any remaining unverified signatures.*

*Subd. 3. If the verification from the statistical sample shows that the total number of valid signatures on all the petitions is 110 percent or more of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for the congressional district, the secretary of state shall declare the number of valid signatures to be sufficient. The number of valid signatures shall be determined by taking the total number of signatures filed and multiplying it by the percentage of signatures in the statistical sample which were found to be valid.*

*Subd. 4. March 26, 1980

The Honorable Edward J. Gearty  
President of the Senate

The Honorable Fred C. Norton  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 129, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and the bill be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Subdivision 1. An amendment to the Minnesota Constitution is proposed to the people as provided by subdivisions 2 and 3.

Subd. 2. If the amendment is adopted, article IV, sections 2, 3 and 4 will read as follows:

Sec. 2. [APPORTIONMENT OF MEMBERS.] The number of members who compose the senate and house of representatives shall be prescribed by law. ~~The representation in both houses shall be apportioned equally throughout the different sections of the state in proportion to the population thereof. A law changing the number of senators or representatives shall be effective on January 1 of the next year ending in the number one following enactment of the law and shall govern beginning with the first election of all senators and representatives under an apportionment plan that becomes effective after that date.~~

Sec. 3. ~~At its first session after each enumeration of the inhabitants of this state made by the authority of the United States, the legislature shall have the power to prescribe the bounds of congressional and legislative districts. Senators shall be chosen by single districts of convenient contiguous territory. No representative district shall be divided in the formation of a senate district. The senate districts shall be numbered in a regular series. The legislature shall not prescribe the boundaries for the districts of senators and representatives or for the districts of representatives in the congress of the United States.~~

**Sec. 4. [TERMS OF OFFICE OF SENATORS AND REPRESENTATIVES; VACANCIES.]** Representatives shall be chosen for a term of two years, except to fill a vacancy. Senators shall be chosen for a term of four years, except to fill a vacancy and except there shall be an entire new election of all the senators at the first election of representatives after each new legislative apportionment provided for in this article, when an apportionment plan becomes effective under Article XV during the first half of a four year term, senators shall be elected for a term of two years at the first general election after the effective date of the plan. The governor shall call elections to fill vacancies in either house of the legislature.

**Subd. 3.** If the amendment is adopted, a new article will be added to the constitution which will read as follows:

## ARTICLE XV

### REAPPORTIONMENT COMMISSION

**Section 1. [REAPPORTIONMENT COMMISSION.]** *In each year ending in the number one, or when required by court order, a reapportionment commission shall be established to draw the boundaries of legislative and congressional districts.*

*The commission shall consist of nine members who are eligible voters of the state. One member shall be appointed by the speaker of the house and one by the members of the house representing political parties other than the party represented by the speaker. One member shall be appointed by the president of the senate and one by the members of the senate representing political parties other than the party represented by the president. Article IV, section 5 shall not apply to the appointment of members of the reapportionment commission. The term "political party" as used in this section shall have the meaning provided by law.*

*The remaining five members shall be appointed by unanimous agreement of the legislative appointees. The qualifications of these members shall be provided by law.*

*Members of the commission shall be appointed within the time provided by law but not later than March 15 when the commission is established in a year ending in the number one. The supreme court shall fill any vacancy caused by failure to appoint a member within the time required by law.*

**Sec. 2. [APPORTIONMENT STANDARDS.]** *The commission shall draw the boundaries of legislative and congressional districts in accordance with the requirements of this section. There shall be one district for each representative, senator and representative in congress. No state representative district shall be divided in the formation of a senate district.*

*All districts of the same kind shall be as equal in population as practicable. Population shall be the controlling factor in drawing the district boundaries.*

*The districts shall be composed of compact and contiguous territory. To the extent consistent with other standards, the boundaries of the districts shall follow the boundaries of local governmental units and, wherever practicable, follow natural and man-made physical boundaries. No apportionment plan shall be drawn for the purpose of favoring any person or political party. Legislative and congressional districts shall be drawn according to the number of legislators and representatives in congress to be elected at the first election of all senators and representatives following the effective date of the apportionment plan.*

**Sec. 3. [APPORTIONMENT PLAN.]** *The commission shall adopt an apportionment plan within the time provided by law but not later than December 1 when the commission is established in a year ending in the number one. The plan shall set forth all of the new legislative and congressional districts. An apportionment plan is adopted by the commission when it is approved by a vote of at least six of its members.*

**Sec. 4. [EFFECTIVE DATE; ELECTIONS GOVERNED BY NEW DISTRICTS.]** *An apportionment plan is effective when it is adopted and all judicial review under section 5 or by any other court is completed. The districts set forth in an apportionment plan shall govern legislative and congressional elections beginning on the date of the first general election after the plan is effective. Except as provided in article 4, section 4, those representatives, senators and representatives in congress in office on the effective date of an apportionment plan shall continue to represent the districts from which they were elected for the remainder of the terms for which they were elected.*

**Sec. 5. [JUDICIAL REVIEW; COURT DRAWN PLAN.]** *The supreme court shall exercise original jurisdiction in any matter relating to apportionment in the manner provided by law. If the commission fails to adopt an apportionment plan within the time provided by law the supreme court shall adopt its own plan in accordance with the requirements of section 2 of this article. If an apportionment plan for legislative districts is adopted by the supreme court later than April 1 of a general election year, the time for establishing residency for legislative candidates as set forth in article IV, section 6, is extended to either 45 days after the effective date of the plan or to the last day provided by law for filing for office at the general election, whichever is earlier.*

**Sec. 6. [IMPLEMENTATION.]** *The legislature may enact the laws necessary to implement this article provided that reapportionment shall be governed by the law in effect on January 1 of the year in which a reapportionment commission is established.*

**Sec. 2.** The amendment shall be submitted to the people at the 1980 general election. The question proposed shall be:

“Shall the Minnesota Constitution be amended to transfer from the legislature to a bipartisan commission the power to establish the boundaries of legislative and congressional districts, and to

require an election of senators for a two year term when new districts are established in the middle of their regular terms?

(c) In appropriate circumstances, affirmative acts to protect a trade secret may be compelled by court order.

Sec. 4. Minnesota Statutes 1978, Section 116H.01, is amended to read:

116H.01 [FINDINGS AND PURPOSE.] The legislature finds and declares that the present rapid continued growth in demand for energy is in part due to unnecessary energy use, that a continuation of this trend will result in serious depletion of finite quantities of fuels, land and water resources, and threats to the state's environmental quality; that the state must incur consideration of urban expansion, transit systems; economic development, energy conservation and environmental protection in planning for large energy facilities; that there is a need to carry out energy conservation measures; and that energy planning, protection of environmental values, development of Minnesota energy sources, and conservation of energy require expanded authority and technical capability and a unified, coordinated response within state government.

The legislature seeks to encourage thrift in the use of energy; and to maximize use of energy efficient systems, thereby reducing the rate of growth of energy consumption, prudently conserving energy resources, and assuring statewide environmental protection consistent with an adequate, reliable supply of energy. will cause severe social and economic dislocations, and that the state has a vital interest in providing for: increased efficiency in energy consumption, the development and use of renewable energy resources wherever possible, and the creation of an effective energy forecasting, planning and education program.

The legislature further finds and declares that the protection of life, safety and financial security for citizens during an energy crisis is of paramount importance.

Therefore, the legislature finds that it is in the public interest to review, analyze and encourage those energy programs that will eliminate the need for annual increases in fossil fuel consumption

*by 1990 and the need for additional nuclear generating plants, and provide for an optimum combination of energy sources consistent with environmental protection and the protection of citizens.*

*The legislature intends to monitor through energy policy planning and implementation the transition from historic growth in energy demand to a period when demand for traditional fuels becomes stable and the supply of renewable energy resources is readily available and adequately utilized.*

Sec. 5. Minnesota Statutes 1978, Section 116H.087, is amended to read:

116H.087 [ENERGY CONSERVATION PUBLICITY.] *The director of the energy agency in consultation with the director of the housing finance agency other affected agencies or departments shall develop informational materials, pamphlets and radio and television messages on the energy conservation and housing programs available in Minnesota, renewable energy resources, and energy supply and demand. The pamphlets printed materials shall include information on available tax credits for residential energy conservation measures, residential retrofitting loan and grant programs, and data on the economics of energy conservation and renewable resource measures. Before the pamphlets printed material or media messages are released for general distribution they shall be reviewed by the appropriate standing committees of the legislature.*

Sec. 6. Minnesota Statutes 1978, Section 116H.12, Subdivision 11, is amended to read:

Sec. 7. [116H.089] [COMMUNITY ENERGY PLANNING; GRANTS.] *Subdivision 1. [PURPOSE.] In order to improve the energy planning capabilities of local governments, the energy agency shall make grants to counties and cities, however organized. The energy agency when making grants shall give priority to those units of government that submit proposals that could result in significant savings of traditional energy sources, development of renewable energy systems, and broad citizen involvement. The grants may be used to purchase materials, employ staff or contract with other units of government or qualified consultants.*

*The director shall not make grants of more than 45 percent of the amount appropriated for those purposes to cities and counties*

*located within the seven county metropolitan area. A single grant to a city or county shall not exceed \$50,000.*

*Subd. 2. [QUALIFYING EXPENDITURES.] Community energy planning grants may be used for the following purposes:*

*(a) To gather, monitor, and analyze local energy supply, demand, and cost information;*

*(b) To prepare comprehensive community energy plans;*

*(c) To implement comprehensive energy plans that the unit of government is authorized to undertake for the management of problems resulting from: (1) rising energy cost; (2) lack of efficient public and private transportation; (3) lack of community conservation efforts; (4) lack of widespread renewable energy sources; and (5) lack of energy components in comprehensive plans and local ordinances;*

*(d) To assist neighborhood organizations in counties, and cities to do energy planning by making grants to the local unit of government; and*

*(e) Any other purposes deemed appropriate by the director of the energy agency.*
