*Subd. 3. [FORM FOR ANALYSES.] (a) The commissioner may require a guaranteed analysis to be in a prescribed form if the commissioner determines that the requirement for expressing the guaranteed analysis of phosphorus and potassium in elemental form would not impose an economic hardship on distributors and users of fertilizer because of conflicting labeling requirements among the states.*

*(b) The commissioner must give proper notice and hold a public hearing before the determination is made.*

*(c) After making the determination under paragraph (a), the commissioner may require by rule that guaranteed analyses be in the following form:*

<i>“Total Nitrogen (N)</i>	<i>. . . . . percent</i>

### REGISTRATION AND LICENSING

Sec. 20. [18C.401] [GENERAL LICENSING AND REGISTRATION CONDITIONS.]

*Subdivision 1. [SUBSTANTIATION OF CLAIMS.] The commissioner may require a person applying for a license or registration to manufacture or distribute a product for use in this state to submit authentic experimental evidence or university research data to substantiate the claims made for the product. The commissioner may rely on experimental data, evaluations, or advice furnished by experts at the University of Minnesota as evidence to substantiate claims and may accept or reject additional sources of evidence in evaluating a fertilizer, soil amendment, or plant amendment. The experimental evidence must relate to conditions in this state for which the product is intended. The commissioner may also require evidence of value when used as directed or recommended.*

*Subd. 2. [INSUFFICIENT EVIDENCE.] If the commissioner determines that the evidence submitted does not substantiate the product's usefulness in this state, the commissioner may require the applicant to submit samples, conduct tests, or submit additional information, including conditions affecting performance, to evaluate the product's performance and usefulness.*

*Subd. 3. [REFUSAL TO LICENSE OR REGISTER.] The commissioner may refuse to license a person or register a specialty fertilizer, soil amendment, or plant amendment if:*

- (1) the application for license or registration is not complete;*
- (2) the commissioner determines that the fertilizer, soil amendment, plant amendment, or other additive with substantially the same contents will not or is not likely to produce the results or effects claimed if used as directed;*
- (3) the commissioner determines that the fertilizer, soil amendment, plant amendment, or other additive with substantially the same contents is not useful in this state; or*
- (4) the facility does not properly safeguard for bulk storage.*

*Subd. 4. [CONDITIONAL LICENSE AND REGISTRATION.] (a) After reviewing an application accompanied by the application fee, the commissioner may issue a conditional license or registration:*

- (2) if the commissioner determines that the applicant needs the license or registration to accumulate information necessary to substantiate claims;*  
*or*
- (3) to correct minor label violations.*

*(b) The commissioner may prescribe terms, conditions, and a limited period of time for the conditional license or registration.*

*(c) The commissioner may revoke or modify a conditional license or registration if the commissioner finds that the terms or conditions are being violated or are inadequate to avoid unreasonable adverse effects on the environment.*

*(d) The commissioner may deny issuance of a conditional license or registration if the commissioner determines that issuance of a license or*

If necessary, information relating to formulas of products may be revealed to a state or federal agency consulted with similar protection of trade secret authority and may be revealed at a public hearing or in findings of facts issued by the commissioner.*

*(b) If the commissioner proposes to release information that the applicant or registrant believes to be protected from disclosure under paragraph (a), the commissioner must notify the applicant or registrant by certified mail. The commissioner may not make the information available for inspection until 30 days after receipt of the notice by the applicant or registrant. During this period, the applicant or registrant may begin an action in an appropriate court for a declaratory judgment as to whether the information is subject to protection under this section.*

*(b) The fees due, plus the penalty, may be recovered in a civil action against the licensee or registrant.*

*(c) The assessment of the penalty does not prevent the commissioner from taking other actions as provided in this chapter. [17.718 s. 1]*

*Subd. 4. [RESPONSIBILITY FOR INSPECTION FEES.] If more than one person is involved in the distribution of a fertilizer, soil amendment, or plant amendment, the distributor who imports, manufactures, or produces the fertilizer or who has the specialty fertilizer, soil amendment, or plant amendment registered is responsible for the inspection fee on products produced or brought into this state. The distributor must separately list the inspection fee on the invoice to the licensee. The last licensee must retain the invoices showing proof of inspection fees paid for three years and must pay the inspection fee on products brought into this state before July 1, 1989, unless the reporting and paying of fees have been made by a prior distributor of the fertilizer. The burden is on each responsible party to show how that responsible party's liability should be apportioned. The trier of fact shall reduce the amount of damages in proportion to the amount of liability apportioned to the party recovering.*

*(b) In apportioning the liability of a party under this section, the trier of fact shall consider the following:*

*(1) the extent to which that responsible party contributed to the incident;*

*(2) the amount of agricultural chemical involved;*

*(3) the degree of toxicity of the agricultural chemical involved;*

*(4) the degree of involvement of and care exercised by the responsible party in manufacturing, formulating, handling, storing, distributing, transporting, applying, and disposing of the agricultural chemical;*

*(5) the degree of cooperation by the responsible party with federal, state, or local officials to prevent any harm to the public health or the environment; and*

*(6) knowledge by the responsible party of the hazardous nature of the agricultural chemical.*

*Subd. 2. [CONTRIBUTION.] If a responsible party is held liable under this chapter and establishes a proportionate share of the aggregate liability, the provisions of section 604.02, subdivisions 1 and 2, shall apply with respect to contribution and reallocation of any uncollectible amounts, except that an administrative law judge may also perform the functions of a court identified in section 604.02, subdivision 2.*

(b) The commissioner may enter sites for:

(1) inspection of equipment for the manufacture, formulation, blending, distribution, disposal, or application of agricultural chemicals and the premises on which the equipment is stored;

(2) sampling of sites actually or reportedly exposed to agricultural chemicals;

(3) inspection of storage, handling, distribution, use, or disposal areas of agricultural chemicals or their containers;

(9) other purposes necessary to implement this chapter, chapter 18B, or 18C.

(c) The commissioner may enter any public or private premises during or after regular business hours without a notice of inspection when a suspected incident may threaten public health or the environment.

**Subd. 2. [NOTICE OF INSPECTION SAMPLES AND ANALYSES.]** (a) The commissioner shall provide the owner, operator, or agent in charge with a receipt describing any samples obtained. If requested, the commissioner shall split any samples obtained and provide them to the owner, operator, or agent in charge. If an analysis is made of the samples, a copy of the results of the analysis must be furnished to the owner, operator, or agent in charge within 30 days after an analysis has been performed. If an analysis is not performed, the commissioner must notify the owner, operator, or agent in charge within 30 days of the decision not to perform the analysis.

(b) The methods of sampling and analysis must be those adopted by the United States Environmental Protection Agency or the association of official analytical chemists. In cases not covered by those methods, or in cases where methods are available in which improved applicability has been demonstrated, the commissioner may adopt appropriate methods from other sources.

(c) In sampling a lot of agricultural chemical that is registered, a single package may constitute the official sample.

**Subd. 3. [INSPECTION REQUESTS BY OTHERS.]** (a) A person who believes that a violation of this chapter has occurred may request an inspection by giving notice to the commissioner of the violation. The notice must be in writing, state with reasonable particularity the grounds for the notice, and be signed by the person making the request.

(b) If after receiving a notice of violation the commissioner reasonably believes that a violation has occurred, the commissioner shall make a special inspection in accordance with the provisions of this section as soon as practicable, to determine if a violation has occurred.

(c) An inspection conducted pursuant to a notice under this subdivision may cover an entire site and is not limited to the portion of the site specified in the notice. If the commissioner determines that reasonable grounds to believe that a violation occurred do not exist, the commissioner must notify the person making the request in writing of the determination.

**Subd. 4. [ORDER TO ENTER AFTER REFUSAL.]** After a refusal or an anticipated refusal based on a prior refusal to allow entrance on a prior occasion by an owner, operator, or agent in charge to allow entry as specified in this chapter, the commissioner may apply for an order in the district court in the county where a site is located, that compels a person with authority to allow the commissioner to enter and inspect the site.

**Subd. 5. [VIOLATOR LIABLE FOR INSPECTION COSTS.]** (a) The cost of reinspection and reinvestigation may be assessed by the commissioner if the person subject to the corrective action order or remedial action order does not comply with the order in a reasonable time as provided in the order.

(b) The commissioner may enter an order for recovery of the inspection and investigation costs.

**Subd. 6. [INVESTIGATION AUTHORITY.]** (a) In making inspections under this chapter, the commissioner may administer oaths, certify official acts, issue subpoenas to take and cause to be taken depositions of witnesses, and compel the attendance of witnesses and production of papers, books, documents, records, and testimony.

(b) If a person fails to comply with a subpoena, or a witness refuses to produce evidence or to testify to a matter about which the person may be lawfully questioned, the district court shall, on application of the commissioner, compel obedience proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued by the court or a refusal to testify in court.

ARTICLE 9

CHAPTER 18E

AGRICULTURAL CHEMICAL INCIDENT RESPONSE FUND

Section 1. [18E.01] [CITATION.]

*This chapter may be cited as the agricultural chemical incident response fund.*

Sec. 2. [18E.02] [DEFINITIONS.]

*Subdivision 1. [DEFINITIONS IN CHAPTER 18B AND 18C APPLY.] The definitions contained in chapters 18B and 18C apply to this chapter.*

*Subd. 2. [AGRICULTURAL CHEMICAL.] "Agricultural chemical" means pesticide, fertilizer, plant amendment, or soil amendment but does not include nitrate and related nitrogen from a natural source.*

*Subd. 3. [FUND.] "Fund" means the agricultural chemical incident response fund.*

*Subd. 4. [ELIGIBLE PERSON.] "Eligible person" means a responsible party or an owner of real property.*

*Subd. 5. [WHOLESALE SALE.] "Wholesale sale" means a sale of agricultural chemicals to a retailer, or to a person or entity who applies the agricultural chemical if the agricultural chemical is not bought from a retailer. If a person or entity makes wholesale and retail sales, the entire amount of the sale of agricultural chemicals to the person or entity is not a wholesale sale unless the purchaser provides an affidavit of the amount that will be sold at retail.*

Sec. 3. [18E.03] [AGRICULTURAL CHEMICAL INCIDENT RESPONSE FUND.]

*Subdivision 1. [ESTABLISHMENT.] (a) The agricultural chemical incident fund is established as a fund in the state treasury.*

*(b) The fund consists of an incident response account and a response reimbursement account.*

*Subd. 2. [INCIDENT RESPONSE ACCOUNT.] (a) Money in the incident response account may only be used for:*

*(1) payment to the commissioner of finance to credit the response account in the environmental response, compensation, and compliance fund under section 115B.20, subdivision 1;*

*(2) to pay for the commissioner's responses to incidents under chapters 18B and 18C that are not eligible for payment under section 115B.20, subdivision 2; and*

*(3) to pay for emergency responses that are otherwise unable to be funded.*

*(b) Money in the incident response account is appropriated to the commissioner to make payments as provided in this subdivision.*

*Subd. 3. [INCIDENT RESPONSE FEE.] (a) The commissioner shall impose an incident response fee on registration of pesticides under chapter 18B and registration of fertilizers, plant amendments, and soil amendments under chapter 18C. For fertilizers that are not registered under chapter 18C, an incident response fee shall be imposed on each brand or grade of fertilizer, soil amendment, or plant amendment distributed in the state and required to be listed on a licensee's tonnage report under chapter 18C. The commissioner shall charge the incident response fee as part of the registration fee of the agricultural chemicals. The commissioner shall determine the amount of the incident response fee, notwithstanding section 16A.128, based on:*

*(1) the amount needed to reimburse the response account of the environmental response, compensation, and compliance fund under section 115B.20, subdivision 1;*

*(2) the amount needed to maintain an emergency response balance in the account of \$1,000,000;*

*(3) the amount estimated to be needed for responses to incidents as provided in subdivision 2, clause (2); and*

*(4) for the amount of the incident response fee charged for each agricultural chemical registered, the amount of active ingredients of the agricultural chemical used in this state as determined by the commissioner, but the incident response fee charged may not be less than \$25 per agricultural chemical or more than \$3,000, except the incident response fee may exceed \$3,000 for agricultural chemicals containing a substance for which the United States Environmental Protection Agency has announced a health advisory in the federal register.*

*(b) Money from the incident response fee shall be deposited in the fund and credited to the incident response account.*

*(c) The commissioner shall determine the incident response fee so that the balance in the account does not exceed \$5 million. The balance in the*

account may not exceed \$2.5 million during the first year the fee is imposed.

*Subd. 4. [RESPONSE REIMBURSEMENT ACCOUNT.] Money in the response reimbursement account may only be used for reimbursement or payment of the reasonable and necessary costs incurred by a responsible party taking a corrective action as provided under section 4.*

*Subd. 5. [RESPONSE REIMBURSEMENT FEE.] (a) A response reimbursement fee is imposed on the weight or volume of agricultural chemicals sold by wholesale sales to a person or other entity in this state. The commissioner must determine the amount of fee, notwithstanding section 16A.128, based on:*

*(1) the amount needed for reimbursement of response costs under section 4; and*

*(2) the amount needed to maintain a minimum balance in the account of \$1,000,000.*

*(b) The commissioner shall set the response reimbursement fee on an annual basis as a rate per weight or volume of agricultural chemical sold. The rate shall be based on the amount of active ingredients in the agricultural chemical. The response reimbursement fee may not be less than \$25 for each agricultural chemical sold by a person or entity at wholesale or more than \$3,000, except the response reimbursement fee may exceed \$3,000 for an agricultural chemical containing a substance for which the United States Environmental Protection Agency has announced a health advisory in the federal register.*

*(c) The commissioner must reduce or eliminate the response reimbursement fee if the balance in the account exceeds \$5,000,000.*

*(d) The commissioner of revenue shall collect the response reimbursement fee on a quarterly basis and has the collection and enforcement authority to collect the fee as if it were a tax under chapter 297 or 297A.*

*(e) The money collected from the response reimbursement fee shall be deposited in the fund and credited to the incident reimbursement account.*

*Subd. 6. [REVENUE SOURCES.] (a) Revenue from the following sources must be deposited in the state treasury and credited to the fund:*

*(1) the proceeds of the fees imposed by subdivisions 3 and 5;*

*(2) money recovered by the state for expenses paid with money from the fund excluding reimbursements to the environmental response, compensation, and compliance fund under section 115B.20, subdivision 4, clause 4;*

*(3) interest attributable to investment of money in the fund; and*

*(4) money received by the commissioner in the form of gifts, grants other than federal grants, reimbursements, and appropriations from any source intended to be used for the purposes of the fund.*

*(b) Money deposited in the fund shall be credited to the incident response account except for money collected from the response reimbursement fee under subdivision 5 and money recovered relating to response reimbursement payments under section 4, subdivision 6.*

**Sec. 4. [18E.04] [REIMBURSEMENT OR PAYMENT OF RESPONSE COSTS.]**

*Subdivision 1. [REIMBURSEMENT OF RESPONSE COSTS.] The commissioner shall reimburse an eligible person from the response reimbursement account for the reasonable and necessary costs incurred by the eligible person in taking corrective action as provided in subdivision 4, if the commissioner determines:*

- (1) the eligible person complied with corrective action orders issued to the eligible person by the commissioner; and*
- (2) the incident was reported as required in chapters 18B and 18C.*

*Subd. 2. [PAYMENT OF CORRECTIVE ACTION COSTS.] (a) On request by an eligible person, the commissioner may pay the eligible person for the reasonable and necessary cash disbursements for corrective action costs incurred by the eligible person as provided under subdivision 4 if the commissioner determines:*

- (2) the eligible person provides the commissioner with a sworn affidavit and other convincing evidence that the eligible person is unable to pay additional corrective action costs;*
- (3) the eligible person continues to assume responsibility for carrying out the requirements of corrective action orders issued to the eligible person or at once in effect; and*
- (4) the incident was reported as required in chapters 18B and 18C.*

*(b) An eligible person is not eligible for payment or reimbursement and must refund amounts paid or reimbursed by the commissioner if false statements or misrepresentations are made in the affidavit or other evidence submitted to the commissioner to show an inability to pay corrective action costs.*

*Subd. 3. [PARTIAL REIMBURSEMENT.] If the commissioner determines that an incident was caused in part, but not entirely by a violation of chapter 18B or 18D, the commissioner shall reimburse or pay the corrective action costs of the eligible person based on the culpability of the eligible person and the percentage of the costs not attributable to the violation.*

*Subd. 4. [REIMBURSEMENT PAYMENTS.] (a) The commissioner shall pay a person that is eligible for reimbursement or payment under subdivisions 1, 2, and 3 from the response reimbursement account for:*

- (1) 80 percent of the total reasonable and necessary corrective action costs greater than \$1,000 and less than \$100,000; and*
- (2) 100 percent of the total reasonable and necessary corrective action costs equal to or greater than \$100,000 but less than \$250,000.*

*(b) A reimbursement or payment may not be made until the commissioner has determined that the costs are reasonable and for a reimbursement that the costs were actually incurred.*

*(c) Money in the response reimbursement account is appropriated to the commissioner to make payments and reimbursements under this subdivision.*

*Subd. 5. [REIMBURSEMENT OR PAYMENT DECISIONS.] (a) The commissioner must issue an order granting or denying a request within 30*

days following a request for reimbursement or for payment under subdivisions 1, 2, or 3.

(b) After an initial request is made for reimbursement notwithstanding subdivisions 1 to 4, the commissioner may deny additional requests for reimbursement.

(c) If a request is denied, the eligible person may appeal the decision as a contested case hearing under chapter 14.

*Subd. 6. [SUBROGATION.] (a) If a person other than a responsible party is paid or reimbursed from the response reimbursement account as a condition of payment or reimbursement, the state is subrogated to the rights of action the person paid or reimbursed has against the responsible party. The commissioner shall collect the amounts from the responsible party and on request of the commissioner the attorney general shall bring an action to enforce the collection.*

(b) Amounts collected under this subdivision must be deposited in the agriculture chemical incident response fund and credited to the response reimbursement account.

**Sec. 5. [REIMBURSEMENT FOR INCIDENTS BEFORE THE EFFECTIVE DATE OF THIS ACT.]**

(a) A responsible party for a pesticide or fertilizer incident which occurred after January 1, 1985, but before June 30, 1989, must be reimbursed for such costs as provided for under section 4, subdivision 4, if the person:

(1) has been issued a response order, remedial action, or other order by the commissioner;

(2) has entered into any response order by consent with the commissioner;

(3) the amount if the percentage determined under clause (2) were multiplied times the nonreimbursed allocations made to the commissioner of agriculture.

(d) The commissioner of finance must notify the commissioner of agriculture of the amount determined in paragraph (c), clause (3), and the commissioner of agriculture must pay the amount from the incident response account from fees generated from the incident response fee on registration fees for agricultural chemicals under section 3.

(e) The commissioner of finance shall administer the account in a manner that allows the commissioner of agriculture and the agency to utilize the money in the account to implement their removal and remedial action duties as effectively as possible.

*(1) corrective action costs incurred by the responsible person; and*

*(2) costs that the responsible person is legally obligated to pay as damages to third parties for bodily injury or property damage caused by a release if the responsible person's liability for the costs has been established by a court order or a consent decree.*

*(c) A cost for liability to a third party is considered to be incurred by the responsible person when an order or consent decree establishing the liability is entered. Except as provided in this paragraph, reimbursement may not be made for costs of liability to third parties until all eligible corrective action costs have been reimbursed. If a corrective action is expected to continue in operation for more than one year after it has been fully constructed or installed, the board may estimate the future expense of completing the corrective action and, after subtracting this estimate from the total reimbursement available under subdivision 3, reimburse the costs for liability to third parties. The total reimbursement may not exceed the limit set forth in subdivision 3.*

Subd. 2. [RESPONSIBLE PERSON ELIGIBILITY.] (a) A responsible person who has ~~taken corrective action and~~ incurred reimbursable costs after June 4, 1987, in response to a release, may apply to the board for partial reimbursement under subdivision 3 and rules adopted by the board. *The board may consider applications for reimbursement after the commissioner has approved a design for corrective action that the commissioner determines will adequately address the release. The board may also consider applications when the corrective action has been fully constructed or installed and periodically afterward as the corrective action continues operation.*

(c) The board shall reduce the amount of reimbursement to be made under this section if it finds that the responsible person has not complied with one or more of the following requirements:

(1) at the time of the release the tank was in substantial compliance with state and federal rules and regulations applicable to the tank, including rules or regulations relating to financial responsibility;

(2) the agency was given notice of the release as required by section 115.061;

(3) the responsible person, to the extent possible, fully cooperated with the agency in responding to the release; and

(4) if the responsible person is an operator, the person exercised due care with regard to operation of the tank, including maintaining inventory control procedures.

(d) *The reimbursement shall be reduced as much as 100 percent for failure by the responsible person to comply with the requirements in paragraph (c), clauses (1) to (4). In determining the amount of the reimbursement reduction, the board shall consider:*

(1) *the likely environmental impact of the noncompliance;*

(2) *whether the noncompliance was negligent, knowing, or willful;*

(3) *the deterrent effect of the award reduction on other tank owners and operators; and*

(4) *the amount of reimbursement reduction recommended by the commissioner.*

Subd. 3. [REIMBURSEMENT.] (a) The board shall reimburse a responsible person who is eligible under subdivision 2 from the fund for ~~75~~ 90 percent of the portion of the total ~~corrective action~~ reimbursable costs ~~greater than \$10,000 and less than \$100,000~~ \$250,000. *Not more than \$250,000 may be reimbursed for costs associated with a single release, regardless of the number of persons eligible for reimbursement.*

(b) A reimbursement may not be made from the fund under this subdivision until the board has determined that the costs for which reimbursement is requested were actually incurred and were reasonable.

(c) Money in the fund is appropriated to the board to make reimbursements under this section.

Subd. 3a. [ELIGIBILITY OF OTHER PERSONS.] Notwithstanding the provisions of subdivisions 1 to 3, the board shall provide full reimbursement to a person who has taken corrective action if the board determines that:

(3) the costs for which reimbursement is requested were actually incurred and were reasonable.

(1) is not a responsible person under section 115C.02;

(2) holds legal or equitable title to the property where a release occurred; and

(3) incurs reimbursable costs on or after the effective date of this subdivision.

(b) A person eligible for reimbursement under this subdivision must, to the maximum extent possible, comply with the same conditions and requirements of reimbursement as those imposed by this section on a responsible person.

(c) The board may reduce the reimbursement to a person eligible under this subdivision if the person acquired legal or equitable title to the property from a responsible person who failed to comply with the provisions of subdivision 2, paragraph (c).

Subd. 4. [REIMBURSEMENT DOES NOT AFFECT OTHER LIABILITY.] The right to apply for reimbursement and the receipt of reimbursement does not limit the liability of a responsible person for damages or costs incurred by a person or the state as a result of a release.

Subd. 5. [RETURN OF REIMBURSEMENT.] (a) The board may demand the complete or partial return of any reimbursement made under this section if the responsible person:

(1) misrepresents or omits a fact relevant to a determination made by the board or the commissioner under this section; or

(2) fails to complete corrective action that the commissioner determined at the time of the reimbursement to be necessary to adequately address the release.

(b) If a reimbursement under this subdivision is not returned upon demand by the board, the board may recover the reimbursement, with administrative and legal expenses, in a civil action in district court brought by the attorney general against the responsible person. If the board's demand for return of the reimbursement is based on willful actions of the responsible person, the responsible person shall also forfeit and pay to the state a civil penalty, in an amount to be determined by the court, of not more than the full amount of the reimbursement.

*(2) the commissioner approves of the annexation, after making the determination that the population and economic patterns of the county are consistent with the proposed annexation.*

*A town that is not part of an existing area development alliance may petition the commissioner by town board resolution for the purpose of annexing the town to a contiguous area development alliance. The commissioner may order the annexation if the town meets the conditions specified in clauses (1) and (2) of this subdivision.*

*Subd. 3. [ANNEXATION BY COMMISSIONER'S INITIATIVE.] Within two years after a federal decennial census, the state demographer must review the boundaries of the areas and submit a report to the commissioner with boundary modification recommendations, taking into account the population and economic patterns of each area. Upon receiving boundary modification recommendations from the state demographer, the commissioner may order an annexation under subdivision 1 without meeting the petition requirements after determining that the other conditions specified in subdivision 1 have been met.*

*Subd. 4. [CITY ANNEXATION.] A city that is located in more than one county may petition the commissioner by city council resolution for*

*the purpose of annexing the entire city to a contiguous area development alliance. The commissioner may order the annexation if the city meets the conditions specified in subdivision 2, clauses (1) and (2).*

*Subd. 5. [PUBLIC HEARING REQUIREMENTS.] The commissioner must hold a public hearing in the proposed annexation area before ordering an annexation under this section. Notice and time requirements specified in section 17, subdivision 2, apply to the public hearing.*

**Sec. 9. [462.407] [ALLIANCE CHAIR; OFFICERS AND STAFF]**

*Subdivision 1. [CHAIR.] The chair of the alliance shall have been a resident of the area for at least one year and shall be a person experienced in the field of government affairs. The chair shall preside at the meetings of the alliance and board of directors, appoint all employees as provided in the personnel system adopted under subdivision 4, and be responsible for carrying out all policy decisions of the alliance. The chair's expense allowances must be fixed by the alliance. The term of the first chair is one year, and the chair shall serve until a successor is selected and qualifies. At the expiration of the term of the first chair, the chair must be elected from the membership of the alliance according to procedures established in its bylaws.*

*Subd. 2. [OFFICERS.] Except as provided in subdivision 1, the alliance may elect officers it considers necessary for the conduct of its affairs. Times and places of regular and special meetings must be fixed by the alliance and may be provided in the alliance bylaws. In the performance of its duties the alliance may adopt bylaws; establish committees, divisions, departments, and bureaus; staff the committees, divisions, departments, and bureaus as necessary to carry out its duties; and when specifically authorized by law, make appointments to other governmental agencies and districts. All officers and employees serve at the pleasure of the alliance and in accordance with this section.*

*Subd. 3. [EXECUTIVE DIRECTOR.] Upon the recommendation of the chair, the alliance may appoint an executive director to serve as the chief administrative officer.*

*Subd. 4. [EMPLOYEES.] The alliance may prepare, in consultation with the commissioner of employee relations, and may adopt, a personnel system for its officers and employees, including hiring procedures and policies, terms and conditions of employment, compensation, classification, benefits, the filing of performance and fidelity bonds, and insurance policies as it considers advisable, with premiums to be paid by the alliance. Officers and employees are public employees within the meaning of chapter 353. The alliance shall make the employer's contributions to pension funds of its employees.*

*Subd. 5. [STAFF SERVICES.] To avoid duplication of staffs for various regional bodies assisted by the federal government, the alliance may provide basic administrative, research, and planning services for all regional planning and development bodies in Minnesota. The alliance may contract to obtain or perform services with state agencies, nonprofit regional groups,*

*subdistricts organized as the result of federal programs, councils of governments organized under section 471.59, or other law, and with governmental units.*

*Subd. 6. [CONSULTANTS.] The alliance may contract for the services of consultants who perform engineering, legal, or other services of a professional nature for peak workloads, continuing advice on program direction, and for specialized and technical services. The contracts are not subject to the requirements of any law relating to public bidding.*

**Sec. 10. [462.408] [POWERS AND DUTIES.]**

*Subdivision 1. [GENERAL POWERS.] The alliance shall have and exercise all powers which may be necessary or convenient to enable it to perform and carry out the duties and responsibilities of sections 1 to 17 or which may hereafter be imposed upon it by law. The powers include the specific powers enumerated in this section. The alliance is a political subdivision of the state for purposes of section 297A.25, subdivision 11.*

*Subd. 2. [STATE AND FEDERAL PROGRAMS.] The alliance is the authorized agency to receive state and federal grants for regional purposes from the following programs:*

*(1) Public Works and Economic Development Act of 1965, as amended through December 31, 1988, United States Code, title 42, section 3171 (economic development districts); and*

*(2) any other state and federal programs providing funds for local, multicounty, or regional planning, coordination, service delivery, and development purposes, to the extent determined feasible by the governor.*

*Subd. 3. [PLANNING.] The alliance may prepare and adopt, after appropriate study and public hearings as may be necessary, development plans for the area or portions of the area. The plans may consist of policy statements, goals, standards, programs, and maps prescribing guides for an orderly and economic development, public and private, of the area. The plans may also include an outline of trends, issues, and problems occurring in rural areas of the state. A development plan or portion of a plan for the area may not be adopted by the alliance until it has been submitted to the commissioner for review and comment and a period of 60 days has elapsed after the submission. When a development plan has been adopted, the alliance shall distribute it to all governmental units within the area.*

*Subd. 4. [COMPREHENSIVE PLANNING.] The establishment of an area development alliance does not affect the right of counties or cities to conduct planning under sections 462.371 to 462.375 or 471.59. It is the purpose of sections 1 to 17 to encourage local planning capability and the alliance shall, as far as practical, use the data, resources, and input of the local planning agencies.*

*Subd. 5. [PLANNING REVIEW.] The alliance may review all long-term comprehensive plans of each governmental unit, independent commission, board, or agency, but only if the plan is determined by the alliance to have an areawide effect, a multicomunity effect, or to have a substantial effect on development of the area. Each plan determined to have areawide significance by the alliance must be submitted to the alliance for review and comment before any action is taken to place the plan or any part of the plan into effect. No action shall be taken to place any plan or any part of a plan into effect until 60 days have elapsed after the date of its submission*

*to the alliance or until the alliance reviews and comments on the plan. The alliance shall develop, in consultation with the commissioner, formal procedures for the review of plans required to be submitted to it under this subdivision. The procedures must be included in a formal resolution adopted after public hearing. After adoption, the resolution must be transmitted to each governmental unit and independent agency, board, or commission within the area.*

*Subd. 6. [RESEARCH.] The alliance may research and study issues and concerns relating to water, land use, economic development, minority problems, governmental problems, human and natural resources, waste reduction and management, communication, transportation, and other subjects of concern to the general public of the area. The alliance may institute demonstration projects in connection with a study.*

*Subd. 7. [PROGRAM COORDINATION.] The alliance may coordinate civil defense, community shelter planning, floodplain management programs, and other programs of areawide significance within the area and contract with local governmental agencies and consultants for the purpose of program coordination.*

*Subd. 8. [LOCAL GOVERNMENT BOUNDARIES.] The alliance may participate as a party in any proceedings originating before the Minnesota municipal board under chapter 414, if the proceedings involve the change in a boundary of a governmental unit in the area.*

*Subd. 9. [DATA AND INFORMATION.] The alliance, in consultation with appropriate departments and agencies of the state, may develop, in cooperation with the public and private colleges and universities and governmental units, a center for data collection and storage to be used by it and other governmental and private users. The alliance may enter into agreements with any state or federal agency to provide information to the governmental units, and others, regarding federal and state programs and data sources.*

*Subd. 10. [SERVICES AND TECHNICAL ASSISTANCE.] The alliance may contract with governmental units and private organizations to provide them with services and technical assistance in the conduct of local planning and development activities. The alliance may also provide technical assistance to governmental units on a noncontractual basis.*

*Subd. 11. [REVOLVING LOAN FUND.] In order to promote and encourage local economic development, the alliance may establish a revolving loan fund to provide loans to businesses. If the alliance establishes a revolving loan fund, the alliance shall establish uniform application forms and procedures, minimum interest rates, security requirements, restrictions on the amount of the alliance's participation in a project, and other financial terms and conditions that the alliance determines are necessary in providing financial assistance. The alliance may sell, at private or public sale, loans made under this subdivision to a business, for-profit or nonprofit organization, or an individual.*

**Sec. 11. [462.409] [COUNTY ECONOMIC DEVELOPMENT AUTHORITY.]**

*Subdivision 1. [ESTABLISHMENT.] A county located in an alliance area may establish a county economic development authority that has the same powers as an economic development authority established under*

*section 469.091. If a county establishes an economic development authority, the county shall exercise all of the powers relating to an economic development authority granted to a city under sections 469.090 to 469.108.*

*Subd. 2. [DISTRICTS.] A county economic development authority may create and define the boundaries of economic development districts at any place or places within the county. Section 469.174, subdivision 10, and the contiguity requirement specified under section 469.101, subdivision 1, do not apply to county economic development districts.*

*Subd. 3. [LIMITATION.] A county economic development authority may only exercise its powers or levy authority within the boundaries of a city at the request of the city's governing body. A county economic development authority may not exercise its levy authority within the boundaries of a city that has established an economic development authority or port authority.*

*Subd. 4. [PROJECT REVIEW.] All county economic development authority projects must be submitted to the alliance for review and comment before any action may be taken on the project. No action may be taken on the project until after 45 days have elapsed from the date of submission of the project to the alliance or until the alliance reviews and comments on the project. For purposes of this subdivision, "project" means an economic development district as described in section 469.101, subdivision 1, a project as defined in section 469.002, subdivision 12, or a project as defined in section 469.153, subdivision 2, paragraph (a), (b), or (c).*

**Sec. 12. [462.410] [REPORTS.]**

*Subdivision 1. [ANNUAL REPORT.] On or before August 1 of each year, the alliance shall prepare a report for the governmental units, the public within the area, the legislature and the governor. The report must include:*

*(1) a statement of the alliance's receipts and expenditures by category since the preceding report;*

*(2) a detailed budget for the year in which the report is filed and a tentative budget for the following year including an outline of its program for the period;*

*(3) a description of development plans adopted for the area;*

*(4) summaries and recommendations of any studies conducted for the area;*

*(5) recommendations of the alliance regarding federal and state programs, cooperation, funding, and legislative needs; and*

*(6) a summary of any report made during the previous year by the state auditor relative to the alliance.*

*Subd. 2. [PERFORMANCE REPORT.] In 1991 and every five years thereafter the alliance shall review its activities and issue a report to the commissioner, the governmental units within the area, and the general public within the area. The report must include:*

*(1) an assessment of the alliance's performance in fulfilling the purposes of the area development alliance act;*

*(2) an assessment of the state of the alliance area, outlining trends and problems occurring within the alliance area; and*

*(3) recommendations addressing the trends and problems outlined.*

**Sec. 13. [462.411] [CITIZEN PARTICIPATION AND ADVISORY COMMITTEES.]**

*The alliance may appoint advisory committees of interested and affected members of the general public to assist in the review of plans, programs, and other matters referred for review by the alliance. Whenever a special advisory committee is required by a federal or state regional program, the alliance chair shall, as far as practical, appoint advisory committees to the alliance. Members of the advisory committees shall serve without compensation but shall be reimbursed for their reasonable expenses as determined by the alliance.*

**Sec. 14. [462.412] [DUTIES OF STATE AGENCIES.]**

*All state departments and agencies shall cooperate with area development alliances established under sections 1 to 17 and shall make available to them studies, reports, data, and other informational and technical assistance within financial and personnel limitations. The commissioner shall coordinate the state's assistance programs to area development alliances.*

**Sec. 15. [462.413] [FINANCIAL; STATE ASSISTANCE.]**

*Subdivision 1. [GRANTS.] The commissioner shall determine the amount of and make grants to any alliance created under sections 1 to 17 from appropriations made available for those purposes, provided a work program is submitted acceptable to the commissioner. An alliance may levy a tax on all taxable property in the area to provide money for the purposes of sections 1 to 17.*

*Subd. 2. [BUDGET, TAX LEVY.] On or before June 30 of each year, the alliance shall submit its proposed budget for the next fiscal year showing anticipated receipts, disbursements, and ad valorem tax levy, with a written notice of the time and place of the public hearing on the proposed budget, to each county auditor and city clerk within the area and those town clerks who in advance have requested a copy of the budget and notice of public hearing. On or before October 1 of each year, the alliance shall adopt, after a public hearing held no later than September 20, a budget covering its anticipated receipts and disbursements for the next year and shall decide upon the total amount necessary to be raised from ad valorem tax levies to meet its budget. After adoption of the budget and no later than October 1, the secretary of the alliance shall certify to the auditor of each county within the area the county share of the tax, in an amount bearing the same proportion to the total levy agreed on by the alliance as the gross tax capacity of the county bears to the gross tax capacity of the area. The maximum amount of any levy made for the purposes of sections 1 to 17 shall not exceed one-sixth of one mill on each dollar of gross tax capacity of all taxable property in the area. The auditor of each county in the area shall add the amount of any levy made by the alliance within the limits imposed by this subdivision to other tax levies of the county for collection by the county treasurer with other taxes. When taxes are collected, the county treasurer shall make settlement of the taxes with the alliance in the same manner as other taxes are distributed to political subdivisions. The levy authorized by this section is in addition to any other county taxes authorized by law.*

*Subd. 3. [GIFTS; GRANTS; LOANS.] The alliance may accept gifts, apply for and use grants or loans of money or other property from the United States, the state, private organizations, or any person, local or*

*governmental body for any alliance purpose and may enter into agreements required in connection therewith and may hold, use, and dispose of money or property in accordance with the terms of the gift, grant, loan, agreement, or contract.*

*Subd. 4. [ACCOUNTS; AUDITS.] The alliance shall keep an accurate account of its receipts and disbursement. Disbursements of funds of the alliance must be made by check signed by the chair, vice-chair, or secretary of the alliance and countersigned by the executive director or an authorized deputy after the auditing and approval of the expenditure as may be provided by rules of the alliance. The state auditor shall audit the books and accounts of the alliance once each year, or as often as funds and personnel of the state auditor permit. The alliance shall pay to the state the total cost and expenses of the examination, including the salaries paid to the auditors while actually engaged in making the examination. The revolving fund of the state auditor must be credited with all collections made for any examination.*

*Subd. 5. [UNIFORM MUNICIPAL CONTRACT LAW.] Section 471.345 applies to every contract of the alliance for the purchase of merchandise, materials, or supplies.*

*Subd. 6. [OFFICIAL DEPOSITORY.] The alliance shall from time to time designate one or more national or state banks, or trust companies authorized to do a banking business, as official depositories for money of the alliance, and shall require the treasurer to deposit all or part of the money in the bank or banks. The designation must be in writing, must include all the terms and conditions upon which the deposits are made, must be signed by the chair and secretary, and must be made a part of the minutes of the alliance. A designated bank or trust company qualifies as a depository by furnishing a corporate surety bond or collateral as required by chapter 118, and must, as long as money of the alliance is on deposit, maintain the bond or collateral and secure any deposit, insofar as it is insured under federal law, as provided in section 118.10.*

*Subd. 7. [RESERVE FUND.] The alliance may establish an undedicated reserve fund. The amount of an undedicated reserve fund may not exceed two times the amount of taxes levied during the past fiscal year.*

*Subd. 8. [STATE EQUALIZATION REVENUE.] In order to receive state equalization revenue, an alliance must levy a tax of at least one-sixth of one mill times the gross tax capacity of taxable property in the area. If an alliance levies one-sixth of one mill times the gross tax capacity of taxable property in the area, the amount of state equalization revenue is equal to the sum of \$100,000 minus the amount of the tax levied by the alliance and .50 times the area population of up to 100,000 and .30 times the amount of the area population over 100,000 or \$40,000, whichever is greater. The population must be determined by using the most recent population estimate of the state demographer, as provided under section 116K.04, subdivision 4. Equalization revenue may be used for any purpose authorized under sections 1 to 17.*

**Sec. 16. [462.414] [BORROWING MONEY; CERTIFICATES OF INDEBTEDNESS.]**

*Subdivision 1. [AUTHORIZATION.] At any time after a tax has been levied by the alliance and certified to the county auditors to be spread on the next tax roll for collection, the alliance may borrow money and in*

*evidence thereof issue and sell its certificates of indebtedness in anticipation of the collection of the levy.*

*Subd. 2. [AMOUNT.] The aggregate principal amount of the certificates then remaining outstanding, issued in anticipation of any levies whatsoever, plus the then unpaid accrued interest and interest to accrue to maturity on all the certificates, may not exceed 50 percent of all taxes certified to the county auditors to be spread and collected which are not delinquent, less the amount received by the alliance before the latest certificates were issued.*

*Subd. 3. [MATURITY.] All certificates must mature not later than April 1 following the close of the year of collection of the taxes in anticipation of which they were issued, and may be made subject to redemption before maturity.*

*Subd. 4. [TERMS.] The alliance shall, by the resolution authorizing each issue of certificates, fix the amount, date, maturity or maturities, prepayment provisions, form, denominations, interest rate or rates, and other details of the certificates, and also pledge the full faith and credit of the alliance for payment of the certificates. In the resolution, the alliance shall also irrevocably appropriate to a special fund the amount, stated in dollars, of the levy anticipated as will be required to pay the principal of and interest on the certificates when due.*

*Subd. 5. [ADDITIONAL LEVY.] If, due to delinquencies in collection, the levy is not received at the times and in the amounts sufficient to meet the principal of and interest on certificates, the alliance may levy and cause to be extended, assessed and collected upon all taxable property within the area, the ad valorem taxes as may be required to pay the principal and interest and to restore to other funds advances made for that purpose.*

*Subd. 6. [SALE.] The certificates may be negotiated and sold in the manner determined by the alliance.*

**Sec. 17. [462.415] [TERMINATION OF ALLIANCE.]**

*Subdivision 1. [PETITION.] (1) Any combination of counties or cities representing a majority of the population of the alliance area, or (2) a majority of counties within the alliance, upon approval by a majority of the governing bodies of the cities and towns of each county located within the area for which an alliance exists, may petition the commissioner by formal resolution stating that the existing alliance is no longer in the public welfare and interest and does not accomplish the purposes of the area development alliance act. For purposes of the petition requirement, the population of a county does not include the population of a city within the county. Any formal resolution adopted by the governing body of a county, city, or town for the termination of an alliance is effective for a period of one year for the purpose of determining the requisite population of the area or number of counties, cities, and towns needed to petition the commissioner.*

*Subd. 2. [HEARING; NOTICE.] Within 35 days of the receipt of the petition, the commissioner shall fix a time and place within the area for a hearing. The commissioner shall give notice of the hearing by publication once each week for two successive weeks before the date of the hearing in a legal newspaper in each of the counties which the alliance represents. The hearing must be conducted by members of the alliance. If the alliance determines that the existing alliance is no longer in the public welfare and*

*interest and that it does not accomplish the purposes of the area development alliance act, the alliance shall recommend to the commissioner that the commissioner terminate the alliance. Within 60 days after receipt of the recommendation, the commissioner shall terminate the alliance by giving notice of the termination to all governmental units within the area for which the alliance was established. Unless otherwise provided by this subdivision, the hearing must be in accordance with sections 14.01 to 14.69.*

*Subd. 3. [LIMITATION.] The commissioner shall not accept a petition for termination more than once in 30 months for each alliance.*

**Sec. 18. [APPROPRIATION; LEGISLATIVE AUDITOR.]**

[VACATION.] When the definite location of any trunk highway takes the place of and serves the same purpose as any portion of an existing road, however established, the commissioner may make an order vacating such portion of the road. A copy of the order shall be served upon the owners and occupants of the lands on which is located the portion of the road so vacated *and, if the road terminates at or abuts upon any public water, a copy of the order also shall be served upon the commissioner of natural resources.* A copy of the order, together with proof of service, or

affidavit of publication if the owners are unknown or reside outside the state, shall be filed with the county auditor of the county in which such lands lie. Any person claiming to be damaged by the vacation may appeal at any time within 30 days after the service of the order to the district court of the county for a determination of damages, by serving notice of the appeal on the commissioner and filing same with proof of service in the office of the court administrator of the district court. The appeal shall be tried in the same manner as an appeal from an award in proceedings in eminent domain.

Sec. 2. Minnesota Statutes 1988, section 163.11, is amended by adding a subdivision to read:

*Subd. 7a. [HIGHWAYS TERMINATING AT OR ABUTTING UPON PUBLIC WATER.] By 30 days before the hearing on a resolution to vacate, disclaim, or extinguish a county highway or an interest in a county highway that terminates at or abuts at a public water, the county board must serve notice of the hearing by certified mail on the commissioner of natural resources.*

Sec. 3. Minnesota Statutes 1988, section 164.07, subdivision 2, is amended to read:

*Subd. 2. [HEARING.] The petition shall be filed with the town clerk, who shall forthwith present it to the town board. The town board within 30 days thereafter shall make an order describing as nearly as practicable the road proposed to be established, altered, or vacated and the several tracts of land through which it passes, and fixing a time and place when and where it will meet an act upon the petition. The petitioners shall cause personal service of such order to be made upon each occupant of such land at least ten days before such meeting and cause ten days' posted notice thereof to be given. In addition, the petitioners must serve notice of the order by certified mail upon the commissioner of natural resources at least 30 days before the meeting if the road to be vacated terminates at or abuts at a public water.*

Sec. 4. Minnesota Statutes 1988, section 412.851, is amended to read:  
412.851 [VACATION OF STREETS.]

The council may by resolution vacate any street, alley, public grounds, public way, or any part thereof, on its own motion or on petition of a majority of the owners of land abutting on the street, alley, public grounds, public way, or part thereof to be vacated. When there has been no petition, the resolution may be adopted only by a vote of four-fifths of all members of the council. No such vacation shall be made unless it appears in the interest of the public to do so after a hearing preceded by two weeks' published and posted notice. *In addition, if all or part of the street, alley, public grounds, or public way terminates at or abuts at a public water, a vacation may not be made unless written notice of the petition or proposed resolution is served by certified mail upon the commissioner of natural resources at least 30 days before the hearing on the matter.* After a resolution of vacation is adopted, the clerk shall prepare a notice of completion of the proceedings which shall contain the name of the city, an identification of the real estate and lands affected thereby. The notice shall be presented to the county auditor who shall enter the same in the transfer records and note upon the instrument, over official signature, the words

“entered in the transfer record.” The notice shall then be filed with the county recorder. Any failure to file the notice shall not invalidate any such vacation proceedings.

Sec. 5. Minnesota Statutes 1988, section 440.13, is amended to read:

**440.13 [COUNCIL MAY VACATE STREETS IN CITIES OF THE FOURTH CLASS.]**

In any city of the fourth class organized under a home rule charter, the council thereof shall have power by a majority vote of the council to vacate any street or highway, or any part of any street or highway therein, upon the petition of all the owners of lands abutting both sides of the street or highway, or part thereof, proposed to be vacated wherein one end of the street or highway, or part thereof proposed to be vacated does not connect with any other street or highway. *If a part of the street or highway proposed to be vacated terminates at or abuts at a public water, the petitioners shall serve notice of the petition by certified mail upon the commissioner of natural resources at least 30 days before the council hearing on the matter.* Except as herein provided all other provisions of the home rule charter shall apply to and govern the proceeding.

Sec. 6. Minnesota Statutes 1988, section 440.135, subdivision 2, is amended to read:

Subd. 2. [COUNCIL MAY VACATE; CONDITIONS.] In addition to any other method provided by law, the council of such city, upon the presentation and filing of a verified petition signed by or on behalf of any owner, natural or corporate, of any real estate abutting thereon, may vacate any street or segment of street or any portion of the width thereof within its geographical limits, provided only that the street, segment, or portion thereof so vacated pursuant to such petition shall not be longer than the distance intervening between any two adjacent intersecting streets. *If all or part of a street or segment proposed to be vacated terminates or abuts at a public water, the petitioners shall serve notice of the petition by certified mail upon the commissioner of natural resources at least 30 days before the council hearing on the matter.*

Sec. 7. Minnesota Statutes 1988, section 505.14, is amended to read:

**505.14 [VACATION.]**

Upon the application of the owner of land included in any plat, and upon proof that all taxes assessed against such land have been paid, and the notice hereinafter provided for given, the district court may vacate or alter all, or any part, of such plat, and adjudge the title to all streets, alleys, and public grounds to be in the persons entitled thereto; but streets or alleys connecting separate plats or lying between blocks or lots or *providing access for the public to a public water*, shall not be vacated between such lots, blocks, or plats as are not also vacated, unless it appears that the street or alley or part thereof sought to be vacated is useless for the purpose for which it was laid out. *If a part of a street, alley, or public ground proposed for vacation terminates or abuts at a public water, the petitioner must serve notice of the petition by certified mail upon the commissioner of natural resources at least 30 days before the term at which it shall be heard.* The petitioner shall cause two weeks published and posted notice of such application to be given, the last publication to be at least ten days before the term at which it shall be heard; and the petitioner shall also serve personally, or cause to be served personally, notice of such application, at least ten

days before the term at which the application shall be heard, upon the mayor of the city, the president of the statutory city, or the chair of the town board of the town where such land is situated. The court shall hear all persons owning or occupying land that would be affected by the proposed vacation, and if, in the judgment of the court, the same would be damaged, the court may determine the amount of such damage and direct its payment by the applicant before the vacation or alteration shall take effect. A certified copy of the order of the court shall be filed with the county auditor, and recorded by the county recorder. The district court shall not vacate or alter any street, alley, or public ground dedicated to the public use in or by any such plat in any city or town organized under a charter or special law which provides a method of procedure for the vacation of streets and public grounds by the municipal authorities of such city or town."

And when so amended the bill do pass and be re-referred to the Committee on Local and Urban Government. Amendments adopted. Report adopted.

S.F. No. 1083: A bill for an act relating to the environment; providing an exemption process from the power plant siting requirements for certain generating plants; amending Minnesota Statutes 1988, section 116C.57, by adding a subdivision.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 116C.57, is amended by adding a subdivision to read:

*Subd. 5a. [EXEMPTION OF CERTAIN SITES.] (a) A utility or person may apply to the board in a form and manner prescribed by the board to exempt the construction at a proposed site of a proposed electric power generating plant with a capacity between 50 and 80 megawatts from the requirements of sections 116C.51 to 116C.69. Within 15 days of the board's receipt of an exemption application, the utility or person shall:*

*(1) publish a notice and description of the exemption application in a legal newspaper of general circulation in the county of the proposed site;*

*(2) send a copy of the exemption application by certified mail to the chief executive of counties, home rule charter and statutory cities, and organized towns within ten miles of the proposed site; and*

(3) mail to each owner whose property is part of or contiguous to the proposed site a notice and description of the exemption application, together with an understandable description of the procedures the owner must follow should the owner desire to object.

(b) For the purpose of giving mailed notice under this subdivision, owners are the persons or entities shown on the tax records of the county auditor or, in a county where tax statements are mailed by the county treasurer, on the records of the county treasurer, but other appropriate records may be used to identify owners. Except for owners of tax exempt property or property taxed on a gross earnings basis, a property owner whose name does not appear on the records of the county auditor or the county treasurer is deemed to have waived the mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the owner's name on the records for that purpose. The failure to give mailed notice to a property owner or defects in the notice does not invalidate the proceedings, if a good faith effort is made to comply with this subdivision.

(c) If a person who owns real property that is part of or contiguous to the proposed site or an affected political subdivision files an objection with the board within 60 days after the board receives an exemption application, the board must either deny the exemption application or conduct a public hearing to determine if the proposed electric power generating plant at the proposed site will cause any significant human or environmental impact.

(d) The board shall require environmental review under chapter 116D to assist in making its determination regarding potential significant human and environmental impact.

(e) If the board determines that the proposed plant has an electric power production capacity less than 80 megawatts and the proposed site will not have a significant human and environmental impact, the board may exempt the construction of the proposed plant at the proposed site from the requirements of sections 116C.51 to 116C.69 with any appropriate conditions.

(f) If an exemption is granted, the utility or person must comply with applicable state rules, local zoning, building, and land use rules, regulations, and ordinances of any regional, county, local, and special purpose governments in which the facility is to be located.

(g) The board may, by rule, require a fee to pay costs incurred in processing exemptions. An estimated cost for processing the exemption application must be discussed with the applicant and be approved by the board when an application is received. The applicant must remit 50 percent of the approved cost within 14 days of acceptance of the application. The balance is due within 30 days after receipt of an invoice from the board. Costs in excess of those approved must be certified by the board and charged to the applicant. Certification is prima facie evidence that the costs are reasonable and necessary. All money received pursuant to this subdivision must be deposited in a special account. Money in the account is appropriated to the board to pay expenses incurred in processing the application and in the event the expenses are less than the fee paid, to refund the excess to the applicant."

“Section 1. Minnesota Statutes 1988, section 176.132, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBLE RECIPIENTS.] (a) An employee who has suffered personal injury prior to October 1, 1983 for which benefits are payable under section 176.101 and who has been totally disabled for more than 104 weeks shall be eligible for supplementary benefits as prescribed in this section after 104 weeks have elapsed and for the remainder of the total disablement. Regardless of the number of weeks of total disability, no totally disabled person is ineligible for supplementary benefits after four

years have elapsed since the first date of the total disability, ~~except as provided by clause (b)~~, provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after October 1, 1983, and before October 1, 1989, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving temporary total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.

*(c) An employee who has suffered personal injury after October 1, 1989, and is permanently totally disabled as defined by section 176.101, subdivisions 4 and 5, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving permanent total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.*

Sec. 2. Minnesota Statutes 1988, section 176.132, subdivision 2, is amended to read:

Subd. 2. [AMOUNT.] (a) The supplementary benefit payable under ~~this section~~ subdivision 1, paragraphs (a) and (b), shall be the difference between the amount the employee receives on or after January 1, 1976, under section 176.101, subdivision 1 or 4, and 65 percent of the statewide average weekly wage as computed annually. *The supplementary benefit payable under subdivision 1, paragraph (c), shall be the difference between:*

*(1) the amount the employee receives on or after October 1, 1989, under section 176.101, subdivision 4; plus the amount of disability benefits being paid under any government disability benefit program, provided those benefits are occasioned by the same injury or injuries giving rise to payments under section 176.101, subdivision 4; plus the amount of any federal old age and survivor's insurance benefits; and*

*(2) 65 percent of the statewide average weekly wage, as computed annually.*

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. Attorney's fees shall be allowed in settlements of claims for supplementary benefits in accordance with this chapter.

(d) In the event an eligible recipient *under subdivision 1, paragraph (a) or (b)*, is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.

(e) In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provisions of United States Code, title 42, section 424a(d), this reduction shall not apply.

Sec. 3. Minnesota Statutes 1988, section 176.132, subdivision 3, is amended to read:

Subd. 3. [PAYMENT.] The payment of supplementary benefits shall be the responsibility of the employer or insurer currently paying total disability benefits *under subdivision 1, paragraph (a) or (b), or currently paying permanent total disability benefits under subdivision 1, paragraph (c)*, or any other payer of such benefits. When the eligible individual is not currently receiving benefits because the total paid has reached the maximum prescribed by law the employer and insurer shall, nevertheless, pay the supplementary benefits that are prescribed by law. The employer or insurer paying the supplementary benefit shall have the right of full reimbursement from the special compensation fund for the amount of such benefits paid.

*Subd. 2. [WAIVERS OF LIABILITY PROHIBITED.] An admission contract must not include a waiver of facility liability for the health and safety or personal property of a resident while the resident is under the facility's supervision. An admission contract must not include a provision that the facility knows or should know to be deceptive, unlawful, or unenforceable under state or federal law, nor any provision that requires or implies a lesser standard of care or responsibility than is required by law.*

*Subd. 3. [CONTRACTS OF ADMISSION.] (a) A facility shall make complete unsigned copies of its admission contract available to potential applicants and to the state or local long-term care ombudsman immediately upon request.*

(b) A facility shall post conspicuously within the facility, in a location accessible to public view, either a complete copy of its admission contract or notice of its availability from the facility.

(c) An admission contract must be printed in black type of at least ten-point type size. The facility shall give a complete copy of the admission contract to the resident or the resident's legal representative promptly after it has been signed by the resident or legal representative.

(d) An admission contract is a consumer contract under sections 325G.29 to 325G.37.

(e) All admission contracts must state in bold capital letters the following notice to applicants for admission: "NOTICE TO APPLICANTS FOR ADMISSION. READ YOUR ADMISSION CONTRACT. ORAL STATEMENTS OR COMMENTS MADE BY THE FACILITY OR YOU OR YOUR REPRESENTATIVE ARE NOT PART OF YOUR ADMISSION CONTRACT UNLESS THEY ARE ALSO IN WRITING. DO NOT RELY ON ORAL STATEMENTS OR COMMENTS THAT ARE NOT INCLUDED IN THE WRITTEN ADMISSION CONTRACT."

*Subd. 4. [RESIDENTS' SIGNATURES.] (a) Before or at the time of admission, the facility shall make reasonable efforts to communicate the content of the admission contract to, and obtain on the admission contract the signature of, the person who is to be admitted to the facility. The admission contract must be signed by the prospective resident unless the*

*resident is legally incompetent or cannot understand or sign the admission contract because of the resident's medical condition.*

*(b) If the resident cannot sign the admission contract, the reason must be documented in the resident's medical record by the admitting physician.*

*(c) If the determination under paragraph (b) has been made, the facility may request the signature of another person on behalf of the applicant, subject to the provisions of paragraph (d). The facility must not require the person to disclose any information regarding the person's personal financial assets, liabilities, or income, unless the person voluntarily chooses to become financially responsible for the resident's care.*

*(d) A person other than the resident or a spouse who is financially responsible for the resident who signs an admission contract must not be required by the facility to assume financial responsibility for the resident's care. A person who desires to assume financial responsibility for the resident's care may contract with the facility to do so.*

*(e) The admission contract must include written notice, in bold capital letters, that a person other than the resident or financially responsible spouse may not be required by the facility to assume financial responsibility for the resident's care.*

*(f) This subdivision does not preclude the facility from obtaining the signature of a legal representative, if applicable.*

*Subd. 5. [PUBLIC BENEFITS ELIGIBILITY.] An admission contract must clearly and explicitly state whether the facility participates in the Medicare, medical assistance, or Veterans Administration programs. If the facility's participation in any of those programs is limited for any reason, the admission contract must clearly state the limitation and whether the facility is eligible to receive payment from the program for the person who is considering admission or who has been admitted to the facility.*

*Subd. 6. [MEDICAL ASSISTANCE PAYMENT.] (a) An admission contract for a facility that is certified for participation in the medical assistance program must state that neither the prospective resident, nor anyone on the resident's behalf, is required to pay privately any amount for which the resident's care at the facility has been approved for payment by medical assistance or to make any kind of donation, voluntary or otherwise. An admission contract must state that the facility does not require as a condition of admission, either in its admission contract or by oral promise before signing the admission contract, that residents remain in private pay status for any period of time.*

*(b) The admission contract must state that upon presentation of proof of eligibility, the facility will submit a medical assistance claim for reimbursement and will return any and all payments made by the resident, or by any person on the resident's behalf, for services covered by medical assistance, upon receipt of medical assistance payment.*

*(c) A facility that participates in the medical assistance program shall not charge for the day of the resident's discharge from the facility or subsequent days.*

*(d) If a facility's charges incurred by the resident are delinquent for 30 days, and no person has agreed to apply for medical assistance for the resident, the facility may petition the court under chapter 525 to appoint a representative for the resident in order to apply for medical assistance*

for the resident.

(e) *The remedy provided in this subdivision does not preclude a facility from seeking any other remedy available under other laws of this state.*

*Subd. 7. [CONSENT TO TREATMENT.] An admission contract must not include a clause requiring a resident to sign a consent to all treatment ordered by any physician. An admission contract may require consent only for routine nursing care or emergency care. An admission contract must contain a clause that informs the resident of the right to refuse treatment.*

*Subd. 8. [WRITTEN ACKNOWLEDGMENT.] An admission contract must contain a written acknowledgment that the resident has been informed of the patient's bill of rights, as required in section 144.652.*

*Subd. 9. [VIOLATIONS; PENALTIES.] (a) Violation of this section is grounds for issuance of a correction order, and if uncorrected, a penalty assessment issued by the commissioner of health, under section 144A.10. The civil fine for noncompliance with a correction order issued under this section is \$250 per day.*

*(b) Unless otherwise expressly provided, the remedies or penalties provided by this subdivision do not preclude a resident from seeking any other remedy and penalty available under other laws of this state.*

*Subd. 10. [APPLICABILITY.] This section applies to new admissions to facilities on and after October 1, 1989. This section does not require the execution of a new admission contract for a resident who was residing in a facility before the enactment of this section. However, provisions of the admission contract that are inconsistent with or in conflict with this section are voidable at the sole option of the resident. Residents must be given notice of the changes in admission contracts according to this section and must be given the opportunity to execute a new admission contract that conforms to this section."*

(b) (2) Vacation and sick leave accruals shall be prorated in accordance with the pertinent collective bargaining agreement or plan covering the position;

Sec. 2. Minnesota Statutes 1988, section 352.01, subdivision 11, is amended to read:

Subd. 11. [ALLOWABLE SERVICE.] "Allowable service" means:

(1) Service by an employee for which on or before July 1, 1957, the employee was entitled to allowable service credit on the records of the system by reason of employee contributions in the form of salary deductions, payments in lieu of salary deductions, or in any other manner authorized by Minnesota Statutes 1953, chapter 352, as amended by Laws 1955, chapter 239.

(2) Service by an employee for which on or before July 1, 1961, the employee chose to obtain credit for service by making payments to the fund under Minnesota Statutes 1961, section 352.24.

(3) Except as provided in clauses (9) and (10), service by an employee after July 1, 1957, for any calendar month in which the employee is paid salary from which deductions are made, deposited, and credited in the fund, including deductions made, deposited, and credited as provided in section 352.041.

(4) Except as provided in clauses (9) and (10), service by an employee after July 1, 1957, for any calendar month for which payments in lieu of salary deductions are made, deposited, and credited in the fund, as provided in section 352.27 and Minnesota Statutes 1957, section 352.021, subdivision 4.

For purposes of clauses (3) and (4), except as provided in clauses (9) and (10), any salary paid for a fractional part of any calendar month is deemed the compensation for the entire calendar month.

(5) The period of absence from their duties by employees who are temporarily disabled because of injuries incurred in the performance of duties and for which disability the state is liable under the workers' compensation law until the date authorized by the director for the commencement of payments of a total and permanent disability benefit from the retirement fund.

(6) The unused part of an employee's annual leave allowance for which the employee is paid salary.

(7) Any service covered by a refund repaid as provided in section 352.23 or 352D.05, subdivision 4, except service rendered as an employee of the adjutant general for which the person has credit with the federal civil service retirement system.

(8) Any service before July 1, 1978, by an employee of the transit operating division of the metropolitan transit commission or by an employee on an authorized leave of absence from the transit operating division of the metropolitan transit commission who is employed by the labor organization which is the exclusive bargaining agent representing employees of the transit operating division, which was credited by the metropolitan transit commission-transit operating division employees retirement fund or any of its predecessor plans or funds as past, intermediate, future, continuous, or allowable service as defined in the metropolitan transit commission-transit operating division employees retirement fund plan document in effect on December 31, 1977.

(9) Service after July 1, 1983, by an employee who is employed on a part-time basis for less than 50 percent of full time, for which the employee is paid salary from which deductions are made, deposited, and credited in the fund, including deductions made, deposited, and credited as provided in section 352.041 or for which payments in lieu of salary deductions are made, deposited, and credited in the fund as provided in section 352.27 shall be credited on a fractional basis either by pay period, monthly, or annually based on the relationship that the percentage of salary earned bears to a full-time salary, with any salary paid for the fractional service credited on the basis of the rate of salary applicable for a full-time pay period, month, or a full-time year. For periods of part-time service that is duplicated service credit, section 356.30, subdivision 1, clauses (i) and (j), govern.

~~(10) Any service by an employee in the Minnesota demonstration job-sharing program under sections 43A.40 to 43A.465 which is less than 40 hours per week or 2,080 hours per year and for which the employee is paid salary from which deductions are made, deposited and credited in the fund; shall be credited on a fractional basis either weekly or annually based on the relationship that the number of hours of service bears to either 40 hours per week or 2,080 hours per year; with any salary paid for the fractional service credited on the basis of the rate of salary applicable for a full-time week or a full-time year.~~

The allowable service determined and credited on a fractional basis under ~~clauses (9) and (10)~~ shall be used in calculating the amount of benefits payable, but service as determined on a fractional basis must not be used in determining the length of service required for eligibility for benefits.

~~(11) (10) Any period of authorized leave of absence without pay that does not exceed one year and for which the employee obtained credit by~~

payment to the fund in lieu of salary deductions. To obtain credit, the employee shall pay an amount equal to the employee and employer contribution rate in section 352.04, subdivisions 2 and 3, multiplied by the employee's hourly rate of salary on the date of return from leave of absence and by the days and months of the leave of absence without pay for which the employee wants allowable service credit. The employing department, at its option, may pay the employer amount on behalf of its employees. Payments made under this clause shall include interest at the rate of six percent per year from the date of termination of the leave of absence to the date payment is made unless payment is completed within one year of the return from leave of absence.

Sec. 3. Minnesota Statutes 1988, section 352.021, subdivision 5, is amended to read:

Subd. 5. [CONTINUING COVERAGE.] Any state employee who has made contributions to the retirement fund for a period of one year and who, continuing in state service after that year, becomes eligible for membership in the state teachers retirement association as a full-time teacher, as defined in section 354.05, subdivision 2, may continue coverage under the system by filing in its office written notice of election to continue. The election to be covered by the system under this subdivision or section 352.01, subdivision 2b, clause (3), must be made on a form approved by the director within 90 days after appointment to the position. If the option is exercised, the employee is not thereafter entitled to membership in the teachers retirement association while employed by the state in a position that entitled the employee to make this election.

Sec. 4. Minnesota Statutes 1988, section 352.03, subdivision 11, is amended to read:

Subd. 11. [LEGAL ADVISER, ATTORNEY GENERAL.] The attorney general shall be the legal adviser of the board and of the director. The board may sue or be sued or petitioned under section 5 in the name of the board of directors of the system. In actions brought by it or against it, the board shall be represented by the attorney general; and, except as provided in section 5, subdivision 9, venue of actions shall be in the Ramsey county district court.

Sec. 5. [352.031] [APPEALS PROCEDURE.]

*Subdivision 1. [DEFINITIONS.] Unless the language or context clearly indicates that a different meaning is intended, for the purpose of this section, the following terms have the meanings given them.*

(a) "Board" means the board of directors of the Minnesota state retirement system.

(b) "Documentation" includes, but is not limited to:

(1) sworn and notarized affidavits made on the personal knowledge of any person;

(2) official letters or documents;

(3) documents from the file of the petitioner; and

(4) other relevant documents that are admissible as evidence in a court of law.

(c) "Executive director" means the executive director of the Minnesota

*state retirement system.*

(d) "Person" includes any state agency or other governmental unit that employs persons covered under statutes listed in subdivision 2.

(e) "Record" means:

(1) the petition and the documentation that the petitioner submits with a petition;

(2) the executive director's answer to the petition and the documentation submitted with it; and

(3) the documentation that the board allows to be submitted in connection with the hearing on the petition if submitted in a timely fashion.

*Subd. 2. [NOTICE OF TERMINATION OR DENIAL.] If the executive director terminates a benefit, reduces a benefit, or denies an application or a written request of any person claiming a right under chapter 352, other than sections 352.96 and 352.97; chapters 3A, 352B, 352C, and 352D; sections 490.121 to 490.133; or the applicable sections of chapters 355 and 356, the executive director must serve upon that person a written notice. The notice must contain:*

(1) the reasons for the termination, reduction, or denial;

(2) notification that the person may petition the board for a review of the termination, reduction, or denial and that the petition for review must be filed within 60 days of the receipt of the written notice;

(3) a statement that failure to petition the board within 60 days will preclude the person from contesting, in any other court procedure or administrative hearing, the issues determined by the executive director; and

(4) a copy of this section.

*Subd. 3. [PETITION FOR REVIEW.] A person who claims a right under the statutory provisions listed in subdivision 2 and regarding whom a benefit has been terminated or reduced or an application or written request has been denied may petition for a review of that decision by the board. A petition under this section must be served upon the executive director personally, or by mail postmarked no later than 60 days after the petitioner received the notice required by subdivision 2. The petition must include the sworn, notarized statement of the reasons the petitioner believes the decision of the executive director should be reversed or modified and may include relevant documentation.*

*Subd. 4. [ANSWER; RECORD FOR HEARING.] Within a reasonable time after receiving a petition, the executive director must serve the petitioner with an answer to the petition with all relevant documentation and with notice of the time and place of the regular or special board meeting at which the board will consider the petition. The documentation need not duplicate the documentation submitted by the petitioner. Not later than ten days before the board meeting at which the petition will be heard and at the time that the petition is considered by the board, the executive director must, personally or by mail, deliver a copy of the relevant documentation to each board member. Each board member who participates in the decision on the petition must be familiar with the entire contents of the relevant documentation.*

*Subd. 5. [HEARING.] The board shall hold a hearing on a petition for*

*review in a timely fashion. The board must make its decision on a petition solely on the relevant documentation as submitted and the proceedings of the hearing. At the hearing, the petitioner, the petitioner's attorney, and the executive director may state and discuss with the board their positions with respect to the petition. The board may allow further documentation to be placed in the record at or subsequent to the board meeting at which the petition is considered. If the board allows additional documentation into the record at or subsequent to the board meeting, it may make a final determination on the petition at that board meeting only upon the agreement of both the petitioner and the executive director.*

**Subd. 6. [TERMINATION OF BENEFITS.]** *If the executive director proposes to terminate a benefit that is being paid to any person, before terminating the benefit, the executive director must, in addition to the other procedures prescribed herein, give the person written or oral notice of the proposed termination. The notice must explain the reason for the proposed termination. The person must be given an opportunity verbally or in writing to explain why the benefit should not be terminated. If the executive director is unable to contact the person and the executive director determines that a failure to terminate the benefit might result in unauthorized payment by the association, the executive director may terminate the benefit with only a written notice containing the information required by subdivision 2, mailed to the address to which the benefit was last sent and, if that address is a financial institution, to the last known address of the person.*

**Subd. 7. [MEDICAL ADVISOR ACTION.]** *If a person petitions the board to reverse or modify a determination by the executive director finding that the petitioner, for medical reasons, does not or has ceased to qualify for a disability benefit, the board may resubmit the matter to the medical advisor for reconsideration, with or without instructions to obtain further medical examinations. The board may make a determination contrary to the recommendation of the medical advisor only if there is expert medical evidence in the record to support its contrary decision. If there is no medical opinion contrary to the opinion of the medical advisor in the record and the medical advisor asserts that the decision was made in accordance with the disability standard in section 352.01, subdivision 17; 352B.10; or 490.121, subdivision 13, whichever applies, the board must follow the determination of the medical advisor. The board may make a determination different from the recommendation of the medical advisor on issues that do not involve a medical opinion.*

**Subd. 8. [BOARD FINDINGS.]** *After the board has made a decision on a petition, the executive director must prepare findings of fact, the board's reasons for its conclusions, and the board's final order for the signature of the chair or other board member as the board, by resolution, may designate. The executive director shall serve the findings, conclusions, and order on the petitioner by certified mail.*

**Subd. 9. [APPEALS.]** *Within 30 days of receipt of the findings, conclusions, and final order, the petitioner may appeal the board's decision by writ or certiorari to the court of appeals. Failure to appeal to that court within the 30 days precludes the petitioner from later raising, in any court procedure or administrative hearing, those substantive and procedural issues that reasonably should have been raised upon appeal.*

**Subd. 10. [REFERRAL FOR ADMINISTRATIVE HEARING.]** *Notwithstanding sections 14.03; 14.06; and 14.57 to 14.69, a challenge to a*

*determination of the executive director must be conducted exclusively under the procedures in this section. The board in its sole discretion may refer a petition brought under this section to the office of administrative hearings for a contested case hearing under sections 14.57 to 14.69.*

Sec. 6. Minnesota Statutes 1988, section 352.116, subdivision 3, is amended to read:

Subd. 3. [OPTIONAL ANNUITIES.] The board shall establish an optional retirement annuity in the form of a joint and survivor annuity. The board may also establish an optional annuity in the form of an annuity payable for a period certain and for life thereafter or establish an optional annuity which takes the form of a joint and survivor annuity providing that, if after the joint and survivor annuity becomes payable, the person with the designated remainder interest in the annuity dies before the former member, the annuity amount must be reinstated to a normal single life annuity amount as of the first day of the month after the day the person dies. In addition, the board may also establish an optional annuity that takes the form of an annuity calculated on the basis of the age of the retired employee at retirement and payable for the period before the retired employee becomes eligible for social security old age retirement benefits in a greater amount than the amount of the annuity calculated under subdivision 2 on the basis of the age of the retired employee at retirement but equal so far as possible to the social security old age retirement benefit and the adjusted retirement annuity amount payable immediately after the retired employee becomes eligible for social security old age retirement benefits and payable for the period after the retired employee becomes eligible for social security old age retirement benefits in an amount less than the amount of the annuity calculated under subdivisions 2 and 3. The social security leveling option may be calculated based on broad average social security old age retirement benefits. For each year that the retiring employee is under age 62, up to five percent of the total single life annuity required reserves may be used to accelerate the optional retirement annuity. This greater amount shall be paid until the end of the month in which the retired employee reaches age 62, at which time the annuity shall be reduced. The optional forms must be actuarially equivalent to the normal single life annuity forms provided in sections 352.115 and 352.116, whichever applies.

Sec. 7. Minnesota Statutes 1988, section 352.22, subdivision 1, is amended to read:

Subdivision 1. [SERVICE TERMINATION.] Any employee who ceases to be a state employee by reason of termination of state service or layoff is entitled to a refund provided in subdivision 2 or a deferred retirement annuity as provided in subdivision 3. Application for a refund may be made 30 or more days after the termination of state service or layoff if the applicant has not again become a state employee required to be covered by the system.

Sec. 8. Minnesota Statutes 1988, section 352.22, subdivision 2a, is amended to read:

Subd. 2a. [AMOUNT OF CERTAIN REFUND REPAYMENTS PROHIBITED.] For any employee who is entitled to a refund under subdivision 1 and who, before July 1, 1978, was a member of the metropolitan transit commission transit operating division employees retirement fund, the refund for contributions made before July 1, 1978, must equal the following amounts:

(a) For any employee contributions made before January 1, 1950, the amount equal to one-half of the employee contributions without interest;

(b) For any employee contributions made after December 31, 1949, but before January 1, 1975, the amount of the employee contributions plus simple interest at the rate of two percent per year; and

(c) For any employee contributions made after December 31, 1974, but before July 1, 1978, the amount of the employee contributions plus simple interest at the rate of 3-1/2 percent per year. The refund of contributions made on or after July 1, 1978, must be determined under subdivision 2. Interest must be computed to the first day of the month in which the refund is processed and must be based on fiscal year balances. No refunds of contributions made to the metropolitan transit commission-transit operating division employees retirement fund received before July 1, 1978, or for service rendered before July 1, 1978, may be repaid.

Sec. 9. [352.231] [QUALIFIED ROLLOVERS.]

*Repayment of a refund and interest on that refund may be made with funds distributed from a plan qualified under the Internal Revenue Code of 1986, as amended through December 31, 1988, section 401(a), or an annuity qualified under the Internal Revenue Code, section 403(a). Repayment may also be made with funds distributed from an individual retirement account used solely to receive a nontaxable rollover from that type of a plan or annuity. The repaid refund must be separately accounted for as coordinated member contributions not previously taxed. Before accepting any transfers to which this subdivision applies, the executive secretary may require the coordinated member to demonstrate that the amounts to be transferred are eligible for a tax-free rollover and qualify for that treatment under the Internal Revenue Code.*

Sec. 10. Minnesota Statutes 1988, section 352.93, subdivision 3, is amended to read:

Subd. 3. [PAYMENTS; DURATION AND AMOUNT.] The annuity under this section shall begin to accrue as provided in section 352.115, subdivision 8, and must be paid for an additional 84 full calendar months or to the first of the month following the month in which the employee becomes age 65, whichever occurs first, except that payment must not cease before the first of the month following the month in which the employee becomes 62. It must then be reduced to the amount as calculated under section 352.115, except that if this amount, when added to the social security benefit based on state service the employee is eligible to receive at the time, is less than the benefit payable under subdivision 2, the retired employee shall receive an amount that when added to the social security benefit will equal the amount payable under subdivision 2.

When an annuity is reduced under this subdivision, the percentage adjustments, if any, that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity. A former correctional employee employed by the state in a position covered by the regular plan or the unclassified employees retirement program between the ages of 58 and 65 shall receive a partial return of correctional contributions at retirement with five percent interest based on the following formula:

Employee contributions contributed as a	Years and complete months of regular
--	---

correctional employee		service between
in excess of the		ages 58 and 65
contributions the	X	.....
employee would have		7
contributed as a		
regular employee		

Sec. 11. Minnesota Statutes 1988, section 352B.08, subdivision 3, is amended to read:

Subd. 3. [OPTIONAL ANNUITY FORMS.] In lieu of the single life annuity provided in subdivision 2, the member or former member with ~~ten~~ *five* years or more of service may elect an optional annuity form. The board of the Minnesota state retirement system shall establish a joint and survivor annuity, payable to a designated beneficiary for life, adjusted to the actuarial equivalent value of the single life annuity. The board shall also establish an additional optional annuity with an actuarial equivalent value of the single life annuity in the form of a joint and survivor annuity which provides that the elected annuity be reinstated to the single life annuity provided in subdivision 2, if after commencing the elected joint and survivor annuity, the designated beneficiary dies before the member, which reinstatement is not retroactive but takes effect for the first full month occurring after the death of the designated beneficiary. The board may also establish other actuarial equivalent value optional annuity forms. In establishing actuarial equivalent value optional annuity forms, each optional annuity form shall have the same present value as a regular single life annuity using the mortality table adopted by the board and the interest assumption specified in section 356.215, subdivision 4d, and the board shall obtain the written recommendation of the commission-retained actuary. These recommendations shall be a part of the permanent records of the board.

Sec. 12. Minnesota Statutes 1988, section 352B.10, subdivision 5, is amended to read:

Subd. 5. [OPTIONAL ANNUITY.] A disabled member ~~not eligible for~~ *may, in lieu of* survivorship coverage under section 352B.11, subdivision 2, ~~may~~ choose the normal disability benefit or an optional annuity as provided in section 352B.08, subdivision 2. The choice of an optional annuity must be made before commencement of payment of the disability benefit. It is effective ~~30 days after receipt of this choice or~~ *on* the date on which the disability benefit begins to accrue, ~~whichever is later. Upon becoming effective, the optional annuity begins to accrue on the date provided for the disability benefit.~~

Sec. 13. Minnesota Statutes 1988, section 352B.11, subdivision 2, is amended to read:

Subd. 2. [DEATH; PAYMENT TO SPOUSE AND CHILDREN.] If a member serving actively as a member, a member receiving the disability benefit provided by section 352B.10, subdivision 1, or a former member receiving a disability benefit as provided by section 352B.10, subdivision 3 2, dies from any cause, the surviving spouse and dependent children are entitled to benefit payments as follows:

(a) A member with at least five years of allowable service ~~or a former member with at least 20 years of allowable service~~ is deemed to have elected a 100 percent joint and survivor annuity payable to a surviving spouse only on or after the date the member or former member became or

would have become 55.

(b) The surviving spouse of a member who had credit for less than five years of service shall receive, for life, a monthly annuity equal to 20 percent of that part of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage.

(c) The surviving spouse of a member who had credit for at least five years service and who died after attaining 55 years of age, may elect to receive a 100 percent joint and survivor annuity, for life, notwithstanding a subsequent remarriage, in lieu of the annuity prescribed in paragraph (b).

(d) The surviving spouse of any member who had credit for five years or more and who was not 55 years of age at death, shall receive the benefit equal to 20 percent of the average monthly salary as described in clause (b) until the deceased member would have reached the age of 55 years, and beginning the first of the month following that date, may elect to receive the 100 percent joint and survivor annuity. If the surviving spouse remarries before the deceased member's 55th birthdate, benefits or annuities shall cease as of the date of remarriage. Remarriage after the deceased member's 55th birthday shall not affect the payment of the benefit.

(e) Each dependent child shall receive a monthly annuity equal to ten percent of that part of the average monthly salary of the former member from which deductions were made for retirement. A dependent child over 18 and under 22 years of age also may receive the monthly benefit provided in this section, if the child is continuously attending an accredited school as a full-time student during the normal school year as determined by the director. If the child does not continuously attend school but separates from full-time attendance during any part of a school year, the annuity shall cease at the end of the month of separation. In addition, a payment of \$20 per month shall be prorated equally to surviving dependent children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child must be made to the surviving spouse, or if there is none, to the legal guardian of the child. The maximum monthly benefit must not exceed 40 percent of the average monthly salary for any number of children.

(f) If the member dies under circumstances that entitle the surviving spouse and dependent children to receive benefits under the workers' compensation law, the workers' compensation benefits received by them must not be deducted from the benefits payable under this section.

(g) The surviving spouse of a deceased former member who had credit for five or more years of allowable service, but not the spouse of a former member receiving a disability benefit under section 352B.10, subdivision 3 2, is entitled to receive the 100 percent joint and survivor annuity at the time the deceased member would have reached the age of 55 years, if the surviving spouse has not remarried before that date. If a former member dies who does not qualify for other benefits under this chapter, the surviving spouse or, if none, the children or heirs are entitled to a refund of the accumulated deductions left in the fund plus interest at the rate of five percent per year compounded annually.

Sec. 14. Minnesota Statutes 1988, section 352D.06, subdivision 1, is amended to read:

Subdivision 1. When a participant attains at least age ~~58~~ 55, is retired from covered service, and applies for a retirement annuity, the cash value of the participant's shares shall be transferred to the Minnesota postretirement investment fund and used to provide an annuity for the retired employee based upon the participant's age when the benefit begins to accrue according to the reserve basis used by the state employees retirement fund in determining pensions and reserves.

Sec. 15. Minnesota Statutes 1988, section 352D.075, subdivision 2, is amended to read:

Subd. 2. If a participant dies leaving a spouse and there is no named beneficiary who survives to receive payment or the spouse is named beneficiary, the spouse may receive:

(1) The value of the participant's total shares;

(2) The value of one-half of the total shares and beginning at age ~~58~~ 55 or thereafter receive an annuity based on the value of one-half of the total shares, provided that if the spouse dies before receiving any annuity payments the value of said shares shall be paid to the spouse's children in equal shares, but if no such children survive then to the parents of the spouse in equal shares, but if no such children or parents survive, then to the estate of the spouse; or

(3) Beginning at age ~~58~~ 55 or thereafter receive an annuity based on the value of the total shares, provided that if the spouse dies before receiving any annuity payments the value of said shares shall be paid to the spouse's children in equal shares, but if no such children survive then to the parents of the spouse in equal shares, but if no such children or parents survive, then to the estate of the spouse; and further provided, if said spouse dies after receiving annuity payments but before receiving payments equal to the value of the employee shares, the value of the employee shares remaining shall be paid to the spouse's children in equal shares, but if no such children survive then to the parents of the spouse in equal shares, but if no such children or parents survive, then to the estate of the spouse.

Sec. 16. [DEADLINE EXTENSION IN CERTAIN INSTANCES.]

S.F. No. 1358: A bill for an act relating to metropolitan airport planning; requiring various actions, plans, and reports by the metropolitan council and the metropolitan airports commission; establishing a state advisory council on metropolitan airport planning; proposing coding for new law in Minnesota Statutes, chapter 473.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [473.155] [AVIATION PLANNING.]

*Subdivision 1. [AVIATION PLANNING ASSESSMENT.] By February 15 of each year, the council shall prepare a long-range assessment of air transportation trends and factors that may affect major airport development in the metropolitan area for a prospective 30-year period. The council shall involve the airports commission in preparing the assessment and*

*shall take into consideration the airport development and operations plans and activities of the commission.*

*Subd. 2. [AVIATION PLAN.] By February 1, 1990, the council shall amend the aviation chapter of the metropolitan development guide to incorporate policies and strategies that will ensure a comprehensive, coordinated, continuing, thorough, and timely investigation and evaluation of alternatives for major airport development in the metropolitan area for a prospective 30-year period. The alternatives to be examined must include both the airport improvements and enhancements of capacity that may be necessary at the existing airport and the location and development of a new airport.*

*Subd. 3. [SEARCH AREA.] By January 1, 1992, the council, in consultation with the airports commission, shall designate an area within or in the area surrounding the metropolitan area as a search area for a major new airport.*

*Subd. 4. [LEGISLATIVE REPORTS.] (a) Until the activities required by section 3, subdivision 3, and section 4 are completed, the council shall report to the legislature by February 15 of each year on the results of the aviation planning activities of the council under this section. The report must include a summary of expenditures and sources of funding for the activities.*

*(b) By February 1, 1990, the council shall report to the legislature recommending methods and legislative actions that would be necessary to protect a new airport search area from conflicting development, to protect and control development on land at and around a site for a major new airport, and to inhibit land speculation and reduce incentives for land speculation in the airport and all surrounding areas.*

*(c) By March 1, 1990, after consulting with the airports commission, the Federal Aviation Administration, industry representatives, and other persons, the council shall report to the legislature on assumptions and methods that will be used by the council to forecast demand related to the need for major airport facilities in the metropolitan area for a prospective 30-year period.*

*(d) By March 1, 1990, the council shall report to the legislature analyzing and making recommendations on long-range aviation goals for the major airport facility in the metropolitan area for a prospective 30-year period. The report must address goals for safety, environmental impact, and service, including ground access and service levels to other states and countries and to nonmetropolitan areas of the state. In preparing the report, the council shall consider regional growth patterns, economic development, economic impact, regional and statewide investment, and ground transportation.*

*(e) By February 1, 1991, the council shall report to the legislature on the general availability of suitable land in or in the area surrounding the metropolitan area for a new airport. If the council finds that sufficient land may not be available in the area, the council shall describe the legal and institutional changes that would be required to extend the search for a suitable site beyond the area in or around the metropolitan area.*

*(f) By January 1, 1993, the council shall report to the legislature on policies for the reuse of the existing major airport site should a new major airport be developed.*

Sec. 2. Minnesota Statutes 1988, section 473.604, subdivision 1, is amended to read:

Subdivision 1. The commission consists of:

(1) the mayor of each of the cities, or a qualified voter appointed by the mayor, for the term of office as mayor;

(2) a number of members appointed from precincts equal or nearest to but not exceeding half the number of districts which are provided by law for the selection of members of the metropolitan council in section 473.123. Each member shall be a resident of the precinct represented. The members shall be appointed by the governor as follows: a number as near as possible to one-fourth, for a term of one year; a similar number for a term of two years; a similar number for a term of three years; and a similar number for a term of four years, all of which terms shall commence on July 1, 1981. The successors of each member shall be appointed for four-year terms commencing in July of each fourth year after the expiration of the original term. Before making an appointment, the governor shall consult with each member of the legislature from the precinct for which the member is to be appointed, to solicit the legislator's recommendation on the appointment; ~~and~~

*(3) four members appointed from outside of the metropolitan area to reflect fairly the various regions and interests throughout the state that are affected by the operation of the commission's major airport and airport system. Two of these members must be residents of statutory or home rule charter cities, towns, or counties containing an airport designated by the commissioner of transportation as a key airport. The other two must be residents of statutory or home rule charter cities, towns, or counties containing an airport designated by the commissioner of transportation as an intermediate airport. The members must be appointed by the governor as follows: one for a term of one year, one for a term of two years, one for a term of three years, and one for a term of four years. All of the terms start on July 1, 1989. The successors of each member must be appointed to four-year terms commencing on July 1 of each fourth year after the expiration of the original term. Before making an appointment, the governor shall consult each member of the legislature representing the municipality or county from which the member is to be appointed, to solicit the legislator's recommendation on the appointment; and*

(4) a chair appointed by the governor for a term of four years. The chair may be removed at the pleasure of the governor.

Sec. 3. [473.616] [COMPREHENSIVE AIRPORT PLANNING.]

*Subdivision 1. [WOLD-CHAMBERLAIN PLAN.] (a) By January 1, 1991, the commission shall adopt a long-term comprehensive plan for the international airport at its existing location. The plan must describe:*

*(1) aviation demand and air transportation needs;*

*(2) airport capacity limits and potential;*

*(3) facilities requirements;*

*(4) a plan for physical development, including financial estimates and a tentative development schedule;*

*(5) airport operational characteristics;*

- (6) compatibility with metropolitan and local physical facility systems;
- (7) environmental effects;
- (8) safety; and
- (9) the effect on the neighboring communities.

*The plan must satisfy the air transportation needs for a prospective 20-year period. At the same time, the commission shall adopt a concept plan for the airport, including an estimate of facilities requirements, to satisfy the air transportation needs for an additional ten-year period. The plans must be consistent with the development guide of the council. The plans must be updated at least every five years. The plans must be amended as necessary to reflect changes in trends and conditions, facilities requirements, and development plans and schedules. The plans are subject to sections 473.165 and 473.611.*

*(b) Until January 1, 1996, or until the commission has completed the activities required by subdivision 3 and section 4, whichever occurs first, the commission may construct a new runway or a new, substantially expanded, or relocated terminal facility if the commission determines that construction of the runway or facility is necessary and prudent, considering the economic, financial, environmental, and other costs and benefits of the new runway or facility, the current and long-term future need for major airport facilities, capacity constraints, and the time required to construct airport facilities. The commission shall make its determination by resolution, containing findings of fact and conclusions. Before making its determination, the commission shall hold a public hearing on the question. The hearing may be held separately or in conjunction with any other hearing required on the project, as the commission deems appropriate. The commission may plan, prepare designs and specifications, and conduct an environmental review of a facility before the public hearing.*

*Subd. 2. [NEW AIRPORT; CONCEPTUAL DESIGN STUDY AND PLAN.] By March 1, 1990, the commission, in consultation with the council, shall complete a study of facilities requirements, airport functioning, and conceptual design for a major new airport. By January 1, 1991, the commission shall complete a conceptual design plan for a major new airport. The conceptual design study and plan must describe and satisfy air transportation needs for a prospective 30-year period and be consistent with the development guide of the council. The conceptual design plan must include an analysis of estimated costs, potential financing methods and sources of public and private funding, and cost allocation issues and options. The council shall use the design study and plan in evaluating areas for locating a new airport under section 1, subdivision 3.*

*Subd. 3. [NEW AIRPORT; SITE SELECTION; COMPREHENSIVE PLAN.] Within four years following the council's designation of a search area under section 1, the commission shall: (1) select a site for a major new airport in the search area designated by the council; (2) prepare a comprehensive plan and schedule, including financial plans, for the development of a major airport at that site for a prospective 20-year period following a decision to develop a new airport; (3) prepare an estimate of facilities requirements and a concept plan for development of the airport for an additional ten years; and (4) prepare and submit for administrative review the environmental documents that are required for site acquisition.*

*Subd. 4. [LEGISLATIVE REPORTS.] (a) Until the activities required by subdivision 3 and section 4 are completed, the commission shall report to the legislature by February 15 of each year on the results of the airport planning activities of the commission under this section. The report must include a summary of expenditures and sources of funding for the activities.*

*(b) By March 1, 1990, after consulting with the council, the Federal Aviation Administration, industry representatives, and other persons, the commission shall report to the legislature on the assumptions and methods that the commission will use in preparing forecasts for airport development and operations purposes and for determining capacity and facility needs.*

*(c) By March 1, 1990, the commission shall report to the legislature on the integration of major airport facilities in the metropolitan area with state, national, and international air transportation systems and on the commission's planning assumptions and parameters related to such airport development issues as capacity, safety, environmental impact, and air service.*

*(d) By March 1, 1990, the commission shall report to the legislature on the conceptual design study for a major new airport, prepared under subdivision 2. By January 1, 1991, the commission shall report to the legislature on the conceptual design plan prepared under subdivision 2.*

**Sec. 4. [473.618] [AIRPORT PLANNING AND DEVELOPMENT REPORT.]**

*Within 180 days after the completion of the actions required by section 3, subdivision 3, the metropolitan council and the airports commission shall report to the legislature on the long-range planning and development of major airport facilities in the metropolitan area. The report must include the recommendations of the agencies on major airport development in the metropolitan area for a prospective 30-year period and on acquiring a site for a major new airport. The report must include an analysis of the effect of a new airport on present and proposed facilities at the existing airport and on the local, regional, and state economies. The report must contain the recommendations of the agencies on financial planning and financing for a major new airport, including: cost; cost allocation; amortization of major improvements at the existing airport before a transfer of operations; financing methods and sources of public and private funds; lease agreements and user charges at a new airport; and a method of capturing for public uses a portion of the revenue from development around a new airport.*

**Sec. 5. [473.619] [PLANNING ADMINISTRATION.]**

*Subdivision 1. [INTERAGENCY AGREEMENT.] The metropolitan council and the airports commission shall enter into an intergovernmental agreement by July 1, 1989. The agreement must establish a process and agency responsibilities for comprehensive and coordinated planning for major airport development, consistent with the requirements of this section and sections 1 to 4. [CONSULTATION.] The metropolitan council and the airports commission shall prepare the plans and reports under sections 1 to 4 in consultation with each other, the commissioner of transportation, the Federal Aviation Administration, industry representatives, and other interested persons.*

*Subd. 5. [COMMENCEMENT.] In order to meet the planning deadlines prescribed in sections 1 to 4, the agencies may begin preparing plans and studies immediately, without waiting for the completion of the interagency agreement or the completion and review of the scope of work report.*

Sec. 6. Minnesota Statutes 1988, section 473.621, subdivision 1a, is amended to read:

[OUT-OF-STATE EMPLOYMENTS.] *(a) Except as provided in paragraph (b), if an employee who regularly performs the primary duties of employment outside of this state or is hired to perform the primary duties of employment outside of this state, receives an injury within this state in the employ of the same employer, such injury shall be covered within the provisions of this chapter if the employee chooses to forego any workers' compensation claim resulting from the injury that the employee may have a right to pursue in some other state, provided that the special compensation fund is not liable for payment of benefits pursuant to section 176.183 if the employer is not insured against workers' compensation liability pursuant to this chapter and the employee is a nonresident of Minnesota on the date of the personal injury.*

*(b) An employee who has been hired outside of this state, or regularly performs the primary duties of employment outside of this state, and the employee's employer, are exempt from the provisions of this chapter while the employee is temporarily within this state performing work for the employer, provided the employer has furnished workers' compensation insurance coverage under the workers' compensation law or other similar law of another state which covers the employee's employment while in this state. The benefits under the workers' compensation law or similar law of the other state, or other remedies under that state's law, are the exclusive remedy against the employer for any injury, whether resulting in death or not, received by the employee while working for that employer within this state. A certificate from the commissioner of labor and industry or other similar official of another state certifying that the employer is insured in that state and has provided extraterritorial coverage insuring its employees while working within this state is prima facie evidence that the employer carries workers' compensation insurance on those employees.*

## ARTICLE 2

## COMPENSATION BENEFITS

Section 1. Minnesota Statutes 1988, section 176.011, subdivision 18, is amended to read:

Subd. 18. [WEEKLY WAGE.] "Weekly wage" is arrived at by multiplying the daily wage by the number of days and fractional days normally worked in the business of the employer for the employment involved. If the employee normally works less than five days per week or works an irregular number of days per week, the number of days normally worked shall be computed by dividing the total number of days in which the employee actually performed any of the duties of employment in the last 26 weeks by the number of weeks in which the employee actually performed such duties, provided that the weekly wage for part time employment during a period of seasonal or temporary layoff shall be computed on the number of days and fractional days normally worked in the business of the employer for the employment involved. If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed ~~66 2/3~~ 80 percent of the ~~product of the daily wage times the number of days normally worked~~ employee's after-tax weekly wage, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

Sec. 2. Minnesota Statutes 1988, section 176.011, is amended by adding a subdivision to read:

*Subd. 18a. [AFTER-TAX WEEKLY WAGE.] "After-tax weekly wage" means the weekly wage reduced by the amounts required to be withheld by the Federal Insurance Contributions Act, United States Code, title 16, sections 3101 to 3126, but without regard to the yearly maximum, and by state and federal income tax laws using as the number of allowances the number of exemptions that the employee is entitled to under federal law for the employee and the employee's dependents and without additional allowances.*

Sec. 3. Minnesota Statutes 1988, section 176.021, subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except for medical, burial, and other nonperiodic benefits, payments shall be made as nearly as possible at the intervals when the wage was payable, provided, however, that payments for permanent partial disability shall be governed by section 176.101, *subdivision 3*. If doubt exists as to the eventual permanent partial disability,

payment for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section 176.101, shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Prior to or at the time of commencement of the payment of economic recovery compensation or lump sum or periodic payment of impairment permanent partial disability compensation, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based and all other medical reports which the insurer has that indicate a permanent partial disability rating, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. After receipt of all reports available to the insurer that indicate a permanent partial disability rating, the employee shall make available or permit the insurer to obtain any medical report that the employee has or has knowledge of that contains a permanent partial disability rating which the insurer does not already have. Economic recovery compensation or impairment compensation pursuant to section 176.101 is payable in addition to but not concurrently with compensation for temporary total disability but is payable pursuant to section 176.101. Impairment compensation is payable concurrently and in addition to compensation for permanent total disability pursuant to section 176.101. Economic recovery compensation or impairment compensation pursuant to section 176.101 shall be withheld pending completion of payment for temporary total disability, and no credit shall be taken for payment of economic recovery compensation or impairment compensation against liability for temporary total or future permanent total disability. Liability on the part of an employer or the insurer for disability of a temporary total, temporary partial, and permanent total nature shall be considered as a continuing product and part of the employee's inability to earn or reduction in earning capacity due to injury or occupational disease and compensation is payable accordingly, subject to section 176.101. Economic recovery compensation or impairment compensation is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.

The right to receive economic recovery compensation or impairment permanent partial compensation vests in an injured employee or in the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained, provided that the employee lives for at least 30 days beyond the date of the injury. Upon the death of an employee who is receiving economic recovery compensation or impairment compensation, further compensation is payable pursuant to section 176.101. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Disability ratings for permanent partial disability shall be based on objective medical evidence. The right is not abrogated by the employee's death prior to the making of the payment.

Sec. 4. Minnesota Statutes 1988, section 176.061, subdivision 10, is amended to read:

Subd. 10. [INDEMNITY.] Notwithstanding the provisions of chapter 65B or any other law to the contrary, an employer has a right of indemnity for any compensation paid or payable pursuant to this chapter, including temporary total compensation, temporary partial compensation, permanent partial disability, ~~economic recovery compensation, impairment compensation, medical compensation, rehabilitation, death, and permanent total compensation.~~

Sec. 5. Minnesota Statutes 1988, section 176.101, subdivision 1, is amended to read:

Subdivision 1. [TEMPORARY TOTAL DISABILITY.] (a) For an injury producing temporary total disability, the compensation is ~~66-2/3~~ 80 percent of the *after-tax* weekly wage at the time of injury.

~~(2) (c) The minimum weekly compensation benefits for temporary total disability shall be not less than 50 percent of the statewide average weekly wage or the injured employee's actual after-tax weekly wage, whichever is less. In no case shall a weekly benefit be less than 20 percent of the statewide average weekly wage.~~

~~Subject to subdivisions 3a to 3u (d) This Temporary total compensation shall be paid during the period of disability; payment to be made at the intervals when the wage was payable, as nearly as may be, and shall cease whenever any one of the following occurs:~~

*(2) the employee returns to work;*

*(3) the employee retires by withdrawing from the labor market;*

*(4) the employee refuses an offer of work that is consistent with a plan of rehabilitation filed with the commissioner, which meets the requirements of section 176.102, subdivision 1, or, if no plan has been filed, that the employee can do in the employee's physical condition; or*

*(5) 90 days have passed after the employee has reached maximum medical improvement, except as provided in section 176.102, subdivision 11, paragraph (b).*

*(e) For purposes of paragraph (d), clause (5), the 90-day period after maximum medical improvement commences on the earlier of:*

*(1) the date that the employee receives a written medical report indicating that the employee has reached maximum medical improvement; or*

*(2) the date that the employer or insurer serves the report on the employee and the employee's legal representative and files a copy with the division.*

*(f) Once compensation has ceased under paragraph (d), clauses (1), (2), and (3), it may be recommenced at a later date if: the employee returns to work, the employee is laid off due to economic conditions or is medically unable to continue at the job, and the layoff or inability to continue occurs*

prior to 90 days after the employee reaches maximum medical improvement. Compensation recommended under this paragraph is subject to cessation under paragraph (d). Recommended compensation may not be paid beyond 90 days after the employee reaches maximum medical improvement, except as provided under section 176.102, subdivision 11, paragraph (b).

(g) Once compensation has ceased under paragraph (d), clauses (4) and (5), it may not be recommenced at a later date except as provided under section 176.102, subdivision 11, paragraph (b).

Sec. 6. Minnesota Statutes 1988, section 176.101, is amended by adding a subdivision to read:

*Subd. 1a. [EXTENDED DISABILITY COMPENSATION.] (a) If an employee, who has a permanent partial disability, is not working because of the personal injury after payment of permanent partial disability benefits is complete, the employee is eligible for extended disability compensation. If an employee received any permanent partial compensation in a lump sum, payment will be considered complete after expiration of the period when the employee would have received permanent partial compensation had it been paid periodically.*

*(b) Extended disability compensation is paid at the rate for temporary total compensation, escalated under section 176.645, for the number of weeks equal to 246 multiplied by the employee's percentage rating of permanent partial disability, determined according to the rules adopted by the commissioner pursuant to section 176.105, subdivision 4. The total extended compensation for any injury may not exceed this product.*

*(c) Extended disability compensation must cease if the employee is no longer disabled, returns to work, refuses a job offer described in subdivision 1, paragraph (d), clause (4), or retires from the labor market.*

*(d) An employee is not eligible for extended disability compensation if, at any time before the employee would have become eligible:*

*(1) the employee refuses a job offer, as described in subdivision 1, paragraph (d), clause (4); or*

*(2) the employee returns to work and terminates employment, unless the employee was medically unable to continue work or was terminated without just cause.*

*(e) An employee is eligible for extended compensation at any time after payment of permanent partial benefits is complete, provided the employee meets the qualifications of this section and has not been paid the maximum number of weeks under paragraph (b) for that injury; except that extended compensation may not be paid beyond 350 weeks after the date of injury.*

Sec. 7. Minnesota Statutes 1988, section 176.101, subdivision 2, is amended to read:

*Subd. 2. [TEMPORARY PARTIAL DISABILITY.] (a) In all cases of temporary partial disability the compensation shall be ~~66-2/3 percent of the difference between the weekly wage of the employee at the time of injury and the wage the employee is able to earn in the employee's partially disabled condition.~~ paid as follows:*

*(1) for the first 26 weeks that the employee returns to work, the compensation shall be 80 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage*

the employee is able to earn in the employee's partially disabled condition;

(2) for the second 26 weeks that the employee returns to work, the compensation shall be 60 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is able to earn in the employee's partially disabled condition; and

(3) for the third 26 weeks that the employee returns to work, the compensation shall be 40 percent of the difference between the after-tax weekly wage of the employee at the time of injury and the after-tax weekly wage the employee is able to earn in the employee's partially disabled condition.

(b) This compensation shall be paid during the period of disability except as provided in this section, payment to be made at the intervals when the wage was payable, as nearly as may be; and subject to a maximum compensation equal to the statewide average weekly wage.

(c) Temporary partial compensation may be paid only while the employee is working, earning less than the employee's weekly wage at the time of the injury, and the reduced wage is due to the injury. Except as provided in section 176.102, subdivision 11, paragraph (b), temporary partial compensation may not be paid after the employee has returned to work for 78 weeks, including weeks in which the employee has no wage loss, or after 350 weeks after the date of injury, whichever occurs first.

(d) Temporary partial compensation may not exceed the maximum rate for temporary total compensation and must be reduced to the extent that the wage the employee is earning in the employee's partially disabled condition, plus the temporary partial disability payment otherwise payable under this subdivision, exceeds 300 percent of the statewide average weekly wage.

Sec. 8. Minnesota Statutes 1988, section 176.101, is amended by adding a subdivision to read:

Subd. 3. [PERMANENT PARTIAL DISABILITY.] (a) Compensation for permanent partial disability is as provided in this subdivision. Permanent partial disability must be rated as a percentage of the whole body in accordance with rules adopted by the commissioner under section 176.105. The percentage determined pursuant to the rules must be multiplied by the corresponding amount in the following table:

Percent of Disability	Amount
0-25	\$ 75,000
26-30	80,000
31-35	85,000

66-70	180,000
71-75	200,000
76-80	240,000
81-85	280,000
86-90	320,000
91-95	360,000

96-100

*An employee may not receive compensation for more than a 100 percent disability of the whole body, even if the employee sustains disability to two or more body parts.*

*(b) Permanent partial disability is payable upon cessation of temporary total disability under subdivision 1. If the employee is not working, the compensation is payable in installments at the same intervals and in the same amount as the initial temporary total disability rate. If the employee returns to work, the remaining compensation is payable in a lump sum 30 days after the employee returns to work, provided the employment has not been substantially interrupted by the injury for any part of the 30 days and the employee is still employed at the job at the end of the period. Permanent partial disability is not payable while temporary total compensation is being paid. Permanent partial disability is payable to permanently totally disabled employees in a lump sum at the time the disability can be ascertained.*

Sec. 9. Minnesota Statutes 1988, section 176.101, subdivision 4, is amended to read:

Subd. 4. [PERMANENT TOTAL DISABILITY.] For permanent total disability, as defined in subdivision 5, the compensation shall be ~~66-2/3~~ 80 percent of the ~~daily~~ after-tax weekly wage at the time of the injury, subject to a ~~maximum weekly compensation equal to the maximum weekly compensation for a temporary total disability and a minimum weekly compensation equal to the minimum weekly compensation rates~~ for a temporary total disability. This compensation shall be paid during the permanent total disability of the injured employee but after a total of \$25,000 of weekly compensation has been paid, the amount of the weekly compensation benefits being paid by the employer shall be reduced by the amount of any disability benefits being paid by any government disability benefit program if the disability benefits are occasioned by the same injury or injuries which give rise to payments under this subdivision. This reduction shall also apply to any old age and survivor insurance benefits. Payments shall be made at the intervals when the wage was payable, as nearly as may be. In case an employee who is permanently and totally disabled becomes an inmate of a public institution, no compensation shall be payable during the period of confinement in the institution, unless there is wholly dependent on the employee for support some person named in section 176.111, subdivision 1, 2 or 3, in which case the compensation provided for in section 176.111, during the period of confinement, shall be paid for the benefit of the dependent person during dependency. The dependency of this person shall be determined as though the employee were deceased.

Sec. 10. Minnesota Statutes 1988, section 176.101, subdivision 5, is amended to read:

Subd. 5. [TOTAL DISABILITY DEFINITION.] (a) For purposes of subdivision 4, permanent total disability means only:

(1) the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial members can be used, complete and permanent paralysis, total and permanent loss of mental faculties; or

(2) any other injury which totally and permanently incapacitates the

employee from working at an occupation which brings the employee an income ~~constitutes total disability.~~

*(b) For purposes of paragraph (a), clause (2), totally and permanently incapacitated means that the employee's physical disability, in combination with the employee's age, education and training, and experience, causes the employee to be unable to secure anything more than sporadic employment resulting in an insubstantial income. Local labor market conditions may not be considered in making the total and permanent incapacitation determination.*

Sec. 11. Minnesota Statutes 1988, section 176.102, subdivision 11, is amended to read:

Subd. 11. [RETRAINING; COMPENSATION.] *(a) Retraining is limited to 156 weeks. An employee who has been approved for retraining may petition the commissioner for additional compensation not to exceed 25 percent of the compensation otherwise payable. If the commissioner or compensation judge determines that this additional compensation is warranted due to unusual or unique circumstances of the employee's retraining plan, the commissioner or compensation judge may award additional compensation in an amount the commissioner determines is appropriate, not to exceed the employee's request. This additional compensation shall cease at any time the commissioner or compensation judge determines the special circumstances are no longer present.*

*(b) If the employee is not working during a retraining plan that has been specifically approved under this section, temporary total compensation is payable for up to 90 days after the end of the retraining plan, except that payment during the 90-day period is subject to cessation in accordance with section 176.101, subdivision 1, paragraph (d), clauses (1) to (4). If the employee is working during the retraining plan but earning less than at the time of injury, temporary partial compensation is payable at the rate of 80 percent of the difference between the employee's after-tax weekly wage at the time of injury and the after-tax weekly wage the employee is able to earn in the employee's partially disabled condition, subject to the maximum rate for temporary total compensation. Temporary partial compensation is not subject to the 78-week phase-out or the 350-week limitation provided by section 176.101, subdivision 2, during the retraining plan, but is subject to those limitations before and after the plan.*

Subd. 15. Sec. 26. Minnesota Statutes 1988, section 176.132, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBLE RECIPIENTS.] (a) An employee who has suffered personal injury prior to October 1, 1983 for which benefits are payable under section 176.101 and who has been totally disabled for more than 104 weeks shall be eligible for supplementary benefits as prescribed in this section after 104 weeks have elapsed and for the remainder of the

total disablement. Regardless of the number of weeks of total disability, no totally disabled person is ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, ~~except as provided by clause (b)~~, provided that all periods of disability are caused by the same injury.

(b) An employee who has suffered personal injury after October 1, 1983, and before October 1, 1989, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving temporary total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.

(c) An employee who has suffered personal injury after October 1, 1989, and is permanently totally disabled as defined by section 176.101, subdivisions 4 and 5, is eligible to receive supplementary benefits after the employee has been receiving temporary total or permanent total benefits for 208 weeks. Regardless of the number of weeks of total disability, no person who is receiving permanent total compensation shall be ineligible for supplementary benefits after four years have elapsed since the first date of the total disability, provided that all periods of disability are caused by the same injury.

Sec. 27. Minnesota Statutes 1988, section 176.132, subdivision 2, is amended to read:

Subd. 2. [AMOUNT.] (a) The supplementary benefit payable under ~~this section~~ subdivision 1, paragraphs (a) and (b), shall be the difference between the amount the employee receives on or after January 1, 1976, under section 176.101, subdivision 1 or 4, and 65 percent of the statewide average weekly wage as computed annually. The supplementary benefit payable under subdivision 1, paragraph (c), shall be the difference between:

(1) the amount the employee receives on or after October 1, 1989, under section 176.101, subdivision 4; plus the amount of disability benefits being paid under any government disability benefit program, provided those benefits are occasioned by the same injury or injuries giving rise to payments under section 176.101, subdivision 4; plus the amount of any federal old age and survivors insurance benefits; and

(2) 65 percent of the statewide average weekly wage, as computed annually.

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. Attorney's fees shall be allowed in settlements of claims for

supplementary benefits in accordance with this chapter.

(d) In the event an eligible recipient *under subdivision 1, paragraph (a) or (b)*, is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.

(e) In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provisions of United States Code, title 42, section 424a(d), this reduction shall not apply.

Sec. 28. Minnesota Statutes 1988, section 176.132, subdivision 3, is amended to read:

Subd. 3. [PAYMENT.] The payment of supplementary benefits shall be the responsibility of the employer or insurer currently paying total disability benefits *under subdivision 1, paragraph (a) or (b)*, or currently paying permanent total disability benefits *under subdivision 1, paragraph (c)*, or any other payer of such benefits. When the eligible individual is not currently receiving benefits because the total paid has reached the maximum prescribed by law the employer and insurer shall, nevertheless, pay the supplementary benefits that are prescribed by law. The employer or insurer paying the supplementary benefit shall have the right of full reimbursement from the special compensation fund for the amount of such benefits paid.

Sec. 29. Minnesota Statutes 1988, section 176.135, subdivision 5, is amended to read:

Subd. 5. [~~OCCUPATIONAL DISEASE MEDICAL ELIGIBILITY ASBESTOS HEALTH SCREENINGS.~~] ~~Notwithstanding section 176.66, an employee who has contracted an occupational disease is eligible to receive compensation under this section even if the employee is not disabled from earning full wages at the work at which the employee was last employed. insurer, or is paid pursuant to an order of the workers' compensation division, a compensation judge, or court of appeals relative to a claim by an injured employee or the employee's survivors, and received in good faith by the employee or the employee's survivors shall be refunded to the paying employer or insurer in the event that it is subsequently determined that the payment was made under a mistake in fact or law by the employer or insurer. When the payments have been made to a person who is entitled to receive further payments of compensation for the same injury, the mistaken compensation may be taken as a full credit against future lump sum benefit entitlement and as a partial credit against future weekly benefits. The credit applied against further payments of temporary total disability, temporary partial disability, permanent total disability, retraining benefits, death benefits, or weekly payments of ~~economic recovery or impairment~~ *permanent partial* compensation shall not exceed 20 percent of the amount that would otherwise be payable.

A credit may not be applied against medical expenses due or payable.

On October 1, 1981, and thereafter on the anniversary of the date of the employee's injury the total benefits due shall be adjusted by multiplying the total benefits due prior to each adjustment by a fraction, the denominator of which is the statewide average weekly wage for December 31, of the year two years previous to the adjustment and the numerator of which is the statewide average weekly wage for December 31, of the year previous to the adjustment. For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section. No adjustment increase made on October 1, 1977 or thereafter under this section shall exceed ~~six~~ *four* percent a year. In those instances where the adjustment under the formula of this section would exceed this maximum the increase shall be deemed to be ~~six~~ *four* percent.

Sec. 33. Minnesota Statutes 1988, section 176.645, subdivision 2, is amended to read:

If the employee is unemployed on the first date of disability, the compensation rate shall be based on the employee's weekly wage when last significantly exposed. The maximum compensation rate shall be the maximum compensation rate~~ in effect on the date of last significant exposure. The employee shall be eligible for supplementary benefits, notwithstanding the provisions of section 176.132, after four years have elapsed since the date of last significant exposure ~~to the hazard of the occupational disease~~ if that employee's weekly compensation rate is less than the current supplementary benefit rate. An employee who has voluntarily retired prior to becoming disabled is not eligible for wage loss benefits.*

Sec. 35. [176.90] [AFTER-TAX CALCULATION.]

*For purposes of sections 176.011, subdivisions 18 and 18a; 176.101, subdivisions 1, 2, 3, and 4; 176.111, subdivisions 6, 7, 8, 12, 14, 15, 20, and 21; and 176.66, the commissioner shall publish by September 1 of each year tables or formulas for determining the after-tax weekly wage to take effect the following October 1. *(b) The medical fee rules for providers other than hospitals, which are promulgated on October 1, 1988, and based upon 1987 medical cost data, must remain in effect until September 30, 1990; and the medical fee rules for providers other than hospitals, which are promulgated on October 1, 1990, must be based on the 1988 medical cost data and must remain in effect until September 30, 1991.*

*(a) (1) the data base includes at least three different providers of the service-;*

*(b) (2) the data base contains at least 20 billings for the service-;*

*(c) (3) The standard deviation as a percentage of the mean of billings for the service is 50 percent or less- the data are taken from the data base of Blue Cross and Blue Shield of Minnesota where available; or if not available from Blue Cross and Blue Shield of Minnesota, the data will be taken directly from the health care providers, professional associations, or other available sources;*

*(d) (4) The means of the Blue Cross and Blue Shield data base and of the department of human services data base for the service are within 20 percent of each other- the standard deviation is less than or equal to 50 percent of the mean of the billings for each service in the data base or the value of the 75th percentile is not greater than or equal to three times the value of the 25th percentile of the billings for each service in the data base; and*

*(e) (5) The data is taken from the data base of Blue Cross and Blue Shield or the department of human services- the 75th percentile logically reflects the usual and customary charges for the service.*

*(b) If the commissioner identifies a problem with the data for a particular*

S.F. No. 573: A bill for an act relating to marriage dissolution; including the primary caretaker standard as a factor to be considered in custody decisions; providing that the court may not use one factor as controlling in determining custody; requiring courts to consider the existence of domestic abuse in determining whether to award joint custody; providing for the appointment of visitation expeditors to resolve on-going visitation disputes; providing for visitation by persons who have resided with a child; amending Minnesota Statutes 1988, sections 257.022, by adding a subdivision; 518.17, subdivisions 1 and 2; proposing coding for new law in Minnesota Statutes, chapter 518.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 257.022, is amended by adding a subdivision to read:

*Subd. 2b. [WHEN CHILD HAS RESIDED WITH OTHER PERSON.] If an unmarried minor has resided in a household with a person, other than a foster parent, for two years or more and no longer resides with the*

*person, the person may petition the district court for an order granting the person reasonable visitation rights to the child during the child's minority. The court shall grant the petition if it finds that:*

- (1) visitation rights would be in the best interests of the child;*
- (2) the petitioner and child had established emotional ties creating a parent and child relationship; and*
- (3) visitation rights would not interfere with the relationship between the custodial parent and the child.*

*The court shall consider the reasonable preference of the child, if the court considers the child to be of sufficient age to express a preference.*

Sec. 2. Minnesota Statutes 1988, section 518.17, subdivision 1, is amended to read:

Subdivision 1. [THE BEST INTERESTS OF THE CHILD.] (a) "The best interests of the child" means all relevant factors to be considered and evaluated by the court including:

- ~~(a)~~ (1) the wishes of the child's parent or parents as to custody;
- ~~(b)~~ (2) the reasonable preference of the child, if the court deems the child to be of sufficient age to express preference;
- ~~(c)~~ (3) the interaction and interrelationship of the child with a parent or parents, siblings, and any other person who may significantly affect the child's best interests;
- ~~(d)~~ (4) the child's adjustment to home, school, and community;
- ~~(e)~~ (5) the length of time the child has lived in a stable, satisfactory environment and the desirability of maintaining continuity;
- ~~(f)~~ (6) the permanence, as a family unit, of the existing or proposed custodial home;
- ~~(g)~~ (7) the mental and physical health of all individuals involved;
- ~~(h)~~ (8) the capacity and disposition of the parties to give the child love, affection, and guidance, and to continue educating and raising the child in the child's culture and religion or creed, if any;
- ~~(i)~~ (9) the child's cultural background; ~~and~~
- ~~(j)~~ (10) the effect on the child of the actions of an abuser, if related to domestic abuse, as defined in section 518B.01, that has occurred between the parents; *and*
- (11) *the child's primary caretaker.*

*The court may not use one factor as controlling in determining custody.*

(b) The court shall not consider conduct of a proposed custodian that does not affect the custodian's relationship to the child.

Sec. 3. Minnesota Statutes 1988, section 518.17, subdivision 2, is amended to read:

Subd. 2. [FACTORS WHEN JOINT CUSTODY IS SOUGHT.] In addition to the factors listed in subdivision 1, where either joint legal or joint physical custody is contemplated or sought, the court shall consider the following relevant factors:

(a) The ability of parents to cooperate in the rearing of their children;

(b) Methods for resolving disputes regarding any major decision concerning the life of the child, and the parents' willingness to use those methods; ~~and~~

(c) Whether it would be detrimental to the child if one parent were to have sole authority over the child's upbringing; *and*

(d) *Whether domestic abuse, as defined in section 518B.01, has occurred between the parents.*

The court shall use a rebuttable presumption that upon request of either or both parties, joint legal custody is in the best interests of the child.

Sec. 4. Minnesota Statutes 1988, section 518.175, subdivision 1, is amended to read:

Subdivision 1. In all proceedings for dissolution or legal separation, subsequent to the commencement of the proceeding and continuing thereafter during the minority of the child, the court shall, upon the request of ~~the noncustodial~~ *either parent*, grant such rights of visitation *on behalf of the child and noncustodial parent* as will enable the child and the non-custodial parent to maintain a child to parent relationship that will be in the best interests of the child. If the court finds, after a hearing, that visitation is likely to endanger the child's physical or emotional health or impair the child's emotional development, the court ~~may~~ *shall* restrict visitation by the noncustodial parent as to time, place, duration, or supervision and may deny visitation entirely, as the circumstances warrant. The court shall consider the age of the child and the child's relationship with the noncustodial parent prior to the commencement of the proceeding. A parent's failure to pay support because of the parent's inability to do so shall not be sufficient cause for denial of visitation.

Sec. 5. Minnesota Statutes 1988, section 518.175, subdivision 5, is amended to read:

Subd. 5. The court ~~may~~ *shall* modify an order granting or denying visitation rights whenever modification would serve the best interests of the child, but the court shall not restrict a ~~parent's~~ visitation rights unless it finds that:

(1) the visitation is likely to endanger the child's physical or emotional health or impair the child's emotional development; *or*

(2) *the noncustodial parent has chronically and unreasonably failed to comply with court-ordered visitation.*

If the custodial parent makes specific allegations that visitation places the custodial parent in danger of harm, the court shall hold a hearing at the earliest possible time to determine the need to modify the order granting visitation rights. The court may require a third party, including the county welfare board, to supervise the visitation or may restrict a parent's visitation rights if necessary to protect the custodial parent from harm.

Sec. 6. [518.1751] [VISITATION DISPUTE RESOLUTION.]

*Subdivision 1. [VISITATION EXPEDITOR.] (a) Upon agreement of all parties, the court may appoint a visitation expeditor to resolve visitation disputes that occur under a visitation order while a matter is pending under this chapter, chapter 257 or 518A, or after a decree is entered.*

*(b) For purposes of this section, "visitation dispute" means a disagreement among parties about visitation with a child. "Visitation dispute" includes a claim by a custodial parent that a noncustodial parent is not visiting a child as well as a claim by a noncustodial parent that a custodial parent is denying or interfering with visitation.*

*Subd. 2. [APPOINTMENT; COSTS.] The court shall appoint the visitation expeditor. If the parties cannot agree on a visitation expeditor, the court shall present a list of candidates with one more candidate than there are parties to the dispute. Each party shall strike one name and the court shall appoint the remaining individual as the visitation expeditor. In its order appointing the visitation expeditor, the court shall apportion the costs of the visitation expeditor among the parties, with each party bearing the portion of costs that the court determines is just and equitable under the circumstances.*

*Subd. 3. [AGREEMENT OR DECISION.] (a) The visitation expeditor shall meet with the parties within five days after appointment and make a diligent effort to facilitate an agreement to resolve the visitation dispute.*

*(b) If the parties do not reach an agreement, the expeditor shall make a decision resolving the dispute as soon as possible. If a party does not comply with an agreement of the parties or a decision of the expeditor, any party may bring a motion with the court to resolve the dispute. The court may consider the agreement of the parties or the decision of the expeditor, but neither is binding on the court.*

*Subd. 4. [OTHER AGREEMENTS.] This section does not preclude the parties from voluntarily agreeing to submit their visitation dispute to a neutral third party.*

Sec. 7. Minnesota Statutes 1988, section 518.552, is amended by adding a subdivision to read:

*Subd. 5. [PRIVATE AGREEMENTS.] Subject to the court's approval, the parties may expressly preclude or limit modification of maintenance through a stipulation. The stipulation must be supported by consideration, following full disclosure of each party's financial circumstances, and must be made a part of a judgment and decree.*

Sec. 8. Minnesota Statutes 1988, section 518.58, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Upon a dissolution of a marriage, an annulment, or in a proceeding for disposition of property following a dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property and which has since acquired jurisdiction, the court shall make a just and equitable division of the marital property of the parties without regard to marital misconduct, after making findings regarding the division of the property. The court shall base its findings on all relevant factors including the length of the marriage, any prior marriage of a party, the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, needs, opportunity for future acquisition of capital assets, and income of each party. The court shall also consider the contribution of each in the acquisition, preservation, depreciation or appreciation in the amount or value of the marital property, as well as the contribution of a spouse as a homemaker. It shall be conclusively presumed that each spouse made a substantial contribution to the acquisition of income and property while

they were living together as husband and wife. The court may also award to either spouse the household goods and furniture of the parties, whether or not acquired during the marriage. The court shall value marital assets for purposes of division between the parties as of the day of the proceeding for dissolution or annulment is commenced initially scheduled prehearing settlement conference, unless a different date is agreed upon by the parties, or unless the court finds determines that the parties subsequently made a good faith reconciliation, in which case the court may establish the valuation date as of the date the reconciliation ended. Within 60 days after a proceeding for dissolution or annulment is commenced, unless the time is extended either by agreement of the parties or by order of the court for good cause shown, each party shall serve and file a verified statement identifying all assets, marital and nonmarital, the values of the assets and the basis for the values, and disclosing all liabilities of the parties another date of valuation is fair and equitable. If there is a substantial change in value of an asset between the date of valuation and the final distribution, the court may adjust the valuation of that asset as necessary to effect an equitable distribution. During the pendency of a marriage dissolution or annulment proceeding, each party owes a fiduciary duty to the other for any profit or loss derived by the party, without consent of the other, from a transaction or from any use by the party of the marital assets.

(1) Individual qualified plans, excluding group conversions;

(2) Group conversions;

(3) Group qualified plans with fewer than 50 employees or members; and

(4) Major medical coverage.

A separate election may be made for each category of coverage. If a member elects to reinsure the risks of a category of coverage, it must reinsure the risk of the coverage of every life covered under every policy issued in that category. A member electing to reinsure risks of a category of coverage shall enter into a contract with the association establishing a reinsurance plan for the risks. A provider who accepts a payment from the writing carrier is deemed to have agreed to this condition;*

*(h) Provide for the assignment of benefits on the terms and subject to the conditions the association determines are appropriate; and*

*(i) Provide for the development of new methods to allow the enrollee to participate in the choice and regulation of the enrollee's own health care in accordance with the principle that participation by the health care consumer in decisions affecting care is the most effective means of ensuring that the health care services actually rendered are necessary, low in cost, and reasonably effective.*

Subd. 9. [~~STUDIES, DEMONSTRATION PROJECTS, AND EXPERIMENTAL DELIVERY METHOD SYSTEMS.~~] ~~The association may petition the commissioner of commerce for a waiver to allow the experimental use of alternative means of health care delivery. In conducting the study, the commissioner shall analyze any negative financial impacts which the current deficits are having on the contributing members of the association and recommend alternative sources of funding or other approaches which could be utilized to finance the operating deficit. The study shall also address the current association funding inequities between employers which self-insure for employee health benefit coverage and those employers which have health coverage subject to state regulation. *The association shall conduct studies, demonstration projects, and experimental delivery systems the association considers appropriate to give effect to the principles in section 62E.10, subdivisions 1, paragraph (b), and 7, paragraph (h). The studies, demonstration projects, and experimental delivery systems may be administered by the writing carrier or by third parties the association in its discretion considers most likely to achieve its purposes. The writing carrier, as a condition of its acceptance of a contract to provide comprehensive health insurance, shall agree to provide data and information for studies and demonstration projects and other experimental delivery systems the association considers appropriate in discharging its obligations under this section.*

## "ARTICLE 2

### METROPOLITAN AIRPORTS COMMISSION PROPRIETARY APPROVAL OF ACQUISITION OF MAJOR AIRPORT TENANT

#### Section 1. [PUBLIC INTEREST AND PURPOSE.]

*The state of Minnesota, acting in a proprietary capacity through the metropolitan airports commission, has made a substantial public investment in the construction and maintenance of the Minneapolis-St. Paul International Airport. It continues to invest large sums of money to consider expansion of existing airport facilities and the possibility of a new airport facility. The airport has been a significant element in the development of the state and the communities served by the airport. A readily accessible and available transportation system has been developed around the airport that is relied upon by the public, consumers, and businesses. The public, consumers, and businesses have located residences and operations in this state in reliance upon the success of the airport and the transportation system it has created.*

*Tenants of the airport, particularly major tenants, have substantially benefited from the airport facilities. The airport facilities have enabled the tenants, particularly major tenants, to schedule flights to the Minneapolis-St. Paul metropolitan area and to derive economic profit with respect to passengers traveling to and from this area.*

*The continued success of the Minneapolis-St. Paul International Airport and the critically important transportation system it has fostered is highly*

*dependent upon the reliability of tenants of the airport and, in particular, any major tenant. In order to ensure the continued success of the airport and protect the state's proprietary interest, including the financial stability of the airport and environmental concerns relating to the airport, it is deemed necessary and prudent by the legislature to require that any acquisition of a major tenant of the airport be approved by the metropolitan airports commission and to allow the commission to deny an acquisition of a major tenant of the airport if the acquisition is clearly against the proprietary interests of the state and the metropolitan airports commission. This act is promulgated to enforce and protect the proprietary interests of the state and the metropolitan airports commission in accordance with their proprietary powers and rights as a public owner and operator of the Minneapolis-St. Paul International Airport.*

**Sec. 2. [360A.01] [DEFINITIONS.]**

*Subdivision 1. [SCOPE.] The definitions in this section apply to this chapter.*

*Subd. 2. [AFFILIATE.] "Affiliate" of another person means any person directly or indirectly controlling, controlled by, or under common control with the other person.*

*Subd. 3. [AIRCRAFT HOLD ROOM.] "Aircraft hold room" means a room located on one of the concourses at the airport from which passengers gain immediate access to and from airplanes.*

*Subd. 4. [AIRPORT.] "Airport" means the Minneapolis-St. Paul International Airport.*

*Subd. 5. [MAJOR TENANT.] "Major tenant" means a person whose principal executive office is located in Minnesota and who, by itself or together with any affiliates:*

*(1) leases through any written, oral, express, or implied agreement, at least 40 percent of the aircraft hold rooms at the airport; or*

The agreement may authorize representatives of other states to issue interstate registration stamps and trip permits, accept the filing of insurance certificates and interstate commerce commission orders, and collect and disburse fees prescribed by this chapter. The agreement may allow the exchange of information for audit, reporting, and enforcement purposes, and the collection and disbursement of fees provided under this chapter and the laws of other states that participate in the agreement. The agreement must be in writing. The agreement may provide for the gradual adoption of a base state registration system. It may provide that a motor carrier based in another state participating in the agreement, that has filed evidence of financial responsibility in that state that meets the requirements of this chapter and of the agreement, need not file evidence of financial responsibility with the commissioner for its interstate operations in this state.*

The authority having jurisdiction over the timber on any such lands may sell the timber as otherwise provided by law for cutting and removal under such conditions as the authority may prescribe in accordance with approved, sustained yield forestry practices. “ARTICLE I

TRUCKERS INSURANCE

Section 1. Minnesota Statutes 1988, section 79.252, is amended by adding a subdivision to read:

*Subd. 6. [COVERAGE OUTSIDE STATE.] Policies issued by the assigned risk plan pursuant to this chapter may also provide workers' compensation coverage required under the laws of states other than Minnesota, including coverages commonly known as "all states coverage." The commissioner, on behalf of the assigned risk plan, may apply for and obtain any licensure required in any other state to issue that coverage.*

Sec. 2. [79.571] [TRUCK DRIVER CLASSIFICATIONS.]

*Subdivision 1. [COMBINING CERTAIN CLASSIFICATIONS.] (a) The purpose of this section is to spread the high cost of workers' compensation premiums for truck drivers among a broader range of classifications in the trucking industry without unnecessarily raising rates in classifications that typically include employees with a relatively low risk of injury.*

*(b) The following classifications from the basic manual for workers' compensation and employers liability insurance, including the Minnesota exceptions, shall be combined into one classification, and all risks in the combined classification must be charged a uniform workers' compensation rate:*

*(1) 7219 - all employees and drivers, not otherwise classified;*

*(2) 7380 - drivers, chauffeurs, and their helpers, not otherwise classified - commercial; and*

*(3) 8293 - furniture moving and storage drivers.*

*(c) The risks in classifications 7219, 7380, and 8293, as of January 1, 1989, and any risks after that date that would have been classified as a risk under the 7219, 7380, or 8293 classification in the basic manual of workers' compensation and employers liability insurance classification system in existence on January 1, 1989, including the Minnesota exceptions, must be assigned to the combined class created by this subdivision.*

*(d) For purposes of this section, the classification 7380 shall no longer include ambulance drivers. Such drivers shall be reclassified by a data service organization into another comparable classification whose rates are equal to or less than the current rates for code 7380.*

*Subd. 2. [MANDATORY USE OF CLASSIFICATION.] An insurer or data service organization is prohibited from filing or using rates or a rating system or a classification system for truck drivers that does not comply with this section. Except as otherwise provided under subdivision 1, paragraph (d), an insurer or data service organization is prohibited from restructuring or varying the risk classification system to eliminate or modify the combined classification created by subdivision 1 or to remove or add any categories of risks from the combined classification without first obtaining approval of the commissioner. The commissioner shall not approve a variation of the uniform classification system that is inconsistent with the purpose of this section.*

*Subd. 3. [MANDATORY EXPERIENCE RATING.] An insurer for a business entity or individual engaged in the truck driving industry must use an experience rated plan. An insurer may not exempt from this requirement trucking businesses for which the workers' compensation insurance premium is less than a certain dollar amount.*

*Subd. 4. [DETERMINATION OF RISK ASSIGNMENT.] If a dispute arises concerning whether or not a risk should be assigned to the combined classification established in subdivision 1, the commissioner shall determine the appropriate classification. If the employer or insurer disagrees with the commissioner's decision, the employer or insurer may request a hearing under chapter 14 by filing a written request with the commissioner within 30 days of the service and filing of the decision, on a form prescribed by the commissioner. The commissioner may adopt emergency and permanent rules to implement this section.*

*Subd. 5. [APPLICABILITY.] Nothing in this section prohibits an employer from dividing a payroll among the rating classifications as provided under section 79.211, subdivision 2.*

Sec. 3. Minnesota Statutes 1988, section 79.60, subdivision 2, is amended to read:

Subd. 2. [PERMITTED ACTIVITY.] In addition to any other activities not prohibited by this chapter, insurers may:

(a) Through licensed data service organizations, individually, or with insurers commonly owned, managed, or controlled, conduct research and collect statistics to investigate, identify, and classify information relating to causes or prevention of losses;

(b) Develop and use classification plans and rates based upon any reasonable factors *subject to section 2*; and

(c) Develop rules for the assignment of risks to classifications *subject to section 2*.

Sec. 4. Minnesota Statutes 1988, section 79.61, subdivision 1, is amended to read:

Subdivision 1. [REQUIRED ACTIVITY.] Any data service organization shall perform the following activities:

(a) File statistical plans, including classification definitions, amendments to the plans, and definitions, with the commissioner for approval, and assign each compensation risk written by its members to its approved classification for reporting purposes *subject to section 2*;

(b) Establish requirements for data reporting and monitoring methods to maintain a high quality data base;

(c) Prepare and distribute a periodic report, in a form prescribed by the commissioner, on ratemaking including, but not limited to the following elements:

(i) development factors and alternative derivations;

(ii) trend factors and alternative derivations and applications;

(iii) pure premium relativities for the approved classification system for which data are reported, provided that the relativities for insureds engaged in similar occupations and presenting substantially similar risks shall, if

different, differ by at least ten percent; and

(iv) an evaluation of the effects of changes in law on loss data.

The report shall also include explicit discussion and explanation of methodology, alternatives examined, assumptions adopted, and areas of judgment and reasoning supporting judgments entered into, and the effect of various combinations of these elements on indications for modification of an overall pure premium rate level change. The pure premium relativities and rate level indications shall not include a loading for expenses or profit and no expense or profit data or recommendations relating to expense or profit shall be included in the report or collected by a data service organization;

(d) Collect, compile, summarize, and distribute data from members or other sources pursuant to a statistical plan approved by the commissioner;

(e) Prepare merit rating plan and calculate any variable factors necessary for utilization of the plan. Such a plan may be used by any of its members, at the option of the member provided that the application of a plan shall not result in rates that are unfairly discriminatory;

(f) Provide loss data specific to an insured to the insured at a reasonable cost;

*Subd. 4a. [PILOT PROJECT.] (a) The purpose of this pilot project is to test the impact of early and intense rehabilitation efforts in the regulated motor carrier industry, (truckers who are subject to chapter 221 as "for hire" motor carriers), which has high workers' compensation costs in part because of difficulty in bringing injured employees back to work.*

When a suitable job under section 176.101, subdivision 3e, is not immediately available, the plan must attempt to get the employee back to a job under section 176.101, subdivision 3f, as soon as possible. After the employee has returned to a job under section 176.101, subdivision 3f, the employee shall make additional efforts to find a suitable job. The procedures shall incorporate the provisions of sections 144.701, 144.702, and 144.703 to the extent that the commissioner finds that these provisions effectively accomplish the intent of this section or are otherwise necessary to insure that quality hospital care is available to injured employees.

Sec. 5. Minnesota Statutes 1988, section 176.136, subdivision 5, is amended to read:

Subd. 5. [PERMANENT RULES.] Where permanent rules have been adopted to implement this section, the commissioner shall annually give notice in the State Register of the ~~75th percentile reimbursement allowance~~ to meet the requirements of subdivision 1. ~~(e) The data is taken from the data base of Blue Cross and Blue Shield or the department of human services~~ *The 75th percentile logically reflects the usual and customary charges for the service.*

Sec. 6. Minnesota Statutes 1988, section 176.155, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYER'S PHYSICIAN.] The injured employee must submit to examination by the employer's physician, if requested by the employer, and at reasonable times thereafter upon the employer's request. *The examination must be scheduled at a location within 150 miles of the employee's residence unless the employer can show cause to the department or a compensation judge to order an examination at a location further from the petitioner's residence.* The employee is entitled upon request to have a personal physician present at any such examination. A self-insured employer or insurer who is served with a claim petition pursuant to section 176.271, subdivision 1, or 176.291, shall schedule any necessary examinations of the employee, if an examination by the employer's physician or health care provider is necessary to evaluate benefits claimed. The examination shall be completed and the report of the examination shall be served on the employee and filed with the commissioner within 120 days of service of the claim petition.

No evidence relating to the examination or report shall be received or considered by the commissioner, a compensation judge, or the court of appeals in determining any issues unless the report has been served and filed as required by this section, unless a written extension has been granted by the commissioner or compensation judge. The commissioner or a compensation judge shall extend the time for completing the adverse examination and filing the report upon good cause shown. The extension must not be for the purpose of delay and the insurer must make a good faith effort to comply with this subdivision. Good cause shall include but is not limited to:

(1) that the extension is necessary because of the limited number of physicians or health care providers available with expertise in the particular injury or disease, or that the extension is necessary due to the complexity of the medical issues, or

(2) that the extension is necessary to gather addition information which was not included on the petition as required by section 176.291.”

Provided, that this evidence may not be admitted unless notice is given to the prosecution prior to the omnibus or pretrial hearing in the matter.*

*The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person violated this section, including tests obtained more than two hours after the alleged violation and results obtained from partial tests on an infrared breath-testing instrument. A result from a partial test is the measurement obtained by analyzing one adequate breath sample, as defined in section 169.123, subdivision 2b, paragraph (b).*

Within 15 days of receiving the request the commissioner shall report in writing the results of the review. The review provided in this subdivision is not subject to the contested case provisions of the administrative procedure act in sections 14.01 to 14.69.

The availability of administrative review for an order of revocation has no effect upon the availability of judicial review under this section.

Review under this subdivision shall take place, if possible, at the same

The petition shall state with specificity the grounds upon which the petitioner seeks rescission of the order of revocation, *disqualification*, or denial *and state the facts underlying each claim asserted*.

The filing of the petition shall not stay the revocation, *disqualification*, or denial. The reviewing court may order a stay of the balance of the revocation *or disqualification* if the hearing has not been conducted within 60 days after filing of the petition upon terms the court deems proper. Judicial reviews shall be conducted according to the rules of civil procedure.

Sec. 13. Minnesota Statutes 1988, section 169.123, subdivision 6, is amended to read:

The hearing shall be recorded. The commissioner of public safety shall appear and be represented by the attorney general or through the prosecuting authority for the jurisdiction involved.

The hearing shall be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. or the person refused to take a screening test provided for by section 169.121, subdivision 6, or the screening test was administered and recorded an alcohol concentration of 0.10 or more; and

(2) whether at the time of the request for the test the peace officer informed the person of the person's rights and the consequences of taking or refusing the test as required by subdivision 2; and

(3) either (a) whether the person refused to permit the test, or (b) whether a test was taken and the test results indicated an alcohol concentration of 0.10 or more at the time of testing, *or if a test was taken by a person driving, operating, or in physical control of a commercial motor vehicle and the test results indicated an alcohol concentration of 0.04 or more at the time of testing;* ~~and~~ whether the testing method used was valid and reliable; and whether the test results were accurately evaluated.

It shall be an affirmative defense for the petitioner to prove that, at the time of the refusal, the petitioner's refusal to permit the test was based upon reasonable grounds.

Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses and certificates shall be admissible as substantive evidence.

The court shall order ~~either~~ that the revocation *or disqualification* be *either* rescinded or sustained and forward the order to the commissioner of public safety. (a) *The party states find that:*

(1) *The safety of their streets and highways is materially affected by the degree of compliance with state and local ordinances relating to the operation of motor vehicles.*

(2) *Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.*

(3) *The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.*

*(b) It is the policy of each of the party states to:*

*(1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.*

*(2) Make the reciprocal recognition of licenses to drive and eligibility thereof more just and equitable by considering the overall compliance with motor vehicle laws, ordinances, and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.*

## ARTICLE II Definitions

*As used in this compact:*

*(a) "State" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.*

*(b) "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.*

Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code, or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond, or other security; and shall include any special findings made in connection therewith.*

## ARTICLE IV Effect of Conviction

*(a) The licensing authority in the home state, for the purposes of suspension, revocation, or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:*

(b) As to other convictions, reported pursuant to article III, the licensing authority in the home state shall give such effect to the conduct as provided by the laws of the home state.

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this article, such party state shall construe the denominations and descriptions appearing in the subdivision (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

#### ARTICLE V

##### Applications for New Licenses

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

(3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

#### ARTICLE VI

##### Applicability of Other Laws

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other cooperative arrangement between a party state and a nonparty state.

*(b) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.*

#### ARTICLE IX

##### *Construction and Severability*

*This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. (b) *Court jurisdiction under section 260.015, subdivision 2a, clause (12), may not continue past the child's 17th birthday.*

(c) *Court jurisdiction over an individual found to have committed or attempted to commit an act in violation of section 609.342, 609.343, 609.344, or 609.345 continues until the individual becomes 21 years of age, if the court determines at the original disposition hearing that continued jurisdiction will facilitate the juvenile's completion of a treatment or aftercare program.*

Sec. 9. Minnesota Statutes 1988, section 260.185, subdivision 1, is amended to read:

Subdivision 1. *If the court finds that the child is delinquent, it shall enter an order making any of the following dispositions of the case which are deemed necessary to the rehabilitation of the child:*

(a) *Counsel the child or the parents, guardian, or custodian;*

(b) *Place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court including reasonable rules for conduct and the conduct of the child's parents, guardian, or custodian, designed for the physical, mental, and moral*

well-being and behavior of the child, or with the consent of the commissioner of corrections, in a group foster care facility which is under the management and supervision of said commissioner;

(c) Subject to the supervision of the court, transfer legal custody of the child to one of the following:

(g) If the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided;

(h) If the court believes that it is in the best interests of the child and of public safety that the driver's license of the child be canceled until the child's 18th birthday, the court may recommend to the commissioner of public safety the cancellation of the child's license for any period up to the child's 18th birthday, and the commissioner is hereby authorized to cancel such license without a hearing. At any time before the termination of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize.

When an individual reaches the age of 23, the bureau shall remove the records about the individual from the system and destroy them. However, if the individual is under the control or supervision of the commissioner when the individual reaches age 23, the records shall be removed and destroyed when the individual is no longer under the commissioner's control or supervision.*

Sec. 11. [299C.155] [STANDARDIZED EVIDENCE COLLECTION; DNA ANALYSIS DATA AND RECORDS.]

If the person is subsequently committed under section 526.10, the person shall be committed to the commissioner of corrections to serve the sentence imposed before being transferred by the commissioner of corrections to a state hospital designated by the commissioner of human services.*

**Sec. 13. [609.1352] [DANGEROUS SEX OFFENDERS; SPECIAL SENTENCING PROVISION.]**

*Subdivision 1. [SENTENCING AUTHORITY.] A court may sentence a person to a term of imprisonment of not less than double the presumptive sentence under the sentencing guidelines and not more than the statutory maximum, or if the statutory maximum is less than double the presumptive sentence, to a term of imprisonment equal to the statutory maximum, if:*

*(1) the court is imposing an executed sentence, based on a sentencing guidelines presumptive imprisonment sentence or a dispositional departure for aggravating circumstances or a mandatory minimum sentence, on a person convicted of committing or attempting to commit a violation of section 609.342, 609.343, 609.344, or 609.345, or on a person convicted of committing or attempting to commit any other crime listed in subdivision 2 if it reasonably appears to the court that the crime was motivated by the offender's sexual impulses or was part of a predatory pattern of behavior that had criminal sexual conduct as its goal;*

*(2) the court finds that the offender is a danger to public safety; and*

*(3) the court finds that the offender needs long-term treatment or supervision beyond the presumptive term of imprisonment and supervised release. The finding must be based on a professional assessment by an examiner experienced in evaluating sex offenders that concludes that the offender is a patterned sex offender. The assessment must contain the facts upon which the conclusion is based, with reference to the offense history of the offender or the severity of the current offense, the social history of the offender, and the results of an examination of the offender's mental status. The conclusion may not be based on testing alone. A patterned sex offender is one whose criminal sexual behavior is so engrained that the risk of reoffending is great without intensive psychotherapeutic intervention or other long-term controls.*

*Subd. 2. [PREDATORY CRIME.] A predatory crime is a felony violation of section 609.185, 609.19, 609.195, 609.20, 609.205, 609.221, 609.222, 609.223, 609.24, 609.245, 609.25, 609.255, 609.342, 609.343, 609.344, 609.345, 609.365, 609.498, or 609.582, subdivision 1, or a violation of section 609.224.*

*Subd. 3. [DANGER TO PUBLIC SAFETY.] The court shall base its finding that the offender is a danger to public safety on either of the following factors:*

*(1) the crime involved an aggravating factor that would justify a durational departure from the presumptive sentence under the sentencing guidelines; or*

*(2) the offender previously committed or attempted to commit a predatory crime, including an offense committed as a juvenile that would have been a predatory crime if committed by an adult.*

*Subd. 4. [DEPARTURE FROM GUIDELINES.] A sentence imposed under*

*subdivision 1 is a departure from the sentencing guidelines.*

*Subd. 5. [CONDITIONAL RELEASE.] At the time of sentencing under subdivision 1, the court may provide that after the offender has completed one-half of the full pronounced sentence imposed, without regard to good time, the commissioner of corrections may place the offender on conditional release for the remainder of the statutory maximum period or for ten years, whichever is longer, if the commissioner finds that:*

*(1) the offender is amenable to treatment and has made sufficient progress in a sex offender treatment program available in prison to be released to a sex offender treatment program operated by the department of human services or a community sex offender treatment and reentry program; and*

*(2) the offender has been accepted in a program approved by the commissioner that provides treatment, aftercare, and phased reentry into the community.*

*The conditions of release must include successful completion of treatment and aftercare in a program approved by the commissioner and any other conditions the commissioner considers appropriate. Release may be revoked and the stayed sentence executed in its entirety less good time if the offender fails to meet any condition of release. The commissioner shall not dismiss the offender from supervision before the sentence expires.*

*Conditional release granted under this subdivision is governed by provisions relating to supervised release, except as otherwise provided in this subdivision, section 244.04, subdivision 1, or 244.05.*

If the court stays the execution of a sentence, it shall include the following as conditions of probation: (1) incarceration in a local jail or workhouse; and (2) a requirement that the offender successfully complete the treatment program and aftercare as directed by the court.*
