[CLAIMANT.] “Claimant” means a person, other than a dependent, who filed a claim authorized by sections 290A.01 to 290A.20 and who was domiciled in this state during the calendar year for which the claim for relief was filed. In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, are payable at some time during the calendar year covered by the claim. “Claimant” shall not include a resident of a nursing home, intermediate care facility, or long term residential facility whose rent constituting property taxes is paid pursuant to the supplemental security income program under Title XVI of the social security act, the Minnesota supplemental aid program under sections 256D.35 to 256D.41, the medical assistance program pursuant to Title XIX of the social security act, or the general assistance medical care program pursuant to section 256D.03, Subdivision 3. If only a portion of the rent constituting property taxes is paid by these programs, the resident shall be a claimant for purposes of this chapter, but the refund calculated pursuant to section 290A.04 shall be multiplied by a fraction, the numerator of which is income as defined in subdivision 3 reduced by the total amount of income from the above sources other than vendor payments under the medical assistance program or the general assistance medical care program and the denominator of which is income as defined in subdivision 3 plus vendor payments under the medical assistance program or the general assistance medical care program, to determine the allowable refund pursuant to this chapter. In the case of a claim for rent constituting property taxes of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. ~~When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.~~ If a homestead property owner was a part year resident, the income reflected in the computation made pursuant to section 290A.04 shall be for the entire calendar year, including income not assignable to Minnesota.

Except as provided in section 290A.05, if a homestead is occupied by two or more renters or joint tenants or tenants in common, who are not husband and wife, the rent or property taxes shall be deemed to be paid equally by

each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Sec. 5. Minnesota Statutes 1982, section 290A.03, subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to section 273.13, subdivisions 6, 7 and 14a, but after deductions made pursuant to sections 124.2137, 273.115, 273.116, 273.135, 273.139, and 273.1391 in any calendar year. No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include 23 percent of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services. ~~When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.~~ Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable", the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivisions 6, 7, or 14a on or before June 1 of the year in which the "property taxes payable" were levied; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made prior to July 1 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

~~For property taxes levied in 1981, payable 1982, "property taxes payable" shall be limited to that portion of the property taxes eligible for the homestead credit as determined pursuant to section 273.13, subdivision 15b.~~

Sec. 6. Minnesota Statutes 1982, section 290A.05, is amended to read:

RIGHTS OF VICTIMS OF CRIMES

GENERAL RIGHTS

Section 1. [611A.01] [DEFINITIONS.]

For the purposes of sections 1 to 5:

(a) “Crime” means conduct that is included within the definition of “crime” in section 609.02, subdivision 1, or would be included within that definition but for the fact that (i) the person engaging in the conduct lacked capacity to commit the crime under the laws of this state, or (ii) the act was

alleged or found to have been committed by a juvenile;

(b) "Victim" means a natural person who incurs loss or harm as a result of a crime. If the victim is deceased, "victim" means the deceased's surviving spouse or next of kin; and

(c) "Juvenile" has the same meaning as given to the term "child" in section 260.015, subdivision 2.

Sec. 2. [611A.02] [VICTIM SERVICE NOTIFICATION.]

The commissioner of corrections, in cooperation with the executive director of the crime victims reparations board, shall develop a plan to provide victims with information concerning victim services in the geographic area where the crime occurred. This information shall include, but need not be limited to, information about available victim crisis centers, programs for victims of sexual assault, victim witness programs, elderly victims projects, victim assistance hotlines, incest abuse programs, and domestic violence shelters and programs.

The plan shall take into account the fact that some counties currently have informational service systems and victim or witness services or programs.

This plan shall be presented to the appropriate standing committees of the legislature no later than February 1, 1984.

Sec. 3. [611A.03] [PLEA AGREEMENTS; NOTIFICATION.]

Subdivision 1. [PLEA AGREEMENTS; NOTIFICATION OF VICTIM.] Prior to the entry of the factual basis for a plea pursuant to a plea agreement recommendation, a prosecuting attorney shall make a reasonable and good faith effort to inform the victim of:

(a) The contents of the plea agreement recommendation; and

(b) His right to be present at the sentencing hearing and to express in writing any objection he has to the agreement or to the proposed disposition. If the victim is not present when the court considers the recommendation, but has communicated his objections to the prosecuting attorney, the prosecuting attorney shall make these objections known to the court.

Subd. 2. [NOTIFICATION DUTIES.] A prosecuting attorney satisfies the requirements of subdivision 1 by notifying:

(a) The victim's legal guardian or guardian ad litem; or

(b) The three victims the prosecuting attorney believes to have suffered the most, if there are more than three victims of the offense.

Subdivision 1. [REQUEST; DECISION.] A victim of a crime has the right to request that restitution be considered as part of the disposition of a

criminal charge or juvenile delinquency proceeding against the offender. The request for restitution shall be made by the victim in writing in affidavit form, describing the items or elements of loss and itemizing the total dollar amounts of restitution claimed, and the reasons justifying these amounts, if the request is for monetary or property restitution. In order to be considered by the court, the request must be received by the clerk of the appropriate court at least three business days before the sentencing or dispositional hearing. The clerk of court shall provide copies of this request to the prosecutor and the offender at least 24 hours before the sentencing or dispositional hearing.

The court shall grant or deny restitution, and shall state on the record its reasons for its decision on restitution if a request for restitution has been made.

Subd. 2. [PROCEDURES.] The offender shall make restitution payments to the clerk of the county, municipal, or district court of the county in which the restitution is to be paid.

Subd. 3. [EFFECT OF ORDER FOR RESTITUTION.] A decision for or against restitution in any criminal or juvenile proceeding is not a bar to any civil action by the victim or by the state pursuant to section 299B.10 against the offender. The offender shall be given credit, in any order for judgment in favor of a victim in a civil action, for any restitution paid to the victim for the same injuries for which the judgment is awarded.

Sec. 5. [611A.06] [RIGHT TO NOTICE OF RELEASE.]

An inmate of an adult correctional facility under the control of the commissioner is subject to actions for the enforcement of support obligations and reimbursement of any public assistance rendered the dependent family and relatives. The commissioner may conditionally release an inmate who is a party to an action under this subdivision and provide for his detention in a local detention facility convenient to the place of the hearing when he is not engaged in preparation and defense.

The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections.

Presentence investigations shall be conducted and summary hearings held upon reports and upon the sentence to be imposed upon the defendant in accordance with this section. ~~Minnesota Statutes, Section~~ section 244.10.

upon its effective date, and Rule 27 of the rules of criminal procedure.

Sec. 4. Minnesota Statutes 1982, section 609.115, is amended by adding a subdivision to read:

Subd. 1b. [ADDITIONAL CONTENTS.] The presentence investigation report shall also include the following information relating to victims:

(a) A summary of the damages or harm and any other problems generated by the criminal occurrence;

(b) A concise statement of what disposition the victim deems appropriate for the defendant or juvenile court respondent, including reasons given, if any, by the victim in support of his opinion; and

(c) An attachment to the report, consisting of the victim's written objections, if any, to the proposed disposition if the victim provides the officer conducting the presentence investigation with this written material within a reasonable time prior to the disposition.

For the purposes of this section, "victim" has the meaning given to it in article 1, section 1.

Sec. 5. Minnesota Statutes 1982, section 609.115, is amended by adding a subdivision to read:

Subd. 1c. [NOTICE TO VICTIM.] The officer conducting the presentence or predispositional report shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with the following information: (i) the charge or juvenile court petition to which the defendant has been convicted or pleaded guilty, or the juvenile respondent has admitted in court or has been found to have committed by the juvenile court, and of any plea agreement between the prosecution and the defense counsel; (ii) his right to request restitution pursuant to article 1, section 4; (iii) the time and place of the sentencing or juvenile court disposition and his right to be present; and (iv) his right to object in writing to the court, prior to the time of sentencing or juvenile court disposition, to the proposed sentence or juvenile dispositional alternative, or to the terms of the proposed plea agreement. To assist the victim in making a recommendation under clause (iv), the officer shall provide the victim with information about the court's options for sentencing and other dispositions. Failure of the officer to comply with this subdivision does not give any rights or grounds for post conviction or post juvenile disposition relief to the defendant or juvenile court respondent, nor does it entitle a defendant or a juvenile court respondent to withdraw a plea of guilty.

Subdivision 1. [IN WRITING; APPROVAL BY ATTORNEY GENERAL.] All orders and decisions of the commissioner of revenue, or any of his subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. No order or decision issued after June 30, 1983, increasing or decreasing any tax, assessment, or other obligation by a sum exceeding ~~\$500~~ \$1,000 on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and no order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, shall be made without the written signature or facsimile signature of the commissioner, a deputy commissioner, assistant commissioner, division director, or acting division director in each case. Written notice of every order granting a reduction, abatement, or refundment exceeding \$5,000 of any tax exclusive of penalties and interest, shall be given within five days to the attorney general. The attorney general shall forthwith examine such order, and if he deems the same proper and legal he shall approve the same in writing, and may waive the right of appeal therefrom in behalf of the state; otherwise he shall take an appeal from the order in behalf of the state as herein provided; but written approval of the commissioner or his deputy and written notice to the attorney general, shall not be required with respect to the following orders: (1) orders reducing assessed valuation of property by reason of its classification as a homestead;

(2) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 290.42, clause (6); (3) original orders for the refundment of gasoline and special fuel taxes.

Sec. 2. Minnesota Statutes 1982, section 270.10, subdivision 3, is amended to read:

Subd. 3. [REDUCTIONS, ABATEMENTS, REFUNDMENTS; STATEMENT.] The commissioner shall maintain as a public record in the department a statement of all abatements, reductions, and refundments of assessments, taxes, or other obligations granted by the department during the biennium, which require the written approval of the commissioner or his deputy, and of which written notice to the attorney general is required, under the provisions of subdivision 1; and, all reductions of assessed valuation of more than ~~\$50,000~~ \$100,000 and all reductions, refundments, or abatements of real estate tax of more than \$1,000 shall be separately shown in such statement. Such statement shall show the names of all taxpayers or other persons concerned, the original amount of each assessment, tax, or other obligation, the amount of abatement, reduction, or refundment allowed in each case, and the totals of the respective items, notwithstanding any provisions of law requiring secrecy to the contrary. The commissioner shall include in such statement the amount of all increases of taxes or assessments made by the department, classified in such manner as he may deem proper, but not showing the names of taxpayers or other persons concerned or the amounts in individual cases.

Sec. 3. Minnesota Statutes 1982, section 270.12, subdivision 3, is amended to read:

Subd. 3. ~~For taxes levied in 1980 and 1981, when a taxing jurisdiction lies in two or more counties, and the sales ratio studies prepared by the department of revenue show that the average level of assessment in the several portions of the district in the different counties differs by more than 20 percent, the board shall order that the levy of the taxing jurisdiction be apportioned among the portions in the different counties in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value, as determined by the equalization aid review committee, of the taxing jurisdiction; if the studies show that the level differs by more than five percent, the board may order the apportionment of the levy.~~ For taxes levied in 1982 1983 and thereafter when a taxing jurisdiction lies in two or more counties, if the sales ratio studies prepared by the department of revenue show that the level differs average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than five percent, the board shall order the apportionment of the levy, unless (a) the proportion of total adjusted assessed value in one of the counties is less than ten percent of the total adjusted assessed value in the taxing jurisdiction and the average level of assessment in that portion of the taxing jurisdiction is the level which differs by more than five percent from the assessment level in any one of the other portions of the taxing jurisdiction; (b) significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study, and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less; or (c)

commercial, industrial, mineral, or public utility property predominates in one county within the taxing jurisdiction and another class of property predominates in another county within that same taxing jurisdiction. If one or more of these factors are present, the board may order the apportionment of the levy.

If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value of the taxing jurisdiction.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date ~~shall~~ *must* be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as if prepayment in full had been made on the date the judgment is entered.

(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$2.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled.

or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under paragraph (f), clause (6), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

[RESTRICTED NOXIOUS WEED SEEDS.] "Restricted noxious weed seeds" are those weed seeds which, if present in agricultural, vegetable, flower, tree or shrub seed, shall be named on the label together with the number per pound of seed specified and which shall not exceed the legal limit. They are seeds of weeds which are objectionable in fields, lawns, and gardens of this state and can be controlled by good cultural practice and use of herbicides.

Subd. 24. [SCREENINGS.] "Screenings" means chaff, sterile florets, immature seed, weed seeds, inert matter, and other material removed from seed in any kind of conditioning and which contains less than 25 percent by weight of live agricultural or vegetable seed.

Subd. 30. [TREE SEED COLLECTOR'S DECLARATION.] A "tree seed collector's declaration" is a statement signed by a grower or person having knowledge of the place of collection which gives for a lot of seed: the lot number, common or scientific name of the species, subspecies if appropriate, origin, elevation, and quantity of tree and shrub seed.

Sec. 41. [21.82] [LABEL REQUIREMENTS; AGRICULTURAL, VEGETABLE, OR FLOWER SEEDS.]

Subdivision 1. [FORM.] Each container of agricultural, vegetable, or flower seed which is offered for sale for sowing purposes shall bear or have attached in a conspicuous place a plainly written or printed label or tag in the English language giving the information required by this section. This statement shall not be modified or denied in the labeling or on another label attached to the container.

Subd. 2. [CONTENT.] For agricultural, vegetable, or flower seeds, except as otherwise provided in subdivisions 4, 5, 6, 7 and 8, the label shall contain:

(a) The name of the kind or kind and variety for each agricultural or vegetable seed component in excess of five percent of the whole and the percentage by weight of each in order of its predominance. The commissioner shall by rule designate the kinds that are required to be labeled as to variety. If the variety of those kinds generally labeled as to variety is not stated and it is not required to be stated, the label shall show the name of the kind and the words: "Variety not stated."

(1) The percentage that is hybrid shall be at least 95 percent of the percentage of pure seed shown unless the percentage of pure seed which is hybrid seed is shown separately. If two or more kinds or varieties are present in excess of five percent and are named on the label, each that is hybrid shall be designated as hybrid on the label. Any one kind or kind and variety that has pure seed which is less than 95 percent but more than 75 percent hybrid seed as a result of incompletely controlled pollination in a cross shall be labeled to show the percentage of pure seed that is hybrid seed or a statement such as "contains from 75 percent to 95 percent hybrid seed." No one kind or variety of seed shall be labeled as hybrid if the pure seed contains less than 75 percent hybrid seed. The word hybrid shall be shown on the label in conjunction with the kind.

(2) Blends shall be listed on the label using the term "blend" in conjunction with the kind.

(3) Mixtures shall be listed on the label using the term "mixture," "mix," or "mixed."

(b) Lot number or other lot identification.

(c) Origin, if known, or that the origin is unknown.

(d) *Percentage by weight of all weed seeds present in agricultural, vegetable, or flower seed. This percentage may not exceed one percent. If weed seeds are not present in vegetable or flower seeds, the heading "weed seeds" may be omitted from the label.*

(e) *Name and rate of occurrence per pound of each kind of restricted noxious weed seeds present. They shall be listed under the heading "noxious weed seeds." If noxious weed seeds are not present in vegetable or flower seeds, the heading "noxious weed seeds" may be omitted from the label.*

(f) *Percentage by weight of agricultural, vegetable, or flower seeds other than those required to be named on the label. They shall be listed under the heading "other crop." If "other crop" seeds are not present in vegetable or flower seeds, the heading "other crop" may be omitted from the label.*

(g) *Percentage by weight of inert matter.*

(h) *Net weight of contents, to appear on either the container or the label, except that in the case of vegetable or flower seed containers with contents of 200 seeds or less, a statement indicating the number of seeds in the container may be listed along with or in lieu of the net weight of contents.*

(i) *For each named agricultural or vegetable seed:*

(1) *percentage of germination, exclusive of hard seed;*

(2) *percentage of hard seed, if present; and*

(3) *the calendar month and year the percentages were determined by test.*

Subd. 4. [HYBRID SEED CORN.] For hybrid seed corn purposes a label shall contain:

(a) *a statement indicating the number of seeds in the container may be*

listed along with or in lieu of the net weight of contents; and

(b) for each variety of hybrid seed field corn, the day classification as determined by the originator or owner. The day classification shall approximate the number of days of growing season necessary from emergence of the corn plant above ground to relative maturity and shall conform to the day classification established by the director of the Minnesota agricultural experiment station for the appropriate zone.

Subd. 5. [GRASS SEED.] For grass seed and mixtures of grass seeds intended for lawn and turf purposes, the requirements in clauses (a) to (c) must be met.

(a) The label shall contain the percentage by weight of inert matter, up to ten percent by weight except for those kinds specified by rule. The percentage by weight of foreign material not common to grass seed must be listed as a separate item in close association with the inert matter percentage.

(b) If the seed contains no "other crop" seed, the following statement may be used and may be flagged: "contains no other crop seed."

(a) The label shall contain the following:

(1) the year for which the seed was packed for sale listed as "packed for (year)," or the percentage of germination and the calendar month and year that the percentages were determined by test; and

(2) for vegetable seeds which germinate less than the standard last established by the commissioner:

(i) percentage of germination, exclusive of hard seed;

(ii) percentage of hard seed, if present; and

(iii) the words "below standard" in not less than eight point type and the month and year the percentages were determined by test.

(b) The percentage by weight of pure seed may be omitted from a label if the total is more than 90 percent.

(c) The percentage by weight of inert matter may be omitted from a label if it is less than ten percent.

(d) The labeling requirements for vegetable seeds sold outside their original containers are met if the seed is weighed from a properly labeled container in the presence of the purchaser.

Subd. 8. [FLOWER SEEDS.] (a) All flower seed labels shall contain:

(1) the name of the kind and variety or a statement of type and performance characteristics as prescribed by rules;

(2) the year for which the seed was packed for sale listed as "packed for (year)," or the percentage of germination and the calendar month and year that the percentage was determined by test; and

(3) for flower seeds which germinate less than the standard last established by the commissioner:

(i) the percentage of germination exclusive of hard seed; and

(ii) the words "below standard" in not less than eight point type and the month and year this percentage was determined by test.

(b) The origin may be omitted from the label.

(c) The percentage by weight of pure seed may be omitted from a label if the total is more than 90 percent.

(d) The percentage by weight of inert matter may be omitted from a label if it is less than ten percent.

Sec. 42. [21.83] [LABEL REQUIREMENTS; TREE OR SHRUB SEEDS.]

Subdivision 1. [FORM.] Each container of tree or shrub seed which is offered for sale for sowing purposes shall bear or have attached in a conspicuous place a plainly written or printed label or tag in the English language giving the information required by this section. This label statement shall not be modified or denied in the labeling or on another label attached to the container, except that labeling of seed supplied under a contractual agreement may be made by an invoice accompanying the shipment or by an analysis tag attached to the invoice if each bag or other container is clearly identified by a lot number stenciled on the container. Each bag or container that is not so stenciled must carry complete labeling.

Subd. 2. [LABEL CONTENT.] For all tree or shrub seed subject to this section the label shall contain:

(a) the common name of the species, and the subspecies if appropriate;

(b) the scientific name of the genus and species, and the subspecies if appropriate;

(c) the lot number or other lot identification;

(d) for seed collected from a predominantly indigenous stand, the area of collection given by latitude and longitude, or geographic description, or political subdivision such as state or county;

(e) for seed collected from a predominantly nonindigenous stand, the identity of the area of collection and the origin of the stand or the words "origin not indigenous;"

(f) the elevation or the upper and lower limits of elevation within which the seed was collected;

(g) the percentage of pure seed by weight;

(h) for those kinds of seed for which standard testing procedures are prescribed:

(1) the percentage of germination exclusive of hard seed;

(2) the percentage of hard seed, if present; and

(a) a word or statement to indicate that the seed has been treated;

(b) the commonly accepted, coined, chemical, or abbreviated generic chemical name of the applied substance;

(c) the caution statement "Do not use for food, feed, or oil purposes" if the substance in the amount present with the seed is harmful to human or other vertebrate animals;

(d) in the case of mercurials or similarly toxic substances, a poison statement and symbol;

(e) a word or statement describing the process used when the treatment is not of pesticide origin;

(f) if the seed has been treated with an inoculant, the date beyond which the inoculant is considered ineffective. It shall be listed on the label as "inoculant: expires (month and year)" or wording which conveys the same meaning.

Sec. 43. [21.84] [RECORDS.]

Each person whose name appears on the label of agricultural, vegetable, flower, tree or shrub seeds subject to section 41 or 42 shall keep for three years complete records of each lot of agricultural, vegetable, flower, tree or shrub seed sold in this state and shall keep for one year a file sample of each lot of seed after disposition of the lot. In addition, the grower shall have as a part of the record a "genuine grower's declaration" or a "tree seed collector's declaration."

Sec. 44. [21.85] [DUTIES OF THE COMMISSIONER.]

Subdivision 1. [ENFORCEMENT.] The commissioner shall administer

and enforce sections 39 to 51.

Subd. 2. [SEED LABORATORY.] The commissioner shall establish and maintain a seed laboratory for seed testing, employing necessary agents and assistants to administer and enforce sections 39 to 51, none of whom, except those who are employed on a regular full-time basis, shall come within or be governed by chapter 43A. The compensation for the unclassified employees shall be on the basis of a rating and salary scale determined by the commissioner's plan of the department of employee relations or the appropriate bargaining unit contract.

Subd. 3. [ENTRY UPON PREMISES.] For the purpose of administering and enforcing sections 39 to 51 the commissioner may enter upon any public or private premises during regular business hours in order to have access to seeds and the records concerning the seeds that are subject to sections 39 to 51, and to enter any truck or other conveyer by land, water, or air at any time when the conveyer is accessible, for the same purpose.

Subd. 4. [INSPECTION AND SAMPLING.] The commissioner shall sample, inspect, make analysis of and test seeds subject to sections 39 to 51 that are offered for sale for sowing purposes at the time and place and to the extent necessary to determine whether the seeds are in compliance with sections 39 to 51.

Subd. 5. [NOTICE OF VIOLATION.] The commissioner shall promptly notify the person who sold, labeled, or transported seed that has been:

- (1) found to be in violation of sections 39 to 51;*
- (2) placed under a stop sale order; or*
- (3) seized on complaint of the commissioner to a court of competent jurisdiction.*

Subd. 6. [STOP SALE ORDERS.] The commissioner may issue and enforce a written or printed "stop sale" order to the owner or custodian of any lot of seed which he finds to be in violation of sections 39 to 51. The order shall prohibit further sale, conditioning, and movement of the seed, except on approval of the enforcing officer, until the officer has evidence that the law has been complied with and has issued a release from the "stop sale" order. With respect to seed which has been denied sale, conditioning, or movement, the owner or custodian of the seed may appeal from the order to a court where the seeds are found, for the discharge of the seeds from the order prohibiting the sale, conditioning, or movement in accordance with the findings of the court. This subdivision does not limit the right of the enforcement officer to proceed in a different fashion.

Subd. 7. [SEIZURE.] Any lot of seed not in compliance with sections 39 to 51 is subject to seizure on complaint of the commissioner to a court of competent jurisdiction in the locality where the seed is located. If the court finds the seed to be in violation and orders the condemnation of the seed, it shall be denatured, destroyed, relabeled, or otherwise disposed of in compliance with law. In no instance shall the court order dispose of the seed without first giving the claimant an opportunity to apply to the court for the release of the seed or permission to condition or relabel it into compliance.

Subd. 8. [INJUNCTION.] When the commissioner applies to any court for

a temporary or permanent injunction restraining any person from violating or continuing to violate sections 39 to 51, the injunction shall be issued without requiring a bond.

Subd. 9. [PROSECUTIONS.] When the commissioner finds that a person has violated any part of sections 39 to 51, he may initiate court proceedings in the locality in which the violation occurred. No prosecution shall be instituted without a person having an opportunity to appear in person or by a representative before the commissioner to provide evidence. Either a county attorney or the attorney general may prosecute actions under sections 39 to 51.

Subd. 10. [COMMISSIONER MAY ALTER REQUIREMENTS IN EMERGENCIES.] In the event of acute shortages of any seed or seeds, or the occurrence of other conditions which in the opinion of the commissioner create an emergency which would make impractical the enforcement of any requirement of sections 39 to 51 relating to the percentage of purity and weed seed content of any seed or seeds, the commissioner may temporarily change and alter any requirement relating to percentage of purity and weed seed content for the duration of the emergency.

Subd. 11. [RULES.] The commissioner may make necessary rules, including temporary rules, for the proper enforcement of sections 39 to 51. Existing rules shall remain in effect unless temporary or permanent rules are made that supercede them.

Subd. 12. [SERVICE TESTING AND IDENTIFICATION.] The commissioner shall provide for purity and germination tests of seeds and identification of seeds and plants for farmers, dealers, and others. He may establish and collect fees for testing and identification.

Subd. 13. [SAMPLING EXPORT SEED.] The commissioner may sample agricultural, vegetable, flower, tree or shrub seeds which are destined for export to other countries. He may establish and collect suitable fees from the exporter for this service.

Subd. 14. [COOPERATION WITH UNITED STATES DEPARTMENT OF AGRICULTURE.] The commissioner shall cooperate with the United States department of agriculture in seed law enforcement.

Sec. 45. [21.86] [UNLAWFUL ACTS.]

Subdivision 1. [PROHIBITIONS.] A person may not advertise or sell any agricultural, vegetable, flower, or tree and shrub seed if:

(a) A test to determine the percentage of germination required by sections 41 and 42 has not been completed within a nine-month period, exclusive of the calendar month in which the test was completed. This prohibition does not apply to tree, shrub, agricultural, or vegetable seeds packaged in hermetically sealed containers. Seeds packaged in hermetically sealed containers under the conditions defined by rule may be offered for sale for a period of 36 months after the last day of the month that the seeds were tested for germination prior to packaging. If seeds in hermetically sealed containers are offered for sale more than 36 months after the last day of the month in which they were tested prior to packaging, they must be retested within a nine-month period, exclusive of the calendar month in which the retest was

completed;

(b) It is not labeled in accordance with sections 41 and 42 or has false or misleading labeling;

(c) False or misleading advertisement has been used in respect to its sale;

(d) It contains prohibited noxious weed seeds;

(e) It consists of or contains restricted noxious weed seeds in excess of 25 seeds per pound or in excess of the number declared on the label attached to the container of the seed or associated with the seed;

(f) It contains more than one percent by weight of all weed seeds;

(g) It contains less than the stated net weight of contents;

(h) It contains less than the stated number of seeds in the container;

(i) It contains any labeling, advertising, or other representation subject to sections 41 and 42 representing the seed to be certified unless:

(1) it has been determined by a seed certifying agency that the seed conformed to standards of purity and identity as to kind, species, subspecies, or variety, and also that tree seed was found to be of the origin and elevation claimed, in compliance with the rules pertaining to the seed; and

(2) the seed bears an official label issued for it by a seed certifying agency stating that the seed is of a certified class and a specified kind, species, subspecies, or variety;

(j) It is labeled with a variety name but not certified by an official seed certifying agency when it is a variety for which a United States certificate of plant variety protection has been granted under United States Code, title 7, sections 2481 to 2486, specifying sale by variety name only as a class of certified seed. Seed from a certified lot may be labeled as to variety name when used in a blend or mixture by or with approval of the owner of the variety; or

(k) The person whose name appears on the label does not have complete records including a file sample of each lot of agricultural, vegetable, flower, tree or shrub seed sold in this state as required in section 43.

Subd. 2. [MISCELLANEOUS VIOLATIONS.] No person may:

(a) detach, alter, deface, or destroy any label required in sections 41 and 42 or alter or substitute seed in a manner that may defeat the purposes of sections 41 and 42;

(b) hinder or obstruct in any way any authorized person in the performance of duties under sections 39 to 51;

(c) fail to comply with a "stop sale" order or to move or otherwise handle or dispose of any lot of seed held under a stop sale order or attached tags, except with express permission of the enforcing officer for the purpose specified;

(d) use the word "type" in any labeling in connection with the name of any agricultural seed variety;

(e) use the word "trace" as a substitute for any statement which is re-

quired; or

(f) plant any agricultural seed which the person knows contains weed seeds or noxious weed seeds in excess of the limits for that seed.

Sec. 46. [21.87] [EXEMPTION.]

Sections 41 and 42 do not apply:

(a) to seed or grain not intended for sowing purposes;

(b) to seed in storage in or being transported or consigned to a conditioning establishment for conditioning, provided that the invoice or label accompanying any shipment of the seeds bears the statement "seeds for conditioning," and provided that any labeling or other representation which may be made with respect to the unconditioned seed is subject to the provisions of sections 41 and 42; or

(c) to any carrier with respect to seed transported or delivered for transportation in the ordinary course of its business as a carrier, provided that the carrier is not engaged in producing, conditioning, or marketing seeds subject to sections 41 and 42.

Sec. 47. [21.88] [PENALTIES.]

Subdivision 1. [MISDEMEANOR; GROSS MISDEMEANOR.] A violation of sections 39 to 51 or a rule adopted under section 44 is a misdemeanor. Each additional day of violation is a separate offense. A subsequent violation by a person is a gross misdemeanor.

Subd. 2. [UNLAWFUL PRACTICE.] In addition to other penalties provided by law, a person who violates a provision of sections 39 to 51 or a rule adopted under section 44 has committed an unlawful practice under sections 325F.68 and 325F.69 and is subject to the remedies provided in sections 8.31 and 325F.70.

Subd. 3. [PENALTIES NOT TO APPLY.] A person is not subject to the penalties in subdivision 1 or 2 for having sold seeds which were incorrectly labeled or represented as to kind, species, subspecies, if appropriate, variety, type, origin and year, elevation or place of collection if required, if the seeds cannot be identified by examination unless he has failed to obtain an invoice or genuine grower's or tree seed collector's declaration or other labeling information and to take other reasonable precautions to ensure the identity is as stated.

Sec. 48. [21.89] [SEED FEE PERMITS.]

Subdivision 1. [SEED FEE.] In order to pay for administering and enforcing sections 39 to 51, the commissioner shall establish the fees charged for various seeds and shall collect the fees on all seeds covered by sections 39 to 51.

Subd. 2. [PERMITS; ISSUANCE, REVOCATION.] The commissioner shall issue a permit to the initial labeler of agricultural, vegetable, or flower seeds which are offered for sale in Minnesota and which conform to and are labeled under sections 39 to 51. The person shall furnish to the commissioner an itemized statement of all seeds sold in Minnesota for the periods established by the commissioner. This statement shall be delivered, along with the

payment of the fee, to the commissioner no later than 30 days after the end of each reporting period. Any person holding a permit shall show as part of the analysis labels or invoices on all agricultural, vegetable, flower, tree or shrub seeds all information the commissioner requires. The commissioner may revoke any permit in the event of failure to comply with applicable laws and rules.

Subd. 3. [PENALTY.] A penalty fee established by the commissioner shall be assessed any permit holder who fails to submit a statement and pay the fee due within the 30 days following the end of each reporting period.

Subd. 4. [EXEMPTIONS.] A person who labels for sale agricultural, vegetable, or flower seeds must have a seed fee permit unless:

(a) The person labels and sells less than 50,000 pounds of agricultural seed in Minnesota each calendar year. If more than 50,000 pounds are labeled and sold in Minnesota by any person, the person must have a seed fee permit and pay fees on all seed sold. A person who labels and sells grass seeds and mixtures of grass seeds intended for lawn or turf purposes is not exempted from having a permit and paying seed fees on all seeds in this category sold in Minnesota; or

(b) The agricultural, vegetable, or flower seeds are of the breeder or foundation seed classes of varieties developed by publicly financed research agencies intended for the purpose of increasing the quantity of seed available.

Sec. 49. [21.90] [HYBRID SEED FIELD CORN VARIETY REGISTRATION.]

Subdivision 1. [GROWING ZONES.] The director of the agricultural experiment station at the University of Minnesota shall determine, establish, and number or otherwise identify corn growing zones of the state and determine and publish a list of day classifications for each zone which will approximate the number of days growing season necessary for corn from emergence of the corn plants above ground after planting to relative maturity.

Subd. 2. [FEES.] A record of each hybrid seed field corn variety to be sold in Minnesota shall be registered with the commissioner by February 1 of each year by the originator or owner. The commissioner shall establish the annual fee for registration for each variety. The record shall include the permanent designation of the hybrid as well as the day classification and zone of adaptation, as determined under subdivision 1, which the originator or owner declares to be the zone in which the variety is adapted. In addition, at the time of the first registration of a hybrid seed field corn variety, the originator or owner shall include a sworn statement that his declaration of the zone of adaptation was based on actual field trials in that zone and that the field trials substantiate his declaration as to the day and zone classifications to which the variety is adapted. The name or number used to designate a hybrid seed field corn variety in the registration is the only name of all seed corn covered by or sold under that registration.

Subd. 3. [TESTS OF VARIETIES.] If the commissioner needs to verify that a hybrid seed field corn variety is adapted to the corn growing zone declared by the originator or owner, it must, when grown in several official

comparative trials by the director of the Minnesota agricultural experiment station in the declared zone of adaptation, have an average kernel moisture at normal harvest time which does not differ from the average kernel moisture content of three or more selected standard varieties adapted for grain production in that particular growing zone by more than four percentage points. If a new variety when tested has more than six percentage points of moisture over the standard variety, it must have the relative maturity increased by five days in the correct zone of adaptation before it can be sold the second year. If it does not exceed the standard varieties by more than five percentage points of moisture the second year tested, it can be sold the third year with the same relative maturity. If upon being tested the third year the moisture percentage points are found to be over the four percentage points allowed, the variety then must have the relative maturity increased by five days in the correct zone. The varieties to be used as standard varieties for determining adaptability to a zone shall be selected for each zone by the director of the Minnesota agricultural experiment station with the advice and consent of the commissioner of agriculture. Should a person, firm, originator, or owner of a hybrid seed field corn variety wish to offer hybrid seed for sale or distribution in this state, the person, firm, originator, or owner not having distributed any products in Minnesota during the past ten years, or not having any record of testing by an agency acceptable to the commissioner, then after registration of the variety the commissioner is required to have the variety tested for one year by the director of the Minnesota agricultural experiment station before it may be distributed in Minnesota. Should any person, firm, originator, or owner of a seed field corn variety be guilty of two successive violations with respect to the declaration of relative maturity date and zone number, then the violator must commence a program of pretesting for varieties as determined by the commissioner. The list of varieties to be used as standards in each growing zone shall be sent by the commissioner not later than February 1 of each year to each seed firm registering hybrid varieties with the commissioner as of the previous April 1. To assist in defraying the expenses of the Minnesota agricultural experiment station in carrying out the provisions of this section, there shall be transferred annually from the seed inspection fund to the agricultural experiment station a sum which shall at least equal 80 percent of the total revenue from all hybrid seed field corn variety registrations.

Sec. 50. [21.91] [SEED CERTIFICATION AGENCIES.]

Subdivision 1. [MINNESOTA.] The official seed certification agency for Minnesota shall be determined by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Subd. 2. [OTHER JURISDICTIONS.] The official seed certification agency for other jurisdictions shall be determined and the identity filed as a public record in the office of the commissioner of agriculture. The determination shall be made by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Sec. 51. [21.92] [SEED INSPECTION FUND.]

There is established in the state treasury an account known as the seed inspection fund. Fees and penalties collected by the commissioner under sections 39 to 51 shall be deposited into this account. The rates at which the

fees are charged may be adjusted pursuant to section 16A.28. Money in this account, including interest earned and any appropriations made by the legislature for the purposes of sections 39 to 51, is annually appropriated to the commissioner for the administration and enforcement of sections 39 to 51.

Sec. 52. Minnesota Statutes 1982, section 27.041, subdivision 2, is amended to read:

Subd. 2. [LICENSES.] The license, or a certified copy thereof of the license, shall must be kept posted in the office of the licensee at each place within the state where he transacts business. Every license shall expire June 30 following its issuance and thereafter be renewed July 1 each year. Any license issued under this subdivision shall is automatically be void upon the termination of the surety bond covering the licensed operation. The fee for each license shall be based on the following schedule:

License Fee	Penalty for Late Renewal	Dollar Volume of Business
\$ 30	\$ 9.60 \$10	\$10,000 or less per month
\$ 60	\$18 \$15	Over \$10,000 to \$50,000 per month

Where more than one county or municipality contributes assistance to the operation of a public transit system, the commissioner shall identify one as lead agency for the purpose of receiving moneys under this section.

The commissioner shall adopt rules establishing uniform performance standards for private operators of regular route transit systems in the transit taxing district, as defined in section 473.446, subdivision 2. If for any year the funds appropriated to the commissioner to carry out the purposes of this section are insufficient to allow the commissioner to pay the state share of total operating cost as provided in this paragraph, the commissioner shall reduce the state share in each classification to the extent necessary.

(1) the publishing or distributing, or causing to be published or distributed, in newspapers, magazines, directories, pamphlets, posters, cards, or in any other manner by advertisement, wherein the term “cure” or “guarantee to cure” or similar terms are used; which is hereby declared to be fraudulent and misleading to the general public;

(2) the employment of fraud or deception in applying for a license or in passing the examination provided for in section 148.06;

(3) the practice of chiropractic under a false or assumed name or the impersonation of another practitioner of like or different name;

(4) the conviction of a crime involving moral turpitude;

For the purposes of clause (10), unprofessional conduct means any unethical, deceptive or deleterious conduct or practice harmful to the public, any departure from or the failure to conform to the minimal standards of acceptable chiropractic practice, or a willful or careless disregard for the health, welfare or safety of patients, in any of which cases proof of actual injury need not be established. Unprofessional conduct shall include, but not be limited to, the following acts of a chiropractor:

(e) Directly or indirectly engaging in threatening, dishonest, or misleading fee collection techniques;

(f) Perpetrating fraud upon patients, third party payers, or others, relating to the practice of chiropractic; and

(g) Any other act that the board by rule may define.

Sec. 6. Minnesota Statutes 1982, section 148.10, subdivision 3, is amended to read:

Subd. 3. [REPRIMAND; PENALTIES; PROBATION.] In addition to the other powers granted to the board under this chapter, the board may, in connection with any person whom the board, after a hearing, adjudges unqualified or whom the board, after a hearing, finds to have performed one or more of the acts described in subdivision 1:

(a) Publicly reprimand or censure the person; ~~and~~

(b) Place the person on probation for the period and upon the terms and conditions that the board may prescribe; *and*

(c) *Require payment of all costs of proceedings resulting in the disciplinary action.*

The suspension shall take effect upon written notice to the person, specifying the statute or rule violated. At the time it issues the suspension notice, the board shall schedule a disciplinary hearing to be held pursuant to the administrative procedure act. The person shall be provided with at least 20 days notice of any hearing held pursuant to this subdivision."

On January 1, 1982 and on each January 1 thereafter, the

~~greater~~ *higher* retention limit shall be increased by the amount necessary to retain a \$200,000 difference between the two retention limits. Ultimate loss as used in this section means the actual loss amount which a member is obligated to pay and which is paid by the member for workers' compensation benefits payable under chapter 176 and shall not include claim expenses, assessments, damages or penalties. *For losses incurred on or after January 1, 1979, any amounts paid by a member pursuant to sections 176.183, 176.221, 176.225, and 176.82 shall not be included in ultimate loss and shall not be indemnified by the reinsurance association.* A loss is incurred by the reinsurance association on the date on which the accident or other compensable event giving rise to the loss occurs, and a member is liable for a loss up to its retention limit in effect at the time that the loss was incurred, except that members which are determined by the reinsurance association to be controlled by or under common control with another member, and which are liable for claims from one or more employees entitled to compensation for a single compensable event, including aggregate losses relating to a single loss occurrence, may aggregate their losses and obtain indemnification from the reinsurance association for the aggregate losses in excess of the higher retention limit in effect at the time the loss was incurred. Each member is liable for payment of its ultimate loss and shall be entitled to indemnification from the reinsurance association for the ultimate loss in excess of the member's retention limit in effect at the time of the loss occurrence.

A member that chooses the higher retention limit shall retain the liability for all losses below the higher retention limit itself and shall not transfer the liability to any other entity or reinsure or otherwise contract for reimbursement or indemnification for losses below its retention limit, except in the following cases: (a) when the reinsurance or contract is with another member which, directly or indirectly, through one or more intermediaries, control or are controlled by or are under common control with the member; (b) when the reinsurance or contract provides for reimbursement or indemnification of a member if and only if the total of all claims which the member pays or incurs, but which are not reimbursable or subject to indemnification by the reinsurance association for a given period of time, exceeds a dollar value or percentage of premium written or earned and stated in the reinsurance agreement or contract; (c) when the reinsurance or contract is a pooling arrangement with other insurers where liability of the member to pay claims pursuant to chapter 176 is incidental to participation in the pool and not as a result of providing workers' compensation insurance to employers on a direct basis under chapter 176; (d) when the reinsurance or contract is limited to all the claims of a specific insured of a member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the insured of the member so long as any subsequent contract or reinsurance of the reinsurer relating to the claims of the insured of a member is not inconsistent with the bases of exception provided under clauses (a), (b) and (c) above; or (e) when the reinsurance or contract is limited to all claims of a specific self-insurer member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the self-insurer member so long as any subsequent contract or reinsurance of the reinsurer relating to the claims of the self-insurer member are not inconsistent with the bases for exception provided under clauses (a), (b) and (c) above.

Any member subject to this penalty provision shall continue to be bound by its selection of the higher retention limit for purposes of membership in the reinsurance association.

Sec. 9. Minnesota Statutes 1982, section 79.34, is amended by adding a subdivision to read:

(a) the injured worker is eligible for benefits under section 176.041, subdivision 2 or 3, but elects to receive benefits under the workers' compensation statute of another state in lieu of benefits under chapter 176; and

(b) the ultimate loss indemnified by the reinsurance association shall be determined as provided in this chapter, except that the benefits shall be equal to those required to be paid under the workers' compensation statute of the state elected.

Sec. 10. Minnesota Statutes 1982, section 79.35, is amended to read:

79.35 [DUTIES; RESPONSIBILITIES; POWERS.]

The reinsurance association shall do the following on behalf of its members:

(a) Assume 100 percent of the liability as provided in section 79.34;

(b) Establish procedures by which members shall promptly report to the reinsurance association each claim which, on the basis of the injury sustained, may reasonably be anticipated to involve liability to the reinsurance association if the member is held liable under chapter 176. Solely for the purpose of reporting claims, the member shall in all instances consider itself legally liable for the injury. The member shall advise the reinsurance association of subsequent developments likely to materially affect the interest of the reinsurance association in the claim;

(c) Maintain relevant loss and expense data relative to all liabilities of the reinsurance association and require each member to furnish statistics in connection with liabilities of the reinsurance association at the times and in the form and detail as may be required by the plan of operation;

(d) Calculate and charge to members a total premium sufficient to cover the expected liability which the reinsurance association will incur in excess of the higher retention limit but less than the prefunded limit, together with

incurred or estimated to be incurred operating and administrative expenses for the period to which this premium applies and actual claim payments to be made by members, during the period to which this premium applies, for claims in excess of the prefunded limit in effect at the time the loss was incurred. The prefunded limit shall be \$2,500,000 on and after October 1, 1979, provided that the prefunded limit shall be increased on January 1, 1983 and on each January 1 thereafter by the percentage increase in the statewide average weekly wage, to the nearest \$100,000, as determined in accordance with section 176.011, subdivision 20. Each member shall be charged a proportion of the total premium in an amount equal to its proportion of the ~~total standard earned premium exposure base~~ of all members during the period to which the reinsurance association premium will apply, ~~as determined by the commissioner.~~ *The exposure base shall be determined by the board and is subject to the approval of the commissioner. In determining the exposure base, the board shall consider, among other things, equity, administrative convenience, records maintained by members, amenability to audit, and degree of risk refinement.* Each member exercising the lower retention option shall also be charged a premium established by the board as sufficient to cover incurred or estimated to be incurred claims for the liability the reinsurance association is likely to incur between the lower and higher retention limits for the period to which the premium applies. Each member shall also be charged a premium determined by the board to equitably distribute excess or deficient premiums from previous periods including any excess or deficient premiums resulting from a retroactive change in the prefunded limit. ~~An equitable basis for determining standard earned premium for self-insurers shall be established by the commissioner.~~ The premiums charged to members shall not be unfairly discriminatory as defined in section 79.074. All premiums shall be approved by the commissioner;

If the claims procedures or practices of a member are considered inadequate to properly service the liabilities of the reinsurance association, the reinsurance association may undertake, or may contract with another person, including another member, to adjust or assist in the adjustment of claims which create a potential liability to the association ~~and~~. *The reinsurance association may charge the cost of the adjustment under this paragraph to the member, except that any penalties or interest incurred under sections 176.183, 176.221, 176.225, and 176.82 as a result of actions by the reinsurance association after it has undertaken adjustment of the claim shall not be charged to the member but shall be included in the ultimate loss and listed as a separate item; and*

(h) Provide each member of the reinsurance association with an annual report of the operations of the reinsurance association in a form the board of directors may specify.

Sec. 25. Minnesota Statutes 1982, section 176.001, is amended to read:

176.001 [INTENT OF THE LEGISLATURE.]

It is the intent of the legislature that chapter 176 be interpreted so as to assure the quick and efficient delivery of indemnity and medical benefits to injured workers at a reasonable cost to the employers who are subject to the provisions of chapter 176. *It is the specific intent of the legislature that workers' compensation cases shall be decided on their merits and that the common law rule of "liberal construction" based on the supposed "remedial" basis of workers' compensation legislation shall not apply in such cases. The workers' compensation system in Minnesota is based on a mutual renunciation of common law rights and defenses by employers and employees alike. Employees' rights to sue for damages over and above medical and health care benefits and wage loss benefits are to a certain degree limited by the provisions of this chapter, and employers' rights to raise common law defenses such as lack of negligence, contributory negligence on the part of the employee, and others, are curtailed as well. Accordingly, the legislature hereby declares that the workers' compensation laws are not remedial in any sense and are not to be given a broad liberal construction in favor of the claimant or employee on the one hand, nor are the rights and interests of the*

employer to be favored over those of the employee on the other hand.

Subd. 3e. [END OF TEMPORARY TOTAL COMPENSATION.] (a) 90 days after an employee has reached maximum medical improvement or 90 days after the end of an approved retraining program, whichever is later, the employee's temporary total compensation shall cease. This cessation shall occur at an earlier date if otherwise provided by this chapter.

(b) If during the 90-day period described in clause (a) the employee retires or the employer furnishes work to the employee that is consistent with an approved plan of rehabilitation or, if no plan has been approved, that the employee can do in his or her physical condition and that job produces an economic status as close as possible to that the employee would have enjoyed without the disability, or the employer procures this employment with another employer or the employee accepts this job with another employer, temporary total compensation shall cease and the employee shall, if appropriate, receive impairment compensation pursuant to subdivision 3b. This impairment compensation is in lieu of economic recovery compensation under subdivision 3a, and the employee shall not receive both economic recovery compensation and impairment compensation. Temporary total compensation and impairment compensation shall not be paid concurrently. Once temporary total compensation ceases no further temporary total compensation is payable except as specifically provided by this section.

Upon receipt of a written medical report indicating that the employee has reached maximum medical improvement, the employer or insurer shall serve a copy of the report upon the employee and shall file a copy with the division. The beginning of the 90-day period shall commence on the day this report is served on the employee for the purpose of determining whether a job offer consistent with the requirements of this subdivision is made.

(c) The job which is offered or procured by the employer or accepted by the employee under clause (b) does not necessarily have to commence immedi-

ately but shall commence within a reasonable period after the end of the 90-day period described in clause (a). Temporary total compensation shall not cease under this subdivision until the job commences.

(d) If the job offered under clause (a) is not the job the employee had at the time of injury it shall be offered in writing and shall state the nature of the job, the rate of pay, the physical requirements of the job, and any other information necessary to fully and completely inform the employee of the job duties and responsibilities.

The employee has 14 calendar days to accept or reject the job offer. If the employee does not respond within this period it is deemed a refusal of the offer.

(e) Self employment may be an appropriate job under this subdivision.

The commissioner shall monitor application of this subdivision and may adopt rules to assure its proper application.

Sec. 49. Minnesota Statutes 1982, section 176.101, is amended by adding a subdivision to read:

Subd. 3f. [JOB PRIOR TO MAXIMUM MEDICAL IMPROVEMENT.] If the employer offers a job prior to the employee reaching maximum medical improvement and the job is consistent with an approved plan of rehabilitation or if no rehabilitation plan has been approved and the job is within the employee's physical limitations; or the employer procures a job for the employee with another employer which meets the requirements of this subdivision; or the employee accepts a job with another employer which meets the requirements of this subdivision, the employee's temporary total compensation shall cease. In this case the employee shall receive impairment compensation for the permanent partial disability which is ascertainable at that time. This impairment compensation shall be paid at the same rate that temporary total compensation was last paid. Upon reaching maximum medical improvement the provisions of subdivisions 3e or 3p apply, whichever is appropriate, and economic recovery compensation or impairment compensation is payable accordingly except that the compensation shall be offset by impairment compensation received under this subdivision.

Sec. 50. Minnesota Statutes 1982, section 176.101, is amended by adding a subdivision to read:

In addition, the employer who was the employer at the time of the injury shall provide rehabilitation consultation by a qualified rehabilitation consultant if the employee remains unemployed for 45 calendar days. The commissioner may waive this rehabilitation consultation if the commissioner deems it appropriate. Further rehabilitation, if deemed appropriate, is governed by section 176.102.

(b) Upon the employee's initial return to work the monitoring period begins to run. If the employee is unemployed for the reason in clause (a), prior to the end of the monitoring period the employee shall receive monitoring period compensation. This compensation shall be paid for the lesser of (1) the weeks remaining in the monitoring period, or (2) the weeks equal to the monitoring period minus the impairment compensation paid to the employee. For purposes of this clause the impairment compensation shall be converted to weeks by dividing the impairment compensation received by the employee by the employee's compensation rate for temporary total disability at the time of the injury. No monitoring period compensation is payable if the unemployment occurs after the expiration of the monitoring period. Monitoring period compensation is payable at the same intervals and in the same amount as when temporary total compensation ceased.

(c) If the employee returns to work and is still receiving monitoring period compensation, this compensation shall cease. Any period remaining in the monitoring period upon this return to work shall be used to determine further benefits if the employee is again unemployed under clause (a).

Further rehabilitation, if deemed appropriate, is governed by section 176.102.

(b) Temporary total compensation shall be paid for up to 90 days after the employee has reached maximum medical improvement or 90 days after the end of an approved retraining plan, whichever is later. The temporary total compensation shall cease at any time within the 90-day period that the employee begins work meeting the requirements of subdivision 3e. If no job is

offered to the employee by the end of this 90-day period, the employee shall receive economic recovery compensation pursuant to this section but reduced by the impairment compensation previously received by the employee for the same disability.

No further economic recovery compensation is payable even if the amount due the employee pursuant to subdivision 3a has not yet been reached.

If the consultant determines rehabilitation would significantly reduce or eliminate the decrease in employability, the employer or insurer in conjunction with the rehabilitation consultant shall submit a specific plan of rehabilitation to the commissioner. (d) The commissioner may waive rehabilitation consultation under this section if the commissioner is satisfied that the employee will return to work in the near future or that rehabilitation consultation will not be useful in returning an employee to work.

Sec. 74. Minnesota Statutes 1982, section 176.102, subdivision 5, is amended to read:

Subd. 5. [ON THE JOB TRAINING.] On the job training is to be given consideration in developing a rehabilitation plan especially where it would produce an economic status similar to that enjoyed prior to disability. ~~When a rehabilitation plan includes on the job training, the employee shall receive compensation while employed in an amount equal to the after tax wage the employee received at the time of the personal injury. This compensation shall~~

be paid in whole or in part by the insurer liable for compensation for the employee's personal injury. The amount of compensation to be paid by this insurer shall be determined in the rehabilitation plan prepared pursuant to this section. Any difference between the amount of compensation the insurer is paying and the after tax wage the employee received at the time of the personal injury shall be paid by the on the job employer, but in no case shall this employer's amount exceed the prevailing wage for the job. After tax wage shall be determined by subtracting federal and state income tax from the employee's gross wage.

A rehabilitation plan which includes on the job training shall attempt to create an incentive for an employer to hire the employee for on the job training. This incentive may be in the form of reducing the on the job training employer's wages paid to the employee to a level which is less than the prevailing wage for the job, provided that the total compensation from the insurer, required by this section, and the wages paid by the on the job training employer is not less than the after tax wage received by the employee at the time of the personal injury. The compensation from the insurer and the on the job training employer paid pursuant to this subdivision is in lieu of temporary total disability payments and the additional compensation provided in subdivision 11.

Sec. 75. Minnesota Statutes 1982, section 176.102, subdivision 6, is amended to read:

Subd. 6. [PLAN, ELIGIBILITY FOR REHABILITATION, APPROVAL AND APPEAL.] The commissioner of labor and industry shall determine eligibility for rehabilitation services and shall review, approve, modify or reject rehabilitation plans developed under subdivision 4. The commissioner shall also make determinations regarding rehabilitation issues not necessarily part of a plan including, but not limited to, determinations regarding whether an employee is eligible for further rehabilitation and the benefits under subdivisions 9 and 11 to which an employee is entitled. Any persons aggrieved by A decision of the commissioner may appeal be appealed to the rehabilitation review panel within 30 days of the commissioner's decision. The decision of the panel may be appealed to the workers' compensation court of appeals in the same manner as other matters appealed to the court. Sec. 76. Minnesota Statutes 1982, section 176.102, is amended by adding a subdivision to read:

Subd. 6a. [ELIGIBILITY DETERMINATION.] The commissioner has the sole authority under this chapter to determine eligibility for rehabilitation services under this section and to review, approve, modify, or reject rehabilitation plans and make other rehabilitation determinations pursuant to this chapter. Sec. 78. Minnesota Statutes 1982, section 176.102, subdivision 8, is amended to read:

Subd. 8. [PLAN MODIFICATION.] Upon request ~~of to the commissioner~~ by the employer, the insurer, or employee ~~to the commissioner, or upon the commissioner's own request~~, the plan may be suspended, terminated or altered upon a showing of good cause ~~therefor~~, including:

(a) a physical impairment that does not allow the employee to pursue the ~~vocation being trained for rehabilitation plan~~;

(b) the employee's performance level indicates ~~he cannot complete~~ the plan ~~will not be successfully completed~~; ~~or~~

(c) an employee does not cooperate with a plan-;

(d) ~~that the plan or its administration is substantially inadequate to achieve the rehabilitation plan objectives.~~

An employee may request a change in a rehabilitation plan once because ~~he the employee feels he is not suited~~ ill-suited for the type of work for which ~~training rehabilitation~~ is being provided ~~if the request is made within 90 days of the start of the plan if the rehabilitation plan includes retraining, this request must be made within 90 days of the beginning of the retraining program.~~ Any decision of the commissioner regarding a change in a plan may be appealed to the *rehabilitation review panel* within ~~45~~ 30 days of the decision.

An employee shall not be required to relocate and a refusal to relocate shall not result in a suspension or termination of compensation under this chapter; and*

(d) (f) Any other expense agreed to be paid.

Sec. 80. Minnesota Statutes 1982, section 176.102, subdivision 10, is amended to read:

Subd. 10. Sec. 81. Minnesota Statutes 1982, section 176.102, subdivision 11, is amended to read:

Subd. 11. [COMPENSATION DURING REHABILITATION RETRAINING.] ~~The insurer or employer shall pay up~~ *Retraining is limited to 156 weeks of compensation during rehabilitation under a plan in an amount equal to 125 percent of the employee's rate for temporary total disability. This payment is in lieu of payment for temporary total, temporary partial, or permanent total disability to which the employee might otherwise be entitled for this period under this chapter, but shall be considered to be the equivalent of temporary total disability for the purposes of section 176.132. If on the job training is part of the rehabilitation program, the weeks during which the insurer or employer pays compensation pursuant to subdivision 5 shall be subtracted from the 156 weeks of retraining compensation which has been paid, if any, pursuant to this subdivision. This subdivision shall not apply to retraining benefits for which liability has been established prior to July 1, 1979. This additional compensation shall cease at any time the commissioner determines the special circumstances are no longer present.*

Sec. 82. Minnesota Statutes 1982, section 176.102, is amended by adding a subdivision to read:

Subd. 11a. [APPLICABILITY OF SECTION.] *This section is applicable to all employees injured prior to or on and after October 1, 1979, except for those provisions which affect an employee's monetary benefits.*

Sec. 83. Minnesota Statutes 1982, section 176.102, is amended by adding a subdivision to read:

Subd. 12. A discontinuance under this section is governed by article 2, section 141.*

Sec. 84. [176.103] [MEDICAL HEALTH CARE REVIEW.]

Subdivision 1. [PURPOSE.] It is the purpose of this section to provide for review of clinical health care providers who render services to injured employees. This review shall be achieved by establishing a quality control system within the department of labor and industry.

The commissioner shall hire a medical consultant to assist in the administration of this section.

The medical consultant shall be a doctor of medicine licensed under the laws of Minnesota.

The medical consultant shall perform all duties assigned by the commissioner relating to the supervision of the total continuum of care of injured employees and shall also advise the department on matters on which the commissioner requests the consultant's advice or if the consultant deems it appropriate.

Subd. 2. [SCOPE.] The commissioner shall monitor the medical and surgical treatment provided to injured employees, the services of other health care providers and shall also monitor hospital utilization as it relates to the treatment of injured employees. This monitoring shall include determinations concerning the appropriateness of the service, whether the treatment is necessary and effective, the proper cost of services, the quality of the treatment, the right of providers to receive payment under this chapter for services rendered or the right to receive payment under this chapter for future services. The commissioner may penalize, disqualify, or suspend a provider from receiving payment for services rendered under this chapter, if the commissioner determines that the provider has violated any part of this chapter or rule adopted under this chapter. The commissioner's authority under this section also includes the authority to make determinations regarding any other activity involving the questions of utilization of medical services, and any other determination the commissioner deems necessary for the proper administration of this section.

The commissioner has the sole authority to make determinations under this section with a right of appeal to the medical services review board as provided in subdivision 3 and the workers' compensation court of appeals. A compensation judge has no jurisdiction in making determinations under this section.

Subd. 3. [MEDICAL SERVICES REVIEW BOARD; SELECTION; POWERS.] (a) There is created a medical services review board composed of the commissioner or the commissioner's designee as an ex officio member, two persons representing chiropractic, one person representing hospital administrators, and six medical practitioners representing different specialties which the commissioner determines are the most frequently utilized by injured employees. The board shall also have one person representing employees, one person representing employers or insurers, and one person representing the general public. The members shall be appointed by the commissioner and shall be governed by section 15.0575. Terms of the board's members may be renewed. The board shall appoint from among its clinical members a clinical advisory subcommittee on clinical quality and a clinical advisory subcommittee on clinical cost containment. Each subcommittee shall consist of at least three members one of whom shall be a member who is not a chiropractor or licensed physician.

The clinical quality subcommittee shall review clinical results for adequacy and recommend to the commissioner scales for disabilities and apportionment.

The clinical cost containment subcommittee shall review and recommend to the commissioner rates for individual clinical procedures and aggregate costs. The subcommittees shall make regular reports to the board and the commissioner which shall evaluate the reports for the purpose of determining whether or not a particular health care provider continues to qualify for payment under chapter 176 or is subject to any other sanctions or penalties authorized under this section and to determine whether an employee has been off work longer than necessary.

In evaluating the clinical consequences of the services provided to an employee by a clinical health care provider, the board shall consider the following factors in the priority listed:

- (1) the clinical effectiveness of the treatment;*
- (2) the clinical cost of the treatment; and*
- (3) the length of time of treatment.*

In its consideration of these factors, the board shall utilize the information and recommendations developed by the subcommittees. In addition, the board shall utilize any other data developed by the subcommittees pursuant to the duties assigned to the subcommittees under this section.

After making a determination, the board shall submit its recommendation in writing to the commissioner. The board shall advise the commissioner on the adoption of rules regarding all aspects of medical care and services provided to injured employees.

(b) The board shall appoint three of its members to hear appeals from decisions of the commissioner regarding quality control and supervision of medical care; any other disputes regarding medical, surgical, and hospital care; decisions regarding the eligibility of medical providers to receive payments; or any other determinations of the commissioner pursuant to subdivision 2. The three-member panel shall be composed of one member who does not represent a health care specialty, one member who represents the same specialty as the specialty at issue or, if the same specialty is not available, one member whose specialty is as close as possible considering the board's composition, and one member representing a different specialty. The three-member panel shall conduct a hearing in the same manner, giving the same notice and following other procedures required of the rehabilitation review panel in section 176.102, subdivision 3a. A majority vote of the three-member panel constitutes the decision of the full board. This decision may be appealed to the workers' compensation court of appeals.

(c) In any situation where a conflict of interest prevents the appointment of a full three-member panel or in any other situation where the commissioner deems it necessary to resolve a conflict of interest, the commissioner may appoint a temporary substitute board member to serve until the situation creating the conflict of interest has been resolved.

Sec. 85. [176.104] [REHABILITATION PRIOR TO DETERMINATION OF LIABILITY.]

Subdivision 1. [DISPUTE.] If there exists a dispute regarding whether an injury arose out of and in the course and scope of employment and an employee has been disabled for the requisite time under section 176.102, subdivision 4, prior to determination of liability, the employee shall be referred by the commissioner to the division of vocational rehabilitation which shall provide rehabilitation consultation. The services provided by the division of vocational rehabilitation and the scope and term of the rehabilitation are governed by section 176.102 and rules adopted pursuant to that section. Rehabilitation costs and services under this subdivision shall be approved, rejected, or modified by the commissioner.

Subd. 2. [LIABILITY FOR PAST REHABILITATION.] If liability is determined after the employee has commenced rehabilitation under this section the liable party is responsible for the cost of rehabilitation provided and approved by the commissioner. Future rehabilitation after liability is established is governed by section 176.102.

Sec. 86. Minnesota Statutes 1982, section 176.105, is amended by adding a subdivision to read:

Subd. 4. [LEGISLATIVE INTENT; RULES; LOSS OF MORE THAN ONE BODY PART.] (a) For the purpose of establishing a disability schedule pursuant to clause (b) of this subdivision, the legislature declares its intent that the commissioner establish a disability schedule which, assuming the same number and distribution of severity of injuries, the aggregate total of impairment compensation and economic recovery compensation benefits under section 176.101, subdivisions 3a to 3u be approximately equal to the total aggregate amount payable for permanent partial disabilities under section 176.101, subdivision 3, provided, however, that awards for specific injuries under the proposed schedule need not be the same as they were for the same injuries under the schedule pursuant to section 176.101, subdivision 3.

(b) The commissioner shall by rulemaking adopt procedures setting forth rules for the evaluation and rating of functional disability and the schedule for permanent partial disability and to determine the percentage of loss of function of a part of the body based on the body as a whole, including internal organs, described in section 176.101, subdivision 3, and any other body part not listed in section 176.101, subdivision 3, which the commissioner deems appropriate.

Temporary rules shall be adopted for this purpose not later than January 1, 1985. Prior to the adoption of these rules, at least one public hearing shall be held by the commissioner, in addition to the requirements of sections 14.29 to 14.36. Notwithstanding sections 14.29 to 14.36, the temporary rules adopted under this subdivision shall be effective until superseded by permanent rules. The rules shall promote objectivity and consistency in the evaluation of permanent functional impairment due to personal injury and in the assignment of a numerical rating to the functional impairment.

Prior to adoption of temporary rules the commissioner shall conduct an analysis of the current permanent partial disability schedule for the purpose of determining the number and distribution of permanent partial disabilities and the average compensation for various permanent partial disabilities. The commissioner shall consider setting the compensation under the pro-

posed schedule for the most serious conditions higher in comparison to the current schedule and shall consider decreasing awards for minor conditions in comparison to the current schedule.

The commissioner may consider, among other factors, and shall not be limited to the following factors in developing rules for the evaluation and rating of functional disability and the schedule for permanent partial disability benefits:

(1) the workability and simplicity of the procedures with respect to the evaluation of functional disability;

(2) the consistency of the procedures with accepted medical standards;

(3) rules, guidelines, and schedules that exist in other states that are related to the evaluation of permanent partial disability or to a schedule of benefits for functional disability provided that the commissioner is not bound by the degree of disability in these sources but shall adjust the relative degree of disability to conform to the expressed intent of clause (a);

(4) rules, guidelines, and schedules that have been developed by associations of health care providers or organizations provided that the commissioner is not bound by the degree of disability in these sources but shall adjust the relative degree of disability to conform to the expressed intent of clause (a);

(5) the effect the rules may have on reducing litigation;

(6) the treatment of preexisting disabilities with respect to the evaluation of permanent functional disability provided that any preexisting disabilities must be objectively determined by medical evidence; and

(7) symptomatology and loss of function and use of the injured member.

The factors in paragraphs (1) to (7) shall not be used in any individual or specific workers' compensation claim under this chapter but shall be used only in the adoption of rules pursuant to this section.

Nothing listed in paragraphs (1) to (7) shall be used to dispute or challenge a disability rating given to a part of the body so long as the whole schedule conforms with the expressed intent of clause (a).

(c) If an employee suffers a permanent functional disability of more than one body part due to a personal injury incurred in a single occurrence, the percent of the whole body which is permanently partially disabled shall be determined by the following formula so as to ensure that the percentage for all functional disability combined does not exceed the total for the whole body:

$$A + B (1 - A)$$

where: A is the greater percentage whole body loss of the first body part; and B is the lesser percentage whole body loss otherwise payable for the second body part.

For permanent partial disabilities to three body parts due to a single occurrence or as the result of an occupational disease, the above formula shall be applied, providing that A equals the result obtained from application of the formula to the first two body parts and B equals the percentage for the third body part. For permanent partial disability to four or more body parts

incurred as described above. A equals the result obtained from the prior application of the formula, and B equals the percentage for the fourth body part or more in arithmetic progressions.

Sec. 87. Minnesota Statutes 1982, section 176.111, subdivision 6, is amended to read:

Subd. 6. [SPOUSE, NO DEPENDENT CHILD.] ~~(a)~~ If the deceased employee leaves a dependent surviving spouse and no dependent child, there shall be paid to the spouse; ~~at the option of the spouse, either:~~

At that time there shall be paid to the dependent surviving spouse; ~~at the option of the spouse, either:~~

~~(1) A lump sum settlement equal to ten full years of compensation at a rate which is 16 2/3 percent less than the last weekly workers' compensation benefit payment, as defined in subdivision 8a; while the surviving child was a dependent; computed without regard to section 176.645; or~~

~~(2) weekly benefits at a rate which is 16 2/3 percent less than the last weekly workers' compensation benefit payment, as defined in subdivision 8a, while the surviving child was a dependent, for a period of ten years, including adjustments as provided in section 176.645.~~

~~(b) A surviving spouse who remarries shall receive:~~

~~(2) A lump sum settlement, for the benefit of the surviving spouse; equal to two full years of weekly benefits in an amount which equals the difference~~

between the benefit otherwise payable under clause (a) and the amount payable to the dependent child pursuant to clause (b)(1).

Sec. 89. Minnesota Statutes 1982, section 176.111, subdivision 8, is amended to read:

Subd. 8. [SPOUSE, TWO DEPENDENT CHILDREN.] ~~(a) If the deceased employee leaves a surviving spouse and two dependent children, there shall be paid to the surviving spouse for the benefit of the spouse and children 66 2/3 percent of the daily wage at the time of the injury of the deceased until the youngest last dependent child is no longer dependent. At that time the dependent surviving spouse shall be paid; at the option of the spouse, either:~~

~~(1) A lump sum settlement equal to ten full years of compensation at a rate which is 25 percent less than the last weekly workers' compensation benefit payment, as defined in subdivision 8a, while the last surviving child was a dependent, computed without regard to section 176.645; or~~

~~(2) weekly benefits at a rate which is 25 percent less than the last weekly workers' compensation benefit payment, as defined in subdivision 8a, while the surviving child was a dependent, for a period of ten years, adjusted according to section 176.645.~~

~~(b) A surviving spouse who remarries shall receive compensation, for the benefit of the children, allocated according to subdivision 10, until the youngest dependent child is no longer dependent as defined in subdivision 1 and, for the benefit of the surviving spouse, a lump sum settlement equal to two full years of weekly benefits in an amount which equals the difference between the benefit otherwise payable pursuant to clause (a) and the amount payable to the dependent children allocated according to subdivision 10, computed without regard to section 176.645.~~

Sec. 90. Minnesota Statutes 1982, section 176.111, is amended by adding a subdivision to read:

Subd. 9a. [REMARriage OF SPOUSE.] A surviving spouse who remarries and is receiving benefits under subdivisions 6, 7, or 8 shall continue to be eligible to receive weekly benefits for the remaining period that the spouse is entitled to receive benefits pursuant to this section.

Sec. 91. Minnesota Statutes 1982, section 176.111, subdivision 18, is amended to read:

Subd. 18. [BURIAL EXPENSE.] In all cases where death results to an employee from a personal injury arising out of and in the course of employment, the employer shall pay the expense of burial, not exceeding in amount ~~\$1,000~~ \$2,500. In case any dispute arises as to the reasonable value of the services rendered in connection with the burial, ~~such its~~ reasonable value shall be determined and approved by the commissioner of the department of labor and industry, a compensation judge, or workers' compensation court of appeals, in cases upon appeal, before payment, after ~~such~~ reasonable notice to interested parties as is required by the commissioner of the department of labor and industry. If ~~such~~ the disability continues for 10 *calendar* days or longer, ~~such~~ the compensation ~~shall be~~ is computed from the commencement of the disability. *Disability is deemed to commence on the first calendar day or fraction of a calendar day that the employee is unable to work.*

Sec. 93. [176.129] [CREATION OF THE SPECIAL COMPENSATION FUND.]

Subdivision 1. [DEPOSIT OF FUNDS.] The special compensation fund is created for the purposes provided for in this chapter. The state treasurer is the custodian of the special compensation fund. Sums paid to the commissioner pursuant to this section shall be deposited with the state treasurer for the benefit of the fund and used to pay the benefits under this chapter. Any interest or profit accruing from investment of these sums shall be credited to the special compensation fund. Subject to the provisions of this section, all the powers, duties, functions, obligations, and rights vested in the special compensation fund immediately prior to the effective date of this section are transferred to and vested in the special compensation fund recreated by this section. All rights and obligations of employers with regard to the special compensation fund which existed immediately prior to the effective date of this section continue, subject to the provisions of this section.

Subd. 2. [PAYMENTS TO FUND, DEATH.] In every case of death of an employee resulting from personal injury arising out of and in the course of employment where there are no persons entitled to monetary benefits of dependency compensation, the employer shall pay to the commissioner the sum of \$25,000 for the benefit of the special compensation fund. In every case of death of an employee resulting from personal injury arising out of and in the course of employment where there are no persons entitled to at least \$25,000 in monetary benefits of dependency compensation, the employer shall pay to the commissioner for the benefit of the special compensation fund the difference between the amounts actually paid for the dependency benefits and \$25,000; but in no event shall the employer pay the commissioner less than \$5,000.

Subd. 3. [PAYMENTS TO FUND, INJURY.] If an employee suffers a personal injury resulting in permanent partial disability, temporary total disability, temporary partial disability, permanent total disability, or death and the employee or the employee's dependents are entitled to compensation under sections 176.101 or 176.111 the employer shall pay to the commissioner a lump sum amount, without any interest deduction, equal to 20 percent of the total compensation payable. The rate under this subdivision shall remain constant and applies to injuries occurring after June 1, 1971, and prior to January 1, 1984, for payments made on or after January 1, 1984. This payment is to be credited to the special compensation fund and shall be in addition to any compensation payments made by the employer under this chapter. Payment shall be made as soon as the amount is determined and approved by the commissioner.

Subd. 4. [TIME OF INJURY.] Subdivision 3 applies to all workers' com-

persone payments paid under sections 176.101, 176.102, 176.111, or 176.135, for an injury or death occurring on or after June 1, 1971, but before January 1, 1984.

Payments made for personal injuries that occurred prior to June 1, 1971, shall be assessed at the rate in effect on the date of occurrence.

Subd. 5. [DETERMINATION OF AMOUNT PAYABLE.] (a) In addition to assessments under subdivisions 2 and 3, an employer shall, beginning in calendar year 1984, pay an assessment as provided in this subdivision. The assessment base shall be determined according to a method established by rule adopted by the commissioner. In determining this method, the commissioner shall consider, among other things, the frequency of indemnity claims, equity, potential for retaliation by other states against Minnesota insurers, administrative convenience, records maintained by employer's insurers and self-insurers, verification of underlying records, and degree of risk refinement. The assessment base shall not be determined by paid losses.

(b) Using the assessment base method established in clause (a), the commissioner shall annually determine the amount of the assessment base of each employer.

(c) The commissioner shall annually establish a uniform percentage rate to be applied to the assessment base determined pursuant to clause (b). In establishing this rate, the commissioner shall consider, among other things, the likely expenditures to be made by the special fund in the next calendar year, the current fiscal status of the fund, future expenditure trends, and the assessments estimated to be collected under subdivisions 2 and 3. The assessment rate multiplied by the assessment base of an employer is the assessment amount payable under this subdivision. The total amount assessed against all employers under this subdivision shall not exceed \$25,000,000 in calendar year 1984. The total amount which may annually be assessed under this subdivision may be increased by up to ten percent beginning on January 1, 1985, and each January 1 thereafter.

(d) An amount assessed pursuant to this subdivision is payable to the commissioner within 45 days of mailing notice of the amount due.

Subd. 6. [PAYMENTS OUT OF FUND.] The workers' compensation division, a compensation judge, the workers' compensation court of appeals, or district court in cases before them shall direct the distribution of benefits provided by this chapter. These benefits are payable in the same manner as other payments of compensation.

Subd. 7. [REFUNDS.] In case deposit is or has been made under subdivision 2 and dependency later is shown, or if deposit is or has been made pursuant to subdivision 2 or 3 by mistake or inadvertence, or under circumstances that justice requires a refund, the state treasurer is authorized to refund the deposit under order of the commissioner, a compensation judge, the workers' compensation court of appeals, or a district court. There is appropriated to the commissioner from the fund an amount sufficient to make the refund and payment.

Subd. 8. [COMMISSIONER AS ADMINISTRATOR.] The commissioner is the administrator of the special compensation fund. The special fund shall be designated a party in an action regarding any right, obligation, and lia-

bility of the special fund. The state treasurer, as custodian, does not have standing in an action determining any right, obligation, or liability of the special fund. The attorney general shall represent the special fund in all legal matters in which the special fund has an interest.

Subd. 9. [POWERS OF FUND.] In addition to powers granted to the special compensation fund by this chapter the fund may do the following:

(a) sue and be sued in its own name;

(b) intervene in or commence an action under this chapter or any other law, including, but not limited to, intervention or action as a subrogee to the division's right in a third-party action, any proceeding under this chapter in which liability of the special compensation fund is an issue, or any proceeding which may result in other liability of the fund or to protect the legal right of the fund;

(c) enter into settlements including but not limited to structured, annuity purchase agreements with appropriate parties under this chapter;

(d) contract with another party to administer the special compensation fund; and

(e) take any other action which an insurer is permitted by law to take in operating within this chapter.

Subd. 10. [PENALTY.] Sums paid to the commissioner pursuant to this section shall be in the manner prescribed by the commissioner. The commissioner may impose a penalty of up to 15 percent of the amount due under this section but not less than \$500 in the event payment is not made in the manner prescribed.

Sec. 165. [176.83] [RULES.]

In addition to any other section under this chapter giving the commissioner the authority to adopt rules, the commissioner may adopt, amend, or repeal rules to implement the provisions of this chapter. The rules include but are not limited to:

(a) rules necessary to implement and administer section 176.102, including the establishment of qualifications necessary to be a qualified rehabilitation consultant and the requirements to be an approved registered vendor of rehabilitation services.

In this regard, the commissioner shall impose fees under section 16A.128 sufficient to cover the cost of approving, registering and monitoring qualified rehabilitation consultants and approved vendors of rehabilitation services. The rules may also provide for penalties to be imposed by the commissioner against insurers or self-insured employers who fail to provide rehabilitation consultation to employees pursuant to section 176.102.

These rules may also establish criteria for determining "reasonable moving expenses" under section 176.102.

The rules shall also establish criteria, guidelines, methods, or procedures to be met by an employer or insurer in providing the initial rehabilitation consultation required under this chapter which would permit the initial consultation to be provided by an individual other than a qualified rehabilitation consultant. In the absence of rules regarding an initial consultation this consultation shall be conducted pursuant to section 176.102;

(b) rules establishing standards for reviewing and evaluating the clinical consequences of services provided by qualified rehabilitation consultants, approved registered vendors of rehabilitation services, and services provided to an employee by health care providers;

(c) rules establishing standards and procedures for determining whether or not charges for health services or rehabilitation services rendered under this chapter are excessive. In this regard, the standards and procedures

shall be structured to determine what is necessary to encourage providers of health services and rehabilitation services to develop and deliver services for the rehabilitation of injured employees.

The procedures shall include standards for evaluating hospital care, other health care and rehabilitation services to insure that quality hospital, other health care, and rehabilitation is available and is provided to injured employees;

(d) in consultation with the medical services review board or the rehabilitation review panel, rules establishing standards and procedures for determining whether a provider of health care services and rehabilitation services, including a provider of medical, chiropractic, podiatric, surgical, hospital or other services, is performing procedures or providing services at a level or with a frequency that is excessive, based upon accepted medical standards for quality health care and accepted rehabilitation standards.

If it is determined by the commissioner that the level, frequency or cost of a procedure or service of a provider is excessive according to the standards established by the rules, the provider shall not be paid for the excessive procedure, service, or cost by an insurer, self-insurer, or group self-insurer. In addition, the provider shall not be reimbursed or attempt to collect reimbursement for the excessive procedure, service, or cost from any other source, including the employee, another insurer, the special compensation fund, or any government program.

A health or rehabilitation provider who is determined by the commissioner to be consistently performing procedures or providing services at an excessive level or cost may be prohibited from receiving any further reimbursement for procedures or services provided under chapter 176. A prohibition imposed on a provider under this clause may be grounds for revocation or suspension of the provider's license or certificate of registration to provide health care or rehabilitation service in Minnesota by the appropriate licensing or certifying body.

The rules adopted under this clause shall require insurers, self-insurers, and group self-insurers to report medical and other data necessary to implement the procedures required by this clause;

(e) rules establishing procedures and standards for the certification of physicians, chiropractors, podiatrists, and other health care providers in order to assure the coordination of treatment, rehabilitation, and other services and requirements of chapter 176 for carrying out the purposes and intent of this chapter;

(f) rules necessary for implementing and administering the provisions of sections 176.131, 176.132, 176.134, sections 176.242 and 176.243; sections 176.251, 176.66 to 176.669, and rules regarding proper allocation of compensation under section 176.111. Under the rules adopted under section 176.111 a party may petition for a hearing before a compensation judge to determine the proper allocation. In this case the compensation judge may order a different allocation than prescribed by rule;

(g) rules establishing standards or criteria under which a physician, podiatrist, or chiropractor is selected or under which a change of physician, podiatrist, or chiropractor is allowed under section 176.135, subdivision 2;

(h) rules to govern the procedure for intervention pursuant to section 176.361;

(i) joint rules with either or both the workers' compensation court of appeals and the chief hearing examiner which may be necessary in order to provide for the orderly processing of claims or petitions made or filed pursuant to chapter 176;

(j) rules establishing criteria to be used by the division, compensation judge, and workers' compensation court of appeals to determine "suitable gainful employment" and "independent contractor".

The chief hearing examiner shall adopt rules relating to procedures in matters pending before a compensation judge in the office of administrative hearings.

The commissioner may adopt rules regarding requirements which must be met by individuals who are employed by insurers or self-insurers or claims servicing or adjusting agencies and who work as claims adjusters in the field of workers' compensation insurance.

The commissioner may adopt temporary rules establishing qualifications necessary to be a qualified rehabilitation consultant and penalties to be imposed against qualified rehabilitation consultants or approved vendors who violate this chapter or rules, including temporary rules, adopted under this chapter. In addition to the provisions of sections 14.29 to 14.36, at least one public hearing shall be held prior to the adoption of these temporary rules.

The commissioner may prescribe forms and other reporting procedures to be used by an employer, insurer, medical provider, qualified rehabilitation consultant, approved vendor of rehabilitation services, attorney, employee, or other person subject to the provisions of this chapter.

Sec. 166. [176.84] [SPECIFICITY OF NOTICE OR STATEMENT.]

All notices or statements required by this chapter including, but not limited to, notices or statements pursuant to sections 176.102; 176.221; 176.241; 176.242; and 176.243 shall be sufficiently specific to convey clearly, without further inquiry, the basis upon which the party issuing the notice or statement is acting. If the commissioner or compensation judge determines that a notice or statement is not sufficiently specific to meet the standard under this section, the notice or statement may be rejected as unacceptable and the party issuing it shall be informed of this. The rejected notice or statement may be amended to meet the requirement of this section or a new one may be filed.

Sec. 167. [176.85] [PENALTIES; APPEALS.]

Subdivision 1. [APPEAL PROCEDURE.] If the commissioner has assessed a penalty against a party subject to this chapter and the party believes the penalty is not warranted, the party may request that a formal hearing be held on the matter. Upon a request for a hearing the commissioner shall refer the matter to the chief hearing examiner for assignment to a compensation judge or hearing examiner.

The chief hearing examiner shall keep a record of the proceeding and provide a record pursuant to section 176.421.

The decision of the compensation judge or hearing examiner shall be final and shall be binding and enforceable. The decision may be appealed to the workers' compensation court of appeals.

Subd. 2. [EXCEPTION.] This section does not apply to penalties for which another appeal procedure is provided, including but not limited to penalties imposed pursuant to section 176.102 or article 2, section 85.

Subd. 3. [HEARING COSTS.] For purposes of this section, a hearing before a hearing examiner shall be treated in the same manner as a hearing before a compensation judge and no costs may be charged to the commissioner for the hearing, regardless of who hears it.

Sec. 168. Minnesota Statutes 1982, section 268.08, subdivision 3, is amended to read:

Subd. 3. [NOT ELIGIBLE.] An individual shall not be eligible to receive benefits for any week with respect to which he is receiving, has received, or has filed a claim for remuneration in an amount equal to or in excess of his weekly benefit amount in the form of

(2) vacation allowance paid directly by the employer for a period of requested vacation, including vacation periods assigned by the employer under the provisions of a collective bargaining agreement, or uniform vacation shutdown; or

(3) compensation for loss of wages under the workers' compensation law of this state or any other state or under a similar law of the United States, or under other insurance or fund established and paid for by the employer *except that this does not apply to an individual who is receiving temporary partial compensation pursuant to section 176.101, subdivision 3k*; or

(4) 50 percent of the pension payments from any fund, annuity or insurance maintained or contributed to by a base period employer including the armed forces of the United States if the employee contributed to the fund, annuity or insurance and all of the pension payments if the employee did not contribute to the fund, annuity or insurance; or

(5) 50 percent of a primary insurance benefit under Title II of the social security act as amended, or similar old age benefits under any act of congress or this state or any other state.

Provided, that if such remuneration is less than the benefits which would otherwise be due under sections 268.03 to 268.24, he shall be entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration; provided, further, that if the appropriate agency of such other state or the federal government finally determines that he is not entitled to such benefits, this provision shall not apply.

The report must:

(a) assess the pollution control problems and risks associated with each type and category of hazardous waste identified by the draft certification of need as eligible for disposal, before or after pretreatment, at a facility or facilities of the type and design selected by the board, and identify design and pretreatment alternatives or other methods for dealing with those problems and risks;

(b) identify at least one specific alternative technology for dealing with each waste which the report recommends should not be certified for disposal, and assess the pollution control problems and risks associated with the alternatives;

(c) assess the pollution control problems and risks associated with each standard and criteria contained in the plan and certification for determining the eligibility or ineligibility of waste for disposal;

Without limitation, rules or standards may relate to collection, transportation, processing, disposal, equipment, location, procedures, methods, systems or techniques or to any other matter relevant to the prevention, abatement or control of water, air, and land pollution which may be advised through the control of collection, transportation, processing, and disposal of solid waste and sewage sludge, and the deposit in or on land of any other material that may tend to cause pollution. By January 1, 1983, the rules for the management of sewage sludge shall include an analysis of the sewage sludge determined by the commissioner of agriculture to be necessary to meet the soil amendment labeling requirements of section 17.716.

Pursuant and subject to the provisions of chapter 14, and the provisions hereof, the pollution control agency may adopt, amend and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1971, Chapter 727, for the prevention, abatement, or control of noise pollution. Any such rule or standard may be of general application throughout the state, or may be limited as to times, places, circumstances or conditions in order to make due allowances for variations therein. Without limitation, rules or standards may relate to sources or emissions of noise or noise pollution, to the quality or composition of noises in the natural environment, or to any other matter relevant to the prevention, abatement, or control of noise pollution.

As to any matters subject to this chapter, local units of government may set emission regulations with respect to stationary sources which are more stringent than those set by the pollution control agency.

Pursuant to chapter 14, the pollution control agency may adopt, amend, and rescind rules and standards having the force of law relating to any purpose within the provisions of this chapter for *generators of hazardous waste*, the management, identification, labeling, classification, storage, collection, treatment, transportation, processing, and disposal of hazardous waste and *the location of hazardous waste facilities*. A rule or standard may be of general application throughout the state or may be limited as to time, places, circumstances, or conditions. ~~The public utilities commission, in cooperation with the pollution control agency, shall set standards for the transportation of hazardous waste in accordance with chapter 224.~~ In implementing its hazardous waste rules, the pollution control agency shall give high priority to providing planning and technical assistance to hazardous waste generators. The agency shall assist generators in investigating the availability and feasibility of both interim and long term hazardous waste management methods. The methods shall include waste reduction, waste separation, waste processing, resource recovery, and temporary storage.

The pollution control agency shall give highest priority in the consideration of permits to authorize disposal of diseased shade trees by open burning at designated sites to evidence concerning economic costs of transportation and disposal of diseased shade trees by alternative methods.

Sec. 45. Minnesota Statutes 1982, section 116.07, is amended by adding a subdivision to read:

Subd. 4d. [HAZARDOUS WASTE PROCESSING FACILITIES; AGREEMENTS; FINANCIAL RESPONSIBILITY.] When the agency issues a permit for a facility for the processing of hazardous waste, the

agency may approve as a condition of the permit an agreement by which the permittee indemnifies the generators of hazardous waste accepted by the facility for part or all of any liability which may accrue to the generators as a result of a release or threatened release of a hazardous waste from the facility. The agency may approve an agreement under this subdivision only if the agency determines that the permittee has demonstrated financial responsibility to carry out the agreement during the term of the permit. If a generator of hazardous waste accepted by a permitted processing facility is held liable for costs or damages arising out of a release of a hazardous waste from the facility, and the permittee is subject to an agreement approved under this subdivision, the generator is liable to the extent that the costs or damages were not paid under this agreement.

Sec. 46. Minnesota Statutes 1982, section 473.149, subdivision 2b, is amended to read:

Subd. 2b. [INVENTORY OF SOLID WASTE DISPOSAL SITES.] By ~~February 1, 1982~~ *September 1, 1983*, the council shall adopt by resolution an inventory of eligible solid waste disposal sites and buffer areas within the metropolitan area. The council's inventory shall be composed of the sites and buffer areas proposed by the counties and reviewed and approved by the council pursuant to section 473.803, subdivision 1a. If a county does not have an approved inventory of the *required number of sites by June 1, 1983*, the council shall ~~adopt the required inventory for the county~~, *following* begin investigations ~~by the council~~ and public hearings ~~as the council deems appropriate in order to adopt the required inventory for the county by September 1, 1983~~. The council's inventory shall satisfy all requirements and standards described in section 473.803, subdivision 1a, for sites and buffer areas proposed by counties. For sites and buffer areas included in the council's inventory, the ~~moratorium~~ *development limitation* imposed under section ~~473.803 59~~, subdivision ~~1a 1~~, shall extend until ~~October 1, 1983~~ *90 days following the selection of sites pursuant to section 473.833, subdivision 3*.

Sec. 47. Minnesota Statutes 1982, section 473.149, subdivision 2c, is amended to read:

Subd. 2c. [REPORT ON LOCAL EFFECTS OF SOLID WASTE DISPOSAL FACILITIES; REPORT TO LEGISLATURE.] By ~~August 15, 1982~~ *November 1, 1983*, the council shall report to the legislative commission on methods of mitigating and compensating for the local risks, costs, and other adverse effects of solid waste disposal facilities and on methods of financing mitigation and compensation measures. The methods of mitigating and compensating to be considered shall include but not be limited to the following: *compensation to landowners for damages resulting from the selection of a site for the inventory of sites or for development as a facility*, payment outside of levy limitations in lieu of taxes for all property taken off the tax rolls; preference for the city or town containing a facility in federal A-95 reviews conducted by the council; payment of all costs to service the facilities including the costs of roads, monitoring, inspection, enforcement, police and fire, and litter clean up costs; payment for buffer zone amenities and improvements; city or town control over buffer zone design; elimination of the tipping charge for solid waste collected in the city or town; a guarantee against any and all liability that may occur; payment for reclamation of closed sites to local design specifications.

Sec. 48. Minnesota Statutes 1982, section 473.149, subdivision 2d, is amended to read:

Subd. 2d. [LAND DISPOSAL ABATEMENT PLAN.] By January 1, ~~1983~~ 1984, after considering county land disposal abatement proposals submitted pursuant to section 473.803, subdivision 1b, the council shall amend its policy plan to include specific and quantifiable objectives for abating the land disposal of mixed municipal solid waste. The plan shall include a reduced estimate, based on the council's abatement objectives, of the added solid waste disposal capacity needed in appropriate sectors of the metropolitan area, stated in annual increments through the year 1990 and thereafter in five year increments through the year 2000. The objectives in the plan shall be based upon standards for county resource recovery and waste reduction and separation programs and activities. The plan shall include standards and procedures to be used by the council in determining that metropolitan counties have not implemented the council's land disposal abatement plan and have not met the standards for county abatement programs and activities. The council shall report to the legislative commission on its abatement plan and on legislation that may be required to implement the plan.

Sec. 49. Minnesota Statutes 1982, section 473.149, subdivision 2e, is amended to read:

Subd. 2e. [SOLID WASTE DISPOSAL FACILITIES DEVELOPMENT SCHEDULE.] By January 1, ~~1983~~ 1984, after requesting and considering recommendations from the counties, cities, and towns, the council as part of its policy plan shall determine the number *and capacity* of sites to be acquired within each metropolitan county for solid waste disposal facilities in accordance with section 473.833. The council shall adopt a schedule for development of disposal facilities by each ~~such~~ county through the year 2000. The schedule shall be based upon the council's reduced estimate of the disposal capacity needed because of the council's land disposal abatement plan. *The council may make the implementation of elements of the schedule contingent on actions of the counties in adopting and implementing county abatement plans pursuant to section 473.803, subdivision 1b; and the council shall review the development schedule at least every two years and shall revise the development schedule as it deems appropriate based on the progress made in the adoption and implementation of the council and county abatement plans.* The schedule may include procedures to be used by counties in selecting sites for acquisition pursuant to section 473.833. The schedule shall include standards and procedures for council certification of need pursuant to section 473.823. The schedule shall include a facility closure schedule and plans for post-closure management and disposition, for the use of property after acquisition and before facility development, and for the disposition of property and development rights, as defined in section 473.833, no longer needed for disposal facilities. The schedule shall also include a closure schedule and plans for post-closure management for facilities in existence ~~prior to January 1, 1983~~ before the adoption of the development schedule.

Sec. 50. Minnesota Statutes 1982, section 473.149, subdivision 4, is amended to read:

Subd. 4. [ADVISORY COMMITTEE.] The council shall establish an ad-

visory committee to aid in the preparation of the policy plan, the performance of the council's responsibilities under subdivisions 2 to 2e, the review of county master plans and reports and applications for permits for waste facilities, under sections 473.151 and 473.801 to 473.823 and sections 473.827, 473.831 and 473.833, and other duties determined by the council. The committee shall consist of one-third citizen representatives, one-third representatives from metropolitan counties and municipalities, and one-third representatives from private waste management firms. From ~~October 1, 1981 to January 1, 1983~~ *at least the date that the council adopts the inventory under subdivision 2b to the date that the council adopts a development schedule under subdivision 2e*, for the purpose only of participating in the preparation of the legislative report required by subdivision 2c ~~and~~, the land disposal abatement plan required by subdivision 2d, *and the development schedule required by subdivision 2e*, additional members shall be included on the advisory committee sufficient to assure that at least one-third of the members of the committee are residents of cities or towns containing eligible solid waste disposal sites included in the council's disposal site inventory, and that counties containing three sites have at least two additional members and counties containing one or two sites have at least one additional member. A representative from the pollution control agency, one from the waste management board established under section 115A.04, and one from the Minnesota health department shall serve as ex officio members of the committee.

Sec. 51. Minnesota Statutes 1982, section 473.153, subdivision 2, is amended to read:

Subd. 2. [CANDIDATE SITE SELECTION.] ~~By December 15, 1981,~~ The council shall select ~~six~~ candidate sites for the disposal of the commission's sewage sludge and solid waste, together with appropriate surrounding buffer areas. *The council shall select at least four candidate sites by September 1, 1983.* The council shall evaluate sites for candidacy on the basis of at least the following factors: local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities, distance from the points of generation, and the intrinsic suitability of sites compared with other potential sites. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of the council, counties, or local units of government, no land shall be excluded from consideration for candidacy except land determined by the agency to be intrinsically unsuitable. No site shall be selected for candidacy unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on-site surveys and investigations conducted by the council. The council shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed as candidate sites as soon as available ~~but no later than August 15, 1981.~~ *By September 1, 1981,* The council shall propose at least six locations as candidate sites and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. The director shall publish notice of a consolidated hearing on the recommendation. Notice shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to local government units containing a proposed candidate site. The hearing shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and

present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the council and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly ~~by December 1, 1981~~ *within 90 days of the council's proposal of a site.* The agency shall not be required to promulgate rules pursuant to chapter 14 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. In selecting candidate sites, the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility.

Sec. 52. Minnesota Statutes 1982, section 473.153, subdivision 5, is amended to read:

Subd. 5. [ENVIRONMENTAL AND PERMIT REVIEW.] An environmental impact statement ~~meeting the requirements of chapter 116D~~ *shall must be completed on each candidate site, provided that the environmental effects of the council's decisions required by subdivision 6.* The statement ~~shall must be finally accepted or rejected within 280 days of the selection of candidate sites.~~ *Within 90 days following the acceptance of the statement, the agency shall indicate the conditions and terms of approval of all permits needed at each candidate site prepared and reviewed in accordance with chapter 116D and the rules issued pursuant thereto, except as otherwise required by this section. The statement must not address or reconsider alternatives eliminated from consideration pursuant to subdivisions 1 and 2 and must not address the matters to be decided by the council pursuant to subdivision 6b.*

Sec. 53. Minnesota Statutes 1982, section 473.153, is amended by adding a subdivision to read:

Subd. 5a. [AGENCIES; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.] *Within 30 days following the council's determination of adequacy pursuant to subdivision 5, the chief executive officer of each permitting state agency shall issue to the council reports on permit conditions and permit application requirements at each candidate site. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of permits and the probable supplementary documentation that will be required for permit applications. The reports must be consistent with the establishment of facilities in accordance with the requirements of this section, must not address or reconsider alternatives eliminated from consideration under subdivisions 1 and 2, and must not address the matters to be decided by the council pursuant to subdivision 6b.*

Sec. 54. Minnesota Statutes 1982, section 473.153, subdivision 6, is amended to read:

Subd. 6. [COUNCIL SITE SELECTION.] Within 90 days following the

agency's decision on permit conditions and terms determination of adequacy, the council shall select at least one of the candidate sites for acquisition and development by the commission. Before its selection the council shall consult with the advisory committee and affected counties, cities, and towns.

Sec. 55. Minnesota Statutes 1982, section 473.153, subdivision 6b, is amended to read:

Subd. 6b. [CERTIFICATION OF NEED.] No new facility for disposing of ~~sludge, ash,~~ and other waste generated by the commission shall be permitted in the metropolitan area without a certification of need issued by the council indicating the council's determination:

(a) that the disposal of waste with concentrations of hazardous materials is necessary; and

(b) that the additional ash disposal capacity planned for the facility is needed.

The council shall certify need only to the extent that there are no feasible and prudent methods of reducing the concentrations of hazardous materials in the waste and no feasible and prudent alternatives to the ash disposal facility, *including large-scale composting and co-composting of sludge*, which would minimize adverse impact upon natural resources. Methods and alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of methods or alternatives, *including large-scale composting and co-composting of sludge as an alternative to incineration*. *In its certification the council shall not consider alternatives which have been eliminated from consideration by the selection of sites pursuant to subdivisions 2 and 6.*

Sec. 56. Minnesota Statutes 1982, section 473.153, is amended by adding a subdivision to read:

Subd. 6c. [CERTIFICATION OF NEED; RESTRICTION.] *No certification of need may be issued by the council pursuant to subdivision 6b until the report required by this subdivision is submitted to the legislative commission on waste management. The council shall submit the report by January 1, 1984. The report shall evaluate the potential of large-scale sewage sludge composting and co-composting to reduce the need for sewage sludge incineration, sewage sludge ash disposal, and mixed municipal solid waste land disposal; recommend institutional arrangements necessary for the implementation of large-scale sewage sludge composting and co-composting; and compare the costs and benefits of composting and co-composting with the costs, including costs already incurred, and the benefits of incineration.*

Sec. 57. Minnesota Statutes 1982, section 473.803, subdivision 1a, is amended to read:

Subd. 1a. [PROPOSED INVENTORY OF DISPOSAL SITES.] By October 15, 1981, each county shall adopt, by resolution of its governing body, an inventory of four proposed sites in the county suitable for mixed municipal solid waste disposal facilities ~~and one proposed site in the county suitable for the disposal of demolition debris~~ and shall submit the inventory to the council for approval or disapproval. The council shall evaluate and ap-

prove or disapprove each proposed site in accordance with the standards set out in this subdivision. Except as otherwise provided in this subdivision, each site shall satisfy the standards and criteria in federal and state regulations and the council's policy plan for solid waste management. In proposing and approving sites for the inventory, the counties and the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility. Each site shall contain no less than 80 acres and no more than 250 acres. Each proposed site shall be surrounded by a buffer area at least equal to the area of the site. No site shall be adopted by a county or the council as part of an inventory unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on site surveys and investigations conducted by the county. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of any state agency or political subdivision, no land shall be excluded from consideration for inclusion in the inventory except land determined by the agency to be intrinsically unsuitable. Each county shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed for the inventory as soon as available ~~but no later than June 15, 1981~~. By July 1, 1981 each county shall propose at least the number of sites required for the inventory, and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. Notice of hearings on the director's recommendation shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to the metropolitan council and local government units containing a proposed inventory site. A hearing shall be held in each metropolitan county and shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the county and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly ~~by October 1, 1981~~ *within 90 days of the county's proposal of a site*. The agency shall not be required to promulgate rules pursuant to chapter 15 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. The council shall evaluate each site with respect to local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities and other services and facilities appropriate to land disposal facilities, the quality of other potential sites, and patterns of generation of solid waste. The council shall notify a county of any site proposed by the county which the council disapproves and shall allow the county 60 days to propose an alternative site. If the county fails to propose an alternative acceptable to the council in the time allowed, the council shall propose a site acceptable to it for inclusion in the inventory of sites in that county. If in the council's judgment a county does not contain the requisite number of satisfactory

sites, the council may reduce the number of sites required of that county.

In order to permit the comparative evaluation of sites and the participation of affected localities in decisions about the use of sites, a moratorium is hereby imposed as provided in this subdivision on development within the area of each site and buffer area proposed by a county, pending the council's adoption of an inventory pursuant to section 473.149, subdivision 2b. For sites and buffer areas included in the council's inventory, the moratorium shall extend until October 1, 1983, except that the council may at any time, with the approval of the county in which the site is located, abrogate the application of the moratorium to a specific site or sites or buffer areas. No development shall be allowed to occur within the area of a site or buffer area during the period of the moratorium without the approval of the council. No county, city, or town land use control shall permit development which has not been approved by the council, nor shall any county, city, or town sanction or approve any subdivision, permit, license, or other authorization which would allow development to occur which has not been approved by the council. The council shall not approve actions which would jeopardize the availability of a site for use as a solid waste facility. The council may establish guidelines for reviewing requests for approval under this subdivision. Requests for approval shall be submitted in writing to the chairman of the council and shall be deemed to be approved by the council unless the chairman otherwise notifies the submitter in writing within 15 days.

Sec. 58. Minnesota Statutes 1982, section 473.803, subdivision 1b, is amended to read:

Subd. 1b. [LAND DISPOSAL ABATEMENT.] By April 1, 1982, after considering the council's disposal abatement report submitted to the counties pursuant to section 473.149, subdivision 2a, each county shall submit to the council a proposal to reduce to the greatest feasible and prudent extent the need for and practice of land disposal of mixed municipal solid waste. The proposal shall address at least waste reduction, separation, and resource recovery. The proposal shall include objectives, immediately and over specified time periods, for reducing the land disposal of mixed municipal solid waste generated within the county. The proposal shall describe specific functions to be performed and activities to be undertaken by the county and cities and towns within the county to achieve the objectives and shall describe the estimated cost, proposed manner of financing, and timing of the functions and activities. The proposal shall include alternatives which could be used to achieve the objectives if the proposed functions and activities are not established. By June 1, 1983, Each county shall revise its master plan to include a land disposal abatement element to implement the council's land disposal abatement plan adopted under section 473.149, subdivision 2d, and shall submit the revised plan to the council for review under subdivision 2 within nine months after the adoption of the council's abatement plan. The proposal and master plan revision required by this subdivision shall be prepared in consultation with cities and towns within the county, particularly the cities and towns in which a solid waste disposal facility is or may be located pursuant to the county master plan.

Sec. 59. [473.806] [INVENTORY OF DISPOSAL SITES; DEVELOPMENT LIMITATIONS.]

Subdivision 1. [COUNCIL APPROVAL REQUIRED.] In order to permit

the comparative evaluation of sites and the participation of affected localities in decisions about the use of sites, a metropolitan development limitation is hereby imposed as provided in this subdivision on development within the area of each site and buffer area proposed by a county pursuant to section 473.803, subdivision 1a, pending the council's adoption of an inventory pursuant to section 473.149, subdivision 2b. For sites and buffer areas included in the council's inventory, the limitation shall extend until 90 days following the selection of sites pursuant to section 473.833, subdivision 3, except that the council may at any time, with the approval of the county in which the site is located, abrogate the application of the limitation to a specific site or sites or buffer areas. No development shall be allowed to occur within the area of a site or buffer area during the period of the metropolitan development limitation without the approval of the council. No county, city, or town land use control shall permit development which has not been approved by the council, nor shall any county, city, or town sanction or approve any subdivision, permit, license, or other authorization which would allow development to occur which has not been approved by the council. The council shall not approve actions which would jeopardize the availability of a site for use as a solid waste facility. The council may establish guidelines for reviewing requests for approval under this subdivision. Requests for approval shall be submitted in writing to the chairman of the council and shall be deemed to be approved by the council unless the chairman otherwise notifies the submitter in writing within 15 days.

Subd. 2. [ACQUISITION OF TEMPORARY DEVELOPMENT RIGHTS.] If pursuant to subdivision 1 the council refuses to approve development which is permitted by local development plans, land use classification, and zoning and other official controls applying to the property on February 1, 1983, the land owner may elect to have the county purchase temporary development rights to the property for the period extending from the date when the council approved the site which affects the property for inclusion in the metropolitan inventory of sites until July 1, 1985. The election must be made within 30 days of the council's decision to refuse to approve development. The council shall provide funds, from the proceeds of the bonds issued pursuant to section 473.831, for the county to purchase the temporary development rights. The land owner's compensation shall be determined by the agreement of the owner, the county, and the council. If the parties cannot agree within 60 days of the owner's election, the county shall acquire the temporary development rights through eminent domain proceedings, and the land owner's compensation shall be the fair market value of the temporary development rights.

Sec. 60. Minnesota Statutes 1982, section 473.811, subdivision 1a, is amended to read:

Subd. 1a. [RIGHT OF ACCESS.] Whenever the county or county site selection authority deems it necessary to the evaluation of a waste facility for enforcement purposes or to the evaluation of a site or buffer area for inclusion in the inventory of disposal sites pursuant to section 473.149, subdivision 2b, and section 473.803, subdivision 1a, or for selection or final acquisition under section 473.833, or for the accomplishment of any other purpose under sections 473.149, 473.153, and 473.801 to 473.834, the county, county site selection authority or any member, employee, or agent

thereof, when authorized by it, may enter upon any property, public or private, for the purpose of obtaining information or conducting surveys or investigations, provided that the entrance and activity is undertaken after reasonable notice and during normal business hours and provided that compensation is made for any damage to the property caused by the entrance and activity.

Sec. 61. Minnesota Statutes 1982, section 473.823, subdivision 6, is amended to read:

Subd. 6. [COUNCIL; CERTIFICATION OF NEED.] No new mixed municipal solid waste disposal facility shall be permitted in the metropolitan area without a certificate of need issued by the council indicating the council's determination that the additional disposal capacity planned for the facility is needed in the metropolitan area. The council shall amend its policy plan, adopted pursuant to section 473.149, to include standards and procedures for certifying need. The standards and procedures shall be based on the council's disposal abatement plan adopted pursuant to section 473.149, subdivision 2d, and the abatement master plans of counties adopted pursuant to section 473.803, subdivision 1b. The council shall certify need only to the extent that there are no feasible and prudent alternatives to the disposal facility, including waste reduction, source separation and resource recovery which would minimize adverse impact upon natural resources. Alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of alternatives. *In its certification the council shall not consider alternatives which have been eliminated from consideration by the adoption of the inventory pursuant to section 473.149, subdivision 2b, or the selection of sites under section 473.833, subdivision 3.*

Sec. 62. Minnesota Statutes 1982, section 473.831, is amended to read:

473.831 [DEBT OBLIGATIONS; SOLID WASTE DISPOSAL.]

Subdivision 1. [GENERAL OBLIGATION BONDS.] The council may by resolution authorize the issuance of general obligation bonds of the council to provide funds for the environmental analysis and acquisition of *permanent or temporary right, title, or interest in real property, including easements and development rights*, for sites and surrounding buffer areas for ~~development~~ as solid waste disposal facilities pursuant to this section and section 473.833 and to provide funds for refunding obligations issued under this section. The bonds shall be sold, issued, and secured in the manner provided in chapter 475 for general obligation bonds, and the council shall have the same power and duties as a municipality and its governing body in issuing bonds under chapter 475, except as otherwise provided in this chapter. No election shall be required, and the net debt limitations in chapter 475 shall not apply. The council shall have the power levy ad valorem taxes for debt service of the council's solid waste bonds upon all taxable property within the metropolitan area, without limitation of rate or amount and without affecting the amount or rate of taxes which may be levied by the council for other purposes or by any local government unit in the area. Each of the county auditors shall annually assess and extend upon the tax rolls in his county the portion of the taxes levied by the council in each year which is certified to him by the council. The principal amount of bonds issued pur-

suant to this section shall not exceed \$15,000,000.

Subd. 2. [USE OF PROCEEDS.] The proceeds of bonds issued under subdivision 1 shall be used pursuant to section 473.833, by the council, for the purposes provided in subdivision 1 and to make grants to metropolitan counties to pay the cost of the *environmental review of sites, the acquisition of development rights for all or part of the period that the development limitation imposed by section 473.806 is in effect, and the acquisition of all property or interests in property for solid waste disposal sites and surrounding buffer areas required to be acquired by the county, pursuant to section 473.833, by the council's policy plan and development schedule adopted pursuant to section 473.149, subdivision 2e.* If the council is required by law or regulation to prepare environmental analyses on one or more solid waste disposal sites and surrounding buffer areas, the council may use the proceeds of the bonds issued under subdivision 1 to contract for consultant services in the preparation of such analyses only upon a finding that equivalent expertise is not available among its own staff.

Sec. 63. Minnesota Statutes 1982, section 473.833, subdivision 2a, is amended to read:

Subd. 2a. [ENVIRONMENTAL ANALYSIS IMPACT STATEMENT.] ~~By January 1, 1983, Each metropolitan county shall complete an analysis comparing environmental impact statement on the environmental effects of solid waste disposal facilities at the sites in the county which are included in the metropolitan inventory of solid waste disposal sites adopted by the metropolitan council pursuant to section 473.149, subdivision 2b the decision required by subdivision 3. The analysis statement shall be in detail sufficient, in the judgment of the county board, to inform adequately the county site selection authority established under subdivision 3 of the environmental effects of facilities at sites within the county and to assure that facilities at the sites can reasonably be expected to qualify for permits in accordance with the rules of the agency prepared and reviewed in accordance with chapter 116D and the rules issued pursuant thereto, except as otherwise required by section 473.149 and this section. The determination of adequacy must be made within one year following the council's adoption of the facilities development schedule pursuant to section 473.149, subdivision 2e. The statement must be consistent with the establishment of facilities in accordance with the requirements of the council's development schedule, must not address or reconsider alternatives eliminated from consideration under sections 473.149, 473.803, subdivisions 1, 1a, and 1b, and this section, and must not address matters to be determined by the council under section 473.823, subdivision 6. The statement must address matters respecting permitting under section 473.823 only to the extent deemed necessary for the siting decision required by subdivision 3 of this section. The pollution control agency and the council shall assist and advise counties in the scoping decision and the preparation notice.~~

Sec. 64. Minnesota Statutes 1982, section 473.833, is amended by adding a subdivision to read:

Subd. 2b. [AGENCIES; COUNCIL; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.] *Within 30 days following the county's determination of adequacy under subdivision 2a, the chief ex-*

ecutive officer of the metropolitan council and each permitting state agency shall issue to the county reports on permit conditions and permit application requirements at each site in the county. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of permits and the probable supplementary documentation and environmental review that will be required for permit applications pursuant to chapter 116 and section 473.823. A report may recommend that a site should be dropped from consideration because of information in the environmental impact statement showing that the site is environmentally unsuitable for land disposal and unlikely to qualify for permits. The reports must be consistent with the establishment of facilities in accordance with the requirements of the council's development schedule adopted under section 473.149, subdivision 2e, must not address or reconsider alternatives eliminated from consideration under sections 473.149, 473.803, subdivisions 1, 1a, and 1b, and this section, and must not address matters to be determined by the council under section 473.823, subdivision 6.

Sec. 65. Minnesota Statutes 1982, section 473.833, subdivision 3, is amended to read:

Subd. 3. [COUNTY SITE SELECTION AUTHORITIES.] Each metropolitan county shall establish a site selection authority. ~~By June 1, 1983~~ Within 90 days following the county's determination of adequacy under subdivision 2a, each site selection authority shall select specific sites within the county from the council's disposal site inventory, in accordance with the procedures established by the council under section 473.149, subdivision 2e, and in a number and capacity equal to that required by the council to be acquired by the county. Each site selection authority shall be composed of the county board, plus one member appointed by the governing body of each city or town within the county containing a site in the council's disposal site inventory or the majority of the land contained within such a site. If the number of members on the site selection authority who reside in a city or town containing all or part of a site or buffer area is equal to or greater than the number of members who do not, the chairman of the county board shall appoint to the authority an additional member or members, residing within the county but not within a city or town containing all or part of a site or buffer area, sufficient to assure a majority of one on the authority of members residing in cities and towns not containing all or any part of a site or buffer area. The chairman of the county board shall be the chairman of the site selection authority. If a site selection authority has not selected the requisite number and capacity of sites in accordance with the council's standards, criteria, and procedures ~~by June 1, 1983~~ within the time allowed by this subdivision, the council shall make the selection.

Sec. 66. Minnesota Statutes 1982, section 473.833, subdivision 7, is amended to read:

Subd. 7. [FAILURE OF COUNTIES TO ACQUIRE; REPORT TO LEGISLATURE.] If any county fails to identify property for acquisition or ~~if any county refuses~~ to proceed with *environmental analysis and acquisition*, as required by this section and the council's disposal facility development schedule adopted pursuant to section 473.149, subdivision 2e, the council shall prepare and recommend ~~to the legislature, no later than January 1, 1984,~~

legislation to transfer solid waste management authority and responsibility in the metropolitan area from the counties to the waste control commission or a new metropolitan commission established for that purpose.

Sec. 67. [SLUDGE INCINERATION.]

The metropolitan waste control commission established by section 473.503 may not acquire or expand additional incineration facilities, or plan or undertake studies for such acquisition and expansion, until the report required by section 56 is submitted.

Sec. 68. [COUNTY FINANCING OF FACILITIES.]

The counties of Washington and Ramsey, separately or jointly, may, by resolution, authorize the issuance of bonds or other obligations, including initial obligations in an amount not to exceed an aggregate amount of \$4,000,000 issued to finance solely preliminary costs such as site acquisition and preparations and legal, engineering, financial, and planning services, to provide funds to acquire or better solid waste and related facilities, including transmission facilities and property or property rights for a solid waste or related facility, or to refund any outstanding obligations issued for that purpose.

Any later formation of a solid waste management district under Minnesota Statutes, chapter 115A, or contemplated sale or lease of any of the facilities or their work product to a private person, after the county or solid waste management district has incurred the costs of the facilities or work product, shall not restrict or limit the use of the proceeds of the bonds or other obligations.

The county may pledge to the payment of the obligations and the interest on them,

(a) its full faith, credit, and taxing powers;

(b) the proceeds of any designated tax levies;

(c) the gross or net revenues or charges to be derived from any facility operated by or for the county;

(d) the proceeds of any anticipating refunding obligations, state or federal loan or grant, or any sale of the facilities or their work product;

(e) any other funds of the county; or

(f) any combination of the foregoing.

Taxes levied for the payment of the obligations and interest shall not reduce the amounts of other taxes which the county is authorized by law to levy.

The proceeds of the bonds may be used in part to establish a reserve as further security for the payment of the principal and interest when due and to pay the cost of interest accruing on the obligations before six months after the date the facilities are first placed in service.

Revenue bonds issued pursuant to this section may be sold at public or private sale upon the conditions the county board shall determine, but any bonds to which the full faith and credit and taxing powers of the county are pledged shall be sold in accordance with Minnesota Statutes, chapter 475.

No election shall be required to authorize the issuance of the obligations, and the debt limitations of chapter 475 or other law shall not apply to the obligations. The obligations may mature at a time or times, and in amounts, as the county board determines.

The county may covenant to refund, to the extent necessary, any temporary obligations with a term of no more than four years, in which event the tax which would otherwise be required by section 475.61, subdivision 1, need not be required. The interest rate on temporary obligations may be fixed at the time of sale or be adjusted from time to time based on an index related to the cost of borrowing, and the price at which the temporary obligations may be sold may be at any amount determined most favorable by the county board, but the resulting composite interest rate may not exceed the rate permitted under section 475.55.

Except as provided in this section, the obligations shall be issued and sold in accordance with chapter 475.

Sec. 69. [DISTRICT FORMATION.]

Notwithstanding any contrary provisions of Minnesota Statutes, section 115A.63, subdivision 3, or other law, Ramsey and Washington counties, before establishing a waste management district solely within their boundaries, need not demonstrate that they are unable to fulfill the purposes of a district through joint action under Minnesota Statutes, section 471.59.

Sec. 70. [POWERS ADDITIONAL AND SUPPLEMENTAL.]

The powers conferred by sections 68 and 69 are in addition and supplemental to the powers conferred by any other law or charter. Insofar as any other law or charter is inconsistent with sections 68 and 69, the provisions of sections 68 and 69 control as to facilities authorized under those sections.

Sec. 71. Laws 1980, chapter 449, section 3, is amended to read:

Sec. 3. The city, by resolution of the city council, may borrow for the payment of capital costs of the system, may establish and collect from all public and private persons, including persons operating waste collection and delivery services, charges for the use and or availability of the facilities of the system; and. The city may establish charges, and may levy special assessments upon properties deemed to be specially benefited by particular facilities, in the same manner and to the same extent and with the same force and effect as provided in the case of sewage treatment and disposal systems in Minnesota Statutes, Sections 115.46 and 444.075, and Chapter 429, as far as practicable. Charges for availability of facilities may be established on any equitable basis including the cost of furnishing the facilities. An election shall not be required upon the issuance of general obligation bonds or the incurring of any lease or purchase obligation for this purpose except as provided in section 4, and the bonds or other obligations shall not be included in computing the net debt of the city within the meaning of Minnesota Statutes, Chapter 475, but all special assessments levied for improvements to the system and all net revenues derived from charges for the use and availability of the system, in excess of current operating costs, shall be pledged for the payment of the bonds or obligations and interest, and the city council shall endeavor to establish and collect charges sufficient to provide net revenues, with collections of special assessments, at least equal

to the total debt service.

Sec. 72. [REPEALER.]

Minnesota Statutes 1982, sections 115A.23; 115A.27, subdivision 1; 116.07, subdivision 4c; and 116.41, subdivisions 1 and 1a, are repealed.

Sec. 73. [APPLICATION.]

Sections 46 to 67 are effective in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. Section 71 is effective in the city of Austin in Mower County.

Sec. 74. [EFFECTIVE DATE.]

Sections 1 to 67, 72, and 73 are effective the day following final enactment. Sections 68 to 70 are effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the governing bodies of both Ramsey and Washington counties. Section 71 is effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the governing body of the city of Austin."

May 20, 1983

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 695, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 695 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [144A.071] [MORATORIUM ON CERTIFICATION OF NURSING HOME BEDS.]

Subdivision 1. [FINDINGS.] The legislature finds that medical assistance expenditures are increasing at a much faster rate than the state's ability to pay them; that reimbursement for nursing home care and ancillary services comprises over half of medical assistance costs, and, therefore, controlling expenditures for nursing home care is essential to prudent management of the state's budget; that construction of new nursing homes, the addition of more nursing home beds to the state's long-term care resources, and increased conversion of beds to skilled nursing facility bed status inhibits the ability to control expenditures; that Minnesota already leads the nation in nursing home expenditures per capita, has the fifth highest number of beds per capita elderly, and that private paying individuals and medical assistance recipients have equivalent access to nursing home care; and that in the absence of a moratorium the increased numbers of nursing homes and nursing home beds will consume resources that would otherwise be available to develop a comprehensive long-term care system that includes a continuum of care. Unless action is taken, this expansion of bed capacity and changes of beds to a higher classification of care are likely to accelerate with the repeal of the certificate of need program effective March 15, 1984. The legislature also finds that Minnesota's dependence on institutional care for elderly persons is due in part to the dearth of alternative services in the home and community.

The legislature declares that a moratorium on medical assistance certifi-

cation of new nursing home beds and on changes in certification to a higher level of care is necessary to control nursing home expenditure growth and enable the state to meet the needs of its elderly by providing high quality services in the most appropriate manner along a continuum of care.

Subd. 2. [MORATORIUM.] Notwithstanding the provisions of the Certificate of Need Act, sections 145.832 to 145.845, or any other law to the contrary, the commissioner of health, in coordination with the commissioner of public welfare, shall deny each request by a nursing home or boarding care home, except an intermediate care facility for the mentally retarded, for addition of new certified beds or for a change or changes in the certification status of existing beds except as provided in subdivision 3. The total number of certified beds in the state in the skilled level and in the intermediate levels of care shall remain at or decrease from the number of beds certified at each level of care on the effective date of this section, except as allowed under subdivision 3. "Certified bed" means a nursing home bed or a boarding care bed certified by the commissioner of health for the purposes of the medical assistance program, under United States Code, title 42, sections 1396 et seq.

The commissioner of public welfare, in coordination with the commissioner of health, shall deny any request to issue a license under sections 245.781 to 245.812 and 252.28 to a nursing home or boarding care home, if that license would result in an increase in the medical assistance reimbursement amount.

Subd. 3. [EXCEPTIONS.] The commissioner of health, in coordination with the commissioner of welfare, may approve the addition of a new certified bed or change in the certification status of an existing bed under the following conditions:

(a) To replace a bed decertified after the effective date of this section or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall be determined by the most recent federal census or the most recent estimate of the state demographer as of July 1, of each year of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives;

(b) To certify a new bed in a facility that commenced construction before the effective date of this section. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; and all zoning and building

permits were secured;

(c) To certify beds in a new nursing home that is needed in order to meet the special dietary needs of its residents, if: the nursing home proves to the commissioner's satisfaction that the needs of its residents cannot otherwise be met; elements of the special diet are not available through most food distributors; and proper preparation of the special diet requires incurring various operating expenses, including extra food preparation or serving items, not incurred to a similar extent by most nursing homes; or

(d) When the change in certification status results in a decrease in the reimbursement amount.

Subd. 4. [MONITORING.] The commissioner of health, in coordination with the commissioner of public welfare, shall implement mechanisms to monitor and analyze the effect of the moratorium in the different geographic areas of the state. The commissioner of health shall submit to the legislature, no later than January 15, 1984, and annually thereafter, an assessment of the impact of the moratorium by geographic area, with particular attention to service deficits or problems and a corrective action plan.

Subd. 5. [REPORT.] The commissioner of energy, planning, and development, in consultation with the commissioners of health and public welfare, shall report to the senate health and human services committee and the house health and welfare committee by January 15, 1986 and biennially thereafter regarding:

projections on the number of elderly Minnesota residents including medical assistance recipients;

the number of residents most at risk for nursing home placement;

the needs for long term care and alternative home and non-institutional services;

availability of and access to alternative services by geographic region; and

the necessity or desirability of continuing, modifying, or repealing the moratorium in relation to the availability and development of the continuum of long term care services.

Sec. 2. Minnesota Statutes 1982, section 144A.10, subdivision 4, is amended to read:

Subd. 4. [CORRECTION ORDERS.] Whenever a duly authorized representative of the commissioner of health finds upon inspection of a nursing home, that the facility or a controlling person or an employee of the facility is not in compliance with sections 144.651, 144A.01 to 144A.17, or 626.557 or the rules promulgated thereunder, a correction order shall be issued to the facility. The correction order shall state the deficiency, cite the specific rule or statute violated, state the suggested method of correction, and specify the time allowed for correction. ~~The commissioner of health by rule shall establish a schedule of allowable time periods for correction of nursing home deficiencies.~~ If the commissioner finds that the nursing home had uncorrected violations and that two or more of the uncorrected violations create a risk to resident care, safety, or rights, the commissioner shall notify the commissioner of public welfare who shall review reimbursement to the

nursing home to determine the extent to which the state has paid for standard care.

Sec. 3. Minnesota Statutes 1982, section 144A.10, subdivision 6, is amended to read:

Subd. 6. [FINES.] A nursing home which is issued a notice of noncompliance with a correction order shall be assessed a civil fine in accordance with a schedule of fines ~~promulgated by rule of~~ established by the commissioner of health ~~before December 1, 1983. In establishing the schedule of fines, the commissioner shall consider the potential for harm presented to any resident as a result of noncompliance with each statute or rule.~~ The fine shall be assessed for each day the facility remains in noncompliance and until a notice of correction is received by the commissioner of health in accordance with subdivision 7. No fine for a specific violation may exceed ~~\$250~~ \$500 per day of noncompliance.

Sec. 4. Minnesota Statutes 1982, section 144A.10, is amended by adding a subdivision to read:

Subd. 6a. [SCHEDULE OF FINES.] *The commissioner of health shall propose for adoption the schedule of fines by publishing it in the state register and allowing a period of 60 days from the publication date for interested persons to submit written comments on the schedule. Within 60 days after the close of the comment period, and after considering any comments received, the commissioner shall adopt the schedule in final form.*

The schedule of fines is exempt from the definition of "rule" in section 14.02, subdivision 4, and has the force and effect of law upon compliance with section 14.38, subdivision 7. The effective date of the schedule of fines is five days after publication, as provided in section 14.38, subdivision 8. The provisions of any rule establishing a schedule of fines for noncompliance with correction orders issued to nursing homes remain effective with respect to nursing homes until repealed, modified, or superseded by the schedule established in accordance with this subdivision.

Sec. 5. [144A.31] [INTERAGENCY BOARD FOR QUALITY ASSURANCE.]

Subdivision 1. [INTERAGENCY BOARD.] *The commissioners of health and public welfare shall establish, by July 1, 1983, an interagency board of employees of their respective departments who are knowledgeable and employed in the areas of long term care, geriatric care, long term care facility inspection, or quality of care assurance. The number of interagency board members shall not exceed seven; three members each to represent the commissioners of health and public welfare and one member to represent the commissioner of public safety in the enforcement of fire and safety standards in nursing homes. The commissioner of public welfare or a designee shall chair and convene the board. The board may utilize the expertise and time of other individuals employed by either department as needed. The board may recommend that the commissioners contract for services as needed. The board shall meet as often as necessary to accomplish its duties, but at least monthly. The board shall establish procedures, including public hearings, for allowing regular opportunities for input from residents, nursing homes, and other interested persons.*

Subd. 2. [INSPECTIONS.] No later than January 1, 1984, the board shall develop and recommend implementation and enforcement of an effective system to ensure quality of care in each nursing home in the state. Quality of care includes evaluating, using the resident's care plan, whether the resident's ability to function is optimized and should not be measured solely by the number or amount of services provided.

The board shall assist the commissioner of health in ensuring that inspections and reinspections of nursing homes are conducted with a frequency and in a manner calculated to most effectively and appropriately fulfill its quality assurance responsibilities and achieve the greatest benefit to nursing home residents. The commissioner of health shall require a higher frequency and extent of inspections with respect to those nursing homes that present the most serious concerns with respect to resident health, treatment, comfort, safety, and well-being. These concerns include but are not limited to: complaints about care, safety, or rights; situations where previous inspections or reinspections have resulted in correction orders related to care, safety, or rights; instances of frequent change in administration in excess of normal turnover rates; and situations where persons involved in ownership or administration of the nursing home have been convicted of engaging in criminal activity. A nursing home that presents none of these concerns or any other concern or condition established by the board that poses a risk to resident care, safety, or rights shall be inspected once every two years for compliance with key requirements as determined by the board.

The board shall develop and recommend to the commissioners mechanisms beyond the inspection process to protect resident care, safety, and rights, including but not limited to coordination with the office of health facility complaints and the nursing home ombudsman program.

Subd. 3. [METHODS FOR DETERMINING RESIDENT CARE NEEDS.] The board shall develop and recommend to the commissioners definitions for levels of care and methods for determining resident care needs for implementation on July 1, 1985 in order to adjust payments for resident care based on the mix of resident needs in a nursing home. The methods for determining resident care needs shall include assessments of ability to perform activities of daily living and assessments of medical and therapeutic needs.

Subd. 4. [ENFORCEMENT.] The board shall develop and recommend for implementation effective methods of enforcing quality of care standards. When it deems necessary, and when all other methods of enforcement are not appropriate, the board shall recommend to the commissioner of health closure of all or part of a nursing home and revocation of the license. The board shall develop, and the commissioner of public welfare shall implement, a resident relocation plan that instructs the county in which the nursing home is located of procedures to ensure that the needs of residents in nursing homes about to be closed are met. The county shall ensure placement in swing beds in hospitals, placement in unoccupied beds in other nursing homes, utilization of home health care on a temporary basis, foster care placement, or other appropriate alternative care. In preparing for relocation, the board shall ensure that residents and their families or guardians are involved in planning the relocation.

Subd. 5. [REPORTS.] The board shall prepare a report and the commis-

tioners of health and public welfare shall deliver this report to the legislature no later than January 15, 1984, on the board's proposals and progress on implementation of the methods required under subdivisions 2, 3, and 4. The commissioners shall recommend changes in or additions to legislation necessary or desirable to fulfill their responsibilities. The board shall prepare an annual report and the commissioners shall deliver this report annually to the legislature, beginning in January, 1985, on the implementation and enforcement of the provisions of this section.

Subd. 6. [DATA.] The interagency board may have access to data from the commissioners of health, public welfare, and public safety for carrying out its duties under this section. The commissioner of health and the commissioner of public welfare may each have access to data on persons, including data on vendors of services, from the other to carry out the purposes of this section. If the interagency board, the commissioner of health, or the commissioner of public welfare receives data on persons, including data on vendors of services, that is collected, maintained, used or disseminated in an investigation, authorized by statute and relating to enforcement of rules or law, the board or the commissioner shall not disclose that information except:

(a) Pursuant to section 13.05;

(b) Pursuant to statute or valid court order; or

(c) To a party named in a civil or criminal proceeding, administrative or judicial, for preparation of defense.

Data described in this subdivision is classified as public data upon its submission to a hearing examiner or court in an administrative or judicial proceeding.

Sec. 6. Minnesota Statutes 1982, section 256B.091, subdivision 1, is amended to read:

Subdivision 1. [PURPOSE.] It is the purpose of this section to prevent inappropriate nursing home or boarding care home placement by establishing a program of preadmission screening teams for all medical assistance recipients and any individual who would become eligible for medical assistance within 90 180 days of admission to a licensed nursing home or boarding care home participating in the program. Further, it is the purpose of this section and the program to gain further information about how to contain costs associated with inappropriate nursing home or boarding care home admissions. The commissioners of public welfare and health shall seek to maximize use of available federal and state funds and establish the broadest program possible within the appropriation available. ~~The commissioner of public welfare shall promulgate temporary rules in order to implement this section by September 1, 1980.~~

Sec. 7. Minnesota Statutes 1982, section 256B.091, subdivision 2, is amended to read:

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of public welfare to participate in the program shall contract with the local board of health organized under section 145.911 to 145.922 or other public or non-profit agency to establish

a screening team to assess, prior to admission to a nursing home or a *boarding care home* licensed under section 144A.02 or sections 144.50 to 144.56, that is certified for medical assistance as a skilled nursing facility, intermediate care facility level I, or intermediate care facility level II, the health and social needs of medical assistance recipients and individuals who would become eligible for medical assistance within ~~90~~ 180 days of nursing home or *boarding care home* admission. Each local screening team shall be composed of a public health nurse from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. If the individual is being discharged from an acute care facility, a discharge planner from that facility may be present, at the facility's request, during the screening team's assessment of the individual and may participate in discussions but not in making the screening team's recommendations under subdivision 3, clause (e). If the assessment procedure or screening team recommendation results in a delay of the individual's discharge from the acute care facility, the facility shall not be denied *medical assistance* reimbursement or incur any other financial or regulatory penalty of the *medical assistance program* that would otherwise be caused by the individual's extended length of stay; 50 percent of the cost of this reimbursement or financial or regulatory penalty shall be paid by the state and 50 percent shall be paid by the county. Other personnel as deemed appropriate by the county agency may be included on the team. *The county agency may contract with an acute care facility to have the facility's discharge planners perform the functions of a screening team with regard to individuals discharged from the facility and in those cases the discharge planners may participate in making recommendations under subdivision 3, clause (e).* No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing home or non-institutional referral such that it would not be possible for the member to consider each case objectively.

Sec. 8. Minnesota Statutes 1982, section 256B.091, subdivision 4, is amended to read:

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home or *boarding care home* admission, screening teams shall assess the needs of all persons receiving medical assistance and of all persons who would be eligible for medical assistance within ~~90~~ 180 days of admission to a nursing home or *boarding care home*, except patients transferred from other nursing homes or patients who, having entered acute care facilities from nursing homes, are returning to nursing home care. Any other interested person may be assessed by a screening team upon payment of a fee based upon a sliding fee scale.

Sec. 9. Minnesota Statutes 1982, section 256B.091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4. Payment is available under this subdivision only for individuals (1) for whom

the screening team would recommend nursing home admission if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within 90 180 days of admission to a nursing home; and (3) who need services that are not available at that time in the county through other public assistance.

Grants may be used for payment of costs of providing services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2). The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care that the most cost effective alternatives available have been offered to the individual. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the state register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the non-federal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. ~~The state expenditures for this section shall not exceed \$1,800,000 for the biennium ending June 30, 1983.~~ A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of nursing home care that the recipient would receive if placed in a nursing home. The non-federal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay 10 percent of the costs.

The commissioner shall promulgate temporary rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting

of care delivered.

Sec. 10. Minnesota Statutes 1982, section 256B.41, is amended to read:

256B.41 [INTENT.]

Subdivision 1. [AUTHORITY.] ~~The state agency commissioner shall by rule establish a formula, by rule, procedures for establishing payment determining rates for care of residents of nursing homes which qualify as vendors of medical assistance, and for implementing the provisions of sections 256B.41, 256B.47, 256B.48, and sections 11, 12, 15, and 16. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated nursing homes and shall specify the costs that are allowable for establishing payment rates through medical assistance.~~

Subd. 2. [FEDERAL REQUIREMENTS.] ~~It is the intent of the legislature to establish certain limitations on the state agency in setting standards for nursing home rate setting for the care of recipients of medical assistance pursuant to this chapter. It is not the intent of the legislature to repeal or change any existing or future rule promulgated by the state agency relating to the setting of rates for nursing homes unless the rule is clearly in conflict with sections 256B.41 to 256B.48. If any provision of sections 256B.41 to 256B.47, and 256B.48 and sections 11, 12, 15, and 16, is determined by the United States government to be in conflict with existing or future requirements of the United States government with respect to federal participation in medical assistance, the federal requirements shall prevail.~~

Sec. 11. [256B.421] [DEFINITIONS.]

Subdivision 1. [SCOPE.] *For the purposes of sections 256B.41, 256B.47, 256B.48, and sections 11, 12, 15, and 16, the following terms and phrases shall have the meaning given to them.*

Subd. 2. [ACTUAL ALLOWABLE HISTORICAL OPERATING COST PER DIEM.] *“Actual allowable historical operating cost per diem” means the per diem payment for actual costs, including operating costs, allowed by the commissioner for the most recent reporting year.*

Subd. 3. [COMMISSIONER.] *“Commissioner” means the commissioner of public welfare.*

Subd. 4. [FINAL RATE.] *“Final rate” means the rate established after any adjustment by the commissioner, including but not limited to adjustments resulting from cost report reviews and field audits.*

Subd. 5. employee training, for any top management personnel and for other than direct resident care related personnel; and business meetings and seminars. These costs shall be included in general and administrative costs in total, without direct or indirect allocation to other cost categories.

In a nursing home of 60 or fewer beds, part of an administrator's salary may be allocated to other cost categories to the extent justified in records kept by the nursing home. Central or home office costs representing services of required consultants in areas including, but not limited to, dietary, pharmacy, social services, or activities may be allocated to the appropriate department, but only if those costs are directly identified by the nursing home.

Subd. 6. [HISTORICAL OPERATING COSTS.] "Historical operating costs" means the allowable operating costs incurred by the facility during the reporting year immediately preceding the rate year for which the payment rate becomes effective, after the commissioner has reviewed those costs and determined them to be allowable costs under the medical assistance program, and after the commissioner has applied appropriate limitations such as the limit on administrative costs.

Subd. 7. [NURSING HOME.] "Nursing home" means a facility licensed under chapter 144A or a boarding care facility licensed under sections 144.50 to 144.56.

Subd. 8. [OPERATING COSTS.] "Operating costs" means the day to day costs of operating the facility in compliance with licensure and certification standards. Operating cost categories are: nursing, including nurses and nursing assistants training; dietary; laundry and linen; housekeeping; plant operation and maintenance; other care-related services; general and administration; payroll taxes; real estate taxes and actual special assessments paid; and fringe benefits, including clerical training.

Subd. 9. [PAYMENT RATE.] "Payment rate" means the rate determined under section 12.

Subd. 10. [PRIVATE PAYING RESIDENT.] "Private paying resident" means a nursing home resident who is not a medical assistance recipient and whose payment rate is not established by another third party, including the veterans administration or medicare.

Subd. 11. [RATE YEAR.] "Rate year" means the fiscal year for which a payment rate determined under section 12 is effective, from July 1 to the next June 30.

Subd. 12. [REPORTING YEAR.] "Reporting year" means the period from October 1 to September 30, immediately preceding the rate year, for which the nursing home submits reports required under section 256B.48, subdivision 2.

Subd. 13. [ACTUAL RESIDENT DAY.] "Actual resident day" means a billable, countable day as defined by the commissioner.

Subd. 14. [FRINGE BENEFITS.] "Fringe benefits" means workers' compensation insurance, group health or dental insurance, group life insurance, retirement benefits or plans, and uniform allowances.

Subd. 15. [PAYROLL TAXES.] "Payroll taxes" means the employer's

share of FICA taxes, governmentally required retirement contributions, and state and federal unemployment compensation taxes.

Sec. 12. [256B.431] [RATE DETERMINATION.]

Subdivision 1. [IN GENERAL.] The commissioner shall determine prospective payment rates for resident care costs. In determining the rates, the commissioner shall group nursing homes according to different levels of care and geographic location until July 1, 1985, and after that date, mix of resident needs, and geographic location, as defined by the commissioner. The commissioner shall consider the use of the standard metropolitan statistical areas when developing groups by geographic location. Until groups are established according to mix of resident needs, the commissioner shall group all convalescent and nursing care units attached to hospitals into one group for purposes of determining reimbursement for operating costs. On or before June 15, 1983, the commissioner shall mail notices to each nursing home of the rates to be effective from July 1 of that year to June 30 of the following year. In subsequent years, the commissioner shall provide notice to each nursing home on or before May 1 of the rates effective for the following rate year. If a statute enacted after May 1 affects the rates, the commissioner shall provide a revised notice to each nursing home as soon as possible.

The commissioner shall establish, by rule, limitations on compensation recognized in the historical base for top management personnel. The commissioner shall also establish, by rule, limitations on allowable nursing hours for each level of care for the rate years beginning July 1, 1983 and July 1, 1984.

Subd. 2. [OPERATING COSTS.] (a) The commissioner shall establish, by rule, procedures for determining per diem reimbursement for operating costs based on actual resident days. The commissioner shall disallow any portion of the general and administration cost category, exclusive of fringe benefits and payroll taxes, that exceeds

10 percent for nursing homes with more than 100 certified beds in total,

12 percent for nursing homes with fewer than 101 but more than 40 certified beds in total,

14 percent for nursing homes with 40 or fewer certified beds in total, and

15 percent for convalescent and nursing care units attached to hospitals for the rate year beginning July 1, 1983, of the expenditures in all operating cost categories except fringe benefits, payroll taxes, and general and administration.

(b) For the rate year beginning July 1, 1983, and ending June 30, 1984, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on the allowed historical operating costs as reported in the most recent cost report received by December 31, 1982 and audited by March 1, 1983, and may be subsequently adjusted to reflect the costs allowed. To determine the allowed historical operating cost, the commissioner shall update the historical per diem shown in those cost reports to June 30, 1983, using a nine percent annual rate of increase after applying the general and administrative cost limitation described in paragraph (a). The commissioner shall calculate the 60th percentile of actual

allowable historical operating cost per diems for each group of nursing homes established under subdivision 1.

(1) Within each group, each nursing home whose actual allowable historical operating cost per diem as determined under this paragraph (b) is above the 60th percentile shall receive the 60th percentile increased by six percent plus 80 percent of the difference between its actual allowable operating cost per diem and the 60th percentile.

(2) Within each group, each nursing home whose actual allowable historical operating cost per diem is at or below the 60th percentile shall receive that actual allowable historical operating cost per diem increased by six percent.

For the rate year beginning July 1, 1984, and ending June 30, 1985, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on actual allowable historical operating costs incurred during the reporting year preceding the rate year. The commissioner shall analyze and evaluate each nursing home's report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year. The actual allowable historical operating costs, after the commissioner's analysis and evaluation, shall be added together and divided by the number of actual resident days to compute the actual allowable historical operating cost per diem. The commissioner shall calculate the 60th percentile of actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1.

(3) Within each group, each nursing home whose actual allowable historical operating cost per diem is above the 60th percentile of payment rates shall receive the 60th percentile increased at an annual rate of six percent plus 75 percent of the difference between its actual allowable historical operating cost per diem and the 60th percentile.

(4) Within each group, each nursing home whose actual allowable historical operating cost per diem is at or below the 60th percentile shall receive that actual allowable historical operating cost per diem increased at an annual rate of six percent.

(c) For subsequent years, the commissioner shall:

(1) Contract with an econometric firm with recognized expertise in and access to national economic change indices that can be applied to the appropriate cost categories when determining the operating cost payment rate;

(2) Establish the 60th percentile of actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1 based on cost reports of allowable operating costs in the previous reporting year. The commissioner shall analyze and evaluate each nursing home's report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective. The allowable historical operating costs, after the commissioner's analysis and evaluation, shall be added together and divided by the actual number of resident days in order to compute the actual allowable historical operating cost per diem;

(3) Establish a composite index for each group by determining the weighted

average of all economic change indicators applied to the operating cost categories in that group.

(4) Within each group, each nursing home shall receive the 60th percentile increased by the composite index calculated in paragraph (c)(3). The historical base for determining the prospective payment rate shall not exceed the operating cost payment rates during that reporting year.

The commissioner shall include the reported actual real estate tax liability of each proprietary nursing home as an operating cost of that nursing home. The commissioner shall include a reported actual special assessment for each nursing home as an operating cost of that nursing home. Total real estate tax liability and actual special assessments paid for each nursing home (i) shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category, but (ii) shall not be used to compute the 60th percentile.

(d) The commissioner shall allow the nursing home to keep, as an efficiency incentive, the difference between the nursing home's operating cost payment rate established for that rate year and the actual historical operating costs incurred for that rate year, if the latter amount is smaller. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. If an annual cost report or field audit indicates that the expenditures for direct resident care have been reduced in amounts large enough to indicate a possible detrimental effect on the quality of care, the commissioner shall notify the commissioner of health and the interagency board for quality assurance. If a field audit reveals that unallowable expenditures have been included in the nursing home's historical operating costs, the commissioner shall disallow the expenditures and recover the entire overpayment. The commissioner shall establish, by rule, procedures for assessing an interest charge at the rate determined for unpaid taxes or penalties under section 270.75 on any outstanding balance resulting from an overpayment or underpayment.

(e) The commissioner may negotiate, with a nursing home that is eligible to receive medical assistance payments, a payment rate of up to 125 percent of the allowed payment rate to be paid for a period of up to three months for individuals who have been hospitalized for more than 100 days, who have extensive care needs based on nursing hours actually provided or mental or physical disability, or need for respite care for a specified and limited time period, and based on an assessment of the nursing home's resident mix as determined by the commissioner of health. The payment rate negotiated and paid pursuant to this paragraph is specifically exempt from the definition of "rule" and the rule-making procedures required by chapter 14 and section 16.

(f) Until groups are established according to mix of resident care needs, nursing homes licensed on June 1, 1983 by the commissioner to provide residential services for the physically handicapped and nursing homes that have an average length of stay of less than 180 days shall not be included in the calculation of the 60th percentile of any group. For rate year beginning July 1, 1983 and July 1, 1984, each of these nursing homes shall receive their actual allowed historical operating cost per diem increased by six per-

cent. The commissioner shall also apply to these nursing homes the percent-age limitation on the general and administrative cost category as provided in subdivision 2, paragraph (a).

Subd. 3. [PROPERTY-RELATED COSTS.] For rate years beginning July 1, 1983 and July 1, 1984, property-related costs shall be reimbursed to each nursing home at the level recognized in the most recent cost report received by December 31, 1982 and audited by March 1, 1983, and may be subsequently adjusted to reflect the costs recognized in the final rate for that cost report, adjusted for rate limitations in effect before the effective date of this section. Property-related costs include: depreciation, interest, earnings or investment allowance, lease, or rental payments. No adjustments shall be made as a result of sales or reorganizations of provider entities.

Adjustments for the cost of repairs, replacements, renewals, betterments, or improvements to existing buildings, and building service equipment shall be allowed if:

(i) The cost incurred is reasonable, necessary, and ordinary;

(ii) The net cost is greater than \$5,000. "Net cost" means the actual cost, minus proceeds from insurance, salvage, or disposal;

(iii) The nursing home's property-related costs per diem is equal to or less than the average property-related costs per diem within its group; and

(iv) The adjustment is shown in depreciation schedules submitted to and approved by the commissioner.

Annual per diem shall be computed by dividing total property-related costs by 96 percent of the nursing home's licensed capacity days for nursing homes with more than 60 beds and 94 percent of the nursing home's licensed capacity days for nursing homes with 60 or fewer beds. For a nursing home whose residents' average length of stay is 180 days or less, the commissioner may waive the 96 or 94 percent factor and divide the nursing home's property-related costs by the actual resident days to compute the nursing home's annual property-related per diem. The commissioner shall promulgate temporary and permanent rules to recapture excess depreciation upon sale of a nursing home.

For rate years beginning on or after July 1, 1985, the commissioner, by permanent rule, shall reimburse nursing home providers that are vendors in the medical assistance program for the rental use of their property. The "rent" is the amount of periodic payment which a renter might expect to pay for the right to the agreed use of the real estate and the depreciable equipment as it exists. "Real estate" means land improvements, buildings, and attached fixtures used directly for resident care. "Depreciable equipment" means the standard moveable resident care equipment and support service equipment generally used in long-term care facilities.

In developing the method for determining payment rates for the rental use of nursing homes, the commissioner shall consider factors designed to:

(i) simplify the administrative procedures for determining payment rates for property-related costs;

(ii) minimize discretionary or appealable decisions;

- (iii) eliminate any incentives to sell nursing homes;
- (iv) recognize legitimate costs of preserving and replacing property;
- (v) recognize the existing costs of outstanding indebtedness allowable under the statutes and rules in effect on May 1, 1983;
- (vi) address the current value of, if used directly for patient care, land improvements, buildings, attached fixtures, and equipment;
- (vii) establish an investment per bed limitation;
- (viii) reward efficient management of capital assets;
- (ix) provide equitable treatment of facilities;
- (x) consider a variable rate; and
- (xi) phase in implementation of the rental reimbursement method.

No later than January 1, 1984, the commissioner shall report to the legislature on any further action necessary or desirable in order to implement the purposes and provisions of this subdivision.

Subd. 4. [SPECIAL RATES.] A newly-constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983 and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2, paragraph (b) to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly-constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2(f), the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The member contributions shall be made by payroll deduction from the salary of the member by the municipality, and shall be transmitted by the municipality to the relief association as soon as practical. The relief association shall deposit the member contribution to the credit of the special fund of the relief

association, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years with the approval of the municipality, but the increase in rate of contribution in each year shall not be less than one percent until the appropriate levels of required employee contributions have been reached. Sec. 2. Minnesota Statutes 1982, section 124.2122, subdivision 2, is amended to read:

Subd. 2. [BASIC MAINTENANCE MILL RATE.] "Basic maintenance mill rate" means the mill rate applicable to the adjusted assessed valuation of a district, used in the computation of basic foundation aid for a particular school year and of the basic maintenance levy for use in that school year. ~~The basic maintenance mill rate shall be .021 for the 1980 payable 1981 levy and for foundation aid for the 1981-1982 school year.~~ The basic maintenance mill rate shall be .024 for 1981 payable 1982 levies and for foundation aid for the 1982-1983 school year. The basic maintenance mill rate shall be .024 for the 1982 payable 1983 levies and for foundation aid for the 1983-1984 school year. ~~A district may levy less than 24 mills. If a district levies at least 95 percent of an amount equal to 23 mills times the adjusted assessed valuation of the district, basic foundation aid shall be computed as though the district had levied 24 mills times the adjusted assessed valuation of the district.~~ *The basic maintenance mill rate shall be .024 for the 1983 payable 1984 levies and for foundation aid for the 1984-1985 school year.*

Sec. 3. Minnesota Statutes 1982, section 124.2124, subdivision 1, is

amended to read:

Subdivision 1. [REPLACEMENT COMPONENTS.] (a) A district's "fluctuating enrollment replacement component" shall equal the amount of additional foundation aid or basic maintenance levy revenue the district would have received for the 1980-1981 school year if declining or growing enrollment pupil units had been used in the computation of basic foundation aid for 1980-1981 pursuant to Minnesota Statutes 1980, Section 124.212, Subdivision 7c, Clause (1) or of the 1979 basic maintenance levy limitation pursuant to Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 2b or 2c.

(b) Beginning with the aid and levy revenue for the 1983-1984 school year, in any district where the actual number of pupil units increased from the 1979-1980 school year to the 1980-1981 school year, the district's "recomputed fluctuating enrollment replacement component" shall equal the amount of additional foundation aid or basic maintenance levy revenue the district would have received for the 1980-1981 school year if the district had qualified for the greater of either the 1980-1981 declining enrollment pupil units or the 1980-1981 growing enrollment pupil units to be used in the computation of basic foundation aid for 1980-1981 pursuant to Minnesota Statutes 1980, Section 124.212, Subdivision 7c, Clause (1) or of the 1979 basic maintenance levy limitation pursuant to Minnesota Statutes 1979 Supplement, Section 275.125, Subdivision 2b or 2c.

(c) A district's "sparsity replacement component" shall equal the amount of additional aid the district would have received for the 1980-1981 school year if Minnesota Statutes, 1979 Supplement, Section 124.224 had been effective for 1980-1981. *Beginning with the 1983-1984 school year, for elementary districts, the component shall equal the amount of additional aid the district would have received for the 1980-1981 school year if pupils attending secondary school in another district had attended a secondary school in the district in which they reside.*

(d) A district's "basic replacement entitlement" shall equal the sum of (1) the greater of (i) its fluctuating enrollment replacement component, or (ii) its recomputed fluctuating enrollment replacement component, and (2) its sparsity replacement component; divided by its total pupil units in 1980-1981.

(e) "Replacement inflator" for any school year means the ratio of the foundation aid formula allowance for that school year to \$1,265. However, for the 1981-1982 school year the replacement inflator shall equal 107 percent, and for the 1982-1983 school year the replacement inflator shall equal 112 percent.

(f) A district's "replacement allowance" for each school year shall equal its basic replacement entitlement times the replacement inflator for that school year.

(g) A district's "replacement levy limitation" means its levy limitation computed pursuant to section 275.125, subdivision 6c.

Sec. 4. Minnesota Statutes 1982, section 124.2126, subdivision 3, is amended to read:

Subd. 3. [MINIMUM AID.] A qualifying district's minimum aid for each

school year shall equal its minimum guarantee for that school year, minus the sum of:

(1) The amount of the district's state school agricultural tax credit aid for that school year;

(2) The amount by which property taxes of the district for use in that school year are reduced by the homestead credit provisions in section 273.13, subdivisions 6, 7, and 14a;

(3) The amount by which property taxes of the district for use in that school year are reduced by the taconite homestead credit provisions in section 273.135;

(4) The amount by which property taxes of the district for use in that school year are reduced by the attached machinery provisions in section 273.138, subdivision 6;

(5) The amount by which property taxes of the district for use in that school year are reduced by the state paid wetlands credit provisions in section 273.115;

(6) The amount by which property taxes of the district for use in that school year are reduced by the state paid native prairie credit provisions in section 273.116; and

(7) The amount by which property taxes of the district for use in that school year are reduced by the credit for reduced assessment provisions in section 273.139;

(8) *The amount by which property taxes of the district for use in that school year are reduced by the state reimbursed disaster or emergency reassessment provisions in section 273.123; and*

(9) *The amount by which property taxes of the district for use in that school year are reduced by the metropolitan agricultural preserve provisions in section 473H.10.*

Sec. 5. Minnesota Statutes 1982, section 124.2127, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION; FOUNDATION AID.] Shared time pupils are defined as those pupils who attend public school programs for part of the regular school day and who otherwise fulfill the requirements of section 120.10 by attendance at a nonpublic school.

(a) The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which the pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil.

(b) Foundation aid for shared time pupils shall equal the amount which would accrue if shared time pupil units, counted pursuant to section 124.17, subdivision 1, clauses (1) and (2), were added to the district's total pupil units used in determining its foundation aid formula allowance times the full-time equivalent actual pupil units for shared time pupils. Foundation aid for shared time pupils shall be in addition to any other aid to which the district is otherwise entitled and shared time average daily membership shall not be

used in the computation of pupil units under section 124.17, subdivision 1, for any purpose other than the computation of shared time foundation aid pursuant to this subdivision.

(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.

(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon its request, permission to claim the pupil as a resident for state aid purposes. In this case, state aid shall be paid to the district of attendance and, upon agreement, the district of attendance may bill the resident district for any unreimbursed education costs, but not for unreimbursed transportation costs. The agreement may, however, provide for the resident district to pay the cost of any of the particular transportation categories specified in section 124.225, subdivision 1, and in this case, aid for those categories shall be paid to the district of residence rather than to the district of attendance.

(e) Minutes of enrollment in a public school during which a nonpublic school pupil receives services pursuant to section 123.935 shall not be used in the computation of shared time foundation aid pursuant to this subdivision.

Sec. 6. Minnesota Statutes 1982, section 124.2132, subdivision 4, is amended to read:

Subd. 4. [COUNTY APPORTIONMENT DEDUCTION.] (1) ~~The amount of money apportioned to a school district for each school year pursuant to section 124.10, subdivision 2, which exceeds the amount apportioned to that district pursuant to section 124.10, subdivision 2 for the 1976-1977 school year, shall be deducted from the foundation aid earned by that district for the same year.~~

~~(2) In addition to the deduction in clause (1), five-sixths of the amount apportioned pursuant to section 124.10, subdivision 2, shall be deducted from foundation aid for the 1981-1982 school year, but this deduction shall not exceed five-sixths of the amount apportioned for the 1976-1977 school year.~~

~~(3) In the 1982-1983 school year and Each school year thereafter, the entire amount of money apportioned to a school district for that year pursuant to section 124.10, subdivision 2, shall be deducted from the foundation aid earned by that district for the same year.~~

Sec. 7. [124.2138] [REVENUE EQUITY AID SUBTRACTION.]

Subdivision 1. [BASIC MAINTENANCE LEVY EQUITY.] (1) In any year when the amount of the maximum levy limitation for any district under section 275.125, subdivision 2a, exceeds the district's basic foundation revenue for the corresponding fiscal year, an amount shall be deducted as provided in this subdivision from special state aids of chapter 124 receivable for the

same fiscal year, and from state payments on behalf of the district for the same fiscal year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b). However, the aid authorized in sections 124.2137 and 124.646 shall not be reduced.

(2) The amount of the deduction shall equal the difference between:

(a) the sum of the amount of the district's maximum levy limitation under section 275.125, subdivision 2a, plus the amount of any reductions to that levy limitation pursuant to section 275.125, subdivisions 2e and 9, and

(b) the district's basic foundation revenue.

However, for fiscal year 1985, the amount of the deduction shall be one-sixth of the difference between clauses (a) and (b); for fiscal year 1986, the amount of the deduction shall be one-third of the difference between clauses (a) and (b); for fiscal year 1987, the amount of the deduction shall be one-half of the difference between clauses (a) and (b); for fiscal year 1988, the amount shall be two-thirds of the difference between clauses (a) and (b); and for fiscal year 1989, the amount of the deduction shall be five-sixths of the difference between clauses (a) and (b).

Subd. 2. [TRANSPORTATION LEVY EQUITY.] (1) In any fiscal year in which the transportation levy in a district attributable to that fiscal year of 1.75 mills times the adjusted assessed valuation of the district exceeds the transportation aid computation under section 124.225, subdivisions 8b, 8i, 8j, and 8k, an amount shall be deducted as provided in this subdivision from special state aids of chapter 124 receivable for the same fiscal year, and from state payments on behalf of the district for the same fiscal year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), to the extent that those special state aids and state payments have not been reduced pursuant to subdivision 1 of this section. However, aid authorized in sections 124.2137 and 124.646 shall not be reduced.

(2) The amount of the deduction shall equal the difference between:

(a) 1.75 mills times the adjusted assessed valuation of the district for the levy attributable to that fiscal year, and

(b) the sum of the district's transportation aid computation pursuant to section 124.225, subdivisions 8b, 8i, 8j, and 8k, less the amount of any aid reduction due to an insufficient appropriation as provided in section 124.225, subdivision 8a.

However, for fiscal year 1985, the amount of the deduction shall be one-sixth of the difference between clauses (a) and (b); for fiscal year 1986, the amount of the deduction shall be one-third of the difference between clauses (a) and (b); for fiscal year 1987, the amount of the deduction shall be one-half of the difference between clause (a) and (b); for fiscal year 1988, the amount of the deduction shall be two-thirds of the difference between clauses (a) and (b); and for fiscal year 1989, the amount of the deduction shall be five-sixths of the difference between clauses (a) and (b).

Subd. 3. In any fiscal year in which the state payments on behalf of a district authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), are reduced under this section, the

commissioner of education shall certify the amounts of the required reductions to the district. The district shall pay employer contributions in the amount of the reduction of these payments to the commissioner, which amount shall be placed in the general fund.

Sec. 8. [124A.01] [FOUNDATION AID COMPONENTS.]

Foundation aid shall equal the sum of the following:

- (a) basic aid;*
- (b) cost differential tier aid;*
- (c) second tier aid;*
- (d) third tier aid;*
- (e) fourth tier aid;*
- (f) fifth tier aid;*
- (g) minimum aid; and*
- (h) shared time pupil aid.*

Sec. 9. [124A.02] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] For the purpose of this chapter, the following terms have the meaning given them.

Subd. 2. [ACTUAL LEVY.] ‘Actual levy’ means the amount a district reports, according to section 275.125, subdivision 18, to the department of education that it has levied for each tier.

Subd. 3. [PERMITTED LEVY.] ‘Permitted levy’ means the amount a district is permitted to levy for each tier, as determined by the department of education according to section 275.125, subdivisions 7d and 7e.

Subd. 4. [TRAINING AND EXPERIENCE INDEX.] ‘Training and experience index’ means a measure of a district’s teacher training and experience relative to the education and experience of teachers in the state. The measure shall be determined pursuant to section 10 and according to a method published in the Minnesota Code of Administrative Rules. The published method shall include the data used and a reasonably detailed description of the steps in the method. The method shall not be subject to the provisions of chapter 14. At least biennially, the department shall recompute the index using complete new data.

Sec. 10. [124A.04] [TRAINING AND EXPERIENCE INDEX.]

The training and experience index shall be constructed in the following manner:

(a) The department shall construct a matrix which classifies teachers by the extent of training received in accredited institutions of higher education, and by the years of experience which the district takes into account in determining each teacher’s salary.

(b) For all teachers in the state, the average salary per full-time-equivalent shall be computed for each cell of the matrix.

(c) For each cell of the matrix, the ratio of the average salary in that cell to

the average salary in the cell for teachers with no prior years of experience and only a bachelor's degree shall be computed. The department shall use statistical methods to ensure continuously increasing ratios as cells are higher in training or experience.

(d) The index for each district shall be equal to the weighted average of the ratios assigned to the full-time-equivalent teachers in each district.

Sec. 11. [124A.06] [COST DIFFERENTIAL TIER AID.]

Subdivision 1. [COST DIFFERENTIAL TIER ALLOWANCE.] "Cost differential tier allowance" means the amount of revenue per actual pupil unit used to compute the cost differential tier aid for a school year and levy for use in the same school year. A district's cost differential tier allowance shall be the result of the following computation:

(a) Divide the amount of aid the district would have received for the 1980-1981 school year if Minnesota Statutes, 1979 Supplement, section 124.224, as amended by section 3 of this article, had been effective for the 1980-1981 school year by the actual pupil units in the district in the 1980-1981 school year.

(b) Divide the formula allowance for the school year by \$1265.

(c) Multiply the result in clause (a) by the result in clause (b).

(d) Subtract 1.25 from the training and experience index, and multiply the difference by \$300.

(e) Select the greater of the result in clause (d) or zero.

(f) Add the results of clauses (c) and (e).

Subd. 2. [COST DIFFERENTIAL TIER REVENUE.] A district's cost differential tier revenue for each school year shall equal the cost differential tier allowance times the actual pupil units for that school year.

Subd. 3. [COST DIFFERENTIAL TIER AID.] A district's cost differential tier aid shall be the result of the following computation:

(1) Subtract the amount of the cost differential tier levy from the amount of the cost differential tier revenue.

(2) Divide the actual cost differential tier levy by the permitted cost differential tier levy.

(3) Multiply the result in clause (1) by the result in clause (2).

Sec. 12. [124A.08] [SECOND TIER AID WITH 100 PERCENT EQUALIZING FACTOR.]

Subdivision 1. [SECOND TIER ALLOWANCE.] "Second tier allowance" means the amount of revenue per actual pupil unit used to compute the second tier aid for a particular school year and the corresponding levy for that school year. The second tier allowance is \$150.

Subd. 2. [SECOND TIER REVENUE.] A district's second tier revenue for each school year shall equal the second tier allowance times its actual pupil units for that school year.

Subd. 3. [SECOND TIER AID.] A district's second tier aid shall be the

result of the following computation:

(1) Subtract the amount of the second tier levy from the amount of the second tier revenue.

(2) Divide the actual second tier levy by the permitted second tier levy.

(3) Multiply the result in clause (1) by the result in clause (2).

Sec. 13. [124A.10] [THIRD TIER AID WITH 75 PERCENT EQUALIZING FACTOR.]

Subdivision 1. [THIRD TIER ALLOWANCE.] "Third tier allowance" means the amount of revenue per actual pupil unit used to compute the third tier aid for a particular school year and the corresponding levy for that school year. The third tier allowance is \$100.

Subd. 2. [THIRD TIER REVENUE.] A district's third tier revenue for each school year shall equal the third tier allowance times its actual pupil units for that school year.

Subd. 3. [THIRD TIER AID.] A district's third tier aid shall be the result of the following computation:

(1) Subtract the amount of the third tier levy from the amount of the third tier revenue.

(2) Divide the actual third tier levy by the permitted third tier levy.

(3) Multiply the result in clause (1) by the result in clause (2).

Sec. 14. [124A.12] [FOURTH TIER AID WITH 50 PERCENT EQUALIZING FACTOR.]

Subdivision 1. [FOURTH TIER ALLOWANCE.] "Fourth tier allowance" means the amount of revenue per actual pupil unit used to compute the fourth tier aid for a particular school year and the corresponding levy for that school year. The fourth tier allowance is \$100.

Subd. 2. [FOURTH TIER REVENUE.] A district's fourth tier revenue for each school year shall equal the fourth tier allowance times its actual pupil units for that school year.

Subd. 3. [FOURTH TIER AID.] A district's fourth tier aid shall be the result of the following computation:

(1) Subtract the amount of the fourth tier levy from the amount of the fourth tier revenue.

(2) Divide the actual fourth tier levy by the permitted fourth tier levy.

(3) Multiply the result in clause (1) by the result in clause (2).

Sec. 15. [124A.14] [FIFTH TIER AID WITH 50 PERCENT EQUALIZING FACTOR.]

Subdivision 1. [FIFTH TIER ALLOWANCE.] "Fifth tier allowance" means the amount of revenue per actual pupil unit used to compute the fifth tier aid for a particular school year and the corresponding levy for that school year. The fifth tier allowance shall equal the result of the following computation:

(a) Determine the revenue the district would have received for the 1984-1985 school year from grandfather revenue, replacement revenue, and low fund balance revenue, if the provisions of Minnesota Statutes 1982, sections 124.2123, 124.2124, and 124.2128 had been effective for the 1984-1985 school year.

(b) Determine the discretionary revenue the district would have received for the 1984-1985 school year if the provisions of Minnesota Statutes 1982, section 124.2125 had been effective for the 1984-1985 school year. Assume the district had been entitled to and had levied the maximum allowable under section 275.125, subdivisions 7a, and no aid or levy reductions were made according to section 275.125, subdivision 7c.

(c) Determine the amount of revenue equal to \$25 times the total pupil units in the 1984-1985 school year.

(d) Add the results in clauses (a), (b), and (c).

(e) Determine the estimated revenue the district would receive for the 1984-1985 school year from the first to fourth tier revenue for the 1984-1985 school year.

(f) Subtract the result of clause (e) from the result of clause (d).

(g) Divide the amount in clause (f) by the 1984-1985 actual pupil units.

Subd. 2. [FIFTH TIER REVENUE.] A district's fifth tier revenue for each school year shall equal the fifth tier allowance times its actual pupil units for that school year.

Subd. 3. [FIFTH TIER AID.] A district's fifth tier aid shall be the result of the following computation:

(1) Subtract the amount of the fifth tier levy from the amount of the fifth tier revenue.

(2) Divide the actual fifth tier levy by the permitted fifth tier levy.

(3) Multiply the result in clause (1) by the result in clause (2).

Sec. 16. [124A.16] [COMMENCEMENT OF TIER REVENUE.]

Subdivision 1. [TOTAL TIER ALLOWANCE.] "Total tier allowance" shall mean the sum of the allowances from the tiers specified in sections 11, 12, 13, 14, and 15.

Subd. 2. [PREVIOUS FORMULA AMOUNT.] "Previous formula amount" shall mean the revenue per actual pupil unit from the previous formula as specified in section 15, subdivision 1, clauses (a) and (b).

Subd. 3. [MINIMUM INCREASE.] "Minimum increase" shall mean the amount equal to \$25 times the total pupil units in the 1984-1985 school year, divided by the actual pupil units in the 1984-1985 school year.

Subd. 4. The total revenue per actual pupil unit permitted from the tiers specified in sections 11, 12, 13, 14, and 15 shall equal the sum of the previous formula amount plus the greater of:

(a) the minimum increase; or

(b) 25 percent of the difference between the total tier allowance and the

previous formula amount in the 1984-1985 school year, 50 percent of the difference in the 1985-1986 school year, 75 percent of the difference in the 1986-1987 school year, or 100 percent of the difference in the 1987-1988 school year and subsequent school years.

Subd. 5. The revenue permitted by this section shall be accorded to the lowest numbered tiers, beginning with the cost differential tier.

Subd. 6. The permitted total revenue per actual pupil unit specified in subdivision 4 shall be determined prior to the reduction according to section 275.125, subdivision 7e.

Sec. 17. Minnesota Statutes 1982, section 124.2132, subdivision 1, is amended to read:

Subdivision 1. [UNDERLEVIES.] A district's basic foundation, ~~grandfather, replacement, discretionary or low fund balance aid, as applicable,~~ for any school year when the actual amount of the corresponding levy for use in that year is less than the permitted amount, shall be reduced by a percentage equal to the difference between the actual amount and the permitted amount, divided by the permitted amount. This provision shall apply to basic foundation aid only for a school year when the actual amount of the basic maintenance levy for use in that year is less than 95 percent of the permitted amount.

Sec. 18. Minnesota Statutes 1982, section 275.125, subdivision 2e, is amended to read:

Subd. 2e. [BASIC MAINTENANCE LEVY; DISTRICTS OFF THE FORMULA.] (1) In any year when the amount of the maximum levy limitation under subdivision 2a for any district, exceeds the product of the district's foundation aid formula allowance for the year in which the levy is recognized as revenue times the estimated number of actual and AFDC pupil units for that district for that school year, the levy limitation for that district under subdivision 2a shall be limited to the greater of the dollar amount of the levy the district certified in 1977 under Minnesota Statutes 1978, Section 275.125, subdivision 2a, clause (1), or the following difference but not to exceed the levy limitation under subdivision 2a:

(a) the *sum of*

(i) *the product of the district's foundation aid formula allowance for the school year in which the levy is recognized as revenue, times the estimated number of actual and AFDC pupil units for that district for that school year, plus*

(ii) *the amount of special state aids of chapter 124 receivable for the same school year, excluding aid authorized in sections 124.2137 and 124.646, plus*

(iii) *the amount of state payments on behalf of the district for the same school year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), less*

(b) *the estimated amount of any payments which would reduce the district's foundation aid entitlement as provided in section 124.2132, subdivision 4 in the school year in which the levy is recognized as revenue.*

(1) However, for fiscal year 1985, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-sixth; for fiscal year 1986, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-third; for fiscal year 1987, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-half; for fiscal year 1988, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by two-thirds; and for fiscal year 1989, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by five-sixths.

(2) A levy made by a district pursuant to this subdivision shall be construed to be the levy made by that district pursuant to subdivision 2a, for purposes of statutory cross-reference.

Sec. 19. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

Subd. 7d. [TIER LEVIES.] (1) [COST DIFFERENTIAL TIER LEVY.] In 1983 and each year thereafter, a district may levy for its cost differential tier revenue an amount not to exceed the lesser of its cost differential tier revenue or the result of the following computation:

(i) Divide the adjusted assessed valuation for the year preceding the year the levy is certified, by the total pupil units for the year to which the levy is attributable.

(ii) Divide the result in clause (i) by the equalizing factor for the school year to which the levy is attributable.

(iii) Multiply the result in clause (ii) by the district's cost differential tier revenue for the school year to which the levy is attributable.

(2) [SECOND TIER LEVY.] In 1983 and each year thereafter, a district may levy for its second tier revenue an amount not to exceed the lesser of its second tier revenue or the result of the following computation:

(iii) Multiply the result in clause (ii) by the district's second tier revenue for the school year to which the levy is attributable.

(3) [THIRD TIER LEVY.] In 1983 and each year thereafter, a district may levy for its third tier revenue an amount not to exceed the lesser of its third tier revenue or the result of the following computation:

(i) Divide the adjusted assessed valuation for the year preceding the year the levy is certified, by the total pupil units for the year to which the levy is attributable.

(ii) Divide the result in clause (i) by 75 percent of the equalizing factor for the school year to which the levy is attributable.

may levy for its fourth tier revenue an amount not to exceed the lesser of its fourth tier revenue or the result of the following computation:

(i) Divide the adjusted assessed valuation for the year preceding the year the levy is certified, by the total pupil units for the year to which the levy is attributable.

(ii) Divide the result in clause (i) by 50 percent of the equalizing factor for the school year to which the levy is attributable.

(iii) Multiply the result in clause (ii) by the fourth tier revenue for the school year to which the levy is attributable.

(5) [FIFTH TIER LEVY.] In 1983 and each year thereafter, a district may levy for its fifth tier revenue an amount not to exceed the lesser of its fifth tier revenue or the result of the following computation:

(i) Divide the adjusted assessed valuation for the year preceding the year the levy is certified, by the total pupil units for the year to which the levy is attributable.

(ii) Divide the result in clause (i) by 50 percent of the equalizing factor for the school year to which the levy is attributable.

(iii) Multiply the result in clause (ii) by the fifth tier revenue for the school year to which the levy is attributable.

Sec. 20. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

Subd. 7e. [SECOND TIER LEVY FUND BALANCE.] Beginning with the 1983 payable 1984 levy, for a district where the net unappropriated operating fund balance as of the June 30 before the levy is certified exceeds \$500 per total pupil unit in the year when the levy is certified, the second tier levy shall be reduced by the amount of the excess times the lesser of (a) one, or (b) the ratio of the district's EARC valuation for the preceding year per total pupil unit in the school year for which the levy is attributable, to the equalizing factor. Beginning with the 1984-1985 school year, the second tier aid for the year when that levy is used shall be reduced by any amount of the excess which is not subtracted from the levy.

Sec. 21. Minnesota Statutes 1982, section 275.125, subdivision 9, is amended to read:

Subd. 9. [LEVY REDUCTIONS; TACONITE.] (1) Reductions in levies pursuant to subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; 477A.15; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties, or recognized revenue pursuant to section 477A.15; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the pay-

ments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year less the product of the same dollar amount of payments or revenue times the ratio of the maximum levy allowed the district under subdivision 2a, to the total levy allowed the district under this section in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, to an amount less than the amount raised by a levy of ~~ten~~ 12.5 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2d shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision. ~~The amount of any levy authorized by subdivision 7a shall not be reduced pursuant to this subdivision.~~

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, and the community service levy authorized by subdivision 8, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to subdivision 11a and for community services pursuant to subdivision 8. The reduction of the capital expenditure levy and the community services levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.2132, subdivision 5, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the commissioner of finance in the following amount on the designated date: ~~on or before~~ by March 15 of each year, ~~100 percent~~ of the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section ~~124.2128~~ 124.2132, subdivision 5, which is in excess of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

Sec. 22. [INSTRUCTION TO THE REVISOR.]

In the next method of updating Minnesota Statutes, the revisor of statutes, in consultation with the education staff of house research and senate research and counsel, is requested to codify the appropriate provisions of this act, appropriate parts of section 275.125, and the sections of chapter 124 relating to foundation aids in a chapter of Minnesota Statutes.

Sec. 23. [REPEALER.]

Subd. 3. [EFFECT.] The repeal of these sections shall not affect the right of a school district to receive nor the obligation of the commissioner of education to pay aids attributable to the 1983-1984 school year and payable in fiscal year 1985 pursuant to the sections repealed.

Sec. 24. [APPROPRIATION.]

Subdivision 1. There is appropriated from the general fund to the department of education the sums indicated in this section for the fiscal years ending June 30 in the years designated.

Subd. 2. [FOUNDATION AID.] For foundation aid there is appropriated:

\$585,027,000.....1984,

\$555,591,000.....1985.

The appropriation for 1985 includes \$89,315,000 for aid for fiscal year 1984 payable in fiscal year 1985, and \$466,276,000 for aid for fiscal year 1985 payable in fiscal year 1985.

Subd. 3. [CANCELLATION.] Any unexpended balance remaining from the appropriations in this section for 1984 shall cancel and shall not be available for the second year of the biennium. None of the amounts appropriated in this section shall be expended for a purpose other than the purpose indicated.

Sec. 25. [EFFECTIVE DATE.]

Sections 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 21, and 23, subdivision 2, are effective July 1, 1984.

ARTICLE 2

TRANSPORTATION AID

Section 1. Minnesota Statutes 1982, section 123.37, subdivision 1b, is amended to read:

*Subd. 1b. [TRANSPORTATION; FUEL.] Notwithstanding the provisions of subdivision 1 or section 471.345, a contract for the transportation of school children, or a contract for the purchase, ~~by June 30, 1983,~~ of petroleum heating fuel or fuel for ~~district owned~~ vehicles may be made by direct negotiation, by obtaining two or more written quotations for the service when possible, or upon sealed bids. At least 30 days before awarding a directly negotiated contract, the school district shall, by published notice, request quotations for the service to be provided. All quotations obtained shall be kept on file for a period of at least one year after receipt thereof. If a contract is made by direct negotiation, ~~negotiations~~ *all quotations* shall be ~~open to the public information.~~ If a contract is made upon sealed bids, the procedure for advertising and awarding bids shall conform to the provisions*

of subdivision 1 except as otherwise provided in this subdivision.

Notwithstanding the provisions of subdivision 1 or section 574.26, a performance bond shall be required of a contractor on a contract for the transportation of school children only when and in the amount deemed necessary by and at the discretion of the school board.

Sec. 2. Minnesota Statutes 1982, section 124.225, is amended to read:

124.225 [TRANSPORTATION AID ENTITLEMENT.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the terms defined in this subdivision have the meanings given to them.

(a) "FTE" means a transported full time equivalent pupil whose transportation is authorized for aid purposes by section 124.223.

(b) "Authorized cost for regular transportation" means the sum of:

(1) all expenditures for transportation in the regular category, as defined in clause (e)(1), for which aid is authorized in section 124.223, plus

(2) an amount equal to one year's depreciation on the district's school bus fleet and mobile units computed on a straight line basis at the rate of 12-1/2 percent per year of the cost of the fleet, plus

(3) an amount equal to one year's depreciation on district school buses reconditioned by the department of corrections computed on a straight line basis at the rate of 33-1/3 percent per year of the cost to the district of the reconditioning, plus

(4) beginning in fiscal year 1984, an amount equal to one year's depreciation on the district's type three school buses, as defined in section 169.44, subdivision 15, which were purchased after July 1, 1982 for authorized transportation of pupils, with the prior approval of the commissioner, computed on a straight line basis at the rate of 20 percent per year of the cost of the type three school buses.

(c) "Adjusted authorized predicted cost per FTE" means the authorized cost predicted by a multiple regression formula determined by the department of education, and adjusted pursuant to subdivision 7a.

(d) "Aid entitlement per FTE" means the adjusted authorized predicted cost per FTE, inflated pursuant to subdivision 7b.

(e) "Transportation category" means a category of transportation service provided to pupils. Each category includes transportation provided during the regular school year and in conjunction with a state board approved summer school program. For purposes of this section, transportation categories are as follows:

(1) Regular transportation is transportation services provided under section 124.223, clauses (1) and (2), excluding transportation between schools under section 124.223, clause (1);

(2) During-day transportation is transportation services between schools provided under section 124.223, clause (1), and transportation services provided under section 124.223, clauses (3) and (9), and transportation services provided under section 124.223, clause (6), excluding transporta-

tion provided for pupils attending shared time special education classes;

(3) Handicapped transportation is transportation services for pupils attending shared time special education classes provided under section 124.223, clause (6), and transportation services provided under section 124.223, clause (4), excluding board and lodging and excluding transportation to and from board and lodging facilities;

(4) Board and lodging is services provided, in lieu of transportation, under section 124.223, clauses (4) and (5);

(5) To and from board and lodging facility transportation is transportation services to and from board and lodging facilities provided under section 124.223, clauses (4) and (7);

(6) Nonpublic health, guidance and counseling transportation is transportation services provided under section 124.223, clause (10);

(7) *Nonregular transportation is transportation services provided between schools under section 124.223, clause (1); and transportation services provided under section 124.223, clauses (3), (4), (5), (6), (7), (9), and (10).*

(f) "Pupil weighting factor" means the ratio of the actual district average cost per FTE in a particular transportation category in the base year to the actual district average cost per FTE in the regular transportation category in the base year.

(g) "Weighted FTE's" means the number of FTE's in each transportation category multiplied by the pupil weighting factor for that category.

(h) "Mobile unit" means a vehicle or trailer designed to provide facilities for educational programs and services, including diagnostic testing, guidance and counseling services and health services. A mobile unit located off nonpublic school premises is a neutral site as defined in section 123.932, subdivision 9.

(i) "Percent excess handicapped FTE's transported" means the result of the following computation for the current year:

one, minus the product of

(1) the ratio of the number of FTE pupils transported in the handicapped category in the state to the number of FTE pupils transported in the handicapped category in the district; times

(2) the ratio of the number of FTE pupils transported in the regular category in the district to the number of FTE pupils transported in the regular category in the state.

(j) "Current year" means the school year for which aid will be paid.

(k) "Base year" means the second school year preceding the school year for which aid will be paid.

(l) "Base cost" means the authorized regular transportation cost per FTE in the base year in the regular transportation category, excluding summer school transportation.

(m) "Predicted base cost" means the base cost as predicted by subdivision 3.

Subd. 1a. [WEIGHTING FACTORS.] For each school year, in computing transportation aid, the department of education shall establish as needed the pupil weighting factors for each transportation category for each district using transportation cost data for the second prior school year. The department shall use the statewide pupil weighting factor for any transportation category for which a district had no experience during the second prior school year.

Subd. 3. [FORMULA.] For each school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. The department of education shall conduct multiple regression analysis using the terms specified in subdivision 4a, *for the 1982-1983 and 1983-1984 school years, and using the terms specified in subdivision 4b for the 1984-1985 school year and each school year thereafter* to predict the base cost for each district. *Each year* a formula shall be derived based upon the regression analysis, but excluding the ~~factor~~ *factor* described in subdivision 4a, ~~clauses (8), clause (9), and (10), except that in the 1982-1983 formula for the 1983-1984 school year, these clauses shall not be excluded.~~ *Each year the formula shall be used to determine a predicted base cost for each district. The amount determined for each district shall be adjusted according to the provisions of subdivisions 7a and 7b.*

Subd. 4a. [FORMULA TERMS, 1983-1984.] To predict the base cost for each district pursuant to subdivision 3 *for the 1983-1984 school year*, the multiple regression formula shall use the following terms for each district:

- (1) The district's average daily membership;
- (2) The reciprocal of the district's average daily membership;
- (3) The logarithm of the number of authorized FTE's per square mile transported by the district in the regular transportation category;
- ~~(4) The percentage of the district's square mile area which is classified by the commissioner of energy, planning and development as water-covered, marshland, or extractive;~~
- ~~(5)~~ (4) The district's administrative overhead for transportation per authorized FTE transported in the regular transportation category;
- ~~(6)~~ (5) The number of schools to which pupils are transported in the regular transportation category, either within or outside the district, divided by the number of authorized FTE's transported in the regular transportation category;
- ~~(7)~~ (6) Whether the district is non-rural, based upon criteria established by the department of education;
- ~~(8)~~ (7) Whether the district contracts for bus service, or transports pupils only on district-owned buses;
- ~~(9)~~ (8) The percentage of all regular transportation category bus routes using buses that are not owned by the district, if that percentage is not 100 percent;
- ~~(10)~~ (9) Whether the district operates a special bus to transport pupils to home from school who are involved in after-school activities.

Subd. 4b. [FORMULA TERMS, 1984-1985 AND AFTER.] *To predict the logarithm of the base cost for each district pursuant to subdivision 3 for the 1984-1985 school year and each year thereafter, the multiple regression formula shall use the following terms for each district:*

(1) The logarithm of the lesser of (a) the number of authorized FTE's per square mile transported by the district in the regular transportation category, or (b) 200;

(2) Whether the district is non-rural, based upon criteria established by the department of education; and

(3) The logarithm of the percentage of all FTE's transported in the regular category using buses that are not owned by the district.

Subd. 7a. [BASE YEAR SOFTENING FORMULA.] ~~(1) Each district's predicted base cost determined for each school year according to subdivision 3 shall be averaged with the base cost for that district for that year to determine the district's adjusted authorized predicted cost per FTE for that year.~~

~~(2) Notwithstanding clause (1),~~ For fiscal year 1983, ~~the~~ *each district's predicted base cost determined according to subdivision 3 shall be adjusted as provided in this clause to determine adjusted authorized predicted cost per FTE for the base school year.*

(a) If the predicted base cost exceeds the base cost, the predicted base cost shall be decreased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

(b) If the predicted base cost is less than the base cost, the predicted base cost shall be increased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

(2) For fiscal year 1984 and each year thereafter, each district's predicted base cost determined for each school year according to subdivision 3 shall be adjusted as provided in this clause to determine the district's adjusted authorized predicted cost per FTE for that year.

(a) If the base cost of the district is within five percent of the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to the base cost.

(b) If the base cost of the district is more than five percent greater than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 105 percent of the predicted base cost, plus 40 percent of the difference between (i) the base cost, and (ii) 105 percent of the predicted base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be less than 80 percent of base cost.

(c) If the base cost of the district is more than five percent less than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 95 percent of the predicted base cost, minus 40 percent of the difference between (i) 95 percent of predicted base cost, and (ii) the

base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be more than 120 percent of base cost.

Subd. 7b. [INFLATION FACTORS.] *The adjusted authorized predicted cost per FTE determined for a district under subdivision 7a for the base year shall be increased by 22 percent to determine the district's aid entitlement per FTE for the 1982-1983 school year, by 11.7 percent to determine the district's aid entitlement per FTE for the 1983-1984 school year, and by 10.3 percent to determine the district's aid entitlement per FTE for the 1984-1985 school year.*

Subd. 8a. [AID.] *For the 1982-1983 and 1983-1984 school years, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its excess handicapped transportation aid pursuant to subdivision 8c, its handicapped board and lodging aid pursuant to subdivision 8d, its to and from board and lodging aid pursuant to subdivision 8e, its nonpublic support services transportation aid pursuant to subdivision 8f, its during-day transportation aid pursuant to subdivision 8g, and its closed-school transportation aid pursuant to subdivision 8h, minus the amount raised by two mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. For the 1983-1984 school year transportation aid for a district which contracted for pupil transportation services in the 1981-1982 school year shall be reduced by an amount equal to \$18 times the number of FTE pupils transported on contracted school buses in the base year in the regular transportation category. A district may levy less than the amount raised by two mills. Transportation aid shall be computed as if the district had levied the amount raised by two mills. If the total appropriation for transportation aid in any fiscal year after 1982 is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's aid in proportion to the number of resident pupils in average daily membership in the district to the state total average daily membership, and shall reduce the aid entitlement of off-formula districts in the same proportion. Aid for the 1982-1983 and 1983-1984 school years shall also be reduced by the following amount: the product of*

(a) the number of nonhandicapped secondary pupils transported in the base year who live between one and two miles from the public school which they could attend or the nonpublic school actually attended, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the base year, times

(c) the district's aid entitlement per FTE determined according to subdivision 7b, times the ratio of average daily membership used in subdivision 8b.

For the 1984-1985 school year and thereafter, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its nonregular transportation aid pursuant to subdivision 8i, and its nonregular transportation levy equalization aid pursuant to subdivision 8j, minus its contracted services and reduction pursuant to subdivision 8k, minus the amount raised by 1.75 mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. A district may levy less than the amount raised by 1.75 mills. Transportation aid shall be computed as if the district had

levied the amount raised by 1.75 mills.

If the total appropriation for transportation aid for any fiscal year is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's aid in proportion to the number of resident pupils in average daily membership in the district to the state total average daily membership, and shall reduce the aid entitlement of off-formula districts in the same proportion.

Subd. 8b. [BASIC AID COMPUTATION.] For the 1982-1983 and 1983-1984 school years, a district's basic transportation aid pursuant to this section for the school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized weighted FTE's transported in the regular and handicapped transportation categories in the district in the base year times the ratio of average daily membership in the district in the current year to the average daily membership in the district in the base year.

For the 1984-1985 school year and thereafter, a district's basic transportation aid pursuant to this section for each school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized FTE's transported in the regular and handicapped categories category in the district in the current school year.

Subd. 8c. [EXCESS HANDICAPPED AID.] (a) For each the 1982-1983 and 1983-1984 school year years, the state shall pay aid for the excess costs of providing transportation for handicapped students as provided in this subdivision to a district where, in the current school year, the ratio of FTE's transported in the handicapped category to the total number of FTE's transported in the regular transportation category exceeds the same ratio for the state as a whole.

(b) This aid shall equal:

the product of the percent excess handicapped FTE's transported, times the difference between

(1) the district's actual cost for transportation of all pupils in the handicapped category in the current year, and

(2) the product of

(i) the district's aid entitlement per FTE determined according to subdivision 7b, times

(ii) the number of FTE's transported in the handicapped category in the district in the current year.

~~Provided that for the 1982-1983 and 1983-1984 school years, the number in (2)(ii) above shall be replaced by the following computation: the product of the number of FTE's transported in the handicapped category in the district in the base year, times its pupil weighting factor for the handicapped category, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year.~~

Excess handicapped transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8d. [HANDICAPPED BOARD AND LODGING AID.] For board

and lodging of handicapped pupils, each district shall receive aid equal to the product of the number of FTE pupils boarded and lodged in the current year in the district in this transportation category, times the average of

(a) the state average board and lodging cost per FTE pupil boarded and lodged in the base year, times the inflation factor for that year prescribed in subdivision 7b; and

(b) the district's actual cost per FTE pupil boarded and lodged in the current year.

Aid for board and lodging of handicapped pupils authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8e. [TO AND FROM BOARD AND LODGING.] For transportation of handicapped pupils to and from board and lodging facilities, the state shall pay aid to each district for each year equal to the lesser of

(a) the sum of the distance in miles from the home of each pupil transported in this category to the board and lodging facility, times 36, times 24 cents; or

(b) the average of the amount in (a) and the district's actual cost for all transportation in this category in the current year.

Aid for transportation of handicapped pupils to and from board and lodging facilities authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8f. [NONPUBLIC SUPPORT SERVICES AID.] For the 1982-1983 and 1983-1984 school years, a district's nonpublic support services transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the nonpublic support services transportation category, times the number of FTE pupils transported in the nonpublic support services category in the district in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. ~~For the 1984-1985 school year and thereafter, a district's nonpublic support services transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the nonpublic support services transportation category, times the number of FTE's transported in that category in the current year.~~

Nonpublic support services aid authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8g. [DURING-DAY TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's during-day transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the during-day transportation category, times the number of FTE's transported in the during-day transportation category in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. ~~For the 1984-1985 school year and thereafter, a district's during-day transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the during-day transportation category, times the number of FTE's~~

~~transported in the during-day transportation category in the current year.~~

During-day transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8h. [CLOSED-SCHOOL TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's closed-school transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times the number of authorized FTE's transported in the regular category in the current school year who were not transported in the base year and would not have been transported in the current year but for school closings or altered school attendance boundaries. The total amount of transportation aid computed pursuant to this subdivision in each year shall not exceed \$2,000,000. If this amount is insufficient to pay each qualifying district its full amount of aid pursuant to this subdivision, this amount shall be prorated among all qualifying districts in proportion to each district's number of FTE's for whom aid is claimed under this subdivision.

Closed-school transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.

Subd. 8i. [NONREGULAR TRANSPORTATION AID.] For the 1984-1985 school year and each year thereafter, a district's nonregular transportation aid shall be determined pursuant to this subdivision. Nonregular transportation aid shall equal (a) 20 percent of the first \$10 of actual cost in the current year for nonregular transportation services per total pupil unit, plus 40 percent of the next \$10 of actual cost in the current year for nonregular transportation services per total pupil unit, plus 60 percent of the actual cost in the current year for nonregular transportation services per total pupil unit which exceeds \$20, times (b) the number of total pupil units in the district in the current year.

Subd. 8j. [NONREGULAR TRANSPORTATION LEVY EQUALIZATION AID.] For the 1984-1985 school year and each year thereafter, a district's nonregular transportation levy equalization aid shall be determined pursuant to this subdivision.

(a) Unreimbursed nonregular transportation revenue shall equal the actual cost in the current year for nonregular transportation services, minus the district's nonregular transportation aid computed pursuant to subdivision 8i.

(b) The nonregular transportation levy is the levy authorized by section 275.125, subdivision 5c.

(c) Nonregular transportation levy equalization aid for a district shall equal the product of (1) its unreimbursed nonregular transportation revenue, minus the nonregular transportation levy limitation for that year, times (2) the ratio of the district's actual nonregular transportation levy to its nonregular transportation levy limitation.

Subd. 8k. [CONTRACTED SERVICES AID REDUCTION.] For the 1984-1985 school year and each year thereafter, each district's transportation aid shall be reduced according to the provisions of this subdivision, if the district contracted for some or all of the transportation services provided in

the regular category. The department of education shall compute this subtraction by conducting the multiple regression analysis specified in subdivision 3 and computing the district's aid under two circumstances, once including the coefficient of the factor specified in subdivision 4b, clause (3), and once excluding the coefficient of that factor. The aid subtraction shall equal the difference between the district's aid computed under these two circumstances.

Subd. 9. [DISTRICT REPORTS.] Each district shall report data to the department as required by the department to implement the transportation aid formula. If a district's final transportation aid payment is adjusted after the final aid payment has been made to all districts, the adjustment shall be made by increasing or decreasing the district's aid for the next fiscal year.

Subd. 10. Sec. 25. Minnesota Statutes 1982, section 124.43, subdivision 1, is amended to read:

Subdivision 1. [REVIEW BY COMMISSIONER.] (a) To the extent moneys are from time to time available hereunder, the commissioner may, after review and a favorable recommendation by the state board of education, ~~make~~ *recommend to the legislature* capital loans to school districts.

Proceeds of the loans shall be used only for sites for school buildings and for acquiring, bettering, furnishing, or equipping school buildings under contracts to be entered into within 12 months from and after the date on which each loan is granted. Applications with the accompanying data specified in subdivision 2 shall be filed between October 1 of any year and the following June 1.

(b) Any board which intends to submit an application for a capital loan shall submit a proposal to the commissioner for review and comment pursuant to section ~~422.90~~ 121.15, and the commissioner shall prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. The state board shall not make a favorable recommendation on an application for a capital loan for any facility unless:

(1) the facility receives a favorable review and comment pursuant to section ~~422.90~~ 121.15; and

(2) the state board determines that

(A) the facilities are needed to replace facilities dangerous to the health and safety of pupils, or to provide for pupils for whom no adequate facilities exist;

(B) the facilities could not be made available through dissolution and attachment of the district to another district or through pairing, interdistrict cooperation, or consolidation with another district, or through the purchase or lease of facilities from existing institutions within the area. The preference of the school district regarding reorganization shall not be a criterion used by the state board in determining whether the facilities could be made available through reorganization;

(C) the facilities are comparable in size and quality to facilities recently constructed in other districts of similar enrollment; and

(D) the district's need for the facilities is comparable to needs which comparable districts are meeting through local bond issues.

The state board may recommend that the loan be approved in a reduced amount in order to meet the foregoing criteria. If the state board recommends that a loan not be approved, the commissioner shall not ~~approve~~ *recommend approval of* the loan; ~~and~~. If the state board recommends that the loan be approved in a reduced amount, the commissioner shall not ~~approve~~ *recommend approval of* a loan larger than that recommended by the state board.

(c) As part of reviewing an application for a capital loan, the commissioner of education shall prepare estimated yearly repayments by the school district and the estimated amount of principal and interest that may be forgiven after the term of the loan. These estimates shall assume no growth in assessed valuation over the term of the loan, shall assume a 16 mill levy, and shall be prepared using a methodology approved by the commissioner of finance. The commissioner of education shall use a discount factor provided by the commissioner of finance in determining the present value of the estimated amount of interest and principal which may be forgiven after the term of the loan.

~~(e)~~ (d) No loan shall be ~~approved~~ *recommended for approval* for any dis-

trict exceeding an amount computed as follows:

(1) The amount voted by the district under subdivision 2;

(2) Plus the aggregate principal amount of general obligation bonds of the district outstanding on the date of approval, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less;

(3) Less the maximum net debt permissible for the district on the date of approval, under the limitation in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less; and

(4) Less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4, provided that the loan may be approved in an amount computed as provided in clauses (1) to (3), subject to subsequent reduction in accordance with this clause.

Sec. 26. [124.435] [APPROVAL BY LEGISLATURE.]

After review of an application for a capital loan, the commissioner of education shall submit the application to the education committees of the legislature. A person who teaches in a community education course which is offered for credit for graduation to persons under 18 years of age shall continue to meet licensure requirements as a teacher. A person who teaches a driver training course which is offered through a community education program to persons under 18 years of age shall be licensed by the board of teaching. A license which is required for an instructor in a community education program pursuant to this subdivision shall not be construed to bring an individual within the definition of a teacher for purposes of section 125.12, subdivision 1, or section 125.17, subdivision 1, clause (a). A community education instructor shall not be defined as a teacher pursuant to section 179.63, subdivision 13, or be a member of a teacher bargaining unit solely as a result of that individual's employment in a community education program.

Sec. 28. Minnesota Statutes 1982, section 125.05, is amended by adding a subdivision to read:

Subd. 5. [PROVISIONAL LICENSES; PROHIBITED.] The board of

teaching shall grant no new provisional licenses. By January 15, 1984, the state board and commissioner of education shall submit a report to the education committees of the legislature with recommendations on provisional licenses.

Sec. 29. Minnesota Statutes 1982, section 125.12, is amended by adding a subdivision to read:

Subd. 1a. [NONPROVISIONAL LICENSE DEFINED.] For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.

Sec. 30. Minnesota Statutes 1982, section 125.12, subdivision 6a, is amended to read:

Subd. 6a. [NEGOTIATED UNREQUESTED LEAVE OF ABSENCE.] The school board and the exclusive bargaining representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 6b shall apply. The negotiated plan shall not include provisions which would result in the exercise of seniority by a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (c), or the reinstatement of a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (e). The provisions of section 179.72 shall not apply for the purposes of this subdivision.

Sec. 31. Minnesota Statutes 1982, section 125.12, subdivision 6b, is amended to read:

Subd. 6b. [UNREQUESTED LEAVE OF ABSENCE.] The school board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the board shall be governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable;

(c) Notwithstanding the provisions of clause (b), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher

being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses;

(e) (d) Notwithstanding clauses (a) and (b) and (c), if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, or the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of clause (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher or the teacher with less seniority, or the provisionally licensed teacher;

(d) (e) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. *No teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave.* The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

(e) (f) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to him that teacher, that he or she may return to employment and that he or she will assume the duties of the position to which appointed on a future date determined by the board;

(f) (g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(g) (h) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(h) (i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to reinstatement shall terminate. The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he or she fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(i) (j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

(j) (k) Nothing in this subdivision shall be construed to impair the rights of

teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible.

Sec. 32. Minnesota Statutes 1982, section 125.17, subdivision 1, is amended to read:

In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers shall be discontinued in any department in the inverse order in which they were employed.

(b) *Notwithstanding the provisions of clause (a), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses.*

(c) *Notwithstanding the provisions of clause (a), no teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.*

New approaches to the learning process, better utilization use of professional staff and community resources, different re-

May 20, 1983

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 473, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 473 be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 169.121, subdivision 1, is amended to read:

Subdivision 1. [CRIME.] It is a misdemeanor for any person to drive, operate or be in physical control of any motor vehicle within this state:

- (a) When the person is under the influence of alcohol;
- (b) When the person is under the influence of a controlled substance;
- (c) When the person is under the influence of a combination of any two or more of the elements named in clauses (a) and (b); or
- (d) When the person's alcohol concentration is 0.10 or more.

The provisions of this subdivision apply, but are not limited in application, to any person who drives, operates, or is in physical control of any motor vehicle in the manner prohibited by this subdivision upon the ice of any lake, stream, or river, including but not limited to the ice of any boundary water.

~~When an accident has occurred, a peace officer may lawfully arrest a person for violation of this section without a warrant upon probable cause, without regard to whether the violation was committed in the officer's presence.~~

Sec. 2. Minnesota Statutes 1982, section 169.121, is amended by adding a subdivision to read:

Subd. 1a. [ARREST.] When an accident has occurred, a peace officer may lawfully arrest a person for violation of subdivision 1 without a warrant upon probable cause, without regard to whether the violation was committed in the officer's presence.

When a peace officer has probable cause to believe that a person is driving or operating a motor vehicle in violation of subdivision 1, and before a stop or arrest can be made the person escapes from the geographical limits of the officer's jurisdiction, the officer in fresh pursuit of the person may stop or arrest the person in another jurisdiction within this state and may exercise the powers and perform the duties of a peace officer under sections 169.121 and 169.123. An officer acting in fresh pursuit pursuant to this subdivision is serving in his regular line of duty as fully as though he was within his jurisdiction.

The express grant of arrest powers in this subdivision does not limit the arrest powers of peace officers pursuant to sections 626.65 to 626.70 or section 629.40 in cases of arrests for violation of subdivision 1 or any other provision of law.

Sec. 3. Minnesota Statutes 1982, section 169.121, subdivision 2, is amended to read:

Subd. 2. [EVIDENCE.] Upon the trial of any prosecution arising out of acts alleged to have been committed by any person arrested for driving, operating, or being in physical control of a motor vehicle in violation of subdivision 1, the court may admit evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine as shown by a medical or chemical analysis ~~thereof~~ of it, if the test is taken voluntarily or pursuant to section 169.123.

For the purposes of this subdivision:

(a) evidence that there was at the time an alcohol concentration of 0.05 or less is prima facie evidence that the person was not under the influence of alcohol;

(b) evidence that there was at the time an alcohol concentration of more than 0.05 and less than 0.10 is relevant evidence in indicating whether or not the person was under the influence of alcohol.

Evidence of the ~~absence of tests~~ refusal to take a test is admissible into evidence in a prosecution under this section ~~without any comment and with a jury instruction, where applicable, that there shall be no speculation as to the~~

reason for the absence and that no inference is to be drawn from the absence or an ordinance in conformity with it.

For purposes of this section and section 169.123, the result of an evidentiary test administered within two hours of the alleged violation is deemed to be the alcohol concentration at the time of the violation.

The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person was under the influence of alcohol or a controlled substance, including tests obtained more than two hours after the alleged violation.

Sec. 4. Minnesota Statutes 1982, section 169.121, subdivision 3, is amended to read:

Subd. 3. [CRIMINAL PENALTIES.] A person who violates this section or an ordinance in conformity ~~therewith~~ with it is guilty of a misdemeanor.

The following persons are guilty of a gross misdemeanor:

(a) A person who violates this section or an ordinance in conformity ~~therewith~~ with it within five years of a prior conviction under this section, section 169.129, or an ordinance or statute from another state in conformity ~~therewith~~ with it; and

(b) A person who violates this section or an ordinance in conformity ~~therewith~~ with it within ten years of two or more prior convictions under this section, section 169.129, or an ordinance or statute from another state in conformity ~~therewith~~ with it.

The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section shall also be responsible for prosecution of gross misdemeanor violations of this section.

Sec. 5. Minnesota Statutes 1982, section 169.123, subdivision 2, is amended to read:

Subd. 2. [IMPLIED CONSENT; CONDITIONS; ELECTION AS TO TYPE OF TEST.] (a) Any person who drives, operates, or is in physical control of a motor vehicle within this state consents, subject to the provisions of this section and section 169.121, to a chemical test of his blood, breath, or urine for the purpose of determining the presence of alcohol or a controlled substance. The test shall be administered at the direction of a peace officer. The test may be required of a person when an officer has reasonable and probable grounds to believe the person was driving, operating, or in physical control of a motor vehicle in violation of section 169.121 and one of the following conditions exist: (1) the person has been lawfully placed under arrest for violation of section 169.121, or an ordinance in conformity ~~therewith~~ with it; or (2) the person has been involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death; or (3) the person has refused to take the screening test provided for by section 169.121, subdivision 6; or (4) the screening test was administered and recorded an alcohol concentration of 0.10 or more. No action may be taken against the person for declining to take a direct blood test, if offered, unless an alternative test was offered.

(b) At the time a chemical test specimen is requested, the person shall be

informed:

(1) that if testing is refused, the person's right to drive will be revoked for a *minimum* period of six months; ~~and~~

(2) that if a test is taken and the results indicate that the person is under the influence of alcohol or a controlled substance, the person will be subject to criminal penalties and the person's right to drive may be revoked for a *minimum* period of 90 days; ~~and~~

(3) that the person has a right to consult with an attorney but that this right is limited to the extent that it cannot unreasonably delay administration of the test or the person will be deemed to have refused the test; ~~and~~

May 21, 1983

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Harry A. Sieben, Jr.
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 545, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 545 be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 256.74, is amended by adding a subdivision to read:

Subd. 5. [ASSIGNMENT OF SUPPORT AND MAINTENANCE RIGHTS.] An applicant for assistance, or a recipient of assistance, under

sections 256.72 to 256.87 is considered to have assigned to the public agency responsible for child support enforcement at the time of application all rights to child support and maintenance from any other person the applicant may have in his own behalf or in the behalf of any other family member for whom application is made. The assignment:

(1) is effective as to both current and accrued child support and maintenance obligations;

(2) takes effect upon a determination that the applicant is eligible for assistance under sections 256.72 to 256.87;

(3) terminates when an applicant ceases to receive assistance under sections 256.72 to 256.87, except with respect to the amount of any unpaid support or maintenance obligation, or both, accrued under the assignment.

Sec. 2. Minnesota Statutes 1982, section 256.87, is amended to read:

256.87 [CONTRIBUTION BY PARENTS; ~~AMENDMENTS; REPEALS.~~]

Subdivision 1. [ACTIONS AGAINST PARENTS FOR ASSISTANCE FURNISHED.] At any time during the continuance of assistance to a child granted under sections 256.72 to 256.87 *except as set forth below*, a parent of a child is liable for the amount of assistance furnished during the two years immediately preceding the commencement of the action which the parent is reasonably able to pay. *Provided, however, that where child support has been previously ordered, the state or county agency providing the assistance, as assignee of the obligee, shall be entitled to judgments for child support payments accruing within ten years preceding the date of the commencement of the action to collect.* The action may be ordered by the state agency or county agency and shall be brought in the name of the county by the county attorney of the county in which the assistance was granted, or by the state agency against the parent for the recovery of the amount of assistance granted, together with the costs and disbursements of the action.

Subd. 1a. [CONTINUING SUPPORT CONTRIBUTIONS.] In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing *support* contributions by a parent found able to reimburse the county or state agency. *Except as provided in subdivision 4, the order shall be effective only for the period of time during which the recipient receives public assistance from the any county or state agency and for 90 days thereafter the order shall require support according to chapter 518.* An order for continuing contributions is reinstated without further hearing upon notice to the parent by ~~the any~~ county or state agency that assistance is again being provided for the child of the parent under sections 256.72 to 256.87. The notice shall be in writing and shall indicate that the parent may request a hearing for modification of the amount of support or maintenance ~~; the amount required to be paid; and the conditions under which income withholding can occur.~~ *In any order modifying the amount of support or maintenance, the court may, if appropriate, make the modification retroactive to the date of automatic reinstatement.*

Subd. 2. [NOT TO BE VESTED RIGHT.] All assistance granted under those sections shall be deemed to be granted and to be held subject to the provisions of any amending or repealing act that may hereafter be passed. No recipient shall have any claim for compensation, or otherwise, by reason

of his assistance being affected in any way by any amending or repealing act.

Subd. 3. [CONTINUING CONTRIBUTIONS TO FORMER RECIPIENT.] The order for continuing support contributions shall remain in effect following the 90 day period after public assistance granted under sections 256.72 to 256.87 is terminated if:

(a) the former recipient files an affidavit with the court within 90 days of the termination of assistance requesting that the support order remain in effect;

(b) the public authority serves written notice of the filing by mail on the parent responsible for making the support payments at that parent's last known address and notice that the parent may move the court under section 518.64 to modify the order respecting the amount of support or maintenance; and

(c) the former recipient makes an application to use the public authority's collection services.

Subd. 4. [ORDER FOR MODIFICATION.] In any order modifying the amount of support or maintenance under this section, the court may make the modification retroactive to the date public assistance was terminated or reinstated.

Subd. 5. [CHILD NOT RECEIVING ASSISTANCE.] A parent having custody of a dependent child not receiving assistance under sections 256.72 to 256.87 has a cause of action for child support against the child's absent parent. Upon an order to show cause and a motion served on the absent parent, the court shall order child support payments from the absent parent under chapter 518.

Sec. 3. [257.541] [CUSTODY AND VISITATION OF CHILDREN BORN OUTSIDE OF MARRIAGE.]

Subdivision 1. [MOTHER'S RIGHT TO CUSTODY.] The natural mother of a child born to a mother who was not married to the child's father neither when the child was born nor when the child was conceived has sole custody of the child until paternity has been established.

Subd. 2. [FATHER'S RIGHT TO VISITATION.] (a) If paternity has been acknowledged under section 257.34 and paternity has been established under sections 257.51 to 257.74, the father's rights of visitation or custody are determined under sections 518.17 and 518.175.

(b) If paternity has not been acknowledged under section 257.34 and paternity has been established under sections 257.51 to 257.74, the natural father may petition for rights of visitation or custody in a separate proceeding under section 518.156.

Sec. 4. Minnesota Statutes 1982, section 257.55, subdivision 1, is amended to read:

Subdivision 1. [PRESUMPTION.] A man is presumed to be the natural father of a child if:

(a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, or within 280 days after the

marriage is terminated by death, annulment, declaration of invalidity, dissolution, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 280 days after its termination by death, annulment, declaration of invalidity, dissolution or divorce; or

(2) if the attempted marriage is invalid without a court order, the child is born within 280 days after the termination of cohabitation;

(c) After the child's birth, he and the child's natural mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) he has acknowledged his paternity of the child in writing filed with ~~the district court or~~ the state registrar of vital statistics;

(2) with his consent, he is named as the child's father on the child's birth certificate; or

(3) he is obligated to support the child under a written voluntary promise or by court order;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child; or

(e) He ~~acknowledges and the child's natural mother acknowledge~~ his paternity of the child in a writing *signed by both of them under section 257.34 and filed with the district court or the state registrar of vital statistics; which shall promptly inform the mother of the filing of the acknowledgment; and she does not within a reasonable time after being informed thereof dispute the acknowledgment in a writing filed with the district court or the state registrar of vital statistics.* If another man is presumed under this clause to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted.

Sec. 5. Minnesota Statutes 1982, section 257.58, is amended to read:

257.58 [LIMITATION OF ACTIONS; EXCEPTIONS.]

Subdivision 1. [ACTIONS FOR CHILDREN WITHOUT A PRESUMED FATHER.] Except for (a) an action brought by or on behalf of a child whose paternity has not been determined, and (b) an action brought by the public authority responsible for child support enforcement, if a child is over three years old when he or she first receives public assistance in the state of Minnesota, an action to determine the existence of the father and child relationship as to a child who has no presumed father under section 257.55 may not be brought later than three years after the birth of the child, or later than three years after August 1, 1980, whichever is later. An action brought by or on behalf of a child whose paternity has not been determined is not barred

until one year after the child reaches the age of majority. *If a child is over three years old when he or she first receives public assistance in the state of Minnesota, an action brought by the public authority responsible for child support enforcement is not barred until three years after the public assistance is first provided in this state.*

Subd. 2. [HEIRSHIP.] Section 257.57 and this section do not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.

Sec. 6. Minnesota Statutes 1982, section 257.59, subdivision 1, is amended to read:

Subdivision 1. [COURT JURISDICTION.] Except in Hennepin and Ramsey counties, the county court has jurisdiction of an action brought under sections 257.51 to 257.74. In Hennepin and Ramsey counties, the district court has jurisdiction of an action brought under sections 257.51 to 257.74. *The action may be joined with an action for dissolution, annulment, legal separation, custody under chapter 518, or reciprocal enforcement of support.*

Sec. 7. Minnesota Statutes 1982, section 257.60, is amended to read:

257.60 [PARTIES.]

The child may be made a party to the action. If the child is a minor and is made a party, a general guardian or a guardian ad litem shall be appointed by the court to represent the child. The child's mother or father may not represent the child as guardian or otherwise. ~~The court may appoint the commissioner of public welfare as guardian ad litem for the child.~~ If the child is a minor and the case involves a compromise under section 257.64, subdivision 1 or a lump sum payment under section 257.66, subdivision 4, the child *and the commissioner of public welfare shall each be made a party and the commissioner of public welfare shall be appointed as guardian ad litem* before the court approves a compromise or orders a lump sum payment. The natural mother, each man presumed to be the father under section 257.55, and each man alleged to be the natural father, shall be made parties or, if not subject to the jurisdiction of the court, shall be given notice of the action in a manner prescribed by the court and shall be given an opportunity to be heard. *A person who may bring an action under section 257.57 may be made a party to the action.* The court may align the parties.

Sec. 8. Minnesota Statutes 1982, section 257.62, subdivision 1, is amended to read:

Subdivision 1. [BLOOD TESTS REQUIRED.] The court may, and upon request of a party shall, require the child, mother, or alleged father to submit to blood tests ~~or genetic tests, or both.~~ *If the alleged father is dead, the court may, and upon request of a party shall, require the decedent's parents or brothers and sisters or both to submit to blood tests. However, in a case involving these relatives of an alleged father, who is deceased, the court may refuse to order blood tests if the court makes an express finding that submitting to the tests presents a danger to the health of one or more of these relatives that outweighs the child's interest in having the tests performed. Unless the person gives consent to the use, the results of any blood tests of*

the decedent's parents, brothers, or sisters may be used only to establish the right of the child to public assistance including but not limited to social security and veterans' benefits. The tests shall be performed by a qualified expert appointed by the court.

Sec. 9. Minnesota Statutes 1982, section 257.62, is amended by adding a subdivision to read:

Subd. 6. [POSITIVE TEST RESULTS.] If the results of the blood tests indicate that the likelihood of the alleged father's paternity is more than 92 percent, upon motion the court shall order the alleged father to pay temporary child support determined according to chapter 518. The alleged father shall pay the support money into court pursuant to the rules of civil procedure to await the results of the paternity proceedings.

Sec. 10. Minnesota Statutes 1982, section 257.64, subdivision 1, is amended to read:

257.64 [PRE-TRIAL ORDERS AND RECOMMENDATIONS.]

Subdivision 1. On the basis of the information produced at the pretrial hearing, ~~including information as to the financial status of the parties, the court may, and if requested by a party, shall evaluate the probability of determining the existence or nonexistence of the father and child relationship in a trial and whether a judicial declaration would be in the best interest of the child. On the basis of the evaluation, an appropriate recommendation for settlement shall be made to the parties, which may include any of the following:~~

(a) ~~That the action be dismissed with or without prejudice;~~

(b) ~~recommend that the alleged father voluntarily acknowledge his paternity of the child if the parties have agreed on a financial settlement; or~~

(c) ~~(b) recommend that the matter be compromised by an agreement among the alleged father, the mother, and the child, in which the father and child relationship is not determined but in which a defined economic obligation is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the court. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the court shall consider the best interest of the child, in the light of the applicable factors enumerated in section 518.17, subdivision 3, discounted by the improbability, as it appears to the court, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on him. When the child reaches 21 years of age or older he may petition the court to disclose the alleged father's identity. The court shall grant the petition if after considering the interests of all known persons involved, the court determines that disclosure of the information would be of greater benefit than nondisclosure.~~

Sec. 11. Minnesota Statutes 1982, section 257.66, subdivision 3, is amended to read:

Subd. 3. [JUDGMENT; ORDER.] The judgment or order shall contain

provisions concerning the duty of support, the custody and guardianship of the child, the name of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child. *Custody and visitation and all subsequent motions related to them shall proceed and be determined under section 3.* ~~These~~ *The remaining matters and all subsequent motions related to them shall proceed and be determined in accordance with chapter 518. The judgment or order may direct the appropriate party to pay all or a proportion of the reasonable expenses of the mother's pregnancy and confinement, after consideration of the relevant facts, including the relative financial means of the parents; the earning ability of each parent; and any health insurance policies held by either parent, or by a spouse or parent of the parent, which would provide benefits for the expenses incurred by the mother during her pregnancy and confinement.*

Sec. 12. Minnesota Statutes 1982, section 257.66, subdivision 4, is amended to read:

Subd. 4. [STATUTE OF LIMITATIONS.] Support judgments or orders ordinarily shall be for periodic payments which may vary in amount. In the best interest of the child, a lump sum payment may be ordered in lieu of periodic payments of support. The court shall limit the parent's liability for past support of the child to the proportion of the expenses that the court deems just, which were incurred in the ~~immediate preceding~~ *two years immediately preceding the commencement of the action.*

Sec. 13. Minnesota Statutes 1982, section 257.69, subdivision 2, is amended to read:

Subd. 2. [GUARDIAN; LEGAL FEES.] The court may order ~~reasonable counsel, expert witnesses, witness~~ and guardian ad litem fees, and other costs of the trial and pre-trial proceedings, including appropriate tests, to be paid by the parties in proportions and at times determined by the court. The court shall require a party to pay part of the fees of court-appointed counsel according to the party's ability to pay, but if counsel has been appointed the appropriate agency shall pay the party's proportion of all other fees and costs. *The agency responsible for child support enforcement shall pay the fees and costs for blood tests in a proceeding in which it is a party, is the real party in interest, or is acting on behalf of the child. However, at the close of a proceeding in which paternity has been established under sections 257.51 to 257.74, the court shall order the adjudicated father to reimburse the public agency, if the court finds he has sufficient resources to pay the costs of the blood tests.* When a party bringing an action is represented by the county attorney, no filing fee shall be paid to the clerk of court.

Sec. 14. Minnesota Statutes 1982, section 518.10, is amended to read:

518.10 [REQUISITES OF PETITION.]

The petition for dissolution of marriage or legal separation shall state and allege:

- (a) The name and address of the petitioner;
- (b) The name and, if known, the address of the respondent;
- (c) The place and date of the marriage of the parties;

(d) In the case of a petition for dissolution, that either the petitioner or the respondent or both:

(1) Has resided in this state for not less than 180 days immediately preceding the commencement of the proceeding, or

(2) Has been a member of the armed services and has been stationed in this state for not less than 180 days immediately preceding the commencement of the proceeding, or

(3) Has been a domiciliary of this state for not less than 180 days immediately preceding the commencement of the proceeding;

(e) The name, age and date of birth of each *living* minor or dependent child of the parties *born before the marriage or born or adopted during the marriage and a reference to, and the expected date of birth of, a child of the parties conceived during the marriage but not born;*

(g) In the case of a petition for dissolution, that there has been an irretrievable breakdown of the marriage relationship;

(h) In the case of a petition for legal separation, that there is a need for a decree of legal separation; and

(i) Any temporary or permanent maintenance, child support, child custody, disposition of property, attorneys' fees, costs and disbursements applied for without setting forth the amounts.

The petition shall be verified by the petitioner or petitioners, and its allegations established by competent evidence.

Sec. 15. Minnesota Statutes 1982, section 518.17, is amended by adding a subdivision to read:

Subd. 5. [DEVIATION FROM GUIDELINES.] The court shall not order the noncustodial parent to pay support in an amount below the appropriate amount determined from the guidelines in section 17 for use in public assistance cases unless the court makes express findings of fact as to the reason for the lower order.

Sec. 16. Minnesota Statutes 1982, section 518.551, subdivision 1, is amended to read:

~~Subdivision 1. [ORDER PAYMENT TO PUBLIC AGENCY.] Whenever an obligation for support of a dependent child or maintenance of a spouse, or both, in a proceeding for dissolution or legal separation or determination of parentage, has been determined and ordered by a court of this state, that court shall order the withholding of the amount of child support or maintenance as determined by court order, from the income, regardless of source, of the person obligated to pay the support or maintenance. When an order for withholding has not previously been secured, the obligee may or the public agency responsible for child support enforcement shall move the court, and the court shall grant the order.~~

Each order shall provide that the obligor's employer, trustee, or other payor of funds shall withhold from the obligor's income, regardless of source, an

amount equal to the court's order for support or maintenance.

The court shall direct that all payments ordered for maintenance and support be made to the public agency responsible for child support enforcement so long as the obligee is receiving or has applied for public assistance. Amounts received by the public agency responsible for child support enforcement greater than the amount granted to the obligee shall be remitted to the obligee.

Sec. 17. Minnesota Statutes 1982, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families of ~~with~~ dependent children or applies for it subsequent to the commencement of the proceeding. After receipt of the notice, ~~the public authority shall recommend to the court the support that is proper and adequate for the care and support of the child or children before the issuance of the order for judgment and decree in the proceeding. shall set child support by multiplying the obligor's net income by the percentage indicated by the following guidelines:~~

The public agency may enforce a judgment entered before the assignment of rights as if the judgment were granted to it, and in its name, to the extent that the arrearages in that judgment are assigned.

Subd. 2. [NOTICE TO OBLIGOR OF CONDITIONS.] Each order for withholding shall provide for a conspicuous notice to the obligor that withholding may result if the obligor fails to make the maintenance or support payments, and that no withholding shall be made until the following conditions are met:

(a) The obligee or the public authority determines that the obligor is at least 30 days in arrears;

(b) The obligee or the public authority serves written notice of its determination of arrearage on the obligor at least 15 days before service of the determination and a copy of the court's order for withholding on the payor of funds;

(c) Within the 15 day period, the obligor has either failed to pay all arrearages or to move the court, under section 518.64, to modify the order respecting the amount of maintenance or support and, ex parte, to stay service on the payor of funds until the motion to modify is heard; and

Subd. 6. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 24. [518.64] [COST-OF-LIVING ADJUSTMENTS IN CHILD SUPPORT ORDER.]

Subdivision 1. [REQUIREMENT.] An order for child support shall provide for a biennial adjustment in the amount to be paid based on a change in the cost-of-living. The order shall specify the cost-of-living index to be applied. The court may use the consumer price index for all urban consumers, Minneapolis-St. Paul (CPI-U), the consumer price index for wage earners and clerical, Minneapolis-St. Paul (CPI-W), or another cost-of-living index published by the department of labor which it specifically finds is more appropriate. The court may specify that the housing component be excluded from the cost-of-living adjustment. Cost-of-living increases under this section shall be compounded. It may also increase the amount by more than the cost-of-living adjustment by agreement of the parties or by making further findings. The adjustment becomes effective on the first of May of the year in which it is made. A court may waive the requirement of the cost-of-living clause if it expressly finds that the obligor's occupation or income, or both, does not provide for cost-of-living adjustment or that the order for child support has a provision such as a step increase that has the effect of a cost-of-living clause. The commissioner of public welfare may promulgate rules under this section in accordance with the rulemaking provisions of chapter 14.

Subd. 2. [CONDITIONS.] No adjustment under this section may be made unless the order provides for it and until the following conditions are met:

(a) the obligee or public authority serves notice of its application for adjustment by mail on the obligor at the obligor's last known address at least 20 days before the effective date of the adjustment;

(b) the notice to the obligor shall inform the obligor that an adjustment in payments shall become effective on the first of May; and

(c) after receipt of notice and before the effective day of the adjustment, the obligor fails to request a hearing on the issue of whether the adjustment should take effect, and ex parte, to stay imposition of the adjustment pending outcome of the hearing.

Subd. 3. [RESULT OF HEARING.] If, at a hearing pursuant to this section, the obligor establishes an insufficient cost of living or other increase in income that prevents fulfillment of the adjusted child support obligation, the court may direct that all or part of the adjustment not take effect. If, at the hearing, the obligor does not establish this insufficient increase in income, the adjustment shall take effect as of the date it would have become effective had no hearing been requested.

Subd. 4. [FORM.] The department of public welfare shall prepare and make available to the court and obligors a form to be submitted to the department by the obligor in support of a request for hearing under this section. The rulemaking provisions of chapter 14 shall not apply to the preparation of the form.

Subd. 5. [REQUEST FOR COST-OF-LIVING CLAUSE.] A motion for enforcement or modification of an existing child support order shall include a request for a cost-of-living clause. The court may deny the request only upon an express finding that the obligor's occupation, income, or both, does not provide for a cost-of-living adjustment or that the existing child support order either has a cost-of-living clause or sets forth a step increase which has the effect of a cost-of-living adjustment.
