Subd. 3. [PROTECTION OF RACIAL OR ETHNIC HERITAGE, OR RELIGIOUS AFFILIATION.] The policy of the state is to ensure that the best interests of children are met by requiring due consideration of the child's minority race or minority ethnic heritage in foster care placements.

The court, in transferring legal custody of any child or appointing a guardian for the child under the laws relating to juvenile courts, shall place the child, in the following order of preference, in the absence of good cause to the contrary, in the legal custody or guardianship of an individual who (a) is the child's relative, or if that would be detrimental to the child or a relative is not available, who (b) is of the same racial or ethnic heritage as the child, or if that is not possible, who (c) is knowledgeable and appreciative of the child's racial or ethnic heritage. The court may require the county welfare agency to continue efforts to find a guardian of the child's minority racial or minority ethnic heritage when such a guardian is not immediately available. *For purposes of this subdivision, "relative" includes members of a child's extended family and important friends with whom the child has resided or had significant contact.*

If the child's genetic parent or parents explicitly request that the preference described in clause (a) or in clauses (a) and (b) not be followed, the court shall honor that request consistent with the best interests of the child.

If the child's genetic parent or parents express a preference for placing the child in a foster or adoptive home of the same or a similar religious background to that of the genetic parent or parents, in following the preferences in clause (a) or (b), the court shall order placement of the child with an individual who meets the genetic parent's religious preference. Only if no individual is available who is described in clause (a) or (b) may the court give preference to an individual described in clause (c) who meets the parent's religious preference.

Sec. 220. [268.0124] [PLAIN LANGUAGE IN WRITTEN MATERIALS.]

(a) To the extent reasonable and consistent with the goals of providing easily understandable and readable materials and complying with federal and state laws governing the programs, all written materials relating to services and determinations of eligibility for or amounts of benefits that will be given to applicants for or recipients of assistance under a program administered or supervised by the commissioner of jobs and training must be understandable to a person who reads at the seventh-grade level, using the Flesch scale analysis readability score as determined under section 72C.09.

(b) All written materials relating to determinations of eligibility for or amounts of benefits that will be given to applicants for or recipients of assistance under programs administered or supervised by the commissioner of jobs and training must be developed to satisfy the plain language requirements of the plain language contract act under sections 325G.29 to 325G.36. Materials may be submitted to the attorney general for review and certification. Notwithstanding section 325G.35, subdivision 1, the attorney general shall review submitted materials to determine whether they comply with the requirements of section 325G.31. The remedies available pursuant to sections 8.31 and 325G.33 to 325G.36 do not apply to these materials. Failure to comply with this section does not provide a basis for suspending the implementation or operation of other laws governing programs administered by the commissioner.

(c) The requirements of this section apply to all materials modified or developed by the commissioner on or after July 1, 1988. The requirements of this section do not apply to materials that must be submitted to a federal agency for approval, to the extent that application of the requirements prevents federal approval.

(d) Nothing in this section may be construed to prohibit a lawsuit brought to require the commissioner to comply with this section or to affect individual appeal rights granted pursuant to section 268.10.

(e) The commissioner shall report annually to the chairs of the health and human services divisions of the senate finance committee and the house of representatives appropriations committee on the number and outcome of cases that raise the issue of the commissioner's compliance with this section.

The organizations that receive grants under this section must coordinate their efforts with organizations that receive grants under section 462A.05, subdivision 29.

A life skills and employment plan must be developed for each tenant residing in a dwelling that receives funding under section 462A.05, subdivision 29. The plan may include preapprentice and apprenticeship training in the area of housing rehabilitation. If preapprentice and apprenticeship training is part of a plan, the organization must consult with labor organizations experienced in working with apprenticeship programs. The completion or compliance with the individual life skills and employment plan

*must be required for a tenant to remain in a unit constructed or rehabilitated under section 462A.05, subdivision 29.*

*The application for a grant under this section must include a plan that must provide for:*

- (1) training for tenants in areas such as cleaning and maintenance, payment of rent, and roommate skills, and*
- (2) tenant selection and rental policies that insure rental of units to people who are homeless if applicable.*

*The applicant must provide a proposed occupancy contract if applicable, the name and address of the rental agent if applicable, and other information the commissioner considers necessary with the application.*

*The commissioner may adopt permanent rules to administer this grant program.*

Sec. 222. Minnesota Statutes 1986, section 268.86, is amended by adding a subdivision to read:

The system must, at a minimum, include the following:*

- (1) a listing of all available public and private employment and training services, income maintenance and support services, and vocationally directed education and training programs;*

- (3) a coordinated intake procedure for employment and training services, and income maintenance and support services;*
- (4) access to a statewide data base for client tracking and program evaluation; and*
- (5) internal security measures to protect private data from unauthorized access.*

*In developing the system, the commissioner shall consult with the public post-secondary educational systems, local agencies, employment and training service providers, and client and employer representatives. The system must be available in each local agency or service provider delivering programs administered by the commissioner of jobs and training or the commissioner of human services. Access by intake workers, state agency personnel, clients, and any other system users to information contained in the system must conform with all applicable federal and state data privacy requirements.*

Subd. 3. [ALLOCATION.] (a) By June 1 of each odd-numbered year, the commissioner shall notify all county and human services boards and post-secondary educational systems of their allocation. If the appropriation is insufficient to meet the needs in all counties, the amount must be prorated among the counties. *Each county that receives funds under this section must keep a written record and report to the commissioner the number of eligible families who have applied for a child care subsidy. Counties shall perform a cursory determination of eligibility when a family requests information about child care assistance. A family that appears to be eligible must be put on a waiting list if funds are not immediately available.*

(b) Except for set-aside money allocated under subdivisions 3a, 3b, 3c, and 3d, the commissioner shall allocate money appropriated between the metropolitan area, comprising the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington, and the area outside the metropolitan area so that no more than 55 percent of the total appropriation goes to either area after excluding allocations for statewide administrative costs. The commissioner shall allocate 50 percent of the money among counties on the basis of the number of families below the poverty level, as determined from the most recent special census, and 50 percent on the basis of caseloads of aid to families with dependent children for the preceding fiscal year, as determined by the commissioner of human services.

(c) Once each quarter, the commissioner shall review the use of child care fund allocations by county. ~~In accordance with the formula found in paragraph (b),~~ The commissioner may reallocate unexpended or unencumbered money among those counties who have expended their full portion. Sec. 225. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 3b, is amended to read:

Subd. 3b. [SET-ASIDE MONEY FOR AFDC PRIORITY GROUPS.] (a) Set-aside money for AFDC priority groups must be allocated among the counties based on the average monthly number of caretakers receiving AFDC under the age of 21 and the average monthly number of AFDC cases open 24 or more consecutive months. For each fiscal year the average monthly caseload shall be based on the 12-month period ending March 31 of the previous fiscal year. The commissioner may reallocate quarterly unexpended or unencumbered set-aside money to counties that expend their full allocation. The county shall use the set-aside money for AFDC priority

groups and for former AFDC recipients who (1) have had their child care subsidized under the set-aside for AFDC priority groups; (2) continue to require a child care subsidy in order to remain employed; and (3) are on a waiting list for the basic sliding fee program.

(b) The county shall develop cooperative agreements with the employment and training service provider for coordination of child care funding with employment, training, and education programs for aid to families with dependent children priority groups. The cooperative agreement shall specify that individuals receiving employment, training, and education services under an employability plan from the employment and training service provider shall, as resources permit, be guaranteed set-aside money for child care assistance from the county of their residence.

(c) Counties may contract for administration of the program or may arrange for or contract for child care funds to be used by other appropriate programs, in accordance with this section and as permitted by federal law and regulations.

(d) If the commissioner finds, on or after January 1 of a fiscal year, that set-aside money for AFDC priority groups is not being fully utilized, the commissioner may permit counties to use set-aside money for other eligible applicants, as long as priority for use of the money will continue to be given to the AFDC priority groups.

(e) A county may claim federal reimbursement under the AFDC special needs program for money spent for persons listed in subdivision 3a, clause (1). The commissioner shall allocate any federal earnings to the county. The county shall use the money to expand services to AFDC recipients child care sliding fee services under the child care sliding fee program this subdivision.

Sec. 226. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 3c, is amended to read:

Subd. 3c. [SET-ASIDE MONEY FOR AFDC POST-SECONDARY STUDENTS.] (a) For the fiscal year ending June 30, 1988, set-aside money for persons listed in subdivision 3a, clause (2), shall be allocated to the counties based on caseloads of aid to families with dependent children for the preceding fiscal year, as determined by the commissioner. For succeeding fiscal years, the commissioner shall, in cooperation with the director of the higher education coordinating board, develop a formula for allocation of the funds to counties based on the number of AFDC caretakers in each county who are enrolled at post-secondary institutions.

(b) Money allocated in paragraph (a) must be used for child care expenses of AFDC recipients attending post-secondary educational programs, excluding post-baccalaureate programs, and making satisfactory progress towards completion of the program.

(c) Once each quarter the commissioner shall review the use of child care fund allocations under this subdivision by county. The commissioner may reallocate unexpended or unencumbered money among those counties that have expended their full portion for the purposes of this subdivision.

(d) A county may claim federal reimbursement under the AFDC special needs program for money spent for persons listed in subdivision 3a, clause (2). The commissioner shall allocate any federal earnings to the county. The county shall use the money to expand child care sliding fee services

to AFDC recipients under the child care sliding fee program under this subdivision.

Subd. 3e. [USE OF MONEY.] Money for persons listed in subdivision 3a, clauses (2) and (3), shall be used to reduce the costs of child care for students, including the costs of child care for students while employed if enrolled in an eligible education program at the same time and making satisfactory progress towards completion of the program. The county may plan for and provided child care assistance to persons listed in subdivision 3a, clauses (2) and (3), from the regular sliding fee fund to supplement the set-aside funds. *Financially eligible* students ~~provided who have received~~ child care assistance for one academic year shall be provided child care assistance in the following academic year; ~~providing they remain financially eligible if funds allocated under subdivision 3c or 3d are available.~~

Sec. 228. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 4, is amended to read:

Subd. 4. [FINANCIAL ELIGIBILITY.] (a) Child care services must be available to families who need child care to find or keep employment or to obtain the training or education necessary to find employment and who:

- (1) receive aid to families with dependent children;
- (2) have household income below the eligibility levels for aid to families with dependent children; or
- (3) have household income within a range established by the commissioner.

(b) Child care services for the families receiving aid to families with dependent children must be made available as in-kind services, to cover any difference between the actual cost and the amount disregarded under the aid to families with dependent children program. Child care services to families whose incomes are below the threshold of eligibility for aid to families with dependent children, but that are not receiving aid to families with dependent children, must be made available without cost to the families.

(c) Child care services to families with incomes in the commissioner's established range must be made available on a sliding fee basis. The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.

(d) If a disproportionate amount of the available money is provided to any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all eligible groups, it may prioritize among the groups to be served. Counties shall assure that a person receiving child care assistance from the sliding fee program prior to July 1, 1987,

continues to receive assistance, providing the person meets all other eligibility criteria. Set-aside money must be prioritized by the state, and counties do not have discretion over the use of this money.

*(e) Annual income of the applicant family is the current monthly income of the family multiplied by 12 or the income for the 12-month period immediately preceding the date of application, whichever provides the most accurate assessment of income available to the family. Self-employment income must be calculated based on gross receipts less operating expenses. Income must be redetermined when the family's income changes, but no less often than every six months. Income must be verified with documentary evidence. If the applicant does not have sufficient evidence of income, verification must be obtained from the source of the income.*

Sec. 229. Minnesota Statutes 1986, section 268.91, subdivision 7, is amended to read:

Subd. 7. [SLIDING FEE SCALE.] In setting the sliding fee schedule, the commissioner shall exclude from the amount of income used to determine eligibility an amount for federal and state income and social security taxes attributable to that income level according to federal and state standardized tax tables. *The commissioner shall base the parent fee on the ability of the family to pay for child care.* The fee schedule must be designed to use any available tax credits and to progress smoothly from appropriated assistance to assistance through tax credits.

Sec. 230. Minnesota Statutes 1987 Supplement, section 268.91, subdivision 12, is amended to read:

Subd. 12. [FAIR HEARING PROCESS.] (a) Applicants and recipients have the option to request the county to conduct a conciliation conference to attempt to resolve complaints arising from any of the following actions:

- (1) a determination of ineligibility for child care assistance;
- (2) unauthorized termination of child care assistance;
- (3) determination of the factors considered in setting the family fee; and
- (4) income redetermination resulting in change of a family fee.

(b) The county shall notify the applicant or the recipient, in writing, of any adverse action. The determination described in paragraph (a), clauses (1) and (3), must include written notice of the applicant's or recipient's right to the election described in paragraph (c), where and how to request the election, the time limit within which to make the request, and the reasons for the determination. Notice of the proposed actions described in paragraph (a), clauses (2) and (4), must be mailed to the applicant or recipient at least 45 calendar days before the effective date of the action. *The commissioner of health shall study the rural hospital system in the state and report to the legislature by February 1, 1989, with a description of the financial condition of rural hospitals, including the identification of regions in the state where the closing of a financially distressed hospital will result in access problems for rural residents.*

**Sec. 256. [ALTERNATIVE CARE GRANTS PILOT PROJECTS.]**

*Subdivision 1. [SELECTION OF PROJECTS.] The commissioner of human services shall establish pilot projects to demonstrate the feasibility and cost-effectiveness of alternatives to nursing home care that involve providing coordinated alternative care grant services for all eligible residents in an identified apartment building or complex or other congregate residential setting. The commissioner shall solicit proposals from counties and shall select up to four counties to participate, including at least one metropolitan county and one county in greater Minnesota. The commissioner shall select counties for participation based on the extent to which a proposed project is likely to:*

- (1) meet the needs of low-income, frail elderly;*
- (2) enable clients to live as independently as possible;*
- (3) result in cost-savings by reducing the per person cost of alternative care grant services through the efficiencies of coordinated services; and*
- (4) facilitate the discharge of elderly persons from nursing homes to less restrictive settings or delay their entry into nursing homes.*

*Participating counties shall use existing alternative care grant allocations to pay for pilot project services. The counties must contract with a medical assistance-certified home care agency to coordinate and deliver services and must demonstrate to the commissioner that quality assurance and auditing systems have been established. Notwithstanding Minnesota Statutes, section 256B.091, and rules of the commissioner of human services relating to the alternative care grants program, the commissioner may authorize pilot projects to use pre-capitated rates; to provide expanded services such as chore services, activities, and meal planning, preparation, and serving; and to waive freedom of choice of vendor to the extent necessary to allow one vendor to provide services to all eligible persons in a residence or building. The commissioner may apply for a waiver of federal requirements as necessary to implement the pilot projects.*

*Subd. 2. [ELIGIBLE INDIVIDUALS.] An individual is eligible to receive project services if the individual:*

- (1) is receiving medical assistance or would be eligible for medical assistance within 180 days after admission to a nursing home;
- (2) is residing in a nursing home or is at risk of nursing home placement;
- (3) is able to direct his or her own care;
- (4) has been prescreened by the county for eligibility and for appropriateness of service; and
- (5) is otherwise eligible for alternative care grant services.

*Subd. 3. [REPORT.] The commissioner shall monitor and evaluate the pilot projects and report to the legislature by January 31, 1991. The report must address at least the following:*

- (1) the extent to which each pilot project succeeded in moving elderly persons out of nursing homes into less restrictive settings or in delaying placement in a nursing home;
- (2) the ability of each project to target low-income, frail elderly;
- (3) the cost-effectiveness of each project, including the financial impact on the resident, the state, and the county;
- (4) the success of each project in meeting other goals established by the commissioner; and
- (5) recommendations on whether the pilot projects should be continued or expanded.

*The interagency board for quality assurance shall include in its report on nursing home bed distribution required under Laws 1987, chapter 403, article 4, section 13, a recommendation on whether medical assistance payments for swing bed care should continue beyond June 30, 1990.*

**Sec. 260. [REPORT ON HUMAN IMMUNODEFICIENCY VIRUS TESTING.]**

*The commissioner of health shall submit a report to the legislature by February 15, 1989, that:*

*additional quality assurance measures are needed to ensure accurate test results; and*

*(2) identifies the level of counseling and education that is occurring for individuals who are tested for the human immunodeficiency virus and specifies whether additional measures are needed to ensure that individuals tested for the human immunodeficiency virus are adequately counseled about the meaning of the test, test results, and steps the individual should take to protect the individual and others from infection.*

**Sec. 261. [CHILD CARE SERVICES STUDY.]**

*The commissioner of human services shall study the existing public and private funding sources for child care services and the development of child care services, including the AFDC special needs program, the sliding fee child care program, the maternal and child nutrition program, county funding, Title XX funding, and private foundation, corporate, community social services act, or nonprofit funding to child care services providers and parents. The study shall determine the extent to which:*

*(ii) the need for subsidized child care services for low-income parents is being met;*

*(iii) present funding mechanisms are efficient or can be made more efficient;*

*(iv) alternative or improved methods may encourage private funding for child care services;*

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 1943, report that we have agreed upon the items in dispute and recommend as follows:

That the House concur in the Senate amendments and that H.F. No. 1943 be further amended as follows:

Page 1, after line 19, insert:

“Sec. 3. [HISTORICAL SOCIETY LEVY.]

*Each of the counties of Chisago, Kanabec, Pine, and Carlton may levy a tax not greater than .75 mills per year on property in the county and use its proceeds for the county historical society. The levy shall be disregarded in the calculation of any other levies or limits on levies provided by other law.*

Sec. 4. [LOCAL APPROVAL.]

*Section 3 of this act is effective January 1, 1989 separately for each of the counties of Chisago, Kanabec, Pine, and Carlton if its county board has complied with the requirements of Minnesota Statutes, section 645.021, subdivision 3, and section 3 has not been disapproved in a referendum under this section.*

Before January 1, 1988, the county board shall publish this act for two successive weeks in the official newspaper of the county or, if there is no official newspaper, in a newspaper of general circulation in the county, together with a notice fixing a date for a public hearing to obtain public comment on the matter. The hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution.

If within 30 days after the hearing, a petition requesting a vote on section 3, signed by voters equal in number to ten percent of the votes cast in the county in the last general election, is filed with the county auditor, section 3 shall not be effective until a majority of the voters at a general or special election cast affirmative votes on the question of approving it. The question of whether section 3 shall go into effect shall then be submitted to the voters at a general or special election before January 1, 1989. The question submitted shall be:

"Shall the law that permits a tax not greater than .75 mills on property for the . . . . . county historical society be approved?"

Yes . . . . .

No . . . . . "

If a majority of those voting on the question vote yes, section 3 shall be effective for the county on January 1, 1989, and the county board shall report the fact in accordance with section 645.021.

Sec. 5. [TAX-FORFEITED LAND SALE; MCLEOD COUNTY.]

*Subdivision 1. [SAMPLING; ANALYSIS.] The commissioner and the commissioner's agents may sample, inspect, make analysis of, and test industrial by-product soil buffering materials used in the demonstration project and study at a time and place and to an extent the commissioner considers necessary to determine whether the industrial by-product soil buffering materials are suitable for the project. The commissioner and the commissioner's agents may enter public or private premises where demonstration projects are being conducted in order to have access to:*

- (1) soil buffering materials used in the demonstration project;*
- (2) sampling of sites actually or reportedly exposed to industrial by-product soil buffering materials;*

### RURAL FINANCE AUTHORITY

Section 1. Minnesota Statutes 1987 Supplement, section 41B.01, subdivision 2, is amended to read:

*Subd. 2. [PURPOSE.] Sections 41B.01 to 41B.23 create and establish the Minnesota rural finance authority and establish a program under which state bonds are authorized to be issued and proceeds of their sale are appropriated under the authority of article XI, section 5, clause (h) of the Minnesota Constitution, to develop the state's agricultural resources by extending credit on real estate security. The purpose of the rural finance authority's programs and of the bonds issued to finance or provide security for the programs is to purchase participation interests in loans, including seller-sponsored loans to be made available by agricultural lenders to farmers on terms and conditions not otherwise available from other credit sources. It is hereby found and declared that there presently exist in the state economic conditions which have severely adversely affected the economic viability of farms to the detriment of the rural economy and to the detriment of the economy of the state of Minnesota as a whole. It is further found and declared that as a result of public agricultural policies, agricultural market conditions, and other causes, the condition of the farm economy of*

the state of Minnesota is such as to jeopardize the continued existence and successful operation of farms in this state, necessitating the establishment of the programs in sections 41B.01 to 41B.23 to provide new sources of credit on favorable terms and conditions. It is further found and declared that providing credit for farmers on favorable terms and conditions will serve and promote the public welfare by assuring the viability of farm operations, by preventing erosion of the tax base in rural areas, by reducing foreclosures on farm property, and by enhancing the financial stability of farmers and of the businesses which depend on farmers as customers. It is further found and declared that in establishing a Minnesota rural finance authority and in authorizing the programs in sections 41B.01 to 41B.23, the legislature is acting in all respects for the benefit of the people of the state of Minnesota to serve the public purpose of improving and otherwise promoting their health, welfare, and prosperity and that the Minnesota rural finance authority, as created and established, is empowered to act on behalf of the people of the state of Minnesota in serving this public purpose for the benefit of the general public.

Sec. 2. Minnesota Statutes 1986, section 41B.02, is amended by adding a subdivision to read:

*Subd. 18. [SELLER-SPONSORED LOAN.] "Seller-sponsored loan" means a loan in which part or all of the price of a farm is financed by a loan from the seller of the farm who is a natural person, a partnership, or a family farm corporation as defined in section 500.24, located in Minnesota. The loan must be secured by a real estate mortgage evidenced by one or more notes that may carry different interest rates or by a contract for deed. The definition of a seller-sponsored loan under this subdivision does not include a loan between persons within the second degree of kindred according to common law. A seller-sponsored loan may not be made to a person who has previously defaulted on a state loan or state guarantee of a loan.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [BEGINNING FARMER LOANS.] In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan, including a seller-sponsored loan, in which the authority holds an interest, must:

- (1) have sufficient education, training, or experience in the type of farming for which the loan is desired;
- (2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than \$100,000;
- (3) demonstrate a need for the loan;
- (4) demonstrate an ability to repay the loan;
- (5) demonstrate that the agricultural land to be purchased will be used by the borrower for agricultural purposes; and
- (6) demonstrate that farming will be the principal occupation of the borrower.

Sec. 4. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The authority may establish, develop

criteria, and implement a beginning farmer program. ~~The program must assist persons entering farming who have not owned a farm before entering the beginning farmer program.~~ *The program may include assistance for persons entering or reentering farming through the use of seller-sponsored loans.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 2, is amended to read:

Subd. 2. [STATE PARTICIPATION.] The state may participate in a new real estate loan with an eligible lender to a beginning farmer to the extent of ~~one-fourth~~ *35 percent* of the principal amount of the loan or ~~\$25,000~~ *\$50,000*, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different than the interest rates and repayment terms of the lender's retained portion of the loan.

Sec. 6. Minnesota Statutes 1987 Supplement, section 41B.039, subdivision 4, is amended to read:

Subd. 4. [FARM MANAGEMENT.] A borrower must agree to participate in a farm management program approved by the commissioner of agriculture for at least the first ~~eight~~ *five* years of the loan.

Sec. 7. Minnesota Statutes 1987 Supplement, section 41B.05, is amended to read:

Sec. 7. Minnesota Statutes 1986, section 500.24, subdivision 5, is amended to read:

Subd. 5. [ENFORCEMENT.] With reason to believe that a corporation, *limited partnership*, or pension or investment fund is violating subdivision 3, the attorney general shall commence an action in the district court in which any agricultural lands relative to such violation are situated, or if situated in two or more counties, in any county in which a substantial part of the lands are situated. The attorney general shall file for record with the county recorder or the registrar of titles of each county in which any portion of said lands are located a notice of the pendency of the action as provided in section 557.02. If the court finds that the lands in question are being held in violation of subdivision 3, it shall enter an order so declaring. The attorney general shall file for record any such order with the county recorder or the registrar of titles of each county in which any portion of said lands

are located. Thereafter, the pension or investment fund, *limited partnership*, or corporation owning such land shall have a period of five years from the date of such order to divest itself of such lands. The aforementioned five year limitation period shall be deemed a covenant running with the title to the land against any pension or investment fund, *limited partnership*, or corporate grantee or assignee or the successor of such pension or investment fund, *limited partnership*, or corporation. Any lands not so divested within the time prescribed shall be sold at public sale in the manner prescribed by law for the foreclosure of a mortgage by action. In addition, any prospective or threatened violation may be enjoined by an action brought by the attorney general in the manner provided by law.

Sec. 8. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 6, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] (a) A state or federal agency, *limited partnership*, or a corporation, other than a family farm corporation or an authorized farm corporation, may not lease or sell agricultural land or a farm homestead that was acquired by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed, before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor.

(b) For purposes of this subdivision, the term "a price no higher than the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that defers payment of a portion of the price and does not involve a transfer of fee title until payment of the entire amount of the offer is made.

(c) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for five years after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold; and

(2) an offer to sell to the immediately preceding former owner is required until the property is sold.

(d) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to

the immediately preceding former owner's last known address is a good faith offer.

(e) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years or longer.

(f) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(g) The immediately preceding former owner must exercise the right to lease agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. The immediately preceding former owner must exercise the right to buy the agricultural land or farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(h) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(i) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

(j) The right of an immediately preceding former owner to receive an

offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by the express statement in a deed in lieu of foreclosure or in a deed in lieu of a termination of a contract for deed for the agricultural land.

(k) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred, but may be inherited.

Sec. 9. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 7, is amended to read:

Subd. 7. [NOTICE OF OFFER.] (a) The state, a federal agency, *limited partnership*, or a corporation subject to subdivision 6 must provide a notice of an offer to sell or lease agricultural land substantially as follows, after inserting the appropriate terms within the parentheses:

That the House recede from its amendments and that S.F. No. 2491 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 473.13, subdivision 1, is amended to read:

Subdivision 1. [BUDGET.] On or before October 1 of each year the council, after a public hearing, shall adopt a budget covering its anticipated receipts and disbursements for the ensuing year and shall decide upon the total amount necessary to be raised from ad valorem tax levies to meet its budget. *The budget shall state in detail the expenditures for each program*

to be undertaken, including the expenses for salaries, consultant services, overhead, travel, printing, and other items. The budget shall state in detail the capital expenditures of the council for the budget year, based on a five-year capital program adopted by the council and transmitted to the legislature. After adoption of the budget, an increase of over \$10,000 in the council's budget, a program or department budget, or a budget item, must be approved by the council before the increase is allowed or the funds obligated. After adoption of the budget and no later than October 1, the council shall certify to the auditor of each metropolitan county the share of the tax to be levied within that county, which must be an amount bearing the same proportion to the total levy agreed on by the council as the assessed valuation of the county bears to the assessed valuation of the metropolitan area. The maximum amount of any levy made for the purpose of this chapter may not exceed the limits set by sections 473.167 and 473.249.

Sec. 2. Minnesota Statutes 1986, section 473.13, is amended by adding a subdivision to read:

*Subd. 1a. ~~(2)~~ (3) a general description of the physical facilities and services to be developed;

~~(3)~~ (4) a statement as to the general location of physical facilities and service areas;

(b) The council and each metropolitan agency shall prepare a summary budget for agency fiscal year 1988 and each year thereafter. The advisory committee, with the assistance of the state auditor and the legislative auditor, shall develop guidelines and models for the summary budgets. The purpose of the summary budget is to increase public knowledge and agency accountability by providing citizens outside of the agency with a condensed, accessible, and graphic description of the financial affairs of the agency. The document should contain a coherent, effectively communicated, understandable statement of: financial trends and forecasts; budget policies and policy changes; agency financial assumptions, objectives and plans; revenue sources and expenditures by program category; personnel policies, decisions, and allocation; budgetary performance measures; and similar matters serving the purpose of the document.

Sec. 6. Minnesota Statutes 1986, section 473.167, subdivision 2, is amended to read:

Subd. 2. [LOANS FOR ACQUISITION.] The council may make loans to counties, towns, and statutory and home rule charter cities within the metropolitan area for the purchase of property within the right-of-way of a state trunk highway shown on an official map adopted pursuant to section 394.361 or 462.359 or for the purchase of property within the proposed right-of-way of a principal or intermediate arterial highway designated by the council as a part of the metropolitan highway system plan and approved by the council pursuant to subdivision 1. The loans shall be made by the council, from the fund established pursuant to this subdivision, for purchases approved by the council. The loans shall bear no interest. The council shall make loans only: (1) to accelerate the acquisition of primarily undeveloped property when there is a reasonable probability that the property will increase in value before highway construction, and to update an expired environmental impact statement on a project for which the right-of-way is being purchased; or (2) to avert the imminent conversion or the granting of approvals which would allow the conversion of property to uses which would jeopardize its availability for highway construction. The council shall not make loans for the purchase of property at a price which exceeds the fair market value of the property or which includes the costs of relocating or moving persons or property. A private property owner may elect to receive the purchase price either in a lump sum or in not more than four annual installments without interest on the deferred installments. If the purchase agreement provides for installment payments, the council shall make the loan in installments corresponding to those in the purchase agreement. The recipient of an acquisition loan shall convey the property for the construction of the highway at the same price which the recipient paid for the property. Upon notification by the council that the plan to construct the highway has been abandoned or the anticipated location of the highway changed, the recipient shall sell the property at market value in accordance with the procedures required for the disposition of the property. All rents and other money received because of the recipient's ownership of the property and all proceeds from the conveyance or sale of the property shall be paid to the council. The proceeds of the tax authorized by subdivision 3, all money paid to the council by recipients of loans, and all interest on the proceeds and payments shall be maintained as a separate fund. For administration of the loan program the council may expend from the fund each year an amount no greater than three percent of the amount that a metropolitan area tax levy of 5/100 of a mill would raise in of the authorized levy for that year.

Sec. 7. Minnesota Statutes 1986, section 473.167, subdivision 3, is amended to read:

Subd. 3. [TAX.] The council may levy a tax on all taxable property in the metropolitan area, as defined in section 473.121, to provide funds for loans made pursuant to subdivisions 2 and 2a. ~~The~~ This tax for the right-of-way acquisition loan fund shall be certified by the council, levied, and collected in the manner provided by section 473.13. The tax shall be in

addition to that authorized by section 473.249 and any other law and shall not affect the amount or rate of taxes which may be levied by the council or any metropolitan agency or local governmental unit. The amount of the levy shall be as determined and certified by the council, except as otherwise provided in this subdivision. ~~The tax shall not be levied at a rate higher than 5/100 of one mill. The tax shall not be levied at a rate higher than that determined by the council to be sufficient, considering the other anticipated revenues of and disbursements from the loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount that a tax levy of 5/100 of a mill would raise in that year.~~

*The property tax levied by the metropolitan council for the right-of-way acquisition loan fund shall not exceed the following amount for the years specified:*

*(a) for taxes payable in 1988, the product of 5/100 of one mill multiplied by the total assessed valuation of all taxable property located within the metropolitan area as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;*

*(b) for taxes payable in 1989, except as provided in section 13, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property located within the metropolitan area divided by the assessment year 1987 total market valuation of all taxable property located within the metropolitan area; and*

*(c) for taxes payable in 1990 and subsequent years, the product of (1) the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the previous year determined pursuant to this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property located within the metropolitan area for the current assessment year divided by the total market valuation of all taxable property located within the metropolitan area for the previous assessment year.*

*For the purpose of determining the metropolitan council's property tax levy limitation for the right-of-way acquisition loan fund for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property within the metropolitan area without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).*

--	-------------	-----------

This appropriation is added to the appropriation for the same purpose in Laws 1987, chapter 401, section 2, subdivision 3.

The legislature intends that the board make full scholarship and grant awards in fiscal year 1989. The HECB may request the necessary appropriation in the 1989 legislative session if the fiscal year 1989 money is insufficient to make full awards.

During the biennium, the HECB may transfer unencumbered balances among the accounts provided in Laws 1987, chapter 401, section 2, to the scholarship and grant account. Before the transfer, the HECB shall consult with the chairs of the house appropriations and senate finance committees.

Both phases of the study must focus on (1) an assessment of the current and future conditions and needs; (2) strategies to meet these needs; (3) costs associated with the strategies; and (4) effects of the strategies on existing institutions, state policies, and

system and institutional missions.

Both phases of the study should include consideration of at least the following concerns: the current and projected demographic and participation trends; current level and types of services available; needs of traditional, nontraditional, and minority students; the geographical accessibility of services needed by different types of students; uses of alternative delivery systems, technology, cooperative efforts, and reciprocity agreements; and the physical capacity of existing institutions. The HECB shall seek matching money for the study. The HECB shall report its findings on the first phase to the education and finance committees of the senate and the higher education and appropriations committees of the house by February 1, 1989. The study shall serve as the 1988 intersystem plan for the post-secondary systems as required in section 135A.06, subdivision 2.

\$25,000 is for a study, to be conducted simultaneously with the first phase, on the procedures necessary, fiscal implications, and effects of implementing alternative governance arrangements of two-year public post-secondary institutions. The HECB shall report the results of this study to the education and finance committees of the senate and the higher education and appropriations committees of the house by March 1, 1989.

To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, moneys from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula;

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

- (a) The sum of the votes cast in the last general election in that part of

the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) of this subdivision in the following year. Moneys from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.

### CONFERENCE COMMITTEE REPORT ON S.F. NO. 63

A bill for an act relating to motor vehicles; providing that passenger automobile license plates be issued for a six-year period; providing for license plate replacement fees; amending Minnesota Statutes 1986, section 168.12, subdivisions 1, 2a, and 5; repealing Minnesota Statutes 1986, section 168.12, subdivisions 3 and 4.

April 19, 1988

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Robert Vanasek  
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 63, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S.F. No. 63 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 168.011, is amended by adding a subdivision to read:

*Subd. 5a. [REGISTERED OWNER.] “Registered owner” means any person, firm, association, or corporation, other than a secured party, having title to a motor vehicle. If a passenger automobile, as defined in subdivision 7, is under lease for a term of 180 days or more, the lessee is deemed to be the registered owner, for purposes of registration only, provided that the application for renewal of the registration of a passenger automobile described in this subdivision shall be sent to the lessor.*

Sec. 2. Minnesota Statutes 1986, section 168.013, subdivision 7, is amended to read:

*Subd. 7. [AGENTS.] Any act required herein of ~~an~~ a registered owner may be performed in the registered owner's behalf by a duly authorized agent. Any person having a lien upon, or claim to, any motor vehicle may pay any tax due thereon to prevent the penalty for delayed registration from accruing, but the registration certificate and number plates shall not be issued until legal ownership is definitely determined.*

Sec. 3. Minnesota Statutes 1986, section 168.041, subdivision 7, is amended to read:

*Subd. 7. If ~~an~~ a registered owner wishes to sell a motor vehicle during the time its registration plates and registration certificate are impounded or during the time its registration plates bear a special series number, the registered owner may apply to the court which impounded such plates and certificate, for consent to transfer title to the motor vehicle. If the court is satisfied that the proposed sale is in good faith and for a valid consideration, that the registered owner will thereby be deprived of the custody and control of the motor vehicle, and that the sale is not for the purpose of circumventing the provisions of this section, it may certify its consent to the registrar of motor vehicles and return the impounded registration plates and certificates. If during the time the registration plates and certificate of registration are impounded the title to said motor vehicle is transferred by the foreclosure of a chattel mortgage, the cancellation of a conditional sales contract, a sale upon execution, or by decree or order of a court of competent jurisdiction, the court shall order the license plates and registration certificate surrendered to the new registered owner and notify the registrar of motor vehicles of such action. The registrar of motor vehicles shall then transfer the registration plates and registration certificates to the new registered owner.*

Sec. 4. Minnesota Statutes 1986, section 168.10, subdivision 1, is amended to read:

*Subdivision 1. [APPLICATION.] Except as provided in subdivisions 1a, 1b, 1c, 1d, 1g, and 1h, every registered owner of any motor vehicle in this state, not exempted by section 168.012 or 168.26, shall as soon as registered ownership of a motor vehicle is acquired and annually thereafter during the period provided in section 168.31, file with the commissioner of public safety on a blank provided by the commissioner a listing for taxation and application for the registration of such vehicle, stating the first, middle and last names, the dates of birth, and addresses of all registered owners thereof who are natural persons, the full names and addresses of all other registered owners, the name and address of the person from*

whom purchased, make of motor vehicle, year and number of the model, manufacturer's identification number or serial number, type of body, the weight of the vehicle in pounds, for trailers only, its rated load carrying capacity and for buses only, its seating capacity, and such other information as the commissioner may require. Any false statement willfully and knowingly made in regard thereto shall be deemed perjury and punished accordingly. The listing and application for registration by dealers or manufacturers' agents within the state, of motor vehicles received for sale or use within the state shall be accepted as compliance with the requirements of this chapter, imposed upon the manufacturer.

Registration shall be refused a motor vehicle if the original identification or serial number has been destroyed, removed, altered, covered or defaced. However, if the commissioner is satisfied on the sworn statements of the *registered owner* or *registered owners* or such other persons as the commissioner may deem advisable that the applicant is the legal owner, a special identification number in the form prescribed by the commissioner shall be assigned to the motor vehicle. When it has been determined that the number had been affixed to such vehicle in a manner prescribed by the commissioner, the vehicle may thereafter be registered in the same manner as other motor vehicles. In the case of a new or rebuilt motor vehicle manufactured or assembled without an identification or serial number, the commissioner may assign an identification number to the motor vehicle in the same manner as prescribed heretofore.

Sec. 5. Minnesota Statutes 1986, section 168.11, subdivision 1, is amended to read:

Subdivision 1. The registrar shall file such application and, upon approval thereof and upon payment of the motor vehicle tax, as herein provided, together with all arrears and penalties, if any, and upon the delivery to the registrar of the duly endorsed ~~registration certificate of title of the former owner, as hereinafter provided in chapter 168A, or proof of loss provided in lieu thereof,~~ shall assign to it a distinctive number and issue to the *registered owner* a registration certificate, which shall contain the *full name and date of birth*, place of residence, with street and number, if in a city, and post office address of the *registered owner*, a specific description of the vehicle, and the number assigned, together with a place on the face of the certificate in which the *registered owner* shall, immediately upon receipt thereof, place the *registered owner's* signature ~~and, on the reverse side thereof, an assignment and notice of sale or termination of ownership, with places for the signatures of both seller and purchaser, and a place for assignment of the credit for the tax.~~ The registration certificate shall be retained by the *registered owner* until expiration ~~or surrender, as herein provided.~~ When in administering this chapter convenience or necessity requires, the registration certificate ~~may also be called or referred to as the registration card shall be used in lieu of the certificate of title on vehicles exempt from chapter 168A.~~

Sec. 6. Minnesota Statutes 1986, section 168.12, subdivision 1, is amended to read:

Subdivision 1. [NUMBER PLATES; VISIBILITY, PERIODS OF ISSUANCE.] The registrar, upon the approval and payment, shall issue to the applicant the number plates required by law, bearing the state name and the number assigned. The number assigned may be a combination of a letter or sign with figures. The color of the plates and the color of the

abbreviation of the state name and the number assigned shall be in marked contrast. The plates shall be lettered, spaced, or distinguished to suitably indicate the registration of the vehicle according to the rules of the registrar, and when a vehicle is registered on the basis of total gross weight, the plates issued shall clearly indicate by letters or other suitable insignia the maximum gross weight for which the tax has been paid. These number plates shall be so treated as to be at least 100 times brighter than the conventional painted number plates. When properly mounted on an unlighted vehicle, these number plates, when viewed from a vehicle equipped with standard headlights, shall be visible for a distance of not less than 1,500 feet and readable for a distance of not less than 110 feet. The registrar shall issue these number plates for the following periods:

(2) New number plates issued pursuant to section 168.012, subdivision 1, shall be issued to a vehicle for as long as it is owned by the exempt agency and shall not be transferable from one vehicle to another but may be transferred with the vehicle from one tax exempt agency to another.

(3) Plates issued for passenger automobiles as defined in section 168.011, subdivision 7, ~~motorcycles, motorized bicycles, and motor scooters~~ shall be issued for a ~~six-year~~ *seven-year* period ~~starting not later than October 1986, or until the next general reissuance of plates every six years thereafter, whichever is less; and. All plates issued under this paragraph must be replaced if they are seven years old or older at the time of annual registration or will become so during the registration period.~~

(4) Plates for any vehicle not specified in clauses (1), (2) and (3), except for trailers as hereafter provided, shall be issued for the life of the vehicle. Beginning with number plates issued for the year 1981, plates issued for trailers with a total gross weight of 3,000 pounds or less shall be issued for the life of the trailer and shall be not more than seven inches in length and four inches in width.

In a year in which plates are not issued, the registrar shall issue for each registration a tab or sticker to designate the year of registration. This tab or sticker shall show the calendar year or years for which issued, and is valid only for that period. The number plates, number tabs, or stickers issued for a motor vehicle may not be transferred to another motor vehicle during the period for which it is issued.

Notwithstanding any other provision of this subdivision, number plates issued to a vehicle which is used for behind-the-wheel instruction in a driver education course in a public school may be transferred to another vehicle used for the same purpose without payment of any additional fee. The registrar shall be notified of each transfer of number plates under this paragraph, and may prescribe a form for notification.

Sec. 7. Minnesota Statutes 1986, section 168.12, subdivision 2a, is amended to read:

*designate a replacement fee for personalized license plates that is calculated to cover the cost of replacement. This fee must be paid whenever the law requires the personalized license plates to be replaced.* In lieu of the numbers assigned as provided in subdivision 1, personalized license plates must have imprinted on them a series of not more than six numbers and letters in any combination. When an applicant has once obtained personalized plates, the applicant shall have a prior claim for similar personalized plates in the next succeeding year that plates are issued if application is made for them at least 30 days before the first date that registration can be renewed. The commissioner of public safety shall adopt rules in the manner provided by chapter 14, regulating the issuance and transfer of personalized license plates. No words or combination of letters placed on personalized license plates may be used for commercial advertising, be of an obscene, indecent, or immoral nature, or be of a nature that would offend public morals or decency. The call signals or letters of a radio or television station are not commercial advertising for the purposes of this subdivision.

Notwithstanding the provisions of subdivision 1, personalized license plates issued under this subdivision may be transferred to another motor vehicle owned or jointly owned by the applicant, upon the payment of a fee of \$5, which must be paid into the state treasury and credited to the highway user tax distribution fund. The registrar may by rule provide a form for notification.

Notwithstanding any law to the contrary, if the personalized license plates are lost, stolen, or destroyed, the applicant may apply and shall receive duplicate license plates bearing the same combination of letters and numbers as the former personalized plates upon the payment of a \$5 fee.

Fees from the sale of permanent and duplicate personalized license plates must be paid into the state treasury and credited to the highway user tax distribution fund.

**EXECUTIVE AND OFFICIAL COMMUNICATIONS**

The following communication was received.

April 19, 1988

The Honorable Jerome M. Hughes  
President of the Senate

Dear Senator Hughes:

I am returning without my signature Senate File 2235, a bill relating to workers' compensation. This bill does not represent good public policy because it creates unnecessary upheaval without solving Minnesota's workers' compensation problems.

Senate File 2235 does not guarantee that Minnesota businesses will pay lower workers' compensation rates in the future. While the bill does provide adjustments which could lower the cost of the system, there is no guarantee that these lower costs will be passed along to employers as rate reductions because it fails to provide for effective regulation of the insurance industry. I strongly believe that reform of the workers' compensation system is necessary, but a key ingredient of that reform must be substantive regulation of the insurance industry.

The elimination of the Workers' Compensation Court of Appeals, without any apparent public policy justification, causes extreme concern. This will create disruption to the system which can only be translated into longer delays and less justice for our employers and employees. The uncertainty created in the system by this change will also lead to more litigation and more cost.

The benefit changes do in some areas bring more equity to the system and could help to reduce costs. However, the major cost savings result from reducing the length of time benefits are received, not from cutting the size of the benefit check. If the duration of benefits is limited, then the system needs to get injured workers back to work as quickly as possible. Research has shown that the most effective means to do so is through rehabilitation. Yet this bill limits rehabilitation, the best way to get workers back to productive, wage-paying jobs.

In short, the bill makes several changes in the workers' compensation system that may create serious problems. Most important, the balance of justifiable insurance rates and cost reductions, both of which are necessary for long-term reform, is not present in this bill. Therefore, I am vetoing the bill and returning it to you.

Sincerely,  
Rudy Perpich, Governor

### CONFERENCE COMMITTEE REPORT ON H.F. NO. 2396

A bill for an act relating to education; authorizing the sale of college savings bonds; requiring a market study and plan; authorizing the issuance of zero coupon bonds; exempting a specified amount of bonds from consideration in financial aid eligibility; appropriating money; proposing coding for new law in Minnesota Statutes, chapter 16A.

April 19, 1988

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 2396, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H.F. No. 2396 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [COLLEGE SAVINGS BONDS: MARKET AND FEASIBILITY STUDY.]

*Subdivision 1. [REPORT REQUIRED.] The commissioner of finance, in cooperation with the higher education coordinating board, shall study and report to the legislature by September 1, 1988, on the market for and feasibility of college savings bonds. “College savings bonds” are state general obligation bonds on which interest is accrued and compounded annually but not paid until maturity, commonly known as zero coupon bonds. Sale and marketing efforts should be directed to Minnesota residents of low and moderate income whose children or grandchildren are likely to pursue higher education.*

*Subd. 2. [FINDINGS.] The report must include findings on the following:*

*(1) the parental income levels at which a student is no longer eligible for state scholarship and grant assistance, but at which the cost of higher education may create severe financial hardship for the student's family;*

*(2) an estimate of the number of parents in this state at the income levels described in clause (1) whose children are likely to pursue higher education, including their social, economic, and geographic characteristics;*

*(3) the impact of the availability of financial aid on the savings practices of parents of future students and the extent to which the availability of college savings bonds might increase the amount saved;*

*(4) the estimated demand of parents and relatives for college savings bonds each year and over the next five years, and the estimated periodic rate of purchase;*

*(5) the demand for bonds of various denominations and the smallest denomination that can be sold and issued economically to those parents and relatives;*

(6) the demand of parents and relatives for bonds of various maturities, and the implications of a variety of maturity dates for potential students and post-secondary institutions;

(7) a marketing strategy for the college savings bond program including strategies to:

(i) inform parents and relatives about the availability of the bonds;

(ii) take orders for the bonds;

(iii) insure that the bonds are purchased by residents of low and moderate income throughout this state; and

(iv) market the bonds at the lowest cost to the state;

(8) the demand of various institutions for the bonds, including business corporations, nonprofit corporations, and foundations, and a strategy to ensure that purchase of the bonds by these entities will not prevent individuals and parents and relatives of future students from buying them;

(9) the limitations, if any, that should be placed on bond purchasers' use of the bonds;

(10) an estimate of the cost of the strategy to market and underwrite the bonds; and

(11) the amount, if any, of bonds purchased for the benefit of a student that should not be considered in determining the financial need of an applicant for a state scholarship or grant under Minnesota Statutes, section 136A.121, or a part-time grant under Minnesota Statutes, section 136A.132.

Subd. 3. [RECOMMENDATIONS.] The commissioner of finance may not sell college savings bonds under section 2 until reports have been submitted to the chair of the senate committee on education and the chair of the house of representatives committee on higher education and the commissioner has received their advisory recommendations on whether and how to sell the bonds.

## Sec. 2. [ZERO COUPON BONDS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them.

(a) "Compounded maturity amount" means the sum of the stated principal amount plus the interest payable at maturity on zero coupon bonds.

(b) "Serial maturity bonds" means bonds maturing on a specified day in two or more consecutive years and bearing interest at a specified rate payable periodically to maturity or prior redemption.

(c) "Zero coupon bonds" means bonds in a stated principal amount, maturing on a specified date or dates, and bearing interest that accrues and compounds to and is payable only at maturity or upon prior redemption of the bonds.

Subd. 2. [AUTHORIZATION.] When authorized by law to issue state general obligation bonds, the commissioner may issue all or part of the bonds as serial maturity bonds or as zero coupon bonds or a combination of the two. Except as otherwise provided by this section, bonds, including zero coupon bonds, must be issued and sold as provided under Minnesota Statutes, section 16A.641. The amount of bonds that may be issued under

*this section may not exceed the amount of authorized, but previously unissued, bonds for higher education facilities. Higher education facilities include capital projects for the University of Minnesota, the state universities, community colleges, and technical institutes. The stated principal amount of zero coupon bonds must be used to determine the principal amount of bonds issued under the laws authorizing issuance of state general obligation bonds.*

*Subd. 3. [MARKETING PLAN.] Based on the results of the study required under section 1, the commissioner and the higher education coordinating board shall develop a plan for marketing college savings bonds. The marketing plan must include appropriate disclosures to potential buyers, including information on the types of savers for whom long-term, tax-exempt bonds may not be appropriate investments. The program must also include strategies to:*

- (1) inform parents and relatives about the availability of the bonds;*
- (2) take orders for the bonds;*
- (3) target the sale of the bonds to Minnesota residents whose progeny are likely to seek higher education; and*
- (4) market the bonds at the lowest cost to the state.*

*Before implementing the marketing plan, the commissioner of finance and the higher education coordinating board shall seek the advisory recommendations of the chairs of the senate finance and house of representatives appropriations committees about the plan.*

*Subd. 4. [SALE.] Except as otherwise provided in this subdivision, zero coupon bonds, or a series of bonds including zero coupon bonds, must be sold at public sale at a price not less than 98 percent of their stated principal amount. No state trunk highway bond may be sold for a price of less than par and accrued interest. The commissioner may sell bonds directly to the public or to financial institutions for prompt resale to the public upon the terms, conditions, and restrictions the commissioner prescribes. The commissioner should make bonds available for sale to financial institutions located in neighborhoods where low or moderate income persons reside. The commissioner may enter into all contracts considered necessary or desirable to accomplish the sale in an economical manner. The commissioner may contract for investment banking and banking services only after receiving competitive proposals for the services.*

*Subd. 5. [DENOMINATIONS; MATURITIES.] Based on the results of the study required under section 1, the commissioner shall determine the appropriate denominations and maturities for the bonds. The legislature intends to make bonds available in as small denominations as is feasible given the costs of marketing and administering the bond issue. Bonds in denominations of \$1,000 must be made available. If not economical, the minimum denomination bonds need not be made available for bonds of all maturities. For purposes of this subdivision, "denomination" means the compounded maturity amount of the bond.*

*Subd. 6. [SINKING FUND.] The commissioner's order authorizing the issuance of zero coupon bonds must also establish a separate sinking fund account for the zero coupon bonds in the state bond fund. There is annually appropriated from the general fund to each zero coupon bond account, beginning in the year in which the zero coupon bonds are issued, an amount*

not less than the sum of:

(1) the total stated principal amount of the zero coupon bonds that would have matured from their date of issue to and including the second July 1 following the transfer of appropriated money, if the bonds matured serially in an equal principal amount in each year during their term and in the same month as their stated maturity date; plus

(2) the total amount of interest accruing on the stated principal amount of the bonds and on interest previously accrued, from the bonds' date of issue to and including the second July 1 following the transfer of appropriated money; less

(3) the amount in the sinking fund account for the payment of the compounded maturity amount of the bonds, including interest earnings on amounts in the account. This appropriation is in lieu of all other appropriations made with respect to zero coupon bonds. The appropriated amounts must be transferred from the general fund to the sinking fund account in the state bond fund by December 1 of each year.

Sec. 3. [APPROPRIATION.]

The amount necessary to pay for the cost of the marketing study under section 1, subdivision 2, and the marketing plan under section 2, subdivision 3, is appropriated to the commissioner of finance out of the proceeds of the college savings bonds. The cost of the marketing study must not exceed \$60,000.

Sec. 4. [REPEALER.]

Sections 1 to 3 are repealed December 31, 1989.

Sec. 5. [EFFECTIVE DATE.]

This act is effective the day following final enactment and applies to authorizations of state bonds under laws enacted before or after the effective date of this act."

Delete the title and insert:

"A bill for an act relating to education; authorizing the sale of college savings bonds; requiring a market and feasibility study and report; authorizing the issuance of zero coupon bonds; appropriating money."

We request adoption of this report and repassage of the bill.

### SPECIAL ORDER

H.F. Mr. Marty moved to amend H.F. No. 2008, as amended pursuant to Rule 49, adopted by the Senate March 14, 1988, as follows:

(The text of the amended House File is identical to S.F. No. 1780.)

Page 1, delete section 1 and insert:

“Section 1. Minnesota Statutes 1986, section 10A.15, is amended by adding a subdivision to read:

*Subd. 3b. [BY INDIVIDUAL MEMBERS OF POLITICAL FUND OR COMMITTEE.] Contributions made to a candidate or principal campaign committee by individual members of a political fund or committee that are solicited by the political fund or committee must be reported as attributable to the political fund or committee and count toward the contribution limits of that fund or committee specified in section 10A.27, if the political fund or committee was organized primarily to solicit or direct the contributions of its members and to influence the nomination or election of a candidate. The term “individual members” as used in this subdivision means a person or entity who participates in or in any manner contributes financially or otherwise to the activities of the political fund or committee.*

Sec. 2. Minnesota Statutes 1986, section 10A.25, subdivision 10, is amended to read:

Subd. 10. The expenditure limits imposed by this section apply only to candidates *whose opponents agree to be bound by the limits and who themselves agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns in the form of:*

- (a) An allocation of money from the state elections campaign fund; or
- (b) Credits against the tax due of individuals who contribute to that candidate.

*A candidate who agrees to be bound by the limits and receives a public subsidy, who has an opponent who does not agree to be bound by the limits but is otherwise eligible to receive a public subsidy, is no longer bound by the limits but is still eligible to receive a public subsidy. Money from the general account refused by a candidate who has not signed an agreement to be bound by the expenditure limits must be distributed to the other candidates for the same office in the district who have signed an agreement to be bound by the limits and are eligible to receive money from the general*

*account."*

"Sec. 4. Minnesota Statutes 1986, section 10A.31, subdivision 5, is amended to read:

Subd. 5. In each calendar year the moneys in each party account and the general account shall be allocated to candidates as follows:

- (1) 21 percent for the offices of governor and lieutenant governor together;
- (2) 3.6 percent for the office of attorney general;
- (3) 1.8 percent each for the offices of secretary of state, state auditor and state treasurer;
- (4) In each calendar year during the period in which state senators serve a four-year term, 23-1/3 percent for the office of state senator and 46-2/3 percent for the office of state representative;
- (5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative;

(6) To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, moneys from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula;

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) of this subdivision in the following year. ~~Money~~ Money from the general account refused by ~~any~~ a candidate ~~shall~~ who has signed an agreement to be bound by the expenditure limits must be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision. *Money from the general account refused by a candidate who has not signed an agreement to be bound by the expenditure limits must be distributed to the other candidates for the same office in the district who have signed an agreement to be bound by the limits and are eligible to receive money from the general account.*

A log with validating receipts pertaining to the vehicle's out of state mileage may be supplied to the commissioner of public safety at the time of permit application to be subtracted from the actual mileage for the purpose of calculating the permit fee. If no true cumulative mileage figures are available for the preceding year, the fee charged under this section must be based on 15,000 miles driven within the state.

The fee for a permit required by this section must be calculated based on the number of unexpired months remaining in the registration year of the vehicle as measured from the date of the occurrence of the event requiring the permit.

Sec. 5. Minnesota Statutes 1987 Supplement, section 297B.09, subdivision 1, is amended to read:

Subdivision 1. [GENERAL FUND SHARE.] (a) Money collected and received under this chapter must be deposited in the state treasury and credited to the general fund. The amounts collected and received shall be credited ~~to the highway user tax distribution fund and the transit assistance fund~~ as provided in this subdivision, and transferred from the general fund on July 15 and January 15 of each fiscal year. The commissioner of finance must make each transfer based upon the actual receipts of the preceding six calendar months and include the interest earned during that six-month period. The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit *assistance*

fund.

*Five (b) Thirty percent of the money collected and received under this chapter after June 30, 1988, and before July 1, 1991, must be deposited in the highway user tax distribution fund and the transit assistance fund for apportionment as provided in this section. Of the money deposited under this section, follows: 75 percent must be credited to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent of the money must be credited to the transit assistance fund to be appropriated to the commissioner of transportation for transit assistance within the state and to the regional transit board.*

*(c) Thirty percent of the money collected and received under this chapter after June 30, 1991, must be deposited in the trunk highway fund and the transit assistance fund for apportionment as follows: 75 percent must be credited to the trunk highway fund and the remaining 25 percent must be credited to the transit assistance fund.*

*(b) (d) The distributions under this subdivision to the highway user tax distribution fund until June 30, 1991, and to the trunk highway fund thereafter, must be reduced by the amount necessary to fund the appropriation under section 41A.09, subdivision 1. For the fiscal years ending June 30, 1988, and June 30, 1989, the commissioner of finance, before making the transfers required on July 15 and January 15 of each year, shall estimate the amount required to fund the appropriation under section 41A.09, subdivision 1, for the six-month period for which the transfer is being made. The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period.*

Delete everything after the enacting clause and insert:

“ARTICLE 1

Section 1. [CONSTITUTIONAL AMENDMENT PROPOSED; ENVIRONMENTAL AND NATURAL RESOURCES TRUST FUND.]

*Subdivision 1. [AMENDMENT.] The following amendment to the Minnesota Constitution, adding a section to article XI, is proposed to the people. If the amendment is adopted, the section will read as follows:*

*Sec. 14. A permanent Minnesota environment and natural resources trust fund is established in the state treasury. The principal of the environment and natural resources trust fund must be perpetual and inviolate forever, except appropriations may be made from up to 25 percent of the annual revenues deposited in the fund until fiscal year 1997 and loans may be made of up to five percent of the principal of the fund for water system improvements as provided by law. This restriction does not prevent the sale of investments at less than the cost to the fund, however, all losses not offset by gains shall be repaid to the fund from the earnings of the fund. The net earnings from the fund shall be appropriated in a manner prescribed by law for the public purpose of protection, conservation, preservation, and enhancement of the state's air, water, land, fish, wildlife, and other natural resources.*

*Subd. 2. [SUBMISSION TO VOTERS.] The proposed amendment must be submitted to the people at the 1988 general election. The question submitted shall be:*

*“Shall the Minnesota Constitution be amended to establish a Minnesota environment and natural resources trust fund for environmental, natural resource, and wildlife purposes?*

Yes . . . . .

No . . . . .”

Sec. 2. [CONSTITUTIONAL AMENDMENT; PROPOSED LOTTERY.]

*Subdivision 1. [AMENDMENT.] The following amendment to the Minnesota Constitution is proposed to the people. If the amendment is adopted, article XIII, section 5, will read as follows:*

Sec. 5. The legislature shall not authorize any lottery or the sale of lottery tickets, *other than authorizing a lottery and sale of lottery tickets for a lottery operated by the state.*

*Subd. 2. [SUBMISSION TO VOTERS.] The proposed amendment shall be submitted to the people at the 1988 general election. The question submitted shall be:*

*“Shall the Minnesota Constitution be amended to permit the legislature to authorize a lottery operated by the state?”*

*Yes . . . . .*

*No . . . . .”*

Sec. 3. Minnesota Statutes 1986, section 88.80, subdivision 2, is amended to read:

Subd. 2. [PILOT PROJECT.] The commissioner shall establish an aspen recycling program pilot project in the highest priority area on state lands in order to develop effective program procedures and practices. With respect to the pilot project, the commissioner may restrict bidding on contracts for the cutting, removal, and disposal of aspens, and for related activities, to loggers and others residing in the pilot project area designated under the program that are financially distressed. The commissioner may establish standards and procedures for awarding logging contracts ~~under section 86.35, notwithstanding chapter 14,~~ relating to eligibility for employment for conservation work projects.

Sec. 4. Minnesota Statutes 1987 Supplement, section 116C.69, subdivision 3, is amended to read:

Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, monitoring of conditions placed on site certificates and construction permits, and all other work, other than specific site and route designation, from an assessment made quarterly, at least 30 days before the start of each quarter, by the board against all utilities with annual retail kilowatt-hour sales greater than 4,000,000 kilowatt-hours in the previous calendar year.

Until June 30, 1992, the assessment shall also include an amount sufficient to cover 60 percent of the costs to the pollution control agency of achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, reprinting informational booklets on acid rain, and costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The director of the pollution control agency must prepare a work plan and budget and submit them annually by June 30 to the pollution control agency board. The agency board must take public testimony on the budget and work plan. After the agency board approves the work plan and budget they must be submitted annually to the legislative commission on ~~Minnesota resources~~ waste management for review and

recommendation before an assessment is levied. Each share shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail kilowatt-hour sales in the state of all these utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all these utilities, multiplied by 0.333, as determined by the board. The assessment shall be credited to the special revenue fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the sum of the annual budget of the board for carrying out the purposes of this subdivision plus 60 percent of the annual budget of the pollution control agency for achieving, maintaining, and monitoring compliance with the acid deposition control standard adopted under sections 116.42 to 116.45, for reprinting informational booklets on acid rain, and for costs for additional research on the impacts of acid deposition on sensitive areas published under section 116.44, subdivision 1. The assessment for the second quarter of each fiscal year shall be adjusted to compensate for the amount by which actual expenditures by the board and the pollution control agency for the preceding fiscal year were more or less than the estimated expenditures previously assessed.

Sec. 5. [116P01] [FINDINGS.]

*The legislature finds that all Minnesotans share the responsibility to ensure wise stewardship of the state's environment and natural resources for the benefit of current citizens and future generations. Proper management of the state's environment and natural resources includes and requires foresight, planning, and long-term activities that allow the state to preserve its high quality environment and provides for wise use of its natural resources. A self-insured employer or insurer who is served with a claim petition pursuant to section 176.271, subdivision 1, or 176.291, shall schedule any necessary examinations of the employee, if an examination by the employer's physician or health care provider is necessary to evaluate benefits claimed. The examination shall be completed and the report of the examination shall be served on the employee and filed with the commissioner within 120 days of service of the claim petition.

No evidence relating to the examination or report shall be received or considered by the commissioner, a compensation judge, or the court of appeals in determining any issues unless the report has been served and filed as required by this section, unless a written extension has been granted by the commissioner or compensation judge. The commissioner or a compensation judge shall extend the time for completing the adverse examination and filing the report upon good cause shown. The extension must not be for the purpose of delay and the insurer must make a good faith effort to comply with this subdivision. Good cause shall include but is not limited to:

(1) that the extension is necessary because of the limited number of physicians or health care providers available with expertise in the particular injury or disease, or that the extension is necessary due to the complexity of the medical issues, or

(2) that the extension is necessary to gather addition information which was not included on the petition as required by section 176.291.

#### WORKERS' COMPENSATION SYSTEM CHANGES

Section 1. Minnesota Statutes 1986, section 176.011, subdivision 11a, is amended to read:

Subd. 11a. [FAMILY FARM.] "Family farm" means any farm operation which (1) pays or is obligated to pay less than ~~\$8,000~~ \$20,000 in cash wages, exclusive of machine hire, to farm laborers for services rendered during the preceding calendar year, and (2) has total liability and medical payment coverage equal to \$250,000 and \$5,000, respectively, under a farm liability insurance policy. For purposes of this subdivision, farm laborer does not include any spouse, parent or child, regardless of age, of a farmer employed by the farmer, or any executive officer of a family farm corporation as defined in section 500.24, subdivision 2, or any spouse, parent or child, regardless of age, of such an officer employed by that family farm corporation, or other farmers in the same community or members of their families exchanging work with the employer. Notwithstanding any law to the contrary, a farm laborer shall not be considered as an independent contractor for the purposes of this chapter; provided that a commercial baler or commercial thresher shall be considered an independent contractor.

Sec. 2. Minnesota Statutes 1986, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number

of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed ~~66-2/3~~ 80 percent of the ~~product of the daily wage times the number of days normally worked~~ *employee's after-tax weekly wage*, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 3. Minnesota Statutes 1986, section 176.011, is amended by adding a subdivision to read:

*Subd. 18a. [AFTER-TAX WEEKLY WAGE.] After-tax weekly wage means the weekly wage reduced by the amounts required to be withheld by the Federal Insurance Contributions Act, United States Code, Title 16, sections 3101 to 3126, but without regard to the yearly maximum, and by state and federal income tax laws using as the number of allowances the number of exemptions that the employee is entitled to under federal law for the employee and the employee's dependents.*

Sec. 4. Minnesota Statutes 1986, section 176.021, subdivision 3, is amended to read:

*Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section ~~176.101~~ 13. If doubt exists as to the eventual permanent partial disability, payment ~~for the economic recovery compensation or impairment compensation, which ever is due, pursuant to section 176.101,~~ shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Prior to or at the time of commencement of the payment of ~~economic recovery compensation or lump sum or periodic payment of impairment compensation~~ permanent partial disability compensation, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After*

receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. ~~Economic recovery compensation or impairment compensation pursuant to section 176.101 is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section 176.101. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section 176.101. Economic recovery compensation or impairment compensation pursuant to section 176.101 shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total disability. Liability on the part of an employer or the insurer for disability of a temporary total, temporary partial, and permanent total nature shall be considered as a continuing product and part of the employee's inability to earn or reduction in earning capacity due to injury or occupational disease and compensation is payable accordingly, subject to section 176.101. Economic recovery compensation or impairment compensation is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.~~

~~The right to receive economic recovery compensation or impairment permanent partial compensation vests in an injured employee or in the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained, provided that the employee lives for at least 30 days beyond the date of the injury. The right is not abrogated by the employee's death prior to the making of the payment. Upon the death of an employee who is receiving economic recovery compensation or impairment compensation, further compensation is payable pursuant to section 176.101. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.~~

~~Disability ratings for permanent partial disability shall be based on objective medical evidence.~~

Sec. 5. Minnesota Statutes 1987 Supplement, section 176.041, subdivision 4, is amended to read:

Subd. 4. [OUT-OF-STATE EMPLOYMENTS.] (a) *Except as provided in paragraph (b), if an employee who regularly performs the primary duties of employment outside of this state or is hired to perform the primary duties of employment outside of this state, receives an injury within this state in the employ of the same employer, such injury shall be covered within the provisions of this chapter if the employee chooses to forego any workers' compensation claim resulting from the injury that the employee may have a right to pursue in some other state, provided that the special compensation fund is not liable for payment of benefits pursuant to section 176.183 if*

the employer is not insured against workers' compensation liability pursuant to this chapter and the employee is a nonresident of Minnesota on the date of the personal injury.

*(b) An employee who has been hired outside of this state, or regularly performs the primary duties of employment outside of this state, and the employee's employer, are exempt from the provisions of this chapter while the employee is temporarily within this state performing work for the employer provided the employer has furnished workers' compensation insurance coverage under the workers' compensation law or other similar law of another state which covers the employee's employment while in this state. The benefits under the workers' compensation law or similar law of the other state, or other remedies under that state's law, are the exclusive remedy against the employer for any injury, whether resulting in death or not, received by the employee while working for that employer within this state. A certificate from the commissioner of labor and industry or other similar official of another state certifying that the employer is insured in that state and has provided extraterritorial coverage insuring its employees while working within this state is prima facie evidence that the employer carries workers' compensation insurance on those employees.*

Sec. 6. Minnesota Statutes 1986, section 176.061, subdivision 10, is amended to read:

Subd. 10. [INDEMNITY.] Notwithstanding the provisions of chapter 65B or any other law to the contrary, an employer has a right of indemnity for any compensation paid or payable pursuant to this chapter, including temporary total compensation, temporary partial compensation, permanent partial disability, ~~economic recovery compensation, impairment compensation,~~ medical compensation, rehabilitation, death, and permanent total compensation.

Sec. 7. Minnesota Statutes 1986, section 176.081, subdivision 1, is amended to read:

Subdivision 1. (a) A fee for legal services of 25 percent of the first \$4,000 of compensation awarded to the employee and 20 percent of the next \$27,500 of compensation awarded to the employee is permissible and does not require approval by the commissioner, compensation judge, or any other party except as provided in ~~clause paragraph~~ (b). If the employer or the insurer or the defendant is given written notice of claims for legal services or disbursements, the claim shall be a lien against the amount paid or payable as compensation. In no case shall fees be calculated on the basis of any undisputed portion of compensation awards. Allowable fees under this chapter shall be based solely upon genuinely disputed portions of claims, including disputes related to the payment of rehabilitation benefits or to other aspects of a rehabilitation plan. Fees for administrative conferences under ~~section 176.242, 176.2421, 176.243, or 176.244 sections~~ 176.106 and 176.239 shall be determined on an hourly basis, according to the criteria in subdivision 5.

(b) An attorney who is claiming legal fees ~~under this section~~ for representing an employee in a workers' compensation matter shall file a statement of ~~attorney's attorney~~ fees with the commissioner, compensation judge before whom the matter was heard, or workers' compensation court of appeals on cases before the court. A copy of the signed retainer agreement shall also be filed. The employee and insurer shall receive a copy of the statement. The statement shall be on a form prescribed by the commissioner

and shall clearly and conspicuously state that the employee or insurer has ten calendar days to object to the attorney fees requested. If no objection is timely made by the employee or insurer, the amount requested shall be conclusively presumed reasonable providing the amount does not exceed the limitation in subdivision 1. The commissioner, compensation judge, or court of appeals shall issue an order granting the fees and the amount requested shall be awarded to the party requesting the fee. If a timely objection is filed, or the fee is determined on an hourly basis, the commissioner, compensation judge, or court of appeals shall review the matter and make a determination based on the criteria in subdivision 5. If no timely objection is made by an employer or insurer, reimbursement under subdivision 7 shall be made if the statement of fees requested this reimbursement.

*(c) An attorney representing employers or insurers shall file a statement of attorney fees or wages with the commissioner, compensation judge before whom the matter was heard, or workers' compensation court of appeals on cases before the court. The statement of attorney fees or wages must contain the following information: the average hourly wage or the value of hours worked on that case if the attorney is an employee of the employer or insurer, the number of hours worked on that case, and the average hourly rate or amount charged an employer or insurer for that case if the attorney is not an employee of the employer or insurer.*

*(d) Employers and insurers may not pay attorney fees or wages for legal services of more than \$6,500 per case unless the additional fees or wages are approved under subdivision 2.*

Sec. 8. Minnesota Statutes 1987 Supplement, section 176.081, subdivision 2, is amended to read:

Subd. 2. An application for attorney fees in excess of the amount authorized in subdivision 1 shall be made to the commissioner, compensation judge, or district judge, before whom the matter was heard. An appeal of a decision by the commissioner, a compensation judge, or district court judge on additional fees may be made to the workers' compensation court of appeals. The application shall set forth the fee requested ~~and, the number of hours spent on the case,~~ the basis for the request, and whether or not a hearing is requested. The application, with affidavit of service upon the ~~employee attorney's client,~~ shall be filed by the attorney requesting the fee. If a hearing is requested by an interested party, a hearing shall be set with notice of the hearing served upon known interested parties. In all cases the employee shall be served with notice of hearing.

Sec. 9. Minnesota Statutes 1986, section 176.081, subdivision 3, is amended to read:

Subd. 3. ~~An employee who~~ A party that is dissatisfied with its attorney fees, may file an application for review by the workers' compensation court of appeals. Such application shall state the basis for the need of review and whether or not a hearing is requested. A copy of such application shall be served upon the party's attorney ~~for the employee~~ by the court administrator and if a hearing is requested by either party, the matter shall be set for hearing. The notice of hearing shall be served upon known interested parties. ~~The attorney for the employee shall be served with a notice of the hearing.~~ The workers' compensation court of appeals shall have the authority to raise ~~the question~~ of the issue of the attorney fees at any time upon its own motion and shall have continuing jurisdiction over attorney fees.

Sec. 10. Minnesota Statutes 1986, section 176.101, subdivision 1, is amended to read:

Subdivision 1. [TEMPORARY TOTAL DISABILITY.] (a) For an injury producing temporary total disability, the compensation is ~~66-2/3~~ 80 percent of the *after-tax* weekly wage at the time of injury.

(2) the employee returns to work;

(3) the employee retires by withdrawing from the labor market;

(4) the employee refuses an offer of work that is consistent with a plan of rehabilitation filed with the commissioner, which meets the requirements of section 176.102, subdivision 1, or, if no plan has been filed, that the employee can do in the employee's physical condition; or

(5) 90 days have passed after the employee has reached maximum medical improvement, except as provided in section 176.102, subdivision 11, paragraph (b).

(e) For purposes of paragraph (d), clause (5), the 90-day period after maximum medical improvement commences on the earlier of:

Compensation recommenced under this paragraph is subject to cessation under paragraph (d). Recommenced compensation may not be paid beyond 90 days after the employee reaches maximum medical improvement, except as provided under section 176.102, subdivision 11, paragraph (b).

(g) Once compensation has ceased under paragraph (d), clauses (4) and (5), it may not be recommenced at a later date except as provided under section 176.102, subdivision 11, paragraph (b).

Sec. 11. Minnesota Statutes 1986, section 176.101, is amended by adding a subdivision to read:

*Subd. 1a. [EXTENDED DISABILITY COMPENSATION.] (a) If an employee, who has a permanent partial disability, is not working because of the personal injury after payment of permanent partial disability benefits is complete, the employee shall be eligible for extended disability compensation. If an employee received any permanent partial compensation in a lump sum, payment will be considered complete after expiration of the period that the employee would have received permanent partial compensation had it been paid periodically.*

*(b) Extended disability compensation is paid at the rate for temporary total compensation, escalated under section 176.645, for the number of weeks equal to 246 multiplied by the employee's percentage rating of permanent partial disability, determined according to the rules adopted by the commissioner pursuant to section 176.105, subdivision 4. The total extended compensation for any injury may not exceed this product.*

*(c) Extended disability compensation shall cease if the employee is no longer disabled, returns to work, refuses a job offer described in subdivision 1, paragraph (d), clause (4), or retires from the labor market.*

Sec. 12. Minnesota Statutes 1986, section 176.101, subdivision 2, is amended to read:

*Subd. 2. [TEMPORARY PARTIAL DISABILITY.] (a) In all cases of temporary partial disability the compensation shall be ~~66-2/3 percent of the difference between the weekly wage of the employee at the time of injury and the wage the employee is able to earn in the employee's partially disabled condition.~~ paid as follows:*

*(1) for the first 26 weeks that the employee returns to work, the compensation shall be 80 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is earning in the employee's partially disabled condition;*

*(2) for the second 26 weeks that the employee returns to work, the compensation shall be 60 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is earning in the employee's partially disabled condition; and*

*(3) for the third 26 weeks that the employee returns to work, the compensation shall be 40 percent of the difference between the after-tax weekly*

wage of the employee at the time of injury and the after-tax weekly wage the employee is earning in the employee's partially disabled condition.

(b) This compensation shall be paid during the period of disability except as provided in this section, payment to be made at the intervals when the wage was payable, as nearly as may be, and subject to a maximum compensation equal to 105 percent of the statewide average weekly wage.

(c) Temporary partial compensation may be paid only while the employee is working and earning less than the employee's weekly wage at the time of the injury. Except as provided in section 176.102, subdivision 11, paragraph (b), temporary partial compensation may not be paid after the employee has returned to work for 78 weeks or after 350 weeks after the date of injury, whichever occurs first.

*Subd. 3. [PERMANENT PARTIAL DISABILITY.] (a) Compensation for permanent partial disability is as provided in this subdivision. For permanent partial disability up to the percent of the whole body shown in the following schedule, the amount of compensation is equal to the proportion that the loss of function of the disabled part bears to the whole body multiplied by the amount aligned with that percent in the following schedule:*

<i>Percent of Disability</i>	<i>Amount</i>
0-25	\$ 75,000
26-30	80,000
31-35	85,000

41-45	95,000
46-50	100,000
51-55	120,000
56-60	140,000
61-65	160,000
66-70	180,000

91-95	360,000
96-100	400,000

*An employee may not receive compensation for more than a 100 percent disability of the whole body, even if the employee sustains disability to two or more body parts.*

*(b) Permanent partial disability is payable upon cessation of temporary total disability under subdivision 1. If the employee is not working, the compensation is payable in installments at the same intervals and in the same amount as the initial temporary total disability rate. If the employee returns to work, the remaining compensation is payable in a lump sum 30 days after the employee returned to work provided the employment has not been substantially interrupted by the injury for any part of the 30 days and the employee is still employed at the job at the end of the period.*

Sec. 14. Minnesota Statutes 1986, section 176.101, subdivision 4, is amended to read:

Subd. 4. [PERMANENT TOTAL DISABILITY.] For permanent total disability, as defined in subdivision 5, the compensation shall be ~~66-2/3~~ 80 percent of the ~~daily~~ after-tax weekly wage at the time of the injury, subject to a maximum weekly compensation equal to the maximum weekly compensation for a temporary total disability and a minimum weekly compensation equal to the minimum weekly compensation for a temporary total disability. This compensation shall be paid during the permanent total disability of the injured employee but after a total of \$25,000 of weekly compensation has been paid, the amount of the weekly compensation benefits being paid by the employer shall be reduced by the amount of any disability benefits being paid by any government disability benefit program if the disability benefits are occasioned by the same injury or injuries which give rise to payments under this subdivision. This reduction shall also apply to any old age and survivor insurance benefits. Payments shall be made at the intervals when the wage was payable, as nearly as may be. In case an employee who is permanently and totally disabled becomes an inmate of a public institution, no compensation shall be payable during the period of confinement in the institution, unless there is wholly dependent on the employee for support some person named in section 176.111, subdivision 1, 2 or 3, in which case the compensation provided for in section 176.111, during the period of confinement, shall be paid for the benefit of the dependent person during dependency. The dependency of this person shall be determined as though the employee were deceased.

Sec. 15. Minnesota Statutes 1986, section 176.101, subdivision 5, is amended to read:

Subd. 5. [~~TOTAL DISABILITY DEFINITION.~~] (a) For purposes of subdivision 4, permanent total disability means only:

(1) the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial members can be used, complete and permanent paralysis, total and permanent loss of mental faculties; or

(2) any other injury which totally and permanently incapacitates the employee from working at an occupation which brings the employee an income constitutes total disability.

(b) For purposes of paragraph (a), clause (2), totally and permanently incapacitated means that the employee's physical disability, in combination with the employee's age, education and training, and experience, causes the employee to be unable to secure anything more than sporadic employment resulting in an insubstantial income. Local labor market conditions may not be considered in making the total and permanent incapacitation determination.

Sec. 16. Minnesota Statutes 1986, section 176.102, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] (a) This section only applies to vocational rehabilitation of injured employees and their spouses as provided under subdivision 1a. Physical rehabilitation of injured employees is considered treatment subject to section 176.135.

(b) Rehabilitation is intended to restore the injured employee, through physical and vocational rehabilitation, so the employee may return to a job related to the employee's former employment or to a job in another work area which produces an economic status as close as possible to that the

employee would have enjoyed without disability. Rehabilitation to a job with a higher economic status than would have occurred without disability is permitted if it can be demonstrated that this rehabilitation is necessary to increase the likelihood of reemployment. Economic status is to be measured not only by opportunity for immediate income but also by opportunity for future income.

Sec. 17. Minnesota Statutes 1987 Supplement, section 176.102, subdivision 2, is amended to read:

Subd. 2. [ADMINISTRATORS.] The commissioner shall hire a director of rehabilitation services in the classified service. The commissioner shall monitor and supervise rehabilitation services, including, but not limited to, making determinations regarding the selection and delivery of rehabilitation services and the criteria used to approve qualified rehabilitation consultants and rehabilitation vendors. The commissioner may also make determinations regarding fees for rehabilitation services *and shall by rule, subject to chapter 14, establish a fee schedule or otherwise limit fees charged by qualified rehabilitation consultants and vendors.* The commissioner may hire qualified personnel to assist in the commissioner's duties under this section and may delegate the duties and performance.

Sec. 18. Minnesota Statutes 1987 Supplement, section 176.102, subdivision 3, is amended to read:

Subd. 3. [REVIEW PANEL.] There is created a rehabilitation review panel composed of the commissioner or a designee, who shall serve as an ex officio member and ~~two members~~ *one member each from representing employers, insurers, rehabilitation, and medicine, one member representing chiropractors, and four* ~~two members each~~ *representing labor and rehabilitation vendors, and six members who are qualified rehabilitation consultants.* The members shall be appointed by the commissioner and shall serve four-year terms which may be renewed. Compensation for members shall be governed by section 15.0575. The panel shall select a chair. The panel shall review and make a determination with respect to appeals from orders of the commissioner regarding certification approval of qualified rehabilitation consultants and vendors. The hearings are de novo and initiated by the panel under the contested case procedures of chapter 14, and are appealable to the workers' compensation court of appeals in the manner provided by section 176.421.

Sec. 19. Minnesota Statutes 1987 Supplement, section 176.102, subdivision 3a, is amended to read:

Subd. 3a. [DISCIPLINARY ACTIONS.] The panel has authority to discipline qualified rehabilitation consultants and vendors and may impose a penalty of up to \$1,000 per violation, and may suspend or revoke certification. Complaints against registered qualified rehabilitation consultants and vendors shall be made to the commissioner who shall investigate all complaints. If the investigation indicates a violation of this chapter or rules adopted under this chapter, the commissioner may initiate a contested case proceeding under the provisions of chapter 14. In these cases, the rehabilitation review panel shall make the final decision following receipt of the report of an administrative law judge. The decision of the panel is appealable to the workers' compensation court of appeals in the manner provided by section 176.421. The panel shall continuously study rehabilitation services and delivery, develop and recommend rehabilitation rules to the commissioner, and assist the commissioner in accomplishing public

education.

The commissioner may appoint alternates for one-year terms to serve as a member when a member is unavailable. The number of alternates shall not exceed one labor member, one employer or insurer member, and one member representing medicine, ~~chiropractic~~, or rehabilitation vendors, and one member representing qualified rehabilitation consultants.

Sec. 20. Minnesota Statutes 1987 Supplement, section 176.102, subdivision 4, is amended to read:

Subd. 4. [REHABILITATION PLAN; DEVELOPMENT.] (a) ~~An employer or insurer shall provide rehabilitation consultation by a qualified rehabilitation consultant or by another person permitted by rule to provide consultation to an injured employee within five days after the employee has 60 days of lost work time due to the personal injury, except as otherwise provided in this subdivision. Where an employee has incurred an injury to the back, the consultation shall be made within five days after the employee has 30 days of lost work time due to the injury. The lost work time in either case may be intermittent lost work time. If an employer or insurer has medical information at any time prior to the time specified in this subdivision that the employee will be unable to return to the job the employee held at the time of the injury rehabilitation consultation shall be provided immediately after receipt of this information.~~

For purposes of this section "lost work time" means only those days during which the employee would actually be working but for the injury. In the case of the construction industry, mining industry, or other industry where the hours and days of work are affected by seasonal conditions, "lost work time" shall be computed by using the normal schedule worked when employees are working full time. A rehabilitation consultation must be provided by the employer to an injured employee upon request of the employee, the employer, or the commissioner. If a rehabilitation consultation is requested, the employer shall provide a qualified rehabilitation consultant; except that, if the injured employee objects to the employer's selection, the employee may select a qualified rehabilitation consultant of the employee's own choosing within 30 days following the first in-person contact between the employee and the original qualified rehabilitation consultant. If the consultation indicates that rehabilitation services are appropriate pursuant to subdivision 1, the employer shall provide such services. If the consultation indicates that rehabilitation services are not appropriate pursuant to subdivision 1, the employer shall notify the employee of this determination within seven days after the consultation.

(b) In order to assist the commissioner in determining whether or not to request rehabilitation consultation for an injured employee, an employer must notify the commissioner whenever the employee's temporary total disability will likely exceed 13 weeks. The notification must be made within 90 days from the date of the injury or when the likelihood of at least a 13-week disability can be determined, whichever is earlier, and must include a current physician's report.

(c) The qualified rehabilitation consultant ~~appointed by the employer or insurer~~ shall disclose in writing at the first meeting or written communication with the employee any ownership interest or affiliation between the firm which employs the qualified rehabilitation consultant and the employer, insurer, adjusting or servicing company, including the nature and extent of the affiliation or interest. The consultant shall also disclose to all parties

For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section. 79.095 [APPOINTMENT OF ACTUARY.]

The commissioner shall may employ the services of a casualty ~~actuary~~

actuaries experienced in ~~worker's~~ workers' compensation whose duties shall include but not be limited to investigation of complaints by insured parties relative to rates, rate classifications, or discriminatory practices of an insurer. The salary of ~~the~~ an actuary employed pursuant to this section is not subject to the provisions of section 43A.17, subdivision 1.

Sec. 2. Minnesota Statutes 1986, section 79.55, subdivision 2, is amended to read:

Subd. 2. [EXCESSIVENESS.] ~~No premium is excessive in a competitive market. In the absence of a competitive market,~~ Premiums are excessive if the expected underwriting profit, together with expected income from invested reserves for the market in question, that would accrue to an insurer would be unreasonably high in relation to the risk undertaken by the insurer in transacting the business.

Sec. 3. Minnesota Statutes 1986, section 79.56, is amended by adding a subdivision to read:

Subd. 5. [RATE REGULATION.] (a) *Whenever an insurer files a change in its existing rate level or rating plan, the commissioner may hold a hearing to determine if the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. The hearing must be conducted pursuant to chapter 14. The commissioner shall give notice of intent to hold a hearing within 90 days of the filing of the change. It is the responsibility of the insurer to show that the rate level or rating plan is not excessive, inadequate, or unfairly discriminatory. The rate level or rating plan is effective unless it is determined as a result of the hearing that the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. Upon such a finding, the rate level or rating plan is retroactively rescinded and any premiums collected thereunder must be refunded. This subdivision does not apply to any changes resulting from assessments for the assigned risk plan, reinsurance association, guarantee fund, special compensation fund, or statutory benefit level changes to sections 176.101, subdivisions 1, 2, and 4, 176.111, 176.132, and 176.645 as a result of annual adjustments in the statewide average weekly wage. The disapproval of a rate level or rating plan under this subdivision must be done in the same manner as under section 70A.11, except that the standards of section 79.55 apply.*

(b) *Notwithstanding paragraph (a), if the commissioner of labor and industry petitions the commissioner for a hearing pursuant to this subdivision, the commissioner must hold a hearing if the commissioner of labor and industry certifies that the hearing is necessary because a decision of the supreme court or enactment of a statute has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner of labor and industry must make a prima facie showing that law change has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed.*

(c) *Notwithstanding paragraph (a), the commissioner may hold a hearing if the commissioner determines that the hearing is necessary because of circumstances which result in a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner must make a prima facie showing that the circumstances resulted in a substantial change in the basis upon which the existing rate levels or rating plan was filed.*

Sec. 4. [79.561] [PARTICIPATION.]

*An employer, or person representing a group of employers, which will be directly affected by a change in an insurer's existing rate level or rating plan filed under section 3, and the commissioner of labor and industry, must be allowed to participate in any hearing under that subdivision challenging the change in rate level or rating plan as being excessive, inadequate, or unfairly discriminatory.*

Sec. 5. Minnesota Statutes 1986, section 79.58, subdivision 2, is amended to read:

Subd. 2. [RATING PLANS.] The commissioner may disapprove a rating plan of a data service organization if, after a hearing conducted pursuant to chapter 14, the commissioner finds that it is excessive, inadequate, or unfairly discriminatory. The rating plan is effective until disapproved. It is the responsibility of the data service organization to show that the rating plan is not excessive, inadequate, or unfairly discriminatory. Any order of disapproval shall require the data service organization to use an alternative rating plan until approval of a rating plan by the commissioner. The commissioner shall not approve any rating plan based upon any data other than Minnesota data, except that other data may be utilized as a supplement to Minnesota data when the commissioner determines that an exceptional case requires such data to establish the statistical credibility of an occupational classification.

Sec. 6. Minnesota Statutes 1986, section 79.61, subdivision 1, is amended to read:

Subdivision 1. [REQUIRED ACTIVITY.] Any data service organization shall perform the following activities:

(a) File statistical plans, including classification definitions, amendments to the plans, and definitions, with the commissioner for approval, and assign each compensation risk written by its members to its approved classification for reporting purposes;

(b) Establish requirements for data reporting and monitoring methods to maintain a high quality data base;

(c) Prepare and distribute a periodic report, in a form prescribed by the commissioner, on ratemaking including, but not limited to the following elements:

(i) development factors and alternative derivations;

(iv) an evaluation of the effects of changes in law on loss data.

The report shall also include explicit discussion and explanation of methodology, alternatives examined, assumptions adopted, and areas of judgment and reasoning supporting judgments entered into, and the effect of various combinations of these elements on indications for modification of an overall pure premium rate level change. The pure premium relativities and rate level indications shall not include a loading for expenses or profit and no expense or profit data or recommendations relating to expense or profit shall be included in the report or collected by a data service organization;

(d) Collect, compile, summarize, and distribute data from members or other sources pursuant to a statistical plan approved by the commissioner;

(e) Prepare merit rating plan and calculate any variable factors necessary for utilization of the plan. Such a plan may be used by any of its members, at the option of the member provided that the application of a plan shall not result in rates that are unfairly discriminatory;

(f) Provide loss data specific to an insured to the insured at a reasonable cost;

(g) Distribute information to an insured or interested party that is filed with the commissioner and is open to public inspection; ~~and~~

(h) Assess its members for operating expenses on a fair and equitable basis;

*(i) Separate the incurred but not reported losses of its members;*

*(j) Separate paid and outstanding losses of its members;*

*(k) Provide information indicating cases in which its members have established a reserve in excess of \$50,000;*

*(l) Provide information on the income on invested reserves of its members;*

*(m) Provide information as to policies written at other than the filed rates;*

*(n) File information based solely on Minnesota premium income of its members concerning investment income, legal expenses, subrogation recoveries, administrative expenses, and commission expenses;*

#### Sec. 7. [79.65] [CHAPTER APPLICABILITY TO DATA SERVICE ORGANIZATIONS.]

*Subdivision 1. [EXAMINATION BY COMMISSIONER.] Data service organizations are subject to all the provisions of this chapter. The commissioner or an authorized representative of the commissioner may visit the rating association at any reasonable time and examine, audit, or evaluate the rating association's operations, records, and practices. For purposes of this section, "authorized representative of the commissioner" includes employees of the departments of commerce or labor and industry or other parties retained by the commissioner. Examination under this section may be done of any member of data service organizations for purposes of workers' compensation insurance regulation.*

*Subd. 2. [COSTS AND EXPENSES.] The commissioner may order and the data service organization shall pay the costs and expenses of any examination, audit, or evaluation conducted pursuant to subdivision 1. A sum sufficient to pay these costs and expenses is appropriated from the special compensation fund to the commissioner of commerce.*

#### Sec. 8. [79.651] [INVESTIGATIONS AND SUBPOENAS.]

*Subdivision 1. [GENERAL POWERS.] In connection with the administration of chapter 79, the commissioner of commerce may:*

*(1) make public or private investigations within or without this state as the commissioner considers necessary to determine whether any person has violated or is about to violate chapter 79 or any rule or order under chapter 79, or to aid in the enforcement of chapter 79, or in the prescribing of rules or forms under chapter 79;*

*(2) require or permit any person to file a statement in writing, under oath or otherwise as the commissioner determines, as to all the facts and circumstances concerning the matter being investigated;*

*(6) publish information which is contained in any order issued by the commissioner; and*

*(7) require any person subject to chapter 79 to report all sales or transactions that are regulated under chapter 79. The reports must be made within ten days after the commissioner has ordered the report. The report is accessible only to the respondent and other governmental agencies unless otherwise ordered by a court of competent jurisdiction.*

*Subd. 2. [POWER TO COMPEL PRODUCTION OF EVIDENCE.] For the purpose of any investigation, hearing, or proceeding under chapter 79, the commissioner or a designated representative may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of books, papers, correspondence, memoranda, agreements, or other documents or records that the commissioner considers relevant or material to the inquiry.*

*Subd. 3. [COURT ORDERS.] In case of a refusal to appear or a refusal to obey a subpoena issued to any person, the district court, upon application by the commissioner, may issue to any person an order directing that person to appear before the commissioner, or the officer designated by the commissioner, there to produce documentary evidence if so ordered or to give evidence relating to the matter under investigation or in question. Failure to obey the order of the court may be punished by the court as a contempt of court.*

*Subd. 4. [SCOPE OF PRIVILEGE.] No person is excused from attending and testifying or from producing any document or record before the commissioner, or from obedience to the subpoena of the commissioner or any officer designated by the commissioner or in a proceeding instituted by the commissioner, on the ground that the testimony or evidence required may tend to incriminate that person or subject that person to a penalty of forfeiture. No person may be prosecuted or subjected to a penalty or*

*forfeiture for or on account of a transaction, matter, or thing concerning which the person is compelled, after claiming the privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that the individual is not exempt from prosecution and punishment for perjury or contempt committed in testifying.*

**Subd. 5. Upon a proper showing, a permanent or temporary injunction, restraining order, or other appropriate relief must be granted; (2) the commissioner may issue and cause to be served upon the person an order requiring the person to cease and desist from violations of chapter 79, or any rule or order adopted or issued under chapter 79. The order must be calculated to give reasonable notice of the rights of the person to request a hearing and must state the reasons for the entry of the order. A hearing must be held not later than seven days after the request for the hearing is received by the commissioner, after which and within 20 days after receiving the administrative law judge's report, the commissioner shall issue a further order vacating the cease and desist order or making it permanent as the facts require. If no hearing is requested within 30 days of service of the order, the order will become final and will remain in effect until it is modified or vacated by the commissioner. Unless otherwise provided, all hearings must be conducted in accordance with chapter 14. If the person to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, the person is in default, and the proceeding may be determined against that person upon consideration of the cease and desist order, the allegations of which may be considered to be true. The commissioner may adopt rules of procedure concerning all proceedings conducted under this subdivision.*

**Subd. 6. [VIOLATIONS AND PENALTIES.]** *The commissioner may impose a civil penalty not to exceed \$2,000 per violation upon a person who violates chapter 79, unless a different penalty is specified.*

**Subd. 7. [ACTIONS AGAINST LICENSEES.]** *In addition to any other actions authorized by this section, the commissioner may, by order, deny, suspend, or revoke the authority or license of a person subject to chapter 79, or censure that person if the commissioner finds that:*

- (1) the order is in the public interest; or*
- (2) the person has violated chapter 79.*

**Subd. 8. [STOP ORDER.]** *In addition to any other actions authorized by this section, the commissioner may issue a stop order denying effectiveness to or suspending or revoking any registration subject to chapter 79.*

**Subd. 9. [POWERS ADDITIONAL.]** *The powers contained in subdivisions 1 to 8 are in addition to all other powers of the commissioner.*

**Sec. 9. [79.652] [ACCESS TO INSURER.]**

*The commissioner, or the designated person, shall have free access during normal business hours to all books, records, securities, documents, and any or all papers relating to the property, assets, business, and affairs of any company, applicant, association, or person which may be examined pursuant to this act for the purpose of ascertaining, appraising, and evaluating the assets, conditions, affairs, operations, ability to fulfill obligations, and compliance with all the provisions of law of the company or person insofar as any of the above pertain to the business of insurance of a person, organization, or corporation transacting, having transacted, or being organized to transact business in this state. Every company or person being examined, its officers, directors, and agents, shall provide to the commissioner or the designated person convenient and free access at all reasonable hours at its office to all its books, records, securities, documents, any or all papers relating to the property, assets, business, and affairs of the company or person. The fund may apply for and obtain any licensure required in any other state in order to issue such coverage.*

**Sec. 11. [MANDATED REDUCTIONS.]**

*(a) As a result of the workers' compensation law changes in article 3 and the resulting savings to the costs of Minnesota's workers' compensation system, an insurer's approved schedule of rates in effect on August 1, 1988, must be reduced by 16 percent and applied by the insurer to all policies issued, renewed, or outstanding on or after that date. An insurer may not adjust its filed rating plan to recoup the 16 percent mandated rate reduction under this section. The reduction must be computed on the basis of a 16 percent premium reduction prorated to the expiration of that policy. An insurer shall provide written notice by September 1, 1988, to all employers having an outstanding policy with the insurer as of August 1, 1988, to read as follows: "As a result of the changes in the workers' compensation insurance system enacted by the 1988 legislature, you are entitled to a credit or refund to your current premium in an amount of \$ . . . . . which reflects a 16 percent mandated premium reduction prorated to the expiration of your policy."*

## PROTEST AND DISSENT

Mr. President:

I rise on behalf of the Senators listed below and myself under the Constitutional provision of Article 4, Section 11, which allows the "protest and dissent of members".

Earlier this Session, the Senate approved the Conference Committee Report on S.F. No. 203.

This past fall the First Bank System was reported to have lost between \$400,000,000 and \$600,000,000 on bond speculation. The Wall Street Journal reported that some senior management had sold their First Bank stock shortly before this loss was announced. Common sense would tell all of us that if that bond investment would have been properly put in loans to Minnesotans, the true role of a commercial bank, the loans would be paid and the loss would not happen. It's in the interest of Minnesotans who look to lenders for loans, and First Bank shareholders generally, that First Bank management do a better job in this regard. Unfortunately, the Conference Committee Report on S.F. No. 203, that we passed earlier today, nurtures and protects this mismanagement with its certain anti-takeover provision.

The lottery agency may sell lottery tickets to the public.

Subd. 7. [BOND.] The director shall require lottery agents to post a bond in an amount the director determines is sufficient to protect the interests of the state before undertaking the sale of lottery tickets. The

The commission may by rule designate certain classes of contracts, other than major procurement contracts, which do not require prior approval by the board. The director may not renew a contract or approve that an option be exercised under a contract without the approval of the commission. A contract entered into by the director may not be assigned except with the director's and commission's specific written approval.*

*Subd. 2. [BIDS.] The director shall utilize an open and competitive bid process which reflects the best interests of the lottery and the state of Minnesota. In awarding a contract, the director and commission must consider all relevant factors including price, security, competence, experience, timely performance, and maximization of net revenues to the state.*

*Subd. 3. [INVESTIGATION.] Before entering into any major procurement contract the director shall conduct, or request the bureau of criminal apprehension to conduct, a comprehensive background and financial investigation of the person or corporation seeking to enter into the contract. The director may charge the person or corporation a fee to cover the cost of the investigation. Any fee collected under this subdivision must be deposited into the lottery operations fund. The director may require any additional information from a vendor or a potential vendor that is considered appropriate to preserve the integrity and security of the lottery. The director has access to all criminal history data compiled by the bureau of criminal apprehension on all vendors and potential vendors who have submitted a bid to the lottery agency.*

*Subd. 4. [PERSONS INELIGIBLE FOR CONTRACT.] (a) The director may not enter into a major procurement contract with an applicant that:*

All interest earned must be credited to the lottery operations fund.*

*Subd. 5. [DETERMINATION OF NET PROCEEDS.] Within 30 days after the end of each month, the director shall determine the net proceeds from the lottery for that month. The net proceeds are determined by deducting from gross receipts to the agency for that month:*

Sec. 29. Minnesota Statutes 1987 Supplement, section 353C.06, subdivision 3, is amended to read:

Subd. 3. [ANNUITY AMOUNT.] The average salary as defined in subdivision 2, multiplied by two percent for each year of allowable service for the first ten years and 2.5 percent for each additional year of allowable service, *and pro rata for completed months less than a full year*, determines the amount of the normal annuity. If a person has earned allowable service in the public employees retirement association or the public employees police and fire fund for performing services other than those of a local government correctional employee, the annuity representing such service must be computed in accordance with the coordinated formula under sections 353.29 and 353.30 or section 353.651, whichever applies.

After a recipient has received the annuity calculated under this formula for 84 full calendar months or to the first of the month following the month in which the employee becomes age 65, whichever occurs first, the benefit must be recomputed in accordance with the coordinated formula in sections 353.29 and 353.30, except that if this amount, when added to the social security benefit based on state public service the employee is eligible to receive at that time, is less than the benefit payable under subdivision 3, the retired employee must is entitled to receive an amount payable under subdivision 3, less any amount payable from social security based on public service used in the benefit calculation.* When an annuity is reduced under this subdivision, any percentage of adjustments that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity.

Sec. 31. Minnesota Statutes 1987 Supplement, section 353C.07, is amended to read:

*Subd. 2. [DEFERRED ANNUITIES AUGMENTATION.] The deferred annuity, if any, accruing under section 353.71 or 353C.06, must be computed as provided in section 353C.06, subdivision 3, on the basis of allowable service before the termination of correctional service and augmented as provided in this subdivision. If a person has more than one period of uninterrupted service, the required reserves related to each period must be augmented by interest under this subdivision. If a person repays a refund, the service restored by the repayment must be considered to be continuous with the next period of service for which the person has credit by the plan. The formula percentages used for each period of uninterrupted service must be those applicable to a new employee. The mortality table and interest assumption used to compute this annuity must be those in effect when the person files an application for the annuity. This subdivision shall not reduce the annuity otherwise payable under this chapter.*

Sec. 32. Minnesota Statutes 1987 Supplement, section 353C.08, subdivision 5, is amended to read:

If the disabled local government correctional employee is still disabled when the employee reaches age 62, the employee is deemed to be a retired employee and, if the employee had elected an optional annuity under subdivision 3, must receive an annuity in accordance with the terms of the optional annuity previously elected. If the employee had not elected an optional annuity under subdivision 3, the employee may elect either to receive a normal retirement annuity computed on the coordinated formula in the manner provided in section ~~353C.06~~ 353.29 or to receive an optional annuity as provided in section 353.30, subdivision 3, based on the same length of service as used in the calculation of the disability benefit. Election of an optional annuity must be made before attaining the age of 62 years. The reduction for retirement prior to age 65 as provided in section 353.30, subdivisions 1 and 1c, is not applicable. *The savings clause provision of section 353C.06, subdivision 4, is applicable.*

Subd. 7. [COMBINED SERVICE DISABILITY BENEFIT.] *If the employee is entitled to receive a disability benefit as provided in subdivision 1 or 2 and has credit for less covered correctional service than the length of service upon which the correctional disability benefit is based, and also has credit for regular plan service, the employee is entitled to a disability benefit or deferred retirement annuity based on the regular plan service only for the service that, when combined with the correctional service, exceeds the number of years on which the correctional disability benefit is based. The disabled employee who also has credit for regular plan service must in all respects qualify under section 353.33 to be entitled to receive a disability benefit based on the regular plan service, except that the service may be combined to satisfy length of service requirements. Any deferred annuity to which the employee may be entitled based on regular plan service must be augmented as provided in section 353.71 while the employee is receiving a disability benefit under this section.*

(2) a proposed placement of their child in, transfer from or to, or denial of placement in a special education program; or

(3) the proposed provision, addition, denial or removal of special education services for their child;

(b) The district shall not proceed with the initial formal assessment of a child, the initial placement of a child in a special education program, or the initial provision of special education services for a child without the prior written consent of the child's parent or guardian. The refusal of a parent or guardian to consent may be overridden by the decision in a hearing held pursuant to clause (d) at the district's initiative;

(c) Parents and guardians shall have an opportunity to meet with appropriate district staff in at least one conciliation conference if they object to any proposal of which they are notified pursuant to clause (a). The conciliation process shall not be used to deny or delay a parent or guardian's right to a due process hearing. If the parent or guardian refuses efforts by the district to conciliate the dispute with the school district, the requirement of an opportunity for conciliation shall be deemed to be satisfied;

(d) Parents, guardians, and the district shall have an opportunity to obtain an impartial due process hearing initiated and conducted in the school district where the child resides, if the parent or guardian continues to object to:

(1) a proposed formal educational assessment or proposed denial of a formal educational assessment of their child;

A person who otherwise qualifies as a hearing officer is not an employee of the district solely because the person is paid by the district to serve as a hearing officer. If the hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at district expense. The proceedings shall be recorded and preserved, at the expense of the school district, pending ultimate disposition of the action.

(3) state whether the special education program or special education services appropriate to the child's needs can be reasonably provided within the resources available to the responsible district or districts;

(4) state the amount and source of any additional district expenditure necessary to implement the decision; and

If the decision is appealed, a written transcript of the hearing shall be made by the school district and shall be accessible to the parties involved within five calendar days of the filing of the appeal. The hearing review officer shall issue a final decision based on an impartial review of the local decision and the entire record within 30 calendar days after the filing of the appeal. The hearing review officer shall seek additional evidence if necessary and may afford the parties an opportunity for written or oral argument; provided any hearing held to seek additional evidence shall be an impartial due process hearing but shall be deemed not to be a contested case hearing for purposes of chapter 14. The hearing review officer may grant specific extensions of time beyond the 30-day period at the request of any party.

The final decision shall:

(1) be in writing;

(2) include findings and conclusions; and

(3) be based upon the standards set forth in subdivision 3a and in the rules of the state board.

(g) The decision of the hearing review officer shall be final unless appealed by the parent or guardian or school board to the court of appeals. The judicial review shall be in accordance with chapter 14.

(5) the appeal challenges a state or local policy which was developed

with substantial involvement of the commissioner; or

(6) the appeal challenges the actions of a department employee or official.

For any appeal to which the above exceptions apply, the state board of education shall name an impartial and competent hearing review officer.

In all appeals, the parent or guardian of the handicapped student or the district that is a party to the hearing may challenge the impartiality or competence of the proposed hearing review officer by applying to the state board of education.

(i) Pending the completion of proceedings pursuant to this subdivision, unless the district and the parent or guardian of the child agree otherwise, the child shall remain in the child's current educational placement and shall not be denied initial admission to school.

Amounts received for the improvements are appropriated for making the payments. Payment for improvements must be made within 15 days of the auction sale, either in cash or upon terms and conditions agreeable to the owner of the improvements. If payment for improvements is not made in cash, and if there is no agreement between the parties within 15 days of the auction sale, the commissioner may:*

*(1) sell the property to the second highest qualified bidder if that bidder submitted to the commissioner's representative, at the auction sale, a written request to buy the property at a specified price; or*

(2) void the sale and reoffer the property at a subsequent sale.

This subdivision does not apply unless the ~~person seeking its benefit~~ owner of the improvements makes a verified application to the commissioner showing entitlement to ~~the improvements~~ before the first state public sale at which the land is offered for sale. The applicant must appear at the sale and offer to purchase the land for at least its appraised value including all timber on it, and make the purchase if no higher bid is received. Actions or other proceedings involving the land in question begun before the sale must have been completed.

Sec. 2. Minnesota Statutes 1986, section 92.14, is amended by adding a subdivision to read:

*Subd. 3. [ADDITIONAL ADVERTISING OF LAND SALES.] In addition to posted notice of land sales required by subdivisions 1 and 2, the commissioner shall publicize land sales in Minnesota and elsewhere to the greatest extent possible, consistent with appropriations available for that purpose.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 92.46, subdivision 1, is amended to read:

Subdivision 1. [PUBLIC CAMPGROUNDS.] (a) The director may designate suitable portions of the state lands withdrawn from sale and not reserved, as provided in section 92.45, as permanent state public campgrounds. The director may have the land surveyed and platted into lots of convenient size, and lease them for cottage and camp purposes under terms and conditions the director prescribes, subject to the provisions of this section.

(b) A lease may not be ~~made~~ for a term more than 20 years. The lease may allow renewal, from time to time, for additional terms of no longer than 20 years each. The lease may be canceled by the commissioner 90 days after giving the person leasing the land written notice of violation of lease conditions. The lease rate shall be based on the appraised value of leased land as determined by the commissioner of natural resources. The appraised value shall be the value of the leased land without any private improvements and must be comparable to similar land without any improvements within the same county.

(c) By July 1, 1986, the commissioner of natural resources shall adopt rules under chapter 14 to establish procedures for leasing land under this section. The rules shall be subject to review and approval by the commissioners of revenue and administration prior to the initial publication pursuant to chapter 14 and prior to their final adoption. The rules must address at least the following:

- (1) method of appraising the property;
- (2) determination of lease rates; and
- (3) an appeal procedure for both the appraised values and lease rates.

(d) All money received from these leases must be credited to the fund to which the proceeds of the land belong.

Notwithstanding section 16A.125 or any other law to the contrary, 50 percent of the money received from the lease of permanent school fund lands leased pursuant to this subdivision shall be deposited into the permanent school trust fund. However, in fiscal years 1987, 1988, 1989, 1990,

1991, and 1992, the money received from the lease of permanent school fund lands that would otherwise be deposited into the permanent school fund is hereby appropriated to survey, appraise, and pay associated selling costs of lots as required in section 92.67, subdivision 3. The money appropriated may not be used to pay the cost of surveying lots not scheduled for sale. Any money designated for deposit in the permanent school fund that is not needed to survey, appraise, and pay associated selling costs of lots, as required in section 92.67, shall be deposited in the permanent school fund. The commissioner shall add to the appraised value of any lot offered for sale the costs of surveying, appraising, and selling the lot, and shall first deposit ~~the costs recovered in~~ into the permanent school fund ~~and an amount equal to the costs of surveying, appraising, and selling any lot paid out of the permanent school fund.~~ Any remaining money shall be deposited into any other contributing funds in proportion to the contribution from each fund. In no case may the commissioner add to the appraised value of any lot offered for sale an amount more than \$700 for the costs of surveying and appraising the lot. ~~Notwithstanding section 92.67, subdivision 4, as to requests for sale of lakeshore lots received before January 1, 1987, the commissioner shall hold the sale before October 31, 1987, if possible, and, if not possible, the lots shall be offered for sale at the next sale in the succeeding year.~~

Sec. 4. Minnesota Statutes 1987 Supplement, section 92.67, subdivision 1, is amended to read:

Subdivision 1. [SALE REQUIREMENT.] Notwithstanding section 92.45 or any other law, at the request of a lessee *or as otherwise provided in this section*, the commissioner of natural resources shall sell state property bordering public waters that is leased for the purpose of a private cabin under section 92.46. Requests for sale must be made prior to ~~July 1, 1991~~ *December 31, 1992*, and the commissioner shall complete all requested sales *and sales arising from those requests* by ~~July 1, 1992~~. ~~The lessee making the request may designate the lesser of \$500 or the lease payment in the year the request is made to be used as part of the down payment~~ *December 31, 1993, subject to section 92.67, subdivision 3, clause (d).* The sale shall be made in accordance with laws providing for the sale of trust fund land except as modified by the provisions of this section.

Sec. 5. Minnesota Statutes 1987 Supplement, section 92.67, subdivision 3, is amended to read:

Subd. 3. [APPRAISERS; ALLOCATION OF APPRAISAL AND SURVEY COSTS.] (a) ~~The~~ *For an appraisal conducted before the effective date of this section*, a lessee requesting the sale may select a person who meets the minimum appraisal standards established by the federal Farmers Home Administration or the federal Veterans Administration to appraise the property to be sold. If more than one lessee of a cabin site lot leased by the commissioner under section 92.46 within a platted area requests the sale of a leased lot, all requesting lessees may jointly agree upon an appraiser. If the lessee or lessees do not select an appraiser, the commissioner of natural resources shall select the appraiser. *An appraisal prepared by a person who meets the minimum appraisal standards established by the Farmers Home Administration or the federal Veterans Administration, but who is not included on the list of appraisers approved by the commissioner of administration for the appraisal of state property, must be reviewed by an appraiser selected by the commissioner of natural resources from the*

*commissioner of administration's list of approved appraisers. If, upon conclusion of this review, the commissioner of natural resources determines that the appraisal under review does not meet state appraisal standards, the commissioner shall reject the appraisal and have the property reappraised by an appraiser selected from the list approved by the commissioner of administration.*

*For appraisals conducted on and after the effective date of this section, all appraisals of lots offered for sale shall be performed by persons selected by the commissioner who are included on the list of appraisers approved by the commissioner of administration for the appraisal of state property. A lessee requesting a sale may recommend to the commissioner a person from the approved list to appraise the property to be sold. The commissioner shall supply the approved list to any lessee upon request.*

(b) The costs of appraisal shall be allocated by the commissioner to the lots offered for sale and the successful bidder on each lot shall reimburse the commissioner for the appraisal costs allocated to the lot bid upon up to \$700 for each lot appraised. If there are no successful bidders on a lot, the commissioner is responsible for the appraisal cost allocated to that lot.

(c) The commissioner shall survey a lot prior to offering it for sale. The commissioner is responsible for the survey cost.

~~(d) The lessee may stop the sale process after the appraisal but before the sale. The lessee must reimburse the commissioner for the cost of the appraisal if the sale is stopped. If a lessee disagrees with the appraised value of the lessee's improvements, the lessee may select an appraiser from the approved list of appraisers to reappraise the improvements. The lessee is responsible for the cost of this reappraisal. If the commissioner and the lessee fail to agree on the value of the improvements within 180 days of the date an appraisal is performed, the commissioner shall offer the lot for sale at a price that incorporates the county assessor's estimated market value of the improvements adjusted by the assessment/sales ratio as determined by the department of revenue.~~

Sec. 6. Minnesota Statutes 1987 Supplement, section 92.67, subdivision 4, is amended to read:

Subd. 4. [TIMING OF SALES.] (a) The commissioner shall offer lake-shore cabin site lots for sale pursuant to written request and in accordance with the following schedule:

(1) as to requests received before January 1, ~~1987~~ 1988, the sale shall be held not later than by October 31, ~~1987~~ 1988, if possible. However, if a lot is not offered for sale by that date, the lot shall be offered for sale at the next sale in the next year;

(2) as to requests received each calendar year after December 31, ~~1986~~ 1987, the sale shall be held in June, July, or August of the year after the request is received;

(3) notwithstanding clause (2), the commissioner may offer a lot for sale in the year the request is received if the commissioner will offer for sale in that year other lots platted with the late requested lot;

(4) notwithstanding clause (2), if more than 50 percent of the lessees in a platted area request by December 31 of a calendar year that their lots be offered for sale, the commissioner shall offer for sale at one time during June, July, or August of the following year all lots in a platted area. If a

lessee, whose lot is located in a plat where more than 50 percent of the lessees request that their lots be offered for sale, requests in writing that the lessee's lot not be offered for sale, the commissioner may not offer the lot for sale until 1993; and

(5) lots that are unsold for any reason at the end of 1993 shall be offered for sale in increments over a period of five years beginning in 1994. Lots that are unsold for any reason at the end of 1998 shall be offered for sale in 1999 and each year thereafter until sold.

(b) ~~The last sales shall be held in 1992.~~ Lots not sold the first year offered may be reoffered in a succeeding year, following reappraisal if it is determined necessary by the commissioner.

(c) If a person other than the lessee purchases the leased lakeshore cabin site, the purchaser must make payment in full to the lessee ~~at the time of the sale, in the manner provided in section 92.06, subdivision 4,~~ for the appraised value of any improvements. Failure of a successful bidder to comply with this provision voids the sale and the property ~~must be rebid, if possible, at the same sale may be reoffered for sale as provided in section 92.06, subdivision 4.~~

Sec. 7. Minnesota Statutes 1986, section 92.67, subdivision 5, is amended to read:

Subd. 5. [TERMS OF SALE.] For the sale of the public lands under this section, the purchaser shall pay the state ten percent of the purchase price at the time of the sale. The balance must be paid in no more than 20 equal annual installments. The interest rate on the remaining balance shall be ~~eight percent per year~~ at the rate in effect at the time of the sale under section 549.09.

Subdivision 1. [REVIEW BY COMMISSIONER.] (a) ~~To the extent mon-~~  
~~eys are from time to time available hereunder,~~ The commissioner may, after review and a favorable recommendation by the state board of education, recommend to the legislature capital loans to school districts. Proceeds of the loans shall be used only for sites for school buildings and for

acquiring, bettering, furnishing, or equipping school buildings under contracts to be entered into within 12 months from and after the date on which each loan is granted. ~~Applications with the accompanying data specified in subdivision 2 shall be filed between October 1 of any year and the following June 1.~~

(b) Any school board ~~which that~~ intends to submit an application for a capital loan shall submit a proposal to the commissioner for review and comment pursuant to section 121.15 *by September 1 of any year*, and the commissioner shall prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. The state board shall not make a favorable recommendation on an application for a capital loan for any facility unless:

(1) the facility receives a ~~favorable~~ *positive* review and comment pursuant to section 121.15; and

(2) the state board determines that

(A) the facilities are needed to replace facilities dangerous to the health and safety of pupils, or to provide for pupils for whom no adequate facilities exist;

(B) the facilities could not be made available through dissolution and attachment of the district to another district or through pairing, interdistrict cooperation, or consolidation with another district, or through the purchase or lease of facilities from existing institutions within the area. The preference of the school district regarding reorganization shall not be a criterion used by the state board in determining whether the facilities could be made available through reorganization;

(C) the facilities are comparable in size and quality to facilities recently constructed in other districts of similar enrollment; and

(D) the district's need for the facilities is comparable to needs ~~which that~~ comparable districts are meeting through local bond issues.

The state board may recommend that the loan be approved in a reduced amount in order to meet the foregoing criteria. If the state board recommends that a loan not be approved, the commissioner shall not recommend approval of the loan. If the state board recommends that the loan be approved in a reduced amount, the commissioner shall not recommend approval of a loan larger than that recommended by the state board.

(c) As part of reviewing an application for a capital loan, the commissioner of education shall prepare estimated yearly repayments by the school district and the estimated amount of principal and interest that may be forgiven after the term of the loan. These estimates shall assume no growth in assessed valuation over the term of the loan, shall assume a ~~16 mill~~ *levy equal to 16 mills times the adjusted assessed value*, and shall be prepared using a methodology approved by the commissioner of finance. The commissioner of education shall use a discount factor provided by the commissioner of finance in determining the present value of the estimated amount of interest and principal which may be forgiven after the term of the loan.

(d) No loan shall be recommended for approval for any district exceeding an amount computed as follows:

(1) The amount ~~voted~~ *requested* by the district under subdivision 2;

(2) Plus the aggregate principal amount of general obligation bonds of the district outstanding on ~~the date of approval~~ *June 30 of the year following the year the application was received*, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less;

(3) Less the maximum net debt permissible for the district ~~on the date of approval~~ *on December 1 of the year the application is received*, under the limitation in section 475.53, subdivision 4, or 24 percent of the *most recent* adjusted assessed value *available at the time of application*, whichever is less; and

(4) Less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4, provided that the loan may be approved in an amount computed as provided in clauses (1) to (3), subject to subsequent reduction in accordance with this clause.

Sec. 8. Minnesota Statutes 1986, section 124.43, subdivision 2, is amended to read:

Subd. 2. [DISTRICT PROCEDURES.] The school board of any district desiring a *capital* loan shall adopt a resolution stating the amount proposed to be borrowed, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the loan is requested will be contracted for and completed. ~~The question of authorizing the borrowing of funds for the facilities shall be submitted to the voters of the district at a regular or special election. The question submitted shall state the total amount to be borrowed from all sources. A majority of those voting on the question shall be sufficient to authorize the district to effect the state loan application and also to issue the bonds on public sale in accordance with chapter 475.~~ Applications for loans shall be accompanied by (a) a copy of the resolution, *and* (b) ~~a certificate by the clerk showing the vote at the election;~~ (c) a certificate by the clerk and treasurer showing the then outstanding indebtedness of the district; ~~and~~ (d) ~~a certificate by the county auditor of each county in which a portion of the district lies showing the information in the auditor's official records which is required to be used in computing the debt limit of the district under section 475.53, subdivision 4.~~ The clerk's and treasurer's certificate shall show, as to each outstanding bond issue, the amount originally issued, the purpose for which issued, the date of issue, the amount remaining unpaid as of the date of the resolution, and the interest rates and due dates and amounts of principal thereon. April 25, 1988

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Robert Vanasek  
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 1963, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S.F. No. 1963 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 375.83, is amended to read:

#### 375.83 [ECONOMIC AND AGRICULTURAL DEVELOPMENT.]

A county board may appropriate not more than \$50,000 annually out of the general revenue fund of the county to be paid to any incorporated development society or organization of this state which, in the board's opinion, will use the money for the best interests of the county in promoting, advertising, improving, or developing the economic and agricultural resources of the county. *The limitation on appropriations in this section does not prohibit accumulation of amounts in excess of \$50,000 in a fund to be used for the purposes of this section. The total amount accumulated in the fund must not exceed \$300,000.*

Sec. 2. Minnesota Statutes 1986, section 410.32, is amended to read:

#### 410.32 [CITIES AUTHORIZED TO ISSUE CAPITAL NOTES FOR CERTAIN EQUIPMENT ACQUISITIONS.]

Notwithstanding any contrary provision of other law or charter, a home rule charter city may, by resolution and without public referendum, issue capital notes subject to the city debt limit to purchase public safety equipment, ambulance and other medical equipment, road construction and maintenance equipment, and other capital equipment having an expected useful life at least as long as the term of the notes. The notes shall be payable in

not more than five years and be issued on terms and in the manner the city determines. The total principal amount of the capital notes issued in a fiscal year shall not exceed one-tenth of one percent of the assessed value of the city for that year. A tax levy shall be made for the payment of the principal and interest on the notes, in accordance with section 475.61, as in the case of bonds. Notes issued under this section shall require an affirmative vote of two-thirds of the governing body of the city. *Unless prohibited by its charter, a home rule charter city may also issue capital notes subject to its debt limit in the manner and subject to the limitations applicable to statutory cities pursuant to section 412.301.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 469.012, subdivision 1, is amended to read:

Subdivision 1. [SCHEDULE OF POWERS.] An authority shall be a public body corporate and politic and shall have all the powers necessary or convenient to carry out the purposes of sections 469.001 to 469.047, except that the power to levy and collect taxes or special assessments is limited to the power provided in sections 469.027 to 469.033. Its powers include the following powers in addition to others granted in sections 469.001 to 469.047:

(3) to delegate to one or more of its agents or employees the powers or duties it deems proper;

(4) within its area of operation, to undertake, prepare, carry out, and operate projects and to provide for the construction, reconstruction, improvement, extension, alteration, or repair of any project or part thereof;

(5) subject to the provisions of section 469.026, to give, sell, transfer, convey, or otherwise dispose of real or personal property or any interest therein and to execute leases, deeds, conveyances, negotiable instruments, purchase agreements, and other contracts or instruments, and take action that is necessary or convenient to carry out the purposes of these sections;

(6) within its area of operation, to acquire real or personal property or any interest therein by gifts, grant, purchase, exchange, lease, transfer, bequest, devise, or otherwise, and by the exercise of the power of eminent domain, in the manner provided by chapter 117, to acquire real property which it may deem necessary for its purposes, after the adoption by it of a resolution declaring that the acquisition of the real property is necessary to eliminate one or more of the conditions found to exist in the resolution adopted pursuant to section 469.003 or to provide decent, safe, and sanitary housing for persons of low and moderate income, or is necessary to carry out a redevelopment project. Real property needed or convenient for a project may be acquired by the authority for the project by condemnation pursuant to this section. This includes any property devoted to a public

use, whether or not held in trust, notwithstanding that the property may have been previously acquired by condemnation or is owned by a public utility corporation, because the public use in conformity with the provisions of sections 469.001 to 469.047 shall be deemed a superior public use. Property devoted to a public use may be so acquired only if the governing body of the municipality has approved its acquisition by the authority. An award of compensation shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance or reconstruction, or proposed assembly, clearance or reconstruction for the purposes of sections 469.001 to 469.047 of the real property in an area;

(7) within its area of operation, and without the adoption of an urban renewal plan, to acquire, by all means as set forth in clause (6) but without the adoption of a resolution provided for in clause (6), real property, and to demolish, remove, rehabilitate, or reconstruct the buildings and improvements or construct new buildings and improvements thereon, or to so provide through other means as set forth in Laws 1974, chapter 228, or to grade, fill, and construct foundations or otherwise prepare the site for improvements. The authority may dispose of the property pursuant to section 469.029, provided that the provisions of section 469.029 requiring conformance to an urban renewal plan shall not apply. The authority may finance these activities by means of the redevelopment project fund or by means of tax increments or tax increment bonds or by the methods of financing provided for in section 469.033 or by means of contributions from the municipality provided for in section 469.041, clause (9), or by any combination of those means. Real property with buildings or improvements thereon shall only be acquired under this clause when the buildings or improvements are substandard. The exercise of the power of eminent domain under this clause shall be limited to real property which contains buildings and improvements which are vacated and substandard. For the purpose of this clause, substandard buildings or improvements mean hazardous buildings as defined in section 463.15, subdivision 3, or buildings or improvements that are dilapidated or obsolescent, faultily designed, lack adequate ventilation, light, or sanitary facilities, or any combination of these or other factors that are detrimental to the safety or health of the community;

(8) within its area of operation, to determine the level of income constituting low or moderate family income. The authority may establish various income levels for various family sizes. In making its determination, the authority may consider income levels that may be established by the federal housing administration or a similar or successor federal agency for the purpose of federal loan guarantees or subsidies for persons of low or moderate income. The authority may use that determination as a basis for the maximum amount of income for admissions to housing development projects or housing projects owned or operated by it;

(9) to provide in federally assisted projects any relocation payments and assistance necessary to comply with the requirements of the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and any amendments or supplements thereto;

(11) to cooperate with or act as agent for the federal government, the

state or any state public body, or any agency or instrumentality of the foregoing, in carrying out any of the provisions of sections 469.001 to 469.047 or of any other related federal, state, or local legislation; and upon the consent of the governing body of the city to purchase, lease, manage, or otherwise take over any housing project already owned and operated by the federal government;

(12) to make plans for carrying out a program of voluntary repair and rehabilitation of buildings and improvements, and plans for the enforcement of laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements, and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements. The authority may develop, test, and report methods and techniques, and carry out demonstrations and other activities for the prevention and elimination of slums and blight;

(13) to borrow money or other property and accept contributions, grants, gifts, services, or other assistance from the federal government, the state government, state public bodies, or from any other public or private sources;

(14) to include in any contract for financial assistance with the federal government any conditions that the federal government may attach to its financial aid of a project, not inconsistent with purposes of sections 469.001 to 469.047, including obligating itself (which obligation shall be specifically enforceable and not constitute a mortgage, notwithstanding any other laws) to convey to the federal government the project to which the contract relates upon the occurrence of a substantial default with respect to the covenants or conditions to which the authority is subject; to provide in the contract that, in case of such conveyance, the federal government may complete, operate, manage, lease, convey, or otherwise deal with the project until the defaults are cured if the federal government agrees in the contract to reconvey to the authority the project as then constituted when the defaults have been cured;

(15) to issue bonds for any of its corporate purposes and to secure the bonds by mortgages upon property held or to be held by it or by pledge of its revenues, including grants or contributions;

(18) to carry out studies of the housing and redevelopment needs within its area of operation and of the meeting of those needs. This includes study of data on population and family groups and their distribution according to income groups, the amount and quality of available housing and its distribution according to rentals and sales prices, employment, wages, desirable patterns for land use and community growth, and other factors affecting the local housing and redevelopment needs and the meeting of those needs; to make the results of those studies and analyses available to the public and to building, housing, and supply industries;

(19) if a local public body does not have a planning agency or the planning

agency has not produced a comprehensive or general community development plan, to make or cause to be made a plan to be used as a guide in the more detailed planning of housing and redevelopment areas;

(20) to lease or rent any dwellings, accommodations, lands, buildings, structures, or facilities included in any project and, subject to the limitations contained in sections 469.001 to 469.047 with respect to the rental of dwellings in housing projects, to establish and revise the rents or charges therefor;

(27) to recommend to the city concerning the enforcement of the applicable health, housing, building, fire prevention, and housing maintenance code requirements as they relate to residential dwelling structures that are being rehabilitated by low or moderate income persons pursuant to section 469.029, subdivision 9; for the period of time necessary to complete the rehabilitation, as determined by the authority; and

(28) to recommend to the city the initiation of municipal powers, against certain real properties, relating to repair, closing, condemnation, or demolition of unsafe, unsanitary, hazardous, and unfit buildings, as provided in section 469.041, clause (5).

Sec. 4. Minnesota Statutes 1987 Supplement, section 469.015, subdivision 4, is amended to read:

Subd. 4. [EXCEPTION; CERTAIN PROJECTS.] An authority need not require either competitive bidding or performance bonds in the case of a contract for the acquisition of a low rent housing project for which financial assistance is provided by the federal government, and which does not require any direct loan or grant of money from the municipality as a condition of the federal financial assistance, and where the contract provides for the

construction of such a project upon land not owned by the authority at the time of the contract, or owned by the authority for redevelopment purposes, and provides for the conveyance or lease to the authority of the project or improvements upon completion of construction. *In exercising, pursuant to any general or special law, any power under chapter 469, an authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, a development and financed with the proceeds of tax increment or parking ramp revenue bonds. An authority need not require competitive bidding in the case of a housing development project that (1) is financed with the proceeds of bonds secured by the project and to which the full faith and credit of the authority is not pledged; (2) is located on land owned by the authority; (3) is constructed or rehabilitated under agreements with a developer for the construction of the project, guarantee of the bonds, and management of the property; and (4) is found by the authority to require negotiation rather than use of a competitive bidding procedure to be economical and feasible.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 469.071, is amended by adding a subdivision to read:

*Subd. 5. [EXCEPTION; PARKING FACILITIES.] Notwithstanding section 469.068, the Bloomington port authority need not require competitive bidding with respect to a structured parking facility constructed in conjunction with, and directly above or below, or adjacent and integrally related to, a development and financed with the proceeds of tax increment or revenue bonds.*

Sec. 6. Minnesota Statutes 1987 Supplement, section 469.155, subdivision 12, is amended to read:

The municipality may issue revenue bonds to refund, in whole or in part, bonds previously issued by any other municipality or redevelopment agency on behalf of an organization described in section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1986, under authority of sections 474.01 to 474.13, and interest on them, but only with the consent of the original issuer of such bonds. The municipality may issue and sell warrants which give to their holders the right to purchase refunding bonds issuable under this subdivision prior to a stipulated date. The warrants are not required to be sold at public sale and all or any agreed portion of the proceeds of the warrants may be paid to the contracting party under the revenue agreement required by subdivision 5 or to its designee under the conditions the municipality shall agree upon. Warrants shall not be issued which obligate a municipality to issue refunding bonds that are or will be subject to federal tax law as defined in section 474A.02, subdivision 8. The warrants may provide a stipulated exercise price or a price that depends on the tax exempt status of interest on the refunding bonds at the time of issuance. The average interest rate on refunding bonds issued to refund fixed rate bonds shall not exceed the average interest rate on fixed rate bonds to be refunded. The municipality may appoint a bank or trust company to serve as agent for the warrant holders and enter into agreements deemed necessary or incidental to the issuance of the warrants.*

Sec. 7. [469.1651] [REVENUE ANTICIPATION NOTES FOR HOSPITALS.]

*Subdivision 1. [AUTHORIZATION.] Prior to August 1, 1990, a municipality may issue and sell, at public or private sale, negotiable notes or certificates of indebtedness, as provided in this section and lend the proceeds to nonprofit hospitals in anticipation of revenues or state and federal aids payable to the hospitals within one year after the date of issue of the notes or certificates of indebtedness. The principal amount of the notes or certificates shall not exceed 75 percent of the accounts receivable and third-party reimbursement payments payable to the hospital as of a date within 45 days of the date of issuance. While notes or certificates issued under this section on behalf of a hospital are outstanding, additional notes or certificates shall not be issued unless, for the period of 30 consecutive days immediately preceding the date of issuance, the amount of outstanding notes and certificates was less than six percent of the hospital's gross revenues for the preceding fiscal year.*

*The municipality need not comply with the procedures set forth in sections 469.152 to 469.165 in the issuance of notes or certificates of indebtedness pursuant to this section, but the municipality shall comply with sections 469.152 to 469.165 at the time of issuance of the refunding obligations if long-term obligations are issued to refund notes or certificates of indebtedness issued pursuant to this section.*

*Subd. 2. [REVENUE AGREEMENT.] No notes or certificates of indebtedness shall be issued pursuant to this section unless the municipality has entered into a revenue agreement with a qualifying hospital providing for payment by the hospital of all principal of and interest on the notes or certificates of indebtedness when they become due and payable, together with any expenses and fees of the municipality incurred in connection with the notes or their issuance. Notes and certificates of indebtedness issued under authority of this section do not, and shall state that they do not, represent or constitute a debt or pledge of the faith and credit of the municipality or the state of Minnesota, or grant to their owners or holders any right to have the municipality or state levy any taxes or appropriate any funds for the payment of their principal or interest on them. The notes or certificates are payable and shall state that they are payable solely from the revenues and other property, income, accounts, charges, and money that are pledged for their payment in accordance with the proceedings authorizing their issuance.*

*Subd. 3. [ENABLING RESOLUTION; FORM OF CERTIFICATES.] The municipality may authorize and effect the borrowing and issue the notes or certificates of indebtedness authorized by this section upon passage of a resolution specifying the amount and purposes of the borrowing. The municipality shall fix the amount, date, maturity, form, denomination, and other details of the notes or certificates of indebtedness, consistent with this section, and shall fix the date and place for the receipt of bids for their purchase, if the notes or certificates of indebtedness are to be sold by public sale.*

*Subd. 4. [REPAYMENT; MATURITY DATE; INTEREST.] The proceeds of revenues and future state and federal aid and other funds of the hospital which may become available shall be applied to the extent necessary to repay the notes or certificates of indebtedness. The full faith and credit of the hospital, or any other lawfully pledged security of the hospital, as*

*deemed necessary by the municipality, shall be pledged to their payment. Notes or certificates of indebtedness issued pursuant to this section shall mature not later than 13 months after the date of issue. The notes or certificates shall be sold at such price as the municipality may agree. The notes or certificates shall bear interest after maturity until paid at the rate they bore before maturity. Any interest accruing before or after maturity shall be paid from any available funds of the hospital.*

*Any note or certificate of indebtedness issued pursuant to this section may be issued giving its owner the right to tender, or the municipality or the hospital to demand tender of, the obligation to the municipality or the hospital or another person designated by either of them, for purchase at a specified time or times. The note or certificate of indebtedness shall not be deemed to mature on any tender date, and the purchase of a tendered note or certificate shall not be deemed a payment or discharge of the note or certificate. Notes or certificates of indebtedness tendered for purchase may be remarketed by or on behalf of the municipality or any other purchaser. The municipality or the hospital may enter into agreements deemed appropriate to provide for the purchase and remarketing of tendered notes or certificates of indebtedness, including provisions under which undelivered obligations may be deemed tendered for purchase and new obligations may be substituted for them, provisions for the payment of charges of tender agents, remarketing agents, and financial institutions extending lines of credit or letters of credit assuring repurchase, and for reimbursement of advances under letters of credit, which charges and reimbursements shall be paid by the hospital.*

*Any notes or certificates of indebtedness issued pursuant to this section may bear interest at a rate varying periodically at the time or times and on the terms, including convertibility to a fixed rate of interest, determined by the governing body of the municipality.*

*Subd. 5. [TRUST AGREEMENT.] Any notes or certificates of indebtedness issued under this section may be secured by a trust agreement between the municipality and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the state. The trust agreement or the resolution providing for the issuance of the notes or certificates may pledge or assign the revenues to be received, the proceeds of any contracts pledged, and any other property pledged by the hospital or proceeds from it. The trust agreement or resolution providing for the issuance of the notes or certificates may contain reasonable provisions to protect and enforce the rights and remedies of the holders of the notes or certificates. Any bank or trust company incorporated under the laws of the state that may act as depository of the proceeds of notes or certificates or of revenues or other moneys may furnish the indemnifying bonds or pledge the securities that may be required by the municipality. The trust agreement may set forth the rights and remedies of the holders of the notes or certificates and of the trustee and may restrict the individual right of action by holders of the notes or certificates. The trust agreement or resolution may contain any other provisions that the municipality deems reasonable for the security of the holders of the notes or certificates. All expenses incurred in carrying out the provisions of the trust agreement or resolution shall be paid by the hospital.*

*Subd. 6. [REPORT.] Within 30 days after issuance of notes or certificates under this section, a municipality must report to the commissioner of health on the issuance. The report must include the name and location of the*

*institution, the principal amount of the note or certificate, and its maturity date.*

Sec. 8. Minnesota Statutes 1987 Supplement, section 474A.04, subdivision 6, is amended to read:

Subd. 6. [ENTITLEMENT TRANSFERS.] An entitlement issuer may enter into an agreement with another entitlement issuer whereby the recipient entitlement issuer issues obligations pursuant to bonding authority allocated to the original entitlement issuer under this section. *An entitlement issuer may enter into an agreement with an issuer which is not an entitlement issuer whereby the recipient issuer issues qualified mortgage bonds, up to \$100,000 of which are issued pursuant to bonding authority allocated to the original entitlement issuer under this section. The agreement may be approved and executed by the mayor of the entitlement issuer with or without approval or review by the city council.*

Sec. 9. Minnesota Statutes 1987 Supplement, section 475.54, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, 5a, 15 or ~~5b~~ 17, or as expressly authorized in another law, all obligations of each issue shall mature or be subject to mandatory sinking fund redemption in installments, the first not later than three years and the last not later than 30 years from the date of the issue. No amount of principal of the issue payable in any calendar year shall exceed five times the amount of the smallest amount payable in any preceding calendar year ending three years or more after the issue date.

Sec. 10. Minnesota Statutes 1986, section 475.54, is amended by adding a subdivision to read:

*Subd. 17. Obligations payable primarily from a source other than ad valorem taxes may mature at any time or times within 30 years after the date of issue, if the governing body estimates that the primary source of payment is sufficient to pay when due the principal of and interest on the obligations and if the primary source of payment is irrevocably appropriated to payment of the obligations.*

Sec. 11. Minnesota Statutes 1986, section 475.60, subdivision 3, is amended to read:

Subd. 3. [PUBLISHED NOTICE.] Published notice, where required, shall specify the maximum principal amount of the obligations, the place of receipt and consideration of bids and such other details as to the obligations and terms of sale as the governing body deems suitable. The published notice shall either specify the date and time for receipt of bids or provide that the bids will be received at a date and time not less than ten nor more than ~~45~~ 60 days after the date of publication. If the published notice does not state the specific date ~~and~~ or amount for the sale, it shall specify the manner in which notice of the date ~~and~~ or amount of the sale will be given to prospective bidders. Notification of prospective bidders shall be given by electronic data transmission or other form of communication common to the municipal bond trade at least four days (omitting Saturdays, Sundays, and legal holidays) before the date for receipt of bids. If within five days after the date of publication a prospective bidder requests in writing to be notified by mail, the municipality shall do so. Failure to give the notice as described in the preceding sentence to a bidder shall not affect the validity of the sale or of the obligations. The governing body

may employ an agent to receive and open the bids at any place within or outside the corporate limits of the municipality, in the presence of an officer of the municipality, but the obligations shall not be sold except by action of the governing body or authorized officers of the municipality after communication of the bids to them. At the time and place so fixed, the bids shall be opened and the offer complying with the terms of sale and deemed most favorable shall be accepted, but the governing body may reject any and all such offers, in which event, or if no offers have been received, it may award the obligations to any person who within 30 days thereafter presents an offer complying with the terms of sale and deemed more favorable than any received previously, or upon like notice the governing body may invite other bids upon the same or different terms and conditions, *except that if the original published notice does not state the specific date or amount for the sale and if the material terms and conditions of the sale remain the same, except for the date and amount, notice of the date or amount may be given in the manner provided above.*

Sec. 12. Minnesota Statutes 1987 Supplement, section 475.66, subdivision 3, is amended to read:

The securities representing any such investment may be sold or hypothecated by the municipality at any time, but the money so received remains a part of the fund until used for the purpose for which the fund was created.

Sec. 13. Minnesota Statutes 1987 Supplement, section 475.67, subdivision 12, is amended to read:

Subd. 12. In the refunding of general obligations, for which the full faith and credit of the issuing municipality has been pledged, the following additional conditions shall be observed: each such obligation, if repayable, shall be called for redemption prior to its maturity in accordance with its terms no later than either (i) the earliest date on which it may be redeemed without payment of any premium, or (ii) if the obligation is only prepayable with payment of a premium, on the earliest date on which it may be redeemed with payment of the least premium required by its terms. No refunding obligations

shall be issued and sold more than six months before the refunded obligations mature or are called for redemption in accordance with their terms, unless either (i) as a result of the refunding the average life of the maturities is extended at least three years or (ii) as of the nominal date of the refunding

For purposes of this subdivision, the present value of the dollar amount of debt service means the dollar amount of debt service to be paid, discounted to the nominal date of the refunding obligations at a rate equal to the yield on the refunding obligations. Expenses of the refunding include the amount, if any, in excess of the proceeds of the refunding obligations or the principal amount of obligations to be refunded, whichever is the greater, which is required to be deposited in escrow to provide cash and purchase securities sufficient to retire the refunded obligations and unaccrued interest thereon in accordance with subdivision 6; charges of the escrow agent and of the paying agent for the refunding obligations; and expenses of printing and publications and of fiscal, legal, or other professional service necessarily incurred in the issuance of the refunding obligations.

Sec. 14. Minnesota Statutes 1986, section 475.67, subdivision 13, is amended to read:

Subd. 13. Crossover refunding obligations may be issued by a municipality without regard to the limitations in subdivisions 4 to 10. The proceeds of crossover refunding obligations, less any proceeds applied to payment of the costs of their issuance, shall be deposited in a debt service fund irrevocably appropriated to the payment of principal of and interest on the refunding obligations until the date the proceeds are applied to payment of the obligations to be refunded. The debt service fund shall be maintained as an escrow account with a suitable financial institution within or without the state and amounts in it shall be invested in securities described in subdivision 8 *or in an investment contract or similar agreement with a bank or insurance company meeting the requirements of section 475.66, subdivision 3, clause (f)*. Excess proceeds, if any, of the tax levy pursuant to section 475.61, subdivision 1, made with respect to the obligations to be refunded, and any other available amounts, may be deposited in the escrow account. In the resolution authorizing the issuance of crossover refunding obligations, the governing body may pledge to their payment any source of payment of the obligations to be refunded. *The resolution may provide that the refunding obligations are payable solely from the escrow account prior to the date scheduled for payment of the obligations to be refunded and that the obligations to be refunded shall not be discharged if the amounts on deposit in the escrow account on that date are insufficient.* Subdivisions 11 and 12 shall not apply to any crossover refunding obligations, or the obligations to be refunded. Subject to section 475.61, subdivision 3, in the case of general obligation bonds, taxes shall be levied pursuant to section 475.61 and appropriated to the debt service fund in the amounts needed, together with estimated investment income of the debt service fund and any other revenues available upon discharge of the obligations refunded, to pay when due the principal of and interest on the refunding obligations. The levy so imposed may be reduced by earnings to be received from investments on hand in the debt service fund to the

extent the applicable recording officer certifies to the county auditor that the earnings are expected to be received in amounts and at such times as to be sufficient, together with the remaining levy, to satisfy the purpose of the levy requirements under section 475.61.

**Sec. 15. [COUNTIES AND CITIES; PAY EQUITY COMPLIANCE.]**

*Subdivision 1. [1988 REPORT.] A home rule charter or statutory city or county, referred to in this section as a "governmental subdivision," that employs ten or more people and that did not submit a report according to Minnesota Statutes, section 471.998, shall submit the report by October 1, 1988, to the commissioner of employee relations.*

*The plan for implementing equitable compensation for the employees must provide for complete implementation not later than December 31, 1991, unless a later date has been approved by the commissioner. If a report was filed before October 1, 1987, and had an implementation date after December 31, 1991, the date in the report shall be approved by the commissioner. The plan need not contain a market study.*

*Subd. 2. [PENALTY FOR NONCOMPLIANCE.] Notwithstanding Minnesota Statutes, sections 275.50 to 275.56, for taxes levied in 1988, payable in 1989 only, a governmental subdivision that does not submit the report required in subdivision 1 shall be subject to the levy limits provided in subdivisions 3 to 5.*

*Subd. 3. [CITIES.] For a home rule charter or statutory city, the levy limit base for taxes payable in 1989 is the sum of (1) the city's total levy for taxes payable in 1988, excluding the amount levied in that year for debt service and the amount for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); and (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the home rule charter or statutory city multiplied by 103 percent is the city's levy limit base for taxes payable in 1989. The payable 1989 levy limitation for the city shall be equal to the levy limit base determined under this section reduced by the aids for 1989 enumerated in Minnesota Statutes, section 275.51, subdivision 3i.*

*Subd. 4. [COUNTIES.] For a county, the levy limit base for taxes payable in 1989 is the sum of (1) the county's total levy for taxes payable in 1988, excluding the amount levied in that year for (i) debt service; (ii) levied for unfunded accrued pension liabilities under Laws 1987, chapter 268, article 5, section 12, subdivision 4, clause (2); (iii) income maintenance programs except for the administrative costs associated with those programs; and (iv) social services programs, including the administrative costs associated with those programs, plus (2) the amount received in 1988 as described in Minnesota Statutes, section 275.51, subdivision 3i. This sum shall be increased by a percentage equal to the greater of the percentage increases in population or in number of households, if any, for the most recent 12-month period for which data is available, using figures derived under Minnesota Statutes, section 275.51, subdivision 6. The resulting amount for the county multiplied by 103 percent is the county's levy limit base for taxes payable in 1989. The payable 1989 levy limitation for the county shall be equal to the levy limit base determined under this section reduced*

by the aids for 1989 enumerated in section 275.51, subdivision 3i.

*Subd. 5. [EXCEPTIONS.] For taxes payable in 1989, the amounts levied for the following costs are not subject to the limitation under subdivision 3 or 4:*

*(1) levies for debt service;*

*(2) levies for unfunded accrued pension liabilities as specified in Minnesota Statutes, section 275.50, subdivision 5, clause (o);*

*(3) levies for income maintenance programs, net of any aid payments received under Minnesota Statutes, section 273.1397, and excluding the administrative costs associated with those programs; and*

*(4) levies for social service programs including the administrative costs associated with those programs.*

*The amount levied by the county for taxes payable in 1989 to pay the costs of programs described in clauses (3) and (4) of this subdivision shall be subject to the percentage limitations provided in Minnesota Statutes, section 275.50, subdivision 5, clause (d).*

*Subd. 6. [PENALTY FOR FAILURE TO IMPLEMENT PLAN.] If the commissioner of employee relations finds, after notice and consultation with a governmental subdivision, that it has failed to implement its plan for implementing equitable compensation by December 31, 1991, or the later date approved by the commissioner the aid that would otherwise be payable to that governmental subdivision under Minnesota Statutes, sections 477A.011 to 477A.014 in calendar year 1992 shall be reduced by five percent; provided that the reduction in aid shall apply to the first calendar year beginning after the date for implementation of the plan of a governmental subdivision for which the commissioner of employee relations has approved an implementation date later than December 31, 1991. The commissioner may waive the penalty upon making a finding that the failure to implement was attributable to circumstances beyond the control of the governmental subdivision or to severe hardship.*

**Sec. 16. [RAMSEY-WASHINGTON METRO WATERSHED DISTRICT ADMINISTRATIVE FUND.]**

The board of managers shall, in other respects, make the levy for the administrative fund in accordance with Minnesota Statutes, section 112.611.*

**Sec. 17. [PORT AUTHORITY.]**

*Each of the cities of Cannon Falls and Redwood Falls may, by adoption of an enabling resolution in compliance with the procedural requirements of section 19, establish a port authority commission that, subject to section 18, has the same powers as a port authority established under Minnesota Statutes, section 458.09, or other law, and a housing and redevelopment authority established under Minnesota Statutes, chapter 462, or other law, and is an agency that may administer one or more municipal development districts under Minnesota Statutes, section 472A.10. April 25, 1988

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 2008, report that we have agreed upon the items in dispute and recommend as follows:

That the House concur in the Senate amendment and that H.F. No. 2008 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 10A.15, is amended by adding a subdivision to read:

*Subd. 3b. [BY INDIVIDUAL MEMBERS OF POLITICAL FUND OR COMMITTEE.] Contributions made to a candidate or principal campaign committee by individual members of a political fund or committee that are solicited by the political fund or committee must be reported as attributable to the political fund or committee and count toward the contribution limits of that fund or committee specified in section 10A.27, if the political fund or committee was organized primarily to solicit or direct the contributions of its members and to influence the nomination or election of a candidate. The term “individual members” as used in this subdivision means a person or entity who in any manner participates in or in any manner contributes financially or otherwise to the activities of the political fund or committee.*

Sec. 2. Minnesota Statutes 1986, section 10A.25, subdivision 10, is amended to read:

Subd. 10. The expenditure limits imposed by this section apply only to candidates whose opponents agree to be bound by the limits and who themselves agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns in the form of:

- (a) An allocation of money from the state elections campaign fund; or
- (b) ~~Credits against the tax due of individuals who contribute to that candidate.~~

*A candidate who agrees to be bound by the limits and receives a public subsidy, who has an opponent who does not agree to be bound by the limits but is otherwise eligible to receive a public subsidy, is no longer bound by the limits but is still eligible to receive a public subsidy.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 10A.255, subdivision 1, is amended to read:

Subdivision 1. [METHOD OF CALCULATION.] The dollar amounts provided in section 10A.25, subdivision 2, must be adjusted for general election years as provided in this section. By June 1 of the general election

year, the executive director of the board shall determine the percentage increase in the consumer price index from December of the year preceding the *last* general election year to December of the year preceding the year in which the determination is made. The dollar amounts used for the preceding general election year must be multiplied by that percentage. The product of the calculation must be added to each dollar amount to produce the dollar limitations to be in effect for the next general election. The product must be rounded up to the next highest whole dollar. The index used must be the revised consumer price index for all urban consumers for the St. Paul-Minneapolis metropolitan area prepared by the United States Department of Labor with ~~1967~~ 1982 as a base year.

Sec. 4. Minnesota Statutes 1987 Supplement, section 10A.32, subdivision 3, is amended to read:

Subd. 3. As a condition of receiving any money from the state elections campaign fund, a candidate shall agree by stating in writing to the board that (a) the candidate's expenditures and approved expenditures shall not exceed the expenditure limits as set forth in section 10A.25 and that (b) *except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000*, the candidate shall not accept contributions or allow approved expenditures to be made on the candidate's behalf for the period beginning with January 1 of the election year or with the registration of the candidate's principal campaign committee, whichever occurs later, and ending December 31 of the election year, which aggregate contributions and approved expenditures exceed the difference between the amount in excess of 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, which may legally be expended by or for the candidate, and the amount which the candidate receives from the state elections campaign fund. The agreement, insofar as it relates to the expenditure limits set forth in section 10A.25, remains effective until the dissolution of the principal campaign committee of the candidate or the opening of filings for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first. Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought shall be considered contributions accepted by that candidate in that year for the purposes of this subdivision. That amount of all contributions accepted by a candidate in an election year which equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question which are made by that candidate in that year shall not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision. *Except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000*, any amount by which the aggregate contributions and approved expenditures agreed to under clause (b) exceed the difference shall be returned to the state treasurer in the manner provided in subdivision 2. In no case shall the amount returned exceed the amount received from the state elections campaign fund.

The candidate may submit the signed agreement to the filing officer on the day of filing the affidavit of candidacy or petition to appear on the ballot, or to the board no later than September 1.

The board prior to the first day of filing for office shall forward forms for the agreement to all filing officers. The filing officer shall without delay forward signed agreements to the board. An agreement may not be rescinded

after September 1.

*Before the first day of filing for office, the board shall also forward a copy of section 2 to all filing officers. Before September 1, the filing officer shall provide a copy of section 2 to each candidate who files an affidavit of candidacy or whose name is to appear on the ballot by petition.*

For the purposes of this subdivision only, the total amount to be distributed to each candidate is calculated to be the candidate's share of the total estimated funds in the candidate's party account as provided in subdivision 3a, plus the total amount estimated as provided in subdivision 3a to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the amount actually received by the candidate is greater than the candidate's share of the estimate, and the contributions thereby exceed the difference, the agreement shall not be considered violated.

Sec. 5. [REPEALER.]

*Minnesota Statutes 1986, section 10A.32, subdivision 3b, is repealed.*

Sec. 6. [EFFECTIVE DATE.]

*Sections 1 to 5 are effective the day following final enactment."*

Delete the title and insert:

"A bill for an act relating to elections; clarifying certain public campaign financing limits; amending Minnesota Statutes 1986, sections 10A.15, by adding a subdivision; and 10A.25, subdivision 10; Minnesota Statutes 1987 Supplement, sections 10A.255, subdivision 1; and 10A.32, subdivision 3; repealing Minnesota Statutes 1986, section 10A.32, subdivision 3b."

The deduction is allowed beginning in the first taxable year after the entire allowable deduction for the property has been allowed under federal law or the first taxable year beginning after December 31, 1987, whichever is later. The amount of the deduction is computed by deducting the amount added to federal adjusted gross income in computing Minnesota gross income (less any deduction allowed under Minnesota Statutes 1986, section 290.01, subdivision 20f) in equal annual amounts over five years.*

*(b) In the event of a sale or exchange of the property, a deduction is allowed equal to the lesser of (1) the remaining amount that would be allowed as a deduction under paragraph (a) or (2) the amount of capital gain recognized and the amount of cost recovery deductions that were subject to recapture under sections 1245 and 1250 of the Internal Revenue Code of 1986 for the taxable year.*

*(c) In the case of a corporation electing S corporation status under section 1362 of the Internal Revenue Code, the amount of the corporation's cost recovery allowances that have been deducted in computing federal tax, but have been added to federal taxable income or not deducted in computing tax under this chapter as a result of the application of subdivision 19e, paragraphs (a) and (c) or Minnesota Statutes 1986, section 290.09, subdivision 7 is allowed as a deduction to the shareholders under the provisions of paragraph (a).*

in the same way as the tax imposed under section 402(e) of the Internal Revenue Code of 1986, as amended through December 31, 1986, except that the initial separate tax shall be an amount equal to five times the tax which would be imposed by section 290.06, subdivision 2c, if the recipient was an unmarried individual, and the taxable net income was an amount equal to one-fifth of the excess of

(i) the total taxable amount of the lump sum distribution for the year, over

(ii) the minimum distribution allowance, and except that references in section 402(e) of the Internal Revenue Code of 1986, as amended through December 31, 1986, to paragraph (1)(A) thereof shall instead be references to subdivision 1, *and the excess, if any, of the subtraction base amount over federal taxable income for a qualified individual as provided under section 290.0802, subdivision 2.*

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

The numerator of the fraction under paragraph (e) is the individual's Minnesota source federal adjusted gross income reduced by the income not subject to Minnesota tax and the denominator is the federal adjusted gross income.*

Sec. 8. Minnesota Statutes 1986, section 290.06, is amended by adding a subdivision to read:

*Subd. 22. [CREDIT FOR TAXES PAID TO ANOTHER STATE.] (a) A taxpayer who is liable for taxes on or measured by net income to another state or province or territory of Canada, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state or province or territory of Canada if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7a, clause (b) and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.*

*(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state or province or territory of Canada that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section*

62 of the Internal Revenue Code of 1986, as amended through December 31, 1987, to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, paragraph (a), the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state or province or territory of Canada by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state or province or territory of Canada on the gross income earned within the other state or province or territory of Canada subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state or province or territory of Canada on the lump sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state or province or territory of Canada on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state or province or territory of Canada. The taxpayer must submit sufficient proof to show entitlement to a credit.

Sec. 9. Minnesota Statutes 1986, section 290.067, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF CREDIT.] A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2.

*In the case of nonresident or part-year resident, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.*

The excess of the subtraction base amount over federal taxable income may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

(i) \$10,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

(ii) \$8,000 for a single taxpayer, and

(iii) \$5,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

(i) \$15,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,

(ii) \$12,000 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and

(iii) \$7,500 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

Subd. 3. [RESTRICTIONS; MARRIED COUPLES.] Except in the case of a husband and wife who live apart at all times during the taxable year, if the taxpayer is married at the close of the taxable year, the subtraction under subdivision 2 is allowable only if the taxpayers file joint federal and state income tax returns for the taxable year.

Sec. 11. Minnesota Statutes 1987 Supplement, section 290.081, is amended to read:

290.081 [INCOME OF NONRESIDENTS, RECIPROCITY; CREDIT FOR TAXES PAID TO ANOTHER STATE.]

(a) The compensation received for the performance of personal or professional services within this state by an individual whose residence, place of abode, and place customarily returned to at least once a month is in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of residence; provided that

such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein; or.

(b) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state or a province or territory of Canada upon, if the taxpayer is an individual, or if the taxpayer is an athletic team and all of the team's income is apportioned to Minnesota, any income, or if it is a corporation, estate, or trust, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter the taxpayer shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to the taxpayer's entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or territory of Canada and subject to taxation under this chapter; and (2) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7a, clause (2), and is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(c) The commissioner shall by rule determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply. As long as the provisions of clause (a) apply between Minnesota and Wisconsin, the provisions of clause (a) shall apply to any individual who is domiciled in Wisconsin.

(d) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed; provided that such tax is actually paid in that taxable year, or subsequent taxable years.

For purposes of clause (b), where a Minnesota resident reported an item of income to Minnesota and is assessed tax in another state or a province or territory of Canada on that same item of income after the Minnesota statute of limitations has expired, the taxpayer shall be allowed to receive a credit for that year based on clause (b), notwithstanding the provisions of sections 290.49, 290.50, and 290.56. For purposes of the preceding sentence, the burden of proof shall be on the taxpayer to show entitlement to a credit.

(e) (c) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years

beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chair. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that the person will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

Sec. 12. Minnesota Statutes 1987 Supplement, section 290.17, subdivision 2, is amended to read:

Subd. 2. [INCOME NOT DERIVED FROM CONDUCT OF A TRADE OR BUSINESS.] The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from labor or personal or professional services is assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources is treated as income from sources without this state.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota; and

(ii) The amount of income to be assigned to Minnesota for an individual

who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident from the United States, its agencies or instrumentalities, the Federal Reserve Bank, the state of Minnesota or any of its political or governmental subdivisions, or a Minnesota volunteer firefighters' relief association, by way of payment as a pension, public employee retirement benefit, or any combination of these, or as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 408, or 409, or as defined in section 403(b) or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1986, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

(c) Except upon the sale of a partnership interest *or the sale of stock of an "S" corporation*, income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

*Gain on the sale of stock held in an "S" corporation is allocable to this state in the ratio of the original cost of tangible property of the "S" corporation within this state to the original cost of tangible property of the "S" corporation everywhere.*

(d) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state.

(e) Income from winnings on Minnesota pari-mutuel betting tickets *and lawful gambling as defined in section 349.12, subdivision 2, conducted within the boundaries of the state of Minnesota* shall be assigned to this state.

(f) All items of gross income not covered in paragraphs (a) to (e) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

Sec. 13. Minnesota Statutes 1987 Supplement, section 290.38, is amended to read:

290.38 [RETURNS OF MARRIED PERSONS.]

A husband and wife must file a joint Minnesota income tax return if they filed a joint federal income tax return. If a joint return is made the tax shall be computed on the aggregate income and the liability with respect to the tax shall be joint and several; *provided that a spouse who is relieved of a liability attributable to a substantial underpayment under section 6013(e) of the Internal Revenue Code of 1986, as amended through December 31, 1987, shall also be relieved of the state tax liability on the substantial underpayment.* If the husband and wife have elected to file separate federal income tax returns they must file separate Minnesota income tax returns. This election to file a joint or separate returns must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, such change shall be done in the manner and on such form as the commissioner shall prescribe by rule.

The determination of whether an individual is married shall be made under provisions of section 7703 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

Sec. 14. Minnesota Statutes 1986, section 290.39, is amended by adding a subdivision to read:

*Subd. 5. [PARTNERSHIPS; NONRESIDENT PARTNERS.] (a) The commissioner may allow a partnership with five or more nonresident partners to file a composite return on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, social security numbers, income allocation, and tax liability for all nonresident partners electing to be covered by the composite return.*

*(b) The computation of each partner's tax liability will be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.*

*(c) The partnership must submit a request to use this composite return filing method for nonresident partners on or before the due date for filing the individual income tax return. The request may be made a part of the return filed.*

*(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The penalty for failure to file a return as provided in section 290.53, subdivision 2, is assessed from the due date for filing a return until a non-composite return is filed. The tax paid for such an individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return constitutes a return for purposes of subdivision 1 of this section.*

*(e) This subdivision does not preclude the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 290.93. However, a composite estimate may be filed in a manner similar to and containing the same information required under*

paragraph (a).

(f) *If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under section 290.37, subdivision 1, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.*

(g) *The election provided in this subdivision is not available to any partner other than a full-year nonresident individual who has no other Minnesota source income.*

(h) *A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this subdivision. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to each shareholder.*

(i) *Estates and trusts distributing current income only and the nonresident individual beneficiaries of such estates or trusts may make an election under this subdivision. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to each beneficiary.*

Sec. 15. Minnesota Statutes 1987 Supplement, section 290.41, subdivision 2, is amended to read:

Subd. 2. [BY PERSONS, CORPORATIONS, COOPERATIVES, GOVERNMENTAL ENTITIES OR SCHOOL DISTRICTS.] To the extent required by section 6041 of the Internal Revenue Code of 1986, as amended through December 31, ~~1986~~ 1987, every person, corporation, or cooperative, the state of Minnesota and its political subdivisions, and every city, county and school district in Minnesota, making payments in the regular course of a trade or business during the taxable year to any person or corporation of \$600 or more on account of rents or royalties, or of \$10 or more on account of interest, or \$10 or more on account of dividends or patronage dividends, or \$600 or more on account of either wages, salaries, commissions, fees, prizes, awards, pensions, annuities, or any other fixed or determinable gains, profits or income, not otherwise reportable under section 290.92, subdivision 7, or on account of earnings of \$10 or more distributed to its members by savings, building and loan associations or credit unions chartered under the laws of this state or the United States, (a) shall make a return (except in cases where a valid agreement to participate in the combined federal and state information reporting system has been entered into, and such return is therefore filed only with the commissioner of internal revenue pursuant to the applicable filing and informational reporting requirements of the Internal Revenue Code of 1986, as amended through December 31, ~~1986~~ 1987) in respect to such payments in excess of the amounts specified, giving the names and addresses of the persons to whom such payments were made, the amounts paid to each, and (b) shall make a return in respect to the total number of such payments and total amount of such payments, for each category of income specified, which were in excess of the amounts specified. This subdivision shall not apply to the payment of interest or dividends to a person who was a nonresident of Minnesota for the entire year.

A person, corporation, or cooperative required to file returns under this subdivision ~~on interest, dividends, or patronage dividend payments with respect to more than 50 payees for any calendar year~~ must file all of these

returns on magnetic media *if the media were used to satisfy the federal reporting requirement under section 6011(e) of the Internal Revenue Code of 1986, as amended through December 31, 1987, unless the person establishes to the satisfaction of the commissioner that compliance with this requirement would be an undue hardship.*

Sec. 16. Minnesota Statutes 1987 Supplement, section 290.491, is amended to read:

**290.491 [TAX ON GAIN; DISCHARGE IN BANKRUPTCY.]**

(a) Any tax due under this chapter on a gain realized on a forced sale pursuant to foreclosure of a mortgage or other security interest in agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be a dischargeable debt in a bankruptcy proceeding under United States Code, title 11, section 727.

(b) *Income realized on a sale or exchange of agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be exempt from taxation under this chapter, if the taxpayer was insolvent at the time of the sale and the proceeds of the sale were used solely to discharge indebtedness secured by a mortgage, lien, or other security interest on the property sold. For purposes of this section, "insolvent" means insolvent as defined in section 108(d)(3) of the Internal Revenue Code of 1954, as amended through December 31, 1985. This paragraph applies only to the extent that the gain is includable in federal taxable income or in the computation of the alternative minimum taxable income under section 290.091 for purposes of the alternative minimum tax. The amount of the exemption is limited to the excess of the taxpayer's (1) liabilities over (2) the total assets and any exclusion claimed under section 108 of the Internal Revenue Code of 1986, as amended through December 31, 1987, determined immediately before application of this paragraph.*

(c) For purposes of this section, any tax due under this chapter specifically includes, but is not limited to, tax imposed under sections 290.02 and 290.03 on income derived from a sale or exchange, whether constituting gain, discharge of indebtedness or recapture of depreciation deductions, or the alternative minimum tax imposed under section 290.091.

Sec. 17. Minnesota Statutes 1987 Supplement, section 290.92, subdivision 7, is amended to read:

(d) The total amount deducted and withheld as tax under subdivision 2a or 3, or section 290.923, subdivision 2.

(2) The statement required to be furnished by this subdivision in respect of any remuneration shall be furnished at such other times, shall contain such other information, and shall be in such form as the commissioner may prescribe.

(3) The commissioner may prescribe rules providing for reasonable extensions of time, not in excess of 30 days, to employers or payers required to furnish such statements to their employees or payees under this subdivision.

Sec. 18. Minnesota Statutes 1987 Supplement, section 290.92, subdivision 15, is amended to read:

(1c) Where penalties are imposed under paragraphs (1) and (1a), except for the minimum penalty under paragraph (1b), the combined penalty percentage shall not exceed 38 percent in the aggregate.

(2) If any employer required to withhold a tax on wages, make deposits, make and file quarterly returns and make payments to the commissioner of amounts withheld, as required by sections 290.92 to 290.97, willfully fails to withhold the tax or make the deposits, files a false or fraudulent return, willfully fails to make the payment or deposit, or willfully attempts in any manner to evade or defeat the tax or the payment or deposit of it, there shall also be imposed on the employer as a penalty an amount equal to 50 percent of the amount of tax, less any amount paid or deposited by the employer on the basis of the false or fraudulent return or deposit, that should have been properly withheld and paid over or deposited with the commissioner. Subd. 4. [LIMITATIONS.] (a) This section does not ~~(1)~~ subject a trade or business to any regulation, including any tax, of any local unit of government or subdivision of this state if the trade or business does not own or lease tangible or real property located within this state and has no employees or independent contractors present in this state to assist in the carrying on of the business; ~~or (2) exclude a trade or business from the filing requirements of the notice of business activities report under section 290.371.~~

(b) The purchase of tangible personal property or intangible property or services by a person that conducts a trade or business with the principal place of business outside of Minnesota (the "non-Minnesota person") from a person within Minnesota shall not be taken into account in determining whether the non-Minnesota person is subject to the taxes imposed by this chapter, except for services involving either the direct solicitation of Minnesota customers or relationships with Minnesota customers after sales are made.

(c) No contact with any Minnesota financial institution by any financial institution with its principal place of business outside Minnesota with respect to transactions described in subdivision 3, or with respect to deposits received from or by a Minnesota financial institution, shall be taken into account in determining whether such a financial institution is subject to the taxes imposed by this chapter. The fact of participation by a Minnesota financial institution in a transaction which also involves a borrower and a financial institution that conducts a trade or business with its principal place of business outside of Minnesota shall not be a factor in determining whether such financial institution is subject to the taxes imposed by this chapter. This paragraph does not apply to transactions between or among members of the same unitary group.

Sec. 19. Minnesota Statutes 1987 Supplement, section 290.06, subdivision 1, is amended to read:

Subdivision 1. [COMPUTATION, CORPORATIONS.] (a) The franchise tax imposed by this chapter upon corporations shall be computed by applying to their taxable income the rate of 9.5 percent adjusted as provided in paragraph (b).

(b) For taxable years beginning after December 31, 1989, the commissioner of revenue must adjust the rate provided in paragraph (a) as provided in this paragraph. By December 15, 1989, the commissioner shall prepare a forecast of revenues predicted to be raised for taxable years beginning in 1990 by the franchise tax on corporations under this chapter for taxable years beginning in 1990, including the tax under section 290.092, computed as if the tax were imposed under section 290.092, subdivisions 1 to 4, and the rate in effect in this subdivision were 9.5 percent. The commissioner shall adjust the rate provided in paragraph (a) so that the amount forecast to be raised by the franchise tax on corporations under this chapter, including the tax under section 290.092, subdivision 5, is equal to the amount of the forecast computed as if the tax under section 290.092, subdivisions 1 to 4, were in effect. *The adjustment of the tax rate by the commissioner under this subdivision shall not be considered a "rule" and shall not be subject to the administrative procedure act contained in chapter 14.*

Sec. 20. Minnesota Statutes 1987 Supplement, section 290.06, subdivision 21, is amended to read:

Subd. 21. [ALTERNATIVE MINIMUM TAX.] (a) A corporation is allowed a credit for alternative minimum tax previously paid for any taxable year in which the corporation has no tax liability under section 290.092, *subdivision 1*, and has an alternative minimum tax credit carryover from a previous year. The credit allowable in any taxable year shall be equal to the lesser of (1) the excess of the tax under section 290.06 for the taxable year over the amount computed under section 290.092, subdivision 1, clause ~~(a)~~ (1), for the taxable year, or (2) the alternative minimum tax credit carryover to the taxable year.

(b) ~~The tax imposed under section 290.092, subdivision 1, for any taxable year is a credit for an alternative minimum tax previously paid which is a credit carryover to each of the five taxable years succeeding the taxable year. The entire amount of the alternative minimum tax credit must be carried to the earliest of the taxable years year to which such amount may be carried. The portion of the alternative minimum tax credit which is carried to each of the other taxable years to which the credit may be carried is the excess, if any, of the credit over the amount allowable under paragraph (a) for each of the taxable years to which the credit may be carried. In each taxable year in which a credit is allowable under paragraph (a), the credit for alternative minimum tax previously paid must be used beginning with the earliest taxable year from which the credit may be carried. Any unused portion of the credit must be carried to the following taxable year. No credit may be carried to a taxable year more than five years after the taxable year in which the alternative minimum tax was paid.~~

Sec. 21. Minnesota Statutes 1987 Supplement, section 290.092, subdivision 3, is amended to read:

Subd. 3. [ALTERNATIVE MINIMUM TAX BASE.] The alternative minimum tax base equals the sum of:

- (1) the total amount of Minnesota sales ~~and~~ *or* receipts;
- (2) the amount of the taxpayer's total Minnesota property; and
- (3) the taxpayer's total Minnesota payrolls;

less the exemption amount, if any.

Sec. 22. Minnesota Statutes 1987 Supplement, section 290.092, subdivision 4, is amended to read:

Subd. 4. [DEFINITIONS.] (a) "Minnesota sales ~~and~~ *or* receipts" means the total sales apportioned to Minnesota pursuant to section 290.191, subdivision 5, the total receipts attributed to Minnesota pursuant to section 290.191, subdivisions 6 to 8, and/or the total sales or receipts apportioned or attributed to Minnesota pursuant to any other apportionment formula applicable to the taxpayer.

(b) "Minnesota property" means total Minnesota tangible property as provided in section 290.191, subdivisions 9 to 11, and any other tangible property located in Minnesota *except as provided in subdivision 4a*. Intangible property shall not be included in Minnesota property for purposes of this section. Taxpayers who do not utilize tangible property to apportion income shall nevertheless include Minnesota property for purposes of this section. ~~For the first five taxable years during which a corporation is subject to taxation under this chapter, the amount of its Minnesota property and payrolls shall be deemed to be zero for purposes of this section~~ *On a return for a short taxable year, the amount of Minnesota property owned, as determined under section 290.191, shall be included in Minnesota property based on a fraction in which the numerator is the number of days in the short taxable year and the denominator is 365.*

(c) "Minnesota payrolls" means total Minnesota payrolls as provided in section 290.191, subdivision 12, *except as provided in subdivision 4a*. Taxpayers who do not utilize payrolls to apportion income shall nevertheless include Minnesota payrolls for purposes of this section.

(d) The "exemption amount" equals the lesser of (1) the sum of the taxpayer's Minnesota sales ~~and~~ *or* receipts, property, and payrolls, *as defined in this section*, or (2) \$5,000,000 reduced by one-half of the amount of the taxpayer's total sales and receipts, property, and payrolls, *as defined in this section*, in excess of \$10,000,000. *In the case of a unitary group, the exemption amount equals the lesser of (1) the sum of the unitary group's Minnesota sales or receipts, property, and payrolls or (2) \$5,000,000 reduced by one-half of the unitary group's total sales or receipts, property, and payrolls in excess of \$10,000,000. Each member of a unitary group may use a portion of the unitary group's exemption amount based on a fraction, the numerator of which is the sum of the taxpayer's Minnesota sales or receipts, property, and payrolls and the denominator is the sum of the Minnesota sales or receipts, property, and payrolls of all unitary members subject to the taxes imposed by this chapter. Total sales and receipts, property, and payroll means the total determined under section 290.191 as the denominator of the apportionment formula. For purposes of this section, taxpayers who use an apportionment formula that does not include sales or receipts, property, and payrolls shall, nevertheless, use those amounts as defined in section 290.191, subdivisions 5 to 12. On a return for a short taxable year, the amount of total property owned, as determined under section 290.191, shall be included in Minnesota property*

based on a fraction in which the numerator is the number of days in the short taxable year and the denominator is 365. In the case of a unitary business, the exemption amount must reflect the factors of ~~the entire all businesses included in the unitary business group as reported on the combined report~~ defined in section 290.17, subdivision 4. A corporation that has as its sole or primary business activity (1) the providing of professional services, as defined in section 319A.02; (2) operation as a financial institution, as defined in section 290.01, subdivision 4a; (3) sales or management of real estate; or (4) operation as an insurance agency, as defined in section 60A.02, does not have an exemption amount.

Sec. 23. Minnesota Statutes 1987 Supplement, section 290.092, is amended by adding a subdivision to read:

*Subd. 4a. [NEW BUSINESS EXCLUSION.] For the first five taxable years during which a corporation is subject to taxation under this chapter, the amount of its Minnesota property and payrolls must be excluded from the alternative minimum tax base unless it is disqualified in this subdivision. A corporation is considered subject to taxation under this chapter if it would be subject to Minnesota's jurisdiction to tax as provided in section 290.015, before claiming this exclusion. The following does not qualify for this exclusion:*

*(1) a corporation that is a member of a unitary group that includes at least one business that does not qualify for this exclusion;*

*(2) any corporation organized under the laws of this state or certified to do business within this state at least five taxable years before the taxable year in which this exclusion is claimed;*

*(3) corporations created by: reorganizations, as defined in section 368 of the Internal Revenue Code of 1986, as amended through December 31, 1987; or split-ups, split-offs, or spin-offs, as described in section 355 of the Internal Revenue Code of 1986, as amended through December 31, 1987; or the transfer or acquisition, whether directly or indirectly, of assets which constitute a trade or business, including stock purchases under section 338 of the Internal Revenue Code of 1986, as amended through December 31, 1987, where the surviving, newly formed, or acquiring corporation conducts substantially the same activities as the predecessor corporation, regardless of whether or not the survivor corporation also conducts additional activities, and the predecessor corporation would not otherwise qualify for this exclusion if it had continued to conduct those activities;*

*(4) any change in identity or form of business where the original business entity would have been subject to Minnesota's taxing jurisdiction, as provided in section 290.015, at least five taxable years before the taxable year in which this exclusion is claimed;*

*(5) a corporation, the primary business activity of which is the providing of professional services as defined in section 319A.02, operation as a financial institution, as defined in section 290.01, subdivision 4a; sales or management of real estate; or operation as an insurance agency, as defined in section 60A.03; or*

*(6) a corporation the affairs of which the commissioner finds were arranged as they were primarily to reduce taxes by qualifying as a new business under this subdivision.*

Sec. 24. Minnesota Statutes 1987 Supplement, section 290.092, subdivision 5, is amended to read:

Subd. 5. [IMPOSITION OF TAX AFTER 1989.] For taxable years beginning after December 31, 1989, in addition to the taxes computed under this chapter ~~without regard to this section~~, the franchise tax imposed on corporations includes a tax equal to ~~the excess, if any, of:~~

(1) 40 percent of the tax imposed upon the corporation under section 55(a) of the Internal Revenue Code of 1986, as amended through December 31, 1986, apportioned to Minnesota under section 290.191. In computing the amount of the liability under section 55(a) of the Internal Revenue Code of 1986, the regular federal tax liability under section 55(a)(2) of the Internal Revenue Code of 1986, must be determined using federal taxable income as modified by sections 290.01, subdivisions 19c and 19d, 290.095, and 290.21, and alternative minimum taxable income under section 56 of the Internal Revenue Code of 1986 must be computed as if the section 290.095 restrictions on net operating losses applied.

~~(2) the amount of tax computed under this chapter without regard to this section.~~

Sec. 25. Minnesota Statutes 1987 Supplement, section 290.095, subdivision 1, is amended to read:

Subdivision 1. [ALLOWANCE OF DEDUCTION.] (a) There shall be allowed as a deduction for the taxable year the amount of any net operating loss deduction as provided in section 172 of the Internal Revenue Code of 1986, as amended through December 31, 1986, subject to the limitations and modifications provided in this section.

(b) A net operating loss deduction shall be available under this section only to corporate taxpayers except that subdivisions 7, 9, and 11 hereof apply only to individuals, estates, and trusts.

*(c) In the case of a regulated investment company or fund thereof, as defined in section 851(a) or 851(q) of the Internal Revenue code of 1986, as amended through December 31, 1987, the deduction provided by this section shall not be allowed.*

Sec. 26. Minnesota Statutes 1987 Supplement, section 290.095, subdivision 2, is amended to read:

Subd. 2. [DEFINED AND LIMITED.] (a) The term "net operating loss" as used in this section shall mean a net operating loss as defined in section 172(c) of the Internal Revenue Code of 1986, as amended through December 31, 1986, with the modifications specified in subdivision 4. The deductions provided in section 290.21 *and the modification provided in section 290.01, subdivision 19d, clause (11)*, cannot be used in the determination of a net operating loss.

(b) The term "net operating loss deduction" as used in this section means the aggregate of the net operating loss carryovers to the taxable year, computed in accordance with subdivision 3. The provisions of section 172(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986, relating to the carryback of net operating losses, do not apply.

Sec. 27. Minnesota Statutes 1987 Supplement, section 290.095, subdivision 3, is amended to read:

Subd. 3. [CARRYOVER.] (a) A net operating loss ~~for any taxable year~~

*incurred in a taxable year: (i) beginning after December 31, 1986, shall be a net operating loss carryover to each of the 15 taxable years following the taxable year of such loss; (ii) beginning before January 1, 1987, shall be a net operating loss carryover to each of the five taxable years following the taxable year of such loss subject to the provisions of Minnesota Statutes 1986, section 290.095; and (iii) beginning before January 1, 1987, shall be a net operating loss carryback to each of the three taxable years preceding the loss year subject to the provisions of Minnesota Statutes 1986, section 290.095.*

(b) The entire amount of the net operating loss for any taxable year shall be carried to the earliest of the taxable years to which such loss may be carried. The portion of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the taxable net income, adjusted by the modifications specified in subdivision 4, for each of the taxable years to which such loss may be carried.

(c) Where a corporation does business both within and without Minnesota, and apports its income under the provisions of section 290.191, the net operating loss deduction *incurred in any taxable year* shall be allowed to the extent of the apportionment ratio of the loss year.

(d) No additional net operating loss deduction is allowed in a subsequent taxable year for the portion of a net operating loss deduction *incurred in any taxable year* used to offset Minnesota income in a year in which the taxpayer is subject to the alternative minimum tax in section 290.092.

Sec. 28. Minnesota Statutes 1987 Supplement, section 290.095, is amended by adding a subdivision to read:

*Subd. 12. [UNITARY GROUP; CARRYBACK; CARRYFORWARD.] A taxpayer may elect a net operating loss carryback to each of the three taxable years preceding the taxable year of the loss and a net operating loss carryover to each of the five taxable years following the taxable year of the loss, notwithstanding subdivision 3, clause (a). The net operating loss carryback and carryover allowed under this subdivision is limited to the part of the net operating loss attributable to the deduction allowed for bad debts under section 166(a) of the Internal Revenue Code of 1986, as amended through December 31, 1987. The part of the net operating loss for any taxable year that is attributable to the deduction allowed for bad debts is the excess of the net operating loss for the taxable year, over the net operating loss for the taxable year determined without regard to the amount allowed as a deduction for bad debts for the taxable year. In applying the provisions of subdivision 3, clause (b), the part of the net operating loss for the loss year that is attributable to the deduction allowed for bad debts is considered a separate net operating loss for the year to be applied before the other part of the net operating loss. This subdivision applies only to taxpayers where a member of the unitary group meets the definition found in section 585(c)(2)(A) of the Internal Revenue Code of 1986, as amended through December 31, 1987, and includes all corporations included in the unitary group and required to be included on a combined report. A refund of tax that is the result of a net operating loss carryback under this section must be paid after two years but before two years and 30 days after the claim for refund was filed.*

Sec. 29. Minnesota Statutes 1987 Supplement, section 290.10, is amended to read:

## 290.10 [NONDEDUCTIBLE ITEMS.]

~~Notwithstanding any other provision of law~~ Except as provided in section 290.17, subdivision 4, paragraph (i), in computing the net income of a corporation no deduction shall in any case be allowed for expenses, interest and taxes connected with or allocable against the production or receipt of all income not included in the measure of the tax imposed by this chapter, except that for corporations engaged in the business of mining or producing iron ore, the mining of which is subject to the occupation tax imposed by section 298.01, subdivision 1, and the provisions of section 298.031, this shall not prevent the deduction of expenses and other items to the extent that the expenses and other items are allowable under this chapter and are not deductible, capitalizable, retainable in basis, or taken into account by allowance or otherwise in computing the occupation tax and do not exceed the amounts taken for federal income tax purposes for that year. Occupation taxes imposed under chapter 298, royalty taxes imposed under chapter 299, or depletion expenses may not be deducted under this clause.

Sec. 30. Minnesota Statutes 1987 Supplement, section 290.17, subdivision 4, is amended to read:

Subd. 4. [UNITARY BUSINESS PRINCIPLE.] (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to farm income subject to subdivision 5, paragraph (a), business income subject to subdivision 5, paragraph (b) or (c), income of an insurance company determined under section 290.35, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which are of mutual benefit, dependent upon, or contributory to one another, individually or as a group. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership is not deemed to exist when a corporation is involved unless that corporation is a member of a group of two or more business entities and more than 50 percent of the voting stock of each member of the group is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more

of the member corporations of the group.

(f) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of corporations or other entities created or organized in the United States or under the laws of the United States or of any state, the District of Columbia, the commonwealth of Puerto Rico, any possession of the United States, or any political subdivision of any the foregoing and of any FSC as defined in section 922 of the Internal Revenue Code of 1986, as amended through December 31, 1986, that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that other corporations or other entities organized in foreign countries might be included in the unitary business. The net income and apportionment factors under section 290.191 or 290.20 of foreign corporations and other foreign entities which are part of a unitary business shall not be included in the net income or the apportionment factors of the unitary business. A foreign corporation or other foreign entity which is required to file a return under this chapter shall file on a separate return basis. The net income and apportionment factors under section 290.191 or 290.20 of foreign operating corporations shall not be included in the net income or the apportionment factors of the unitary business except as provided in paragraph (g).

(g) The adjusted net income of a foreign operating corporation shall be deemed to be paid as a dividend on the last day of its taxable year to each shareholder thereof, in proportion to each shareholder's ownership, with which such corporation is engaged in a unitary business. Such deemed dividend shall be treated as a dividend under section 290.21, subdivision 4.

Dividends actually paid by a foreign operating corporation to a corporate shareholder which is a member of the same unitary business as the foreign operating corporation shall be eliminated from the net income of the unitary business in preparing a combined report for the unitary business. The adjusted net income of a foreign operating corporation shall be its net income adjusted as follows:

(1) any taxes paid or accrued to a foreign country, the commonwealth of Puerto Rico, or a United States possession or political subdivision of any of the foregoing shall be a deduction; and

(2) the subtraction from federal taxable income for payments received from foreign corporations or foreign operating corporations under section 290.01, subdivision 19d, clause (11), shall not be allowed.

If a foreign operating corporation incurs a net loss, neither income nor deduction from that corporation shall be included in determining the net income of the unitary business.

(h) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of domestic corporations or other domestic entities other than foreign operating corporations that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that foreign corporations or other foreign entities might be included in the unitary business.

(i) *Deductions for expenses, interest, or taxes otherwise allowable under this chapter that are connected with or allocable against dividends, deemed dividends described in paragraph (g) or royalties, fees, or other like income described in section 290.01, subdivision 19d, clause (11), shall not be disallowed.*

~~(g)~~ (j) Each corporation or other entity that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph ~~(f)~~ (h) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph ~~(f)~~ (h) in the denominators of the apportionment formula.

(k) *If a corporation has been divested from a unitary business and is included in a combined report for a fractional part of the common accounting period of the combined report:*

(1) *its income includable in the combined report is its income incurred for that part of the year determined by proration or separate accounting; and*

(2) *its sales, property, and payroll included in the apportionment formula must be prorated or accounted for separately.*

Sec. 31. Minnesota Statutes 1987 Supplement, section 290.191, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] Except as otherwise provided in section 290.17, subdivision 5, the net income from a trade or business carried on partly within and partly without this state must be apportioned to this state as provided in this section. *For purposes of this section, state means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, or any territory or possession of the United States or any foreign country.*

Sec. 32. Minnesota Statutes 1987 Supplement, section 290.191, subdivision 4, is amended to read:

Subd. 4. [APPORTIONMENT FORMULA FOR CERTAIN MAIL ORDER BUSINESSES.] If the business consists exclusively of the selling of tangible personal property and services in response to orders received by United States mail or telephone, and ~~100~~ 99 percent of the taxpayer's property and payroll is within Minnesota, then the taxpayer may apportion net income to Minnesota based solely upon the percentage that the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period. Property and payroll factors are disregarded. In determining eligibility for this subdivision, the sale not in the ordinary course of business of tangible or intangible assets used in conducting business activities must be disregarded. ~~This subdivision is repealed effective for taxable years beginning after December 31, 1988.~~

Sec. 33. Minnesota Statutes 1987 Supplement, section 290.191, subdivision 5, is amended to read:

Subd. 5. [DETERMINATION OF SALES FACTOR.] ~~(a)~~ For purposes of this section, the following rules apply in determining the sales factor.

~~(b)~~ (a) *The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:*

(1) *interest;*

(2) *dividends;*

(3) *sales of capital assets as defined in section 1221 of the Internal Revenue Code of 1986, as amended through December 31, 1987;*

(4) *sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased;*

(5) *sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code of 1986, as amended through December 31, 1987, or sales of stock; and*

(6) *royalties, fees, or other like income of a type which qualify for a subtraction from federal taxable income under section 290.01, subdivision 19(d)(11).*

(b) *Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.*

(c) *Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.*

(d) *Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.*

(e) *Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.*

~~(f) Sales, other than sales of tangible personal property, are made in this state if the property is used, or the benefits of the services are consumed, in this state. If the property is used or the benefits of the services are consumed in more than one state, the sales must be apportioned pro rata according to the portion of use or consumption of benefits in this state. Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.~~

(g) *Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment is located in this state if:*

(1) *the operation of the property is entirely within this state; or*

(2) *the operation of the property is in two or more states and the principal base of operations from which the property is sent out is in this state.*

(h) *Royalties and other income not described in paragraph (a), clause (6), received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or similar items, must be attributed to the state in which the property is used by the purchaser. If the property is used in more than one state, the royalties or other income must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income must be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights therein in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.*

(i) *Sales of intangible property are made within the state in which the property is used by the purchaser. If the property is used in more than one state, the sales must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the sale must be excluded from both the numerator and the denominator of the sales factor. Intangible property is used in this state if the purchaser used the intangible property in the regular course of its business operations in this state.*

(j) *Receipts from the performance of services must be attributed to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one state, the receipts from those benefits must be apportioned to this state pro rata according to the portion of the benefits consumed in this state. If the extent to which the benefits of services are consumed in this state is not readily determinable, the benefits of the services shall be deemed to be consumed at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the benefits of the services shall be deemed to be consumed at the office of the customer to which the services are billed.*

Sec. 34. Minnesota Statutes 1987 Supplement, section 290.191, subdivision 6, is amended to read:

Subd. 6. [DETERMINATION OF RECEIPTS FACTOR FOR FINANCIAL INSTITUTIONS.] (a) For purposes of this section, the rules in this subdivision and subdivisions 7 and 8 apply in determining the receipts factor for financial institutions.

(b) "Receipts" for this purpose means gross income, including net taxable gain on disposition of assets, including securities and money market ~~transac-~~  
~~actions~~ instruments, when derived from transactions and activities in the regular course of the taxpayer's trade or business.

It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Assets in the nature of securities and money market instruments are apportioned to this state based upon the ratio that total deposits from this state, its residents, its political subdivisions, agencies and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies and instrumentalities. (f) the total deduction hereunder shall not exceed 15 percent of the taxpayer's taxable net income less the deductions allowable under this section other than those for contributions or gifts,

If the dividends were declared from income arising out of business done within and without this state, then a proportion of the remainder shall be allowed as a deduction. The proportion must be that which the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income~~

of the corporation. The amounts must be determined by the returns under this chapter of the corporation paying the dividends for the taxable year preceding their distribution. The burden is on the taxpayer to show that the amount of remainder claimed as a deduction has been received from income arising out of business done in this state.

(b) If the trade or business of the taxpayer consists principally of the holding of the stocks and the collection of the income and gains therefrom, dividends received by a corporation during the taxable year from another corporation, if the recipient owns 80 percent or more of all the voting stock of the other corporation, from income arising out of business done in this state by the corporation paying the dividends. If the dividends were declared from income arising out of business done within and without this state, then a proportion of the dividends shall be allowed as a deduction. The proportion must be that which the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income of the corporation. The amounts must be determined by the returns under this chapter of the corporation paying the dividends for the taxable year preceding their distribution. The burden is on the taxpayer to show that the amount of dividends claimed as a deduction has been received from income arising out of business done in this state.

*(b) Seventy percent of dividends received by a corporation during the taxable year from another corporation in which the recipient owns less than 20 percent of the stock, by vote or value, not including stock described in section 1504(a)(4) of the Internal Revenue Code of 1986 as amended through December 31, 1987, when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of income and gain therefrom.*

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) of the Internal Revenue Code of 1986, as amended through December 31, 1986.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law Number 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.34, subdivision 2, then for

purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code of 1986, as amended through December 31, 1986.

*(f) If one or more of the members of the unitary group whose income is included on the combined report received a dividend, the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of: (1) 100 percent of the dividends received by members of the group; (2) 80 percent or 70 percent, pursuant to paragraph (a) or (b); and (3) the percentage of the taxpayer's business income apportionable to this state for the taxable year under section 290.191 or 290.20.*

Sec. 38. Minnesota Statutes 1987 Supplement, section 290.34, subdivision 2, is amended to read:

Subd. 2. [AFFILIATED OR RELATED CORPORATIONS, COMBINED REPORT.] (a) When a corporation which is required to file an income tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations, or has its income regulated through contract or other arrangement, the commissioner of revenue may permit or require such combined report as, in the commissioner's opinion, is necessary in order to determine the taxable net income of any one of the affiliated or related corporations.

(b) If a corporation has been divested from the unitary group and is included in a combined report for a fractional part of the common accounting period that the report is based on, then the sales, property, and payroll attributed to the corporation in the apportionment formula must be prorated or separately accounted and must show for what part of the accounting period the corporation is included in the report.

(c) The combined report shall reflect the income of the entire unitary business as provided in section 290.17, subdivision 4. If a corporation has been divested from the unitary group and is included in the combined report for a fractional part of the common accounting period that the combined report is based on, its income includable in the combined report is its income for that part of the year.

Sec. 39. Minnesota Statutes 1987 Supplement, section 290.35, subdivision 2, is amended to read:

Subd. 2. [APPORTIONMENT OF TAXABLE NET INCOME.] The commissioner shall compute therefrom the taxable net income of such companies by assigning to this state that proportion thereof which the gross premiums collected by them during the taxable year from old and new business within this state bears to the total gross premiums collected by them during that year from their entire old and new business, including reinsurance premiums; provided, the commissioner shall add to the taxable net income so apportioned to this state the amount of any taxes on premiums paid by the company by virtue of any law of this state (other than the surcharge on premiums imposed by sections 69.54 to 69.56) which shall have been deducted from gross income by the company in arriving at its

total net income under the provisions of such act of congress.

(a) For purposes of determining the Minnesota apportionment percentage, premiums from reinsurance contracts ~~assumed from companies domiciled in Minnesota and premiums~~ in connection with property in or liability arising out of activity in, or in connection with the lives or health of Minnesota residents shall be assigned to Minnesota and premiums from reinsurance contracts ~~assumed from companies domiciled outside of Minnesota and premiums~~ in connection with property in or liability arising out of activity in, or in connection with the lives or health of non-Minnesota residents shall be assigned outside of Minnesota. *Reinsurance premiums are presumed to be received for a Minnesota risk and are assigned to Minnesota, if:*

*(2) the taxpayer, upon request of the commissioner, fails to provide reliable records indicating the reinsured contract covered non-Minnesota risks.*

*For purposes of this paragraph, "Minnesota risk" means coverage in connection with property in or liability arising out of activity in Minnesota, or in connection with the lives or health of Minnesota residents.*

(b) The apportionment method prescribed by paragraph (a) shall be presumed to fairly and correctly determine the taxpayer's taxable net income. If the method prescribed in paragraph (a) does not fairly reflect all or any part of taxable net income, the taxpayer may petition for or the commissioner may require the determination of taxable net income by use of another method if that method fairly reflects taxable net income. A petition within the meaning of this section must be filed by the taxpayer on such form as the commissioner shall require.

Sec. 40. Minnesota Statutes 1987 Supplement, section 290.37, subdivision 1, is amended to read:

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount determined by the commissioner if such trust belongs to the class of taxable persons.

Every corporation shall file a return, if the corporation is subject to the state's jurisdiction to tax under section 290.014, subdivision 5, *except that a foreign operating corporation as defined in section 290.01, subdivision 6b, is not required to file a return.* The return in the case of a corporation must be signed by a person designated by the corporation. The commissioner may adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report if the affiliated group includes a bank subject to tax under this chapter. Members of an affiliated group that elect to file one return on behalf of the members of the group under rules adopted by the commissioner may modify or rescind the election by filing the form required by the commissioner.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if a return is required.

The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (2), clause (b) must be recaptured by increasing the next required installment by the amount of the reduction.

(4) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (1), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing subsequent required installments to the extent the reductions have not previously been recovered. A reduction shall be treated as recaptured for purposes of this paragraph if 90 percent of the reduction is recaptured.

(5) The "annualized income installment" is the excess, if any, of:

(a) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over;

(b) the aggregate amount of any prior required installments for the taxable year.

(c) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (a).

(d) The "applicable percentage" used in clause (a) is:

In the case of the following  
required installments:

1st

The applicable  
percentage is:

22.5

2nd	45
3rd	67.5
4th	90

(6)(a) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for all months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for all months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and all months during the taxable year preceding the filing month.

(b) For purposes of this paragraph:

(i) the "base period percentage" for any period of months is the average percent which the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph shall only apply if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(c) In the case of a required installment, determined under this paragraph, if the corporation determines that the installment is less than the amount determined in paragraph (1), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing subsequent required installments to the extent the reductions have not previously been recovered. A reduction shall be treated as recaptured for purposes of this paragraph if 90 percent of the reduction is recaptured.

No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 274.19, subdivision 8, "property taxes payable" shall also include the amount of the gross rent paid in the preceding year for the site on which the homestead is located, which is attributable to the net tax paid on the site. The amount attributable to property taxes shall be determined by multiplying the net tax on the parcel by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. (b) the payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes,

for the calendar year in which the rent was paid. If a portion of the property is occupied as a homestead or is used for other than rental purposes, the net tax shall be the amount of tax reduced by the percentage that the nonrental use comprises of the total square footage of the building. If a portion of the property is used for purposes other than for residential rental and none of the property is occupied as a homestead, the net tax shall be the amount of the tax of the parcel multiplied by a fraction, the numerator of which is the assessed value of the residential rental portion and the denominator of which is the total assessed value of the parcel. If a portion of the property is used for other than rental residential purposes, the county treasurer shall list on the property tax statement the amount of net tax pertaining to the rental residential portion of the property.

The amount of the net tax shall not be reduced by an abatement or a court ordered reduction in the property tax on the property made after the certificate of rent constituting property tax has been provided to the renter.

The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county.

If the amount of homestead benefits and penalty is not paid within 60

Any amount of homestead benefits recovered from the property owner must be transmitted to the commissioner by the end of each calendar quarter. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The amount of penalty collected must be deposited in the county general fund.

The commissioner will provide suggested homestead applications to each county. If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 26. [273.1398] [TRANSITION AND DISPARITY REDUCTION AID; CREDIT GUARANTEE.]

*Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.*

*(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of mill rates.*

*(c) "Gross tax capacity" means the product of the appropriate percentages of market value listed as gross tax capacities in section 273.13 and equalized market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's gross tax capacity of commercial industrial property as defined in section 473F02, subdivision 3, multiplied by the ratio determined pursuant to section 473F08, subdivision 6, for the municipality, as defined in section 473F02, subdivision 8, in which the unique taxing jurisdiction is located and (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2. For purposes of determining the gross tax capacity of property referred to in clauses (1) and (2) for disparity reduction aid payable in 1989, the gross tax capacity before equalization shall equal the property's 1987 assessed value multiplied by 12 percent. Gross tax capacity cannot be less than zero.*

*(d) "Net tax capacity" means the product of the appropriate percentages of market value listed as net tax capacities in section 273.13 and equalized market values. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F02, subdivision 3, multiplied by the ratio determined pursuant to section 473F08, subdivision 6, for the municipality, as defined in section 473F02, subdivision 8, in which the unique taxing jurisdiction is located and (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), the net tax capacity before equalization shall equal the property's 1987 assessed value multiplied by 12 percent. Net tax capacity cannot be less than zero.*

*(e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. For computation of aids payable in 1989 only, if the aggregate assessment sales ratio is less than or equal to 92 percent, the assessment sales ratios by class shall be adjusted proportionally so that the aggregate ratio of the unequalized market values*

to the equalized market values equals 92 percent; otherwise the equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(f) "Homestead effective rate" means the product of (i) 46 percent; (ii) 2.17 percent; and (iii) the total tax capacity rate for taxes payable in 1989 within a unique taxing jurisdiction multiplied by the 1988 aggregate assessment sales ratio. A sales ratio of .92 is used if the actual sales ratio is less than .92.

(g) For purposes of calculating the transition aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's homestead effective rate; (ii) its net tax capacity; and (iii) 103.

(h) For purposes of calculating and allocating transition aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value, as defined in section 473F02, subdivision 3, subject to the areawide tax as provided in section 473F08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in the year prior to that in which the aids are payable. For purposes of disparity reduction aid only, total gross taxes shall be reduced by the taxes levied for any school district referendum levies authorized pursuant to section 124A.03, subdivision 2, and any school district debt levies authorized pursuant to section 475.61. Gross taxes levied cannot be less than zero.

(i) "Income maintenance aids" means:

(1) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;

(2) preadmission screening and alternative care grants under section 256B.091, subdivision 8;

(3) general assistance, and work readiness under section 256D.03, subdivision 2;

(4) general assistance medical care under section 256D.03, subdivision 6;

(5) aid to families with dependent children under section 256.82, subdivision 1, including emergency assistance under section 256.871, subdivision 6; and funeral expense payments under section 256.935, subdivision 1; and

(6) supplemental aid under section 256D.36, subdivision 1.

Subd. 2. [TRANSITION AID.] (a) Transition aid for each unique taxing jurisdiction for taxes payable in 1990 equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. Transition aid cannot be less than zero. The transition aid so determined for school districts for purposes of general education and transportation levies shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.

Each county assessor and the city assessors of Minneapolis, Duluth, and St. Cloud shall furnish the commissioner of revenue with the 1988 market values for taxes payable in 1989 for any new classes of property established in this article. The commissioner shall use those values, and estimate values where needed, in developing the 1988 tax capacity for each unique taxing jurisdiction under this section.

(b)(1) The transition aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's gross taxes bears to the total gross taxes levied within the unique taxing jurisdiction.

(2) If a local government's total tax capacity rate for all funds for taxes payable in 1989 varies within the area in which it exercises taxing authority, the local government's allocated transition aid must be further allocated between the part of its levy in respect to which the tax capacity rate is constant throughout the area in which it exercises taxing authority and the part of its levy in respect to which the tax capacity rate varies throughout the area in which it exercises taxing authority.

(c) In 1991 and subsequent years, a local government shall receive transition aid equal to that it received in 1990 subject to the requirement of the last sentence of subdivision 6.

(d) The difference between (1) the income maintenance aids payable to a county and (2) the income maintenance aids that would be payable to the county pursuant to the rates in effect for calendar year 1989 shall be reduced by the sum of the amount of transition aid a county receives under this subdivision for all unique taxing jurisdictions located within its borders. The reduction must not reduce the difference to less than zero. The reduction shall be prorated among all payments of the increased income maintenance aids so that each payment is reduced by an equal percentage amount. The commissioner of revenue shall certify each county's transition aid to the commissioner of human services for purposes of this adjustment.

Subd. 3. [DISPARITY REDUCTION AID.] (a) For taxes payable in 1989, a disparity reduction aid shall be calculated for each unique taxing jurisdiction. The aid is the greater of:

(1) the difference between (i) the total 1988 gross tax payable on all taxable property within the unique taxing jurisdiction, and (ii) the gross tax capacity of the unique taxing jurisdiction; or

(2) 20 percent of the difference between (i) the 1988 gross tax of the city or township, and (ii) 23 percent of the city's or township's gross tax capacity.

In no case can the aid be less than \$0.

(b) The disparity reduction aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's payable gross taxes bears to the total payable gross taxes levied within the unique taxing jurisdiction.

(c) In 1990 and subsequent years, a local government shall receive disparity reduction aid equal to that it received in 1989.

Subd. 4. [DISPARITY REDUCTION CREDIT.] (a) Beginning with taxes payable in 1989, class 4a, class 3a, and class 3b property located in a

border city enterprise zone designated pursuant to section 469.168, subdivision 4, located in cities with a population greater than 2,500 and less than 35,000 according to the 1980 decennial census which are adjacent to cities in another state or immediately adjacent to a city adjacent to a city in another state qualify for disparity reduction credits, if the adjacent city in the other state has a population of greater than 5,000 and less than 75,000. The credit is an amount sufficient to reduce (i) the taxes levied on class 4a property to three percent of the property's market value and (ii) the tax on class 3a and class 3b property to 3.3 percent of market value.

(b) The county auditor shall annually certify the costs of the credits to the department of revenue. The department shall reimburse local governments for the property taxes foregone as the result of the credits in proportion to their total levies.

**Subd. 5. [HOMESTEAD AND AGRICULTURAL CREDIT GUARANTEE.]** Beginning with taxes payable in 1990, each unique taxing jurisdiction may receive additional homestead and agricultural credit payments.

(1) Each year, the commissioner shall certify to the county auditor the total education aids paid under chapters 124 and 124A, transition aid and disparity reduction aid paid under section 273.1398, local government aid to cities, counties, and towns paid under chapter 477A, and income maintenance aid paid to counties for each taxing jurisdiction. The county auditor shall apportion each local government's aids to the unique taxing jurisdiction based upon the proportion that the unique taxing jurisdiction's tax capacity bears to the total tax capacity of the local government.

(2) Each year, the county auditor will compute a gross tax capacity rate for each taxing jurisdiction equal to its total levy divided by its gross tax capacity. For each unique taxing jurisdiction, a total gross tax capacity rate will be determined. This total gross tax capacity rate will be applied against the gross tax capacity of each property that would have been eligible for the homestead credit or the agricultural credit for taxes payable in 1989. A credit amount will be determined for each parcel based upon the credit rate structure in effect for taxes payable in 1989. The resulting credit amounts will be summed for all parcels in the unique taxing jurisdiction.

If the amount determined in clause (2) is greater than the amount determined in clause (1), the difference will be additional homestead and agricultural credit payments for the unique taxing jurisdiction. The additional credit amount shall proportionately reduce the tax capacity rates of all local governments levying taxes within the unique taxing jurisdiction. The county auditor shall certify the amounts of all additional credits determined under this section in a form prescribed by the commissioner.

**Subd. 6. [PAYMENT.]** The commissioner shall certify the aids provided in subdivisions 2 and 3 before September 30 of the year preceding the distribution year to the county auditor of the affected local government and pay them and the credit reimbursements to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax nor shall transition aid be payable on the part of a levy to which transition aid was separately allocated under subdivision 2, paragraph (b), clause (2) which is no longer

levied.

*Subd. 7. [APPROPRIATION.] An amount sufficient to pay the aids and credits provided under this section is annually appropriated from the general fund to the commissioner of revenue.*

Sec. 27. Minnesota Statutes 1987 Supplement, section 273.165, subdivision 2, is amended to read:

*Subd. 2. [IRON ORE.] Unmined iron ore included in class 5, paragraph (b), must be assessed with and as a part of the real estate in which it is located, but at the rate its gross tax capacity would be as established in section 273.13, subdivision ~~30~~ 31. The real estate in which iron ore is located, other than the ore, must be classified and assessed in accordance with the provisions of the appropriate classes. In assessing any tract or lot of real estate in which iron ore is known to exist, the assessable value of the ore exclusive of the land in which it is located, and the assessable value of the land exclusive of the ore must be determined and set down separately and the aggregate of the two must be assessed against the tract or lot.*

Sec. 28. Minnesota Statutes 1987 Supplement, section 273.37, subdivision 2, is amended to read:

*Subd. 2. Transmission lines of less than 69 kv, transmission lines of 69 kv and above located in an unorganized township, and distribution lines, and equipment attached thereto, having a fixed situs outside the corporate limits of cities except distribution lines taxed as provided in sections 273.40 and 273.41, shall be listed with and assessed by the commissioner of revenue in the county where situated. The commissioner shall assess such property at the percentage of market value fixed by law; and, on or before the 15th day of November, shall certify to the auditor of each county in which such property is located the amount of the assessment made against each company and person owning such property.*

Sec. 29. Minnesota Statutes 1986, section 273.40, is amended to read:  
273.40 [ANNUAL TAX ON COOPERATIVE ASSOCIATIONS.]

*Cooperative associations organized under the provisions of Laws 1923, chapter 326, and laws amendatory thereof and laws supplemental thereto, and engaged in electrical heat, light or power business upon a mutual, nonprofit, and cooperative plan in rural areas, as hereinafter defined, are hereby recognized as quasi-public in their nature and purposes; but such cooperative associations, which operate within the corporate limits of any city shall be assessed on the basis of ~~43 percent~~ have a tax capacity of the market value of that portion of its property located within the corporate limits of any city as provided for in section 273.13, subdivisions 24 and 31.*

Sec. 30. [275.065] [PROPOSED PROPERTY TAXES; NOTICE.]

*Subdivision 1. [PROPOSED LEVY.] On or before August 1, each taxing authority shall adopt a proposed budget and certify to the county auditor the proposed property tax levy for taxes payable in the following year. For purposes of this section, "taxing authority" shall include all home rule and statutory cities with a population of over 2,500, counties, school districts, the metropolitan council, and the metropolitan regional transit commission.*

*Subd. 2. [TAX RATE COMPUTATIONS.] (a) The county auditor shall*

compute each taxing authority's tax capacity rate that when applied to the net tax capacity of the taxing district as of January 2 of the current year, excluding new construction, additions to structures, or property added to or deleted from the assessment rolls since the previous year's assessment, yields the taxing authority the same levy as the taxing authority levied the previous year. This tax capacity rate is the "no-increase tax rate."

(b) The county auditor shall compute a tax capacity rate that when applied to the net tax capacity of the taxing authority as of January 2 of the current year, including new construction, additions to structures, or property added to or deleted from the assessment rolls since the previous year's assessment, yields the authority's proposed levy for taxes levied in the current year. This tax capacity rate is the "proposed tax rate."

(c) The county auditor shall notify the taxing authority of its no-increase tax capacity rate and its proposed tax capacity rate on or before August 8. The taxing authority may amend its proposed levy but must certify to the county auditor by August 15 its final proposed levy and the date the taxing authority will hold a public hearing to adopt its budget and property tax levy.

(d) The county auditor shall recompute the taxing authority's proposed tax capacity rate to reflect any adjustments made by the taxing authority under paragraph (c), and notify the taxing authority of the proposed tax capacity rate and the percent, if any, by which the recomputed proposed tax capacity rate exceeds the no-increase tax capacity rate. That percent is the percentage increase in property taxes proposed by the taxing authority.

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) If there is a percentage increase in property taxes proposed by the taxing authority, on or before September 15, the county auditor shall compute for each parcel of property on the assessment rolls within the taxing authority the proposed property tax for taxes levied in the current year. In the case of cities under 2,500 population, and all special taxing districts except the metropolitan council and the metropolitan regional transit commission, the auditor shall use the taxing district's previous year tax capacity rate for use in computing the total property tax. The county auditor shall prepare and deliver by first class mail to each taxpayer at the address listed on the city's current year's assessment roll, a notice of the taxpayer's proposed property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) A notice in substantially the following form shall be sufficient.

*The advertisement must be no less than one-quarter page in size of a standard-size or a tabloid-size newspaper, and the headline in the advertisement shall be in a type no smaller than 18 point. The advertisement must not be placed in the part of the newspaper where legal notices and classified advertisements appear. The advertisement must be published in a newspaper of general paid circulation in the city. Whenever possible, the advertisement must appear in a newspaper that is published at least five days a week, unless the only newspaper in the city is published less than five days a week. The newspaper selected must be one of general interest and readership in the community, and not one of limited subject matter.*

(b) *If the taxing authority proposes a percentage increase in property taxes, the advertisement must be in the following form:*

**"NOTICE OF TAX INCREASE**

*The . . . . . (name of taxing authority) . . . . . has tentatively adopted a measure to increase its property tax levy by . . . . . (percentage of increase over no-increase rate) . . . . . percent.*

Subd. 6. [PUBLIC HEARING; ADOPTION OF BUDGET AND LEVY.] *Prior to October 25, the governing body of the city shall hold a public hearing to adopt its final budget and property tax levy for taxes payable in the following year. The hearing must be held not less than two days or more than five days after the day the notice is first published.*

*At the hearing the taxing authority may amend the proposed budget and property tax levy and must adopt a final budget and property tax levy. The property tax levy adopted may not exceed the final proposed levy determined under subdivision 2, paragraph (c).*

*At the hearing the percentage increase in property taxes proposed by the taxing authority, if any, and the specific purposes for which property tax revenues are being increased must be discussed. During the discussion, the governing body shall hear comments regarding a proposed increase and*

*explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions prior to adoption of any measures by the governing body. The governing body shall adopt its final property tax levy prior to adopting its final budget.*

*The hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No hearing may be held on a Sunday. The school board and county board shall not schedule public meetings on days scheduled for the hearing by the governing body of the city.*

*If the hearing is recessed, the taxing authority shall publish a notice in a qualified newspaper of general paid circulation in the city. The notice must state the time and place for the continuation of the hearing and must be published at least two days but not more than five days prior to the date the hearing will be continued.*

*Subd. 7. [CERTIFICATION OF COMPLIANCE.] At the time the taxing authority certifies its tax levy under section 275.07, it shall certify to the commissioner of revenue its compliance with this section. The certification must contain copies of the advertisement required under subdivision 5, the resolution adopting the final property tax levy under subdivision 6, and any other information required by the commissioner of revenue. If the commissioner determines that the taxing authority has failed to substantially comply with the requirements of this section, the commissioner of revenue shall notify the county auditor. When fixing rates under section 275.08 for a taxing authority that has not complied with this section, the county auditor must use the no-increase tax rate.*

Sec. 31. Minnesota Statutes 1987 Supplement, section 275.07, subdivision 1, is amended to read:

*Subdivision 1. The taxes voted by cities and, towns, counties, school districts, and special districts shall be certified by the proper authorities to the county auditor on or before October 10 25 in each year. The taxes of a school district must be certified to the commissioner of education by October 10 in each year certified shall not be adjusted by the aid received under section 273.1398, subdivisions 2 and 3. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year. If the local unit notifies the commissioner of revenue, or the commissioner of education in the case of a school district, before October 10 25 of its inability to certify its levy by that date, and the commissioner is satisfied that the delay is unavoidable and is not due to the negligence of the local unit's officials or staff, the commissioner shall extend the time within which the local unit shall certify its levy up to 15 calendar days beyond the date of request for extension. For 1988 only, the commissioner may extend the certification time to November 7 if the requirements of this subdivision are met.*

Sec. 32. Minnesota Statutes 1986, section 275.07, is amended by adding a subdivision to read:

*Subd. 3. The county auditor shall adjust each local government's levy certified under subdivision 1 by the amount of transition aid certified by section 273.1398, subdivision 2. If a local government's transition aid was further allocated between portions of its levy pursuant to section 273.1398, subdivision 2, paragraph (b)(2), the levy or fund to which the transition aid was allocated is the levy or fund which must be adjusted.*

Sec. 33. Minnesota Statutes 1986, section 275.08, is amended by adding

a subdivision to read:

*Subd. 1a. For taxes payable in 1989, the county auditor shall compute the gross tax capacity for each parcel according to the rates specified in section 273.13. The gross tax capacity will be the appropriate rate multiplied by the parcel's market value. For taxes payable in 1990 and subsequent years, the county auditor shall compute the net tax capacity for each parcel according to the rates specified in section 273.13. The net tax capacity will be the appropriate rate multiplied by the parcel's market value.*

Sec. 34. Minnesota Statutes 1986, section 275.08, is amended by adding a subdivision to read:

*Subd. 1b. The amounts certified under section 275.07 after adjustment under section 275.07, subdivision 3 by an individual local government unit shall be divided by the total gross tax capacity of all taxable properties within the local government unit's taxing jurisdiction for tax payable in 1989 and by the total net tax capacity of all taxable properties within the local government unit's taxing jurisdiction, for taxes payable in 1990 and thereafter. The resulting ratio, the local government's tax capacity rate, multiplied by each property's gross tax capacity for taxes payable in 1989 and net tax capacity for taxes payable in 1990 and subsequent years shall be each property's total tax for that local government unit before reduction by any credits.*

Sec. 35. Minnesota Statutes 1986, section 275.08, is amended by adding a subdivision to read:

*Subd. 1c. After the tax capacity rate of a local government has been determined pursuant to subdivision 1b, the auditor shall adjust the local government's tax capacity rate within each unique taxing jurisdiction as defined in section 273.1398, subdivision 1, in which the local government exercises taxing authority. The adjustment shall equal the unique taxing jurisdiction's disparity reduction aids allocated to the local government pursuant to section 273.1398, subdivision 3 divided by the total tax capacity of all taxable property within the unique taxing jurisdiction. The adjustment shall reduce the tax capacity rate of the local government within the unique taxing jurisdiction for which the adjustment was calculated.*

Sec. 36. [275.011] [MILL RATE LEVY LIMITATIONS; CONVERSION FROM MILLS TO DOLLARS.]

*Subdivision 1. The property tax levied for any purpose subject to a mill rate limitation imposed by statute or special law, excluding levies subject to mill rate limitations that use adjusted assessed values determined by the commissioner of revenue under section 124.2131, must not exceed the following amount for the years specified:*

*(a) for taxes payable in 1988, the product of the applicable mill rate limitation imposed by statute or special law multiplied by the total assessed valuation of all taxable property subject to the tax as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;*

*(b) for taxes payable in 1989, the product of (1) the property tax levy limitation for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property subject to the tax divided by the assessment year 1987 total market valuation of all taxable property subject to the tax; and*

(c) for taxes payable in 1990 and subsequent years, the product of (1) the property tax levy limitation for the previous year determined pursuant to this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property subject to the tax for the current assessment year divided by the total market valuation of all taxable property subject to the tax for the previous assessment year.

For the purpose of determining the property tax levy limitation for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property subject to the tax without valuation adjustments for fiscal disparities (chapter 473F), tax increment financing (sections 469.174 to 469.179), and high voltage transmission lines (section 273.425).

Subd. 2. A mill rate levy limitation imposed by statute or special law that is presently in effect, excluding those mill rate levy limitations that use adjusted assessed values determined by the commissioner of revenue under section 124.2131, shall be construed to allow no more and no less property taxes than the amount determined under this section.

Subd. 3. [COUNTY CAPITAL IMPROVEMENT MILL LIMITS.] For purposes of determining the mill rate limits applicable to county capital improvement programs under section 373.40, the mill rate limit applicable to the county must be divided by 0.45 and multiplied by the county's assessed value for taxes payable in 1988. The resulting dollar amount must be used in determining the limitation under the procedures provided by this section.

Sec. 37. Minnesota Statutes 1987 Supplement, section 275.50, subdivision 2, is amended to read:

Subd. 2. [GOVERNMENTAL SUBDIVISION.] (a) "Governmental subdivision" means a county, a home rule charter city, or a statutory city, except a home rule charter or statutory city that has a population of less than 2,500 according to the most recent federal census.

(b) "Governmental subdivision" also includes any home rule charter or statutory city or town that receives a distribution from the taconite municipal aid account in the levy year.

Sec. 38. Minnesota Statutes 1987 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1983 1988 payable in 1984 1989 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action; or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision; but only to the extent of the increase in levy for such judgments and out of court settlements over levy year 1970; taxes payable in 1971;

(b) pay the costs of complying with any written lawful order initially issued prior to January 1, 1977, by the state of Minnesota; or the United States; or any agency or subdivision thereof; which is authorized by law, statute, special act or ordinance and is enforceable in a court of competent jurisdiction; or any stipulation agreement or permit for treatment works or

disposal system for pollution abatement in lieu of a lawful order signed by the governmental subdivision and the state of Minnesota, or the United States, or any agency or subdivision thereof which is enforceable in a court of competent jurisdiction. The commissioner of revenue shall in consultation with other state departments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(e) pay the costs to a governmental subdivision for their minimum required share of any program otherwise authorized by law for which matching funds have been appropriated by the state of Minnesota or the United States, excluding the administrative costs of public assistance programs, to the extent of the increase in levy over the amount levied for the local share of the program for the taxes payable year 1971. This clause shall apply only to those programs or projects for which matching funds have been designated by the state of Minnesota or the United States on or before September 1, of the previous year and only when the receipt of these matching funds is contingent upon the initiation or implementation of the project or program during the year in which the taxes are payable or those programs or projects approved by the commissioner;

(d) (a) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. Except for the costs of general assistance as defined in section 256D.02, subdivision 4, general assistance medical care under section 256D.03 and the costs of hospital care pursuant to section 261.21, the aggregate amounts levied pursuant to this clause are subject to a maximum increase of 18 percent over the amount levied for these purposes in the previous year. *Effective with taxes levied in 1989, the portion of this special levy for income maintenance programs identified in section 273.1398, subdivision 1, paragraph (i), is eliminated;*

(e) (b) pay the costs of principal and interest on bonded indebtedness except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(f) (c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(g) (d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(h) (e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(i) pay the amounts required to compensate for a decrease in manufactured homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 274.19, subdivision 8, as amended, is less than the distribution of the manufactured homes tax to the governmental subdivision pursuant to

Minnesota Statutes 1969, section 273.13, subdivision 3, in calendar year 1971;

(j) (f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(k) (g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(l) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

(m) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) the increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) the amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and nonresidential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy"

for the increased costs of municipal services provided to new private industrial and nonresidential commercial development. If the actual increase in a county's income maintenance aid referred to in section 273.1398, subdivision 2, paragraph (d) is less than or greater than the amount added to a county's adjusted levy limit base in the prior year, its adjusted levy limit base for the subsequent year will be increased or decreased by the appropriate amount.*

The dollar amount of the areawide tax shall be levied against the portion of commercial-industrial gross tax capacity equal to the portion of commercial-industrial assessed value that would have been subject to the areawide tax under Minnesota Statutes 1986. Prior to November 20, 1988, the county auditors with the assistance of the county assessors shall determine the gross tax capacity of commercial-industrial property in each municipality as of the January 2, 1971, assessment. The actual market value of property within a district, on which its debt limit under this subdivision is based, is (a) the value certified by the county auditors and, where applicable, by the commissioner of revenue under section 270.87, or (b) this value divided by the ratio certified by the commissioner of revenue, whichever results in a higher value.

market value of a qualifying parcel and the taxes attributable to the first \$120,000 of market value are eligible for the computation of this credit. Only a parcel that qualifies for the 28 percent assessment ratio contained in section 273.13, subdivision 24, paragraph (a), qualifies for the credit provided in this section. *Only the market value and property tax attributable to the part of the parcel that is class 3a must be used in computing the credit provided in this section.*

~~In the case of taxes paid in installments pursuant to section 279.01, subdivision 1, the credit under this section must be deducted from the second one-half installment payable October 15.~~ The amount of the reduction must be reported to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29.

There is annually appropriated from the general fund to the commissioners of revenue and education the amount necessary to replace the revenue lost to local units of government and school districts as a result of the reduction in property taxes provided in this section. The payment amounts must be determined and the installments paid under the provisions of sections 273.13, subdivision 15a, and 273.1392.

Sec. 8. Minnesota Statutes 1986, section 273.121, is amended to read:  
273.121 [VALUATION OF REAL PROPERTY, NOTICE.]

Any county assessor or city assessor having the powers of a county assessor, valuing or classifying taxable real property shall in each year notify those persons whose property is to be assessed or reclassified that year if the person's address is known to the assessor, otherwise the occupant of the property. ~~In the case of property owned by a married couple in joint tenancy or tenancy in common, the assessor shall not deny homestead treatment in whole or in part if only one of the spouses is occupying the property and the other spouse is absent due to divorce or separation, or is a resident of a nursing home or a boarding care facility.~~ The notice shall be in writing and shall be sent by ordinary mail at least ten days before the meeting of the local board of review or equalization. It shall contain the amount of the valuation in terms of market value, the new classification, the assessor's office address, and the dates, places, and times set for the meetings of the local board of review or equalization and the county board of equalization. If the assessment roll is not complete, the notice shall be sent by ordinary mail at least ten days prior to the date on which the board of review has adjourned. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed. Any assessor who is not provided sufficient funds from the assessor's governing body to provide such notices, may make application to the commissioner of revenue to finance such notices. The commissioner of revenue shall conduct an investigation and, if satisfied that the assessor does not have the necessary funds, issue a certification to the commissioner of finance of the amount necessary to provide such notices. The commissioner of finance shall issue a warrant for such amount and shall deduct such amount from any state payment to such county or municipality. The necessary funds to make such payments are hereby appropriated. Failure to receive the notice shall in no way affect the validity of the assessment, the resulting tax, the procedures of any board of review or equalization, or the enforcement of delinquent taxes by statutory means.

Sec. 9. Minnesota Statutes 1986, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a homestead. Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

The assessor shall require proof, by affidavit or otherwise, of the facts upon which classification as a homestead may be determined.

For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

*In the case of property owned by a married couple in joint tenancy or tenancy in common, the assessor must not deny homestead treatment in whole or in part if only one of the spouses is occupying the property and the other spouse is absent due to divorce or separation, or is a resident of a nursing home or a boarding care facility.*

*If an individual is purchasing property with the intent of claiming it as a homestead, and is required by the terms of the financing agreement to have one or both parents shown on the deed as coowners, the assessor shall allow a full homestead classification and extend full homestead credit. This provision only applies to first time purchasers, whether married or single, or to a person who had previously been married and is purchasing as a single individual for the first time. The application for homestead benefits must be on a form prescribed by the commissioner and must contain the data necessary for the assessor to determine if full homestead benefits are warranted.*

Sec. 10. Minnesota Statutes 1986, section 273.124, subdivision 6, is amended to read:

Subd. 6. [LEASEHOLD COOPERATIVES.] When one or more dwellings or one or more buildings which each contain several dwelling units is owned by a nonprofit corporation subject to the provisions of chapter 317 or a limited partnership which corporation or partnership operates the property in conjunction with a cooperative association, homestead treatment may be claimed by the cooperative association on behalf of the members of the cooperative for each dwelling unit occupied by a member of the cooperative. The cooperative association must provide the assessor with the social security numbers of those members. To qualify for the treatment provided by this subdivision, the following conditions must be met: (a) the cooperative association must be organized under sections 308.05 to 308.18; (b) the cooperative association must have a lease for occupancy of the property for a term of at least 20 years; (c) to the extent permitted under state or federal law, the cooperative association must have a right under a written agreement with the owner to purchase the property if the owner proposes to sell it; if the cooperative association does not purchase the property when it is offered for sale, the owner may not subsequently

sell the property to another purchaser at a price lower than the price at which it was offered for sale to the cooperative association unless the cooperative association approves the sale; and (d) if a limited partnership owns the property, it must include as the managing general partner either the cooperative association or a nonprofit organization operating under the provisions of chapter 317. Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

Sec. 11. Minnesota Statutes 1986, section 277.05, is amended to read:

277.05 [SHERIFF TO FILE LIST OF UNCOLLECTED TAXES.]

If the sheriff is unable, for want of goods and chattels whereon to levy, to collect by a distress, or otherwise, the taxes, or any part thereof, assessed upon the personal property of any persons, the sheriff shall file with the court administrator of the district court, on September first following, a list of such taxes, with an affidavit of the sheriff, or of the deputy sheriff entrusted with the collection thereof, stating that the affiant has made diligent search and inquiry for goods and chattels from which to collect such taxes, and is unable to collect the same. *The list of such taxes as they apply to manufactured homes shall be filed on December 1. The sheriff shall note on the margin of such list the place to which any delinquent taxpayer may have removed, with the date of removal, if known. At the time of filing the list the sheriff shall also return all the warrants with endorsements thereon showing the doings of the sheriff or deputy in the premises, and the court administrator shall file and preserve the same. On or before September tenth thereafter, the court administrator shall deliver such list and affidavit to the county treasurer, who shall, by comparison of such list with the tax duplicates in the treasurer's office, ascertain whether or not all personal property taxes reported by the treasurer to the court administrator as delinquent, except those included in such list, have been paid into the treasurer's office, and shall attach to the list a certificate stating whether or not all taxes reported by the treasurer to the court administrator as delinquent and not included in the list have been received, and stating the items of such taxes, if any, as have been received. The court administrator shall deliver such list and affidavit as they apply to manufactured homes on or before December 10. The treasurer shall deliver such list and affidavit, with the certificate attached, to the county board at its first session thereafter, which shall cancel such taxes as it is satisfied cannot be collected. A copy of the tax list so revised, and also a separate list of the taxes so canceled, shall be included in the records of the proceedings of the board, and published in full, as a part of the proceedings.*

Sec. 12. Minnesota Statutes 1986, section 277.06, is amended to read:

277.06 [CITATION TO DELINQUENTS; DEFAULT JUDGMENT.]

Within ten days thereafter after the list has been filed, the court administrator shall issue a citation to each delinquent*

named in the list, stating the amount of tax and penalty, and requiring such delinquent to appear on a day to be set by the district court in the county, appointed to be held at a time not less than 30 days after the issuance of such citation, and show cause, if any there be, why the delinquent should not pay the tax and penalty. The citation shall be delivered for service to the sheriff of the county where such person may at the time reside or be. If such person, after service of the citation, fails to pay such tax, penalty, and costs to the sheriff before the first day of the term, or on such day to show cause as aforesaid, the court shall direct judgment against the person for the amount of such tax, penalty, and costs. When unable to serve the citation, the sheriff shall return the same to the court administrator, with a return thereto to that effect, and thereupon, or if the court decides that the service of such citation made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation, requiring such delinquent to appear on the first day of the next general term to be held in the county, and show cause as aforesaid, and if the delinquent fails to pay or to show cause, the court shall direct judgment as aforesaid. Whenever the sheriff has been unable to serve any such citation theretofore issued in any year or years, or whenever the court decides that the service of any such citation theretofore made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation requiring such delinquent to appear, as in the case last provided, and with like effect; provided, that all citations other than the first shall be issued only on the request of the county attorney.

Sec. 13. Minnesota Statutes 1987 Supplement, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, on May 16, of each year, with respect to property actually occupied and used as a homestead by the owner of the property, a penalty of three percent shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer, and a penalty of seven percent on nonhomestead property, except that this penalty shall not accrue until June 1 of each year on commercial use real property used for seasonal residential recreational purposes and classified as class 4d or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before June 1 shall attach an affidavit to the payment attesting to compliance with the income provision of this subdivision. Thereafter, for both homestead and nonhomestead property, on the 16th first day of each month, up to and including October 16 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes. When the taxes against any tract or lot exceed \$50, one-half thereof may be paid prior to May 16; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of four percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the 16th day of each month up to and including December 16 first day of November and December following, an additional penalty of two percent for each month shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property,

on the ~~16th~~ day of each month up to and including December 16 first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding \$50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 14. Minnesota Statutes 1986, section 279.01, subdivision 3, is amended to read:

Subd. 3. In the case of class 1b agricultural homestead, class 2a agricultural homestead property, and class 2c agricultural nonhomestead property, no penalties shall attach to the second one-half property tax payment as provided in this section if paid by November 15. Thereafter for class 1b agricultural homestead and class 2a homestead property, on November 16 following, a penalty of six percent shall accrue and be charged on all such unpaid taxes and on December ~~16~~ 1 following, an additional two percent shall be charged on all such unpaid taxes. Thereafter for class 2c agricultural nonhomestead property, on November 16 following, a penalty of eight percent shall accrue and be charged on all such unpaid taxes and on December ~~16~~ 1 following, an additional four percent shall be charged on all such unpaid taxes.

If the owner of class 1b agricultural homestead, class 2a, or class 2c agricultural property receives a consolidated property tax statement that shows only an aggregate of the taxes and special assessments due on that property and on other property not classified as class 1b agricultural homestead, class 2a, or class 2c agricultural property, the aggregate tax and special assessments shown due on the property by the consolidated statement will be due on November 15 provided that at least 50 percent of the property's market value is classified class 1b agricultural, class 2a, or class 2c agricultural.

Sec. 15. [375.1691] [JUDICIAL ORDER AFTER BUDGET PREPARATION.]

*Notwithstanding any law to the contrary, a judicial order compelling payment out of county funds shall not be paid unless approved by the county board, if a budget request for the item was not submitted to the county board prior to adoption of the budget in effect for the fiscal year. If the county board refuses to approve payment, the order may be paid in the first fiscal year for which a budget is approved after receipt of the order. This section does not apply to a judgment or other award against the county that is a result of litigation to which the county or a county official in an official capacity was a party.*

Sec. 16. Minnesota Statutes 1986, section 375.192, subdivision 1, is amended to read:

Subdivision 1. Notwithstanding section 270.07, upon written application by the owner of the property, the county board may grant a reduction, for the current year, of the assessed valuation of any real property in that county which erroneously has been classified, for tax purposes, as non-homestead property, as is necessary to give it the assessed valuation which it would have received if it had been classified correctly. The application shall be made on a form prescribed by the commissioner of revenue. It shall include the social security number of the applicant and a statement of facts of ownership and occupancy. *The social security number of the property owner is private data on individuals as defined by section 13.02, subdivision 12.* It shall be sworn to by the owner of the property before an officer authorized to take acknowledgments. Before it is acted upon by the county board, the application shall be referred to the county assessor, or if the property is located in a city of the first class having a city assessor, to the city assessor, who shall investigate the facts and attach a report of the investigation to the application.

With respect to abatements relating to the current year's tax processed through June 30, the county auditor shall notify the commissioner of revenue on or before July 31 of that same year of all applications granted pursuant to this subdivision. With respect to abatements relating to the current year's tax processed after June 30 through the balance of the year, the county auditor shall notify the commissioner of revenue on or before the following January 31 of all applications granted pursuant to this subdivision. The form submitted by the county auditor shall be prescribed by the commissioner of revenue and shall contain the information which the commissioner deems necessary.

Sec. 17. Minnesota Statutes 1987 Supplement, section 475.61, subdivision 3, is amended to read:

Subd. 3. [IRREVOCABILITY.] Tax levies so made and filed shall be irrevocable, except as provided in this subdivision.

In each year when there is on hand any excess amount in the debt redemption fund of a school district at the time the district makes its property tax levies, the amount of the excess shall be certified by the school board to the ~~commissioner of education who shall compute the reduced tax levy, after adjustment for the homestead credit replacement aid paid pursuant to section 273.1394, the agricultural credit replacement aid paid pursuant to section 273.1395, and the tax base adjustment pursuant to section 273.1396.~~ The commissioner of education shall certify the adjusted ~~reduced tax levy~~ to the county auditor and the auditor shall reduce the tax levy otherwise to be included in the rolls next prepared by the amount certified, unless the school board determines that the excess amount is necessary to ensure the prompt and full payment of the obligations and any call premium on the obligations, or will be used for redemption of the obligations in accordance with their terms. An amount shall be presumed to be excess for a school district in the amount that it, together with the levy required by subdivision 1, will exceed 106 percent of the amount needed to meet when due the principal and interest payments on the obligations due before the second following July 1. This subdivision shall not limit a school board's authority to specify a tax levy in a higher amount if necessary because of anticipated tax delinquency or for cash flow needs

to meet the required payments from the debt redemption fund.

If the governing body, including the governing body of a school district, in any year makes an irrevocable appropriation to the debt service fund of moneys actually on hand or if there is on hand any excess amount in the debt service fund, the recording officer may certify to the county auditor the fact and amount thereof and the auditor shall reduce by the amount so certified the amount otherwise to be included in the rolls next thereafter prepared.

Sec. 18. Minnesota Statutes 1986, section 477A.015, is amended to read:

477A.015 [PAYMENT DATES.]

*Subdivision 1. A county auditor may make a final certification of prior year adjustments not previously claimed for wetlands credit and reimbursement, native prairie credit and reimbursement, and the small business credit in the 1989 abstract of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy and make the changes deemed necessary. After they have been reviewed, the commissioner shall include these prior year adjustments in the 1989 aid payments.*

*Subd. 2. A county auditor may make a final certification of prior year adjustments not previously claimed for homestead credit and agricultural credit in the 1990 abstract of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy and make the changes deemed necessary. After they have been reviewed, the commissioner shall include these prior year adjustments in the 1990 aid payments.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 270.485, is amended to read:

270.485 [SENIOR ACCREDITATION.]

By January 1, ~~1989~~ *1990, or in the case of a county assessor within one year of the first appointment under section 273.061, whichever is later*, every county assessor and senior appraiser, including the department's regional representatives, must obtain senior accreditation from the state board of assessors. The board shall provide the necessary courses or training. If a department senior appraiser or regional representative fails to obtain senior accreditation by January 1, ~~1989~~ *1990*, the failure shall be grounds for dismissal, disciplinary action, or corrective action. *Except as provided in section 273.061, subdivision 2, paragraph (c), after December 30, ~~1988~~ 1989*, the commissioner must not approve the appointment of a county assessor who is not senior accredited by the state board of assessors. No employee hired by the commissioner as a senior appraiser or regional representative after June 30, 1987, shall attain permanent status until the employee obtains senior accreditation.

Sec. 4. Minnesota Statutes 1986, section 273.01, is amended to read:  
273.01 [LISTING AND ASSESSMENT, TIME.]

All real property subject to taxation shall be listed and at least one-fourth of the parcels listed shall be appraised each year with reference to their value on January 2 preceding the assessment so that each parcel shall be reappraised at maximum intervals of four years. All real property becoming taxable in any year shall be listed with reference to its value on January 2 of that year. Except for the corrections permitted herein as provided in section 274.01, subdivision 1, all real property assessments shall be completed two weeks prior to the date scheduled for the local board of review or equalization and no valuations entered thereafter shall be of any force and effect. In the event a valuation and classification is not placed on any real property by the dates scheduled for the local board of review or equalization the valuation and classification determined in the preceding assessment shall be continued in effect and the provisions of section 273.13 shall, in such case, not be applicable, except with respect to real estate which has been constructed since the previous assessment. ~~The county assessor or any assessor in any city of the first class may either before or after the dates specified herein correct any errors in valuation of any parcels of property, that may have been incurred in the assessment; provided, that in the case of such correction it increases the valuation of any parcel of property, the assessor shall notify the owner of record or the person to whom the tax statement is mailed. Not more than two percent of the total number of parcels in the assessor's jurisdiction may be corrected after the dates specified herein and in the event of any corrections in excess of the authorized number of such corrections, all corrections shall be void.~~ Real property containing iron ore, the fee to which is owned by the state of Minnesota, shall, if leased by the state after January 2 in any year, be subject to assessment for that year on the value of any iron ore removed under said lease prior to January 2 of the following year. Personal property subject to taxation shall be listed and assessed annually with reference to its value on January 2; and, if acquired on that day, shall be listed by or for the person acquiring it.

Sec. 5. Minnesota Statutes 1986, section 273.05, subdivision 1, is amended to read:

Subdivision 1. [APPOINTMENT OF TOWN AND CITY ASSESSORS.] Notwithstanding any other provision of law all town assessors shall be appointed by the town board, and notwithstanding any charter provisions to the contrary, all city assessors shall be appointed by the city council or other appointing authority as provided by law or charter. Such assessors shall be residents of the state but need not be a resident of the town or city for which they are appointed. They shall be selected and appointed because of their knowledge and training in the field of property taxation. All town and statutory city assessors shall be appointed for indefinite terms. *The term of the town or city assessors may be terminated at any time by the town board or city council on charges by the commissioner of revenue of inefficiency or neglect of duty.* Vacancies in the office of town or city assessor shall be filled within 90 days by appointment of the respective appointing authority indicated above. If the vacancy is not filled within 90 days, the office shall be terminated. When a vacancy in the office of town or city assessor is not filled by appointment, and it is imperative that the office of assessor be filled, the county auditor shall appoint some resident of the county as assessor for such town or city. The county auditor may

appoint the county assessor as assessor for such town or city, in which case the town or city shall pay to the county treasurer the amount determined by the county auditor to be due for the services performed and expenses incurred by the county assessor in acting as assessor for such town or city. The term of any town or statutory city assessor in a county electing in accordance with section 273.052 shall be terminated as provided in section 273.055.

*The commissioner of revenue may recommend to the state board of assessors the nonrenewal, suspension, or revocation of an assessor's license as provided in sections 270.41 to 270.53.*

Sec. 6. Minnesota Statutes 1987 Supplement, section 273.061, subdivision 1, is amended to read:

Subdivision 1. [OFFICE CREATED; APPOINTMENT, QUALIFICATIONS.] Every county in this state shall have a county assessor. The county assessor shall be appointed by the board of county commissioners and shall be a resident of this state. The assessor shall be selected and appointed because of knowledge and training in the field of property taxation and appointment shall be approved by the commissioner of revenue before the same shall become effective. Upon receipt by the county commissioners of the commissioner of revenue's refusal to approve an appointment, the term of the appointee shall terminate at the end of that day. Notwithstanding any law to the contrary, a county assessor must have senior accreditation from the state board of assessors by January 1, ~~1989~~ 1990, or within one year of the assessor's first appointment under this section, whichever is later.

Sec. 7. Minnesota Statutes 1986, section 273.061, subdivision 2, is amended to read:

Subd. 2. [TERM; VACANCY.] (a) The terms of county assessors appointed under this section shall be four years. A new term shall begin on January 1 of every fourth year after 1973. When any vacancy in the office occurs, the board of county commissioners, within 30 days thereafter, shall fill the same by appointment for the remainder of the term, following the procedure prescribed in subdivision 1. The term of the county assessor may be terminated by the board of county commissioners at any time, on charges of inefficiency or neglect of duty by the commissioner of revenue. If the board of county commissioners does not intend to reappoint a county assessor who has been certified by the state board of assessors, the board shall present written notice to the county assessor not later than 90 days prior to the termination of the assessor's term, that it does not intend to reappoint the assessor. If written notice is not timely made, the county assessor will automatically be reappointed by the board of county commissioners.

*The commissioner of revenue may recommend to the state board of assessors the nonrenewal, suspension, or revocation of an assessor's license as provided in sections 270.41 to 270.53.*

(b) In the event of a vacancy in the office of county assessor, through death, resignation or other reasons, the deputy (or chief deputy, if more than one) shall perform the functions of the office. If there is no deputy, the county auditor shall designate a person to perform the duties of the office until an appointment is made as provided in clause (a). Such person shall perform the duties of the office for a period not exceeding 30 days

during which the county board must appoint a county assessor. Such 30-day period may, however, be extended by written approval of the commissioner of revenue.

*(c) In the case of the first appointment under paragraph (a) of a county assessor who is accredited but who does not have senior accreditation, an approval of the appointment by the commissioner shall be for a term of one year. A county assessor appointed to a one-year term under this paragraph must reapply to the commissioner at the end of the one-year term. The commissioner shall not approve the appointment for the remainder of the four-year term unless the assessor has obtained senior accreditation.*

Sec. 8. Minnesota Statutes 1987 Supplement, section 274.01, subdivision 1, is amended to read:

Subdivision 1. [ORDINARY BOARD; MEETINGS, DEADLINES, GRIEVANCES.] (a) The town board of a town, or the council or other governing body of a city, is the board of review except in cities whose charters provide for a board of equalization. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting. The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. *No changes in valuation may be made by the county assessor after the board of review or the county board of equalization has adjourned. This restriction does not apply to corrections of errors that are merely clerical or administrative in nature.*

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just.

(c) A local board of review may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board of review without regard to the one percent limitation.

(d) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend, with the assessment books and papers, and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor shall attend the meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board and all items of property increased or decreased,

with the market value of each item of property, added or changed by the board, placed opposite the item. The county assessor shall enter all changes made by the board in the assessment book.

(e) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of equalization for a review of the assessment or classification. This paragraph does not apply if an assessment was made after the board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board of review meeting.

(f) The board of review or the board of equalization must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be heard and determined by the county board of equalization. A nonresident may, at any time, before the meeting of the board of review file written objections to an assessment or classification with the county assessor. The objections must be presented to the board of review at its meeting by the county assessor for its consideration.

#### Sec. 9. [COUNTY ASSESSORS; SENIOR ACCREDITATION.]

*Notwithstanding Minnesota Statutes, section 273.061, the commissioner of revenue's approval on January 1, 1989, of appointments of assessors who are not senior accredited on January 1, 1989, shall be for a term of one year. A county assessor appointed for a one-year term must reapply to the commissioner by January 1, 1990, to obtain the approval of the commissioner for the remainder of the four-year term.*

#### Sec. 10. [APPROPRIATION.]

*There is appropriated to the state board of assessors from the general fund the amount of \$10,000 to be used in fiscal year 1989 for adopting rules under section 2.*

#### Sec. 11. [EFFECTIVE DATE.]

*Section 1 is effective the day after final enactment.*

(d) require local agencies to make an adjustment to the public assistance benefits issued to any individual consistent with federal law and regulation and state law and rule and to issue or recover benefits as appropriate;

(e) delay or deny payment of all or part of the state and federal share of benefits and administrative reimbursement according to the procedures set forth in section 256.016; and

(f) make contracts with and grants to public and private agencies and organizations, both profit and nonprofit, and individuals, using appropriated funds.

(2) Inform local agencies, on a timely basis, of changes in statute, rule, federal law, regulation, and policy necessary to local agency administration of the programs.

(3) Administer and supervise all child welfare activities; promote the enforcement of laws protecting handicapped, dependent, neglected and delinquent children, and children born to mothers who were not married to the children's fathers at the times of the conception nor at the births of the children; license and supervise child-caring and child-placing agencies and institutions; supervise the care of children in boarding and foster homes or in private institutions; and generally perform all functions relating to the field of child welfare now vested in the state board of control.

(3) (4) Administer and supervise all noninstitutional service to handicapped persons, including those who are visually impaired, hearing impaired, or physically impaired or otherwise handicapped. The commissioner may provide and contract for the care and treatment of qualified indigent children in facilities other than those located and available at state hospitals when it is not feasible to provide the service in state hospitals.

(4) (5) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(5) (6) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expenditures for medical care to

recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

~~(6)~~ (7) Establish and maintain any administrative units reasonably necessary for the performance of administrative functions common to all divisions of the department.

~~(7) Administer and supervise any additional welfare activities and services as are vested by law in the department.~~

(8) The commissioner is designated as guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded.

(9) Act as coordinating referral and informational center on requests for service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or statewide schedules of maximum fees and charges which may be paid by local agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed four years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to statewide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(13) In accordance with federal requirements establish procedures to be followed by local welfare boards in creating citizen advisory committees, including procedures for selection of committee members.

(14) Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs. For the medical assistance and AFDC programs, disallowances shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for the AFDC and medical assistance programs. For the food stamp program, sanctions shall be shared by each county board, with 50 percent of the sanction being distributed to each county in the same proportion as that county's administrative costs for food stamps are to the total of all food stamp administrative costs for all counties, and 50 percent of the sanctions being distributed to each county in the same proportion as that county's value of food stamp benefits issued are to the total of all benefits issued for all counties. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. All money in the account is appropriated to the commissioner for the purposes of this paragraph.

(16) Have the authority to make direct payments to facilities providing shelter to women and their children pursuant to section 256D.05, subdivision 3. Upon the written request of a shelter facility that has been denied payments under section 256.05, subdivision 3, the commissioner shall review all relevant evidence and make a determination within 30 days of the request for review regarding issuance of direct payments to the shelter facility. Failure to act within 30 days shall be considered a determination not to issue direct payments.

## Sec. 2. [256.016] [COMPLIANCE SYSTEM.]

*Subdivision 1. [AUTHORITY AND PURPOSE.] The commissioner shall administer a compliance system for aid to families with dependent children, the food stamp program, emergency assistance, general assistance, work readiness, medical assistance, general assistance medical care, emergency general assistance, Minnesota supplemental assistance, preadmission screening, and alternative care grants under the powers and authorities named in section 256.01, subdivision 2. The purpose of the compliance system is to permit the commissioner to supervise the administration of public assistance programs and to enforce timely and accurate distribution*

*of benefits, completeness of service and efficient and effective program management and operations, to increase uniformity and consistency in the administration and delivery of public assistance programs throughout the state, and to reduce the possibility of sanctions and fiscal disallowances for noncompliance with federal regulations and state statutes.*

*The commissioner shall utilize training, technical assistance, and monitoring activities, as specified in section 256.01, subdivision 2, to encourage local agency compliance with written policies and procedures.*

*Subd. 2. [DEFINITIONS.] The following terms have the meanings given for the purpose of this section.*

*(a) "Administrative penalty" means an adjustment against the local agency's state and federal benefit and federal administrative reimbursement when the commissioner determines that the local agency is not in compliance with the policies and procedures established by the commissioner.*

*(b) "Quality control case penalty" means an adjustment against the local agency's federal administrative reimbursement and state and federal benefit reimbursement when the commissioner determines through a quality control review that the local agency has made incorrect payments, terminations, or denials of benefits as determined by state quality control procedures for the aid to families with dependent children, food stamp, or medical assistance programs, or any other programs for which the commissioner has developed a quality control system. Quality control case penalties apply only to agency errors as defined by state quality control procedures.*

*(c) "Quality control" means a review system of a statewide random sample of cases, designed to provide data on the accuracy with which state and federal policies are being applied in issuing benefits and as a fiscal audit to ensure the accuracy of expenditures. The quality control system is administered by the department. For the aid to families with dependent children, food stamp, and medical assistance programs, the quality control system is that required by federal regulation.*

*Subd. 3. [QUALITY CONTROL CASE PENALTY.] The department shall disallow, withhold, or deny state and federal benefit reimbursement and federal administrative reimbursement payment to a county when the commissioner determines that the county has incorrectly issued benefits or incorrectly denied or terminated benefits. These cases shall be identified by state quality control reviews.*

*Subd. 4. [DETERMINING THE AMOUNT OF THE QUALITY CONTROL CASE PENALTY.] (a) The amount of the quality control case penalty is limited to the amount of the dollar error for the quality control sample month in a reviewed case as determined by the state quality control review procedures for the aid to families with dependent children and food stamp programs or for any other income transfer program for which the commissioner develops a quality control program.*

*(b) Payment errors in medical assistance or any other medical services program for which the department develops a quality control program are subject to set rate penalties based on the average cost of the specific quality control error element for a sample review month for that household size and status of institutionalization and as determined from state quality control data in the preceding fiscal year for the corresponding program.*

(c) Errors identified in negative action cases, such as incorrect terminations or denials of assistance are subject to set rate penalties based on the average benefit cost of that household size as determined from state quality control data in the preceding fiscal year for the corresponding program.

*Subd. 5. [ADMINISTRATIVE PENALTIES.] The department shall disallow or withhold state and federal benefit reimbursement and federal administrative reimbursement from local agencies when the actions performed by the local agency are not in compliance with the written policies and procedures established by the commissioner. The policies and procedures must be previously communicated to the local agency. A local agency shall not be penalized for complying with a written policy or procedure, even if the policy or procedure is found to be erroneous and is subsequently rescinded by the commissioner.*

*Subd. 6. [DETERMINING THE AMOUNT OF THE ADMINISTRATIVE PENALTY.] The amount of the penalty imposed on any local agency is based on the numbers of public assistance applicants and recipients that may be affected by the local agency's failure to comply with the policies and procedures established by the commissioner, the fiscal impact of the local agency's action, and the duration of the noncompliance as determined by the commissioner. Administrative penalties shall be imposed independent of any quality control case penalties.*

*Subd. 7. [PROCESS AND EXCEPTION.] (a)(1) The department shall notify the local agency in writing of all proposed quality control case penalties.*

*(2) The local agency may submit a written exception of the quality control error claim and proposed penalty. The exception must be submitted to the commissioner within ten calendar days of the receipt of the penalty notice.*

*(3) Within 20 calendar days of receipt of the written exception, the commissioner shall sustain, dismiss, or amend the quality control findings and case penalty and notify the local agency, in writing, of the decision and the amount of any penalty. The commissioner's decision is not subject to judicial review.*

*(b)(1) The department shall notify the local agency in writing of any proposed administrative penalty, the date by which the local agency must correct the issues noted in the penalty, and the time period within which the local agency must submit a corrective action plan for compliance.*

*(2) If the local agency fails to submit a corrective action plan within the stated time period, or if the corrective action plan does not bring the agency into compliance as determined by the department, or if the local agency fails to meet the commitments in the corrective action plan, the department shall issue the administrative penalty and notify the local agency in writing.*

*(3) The local agency may file written exception to the administrative penalty with the commissioner within 30 days of the receipt of the department's notice of issuing the administrative penalty. The local agency must notify the commissioner of its intent to file a written exception within ten days of the delivery of the department's notice of the administrative penalty. If the local agency does not notify the commissioner of its intent to file and does not file a written exception within the prescribed time periods,*

*the department's initial decision shall be final.*

*(4) The commissioner shall sustain, dismiss, or amend the administrative penalty findings, and shall issue a written order to the local agency within 30 calendar days after receiving the local agency's written exception.*

**Subd. 8. [JUDICIAL REVIEW.]** *A local agency that is aggrieved by the order of the commissioner in an administrative penalty of over \$75,000, or 1.5 percent of the total benefit expenditures for the income maintenance programs listed in subdivision 1, for that county, whichever is the lesser amount, may appeal the order to the court of appeals by serving a written copy of a notice of appeal upon the commissioner within 30 days after the date the commissioner issued the administrative penalty order, and by filing the original notice and proof of service with the court administrator of the court of appeals. Service may be made personally or by mail. Service by mail is complete upon mailing. The record of review shall consist of the advance notice of the administrative penalty to the local agency, the local agency corrective action plan if any, the final notice of the administrative penalty, the local agency's written exception to the administrative penalty order, and any other material submitted for the commissioner's consideration, and the commissioner's final written order. The court may affirm the commissioner's decision or remand the case for further proceedings, or it may reverse or modify the decision if the substantial rights of the local agency have been prejudiced because the decision is: (1) in excess of the statutory authority or jurisdiction of the agency; (2) unsupported by substantial evidence in view of the entire record as submitted; (3) arbitrary or capricious; or (4) in violation of constitutional provisions.*

**Subd. 9. [TIMING AND DISPOSITION OF PENALTY AND CASE DISALLOWANCE FUNDS.]** *Quality control case penalty and administrative penalty amounts shall be disallowed or withheld from the next regular reimbursement made to the county agency for state and federal benefit reimbursements and federal administrative reimbursements for all programs covered in this section, according to procedures established in statute, but shall not be imposed sooner than 30 calendar days from the date of written notice of such penalties. All penalties must be deposited in the county incentive fund provided in section 256.017. All penalties must be imposed according to this provision until a decision is made regarding the status of a written exception. Penalties must be returned to local agencies when a review of a written exception results in a decision in their favor.*

**Subd. 10. Sec. 14. Minnesota Statutes 1987 Supplement, section 256B.091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall

provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4 and nursing home or boarding care home residents who request a screening. Prior to July of each year, the commissioner shall allocate state funds available for alternative care grants to each local agency. This allocation must be made as follows: half of the state funds available for alternative care grants must be allocated to each county according to the total number of adults in that county who are recipients age 65 or older who are reported to the department by March 1 of each state fiscal year and half of the state funds available for alternative care grants must be allocated to a county according to that county's number of Medicare enrollments age 65 or older for the most recent statistical report. Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home or boarding care home admission, or continued stay if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within 180 days of admission to a nursing home; (3) who need services that are not available at that time in the county through other public assistance; and (4) who are age 65 or older.

The commissioner shall establish by rule, in accordance with chapter 14, procedures for determining grant reallocations, limits on the rates for payment of approved services, including screenings, and submittal and approval of a biennial county plan for the administration of the preadmission screening and alternative care grants program. Grants may be used for payment of costs of providing care-related supplies, equipment, and services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2), and that a client's service needs and eligibility is reassessed at least every six months. The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care and to the commissioner that the most cost-effective alternatives available have been offered to the individual and that the individual was free to choose among available qualified providers, both public and private. The county agency shall document to the commissioner that the agency made reasonable efforts to inform potential providers of the anticipated need for services under the alternative care grants program, including a minimum of 14 days written advance notice of the opportunity to be selected as a service provider and an annual public meeting with providers to explain and review the criteria for selection, and that the agency allowed potential providers an opportunity to be selected to contract with the county board. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

The county must select providers for contracts or agreements using the following criteria and other criteria established by the county:

- (1) the need for the particular services offered by the provider;
- (2) the population to be served, including the number of clients, the length of time services will be provided, and the medical condition of clients;
- (3) the geographic area to be served;
- (4) quality assurance methods, including appropriate licensure, certification, or standards, and supervision of employees when needed;
- (5) rates for each service and unit of service exclusive of county administrative costs;
- (6) evaluation of services previously delivered by the provider; and
- (7) contract or agreement conditions, including billing requirements, cancellation, and indemnification.

The county must evaluate its own agency services under the criteria established for other providers. The county shall provide a written statement of the reasons for not selecting providers.

The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the State Register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the nonfederal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of care that the recipient would receive if placed in a nursing home or boarding care home. *For the period from January 1 to June 30, the nonfederal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay ten percent of the costs for persons who are eligible for the services but who are not yet eligible for medical assistance. Subsequent to July 1 of each year, the state agency shall reimburse the county agency for the funds expended during the January 1 to June 30 period, except as provided for in section 256.016. For the period from July 1 to December 31, the nonfederal share may be used to pay up to 100 percent of the start-up and service delivery costs of providing care under this subdivision.*

The commissioner shall promulgate emergency rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

A claim against the estate of a surviving spouse who did not receive medical assistance, for medical assistance rendered for the predeceased spouse, is limited to the value of the assets of the estate that were marital property or jointly-owned property at any time during the marriage. The claim shall be considered an expense of the last illness of the decedent for the purpose of section 524.3-805. [RESIDENCE NOT A TEST.] In situations involving emergencies verified by a local agency, financial responsibility for aid to families with dependent children, general assistance, and Minnesota supplemental aid rests with the county in which an otherwise eligible person is physically present when the application is filed. The county of residence is not obligated to reimburse. Financial responsibility is limited to 30 days unless otherwise specified in the context of the affected program.~~

~~Subd. 2. [NON-MINNESOTA RESIDENTS.]~~

State residence is not required for receiving emergency assistance in the general assistance and Minnesota supplemental aid programs only. The receipt of emergency assistance must not be used as a factor in determining county or state residence.

Sec. 26. Minnesota Statutes 1987 Supplement, section 256G.07, is amended to read:

256G.07 [MOVING TO ANOTHER COUNTY.]

Subdivision 1. [EFFECT OF MOVING.] *Except as provided in subdivision 4*, a person who has applied for and is receiving ~~assistance services~~ under a program governed by this chapter, in any county in this state, and who moves to another county in this state, is entitled to continue to receive that assistance from the county from which that person has moved until that person has resided in nonexcluded status for two full calendar months in the county to which that person has moved.

~~For purposes of general assistance and general assistance medical care, this time period is, however, one full calendar month.~~

Subd. 2. [TRANSFER OF RECORDS.] Before the person has resided in nonexcluded status for two calendar months, ~~or one calendar month in the case of general assistance or general assistance medical care~~, in the county to which that person has moved, the local agency of the county from which the person has moved shall transfer all necessary records relating to that person to the local agency of the county to which the person has moved.

Subd. 3. [CONTINUATION OF CASE.] When the case is terminated for 30 days or less before the recipient reapplies, that case remains the financial

responsibility of the county from which the recipient moved until the residence requirement in subdivision 1 is met.

Subd. 4. [~~MULTIPLE FINANCIAL RESPONSIBILITY.~~] ~~When more than one county becomes financially responsible for a case involving a single assistance unit, under a program covered by this chapter, that case must be immediately reconsidered by the affected local agencies. Beginning with the first day of the calendar month after that reconsideration, financial responsibility for the entire assistance unit belongs to the county that was initially responsible for the program with the earliest date of application.~~

Subd. 5. [SOCIAL SERVICE PROVISION.] The types and level of social services to be provided in any case governed by this chapter are those otherwise provided in the county in which the person is physically residing at the time those services are provided.

Sec. 27. Minnesota Statutes 1987 Supplement, section 256G.10, is amended to read:

256G.10 [DERIVATIVE SETTLEMENT ELIMINATED.]

~~Except as described in section 256G.02, subdivision 4, paragraph (d),~~ Residence under this chapter must be determined independently for each applicant. The residence of the parent or guardian does not determine the residence of the child or ward. Physical or legal custody has no bearing on residence determinations. This section does not, however, apply to situations involving another state or limit the application of an interstate compact.

Sec. 28. Minnesota Statutes 1987 Supplement, section 256G.11, is amended to read:

256G.11 [NO RETROACTIVE EFFECT.]

This chapter is ~~not retroactive and~~ does not require *the retroactive* re-determination of financial responsibility for cases existing on January 1, 1988. This chapter applies only to applications and redeterminations of eligibility taken or routinely made after January 1, 1988.

~~Notwithstanding this section, however, existing social service cases tie to cases for those programs outlined in section 256G.02, subdivision 4, paragraph (g), for which an application is taken or a redetermination is made after January 1, 1988.~~

Sec. 29. [256.018] [RECOVERY OF MONEY; APPORTIONMENT.]

*When an amount is recovered from any source for assistance given under the provisions governing public assistance programs including aid to families with dependent children, emergency assistance, general assistance, work readiness, and Minnesota supplemental aid, there shall be paid to the United States the amount due under the terms of the Social Security Act and the balance must be paid into the treasury of the state or county in accordance with current rates of financial participation; except if the recovery is directly attributable to county effort, the county may keep one-half of the nonfederal share of the recovery. This does not apply to recoveries from medical providers or to recoveries begun by the department of human services' surveillance and utilization review division, state hospital collections unit, and the benefit recoveries division or, by the attorney general's office, or child support collections.*

Sec. 30. Minnesota Statutes 1986, section 393.07, subdivision 2, is

amended to read:

Subd. 2. [ADMINISTRATION OF PUBLIC WELFARE.] The county welfare board, subject to the supervision of the commissioner of human services, shall administer all forms of public welfare, both for children and adults, responsibility for which now or hereafter may be imposed on the commissioner of human services by law, including general assistance, aid to dependent children, county supplementation, if any, or state aid to recipients of supplemental security income for aged, blind and disabled, child welfare services, mental health services, and other public assistance or public welfare services, provided that the county welfare board shall not employ public health nursing or home health service personnel other than homemaker-home help aides, but shall contract for or purchase the necessary services from existing community agencies. The duties of the county welfare board shall be performed in accordance with the standards and rules which may be promulgated by the commissioner of human services to achieve the purposes intended by law and in order to comply with the requirements of the federal Social Security Act in respect to public assistance and child welfare services, so that the state may qualify for grants-in-aid available under that act. *To avoid administrative penalties under section 256.016, the county welfare board must comply with (1) policies established by state law and (2) instructions from the commissioner relating (i) to public assistance program policies consistent with federal law and regulation and state law and rule and (ii) to local agency program operations. The commissioner may enforce county welfare board compliance with the instructions, and may delay, withhold, or deny payment of all or part of the state and federal share of benefits and federal administrative reimbursement, according to the provisions under section 256.016.* The county welfare board shall supervise wards of the commissioner and, when so designated, act as agent of the commissioner of human services in the placement of the commissioner's wards in adoptive homes or in other foster care facilities. The county welfare board may contract with a bank or other financial institution to provide services associated with the processing of public assistance checks and pay a service fee for these services, provided the fee charged does not exceed the fee charged to other customers of the institution for similar services.

Sec. 31. Minnesota Statutes 1987 Supplement, section 393.07, subdivision 10, is amended to read:

Subd. 10. [FEDERAL FOOD STAMP PROGRAM.] (a) The county welfare board shall establish and administer the food stamp program pursuant to rules of the commissioner of human services, *the supervision of the commissioner as specified in section 256.01*, and all federal laws and regulations. The commissioner of human services shall monitor food stamp program delivery on an ongoing basis to ensure that each county complies with federal laws and regulations. Program requirements to be monitored include, but are not limited to, number of applications, number of approvals, number of cases pending, length of time required to process each application and deliver benefits, number of applicants eligible for expedited issuance, length of time required to process and deliver expedited issuance, number of terminations and reasons for terminations, client profiles by age, household composition and income level and sources, and the use of phone certification and home visits. The commissioner shall determine the county-by-county and statewide participation rate. The commissioner shall report on the monitoring activities on a county-by-county basis in a report

presented to the legislature by July 1 each year. This monitoring activity shall be separate from the management evaluation survey sample required under federal regulations.

(b) On July 1 of each year, the commissioner of human services shall determine a statewide and county-by-county food stamp program participation rate. The commissioner may designate a different agency to administer the food stamp program in a county if the agency administering the program fails to increase the food stamp program participation rate among families or eligible individuals, or comply with all federal laws and regulations governing the food stamp program. The commissioner shall review agency performance annually to determine compliance with this paragraph.

~~(c) The county welfare board shall participate in a food stamp quality control system subject to the supervision of the commissioner of human services and pursuant to federal regulations.~~

A person who commits any of the following acts has violated section 256.98 and is subject to both the criminal and civil penalties provided under that section:

(3) Willfully uses or transfers food stamp coupons or authorization to purchase cards in any manner contrary to existing state or federal law.

Sec. 32. [TRANSFER OF COUNTY FOOD STAMP QUALITY CONTROL SYSTEM EMPLOYEES.]

*(a) All positions covered by the Minnesota merit system located in Crow Wing county family social service center and in the Redwood county welfare department classified as food stamp corrective action specialist I and II and as financial assistant supervisor I, if the positions supervise food stamp corrective action specialists, are transferred to the department of human services and become state civil service positions.*

*(b) All incumbent employees affected by this transfer, who choose to transfer to state civil service positions in the department of human services, must be transferred with no reduction in salary. Salaries of individual employees who transfer must be adjusted to the minimum salary or to the nearest equal or higher step on the state compensation plan for their class, whichever is greater.*

*(c) Existing sick leave and vacation accruals for an employee who transfers must be transferred to the department of human services and the employee shall accrue additional vacation and sick leave under the provisions of the appropriate state collective bargaining agreement based on the employee's years of service in either Crow Wing county family service center or in the Redwood county welfare department.*

*(d) If an employee who transfers chooses to retain the county coverage*

for employee and dependent health, dental, and life insurance, the department of human services shall reimburse the employee for one month of continued enrollment in the health, dental, and life insurance plans in an amount equal to what their former county employer would have paid for the coverage had the employee remained a county employee, until the employee is eligible for coverage under the state insurance plans.

(e) Classification seniority for an employee who transfers must be calculated according to the provisions of the appropriate state collective bargaining agreement based upon the employee's years of service in the county merit system.

**ARTICLE 9**

**PULL-TAB TAX**

Section 1. Minnesota Statutes 1986, section 349.12, subdivision 18, is amended to read:

Subd. 18. [DEAL.] "Deal" means each separate package, or series of

packages, consisting of one game of pull-tabs *or tipboards* with the same serial number ~~purchased from a distributor.~~

Sec. 2. Minnesota Statutes 1986, section 349.12, is amended by adding a subdivision to read:

*Subd. 19. [IDEAL GROSS.] "Ideal gross" means the total amount of receipts that would be received if every individual ticket in the pull-tab or tipboard deal was sold at its face value.*

Sec. 3. Minnesota Statutes 1986, section 349.12, is amended by adding a subdivision to read:

*Subd. 20. [IDEAL NET.] "Ideal net" means the pull-tab or tipboard deal's ideal gross, as defined under subdivision 19, less the total predetermined prize amounts available to be paid out. When the prize is not a monetary one, the ideal net is 50 percent of the ideal gross.*

Sec. 4. Minnesota Statutes 1987 Supplement, section 349.212, subdivision 1, is amended to read:

Subdivision 1. [RATE.] There is hereby imposed a tax on all lawful gambling, other than (1) pull-tabs purchased and placed into inventory after January 1, 1987, and (2) tipboards purchased and placed into inventory after June 30, 1988, conducted by organizations licensed by the board at the rate specified in this subdivision. The tax imposed by this subdivision is in lieu of the tax imposed by section 297A.02 and all local taxes and license fees except a fee authorized under section 349.16, subdivision 4.

On all lawful gambling, other than (1) pull-tabs purchased and placed into inventory after January 1, 1987, and (2) tipboards purchased and placed into inventory after June 30, 1988, the tax is ten percent of the gross receipts of a licensed organization from lawful gambling less prizes actually paid out, payable by the organization.

Sec. 5. Minnesota Statutes 1987 Supplement, section 349.212, subdivision 4, is amended to read:

Subd. 4. [PULL-TAB AND TIPBOARD TAX.] (a) There is imposed a tax on the sale of each deal of pull-tabs *and tipboards* sold by a licensed distributor to a licensed organization, or to an organization holding an exemption identification number. The rate of the tax is ten percent of the ~~face resale value of all the pull-tabs in each deal less the total prizes which may be paid out on all the pull-tabs in that ideal net of the pull-tab and tipboard deal.~~ The tax is payable to the commissioner of revenue in the manner prescribed in section 349.2121 and the rules of the commissioner. The commissioner shall pay the proceeds of the tax to the state treasurer for deposit in the general fund. The sales tax imposed by chapter 297A on the sale of the pull-tabs *and tipboards* by the licensed distributor to an organization is imposed on the retail sales price less the tax imposed by this subdivision. The retail sale of pull-tabs *or tipboards* by the organization is exempt from taxes imposed by chapter 297A if the tax imposed by this subdivision has been paid and is exempt from all local taxes and license fees except a fee authorized under section 349.16, subdivision 4.

(b) The liability for the tax imposed by this section is incurred when the pull-tabs *and tipboards* are delivered by the distributor to the licensed or exempt organization, to a common or contract carrier for delivery to the organization, or when received by the organization's authorized representative at the distributor's place of business, regardless of the distributor's

method of accounting or the terms of the sale.

If a licensed organization or any organization holding an exemption number receives pull-tabs directly from the manufacturer and the manufacturer is not a licensed distributor, the distributor from whom the pull-tabs were purchased is liable for tax when the manufacturer delivers the pull-tabs to the organization, or to a contract or common carrier for delivery to the organization, or when the pull-tabs are received by the organization's authorized representative at the manufacturer's place of business, regardless of the manufacturer's or the distributor's method of accounting or the terms of the sale.

(c) The exemptions contained in section 349.214, subdivision 2, paragraph (b), do not apply to the tax imposed in this subdivision.

Sec. 6. Minnesota Statutes 1986, section 349.2121, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION AND ISSUANCE.] Every distributor licensed by the board who sells pull-tabs and tipboards to organizations authorized to sell pull-tabs and tipboards under this chapter must file with the commissioner of revenue an application, on a form the commissioner prescribes, for a gambling tax identification number and gambling tax permit. The commissioner, when satisfied that the applicant has a valid license from the board, shall issue the applicant a permit and number. A permit is not assignable and is valid only for the distributor in whose name it is issued.

Sec. 7. Minnesota Statutes 1986, section 349.2121, subdivision 2, is amended to read:

Subd. 2. [RECORDS.] ~~The commissioner may by rule require a licensed distributor holding a permit under this section to keep such books, papers, documents, and records as the commissioner deems necessary to the enforcement of this chapter. The commissioner may examine, or cause to be examined, any books, papers, records, or other documents relevant to making a determination, whether they are in the possession of a distributor or another person or corporation. The commissioner may require the attendance of any persons having knowledge or information in the premises, to compel the production of books, papers, records, or memoranda by persons so required to attend, to take testimony on matters material to a determination, and to administer oaths or affirmations. A distributor shall keep at each licensed place of business complete and accurate records for that place of business, including itemized invoices of pull-tabs and tipboards held, purchased, manufactured, or brought in or caused to be brought in from without this state, and of all sales of pull-tabs and tipboards. The records must show the names and addresses of purchasers, the inventory at the close of each period for which a return is required of all pull-tab and tipboard deals on hand, and other pertinent papers and documents relating to the purchase, sale, or disposition of pull-tab and tipboard deals. Books, records, and other papers and documents required by this section must be kept for a period of at least 3-1/2 years after the date of the documents, or the date of the entries appearing in the records, unless the commissioner authorizes in writing their destruction or disposal at an earlier date. At any time during usual business hours, the commissioner, executive secretary of the charitable gambling control board, or any of their duly authorized agents or employees, may enter a place of business of a distributor, charitable organization, or any site from which~~

*pull-tabs or tipboards are being sold and inspect the premises and the records required to be kept under this section to determine whether or not all the provisions of this section are being fully complied with. If the commissioner, executive secretary, or their duly authorized agents or employees are denied free access to or are hindered or interfered with in making an inspection of the distributor's place of business, the permit of the distributor may be revoked by the commissioner, and the license of the distributor may be revoked by the charitable gambling control board.*

Sec. 8. Minnesota Statutes 1986, section 349.2121, is amended by adding a subdivision to read:

*Subd. 2a. A distributor who sells pull-tabs and tipboards to persons other than the ultimate consumer shall give with each sale an itemized invoice showing the distributor's name and address, the purchaser's name and address, the date of the sale, description of the deals including the ideal net amounts, and all prices and discounts, and shall keep legible copies of all the itemized invoices for 3-1/2 years from the date of sale.*

Sec. 9. Minnesota Statutes 1987 Supplement, section 349.2121, subdivision 4a, is amended to read:

Subd. 4a. [REFUND.] If any deal of pull-tabs or tipboards registered with the board and upon which the tax imposed by section 349.212, subdivision 4, has been paid is returned unplayed to the distributor, the commissioner of revenue shall allow a refund of the tax paid.

In the case of a defective deal registered with the board and upon which the taxes have been paid is returned to the manufacturer, the distributor shall submit to the commissioner of revenue certification from the manufacturer that the deal was returned and in what respect it was defective. The certification must be in a form prescribed by the commissioner and must contain additional information the commissioner requires.

The commissioner may require that no refund under this subdivision be made unless the returned pull-tabs or tipboards have been set aside for inspection by the commissioner's employee.

Reductions in previously paid taxes authorized by this subdivision shall be made at the time and in the manner prescribed by the commissioner.

Sec. 10. Minnesota Statutes 1986, section 349.2121, subdivision 5, is amended to read:

Subd. 5. [~~PUBLIC INFORMATION CONFIDENTIAL.~~] Neither the commissioner nor any other public official or employee may divulge or otherwise make known in any manner any particulars disclosed in any report or return required by this section, or any information concerning the affairs of the distributor making the return acquired from its records, officers, or employees while examining or auditing under the authority of this chapter, except in connection with a proceeding involving taxes due under this chapter. Nothing herein prohibits the commissioner from publishing statistics so classified as not to disclose the identity of particular returns or reports and their contents. Any person violating the provisions of this section is guilty of a gross misdemeanor.

Notwithstanding the provisions of this section, the commissioner may furnish information on a reciprocal basis to the taxing officials of another state or the board in order to implement the purposes of this chapter.

~~In order to facilitate processing of returns and payments of taxes required by this chapter, the commissioner may contract with outside vendors and may disclose private and nonpublic data to the vendor. The data disclosed must be administered by the vendor consistent with this section. All records concerning the administration of the pull-tab and tipboard taxes are classified as public information.~~

Sec. 11. Minnesota Statutes 1987 Supplement, section 349.2121, subdivision 10, is amended to read:

Subd. 10. [UNTAXED PULL-TABS OR TIPBOARDS.] It is a gross misdemeanor for any person to possess pull-tabs or tipboards for resale in this state that have not been registered with the board, for which a registration stamp has not been affixed to the flare, and upon which the taxes imposed by section 349.212, subdivision 4, or chapter 297A have not been paid. The executive secretary of the charitable gambling control board or the commissioner of revenue or their designated inspectors and employees may seize in the name of the state of Minnesota any unregistered or untaxed pull-tabs or tipboards.

Sec. 12. Minnesota Statutes 1987 Supplement, section 349.2122, is amended to read:

349.2122 [MANUFACTURERS; REPORTS TO THE COMMISSIONER; PENALTY.]

A manufacturer registered with the board who sells pull-tabs and tipboards to a distributor licensed by the board must file with the commissioner of revenue, on a form prescribed by the commissioner, a report of pull-tabs and tipboards sold to licensed distributors. The report must be filed monthly on or before the 25th day of the month succeeding the month in which the sale was made. Any person violating this section shall be guilty of a misdemeanor.

Sec. 13. Minnesota Statutes 1987 Supplement, section 349.2123, is amended to read:

349.2123 [CERTIFIED PHYSICAL INVENTORY.]

The commissioner of revenue may, upon request, require a pull-tab licensed distributor to furnish a certified physical inventory of the pull-tabs and tipboards in stock. The inventory must contain the information required by the commissioner.

Sec. 14. [349.2125] [CONTRABAND.]

*Subdivision 1. [CONTRABAND DEFINED.] The following are contraband:*

*(1) all pull-tab or tipboard deals that do not have stamps affixed to them as provided in section 349.162;*

*(2) all pull-tab or tipboard deals in the possession of any unlicensed organization whether stamped or unstamped;*

*(3) any container used for the storage and display of any contraband pull-tab or tipboard deals as defined in clauses (1) and (2);*

*(4) any cash drawer, cash register, or any other container used for illegal pull-tab or tipboard transactions including its contents; and*

*(5) any device including, but not limited to, motor vehicles, trailers,*

snowmobiles, airplanes, and boats used, with the knowledge of the owner or of a person operating with the consent of the owner, for the storage or transportation of more than five pull-tab or tipboard deals that are contraband under this subdivision. When pull-tabs and tipboards are being transported in the course of interstate commerce, or from one distributor to another, the pull-tab and tipboard deals are not contraband, notwithstanding the provisions of clause (1).

*Subd. 2. [SEIZURE.] Pull-tabs or tipboards or other property made contraband by subdivision 1 may be seized by the commissioner of revenue or the executive secretary of the charitable gambling control board or their authorized agents or by any sheriff or other police officer, hereinafter referred to as the seizing authority, with or without process, and shall be subject to forfeiture as provided in subdivisions 3 and 4.*

*Subd. 3. [INVENTORY; JUDICIAL DETERMINATION; APPEAL; DISPOSITION OF SEIZED PROPERTY.] Within two days after the seizure of any alleged contraband, the person making the seizure shall deliver an inventory of the property seized to the person from whom the property was seized, if known, and file a copy with the commissioner or the executive secretary of the charitable gambling control board. Within ten days after the date of service of the inventory, the person from whom the property was seized or any person claiming an interest in the property may file with the seizing authority a demand for judicial determination of whether the property was lawfully subject to seizure and forfeiture. Within 30 days after the date of filing of the demand, the seizing authority must bring an action in the district court of the county where seizure was made to determine the issue of forfeiture. The action must be brought in the name of the state and be prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and determine the issues of fact and laws involved. When a judgment of forfeiture is entered, the seizing authority may, unless the judgment is stayed pending an appeal, either (1) cause the forfeited property to be destroyed; or (2) cause it to be sold at a public auction as provided by law.*

*If demand for judicial determination is made and no action is commenced as provided in this subdivision, the property must be released by the seizing authority and delivered to the person entitled to it. If no demand is made, the property seized is considered forfeited to the state by operation of law and may be disposed of by the seizing authority as provided where there has been a judgment of forfeiture. When the seizing authority is satisfied that a person from whom property is seized was acting in good faith and without intent to evade the tax imposed by section 349.2121, subdivision 4, the seizing authority shall release the property seized without further legal proceedings.*

*Subd. 4. [DISPOSAL.] The property described in subdivision 1, clauses (4) and (5), must be confiscated after conviction of the person from whom it was seized, upon compliance with the following procedure: the seizing authority shall file with the court a separate complaint against the property, describing it and charging its use in the specific violation, and specifying substantially the time and place of the unlawful use. A copy of the complaint must be served upon the defendant or person in charge of the property at the time of seizure, if any. If the person arrested is acquitted, the court shall dismiss the complaint against the property and order it returned to the persons legally entitled to it. Upon conviction of the person arrested, the court shall issue an order directed to any person known or*

*believed to have any right, title or interest in, or lien upon, any of the property, and to persons unknown claiming any right, title, interest, or lien in it, describing the property and (1) stating that it was seized and that a complaint against it, charging the specified violation, has been filed with the court, (2) requiring the persons to file with the court administrator their answer to the complaint, setting forth any claim they may have to any right or title to, interest in, or lien upon the property, within 30 days after the service of the order, and (3) notifying them in substance that if they fail to file their answer within the time, the property will be ordered sold by the seizing authority. The court shall cause the order to be served upon any person known or believed to have any right, title, interest, or lien as in the case of a summons in a civil action, and upon unknown persons by publication, as provided for service of summons in a civil action. If no answer is filed within the time prescribed, the court shall, upon affidavit by the court administrator, setting forth the fact, order the property sold by the seizing authority. The proceeds of the sale, after deducting the expense of keeping the property and fees and costs of sale, must be paid into the state treasury and credited to the general fund. If answer is filed within the time provided, the court shall fix a time for a hearing, which shall be not less than ten nor more than 30 days after the time for filing answer expires. At the time fixed for hearing, unless continued for cause, the matter shall be heard and determined by the court, without a jury, as in other civil actions.*

*If the court finds that the property, or any part of it, was used in the violation specified in the complaint, it shall order the property unlawfully used, sold as provided by law, unless the owner shows to the satisfaction of the court that the owner had no notice or knowledge or reason to believe that the property was used or intended to be used in the violation. The officer making a sale, after deducting the expense of keeping the property, the fee for seizure, and the costs of the sale, shall pay all liens according to their priority, which are established at the hearing as being bona fide and as existing without the lienor having any notice or knowledge that the property was being used or was intended to be used for or in connection with the violation specified in the order of the court, and shall pay the balance of the proceeds into the state treasury to be credited to the general fund. A sale under this section shall free the property sold from any and all liens on it. Appeal from the order of the district court will lie as in other civil cases. At any time after seizure of the articles specified in this subdivision, and before the hearing provided for, the property must be returned to the owner or person having a legal right to its possession, upon execution of a good and valid bond to the state, with corporate surety, in the sum of not less than \$100 and not more than double the value of the property seized, to be approved by the court in which the case is triable, or a judge of it, conditioned to abide any order and the judgment of the court, and to pay the full value of the property at the time of the seizure. The seizing authority may dismiss the proceedings outlined in this subdivision when the seizing authority considers it to be in the best interests of the state to do so.*

Sec. 15. [349.2127] [PROHIBITIONS.]

*Subdivision 1. [COUNTERFEITING.] No person shall with intent to defraud the state, make, alter, forge, or counterfeit any license or stamp provided for in this chapter, or have in possession any forged, spurious, or altered stamps, with the intent, or with the result of, depriving the state*

*of the tax imposed by this chapter.*

*Subd. 2. [PROHIBITION AGAINST POSSESSION.] No person, other than a licensed distributor, shall sell, offer for sale, or have in possession with intent to sell or offer for sale, a pull-tab or tipboard deal not stamped in accordance with the provisions of this chapter.*

*Subd. 3. [FALSIFICATION OF RECORDS.] No person required by section 349.2121, subdivision 2, to keep records or to make returns shall falsify or fail to keep the records or falsify or fail to make the returns.*

*Subd. 4. [TRANSPORTING UNSTAMPED DEALS.] No person shall transport into, or receive, carry, or move from place to place in this state, any deals of pull-tabs or tipboards not stamped in accordance with this chapter except in the course of interstate commerce, unless the deals are moving from one distributor to another.*

Sec. 16. Minnesota Statutes 1986, section 349.22, subdivision 1, is amended to read:

*Subdivision 1. ### CIGARETTE AND LIQUOR TAXES

Section 1. Minnesota Statutes 1987 Supplement, section 297.01, subdivision 7, is amended to read:

Subd. 7. "Distributor" means any and each of the following:

(1) any person engaged in the business of selling cigarettes in this state and who manufactures or who brings, or causes to be brought, into this state from without the state any packages of cigarettes for sale to subjobbers or retailers;

(2) any person who makes, manufactures, or fabricates cigarettes in this state for sale in this state;

(3) any person engaged in the business without this state who ships or transports cigarettes to retailers in this state, to be sold by those retailers;

(4)(3) any person who is on direct purchase from a cigarette manufacturer and applies cigarette stamps or indicia on at least 50 percent of cigarettes sold by that person.

A distributor who also sells at retail must maintain a separate inventory, substantiated with invoices for cigarettes that were acquired for retail sale.

A distributor may transfer another state's stamped cigarettes to another distributor for the purpose of resale in the other state.

Sec. 2. Minnesota Statutes 1987 Supplement, section 297.01, subdivision 14, is amended to read:

Subd. 14. "Subjobber" means any person who acquires stamped cigarettes or other state's stamped cigarettes for the primary purpose of resale to retailers, and any licensed distributor who delivers to and sells or distributes stamped cigarettes from a place of business other than that licensed in the distributor's license. The definition of subjobber does not include the occasional sale of stamped cigarettes from one retailer to another. Notwithstanding the foregoing, "subjobber" shall also mean any person who is a vending machine operator. A vending machine operator is any person whose principal business is operating, or owning and leasing to operators, machines for the vending of merchandise or service.

For the purpose of this section, any subjobber that sells at retail must

maintain a separate inventory, substantiated with invoices, that reflect the cigarettes were acquired for retail sale.

Sec. 3. Minnesota Statutes 1986, section 297.01, is amended by adding a subdivision to read:

*Subd. 15. "Prior continuous compliance taxpayer" means a person who is licensed under section 297.04 and who, having been a licensee for a continuous period of five years, the commissioner determines has not been either delinquent or deficient in the payment of tax liability during that period or otherwise in violation of this chapter. Any taxpayer who has, as verified by the commissioner, continuously complied with the condition of a bond or other security under provisions of this chapter for a period of five consecutive years is considered a "prior continuous compliance taxpayer." A continuous period of time of qualifying compliance immediately prior to August 1, 1988, is credited to any licensee who became licensed on or before that date.*

Sec. 4. Minnesota Statutes 1986, section 297.03, is amended by adding a subdivision to read:

*Subd. 5a. [REVOLVING ACCOUNT.] A heat applied cigarette tax stamp revolving account is created. The commissioner shall use the amounts in this fund to purchase heat applied stamps for resale. The commissioner shall charge the purchasers for the costs of the stamps along with the tax value plus shipping costs. The costs recovered along with shipping costs must be deposited into this revolving account and are available to the commissioner for further purchases and shipping costs. The revolving account must be funded by reducing the stamping discounts allowed in subdivision 5 for the first three months of fiscal year 1989. The stamping discounts are 0.75 percent of the face amount of any stamps purchased in the first three months for the first \$1,500,000 of the stamps and 0.50 percent on the remainder of the stamps purchased.*

*At the end of each of the first three months of fiscal year 1989, the commissioner shall notify the commissioner of finance of the amount of reduced stamping discounts that have accrued to the tobacco tax revenue fund. The commissioner of finance shall then transfer the amounts to the heat applied cigarette tax stamp revolving account from the tobacco tax revenue fund.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 297.03, subdivision 6, is amended to read:

*Subd. 6. [TAX METER MACHINES.] (4) (a) Before January 1, 1990, the commissioner may authorize any person licensed as a distributor to stamp packages with a tax meter machine, approved by the commissioner, which shall be provided by the distributor. The commissioner may provide for the use of such a machine by the distributor, supervise and check its operation, provide for the payment of the tax on any package so stamped, subject to the discount provided in subdivision 5, and in that connection. Except as provided in paragraph (d), the commissioner may require the furnishing of a corporate surety bond, check guarantee bond, or certified check in a suitable amount to guarantee the payment of the tax.*

*(2) (b) Before January 1, 1990, the commissioner may authorize, and after December 31, 1989, the commissioner shall require any person licensed as a distributor whose stamp meter machine is no longer operational to stamp packages with a heat-applied tax stamping machine, approved by the*

commissioner, which shall be provided by the distributor. The commissioner shall supervise and check the operation of the machines and shall provide for the payment of the tax on any package so stamped, subject to the discount provided in subdivision 5. The commissioner may sell heat-applied stamps on a credit basis under conditions prescribed by the commissioner, ~~and in that connection~~. *Except as provided in paragraph (d), the commissioner may require the furnishing of a corporate surety bond, check guarantee bond, or certified check in an amount suitable to guarantee payment of the tax stamps so purchased by a distributor. The stamps shall be sold by the commissioner at a price which includes the tax after giving effect to the discount provided in subdivision 5. The commissioner shall recover the actual costs of the stamps from the distributor.*

(3) (c) If the commissioner finds that a stamping machine is not printing or affixing a legible stamp on the package, the commissioner may order the distributor to immediately cease the stamping process until the machine is functioning properly.

(d) *Every prior continuous compliance taxpayer is exempt from all requirements under this chapter concerning the furnishing of a bond. This exemption continues for the taxpayer until the commissioner determines that the taxpayer (1) is delinquent in the filing of any return, or (2) is delinquent or deficient in the payment of any uncontested tax liability under this chapter. At that time that taxpayer is subject to the bond requirements of this chapter and, as a condition of being allowed to continue to engage in the business licensed under this chapter, is required to furnish bond to the commissioner as provided in this chapter. The taxpayer shall furnish the bond for a period of two years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this chapter, the commissioner may reinstate the person as a prior continuous compliance taxpayer. A taxpayer who fails to pay an uncontested tax liability under this chapter may be required to post bond or other acceptable security with the commissioner guaranteeing the payment of the uncontested tax liability. The commissioner shall annually establish the maximum amount of heat applied stamps or meter units that may be purchased each month. Notwithstanding any other provisions of this chapter, the tax due on the return will be based upon actual heat applied stamps or meter units purchased during the reporting period.*

Sec. 6. Minnesota Statutes 1986, section 297.03, subdivision 12, is amended to read:

Subd. 12. [SETTING OF TAX METERS.] The commissioner may designate the county treasurer of any county or any banking institution as defined by section 48.01, *or any banking institution as defined by any states' statutes* as the representative of the commissioner in the setting of a tax meter machine of any particular distributor and the collection of the cigarette tax upon such setting. The county treasurer or banking institution so designated shall be required to set tax meter machines following the method prescribed by the commissioner of revenue and to transmit the amount of tax collected and to report the setting of each tax meter to the commissioner on or before the next business day. For purposes of this paragraph, a business day shall not include Saturday. Such duties shall be within the coverage of the official bond of the county treasurer. The commissioner shall prescribe the form and amount of a surety bond which shall

be furnished by a banking institution designated pursuant to this subdivision. The commissioner shall have the right to withdraw this designation without cause.

Sec. 7. Minnesota Statutes 1986, section 297.041, subdivision 1, is amended to read:

Subdivision 1. [WHOLESALEERS.] Any wholesaler who furnishes a surety bond in a sum satisfactory to the commissioner shall be permitted to set aside, without affixing the stamps required by this chapter, that part of the wholesaler's stock necessary for the conduct of business in making sales to the established governing body of any Indian tribe recognized by the United States Department of Interior. The unstamped stock shall be kept separate and apart from stamped stock. Every wholesaler shall, at the time of shipping or delivering any of the unstamped stock to an Indian tribal organization, make a true duplicate invoice which shall show the complete details of the sale or delivery and shall transmit the duplicate to the commissioner not later than the ~~fifteenth~~ 18th day of the following calendar month. Failure to comply with the requirements of this section shall cause the commissioner to revoke the permission granted to the wholesaler to maintain a stock of goods which may be unstamped. ~~The commissioner may also revoke this permission to maintain a stock of unstamped goods for sale to a specific Indian tribal organization when it appears that sales of unstamped cigarettes to persons who are not enrolled members of a recognized Indian tribe are taking place, or have taken place, within the exterior boundaries of the reservation occupied by that tribe.~~

Sec. 8. Minnesota Statutes 1986, section 297.06, subdivision 1, is amended to read:

Subdivision 1. [DISTRIBUTOR TO KEEP RECORDS.] Every distributor shall keep at each licensed place of business complete and accurate records, for that place of business, including itemized invoices, of cigarettes held, purchased, manufactured, or brought in or caused to be brought in from without the state, and of all sales of cigarettes made, except sales to the ultimate consumer. These records shall show the names and addresses of purchasers, the inventory at the close of each period for which a return is required of all cigarettes on hand, and of all stamps, affixed and unaffixed, and other pertinent papers and documents relating to the purchase, sale, or disposition of cigarettes. When a licensed distributor sells cigarettes exclusively to the ultimate consumer at the address given in the license, no invoice of those sales shall be required, but itemized invoices shall be made of all cigarettes transferred to other retail outlets owned or controlled by that licensed distributor. All books, records, and other papers and documents required by sections 297.01 to 297.13 to be kept shall be preserved for a period of at least ~~one year~~ three years after the date of the documents, as aforesaid, or the date of the entries thereof appearing in the records, unless the commissioner, in writing, authorizes their destruction or disposal at an earlier date. At any time during usual business hours the commissioner, or duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under sections 297.01 to 297.13, and the packages of cigarettes and the vending devices contained therein, to determine whether or not all the provisions of these sections are being fully complied with. If the commissioner, or any such agent or employee, is denied free access or is hindered or interfered with in making such examination, the license of the distributor at such premises shall be subject to

revocation by the commissioner.

Sec. 9. Minnesota Statutes 1986, section 297.06, subdivision 2, is amended to read:

Subd. 2. [DISTRIBUTOR TO PRESERVE COPIES OF INVOICES.] Every person who sells cigarettes to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts and shall preserve legible copies of all such invoices for ~~one year~~ *three years* from the date of sale.

Sec. 10. Minnesota Statutes 1986, section 297.06, subdivision 3, is amended to read:

Subd. 3. [RETAILER AND SUBJOBBER TO PRESERVE PURCHASE INVOICES.] Every retailer and subjobber shall procure itemized invoices of all cigarettes purchased. The invoices shall show the name and address of the seller and the date of purchase. The retailer and subjobber shall preserve a legible copy of each such invoice for one year from the date of purchase. ~~Invoices shall be available for inspection by the commissioner or authorized agents or employees at the retailer's or subjobber's place of business.~~

*At any time during normal business hours, the commissioner or the commissioner's agents may enter any place of business of a retailer or subjobber and inspect the premises, the records required to be kept for this subdivision, and the packages of cigarettes, tobacco products, and vending devices contained on the premises to determine whether all provisions of chapter 297 and sections 325D.30 to 325D.40 are being fully complied with.*

Sec. 11. Minnesota Statutes 1986, section 297.06, is amended by adding a subdivision to read:

Subd. 4. [PHYSICAL INVENTORY.] *The commissioner of revenue or the commissioner's authorized agents may, upon request but not more than twice annually, require a cigarette or tobacco distributor to furnish a physical inventory of all cigarettes in stock. The inventory must contain the information that the commissioner requests and must be certified by an officer of the corporation.*

Sec. 12. Minnesota Statutes 1986, section 297.08, subdivision 1, is amended to read:

Subdivision 1. [CONTRABAND DEFINED.] The following are declared to be contraband:

(2) Any device for the vending of cigarettes and all packages of cigarettes contained therein, where the device does not afford at least partial visibility of contents. Where any package exposed to view does not carry the stamp or imprint required by sections 297.01 to 297.13, it shall be presumed that all packages contained in the device are unstamped and contraband.

(3) Any device for the vending of cigarettes to which the commissioner or authorized agents have been denied access for the inspection of contents.

In lieu of seizure, the commissioner or an agent may seal the device to prevent its use until inspection of contents is permitted.

(4) Any device for the vending of cigarettes which does not carry the name and address of the owner, plainly marked and visible from the front of the machine.

(5) Any device including, but not limited to, motor vehicles, trailers, snowmobiles, airplanes and boats used with the knowledge of the owner or of a person operating with the consent of the owner for the storage or transportation of more than 5,000 cigarettes which are contraband under this subdivision. When cigarettes are being transported in the course of interstate commerce, or are in movement from either a public warehouse to a distributor upon orders from a manufacturer or distributor, or from one distributor to another, the cigarettes are not contraband, notwithstanding the provisions of clause (1).

Sec. 13. Minnesota Statutes 1987 Supplement, section 297.11, subdivision 5, is amended to read:

Subd. 5. [TRANSPORTING UNSTAMPED PACKAGES.] No person shall transport into, or receive, carry, or move from place to place in this state, any packages of cigarettes not stamped in accordance with the provisions of this act except in the course of interstate commerce, unless the cigarettes are moving from a public warehouse to a distributor upon orders from the manufacturer or distributor. This subdivision shall not apply to a person carrying for personal use not more than 200 cigarettes when those cigarettes have had the individual packages or seals thereof broken and are intended for personal use by that person and not to be sold or offered for sale.

Common carriers *and contract carriers* transporting cigarettes into this state shall file with the commissioner reports of all such shipments other than those which are delivered to public warehouses of first destination in this state which are licensed under the provisions of chapter 231. Such reports shall be filed monthly on or before the 10th day of each month and shall show with respect to deliveries made in the preceding month: the date, point of origin, point of delivery, name of consignee, the quantity of cigarettes delivered and such other information as the commissioner may require.

All common carriers *and contract carriers* transporting cigarettes into Minnesota shall permit examination by the commissioner of their records relating to the shipment of cigarettes.

*Subdivision 1. [TIME FOR ASSESSMENT; NOTICE.] Except as otherwise provided in this chapter, the amount of taxes assessable with respect to a taxable period must be assessed within three years after the return for the period is filed. The taxes are considered assessed within the meaning of this section when the commissioner has prepared a notice of tax assessment and mailed it to the person required to file a return to the post office address given in the return. The record of the mailing is presumptive evidence of the giving of the notice, and the records must be preserved by the commissioner.*

*Subd. 2. [OMISSION OVER 25 PERCENT.] If the person required to file the return omits from the return a dollar amount properly includable in it that is in excess of 25 percent of the dollar amount reported in the return, the tax may be assessed, or a proceeding in court for the collection of such tax may be begun, at any time within five years after the return was filed.*

*Subd. 3. [DATE OF FILING.] For purposes of this section and section 297.36, a return filed before the last day prescribed by law for its filing is considered filed on the last day.*

*Subd. 4. *Subd. 5. [COLLECTION.] Where the assessment of any tax is made within the period of limitation properly applicable to it, the tax may be collected by a proceeding in court, but only if begun within five years after the date of assessment.*

*Subd. 6. [SUSPENSION OF TIME; BANKRUPTCY PROCEEDINGS.] The time during which a tax must be assessed or collection proceedings commenced under this chapter is suspended during the period from the date of a filing of a petition in bankruptcy until 30 days after notice to the commissioner of revenue that the bankruptcy proceedings have been closed or dismissed, or that the automatic stay has been terminated or has expired.*

*The suspension of the statute of limitations under this subdivision applies to the person against whom the petition in bankruptcy is filed, and to all other persons who may be wholly or partially liable for the tax under this chapter.*

For purposes of this subdivision, a "qualified brewer" means a brewer, whether or not located in this state, manufacturing less than 100,000 barrels of fermented malt beverages in the calendar year immediately preceding the calendar year for which the credit under this subdivision is claimed. In determining the number of barrels, all brands or labels of a brewer must be combined. Sec. 2. Minnesota Statutes 1987 Supplement, section 469.174, subdivision 7, is amended to read:

Subd. 7. [ORIGINAL ASSESSED VALUE.] (a) *Except as provided in paragraph (b)*, "original assessed value" means the assessed value of all taxable real property within a tax increment financing district as most recently certified by the commissioner of revenue as of the date of the request by an authority for certification by the county auditor, together with subsequent adjustments as set forth in section 469.177, subdivisions 1 and 4. In determining the original assessed value the assessed value of real property exempt from taxation at the time of the request shall be zero, except for real property which is tax exempt by reason of public ownership by the requesting authority and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the assessed value of the property shall be the assessed value as most recently determined by the commissioner of revenue.

(b) *The original assessed value of any designated hazardous substance site or hazardous substance subdistrict shall be determined on January 2 following the date the agency or municipality certifies to the county auditor that the agency or municipality has entered a redevelopment or other*

*agreement for the removal actions or remedial actions specified in a development response action plan, or otherwise provided funds to finance the development response action plan. The original assessed value equals (i) the assessed value of the parcel, as most recently determined by the commissioner of revenue, less (ii) the estimated reasonable and necessary costs of the removal actions and remedial actions as specified in a development response action plan to be undertaken with respect to the parcel as certified to the county auditor by the municipality or agency, (iii) but not less than zero.*

*(c) The original assessed value of a hazardous substance site or sub-district shall be increased by the amount by which it was reduced pursuant to paragraph (b), clause (ii), upon certification by the municipality that the removal and remedial actions specified in the development response action plan, except for long-term monitoring and similar activities, have been completed.*

*(d) For purposes of this subdivision, "real property" shall include any property normally taxable as personal property by reason of its location on or over publicly-owned property.*

Sec. 3. Minnesota Statutes 1987 Supplement, section 469.174, subdivision 10, is amended to read:

Subd. 10. [REDEVELOPMENT DISTRICT.] (a) "Redevelopment district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that one of the following conditions, reasonably distributed throughout the district, exists:

(1) 70 percent of the parcels in the district are occupied by buildings, streets, utilities, or other improvements and more than 50 percent of the buildings, not including outbuildings, are structurally substandard to a degree requiring substantial renovation or clearance; or

(2) 70 percent of the parcels in the district are occupied by buildings, streets, utilities, or other improvements and 20 percent of the buildings are structurally substandard and an additional 30 percent of the buildings are found to require substantial renovation or clearance in order to remove such existing conditions as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety, and general well-being of the community; or

(3) less than 70 percent of the parcels in the district are occupied by buildings, streets, utilities, or other improvements, but due to unusual terrain or soil deficiencies requiring substantial filling, grading, or other physical preparation for use at least 80 percent of the total acreage of such land has a fair market value upon inclusion in the redevelopment district which, when added to the estimated cost of preparing that land for development, excluding costs directly related to roads as defined in section 160.01 and local improvements as described in section 429.021, subdivision 1, clauses 1 to 7, 11 and 12, and 430.01, if any, exceeds its anticipated fair market value after completion of the preparation. No parcel shall be included within a redevelopment district pursuant to this paragraph unless the authority has concluded an agreement or agreements for the development of at least 50 percent of the acreage having the unusual soil

or terrain deficiencies, which agreement provides recourse for the authority should the development not be completed; or

(4) the property consists of underutilized air rights existing over a public street, highway, or right-of-way; or

(5) (4) the property consists of vacant, unused, underused, inappropriately used, or infrequently used railyards, rail storage facilities, or excessive or vacated railroad rights-of-way; or

(6) (5) the district consists of an existing or proposed industrial park no greater in size than 250 acres, which contains a sewage lagoon contaminated with polychlorinated biphenyls.

(b) For purposes of this subdivision, "structurally substandard" shall mean containing defects in structural elements or a combination of deficiencies in essential utilities and facilities, light and ventilation, fire protection including adequate egress, layout and condition of interior partitions, or similar factors, which defects or deficiencies are of sufficient total significance to justify substantial renovation or clearance.

Sec. 4. Minnesota Statutes 1987 Supplement, section 469.174, subdivision 11, is amended to read:

Subd. 11. [HOUSING DISTRICT.] "Housing district" means a type of tax increment financing district which consists of a project, or a portion of a project, intended for occupancy, in part, by persons or families of low and moderate income, as defined in chapter 462A, Title II of the National Housing Act of 1934, the National Housing Act of 1959, the United States Housing Act of 1937, as amended, Title V of the Housing Act of 1949, as amended, any other similar present or future federal, state, or municipal legislation, or the regulations promulgated under any of those acts. *A project does not qualify under this subdivision if the fair market value of the improvements which are constructed for commercial uses or for uses other than low and moderate income housing consists of more than one-third of the total fair market value of the planned improvements in the development plan or agreement. The fair market value of the improvements may be determined using the cost of construction, capitalized income, or other appropriate method of estimating market value.*

Sec. 5. Minnesota Statutes 1987 Supplement, section 469.174, is amended by adding a subdivision to read:

Subd. 16. [DESIGNATED HAZARDOUS SUBSTANCE SITE.] "*Designated hazardous substance site*" means any parcel or parcels with respect to which the authority or municipality has certified to the county auditor that the authority or municipality has entered into a redevelopment or other agreement providing for the removal actions or remedial actions specified in a development response action plan or the municipality or authority will use other available money, including without limitation tax increments, to finance the removal or remedial actions.

Sec. 6. Minnesota Statutes 1987 Supplement, section 469.174, is amended by adding a subdivision to read:

Subd. 17. [DEVELOPMENT ACTION RESPONSE PLAN.] "*Development action response plan*" means a plan or proposal for removal actions or remedial actions if the plan or proposal is submitted to the pollution control agency and the actions contained in the plan or proposal are approved in writing by the commissioner of the agency as reasonable and

*necessary to protect the public health, welfare, and environment.*

Sec. 7. Minnesota Statutes 1987 Supplement, section 469.174, is amended by adding a subdivision to read:

*Subd. 18. [TERMS DEFINED IN OTHER CHAPTERS.] The terms "removal," "remedy," "remedial action," "response," "hazardous substance," and "pollutant or contaminant" have the meanings given in section 115B.02. The term "petroleum" has the meaning given in section 115C.02.*

Sec. 8. Minnesota Statutes 1987 Supplement, section 469.174, is amended by adding a subdivision to read:

*Subd. 19. [SOILS CONDITION DISTRICTS.] (a) "Soils condition district" means a type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that the following conditions exist:*

*(1) less than 70 percent of the parcels in the district are occupied by buildings, streets, utilities, or other improvements;*

*(2) unusual terrain or soil deficiencies for 80 percent of the acreage in the district require substantial filling, grading, or other physical preparation for use;*

*(3) the estimated cost of the physical preparation under clause (2), but excluding costs directly related to roads as defined in section 160.01 and local improvements as described in section 429.021, subdivision 1, clauses (1) to (7), (11) and (12), and 430.01, when added to the fair market value of the land upon inclusion in the district exceeds the anticipated fair market value of the land upon completion of the preparation.*

*(b) An area does not qualify as a soils condition district if it contains a wetland, as defined in section 105.37, unless the development agreement prohibits draining, filling, or other alteration of the wetland or other binding legal assurances for preservation of the wetland are provided.*

*(c) If the district is located in the metropolitan area, the proposed development of the district in the tax increment financing plan must be consistent with the municipality's land use plan adopted in accordance with sections 473.851 to 473.872 and reviewed by the metropolitan council under section 473.175. If the district is located outside of the metropolitan area, the proposed development of the district must be consistent with the municipality's comprehensive municipal plan.*

*(d) No parcel shall be included in the district unless the authority has concluded an agreement or agreements for the development of at least 50 percent of the acreage having the unusual soil or terrain deficiencies. The agreement must provide recourse for the authority if the development is not completed.*

Sec. 9. Minnesota Statutes 1987 Supplement, section 469.175, subdivision 1, is amended to read:

**Subdivision 1. [TAX INCREMENT FINANCING PLAN.]** A tax increment financing plan shall contain:

(1) a statement of objectives of an authority for the improvement of a project;

(2) a statement as to the development program for the project, including the property within the project, if any, that the authority intends to acquire;

(3) a list of any development activities that the plan proposes to take place within the project, for which contracts have been entered into at the time of the preparation of the plan, including the names of the parties to the contract, the activity governed by the contract, the cost stated in the contract, and the expected date of completion of that activity;

(4) identification or description of the type of any other specific development reasonably expected to take place within the project, and the date when the development is likely to occur;

(5) estimates of the following:

(i) cost of the project, including administration expenses;

(ii) amount of bonded indebtedness to be incurred;

(iii) sources of revenue to finance or otherwise pay public costs;

(iv) the most recent assessed value of taxable real property within the tax increment financing district;

(v) the estimated captured assessed value of the tax increment financing district at completion; and

(vi) the duration of the tax increment financing district's existence; ~~and~~

(6) ~~a statement~~ *statements* of the authority's ~~estimate~~ *alternate estimates* of the impact of tax increment financing on the assessed values of all taxing jurisdictions in which the tax increment financing district is located in whole or in part. *For purposes of one statement, the authority shall assume that the estimated captured assessed value would be available to the taxing jurisdictions without creation of the district, and for purposes of the second statement, the authority shall assume that none of the estimated captured assessed value would be available to the taxing jurisdictions without creation of the district;*

(7) *identification and description of studies and analyses used to make the determination set forth in subdivision 3, clause (2); and*

(8) *identification of all parcels to be included in the district.*

Sec. 10. Minnesota Statutes 1987 Supplement, section 469.175, is amended by adding a subdivision to read:

*Subd. 1a. [INCLUSION OF COUNTY ROAD COSTS.] (a) The county board may require the authority to pay all or a portion of the cost of county road improvements out of increment revenues, if the following conditions occur:*

*(1) the proposed tax increment financing plan or an amendment to the plan contemplates construction of a development that will, in the judgment of the county, substantially increase the use of county roads requiring construction of road improvements or other road costs;*

*(2) the proposed tax increment financing district is a soils condition district; and*

*(3) the road improvements or other road costs, in the opinion of the county, would not reasonably be expected to be needed within the reasonably foreseeable future if the tax increment financing plan were not implemented.*

*(b) If the county elects to use increments to finance the road improvements, the county must notify the authority and municipality within 30 days after receipt of the information on the proposed tax increment district under subdivision 2. The notice must include the estimated cost of the road improvements and schedule for construction and payment of the cost. The authority must include the improvements in the tax increment financing plan. The improvements may be financed with the proceeds of tax increment bonds or the authority and the county may agree that the county will finance the improvements with county funds to be repaid in installments, with or without interest, out of increment revenues. If the cost of the road improvements and other project costs exceed the projected amount of the increment revenues, the county and authority shall negotiate an agreement, modifying the development plan or proposed road improvements that will permit financing of the costs before the tax increment financing plan may be approved.*

Sec. 11. Minnesota Statutes 1987 Supplement, section 469.175, subdivision 2, is amended to read:

Subd. 2. [CONSULTATIONS; COMMENT AND FILING.] Before formation of a tax increment financing district, the authority shall provide an opportunity to the members of the county boards of commissioners of any county in which any portion of the proposed district is located and the members of the school board of any school district in which any portion of the proposed district is located to meet with the authority. The authority shall present to the members of the county boards of commissioners and the school boards its estimate of the fiscal and economic implications of the proposed tax increment financing district. *The information on the fiscal and economic implications of the plan must be provided to the county and school district boards at least 30 days before the public hearing required by subdivision 3. The 30-day requirement is waived if the county and school district submit written comments on the proposal and any modification of the proposal to the authority after receipt of the information.* The members of the county boards of commissioners and the school boards may present their comments at the public hearing on the tax increment financing plan required by subdivision 3. ~~The county auditor shall not certify the original assessed value of a district pursuant to section 469.177, subdivision 1, until the county board of commissioners has presented its written comment on the proposal to the authority, or 30 days has passed from the date of the transmittal by the authority to the board of the information regarding the fiscal and economic implications, whichever occurs first.~~ Upon adoption of the tax increment financing plan, the authority shall file a copy of the plan with the commissioner of energy trade and economic development. The authority must also file with the commissioner a copy of the development plan for the project area.

Sec. 12. Minnesota Statutes 1987 Supplement, section 469.175, subdivision 3, is amended to read:

Subd. 3. [MUNICIPALITY APPROVAL.] A county auditor shall not certify the original assessed value of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority that proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority

may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. This hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project. Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, and shall set forth in writing the reasons and supporting facts for each determination:

(1) that the proposed tax increment financing district is a redevelopment district, a mined underground space development district, a housing district, a soils condition district, or an economic development district; *if the proposed district is a redevelopment district, the reasons and supporting facts for the determination that the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) to (5), must be retained and made available to the public by the authority until the district has been terminated.*

(2) that the proposed development or redevelopment, in the opinion of the municipality, would not reasonably be expected to occur solely through private investment within the reasonably foreseeable future and therefore the use of tax increment financing is deemed necessary.

(3) that the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole.

(4) that the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the project by private enterprise.

(5) that the municipality elects the method of tax increment computation set forth in section 469.177, subdivision 3, clause (b), if applicable.

When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority, or the plan shall be deemed approved. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for the financing.

Sec. 13. Minnesota Statutes 1987 Supplement, section 469.175, subdivision 4, is amended to read:

Subd. 4. [MODIFICATION OF PLAN.] (a) A tax increment financing plan may be modified by an authority, provided that any reduction or enlargement of geographic area of the project or tax increment financing district, increase in amount of bonded indebtedness to be incurred, including a determination to capitalize interest on the debt if that determination was not a part of the original plan, or to increase or decrease the amount of interest on the debt to be capitalized, increase in the portion of the captured assessed value to be retained by the authority, increase in total estimated tax increment expenditures or designation of additional property to be acquired by the authority shall be approved upon the notice and after the discussion, public hearing, and findings required for approval of the original plan; provided that if an authority changes the type of district from

housing, redevelopment, or economic development to another type of district, this change shall not be considered a modification but shall require the authority to follow the procedure set forth in sections 469.174 to 469.179 for adoption of a new plan, including certification of the assessed valuation of the district by the county auditor. *If a redevelopment district is enlarged, the reasons and supporting facts for the determination that the addition to the district meets the criteria of section 469.174, subdivision 10, paragraph (a), clauses (1) to (5), must be documented. The requirements of this paragraph do not apply if (1) the only modification is elimination of parcels from the project or district and (2)(A) the current assessed value of the parcels eliminated from the district equals or exceeds the assessed value of those parcels in the district's original assessed value or (B) the authority agrees that, notwithstanding section 469.177, subdivision 1, the original assessed value will be reduced by no more than the current assessed value of the parcels eliminated from the district. The authority must notify the county auditor of any modification that reduces or enlarges the geographic area of a district or a project area.*

(b) The geographic area of a tax increment financing district may be reduced, but shall not be enlarged after five years following the date of certification of the original assessed value by the county auditor or after August 1, 1984, for tax increment financing districts authorized prior to August 1, 1979, ~~except that development districts created pursuant to Minnesota Statutes 1978, chapter 472A, prior to August 1, 1979, may be reduced but shall not be enlarged after five years following the date of designation of the district.~~

Sec. 14. Minnesota Statutes 1987 Supplement, section 469.175, is amended by adding a subdivision to read:

*Subd. 7. [CREATION OF HAZARDOUS SUBSTANCE SUBDISTRICT; RESPONSE ACTIONS.] (a) A municipality or authority which is creating or has created a tax increment financing district may establish within the district a hazardous substance subdistrict upon the notice and after the discussion, public hearing, and findings required for approval of the original plan. The geographic area of the subdistrict is made up of any parcels in the district designated for inclusion by the municipality or authority that are designated hazardous substance sites, and any additional parcels in the district designated for inclusion that are contiguous except for the interposition of a right-of-way. Before or at the time of approval of the tax increment financing plan, the municipality must make the findings under paragraphs (b) to (d), and set forth in writing the reasons and supporting facts for each.*

(b) *Development or redevelopment of the site, in the opinion of the municipality, would not reasonably be expected to occur solely through private investment and tax increment otherwise available, and therefore the hazardous substance district is deemed necessary.*

(c) *Other parcels that are not designated hazardous substance sites are expected to be developed together with a designated hazardous substance site.*

(d) *The subdistrict is not larger than, and the period of time during which increments are elected to be received is not longer than, that which is necessary in the opinion of the municipality to provide for the additional costs due to the designated hazardous substance site.*

(e) Upon request by a municipality or authority that has incurred expenses for removal or remedial actions to implement a development response action plan, the attorney general may:

(1) bring a civil action on behalf of the municipality or authority to recover the expenses, including administrative costs and litigation expenses, under section 115B.04 or other law; or

(2) assist the municipality or agency in bringing an action as described in clause (1), by providing legal and technical advice, intervening in the action, or other appropriate assistance.

The decision to participate in any action to recover expenses is at the discretion of the attorney general.

(f) If the attorney general brings an action as provided in paragraph (e), clause (1), the municipality or authority shall certify its reasonable and necessary expenses incurred to implement the development response action plan and shall cooperate with the attorney general as required to effectively pursue the action. The certification by the municipality or authority is prima facie evidence that the expenses are reasonable and necessary. The attorney general may deduct litigation expenses incurred by the attorney general from any amounts recovered in an action brought under paragraph (e), clause (1). The municipality or authority shall reimburse the attorney general for litigation expenses not recovered in an action under paragraph (e), clause (1), and for litigation expenses incurred to assist in bringing an action under paragraph (e), clause (1). All money recovered or paid to the attorney general for litigation expenses under this paragraph shall be paid to the general fund of the state for deposit to the account of the attorney general. For the purposes of this section, "litigation expenses" means attorney fees and costs of discovery and other preparation for litigation.

(g) The municipality or authority shall reimburse the pollution control agency for its administrative expenses incurred to review and approve a development action response plan and associated activities, and for expenses incurred for any services rendered to the attorney general to support the attorney general in actions brought or assistance provided under paragraph (e). All money paid to the pollution control agency under this paragraph shall be deposited in the environmental response, compensation and compliance fund.

(h) Actions taken by a municipality or authority consistent with a development response action plan are deemed to be authorized response actions for the purpose of section 115B.17, subdivision 12. A municipality or agency that takes actions consistent with a development response action plan qualifies for the defenses available under sections 115B.04, subdivision 11, and 115B.05, subdivision 9.

(i) All money recovered by a municipality or authority in an action brought under paragraph (e) in excess of the amounts paid to the attorney general and the pollution control agency must be treated as excess increments and be distributed as provided in section 469.176, subdivision 2, clause (4), to the extent the removal and remedial actions were initially financed with increment revenues.

Sec. 15. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 1, is amended to read:

Subdivision 1. [DURATION OF TAX INCREMENT FINANCING DISTRICTS.] (a) Subject to the limitations contained in paragraphs (b) to (f), any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as the bonds continue to be outstanding.

(b) The tax increment pledged to the payment of the bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to the maturity or redemption date.

(c) For bonds issued pursuant to section 469.178, subdivisions 2 and 3, the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full.

(d) No tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original assessed value of the taxable real property in the district by the county auditor or after August 1, 1982, for tax increment financing districts authorized prior to August 1, 1979, unless within the three-year period (1) bonds have been issued pursuant to section 469.178, or in aid of a project pursuant to any other law, except revenue bonds issued pursuant to sections 469.152 to 469.165, prior to August 1, 1979, or (2) the authority has acquired property within the district, or (3) the authority has constructed or caused to be constructed public improvements within the district.

(e) No tax increment shall in any event be paid to the authority from a redevelopment district after 25 years from date of receipt by the authority of the first tax increment, after 25 years from the date of the receipt for a housing district, after 25 years from the date of the receipt for a mined underground space development district, *after 12 years from approval of the tax increment financing plan for a soils condition district*, and after eight years from the date of the receipt, or ten years from approval of the tax increment financing plan, whichever is less, for an economic development district.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after ~~30 years from August 1, 1979~~ *April 1, 2001, or the term of a nondefeased bond or obligation outstanding on April 1, 1990, secured by increments from the district or project area, whichever time is greater, provided that in no case will a tax increment be paid to an authority after August 1, 2009, from such a district. If a district's termination date is extended beyond April 1, 2001, because bonds were outstanding on April 1, 1990, with maturities extending beyond April 1, 2001, the following restrictions apply. No increment collected from the district may be expended after April 1, 2001, except to pay or defease (i) bonds issued before April 1, 1990, or (ii) bonds issued to refund the principal of the outstanding bonds and pay associated issuance costs, provided the average maturity of the refunding bonds does not exceed the bonds refunded.*

(f) Modification of a tax increment financing plan pursuant to section 469.175, subdivision 4, shall not extend the durational limitations of this subdivision.

*(g) If a parcel of a district is part of a designated hazardous substance site or a hazardous substance subdistrict, tax increment may be paid to the authority from the parcel for longer than the period otherwise provided by this subdivision. The extended period for collection of tax increment begins on the date of receipt of the first tax increment from the parcel that is more than any tax increment received from the parcel before the date of the certification under section 469.175, subdivision 7, paragraph (b), and received after the date of certification to the county auditor described in section 469.175, subdivision 7, paragraph (b). The extended period for collection of tax increment is the lesser of: (1) 25 years from the date of commencement of the extended period; or (2) the period necessary to recover the costs of removal actions or remedial actions specified in a development response action plan.*

Sec. 16. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 4, is amended to read:

Subd. 4. [LIMITATION ON USE OF TAX INCREMENT; GENERAL RULE.] ~~(a)~~ All revenues derived from tax increment shall be used in accordance with the tax increment financing plan. The revenues shall be used solely for the following purposes: (1) to pay the principal of and interest on bonds issued to finance a project; (2) by a rural development financing authority for the purposes stated in section 469.142, by a port authority or municipality exercising the powers of a port authority to finance or otherwise pay the cost of redevelopment pursuant to sections 469.048 to 469.068, by an economic development authority to finance or otherwise pay the cost of redevelopment pursuant to sections 469.090 to 469.108, by a housing and redevelopment authority or economic development authority to finance or otherwise pay public redevelopment costs pursuant to sections 469.001 to 469.047, by a municipality or economic development authority to finance or otherwise pay the capital and administration costs of a development district pursuant to sections 469.124 to 469.134, by a municipality or redevelopment agency to finance or otherwise pay premiums for insurance or other security guaranteeing the payment when due of principal of and interest on the bonds pursuant to chapter 462C, sections 469.152 to 469.165, or both, or to accumulate and maintain a reserve securing the payment when due of the principal of and interest on the bonds pursuant to chapter 462C, sections 469.152 to 469.165, or both, which revenues in the reserve shall not exceed, subsequent to the fifth anniversary of the date of issue of the first bond issue secured by the reserve, an amount equal to 20 percent of the aggregate principal amount of the outstanding and nondefeased bonds secured by the reserve.

*Subd. 4a. [MINED UNDERGROUND SPACE DISTRICTS.] Revenue derived from tax increment from a mined underground space development district may be used only to pay for the costs of excavating and supporting the space, of providing public access to the mined underground space including roadways, and of installing utilities including fire sprinkler systems in the space.*

*(b) Subd. 4b. [SOILS CONDITION DISTRICTS.] Revenue derived from tax increment from a soils condition district under section 469.174, subdivision 19, may be used only to (1) acquire parcels on which the improvements described in clause (2) will occur; (2) pay for the cost of correcting the unusual terrain or soil deficiencies and the additional cost of installing public improvements directly caused by the deficiencies; and (3) pay for the administrative expenses of the authority allocable to the district. The*

*sale by the authority of a parcel acquired and improved as described in clauses (1) and (2) must be for a price that is no less than the cost of acquisition.*

*Subd. 4c. [ECONOMIC DEVELOPMENT DISTRICTS.] Revenue derived from tax increment from an economic development district may not be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form to developments consisting of buildings and ancillary facilities, if 25 percent of the buildings and facilities (determined on the basis of square footage) are used for the purposes listed in section 144(a)(8) of the Internal Revenue Code of 1986 (determined without regard to the 25 percent restriction in subparagraph (A)). The restrictions under this paragraph apply only to districts located in development regions, as defined in section 462.384, with populations in excess of 1,000,000. Population must be determined under the provisions of section 477A.011.*

*Subd. 4d. [HOUSING DISTRICTS.] Revenue derived from tax increment from a housing district must be used solely to finance the cost of housing projects as defined in section 469.174, subdivision 11. The cost of public improvements directly related to the housing projects and the allocated administrative expenses of the authority may be included in the cost of a housing project.*

*Subd. 4e. [HAZARDOUS SUBSTANCE SUBDISTRICTS.] The additional tax increment received by the municipality from a hazardous substance subdistrict as a result of a reduction in original assessed value pursuant to section 469.174, subdivision 7, paragraph (b), or as a result of the extension of the period for collection of tax increment from a hazardous substance site or subdistrict provided for in section 469.176, subdivision 1, paragraph (g), may be used only to pay or reimburse the costs of: (1) removal actions or remedial actions with respect to hazardous substances or pollutants or contaminants or petroleum releases affecting or which may affect the designated hazardous substance site; (2) pollution testing, demolition, and soil compaction correction necessitated by the development response action plan for the designated hazardous substance site; and (3) related administrative and legal costs, including costs of review and approval of development response action plans by the pollution control agency and litigation expenses of the attorney general.*

*Subd. 4f. [INTEREST REDUCTION.] Revenues derived from tax increment may be used to finance the costs of an interest reduction program operated pursuant to section 469.012, subdivisions 7 to 10, or pursuant to other law granting interest reduction authority and power by reference to those subdivisions only under the following conditions: (1) tax increments may not be collected for a program for a period in excess of 12 years after the date of the first interest rate reduction payment for the program, (2) tax increments may not be used for an interest reduction program, if the proceeds of bonds issued pursuant to section 469.178 after December 31, 1985, have been or will be used to provide financial assistance to the specific project which would receive the benefit of the interest reduction program, and (3) tax increments may not be used to finance an interest reduction program for owner-occupied single-family dwellings.*

*(e) Subd. 4g. [GENERAL GOVERNMENT USE PROHIBITED.] These revenues shall not be used to circumvent existing levy limit law. No revenues derived from tax increment from any district, whether certified before or after August 1, 1979, shall be used for the acquisition, construction or*

renovation, operation, or maintenance of a municipally owned building to be used primarily and regularly for conducting the business of the a municipality, county, school district, or any other local unit of government or the state or federal government. This provision shall not prohibit the use of revenues derived from tax increments for the construction or renovation of a parking structure, a commons area used as a public park, or a facility used for social, recreational, or conference purposes and not primarily for conducting the business of the municipality.

*Subd. 4h. [COUNTY COSTS.] (a) Tax increments may be used to pay for the county's actual administrative expenses under sections 469.174 to 469.179. The county may require payment of those expenses by February 15 of the year after the year in which the expenses are incurred. The amount of these payments is not required to be set forth in the tax increment financing plan for the project. To obtain payment for actual administrative costs, the county auditor must submit to the authority a record of costs incurred by the county auditor related to administration of the authority's tax increment financing districts.*

*(b) Tax increments may be used to pay county road costs as provided in section 469.175, subdivision 1a.*

*Subd. 4i. [MULTI-COUNTY USE PROHIBITED.] If a tax increment district is located in a municipality, parts of which are situated in more than one county, the revenue derived from tax increments from parcels located in one county must be expended for the direct and primary benefit of a project located or conducted within that county, unless the county boards of each of the counties involved agree to waive this requirement.*

Sec. 17. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 5, is amended to read:

*Subd. 5. [REQUIREMENT FOR AGREEMENTS.] No more than 25 percent, by acreage, of the property to be acquired within a project which contains a redevelopment district, or ten percent, by acreage, of the property to be acquired within a project which contains a housing or economic development district, as set forth in the tax increment financing plan, shall at any time be owned by an authority as a result of acquisition with the proceeds of bonds issued pursuant to section 469.178 unless prior to acquisition in excess of the percentages, the authority has concluded an agreement for the development or redevelopment of the property acquired and which provides recourse for the authority should the development or redevelopment not be completed. This subdivision does not apply to a parcel of a district that is a designated hazardous substance site established under section 469.174, subdivision 16, or part of a hazardous substance sub-district established under section 469.175, subdivision 7.*

Sec. 18. Minnesota Statutes 1987 Supplement, section 469.176, subdivision 6, is amended to read:

*Subd. 6. [ACTION REQUIRED.] If, after four years from the date of certification of the original assessed value of the tax increment financing district pursuant to section 469.177, no demolition, rehabilitation, or renovation of property or other site preparation, including improvement of a street adjacent to a parcel but not installation of utility service including sewer or water systems, has been commenced on a parcel located within a tax increment financing district by the authority or by the owner of the parcel in accordance with the tax increment financing plan, no additional*

tax increment may be taken from that parcel, and the original assessed value of that parcel shall be excluded from the original assessed value of the tax increment financing district. If the authority or the owner of the parcel subsequently commences demolition, rehabilitation, or renovation or other site preparation on that parcel including improvement of a street adjacent to that parcel, in accordance with the tax increment financing plan, the authority shall certify to the county auditor that the activity has commenced, and the county auditor shall certify the assessed value thereof as most recently certified by the commissioner of revenue and add it to the original assessed value of the tax increment financing district. *The county auditor must enforce the provisions of this subdivision. The authority must submit to the county auditor evidence that the required activity has taken place for each parcel in the district. The evidence for a parcel must be submitted by February 1 of the fifth year following the year in which the parcel was certified as included in the district.*

Sec. 19. Minnesota Statutes 1987 Supplement, section 469.177, subdivision 1, is amended to read:

Subdivision 1. [ORIGINAL ASSESSED VALUE.] Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original assessed value of the tax increment financing district as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original assessed value has increased or decreased as a result of a change in tax exempt status of property within the district, reduction or enlargement of the district or changes pursuant to subdivision 4. In the case of a mined underground space development district the county auditor shall certify the original assessed value as zero, plus the assessed value, if any, previously assigned to any subsurface area included in the mined underground space development district pursuant to section 272.04. *For districts approved under section 469.175, subdivision 3, or parcels added to existing districts after May 1, 1988, if the classification under section 273.13 of property located in a district changes to a classification that has a different assessment ratio, the original assessed value of that property must be redetermined at the time when its use is changed as if the property had originally been classified in the same class in which it is classified after its use is changed.* The amount to be added to the original assessed value of the district as a result of previously tax exempt real property within the district becoming taxable shall be equal to the assessed value of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the value assessed by the assessor at the time of the transfer. The amount to be added to the original assessed value of the district as a result of enlargements thereof shall be equal to the assessed value of the added real property as most recently certified by the commissioner of revenue as of the date of modification of the tax increment financing plan pursuant to section 469.175, subdivision 4. *For districts approved under section 469.175, subdivision 3, or parcels added to existing districts after May 1, 1988, if the assessed value of a property increases because the property no longer qualifies under the Minnesota agricultural property tax law, section 273.111; the Minnesota open space property tax law, section 273.112; or the metropolitan agricultural preserves act, chapter 473H, or because platted, unimproved property is improved or three years pass after approval of the plat under section 273.11, subdivision 1, the increase in assessed value must*

*be added to the original assessed value.* Each year the auditor shall also add to the original assessed value of each economic development district an amount equal to the original assessed value for the preceding year multiplied by the average percentage increase in the assessed valuation of all property included in the economic development district during the five years prior to certification of the district. The amount to be subtracted from the original assessed value of the district as a result of previously taxable real property within the district becoming tax exempt, or a reduction in the geographic area of the district, shall be the amount of original assessed value initially attributed to the property becoming tax exempt or being removed from the district. If the assessed value of property located within the tax increment financing district is reduced by reason of a court-ordered abatement, stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original assessed value of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured assessed value of the district in each year thereafter when the abatement relates to improvements made after the date of certification. The county auditor may specify reasonable form and content of the request for certification of the authority and any modification thereof pursuant to section 469.175, subdivision 4.

Sec. 20. Minnesota Statutes 1987 Supplement, section 469.177, is amended by adding a subdivision to read:

*Subd. 1a. [ORIGINAL MILL RATE.] (a) At the time of the initial certification of the original assessed value for a tax increment financing district, the county auditor shall certify the original mill rate that applies to the district. The original mill rate is the sum of all the mill rates that apply to a property in the district for the taxes payable in the calendar year in which the initial certification of original assessed value is requested under subdivision 1. If the total mill rate applicable to properties in the tax increment financing district varies, the mill rate must be computed by determining the average total mill rate in the district, weighted on the basis of assessed value. The resulting mill rate is the original mill rate for the life of the district.*

*(b) In the case of districts certified during calendar year 1988, the original mill rate equals the amount calculated under paragraph (a) multiplied by 0.45.*

Sec. 21. Minnesota Statutes 1987 Supplement, section 469.177, subdivision 3, is amended to read:

**Subd. 3. [TAX INCREMENT, RELATIONSHIP TO CHAPTER 473F]**  
(a) Unless the governing body elects pursuant to clause (b) the following method of computation shall apply:

(1) The original assessed value and the current assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.

(2) The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of *the lesser of (A) the local taxing district mill rates or (B) the original mill rate* to the retained captured assessed value of the authority is the tax increment of the authority.

(b) The governing body may, by resolution approving the tax increment financing plan pursuant to section 469.175, subdivision 3, elect the following method of computation:

(1) The original assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. The current assessed value shall exclude any fiscal disparity commercial-industrial assessed value increase between the original year and the current year multiplied by the fiscal disparity ratio determined pursuant to section 473F08, subdivision 6. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.

(2) The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of *the lesser of (A) the local taxing district mill rates or (B) the original mill rate* to the retained captured assessed value of the authority is the tax increment of the authority.

(3) An election by the governing body pursuant to ~~part~~ *paragraph (b)* shall be submitted to the county auditor by the authority at the time of the request for certification pursuant to subdivision 1.

(c) The method of computation of tax increment applied to a district pursuant to ~~clause~~ *paragraph (a) or (b)* shall remain the same for the duration of the district, *except that the governing body may elect to change its election from the method of computation in paragraph (a) to the method in paragraph (b).*

Sec. 22. Minnesota Statutes 1987 Supplement, section 469.177, subdivision 4, is amended to read:

Subd. 4. [PRIOR PLANNED IMPROVEMENTS.] The authority shall, after diligent search, accompany its request for certification to the county auditor pursuant to subdivision 1, or its notice of district enlargement pursuant to section 469.175, subdivision 4, with a listing of all properties within the tax increment financing district or area of enlargement for which building permits have been issued during the 18 months immediately preceding approval of the tax increment financing plan by the municipality pursuant to section 469.175, subdivision 3. The county auditor shall increase the original assessed value of the district by the assessed valuation of ~~the~~

improvements each improvement for which the a building permit was issued, excluding the assessed valuation of improvements for which a building permit was issued during the three-month period immediately preceding said approval of the tax increment financing plan, as certified by the assessor.

Sec. 23. Minnesota Statutes 1987 Supplement, section 469.177, is amended by adding a subdivision to read:

*Subd. 9. [DISTRIBUTIONS OF EXCESS TAXES ON CAPTURED VALUE.] (a) If the amount of tax paid on captured value exceeds the amount of tax increment, the county auditor shall distribute the excess to the municipality, county, and school district as follows: each governmental unit's share of the excess equals*

*(1) the total amount of the excess for the tax increment financing district, multiplied by*

*(2) a fraction, the numerator of which is the current mill rate of the governmental unit less the governmental unit's mill rate for the year the original mill rate for the district was certified (in no case may this amount be less than zero) and the denominator of which is the sum of the numerators for the municipality, county, and school district.*

*If the entire increase in the mill rate is attributable to a taxing district, other than the municipality, county, or school district, then the excess must be distributed to the municipality, county, and school district in proportion to their respective mill rates.*

*(b) The amounts distributed shall be deducted in computing the levy limits of the taxing district for the succeeding taxable year.*

*(c) In the case of distributions to a school district, the county auditor shall report amounts distributed to the commissioner of education in the same manner as provided for excess increments under section 469.176, subdivision 2, and the distribution shall be treated as an excess increment for purposes of section 124.214, subdivision 3.*

Sec. 24. Minnesota Statutes 1987 Supplement, section 469.177, is amended by adding a subdivision to read:

*Subd. 10. [PAYMENT TO SCHOOL FOR REFERENDUM LEVY.] The provisions of this subdivision apply to tax increment financing districts and projects for which certification was requested before May 1, 1988, that are located in a school district in which the voters have approved new millage or an increase in millage after the tax increment financing district was certified (1) if there are no outstanding bonds on May 1, 1988, to which increment from the district is pledged, or (2) if the referendum is approved after May 1, 1988, and there are no bonds outstanding at the time the referendum is approved, that were issued before May 1, 1988, or (3) if the referendum increasing the mill rate was approved after the most recent issue of bonds to which increment from the district is pledged. If clause (1) or (2) applies, the authority must annually pay to the school district an amount of increment equal to the increment that is attributable to the increase in the mill rate under the referendum. If clause (3) applies, upon approval by a majority vote of the governing body of the municipality and the school board, the authority must pay to the school district an amount of increment equal to the increment that is attributable to the*

*increase in the mill rate under the referendum. The amounts of these increments may be expended and must be treated by the school district in the same manner as provided for the revenues derived from the referendum levy approved by the voters.*

Sec. 25. Minnesota Statutes 1987 Supplement, section 469.179, is amended to read:

**469.179 [EXISTING PROJECTS.]**

*Subdivision 1. [EXEMPTION.] The provisions of sections 469.174 to 469.178 shall not affect any project for which tax increment certification was requested pursuant to law prior to August 1, 1979, or any project carried on by an authority pursuant to section 469.033, subdivision 5, with respect to which the governing body has by resolution designated properties for inclusion in the district prior to August 1, 1979, except:*

(1) as otherwise expressly provided in sections 469.174 to 469.178; or

(2) as an authority elects to proceed with an existing district, under the provisions of sections 469.174 to 469.178; or

(3) ~~that any enlargements of the geographic area of an existing tax increment financing district subsequent to August 1, 1979, shall be accomplished in accordance with and shall subject the property added as a result of the enlargement to the terms and conditions of sections 469.174 to 469.178 as provided in subdivision 2; or~~

(4) ~~that beginning with taxes payable in 1980, section 469.177, subdivision 3, clause (b), shall apply to all development districts created pursuant to Minnesota Statutes 1978, chapter 472A, or any special law, prior to August 1, 1979.~~

*Subd. 2. [APPLICATION TO EXISTING DISTRICTS.] If the development or redevelopment activity within the project or district of a tax increment financing project certified prior to August 1, 1979, is extended beyond the scope of activity set forth in the district's redevelopment plan under Minnesota Statutes, chapter 462, or Minnesota Statutes, chapter 472A, if applicable, after May 1, 1988, the authority must with regard to the new activity conform to the provisions of sections 469.174 to 469.178 with the following exceptions.*

*(a) Section 469.175, subdivision 3, paragraphs (1) and (5), shall not apply. Furthermore, the provisions of section 473F02, subdivision 3, shall continue to apply to the entire district, if applicable.*

*(b) Section 469.177, subdivision 3, shall not apply.*

**Sec. 29. [TRANSITION RULES.]**

*(a) The provisions of sections 3, 6, 10, and 14 do not apply to proposed tax increment financing districts for which the authority called for a public hearing in a resolution dated March 23, 1987, and for which a public hearing was held on April 28, 1987. The commissioner of finance shall, as authorized from time to time by law, restrict part or all of the budgetary balance in the general fund for use as the budget and cash flow reserve account. The commissioner of finance ~~on July 1, 1987,~~ shall transfer to the budget and cash flow reserve account ~~the amount necessary~~ *such amounts as are available* to bring the total amount, including any existing balance in the account on June 30, ~~1987 1988, to \$250,000,000~~ *\$265,000,000*. The amounts restricted shall remain in the account until drawn down under subdivision 1 *or increased under section 16A.1541.*

## 16A.1541 [ADDITIONAL REVENUES; PRIORITY.]

## ARTICLE 14

## SPECIAL SERVICE DISTRICT PROCEDURES

## Section 1. [428A.01] [SPECIAL SERVICE DISTRICT PROCEDURES; DEFINITIONS.]

*Subdivision 1. [APPLICABILITY.] As used in sections 1 to 10, the terms defined in this section have the meanings given them.*

*Subd. 2. [CITY.] "City" means the city in which the special service district is authorized to be established under a special law.*

*Subd. 3. [SPECIAL SERVICES.] "Special services" has the meaning given in the city's enabling legislation.*

*Special services do not include a service that is ordinarily provided throughout the city from general fund revenues of the city unless an increased level of the service is provided in the special service district.*

*Subd. 4. [SPECIAL SERVICE DISTRICT.] "Special service district" means a defined area within the city where special services are rendered and the costs of the special services are paid from revenues collected from service charges imposed within that area.*

*Subd. 5. [ASSESSED VALUE.] "Assessed value" means the assessed value most recently certified by the county auditor before the effective date of the ordinance or resolution adopted under section 2 or 3.*

*Subd. 6. [LAND AREA.] "Land area" means the land area in the district that is subject to property taxes.*

## Sec. 2. [428A.02] [ESTABLISHMENT OF SPECIAL SERVICE DISTRICT.]

*Subdivision 1. [ORDINANCE.] The governing body of the city may adopt an ordinance establishing a special service district. Only property that is classified under section 273.13 and used for commercial, industrial, or public utility purposes, or is vacant land zoned or designated on a land use plan for commercial or industrial use and located in the special service district, may be subject to the charges imposed by the city on the special service district. Other types of property may be included within the boundaries of the special service district but are not subject to the levies or charges imposed by the city on the special service district. If 50 percent or more of the market value of a parcel of property is classified under section 273.13 as commercial, industrial, or vacant land zoned or designated on a land use plan for commercial or industrial use, or public utility for the current assessment year, then the entire market value of the property is subject to a service charge based on assessed value for purposes of sections 1 to 10. The ordinance shall describe with particularity the area within the city to be included in the district and the special services to be furnished in the district. The ordinance may not be adopted until after a public hearing has been held on the question. Notice of the hearing shall include the time and place of hearing, a map showing the boundaries of the proposed district, and a statement that all persons owning property in the proposed district that would be subject to a service charge will be given opportunity to be heard at the hearing.*

*Subd. 2. [NOTICE.] Notice of the hearing must be given by publication in at least two issues of the official newspaper of the city. The two publications must be two weeks apart and the hearing must be held at least*

three days after the last publication. Not less than ten days before the hearing, notice must also be mailed to the owner of each parcel within the area proposed to be included in the district. For the purpose of giving mailed notice, owners are those shown on the records of the county auditor. Other records may be used to supply the necessary information. For properties that are tax exempt or subject to taxation on a gross earnings basis in lieu of property tax and are not listed on the records of the county auditor, the owners must be ascertained by any practicable means and mailed notice given them. At the public hearing a person affected by the proposed district may testify on any issues relevant to the proposed district. The hearing may be adjourned from time to time and the ordinance establishing the district may be adopted at any time within six months after the date of the conclusion of the hearing by a vote of the majority of the governing body of the city.

*Subd. 3. [CHARGES; RELATIONSHIP TO SERVICES.]* The city may impose service charges under sections 1 to 10 that are reasonably related to the special services provided. Charges for service shall be as nearly as possible proportionate to the cost of furnishing the service, and may be fixed on the basis of the service directly rendered, or by reference to a reasonable classification of the types of premises to which service is furnished, or on any other equitable basis.

*Subd. 4. [BENEFIT; OBJECTION.]* Before the ordinance is adopted or at the hearing at which it is to be adopted, any affected landowner may file a written objection with the city clerk asserting that the landowner's property should not be included in the district or should not be subjected to a service charge and objecting to:

(1) the inclusion of the landowner's property in the district, for the reason that the property would not receive services that are not provided throughout the city to the same degree;

(2) the levy of a service charge on the landowner's property, for the reason that the property is exempted under this article or the special law under which the district was created; or

(3) the fact that neither the landowner's property nor its use is benefited by the proposed special service.

The governing body shall make a determination on the objection within 30 days of its filing. Pending its determination, the governing body may delay adoption of the ordinance or it may adopt the ordinance with a reservation that the landowner's property may be excluded from the district or district service charges when the determination is made.

*Subd. 5. [APPEAL TO DISTRICT COURT.]* Within 30 days after the determination of the objection, any person aggrieved, who is not precluded by failure to object before or at the hearing, or whose failure to object is due to a reasonable cause, may appeal to the district court by serving a notice upon the mayor or city clerk. The notice shall be filed with the court administrator of the district court within ten days after its service. The city clerk shall furnish the appellant a certified copy of the findings and determination of the governing body. The court may affirm the action objected to or, if the appellant's objections have merit, modify or cancel it. *All objections shall be deemed waived unless presented on appeal.*

**Sec. 3. [428A.03] [SERVICE CHARGE AUTHORITY; NOTICE AND HEARING REQUIREMENTS.]**

*Subdivision 1. [HEARING.] Service charges may be imposed by the city within the special service district at a rate or amount sufficient to produce the revenues required to provide special services in the district. To determine the appropriate rate for a service charge based on assessed value, taxable property or value must be determined without regard to captured or original assessed value under section 469.177 or to the distribution or contribution value under section 473F.08. Service charges may not be imposed to finance a special service if the service is ordinarily provided by the city from its general fund revenues unless the service is provided in the district at an increased level. In that case, a service charge may be imposed only in the amount needed to pay for the increased level of service. A service charge may not be imposed on the receipts from the sale of intoxicating liquor, food, or lodging. Before the imposition of service charges in a district, for each calendar year, a hearing must be held under section 2 and notice must be given and must be mailed to any individual or business organization subject to a service charge. For purposes of this section, the notice shall also include:*

*(1) a statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed service charge;*

*(2) the estimated cost of improvements to be paid for in whole or in part by service charges imposed under this section, the estimated cost of operating and maintaining the improvements during the first year and upon completion of the improvements, the proposed method and source of financing the improvements, and the annual cost of operating and maintaining the improvements;*

*(3) the proposed rate or amount of the proposed service charge to be imposed in the district during the calendar year and the nature and character of special services to be rendered in the district during the calendar year in which the service charge is to be collected; and*

*(4) a statement that the petition requirements of section 8 have either been met or do not apply to the proposed service charge.*

*Within six months of the public hearing, the city may adopt a resolution imposing a service charge within the district not exceeding the amount or rate expressed in the notice issued under this section.*

**Subd. 2. [EXEMPTION OF CERTAIN PROPERTIES FROM TAXES AND SERVICE CHARGES.]** *Property exempt from taxation by section 272.02 is exempt from any service charges based on assessed value imposed under sections 1 to 10.*

**Subd. 3. [LEVY LIMIT.]** *Service charges imposed under sections 1 to 10 are not included in the calculation of levies or limits on levies imposed under law or charter.*

**Sec. 4. [428A.04] [ENLARGEMENT OF SPECIAL SERVICE DISTRICTS.]**

*Boundaries of a special service district may be enlarged only after hearing and notice as provided in sections 2 and 3. Notice must be served in the original district and in the area proposed to be added to the district.*

*Property added to the district is subject to all service charges imposed within the district after the property becomes a part of the district if it is property of the type that is subject to service charges in the district. On the question of enlargement, the petition requirement in section 8 and the veto power in section 9 apply only to owners, individuals, and business organizations in the area proposed to be added to the district.*

**Sec. 5. [428A.05] [COLLECTION OF SERVICE CHARGES.]**

*Service charges may be imposed on the basis of the assessed value of the property on which the service charge is imposed but must be spread only upon the assessed value of the taxable property located in the geographic area described in the ordinance. Service charges based on assessed value may be payable and collected at the same time and in the same manner as provided for payment and collection of ad valorem taxes. Other service charges imposed must be collected as provided by ordinance. Service charges based on assessed value collected under sections 1 to 10 are not included in computations under section 469.177, chapter 473F, or any other law that applies to general ad valorem levies.*

**Sec. 6. [428A.06] [BONDS.]**

*At any time after a contract for the construction of all or part of an improvement authorized under sections 1 to 10 has been entered into or the work has been ordered done by day labor, the governing body of the city may issue obligations in the amount it deems necessary to defray in whole or in part the expense incurred and estimated to be incurred in making the improvement, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or the financing. The obligations are payable primarily out of the proceeds of the service charge based on assessed value imposed under section 3, or from any other special assessments or nontax revenues available to be pledged for their payment under charter or statutory authority, or from two or more of those sources. The governing body may, by resolution adopted prior to the sale of obligations, pledge the full faith, credit, and taxing power of the city to assure payment of the principal and interest if the proceeds of the service charge in the district are insufficient to pay the principal and interest. The obligations must be issued in accordance with chapter 475, except that an election is not required, and the amount of the obligations need not be included in determining the net debt of the city under the provisions of any law or charter limiting debt.*

**Sec. 7. [428A.07] [ADVISORY BOARD.]**

*The governing body of the city may create and appoint an advisory board for each special service district in the city to advise the governing body in connection with the construction, maintenance, and operation of improvements, and the furnishing of special services in a district. The advisory board shall make recommendations to the governing body on the requests and complaints of owners, occupants, and users of property within the district and members of the public. Before the adoption of any proposal by the governing body to provide services or impose service charges within the district, the advisory board of the district shall have an opportunity to review and comment upon the proposal.*

**Sec. 8. [428A.08] [PETITION REQUIRED.]**

*No action may be taken under section 2 unless owners of 25 percent or more of the land area of property that would be subject to service charges*

*in the proposed special service district and owners of 25 percent or more of the assessed value of property that would be subject to service charges in the proposed special service district file a petition requesting a public hearing on the proposed action with the city clerk. No action may be taken under section 3 to impose a service charge based on assessed value unless owners of 25 percent or more of the land area subject to a proposed service charge and owners of 25 percent or more of the assessed value subject to a proposed service charge file a petition requesting a public hearing on the proposed action with the city clerk. No action may be taken under section 3 to impose any other type of service charge unless 25 percent or more of the individual or business organizations subject to the proposed service charge file a petition requesting a public hearing on the proposed action with the city clerk. If the boundaries of a proposed district are changed or the land area or assessed value subject to a service charge or the individuals or business organizations subject to a service charge are changed after the public hearing, a petition meeting the requirements of this section must be filed with the city clerk before the ordinance establishing the district or resolution imposing the service charge may become effective.*

Sec. 9. [428A.09] [VETO POWER OF OWNERS.]

*Subdivision 1. [NOTICE OF RIGHT TO FILE OBJECTIONS.] Except as provided in section 10, the effective date of any ordinance or resolution adopted under sections 2 and 3 must be at least 45 days after it is adopted. Within five days after adoption of the ordinance or resolution, a summary of the ordinance or resolution must be mailed to the owner of each parcel included in the special service district and any individual or business organization subject to a service charge in the same manner that notice is mailed under section 2. The mailing must include a notice that owners subject to a service charge based on assessed value and individuals and business organizations subject to a service charge imposed on another basis have a right to veto the ordinance or resolution by filing the required number of objections with the city clerk before the effective date of the ordinance or resolution and that a copy of the ordinance or resolution is on file with the city clerk for public inspection.*

*Subd. 2. [REQUIREMENTS FOR VETO.] If owners of 35 percent or more of the land area in the district subject to the service charge based on assessed value or owners of 35 percent or more of the assessed value in the district subject to the service charge based on assessed value file an objection to the ordinance adopted by the city under section 2 with the city clerk before the effective date of the ordinance, the ordinance does not become effective. If owners of 35 percent or more of the land area subject to the service charge based on assessed value or owners of 35 percent or more of the assessed value subject to the service charge based on assessed value file an objection to the resolution adopted imposing a service charge based on assessed value under section 3 with the city clerk before the effective date of the resolution, the resolution does not become effective. If 35 percent or more of individuals and business organizations subject to a service charge file an objection to the resolution adopted imposing a service charge on a basis other than assessed value under section 3 with the city clerk before the effective date of the resolution, the resolution does not become effective. In the event of a veto, no district shall be established during the current calendar year and until a petition meeting the qualifications set forth in this subdivision for a veto has been*

filed.

**Sec. 10. [428A.10] [EXCLUSION FROM PETITION REQUIREMENTS AND VETO POWER.]**

*The petition requirements of section 8 and the right of owners and those subject to a service charge to veto a resolution in section 9 do not apply to second or subsequent years' applications of a service charge that is authorized to be in effect for more than one year under a resolution that has met the petition requirements of section 8 and which has not been vetoed under section 9 for the first year's application. A resolution imposing a service charge for more than one year must not be adopted unless the notice of public hearing required by section 3 and the notice mailed with the adopted resolution under section 9 include the following information:*

*(1) in the case of improvements, the maximum service charge to be imposed in any year and the maximum number of years the service charges imposed to pay for the improvement; and*

*(2) in the case of operating and maintenance services, the maximum service charge to be imposed in any year and the maximum number of years, or a statement that the service charge will be imposed for an indefinite number of years, the service charges will be imposed to pay for operation and maintenance services.*

*The resolution may provide that the maximum service charge to be imposed in any year will increase or decrease from the maximum amount authorized in the preceding year based on an indicator of increased cost or a percentage amount established by the resolution.*

Property owned by a unit of government and used to raise revenue, except public hospitals, libraries, and Orchestra Hall, shall be subject to service charges other than service charges based on assessed value. In addition, property that is exempt from taxation under Minnesota

*Statutes, section 272.02, is exempt from service charges based on assessed value imposed under sections 1 to 6, but is subject to other types of service charges under sections 1 to 6 unless otherwise exempted under this subdivision. The owner of any property that is exempted from any or all service charges under this subdivision may notify the governing body of its intent to receive the benefits provided to property within the special service district, and thereby elect to be subject to the service charges imposed for those services. Property may be served within the boundaries of the special service district whether or not the property is subject to the charges imposed by the city on the special service district. The ordinance must specifically describe the area within the city to be included in the district and the special services to be furnished in the district. The ordinance must state the reasons for establishment of a district. The ordinance may not be adopted until after a public hearing has been held on the question. The provisions of article 14 govern the establishment and operation of special service districts in the city under sections 1 to 7, except to the extent specified otherwise under sections 1 to 7.*

*Subd. 2. [CONTRACTORS.] Notwithstanding any other provision of law or charter to the contrary, the city may provide or contract for services in the district. All hiring by contractors must be done in accordance with the Federal Civil Rights Act of 1964, United States Code, title 21, sections 2000e to 2000e-17; Minnesota Statutes, section 363.03; and the Minneapolis Code of Ordinances, chapters 139 and 141.*

*Subd. 3. [CITY EMPLOYEES.] Job activities for special services that are under the jurisdiction of any city public employee bargaining unit must be performed by a member of the bargaining unit.*

*Subd. 4. [LEVEL OF SERVICE.] The governing body of the city shall not transfer the financial burden of citywide services to the district nor discriminate against the district in reductions and increases in citywide services because of the existence of the district. Prior to establishment of a district, the city and the downtown management board, provided in section 6, shall meet to review the level of services in the downtown area in order to assure that downtown is equitably served through the city's normal operating budget. They shall meet each succeeding year prior to the adoption of a budget for the district and prior to imposition of a service charge in the district under article 14, section 3.*

### **Sec. 3. [LIMITATIONS.]**

*Subdivision 1. [SERVICES EXPENDITURES CAP.] Service charges imposed in the special service district in any year for special services specified in section 1, subdivision 4, with the exception of construction under paragraph (d), must not exceed an amount equal to the funds raised by a levy of three mills on current assessed value of property subject to a service charge in the district under property tax classifications in effect on July 1, 1987.*

*Subd. 2. [CAPITAL EXPENDITURES CAP.] Service charges imposed in any year in a special service district established under sections 1 to 6 for construction of an improvement specified in section 1, subdivision 4, paragraph (d), must not exceed 50 percent of the total costs of the improvement, including interest, payable in that year; no more than 50 percent of the total costs of the improvement may be specially assessed under Minnesota Statutes, chapter 429 or 430.*

#### Sec. 4. [VETO POWERS.]

*Subdivision 1. [GENERALLY.] In addition to the provisions of article 14, section 9, relating to veto of the establishment of a district, the provisions of this section apply to special service districts established under sections 1 to 6.*

*Subd. 2. [VETO OF PEDESTRIAN MALLS.] The effective date of any imposition of service charge for construction of an improvement specified in section 1, subdivision 4, paragraph (d), under article 14, section 3, must be at least 45 days after it is adopted. Within five days after adoption, a summary of the city council action must be mailed to the owner of each parcel included in the special service district and any individual or business organization subject to a service charge in the same manner that notice is mailed under article 14, section 2. The mailing must include a notice that owners subject to a service charge based on assessed value and individuals and business organizations subject to a service charge have a right to veto the action by filing the required number of objections with the city clerk before the effective date of the imposition and that a copy of the action is on file with the city clerk for public inspection. If owners of at least 35 percent of the land area subject to a service charge based on assessed value or owners of at least 35 percent of the assessed value subject to the service charge based on assessed value file an objection to the service charge with the city clerk before the effective date, the service charge based on assessed value does not become effective. If individuals and business organizations subject to at least 35 percent of a service charge imposed on a basis other than assessed value file an objection to imposition of the service charge with the city clerk before the effective date, the service charge does not become effective. In the event of a veto, no service charge may be imposed in the district for construction of a pedestrian mall during the current calendar year and until a petition meeting the qualifications set forth in this subdivision for a veto has been filed. Service charges may continue to be levied and imposed in the district, regardless of a veto under this subdivision, to pay the costs of construction of an improvement specified in section 1, subdivision 4, paragraph (d), for which debt has been incurred and a service charge imposed during a prior year.*

*Subd. 3. [VETO OF SERVICES.] Each year after the fourth year after establishment of a district, the veto provisions of this subdivision apply, except that a veto is not effective until the year following the year of the veto. Four years after establishment of a district, the effective date of any imposition of service charge under article 14, section 3, for services specified in section 1, subdivision 4, with the exception of construction under paragraph (d), must be at least 45 days after it is adopted. Within five days after adoption, a summary of the city council action must be mailed to the owner of each parcel included in the special service district and any individual or business organization subject to a service charge, in the same manner that notice is mailed under article 14, section 2. The mailing must include a notice that owners subject to a service charge based on assessed value and individuals and business organizations subject to a service charge have a right to veto the action by filing the required number of objections with the city clerk before the effective date of the imposition, and that a copy of the action is on file with the city clerk for public inspection. If owners of at least 35 percent of the land area subject to a service charge based on assessed value or the owners of at least 35 percent of the assessed value subject to the service charge based on assessed value*

file an objection to the service charge for services under section 3 with the city clerk before the effective date, the service charge based on assessed value does not become effective. If individuals and business organizations subject to at least 35 percent of a service charge imposed on a basis other than assessed value file an objection to imposition of the service charge under section 3 with the city clerk before the effective date, the service charge does not become effective. In the event of a veto, no service charge may be imposed in the district for services during the current calendar year and until a petition meeting the qualifications set forth in this subdivision for a veto has been filed, and no service charge may be collected during a year for which a service charge has been vetoed. Service charges may continue to be imposed in the district, regardless of a veto under this subdivision, to pay the costs of services specified in section 1, subdivision 4, with the exception of construction under clause (d), for which debt has been incurred prior to the filing of a veto.

#### Sec. 5. [DEBT OBLIGATIONS.]

*Subdivision 1. [GENERALLY.]* The provisions of this section apply to service districts created under sections 1 to 6 in lieu of the provisions of article 14, section 6.

*Subd. 2. [CERTIFICATES OF INDEBTEDNESS.]* Certificates of indebtedness may be issued for purposes of any work or service authorized under sections 1 to 6. The certificates shall be payable in not more than five years and shall be issued on the terms and in the manner determined by the issuer. The obligations are payable out of the proceeds of the tax or charge levied under article 14, section 3, in the same manner as bonds.

*Subd. 3. [BONDS.]* Obligations may be issued in the amount deemed necessary to defray in whole or in part the expense incurred and estimated to be incurred in making a pedestrian mall improvement authorized under sections 1 to 6, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or the financing. The obligations are payable primarily out of the proceeds of the charge levied under article 14, section 3, or from any other special assessments or nontax revenues available to be pledged for their payment under charter or statutory authority, or from two or more of those sources. The full faith, credit, and taxing power of the city may, by resolution adopted prior to the sale of obligations, be pledged to assure payment of the principal and interest if the proceeds of the service charge in the district and other pledged special assessments or revenues are insufficient to pay the principal and interest.

*Subd. 4. [PROCEDURES.]* Debt obligations must be issued in accordance with Minnesota Statutes, chapter 475, and the city charter, except that an election is not required under any circumstances, and the amount of the obligations need not be included in determining the net debt of the city.

#### Sec. 6. [DOWNTOWN MANAGEMENT BOARD.]

In lieu of the advisory board authorized under article 14, section 7, the city council shall create and provide for appointment of a downtown management board for the special service district to advise the governing body in connection with the furnishing of special services in a district. The downtown management board shall make recommendations to the governing body on the requests and complaints of owners, occupants, and users

of property within the district and members of the public. Before the adoption of any proposal by the governing body to provide services or impose service charges within the district, the downtown management board of the district shall review and comment upon the proposal. The board may incorporate as a nonprofit corporation under Minnesota Statutes, chapter 317. The board shall have the power to enter into contracts. A majority of members of the board must be property owners or tenants in the district and subject to a service charge. At least one member must be an owner of commercial property.

Sec. 7. [CITY OPTION.]

The city may elect to exercise the powers provided by sections 1 to 6 or the powers provided by general or special law relating to the same subject.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 7 are effective the day after compliance with Minnesota Statutes, section 645.021, subdivision 3, by the governing body of the city of Minneapolis.

Sec. 9. Minnesota Statutes 1987 Supplement, section 256B.431, subdivision 2b, as amended by H.F. No. 2126, if enacted, is amended to read:

Subd. 2b. [OPERATING COSTS, AFTER JULY 1, 1985.] (a) For rate years beginning on or after July 1, 1985, the commissioner shall establish procedures for determining per diem reimbursement for operating costs.

(b) The commissioner shall contract with an econometric firm with recognized expertise in and access to national economic change indices that can be applied to the appropriate cost categories when determining the operating cost payment rate.

(c) The commissioner shall analyze and evaluate each nursing home's cost report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective.

(d) The commissioner shall establish limits on actual allowable historical operating cost per diems based on cost reports of allowable operating costs for the reporting year that begins October 1, 1983, taking into consideration relevant factors including resident needs, geographic location, size of the nursing home, and the costs that must be incurred for the care of residents in an efficiently and economically operated nursing home. In developing the geographic groups for purposes of reimbursement under this section, the commissioner shall ensure that nursing homes in any county contiguous to the Minneapolis-St. Paul seven-county metropolitan area are included in the same geographic group. The limits established by the commissioner shall not be less, in the aggregate, than the 60th percentile of total actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1 based on cost reports of allowable operating costs in the previous reporting year. For rate years beginning on or after July 1, 1987, or until the new base period is established, facilities located in geographic group I as described in Minnesota Rules, part 9549.0052 (Emergency), on January 1, 1987, may choose to have the commissioner apply either the care related limits or the other operating cost limits calculated for facilities located in geographic group II, or both, if either of the limits calculated for the group II facilities is higher. The efficiency incentive for geographic group I nursing homes must be calculated based on geographic group I limits. The phase-in must be established utilizing the chosen limits. For purposes of these exceptions to the geographic grouping requirements, the definitions in Minnesota Rules, parts 9549.0050 to 9549.0059 (Emergency), and 9549.0010 to 9549.0080, apply. The limits established under this paragraph remain in effect until the commissioner establishes a new base period. Until the new base period is established, the commissioner shall adjust the limits annually using the appropriate economic change indices established in paragraph (c). In determining allowable historical operating cost per diems for purposes of setting limits

and nursing home payment rates, the commissioner shall divide the allowable historical operating costs by the actual number of resident days, except that where a nursing home is occupied at less than 90 percent of licensed capacity days, the commissioner may establish procedures to adjust the computation of the per diem to an imputed occupancy level at or below 90 percent. The commissioner shall establish efficiency incentives as appropriate. The commissioner may establish efficiency incentives for different operating cost categories. The commissioner shall consider establishing efficiency incentives in care related cost categories. The commissioner may combine one or more operating cost categories and may use different methods for calculating payment rates for each operating cost category or combination of operating cost categories. For the rate year beginning on July 1, 1985, the commissioner shall:

(1) allow nursing homes that have an average length of stay of 180 days or less in their skilled nursing level of care, 125 percent of the care related limit and 105 percent of the other operating cost limit established by rule; and

(2) exempt nursing homes licensed on July 1, 1983, by the commissioner to provide residential services for the physically handicapped under Minnesota Rules, parts 9570.2000 to 9570.3600, from the care related limits and allow 105 percent of the other operating cost limit established by rule.

For the purpose of calculating the other operating cost efficiency incentive for nursing homes referred to in clause (1) or (2), the commissioner shall use the other operating cost limit established by rule before application of the 105 percent.

(e) The commissioner shall establish a composite index or indices by determining the appropriate economic change indicators to be applied to specific operating cost categories or combination of operating cost categories.

(f) Each nursing home shall receive an operating cost payment rate equal to the sum of the nursing home's operating cost payment rates for each operating cost category. The operating cost payment rate for an operating cost category shall be the lesser of the nursing home's historical operating cost in the category increased by the appropriate index established in paragraph (e) for the operating cost category plus an efficiency incentive established pursuant to paragraph (d) or the limit for the operating cost category increased by the same index. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. In establishing payment rates for one or more operating cost categories, the commissioner may establish separate rates for different classes of residents based on their relative care needs.

(g) The commissioner shall include the reported actual real estate tax liability or payments in lieu of real estate tax of each nursing home as an operating cost of that nursing home. ~~Except as provided in Minnesota Rules, parts 9549.0010 to 9549.0080, the commissioner shall allow an amount for payments in lieu of real estate tax assessed by a municipality, city, township, or county that does not exceed an amount equivalent to a similar assessment for fire, police, or sanitation services assessed to all other nonprofit or governmental entities located in the municipality, city, township, or county in which a nursing home to be assessed is located. Allowable costs under this subdivision for payments made by a nonprofit nursing home that are in lieu of real estate taxes shall not exceed the amount which the nursing home would have paid to a city or township and county for~~

*fire, police, sanitation services, and road maintenance costs had real estate taxes been levied on that property for those purposes.* For rate years beginning on or after July 1, 1987, the reported actual real estate tax liability or payments in lieu of real estate tax of nursing homes shall be adjusted to include an amount equal to one-half of the dollar change in real estate taxes from the prior year. The commissioner shall include a reported actual special assessment, and reported actual license fees required by the Minnesota department of health, for each nursing home as an operating cost of that nursing home. Total adjusted real estate tax liability, payments in lieu of real estate tax, actual special assessments paid, and license fees paid as required by the Minnesota department of health, for each nursing home (1) shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category, (2) shall not be used to compute the 60th percentile or other operating cost limits established by the commissioner, and (3) shall not be increased by the composite index or indices established pursuant to paragraph (e).

(h) For rate years beginning on or after July 1, 1987, the commissioner shall adjust the rates of a nursing home that meets the criteria for the special dietary needs of its residents as specified in section 144A.071, subdivision 3, clause (c), and the requirements in section 31.651. The adjustment for raw food cost shall be the difference between the nursing home's allowable historical raw food cost per diem and 115 percent of the median historical allowable raw food cost per diem of the corresponding geographic group.

The rate adjustment shall be reduced by the applicable phase-in percentage as provided under subdivision 2h.

#### Sec. 10. [270.068] [TAX INFORMATION SAMPLE DATA.]

*Subdivision 1. [PREPARATION OF SAMPLES.] The commissioner of revenue shall prepare microdata samples of income tax returns and other information useful for purposes of (1) estimating state revenues, (2) simulating the effect of changes or proposed changes in state and federal tax law on the amount of state revenues, and (3) analyzing the incidence of present or proposed taxes.*

*Subd. 2. [COORDINATING COMMITTEE.] A coordinating committee is established to oversee and coordinate preparation of the microdata samples. The committee consists of (1) the director of the research division of the department of revenue who shall serve as chair of the committee, (2) the state economist, (3) the chair of the committee on taxes of the house of representatives or the chair's designee, and (4) the chair of the committee on taxes and tax laws of the senate or the chair's designee. The committee shall consider the analysis needs and use of the microdata samples by the finance and revenue departments and the legislature in designing and preparing the samples, including the type of data to be included, the structure of the samples, size of the samples, and other relevant factors.*

*Subd. 3. [CONTENTS OF SAMPLES.] The samples must consist of information derived from a random sample of federal and Minnesota individual income tax returns. The samples prepared in odd numbered years must be augmented by additional information from other sources as the coordinating committee determines is feasible and appropriate. The coordinating committee shall consider inclusion of (1) information derived from property tax refund returns, (2) the estimated market value of the taxpayer's home from the homestead declaration, and (3) information from other sources, such as the surveys conducted by the United States departments*

*of commerce and labor.*

*Subd. 4. [CONSULTATION ON ANALYSIS MODELS.] The coordinating committee shall facilitate regular consultation among the department of revenue, the department of finance, and house and senate staffs in development and maintenance of their respective computer models used to analyze the microdata samples. The committee shall encourage efforts to attain more commonality in the models, greater sharing of program development efforts and programming tasks, and more consistency in the resulting analyses.*

Sec. 11. Minnesota Statutes 1986, section 270.70, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY OF COMMISSIONER.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the date of assessment of the tax, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property, *including any property in the possession of law enforcement officials*, of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37) or property on which there is a lien provided in section 270.69. The tax court shall have no jurisdiction in any case that does not arise under the tax laws of the state or in any criminal case or in any case determining or granting title to real property or in any case that is under the jurisdiction of the probate court. The small claims division of the tax court shall have no jurisdiction in any case dealing with property valuation or assessment for property tax purposes until the taxpayer has appealed the valuation or assessment to the town or city board of equalization and to the county board of equalization, except for those taxpayers whose original assessments are determined by the commissioner of revenue. The tax court shall have no jurisdiction in any case involving an order of the state board of equalization unless a taxpayer contests the valuation of property. The taconite environmental protection fund shall be used for the following purposes:*

(c) The amount allocated under paragraph (b) will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of January 2, 1982, assessed value in the case

of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1), *provided that the amount distributed shall not exceed \$55 per capita in the case of a township or \$75 per capita in the case of a city. For purposes of this limitation, population will be determined according to the 1980 decennial census conducted by the United States Bureau of the Census.* The county auditor shall extend the township's or city's levy against the sum of the township's or city's current assessed value plus the difference between 50 percent of its January 2, 1982, assessed value and its current assessed value in the case of a township and between 50 percent of its January 2, 1980, assessed value and its current assessed value in the case of a city. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this paragraph shall not apply.

Calculation of the limit must be made using the taxable assessed value for the taxes payable year in which the obligations are issued and sold. This section does not limit the authority to issue bonds under any other special or general law.

Sec. 21. Minnesota Statutes 1986, section 387.212, is amended to read:  
387.212 [CONTINGENT FUND.]

Such moneys shall be disbursed by the county treasurer in accordance with rules and regulations prescribed by the board. Any balance remaining at the end of the year shall be transferred to the revenue fund.

*Subdivision 1. [DEFINITION.] For purposes of this section, "qualified recipient" means an individual who receives an involuntary lump sum distribution of pension or retirement benefits from a firefighters' relief association for service performed as a volunteer firefighter.*

*Subd. 2. [PAYMENT OF SUPPLEMENTAL BENEFIT.] Upon the payment by a firefighters' relief association of an involuntary lump sum distribution to a qualified recipient, the association must pay a supplemental benefit to the qualified recipient. Notwithstanding any law to the contrary, the relief association may pay the supplemental benefit out of its special fund. The amount of this benefit equals ten percent of the regular involuntary lump sum distribution that is paid on the basis of service as a volunteer firefighter. In no case may the amount of the supplemental benefit exceed \$1,000.*

*Subd. 3. [STATE REIMBURSEMENT.] By February 15 of each year, the relief association shall apply to the commissioner of revenue for state reimbursement of the amount of supplemental benefits paid under subdivision 2 during the preceding calendar year. By March 15 the commissioner shall reimburse the relief association for the amount of the supplemental benefits paid to qualified recipients. The commissioner of revenue shall prescribe the form of and supporting information that must be supplied as part of the application for state reimbursement. The reimbursement payment must be deposited in the special fund of the relief association.*

*Subd. 4. [IN LIEU OF INCOME TAX EXCLUSION.] The supplemental benefit provided by this section is in lieu of the state income tax exclusion for involuntary lump sum distributions of retirement benefits paid to volunteer firefighters. If the law is modified to exclude or exempt volunteer firefighters' lump sum distributions from state income taxation, the supplemental benefits under this section may no longer be paid beginning with the first calendar year in which the exclusion or exemption is effective. This subdivision does not apply to exemption of all or part of a lump sum distribution under section 290.032 or 290.0802.*

Dear Sir:

I am returning without my signature, S.F. No. 1932, a bill relating to exemption of certain gasoline tanks from hazardous materials regulations. This bill would have created safety hazards.

The bill would have exempted private transporters of up to 350 gallons of gasoline, diesel fuel, or aviation fuel from complying with federal safety standards enforced by the state. Exemptions from standards governing thickness of the tanks, emergency venting, and overturn protection could have endangered the driver, fire fighters, other emergency personnel and the traveling public.

Transportation safety standards need to be uniformly enforced to ensure the protection of our citizens. Therefore, I am vetoing this bill and returning it to you.

Sincerely,  
Rudy Perpich, Governor
