Mr. Berg moved that Senate Resolution No. 102 be taken from the table. The motion prevailed.

Senate Resolution No. 102: A Senate resolution memorializing the Commodity Futures Trading Commission to adopt rules to restrict speculative short sales and short sale orders of an agricultural commodity that is in oversupply.

WHEREAS, the Commodity Futures Trading Commission and agricultural commodity futures exchanges have a duty to protect the commercial interests in the agricultural commodity markets; and

WHEREAS, the Commodity Futures Trading Commission and the agricultural commodity futures exchanges protect commercial buyers of an agricultural commodity if the commodity is in short supply; and

WHEREAS, agricultural commodity producers use commodity futures markets to hedge their agricultural commodities and protect future sale prices and are a commercial interest in the agricultural commodity markets; and

WHEREAS, oversupply of an agricultural commodity tends to lower the market price of the commodity on the cash and futures agricultural markets;

and

WHEREAS, a nonexistent additional oversupply of an agricultural commodity causes the market price to deviate downward from the market price that would reflect actual supply and demand; and

WHEREAS, speculative short sales and the placing of speculative short sale orders of an agricultural commodity represents more sellers and more supply of an agricultural commodity than actually produced; and

WHEREAS, if an agricultural commodity is in oversupply the futures market can be manipulated by excessive speculative short sales and short sale orders; and

WHEREAS, speculative short sales represent a small portion of the liquidity of agricultural commodity futures markets; and

WHEREAS, during a period of oversupply of an agricultural commodity the negative effect of speculative short sales and speculative short sale orders on commodity price and the commercial interests of agricultural commodity producers is greater than the negative effect of reduced liquidity in the same manner as the negative effects of long positions when a commodity is in short supply and markets are closed or only liquidation sales are allowed; and

WHEREAS, agricultural commodity producers' commercial interests are severely jeopardized if commodity prices are manipulated downward by speculative short sales or speculative short sale orders; and

WHEREAS, under United States Code, title 7, section 5, the Congress has stated that the transactions and prices of commodities on exchanges are subject to manipulation and speculation and unreasonable fluctuations in prices which are detrimental to the producer occur as a result of speculation and manipulation and render regulation imperative for protection of the national public interest; and

WHEREAS, under United States Code, title 7, section 6a, excessive speculation causing unwarranted changes in commodity price is an undue and unnecessary burden on interstate commerce in the commodity; NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that the Commodity Futures Trading Commission should adopt rules to restrict speculative short sales and short sale orders of an agricultural commodity in oversupply, including provisions that substantially raise the margin requirements on speculative short sale orders for a person who would have a net short position in the agricultural commodity in oversupply.

BE IT FURTHER RESOLVED that the Secretary of the Senate transmit a copy of this resolution to the Commodity Futures Trading Commission.

"Section 1. [COLLEGE SAVINGS BONDS: MARKET AND FEASIBILITY STUDY.]

*Subdivision 1. [REPORT REQUIRED.] The commissioner of finance, in cooperation with the higher education coordinating board, shall study and report to the legislature by January 15, 1989, on the market for and feasibility of college savings bonds. "College savings bonds" would be state general obligation bonds on which interest would be accrued and compounded annually but not paid until maturity, commonly known as zero coupon bonds. The sale and marketing efforts would be directed to Minnesota residents of low and moderate income whose children are likely to seek higher education.*

*Subd. 2. [FINDINGS.] The report must include findings on the following:*

*(1) the parental income levels at which a student is no longer eligible for state scholarship and grant assistance, but at which the cost of higher education may create severe financial hardship for the student's family;*

*(2) an estimate of the number of parents in this state at the income levels described in clause (1) whose children are likely to seek higher education, including their social, economic, and geographic characteristics;*

*(3) the impact of the availability of financial aid on the savings practices of parents of future students and the extent to which the availability of college savings bonds might increase the amount saved;*

*(4) the estimated demand of parents for college savings bonds each year and over the next five years, and the estimated periodic rate of purchase;*

*(5) the demand for bonds of various denominations and the smallest denomination that can be sold and issued economically to those parents;*

*(6) the demand of parents for bonds of various maturities, and the implications of a variety of maturity dates for potential students and post-secondary institutions;*

*(7) a marketing strategy for the college savings bond program including strategies to:*

*(i) inform parents about the availability of the bonds;*

*(ii) take orders for the bonds;*

*(iii) insure that the bonds are purchased by residents of low and moderate income throughout this state; and*

*(iv) market the bonds at the lowest cost to the state;*

(8) *the demand of various institutions for the bonds, including business corporations, nonprofit corporations, and foundations, and a strategy to insure that purchase of the bonds by these entities will not prevent individuals and parents of future students from buying them;*

(9) *the limitations, if any, that should be placed on bond purchasers' use of the bonds;*

(10) *an estimate of the cost of the strategy to market and underwrite the bonds; and*

(11) *the amount, if any, of bonds purchased for the benefit of a student that should not be considered in determining the financial need of an applicant for a state scholarship or grant under Minnesota Statutes, section 136A.121, or a part-time grant under Minnesota Statutes, section 136A.132.*

Page 1, after line 9, insert:

"Section 1. Minnesota Statutes 1986, section 240.01, is amended by adding a subdivision to read:

*Subd. 12. [AVERAGE DAILY HANDLE.] "Average daily handle" means the total amount bet in all pari-mutuel pools at a licensed racetrack during the racing meeting divided by the number of days that horse racing was conducted at the racetrack during the racing meeting.*

Sec. 2. Minnesota Statutes 1986, section 240.13, subdivision 4, is amended to read:

*Subd. 4. [TAKEOUT; DISTRIBUTION OF WINNINGS.] A licensee conducting pari-mutuel betting must deduct from a straight pari-mutuel pool, before payments to holders of winning tickets, an amount equal to*

not more than 17 percent of the total money in that pool. The licensee must deduct from a multiple pari-mutuel pool, before payments to the holders of winning tickets, an amount equal to not more than 23 percent of the total money in that pool. The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission by rule prescribes for each type of pool. Breakage must be computed on the basis of payoffs rounded down to the next lowest increment of 20 cents, with a minimum payoff of \$2.20 on a \$2 ticket, except that the licensee may reduce the minimum payoff to \$2.10 on a \$2 ticket if there is not a sufficient amount in a pool to make a minimum payoff of \$2.20.

Sec. 3. Minnesota Statutes 1987 Supplement, section 240.13, subdivision 5, is amended to read:

Subd. 5. [PURSES.] (a) From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to not less than ~~five percent~~ *the following percentages* of all money in all pools must be set aside by the licensee and used for purses for races conducted by the licensee, *provided that a licensee may agree by contract with an organization representing a majority of the horsepersons racing the breed involved to set aside amounts in addition to the following percentages:*

*(1) For a licensee conducting a racing meeting with an average daily handle of \$500,000 or less, four percent of the average daily handle times the number of racing days in that meeting.*

*(2) For a licensee conducting a racing meeting with an average daily handle of more than \$500,000 but not more than \$750,000, six percent of the average daily handle times the number of racing days in that meeting.*

*(3) For a licensee conducting a racing meeting with an average daily handle of more than \$750,000, 8.4 percent of the first \$1 million in average daily handle times the number of racing days in that meeting.*

The commission may by rule provide for the administration and enforcement of this subdivision.

(b) From the money set aside for purses, the licensee shall pay to the horseperson's organization representing the majority of the horsepersons racing the breed involved and contracting with the licensee with respect to purses and the conduct of the racing meetings and providing representation, benevolent programs, benefits, and services for horsepersons and their on-track employees, an amount, sufficient to perform these services, as may be determined by agreement by the licensee and the horseperson's organization. The amount paid may be deducted only from the money set aside for purses to be paid in races for the breed represented by the horseperson's organization. With respect to racing meetings where more than one breed is racing, the licensee may contract independently with the horseperson's organization representing each breed racing.

*(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization representing the majority of the horsepersons racing a breed at a meeting, and the members thereof, may agree to withhold horses during a meeting.*

Sec. 4. Minnesota Statutes 1986, section 240.13, subdivision 6, is amended to read:

Subd. 6. [TELEVISED RACES.] The commission may by rule permit

a class B or class D licensee to conduct on the premises of the licensed racetrack pari-mutuel betting on horse races run in other states and broadcast by television on the premises. All provisions of law governing pari-mutuel betting apply to pari-mutuel betting on televised races except as otherwise provided in this subdivision or in the commission's rules. Pari-mutuel pools conducted on such televised races may consist only of money bet on the premises and may not be commingled with any other pool off the premises, except that:

(a) the licensee may pay a fee to the person or entity conducting the race for the privileges of conducting pari-mutuel betting on the race, and

(b) the licensee may pay the costs of transmitting the broadcast of the race.

Pari-mutuel betting on a televised race may be conducted only on a racing day assigned by the commission. The takeout and taxes on pari-mutuel pools on televised races are as provided for other pari-mutuel pools. All televised races under this subdivision must comply with the Interstate Horse Racing Act of 1978 as found in United States Code, title 15, section 3001 and the following relevant sections. *In lieu of the purse requirement established by section 240.13, subdivision 5, the licensee shall set aside for purses one-half of the take-out from the amount bet on televised races after the payment of fees and taxes. For the purposes of purse distribution under section 240.13, subdivision 5, the average daily handle shall not include amounts bet in pari-mutuel pools on televised races.*

Sec. 5. Minnesota Statutes 1986, section 240.15, subdivision 1, is amended to read:

Subdivision 1. [TAXES IMPOSED.] (a) There is imposed on the total amount bet on all pari-mutuel pools on each racing day a tax at the following rates:

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 240.13, subdivision 4.

(b) The commission shall impose on each paid admission to each licensed racetrack on a racing day a tax of 40 cents. It may impose an additional

(3) the commission finds that the local unit of government requesting the ~~additional~~ tax is in need of its revenue to meet extraordinary expenses caused by the racetrack.

Sec. 6. Minnesota Statutes 1986, section 240.15, subdivision 2, is amended to read:

Subd. 2. [PAYMENT.] The licensee must remit the tax to the commission or its representative within seven days of the day on which it was collected. ~~In addition to the tax and at that time the licensee must pay to the commission or its representative a sum equal to one-half the total breakage for each racing day during the period for which the tax is paid.~~ The payments must be accompanied by a detailed statement of the remittance on a form the commission prescribes. The commission may by rule provide for the direct deposit of required payments in the commission's account in a financial institution within the state and for determining the time of applicability of different tax rates under subdivision 1.

Subd. 3. [TAX EXCLUSIVE.] The tax imposed by subdivision 1 is in lieu of any tax or license fee, other than taxes on real property, imposed by a political subdivision and in lieu of any other sales or excise tax imposed by the state on ~~racetrack admissions or pari-mutuel pools or pari-mutuel ticket sales.~~"

The cost-share contracts must be based on a state cost share of up to 75 percent for the project.*

*(b) The abandonment project must be implemented under procedures adopted by the state board that protects groundwater from further contamination from the well. The district board must certify the location of the wells that have been properly sealed with cost-share funds and forward the certification to the state board.*

*(c) The owner of a well that has been certified as being properly sealed is not liable for contamination of groundwater from the well that occurs after the well has been sealed if the owner has not disturbed or disrupted the sealed well.*

Sec. 2. [40.0371] [COST-SHARING CONTRACTS TO SEAL ABANDONED WELLS.]

geographical areas for a potential for groundwater pollution caused by abandoned wells. The assessment must include notice of the program and assessment that is published in newspapers of general circulation and opportunities for persons to report abandoned wells to the district board. Districts having staff trained in groundwater resources must assess areas within their districts, in cooperation with the board. The board shall provide financial and technical assistance to districts for projects that have been assessed as areas with a high potential for groundwater pollution caused by abandoned wells.

Real property needed or convenient for a project may be acquired by the authority for the project by condemnation pursuant to this section. This includes any property devoted to a public use, whether or not held in trust, notwithstanding that the property may have been previously acquired by condemnation or is owned by a public utility corporation, because the public use in conformity with the provisions of sections 469.001 to 469.047 shall be deemed a superior public use. Subd. 3a. [DISCOUNT.] "*Discount*" means an offer or purchase price for grain that is lower than the base or standard price offered by a buyer at a certain time and at a specified location. A discount price represents the lower than normal value of the grain because of inferior quality as determined by measurement of grade, dockage, test weight, moisture content, protein content, or other factors.

Subd. 3b. [INDEX MOISTURE LEVEL.] "*Index moisture level*" means the percentage moisture content for each grain that is used in establishing base or standard prices for the grain as determined by the commissioner.

Subd. 4. [PERSON.] "Person" means any individual, firm, copartnership, cooperative, company, association, and corporation, or their lessees, trustees, or receivers.

Subd. 5. [PREMIUM.] "*Premium*" means an offer or a purchase price for corn, soybeans, or wheat that exceeds the base or standard price offered by a buyer at a certain time and at a specified location. A premium price represents the higher than normal value of the grain because of superior quality as determined by measurement of grade, dockage, moisture content, test weight, protein content, or other factors.

Subd. 6. [TEST EQUIPMENT.] "*Test equipment*" means the mechanical and electronic devices commonly used in measurement of grain qualities including protein content, moisture content, and test weight.

Subd. 7. [TEST EQUIPMENT OPERATOR.] "*Test equipment operator*" means a person assigned by the management of an elevator or grain storage facility who is chiefly responsible for the preparation and analysis of grain samples for protein content, test weight, moisture content, and other qualities upon which price is determined.

**Sec. 2. [17B.041] [COMMISSIONER TO REVIEW ACCURACY OF TEST EQUIPMENT AND TEST EQUIPMENT OPERATORS.]**

*Subdivision 1. [PERIODIC REVIEW.] The commissioner shall establish a program for the periodic grain testing review of protein analysis, test weight, and moisture test equipment, and test equipment operators. A review must consist of the performance of routine tests and analysis by the principal operator of the test equipment. A review under this section must be based on the results of on-site analysis performed on one or more samples of grain by the principal operator of the appropriate test equipment.*

*Subd. 2. [POSTING OF REVIEW FINDINGS.] Personnel of the department who perform a review of test equipment and test equipment operators under subdivision 1 must post a dated and signed statement indicating the conclusions of the review in a conspicuous location in the place of business where grain testing is conducted. The statement must be on a form provided by the commissioner and include in prominent wording a caution to the effect that the results at the time of a review by department personnel do not necessarily indicate either accuracy or inaccuracy in the test equipment or procedures at other times. The statement must remain on display until a subsequent review has been made.*

*Subd. 3. [FOLLOW-UP REVIEW UPON REQUEST.] The commissioner shall arrange for a follow-up review within seven business days of a periodic review if a follow-up review is requested by the test equipment operator.*

*Subd. 4. [REQUEST FOR COMMISSIONER TO SCHEDULE A REVIEW.] A purchaser or seller of grain may request the commissioner to perform a review of the test equipment and test equipment operator that is used to test the grain. A signed request must be submitted to the commissioner and upon receipt of a request, the commissioner shall schedule a review at a reasonable time considering other duties and responsibilities of the department personnel.*

*Subd. 5. [STATE NOT LIABLE.] The state is not liable to a seller or purchaser of grain for losses resulting from erroneous tests or analysis by test equipment or test equipment operators, whether reviewed by the department or not, if the commissioner and the department have exercised due care in the scheduling and conduct of reviews under subdivisions 1 and 3.*

**Sec. 3. [17B.045] [PREMIUMS BASED ON TEST WEIGHT MUST EQUAL OR EXCEED DISCOUNTS.]**

*A purchaser of corn, soybeans, or wheat who provides a discount for the corn, soybeans, or wheat that falls below the standard test weight for that grain must offer an equal or greater premium for the corn, soybeans, or wheat that has a test weight higher than the standard test weight.*

**Sec. 4. [17B.047] [PREMIUMS BASED ON MOISTURE CONTENT.]**

*Subdivision 1. [COMMISSIONER TO ESTABLISH INDEX MOISTURE LEVELS.] The commissioner shall establish an index moisture level for corn, soybeans, and wheat by rule. The commissioner may take into consideration factors such as moisture level variations appropriate to different locations within the state, variations in the keeping qualities of grains at different seasons of the year, and other appropriate factors.*

*Subd. 2. [PREMIUMS GENERALLY EQUAL TO OR GREATER THAN DISCOUNTS.] A purchaser of corn, soybeans, or wheat who provides a discount for grain based on tested moisture content higher than the index*

moisture level shall provide an equal or greater premium for corn, soybeans, or wheat that tests at a moisture content within the next three percentage points below the index moisture level. If the moisture content in a valid sample of the purchased corn, soybeans, or wheat is more than three percentage points below the index moisture level, the premium offered need not be further tied to an equivalent discount provided for corn, soybeans, or wheat that tests higher than the index moisture level.

Sec. 5. [17B.048] [SELLER OPTION TO AVERAGE LOADS.]

*A purchaser of corn, soybeans, or wheat must allow a seller who delivers the grain in multiple loads within a period of seven consecutive calendar days, at the option of the seller, to average the measurements from the multiple loads with respect to test weight, moisture content, and protein analysis.*

Sec. 6. [EFFECTIVE DATE.]

*Sections 3, 4, and 5 apply to purchases of corn, soybeans, or wheat occurring on or after July 1, 1990."*

The cost-share contracts may provide a state cost share of up to 75 percent for each contracted project.*

*(b) The well sealing project must be implemented under procedures adopted by the state board that protects groundwater from further contamination from the well. The district board must certify the location of the wells that have been properly sealed with cost-share funds and forward the certification to the state board. The state board must provide information on the location of sealed wells to the commissioners of health and natural resources.*

*(c) The owner of a well that has been certified as being properly sealed is not liable for contamination of groundwater from the well that occurs after the well has been sealed if the owner has not disturbed or disrupted the sealed well.*

**Sec. 2. [40.0371] [COST-SHARING CONTRACTS TO SEAL ABANDONED WELLS.]**

*The state board shall establish a pilot cost-share program to identify and permanently seal unused wells. The contracted projects to seal wells must protect groundwater from pollution. The wells must be properly abandoned and sealed under chapter 156A unless the well is abandoned, sealed, or reconstructed as an observation well.*

**Sec. 3. [40.0372] [STATEWIDE ASSESSMENT]**

*The board, in consultation with the commissioner of natural resources, the commissioner of the pollution control agency, the commissioner of health, and the director of the Minnesota geological survey, shall assess geographical areas for a potential for groundwater pollution caused by abandoned wells. The assessment must include notice of the program and assessment that is published in newspapers of general circulation and opportunities for persons to report abandoned and unused wells to the district board. Districts having staff trained in groundwater resources must assess areas within their districts, in cooperation with the board. The board shall provide financial and technical assistance to districts for projects that have been assessed as areas with a high potential for groundwater pollution caused by abandoned and unused wells.*

**Sec. 4. [40.0373] [FINANCIAL AND TECHNICAL ASSISTANCE.]**

*Subdivision 1. [FINANCIAL ASSISTANCE.] (a) The board must allocate at least 70 percent of available cost-sharing funds to seal wells to districts to share the cost of identifying or properly sealing wells in high-priority areas. Areas must be selected based on statewide priorities established by the board.*

*(b) Remaining cost-sharing funds may be allocated to districts for administrative expenses, not exceeding 20 percent of the funds, and sealing wells in lower-priority areas.*

*Subd. 2. [TECHNICAL ASSISTANCE.] The board may provide technical assistance to districts to efficiently and effectively develop and implement projects.*

**Sec. 5. [40.0374] [ELIGIBILITY FOR ASSISTANCE.]**

*Subdivision 1. [GENERALLY.] Only projects that are a part of, or responsive to, a district comprehensive or annual work plan are eligible for the assistance provided in section 4. After July 1, 1991, only projects that are a part of, or responsive to, a local water plan under chapter 110B or section 473.8785 are eligible for the assistance provided in section 4.*

*Subd. 2. [DOCUMENTS REQUIRED.] To be eligible for the assistance provided in section 4, a district must provide the board with:*

- (1) an application prescribed by the board;*
- (2) evidence that the district has consulted the local health department in preparing the application; and*

  - (i) the comprehensive water plan authorized under chapter 110B;*
  - (ii) the county groundwater plan authorized under section 473.8785; or*
  - (iii) the district comprehensive or annual work plan that provides an inventory of existing physical and hydrologic information about the area, that provides general identification of water quality problems and goals, and that demonstrates a local commitment to water quality protection or improvement.*

**Sec. 6. [40.0375] [BOARD REVIEW OF APPLICATIONS.]**

*Subdivision 1. [RANKING OF APPLICATIONS.] The district boards must rank applications for technical and financial assistance in order of priority and within the limits of available funding and grant applications with the highest priority.*

*Subd. 2. [RANKING CRITERIA.] (a) The state board, in cooperation with the commissioner of natural resources, the commissioner of the pollution control agency, the commissioner of health, and other appropriate state agencies, must by rule adopt appropriate criteria for the district boards to determine the priority of projects. The criteria used to rank projects must include:*

- (1) current use of the affected aquifer or aquifers for water supply;*
- (2) projected water demand;*
- (3) availability of alternate sources of drinking water;*
- (4) proximity of potential contaminant sources;*
- (5) aquifer susceptibility to contamination;*
- (6) current contamination of the wells and the aquifer;*
- (7) present and anticipated land use in the area;*
- (8) well construction; and*
- (9) suitability of the well for use as a monitoring well.*

*(b) The state board shall contact the commissioner of natural resources and the director of the Minnesota geological survey for locations where observation wells are needed.*

*Subdivision 1. [CONTRACTS BY DISTRICTS.] A district may contract on a cost-share basis to furnish financial aid to a landowner or land*

*occupier to seal unused wells. Payment to a land occupier must not be made until the well, or wells, specified in the contract has been properly sealed by a licensed water well contractor. The district board must certify the location of the wells that have been properly sealed with cost-share funds, forward the certification to the state board and commissioner of health, and file the sealed well certification with the county recorder or registrar of deeds where the sealed well is located.*

*Subd. 2. [REVIEW BY BOARD.] The board or its designated representative may inspect a project at any reasonable time and must audit the cost-sharing funds expended by the district.*

**Sec. 8. [40.0377] [RULES FOR COST-SHARING PROGRAM.]**

*The board, in consultation with the commissioner of the department of health, must adopt rules specifying:*

*(1) procedures and criteria for allocating funds to districts for cost-sharing contracts;*

*(2) standards and guidelines for all cost-sharing contracts;*

*(4) standards and methods necessary to plan and implement a priority cost-sharing program, including guidelines to identify high-priority areas;*

*(5) the share of the cost of sealing wells to be paid from cost-sharing funds; and*

*(6) requirements for districts to document their efforts to identify and contact land occupiers in high-priority areas.*

Sec. 9. Minnesota Statutes 1986, section 40.42, is amended by adding a subdivision to read:

**Subd. 4a. [SUSCEPTIBLE GROUNDWATER RECHARGE AREA.]**  
*"Susceptible groundwater recharge area" means an area of land with unique hydrogeological characteristics that make the area highly susceptible to groundwater contamination from land use practices.*

Sec. 10. Minnesota Statutes 1987 Supplement, section 40.43, subdivision 2, is amended to read:

**Subd. 2. [ELIGIBLE LAND.]** (a) Land may be placed in the conservation reserve program if the land:

(1) is marginal agricultural land, or is adjacent to marginal agricultural land and is either beneficial to resource protection or necessary for efficient recording of the land description, or consists of a drained wetland, or is land that with a windbreak would be beneficial to resource protection, or is land consisting of a susceptible groundwater recharge area. Cropland adjacent to the restored wetland may also be enrolled to the extent of up to four acres of cropland for each acre of wetland restored;

(2) was owned by the landowner on January 1, 1985, or was owned by the landowner, or a parent or other blood relative of the landowner, for at least three years before the date of application;

(3) is at least five acres in size, except for a windbreak, or is a whole

field as defined by the United States Agricultural Stabilization and Conservation Services;

(a) (1) all agricultural land owned, if 20 acres or less; or

(b) (2) if the total agricultural land owned is more than 20 acres but less than 200 acres, 20 acres plus ten percent of the balance of the agricultural land.

(c) In selecting land for enrollment in the program, highest priority must be given to permanent easements that are consistent with the purposes stated in section 40.41.

Sec. 11. Minnesota Statutes 1986, section 40.43, is amended by adding a subdivision to read:

*Subd. 2a. [SUSCEPTIBLE GROUNDWATER RECHARGE AREA DESIGNATION.] The commissioner of natural resources, in cooperation with the board of water and soil resources, the director of the Minnesota geological survey, and the commissioner of the pollution control agency, shall develop criteria for identifying susceptible groundwater recharge areas by December 31, 1988, and provide maps identifying susceptible recharge areas to the board for use in administration of the pilot conservation reserve program for protecting susceptible groundwater recharge areas.*

Sec. 12. Minnesota Statutes 1986, section 40.43, is amended by adding a subdivision to read:

*Subd. 8. [CORRECTION OF CONSERVATION EASEMENT BOUNDARY LINES.] To correct errors in legal descriptions for easements obtained that affect the ownership interests in the state and adjacent landowners, the commissioner may, in the name of the state, with the approval of the attorney general, convey, without consideration, interests of the state necessary to correct legal descriptions of boundaries. The conveyance must be by quitclaim deed or release in a form approved by the attorney general.*

(2) *projects or practices are implemented according to the plan and certified as being implemented by the district;*

(3) *unlawful practices are not allowed by the landowner on the property*

*subject to the plan; and*

*(4) after implementation the project and practices are maintained according to the plan.*

Sec. 14. [105E.50] [GROUNDWATER DEGRADATION POLICY.]

Sec. 15. [105E.51] [IDENTIFICATION OF WELLS ON STATE PROPERTY.]

*Subdivision 1. [PLAN AND APPROPRIATION REQUEST FOR WELL SEALING.] In each budget year of a biennium, the commissioner must present a plan and an appropriation request to properly seal wells on state property.*

*Subd. 2. [PROHIBITION ON STATE LAND PURCHASES WITHOUT WELL IDENTIFICATION.] The state may not purchase or sell real property or an interest in real property without identifying the location of all wells in use and not in use on the property and making provisions to have the unused wells properly sealed at the cost of the seller as part of the contract and deed for sale. A transfer of land is void if this subdivision is not complied with.*

Sec. 16. [156A.055] [UNUSED AND UNREPAIRED WELLS.]

*The state, a person, or other legal entity must seal or properly abandon a water well that is not in use under rules of the commissioner if the water well:*

*(1) has not been used to withdraw water for more than ten years;*

*(2) is in a state of disrepair that prevents use to obtain groundwater in a practical manner; or*

*(3) is not in use and is a health hazard or allows contamination of groundwater."*

Page 27, after line 7, insert:

"Sec. 20. [BOARD OF WATER AND SOIL RESOURCES.]

*\$250,000 is appropriated from the general fund to the board of water and soil resources to be available until June 30, 1989. \$55,800 is to conduct a statewide well abandonment assessment and to administer the pilot grant program for well abandonment. \$97,100 is for grants for the pilot project to identify and seal abandoned wells. \$97,100 is for the pilot project for conservation easements on susceptible groundwater recharge areas.*

*The approved complement of the board of water and soil resources is increased by one position."*

#### WORKERS' COMPENSATION SYSTEM CHANGES

Section 1. Minnesota Statutes 1986, section 176.011, subdivision 11a, is amended to read:

Subd. 11a. [FAMILY FARM.] "Family farm" means any farm operation which (1) pays or is obligated to pay less than ~~\$8,000~~ \$20,000 in cash wages, exclusive of machine hire, to farm laborers for services rendered during the preceding calendar year, and (2) has total liability and medical payment coverage equal to \$250,000 and \$5,000, respectively, under a farm liability insurance policy. For purposes of this subdivision, farm

laborer does not include any spouse, parent or child, regardless of age, of a farmer employed by the farmer, or any executive officer of a family farm corporation as defined in section 500.24, subdivision 2, or any spouse, parent or child, regardless of age, of such an officer employed by that family farm corporation, or other farmers in the same community or members of their families exchanging work with the employer. Notwithstanding any law to the contrary, a farm laborer shall not be considered as an independent contractor for the purposes of this chapter; provided that a commercial baler or commercial thresher shall be considered an independent contractor.

Sec. 2. Minnesota Statutes 1986, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed  $\frac{2}{3}$  80 percent of the ~~product of the daily wage times the number of days normally worked~~ *employee's after-tax weekly wage*, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 3. Minnesota Statutes 1986, section 176.011, is amended by adding a subdivision to read:

*Subd. 18a. [AFTER-TAX WEEKLY WAGE.] After-tax weekly wage means the weekly wage reduced by the amounts required to be withheld by the Federal Insurance Contributions Act, United States Code, Title 16, sections 3101 to 3126, but without regard to the yearly maximum, and by state and federal income tax laws using as the number of allowances the number of exemptions that the employee is entitled to under federal law for the employee and the employee's dependents.*

Sec. 4. Minnesota Statutes 1986, section 176.021, subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in

the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section ~~176.101~~ 13. If doubt exists as to the eventual permanent partial disability, payment ~~for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section 176.101,~~ shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Prior to or at the time of commencement of the payment of ~~economic recovery compensation or lump sum or periodic payment of impairment compensation~~ *permanent partial disability compensation*, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. ~~Economic recovery compensation or impairment compensation pursuant to section 176.101 is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section 176.101. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section 176.101. Economic recovery compensation or impairment compensation pursuant to section 176.101 shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total disability. Liability on the part of an employer or the insurer for disability of a temporary total, temporary partial, and permanent total nature shall be considered as a continuing product and part of the employee's inability to earn or reduction in earning capacity due to injury or occupational disease and compensation is payable accordingly, subject to section 176.101. Economic recovery compensation or impairment compensation is payable for functional loss of use or impairment of function; permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.~~

The right to receive ~~economic recovery compensation or impairment~~ *permanent partial compensation* vests in an injured employee or in the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained, provided that the employee lives for at least 30 days beyond the date of the injury. *The right is not abrogated by the employee's death prior to the making of the payment. Upon the death of an employee who is receiving economic recovery compensation or impairment compensation, further compensation is payable*

pursuant to section 176.101. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Disability ratings for permanent partial disability shall be based on objective medical evidence.

Sec. 5. Minnesota Statutes 1987 Supplement, section 176.041, subdivision 4, is amended to read:

Subd. 4. [OUT-OF-STATE EMPLOYMENTS.] (a) *Except as provided in paragraph (b), if an employee who regularly performs the primary duties of employment outside of this state or is hired to perform the primary duties of employment outside of this state, receives an injury within this state in the employ of the same employer, such injury shall be covered within the provisions of this chapter if the employee chooses to forego any workers' compensation claim resulting from the injury that the employee may have a right to pursue in some other state, provided that the special compensation fund is not liable for payment of benefits pursuant to section 176.183 if the employer is not insured against workers' compensation liability pursuant to this chapter and the employee is a nonresident of Minnesota on the date of the personal injury.*

(b) *An employee who has been hired outside of this state, or regularly performs the primary duties of employment outside of this state, and the employee's employer, are exempt from the provisions of this chapter while the employee is temporarily within this state performing work for the employer provided the employer has furnished workers' compensation insurance coverage under the workers' compensation law or other similar law of another state which covers the employee's employment while in this state. The benefits under the workers' compensation law or similar law of the other state, or other remedies under that state's law, are the exclusive remedy against the employer for any injury, whether resulting in death or not, received by the employee while working for that employer within this state. A certificate from the commissioner of labor and industry or other similar official of another state certifying that the employer is insured in that state and has provided extraterritorial coverage insuring its employees while working within this state is prima facie evidence that the employer carries workers' compensation insurance on those employees.*

Sec. 6. Minnesota Statutes 1986, section 176.061, subdivision 10, is amended to read:

Subd. 10. [INDEMNITY.] *Notwithstanding the provisions of chapter 65B or any other law to the contrary, an employer has a right of indemnity for any compensation paid or payable pursuant to this chapter, including temporary total compensation, temporary partial compensation, permanent partial disability, ~~economic recovery compensation, impairment compensation,~~ medical compensation, rehabilitation, death, and permanent total compensation.*

Sec. 7. Minnesota Statutes 1986, section 176.081, subdivision 1, is amended to read:

Subdivision 1. (a) *A fee for legal services of 25 percent of the first \$4,000 of compensation awarded to the employee and 20 percent of the next \$27,500 of compensation awarded to the employee is permissible and does not require approval by the commissioner, compensation judge, or*

[DEATH, BENEFITS; COORDINATION WITH GOVERNMENTAL SURVIVOR BENEFITS.] The following provision shall apply to any dependent entitled to receive weekly compensation benefits under this section as the result of the death of an employee, and who is also receiving or entitled to receive benefits under any government survivor program:

The combined total of weekly government survivor benefits and workers'

compensation death benefits provided under this section shall not exceed 100 percent of the *after-tax* weekly wage being earned by the deceased employee at the time of the injury causing death; provided, however, that no state workers' compensation death benefit shall be paid for any week in which the survivor benefits paid under the federal program, by themselves, exceed 100 percent of such weekly wage provided, however, the workers' compensation benefits payable to a dependent surviving spouse shall not be reduced on account of any governmental survivor benefits payable to decedent's children if the support of the children is not the responsibility of the dependent surviving spouse.

For the purposes of this subdivision "dependent" means dependent surviving spouse together with all dependent children and any other dependents. For the purposes of this subdivision, mother's or father's insurance benefits received pursuant to United States Code, title 42, section 402(g), are benefits under a government survivor program.

Sec. 33. Minnesota Statutes 1987 Supplement, section 176.131, subdivision 1, is amended to read:

Subdivision 1. If an employee incurs personal injury and suffers disability from that injury alone that is substantially greater, because of a preexisting physical impairment, than what would have resulted from the personal injury alone, the employer or insurer shall pay all compensation provided by this chapter, but the employer shall be reimbursed from the special compensation fund for all compensation paid in excess of 52 weeks of monetary benefits and ~~\$2,000~~ \$3,500 in medical expenses, subject to the exceptions in paragraphs (a), (b), and (c):

(a) If the disability caused by the subsequent injury is made substantially greater by the employee's registered preexisting physical impairment, there shall be apportionment of liability among all injuries. The special compensation fund shall only reimburse for that portion of the compensation, medical expenses, and rehabilitation expenses attributed to the subsequent injury after the applicable deductible has been met.

(b) If the subsequent personal injury alone results in permanent partial disability to a scheduled member under the schedule adopted by the commissioner pursuant to section 176.105, the special compensation fund shall not reimburse permanent partial disability, medical expenses, or rehabilitation expenses.

(c) *Reimbursement for compensation paid shall be at the rate of 75 percent.*

Sec. 34. Minnesota Statutes 1986, section 176.131, subdivision 1a, is amended to read:

Subd. 1a. If an employee is employed in an on-the-job training program pursuant to an approved rehabilitation plan under section 176.102 and the employee incurs a personal injury that aggravates the personal injury for which the employee has been certified to enter the on-the-job training program, the on-the-job training employer shall pay the medical expenses and compensation required by this chapter, and shall be reimbursed from the special compensation fund for the compensation and medical expense that is attributable to the aggravated injury; *except that, reimbursement for compensation paid shall be at the rate of 75 percent.* The employer, at the time of the personal injury for which the employee has been approved for

on-the-job training, is liable for the portion of the disability that is attributable to that injury.

Sec. 35. Minnesota Statutes 1986, section 176.131, subdivision 2, is amended to read:

Subd. 2. If the employee's personal injury results in disability or death, and if the injury, death, or disability would not have occurred except for the preexisting physical impairment registered with the special compensation fund, the employer shall pay all compensation provided by this chapter, and shall be fully reimbursed from the special compensation fund for the compensation, except that:

(1) this full reimbursement shall not be made for cardiac disease or a condition registered pursuant to subdivision 8, clause (t) or (u) unless the commissioner by rule provides otherwise; and

(2) reimbursement for compensation paid shall be at the rate of 75 percent.

Sec. 36. Minnesota Statutes 1987 Supplement, section 176.131, subdivision 8, is amended to read:

Sec. 37. Minnesota Statutes 1986, section 176.131, is amended by adding a subdivision to read:

*Subd. 13. [APPLICABLE LAW.] The right to reimbursement under this section is governed by the law in effect on the date of the subsequent injury.*

Sec. 38. Minnesota Statutes 1986, section 176.132, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBLE RECIPIENTS.] (a) An employee who has suffered personal injury prior to October 1, 1983 for which benefits are payable under section 176.101 and who has been totally disabled for more than 104 weeks shall be eligible for supplementary benefits as prescribed in this section after 104 weeks have elapsed and for the remainder of the total disablement. Regardless of the number of weeks of total disability, no totally disabled person is ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, except as provided by clause (b), provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after October 1, 1983, and before August 1, 1988, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving temporary total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after August 1, 1988, that caused a permanent total disability, as defined in section 176.101, subdivision 5, is eligible to receive supplementary benefits after four years have elapsed since the first date of the total disability, provided that the employee continues to have a permanent total disability.

Sec. 39. Minnesota Statutes 1986, section 176.132, subdivision 2, is amended to read:

Subd. 2. [AMOUNT.] (a) The supplementary benefit payable under this section shall be the difference between the amount the employee receives on or after January 1, 1976, under section 176.101, subdivision 1 or 4, and 65 percent of the statewide average weekly wage as computed annually.

*The supplementary benefit payable under this section is:*

(1) *the sum of the amount the employee receives under section 176.101, subdivision 4, plus the amount of any disability benefits being paid by any government disability benefit program if those benefits are occasioned by the same injury or injuries giving rise to payments under section 176.101, subdivision 4, plus any old age and survivor's insurance benefits, subtracted from*

(2) *50 percent of the statewide average weekly wage, as computed annually.*

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 50 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. Attorney's fees shall be allowed in settlements of claims for supplementary benefits in accordance with this chapter.

~~(d) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.~~

(e) ~~(d)~~ In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provisions of United States Code, title 42, section 424a(d), this reduction shall not apply.

Sec. 40. Minnesota Statutes 1986, section 176.132, subdivision 3, is amended to read:

Subd. 3. [PAYMENT.] The payment of supplementary benefits shall be the responsibility of the employer or insurer ~~currently paying total disability benefits, or any other payer of such benefits. When the eligible individual is not currently receiving benefits because the total paid has reached the maximum prescribed by law the employer and insurer shall, nevertheless,~~ pay the supplementary benefits that are prescribed by law. The employer or insurer paying the supplementary benefit shall have the right of full reimbursement from the special compensation fund for the amount of such benefits paid.

Sec. 41. Minnesota Statutes 1986, section 176.136, subdivision 1, is amended to read:

Subdivision 1. [SCHEDULE.] (a) The commissioner shall by rule establish procedures for determining whether or not the charge for a health service is excessive. In order to accomplish this purpose, the commissioner shall consult with insurers, associations and organizations representing the medical and other providers of treatment services and other appropriate groups. The procedures established by the commissioner shall *must* limit the charges allowable for medical, chiropractic, podiatric, surgical, hospital and other health care provider treatment or services, as defined and compensable under section 176.135, to the 75th percentile of usual and customary fees or charges based upon billings for each class of health care provider during all of the calendar year preceding the year in which the determination is made of the amount to be paid the health care provider for the billing.

(b) *The medical fee rules for providers other than hospitals, which are promulgated on October 1, 1987, and based upon 1986 medical cost data, must remain in effect until September 30, 1989; and the medical fee rules for providers other than hospitals, which are promulgated on October 1, 1989, must be based on the 1987 medical cost data and must remain in effect until September 30, 1990.*

(c) The procedures established by the commissioner for determining whether or not the charge for a health service is excessive shall *must* be structured to encourage providers to develop and deliver services for rehabilitation of injured workers. The procedures shall *must* incorporate the provisions of sections 144.701, 144.702, and 144.703 to the extent that the commissioner finds that these provisions effectively accomplish the intent of this section or are otherwise necessary to insure that quality hospital care is available to injured employees.

Sec. 42. Minnesota Statutes 1986, section 176.136, is amended by adding a subdivision to read:

*Subd. 1a. [CHARGES FOR INDEPENDENT MEDICAL EXAMINATIONS.] The commissioner shall adopt rules that reasonably limit amounts which may be charged for, or in connection with, independent or adverse medical examinations requested by any party, including the amount that may be charged for depositions, witness fees, or other expenses. The scheduled amount for the examination itself may not exceed the scheduled amount for complex consultations by treating physicians, although additional reasonable charges may be permitted to reflect additional duties or activities. An insurer or employer may not pay fees above the amount in the schedule.*

Sec. 43. Minnesota Statutes 1987 Supplement, section 176.221, subdivision 1, is amended to read:

Subdivision 1. [COMMENCEMENT OF PAYMENT.] Within 14 days of notice to or knowledge by the employer of an injury compensable under this chapter the payment of temporary total compensation shall commence. Within 14 days of notice to or knowledge by an employer of a new period of temporary total disability which is caused by an old injury compensable under this chapter, the payment of temporary total compensation shall commence; provided that the employer or insurer may file for an extension with the commissioner within this 14-day period, in which case the compensation need not commence within the 14-day period but shall commence no later than 30 days from the date of the notice to or knowledge by the employer of the new period of disability. Commencement of payment by an employer or insurer does not waive any rights to any defense the employer

has on any claim or incident either with respect to the compensability of the claim under this chapter or the amount of the compensation due. Where there are multiple employers, the first employer shall pay, unless it is shown that the injury has arisen out of employment with the second or subsequent employer. Liability for compensation under this chapter may be denied by the employer or insurer by giving the employee written notice of the denial of liability. If liability is denied for an injury which is required to be reported to the commissioner under section 176.231, subdivision 1, the denial of liability must be filed with the commissioner within 14 days after notice to or knowledge by the employer of an injury which is alleged to be compensable under this chapter. If the employer or insurer has commenced payment of compensation under this subdivision but determines within 30 60 days of notice to or knowledge by the employer of the injury that the disability is not a result of a personal injury, payment of compensation may be terminated upon the filing of a notice of denial of liability within 30 60 days of notice or knowledge. After the 30-day 60-day period, payment may be terminated only by the filing of a notice as provided under section 176.239. Upon the termination, payments made may be recovered by the employer if the commissioner or compensation judge finds that the employee's claim of work related disability was not made in good faith. A notice of denial of liability must state in detail specific reasons explaining why the claimed injury or occupational disease was determined not to be within the scope and course of employment and shall include the name and telephone number of the person making this determination.

Sec. 44. Minnesota Statutes 1986, section 176.645, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] For injuries occurring after October 1, 1975 for which benefits are payable under section 176.101, subdivisions 1, 2 and 4, and section 176.111, subdivision 5, the total benefits due the employee or any dependents shall be adjusted in accordance with this section. On October 1, 1981, and thereafter on the anniversary of the date of the employee's injury the total benefits due shall be adjusted by multiplying the total benefits due prior to each adjustment by a fraction, the denominator of which is the statewide average weekly wage for December 31, of the year two years previous to the adjustment and the numerator of which is the statewide average weekly wage for December 31, of the year previous to the adjustment. For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section. No adjustment increase made on October 1, 1977 or thereafter under this section shall exceed ~~six~~ four percent a year. In those instances where the adjustment under the formula of this section would exceed this maximum the increase shall be deemed to be ~~six~~ four percent.

Sec. 45. Minnesota Statutes 1986, section 176.645, subdivision 2, is amended to read:

Subd. 2. [TIME OF FIRST ADJUSTMENT.] For injuries occurring on or after October 1, 1981, the initial adjustment made pursuant to subdivision 1 ~~shall be~~ is deferred until the first anniversary of the date of the injury. *For injuries occurring on or after August 1, 1988, the initial adjustment under subdivision 1 is deferred until the third anniversary of the date of injury.*

Sec. 46. Minnesota Statutes 1986, section 176.66, subdivision 11, is amended to read:

Subd. 11. [AMOUNT OF COMPENSATION.] The compensation for an occupational disease is  $66\frac{2}{3}$  percent of the employee's *after-tax* weekly wage on the date of injury subject to a maximum compensation equal to the maximum compensation in effect on the date of last exposure. The employee shall be eligible for supplementary benefits notwithstanding the provisions of section 176.132, after four years have elapsed since the date of last significant exposure to the hazard of the occupational disease if that employee's weekly compensation rate is less than the current supplementary benefit rate.

Sec. 47. [176.90] [AFTER-TAX CALCULATION.]

*For purposes of section 176.011, subdivision 18, section 176.101, subdivisions 1, 2, 3, and 4, section 176.111, subdivisions 6, 7, 8, 12, 14, 15, 20, and 21, and section 176.66, the commissioner shall publish by September 1 of each year tables or formulas for determining the after-tax weekly wage to take effect the following October 1. The tables or formulas must be based on the applicable federal income tax and social security laws and state income tax laws in effect on the preceding April 1. These tables or formulas are conclusive for the purposes of converting weekly wage into after-tax weekly wage. The commissioner may contract with the department of revenue or any other person or organization in order to adopt the tables or formulas. The adoption of the tables or formulas is exempt from the administrative rulemaking provisions of chapter 14.*

Sec. 48. [176.95] [ADMINISTRATIVE COSTS.]

*The annual cost to the commissioner of labor and industry of administering the workers' compensation system under this chapter must be charged to the state general fund. Administrative costs include the cost of administering the workers' compensation division of the department of labor and industry and the workers' compensation division of the office of administrative hearings.*

Sec. 49. [ADMINISTRATIVE COSTS CHANGE-OVER.]

*For the biennium beginning July 1, 1989, 50 percent of the costs of administering the workers' compensation system must be charged to the state general fund and 50 percent to the special compensation fund.*

Sec. 50. [EXISTING DISABILITY RATINGS.]

*Existing disability ratings adopted under section 176.105, subdivision 1, may not be changed before June 1, 1989.*

Sec. 51. [AFTER-TAX CALCULATION.]

*Notwithstanding section 47, the commissioner of labor and industry shall publish by July 15, 1988, a table or formula for determining the after-tax weekly wage effective August 1, 1988, until October 1, 1988, as otherwise required under that section.*

Sec. 52. [REPEALER.]

*Minnesota Statutes 1986, sections 176.011, subdivision 26; and 176.101, subdivisions 3a, 3b, 3c, 3d, 3e, 3f, 3g, 3h, 3i, 3j, 3k, 3l, 3m, 3n, 3o, 3p, 3q, 3r, 3s, 3t, 3u, and 6, are repealed.*

## ARTICLE 2

### WORKERS' COMPENSATION INSURANCE

Section 1. Minnesota Statutes 1986, section 79.01, subdivision 1, is amended to read:

Subdivision 1. [TERMS.] Unless the language or context clearly indicates that a different meaning is intended, the following terms, for the purposes of sections ~~79.01 to 79.23~~ 1 to 36, shall have the meanings ascribed to them.

Sec. 2. Minnesota Statutes 1986, section 79.074, is amended by adding a subdivision to read:

Subd. 3. [RATES.] *One rate is unfairly discriminatory in relation to another if it clearly fails to reflect equitably the differences in expected losses, expenses, and the degree of risk. Rates are not unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expense factors, or like expense factors but different loss exposures, so long as the rates reflect the differences with reasonable accuracy.*

Sec. 3. Minnesota Statutes 1986, section 79.074, is amended by adding a subdivision to read:

Subd. 4. [FLEXIBLE RANGE OF RATES.] *An insurer may write insurance at rates that are lower than the rates approved by the commissioner provided the rates are not unfairly discriminatory.*

Sec. 4. [79.253] [PRIOR RATES.]

Subdivision 1. *Rates and rating plans that have been filed with the commissioner prior to April 8, 1988, pursuant to section 79.56 by insurers are conclusively presumed to satisfy the requirements of this act until the initial schedule of rates has been approved by order of the commissioner.*

Subd. 2. *If a rate was not filed by an insurer prior to April 8, 1988, then an insurer may file a rate for any classification for which a rate was not previously filed. This rate shall not be used until it is approved by the commissioner. The commissioner may approve a rate up to the rate level approved for use by the assigned risk plan for that rate class. These rates may remain in force until August 1, 1988, when they must be adjusted to comply with provisions of section 33. The adjusted schedule of rates will remain in force until the commissioner has approved an initial schedule of rates pursuant to section 5, subdivision 1. If the commissioner disapproves of any rate or rating plan pursuant to authority granted in this subdivision, the disapproval shall not be subject to chapter 14 and the decision shall be final.*

Subd. 3. *Until the commissioner issues a rate order approving a schedule of rates pursuant to section 5, subdivision 1, an insurer may not, through the use of any rating plan, charge a rate higher than the rates applicable to the insurer pursuant to subdivision 1 or 2. This subdivision does not prohibit the use of approved experience rate plans or retrospective rating*

plans which have been adopted in the filed rates by insurers, the assigned risk plan, or filed by a data service organization.

Sec. 5. [79.71] [RATES; HEARINGS.]

*Subdivision 1. [ADOPTION OF INITIAL RATE SCHEDULE.] The commissioner shall adopt a schedule of workers' compensation insurance rates for use in this state for each classification under which business is written. The schedule of rates shall not be excessive, inadequate, or unfairly discriminatory. The adoption of the initial schedule of rates shall be by hearing held pursuant to the contested case procedures in chapter 14. In adopting a schedule of rates, the commissioner may act on the written petition of the association, the department of labor and industry, or any other interested party requesting that a hearing be held for modification of the schedule of rates.*

*Subd. 2. [PETITION FOR RATE HEARING.] Upon receipt of a petition requesting a hearing for modification of an existing schedule of rates, the commissioner shall determine whether the petition sufficiently sets forth facts that show that the existing schedule of rates is excessive, inadequate, unfairly discriminatory, or otherwise in need of modification so as to indicate the need to hold a hearing. If the association is a petitioner, the commissioner may decline to grant a hearing if the association has failed to provide information requested by previous orders modifying the schedule of rates, provided that the request was not unreasonable. The commissioner may accept or reject the petition for a hearing and shall give notice of a determination to the petitioning party within 90 days of receipt of the petition. If the commissioner rejects the petition, the commissioner shall notify the petitioning party of the reasons for the rejection. If the commissioner of labor and industry petitions the commissioner for a hearing pursuant to this section or section 8, the commissioner must hold a hearing if the commissioner of labor and industry certifies that the hearing is necessary because a decision of the supreme court, enactment of a statute or other circumstance has effected a substantial change in the basis upon which the existing schedule of rates was adopted. Upon such certification by the commissioner of labor and industry, the commissioner may, by order, modify the existing schedule of rates to reflect the supreme court's decision, enactment of statute, or other circumstance. The order modifying the schedule of rates is not subject to chapter 14 and shall remain in effect until the commissioner has made a final determination as required by subdivisions 4 and 5.*

*Subd. 3. [HEARING.] The commissioner shall determine, within 90 days of receipt of the petition, whether to accept or reject the petition. If the commissioner accepts the petition for hearing, the commissioner shall order a hearing on matters set forth in the petition. The hearing shall be held pursuant to the contested case procedures in chapter 14. The burden of proof is on the petitioning party. The commissioner shall forward a copy of the order for hearing to the chief administrative law judge. The chief administrative law judge must, within 30 days of the receipt of the order, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The report of the administrative law judge must be issued within 180 days from the date of receipt of the order by the chief administrative law judge. The commissioner shall publish notice of the hearing in the State Register at least 20 days before the hearing date. The administrative law judge must admit documentary*

and statistical evidence accepted and relied upon by an expert whose expertise is related to workers' compensation rate matters, without the traditional evidentiary foundation. Approval of the notice prior to publication by the administrative law judge is not required. Within 60 days of the completion of the hearing, the administrative law judge must submit a report to the commissioner. The parties or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedures to conform with the the time requirements set forth in this subdivision. After the close of the hearing record, the administrative law judge shall transmit to the commissioner the entire record of the hearing, including the transcript, exhibits, and all other material properly accepted into evidence, together with the finding of facts, conclusions, and recommended order made by the administrative law judge. The time for filing the report may be extended by the chief administrative law judge for good cause.

**Subd. 4. [HEARING DETERMINATION.]** *The commissioner may accept, reject, or modify, in whole or in part, matters raised in the petition for modifications of the schedule of rates or matters raised in the findings and recommendations of the administrative law judge. The commissioner's determination shall be based upon substantial evidence.*

**Subd. 5. [DEADLINE FOR DETERMINATION.]** *The commissioner shall make a final determination with respect to adoption of a schedule of rates within 90 days after receipt of the administrative law judge's report. If the commissioner fails to act within the 90-day period, the findings, conclusions, and recommended order of the administrative law judge become the final order of the commissioner on the 91st day.*

**Subd. 6. [CONSULTANTS; COMMISSIONER OF COMMERCE.]** *The commissioner of commerce may hire consultants, including a consulting actuary and other experts, deemed necessary to assist in the establishment or modification of the schedule of rates. A sum sufficient to pay the costs of conducting the hearing provided under subdivision 3, appeals therefrom, or the establishment or modification of the schedule of rates, including the costs of consultants, staff, and related costs, and the costs of the attorney general's office, is appropriated from the special compensation fund to the commissioner of commerce and assessed against the rating association and its members by the special compensation fund.*

**Subd. 7. [CONSULTANTS; COMMISSIONER OF LABOR AND INDUSTRY.]** *The commissioner of labor and industry may hire consultants, including a consulting actuary and other experts, deemed necessary to assist the commissioner of labor and industry in the hearing for modification of the schedule of rates and appeals therefrom. A sum sufficient to pay the costs of the commissioner of labor and industry in regard to the hearing provided under subdivision 3 and appeals therefrom, including the costs of consultants, staff, and related costs, and the costs of the attorney general's office, is appropriated from the special compensation fund to the commissioner of labor and industry and assessed against the rating association and its members by the special compensation fund.*

**Subd. 8. [CONSULTANTS; ADMINISTRATIVE JUDGES.]** *The office of administrative hearings, upon approval of the chief administrative law judge, may hire consultants necessary to assist the administrative law judge assigned to a workers' compensation rate proceeding.*

**Subd. 9. [COMMISSIONER OF LABOR AND INDUSTRY AS A PARTY.]**

*The commissioner of labor and industry must be a party to all proceedings under this chapter and shall act to assure that the public interest is represented and protected. The commissioner of labor and industry may: (1) inspect at all reasonable times, and copy the books, records, memoranda, and correspondence or other documents and records of any person relating to any regulated business; and (2) cause the deposition to be taken of any person concerning the business and affairs of any business regulated by the department. Information sought through said deposition shall be for a lawfully authorized purpose and shall be relevant and material to the investigation or hearing before the commissioner. Information obtained from said deposition shall be used by the department only for a lawfully authorized purpose and pursuant to powers and responsibilities conferred upon the department. Said deposition is to be taken in the manner prescribed by law for taking depositions in civil actions in the district court. The commissioner of labor and industry may, on the commissioner's own initiative, investigate any matter subject to the jurisdiction of the department of labor and industry. The costs of the commissioner of labor and industry in discharging this obligation shall be paid by the special compensation fund and assessed against the rating association and its members by the special compensation fund.*

*Subd. 10. [APPOINTMENT OF ACTUARY.] The commissioner of labor and industry shall employ the services of a casualty actuary experienced in workers' compensation whose duties shall include but not be limited to investigation of complaints by insured parties relative to rates, rate classifications, or discriminatory practices of an insurer. The salary of the actuary employed pursuant to this section is not subject to the provisions of section 43A.17, subdivision 1.*

**Sec. 6. [79.72] [PETITION FOR REHEARING.]**

*Subdivision 1. [PETITION CONTENTS.] Any interested party may petition the commissioner for rehearing and reconsideration of a determination made pursuant to section 5. The petition for rehearing and reconsideration shall be served on the commissioner and all parties to the rate hearing within 30 days after service of the commissioner's final order. The petition shall set forth factual grounds in support of its petition. An interested party adversely affected by a petition for review and reconsideration has 15 days to respond to factual matters alleged in the petition.*

*Subd. 2. [GRANT OF REHEARING.] The commissioner may grant a rehearing upon the filing of a petition under subdivision 1. On rehearing, the commissioner may limit the scope of factual matters that are subject to rehearing and reconsideration. The rehearing is subject to the provisions of section 5.*

*Subd. 3. [MODIFICATION OF ORDER.] Following rehearing, the commissioner may modify the terms of the initial order adopting a change in the schedule of rates upon a determination that adequate factual grounds exist to support modification. Adequate factual grounds include, but are not limited to, erroneous testimony by any witness or party to the hearing, material change in Minnesota loss or expense data occurring after a petition for modification of the schedule of rates has been filed, or any other mistake of fact that has a substantial effect upon the schedule of rates adopted in the initial order of the commissioner.*

**Sec. 7. [79.731] [JUDICIAL REVIEW.]**

*Final orders of the commissioner pursuant to sections 5 and 6 are subject to judicial review pursuant to sections 14.63 to 14.69 but shall remain in effect during the pendency of any appeal.*

Sec. 8. [79.735] [INTERIM SCHEDULE OF RATES.]

*The rating association, the commissioner of labor and industry, or any other interested party may file a petition for an adjustment in the schedule of rates when there has been a law change in the benefit payable under chapter 176. "Law change" means only statutory changes by the legislature or supreme court decisions. When a petition for a change in the schedule of rates due to a law change is received by the commissioner, the commissioner shall review any petition for up to 30 days to determine if it presents facts which warrant a hearing. If the commissioner accepts a petition for hearing it shall be conducted pursuant to the contested case procedures found in chapter 14. The chief administrative law judge shall assign an administrative law judge to hear a petition for a change in the schedule of rates within 30 days. The administrative law judge shall conclude the hearing within 60 days of assignment by the chief administrative law judge and file findings of fact, conclusions of law, and a proposed order with the commissioner within 30 days of concluding the hearing. The administrative law judge shall, after the close of the record, file a report with recommendations in the same manner as in section 5, subdivision 3. The time for holding the hearing and filing the report with the commissioner may be expanded by the chief administrative law judge upon a showing of good cause for an additional 30 days. The commissioner's order may affirm, reverse, or modify the findings and order of the administrative law judge. The petitioning party shall have the burden of proof in any hearing held pursuant to this subdivision. Interim rate hearings are only for changes in the schedule of workers' compensation rates resulting from law changes. All other evidentiary, procedural, and review standards in section 5 shall apply to interim rate hearings except for the time requirements in this subdivision. Interim rate hearings are subject to judicial review pursuant to chapter 14 except that the commissioner's interim rate order shall remain in effect during the pendency of any appeal by any party. The commissioner is an interested party if the commissioner's decision is appealed pursuant to chapter 14. Interim rate hearings may only be held after an initial schedule of rates has been approved by the commissioner unless requested by the commissioner of labor and industry.*

Sec. 9. [79.74] [AUTOMATIC ADJUSTMENT OF RATES.]

*The commissioner shall adopt a rule to automatically adjust a schedule of rates to reflect benefit changes mandated by operation of law after the most recent change in the statewide schedule of rates. This adjustment shall also reflect the annual change in the maximum weekly compensation made pursuant to section 176.101, an adjustment in the assessment rate for the special fund, and the annual adjustment made pursuant to section 176.645, any adjustment in the assessment for the assigned risk plan pursuant to section 79.251, subdivision 5, any adjustment in the assessment for the Minnesota insurance guaranty association pursuant to section 60C.05, or any other assessment required by law. The initial rule to automatically adjust the schedule of rates and any amendments made pursuant to this subdivision shall be effective no later than December 31, 1988, and is not subject to chapter 14, except the commissioner of commerce shall comply with section 14.38, subdivision 7.*

At each rate hearing held pursuant to section 5 or rehearing pursuant to section 6, following an automatic adjustment, the commissioner shall review the rate adjustment to assure that the schedule of rates adopted subsequent to the adjustment are not excessive, inadequate, or unfairly discriminatory. If the commissioner finds that the schedule of rates adopted subsequent to the adjustment are excessive, inadequate, or unfairly discriminatory, the commissioner shall order appropriate remedial action.

Sec. 10. [79.75] [RATE REVISION ORDER; EFFECT.]

*Subdivision 1. [POLICIES.] A revised schedule of rates, adopted under section 5 or 6, applies to new and renewal policies issued after the effective date of the commissioner's final order.*

*Subd. 2. [INSURED.] The revised schedule of rates applies to all insureds and prospective insureds under the workers' compensation rating manual adopted by the association and approved by the commissioner.*

Sec. 11. [79.76] [COMMISSIONER MAY REQUIRE SURVEY.]

*Following a complaint, the commissioner may require the association to conduct a survey and report. The commissioner may withdraw approval of any rate or classification upon ten days' notice to the parties interested.*

Sec. 12. [79.77] [CLASSIFICATION OF WORKERS' COMPENSATION INSURANCE.]

*No classification for compensation insurance purposes shall be effective until approved by the commissioner. No rule or regulation with reference to compensation risks filed by any insurer, or by the association, shall be effective until approved by the commissioner. No type of insurance covering any part of the liability of an employer allowed to self-insure as provided in section 176.181, is effective in this state unless approved by the commissioner. If it appears at any time that reasonable doubt on the part of the commissioner as to the proper classification or rate for any risk exists, such risk may be bound for insurance subject to establishing a rate and classification.*

Sec. 13. [79.78] [INSURERS SHALL BE MEMBERS OF ASSOCIATION.]

*Every insurer issuing workers' compensation insurance in this state shall be a member of the association organized under section 14, to be maintained in this state for the following purposes:*

*(1) to separate the industries of this state that are subject to workers' compensation insurance into proper classes for compensation insurance purposes; to inspect compensation risks and establish the merit and experience rating system approved for use in this state; to establish charges and credits under the system; and to report all facts affecting compensation insurance risks and those necessary for approving policies of compensation insurance as conforming with classifications and rates previously promulgated by the association and approved by the commissioner; and*

*(2) to assist the commissioner and insurers in approving rates, determining hazards and other material facts in connection with compensation risks, and to assist in promoting safety in the industries.*

Sec. 14. [79.79] [ORGANIZATION OF ASSOCIATION.]

*The association shall adopt articles of incorporation, bylaws, and a*

*plan of operation. These articles, bylaws, and plan of operation and all amendments thereto shall be filed with and approved by the commissioner and shall not be effective until so filed and approved. The association shall admit to membership any insurer authorized to transact workers' compensation insurance in this state. The charges and service of the association shall be fixed in the articles or bylaws and shall be equitable and non-discriminatory as between members. The initial articles, bylaws, and plan of operation shall be filed with the commissioner no later than June 15, 1988. If the initial articles, bylaws, and plan of operation are not filed by June 15, 1988, the commissioner shall adopt the initial articles, bylaws, and plan of operation.*

Sec. 15. [79.80] [EXPENSE, HOW PAID.]

*Each member of the association shall pay an equitable and nondiscriminatory share of the cost of operating the association. If the members of the association cannot agree upon an apportionment of cost, any member may in writing petition the commissioner to establish a basis for apportioning the cost. If any member is aggrieved by an apportionment made by the association, it may in writing petition the commissioner for a review of the apportionment. The commissioner shall, upon not less than five days' notice to each member of the association, hold a hearing upon any such petition at which all members are entitled to be present and be heard. The commissioner shall determine the matter and mail a copy of the determination to each member of the association. The decision of the commissioner shall be final and binding upon all members of the association.*

Sec. 16. [79.81] [BOARD OF DIRECTORS.]

*A board of directors of the rating association is created and is responsible for the operation of the rating association consistent with the plan of operation and this article. The board consists of seven directors. Four directors shall represent insurers and the commissioner of commerce shall appoint the remaining directors. Each director is entitled to one vote. Terms of the directors shall be two years. The board shall select a chair and other officers it deems appropriate.*

*A majority of the directors currently holding office constitutes a quorum. Action may be taken by a majority vote of the directors present.*

*The board shall take reasonable and prudent action regarding the management of the rating association including but not limited to the management of the daily affairs of the rating association.*

Sec. 17. [79.82] [PLAN OF OPERATION.]

*Subdivision 1. [PROVISIONS.] The plan of operation shall provide for all of the following:*

*(a) the establishment of necessary facilities;*

*(b) the management and operation of the rating association;*

*(c) a preliminary assessment, payable by each member in proportion to its total premium in the year preceding the inauguration of the rating association, for initial expenses necessary to commence operation of the rating association;*

*(d) procedures governing the actual payment of assessments to the rating association;*

(e) reimbursement of each member of the board by the rating association for actual and necessary expenses incurred on rating association business; and

(f) any other matters required by or necessary to effectively implement this article.

*Subd. 2. [AMENDMENTS.] (a) The plan of operation shall be subject to approval by the commissioner after consultation with the members of the association, representatives of the public and other affected individuals and organizations. If the commissioner disapproves all or any part of the proposed plan of operation, the directors shall within 15 days submit for review an appropriate revised plan of operation or part thereof. If a revised plan is not submitted within 15 days, the commissioner shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the commissioner shall become effective and operational upon order of the commissioner.*

*(b) Amendments to the plan of operation may be made by the commissioner or by the directors of the association, subject to the approval of the commissioner.*

**Sec. 18. [79.83] [APPLICABILITY OF CHAPTER 79.]**

*Subdivision 1. [EXAMINATION BY COMMISSIONER.] The rating association is subject to all the provisions of this chapter. The commissioner or an authorized representative of the commissioner may visit the rating association at any time and examine, audit, or evaluate the rating association's operations, records and practices. For purposes of this section, "authorized representative of the commissioner" includes employees of the departments of commerce or labor and industry or other parties retained by the commissioner.*

*Subd. 2. [COSTS AND EXPENSES.] The commissioner may order and the rating association shall pay the costs and expenses of any examination, audit, or evaluation conducted pursuant to subdivision 1. A sum sufficient to pay these costs and expenses is appropriated from the special compensation fund to the commissioner of commerce.*

**Sec. 19. [79.84] [INITIAL FILING.]**

*Subdivision 1. [FILING REQUIRED.] On or before July 1, 1988, the association must file with the commissioner its proposed schedule of rates, its rating plans, and its underwriting and rating manuals which are used in the classification of risks and the calculation of rating plans, rates, and fees. The association must provide the commissioner with at least six copies of each manual. A copy of each manual filed shall also be provided to the commissioner of labor and industry.*

*The commissioner shall review the schedule of rates, rating plans, and manuals and on or before December 31, 1988, approve or disapprove the manuals or any part thereof. Until the commissioner has approved or disapproved the manuals, they shall remain in force. As to any rating plans or manual or part thereof that is not approved, a hearing pursuant to the contested case procedures of chapter 14 shall be held. The adoption of the schedule of rates shall be governed by section 5.*

*Until the conclusion of the contested case proceeding, the portions of the manuals or rating plans that were not approved shall remain in force.*

*Subd. 2. [AMENDMENTS.] If the association amends a manual or rating plan, the amendment shall not be effective until approved by the commissioner. The commissioner shall approve or disapprove any amendment within 90 days of filing. Any amendment not approved within 90 days shall be deemed to be disapproved. As to a disapproved amendment, the association may contest the disapproval pursuant to the contested case procedures of chapter 14.*

*Subd. 3. [BURDEN OF PROOF.] The burden of proof in a proceeding under this section shall be upon the party requesting the adoption of a rating plan or manual or an amendment of a rating plan or manual.*

*Subd. 4. [COSTS.] The costs of the commissioner and the commissioner of labor and industry in regard to a contested case proceeding under this section, including the costs of consultants, staff, and related costs, and costs billed by the attorney general's office shall be paid by the special compensation fund and assessed to the association and its members by the special compensation fund.*

*Subd. 5. [PUBLIC ACCESS.] Copies of all approved manuals must be made available to the public for inspection during regular business hours at the office of the association. Proposed manuals and amendments to manuals must be made available in the same manner.*

**Sec. 20. [79.85] [EXEMPTION.]**

*The rating association is not subject to sections 15.0597 and 471.705 and chapter 13 nor any other law or rule that pertains to a public body. For purposes of Minnesota law or rule, the association is not a public body.*

**Sec. 21. [79.86] [LICENSE; FEE.]**

*The association shall procure annually from the commissioner a license to carry on its business. The license shall run from July 1 to the last day of June. An annual license fee of \$100 must be paid at the time of filing an application for license.*

**Sec. 22. [79.861] [ANNUAL STATEMENT.]**

*The association on or before March 1 each year shall file with the commissioner a statement covering its activities for the year ending on the preceding December 31. This report shall cover its financial transactions and other matters connected with its operation, including employee compensation and other specific expenditures as required by the commissioner. The commissioner shall prescribe the form of the report. The association and its members are subject to supervision and examination by the commissioner or any examiner authorized by the commissioner on such matters as the commissioner deems appropriate. Examination may be made as often as the commissioner deems necessary. A sum sufficient to pay the cost of all examinations is appropriated from the special compensation fund to the commissioner of commerce.*

**Sec. 23. [79.862] [ASSOCIATION SHALL MAKE CLASSIFICATION.]**

*The association shall, on behalf of its members, assign each compensation risk and subdivision thereof in this state to its proper classification. The determination as to the proper classification by the association shall be subject to the approval of the commissioner as provided in this chapter. The association shall, on behalf of all members thereof, inspect and make*

a written survey of each risk to which the system of merit rating approved for use in this state is applicable. It shall, on behalf of all the members thereof, file with the commissioner its classification of risks and keep on file at the office of the association its written surveys of all risks inspected by it, which surveys shall show the location and description of all items producing charges and credits, if any, and such other facts as are material in the writing of insurance thereon. It shall file any subsequent proposed classification or later survey and all rules and regulations which do or may affect the writing of these risks. The association classification shall be binding upon all insurers. The commissioner and the association and its representatives shall give all information as to classifications, rates, surveys, and other facts collected and intended for the common use of insurers subject to this article to all these insurers at the same time. A copy of the complete survey by the association, with the approved classification and rates based thereon and the effective date thereof, shall be furnished to the insurer of record as soon as approved. The approved classification and rates upon a specific risk shall be furnished upon request to any other insurer upon the payment of a reasonable charge for the service. Every insurer shall promptly file with the association a copy of each payroll audit, which shall be checked by the association for correctness of classification and rate. The commissioner may require the association to file any such copy and may verify any payroll audit by a reaudit of the books of the employer or in such other manner as may appear most expedient. Upon written complaint stating facts sufficient to warrant action by it, the commissioner shall verify any payroll audit reported to the commissioner.

Sec. 24. [79.863] [INFORMATION.]

In addition to other information that the commissioner requests pursuant to section 5, the rating association shall: (a) separate the incurred but not reported losses of its members; (b) separate paid and outstanding losses of its members; (c) provide information indicating cases in which its members have established a reserve in excess of \$50,000; (d) provide information on the income on invested reserves of its members; and (e) provide information as to policies written at other than the filed rates. The rating association shall file information based solely on Minnesota premium income of its members concerning investment income, legal expenses, subrogation recoveries, administrative expenses, and commission expenses. The rating association shall file information based solely on Minnesota data concerning its members reserving practices, premium income, indemnity and medical benefit paid and lobbying expenses of its members. The rating association shall file an itemized breakdown of its lobbying expenses.

The commissioner shall consider this information in an appropriate manner in adopting a schedule of rates and shall decline to grant a hearing pursuant to section 5 for purposes of considering a rate increase if the association fails to provide the information.

Sec. 25. [79.864] [RECORD; ASSOCIATION SHALL FURNISH INFORMATION.]

The association shall keep a careful record of its proceedings. It shall furnish, upon demand, to any employer whose workers' compensation risk has been surveyed, full information as to the survey, including the method of the computation and a detailed description and location of all items producing charges or credits. The association shall provide a means, approved

by the commissioner, for hearing any member or employer whose risk has been inspected, either in person or by a representative, before the governing or rating committee or other proper representatives with reference to any matter affecting the risk. Any insurer or employer may appeal from a decision of the association to the commissioner. The association shall make rules governing appeals, to be filed with and approved by the commissioner. The commissioner may require the association to file any information connected with its activities.

Sec. 26. [79.865] [INSURERS SHALL NOT DISCRIMINATE.]

No insurer shall make or charge any rate for workers' compensation insurance in this state which discriminates unfairly between risks or classes, or which discriminates unfairly between risks in the application of like charges and credits in the plan of merit or experience rating in use.

Sec. 27. [79.867] [RATES SHALL BE FILED.]

Every insurer writing workers' compensation insurance in this state, except as ordered by the commissioner, must file with the commissioner its rates for this compensation insurance and all additions or changes. All rates so filed must comply with the requirements of law and are not effective until approved by the commissioner. A rate which is filed and approved cannot be changed until 15 days after the substituted rate is filed and after approval by the commissioner.

Sec. 28. [79.868] [RATES TO BE UNIFORM; EXCEPTIONS.]

No insurer may write insurance at a rate above that established by the association and approved as reasonable by the commissioner. The association may reduce or increase a rate by the application to individual risks of the system of merit or experience rating which has been approved by the commissioner. This reduction or increase shall be set forth in the policy or by endorsement thereon. Upon written request, an insurer shall furnish a written explanation to the insured of how and why the individual rate was adjusted by application of a system of merit or experience rating. This explanation shall be mailed to the insured within 30 days of the request.

Sec. 29. [79.869] [DUTIES OF COMMISSIONER.]

The commissioner of commerce shall require compensation insurers, or their agents, to file such reports as may be necessary for the purposes of this article for use by the commissioner.

Sec. 30. [79.87] [VIOLATIONS; PENALTIES.]

In addition to any other penalties prescribed by law, any insurer, rating association, agent, or other representative or employee of any insurer or rating association that fails to comply with, violates any of the provisions of this article, or any order or ruling of the commissioner, shall be punished by a fine of not less than \$50 nor more than \$5,000. In addition, the license of any insurer, agent, or broker guilty of such violation may be revoked or suspended by the commissioner.

Sec. 31. [79.88] [RULEMAKING.]

Until July 1, 1989, the commissioner shall be exempt from the rule-making provisions of chapter 14. The commissioner must comply with section 14.38, subdivision 7, when adopting rules to carry out the commissioner's duties assigned by this section. Any rules adopted pursuant to

*this exemption shall be subsequently adopted by a chapter 14 rules proceeding commencing no later than July 1, 1990.*

Sec. 32. Minnesota Statutes 1986, section 176A.03, is amended by adding a subdivision to read:

*Subd. 3. [COVERAGE OUTSIDE STATE.] Policies issued by the fund pursuant to this chapter may also provide workers' compensation coverage required under the laws of states other than Minnesota, including coverages commonly known as "all states coverage." The fund may apply for and obtain any licensure required in any other state in order to issue such coverage.*

Sec. 33. [MANDATED REDUCTIONS.]

*As a result of the workers' compensation law changes in article 1 and the resulting savings to the costs of Minnesota's workers' compensation system, an insurer's approved schedule of rates in effect on August 1, 1988, must be reduced by 15 percent and applied by the insurer to all policies issued, renewed, or outstanding on or after that date. An insurer may not adjust its filed rating plan to recoup the 15 percent mandated rate reduction under this section. Insurers and data service organizations must file a new schedule of rates and rating plans which comply with the requirements of this section by August 1, 1988. The reduction must be computed on the basis of a 15 percent premium reduction prorated to the expiration of that policy. An insurer shall provide written notice by September 1, 1988, to all employers having an outstanding policy with the insurer as of August 1, 1988, to read as follows: "As a result of the changes in the workers' compensation insurance system enacted by the 1988 legislature, you are entitled to a credit or refund to your current premium in an amount of \$ . . . . . which reflects a 15 percent mandated premium reduction prorated to the expiration of your policy."*

Sec. 34. [OLD ASSOCIATION.]

*Subdivision 1. [RECORDS DEPOSITED WITH THE COMMISSIONER.] All records of the rating association authorized by sections 79.61 and 79.62 or its predecessors pertaining to proceedings before the department of commerce or its predecessors regarding rates or classifications shall be deposited with the commissioner no later than the effective date of the repeal of sections 79.61 and 79.62.*

*Subd. 2. [ASSOCIATION ASSETS.] All assets of the rating association authorized by section 79.61 or 79.62 or its predecessors shall be transferred to the rating association organized under section 14.*

Sec. 35. [TRANSITION PROVISIONS; EMPLOYEES.]

*Until January 1, 1989, initial appointment to the professional positions authorized by section 37 shall be deemed to be provisional or exceptional appointments as defined by section 43A.15, subdivisions 4 and 8, and the commissioner of employee relations must authorize those appointments as requested by the commissioner of commerce or labor and industry. Upon request of the commissioner of commerce or labor and industry, the appointments under this section shall be considered an unusual employment condition as defined by section 43A.17, subdivision 3, and salaries may be set accordingly.*

Sec. 36. [LEGISLATIVE INTENT.]

*It is the intent of the legislature in enacting this article to reinstate the prior state law regarding rate regulation which was repealed effective January 1, 1984. Judicial and administrative decisions regarding the prior law shall be deemed to be applicable to this article in the same manner as to the prior law.*

Sec. 37. [APPROPRIATION.]

*Subdivision 1. \$630,000 is appropriated from the special compensation fund to the department of commerce for the purpose of this article, is available immediately, does not lapse, and is available until expended. The complement of the department of commerce is increased by 11 positions.*

*Subd. 2. \$600,000 is appropriated from the special compensation fund to the department of labor and industry for the purpose of this article, is available immediately, does not lapse, and is available until expended. The department shall make a preliminary report on the progress of the proposal to the legislature on January 1, 1989. The department shall make a final recommendation on implementation of the proposal at the time it makes its report to the legislature concerning medical issues in the workers' compensation system on January 1, 1990.*

**WORKERS' COMPENSATION SYSTEM CHANGES**

Section 1. Minnesota Statutes 1986, section 176.011, subdivision 11a, is amended to read:

Subd. 11a. [FAMILY FARM.] "Family farm" means any farm operation which (1) pays or is obligated to pay less than ~~\$8,000~~ \$20,000 in cash wages, exclusive of machine hire, to farm laborers for services rendered during the preceding calendar year, and (2) has total liability and medical payment coverage equal to \$250,000 and \$5,000, respectively, under a farm liability insurance policy. For purposes of this subdivision, farm laborer does not include any spouse, parent or child, regardless of age, of

a farmer employed by the farmer, or any executive officer of a family farm corporation as defined in section 500.24, subdivision 2, or any spouse, parent or child, regardless of age, of such an officer employed by that family farm corporation, or other farmers in the same community or members of their families exchanging work with the employer. Notwithstanding any law to the contrary, a farm laborer shall not be considered as an independent contractor for the purposes of this chapter; provided that a commercial baler or commercial thresher shall be considered an independent contractor.

Sec. 2. Minnesota Statutes 1986, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed ~~66~~ <sup>2/3</sup> 80 percent of the ~~product of the daily wage times the number of days normally worked~~ *employee's after-tax weekly wage*, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 3. Minnesota Statutes 1986, section 176.011, is amended by adding a subdivision to read:

*Subd. 18a. [AFTER-TAX WEEKLY WAGE.] After-tax weekly wage means the weekly wage reduced by the amounts required to be withheld by the Federal Insurance Contributions Act, United States Code, Title 16, sections 3101 to 3126, but without regard to the yearly maximum, and by state and federal income tax laws using as the number of allowances the number of exemptions that the employee is entitled to under federal law for the employee and the employee's dependents.*

Sec. 4. Minnesota Statutes 1986, section 176.021, subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other

nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section 176.101 13. If doubt exists as to the eventual permanent partial disability, payment for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section 176.101, shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Prior to or at the time of commencement of the payment of economic recovery compensation or lump sum or periodic payment of impairment compensation permanent partial disability compensation, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. Economic recovery compensation or impairment compensation pursuant to section 176.101 is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section 176.101. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section 176.101. Economic recovery compensation or impairment compensation pursuant to section 176.101 shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total disability. Liability on the part of an employer or the insurer for disability of a temporary total, temporary partial, and permanent total nature shall be considered as a continuing product and part of the employee's inability to earn or reduction in earning capacity due to injury or occupational disease and compensation is payable accordingly, subject to section 176.101. Economic recovery compensation or impairment compensation is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.

The right to receive economic recovery compensation or impairment permanent partial compensation vests in an injured employee or in the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained, provided that the employee lives for at least 30 days beyond the date of the injury. The right is not abrogated by the employee's death prior to the making of the payment. Upon the death of an employee who is receiving economic recovery compensation or impairment compensation, further compensation is payable pursuant to section 176.101. Impairment compensation is payable under this paragraph if vesting has occurred; the employee dies prior to reaching

maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Disability ratings for permanent partial disability shall be based on objective medical evidence.

Sec. 5. Minnesota Statutes 1987 Supplement, section 176.041, subdivision 4, is amended to read:

Subd. 4. [OUT-OF-STATE EMPLOYMENTS.] (a) *Except as provided in paragraph (b), if an employee who regularly performs the primary duties of employment outside of this state or is hired to perform the primary duties of employment outside of this state, receives an injury within this state in the employ of the same employer, such injury shall be covered within the provisions of this chapter if the employee chooses to forego any workers' compensation claim resulting from the injury that the employee may have a right to pursue in some other state, provided that the special compensation fund is not liable for payment of benefits pursuant to section 176.183 if the employer is not insured against workers' compensation liability pursuant to this chapter and the employee is a nonresident of Minnesota on the date of the personal injury.*

(b) *An employee who has been hired outside of this state, or regularly performs the primary duties of employment outside of this state, and the employee's employer, are exempt from the provisions of this chapter while the employee is temporarily within this state performing work for the employer provided the employer has furnished workers' compensation insurance coverage under the workers' compensation law or other similar law of another state which covers the employee's employment while in this state. The benefits under the workers' compensation law or similar law of the other state, or other remedies under that state's law, are the exclusive remedy against the employer for any injury, whether resulting in death or not, received by the employee while working for that employer within this state. A certificate from the commissioner of labor and industry or other similar official of another state certifying that the employer is insured in that state and has provided extraterritorial coverage insuring its employees while working within this state is prima facie evidence that the employer carries workers' compensation insurance on those employees.*

Sec. 6. Minnesota Statutes 1986, section 176.061, subdivision 10, is amended to read:

Subd. 10. [INDEMNITY.] Notwithstanding the provisions of chapter 65B or any other law to the contrary, an employer has a right of indemnity for any compensation paid or payable pursuant to this chapter, including temporary total compensation, temporary partial compensation, permanent partial disability, ~~economic recovery compensation, impairment compensation,~~ medical compensation, rehabilitation, death, and permanent total compensation.

Sec. 7. Minnesota Statutes 1986, section 176.081, subdivision 1, is amended to read:

Subdivision 1. (a) A fee for legal services of 25 percent of the first \$4,000 of compensation awarded to the employee and 20 percent of the next \$27,500 of compensation awarded to the employee is permissible and does not require approval by the commissioner, compensation judge, or any other party except as provided in ~~clause~~ paragraph (b). If the employer or the insurer or the defendant is given written notice of claims for legal

services or disbursements, the claim shall be a lien against the amount paid or payable as compensation. In no case shall fees be calculated on the basis of any undisputed portion of compensation awards. Allowable fees under this chapter shall be based solely upon genuinely disputed portions of claims, including disputes related to the payment of rehabilitation benefits or to other aspects of a rehabilitation plan. Fees for administrative conferences under ~~section 176.242, 176.2421, 176.243, or 176.244~~ sections 176.106 and 176.239 shall be determined on an hourly basis, according to the criteria in subdivision 5.

A copy of the signed retainer agreement shall also be filed. The employee and insurer shall receive a copy of the statement. The statement shall be on a form prescribed by the commissioner and shall clearly and conspicuously state that the employee or insurer has ten calendar days to object to the attorney fees requested. If no objection is timely made by the employee or insurer, the amount requested shall be conclusively presumed reasonable providing the amount does not exceed the limitation in subdivision 1. The commissioner, compensation judge, or court of appeals shall issue an order granting the fees and the amount requested shall be awarded to the party requesting the fee. If a timely objection is filed, or the fee is determined on an hourly basis, the commissioner, compensation judge, or court of appeals shall review the matter and make a determination based on the criteria in subdivision 5. If no timely objection is made by an employer or insurer, reimbursement under subdivision 7 shall be made if the statement of fees requested this reimbursement.

(c) An attorney representing employers or insurers shall file a statement of attorney fees or wages with the commissioner, compensation judge before whom the matter was heard, or workers' compensation court of appeals on cases before the court. The statement of attorney fees or wages must contain the following information: the average hourly wage or the value of hours worked on that case if the attorney is an employee of the employer or insurer, the number of hours worked on that case, and the average hourly rate or amount charged an employer or insurer for that case if the attorney is not an employee of the employer or insurer.

(d) Employers and insurers may not pay attorney fees or wages for legal services of more than \$6,500 per case unless the additional fees or wages are approved under subdivision 2.

Sec. 8. Minnesota Statutes 1987 Supplement, section 176.081, subdivision 2, is amended to read:

Subd. 2. An application for attorney fees in excess of the amount authorized in subdivision 1 shall be made to the commissioner, compensation judge, or district judge, before whom the matter was heard. An appeal of a decision by the commissioner, a compensation judge, or district court judge on additional fees may be made to the workers' compensation court of appeals. The application shall set forth the fee requested ~~and~~, the number of hours spent on the case, the basis for the request, and whether or not a hearing is requested. The application, with affidavit of service upon the ~~employee~~ attorney's client, shall be filed by the attorney requesting the

Sec. 9. Minnesota Statutes 1986, section 176.081, subdivision 3, is amended to read:

Subd. 3. ~~An employee who~~ *A party that* is dissatisfied with its attorney fees, may file an application for review by the workers' compensation court of appeals. Such application shall state the basis for the need of review and whether or not a hearing is requested. A copy of such application shall be served upon the *party's* attorney ~~for the employee~~ by the court administrator and if a hearing is requested by either party, the matter shall be set for hearing. The notice of hearing shall be served upon known interested parties. ~~The attorney for the employee shall be served with a notice of the hearing.~~ The workers' compensation court of appeals shall have the authority to raise ~~the question of~~ the issue of the attorney fees at any time upon its own motion and shall have continuing jurisdiction over attorney fees.

Sec. 10. Minnesota Statutes 1986, section 176.101, subdivision 1, is amended to read:

Subdivision 1. [TEMPORARY TOTAL DISABILITY.] (a) For an injury producing temporary total disability, the compensation is ~~66-2/3~~ 80 percent of the *after-tax* weekly wage at the time of injury.

(1) ~~provided that during the year commencing on October 1, 1979, and each year thereafter, commencing on October 1,~~ (b) The maximum weekly compensation payable is 105 percent of the statewide average weekly wage for the period ending December 31, of the preceding year.

(2) *the employee returns to work;*

(3) *the employee retires by withdrawing from the labor market;*

(4) *the employee refuses an offer of work that is consistent with a plan of rehabilitation filed with the commissioner, which meets the requirements of section 176.102, subdivision 1, or, if no plan has been filed, that the employee can do in the employee's physical condition; or*

(5) *90 days have passed after the employee has reached maximum medical improvement, except as provided in section 176.102, subdivision 11, paragraph (b).*

(e) *For purposes of paragraph (d), clause (5), the 90-day period after maximum medical improvement commences on the earlier of:*

Compensation recommenced under this paragraph is subject to cessation under paragraph (d). Recommenced compensation may not be paid beyond 90 days after the employee reaches maximum medical improvement, except as provided under section 176.102, subdivision 11, paragraph (b).

(g) Once compensation has ceased under paragraph (d), clauses (4) and (5), it may not be recommenced at a later date except as provided under section 176.102, subdivision 11, paragraph (b).

Sec. 11. Minnesota Statutes 1986, section 176.101, is amended by adding a subdivision to read:

*Subd. 1a. [EXTENDED DISABILITY COMPENSATION.] (a) If an employee, who has a permanent partial disability, is not working because of the personal injury after payment of permanent partial disability benefits is complete, the employee shall be eligible for extended disability compensation. If an employee received any permanent partial compensation in a lump sum, payment will be considered complete after expiration of the period that the employee would have received permanent partial compensation had it been paid periodically.*

*(b) Extended disability compensation is paid at the rate for temporary total compensation, escalated under section 176.645, for the number of weeks equal to 246 multiplied by the employee's percentage rating of permanent partial disability, determined according to the rules adopted by the commissioner pursuant to section 176.105, subdivision 4. The total extended compensation for any injury may not exceed this product.*

*(c) Extended disability compensation shall cease if the employee is no longer disabled, returns to work, refuses a job offer described in subdivision 1, paragraph (d), clause (4), or retires from the labor market.*

*(d) An employee is not eligible for extended disability compensation if, at any time before the employee would have become eligible:*

Sec. 12. Minnesota Statutes 1986, section 176.101, subdivision 2, is amended to read:

*Subd. 2. [TEMPORARY PARTIAL DISABILITY.] (a) In all cases of temporary partial disability the compensation shall be ~~66-2/3 percent~~ of*

(2) for the second 26 weeks that the employee returns to work, the compensation shall be 60 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is earning in the employee's partially disabled condition; and

(3) for the third 26 weeks that the employee returns to work, the compensation shall be 40 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is earning in the employee's partially disabled condition.

(b) This compensation shall be paid during the period of disability except as provided in this section, payment to be made at the intervals when the wage was payable, as nearly as may be, and subject to a maximum compensation equal to 105 percent of the statewide average weekly wage.

(c) Temporary partial compensation may be paid only while the employee is working and earning less than the employee's weekly wage at the time of the injury. Except as provided in section 176.102, subdivision 11, paragraph (b), temporary partial compensation may not be paid after the employee has returned to work for 78 weeks or after 350 weeks after the date of injury, whichever occurs first.

*An employee may not receive compensation for more than a 100 percent disability of the whole body, even if the employee sustains disability to two or more body parts.*

*(b) Permanent partial disability is payable upon cessation of temporary total disability under subdivision 1. If the employee is not working, the compensation is payable in installments at the same intervals and in the same amount as the initial temporary total disability rate. If the employee returns to work, the remaining compensation is payable in a lump sum 30 days after the employee returned to work provided the employment has not been substantially interrupted by the injury for any part of the 30 days and the employee is still employed at the job at the end of the period.*

Sec. 14. Minnesota Statutes 1986, section 176.101, subdivision 4, is amended to read:

Subd. 4. [PERMANENT TOTAL DISABILITY.] For permanent total disability, as defined in subdivision 5, the compensation shall be ~~66-2/3~~ 80 percent of the ~~daily~~ after-tax weekly wage at the time of the injury, subject to a maximum weekly compensation equal to the maximum weekly compensation for a temporary total disability and a minimum weekly compensation equal to the minimum weekly compensation for a temporary total disability. This reduction shall also apply to any old age and survivor insurance benefits. Payments shall be made at the intervals when the wage was payable, as nearly as may be. In case an employee who is permanently and totally disabled becomes an inmate of a public institution, no compensation shall be payable during the period of confinement in the institution, unless there is wholly dependent on the employee for support some person named in section 176.111, subdivision 1, 2 or 3, in which case the compensation provided for in section 176.111, during the period of confinement, shall be paid for the benefit of the dependent person during dependency. *(b) For purposes of paragraph (a), clause (2), totally and permanently incapacitated means that the employee's physical disability, in combination with the employee's age, education and training, and experience, causes the employee to be unable to secure anything more than sporadic employment resulting in an insubstantial income. Local labor market conditions may not be considered in making the total and permanent incapacitation determination.*

Sec. 16. Minnesota Statutes 1986, section 176.102, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] *(a) This section only applies to vocational rehabilitation of injured employees and their spouses as provided under subdivision 1a. Physical rehabilitation of injured employees is considered treatment subject to section 176.135.*

Rehabilitation to a job with a higher economic status than would have occurred without disability is permitted if it can be demonstrated that this rehabilitation is necessary to increase the likelihood of reemployment. Economic status is to be measured not only by opportunity for immediate income but also by opportunity for future income.*

Sec. 17. Minnesota Statutes 1987 Supplement, section 176.102, subdivision 2, is amended to read:

Regardless of the number of weeks of total disability, no totally disabled person is ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, except as provided by clause (b), provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after October 1, 1983, and before August 1, 1988, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving temporary total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after August 1, 1988, that caused a permanent total disability, as defined in section 176.101, subdivision 5, is eligible to receive supplementary benefits after four years have elapsed since the first date of the total disability, provided that the employee continues to have a permanent total disability.

(2) 50 percent of the statewide average weekly wage, as computed annually.

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 50 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. (d) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.

(e) (d) In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provisions of United States Code, title 42, section 424a(d), this reduction shall not apply.

Sec. 40. Minnesota Statutes 1986, section 176.132, subdivision 3, is amended to read:

Subd. 3. [PAYMENT.] The payment of supplementary benefits shall be the responsibility of the employer or insurer ~~currently paying total disability benefits, or any other payer of such benefits. When the eligible individual is not currently receiving benefits because the total paid has reached the maximum prescribed by law the employer and insurer shall, nevertheless, pay the supplementary benefits that are prescribed by law.~~ The employer or insurer paying the supplementary benefit shall have the right of full reimbursement from the special compensation fund for the amount of such benefits paid.

Sec. 41. Minnesota Statutes 1986, section 176.136, subdivision 1, is amended to read:

Subdivision 1. [SCHEDULE.] (a) The commissioner shall by rule establish procedures for determining whether or not the charge for a health service is excessive. In order to accomplish this purpose, the commissioner

shall consult with insurers, associations and organizations representing the medical and other providers of treatment services and other appropriate groups. The procedures established by the commissioner shall *must* limit the charges allowable for medical, chiropractic, podiatric, surgical, hospital and other health care provider treatment or services, as defined and compensable under section 176.135, to the 75th percentile of usual and customary fees or charges based upon billings for each class of health care provider during all of the calendar year preceding the year in which the determination is made of the amount to be paid the health care provider for the billing.

*(b) The medical fee rules for providers other than hospitals, which are promulgated on October 1, 1987, and based upon 1986 medical cost data, must remain in effect until September 30, 1989; and the medical fee rules for providers other than hospitals, which are promulgated on October 1, 1989, must be based on the 1987 medical cost data and must remain in effect until September 30, 1990.*

*(c) The procedures established by the commissioner for determining whether or not the charge for a health service is excessive shall *must* be structured to encourage providers to develop and deliver services for rehabilitation of injured workers. The procedures shall *must* incorporate the provisions of sections 144.701, 144.702, and 144.703 to the extent that the commissioner finds that these provisions effectively accomplish the intent of this section or are otherwise necessary to insure that quality hospital care is available to injured employees.*

Sec. 42. Minnesota Statutes 1986, section 176.136, is amended by adding a subdivision to read:

*Subd. 1a. [CHARGES FOR INDEPENDENT MEDICAL EXAMINATIONS.] The commissioner shall adopt rules that reasonably limit amounts which may be charged for, or in connection with, independent or adverse medical examinations requested by any party, including the amount that may be charged for depositions, witness fees, or other expenses. An insurer or employer may not pay fees above the amount in the schedule.*

Sec. 43. Minnesota Statutes 1987 Supplement, section 176.221, subdivision 1, is amended to read:

Subdivision 1. [COMMENCEMENT OF PAYMENT.] Within 14 days of notice to or knowledge by the employer of an injury compensable under this chapter the payment of temporary total compensation shall commence. Within 14 days of notice to or knowledge by an employer of a new period of temporary total disability which is caused by an old injury compensable under this chapter, the payment of temporary total compensation shall commence; provided that the employer or insurer may file for an extension with the commissioner within this 14-day period, in which case the compensation need not commence within the 14-day period but shall commence no later than 30 days from the date of the notice to or knowledge by the employer of the new period of disability. Commencement of payment by an employer or insurer does not waive any rights to any defense the employer has on any claim or incident either with respect to the compensability of the claim under this chapter or the amount of the compensation due. Where there are multiple employers, the first employer shall pay, unless it is shown

that the injury has arisen out of employment with the second or subsequent employer. Liability for compensation under this chapter may be denied by the employer or insurer by giving the employee written notice of the denial of liability. If liability is denied for an injury which is required to be reported to the commissioner under section 176.231, subdivision 1, the denial of liability must be filed with the commissioner within 14 days after notice to or knowledge by the employer of an injury which is alleged to be compensable under this chapter. If the employer or insurer has commenced payment of compensation under this subdivision but determines within 30 60 days of notice to or knowledge by the employer of the injury that the disability is not a result of a personal injury, payment of compensation may be terminated upon the filing of a notice of denial of liability within 30 60 days of notice or knowledge. After the ~~30-day~~ 60-day period, payment may be terminated only by the filing of a notice as provided under section 176.239. Upon the termination, payments made may be recovered by the employer if the commissioner or compensation judge finds that the employee's claim of work related disability was not made in good faith. A notice of denial of liability must state in detail specific reasons explaining why the claimed injury or occupational disease was determined not to be within the scope and course of employment and shall include the name and telephone number of the person making this determination.

Sec. 44. Minnesota Statutes 1986, section 176.645, subdivision 1, is amended to read:

Subdivision 1. On October 1, 1981, and thereafter on the anniversary of the date of the employee's injury the total benefits due shall be adjusted by multiplying the total benefits due prior to each adjustment by a fraction, the denominator of which is the statewide average weekly wage for December 31, of the year two years previous to the adjustment and the numerator of which is the statewide average weekly wage for December 31, of the year previous to the adjustment. For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section. No adjustment increase made on October 1, 1977 or thereafter under this section shall exceed ~~six~~ four percent a year. In those instances where the adjustment under the formula of this section would exceed this maximum the increase shall be deemed to be ~~six~~ four percent.

## ARTICLE 2

### WORKERS' COMPENSATION INSURANCE

Section 1. Minnesota Statutes 1986, section 79.55, subdivision 2, is amended to read:

Subd. 2. [EXCESSIVENESS.] ~~No premium is excessive in a competitive market. In the absence of a competitive market,~~ Premiums are excessive if the expected underwriting profit, together with expected income from invested reserves for the market in question, that would accrue to an insurer would be unreasonably high in relation to the risk undertaken by the insurer in transacting the business.

Sec. 2. Minnesota Statutes 1986, section 79.56, is amended by adding a subdivision to read:

Subd. 5. [RATE REGULATION.] *(a) Whenever an insurer files a change in its existing rate level or rating plan, the commissioner may hold a hearing to determine if the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. The hearing must be conducted pursuant to chapter 14. The commissioner shall give notice of intent to hold a hearing within 90 days of the filing of the change. It is the responsibility of the insurer to show that the rate level or rating plan is not excessive, inadequate, or unfairly discriminatory. The rate level or rating plan is effective unless it is determined as a result of the hearing that the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. Upon such a finding, the rate level or rating plan is retroactively rescinded and any premiums collected thereunder must be refunded. This subdivision applies only to changes resulting from an insurer's utilization of either: (1) the pure premium base rate level filed by any data service organization, plus the insurer's loading for expenses and profit; or (2) the insurer's own filed rate levels and rating plan. This subdivision does not apply to any changes resulting from assessments for the assigned risk plan, reinsurance association, guarantee fund, special compensation fund, or statutory benefit level changes to sections 176.101, subdivisions 1, 2, and 4, 176.111, 176.132, and 176.645 as a result of annual adjustments in the statewide average weekly wage. The disapproval of a rate level or rating plan under this subdivision must be done in the same manner as under section 70A.11, except that the standards of section 79.55 apply.*

*(b) Notwithstanding paragraph (a), if the commissioner of labor and industry petitions the commissioner for a hearing pursuant to this subdivision, the commissioner must hold a hearing if the commissioner of labor and industry certifies that the hearing is necessary because a decision of the supreme court or enactment of a statute has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner of labor and industry must make a prima facie showing that law change has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed.*

*(c) Notwithstanding paragraph (a), the commissioner may hold a hearing if the commissioner determines that the hearing is necessary because of circumstances which result in a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner must make a prima facie showing that the circumstances resulted in a substantial*

*change in the basis upon which the existing rate levels or rating plan was filed.*

Sec. 3. [79.561] [PARTICIPATION.]

*An employer, or person representing a group of employers, which will be directly affected by a change in an insurer's existing rate level or rating plan filed under section 2, and the commissioner of labor and industry, must be allowed to participate in any hearing under that subdivision challenging the change in rate level or rating plan as being excessive, inadequate, or unfairly discriminatory.*

Sec. 4. Minnesota Statutes 1986, section 79.61, subdivision 1, is amended to read:

Subdivision 1. [REQUIRED ACTIVITY.] Any data service organization shall perform the following activities:

(a) File statistical plans, including classification definitions, amendments to the plans, and definitions, with the commissioner for approval, and assign each compensation risk written by its members to its approved classification for reporting purposes;

(b) Establish requirements for data reporting and monitoring methods to maintain a high quality data base;

(c) Prepare and distribute a periodic report, in a form prescribed by the commissioner, on ratemaking including, but not limited to the following elements:

(i) development factors and alternative derivations;

(ii) trend factors and alternative derivations and applications;

(iii) pure premium relativities for the approved classification system for which data are reported, provided that the relativities for insureds engaged in similar occupations and presenting substantially similar risks shall, if different, differ by at least ten percent; and

(iv) an evaluation of the effects of changes in law on loss data.

The report shall also include explicit discussion and explanation of methodology, alternatives examined, assumptions adopted, and areas of judgment and reasoning supporting judgments entered into, and the effect of various combinations of these elements on indications for modification of an overall pure premium rate level change. The pure premium relativities and rate level indications shall not include a loading for expenses or profit and no expense or profit data or recommendations relating to expense or profit shall be included in the report or collected by a data service organization;

(d) Collect, compile, summarize, and distribute data from members or other sources pursuant to a statistical plan approved by the commissioner;

(e) Prepare merit rating plan and calculate any variable factors necessary for utilization of the plan. Such a plan may be used by any of its members, at the option of the member provided that the application of a plan shall not result in rates that are unfairly discriminatory;

(f) Provide loss data specific to an insured to the insured at a reasonable cost;

(g) Distribute information to an insured or interested party that is filed with the commissioner and is open to public inspection; ~~and~~

(h) Assess its members for operating expenses on a fair and equitable basis;

(i) Separate the incurred but not reported losses of its members;

(j) Separate paid and outstanding losses of its members;

(k) Provide information indicating cases in which its members have established a reserve in excess of \$50,000;

(l) Provide information on the income on invested reserves of its members;

(m) Provide information as to policies written at other than the filed rates;

(n) File information based solely on Minnesota premium income of its members concerning investment income, legal expenses, subrogation recoveries, administrative expenses, and commission expenses;

(o) File information based solely on Minnesota data concerning its members' reserving practices, premium income, indemnity, and medical benefits paid; and

(p) Provide any records of the data service organizations that are requested by the commissioner or otherwise required by statute.

#### Sec. 5. [79.65] [CHAPTER APPLICABILITY TO DATA SERVICE ORGANIZATIONS.]

*Subdivision 1. [EXAMINATION BY COMMISSIONER.] Data service organizations are subject to all the provisions of this chapter. The commissioner or an authorized representative of the commissioner may visit the rating association at any reasonable time and examine, audit, or evaluate the rating association's operations, records, and practices. For purposes of this section, "authorized representative of the commissioner" includes employees of the departments of commerce or labor and industry or other parties retained by the commissioner. Examination under this section may be done of any member of data service organizations for purposes of workers' compensation insurance regulation.*

*Subd. 2. [COSTS AND EXPENSES.] The commissioner may order and the data service organization shall pay the costs and expenses of any examination, audit, or evaluation conducted pursuant to subdivision 1. A sum sufficient to pay these costs and expenses is appropriated from the special compensation fund to the commissioner of commerce.*

Sec. 6. Minnesota Statutes 1986, section 176A.03, is amended by adding a subdivision to read:

*Subd. 3. [COVERAGE OUTSIDE STATE.] Policies issued by the fund pursuant to this chapter may also provide workers' compensation coverage required under the laws of states other than Minnesota, including coverages commonly known as "all states coverage." The fund may apply for and obtain any licensure required in any other state in order to issue such coverage.*

#### Sec. 7. [MANDATED REDUCTIONS.]

*(a) As a result of the workers' compensation law changes in article 1 and the resulting savings to the costs of Minnesota's workers' compensation system, an insurer's approved schedule of rates in effect on August 1, 1988, must be reduced by 15 percent and applied by the insurer to all policies*

issued, renewed, or outstanding on or after that date. An insurer may not adjust its filed rating plan to recoup the 15 percent mandated rate reduction under this section. The reduction must be computed on the basis of a 15 percent premium reduction prorated to the expiration of that policy. An insurer shall provide written notice by September 1, 1988, to all employers having an outstanding policy with the insurer as of August 1, 1988, to read as follows: "As a result of the changes in the workers' compensation insurance system enacted by the 1988 legislature, you are entitled to a credit or refund to your current premium in an amount of \$ . . . . . which reflects a 15 percent mandated premium reduction prorated to the expiration of your policy."

(b) An insurer may not file more than one rate increase between January 1, 1988, and August 1, 1988. A rate increase filed between April 11, 1988, and August 1, 1988, must not exceed 10.7 percent. No rate increases may be filed between August 1, 1988, and January 1, 1989.

**Sec. 8. [NOTICE OF INTENT TO CHALLENGE RATE LEVEL CHANGE.]**

*Notwithstanding section 2, the commissioner shall have an additional 90 days to give notice of intent to hold a hearing pursuant to that section. This section applies only to challenges to an insurer's change in existing rate levels or rating plan filed between the date the 1989 rate-making report is approved by the commissioner of commerce and six months thereafter.*

**Sec. 9. [RECORDS DEPOSITED WITH THE COMMISSIONER.]**

*All records of data services organizations authorized by section 79.61, or its predecessors, pertaining to proceedings before the department of commerce or its predecessors regarding rates or classifications must be deposited with the commissioner no later than August 1, 1988.*

**Sec. 10. [CONTINGENT APPROPRIATION.]**

(a) \$250,000 is appropriated from the special compensation fund to a workers' compensation contingent account for the purposes of this article. The appropriation in this section may only be spent with the approval of the governor after consultation with the legislative advisory commission under Minnesota Statutes, section 3.30. The appropriation in this section does not cancel but is available until June 30, 1989.

(b) \$100,000 from the general contingent account for workers' compensation appropriated under Laws 1987, chapter 404, section 44, is available for the purposes of article 2.

**Sec. 11. [REPEALER.]**

*Minnesota Statutes 1986, sections 79.54, 79.57, and 79.58 are repealed.*

As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.01 to 14.70. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Subd. 2. The commissioner of labor and industry, in accordance with the terms of the order awarding compensation, shall pay compensation to the employee or the employee's dependent from the special compensation fund. The commissioner of finance shall upon proper certification reimburse the special compensation fund from the general fund appropriation provided for this purpose. The amount reimbursed shall be limited to the certified amount paid under this section or the appropriation made for this purpose, whichever is the lesser amount. Compensation paid under this section which is not reimbursed by the general fund shall remain a liability of the special compensation fund and shall be financed by the percentage assessed under section 176.129.

Sec. 20. Minnesota Statutes 1986, section 176.183, subdivision 3, is amended to read:

(b) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, and resources of the parents, including real and personal property;

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, *but recognizing that the parents now have separate households;*

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them; the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

Any schedule prepared under paragraph (c), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below or above the guidelines."

The salary, as established in section 15A.081, of the head of a state agency in the executive branch is the upper limit of compensation in the agency. The salary of the commissioner of labor and industry is the upper limit of compensation of employees in the bureau of mediation services. However, if an agency head is assigned a salary that is lower than the current salary of another agency employee, the employee ~~shall retain~~ *retains* the salary, but ~~shall may~~ *may* not receive ~~any an~~ increase in salary as long as the salary is above that of the agency head. The commissioner shall review each proposed increase giving due consideration to salary rates paid to other persons with similar responsibilities in the state. The commissioner may not increase the limitation until the commissioner has presented the proposed increase to the legislative commission on employee relations and received the commission's recommendation on it. The recommendation is advisory only. WORKERS' COMPENSATION SYSTEM CHANGES

Section 1. Minnesota Statutes 1986, section 176.011, subdivision 11a, is amended to read:

Subd. 11a. [FAMILY FARM.] "Family farm" means any farm operation which (1) pays or is obligated to pay less than ~~\$8,000~~ \$20,000 in cash wages, exclusive of machine hire, to farm laborers for services rendered during the preceding calendar year, and (2) has total liability and medical payment coverage equal to \$250,000 and \$5,000, respectively, under a farm liability insurance policy. For purposes of this subdivision, farm laborer does not include any spouse, parent or child, regardless of age, of a farmer employed by the farmer, or any executive officer of a family farm corporation as defined in section 500.24, subdivision 2, or any spouse, parent or child, regardless of age, of such an officer employed by that family farm corporation, or other farmers in the same community or members of their families exchanging work with the employer. Notwithstanding any law to the contrary, a farm laborer shall not be considered as an independent contractor for the purposes of this chapter; provided that a commercial baler or commercial thresher shall be considered an independent contractor.

Sec. 2. Minnesota Statutes 1986, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed 66

~~2/3~~ 80 percent of the product of the daily wage times the number of days normally worked employee's after-tax weekly wage, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 3. Minnesota Statutes 1986, section 176.011, is amended by adding a subdivision to read:

*Subd. 18a. [AFTER-TAX WEEKLY WAGE.] After-tax weekly wage means the weekly wage reduced by the amounts required to be withheld by the Federal Insurance Contributions Act, United States Code, Title 16, sections 3101 to 3126, but without regard to the yearly maximum, and by state and federal income tax laws using as the number of allowances the number of exemptions that the employee is entitled to under federal law for the employee and the employee's dependents.*

Sec. 4. Minnesota Statutes 1986, section 176.021, subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section ~~176.101~~ 13. If doubt exists as to the eventual permanent partial disability, payment for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section ~~176.101~~, shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Prior to or at the time of commencement of the payment of economic recovery compensation or lump sum or periodic payment of impairment compensation permanent partial disability compensation, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. Economic recovery compensation or impairment compensation pursuant to section ~~176.101~~ is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section ~~176.101~~. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section ~~176.101~~. Economic recovery compensation or impairment compensation pursuant to section ~~176.101~~ shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total

The right is not abrogated by the employee's death prior to the making of the payment. Upon the death of an employee who is receiving economic recovery compensation or impairment compensation, further compensation is payable pursuant to section 176.101. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Sec. 5. Minnesota Statutes 1987 Supplement, section 176.041, subdivision 4, is amended to read:

Subd. 4. [OUT-OF-STATE EMPLOYMENTS.] (a) Except as provided in paragraph (b), if an employee who regularly performs the primary duties of employment outside of this state or is hired to perform the primary duties of employment outside of this state, receives an injury within this state in the employ of the same employer, such injury shall be covered within the provisions of this chapter if the employee chooses to forego any workers' compensation claim resulting from the injury that the employee may have a right to pursue in some other state, provided that the special compensation fund is not liable for payment of benefits pursuant to section 176.183 if the employer is not insured against workers' compensation liability pursuant to this chapter and the employee is a nonresident of Minnesota on the date of the personal injury.

*not, received by the employee while working for that employer within this state. A certificate from the commissioner of labor and industry or other similar official of another state certifying that the employer is insured in that state and has provided extraterritorial coverage insuring its employees while working within this state is prima facie evidence that the employer carries workers' compensation insurance on those employees.*

If no objection is timely made by the employee or insurer, the amount requested shall be conclusively presumed reasonable providing the amount does not exceed the limitation in subdivision 1. The commissioner, compensation judge, or court of appeals shall issue an order granting the fees and the amount requested shall be awarded to the party requesting the fee. *(b) The medical fee rules for providers other than hospitals, which are promulgated on October 1, 1987, and based upon 1986 medical cost data, must remain in effect until September 30, 1989; and the medical fee rules for providers other than hospitals, which are promulgated on October 1, 1989, must be based on the 1987 medical cost data and must remain in effect until September 30, 1990.*

The procedures shall must incorporate the provisions of sections 144.701, 144.702, and 144.703 to the extent that the commissioner finds that these provisions effectively accomplish the intent of this section or are otherwise necessary to insure that quality hospital care is available to injured employees.*

Sec. 42. Minnesota Statutes 1986, section 176.136, is amended by adding a subdivision to read:

Commencement of payment by an employer or insurer does not waive any rights to any defense the employer has on any claim or incident either with respect to the compensability of the claim under this chapter or the amount of the compensation due. Where there are multiple employers, the first employer shall pay, unless it is shown that the injury has arisen out of employment with the second or subsequent employer. Liability for compensation under this chapter may be denied by the employer or insurer by giving the employee written notice of the denial of liability. If liability is denied for an injury which is required to be reported to the commissioner under section 176.231, subdivision 1, the denial of liability must be filed with the commissioner within 14 days after notice to or knowledge by the employer of an injury which is alleged to be compensable under this chapter. If the employer or insurer has commenced payment of compensation under this subdivision but determines within ~~30~~ 60 days of notice to or knowledge by the employer of the injury that the disability is not a result of a personal injury, payment of compensation may be terminated upon the filing of a notice of denial of liability within ~~30~~ 60 days of notice or knowledge. After the ~~30-day~~ 60-day period, payment may be terminated only by the filing of a notice as provided under section 176.239. Upon the termination, payments made may be recovered by the employer if the commissioner or compensation judge finds that the employee's claim of work related disability was not made in good faith. A notice of denial of liability must state in detail specific reasons explaining why the claimed injury or occupational disease was determined not to be within the scope and course of employment and shall include the name and telephone number of the person making this determination.

of which is the statewide average weekly wage for December 31, of the year two years previous to the adjustment and the numerator of which is the statewide average weekly wage for December 31, of the year previous to the adjustment. For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section. No adjustment increase made on October 1, 1977 or thereafter under this section shall exceed ~~six~~ four percent a year. In those instances where the adjustment under the formula of this section would exceed this maximum the increase shall be deemed to be ~~six~~ four percent.

The employee shall be eligible for supplementary benefits notwithstanding the provisions of section 176.132, after four years have elapsed since the date of last significant exposure to the hazard of the occupational disease if that employee's weekly compensation rate is less than the current supplementary benefit rate.

Sec. 47. [176.90] [AFTER-TAX CALCULATION.]

### WORKERS' COMPENSATION INSURANCE

Section 1. Minnesota Statutes 1986, section 79.095, is amended to read:  
79.095 [APPOINTMENT OF ACTUARY.]

The commissioner ~~shall~~ may employ the services of a casualty ~~actuary~~ ~~actuaries~~ experienced in ~~worker's~~ workers' compensation whose duties shall include but not be limited to investigation of complaints by insured parties relative to rates, rate classifications, or discriminatory practices of an insurer. The salary of ~~the~~ an actuary employed pursuant to this section is not subject to the provisions of section 43A.17, subdivision 1.

Sec. 2. Minnesota Statutes 1986, section 79.55, subdivision 2, is amended to read:

Subd. 2. [EXCESSIVENESS.] ~~No premium is excessive in a competitive market. In the absence of a competitive market,~~ Premiums are excessive if the expected underwriting profit, together with expected income from invested reserves for the market in question, that would accrue to an insurer would be unreasonably high in relation to the risk undertaken by the insurer in transacting the business.

Sec. 3. Minnesota Statutes 1986, section 79.56, is amended by adding a subdivision to read:

Subd. 5. [RATE REGULATION.] (a) *Whenever an insurer files a change in its existing rate level or rating plan, the commissioner may hold a hearing to determine if the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. The hearing must be conducted pursuant to*

chapter 14. The commissioner shall give notice of intent to hold a hearing within 90 days of the filing of the change. It is the responsibility of the insurer to show that the rate level or rating plan is not excessive, inadequate, or unfairly discriminatory. The rate level or rating plan is effective unless it is determined as a result of the hearing that the rate level or rating plan is excessive, inadequate, or unfairly discriminatory. Upon such a finding, the rate level or rating plan is retroactively rescinded and any premiums collected thereunder must be refunded. This subdivision applies only to changes resulting from an insurer's utilization of either: (1) the pure premium base rate level filed by any data service organization, plus the insurer's loading for expenses and profit; or (2) the insurer's own filed rate levels and rating plan. This subdivision does not apply to any changes resulting from assessments for the assigned risk plan, reinsurance association, guarantee fund, special compensation fund, or statutory benefit level changes to sections 176.101, subdivisions 1, 2, and 4, 176.111, 176.132, and 176.645 as a result of annual adjustments in the statewide average weekly wage. The disapproval of a rate level or rating plan under this subdivision must be done in the same manner as under section 70A.11, except that the standards of section 79.55 apply.

(b) Notwithstanding paragraph (a), if the commissioner of labor and industry petitions the commissioner for a hearing pursuant to this subdivision, the commissioner must hold a hearing if the commissioner of labor and industry certifies that the hearing is necessary because a decision of the supreme court or enactment of a statute has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner of labor and industry must make a prima facie showing that law change has effected a substantial change in the basis upon which the existing rate levels or rating plan was filed.

(c) Notwithstanding paragraph (a), the commissioner may hold a hearing if the commissioner determines that the hearing is necessary because of circumstances which result in a substantial change in the basis upon which the existing rate levels or rating plan was filed. The commissioner must make a prima facie showing that the circumstances resulted in a substantial change in the basis upon which the existing rate levels or rating plan was filed.

#### Sec. 4. [79.561] [PARTICIPATION.]

An employer, or person representing a group of employers, which will be directly affected by a change in an insurer's existing rate level or rating plan filed under section 2, and the commissioner of labor and industry, must be allowed to participate in any hearing under that subdivision challenging the change in rate level or rating plan as being excessive, inadequate, or unfairly discriminatory.

Sec. 5. Minnesota Statutes 1986, section 79.61, subdivision 1, is amended to read:

Subdivision 1. [REQUIRED ACTIVITY.] Any data service organization shall perform the following activities:

(a) File statistical plans, including classification definitions, amendments to the plans, and definitions, with the commissioner for approval, and assign each compensation risk written by its members to its approved classification for reporting purposes;

(b) Establish requirements for data reporting and monitoring methods to

maintain a high quality data base;

(c) Prepare and distribute a periodic report, in a form prescribed by the commissioner, on ratemaking including, but not limited to the following elements:

(i) development factors and alternative derivations;

(ii) trend factors and alternative derivations and applications;

(iii) pure premium relativities for the approved classification system for which data are reported, provided that the relativities for insureds engaged in similar occupations and presenting substantially similar risks shall, if different, differ by at least ten percent; and

(iv) an evaluation of the effects of changes in law on loss data.

The report shall also include explicit discussion and explanation of methodology, alternatives examined, assumptions adopted, and areas of judgment and reasoning supporting judgments entered into, and the effect of various combinations of these elements on indications for modification of an overall pure premium rate level change. The pure premium relativities and rate level indications shall not include a loading for expenses or profit and no expense or profit data or recommendations relating to expense or profit shall be included in the report or collected by a data service organization;

(d) Collect, compile, summarize, and distribute data from members or other sources pursuant to a statistical plan approved by the commissioner;

(e) Prepare merit rating plan and calculate any variable factors necessary for utilization of the plan. Such a plan may be used by any of its members, at the option of the member provided that the application of a plan shall not result in rates that are unfairly discriminatory;

(f) Provide loss data specific to an insured to the insured at a reasonable cost;

(g) Distribute information to an insured or interested party that is filed with the commissioner and is open to public inspection; ~~and~~

(h) Assess its members for operating expenses on a fair and equitable basis;

(i) *Separate the incurred but not reported losses of its members;*

(p) *Provide any records of the data service organizations that are requested*

by the commissioner or otherwise required by statute.

**Sec. 6. [79.65] [CHAPTER APPLICABILITY TO DATA SERVICE ORGANIZATIONS.]**

*Subdivision 1. [EXAMINATION BY COMMISSIONER.] Data service organizations are subject to all the provisions of this chapter. The commissioner or an authorized representative of the commissioner may visit the rating association at any reasonable time and examine, audit, or evaluate the rating association's operations, records, and practices. For purposes of this section, "authorized representative of the commissioner" includes employees of the departments of commerce or labor and industry or other parties retained by the commissioner. Examination under this section may be done of any member of data service organizations for purposes of workers' compensation insurance regulation.*

*Subd. 2. A sum sufficient to pay these costs and expenses is appropriated from the special compensation fund to the commissioner of commerce.*

Sec. 7. Minnesota Statutes 1986, section 176A.03, is amended by adding a subdivision to read:

*Subd. 3. [COVERAGE OUTSIDE STATE.] Policies issued by the fund pursuant to this chapter may also provide workers' compensation coverage required under the laws of states other than Minnesota, including coverages commonly known as "all states coverage." The fund may apply for and obtain any licensure required in any other state in order to issue such coverage.*

**Sec. 8. [MANDATED REDUCTIONS.]**

*(a) As a result of the workers' compensation law changes in article 1 and the resulting savings to the costs of Minnesota's workers' compensation system, an insurer's approved schedule of rates in effect on August 1, 1988, must be reduced by 16 percent and applied by the insurer to all policies issued, renewed, or outstanding on or after that date. An insurer may not adjust its filed rating plan to recoup the 16 percent mandated rate reduction under this section. The reduction must be computed on the basis of a 16 percent premium reduction prorated to the expiration of that policy. An insurer shall provide written notice by September 1, 1988, to all employers having an outstanding policy with the insurer as of August 1, 1988, to read as follows: "As a result of the changes in the workers' compensation insurance system enacted by the 1988 legislature, you are entitled to a credit or refund to your current premium in an amount of \$ . . . . . which reflects a 16 percent mandated premium reduction prorated to the expiration of your policy."*

*(b) No rate increases may be filed between the day following final enactment and January 1, 1989.*

**Sec. 9. [NOTICE OF INTENT TO CHALLENGE RATE LEVEL CHANGE.]**

*Notwithstanding section 3, the commissioner shall have an additional 90 days to give notice of intent to hold a hearing pursuant to that section. This section applies only to challenges to an insurer's change in existing rate levels or rating plan filed between the date the 1989 rate-making report is*

*approved by the commissioner of commerce and six months thereafter.*

**Sec. 10. [RECORDS DEPOSITED WITH THE COMMISSIONER.]**

*All records of data services organizations authorized by section 79.61, or its predecessors, pertaining to proceedings before the department of commerce or its predecessors regarding rates or classifications must be deposited with the commissioner no later than August 1, 1988.*

**Sec. 11. [CONTINGENT APPROPRIATION.]**

*(a) \$250,000 is appropriated from the special compensation fund to a workers' compensation contingent account for the purposes of this article. *(b) \$100,000 from the general contingent account for workers' compensation appropriated under Laws 1987, chapter 404, section 44, is available for the purposes of article 2.*

**Sec. 2. [211A.02] [FINANCIAL REPORT.]**

*Subdivision 1. [WHEN AND WHERE FILED BY COMMITTEES.] A committee or a candidate who receives contributions or makes disbursements of more than \$750 in a calendar year shall submit an initial report to the filing officer within 14 days after the candidate or committee receives or makes disbursements of more than \$750 and shall continue to make reports until a final report is filed. The committee or candidate must also file a report by January 31 of each year following the year when the initial report was filed. *Subd. 4. [CONGRESSIONAL CANDIDATES.] Candidates for election to the United States House of Representatives or Senate and any political committees raising money and making disbursements exclusively on behalf of any one of those candidates may file copies of their financial disclosures required by federal law in lieu of the financial statement required by this section.*

### Sec. 3. [211A.03] [FINAL REPORT.]

*Subd. 2. [NOTICE OF FAILURE TO FILE.] If a candidate or committee fails to file a report on the date it is due, the filing officer shall immediately notify the county attorney of the county where the candidate resides or where the committee headquarters is located. The county attorney shall then immediately notify the candidate or committee of the failure to file. If a report is not filed within ten days after the notification is mailed, the county attorney shall proceed under section 8.*

**Sec. 6. [211A.06] [FAILURE TO KEEP ACCOUNT; PENALTY.]**

*A treasurer or other individual who receives money for a committee is guilty of a misdemeanor if the individual:*

**Sec. 7. [211A.07] [BILLS WHEN RENDERED AND PAID.]**

*A person who has a bill, charge, or claim against a candidate's committee shall render it in writing to the committee within 60 days after the material or service is provided. **Sec. 8. [211A.08] [COUNTY ATTORNEY INQUIRY.]**

*A county attorney who is notified of an alleged violation of this chapter shall promptly investigate. If there is probable cause to institute a prosecution, the county attorney shall proceed by complaint or present the charge with whatever evidence has been found to the grand jury. A county attorney who refuses or intentionally fails to faithfully perform this or any other duty imposed by this chapter is guilty of a misdemeanor and upon conviction shall forfeit his or her office. The county attorney, under penalty of forfeiture of office, shall prosecute all violations of this chapter except for a violation of this section; if, however, a complainant desires to withdraw a complaint under this chapter, the county attorney is not required to proceed with prosecution.*

*Subd. 2. [ASSOCIATE COUNSEL.] Anyone except the person under investigation or the person's agent may employ an attorney to assist the county attorney in the investigation and prosecution of a violation of this chapter. The county attorney and the court shall recognize the attorney as associate counsel for the proceeding. A prosecution, action, or proceeding may not be dismissed without notice to the associate counsel. If the associate counsel objects to the dismissal, the county attorney's reasons for dismissal and the associate counsel's objections must be filed with the court and heard within the time period the court requires.*

If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.*

*Subd. 2. [CIRCUMSTANCES WHERE NOMINATION OR OFFICE NOT FORFEITED.] In a trial for a violation of this chapter, the candidate's*

*nomination or election is not void if the court finds that:*

*(1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or*

*(2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith, and that it would be unjust for the candidate to forfeit the nomination or election.*

*Neither of these findings is a defense to a conviction under this chapter.*

**Sec. 10. [211A.10] [DISQUALIFIED INDIVIDUALS NOT TO HOLD VARIOUS POSITIONS.]**

*A candidate whose election to office has been set aside for a violation of this chapter may not be appointed, during the period fixed by law as the term of the office, to fill a vacancy that may occur in the office. An appointment to an office made contrary to this section is void.*

*A candidate or other individual who is convicted of a violation of this chapter is not qualified, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in an office for which the legislature may establish qualifications under article XII, section 3, of the Minnesota Constitution.*

*Subdivision 1. [COUNTY ATTORNEY INQUIRY.] A county attorney who is notified of an alleged violation of this chapter shall promptly investigate. If there is probable cause for instituting a prosecution, the county attorney shall proceed by complaint or present the charge, with whatever evidence has been found, to the grand jury. A county attorney who refuses or intentionally fails to faithfully perform this or any other duty imposed by this chapter is guilty of a misdemeanor and upon conviction forfeits the office.*

*The county attorney, under the penalty of forfeiture of office, shall prosecute all violations of this chapter except violations of this section. If, however, a complainant withdraws an allegation under this chapter, the county attorney is not required to proceed with prosecution.*

*Subd. 2. [ASSOCIATE COUNSEL.] Anyone except the person under investigation or the person's agent may employ an attorney to assist the county attorney in the investigation and prosecution of a violation of this chapter. The county attorney and the court shall recognize the attorney as associate counsel for the proceeding. A prosecution, action, or proceeding must not be dismissed without notice to the associate counsel. If the associate counsel objects to the dismissal, the county attorney's reasons for dismissal and the associate counsel's objections must be filed with the court and heard within the time period the court requires.*

**Sec. 17. [211B.16] [FORFEITURE OF NOMINATION OR OFFICE; CIRCUMSTANCES WHERE NOT FORFEITED.]**

*Subdivision 1. [FORFEITURE OF NOMINATION OR OFFICE.] Except as provided in subdivision 2, if a candidate is found guilty of violating this chapter or an offense was committed by another individual with the knowledge, consent, or connivance of the candidate, the court, after entering the adjudication of guilty, shall enter a supplemental judgment declaring that the candidate has forfeited the nomination or office. If the court enters the supplemental judgment, it shall transmit to the filing officer a transcript of the supplemental judgment, the nomination or office becomes vacant, and the vacancy must be filled as provided by law.*

*Subd. 2. [CIRCUMSTANCES WHERE NOMINATION OR OFFICE NOT FORFEITED.] In a trial for a violation of this chapter, the candidate's nomination or election is not void if the court finds that:*

*(1) an offense, though committed by the candidate or with the candidate's knowledge, consent, or connivance, was trivial; or*

*(2) an act or omission of a candidate arose from accidental miscalculation or other reasonable cause, but in any case not from a want of good faith; and the court also finds that it would be unjust for a candidate to forfeit the nomination or election.*

*None of these findings is a defense to a conviction under this chapter.*

**Sec. 18. [211B.17] [DISQUALIFIED CANDIDATE NOT TO HOLD VARIOUS POSITIONS.]**

*A candidate whose election to office has been set aside for a violation of this chapter may not be appointed, during the period fixed by law as the term of the office, to fill a vacancy in that office. A candidate or other individual who is convicted of a violation of this chapter may not be appointed, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy that may occur in the office. An appointment to an office made contrary to the provisions of this section is void.*

*A candidate or other individual who is convicted of a violation of this chapter is not qualified, during the period fixed by law as the term of the office with respect to which the election was held and the offense was committed, to fill a vacancy in an office for which the legislature may establish qualifications under article XII, section 3, of the Minnesota Constitution.*

Sec. 19. [211B.18] [PENALTIES FOR VIOLATION.]

*A violation of this chapter for which no other penalty is provided is a misdemeanor.*

Sec. 20. [211B.19] [DENIAL OF ACCESS BY POLITICAL CANDIDATES TO MULTIPLE UNIT DWELLINGS.]

*Subdivision 1. [PROHIBITION.] It is unlawful for a person, either directly or indirectly, to deny access to an apartment house, dormitory, nursing home, manufactured home park, other multiple unit facility used as a residence, or an area in which two or more single-family dwellings are located on private roadways to a candidate who has filed for election to public office or to campaign workers accompanied by the candidate, if the candidate and workers seeking admittance to the facility do so solely for the purpose of campaigning. A violation of this section is a petty misdemeanor.*

*Subd. 2. [EXCEPTIONS.] Subdivision 1 does not prohibit:*

*(1) denial of admittance into a particular apartment, room, manufactured home, or personal residential unit;*

*(2) requiring reasonable and proper identification as a necessary prerequisite to admission to a multiple unit dwelling;*

*(3) in the case of a nursing home, denial of permission to visit certain persons for valid health reasons;*

*(4) limiting visits by candidates or workers accompanied by the candidate to a reasonable number of persons or reasonable hours;*

*(5) requiring a prior appointment to gain access to the facility; or*

*(6) denial of admittance to or expulsion from a multiple unit dwelling for good cause.*

Sec. 21. [APPLICABILITY.]

*Nothing in section 17 or 18 may be construed to limit the ability of each house of the legislature to act as judge of the election returns and eligibility of its own members.*

Sec. 22. [EFFECTIVE DATE.]

*This act is effective July 1, 1988."*

### CONFERENCE COMMITTEE REPORT ON S.F. NO. 2255

A bill for an act relating to agriculture; extending certain benefits under the family farm security act; amending Minnesota Statutes 1986, section 41.57, subdivision 4.

April 14, 1988

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Robert Vanasek  
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 2255, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S.F. No. 2255 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 41.57, subdivision 4, is amended to read:

Subd. 4. [ADDITIONAL PAYMENT; PRINCIPAL REDUCTION.] (a) The commissioner must annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller sponsored family farm security loan. No payment may be made under this subdivision to a qualified seller, unless the seller agrees to reduce the outstanding principal amount of the loan by three percent effective *prior to or beginning for* the year in which application is made.

(b) The payment amount must be determined as follows:

(+) In order to qualify for a payment, the seller must apply to the commissioner by October 1, ~~1986~~ *following the previous tax year*. The application must include a copy of the seller's ~~1985~~ *previous tax year* state income tax return. The commissioner must recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For *any* calendar year ~~1986~~ the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for

state tax purposes.

(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows: (A) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986. (B) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year. (C) The product determined under clause (B) is the payment for the calendar year.

(e) If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b)(2)(A).

(d)(1) (c) If the seller elects to receive payments under this subdivision, the buyer's payments of principal and interest under the loan must be recalculated. The revised payment schedule must reflect the three percent reduction in the outstanding principal required by paragraph (a) and must provide for equal payments over the remaining term of the loan. The interest rate on the loan may not be increased.

(2) The state's payment adjustment under subdivision 2 and the amount of the payment under paragraph (b) must be calculated on the basis of the outstanding principal amount of the loan before the reduction required by paragraph (a).

(e) (d) The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.

(f) (e) For purposes of this subdivision, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller sponsored loan after April 1, 1978 and before June 28 December 31, 1985, and who is a resident of Minnesota during the calendar year and is subject to the payment of Minnesota income taxes.

#### Sec. 2. [41.63] [DATA PRIVACY.]

*Personal financial information, credit reports, financial statements, tax refund calculations, and net worth statements, received or prepared by the commissioner regarding any family farm security loans, are private data on individuals under chapter 13.*

#### Sec. 3. [EFFECTIVE DATE.]

*This act is effective the day following final enactment."*

A bill for an act relating to agriculture; clarifying a time-price offer; allowing a preceding former owner to convey the right to receive an offer to buy or lease previously owned agricultural land; restricting the sale or inducement of a sale of agricultural land by a preceding former owner

accepting an offer for one year; providing penalties and liability for damages; restricting the period for a debtor to receive a copy of a forbearance policy; amending Minnesota Statutes 1987 Supplement, sections 500.24, subdivisions 6 and 7; and 583.24, subdivision 4.

April 14, 1988

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Robert Vanasek  
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 1742, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S.F. No. 1742 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 6, is amended to read:

Subd. 6. [DISPOSAL OF LAND.] (a) A state or federal agency or a corporation, other than a family farm corporation or an authorized farm corporation, may not lease or sell agricultural land or a farm homestead that was acquired by enforcing a debt against the agricultural land or farm homestead, including foreclosure of a mortgage, accepting a deed in lieu of foreclosure, terminating a contract for deed, or accepting a deed in lieu of terminating a contract for deed, before offering or making a good faith effort to offer the land for sale or lease to the immediately preceding former owner at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor. The offer must be made on the notice to offer form under subdivision 7. Selling or leasing property to a third party at a price is prima facie evidence that the price is acceptable to the seller or lessor. *The seller must provide written notice to the immediately preceding former owner that the agricultural land or farm homestead will be offered for sale at least 14 days before the agricultural land or farm homestead is offered for sale.*

(b) *An immediately preceding former owner is the entity with record legal title to the agricultural land or farm homestead before acquisition by the state or federal agency or corporation except: if the immediately preceding former owner is a bankruptcy estate, the debtor in bankruptcy is the immediately preceding former owner; and if the agricultural land or farm homestead was acquired by termination of a contract for deed or deed in lieu of termination of a contract for deed, the immediately preceding former owner is the purchaser under the contract for deed.*

(c) *An immediately preceding former owner may elect to purchase or lease the entire property or an agreed to portion of the property. If the immediately preceding former owner elects to purchase or lease a portion of the property, the election must be reported in writing to the seller or lessor prior to the time the property is first offered for sale or lease. If election is made to purchase or lease a portion of the property, the portion must be contiguous and compact so that it does not unreasonably reduce access to or the value of the remaining property.*

(b) (d) For purposes of this subdivision, the term “a price no higher than

the highest price offered by a third party" means the acceptable cash price offered by a third party or the acceptable time-price offer made by a third party. A cash price offer is one that involves simultaneous transfer of title for payment of the entire amount of the offer. If the acceptable offer made by a third party is a time-price offer, the seller or lessor must make the same time-price offer or an equivalent cash offer to the immediately preceding former owner. An equivalent cash offer is equal to the total of the payments made over a period of the time-price offer discounted by yield curve of the United States treasury notes and bonds on the first business day of the month in which the offer is personally delivered or mailed for time periods similar to the time period covered by the time-price offer, plus 2.0 percent. A time-price offer is an offer that ~~defers payment of a portion of the price and does not involve a transfer of fee title until payment of the entire amount of the offer is made~~ *is financed entirely or partially by the seller and includes an offer to purchase under a contract for deed or mortgage. An equivalent cash offer is not required to be made if the state participates in an offer to a third party through the rural finance authority.*

(e) (e) This subdivision applies to a seller when the property is sold and to a lessor each time the property is leased, for five years after the agricultural land is acquired except:

(1) an offer to lease to the immediately preceding former owner is required only until the immediately preceding owner fails to accept an offer to lease the property or the property is sold; and

(2) an offer to sell to the immediately preceding former owner is required until the property is sold; and

(3) *if the immediately preceding former owner elects to lease or purchase a portion of the property, this subdivision does not apply to the seller with regard to the balance of the property after the election is made under paragraph (c).*

(d) (f) The notice of an offer under subdivision 7 that is personally delivered with a signed receipt or sent by certified mail with a receipt of mailing to the immediately preceding former owner's last known address is a good faith offer.

(e) (g) This subdivision does not apply to a sale or lease that occurs after the seller or lessor has held the property for five years or longer.

(f) (h) For purposes of this subdivision, if the immediately preceding former owner is a bankruptcy estate the debtor in the bankruptcy is the immediately preceding owner.

(g) (i) The immediately preceding former owner must exercise the right to lease *all or a portion of the* agricultural land or a homestead located on agricultural land in writing within 15 days after an offer to lease under this subdivision is mailed with a receipt of mailing or personally delivered. *If election is made to lease only the homestead or a portion of the agricultural land, the portion to be leased must be clearly identified in writing.* The immediately preceding former owner must exercise the right to buy the agricultural land, *a portion of the agricultural land,* or a farm homestead located on agricultural land, in writing, within 65 days after an offer to buy under this subdivision is mailed with a receipt of mailing or is personally delivered. Within ten days after exercising the right to lease or buy by accepting the offer, the immediately preceding owner must fully perform

according to the terms of the offer including paying the amounts due. A seller may sell and a lessor may lease the agricultural land or farm homestead subject to this subdivision to the third party in accordance with their lease or purchase agreement if:

(1) the immediately preceding former owner does not accept an offer to lease or buy before the offer terminates; or

(2) the immediately preceding former owner does not perform the obligations of the offer, including paying the amounts due, within ten days after accepting the offer.

(h) (j) A certificate indicating whether or not the property contains agricultural land or a farm homestead that is signed by the county assessor where the property is located and recorded in the office of the county recorder or the registrar of titles where the property is located is prima facie evidence of whether the property is agricultural land or a farm homestead.

(i) (k) As prima facie evidence that an offer to sell or lease agricultural land or a farm homestead has terminated, a receipt of mailing the notice under subdivision 7 and an affidavit, signed by a person authorized to act on behalf of a state, federal agency, or corporation selling or leasing the agricultural land or a farm homestead may be filed in the office of the county recorder or registrar of titles of the county where the agricultural land or farm homestead is located. The affidavit must state that:

(1) notice of an offer to buy or lease the agricultural land or farm homestead was provided to the immediately preceding former owner at a price not higher than the highest price offered by a third party that is acceptable;

(2) the time during which the immediately preceding former owner is required to exercise the right to buy or lease the agricultural land or farm homestead has expired;

(3) the immediately preceding former owner has not exercised the right to buy or lease the agricultural land or farm homestead as provided in this subdivision or has accepted an offer and has not fully performed according to the terms of the offer; and

(4) the offer to the immediately preceding former owner has terminated.

(j) (l) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision or to lease or purchase at a price no higher than the highest price offered by a third party that is acceptable to the seller or lessor may be extinguished or limited by an express statement signed by the immediately preceding owner that complies with the plain language requirements of section 325G.31. The right may not be extinguished or limited except by the:

(1) an express statement in a deed in lieu of foreclosure ~~of~~ of the agricultural land;

(2) an express statement in a deed in lieu of a termination of a contract for deed for the agricultural land;

(3) an express statement conveying the right to the state or federal agency or corporation owning the agricultural land that is required to make an offer under this subdivision, however, the preceding former owner may rescind the conveyance by notifying the state or federal agency or corporation in writing within 20 calendar days after signing the express statement;

(4) to cure a title defect, an express statement conveying the right may be made to a person to whom the agricultural land has been transferred by the state or federal agency or corporation; or

(5) an express statement conveying the right to a contract for deed vendee to whom the agricultural land or farm homestead was sold under a contract for deed by the immediately preceding former owner if the express statement and the contract for deed are recorded.

(k) (m) The right of an immediately preceding former owner to receive an offer to lease or purchase agricultural land under this subdivision may not be assigned or transferred except as provided in paragraph (l), but may be inherited.

(n) An immediately preceding former owner, except a former owner who is actively engaged in farming as defined in section 500.24, subdivision 2, paragraph (a), and who agrees to remain actively engaged in farming on a portion of the agricultural land or farm homestead for at least one year after accepting an offer under this subdivision, may not sell agricultural land acquired by accepting an offer under this subdivision if the arrangement of the sale was negotiated or agreed to prior to the former owner accepting the offer under this subdivision. A person who sells property in violation of this paragraph is liable for damages plus reasonable attorney fees to a person who is damaged by a sale in violation of this paragraph. There is a rebuttable presumption that a sale by an immediately preceding former owner is in violation of this paragraph if the sale takes place within 180 days of the former owner accepting the offer under this subdivision. This paragraph does not apply to a sale by an immediately preceding former owner to the owner's spouse, the owner's parents, the owner's sisters and brothers, the owner's spouse's sisters and brothers, or the owner's children.

Sec. 2. Minnesota Statutes 1987 Supplement, section 500.24, subdivision 7, is amended to read:

Subd. 7. [NOTICE OF OFFER.] (a) The state, a federal agency, or a corporation subject to subdivision 6 must provide a notice of an offer to sell or lease agricultural land substantially as follows, after inserting the appropriate terms within the parentheses:

"Sec. 20. Minnesota Statutes 1987 Supplement, section 115A.921, is amended to read:

115A.921 [CITY OR TOWN FEE AUTHORITY.]

A city or town may impose a fee, not to exceed 25 35 cents per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste located within the city or town. The revenue from the fees must be credited to the city or town general fund and. Revenue produced by 25 cents of the fee must be used only for purposes of landfill abatement or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Revenue produced by ten cents of the fee may be used for any general fund purpose. Waste residue from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from one-half the amount of the fee imposed by a city or town under this

section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town.

Sec. 21. [115A.936] [LAND DISPOSAL OF YARD WASTE.]

(a) *Except as authorized by the agency, in the metropolitan area after January 1, 1990, and outside the metropolitan area after January 1, 1992, a person may not dispose of yard waste:*

(1) *in mixed municipal solid waste;*

(2) *in a disposal facility; or*

(3) *in a resource recovery facility except for the purposes of composting or co-composting.*

(b) *Yard waste subject to this subdivision is garden wastes, leaves, lawn cuttings, weeds, and prunings.*

Sec. 22. [115A.98] [WASTE DISPOSAL FEE REGULATION.]

*Subdivision 1. [FEE REGULATION.] The legislature finds that the limited number of solid waste disposal facilities in the metropolitan area has created a condition that could allow operators to charge unjust and unreasonable rates. The legislature finds that until sufficient alternatives to landfill disposal become available, the disposal of solid waste is necessary for the health and general welfare of the citizens of this state. Therefore, to ensure just and reasonable fees for the disposal of solid waste, ash, and construction debris in the metropolitan area and a reasonable rate of return to owners and operators of disposal facilities while achieving environmental requirements and other community standards at the facilities, disposal fee structures of disposal facilities that accept solid waste, ash, or construction debris will be publicly regulated.*

*Subd. 2. [DISPOSAL FEE DISCLOSURE.] By July 1 of each year, each permittee of a disposal facility that accepts solid waste, ash, or construction debris in the metropolitan area shall file with the agency the disposal fees of that facility, including any proposed changes in those fees. The permittee of a facility must also file all necessary documentation to support the amounts of the fees charged, the costs of operation, and the necessity of fee increases to reflect cost increases. Until June 1, 1989, disposal fees in the metropolitan area may not be increased except to reflect documented increases in the costs of operation of the disposal facility. The agency may suspend the operation of a disposal facility whose permittee fails to file the information required in this subdivision or files inadequate information to support fee increases based on increased costs until such time as the permittee files adequate information.*

*Subd. 3. [COMMISSION RECOMMENDATION.] The legislative commission on waste management, in cooperation with the agency, the board, the public utilities commission, other state agencies, and interested parties shall study current fee structures at disposal facilities in the state for the purpose of recommending to the legislature a regulatory program to ensure just and reasonable disposal fees. The recommendation must include identification of an appropriate entity to impose fee regulation, a structure for fee regulation, standards to be used in regulating fees, and procedures to be followed to regulate fees. The commission's recommendation must be finalized no later than December 31, 1988.*

*Subd. 4. [EFFECT ON SURCHARGES.] This section does not affect the amount of any city, county or state surcharges on disposal fees."*

"Sec. 24. [116.074] [NOTICE OF PERMIT CONDITIONS TO LOCAL GOVERNMENTS.]

*Before the agency grants a permit for a solid waste facility, allows a significant alteration of permit conditions or facility operation, or allows the change of a facility permittee, the commissioner must notify the county and town where the facility is located, contiguous counties and towns, and all home rule charter and statutory cities within the contiguous townships. If a local government unit requests a public meeting within 30 days after being notified, the agency must hold at least one public meeting in the area near the facility before granting the permit, allowing the alterations in the permit conditions or facility operation, or allowing the change of the facility permittee."*

Page 15, after line 20, insert:

"Sec. 26. [325E.042] [PROHIBITING SALE OF CERTAIN PLASTICS.]

*Subdivision 1. [PLASTIC CAN.] (a) A person may not sell, offer for sale, or give to consumers in this state a beverage packaged in a plastic can.*

*(b) A plastic can subject to this subdivision is a single serving beverage container composed of plastic and metal excluding the closure mechanism.*

*Subd. 2. [NONDEGRADABLE PLASTIC.] A person may not sell, offer for sale, or give to consumers beverages or motor oil containers held together by nondegradable plastic material.*

*Subd. 3. [PENALTY.] A person who violates subdivision 1 or 2 is guilty of a misdemeanor."*

"Sec. 29. Minnesota Statutes 1986, section 473.149, subdivision 2b, is amended to read:

*Subd. 2b. [INVENTORY OF SOLID WASTE DISPOSAL SITES.] By September 1, 1983, the council shall adopt by resolution an inventory of eligible solid waste disposal sites and buffer areas within the metropolitan area. The council's inventory shall be composed of the sites and buffer areas proposed by the counties and reviewed and approved by the council*

pursuant to section 473.803, subdivision 1a. If a county does not have an approved inventory of the required number of sites by June 1, 1983, the council shall begin investigations and public hearings in order to adopt the required inventory for the county by September 1, 1983. The council's inventory shall satisfy all requirements and standards described in section 473.803, subdivision 1a, for sites and buffer areas proposed by counties. For sites and buffer areas included in the council's inventory, the development limitation imposed under section 473.806, subdivision 1, shall extend until 90 days following the selection of sites pursuant to section 473.833, subdivision 3. *Upon the request of a county, the council may remove from the inventory property that is within the boundaries of the fill portion of a currently or previously permitted solid waste disposal facility, if the removal of the property does not reduce the size of the affected site below the 80 acre minimum area required in section 473.803, subdivision 1a.*"

"Sec. 31. Minnesota Statutes 1986, section 473.806, is amended to read:

**473.806 [INVENTORY OF DISPOSAL SITES; DEVELOPMENT LIMITATIONS.]**

**Subdivision 1. [COUNCIL APPROVAL REQUIRED.]** In order to permit the comparative evaluation of sites and the participation of affected localities in decisions about the use of sites, a metropolitan development limitation is hereby imposed as provided in this subdivision on development within the area of each site and buffer area proposed by a county pursuant to section 473.803, subdivision 1a, pending the council's adoption of an inventory pursuant to section 473.149, subdivision 2b. For sites and buffer areas included in the council's inventory, the limitation shall extend until 90 days following the selection of sites pursuant to section 473.833, subdivision 3, except that the council may at any time, with the approval of the county in which the site is located, abrogate the application of the limitation to a specific site or sites or buffer areas. No development shall be allowed to occur within the area of a site or buffer area during the period of the metropolitan development limitation without the approval of the council. No county, city, or town land use control shall permit development which has not been approved by the council, nor shall any county, city, or town sanction or approve any subdivision, permit, license, or other authorization which would allow development to occur which has not been approved by the council. The council shall not approve actions which would jeopardize the availability of a site for use as a solid waste facility. The council may establish guidelines for reviewing requests for approval under this subdivision. Requests for approval shall be submitted in writing to the chair of the council and *must include a development schedule and any information required by the council to demonstrate that the proposed development is feasible and economically viable pursuant to guidelines adopted by the council.* Requests for approval shall be deemed to be approved by the council unless the chair otherwise notifies the submitter in writing within 15 days.

**Subd. 2. [ACQUISITION OF TEMPORARY DEVELOPMENT RIGHTS.]** If pursuant to subdivision 1 the council refuses to approve development which is permitted by local development plans, land use classification, and zoning and other official controls applying to the property on February 1, 1983, the landowner may elect to have the county purchase temporary

development rights to the property for the period extending from the date when the council approved the site which affects the property for inclusion in the metropolitan inventory of sites until December 31, 1987 1992. The election must be made within 30 days of the council's decision to refuse to approve development. The council shall provide funds, from the proceeds of the bonds issued pursuant to section 473.831, for the county to purchase the temporary development rights. The landowner's compensation shall be determined by the agreement of the owner, the county, and the council. If the parties cannot agree within 60 days of the owner's election, the county shall acquire the temporary development rights through eminent domain proceedings, and the landowner's compensation shall be the fair market value of the temporary development rights. A landowner who elects under this section to have the county purchase temporary development rights to the landowner's property is entitled to prompt action by the county. If the landowner brings a successful action to compel the county to initiate eminent domain proceedings, the landowner is entitled to petition the court for reimbursement of reasonable costs and expenses, including reasonable attorney, appraisal, and engineering fees that were actually incurred in bringing the action.

Sec. 32. Minnesota Statutes 1986, section 473.840, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] (a) "Qualifying property" is a parcel of real property any part of which is located within the site or buffer area of a candidate site under section 473.153, or a site included in the metropolitan inventory adopted under section 473.149, subdivision 2b, for the purposes of environmental review under section 473.833, subdivision 2a.

(b) An "eligible owner" is a person who: (1) owns the entire parcel of qualifying property; (2) owned the entire parcel of property at the time the site was selected as a candidate site or included in the metropolitan inventory; and (3) since the site was selected or included in the inventory, has for at least six months offered to sell the entire parcel on the open market through a licensed real estate agent; and (4) has not previously entered a contract under subdivision 4 for the sale of any or all of the parcel.

Sec. 33. Minnesota Statutes 1986, section 473.840, subdivision 4, is amended to read:

Subd. 4. [CONTRACT; TERMS AND REQUIREMENTS.] The council and the county or commission shall enter a contract as provided in this subdivision with an eligible owner of qualifying property who requests the council and the county or commission to enter the contract as provided in subdivision 3. The council and the county or commission have 90 days to act on a request submitted under subdivision 3. The contract must include at least the following terms:

(a) The owner must offer to sell the entire parcel of property on the open market through a licensed real estate agent approved by the council for at least a six-month period beginning within one month after the appraised market value of the property is determined as provided in paragraph (b). The offer to sell must be made at no more than the appraised market value.

(b) The appraised market value of the property must be determined by an appraiser selected by the council. If the owner disagrees with the appraisal the owner shall select an appraiser to make a second appraisal. If a second appraisal is made, the council and the owner may agree on an appraised

market value equal to either the first or second appraisal or any amount between those appraisals. If the council and owner do not agree on an appraised market value the two appraisers shall select a third appraiser, and the appraised market value must be determined by a majority of the three appraisers. Appraisers must be selected from the approved list of real property appraisers of the state commissioner of administration. Appraisers shall take an oath that they have no interest in any of the property to be appraised or in the purchase thereof. Each party shall pay the cost of the appraiser selected by that party and shall share equally in the cost of a third appraiser selected under this paragraph. The appraised market value of the property may not be increased or decreased by reason of its selection as a candidate or inventoried site or buffer area.

(c) The county or commission must purchase the entire parcel of property at the appraised market value determined under paragraph (b) if: (1) the council determines, based upon affidavits provided by the owner and the real estate agent and other evidence the council may require, that the owner has made a good faith effort to sell the property as provided in paragraph (a) and has been unable to sell the property at the appraised market value; (2) ~~the council determines that the owner will be subject to undue hardship as a result of failure to sell;~~ (3) the county or commission determines that the owner has marketable title to the property and that the owner has cured any defects in the title within a reasonable time as specified in the contract; and ~~(4)~~ (3) the owner conveys the property by warranty deed in a form acceptable to the county or commission.

(d) The owner may not assign or transfer any rights under the contract to another person.

(e) The contract expires and the obligations of the parties under the contract cease when the property is sold or is either selected or eliminated from consideration by a final decision of the council under section 473.153, subdivision 6, or by a final decision of the county site selection authority or council under section 473.833, subdivision 3.

(f) The council and the commission or county may require other terms of contract that are consistent with the purposes of this section and necessary to protect the interests of the parties.

Sec. 34. Minnesota Statutes 1986, section 473.845, subdivision 3, is amended to read:

Subd. 3. [~~CLOSURE AND POSTCLOSURE, RESPONSE PAYMENTS EXPENDITURES FROM THE FUND.~~] Money in the fund may only be appropriated to the agency for expenditure for:

(1) reasonable and necessary expenses for closure and postclosure care of a mixed municipal solid waste disposal facility in the metropolitan area for a 20-year period after closure, if the agency determines that the operator or owner will not take the necessary actions requested by the agency for closure and postclosure in the manner and within the time requested; ~~or~~

(2) reasonable and necessary response and postclosure costs at a mixed municipal solid waste disposal facility in the metropolitan area that has been closed for 20 years in compliance with the closure and postclosure rules of the agency; *or*

(3) *reasonable and necessary response costs resulting from county actions required under section 473.833, subdivision 2a, when those actions are*

*done under the supervision of the agency.*

Sec. 35. Minnesota Statutes 1986, section 477A.012, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL AID FOR CERTAIN COUNTIES.] (a) Each county that becomes eligible to negotiate a contract with the waste management board pursuant to section 115A.191 shall be entitled to receive ~~\$4,000~~ \$6,000 per month in additional local government aids, for each full calendar month that it is eligible. If the state's liability under this clause exceeds \$40,000 in any month, the commissioner shall proportionately reduce the entitlements of each eligible county.

(b) Any county government that has executed a contract with the board pursuant to section 115A.191 shall receive an amount as provided under a schedule set forth in the contract not to exceed \$150,000 per year in additional local government aids, for a period of not more than two years following the execution of the contract. The sum of the state's obligations under this clause may not exceed \$600,000 in any fiscal year.

(c) Aid distributions under this subdivision are in addition to any distributions to which a county is entitled pursuant to subdivision 1, and must not be deducted in the computation of levy limits. When an aid payment is made pursuant to section 477A.015, the commissioner shall distribute to each eligible county the full entitlement due under clause (a) for the county's period of eligibility that was not paid in a previous distribution. ~~When an aid payment is made pursuant to section 477A.015,~~ The commissioner shall distribute ~~the amounts due under clause (b)~~ *the amounts due under clause (b)* to each county that has executed a contract ~~the full amount due under clause (b)~~ in accordance with the terms of the contract. April 14, 1988

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 2596, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 2596 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1986, section 473.141, subdivision 9, is amended to read:

Subd. 9. [PERSONNEL CODE; MERIT SYSTEM.] (a) The council shall by resolution adopt guidelines for a personnel code relating to the employees of the commissions, except that nothing in Laws 1974, Chapter 422 shall impair the rights of any commission or employee under sections 473.405 and 473.415. After adoption of the guidelines, each commission shall by resolution adopt a personnel code in general conformance therewith. The code shall include a job classification plan, procedures for employment and promotion of personnel based on merit, procedures for the demotion, suspension or discharge of employees, procedures for hearing grievances, procedures for salary administration, and such other provisions as the council deems appropriate. In addition, the code shall provide for the development by each commission of affirmative action plans, which shall be submitted for approval to the appropriate agency or office of the state. The plans shall include a yearly progress report to the agency or office as provided in section 3. The chief administrator of each commission shall administer the code, and no commission shall take any action inconsistent with the personnel code.

(b) All employees of the commission except those expressly designated for the unclassified service, shall serve in the classified service. The unclassified service shall include: members of the commission, the chief administrator of the commission, all officers of the commission, any employee of the commission who is determined by the commission to have a confidential relationship to the commission or the council; and any employee of the commission expressly exempted from the classified service by law. Each code shall also include procedures for open competitive examinations to test the relative skill or ability of all applicants for positions in the classified service. Such examinations may consist of written or oral tests of the subjective or objective type, physical tests, and practical or demonstration tests for the evaluation of past training and experience. Oral tests may be used to test the applicant's knowledge of the position applied for or personal fitness for the position. Where there is more than one applicant for a position, each code shall provide for the employment of one

of the three applicants best qualified for it.

(c) When a commission employee has been demoted, suspended or dismissed by the chief administrator, the employee may, within 30 days after such action becomes effective, file with the commission a written request for a hearing showing the position from which the employee was dismissed, the date of dismissal, and the reason for requesting the hearing, full name and present mailing address. Upon receipt of a request for a hearing the commission shall appoint three of its members to act as an appeal committee and preside at a hearing on the action of the administrator. The hearing shall be held within 30 days after the request is received by the commission, upon written notice mailed or delivered to the employee at the employee's present mailing address, not less than seven days before the hearing. The appeal committee shall approve or disapprove the action of the administrator, and in the case of approval the action of the administrator shall be final. In the case of disapproval the appeal committee may reinstate the employee under such conditions as it deems proper, and may order the payment to the employee of compensation lost as a result of the demotion, suspension or dismissal.

**Sec. 2. [473.142] [SOCIALY AND ECONOMICALLY DISADVANTAGED BUSINESSES.]**

(a) *The metropolitan council and agencies specified in section 3, subdivision 1, shall attempt to award at least nine percent of the value of all procurement, other than contracts under clause (c), to businesses owned and operated by socially or economically disadvantaged persons. For purposes of this section, "socially or economically disadvantaged person" means a person who has been deprived of the opportunity to develop and maintain a competitive position in the economy because of social or economic conditions. This disadvantage may arise from cultural, social or economic circumstances, background, or other similar cause. It includes racial minorities, women, persons with a disability as defined in section 363.01, subdivision 25, sheltered workshops, and work activity programs. To the extent practicable, the council and agencies shall attempt to meet this goal through procurement from businesses with their principal place of business in Minnesota. In furtherance of this goal, the council or an agency shall set aside a percentage of all procurements for bidding only by these businesses. The council or an agency may also award a five percent preference to these businesses in the amount bid on selected procurements.*

(b) *The council and each agency specified in section 3, subdivision 1, as a condition of awarding procurements for construction, consultant, professional, or technical service contracts in excess of \$200,000, shall attempt to assure that at least ten percent of the contract award to a prime contractor be subcontracted to a business owned and operated by a socially or economically disadvantaged person, or that at least ten percent of the contract award be expended in purchasing materials or supplies from this type of business. This paragraph does not apply if the council or agency determines that there is no business owned and operated by a socially or economically disadvantaged person able to perform the subcontract or provide the supplies, or if the prime contractor is a business owned and operated by a socially or economically disadvantaged person. Subcontracting or purchasing of supplies under this subdivision is not included in determining achievement of goals under paragraph (a) or (c).*

(c) *The council and each agency specified in section 3, subdivision 1,*

shall attempt to award at least six percent of the value of all procurements for consultant services or professional or technical services to businesses owned and operated by socially or economically disadvantaged persons.

(d) In implementing paragraphs (a) and (c), the council and each agency specified in section 3, subdivision 1, shall attempt to purchase a variety of goods and services from different businesses owned and operated by socially or economically disadvantaged persons.

(e) The council and each agency may adopt rules to implement this section.

(f) This section does not apply to procurement financed in whole or in part with federal funds if the procurement is subject to federal disadvantaged, minority or women business enterprise regulations. The council and each agency shall report annually to the legislature on compliance with this subdivision. The reports must include the information specified in section 16B.21 that pertains to purchasing from businesses owned by socially or economically disadvantaged persons.

### Sec. 3. [473.143] [AFFIRMATIVE ACTION PLANS.]

*Subdivision 1. [APPLICATION.]* For purposes of this section, "agency" means a metropolitan agency as defined in section 473.121, except the metropolitan parks and open space commission. Agency also means the metropolitan mosquito control commission. For purposes of this section, "commissioner" means the commissioner of the state department of employee relations.

*Subd. 2. [DEVELOPMENT AND CONTENTS.]* The council and each agency shall develop an affirmative action plan and submit its plan to the commissioner for approval. The commissioner may not approve a plan unless the commissioner determines that it will be effective in assuring that employment positions are equally accessible to all qualified persons, in eliminating the underutilization of qualified members of protected groups, in providing a supportive work environment to all employees, regardless of race, religion, sex, national origin, or disability, and in dealing with discrimination complaints. For purposes of this section, "protected group" has the meaning given it in section 43A.02, subdivision 33. A plan must contain at least the elements required in this subdivision.

(a) It must identify protected groups that are underrepresented in the council's or agency's work force.

(b) It must designate a person responsible for directing and implementing the affirmative action program and assign the specific responsibilities and duties of that person. The person responsible for implementing the program shall report directly to the council's or agency's chief operating officer regarding the person's affirmative action duties. The person responsible for the affirmative action program shall review examination and other selection criteria to assure compliance with law. This person shall be involved in the filling of all vacancies in the council or agency work force, to the extent necessary to facilitate attainment of affirmative action goals.

(c) It must describe the methods by which the plan will be communicated to employees and to other persons.

(d) It must describe methods for recruiting members of protected groups. These methods may include internship programs, cooperation with union apprenticeship programs, and other steps necessary to expand the number

*of protected group members in applicant pools.*

*(e) It must describe internal procedures in accordance with this paragraph for processing complaints of alleged discrimination from job applicants and employees. The procedures must provide for an initial determination of whether the complaint is properly a discrimination complaint subject to the procedure under the affirmative action plan. Complaints filed under the discrimination procedures that allege reprisals against an employee for opposing a forbidden practice or for filing a charge, testifying, or participating in an investigation, proceeding, or hearing relating to a forbidden practice are appealable to the chief operating officer of the council or agency. Procedures under this paragraph must be distinct from any procedures available under a union contract or personnel policy for nondiscrimination complaints. Use of procedures developed under this paragraph is not a prerequisite to filing charges with a governmental enforcement agency, nor does it limit a person's right to file these charges.*

*(f) It must set goals and timetables to eliminate underutilization of members of each protected group in the council or agency work force.*

*(g) It must provide a plan for retaining and promoting protected group members in the council or agency work force. This plan should encourage training opportunities for protected group members, to the extent necessary to eliminate underutilization in specific parts of the work force.*

*(h) It must describe methods of auditing, evaluating, and reporting program success, including a procedure that requires a preemployment review of all hiring decisions for occupational groups with unmet affirmative action goals.*

*(i) It must provide for training of management and supervisory personnel in implementation of the plan and in dealing with alleged acts of discrimination in the workplace.*

*(j) It must provide for periodic surveying of the council or agency work force to determine employee attitudes toward implementation of the plan.*

*(k) It must provide for creation of an employee committee to advise on implementation of the plan and on any changes needed in the plan.*

**Subd. 3. [HARASSMENT.]** *The council and each agency shall adopt written policies forbidding harassment based on sex, disability, or race in their workplaces and establishing implementation plans and grievance procedures to deal with complaints of harassment based on sex, disability, or race.*

**Subd. 4. [PERFORMANCE EVALUATION.]** *The evaluation of the performance of each supervisory and managerial employee of the council and the agencies must include evaluation of the person's performance in implementing the council's or agency's affirmative action plan and in preventing forbidden discrimination in the workplace.*

**Subd. 5. [REPORT.]** *By March 1 each year, the commissioner shall report to the legislature on affirmative action progress of the council and of each agency. The report must include:*

*(1) an audit of the record of the council and each agency to determine compliance with affirmative action goals and to evaluate overall progress in attainment of overall affirmative actions objectives;*

*(2) if the council or any agency has failed to make satisfactory progress*

toward its affirmative action goals, a list of unmet goals and an analysis of why the failure occurred;

(3) a summary of all personnel actions taken by the council and each agency during the past calendar year, categorized by occupational group, protected group status, and full-time, part-time, temporary, and seasonal status; and

(4) a summary of discrimination complaints and lawsuits against the council and each agency filed or resolved during the past calendar year, including the basis for the complaints and lawsuits.

For purposes of this subdivision, "personnel action" means a new hire, promotion, transfer, demotion, layoff, recall from layoff, suspension with or without pay, letter of reprimand, involuntary termination, other disciplinary action, and voluntary termination.

The council and each agency shall report to the commissioner all information that the commissioner requests to make the report required by this subdivision. In providing this information, the council and agencies are not required to reveal information that is not public data under chapter 13.

The council and each agency shall submit these reports at the time and in the manner requested by the commissioner. The commissioner shall report to the legislature on the failure of the council or an agency to file the required report in a timely manner.

Subd. 6. [COORDINATION.] The commissioner or a designee shall meet with affirmative action officers of the council and all of the agencies to share successful techniques and foster innovative means to implement affirmative action plans and eliminate discrimination in the workplace.

Subd. 7. [COORDINATION WITH LEGISLATURE.] The council and each agency shall facilitate legislative oversight of equal opportunity practices by providing the legislature access, including access to computerized records if compatible systems exist, to public data maintained by the agency. The council and agencies must not provide access to information that is not public data as defined in section 13.02, subdivision 8a.

Sec. 4. [473.144] [CERTIFICATES OF COMPLIANCE FOR CONTRACTS.]

Neither the council nor an agency listed in section 3, subdivision 1, may accept any bid or proposal for a contract or execute a contract for goods or services in excess of \$50,000 with any business having more than 20 full-time employees in Minnesota at any time during the previous 12 months, unless the business has an affirmative action plan for the employment of minority persons, women, and the disabled that has been approved by the commissioner of human rights. Receipt of a certificate of compliance from the commissioner of human rights signifies that a business has an approved affirmative action plan. A certificate is valid for two years. Section 363.073 governs revocation of certificates. The rules adopted by the commissioner of human rights under section 363.074 apply to this section.

Sec. 5. Minnesota Statutes 1986, section 473.406, subdivision 2, is amended to read:

Subd. 2. [SET-ASIDES.] The metropolitan transit commission may, on a fiscal year basis, designate and set aside for awarding to shall comply

*with the requirements of section 2 relating to procurement from business entities controlled by socially or economically disadvantaged persons or handicapped persons, or for awarding to business entities which guarantee the use of subcontractors controlled by socially or economically disadvantaged persons or handicapped persons, approximately five percent of the value of its anticipated total procurement of goods and services, including construction.* The failure of the commission to set aside particular procurements shall not be deemed to prohibit or discourage business entities controlled by socially or economically disadvantaged persons or handicapped persons from seeking the procurement award through the normal solicitation and bidding processes.

Sec. 6. Minnesota Statutes 1986, section 473.406, subdivision 5, is amended to read:

Subd. 5. [RECURSE TO OTHER BUSINESSES.] If this section ~~does~~ and section 2 do not operate to extend a contract award to a business entity controlled by socially or economically disadvantaged persons ~~or handicapped persons~~, the award shall be placed pursuant to the normal solicitation and award procedures set forth in section 471.345.

Sec. 7. Minnesota Statutes 1986, section 473.406, subdivision 6, is amended to read:

Subd. 6. April 14, 1988

The Honorable Robert Vanasek

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 257, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 257 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1987 Supplement, section 43A.24, subdivision 2, is amended to read:

Subd. 2. [OTHER ELIGIBLE PERSONS.] The following persons are eligible for state paid life insurance and hospital, medical, and dental benefits as determined in applicable collective bargaining agreements or by the commissioner or by plans pursuant to section 43A.18, subdivision 6, or by the board of regents for employees of the University of Minnesota not covered by collective bargaining agreements. Coverages made available, including optional coverages, are as contained in the plan established pursuant to section 43A.18, subdivision 2.

(a) a member of the state legislature, provided that changes in benefits resulting in increased costs to the state shall not be effective until expiration of the term of the members of the existing house of representatives. An eligible member of the state legislature may decline to be enrolled for state paid coverages by filing a written waiver with the commissioner. The waiver shall not prohibit the member from enrolling the member or dependents for optional coverages, without cost to the state, as provided for in section 43A.26. A member of the state legislature who returns from a leave of absence to a position previously occupied in the civil service shall be eligible to receive the life insurance and hospital, medical, and dental benefits to which the position is entitled;

(b) a permanent employee of the legislature or a permanent employee of a permanent study or interim committee or commission or a state employee on leave of absence to work for the legislature, during a regular or special legislative session;

(c) a judge of the appellate courts or an officer or employee of these courts; a judge of the district court, a judge of county court, a judge of county municipal court, or a judge of probate court; a district administrator; and an employee of the office of the district administrator of the fifth or the eighth judicial districts;

(d) a salaried employee of the public employees retirement association;

(e) a full-time military or civilian officer or employee in the unclassified service of the department of military affairs whose salary is paid from state

funds;

(f) a salaried employee of the Minnesota historical society, whether paid from state funds or otherwise, who is not a member of the governing board;

(g) an employee of the regents of the University of Minnesota; and

(h) notwithstanding section 43A.27, subdivision 3, an employee of the state of Minnesota or the regents of the University of Minnesota who is at least 60 and not yet 65 years of age on July 1, 1982, who is otherwise eligible for employee and dependent insurance and benefits pursuant to section 43A.18 or other law, who has at least 20 years of service and retires, earlier than required, within 60 days of March 23, 1982; or an employee who is at least 60 and not yet 65 years of age on July 1, 1982, who has at least 20 years of state service and retires, earlier than required, from employment at Rochester state hospital after July 1, 1981; or an employee who is at least 55 and not yet 65 years of age on July 1, 1982, and is covered by the Minnesota state retirement system correctional employee retirement plan or the state patrol retirement fund, who has at least 20 years of state service and retires, earlier than required, within 60 days of March 23, 1982. For purposes of this clause, a person retires when the person terminates active employment in state or University of Minnesota service and applies for a retirement annuity. Eligibility shall cease when the retired employee attains the age of 65, or when the employee chooses not to receive the annuity that the employee has applied for. The retired employee shall be eligible for coverages to which the employee was entitled at the time of retirement, subject to any changes in coverage through collective bargaining or plans established pursuant to section 43A.18, for employees in positions equivalent to that from which retired, provided that the retired employee shall not be eligible for state-paid life insurance. Coverages shall be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program; and

*(i) An employee of an agency of the state of Minnesota identified through the process provided in this paragraph who is eligible to retire prior to age 65. The commissioner and the exclusive representative of state employees shall enter into agreements under section 179A.22 to identify employees whose positions are in programs that are being permanently eliminated or reduced due to federal or state policies or practices. Failure to reach agreement identifying these employees is not subject to impasse procedures provided in chapter 179A. The commissioner must prepare a plan identifying eligible employees not covered by a collective bargaining agreement in accordance with the process outlined in section 43A.18, subdivisions 2 and 3. For purposes of this paragraph, a person retires when the person terminates active employment in state service and applies for a retirement annuity. Eligibility ends as provided in the agreement or plan, but must cease at the end of the month in which the retired employee chooses not to receive an annuity, or the employee is eligible for employer-paid health insurance from a new employer. The retired employees shall be eligible for coverages to which they were entitled at the time of retirement, subject to any changes in coverage through collective bargaining or plans established under section 43A.18 for employees in positions equivalent to that from which they retired, provided that the retired employees shall not be eligible for state-paid life insurance.*

Subd. 8. [CONTINUATION OF COVERAGE.] (a) A participating employee who is laid off or is on unrequested leave may elect to continue the plan coverage. This coverage is at the expense of the employee unless otherwise provided by a collective bargaining agreement. Premiums for these employees shall be established by the commissioner. Coverage continues until one of the following occurs:

(1) the employee is reemployed and eligible for health care coverage under a group policy; or

(2) the insurance continuation periods required by state and federal laws expire.

(b) A participating employee who retires and is receiving an annuity or is eligible for and has applied for an annuity under chapter 352, 352B, 352C, 352D, 353, 354, 354A, 356, 422A, 423, 423A, 424, or 490 is eligible to continue participation in the plan. ~~Any employer's contribution must cease when the retiree reaches age 65.~~ These employees, and employees who have already retired prior to the group from which they retired entering the plan, are eligible to participate as long as their group continues to participate. This participation is at the retiree's expense unless a collective bargaining agreement or *personnel policy* provides otherwise. An employer shall notify an employee of this option no later than the effective date of retirement. The retired employee shall notify the employer within 30 days of the effective date of retirement of intent to exercise this option.

The spouse of a deceased retired employee may purchase the benefits provided at premiums established by the commissioner if the deceased retired employee received an annuity under chapter 352, 353, 354, 354A, 356, 422A, 423, 423A, or 424 and if the spouse was a dependent under the retired employee's coverage under this section at the time of the death of the retired employee. Coverage under this clause shall be coordinated with relevant insurance benefits provided through the federally sponsored Medicare program.

(c) The plan benefits shall continue in the event of strike permitted by section 179A.18, if the exclusive representative chooses to have coverage continue and the employee pays the total monthly premiums when due.

(d) A person who desires to participate under paragraphs (a) to (c) shall notify the eligible employer or former employer of intent to participate according to rules established by the commissioner. The eligible employer shall notify the commissioner, and coverage shall begin as soon as the commissioner permits.

Persons participating under these paragraphs shall make appropriate premium payments in the time and manner established by the commissioner.

The school board of any independent school district may expend funds to pay premiums on hospitalization and major medical insurance coverage for officers and employees who retire prior to age 65 ~~and who are between the ages of 55 and 65. Such premiums shall only be paid until such retired officers and employees reach age 65.~~

Sec. 4. Minnesota Statutes 1986, section 179A.03, subdivision 19, is

amended to read:

Subd. 19. [TERMS AND CONDITIONS OF EMPLOYMENT.] "Terms and conditions of employment" means the hours of employment, the compensation therefor including fringe benefits except retirement contributions or benefits *other than employer payment of, or contributions to, premiums for group insurance coverage of retired employees or severance pay*, and the employer's personnel policies affecting the working conditions of the employees. In the case of professional employees the term does not mean educational policies of a school district. "Terms and conditions of employment" is subject to section 179A.07.

Subd. 2. [MEET AND NEGOTIATE.] (a) A public employer has an obligation to meet and negotiate in good faith with the exclusive representative of public employees in an appropriate unit regarding grievance procedures and the terms and conditions of employment, but this obligation does not compel the public employer or its representative to agree to a proposal or require the making of a concession.

The public employer's duty under this subdivision exists notwithstanding contrary provisions in a municipal charter, ordinance, or resolution. A provision of a municipal charter, ordinance, or resolution which limits or restricts a public employer from negotiating or from entering into binding contracts with exclusive representatives is superseded by this subdivision.

(b) *In addition, a public employer may, but does not have an obligation to, meet and negotiate in good faith with the exclusive representative of public employees in an appropriate unit regarding an employer contribution to the state of Minnesota deferred compensation plan authorized by section 356.24, paragraph (a), clause (4), within the limits set by section 356.24, paragraph (a), clause (4).*

A policy may not extend beyond the termination of the contract of longest duration covering other employees of the employer or, if none, the termination of the budgetary cycle during which the policy is adopted.*

Sec. 8. Minnesota Statutes 1987 Supplement, section 352.96, subdivision 2, is amended to read:

- (3) life insurance contracts, fixed annuity and variable annuity contracts from companies that are subject to regulation by the commissioner of commerce; or
- (4) a combination of (1), (2), or (3), as specified by the participant.

The shares accounts or contracts purchased shall stand in the name of the state or other employing unit, for the officer or employee whose deferred compensation purchased the shares, until distributed to the officer or employee in a manner agreed upon by the employee and the executive director of the Minnesota state retirement system, acting for the employer. This subdivision does not authorize an employer contribution, *except as authorized in section 356.24, paragraph (a), clause (4)*. If additional employees are added to an existing group pursuant to a joint powers agreement under section 471.59, new bids and award are not required.

When an insurer proposes an increase in rates, it shall accompany its proposal with an aggregate claims record for the appropriate period that explains the proposed increase. When a contract is resubmitted for bids the aggregate claims record shall accompany the specifications for the contract. Cost comparisons are not required between insured and self-insurance alternatives, but apply to comparisons between two or more insured proposals or comparisons between two or more self-insurance proposals.

Money from the examination account must be used to pay per diem salaries and expenses of special examiners, including meals, lodging, laundry, transportation, and mileage. In an effort to achieve the stated purposes of sections 62D.01 to 62D.29; in order to safeguard the underlying nonprofit status of health maintenance organizations; and to ensure that the payment of health maintenance organization money to major participating entities results in a corresponding benefit to the health maintenance organization and its enrollees, when determining whether an organization has incurred an unreasonable expense in relation to a major participating entity, due consideration shall be given to, in addition to any other appropriate factors, whether the officers and trustees of the health maintenance organization have acted with good faith and in the best interests of the health maintenance organization in entering into, and performing under, a contract under which the health maintenance organization has incurred an expense. *The commissioner has standing to sue, on behalf of a health maintenance organization, officers or trustees of the health maintenance organization who have breached their fiduciary duty in entering into and performing such contracts.*

The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, *including the power to implement a provider payment schedule.*

This subdivision is effective until August 1, 1989 1990.

*The commissioner of commerce in consultation with the governor's commission on health plan regulatory reform shall study and report to the legislature by January 15, 1989, on the current means utilized to finance the annual operating deficits incurred under the association. In conducting the study, the commissioner shall analyze any negative financial impacts which the current deficits are having on the contributing members of the association and recommend alternative sources of funding or other approaches which could be utilized to finance the operating deficit. Sec. 30. Laws 1988, chapter 434, section 14, is amended to read:

Sec. 14. [62D.122] [MEDIATION.]

When current parties to a health maintenance organization contract between providers of health care services and the health maintenance organization believe they will be unable to reach agreement on the terms of renewal or maintenance of the agreement, either party may request the commissioner of health to order that the dispute be submitted to mediation. The parties to the dispute shall enter mediation upon the order of the commissioner of health. Whether or not a request for mediation from one of the parties has been received, the commissioner shall order mediation if failure to reach agreement would significantly impair access to health care services on the part of current enrollees of that health maintenance organization. *The commissioner shall be a participant in the mediation.* In determining whether access to health care services for current enrollees will be significantly impaired, the commissioner shall consider:

(1) the number of enrollees affected,

(2) the ability of the plan to make alternate arrangements with other participating providers for the provision of health care services to the affected enrollees,

(3) the availability of nonparticipating providers who may become participating providers for those with whom the health maintenance organization is in dispute,

(4) the time remaining until termination of the provider contract, and

(5) whether failure to resolve the dispute may establish a precedent for similar disputes in other parts of the state or might impede competition among health plans.

During the period in which the dispute is in mediation, no action to terminate provider or enrollee contracts may be taken by either party. Participation in mediation shall be required of all parties for a period of not more than 30 days. Notice of termination of provider agreements, as required under section 5, shall take effect no earlier than 31 days after the first day of mediation under this section.

When mediation is ordered by the commissioner, arrangements for mediation shall be made through either the office of dispute resolution in the state planning agency, or the office of administrative hearings.

Costs of the mediation shall be borne equally by the health maintenance organization and the health care providers unless otherwise agreed to by the parties. The office of administrative hearings shall establish rates for mediation services comparable to those charged by mediators listed with the office of dispute resolution.

The mediator shall not have authority to impose a settlement or otherwise bind a participant to a nonvoluntary resolution of the dispute; however, any agreement reached as a result of the mediation shall be enforceable.

Except as otherwise provided under chapter 13 and sections 62D.03 and 62D.14, the commissioner shall make public the results of any mediation agreement.

Sec. 31. Laws 1988, chapter 434, section 21, is amended to read:

[SUBMITTING RECOMMENDED RATES.] The county board shall submit recommended payment rates to the commissioner on forms supplied by the commissioner by ~~November 1, 1987~~, and at least 60 days before revised payment rates or payment rates for new vendors are to be effective. The forms must require the county board's written verification of the individual documentation required under section 252.44, clause (a). If the number of days of service provided by a licensed vendor are projected to increase, the county board must recommend payment rates based on the projected increased days of attendance and resulting lower per unit fixed costs. *Recommended increases in payment rates for vendors whose approved payment rates are ten or more than ten percent below the statewide median payment rates must be equal to the maximum increases allowed for that vendor under subdivision 3.* If a vendor provides services at more than one licensed site, the county board may recommend the same payment rates for each site based on the average rate for all sites. The county board may also recommend differing payment rates for each licensed site if it would result in a total annual payment to the vendor that is equal to or less than the total annual payment that would result if the average rates had been used for all sites. For purposes of this subdivision, the average payment rate for all service sites used by a vendor must be computed by adding the amounts that result when the payment rates for each licensed site are multiplied by the projected annual number of service units to be provided at that site and dividing the sum of those amounts by the total units of service to be provided by the vendor at all sites.

Sec. 115. Minnesota Statutes 1987 Supplement, section 252.46, subdivision 6, is amended to read:

Subd. 6. [VARIANCES.] A variance from the minimum or maximum payment rates in subdivisions 2 and 3 may be granted by the commissioner when the vendor requests and the county board submits to the commissioner a written variance request with the recommended payment rates. *A variance*

may be utilized for costs associated with compliance with state administrative rules, compliance with court orders, increased insurance costs, start-up and conversion costs for supported employment, direct service staff salaries, and transportation. The county board shall review all vendors' payment rates that are ~~20 ten or more than ten~~ percent lower than the ~~average rates for the regional development commission district to which the county belongs statewide median~~ payment rates. If the county determines that the payment rates do not provide sufficient revenue to the vendor for authorized service delivery the county must recommend a variance under this section. ~~This review must occur prior to November 1, 1987.~~ When the county board contracts for increased services from any vendor for some or all individuals receiving services from the vendor, the county board shall review the vendor's payment rates to determine whether the increase requires that a variance to the minimum rates be recommended under this section to reflect the vendor's lower per unit fixed costs. The written variance request must include documentation that all the following criteria have been met:

(1) The commissioner and the county board have both conducted a review and have identified a need for a change in the payment rates ~~to change the number of direct service staff or the level of qualifications of the staff.~~

(2) The proposed changes are required for the vendor to deliver authorized individual services in an effective and efficient manner.

(3) The proposed changes ~~are necessary to demonstrate compliance with minimum licensing standards governing minimum staffing ratios and staff qualifications.~~

(4) The vendor documents that the ~~change in staff numbers or qualifications changes~~ cannot be achieved by reallocating current staff or by reallocating financial resources ~~to provide or purchase the necessary services.~~

(5) The county board submits evidence that the need for additional staff cannot be met by using temporary special needs rate exceptions under Minnesota Rules, parts 9510.1020 to 9510.1140.

(6) The county board submits a description of the nature and cost of the proposed changes, ~~and how the county will monitor the use of money by the vendor to make necessary changes in services. Allowable costs are limited to salaries, related fringe benefits, and payroll taxes.~~

(7) The county board's recommended payment rates do not exceed 125 percent of the ~~average current calendar year's statewide median~~ payment rates ~~in the regional development commission district in which the vendor is located.~~

Sec. 116. Minnesota Statutes 1987 Supplement, section 252.46, is amended by adding a subdivision to read:

*Subd. 13. [REVIEW AND REVISION OF PROCEDURES FOR RATE EXCEPTIONS FOR VERY DEPENDENT PERSONS WITH SPECIAL NEEDS.] The commissioner shall review the procedures established in Minnesota Rules, parts 9510.1020 to 9510.1140, that counties must follow to seek authorization for a medical assistance rate exception for services for very dependent persons with special needs. The commissioner shall appoint an advisory task force to work with the commissioner. Members of the task force must include vendors, providers, advocates, and consumers. After considering the recommendations of the advisory task force and*

county rate setting procedures developed under this section, the commissioner shall:

- (1) revise administrative procedures as necessary;
- (2) implement new review procedures for county applications for medical assistance rate exceptions for services for very dependent persons with special needs in a manner that accounts for services available to the person within the approved payment rates of the vendor;
- (3) provide training and technical assistance to vendors, providers, and counties in use of procedures governing medical assistance rate exceptions for very dependent persons with special needs and in county rate setting procedures established under this subdivision; and
- (4) develop a strategy and implementation plan for uniform data collection for use in establishing equitable payment rates and medical assistance rate exceptions for services provided by vendors.

Sec. 117. Minnesota Statutes 1987 Supplement, section 252.46, is amended by adding a subdivision to read:

*Subd. 14. [PILOT STUDY.] The commissioner may initiate a pilot payment rate system under section 252.47. The pilot project may establish training and demonstration sites. The pilot payment rate system must include actual transfers of funds, not simulated transfers. The pilot payment rate system may involve up to four counties and four vendors representing different geographic regions and rates of reimbursement. Participation in the pilot project is voluntary. Selection of participants by the commissioner is based on the vendor's submission of a complete application form provided by the commissioner. The application must include letters of agreement from the host county, counties of financial responsibility, and residential service providers. Evaluation of the pilot project must include consideration of the effectiveness of procedures governing establishment of equitable payment rates. Implementation of the pilot payment rate system is contingent upon federal approval and systems feasibility. The policies and procedures governing administration, participation, evaluation, service utilization, and payment for services under the pilot payment rate system are not subject to the rulemaking requirements of chapter 14.*

Sec. 118. Minnesota Statutes 1987 Supplement, section 253B.03, subdivision 6, is amended to read:

*Subd. 6. [CONSENT FOR MEDICAL PROCEDURE.] A patient has the right to prior consent to any medical or surgical treatment, other than the treatment of mental illness or chemical dependency. A patient with mental retardation or the patient's guardian or conservator has the right to give or withhold consent before:*

- (1) the implementation of any aversive or deprivation procedure except for emergency procedures permitted in rules of the commissioner adopted under section 245.825; or
- (2) the administration of psychotropic medication.

The following procedures shall be used to obtain consent for any treatment necessary to preserve the life or health of any committed patient:

- (a) The written, informed consent of a competent adult patient for the treatment is sufficient.

(b) If the patient is subject to guardianship or conservatorship which includes the provision of medical care, the *written, informed* consent of the guardian or conservator for the treatment is sufficient.

(c) If the head of the treatment facility determines that the patient is not competent to consent to the treatment and the patient has not been adjudicated incompetent, *written, informed* consent for the surgery or medical treatment shall be obtained from the nearest proper relative. For this purpose, the following persons are proper relatives, in the order listed: the patient's spouse, parent, adult child, or adult sibling. If the nearest proper relatives cannot be located or refuse to consent to the procedure, the head of the treatment facility or an interested person may petition the committing court for approval for the treatment or may petition an appropriate court of competent jurisdiction for the appointment of a guardian or conservator. The determination that the patient is not competent, and the reasons for the determination, shall be documented in the patient's clinical record.

(d) Consent to treatment of any minor patient shall be secured in accordance with sections 144.341 to 144.346, except that a minor 16 years of age or older may give valid consent for hospitalization, routine diagnostic evaluation, and emergency or short-term acute care.

(e) In the case of an emergency and when the persons ordinarily qualified to give consent cannot be located, the head of the treatment facility may give consent.

No person who consents to treatment pursuant to the provisions of this subdivision shall be civilly or criminally liable for the performance or the manner of performing the treatment. No person shall be liable for performing treatment without consent if *written, informed* consent was given pursuant to this subdivision. This provision shall not affect any other liability which may result from the manner in which the treatment is performed.

*Subd. 6a. [ADMINISTRATION OF NEUROLEPTIC MEDICATIONS.]*

(a) *Neuroleptic medications may be administered to persons committed as mentally ill or mentally ill and dangerous only as described in this subdivision.*

(b) *A neuroleptic medication may be administered to a patient who is competent to consent to neuroleptic medications only if the patient has given written, informed consent to administration of the neuroleptic medication.*

(c) *A neuroleptic medication may be administered to a patient who is not competent to consent to neuroleptic medications only if a court approves the administration of the neuroleptic medication or:*

*(1) the patient does not object to or refuse the medication;*

*(2) a guardian ad litem appointed by the court with authority to consent to neuroleptic medications gives written, informed consent to the administration of the neuroleptic medication; and*

*(3) a multidisciplinary treatment review panel composed of persons who are not engaged in providing direct care to the patient gives written approval to administration of the neuroleptic medication.*

*(d) A person who consents to treatment pursuant to this subdivision is not civilly or criminally liable for the performance of or the manner of*

*performing the treatment. A person is not liable for performing treatment without consent if written, informed consent was given pursuant to this subdivision. This provision does not affect any other liability that may result from the manner in which the treatment is performed.*

Sec. 120. Minnesota Statutes 1986, section 253B.17, subdivision 1, is amended to read:

Subdivision 1. [PETITION.] Any patient, except one committed as mentally ill and dangerous to the public, or any interested person may petition the committing court or the court to which venue has been transferred for an order that the patient is not in need of continued institutionalization or for an order that an individual is no longer mentally ill, mentally retarded, or chemically dependent, or for any other relief as the court deems just and equitable. *A patient committed as mentally ill or mentally ill and dangerous may petition the committing court or the court to which venue has been transferred for a hearing concerning the administration of neuroleptic medication. Sec. 121. Minnesota Statutes 1987 Supplement, section 256.01, subdivision 4, is amended to read:

Subd. 4. [DUTIES AS STATE AGENCY.] The state agency shall:

(1) supervise the administration of assistance to dependent children under Laws 1937, chapter 438, by the county agencies in an integrated program with other service for dependent children maintained under the direction of the state agency;

(2) may subpoena witnesses and administer oaths, make rules, and take such action as may be necessary, or desirable for carrying out the provisions of Laws 1937, chapter 438. All rules made by the state agency shall be binding on the counties and shall be complied with by the respective county agencies;

(3) establish adequate standards for personnel employed by the counties and the state agency in the administration of Laws 1937, chapter 438, and make the necessary rules to maintain such standards;

(4) prescribe the form of and print and supply to the county agencies blanks for applications, reports, affidavits, and such other forms as it may deem necessary and advisable;

(5) cooperate with the federal government and its public welfare agencies in any reasonable manner as may be necessary to qualify for federal aid for aid to dependent children and in conformity with the provisions of Laws 1937, chapter 438, including the making of such reports and such forms and containing such information as the Federal Social Security Board may from time to time require, and comply with such provisions as such board may from time to time find necessary to assure the correctness and verification of such reports; ~~and~~

(6) may cooperate with other state agencies in establishing reciprocal agreements in instances where a child receiving aid to dependent children moves or contemplates moving into or out of the state, in order that such child may continue to receive supervised aid from the state moved from until the child shall have resided for one year in the state moved to; ~~and~~

(7) on or before October 1 in each even-numbered year make a biennial

report to the governor concerning the activities of the agency; and

(8) design, develop, and administer an intake, referral, and inventory system that provides localized, single-point intake with a direct access to a statewide data base to match client needs with employment opportunities and public and private services. The system must include information on all available public and private programs for employment and training services and income maintenance and support services as defined in section 268.0111. The state agency shall cooperate with the department of jobs and training, counties and other local service units, service providers, and clients in the development and operation of the system. The system is not subject to sections 16B.40 to 16B.45;

(9) enter into agreements with other departments of the state as necessary to meet all requirements of the federal government.

Sec. 122. Minnesota Statutes 1987 Supplement, section 256.015, subdivision 2, is amended to read:

Subd. 2. [PERFECTION; ENFORCEMENT.] The state agency may perfect and enforce its lien under sections 514.69, 514.70, and 514.71, and must file the verified lien statement with the appropriate court administrator in the county of financial responsibility. The verified lien statement must contain the following: the name and address of the person to whom medical care, subsistence, or other payment was furnished; the date of injury; the name and address of vendors furnishing medical care; the dates of the service or payment; the amount claimed to be due for the care or payment; and to the best of the state agency's knowledge, the names and addresses of all persons, firms, or corporations claimed to be liable for damages arising from the injuries.

This section does not affect the priority of any attorney's lien. The state agency is not subject to any limitations period referred to in section 514.69 or 514.71 and has one year from the date notice is received by it under subdivision 4, paragraph (c), or one year from the date medical bills are first paid by the state agency, whichever is later, to file its verified lien statement. The state agency may commence an action to enforce the lien within one year of (1) the date the notice required by subdivision 4, paragraph (c), is received, or (2) the date the person's cause of action is concluded by judgment, award, settlement, or otherwise, whichever is later.

Sec. 123. [256.016] [PLAIN LANGUAGE IN WRITTEN MATERIALS.]

(a) *To the extent reasonable and consistent with the goals of providing easily understandable and readable materials and complying with federal and state laws governing the programs, all written materials relating to services and determinations of eligibility for or amounts of benefits that will be given to applicants for or recipients of assistance under a program administered or supervised by the commissioner of human services must be understandable to a person who reads at the seventh-grade level, using the Flesch scale analysis readability score as determined under section 72C.09.*

(b) *All written materials relating to determinations of eligibility for or amounts of benefits that will be given to applicants for or recipients of assistance under programs administered or supervised by the commissioner of human services must be developed to satisfy the plain language requirements of the plain language contract act under sections 325G.29 to 325G.36.*

*Materials may be submitted to the attorney general for review and certification. Notwithstanding section 325G.35, subdivision 1, the attorney general shall review submitted materials to determine whether they comply with the requirements of section 325G.31. The remedies available pursuant to sections 8.31 and 325G.33 to 325G.36 do not apply to these materials. Failure to comply with this section does not provide a basis for suspending the implementation or operation of other laws governing programs administered by the commissioner.*

*(c) The requirements of this section apply to all materials modified or developed by the commissioner on or after July 1, 1988. The requirements of this section do not apply to materials that must be submitted to a federal agency for approval, to the extent that application of the requirements prevents federal approval.*

*(d) Nothing in this section may be construed to prohibit a lawsuit brought to require the commissioner to comply with this section or to affect individual appeal rights granted pursuant to section 256.045.*

*(e) The commissioner shall report annually to the chairs of the health and human services divisions of the senate finance committee and the house of representatives appropriations committee on the number and outcome of cases that raise the issue of the commissioner's compliance with this section.*

Sec. 124. Minnesota Statutes 1986, section 256.73, subdivision 2, is amended to read:

Subd. 2. [ALLOWANCE BARRED BY OWNERSHIP OF PROPERTY.] Ownership by an assistance unit of property as follows is a bar to any allowance under sections 256.72 to 256.87:

(1) The value of real property other than the homestead, which when combined with other assets exceeds the limits of paragraph (2), unless the assistance unit is making a good faith effort to sell the nonexcludable real property. The time period for disposal must not exceed nine months and the assistance unit shall execute an agreement to dispose of the property to repay assistance received during the nine months up to the amount of the net sale proceeds. The payment must be made when the property is sold. If the property is not sold within the required time or the assistance unit becomes ineligible for any reason the entire amount received during the nine months is an overpayment and subject to recovery. For the purposes of this section "homestead" means the ~~house~~ home owned and occupied by the child, relative or other member of the assistance unit as a dwelling place, together with the ~~land upon which it is situated in an area no greater than two contiguous lots in a platted or laid out city or town or all contiguous acres in rural areas surrounding property which is not separated from the home by intervening property owned by others. Public rights-of-way, such as roads which run through the surrounding property and separate it from the home, will not affect the exemption of the property;~~ or

(2) Personal property of an equity value in excess of \$1,000 for the entire assistance unit, exclusive of personal property used as the home, one motor vehicle of an equity value not exceeding \$1,500 ~~or the entire equity value of a motor vehicle determined to be necessary for the operation of a self-employment business~~, one burial plot for each member of the assistance unit, one prepaid burial contract with an equity value of no more than \$1,000 for each member of the assistance unit, clothing and necessary

household furniture and equipment and other basic maintenance items essential for daily living, in accordance with rules promulgated by and standards established by the commissioner of human services.

Sec. 125. Minnesota Statutes 1986, section 256.73, subdivision 6, is amended to read:

Subd. 6. [REPORTS BY RECIPIENT.] (a) An assistance unit with a recent work history or with earned income shall report monthly to the local agency on income received and other circumstances affecting eligibility or assistance amounts. All other assistance units shall report on income and other circumstances affecting eligibility and assistance amounts at less frequent intervals, as specified by the state agency. All income not specifically disregarded by the Social Security Act, the Code of Federal Regulations, or state law and rules, shall be income applicable to the budgetary needs of the family. If any amount of aid to families with dependent children assistance is paid to a recipient thereof in excess of the payment due it shall be recoverable by the local agency. The agency shall give written notice to the recipient of its intention to recover the overpayment. Overpayments to a current assistance unit shall be recovered either through repayment by the individual in part or in full or by reducing the amount of aid payable to the assistance unit of which the individual is a member. For any month in which an overpayment must be recovered, recoupment may be made by reducing the grant but only if the reduced assistance payment, together with the assistance unit's liquid assets and total income after deducting actual work expenses equals at least 95 percent of the standard of need for the assistance unit, except that if the overpayment is due solely to agency error, this total after deducting actual work expenses shall equal at least 99 percent of the standard of need. In cases when there is both an overpayment and underpayment the local agency shall offset one against the other in correcting the payment. The local agency shall make reasonable efforts to recover overpayments made to persons no longer on assistance in accordance with standards established by the commissioner of human services. The local agency need not attempt to recover overpayments of less than \$35 paid to an individual no longer on assistance if the individual does not receive assistance again within three years, unless the individual has been convicted of fraud under section 256.98. The recipient may appeal the agency's determination that an overpayment has occurred in accordance with section 256.045. The county agency shall promptly repay the recipient for any underpayment and shall disregard that payment when determining the assistance unit's income and resources in the month when the payment is made and the following month.

(b) An assistance unit required to submit a report on the form designated by the commissioner is considered to have continued its application for assistance effective the date the required report is received by the local agency, if a complete report is received within a calendar month after the month in which assistance was received, except that no assistance shall be paid for the period beginning with the end of the month in which the report was due and ending with the date the report was received by the local agency.

Sec. 126. Minnesota Statutes 1986, section 256.73, is amended by adding a subdivision to read:

Subd. 8. [RECOVERY OF OVERPAYMENTS.] (a) If an amount of aid to families with dependent children assistance is paid to a recipient in

*excess of the payment due, it shall be recoverable by the local agency. The agency shall give written notice to the recipient of its intention to recover the overpayment.*

*(b) When an overpayment occurs, the local agency shall recover the overpayment from a current recipient by reducing the amount of aid payable to the assistance unit of which the recipient is a member for one or more monthly assistance payments until the overpayment is repaid. For any month in which an overpayment must be recovered, recoupment may be made by reducing the grant but only if the reduced assistance payment, together with the assistance unit's total income after deducting work expenses as allowed under section 256.74, subdivision 1, clauses (3) and (4), equals at least 95 percent of the standard of need for the assistance unit, except that if the overpayment is due solely to agency error, this total after deducting allowable work expenses must equal at least 99 percent of the standard of need. Notwithstanding the preceding sentence, beginning on the date on which the commissioner implements a computerized client eligibility and information system in one or more counties, all local agencies in the state shall reduce the assistance payment by three percent of the assistance unit's standard of need or the amount of the monthly payment, whichever is less, for all overpayments whether or not the overpayment is due solely to agency error. In cases when there is both an overpayment and underpayment, the local agency shall offset one against the other in correcting the payment.*

*(c) Overpayments may also be voluntarily repaid, in part or in full, by the individual, in addition to the above aid reductions, until the total amount of the overpayment is repaid.*

*(d) The local agency shall make reasonable efforts to recover overpayments to persons no longer on assistance in accordance with standards adopted in rule by the commissioner of human services. The local agency need not attempt to recover overpayments of less than \$35 paid to an individual no longer on assistance if the individual does not receive assistance again within three years, unless the individual has been convicted of fraud under section 256.98.*

Sec. 127. Minnesota Statutes 1986, section 256.73, is amended by adding a subdivision to read:

*Subd. 9. [APPEAL OF OVERPAYMENT DETERMINATIONS.] The recipient may appeal the agency's determination that an overpayment has occurred in accordance with section 256.045.*

Sec. 128. Minnesota Statutes 1986, section 256.73, is amended by adding a subdivision to read:

*Subd. 10. [UNDERPAYMENTS.] The local agency shall promptly repay the recipient for any underpayment. The local agency shall disregard that payment when determining the assistance unit's income and resources in the month when the payment is made and the following month.*

Sec. 129. Minnesota Statutes 1986, section 256.73, is amended by adding a subdivision to read:

*Subd. 11. [COMPLIANCE WITH FEDERAL LAW AND REGULATION.] None of the provisions in this section shall be implemented to the extent that they violate federal law or regulation.*

Sec. 130. Minnesota Statutes 1987 Supplement, section 256.736, subdivision 1b, is amended to read:

Subd. 1b. [WORK INCENTIVE SUBSIDIZED HOUSING PROGRAM.] Within the limit of available appropriations, employed recipients of aid to families with dependent children who meet eligibility requirements established by the commissioner of human services are eligible for a state housing subsidy as an incentive to seek and retain employment. The commissioner of human services shall adopt rules for the work incentive subsidized housing program using eligibility criteria, subsidy amounts, and an administrative system developed jointly by the commissioner of human services and the commissioner of jobs and training. *Unless superseded by permanent rules, emergency rules adopted to implement this section remain in effect until July 1, 1989.* The rules must:

- (1) target recipients who are or are likely to become long-term recipients or who experience substantial barriers to employment;
- (2) establish a fixed or sliding scale subsidy amount that will create a significant work incentive yet enable the program to serve the greatest possible number of recipients;
- (3) limit the subsidy to persons who become employed while receiving assistance; and
- (4) provide for continued subsidy payments for up to one year after termination of assistance to ease the transition from assistance to self-sufficiency.

The program must be coordinated with existing work and training programs and must be designed to maximize savings in the aid to families with dependent children program. The subsidy must be provided as in-kind assistance, and it is not available if it would be considered countable income under state and federal requirements.

Sec. 131. Minnesota Statutes 1986, section 256.736, is amended by adding a subdivision to read:

Subd. 3b. [MANDATORY SCHOOL ATTENDANCE FOR MINOR PARENTS.] (a) [DEFINITIONS.] *The definitions in this paragraph apply to this subdivision.*

(1) "Minor parent" means a recipient of AFDC who is under age 18, and who is the natural or adoptive parent of a child living with the minor parent.

(2) "School" means:

(i) an educational program which leads to a high school diploma. The program or coursework may be, but is not limited to, a program under the post-secondary enrollment options of section 123.3514, a regular or alternative program of an elementary or secondary school, a technical institute, or a college;

(ii) coursework for a general educational development (GED) diploma of not less than six hours of classroom instruction per week; or

(iii) any other post-secondary educational program that is approved by the public school or the local agency under subdivision 11.

(b) [SCHOOL ATTENDANCE REQUIRED.] *Notwithstanding section 256.736, subdivision 3, a minor parent must attend school if all of the*

following apply:

(1) the minor parent has no child living with the parent who is younger than six weeks of age;

(2) transportation services needed to enable the minor parent to attend school are available;

(3) licensed or legal nonlicensed child care services needed to enable the minor parent to attend school are available;

(4) the minor parent has not already graduated from high school and has not received a general educational development (GED) diploma; and

(5) the minor parent does not have good cause for failing to attend school, as provided in paragraph (d).

(c) [ENROLLMENT AND ATTENDANCE.] The minor parent must be enrolled in school and meeting the school's attendance requirements. The minor parent is considered to be attending when the minor parent is enrolled but the school is not in regular session, including during holiday and summer breaks.

(d) [GOOD CAUSE FOR NOT ATTENDING SCHOOL.] The local agency shall determine whether good cause for not attending or not enrolling in school exists, according to this paragraph:

(1) Good cause exists when the minor parent is ill or injured seriously enough to prevent the minor parent from attending school.

(2) Good cause exists when the minor parent's child is ill or injured and the minor parent's presence in the home is required to care for the child.

(3) Good cause exists when the local agency has verified that the only available school program requires round trip commuting time from the minor parent's residence of more than two hours by available means of transportation, excluding the time necessary to transport children to and from child care.

(4) Good cause exists when there is an interruption in availability of child care services.

(5) Good cause exists when the minor parent has indicated a desire to attend school, but the public school system is not providing for the minor parent's education and alternative programs are not available.

(6) Good cause exists when the school does not cooperate with the local agency in providing verification of the minor parent's education or attendance.

(7) Good cause exists when the minor parent or the minor parent's child has a medical appointment or an appointment with the local welfare agency, is required to appear in court during the minor parent's normal school hours, or has any other obligation consistent with the case management contract.

(8) For the minor parent of a child between six and twelve weeks of age, good cause exists when child care is not available on the premises of the school, or a medical doctor certifies that it would be better for the health of either the parent or the child for the parent to remain at home with the child for a longer period of time.

(e) [FAILURE TO COMPLY.] If the school notifies the local agency that the minor parent is not enrolled or is not meeting the school's attendance

requirements, and the local agency determines that the minor parent does not have good cause, the local agency shall apply the sanctions listed in subdivision 4 beginning with the first payment month after issuance of notice.

(f) [NOTICE AND HEARING.] A right to notice and fair hearing shall be provided in accordance with section 256.045 and the Code of Federal Regulations, title 45, section 205.10.

(g) [SOCIAL SERVICES.] When a minor parent has failed to attend school and does not have good cause, the local agency shall refer the minor parent to social services for services, as provided in section 257.33.

(h) [VERIFICATION.] No less often than quarterly, the local agency must verify that the minor parent is meeting the requirements of this subdivision. Notwithstanding section 13.32, subdivision 3, when the local agency notifies the school that a minor parent is subject to this subdivision, the school must furnish verification of school enrollment and attendance to the local agency.

Sec. 132. Minnesota Statutes 1986, section 256.736, is amended by adding a subdivision to read:

Subd. 3c. [MINOR PARENTS NOT LIVING WITH RELATIVES.] (a) This subdivision applies to a minor parent who is not living with a parent or other adult relative and who is not living in a group or foster home licensed by the commissioner.

(b) For purposes of this subdivision, the following terms have the meanings given them:

(1) "Minor parent" means an applicant for or recipient of AFDC who is under age 18, and who is the natural or adoptive parent of a child living with the minor parent.

(2) "Other adult relative" means a person who qualifies to be an eligible relative caretaker for AFDC, as specified in federal regulations.

(c) The agency shall determine, for each minor parent who applies for or receives AFDC, whether this section applies. For a minor parent to whom this section applies, the local agency shall refer the minor parent to its social services unit within 30 days of the date the application for assistance is approved for development of a social service plan as required in section 257.33. The agency shall notify the minor parent of the referral to social services and that cooperation in developing and participating in a social service plan is required in order for AFDC eligibility to continue.

(d) In addition to meeting the requirements of section 257.33, the social service plan may, based upon the social service unit's evaluation of the minor caretaker's needs and parenting abilities, and the health, safety, and parenting needs of the minor caretaker's child, require the minor caretaker to live in a group or foster home or participate in available programs which teach skills in parenting or independent living.

(e) If the minor parent fails to cooperate in developing or participating in the social service plan, the social services unit shall notify the income maintenance unit of the local agency, which shall then notify the minor parent of the determination and of the sanctions in subdivision 4 that will be applied.

Sec. 133. Minnesota Statutes 1987 Supplement, section 256.736, subdivision 4, is amended to read:

Subd. 4. [CONDITIONS OF CERTIFICATION.] The commissioner of human services shall:

(1) Arrange for or provide any caretaker or child required to participate in employment and training services pursuant to this section with child-care services, transportation, and other necessary family services;

(2) Pay 10 percent of the cost of the work incentive program and any other costs that are required of that agency by federal regulation for employment and training services for recipients of aid to families with dependent children;

(3) Provide that in determining a recipient's needs any monthly incentive training payment made to the recipient by the department of jobs and training is disregarded and the additional expenses attributable to participation in a program are taken into account in grant determination to the extent permitted by federal regulation; and

(4) Provide that when it has been certified by the county board that a caretaker or child required to participate in an employment and training program has been found by the employment and training service provider to have refused without good cause to participate in appropriate employment and training services or to have refused without good cause to accept a bona fide offer of public or other employment, the county board shall provide that the county board shall impose the sanctions in clause (5) or (6) when the county board:

(a) is notified that a caretaker or child required to participate in employment and training services has been found by the employment and training service provider to have failed without good cause to participate in appropriate employment and training services or to have failed without good cause to accept a bona fide offer of public or other employment;

(b) determines that a minor parent who is required to attend school under subdivision 3b has, without good cause, failed to attend school;

(c) determines that subdivision 3c applies to a minor parent and the minor parent has, without good cause, failed to cooperate with development of a social service plan or to participate in execution of the plan, to live in a group or foster home, or to participate in a program that teaches skills in parenting and independent living; or

(d) determines that a caretaker has, without good cause, failed to attend orientation.

(5) To the extent permissible by federal law, the following sanctions must be imposed for a recipient's failure to participate in required employment and training services, education, orientation, or the requirements of subdivision 3c:

(a) For the first failure, 50 percent of the grant provided to the family for the month following the failure shall be made in the form of protective or vendor payments;

(b) For the second and subsequent failures, the entire grant provided to the family must be made in the form of protective or vendor payments. Assistance provided to the family must be in the form of protective or vendor payments until the recipient complies with the requirement; and

(c) *When protective payments are required, the local agency may continue payments to the caretaker if a protective payee cannot reasonably be found.*

(6) *When the sanctions provided by clause (5) are not permissible under federal law, the following sanctions shall be imposed for a recipient's failure to participate in required employment and training services, education, orientation, or the requirements of subdivision 3c:*

(a) *If the caretaker ~~makes the refusal~~ fails to participate, the caretaker's needs shall not be taken into account in making the grant determination, and aid for any dependent child in the family will be made in the form of protective or vendor payments, except that when protective payments are made, the local agency may continue payments to the caretaker if a protective payee cannot reasonably be found. The standard of assistance for the remaining eligible members of the assistance unit is the standard that is used in other instances in which the caretaker is excluded from the assistance unit for noncompliance with a program requirement.*

(b) *Aid with respect to a dependent child will be denied if a child who ~~makes the refusal~~ fails to participate is the only child receiving aid in the family.*

(c) *If there is more than one child receiving aid in the family, aid for the child who ~~makes the refusal~~ fails to participate will be denied and the child's needs will not be taken into account in making the grant determination.*

(d) *If the assistance unit's eligibility is based on the nonexempt principal earner's unemployment and this principal earner fails ~~or refuses~~ without good cause to participate or to accept employment, the entire assistance unit is ineligible for benefits under sections 256.72 to 256.87.*

Sec. 134. Minnesota Statutes 1987 Supplement, section 256.736, subdivision 11, is amended to read:

Subd. 11. [CASE MANAGEMENT SERVICES.] (a) For clients described in subdivision 2a, the case manager shall:

(1) Assess the education, skills, and ability of the caretaker to secure and retain a job which, when added to child support, will support the caretaker's family. The case manager must work with the caretaker in completing this task;

(2) Set goals and develop a timetable for completing education and employment goals. The case manager must work with the caretaker in completing this task. For caretakers who are not literate or who have not completed high school, the first goal for the caretaker must be to complete literacy training or a general education diploma. Caretakers who are literate and have completed high school shall be counseled to set realistic attainable goals, taking into account the long-term needs of both the caretaker and the caretaker's family;

(3) Coordinate services such as child care, transportation, and education assistance necessary to enable the caretaker to work toward the goals developed in clause (2). When a client needs child care services in order to attend a Minnesota public or nonprofit college, university or technical institute, the case manager shall contact the appropriate agency to reserve child care funds for the client. A caretaker who needs child care services in order to complete high school or a general education diploma is eligible for child care under section 268.91;

(4) Develop, execute, and monitor a contract between the local agency and the caretaker. The contract must include: (a) specific goals of the caretaker including stated measurements of progress toward each goal; (b) specific services provided by the county agency; and (c) conditions under which the county will withdraw the services provided;

The contract may include other terms as desired or needed by either party. In all cases, however, the case manager must ensure that the caretaker has set forth in the contract realistic goals consistent with the ultimate goal of self-sufficiency for the caretaker's family; and

(5) Develop and refer caretakers to counseling or peer group networks for emotional support while participating in work, education, or training.

(b) In addition to the duties in paragraph (a), for minor parents *and pregnant minors*, the case manager shall:

(1) Ensure that the contract developed under paragraph (a)(4) considers all factors set forth in section 257.33, subdivision 2; ~~and~~

(2) Assess the housing and support systems needed by the caretaker in order to provide the dependent children with adequate parenting. The case manager shall encourage minor parents *and pregnant minors* who are not living with friends or relatives to live in a group home or foster care setting. If minor parents *and pregnant minors* are unwilling to live in a group home or foster care setting or if no group home or foster care setting is available, the case manager shall assess the ~~minor parent's~~ *their* need for training in parenting and independent living skills and *when appropriate* shall refer ~~appropriate minor parents~~ *them* to available counseling programs designed to teach needed skills; *and*

(3) *Inform minor parents or pregnant minors of, and assist them in evaluating the appropriateness of, the high school graduation incentives program under section 126.22, including post-secondary enrollment options, and the employment related and community based instruction programs.*

(c) A caretaker may request a conciliation conference to attempt to resolve disputes regarding the contents of a contract developed under this section or a housing and support systems assessment conducted under this section. The caretaker may request a hearing pursuant to section 256.045 to dispute the contents of a contract or assessment developed under this section. The caretaker need not request a conciliation conference in order to request a hearing pursuant to section 256.045.

Sec. 135. Minnesota Statutes 1986, section 256.76, subdivision 1, is amended to read:

Subdivision 1. Upon the completion of ~~such the~~ investigation the county agency shall decide whether the child is eligible for assistance under the provisions of sections 256.72 to 256.87, *and determine the amount of such the assistance, and the date on which such the assistance shall begin begins.* *A decision on an application for assistance must be made as promptly as possible and no more than 30 days from the date of application.* Notwithstanding section 393.07, the county agency shall not delay approval or issuance of assistance pending formal action of the county board of commissioners. The first month's grant shall be based upon that portion of the month from the date of application, or from the date that the applicant meets all eligibility factors, whichever occurs later, provided that on the date that assistance is first requested, the local agency shall inquire and

determine whether the person requesting assistance is in immediate need of food, shelter, clothing, or other emergency assistance. If an emergency need is found to exist, the applicant shall be granted assistance pursuant to section 256.871 within a reasonable period of time. It shall make a grant of assistance which shall be binding upon the county and be complied with by the county until ~~such~~ the grant is modified or vacated. ~~If the applicant is subsequently found to have been eligible for assistance under sections 256.72 to 256.87, assistance rendered under section 256.871 must be considered as a regular AFDC payment and not a payment under section 256.871.~~ The county agency shall notify the applicant of its decision in writing. ~~Such~~ The assistance shall be paid monthly to the applicant or to the vendor of medical care upon order of the county agency from funds appropriated to the county agency for this purpose. The county agency shall, upon the granting of assistance under these sections, file an order on the form to be approved by the state agency with the auditor of the county ~~and thereafter.~~ *After the order is filed,* warrants shall be drawn and payments made only in accordance with this order to or for recipients of this assistance or in accordance with any subsequent order.

Sec. 136. [256.925] [OPTIONAL VOTER REGISTRATION FOR PUBLIC ASSISTANCE APPLICANTS AND RECIPIENTS.]

The agency shall also make voter registration cards available to a public assistance recipient upon the recipient's request or at the time of the recipient's eligibility redetermination. The county agency shall assist applicants and recipients in completing the voter registration cards, as needed. Applicants must be informed that completion of the cards is optional. Completed forms shall be collected by agency employees and submitted to proper election officials.*

Sec. 137. Minnesota Statutes 1987 Supplement, section 256.936, is amended to read:

256.936 [CHILDREN'S HEALTH PLAN.]

Subdivision 1. [DEFINITIONS.] For purposes of this section the following terms shall have the meanings given them:

(a) "Eligible persons" means ~~pregnant women and children under six years old who are one year of age or older but less~~

*than nine years of age* who have gross family incomes that are

*equal to or less than 185 percent of the federal poverty guidelines and who are not eligible for medical assistance under chapter 256B or general assistance medical care under chapter 256D and who are not otherwise insured for the covered services. Eligibility for pregnant women shall continue for 60 days postpartum to allow for follow-up visits. The period of eligibility extends from the first day of the month in which the child's first birthday occurs to the last day of the month in which the child becomes nine years old.*

(b) "Covered services" means ~~prenatal care services and children's health services.~~

(c) "~~Prenatal care services~~" means *the outpatient services provided to*

pregnant women which are medically necessary for the pregnancy. Physician or certified nurse midwife services for delivery are included but inpatient hospital services are not included.

(d) "Children's health services" means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, *private duty nursing services, orthodontic services, medical transportation services, personal care assistant and case management services, hospice care services*, nursing home or intermediate care facilities services, and mental health and chemical dependency services.

(e) (d) "Eligible providers" means those health care providers who provide ~~prenatal care services and~~ children's health services to medical assistance clients under rules established by the commissioner for that program. Reimbursement under this section shall be at the same rates and conditions established for medical assistance. A provider of prenatal care services shall assess whether the pregnant woman is at risk of delivering a low birth weight baby or has a health condition which may increase the probability of a problem birth.

(f) (e) "Commissioner" means the commissioner of human services.

Subd. 2. [PLAN ADMINISTRATION.] The children's health plan is established to promote access to appropriate *primary* health care for pregnant women and to assure healthy babies and healthy children. The commissioner shall establish an office for the state administration of this plan. The plan shall be used to provide prenatal care and children's health services for eligible persons. Payment for these services shall be made to all eligible providers. The commissioner shall establish marketing efforts to encourage potentially eligible persons to receive information about the program and about other medical care programs administered or supervised by the department of human services. A toll-free telephone number must be used to provide information about the plan medical programs and to promote access to the covered services. The commissioner must make a quarterly assessment of the expected expenditures for the covered services and the appropriation. Based on this assessment the commissioner may limit enrollments and target former aid to families with dependent children recipients. If sufficient money is not available to cover all costs incurred in one quarter, the commissioner may seek an additional authorization for funding from the legislative advisory committee.

Subd. 3. [APPLICATION PROCEDURES.] Applications and other information must be made available in to provider offices, local human services agencies, school districts, public and private elementary schools in which 25 percent or more of the students receive free or reduced price lunches, community health offices, and Women, Infants and Children (WIC) program sites. These sites may accept applications, collect the enrollment fee, and forward the forms and fees to the commissioner. Otherwise, applicants may apply directly to the commissioner. The commissioner may use individuals' social security numbers as identifiers for purposes of administering the plan and conduct data matches to verify income. Applicants shall submit evidence of family income, earned and unearned, that will be used to verify income eligibility. Notwithstanding any other law to the contrary, benefits under this section are secondary to any a plan of insurance or benefit program under which an eligible person may have coverage. The commissioner shall identify eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance.

Subd. 4. [ENROLLMENT FEE.] An enrollment fee of \$35 is required from eligible persons for prenatal care services and an annual enrollment fee of \$25, not to exceed \$150 per family, is required from eligible persons for children's health services. ~~The fees may be paid together at the time of enrollment or as two payment installments.~~ Enrollment fees must be deposited in the public health fund and are appropriated to the commissioner for the children's health plan program. The commissioner shall make an annual redetermination of continued eligibility and identify people who may become eligible for medical assistance.

Sec. 138. [256.9655] [PAYMENTS TO MEDICAL PROVIDERS.]

*The commissioner shall establish procedures to analyze and correct problems associated with medical care claims preparation and processing under the medical assistance, general assistance medical care, and children's health plan programs. At a minimum, the commissioner shall:*

*(1) designate a full-time position as a liaison between the department of human services and providers;*

*(2) analyze impediments to timely processing of claims, provide information and consultation to providers, and develop methods to resolve or reduce problems;*

*(3) provide to each acute-care hospital a quarterly listing of claims received and identify claims that have been suspended and the reason the claims were suspended;*

*(4) provide education and information on reasons for rejecting and suspending claims and identify methods that would avoid multiple submissions of claims; and*

*(5) for each acute-care hospital, identify and prioritize claims that are in jeopardy of exceeding time factors that eliminate payment.*

Sec. 139. Minnesota Statutes 1987 Supplement, section 256.969, subdivision 2, is amended to read:

Subd. 2. [RATES FOR INPATIENT HOSPITALS.] On July 1, 1984, the commissioner shall begin to utilize to the extent possible existing classification systems, including Medicare. The commissioner may incorporate the grouping of hospitals with similar characteristics for uniform rates upon the development and implementation of the diagnostic classification system. Prior to implementation of the diagnostic classification system, the commissioner shall report the proposed grouping of hospitals to the senate health and human services committee and the house health and welfare committee. The computation of the base year cost per admission and the computation of the relative values of the diagnostic categories must include identified outlier cases and their weighted costs up to the point that they become outlier cases, but must exclude costs and days beyond that point. Claims paid for care provided on or after August 1, 1985, shall be adjusted to reflect a recomputation of rates, unless disapproved by the federal Health Care Financing Administration. The state shall pay the state share of the adjustment for care provided on or after August 1, 1985, up to and including June 30, 1987, whether or not the adjustment is approved by the federal Health Care Financing Administration. The commissioner may reconstitute the diagnostic categories to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce variances within the diagnostic categories after notice in the State Register and a 30-day comment period.

After May 1, 1986, acute care hospital billings under the medical assistance and general assistance medical care programs must not be submitted until the recipient is discharged. However, the commissioner shall establish monthly interim payments with inpatient hospitals that have individual patient lengths of stay in excess of 30 days regardless of diagnosis-related group. For purposes of establishing interim rates, the commissioner is exempt from the requirements of chapter 14. Medical assistance and general assistance medical care reimbursement for treatment of mental illness shall be reimbursed based upon diagnosis classifications. The commissioner may selectively contract with hospitals for services within the diagnostic classifications relating to mental illness and chemical dependency under competitive bidding when reasonable geographic access by recipients can be assured. No physician shall be denied the privilege of treating a recipient required to utilize a hospital under contract with the commissioner, as long as the physician meets credentialing standards of the individual hospital. Effective July 1, 1988, the commissioner shall limit the annual increase in pass-through cost payments for depreciation, rents and leases, and interest expense to the annual growth in the ~~consumer price index for all urban consumers (CPI-U)~~ *hospital cost index described in section 256.969, subdivision 1.* When computing budgeted pass-through cost payments, the commissioner shall use the annual increase in the ~~CPI-U~~ *hospital cost index* forecasted by Data Resources, Inc. consistent with the quarter of the hospital's fiscal year end. In final settlement of pass-through cost payments, the commissioner shall use the ~~CPI-U~~ *hospital cost index* for the month in which the hospital's fiscal year ends compared to the same month one year earlier.

Sec. 140. Minnesota Statutes 1987 Supplement, section 256.969, subdivision 3, is amended to read:

Subd. 3. [SPECIAL CONSIDERATIONS.] (a) In determining the rate the commissioner of human services will take into consideration whether the following circumstances exist:

- (1) minimal medical assistance and general assistance medical care utilization;
- (2) unusual length of stay experience; and
- (3) disproportionate numbers of low-income patients served.

(b) To the extent of available appropriations, the commissioner shall provide supplemental grants directly to a hospital described in section 256B.031, subdivision 10, paragraph (a), that receives medical assistance payments through a county-managed health plan that serves only residents of the county. The payments must be designed to compensate for actuarially demonstrated higher health care costs within the county, for the population served by the plan, that are not reflected in the plan's rates under section 256B.031, subdivision 4.

(c) *For inpatient hospital originally paid admissions, excluding medicare cross-overs, provided from July 1, 1988, through June 30, 1989, hospitals with 100 or fewer medical assistance annualized paid admissions, excluding medicare cross-overs, that were paid by March 1, 1988, for admissions paid during the period January 1, 1987, to June 30, 1987, shall have medical assistance inpatient payments increased 30 percent. Hospitals with more than 100 but fewer than 250 medical assistance annualized paid admissions, excluding medicare cross-overs, that were paid by March 1, 1988, for admissions paid during the period January 1, 1987, to June 30,*

1987, shall have medical assistance inpatient payments increased 20 percent for inpatient hospital originally paid admissions, excluding medicare cross-overs, provided from July 1, 1988, through June 30, 1989. This provision applies only to hospitals that have 100 or fewer licensed beds on March 1, 1988.

Sec. 141. Minnesota Statutes 1987 Supplement, section 256B.02, subdivision 8, is amended to read:

Subd. 8. [MEDICAL ASSISTANCE; MEDICAL CARE.] "Medical assistance" or "medical care" means payment of part or all of the cost of the following care and services identified in subdivisions 8a to 8y, for eligible individuals whose income and resources are insufficient to meet all of this cost:

(1) *Subd. 8a. [INPATIENT HOSPITAL SERVICES.] Medical assistance covers inpatient hospital services. A second medical opinion is required prior to reimbursement for elective surgeries requiring a second opinion. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion prior to reimbursement, and the criteria and standards for deciding whether an elective surgery should require a second medical opinion. The list and the criteria and standards are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal.*

(2) *Subd. 8b. [SKILLED AND INTERMEDIATE NURSING CARE.] Medical assistance covers skilled nursing home services and services of intermediate care facilities, including training and habilitation services, as defined in section 252.41, subdivision 3, for persons with mental retardation or related conditions who are residing in intermediate care facilities for persons with mental retardation or related conditions. Medical assistance must not be used to pay the costs of nursing care provided to a patient in a swing bed as defined in section 144.562, unless (a) the facility in which the swing bed is located is eligible as a sole community provider, as defined in Code of Federal Regulations, title 42, section 412.92, or the facility is a public hospital owned by a governmental entity with 15 or fewer licensed acute-care beds; (b) the health care financing administration approves the necessary state plan amendments; (c) the patient was screened as provided in section 256B.091; (d) the patient no longer requires acute-care services; and (e) no nursing home beds are available within 25 miles of the facility. The daily medical assistance payment for nursing care for the patient in the swing bed is the statewide average medical assistance skilled nursing care per diem as computed annually by the commissioner on July 1 of each year.*

(3) *Subd. 8c. [PHYSICIANS' SERVICES.] Medical assistance covers physicians' services.*

(4) *Subd. 8d. [OUTPATIENT AND CLINIC SERVICES.] Medical assistance covers outpatient hospital or nonprofit community health clinic services or physician-directed clinic services. The physician-directed clinic staff shall include at least two physicians, one of whom is on the premises whenever the clinic is open, and all services shall be provided under the direct supervision of the physician who is on the premises. Hospital outpatient departments are subject to the same limitations and reimbursements as other enrolled vendors for all services, except initial triage, emergency*

services, and services not provided or immediately available in clinics, physicians' offices, or by other enrolled providers. A second medical opinion is required before reimbursement for elective surgeries requiring a second opinion. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion before reimbursement and the criteria and standards for deciding whether an elective surgery should require a second surgical opinion. The list and the criteria and standards are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal. "Emergency services" means those medical services required for the immediate diagnosis and treatment of medical conditions that, if not immediately diagnosed and treated, could lead to serious physical or mental disability or death or are necessary to alleviate severe pain. Neither the hospital, its employees, nor any physician or dentist, shall be liable in any action arising out of a determination not to render emergency services or care if reasonable care is exercised in determining the condition of the person, or in determining the appropriateness of the facilities, or the qualifications and availability of personnel to render these services consistent with this section.

(5) *Subd. 8e. [COMMUNITY HEALTH CENTER SERVICES.] Medical assistance covers community mental health center services, as defined in rules adopted by the commissioner pursuant to section 256B.04, subdivision 2, and provided by a community mental health center as defined in section 245.62, subdivision 2.*

(6) *Subd. 8f. [HOME HEALTH CARE.] Medical assistance covers home health care services.*

(7) *Subd. 8g. [PRIVATE DUTY NURSING.] Medical assistance covers private duty nursing services.*

(8) *Subd. 8h. [PHYSICAL THERAPY.] Medical assistance covers physical therapy and related services.*

(9) *Subd. 8i. [DENTAL SERVICES.] Medical assistance covers dental services, excluding cast metal restorations.*

(10) *Subd. 8j. [LABORATORY AND X-RAY SERVICES.] Medical assistance covers laboratory and X-ray services.*

(11) *Subd. 8k. [NURSE ANESTHETIST SERVICES.] Medical assistance covers nurse anesthetist services.*

*Subd. 8l. [EYEGLASSES, DENTURES, AND PROSTHETIC DEVICES.] The following Medical assistance covers eyeglasses, dentures, and prosthetic devices if prescribed by a licensed practitioner: ~~drugs, eyeglasses, dentures, and prosthetic devices.~~*

*Subd. 8m. [DRUGS.] (a) Medical assistance covers drugs if prescribed by a licensed practitioner. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members,*

four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two-year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. Prior authorization may be required by the commissioner, with the consent of the drug formulary committee, before certain formulary drugs are eligible for payment. The formulary shall not include: drugs or products for which there is no federal funding; over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; or any other over-the-counter drug identified by the commissioner, in consultation with the appropriate professional consultants under contract with or employed by the state agency, as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the administrative procedure act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases, conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. Separate payment shall not be made for nutritional products for residents of long-term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and the commissioner's determination shall not be subject to chapter 14, the administrative procedure act. The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(b) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug may be estimated by the commissioner. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug

Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2. ~~Notwithstanding the above provisions,~~ Implementation of any change in the fixed dispensing fee ~~which that~~ has not been subject to the administrative procedure act ~~shall be~~ is limited to not more than 180 days, unless, during that time, the commissioner ~~shall have initiated~~ initiates rulemaking through the administrative procedure act.

(12) *Subd. 8n. [DIAGNOSTIC, SCREENING, AND PREVENTIVE SERVICES.]* Medical assistance covers diagnostic, screening, and preventive services. "Preventive services" include services related to pregnancy, including services for those conditions which may complicate a pregnancy and which may be available to a pregnant woman determined to be at risk of poor pregnancy outcome. Preventive services available to a woman at risk of poor pregnancy outcome may differ in an amount, duration, or scope from those available to other individuals eligible for medical assistance.

(13) *Subd. 8o. [HEALTH PLAN PREMIUMS.]* Medical assistance covers health care prepayment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act. For purposes of obtaining Medicare part B, expenditures may be made even if federal funding is not available.

(14) *Subd. 8p. [ABORTION SERVICES.]* Medical assistance covers abortion services, but only if one of the following conditions is met:

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion.

(15) *Subd. 8q. [TRANSPORTATION COSTS.]* Medical assistance covers transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by nonambulatory persons in obtaining

emergency or nonemergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be nonambulatory.

(16) *Subd. 8r.* [BUS OR TAXICAB TRANSPORTATION.] To the extent authorized by rule of the state agency, *medical assistance covers* costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining nonemergency medical care.

(17) *Subd. 8s.* [PERSONAL CARE ASSISTANTS.] *Medical assistance covers* personal care assistant services provided by an individual, not a relative, who is qualified to provide the services, where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a registered nurse. Payments to personal care assistants shall be adjusted annually to reflect changes in the cost of living or of providing services by the average annual adjustment granted to vendors such as nursing homes and home health agencies.

(18) *Subd. 8t.* [MENTAL ILLNESS CASE MANAGEMENT.] To the extent authorized by rule of the state agency, *medical assistance covers* case management services to persons with serious and persistent mental illness.

(19) *Subd. 8u.* [CASE MANAGEMENT FOR BRAIN INJURED PERSONS.] To the extent authorized by rule of the state agency, *medical assistance covers* case management services to persons with brain injuries.

(20) *Subd. 8v.* [HOSPICE CARE.] *Medical assistance covers* hospice care services under Public Law Number 99-272, section 9505, to the extent authorized by rule; and.

(21) *Subd. 8w.* [DAY TREATMENT SERVICES.] *Medical assistance covers day treatment services as specified in sections 245.462, subdivision 8, and 245.471, subdivision 3, that are provided under contract with the county board.*

*Subd. 8x.* [OTHER MEDICAL OR REMEDIAL CARE.] *Medical assistance covers* any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law, except licensed chemical dependency treatment programs or primary treatment or extended care treatment units in hospitals that are covered under Laws 1986, chapter 394, sections 8 to 20. The commissioner shall include chemical dependency services in the state medical assistance plan for federal reporting purposes, but payment must be made under Laws 1986, chapter 394, sections 8 to 20. The commissioner shall publish in the State Register a list of elective surgeries that require a second medical opinion before medical assistance reimbursement, and the criteria and standards for deciding whether an elective surgery should require a second medical opinion. The list and criteria and standards are not subject to the requirements of sections 14.01 to 14.69.

*Subd. 8y.* [SECOND OPINION OR PRIOR AUTHORIZATION REQUIRED.] The commissioner shall publish in the State Register a list of health services that require prior authorization, as well as the criteria and standards used to select health services on the list. The list and the criteria and standards used to formulate it are not subject to the requirements of sections 14.01 to 14.69. The commissioner's decision whether prior authorization is required for a health service or a second medical opinion

is required for an elective surgery is not subject to administrative appeal.

Sec. 142. Minnesota Statutes 1987 Supplement, section 256B.031, subdivision 5, is amended to read:

Subd. 5. [FREE CHOICE LIMITED.] (a) The commissioner may require recipients of aid to families with dependent children, ~~except those recipients who are refugees and whose health services are reimbursed 100 percent by the federal government for the first 31 months after entry into the United States,~~ to enroll in a prepaid health plan and receive services from or through the prepaid health plan, *with the following exceptions:*

*(1) recipients who are refugees and whose health services are reimbursed 100 percent by the federal government for the first 24 months after entry into the United States; and*

*(2) recipients who are placed in a foster home or facility. If placement occurs before the seventh day prior to the end of any month, the recipient will be disenrolled from the recipient's prepaid health plan effective the first day of the following month. If placement occurs after the seventh day before the end of any month, that recipient will be disenrolled from the prepaid health plan on the first day of the second month following placement. The prepaid health plan must provide all services set forth in subdivision 2 during the interim period.*

Enrollment in a prepaid health plan is mandatory only when recipients have a choice of at least two prepaid health plans.

(b) Recipients who become eligible on or after December 1, 1987, must choose a health plan within 30 days of the date eligibility is determined. At the time of application, the local agency shall ask the recipient whether the recipient has a primary health care provider. If the recipient has not chosen a health plan within 30 days but has provided the local agency with the name of a primary health care provider, the local agency shall determine whether the provider participates in a prepaid health plan available to the recipient and, if so, the local agency shall select that plan on the recipient's behalf. If the recipient has not provided the name of a primary health care provider who participates in an available prepaid health plan, commissioner shall randomly assign the recipient to a health plan.

(c) ~~Recipients who are eligible on November 30, 1987, must choose a prepaid health plan by January 15, 1988.~~ If possible, the local agency shall ask whether the recipient has a primary health care provider and the procedures under paragraph (b) shall apply. If a recipient does not choose a prepaid health plan by this date, the commissioner shall randomly assign the recipient to a health plan.

(d) ~~Each recipient must be enrolled in the health plan for a minimum of six months following the effective date of enrollment, except that the recipient may change health plans once within the first 60 days after initial enrollment.~~ The commissioner shall request a waiver from the federal Health Care Financing Administration to ~~extend the minimum period to 12 months~~ *to limit a recipient's ability to change health plans to once every six or 12 months. If such a waiver is obtained, each recipient must be enrolled in the health plan for a minimum of six or 12 months. A recipient may change health plans once within the first 60 days after initial enrollment.*

(e) Women who are receiving medical assistance due to pregnancy and later become eligible for aid to families with dependent children are not

required to choose a prepaid health plan until 60 days postpartum. An infant born as a result of that pregnancy must be enrolled in a prepaid health plan at the same time as the mother.

(f) If third-party coverage is available to a recipient through enrollment in a prepaid health plan through employment, through coverage by the former spouse, or if a duty of support has been imposed by law, order, decree, or judgment of a court under section 518.551, the obligee or recipient shall participate in the prepaid health plan in which the obligee has enrolled provided that the commissioner has contracted with the plan.

Sec. 143. Minnesota Statutes 1987 Supplement, section 256B.042, subdivision 2, is amended to read:

Subd. 2. boarding care home. The monthly cost estimate for each nursing home or boarding care home must be submitted to the nursing home or boarding care home and the state by the county no later than February 15 of each year for inclusion in the nursing home's or boarding care home's payment rate on the following rate year. The commissioner may seek amendments to the waivers or apply for additional waivers under United States Code, title 42, sections 1396 to 1396p, as amended through December 31, ~~1982~~ 1987, to contain costs. The commissioner shall ensure that payment for the cost of providing home and community-based alternative services under the federal waiver plan shall not exceed the cost of intermediate care services that would have been provided without the waived services.

Sec. 149. Minnesota Statutes 1986, section 256B.092, subdivision 7, is amended to read:

Subd. 7. [SCREENING TEAMS ESTABLISHED.] Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home and community-based services of persons who are entitled to the level of care provided by an intermediate care facility for persons with mental retardation or related conditions or for whom there is a reasonable indication that they might require the level of care provided by an intermediate care facility. The screening team shall make an evaluation of need within 15 working days of the ~~request for service~~ *date that the assessment is completed or within 60 working days of a request for service by a person with mental retardation or related conditions, whichever is the earlier*, and within five working days of an emergency admission of an individual to an intermediate care facility for persons with mental retardation or related conditions. with the client's physician, other health professionals or other persons as necessary to make this evaluation. The case manager, with the concurrence of the client or the client's legal representative, may invite other persons to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.

Sec. 150. Minnesota Statutes 1986, section 256B.14, subdivision 2, is amended to read:

These rules shall not require repayment when payment would cause undue hardship to the responsible relative or that relative's immediate family. These rules shall be consistent with the requirements of section 252.27, subdivision 2, for parents of children whose eligibility for medical assistance was determined without deeming of the parents' resources and income. For parents of children receiving services under a federal medical assistance waiver *or under section 134 of the Tax Equity and Fiscal Responsibility Act of 1982, United States Code, title 42, section 1396a(e)(3)*, while living in their natural home, including in-home family support services, respite care, homemaker services, and minor adaptations to the home, the state agency shall take into account the room, board, and services provided by the parents in determining the parental contribution to the cost of care. The county agency shall give the responsible relative notice of the amount of the repayment. If the state agency or county agency finds that notice of the payment obligation was given to the responsible relative, but that the relative failed or refused to pay, a cause of action exists against the responsible relative for that portion of medical assistance granted after notice was given to the responsible relative, which the relative was determined to be able to pay.

The action may be brought by the state agency or the county agency in the county where assistance was granted, for the assistance, together with the costs of disbursements incurred due to the action.

In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing contributions by a responsible relative found able to repay the county or state agency. The order shall be effective only for the period of time during which the recipient receives medical assistance from the county or state agency.

(c) *The amount transferred, together with the noninstitutionalized spouse's own assets, totals no more than one-half of the total value of the liquid assets of the parties or \$10,000 in liquid assets, whichever is greater; and*

**Sec. 152. [256B.31] [CONTINUED HOSPITAL CARE FOR LONG-TERM POLIO PATIENT.]**

*A medical assistance recipient who has been a polio patient in an acute care hospital for a period of not less than 25 consecutive years is eligible to continue receiving hospital care, whether or not the care is medically necessary for purposes of federal reimbursement. The cost of continued hospital care not reimbursable by the federal government must be paid with state money allocated for the medical assistance program. The rate paid to the hospital is the rate per day established using Medicare principles for the hospital's fiscal year ending December 31, 1981, adjusted each year by the annual hospital cost index established under section 256.969, subdivision 1, or by other limits in effect at the time of the adjustment. This section does not prohibit a voluntary move to another living arrangement by a recipient whose care is reimbursed under this section.*

**Sec. 153. Minnesota Statutes 1987 Supplement, section 256B.35, subdivision 1, is amended to read:**

**Subdivision 1. [PERSONAL NEEDS ALLOWANCE.]** *(a) Notwithstanding any law to the contrary, welfare allowances for clothing and personal needs for individuals receiving medical assistance while residing in any skilled nursing home, intermediate care facility, or medical institution including recipients of supplemental security income, in this state shall not be less than \$40 \$45 per month from all sources. When benefit amounts for social security or supplemental security income recipients are increased pursuant to United States Code, title 42, sections 415(i) and 1382f, the commissioner shall, effective in the month in which the increase takes effect, increase by the same percentage to the nearest whole dollar the clothing and personal needs allowance for individuals receiving medical assistance while residing in any skilled nursing home, medical institution, or intermediate care facility. The commissioner shall provide timely notice to local agencies, providers, and recipients of increases under this provision.*

**Provided that this (b)** *The personal needs allowance may be paid as part of the Minnesota supplemental aid program, notwithstanding the provisions of section 256D.37, subdivision 2, and payments to the recipients from of Minnesota supplemental aid funds may be made once each three months beginning in October 1977, covering liabilities that accrued during the preceding three months.*

**Sec. 154. Minnesota Statutes 1987 Supplement, section 256B.431, subdivision 2b, is amended to read:**

Subd. 2b. [OPERATING COSTS, AFTER JULY 1, 1985.] (a) For rate years beginning on or after July 1, 1985, the commissioner shall establish procedures for determining per diem reimbursement for operating costs.

(b) The commissioner shall contract with an econometric firm with recognized expertise in and access to national economic change indices that can be applied to the appropriate cost categories when determining the operating cost payment rate.

(c) The commissioner shall analyze and evaluate each nursing home's cost report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective.

(d) The commissioner shall establish limits on actual allowable historical operating cost per diems based on cost reports of allowable operating costs for the reporting year that begins October 1, 1983, taking into consideration relevant factors including resident needs, geographic location, size of the nursing home, and the costs that must be incurred for the care of residents in an efficiently and economically operated nursing home. In developing the geographic groups for purposes of reimbursement under this section, the commissioner shall ensure that nursing homes in any county contiguous to the Minneapolis-St. Paul seven-county metropolitan area are included in the same geographic group. The limits established by the commissioner shall not be less, in the aggregate, than the 60th percentile of total actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1 based on cost reports of allowable operating costs in the previous reporting year. For rate years beginning on or after July 1, 1987, or until the new base period is established, facilities located in geographic group I as described in Minnesota Rules, part 9549.0052 (Emergency), on January 1, 1987, may choose to have the commissioner apply either the care related limits or the other operating cost limits calculated for facilities located in geographic group II, or both, if either of the limits calculated for the group II facilities is higher. The efficiency incentive for geographic group I nursing homes must be calculated based on geographic group I limits. The phase-in must be established utilizing the chosen limits. For purposes of these exceptions to the geographic grouping requirements, the definitions in Minnesota Rules, parts 9549.0050 to 9549.0059 (Emergency), and 9549.0010 to 9549.0080, apply. The limits established under this paragraph remain in effect until the commissioner establishes a new base period. Until the new base period is established, the commissioner shall adjust the limits annually using the appropriate economic change indices established in paragraph (e). In determining allowable historical operating cost per diems for purposes of setting limits and nursing home payment rates, the commissioner shall divide the allowable historical operating costs by the actual number of resident days, except that where a nursing home is occupied at less than 90 percent of licensed capacity days, the commissioner may establish procedures to adjust the computation of the per diem to an imputed occupancy level at or below 90 percent. The commissioner shall establish efficiency incentives as appropriate. The commissioner may establish efficiency incentives for different operating cost categories. The commissioner shall consider establishing efficiency incentives in care related cost categories. The commissioner may combine one or more operating cost categories and may use different methods for calculating payment rates for each operating cost category or combination of operating cost categories. For the rate year beginning on July

1, 1985, the commissioner shall:

(1) allow nursing homes that have an average length of stay of 180 days or less in their skilled nursing level of care, 125 percent of the care related limit and 105 percent of the other operating cost limit established by rule; and

(2) exempt nursing homes licensed on July 1, 1983, by the commissioner to provide residential services for the physically handicapped under Minnesota Rules, parts 9570.2000 to 9570.3600, from the care related limits and allow 105 percent of the other operating cost limit established by rule.

For the purpose of calculating the other operating cost efficiency incentive for nursing homes referred to in clause (1) or (2), the commissioner shall use the other operating cost limit established by rule before application of the 105 percent.

(e) The commissioner shall establish a composite index or indices by determining the appropriate economic change indicators to be applied to specific operating cost categories or combination of operating cost categories.

(f) Each nursing home shall receive an operating cost payment rate equal to the sum of the nursing home's operating cost payment rates for each operating cost category. The operating cost payment rate for an operating cost category shall be the lesser of the nursing home's historical operating cost in the category increased by the appropriate index established in paragraph (e) for the operating cost category plus an efficiency incentive established pursuant to paragraph (d) or the limit for the operating cost category increased by the same index. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. In establishing payment rates for one or more operating cost categories, the commissioner may establish separate rates for different classes of residents based on their relative care needs.

(g) The commissioner shall include the reported actual real estate tax liability or payments in lieu of real estate tax of each nursing home as an operating cost of that nursing home. *Except as provided in Minnesota Rules, parts 9549.0010 to 9549.0080, the commissioner shall allow an amount for payments in lieu of real estate tax assessed by a municipality, city, township, or county that does not exceed an amount equivalent to a similar assessment for fire, police, or sanitation services assessed to all other nonprofit or governmental entities located in the municipality, city, township, or county in which a nursing home to be assessed is located.* For rate years beginning on or after July 1, 1987, the reported actual real estate tax liability or payments in lieu of real estate tax of nursing homes shall be adjusted to include an amount equal to one-half of the dollar change in real estate taxes from the prior year. The commissioner shall include a reported actual special assessment, and reported actual license fees required by the Minnesota department of health, for each nursing home as an operating cost of that nursing home. Total adjusted real estate tax liability, payments in lieu of real estate tax, actual special assessments paid, and license fees paid as required by the Minnesota department of health, for each nursing home (1) shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category, (2) shall not be used to compute the 60th percentile or other operating cost limits established by the commissioner, and (3) shall not be increased by the composite index or indices established pursuant to paragraph (e).

(h) For rate years beginning on or after July 1, 1987, the commissioner shall adjust the rates of a nursing home that meets the criteria for the special dietary needs of its residents as specified in section 144A.071, subdivision 3, clause (c), and the requirements in section 31.651. The adjustment for raw food cost shall be the difference between the nursing home's allowable historical raw food cost per diem and 115 percent of the median historical allowable raw food cost per diem of the corresponding geographic group.

The rate adjustment shall be reduced by the applicable phase-in percentage as provided under subdivision 2h.

Sec. 155. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

*Subd. 2i. [OPERATING COSTS AFTER JULY 1, 1988.] (a) [OTHER-OPERATING-COST LIMITS.] For the rate year beginning July 1, 1988, the commissioner shall increase the other-operating-cost limits established in Minnesota Rules, part 9549.0055, subpart 2, item E, to 110 percent of the median of the array of allowable historical other-operating-cost per diems and index these limits as in Minnesota Rules, part 9549.0056, subparts 3 and 4. The limits must be established in accordance with subdivision 2b, paragraph (d). For rate years beginning on or after July 1, 1989, the adjusted other-operating-cost limits must be indexed as in Minnesota Rules, part 9549.0056, subparts 3 and 4.*

*(b) [CARE-RELATED OPERATING COST LIMITS.] For the rate year beginning July 1, 1988, the commissioner shall increase the care-related operating cost limits established in Minnesota Rules, part 9549.0055, subpart 2, items A and B, to 125 percent of the median of the array of the allowable historical case mix operating cost standardized per diems and the allowable historical other-care-related operating cost per diems and index those limits as in Minnesota Rules, part 9549.0056, subparts 1 and 2. The limits must be established in accordance with subdivision 2b, paragraph (d). For rate years beginning on or after July 1, 1989, the adjusted care-related limits must be indexed as in Minnesota Rules, part 9549.0056, subparts 1 and 2.*

*(c) [SALARY ADJUSTMENT PER DIEM.] For the rate period October 1, 1988, through June 30, 1990, the commissioner shall add the appropriate salary adjustment per diem calculated in clause (1) or (2) to the total operating cost payment rate of each nursing home. The salary adjustment per diem for each nursing home must be determined as follows:*

*(1) for each nursing home that reports salaries for registered nurses, licensed practical nurses, and aides, orderlies and attendants separately, the commissioner shall determine the salary adjustment per diem by multiplying the total salaries, payroll taxes, and fringe benefits allowed in each operating cost category, except management fees and administrator and central office salaries and the related payroll taxes and fringe benefits, by 3.5 percent and then dividing the resulting amount by the nursing home's actual resident days; and*

*(2) for each nursing home that does not report salaries for registered nurses, licensed practical nurses, aides, orderlies, and attendants separately, the salary adjustment per diem is the weighted average salary adjustment per diem increase determined under clause (1).*

*Each nursing home that receives a salary adjustment per diem pursuant*

to this subdivision shall adjust nursing home employee salaries by a minimum of the amount determined in clause (1) or (2). The commissioner shall review allowable salary costs, including payroll taxes and fringe benefits, for the reporting year ending September 30, 1989, to determine whether or not each nursing home complied with this requirement. The commissioner shall report the extent to which each nursing home complied with the legislative commission on long-term care by August 1, 1990.

(d) [PENSION CONTRIBUTIONS.] For rate years beginning on or after July 1, 1989, the commissioner shall exempt allowable employee pension contributions separately reported by a nursing home on its annual cost report from the care-related operating cost limits and the other-operating-cost limits. Hospital-attached homes that provide allowable employee pension contributions may report the costs that are allocated to nursing home operations independently for verification by the commissioner. For rate years beginning on or after July 1, 1989, amounts verified as allowable employee pension contributions are exempt from care-related operating cost limits and other-operating-cost limits. For purposes of this paragraph, "employee pension contributions" means contributions required under the Public Employee Retirement Act and contributions to other employee pension plans if the pension plan existed on March 1, 1988.

(e) [NEW BASE YEAR.] The commissioner shall establish the reporting year ending September 30, 1989, as a new base year.

Sec. 156. Minnesota Statutes 1987 Supplement, section 256B.431, subdivision 3, is amended to read:

Subd. 3. [PROPERTY-RELATED COSTS, 1983-1985.] (a) For rate years beginning July 1, 1983 and July 1, 1984, property-related costs shall be reimbursed to each nursing home at the level recognized in the most recent cost report received by December 31, 1982 and audited by March 1, 1983, and may be subsequently adjusted to reflect the costs recognized in the final rate for that cost report, adjusted for rate limitations in effect before the effective date of this section. *Effective for rate years beginning on or after July 1, 1988, a rate limitation ratio that is based on historical limitations resulting from the application of the regional maximum rate, private-pay rate, or ten percent cap on rate increases, must not be less than .90.* Property-related costs include: depreciation, interest, earnings or investment allowance, lease, or rental payments. No adjustments shall be made as a result of sales or reorganizations of provider entities.

(b) Adjustments for the cost of repairs, replacements, renewals, betterments, or improvements to existing buildings, and building service equipment shall be allowed if:

(1) the cost incurred is reasonable, necessary, and ordinary;

(2) the net cost is greater than \$5,000. "Net cost" means the actual cost, minus proceeds from insurance, salvage, or disposal;

(3) the nursing home's property-related costs per diem is equal to or less than the average property-related costs per diem within its group; and

(4) the adjustment is shown in depreciation schedules submitted to and approved by the commissioner.

(c) Annual per diem shall be computed by dividing total property-related costs by 96 percent of the nursing home's licensed capacity days for nursing homes with more than 60 beds and 94 percent of the nursing home's licensed

capacity days for nursing homes with 60 or fewer beds. For a nursing home whose residents' average length of stay is 180 days or less, the commissioner may waive the 96 or 94 percent factor and divide the nursing home's property-related costs by the actual resident days to compute the nursing home's annual property-related per diem. The commissioner shall promulgate emergency and permanent rules to recapture excess depreciation upon sale of a nursing home.

Sec. 157. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

*Subd. 3d. [BETTERMENTS AND ADDITIONS.] Notwithstanding any contrary provision of chapter 256B, or a rule adopted under chapter 256B, a nursing home that commenced construction on a betterment and addition costing \$700,000 or more prior to the expiration of Minnesota Rules, 12 MCAR 2.05001 to 2.05016 (Temporary)(1983) shall have its property-related payment rate step-up as a result of the betterment and addition calculated as set forth in 12 MCAR 2.05011.B.3 in the case of betterments, and 12 MCAR 2.05011.D in the case of additions. For purposes of this subdivision, the terms "betterment" and "addition" have the meaning set forth in 12 MCAR 2.05002 and the term "commenced construction" has the meaning set forth in section 144A.071, subdivision 3.*

Sec. 158. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

*Subd. 3e. [HOSPITAL ATTACHED CONVALESCENT AND NURSING CARE FACILITIES.] If a community-operated hospital and attached convalescent and nursing care facility suspend operation of the hospital, the surviving nursing care facility must be allowed to continue its status as a hospital-attached convalescent and nursing care facility for reimbursement purposes in three subsequent rate years.*

Sec. 159. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

*Subd. 3f. [PROPERTY COSTS AFTER JULY 1, 1988.] (a) [INVESTMENT PER BED LIMIT.] For the rate year beginning July 1, 1988, the replacement-cost-new per bed limit must be \$32,571 per licensed bed in multiple bedrooms and \$48,857 per licensed bed in a single bedroom. Beginning January 1, 1989, the replacement-cost-new per bed limits must be adjusted annually as specified in Minnesota Rules, part 9549.0060, subpart 4, item A, subitem (1).*

*(b) [RENTAL FACTOR.] For the rate year beginning July 1, 1988, the commissioner shall increase the rental factor as established in Minnesota Rules, part 9549.0060, subpart 8, item A, by 6.2 percent rounded to the nearest 100th percent for the purpose of reimbursing nursing homes for soft costs and entrepreneurial profits not included in the cost valuation services used by the state's contracted appraisers. For rate years beginning on or after July 1, 1989, the rental factor is the amount determined under this paragraph for the rate year beginning July 1, 1988.*

*(c) [OCCUPANCY FACTOR.] For rate years beginning on or after July 1, 1988, in order to determine property-related payment rates under Minnesota Rules, part 9549.0060, for all nursing homes except those whose average length of stay in a skilled level of care within a nursing home is 180 days or less, the commissioner shall use 95 percent of capacity days. For a nursing home whose average length of stay in a skilled level of care*

within a nursing home is 180 days or less, the commissioner shall use the greater of resident days or 80 percent of capacity days but in no event shall the divisor exceed 95 percent of capacity days.

(d) [EQUIPMENT ALLOWANCE.] For rate years beginning on July 1, 1988, and July 1, 1989, the commissioner shall add ten cents per resident per day to each nursing home's property-related payment rate. The ten-cent property-related payment rate increase is not cumulative from rate year to rate year. For the rate year beginning July 1, 1990, the commissioner shall increase each nursing home's equipment allowance as established in Minnesota Rules, part 9549.0060, subpart 10, by ten cents per resident per day. For rate years beginning on or after July 1, 1991, the adjusted equipment allowance must be adjusted annually for inflation as in Minnesota Rules, part 9549.0060, subpart 10, item E.

(e) [REFINANCING.] If a nursing home is refinanced, the commissioner shall adjust the nursing home's property-related payment rate for the savings that result from refinancing. The adjustment to the property-related payment rate must be as follows:

(1) The commissioner shall recalculate the nursing home's rental per diem by substituting the new allowable annual principle and interest payments for those of the refinanced debt.

(2) The nursing home's property-related payment rate must be decreased by the difference between the nursing home's current rental per diem and the rental per diem determined under clause (1).

If a nursing home payment rate is adjusted according to this paragraph, the adjusted payment rate is effective the first of the month following the date of the refinancing for both medical assistance and private paying residents. The nursing home's adjusted property-related payment rate is effective until June 30, 1990.

Sec. 160. Minnesota Statutes 1986, section 256B.431, is amended by adding a subdivision to read:

Subd. 3g. [PROPERTY COSTS AFTER JULY 1, 1990, FOR CERTAIN FACILITIES.] For rate years beginning on or after July 1, 1990, non-hospital-attached nursing homes that, on or after January 1, 1976, but prior to December 31, 1985, were newly licensed after new construction, or increased their licensed beds by a minimum of 35 percent through new construction, and whose building capital allowance is less than their allowable annual principal and interest on allowable debt prior to the application of the replacement-cost-new per bed limit and whose remaining weighted average debt amortization schedule as of January 1, 1988, exceeded 15 years, must receive a property-related payment rate equal to the greater of their rental per diem or their annual allowable principal and allowable interest without application of the replacement-cost-new per bed limit plus their equipment allowance. A nursing home that is eligible for a property-related payment rate under this subdivision and whose property-related payment rate in a subsequent rate year is its rental per diem must continue to have its property-related payment rates established for all future rate years based on the rental reimbursement method in Minnesota Rules, part 9549.0060.

The commissioner may require the nursing home to apply for refinancing as a condition of receiving special rate treatment under this subdivision.

Sec. 161. Minnesota Statutes 1987 Supplement, section 256B.431, subdivision 4, is amended to read:

Subd. 4. [SPECIAL RATES.] (a) For the rate years beginning July 1, 1983, and July 1, 1984, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983, and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2a, to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2f, the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The interim payment rate shall not be in effect for more than 17 months. The commissioner shall establish, by emergency and permanent rules, procedures for determining the interim rate and for making a retroactive cost settle-up after the first year of operation; the cost settled operating cost per diem shall not exceed 110 percent of the 60th percentile established for the appropriate group. Until procedures determining operating cost payment rates according to mix of resident needs are established, the commissioner shall establish by rule procedures for determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.

(b) For the rate years beginning on or after July 1, 1985, a newly constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property related costs, operating costs, and real estate taxes and special assessments calculated under rules promulgated by the commissioner.

(c) For rate years beginning on or after July 1, 1983, the commissioner may exclude from a provision of 12 MCAR S 2.050 any facility that is licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, is licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690, and has less than five percent of its licensed boarding care capacity reimbursed by the medical assistance program. Until a permanent rule to establish the payment rates for facilities meeting these criteria is promulgated, the commissioner shall establish the medical assistance payment rate as follows:

(1) The desk audited payment rate in effect on June 30, 1983, remains in effect until the end of the facility's fiscal year. The commissioner shall not allow any amendments to the cost report on which this desk audited payment rate is based.

(2) For each fiscal year beginning between July 1, 1983, and June 30, 1985, the facility's payment rate shall be established by increasing the desk audited operating cost payment rate determined in clause (1) at an annual rate of five percent.

(3) For fiscal years beginning on or after July 1, 1985, *but before January 1, 1988*, the facility's payment rate shall be established by increasing the facility's payment rate in the facility's prior fiscal year by the increase indicated by the consumer price index for Minneapolis and St. Paul.

(4) For the fiscal year beginning on January 1, 1988, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted prior year's payment rate plus the real estate tax and special assessment per diem.

(5) For fiscal years beginning on or after January 1, 1989, the facility's payment rate must be established using the following method: The commissioner shall divide the real estate taxes and special assessments payable as stated in the facility's current property tax statement by actual resident days to compute a real estate tax and special assessment per diem. Next, the prior year's payment rate less the real estate tax and special assessment per diem must be adjusted by the higher of (1) the percentage change in the consumer price index (CPI-U U.S. city average) as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100), or (2) 2.5 percent, to determine an adjusted payment rate. The facility's payment rate is the adjusted payment rate plus the real estate tax and special assessment per diem.

(6) For the purpose of establishing payment rates under this paragraph, the facility's rate and reporting years coincide with the facility's fiscal year.

A facility that meets the criteria of this paragraph shall submit annual cost reports on forms prescribed by the commissioner.

For the rate year beginning July 1, 1985, each nursing home total payment rate must be effective two calendar months from the first day of the month after the commissioner issues the rate notice to the nursing home. From July 1, 1985, until the total payment rate becomes effective, the commissioner shall make payments to each nursing home at a temporary rate that is the prior rate year's operating cost payment rate increased by 2.6 percent plus the prior rate year's property-related payment rate and the prior rate year's real estate taxes and special assessments payment rate. The commissioner shall retroactively adjust the property-related payment rate and the real estate taxes and special assessments payment rate to July 1, 1985, but must not retroactively adjust the operating cost payment rate.

(d) For the purposes of Minnesota Rules, part 9549.0060, subpart 13, item F, the following types of transactions shall not be considered a sale or reorganization of a provider entity:

- (1) the sale or transfer of a nursing home upon death of an owner;
- (2) the sale or transfer of a nursing home due to serious illness or disability of an owner as defined under the social security act;
- (3) the sale or transfer of the nursing home upon retirement of an owner at 62 years of age or older;
- (4) any transaction in which a partner, owner, or shareholder acquires an interest or share of another partner, owner, or shareholder in a nursing home business provided the acquiring partner, owner, or shareholder has

less than 50 percent ownership after the acquisition;

(5) a sale and leaseback to the same licensee which does not constitute a change in facility license;

(6) a transfer of an interest to a trust;

(7) gifts or other transfers for no consideration;

(8) a merger of two or more related organizations;

(9) a transfer of interest in a facility held in receivership;

(10) a change in the legal form of doing business other than a publicly held organization which becomes privately held or vice versa;

(11) the addition of a new partner, owner, or shareholder who owns less than 20 percent of the nursing home or the issuance of stock; or

(12) an involuntary transfer including foreclosure, bankruptcy, or assignment for the benefit of creditors.

Any increase in allowable debt or allowable interest expense or other cost incurred as a result of the foregoing transactions shall be a nonallowable cost for purposes of reimbursement under Minnesota Rules, parts 9549.0010 to 9549.0080.

(e) For rate years beginning on or after July 1, 1986, the commissioner may exclude from a provision of Minnesota Rules, parts 9549.0010 to 9549.0080, any facility that is certified by the commissioner of health as an intermediate care facility, licensed by the commissioner of human services as a chemical dependency treatment program, and enrolled in the medical assistance program as an institution for mental disease. The commissioner of human services shall establish a medical assistance payment rate for these facilities. Chapter 14 does not apply to the procedures and criteria used to establish the ratesetting structure. The ratesetting method is not appealable.

Sec. 162. Minnesota Statutes 1987 Supplement, section 256B.433, subdivision 1, is amended to read:

Subdivision 1. [SETTING PAYMENT; MONITORING USE OF THERAPY SERVICES.] The commissioner shall promulgate rules pursuant to the administrative procedure act to set the amount and method of payment for ancillary materials and services provided to recipients residing in nursing homes. Payment for materials and services may be made to either the nursing home in the operating cost per diem, to the vendor of ancillary services pursuant to Minnesota Rules, parts 9500.0750 to 9500.1080 or to a nursing home pursuant to Minnesota Rules, parts 9500.0750 to 9500.1080. Payment for the same or similar service to a recipient shall not be made to both the nursing home and the vendor. The commissioner shall ensure the avoidance of double payments through audits and adjustments to the nursing home's annual cost report as required by section 256B.47, and that charges and arrangements for ancillary materials and services are cost effective and as would be incurred by a prudent and cost-conscious buyer. Therapy services provided to a recipient must be medically necessary and appropriate to the medical condition of the recipient. If the vendor, nursing home, or ordering physician cannot provide adequate medical necessity justification, as determined by the commissioner, in consultation with an advisory committee that meets the requirements of section 256B.064, subdivision 1a, the commissioner may recover or disallow the payment for the

services and may require prior authorization for therapy services as a condition of payment or may impose administrative sanctions to limit the vendor, nursing home, or ordering physician's participation in the medical assistance program. *If the provider number of a nursing home is used to bill services provided by a vendor of therapy services that is not related to the nursing home by ownership, control, affiliation or employment status, no withholding of payment shall be imposed against the nursing home for services not medically necessary except for funds due the unrelated vendor of therapy services as provided in subdivision 3, paragraph (c). For the purpose of this subdivision, no monetary recovery may be imposed against the nursing home for funds paid to the unrelated vendor of therapy services as provided in subdivision 3, paragraph (c), for services not medically necessary.*

Sec. 163. Minnesota Statutes 1986, section 256B.50, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] ~~A nursing home provider may appeal from a decision arising from the application of standards or methods determination of a payment rate established pursuant to sections 256B.41 and 256B.47 this chapter and reimbursement rules of the commissioner if the appeal, if successful, would result in a change to the nursing home's provider's payment rate, or appraised value. The appeal procedures also apply to appeals of payment rates calculated under Minnesota Rules, parts 9510.0010 to 9510.0480 filed with the commissioner on or after May 1, 1984. Appeals must be filed in accordance with procedures in this section.~~ This section does not apply to a request from a resident or nursing home for reconsideration of the classification of a resident under section 144.0722.

*Subd. 1a. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.*

(a) "Determination of a payment rate" means the process by which the commissioner establishes the payment rate paid to a provider pursuant to this chapter, including determinations made in desk audit, field audit, or pursuant to an amendment filed by the provider.

(b) "Provider" means a nursing home as defined in section 256B.421, subdivision 7, or a facility as defined in section 256B.501, subdivision 1.

(c) "Reimbursement rules" means Minnesota Rules, parts 9510.0010 to 9510.0480, 9510.0500 to 9510.0890, and rules adopted by the commissioner pursuant to sections 256B.41 and 256B.501, subdivision 3.

*Subd. 1b. [FILING AN APPEAL.] To appeal, the nursing home provider shall notify file with the commissioner in writing of its intent to appeal within 30 days and submit a written notice of appeal; the appeal request must be received by the commissioner within 60 days of receiving notice of the date the payment rate determination or decision of the payment rate was mailed. The notice of appeal request shall must specify each disputed item; the reason for the dispute; an estimate of: the total dollar amount involved for each disputed item; and the dollar amount per bed in dispute for each separate disallowance, allocation, or adjustment of each cost item or part of a cost item; the computation that the nursing home provider believes is correct; the authority in statute or rule upon which the nursing home provider relies for each disputed item; the name and address of the person or firm with whom contacts may be made regarding the appeal; and other information required by the commissioner.*

*Subd. 1c.* [CONTESTED CASE PROCEDURES.] Except as provided in subdivision 2, the appeal shall *must* be heard by an administrative law judge according to sections 14.48 to 14.56, or upon agreement by both parties according to a modified appeals procedure established by the commissioner and the administrative law judge. In any proceeding under this section, the appealing party must demonstrate by a preponderance of the evidence that the commissioner's determination is incorrect. Regardless of any rate appeal, the rate established shall *must* be the rate paid and shall *must* remain in effect until final resolution of the appeal or subsequent desk or field audit adjustment, notwithstanding any provision of law or rule to the contrary. To challenge the validity of rules established by the commissioner pursuant to this section and sections 256B.41, 256B.421, 256B.431, 256B.47, 256B.48, 256B.501, and 256B.502, a nursing home provider shall comply with section 14.44.

Sec. 164. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

*Subd. 1d.* [EXPEDITED APPEAL REVIEW PROCESS.] (a) Within 120 days of the date an appeal is due according to subdivision 1b, the department shall review an appealed adjustment equal to or less than \$100 annually per licensed bed of the provider, make a determination concerning the adjustment, and notify the provider of the determination. Except as allowed in paragraph (g), this review does not apply to an appeal of an adjustment made to, or proposed on, an amount already paid to the provider. In this subdivision, an adjustment is each separate disallowance, allocation, or adjustment of a cost item or part of a cost item as submitted by a provider according to forms required by the commissioner.

(b) For an item on which the provider disagrees with the results of the determination of the department made under paragraph (a), the provider may, within 60 days of the date of the review notice, file with the office of administrative hearings and the department its written argument and documents, information, or affidavits in support of its appeal. If the provider fails to make a submission in accordance with this paragraph, the department's determinations on the disputed items must be upheld.

(c) Within 60 days of the date the department received the provider's submission under paragraph (b), the department may file with the office of administrative hearings and serve upon the provider its written argument and documents, information, and affidavits in support of its determination. If the department fails to make a submission in accordance with this paragraph, the administrative law judge shall proceed pursuant to paragraph (d) based on the provider's submission.

(d) Upon receipt by the office of administrative hearings of the department's submission made under paragraph (c) or upon the expiration of the 60-day filing period, whichever is earlier, the chief administrative law judge shall assign the matter to an administrative law judge. The administrative law judge shall consider the submissions of the parties and all relevant rules, statutes, and case law. The administrative law judge may request additional argument from the parties if it is deemed necessary to reach a final decision, but shall not allow witnesses to be presented or discovery to be made in the proceeding. Within 60 days of receipt by the office of administrative hearings of the department's submission or the expiration of the 60-day filing period in paragraph (c), whichever is earlier, the administrative law judge shall make a final decision on the items in

issue, and shall notify the provider and the department by first-class mail of the decision on each item. The decision of the administrative law judge is the final administrative decision, is not appealable, and does not create legal precedent; except that the department may make an adjustment contrary to the decision of the administrative law judge based upon a subsequent cost report amendment or field audit that reveals information relating to the adjustment that was not known to the department at the time of the final decision.

(e) For a disputed item otherwise subject to the review set forth in this subdivision, the department and the provider may mutually agree to bypass the expedited review process and proceed to a contested case hearing at any time prior to the time for the department's submission under paragraph (c).

(f) When the department determines that the appeals of two or more providers otherwise subject to the review set forth in this subdivision present the same or substantially the same adjustment, the department may remove the disputed items from the review in this subdivision, and the disputed items shall proceed in accordance with subdivision 1c. The department's decision to remove the appealed adjustments to contested case proceeding is final and is not reviewable.

(g) For a disputed item otherwise subject to the review in this subdivision, the department or a provider may petition the chief administrative law judge to issue an order allowing the petitioning party to bypass the expedited review process. If the petition is granted, the disputed item must proceed in accordance with subdivision 1c. In making the determination, the chief administrative law judge shall consider the potential impact and precedential and monetary value of the disputed item. A petition for removal to contested case hearing must be filed with the chief administrative law judge and the opposing party on or before the date on which its submission is due under paragraph (b) or (c). Within 20 days of receipt of the petition, the opposing party may submit its argument opposing the petition. Within 20 days of receipt of the argument opposing the petition, or if no argument is received, within 20 days of the date on which the argument was due, the chief administrative law judge shall issue a decision granting or denying the petition. If the petition is denied, the petitioning party has 60 days from the date of the denial to make a submission under paragraph (b) or (c).

(h) The department and a provider may mutually agree to use the procedures set forth in this subdivision for any disputed item not otherwise subject to this subdivision.

(i) Nothing shall prevent either party from making its submissions and arguments under this subdivision through a person who is not an attorney.

(j) This subdivision applies to all appeals for rate years beginning after June 30, 1988.

Sec. 165. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

*Subd. 1e. [ATTORNEY'S FEES AND COSTS.] (a) Notwithstanding section 3.762, paragraph (a), for an issue appealed under subdivision 1, the prevailing party in a contested case proceeding or, if appealed, in subsequent judicial review, must be awarded reasonable attorney's fees and costs incurred in litigating the appeal, if the prevailing party shows that*

*the position of the opposing party was not substantially justified. The procedures for awarding fees and costs set forth in section 3.764 must be followed in determining the prevailing party's fees and costs except as otherwise provided in this subdivision. For purposes of this subdivision, "costs" means subpoena fees and mileage, transcript costs, court reporter fees, witness fees, postage and delivery costs, photocopying and printing costs, amounts charged the commissioner by the office of administrative hearings, and direct administrative costs of the department; and "substantially justified" means that a position had a reasonable basis in law and fact, based on the totality of the circumstances prior to and during the contested case proceeding and subsequent review.*

*(b) When an award is made to the department under this subdivision, attorney fees must be calculated at the cost to the department. When an award is made to a provider under this subdivision, attorney fees must be calculated at the rate charged to the provider except that attorney fees awarded must be the lesser of the attorney's normal hourly fee or \$100 per hour.*

*(c) In contested case proceedings involving more than one issue, the administrative law judge shall determine what portion of each party's attorney fees and costs is related to the issue or issues on which it prevailed and for which it is entitled to an award. In making that determination, the administrative law judge shall consider the amount of time spent on each issue, the precedential value of the issue, the complexity of the issue, and other factors deemed appropriate by the administrative law judge.*

*(d) When the department prevails on an issue involving more than one provider, the administrative law judge shall allocate the total amount of any award for attorney fees and costs among the providers. In determining the allocation, the administrative law judge shall consider each provider's monetary interest in the issue and other factors deemed appropriate by the administrative law judge.*

*(e) Attorney fees and costs awarded to the department for proceedings under this subdivision must not be reported or treated as allowable costs on the provider's cost report.*

*(f) Fees and costs awarded to a provider for proceedings under this subdivision must be reimbursed to them by reporting the amount of fees and costs awarded as allowable costs on the provider's cost report for the reporting year in which they were awarded. Fees and costs reported pursuant to this subdivision must be included in the general and administrative cost category but are not subject to either the general and administrative or other-operating-cost limits.*

*(g) If the provider fails to pay the awarded attorney fees and costs within 120 days of the final decision on the award of attorney fees and costs, the department may collect the amount due through any method available to it for the collection of medical assistance overpayments to providers. Interest charges must be assessed on balances outstanding after 120 days of the final decision on the award of attorney fees and costs. The annual interest rate charged must be the rate charged by the commissioner of revenue for late payment of taxes that is in effect on the 121st day after the final decision on the award of attorney fees and costs.*

*(h) Amounts collected by the commissioner pursuant to this subdivision must be deemed to be recoveries pursuant to section 256.01, subdivision*

2, clause 15.

(i) This subdivision applies to all contested case proceedings set on for hearing by the commissioner on or after the effective date of this section, regardless of the date the appeal was filed.

Sec. 166. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

*Subd. 1f. [LEGAL AND RELATED EXPENSES.] Legal and related expenses for unresolved challenges to decisions by governmental agencies shall be separately identified and explained on the provider's cost report for each year in which the expenses are incurred. When the challenge is resolved in favor of the governmental agency, the provider shall notify the department of the extent to which its challenge was unsuccessful or the cost report filed for the reporting year in which the challenge was resolved. In addition, the provider shall inform the department of the years in which it claimed legal and related expenses and the amount of the expenses claimed in each year relating to the unsuccessful challenge. The department shall reduce the provider's medical assistance rate in the subsequent rate year by the total amount claimed by the provider for legal and related expenses incurred in an unsuccessful challenge to a decision by a governmental agency.*

Sec. 167. Minnesota Statutes 1986, section 256B.50, is amended by adding a subdivision to read:

*Subd. 1g. [APPEAL SUPPLEMENT.] (a) For an appeal filed with the commissioner regarding payment rates calculated pursuant to Minnesota Rules, parts 9510.0010 to 9510.0480, or parts 9510.0500 to 9510.0890, or prior provisions of these rules, that was not subject to the provisions of this section or section 256B.501, subdivision 3, at the time it was filed, the appellant must file an appeal supplement. The appeal supplement must be filed no later than December 31, 1988, and must specify each disputed item, the reason for the dispute, an estimate of the dollar amount involved for each disputed item, the computation that the provider believes is correct, the authority in statute or rule upon which the provider relies for each disputed item, the name and address of the person or firm with whom contacts may be made regarding the appeal, and any other information required by the commissioner. Failure to file the appeal supplement is jurisdictional and the commissioner may accordingly dismiss the appeal, and the rate established by the commissioner shall take effect.*

*(b) Filing of an appeal supplement must not be construed to correct any legal defect in the original appeal.*

*(c) An appeal for which an appeal supplement is filed pursuant to this subdivision must be set on for a contested case hearing, made part of the expedited appeal process with the agreement of both the provider and the department, or otherwise resolved by December 31, 1989.*

Sec. 168. Minnesota Statutes 1987 Supplement, section 256B.50, subdivision 2, is amended to read:

*Subd. 2. [APPRAISED VALUE.] (a) ~~An~~ A nursing home may appeal the determination of its appraised value, as determined by the commissioner pursuant to section 256B.431 and rules established thereunder. A written notice of appeal request concerning the appraised value of a nursing home's real estate as established by an appraisal conducted after July 1,*

1986, shall *must be filed with the commissioner within 60 days of the date the determination was made and shall state the appraised value the nursing home believes is correct for the building, land improvements, and attached equipment and the name and address of the firm with whom contacts may be made regarding the appeal. The appeal request shall include a separate appraisal report prepared by an independent appraiser of real estate which supports the total appraised value claimed by the nursing home. The appraisal report shall be based on an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, must be in a form comparable to that used in the commissioner's appraisal, and must pertain to the same time period covered by the appealed appraisal. The appraisal report shall include information related to the training, experience, and qualifications of the appraiser who conducted and prepared the appraisal report for the nursing home.*

(b) A nursing home which has filed an appeal request prior to the effective date of Laws 1987, chapter 403, concerning the appraised value of its real estate as established by an appraisal conducted before July 1, 1986, must submit to the commissioner the information described under paragraph (a) within 60 days of the effective date of Laws 1987, chapter 403, in order to preserve the appeal.

(c) An appeal request which has been filed pursuant to the provisions of paragraph (a) or (b) shall be finally resolved through an agreement entered into by and between the commissioner and the nursing home or by the determination of an independent appraiser based upon an on-site inspection of the nursing home's real estate using the depreciated replacement cost method, in a form comparable to that used in the commissioner's appraisal, and pertaining to the same time period covered by the appealed appraisal. The appraiser shall be selected by the commissioner and the nursing home by alternately striking names from a list of appraisers approved for state contracts by the commissioner of administration. The appraiser shall make assurances to the satisfaction of the commissioner and the nursing home that the appraiser is experienced in the use of the depreciated cost method of appraisals and that the appraiser is free of any personal, political, or economic conflict of interest that may impair the ability to function in a fair and objective manner. The commissioner shall pay costs of the appraiser through a negotiated rate for services of the appraiser.

(d) The decision of the appraiser is final and is not appealable. Exclusive jurisdiction for appeals of the appraised value of nursing homes lies with the procedures set out in this subdivision. No court of law shall possess subject matter jurisdiction to hear appeals of appraised value determinations of nursing homes.

Sec. 169. Minnesota Statutes 1987 Supplement, section 256B.501, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meaning given them.

(a) "Commissioner" means the commissioner of human services.

(b) "Facility" means a facility licensed as a mental retardation residential facility under section 252.28, licensed as a supervised living facility under chapter 144, and certified as an intermediate care facility for persons with mental retardation or related conditions.

(c) "Waivered service" means home or community-based service authorized under United States Code, title 42, section 1396n(c), as amended through December 31, 1982 1987, and defined in the Minnesota state plan for the provision of medical assistance services. Waivered services include, at a minimum, case management, family training and support, developmental training homes, supervised living arrangements, semi-independent living services, respite care, and training and habilitation services.

Sec. 170. Minnesota Statutes 1986, section 256B.501, subdivision 3, is amended to read:

Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH MENTAL RETARDATION OR RELATED CONDITIONS.] The commissioner shall establish, by rule, procedures for determining rates for care of residents of intermediate care facilities for persons with mental retardation or related conditions. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated facilities. In developing the procedures, the commissioner shall include:

(a) cost containment measures that assure efficient and prudent management of capital assets and operating cost increases which do not exceed increases in other sections of the economy;

(b) limits on the amounts of reimbursement for property, general and administration, and new facilities;

(c) requirements to ensure that the accounting practices of the facilities conform to generally accepted accounting principles;

(d) incentives to reward accumulation of equity; and

(e) *a revaluation on sale for a facility that, for at least three years before its use as an intermediate care facility, has been used by the seller as a single family home and been claimed by the seller as a homestead, and was not revalued immediately prior to or upon entering the medical assistance program, provided that the facility revaluation not exceed the amount permitted by the Social Security Act, section 1902(a)(13); and*

(f) appeals procedures that satisfy the requirements of section 256B.50 for appeals of decisions arising from the application of standards or methods pursuant to Minnesota Rules, parts 9510.0500 to 9510.0890, 9553.0010 to 9553.0080, and 12 MCAR 2.05301 to 2.05315 (temporary).

In establishing rules and procedures for setting rates for care of residents in intermediate care facilities for persons with mental retardation or related conditions, the commissioner shall consider the recommendations contained in the February 11, 1983, Report of the Legislative Auditor on Community Residential Programs for the Mentally Retarded and the recommendations contained in the 1982 Report of the Department of Public Welfare Rule 52 Task Force. Rates paid to supervised living facilities for rate years beginning during the fiscal biennium ending June 30, 1985, shall not exceed the final rate allowed the facility for the previous rate year by more than five percent.

Sec. 171. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3a. [INTERIM RATES.] For rate years beginning October 1,*

1988, and October 1, 1989, the commissioner shall establish an interim program operating cost payment rate for care of residents in intermediate care facilities for persons with mental retardation.

(a) For the rate year beginning October 1, 1988, the interim program operating cost payment rate is the greater of the facility's 1987 reporting year allowable program operating costs per resident day increased by the composite forecasted index in section 256B.501, subdivision 3c, or the facility's January 1, 1988, program operating cost payment rate increased by the composite forecasted index in section 256B.501, subdivision 3c, except that the composite forecasted index is established based on the midpoint of the period January 1, 1988, through September 30, 1988, to the midpoint of the following rate year.

(b) For the rate year beginning October 1, 1989, the interim program operating cost payment rate is the greater of the facility's 1988 reporting year allowable program operating costs per resident day increased by the composite forecasted index in section 256B.501, subdivision 3c, or the facility's October 1, 1988, program operating cost payment rate increased by the composite forecasted index in section 256B.501, subdivision 3c, except that the composite forecasted index is established based on the midpoint of the rate year beginning October 1, 1988, to the midpoint of the following rate year.

Sec. 172. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

Subd. 3b. [SETTLE-UP OF COSTS.] The facility's program operating costs are subject to a retroactive settle-up for the 1988 and 1989 reporting years, determined by the following method:

(a) If a facility's program operating costs, including one-time adjustment program operating costs for the facility's 1988 or 1989 reporting year, are less than 98 percent of the facility's total program operating cost payments for facilities with 20 or fewer licensed beds, or less than 99 percent of the facility's total program operating cost payments for facilities with more than 20 licensed beds, then the facility must repay the difference to the state according to the desk audit adjustment procedures in Minnesota Rules, part 9553.0041, subpart 13, items B to E. For the purpose of determining the retroactive settle-up amounts, the facility's total program operating cost payments must be computed by multiplying the facility's program operating cost payment rates, including one-time program operating cost adjustment rates for those reporting years, by the prorated resident days that correspond to those program operating cost payment rates paid during those reporting years.

(b) If a facility's program operating costs, including one-time adjustment program operating costs for the facility's 1989 reporting year are between 102 and 105 percent of the amount computed by multiplying the facility's program operating cost payment rates, including one-time program operating cost adjustment rates for those reporting years, by the prorated resident days that correspond to those program operating cost payment rates paid during that reporting year, the state must repay the difference to the facility according to the desk audit adjustment procedures in Minnesota Rules, part 9553.0041, subpart 13, items B to E.

A facility's retroactive settle-up must be calculated by October 1, 1990.

Sec. 173. Minnesota Statutes 1986, section 256B.501, is amended by

adding a subdivision to read:

*Subd. 3c. [COMPOSITE FORECASTED INDEX.] For rate years beginning on or after October 1, 1988, the commissioner shall establish a statewide composite forecasted index to take into account economic trends and conditions between the midpoint of the facility's reporting year and the midpoint of the rate year following the reporting year. The statewide composite index must incorporate the forecast by Data Resources, Inc. of increases in the average hourly earnings of nursing and personal care workers indexed in Standard Industrial Code 805 in "Employment and Earnings," published by the Bureau of Labor Statistics, United States Department of Labor. This portion of the index must be weighted annually by the proportion of total allowable salaries and wages to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities.*

*For adjustments to the other operating costs in the program, maintenance, and administrative operating cost categories, the statewide index must incorporate the Data Resources, Inc. forecast for increases in the national CPI-U. This portion of the index must be weighted annually by the proportion of total allowable other operating costs to the total allowable operating costs in the program, maintenance, and administrative operating cost categories for all facilities. The commissioner shall use the indices as forecasted by Data Resources, Inc., in the fourth quarter of the reporting year.*

Sec. 174. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3d. [LIMITS ON ADMINISTRATIVE OPERATING COSTS.] For the rate year beginning October 1, 1989, the administrative operating cost per bed limit shall be calculated according to paragraphs (a) to (d).*

*(a) The commissioner shall classify a facility into one of two groups based on the number of licensed beds reported on the facility's cost report. Group one includes facilities with more than 20 licensed beds. Group two includes facilities with 20 or fewer licensed beds.*

*(b) The commissioner shall determine the allowable administrative historical operating cost per licensed bed for each facility in the two groups by dividing the allowable administrative historical operating cost in each facility by the number of licensed beds in each facility.*

*(c) The commissioner shall establish the administrative cost per licensed bed limit by multiplying the median of the array of allowable administrative historical operating costs per licensed bed for each group by the percentage that establishes the limit at the 75th percentile of the array of each group.*

*(d) For the rate year beginning October 1, 1989, the maximum allowable administrative historical operating cost shall be the facility's allowable administrative historical operating cost or the amount in paragraph (c) multiplied by the facility's licensed beds, whichever is less.*

Sec. 175. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3e. [INCREASE IN LIMITS.] For rate years beginning on or after October 1, 1990, the commissioner shall increase the administrative cost per licensed bed limit in section 256B.501, subdivision 3d, paragraph (c), and the maintenance operating cost limit in Minnesota Rules, part 9553.0050,*

*subpart 1, item A, subitem (2), by multiplying the administrative operating cost per bed limit and the maintenance operating cost limit by the composite forecasted index in section 256B.501, subdivision 3c except that the index shall be based on the 12 months between the midpoints of the two preceding reporting years.*

Sec. 176. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3f. [RATE ADJUSTMENTS.] For rate years beginning October 1, 1989, the commissioner may develop a method to adjust facility rates to meet new licensing or certification standards or regulations adopted by the state or federal government that result in significant cost increases. The commissioner may also consider establishing separate administrative cost limits based on other factors including difficulty of care of residents and licensure classification.*

Sec. 177. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3g. [ASSESSMENT OF RESIDENTS.] For rate years beginning on or after October 1, 1990, the commissioner shall establish program operating cost rates for care of residents in facilities that take into consideration service characteristics of residents in those facilities. To establish the service characteristics of residents, the quality assurance and review teams in the department of health shall assess all residents annually beginning January 1, 1989, using a uniform assessment instrument developed by the commissioner. This instrument shall include assessment of the client's behavioral needs, integration into the community, ability to perform activities of daily living, medical and therapeutic needs, and other relevant factors determined by the commissioner. The commissioner may establish procedures to adjust the program operating costs of facilities based on a comparison of client services characteristics, resource needs, and costs.*

Sec. 178. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3h. [WAIVING INTEREST CHARGES.] The commissioner may waive interest charges on overpayments incurred by intermediate care facilities for persons with mental retardation and related conditions for the period October 1, 1987, through February 29, 1988, if the overpayments resulted from the continuation of the desk audit rate in effect on September 30, 1987, through the period.*

Sec. 179. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3i. [SCOPE.] Subdivisions 3a to 3h do not apply to facilities whose payment rates are governed by Minnesota Rules, part 9553.0075.*

Sec. 180. Minnesota Statutes 1986, section 256B.501, is amended by adding a subdivision to read:

*Subd. 3j. [RULES.] The commissioner shall adopt rules to implement this section. The commissioner shall consult with provider groups, advocates, and legislators to develop these rules.*

Sec. 181. [256B.64] [ATTENDANTS TO VENTILATOR-DEPENDENT RECIPIENTS.]

*A ventilator-dependent recipient of medical assistance who has been*

receiving the services of a private duty nurse or personal care assistant in the recipient's home may continue to have a private duty nurse or personal care assistant present upon admission to a hospital licensed under chapter 144. The personal care assistant or private duty nurse shall perform only the services of communicator or interpreter for the ventilator-dependent patient during a transition period of up to 120 hours to assure adequate training of the hospital staff to communicate with the patient and to understand the unique comfort, safety, and personal care needs of the patient. The personal care assistant or private duty nurse may offer non-binding advice to the health care professionals in charge of the ventilator-dependent patient's care and treatment on matters pertaining to the comfort and safety of the patient. After the 120 hour transition period, an assessment may be made by the ventilator-dependent patient, the attending physician, and the patient's primary care nurse to determine whether continued services of communicator or interpreter for the patient by the private duty nurse or personal care assistant are necessary and appropriate for the patient's needs. If continued service is necessary and appropriate, the physician must certify this need to the commissioner of human services in order for payments to continue. The commissioner may adopt rules necessary to implement this section. Reimbursement under this section must be at the payment rate and in a manner consistent with the payment rate and manner used in reimbursing these providers for home care services for the ventilator-dependent recipient under the medical assistance program.

Sec. 182. Minnesota Statutes 1986, section 256B.69, subdivision 3, is amended to read:

Subd. 3. [GEOGRAPHIC AREA.] The commissioner shall designate the geographic areas in which eligible individuals may be included in the demonstration project. The geographic areas shall may include one urban, one suburban, and at least one rural county. In order to encourage the participation of long-term care providers, the project area may be expanded beyond the designated counties for eligible individuals over age 65.

Sec. 183. Minnesota Statutes 1986, section 256B.69, subdivision 4, is amended to read:

Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice: (1) persons eligible for medical assistance according to section 256B.06, subdivision 1, clause (1) or who are in foster placement; and (2) persons eligible for medical assistance due to blindness or disability as determined by the social security administration or the state medical review team, unless they are 65 years of age or older. Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner.

Sec. 184. Minnesota Statutes 1987 Supplement, section 256B.73, subdivision 2, is amended to read:

Subd. 2. [ESTABLISHMENT: GEOGRAPHIC AREA.] The commissioner of human services shall *cooperate with a local coalition* to establish a demonstration project to provide low cost medical insurance to uninsured low income persons in Cook, Crow Wing, Lake, St. Louis, Carlton, Aitkin, Pine, Itasca, and Koochiching counties except an individual county may be excluded as determined by the county board of commissioners. *The coalition shall work with the commissioner and potential demonstration providers as well as other public and private organizations to determine program design, including enrollee eligibility requirements, benefits, and participation.*

Sec. 185. Minnesota Statutes 1987 Supplement, section 256D.01, subdivision 1a, is amended to read:

Subd. 1a. [STANDARDS.] (1) A principal objective in providing general assistance is to provide for persons ineligible for federal programs who are unable to provide for themselves. The minimum standard of assistance determines the total amount of the general assistance grant without separate standards for shelter, utilities, or other needs.

(2) The commissioner shall set the standard of assistance for an assistance unit consisting of an adult recipient who is childless and unmarried or living apart from children and spouse and who does not live with a parent or parents or a legal custodian. When the other standards specified in this subdivision increase, this standard shall also be increased by the same percentage.

(3) For an assistance unit consisting of ~~an a single adult who is childless and unmarried or living apart from children and spouse, but~~ who lives with a parent or parents, the general assistance standard of assistance shall be equal to the amount that the aid to families with dependent children standard of assistance would increase if the recipient were added as an additional minor child to an assistance unit consisting of the recipient's parent and all of that parent's family members, provided that the standard shall not exceed the standard for a general assistance recipient living alone. Benefits received by a responsible relative of the assistance unit under the supplemental security income program, a workers' compensation program, the Minnesota supplemental aid program, or any other program based on the responsible relative's disability, and any benefits received by a responsible relative of the assistance unit under the social security retirement program, shall not be counted in the determination of eligibility or benefit level for the assistance unit. ~~An adult child shall be~~ *The assistance unit is ineligible for general assistance if the available resources or the countable income of the adult child assistance unit and the parent or parents with whom the adult child assistance unit lives are such that a family consisting of the adult child's assistance unit's parent or parents, the parent or parents' other family members and the adult child assistance unit as the only or additional minor child would be financially ineligible for general assistance. For the purposes of calculating the countable income of the assistance unit's parent or parents, use the calculation methods, income deductions, exclusions, and disregards used when calculating the countable income for a single adult or childless couple.*

(4) For an assistance unit consisting of a ~~married childless couple who are childless or who live apart from any child or children of whom either of the married couple is a parent or legal eustodian,~~ the standards of assistance shall be equal to the first and second adult standards of the aid

to families with dependent children program. If one member of the couple is not included in the general assistance grant, then the standard of assistance for the other shall be equal to the second adult standard of the aid to families with dependent children program, except that, when one member of the couple is not included in the general assistance grant because that member is not categorically eligible for general assistance under section 256D.05, subdivision 1, and has exhausted work readiness eligibility under section 256D.051, subdivision 4 or 5, for the period of time covered by the general assistance grant, then the standard of assistance for the remaining member of the couple shall be equal to the first adult standard of the aid to families with dependent children program.

(5) For an assistance unit consisting of all members of a family, the standards of assistance shall be the same as the standards of assistance applicable to a family under the aid to families with dependent children program if that family had the same number of parents and children as the assistance unit under general assistance and if all members of that family were eligible for the aid to families with dependent children program. If one or more members of the family are not included in the assistance unit for general assistance, the standards of assistance for the remaining members shall be equal to the standards of assistance applicable to an assistance unit composed of the entire family, less the standards of assistance applicable to a family of the same number of parents and children as those members of the family who are not in the assistance unit for general assistance. Notwithstanding the foregoing, if an assistance unit consists solely of the minor children because their parent or parents have been sanctioned from receiving benefits from the aid to families with dependent children program, the standard for the assistance unit shall be equal to the special child standard of the aid to families with dependent children program. A child shall not be excluded from the assistance unit unless income intended for its benefit is received from a federally aided categorical assistance program; or supplemental security income; retirement, survivors, and disability income; other assistance programs; or child support and maintenance payments. The income of a child who is excluded from the assistance unit shall not be counted in the determination of eligibility or benefit level for the assistance unit.

Sec. 186. Minnesota Statutes 1986, section 256D.02, subdivision 7, is amended to read:

Subd. 7. "Childless couple" means two individuals who are ~~related by marriage and who are living~~ married to each other, live in a place of residence maintained by them as their own home, and are either childless or living apart from their children.

Sec. 187. Minnesota Statutes 1986, section 256D.02, is amended by adding a subdivision to read:

Subd. 12a. "Single adult" means an individual 18 years or older who is childless and unmarried or living apart from the individual's children and spouse.

Sec. 188. Minnesota Statutes 1987 Supplement, section 256D.03, subdivision 3, is amended to read:

Subd. 3. [GENERAL ASSISTANCE MEDICAL CARE; ELIGIBILITY.]  
(a) General assistance medical care may be paid for any person:

(1) who is eligible for assistance under section 256D.05 or 256D.051 and

is not eligible for medical assistance under chapter 256B; or

(2) who is a resident of Minnesota; whose income as calculated under chapter 256B is not in excess of the medical assistance standards or whose excess income is spent down pursuant to chapter 256B; and whose equity in resources is not in excess of \$1,000 per assistance unit. Exempt real and liquid assets, the reduction of excess assets, and the waiver of excess assets must conform to the medical assistance program in chapter 256B.

(b) Eligibility is available for the month of application and for three months prior to application if the person was eligible in those prior months. A redetermination of eligibility must occur every 12 months.

(c) *General assistance medical care may be paid for a person, regardless of age, who is detained by law for less than one year in a county correctional or detention facility as a person accused or convicted of a crime, or admitted as an inpatient to a hospital on a criminal hold order, if the person is a recipient of general assistance medical care at the time the person is detained by law or admitted on a criminal hold order and as long as the person continues to meet other eligibility requirements of this subdivision.*

(d) *General assistance medical care is not available for applicants or recipients who do not cooperate with the local agency to meet the requirements of medical assistance.*

Sec. 189. Minnesota Statutes 1987 Supplement, section 256D.06, subdivision 1, is amended to read:

Subdivision 1. General assistance shall be granted in ~~such~~ an amount that when added to the nonexempt income actually available to the ~~individual, married couple, or family assistance unit~~, the total amount equals the applicable standard of assistance for general assistance. In determining eligibility for and the amount of assistance for *an individual or married couple*, the local agency shall disregard the first \$50 of earned income per month.

Sec. 190. Minnesota Statutes 1987 Supplement, section 256D.06, subdivision 1b, is amended to read:

Subd. 1b. [EARNED INCOME SAVINGS ACCOUNT.] In addition to the \$50 disregard required under subdivision 1, the local agency shall disregard an additional earned income up to a maximum of \$150 per month for persons residing in facilities licensed under Minnesota Rules, parts 9520.0500 to 9520.0690 and 9530.2500 to 9530.4000, and for whom discharge and work are part of a treatment plan *and for persons living in supervised apartments with services funded under Minnesota Rules, parts 9535.0100 to 9535.1600, and for whom discharge and work are part of a treatment plan.* The additional amount disregarded must be placed in a separate savings account by the eligible individual, to be used upon discharge from the residential facility into the community. A maximum of \$1,000, including interest, of the money in the savings account must be excluded from the resource limits established by section 256D.08, subdivision 1, clause (1). Amounts in that account in excess of \$1,000 must be applied to the resident's cost of care. If excluded money is removed from the savings account by the eligible individual at any time before the individual is discharged from the facility into the community, the money is income to the individual in the month of receipt and a resource in subsequent months. If an eligible individual moves from a community facility to an

inpatient hospital setting, the separate savings account is an excluded asset for up to 18 months. During that time, amounts that accumulate in excess of the \$1,000 savings limit must be applied to the patient's cost of care. If the patient continues to be hospitalized at the conclusion of the 18-month period, the entire account must be applied to the patient's cost of care.

Sec. 191. Minnesota Statutes 1986, section 256D.06, is amended by adding a subdivision to read:

*Subd. 1c. [ELIGIBILITY OF FAMILIES.] Notwithstanding any other provisions of sections 256D.01 to 256D.22, general assistance for an assistance unit consisting of members of a family must be granted in an amount that is equal to the amount of assistance which would be paid to an aid to families with dependent children assistance unit which has the same size, composition, income, and other circumstances relevant to the computation of an AFDC grant. Income for an assistance unit consisting of members of a family applying for or receiving general assistance must be determined in the same manner as for persons applying for or receiving aid to families with dependent children, except that the first \$50 per month of total child support paid on behalf of family members is excluded and the balance is counted as unearned income, and nonrecurring lump sums received by the family shall be considered income in the month received and a resource thereafter.*

Sec. 192. Minnesota Statutes 1986, section 256D.07, is amended to read:

256D.07 [TIME OF PAYMENT OF ASSISTANCE.]

An applicant for general assistance or general assistance medical care authorized by section 256D.03, subdivision 3 shall be deemed eligible if the application and the verification of the statement on that application demonstrate that the applicant is within the eligibility criteria established by sections 256D.01 to 256D.21 and any applicable rules of the commissioner. Any person requesting general assistance or general assistance medical care shall be permitted by the local agency to make an application for assistance as soon as administratively possible and in no event later than the fourth day following the date on which assistance is first requested, and no local agency shall require that a person requesting assistance appear at the offices of the local agency more than once prior to the date on which the person is permitted to make the application. The application shall be in writing in the manner and upon the form prescribed by the commissioner and attested to by the oath of the applicant or in lieu thereof shall contain the following declaration which shall be signed by the applicant: "I declare that this application has been examined by me and to the best of my knowledge and belief is a true and correct statement of every material point." On the date that general assistance is first requested, the local agency shall inquire and determine whether the person requesting assistance is in immediate need of food, shelter, clothing, assistance for necessary transportation, or other emergency assistance pursuant to section 256D.06, subdivision 2. A person in need of emergency assistance shall be granted emergency assistance immediately, and necessary emergency assistance shall continue until either the person is determined to be ineligible for general assistance or the first grant of general assistance is paid to the person. A determination of an applicant's eligibility for general assistance shall be made by the local agency as soon as the required verifications are received by the local agency and in no event later than 30 days following the date that the application is made. Any verifications required of the

applicant shall be reasonable, and the commissioner shall by rule establish reasonable verifications. General assistance shall be granted to an eligible applicant without the necessity of first securing action by the board of the local agency. ~~The amount of the first grant of general assistance awarded to an applicant shall be computed to cover the time period starting with the date that assistance is first requested or if the applicant is not eligible on that date, the date on which the applicant first becomes eligible, and the first grant may be reduced by the amount of emergency general assistance provided to the applicant. The first month's grant must be computed to cover the time period starting with the date a signed application form is received by the local agency or from the date that the applicant meets all eligibility factors, whichever occurs later. The first grant may be reduced by the amount of emergency general assistance provided to the applicant.~~

If upon verification and due investigation it appears that the applicant provided false information and the false information materially affected the applicant's eligibility for general assistance or general assistance medical care provided pursuant to section 256D.03, subdivision 3 or the amount of the applicant's general assistance grant, the local agency may refer the matter to the county attorney. The county attorney may commence a criminal prosecution or a civil action for the recovery of any general assistance wrongfully received, or both.

Sec. 193. Minnesota Statutes 1986, section 256D.35, is amended by adding a subdivision to read:

*Subd. 9. [HOMESTEAD.] "Homestead" means a shelter in which the individual or the spouse with whom the individual lives has an ownership interest, and that is the principal residence of the individual, spouse, or the individual's minor or disabled child. The home may be either real or personal property, fixed or mobile, and located on land or water. The home includes all the land that appertains to it and buildings located on that land.*

Sec. 194. Minnesota Statutes 1987 Supplement, section 256D.37, subdivision 1, is amended to read:

Subdivision 1. (a) For all individuals who apply to the appropriate local agency for supplemental aid, the local agency shall determine whether the individual meets the eligibility criteria prescribed in subdivision 2. For each individual who meets the relevant eligibility criteria prescribed in subdivision 2, the local agency shall certify to the commissioner the amount of supplemental aid to which the individual is entitled in accordance with all of the standards in effect December 31, 1973, for the appropriate categorical aid program.

(b) When a recipient is an adult with mental illness in a facility licensed under Minnesota Rules, parts 9520.0500 to 9520.0690, a resident of a state hospital or a dwelling with a negotiated rate, the recipient is not eligible for a shelter standard, a basic needs standard, or for special needs payments. The state standard of assistance for those recipients is the clothing and personal needs allowance for medical assistance recipients under section 256B.35. Minnesota supplemental aid may be paid to negotiated rate facilities at the rates in effect on March 1, 1985, for services provided under the supplemental aid program to residents of the facility, up to the maximum negotiated rate specified in this section. The rate for room and board for a licensed facility must not exceed \$800. The maximum negotiated rate does not apply to a facility that, on August 1, 1984, was licensed by the

commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690 or a facility that, on August 1, 1984, was licensed by the commissioner of human services under Minnesota Rules, parts 9525.0520 to 9525.0660, but funded as a supplemental aid negotiated rate facility under this chapter. The following facilities are exempt from the limit on negotiated rates and must be reimbursed for documented actual costs, until an alternative reimbursement system covering services excluding room and board maintenance services is developed by the commissioner:

(1) a facility that only provides services to persons with mental retardation; and

(2) a facility not certified to participate in the medical assistance program that is licensed as a boarding care facility as of March 1, 1985, and does not receive supplemental program funding under Minnesota Rules, parts 9535.2000 to 9535.3000 or parts 9553.0010 to 9553.0080. Beginning July 1, 1987, the facilities under clause (1) are subject to applicable supplemental aid limits, and must meet all applicable licensing and reimbursement requirements for programs for persons with mental retardation. The negotiated rates may be paid for persons who are placed by the local agency or who elect to reside in a room and board facility or a licensed facility for the purpose of receiving physical, mental health, or rehabilitative care, provided the local agency agrees that this care is needed by the person. When Minnesota supplemental aid is used to pay a negotiated rate, the rate payable to the facility must not exceed the rate paid by an individual not receiving Minnesota supplemental aid. To receive payment for a negotiated rate, the dwelling must comply with applicable laws and rules establishing standards necessary for health, safety, and licensure. The negotiated rate must be adjusted by the annual percentage change in the consumer price index (CPI-U U.S. city average), as published by the Bureau of Labor Statistics between the previous two Septembers, new series index (1967-100) or 2.5 percent, whichever is less. In computing the amount of supplemental aid under this section, the local agency shall deduct from the gross amount of the individual's determined needs all income, subject to the criteria for income disregards in effect December 31, 1973, for the appropriate categorical aid program, except that the earned income disregard for disabled persons who are not residents of long-term care facilities must be the same as the earned income disregard available to disabled persons in the supplemental security income program and all actual work expenses must be deducted when determining the amount of income for the individual. From the first of the month in which an effective application is filed, the state and the county shall share responsibility for the payment of the supplemental aid to which the individual is entitled under this section as provided in section 256D.36.

Sec. 195. Minnesota Statutes 1986, section 256D.37, subdivision 2, is amended to read:

Subd. 2. [RESOURCE STANDARDS.] The resource standards and restrictions for supplemental aid under this section shall be those used to determine eligibility for disabled individuals in the supplemental security income program. The local agency shall apply the relevant criteria to each application. The local agency in its discretion may permit eligibility of an applicant having assets in excess of the amount prescribed in this section if liquidation of the assets would cause undue loss or hardship.

Sec. 196. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 6. [TRANSFERS.] (a) In determining the resources of an individual and an eligible spouse, if any, a person shall include a resource or interest that exceeds the limits set out in subdivision 2 and that was given away or sold for less than fair market value within the 24 months preceding application for Minnesota supplemental aid or during the period of eligibility.*

*(b) A transaction described in this subdivision is presumed to have been made to establish eligibility for benefits or assistance under this chapter unless the individual or eligible spouse gives convincing evidence to establish that the transaction was made exclusively for another purpose.*

*(c) For purposes of this subdivision, the value of a resource or interest is the fair market value when it was sold or given away, less the amount of compensation received.*

*(d) For any uncompensated transfer, the period of ineligibility must be calculated by dividing the amount of the uncompensated transferred amount by the statewide average monthly skilled nursing facility payment for the previous calendar year to determine the number of months of ineligibility. The individual is ineligible until the fixed period of ineligibility has expired. The period of ineligibility may exceed 24 months, and a reapplication for benefits after 24 months from the date of the transfer does not result in eligibility unless and until the period of ineligibility has expired.*

*(e) The period of ineligibility must not be applied if the local agency determines that it would create an immediate threat to the health or safety of the assistance unit.*

Sec. 197. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 7. [EXCLUSIONS.] The following must not be included as income in determining eligibility:*

*(1) the value of food stamps;*

*(2) home-produced food used by the household;*

*(3) Indian claim payments made by the United States Congress to compensate members of Indian tribes for the taking of tribal lands by the federal government;*

*(4) cash payments to displaced persons who face relocation as a result of the Housing Act of 1965, the Housing and Urban Development Act of 1965, or the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;*

*(5) one-third of child support payments received by an eligible child from an absent parent;*

*(6) displaced homemaker payments;*

*(7) reimbursement received for maintenance costs of providing foster care to adults or children;*

*(8) benefits received under Title IV and Title VII of the Older Americans Act of 1965;*

*(9) Minnesota renter or homeowner property tax refunds;*

(13) payments received for providing volunteer services under Title I, Title II, and Title III of the Domestic Volunteer Service Act of 1973;

(14) loans that have to be repaid;

(15) federal low income heating assistance program payments; and

(16) any other type of funds excluded as income by state law.

The local agency shall exclude the first \$20 of earned or unearned income.

Sec. 198. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 8. [APPLICATION FOR FEDERALLY FUNDED BENEFITS.] Persons for whom the applicant or recipient has financial responsibility and who have unmet needs must apply for, and if eligible, accept aid to families with dependent children and other federally funded benefits before allocation of earned and unearned income from the applicant or recipient to meet the needs of those persons. If the persons are determined potentially eligible for these benefits, the applicant or recipient may not allocate earned or unearned income to those persons.*

Sec. 199. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 9. [ALLOCATION OF INCOME.] The rate of allocation for the financially responsible relatives of applicants or recipients is one-half the individual supplemental security income standard of assistance, except as restricted in subdivision 8.*

*If the applicant or recipient shares a residence with another person who has financial responsibility for the applicant or recipient, the income of the responsible relative must be considered available to the applicant or recipient after allowing the deductions in subdivisions 11 and 12.*

Sec. 200. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 10. [EARNED INCOME DISREGARDS.] From the assistance unit's gross earned income, the local agency shall disregard \$65 plus one-half of the remaining income.*

*Subd. 12. [SELF-EMPLOYMENT EARNINGS.] A local agency must determine gross earned income from self-employment by subtracting business costs from gross receipts.*

Sec. 203. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 13. [RENTAL PROPERTY.] Income from rental property must be considered self-employment earnings for each month that an average of at least ten hours a week of labor is expended by the owner of the property. When no labor is expended, income from rental property must be considered as unearned income and an additional deduction must be allowed for actual, reasonable, and necessary labor costs for upkeep and repair.*

Sec. 204. Minnesota Statutes 1986, section 256D.37, is amended by adding a subdivision to read:

*Subd. 14. [GROSS INCOME TEST.] The local agency shall apply a gross income test prospectively for each month of program eligibility. An assistance unit is ineligible when nonexcluded income, before applying any disregards or deductions, exceeds 300 percent of the supplemental security income standard for the assistance unit.*

Sec. 205. Minnesota Statutes 1986, section 256E.12, subdivision 1, is amended to read:

Subdivision 1. The commissioner shall establish an ~~experimental~~ a state-wide program to assist counties in providing services to ~~chronically mentally ill~~ persons with serious and persistent mental illness as defined in section 245.462, subdivision 20.
