Senate Resolution No. 23: A Senate resolution stating the sense of the Senate that the governments of the United States and the Socialist Republic of Vietnam take all possible action to determine the fate of persons missing in action and/or held as prisoners of war in Asian nations.

WHEREAS, on the 27th of January 1987, 14 years will have elapsed since the agreement to end American involvement in the war in Southeast Asia; and

WHEREAS, one of the conditions of that agreement was a provision for a return or an accounting of those persons who were missing in action and those persons who were prisoners of war; and

WHEREAS, the government of Vietnam has only provided information on a limited number of those still carried as unaccounted for, and this only through the pressure of determined families, concerned citizens, and very dedicated elected officials; and

WHEREAS, 2,421 Americans, including 44 Minnesotans, remain unaccounted for, with investigation of their status arrested by failure of the Socialist Republic of Vietnam and its allied governments to cooperate and assist; and

WHEREAS, there have been and continue to be live sightings and reports that some of these missing men are still alive in Southeast Asia; and

WHEREAS, the sorrow, anxiety, and frustration of the families and the citizens of the State of Minnesota for these men cannot be dispelled by either delay or neglect; and

WHEREAS, it is America's duty to ensure, through an authentic, comprehensive investigation, the return of Americans still within Southeast Asia and to account for Americans who have perished there; and

WHEREAS, Congress has established several task forces on American Prisoners and Missing in Southeast Asia that have held hearings to consider evidence relating to the status of the missing in Southeast Asia; and

WHEREAS, through these many hearings over the years, it has been resolved to not rule out the possibility that Americans remain alive in Asian nations; and

WHEREAS, many of those who have served on those committees and have knowledge resulting from the hearings have attempted to express their beliefs that there are Americans possibly still detained; and

WHEREAS, it is absolutely essential that the governments of the United States and the Socialist Republic of Vietnam act NOW to address this question of those missing Americans; NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that the government of the United States should do all it can to answer the questions surrounding the status of the missing men, to secure the return of any living

prisoners or missing men, and to secure the return of the remains of those that have died.

BE IT FURTHER RESOLVED that the Socialist Republic of Vietnam should immediately yield all information it has on the status of the missing especially since there is no reason for them to refuse to give this information other than a calculated effort to protract the agony of the families of the missing.

"Sec. 42. [446A.07] [INDEPENDENT WASTEWATER TREATMENT GRANTS.]

Subdivision 1. [AMOUNTS.] (a) The authority may award independent grants to governmental units for projects for 50 percent or, if the pollution control agency requires advanced treatment, 65 percent of the eligible cost of construction of wastewater treatment facilities. The authority may award independent grants for up to an additional 30 percent or, if the pollution control agency requires advanced treatment, up to an additional 25 percent of the eligible cost of construction to governmental units for which the construction would otherwise impose significant financial hardship. The amounts of the additional grants must be based on per connection capital cost, median household income, and per capita adjusted assessed valuation.

(b) For grants made under this section, the eligible cost is as determined by the United States Environmental Protection Agency under the Federal Water Pollution Control Act, as amended, United States Code, title 33, section 1314, et seq., except that eligible cost also includes the acquisition of land for stabilization ponds and the provision of reserve capacity sufficient to serve the reasonable needs of the governmental unit for 20 years in the case of treatment works and 40 years in the case of sewer systems.

The eligible cost does not include the provision of collector sewers as defined in pollution control agency rules, the provision of service to seasonal homes, or cost increases from contingencies that exceed three percent of as-bid costs or cost increases from unanticipated site conditions that exceed an additional two percent of as-bid costs.

(c) These grants may be awarded in separate steps for planning and design in addition to actual construction.

(d) Until December 31, 1990, not more than 20 percent of the total amount of grants awarded under this subdivision in a fiscal year may be awarded to a single grantee.

Subd. 2. [RULES.] (a) The commissioner shall adopt rules for the administration of grants under this section. The rules must contain:

- (1) procedures for application by governmental units;*
- (2) conditions for the administration of the grant; and*

(3) criteria for the ranking of projects in order of priority for grants, based on factors including the impact on economic development, the extent and nature of pollution, technological feasibility, assurance of proper operation, maintenance and replacement, and participation in multimunicipal systems.

(b) Except as otherwise provided, the rules for the administration of state independent grants must comply, to the extent practicable, with provisions relating directly to protection of the environment contained in the Federal Water Pollution Control Act, as amended, and regulations and guidelines of the United States Environmental Protection Agency promulgated under the act, except provisions regarding allocation contained in section 205 of the act and regulations and guidelines promulgated under section 205 of the act. This provision does not require approval from federal agencies for the issuance of grants or for the construction of projects under the state independent grants program.

Subd. 3. [ECONOMIC DEVELOPMENT SET-ASIDE.] Up to ten percent of the money to be awarded as grants under this section in any single fiscal year must be set aside for governmental units having substantial economic development projects that cannot come to fruition without municipal wastewater treatment improvements.

Subd. 4. [REIMBURSEMENT GRANTS.] Grants may also be awarded under this subdivision to reimburse governmental units willing to proceed with projects and be reimbursed in a subsequent year conditioned upon appropriation of sufficient money under subdivision 1 for that year. The maximum amount of the reimbursement the authority may commit in any single fiscal year is equal to the amount newly appropriated to the state grant programs for that year.

Sec. 43. [446A.08] [WATER POLLUTION CONTROL REVOLVING FUND.]

Subdivision 1. [ESTABLISHMENT OF FUND.] The authority shall establish a water pollution control revolving fund to provide loans to governmental units for the planning and construction of treatment works which are publicly owned. The fund must be established, maintained, and credited with repayments, and the fund balance must be available in perpetuity for providing such financial assistance.

Subd. 2. [STATE ACCOUNT.] The authority shall establish a separate state account within the water pollution control revolving fund to be used in compliance with federal matching requirements specified in title VI of the Federal Water Pollution Control Act, as amended. The authority may also provide loans to governmental units from the state account for the acquisition of land for stabilization ponds and the provision of reserve capacity sufficient to serve the reasonable needs of the governmental unit for 20 years in the case of treatment works and 40 years in the case of sewer systems.

Subd. 3. [CAPITALIZATION GRANT AGREEMENT.] The authority shall enter an agreement with the administrator of the United States Environmental Protection Agency to receive capitalization grants. The authority may exercise powers necessary to comply with the requirements specified in title VI, section 602, clause (b), of the Federal Water Pollution Control Act, as amended.

Subd. 4. [LOAN CONDITIONS.] The authority shall comply with the following conditions when making loans from the revolving fund.

(a) Loans must be made at or below market interest rates, including interest-free loans, at terms not to exceed 20 years.

(b) The annual principal and interest payments must begin no later than one year after completion of a project. Loans must be fully amortized no later than 20 years after project completion.

(c) A loan recipient must establish a dedicated source of revenue for repayment of the loan.

(d) The fund must be credited with all payments of principal and interest on all loans.

Subd. 5. [OTHER USES OF REVOLVING FUND.] The authority may also use the revolving fund for the following purposes:

(1) to buy or refinance the debt obligation of governmental units for treatment works incurred after March 7, 1985, at or below market rates;

(2) to guarantee or purchase insurance for local obligations for the purpose of improving credit market access or reducing interest rates;

(3) to provide a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the authority if the bond proceeds are deposited in the fund;

(4) to provide loan guarantees for similar revolving funds established by a governmental unit other than state agencies;

(5) to earn interest on fund accounts; and

(6) for the reasonable costs of administering the fund and conducting activities required under title VI, section 601, of the Federal Water Pollution Control Act, as amended.

Amounts expended under clause (6) shall not exceed four percent of all federal grant awards to the fund under title VI of the Federal Water Pollution Control Act, as amended.

Subd. 6. [FINANCIAL ASSISTANCE REQUIREMENTS.] The authority may only provide financial assistance from the revolving fund to projects which meet the following requirements.

(a) *The project is consistent with plans, if any, developed under the Federal Water Pollution Control Act, as amended.*

(b) *The project is on the state pollution control agency municipal needs priority list. Assistance may be provided regardless of the rank of the project on the list.*

Subd. 7. [DISBURSEMENTS.] Disbursements from the revolving fund shall be made in accordance with the applicable state and federal law governing the disbursements; except that no disbursement for any project shall be made to any governmental unit until and unless the authority has by resolution determined the total estimated cost of the project, and ascertained that financing of the project is assured by:

(1) a loan authorized by state law or the appropriation of proceeds of bonds or other funds of the governmental unit to a fund for the construction of the project;

(2) an irrevocable undertaking, by resolution of the governing body of the governmental unit, to use all funds so made available exclusively for the construction of the project, and to pay any additional amount by which the cost of the project exceeds the estimate, by the appropriation to the construction fund of additional funds or the proceeds of additional bonds to be issued by the governmental unit; and

(3) conformity of the project and of the loan application with the state water pollution control plan as certified to the federal government and with all other conditions under applicable state and federal law, including compliance requirements established by the pollution control agency under subdivision 9.

Subd. 8. [RULES.] The authority may adopt rules for the administration of loans and other financial assistance authorized to be made from the water pollution control revolving fund.

Subd. 9. [COMPLIANCE REQUIREMENTS.] The pollution control agency shall establish compliance requirements relating directly to protection of the environment as provided in the Federal Water Pollution Control Act, as amended, and regulations and guidelines of the United States Environmental Protection Agency promulgated under the act."

The Permanent Rules of the Senate for the 75th Legislature shall read as follows:

"PERMANENT RULES OF THE SENATE

PARLIAMENTARY REFERENCE

1. The rules of parliamentary practice comprised in Mason's Manual of Legislative Procedure shall govern the Senate in all cases in which they are applicable, and in which they are not inconsistent with these rules and orders of the Senate and the joint rules and orders of the Senate and House of Representatives.

HOUR OF CONVENING

2. The Senate shall convene on days of meeting at 2 o'clock p.m. unless the Senate directs otherwise.

PRESIDENT

3. The President shall take the chair at the hour to which the Senate adjourned. He shall immediately call the members to order and, on the appearance of a quorum, shall proceed with the regular order of business. He shall preserve order and decorum, may speak on points of order in preference to members, and shall also decide all questions of order, subject to an appeal to the Senate by a member. An appeal is decided by a majority vote of those present and voting. Upon an appeal from the decision of the President, the question is, "Shall the decision of the President be the judgment of the Senate?"

SUBSTITUTES FOR THE PRESIDENT

4. The President may call a member to preside. In the absence of the President the ~~Chairman~~ *Chair* of the Committee on Rules and Administration, or his designee, shall preside over the Senate. In the absence of the President and the ~~Chairman~~ *Chair*, a member may be selected by the Senate to perform the duties of the President. Substitutions do not extend beyond adjournment.

ABSENCE OF MEMBERS

5. No member or officer of the Senate shall be absent from a session of the Senate unless excused by the Senate.

DECORUM DURING BUSINESS

6. When the President puts a question, or addresses the Senate, no one shall walk out of or cross the Chamber. When a member is speaking, no one shall pass between the member speaking and the President. No member, or other person, shall proceed to or remain by the Secretary's desk while the yeas and nays are being called or counted. No member may speak without using a microphone.

ORDER OF BUSINESS

7. The order of business is as follows:

1. Petitions, letters, remonstrances.
2. Executive and official communications.
3. Messages from the House of Representatives.
4. First reading of House bills.
5. Reports of committees.
 - (a) From standing committees.
 - (b) From select committees.
6. Second reading of Senate bills.
7. Second reading of House bills.
8. Motions and Resolutions.
9. Calendar.
10. Consent Calendar.
11. General Orders.

13. Announcements of Senate interest.

Under the order of business of Motions and Resolutions the Senate may by a majority vote of the whole Senate temporarily revert or proceed to any other order of business.

CALENDAR

8. The Secretary shall make a Calendar of all bills, resolutions and other matters coming before the Senate for final action. He shall place them on the Calendar in the order in which they have been acted upon in Committee of the Whole. The Calendar shall be printed and placed upon the members' desks at least one calendar day before the matters on it are considered.

CONSENT CALENDAR

9. If a committee determines that a bill it recommends to pass is of a routine nature or otherwise of a nature which likely will not be opposed, it may in its report recommend that the bill be placed on the Consent Calendar. If the report is adopted, the bill shall be printed and placed on the Consent Calendar after its second reading. On the question of adoption of the report the question of accepting the recommendation that the bill be placed on the Consent Calendar may be divided from the question of adopting the report in other respects.

A majority of the whole Senate, or the ~~Subcommittee on Bill Scheduling~~

Chair of the Committee on Rules and Administration, may order a bill on General Orders to be placed on the Consent Calendar.

The Consent Calendar consists of bills placed on it. Senate bills shall be positioned ahead of House bills. The Consent Calendar shall be printed and placed on the members' desks at least one calendar day before the matters on it are considered.

If a member objects to consideration of a bill on the Consent Calendar at any time during its consideration in the Senate before the question on final passage is put, and that objection is supported by at least two other members, the bill shall be referred to the Committee of the Whole, and shall be placed at the bottom of General Orders subject to Rule 11, except that it need not lie over one calendar day before consideration in the Committee of the Whole.

SPECIAL ORDER

10. The ~~Chairman~~ *Chair of the Subcommittee on Bill Scheduling of the Committee on Rules and Administration*, as authorized by the ~~subcommittee~~, may designate a special order for a bill that has been given its second reading.

A special order shall provide that the bill be considered immediately, at a time certain, or after specific other business is completed.

During consideration of a special order, Rule 20 is suspended. As nearly as applicable, debate on the bill and all proceedings including amendments and substitutions shall be that of the Committee of the Whole.

On any question a member may call for the yeas and nays which shall be entered in the Journal.

Unless it is otherwise disposed of, after consideration a bill on Special Orders of the Senate shall immediately proceed to its third reading and final passage.

GENERAL ORDERS

11. The Secretary shall make a list of all bills, resolutions, reports of committees, and other proceedings of the Senate, which are referred to the Committee of the Whole, and which are not made the order of the day, for a particular day, and number them. The lists are called the "General Orders". They shall be taken up in the order in which they are numbered unless otherwise ordered by a majority of the committee.

General Orders, together with all bills included on it required to be printed under the rules or orders of the Senate, shall be printed and placed upon the members' desks at least one calendar day before being considered in Committee of the Whole.

MOTIONS

12. When a motion is made it shall be stated by the President. If it is in writing it shall be handed to the Secretary and read to the members.

13. A motion or amendment shall be written if the President or a member requests. In that case it must be signed by the member or committee offering it.

14. After a motion is stated by the President, or read by the Secretary, it is in possession of the Senate, but may be withdrawn by the author at any time before decision or amendment.

PRECEDENCE OF MOTIONS

15. When a question is under debate no motion shall be received, except:

1. To adjourn.
2. To recess.
3. To reconsider.
4. To lay on the table.
5. For the previous question.

(Motions numbered 1, 2, 4 and 5 above shall be decided without debate.)

6. To refer.
7. To postpone to a day certain.
8. To amend.
9. To postpone indefinitely.

These several motions have precedence in the foregoing order; but when a motion for the previous question has been seconded, or the main question ordered, a motion to lay on the table is not in order.

A motion to postpone to a day certain, to refer, to postpone indefinitely, or to amend, having been decided, shall not again be put on the same day, nor at the same stage of the bill or proposition.

MOTION TO ADJOURN

16. A motion to adjourn is always in order, and also a motion to adjourn to a time certain. The latter motion is debatable solely as to the time. When either motion is rejected it shall not be renewed until further business has been transacted.

AMENDMENTS TO RULES AND SUSPENSION OF RULES

17. Every proposition to amend a rule of the Senate shall be referred to the Committee on Rules and Administration. The proposition shall not be acted upon until the report of the committee is received by the Senate. A rule shall not be suspended except by at least two-thirds vote of the whole Senate. A motion to suspend the rules for the purpose of advancing a bill shall be made only under the order of business, "Motions and Resolutions".

ORDER IN DEBATE

18. When a member is about to speak in debate, or deliver a matter to the Senate, the member shall rise and respectfully address "Mr. President". The member shall not proceed to speak further until recognized by the President. The member shall speak only to the question under debate and avoid personality. In discussing a resolution, each member is limited to ten minutes.

19. When a member is called to order, he shall be silent until it is

determined whether or not he is in order. If a member is called to order for words spoken in debate, the words excepted to shall be taken down in writing by the Secretary immediately.

20. No member shall speak more than twice on the same question on the same day without leave of the Senate.

COMMITTEES NOT TO BE ABSENT

21. Committees shall not be absent from the Senate without permission of the Senate. The names of the members excused shall be printed in the Journal.

MEMBERS TO VOTE UNLESS EXCUSED

22. Every member who is in the Senate Chamber during a roll call shall vote upon the request of another member unless, for special reasons, excused by the Senate.

A motion by a member to be excused from voting shall be made before the question is put. A member wishing to be excused from voting may make a brief statement of the reason for making the request and the question on the motion shall be taken without further debate.

When members have had an opportunity to vote and fail to do so, a majority of all the members of the Senate may, by motion, direct the President to close the roll. The vote on a motion to close the roll shall be taken without debate and no member is required to vote on the motion.

CALL OF THE SENATE

23. A member may impose a call of the Senate requiring the attendance of all members before any further proceedings occur except a motion to adjourn. Upon the imposition of a call, a record of those present shall be obtained upon the request of any member, and the Sergeant at Arms instructed to bring in the absent members. When the Senate has been placed under call, a member may demand that the doors be closed and no member permitted to leave the Chamber until the matter or question, if any, under consideration at the time of the call is disposed of, or until the call is lifted by a majority vote of all the members of the Senate, or until the Senate adjourns. A majority vote of all the members of the Senate may excuse from attendance members not answering the call.

A call cannot be made after voting has commenced.

QUESTIONS—HOW STATED AND DECIDED

24. Questions shall be distinctly put. The President shall declare all votes but if a member rises to question a vote, the President shall order a division.

ONLY MEMBERS PRESENT TO VOTE

25. Upon a division and count of the Senate on a question, only members present in the Senate Chamber shall be counted. No member may vote on a question except at the member's own seat in the Chamber.

ANY MEMBER MAY DEMAND YEAS AND NAYS

26. At any time prior to the start of voting on a question, a member may call for the yeas and nays which shall be entered in the Journal. A call for the yeas and nays cannot be interrupted except as provided in Rule No. 22.

AUTHORIZED ELECTRICAL VOTING DEVICE

27. Unless otherwise ordered, a vote, except upon elections and upon the overriding of a governor's veto, may be taken by means of the electrical voting system which is under the control of the President.

CERTIFICATE FOR MONEY

28. No certificate authorizing the payment of money appropriated by the Legislature shall be issued by the Secretary by virtue of a motion or resolution, unless the motion or resolution is voted for by a majority of all members of the Senate upon a call of the yeas and nays.

THE PREVIOUS QUESTION

29. Unless the motion for the previous question is made specifically applicable to a subsidiary motion, the previous question shall be in this form:

"Shall the main question now be put?" It shall only be admitted when demanded by a majority of the members present, and its effect is to put an end to all debate, and bring the Senate to a direct vote upon amendments reported by a committee, if any, then upon all pending amendments in their order and then upon the main question.

On a motion for the previous question a call of the Senate is in order before the President submits the question to the Senate.

On a previous question there is no debate. All incidental questions of order, arising after a motion is made for the previous question, and pending the motion, shall be decided, whether on appeal or otherwise, without debate.

DIVISION OF QUESTION

30. A member may call for a division of the question when the question will admit of it. A motion to strike out and insert is indivisible. A motion to strike out being lost does not preclude an amendment nor a motion to strike out and insert.

RECONSIDERATION

31. When a motion or question has been once put and carried in the affirmative or negative, it is in order for a member who voted with the prevailing side to move for reconsideration on the same day on which the vote was taken or within the next two calendar days or, if later, the first day the Senate meets after the vote was taken. The motion takes precedence over all other questions except a motion to adjourn or recess. When a motion to adjourn is adopted prior to the disposition of the motion for reconsideration, a motion for reconsideration shall lie over until the next succeeding day the Senate meets except as provided in this rule. When

notice of intention to move reconsideration of the final action of the Senate on a question is given by a member, the Secretary shall retain the subject of the notice until after the expiration of the time during which the motion can be made.

During the six calendar days before the first Tuesday following the third Saturday in May of any year a notice of intention to move for reconsideration is not in order, but a motion to reconsider may be made and have priority over all other business except a motion to adjourn. A motion for reconsideration having been once voted on shall not be put again nor reconsidered.

INTRODUCTION OF BILLS

32. Bills, memorials, concurrent or joint resolutions may be introduced by a member or by order of the Senate on a report of a committee. An original and three copies are required for introduction. The number of authors shall not exceed five. A member or a committee desiring to introduce a bill, memorial or concurrent or joint resolution shall place it in the hands of the Secretary, and the Secretary shall promptly deliver all the bills, memorials or concurrent or joint resolutions to the President who shall present them to the Senate.

The name of the author or authors shall be prefixed to each bill, memorial or resolution and the name of a committee introducing a bill, memorial or resolution shall be endorsed on it.

RECESS BILL INTRODUCTIONS

33. During the period between the last day of the session in any odd-numbered year and the first day of the session in the following year, a bill filed with the Secretary for introduction shall be given a file number and may be unofficially referred by the President, with the approval of the ~~Subcommittee on Bill Scheduling~~ *Chair of the Committee on Rules and Administration*, to an appropriate standing committee of the Senate. All bills filed for introduction during this period shall be presented to the Senate when it reconvenes and shall be referred to the standing committees previously indicated by the President, subject to objection under Rule 35.

REPORTING OF BILLS

34. Every bill, memorial, order, resolution or vote requiring the approval of the Governor shall be reported to the Senate on three different days previous to its passage. The first report, called the first reading, is made when it has been received for introduction; the second report, called the second reading, is made when it has been considered by all the necessary standing committees and is ready for debate; the third report, called the third reading, is made when it is ready for final passage.

REFERRING OF BILLS

35. All bills shall be referred by the President without motion to the proper standing committee unless otherwise referred by the Senate. A bill introduced by a committee need not be referred to a standing committee unless a question arises but rather shall lie over one day before being given its second reading. When a question arises concerning the proper reference of a bill during the order of business of first reading on the day of introduction or at the time of report on it by a standing committee to which the

bill was previously referred, the bill shall be referred without debate to the Committee on Rules and Administration to report the proper reference, and upon adoption of the report of the Committee on Rules and Administration, it shall be referred accordingly.

All bills appropriating money, or obligating the state to pay or expend money, or establishing a policy which to be effective will require expenditure of money, when referred to and reported by any other than the Committee on Finance, shall, before passage, be referred to the Committee on Finance.

36. No bill or resolution shall be referred to committee or amended until it has been given its first reading. No bill or resolution shall be objected to on its introduction.

AMENDMENTS TO BE GERMANE

37. An amendment proposed to the Senate or to the Committee of the Whole that is not germane is out of order. A non-germane amendment includes one that relates to a substantially different subject, or is intended to accomplish a substantially different purpose than that of the original bill to which it is proposed. Whether an amendment is germane is a question to be decided by the President, who may put the question to the body if he chooses.

AMENDMENTS TO BILLS

38. In drawing an amendment to a bill or resolution reference shall be made therein, first to the number of the bill, then to the page, and then to the line or lines from which matter is to be stricken or in which new matter is to be inserted.

AMENDMENTS TO TITLE

39. The title to a bill may be amended at any time during its pendency in the Senate.

RECALL FROM COMMITTEE

40. *With the concurrence of the first author of the bill*, a majority of the Senate may at any time recall a bill from any committee or take a bill from the table and place it on General Orders.

By a report of the Committee on Rules and Administration adopted by the Senate, the Committee on Rules and Administration, on request of the first author, may remove a bill from committee and re-refer it to any other committee or place it on General Orders.

DISTRIBUTION AND PRINTING OF BILLS

41. To the extent practical the Secretary shall provide a copy of any bill to the public. He may charge a reasonable fee.

Unless otherwise ordered by the Senate, all Senate bills which have been reported upon favorably or without recommendation by a committee shall be printed prior to consideration by the Senate or the Committee of the Whole. A committee ~~chairman~~ *chair*, a majority of the last committee to consider a bill, or the Senate may require that a House bill amended by

the Senate be unofficially engrossed and printed when placed on General Orders. A bill may be printed by order of the Secretary when amended after second reading. A bill shall be printed when ordered by a majority vote of the Senate. Action by the Senate on a bill which has not been printed is a waiver of the printing requirement.

COMMITTEE OF THE WHOLE

42. All bills, memorials, orders, resolutions and votes requiring the approval of the Governor shall, after a second reading, be considered in Committee of the Whole before they are finally acted upon by the Senate, except as provided for in Rules 9 and 10.

43. The President may call a member to the Chair when the Senate resolves itself into the Committee of the Whole. The rules observed in the Senate govern, as far as practicable, the proceedings of the Committee of the Whole, and the ~~Chairman~~ Chair of the Committee of the Whole has the powers of the President, as appropriate. However, a member may speak more than twice on the same subject and a call for the previous question cannot be made. The yeas and nays shall be taken only upon the request of three members, and when taken shall be recorded in the Journal along with the amendment; provided, however, that a member may, with the approval of the ~~Chairman~~ Chair of the Committee on Rules and Administration, submit a description of the amendment for printing. In those cases the Secretary shall retain in the minutes of the Committee of the Whole the full text of the amendment.

44. The recommendations of the Committee of the Whole shall be reported to the Senate. If a recommendation contains a proposed amendment of a bill, that amendment shall be noted on a separate piece of paper but when reported need not be read by the President unless required by one or more of the members. The question is on the adoption or rejection of the report, and no other question shall be admitted. The question may be divided to permit separate Senate action on the report as to any bill. On adoption of the report of the Committee of the Whole all bills recommended to pass shall be placed upon the Calendar.

AMENDMENT ON THIRD READING

45. No amendment is in order on third reading without the unanimous consent of the Senate unless it fills a blank, amends the title as provided by Rule 39, is proposed to the chief author of the bill by the Revisor of Statutes to correct technical defects found by the Revisor while engrossing earlier amendments to the bill, or is proposed to a bill on the Consent Calendar before the bill is given its third reading.

In filling blanks, the largest sum, the longest time and the greatest distance shall be first taken.

MOTION TO REFER

46. A bill or resolution may be referred to committee at any time prior to its passage, and if an amendment is reported on the referral to any other than *the* Committee of the Whole, it shall again be read the second time, considered in Committee of the Whole, read the third time and placed on final passage. If the referral is to the Committee of the Whole it shall be placed at the head of General Orders, except when the referral is under

Rule 9.

FINAL PASSAGE

47. The final question upon a bill or other matter requiring action by both Houses after its first and second reading, and after the consideration in Committee of the Whole, is upon its final passage.

TRANSMITTING OF BILLS TO THE HOUSE

48. Except as provided in Rule 31, immediately after the passage of a bill or other matter in which the concurrence of the House of Representatives is requested, the Secretary shall transmit it to the House. On the concurrence of a bill or other matter of the House by the Senate, or on the concurrence or disagreement in a vote of the House, the Secretary shall notify the House.

COMPARISON AND SUBSTITUTION OF BILLS

49. Unless there is a motion *by the Chair of the Committee on Rules and Administration* or objection *under Rule 35*, a House bill, after its first reading, shall be referred as follows:

(a) If there is no Senate companion bill, the House bill shall be referred to the appropriate standing committee;

(b) If there is a Senate companion bill, the House bill shall be referred to the standing committee possessing the Senate companion;

(c) If the Senate companion bill has been reported to the Senate, the House bill shall be referred to the Committee on Rules and Administration, which shall report whether the House bill is identical to the Senate companion bill. If the bills are identical, the report shall recommend that the House bill be given its second reading and substituted for the Senate companion bill and the Senate companion bill be indefinitely postponed. If the House bill is not identical to the Senate companion bill, the report of the committee shall so state and recommend an amendment to the House bill that when adopted will render the House bill identical to the Senate bill. Upon adoption of a committee report containing the proposed amendment, the House bill as amended shall be given its second reading and substituted for the Senate companion bill and the Senate companion bill shall be indefinitely postponed.

Reports of the Committee on Rules and Administration pursuant to this rule shall be prepared and submitted on behalf of the committee by the Secretary.

A House bill placed on the Calendar by substitution shall not be given its third reading on the same day as the substitution.

ENGROSSING AND ENROLLING OF BILLS

50. All engrossing and enrolling of bills shall be done at the direction and under authority of the Senate.

Every bill, memorial, order or resolution originating in the Senate shall be carefully engrossed before being transmitted to the House of Representatives for concurrence.

All bills shall be carefully enrolled under the supervision of the Committee on Rules and Administration, which may report to the Senate at any time on the enrollment of bills.

DISPOSITION OF BILLS ON ADJOURNMENT

51. Adjournment of the regular session in an odd-numbered year to a date certain in the following year shall be equivalent to daily adjournment, except that a bill on the Calendar, Consent Calendar, or General Orders shall be returned to the standing committee other than the Committee on Rules and Administration from which it was last reported to the Senate, unless otherwise provided for by motion prior to adjournment. Bills returned to committee pursuant to this rule shall, upon request of the author, be given priority for consideration by the committee ahead of all other bills in the order in which they appeared on the Calendar, Consent Calendar, or General Orders.

PETITIONS AND OTHER COMMUNICATIONS

52. In presenting a petition, memorial, remonstrance or other communication addressed to the Senate, a member shall only state the general purpose of it.

Every petition, memorial, remonstrance, resolution, bill and report of committee, shall have an appropriate title, and the name of the member presenting it written on it.

RESOLUTIONS

53. Memorial resolutions addressed to the President or the Congress of the United States, or a house or member of Congress, or a department or officer of the United States, or a state or foreign government, joint resolutions, and resolutions requiring the signature of the Governor shall follow the same procedure as bills before being adopted.

Upon a member giving notice of intention to debate a resolution not required to follow the same procedure as bills and not offered by the Committee on Rules and Administration, the resolution shall lie over one calendar day without debate or other action. Upon the request of a member, the resolution shall be referred to the proper committee. Whenever a question arises concerning the proper reference the procedure provided by Rule 35 applies.

CONFIRMATIONS

54. Every gubernatorial appointment requiring the advice and consent of the Senate shall be referred by the President to the appropriate committee. If a question arises as to the proper committee, the appointment shall be referred without debate to the Committee on Rules and Administration for a report making the proper reference.

The final question on the appointment is, "Will the Senate, having given its advice, now consent to this appointment?" The question shall not be put the same day the appointment is received or on the day it is reported by committee unless by unanimous consent.

SIGNING OF ACTS, RESOLUTIONS

55. In addition to his duties under Rule 3, the President shall sign all acts, memorials, addresses and resolutions. All writs, warrants and subpoenas issued by the Senate shall be signed by the President and attested by the Secretary. Upon a finding by the Committee on Rules and Administration that the President refuses or is unable to sign any of the documents described in this rule, the ~~Chairman~~ Chair of the Committee on Rules and Administration, or some other member selected by the committee shall assume the duties of the President under this rule until the President is able to sign the documents described or until the Senate elects a new President, whichever occurs first.

APPOINTMENT OF COMMITTEES

56. The majority and minority shall each be represented on all standing committees of the Senate. The majority group shall assign the number of positions the minority group will hold on each committee. The minority group shall be given adequate notice about its positions prior to the commencement of the session. Both the majority and minority groups shall appoint their own members to fill the number of positions each group will hold on each committee. The minority group shall transmit notice of its assignments to the majority group within ten calendar days after receipt of the notice of positions available. If the minority group for any reason fails to make its appointments pursuant to this rule, the majority group may make all the committee assignments.

The majority and minority committee assignments are subject to the uniform criteria governing committee assignments applicable to both the majority and minority. The uniform criteria shall be promulgated by the majority group and transmitted to the minority group together with notification of committee positions available to the minority.

Committee assignments as made by the majority and minority groups shall be followed by the Senate in the resolution establishing representation on all Senate standing committees.

The secured party may reduce a claim to judgment, foreclose, or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the rights, remedies, and duties provided in section 336.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this part, those provided in the security agreement, and those provided in section 336.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (subsection (3) of section 336.9-504 and section 336.9-505) and with respect to redemption of collateral (section 336.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(5) When a secured party has reduced a claim to judgment the lien of any levy which may be made upon collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. Sec. 21. Minnesota Statutes 1986, section 583.27, subdivision 1, is amended to read:

Subdivision 1. [OBLIGATION OF GOOD FAITH.] *(a) The parties must engage in mediation in good faith. Not participating in good faith includes: (1) a failure on a regular or continuing basis to attend and participate in mediation sessions without cause; (2) failure to provide full information regarding the financial obligations of the parties and other creditors; (3) failure of the creditor to designate a representative to participate in the mediation with authority to make binding commitments within one business day to fully settle, compromise, or otherwise mediate the matter; (4) lack of a written statement of debt restructuring alternatives and a statement of reasons why alternatives are un-*

acceptable to one of the parties; (5) failure of a creditor to release funds from the sale of farm products to the debtor for necessary living and farm operating expenses; or (6) other similar behavior which evidences lack of good faith by the party. A failure to agree to reduce, restructure, refinance, or forgive debt does not, in itself, evidence lack of good faith by the creditor.

(b) The creditor is only required to release necessary living expenses if the debtor has less off-farm income than the amount equal to the amount that the debtor's family would be entitled to if eligible for payments under section 256.74.

(c) If the debtor and creditor do not agree on the amount of necessary living expenses to be released, the debtor or creditor may petition conciliation court in the county of the debtor's residence to make a determination of the amount to be released. The conciliation court must make the determination within ten days after receiving the petition.

(d) If the debtor and creditors do not agree on the amount of necessary operating expenses or necessary living and operating expenses to be released, the debtor or a creditor requested to release necessary living or operating expenses may petition the district court of the debtor's residence to make a determination of the amount to be released. The court shall hear and make a determination of the amount of living and operating expenses to be released within ten days after receiving the petition. The court shall also add or subtract up to ten days to the time when the creditor can begin to enforce a proceeding to collect the debt against agricultural property of the debtor and assess costs, including any attorney fees among the parties to the court proceeding. The court shall equitably adjust the time to begin a creditor's proceeding and the assessment of costs based on the parties' good faith claim to the amount of living and operating expenses to be released.

Sec. 22. Minnesota Statutes 1986, section 583.27, subdivision 3, is amended to read:

Subd. 3. [CREDITOR'S LACK OF GOOD FAITH; COURT SUPERVISED MEDIATION.] If the mediator finds the creditor has not participated in mediation in good faith, the debtor may require court supervised mandatory mediation by filing the affidavit with the district court of the county ~~where the property is located~~ of the debtor's residence with a request for court supervision of mediation and serving a copy of the request on the creditor. Upon request the court shall require both parties to mediate under the supervision of the court in good faith for a period of not more than 60 days. All creditor remedies must be suspended during this period. The court may issue orders necessary to effect good faith mediation. Following the mediation period, if the court finds the creditor has not participated in mediation in good faith, the court shall by order suspend the creditor's remedies for an additional period of 180 days. A creditor found by the mediator not to have participated in good faith shall pay attorneys' fees and costs of the debtor requesting court-supervision of mediation or additional suspension of creditor's remedies.

Sec. 23. Minnesota Statutes 1986, section 583.27, subdivision 4, is amended to read:

Subd. 4. [DEBTOR LACK OF GOOD FAITH.] *(a) A debtor is not mediating in good faith if the debtor with an intent to defraud conceals, removes, or transfers agricultural property in which the debtor knows there is a security interest. The concealing, removing, or transferring must be in violation of a security agreement without remitting the proceeds to the secured party and must have occurred within 24 months prior to the mediation period or during the media-*

tion period.

(b) A creditor may immediately proceed with creditor's remedies upon receipt of a mediator's affidavit of a debtor's lack of good faith notwithstanding any other requirements of sections 583.20 to 583.32.

Sec. 24. Minnesota Statutes 1986, section 583.28, is amended to read:

583.28 [CREDITOR NOT ATTENDING MEDIATION MEETING.]

Subdivision 1. [FILING AND EFFECT OF CLAIM FORM.] A creditor that is notified of the ~~initial mediation meeting proceeding~~ is subject to and bound by a mediation agreement if the creditor does not attend mediation meetings unless the creditor files a claim form. In lieu of attending a mediation meeting, a creditor may file a notice of claim and proof of claim on a claim form with the mediator before the scheduled meeting. By filing a claim form the creditor agrees to be bound by a mediation agreement reached at the mediation meeting unless an objection is filed within the time specified. The mediator must notify the creditors who have filed claim forms of the terms of any agreement.

Subd. 2. [OBJECTIONS TO AGREEMENTS.] A creditor who has filed a claim form may serve a written objection to the terms of the agreement on the mediator and the debtor within ten days after receiving notice of the agreement. If a creditor files an objection to the terms of an agreement, the mediator shall meet again with debtors and creditors within ten days after receiving the objection to mediate a new agreement. Notwithstanding the mediation period under section 583.26, subdivision 8, if an objection is filed, the mediator shall call mediation meetings during the ten-day period following receipt of the objection, *except that the mediation period must end by 90 days after the date the debtor and director are served with the first mediation notice under section 583.26, subdivision 1, for the mediation proceeding.*

Sec. 25. [583.284] [RETENTION OF PURCHASE MONEY SECURITY INTEREST.]

If a creditor has a purchase money security interest as defined in section 336.9-107, and renegotiates the debt under the farmer-lender mediation act to reduce the principal balance or the interest rate or to extend the repayment period, the creditor retains the purchase money security interest for the renegotiated debt.

Sec. 26. Minnesota Statutes 1986, section 583.285, is amended to read:

583.285 [RULES.]

~~The state court administrator~~ *commissioner of agriculture*, in consultation with the director of the bureau of mediation services and the director of the University of Minnesota agricultural extension service, shall make rules under chapter 14, to implement the farmer-lender mediation act. ~~The state court administrator~~ *commissioner of agriculture* may adopt emergency rules.

Sec. 27. [583.33] [NOTIFICATION OF MEDIATION RIGHTS.]

The director of Minnesota extension, county extension agents, farm advocates, commissioner of agriculture, family farm law project, and the attorney general's office must make all reasonable efforts to notify farm debtors of mediation available under the farmer-lender mediation act including:

(1) *if a debtor has not received a mediation notice and is subject to a proceeding of a creditor to enforce a debt of any amount against agricultural property of the debtor, the debtor may file a mediation request and is entitled to have debts mediated as provided under section 583.26, subdivision 2, paragraph*

(c); and

(2) that all debts secured by agricultural property regardless of amount are subject to mediation under the farmer-lender mediation act unless exempted under section 583.24, subdivision 4.

A home care provider may not require a person to surrender these rights as a condition of receiving services. A guardian or conservator or, when there is no guardian or conservator, a designated person, may seek to enforce these rights. This statement of rights does not replace or diminish other rights and liberties that may exist relative to persons receiving home care services, persons providing home care services, or providers licensed under this act. A copy of these rights must be provided to an individual at the time home care services are initiated. The copy shall also contain the address and telephone number of the office of health facility complaints and a brief statement describing how to file a complaint with that office.

(c) standards of training of home care provider personnel, which may vary according to the nature of the services provided or the health status of the consumer;

(e) requirements for the involvement of a consumer's physician, the documentation of physicians' orders and the consumer's treatment plan, and the maintenance of accurate, current clinical records;

(f) the establishment of different classes of licenses for different types of providers and different standards and requirements for different kinds of home care services; and

(g) operating procedures required to implement the home care bill of rights.

Subd. 2. [REGULATORY FUNCTIONS.] (a) The commissioner shall:

(1) evaluate, monitor, and license home care providers in accordance with sections 5 to 8 and 14;

sections 3 to 8 and 14.

(b) In the exercise of the authority granted in sections 3 to 8 and 14, the commissioner shall comply with the applicable requirements of section 144.122, the government data practices act, and the administrative procedure act.

Subd. 3. [ADVISORY TASK FORCE.] The commissioner of health shall establish and appoint a home care advisory task force consisting of 15 members representing the various kinds of home care providers, including hospice programs, health care professionals, community health services agencies, and consumers. The appointment, removal, and compensation of members is as provided in section 15.059, subdivision 6. The task force shall provide advice and recommendations to the commissioner regarding the development of rules required by subdivision 2.

Sec. 6. [144A.46] [LICENSURE.]

Subdivision 1. [LICENSE REQUIRED.] (a) A home care provider may not operate in the state without a current license issued by the commissioner of health.

(b) Within ten days after receiving an application for a license, the commissioner shall acknowledge receipt of the application in writing. The acknowledgement must indicate whether the application appears to be complete or whether additional information is required before the application will be considered complete. Within 60 days after receiving a complete application, the commissioner shall either grant or deny the license. If an applicant is not granted or denied a license within 60 days after submitting a complete application, the license must be deemed granted. An applicant whose license has been deemed granted must provide written notice to the commissioner before providing a home care service.

Subd. 2. [EXEMPTIONS.] The following individuals are exempt from the requirement to obtain a home care provider license:

(1) a person who is licensed under sections 148.171 to 148.285 and who independently provides nursing services in the home without any contractual or employment relationship to a home care provider or other organization;

(2) a personal care assistant who provides services under the medical assistance program as authorized under section 256B.02, subdivision 8, paragraph (17), and section 15;

An exemption under this subdivision does not excuse the individual from complying with applicable provisions of the home care bill of rights.

Subd. 3. [ENFORCEMENT.] The commissioner may refuse to grant or renew a license, or may suspend or revoke a license, for violation of statutes or rules relating to home care services or for conduct detrimental to the welfare of the consumer. In addition to any other remedy provided by law, the commissioner may, without a prior contested case hearing, temporarily suspend a license or prohibit delivery of services by a provider for not more than 60 days if the commissioner determines that the health or safety of a consumer is in imminent danger, provided (1) advance notice is given to the provider; (2) after notice, the provider fails to correct the problem; (3) the commissioner has reason to believe that other administrative remedies are not likely to be effective; and (4) there is a subsequent opportunity for a contested case hearing. The process of suspending or revoking a license must include a plan for transferring affected clients to other providers.

Subd. 4. [RELATION TO OTHER REGULATORY PROGRAMS.] In the exercise of the authority granted under sections 3 to 8 and 14, the commissioner shall not duplicate or replace standards and requirements imposed under another state regulatory program. The commissioner shall not impose additional training or education requirements upon members of a licensed or registered occupation or profession, except as necessary to address or prevent problems that are unique to the delivery of services in the home or to enforce and protect the rights of consumers listed in section 4. For home care providers certified under the medicare program, the state standards must not be inconsistent with the medicare standards for medicare services.

Subd. 5. [PRIOR CRIMINAL CONVICTIONS.] An applicant for a home care provider license shall disclose to the commissioner all criminal convictions of persons involved in the management, operation, or control of the provider. A home care provider shall require employees of the provider and applicants for employment to disclose all criminal convictions. No person may be employed by a home care provider or involved in the management, operation, or control of a provider, if the person has been convicted of a crime that relates to the provision of home care services or to the position, duties, or responsibilities undertaken by that person in the operation of the home care provider, unless the person can provide sufficient evidence of rehabilitation. The commissioner shall adopt rules for determining whether a crime relates to home care services and what constitutes sufficient evidence of rehabilitation. The rules must require consideration of the nature and seriousness of the crime; the relationship of the crime to the purposes of home care licensure and regulation; the relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the person's position; mitigating circumstances or social conditions surrounding the commission of the crime; the length of time elapsed since the crime was committed; the seriousness of the risk to the home care client's person or property; and other factors the commissioner considers appropriate.

Sec. 7. [144A.47] [INFORMATION AND REFERRAL SERVICES.]

The commissioner shall ensure that information and referral services relating to home care are available in all regions of the state. The commissioner shall collect and make available information about available home care services, sources of payment, providers, and the rights of consumers. The commissioner may require home care providers to provide information requested for the purposes of this section, including price information, as a condition of registration or licensure. Specific price

information furnished by providers under this section is not public data and must not be released without the written permission of the agency. The commissioner may publish and make available:

- (1) general information and a summary of the range of prices of home care services in the state;
- (2) limitations on hours, availability of services, and eligibility for third-party payments, applicable to individual providers; and

Beginning July 1, 1987, no home care provider, as defined in section 3, subdivision 4, except a provider exempt from licensure under section 6, subdivision 2, may provide home care services in this state without registering with the commissioner. A home care provider is registered with the commissioner when the commissioner has received in writing the provider's name; the name of its parent corporation or sponsoring organization, if any; the street address and telephone number of its principal place of business; the street address and telephone number of its principal place of business in Minnesota; the counties in Minnesota in which it may render services; the street address and telephone number of all other offices in Minnesota; and the name, educational background, and ten-year employment history of the person responsible for the management of the agency. “Section 1. [116P01] [DEFINITIONS.]

Subdivision 1. [SCOPE.] The definitions in this section apply to this chapter.

Subd. 2. [BOARD.] “Board” means the board of directors of the greater Minnesota corporation.

Subd. 3. [CORPORATION.] “Corporation” means the greater Minnesota corporation.

Sec. 2. [116P02] [CORPORATION CREATED; BOARD OF DIRECTORS; POWERS.]

Subdivision 1. [CREATION; NAME.] The greater Minnesota corporation is chartered as a public corporation of the state and is not a state agency. All business of the corporation must be conducted under the name "greater Minnesota corporation."

Subd. 2. [BOARD OF DIRECTORS.] The corporation is governed by a board of 11 directors appointed by the governor. Terms are for six years. Four of the initial appointees must be appointed for six-year terms; four for four-year terms; and three for two-year terms. The governor shall make the initial appointments. As the terms of the initial appointees expire, appointments must be made by the board. Directors may be compensated as determined by the board.

Subd. 3. [ARTICLES AND BYLAWS.] The board of directors shall adopt articles of incorporation and bylaws necessary for the conduct of the business of the corporation, consistent with the provisions of this chapter. The articles and bylaws must be filed with the secretary of state.

Subd. 4. [PLACES OF BUSINESS.] The board shall locate and maintain the corporation's places of business within the state.

Subd. 5. [MEETINGS AND ACTIONS OF THE BOARD.] The board shall meet at least twice a year and may hold additional meetings upon giving notice as provided in the bylaws of the corporation. Board meetings are not subject to section 471.705.

In addition to other powers granted by this chapter, the corporation may:

(8) accept gifts, grants, and bequests and use or dispose of them for its purposes.

Sec. 5. [116P05] [RURAL CAPITAL SEED FUND PROGRAM.]

Subdivision 1. [ORGANIZATION.] The corporation shall establish a rural capital seed fund program to promote economic development, encourage private investment, and create jobs in rural Minnesota by acquiring equity interests in small businesses located within the rural areas of the state. For purposes of this section, "small business" means a small business as defined in section 14.115, but does not include retail or services-related businesses, except for international export-related services, international export-related retail ventures, and advanced technology or computer-related ventures that will increase the state's share of domestic or international markets.

Subd. 2. [PROGRAM APPLICATIONS.] Organizations experienced in raising venture capital may submit applications to the corporation for the capital seed fund program. The application shall:

(4) list private investment commitments obtained as of the date of the application; and

(5) provide other and further information as the corporation may require.

Subd. 3. [PROGRAM AWARD.] The corporation may award the program to the venture capital organization applicant it determines to have the best qualifications to meet the program objectives and criteria provided for in this section. The corporation shall enter an agreement with the selected venture capital organization to establish capital seed funds. The agreement must include performance evaluation standards which the organization must meet in the administration and management of program funds. If the organization does not meet performance evaluation standards included in the agreement, the corporation may require that the organization use available funds to return the state's investment, together with interest accrued from the date of investment at the highest rate allowable by law. If sufficient funds are not available, the corporation may require the organization to liquidate sufficient investments to repay the state's investment with interest accrued. The corporation may use the returned funds to reinvest in another organization as provided in this section. For purposes of this section, "organization" means the venture capital organization selected by the corporation to establish and administer the capital seed funds.

Subd. 4. [PROGRAM ADMINISTRATION.] The corporation shall divide the area of the state located outside of the metropolitan area defined in section 473F02, subdivision 2, into six regions. The organization shall

establish and administer a capital seed fund in each of the six regions. The corporation shall provide an equal amount of state money for each fund. The organization shall use the state money provided for each fund to acquire equity interests in small businesses located within the fund's designated region.

Subd. 5. [PROGRAM CRITERIA.] The corporation must certify a capital seed fund before any money may be expended from the fund. Before a fund may be certified, the organization must demonstrate that at least \$5 of private investment has been committed to the proposed seed capital fund for every \$1 of state money appropriated to the fund and at least \$3,000,000 of total investment, including the state appropriation, has been committed to the fund.

Subd. 6. [INVESTMENT APPROVAL; LIABILITY.] The board shall establish an investment committee which consists of three members of the board who are knowledgeable in economic development and finance. The organization may not act on an investment proposal until it has received the evaluation and recommendations of the investment committee or until 45 days have elapsed since the proposal was submitted to the committee, whichever occurs first. An equity interest which the organization acquires with rural capital seed program funds may not include a general partnership interest or other interest involving general liability.

Subd. 7. [REPORT.] The organization shall submit an annual report to the corporation by December 1 of each year. The report shall include the policies and procedures of each seed capital fund; the amount of private investment in each fund; the number, type, and amounts of investments in small businesses; and the number of new jobs created as a result of the investment. The corporation shall include the organization's report in the annual report which the corporation is required to submit to the legislature under section 7.

Subd. 8. [FUND LIQUIDATIONS.] The organization shall liquidate the capital seed funds by January 1, 2002, and the state's investments, including the capital appreciation of the state's interest in each fund, shall be deposited in the general fund.

Sec. 6. [116P06] [AUDITS.]

The board shall contract with a certified public accounting firm to audit the corporation and any subsidiary annually in accordance with generally accepted accounting standards.

Sec. 7. [116P07] [REPORTS.]

The insurance may provide protection in excess of the limit of liability imposed by section 466.04. If the municipality has the authority to levy taxes, the premium costs for such insurance may be levied in excess of any per capita or millage tax limitation imposed by statute or charter. However, a school district may not levy pursuant to this section for premium costs for motor vehicle insurance protecting against injuries or damages arising out of the operation of district owned, operated, leased, or controlled vehicles for the transportation of pupils for purposes for which state aid is authorized under section 124.223, or for purposes for which the district is authorized to levy under section 275.125, subdivision 5d. S.F. No. 258: A bill for an act relating to utilities; regulating certain intrastate gas pipelines; amending Minnesota Statutes 1986, section 216B.08.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [216B.045] [REGULATION OF INTRASTATE NATURAL GAS PIPELINES.]

Subdivision 1. [DEFINITION.] For the purposes of this section "intrastate pipeline" means a pipeline wholly within the state of Minnesota which transports or delivers natural gas received from another person at a point inside or at the border of the state, which is delivered at a point within the state to another, provided that all the natural gas is consumed within the state. An intrastate pipeline does not include a pipeline owned or operated by a public utility.

Subd. 2. [REASONABLE RATE.] Every rate and contract relating to the sale or transportation of natural gas through an intrastate pipeline shall be just and reasonable. No owner or operator of an intrastate pipeline shall provide intrastate pipeline services in a manner which unreasonably discriminates among customers receiving like or contemporaneous services.

Subd. 3. [TRANSPORTATION RATES; DISCRIMINATION.] Every owner or operator of an intrastate pipeline shall offer intrastate pipeline transportation services by contract on an open access, non-discriminatory basis. To the extent the intrastate pipeline has available capacity, the owner or operator of the intrastate pipeline must provide firm and interruptible transportation on behalf of any customer. If physical facilities are needed to establish service to a customer, the customer may provide those facilities or the owner or operator of the intrastate pipeline may provide the facilities for a reasonable and compensatory charge.

Subd. 4. [CONTRACTS; COMMISSION APPROVAL.] No contract establishing the rates, terms, and conditions of service and facilities to be provided by intrastate pipelines is effective until it is filed with and approved by the commission. The commission has the authority to approve the contracts and to regulate the types and quality of services to be provided through intrastate pipelines. The approval of a contract for an intrastate pipeline to provide service to a public utility does not constitute a determination by the commission that the prices actually paid by the public utility under that contract are reasonable or prudent, nor does approval constitute a determination that purchases of gas made or deliveries of gas taken by the public utility under that contract are reasonable or prudent.

Subd. 5. [COMPLAINTS.] Any customer of an intrastate pipeline, any person seeking to become a customer of an intrastate pipeline, the department, or the commission on its own motion, may bring a complaint regarding the rates, contracts, terms, conditions, and types of service provided or proposed to be provided through an intrastate pipeline, including a complaint that a service which can reasonably be demanded is not offered by the owner or operator of the intrastate pipeline. If a complaint involves the question of whether or not an intrastate pipeline has capacity available, the commission shall after hearing make a determination of the available capacity but shall not impair the owner or operator of the intrastate pipeline contractual obligation to provide firm transportation service. If a complaint concerns the use of available capacity by one or more customers of an intrastate pipeline, the commission shall after hearing determine the reasonable use of the available capacity by the

customers. The commission shall not require an owner or operator of an intrastate pipeline to expand its available capacity, but may require the owner or operator to maintain a reasonable quality of service. The commission may dismiss any complaint without a hearing if in its opinion a hearing is not in the public interest. Complaints brought under this subdivision shall be governed by section 216B.17, subdivisions 2 to 7.

Subd. 6. [RECORDS.] Sections 216B.10, subdivisions 1 and 4, 216B.12, and 216B.13 shall apply to owners and operators of intrastate pipelines.

Subd. 7. [NATURAL GAS EMERGENCY.] The commission may declare a natural gas supply emergency if it finds that a severe natural gas shortage endangering the health or safety of the citizens of the state exists or is imminent in the state. If the commission declares that a natural gas supply emergency exists, it may for the duration of the emergency order the suspension of any contract providing for the sale and transportation of natural gas through an intrastate pipeline, and may for the duration of the emergency order an owner or operator of the intrastate pipeline to furnish such transportation services as are required by the public interest. The owner or operator of the intrastate pipeline shall be compensated for its services furnished under an emergency order issued under this section, and the commission shall determine the just and reasonable compensation for the services required to be provided during the emergency.

"PIPELINE ROUTING

Section 1. [116I.015] [ROUTING OF CERTAIN PIPELINES.]

Subdivision 1. [DEFINITION.] For purposes of this section and notwithstanding section 116I.01, subdivision 3, "pipeline" means:

(1) pipe with a nominal diameter of six inches or more that is designed to transport hazardous liquids, but does not include pipe designed to transport a hazardous liquid by gravity, and pipe designed to transport or store a hazardous liquid within a refining, storage, or manufacturing facility; or

(2) pipe designed to be operated at a pressure of more than 275 pounds per square inch and to carry gas.

Subd. 2. [PROHIBITION.] A person may not construct a pipeline without a pipeline routing permit issued by the environmental quality board unless the pipeline is exempted from the board's routing authority under this section or rules adopted under this section. A pipeline requiring a permit may only be constructed on a route designated by the board.

Subd. 3. [RULES.] (a) The environmental quality board shall adopt rules governing the routing of pipelines. The rules shall apply only to the route of pipelines and may not set safety standards for the construction of pipelines.

(b) The rules must:

(1) require that a person proposing construction of a pipeline submit to

the board one preferred route for the pipeline and evidence that at least one alternative route was considered or specific reasons why other routes are not feasible;

(2) provide for notice of proposed pipeline routes to local units of government, owners and lessees of property along the routes being considered;

(3) provide for public hearings on proposed pipeline routes;

(4) provide criteria that the board will use in determining pipeline routes, which must include the existence of populated areas and the impact of the proposed pipeline on the natural environment;

(5) provide a procedure that the board will follow in issuing pipeline routing permits and require the board to issue the permits within nine months after the permit application is received by the board, unless the board extends this deadline for cause;

(6) provide for the payment of fees by persons proposing to construct pipelines to cover the costs of the board in implementing this section;

(7) allow the board to provide exemptions from all or part of the pipeline routing permit application process in emergencies or if the board determines that the proposed pipeline will not have a significant impact on humans or the environment; and

(8) require exemption determinations to be made within 90 days after an application.

(c) The rules do not apply to temporary use of a route for purposes other than installation of a pipeline, to securing survey or geological data, to repair or replacement of an existing pipeline within the existing right-of-way, or to minor relocation of less than three-quarters of a mile of an existing pipeline.

Subd. 4. [PRIMARY RESPONSIBILITY AND REGULATION OF ROUTE DESIGNATION.] The issuance of a pipeline routing permit under this section and subsequent purchase and use of the route locations is the only site approval required to be obtained by the person owning or constructing the pipeline. The pipeline routing permit supersedes and preempts all zoning, building, or land use rules, regulations, or ordinances promulgated by regional, county, local and special purpose governments.

Sec. 2. Minnesota Statutes 1986, section 116I.02, subdivision 2, is amended to read:

Subd. 2. Any person proposing to construct or operate a pipeline for which a pipeline routing permit is not required under section 1, shall so notify the environmental quality board and the county board of each county through which the pipeline will be constructed. The notice shall include a description of the route on which the pipeline is proposed to be located, the size and type of pipeline to be constructed, the types of commodities to be carried and the construction and operational characteristics of the pipeline. The proposed route shall be described in sufficient detail so that the owners or lessees of property on which the route is located can be identified. Notice to the environmental quality board shall be accompanied by a fee of \$25,000 for preparation of an information book as provided in section 116I.03 and for expenses incurred by state agencies to participate in public meetings as provided in section 116I.04. All fees received are appropriated to the environmental quality board for its own use and for

distribution to state agencies for these purposes. The environmental quality board shall refund any amount that exceeds the actual cost to the board of preparing the information book, including necessary revisions, and to state agencies for participating in the public meetings.

If the pipeline route described in the notice is changed to the extent that, in any county, 20 percent or more of the owners or lessees of property on which the new route is located were not owners or lessees of property on which the other route was located, the person proposing to construct and operate the pipeline shall notify the environmental quality board and the county board of that county of the change in the proposed route. No additional fee shall be required for a notice of change of a proposed route.

Sec. 3. Minnesota Statutes 1986, section 116I.02, subdivision 3, is amended to read:

Subd. 3. ~~No~~ (a) *If a pipeline routing permit is not required for construction of a pipeline under section 1, a person shall may not negotiate or acquire an easement or right-of-way agreement for the purpose of constructing and operating a pipeline until 30 days after:*

(a) (1) *a public meeting has been held as provided in section 116I.04 in the county in which the right-of-way in question is located; and*

(b) (2) *that person has provided to the owner or lessee from whom the easement or agreement is acquired a copy of the information book prepared pursuant to section 116I.03.*

(b) *If the original information book is revised pursuant to section 116I.03, each owner or lessee of property which the original route did not affect shall be provided with a copy of the revised book.*

Sec. 4. Minnesota Statutes 1986, section 216B.16, is amended by adding a subdivision to read:

Subd. 9a. [PIPELINE SAFETY PROGRAMS.] *All costs of a public utility that are necessary to comply with state pipeline safety programs under sections 5 to 37 must be recognized and included by the commission in the determination of just and reasonable rates as if the costs were directly incurred by the utility in furnishing utility service.*

Sec. 7. [216C.03] [NOTIFICATION CENTER.]

Subdivision 1. [PARTICIPATION.] An operator must participate in and share in the costs of one statewide notification center operated by a vendor selected under subdivision 2. Subd. 2. [ESTABLISHMENT OF NOTIFICATION CENTER.] (a) The notification center services must be provided by a nonprofit corporation approved in writing by the commissioner. A group or nonprofit corporation that intends to seek approval under this paragraph must notify the commissioner by September 1, 1987, of the date, time, and location of its first meeting. The nonprofit corporation must be governed by a board of directors of up to 20 members, one of whom is the director of the office of pipeline safety. The other board members must represent and be elected by operators, excavators, and other persons eligible to participate in the center. By November 1, 1987, the board must, with input from all interested parties, determine the operating procedures and technology needed for a single statewide notification center and establish a notification process and competitive bidding procedure to select a vendor to provide the notification service. In deciding to approve a nonprofit corporation, the commissioner must consider whether it meets the requirements of this paragraph and whether it demonstrates that it has the ability to contract for and implement the notification center service.

(b) If the commissioner has not approved a nonprofit corporation under paragraph (a) by January 1, 1988, the commissioner shall follow the procedure in this paragraph. The commissioner must prepare a preliminary draft of operating procedures and technology needed for a statewide notification center and the method for assessing the cost of the service among operators. After holding at least one public hearing on the preliminary draft following notice given in the manner required by paragraph (a), the commissioner shall adopt final operating procedures, technology, and assessment methods. The preliminary draft, public hearings, and final adoption are not subject to chapter 14. By June 1, 1988, the commissioner shall select a vendor to provide the notification center service. The commissioner must advertise for bids as provided in section 16B.07, subdivision 3, and base the selection of a vendor on an identification of the lowest responsible bidder as provided in section 16B.09, subdivision 1. The commissioner shall select and contract with the vendor to provide the notification center service, but all costs of the center must be paid by the operators. The commissioner may at any time appoint a task force to advise on the renewal of the contract or any other matter involving the center's operations.

(c) The notification center must be in operation by October 1, 1988.

An operator may submit a bid and be selected to contract to provide the notification center service under paragraph (a) or (b). The commissioner shall annually review the services provided by the nonprofit corporation approved under paragraph (a) or the vendor selected under paragraph (b).

Subd. 3. [NOTICE TO LOCAL GOVERNMENTAL UNITS.] The notification center must provide local governmental units with a master list, by county, of the operators in the county who are participants in the notification center, and the telephone number and mailing address of the notification center.

Sec. 8. [216C.04] [EXCAVATION.]

Subdivision 1. [NOTICE OF EXCAVATION REQUIRED; CONTENTS.] (a) Except in an emergency, an excavator must contact the notification center and provide an excavation notice at least 48 hours before beginning any excavation, excluding Saturdays, Sundays, and holidays. An excavation begins, for purposes of this requirement, the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

(b) The excavation notice must contain the following information:

- (1) the name of the individual providing the excavation notice;
- (2) the precise location of the proposed area of excavation;
- (3) the name, address, and telephone number of the excavator or excavator's company;
- (4) the excavator's field telephone number, if one is available;
- (5) the type and the extent of the proposed excavation work;
- (6) whether or not the discharging of explosives is anticipated; and
- (7) the date and time when excavation is to commence.

Subd. 2. [DUTIES OF NOTIFICATION CENTER.] The notification center must assign an inquiry identification number to each excavation notice and retain a record of all excavation notices received for at least six years. The center must immediately transmit an excavation notice to every operator that has an underground facility in the area of the proposed excavation.

Subd. 3. [LOCATING UNDERGROUND FACILITIES.] (a) An operator must, within 48 hours after receiving an excavation notice from the center, excluding Saturdays, Sundays, and holidays, unless otherwise agreed to between the excavator and operator, locate and mark or otherwise provide the approximate horizontal location of the underground facilities of the operator, without cost to the excavator. The excavator must determine the precise location of the underground facility, without damage, before beginning the proposed excavation.

(b) For the purpose of this section, the approximate horizontal location of the underground facilities is a strip of land two feet on either side of the underground facilities.

(c) Markers used to designate the approximate location of underground facilities must follow the current color code standard used by the American Public Works Association.

(d) If the operator cannot complete marking of the excavation area before the excavation commencement time stated in the excavation notice, the

operator must promptly contact the excavator. If the excavator postpones the excavation commencement time stated in the excavation notice by more than 48 hours, or cancels the excavation, the excavator must notify the notification center.

Sec. 9. [216C.05] [PRECAUTIONS TO AVOID DAMAGE.]

An excavator must:

(1) plan the excavation to avoid damage to and minimize interference with underground facilities in and near the construction area;

(2) maintain a clearance between an underground facility and the cutting edge or point of any mechanized equipment, considering the known limit of control of the cutting edge or point to avoid damage to the facility;

(3) provide support for underground facilities in and near the construction area, including during backfill operations, to protect the facilities; and

(4) conduct the excavation in a careful and prudent manner.

Sec. 10. [216C.06] [DAMAGE TO FACILITIES.]

Subdivision 1. [NOTICE; REPAIRS.] (a) If any damage occurs to an underground facility or its protective covering, the excavator must notify the operator as soon as reasonably possible. When the operator receives a damage notice, the operator must promptly dispatch personnel to the damage area to investigate. If the damage endangers life, health, or property, the excavator responsible for the work must take immediate action to protect the public and property and to minimize the hazard until arrival of the operator's personnel or until emergency responders have arrived and taken charge of the damaged area.

(b) An excavator must delay backfilling in the immediate area of the damaged underground facilities until the damage has been investigated by the operator, unless the operator authorizes otherwise. The repair of damage must be performed by the operator or by qualified personnel authorized by the operator.

Subd. 2. [COST REIMBURSEMENT.] (a) If an excavator damages an underground facility, the excavator must reimburse the operator for the cost of necessary repairs, and for a pipeline the cost of the product that was being carried in the pipeline and was lost as a direct result of the damage.

(b) Reimbursement is not required if the damage to the underground facility was caused by the sole negligence of the operator or the operator failed to comply with section 8, subdivision 3.

Subd. 3. [PRIMA FACIE EVIDENCE OF NEGLIGENCE.] It is prima facie evidence of the excavator's negligence in a civil court action if damage to the underground facilities of an operator resulted from excavation, and the excavator failed to give an excavation notice under section 8 or provide support as required by section 9.

Sec. 11. [216C.07] [EFFECT ON LOCAL ORDINANCES.]

(a) Sections 5 to 11 do not affect or impair local ordinances, charters, or other provisions of law requiring permits to be obtained before excavating.

(b) A person with a permit for excavation from the state or a public

agency is subject to sections 5 to 11. The state or public agency that issued a permit for excavation is not liable for the actions of an excavator who fails to comply with sections 5 to 11.

INTRASTATE GAS PIPELINE SAFETY

Sec. 12. Minnesota Statutes 1986, section 299F56, is amended by adding a subdivision to read:

Subd. 7. "Commissioner" means the commissioner of public safety, acting through the office of pipeline safety.

Sec. 13. Minnesota Statutes 1986, section 299F57, is amended to read: 299F57 [MINIMUM SAFETY STANDARDS.]

Subdivision 1. The ~~state fire marshal~~ commissioner shall, by order, establish minimum safety standards for the transportation of gas and pipeline facilities. Such standards may apply to the design, installation, inspection, testing, construction, extension, operation, replacement and maintenance of pipeline facilities. Standards affecting the design, installation, construction, initial inspection and initial testing shall not be applicable to pipeline facilities in existence on the date such standards are adopted. Such safety standards shall be practicable and designed to meet the need for pipeline safety. In prescribing such standards, the ~~state fire marshal~~ commissioner shall consider:

- (a) relevant available pipeline safety data;
- (b) whether such standards are appropriate for the particular type of pipeline transportation;
- (c) the reasonableness of any proposed standards;
- (d) the extent to which any such standards will contribute to public safety; and
- (e) the existing standards established by the Secretary of Transportation of the United States pursuant to the Natural Gas Pipeline Safety Act of 1968 of the United States.

Provided, however, that the ~~state fire marshal~~ commissioner shall not be empowered to adopt any such standards as to the transportation of gas or to pipeline facilities which are subject to the jurisdiction of the Federal Power Commission under the Natural Gas Act of the United States, *except as provided in sections 20 to 37.*

Subd. 2. Any standards prescribed under this section, and amendments thereto, shall become effective 30 days after the date of issuance of such standards unless the ~~state fire marshal~~ commissioner, for good cause recited, determines an earlier or later effective date is required as the result of the period reasonably necessary for compliance.

Subd. 3. The rulemaking, contested case and judicial review provisions of chapter 14, shall apply to all orders establishing, amending, revoking, or waiving compliance with, any standard established under sections 299F56 to 299F64 or any penalty imposed under sections 299F56 to 299F64. The ~~state fire marshal~~ commissioner shall afford interested persons an opportunity to participate fully in the establishment of such safety standards through submission of written data, views or arguments, with opportunity to present oral testimony and argument.

Subd. 4. The ~~state fire marshal~~ *commissioner*, on finding a particular facility to be hazardous to life or property, shall be empowered to require the person operating such facility to take such steps necessary to remove such hazards.

Subd. 5. Upon application by any person engaged in the transportation of gas or the operation of pipeline facilities, the ~~state fire marshal~~ *commissioner* may, after notice and opportunity for hearing and under such terms and conditions and to such extent as the ~~state fire marshal~~ *commissioner* deems appropriate, waive in whole or in part compliance with any standards established under sections 299F56 to 299F64, on determining that a waiver of compliance with such standard is not inconsistent with gas pipeline safety. The ~~state fire marshal~~ *commissioner* shall state the reasons for any such waiver.

Sec. 14. Minnesota Statutes 1986, section 299F58, is amended to read:
299F58 [CERTIFICATIONS AND REPORTS.]

The ~~state fire marshal~~ *commissioner* is authorized to make such certifications and reports to the United States Secretary of Transportation as may be required from time to time under the Natural Gas Pipeline Safety Act of 1968 of the United States.

Sec. 15. Minnesota Statutes 1986, section 299F60, is amended to read:
299F60 [CIVIL PENALTIES.]

Subdivision 1. Any person who violates any provision of sections 299F56 to 299F64, or any rule issued thereunder, shall be subject to a civil penalty to be imposed by the ~~state fire marshal~~ *commissioner* not to exceed \$1,000 for each such violation for each day that such violation persists, except that the maximum civil penalty shall not exceed \$200,000 for any related series of violations.

Subd. 2. The ~~state fire marshal~~ *commissioner* may negotiate a compromise settlement of a civil penalty. In determining the amount of such penalty, or the amount of the compromise settlement, the ~~state fire marshal~~ *commissioner* shall consider the appropriateness of such penalty to the size of the business of the person charged, the gravity of the violation, and the good faith of the person charged in attempting to achieve compliance, after notification of a violation. The contested case and judicial review provisions of chapter 14 shall apply to all orders of the ~~state fire marshal~~ *commissioner* imposing any penalty under sections 299F56 to 299F64 or under any rule promulgated thereunder. The amount of such penalty, when finally determined, may be deducted from any sums owing by the state of Minnesota to the person charged.

Subd. 3. No person shall be subjected to civil penalties under both sections 299F56 to 299F64 and under Public Law Number 90-481, Statutes at Large, volume 82, page 720, 90th Congress, S. 1166, approved August 12, 1968, for conduct which may give rise to a violation of both acts.

Subd. 4. All penalties collected under sections 299F56 to 299F64 shall be paid over to the state treasurer for deposit in the state treasury to the credit of the general fund.

Sec. 16. Minnesota Statutes 1986, section 299F61, is amended to read:
299F61 [INJUNCTIVE RELIEF]

Subdivision 1. The district courts of the state of Minnesota shall have jurisdiction, subject to the provisions of the statutes and the rules of practice and procedure of the state of Minnesota relative to civil actions in the district courts, to restrain violations of sections 299F.56 to 299F.64, including the restraint of transportation of gas or the operation of a pipeline facility, or to enforce standards established hereunder upon petition by the attorney general on behalf of the state of Minnesota. Whenever practicable, the ~~state fire marshal~~ *commissioner* shall give notice to any person against whom an action for injunctive relief is contemplated and afford the person an opportunity to present views, and, except in the case of a knowing and willful violation, shall afford the person reasonable opportunity to achieve compliance. However, the failure to give such notice and afford such opportunity shall not preclude the granting of appropriate relief.

Subd. 2. Actions under sections 299F.56 to 299F.64 shall be brought in the district in the state of Minnesota wherein the defendant's principal place of business is located, and process in such cases may be served in any other district in the state of Minnesota where the defendant may be found or of which the defendant is an inhabitant or transacts business.

Sec. 17. Minnesota Statutes 1986, section 299F.62, is amended to read:
299F.62 [PLAN FOR INSPECTION AND MAINTENANCE.]

Each person who engages in the transportation of gas or who owns or operates pipeline facilities subject to sections 299F.56 to 299F.64 shall file with the ~~state fire marshal~~ *commissioner* a plan for inspection and maintenance of each such pipeline facility owned or operated by such person, and any changes in such plan, in accordance with the rules prescribed by the ~~state fire marshal~~ *commissioner*. On finding that such plan is inadequate to achieve safe operation, the ~~state fire marshal~~ *commissioner* shall, after notice and opportunity for a hearing, require such plan to be revised. The plan required by the ~~state fire marshal~~ *commissioner* shall be practicable and designed to meet the need for pipeline safety. In determining the adequacy of any such plan, the ~~state fire marshal~~ *commissioner* shall consider the following:

- (a) relevant available pipeline safety data;
- (b) whether the plan is appropriate for the particular type of pipeline transportation;
- (c) the reasonableness of the plan; and
- (d) the extent to which such plan will contribute to public safety.

Sec. 18. Minnesota Statutes 1986, section 299F.63, is amended to read:
299F.63 [RECORDS AND REPORTS; INSPECTIONS; TRADE SECRETS.]

Subdivision 1. Each person who engages in the transportation of gas or who owns or operates pipeline facilities shall establish and maintain such records, make such reports, and provide such information as the ~~state fire marshal~~ *commissioner* may reasonably require to determine whether such person has acted or is acting in compliance with sections 299F.56 to 299F.64 and the standards established under sections 299F.56 to 299F.64. Each such person shall, upon request of an officer, employee, or agent authorized by the ~~state fire marshal~~ *commissioner*, permit such officer, employee, or agent to inspect books, papers, records and documents relevant to determining

whether such person has acted or is acting in compliance with sections 299F56 to 299F64 and the standards established pursuant to sections 299F56 to 299F64. For purposes of enforcement of sections 299F56 to 299F64, officers, employees, or agents authorized by the ~~state fire marshal commissioner~~, upon presenting appropriate credentials to the individual in charge, are authorized to enter upon, at reasonable times, pipeline facilities, and to inspect, at reasonable times and within reasonable limits and in a reasonable manner, such facilities. Each such inspection shall be commenced and completed with reasonable promptness.

Subd. 2. In the course of the exercise of duties and responsibilities under sections 299F56 to 299F64, the ~~state fire marshal commissioner~~ shall wherever practicable employ a practice of spot checking and issuance of certificates of compliance, with respect to persons subject to sections 299F56 to 299F64, to limit costs of enforcement of the safety standards established pursuant to sections 299F56 to 299F64.

Subd. 3. All information reported to or otherwise obtained by the ~~state fire marshal commissioner~~ or a representative, which contains or relates to a trade secret, as referred to in section 1905 of title 18 of the United States Code, or otherwise constitutes a trade secret under law, shall be considered confidential for the purpose of such laws, except that such information may be disclosed to other officers or employees concerned with carrying out sections 299F56 to 299F64 or when relevant in any proceeding under sections 299F56 to 299F64.

Subd. 4. [COST OF INSPECTION AND REVIEW.] The ~~state fire marshal commissioner~~ shall establish, by rule under section 16A.128, a fee to recover the state share of all costs related to field inspections, investigations of pipeline facilities, plan review, and other duties as provided by sections 299F56 to 299F63. Fees collected under this subdivision shall be credited to the general fund.

Sec. 19. Minnesota Statutes 1986, section 299F64, is amended to read:
299F64 [FEDERAL MONEYS FUNDS.]

The ~~state fire marshal commissioner~~ may accept any and all ~~moneys funds~~ provided for or made available to this state by the United States of America or any department or agency thereof with respect to prescribing, setting, and enforcing rules and safety standards for the transportation of natural and other gas by pipelines in accordance with the provisions of federal law and any rules or regulations promulgated thereunder and the ~~state fire marshal commissioner~~ is further authorized to do any and all things, not contrary to the laws of this state, required of this state by such federal law and the rules and regulations promulgated thereunder in order to obtain such federal ~~moneys funds~~.

(1) promote the use of the 911 emergency telephone system as an appropriate method for the public to notify emergency responders of an emergency release;

(2) provide training on a regular basis to all potentially affected local governmental units in pipeline incident contingency planning and emergency response by itself or in cooperation with pipeline operators, other state offices, or local governmental units;

(3) require local governmental units to work with pipeline owners to provide a program of continuing public education on the subject of pipeline operation and safety;

(4) monitor and gather information on the development of reliable pipeline technologies capable of detecting and geographically locating pipeline releases, use the information gathered in the development of rules as provided in this section, and report to the legislature every two years in the manner provided by section 3.195 on the activities of the office under this clause;

(5) maintain a data base of all pipeline releases, which must be based on annual reports from all pipeline operators;

(6) inspect, as necessary, any record, map, or written procedure required by sections 20 to 37 to be kept by a pipeline operator concerning the reporting of releases, and the design, construction, testing, or operation and maintenance of pipelines; and

(7) adopt rules to implement sections 20 to 37. The rules must treat separately and distinguish between hazardous liquid and gas pipelines.

Subd. 2. [DELEGATED DUTIES.] The commissioner shall seek and accept federal designation of the office's pipeline inspectors as federal agents for the purposes of enforcement of the federal Hazardous Liquid Pipeline Safety Act, United States Code, title 49, sections 2001 to 2014, the federal Natural Gas Pipeline Safety Act, United States Code, title 49, sections 1671 to 1686, and federal rules adopted to implement those acts.

(b) The commissioner shall consider higher safety margin requirements for operating pressures on pipelines located in populated or environmentally sensitive areas.

(c) The commissioner shall consider having pipeline operators periodically submit comprehensive reports to the office on the condition of their pipelines, and requiring appropriate pipeline testing based on concerns identified in these reports. The testing requirements must apply more strictly to pipelines in populated or environmentally sensitive areas.

(d) The commissioner shall consider methods for pipeline operators to improve their ability to rapidly locate and isolate releases. The methods must include:

(1) remote control shutoff valves on all new pipelines, with the distance between the valves dependent on the type and density of development, the presence of environmentally sensitive areas, and the application of appropriate engineering standards;

- (1) knows or should have known of an emergency release;*
- (2) knows or should have known that the emergency release was likely to cause the death or serious bodily injury of an individual; and*
- (3) fails to immediately report the emergency release to the department of public safety.*

(b) A person convicted under this section may be sentenced to imprisonment for not more than seven years or to payment of a fine of not more than \$14,000, or both.

Sec. 27. [299J.08] [COMMISSIONER TO REPORT RELEASE; ADVICE AND COORDINATION.]

The commissioner or a designee shall immediately report an emergency release to the emergency responder of the appropriate local government unit, to the pollution control agency if the notice of the release is required by section 115.061, and to any other person or office, as provided by the rules or procedures of the office. A pipeline operator's report of an emergency release to the commissioner satisfies the notification requirements

of section 115.061. The commissioner shall advise the emergency responder concerning appropriate emergency procedures and coordinate the procedures.

Sec. 28. [299J.09] [PIPELINE OPERATORS TO FILE INFORMATION AND GIVE NOTICE.]

Subdivision 1. [MAP REQUIRED.] (a) The operator of every pipeline in operation must file a detailed pipeline map in the scale required by the rules:

(1) with the director and the commissioner of transportation, showing the location and depth of the pipelines and appurtenances operated by that operator within the state; and

(2) with the recorder and sheriff of every county traversed by the pipeline, showing the location and depth of the pipelines and appurtenances operated by that operator within the county.

(b) The maps required under paragraph (a) must be filed by the operator of a newly constructed pipeline before it is operational, and by the operator of a pipeline for which the route has been changed after the original filing of a map under this section. The maps required by this paragraph must be filed at least 30 days before a hazardous liquid or gas is first pumped into the pipeline.

Subd. 2. [EMERGENCY RESPONSE PLAN.] (a) At least 30 days before a hazardous liquid or gas is pumped into a pipeline, the pipeline operator must file an emergency response plan with the director and with the sheriff of every county traversed by the pipeline. The emergency response plan must describe the operator's procedures for responding to and containing releases, including:

(1) an identification of specific actions that will be taken by the operator on discovery of a release;

(2) the operator's liaison procedure with emergency responders;

(3) the operator's means of communication with the responders; and

(4) the operator's means of preventing ignition of vapors resulting from a release.

(b) An operator must file significant changes made to an emergency response plan in the same manner as the original response plan within ten days of the effective date of the change.

Subd. 3. [PROCEDURAL MANUAL.] At least 30 days before a hazardous liquid or gas is pumped into a pipeline, the pipeline operator must file with the director its procedural manual as required under Code of Federal Regulations, title 49, part 192, subparts L and M, and part 195, subpart F, as may be required by rules of the commissioner.

Subd. 4. [NOTICE OF TESTING AND TEST RESULTS.] (a) At least 48 hours before conducting a hydrostatic test, whether or not the test is required by sections 20 to 37 or the rules of the commissioner, a pipeline operator must give notice of the test to the director and the local governmental units traversed by the portion of pipeline to be tested. Advance notice is not required if the operator determines that an emergency exists requiring immediate testing of the pipeline. The notice must include:

(1) the name, address, and telephone numbers of the pipeline operator;

(2) the specific location of the pipeline or pipeline section to be tested, including a suitable map of the route of the pipeline, and the location of the test equipment;

(3) the date and time the test is to be conducted;

(4) the method by which the test will be accomplished and the type of test medium to be used; and

(5) the name and telephone number of any independent testing firm or other person responsible for certification of results.

(b) Authorized representatives of the director and any affected local governmental unit may observe the test.

(c) The results of a hydrostatic test conducted by the operator or by an independent testing company must be sent to the director and to every local governmental unit traversed by the tested portion of the pipeline within ten days of completion of the test. The test results must include:

(1) the date of the test;

(2) the specific location of the pipeline or pipeline section tested, including a suitable map of the route of the pipeline;

(3) the results of the test; and

(4) other information required by rule.

Subd. 5. [NOTICE OF PRODUCT.] (a) Within ten days after the effective date of this section or within ten days of beginning operation of the pipeline, whichever is later, a pipeline operator must file information with the director and the sheriff of every county traversed by a pipeline of the types of products that will be carried in the pipeline. The operator must include in its filing to sheriffs a material safety data sheet for each product that the operator expects to carry in the pipeline. The sheriff must transmit copies of the material safety data sheets to the appropriate emergency responders.

(b) After filing the information required by paragraph (a), the pipeline operator must file information in the same manner of any additional types of substances that will be carried in the pipeline at least three days before the change.

Subd. 6. [PENALTY.] A pipeline operator that does not comply with the requirements of this section or rules of the commissioner implementing this section is subject to the civil penalty provided in section 35.

Subd. 7. [ENFORCEMENT.] The commissioner may bring an action to enforce the requirements of this section, as provided in section 35.

Sec. 29. [299J.10] [LOCAL GOVERNMENT EMERGENCY RESPONSE PLAN.]

(a) A local governmental unit having a pipeline within its jurisdiction must prepare a pipeline release emergency response plan. Preparation of the plan must be coordinated by the county traversed by the pipeline for the other local governmental units within that county. The commissioner shall prescribe rules for the content of the plan. The plan must be completed and adopted by local governmental units within six months after the effective date of the rules prescribing the contents of the plan.

(b) A local governmental unit must review its plan annually and amend

division 1 or for any subsequent taxable year until the commissioner is notified that the company is in compliance with subdivision 1, and the company is subject to the penalty provided in subdivision 4.

Subd. 4. An electric utility may not apply a demand ratchet or charge of more than 60 percent to a customer who has a connected load in excess of 25,000 kilowatts when a customer fails to use the full contract amount.

Sec. 2. Minnesota Statutes 1986, section 216B.44, is amended to read: 216B.44 [MUNICIPAL SERVICE TERRITORY EXTENSIONS.]

Notwithstanding the provisions of sections 216B.38 to 216B.42, whenever a municipality which owns and operates an electric utility (a) extends its corporate boundaries through annexation or consolidation, or (b) determines to extend its service territory within its existing corporate boundaries, the municipality shall thereafter furnish electric service to these areas unless the area is already receiving electric service from an electric utility, in which event, the municipality may purchase the facilities of the electric

utility serving the area. *If the municipality elects not to purchase the facilities of the electric utility, the municipality may serve a customer who has a connected load in excess of 25,000 kilowatts upon completion of the customer's contract with the utility formerly serving the customer by payment of wheeling charges to that utility provided that the municipality has notified the commission by January 1, 1987, of its intention to serve that customer at the end of the customer's contract. If the municipality ~~acquiring~~ elects to acquire the facilities, the municipality shall pay to the electric utility formerly serving the area the appropriate value of its properties within the area which payment may be by exchange of other electric utility property outside the municipality on an appropriate basis giving due consideration to revenue from and value of the respective properties. In the event the municipality and the electric utility involved are unable to agree as to the terms of the payment or exchange, the municipality or the electric utility, may file an application with the commission requesting that the commission determine the appropriate terms for the exchange or sale. After notice and hearing, the commission shall determine appropriate terms for an exchange, or in the event no appropriate properties can be exchanged, the commission shall fix and determine the appropriate value of the property within the annexed area, and the transfer shall be made as directed by the commission. In making that determination the commission shall consider the original cost of the property, less depreciation, loss of revenue to the utility formerly serving the area, expenses resulting from integration of facilities, and other appropriate factors. Until the determination by the commission, the facilities shall remain in place and service to the public shall be maintained by the owner. However, the electric utility being displaced, serving the annexed area, shall not extend service to any additional points of delivery within the annexed area if the commission, after notice and hearing, with due consideration of any unnecessary duplication of facilities, shall determine that the extension is not in the public interest.*

When property of an electric utility located within an area annexed to a municipality which owns and operates an electric utility is proposed to be acquired by the municipality, ratification by the electors is not required.

When property of an electric utility located within the existing corporate boundaries of a municipality that currently operates a municipal electric utility is proposed to be included within the service territory of the municipal electric utility, ratification by the electors is not required."

[ADDITIONAL ENTERPRISE ZONE ALLOCATIONS.] (a) In addition to tax reductions authorized in subdivision 7, the commissioner may allocate \$600,000 for tax reductions pursuant to section 172, subdivisions 1 to 8, to hardship area zones or border city zones. Of this amount, a minimum of \$200,000 must be allocated to an area added to an enterprise zone pursuant to Laws 1986, chapter 465, article 2, section 3. Allocations made pursuant to this subdivision may not be used to reduce a tax liability, or increase a tax refund, prior to July 1, 1987. Limits on the maximum allocation to a zone imposed by subdivision 7 do not apply to allocations made under this subdivision.

(b) A city encompassing an enterprise zone, or portion of an enterprise zone, qualifies for an additional allocation under this subdivision if the following requirements are met:

(1) the city encompassing an enterprise zone, or portion of an enterprise zone, has signed contracts with qualifying businesses that commit the city's total initial allocation received pursuant to subdivision 7; and

(2) the city encompassing an enterprise zone, or portion of an enterprise zone, submits an application to the commissioner requesting an additional allocation for tax reductions authorized by section 172, subdivisions 1 to 8. The application must identify a specific business expansion project which would not take place but for the availability of enterprise zone tax incentives.

(c) The commissioner shall use the following criteria when determining which qualifying cities shall receive an additional allocation under this subdivision and the amount of the additional allocation the city is to receive:

(1) additional allocations to qualifying cities under this subdivision shall be made within 60 days of receipt of an application;

(2) applications from cities with the highest level of economic distress, as determined using criteria listed in section 169, subdivision 4, paragraph (a), clauses (1) to (5), shall receive priority for an additional allocation under this subdivision;

(3) if the commissioner determines that two cities submitting applications within one week of each other have equal levels of economic distress, the application from the city with the business prospect which will have the greatest positive economic impact shall receive priority for an additional allocation. Criteria used by the commissioner to determine the potential economic impact a business would have shall include the number of jobs created and retained, the amount of private investment which will be made by the business, and the extent to which the business would help alleviate the economic distress in the immediate community; and

(4) the commissioner shall determine the amount of any additional al-

location a city may receive. The commissioner shall base the amount of additional allocations on the commissioner's determination of the amount of tax incentives which are necessary to ensure the business prospect will expand in the city. No single allocation under this subdivision may exceed \$100,000. No city may receive more than \$250,000 under this subdivision."

[LOAN CRITERIA AND PRIORITY.] (a) In processing a loan application, an organization responsible for administering a challenge grant program shall give priority to proposed borrowers who are not likely to undertake the project for which the loan is sought without assistance from the challenge grant program. A loan must be used for a project designed principally to benefit low-income persons through the creation of job opportunities for such persons. A loan may be used for capital assets and working capital. Among loan applicants, priority must be given on the basis of the number of permanent jobs created or retained by the project and the proportion of nonstate money leveraged by the revolving loan. The minimum revolving loan is \$5,000 and the maximum is \$100,000. The amount of state money appropriated from the challenge grant fund may not exceed 50 percent for each revolving loan. The amount of nonpublic money must equal at least 50 percent for each revolving loan. A revolving loan may not exceed 25 percent of the total cost of an individual project. A revolving loan may not be used for a retail development project.

(b) The board shall establish a minimum interest rate for revolving loans to ensure that necessary management costs are covered.

(c) Money repaid to the challenge grant program must be deposited in the regional revolving loan fund for further distribution by the organization responsible for administering the challenge grant program.

(d) Administrative expenses of each organization must be paid out of the interest earned on revolving loans.

(e) A business applying for a loan must be sponsored by a resolution of the governing body of the local governmental unit within whose jurisdiction the project is located. For purposes of this paragraph, "local governmental unit" means a home rule charter or statutory city when the project is located in an incorporated area and a county when the project is located in an unincorporated area.

Subd. 7. [RULES.] The board may adopt rules to implement this section.

Subd. 8. [EQUITY INVESTMENTS.] The board may allow a specific amount of the money designated for each region to be used to acquire equity interests in businesses located in rural Minnesota. (1) Rule 2.02 is amended to read:

APPROPRIATING MONEY

Rule 2.02. The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of "yeas" and "nays."

In odd-numbered years, at least twenty calendar days prior to the last day the Legislature can meet in regular session [~~April 30, 1985~~ Tuesday, April 28, 1987], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report different appropriation bills, eight separate appropriation bills as follows:

Referral is not required when a committee after the earlier date and by the later date set by this paragraph acts on a bill that is a companion to a bill that has met the earlier deadline in the other house. This rule does not apply to the Senate Committees on Finance and on Taxes and Tax Laws, and the House Committees on Appropriations and on Taxes.

Conference committees on the major appropriation bills specified in Joint Rule 2.02 shall have their reports on the members' desks by the last Thursday on which the Legislature can meet in regular session [~~May 16, 1985~~ *May 14, 1987*]. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an

amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a conference committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

At an agreed upon hour the conference committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement.

If an agreement is reported, the house of origin shall act first upon the report. *A conference committee report must be limited to provisions that are germane to the bill and amendment that were referred to the conference committee. A provision is not germane if it relates to a substantially different subject or is intended to accomplish a substantially different purpose from that of the bill and amendment that were referred to the conference committee.* If the report is adopted and repassed as amended by the conference committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

All conference committees shall be open to the public. Meetings of conference committees shall be announced as far in advance as practical.

If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report. *The member presenting the conference committee report to the body shall disclose, either in writing or orally, the substantial changes from the bill or the amendment as they were last before the body.*

(2) Administer and supervise all child welfare activities; promote the enforcement of laws protecting handicapped, dependent, neglected and delinquent children, and children born to mothers who were not married to the children's fathers at the times of the conception nor at the births of the children; license and supervise child-caring and child-placing agencies and institutions; supervise the care of children in boarding and foster homes or in private institutions; and generally perform all functions relating to the field of child welfare now vested in the state board of control.

(3) Administer and supervise all noninstitutional service to handicapped persons, including those who are visually impaired, hearing impaired, or physically impaired or otherwise handicapped. The commissioner may provide and contract for the care and treatment of qualified indigent children in facilities other than those located and available at state hospitals when it is not feasible to provide the service in state hospitals.

(4) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(5) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expenditures for medical care to recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

(7) Administer and supervise any additional welfare activities and services as are vested by law in the department.

(8) The commissioner is designated as guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded.

(9) Act as coordinating referral and informational center on requests for

service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or statewide schedules of maximum fees and charges which may be paid by local agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed two years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to statewide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(13) In accordance with federal requirements establish procedures to be followed by local welfare boards in creating citizen advisory committees, including procedures for selection of committee members.

(14) Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs and shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for that program. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or

recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. All money in the account is appropriated to the commissioner for the purposes of this paragraph.

(16) Have the authority to make direct payments to facilities providing shelter to women and their children pursuant to section 256D.05, subdivision 3. Upon the written request of a shelter facility that has been denied payments under section 256D.05, subdivision 3, the commissioner shall review all relevant evidence and make a determination within 30 days of the request for review regarding issuance of direct payments to the shelter facility. Failure to act within 30 days shall be considered a determination not to issue direct payments.

Sec. 2. Minnesota Statutes 1986, section 256D.05, is amended by adding a subdivision to read:

Subd. 3a. [SHELTER FACILITY'S RIGHT TO APPEAL.] A facility providing shelter for women and their children may appeal a decision of a local agency arising from a request for payment pursuant to section 256D.05, subdivision 3. The appeal shall be heard by an administrative law judge according to sections 14.48 to 14.62, except that the report of the administrative law judge is binding on all parties. Within 15 days of receipt of a written appeal request from a shelter facility, the local agency shall file a request for assignment of a judge together with a notice of and order for hearing proposed to be issued. (b) pay the costs of complying with any written lawful order initially issued prior to January 1, 1977 by the state of Minnesota, or the United States, or any agency or subdivision thereof, which is authorized by law, statute, special act or ordinance and is enforceable in a court of competent jurisdiction, or any stipulation agreement or permit for treatment works or disposal system for pollution abatement in lieu of a lawful order signed by the governmental subdivision and the state of Minnesota, or the United States, or any agency or subdivision thereof which is enforceable in a court of competent jurisdiction. The commissioner of revenue shall in consultation with other state departments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(c) pay the costs to a governmental subdivision for their minimum required share of any program otherwise authorized by law for which matching funds have been appropriated by the state of Minnesota or the United States, excluding the administrative costs of public assistance programs, to the extent of the increase in levy over the amount levied for the local share of the program for the taxes payable year 1971. This clause shall apply only to those programs or projects for which matching funds have been designated by the state of Minnesota or the United States on or before September 1, of the previous year and only when the receipt of these matching funds is contingent upon the initiation or implementation of the project or program during the year in which the taxes are payable or those programs or projects approved by the commissioner;

(d) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. Except for the costs of general assistance as defined in section 256D.02, subdivision 4, general assistance medical care under sec-

tion 256D.03 and the costs of hospital care pursuant to section 261.21, the aggregate amounts levied pursuant to this clause are subject to a maximum increase of 18 percent over the amount levied for these purposes in the previous year;

(e) pay the costs of principal and interest on bonded indebtedness or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(f) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(g) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(h) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(i) pay the amounts required to compensate for a decrease in manufactured homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 274.19, subdivision 8, as amended, is less than the distribution of the manufactured homes tax to the governmental subdivision pursuant to Minnesota Statutes 1969, section 273.13, subdivision 3, in calendar year 1971;

(j) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(k) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(l) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

(m) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows.

The governmental subdivision may calculate the aggregate of:

(1) the increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) the amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and nonresidential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and nonresidential commercial development. In the levy year following the levy year in which the special levy made pursuant to this clause is discontinued, one-half of the amount of that special levy made in the preceding year shall be added to the permanent levy base of the governmental subdivision;

(n) recover a loss or refunds in tax receipts incurred in nonspecial levy funds resulting from abatements or court action in the previous year pursuant to section 275.48;

(o) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(p) the amounts allowed under section 174.27 to establish and administer a commuter van program;

(q) pay the costs of financial assistance to local governmental units and certain administrative, engineering, and legal expenses pursuant to Laws 1979, chapter 253, section 3;

(r) compensate for revenue lost as a result of abatements or court action pursuant to section 270.07, 270.17 or 278.01 due to a reassessment ordered

by the commissioner of revenue pursuant to section 270.16;

(s) pay the total operating cost of a county jail as authorized in section 641.01. If the county government utilizes this special levy, then any amount levied by the county government in the previous year for operating its county jail and included in its previous year's levy limitation computed pursuant to section 275.51 shall be deducted from the current levy limitation;

(t) pay the costs of implementing section 18.023, including sanitation and reforestation;

(u) pay the estimated cost for the following calendar year of the county's share of funding the Minnesota cooperative soil survey; and

(v) pay the costs of meeting the planning requirements of section 115A.46; the requirements of section 115A.917; the planning requirements of the metropolitan plan adopted under section 473.149 and county master plans adopted under section 473.803; waste reduction and source separation programs and facilities; response actions that are financed in part by service charges under section 400.08 or 115A.15, subdivision 6; closure and post-closure care of a solid waste facility closed by order of the pollution control agency or by expiration of an agency permit before January 1, 1989; and current operating and maintenance costs of a publicly-owned solid waste processing facility financed with general obligation bonds issued after a referendum before March 25, 1986; and

(w) pay the costs of a county aging services coordinator appointed pursuant to section 256.01, subdivision 8. If a county board intends to levy a special property tax under this clause, it shall pass a resolution stating the fact. The resolution must be published for two successive weeks in the official newspaper of the county or, if there is no official newspaper, in a newspaper of general circulation in the county, together with a notice fixing a date for a public hearing. The hearing must be held not less than two weeks nor more than four weeks after the first publication of the resolution. After the public hearing, the county board may either take no further action or adopt a resolution confirming its intention to levy the tax. The confirming resolution must also be published in the official newspaper of the county or, if there is no official newspaper, in a newspaper of general circulation in the county. If within 30 days after publication of the confirming resolution a petition signed by voters equal in number to five percent of the votes cast in the county in the last general election requesting a vote on the proposed resolution is filed with the county auditor, the resolution is not effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at the election. If a county levies a special property tax after complying with the requirements of this clause, the county may continue to levy the tax in subsequent years without repeating the requirements."

A laboratory licensed under this paragraph must also, as a condition of obtaining and retaining a license, agree in writing with the department to comply with the other requirements set forth under sections 1 to 4 applicable to laboratories and to be subject to all remedies for violations thereof set forth under section 6.

(d) The department shall regularly monitor laboratories licensed under this subdivision to ensure compliance with the rules adopted under this subdivision.

(e) The department shall charge an annual license fee to offset the costs of administering this subdivision. The fee may vary depending on the number of Minnesota employee samples tested annually at a laboratory.

(f) Prior to the adoption of rules and issuing of licenses under this subdivision, an employer may use the services of a nonlicensed testing laboratory which agrees in writing with the department to comply with at least the following minimum requirements:

(1) The director of the laboratory must be a full-time employee of the laboratory and must possess a doctoral or master's degree in biological or medical science and have at least three years experience in an analytical toxicology laboratory.

(2) The laboratory must use drug and alcohol testing methods of analysis, and have in writing and use laboratory testing and chain-of-custody procedures, which are appropriate to ensuring reliable and properly handled and identified testing results.

(3) The laboratory must be participating in and continuing to demonstrate satisfactory performance in the drug proficiency testing program of the college of American pathology or American association for clinical chemists.

(4) A test report must indicate the drugs, alcohol, or metabolites thereof tested for and whether the test produced a negative or positive test result.

(5) All initial screening test, confirmatory test, and confirmatory retest results must be reviewed and certified as accurate by a qualified scientist.

(6) The laboratory must agree to comply with the requirements set forth under sections 1 to 4 applicable to laboratories and to be subject to the remedies for violations thereof set forth under section 6.

Subd. 2. [LABORATORY REQUIREMENTS RELATING TO CONFIRMATORY TESTING, REPORTING OF TEST RESULTS, AND RETENTION OF SAMPLES.] A testing laboratory shall conduct a confirmatory test on any sample which when tested produced a positive test result on an initial screening test. A laboratory shall disclose to the employer a written test result report for each sample tested within three working days following a negative test result on an initial screening test or, when the initial screening test produced a positive test result, within three working days following a negative or positive test result on a confirmatory test. A laboratory shall retain and properly store for at least six months all samples which when tested produced a positive test result.

Subd. 3. [PROHIBITIONS ON EMPLOYERS.] An employer may not conduct drug or alcohol testing of its own employees and job applicants utilizing a testing laboratory owned and operated by the employer. Except as provided under subdivision 7, an employer may not request or require an employee or job applicant to contribute to, or pay the cost of, drug or alcohol testing under sections 1 to 4.

Subd. 4. [EMPLOYER REQUIRED TO COMPLY WITH CHAIN-OF-CUSTODY PROCEDURES.] An employer shall comply with rules promulgated by the department relating to chain-of-custody procedures to ensure proper handling and identification of the samples to be tested. Prior to adoption of rules under this subdivision, an employer shall establish its own reliable chain-of-custody procedures to ensure proper record keeping, handling, labeling, and identification of the samples to be tested.

Subd. 5. [RIGHT OF EMPLOYEE OR JOB APPLICANT TO EXPLAIN A POSITIVE TEST RESULT OR REQUEST A CONFIRMATORY RE-TEST.] (a) Prior to requesting or requiring an employee or job applicant to undergo drug or alcohol testing, an employer shall provide the employee or job applicant to be tested an opportunity to indicate on a form any over-the-counter or prescription medications which the individual is currently taking or has recently taken and any other relevant information which may be pertinent to the reliability of, or explanation for, a positive test result.

(b) Within three working days following notice of a positive test result on a confirmatory test, the employee or job applicant has a right to: (1) submit information to the employer, in addition to any information which may have already been submitted under paragraph (a), to explain that result; or (2) request a confirmatory retest of the original sample at the employee's or job applicant's own expense as provided under subdivision 7.

Subd. 6. [NOTICE OF TEST RESULTS TO EMPLOYEE OR JOB APPLICANT.] An employer shall inform in writing an employee or job applicant who has undergone drug or alcohol testing of a negative test result on an initial screening test or a negative or positive test result on a confirmatory test within three working days following receipt of the test result report information from the testing laboratory. In the case of a positive test result on a confirmatory test, the employer shall also, at the time of this notice, inform the employee or job applicant in writing of the rights provided under subdivision 5, paragraph (b), and subdivisions 7 and either 8 or 9, whichever is applicable.

Subd. 7. [RETESTING AT EMPLOYEE'S OR JOB APPLICANT'S OWN EXPENSE.] An employee or job applicant has the right to request a confirmatory retest of the original sample at the employee's or job applicant's own expense following notice of a positive test result on a confirmatory test. Within five working days following notice of that result, the employee or job applicant shall notify the employer in writing of the employee's or job applicant's intention to obtain a confirmatory retest. Within three working days following receipt of this notice, the employer shall notify the original testing laboratory that the employee or job applicant has requested the laboratory to conduct the confirmatory retest or transfer the sample to another laboratory licensed under subdivision 1 to conduct the confirmatory retest. The original testing laboratory shall ensure that the chain-of-custody procedures adopted by the department under subdivision 1 are

followed if the sample is transferred to another laboratory. The confirmatory retest must utilize the same drug or alcohol threshold detection levels as used in the original confirmatory test.

Subd. 8. [LIMITATIONS ON DISCHARGE OR DISCIPLINE OF, OR DISCRIMINATION AGAINST, AN EMPLOYEE.] (a) An employer may not discharge, discipline, discriminate against, or request or require rehabilitation of an employee on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test.

(b) In addition to the limitation under paragraph (a), an employer may not discharge an employee for whom a positive test result on a confirmatory test was the first such result for that employee on a drug or alcohol test requested or required by that employer unless the following conditions have been met:

(1) the employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the employer after consultation with a certified chemical use counselor or a physician trained in the diagnosis and treatment of chemical dependency; and

(2) the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program prior to its completion or by a positive test result on a confirmatory test pursuant to drug or alcohol testing following completion of the program.

(c) Notwithstanding paragraph (a), an employer may temporarily suspend the tested employee with or without pay or transfer that employee to another position at the same rate of pay pending the outcome of the confirmatory test, provided the employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public. An employee who has been suspended without pay must be reinstated with back pay if the outcome of the confirmatory test is negative.

(d) An employer may not discharge, discipline, discriminate against, or request or require rehabilitation of an employee on the basis of medical history information revealed to the employer pursuant to subdivision 5 unless the employee was under an affirmative duty to provide the information at the time of or subsequent to hire.

(e) An employee must be given reasonable access to information in the employee's personnel file relating to positive test result reports and other data or information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken as a result thereof.

Subd. 9. [LIMITATIONS ON TESTING OF, AND WITHDRAWAL OF OFFER OF EMPLOYMENT TO, A JOB APPLICANT.] No employer may request or require a job applicant to undergo drug or alcohol testing prior to making an offer of employment to the job applicant. If the job applicant has received an offer of employment made contingent on the job applicant passing drug and alcohol testing, the employer may not withdraw the offer based on a positive test result from an initial screening test that has not been verified by a confirmatory test.

Sec. 4. [181.96] [DRUG AND ALCOHOL TESTING; PRIVACY, CONFIDENTIALITY, AND PRIVILEGE SAFEGUARDS.]

Subdivision 1. [PRIVACY LIMITATIONS ON TESTING AND DISCLOSURE.] A laboratory shall, to the extent feasible, ensure that the drug or alcohol testing method of analysis employed only measures the presence or absence of drugs, alcohol, or metabolites thereof in the sample of the employee or job applicant tested. A laboratory may only disclose to the employer test result information regarding the presence or absence of drugs, alcohol, or metabolites thereof in the sample tested.

Subd. 2. [CONFIDENTIALITY LIMITATIONS ON DISCLOSURE.] All samples, test results, reports, and other data and information acquired in the drug or alcohol testing process are, with respect to private sector employees and job applicants, private and confidential information, and, with respect to public sector employees and job applicants, "private data on individuals" as that phrase is defined under chapter 13, and may not be disclosed by an employer or laboratory to any other employer or third-party individual, governmental agency, or private organization without the written consent of the employee or job applicant tested.

Subd. 3. [EXCEPTIONS TO PRIVACY AND CONFIDENTIALITY DISCLOSURE LIMITATIONS.] Notwithstanding subdivision 2, evidence of a positive test result on a confirmatory test may be: (1) used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing under chapter 43A or other applicable state or local law, or a judicial proceeding, provided that information is relevant to the hearing or proceeding; and (2) disclosed to any federal agency or other unit of the United States government as required under federal law, rule, regulation, or order, or in accordance with compliance requirements of a federal government contract.

Subd. 4. [PRIVILEGE.] Positive test results from an employer drug or alcohol testing program may not be used as evidence in a criminal action against the employee or job applicant tested.

Sec. 5. [181.97] [CONSTRUCTION.]

Subdivision 1. [FREEDOM TO COLLECTIVELY BARGAIN.] Nothing in sections 1 to 4 shall be construed to limit employees from collectively bargaining with their employer for a drug and alcohol testing policy which meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements for employee protection provided under those sections.

Subd. 2. [EMPLOYEE PROTECTIONS UNDER EXISTING COLLECTIVE BARGAINING AGREEMENTS.] Nothing in sections 1 to 4 shall be construed to interfere with or diminish any employee protections relating to drug and alcohol testing already provided under collective bargaining agreements in effect on the effective date of sections 1 to 7 which exceed the minimum standards and requirements for employee protection provided under those sections.

Sec. 6. [181.97] [REMEDIES.]

Subdivision 1. [EXHAUSTION.] An employee or collective bargaining agent may bring an action under this section only after first exhausting all applicable grievance procedures and arbitration proceeding requirements under a collective bargaining agreement.

Subd. 2. [DAMAGES.] In addition to any other remedies provided by law, an employer or laboratory that violates any provision of sections 1 to 4 is liable to an employee or job applicant injured by the violation in

a civil action for any damages allowable at law.

Subd. 3. [INJUNCTIVE RELIEF] *An employee or job applicant, a state, county, or city attorney, or a collective bargaining agent who will fairly and adequately represent the interests of the protected class has standing to bring an action for injunctive relief requesting the district court to enjoin an employer or laboratory that commits or proposes to commit an act in violation of sections 1 to 4.*

Subd. 4. [OTHER EQUITABLE RELIEF] *Upon the finding of a violation under sections 1 to 4, or as part of any injunctive relief granted under subdivision 3, a court may, in its discretion, grant any other equitable relief it considers appropriate, including ordering the injured employee or job applicant reinstated with back pay.*

Sec. 7. [FEDERAL PREEMPTION.]

Sections 1 to 6 do not apply to employees or job applicants of employers that are subject to regulation of drug and alcohol testing with respect to those employees or job applicants under federal rules or regulations to the extent that those rules or regulations specifically preempt, are inconsistent with, or exceed the state regulation of drug and alcohol testing with respect to that type of employer or their affected employees or job applicants.

Sec. 5. Minnesota Statutes 1986, section 429.061, subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued.

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined by the council shall become a part of the adopted assessment roll. No appeal may be taken as to the amount of any assessment adopted under this section unless written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing. All objections to the assessments not received at the assessment hearing in the manner prescribed by this subdivision are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

If the adopted assessment differs from the proposed assessment as to any particular lot, piece, or parcel of land, the clerk must mail to the owner a

notice stating the amount of the adopted assessment. Owners must also be notified by mail of any changes adopted by the council in interest rates or prepayment requirements from those contained in the notice of the proposed assessment.

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. ~~Except as provided below~~ *Unless otherwise provided in the resolution*, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest thereon for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so

provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

(6) Within its area of operation to acquire real or personal property or any interest therein by gifts, grant, purchase, exchange, lease, transfer, bequest, devise, or otherwise, and by the exercise of the power of eminent domain, in the manner provided by Minnesota Statutes 1945, chapter 117, and any amendments thereof or supplements thereto, to acquire real property which it may deem necessary for its purposes under these sections, after the adoption by it of a resolution declaring that the acquisition of the real property is necessary to eliminate one or more of the conditions found to exist in the resolution adopted pursuant to section 462.425 or found to exist by section 462.415, subdivision 5, or is necessary to carry out a redevelopment project as defined in section 462.421, subdivision 13;

(7) Within its area of operation, and without the adoption of an urban renewal plan, to acquire, by all means as set forth in clause (6) of this subdivision, including by the exercise of the power of eminent domain, in the manner provided by chapter 117, and without the adoption of a resolution provided for in subdivision 1, clause (6), real property, and to demolish, remove, rehabilitate or reconstruct the buildings and improvements

or construct new buildings and improvements thereon, or to so provide through other means as set forth in Laws 1974, chapter 228, or to grade, fill and construct foundations or otherwise prepare the site for improvements, and to dispose of said property pursuant to section 462.525, provided that the provisions of section 462.525 requiring conformance to an urban renewal plan shall not apply, and to finance such activities by means of the redevelopment project fund or by means of tax increments or tax increment bonds or by the methods of financing provided for in section 462.545 or by means of contributions from the municipality provided for in section 462.581, clause (9), or by any combination of such means; provided that, real property with buildings or improvements thereon shall only be acquired when the buildings or improvements are substandard; and provided further that the exercise of the power of eminent domain under this clause shall be limited to real property which contains buildings and improvements which are vacated and substandard. For the purpose of this subparagraph, substandard buildings or improvements mean *hazardous buildings as defined in section 463.15, subdivision 3, or buildings or improvements that are dilapidated or obsolescent, faultily designed, lack adequate ventilation, light, or sanitary facilities, or any combination of these or other factors that are detrimental to the safety or health of the community.*

Such income level shall be that level below which there is not available within the area of operation a substantial supply of decent, safe and sanitary housing provided by private enterprise without subsidy at prices or rents within the financial means of persons and families of such incomes. The authority may establish various income levels for various family sizes. In making its determination the authority may consider income levels which may be established by the federal housing administration or a similar or successor federal agency for the purpose of federal loan guarantees or subsidies for persons of low or moderate income. The authority may use such determination as a basis for the maximum amount of income for admissions to housing development projects owned or operated by it;

(9) To provide in federally assisted projects such relocation payments and assistance as may be necessary to comply with the requirements of the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and any amendments or supplements thereto.

(3) tax increments received by a city under sections 273.71 to 273.78 or other law, if eligible, to be expended in the targeted neighborhood;

Subd. 5. [TARGETED NEIGHBORHOOD.] "Targeted neighborhood" means an area including one or more census tracts as determined and measured by the bureau of census of the United States Department of Commerce that meet the criteria of section 8, subdivision 2, and any additional area designated under section 8, subdivision 3.

Subd. 6. [TARGETED NEIGHBORHOOD FUNDS.] "Targeted neighborhood funds" means the funds designated in the revitalization program to be used to implement the revitalization program.

Subd. 7. [TARGETED NEIGHBORHOOD REVITALIZATION AND FINANCING PROGRAM.] "Targeted neighborhood revitalization and financing program," "revitalization program," or "program" means the targeted neighborhood revitalization and financing program adopted in accordance with section 9.

Sec. 8. [DESIGNATION OF TARGETED NEIGHBORHOODS.]

Subdivision 1. [CITY AUTHORITY.] A city may by resolution designate targeted neighborhoods within its borders after adopting detailed findings that the designated neighborhoods meet the eligibility requirements set forth in subdivisions 2 and 3.

Subd. 2. [ELIGIBILITY REQUIREMENTS FOR TARGETED NEIGHBORHOODS.] An area within a city is eligible for designation as a targeted neighborhood if the area meets two of the following three requirements:

(a) The area had an unemployment rate that was twice the unemployment rate for the Minneapolis and Saint Paul standard metropolitan statistical area as determined by the 1980 federal decennial census.

(b) The median household income in the area was equal to or less than 50 percent of the median household income for the Minneapolis and Saint Paul standard metropolitan statistical area as determined by the 1980 federal decennial census.

(c) The area is characterized by residential dwelling units in need of substantial rehabilitation. An area qualifies under this clause if (1) 25 percent or more of the residential dwelling units are in substandard condition as determined by the city; or (2) 70 percent or more of the residential dwelling units in the area were built before 1940 as determined by the 1980 federal decennial census.

Subd. 3. [ADDITIONAL AREA ELIGIBLE FOR INCLUSION IN TARGETED NEIGHBORHOOD.] The city may add to the area designated as a targeted neighborhood under subdivision 2 additional area extending up to four contiguous city blocks in all directions from the designated targeted neighborhood. For the purpose of this subdivision, "city block" shall have the meaning determined by the city.

Sec. 9. [TARGETED NEIGHBORHOOD REVITALIZATION AND FINANCING PROGRAM REQUIREMENTS.]

Subdivision 1. [COMPREHENSIVE REVITALIZATION AND FINANCING PROGRAM.] For each targeted neighborhood for which a city requests state financial assistance under section 10, the city must prepare a comprehensive revitalization and financing program that includes the following:

(1) the revitalization objectives of the city for the targeted neighborhood;

(2) the specific activities or means by which the city intends to pursue and implement the revitalization objectives;

(3) the extent to which the activities identified in clause (2) will benefit low and moderate income families, will alleviate the blighted condition of the targeted neighborhood, or otherwise assist in the revitalization of the targeted neighborhood;

(4) a statement of the intended outcomes to be achieved by implementation of the revitalization program, how the outcomes will be measured both qualitatively and quantitatively, and the estimated time over which they will occur; and

(5) a financing program and budget that identifies the financial resources necessary to implement the revitalization program. The financing program and budget must include the following items:

(i) the estimated total cost to implement the revitalization program;

(ii) the estimated cost to implement each activity in the revitalization program identified in clause (2);

(iii) the estimated amount of financial resources that will be available from all sources other than from the appropriation available under section

10 to implement the revitalization program;

(iv) the estimated amount of the appropriation available under section 10 that will be necessary to implement the revitalization program;

(v) a description of the activities identified in the revitalization program for which the state appropriation will be used and the time or times at which the state appropriation will be committed or expended; and

(vi) a statement of how the city intends to meet the requirement for a financial contribution matching the state appropriation from city matching funds in accordance with section 10, subdivision 3.

Subd. 2. [TARGETED NEIGHBORHOOD PARTICIPATION IN REVITALIZATION PROGRAM DEVELOPMENT.] *The city must develop a process to consult the residents in the targeted neighborhood concerning the development, drafting, and implementation of the revitalization program. The process may include the establishment of an advisory board in each city as provided for in subdivision 2a, to assist the city in implementing the revitalization program. The process must include at least one public hearing, in addition to any public hearing held by the advisory board, to be held within the targeted neighborhood to describe urban revitalization action programs prior to the development or drafting of a revitalization program for it. Notice of the hearing must be provided to individuals and groups in the targeted neighborhood not less than ten days nor more than 30 days before the hearing by a newspaper of general circulation within the targeted neighborhood and by other general means of communication in the targeted neighborhood. The city shall provide the necessary staff and other resources to implement the consultation process and to develop, draft, and implement the revitalization program.*

Subd. 2a. [ADVISORY BOARD.] *The governing body of the city may establish a seven-member advisory board to assist the city in implementing sections 7 to 15. The advisory board shall consist of one city council member appointed by the city council, one county commissioner appointed by the county board of the county in which the city is located, two legislators appointed by the city legislative delegation, and three residents who reside in a targeted neighborhood appointed by the city council. The advisory board shall advise the city on the preparation of the revitalization program including the conversion from absent-owner rental housing to home ownership, the promotion of commercial and industrial growth in targeted neighborhoods, and the integration of human service programs and the redevelopment in targeted neighborhoods.*

Subd. 3. [PRELIMINARY CITY REVIEW; STATE AGENCY AND METROPOLITAN COUNCIL REVIEW.] *Before adoption of the revitalization program under subdivision 4, the city must submit a draft program to the state planning agency, the department of energy and economic development, the Minnesota housing finance agency, and the metropolitan council for their comment. The city may not adopt the revitalization program until comments have been received from the state agencies and the metropolitan council or 30 days have elapsed without response after the program was sent to them. Any comments received by the city from the state agencies or the metropolitan council within the 30-day period must be responded to in writing by the city before adoption of the program by the city.*

Subd. 4. [CITY APPROVAL.] The city may adopt the revitalization program only after holding a public hearing after the program has been prepared. Notice of the hearing must be provided in a newspaper of general circulation in the city and in the targeted neighborhood not less than ten days nor more than 30 days prior to the date of the hearing.

Subd. 5. [PROGRAM CERTIFICATION.] A certification by the city that a revitalization program has been approved by the city council for the targeted neighborhood must be provided to the community development division of the department of energy and economic development together with a copy of the program. Copies of the program must also be provided to the state planning agency, the Minnesota housing finance agency, and the metropolitan council.

Subd. 6. [REVITALIZATION PROGRAM MODIFICATION.] The revitalization program may be modified at any time by the city council after a public hearing, notice of which is published in a newspaper of general circulation in the city and in the targeted neighborhood not less than ten days nor more than 30 days before the date of the hearing. If the city council determines that the proposed modification is a significant modification to the program originally certified under subdivision 5, it must implement the revitalization program approval process of subdivisions 2 to 5 for the proposed modification. If the proposed modification will require an increase in the amount of state appropriation available under section 10 for the revitalization program, the state planning agency, the department of energy and economic development, the Minnesota housing finance agency, and the metropolitan council must be notified and afforded an opportunity to comment on it in accordance with subdivision 3. Any modification to the revitalization program must be certified to the community development division of the department of energy and economic development as provided in subdivision 5.

Sec. 10. [DISBURSEMENT; CITY MATCHING FUNDS; DRAW-DOWN; USES OF STATE FUNDS.]

Subdivision 1. [DISBURSEMENT OF STATE FUNDS.] Upon receipt from a city of the certification that a revitalization program has been adopted or modified, the community development division of the department of energy and economic development must, within 30 days, disburse to the city the amount of state funds identified as necessary to implement the revitalization program or program modification. State funds may be disbursed to the city only to the extent that the appropriation limit for the city specified in subdivision 2 is not exceeded. Once the state funds have been disbursed to the city, they shall become targeted neighborhood funds for use by the city in accordance with an adopted revitalization program and subject only to the restrictions on their use contained in this act.

Subd. 2. [FUND DISBURSEMENT.] A city may receive a part of the appropriations made available that is the proportion that the population of that city bears to the total population of both Minneapolis and Saint Paul. One city may agree to reduce its entitlement amount so that the other may receive an amount in excess of its entitlement amount. The population of each city for the purposes of this subdivision shall be determined according to the most recent estimates available to the community development division of the department of energy and economic development. Any interest earned by a city from funds disbursed to the city must be rebated to the community development division of the department of energy

and economic development annually unless the revitalization program identifies the interest as necessary to implement the revitalization program and the requirement for city matching funds is satisfied with respect to the interest.

Subd. 3. [CITY MATCHING FUNDS; DRAWDOWN OF STATE FUNDS; RESTRICTION ON USE OF STATE FUNDS.] A city may expend state funds only if the revitalization program identifies city matching funds to be used to implement the program in an amount equal to the state appropriation. A city must keep the state funds in a segregated fund for accounting purposes. No state funds shall be used to pay the general administrative expenses of a city that are incurred in connection with the planning or implementation of sections 7 to 15.

Sec. 11. [CITY POWERS AND ELIGIBLE USES OF TARGETED NEIGHBORHOOD FUNDS.]

Subdivision 1. [CONSOLIDATION OF EXISTING POWERS IN TARGETED NEIGHBORHOODS.] A city may exercise any of its corporate powers within a targeted neighborhood including, but not limited to, all of the powers enumerated and granted by chapters 458, 462, 462C, 472, 472A, and 474. For the purposes of chapter 458, a targeted neighborhood shall be considered an industrial development district. A city may exercise the powers of chapter 458 in conjunction with, and in addition to, exercising the powers granted by chapters 462 and 462C in order to promote and assist housing construction and rehabilitation within a targeted neighborhood. For the purposes of section 462C.02, subdivision 9, a targeted neighborhood shall be considered a "targeted area."

Subd. 2. [GRANTS AND LOANS.] In addition to the authority granted by other law, a city may make grants and loans to individuals, for-profit and nonprofit corporations, and other organizations to implement a revitalization program. The grants and loans shall contain the terms concerning use of funds, repayment, and other conditions the city deems proper to implement a revitalization program.

Subd. 3. [ELIGIBLE USES OF TARGETED NEIGHBORHOOD FUNDS.] The city may expend targeted neighborhood funds for any purpose authorized by subdivision 1 or 2. Any use of targeted neighborhood funds must be authorized by a revitalization program.

Sec. 12. [DELAYED VALUATION OF IMPROVEMENTS.]

Subdivision 1. [VALUATION INCREASE DELAYED.] Notwithstanding other provisions of law relating to assessed valuation of real property, the assessed valuation of property described in subdivision 2 based on the qualified improvements made during rehabilitation of a building on the property may not be increased during the rehabilitation year or any of the following five years. After the fifth year following rehabilitation, the property shall be valued as other property in the same property class in that taxing district.

Subd. 2. [ELIGIBLE PROPERTY.] To be eligible for the valuation increase delay authorized in subdivision 1, (1) the property must be located in a designated targeted neighborhood as defined in section 7, and (2) the city must have certified that the revitalization and financing program for that neighborhood has been completed as required in section 9.

Subd. 3. [QUALIFIED IMPROVEMENTS.] To qualify for the valuation increase delay authorized in subdivision 1, the improvements to the eligible property must (1) be completed within one year after the issuance of the building permit for the improvements, and (2) not be recreational in character including, but not limited to, swimming pools, tennis courts, and hot tubs.

Subd. 4. [ASSESSOR.] The owner of the property must apply to the assessor prior to undertaking the rehabilitation. The application must include a description of the proposed rehabilitation project, an estimate of the cost of the project, and a projected completion date for the project. The assessor must determine if the property meets the eligibility requirements established in subdivision 2. The assessor shall maintain records of the location and number of eligible buildings having qualified improvements.

Subd. 5. [GENERAL INCREASES IN VALUATION.] Any increase in value of property which results from causes other than qualified improvements which are part of the project description provided to the assessor shall be added to the assessed valuation of the building.

Sec. 13. [HAZARDOUS BUILDING PENALTY.]

A city may assess a penalty equal to one percent of the assessed value of a building located in a targeted neighborhood defined in section 7 that the city determined to be hazardous as defined in section 463.15, subdivision 3. If the owner of the building has not paid the penalty within 30 days after receiving notice of the penalty, the penalty shall be considered delinquent. For the purposes of this section, a penalty which is delinquent shall be considered as a delinquent property tax and subject to chapters 279, 280, and 281 in the same manner as delinquent property taxes.

Sec. 14. [ANNUAL AUDIT AND REPORT.]

Subdivision 1. [ANNUAL FINANCIAL AUDIT.] At the end of each calendar year beginning in 1988, the legislative auditor shall conduct a financial audit to review the spending of state funds under sections 7 to 15. Before spending any state funds to implement a revitalization program, the city must consult the legislative auditor to determine appropriate accounting methods and principles that will assist the legislative auditor in conducting its financial audit. The results of the financial audit must be submitted to the legislative audit commission, the state planning agency, the department of energy and economic development, the Minnesota housing finance agency, and the metropolitan council.

Subd. 2. [ANNUAL REPORT.] A city that begins to implement a revitalization program in any calendar year must, by March 1 of the succeeding calendar year, provide a detailed report on the revitalization program or programs being implemented in the city. The report must describe the status of the program implementation and analyze whether the intended outcomes identified in section 9, subdivision 1, clause (4), are being achieved. The report must be submitted to the state planning agency, the department of energy and economic development, the Minnesota housing finance agency, the metropolitan council, and the legislative audit commission.

Sec. 15. [APPROPRIATION; DISTRIBUTION.]

§_____ is appropriated from the general fund to the commissioner of energy and economic development for disbursement to the cities of Min-

neapolis and Saint Paul as provided in section 10, to be available until June 30, 1989.

Sec. 16. [EFFECTIVE DATE; LOCAL APPROVAL.]

(3) that contaminates the environment.

(b) A person may not direct a pesticide on property beyond the boundaries of the target site.

(c) A person may not directly apply a pesticide on a human by overspray or target site spray.

Subd. 3. [POSTING.] (a) If the pesticide labels prescribe specific hourly or daily intervals for human reentry following application, the person applying the pesticide must post fields, buildings, or areas where the pesticide has been applied. The posting must be done with placards in accordance with label requirements and rules adopted under this section.

(b) Fields being treated with pesticides through irrigation systems must be posted throughout the period of pesticide treatment.

Subd. 4. [CHEMIGATION REQUIREMENTS.] (a) A person may apply pesticides through an irrigation system if the pesticide is suitable and labeled for this method of application and the systems are fitted with effective antisiphon devices or check valves that prevent the backflow of pesticides or pesticide-water mixtures into water supplies or other materials during times of irrigation system failure or equipment shutdown. The devices or valves must be installed between:

(1) the irrigation system pump discharge and the point of pesticide injection; and

(2) the point of pesticide injection and the pesticide supply.

public waters of the state, as defined in section 105.37, subdivision 14, unless the equipment contains proper and functioning anti-back-siphoning mechanisms. The person may not introduce pesticides into the application equipment until after filling the equipment from the public waters.

(b) This subdivision does not apply to permitted applications of aquatic pesticides to public waters.

Subd. 7. [CLEANING EQUIPMENT IN OR NEAR SURFACE WATER.]
(a) A person may not:

(1) clean pesticide application equipment in surface waters of the state; or

Subdivision 1. [APPLICABILITY.] This section applies only to statutory and home rule charter cities.

Subd. 2. [AUTHORITY.] Statutory and home rule charter cities may enact an ordinance containing the pesticide application warning information contained in subdivision 3, including their own licensing, penalty, and enforcement provisions. Statutory and home rule charter cities may not enact an ordinance that contains more restrictive pesticide application warning information than is contained in subdivision 3.

Subd. 3. [WARNING SIGNS FOR PESTICIDE APPLICATION.] (a) All commercial or noncommercial applicators who apply pesticides to turf areas must post or affix warning signs on the street frontage of the property where the pesticides are applied, or for golf courses, parks, and playgrounds signs must be posted at the entrance points.

the same meaning or intent as specified in this paragraph. The warning sign may include the name of the pesticide used.

(d) The warning sign must be posted on a lawn or yard between two feet and five feet from the sidewalk or right-of-way. For parks, golf courses, athletic fields, or other similar recreational property, the warning signs must also be posted immediately adjacent to areas within the property where pesticides have been applied at or near the entrances to the property.

Sec. 9. [18B.09] [ACTION TO PREVENT GROUNDWATER CONTAMINATION.]

The commissioner may, by rule, special order, or delegation through written regulatory agreement with officials of other approved agencies, take action necessary to prevent the contamination of groundwater resulting from leaching of pesticides through the soil, from the back-siphoning or back-flowing of pesticides through water wells, or from the direct flowage of pesticides to groundwater.

Sec. 10. [18B.10] [SALE AND USE OF TCDD.]

A person may not sell, offer for sale, or use a pesticide containing in excess of 0.1 parts per million of 2,3,7, 8-tetrachlorodibenzo-para-dioxin (TCDD).

Subdivision 1. [DISPLAY AND STORAGE.] (a) A person may only store or display pesticides and their containers in the original container and separated from food, feed, seed, livestock remedies, drugs, plants, and other products or materials stored, displayed, or offered for sale in a manner that prevents contamination which would cause injury or damage to the other products or materials.

(b) A person may not allow open pesticide containers to be displayed for sale under any circumstances.

Subd. 2. [BULK PESTICIDE STORAGE.] (a) A person storing pesticides in containers of a rated capacity of 500 gallons or more must obtain a pesticide storage permit from the commissioner.

(b) Applications must be on forms provided by the commissioner containing information established by rule. The initial application for a permit must be accompanied by a nonrefundable application fee of \$100 for each location where the pesticides are stored.

(c) The commissioner shall by rule develop and implement a program to regulate bulk pesticides. The rules must include installation of secondary containment devices, storage site security, safeguards, notification of storage site locations, criteria for permit approval, a schedule for compliance, and other appropriate requirements necessary to minimize potential adverse effects on the environment. The rules must conform with existing rules of the pollution control agency.

Subdivision 1. [DUTIES OF RESPONSIBLE PARTY.] (a) A person involved in an incident must immediately report the incident to the department of agriculture and provide information as requested by the commissioner. The responsible party must immediately take all action necessary to minimize or abate the release and to recover pesticides involved in the incident.

The costs of cleanup must be borne solely by the responsible party.

(b) The responsible party must submit a written report of the incident to the commissioner containing the information requested by the commissioner within the time specified by the commissioner.

Subd. 2. [COMMISSIONER'S ACTION.] (a) If in the judgment of the commissioner the responsible party does not take immediate and sufficient action to abate the release of and to recover the pesticide, the commissioner may take action necessary to mitigate or correct the conditions resulting from an incident. The commissioner must be reimbursed by the responsible party for the costs incurred by the commissioner in the enforcement of this subdivision.

(b) The department of agriculture is the lead state agency for responding to and taking action with regard to pesticide incidents.

INSPECTIONS AND ENFORCEMENT

Sec. 15. [18B.15] [COOPERATIVE INSPECTION AND ENFORCEMENT AGREEMENTS.]

The commissioner may enter into cooperative agreements with federal and state agencies for training, certification, inspection, and enforcement programs and may make reports to the United States Environmental Protection Agency and other federal agencies as required or requested. The commissioner may adopt and enforce federal standards, regulations, or orders relating to pesticide regulation when determined to be in the best interest of citizens of the state.

Sec. 16. [18B.16] [INSPECTION.]

Subdivision 1. [ACCESS AND ENTRY.] The commissioner, and the commissioner's agents, upon issuance of a notice of inspection, must be granted access at reasonable times to all sites where a person manufactures, formulates, distributes, uses, disposes of, stores, or transports a pesticide, rinsate, pesticide container, or device and to all sites affected, or possibly affected, by the use of a pesticide, rinsate, pesticide container, or device. The commissioner and commissioner's agents may enter sites for:

(1) inspection of equipment for the manufacture, formulation, distribution, disposal, or application of pesticides and the premises on which the equipment is stored;

The commissioner may discontinue the investigation after determining this chapter has not been violated.

Subd. 3. [INSPECTION FILE DISCLOSURE.] Copies of completed inspection files are available to the person making the inspection request, the applicator, or their agents, upon written request.

Sec. 18. [18B.18] [ENFORCEMENT.]

If the owner, custodian, or other responsible party is not available for service of the order, the commissioner may attach the order to the pesticide, pesticide container, rinsate, pesticide equipment, or device or facility and notify the owner, custodian, other responsible party, or the registrant. The pesticide, pesticide container, rinsate, pesticide equipment, or device may not be sold, used, or removed until the violation has been corrected and the pesticide, pesticide container, rinsate, pesticide equipment, or device has been released in writing under conditions specified by the commissioner, or until the violation has been otherwise disposed of by a court.

(b) If violations of this chapter result in conditions that may have an unreasonable adverse effect on humans, domestic animals, wildlife, or the environment, the commissioner may, by order, require remedial action, including removal and proper disposal.

Sec. 20. [18B.20] [DAMAGES AGAINST STATE FOR ADMINISTRATIVE ACTION WITHOUT CAUSE.]

Subd. 3. [CLEANUP COSTS.] A person who violates this chapter or a rule adopted under this chapter is liable for and must pay to the state a sum that will compensate the state for the reasonable value of cleanup and other expenses directly resulting from the illegal use, storage, handling, or disposal of pesticides, whether accidental or otherwise.

Subd. 4. [WILDLIFE AND OTHER DAMAGES.] A person who violates this chapter or a rule adopted under this chapter is liable for and must pay to the state a sum to constitute just compensation for the loss or destruction of wildlife, fish, or other aquatic life, and for actual damages to the state caused by the illegal use, storage, handling, or disposal of pesticides.

Subd. 5. [DEFENSE TO CIVIL REMEDIES AND DAMAGES.] As a defense to a civil penalty or claim for damages under subdivisions 1 to 4, the defendant may prove that the violation was caused solely by an act of God, an act of war, or an act or failure to act that constitutes sabotage or vandalism, or any combination of these defenses.

Subd. 6. [ACTIONS TO COMPEL PERFORMANCE.] In an action to compel performance of an order of the commissioner to enforce this chapter or rules adopted under this chapter, the court may require a defendant adjudged responsible to perform the acts within the person's power that are reasonably necessary to accomplish the purposes of the order.

Subd. 7. [RECOVERY OF PENALTIES BY CIVIL ACTION.] The civil penalties and payments provided for in this section may be recovered by a civil action brought by the county attorney or the attorney general in the name of the state.

Subd. 8. [RECOVERY OF LITIGATION COSTS AND EXPENSES.] In an action brought by the attorney general or a county attorney in the name of the state under this chapter for civil penalties, injunctive relief, or in an action to compel compliance, if the state finally prevails, the state, in addition to other penalties provided in this chapter, must be allowed an amount determined by the court to be the reasonable value of all or a part of the litigation expenses including attorneys' fees incurred by the state or county attorney. In determining the amount of these litigation expenses

to be allowed, the court shall give consideration to the economic circumstances of the defendant.

Sec. 22. [18B.22] [UNSATISFIED JUDGMENTS.]

(a) An applicant for a commercial, noncommercial, or structural pest control license and a commercial, noncommercial, or structural pest control applicator may not allow a final judgment against the applicant or applicator for damages arising from a violation of this chapter or rules made under this chapter to remain unsatisfied for a period of more than 30 days.

(b) Failure to satisfy within 30 days a final judgment resulting from these pest control activities will result in automatic suspension of the applicator's license.

Sec. 23. [18B.23] [CRIMINAL PENALTIES.]

Subdivision 1. [GENERAL VIOLATION.] Except as provided in subdivisions 2 and 3, a person is guilty of a misdemeanor who violates this chapter or a rule adopted under this chapter, a special order, standard, stipulation, agreement, or schedule of compliance.

PESTICIDE REGISTRATION

Sec. 24. [18B.24] [PESTICIDE REGISTRATION.]

Subdivision 1. [REQUIREMENT.] A person may not use or distribute a pesticide in this state unless it is registered with the commissioner. Pesticide registrations expire on December 31 of each year and may be renewed on or before that date for the following calendar year. Registration is not required if a pesticide is shipped from one plant or warehouse to another plant or warehouse operated by the same person and used solely at the plant or warehouse as an ingredient in the formulation of a pesticide that is registered under this chapter.

Subd. 2. [APPLICATION.] (a) A person must file an application for registration with the commissioner. The application must include:

(1) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the applicant;

(2) the brand name of the pesticide;

(3) other necessary information required by the registration application form;

(4) a true and complete copy of the labeling accompanying the pesticide as provided for in FIFRA; and

(5) current material safety data sheets for each pesticide.

(b) As part of the application, the commissioner may require the submission of any relevant information including the complete formula of a pesticide, including the active and inert ingredients.

Subd. 3. [APPLICATION FEE.] (a) An application for initial registration and renewal must be accompanied by a nonrefundable application fee of \$100 for each pesticide to be registered.

(b) An additional fee of \$100 must be paid by the applicant for each pesticide to be registered if the application is a renewal application that is submitted after December 31.

(c) An additional fee of \$200 must be paid by the applicant for each pesticide distributed or used in the state before initial state registration.

Subd. 4. [EFFECT OF REGISTRATION AFTER RENEWAL APPLICATION.] If a registration is in effect on December 31 and a renewal application has been made and the application fee paid, the registration continues in full force and effect until the commissioner notifies the applicant that the registration is denied or canceled, or the renewed registration expires.

Subd. 5. [APPLICATION REVIEW AND REGISTRATION.] (a) The commissioner may not deny the registration of a pesticide because the commissioner determines the pesticide is not essential.

(b) The commissioner shall review each application and may approve, deny, or cancel the registration of any pesticide. The commissioner may impose state use restrictions on a pesticide as part of the registration to prevent unreasonable adverse effects on the environment.

(c) The commissioner must notify the applicant of the approval, denial, cancellation, or state use restrictions within 30 days after the application and fee are received.

(d) The applicant may request a hearing on any adverse action of the commissioner within 30 days after being notified by the commissioner.

Sec. 25. [18B.25] [PESTICIDE REGISTRATION FOR SPECIAL LOCAL NEEDS.]

Subdivision 1. [APPLICATION.] (a) A person must file an application for a special local need application with the commissioner. The application must meet the requirements of section 24, subdivision 2, and the commissioner may require other relevant information.

(b) The commissioner may require a full description of tests and test results upon which claims are based for:

(1) a pesticide use that is not registered under section 24 or FIFRA; or

(2) a pesticide on which restrictions are being considered.

(c) The applicant may request in writing privacy of information submitted as provided in section 36.

Subd. 2. [APPLICATION REVIEW.] (a) After reviewing the application accompanied by the application fee, the commissioner shall, subject to the terms and conditions of the authorization by the administrator of the United States Environmental Protection Agency to register pesticides to meet special local needs, register pesticides if the commissioner determines that:

(1) the pesticide's composition warrants the proposed claims for the pesticide;

(2) the pesticide's label and other material required to be submitted comply with this chapter;

(3) the pesticide will perform its intended function without unreasonable adverse effect on the environment;

(4) the pesticide will not generally cause unreasonable adverse effects on the environment when used in accordance with label directions; and

(5) a special local need for the pesticide exists.

(b) The commissioner may revoke or modify a special local need registration if the commissioner determines that the terms or conditions of the registration do not comply with paragraph (a).

Subd. 3. [APPLICATION FEE.] An application fee for a special local need registration must be accompanied by a nonrefundable fee of \$100.

Sec. 26. [18B.26] [EXPERIMENTAL USE REGISTRATION.]

Subdivision 1. [REQUIREMENT.] A person may not use or distribute an experimental use product pesticide in the state until it is registered with the commissioner. Experimental use product registrations expire on December 31 of each year and may be renewed on or before that date.

Subd. 2. [APPLICATION REVIEW AND REGISTRATION.] (a) After reviewing the application accompanied by the application fee, the commissioner may issue an experimental use product registration if the commissioner determines that the applicant needs the registration to accumulate information necessary to register a pesticide under section 24. The commissioner may prescribe terms, conditions, and a limited period of time for the experimental use product registration. After an experimental use product registration is issued, the commissioner may revoke or modify an experimental use product registration at any time if the commissioner finds that its terms or conditions are being violated or are inadequate to avoid unreasonable adverse effects on the environment.

(b) The commissioner may deny issuance of an experimental use product registration permit if the commissioner determines that issuance of a registration is not warranted or that the use to be made of the pesticide under the proposed terms and conditions may cause unreasonable adverse effects on the environment.

Subd. 3. [APPLICATION.] A person must file an application for experimental use product registration with the commissioner. An application to register an experimental use product must include:

(1) the name and address of the applicant;

(2) a federal environmental protection agency approval document;

(3) the purpose or objectives of the experimental use product;

(4) an accepted experimental use product label;

(5) the name, address, and telephone number of cooperators or participants in this state;

(7) other information requested by the commissioner.

Subd. 4. [APPLICATION FEE.] (a) An application for registration of an experimental use product must be accompanied by a nonrefundable application fee of \$100.

(b) An additional fee of \$200 must be paid by the applicant for each pesticide distributed or used in the state before an initial experimental use product registration was issued for the pesticide.

PESTICIDE LICENSES AND CERTIFICATION

Sec. 27. [18B.27] [RECIPROCAL LICENSING AND CERTIFICATION AGREEMENTS.]

The commissioner may waive all or part of the examination requirements provided for in sections 27 to 33 on a reciprocal basis with any other jurisdiction which has substantially the same requirements. Licenses or certificates issued under sections 27 to 33 may be suspended or revoked upon suspension or revocation of the license or certificate of another jurisdiction supporting the issuance of a Minnesota license or certificate and in the same manner as other licenses and certificates.

Sec. 28. [18B.28] [PESTICIDE USE LICENSE REQUIREMENT.]

A person may not use or supervise the use of a restricted use pesticide without a license or certification required under sections 27 to 33 and the use may only be done under conditions prescribed by the commissioner.

Sec. 29. [18B.29] [PESTICIDE DEALER LICENSE.]

Subdivision 1. [REQUIREMENT.] (a) Except as provided in paragraph (b), a person may not distribute or possess restricted use pesticides or bulk pesticides with an intent to distribute a restricted use pesticide or bulk pesticide to an ultimate user without a pesticide dealer license.

(b) The pesticide dealer license requirement does not apply to:

(1) a licensed commercial applicator, noncommercial applicator, or structural pest control applicator who uses restricted use pesticides only as an integral part of a pesticide application service;

(2) a federal, state, county, or municipal agency using restricted use pesticides for its own programs;

(3) a licensed pharmacist, physician, dentist, or veterinarian when administering or dispensing a restricted use pesticide for use in the pharmacist's, physician's, dentist's, or veterinarian's practice; or

(4) a distributor or wholesaler shipping restricted use pesticides to commercial applicators who are the ultimate users.

(c) A licensed pesticide dealer may only sell restricted use pesticides to an applicator licensed or certified by the commissioner, unless a sale is allowed by rule.

Subd. 2. [RESPONSIBILITY.] A pesticide dealer is responsible for the acts of a person who assists the dealer in the solicitation and sale of restricted use pesticides.

Subd. 3. [LICENSE.] A pesticide dealer license:

(1) expires on December 31 of each year unless it is suspended or revoked before that date; and

(2) is not transferable to another person.

Subd. 4. [APPLICATION.] (a) A person must apply to the commissioner for a pesticide dealer license on the forms and in the manner required by the commissioner. The commissioner must prescribe and administer a closed-book, monitored examination, or equivalent measure to determine if the applicant is eligible to sell bulk pesticides or restricted use pesticides.

Sec. 2. [268.073] [ADDITIONAL UNEMPLOYMENT COMPENSATION BENEFITS.]

Subdivision 1. [ADDITIONAL BENEFITS; WHEN AVAILABLE.] Additional unemployment compensation benefits are authorized under this section only if the commissioner determines that:

(1) an employer has reduced operations at a facility employing 100 or more individuals for at least six months during the preceding year resulting in the reduction of at least 50 percent of the employer's work force and the lay-off of at least 50 employees at that facility;

(2) the employer does not intend to resume operations which would lead to the reemployment of those employees at any time in the future; and

(3) the unemployment rate for the county in which the facility is located was ten percent during the month of the reduction or any of the three months preceding or succeeding the reduction.

Subd. 2. [PAYMENT OF BENEFITS.] All benefits payable under this section are payable from the fund.

Subd. 6. [RETROACTIVITY.] The additional benefits provided under this section are payable to any claimant who meets the eligibility conditions under subdivision 3 whose unemployment occurred on July 1, 1985, or thereafter, provided the claimant has filed a claim for additional benefits which is effective January 1, 1987, or thereafter.

Sec. 3. [268A.01] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purpose of sections 3 to 7, the terms defined in this section have the meanings given them.

Subd. 2. [AFFECTED EMPLOYEE.] "Affected employee" means an employee whose employment is terminated or will be terminated as a result of a plant closing.

Subd. 3. [AFFECTED EMPLOYEE ORGANIZATION.] "Affected employee organization" means a labor union, association, or other employee organization that represents affected employees.

Subd. 4. [AFFECTED MUNICIPALITY.] "Affected municipality" means each home rule or statutory city or town in which a facility engaged in a plant closing is located.

Subd. 5. [COMMISSIONER.] "Commissioner" means the commissioner of the department of jobs and training.

Subd. 6. [EMPLOYER.] "Employer" means a person, partnership, corporation, or other for profit or nonprofit legal entity that owns or is operating one or more facilities within this state, either directly or indirectly. If a change in ownership of a facility results in a plant closing, the "employer" is the legal entity owning or operating the facility at the time of the plant closing.

Subd. 7. [PLANT CLOSING.] "Plant closing" means a situation where, as a result of a closing, relocation, or reduction in operations, an employer terminates or will terminate 20 percent or more of the employees employed

at a facility employing 100 or more individuals for at least six months during the preceding year. "Plant closing" does not include the termination of employees at a construction site or other temporary work place.

Sec. 4. [268A.02] [NOTICES.]

An employer must notify in writing the commissioner, each affected employee, each affected employee organization, and each affected municipality of a plant closing at least 90 days before the commencement of a plant closing or before a change in ownership that may result in a plant closing. If an employer can establish that the employer could not reasonably have anticipated the plant closing 90 days prior to the commencement of the plant closing, notice is required as soon as the employer makes the decision that a plant closing will occur.

Sec. 5. [268A.03] [COLLECTIVE BARGAINING RIGHTS.]

A provision of a collective bargaining agreement that requires greater protection for an affected employee or places greater obligations upon an employer than that provided by sections 3 to 7 takes precedence over the requirements of sections 3 to 7.

Sec. 6. [268A.04] [SEVERANCE PAY.]

Subdivision 1. [SEVERANCE PAY.] Each employer owning or operating a facility engaged in a plant closing shall make a severance payment to an affected employee if the affected employee has been employed by the employer for three or more years. The payment may, at the option of the employer, be made before or at the termination of the affected employee. The severance payment must be equal to the gross weekly wage of the affected employee at the time of termination multiplied by the number of full and partial years for which the employee has been employed by the employer. For an affected employee whose gross weekly wage has been reduced within one year of a plant closing as a result of a reduction in the average weekly number of hours worked by the employee, the severance payment must be equal to the affected employee's gross weekly wage prior to the reduction in the average weekly number of hours worked multiplied by the number of full and partial years for which the employee has been employed by the employer.

Subd. 2. [OTHER PAYMENTS.] Vacation pay, accrued wages, and other types of payments made for any reason other than as compensation for termination of employment are not severance payments under subdivision 1.

Subd. 3. [HEALTH CARE COVERAGE.] Each employer commencing a plant closing who has a health insurance plan in place before or at the time of the plant closing shall continue to make the health insurance plan available to affected employees for a period of 12 months and shall notify affected employees of their rights under this section as provided in section 62A.17, subdivision 5. The employer shall continue the existing employer-paid health insurance coverage for an affected employee for at least 120 days; thereafter, the affected employee may elect to continue coverage at the employee's expense. The employer's obligation to pay for health care coverage under this subdivision is limited to the same portion of the premium which the employer paid prior to the termination of the affected employee. The employer's obligation under this subdivision ceases when an affected employee obtains coverage through new employment or receives equivalent coverage as a dependent. An affected employee may elect to be

excluded from coverage under this subdivision.

Sec. 7. [268A.05] [PRIORITY OF CLAIMS.]

A money claim on behalf of an affected employee against an employer engaged in a plant closing has priority over all other claims against an employer except wage claims.

Sec. 8. [268A.06] [ENFORCEMENT; DAMAGES.]

Subdivision 1. [EMPLOYEE CLAIMS.] An employee may bring a civil action in district court to recover damages, including attorney's fees, caused by a violation of sections 3 to 7. The remedy provided by this subdivision is in addition to any other available remedy.

Subd. 2. [ATTORNEY GENERAL.] The attorney general may bring an action in district court on behalf of the state for (1) injunctive relief to restrain any violation or threatened violation of sections 3 to 7, or (2) a civil penalty of up to \$25,000 for a violation of sections 3 to 7. Money recovered by the attorney general under this subdivision must be deposited in the general fund of the state treasury and is annually appropriated to the commissioner of the department of jobs and training to carry out the commissioner's duties under sections 3 to 7."

For the purposes

of applying sections 458C.01 to 458C.23, the authority has all the powers and duties of a city and the commissioners of the authority have all the powers and duties of a city council, except as otherwise provided in this act. The authority may exercise all of the powers of the economic development authority act, including those contained in section 458C.14, within or without an economic development district.

Subdivision 1. [PURPOSE; PROGRAM.] The legislature finds problems of declining population and depressed economic conditions exist in Koochiching county caused by the steady decline in jobs relating to farming and logging. These problems have impaired the value of private investments in the county and threaten sources of public revenue, causing underutilization of schools, other public facilities and land located in existing service corridors. It is found that these factors are injurious to the stability, health, safety and welfare of the residents of the county.

It is, therefore, in the public interest to establish a public program to encourage the homesteading of land serviced by existing public services and facilities, to encourage people with transferable livelihoods to establish residences within the county, to stabilize or increase the tax base, increase employment opportunities, alleviate problems of economic depression and declining population, and assure the stability of the community and the availability of governmental services and facilities.

It is hereby declared that the activities necessary to implement the public program to be known as the bidstead program, which activities cannot be accomplished by private enterprise alone, constitutes a public purpose.

Subd. 2. [PROGRAM.] The Koochiching bidstead program is a program to exchange parcels of land held by the authority, not to exceed 40 acres a parcel, for a commitment of a person or persons to build a home, sustain a livelihood, pay property taxes, and remain on the parcel for ten consecutive years. At the end of the ten-year period, a warranty deed shall be issued to the bidsteader upon the completion of specified covenants. The county will receive, in return, stabilization of the tax base, economic revitalization, and fuller utilization of existing services and infrastructure.

Sec. 3. [BIDSTEAD POWERS AND PROCEDURES.]

Subdivision 1. [MARKETING; CONVEYANCE.] The authority may advertise and market the bidstead program and convey and receive public lands from other political subdivisions.

Subd. 2. [GUIDELINES.] The authority shall promulgate guidelines for the bidstead program. The authority shall take into consideration such factors as highest and best use of the land, the number of jobs to be created, veteran status, and other factors in determining the allotment of land parcels.

Subd. 3. [ADVISORY COMMITTEE.] The commissioners of the authority may establish an advisory committee. The committee membership shall be geographically representative of the county. The committee shall advise the authority on the operation of the bidstead program.

“ARTICLE 1

TRANSPORTATION OF HAZARDOUS WASTE

Section 1. Minnesota Statutes 1986, section 221.011, subdivision 31, is amended to read:

Subd. 31. “Hazardous waste” has the meaning given it in Code of Federal Regulations, title 49, section 171.8. *In addition, hazardous waste means a substance identified or listed as a hazardous waste under a rule adopted under section 116.07, subdivision 4.*

Sec. 2. Minnesota Statutes 1986, section 221.033, is amended by adding a subdivision to read:

Subd. 1a. [TRANSPORTATION OF HAZARDOUS WASTE.] No person may transport or have transported within the state a hazardous waste except in compliance with sections 3 and 4.

Sec. 3. [221.035] [HAZARDOUS WASTE TRANSPORTER LICENSE.]

Subdivision 1. [LICENSE REQUIREMENT.] (a) A person who transports hazardous waste in this state shall first obtain a license from the commissioner.

(b) If the applicant complies with the requirements of this section, the commissioner shall issue the license and shall issue a vehicle identification decal for each single unit vehicle or trailer that the licensee will use to transport hazardous waste. The applicant shall pay a fee of \$500 for a three-year license and an annual fee of \$25 for each vehicle identification decal. The license must be maintained at the licensee's principal place of business. The name and address of the licensee must be displayed on both sides of each unit of the vehicle. The vehicle identification decal must be displayed on the single unit vehicle or trailer to which it is assigned, as prescribed by the commissioner. The decal is effective only when the license is effective. The license must be renewed in the third year following the date of the issuance of the license. The licensee must obtain new decals each year. The license may not be transferred to another person.

(c) An applicant for a license under this section, who is not otherwise subject to section 221.141, shall cause a certificate of insurance to be filed with the commissioner as provided in section 221.141. The certificate must state that the insurer has issued to the applicant a policy that by endorsement provides public liability insurance in the amount required by Code of Federal Regulations, title 49, part 387.

Subd. 2. [OPERATION REQUIREMENTS.] A vehicle operated under a license issued under this section must be operated in compliance with the

rules of the commissioner adopted under this chapter governing:

- (1) driver qualifications;
- (2) safety of operation;
- (3) equipment, parts, and accessories;
- (4) inspection, repair, and maintenance; and
- (5) maximum hours of service.

Subd. 3. [LICENSE SUSPENSION AND REVOCATION.] (a) The commissioner may after notice and opportunity for hearing under chapter 14 suspend or revoke a license and vehicle identification decals issued under this section if the commissioner determines that a licensee's actions constitute a serious or repeated violation of a statute or rule governing the transportation of hazardous waste. Factors to be considered by the commissioner in determining whether to suspend or revoke a license and decals include:

- (1) the danger of exposing the public to toxic or hazardous substances;
- (2) the condition of vehicles used by the licensee to transport hazardous waste;
- (3) the history of past violations, including the similarity of the most recent violation and the violation to be penalized, the time elapsed since the last violation, the number of previous violations, and the response of the person to the most recent violation identified; and
- (4) other factors the commissioner considers relevant.

(b) The commissioner shall revoke by order, without a hearing, the license and vehicle identification decals of a licensee who fails to renew a license or fails to maintain insurance as required by this section. Revocation under this paragraph shall continue until the licensee renews the license and provides the commissioner with proof of insurance required under this section.

Subd. 4. [RULEMAKING AUTHORITY.] The commissioner shall adopt rules to implement this section, including rules to require licensed transporters to report to the commissioner as the commissioner deems necessary, and rules for suspending and revoking licenses and decals.

Sec. 4. [221.036] [ADMINISTRATIVE PENALTIES.]

Subdivision 1. [AUTHORITY TO ISSUE PENALTY ORDERS.] The commissioner may issue an order requiring violations to be corrected and administratively assessing monetary penalties for a violation of section 3, of a material term or condition of a license issued under section 3, or of a rule or order of the commissioner relating to the transportation of hazardous waste. An order shall be issued as provided in this section.

Subd. 2. [ELECTION OF PENALTIES.] The commissioner shall not both assess an administrative penalty under this section and seek a criminal sanction under section 221.291, subdivision 3, for violations arising out of the same inspection or audit.

Subd. 3. [AMOUNT OF PENALTY; CONSIDERATIONS.] (a) The commissioner may issue an order assessing a penalty up to a maximum of \$10,000 for all violations identified during a single inspection or audit.

(b) In determining the amount of a penalty, the commissioner shall consider:

(1) the willfulness of the violation;

(2) the gravity of the violation, including damage to humans, animals, air, water, land, or other natural resources of the state;

(3) the history of past violations, including the similarity of the most recent violation and the violation to be penalized, the time elapsed since the last violation, the number of previous violations, and the response of the person to the most recent violation identified;

(4) the economic benefit gained by the person by allowing or committing the violation; and

(5) other factors as justice may require, if the commissioner specifically identifies the additional factors in the commissioner's order.

Subd. 4. [CONTENTS OF ORDER.] An order assessing an administrative penalty under this section shall include:

(1) a concise statement of the facts alleged to constitute a violation;

(2) a reference to the section of the statute, rule, order, or material term or condition of a license that has been violated;

(3) a statement of the amount of the administrative penalty to be imposed and the factors upon which the penalty is based; and

(4) a statement of the person's right to review of the order.

Subd. 5. [CORRECTIVE ORDER.] (a) The commissioner may issue an order assessing a penalty and requiring the violations cited in the order to be corrected within 30 calendar days from the date the order was received.

(b) The person to whom the order was issued shall provide information to the commissioner before the 31st day after the order was received demonstrating that the violation has been corrected or that appropriate steps toward correcting the violation have been taken. The commissioner shall determine whether the violation has been corrected and notify the person subject to the order of the commissioner's determination.

Subd. 6. [PENALTY.] (a) Except as provided in paragraph (b), if the commissioner determines that the violation has been corrected or appropriate steps have been taken to correct the action, the penalty must be forgiven. Unless the person requests review of the order under subdivision 7 or 8 before the penalty is due, the penalty in the order is due and payable:

(1) on the 31st day after the order was received, if the person subject to the order fails to provide information to the commissioner showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation; or

(2) on the 20th day after the receipt of a notice by the person subject to the order of the commissioner's determination under subdivision 5, paragraph (b), that information supplied to the commissioner is not sufficient to show that the violation has been corrected or that appropriate steps have been taken toward correcting the violation.

(b) For a repeated or serious violation, the commissioner may issue an order with a penalty that will not be forgiven after the corrective action is taken. The penalty is due by 30 days after the order was received unless review of the order under subdivision 7 or 8 has been sought.

(c) Interest at the rate established in section 549.09 begins to accrue on penalties on the date that the penalty is due and payable if no request for review is filed under subdivision 7 or 8.

Subd. 7. [EXPEDITED ADMINISTRATIVE HEARING.] (a) Within 30 days after the date on which an order was received, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the person subject to an order under this section may request an expedited hearing. The person to whom the order is directed and the commissioner are the parties to the expedited hearing. The commissioner must notify the person to whom the order is directed of the time and place of the hearing at least 20 days before the hearing. The expedited hearing must be held within 30 days after a request for hearing has been filed with the commissioner unless the parties agree to a later date.

(b) The hearing will be limited to not more than six hours of hearing time, exclusive of any prehearing, unless the administrative law judge determines that circumstances require a longer hearing. All written arguments must be submitted within ten days following the close of the hearing. The hearing shall be conducted under the conference contested case rules of the office of administrative hearings, as modified by this subdivision. The office of administrative hearings may, in consultation with the department, adopt rules specifically applicable to cases under this section.

(c) The administrative law judge shall issue a report making recommendations to the commissioner within 30 days following the close of the record. The administrative law judge may not recommend a change in the amount of the proposed penalty unless the administrative law judge determines that, based on the factors in subdivision 3, the commissioner has committed an abuse of discretion in setting the amount of the penalty.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to the amount of the penalty the costs charged to the department by the office of administrative hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. The person subject to the order may, within those five days, comment to the commissioner on the recommendations and the commissioner shall consider the comments. The final order may be appealed in the manner provided in sections 14.63 to 14.69.

(f) If a hearing has been held and a final order issued by the commissioner, the penalty shall be paid by the 15th day after the final order was mailed, together with interest accruing at the rate established in section 549.09 from 31 days after the original order was received.

Subd. 8. [DISTRICT COURT HEARING.] Within 30 days after the receipt of an order, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or

appropriate steps have not been taken, the person subject to an order under this section may file a petition in district court for review of the order. The petition shall be filed with the court administrator with proof of service on the commissioner. The petition shall be captioned in the name of the person making the petition as petitioner and the commissioner as respondent. The petition shall state with specificity the grounds upon which the petitioner seeks rescission of the order, including the facts upon which each claim is based.

Subd. 9. [ELECTION OF REMEDIES.] A person subject to a corrective order under this section may not seek review of the order under both subdivisions 7 and 8.

Subd. 10. [ENFORCEMENT.] (a) The attorney general may proceed on behalf of the state to enforce penalties that are due and payable under this section in any manner provided by law for the collection of debts.

(b) The attorney general may petition the district court to file the administrative order as an order of the court. At any court hearing, the only issues parties may contest are procedural and notice issues. Once entered, the administrative order may be enforced in the same manner as a final judgment of the district court.

(c) If a person fails to pay the penalty, the attorney general may bring a civil action in district court seeking payment of the penalties, injunctive, or other appropriate relief including monetary damages, attorney fees, costs, and interest.

Subd. 11. [REVOCAION AND SUSPENSION OF PERMIT.] If a person does not pay a penalty due and payable under this section, the department may revoke or refuse to reissue or renew a license and decals issued by the department under section 3.

Subd. 12. [CUMULATIVE REMEDY.] The authority of the department to issue a corrective order assessing penalties is in addition to other remedies available under statutory or common law. Except as provided in subdivision 2, the payment of a penalty does not preclude the use of other enforcement provisions in connection with the violation for which the penalty was assessed.

Subd. 13. [TRUNK HIGHWAY FUND.] Penalties collected under this section must be deposited in the state treasury and credited to the trunk highway fund.

Sec. 5. Minnesota Statutes 1986, section 221.291, subdivision 3, is amended to read:

Subd. 3. [TRANSPORTATION OF HAZARDOUS MATERIALS.] A person who ships, transports, or offers for transportation hazardous waste ~~or~~ hazardous material *or hazardous substances* in violation of a provision of this chapter or a rule or order of the commissioner or board adopted or issued under this chapter which specifically applies to the transportation of hazardous material ~~or~~ hazardous waste *or hazardous substances* is guilty of a misdemeanor and upon conviction may be fined up to the maximum fine which may be imposed for a misdemeanor for each violation.

The Honorable Fred C. Norton
Speaker of the House of Representatives

The Honorable Jerome M. Hughes
President of the Senate

We, the undersigned conferees for H.F. No. 1, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 1 be further amended as follows:

Delete everything after the enacting clause and insert:

“FARM OPERATING LOAN INTEREST BUY-DOWN PROGRAM.

Section 1. [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 1 to 7 and 10. The definitions in this section also apply to sections 8 and 9 unless a different definition is provided in section 8.

Subd. 2. [APPROVED ADULT FARM MANAGEMENT PROGRAM.] “Approved adult farm management program” means a farm management training program designed for persons currently engaged in farming that

has been approved by the commissioner under section 4, subdivision 3.

Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of commerce.

Subd. 4. [COMMISSIONER'S INTEREST INDEX.] "Commissioner's interest index" means an interest rate that is 3.3 percent above the current lending rate of the Federal Intermediate Credit Bank to production credit associations as certified each month by the commissioner.

Subd. 5. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer who applies to a lender for a farm operating loan and meets all qualifications established in section 2 and any further qualifications that may be established in the guidelines adopted by the commissioner under section 4, subdivision 1.

An eligible borrower must complete a loan application with a participating lender between January 1, 1987, and December 31, 1987.

Subd. 6. [FARM OPERATING LOAN.] "Farm operating loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender for the purpose of financing the operations of a farm. A farm operating loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm operating loan eligible for interest rate buy-down must have a maturity date of June 30, 1988, or earlier.

Subd. 7. [FARMER.] "Farmer" means a state resident or a domestic family farm corporation as defined in Minnesota Statutes, section 500.24, subdivision 2, operating a farm within the state.

Subd. 8. [INTEREST RATE BUY-DOWN.] "Interest rate buy-down" means a reduction in the effective interest rate on a farm operating loan to an eligible borrower due to partial payment of interest costs by the commissioner and partial reduction of interest costs by the participating lender.

Subd. 9. [LENDER.] "Lender" means a bank, a credit union, or a savings and loan association chartered by the state or federal government, a unit of the farm credit system, the Federal Deposit Insurance Corporation, or another financial institution approved by the commissioner.

Subd. 10. [PARTICIPATING LENDER.] "Participating lender" means a lender who has been granted participating lender status by the commissioner.

Sec. 2. [FARMER ELIGIBILITY.]

Subdivision 1. [DEBT-TO-ASSET RATIO.] Only a farmer with a debt-to-asset ratio exceeding 50 percent at the time of application for a farm operating loan is an eligible borrower for purposes of interest rate buy-down. The debt-to-asset ratio of a farmer must be determined by the lender. A debt-to-asset ratio determined by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Subd. 2. [ASSESSMENT OF CONTINUED VIABILITY.] Only a farmer determined by the lender to have a reasonable opportunity for long-term financial viability in the farmer's current farm operation is an eligible borrower. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Subd. 3. [ENROLLMENT IN ADULT FARM MANAGEMENT PRO-

GRAM.] *To be an eligible borrower, a farmer shall agree to enroll in an approved adult farm management program if enrollment is required by the lender and an approved program is offered not more than 50 miles from the farmer's residence. The approved adult farm management program must bill the lender for one-half of the course tuition.*

Sec. 3. [LENDER ELIGIBILITY; OBLIGATIONS.]

Subdivision 1. [ELIGIBLE PARTICIPATING LENDER STATUS.] A lender who meets the requirements established by the commissioner must be certified as a participating lender.

Subd. 2. [PARTIAL PAYMENT FOR ADULT FARM MANAGEMENT TRAINING.] A participating lender shall require an eligible borrower to enroll in an approved adult farm management program and agree to pay one-half of the enrollment and tuition costs of the program for an eligible borrower approved by the commissioner for interest rate buy-down unless the participating lender determines an approved adult farm management program would not benefit the borrower. A participating lender is not required to assist with enrollment or tuition costs for a period longer than the term of the farm operating loan, and a lender is not required to assist with the enrollment and tuition costs for more than one individual for each farm operating loan.

If a participating lender determines that enrollment in an adult farm management program would not benefit the borrower or an approved adult farm management program is not located within 50 miles from the debtor's residence, the lender shall explain the reasons to the borrower in writing and indicate the determination on the application for Program A or Program B.

Subd. 3. [RECEIPT OF APPLICATIONS FOR INTEREST RATE BUY-DOWN.] (a) A participating lender shall receive and evaluate loan applications from a farmer:

(1) who has transacted farm-related borrowing with a lender within the previous three years;

(2) who has not previously established farm-related borrowing; or

(3) whose previous lender is no longer in the business of making farm-related loans.

(b) In determining whether to make a farm operating loan to a farmer, the participating lender may use criteria in addition to those in section 2.

Subd. 4. [MAXIMUM INTEREST RATE.] To qualify for interest rate buy-down payments, a participating lender shall offer to make a farm operating loan to an eligible borrower at a rate of interest equivalent to that offered to other farmers having similar security and financial status, but the interest rate may not exceed the current commissioner's interest index. The commissioner may use appropriate means to verify that the operating loan interest rate available to an eligible borrower is substantially the same as that available to other borrowers.

Sec. 4. [RESPONSIBILITIES OF THE COMMISSIONER.]

Subdivision 1. [ADOPTION OF PROGRAM GUIDELINES.] Within 30 days after the effective date of sections 1 to 9, the commissioner shall adopt and make available to the public guidelines for Programs A and B.

The commissioner shall adopt guidelines for Program B, coordinate Program B with the Federal Operating Loan Program, and make the benefits of Program B additive to the Federal Operating Loan Program. Adoption of the program guidelines is not subject to Minnesota Statutes, chapter 14.

Subd. 2. [PREPARATION AND DISTRIBUTION OF LENDER PARTICIPATION FORMS.] The commissioner shall prepare and distribute forms and instructions for Programs A and B to all lenders in the state.

Subd. 3. [APPROVAL OF ADULT FARM MANAGEMENT PROGRAMS.] The commissioner, in consultation with the commissioner of agriculture, shall prepare a list of adult farm management training programs approved for eligible borrowers and distribute the list to all participating lenders.

Subd. 4. [APPROVAL OF APPLICATIONS FOR BUY-DOWN PAYMENT.] (a) The commissioner shall review within five working days of submission by a participating lender a properly completed application for interest rate buy-down payments on a farm operating loan made to a farmer. If a qualified lender does not receive written notice that the commissioner has denied interest rate buy-down payments within seven working days, the farmer is an eligible borrower and interest rate buy-down payments on the farm operating loan are approved by the commissioner.

(b) The commissioner shall not approve concurrent participation of an eligible borrower under both Program A and Program B.

(c) All applications received by the commissioner after appropriated interest rate buy-down program funds for Program A or Program B have been encumbered must be returned immediately to the lender with an explanation that interest buy-down payments are denied due to prior commitment of available program funds.

(d) For an application for Program B, the commissioner shall send the lender a preliminary commitment for the interest payment within ten days after receiving the Program B application. The preliminary commitment may be used by the lender to qualify for the Federal Operating Loan Program. A preliminary commitment is for the 1987 and 1988 crop years. The commitment for the 1988 crop year is dependent on approval of the lender's and borrower's application to the Federal Operating Loan Program for at least crop years 1987 and 1988.

Subd. 5. [BUY-DOWN PAYMENTS TO PARTICIPATING LENDERS.] The commissioner shall pay one-half of the expected interest rate buy-down amount when requested by the participating lender, but not more than 60 days after the loan was approved by the commissioner, and the balance within 30 days after the loan matures. All interest buy-down payments under this act must be made by joint-payee checks in the name of the participating lender and the eligible borrower.

If a participating lender obtains a conditional commitment for guarantee or contract for guarantee from the FmHA, the commissioner shall make the state Program B interest buy-down payment as necessary to accommodate the FmHA commitment or contract.

Sec. 5. [PROGRAM A; STATE-LENDER INTEREST RATE BUY-DOWN.]

Subdivision 1. [APPLICATION.] To be eligible for state interest rate buy-down payments under Program A, a participating lender must submit to the commissioner a properly completed application form for each eligible farm operating loan.

Sec. 6. [STATE CONTRIBUTION TO INTEREST BUY-DOWN; PROGRAM A.]

As provided in section 4, subdivision 7, the commissioner shall pay under Program A to a participating lender for the first \$60,000 of an approved farm operating loan made to an eligible borrower an amount equal to an annual rate of 2.8 percent interest on the loan, but the payment may not exceed \$2,520 per farm operating loan.

Sec. 7. [LENDER CONTRIBUTION TO INTEREST BUY-DOWN; PROGRAM A.]

A participating lender shall provide a reduction in interest rate for the first \$60,000 of an approved farm operating loan made to an eligible borrower in an amount equal to an annual rate of at least 1.7 percent interest on the loan.

PROGRAM B; STATE LENDER-FmHA INTEREST RATE BUY-DOWN

Sec. 8. [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 8 and 9.

Subd. 2. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer who applies to a lender for a farm operating loan between the dates January 1, 1987, and December 31, 1988, and who meets all qualifications established in section 2 and any further qualifications that may be established in the program guidelines adopted by the commissioner under section 4, subdivision 1.

Subd. 3. [FARM OPERATING LOAN.] "Farm operating loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender to finance the operations of a farm for one operating season. A farm operating loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm operating loan eligible for interest rate buy-down must have a maturity date of June 30, 1989, or earlier.

Subd. 4. [FEDERAL OPERATING LOAN PROGRAM.] "Federal Operating Loan Program" means the Guaranteed Operating Loan Program together with the Interest Rate Buy-Down Program administered by the FmHA as described in Code of Federal Regulations, title 7, section 1980, subpart B.

Subd. 5. [FmHA.] "FmHA" means the Farmers Home Administration of the United States Department of Agriculture.

Subd. 6. [FmHA BUY-DOWN AGREEMENT.] "FmHA Buy-Down Agreement" means Form FmHA 1980-58 or a replacement of that form, which is an agreement between a lending institution, a farmer, and the FmHA under which the FmHA agrees to give the lending institution an interest buy-down grant in partial reimbursement of a write-down by the lending institution of the interest rate on the farmer's operating loan under the Federal Operating Loan Program.

Sec. 9. [STATE-LENDER-FmHA INTEREST RATE BUY-DOWN.]

Subdivision 1. [APPLICATION.] To be eligible for Program B, a participating lender shall submit an application for Program B to the commissioner and an application to FmHA under subdivision 2. The lender may indicate on the application for Program B that the lender and borrower will apply to the FmHA Federal Operating Loan Program for more than one year and would desire a commitment for Program B for more than one crop year, ending December 31, 1988.

Subd. 2. [APPLICATION TO FmHA.] (a) The lender and an eligible borrower shall apply to FmHA for a guarantee of the proposed farm operating loan under the Federal Operating Loan Program.

(b) If the application is approved, the lender shall submit a copy of the FmHA buy-down agreement to the commissioner. Upon receipt of the FmHA buy-down agreement, the commissioner shall pay the lender \$50 for preparation costs. If the loan preparation was done by a person or entity not otherwise compensated by the lender for preparing the loan application, the lender shall remit the \$50 to the person or entity actually preparing the loan application. If the application is denied, the lender shall submit a copy of the denial to the commissioner. If the application is denied, the commissioner shall consider the Program B application as an application for Program A and make interest buy-down payments to the lender and eligible borrower as if the application were originally submitted for Program A, unless the lender has indicated that the loan is not to be considered under Program A.

Subd. 3. [STATE CONTRIBUTION TO PROGRAM B INTEREST BUY-DOWN.] Under Program B, the commissioner shall pay to a participating lender interest at a rate of 2.8 percent per year for the first \$60,000 of a farm operating loan made to an eligible borrower during the term of the loan, if the loan is approved under the Federal Operating Loan Program. The payment to a participating lender may not exceed \$2,520 per eligible borrower per calendar year, exclusive of the loan preparation fee.

Subd. 4. [LENDER CONTRIBUTION TO PROGRAM B INTEREST BUY-DOWN.] A participating lender shall reduce the interest charged to an eligible borrower on a farm operating loan so that the reduction in interest rate provided by the lender and the FmHA together is at least 1.7 percent per year for the first \$60,000 of the loan.

Sec. 10. [APPROPRIATION.]

Subdivision 1. [APPROPRIATION.] \$17,000,000 is appropriated from the general fund for fiscal year 1987 to the commissioner of commerce for the interest rate buy-down program. The appropriation is available for the fiscal year ending June 30 in the years indicated to pay amounts due under approved applications received during that calendar year. Any unencumbered balance remaining in a fiscal year must not be canceled and remains available to pay amounts due under approved applications received during the rest of that calendar year. The appropriation for Program B is available until June 30, 1989, to pay amounts due under approved applications received during calendar year 1987 or 1988.

Subd. 3. [SPILLOVER.] If, at any time more than 180 days after the effective date of this act, the appropriation for either Program A or Program B for calendar year 1987 is insufficient, the appropriation for the other program is available for it. Any unencumbered balance remaining at the end of a calendar year must not be canceled but must be added to the appropriations for Program B in the next calendar year.

Subd. 4. [OTHER APPROPRIATIONS ADDED.] Any unencumbered balance from the interest buy-down program under Laws 1986, chapter 398, article 29, section 1, subdivision 3, or from any appropriation added to it, remaining on August 1, 1987, must not be canceled but must be transferred and added equally to the appropriations for Program A and Program B that are available for the rest of calendar year 1987.

This appropriation is added to the appropriation in Laws 1986, chapter 398, article 29, section 1, subdivision 3. Payment from the commissioner must be made by joint-payee check in the name of the participating lender and the borrower.

Sec. 11. Laws 1986, chapter 398, article 23, section 4, is amended by adding a subdivision to read:

Subd. 7. [COMMISSIONER'S DISCRETION FOR CERTAIN BORROWERS.] Notwithstanding section 1, subdivision 5, the commissioner may consider a farmer an eligible borrower if the farmer applies to the lender before January 1, 1986, and complies with the remaining provisions of this article.
