Mr. Spear from the Committee on Judiciary, to which was re-referred S.F. No. 2266: A bill for an act relating to child abuse; authorizing counties to establish pilot programs; allowing the appointment of a children's

intermediary in certain criminal child abuse proceedings; prescribing powers and duties of the intermediary; proposing coding for new law in Minnesota Statutes, chapter 631.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [APPOINTMENT OF CHILD INTERMEDIARY IN CERTAIN CHILD ABUSE CASES; PILOT PROGRAM.]

Subdivision 1. [DEFINITIONS.] The definitions in this subdivision apply to this section.

(a) *"Criminal sexual conduct" means conduct defined as criminal by Minnesota Statutes, sections 609.342, 609.343, 609.344, and 609.345.*

(b) *"Significant relationship" means a relationship as defined by Minnesota Statutes, section 609.341, subdivision 15.*

(c) *"Child" means a person under the age of 18 who is the alleged victim of criminal sexual conduct perpetrated by an adult who has a significant relationship with the child victim.*

Subd. 2. [ESTABLISHMENT OF PILOT PROGRAM.] Until July 1, 1989, a county board may establish a three-year pilot project authorizing the appointment of a child intermediary under this section and setting forth criteria for selecting and training the intermediary and monitoring the program. The intermediaries may be paid or may be volunteers, but shall function independently of the county human services agency, the county attorney's office, local law enforcement agencies, and the public defender's office.

By January 1, 1991, a county participating in the program must report to the legislature the interim results of its pilot program. The county must submit a final report of the results of the program to the legislature by January 1, 1993.

Subd. 3. [APPOINTMENT BY COURT.] In a county with a pilot program established under subdivision 2, a child intermediary shall be appointed by the district court at the time a criminal charge is filed alleging criminal sexual conduct against a child by an adult who has a significant relationship with that child. In making the appointment, the court shall consider the person's background in and familiarity with the judicial process, social service programs, and child sexual abuse. If a guardian ad litem or other representative has been appointed to represent the child in concurrent judicial proceedings, the district court shall appoint the same individual to be the child intermediary if possible and if qualifications are met. The court must not appoint as a child intermediary a person who is likely to be a witness in any proceeding associated with the alleged criminal sexual conduct.

Subd. 4. [DUTIES.] A child intermediary's duties include the following:

(1) *protecting the child from unnecessary further trauma by marshalling and coordinating the delivery of available resources and special services to the child and the child's family;*

(2) *advising the court as to the child's special needs with regard to pretrial interviews, deposition or trial testimony, and the expediting of*

proceedings, and with respect to the child's ability to understand the process;

(3) advising the prosecuting attorney as to a child's ability to cooperate with the prosecution, and the potential effects of the proceedings on the child; and

(4) guaranteeing that the rights established for victims in Minnesota Statutes, section 611A.037 are extended to the child or to the child intermediary on the child's behalf.

Subd. 5. [POWERS.] A child intermediary has the power to:

(1) gain access to all reports, evaluations, and records necessary to perform the intermediary's functions; and

(2) make motions or objections to motions and petition the court for the appointment of an attorney for the intermediary if necessary to adequately protect the best interests of the child.

The intermediary may not introduce evidence or examine or cross-examine witnesses in the presence of the jury.

Subd. 6. [WITNESS PRIVILEGE.] Notwithstanding Minnesota Statutes, section 595.02, subdivision 1, child intermediaries appointed in criminal sexual conduct cases under this section may not be compelled to testify in any court action or proceeding about any opinion or information received from or about the child victim in the course of serving as an intermediary."

This requirement does not apply to rental motor vehicles, as defined in subdivision 10. An impoundment order must be issued under this subdivision when the driver appears in court on a criminal charge or civil driver's license matter arising out of the incident resulting in the most recent license revocation, whichever hearing occurs first. If no criminal charge or civil license matter is initiated in court, the attorney general may request an impoundment order under this subdivision in municipal or county court, or the unified district court in the jurisdiction where the violation of section 169.121 or 169.123 occurred.

In determining whether to issue an impoundment order, the court may rely on the following:

Subd. 4a. [ADMINISTRATIVE REVIEW.] At any time during the effective period of an impoundment order, a person may request in writing a review of the impoundment order by the commissioner of public safety. Upon receiving a request the commissioner or the commissioner's designee shall review the order, the evidence upon which the order was based, and any other material information brought to the attention of the commissioner, and determine whether sufficient cause exists to sustain the order. The commissioner shall report in writing the results of the review within 15 days of receiving the request. The review provided in this subdivision is not subject to the contested case provisions of the administrative procedure act in sections 14.01 to 14.70. As a result of this review, the commissioner may authorize the issuance at no cost of new registration plates and a registration certificate to the owner of the vehicle if the owner's driver's license or driving privileges were not revoked under section 169.121 or 169.123 and the owner was not a passenger in the vehicle at the time of the violation.

Review under this subdivision shall take place, if possible, at the same time as any administrative review of the person's license revocation under section 169.123, subdivision 5b.

Subd. 5. At the time of ordering the surrender of the registration plates and registration certificates of a violator or owner, the court shall notify the registrar of motor vehicles of that fact. Except as provided in subdivision 6 or subdivision 7, no new or duplicate registration plates or new registration certificates shall be issued to such violator or owner until the surrendered plates and certificates are returned to the violator or owner by the court. If the driver's license revocation that is the basis for an impoundment order is rescinded, the registrar of motor vehicles shall issue new registration plates and a registration certificate for the vehicle at no cost, when the registrar receives an application that includes a copy of the order rescinding the driver's license revocation.

Subd. 6. - (3) an evaluation of the program by consumers of the program; and
- (4) observation of the program in operation.

For the purposes of this subdivision, "consumer" means a person who receives the services of a licensed program, the person's legal guardian, or the parent or individual having legal custody of a child who receives the

services of a licensed program.

(b) The evaluation required in paragraph (a), clause (3) or the observation in paragraph (a), clause (4) is not required prior to issuing a provisional license under subdivision 7. If the commissioner issues a provisional license under subdivision 7, these requirements must be completed within one year after the issuance of a provisional license. The observation in paragraph (a), clause (4) is not required if the commissioner determines that the observation would hinder the persons receiving services in benefiting from the program.

(c) The licensing authority must make one unannounced inspection of day care facilities licensed under chapter 245A each year they are licensed. If a violation is found during inspection or a complaint is filed against the operator, a second unannounced inspection may be made.

Sec. 4. Minnesota Statutes 1987 Supplement, section 245A.09, is amended by adding a subdivision to read:

Subd. 8. [ACCREDITATION OF DAY CARE PROGRAMS.] The commissioner shall encourage day care providers to participate in a nationally recognized accreditation system for early childhood programs. The commissioner shall allow a credit toward the license fees of licensed day care operators who obtain accreditation in an amount equal to the cost of the accreditation validation fee.

Sec. 5. [245A.17] [OFFICE OF CHILD CARE PROVIDERS ASSISTANCE.]

Subdivision 1. [CREATION.] An office of child care providers assistance is created within the department of human services.

Subd. 2. [DUTIES; REPORT.] The office shall provide and advertise the existence of a toll-free telephone number that child care service providers may use to contact the office. The commissioner shall, by the toll-free number, give to child care service providers free technical assistance in understanding licensing rules, information concerning the operation of child care services as a business, information on the training of providers, and accept suggestions and criticism concerning licensing, funding, training, or related issues.

The staff of the office shall present an annual report to the legislature on its duties, services, and the complaints received.

Sec. 6. Minnesota Statutes 1987 Supplement, section 256.01, subdivision 2, is amended to read:

Subd. 2. [SPECIFIC POWERS.] Subject to the provisions of section 241.021, subdivision 2, the commissioner of human services shall:

(1) Administer and supervise all forms of public assistance provided for by state law and other welfare activities or services as are vested in the commissioner.

(2) Administer and supervise all child welfare activities; promote the enforcement of laws protecting handicapped, dependent, neglected and delinquent children, and children born to mothers who were not married to the children's fathers at the times of the conception nor at the births of the children; license and supervise child-caring and child-placing agencies and institutions; supervise the care of children in boarding and foster homes or in private institutions; and generally perform all functions relating to

the field of child welfare now vested in the state board of control.

(3) Administer and supervise all noninstitutional service to handicapped persons, including those who are visually impaired, hearing impaired, or physically impaired or otherwise handicapped. The commissioner may provide and contract for the care and treatment of qualified indigent children in facilities other than those located and available at state hospitals when it is not feasible to provide the service in state hospitals.

(4) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(5) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expenditures for medical care to recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

(6) Establish and maintain any administrative units reasonably necessary for the performance of administrative functions common to all divisions of the department.

(7) Administer and supervise any additional welfare activities and services as are vested by law in the department.

(8) The commissioner is designated as guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded.

(9) Act as coordinating referral and informational center on requests for service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or statewide schedules of maximum fees and charges which may be paid by local agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed four years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall

become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to statewide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(13) In accordance with federal requirements establish procedures to be followed by local welfare boards in creating citizen advisory committees, including procedures for selection of committee members.

(14) Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs. For the medical assistance and AFDC programs, disallowances shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for the AFDC and medical assistance programs. For the food stamp program, sanctions shall be shared by each county board, with 50 percent of the sanction being distributed to each county in the same proportion as that county's administrative costs for food stamps are to the total of all food stamp administrative costs for all counties, and 50 percent of the sanctions being distributed to each county in the same proportion as that county's value of food stamp benefits issued are to the total of all benefits issued for all counties. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. All money in the account is appropriated to the commissioner for the purposes of this paragraph.

(16) Have the authority to make direct payments to facilities providing shelter to women and their children pursuant to section 256D.05, subdivision 3. Upon the written request of a shelter facility that has been denied payments under section 256.05, subdivision 3, the commissioner shall review all relevant evidence and make a determination within 30 days of the request for review regarding issuance of direct payments to the shelter facility. Failure to act within 30 days shall be considered a determination not to issue direct payments.

(17) *Distribute grants to counties to be used to reduce the backlog in day care licensing applications.*

Sec. 7. [RULES.]

The commissioner of human services may adopt emergency rules and shall adopt permanent rules to implement grants to counties under Minnesota Statutes, section 256.01, subdivision 2, paragraph (17), to be used to reduce the backlog in day care licensing applications.

Sec. 8. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 4, is amended to read:

Subd. 4. [FINANCIAL ELIGIBILITY.] (a) Child care services must be available to families who need child care to find or keep employment or to obtain the training or education necessary to find employment and who:

(1) receive aid to families with dependent children;

(2) have household income below ~~the eligibility levels for aid to families with dependent children~~ 125 percent of the federal poverty level or who meet the requirements of paragraph (b), clause (2); or

(3) have household income within ~~a~~ the range established by the ~~commissioner~~ in paragraph (c).

(b) Child care services for the families receiving aid to families with dependent children must be made available as in-kind services, to cover any difference between the actual cost and the amount disregarded under the aid to families with dependent children program. Child care services to the following families must be made available without cost to the families:

(1) families whose incomes are below the ~~threshold of eligibility for aid to families with dependent children~~ 125 percent of the federal poverty level, but that are not receiving aid to families with dependent children; ~~must be made available without cost to the families; and~~

(2) families headed by a parent under age 21 who is completing requirements for a high school diploma or equivalency degree whose family income is less than 270 percent of the federal poverty level without regard to the income of the parents or siblings of the minor parent.

(c) Child care services to families with incomes in the ~~commissioner's established range between 125 percent and 270 percent of the federal poverty level, except families described in paragraph (b), clause (2),~~ must be made available on a sliding fee basis. ~~The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.~~

(d) If a disproportionate amount of the available money is provided to

any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all eligible groups, it may prioritize among the groups to be served. Counties shall assure that a person receiving child care assistance from the sliding fee program prior to July 1, 1987, continues to receive assistance, providing the person meets all other eligibility criteria. Set-aside money must be prioritized by the state, and counties do not have discretion over the use of this money.

Sec. 9. Minnesota Statutes 1986, section 268.91, is amended by adding a subdivision to read:

Subd. 13. [RULES.] The commissioner of human services shall adopt permanent rules to implement the sliding fee scale program in subdivision 4.

Sec. 10. Minnesota Statutes 1986, section 290.06, is amended by adding a subdivision to read:

Subd. 22. [CONTINUING EDUCATION FOR DAY CARE PROVIDERS.] A credit may be taken against the tax due under this chapter equal to 50 percent of the cost incurred by a taxpayer for tuition and required fees, books, and supplies for a course of study to improve skills as a day care operator. The credit provided in this subdivision is available to an employee of a child day care or residential facility that is licensed under chapter 245A or to an owner or operator of a facility who pays for courses taken by persons employed at the facility. The credit is available for classes in subject areas approved by the commissioner of human services in agency rules. To be certified, a course must provide information or training that is directly related to knowledge and skills necessary to provide day care services.

Sec. 11. Minnesota Statutes 1986, section 290.06, is amended by adding a subdivision to read:

Subd. 23. [EMPLOYERS' DAY CARE FACILITIES.] A taxpayer may take a credit against the tax due under this chapter equal to 50 percent of amounts paid by the taxpayer for qualified employer day care facility costs during the first taxable year. The credit shall be reduced in the following tax years to 40 percent in the second year; 30 percent in the third year; 20 percent in the fourth year; and 10 percent in the fifth year. For purposes of this subdivision, "qualified employer day care facility costs" means the following expenditures made in connection with an employer-provided day care facility:

- (1) the cost of construction, renovation, or remodeling of the facility;*
- (2) the cost of furniture, equipment, materials, and supplies used to provide day care services at the facility; and*
- (3) amounts expended for salaries paid and benefits provided to employees whose primary function is providing day care services at the facility.*

For purposes of this subdivision, "employer-provided day care facility" means a child day care facility that:

- (1) is licensed under chapter 245A;*
- (2) is located either at the site of the employer's business operation or within two miles of that site; and*

(3) is owned by the employer or receives over 75 percent of its annual gross revenues as payments from the employer. A taxpayer may take the credit provided under this subdivision for no more than five taxable years.

Sec. 12. Minnesota Statutes 1986, section 290.06, is amended by adding a subdivision to read:

Subd. 24. [EMPLOYER'S DAY CARE SUBSIDY.] A taxpayer may take a credit against the tax due under this chapter equal to 50 percent of amounts paid by the taxpayer for direct subsidy of individual employees' costs for day care at a home or facility licensed under chapter 245A during the taxable year. The credit shall be reduced in the following tax years to 40 percent in the second year; 30 percent in the third year; 20 percent in the fourth year; and 10 percent in the fifth year. A taxpayer may take a credit under this subdivision for no more than five taxable years.

Sec. 13. Minnesota Statutes 1986, section 297A.25, is amended by adding a subdivision to read:

Subd. 37. [DAY CARE CENTER MATERIALS AND EQUIPMENT.] (a) The gross receipts from the sale or use of all materials and supplies or equipment used or consumed in constructing or incorporated into the construction of a child day care facility licensed under chapter 245A, are exempt, as are other educational facilities. In the case of a day care facility that is located in a private residence, the exemption shall apply to materials, supplies, and equipment purchased for construction of improvements to the residence that are required to meet the state day care facility licensing standards and are used exclusively for the purpose of providing day care services.

(b) The gross receipts from the sale or use of all materials or supplies used or consumed in the process of providing child day care services licensed under chapter 245A are exempt.

Sec. 14. [STUDY OF FUNDING SOURCES.]

The commissioner of human services, in conjunction with the council on children, youth, and families, shall study the existing public and private funding sources for child care services licensed under Minnesota Statutes, chapter 245A, including the AFDC special needs program, the sliding fee child care program, the maternal and child nutrition program, county funding, Title XX funding, and private foundation, corporate, community social services act, or nonprofit funding to child care services providers and parents.

The study shall determine if:

(1) individual funding sources meet existing needs and at what level each source is funded;

(2) the need for subsidized child care services for low-income parents is being met;

(3) present funding mechanisms are efficient or can be made more efficient;

(4) there are alternative or better ways to encourage private funding for child care services;

(5) the funding level has an impact on availability of day care facilities; and

(6) day care reimbursement rates are meeting actual costs for quality

child care.

The commissioner shall report the results of the study, together with any proposed legislation to implement study recommendations, to the legislature by January 1, 1989.

Sec. 15. [APPROPRIATIONS; EFFECT ON REVENUE AND COLLECTIONS.]

Subdivision 1. [APPROPRIATIONS.] (a) \$100,000 is appropriated from the general fund to the commissioner of human services to provide grants to counties under sections 6 and 7 to reduce the backlog of day care licensing applications, to be available until June 30, 1989.

(b) \$689,018 is the annual decrease in income tax revenues that is projected to result from the day care continuing education tax credit established in section 10.

(c) The income tax credits established in section 11, for employer-operated day care facilities, and section 12, for employee day care subsidies, are not projected to result in a decrease in income tax revenues.

(d) \$308,940 is the annual decrease in sales tax revenues that is projected to result from the exemptions established in section 13 for day care materials, supplies, and equipment.

Sec. 16. [EFFECTIVE DATE.]

Sections 1, 2, 3, and 14 are effective August 1, 1988. Sections 4, 5, 6, 7, 9, and 15 are effective July 1, 1988. Section 8 is effective January 1, 1989. Sections 10, 11, 12, and 13 are effective the day following final enactment."

"ARTICLE 2

GROUNDWATER PROTECTION

Section 1. Minnesota Statutes 1986, section 40.036, is amended by adding a subdivision to read:

Subd. 1a. [ABANDONED WELLS.] (a) The state board shall provide cost-sharing funds for sealing abandoned wells and properly abandoning wells that are not subject to the abandonment requirements under article 1 and sections 14 and 15. The cost share contracts must be based on a 75 percent state cost-share for the project.

(b) The abandonment project must be implemented under procedures adopted by the state board that protect groundwater from further contamination from the well. The district board must certify the location of the wells that have been properly sealed with cost-share funds and forward the certification to the state board.

(c) The owner of a well that has been certified as being properly sealed is not liable for contamination of groundwater from the well after the well has been sealed.

Sec. 2. [40.0371] [COST-SHARING CONTRACTS TO SEAL ABANDONED WELLS.]

The board shall establish a program to share the cost of projects to identify and permanently seal abandoned wells. The abandoned wells projects must protect groundwater from pollution. The wells must be abandoned and sealed under article 1 and sections 14 and 15.

Sec. 3. [40.0372] [STATEWIDE ASSESSMENT.]

The board shall assess geographical areas for a potential for groundwater pollution caused by abandoned wells. The assessment must include notice of the program and assessment that is published in newspapers of general circulation and opportunities for persons to report abandoned wells to the district board. Districts having staff trained in groundwater resources must assess areas within their districts, in cooperation with the board. The board shall provide financial and technical assistance to districts for projects that have been assessed as areas with a high potential for groundwater pollution caused by abandoned wells.

Sec. 4. [40.0373] [FINANCIAL AND TECHNICAL ASSISTANCE.]

Subdivision 1. [FINANCIAL ASSISTANCE.] (a) The board must allocate at least 70 percent of available well abandonment cost-sharing funds to districts to share the cost of identifying or properly sealing abandoned wells in high-priority areas. Areas must be selected based on statewide priorities established by the board.

(b) Remaining cost-sharing funds may be allocated to districts for administrative expenses, not exceeding 20 percent of the funds, and sealing wells in lower-priority areas.

Subd. 2. [TECHNICAL ASSISTANCE.] The board may provide technical assistance to districts to efficiently and effectively develop and implement projects.

Sec. 5. [40.0374] [ELIGIBILITY FOR ASSISTANCE.]

Subdivision 1. [GENERALLY.] Only projects that are a part of, or responsive to, a district comprehensive or annual work plan are eligible for the assistance provided in section 4. After July 1, 1991, only projects that are a part of, or responsive to, a local water plan under chapter 110B or section 473.8785 are eligible for the assistance provided in section 4.

Subd. 2. [DOCUMENTS REQUIRED.] To be eligible for the assistance provided in section 4, a district must provide the board with:

- (1) an application prescribed by the board;*
- (2) evidence that the district has consulted the local health department in preparing the application;*
- (3) one of the following documents:*
 - (i) the comprehensive water plan authorized under chapter 110B;*
 - (ii) the county groundwater plan authorized under section 473.8785; or*
 - (iii) the district comprehensive or annual work plan that provides an*

inventory of existing physical and hydrologic information about the area, that provides general identification of water quality problems and goals, and that demonstrates a local commitment to water quality protection or improvement.

Sec. 6. [40.0375] [BOARD REVIEW OF APPLICATIONS.]

Subdivision 1. [RANKING OF APPLICATIONS.] The district boards must rank applications for technical and financial assistance in order of priority and within the limits of available funding and grant applications with the highest priority.

Subd. 2. [RANKING CRITERIA.] The state board must by rule adopt appropriate criteria for the district boards to determine the priority of projects. The criteria used to rank projects must include:

- (1) current use of the affected aquifer or aquifers for water supply;*
- (2) projected water demand;*
- (3) availability of alternate sources of drinking water;*
- (4) proximity of potential contaminant sources;*
- (5) aquifer susceptibility to contamination;*
- (6) current contamination of the wells and the aquifer; and*
- (7) present and anticipated land use in the area.*

Sec. 7. [40.0376] [IMPLEMENTATION.]

Subdivision 1. [CONTRACTS BY DISTRICTS.] A district may contract on a cost-share basis to furnish financial aid to a land occupier to seal abandoned wells. Payment to a land occupier must not be made until the well, or wells, specified in the contract has been properly sealed by a licensed water well contractor.

Subd. 2. [REVIEW BY BOARD.] The board or its designated representative may inspect a project at any reasonable time and must audit the cost-sharing funds expended by the district.

Sec. 8. [40.0377] [RULES FOR COST-SHARING PROGRAM.]

The board, in consultation with the commissioner of the department of health, must adopt rules specifying:

- (1) procedures and criteria for allocating funds to districts for cost-sharing contracts;*
- (2) standards and guidelines for all cost-sharing contracts;*
- (3) scope and content of comprehensive plans, plan amendments, and annual work plans which districts submit under section 40.07, subdivision 9;*
- (4) standards and methods necessary to plan and implement a priority cost-sharing program, including guidelines to identify high-priority areas;*

Sec. 9. Minnesota Statutes 1986, section 40.42, is amended by adding

a subdivision to read:

Subd. 4a. [SUSCEPTIBLE GROUNDWATER RECHARGE AREA.] "Susceptible groundwater recharge area" means an area of land where surface water enters the ground and recharges groundwater without adequate percolation to filter out harmful substances that result from land use practices.

Sec. 10. Minnesota Statutes 1987 Supplement, section 40.43, subdivision 2, is amended to read:

Subd. 2. [ELIGIBLE LAND.] (a) Land may be placed in the conservation reserve program if the land:

(1) is marginal agricultural land, or is adjacent to marginal agricultural land and is either beneficial to resource protection or necessary for efficient recording of the land description, or consists of a drained wetland, or is land that with a windbreak would be beneficial to resource protection, or is land consisting of a susceptible groundwater recharge area. Cropland adjacent to the restored wetland may also be enrolled to the extent of up to four acres of cropland for each acre of wetland restored;

(2) was owned by the landowner on January 1, 1985, or was owned by the landowner, or a parent or other blood relative of the landowner, for at least three years before the date of application;

(3) is at least five acres in size, except for a windbreak, or is a whole field as defined by the United States Agricultural Stabilization and Conservation Services;

(4) is not set aside, enrolled or diverted under another federal or state government program; and

(5) was in agricultural crop production for at least two years during the period 1981 to 1985.

(b) The enrolled land of a landowner may not exceed 20 percent of the landowner's total agricultural land acreage in the state, if the landowner owns at least 200 acres of agricultural land as defined by section 500.24, subdivision 2. If a landowner owns less than 200 acres of agricultural land the amount that may be enrolled in the conservation reserve is:

(a) (1) all agricultural land owned, if 20 acres or less; or

(b) (2) if the total agricultural land owned is more than 20 acres but less than 200 acres, 20 acres plus ten percent of the balance of the agricultural land.

(c) In selecting land for enrollment in the program, highest priority must be given to permanent easements that are consistent with the purposes stated in section 40.41.

Sec. 11. Minnesota Statutes 1986, section 40.43, is amended by adding a subdivision to read:

Subd. 2a. [SUSCEPTIBLE GROUNDWATER RECHARGE AREA DESIGNATION.] The board of water and soil resources in cooperation with the commissioner of natural resources shall designate criteria for identifying susceptible groundwater recharge areas by December 31, 1988. A susceptible groundwater recharge area is an area where groundwater would be better protected by a conservation easement than agricultural practices. The board of water and soil resources shall include maps to guide soil and

water conservation districts to where fragile groundwater recharge areas are located.

Sec. 12. Minnesota Statutes 1986, section 40.43, is amended by adding a subdivision to read:

Subd. 8. [CORRECTION OF CONSERVATION EASEMENT BOUNDARY LINES.] To correct errors in legal descriptions for easements obtained that affect the ownership interests in the state and adjacent landowners, the commissioner may, in the name of the state, with the approval of the attorney general, convey, without consideration, interests of the state necessary to correct legal descriptions of boundaries. The conveyance must be by quitclaim deed or release in a form approved by the attorney general.

Sec. 13. [40.435] [LIABILITY AFTER PROTECTION OF SUSCEPTIBLE GROUNDWATER RECHARGE AREA.]

A landowner is not liable for contamination of groundwater through a susceptible groundwater recharge area occurring after a project is implemented if:

(1) the soil and water conservation district adopts a plan protecting the groundwater recharge area;

(2) projects or practices are implemented according to the plan and certified as being implemented by the district;

(3) unlawful practices are not allowed by the landowner on the property subject to the plan; and

(4) after implementation the project and practices are maintained according to the plan.

GROUNDWATER PROTECTION

Sec. 14. [105E.50] [GROUNDWATER DEGRADATION PROHIBITED.]

Notice of revocation must be served by mail on the other party and on the public authority. The public authority must also be served with a copy of the order establishing the child support or maintenance obligation and an application for child support and maintenance collection services. For any appeal to which the above exceptions apply, the state board of education shall name an impartial and competent hearing review officer.

In all appeals, the parent or guardian of the handicapped student or the district that is a party to the hearing may challenge the impartiality or competence of the proposed hearing review officer by applying to the state board of education.

Sec. 20. [LEARNING YEAR PROGRAM SITES.]

Subdivision 1. [PROGRAM ESTABLISHED FOR TWO YEARS.] A program is established to designate learning year program sites for providing instruction throughout the entire year. The learning year programs may begin June 9, 1988, and end June 9, 1990. The programs must permit students in grades 9 through 12 to receive instruction throughout the entire year.

Students may participate in the program if they reside in:

(1) a district that has been designated a learning year program site under subdivision 2;

(2) a district that is a member of the same education district as a program site; or

(3) a district that participates in the same area learning center program as a program site.

Subd. 2. [STATE BOARD DESIGNATION.] Up to five districts may be designated learning year program sites by the state board of education. To be designated, a district must demonstrate to the commissioner of education that the district will:

(1) provide a program of instruction that permits students in grades 9 through 12 to receive instruction throughout the entire year; and

(2) maintain a record system that, for purposes of section 124.17, permits identification of membership attributable to students participating in the program. The purpose for identifying this membership is to ensure that a district will not be able to increase the total number of pupil units attributable to an individual student by providing a learning year program. The

commissioner of education shall consult with the director of the education aids and levies section of the department of education when determining whether the record system of a participating district is adequate for this purpose.

Subd. 3. [HOURS OF INSTRUCTION.] Students participating in a program must be able to receive 4,200 hours of instruction so that they are able to complete the requirements of grades 9 through 12. If a student has not completed the graduation requirements of the district after completing 4,200 hours of instruction, the student may continue to enroll in courses needed for graduation until either the student meets the graduation requirements or the student is 21 years old, whichever occurs first.

For the purposes of Minnesota Statutes, section 120.101, subdivision 5, 1,020 hours of instruction shall constitute 170 days of instruction. Hours of instruction that occur between June 9 and June 30 shall be attributed to the fiscal year following the days of actual instruction.

Subd. 4. [STUDENT PLANNING.] A district must inform all junior and senior high school students and their parents about the learning year program. A continual learning plan for the 4,200 hours of education must be developed for each student with the participation of the student, parent or guardian, teachers, and other staff. The plan must identify the learning experiences needed for graduation and must specify the learning experiences that will occur each year. The student or district may modify the plan according to district schedule changes. The district may not modify the plan if the modification would result in delaying the student's time of graduation.

Subd. 5. [TRANSPORTATION.] Summer transportation expenditures for this program must be included in nonregular transportation according to Minnesota Statutes, sections 124.225, subdivision 8; and 275.125, subdivision 5c.

Subd. 6. [CONTRACTS.] A district may contract with a licensed employee to provide services in a learning year program that are in addition to the services provided according to the master contract of employment for teachers, entered into under chapter 179A, or an equivalent contract for licensed employees who are not teachers. These additional services and compensation, if any, for the services shall not become a part of the employee's continuing contract rights under Minnesota Statutes, section 125.12 or 125.17. The duration of a contract is negotiable, but may not extend beyond June 9, 1990.

Subd. 7. [REVENUE COMPUTATION AND REPORTING.] Aid and levy revenue computations shall be based on the total number of hours of education programs for pupils in average daily membership for each fiscal year. For purposes of section 124.17, average daily membership shall be computed by dividing the total number of hours of participation for the fiscal year by 1,050. Hours of participation that occur between June 9 and June 30 shall be attributed to the fiscal year following the hours of actual participation. Thirty hours may be used for teacher workshops, staff development, or parent-teacher conferences. As part of each pilot program, the department of education, the commissioner of education, and each district must report and evaluate the changes needed to adjust the dates of the fiscal year for aid and levy computation and fiscal reporting. For revenue computation purposes, the learning year program shall generate revenue based on the formulas for the fiscal year in which the services

are provided.

State aid and levy revenue computation for the learning year programs begins July 1, 1988, for fiscal year 1989.

Subd. 8. [EXEMPTION.] To operate the pilot program, the state board of education may exempt the district from specific rules relating to student and financial accounting, reporting, and revenue computation.

If approved, the amount provided by the approved millage applied to each year's taxable valuation shall be authorized for certification for the number of years approved.

In the event a conjunctive question proposes to authorize both the down payment levy and the issuance of obligations for the project, appropriate language authorizing the issuance of obligations shall also be included in the question.

The district must notify the commissioner of education of the results of the referendum.

Subd. 4. [EXCESS BUILDING CONSTRUCTION FUND LEVY PROCEEDS.] Any funds remaining in the down payment account that are not applied to the payment of the costs of the approved project prior to its final completion must be transferred to the district's debt redemption fund.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 144A.04, is amended by adding a subdivision to read:

Subd. 7. [MINIMUM NURSING STAFF REQUIREMENT.] *Notwithstanding the provisions of Minnesota Rules, part 4655.5600, the minimum staffing standard for nursing personnel in nursing homes is as follows:*

(a) *The minimum number of hours of nursing personnel to be provided in a nursing home is the greater of two hours per resident per 24 hours*

or 0.95 hours per standardized resident day.

(b) For purposes of this subdivision, "hours of nursing personnel" means the paid, on-duty, productive nursing hours of all nurses and nursing assistants, calculated on the basis of any given 24-hour period. "Productive nursing hours" means all on-duty hours during which nurses and nursing assistants are engaged in nursing duties. Examples of nursing duties may be found in Minnesota Rules, parts 4655.5900, 4655.6100, and 4655.6400. Not included are vacations, holidays, sick leave, in-service classroom training, or lunches. Also not included are the nonproductive nursing hours of the in-service training director. In homes with more than 60 licensed beds, the hours of the director of nursing are excluded. "Standardized resident day" means the sum of the number of residents in each case mix class multiplied by the case mix weight for that resident class, as found in Minnesota Rules, part 9549.0059, subpart 2, calculated on the basis of a facility's census for any given day.

(c) Calculation of nursing hours per standardized resident day is performed by dividing total hours of nursing personnel for a given period by the total of standardized resident days for that same period.

Sec. 2. Minnesota Statutes 1987 Supplement, section 144A.071, subdivision 3, is amended to read:

Subd. 3. [EXCEPTIONS.] The commissioner of health, in coordination with the commissioner of human services, may approve the addition of a new certified bed or the addition of a new licensed nursing home bed, under the following conditions:

(a) to replace a bed decertified after May 23, 1983 or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall be determined by the most recent federal census or the most recent estimate of the state demographer as of July 1, of each year of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives;

(b) to certify a new bed in a facility that commenced construction before May 23, 1983. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; and all zoning and building permits were secured;

(c) to certify beds in a new nursing home that is needed in order to meet the special dietary needs of its residents, if: the nursing home proves to

the commissioner's satisfaction that the needs of its residents cannot otherwise be met; elements of the special diet are not available through most food distributors; and proper preparation of the special diet requires incurring various operating expenses, including extra food preparation or serving items, not incurred to a similar extent by most nursing homes;

(d) to license a new nursing home bed in a facility that meets one of the exceptions contained in clauses (a) to (c);

(e) to license nursing home beds in a facility that has submitted either a completed licensure application or a written request for licensure to the commissioner before March 1, 1985, and has either commenced any required construction as defined in clause (b) before May 1, 1985, or has, before May 1, 1985, received from the commissioner approval of plans for phased-in construction and written authorization to begin construction on a phased-in basis. For the purpose of this clause, "construction" means any erection, building, alteration, reconstruction, modernization, or improvement necessary to comply with the nursing home licensure rules;

(f) to certify or license new beds in a new facility that is to be operated by the commissioner of veterans' affairs or when the costs of constructing and operating the new beds are to be reimbursed by the commissioner of veterans' affairs or the United States Veterans Administration;

(g) to license or certify beds in a new facility constructed to replace a facility that was destroyed after June 30, 1987, by fire, lightning, or other hazard provided:

(1) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(2) at the time the facility was destroyed the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(3) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility;

(4) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073, subdivision 5; and

(5) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility;

(h) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, or to license or certify beds in a facility for which the total costs of remodeling or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, if the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the remodeling or renovation;

(i) to license or certify beds in a facility that has been involuntarily

delicensed or decertified for participation in the medical assistance program, provided that an application for relicensure or recertification is submitted to the commissioner within 120 days after delicensure or decertification;

(j) to license or certify beds in a project recommended for approval by the interagency board for quality assurance under section 144A.073;

(k) to license nursing home beds in a hospital facility that are relocated from a different hospital facility under common ownership or affiliation, provided: (1) the hospital in which the nursing home beds were originally located ceases to function as an acute care facility, or necessary support services for nursing homes as required for licensure under sections 144A.02 to 144A.10, such as dietary service, physical plant, housekeeping, physical therapy, occupational therapy, and administration, are no longer available from the original hospital site; and (2) the nursing home beds are not certified for participation in the medical assistance program;

(l) to license or certify beds that are moved from one location to another within an existing identifiable complex of hospital buildings, from a hospital-attached nursing home to the hospital building, or from a separate nursing home under common ownership with or control of a hospital to the hospital when a hospital-attached nursing home is moved simultaneously to the hospital. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation. At the time of the licensure and certification of the nursing home beds, the commissioner of health shall delicense the same number of acute care beds within the existing complex of hospital buildings or building. When a separate nursing home and a hospital-attached nursing home under common ownership or control are simultaneously relocated to a hospital building, a combined cost report must be submitted for the cost reporting year ending September 30, 1987, and the freestanding nursing home limits apply. Relocation of nursing home beds under this clause is subject to the limitations in section 144A.073, subdivision 5;

(m) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;

(n) to license new nursing home beds in a continuing care retirement community affiliated with a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its residents from outside the state for the purpose of meeting contractual obligations to residents of the retirement community, provided the facility makes a written commitment to the commissioner of human services that it will not seek medical assistance certification for the new beds; or

(o) to certify or license new beds in a new facility on the Red Lake Indian reservation for which payments will be made under the Indian Health Care Improvement Act, Public Law Number 94-437, at the rates specified in United States Code, title 42, section 1396d(b); or

(p) to certify and license as nursing home beds boarding care beds in a certified boarding care facility if the beds meet the standards for nursing home licensure and if the cost of any remodeling of the facility does not exceed ten percent of the appraised value of the facility or \$200,000,

whichever is less. If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase in the future. The provisions contained in section 144A.073 regarding the upgrading of the facilities does not apply to facilities that satisfy these requirements.

Sec. 3. Minnesota Statutes 1987 Supplement, section 144A.073, subdivision 1, is amended to read:

Provided that this (b) The personal needs allowance may be paid as part of the Minnesota supplemental aid program, notwithstanding the provisions of section 256D.37, subdivision 2, and payments to the recipients from of Minnesota supplemental aid funds may be made once each three months beginning in October 1977, covering liabilities that accrued during the preceding three months.

Sec. 7. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

Subd. 2i. [OPERATING COSTS AFTER JULY 1, 1988.] (a) [OTHER-OPERATING-COST LIMITS.] *For the rate year beginning July 1, 1988, the commissioner shall increase the other-operating-cost limits established in Minnesota Rules, part 9549.0055, subpart 2, item E, to the percent of the median that approximates the 75th percentile of the array of allowable historical other-operating-cost per diems and index these limits as in Minnesota Rules, part 9549.0056, subparts 3 and 4. (c) [SALARY ADJUSTMENT PER DIEM.] *For the rate period October*

1, 1988, through June 30, 1990, the commissioner shall add the appropriate salary adjustment per diem calculated in clause (1) or (2) to the total operating cost payment rate of each nursing home. The salary adjustment per diem for each nursing home must be determined as follows:

(1) for each nursing home that reports salaries for registered nurses, licensed practical nurses, and aides, orderlies and attendants separately, the commissioner shall determine the salary adjustment per diem by multiplying the total salaries, payroll taxes, and fringe benefits allowed in each operating cost category, except management fees and administrator and central office salaries and the related payroll taxes and fringe benefits, by four percent and then dividing the resulting amount by the nursing home's actual resident days; and

For purposes of this subdivision, the terms "betterment" and "addition" have the meaning set forth in 12 MCAR 2.05002 and the term "commenced construction" has the meaning set forth in section 144A.071, subdivision 3.

Sec. 10. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

Subd. 3f. [PROPERTY COSTS AFTER JULY 1, 1988.] (a) [INVESTMENT PER BED LIMIT.] For the rate year beginning July 1, 1988, the replacement-cost-new per bed limit must be \$32,571 per licensed bed in multiple bedrooms and \$48,857 per licensed bed in a single bedroom. Beginning January 1, 1989, the replacement-cost-new per bed limits must be adjusted annually as specified in Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1).

(b) [RENTAL FACTOR.] For the rate year beginning July 1, 1988, the commissioner shall increase the rental factor as established in Minnesota Rules, part 9549.0060, subpart 8, item A, by 6.2 percent rounded to the nearest 100th percent for the purpose of reimbursing nursing homes for soft costs and entrepreneurial profits not included in the cost valuation services used by the state's contracted appraisers. For rate years beginning on or after July 1, 1989, the rental factor is the amount determined under this paragraph for the rate year beginning July 1, 1988.

(c) [OCCUPANCY FACTOR.] For rate years beginning on or after July 1, 1988, in order to determine property-related payment rates under Minnesota Rules, part 9549.0060, for all nursing homes except those whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use 95 percent of capacity days. For a nursing home whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use the greater of resident days or 80 percent of capacity days but in no event shall the divisor exceed 95 percent of capacity days.

(d) [EQUIPMENT ALLOWANCE.] For rate years beginning on July 1, 1988, and July 1, 1989, the commissioner shall increase each nursing home's property-related payment rate by 25 cents per resident per day. For rate years beginning on or after July 1, 1991, the adjusted equipment allowance must be adjusted annually for inflation as in Minnesota Rules, part 9549.0060, subpart 10, item E.

(e) [REFINANCING.] If a nursing home is approved and refinanced under section 11, the commissioner shall adjust the nursing home's property-related payment rate for the savings that result from refinancing. The adjustment to the property-related payment rate must be as follows:

(1) The commissioner shall recalculate the nursing home's rental per diem by substituting the new allowable annual principle and interest payments for those of the refinanced debt.

(2) *The nursing home's property-related payment rate must be decreased by the difference between the nursing home's current rental per diem and the rental per diem determined under clause (1).*

If a nursing home payment rate is adjusted according to this paragraph, the adjusted payment rate is effective the first of the month following the date of the refinancing for both medical assistance and private paying residents. The nursing home's adjusted property-related payment rate is effective until June 30, 1990.

Sec. 11. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

A nursing home that is eligible for a property-related payment rate under this subdivision and whose property-related payment rate in a subsequent rate year is its rental per diem must continue to have its property-related payment rates established for all future rate years based on the rental reimbursement method in Minnesota Rules, part 9549.0060. The commissioner may require the nursing home to apply for refinancing as a condition of receiving special rate treatment under this subdivision.

Sec. 12. Minnesota Statutes 1987 Supplement, section 256B.431, subdivision 4, is amended to read:

Subd. 4. [SPECIAL RATES.] (a) For the rate years beginning July 1, 1983, and July 1, 1984, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983, and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2a, to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2f, the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The interim payment rate shall not be in effect for more than 17 months. The commissioner shall establish, by emergency and permanent rules, procedures for determining the interim rate and for making a retroactive cost settle-up after the first year of operation; the cost settled operating cost per diem shall not exceed 110 percent of the 60th percentile established for the appropriate group. Until procedures determining operating cost payment rates according to mix of resident needs are established, the commissioner shall establish by rule procedures for

determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.

(b) For the rate years beginning on or after July 1, 1985, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property related costs, operating costs, and real estate taxes and special assessments calculated under rules promulgated by the commissioner.

(c) For rate years beginning on or after July 1, 1983, the commissioner may exclude from a provision of 12 MCAR S 2.050 any facility that is licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, is licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690, and has less than five percent of its licensed boarding care capacity reimbursed by the medical assistance program. Until a permanent rule to establish the payment rates for facilities meeting these criteria is promulgated, the commissioner shall establish the medical assistance payment rate as follows:

(1) The desk audited payment rate in effect on June 30, 1983, remains in effect until the end of the facility's fiscal year. The commissioner shall not allow any amendments to the cost report on which this desk audited payment rate is based.

(2) For each fiscal year beginning between July 1, 1983, and June 30, 1985, the facility's payment rate shall be established by increasing the desk audited operating cost payment rate determined in clause (1) at an annual rate of five percent.

(3) For fiscal years beginning on or after July 1, 1985, the facility's payment rate shall be established by increasing the facility's payment rate in the facility's prior fiscal year by the increase indicated by the consumer price index for Minneapolis and St. Paul.

(4) *For fiscal years beginning on or after January 1, 1988, the facility's payment rate shall be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate less the real estate tax and special assessment per diem must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted payment rate plus the real estate tax and special assessment per diem.*

(5) For the purpose of establishing payment rates under this paragraph, the facility's rate and reporting years coincide with the facility's fiscal year.

A facility that meets the criteria of this paragraph shall submit annual cost reports on forms prescribed by the commissioner.

For the rate year beginning July 1, 1985, each nursing home total payment rate must be effective two calendar months from the first day of the month after the commissioner issues the rate notice to the nursing home. From

July 1, 1985, until the total payment rate becomes effective, the commissioner shall make payments to each nursing home at a temporary rate that is the prior rate year's operating cost payment rate increased by 2.6 percent plus the prior rate year's property-related payment rate and the prior rate year's real estate taxes and special assessments payment rate. The commissioner shall retroactively adjust the property-related payment rate and the real estate taxes and special assessments payment rate to July 1, 1985, but must not retroactively adjust the operating cost payment rate.

(d) For the purposes of Minnesota Rules, part 9549.0060, subpart 13, item F, the following types of transactions shall not be considered a sale or reorganization of a provider entity:

- (1) the sale or transfer of a nursing home upon death of an owner;
- (2) the sale or transfer of a nursing home due to serious illness or disability of an owner as defined under the social security act;
- (3) the sale or transfer of the nursing home upon retirement of an owner at 62 years of age or older;
- (4) any transaction in which a partner, owner, or shareholder acquires an interest or share of another partner, owner, or shareholder in a nursing home business provided the acquiring partner, owner, or shareholder has less than 50 percent ownership after the acquisition;
- (5) a sale and leaseback to the same licensee which does not constitute a change in facility license;
- (6) a transfer of an interest to a trust;
- (7) gifts or other transfers for no consideration;
- (8) a merger of two or more related organizations;
- (9) a transfer of interest in a facility held in receivership;
- (10) a change in the legal form of doing business other than a publicly held organization which becomes privately held or vice versa;
- (11) the addition of a new partner, owner, or shareholder who owns less than 20 percent of the nursing home or the issuance of stock; or
- (12) an involuntary transfer including foreclosure, bankruptcy, or assignment for the benefit of creditors.

Any increase in allowable debt or allowable interest expense or other cost incurred as a result of the foregoing transactions shall be a nonallowable cost for purposes of reimbursement under Minnesota Rules, parts 9549.0010 to 9549.0080.

(e) For rate years beginning on or after July 1, 1986, the commissioner may exclude from a provision of Minnesota Rules, parts 9549.0010 to 9549.0080, any facility that is certified by the commissioner of health as an intermediate care facility, licensed by the commissioner of human services as a chemical dependency treatment program, and enrolled in the medical assistance program as an institution for mental disease. The commissioner of human services shall establish a medical assistance payment rate for these facilities. Chapter 14 does not apply to the procedures and criteria used to establish the ratesetting structure. The ratesetting method is not appealable.

Sec. 13. Minnesota Statutes 1986, section 256B.50, subdivision 1, is

amended to read:

Subdivision 1. [SCOPE.] A nursing home provider may appeal from a decision arising from the application of standards or methods determination of a payment rate established pursuant to sections 256B.41 and 256B.47 this chapter and reimbursement rules of the commissioner if the appeal, if successful, would result in a change to the nursing home's provider's payment rate, or appraised value. The appeal procedures also apply to appeals of payment rates calculated under Minnesota Rules, parts 9510.0010 to 9510.0480 filed with the commissioner on or after May 1, 1984. Appeals must be filed in accordance with procedures in this section. This section does not apply to a request from a resident or nursing home for reconsideration of the classification of a resident under section 144.0722.

Subd. 1a. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.

(a) "Determination of a payment rate" means the process by which the commissioner establishes the payment rate paid to a provider pursuant to this chapter, including determinations made in desk audit, field audit, or pursuant to an amendment filed by the provider.

(b) "Provider" means a nursing home as defined in section 256B.421, subdivision 7, or a facility as defined in section 256B.501, subdivision 1.

(c) "Reimbursement rules" means Minnesota Rules, parts 9510.0010 to 9510.0480, 9510.0500 to 9510.0890, and rules adopted by the commissioner pursuant to sections 256B.41 and 256B.501, subdivision 3.

Subd. 1b. [FILING AN APPEAL.] To appeal, the nursing home provider shall notify file with the commissioner in writing of its intent to appeal within 30 days and submit a written notice of appeal; the appeal request must be received by the commissioner within 60 days of receiving notice of the date the payment rate determination or decision of the payment rate was mailed. The notice of appeal request shall must specify each disputed item; the reason for the dispute; an estimate of; the total dollar amount involved for each disputed item; and the dollar amount per bed in dispute for each separate disallowance, allocation, or adjustment of each cost item or part of a cost item; the computation that the nursing home provider believes is correct; the authority in statute or rule upon which the nursing home provider relies for each disputed item; the name and address of the person or firm with whom contacts may be made regarding the appeal; and other information required by the commissioner.

Subd. 1c. [CONTESTED CASE PROCEDURES.] Except as provided in subdivision 2, the appeal shall must be heard by an administrative law judge according to sections 14.48 to 14.56; or upon agreement by both parties according to a modified appeals procedure established by the commissioner and the administrative law judge. In any proceeding under this section, the appealing party must demonstrate by a preponderance of the evidence that the commissioner's determination is incorrect. Regardless of any rate appeal, the rate established shall must be the rate paid and shall must remain in effect until final resolution of the appeal or subsequent desk or field audit adjustment, notwithstanding any provision of law or rule to the contrary. To challenge the validity of rules established by the commissioner pursuant to this section and sections 256B.41, 256B.421, 256B.431, 256B.47, 256B.48, 256B.501, and 256B.502, a nursing home provider shall comply with section 14.44.

Sec. 14. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

Subd. 1d. [EXPEDITED APPEAL REVIEW PROCESS.] (a) Within 120 days of the receipt of an appeal according to subdivision 1, the department shall review an appealed adjustment equal to or less than \$100 annually per licensed bed of the provider, make a determination concerning the adjustment, and notify the provider of the determination. Except as allowed in paragraph (g), this review does not apply to an appeal of an adjustment made to, or proposed on, an amount already paid to the provider. In this subdivision, an adjustment is each separate disallowance, allocation, or adjustment of a cost item or part of a cost item as submitted by a provider according to forms required by the commissioner.

(b) For an item on which the provider disagrees with the results of the determination of the department made under paragraph (a), the provider may, within 60 days of the date of the review notice, file with the office of administrative hearings and the department its written argument and documents, information, or affidavits in support of its appeal. If the provider fails to make a submission in accordance with this paragraph, the department's determinations on the disputed items must be upheld.

(c) Within 60 days of the date the department received the provider's submission under paragraph (b), the department may file with the office of administrative hearings and serve upon the provider its written argument and documents, information, and affidavits in support of its determination. If the department fails to make a submission in accordance with this paragraph, the administrative law judge shall proceed pursuant to paragraph (d) based on the provider's submission.

(d) Upon receipt by the office of administrative hearings of the department's submission made under paragraph (c) or upon the expiration of the 60-day filing period, whichever is earlier, the chief administrative law judge shall assign the matter to an administrative law judge. The administrative law judge shall consider the submissions of the parties and all relevant rules, statutes, and case law. The administrative law judge may request additional argument from the parties if it is deemed necessary to reach a final decision, but shall not allow witnesses to be presented or discovery to be made in the proceeding. Within 60 days of receipt by the office of administrative hearings of the department's submission or the expiration of the 60-day filing period in paragraph (c), whichever is earlier, the administrative law judge shall make a final decision on the items in issue, and shall notify the provider and the department by first-class mail of the decision on each item. The decision of the administrative law judge is the final administrative decision, is not appealable, and does not create legal precedent, except that the department may make an adjustment contrary to the decision of the administrative law judge based upon a subsequent cost report amendment or field audit that reveals information relating to the adjustment that was not known to the department at the time of the final decision.

(e) For a disputed item otherwise subject to the review set forth in this subdivision, the department and the provider may mutually agree to bypass the expedited review process and proceed to a contested case hearing at any time prior to the time for the department's submission under paragraph (c).

(f) When the department determines that the appeals of two or more

providers otherwise subject to the review set forth in this subdivision present the same or substantially the same adjustment, the department may remove the disputed items from the review in this subdivision, and the disputed items shall proceed in accordance with subdivision 1c. The department's decision to remove the appealed adjustments to contested case proceeding is final and is not reviewable.

(g) For a disputed item otherwise subject to the review in this subdivision, the department or a provider may petition the chief administrative law judge to issue an order allowing the petitioning party to bypass the expedited review process. If the petition is granted, the disputed item must proceed in accordance with subdivision 1c. In making the determination, the chief administrative law judge shall consider the potential impact and precedential and monetary value of the disputed item. A petition for removal to contested case hearing must be filed with the chief administrative law judge and the opposing party on or before the date on which its submission is due under paragraph (b) or (c). Within 20 days of receipt of the petition, the opposing party may submit its argument opposing the petition. Within 20 days of receipt of the argument opposing the petition, or if no argument is received, within 20 days of the date on which the argument was due, the chief administrative law judge shall issue a decision granting or denying the petition. If the petition is denied, the petitioning party has 60 days from the date of the denial to make a submission under paragraph (b) or (c).

(h) The department and a provider may mutually agree to use the procedures set forth in this subdivision for any disputed item not otherwise subject to this subdivision.

(i) Nothing shall prevent either party from making its submissions and arguments under this subdivision through a person who is not an attorney.

(j) This subdivision applies to all appeals for rate years beginning after June 30, 1988.

Sec. 15. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

Subd. 1e. [ATTORNEYS FEES AND COSTS.] (a) Notwithstanding section 3.762, paragraph (a), for an issue appealed under subdivision 1, the prevailing party in a contested case proceeding or, if appealed, in subsequent judicial review, must be awarded reasonable attorney fees and costs incurred in litigating the appeal, if the prevailing party shows that the position of the opposing party was not substantially justified. The procedures for awarding fees and costs set forth in section 3.764 must be followed in determining the prevailing party's fees and costs except as otherwise provided in this subdivision. For purposes of this subdivision, "costs" means subpoena fees and mileage, transcript costs, court reporter fees, witness fees, postage and delivery costs, photocopying and printing costs, amounts charged the commissioner by the office of administrative hearings, and direct administrative costs of the department; and "substantially justified" means that a position had a reasonable basis in law and fact, based on the totality of the circumstances prior to and during the contested case proceeding and subsequent review.

(b) When an award is made to the department under this subdivision, attorney fees must be calculated at the cost to the department. When an award is made to a provider under this subdivision, attorney fees must be

calculated at the rate charged to the provider except that attorney fees awarded must be the lesser of the attorney's normal hourly fee or \$100 per hour.

(c) In contested case proceedings involving more than one issue, the administrative law judge shall determine what portion of each party's attorney fees and costs is related to the issue or issues on which it prevailed and for which it is entitled to an award. In making that determination, the administrative law judge shall consider the amount of time spent on each issue, the precedential value of the issue, the complexity of the issue, and other factors deemed appropriate by the administrative law judge.

(d) When the department prevails on an issue involving more than one provider, the administrative law judge shall allocate the total amount of any award for attorney fees and costs among the providers. In determining the allocation, the administrative law judge shall consider each provider's monetary interest in the issue and other factors deemed appropriate by the administrative law judge.

(e) Attorney fees and costs awarded to the department for proceedings under this subdivision must not be reported or treated as allowable costs on the provider's cost report.

(f) Fees and costs awarded to a provider for proceedings under this subdivision must be reimbursed to them by reporting the amount of fees and costs awarded as allowable costs on the provider's cost report for the reporting year in which they were awarded. Fees and costs reported pursuant to this subdivision must be included in the general and administrative cost category but are not subject to either the general and administrative or other-operating-cost limits.

(g) If the provider fails to pay the awarded attorney fees and costs within 120 days of the final decision on the award of attorney fees and costs, the department may collect the amount due through any method available to it for the collection of medical assistance overpayments to providers. Interest charges must be assessed on balances outstanding after 120 days of the final decision on the award of attorney fees and costs. The annual interest rate charged must be the rate charged by the commissioner of revenue for late payment of taxes that is in effect on the 121st day after the final decision on the award of attorney fees and costs.

(h) Amounts collected by the commissioner pursuant to this subdivision must be deemed to be recoveries pursuant to section 256.01, subdivision 2, clause 15.

(i) This subdivision applies to all contested case proceedings set on for hearing by the commissioner on or after the effective date of this section, regardless of the date the appeal was filed.

Sec. 16. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

Subd. 1f. [LEGAL AND RELATED EXPENSES.] Legal and related expenses for unresolved challenges to decisions by governmental agencies shall be separately identified and explained on the provider's cost report for each year in which the expenses are incurred. When the challenge is resolved in favor of the governmental agency, the provider shall notify the department of the extent to which its challenge was unsuccessful or the cost report filed for the reporting year in which the challenge was resolved.

In addition, the provider shall inform the department of the years in which it claimed legal and related expenses and the amount of the expenses claimed in each year relating to the unsuccessful challenge. The department shall reduce the provider's medical assistance rate in the subsequent rate year by the total amount claimed by the provider for legal and related expenses incurred in an unsuccessful challenge to a decision by a governmental agency.

Sec. 17. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

Subd. 1g. [APPEAL SUPPLEMENT.] (a) For an appeal filed with the commissioner regarding payment rates calculated pursuant to Minnesota Rules, parts 9510.0010 to 9510.0480, or parts 9510.0500 to 9510.0890, or prior provisions of these rules, that was not subject to the provisions of this section or section 256B.501, subdivision 3, at the time it was filed, the appellant must file an appeal supplement. The appeal supplement must be filed no later than December 31, 1988, and must specify each disputed item, the reason for the dispute, an estimate of the dollar amount involved for each disputed item, the computation that the provider believes is correct, the authority in statute or rule upon which the provider relies for each disputed item, the name and address of the person or firm with whom contacts may be made regarding the appeal, and any other information required by the commissioner. Failure to file the appeal supplement is jurisdictional and the commissioner may accordingly dismiss the appeal, and the rate established by the commissioner shall take effect.

(b) Filing of an appeal supplement must not be construed to correct any legal defect in the original appeal.

(c) An appeal for which an appeal supplement is filed pursuant to this subdivision must be set on for a contested case hearing, made part of the expedited appeal process with the agreement of both the provider and the department, or otherwise resolved by December 31, 1989.

Sec. 18. Minnesota Statutes 1987 Supplement, section 256B.50, subdivision 2, is amended to read:

Subd. 2. [APPRAISED VALUE.] (a) ~~An~~ A nursing home may appeal the determination of its appraised value, as determined by the commissioner pursuant to section 256B.431 and rules established thereunder. A written notice of appeal request concerning the appraised value of a nursing home's real estate as established by an appraisal conducted after July 1, 1986, shall be filed with the commissioner within 60 days of the date the determination was made and shall state the appraised value the nursing home believes is correct for the building, land improvements, and attached equipment and the name and address of the firm with whom contacts may be made regarding the appeal. The appeal request shall include a separate appraisal report prepared by an independent appraiser of real estate which supports the total appraised value claimed by the nursing home. The appraisal report shall be based on an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, must be in a form comparable to that used in the commissioner's appraisal, and must pertain to the same time period covered by the appealed appraisal. The appraisal report shall include information related to the training, experience, and qualifications of the appraiser who conducted and prepared the appraisal report for the nursing home.

(b) A nursing home which has filed an appeal request prior to the effective date of Laws 1987, chapter 403, concerning the appraised value of its real estate as established by an appraisal conducted before July 1, 1986, must submit to the commissioner the information described under paragraph (a) within 60 days of the effective date of Laws 1987, chapter 403, in order to preserve the appeal.

(c) An appeal request which has been filed pursuant to the provisions of paragraph (a) or (b) shall be finally resolved through an agreement entered into by and between the commissioner and the nursing home or by the determination of an independent appraiser based upon an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, in a form comparable to that used in the commissioner's appraisal, and pertaining to the same time period covered by the appealed appraisal. The appraiser shall be selected by the commissioner and the nursing home by alternately striking names from a list of appraisers approved for state contracts by the commissioner of administration. The appraiser shall make assurances to the satisfaction of the commissioner and the nursing home that the appraiser is experienced in the use of the depreciated cost method of appraisals and that the appraiser is free of any personal, political, or economic conflict of interest that may impair the ability to function in a fair and objective manner. The commissioner shall pay costs of the appraiser through a negotiated rate for services of the appraiser.

(d) The decision of the appraiser is final and is not appealable. Exclusive jurisdiction for appeals of the appraised value of nursing homes lies with the procedures set out in this subdivision. No court of law shall possess subject matter jurisdiction to hear appeals of appraised value determinations of nursing homes.

Sec. 19. Laws 1987, chapter 403, article 4, section 13, is amended to read:

Sec. 13. [STUDY AND REPORT.]

(a) The interagency board for quality assurance shall study the following issues and report to the legislature by December 15, 1988, on its findings and recommendations:

(1) the advisability of changing the definition of "hardship" for purposes of the nursing home moratorium;

(2) the advisability of defining the need for nursing home beds in terms of the population aged 75 and older; and

(3) the existence of a geographic maldistribution of long-term care beds and alternative care services in the state.

(b) In addition to the issues in paragraph (a), the interagency board shall study and make recommendations concerning the policy and fiscal impact of the changes made in Public Law Number 100-203 relating to the elimination of the intermediate care facility certification level in 1990. The interagency board shall consider at least the following: the need for continuation of the services currently offered by certified boarding care home beds, the need for additional beds in the state licensed as nursing homes, the fiscal impact associated with the reconstruction or replacement of facilities that do not meet nursing home standards, the costs of establishing an alternative funding source for the payment of services currently provided in these facilities, and the need to promulgate licensure standards.

If the interagency board recommends that facilities be licensed as nursing homes, the interagency board shall recommend specific procedures for the granting of the licenses and identify methods for the licensing or funding of facilities that may be considered out of compliance with federal law on October 1, 1990. The board shall provide recommendations to the legislature for legislative changes that are necessary to implement the board's recommendations. The costs associated with the board's recommendations must be provided to the commissioner of human services and included in the medical assistance forecast and the agency budget requests for the 1990-91 biennium.

Sec. 20. [REPORT ON VENTILATION AND AIR CONDITIONING IN NURSING HOMES.]

By January 1, 1989, the interagency board for quality assurance shall report to the legislature on ventilation and air conditioning systems in nursing homes. The report must include:

(1) a review of the nature and extent of air conditioning and ventilation systems that now exist in nursing homes in the state;

(2) the number and nature of complaints received by the commissioner of health or the office of health facility complaints relating to summer heat or humidity in nursing homes;

(3) the adequacy of existing systems to provide residents and staff with a reasonable level of comfort and health;

(4) a review of the options for improving air conditioning and ventilation systems in nursing homes including estimates of the costs of each option to residents, nursing homes, and the medical assistance program, and an analysis of public and private financing mechanisms for the costs of improvements; and

(5) recommendations for legislative changes.

Sec. 21. [APPROVED COMPLEMENT INCREASED.]

The complement of the office of administrative hearings is increased by one full-time equivalent position.

Sec. 22. [NURSING HOME SPECIAL ASSESSMENT FOR SEWER RENTAL.]

Notwithstanding contrary provisions of Minnesota Statutes, section 256B.431, for purposes of determining the amount of a reported actual special assessment to be included in a nursing home's operating cost, the commissioner of human services shall include an expense charged to a nursing home by the municipality of Minnesota through a sewer rental charge assessed against the nursing home for a wastewater treatment facility.

Sec. 23. [REPORT ON HOSPITAL-ATTACHED NURSING HOME PROPERTY PAYMENTS.]

The commissioner shall study property-related payments for hospital-attached nursing homes and report to the legislative commission on long-term health care by February 1, 1989, with recommendations on appropriate cost allocation methods to be used for property-related reimbursement.

Sec. 24. [EFFECTIVE DATE.]

Counties may perform a cursory determination of eligibility when a family requests information about child care assistance. A family which appears to be eligible must be put on a waiting list if funds are not immediately available.

(b) Except for set-aside money allocated under subdivisions 3a, 3b, 3c, and 3d, the commissioner shall allocate money appropriated between the

metropolitan area, comprising the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington, and the area outside the metropolitan area so that no more than 55 percent of the total appropriation goes to either area after excluding allocations for statewide administrative costs. The commissioner shall allocate 50 percent of the money among counties on the basis of the number of families below the poverty level, as determined from the most recent special census, and 50 percent on the basis of caseloads of aid to families with dependent children for the preceding fiscal year, as determined by the commissioner of human services.

(c) Once each quarter, the commissioner shall review the use of child care fund allocations by county. ~~In accordance with the formula found in paragraph (b),~~ The commissioner may reallocate unexpended or unencumbered money among those counties who have expended their full portion. For each fiscal year the average monthly caseload shall be based on the 12-month period ending March 31 of the previous fiscal year. The commissioner may reallocate quarterly unexpended or unencumbered set-aside money to counties that expend their full allocation. The county shall use the set-aside money for AFDC priority groups.

(b) The county shall develop cooperative agreements with the employment and training service provider for coordination of child care funding with employment, training, and education programs for aid to families with dependent children priority groups. The cooperative agreement shall specify that individuals receiving employment, training, and education services under an employability plan from the employment and training service provider shall, as resources permit, be guaranteed set-aside money for child care assistance from the county of their residence.

(c) Counties may contract for administration of the program or may arrange for or contract for child care funds to be used by other appropriate programs, in accordance with this section and as permitted by federal law and regulations.

(d) If the commissioner finds, on or after January 1 of a fiscal year, that set-aside money for AFDC priority groups is not being fully utilized, the commissioner may permit counties to use set-aside money for other eligible applicants, as long as priority for use of the money will continue to be given to the AFDC priority groups.

(e) A county may claim federal reimbursement under the AFDC special needs program for money spent for persons listed in subdivision 3a, clause (1). The commissioner shall allocate any federal earnings to the county. Provided, however, that the restrictions ~~provided~~ in this subdivision ~~shall do not apply to the following corporations or partnerships in clause (b) and do not apply to corporations, limited partnerships, and pension or investment funds that record its name and the particular exception under clauses (a) to (r) under which the agricultural land is owned or farmed, have a conservation plan prepared for the agricultural land, report as required under subdivision 4, and satisfy one of the following conditions under clauses (a) to (r):~~

A corporation, limited partnership, or pension or investment fund seeking to operate agricultural land for research or experimental purposes must submit to the commissioner a prospectus or proposal of the intended method of operation, containing information required by the commissioner including a copy of any operational contract with individual participants, prior to initial approval of an operation. A pension or investment fund or a corporation or limited partnership may hold such agricultural land in such acreage as may be necessary to its nonfarm business operation; provided, however, that pending the development of agricultural land for nonfarm purposes, such land may not be used for farming except under lease to a family farm unit, a family farm corporation or an authorized farm corporation, a family farm partnership, or an authorized farm partnership, or except when controlled through ownership, options, leaseholds, or other agreements by a corporation which has entered into an agreement with the United States of America pursuant to the New Community Act of 1968 (Title IV of the Housing and Urban Development Act of 1968, United States Code, title 42, sections 3901 to 3914) as amended, or a subsidiary or assign of such a corporation;

(i) Agricultural lands acquired by a pension or investment fund or a corporation or limited partnership by process of law in the collection of debts, or by any procedure for the enforcement of a lien or claim thereon, whether created by mortgage or otherwise; provided, however, that all lands so acquired be disposed of within ten years after acquiring the title if acquired before May 1, 1988, and five years after acquiring the title if acquired on or after May 1, 1988, acquiring the title thereto, and further provided that the land so acquired shall not be used for farming during the ten-year or five-year period except under a lease to a family farm unit, a family farm corporation or an authorized farm corporation, a family farm partnership, or an authorized farm partnership. (p) An interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) Agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. Interest must be calculated at an annual percentage rate of 12 percent.

Sec. 5. Minnesota Statutes 1986, section 500.24, subdivision 4, is amended to read:

Subd. 4. [REPORTS.] (a) *The chief executive officer of every pension or investment fund or corporation which, or limited partnership, except a family farm corporation or a family farm limited partnership, that holds any interest in agricultural land or land used for the breeding, feeding, pasturing, growing, or raising of livestock, dairy or poultry, or products thereof, or land used for the production of agricultural crops or fruit or other horticultural products, other than a bona fide encumbrance taken for purposes of security, or which is engaged in farming or proposing to commence farming in this state after May 20, 1973, shall file with the commissioner of agriculture a report containing the following information and documents:*

The report of a corporation seeking to qualify hereunder as a family farm corporation ~~or~~, an authorized farm corporation, *a family farm partnership, or authorized farm partnership* shall contain the following additional information: The number of shares *or the partnership interests* owned by persons residing on the farm or actively engaged in farming, or their relatives within the third degree of kindred according to the rules of the civil law or their spouses; the name, address and number of shares owned by each shareholder *or partnership interests owned by each partner*; and a statement as to percentage of gross receipts of the corporation derived from rent, royalties, dividends, interest and annuities. Sec. 6. Minnesota Statutes 1986, section 500.24, subdivision 5, is amended to read:

Subd. 5. [ENFORCEMENT.] With reason to believe that a corporation, *limited partnership*, or pension or investment fund is violating subdivision 3, the attorney general shall commence an action in the district court in

which any agricultural lands relative to such violation are situated, or if situated in two or more counties, in any county in which a substantial part of the lands are situated. The attorney general shall file for record with the county recorder or the registrar of titles of each county in which any portion of said lands are located a notice of the pendency of the action as provided in section 557.02. If the court finds that the lands in question are being held in violation of subdivision 3, it shall enter an order so declaring. The attorney general shall file for record any such order with the county recorder or the registrar of titles of each county in which any portion of said lands are located. Thereafter, the pension or investment fund, *limited partnership*, or corporation owning such land shall have a period of five years from the date of such order to divest itself of such lands. The aforementioned five year limitation period shall be deemed a covenant running with the title to the land against any pension or investment fund, *limited partnership*, or corporate grantee or assignee or the successor of such pension or investment fund, *limited partnership*, or corporation. Any lands not so divested within the time prescribed shall be sold at public sale in the manner prescribed by law for the foreclosure of a mortgage by action. In addition, any prospective or threatened violation may be enjoined by an action brought by the attorney general in the manner provided by law.

Sec. 7. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 6, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] (a) A state or federal agency, *limited partnership*, or a corporation, other than a family farm corporation or an authorized farm corporation, may not lease or sell agricultural land or a farm homestead that was acquired by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed, before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor.

(b) For purposes of this subdivision, the term "a price no higher than the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that defers payment of a portion of the price and does not involve a transfer of fee title until payment of the entire amount of the offer is made.

(c) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for five years after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold; and

(2) an offer to sell to the immediately preceding former owner is required until the property is sold.

(d) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.

(e) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years or longer.

(f) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(g) The immediately preceding former owner must exercise the right to lease agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. The immediately preceding former owner must exercise the right to buy the agricultural land or farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(h) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(i) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm

homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

(j) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by the express statement in a deed in lieu of foreclosure or in a deed in lieu of a termination of a contract for deed for the agricultural land.

(k) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred, but may be inherited.

Sec. 8. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 7, is amended to read:

Subd. 7. [NOTICE OF OFFER.] (a) The state, a federal agency, *limited partnership*, or a corporation subject to subdivision 6 must provide a notice of an offer to sell or lease agricultural land substantially as follows, after inserting the appropriate terms within the parentheses:

Sec. 2. [17.7242] [SOIL BUFFERING DEMONSTRATION PROJECT AND STUDY.]

Subdivision 1. [PURPOSE.] The purpose of the demonstration project required under sections 1 to 6 is to identify appropriate and mutually beneficial methods for the utilization of industrial by-product soil buffering materials. Proper utilization will minimize current waste disposal problems, provide a market for an underutilized resource, and make available to farmers an effective, low-cost soil buffering product.

Subd. 2. [AUTHORITY.] The commissioner must coordinate the design and implementation of a demonstration project to examine the technical feasibility, economic benefits, and environmental impacts of utilizing industrial by-product soil buffering materials as a substitute for limestone and other traditional soil buffering materials.

Subd. 3. [PROCEDURES DEVELOPED.] The demonstration project will identify and recommend as proposed standards appropriate procedures for the sampling, analysis, TNP labeling storage, stockpiling, transportation, and application of industrial by-product soil buffering materials. After TNP labeling standards have been established, which shall be no later than March 1, 1989, they shall be provided to the landowner or tenant prior to land application or stockpiling.

Subd. 4. [SCOPE.] The demonstration project must be on a scale deemed by the commissioner to be efficient and manageable while providing the greatest practicable utilization of industrial by-product soil buffering materials for agricultural purposes.

Sec. 3. [17.7423] [RESPONSIBILITIES OF THE COMMISSIONER.]

Subdivision 1. [BROAD PARTICIPATION.] The commissioner shall seek participation in the demonstration project by other persons, institutions, and organizations having an interest in soil buffering materials and industrial by-product soil buffering materials including the pollution control agency, one or more counties, one or more soil and water conservation districts, and the University of Minnesota.

Subd. 2. [PUBLIC EDUCATION.] The commissioner shall seek to maximize the public education benefit of the demonstration program.

Sec. 4. [17.7424] [ENVIRONMENTAL CONTROLS.]

Subdivision 1. [SAMPLING; ANALYSIS.] The commissioner and the commissioner's agents may sample, inspect, make analysis of, and test industrial by-product soil buffering materials used in the demonstration project and study at a time and place and to an extent the commissioner considers necessary to determine whether the agricultural soil buffering materials are suitable for the project. The commissioner and the commissioner's agents may enter public or private premises where demonstration projects are being conducted in order to have access to:

- (1) soil buffering materials used in the demonstration project;*
- (2) sampling of sites actually or reportedly exposed to agricultural soil buffering materials;*
- (3) inspection of storage, handling, transportation, use, or disposal areas of industrial by-product soil buffering materials;*
- (4) inspection or investigation of complaints of injury to humans, wildlife, domesticated animals, crops, or the environment;*
- (5) observation of the use and application of the soil buffering material;*
- (6) inspection of records related to the production, transportation, stockpiling, use, or disposal of industrial by-product soil buffering material; and*
- (7) other purposes necessary to implement sections 1 to 6.*

Subd. 2. [RECEIPT FOR INSPECTION SAMPLES; REPORT ON ANALYSES.] Before leaving inspected premises, the commissioner shall provide the owner, operator, or agent in charge with a receipt describing any samples obtained. If an analysis is made of the samples, a copy of the results of the analysis must be furnished to the owner, operator, or agent in charge.

Subd. 3. [EMERGENCY INSPECTION.] The commissioner and the commissioner's agents may enter public or private property without a notice of inspection if a suspected incident involving industrial by-product soil buffering materials may threaten public health or the environment.

year afterwards, about the activities, findings, and recommendations related to the demonstration project.

Sec. 6. [APPROPRIATION.]

\$70,000 is appropriated from the general fund to the commissioner of agriculture for purposes of the demonstration project and study of industry by-product soil buffering materials. Of this amount, up to \$50,000 is available to the commissioner for expenses of administering and coordinating the demonstration project. The balance of the appropriation may be used by the commissioner for material testing and analysis and other activities related to the demonstration project and performed by the University of Minnesota or other qualified participants or organizations. The appropriation is available until June 29, 1991.

Sec. 7. [REPEALER.]

Sections 1 to 5 are repealed June 30, 1991.

Mr. Davis from the Committee on Agriculture, to which was referred

S.F. No. 2076: A bill for an act relating to agriculture; appropriating money for a seller-sponsored loan program for beginning farmers.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1987 Supplement, section 41B.01, subdivision 2, is amended to read:

Subd. 2. [PURPOSE.] Sections 41B.01 to 41B.23 create and establish the Minnesota rural finance authority and establish a program under which state bonds are authorized to be issued and proceeds of their sale are appropriated under the authority of article XI, section 5, clause (h) of the Minnesota Constitution, to develop the state's agricultural resources by extending credit on real estate security. The purpose of the rural finance authority's programs and of the bonds issued to finance or provide security for the programs is to purchase participation interests in loans, *including seller-sponsored loans* to be made available by agricultural lenders to farmers on terms and conditions not otherwise available from other credit sources. It is hereby found and declared that there presently exist in the state economic conditions which have severely adversely affected the economic viability of farms to the detriment of the rural economy and to the detriment of the economy of the state of Minnesota as a whole. It is further found and declared that as a result of public agricultural policies, agricultural

market conditions, and other causes, the condition of the farm economy of the state of Minnesota is such as to jeopardize the continued existence and successful operation of farms in this state, necessitating the establishment of the programs in sections 41B.01 to 41B.23 to provide new sources of credit on favorable terms and conditions. It is further found and declared that providing credit for farmers on favorable terms and conditions will serve and promote the public welfare by assuring the viability of farm operations, by preventing erosion of the tax base in rural areas, by reducing foreclosures on farm property, and by enhancing the financial stability of farmers and of the businesses which depend on farmers as customers. It is further found and declared that in establishing a Minnesota rural finance authority and in authorizing the programs in sections 41B.01 to 41B.23, the legislature is acting in all respects for the benefit of the people of the state of Minnesota to serve the public purpose of improving and otherwise promoting their health, welfare, and prosperity and that the Minnesota rural finance authority, as created and established, is empowered to act on behalf of the people of the state of Minnesota in serving this public purpose for the benefit of the general public.

Sec. 2. Minnesota Statutes 1986, section 41B.02, is amended by adding a subdivision to read:

Subd. 18. [SELLER-SPONSORED LOAN.] "Seller-sponsored loan" means a loan in which part or all of the price of a farm is financed by a loan from the seller of the farm who is a natural person, a partnership, or a family farm corporation as defined in section 500.24, located in Minnesota. The loan must be secured by a real estate mortgage evidenced by one or more notes that may carry different interest rates or by a contract for deed. The definition of a seller-sponsored loan under this subdivision does not include a loan between persons within the second degree of kindred according to common law.

Sec. 3. Minnesota Statutes 1987 Supplement, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [BEGINNING FARMER LOANS.] In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan, *including a seller-sponsored loan, in which the authority holds an interest, must:*

- (1) have sufficient education, training, or experience in the type of farming for which the loan is desired;
- (2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than \$100,000 \$150,000;
- (3) demonstrate a need for the loan;
- (4) demonstrate an ability to repay the loan;
- (5) demonstrate that the agricultural land to be purchased will be used by the borrower for agricultural purposes; and
- (6) demonstrate that farming will be the principal occupation of the borrower.

Sec. 4. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The authority may establish, develop criteria, and implement a beginning farmer program. The program must

assist persons entering farming who have not owned a farm before entering the beginning farmer program. *The program may include assistance for persons entering or reentering farming through the use of seller-sponsored loans.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 2, is amended to read:

Subd. 2. [STATE PARTICIPATION.] The state may participate in a new real estate loan with an eligible lender to a beginning farmer to the extent of ~~one-fourth~~ 35 percent of the principal amount of the loan or \$25,000 \$50,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 6. Minnesota Statutes 1987 Supplement, section 41B.05, is amended to read:

41B.05 [GENERAL POWERS OF THE AUTHORITY.]

For the purpose of exercising the specific powers granted in section 41B.04 and effectuating the other purposes of sections 41B.01 to 41B.23 the authority has the general powers granted in this section.

The authority may provide in an agreement for special procedures or requirements designed to meet specific conditions or requirements.

(t) It may allow farmers who are natural persons to combine programs of the federal Agriculture Credit Act of 1987 with programs of the rural finance administration."

(a) order the child's confinement to the Minnesota correctional facility-Red Wing or the Minnesota correctional facility-Sauk Centre, which shall accept the child, or to a group foster home under the control of the commissioner of corrections, or to private facilities or facilities established by law or incorporated under the laws of this state that may care for delinquent children;

removal from the child's own family is necessary, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

 - (i) the infant is chronically and irreversibly comatose;*
 - (ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or*
 - (iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;**
- (6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;*
- (7) has been placed for adoption or care in violation of law;*

A child who commits a juvenile petty offense is a "juvenile petty offender."

When it is alleged that a child is ~~neglected in need of protection or services~~, venue may be in the county where the child is found, in the county of residence, or in the county where the alleged ~~neglect conditions causing the child's need for protection or services~~ occurred. If delinquency, ~~habitual truancy, running away~~, a juvenile petty offense, a ~~juvenile alcohol or controlled substance offense~~, or a juvenile traffic offense is alleged, proceedings shall be brought in the county of residence or the county where the alleged delinquency, ~~habitual truancy, running away~~, juvenile petty offense, ~~juvenile alcohol or controlled substance offense~~ or juvenile traffic offense occurred.

The judge of the receiving court may accept the findings of the transferring court or may direct the filing of a new petition or notice under section 260.015, subdivision 23, or 260.132 and hear the case anew.

Sec. 12. Minnesota Statutes 1986, section 260.131, subdivision 1, is amended to read:

The officer shall file a copy of the notice to appear with the juvenile court of the appropriate county. If a child fails to appear in response to the notice, the court may issue a summons notifying the child of the nature of the offense alleged and the time and place set for the hearing. Sec. 15. Minnesota Statutes 1986, section 260.133, subdivision 2, is amended to read:

Subd. 2. [TEMPORARY ORDER.] If it appears from the notarized petition or by sworn affidavit that there are reasonable grounds to believe the child is in immediate and present danger of domestic child abuse, the court may grant an ex parte temporary order for protection, pending a full hearing. The court may grant relief as it deems proper, including an order:

(1) restraining any party from committing acts of domestic child abuse;
or

(2) excluding the alleged abusing party from the dwelling which the family or household members share or from the residence of the child.

However, no order excluding the alleged abusing party from the dwelling

may be issued unless the court finds that:

(1) the order is in the best interests of the child or children remaining in the dwelling; and

(2) a remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

Before the temporary order is issued, the local welfare agency shall advise the court and the other parties who are present that appropriate social services will be provided to the family or household members during the effective period of the order.

An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days. Within five days of the issuance of the temporary order, the petitioner shall file a ~~dependency and neglect~~ petition with the court pursuant to section 260.131, *alleging that the child is in need of protection or services* and the court shall give docket priority to the petition.

The court may renew the temporary order for protection one time for a fixed period not to exceed 14 days if a ~~dependency and neglect~~ petition *alleging that the child is in need of protection or services* has been filed with the court and if the court determines, upon informal review of the case file, that the renewal is appropriate.

Sec. 16. Minnesota Statutes 1986, section 260.135, subdivision 1, is amended to read:

Subdivision 1. After a petition has been filed and unless the parties hereinafter named voluntarily appear, the court shall set a time for a hearing and shall issue a summons requiring the person who has custody or control of the child to appear with the child before the court at a time and place stated. The summons shall have a copy of the petition attached, and shall advise the parties of the right to counsel and of the consequences of failure to obey the summons. The court shall give docket priority to any ~~dependency, neglect~~ *child in need of protection or services*, neglected and in foster care, or delinquency petition that contains allegations of child abuse over any other case except those delinquency matters where a child is being held in a secure detention facility. As used in this subdivision, "child abuse" has the meaning given it in section 630.36, subdivision 2.

Sec. 17. Minnesota Statutes 1986, section 260.135, subdivision 3, is amended to read:

Subd. 3. If a petition ~~alleging neglect, or dependency~~ *a child's need for protection or services*, or a petition to terminate parental rights is initiated by a person other than a representative of the department of human services or county welfare board, the court administrator shall notify the county welfare board of the pendency of the case and of the time and place appointed.

Sec. 18. Minnesota Statutes 1987 Supplement, section 260.155, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Except for hearings arising under section 260.261, hearings on any matter shall be without a jury and may be conducted in an informal manner. The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to be delinquent, a ~~habitual truant,~~

a runaway in need of protection or services under section 3, clause (11) or (12), or a juvenile petty offender, or a juvenile alcohol or controlled substance offender, and hearings conducted pursuant to section 260.125 except to the extent that the rules themselves provide that they do not apply. Hearings may be continued or adjourned from time to time and, in the interim, the court may make any orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the hearing offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

In any other case the court may appoint a guardian ad litem to protect the interests of the minor when the court feels that such an appointment is desirable. The court shall appoint the guardian ad litem on its own motion or in the manner provided for the appointment of a guardian ad litem in the district court.

(b) The court may waive the appointment of a guardian ad litem pursuant to clause (a), whenever counsel has been appointed pursuant to subdivision 2 or is retained otherwise, and the court is satisfied that the interests of the minor are protected.

(c) In appointing a guardian ad litem pursuant to clause (a), the court shall not appoint the party, or any agent or employee thereof, filing a petition pursuant to section 260.131.

Sec. 20. Minnesota Statutes 1986, section 260.155, subdivision 4a, is amended to read:

Subd. 4a. [EXAMINATION OF CHILD.] In any dependency, neglect, child in need of protection or services proceeding or neglected and in foster care proceeding the court may, on its own motion or the motion of any party, take the testimony of a child witness informally when it is in the child's best interests to do so. Informal procedures that may be used by the court include taking the testimony of a child witness outside the courtroom. The court may also require counsel for any party to the proceeding to submit questions to the court before the child's testimony is taken, and to submit additional questions to the court for the witness after questioning

has been completed. The court may excuse the presence of the child's parent, guardian, or custodian from the room where the child is questioned in accordance with subdivision 5.

Sec. 21. Minnesota Statutes 1987 Supplement, section 260.156, is amended to read:

(a) the court finds that the time, content, and circumstances of the statement and the reliability of the person to whom the statement is made provide sufficient indicia of reliability; and

(b) the proponent of the statement notifies other parties of an intent to offer the statement and the particulars of the statement sufficiently in advance of the proceeding at which the proponent intends to offer the statement into evidence, to provide the parties with a fair opportunity to meet the statement.

For purposes of this section, an out-of-court statement includes a video, audio, or other recorded statement.

Sec. 22. Minnesota Statutes 1986, section 260.171, subdivision 1, is amended to read:

Subdivision 1. If a child is taken into custody as provided in section 260.165, the parent, guardian, or custodian of the child shall be notified as soon as possible. Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, *run away from the child's parent, guardian, or custodian or otherwise* not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person. That person shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person taking the child into custody believes it desirable, that person may request the parent, guardian, custodian, or other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on the child's own promise to appear in juvenile court.

Sec. 23. Minnesota Statutes 1986, section 260.171, subdivision 4, is amended to read:

that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why the child is being placed in a secure detention facility or a shelter care facility; and

(b) of the location of the secure detention facility or shelter care facility. If there is reason to believe that disclosure of the location of the shelter care facility would place the child's health and welfare in immediate endangerment, disclosure of the location of the shelter care facility shall not be made; and

(c) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the secure detention facility or shelter care facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney or guardian ad litem at reasonable hours; and

(d) that the child may telephone parents and an attorney or guardian ad litem from the secure detention facility or shelter care facility immediately after being admitted to the facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be detained for acts as defined in section 260.015, subdivision 5, at a secure detention facility or shelter care facility longer than 36 hours, excluding Saturdays, Sundays and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(f) that the child may not be detained pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), at a shelter care facility longer than 72 hours, excluding Saturdays, Sundays and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(g) of the date, time, and place of the detention hearing; and

(h) that the child and the child's parent, guardian, or custodian have the right to be present and to be represented by counsel at the detention hearing, and that if they cannot afford counsel, counsel will be appointed at public expense for the child, if it is a delinquency matter, or for any party, if it is a ~~dependency, neglect~~ *child in need of protection or services*, neglected and in foster care, or termination of parental rights matter.

Sec. 24. Minnesota Statutes 1986, section 260.172, subdivision 1, is amended to read:

Subdivision 1. Except a child taken into custody pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), a hearing shall be held within 36 hours of a child's being taken into custody, excluding Saturdays, Sundays and holidays, to determine whether the child should continue in detention. Within 72 hours of a child being taken into custody pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), excluding Saturdays, Sundays and holidays, a hearing shall be held to determine whether the child should continue in custody. Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, *run away from the child's parent, guardian, or custodian or otherwise* not remain in the care or control of the person to whose lawful custody the child is released, or

that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian or other suitable person.

Sec. 25. Minnesota Statutes 1986, section 260.173, subdivision 3, is amended to read:

Subd. 3. [PLACEMENT.] If the child had been taken into custody and detained as one who is alleged to be delinquent, a ~~habitual truant, a runaway in need of protection or services under section 3, clause (11) or (12), or a juvenile petty offender, or a juvenile alcohol or controlled substance offender~~ by reason of:

(a) Having committed an offense which would not constitute a violation of a state law or local ordinance if the child were an adult; or

(b) Having been previously adjudicated delinquent, ~~habitually truant, a runaway in need of protection or services under section 3, clause (11) or (12), or a juvenile petty offender, or a juvenile alcohol or controlled substance offender,~~ or conditionally released by the juvenile court without adjudication, has violated probation, parole, or other field supervision under which the child had been placed as a result of behavior described in this subdivision; the child may be placed only in a shelter care facility.

Sec. 26. Minnesota Statutes 1986, section 260.181, subdivision 4, is amended to read:

Subd. 4. [TERMINATION OF JURISDICTION.] The court may dismiss the petition or otherwise terminate its jurisdiction on its own motion or on the motion or petition of any interested party at any time. Unless terminated by the court, *and except as otherwise provided in this subdivision*, the jurisdiction of the court shall continue until the individual becomes 19 years of age if the court determines it is in the best interest of the individual to do so. *Court jurisdiction under section 3, clause (12), may not continue past the child's 17th birthday.*

Sec. 27. Minnesota Statutes 1986, section 260.191, subdivision 1, is amended to read:

Subdivision 1. [DISPOSITIONS.] (a) If the court finds that the child is ~~neglected, dependent, in need of protection or services~~ or neglected and in foster care, it shall enter an order making any of the following dispositions of the case:

(~~a~~) (1) place the child under the protective supervision of the county welfare board or child placing agency in the child's own home under conditions prescribed by the court directed to the correction of the ~~neglect or dependency of the child~~ *child's need for protection or services*;

(~~b~~) (2) transfer legal custody to one of the following:

(~~1~~) (i) a child placing agency; or

(~~2~~) (ii) the county welfare board.

In placing a child whose custody has been transferred under this paragraph, the agency and board shall follow the order of preference stated in section 260.181, subdivision 3;

(~~e~~) (3) if the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to

provide this treatment or care, the court may order it provided. If the court's order for mental health treatment is based on a diagnosis made by a treatment professional, the court may order that the diagnosing professional not provide the treatment to the child if it finds that such an order is in the child's best interests; or

(4) if the court believes that the child has sufficient maturity and judgment and that it is in the best interests of the child, the court may order a child 16 years old or older to be allowed to live independently, either alone or with others as approved by the court under supervision the court considers appropriate, if the county board has specifically authorized this dispositional alternative for a child whose parent, guardian, or custodian resides in that county.

(b) If the child was adjudicated in need of protection or services because the child is a runaway or habitual truant, the court may order any of the following dispositions in addition to or as alternatives to the dispositions authorized under paragraph (a):

(1) counsel the child or the child's parents, guardian, or custodian;

(2) place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court, including reasonable rules for the child's conduct and the conduct of the parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child; or with the consent of the commissioner of corrections, place the child in a group foster care facility which is under the commissioner's management and supervision;

(3) subject to the court's supervision, transfer legal custody of the child to one of the following:

(ii) a county probation officer for placement in a group foster home established under the direction of the juvenile court and licensed pursuant to section 241.021;

(4) require the child to pay a fine of up to \$100. The court shall order payment of the fine in a manner that will not impose undue financial hardship upon the child;

(5) require the child to participate in a community service project;

(6) order the child to undergo a chemical dependency evaluation and, if warranted by the evaluation, order participation by the child in a drug awareness program or an inpatient or outpatient chemical dependency treatment program;

(7) if the court believes that it is in the best interests of the child and of public safety that the child's driver's license be canceled, the court may recommend to the commissioner of public safety that the child's license be canceled for any period up to the child's 18th birthday. The commissioner is authorized to cancel the license without a hearing. At any time before the expiration of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize; or

(8) require the child to perform any other activities or participate in

The case plan shall, among other matters, specify the actions to be taken by the child and the child's parent, guardian, or custodian to comply with the court's disposition order, and the services to be offered and provided by the agency to the child and the child's parent, guardian, or custodian. The court shall review the case plan and, upon approving it, incorporate the plan into its disposition order. The court may review and modify the terms of the case plan in the manner provided in subdivision 2.

Sec. 29. Minnesota Statutes 1986, section 260.191, subdivision 4, is amended to read:

Such a continuance may be extended for one additional successive period not to exceed 90 days and only after the court has reviewed the case and entered its order for an additional continuance without a finding that the child is ~~neglected, dependent, in need of protection or services~~ or neglected and in foster care. During this continuance the court may enter any order otherwise permitted under the provisions of this section.

Sec. 30. Minnesota Statutes 1986, section 260.195, is amended to read:

The officer shall file a copy of the notice to appear with the juvenile court of the county in which the alleged violation occurred. Filing with the court a notice to appear containing the name and address of the child who is alleged to be a juvenile alcohol or controlled substance petty offender, specifying the offense charged, and the time and place of the alleged violation has the effect of a petition giving the juvenile court jurisdiction. Whenever a notice to appear or petition is filed alleging that a child is a ~~juvenile alcohol or controlled substance~~ *petty* offender, the court shall summon and notify the person or persons having custody or control of the child of the nature of the offense charged and the time and place of hearing. This summons and notice shall be served in the time and manner provided in section 260.135, subdivision 1. If a child fails to appear in response to the notice provided by this subdivision, the court may issue a summons notifying the child of the nature of the offense alleged and the time and place set for the hearing. If the peace officer finds it necessary to take the child into custody, sections 260.165 and 260.171 shall apply.

Upon receipt, the commissioner shall revoke the child's license or permit for a period of 30 days.

None of the dispositional alternatives described in clauses (a) to (e) shall be imposed by the court in a manner which would cause an undue hardship upon the child.

Subd. 4. [ALTERNATIVE DISPOSITION.] In addition to dispositional alternatives authorized by subdivision 3, in the case of a third or subsequent finding by the court pursuant to an admission in court or after trial that a child ~~is~~ *has committed* a juvenile alcohol or controlled substance ~~offender~~ *offense*, the juvenile court shall order a chemical dependency evaluation of the child and if warranted by the evaluation, the court may order participation by the child in an inpatient or outpatient chemical dependency treatment program, or any other treatment deemed appropriate by the court.

Subd. 5. [FINDINGS REQUIRED.] Any order for disposition authorized by this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

Each report shall contain information as to date of placement, length of anticipated placement, program costs, reasons for out of state placement, and any other information as the office requires to determine the number of out of state placements, the reasons for these placements, and the costs involved. The report shall not contain the name of the child. Any information contained in the reports relating to factors identifying a particular child is confidential and may be disclosed only by order of the juvenile court. Any person violating this subdivision as to release of this confidential information is guilty of a misdemeanor.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below or above the guidelines.

S.F. No. 2263: A bill for an act relating to health; providing a state administered insurance program for persons without health care coverage; requiring premiums on a sliding fee basis; appropriating money; proposing coding for new law as Minnesota Statutes, chapter 256H.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [256H.01] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of this chapter, the terms defined in this section have the meanings given them.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of human services:

Subd. 3. [ELIGIBLE PERSON.] "Eligible person" means an individual who meets the requirements of section 4 and the rules adopted by the commissioner.

Subd. 4. [HEALTH PLAN.] "Health plan" means a health insurance company regulated under chapter 62A, a nonprofit health service plan corporation regulated under chapter 62C, or a health maintenance organization regulated under chapter 62D.

Subd. 5. [HEALTHSPAN.] "Healthspan" means the health care program for eligible persons administered by the commissioner under this chapter.

Sec. 2. [256H.02] [HEALTHSPAN CONTRACTS WITH HEALTH PLANS.]

The commissioner shall solicit bids and negotiate and contract with one or more health plans to provide health coverage to persons eligible for healthspan. The commissioner may negotiate separate contracts to cover eligible persons who are in need of, and receive, immediate medical treatment but who are not yet covered by a healthspan health plan. Contracts to manage enrollment and plan selection must be bid or negotiated separately from contracts with health plans. When awarding contracts, the commissioner shall consider the cost of the plans; conversion options relating to the contracts; service capabilities; character, financial position, and reputation of the health plans; and other factors the commissioner considers appropriate. Health plan contracts must be for a term of at least one year but may be made automatically renewable from term to term in the absence of notice of termination by either party. The commissioner shall, to the extent feasible, offer to eligible persons a choice of health plans. The commissioner may offer only one plan in an area of the state if only one acceptable bid exists or if offering more than one would result in substantial, additional administrative costs. Payments from the state to a health plan under this chapter are exempt from the tax imposed by section 60A.15 and are not included in a health plan's premiums for the purposes of assessments under section 62E.11.

Sec. 3. [256H.03] [BENEFITS.]

Healthspan health plans must provide benefits at least equal to a number two qualified plan as specified in section 62E.06, subdivision 2, or Medicare supplement 1 + coverage as specified in section 62A.32. A healthspan contract must not deny coverage for a preexisting condition. A policy or evidence of coverage issued to an eligible person under this section must contain a detailed statement of benefits offered, including any maximums, limitations, exclusions, and other definitions of benefits the commissioner considers necessary or desirable.

Sec. 4. [256H.04] [ELIGIBILITY.]

Subdivision 1. [ELIGIBLE PERSONS.] A Minnesota resident is eligible for healthspan if the resident is not covered by a policy, plan, or contract of health coverage regulated under chapter 62A, 62C, or 62D, and is not

eligible for medical assistance, general assistance medical care, an employment-based insurance program, or other subsidized health insurance program. Eligible persons who need immediate medical treatment must be covered under the program from the time they first seek treatment. The time, manner, conditions, and terms of eligibility for enrollment in the program shall be determined by the commissioner in rule.

Subd. 2. [REDETERMINATION OF ELIGIBILITY AND PREMIUM.] The commissioner shall redetermine a person's eligibility and share of the premium every six months while the person is enrolled in the program.

Sec. 5. [256H.05] [PAYMENT OF PREMIUMS.]

An eligible person must pay a portion of the premium for healthspan coverage according to an income based sliding fee scale adopted by the commissioner in rule. The commissioner shall pay the remainder of the premium. A person whose income is greater than 250 percent of the federal poverty income guidelines for a family of the same size must pay the entire premium. Terms of payment of premiums by the commissioner and enrollee must be specified in the contract.

Sec. 6. [256H.06] [SOLICITATION OF ELIGIBLE PERSONS.]

The commissioner shall disseminate appropriate information to state residents about the existence of the program and how to apply. The commissioner shall devise and implement methods to maintain public awareness of the healthspan program and shall administer this chapter in a manner that facilitates public participation.

Sec. 7. [IMPLEMENTATION PLAN; REPORT.]

The commissioner, in consultation with the commissioners of health and commerce, shall develop a plan to implement the program. The plan must include at least the following:

- (1) estimates of the number of people eligible for the program, the expected number of individuals who will enroll, and the costs of the program;*
- (2) a description of benefits to be offered;*
- (3) recommendations for methods to determine eligibility and collect premiums;*
- (4) strategies for contracting and marketing;*
- (5) strategies to preserve and enhance employer participation in the provision of health care coverage;*
- (6) strategies to coordinate or merge the program with health care programs such as general assistance medical care, the university hospital papers program at the University of Minnesota hospitals, Minnesota comprehensive health association, medical assistance, Medicare, the catastrophic health expense protection program, the children's health plan, and other similar programs;*
- (7) timelines for implementing the program, with specific implementation plans for the 1989-1991 biennium;*
- (8) methods of financing the program; and*
- (9) recommendations for legislation to implement the program.*

The commissioner shall report to the legislature by January 1, 1989,

on options to implement the program.

Sec. 8. [APPROPRIATION.]

\$50,000 is appropriated from the general fund to the commissioner of human services to develop the plan and prepare the report required under section 7.

S.F. No. 1933: A bill for an act relating to human services; regarding rates for day training and habilitation services; amending Minnesota Statutes 1986, section 256B.501, by adding a subdivision; Minnesota Statutes 1987 Supplement, section 252.46, subdivision 6, and by adding subdivisions.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1987 Supplement, section 252.46, subdivision 5, is amended to read:

Subd. 5. [SUBMITTING RECOMMENDED RATES.] The county board shall submit recommended payment rates to the commissioner on forms supplied by the commissioner ~~by November 1, 1987, and~~ at least 60 days before revised payment rates or payment rates for new vendors are to be effective. The forms must require the county board's written verification of the individual documentation required under section 252.44, clause (a). If the number of days of service provided by a licensed vendor are projected to increase, the county board must recommend payment rates based on the projected increased days of attendance and resulting lower per unit fixed costs. *Recommended increases in payment rates for vendors whose approved payment rates are ten or more than ten percent below the statewide median payment rates must be equal to the maximum increases allowed for that vendor under subdivision 3.* If a vendor provides services at more than one licensed site, the county board may recommend the same payment rates for each site based on the average rate for all sites. The county board may also recommend differing payment rates for each licensed site if it would result in a total annual payment to the vendor that is equal to or less than the total annual payment that would result if the average rates had been used for all sites. For purposes of this subdivision, the average payment rate for all service sites used by a vendor must be computed by adding the

amounts that result when the payment rates for each licensed site are multiplied by the projected annual number of service units to be provided at that site and dividing the sum of those amounts by the total units of service to be provided by the vendor at all sites.

Sec. 2. Minnesota Statutes 1987 Supplement, section 252.46, subdivision 6, is amended to read:

Subd. 6. [VARIANCES.] A variance from the minimum or maximum payment rates in subdivisions 2 and 3 may be granted by the commissioner when the vendor requests and the county board submits to the commissioner a written variance request with the recommended payment rates. *A variance may be utilized for costs associated with compliance with state administrative rules, compliance with court orders, increased insurance costs, start-up and conversion costs for supported employment, direct service staff salaries, and transportation.* The county board shall review all vendors' payment rates that are ~~20 ten or more than ten percent~~ lower than the average rates for the regional development commission district to which the county belongs statewide median payment rates. If the county determines that the payment rates do not provide sufficient revenue to the vendor for authorized service delivery the county must recommend a variance under this section. ~~This review must occur prior to November 1, 1987.~~ When the county board contracts for increased services from any vendor for some or all individuals receiving services from the vendor, the county board shall review the vendor's payment rates to determine whether the increase requires that a variance to the minimum rates be recommended under this section to reflect the vendor's lower per unit fixed costs. The written variance request must include documentation that all the following criteria have been met:

(1) The commissioner and the county board have both conducted a review and have identified a need for a change in the payment rates to ~~change the number of direct service staff or the level of qualifications of the staff.~~

(2) The proposed changes are required for the vendor to deliver authorized individual services in an effective and efficient manner.

(3) The proposed changes *are necessary to demonstrate compliance with minimum licensing standards governing minimum staffing ratios and staff qualifications.*

(4) The vendor documents that the ~~change in staff numbers or qualifications changes~~ cannot be achieved by reallocating current staff or by reallocating financial resources to ~~provide or purchase the necessary services.~~

(5) The county board submits evidence that the need for additional staff cannot be met by using temporary special needs rate exceptions under Minnesota Rules, parts 9510.1020 to 9510.1140.

(6) The county board submits a description of the nature and cost of the proposed changes, *and how the county will monitor the use of funds by the vendor to make necessary changes in services. Allowable costs are limited to salaries, related fringe benefits, and payroll taxes.*

(7) The county board's recommended payment rates do not exceed 125 percent of the ~~average current calendar year's statewide median payment rates in the regional development commission district in which the vendor is located.~~

Sec. 3. Minnesota Statutes 1987 Supplement, section 252.46, is amended

by adding a subdivision to read:

Subd. 13. [REVIEW AND REVISION OF PROCEDURES FOR RATE EXCEPTIONS FOR VERY DEPENDENT PERSONS WITH SPECIAL NEEDS.] The commissioner shall review the procedures established in Minnesota Rules, parts 9510.1020 to 9510.1140, that counties must follow to seek authorization for a medical assistance rate exception for services for very dependent persons with special needs. The commissioner shall appoint an advisory task force to work with the commissioner. Members of the task force must include vendors, providers, advocates, and consumers. After considering the recommendations of the advisory task force and county rate setting procedures developed under this section, the commissioner shall:

(1) revise administrative procedures as necessary;

(2) implement new review procedures for county applications for medical assistance rate exceptions for services for very dependent persons with special needs in a manner that accounts for services available to the person within the approved payment rates of the vendor;

(3) provide training and technical assistance to vendors, providers, and counties in use of procedures governing medical assistance rate exceptions for very dependent persons with special needs and in county rate setting procedures established under this subdivision; and

(4) develop a strategy and implementation plan for uniform data collection for use in establishing equitable payment rates and medical assistance rate exceptions for services provided by vendors.

Sec. 4. Minnesota Statutes 1987 Supplement, section 252.46, is amended by adding a subdivision to read:

Subd. 14. [PILOT STUDY.] The commissioner may initiate a pilot payment rate system designed in accordance with section 252.47. The pilot project may include establishment of training and demonstration sites. The pilot payment rate system must include actual transfers of money, not simulated transfers. The pilot payment rate system may involve up to four counties and four vendors representing different geographic regions and rates of reimbursement. Participation in the pilot project must be voluntary. Selection of participants by the commissioner must be based on the vendor's submission of a complete application form provided by the commissioner. The application must include letters of agreement from the host county, counties of financial responsibility, and residential service providers. Evaluation of the pilot project must include consideration of the effectiveness of procedures governing establishment of equitable payment rates. Date of implementation of the pilot payment rate system must be contingent upon federal approval and systems feasibility. The policies and procedures governing administration, participation, evaluation, service utilization, and payment for services under the pilot payment rate system are not subject to the rulemaking requirements of chapter 14.

Sec. 5. [COMPLEMENT.]

The approved complement of the department of human services is increased by one full-time equivalent position for purposes of sections 1 to 3. The approved complement of the department of human services is increased by two temporary full-time equivalent positions for purposes of implementing section 4.

609.101 [SURCHARGE ON FINES, ASSESSMENTS; MINIMUM FINES.]

Subdivision 1. [SURCHARGES AND ASSESSMENTS.] When a court sentences a person convicted of a felony, gross misdemeanor, or misdemeanor, other than a petty misdemeanor such as a traffic or parking violation, and if the sentence does not include payment of a fine, the court shall impose an assessment of not less than \$25 nor more than \$50. If the sentence for the felony, gross misdemeanor, or misdemeanor includes payment of a fine of any amount, including a fine of less than \$100, the court shall impose a surcharge on the fine of ten percent of the fine. This section applies whether or not the person is sentenced to imprisonment and when the sentence is suspended. The court may not waive payment or authorize payment of the assessment or surcharge in installments unless it makes written findings on the record that the convicted person is indigent or that the assessment or surcharge would create undue hardship for the convicted person or that person's immediate family. If the court fails to waive or impose an assessment required by this section, the court administrator shall correct the record to show imposition of an assessment of \$25 if the sentence does not include payment of a fine, or if the sentence includes a fine, to show an imposition of a surcharge of ten percent of the fine.

Except for assessments and surcharges imposed on persons convicted of violations described in section 97A.065, subdivision 2, the court shall collect and forward to the ~~commissioner of finance~~ *state treasurer* the total

amount of the assessment or surcharge and the ~~commissioner~~ *treasurer* shall credit all money so forwarded to a crime victim and witness account, which is established as a special account in the state treasury.

Money credited to the crime victim and witness account may be appropriated for but is not limited to the following purposes:

- (1) use for crime victim reparations under sections 611A.51 to 611A.68;
- (2) use by the crime victim and witness advisory council established under section 611A.71; and
- (3) to supplement the federally funded activities of the crime victim ombudsman under section 611A.74.

If the convicted person is sentenced to imprisonment, the chief executive officer of the correctional facility in which the convicted person is incarcerated may collect the assessment or surcharge from any earnings the inmate accrues for work performed in the correctional facility and forward the amount to the ~~commissioner of finance~~ *state treasurer*, indicating the part that was imposed for violations described in section 97A.065, subdivision 2, which must be credited to the game and fish fund.

Subd. 2. [MINIMUM FINES.] Notwithstanding any other law:

- (1) when a court sentences a person convicted of violating section 609.221, 609.267, or 609.342, it must impose a fine of not less than \$500 nor more than the maximum fine authorized by law;
- (2) when a court sentences a person convicted of violating section 609.222, 609.223, 609.2671, 609.343, 609.344, or 609.345, it must impose a fine of not less than \$300 nor more than the maximum fine authorized by law; and
- (3) when a court sentences a person convicted of violating section 609.2231, 609.224, or 609.2672, it must impose a fine of not less than \$100 nor more than the maximum fine authorized by law.

The court may not waive payment of the fine or authorize payment of it in installments unless the court makes written findings on the record that the convicted person is indigent or that the fine would create undue hardship for the convicted person or that person's immediate family.

The court shall collect the minimum fine mandated by this subdivision and forward 70 percent of it to a local victim assistance program that provides services locally in the county in which the crime was committed. The court shall forward the remaining 30 percent to the ~~commissioner of finance~~ *state treasurer* to be credited to the crime victim and witness account established in subdivision 1. If more than one victim assistance program serves the county in which the crime was committed, the court may designate on a case-by-case basis which program will receive the fine proceeds, giving consideration to the nature of the crime committed, the types of victims served by the program, and the funding needs of the program. If no victim assistance program serves that county, the court shall forward 100 percent of the fine proceeds to the ~~commissioner of finance~~ *treasurer* to be credited to the crime victim and witness account. Fine proceeds received by a local victim assistance program must be used to provide direct services to crime victims. Fine proceeds credited to the crime victim and witness account may be appropriated to the crime victim and witness advisory council, and the council may use all or part of the proceeds

for the purpose of providing grants to establish new victim assistance programs.

The minimum fine required by this subdivision is in addition to the surcharge or assessment required by subdivision 1 and is in addition to any term of imprisonment or restitution imposed or ordered by the court.

As used in this subdivision, "victim assistance program" means victim witness programs within county attorney offices or any of the following programs approved by the department of corrections: crime victim crisis centers, victim-witness programs, battered women shelters and nonshelter programs, and sexual assault programs."

Subd. 9. [RESPONSE ACTION.] "Response action" means remedial and removal action as defined in section 115B.02, subdivisions 16 and 17.

Sec. 2. [514.672] [ENVIRONMENTAL LIEN.]

Subdivision 1. [LIEN AMOUNT; PROPERTY SUBJECT TO LIEN.] All cleanup action expenses for which a person is liable to the state under section 115B.04 or 115C.04, constitute a lien in favor of the state upon all real property that:

(1) is owned by the person at the time the environmental lien notice is filed; and

(2) is subject to or affected by the cleanup action.

Subd. 2. [ATTACHMENT.] An environmental lien attaches when:

(1) cleanup action costs are first incurred by the state with respect to a cleanup action;

(2) the person referred to in subdivision 1 is provided, by certified or registered mail, written notice of potential liability; and

(3) a lien notice is filed as provided in section 3.

Subd. 3. [CONTINUATION OF LIEN.] An environmental lien continues until the liability for the cleanup action costs, or a judgment against the person referred to in subdivision 1 arising out of the liability, is satisfied or becomes unenforceable through operation of the statute of limitations under section 115B.11 or 541.05, subdivision 1, clause (2), unless the lien is released under subdivision 5.

Subd. 4. [LIEN PRIORITY.] An environmental lien is subject to the rights of any other person, including an owner, purchaser, holder of a mortgage or security interest, or judgment lien creditor, whose interest is perfected before a lien notice has been filed as provided in section 3. The rights of such other person must be afforded the same protections against an environmental lien as are afforded against a judgment lien which arises out of an unsecured obligation and which arises as of the time of the filing of the lien notice as provided in section 3.

Subd. 5. [RELEASE.] (a) The commissioner shall release an environmental lien if:

(1) the environmental lien is satisfied;

(2) a legally enforceable agreement satisfactory to the agency under chapter 115B, or the commissioner under chapter 115C, has been executed relating to taking the cleanup action or reimbursing the agency for the cleanup action expenses;

(3) a claim or judgment for the cleanup action expenses is satisfied;

(4) the petroleum tank release compensation board has disapproved the filing of an environmental lien notice under section 3, subdivision 3, paragraph (b); or

(5) the environmental lien is unenforceable.

(b) The commissioner or the agency may release an environmental lien if the attachment or enforcement of the environmental lien is determined by the agency or commissioner not to be in the public interest.

(c) An environmental lien is unenforceable if:

- (1) the lien is unenforceable under subdivision 3; or
- (2) a determination is made by a court that the environmental lien is unenforceable.

(d) The commissioner shall execute the release of an environmental lien and file the release as provided in section 3, subdivision 2.

Sec. 3. [514.673] [ENVIRONMENTAL LIEN NOTICE.]

Subdivision 1. [CONTENTS.] An environmental lien notice must state:

(1) the name of the record owner of the real property where the environmental lien attached;

(2) the legal description of the real property where the environmental lien attached;

(3) a statement that the real property described in the notice is subject to or affected by a cleanup action for which cleanup action expenses have been incurred;

(4) a statement that the owner is potentially liable for cleanup action expenses under section 115B.04 or 115C.04; and

(5) a statement that an environmental lien has attached to the described real property.

Subd. 2. [FILING.] Any notice, release, or other document required to be filed under sections 1 to 6 must be filed in the office of the county recorder or the registrar of titles of the county where the real property is located. An attestation, certification, or acknowledgment is not required as a condition of filing. The filing or mailing of any notice, release, or other document under sections 1 to 6 is the responsibility of the commissioner or the commissioner's designee. A copy of an environmental lien notice must also be sent to each record owner and mortgagee of the real property by registered or certified mail.

Subd. 3. [APPROVAL BY AGENCY OR PETROLEUM TANK RELEASE COMPENSATION BOARD.] (a) The commissioner may not file an environmental lien notice until the agency board for cleanup action expenses incurred under chapter 115B, or the petroleum tank release compensation board for cleanup action expenses incurred under chapter 115C, the person referred to in section 2, subdivision 1, and each record owner and mortgagee of the real property have been notified in writing of the commissioner's intention to file the lien notice and the requirements for filing the lien under paragraph (b) have been met.

(b) By 30 days after receiving notification from the commissioner under paragraph (a), the agency board or petroleum tank release compensation board shall approve or disapprove of the filing of the lien by the commissioner. If the appropriate board disapproves of the filing, the lien may not be filed. If the appropriate board approves of the filing or, in the case of the petroleum tank release compensation board, takes no action on the matter within the 30 day period, the commissioner may file the lien notice.

Sec. 4. [514.674] [LIEN ENFORCEMENT: LIMITATION.]

Subdivision 1. [FORECLOSURE PROCEDURE.] Subject to the provisions of subdivision 2, an environmental lien may be enforced by foreclosure in the manner provided for foreclosure of judgment liens under chapter 550.

Subd. 2. [PROPERTY USED FOR PRODUCTION OF INCOME.] If the person referred to in section 2, subdivision 1, used the real property for the production of income at the time the lien attached, the lien may not be foreclosed until the person ceases to use the property for the production of income or the real property or rights to the real property held by the person are transferred to another person. An environmental lien upon real property or rights to real property subject to this foreclosure limitation remains enforceable notwithstanding any law limiting the enforceability of a judgment arising out of the liability of the person referred to in section 2, subdivision 1.

Sec. 5. [514.675] [LIEN DOES NOT AFFECT OTHER REMEDIES.]

Nothing in sections 1 to 6 affects the right of the state to bring an action to recover cleanup action expenses under section 115B.04 or 115C.04.

Sec. 6. [514.676] [AMOUNTS RECEIVED TO SATISFY LIEN.]

Amounts received by the agency to satisfy all or a part of an environmental lien must be deposited in the state treasury and credited to the fund from which the expenses were paid."

Subd. 7. [IN GENERAL.] The authority has all the powers necessary and convenient to carry out its duties under sections 4 to 13.

Sec. 4. Minnesota Statutes 1987 Supplement, section 446A.05, subdivision 1, is amended to read:

Subdivision 1. [LOANS AND LOAN PURCHASES.] The authority may make and contract to make loans to governmental units to finance projects that the governmental unit may construct or acquire or may acquire or contract to acquire notes and bonds issued by governmental units to finance those projects. A loan may not be used to pay current expenses or obligations, except for temporary financing. A loan made by the authority must be secured by notes or bonds of the borrowing governmental unit.

Sec. 5. [446A.051] [PROJECT FINANCIAL ASSISTANCE.]

The authority shall assist eligible governmental units in determining what grants or loans under sections 446A.06 and 446A.07 to apply for to finance projects and the manner in which the governmental unit will pay for its portion of the project cost. The authority shall review the proposed financing for each project certified by the agency to ascertain whether or not: (1) total financing of a project is assured; and (2) the governmental unit's financial plan to pay for its portion of the project cost is feasible.

Sec. 6. [446A.12] [ISSUANCE OF BONDS.]

Subdivision 1. [BONDING AUTHORITY.] The authority may issue negotiable bonds in a principal amount that the authority determines necessary to provide sufficient funds for achieving its purposes, including the

making of loans and purchase of securities, the payment of interest on bonds of the authority, the establishment of reserves to secure its bonds, the payment of fees to a third party providing credit enhancement, and the payment of all other expenditures of the authority incident to and necessary or convenient to carry out its corporate purposes and powers. Bonds of the authority may be issued as bonds or notes or in any other form authorized by law. The principal amount of bonds issued and outstanding under this section at any time may not exceed \$100,000,000.

Subd. 2. [REFUNDING OF BONDS.] The authority may issue bonds to refund outstanding bonds of the authority, to pay any redemption premiums on those bonds, and to pay interest accrued or to accrue to the redemption date next succeeding the date of delivery of the refunding bonds. The authority may apply the proceeds of any refunding bonds to the purchase or payment at maturity of the bonds to be refunded, or to the redemption of outstanding bonds on the redemption date next succeeding the date of delivery of the refunding bonds and may, pending the application, place the proceeds in escrow to be applied to the purchase, retirement, or redemption. Pending use, escrowed proceeds may be invested and reinvested in obligations issued or guaranteed by the state or the United States or by any agency or instrumentality of the state or the United States, or in certificates of deposit or time deposits secured in a manner determined by the authority, maturing at a time appropriate to assure the prompt payment of the principal and interest and redemption premiums, if any, on the bonds to be refunded. The income realized on any investment may also be applied to the payment of the bonds to be refunded. After the terms of the escrow have been fully satisfied, any balance of the proceeds and any investment income may be returned to the authority for use by it in any lawful manner. All refunding bonds issued under this subdivision must be issued and secured in the manner provided by resolution of the authority.

Subd. 3. [KIND OF BONDS.] Bonds issued under this section must be negotiable investment securities within the meaning and for all purposes of the uniform commercial code, subject only to the provisions of the bonds for registration. The bonds issued may be either general obligations of the authority, secured by its full faith and credit and payable out of any money, assets, or revenues of the authority, subject to the provisions of resolutions or indenture pledging and appropriating particular money, assets, or revenues to particular bonds, or limited obligations of the authority not secured by its full faith and credit and payable solely from specified sources or assets.

Subd. 4. [RESOLUTION AND TERMS OF SALE.] The bonds of the authority must be authorized by a resolution or resolutions adopted by the authority. The bonds must bear the date or dates, mature at the time or times, bear interest at a fixed or variable rate, including a rate varying periodically at the time or times and on the terms determined by the authority, or any combination of fixed and variable rates, be in the denominations, be in the form, carry the registration privileges, be executed in the manner, be payable in lawful money of the United States, at the place or places within or without the state, and be subject to the terms of redemption or purchase before maturity as the resolutions or certificates provide. If, for any reason existing at the date of issue of the bonds or existing at the date of making or purchasing any loan or securities from the proceeds or after that date, the interest on the bonds is or becomes subject to federal income taxation, this fact does not affect the validity or the provisions

made for the security of the bonds. The authority may make covenants and take or have taken actions that are in its judgment necessary or desirable to comply with conditions established by federal law or regulations for the exemption of interest on its obligations. The authority may refrain from compliance with those conditions if in its judgment this would serve the purposes and policies set forth in this chapter with respect to any particular issue of bonds, unless this would violate covenants made by the authority. The maximum maturity of a bond, whether or not issued for the purpose of refunding, must be 30 years from its date. The bonds of the authority may be sold at public or private sale, at a price or prices determined by the authority; provided that (i) the aggregate price at which an issue of bonds is initially offered by underwriters to investors, as stated in the authority's official statement with respect to the offering, must not exceed by more than three percent the aggregate price paid by the underwriters to the authority at the time of delivery; (ii) the commission paid by the authority to an underwriter for placing an issue of bonds with investors must not exceed three percent of the aggregate price at which the issue is offered to investors as stated in the authority's offering statement; and (iii) the spread or commission must be an amount determined by the authority to be reasonable in the light of the risk assumed and the expenses of issuance, if any, required to be paid by the underwriters.

Sec. 7. [446A.13] [TENDER OPTION.]

An obligation may be issued giving its owner the right to tender or the authority to demand tender of the obligation to the authority or another person designated by it, for purchase at a specified time or times, if the authority has first entered into an agreement with a suitable financial institution obligating the financial institution to provide funds on a timely basis for purchase of bonds tendered. The obligation is not considered to mature on any tender date and the purchase of a tendered obligation is not considered a payment or discharge of the obligation by the authority. Obligations tendered for purchase may be remarketed by or on behalf of the authority or another purchaser. The authority may enter into agreements it considers appropriate to provide for the purchase and remarketing of tendered obligations, including:

(1) provisions under which undelivered obligations may be considered tendered for purchase and new obligations may be substituted for them;

(2) provisions for the payment of charges of tender agents, remarketing agents, and financial institutions extending lines of credit or letters of credit assuring repurchase; and

(3) provisions for reimbursement of advances under letters of credit that may be paid from the proceeds of the obligations or from tax and other revenues appropriated for the payment and security of the obligations and similar or related provisions.

Sec. 8. [446A.14] [INTEREST EXCHANGES.]

The authority may enter into an agreement with a third party for an exchange of interest rates under this subdivision. With respect to outstanding obligations bearing interest at a variable rate, the authority may agree to pay sums equal to interest at a fixed rate or at a different variable rate determined in accordance with a formula set out in the agreement on an amount not exceeding the outstanding principal amount of the obligations, in exchange for an agreement by the third party to pay sums equal to

interest on a similar amount at a variable rate determined according to a formula set out in the agreement. With respect to outstanding obligations bearing interest at a fixed rate or rates, the authority may agree to pay sums equal to interest at a variable rate determined according to a formula set out in the agreement on an amount not exceeding the outstanding principal amount of the obligations in exchange for an agreement by the third party to pay sums equal to interest on a similar amount at a fixed rate or rates set out in the agreement. Subject to any applicable bonds covenants, payments required to be made by the municipality under the swap agreement may be made from amounts secured to pay debt service on the obligations with respect to which the swap agreement was made from any other available source of the authority.

Sec. 9. [446A.15] [BOND FUND.]

Subdivision 1. [CREATION AND CONTENTS.] The authority may establish a special fund or funds for the security of one or more or all series of its bonds. The funds must be known as debt service reserve funds. The authority may pay into each debt service reserve fund:

(1) any money appropriated by the state only for the purposes of the fund;

(2) the proceeds of sale of bonds to the extent provided in the resolution or indenture authorizing the issuance of them;

(3) funds directed to be transferred by the authority to the debt service reserve fund; and

(4) other money made available to the authority from any other source only for the purpose of the fund.

Subd. 2. [USE OF FUNDS.] Except as provided in this section, the money credited to each debt service reserve fund must be used only for the payment of the principal of bonds of the authority as they mature, the purchase of the bonds, the payment of interest on them, or the payment of any premium required when the bonds are redeemed before maturity. Money in a debt service reserve fund must not be withdrawn at a time and in an amount that reduces the amount of the fund to less than the amount the authority determines to be reasonably necessary for the purposes of the fund. However, money may be withdrawn to pay principal or interest due on bonds secured by the fund if other money of the authority is not available.

Subd. 3. [INVESTMENT.] Money in a debt service reserve fund not required for immediate use may be invested in accordance with section 446A.11, subdivision 9, paragraph (b).

Subd. 4. [MINIMUM AMOUNT OF RESERVE AT ISSUANCE.] If the authority establishes a debt service reserve fund for the security of any series of bonds, it shall not issue additional bonds that are similarly secured if the amount of any of the debt service reserve funds at the time of issuance does not equal or exceed the minimum amount required by the resolution creating the fund, unless the authority deposits in each fund at the time of issuance, from the proceeds of the bonds, or otherwise, an amount that when added together with the amount then in the fund will be at least the minimum amount required.

Subd. 5. [TRANSFER OF EXCESS.] To the extent consistent with the resolutions and indentures securing outstanding bonds, the authority may at the close of a fiscal year transfer to any other fund or account from

any debt service reserve fund any excess in that reserve fund over the amount determined by the authority to be reasonably necessary for the purpose of the reserve fund.

Subd. 6. [CERTIFICATION AND BUDGET REQUEST.] *To assure the payment of the principal of and interest on bonds of the authority and the continued maintenance of all debt service reserve funds created and established for that payment, the authority shall annually determine and certify to the governor, on or before December 1, the following amounts:*

(1) *the amount then needed to restore each debt service reserve fund to the minimum amount required by the resolution or indenture establishing the fund, but not exceeding the maximum amount of principal and interest to become due and payable in any later year on all bonds that are then outstanding and secured by the fund; and*

(2) *the amount determined by the authority to be needed in the immediately ensuing fiscal year, with other funds pledged and estimated to be received during that year, for the payment of the principal and interest due and payable in that year on all then outstanding bonds secured by a debt service reserve fund the amount of which is then less than the minimum amount agreed.*

The governor shall include in the proposed biennial budget for the following fiscal year, or in a supplemental budget if the biennial budget has previously been approved, the amounts certified by the authority in accordance with this subdivision.

Sec. 10. [446A.16] [MONEY OF THE AUTHORITY.]

Subdivision 1. [FUNCTIONS OF STATE TREASURER.] *Except as otherwise provided in this section, money of the authority must be paid to the state treasurer as agent of the authority and the treasurer shall not commingle the money with other money. The money in the accounts of the authority must be paid out only on warrants drawn by the commissioner of finance on requisition of the chair of the authority or of another officer or employee as the authority authorizes. Deposits of the authority's money must, if required by the state treasurer or the authority, be secured by obligations of the United States or of the state of a market value equal at all times to the amount of the deposit and all banks and trust companies are authorized to give security for the deposits.*

Subd. 2. [CONTRACTS AND SECURITY.] *Notwithstanding the provisions of this section, the authority may, with the approval of the state treasurer, contract with the holders of any of its bonds as to the custody, collection, securing, investment, and payment of money of the authority or money held in trust or otherwise for the payment of bonds, and to carry out the contract. Money held in trust or otherwise for the payment of bonds or in any way to secure bonds and deposits of the money may be secured in the same manner as money of the authority, and all banks and trust companies are authorized to give security for the deposits. All money paid to the state treasurer as agent of the authority is appropriated to the authority.*

Subd. 3. [SYSTEM OF ACCOUNTS.] *Subject to agreements with bondholders, the commissioner of finance shall prescribe a system of accounts.*

Sec. 11. [446A.17] [NONLIABILITY.]

Subdivision 1. [NONLIABILITY OF INDIVIDUALS.] *No member of*

the authority or other person executing the bonds is liable personally on the bonds or is subject to any personal liability or accountability by reason of their issuance.

Subd. 2. [NONLIABILITY OF STATE.] The state is not liable on bonds of the authority issued under this chapter and those bonds are not a debt of the state. The bonds must contain on their face a statement to that effect.

Sec. 12. [466A.18] [PURCHASE AND CANCELLATION BY AUTHORITY.]

Subject to agreements with bondholders that may then exist, the authority may purchase out of funds available for the purpose, bonds of the authority which shall then be canceled, at a price not exceeding the following amounts:

(1) if the bonds are then redeemable, the redemption price then applicable plus accrued interest to the next interest payment date of the bonds; or

(2) if the bonds are not redeemable, the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption plus accrued interest to that date.

Sec. 13. [466A.19] [STATE PLEDGE AGAINST IMPAIRMENT OF CONTRACTS.]

The state pledges and agrees with the holders of bonds issued under sections 6 to 14 that the state will not limit or alter the rights vested in the authority to fulfill the terms of any agreements made with the bondholders or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged. The authority may include this pledge and agreement of the state in any agreement with the holders of bonds issued under sections 6 to 14.

Sec. 14. [466A.20] [RESERVES; FUNDS; ACCOUNTS.]

The authority may establish reserves, funds, or accounts necessary to carry out the purposes of the authority or to comply with any agreement made by or any resolution passed by the authority.

Any sums received by the commissioner pursuant to any provisions of this section shall be deposited in the state treasury, and credited to the real estate education, research and recovery fund, and said sums shall be allocated exclusively for the purposes provided in this section. All moneys in the fund are appropriated annually to the commissioner for the purposes of this section.

All money credited to the fund under section 2 may only be used for purposes under subdivision 6, clause (g). Beginning in 1990, the commissioner must, on February 1 of each year, review the amount of money spent or allocated for uses under subdivision 6, clause (g), for the previous calendar year. To promote the geographic distribution of grants and loans, the agency may designate a portion of the grant or loan awards to be set aside for projects located in specified congressional districts or other geographical regions specified by the agency. The agency may adopt emergency and permanent rules for awarding grants and loans under this subdivision. The emergency rules are effective for 360 days or until the permanent rules are adopted, whichever occurs first.

Subd. 4a. A class or series of shares of the issuing public corporation is entitled to vote separately as a class or series if any provision of the control share acquisition would, if contained in a proposed amendment to the articles, entitle the class or series to vote separately as a class or series.

(c) To have the voting rights accorded by approval of a resolution of shareholders, any proposed control share acquisition not consummated prior to the time of the shareholder approval must be consummated within 180 days after the shareholder approval.

Sec. 17. Minnesota Statutes 1987 Supplement, section 302A.673, subdivision 1, is amended to read:

Subdivision 1. [BUSINESS COMBINATION WITH INTERESTED SHAREHOLDER; APPROVAL BY DIRECTORS.] (a) Notwithstanding anything to the contrary contained in this chapter (except the provisions of subdivision 3), an issuing public corporation may not engage in any business combination, or vote, consent, or otherwise act to authorize a

subsidiary of the issuing public corporation to engage in any business combination, with, with respect to, proposed by or on behalf of, or pursuant to any *written or oral* agreement, arrangement, ~~or relationship,~~ understanding, ~~or otherwise (whether or not in writing)~~ with, any interested shareholder of the issuing public corporation or any affiliate or associate of the interested shareholder for a period of five years following the interested shareholder's share acquisition date unless the business combination or the acquisition of shares made by the interested shareholder on the interested shareholder's share acquisition date is approved by a committee of the board of the issuing public corporation before the interested shareholder's share acquisition date. The committee shall be formed in accordance with paragraph (d).

(b) If a good faith definitive proposal regarding a business combination is made in writing to the board of the issuing public corporation, a committee of the board formed in accordance with paragraph (d) shall consider and take action on the proposal and respond in writing within ~~45~~ 30 days after receipt of the proposal by the issuing public corporation, ~~or a shorter period, if any, as may be required by the Securities Exchange Act of 1934 or rules and regulations under that act,~~ setting forth its decision regarding the proposal.

(c) If a good faith definitive proposal to acquire shares is made in writing to the board of the issuing public corporation, a committee of the board formed in accordance with paragraph (d), shall consider and take action on the proposal ~~and respond in writing within 30 days after receipt of the proposal by the issuing public corporation, setting forth its decision regarding the proposal. Unless the committee responds affirmatively in writing within 45 days after receipt of the proposal by the issuing public corporation, or a shorter period, if any, as may be required by the Securities Exchange Act of 1934 or rules and regulations under that act, the committee shall be considered to have disapproved the share acquisition.~~

(d)(1) When a business combination or acquisition of shares is proposed pursuant to this subdivision, the board shall promptly form a committee composed of all of the board's disinterested directors. The committee shall take action on the proposal by the affirmative vote of a majority of committee members. No larger proportion or number of votes shall be required. Notwithstanding the provisions of section 302A.241, subdivision 1, the committee shall not be subject to any direction or control by the board with respect to the committee's consideration of, or any action concerning, a business combination or acquisition of shares pursuant to this section.

(2) A committee formed pursuant to this subdivision shall be composed of one or more members. Only disinterested directors may be members of a committee formed pursuant to this subdivision. However, if the board has no disinterested directors, the board shall select three or more disinterested persons to be committee members. *Committee members are deemed to be directors for purposes of sections 302A.251, 302A.255, and 302A.521.*

Sec. 18. Minnesota Statutes 1987 Supplement, section 302A.673, subdivision 3, is amended to read:

Subd. 3. [APPLICATION.] (a) Unless by express provision electing to be subject to this section contained in the articles or in bylaws approved by the shareholders of an issuing public corporation, this section does not apply to any business combination of an issuing public corporation, that is not, at any time during the period from the effective date of this section until adoption of the article or bylaw provision, a publicly held corporation. If the article or bylaw provision electing to be subject to this section expressly so provides, this section shall not apply to any business combination with an interested shareholder whose share acquisition date is before the effective date of the article or bylaw provision.

(b) *Except as provided in paragraph (c)*, this section does not apply to any business combination of an issuing public corporation:

(1) if ~~the original~~, *prior to the time the issuing public corporation becomes a publicly held corporation or becomes subject to this section by virtue of an election under paragraph (a), including any time prior to the time that the corporation becomes an issuing public corporation*, articles or bylaws of the issuing public corporation contain a provision expressly electing not to be subject to this section;

(2) if the board of the issuing public corporation adopts, prior to September 1, 1987, an amendment to the issuing public corporation's bylaws expressly electing not to be subject to this section;

(3) if an amendment to the articles or bylaws of the issuing public corporation is approved by the shareholders, other than interested shareholders and their affiliates and associates, holding a majority of the outstanding voting power of all shares entitled to vote, excluding the shares of interested shareholders and their affiliates and associates, expressly electing not to be subject to this section and ~~such~~ *the* amendment provides that it is not to be effective until 18 months after the vote of shareholders, ~~or August 1, 1989, whichever date is earlier~~, and provides that, except as provided in paragraph ~~(d)~~ *(c)*, it does not apply to any business combination of the issuing public corporation with an interested shareholder whose share acquisition date is on or before the effective date of the amendment; or

(4) if the business combination was consummated before, or if a binding agreement for the business combination was entered into before, the day following final enactment of this section.

~~(c) This section does not apply to any business combination of an issuing public corporation with an interested shareholder of the issuing public corporation who became an interested shareholder inadvertently, if the interested shareholder:~~

~~(1) as soon as practicable, divests itself of a sufficient amount of the shares entitled to vote of the issuing public corporation so that it no longer is the beneficial owner, directly or indirectly, of ten percent or more of the outstanding shares entitled to vote of the issuing public corporation; and~~

~~(2) would not at any time within the five-year period preceding the announcement date with respect to the business combination have been an interested shareholder but for the inadvertent acquisition.~~

~~(d) (c) This section does not apply to any business combination of an~~

issuing public corporation with an interested shareholder that was the beneficial owner, directly or indirectly, of ten percent or more of the outstanding shares entitled to vote of the issuing public corporation on June 1, 1987 respect to, proposed by or on behalf of, or pursuant to any written or oral agreement, arrangement, relationship, understanding, or otherwise with any person that would have been an interested shareholder on June 1, 1987, had this section been in effect on this date.

(e) Unless the articles or bylaws approved by the shareholders of the issuing public corporation otherwise provide, this section does not apply to any business combination of an issuing public corporation with, with respect to, proposed by or on behalf of, or pursuant to any agreement, arrangement, or understanding (whether or not in writing) with, any interested shareholder if the interested shareholder's share acquisition date is on or after August 1, 1989, or an affiliate or associate of that interested shareholder.

This section applies to any business combination of an issuing public corporation to which it previously did not apply because of provisions in articles or bylaws adopted or approved under paragraph (b), clause (1), (2), or (3), upon an amendment to the articles or bylaws approved by shareholders holding a majority of the outstanding voting power of all shares entitled to vote expressly electing to be subject to this section becoming effective. This section does not apply to any business combination of the corporation with, with respect to, proposed by or on behalf of, or pursuant to any written or oral agreement, arrangement, relationship, understanding, or otherwise with any person that would have been an interested shareholder on the effective date of the amendment if this section had been applicable.

GRAIN STANDARDS TESTING

Section 1. Minnesota Statutes 1986, section 17B.02, is amended to read:

Subd. 2. [DEPARTMENT.] "Department" means the Minnesota department of agriculture.

Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of agriculture or the commissioner's authorized representative.

Subd. 3a. [DISCOUNT.] "Discount" means an offer or purchase price for grain that is lower than the base or standard price offered by a buyer at a certain time and at a specified location. A discount price represents the lower than normal value of the grain because of inferior quality as determined by measurement of grade, dockage, test weight, moisture content, protein content, or other factors.

Subd. 3b. [INDEX MOISTURE LEVEL.] "Index moisture level" means the percentage moisture content for each grain that is used in establishing base or standard prices for the grain as determined by the commissioner.

Subd. 4. [PERSON.] "Person" means any individual, firm, copartnership, cooperative, company, association, and corporation, or their lessees, trustees, or receivers.

Subd. 5. [PREMIUM.] "Premium" means an offer or a purchase price for grain that exceeds the base or standard price offered by a buyer at a certain time and at a specified location. A premium price represents the higher than normal value of the grain because of superior quality as determined by measurement of grade, dockage, moisture content, test weight, protein content, or other factors.

Subd. 6. [TEST EQUIPMENT.] "Test equipment" means the mechanical and electronic devices commonly used in measurement of grain qualities including protein content, moisture content, and test weight.

Subd. 7. [TEST EQUIPMENT OPERATOR.] "Test equipment operator" means a person assigned by the management of an elevator or grain storage facility who is chiefly responsible for the preparation and analysis of grain samples for protein content, test weight, moisture content, and other qualities upon which price is determined.

Sec. 2. [17B.041] [COMMISSIONER TO REVIEW ACCURACY OF TEST EQUIPMENT AND TEST EQUIPMENT OPERATORS.]

Subdivision 1. [PERIODIC REVIEW.] The commissioner shall establish a program for the periodic grain testing review of protein analysis, test weight, and moisture test equipment, and test equipment operators. A review must consist of the performance of routine tests and analysis by the principal operator of the test equipment. A review under this section must be based on the results of on-site analysis performed on one or more samples of grain by the principal operator of the appropriate test equipment.

Subd. 2. [POSTING OF REVIEW FINDINGS.] Personnel of the department who perform a review of test equipment and test equipment operators under subdivision 1 must post a dated and signed statement indicating the conclusions of the review in a conspicuous location in the place of business where grain testing is conducted. The statement must be on a form provided by the commissioner and include in prominent wording a caution to the effect that the results at the time of a review by department personnel do not necessarily indicate either accuracy or inaccuracy in the test equipment or procedures at other times. The statement must remain on display until a subsequent review has been made.

Subd. 3. [FOLLOW-UP REVIEW UPON REQUEST.] The commissioner shall arrange for a follow-up review within seven business days of a periodic review if a follow-up review is requested by the test equipment operator.

Subd. 4. [REQUEST FOR COMMISSIONER TO SCHEDULE A REVIEW.] A purchaser or seller of grain may request the commissioner to perform a review of the test equipment and test equipment operator that is used to test the grain. A signed request must be submitted to the commissioner and upon receipt of a request, the commissioner shall schedule a review at a reasonable time considering other duties and responsibilities of the department personnel.

Subd. 5. [STATE NOT LIABLE.] The state is not liable to a seller or purchaser of grain for losses resulting from erroneous tests or analysis by test equipment or test equipment operators, whether reviewed by the department or not, if the commissioner and the department have exercised due

care in the scheduling and conduct of reviews under subdivisions 1 and 3.

Sec. 3. [17B.045] [PREMIUMS BASED ON TEST WEIGHT MUST EQUAL OR EXCEED DISCOUNTS.]

A purchaser of grain who provides a discount for grain that falls below the standard test weight for that grain shall offer an equal or greater premium for grain that has a test weight higher than the standard test weight.

Sec. 4. [17B.047] [PREMIUMS BASED ON MOISTURE CONTENT.]

Subdivision 1. [COMMISSIONER TO ESTABLISH INDEX MOISTURE LEVELS.] The commissioner shall establish an index moisture level for each grain commonly bought and sold in this state by rule. [PREMIUMS GENERALLY EQUAL TO OR GREATER THAN DISCOUNTS.] A purchaser of grain who provides a discount for grain based on tested moisture content higher than the index moisture level shall provide an equal or greater premium for grain that tests at a moisture content within the next three percentage points below the index moisture level. If the moisture content in a valid sample of the purchased grain is more than three percentage points below the index moisture level, the premium offered need not be further tied to an equivalent discount provided for grain that tests higher than the index moisture level.

Sec. 5. [17B.048] [SELLER OPTION TO AVERAGE LOADS.]

A purchaser of grain must allow a seller who delivers grain in multiple loads within a period of seven consecutive calendar days, at the option of the seller, to average the measurements from the multiple loads with respect to test weight, moisture content, and protein analysis.

RURAL FINANCE AUTHORITY

Section 1. Minnesota Statutes 1987 Supplement, section 41B.01, subdivision 2, is amended to read:

Subd. 2. [PURPOSE.] Sections 41B.01 to 41B.23 create and establish the Minnesota rural finance authority and establish a program under which state bonds are authorized to be issued and proceeds of their sale are appropriated under the authority of article XI, section 5, clause (h) of the Minnesota Constitution, to develop the state's agricultural resources by extending credit on real estate security. The purpose of the rural finance authority's programs and of the bonds issued to finance or provide security for the programs is to purchase participation interests in loans, including

seller-sponsored loans to be made available by agricultural lenders to farmers on terms and conditions not otherwise available from other credit sources. It is hereby found and declared that there presently exist in the state economic conditions which have severely adversely affected the economic viability of farms to the detriment of the rural economy and to the detriment of the economy of the state of Minnesota as a whole. It is further found and declared that as a result of public agricultural policies, agricultural market conditions, and other causes, the condition of the farm economy of the state of Minnesota is such as to jeopardize the continued existence and successful operation of farms in this state, necessitating the establishment of the programs in sections 41B.01 to 41B.23 to provide new sources of credit on favorable terms and conditions. It is further found and declared that providing credit for farmers on favorable terms and conditions will serve and promote the public welfare by assuring the viability of farm operations, by preventing erosion of the tax base in rural areas, by reducing foreclosures on farm property, and by enhancing the financial stability of farmers and of the businesses which depend on farmers as customers. It is further found and declared that in establishing a Minnesota rural finance authority and in authorizing the programs in sections 41B.01 to 41B.23, the legislature is acting in all respects for the benefit of the people of the state of Minnesota to serve the public purpose of improving and otherwise promoting their health, welfare, and prosperity and that the Minnesota rural finance authority, as created and established, is empowered to act on behalf of the people of the state of Minnesota in serving this public purpose for the benefit of the general public.

Sec. 2. Minnesota Statutes 1986, section 41B.02, is amended by adding a subdivision to read:

Subd. 18. [SELLER-SPONSORED LOAN.] "Seller-sponsored loan" means a loan in which part or all of the price of a farm is financed by a loan from the seller of the farm who is a natural person, a partnership, or a family farm corporation as defined in section 500.24, located in Minnesota. The loan must be secured by a real estate mortgage evidenced by one or more notes that may carry different interest rates or by a contract for deed. The definition of a seller-sponsored loan under this subdivision does not include a loan between persons within the second degree of kindred according to common law.

Sec. 3. Minnesota Statutes 1987 Supplement, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [BEGINNING FARMER LOANS.] In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan, including a seller-sponsored loan, in which the authority holds an interest, must:

(1) have sufficient education, training, or experience in the type of farming for which the loan is desired;

(2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than \$100,000 \$150,000;

(3) demonstrate a need for the loan;

(4) demonstrate an ability to repay the loan;

(5) demonstrate that the agricultural land to be purchased will be used by the borrower for agricultural purposes; and

(6) demonstrate that farming will be the principal occupation of the borrower.

Sec. 4. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The authority may establish, develop criteria, and implement a beginning farmer program. The program must assist persons entering farming who have not owned a farm before entering the beginning farmer program. *The program may include assistance for persons entering or reentering farming through the use of seller-sponsored loans.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 2, is amended to read:

Subd. 2. [STATE PARTICIPATION.] The state may participate in a new real estate loan with an eligible lender to a beginning farmer to the extent of ~~one-fourth~~ 35 percent of the principal amount of the loan or \$25,000 \$50,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 6. Minnesota Statutes 1987 Supplement, section 41B.05, is amended to read:

41B.05 [GENERAL POWERS OF THE AUTHORITY.]

The election must be made on a form provided by the executive director of the public employees retirement association and, once made, is irrevocable for all local government correctional service employees employed by the ~~county~~ *employing unit*.

Sec. 26. Minnesota Statutes 1987 Supplement, section 353C.05, is amended to read:

353C.05 [CORRECTIONAL SERVICE PLAN CONTRIBUTIONS.]

Subdivision 1. [MEMBER CONTRIBUTIONS.] Beginning with the first full pay period after July 1, 1988, after the effective date of the election to provide retirement coverage by the local governmental unit, or after becoming a local government correctional service employee, whichever is later, ~~in lieu~~ *instead* of employee contributions payable under section 353.27, subdivision 2, a local government correctional service employee shall make an employee contribution in an amount equal to ~~five~~ 7.5 percent of salary.

Subd. 2. [EMPLOYER CONTRIBUTIONS.] Beginning with the first full pay period after July 1, 1988, after the effective date of the election to provide retirement coverage by the local governmental unit, or after becoming a local government correctional service employee, whichever is later, ~~in lieu~~ *instead* of employer contributions payable under section 353.27, subdivision 3, the employer shall contribute for a local government correctional service employee an amount equal to ~~five~~ 7.5 percent of salary.

Subd. 3. [ADJUSTMENT IN CONTRIBUTION RATES.] Beginning with the first full pay period after the *most recent* actuarial valuation of the local government correctional service retirement plan prepared by the actuary retained by the legislative commission on pensions and retirement is filed with the executive director of the public employees retirement association, the member contribution rate is a percentage that equals one-half of the calculated total actuarial requirement of the plan, and the employer contribution rate is the balance of the calculated total actuarial requirement of the plan.

Sec. 27. Minnesota Statutes 1987 Supplement, section 353C.06, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY REQUIREMENTS.] After separation from public employment, an employee covered under section 353C.02 who has attained the age of at least 55 years and has credit for not less than ~~ten~~ *five* years of coverage in the local government correctional service plan is entitled, upon application, to a normal retirement annuity. ~~In lieu~~ *Instead* of a normal retirement annuity, a retiring employee may elect to receive the optional annuity provided in section 353.30, subdivision 3.

Sec. 28. Minnesota Statutes 1987 Supplement, section 353C.06, subdivision 3, is amended to read:

Subd. 3. [ANNUITY AMOUNT.] The average salary as defined in subdivision 2, multiplied by two percent for each year of allowable service for the first ten years and 2.5 percent for each additional year of allowable service, *and pro rata for completed months less than a full year*, determines the amount of the normal annuity. If a person has earned allowable service in the public employees retirement association or the public employees police and fire fund for performing services other than those of a local

government correctional employee, the annuity representing such service must be computed in accordance with the coordinated formula under sections 353.29 and 353.30 or section 353.651, whichever applies.

Sec. 29. Minnesota Statutes 1987 Supplement, section 353C.06, subdivision 4, is amended to read:

Subd. 4. [ACCRUAL AND DURATION.] The annuity under this section begins to accrue as provided in section 353.29, subdivision 7, and ~~must be paid for an additional.~~ *The annuity is payable for the life of the recipient, or in accordance with the terms of any optional annuity form selected, and is payable for 84 full calendar months or to the first of the month following the month in which the employee becomes age 65, whichever occurs first. After a recipient has received the annuity calculated under this formula for 84 full calendar months or to the first of the month following the month in which the employee becomes age 65, whichever occurs first, the benefit must be recomputed in accordance with the coordinated formula in sections 353.29 and 353.30, except that if this amount, when added to the social security benefit based on ~~state~~ public service the employee is eligible to receive at that time, is less than the benefit payable under subdivision 3, the retired employee ~~must~~ is entitled to receive an amount payable under subdivision 3, less any amount payable from social security based on public service used in the benefit calculation. When an annuity is reduced under this subdivision, any percentage of adjustments that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity.*

Sec. 30. Minnesota Statutes 1987 Supplement, section 353C.07, is amended to read:

353C.07 [AUGMENTATION IN CERTAIN CASES.]

Subdivision 1. [AUGMENTATION FOR PRIOR SERVICE BENEFITS.] Unless prior service has been transferred or unless a combined service annuity under section 356.30 has been elected, an employee who becomes a local government correctional employee after being a member of the public employees retirement association or the public employees police and fire fund is covered under section 353.71, subdivision 2, with respect to that prior service.

Subd. 2. [DEFERRED ANNUITIES AUGMENTATION.] *The deferred annuity, if any, accruing under section 353.71 or 353C.06, must be computed as provided in section 353C.06, subdivision 3, on the basis of allowable service before the termination of correctional service and augmented as provided in this subdivision. The required reserves applicable to a deferred annuity or to an annuity for which a former correctional service employee was eligible, but had not applied, or to any deferred segment of an annuity must be determined as of the date on which the benefit begins to accrue and augmented by interest at the rate of three percent compounded annually from the first day of the month following the month in which the person ceased to be a correctional service employee to the first day of the month in which the annuity begins to accrue. If a person has more than one period of uninterrupted service, the required reserves related to each period must be augmented by interest under this subdivision. The sum of the augmented required reserves so determined is the present value of the annuity. "Uninterrupted service" has the meaning given it in section 353.71, subdivision 2. If a person repays a refund, the service restored by the repayment must be considered to be continuous with the next period*

of service for which the person has credit by the plan. The formula percentages used for each period of uninterrupted service must be those applicable to a new employee. The mortality table and interest assumption used to compute this annuity must be those in effect when the person files an application for the annuity. This subdivision shall not reduce the annuity otherwise payable under this chapter.

Sec. 31. Minnesota Statutes 1987 Supplement, section 353C.08, subdivision 5, is amended to read:

Subd. 5. [DISABILITY BENEFIT TERMINATION.] The disability benefit paid to a disabled local government correctional employee terminates at the end of the month in which the employee reaches age 62. If the disabled local government correctional employee is still disabled when the employee reaches age 62, the employee is deemed to be a retired employee and, if the employee had elected an optional annuity under subdivision 3, must receive an annuity in accordance with the terms of the optional annuity previously elected. If the employee had not elected an optional annuity under subdivision 3, the employee may elect either to receive a normal retirement annuity computed *on the coordinated formula* in the manner provided in section ~~353C.06~~ 353.29 or to receive an optional annuity as provided in section 353.30, subdivision 3, based on the same length of service as used in the calculation of the disability benefit. Election of an optional annuity must be made before attaining the age of 62 years. The reduction for retirement prior to age 65 as provided in section 353.30, subdivisions 1 and 1c, is not applicable. *The savings clause provision of section 353C.06, subdivision 4, is applicable.*

Sec. 32. Minnesota Statutes 1987 Supplement, section 353C.08, is amended by adding a subdivision to read:

Subd. 7. [COMBINED SERVICE DISABILITY BENEFIT.] *If the employee is entitled to receive a disability benefit as provided in subdivision 1 or 2 and has credit for less covered correctional service than the length of service upon which the correctional disability benefit is based, and also has credit for regular plan service, the employee is entitled to a disability benefit or deferred retirement annuity based on the regular plan service only for the service that, when combined with the correctional service, exceeds the number of years on which the correctional disability benefit is based. The disabled employee who also has credit for regular plan service must in all respects qualify under section 353.33 to be entitled to receive a disability benefit based on the regular plan service, except that the service may be combined to satisfy length of service requirements. Any deferred annuity to which the employee may be entitled based on regular plan service must be augmented as provided in section 353.71 while the employee is receiving a disability benefit under this section.*

A change may be made only from one account or a combination of accounts to a single account. A change under this paragraph is effective as soon as cash flow to an account permits, but not later than six months from the requested change.

Sec. 34. Minnesota Statutes 1987 Supplement, section 353D.07, subdivision 1, is amended to read:

Subdivision 1. [TYPE OF PLAN; UNIFORMITY.] The plan is a defined contribution plan ~~where~~ *when* the benefits ~~are~~ payable upon *termination of service, retirement, or death, or withdrawal when permitted, are*. *The amount of benefits is* determined by the value of accumulated contributions plus a proportionate share of investment income of the fund credited to each individual account. (2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents.

The paramount consideration in all proceedings for the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

(c) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(d) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 4. Minnesota Statutes 1986, section 260.012, is amended to read:

260.012 [DUTY TO ENSURE FAMILY REUNIFICATION OF JUVENILE COURT.]

At all stages of juvenile court proceedings, if a child is under the court's dependency or neglect jurisdiction, the court shall ensure that reasonable efforts by the social service agency are made to reunite the child with the child's family at the earliest possible time, consistent with the best interests of the child. If a child is under the court's delinquency jurisdiction, it shall be the duty of the court to ensure that all reasonable efforts are made to reunite a the child with the child's family at the earliest possible time, consistent with the best interests of the child and the safety of the child and the public.

Sec. 5. Minnesota Statutes 1986, section 260.015, subdivision 10, is amended to read:

Subd. 10. "Neglected child" means a child:

(a) who is abandoned by a parent, guardian, or other custodian; or

(b) who is without proper parental care because of the faults or habits of a parent, guardian, or other custodian; or

(c) who is without necessary subsistence, education or other care necessary for physical or mental health or morals because the parent, guardian or other custodian neglects or refuses to provide it; or

(d) who is without the special care made necessary by a physical or mental condition because the parent, guardian, or other custodian neglects or refuses to provide it; or

(e) who is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(1) the infant is chronically and irreversibly comatose;

(2) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(3) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane; or

(f) whose occupation, behavior, condition, environment or associations are such as to be injurious or dangerous to the child or others; or

(g) who is living in a facility for foster care which is not licensed as required by law, unless the child is living in the facility under court order; or

(h) whose parent, guardian, or custodian has made arrangements for the child's placement in a manner detrimental to the welfare of the child or in violation of law; or

(i) who comes within the provisions of subdivision 5, but whose conduct results in whole or in part from parental neglect; or

(j) who is a victim of domestic child abuse as defined in section 260.015, subdivision 24.

Sec. 6. Minnesota Statutes 1986, section 260.155, subdivision 4a, is amended to read:

Subd. 4a. [EXAMINATION OF CHILD.] In any dependency, neglect, or neglected and in foster care, or termination of parental rights proceeding the court may, on its own motion or the motion of any party, take the testimony of a child witness informally when it is in the child's best interests to do so. Informal procedures that may be used by the court include taking the testimony of a child witness outside the courtroom. The court may also require counsel for any party to the proceeding to submit questions to the court before the child's testimony is taken, and to submit additional questions to the court for the witness after questioning has been completed. The court may excuse the presence of the child's parent, guardian, or custodian from the room where the child is questioned in accordance with

subdivision 5.

Sec. 7. Minnesota Statutes 1986, section 260.155, subdivision 7, is amended to read:

Subd. 7. [FACTORS IN DETERMINING NEGLECT.] In determining whether a child is neglected and in foster care, the court shall consider, among other factors, the following:

- (1) The length of time the child has been in foster care;
- (2) The effort the parent has made to adjust circumstances, conduct, or condition to make it in the child's best interest to be returned to the parent's home in the foreseeable future, including the use of rehabilitative services offered to the parent;
- (3) Whether the parent has visited the child within the ~~nine~~ three months preceding the filing of the petition, unless it was physically or financially impossible for the parent to visit or extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from visiting the child or it was not in the best interests of the child to be visited by the parent;
- (4) The maintenance of regular contact or communication with the agency or person temporarily responsible for the child;
- (5) The appropriateness and adequacy of services provided or offered to the parent to facilitate a reunion;
- (6) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time; and
- (7) The nature of the effort made by the responsible social service agency to rehabilitate and reunite the family.

Sec. 8. Minnesota Statutes 1987 Supplement, section 260.221, is amended to read:

260.221 [GROUNDS FOR TERMINATION OF PARENTAL RIGHTS.]

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may upon petition, terminate all rights of a parent to a child in the following cases:

(a) With the written consent of a parent who for good cause desires to terminate parental rights; or

(b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. *Abandonment is presumed when:*

(i) *the parent has had no contact or merely incidental contact with the child for six months in the case of a child under six years of age; or for 12 months in the case of a child ages six to 11; and*

(ii) *the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518. The court is not prohibited from finding*

abandonment in the absence of this presumption; or

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, *and reasonable efforts by the social service agency have failed to correct the conditions that formed the basis of the petition; or*

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be ~~permanently detrimental to the physical or mental health of the child~~ *of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child; or*

(5) That following upon a determination of neglect or dependency, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. *It is presumed that reasonable efforts under this clause have failed upon a showing that:*

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect or neglected and in foster care, and an order for disposition under section 260.191, including adoption of the case plan required by section 257.071;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year after a child has been placed out of the home; or

(6) That in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.26 and either the person has not filed a notice of intent to retain parental rights under section 259.261 or that the notice has been successfully challenged; or

(7) That the child is neglected and in foster care.

Subd. 2. [ADOPTIVE PARENT.] For purposes of subdivision 1, clause (a), an adoptive parent may not terminate parental rights to an adopted child for a reason that would not apply to a birth parent seeking termination of parental rights to a child under subdivision 1, clause (a).

Subd. 3. [WHEN PRIOR FINDING REQUIRED.] For purposes of subdivision 1, clause (b), no prior judicial finding of dependency, neglect, or neglected and in foster care is required, except as provided in subdivision 1, clause (b), item (5).

Subd. 4. [BEST INTERESTS OF CHILD PARAMOUNT.] In any proceeding under this section, the best interests of the child must be the paramount consideration, provided that the conditions in subdivision 1, clause (a), or at least one condition in subdivision 1, clause (b), are found by the court. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq. Where the interests of parent and child conflict, the interests of the child are paramount.

Subd. 5. [FINDINGS REGARDING REASONABLE EFFORTS.] In any proceeding under this section, the court shall make specific findings regarding the nature and extent of efforts made by the social service agency to rehabilitate the parent and reunite the family.

Sec. 9. [STUDY.]

By January 1, 1989, the commissioner of human services shall study and make recommendations to the legislature on what constitutes reasonable efforts by the social service agency to provide families with placement prevention and family reunification services and under what circumstances information and notice should be provided to parents. The commissioner shall consult with community-based family advocacy organizations, representatives of minority communities, groups representing mentally or physically disabled children and their families, representatives of public and private social service agencies, members of the judiciary, and attorneys who represent all parties in juvenile protection proceedings.

Sec. 4. [356A.04] [GENERAL STANDARD OF FIDUCIARY CONDUCT.]

Subdivision 1. [DUTY.] A fiduciary of a covered pension plan, in performing a fiduciary duty or serving in a fiduciary position, owes a fiduciary duty to:

- (1) the state of Minnesota, which established the plan;*
- (2) the taxpayers of the state or political subdivision, who help to finance the plan; and*
- (3) the active, deferred, and retired members of the plan, who are its beneficiaries.*

Subd. 2. [PRUDENT PERSON STANDARD.] (a) A fiduciary shall act in good faith, shall exercise that degree of judgment and care, under the circumstances then prevailing, that persons of prudence, discretion, and intelligence would exercise in the management of their own affairs, and shall undertake steps reasonably calculated to gain and to retain the capacity to make informed fiduciary judgments and to undertake an informed exercise of fiduciary discretion.

(b) If a fiduciary activity involves the investment of plan assets, a fiduciary shall act for the purpose of investment, not for speculation, considering the probable safety of the plan capital as well as the probable investment return to be derived from the assets.

Sec. 5. [356A.05] [DUTIES APPLICABLE TO ALL ACTIVITIES.]

(a) A fiduciary activity of a covered pension plan must be carried out solely for the following purposes:

- (1) to provide authorized benefits to plan participants and beneficiaries;*

Subdivision 1. [TITLE TO ASSETS.] Assets of a covered pension plan may be held only by the plan treasurer, the state board of investment, or the depository agent of the plan or of the state board of investment. Legal title to plan assets must be vested in the plan, the state board of investment, the governmental entity that sponsors the plan, or the nominee of the plan or the depository agent. The holder of legal title shall function as a trustee for a person or entity with a beneficial interest in the assets of the plan.

Subd. 2. [DIVERSIFICATION.] The investment of plan assets must be diversified to minimize the risk of substantial investment losses unless the circumstances at the time an investment is made clearly indicate that diversification would not be prudent.

Subd. 3. [ABSENCE OF PERSONAL PROFIT.] No fiduciary may personally profit, directly or indirectly, as a result of the investment or management of plan assets. This subdivision, however, does not preclude the receipt by a fiduciary of reasonable compensation, including membership in or the receipt of benefits from a pension plan, for the fiduciary's position with respect to the plan.

Subd. 4. [ECONOMIC INTEREST STATEMENT.] A member of the governing board of a covered pension plan and the chief administrative officer of the plan shall file with the plan a statement of economic interest. The statement must contain the information required by section 10A.09, subdivision 5, and any other information that the fiduciary or the governing board of the plan determines is necessary to disclose a reasonably foreseeable potential or actual conflict of interest. The statement must be filed annually with the chief administrative officer of the plan and be available for public inspection during regular office hours at the office of the pension plan. A disclosure form meeting the requirements of the federal Investment Adviser Act of 1940, as amended, and filed with the state board of investment or the pension plan meets the requirements of this subdivision.

The disclosure document must be prepared within 60 days after the close of the fiscal year of the plan and must be available for public inspection during regular office hours at the office of the plan. The disclosure document must also be filed with the executive director of the legislative commission on pensions and retirement within 90 days after the close of the fiscal year of the plan. For the state board of investment, a disclosure document included as part of a regular annual report of the board is considered to have been filed on a timely basis.

Subd. 6. [LIMITED LIST OF AUTHORIZED INVESTMENT SECURITIES.] (a) A covered pension plan may invest its assets only in investment securities authorized by this subdivision if the plan does not:

(1) have assets with a book value in excess of \$1,000,000;

(1) certificates of deposit issued, to the extent of available insurance or collateralization, by a financial institution that is a member of the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, is insured by the National Credit Union Administration, or is authorized to do business in this state and has deposited with the chief administrative officer of the plan a sufficient amount of marketable securities as collateral in accordance with section 118.01;

(2) savings accounts, to the extent of available insurance, with a financial institution that is a member of the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation;

(3) governmental obligations, including bonds, notes, bills, or other fixed obligations, issued by the United States, an agency or instrumentality of the United States, an organization established and regulated by act of Congress or by a state, state agency or instrumentality, municipality, or other governmental or political subdivision that:

(i) for the obligation in question, issues an obligation that equals or exceeds the stated investment yield of debt securities not exempt from federal income taxation and of comparable quality; and

(ii) for an obligation that is a revenue bond, has been completely self-supporting for the last five years; or

(iii) for an obligation other than a revenue bond, has issued an obligation backed by the full faith and credit of the applicable taxing jurisdiction and has not been in default on the payment of principal or interest on the obligation in question or any other nonrevenue bond obligation during the preceding ten years;

(4) corporate obligations, including bonds, notes, debentures, or other regularly issued and readily marketable evidences of indebtedness issued by a corporation organized under the laws of any state that during the preceding five years has had on average annual net pretax earnings at least 50 percent greater than the annual interest charges and principal payments on the total issued debt of the corporation during that period and that, for the obligation in question, has issued an obligation rated in one of the top three quality categories by Moody's Investors Service, Incorporated, or Standard and Poor's Corporation; and

(5) shares in an open-end investment company registered under the federal Investment Company Act of 1940, if the portfolio investments of the company are limited to investments that meet the requirements of clauses (1) to (4).

Subd. 7. [EXPANDED LIST OF AUTHORIZED INVESTMENT SECURITIES.] A covered pension plan not described by subdivision 6, paragraph (a), may invest its assets only in investment securities authorized by section 11A.24.

Subd. 8. [MINIMUM LIQUIDITY REQUIREMENTS.] A covered pension plan described by subdivision 6, paragraph (a), shall invest a portion of its assets in authorized short-term debt obligations that can be immediately liquidated without accrual of a substantial determinable penalty or loss and that have an average maturity of no more than 90 days. The portion of assets to be invested in accordance with this subdivision must be an amount equal to the actual or potential benefits reasonably anticipated as payable over the succeeding two years to current benefit recipients

and to active members who are within two years of their normal retirement ages or, if they are older, of their assumed retirement age. The chief administrative officer of the plan shall determine the minimum liquidity requirement of the plan as of the first day of each quarter. Documentation of each quarterly determination must be retained in the permanent records of the plan for three years after the date of the documentation.

Subd. 9. [PROHIBITED TRANSACTIONS.] (a) No fiduciary or plan participant of a covered pension plan may engage in a prohibited transaction. No plan fiduciary may allow the plan to engage in a transaction that the fiduciary knows or should know is a prohibited transaction.

(b) A prohibited transaction is any of the following transactions, whether direct or indirect:

(1) the sale, exchange, or lease of real estate between the pension plan and a fiduciary of the plan;

(2) the lending of money or other extension of credit between the plan and a fiduciary of the plan or a plan participant;

(3) the furnishing to a plan by a fiduciary, for compensation or remuneration, of goods, services other than those performed in the capacity of fiduciary, or facilities;

The summary must be provided within 30 days of the start or resumption of a participant's membership in the plan, or within 30 days of the date on which the start or resumption of membership was reported, whichever is later. The summary must contain a notice that it is a summary of the plan document but is not itself the plan document and that, in the event of a discrepancy between the summary and the plan document, the plan document governs. A copy of the plan document covering the plan must be furnished to a plan participant or benefit recipient upon request. Amendments to the plan document must be communicated to plan participants and benefit recipients in a manner specified by the governing body of the pension plan. The chief administrative officer may utilize the services of the covered governmental entity in providing the summary. The summary must be in a form reasonably calculated to be understood by an average plan participant or benefit recipient.

Subd. 2. [DISTRIBUTION.] A covered pension plan may distribute the summaries required by this section and section 8 through covered governmental entities so long as the plan has made arrangements with the entities to assure, with reasonable certainty, that the summaries will be distributed, or easily available, to plan participants.

Subd. 3. [REVIEW PROCEDURE.] If a review procedure is not specified by law for a covered pension plan, the chief administrative officer of the plan shall propose, and the governing board of the plan shall adopt and implement, a procedure for reviewing a board determination of eligibility, benefits, or other rights under the plan that is adverse to a plan participant or benefit recipient. A statewide plan for which a review procedure is not specified by law shall adopt a review procedure by rule. The review procedure may afford the plan participant or benefit recipient an opportunity to present views at any review proceeding conducted and may, but need not be, a contested case under chapter 14. The chief administrative officer of the plan shall prepare a summary of the review procedure. A copy of the summary must be furnished to a plan participant at the participant's request and must be included in the summary required by subdivision 1. The summary must be in a form reasonably calculated to be understood by an average plan participant or benefit recipient.

Subdivision 1. [AVAILABLE REMEDIES.] Remedies potentially available for a fiduciary breach by a fiduciary of a covered pension plan are compensatory damages or equitable remedies.

Subd. 2. [COMPENSATORY DAMAGES.] A fiduciary other than a public employee who serves as legal counsel to a covered pension plan or the state board of investment is personally liable to restore the monetary amount of a loss incurred or to turn over a profit earned as a result of an intentional breach of the fiduciary's duty. Liability for compensatory damages is to the plan that has suffered the loss or was entitled to the assets used to make the profit, and may be joint and several. Damages must be based on the measurable amount of any monetary loss or profit or, if the amount is not measurable or readily determinable, the liability that would be imposed by the court in a substantially equivalent tort action. Compensatory damages are subject to the limits imposed by section 14, subdivision 6.

Subd. 3. [EQUITABLE REMEDIES.] In addition to or instead of awarding compensatory damages, the district court may determine equitable remedies as would be appropriate.

Sec. 12. [356A.12] [COFIDUCIARY RESPONSIBILITY AND LIABILITY.]

Subdivision 1. [COFIDUCIARY RESPONSIBILITY IN GENERAL.] A cofiduciary has a general responsibility to oversee the fiduciary activities of all other fiduciaries unless the activity has been allocated or delegated in accordance with subdivision 3. Subd. 2. [COFIDUCIARY LIABILITY.] A cofiduciary is liable for a fiduciary breach committed by another fiduciary when the cofiduciary has a responsibility to oversee the fiduciary activities of the other fiduciary or to correct or alleviate a breach by that fiduciary.

Subd. 3. [LIMITATION ON COFIDUCIARY RESPONSIBILITY.] A cofiduciary may limit cofiduciary responsibility and liability through the allocation or delegation of fiduciary activities if the allocation or delegation:

- (1) follows appropriate procedures;*
- (2) is made to an appropriate person or to appropriate persons; and*
- (3) is subject to continued monitoring of performance.*

Subd. 4. [BAR TO LIABILITY IN CERTAIN INSTANCES.] A properly made delegation or allocation of a fiduciary activity is a bar to liability on the part of a fiduciary making the delegation or allocation unless the fiduciary has or ought to have knowledge of the breach and takes part in the breach, conceals it, or fails to take reasonable steps to remedy it.

Subd. 5. [EXTENT OF COFIDUCIARY LIABILITY.] (a) Unless liability is barred under subdivision 4, a cofiduciary is jointly and severally liable with a responsible fiduciary for compensatory damages, but has the right to recover from the responsible fiduciary any compensatory damages paid

by the cofiduciary.

(b) If a cofiduciary had or ought to have had knowledge of a fiduciary breach and took part in the breach, concealed the breach, or failed to take reasonable steps to remedy it, the cofiduciary may be subject to any equitable remedies imposed on the responsible fiduciary.

Sec. 13. [356A.13] [FIDUCIARY INDEMNIFICATION.]

Subdivision 1. [GENERAL PROHIBITION OF INDEMNIFICATION.] Except as provided in subdivision 2, an arrangement or plan provision that would exculpate or indemnify a fiduciary of a covered pension plan, or otherwise relieve the fiduciary of liability for a fiduciary breach, is prohibited as contrary to public policy.

Subd. 2. [INDEMNIFIED FIDUCIARIES.] A fiduciary who is a member of the governing board of a pension plan, an employee of a covered pension plan or of the state board of investments, or an attorney who provides legal advice to a covered pension plan or to the state board of investments in the capacity of an employee of the state or of a governmental subdivision may at the discretion of the governing board of the plan or of the state board of investments be indemnified from liability for an unintentional fiduciary breach. A board decision to indemnify a fiduciary must apply to all eligible fiduciaries of similar rank and must be prospective.

Subd. 3. [ALLOWABLE INDEMNIFICATION.] An indemnified fiduciary of a covered pension plan must be held harmless from reasonable costs or expenses incurred as a result of any actual or threatened litigation or other proceedings arising from the good-faith performance of fiduciary duties.

Sec. 14. [356A.14] [LEGAL CHALLENGES TO FIDUCIARY ACTIONS.]

Subdivision 1. [JURISDICTION.] The district court has jurisdiction over a challenge of a fiduciary action or inaction.

Subd. 2. [VENUE.] (a) Venue for a legal action challenging a fiduciary action or inaction of a statewide plan is Ramsey county.

(b) Venue for a legal action challenging a fiduciary action or inaction of a covered pension plan other than a statewide plan is the county in which the governmental entity that established and maintains the plan is located or predominantly located.

Subd. 3. [SERVICE OF PROCESS.] (a) For a fiduciary alleged in the complaint to be wholly or primarily responsible for an alleged breach, personal service of process must be obtained.

(b) For a fiduciary alleged in the complaint to have, or who may have, cofiduciary responsibility and liability, service of process may be obtained by certified or registered mail on the chief administrative officer of the pension plan on behalf of the fiduciary. The chief administrative officer, within ten days of service, shall provide written notice of the legal action to all affected fiduciaries who were not personally served.

(3) for a plan other than a statewide plan, the attorney general or the county attorney of the county in which the governmental entity that established and maintains the plan is located or predominantly located; and

(4) the commissioner of finance.

(b) The legislative auditor shall investigate an alleged fiduciary breach at the request, by majority vote, of the senate finance committee, the house of representatives appropriations committee, the governmental operations committees of both houses, or the legislative commission on pensions and retirement. The legislative auditor shall file a report of an investigation with the appropriate county attorney. Upon receiving the report, the county attorney shall take whatever legal action the attorney deems appropriate to remedy a fiduciary breach substantiated by the report.

Subd. 5. [LIMITATIONS ON LEGAL ACTIONS.] A legal action challenging a fiduciary action or inaction must be timely. Notwithstanding any limitation in chapter 541, an action is timely if it is brought within the earlier of the following periods:

(1) the period ending three years after the date of the last demonstrable act representing the alleged fiduciary breach or after the final date for performance of the act the failure to perform which constitutes the alleged breach; or

(2) the period ending one year after the date of the discovery of the alleged fiduciary breach.

Subd. 6. [LIMITATION ON FIDUCIARY DAMAGES.] (a) For a legal action challenging an alleged fiduciary breach other than one involving theft, embezzlement, or other conversion of money or property, compensatory damages may not exceed \$250,000 for an individual who is a prevailing party or \$1,000,000 for a covered pension plan that is a prevailing party or on behalf of which a legal action was brought.

(b) For a legal action challenging a fiduciary breach involving theft, embezzlement, or other conversion of money or property, compensatory damages may not exceed the greater of the amounts specified in paragraph (a) or the amount of money or value of the property stolen, embezzled, or otherwise converted.

(c) Costs and reasonable attorney fees may be awarded to a prevailing party, to be paid by a nonprevailing party, for all or part of a legal action challenging a fiduciary breach.

Subd. 7. [OTHER RIGHTS PRESERVED.] Nothing in this section abrogates or limits a person's right to bring an action under other statutory or common law.

Sec. 15. [356A.15] [CONTINUING FIDUCIARY EDUCATION.]

Subdivision 1. [OBLIGATION OF FIDUCIARIES.] A fiduciary of a covered pension plan shall make all reasonable efforts to obtain knowledge and skills sufficient to enable the fiduciary to perform fiduciary duties adequately. At a minimum, the fiduciary shall comply with the program established in accordance with subdivision 2.

Subd. 2. [CONTINUING FIDUCIARY EDUCATION PROGRAM.] The governing board of each covered pension plan shall develop, monitor, and periodically revise a program for the continuing education of members of its governing board and of its fiduciary employees who are not reasonably

considered to be expert in fiduciary activities. The program must be designed to provide those persons with knowledge and skills sufficient to enable them to perform fiduciary duties adequately. By January 1 of each year, a statewide plan must file the program and revisions of the program with the executive director of the legislative commission on pensions and retirement, and a local pension plan must file the program and revisions of the program with the state auditor.

MOTIONS AND RESOLUTIONS - CONTINUED

Pursuant to Rule 10, Mr. Moe, R.D., Chair of the Committee on Rules and Administration, designated S.F. No. 1816 a Special Order to be heard immediately.

SPECIAL ORDER

S.F. No. 1816: A bill for an act relating to probate; providing for adult health care decisions; imposing penalties; proposing coding for new law as Minnesota Statutes, chapter 145B.

Mr. Waldorf moved to amend S.F. No. 1816 as follows:

Delete everything after the enacting clause and insert:

"Section 1. [145.99] [CITATION.]

Sections 1 to 11 may be cited as the medical treatment for vulnerable adults act.

Sec. 2. [145.991] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 1 to 11, the terms in this section have the meanings given.

Subd. 2. [COMPETENT PERSON.] "Competent person" means an adult or emancipated minor who is able to make decisions about that person's medical treatment or care.

Subd. 3. [DECLARATION.] "Declaration" means a writing made in accordance with the requirements of section 5.

Subd. 4. [HEALTH CARE FACILITY.] "Health care facility" means a hospital or other entity licensed under sections 144.50 to 144.58 or a nursing home licensed to serve adults under section 144A.02.

Subd. 5. [HEALTH CARE PROVIDER.] "Health care provider" means a person, health care facility, organization, or corporation licensed, certified, or otherwise authorized or permitted by the laws of this state to administer health care directly or through an arrangement with other health care providers.

Subd. 6. [HMO.] "HMO" means an organization licensed under sections 62D.01 to 62D.30.

Subd. 7. [INCOMPETENT PERSON.] "Incompetent person" means any natural person who: (1) is an unemancipated minor; (2) has been declared legally incompetent to make decisions affecting medical treatment or care; or (3) is unable to make decisions affecting medical treatment or care.

Subd. 8. [MEDICAL TREATMENT.] "Medical treatment" means medically appropriate surgical techniques, medications, or technologies used to reverse or alleviate a life-threatening or health-impairing condition, or a complication arising from that condition. Medical treatment does not include: (1) administration of nutrition through the gastrointestinal tract, or by any other means customarily used by health care providers; or (2) administration of hydration.

Subd. 9. [NUTRITION.] "Nutrition" means nutrition as administered through the gastrointestinal tract, or by any other means customarily applied by health care providers.

Subd. 10. [PHYSICIAN.] "Physician" means a person licensed to practice medicine in Minnesota.

Subd. 11. [TERMINAL ILLNESS OR INJURY.] "Terminal illness or injury" means an incurable and irreversible medical condition that, regardless of medical treatment and the administration of nutrition and hydration, will result in the death of a person from that condition or a complication arising from that condition. Terminal illness or injury does not include mental retardation, mental illness, or any other chronic mental or physical impairment, including comatose conditions, that alone do not result in death.

Sec. 3. [145.992] [PRESUMPTIONS.]

It shall be presumed that every incompetent person has directed that person's health care providers to provide nutrition and hydration, in order to sustain life and minimize pain and discomfort, unless one of the following conditions is met:

(1) the patient has voluntarily, while competent, issued a declaration that provides for the provision, maintenance, withholding, or withdrawing of medical care or nutrition and hydration except that nutrition and hydration may be withheld or withdrawn only if the patient is in a terminal condition;

(2) the patient has voluntarily, while competent, issued a declaration that appoints a proxy to make decisions regarding the provision, maintenance, withholding, or withdrawing of medical care except that nutrition and hydration may be withheld or withdrawn only if the patient is in a

terminal condition and death is imminent; provided, however, that withholding or withdrawing of nutrition or hydration would not result in death from malnutrition or dehydration rather than from an underlying terminal illness or injury;

(3) there is clear and convincing evidence that the patient while competent, voluntarily decided, after diagnosis of a terminal illness or injury and after receiving information sufficient to establish informed consent, that a specific form of medical care or nutrition and hydration should be withheld or withdrawn;

(4) in the reasonable medical judgment of the consulting physician and a second consulting physician the patient is: (i) in a terminal condition; (ii) chronically and irreversibly incompetent; and (iii) death is imminent; provided, however, that withholding or withdrawing of nutrition or hydration would not result in death from malnutrition or dehydration rather than from an underlying terminal illness or injury; or

(5) the provision of nutrition and hydration would itself cause severe, intractable, and long-lasting pain to the person.

Sec. 4. [145.993] [LIMITATIONS; REVOCATION.]

Subdivision 1. [LIMITATIONS.] (a) Declarations and proxy decisions take effect only when the attending physician makes a reasonable medical judgment that the patient is incompetent.

(b) Declarations and proxy appointments have no effect if the form was supplied by the health care providers.

(c) Declarations take effect only after the patient has had the opportunity to review and revise them after having been diagnosed with a life-threatening illness or injury, or the attending physician certifies on the medical record that the patient is unable to make that review.

(d) An informed consent decision made by a competent person at the time care is needed takes precedence over a preceding declaration or directive made by a proxy. A declaration takes precedence over a directive of a proxy.

(e) No proxy, guardian, or other person has the authority to make a decision on behalf of another person to withhold or withdraw nutrition and hydration except when the circumstances and conditions of section 3 apply.

Subd. 2. [REVOCATION.] A declaration directing the provision, withdrawal, or withholding of treatment or care or authorizing another to do so may be revoked by the person who issued it in a manner that evidences an intention to revoke, whether or not the declarant is competent at the time of revocation.

Sec. 5. [145.994] [DECLARATION.]

Subdivision 1. [SCOPE.] A competent adult may make a declaration of preferences or instructions regarding medical treatment, including, but not limited to, consent or refusal of any medical treatment or provision of nutrition and hydration under section 3, service, procedure, or placement. A declaration may include preferences or instructions regarding medical treatment, the designation of a proxy to make medical treatment decisions on behalf of the declarant, or both.

Subd. 2. [WITNESSING; ALTERNATIVE TO WITNESSING.] The declaration is effective when signed by the declarant and two witnesses or a notary public. If the declarant is physically unable to sign the document, the declaration may be given orally, in which case one of the witnesses shall subscribe the document at the declarant's direction. One of the witnesses must be someone who is not entitled to any part of the estate of the declarant under a will then existing or by operation of law. Neither of the witnesses may be named as a proxy in the declaration. Each witness shall substantially make the following declaration on the document:

"I certify that the declarant voluntarily signed this declaration in my presence and that the declarant is personally known to me. I am not named as a proxy by the declaration."

Sec. 6. [145.995] [SUGGESTED FORM.]

A declaration executed under this chapter may, but need not, be in the following form. Forms printed for public distribution must be substantially in the following form:

"Notice: Health Care Declaration

This is an important legal document. Before signing this document, you should know these important facts:

(a) This document gives your health care providers or your designated proxy the power and guidance to make medical treatment decisions according to your wishes when you are unable to, with some limitations. These decisions may include what kind of treatment you want or do not want and under what circumstances you want these decisions to be made. You may designate places where you want or do not want treatment.

(b) If you name a proxy in this document, that person has a duty to act consistent with your desires as stated in this document or otherwise made known, or if not known, to act in your best interests. If you do not name a proxy, your health care providers have a duty to act consistent with your instructions, or tell you that they are unwilling to do so.

(c) This document will remain valid and in effect until and unless you amend or revoke it. You are encouraged to review this document periodically to make sure it continues to reflect your preferences. You may amend or revoke the declaration at any time by notifying your health care providers.

(d) Your named proxy has the same right as you have to examine your medical records and to consent to their disclosure unless you limit this right in this document.

(e) If there is anything in this document that you do not understand, you should ask for professional assistance to have it explained to you.

TO MY FAMILY, DOCTORS, AND ALL THOSE CONCERNED WITH MY CARE:

I, , being an adult of sound mind, willfully and voluntarily make this statement as a directive to be followed if I become unable to participate in decisions regarding my medical treatment. I also understand that I have the right to make medical and health care decisions for myself as long as I am able to do so, and to revoke this declaration at any time.

Should I become unable to communicate my instructions, I designate the following person(s) to act on my behalf consistent with my instructions, if any, as stated above. Unless I write instructions that set limits on my proxy's authority, my proxy has full power and authority to make medical treatment decisions for me within the limits of applicable law.

Reminder: Keep the signed original with your personal papers. Give signed copies to your doctors, family, and proxy."

Sec. 7. [145.996] [COMPLIANCE WITH DECLARATION.]

A physician or other health care provider shall make the declaration a part of the declarant's medical record and if unwilling at any time to comply with the declaration, shall promptly notify the declarant and document the notification in the declarant's medical record. After notification, if a competent declarant fails to transfer to a different physician or provider, no duty arises on the part of the physician or provider to transfer the patient.

Sec. 8. [145.997] [RIGHTS AND DUTIES OF HEALTH CARE PROVIDERS.]

(a) A health care provider is not required to provide medical care or nutrition and hydration if that treatment or care is not medically possible.

(b) Notwithstanding any other provision of law, a health care provider is not required to participate in or provide facilities for a patient for whom medical treatment or nutrition and hydration are to be withheld or withdrawn if this would violate the policy or conscientious belief of the health care provider.

(c) Sections 1 to 11 do not require or alter any duty that requires a health care provider to provide medical care or nutrition and hydration for which the health care provider will not be reimbursed.

(d) Nothing in this section, including the existence of a declaration or proxy appointment made under section 5, relieves a physician of the duty

to seek informed consent from the patient concerning reasonably foreseeable treatment and care options during a likely future period of incompetence if there is a reasonable opportunity to do so after the diagnosis of the illness or injury while the patient is still competent.

Sec. 9. [145.998] [DECISION OF INCOMPETENT PREGNANT WOMEN.]

Notwithstanding section 5, unless the woman has specifically otherwise provided pursuant to the requirements of section 3, clause (3), if an incompetent person is a woman known to be pregnant, it is presumed that she has directed the use of medical treatment, and nutrition and hydration if the attending physician makes a reasonable medical judgment that the use of the medical treatment and nutrition and hydration will enable the woman's child to develop to a sufficient degree that the child would sustain life apart from the woman's body.

Sec. 10. [145.999] [SEVERABILITY.]

If a portion of section 2, 3, or 4, or its application to any person or circumstance is held invalid, the entire act is invalid.

Sec. 11. [145.9995] [CONSTRUCTION.]

Nothing in this act may be construed to affect or diminish any state interest in the preservation of human life, the maintenance of the ethical integrity of the medical profession, the protection of third parties, or the prevention of suicide."

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 473.141, subdivision 9, is amended to read:

Subd. 9. [PERSONNEL CODE; MERIT SYSTEM.] (a) The council shall by resolution adopt guidelines for a personnel code relating to the employees of the commissions, except that nothing in Laws 1974, Chapter 422 shall impair the rights of any commission or employee under sections 473.405 and 473.415. After adoption of the guidelines, each commission shall by resolution adopt a personnel code in general conformance therewith. The code shall include a job classification plan, procedures for employment and promotion of personnel based on merit, procedures for the demotion, suspension or discharge of employees, procedures for hearing grievances, procedures for salary administration, and such other provisions as the council deems appropriate. In addition, the code shall provide for the development by each commission of affirmative action plans, ~~which shall be submitted for approval to the appropriate agency or office of the state. The plans shall include a yearly progress report to the agency or office as provided in section 3.~~ The chief administrator of each commission shall administer the code, and no commission shall take any action inconsistent with the personnel code.

(b) All employees of the commission except those expressly designated for the unclassified service, shall serve in the classified service. The unclassified service shall include: members of the commission, the chief administrator of the commission, all officers of the commission, any employee of the commission who is determined by the commission to have a confidential relationship to the commission or the council; and any employee of the commission expressly exempted from the classified service by law. Each code shall also include procedures for open competitive examinations

to test the relative skill or ability of all applicants for positions in the classified service. Such examinations may consist of written or oral tests of the subjective or objective type, physical tests, and practical or demonstration tests for the evaluation of past training and experience. Oral tests may be used to test the applicant's knowledge of the position applied for or personal fitness for the position. Where there is more than one applicant for a position, each code shall provide for the employment of one of the three applicants best qualified for it.

(c) When a commission employee has been demoted, suspended or dismissed by the chief administrator, the employee may, within 30 days after such action becomes effective, file with the commission a written request for a hearing showing the position from which the employee was dismissed, the date of dismissal, and the reason for requesting the hearing, full name and present mailing address. Upon receipt of a request for a hearing the commission shall appoint three of its members to act as an appeal committee and preside at a hearing on the action of the administrator. The hearing shall be held within 30 days after the request is received by the commission, upon written notice mailed or delivered to the employee at the employee's present mailing address, not less than seven days before the hearing. The appeal committee shall approve or disapprove the action of the administrator, and in the case of approval the action of the administrator shall be final. In the case of disapproval the appeal committee may reinstate the employee under such conditions as it deems proper, and may order the payment to the employee of compensation lost as a result of the demotion, suspension or dismissal.

Sec. 2. [473.142] [SOCIALY AND ECONOMICALLY DISADVANTAGED BUSINESSES.]

(a) *The metropolitan council and agencies specified in section 3, subdivision 1, shall attempt to award at least nine percent of the value of all procurement, other than contracts under clause (c), to businesses owned and operated by socially or economically disadvantaged persons. For purposes of this section, "socially or economically disadvantaged person" means a person who has been deprived of the opportunity to develop and maintain a competitive position in the economy because of social or economic conditions. This disadvantage may arise from cultural, social or economic circumstances, background, or other similar cause. It includes racial minorities, women, persons with a disability as defined in section 363.01, subdivision 25, sheltered workshops, and work activity programs. To the extent practicable, the council and agencies shall attempt to meet this goal through procurement from businesses with their principal place of business in Minnesota. In furtherance of this goal, the council or an agency shall set aside a percentage of all procurements for bidding only by these businesses. The council or an agency may also award a five percent preference to these businesses in the amount bid on selected procurements.*

(b) *The council and each agency specified in section 3, subdivision 1, as a condition of awarding procurements for construction, consultant, professional, or technical service contracts in excess of \$200,000, shall attempt to assure that at least ten percent of the contract award to a prime contractor be subcontracted to a business owned and operated by a socially or economically disadvantaged person, or that at least ten percent of the contract award be expended in purchasing materials or supplies from this type of business. This paragraph does not apply if the council or agency determines that there is no business owned and operated by a socially or*

economically disadvantaged person able to perform the subcontract or provide the supplies. Subcontracting or purchasing of supplies under this subdivision is not included in determining achievement of goals under paragraph (a) or (c).

(c) The council and each agency specified in section 4, subdivision 1, shall attempt to award at least six percent of the value of all procurements for consultant services or professional or technical services to businesses owned and operated by socially or economically disadvantaged persons.

(d) The council and each agency may adopt rules to implement this section.

(e) This section does not apply to procurement financed in whole or in part with federal funds if the procurement is subject to federal disadvantaged business enterprise regulations. The council and each agency shall report annually to the legislature on compliance with this subdivision. The reports must include the information specified in section 16B.21.

Sec. 3. [473.143] [AFFIRMATIVE ACTION PLANS.]

Subdivision 1. [APPLICATION.] For purposes of this section, "agency" means a metropolitan agency as defined in section 473.121, except the metropolitan parks and open space commission. Agency also means the metropolitan mosquito control commission. For purposes of this section, "commissioner" means the commissioner of the state department of employee relations.

Subd. 2. [DEVELOPMENT AND CONTENTS.] The council and each agency shall develop an affirmative action plan and submit its plan to the commissioner for approval. The commissioner may not approve a plan unless the commissioner determines that it will be effective in assuring that employment positions are equally accessible to all qualified persons, in eliminating the underutilization of qualified members of protected groups, in providing a supportive work environment to all employees, regardless of race, religion, sex, national origin, or disability, and in dealing with discrimination complaints. For purposes of this section, "protected group" has the meaning given it in section 43A.02, subdivision 33. A plan must contain at least the elements required in this subdivision.

(a) It must identify protected groups that are underrepresented in the council's or agency's work force.

(b) It must designate a person responsible for directing and implementing the affirmative action program and assign the specific responsibilities and duties of that person. The person responsible for implementing the program shall report directly to the council's or agency's chief executive officer regarding the person's affirmative action duties. The person responsible for the affirmative action program shall review examination and other selection criteria to assure compliance with law. This person shall be involved in the filling of all vacancies in the council or agency work force, to the extent necessary to facilitate attainment of affirmative action goals.

(c) It must describe the methods by which the plan will be communicated to employees and to other persons.

(d) It must describe methods for recruiting members of protected groups. These methods may include internship programs, cooperation with union apprenticeship programs, and other steps necessary to expand the number of protected group members in applicant pools.

(e) It must describe internal procedures in accordance with this paragraph for processing complaints of alleged discrimination from job applicants and employees. The procedures must provide for an initial determination of whether the complaint is properly a discrimination complaint subject to the procedure under the affirmative action plan. Complaints filed under the discrimination procedures that allege reprisals against an employee for opposing a forbidden practice or for filing a charge, testifying, or participating in an investigation, proceeding, or hearing relating to a forbidden practice are appealable to the chief executive officer of the council or agency. Procedures under this paragraph must be distinct from any procedures available under a union contract or personnel policy for nondiscrimination complaints. Use of procedures developed under this paragraph is not a prerequisite to filing charges with a governmental enforcement agency, nor does it limit a person's right to file these charges.

(f) It must set goals and timetables to eliminate underutilization of members of each protected group in the council or agency work force.

(g) It must provide a plan for retaining and promoting protected group members in the council or agency work force. This plan should encourage training opportunities for protected group members, to the extent necessary to eliminate underutilization in specific parts of the work force.

(h) It must describe methods of auditing, evaluating, and reporting program success, including a procedure that requires a preemployment review of all hiring decisions for occupational groups with unmet affirmative action goals.

(i) It must provide for training of management and supervisory personnel in implementation of the plan and in dealing with alleged acts of discrimination in the workplace.

(j) It must provide for periodic surveying of the council or agency work force to determine employee attitudes toward implementation of the plan.

(k) It must provide for creation of an employee committee to advise on implementation of the plan and on any changes needed in the plan.

Subd. 3. [HARASSMENT.] The council and each agency shall adopt written policies forbidding harassment based on sex, disability, or race in their workplaces and establishing implementation plans and grievance procedures to deal with complaints of harassment based on sex, disability, or race.

Subd. 4. [PERFORMANCE EVALUATION.] The evaluation of the performance of each supervisory and managerial employee of the council and the agencies must include evaluation of the person's performance in implementing the council's or agency's affirmative action plan and in preventing forbidden discrimination in the workplace.

Subd. 5. [REPORT.] By March 1 each year, the commissioner shall report to the legislature on affirmative action progress of the council and of each agency. The report must include:

(1) an audit of the record of the council and each agency to determine compliance with affirmative action goals and to evaluate overall progress in attainment of overall affirmative actions objectives;

(2) if the council or any agency has failed to make satisfactory progress toward its affirmative action goals, a list of unmet goals and an analysis

of why the failure occurred;

(3) a summary of all personnel actions taken by the council and each agency during the past calendar year, categorized by occupational group, protected group status, and full-time, part-time, temporary, and seasonal status; and

(4) a summary of discrimination complaints and lawsuits against the council and each agency filed or resolved during the past calendar year, including the basis for the complaints and lawsuits.

The council and each agency shall report to the commissioner all information that the commissioner requests to make the report required by this subdivision. In providing this information, the council and agencies are not required to reveal information that is not public data under chapter 13.

The council and each agency shall submit these reports at the time and in the manner requested by the commissioner. The commissioner shall report to the legislature and the task force created in section 1 on the failure of the council or an agency to file the required report in a timely manner.

Subd. 6. [COORDINATION.] The commissioner or a designee shall meet with affirmative action officers of the council and all of the agencies to share successful techniques and foster innovative means to implement affirmative action plans and eliminate discrimination in the workplace.

Sec. 4. [473.144] [CERTIFICATES OF COMPLIANCE FOR CONTRACTS.]

Neither the council nor an agency listed in section 3, subdivision 1, may accept any bid or proposal for a contract or execute a contract for goods or services in excess of \$50,000 with any business having more than 20 full-time employees in Minnesota at any time during the previous 12 months, unless the business has an affirmative action plan for the employment of minority persons, women, and the disabled that has been approved by the commissioner of human rights. Receipt of a certificate of compliance from the commissioner of human rights signifies that a business has an approved affirmative action plan. A certificate is valid for two years. Section 363.073 governs revocation of certificates. The rules adopted by the commissioner of human rights under section 363.074 apply to this section.

Sec. 5. Minnesota Statutes 1986, section 473.406, subdivision 2, is amended to read:

Subd. 2. [SET-ASIDES.] The metropolitan transit commission ~~may, on a fiscal year basis, designate and set aside for awarding to~~ shall comply with the requirements of section 2 relating to procurement from business entities controlled by socially or economically disadvantaged persons or handicapped persons, or for awarding to business entities which guarantee the use of subcontractors controlled by socially or economically disadvantaged persons or handicapped persons, approximately five percent of the value of its anticipated total procurement of goods and services, including construction. The failure of the commission to set aside particular procurements shall not be deemed to prohibit or discourage business entities controlled by socially or economically disadvantaged persons or handicapped persons from seeking the procurement award through the normal solicitation and bidding processes.

Sec. 6. Minnesota Statutes 1986, section 473.406, subdivision 5, is amended to read:

Subd. 5. [RECOURSE TO OTHER BUSINESSES.] If this section ~~does and section 2 do~~ not operate to extend a contract award to a business entity controlled by socially or economically disadvantaged persons ~~or handicapped persons~~, the award shall be placed pursuant to the normal solicitation and award procedures set forth in section 471.345.

Sec. 7. Minnesota Statutes 1986, section 473.406, subdivision 6, is amended to read:

Subd. 6. [RULES.] The commission shall promulgate by rule standards and procedures for certifying that business entities eligible to participate in the ~~set-aside program authorized in~~ *required by* this section *and section 2* are controlled by socially or economically disadvantaged persons ~~or handicapped persons~~. The commission shall promulgate other rules as may be necessary or advisable to carry out the provisions of this section *and section 2*.

Sec. 8. Minnesota Statutes 1986, section 473.406, subdivision 7, is amended to read:

Subd. 7. [OTHER LAWS SUPERSEDED.] In the event of conflict with other laws or rules, the provisions of this section *and section 2* and rules promulgated pursuant to ~~it~~ *them* shall govern.

Sec. 9. [EFFECTIVE DATE.]

Sections 1 to 8 apply in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. Sections 2, 5, and 6 apply only to contracts for which notice of invitation to bid or requests for proposals are issued after the effective date of the section."

S.F. Nos. 1819, 1885, 2402, 1827, 1060, 1727 and H.F. No. 1904, which the committee recommends to pass.

Mr. Morse moved to amend S.F. No. 2021 as follows:

Page 2, line 9, after "*subsidy*" insert "*and the total amount from the general account designated for that office in the district must be distributed to the other candidates for the same office in the district who have signed an agreement to be bound by the limits and are eligible to receive money from the general account*".

Page 2, after line 9, insert:

"Sec. 3. Minnesota Statutes 1986, section 10A.31, subdivision 5, is amended to read:

Subd. 5. In each calendar year the moneys in each party account and the general account shall be allocated to candidates as follows:

- (1) 21 percent for the offices of governor and lieutenant governor together;
- (2) 3.6 percent for the office of attorney general;
- (3) 1.8 percent each for the offices of secretary of state, state auditor and state treasurer;
- (4) In each calendar year during the period in which state senators serve a four-year term, 23-1/3 percent for the office of state senator and 46-2/3 percent for the office of state representative;

(5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative;

(6) To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, moneys from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula:

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in the candidate's district for all candidates of that candidate's

party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) of this subdivision in the following year. Moneys from the general account refused by ~~any a~~ candidate ~~shall~~ *must* be distributed to ~~all other qualifying candidates in proportion to their shares as provided in this subdivision the other candidates for the same office in the district who have signed an agreement to be bound by the limits and are eligible to receive money from the general account.~~

Amend the title as follows:

Page 1, line 4, after the semicolon, insert "providing for the distribution

of money from the general account of the state elections campaign fund;"

Page 1, line 6, delete "and" and after "10" insert "; and 10A.31, subdivision 5"

Page 1, line 5, after "district" insert "other than an incumbent of that office"

Subdivision 1. [APPLICABILITY.] The provisions of this section apply to all group policies or subscriber contracts providing payment for care in this state, which are issued or renewed after August 1, 1973 for chiropractic services, after August 1, 1976, for optometric services, and which are issued or renewed after the effective date of this section for services of a registered nurse meeting the requirements of subdivision 3a, by accident and health insurance companies regulated under this chapter and nonprofit health service plan corporations regulated under chapter 62C.

Sec. 2. Minnesota Statutes 1986, section 62A.15, subdivision 2, is amended to read:

Subd. 2. [CHIROPRACTIC SERVICES.] All benefits provided by any policy or contract referred to in subdivision 1, relating to expenses incurred for medical treatment or services of a physician must also include chiropractic treatment and services of a chiropractor to the extent that the chiropractic services and treatment are within the scope of chiropractic licensure.

This subdivision is intended to provide equal access to benefits for insureds and subscribers who choose to obtain treatment for illness or injury from a doctor of chiropractic, as long as the treatment falls within the chiropractor's scope of practice. This subdivision is not intended to change or add to the benefits provided for in these policies or contracts.

Sec. 3. Minnesota Statutes 1986, section 62A.15, subdivision 4, is amended to read:

Subd. 4. [DENIAL OF BENEFITS.] (a) No carrier referred to in subdivision 1 may, in the payment of claims to employees in this state, deny benefits payable for services covered by the policy or contract if the services are lawfully performed by a licensed chiropractor, licensed optometrist, or a registered nurse meeting the requirements of subdivision 3a.

(b) When carriers referred to in subdivision 1 make claim determinations concerning the appropriateness, quality, or utilization of chiropractic health care, any of these determinations that are made by health care professionals must be made by, or under the direction of, or subject to the review of doctors of chiropractic licensed under the provisions of sections 148.01 to 148.104.

Sec. 4. Minnesota Statutes 1987 Supplement, section 148.06, subdivision 1, is amended to read:

Subdivision 1. [LICENSE REQUIRED; QUALIFICATIONS.] No person shall practice chiropractic in this state without first being licensed by the state board of chiropractic examiners. The applicant shall have earned at least one-half of all academic credits required for awarding of a baccalaureate degree from the University of Minnesota, or other university, college or community college of equal standing, in subject matter determined by the board, and taken a four-year resident course of at least eight months each in a school or college of chiropractic that is fully accredited by the council on chiropractic education or fully accredited by an agency approved by the United States office of education or their successors as of January

1, 1988. The board may issue licenses to practice chiropractic without compliance with prechiropractic or academic requirements listed above if in the opinion of the board the applicant has the qualifications equivalent to those required of other applicants, the applicant satisfactorily passes written and practical examinations as required by the board of chiropractic examiners, and the applicant is a graduate of a college of chiropractic with a reciprocal recognition agreement with the council on chiropractic education as of January 1, 1988. The board may recommend a two-year prechiropractic course of instruction to any university, college or community college which in its judgment would satisfy the academic prerequisite for licensure as established by this section.

An examination for a license shall be in writing and shall include testing in:

(a) The basic sciences including but not limited to anatomy, physiology, bacteriology, pathology, hygiene, and chemistry as related to the human body or mind;

(b) The clinical sciences including but not limited to the science and art of chiropractic, chiropractic physiotherapy, diagnosis, roentgenology and nutrition; and

(c) Professional ethics and any other subjects that the board may deem advisable.

The board may consider a valid certificate of examination from the National Board of Chiropractic Examiners as evidence of compliance with the written examination requirements of this subdivision. The applicant shall be required to give practical demonstration in vertebral palpation, neurology, adjusting and any other subject that the board may deem advisable. A license, countersigned by the members of the board and authenticated by the seal thereof, shall be granted to each applicant who correctly answers 75 percent of the questions propounded in each of the subjects required by this subdivision and meets the standards of practical demonstration established by the board. Each application shall be accompanied by a fee set by the board. The fee shall not be returned but the applicant may, within one year, apply for examination without the payment of an additional fee. The board may grant a license to an applicant who holds a valid license to practice chiropractic issued by the appropriate licensing board of another state or country, provided the applicant meets the other requirements of this section and satisfactorily passes the practical examination before the board. The burden of proof is on the applicant to demonstrate these qualifications or satisfaction of these requirements.

Sec. 5. Minnesota Statutes 1987 Supplement, section 169.345, subdivision 2a, is amended to read:

Subd. 2a. [PHYSICIAN'S OR CHIROPRACTOR'S STATEMENT.] The commissioner shall develop a form for the physician's or chiropractor's statement. The statement must be signed by a licensed physician or chiropractor who certifies that the applicant is a physically handicapped person as defined in subdivision 2. The physician's statement that the applicant is a physically handicapped person must specify whether the disability is permanent or temporary, and if temporary, the opinion of the physician or chiropractor as to the duration of the disability. A physician or chiropractor

who fraudulently certifies to the commissioner that a person is a physically handicapped person as defined in subdivision 2, and that the person is entitled to the license plates authorized by section 168.021 or to the certificate authorized by this section, is guilty of a misdemeanor and is subject to a fine of \$500.

Subd. 3. [IDENTIFYING CERTIFICATE.] (a) The division of driver and vehicle services in the department of public safety shall issue a special identifying certificate for a motor vehicle when a physically handicapped applicant submits a ~~physician's~~ *statement of a physician or chiropractor*. The commissioner shall design separate certificates for persons with permanent and temporary disabilities that can be readily distinguished from each other from outside a vehicle at a distance of 25 feet. The certificate is valid for the duration of the person's disability, as specified in the physician's *or chiropractor's* statement, up to a maximum of six years. A person with a disability of longer duration will be required to renew the certificate for additional periods of time, up to six years each, as specified in the physician's *or chiropractor's* statement.

(b) When the commissioner is satisfied that a motor vehicle is used primarily for the purpose of transporting physically handicapped persons, the division may issue without charge a special identifying certificate for the vehicle. The operator of a vehicle displaying the certificate has the parking privileges provided in subdivision 1 while the vehicle is in use for transporting physically handicapped persons. The certificate issued to a person transporting physically handicapped persons must be renewed every third year. On application and renewal, the person must present evidence that the vehicle continues to be used for transporting physically handicapped persons.

(c) A certificate must be made of plastic or similar durable material, must be distinct from certificates issued before January 1, 1988, and must bear its expiration date prominently on its face. A certificate issued to a temporarily disabled person must display the date of expiration of the duration of the disability, as determined under paragraph (a). Each certificate must have printed on the back a summary of the parking privileges and restrictions that apply to each vehicle in which it is used. The commissioner may charge a fee of \$5 for issuance or renewal of a certificate, and a fee of \$5 for a duplicate to replace a lost, stolen, or damaged certificate."

Mr. Merriam from the Committee on Finance, to which was re-referred

S.F. No. 892: A bill for an act relating to employment; providing for severance pay and insurance coverage to certain terminated employees;

requiring employers to provide notice of certain actions related to work force reductions; appropriating money; amending Minnesota Statutes 1986, section 267.05, by adding a subdivision; proposing coding for new law in Minnesota Statutes, chapter 268; proposing coding for new law as Minnesota Statutes, chapter 268A.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [268.981] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purpose of sections 1 to 7, the terms defined in this section have the meanings given them.

Subd. 2. [AFFECTED EMPLOYEE.] “Affected employee” means an employee whose employment is terminated or will be terminated as a result of a plant closing.

Subd. 3. [AFFECTED EMPLOYEE ORGANIZATION.] “Affected employee organization” means a labor union, association, or other employee organization that represents affected employees.

Subd. 4. [AFFECTED MUNICIPALITY.] “Affected municipality” means each home rule or statutory city or town in which a plant engaged in a plant closing is located.

Subd. 5. [COMMISSIONER.] “Commissioner” means the commissioner of jobs and training.

Subd. 6. [EMPLOYER.] “Employer” means a person, partnership, corporation, or other for-profit or nonprofit legal entity that owns or is operating one or more plants within this state, either directly or indirectly. If a change in ownership of a plant results in a plant closing, the “employer” means the new owner, and also includes the old owner if the old owner had a reasonable basis to believe that the new owner would decide to close the plant.

Subd. 7. [PLANT.] “Plant” means any facility other than a construction site.

Subd. 8. [PLANT CLOSING.] “Plant closing” means a situation where, as a result of a closing, relocation, or reduction in operations, an employer terminates or will terminate, during a 90-day period, 20 percent or more of the employees employed at a plant employing 100 or more individuals for at least two calendar quarters during the four completed calendar quarters preceding the beginning of the 90-day period. “Plant closing” does not include the termination of employees engaged in temporary or seasonal work.

Sec. 2. [268.982] [NOTICES.]

An employer must notify in writing the commissioner, each affected employee, each affected employee organization, and each affected municipality of a plant closing at least 90 days before the beginning of a plant closing or before a change in ownership that the employer has a reasonable basis to believe will result in a plant closing. If an employer can establish that the employer could not reasonably have anticipated the plant closing 90 days before the beginning of the plant closing, notice is required as soon as the employer has a reasonable basis to believe that a plant closing

will occur.

Sec. 3. [268.983] [COLLECTIVE BARGAINING RIGHTS.]

A collective bargaining agreement that requires greater protection for an affected employee or places greater obligations upon an employer than section 2 takes precedence over that section.

Sec. 4. [268.984] [PLANT CLOSING RELATED BENEFITS.]

Subdivision 1. [RIGHT TO BENEFITS.] If the commissioner determines that an employer has failed to provide required notification of a plant closing, an affected employee is entitled to additional unemployment compensation benefits as provided under this section, after all other unemployment compensation benefits are exhausted.

Subd. 2. [AMOUNT.] An affected employee is entitled to additional weekly benefits for each week or part of a week that the employer is not in compliance with section 2, up to a maximum of 13 weeks of additional benefits. A claimant's weekly benefit amount under this section is the same as the individual's weekly benefit amount payable during the individual's current benefit year under section 268.08.

Subd. 3. [PAYMENT OF BENEFITS.] All benefits payable under this section are payable from the unemployment compensation fund.

Sec. 5. [268.985] [EMPLOYER LIABILITY.]

Subdivision 1. [AMOUNT.] An employer who fails to comply with section 2 is liable to the plant closing special fund in an amount equal to the number of weeks of additional unemployment compensation benefits available to its affected employees under section 4, times the number of affected employees laid off as a result of the plant closing, times 110 percent of the average weekly benefit amount for the employer's industry.

Subd. 2. [PAYMENT.] Payment due under this section must be made within 30 days of the commissioner's determination of liability and is subject to the collection provisions of sections 268.16, 268.161 to 268.164, and 268.166.

Subd. 3. [APPEALS.] An employer may appeal the commissioner's determination of liability in the same manner as provided under section 268.06, subdivision 20.

Sec. 6. [268.986] [SPECIAL FUND CREATED.]

Subdivision 1. [ESTABLISHED.] A special fund to be known as the plant closing special fund is created in the state treasury. The special fund is separate and distinct from any fund or account created for any other purposes of sections 268.03 to 268.231. All collections from the payments of employer liability under section 5 must be credited to the special fund. Ninety-seven percent of the money in the special fund is appropriated on a quarterly basis to the unemployment compensation fund. The remaining three percent is appropriated to the commissioner to administer the special fund. Money in the special fund must be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as are provided by law for other special funds in the state treasury.

Sec. 7. [268.987] [RULES.]

The commissioner shall adopt rules to implement sections 1 to 7.

Sec. 8. [APPROPRIATION.]

\$25,000 is appropriated to the commissioner of jobs and training to carry out sections 1 to 7."

Subd. 2. [COMPUTATION.] (a) The initial aid will be computed as follows:

(1) for aids paid in 1989 only, (i) for a school district in which the school board has adopted a resolution, before April 1, 1988, calling for a referendum levy according to section 124A.03, subdivision 2, first payable in 1989, redetermine the homestead credit that would have been paid to the school district if the referendum levy called for by the board, and subsequently adopted by the district's voters in an election occurring prior to June 1, 1988, had been in effect for taxes payable in 1988, and (ii) determine the amount of homestead credit reimbursement that would have been paid to the taxing jurisdiction in 1988 under Minnesota Statutes 1986, section 273.13, subdivision 15a, on nonagricultural homesteads in 1988 if the homestead credit percentage provided in Minnesota Statutes 1986, section 273.13, subdivision 22, had been determined by using a rate of 52 percent and as if there had been no \$700 maximum; for purposes of the determination under item (ii), any additional amounts resulting from the determination under item (i) shall be taken into account;

(2) for aids payable in 1990 and subsequent years, the initial aid is the amount paid in the previous year; and

(3) for aids paid in ~~1988~~ 1989 only, the initial amount determined under clause (1) for all taxing jurisdictions levying within each school district shall be reapportioned among all taxing jurisdictions in proportion to their share of the total levy by all taxing jurisdictions in payable 1988.

(b) The amount determined in paragraph (a) shall be multiplied by a fraction, the numerator of which is the ratio of the estimated assessed value of the total homestead base value of nonagricultural homesteads in the taxing jurisdiction for the current assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the current assessment year, and the denominator of which is the ratio of the estimated

assessed value of the total homestead base value of nonagricultural homesteads in the taxing jurisdiction for the previous assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the previous assessment year. The county auditor shall certify the estimated assessed value of the total homestead base value and the total homestead exemption amount, of nonagricultural homesteads and the estimated assessed value of all property in the taxing jurisdiction as of July 15 to the commissioner of revenue.

(c) For aids paid in 1989 and thereafter, the amounts determined under paragraph (b) shall be adjusted as follows:

(i) for cities, towns, and special taxing districts, multiply the amount by one plus the implicit price deflator as defined in section 275.50, subdivision 8;

(ii) for counties, multiply the amount by the following factors: first, by the ratio of the total county levy, except the sum of the levy for income maintenance not including administrative costs plus the levy for social services, to the total county levy multiplied by one plus the implicit price deflator as defined in section 275.50, subdivision 8; second, by the ratio of the sum of the levy for income maintenance, not including administrative costs plus the social service levy of the county to the total county levy multiplied by the estimated increase in county social service costs and income maintenance program costs, not including income maintenance administrative costs; as used in this subclause (ii), "levy" means the levy for taxes payable in the year preceding the year in which the aid is paid;

(iii) for school districts, multiply the amount by the ratio of the school district's levy limit, exclusive of any referendum levy authorized under section 124A.03, subdivision 2, for taxes payable in the preceding year to its levy limit for taxes payable in the year in which the aid is paid exclusive of any such referendum levy.

The county must certify actual social service and income maintenance levies to the commissioner of revenue, who will adjust the final aid amounts paid under this section and section 273.1395 accordingly.

Sec. 20. Minnesota Statutes 1987 Supplement, section 273.1395, subdivision 2, is amended to read:

Subd. 2. [COMPUTATION.] (a) The initial aid will be computed as follows:

For purposes of the determination under item (ii), any additional amounts resulting from the determination under item (i) shall be taken into account. For aid payable in 1990 and subsequent

years, the initial aid is the amount paid in the previous year.

(2) An amount determined in clause (1) shall be multiplied by a fraction, the numerator of which is the ratio of the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, in the taxing jurisdiction for the current assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the current assessment year, and the denominator of which is the ratio of the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, in the taxing jurisdiction for the previous assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the previous assessment year. The county auditor shall certify the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, and the estimated assessed value of all property in the taxing jurisdiction as of July 15 to the commissioner of revenue.

(b) For aids paid in 1989 and subsequent years, the amounts determined in paragraph (a) would be adjusted according to the formula provided in section 273.1394, subdivision 2, paragraph (c)."
