Exclusive representatives of state employees and university of Minnesota employees certified after the effective date of this section shall immediately upon certification have the responsibility of bargaining on behalf of employees within the unit. They shall also have the responsibility of administering grievances arising under previous contracts covering employees included within the unit which remain unresolved on June 30, 1981. Where the employer does not object, these responsibilities may be varied by agreement between the outgoing and incoming exclusive representatives. All other rights and duties of representation shall commence on July 1, 1981, except that exclusive representatives certified after the effective date of this section shall immediately upon certification have the right to all employer information and all forms of access to employees within the bargaining unit which would be permitted to the current contract-holder. This section shall in no way affect any existing collective bargaining contract. Should an exclusive bargaining agent not be certified for the unit provided for in

section 40, subdivision 3, clause (2), the employees assigned to that unit shall continue to be compensated pursuant to the appropriate university of Minnesota civil service rules, or by the terms of any master or uniform contract of their particular trade which exists between associations of employers in their local area representing all or substantially all of the employees of that trade.

Nothing in sections 1 to 42 shall prevent an exclusive representative certified after the effective date of sections 1 to 42 from assessing fair share or dues deductions immediately upon certification for employees in a unit established under section 40 if the employees were unrepresented for collective bargaining purposes prior to that certification.

Sec. 42. Minnesota Statutes 1978, Chapter 179, is amended by adding a section to read:

[179.743] [STATE EMPLOYEES.] *When no prior determination has been made with respect to the supervisory status of a state employee or his predecessor and no agreement can be reached between the employer and petitioning employee organizations, the commissioner of employee relations may petition the director for a determination. When no agreement can be reached between the employer and petitioning employee organizations on the confidential status of a state employee, the commissioner of employee relations may petition the director for a determination. The commissioner shall serve a copy of the petition on the exclusive representatives of the affected employees. The director shall not exclude any supervisory or confidential employee from an appropriate unit of nonsupervisory or nonconfidential state employees on the basis of a petition filed later than 30 days after the effective date of this section, except as provided in section 34. The director shall make all determinations under this subdivision within 60 days of receipt of a timely petition. The director shall have full discretion in his determination of the application of sections 179.63, subdivisions 8, 9, and 9a, and 179.71, subdivision 3, paragraph 2 in all cases arising under this subdivision. Notwithstanding any other law, his decision shall be final and no appeal whatsoever shall be heard. For the purposes of the certification of a bargaining agent for units provided in subdivision 1 of section 40 employees sought to be excluded by a timely and valid petition as supervisory or confidential shall be counted or shall vote separately in a fashion which shall permit them to be individually excluded or included after a determination as to their status. When a certification is dependent upon challenged employees, the director shall determine the status of the challenged employees prior to deciding the cases of challenged employees whose status need not be determined for a certification. In the latter situation the certification of a bargaining agent shall proceed irrespective of pending challenges.*

(13) Interest income from qualified scholarship funding bonds as defined in section 103(e) of the Internal Revenue Code of 1954, as amended through December 31, 1976, if the nonprofit corporation is domiciled outside of Minnesota; and

(15) The amount of any excluded gain realized *recognized* by a trust on the sale or exchange of property as defined in section 641(c) (1) of the Internal Revenue Code of 1954;

If the gain is considered a long term capital gain for federal income tax purposes, the modification shall be limited to 50 percent of the portion of the gain. This modification is limited to property that qualified for the energy credit contained in section 290.06, subdivision 14, and to property acquired in exchange for the release of the taxpayer's marital rights contained in section 290.14, clause (9); and

(18) The amount of any loss from a source outside of Minnesota which is not allowed under section 290.17 including any capital loss or net operating loss carryforwards or carrybacks resulting from the loss.

(b) Modifications reducing federal adjusted gross income. There shall be subtracted from federal adjusted gross income:

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to 50 per centum of ~~such~~ *the* portion of the gain. This modification shall not be applicable if the difference in basis is due to disallowance of depreciation pursuant to section 290.101.

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of ~~such~~ *the* securities but includible in gross income for federal income tax purposes;

(6) To the extent included in federal adjusted gross income, *or the amount reflected as the ordinary income portion of a lump sum distribution under section 402(e) of the Internal Revenue Code of 1954*, notwithstanding any other law to the contrary, the amount received by any person (i) from the United States, its agencies or instrumentalities, the Federal Reserve Bank or from the state of Minnesota or any of its political or governmental subdivisions or from any other state or its political or governmental subdivisions, or a Minnesota volunteer firefighter's relief association, by way of payment as a pension, public employee retirement benefit, or any combination thereof, or (ii) as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 404, 405, 408, 409 or 409A of the Internal Revenue Code of 1954, ~~as amended through December 31, 1977~~. (d) if made by an individual taxpayer on a Minnesota building of six dwelling units or less and expenditures for biomass conversion equipment described in clause (c), may be deducted from the tax due under this chapter for the taxable year in which the expenditures were made. For purposes of this subdivision, the term "building" shall include a condominium or townhouse used by the taxpayer as a residence. In the case of qualifying expenditures incurred in connection with a building under construction by a contractor, the credit shall be deducted from the tax liability of the first individual to purchase the building for use as a principal residence or for residential rental purposes; the contractor shall not be eligible for the credit given pursuant to this subdivision for that expenditure.

A "renewable energy source expenditure" which qualifies shall include:

"Solar collector" shall not include passive solar energy systems as defined in clause (d);*

(b) Expenditures for earth sheltered dwelling units. For purposes of this credit, an "earth sheltered dwelling unit" shall mean a structure which complies with applicable building standards and which is constructed so that:

(1) 80 percent or more of the wall roof area is covered with a minimum depth of 12 inches of earth; and

A passive system shall include:

(1) Collection aperture, including glazing installed in south facing walls and roofs; and

(2) Storage element, including thermal mass in the form of water, masonry, rock, concrete, or other mediums which is de-

signed to store heat collected from solar radiation.

A passive system may include:

(1) Control and distribution element, including fans, louvers, and air ducts; and/or

(2) Retention element, including movable insulation used to minimize heat loss caused by nocturnal radiation through areas used for direct solar heat gain during daylight hours.

Eligible passive expenditures shall be for equipment, materials or devices that are an integral part of the components listed above and essential to the functioning of a passive design which qualifies pursuant to rules promulgated by the commissioner of revenue in cooperation with the director of the energy agency. Expenditures for equipment, materials, or devices which are a part of the normal heating, cooling, or insulation system of a building are not eligible for the credit.

If a credit was allowed to a taxpayer under this subdivision for any prior taxable year, the dollar amount of the maximum expenditure for which a taxpayer may qualify for a credit under this subdivision in subsequent years shall be \$10,000 reduced by the amount of expenditures which a credit was claimed pursuant to this subdivision in prior years. *A taxpayer shall never be allowed to claim more than \$10,000 of expenditures during the duration of the renewable energy credit.*

The credit provided in this subdivision shall not be allowed in a taxable year if the amount of the credit would be less than \$10.

If the credit allowable under this subdivision exceeds the amount of tax due in a taxable year, the excess credit shall not be refunded but may be carried forward to the succeeding taxable year and added to the credit allowable for that year. No amount may be carried forward to a taxable year beginning after December 31, 1984.

A shareholder in a family farm corporation and each partner in a partnership operating a family farm shall be eligible for the credit provided by this subdivision in the same manner and to the same extent allowed a joint owner of property under clause ~~(a)~~ section 44C (d) of the Internal Revenue Code of 1954, as amended through December 31, 1979. "Family farm corporation" and "family farm" have the meanings given in section 500.24.

The commissioner of revenue in cooperation with the director of the energy agency shall promulgate rules establishing additional qualifications and definitions for the credits provided in clauses ~~(a)~~ to ~~(d)~~ this subdivision.

Notwithstanding section 290.61, the commissioner of revenue may request the energy agency to assist in the review and auditing

of the information furnished by the taxpayer for purposes of claiming this credit. The provisions of section 290.61 shall apply to employees of the energy agency who receive information furnished by a taxpayer for purposes of claiming this credit.

The director of the energy agency shall promulgate rules establishing the criteria for certification of solar collectors as required by clause (a). The criteria shall:

(1) Specify the testing procedures to be used in the evaluation of solar collectors;

(2) Establish minimum levels of collector quality for safety;

(3) Provide a means to determine the maintainability and structural integrity of solar collectors;

(4) Establish a system for evaluating and rating the thermal performance of solar collectors;

(5) Specify the procedures to follow to obtain certification of a solar collector;

(6) Conform to the maximum extent practicable to the solar collector certification requirements of other states which have adopted certification procedures; and

(7) Allow for individual variation so as not to hamper the development of innovative solar collectors.

The director of the energy agency may promulgate temporary rules pursuant to section 15.0412, subdivision 5 to establish this certification procedure.

This subdivision is effective for expenditures made during taxable years beginning after December 31, 1978 and before January 1, 1983.

such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) Whenever a nonresident taxpayer has become liable for income taxes to the state where he resides upon his net income for the taxable year derived from the performance of personal or professional services within this state and subject to taxation under this chapter, there shall be allowed as a credit against the amount of income tax payable by him under this chapter, such proportion of the tax so paid by him to the state where he resides as his gross income subject to taxation under this chapter bears to his entire gross income upon which the tax so paid to such other state was imposed; provided, that such credit shall be allowed only if the laws of such state grant a substantially similar credit to residents of this state subject to income tax under such laws, or

(c) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state or a province or territory of Canada upon, if the taxpayer is an individual or a resident estate or resident trust, any income, or if it is a corporation, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter he or it shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to his entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or territory of Canada and subject to taxation under this chapter, and (2) that such credit shall not be allowed if such other state or province or territory of Canada allows residents of this state a credit against the taxes imposed by such state or province or territory of Canada for taxes payable under this chapter substantially similar to the credit provided for by paragraph (b) of this section, and (3) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter.

(d) The commissioner shall by regulation determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply.

(e) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

(f) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chairman. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that he will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

(d) All expense money paid by the legislature to legislators;

(e) The provisions of section 280A (disallowing certain expenses in connection with the business use of the home and rental of vacation homes) of the Internal Revenue Code of 1954, as amended through December 31, 1976 1979, shall be applicable in determining the availability of any deduction under this subdivision.

(f) *Entertainment, amusement, or recreation expenses shall be allowed under this subdivision only to the extent that they qualify as a deduction under section 274 of the Internal Revenue Code of 1954, as amended through December 31, 1979.*

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 290.067, Subdivision 1, is amended to read:

290.067 [DEPENDENT CARE CREDIT.] Subdivision 1. [AMOUNT OF CREDIT.] A taxpayer may take as a credit against the tax due from him and his spouse, if any, under this chapter an amount equal to 50 percent of the dependent care credit for which he is eligible pursuant to the provisions of section 44A of the Internal Revenue Code of 1954, as amended through December 31, 1978 1979, subject to the limitations provided in subdivision 2.

Sec. 12. Minnesota Statutes 1978, Section 290.067, Subdivision 2, is amended to read:

Subd. 2. [LIMITATIONS.] The credit for expenses incurred for the care of each dependent shall not exceed ~~\$150~~ \$400 in any taxable year, and the total credit for all dependents of a claimant shall not exceed ~~\$300~~ \$800 in a taxable year. The total credit shall be reduced by five percent of the amount by which the combined federal adjusted gross income of the claimant and his spouse, if any, exceeds ~~\$12,000~~ \$15,000. A married claimant shall file his income tax return for the year for which he claims the credit either jointly or separately on one form with his spouse. In the case of a married claimant only one spouse may claim the credit. Sec. 13. Minnesota Statutes, 1979 Supplement, Section 290.09, Subdivision 3, is amended to read:

Subd. 3. [INTEREST.] (a) All interest paid or accrued within the taxable year on indebtedness, except as hereinafter provided.

(b) Interest paid or accrued within the taxable year on indebtedness incurred or continued to purchase or carry obligations or securities the income from which is excludable from gross income under section 290.08, or shares of a regulated investment company which during the taxable year of the holder thereof distributes Minnesota exempt-interest dividends as defined in section 2, or on indebtedness incurred or continued in connection with the purchasing or carrying of a single premium life insurance, annuity, or endowment contract, shall not be allowed as a deduction. (For purposes of this paragraph, a contract shall be treated as a single premium contract if substantially all the premiums on the contract are paid within a period of four years from the date on which the contract is purchased, or if an amount is deposited after January 1, 1955 with the insurer for payment of a substantial number of future premiums on the contract.)

(c) If personal property or educational services are purchased under a contract which provides that payment of part or all of the purchase price is to be made in installments, and in which carrying charges are separately stated but the interest charge cannot be ascertained, then the payments made during the taxable year under the contract shall be treated for purposes of this paragraph as if they included interest equal to six percent of the average unpaid balance under the contract during the taxable year, and such interest shall be allowed as a deduction. For purposes of the preceding sentence, the average unpaid balance is the sum of the unpaid balance outstanding on the first day of each month beginning during the taxable year, divided by 12. In the case of any contract to which this paragraph applies, the amount treated as interest for any taxable year shall not exceed the aggregate carrying charges which are properly attributable to such taxable year.

For purposes of this subdivision the term "educational services" means any service including lodging which is purchased from an

educational institution (as defined in section 151(e) (4) of the Internal Revenue Code of 1954, as amended through December 31, 1976) and which is provided for a student of such institution.

(d) A cash basis taxpayer may elect to deduct interest as it accrues on a reverse mortgage loan as defined in section 47.58, subdivision 1, rather than when it is actually paid. This election must be made, if at all, in the first taxable year in which it is available to the cash basis taxpayer and, if made, shall be binding on the taxpayer for each subsequent taxable year until maturity of the loan.

Sec. 14. Minnesota Statutes 1978, Section 290.09, Subdivision 28, is amended to read:

Subd. 28. [REAL ESTATE INVESTMENT TRUSTS; DEDUCTIBLE DIVIDENDS.] A "real estate investment trust," as defined in section 856 of the Internal Revenue Code of 1954, as amended through December 31, 1976 1979, and to which sections 856 to 858 860 of the Code apply for the taxable year, may deduct its dividends paid to the extent permitted by section 857(b) (2) (C) 857(b) (2) (B) of the Code, and its capital gains dividends paid as defined and limited by section 857(b) (3) (C) of the Code. Such a trust and its shareholders and beneficiaries shall be subject to all of the provisions of sections 857 and 858 of the Code which are applicable under this chapter, in determining their respective taxable net incomes, provided that the excess amount determined and subjected to available for the alternative tax under section 857(b) (3) (A) (ii) of the Code shall be included in gross income subject to the deduction provided by section 290.16, subdivision 4.

This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years. *In the case of a taxpayer other than a corporation, an amount equal to one-half of the net capital gain for the taxable year shall be used as the definition of capital gain in place of the*

deduction determined under section 1202 of the Internal Revenue Code. In the case of a resident individual, estate or trust having preference items which could not be taken to reduce income from sources outside the state pursuant to section 290.17, subdivision 1, or any other taxpayer the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17, subdivision 1, to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes.

(b) In the case of a resident individual, estate or trust having preference items in taxable years beginning after December 31, 1976, and before January 1, 1978, which are not allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for such years, the tax shall equal 40 percent of the taxpayer's federal minimum tax liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference items allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for such *those* years and the denominator of which is the taxpayer's total preference items for federal purposes.

(c) ~~The preference items for taxable years beginning after December 31, 1978 shall not include the portion of the sale of residence excluded under section 121 of the Internal Revenue Code of 1954 as amended through December 31, 1978.~~

Sec. 16. Minnesota Statutes, 1979 Supplement, Section 290.095, Subdivision 1, is amended to read:

290.095 [OPERATING LOSS DEDUCTION.] Subdivision 1. [ALLOWANCE OF DEDUCTION.] (a) There shall be allowed as a deduction for the taxable year the amount of any net operating loss deduction as defined in subdivision 2, clause (b); provided, however, that the modifications specified in subdivision 4 shall be made in computing the taxable net income for the taxable year before the net operating loss deduction shall be allowed.

(b) A net operating loss deduction shall be available under this section only to corporate taxpayers except as provided in subdivisions 6, 7 and 9 hereof, and, with respect to individuals, estates and ~~trusts~~, no deduction shall be allowed for or with respect to losses which constitute tax preference items as set forth in section 290.17, subdivision 1.

Sec. 17. Minnesota Statutes 1978, Section 290.095, is amended by adding a subdivision to read:

Subd. 10. [PRODUCT LIABILITY LOSS CARRYBACK.] In the case of a taxpayer which has a product liability loss, as defined in section 172(i) of the Internal Revenue Code of 1954 as amended through December 31, 1979, for a taxable year beginning after September 30, 1979 (referred to as "loss year"), the product liability loss shall be a net operating loss carryback to each of the 10 taxable years preceding the loss year.

Sec. 18. Minnesota Statutes 1978, Section 290.13, is amended by adding a subdivision to read:

Subd. 5a. [GAIN OR LOSS FROM SALE OR EXCHANGE TO EFFECTUATE POLICIES OF F.C.C.] *If the sale or exchange of property, including stock in a corporation, is certified by the Federal Communications Commission to be necessary or appropriate to effectuate a change in a policy of, or the adoption of a new policy by the commission with respect to the ownership and control of radio broadcasting stations, the sale or exchange shall, if the taxpayer so elects, be treated as an involuntary conversion of the property within the meaning of subdivision 5. For purposes of this subdivision, "radio broadcasting" includes telecasting.*

For purposes of subdivision 5 as made applicable by the provisions of this subdivision, stock of a corporation operating a radio broadcasting station located in Minnesota, whether or not representing control of the corporation, shall be treated as property similar or related in service or use to the property so converted. The part of the gain, if any, on the sale or exchange to which subdivision 5 is not applied shall nevertheless not be recognized, if the taxpayer so elects, to the extent that it is applied to reduce the basis for determining gain or loss on sale or exchange of property of a character subject to the allowance for depreciation under section 290.09, subdivision 7, remaining in the hands of the taxpayer immediately after the sale or exchange, or acquired in the same taxable year and with its situs in the state of Minnesota. The manner and amount of the reduction shall be determined under regulations prescribed by the commissioner. Any election made by the taxpayer under this subdivision shall be made by a statement to that effect in his return for the taxable year in which the sale or exchange takes place, and the election shall be binding for that taxable year and all subsequent taxable years.

The basis of property acquired on a sale or exchange treated as an involuntary conversion under this subdivision shall be determined pursuant to the provisions of subdivision 5.

Sec. 19. Minnesota Statutes, 1979 Supplement, Section 290.14, is amended to read:

290.14 [GAIN OR LOSS ON DISPOSITION OF PROPERTY, BASIS.] The basis for determining the gain or loss from the sale or other disposition of property acquired on or after January 1, 1933, shall be the cost to the taxpayer of such property, with the following exceptions:

(1) If the property should have been included in the last inventory, it shall be the last inventory value thereof;

(2) If the property was acquired by gift, it shall be the same as it would be if it were being sold or otherwise disposed of by the last preceding owner not acquiring it by gift if the facts required for this determination cannot be ascertained, it shall be the fair market value as of the date, or approximate date, of acquisition by such the last preceding owner, as nearly as the requisite facts can be ascertained by the commissioner;

(3) If the property was acquired by gift through an inter vivos transfer in trust, it shall be the same as it would be if it were being sold or otherwise disposed of by the grantor;

(4) Except as otherwise provided in this clause, the basis of property in the hands of a person acquiring the property from a decedent or to whom the property passed from a decedent shall, if not sold, exchanged or otherwise disposed of before the decedent's death by ~~such~~ *the* person, be the fair market value of the property at the date of decedent's death.

For the purposes of the preceding paragraph, the following property shall be considered to have been acquired from or to have passed from the decedent:

(a) Property acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent;

(b) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent, with the right reserved to the decedent at all times before his death to revoke the trust;

(c) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent with the right reserved to the decedent at all times before his death to make any change in the enjoyment thereof through the exercise of a power to alter, amend, or terminate the trust;

(d) Property passing without full and adequate consideration under a general power of appointment exercised by the decedent by will;

(e) In the case of a decedent's dying after December 31, 1956, property acquired from the decedent by reason of death, form of ownership, or other conditions (including property acquired through the exercise or non-exercise of a power of appointment), if by reason thereof the property is required to be included in determining the value of the decedent's gross estate for Minnesota inheritance tax purposes. In ~~such~~ *this* case, if the property is acquired before the death of the decedent, the basis shall be the amount determined under the first paragraph of this clause reduced by the amount allowed to the taxpayer as deductions in computing taxable net income under this chapter or prior Minnesota income tax laws for exhaustion, wear and tear, obsolescence, amortization, and depletion on ~~such~~ *the* property before the death of the decedent. ~~Such~~ *The* basis shall be applicable to the property commencing on the death of the decedent. This paragraph shall not apply to annuities described in section 290.08; and property described in paragraphs (a), (b), (c) and (d) of this clause.

This clause shall not apply to property which constitutes a right to receive an item of income in respect of a decedent under section 290.077. Nor shall it apply to restricted stock options described in section 290.078 which the employee has not exercised at death.

(5) If the property was acquired after December 31, 1932, upon an exchange described in section 290.13, subdivision 1, the basis shall be the same as in the case of the property exchanged, de-

creased in the amount of any money received by the taxpayer and increased in the amount of gain or decreased in the amount of loss to the taxpayer that was recognized upon such *the* exchange under the law applicable to the year in which the exchange was made. If the property so acquired consisted in part of the type of property permitted by section 290.13, subdivision 1, to be received without the recognition of gain or loss, and in part of other property, the basis provided in this clause shall be allocated between the properties, other than money, received, and for the purpose of the allocation there shall be assigned to such *the* other property an amount equivalent to its fair market value at the date of the exchange. This clause shall not apply to property acquired by a corporation by the issuance of its stock or securities as the consideration, in whole or in part, for the transfer of the property to it;

(6) If substantially identical property was acquired in the place of stocks or securities which were sold or disposed of and in respect of which loss was not allowed as a deduction under section 290.09, subdivision 5, the basis in the case of property so acquired shall be the same as in the case of the stock or securities so sold or disposed of, increased by the excess of the repurchase price of such *the* property over the sale price of such *the* stock or securities, or decreased by the excess of the sale price of such *the* stock or securities over the repurchase price of such *the* property;

(7) If the property was acquired after December 31, 1932, as the result of a compulsory or involuntary conversion described in section 290.13, subdivision 5, the basis shall be the same as in the case of the property so converted, decreased in the amount of any money received by the taxpayer which was not expended in accordance with the provisions of law applicable to the year in which such conversion was made, determining the taxable status of the gain or loss upon such conversion, and increased in the amount of gain or decreased in the amount of loss to the taxpayer recognized upon such conversion under the law applicable to the year in which such conversion was made.

(8) Neither the basis nor the adjusted basis of any portion of real property shall, in the case of a lessor of such *the* property, be increased or diminished on account of income derived by the lessor in respect of such *the* property and excludable from gross income under section 290.08, subdivision 14.

If an amount representing any part of the value of real property attributable to buildings erected or other improvements made by a lessee in respect of such *the* property was included in gross income of the lessor for any taxable year beginning before January 1, 1943, the basis of each portion of such *the* property shall be properly adjusted for the amount so included in gross income.

(9) If the property was acquired by the taxpayer as a transfer of property in exchange for the release of the taxpayer's marital rights, the basis of the property shall be the same as it would be if it were being sold or otherwise disposed of by the person who transferred the property to the taxpayer.

(10) The basis of property subject to the provisions of section 1034 of the Internal Revenue Code of 1954, as amended through December 31, 1979 (relating to the rollover of gain on sale of principal residence) shall be the same as the basis for federal income tax purposes. The basis shall be increased by the amount of gain realized on the sale of a principal residence outside of Minnesota, while a nonresident of this state, which gain was not recognized because of the provisions of section 1034.

Sec. 20. Minnesota Statutes, 1979 Supplement, Section 290.17, Subdivision 1, is amended to read:

290.17 [GROSS INCOME, ALLOCATION TO STATE.] Subdivision 1. [INCOME OF RESIDENT INDIVIDUALS, ESTATES AND TRUSTS.] The gross income of individuals during the period of time when they are residents of Minnesota and the gross income of resident estates and trusts shall be their gross income as defined in section 290.01, subdivision 20, except that the amount of otherwise deductible losses incurred in connection with income derived from sources outside the state shall be reduced by the sum of the taxpayer's items of tax preference as defined in section 57 of the Internal Revenue Code of 1954, as amended through December 31, 1978, which are attributable to losses incurred in connection with sources of income outside the state.

Sec. 21. Minnesota Statutes 1978, Section 290.17, is amended by adding a subdivision to read:

Subd. 1a. [SUBSEQUENT ADJUSTMENT.] When a loss has been reduced by the amount of tax preference items pursuant to subdivision 1, and the taxpayer subsequently sells or otherwise disposes of an asset in relation to which arose an item of tax preference which caused the reduction of the loss, the taxpayer may increase the basis of the asset by the amount of the tax preference item that was used to reduce the loss. If the asset is a depletable asset, the taxpayer may elect to so increase its basis upon disposition or to reduce the amount of otherwise taxable income subsequently produced by that asset by the amount of the tax preference item.

Sec. 22. Minnesota Statutes 1978, Section 290.26, Subdivision 2, is amended to read:

Subd. 2. [EMPLOYER CONTRIBUTIONS.] Contributions of an employer to an employee's trust or annuity plan and compensation under a deferred-payment plan or to a simplified employee pension shall be allowed as a deduction in accordance with the provisions of Section Sections 404 or 408(k) of the Internal Revenue Code of 1954, as amended through December 31, 1976 1979 as adapted to the provisions of this act chapter under regulations rules issued by the commissioner of revenue.

sioner of revenue shall annually determine the gross income levels at which individuals *and estates* shall be required to file a return for each taxable year.

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed, or if the gross income of such trust exceeds \$750, if in either case such trust belongs to the class of taxable persons.

Every corporation shall file a return with respect to its taxable net income if in excess of \$500, or if its gross income exceeds \$5,000. The return in this case shall be signed by an officer of the corporation.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed (or, if the taxpayer is a corporation, if the taxable net income exceeds \$500), or if such taxpayer's gross income exceeds \$5,000.

Such return shall (a) be verified or contain a written declaration that it is made under the penalties of criminal liability for wilfully making a false return, and (b) shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

For purposes of this subdivision the term "gross income" shall mean gross income as defined in section 61 of the Internal Revenue Code of 1954, as amended through December 31, 1976, modified and adjusted in accordance with the provisions of sections 290.01, subdivision 20, clauses (b) (6) and (b) (11), 290.08, and 290.17 and 290.65.

The commissioner of revenue shall, on the first page of the income tax return and the property tax refund claim form, notify filers of their right to designate that a portion of their refund shall be paid into the non-game wildlife management fund. The sum of the amounts so designated to be paid shall be annually appropriated from the general fund to the commissioner of natural resources and credited to the non-game wildlife management fund for use by the non-game section of the division of wildlife in the department of natural resources.*

Sec. 25. Minnesota Statutes 1978, Section 290.49, Subdivision 10, is amended to read:

Subd. 10. [INCORRECT DETERMINATION OF FEDERAL ADJUSTED GROSS INCOME.] Notwithstanding any other provision of this chapter, if a taxpayer whose gross income is determined under section 290.01, subdivision 20, omits from income such an amount as will under the Internal Revenue Code of 1954, as amended through December 31, 1976 extend the statute of limitations for the assessment of federal income taxes; or otherwise incorrectly determines his federal adjusted gross income resulting in adjustments by the Internal Revenue Service then the period of assessment and determination of tax shall be the same as that under the Internal Revenue Code of 1954, as amended through December 31, 1976. *When a change is made to federal income during the extended time provided under this subdivision, the provisions under section 290.56 regarding additional extensions apply.*

If the Revised Consumer Price Index, as published by the United States Department of Labor, Bureau of Labor Statistics, for the city of Minneapolis (or if no such index is published for the city of Minneapolis, for the nearest city to Minneapolis for which such index is published), as of December 15 of any year (or for the date nearest to December 15 if no such index is published as of December 15), shall be above 102 (using the average for the years 1947-1949 as a base), the maximum levy limit shall, subject to the restrictions of this subdivision, be increased by 3 1/2 percent for each of the first 6 points that said index may be increased and by one percent for each additional point increased above 6. A fractional point increase shall be disregarded if less than one-half point and treated as one point if one-half point, or more. In any

city where more than 25 percent of the assessed valuation consists of iron ore and in any statutory city, the levy permitted by this paragraph shall be in addition to any statutory or charter limitations. In any other city, the levy authorized by this paragraph shall be made within charter limitations.

Sec. 18. Minnesota Statutes 1978, Section 275.28, Subdivision 3, is amended to read:

Sec. 19. Minnesota Statutes, 1979 Supplement, Section 275.50, Subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1979 payable in 1980 and thereafter, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, but only to the extent of the increase in levy for such judgment and out of court settlements over levy year 1970, taxes payable in 1971;

(b) pay the costs of complying with any written lawful order initially issued prior to January 1, 1977 by the state of Minnesota, or the United States, or any agency or subdivision thereof, which is authorized by law, statute, special act or ordinance and is enforceable in a court of competent jurisdiction, or any stipulation agreement or permit for treatment works or disposal system for pollution abatement in lieu of a lawful order signed by the governmental subdivision and the state of Minnesota, or the United States, or any agency or subdivision thereof which is enforceable in a court of competent jurisdiction. The commissioner of revenue shall in consultation with other state departments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(c) pay the costs to a governmental subdivision for their minimum required share of any program otherwise authorized by law, including the administrative costs of social services but not administrative costs of public assistance programs or of county welfare systems, for which matching funds have been appro-

priated by the state of Minnesota or the United States, but only to the extent that the costs to the governmental subdivision for the program exceed those expended in calendar year 1970, subject to rules promulgated by the commissioner of revenue pursuant to the administrative procedures act. Amounts levied pursuant to this clause which are in excess of the amount necessary to meet the minimum required share of a program shall be deducted from the general levy made in the following year;

(d) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law;

(e) pay the costs of principal and interest on bonded indebtedness, or, effective for taxes levied in 1973 and years thereafter, to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(f) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency;

(g) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(h) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(i) pay the amounts required to compensate for a decrease in revenues from public service enterprises, municipal liquor stores, licenses, permits, fines and forfeits and no other, to the extent that the aggregate of revenues from these sources in the calendar year preceding the year of levy are less than the *inflation adjusted* aggregate of revenues from these sources in calendar year 1971. "Revenues" from a public service enterprise or a municipal liquor store shall mean the net income or loss of such public service enterprise or municipal liquor store, determined by subtracting total expenses from total revenues, and before any contribution to or from the governmental subdivision. "Fines" for a municipal court means the net amount remaining after subtracting total municipal court expenses from total collections of municipal court fines. *The "inflation adjusted aggregate of revenues in calendar year 1971" shall be the sum of (a) the aggregate of revenues received in calendar year 1971 multiplied by the total percentage increase in the consumer price index for the Minneapolis-St. Paul area from the calendar year 1971 to June of the levy year plus (b) the aggregate of revenues received in calendar year 1971. The commissioner of revenue shall calculate and notify the governmental subdivisions of the inflation adjustment by September of the levy year. A governmental subdivision shall qualify for this special levy only if the decrease*

in aggregate revenues as computed herein and divided by the population of the governmental subdivision in the preceding levy year is equal to or greater than two percent of the per capital levy limitation for the preceding levy year;

(j) pay the amounts required to compensate for a decrease in mobile homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 273.13, subdivision 3, as amended, is less than the distribution of the mobile homes tax to the governmental subdivision pursuant to section 273.13, subdivision 3, in calendar year 1971;

(k) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(l) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(m) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board in levy year 1971 or a subsequent levy year, but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

(n) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) The increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) The amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development

within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and nonresidential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and nonresidential commercial development. In the levy year following the levy year in which the special levy made pursuant to this clause is discontinued, one-half of the amount of that special levy made in the preceding year shall be added to the permanent levy base of the governmental subdivision;

(o) recover a loss or refunds in tax receipts incurred in non-special levy funds resulting from abatements or court action in the previous year pursuant to section 275.48;

(p) pay amounts required by law to be paid to reduce unfunded accrued liability of public pension funds, including interest thereon, in accordance with the actuarial standards and guidelines specified in sections 69.71 to 69.776 and 356.215 reduced for levy year 1977 and subsequent years by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(q) the amounts allowed under section 174.27 to establish and administer a commuter van program;

(r) pay the costs of financial assistance to local governmental units and certain administrative, engineering, and legal expenses pursuant to Laws 1979, Chapter 253, Section 3, ;

(s) compensate for revenue lost as a result of abatements or court action pursuant to sections 270.07, 270.17 or 278.01 due to a reassessment ordered by the commissioner of revenue pursuant to section 270.16.

Sec. 20. Minnesota Statutes 1978, Section 275.52, Subdivision 2, is amended to read:

Subd. 2. The levy limit base, as adjusted for previous increases pursuant to this section, may be increased each year by the governing body of the governmental subdivision affected thereby in the amount not to exceed , *in the case of a home rule charter or statutory city other than a city of the first class or a county not containing a city of the first class, eight percent, or in the case of any other governmental subdivision, six percent of the previous year's levy limit base.*

Sec. 21. Minnesota Statutes 1978, Section 275.52, Subdivision 5, is amended to read:

Subd. 5. For taxes levied in ~~1977 1980~~ payable in ~~1978 or for taxes levied in 1978 payable in 1979 1981 and subsequent~~ years a city other than a city of the first class, town, or county not containing a city of the first class which, in the preceding levy year, levied at least 98 percent of its total limited levy amount, may determine to levy in excess of the limitation provided in sections 275.50 to 275.56 by not to exceed 10 percent of its levy limit base by passing a resolution setting forth the amount by which the levy limit is proposed to be exceeded. The resolution shall be published for four successive weeks in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein, together with a notice fixing a date for a public hearing on the proposed increase which hearing shall be held not less than four weeks nor more than six weeks after the first publication of the resolution. Following the public hearing, the governing body may determine to take no further action, or in the alternative, adopt a resolution authorizing the levy as originally proposed, or adopt a resolution approving a levy in such lesser amount as it so determines. The resolution shall be published in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein. If within 30 days thereafter, a petition signed by voters equal in number to five percent of the votes cast in the governmental subdivision in the last general election or 2,000 voters, whichever is less, requesting a referendum on the proposed resolution is filed with the clerk or recorder of the governmental subdivision if the governmental subdivision is a city or town, or with the county auditor if the governmental subdivision is a county, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at any such referendum. A levy increased pursuant to this subdivision, whether not challenged or approved at a referendum held at a special or general election held prior to October 1 in any levy year, increases the allowable levy in that same levy year and provides a permanent adjustment to the levy limit base of the governmental subdivision for future levy years. There shall be no reduction in distributions of formula aids to the governmental subdivision as a result of the additional levy.

The excess levy authorized by this subdivision is a one-time levy

adjustment to the levy limit base. If an adjustment was made after June 3, 1977, pursuant to this subdivision, in an amount less than ten percent of the base, calculated at the time of the adjustment, an additional adjustment to the current levy limit base is authorized in an amount equal to ten percent less the percent by which it was previously adjusted.

Sec. 22. *By February 15, 1981, each county assessor shall report to the commissioner of revenue on the range of average rental values of tillable agricultural land located in each township in the county and the estimated market values established in those townships in 1981.*

Sec. 23. *The 1979 adjusted assessed values determined under the provisions of section 124.212 shall be computed using the classification ratios which were in effect for taxes payable in 1980.*

Sec. 24. [REPEALER.] *Minnesota Statutes, 1979 Supplement, Section 273.122, is repealed.*

Sec. 25. [EFFECTIVE DATE.] *Sections 1 and 5 through 17, 19, 20 and 24 are effective for taxes levied in 1980 and subsequent years, payable in 1981 and subsequent years.*

(2) The land is predominantly occupied by buildings, streets, utilities or other improvements and 20 percent of the buildings are structurally substandard and an additional 30 percent of the buildings are found to require substantial renovation or clearance in order to remove such existing conditions as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety and general well being of the community; or

(d) That the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the district by private enterprise.

(e) That the municipality elects the method of tax increment computation set forth in section 273.76, subdivision 3, clause (b), if applicable.

Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for such financing.

Sec. 7. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 1, is amended to read:

273.75 [LIMITATIONS.] Subdivision 1. **[DURATION OF TAX INCREMENT FINANCING DISTRICTS.]** Subject to the limitations contained elsewhere in this subdivision any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as any such bonds continue to be outstanding; provided, however, the tax increment pledged to the payment of bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to such maturity or redemption date, provided that for bonds issued pursuant to section 273.77, clauses (a) and (b) the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full; provided, further, that no tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original assessed value of the taxable real property in the district by the county auditor or three years from August 1, 1979, for tax increment financing districts authorized prior to August 1, 1979, unless within the three year period

(a) bonds have been issued pursuant to section 273.77, or in aid of a project pursuant to any other law, except revenue bonds issued pursuant to chapter 474, prior to August 1, 1979, or (b) the authority has acquired property within the district, or (c) the authority has constructed or caused to be constructed public improvements within the district; and provided, further, that no tax increment shall in any event be paid to the authority from a redevelopment project district after 25 years from date of receipt by the authority of the first tax increment, after 25 years from the date of the receipt for a housing project district and after eight years from the date of the receipt, or 10 years from approval of the tax increment financing plan, whichever is less, for an economic development project district.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after 30 years from August 1, 1979.

Modification of a tax increment financing plan pursuant to section 273.74, subdivision 4, shall not extend the durational limitations of this subdivision.

Sec. 8. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 2, is amended to read:

Subd. 2. [EXCESS TAX INCREMENTS.] In any year in which the tax increment exceeds the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as provided in section 475.61, subdivision 3, the authority shall use the excess amount to (a) prepay any outstanding bonds, (b) discharge the pledge of tax increment therefor, (c) pay into an escrow account dedicated to the payment of such bond, or shall return the excess amount to the county auditor who shall distribute the excess amount to the municipality, county and school district in which the tax increment financing district is located in direct proportion to their respective mill rates.

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 5, is amended to read:

Subd. 5. [REQUIREMENT FOR AGREEMENTS.] No more than 25 percent, by acreage, of the property to be acquired within a redevelopment project district, or ten percent, by acreage, of the property to be acquired within a housing or economic development project district, as set forth in the tax increment financing plan, shall at any time be owned by an authority as a result of acquisition with the proceeds of bonds issued pursuant to section 273.77 without the authority having prior to acquisition in excess of the percentages concluded an agreement for the development or redevelopment of the property acquired and which provides recourse for the authority should the development or redevelopment not be completed.

Sec. 10. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 6, is amended to read:

Subd. 6. [LIMITATION ON INCREMENT.] If, after five years from the date of certification of the original assessed value of the tax increment financing district pursuant to section 273.76, no demolition, rehabilitation or renovation of property or other site preparation, including improvement of a street adjacent to a *property parcel* but not installation of utility service, has been commenced on a *property parcel* located within a tax increment financing district by the authority or by the owner of the *property parcel* in accordance with the tax increment financing plan, no additional tax increment may be taken from that *property parcel*, and the original assessed value of that *property parcel* shall be excluded from the original assessed value of the tax increment financing district. If the authority or the owner of the *property parcel* subsequently commences demolition, rehabilitation or renovation or other site preparation on that *property parcel* including improvement of a street adjacent to that *property parcel*, in accordance with the tax increment financing plan, the authority shall certify to the county auditor that the activity has commenced, and the *property* may be added into the tax increment financing district. The county auditor shall certify the most recently assessed value of that *property* assessed value thereof as most recently certified by the commissioner of revenue and add it to the original assessed value of the tax increment financing district. For purposes of this subdivision "*parcel*" means a tract or plat of land established as a single unit for purposes of assessment.

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 1, is amended to read:

273.76 [COMPUTATION OF TAX INCREMENT.] Subdivision 1. [ORIGINAL ASSESSED VALUE.] Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original assessed value of the tax increment financing district as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original assessed value has increased or decreased as a result of a change in tax exempt status of property within the district, reduction or enlargement of the district or changes pursuant to subdivision 4. The amount to be added to the original assessed value of the district as a result of previously tax exempt real property within the district becoming taxable shall be equal to the assessed value of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the value which shall be assessed by the assessor at the time of such transfer as of the date of title transfer. The amount to be added to the original assessed value of the district as a result of enlargements thereof shall be equal to the assessed value of the added real property as most recently certified by the commissioner of revenue as of the date of *modification* of the tax increment financing plan pursuant to section 273.74, subdivision 4. The amount to be subtracted from the original assessed value of the district as a result of previously taxable real property within the

district becoming tax exempt, or a reduction in the geographic area of the district, shall be the amount of original assessed value initially attributed to the property becoming tax exempt or being removed from the district. If the assessed value of property located within the tax increment financing district is reduced by reason of a court-ordered abatement, the original assessed value of the district shall be reduced by that amount stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original assessed value of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured assessed value of the district in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor shall have the power to specify reasonable form and content of the request for certification of the authority and any modification thereof pursuant to section 273.74, subdivision 4.

Sec. 12. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 2, is amended to read:

Subd. 2. [CAPTURED ASSESSED VALUE.] The county auditor shall certify the amount of the captured assessed value to the authority each year, together with the proportion that the captured assessed value bears to the total assessed value of the real property within the tax increment financing district for that year.

(a) An authority may choose to retain any part or all of the captured assessed value for purposes of tax increment financing according to one of the two following options:

(1) If the plan provides that all the captured assessed value is necessary to finance or otherwise make permissible expenditures under section 273.75, subdivision 5 4, the authority may retain the full captured assessed value.

(2) If the plan provides that only a portion of the captured assessed value is necessary to finance or otherwise make permissible expenditures under section 273.75, subdivision 5 4, only that portion shall be set aside and the remainder shall be distributed among the affected taxing districts by the county auditor.

(b) The portion of captured assessed value that an authority intends to use for purposes of tax increment financing must be clearly stated in the tax increment financing plan.

Sec. 13. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 3, is amended to read:

Subd. 3. [TAX INCREMENT, RELATIONSHIP TO CHAPTER 473F.] (a) Unless the governing body elects pursuant to clause (b) the following method of computation shall apply:

(1) The original assessed value shall include any portion thereof which is subject to the area-wide tax imposed by section 473F.08, subdivision 6; in the levy and assessment of taxes in the year the district is certified and the current assessed value shall not be

reduced to any extent to reflect the contribution of the municipality to the area-wide tax base pursuant to section 473F.08, subdivision 2, clause (e).

(2) In each subsequent year, the county auditor shall compute assessed valuations, mill rates and the tax increment as follows:

(i) If the authority retains the full captured assessed value, the county auditor shall include no more than the original assessed value of the real property in the tax increment financing district for purpose of determining assessed value for local mill rates. The county auditor shall compute the mill rates of all taxes levied by the state, the county, the municipality or town, the school district and every other taxing district in which the district is located in whole or in part of the aforementioned assessed value. The county auditor shall extend all mill rates against the current assessed value, including the captured assessed value, except for that portion of the current assessed value which is subject to the area-wide tax rate determined pursuant to section 473F.08, subdivision 5. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that portion of all taxes paid that year on real property in the district, including taxes paid as a result of the application of the area-wide tax determined pursuant to section 473F.08, subdivision 5, which exceeds the taxes attributable to the application of local mill rates to the original assessed value. The amount so remitted each year is referred to in this section as the tax increment for that year.

(ii) If the authority retains only a portion of the captured assessed value for its use and returns the remaining portion to the tax rolls of all affected taxing districts, the county auditor shall include the original assessed value which is shared with all the affected taxing districts in determining the assessed value for computing mill rates. He shall compute the mill rates of all taxes levied by the state, county, municipality, school district, and every other taxing district in which the district is located in whole or in part on this assessed value. He shall extend all mill rates against the total current assessed value including that portion of the captured assessed value which the authority is retaining for its use only, except for that portion of the current assessed value which is subject to the area-wide tax rate determined pursuant to section 473F.08, subdivision 5. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that portion of all taxes paid on real property in the district, including taxes paid as a result of the area-wide tax rate determined pursuant to section 473F.08, subdivision 5, that exceeds the taxes attributable to the application of local mill rates to the original assessed value and to that portion of the captured assessed value which is shared with all the affected taxing districts. The amount so remitted each year is referred to as the tax increment.

(3) In any year in which the current assessed value of the tax increment financing district is less than the original assessed

value, thereby creating a tax increment deficit, the county auditor shall compute and extend taxes against the current assessed value, except for that portion of the current assessed value which is subject to the area-wide tax rate determined pursuant to sections 473F.08, subdivision 5. Taxes, including taxes paid as a result of the application of the area-wide tax rate determined pursuant to section 473F.08, subdivision 5, shall be distributed from the affected property to each of the taxing jurisdictions as determined by the current levy and there will be no tax increment. In any year subsequent to a year in which there exists a tax increment deficit, the tax increment shall be computed without regard to said deficit.

(1) *The original assessed value and the current assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.*

(2) *The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of the local taxing district mill rates to the retained captured assessed value of the authority is the tax increment of the authority.*

(b) Notwithstanding clause (a), the governing body may, by resolution approving the tax increment financing plan pursuant to section 273.74, subdivision 3, elect the following method of computation:

(1) *The original assessed value shall not include any portion thereof which is subject to the area-wide tax imposed by section 473F.08, subdivision 6, in the levy and assessment of taxes in the year the district is certified and the current assessed value shall not include the portion thereof which is subject to the area-wide tax imposed by section 473F.08, subdivision 6, but shall not otherwise be reduced by the amount of the contribution of the municipality to the area-wide tax base pursuant to section 473F.08, subdivision 2, clause (a).*

(2) *In each subsequent year, the county auditor shall compute assessed valuation, mill rates and tax increments as follows:*

(i) *If the authority retains the full captured assessed value, the county auditor shall include no more than the original assessed value of the real property in the tax increment financing district for purposes of determining assessed value for local mill rates. The*

county auditor shall compute the mill rates of all taxes levied by the state, the county, the municipality or town, the school district and every other taxing district in which the district is located in whole or in part on the aforementioned assessed value. The county auditor shall extend all mill rates against the current assessed value, including the captured assessed value. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that proportion of all taxes paid that year on real property in the district which the captured assessed value bears to the current assessed value. The amount so remitted each year is referred to in this section as the tax increment for that year.

(ii) If the authority retains only a portion of the captured assessed value for its use and returns the remaining portion to the tax rolls of all affected taxing districts, the county auditor shall include the original assessed value and that portion of the captured assessed value which is shared with all the affected taxing districts in determining the assessed value for computing mill rates. He shall compute the mill rates of all taxes levied by the state, county, municipality, school district, and every other taxing district in which the district is located in whole or in part on this aforementioned assessed value. He shall extend all mill rates against the total current assessed value including that portion of the captured assessed value which the authority is retaining for its use only. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that portion of all taxes paid on real property in the district that the retained captured assessed value bears to the total current assessed value in the district. The amount so remitted each year is referred to as the tax increment.

(3) In any year in which the current assessed value of the tax increment financing district is less than the original assessed value, thereby creating a tax increment deficit, the county auditor shall compute and extend taxes against the current assessed value. Taxes shall be distributed from the affected property to each of the taxing jurisdictions as determined by the current levy and there is no tax increment. In any year subsequent to a year in which there exists a tax increment deficit, tax increments shall be computed without regard to the deficit.

(1) *The original assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. The current assessed value shall exclude any fiscal disparity commercial-industrial assessed value increase between the original year and the current year multiplied by the fiscal disparity ratio determined pursuant to section 473F.08, subdivision 6. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan,*

to share with the local taxing districts is the retained captured assessed value of the authority.

(2) The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of the local taxing district mill rates to the retained captured assessed value of the authority is the tax increment of the authority.

(4) (3) An election by the governing body pursuant to part (b) shall be submitted to the county auditor by the authority at the time of the request for certification pursuant to subdivision 1.

(c) The method of computation of tax increment applied to a district pursuant to clause (a) or (b), once established, shall remain the same for the duration of the district.

Sec. 14. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 6. A request for certification of a new tax increment financing district pursuant to subdivision 1 or of a modification to an existing tax increment financing district pursuant to section 273.74, subdivision 4, received by the county auditor on or before October 10 of the calendar year shall be recognized by the county auditor in determining mill rates for the current and subsequent levy years. Such requests received by the county auditor after October 10 of the calendar year shall not be recognized by the county auditor in determining mill rates for the current levy year but shall be recognized by the county auditor in determining mill rates for subsequent levy years.

Sec. 15. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 7. [PROPERTY CLASSIFICATION CHANGES.] In the event that any law governing the classification of real property and thereby determining the percentage of market value to be assessed for ad valorem taxation purposes is amended after August 1, 1979, the increase or decrease in assessed valuation resulting therefrom shall be applied proportionately to original assessed value and captured assessed value of any tax increment financing district in each year thereafter, whether created pursuant to the Minnesota Tax Increment Financing Act or any prior tax increment law.

Sec. 16. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 8. [ASSESSMENT AGREEMENTS.] An authority may, upon entering into a development or redevelopment agreement pursuant to section 273.75, subdivision 5, enter into a written assessment agreement in recordable form with the developer or redeveloper of property within the tax increment financing district

which establishes a minimum market value of the land and completed improvements to be constructed thereon until a specified termination date, which date shall be not later than the date upon which tax increment will no longer be remitted to the authority pursuant to section 273.75, subdivision 1. The assessment agreement shall be presented to the county assessor, or city assessor having the powers of the county assessor, of the jurisdiction in which the tax increment financing district is located. The assessor shall review the plans and specifications for the improvements to be constructed, review the market value previously assigned to the land upon which the improvements are to be constructed and, so long as the minimum market value contained in the assessment agreement appears, in the judgment of the assessor, to be a reasonable estimate, shall execute the following certification upon such agreement:

The undersigned assessor, being legally responsible for the assessment of the above described property upon completion of the improvements to be constructed thereon, hereby certifies that the market value assigned to such land and improvements upon completion shall not be less than \$

Upon transfer of title of the land to be developed or redeveloped from the authority to the developer or redeveloper, such assessment agreement, together with a copy of this subdivision, shall be filed for record and recorded in the office of the county recorder or filed in the office of the registrar of titles of the county where the real estate or any part thereof is situated. Upon completion of the improvements by the developer or redeveloper, the assessor shall value the property pursuant to section 273.11, except that the market value assigned thereto shall not be less than the minimum market value contained in the assessment agreement. Nothing herein shall limit the discretion of the assessor to assign a market value to the property in excess of the minimum market value contained in the assessment agreement nor prohibit the developer or redeveloper from seeking, through the exercise of administrative and legal remedies, a reduction in market value for property tax purposes; provided, however, that the developer or redeveloper shall not seek, nor shall the city assessor, the county assessor, the county auditor, any board of review, any board of equalization, the commissioner of revenue or any court of this state grant a reduction of the market value below the minimum market value contained in the assessment agreement during the term of the agreement filed of record regardless of actual market values which may result from incomplete construction of improvements, destruction or diminution by any cause, insured or uninsured, except in the case of acquisition or reacquisition of the property by a public entity. Recording or filing of an assessment agreement complying with the terms of this subdivision shall constitute notice of the agreement to any subsequent purchaser or encumbrancer of the land or any part thereof, whether voluntary or involuntary, and shall be binding upon them.

Sec. 17. Minnesota Statutes, 1979 Supplement, Section 273.77, is amended to read:

273.77 [TAX INCREMENT BONDING.] Any other law, general or special, notwithstanding, after August 1, 1979 no bonds, payment for which tax increment is pledged, shall be issued in connection with any project for which tax increment financing has been undertaken other than as is authorized hereby and the proceeds therefrom shall be used only in accordance with section 273.75, subdivision 5 4 as if said proceeds were tax increment, except that a tax increment financing plan need not be adopted for any project for which tax increment financing has been undertaken prior to August 1, 1979, pursuant to statutes not requiring a tax increment financing plan. Such bonds shall not be included for purposes of computing the net debt of any municipality.

(a) A municipality may issue general obligation bonds to finance any expenditure by the municipality or an authority the jurisdiction of which is wholly or partially within that municipality, pursuant to section 273.75, subdivision 5 4 in the same manner and subject only to the same conditions as those provided in chapter 475 for bonds financing improvement costs reimbursable from special assessments. Any pledge of tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision, except when the authority and the municipality are the same, shall be made by written agreement by and between the authority and the municipality and filed with the county auditor. When the authority and the municipality are the same, the municipality may by covenant pledge tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision and thereupon shall file the resolution containing such covenant with the county auditor. When tax increment, assessments and other revenues are pledged, the estimated collections of said tax increment, assessments and any other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3.

(b) When the authority and the municipality are not the same, an authority may, by resolution, authorize, issue and sell its general obligation bonds to finance any expenditure which that authority is authorized to make by section 273.75, subdivision 5 4. Said bonds of the authority shall be authorized by its resolution, shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322, and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine,

and any provision of any law to the contrary notwithstanding, the bonds shall be fully negotiable. In any suit, actions, or proceedings involving the validity of enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds of the authority, and such bonds shall so state on their face, shall not be a debt of any municipality, the state or any political subdivision thereof, and neither the municipality nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds be payable out of any funds or properties other than those of the authority and any tax increment and revenues of a tax increment financing district pledged therefor.

(c) Notwithstanding any other law general or special, an authority may, by resolution, authorize, issue and sell revenue bonds payable solely from all or a portion of revenues, including but not limited to tax increment revenues and assessments, derived from a tax increment financing district located wholly or partially within the municipality to finance any expenditure which the authority is authorized to make by section 273.75, subdivision 5 4. The bonds shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322 and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds may be further secured by a pledge and mortgage of all or any portion of the district in aid of which the bonds are issued and such covenants as the authority

shall deem by such resolution to be necessary and proper to secure payment of the bonds. The bonds, and the bonds shall so state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the issuing authority be subject to any liability thereon or have the powers to obligate itself to pay or pay the bonds from funds other than the revenues and properties pledged and mortgaged and no holder or holders of the bonds shall ever have the right to compel any exercise of any taxing power of the issuing authority or any other public body, other than as is permitted or required under Laws 1979, Chapter 322 and pledged therefor hereunder, to pay the principal of or interest on any such bonds, nor to enforce payment thereof against any property of the authority or other public body other than that expressly pledged or mortgaged for the payment thereof.

Sec. 18. Minnesota Statutes, 1979 Supplement, Section 273.78, is amended to read:

273.78 [EXISTING PROJECTS.] The provisions of sections 273.71 to 273.77 shall not affect any project for which tax increment certification was requested pursuant to law prior to August 1, 1979, or any project carried on by an authority pursuant to section 462.545, subdivision 5 with respect to which the governing body has by resolution designated properties for inclusion in the project *district* prior to August 1, 1979, except:

(a) As otherwise expressly provided in sections 273.71 to 273.77; or

(b) As an authority may elect to proceed with an existing project *district*, under the provisions of sections 273.71 to 273.77; or

(c) That any enlargements of the geographic area of an existing tax increment financing district subsequent to August 1, 1979, shall be accomplished in accordance with and shall subject the property added as a result of the enlargement to the terms and conditions of sections 273.71 to 273.77; or

(d) That commencing with taxes payable in 1980, section 273.76, subdivision 3, clause (b) shall apply to all development districts created pursuant to chapter 472A, or any special law, prior to August 1, 1979.

Sec. 19. Minnesota Statutes, 1979 Supplement, Section 273.86, Subdivision 4, is amended to read:

Subd. 4. [EXCEPTIONS.] The provisions of this section shall not apply to any property purchased from an authority which acquired such property with tax increment or bonds issued pursuant to Laws 1979, Chapter 322, Sections 10 to 12 Section 7.

Sec. 20. Minnesota Statutes, 1979 Supplement, Section 473F.08, Subdivision 6, is amended to read:

Subd. 6. The rate of taxation determined in accordance with

subdivision 5 shall apply in the taxation of each item of commercial-industrial property subject to taxation within a municipality, including property located within any tax increment financing district, as defined in section 273.73, subdivision 9, to that portion of the assessed valuation of the item which bears the same proportion to its total assessed valuation as 40 percent of the amount determined pursuant to section 473F.06 in respect to the municipality in which the property is taxable bears to: ~~(a) the amount determined pursuant to section 473F.05 minus (b) the entire portion thereof located within any tax increment financing district, as defined in section 273.73, subdivision 9 for which tax increment is computed in accordance with section 273.76, subdivision 3, clause (a) (2), regardless of the extent to which it is or is not included in determining assessed value for purposes of computing local mill rates under section 273.76, subdivision 3, clause (a) (2).~~ The rate of taxation determined in accordance with subdivision 4 shall apply in the taxation of the remainder of the assessed valuation of the item.

Sec. 21. Minnesota Statutes 1978, Section 472A.02, is amended by adding a subdivision to read:

Subd. 11. A "development district" is a specific area within the corporate limits of a municipality which has been so designated and separately numbered by the governing body.

Sec. 22. [EFFECTIVE DATE.] *This article shall be effective the day following final enactment.*

ARTICLE VII TACONITE TAX

Section 1. Minnesota Statutes 1978, Section 273.135, Subdivision 2, is amended to read:

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be

(a) in the case of property located within the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 66 percent of the amount of such tax, provided that the amount of said reduction shall not exceed the maximum amount specified in clause ~~(e)~~ (c) .

(b) in the case of property located within the boundaries of a school district which qualifies as a tax relief area but which is outside the boundaries of a municipality which meets the qualifications prescribed in section 273.134, 57 percent of the amount of such tax, provided that the amount of said reduction shall not exceed the maximum amount specified in clause ~~(e)~~ (c) .

The moneys appropriated pursuant to this section shall be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 68, issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134. (a) to initiate investigations into matters the Iron Range Resources and Rehabilitation Board determines are in need of study and which will determine the environmental problems requiring remedial action;

(b) reclamation, restoration or reforestation of minelands not otherwise provided for by state law;

(c) local economic development projects including construction

of sewer and water systems, and other public works located within a tax relief area defined in section 273.134 ;

The taconite environmental protection fund shall be administered by the commissioner of the Iron Range Resources and Rehabilitation Board. The commissioner shall by September 1 of each year prepare a list of projects to be funded from the taconite environmental protection fund, with such supporting information including description of the projects, plans, and cost estimates as may be necessary. Upon recommendation of the Iron Range Resources and Rehabilitation Board, this list shall be submitted to the legislative advisory commission for its review. This list with the recommendation of the legislative advisory commission shall then be transmitted to the governor by November 1 of each year. By December 1 of each year, the governor shall approve or disapprove, or return for further consideration, each individual project. (1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the

tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8), to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton to school districts to be distributed as follows:

(a) 6 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (c), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 ~~or in which is located property which is entitled to the reduction of tax pursuant to section 273.135, subdivision 2, clause (e)~~. The 23 cents, less any amount distributed under part (c), shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the

primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) 1 cent per taxable ton to the state *for the cost of administering the tax imposed by section 298.24.*

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. *Of this amount, one cent per taxable ton is to be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to The amount determined in this clause shall be increased in 1981 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.*

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are

common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(9) the amounts determined under clauses (4) (a), (4) (c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a), and (b), and ~~(c)~~ of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

~~(c)~~ On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable

to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4) (c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Payments shall be made pursuant to this section by the commissioner of revenue to the taxing jurisdictions on July 15 of 1981 and each year thereafter.

Sec. 7. Minnesota Statutes 1978, Chapter 273, is amended by adding a section to read:

[273.139] [SUPPLEMENTARY HOMESTEAD PROPERTY TAX RELIEF.] Subdivision 1. The property tax to be paid in respect to property taxable within a tax relief area described in subdivision 2 on class 3b property not exceeding 240 acres, on class 3c property, and on class 3cc property, as otherwise determined by law and regardless of the market value of the property, for all purposes shall be reduced in the amount prescribed by subdivision 2, subject to the limitations contained therein.

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does not meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the amount of the tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amount specified in clause (c). The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the amount of the tax, but not to exceed the maximum specified in clause (c).

(c) The maximum reduction shall be \$375 for taxes payable in 1981. These maximum amounts shall increase by \$15 per year for taxes payable in 1982 and subsequent years.

Subd. 3. Not later than December 1 of each year, commencing in 1980, each county auditor having jurisdiction over one or more tax relief areas defined in subdivision 2 shall certify to the com-

missioner of revenue his estimate of the total amount of the reduction, determined under subdivision 2, in taxes payable the next succeeding year with respect to all tax relief areas in his county.

Subd. 4. For the purposes of this section, the amount of property tax to be paid shall be determined before the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

Sec. 8. Minnesota Statutes 1978, Section 124.212, Subdivision 8a, is amended to read:

Subd. 8a. (1) Notwithstanding any provisions of any other law to the contrary, the adjusted assessed valuation used in calculating foundation aid shall include only that property which is currently taxable in the district. For districts which received payments under sections 124.215, subdivision 2a; 124.25; 124.28; 124.30; 473.633 and 473.635; the foundation aid shall be reduced by: The previous year's payment to the district pursuant to said sections times the ratio of the maximum levy allowed the district under section 275.125, subdivision 2a, to the total levy allowed by section 275.125, but not to exceed 50 percent of the previous year's payment.

(2) For districts which received payments under sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; section 6; any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; the foundation aid shall be reduced in the October adjustment payment by the difference between the dollar amount of the payments received pursuant to those sections in the fiscal year to which the October adjustment is attributable and the amount which was calculated, pursuant to section 275.125, subdivision 9, as a reduction of the levy attributable to the fiscal year to which the October adjustment is attributable. If the October adjustment of a district's foundation aid for a fiscal year is a negative amount because of this clause, the next fiscal year's foundation aid to that district shall be reduced by this negative amount in the following manner: there shall be withheld from each monthly scheduled foundation aid payment due the district in such fiscal year, 15 percent of the total negative amount, until the total negative amount has been withheld. The amount reduced from foundation aid pursuant to this clause shall be recognized as revenue in the fiscal year to which the October adjustment payment is attributable.

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 9, is amended to read:

Subd. 9. (1) Districts which receive payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, clause (1), shall reduce the permissible levies authorized by subdivisions 3 to 14 by that portion of the previous year's payment not deducted from foundation aid on account of

the payment. The levy reductions shall be made in the proportions that each permissible levy bears to the sum of the permissible levies. Reductions in levies pursuant to this clause, subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; section 6; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections in the previous fiscal year less the product of the same dollar amount of payments times the ratio of the maximum levy allowed the district under subdivision 2a, to the total levy allowed the district under this section in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, clause 1 or 2, to an amount less than the amount raised by a levy of 10 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2a, clause (4) shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 7a shall not be reduced pursuant to this subdivision.

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to that subdivision. The reduction of the capital expenditure levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.212, subdivision 8a, clause (2), and not applied to reduce levies pur-

suant to this subdivision shall be paid by the district to the commissioner of finance in the following amount on the designated date: on or before March 15 of each year, 100 percent of the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section 124.212, subdivision 8a, which is in excess of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

Sec. 10. Minnesota Statutes 1978, Chapter 298, is amended by adding a section to read:

273.36 [ELECTRIC LIGHT AND POWER COMPANIES.] Personal property of electric light and power companies having a fixed situs in any city in this state shall be listed and assessed where situated, without regard to where the principal or other place of business of the company is located. *Transmission lines having a voltage of 69 kv and above, all attachments and appurtenances thereto, having a fixed situs in this state, other than in an unorganized township, shall be listed and assessed where situated, without regard to where the principal or other place of business of the company is located.*

Sec. 2. Minnesota Statutes 1978, Section 273.37, Subdivision 2, is amended to read:

Subd. 2. All Transmission lines of less than 69 kv, transmission lines of 69 kv and above located in an unorganized township, and distribution lines, and equipment attached thereto, having a fixed situs outside the corporate limits of cities except distribution lines taxed as provided in sections 273.40 and 273.41, shall be listed with and assessed by the commissioner of revenue in the county where situated. The commissioner shall assess such property at the percentage of market value fixed by law; and, on or before the fifteenth day of November, shall certify to the auditor of each county in which such property is located the amount of the assessment made against each company and person owning such property.

Sec. 3. Minnesota Statutes, 1979 Supplement, Section 273.42, is amended to read:

273.42 [RATE OF TAX; ENTRY AND CERTIFICATION; CREDIT ON PAYMENT; PROPERTY TAX CREDIT.] Subdivision 1. The property set forth in section 273.37, subdivision 2, consisting of transmission lines of less than 69 kv and transmission lines of 69 kv and above located in an unorganized township, and distribution lines not taxed as provided in sections 273.38, 273.40 and 273.41 shall be taxed at the average rate of taxes levied for all purposes throughout the county and shall be entered on the tax lists by the county auditor against the owner thereof and certified to the county treasurer at the same time and in the same manner that other taxes are certified, and, when paid, shall be credited, 35 percent to the general revenue fund of the county, 50 percent to the general school fund of the county, and 15 percent to the townships within the county in which the lines are located, after deducting the amount required for the property tax credit as provided in subdivision 2. The amount available for distribution to the townships shall be divided among the townships in the same proportion that the length of transmission line in each township bears to the total length of transmission line in the county, except that if a payment to a town exceeds ten percent of the town's levy for the preceding year, the excess amount shall be paid to the county.

Subd. 2. Owners of land defined as class 3, 3b, 3c, 3cc, 3d or 3f pursuant to section 273.13 listed on records of the county auditor or county treasurer over which runs a high voltage transmission line as defined in section 116C.52, subdivision 3, except a high voltage transmission line the construction of which was commenced prior to July 1, 1974, shall receive a property tax credit in an amount determined by multiplying a fraction, the numerator of which is the length of high voltage transmission line which runs over that parcel and the denominator of which is the total length of that particular line running over all property within the county city, township or unorganized township by ten percent of the transmission line tax revenue derived from the tax on that portion of the line within the city, township or unorganized township pursuant to this section section 273.36. Where a right-of-way width is shared by more than one property owner, the numerator

shall be adjusted by multiplying the length of line on the parcel by the proportion of the total width on the parcel owned by that property owner. The amount of credit for which the property qualifies shall not exceed 20 percent of the total gross tax on the parcel prior to deduction of the state paid agricultural credit and the state paid homestead credit, provided that, if the property containing the right of way is included in a parcel which exceeds 40 acres, the total gross tax on the parcel shall be multiplied by a fraction, the numerator of which is the sum of the number of acres in each quarter section or portion thereof which contains a right of way and the denominator of which is the total number of acres in the parcel set forth on the tax statement, and the maximum credit shall be 20 percent of the product of that computation, prior to deduction of those credits. The auditor of the county in which the affected parcel is located shall calculate the amount of the credit due for each parcel and transmit that information to the county treasurer. The county auditor, in computing the credits received pursuant to sections 273.13 and 273.135, shall reduce the gross tax by the amount of the credit received pursuant to this section, unless the amount of the credit would be less than \$10.

Sec. 4. Minnesota Statutes, 1979 Supplement, Section 275.51, Subdivision 3d, is amended to read:

Subd. 3d. The property tax levy limitation for governmental subdivisions in 1977 payable in 1978 and subsequent years shall be calculated as follows:

(a) The sum of the following amounts shall be computed: (1) the property tax permitted to be levied in 1976 payable 1977 computed pursuant to Minnesota Statutes 1976, Section 275.51, Subdivision 3c, plus

(2) the amount of any state aids the governmental subdivision was entitled to receive in calendar year 1977 pursuant to sections 477A.01; 298.26; 298.28, subdivisions 1 and 1a; 298.281, subdivision 1; 298.282; and 294.26, plus

(3) the amount levied in 1976 payable 1977 pursuant to Minnesota Statutes 1976, Section 275.50, Subdivision 5, Clauses (a), (c), (d), (e), and (f), except for levies made to pay tort judgments and make settlements of tort claims or to pay the salaries and benefits of municipal and probate court judges, plus

(4) the amount levied in 1976 payable 1977 pursuant to Minnesota Statutes 1976, Section 275.50, Subdivision 5, Clause (g) for the administrative costs of public assistance programs or county welfare systems, plus

(5) one-half of the amount of the special levy authorized under section 275.50, subdivision 5, clause (n) shall be added to the permanent levy limit base of the governmental subdivision in the year following the year in which it has been discontinued as a special levy pursuant to the provisions of section 275.50, subdivision 5, clause (n).

(b) The sum computed in clause (a) shall be increased annually

in the manner provided in section 275.52 to derive the levy limit base for successive years.

(c) For taxes levied in 1978 payable in 1979 and subsequent years, the levy limit base is the levy limit base which was computed for the immediately preceding year under the provisions of this section increased according to the provisions of section 275.52. To determine the levy limit base for taxes levied in 1979 payable 1980 and subsequent years, (a) the levy limit base used for taxes levied in 1979 payable in 1980 shall be increased by the excess of the amount levied in 1979 for refuse collection and street maintenance over the amount levied in 1978 payable 1979 for those purposes; and (b) in the case of a city of the first class located within the metropolitan area defined in section 473.121, subdivision 2, for the purpose of calculating the levy limit base to be used for taxes levied in 1979, payable 1980, the levy limit base used for taxes levied in 1978, payable 1979, shall be reduced by an amount sufficient to reduce the levy limitation for taxes levied in 1978 payable 1979 by 15 percent. *To determine the levy limit base used for taxes levied in 1981 payable in 1982 and subsequent years, the levy limit base used for taxes levied in 1981 payable in 1982 shall be increased by the revenue derived by the governmental subdivision for taxes levied in 1980 payable in 1981 from transmission lines of 69 kv or greater assessed under Minnesota Statutes 1978, Section 273.37.* Any amount levied in 1976 payable 1977 under the provisions of section 275.50, subdivision 5, clauses (a), (c), (d), (e) or (f) to meet the costs of programs, services or legal requirements which cease to exist in a subsequent year shall be subtracted from the levy limit base in the year in which the programs, services or legal requirements for which the levy was made cease to exist.

(d) The levy limit base shall be reduced by the total amount of state formula aids pursuant to section 477A.01 and taconite taxes and aids pursuant to sections 294.26; 298.26; 298.28, subdivision 1; 298.282 and state reimbursements for wetlands property tax exemptions provided in section 272.02, subdivision 1, clause (16); and the payments in lieu of taxes to a county pursuant to section 477A.12 which are required to be used to provide property tax levy reduction, to be paid in the calendar year in which property taxes are payable. As provided in section 298.28, subdivision 1, for taxes payable in 1978 and 1979, two cents per taxable ton, and for taxes payable in 1980 and thereafter, one cent per taxable ton of the amount distributed under section 298.28, subdivision 1, clause (4)(c) shall not be deducted from the levy limit base of the counties that receive that aid. The resulting figure is the amount of property taxes which a governmental subdivision may levy for all purposes other than those for which special levies and special assessments are made.

Sec. 5. Laws 1979, Chapter 303, Article II, Section 39, is amended to read:

Sec. 39. [EFFECTIVE DATE.] Sections 5, 8, 18, 19 and 24,

except as otherwise provided and 38, subdivision 2 1, are effective for taxes levied in 1980 payable in 1981 and thereafter.

Sections 20, 21 and 38, subdivision 2, are effective for 1981 payable 1982 and thereafter.

Sections 28 to 34 are effective for claims based on property taxes payable in 1980 and rent constituting property taxes in 1979 and subsequent years, except that section 28, subdivision 3, clause (f) is effective for property tax refund claims based on rent paid in 1976 and property taxes payable in 1977 and subsequent years.

Sec. 6. [EFFECTIVE DATE.] *Sections 1 to 3 are effective for taxes levied in 1981 and thereafter, and payable in 1982 and thereafter.*

ARTICLE XI

SPECIAL ASSESSMENT APPEALS

Section 1. Minnesota Statutes 1978, Section 429.061, Subdivision 1, is amended to read:

429.061 [ASSESSMENT PROCEDURE.] Subdivision 1. [CALCULATION, NOTICE.] At any time after a contract is let or the work ordered by day labor, the expense incurred or to be incurred in its making an improvement shall be calculated under the direction of the council, the council shall then determine by resolution the amount of the total expense the municipality will pay, other than the amount, if any, which it will pay as a property owner, and the amount to be assessed. Thereupon the clerk, with the assistance of the engineer or other qualified person selected by the council, shall calculate the proper amount to be specially assessed for the improvement against every assessable lot, piece or parcel of land, without regard to cash valuation, in accordance with the provisions of section 429.051. The proposed assessment roll shall be filed with the clerk and be open to public inspection. The clerk shall thereupon, under the council's direction, publish notice that the council will meet to consider the proposed assessment. Such notice shall be published in the newspaper at least once and shall be mailed to the owner of each parcel described in the assessment roll. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be such on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. Such publication and mailing shall be no less than two weeks prior to such meeting of the council. Except as to the owners of tax exempt property or property taxes on a gross earnings basis, every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived such mailed notice unless he has requested in writing that the county auditor or county treasurer, as the case may be, include his name on the records for such purpose. Such

notice shall state the date, time, and place of such meeting, the general nature of the improvement, the area proposed to be assessed, that the proposed assessment roll is on the file with the clerk, and that written or oral objections thereto by any property owner will be considered. *No appeal may be taken as to the amount of any assessment adopted pursuant to subdivision 2, unless a written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing.* The notice shall also state that an owner may appeal an assessment to district court pursuant to section 429.081 by serving notice of the appeal upon the mayor or clerk of the municipality within 20 days after the adoption of the assessment and filing such notice with the district court within ten days after service upon the mayor or clerk. The notice shall also inform property owners of the provisions of sections 435.193 to 435.195 and the existence of any deferment procedure established pursuant thereto in the municipality.

Sec. 2. Minnesota Statutes 1978, Section 429.061, Subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued, or if three days notice thereof be published in the newspaper.

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined by the council shall become a part of the adopted assessment roll. All objections to the assessments not received at the assessment hearing in the manner prescribed by this section are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. Except as provided

below, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest thereon for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

Sec. 3. Minnesota Statutes 1978, Section 429.081, is amended to read:

429.081 [APPEAL TO DISTRICT COURT.] Within 30 days after the adoption of the assessment, any person aggrieved, *who is not precluded by failure to object prior to or at the assessment hearing, or whose failure to so object is due to a reasonable cause,*

may appeal to the district court by serving a notice upon the mayor or clerk of the municipality. The notice shall be filed with the clerk of the district court within ten days after its service. The municipal clerk shall furnish appellant a certified copy of objections filed in the assessment proceedings, the assessment roll or part complained of, and all papers necessary to present the appeal. The appeal shall be placed upon the calendar of the next general term commencing more than five days after the date of serving the notice and shall be tried as other appeals in such cases. The court shall either affirm the assessment or set it aside and order a reassessment as provided in section 429.071, subdivision 2. If appellant does not prevail upon the appeal, the costs incurred shall be taxed by the court and judgment entered therefor. All objections to the assessment shall be deemed waived unless presented on such appeal. This section provides the exclusive method of appeal from a special assessment levied pursuant to this chapter.

ARTICLE XII

REVENUE RECAPTURE ACT

Section 1. [CITATION.] *This article may be cited as the "revenue recapture act".*

Sec. 2. [PURPOSE.] *The purpose of this article is to establish a system of collecting debts owed to state government by applying any of the debtor's tax refunds to the amount of his debt. To further this purpose a policy of cooperation is established between the department of revenue and claimant agencies in identifying individuals who both owe a claimant agency money and qualify for a tax refund.*

Sec. 3. [DEFINITIONS.] *Subdivision 1. For the purposes of sections 1 to 14, the terms defined in this section have the meanings given them.*

Subd. 2. "Claimant agency" means any state agency, as defined by Minnesota Statutes, Section 15.0411, Subdivision 2, and public agency responsible for child support enforcement.

Subd. 3. "Commissioner" means the commissioner of revenue.

Subd. 4. "Debtor" means a natural person obligated on a debt to a claimant agency.

Subd. 5. "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds \$25 and which is due and payable to a claimant agency. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment. A debt does not include any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant.

Subd. 6. "Department" means the department of revenue.

Subd. 7. "Refund" means an individual income tax refund,

pursuant to Minnesota Statutes, Chapter 290, or a property tax credit or refund, pursuant to chapter 290A.

Sec. 4. [AGENCY PARTICIPATION.] *Subdivision 1. The collection remedy under this section is in addition to and not in substitution for any other remedy available by law.*

Subd. 2. Any debt owed to a claimant agency shall be submitted by the agency for collection under the procedure established by sections 1 to 14 unless (a) an alternative means of collection is pending and believed to be adequate, (b) the collection attempt would result in a loss of federal funds, or (c) the agency is unable to supply the department with the necessary identifying information required by subdivision 3 or rules promulgated by the commissioner.

Subd. 3. For each debt submitted, the claimant agency shall provide the commissioner with the name and social security number of the debtor and any other identifying information required by rules promulgated by the commissioner.

Subd. 4. Whenever possible, a claimant agency shall obtain the identifying information required by subdivision 3 from any individual for whom the agency provides any service or transacts any business and who the claimant agency can foresee may become a debtor of the claimant agency.

Sec. 5. [MINIMUM SUM COLLECTIBLE.] *The minimum sum which a claimant agency may collect through use of the set-off procedure is \$25.*

Sec. 6. [COLLECTION OF DEBTS THROUGH SET-OFF.] *Subject to the limitations of sections 1 to 14 the department shall, upon request by a claimant agency, render assistance in the collection of any debt owing to the agency. This assistance shall be provided by use of a procedure in which the sum of the refund due the debtor is applied to the amount due and owing from the debtor to the claimant agency.*

Sec. 7. [PROCEDURE FOR SET-OFF COLLECTION.] *Subdivision 1. [NOTIFICATION REQUIREMENT.] On or before December 15 any claimant agency, seeking collection of a debt through set-off against a refund due in the succeeding year, shall submit to the commissioner information indicating the amount of each debt and information identifying the debtor, as required by section 4, subdivision 3. Subject to the notification deadline specified above, the notification shall be effective only to initiate set-off for claims against refunds that would be made in the calendar year subsequent to the year in which notification is made to the commissioner.*

Subd. 2. [SET-OFF PROCEDURES.] (a) The commissioner, upon receipt of notification, shall initiate procedures to detect any refunds otherwise payable to the editor. When the commissioner determines that a refund is due to a debtor whose debt was submitted by a claimant agency, the commissioner shall

remit the refund or the amount claimed, whichever is less, to the agency. In transferring or remitting moneys to the claimant agency, the commissioner shall provide information indicating the amount applied against each debtor's obligation and the debtor's address listed on the tax return.

(b) The commissioner shall remit to the debtor the amount of any refund due in excess of the debt submitted for set-off by the claimant agency. Notice of the amount set-off and address of the claimant agency shall accompany any disbursement to the debtor of the balance of a refund.

Subd. 3. [DEPOSIT OF FUNDS.] *Any amounts remitted or transferred to state agencies shall be deposited as provided in Minnesota Statutes, Section 16A.72.*

Subd. 4. [EFFECT OF TRANSFER OR PAYMENT.] *Transfer or remittance of funds to a claimant agency pursuant to this section constitutes payment of the department's obligation to refund the sums as overpayments of taxes or property tax credits or refunds. Any action for the set-off funds shall be made against the claimant agency pursuant to section 9.*

Subd. 5. [INTEREST ON REFUNDS.] *Any refund wrongfully or incorrectly applied to a debt and transferred to a claimant agency shall be paid by the agency to the debtor. The sum wrongfully or incorrectly withheld shall bear interest at six percent per year, computed from the date when the refund would begin to bear interest under Minnesota Statutes, Section 290.92, Subdivision 13, Clause (1), regardless of whether the refund is payable under Minnesota Statutes, Chapter 290 or 290A. If the claimant agency is a state agency, the payment shall be made out of the agency's appropriation.*

Sec. 8. [NOTICE AND HEARING REQUIRED.] *Subdivision 1. Not later than five days after the claimant agency has sent notification to the department pursuant to section 7, subdivision 1, the claimant agency shall send a written notification to the debtor asserting the right of the claimant agency to the refund or any part thereof.*

Subd. 2. (a) This written notice shall clearly set forth the basis for the claim to the refund and, further, shall advise the debtor of the claimant agency's intention to request set-off of the refund against the debt.

(b) The notice will also advise the debtor of his right to contest the validity of the claim at a hearing. The debtor must assert this right by written request to the claimant agency, which request the agency must receive within 45 days of the mailing date of the original notice, as required by subdivision 1.

Sec. 9. [CONTESTED CLAIMS PROCEDURE.] *Subdivision 1. If a claimant agency, except for a public agency responsible for child support enforcement, receives written notice of a debtor's intention to contest at hearing the claim upon which the intended set-off is based, it shall initiate a hearing according to contested*

case procedures established in the state administrative procedure act not later than 30 days after receipt of the debtor's request for a hearing. The public agency responsible for child support enforcement shall provide for hearing in the manner prescribed by Minnesota Statutes, Section 256.045.

Subd. 2. No issue may be raised at the hearing which has been previously litigated. If a debt is based on a court judgment or court order, the hearing required by subdivision 1 need not, but may be granted at the sole discretion of the commissioner of the claimant agency.

Sec. 10. [PRIORITY OF CLAIMS.] If two or more debts, in a total amount exceeding the debtor's refund, are submitted for set-off, the priority of payment shall be as follows: First, any delinquent tax obligations of the debtor which are owed to the department shall be satisfied. Secondly, the refund shall be applied to the remaining debts based on the order in time in which the commissioner received the debts.

Sec. 11. [DATA PRIVACY.] Notwithstanding Minnesota Statutes, Sections 290.61 and 290A.17, private and confidential data on individuals may be exchanged among the department, the claimant agency, and the debtor as necessary to accomplish and effectuate the intent of sections 1 to 14, as provided by Minnesota Statutes, Section 15.163, Subdivision 4, Clause (b). The department may disclose to the claimant agency only the debtor's name, address, social security number and the amount of the refund. Any person employed by, or formerly employed by, a claimant agency who discloses any such information for any other purpose, shall be subject to the civil and criminal penalties of Minnesota Statutes, Sections 15.167 and 290.61.

Sec. 12. [RULES.] The commissioner is authorized to develop and to require the use of any necessary forms. The commissioner or a claimant agency is authorized to make any rules necessary to effectuate the purposes of sections 1 to 14. Pursuant to this authority, temporary rules may be adopted pursuant to Minnesota Statutes, Section 15.0412, Subdivision 5.

Sec. 13. [APPROPRIATION.] A sum sufficient is appropriated from the general fund to the commissioner of revenue for the purpose of administering this article. This appropriation shall be available until June 30, 1981.

Sec. 14. [EFFECTIVE DATE.] Sections 1 to 14 are effective for tax refunds payable after December 31, 1980.

The annual portion of the balance to be offset shall be proportional to the reciprocal of the average remaining life of the bonds sold, unless the amounts are offset by gains on the future sales of these securities. The amount of this account shall be included in the recognized value of assets other than corporate stocks and all other equity investments. In any fiscal year in which the gains on the sales of debt securities exceed the discounts realized on the sales of such securities, the excess shall be used to reduce the balance of the account.

Subd. 6. [PARTICIPATING PUBLIC RETIREMENT FUNDS OR PLANS.] Any public retirement fund or plan authorized by law to participate in the post-retirement investment fund shall no later than the commencement of a benefit payment from the post-retirement investment fund, certify and transfer to the state board moneys equal to the actuarially determined reserves required for those retirement annuities and benefits which are payable by the public retirement fund or plan and which are specified in law to be included in the participation in the fund. The participation on any valuation date shall be determined by adding to the participation on the prior valuation date: (a) funds transferred in accordance with subdivision 6, (b) the amount of required investment income on its participation as defined in subdivision 9, clause (1)(c) and (c) the reserves for any benefit adjustment made as of the current valuation date with the result adjusted for any mortality gains or losses determined pursuant to subdivision 11.

Subd. 8. [WITHDRAWAL OF MONEYS.] Upon certification by the applicable executive director that a portion of the certified moneys representing the required reserves for various retirement annuities or benefits payable from the participating public retirement fund or plan are required for the payment of a retirement annuity or benefit, the state board shall sell sufficient securities or transfer sufficient available cash to equal the amount of money certified as required and shall order the transfer of that amount to the appropriate executive director.

Subd. 9. [CALCULATION OF POST-RETIREMENT ADJUSTMENT.] Annually, following June 30, the state board shall determine whether a post-retirement adjustment shall be payable and shall determine the amount of any post-retirement adjustment which shall be payable.

(1) The state board shall determine whether a post-retirement adjustment shall be payable using the following procedure:

(a) The state board shall determine the amount of dividends, interest, accruals and realized equity capital gains or losses applicable to the most recent fiscal year ending June 30;

(b) The participating public pension funds or plans shall determine the amount of reserves required for every annuitant and benefit recipient as of the current June 30. Every annuitant or benefit recipient who has been receiving an annuity or benefit for at least one year as of the current June 30 shall be eligible to receive a post-retirement adjustment. Each fund shall report separately the amount of the reserves for those annuitants and benefit recipients who are eligible to receive a post-retirement benefit adjustment and those annuitants and benefit recipients who are not eligible to receive a post-retirement adjustment. The amount of the required reserves shall be certified to the board as soon as is practical following the current June 30;

(c) The state board shall determine the amount of investment income required to equal five percent of the required reserves as of the preceding June 30 adjusted by five percent of each transfer in or transfer out multiplied by the fraction of a year from the date of transfer to the current June 30. This amount of required investment income shall be subtracted from the actual amount of investment income determined pursuant to clause (1)(a), to determine the amount of excess investment income. If this amount is positive, then a post-retirement adjustment may be paid.

(2) The state board shall determine the amount of any post-retirement adjustment which is payable using the following procedure:

(a) The state board shall determine the amount of excess investment income by the method indicated in clause (1);

(b) The participating public pension funds and plans shall certify to the state board the total required reserves as of the first of January next following the end of the fiscal year for the annuitants and benefit recipients eligible to receive the post-retirement adjustment as determined by clause (1) (b);

(c) If the state board determines that the book value of the assets of the fund is less than an amount equal to 100 percent of the current June 30 required reserves, with the book value to be determined after the adjustments provided for in subdivision 11, then the board shall allocate 25 percent of the excess investment income as an asset of the fund. The remaining 75 percent will be termed available for distribution. The book value of assets on any

given date shall be the cost of equity investments and the amortized cost of fixed income investments.

(d) The resulting total amount available for distribution shall be increased by two and one-half percent, and the result shall be stated as a percentage of the total required reserves pursuant to clause (2) (b), and if the percentage is equal to or greater than one percent, the amount shall be certified to each participating public pension fund or plan as the amount of the post-retirement adjustment. If the percentage is less than one percent, the amount shall be credited to a separate reserve established for this purpose. The reserve shall be invested in the same manner as all other assets of the fund and shall be credited with any investment income as specified in clause (1) (a). Amounts credited to the reserve shall be utilized in determining a post-retirement adjustment in the subsequent year. The amount certified shall be carried to five decimal places and stated as a percentage.

Subd. 10. [PAYMENT OF POST-RETIREMENT ADJUSTMENT.] Upon receiving the certification of the amount of the post-retirement adjustment from the state board, each participating public pension fund or plan shall determine the amount of the post-retirement adjustment payable to each eligible annuitant and benefit recipient. The dollar amount of the post-retirement adjustment payable to each annuitant or benefit recipient shall be calculated by applying the certified post-retirement adjustment percentage to the amount of the monthly annuity or benefit payable to each eligible annuitant or benefit recipient. The post-retirement adjustment shall commence to be paid on January 1 following the calculations required pursuant to this section and shall thereafter be included in the monthly annuity or benefit paid to the recipient. Notwithstanding Minnesota Statutes, Section 356.18, any adjustment pursuant to this section shall be paid automatically unless the intended recipient files a written notice with the applicable participating public pension fund or plan requesting that the adjustment not be paid.

Subd. 11. [ADJUSTMENT FOR MORTALITY GAINS AND LOSSES.] As of June 30 annually, the actuary of each participating public pension fund or plan shall calculate the amount of required reserves representing any mortality gains and any mortality losses incurred by the fund or plan during the fiscal year. The actuary shall report separately the amount of the reserves for annuitants and benefit recipients who are eligible for a post-retirement benefit adjustment and the amount of reserves for annuitants and benefit recipients who are not eligible for a post-retirement benefit adjustment. If the net amount of required reserves represents a mortality gain, the participating public pension fund or plan shall certify that amount to the state board, which shall sell sufficient securities or transfer sufficient available cash to equal the amount of money certified. If the amount of required reserves represents a mortality loss, the participating public pension fund or plan shall transfer to the state board an amount equal to the amount of the net mortality loss. The amount of the transfers shall be determined before any post-retirement benefit adjust-

ments have been made. All book values of the assets of the fund for the purposes of subdivision 9 shall be determined only after all adjustments for mortality gains and losses for the fiscal year have been made.

Subd. 12. [APPROPRIATION OF REQUIRED AMOUNTS.] All moneys necessary to meet the requirements of the certification of withdrawals and all moneys necessary to pay post-retirement adjustments pursuant to this section are hereby and from time to time appropriated from the post-retirement investment fund to the state board.

Subd. 5. [VALUATION OF FUND.] The variable annuity investment fund shall be valued by the state board bimonthly, using the closing market prices of the last business days of August, October, December, February, April and June of each fiscal year. The ratio of the total market value of investments to the admitted value of investments at the end of the preceding fiscal year, plus the cost of investments acquired, less the net receipts from investments sold during the fiscal year, shall be determined for each valuation date. The admitted value of the investments of the variable annuity investment fund at the end of each fiscal year shall be the book value of all investments held at that date multiplied by the average of the ratios at the 12 bimonthly valuation dates for the fiscal year and the immediately preceding fiscal year. The book value of investments during any fiscal year shall be the admitted value at the end of the preceding fiscal year or the cost of the investments if acquired during the fiscal year.

Subd. 8. [RATE OF RETURN.] *The total annual increment or decrement divided by the admitted value of the assets of the Minnesota variable annuity fund, as computed pursuant to subdivision 5, shall be defined as the rate of return for the fiscal year. Sec. 27. Minnesota Statutes 1978, Section 69.77, Subdivision 2, as amended by Laws 1980, Chapter 341, Section 1, is amended to read:

Subd. 2. Subdivision 1 does not apply to an association enumerated in subdivision 1a under the following circumstances:

(1) Each member of the association pays into the retirement funds of the association during his term of covered employment from and after January 1, 1981, a contribution for retirement and survivorship benefits of not less than eight percent of the maximum rate of salary from which retirement and survivorship credits and amounts of benefits are determined, and that ~~such~~ the contributions of a member are deducted from his salary by his governmental employer, transmitted to the association, and deposited to

the credit of the proper fund thereof, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years, but the increase in rate of contribution in each year commencing in 1981 shall not be less than one percent until the appropriate levels of required employee contributions have been reached. This paragraph shall not apply to members who are volunteer firefighters, provided that the local governing body shall have given their approval to the exemption following consideration of the most recent actuarial survey.

(2) The officers of the association determine on or before the date established by the municipality, which shall not be later than September 1 and shall not be earlier than August 1, of each year the financial requirements and minimum obligation of the association for the following calendar year in accordance with the following requirements:

The financial requirements shall be based on the most recent actuarial survey prepared in accordance with sections 356.215, subdivision 4 and 356.216.

The normal level cost expressed as a percent of covered payroll determined from the actuarial survey shall be applied to the estimated covered payroll of the membership for the following year to determine the dollar amount of normal cost for said following year.

To the dollar amount of normal cost thus determined shall be added the amount of one year's interest at five percent on the amount of the (deficit) unfunded liability found by the actuarial survey of the fund.

The total of these two amounts represents the financial requirements of the association for the following year.

Except as otherwise provided in this paragraph, the minimum obligation of the governmental subdivision shall be the financial requirements of the association less member contributions herein provided from covered salary and less one year's estimated receipts expected from the state of Minnesota through state collected insurance premium taxes or other state aids. The minimum obligation may, by vote of the governing body of the governmental subdivision, be reduced to the amount levied in the preceding year for purposes of the association, plus the following percentage of the difference between that levy and the amount of the minimum obligation determined without benefit of this sentence: for the levy made in 1971, 10 percent; in 1972, 20 percent; in 1973, 30 percent; in 1974, 40 percent; in 1975, 50 percent; in 1976, 60 percent; in 1977, 70 percent; in 1978, 80 percent; and in 1979, 90 percent. Commencing with the levy made in 1980, there shall be no reduction in the minimum obligation pursuant to this paragraph.

(3) The foregoing determination of the obligation of a governmental subdivision shall be submitted to its governing body not

later than September 1 of each year so that it may ascertain if it has been prepared in accordance with law.

(4) The governmental subdivision shall provide and pay as promptly as funds are available to the association at least the amount of the minimum obligation each year. Any portion of this amount not paid to the association at the end of any calendar year shall be increased at the rate of six percent per annum until so paid. On September 1 of any year the unpaid amount subject to interest shall be added to the obligation of the governmental subdivision.

(5) The governmental subdivision shall provide in its annual budget at least its minimum obligation and may levy taxes for the payment thereof without limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of any fund of the association has attained a specified level; the levy of such taxes shall not cause the amount of other taxes levied or to be levied by the governmental subdivision, which are subject to any such limitation, to be reduced in any amount whatsoever. If the governmental subdivision does not include the full amount of the minimum obligation in its levy for any year, the officers of the association shall certify that amount to the county auditor, who shall spread a levy in the amount of such *the* obligation.

(6) Moneys paid by the governmental subdivision to the association in excess of the minimum amount so required shall be applied to the reduction in the unfunded liabilities of the association.

(7) The funds of the association shall be invested in securities which are proper investments for funds of the Minnesota state retirement system pursuant to section 22, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the three percent stock limitation applicable to the Minnesota state retirement system specified in section 22, subdivision 5 would necessitate a lesser investment. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board of investment under the provisions of section ~~11-21~~ 15, provided that there be no limit to the amount which may be invested in the income share account described in section 11-18, subdivision 2, or in the fixed-return account described in section 11-18, subdivision 3a, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental retirement investment fund may be invested in the growth share account described in section 11-18, subdivision 3.

(8) The association shall procure an actuarial survey showing the condition of its fund pursuant to section 356.216 as of December 31, 1978, and shall procure an actuarial survey every two

years thereafter. The association shall also procure a quadrennial experience study pursuant to section 356.216 as of December 31, 1978, and shall procure a quadrennial experience study every four years thereafter. A copy of the actuarial survey and the quadrennial experience study shall be filed with the director of the legislative reference library, the governing body of the municipality in which the association is organized, the executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

ARTICLE XV

POLICE, FIRE AND JUDGES RETIREMENT

Section 1. [LEGISLATIVE INTENT AND PURPOSE.] *It is the intent and purpose of sections 1 to 11 to provide:*

(a) A means by which municipalities may establish an orderly phase-out of local police and salaried firefighters relief associations governed by Minnesota Statutes, Section 69.77, by allowing municipalities to provide that all newly hired police officers and salaried firefighters shall be covered by the public employees police and fire fund established by Minnesota Statutes, Sections 353.63 to 353.68;

(b) Assistance to municipalities and local police and salaried firefighters relief associations by establishing a local police and salaried firefighters relief association amortization state aid program; and

(c) An increase in retirement benefits to members of local police and salaried firefighters relief associations under certain conditions while not diminishing or impairing any retirement benefits of any persons who are members of local police and salaried firefighters relief associations, either active or retired.

Sec. 2. Minnesota Statutes 1978, Section 69.77, Subdivision 2, as amended by Laws 1980, Chapter 341, Section 1, is amended to read:

Subd. 2. Subdivision 1 does not apply to an association enumerated in subdivision 1a under the following circumstances:

(1) Each member of the association pays into the retirement funds of the association during his term of covered employment from and after January 1, 1981, a contribution for retirement and survivorship benefits of not less than eight percent of the maximum rate of salary from which retirement and survivorship credits and amounts of benefits are determined, and that such contributions of a member are deducted from his salary by his governmental employer, transmitted to the association, and deposited to the credit of the proper fund thereof, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years, but the increase in rate of contribution in each year commencing in 1981 shall not be less than one percent until the appropriate levels of required employee contributions have been reached. This paragraph shall not apply to members who are volunteer firefighters, provided that the local governing body shall have given their approval to the exemption following consideration of the most recent actuarial survey.

(2) The officers of the association determine on or before the date established by the municipality, which shall not be later than September 1 and shall not be earlier than August 1, of each year the financial requirements and minimum obligation of the association for the following calendar year in accordance with the following requirements:

The financial requirements shall be based on the most recent actuarial survey prepared in accordance with sections 356.215, subdivision 4 and 356.216.

The total of the amounts calculated pursuant to clauses (a) and (b) shall constitute the financial requirements of the relief association for the following year.

(a) The normal level cost expressed as a percent of covered payroll determined from the actuarial survey shall be applied to the estimated covered payroll of the membership for the following year to determine the dollar amount of normal cost for said following year.

To the dollar amount of normal cost thus determined shall be added the amount of one year's interest at five percent on the amount of the ~~(deficit)~~ unfunded liability found by the actuarial survey of the fund.

The total of these two amounts represents the financial requirements of the association for the following year.

(b) To the dollar amount of normal cost thus determined shall be added an amount equal to the level annual dollar amount sufficient to amortize the unfunded accrued liability by December 31, 2010, as determined from the actuarial survey of the fund.

Except as otherwise provided in this paragraph, the minimum obligation of the governmental subdivision shall be the financial requirements of the association less the estimated amount of member contributions herein provided from covered salary anticipated for the following calendar year and less one year's estimated receipts expected from the applicable state of Minnesota through state collected insurance premium taxes or other state aids aid program established pursuant to sections 69.011 to 69.051, and from the local police and salaried firefighters' relief association amortization aid program established pursuant to section 5. The minimum obligation may, by vote of the governing body of the governmental subdivision, be reduced to the amount levied in the preceding year for purposes of the association, plus the following percentage of the difference between that levy and the amount of the minimum obligation determined without benefit of this sentence: for the levy made in 1971, 10 percent; in 1972, 20 percent; in 1973, 30 percent; in 1974, 40 percent; in 1975, 50 percent; in 1976, 60 percent; in 1977, 70 percent; in 1978, 80 percent; and in 1979, 90 percent. Commencing with the levy made in 1980, there shall be no reduction in the minimum obligation pursuant to this paragraph.

(3) The foregoing determination of the obligation of a governmental subdivision shall be submitted to its governing body on or before the date established by the municipality which shall not be earlier than August 1 and shall not be later than September 1 of each year so that it may ascertain if it has been prepared in accordance with law.

(4) The governmental subdivision shall provide and pay as promptly as funds are available to the association at least the amount of the minimum obligation each year. Any portion of this amount not paid to the association at the end of any calendar year shall be increased at the rate of six percent per annum until so paid. On September 1 of any year the unpaid amount subject to interest shall be added to the obligation of the governmental subdivision.

(5) The governmental subdivision shall provide in its annual budget at least its minimum obligation and may levy taxes for the payment thereof without limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of any fund of the association has attained a specified level; the levy of such taxes shall not cause the amount of other taxes levied or to be levied by the governmental subdivision, which are subject to any such limitation, to be reduced in any amount whatsoever. If the governmental subdivision does not include the full amount of the minimum obligation in its levy for any year, the officers of the association shall certify that amount to the county auditor, who shall spread a levy in the amount of such obligation.

(6) Moneys paid by the governmental subdivision to the association in excess of the minimum amount so required shall be applied to the reduction in the unfunded liabilities of the association.

(7) The funds of the association shall be invested in securities which are proper investments for funds of the Minnesota state retirement system, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the three percent stock limitation applicable to the Minnesota state retirement system would necessitate a lesser investment. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board of investment under the provisions of section 11.21, provided that there be no share account described in section 11.18, subdivision 2, or in the fixed-return account described in section 11.18, subdivision 3a, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental retirement fund may be invested in the growth share account described in section 11.18, subdivision 3.

(8) The association shall procure an actuarial survey showing the condition of its fund pursuant to section 356.216 as of December 31, 1978, and shall procure an actuarial survey every two years thereafter. The association shall also procure a quadrennial experience study pursuant to section 356.216 as of December 31, 1978, and shall procure a quadrennial experience study every four years thereafter. A copy of the actuarial survey and the quadrennial experience study shall be filed with the director of the legislative reference library, the governing body of the municipality in which the association is organized, the executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

Sec. 3. Minnesota Statutes 1978, Section 353.657, Subdivision 3, is amended to read:

Subd. 3. Each dependent child, until the child reaches the age of 18 years, shall receive a monthly benefit equal to ten percent of the member's average monthly salary earned as a police officer or fire fighter on which employee contributions were paid over the last full six months of allowable service preceding death. Payments for the benefit of any qualified dependent child under the age of 18 years shall be made to the surviving parent, or if there be none, to the legal guardian of such the child. The maximum monthly benefit for any one family shall not exceed \$450 an amount equal to 50 percent of the member's specified average monthly salary, and the minimum benefit per family shall not be less than 30 percent of the member's said specified average monthly salary, subject to the aforementioned maximum.

Sec. 4. [POLICE AND SALARIED FIREFIGHTER'S RELIEF ASSOCIATIONS.] *Subdivision 1. [MEMBERSHIP OF NEW POLICE AND SALARIED FIREFIGHTERS IN THE PUBLIC EMPLOYEES POLICE AND FIRE FUND.] Notwithstanding any law to the contrary, all persons first employed by any municipality as police officers or police officer trainees, salaried firefighters or firefighter trainees or public safety officers or public safety officer trainees after the effective date of this section shall be members of the public employees police and fire fund established by sections 353.63 to 353.68, and shall not be members of any local police or paid firefighter's relief association established or maintained by the municipality, unless the municipality elects to retain the local relief association by the adoption of a municipal resolution approved by a majority of the governing body of the municipality following the holding of a public meeting at which the views of the public are considered and a copy of the municipal resolution is filed with the secretary of state, the commissioner of finance, the commissioner of insurance and the executive secretary of the legislative commission on pensions and retirement on or before August 15, 1980.*

Subd. 2. [OPERATION OF LOCAL RELIEF ASSOCIATION UPON MODIFICATION OF RETIREMENT COVERAGE FOR NEWLY HIRED POLICE OFFICERS AND FIREFIGHTERS.] The minimum obligation of a municipality in which the retirement coverage for newly hired police officers or salaried firefighters has been modified pursuant to subdivision 1 with respect to the local relief association shall be determined and governed in accordance with the provisions of Minnesota Statutes, Sections 69.77, 356.215 and 356.216, except that the normal cost calculation for the relief association shall be computed as a percentage of the compensation paid to the active members of the relief association. The compensation paid to persons with retirement coverage modified pursuant to subdivision 1 shall not be included in any of the computations made in determining the obligation of the municipality with respect to the local relief association.

The contribution rate of members of the local relief association shall be governed by Minnesota Statutes, Section 69.77, unless a special law establishing a greater member contribution rate is applicable whereupon it shall continue to govern. The member contribution rate of persons with retirement coverage modified

pursuant to subdivision 1 shall be governed by Minnesota Statutes, Section 353.65.

When every active member of the local relief association retires or terminates from active duty, the local relief association shall cease to exist as a legal entity and the assets of the special fund of the relief association shall be transferred to a trust fund to be established by the appropriate municipality for the purpose of paying service pensions and retirement benefits to recipient beneficiaries. If there are at least five recipient beneficiaries, the trust fund shall be managed by a board of trustees composed of five members selected by the recipient beneficiaries of the fund, subject to the approval of the governing body of the municipality. If there are fewer than five recipient beneficiaries, the trust fund shall be managed by the governing body of the municipality. The term of the elected members of the board of trustees shall be indefinite and shall continue until a vacancy occurs in one of the board of trustee member positions. Board of trustee members shall not be compensated for their services, but shall be reimbursed for any expenses actually and necessarily incurred as a result of the performance of their duties in their capacity as board of trustee members. The municipality shall perform whatever services are necessary to administer the trust fund. The balance of assets remaining in the trust fund shall not revert to the municipality until all obligations of the trust fund are paid.

The financial requirements of the trust fund and the minimum obligation of the municipality with respect to the trust fund shall be determined in accordance with Minnesota Statutes, Sections 69.77, 356.215 and 356.216 until the unfunded accrued liability of the trust fund is fully amortized in accordance with this act. The municipality shall provide in its annual budget for at least the aggregate amount of service pensions, disability benefits, survivorship benefits and refunds which are projected as payable for the following calendar year, as determined by the board of trustees of the trust fund, less the amount of assets in the trust fund as of the end of the most current calendar year for which figures are available, valued pursuant to Minnesota Statutes, Section 356.20, Subdivision 4, Clause (1) (a), if the difference between those two figures is a positive number.

In calculating the amount of service pensions and other retirement benefits payable from the local relief association and in calculating the amount of any automatic post retirement increases in those service pensions and retirement benefits based on the salary paid or payable to active members or escalated in any fashion, the salary for use as the base for the service pension or retirement benefit calculation and the post retirement increase calculation for the local relief association shall be the salary for the applicable position as specified in the articles of incorporation or bylaws of the relief association as of the date immediately prior to the effective date of the modification of retirement coverage for newly hired personnel pursuant to subdivision 1, as the applicable salary is reset by the municipality periodically, irrespective of whether retirement coverage for persons holding the ap-

licable position used in calculations is provided by the relief association or by the public employees police and fire fund.

If the modification of retirement coverage implemented pursuant to subdivision 1 is applicable to a local police relief association, the police state aid received by the municipality shall be disbursed pursuant to Minnesota Statutes, Section 69.031, Subdivision 5, Clause (2) (c). If the modification of retirement coverage implemented pursuant to subdivision 1 is applicable to a local firefighters' relief association, the fire state aid received by the applicable municipality shall be disbursed as the municipality at its option may elect. The municipality may elect: (1) to transmit the total fire state aid to the treasurer of the local relief association for immediate deposit in the special fund of the relief association; or (2) to apply the total fire state aid toward the employer contribution of the municipality to the public employees police and fire fund pursuant to Minnesota Statutes, Section 353.65, Subdivision 3; or (3) to allocate the total fire state aid proportionately between the special fund of the local relief association and employer contribution of the municipality to the public employees police and fire fund on the basis of the respective number of active full time salaried firefighters receiving retirement coverage from each.

Subd. 3. [BENEFIT INCREASE FOR CERTAIN RELIEF ASSOCIATION MEMBERS.] *Notwithstanding any law to the contrary, any member of a local police or salaried firefighters' relief association located in a municipality which has not adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, except the city of Minneapolis, shall be entitled to receive, after the effective date for the modification of pension coverage for newly employed personnel, a retirement annuity in addition to the service pension to which the member may be eligible upon retirement. The additional retirement annuity shall be payable for the life of the retired member. The additional retirement annuity shall be equal to one-half of one percent of the salary upon which the service pension is calculated payable on the date of termination of active service per year of service credit acquired in excess of 25 years of service credit. The retirement annuity under this subdivision shall not be subject to any post retirement increases granted pursuant to increases in the salary payable to a certain employment category or in the salaries payable to active members or be in any other manner escalated or increased after retirement.*

Subd. 4. [AUTOMATIC POST RETIREMENT ADJUSTMENTS FOR CERTAIN NEWLY EMPLOYED, ACTIVE AND RETIRED MEMBERS.] *(1) Notwithstanding any provision of law, municipal charter, municipal ordinance or resolution, or relief association articles of incorporation or bylaws to the contrary, any person who meets one of the following requirements for entitlement shall be entitled to an annual automatic post retirement adjustment in the amount of the service pension calculated pursuant to clause (2). A person meets the requirements for entitlement if:*

(a) the person is a member of a covered local police or salaried firefighters' relief association enumerated in clause (3) unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, commences receiving a service pension at an age no earlier than attaining the age of 55 years, and has met all applicable requirements for entitlement to a service pension specified in the applicable laws and relief association articles of incorporation or bylaws governing the local relief association;

(b) the person is a retired member of a covered local police or salaried firefighters' relief association enumerated in clause (3) unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, retired on a service pension after the effective date of this section and after attaining the age of at least 50 years but prior to attaining the age of 55 years and attains the age of 55 years subsequent to retirement; or

(c) the person was a retired member on the effective date of this section of a covered local police or salaried firefighters' relief association or retirement trust fund enumerated in clause 3, unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, on the effective date of this section, is receiving a service pension, and has attained the age of at least 55 years.

(2) Any person who meets the requirements specified in clause (1) (a) or (1) (b) shall be entitled to receive the annual automatic post retirement adjustment on the January 1 next following the date upon which the requirements for entitlement are met but in no event prior to the date upon which the person attains the age of 55 years. Any person who meets the requirements specified in clause (1) (c) shall be entitled to receive the annual automatic post retirement adjustment on the January 1 next following the effective date of the approval of the benefit modification by the municipality as provided for in clause (3) or the date upon which the person attains the age of 55 years; whichever occurs later. The amount of the annual automatic post retirement adjustment shall be determined by the board of trustees of the local relief association on or before December 1 annually and the annual automatic post retirement adjustment shall accrue each year as of January 1 next following the determination date. The annual automatic post retirement adjustment shall be first payable with the service pension payment made for January. Each annual automatic post retirement adjustment in the amount of the service pension shall be equal to the dollar amount determined by applying the percentage by which the salary payable by the municipality to a top grade patrol officer or a top grade firefighter, whichever is applicable, has increased during the year subject to the limitation provided for in this clause to the amount of service pension payable to the person for the month immediately prior to the month in which the determination is made. The maximum percentage increase shall not exceed three and one-half percent in any year and any increase in the salary level of the applicable position used to govern the determination of annual automatic post retirement adjust-

ments in excess of three and one-half percent in any year shall not carry over to or be used to calculate the rate of salary increase for any succeeding year in which the increase in the salary of the applicable position does not exceed three and one-half percent.

(3) The provisions of this subdivision shall apply to the active members and retired members of a local police or salaried firefighters' relief association or to the retired members of a retirement trust fund contained in the following enumeration of covered relief associations if the governing body of the applicable municipality approves the modification in the benefit plan of the relief association specified in this subdivision following consideration of an actuarial valuation which is, or actuarial estimate based on the most recent actuarial valuation which was, prepared in accordance with Minnesota Statutes, Sections 356.215 and 356.216, based on the benefit plan of the applicable local relief association or retirement trust fund including the modification provided for in this subdivision, does not adopt a municipal resolution retaining the local relief association pursuant to subdivision 1, and files a resolution indicating approval of the modification in the benefit plan with the secretary of state, the commissioner of insurance and the executive secretary of the legislative commission on pensions and retirement on or before the first day of the tenth month following the effective date of this section:

- (a) Buhl police relief association;*
- (b) Crookston firefighters relief association;*
- (c) Crookston police relief association;*
- (d) Eveleth joint retired police and firefighters retirement trust fund;*
- (e) Moorhead firefighters relief association;*
- (f) Moorhead police relief association;*
- (g) Thief River Falls police retirement trust fund;*
- (h) Virginia firefighters relief association;*
- (i) West St. Paul police relief association.*

Sec. 5. [LOCAL POLICE AND FIREFIGHTERS' RELIEF ASSOCIATION AMORTIZATION STATE AID.] *Any municipality in which is located a local police or salaried firefighters' relief association to which the provisions of Minnesota Statutes, Section 69.77, apply, unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to section 4, subdivision 1, shall be entitled upon annual application on or before the date specified by the commissioner of finance to receive local police and salaried firefighters' relief association amortization state aid if the municipality and the appropriate relief association both comply with the applicable provisions of Minnesota Statutes, Sections 69.031, Subdivision 5, 69.051, Subdivisions 1 and 3, and 69.77. The amount of local police and salaried firefighters' relief association amortization state aid to which a municipality is entitled annually shall be an amount equal*

to the level annual dollar amount required to amortize, by December 31, 2010, the unfunded accrued liability of the special fund of the appropriate relief association as reported in the most recent actuarial valuation of the relief association prepared pursuant to Minnesota Statutes 1978, Sections 356.215 and 356.216, and filed with the commissioner of insurance on the date of final enactment of this act, reduced by the dollar amount required to pay the interest on the unfunded accrued liability of the special fund of the relief association for the calendar year next following the date of final enactment of this act set at the rate specified in Minnesota Statutes 1978, Section 356.215, Subdivision 4, Clause (4). Payment of local police and salaried firefighters' relief association amortization state aid to municipalities shall be made directly to the municipalities involved in four equal installments on March 15, July 15, September 15 and November 15 annually. Upon receipt of the local police and salaried firefighters' relief association amortization state aid, the municipal treasurer shall transmit the aid amount to the treasurer of the local relief association for immediate deposit in the special fund of the relief association. The commissioner of finance shall prescribe and periodically revise the form for and content of the annual application for the local police and salaried firefighters' relief association amortization state aid. The amounts required to pay the local police and salaried firefighters' relief association amortization state aid are hereby annually appropriated from the general fund to the commissioner of finance.

Sec. 6. [TEMPORARY PROVISION; APPLICATION TO CERTAIN MUNICIPALITIES.] Any municipality in which is located a local police or salaried firefighters' relief association which is governed by Minnesota Statutes, Section 69.77, and in which all newly hired police officers or firefighters, whichever is applicable, after a certain date are required by special law to have their retirement coverage provided by the public employees police and fire fund established pursuant to Minnesota Statutes, Chapter 353, and not by the local police or firefighters' relief association, may have made applicable any other provisions of section 4, by adopting by majority vote of the governing body, a resolution implementing those provisions of section 4 which are not present in or which are in substantial conflict with the applicable special law modifying retirement coverage for new police officers or firefighters, whichever is applicable, other than the date of the modification in retirement coverage. Prior to becoming effective, a copy of the municipal resolution shall be filed with the secretary of state, the commissioner of finance, the commissioner of insurance and the executive secretary of the legislative commission on pensions and retirement. To be deemed an implementing municipal resolution within the meaning of this section, the municipal resolution shall either refer to this section and the applicable subdivisions of section 4 or shall describe in summary form the modifications to be implemented.

Sec. 7. [ALTERNATIVE BENEFIT INCREASE.] Notwithstanding any provision of law to the contrary, and in lieu of the benefit increase provided for in section 4, subdivision 3, the

governing body of a participating municipality, except the city of Minneapolis, is authorized by resolution approved by a majority of the members of the governing body, following consideration of an actuarial analysis of the effect of any change, to increase the service pension or retirement benefits provided by or modify any provision of the benefit plan of either a police relief association or a salaried firefighters relief association unless the municipality elects to retain the local relief association by the adoption of a municipal resolution pursuant to section 4, subdivision 1. The total cost of any increase or modification, including amortization by the applicable date to amortize specified in any prior applicable special legislation, shall not exceed 1.26 percent of covered payroll.

Sec. 8. [MINNEAPOLIS POLICE AND FIREFIGHTERS RELIEF ASSOCIATIONS: MINIMUM MEMBER CONTRIBUTION.] *Notwithstanding any provision of Minnesota Statutes, Section 69.77, or any other law to the contrary, the minimum employee contribution to the special fund of the relief association for retirement and survivorship benefits by each member of the Minneapolis police relief association or the Minneapolis firefighters relief association, during the remaining term of covered employment by the member shall be seven percent of the maximum salary from which retirement and survivorship credits and amounts of benefits are determined, effective July 1, 1980, and eight percent effective January 1, 1981.*

Sec. 9. [HEALTH AND WELFARE BENEFIT.] *Notwithstanding any law to the contrary, any person who, after July 1, 1980, retires on a service pension or a disability benefit from the Minneapolis police relief association or the Minneapolis firefighters relief association shall be entitled on January 1, 1981, or upon the date of retirement, whichever occurs later, to receive a monthly health and welfare benefit unless the city of Minneapolis elects to retain the local relief association by the adoption of a municipal resolution pursuant to section 4, subdivision 1. The monthly health and welfare benefit shall be an amount equal to one unit as defined pursuant to Laws 1963, Chapter 315, Section 1, Subdivision 3, for the Minneapolis police relief association, or Minnesota Statutes, Section 69.45, for the Minneapolis firefighters relief association, whichever is applicable. The monthly health and welfare benefit shall be paid to the retired member unless the retired member designates in writing that the amount be paid to an insurance carrier to defray the cost of any health or welfare related insurance coverage.*

Sec. 10. [DETERMINATION OF FINANCIAL REQUIREMENTS OF RELIEF ASSOCIATION AND MINIMUM MUNICIPAL OBLIGATION.] *The officers of the Minneapolis police relief association and the Minneapolis firefighters relief association shall include in their determinations of the financial requirements of the relief association and the minimum obligation of the governmental subdivision submitted to the city of Minneapolis on or before September 1, 1980, pursuant to Minnesota Statutes, Section 69.77, Subdivision 2, Clauses (2) and (3), the cost of the health and welfare benefit as estimated by the actuary*

of the respective relief association based on the most recent actuarial valuation of the relief association prepared pursuant to Minnesota Statutes, Sections 69.77, 356.215 and 356.216. The city of Minneapolis shall provide sufficient financial support to each relief association to meet the minimum obligation of the governmental subdivision including the cost of the health and welfare benefit, effective January 1, 1981.

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 424A.02, is amended by adding a subdivision to read:

Subd. 9a. [POST RETIREMENT INCREASES.] Notwithstanding any provision of general or special law to the contrary, a volunteer firefighters' relief association may, from time to time, with municipal approval pursuant to subdivision 10 and section 69.772, subdivision 6, or section 69.773, subdivision 6, whichever is applicable, provide a post retirement increase to retired members and other retirement benefit recipients of the relief association. The post retirement increase may only be granted pursuant to an amendment to the bylaws of the relief association and shall be applicable only to retired members and other retirement benefit recipients receiving a service pension or retirement benefit as of the effective date of the bylaw amendment. The authority to provide a post retirement increase to retired members and other retirement benefit recipients of a relief association contained in this subdivision shall supersede any prior special law authorization relating to the provision of post retirement increases.

Sec. 12. Minnesota Statutes, 1979 Supplement, Section 424A.04, is amended to read:

424A.04 [VOLUNTEER RELIEF ASSOCIATIONS; BOARD OF TRUSTEES.] Every volunteer firefighters' relief association shall be managed by a board of trustees consisting of nine members. Six trustees shall be elected from the membership of the relief association and three trustees shall be drawn from the officials of the municipality which has a fire department to which the relief association is directly associated or the municipality which contracts or the municipalities which contract with the independent nonprofit firefighting corporation of which the relief association is a subsidiary. *The bylaws of a volunteer firefighters' association may provide that one of the six trustees required to be elected from the membership of the relief association may be a retired member of the relief association receiving a monthly pension elected by the membership of the fire department.* The ex officio trustees, if the relief association is directly associated with the fire department of a municipality, shall be the mayor, the clerk or clerk-treasurer, and the chief of the municipal fire department. (6) The total of items 1, 2, and 3 above shall be increased or decreased as the case may be by any deficiency or excess of the amount of tax revenue actually collected within the preceding fiscal year under or over the amount actually determined to meet the financial requirements of the fund for such year. In no event shall the amount requested for levy exceed the total of entry age normal cost, less the amounts contributed by the employees, plus administrative expense, plus an amount necessary to amortize on a level annual dollar basis the principal amount of the actuarial deficit by the year 2017 using an interest rate of five percent, compounded annually, plus interest upon any deficiency from the previous year's levy at the rate of ~~four~~ six percent per annum. (6) Any person who is employed by the city or any of its boards, departments, commissions or a public corporation, as herein outlined, and is excluded from participation in the fund by paragraph (4) shall be separated from the service upon reaching the age of 70 regardless of the provisions of the veterans preference act.

The commissioner of banks shall exercise a constant supervision, either personally or through the examiners herein provided for, over the books and affairs of all state banks, savings banks, trust companies, savings associations, and other financial institutions doing business within this state; and shall, through examiners, examine at least once in every 18 month period the state banks and savings

banks as are also subject to annual examinations by the federal deposit insurance corporation or the federal reserve bank. If any state bank or savings bank is not examined by one of these federal agencies annually, the commissioner shall examine the bank or savings bank, so that the bank or savings bank is examined at least once annually by either one of these federal agencies or the commissioner. Trust companies, savings associations, credit unions, industrial loan and thrift companies and other financial institutions shall be examined once a year. With the exception of industrial loan and thrift companies which do not have deposit liabilities and small loan companies, it shall be the principal purpose of these examinations to inspect and verify the assets and liabilities of each and so far investigate the character and value of the assets of each such institution as to determine with reasonable certainty that the values are correctly carried on its books. Assets and liabilities shall be verified in accordance with methods of procedure which the commissioner may determine to be adequate to carry out the intentions of this section. None of the above provisions shall limit limits the commissioner in making additional examinations as he deems necessary or advisable. He shall investigate the methods of operation and conduct of these institutions and their systems of accounting, to ascertain whether these methods and systems are in accordance with law and sound banking principles. He may make such requirements as to records as he deems necessary to facilitate the carrying out of his duties and to properly protect the public interest. He may examine, or cause to be examined by these examiners, on oath, any officer, director, trustee, owner, agent, clerk, customer, or depositor of any such financial institution touching the affairs and business thereof, and may issue, or cause to be issued by the examiners, subpoenas, and administer, or cause to be administered by the examiners, oaths. In case of any refusal to obey any subpoena issued by him or under his direction, the refusal may at once be reported to the district court of the district in which the bank or other financial institution is located, and this court shall enforce obedience to these subpoenas in the manner provided by law for enforcing obedience to subpoenas of the court. In all matters relating to his official duties, the commissioner of banks has the power possessed by courts of law to issue subpoenas and cause them to be served and enforced, and all officers, directors, trustees, and employees of state banks, savings banks, trust companies, savings associations, and other financial institutions within the state, and all persons having dealings with or knowledge of the affairs or methods of these institutions, shall afford reasonable facilities for these examinations, make such returns and reports to the commissioner of banks as he may require; attend and answer, under oath, his lawful inquiries; produce and exhibit such any books, accounts, documents, and property as he may desire to inspect, and in all things aid him in the performance of his duties.

Subd. 2. With respect to specific transactions between a bank holding company and a state bank affiliate, the commissioner of banks shall have the authority to examine the records of such holding company that directly pertain to such transactions to the

Sec. 14. MINNESOTA ZOOLOGICAL GARDEN

The appropriation made in Laws 1979, Chapter 333, Section 27, shall stand.

During consideration of the zoological garden's transportation system legislation, the legislature was consistently and unequivocally assured that the only post enactment responsibility of the legislature would be to appropriate the receipts of the transportation system for the purpose of effecting the installment payments of the system. Accordingly, authorization for the acquisition by installment purchase agreement of the transportation system at the Minnesota zoological garden pursuant to Minnesota Statutes, Section 85A.02, Subdivision 16 was made on the understanding that the system would produce revenues sufficient to meet all operating costs and installment payments. This authorization did not constitute a direct or indirect obligation of the state for the acquisition of the system beyond net revenues generated by the system.

This section is intended to make clear to all potential investors in state and local bonds and to financial institutions that the state is not and never has been responsible otherwise for the financing of the zoo ride. The legislature's action regarding appropriations for installment purchase payments for the zoo ride is

1980

1981

intended to have no effect on the security of bonds for which the state's full faith credit, and taxing power are pledged, or bonds of the Minnesota housing finance agency secured in the manner provided by Minnesota Statutes, Section 462A.22, Subdivision 8. This section is further intended to forestall any attempt by any person to cause damage to the credit rating of the state in order to force the state to assume an obligation for which it is neither legally nor morally responsible.

If exceptions are taken, the board chief hearing examiner, upon a review of the record, may accept the officer's recommendations with or without additional oral or written evidence from the parties, may remand the case to the officer for further hearing, adopt the hearing officer's report with any changes warranted by the record, or issue its own report of findings and orders. If the chief hearing examiner supports the agency decision, or if the agency refuses to

accept the chief hearing examiner's recommendations, the employee may appeal as though from a contested case decision pursuant to chapter 15.

Subd. 3. [REQUEST FOR WRITTEN STATEMENT.] When any such permanent employee shall be suspended without pay, he shall, within 30 days time after being notified of such disciplinary action, be furnished with a statement in writing specifically setting forth the reasons for the disciplinary action, and a copy of such statement shall then also be filed with the commissioner.

In addition each real estate broker or real estate salesperson when renewing his license after July 1, 1980, shall each time pay a fee of \$5 to be credited to the real estate education, research and recovery fund.*

Subd. 4. If at the end of any fiscal year prior to calendar year 1981 following the establishment of the real estate education, research and recovery fund, the amount remaining in the fund is less than \$200,000, every licensed real estate broker and real estate salesperson, when renewing his license, shall pay in addition to the annual renewal fee, a sum not to exceed \$20 said sum having been determined by the commissioner to be sufficient to restore the balance in the fund to at least \$200,000.

Commencing with calendar year 1981, not to exceed \$400,000 of the fund shall be available for recovery purposes to satisfy all claims authorized for payment each calendar year. This shall be designated as the recovery portion of the fund. Commencing in calendar year 1981, if the amount remaining in the fund after pay-

ment of all amounts authorized during the preceding calendar year for payment to claimants is less than \$400,000 plus the amount appropriated pursuant to subdivision 6, every licensed real estate broker and real estate salesperson, when renewing his license, shall pay, in addition to the annual renewal fee and the \$5 fee set forth in subdivision 3, a sum not to exceed \$35, said sum having been reasonably determined by the commissioner to be necessary to restore the balance in the fund.

Subd. 5. Any funds in excess of \$200,000 shall, upon request of the commissioner, be invested by the state board of investment in the class of securities specified in section 11.16 and acts amendatory thereto. All interest and profits from such investments shall be credited to the real estate education, research and recovery fund. The state treasurer shall be the custodian of securities purchased under the provisions of this section.

Subd. 6. The commissioner, in his discretion may use any funds in excess of \$200,000 may expend monies as appropriated for the following purposes:

Subd. 7. When any aggrieved person obtains a final judgment in any court of competent jurisdiction against any person licensed under this chapter, on grounds of fraudulent, deceptive or dishonest practices, or conversion of trust funds arising directly out of any transaction when the judgment debtor was licensed and performed acts for which a license is required under this chapter, and which cause of action occurred on or after July 1, 1973, the aggrieved person may, upon the judgment becoming final, and upon termination of all proceedings, including reviews and appeals, file a verified application in the court in which the judgment was entered for an order directing payment out of the real estate education, research and recovery portion of the fund of the amount of actual and direct out of pocket loss in such transaction,

but excluding interest on the loss and on any judgment obtained as a result of such loss, up to the sum of \$20,000 of the amount unpaid upon the judgment, provided that nothing in this chapter shall be construed to obligate the fund for more than \$20,000 per transaction, subject to the limitations set forth in subdivisions 12 and 14, regardless of the number of persons aggrieved or parcels of real estate involved in such transaction. A copy of the verified application shall be served upon the commissioner and upon the judgment debtor, and a certificate or affidavit of such service filed with the court.

Subd. 8. The court shall conduct a hearing upon such application 30 days after service of the application upon the commissioner. Upon petition of the commissioner, the court shall continue the hearing up to 60 days further; and upon a showing of good cause may continue the hearing for such further period as the court deems appropriate. At the hearing the aggrieved person shall be required to show that:

(a) He is not a spouse of debtor, or the personal representative of such spouse;

(b) He has complied with all the requirements of this section;

(c) He has obtained a judgment as set out in subdivision 7, stating the amount thereof and the amount owing thereon at the date of the application;

(d) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of real or personal property or other assets, liable to be sold or applied in satisfaction of the judgment;

(e) By such search he has discovered no personal or real property or other assets liable to be sold or applied, or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so applied, and that he has taken all necessary action and proceedings for the realization thereof, and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized;

(f) He has diligently pursued his remedies against all the judgment debtors and all other persons liable to him in the transaction for which he seeks recovery from the real estate education, research and recovery fund;

(g) He is making said application no more than one year after the judgment becomes final, or no more than one year after the termination of any review or appeal of the judgment.

Subd. 9. Whenever the court proceeds upon an application as set forth in subdivision 7, it shall order payment out of the real estate education, research and recovery portion of the fund only upon a determination that the aggrieved party has a valid cause of action within the purview of subdivision 7 and has complied with the provisions of subdivision 8. The judgment shall be only prima

facie evidence of such cause of action and for the purposes of this section shall not be conclusive. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review including examination of witnesses. The commissioner may move the court at any time to dismiss the application when it appears there are no triable issues and the petition is without merit. The motion may be supported by affidavit of any person or persons having knowledge of the facts, and may be made on the basis that the petition, and the judgment referred to therein, does not form the basis for a meritorious recovery claim within the purview of subdivision 7; provided, however, the commissioner shall give written notice at least ten days before such motion. The commissioner may, subject to court approval, compromise a claim based upon the application of an aggrieved party. He shall not be bound by any prior compromise or stipulation of the judgment debtor.

Subd. 10. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses. The judgment debtor may defend any such action on his own behalf and shall have recourse to all appropriate means of defense and review, including examination of witnesses. Whenever an applicant's judgment is by default, stipulation, or consent, or whenever the action against the licensee was defended by a trustee in bankruptcy, the applicant shall have the burden of proving his cause of action for fraudulent, deceptive or dishonest practices, or conversion of trust funds. Otherwise, the judgment shall create a rebuttable presumption of the fraudulent, deceptive or dishonest practices, or conversion of trust funds. This presumption is a presumption affecting the burden of producing evidence.

Subd. 11. If the court finds after the hearing that said claim should be levied against the *recovery* portion of the fund ~~allocated for the purpose of carrying out the provisions of this section~~, the court shall enter an order directed to the commissioner requiring payment from the ~~real estate education, research and recovery~~ *portion of the fund* of whatever sum it shall find to be payable upon the claim pursuant to the provisions of and in accordance with the limitations contained in this section.

Subd. 12. (a) Notwithstanding any other provision of this section, the liability of ~~that the recovery portion of the real estate education, research and recovery fund allocated for the purposes of this section to all persons for all losses~~ shall not exceed ~~\$20,000~~ \$25,000 for any one licensee;

(b) If the ~~\$20,000~~ \$25,000 liability of the ~~real estate education, research and recovery portion of the fund~~ is insufficient to pay in full the valid claims of all aggrieved persons by whom claims have been filed against any one licensee, such ~~\$20,000~~ \$25,000 shall be distributed among them in the ratio that their respective claims bear to the aggregate of such valid claims or in such other manner as the court deems equitable. Distribution of such moneys shall be

among the persons entitled to share therein, without regard to the order of priority in which their respective judgments may have been obtained or their claims have been filed. Upon petition of the commissioner, the court may require all claimants and prospective claimants against one licensee to be joined in one action, to the end that the respective rights of all such claimants to the real estate education, research and recovery portion of the fund may be equitably adjudicated and settled.

Subd. 13. Should the commissioner pay from the real estate education, research and recovery portion of the fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensed broker or salesperson, the license of the broker or salesperson shall be automatically suspended upon the effective date of an order by the court as set forth herein authorizing payment from the real estate education, research and recovery portion of the fund. No such broker or salesperson shall be granted reinstatement until he has repaid in full, plus interest at the rate of four 12 percent a year, twice the amount paid from the real estate education, research and recovery portion of the fund on his account, and has obtained a surety bond issued by an insurer authorized to transact business in this state in the amount of \$40,000. The bond shall be filed with the commissioner, with the state of Minnesota as obligee, conditioned for the prompt payment to any aggrieved person entitled thereto, of any amounts received by the real estate broker or salesperson or to protect any aggrieved person from loss resulting from fraudulent, deceptive or dishonest practices or conversion of trust funds arising out of any transaction when the real estate broker or salesperson was licensed and performed acts for which a license is required under this chapter. The bond shall remain operative for as long as that real estate broker or salesperson is licensed. No payment shall be made from the recovery portion of the fund based upon claims against any broker or salesperson who is granted reinstatement pursuant to this subdivision. A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this section.

Subd. 14. If, at any time, the money deposited in the real estate education, research and recovery fund and allocated for purposes other than real estate education and research is insufficient to satisfy any duly authorized claim or portion thereof, the commissioner shall, when sufficient money has been deposited in the real estate education, research and recovery fund, satisfy such unpaid claims or portions thereof, in the order that such claims or portions thereof were originally filed, plus accumulated interest at the rate of four percent a year. The commissioner shall satisfy all claims against licensees for which an order pursuant to subdivision 11 directing payment from the recovery portion of the fund has become final during the calendar year. Each claim shall be satisfied by the commissioner in not less than 30 and not more than 90 days following the end of the calendar year in which the order directing payment of the claim becomes final, commencing with calendar year 1981. If, at the end of any calendar year, the com-

missioner determines that the courts have issued orders that have become final during the year directing payment out of the recovery portion of the fund in a total amount in excess of \$400,000, the commissioner shall allocate the \$400,000 available for recovery purposes among all claimants in the ratio that the amount ordered paid to each claimant bears to the aggregate of all amounts ordered paid. The commissioner shall mail notice of the allocation to all claimants not less than 45 days following the end of the calendar year. Any claimant who objects to the plan of allocation shall file a petition in the district court of Ramsey or Hennepin County within 20 days of the mailing of notice setting forth the grounds for objection. Upon motion of the commissioner the court shall summarily dismiss the petition and order distribution in accordance with the proposed plan of allocation unless it finds substantial reason to believe that the distribution would be in violation of the provisions of this section. If a petition is filed, no distribution shall be made except in accordance with a final order of the court. In the event no petition is filed within 20 days of the mailing of notice, the commissioner shall make a distribution in accordance with the plan of allocation. Any distribution made by the commissioner in accordance with this subdivision shall be deemed to satisfy and extinguish the claims of any claimant receiving a distribution against the recovery portion of the fund.

Subd. 15. Any sums received by the commissioner pursuant to any provisions of this section shall be deposited in the state treasury, and credited to the real estate education, research and recovery fund, and said sums shall be allocated exclusively for the purposes provided in this section. All moneys in the fund are appropriated annually to the commissioner for the purposes of this section.

Subd. 16. It shall be unlawful for any person or the agent of any person to knowingly file with the commissioner any notice, statement, or other document required under the provisions of this section which is false or untrue or contains any material misstatement of fact. Such conduct shall constitute a gross misdemeanor.

Subd. 17. When, upon the order of the court, the commissioner has paid from the real estate education, research and recovery portion of the fund any sum to the judgment creditor, the commissioner shall be subrogated to all of the rights of the judgment creditor to the extent of the amount so paid and the judgment creditor shall assign all his right, title and interest in the judgment to the extent of the amount so paid to the commissioner and any amount and interest so recovered by the commissioner on the judgment shall be deposited to the fund.

Subd. 18. Nothing contained in this section shall limit the authority of the commissioner to take disciplinary action against any licensee under other provisions of this chapter; nor shall the repayment in full of all obligations to the real estate education, research and recovery portion of the fund by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the provisions of this chapter.

Subd. 19. The commissioner shall include in the annual report of the commerce commission pursuant to section 45.033, a report on the activities of the real estate education, research and recovery fund; noting the amount of money received by the fund, the amount of money expended and the purposes therefor.

Subd. 20. *Claims for which orders for payment have become final prior to January 1, 1981 shall be paid in accordance with Minnesota Statutes 1978, Section 82.34, but shall be subject to the limitations set forth in subdivisions 7 and 12. If at any time the amount deposited in the recovery portion of the fund is insufficient to satisfy any duly authorized claim or portion thereof for which an order directing payment has become final prior to January 1, 1981, the commissioner shall treat the unpaid claims or portions thereof as if entered pursuant to orders which become final in the calendar year 1981. Those claims shall be paid in accordance with the procedure set forth in subdivision 14 and shall be subject to the limitations set forth in subdivisions 4 and 14.*

Sec. 77. [APPROPRIATION.] *Subdivision 1. The sum of \$158,900 is appropriated from the real estate education, research, and recovery fund to the commissioner of securities for the purpose of section 82.34, subdivision 6, as amended by this act. This appropriation is available until June 30, 1981.*

The approved complement for the department of commerce — securities division is increased by three positions upon termination of the university of Minnesota contract for real estate education activities.

Subd. 2. *If the position of St. Cloud State University chair of real estate has not been filled by August 1, 1980, all further contractual obligations of the state are void and \$25,000 of this appropriation shall cancel and revert to the real estate education research and recovery fund. In this event, an additional \$25,000 within this appropriation is earmarked for repayment of any bona fide contractual expenses incurred by St. Cloud State University during the life of the contract.*

90.195 [SPECIAL USE PERMIT.] *The commissioner, for a \$5 fee, may issue a permit to salvage or cut not to exceed 25 cords of fuelwood per year for personal use from either or both of the following sources: (1) Dead, down, and diseased trees; (2) other trees that are of negative value under good forest management practices. Such The permits may be issued for a period not to exceed one year. The appraisal shall be made by not less than three appraisers, at least two of whom shall be residents of the county in which the lands are situated. Each appraiser shall before entering upon the duties of his office take and subscribe an oath that he will faithfully and impartially discharge his duties as appraiser according to the best of his ability and that he is not interested directly or indirectly in any of the lands to be appraised or the timber or improvements thereon or in the purchase thereof and has entered into no agreement or combination to purchase the same or any part thereof, which oath shall be attached to the report of such appraisal. The term "physical connection," as used in this section, means such number of trunk lines or complete wire circuits and connections as may be required to furnish reasonable and adequate service between such telephone lines and exchanges and shall not be deemed to provide for any connection whereby one line or circuit is to be bridged upon another line or circuit. When application is made to the department requesting physical connection it shall be presumed that such connection is necessary, and that the public convenience will be promoted thereby, and the burden of overcoming such presumption shall be upon the party resisting such application. The telephone companies so connecting shall give service over the connecting line or lines without preference to or discrimination against any service or telephone company whatever.

Wherever a physical connection or connections exist between any telephone exchange system operated by a telephone company and the toll line or lines operated by another telephone company or between its toll line or lines and the telephone exchange system of another telephone company, or between its toll line and the toll line of another telephone company, neither of the companies shall cause such connection to be severed or the service between the companies to be discontinued without first obtaining an order from the department upon an application for permission to discontinue such physical connection. Upon the filing of an application for discontinuance of such a connection, the department shall investigate and ascertain whether public convenience requires the continuance of such physical connection, and if the department so finds, *the commission* shall fix the compensation, terms and conditions of the continuance of the physical connection and service between the telephone companies.

The department *and commission* shall ascertain the expenses, and *the department* shall render a bill therefor to the telephone company, either at the conclusion of the investigation, appraisal, or services, or from time to time during its progress, which bill shall constitute notice of the assessment and a demand for payment. telephone company into the state treasury within 30 days from the date of assessment. The total amount, in any one calendar year, for which any telephone company shall become liable, by reason of costs incurred by the department *and commission* within that calendar year, shall not exceed two-fifths of one percent of the gross jurisdictional operating revenue of the telephone company in the last preceding calendar year. Where, pursuant to this subdivision, costs are incurred within any calendar year which are in excess of two-fifths of one percent of the gross jurisdictional operating revenues, the excess costs shall not be chargeable as part of the remainder under subdivision 2, but shall be paid out of the general appropriation of the department.

The remainder shall be assessed by the department to the several telephone companies in proportion to their respective gross jurisdictional operating revenues during the last calendar year. The assessment shall be paid into the state treasury within 30 days after the bill has been mailed to the several telephone companies, which shall constitute notice of the assessment and demand of payment thereof. The reasons are: (1) An approximately 33 mile portion of the right-of-way, east of Isinour Junction, as more specifically described and recommended for acquisition in the report of the hearing examiner on the Root River Trail dated March 5, 1980, satisfies the criteria stated in Minnesota Statutes, Section 86A.05, Subdivision 4, Clause (b), for the establishment of a state trail pursuant to Minnesota Statutes, Sections 84.029, Subdivision 2, and 85.015, Subdivision 7; (2) Other portions of the right-of-way west of Dexter, satisfy the criteria stated in Minnesota Statutes, Section 86A.05, Subdivision 5, Clause (b), for the establishment of a state scientific and natural area; (3) Development of these units of the outdoor recreation system can be accomplished in such a way as to minimize adverse effects on adjoining agricultural lands; (4) The right-of-way from the high voltage transmission line east of Dexter to the Red Cedar River has been proposed for, and has high potential for use by the Austin Utilities Board as a high voltage transmission line; and (5) the right-of-way from the Red Cedar River to Dexter has potential for trail development.*

The commissioner shall have the first rights of purchase and may acquire by gift, purchase, or condemnation pursuant to Minnesota Statutes, Chapter 117.

Subd. 3. [MITIGATION OF ADVERSE IMPACTS.] *To the maximum extent the commissioner shall develop and maintain the portion of right-of-way used for trail purposes so as to minimize adverse effects on adjoining agricultural land and property owners. To this end the commissioner shall:*

(a) Notwithstanding the provisions of Minnesota Statutes, Section 94.342, Subdivision 3, offer to exchange land with landowners whose land is crossed or adjacent to the trail right-of-way where the exchange will minimize or mitigate impact on farming use, privacy or other beneficial use of the lands of the adjacent owner and is consistent with the trail use;

(b) Allow easements for drainage culverts and tile lines to cross the trail right-of-way without cost to adjacent landowners, provided that the commissioner may restrict the location and construction method of the culverts and tile lines to protect the resource;

(c) Provide and maintain fencing on both sides of the line at the expense of the state where requested by the adjoining landowner;

(d) Allow easements for crossing livestock and farm equipment of adjoining owners where necessary and convenient; and

(e) Assign, prior to the opening of the trail, a full time trail manager to this trail.

Subd. 4. [FURTHER STUDY.] *The commissioner shall study, and hold a hearing, in the manner provided in Laws 1979, Chapter 301, Section 7, on the appropriateness of developing a trail on the portion of the right-of-way from the Red Cedar River to the western edge of Dexter. If the commissioner determines such a trail use is appropriate, it shall conform to all requirements of subdivision 3, except the requirement for land exchanges under clause (a). Notwithstanding the provisions of Minnesota Statutes, Chapter 86A or other laws to the contrary, this portion of the right-of-way if used for a trail may be used for high voltage transmission line purposes.*

Subd. 5. [SCIENTIFIC AND NATURAL AREAS.] *The commissioner shall designate and manage as scientific and natural areas those portions of the right-of-way from the Red Cedar River to the western edge of Dexter recommended by the Scientific and Natural Area Advisory Committee totaling approximately 7.75 miles. Notwithstanding the provisions of Minnesota Statutes, Chapter 86A, the commissioner may operate a trail on the land described in subdivision 1 that is designated as a scientific and natural area, provided that trail uses shall be limited and controlled in a manner to assure the protection of the scientific and natural area resource values. Further, notwithstanding the provisions of Minnesota Statutes, Chapter 86A, or any other laws to the contrary, the scientific and natural areas may be used for a high voltage power line, provided towers are located and constructed and the line maintained in a manner to insure protection of the resource.*

Subd. 6. [ACQUISITION; SALE.] *If necessary in order to effectuate the purposes of this section, the commissioner may acquire by gift or purchase from a willing seller those portions of the entire abandoned railroad right-of-way between Ramsey in Mower County and LaCrescent in Houston County not described in subdivision 1, but may not retain in state ownership any portion thereof other than those portions described in subdivision 1, and shall dispose of those lands not retained in state ownership in the manner provided in sections 94.09 to 94.16, within one year after their acquisition.*

Sec. 165. [RAMSEY COUNTY WETLANDS.] *The following described lands are wetlands within the meaning of Minnesota Statutes, Section 105.37, Subdivision 15: lot 101 of Gardena addition, which is located in the northeast quarter of the southeast quarter of section 4, township 29 north, range 22 west, Ramsey County, Minnesota.*

Subd. 12. "Vehicle system" means the transit cars, the guideway, the guideway columns, the guideway electrification, the control and communication mechanisms, the platform doors, the maintenance and control center equipment, and other similar necessary components of the people mover system.

Sec. 170. [PEOPLE MOVER SYSTEMS; AUTHORITY.] The city may undertake the acquisition, betterment, operation, maintenance, and promotion of a people mover system. For such purposes the city may exercise all powers conferred upon it by law or charter and, notwithstanding any other law or charter provision, may negotiate an agreement with a contracting agency. The terms of the agreement with the contracting agency shall comply with the St. Paul People Mover Act.

Sec. 171. [SYSTEM PROCUREMENT.] Subdivision 1. [SPECIFICATIONS; EVALUATION CRITERIA.] Before final solicitation of bids from suppliers, the city shall approve the functional, physical, and performance specifications to be prescribed for the people mover system and the criteria to be used to evaluate alternative systems and bids. At a minimum, the system specifications shall require the system to provide access for handicapped to connect the major downtown activity centers with fringe parking and radial bus routes and to have been proven in operation. The specifications shall be developed so as not to limit future

adaptability of the system to provide origin to destination service without stops, to eliminate transfers, and to allow a capacity of 5,000 passengers per hour. The system evaluation criteria shall give particular emphasis to the environmental, visual, and aesthetic effects of the system, especially the size of the guideways and guideway columns energy consumption and reliability during winter operation and adaptability to extension and development over time and increased capacity requirements. The specifications and evaluation criteria shall also address the cost of the vehicle system; the effect of the vehicle system on the cost of other elements of the people mover system; construction, operating, and maintenance costs; winter operation; the ability of the supplier to perform design, furnishing, installing, and testing services for all vehicle system elements and to coordinate construction; ability of the supplier to meet requirements imposed as contract conditions in any grant contract entered into with the federal government; and such other matters as the city deems necessary. During the development of system evaluation criteria and specifications, all prospective system suppliers shall be provided an opportunity to present the unique capabilities of their system, to comment on the draft evaluation criteria and specifications, and to propose changes in the specifications to allow the unique capabilities of their system to improve the system performance.

Subd. 2. [BIDS; SYSTEM EXTENSION.] The cost of preparing and submitting bids shall be paid by bidders. Bidders may propose beneficial alternatives for the people mover system which are unique to their system or which would improve the system performance. The alternatives shall be reviewed and evaluated against the evaluation criteria. If the capital cost of the accepted bid is sufficiently less than the available capital funds to allow extensions of the people mover system, the urban mass transportation administration shall be requested to approve an extension. The city shall select the extension based on community acceptance and ridership potential.

Subd. 3. [SELECTION OF SUPPLIER; CONTRACT REQUIREMENTS.] Notwithstanding the provisions of Minnesota Statutes, Section 471.345 and 471.35, or any other provision of law or charter, contracts for the acquisition and betterment of the people mover system shall be awarded to the bidder whose proposal is determined pursuant to subdivisions 1 and 2 to best meet the system specifications and evaluation criteria. The city shall review and evaluate submitted bids on the basis of the system specifications and evaluation criteria developed pursuant to subdivision 1. The purchase contract for the vehicle system shall require the supplier to assure that the vehicle system operates within the specifications of the contract and to maintain the vehicle system for a five year period of revenue service at a fixed base price with escalation clauses. The contract shall contain a provision permitting termination by the contracting agency of the operation and maintenance portion of the contract at the end of any year of revenue service. The supplier of the vehicle system and all contractors for the people mover system, at the time of

execution of a contract shall furnish a payment or performance bond as security for the faithful payment and performance of all obligations under the contract. All contracts for the people mover system shall include disincentives in an appropriate amount for failure to comply with the contract and may include incentives as appropriate. All contracts shall contain provisions for a maximum contract amount not to be exceeded without the approval of the city.

Subd. 4. [CERTIFICATION.] No revenue service of the people mover system shall begin until written notice is received by the city, signed by the administrator of the urban mass transportation administration, stating that the vehicle system or the part proposed to be operated has been fully tested, that it meets the criteria for acceptance established by the contracting agency with the concurrence of the administrator, and that it is ready for year-around revenue service. The purchase contract for the vehicle system shall so provide. The written notice from the administrator shall not imply any legal liability of the federal government for construction or operation of the people mover system.

Sec. 172. [SPECIAL ASSESSMENT.] The people mover system and related facilities are determined to be local improvements within the meaning of the Minnesota Constitution, Article X, the city's charter, and Minnesota Statutes, Chapters 429 and 430. Accordingly, the costs of acquisition, construction, reconstruction, extension, operation, maintenance and promotion of the people mover system and such facilities, whether paid or to be paid by the city may be specially assessed against property determined to be specially benefited thereby, to the extent of and in proportion to the benefits, except that special assessments shall be forgiven against property owned by the state of Minnesota or any instrumentality of the state. Special assessments which are pledged to the payment of improvement warrants or other obligations shall be levied separately and the proceeds segregated from any other special assessments authorized by this section. The special assessment shall be levied by the city pursuant to its charter, Minnesota Statutes, Chapter 429 or 430, and the collections thereof may be pledged to the payment of the costs.

Sec. 173. [OPERATING DEFICIT; PAYMENT.] The city and the owners of benefited properties shall share in the payment of the operating deficit in such proportion as determined by the city. Payment by owners of benefited properties may be levied as special assessments pursuant to the St. Paul People Mover Act. The city share shall not be included in any ad valorem tax levy of the city. The commission shall not participate in any deficit funding of the people mover system.

Sec. 174. [CAPITOL AREA FACILITIES; STATE OWNED PROPERTY.] Subdivision 1. Construction of the people mover system within the capitol area shall be exempt from the provision of Minnesota Statutes 1978, Section 15.50, Subdivision 2, Clause (e), requiring design competition, except that capitol station west shall be subject to an invited competition, as defined in part II,

6, c(2) of the American Institute of Architecture document number 6-J332, issued November, 1976, sponsored and conducted by the capitol area architectural and planning board upon guidelines and criteria as determined by agreement between that board and the city. People mover system improvements within the capitol area shall be in conformity with the comprehensive use plan for the capitol area and subject to the approval of the capitol area architectural and planning board.

Subd. 2. The commissioner of administration on behalf of the state may grant to the city, without compensation, easements for the construction, location and operation of the people mover system upon state owned property. The commissioner of administration and the urban mass transportation administration shall establish the value of easements and related access facilities in the capitol area which will be required for the people mover and which are eligible in lieu of cash as local contributions to the capital cost of the people mover project.

Sec. 175. [METROPOLITAN COUNCIL REVIEW AND RECOMMENDATION.] *The metropolitan council established by Minnesota Statutes, Section 473.123, in making its review under Minnesota Statutes, Section 473.171, of the application for a federal grant in connection with the people mover system as a matter of metropolitan significance, shall conduct a public hearing upon the application and the program proposed thereby within 30 days of submission of the application to the council. Not less than 14 days before the hearing the council shall publish notice thereof in a newspaper having general circulation in the metropolitan area, stating the date, time and place of hearing, and the place where the application may be examined by any interested person. Within 14 days after the hearing the council shall make its recommendation upon the application and cause notice of the same to be published in the same manner as the hearing notice.*

Sec. 176. [JUDICIAL PROCEEDINGS; TIME TO COMMENCE.] *No action shall be commenced or maintained, nor defense interposed in an eminent domain proceeding, questioning the public purpose, propriety of expenditure of public funds, or validity of any law authorizing the acquisition, betterment, operation, maintenance or financing of the people mover system, except by lawsuit commenced in the district court of Ramsey County within 90 days of the date of publication of the metropolitan council recommendation given pursuant to the St. Paul People Mover Act, or within 90 days of the date of written notice mailed to persons whose property may be taken by subsequent proceedings in eminent domain for the people mover system or right of way. Such action timely commenced by any taxpayer, any person whose property is or may be taken or interfered with by reason of the proposed implementation of the people mover system, or other person with standing, shall be maintained in the manner provided by law, including Minnesota Statutes, Chapter 562. Nothing in this section nor notice given pursuant thereto shall be construed as a taking of private property, nor as limiting a property owner's right to just compensation for the taking of private property to be*

litigated in proceedings in eminent domain subsequently instituted under charter of Minnesota Statutes, Chapter 117, for the taking and assessment and award of damages.

Sec. 177. [CAPITAL EXPENDITURES; SALES TAX.] Subdivision 1. [COMMISSION EXPENDITURES PROHIBITED.] *The commission shall expend no money for the acquisition or betterment of the people mover system.*

Subd. 2. [SALES TAX.] *The sale of equipment, material, and tangible personal property to any person under contract with the city or a contracting agency to be used for the acquisition and betterment of the vehicle system and people mover system shall be subject to taxation by the state or its political subdivisions. The value of such tax shall be applied to the local contribution for federal grant purposes to the extent permitted by federal rule and regulation.*

Sec. 178. [IMPROVEMENT WARRANTS; BONDS.] Subdivision 1. [IMPROVEMENT WARRANTS.] *The city may issue and sell improvement warrants to finance the acquisition and betterment of the people mover system in accordance with the provisions of Minnesota Statutes, Chapter 429 for which the full faith and credit of the city is not pledged and which shall be payable solely from special assessments levied against benefited property.*

Subd. 2. [BONDS.] *The city may issue and sell bonds for the acquisition and betterment of the people mover system in an amount not to exceed the total estimated costs of such acquisition and betterment. The city may loan the proceeds of such bonds to a nonprofit corporation to be used for such purpose in which event the city and nonprofit corporation shall enter into an agreement which shall provide for payment to the city by the nonprofit corporation of sums sufficient to pay the principal and interest on such bonds. The agreement may contain such other provisions relating to security for the bonds, the use of a trustee, remedies of bondholders, investment of bond proceeds, issuance of temporary bonds or notes, or any other matter, without limitation, as may be necessary or desirable for implementing the provisions of the St. Paul People Mover Act and financing the people mover system. The bonds shall be issued in accordance with the provisions of Minnesota Statutes, Chapter 475, except section 475.61 and except that neither public sale nor election is required, the bonds may mature at any time or times, in such amount or amounts, within 30 years from date of issue, and may be sold at a price equal to such percentage of the par value thereof, plus accrued interest, and bear interest at such rate or rates, as may be agreed by the purchaser and the city, notwithstanding any limitation of interest rate or cost or of the amounts of annual maturities contained in any other law or charter. Bonds issued under this subdivision shall not constitute a debt within the meaning of any debt limitation established by law or charter, and no holder or holders of the bonds shall have the right to compel any exercise of the taxing power of the city to pay any such bonds or interest thereon, or to enforce payment thereof*

against any property of the city. The city or other owner of the people mover system is authorized to pledge, mortgage, and give a security interest therein to secure the bonds, except that no ad valorem tax levy of the city shall be used to secure the bonds. Any earnings on such bonds which are not used for payment of the bonds and interest thereon may be used to pay capital and operating costs of the people mover system or may be applied to reduce the total amount of special assessments levied or to be levied pursuant to the St. Paul People Mover Act, or both.

Subd. 3. [TAX EXEMPT BONDS.] Interest paid on bonds issued under authority of this section shall not be included in gross income for the purpose of computing any tax imposed by or under the provisions of Minnesota Statutes, Chapter 290 or any act amendatory thereof or supplemental thereto.

Sec. 179. [ADDITIONAL AND SUPPLEMENTAL POWERS; CHARTER PROVISIONS.] The powers conferred by the St. Paul People Mover Act shall be in addition and supplemental to the powers conferred by any other law or charter. The city may exercise the powers conferred notwithstanding any law or charter provision and without election, except a charter provision for initiative or referendum.

Sec. 180. [STATE NOT OBLIGATED.] The authorization for the acquisition of a people mover system in the city of St. Paul is made on the basis that the system will be locally and federally financed and produce revenues that, with local and federal sources, will be sufficient to meet all operating costs and debt retirement. This authorization does not constitute a direct or indirect obligation of the state. The notes and bonds issued to finance the people mover system shall contain on their face a statement that the notes or bonds are not a debt of the state and that the state of Minnesota is not liable on them. This section is intended to forestall any unwarranted attempt by any person to cause damage to the credit rating of the state in order to force the state to assume an obligation for which it is neither legally nor morally responsible.

Sec. 181. [COPPER NICKEL STUDY REVIEW.] The Minnesota state planning agency, the Minnesota pollution control agency, the Minnesota department of natural resources, and the Minnesota department of health shall by January 1, 1981, review the Minnesota Regional Copper Nickel Study, authorized by Laws 1975, Chapter 204, and shall report to the legislature, the house committee on environment and natural resources, and the senate committee on agriculture and natural resources concerning any changes in statutory authority, administrative rules and current policies and procedures that are necessary or desirable to respond to the development of the copper and nickel resource in Minnesota, and shall propose alternative legislative policies pertaining to the development of that resource.

Sec. 182. [TRANSPORTATION FINANCE STUDY COMMISSION.] Subdivision 1. An interim transportation finance study commission is created to examine the total state transportation

system, present and future needs of the system, and the sources of transportation revenue of this state. In examining the programs of the state transportation system, the commission shall review and make recommendations regarding the need and advisability of maintenance, upgrading, and new construction after analyzing the system to determine where reductions in design would minimize economic and social costs and adverse impacts.

Subd. 2. In addition to the examination of the management and program system and its sources of revenue, the commission shall:

(a) Study and make recommendations regarding present and future finance methods and improved use of resources for the construction and maintenance of the state transportation system;

(3) Any other information concerning the possible improvement and revitalization of transportation services to those communities that the commission deems relevant; and

(c) File a report by January 1, 1981, with the legislature.

Subd. 3. The governor shall appoint five additional members representing a broad cross-section of the public interest. The compensation of non-legislator members, their removal, and the filling of vacancies shall be as provided in Minnesota Statutes, Section 15.059. The members of the commission shall be reimbursed for all expenses actually and necessarily incurred in the performance of their duties. For legislative members, reimbursement shall be made pursuant to the rules governing legislators and legislative employees. Expenses of the commission shall be approved by the chairman and the expenses shall be paid in the same manner as other state expenses are paid.

Subd. 4. The commission shall exist and act from the date its members are appointed. The commission is terminated on January 1, 1981.

Sec. 184. [NURSING HOME REIMBURSEMENT RATES.] The commissioner of public welfare shall promulgate temporary rules no later than July 1, 1980 to amend the current rules governing nursing home reimbursement to allow those nursing homes that incurred in calendar year 1979 nursing hours in excess of 2.8 hours per day for skilled nursing care or 2.2 hours per day for intermediate care to receive reimbursement for actual nursing hours up to a maximum number of 3.2 hours per day for skilled nursing care and 2.45 hours per day for intermediate care for only those cost reports submitted on or after July 1, 1980 and before July 1, 1981.

Sec. 6. Minnesota Statutes 1978, Section 15.0412, Subdivision 4, is amended to read:

Subd. 4. No rule shall be adopted by any agency unless the agency first holds a public hearing thereon, affording all affected interests an opportunity to participate, and gives notice of its intention to hold such a hearing at least 30 days prior to the date set for the hearing by United States mail, to representatives of associations or other interested groups or persons who have registered their names with the secretary of state for that purpose and in the state register. Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of rule hearings. The agency may inquire as to whether those persons on the list wish to maintain their names thereon and may remove names for which there is a negative reply or no reply within 60 days. The agency shall, at least 30 days prior to the date set for the hearing, give notice of its intention to hold hearing by United States mail to all persons on its list, and by publication in the state register. Each agency may, at its own discretion, also contact persons not on its list and may give notice of its intention to hold a hearing in newsletters, newspapers or other publications or through other means of communication. The notice in the state register shall include the full text of the rule proposed for adoption; provided that, and, when amending existing rules, whatever portion of the existing rules is necessary to provide adequate notice of the nature of the proposed action. When an entire rule is proposed to be repealed or renumbered, the agency need only publish that fact, giving the exact citation to the rule to be repealed or renumbered in the notice.

Subd. 4a. With the approval of the chief hearing examiner, the agency may incorporate by reference provisions of federal law or rule or other materials from sources which the chief hearing examiner determines are conveniently available for viewing, copying and acquisition by interested persons. The chief hearing examiner shall not approve incorporation by reference of federal law or rule or other materials which are less than 3000 words in length or which would require less than five pages of publication in the state register.

Subd. 4b. The agency shall make available at least one free copy of the proposed rule to any person requesting it. The free copy shall contain the exact wording and form of the proposed rule and notice of hearing as published in the state register and shall be available to the public at least 30 days prior to the date set for the hearing.

Subd. 4c. At the public hearing the agency shall make an affirmative presentation of facts establishing the need for and reasonableness of the rule proposed for adoption and fulfilling any relevant substantive or procedural requirements imposed on the agency by law or rule. The agency may, in addition to its affirmative presentation, rely upon facts presented by others on the

record during the rule proceeding to support the rule finally adopted.

Subd. 4d. After allowing written material to be submitted and recorded in the hearing record for five working days after the public hearing ends, or for a longer period not to exceed 20 days if ordered by the hearing examiner, the hearing examiner assigned to the hearing shall proceed to write a report as provided for in section 15.052, subdivision 3, which . If the report contains a finding that the proposed rule is substantially different from that which was proposed at the public hearing, or that the agency has not met the requirements of section 15.0412, subdivisions 4 through 4f, it shall be submitted to the chief hearing examiner for approval. If the chief hearing examiner approves the finding of the hearing examiner, he shall advise the agency of actions which will correct the defects, and the agency shall not adopt the rule until the chief hearing examiner determines that the defects have been corrected. If the chief hearing examiner determines that the need for and reasonableness of the rule has not been established pursuant to subdivision 4, clause (c), and if the agency does not elect to follow the suggested actions of the hearing examiner to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not proceed to adopt the rule until it has received and considered the advice of the commission; provided, that the agency is not required to delay adoption longer than 30 days after the commission's receipt of the agency's submission. Advice of the commission shall not be binding on the agency. The report shall be completed within 30 days after the close of the hearing record unless the chief hearing examiner, upon written request of the agency and or the hearing examiner, orders an extension. In no case shall an extension be granted if the chief hearing examiner determines that an extension would prohibit a rule from being adopted or becoming effective until after a date for adoption or effectiveness as required by statute. The report shall be available to all affected persons upon request for at least five working days before the agency takes any final action on the rule.

Subd. 4e. If the agency adopts the rule as recommended by the hearing examiner, it shall be submitted with the complete hearing record to the attorney general, who shall review the rule as to form and legality. If the agency makes changes in the rule other than those recommended by the hearing examiner, it shall submit the rule with the complete hearing record to the chief hearing examiner for a review of the changes prior to adopting it and submitting it to the attorney general for review. If the chief hearing examiner determines that the proposed final rule of the agency is substantially different from that which was proposed at the public hearing, he shall advise the agency of actions which will correct the defects, and the agency shall not adopt the rule until the chief hearing examiner determines that the defects have been corrected. If the agency, the chief hearing examiner or the attorney general requests, the hearing examiner shall cause a transcript to be prepared of the hearing. The agency shall give

notice to all persons who requested to be informed that the hearing record has been submitted to the attorney general. *This notice shall be given on the same day that the record is submitted.* The attorney general shall, within 20 days, either approve or disapprove the rule. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary, nor published.

Subd. 4f. A rule shall become effective after it has been subjected to all requirements described in ~~this subdivision~~ *subdivisions 4 through 4f* and five working days after publication in the state register, as hereinafter provided, unless a later date is required by statutes or specified in the rule. If the rule as adopted does not differ from the proposed rule as published in the state register, publication may be made by publishing notice in the state register that the rule has been adopted as proposed and by publishing a citation to the prior publication. If the rule as adopted differs from the proposed rule, the adopted rule or subdivisions thereof which differ from the proposed rule shall be published together with a citation to the prior state register publication of the remainder of the proposed rule.

Sec. 7. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 4g. *When an agency determines that its proposed adoption, amendment, suspension or repeal of a rule will be noncontroversial in nature, it may utilize the provisions herein in lieu of the provisions of subdivisions 4 through 4f. The agency shall publish a notice of its intent to adopt the rule without public hearing, together with the proposed rule, in the state register, and shall give the same notice by United States mail to persons who have registered their names with the agency pursuant to subdivision 4. When an entire rule is proposed to be repealed or renumbered, the agency need only publish that fact, giving the exact citation to the rule to be repealed or renumbered in the notice. The notice shall include a statement advising the public:*

(2) that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30 day comment period;

For at least 30 days following the notice, the agency shall afford all interested persons an opportunity to object to the lack of a hearing and to submit data and views on the proposed rule in writing. The proposed rule may be modified if the modifica-

tions are supported by the data and views submitted to the agency and do not result in a substantial change. If, during the 30 day period allowed for comment, seven or more persons submit to the agency a written request for a hearing of the proposed rule, the agency shall proceed under the provisions of subdivisions 4 through 4f. In the event that a hearing is required, a citation in the state register to the prior publication of the proposed rule may be substituted for republication unless the agency has modified the proposed rule. If no hearing is required, the agency shall submit to the attorney general the proposed rule and notice as published, the rule as proposed for adoption, any written comments received by the agency, and a statement of need and reasonableness for the rule. The agency shall give notice to all persons who requested to be informed that these materials have been submitted to the attorney general. The rule shall become effective upon publication in the state register in the same manner as provided for adopted rules in subdivision 4f. *The secretary of state shall forward one copy of each rule to the revisor of statutes.*

Subd. 5. When an agency is directed by statute, federal law or

The attorney general shall review the proposed temporary rule as to ~~form and its legality and its form to the extent the form relates to legality~~ and shall approve or disapprove the proposed temporary rule and any proposed modifications within five working days. The temporary rule shall take effect upon approval of the attorney general. *The attorney general shall file two copies of the approved rule with the secretary of state.* Failure of the attorney general to approve or disapprove within five working days shall be deemed approval. As soon as practicable notice of the attorney general's decision shall be published in the state register and the adopted rule shall be published in the manner as provided for adopted rules in subdivision 4. Temporary rules adopted under this subdivision shall be effective for not longer than 90 days and may be reissued or continued in effect for an additional 90 days, but may not immediately be reissued thereafter without following the procedure of either subdivisions 4 through 4g or 4h. *The secretary of state shall forward one copy of each approved and filed temporary rule to the revisor of statutes.*

No approved temporary rule shall be filed with the secretary of state or published in the state register unless the revisor of statutes has endorsed on the rule that it is approved as to form.

Subd. 9. The agency shall, within six months after issuance of the hearing examiner's report, either withdraw the proposed rules or publish its adopted final action in the state register. If the agency has not *both filed the rules with the secretary of state and published its adopted final action in the state register* within six months, it shall not proceed to adopt the subject rules without rehearing the rules pursuant to all the procedures of this section, and it shall report to the appropriate committees of the legislature and to the governor its failure to adopt rules and the reasons for that failure.

Sec. 50. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 10. For the purpose of obtaining the revisor's approval of the form of a rule prior to filing the rule with the secretary of state, a copy of the rule shall be submitted to the revisor at the

same time it is submitted to the attorney general as required by subdivisions 4d, 4e, and 5. Within five days the revisor shall notify the attorney general and the agency of whether he or she will approve the form of the rule when it is presented for his or her endorsement.

15.0413 [EFFECT OF ADOPTION OF RULES; PUBLICATION; APPROPRIATION.] Subdivision 1. Every rule approved by the attorney general and filed in the office of the secretary of state as provided in section 15.0412 shall have the force and effect of law five working days after its publication in the state register unless a later date is required by statute or specified in the rule. The secretary of state shall keep a permanent record of rules filed with that office open to public inspection. ~~Should a discrepancy exist between the rules published in the state register and the rules on file with the secretary of state, the rules on file with the secretary of state shall have effect.~~

Sec. 52. Minnesota Statutes 1978, Section 15.05, is amended to read:

15.05 [PUBLICATION ACCOUNT.] An administrative rules and A state register publication account is created in the state treasury. All receipts from the sale of rules and the state register shall be deposited in the account. All funds in the administrative rules and state register publication account in the state treasury are appropriated annually to the commissioner of administration to carry out the provisions of sections 15.047 and section 15.051.

Sec. 53. Minnesota Statutes 1978, Section 15.051, Subdivision 1, is amended to read:

15.051 [STATE REGISTER.] Subdivision 1. **[PURPOSE.]** The commissioner of administration shall publish a state register containing all notices for hearings concerning rules, giving time, place and purpose of the hearing and the full text of the action being proposed. Further, the register shall contain all rules, amendments, suspensions, or repeals thereof, pursuant to the provisions of this chapter. The commissioner shall further publish any executive order issued by the governor which shall become effective 15 days after publication except as provided in section 4.035, subdivision 2. The commissioner shall further publish any official notices in the register which a state agency requests him to publish. Such notices shall include, but shall not be limited to, the date on which a new agency becomes operational, the assumption of a new function by an existing state agency, or the appointment of commissioners. The commissioner may prescribe the form, *excluding the form of the rules*, and manner in which agencies submit any material for publication in the state register, and he may withhold publication of any material not submitted according to the form or procedures he has prescribed.

The commissioner of administration may organize and distribute the contents of the register according to such categories

as will provide economic publication and distribution and will offer easy access to information by any interested party.

Sec. 54. Minnesota Statutes 1978, Section 15.051, Subdivision 3, is amended to read:

Subd. 3. [SUBMISSION OF ITEMS FOR PUBLICATION.] Any state agency which desires to publish a notice of hearing, rule or regulation or change thereof shall submit a copy of the entire document, including dates when adopted, and filed with the secretary of state, to the commissioner of administration in addition to any other copies which may be required to be filed with the commissioner by other law.

The revisor of statutes shall provide assistance to the commissioner if requested. Alternatively, the commissioner may designate a contract compositor to whom the assistance is to be supplied. The assistance, in either case, shall consist of furnishing a machine readable computer tape, or similar services, for rules which are available in the revisor's computer data base and for which a written copy has been submitted by an agency to the commissioner for publication in the state register.

Sec. 55. Minnesota Statutes 1978, Section 648.31, is amended by adding a subdivision to read:

Subd. 6. [AGENCY RULES.] *The revisor may integrate agency rules adopted pursuant to Minnesota Statutes, Section 15.0412, Subdivisions 4, 4a to 4h, and 5, into the Minnesota Statutes, or publish the rules as an adjunct to the Minnesota Statutes, or coordinate publication of the rules with the Minnesota Statutes.*

Sec. 56. Minnesota Statutes 1978, Section 648.43, is amended to read:

648.43 [PAMPHLETS AUTHORIZED.] ~~The commissioner of administration is required to~~ *revisor of statutes shall compose, print and deliver in pamphlet form such editions or pamphlets containing parts of the Minnesota Statutes, parts of Minnesota Rules, or combinations of parts of the Statutes and Rules as may be necessary for the use of public officers and departments, the cost thereof to be borne by the office or department requesting the same pamphlets. Such* ~~The printing shall be discretionary, limited to actual needs as shown by experience or other competent proof. The revisor shall use a standard form for the pamphlets.~~

Sec. 57. [648.50] [COMPILATION AND DRAFTING OF ADMINISTRATIVE RULES.] *Subdivision 1. The revisor of statutes shall:*

(a) formulate a plan for the compilation of all permanent agency rules and, to the extent practicable, temporary agency rules, including their order, classification, arrangement, form, and indexing, and any appropriate tables, annotations, cross references, citations to applicable statutes, explanatory notes and other appropriate material to facilitate use of the rules by the public, and for the compilation's composition, printing, binding and distribution;

(b) publish the compilation of agency rules which shall be called "Minnesota Rules" for the year of the compilation's publication;

(c) periodically either publish a supplement or a new compilation, which includes all rules adopted since the last supplement or compilation was published and removes rules incorporated in prior compilations or supplements which are no longer effective;

(d) periodically prepare and submit to the appropriate agency those revisions of the rules, which will, if adopted by the agency, in accordance with section 15.0412, subdivisions 4a to 4g, clarify, modernize or simplify the text of the rule without substantive alteration;

(e) maintain an agency rules drafting department to draft or aid in the drafting of rules or amendments to rules for any agency in accordance with the objective or other instructions which the agency shall give the revisor;

(f) prepare and publish an agency rules drafting guide which shall set out the form and method of drafting rules and amendments to rules, and to which all rules shall comply; and

(g) copyright any compilations and or supplements in the name of the state of Minnesota.

Subd. 2. The revisor of statutes shall file with the secretary of state one copy of each compilation or supplement which is published. The copy shall contain the revisor's certificate that the rules contained in the compilation or supplement have been compared to the original rules filed with the secretary of state and are correctly incorporated into the compilation.

Subd. 3. Any compilation or supplement published by the revisor and containing his certificate is prima facie evidence of the administrative rules in all courts and proceedings. A compilation or supplement shall not be construed as repealing an unpublished rule. If there is any inconsistency through omission or otherwise between a compilation or supplement, the state register, and a rule filed with the secretary of state, the rule filed with the secretary shall prevail.

Subd. 4. In preparing a compilation or supplement, the revisor shall not alter the sense, meaning or effect of any rule, but may renumber rules, paragraphs, clauses or other parts of a rule; combine or divide rules, paragraphs, clauses or other parts of a rule; rearrange the order of rules, paragraphs, clauses, or other parts of a rule; move paragraphs, clauses, or other parts of a rule to another rule; change reference numbers to agree with renumbered rules, paragraphs, clauses or other parts of a rule; substitute the proper rule, paragraph, clause, or other part of a rule for the term "this rule", "the preceding rule" and the like; substitute numbers for written words and written words for numbers; substitute the date on which the rule becomes effective for the words "the effective date of this rule", and the like; change capitalization for the purpose of uniformity; correct manifest clerical or typograph-

ical errors; correct all misspelled words; and correct manifest grammatical and punctuation errors.

The revisor shall provide headnotes as catch words to rules and, if appropriate, to paragraphs, clauses, or other parts of a rule. The headnotes are not part of the rule even if included with the rule when it is adopted. The revisor shall change headnotes to clearly indicate the subject matter of the rules.

Subd. 5. Insofar as economically feasible, the revisor shall utilize the same equipment, computer assistance and procedures for drafting agency rules and publishing compilations and supplements as for preparing bill drafts and statutory publications.

Subd. 6. In determining the form of rules the revisor shall:

(a) minimize duplication of statutory language;

(b) not permit incorporations into the rules by reference of publications which are not conveniently available to the public;

(c) to the extent practicable, use plain language in rules and avoid technical language; and

(d) amend rules by showing the text of the rule, paragraph, clause, or other part of a rule being amended, as it is shown in the latest compilation or supplement, or, if not yet published in a compilation or supplement, then as the text is shown in the state register, with changes shown by striking and underlining words.

Subd. 7. Any compilation, reissue, or supplement published by the revisor shall be sold by the revisor for a reasonable fee and its proceeds deposited in the general fund. An agency shall purchase from the revisor the number of copies of the compilation or supplement needed by the agency. The revisor shall provide one copy of any compilation or supplement to all Minnesota county libraries and to any public library upon its request.

Sec. 58. [648.51] [PUBLICATION OF MINNESOTA RULES.] Notwithstanding any provision of law to the contrary, the revisor of statutes may obtain competitive bids from and enter into contracts with the lowest responsible bidder for compiling, editing, indexing, composition, printing, binding, distribution, or other services, if the work either cannot be performed by the revisor or it is uneconomical for the revisor to do so.

Sec. 59. The department of administration may not, as part of publishing the Minnesota Code of Agency Rules, renumber rules or compile them in a form different from that adopted by an agency. This limitation does not restrict an agency from renumbering or recompiling its own rules in accordance with the procedures of chapter 15. If it is determined by the commissioner of administration and the revisor of statutes that the product will be compatible with work to be done by the revisor under sections 50 to 69, the department may complete any work currently in progress to create a computer data base of agency rules. If com-

pleted, a computer tape of the completed data base and a printed copy shall be delivered to the revisor of statutes.

Sec. 60. *In the next and subsequent editions of Minnesota Statutes the revisor of statutes shall substitute the term "office of administrative hearings" for "office of hearing examiners" in every place where the latter term is used.*

Sec. 61. [REPEALER.] *Minnesota Statutes 1978, Sections 5.21, and 15.0423 are repealed.*

Sec. 62. [REPEALER.] *Minnesota Statutes 1978, Section 15.047, is repealed.*

Sec. 63. [EFFECTIVE DATE.] *Sections 1, 2, 5, 24, and 34 are effective the day after final enactment. Section 3 is effective on August 1, 1981. Section 7 is effective on September 1, 1980. Section 8 is effective on July 1, 1980. Any variance to a rule granted by an agency prior to the effective date of section 3 is valid notwithstanding the fact that the agency had not promulgated a rule governing the granting of variances at the time the variance was granted. Sections 39 to 51 and 53 to 59 are effective July 1, 1981, except that section 57, subdivision 1, clause (a) is effective July 1, 1980. Sections 52 and 62 are effective July 1, 1982.*

Sec. 64. *A law enacted at the 1980 regular session styled as H.F. No. 1121, Article XII, Section 9, is amended to read:*

Sec. 9. [CONTESTED CLAIMS PROCEDURE.] Subdivision 1. ~~If a claimant agency, except for a public agency responsible for child support enforcement, receives written notice of a debtor's intention to contest at hearing the claim upon which the intended set-off is based, it shall initiate a hearing according to contested case procedures established in the state administrative procedure act not later than 30 days after receipt of the debtor's request for a hearing. The public agency responsible for child support enforcement shall provide for hearing in the manner prescribed by Minnesota Statutes, Section 256.045.~~

This amendment is effective notwithstanding that H.F. No. 1121 may be approved or effective at a time later than this section. This section is effective the day after final enactment."

That the Senate recede from its amendments and that H. F. No. 2304 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE I

INITIATIVE AND REFERENDUM

Section 1. Subdivision 1. An amendment to the Minnesota Constitution is proposed to the people. If the amendment is adopted, a new section shall be added to Article IV, which shall read:

Sec. 27. [INITIATIVE AND REFERENDUM.] A law may be initiated or referred for repeal upon petition by eligible voters. An initiative or referendum measure shall be placed on the ballot at a general election if petitions for the measure are signed by eligible voters in each congressional district of the state in a number not less than five percent of the number of persons who voted at the last general election in that congressional district. An initiative or referendum measure shall be adopted upon the affirmative vote of a majority of those voting on the question. The voters may not initiate or refer for repeal a constitutional amendment, an appropriation or a special law.

The governor shall have no power to approve or veto an initiative or referendum measure adopted by the voters.

No law adopted by initiative shall be amended or repealed and no law repealed by referendum shall be reenacted by the legislature until another general election has intervened.

The sponsors of an initiative or referendum measure, if the legislature enacts a law with a similar scope and purpose, may elect to place the measure on the ballot or to abandon the measure. If the measure is not abandoned, the legislature may submit the law which it has enacted to a vote of the people in the same manner as an initiative or referendum measure at the election at which the initiative or referendum measure is submitted. If a law enacted by the legislature is submitted to the people at the same election as an initiative or referendum measure, it shall not be subject to veto by the governor and it shall not be effective unless approved by a majority of those voting on the question.

The legislature shall implement the provisions of this section by law.

This section expires January 1, 1985.

Sec. 2. The amendment proposed in section 1 shall be submitted to the people at the 1980 general election. The question submitted shall be:

“Shall the Minnesota Constitution be amended to provide for initiative and referendum?”

Yes

No

Sec. 3. [3B.01] [CITATION.] Sections 3 to 30 may be cited as “The Initiative and Referendum Implementation Act”.

Sec. 4. [3B.02] [DEFINITIONS.] Subdivision 1. The words defined by this section shall, when used in sections 3 to 30, have the meanings given them.

Subd. 2. “General election” is as defined in section 200.02, subdivision 2.

Subd. 3. “Measure” means the proposed law in an initiative petition or the law proposed to be repealed in a referendum petition.

Subd. 4. “Petition drive” means the organized process by which the sponsors and their authorized agents solicit eligible voters to sign initiative or referendum petitions.

Subd. 5. “Eligible voter” has the meaning provided in section 200.02, subdivision 25.

Subd. 6. “Sponsors” means the persons specified by section 5, subdivision 2, clause (a).

Sec. 5. [3B.03] [PREPARATION FOR PETITIONING ON AN INITIATIVE OR REFERENDUM MEASURE.] Subdivision 1. Before circulation of any petitions to have an initiative or referendum measure placed on the ballot, the sponsors shall file a declaration with the secretary of state not later than March 1 of an odd numbered year.

Subd. 2. The declaration shall:

(a) State the names, mailing addresses and any business or residential phone numbers of not less than 50 eligible voters with an indication of who is the chairman and who is the treasurer;

(b) State the name and mailing address of all committees, groups or organizations known to the sponsors who intend to support the petition drive on the measure or otherwise aid the sponsors;

(c) Give a description of the intent or purpose if an initiative or referendum measure;

(d) For a referendum measure, give a precise citation of the law, or portion of a law, which the sponsors seek to have referred. The citation shall be to the Laws of Minnesota, by chapter and, if appropriate, section number, or to the chapter, section or subdivision if the latest edition of Minnesota Statutes;

(e) State a short title by which the sponsors want the initiative or referendum measure to be identified and which is not misleading; and

(f) State the name, address and phone number of a person who is generally available to work on the final form and wording of the measure and is authorized to approve its final form and wording.

Subd. 3. The secretary of state shall provide a sample declaration form.

Subd. 4. The sponsors shall pay to the secretary of state a filing fee of \$200 which shall be deposited in the general fund.

Sec. 6. [3B.04] [ADVICE BY REVISOR OF STATUTES.]
Subdivision 1. The secretary of state shall immediately forward one copy of each declaration provided for in section 5 to the revisor of statutes. The secretary of state shall also advise the sponsors to consult with the revisor.

Subd. 2. The revisor of statutes shall, within 42 days after the filing of the declaration, prepare a final draft of an initiative or referendum measure. The intent and purpose may be amplified or refined by the sponsor authorized in the declaration to approve the form and wording of the measure. The revisor shall advise that sponsor as to the measure's constitutionality, and the best form of the measure to accomplish the sponsors' intent and purpose. However, if the revisor and the sponsors disagree as to the best form and content of the measure to accomplish the sponsors' intent and purpose, or disagree as to constitutionality, the directions of the sponsors shall prevail. All discussions by the revisor with the sponsors shall be treated by the revisor as confidential. If, after consulting with the revisor, the sponsors do not desire the revisor's assistance, they shall sign a written waiver of assistance. The waiver shall then be filed with the secretary of state and the revisor, together with a final draft of the initiative or referendum measure prepared by the sponsors. Together with the final draft prepared by the revisor, or within seven days after receiving the waiver and final draft prepared by the sponsors, the revisor shall furnish the sponsors and the secretary of state with a summary of the measure to be proposed to the people.

Subd. 3. The form of initiative and referendum measures shall conform to the form of bills considered by the legislature. The enacting clause shall be "BE IT ENACTED BY THE PEOPLE OF THE STATE OF MINNESOTA". No initiative or referendum measure shall embrace more than one subject. The measure may not provide for the form of the ballot question by which it would be submitted to the electors.

Subd. 4. If the sponsors, within 63 days after filing their declaration have not filed with the secretary of state either the revisor's final draft of the measure or their waiver of assistance from the revisor and a final draft of the measure prepared by them, the petition drive shall be deemed abandoned.

Sec. 7. [3B.05] [PETITIONS FOR INITIATIVE OR REFERENDUM.] *Subdivision 1. Each initiative or referendum petition shall consist of as many copies as the sponsors print, each of which shall be not more than one sheet of paper and contain the following on the front:*

(a) In not less than 24 point bold type on a 30 point body at the top of the front page, the printed words "OFFICIAL INITIATIVE (OR REFERENDUM) PETITION";

(b) The short title by which the initiative or referendum measure is to be identified and the chairman of the sponsors;

(c) The summary of the measure prepared by the revisor;

(d) A statement that a verbatim copy of the initiative or referendum measure is available for public examination at the office of the secretary of state or any county auditor; and

(e) Space for eligible voters to sign the petition including space for the signature, printed name, telephone number, mailing address, county and congressional district of residence and an indication of status as eligible voter.

Subd. 2. On the front or back of each petition shall be an affidavit for the person circulating the petition which shall include his name, mailing address, and phone number; indicate that he circulated the petition; indicate that to the best of his knowledge each of the signers is an eligible voter and resident in the county and congressional district indicated; identify the sponsors on whose behalf the petition was circulated; and state the period during which it was circulated.

Subd. 3. At the time the final draft of the initiative or referendum measure is filed with the secretary of state, as provided by section 6 the sponsors shall also file a copy of the petition with the secretary of state. Within seven days the secretary shall examine the petition and determine whether it complies with this section. If the petition complies, the secretary shall approve it and notify the sponsors. If the secretary finds that the form of the petition is not in compliance, he shall disapprove it and order it redrafted. The secretary shall notify the sponsors that the petition is not in compliance with the law and specify what changes are necessary to bring it into compliance. Failure to refile a new peti-

tion drafted in accordance with the secretary's instructions not later than seven days after the secretary's notice constitutes abandonment of the petition drive. Upon refileing, the secretary shall again examine the petition for its compliance with this section and approve it or again reject it within seven days after the refileing. The petition may subsequently be refiled until it is found to comply with the law and rules.

Subd. 4. The secretary of state shall, within seven calendar days after approving the initiative or referendum petition, send to the county auditor in each county a verbatim copy of the initiative or referendum measure as on file in his office.

Sec. 8. [3B.06] [TIME OF CIRCULATION OF INITIATIVE OR REFERENDUM PETITIONS; VOLUNTARY ABANDONMENT.] Subdivision 1. Initiative and referendum petitions may only be circulated on those days of odd numbered years which are more than eight calendar days after the date of the secretary of state's approval of the petition. This limitation shall not prevent the sponsors from undertaking organizational activity or completing the procedures of sections 5, 6 or 7 prior to the time petitions are circulated.

Subd. 2. The sponsors may voluntarily abandon the petition drive any time before December 31 of the year in which the petitions are filed or the date on which the petition is certified by the secretary of state as provided in section 14, whichever occurs first. To abandon the drive, a declaration to that effect shall be filed with the secretary of state. The filing of the declaration shall not prevent other sponsors from beginning a similar or identical petition drive. All petitions signed prior to the declaration are invalid upon the filing of the declaration and may not subsequently be utilized by the new sponsors.

Subd. 3. Petitions which are signed but never filed, or which are filed but the number of signatures is later determined to be insufficient, are invalid on June 1 after the year in which they were signed. The petitions may not be used for similar or identical petition circulation efforts in subsequent years.

Sec. 9. [3B.07] [AMOUNT OF SIGNATURES FOR INITIATIVE OR REFERENDUM.] An initiative or referendum measure shall be placed on the ballot if petitions for the measure are signed by eligible voters in each congressional district of the state in a number not less than five percent of the number of persons who voted at the last general election in that congressional district. For the purpose of determining the number of persons who voted at the last general election, when an election precinct contains more than one congressional district the number of persons voting at the last general election in that precinct shall be the number of persons who voted for the office of representative in congress in that portion of the precinct.

Sec. 10. [3B.08] [FILING OF PETITIONS.] The sponsors shall file the signed petitions with the secretary of state not later than October 1 of the year in which the petitions were circulated. Be-

fore filing the signed petitions the sponsors shall securely bind them together.

Only the sponsors, or those authorized in writing by the sponsors, may file petitions.

Sec. 11. [3B.09] [PETITIONS RECEIVED BY SECRETARY OF STATE AND SIGNATURES COUNTED.] *The secretary of state shall determine the total number of signatures on the petitions filed and shall, not later than October 10, give written notification to the sponsors of the number of signatures in each congressional district. If the number of signatures filed is less than the minimum number of signatures required in a congressional district, petitions for additional signatures may be circulated for one additional period of 21 days commencing from the date of notification.*

Sec. 12. [3B.10] [VERIFICATION OF PETITIONS.] *Subdivision 1. Not later than December 31 of the year in which the petitions were signed the secretary of state shall determine whether a sufficient number of valid signatures has been obtained. The secretary may verify signatures by the random sampling method provided in section 13. County auditors shall assist the secretary in verifying signatures, at the secretary's request. Any eligible voter may challenge the number or validity of signatures on the petition. The secretary of state shall determine the contest of the number or validity of signatures by an eligible voter.*

Subd. 2. A signature is valid when:

- (a) It is signed by the person named;*
- (b) It is voluntarily signed;*
- (c) The signatory is an eligible voter;*
- (d) The signatory is a resident of the congressional district indicated on the petition; and,*
- (e) The signature is identifiable.*

Subd. 3. An eligible voter contesting the sufficiency or validity of signatures shall file a protest within the time provided in subdivision 1 for the secretary of state to verify the petitions or within seven days of the determination of the secretary of state under subdivision 1, whichever occurs earlier. The protest shall include a brief statement of the evidence of insufficiency or invalidity. If an eligible voter contests the sufficiency or validity of signatures in bad faith, he may be assessed costs of the contest up to a maximum of \$200. The secretary of state shall hear evidence and determine contests within 21 days after the protest is filed.

Subd. 4. If the secretary of state determines that the number of valid signatures is less than the number required, he shall so notify the sponsors and petitions for additional signatures may be circulated for an additional period of 21 days, in the case of a determination of an actual number deficiency, or 35 days, in the

case of an estimated number deficiency, commencing from the date of notification. The secretary shall verify a random sample of the additional signatures within 10 days of receiving them. If the verification from the random sample of the additional signatures does not show that the total number of valid signatures on the additional petitions is 100 percent or more of the deficiency, the secretary shall notify the sponsors. No further action shall then be taken on the petitions.

Sec. 13. [3B.11] [RANDOM SAMPLING METHOD OF SIGNATURE VERIFICATION.] Subdivision 1. A sample of signatures to be verified shall be drawn in such a manner that every signature filed with the secretary of state shall be given an equal opportunity to be included in the sample. The sample shall include five percent of the signatures.

Subd. 2. If the verification from the statistical sample shows that the total number of valid signatures on all the petitions is 100 percent or more of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for each congressional district, the secretary of state shall determine the number of valid signatures to be sufficient. The number of valid signatures shall be determined by taking the total number of signatures filed in each congressional district and multiplying it by the percentage of signatures in the statistical sample which were found to be valid. In calculating the number of valid signatures, any fractions shall be rounded up to one.

Subd. 3. If the verification from the statistical sample shows that the number of valid signatures is less than 100 percent of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for each congressional district, the secretary of state shall determine that the number of petition signatures is insufficient. The secretary shall give the sponsors written notice of what percentage of the signatures is valid.

Sec. 14. [3B.12] [CERTIFICATION BY SECRETARY OF STATE.] If the number of petition signatures from each congressional district meets the minimum number required, the secretary of state shall certify the sufficiency of the initiative or referendum petitions to the sponsors and all county auditors. The question of adoption of a proposed law in an initiative petition or of repeal of a law in a referendum petition shall then be placed on the ballot for the general election. The secretary of state's certificate shall state the wording of the question to be placed on the ballot. The executive council shall recommend to the secretary of state a wording for the question. The ballot question shall be a true and impartial statement of the intent and purpose of the initiative or referendum measure. It shall be in similar form as a ballot question for a legislative proposal of a constitutional amendment.

Sec. 15. [3B.13] [ABANDONMENT OF INITIATIVE OR REFERENDUM.] The sponsors of an initiative or referendum measure may abandon the measure after the sufficiency and

validity of the petition is certified by the secretary of state and before June 1 of the even numbered year after the petition is filed, if the legislature has enacted a law with a similar scope and purpose during that period. The measure is abandoned if four-fifths of the sponsors sign a written declaration abandoning the measure and the declaration is filed with the secretary of state. If an initiative or referendum measure is abandoned as provided in this section it shall not be placed on the ballot and the petition shall not be effective to initiate any other proposed law or refer any other existing law.

Sec. 16. [3B.14] [PLACEMENT OF LAW ON BALLOT.] *If an initiative or referendum petition has been certified so that an initiative or referendum measure will appear on the ballot at the next general election and the legislature enacts a law with a scope and purpose similar to that of the initiative or referendum measure during its regular session in that general election year, the legislature may place that law on the ballot in the manner provided for an initiative or referendum measure under section 14. The law shall appear on the ballot as provided by the legislature unless the initiative or referendum measure is abandoned as provided in section 15.*

Sec. 17. [3B.15] [NUMBERING OF BALLOT MEASURES.] *The secretary of state shall number in consecutive order each initiative or referendum ballot measure with the wording "BALLOT QUESTION . . .". Ballot questions shall be numbered sequentially starting from the number one for the first ballot question certified to be placed on the ballot after the effective date of this section. Ballot questions which are certified to appear on the ballot in general elections in subsequent years shall be numbered sequentially beginning with the first number after the number of the last ballot question at the last general election. The order shall be assigned by the secretary of state in the order that it is finally determined that each question will be placed on the statewide ballot at the next general election.*

Sec. 18. [3B.16] [BALLOTS, VOTING AND CANVASSING OF INITIATIVE OR REFERENDUM QUESTIONS.] *On all initiative and referendum measures, the ballots shall be prepared, voting conducted, results canvassed, contests conducted and results certified as provided by chapters 200 to 209.*

Sec. 19. [3B.17] [TIME OF ELECTION ON INITIATIVE AND REFERENDUM QUESTIONS.] *Voting upon initiative or referendum questions shall be held only at a general election.*

Sec. 20. [3B.18] [SIMULTANEOUS PETITIONS FOR INITIATIVE MEASURES.] *Nothing shall prevent multiple simultaneous petition drives involving identical initiative or referendum measures whether by the same or different sponsors. However, the first determination by the secretary of state of the sufficiency of the signatures for one measure shall automatically constitute abandonment of the other petition drives as of the date of the secretary's determination.*

Sec. 21. [3B.19] [COSTS OF COUNTY AUDITORS TO VERIFY SIGNATURES.] *Subdivision 1. The state of Minnesota shall reimburse all county auditors for all reasonable costs of assisting in the verification of signatures on initiative or referendum petitions.*

Subd. 2. Each year prior to May 1, each auditor shall submit to the secretary of state a verified statement of expenditures incurred in the previous calendar year. The statement shall specify how all costs were incurred.

Subd. 3. The secretary of state shall, within 30 days after receipt of each auditor's statement, pay to each county auditor the costs which the secretary determines are reasonable.

Subd. 4. The secretary of state shall, by rule, provide for the standards of what costs will be reimbursed by the state.

Sec. 22. [3B.20] [RESOLUTION OF CONFLICTS BETWEEN INITIATIVE OR REFERENDUM MEASURES.] *Subdivision 1. Nothing shall prevent petitioning for measures which are apparently in substantial conflict.*

Subd. 2. If two or more measures which substantially conflict are adopted by a vote of the people, including a measure placed on the ballot by the legislature, the one receiving the highest number of affirmative votes shall be effective. In the event that it is finally determined that the measures received an equal number of affirmative votes, neither measure shall become effective, but they shall again be placed on the ballot at the next general election.

Subd. 3. A petition may be filed with the district court by any eligible voter alleging that two or more adopted measures substantially conflict. A copy of the petition shall be served upon the sponsors and upon the attorney general. The district court shall issue its findings and conclusions within 60 days of the filing of the petition.

Subd. 4. The district court shall find that two or more measures substantially conflict when any material provision in one measure is irreconcilable with a material provision in another measure. Upon a finding that any provisions of measures substantially conflict, the district court shall find that the entire measures conflict and state which measure prevails under the provisions of subdivision 2.

Sec. 23. [3B.21] [PUBLICATION OF ADOPTED INITIATIVE MATTERS.] *Subdivision 1. Initiative or referendum measures which are adopted by the people shall be published by the revisor of statutes in the laws of Minnesota for the legislative session for the year subsequent to the year of the election at which the law is adopted. Initiative and referendum measures shall be placed in a separate section of the Laws of Minnesota and given chapter numbers by the revisor of statutes distinctive from the chapter numbers given legislative enactments by the secretary of state.*

Subd. 2. If an initiative or referendum measure is adopted by the people, the revisor of statutes may incorporate it into the next edition of the Minnesota Statutes or the supplement to the Minnesota Statutes in the same manner as for legislative enactments.

Sec. 24. [3B.22] [LITERATURE MUST INCLUDE NAMES.] *Any person or committee who shall publish, issue, post, circulate, or cause to be published, issued, posted, circulated, other than in a newspaper as provided in section 25, any literature, campaign material, or any publication, including cards, pamphlets, flyers, signs, banners, leaflets, announcements, or other material tending to influence desire to sign or refusal to sign an initiative or referendum petition or the voting at an election on a ballot issue, which fails to prominently display the name and mailing address of the author, the name of the person or committee in whose behalf the same is published, issued, posted, or circulated, and the name and mailing address of any other person or committee causing the same to be published, issued, posted, circulated, or broadcasted shall be guilty of a misdemeanor.*

Sec. 25. [3B.23] [PAID ADVERTISEMENTS IN NEWS.] *Subdivision 1. No publisher of a newspaper, periodical, or magazine shall insert in that newspaper, magazine, or periodical, and no radio or television station shall broadcast any matter paid or to be paid for which tends or is intended to influence directly or indirectly the desire to sign or refusal to sign an initiative or referendum petition or any voting at an election on a ballot issue unless it is prominently indicated that it is a paid advertisement. There shall also be a statement of the amount paid or to be paid, or a statement that the same is to be paid at regular advertising rates, the name of the person or committee in whose behalf the matter is inserted or broadcast and of any other person or the names of the officer and the committee authorizing the publication.*

Subd. 2. To the extent that any person sells either advertising space or broadcast time used on behalf of any measure, the charges made shall not exceed the charges made for any other comparable purpose or use according to the seller's rate schedule.

Sec. 26. [3B.24] [DISCLOSURE TO ETHICAL PRACTICES BOARD.] *For the purpose of section 10A.01, subdivision 15, "political committee" includes any association organized to promote or defeat a ballot question, including the sponsors of a petition as defined by section 4, subdivision 6, and any association that gives implicit or explicit consent for any other person to receive contributions or make expenditures to promote or defeat a ballot question.*

Sec. 27. [3B.25] [PROHIBITIONS.] *Subdivision 1. No person shall:*

(a) Be paid compensation for signing an initiative or referendum petition;

(b) Willfully refuse to file a statement of expenses regarding an initiative or referendum measure when required by law;

(c) Publish any literature, campaign material or any publication including cards, pamphlets, flyers, signs, banners, leaflets, or other material or any radio or television broadcast regarding an initiative or referendum measure which does not bear the identification required by law;

(e) File a petition for an initiative or referendum measure with the secretary of state without the written authorization of the sponsors;

(f) Induce a person to sign a petition by fraud, force or the threat of force;

(g) Pay compensation for signing an initiative or referendum petition;

(h) Publish or broadcast any information regarding an initiative or referendum measure with knowledge that it is false and which tends to substantially affect adoption or rejection of the measure when the publication or broadcast is undertaken primarily for the purpose of influencing adoption or rejection;

(i) Sign a petition with a name other than his own name; or

(j) Intentionally sign the same petition more than once.

Subd. 2. Any person violating any provision of subdivision 1, clauses (a), (b), (c), (d) or (e) is guilty of a misdemeanor. Any person violating any provision of subdivision 1, clauses (f), (g), (h), (i) or (j) is guilty of a gross misdemeanor.

Sec. 28. [3B.26] [ACTION BY AND NOTIFICATIONS TO SPONSORS.] Subdivision 1. Only sponsors, or those authorized by them in writing, may file any required document or statement regarding initiative or referendum petitions, measures or campaigns including election contests or petition signature count or validity contests.

Subd. 2. The signature of the chairman, of the sponsors, or a person authorized in writing by the chairman, is sufficient to authorize the filing of any statement or document required by law. If the chairman authorizes another person to file any statement or document, a copy of the authorization shall be attached to the filed statement or document.

Subd. 3. If notice is required to be given to the sponsors, it shall be given to those persons provided in subdivision 2 who may authorize any filing.

Sec. 29. [3B.27] [DATES OF ACTIONS.] Subdivision 1. In sections 3 to 30, whenever an action is required to be taken on a specified date or by the end of an elapsed number of days, and that day is a Saturday, Sunday or a legal holiday, the action shall be accomplished on the next day which is not a Saturday, Sunday or a legal holiday.

Subd. 2. In sections 3 to 30, whenever a document is required to be filed or received, only physical deposit of the document with the indicated person constitutes filing or receipt. A mailing date within the time period is not sufficient.

Sec. 30. [3B.28] [JUDICIAL REVIEW OF INITIATIVE OR REFERENDUM MATTERS.] *Subdivision 1. The district court shall have original jurisdiction of any suit involving:*

(a) the sufficiency of the number or validity of signatures on petitions after the administrative determinations by the secretary of state have been exhausted; or,

(b) resolution of conflicts between initiative or referendum measures as provided by section 22; or,

(c) any suit alleging the unconstitutionality of an adopted initiative or referendum measure.

Subd. 2. Venue for all suits and criminal prosecutions involving initiative or referendum matters shall be in the district court in Ramsey County.

Subd. 3. Suits contesting a final administrative determination of the number or validity of signatures on petitions shall be filed not later than 10 calendar days after the final determination.

Suits involving conflicts between initiative or referendum measures shall be filed prior to the effective date of the initiative or referendum measures.

Subd. 4. A court may defer the effective date of an adopted initiative or referendum measure when a deferral, in the discretion of the court, is found to be in the interest of justice.

Sec. 31. Minnesota Statutes 1978, Section 10A.20, is amended by adding a subdivision to read:

Subd. 2a. In addition to the reports required by subdivision 2, a political committee organized to promote or defeat a ballot question shall also file reports not later than five days after a petition to place the question on the ballot is certified pursuant to section 14.

Sec. 32. Minnesota Statutes 1978, Section 203A.31, Subdivision 2, is amended to read:

Subd. 2. [STATE PINK AND BLUE BALLOTS.] *There shall be one ballot on pink paper, hereinafter called the "pink ballot," upon which all propositions and questions constitutional amendments to be voted upon throughout the state shall be printed so that the voters may indicate by a mark (X) either a negative or affirmative vote. All initiative or referendum ballot questions shall be on one blue ballot. The order of the questions shall be in the order of their sequential numbers assigned pursuant to section 17. In preparing the pink ballot and blue ballots the secretary of state shall apply an appropriate title to each proposition and question, which title shall be approved by the attorney general, and shall consist of not more than one printed line above the proposition or*

question to which it refers. At the head of the ballot or in some other prominent place on the ballot there shall be printed conspicuously After each question on a constitutional amendment shall be printed a notice stating in substance that a voter's failure to vote on a constitutional amendment has the effect of a negative vote. The pink ballots shall be deposited in a separate pink ballot box. The blue ballots shall be deposited in a separate blue ballot box. They shall be counted, canvassed and returned as in the case of white ballots, and the tally books and return blanks shall provide suitable columns and spaces therefor. The total of the "yes" votes, the total of the "no" votes, and the total number of votes cast shall be reported in the returns.

(d) (4) In each calendar year during the period in which state senators serve a four year term, 23 $\frac{1}{3}$ percent for the office of state senator and 46 $\frac{2}{3}$ percent for the office of state representative;

(e) (5) In each calendar year during the period in which state senators serve a two year term, 35 percent each for the offices of state senator and state representative;

(f) (6) To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, moneys from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive moneys from his party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula;

For each county within his district the candidate's share of the dollars allocated in that county to his party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in his district for all candidates of his party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general

election for all candidates of his party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in his party account allocated in that county and set aside for the candidates for the office for which he is a candidate.

The sum of all the county shares calculated in the formula above is the candidate's share of his party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, "last general election" means the last general election in which the name of a candidate of that party appeared on the ballot in each voting precinct in the state.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Moneys Money from any a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) of this subdivision in the following year. Moneys from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.
