STATE OF MINNESOTA

PROCLAMATION

WHEREAS: The Minnesota Legislature adjourned without completing action on certain bills relating to budget, revenues, farm security loan guarantees and other matters affecting the health, safety and welfare of Minnesota citizens; and

WHEREAS: The people of Minnesota are best served by an orderly conclusion of legislative business, with a limited agenda and prior agreement on laws to be enacted; and

WHEREAS: Article IV, Section 12 of the Constitution of the State of Minnesota provides that a Special Session of the Legislature may be called on extraordinary occasions; and

WHEREAS: Elected leaders of the Legislature have agreed on an agenda and procedures to complete a Special Session in the shortest time possible;

NOW, THEREFORE, I, Rudy Perpich, Governor of the State of Minnesota, do hereby summon you, members of the Legislature, to convene in Special Session on Wednesday, April 2, 1986, at twelve o'clock noon on that day, in the Capitol in Saint Paul, Minnesota.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this first day of April in the year of Our Lord one thousand nine hundred and eighty-six, and of the State the one hundred twenty-seventh.

Rudy Perpich,
Governor

Joan Anderson Growe,
Secretary of State

MOTIONS AND RESOLUTIONS

Mr. Moe, R.D. introduced—

Senate Resolution No. 1: A Senate resolution relating to notifying the House of Representatives and the Governor that the Senate is organized.

BE IT RESOLVED, by the Senate of the State of Minnesota:

The Secretary of the Senate shall notify the House of Representatives and the Governor that the Senate is now duly organized under the Minnesota Constitution and Minnesota Statutes.

Mr. Moe, R.D. moved the adoption of the foregoing resolution. The motion prevailed. So the resolution was adopted.

Mr. Moe, R.D. introduced—

Senate Resolution No. 2: A Senate resolution relating to organization and operation of the Senate during the Special Session.

BE IT RESOLVED, by the Senate of the State of Minnesota:

The Senate is organized under Minnesota Statutes, sections 3.073 and 3.103.

The Rules of the Senate for the 74th Legislature are the Rules for the Special Session, except that Rules 33, 40, and 57 are not operative other than as provided in this resolution.

The Committee on Rules and Administration is established in the same manner and with the same powers as in the 74th Legislature.

With respect to Rule 31, Reconsideration, a notice of intention to move for reconsideration is not in order, but a motion to reconsider may be made, and when made has priority over other business except a motion to adjourn.

Mr. Moe, R.D. moved the adoption of the foregoing resolution.

The question was taken on the adoption of the resolution.

The roll was called, and there were yeas 62 and nays 0, as follows:

Those who voted in the affirmative were:

Adkins	Frederick	Kronebusch	Olson	Schmitz
Anderson	Frederickson	Laidig	Pehler	Sieloff

SUSPENSION OF RULES

Mr. Jude moved that an urgency be declared within the meaning of Article IV, Section 19, of the Constitution of Minnesota, with respect to S.F. No. 1 and that the rules of the Senate be so far suspended as to give S.F. No. 1 its second and third reading and place it on its final passage. The motion prevailed.

S.F. No. 1 was read the second time.

Mr. Jude moved to amend S.F. No. 1 as follows:

Page 106, after line 13, insert:

"ARTICLE 4

Section 1. Minnesota Statutes 1985 Supplement, section 16B.61, subdivision 3, is amended to read:

Subd. 3. [SPECIAL REQUIREMENTS.] (a) [SPACE FOR COMMUTER VANS.] The code must require that any parking ramp or other parking facility constructed in accordance with the code include an appropriate number of spaces suitable for the parking of motor vehicles having a capacity of seven to 16 persons and which are principally used to provide prearranged commuter transportation of employees to or from their place of employment or to or from a transit stop authorized by a local transit authority.

(b) [SMOKE DETECTION DEVICES.] The code must require that all dwellings, lodging houses, apartment houses, and hotels as defined in section 299F.362 comply with the provisions of section 299F.362.

(c) [DOORS IN NURSING HOMES AND HOSPITALS.] The state building code may not require that each door entering a sleeping or patient's room from a corridor in a nursing home or hospital with an approved complete standard automatic fire extinguishing system be constructed or maintained as self-closing or automatically closing.

(d) A licensed day care center serving fewer than 30 preschool age persons and which is located in a below ground space in a church building is exempt from the state building code requirement for a ground level exit when the center has more than two stairways to the ground level and its exit.

(e) [MINED UNDERGROUND SPACE.] Nothing in the state building codes shall prevent cities from adopting regulations governing the excavation, construction, reconstruction, alteration and repair of mined underground space pursuant to sections 472B.03 to 472B.07, or of associated facilities in the space once the space has been created, provided the intent of the building code to establish reasonable safeguards for health, safety, welfare, comfort, and security is maintained.

(f) No provision of the code or any appendix chapter of the code may require stairways of existing multiple dwelling buildings of two stories or less to be enclosed.

Sec. 2. Minnesota Statutes 1984, section 299F.011, is amended by adding a subdivision to read:

Subd. 4c. The uniform fire code shall not require stairways of existing multiple dwelling buildings of two stories or less to be enclosed. For the purposes of this subdivision the term "stories" has the meaning given it in the state building code.

Sec. 3. Minnesota Statutes 1984, section 44A.01, subdivision 1, is amended to read:

Subdivision 1. [MEMBERSHIP.] (a) A world trade center board is created to facilitate and support Minnesota world trade center programs and services and promote the growth of international trade in Minnesota. The world trade center board consists of nine voting members and four legislators serving as nonvoting members. Three members are representatives of the membership of the Minnesota world trade center, one member is a representative of the international business community, and one member is a representative of the agricultural community.

(b) The initial voting members are appointed by the governor with the advice and consent of the senate ~~for a term expiring~~. *The terms of five of the initial voting members shall expire* the first Monday in January 1987. *The terms of the remaining four initial voting members shall expire the first Monday in January 1989.* A vacancy is filled in the same manner as the appointment.

(c) Legislator members are two members of the senate appointed under the rules of the senate and two members of the house of representatives appointed by the speaker. Except for the initial members, who are to be appointed following enactment, they are appointed at the beginning of each regular session of the legislature for two-year terms. A legislator who remains a member of the body from which he was appointed may serve until a successor is appointed and qualifies. A vacancy in a legislator member's term is filled for the unexpired portion of the term in the same manner as the original appointment.

Sec. 4. Minnesota Statutes 1984, section 44A.02, is amended to read:

44A.02 [~~EXECUTIVE DIRECTOR~~ *PRESIDENT.*]

Subdivision 1. [SELECTION.] The ~~executive director~~ *president* of the world trade center board is selected by a majority of the board and serves at the pleasure of the board. The ~~executive director~~ *president* must be familiar with the international business community, and have demonstrated proficiency in communication skills, administration and management~~, and public and private joint ventures~~. The salary of the ~~executive director~~ *president* is set by the board within the limit set by sections 15A.081, subdivision 1, and 43A.17.

Subd. 2. [DUTIES.] The ~~executive director~~ *president* is the chief administrative officer of the board and is responsible for performing the executive duties of the board. The ~~executive director~~ *president* is not a member of the

board.

Subd. 3. [EMPLOYEES.] The ~~executive director~~ *president* may appoint unclassified employees in accordance with chapter 43A and prescribe their duties. The ~~executive director~~ *president* may delegate to a subordinate the exercise of specified statutory powers or duties as the ~~executive director~~ *president* deems advisable, subject to the control of the ~~executive director~~ *president*.

Sec. 5. [44A.031] [PROMOTIONAL EXPENSES.]

The world trade center board may expend money in the world trade center fund, and any other money appropriated by the legislature, for the purpose of promotion of world trade in Minnesota. Promotional expenses include, but are not limited to, expenses for the food, lodging and travel of consultants and speakers hired by the board, and publications and other forms of advertising. Promotional expenditures may be made in the same manner as expenditures made by private persons, firms, corporations, or associations for similar purposes, and are not subject to regulation by the commissioner of employee relations.

Sec. 6. Minnesota Statutes 1984, section 44A.07, subdivision 1, is amended to read:

Subdivision 1. [SERVICES.] The world trade center board may:

(1) define, formulate, administer, and deliver programs and services through the world trade center;

(2) provide and contract for services and programs through the world trade center, including: a library and research service providing information on world trade; a trade lead service, providing and authenticating information about international trade opportunities; a club for world trade center club members; telecommunications services; translation and interpretation services; temporary secretarial and other business services; language instruction; educational conferences and seminars; and other programs and services that serve the purposes of the world trade center, in the determination of the board;

(3) establish and charge fees for services and programs provided without regard to chapter 14 *and section 16A.128*;

(4) establish membership requirements for Minnesota world trade center operations without regard to chapter 14;

(5) establish satellite operations of the Minnesota world trade center;

(6) maintain active membership in the world trade center association;

(7) create an international communication network to coordinate international trade information and activities;

(8) compile international trade information from, among other places, the United States Department of Commerce and private sources, and provide marketing information to business persons;

(9) assist public and private universities or colleges to develop undergraduate or graduate level education programs to train persons regarding export trading; and

(10) coordinate the international trading activities of state and local agencies and organizations.

Sec. 7. [44A.08] [SERVICE INFORMATION; CLASSIFICATION OF DATA.]

Subdivision 1. [SERVICE INFORMATION.] *Information, including data bases, purchased by the board or developed by the board for sale pursuant to section 44A.07, is not subject to chapter 13.*

Subd. 2. [CLASSIFICATION OF DATA.] *For purposes of this subdivision, "business transaction" means a transaction between parties other than the board. The following data received or developed by the board is private with respect to data on individuals and nonpublic with respect to data not on individuals:*

(1) Data relating to the financial condition of individuals or businesses receiving or performing services by or on behalf of the board.

(2) At the request of either party to the transaction data on business transactions.

(3) At the request of the person or business seeking the information, the identities of persons or businesses requesting business or trade information from the board, and the nature of the trade information.

Sec. 8. Minnesota Statutes 1984, section 169.44, is amended by adding a subdivision to read:

Subd. 1c. [OPTIONAL SYSTEM.] *In addition to equipment required under subdivision 1a and notwithstanding the provisions of sections 169.64, a school bus may be equipped with a driver-activated student control warning system which includes a high-intensity red flashing signal, an audible warning signal and a green all-clear signal, and may activate such a system whenever the use of the stop signal arm and flashing red signals is required under subdivision 2.*

Sec. 9. [138.97] [LABOR INTERPRETATIVE CENTER.]

Subdivision 1. [PUBLIC POLICY.] *The legislature declares that it is an important purpose and function of state government to preserve and interpret the story of the worker and their institutions in Minnesota and enrich the people's knowledge of the many contributions of the labor movement and how the history of working people in Minnesota has shaped the state's history.*

Subd. 2. [ESTABLISHMENT.] *There is established a labor interpretative center as a part of the Minnesota historical society's state history center within the state capitol complex as defined in Minnesota Statutes, section 15.50, subdivision 2.*

Subd. 3. [GOVERNANCE.] *The center shall be developed during its planning phase under the guidance of a labor interpretative task force whose chair is appointed by the governor. The chair shall select the members of the task force. The task force shall complete its work within 18 months of the effective date of this section. The task force shall dissolve after the 18 months or when its work is completed, whichever is sooner. An advisory council shall be appointed by the director of the Minnesota historical society after*

the dissolution of the task force to assist the director with the operation of the center.

Subd. 4. [ADMINISTRATION.] *The center shall be administered by an administrator appointed by the director of the Minnesota historical society. The administrator will be chosen solely on the basis of training, experience, and proven competence in the field of American labor history.*

Subd. 5. [PROGRAM.] *The program of the labor interpretative center may be carried out by exhibit, audio-visual programs, research, publication, and public programs, or other activities as recommended by the advisory council.*

Subd. 6. [OPERATION.] *The operation of the center shall be consistent with statutes and policies governing the Minnesota historical society.*

Subd. 7. [FUNDING.] *The cost for capital improvements for the labor interpretative center are not part of the total cost of the state history center for the purpose of the cost limitation specified in Laws 1985, first special session chapter 15, section 11.*

Sec. 10. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day following final enactment."

Amend the title as follows:

Page 1, line 12, after the semicolon, insert "exempting stairways in certain buildings from certain provisions of the uniform fire code; defining the duties and terms of office of the members of the world trade center board; classifying data held by the board; permitting the equipping of school buses with driver-activated student control warning system; creating the labor interpretative center; establishing an advisory council governing policies and program purposes;"

"Sec. 51. [CORRECTION.] Subdivision 1. Minnesota Statutes 1985 Supplement, section 256.969, subdivision 2, as amended by Laws 1986, chapter 420, section 6, is amended to read:

Subd. 2. [RATES FOR INPATIENT HOSPITALS.] Rates paid to inpatient hospitals shall be based on a rate per admission until the commissioner can begin to reimburse hospitals for services under the medical assistance and general assistance medical care programs based upon a diagnostic classification system appropriate to the service populations. On July 1, 1984, the commissioner shall begin to utilize to the extent possible existing classification systems, including medicare. The commissioner may incorporate the grouping of hospitals with similar characteristics for uniform rates upon the development and implementation of the diagnostic classification system. Prior to implementation of the diagnostic classification system, the commissioner shall report the proposed grouping of hospitals to the senate health and human services committee and the house health and welfare committee. Effective August 1, 1985, the computation of the base year cost per admission and the computation of the relative values of the diagnostic categories must include identified outlier cases and their weighted costs up to the point that they become outlier cases, but must exclude costs and days beyond that point. Claims paid for care provided on or after August 1, 1985, ~~may~~ *shall* be adjusted to reflect a recomputation of rates. The commissioner ~~shall~~ *may* reconstitute the diagnostic categories to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce variances within the diagnostic categories after notice in the state register and a 30 day comment period. After May 1, 1986, acute care hospital billings under the medical assistance and general assistance medical care programs must not be submitted until the recipient is discharged. However, the commissioner shall establish monthly interim payments with inpatient hospitals that have individual patient lengths of stay in excess of 30 days regardless of diagnosis-related group. For purposes of establishing interim rates, the commissioner is exempt from the requirements of chapter 14. Medical assistance and general assistance medical care reimbursement for treatment of mental illness shall be reimbursed based upon diagnosis classifications. The commissioner may selectively contract with hospitals for services within the diagnostic classifications relating to mental illness and chemical dependency under competitive bidding when reasonable geographic access by recipients can be assured. No physician shall be denied the privilege of treating a recipient required to utilize a hospital under contract with the commissioner, as long as the physician meets credentialing standards of the individual hospital.

Subd. 2. [EFFECTIVE DATE.] *Subdivision 1 is effective the day following final enactment.*"

Amend the title as follows:

Subd. 7. [FIDUCIARY RESPONSIBILITY.] In the discharge of their respective duties, the officers and trustees shall be held to the standard of care enumerated in section 11A.09.

Each member of the board is a fiduciary. No fiduciary of a relief association shall cause a relief association to engage in a transaction if the fiduciary knows or should know that a transaction constitutes one of the following direct or indirect transactions:

(1) sale or exchange or leasing of any real property between the relief association and a board member;

(2) lending of money or other extension of credit between the relief association and a ~~board~~ member *of the board or the relief association*;

(3) furnishing of goods, services, or facilities between the relief association and a board member ~~or member of the relief association~~; or

(4) transfer to a board member, or use by or for the benefit of a board member, of any assets of the relief association. Transfer of assets does not mean the payment of relief association benefits or administrative expenses permitted by law."

Renumber the sections in sequence

Correct the internal references

Amend the title accordingly

The motion prevailed. So the amendment was adopted.

RECONSIDERATION

Having voted on the prevailing side, Mr. Jude moved that the vote whereby the seventh Jude amendment to S.F. No. 1 was adopted on April 2, 1986, be now reconsidered. The motion prevailed. So the vote was reconsidered.

Mr. Jude withdrew the amendment.

Mr. Frederick moved to amend S.F. No. 1 as follows:

Page 106, after line 13, insert:

"Sec. 10. [REPEALER.]
