No. 447: A bill for an act relating to transportation; authorizing special permits for 110-foot combinations of four vehicles to operate, with restrictions, on interstate highways; setting permit fees; providing for designation of interchanges, streets, highways, and rest areas; requiring a study and report to the legislature; appropriating money; amending Minnesota Statutes 1988, sections 169.81, subdivision 2; and 169.86, subdivision 5; proposing coding for new law in Minnesota Statutes, chapter 169.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1989 Supplement, section 169.81, subdivision 2, is amended to read:

Subd. 2. [LENGTH OF VEHICLES.] (a) No single unit motor vehicle, except mobile cranes which may not exceed 48 feet, unladen or with load may exceed a length of 40 feet extreme overall dimensions inclusive of front and rear bumpers, except that the governing body of a city is authorized by permit to provide for the maximum length of a motor vehicle, or combination of motor vehicles, or the number of vehicles that may be fastened together, and which may be operated upon the streets or highways of a city; provided, that the permit may not prescribe a length less than that permitted by state law. A motor vehicle operated in compliance with the permit on the streets or highways of the city is not in violation of this chapter.

(b) No single semitrailer may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer adjacent to the truck or truck-tractor, in excess of 48 feet, except that a single semitrailer may have an overall length in excess of 48 feet but not greater than 53 feet if the distance from the kingpin to the centerline of the rear axle group of the semitrailer does not exceed 41 feet. No single trailer may have an overall length inclusive of tow bar

assembly and exclusive of rear protective bumpers which do not increase the overall length by more than six inches, in excess of 45 feet. For determining compliance with the provisions of this subdivision, the length of the semitrailer or trailer must be determined separately from the overall length of the combination of vehicles.

(c) No semitrailer or trailer used in a three-vehicle *or* four-vehicle combination may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer or trailer adjacent to the truck or truck-tractor, and further exclusive of the tow bar assembly, in excess of 28-1/2 feet. The commissioner may not grant a permit authorizing the movement, in a three-vehicle *or* four-vehicle combination, of a semitrailer or trailer that exceeds 28-1/2 feet, except that the commissioner may renew a permit that was granted before April 16, 1984, for the movement of a semitrailer or trailer that exceeds the length limitation in this paragraph.

Sec. 2. Minnesota Statutes 1989 Supplement, section 169.86, subdivision 5, is amended to read:

Subd. 5. [FEES.] The commissioner, with respect to highways under the commissioner's jurisdiction, may charge a fee for each permit issued. All such fees for permits issued by the commissioner of transportation shall be deposited in the state treasury and credited to the trunk highway fund. Except for those annual permits for which the permit fees are specified elsewhere in this chapter, the fees shall be:

(a) \$15 for each single trip permit.

(b) \$36 for each job permit. A job permit may be issued for like loads carried on a specific route for a period not to exceed two months. "Like loads" means loads of the same product, weight, and dimension.

(c) \$60 for an annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) refuse compactor vehicles that carry a gross weight up to but not in excess of 22,000 pounds on a single rear axle and not in excess of 38,000 pounds on a tandem rear axle;

(2) motor vehicles used to alleviate a temporary crisis adversely affecting the safety or well-being of the public;

(3) motor vehicles which travel on interstate highways and carry loads authorized under subdivision 1a;

(4) motor vehicles operating with gross weights authorized under section 169.825, subdivision 11, paragraph (a), clause (3); and

(5) special pulpwood vehicles described in section 169.863.

(d) \$120 for an oversize annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) mobile cranes;

(2) construction equipment, machinery, and supplies;

(3) manufactured homes;

(4) farm equipment when the movement is not made according to the provisions of section 169.80, subdivision 1, paragraphs (a) to (f);

- (5) double-deck buses;
 (6) commercial boat hauling.

(e) For vehicles which have axle weights exceeding the weight limitations of section 169.825, an additional cost added to the fees listed above. The additional cost is equal to the product of the distance traveled times the sum of the overweight axle group cost factors shown in the following chart:

Overweight Axle Group Cost Factors

Weight (pounds) exceeding weight limitations on axles	Cost Per Mile For Each Group Of:		
	Two consecutive axles spaced within 8 feet or less	Three consecutive axles spaced within 9 feet or less	Four consecutive axles spaced within 14 feet or less
0-2,000	.100	.040	.036
2,001-4,000	.124	.050	.044
4,001-6,000	.150	.062	.050
6,001-8,000	Not permitted	.078	.056
8,001-10,000	Not permitted	.094	.070
10,001-12,000	Not permitted	.116	.078
12,001-14,000	Not permitted	.140	.094
14,001-16,000	Not permitted	.168	.106

The amounts added are rounded to the nearest cent for each axle or axle group. The additional cost does not apply to paragraph (c), clauses (1) and (3).

(f) As an alternative to paragraph (e), an annual permit may be issued for overweight, or oversize and overweight, construction equipment, machinery, and supplies. The fees for the permit are as follows:

Gross Weight (pounds) of vehicle	Annual Permit Fee
90,000 or less	\$200
90,001 - 100,000	\$300
100,001 - 110,000	\$400
110,001 - 120,000	\$500
120,001 - 130,000	\$600
130,001 - 140,000	\$700
140,001 - 145,000	\$800

If the gross weight of the vehicle is more than 145,000 pounds the permit fee is determined under paragraph (e).

(g) For vehicles which exceed the width limitations set forth in section 169.80 by more than 72 inches, an additional cost equal to \$120 added to the amount in paragraph (a) when the permit is issued while seasonal load restrictions pursuant to section 169.87 are in effect.

(h) For a four-vehicle combination granted a special permit under section 3, the fee for each one-way trip permit limited to 300 miles is \$10, and the fee for each 24-hour permit is \$15.

The commissioner shall adjust these fees by adding up to \$10 per permit if the permit fees have not raised \$115,000 by the end of fiscal year 1991.

Sec. 3. [169.864] [FOUR-VEHICLE COMBINATION DEMONSTRATION PROGRAM.]

Subdivision 1. [PERMITS.] The commissioner may establish a four-vehicle combination demonstration program under which the commissioner may issue a special permit for a four-vehicle combination consisting of a truck and three semitrailers. A special permit issued under this section is not valid after August 31, 1993. The commissioner shall immediately revoke the trip permit if the driver or motor carrier violates this section, section 4 or 5, or a permit condition. In addition, the driver is subject to prosecution under section 169.89. Before granting a special permit, the commissioner shall certify the motor carrier under subdivision 2. A motor carrier certified to operate four-vehicle combinations must provide to the commissioner reports and data on accidents, operational costs, safety inspections, equipment, maintenance, and any other item as required by the commissioner. The commissioner may not take any action under this section that would result in a loss of federal highway money to the state.

Subd. 2. [CERTIFICATION OF CARRIERS AND REVOCATION OF CERTIFICATION.] (a) The commissioner may certify a motor carrier for participation under this section only if:

(1) the commissioner determines that the carrier has an established and aggressive safety program, including a documented driver training and certification program that conforms to state and federal driver licensing laws;

(2) the commissioner determines that the carrier has access to adequate terminals or other staging areas; and

(3) the commissioner has considered the motor carrier's qualifications including its: (i) maintenance program, (ii) safety history, with emphasis on experience with and safe operation of three-vehicle combinations, and (iii) record of satisfactory compliance with other traffic and operational laws and rules, such as driver qualification requirements.

(b) The commissioner may suspend a carrier's certification, without notice, for reasonable cause. The commissioner shall provide an opportunity for an informal hearing within ten days after the suspension. The suspension and hearing are not governed by chapter 14. The commissioner shall consider the frequency, nature, and severity of violations by a carrier in imposing progressive suspensions of the carrier's certification. The commissioner may revoke a carrier's certification under guidelines adopted by the commissioner.

Subd. 3. [DESIGNATED FACILITIES.] (a) An applicant for a permit or a permit holder may request the commissioner to designate an interstate highway, access route, interchange, rest area, or entry and exit points for use by permitted vehicles. The commissioner may not designate a facility unless the commissioner finds that the facility meets conditions necessary to safely accommodate the permitted combinations. For purposes of this section, an "entry point" does not include any area that is not under the jurisdiction of a road authority.

(b) If the designated facility is under the jurisdiction of a local road authority, the designation is not effective until it is approved by a resolution of the governing body of the local authority and the local authority has forwarded to the commissioner the resolution of approval.

Subd. 4. [GUIDELINES.] The commissioner shall adopt guidelines to govern company and driver qualifications, equipment, weather conditions, holiday and construction zone restrictions, routing, suspension and revocation of permits and carriers' certification authority and other factors assuring safe operation. Adoption of the guidelines is exempt from chapter 14, including section 14.38, subdivisions 5 to 9. The commissioner shall distribute the guidelines to all interested parties.

Subd. 5. [PERMIT RESTRICTIONS.] (a) The permitted combination may travel only on interstate highways and facilities designated under subdivision 2, except as provided in this subdivision.

(b) The combination may also travel up to ten miles on a highway that crosses an interstate highway to a terminal or staging area that is owned or leased by the permitted carrier, or up to one mile on a designated highway to a truck stop approved by the commissioner and local road authority. The combination may enter and exit from an interstate highway or rest area only at entry and exit points designated by the commissioner under subdivision 2.

(c) When traveling on an interstate highway, the combination must travel in the right-hand lane, except to pass another vehicle, to avoid an obstruction, to allow for merging traffic, or to make an exit on the left.

Subd. 6. [RESTRICTIONS IN METROPOLITAN AREA.] (a) Between the hours of 5:30 a.m. and 10:00 p.m., a permitted combination may not travel:

(1) within that part of the seven-county metropolitan area that is bounded by and includes the connecting rights-of-way of marked interstate highways 494 and 694 and the segment of marked interstate highway 94 that connects interstate highways 494 and 694 in the cities of Brooklyn Center and Maple Grove;

(2) on marked interstate highway 35W between the 95th Avenue NE exit in the city of Blaine and the restricted area described in clause (1);

(3) on marked interstate highway 35W between the marked interstate highway 35E junction in the city of Burnsville and the restricted area described in clause (1); or

(4) on that portion of marked interstate highway 35 east of 27th Avenue West in Duluth.

(b) When traveling within the areas restricted by this subdivision, the combination may travel only on interstate highways that are designated access routes and at times specified by the commissioner.

Subd. 7. [HAZARDOUS MATERIALS.] A permitted combination may not transport:

(1) class A and B explosives as defined in Code of Federal Regulations, title 49, sections 173.53 and 173.88;

(2) radioactive materials as defined in Code of Federal Regulations, title 49, section 173.403, paragraphs (h), (i), (j), and (l); or

(3) bulk quantities of hazardous materials as defined in Code of Federal Regulations, title 49, section 171.8, including gasoline, special fuel, fuel oil, and heating oil.

Subd. 8. [LENGTH AND WEIGHT RESTRICTIONS.] A permitted combination may not exceed an overall length of 110 feet. A permitted combination may not exceed the weight restrictions of section 169.825, except that the total gross weight may be up to 105,500 pounds, subject to the special conditions of the permit.

Subd. 9. [COMMISSIONER MAY END PROGRAM.] Until August 31, 1993, the commissioner may suspend operation of the four-vehicle program for good cause. The commissioner shall give advance notice of suspending the program to all participating carriers. Participating carriers have the right to respond to the proposed suspension in writing or in an informal hearing with the commissioner. The hearing is not governed by chapter 14.

Sec. 4. [169.865] [FOUR-VEHICLE COMBINATIONS; SAFETY REQUIREMENTS.]

Subdivision 1. [UNSAFE CONDITIONS.] (a) The commissioner may suspend or restrict operation of the four-vehicle combinations due to weather conditions, construction, or holiday traffic.

(b) A motor carrier may not dispatch a four-vehicle combination during hazardous conditions. A driver who encounters a condition that the driver determines is dangerous shall proceed to the nearest exit or turnout. Hazardous conditions means conditions caused by snow, ice, sleet, fog, mist, rain, dust, or smoke that adversely affect visibility or traction. Dangerous conditions means hazardous conditions and also includes an equipment problem that makes it difficult to safely operate the combination.

(c) The state patrol and other law enforcement agencies have authority to order four-vehicle combinations to cease operations immediately due to unsafe conditions and to resume operation only when the unsafe conditions no longer exist.

Subd. 2. [DRIVERS.] A motor carrier may not allow a person to drive a four-vehicle combination unless the driver:

- (1) is experienced in driving truck-trailer combinations;*
- (2) has a good driving record;*
- (3) fully complies with all driver's requirements under applicable state and federal law;*
- (4) has documented special training in the operation of a four-vehicle combination before operating a combination on a highway; and*
- (5) is supervised and controlled by the motor carrier holding the special permit.*

Subd. 3. [SPEED.] The maximum speed for a four-vehicle combination under a special permit is the posted speed limit.

Subd. 4. [STABILITY.] All four-vehicle combinations must be stable at all times during normal braking and normal operation. A four-vehicle combination when traveling on a level, smooth, paved surface must follow in the path of the towing vehicle without shifting or swerving more than three inches to either side when the towing vehicle is moving in a straight line.

Subd. 5. [LOAD SEQUENCE.] A trailer or semitrailer may not be placed ahead of another trailer or semitrailer that carries a load 5,000 or more

pounds heavier. An empty trailer or semitrailer must not precede a loaded trailer or semitrailer.

Subd. 6. [ACCIDENT REPORTS.] Accidents involving a permitted four-vehicle combination resulting in death, injury, or \$4,500 in property damage must be reported to the state patrol immediately. This report is in addition to other required reports. Other accidents must be reported under section 169.09.

Subd. 7. [PENALTIES.] A motor carrier's failure to comply with this section is grounds for suspension or revocation of the motor carrier's certification.

Sec. 5. [169.866] [FOUR-VEHICLE COMBINATION EQUIPMENT REQUIREMENTS.]

Subdivision 1. [POWER.] A permitted combination must be powered to provide adequate acceleration ability and hill climbing ability under normal operating conditions, and to operate on level grades at speeds compatible with other traffic. The combination must be able to maintain a minimum speed of 40 miles per hour under normal operating conditions on any grade over which the combination is operated.

Subd. 2. [TRACTION.] A permitted combination must have adequate traction to maintain a minimum speed of 40 miles per hour under normal operating conditions on any grade over which the combination is operated and to be able to resume a speed of 40 miles per hour after stopping on any grade and, except in extreme road or weather conditions, to negotiate at an appropriate speed all grades encountered.

Subd. 3. [TIRES.] Each individual single and tandem axle must have tires of the same size and construction, whether radial or non-radial. Tires must be properly inflated for the load being carried.

Subd. 4. [FIFTH WHEEL.] A heavy duty fifth wheel is required. All fifth wheels must be clean and lubricated with a light duty grease.

Subd. 5. [PICK-UP PLATES.] Pick-up plates must be of strength equal to the fifth wheel.

Subd. 6. [KING PIN.] The king pin must be of a solid type and permanently fastened. Screw-out or folding-type king pins are prohibited.

Subd. 7. [PINTLE HOOK AND EYE.] All hitch connections must be of a no-slack type, preferably an air-actuated ram. If air-actuated hitches are used, they must be isolated from the primary air transmission system.

Subd. 8. [DRAWBAR.] The drawbar length must be consistent with both proper weight distribution and the clearances required between trailers for turning and backing maneuvers.

Subd. 9. [BRAKES.] All braking systems must comply with state and federal requirements. In addition, fast air transmission and release valves must be provided for all trailers, semitrailers, and converter dollies.

Subd. 10. [MUD FLAPS.] Anti-sail type mud flaps or splash guards are required.

Subd. 11. [COMBINATIONS MUST COMPLY.] A motor carrier may not dispatch a four-vehicle combination that violates this section.

Sec. 6. [STUDY REQUIRED.]

The commissioner of transportation shall conduct a study of the four-vehicle combinations permitted under section 3. The study must include, but need not be limited to:

- (1) the revenue impact of permitting the four-vehicle combinations;*
- (2) the need for and cost of modifications to rest areas, interchanges, intersecting highways, and entry and exit points;*
- (3) the economic benefits to industry and the state economy;*
- (4) the accident experience of the four-vehicle combinations;*
- (5) the amount of damage to pavement, bridges, and highway appurtenances caused or relieved by the use of four-vehicle combinations;*
- (6) the effects of permitting the four-vehicle combinations on the state's exposure to tort liability; and*
- (7) the degree of public acceptance of the four-vehicle combinations.*

The commissioner shall select an impartial consultant to conduct the study. The commissioner shall report the results of the study to the chairs of the transportation committees of the senate and house of representatives by January 1, 1993.

Sec. 7. [PERMIT FEE SURCHARGE.]

A surcharge of \$5 is added to each permit fee imposed by Minnesota Statutes, section 169.86, subdivision 5, paragraph (h), until the surcharge raises \$280,000.

Sec. 8. [APPROPRIATION; COMPLEMENT.]

(a) \$280,000 is appropriated from the trunk highway fund to the commissioner of transportation to pay the cost of the demonstration program study, the cost of rest area modifications, and the initial administrative costs of the permit program. This appropriation is available until spent.

(b) \$111,500 for fiscal year 1991 is appropriated to the commissioner of transportation from the trunk highway fund for administration of the four-vehicle permit program.

(c) The complement of the department of transportation is temporarily increased by three positions. On August 31, 1993, the complement of the department of transportation is decreased by three positions.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 471.991, subdivision 5, is amended to read:

Subd. 5. [EQUITABLE COMPENSATION RELATIONSHIP.] "Equitable

compensation relationship" means that a ~~primary consideration in negotiating, establishing, recommending, and approving total~~ the compensation for female-dominated classes is not consistently below the compensation for male-dominated classes of comparable work value in relationship to other employee positions, as determined under section 471.994, within the political subdivision.

Sec. 2. Minnesota Statutes 1988, section 471.992, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] Subject to sections 179A.01 to 179A.25 but notwithstanding any other law to the contrary, every political subdivision of this state shall establish equitable compensation relationships between female-dominated, male-dominated, and balanced classes of employees in order to eliminate sex-based wage disparities in public employment in this state. A primary consideration in negotiating, establishing, recommending, and approving total compensation is comparable work value in relationship to other employee positions within the political subdivision. This subdivision does not require a political subdivision to increase the compensation of a class for which any undercompensation cannot be attributed to the sex of the members dominating the class.

Sec. 3. Minnesota Statutes 1988, section 471.992, subdivision 2, is amended to read:

Subd. 2. [ARBITRATION.] In all interest arbitration involving a class other than a balanced class held pursuant to under sections 179A.01 to 179A.25, the arbitrator shall consider the equitable compensation relationship standards established in this section, and the standards established under section 471.993, together with other standards appropriate to interest arbitration. The arbitrator shall consider both the results of a job evaluation study and any employee objections to the study. In interest arbitration involving a balanced class, the arbitrator may consider the standards established under this section and the results of, and any employee objections to, a job evaluation study, but shall also consider similar or like classifications in other political subdivisions and in the external private marketplace.

Sec. 4. Minnesota Statutes 1988, section 471.992, is amended by adding a subdivision to read:

Subd. 4. [COLLECTIVE BARGAINING.] In collective bargaining involving a balanced class, a political subdivision may consider the equitable compensation relationship standards established by this section and the results of a job evaluation study, but shall also consider similar or like classifications in other political subdivisions and in the external private marketplace as well.

Sec. 5. Minnesota Statutes 1988, section 471.994, is amended to read:

471.994 [JOB EVALUATION SYSTEM.]

Every political subdivision shall use a job evaluation system in order to determine the comparable work value of the work performed by each class of its employees. The system must be maintained and updated to account for new employee classes and any changes in factors affecting the comparable work value of existing classes. A political subdivision that substantially modifies its job evaluation system or adopts a new system shall notify the commissioner. The political subdivision may use the system of

some other public employer in the state. Each political subdivision shall meet and confer with the exclusive representatives of their employees on the development or selection of a job evaluation system.

Sec. 6. Minnesota Statutes 1988, section 471.998, is amended by adding a subdivision to read:

Subd. 3. [PUBLIC DATA.] The report required by subdivision 1 is public data governed by chapter 13.

Sec. 7. Minnesota Statutes 1988, section 471.9981, is amended by adding a subdivision to read:

Subd. 5a. [IMPLEMENTATION REPORT.] By January 31, 1992, each political subdivision shall submit to the commissioner an implementation report that includes the following information as of December 31, 1991:

- (1) a list of all job classes in the political subdivision;*
- (2) the number of employees in each class;*
- (3) the number of female employees in each class;*
- (4) an identification of each class as male-dominated, female-dominated, or balanced as defined in section 471.991;*
- (5) the comparable work value of each class as determined by the job evaluation used by the subdivision in accordance with section 471.994;*
- (6) the minimum and maximum salary for each class, if salary ranges have been established, and the amount of time in employment required to qualify for the maximum;*
- (7) any additional cash compensation, such as bonuses or lump-sum payments, paid to the members of a class; and*
- (8) any other information requested by the commissioner.*

If a subdivision fails to submit a report, the commissioner shall find the subdivision not in compliance with subdivision 6 and shall impose the penalty prescribed by that subdivision.

Sec. 8. Minnesota Statutes 1988, section 471.9981, is amended by adding a subdivision to read:

Subd. 5b. [PUBLIC DATA.] The implementation report required by subdivision 5a is public data governed by chapter 13.

Sec. 9. Minnesota Statutes 1988, section 471.9981, subdivision 6, is amended to read:

Subd. 6. [PENALTY FOR FAILURE TO IMPLEMENT PLAN.] If (a) The commissioner of employee relations ~~finds, after notice and consultation with a~~ shall review the implementation report submitted by a governmental subdivision; ~~that it has failed to implement its plan for implementing to~~ determine whether the subdivision has established equitable compensation relationships as required by section 471.992, subdivision 1, by December 31, 1991, or the later date approved by the commissioner. The commissioner shall notify a subdivision found to have achieved compliance with section 471.992, subdivision 1.

(b) If the commissioner finds that the subdivision is not in compliance based on the information contained in the implementation report required by section 7, the commissioner shall notify the subdivision of the basis for

the finding. If the subdivision disagrees with the finding, it shall notify the commissioner, who shall provide a specified time period in which to submit additional evidence in support of its claim that it is in compliance. The commissioner shall consider at least the following additional information in reconsidering whether the subdivision is in compliance:

- (1) recruitment difficulties;*
- (2) retention difficulties;*
- (3) recent arbitration awards that are inconsistent with equitable compensation relationships; and*
- (4) information that can demonstrate a good-faith effort to achieve compliance and continued progress toward compliance, including any constraints the subdivision faces.*

The subdivision shall also present a plan for achieving compliance and a date for additional review by the commissioner.

(c) If the subdivision does not make the changes to achieve compliance within a reasonable time set by the commissioner, the commissioner shall notify the subdivision and the commissioner of revenue that the subdivision is subject to a five percent reduction in the aid that would otherwise be payable to that governmental subdivision under section 124A.23, 273.1398, or sections 477A.011 to 477A.014, or to a fine of \$100 a day, whichever is greatest. The commissioner of revenue shall enforce the penalty beginning in calendar year 1992 ~~shall be reduced by five percent; provided that the reduction in aid shall apply to or~~ in the first calendar year beginning after the date for implementation of the plan of a governmental subdivision for which the commissioner of employee relations has approved an implementation date later than December 31, 1991. The penalty remains in effect until the subdivision achieves compliance. The commissioner of employee relations may ~~waive~~ suspend the penalty upon making a finding that the failure to implement was attributable to circumstances beyond the control of the governmental subdivision or to severe hardship, or that noncompliance results from factors unrelated to the sex of the members dominating the affected classes and that the subdivision is taking substantial steps to achieve compliance to the extent possible.

Sec. 10. Minnesota Statutes 1988, section 471.9981, is amended by adding a subdivision to read:

Subd. 7. [APPEAL.] A governmental subdivision may appeal the imposition of a penalty under subdivision 6 by filing a notice of appeal with the commissioner of employee relations within 30 days of the commissioner's notification to the subdivision of the penalty. An appeal must be heard as a contested case under sections 14.57 to 14.62. No penalty may be imposed while an appeal is pending.

The impartial third party may be an employee of another county or agency. The foster family must request an administrative review in writing. The request must identify the decision or order being contested and a brief statement of the reasons the family disagrees with the decision or order. Upon receiving the request, the agency must schedule a review hearing. The agency and the family may conduct further investigations and obtain additional information relating to the contested issue. The family must be given an adequate opportunity to examine all documents and records to be considered in the review at a reasonable time prior to, and during, the review hearing. The family may be represented at the review hearing. The hearing must include both the agency caseworker who made or recommended the contested decision or order and either the caseworker's supervisor or another knowledgeable agency worker who did not participate in the original decision. The family and the agency may produce witnesses and other evidence to establish facts and circumstances pertinent to the contested decision. Both the agency and the family may question or refute testimony offered at the review and may cross-examine adverse witnesses. A continuance for a reasonable time may be granted by the impartial third party if an issue is raised for the first time at the review hearing. The right to a continuance may be waived with the consent of the parties. After the hearing, the impartial third party must compile an official record of the hearing consisting of a transcript or description of the substance of the hearing, along with all documents and records presented at the hearing. As soon as possible after the hearing, the impartial third party must make a written recommendation based exclusively on the official record. The recommendation must either affirm the agency's original decision or recommend an alternative decision. The impartial third party's recommendation must specify the reasons for the decision and identify the supporting evidence. A certified copy of the recommendation must be sent to the foster family. Upon receiving the recommendation of the impartial third party, the agency shall notify the foster family of the agency's final decision. The impartial third party's recommendation is not binding on the agency. However, the agency's final decision must be based exclusively on the official record of the hearing. The agency caseworker who made or recommended the original contested order or decision may not participate in the final agency decision. If the agency departs from the recommendation of the impartial third party, the agency must state the reasons for the departure.

(b) This subdivision does not alter or limit any rights or remedies that may be available to a foster family under other laws and rules. However, the recommendation of the impartial third party, the official record of the hearing, and the evidence presented at the hearing are admissible in any other legal action or proceeding, subject to the restrictions of the government data practices act in chapter 13. The foster family need not exhaust the administrative remedies in paragraph (a) before seeking judicial review."

- (2) determine that the vehicle is in safe operating condition; and
- (3) sign the inspection report in the vehicle.

The driver shall sign the report only if all defects and deficiencies listed in the report have been certified as having been corrected or as not requiring correction.

(b) If the commercial motor vehicle does not contain the previous day's inspection report, the driver must make the inspection and complete the report required under subdivision 1.

Subd. 3. [OPERATION PROHIBITED.] It is a misdemeanor to drive or to cause another person to drive a commercial motor vehicle that does not contain a copy of an inspection report complying with this section.

Subd. 4. [EXCEPTIONS.] (a) With the exception of subdivision 2, paragraph (a), clause (2), this section does not apply to a commercial motor vehicle that is a farm truck that may be operated by a person not holding a commercial driver's license.

(b) This section does not apply to a commercial motor vehicle held for resale by a motor vehicle dealer licensed under section 168.27.

Subdivision 1. [POSTCRASH INSPECTION.] A peace officer responding to an accident involving a commercial motor vehicle must immediately notify the state patrol if the accident results in death, personal injury, or property damage to an apparent extent of more than \$4,500. It is a misdemeanor for a person to drive or cause to be driven a commercial motor vehicle after such an accident unless the vehicle: (1) has been inspected by a state trooper or other person authorized to conduct inspections under section 1, subdivision 3, paragraph (a), who is an employee of the department of public safety or transportation, and the person inspecting the vehicle has determined that the vehicle may safely be operated; or (2) a waiver has been granted under subdivision 2.

Subd. 2. [WAIVER.] A state trooper or other authorized person called to the scene of an accident by a responding peace officer under subdivision 1 may waive the inspection requirement of that subdivision if the person

determines that a postcrash inspection is not needed or cannot be accomplished without unreasonable delay. A person who grants a waiver must provide to the driver of the commercial motor vehicle for which the waiver is granted a written statement that the inspection has been waived. The written statement must include the incident report number assigned to the accident by the state patrol.

Sec. 4. Minnesota Statutes 1988, section 221.031, subdivision 1, is amended to read:

168.021 [LICENSE PLATES FOR PHYSICALLY HANDICAPPED DISABLED PERSONS.]

Subdivision 1. [SPECIAL PLATES; APPLICATION FOR ISSUANCE.]

(a) When a motor vehicle registered under section 168.017, or a self-propelled recreational vehicle, is owned or primarily operated by a permanently physically ~~handicapped~~ disabled person or a custodial parent or guardian of a permanently physically ~~handicapped~~ disabled minor, the owner may apply for and secure from the registrar of motor vehicles two license plates with attached emblems, one plate to be attached to the front, and one to the rear of the vehicle. Application for the plates must be made at the time of renewal or first application for registration. When the owner first applies for the plates, the owner must submit a physician's statement on a form developed by the commissioner under section 169.345, or proof of physical ~~handicap~~ disability provided for in that section.

(b) The owner of a motor vehicle may apply for and secure a set of special plates for a motor vehicle if:

(1) the owner employs a permanently physically ~~handicapped~~ disabled person who would qualify for special plates under this section; and

(2) the owner furnishes the motor vehicle to the physically ~~handicapped~~ disabled person for the exclusive use of that person in the course of employment.

Subd. 1a. [SCOPE OF PRIVILEGE.] If a physically ~~handicapped~~ *disabled* person parks a vehicle displaying license plates described in this section or any person parks the vehicle for a physically ~~handicapped~~ *disabled* person, that person shall be entitled to park the vehicle as provided in section 169.345.

Subd. 2. [DESIGN OF PLATES; FURNISHING BY REGISTRAR.] The registrar of motor vehicles shall design and furnish two license number plates with attached emblems to each eligible owner. The emblem must bear the internationally accepted wheelchair symbol, as designated in section 16B.61, subdivision 5, approximately three inches square. The emblem must be large enough to be visible plainly from a distance of 50 feet. An applicant eligible for the special plates shall pay the motor vehicle registration fee authorized by law less a credit of \$1 for each month registered.

Subd. 2a. [PLATE RETURNS, TRANSFERS.] (a) When vehicle ownership is transferred, the owner of the vehicle shall remove the special plates from the vehicle and return them to the registrar. The buyer of the vehicle shall repay the \$1 credit for each month remaining in the registration period for which the special plates were issued. On returning the plates and repaying the remaining credit, the buyer is entitled to receive regular plates for the vehicle without further cost for the rest of the registration period.

(b) Notwithstanding section 168.12, subdivision 1, the special plates may be transferred to a replacement motor vehicle on notification to the registrar. However, the special plates may not be transferred unless the replacement motor vehicle (1) is registered under section 168.017 or is a self-propelled recreational vehicle, and (2) is owned or primarily operated by the permanently physically disabled person.

(c) The transferor shall not receive the \$1 credit for each month the replacement vehicle is registered until the time of renewal or first application for registration on the replacement vehicle.

Subd. 2b. [WHEN NOT ELIGIBLE.] On becoming ineligible for the special plates, the owner of the vehicle shall remove the special plates and return them to the registrar. The owner shall repay the \$1 credit for each month remaining in the registration period for which the special plates were issued. On returning the plates and repaying the remaining credit, the owner may receive regular plates for the vehicle without further cost for the rest of the registration period.

Subd. 3. [PENALTIES FOR UNAUTHORIZED USE OF PLATES.] (a) A person who uses the plates provided under this section on a motor vehicle in violation of this section is guilty of a misdemeanor, and is subject to a fine of \$500. This subdivision does not preclude a person who is not physically ~~handicapped~~ *disabled* from operating a vehicle bearing the plates if:

(1) the person is the owner of the vehicle and permits its operation by a physically ~~handicapped~~ *disabled* person;

(2) the person operates the vehicle with the consent of the owner who is physically ~~handicapped~~ *disabled*; or

(3) the person is the owner of the vehicle, is the custodial parent or guardian of a permanently physically ~~handicapped~~ *disabled* minor, and operates the vehicle to transport the minor.

(b) A driver who is not ~~handicapped~~ *disabled* is not entitled to the parking privileges provided in this section and in section 169.346 unless parking the vehicle for a physically ~~handicapped~~ *disabled* person.

Subd. 4. [FEES; DISPOSITION.] All fees collected from the sale of plates under this section shall be deposited in the state treasury to the credit of the highway user tax distribution fund.

Subd. 5. [DEFINITIONS.] For the purposes of this section, the term "physically ~~handicapped~~ *disabled* person" has the meaning given it in section 169.345.

Subd. 6. [DRIVER'S LICENSE LAW NOT AFFECTED.] Nothing in this section shall be construed to revoke, limit, or amend chapter 171."

"Sec. 11. Minnesota Statutes 1989 Supplement, section 169.345, is amended to read:

169.345 [PARKING PRIVILEGES FOR PHYSICALLY HANDICAPPED ~~DISABLED~~.]

Subdivision 1. [SCOPE OF PRIVILEGE.] A vehicle that prominently displays the certificate authorized by this section, or bears license plates issued under section 168.021, may be parked by or for a physically ~~handicapped~~ *disabled* person:

(1) in a designated ~~handicapped~~ parking space *for disabled persons*, as provided in section 169.346; and

(2) in a metered parking space without obligation to pay the meter fee.

For purposes of this subdivision, a certificate is prominently displayed if it is displayed on the dashboard in the left-hand corner of the front windshield of the vehicle with no part of the certificate obscured.

Notwithstanding clauses (1) and (2), this section does not permit parking in areas prohibited by sections 169.32 and 169.34, in designated no parking spaces, or in parking spaces reserved for specified purposes or vehicles. A local governmental unit may, by ordinance, prohibit parking on any street or highway to create a fire lane, or to accommodate heavy traffic during morning and afternoon rush hours and these ordinances also apply to physically ~~handicapped~~ *disabled* persons.

Subd. 2. [DEFINITIONS.] For the purpose of this section, "physically ~~handicapped~~ *disabled* person" means a person who:

(1) because of disability cannot walk without significant risk of falling;

(2) because of disability cannot walk 200 feet without stopping to rest;

(3) because of disability cannot walk without the aid of another person, a walker, a cane, crutches, braces, a prosthetic device, or a wheelchair;

(4) is restricted by a respiratory disease to such an extent that the person's forced (respiratory) expiratory volume for one second, when measured by spirometry, is less than one liter;

(5) has an arterial oxygen tension (PAO₂) of less than 60 mm/Hg on room air at rest;

(6) uses portable oxygen;

(7) has a cardiac condition to the extent that the person's functional limitations are classified in severity as class III or class IV according to standards set by the American Heart Association;

(8) has lost an arm or a leg and does not have or cannot use an artificial limb; or

(9) has a disability that would be aggravated by walking 200 feet under normal environmental conditions to an extent that would be life threatening.

Subd. 2a. [PHYSICIAN'S OR CHIROPRACTOR'S STATEMENT.] (a) The commissioner shall develop a form for the physician's or chiropractor's statement. The statement must be signed by a licensed physician or chiropractor who certifies that the applicant is a physically ~~handicapped~~ *disabled* person as defined in subdivision 2. The commissioner may request additional information from the physician or chiropractor if needed to verify the applicant's eligibility. The statement that the applicant is a physically ~~handicapped~~ *disabled* person must specify whether the disability is permanent or temporary, and if temporary, the opinion of the physician or chiropractor as to the duration of the disability. A physician or chiropractor who fraudulently certifies to the commissioner that a person is a physically ~~handicapped~~ *disabled* person as defined in subdivision 2, and that the person is entitled to the license plates authorized by section 168.021 or to the certificate authorized by this section, is guilty of a misdemeanor and is subject to a fine of \$500.

(b) The commissioner may waive the requirement of providing a statement of a licensed physician or chiropractor, if the applicant has previously filed with the commissioner a statement of a licensed physician or chiropractor certifying that the applicant has a permanent physical ~~handicap~~ *disability*.

Subd. 3. [IDENTIFYING CERTIFICATE.] (a) The division of driver and vehicle services in the department of public safety shall issue a special identifying certificate for a motor vehicle when a physically ~~handicapped~~ *disabled* applicant submits proof of physical ~~handicap~~ *disability* under subdivision 2a. The commissioner shall design separate certificates for persons with permanent and temporary disabilities that can be readily distinguished from each other from outside a vehicle at a distance of 25 feet. The certificate is valid for the duration of the person's disability, as specified in the physician's or chiropractor's statement, up to a maximum of six years. A person with a disability of longer duration will be required to renew the certificate for additional periods of time, up to six years each, as specified in the physician's or chiropractor's statement.

(b) When the commissioner is satisfied that a motor vehicle is used primarily for the purpose of transporting physically ~~handicapped~~ *disabled* persons, the division may issue without charge a special identifying certificate for the vehicle. The operator of a vehicle displaying the certificate has the parking privileges provided in subdivision 1 while the vehicle is in use for transporting physically ~~handicapped~~ *disabled* persons. The certificate issued to a person transporting physically ~~handicapped~~ *disabled* persons must be renewed every third year. On application and renewal, the person must present evidence that the vehicle continues to be used for transporting physically ~~handicapped~~ *disabled* persons.

(c) A certificate must be made of plastic or similar durable material, must be distinct from certificates issued before January 1, 1988, and must

bear its expiration date prominently on its face. A certificate issued to a temporarily disabled person must display the date of expiration of the duration of the disability, as determined under paragraph (a). Each certificate must have printed on the back a summary of the parking privileges and restrictions that apply to each vehicle in which it is used. The commissioner may charge a fee of \$5 for issuance or renewal of a certificate, and a fee of \$5 for a duplicate to replace a lost, stolen, or damaged certificate.

Subd. 4. [UNAUTHORIZED USE; REVOCATION; PENALTY.] If a peace officer finds that the certificate is being improperly used, the officer shall report the violation to the division of driver and vehicle services in the department of public safety and the commissioner of public safety may revoke the certificate. A person who uses the certificate in violation of this section is guilty of a misdemeanor and is subject to a fine of \$500."

The legislature finds that the agricultural sector of the state's economy ~~is~~ *has been* under severe financial stress due to low farm commodity prices, ~~continuing~~ high interest rates, and reduced net farm income, *which continues because of drought and the devastating effect of grasshopper plagues.* The suffering agricultural economy adversely affects economic conditions for all other businesses in rural communities as well. Thousands of this state's farmers are unable to meet current payments of interest and principal payable on mortgages and other loan and land contracts and are threatened with the loss of their farmland, equipment, crops, and livestock through mortgage and lien foreclosures, cancellation of contracts for deed, and other collection actions. The agricultural economic emergency requires an orderly process with state assistance to adjust agricultural indebtedness to prevent civil unrest and to preserve the general welfare and fiscal integrity of the state."

(d) An order granting the relief authorized in paragraph (a), clause (2), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

Sec. 2. Minnesota Statutes 1988, section 518B.01, subdivision 7, is amended to read:

Subd. 7. [TEMPORARY ORDER.] (a) Where an application under this section alleges an immediate and present danger of domestic abuse, the court may grant an ex parte temporary order for protection, pending a full hearing, and granting relief as the court deems proper, including an order:

(1) restraining the abusing party from committing acts of domestic abuse;

(2) excluding any party from the dwelling they share or from the residence of the other except by further order of the court; *and*

(3) *excluding the abusing party from the place of employment of the petitioner or otherwise limiting access to the petitioner by the abusing party at the petitioner's place of employment.*

(b) An ex parte temporary order for protection shall be effective for a fixed period not to exceed 14 days, except for good cause as provided under paragraph (c). A full hearing, as provided by this section, shall be set for not later than seven days from the issuance of the temporary order. The respondent shall be served forthwith a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(c) When service is made by published notice, as provided under subdivision 5, the petitioner may apply for an extension of the period of the ex parte order at the same time the petitioner files the affidavit required under that subdivision. The court may extend the ex parte temporary order for an additional period not to exceed 14 days. The respondent shall be served forthwith a copy of the modified ex parte order along with a copy of the notice of the new date set for the hearing.

Sec. 3. Minnesota Statutes 1988, section 518B.01, subdivision 14, is amended to read:

Subd. 14. [VIOLATION OF AN ORDER FOR PROTECTION.] (a) Whenever an order for protection is granted pursuant to this section, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor.

(b) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to this section restraining the person or excluding the person from the residence, *even if the violation of the order did not take place in the presence of the peace officer*, if the existence of the order

can be verified by the officer.

(c) A violation of an order for protection shall also constitute contempt of court and be subject to the penalties therefor.

(d) *If the court finds that the respondent has violated an order for protection and that there is reason to believe that the respondent will commit a further violation of the provisions of the order restraining the respondent from committing acts of domestic abuse or excluding the respondent from the petitioner's residence, the court may require the respondent to acknowledge an obligation to comply with the order on the record. The court may require a bond sufficient to deter the respondent from committing further violations of the order for protection, considering the financial resources of the respondent, and not to exceed \$10,000. If the respondent refuses to comply with an order to acknowledge the obligation or post a bond under this paragraph, the court shall commit the respondent to the county jail during the term of the order for protection or until the respondent complies with the order under this paragraph. The warrant must state the cause of commitment, with the sum and time for which any bond is required. If an order is issued under this paragraph, the court may order the costs of the contempt action, or any part of them, to be paid by the respondent. An order under this paragraph is appealable.*

(e) Upon the filing of an affidavit by the petitioner or any peace officer, alleging that the respondent has violated any order for protection granted pursuant to this section, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court and punished therefor. The hearing may be held by the court in any county in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation. *The court also may refer the violation of the order for protection to the appropriate prosecuting authority for possible prosecution under paragraph (a).*

(e) (f) The admittance into petitioner's dwelling of an abusing party excluded from the dwelling under an order for protection is not a violation by the petitioner of the order for protection.

A peace officer is not liable under section 609.43, clause (1), for a failure to perform a duty required by clause (b).

Sec. 4. [611A.0311] [DOMESTIC ABUSE PROSECUTIONS; PILOT PLAN AND PROCEDURES.]

(b) "Domestic abuse case" means a prosecution for: (1) a crime that involves domestic abuse; (2) violation of a condition of release following an arrest for a crime that involves domestic abuse; or (3) violation of a domestic abuse order for protection.

Subd. 2. [CONTENTS OF PLAN.] Five county and five city attorneys selected by the commissioner of public safety shall develop and implement a written plan to expedite and improve the efficiency and just disposition of domestic abuse cases brought to the prosecuting authority. In developing the plans, the county and city attorneys selected shall provide an opportunity for participation by local domestic abuse advocates and victim advocates, where available, and by other interested members of the public.

This plan shall state goals and contain policies and procedures to address the following matters:

(1) the plan must provide for (a) early assignment of a trial prosecutor who has the responsibility of handling the domestic abuse case through disposition, whenever feasible; and (b) early contact between the trial prosecutor and the victim;

(2) the plan shall contain procedures to facilitate the earliest possible contact between the prosecutor's office and the victim for the purpose of acquainting the victim with the criminal justice process, the use of subpoenas, the victim's role as a witness in the prosecution, and the domestic abuse or victim services that are available;

(3) the plan must contain procedures to coordinate the trial prosecutor's efforts with those of the domestic abuse advocate or victim advocate, where available, and to facilitate the early provision of advocacy services to the victim;

(4) the plan shall describe the methods which will be used to identify, gather, and preserve evidence in addition to the victim's in-court testimony that will enhance the ability to prosecute a case when a victim is reluctant to assist, including but not limited to physical evidence of the victim's injury, evidence relating to the scene of the crime, eyewitness testimony, and statements of the victim made at or near the time of the injury;

(5) the plan must contain procedures for educating local law enforcement agencies about the contents of the plan and their role in assisting with its implementation;

(6) the plan shall encourage the issuance of subpoenas to victims and witnesses, where appropriate;

(7) the plan must include procedures for annual review of the plan to evaluate whether it is meeting its goals effectively and whether improvements are needed; and

(8) the plan must include a timetable for implementation.

Subd. 3. [COPY FILED WITH DEPARTMENT OF PUBLIC SAFETY.] A copy of the written plan must be filed with the Minnesota department of public safety on or before November 15, 1990. The city and county attorneys selected for the pilot plan shall file a status report on the pilot project by January 1, 1992. The written plan and the annual reports are classified as public data.

Efforts to notify the victim should include, in order of priority: (1) contacting the victim or a person designated by the victim by telephone; and (2) contacting the victim by mail. If a suspect is still in custody, the notification attempt shall be made before the suspect is released from custody.*

(b) Whenever a prosecutor dismisses criminal charges against a person accused of domestic assault, a record shall be made of the specific reasons for the dismissal. If the dismissal is due to the unavailability of the witness,

the prosecutor shall indicate the specific reason that the witness is unavailable.

Sec. 6. [DOMESTIC ABUSE; PLAN FOR STATEWIDE COMPUTER DATA SYSTEM.]

The commissioner of public safety, in consultation with the department of corrections advisory council on battered women and the state court administrator, shall evaluate the feasibility and costs of establishing a statewide, computerized data system containing the following information on domestic assault crimes and domestic abuse orders for protection:

(2) prior arrests and convictions of individuals described in clause (1) for: homicide, assault, criminal sexual conduct, criminal damage to property, kidnapping, terroristic threats, trespass, obscene or harassing telephone calls, interference with privacy, harassment by means of the mail, or violations of an order for protection;

(3) pretrial release conditions applicable to individuals charged with domestic assault;

(4) probation and supervised release conditions applicable to individuals convicted of domestic assault;

(5) identifying information on respondents who are or were subject to an order for protection issued under chapter 518B, and the name and birth date of the petitioner and other individuals protected under the order; and

(6) the terms and conditions of these orders for protection.

The commissioner shall report to the legislature on or before February 1, 1991, on the results of the evaluation.

Mr. Davis from the Committee on Agriculture and Rural Development, to which was referred

S.F. No. 1674: A bill for an act relating to agriculture; providing grasshopper control; authorizing levies; appropriating money; amending Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5; proposing coding for new law in Minnesota Statutes, chapter 18; repealing Minnesota Statutes 1989 Supplement, section 18.0266.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [18.0228] [CONTROL PROVISIONS.]

Subdivision 1. [PESTICIDE RECOMMENDATIONS.] The commissioner of agriculture, in consultation with the Minnesota extension entomologist, shall prepare a list of registered pesticides and label requirements for use in the grasshopper control program as soon as possible but not later than May 1. The commissioner must recommend pesticides and application methods that will minimize the adverse impact on foraging bees. The pesticides must economically and efficiently control grasshoppers and minimize adverse environmental impacts. Grasshopper control may only be conducted under this chapter with pesticides according to their label requirements. The commissioner shall prescribe the list of pesticides and label requirements and methods to determine grasshopper densities and densities causing economic or potential economic damage by May 1, notwithstanding chapter 14, except section 14.38, subdivisions 7 and 8, must be complied with.

Subd. 2. [INDIVIDUAL NOTICES.] (a) The individual notices required under this chapter for the grasshopper control program must be in the form provided in this subdivision.

(b) The individual notice must be in a form prescribed by the commissioner and state at least the following:

- (1) the legal description of the property covered by the notice to control;*
- (2) the date the notice is issued;*
- (3) the name and work telephone number of the inspector issuing the notice;*
- (4) the grasshopper counts found on the property;*
- (5) the approximate date the grasshoppers on the property will be controlled by the county or municipality if the owner or occupant does not comply with the notice, which must be at least three days after the date the notice was served;*
- (6) that the costs of the control will be a lien and applied against the property's tax roll; and*
- (7) that the owner or occupant may contact the inspector about the notice before the time that the county or the municipality will control grasshoppers, which must be at least three days after the date the notice was served.*

Subd. 3. [EFFECTS ON FORAGING BEES.] (a) Minnesota extension shall hold meetings in each county that has a grasshopper control zone explaining grasshopper control methods and procedures to minimize adverse effects on foraging bees.

(b) The commissioner shall notify all the licensed commercial pesticide applicators, the county extension agents, and licensed pesticide dealers in each county where grasshopper control zones are designated of the location where honeybee colonies are located as registered under section 19.64, subdivision 1, including the names, addresses, and telephone numbers of the owners of the honeybee colonies. Updates on known honeybee location changes will be supplied on a monthly basis. The commissioner shall provide a list of licensed commercial pesticide applicators to the registered

beekeepers in the designated control zones.

(c) Beekeepers shall give oral and written notification to owners and occupants, if other than the owner, and persons applying pesticides of the location of areas where bees are foraging. The written notice must contain the name, address, and telephone number of the beekeeper and the location and owners of fields where the bees forage and where the hives are located. The notice shall include a map of where bee colonies are located and the field where the bees are foraging with the names of the owners.

(d) Beekeepers, owners, and persons applying pesticides must cooperate and consider effects of pesticides on foraging bees and when application can be made causing the least adverse effects on bees.

Subd. 4. [EXEMPTION OF CERTAIN LANDS.] (a) The commissioner, upon written request from any person or organization, may exempt from grasshopper control measures a parcel of land that the commissioner determines to be of particular scientific or natural significance or is particularly sensitive to the use of insecticides or other control methods being used. The request for exemption must include at least the following:

(1) the name and address of the person or organization making the request;

(2) the acreage and legal description of the parcel; and

(3) a statement of the specific reasons why an exemption is reasonable.

(b) A decision of the commissioner under paragraph (a) must occur within 48 hours and be in writing and delivered to the person or organization making the request and the clerk of the town in which the property is located. The commissioner, counties, towns, and their agents are not liable for damages from exemptions granted under this subdivision.

(c) The commissioner must offer compensation to adjoining landowners of exempted land.

Subd. 5. [APPEAL OF CONTROL COSTS.] A person who is required to control grasshoppers and is charged for grasshopper control may appeal the cost of grasshopper control to the county board within 30 days after being charged. The county board shall approve the charge and filing of the lien against the property if it determines that:

(1) the owner, or occupant if other than the owner, responsible for controlling grasshoppers did not comply with the order of the inspector; and

(2) the grasshopper densities on the property exceeded the densities determined by the commissioner to cause economic or potential economic damage.

Sec. 2. [18.0229] [LIABILITY.]

Subdivision 1. [COUNTIES AND TOWNSHIPS.] Counties and townships and their agents are not liable for damages from the grasshopper control program for actions conducted in accordance with sections 18.0223 to 18.0228.

Subd. 2. [LANDOWNERS.] (a) Notwithstanding other law, a person who has grasshoppers on the person's property in densities greater than the density determined by the commissioner to cause economic or potential economic damage is liable for control costs on and damages caused by the grasshoppers to adjoining property if the person:

- (1) *has not used available methods to control the grasshoppers; or*
- (2) *has not made agreements with landowners to compensate them for grasshopper damage.*

(b) An inspector may enter any land to inspect grasshopper densities. If an inspector determines the density of grasshoppers is greater than the density determined by the commissioner to cause economic or potential economic damage, it is presumed that the grasshoppers are the grasshoppers causing damage on adjoining property unless the owner proves otherwise.

Subd. 3. [FORAGING BEES.] Sections 18.0223 to 18.0228 do not provide any liability for damages to foraging bees and it is a complete defense to liability under other law if:

- (1) damage relating to foraging bees is incurred while the bees are foraging on a person's property without permission;*
- (2) the beekeeper has not notified the property owner where the bees are foraging as provided in section 1; or*
- (3) the bees are not registered as provided in section 19.64 or the beekeeper does not have a written agreement to keep bees on property not owned by the beekeeper.*

Sec. 3. [18.205] [PUBLIC UTILITY EASEMENTS.]

(a) For property that is subject to a public utility easement, the person controlling the surface of the land other than the holder of the public utility easement is the person responsible for control of noxious weeds and plant pests under this chapter.

(b) For purposes of this section, a "public utility easement" means an easement used for the purposes of transmission, distribution, furnishing at wholesale or retail natural or manufactured gas, or electric or telephone service, by a public utility as defined in section 216B.02, subdivision 4, a cooperative electric association organized under chapter 308A, a telephone company as defined in section 237.01, subdivisions 2 and 3, or a municipality producing or furnishing gas, electric, or telephone service.

Sec. 4. Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1989 payable in 1990 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. The aggregate amounts levied under this clause for the costs of purchase or delivery of social services and income maintenance programs, other than those identified in section 273.1398, subdivision 1, paragraph (i), are subject to a maximum increase over the amount levied for the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, paragraph (i),

to the extent the county provides benefits under those programs over the statutory mandated standards. Effective with taxes levied in 1990, the portion of this special levy for human service programs identified in section 273.1398, subdivision 1, paragraph (i), is eliminated;

(b) pay the costs of principal and interest on bonded indebtedness except on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c, or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(h) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719,

article 5;

(k) pay the cost of hospital care under section 261.21;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

(n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision 3. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

(o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the

amount levied in 1989 under this paragraph:

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(t) for taxes levied in 1990 only by a county in the eighth judicial district, provide an amount equal to the amount of the levy, if any, that is required under Laws 1989, chapter 335, article 3, section 54, subdivision 8;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; ~~and.~~

The insurer shall give the premium discount to physicians and nurse-midwives qualifying for the discount as provided in subdivision 2.

Subd. 2. [QUALIFICATION.] A physician or nurse-midwife qualifies for a premium discount for medical malpractice insurance coverage if:

[PROCEDURE.] *The commissioner of commerce, with the assistance of the commissioner of human services and the commissioner of health, shall establish a verification procedure for determining if the physician or nurse-midwife provided the qualifying services necessary to qualify for the premium discount during the preceding policy year.*

Subd. 2. [PENALTY CHARGE.] *If a physician or nurse-midwife did not provide qualifying services in 20 percent or more of patient encounters during the preceding policy year, the insurer may charge the physician or nurse-midwife an amount equal to the difference between the premium paid and the premium that would have been due if the physician or nurse-midwife had not received the premium discount plus 20 percent of the amount of the total premium that would have been due without the premium discount.*

Subd. 3. [EXEMPTION.] *If a physician or nurse-midwife who has received the premium discount for the policy year submits the difference between the premium paid and the premium that would have been due if the physician or nurse-midwife had not received the premium discount plus six percent interest on the unpaid premium prior to 30 days before the expiration of the policy year, the physician or nurse-midwife will not be subject to the penalty authorized under subdivision 2.*

Sec. 6. [60A.45] [INSURER PROHIBITIONS.]

As a condition of purchasing the vaccine at a reduced cost, a medical care provider must agree to pass on the savings to patients. The commissioner of health may reallocate money appropriated for other department of health programs and transfer the reallocated money to the commissioner of administration for the initial cost of purchasing vaccine, provided the money is repaid by the end of each state fiscal year and the commissioner of finance approves the reallocation and transfer. Proceeds from the sale of vaccines to medical care providers are appropriated to the commissioner of health, except that fees collected for the administrative costs of the department of administration are appropriated to the commissioner of administration. (2) the prospect of payment, performance, or return of the property is materially impaired due to a breach of the rental-purchase agreement, with the burden of establishing the prospect of material impairment on the lessor.

Subd. 2. [AUTHORIZATION.] If a lessee has been in default for three business days, the lessor may give the lessee a default notice and request surrender of the property as provided under subdivision 3. Mailing written notice to the last known address of the lessee meets the requirement of giving written notice under subdivision 3.

Subd. 3. [DEFAULT NOTICE.] The first default notice and a subsequent default notice that is sent more than 12 months after sending the last written notice must be in writing and conspicuously state the following:

(1) the name, address, and telephone number of the lessor to whom payment is to be made;

(2) a brief identification of the transaction;

(3) the lessee's right to cure the default;

(4) the amount of payment and date by which payment must be made to cure the default;

(5) a statement of the lessee's reinstatement rights as provided under section 7; and

(6) a request to voluntarily surrender the property if the payment is not made.

A subsequent default notice given within the 12 months after a written default notice may be given orally and constitutes proper notice under this section.

Subd. 4. [PROPERTY RECOVERY.] A lessor may not bring a court action to recover the property until seven days after a proper default notice has been given.

Subd. 5. [VOLUNTARY SURRENDER OF PROPERTY.] This section does not prohibit a lessee from voluntarily surrendering possession of the property or the lessor from enforcing a past due obligation which the lessee may have at any time after default.

Subd. 6. [COMPLIANCE.] If the lessee cures the default by taking the action required in the default notice, a breach of the agreement is considered as not having occurred.

Sec. 7. [325F88] [LESSEE'S REINSTATEMENT RIGHTS.]

Subdivision 1. [GENERALLY.] A lessee who fails to make timely lease payments may reinstate the original rental-purchase agreement without losing any rights or options previously acquired under the rental-purchase agreement if both of the following apply:

(1) after having failed to make a timely payment, the lessee has surrendered the property to the lessor within seven days of a request to surrender the property made by the lessor as provided in section 6; and

(2) in the case of a lessee that has paid less than 60 percent of the total of payments necessary to acquire ownership of the property, not more than

60 days have passed since the lessee returned the property. If the lessee has paid more than 60 percent of the total of payments necessary to acquire ownership of the property, the lessee's rights to reinstate shall be extended for a period of not less than 180 days after the lessee has returned the property.

Subd. 2. [CHARGES.] As a condition to reinstating a rental-purchase agreement, a lessor may charge the outstanding balance of any accrued payments; a reinstatement fee not to exceed \$5 for each reinstatement; and a delivery charge not to exceed \$15 for five items or less or \$30 for more than five items, if redelivery of the item is necessary.

Subd. 3. [SUBSTITUTE ITEMS.] If reinstatement occurs as provided in this section, the lessor shall provide the lessee with the same item, if available, leased by the lessee before reinstatement. If the same item is not available, a substitute item of comparable worth, quality, and condition may be used. If a substitute item is provided, the lessor shall provide the lessee with all the information required by section 3.

Sec. 8. [325E89] [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITED RENTAL AGREEMENT PROVISIONS.] A rental-purchase agreement may not contain a provision:

- (1) requiring a confession of judgment;*
- (2) authorizing a lessor or an agent of the lessor to commit a breach of the peace in the repossession of property;*
- (3) waiving a defense, counterclaim, or right the lessee may have against the lessor or an agent of the lessor;*
- (4) requiring the payment of a late charge unless a lease payment is delinquent for more than two business days for a weekly lease or three business days for a monthly lease, and the charge or fee shall not be in an amount more than the greater of five percent of the delinquent lease payment or \$3;*
- (5) requiring a separate payment in addition to lease payments in order to acquire ownership of the property, other than by exercising an early purchase option pursuant to section 10; and*
- (6) authorizing a lessor to charge a penalty for early termination of a rental-purchase agreement.*

Subd. 2. [CASH PRICE LIMITS.] No lessor shall offer a rental-purchase agreement in which 50 percent of all lease payments necessary to acquire ownership of the property exceed the cash price of the property. When 50 percent of the total dollar amount of lease payments made by a lessee equals the cash price of the property, the lessee shall acquire ownership of the property and the rental-purchase agreement terminates.

Subd. 3. [DELIVERY CHARGES; SECURITY DEPOSITS; COLLECTION FEES.] A lessor may not charge a delivery charge that is greater than \$15 for five items or less or \$30 for more than five items. A lessor may not charge a security deposit. A lessor may contract for and receive a charge for picking up payments from the lessee if the lessor is required or requested to visit the lessee's dwelling to pick up a payment. In a consumer rental-purchase agreement with payment or renewal dates which are more frequent than monthly, this charge shall not be assessed more than three times in any three-month period. In consumer rental-purchase

agreements with payments or renewal options which are at least monthly, this charge shall not be assessed more than three times in any six-month period. A charge assessed pursuant to this subdivision shall not exceed \$7. This charge is in lieu of a late charge assessed for the applicable payment period.

Sec. 9. [325F90] [LESSOR'S COMMUNICATIONS CONCERNING LESSEE.]

Subdivision 1. [LOCATION INFORMATION.] A lessor in communication with any person other than the lessee for the purpose of acquiring information as to the location of a lessee shall:

(1) identify the lessor and state that the lessor is confirming or correcting location information concerning the lessee;

(2) not communicate with any person more than once unless requested to do so by the person or unless the lessor reasonably believes that the earlier response is erroneous or incomplete and that the person now had correct or complete location information;

(3) not communicate by postcard;

(4) not use any language or symbol on any envelope or in the contents of any communication that indicates that the communication relates to the recovery or repossession of property; and

(5) not communicate with any person other than the lessee's attorney, after the lessor knows the lessee is represented by an attorney with regard to the rental-purchase agreement and has knowledge of, or can readily ascertain, the attorney's name and address, unless the attorney fails to respond within a reasonable period of time to communication from the lessor or unless the attorney consents to direct communication with the lessee.

Subd. 2. [TIME AND PLACE.] Without the prior consent of the lessee given directly to the lessor or the express permission of a court of competent jurisdiction, a lessor may not communicate with a lessee in connection with the recovery or repossession of property:

(1) at the lessee's place of employment; or

(2) at any unusual time or place or a time or place known or which should be known to be inconvenient to the lessee. In the absence of knowledge of circumstances to the contrary, a lessor shall assume that the convenient time for communicating with a lessee is after 8:00 a.m. and before 9:00 p.m., local time at the lessee's location.

Subd. 3. [AUTHORIZED COMMUNICATIONS.] A lessor may not communicate, in connection with the rental-purchase agreement, with any person other than the lessee, the lessee's attorney, or the lessor's attorney, except as reasonably necessary to acquire location information concerning the lessee as provided under subdivision 1, or upon prior consent of the lessee given directly to the lessor, or upon express permission of a court of competent jurisdiction, or as reasonably necessary to effectuate a post-judgment judicial remedy.

Subd. 4. [CEASING COMMUNICATION.] If a lessee notifies the lessor in writing that the lessee wishes the lessor to cease further communication with the lessee, the lessor shall not communicate further with the lessee with respect to the rental-purchase agreement, except:

- (1) to advise the lessee that the lessor's further efforts are being terminated;
- (2) to notify the lessee that the lessor may invoke specified remedies allowable by law which are ordinarily invoked by the lessor; or
- (3) where necessary to effectuate any post-judgment remedy.

Subd. 5. [HARASSMENT OR ABUSE.] A lessor may not harass, oppress, or abuse any person in connection with a rental-purchase agreement. The following conduct is a violation of this subdivision:

- (1) the use or threat of use of violence or the criminal means to harm the physical person, reputation, or property of any person;
- (2) the use of obscene, profane, or abusive language;
- (3) causing a telephone to ring, or engaging any person in telephone conversation repeatedly or continuously with intent to annoy, abuse, or harass any person; and
- (4) the placement of telephone calls without disclosure of the caller's identity.

Sec. 10. [325F91] [EARLY PURCHASE OPTION.]

A rental-purchase agreement must provide that at any time after the initial payment, the lessee may acquire ownership of the property by tendering an amount equal to the amount by which the cash price of the property exceeds 50 percent of all lease payments made by the lessee. This option must be clearly set forth in the rental-purchase agreement, as required by section 3.

Sec. 11. [325F92] [CLAIMS AND DEFENSES.]

An assignee of the contract or obligation relating to the rental-purchase lease transaction is subject to all claims and defenses of the lessee against the lessor arising from the rental-purchase lease transaction, notwithstanding any agreement to the contrary.

Sec. 12. [325F93] [LIABILITY; LIABILITY DAMAGE WAIVER.]

Subdivision 1. [LIABILITY OF LESSEE.] The lessee is liable for loss, destruction, or damage of the rental property during the term of the rental agreement. The amount for which the lessee may be held liable in the case of loss or destruction of the property may not exceed the price that the lessee would have paid to exercise an early purchase option. In the case of damage to the property other than normal wear and tear, the lessee is liable for the price that the lessee would have paid to exercise an early purchase option or the cost of repair as reasonably determined by the lessor, whichever is less.

Subd. 2. [LIABILITY DAMAGE WAIVER.] (a) The lessor must offer a liability damage waiver to the lessee to cover the lessee's liability for any loss, destruction, or damage of the rental property. The cost of the liability damage waiver may not exceed ten percent of the lessee's lease payment.

(b) The lessor must inform the lessee of the following options available to the lessee regarding the property subject to a rental-purchase agreement:

- (1) furnish insurance coverage on the property through an existing insurance policy that is owned by the lessee;

(2) purchase insurance coverage on the property through any insurer authorized to transact business in this state;

(3) purchase liability damage waiver coverage from the lessor; or

(4) decline to furnish or purchase insurance coverage or liability damage waiver coverage.

Sec. 13. [325F94] [EXEMPTED TRANSACTION.]

Sections 1 to 14 do not apply to agreements for the rental of property in which the person who rents the property has no legal right to become the owner of the rented property at the end of the rental period.

Sec. 14. [325F95] [PENALTIES AND REMEDIES.]

Subdivision 1. [DISCLOSURE PENALTIES AND REMEDIES.] A lessor who is found to have violated sections 3 to 5 is subject to the penalties and remedies provided in section 8.31.

Subd. 2. [APPLICATION OF OTHER LAW.] A violation of section 7, 8, or 10 shall be treated as a violation of section 325F.69. The remedies provided by section 7, 8, or 10 are cumulative and shall not be construed as restricting any remedy that is otherwise available.

Subd. 3. [OFFSETS LIMITED.] A lessee may not take any action to offset any amount for which a lessor is potentially liable under this section against any amount owned by the lessee, unless the amount of the liability of the lessor has been determined by a judgment of a court of competent jurisdiction in an action in which the lessor was a party. This section does not bar a lessee in default on an obligation arising from the rental-purchase agreement from asserting a violation of this chapter in an original action, or as defense or counterclaim to an action brought by the lessor to collect amounts owned by the lessee pursuant to the rental-purchase agreement.

Subd. 4. [LESSOR'S RIGHT TO CORRECT ERROR.] A lessor is not liable under this section for a violation of sections 1 to 13 if, within 60 days after discovering an error and before an action for damages is filed against the lessor pursuant to this section or written notice of the error is received from the lessee, the lessor notifies the lessee of the error and makes adjustments to the account of the lessee that are necessary to assure that the lessee is not required to pay an amount in excess of the amounts actually disclosed. This subdivision applies whether the error was discovered through the lessor's own procedures or by any other means.

Subd. 5. [LIMITATION OF LIABILITY.] A lessor is not liable under this section for damages in excess of the actual damage sustained by the lessee if the lessor shows by a preponderance of the evidence that the violation of sections 1 to 13 resulted from a bona fide error notwithstanding the maintenance by the lessor of procedures reasonably adopted to avoid the error. As used in this subdivision, "bona fide error" includes, but is not limited to: clerical, calculation, computer malfunction and programming, and printing errors.

Sec. 15. Minnesota Statutes 1988, section 325G.15, subdivision 5, is amended to read:

Subd. 5. "Sale of goods" includes, without limitation, any agreement in the form of a bailment or lease of goods if the bailee or lessee agrees to pay as compensation for use a sum substantially equivalent to or in excess of the aggregate value of the goods involved and it is agreed that the bailee

or lessee will become, or for no other or a nominal consideration has the option to become, the owner of the goods upon full compliance with the bailee's or lessee's obligations under the agreement. ~~The term also includes a contract in the form of a terminable bailment or lease of goods if: (a) the bailee or lessee has the option to renew the contract by making the payments specified in the contract; (b) the contract obligates the bailor or lessor to transfer ownership of the property to the bailee or lessee for no other or a nominal consideration upon full compliance by the bailee or lessee with the bailee's or lessee's obligations under the contract including any obligation incurred by reason of the exercise of an option by the bailee or lessee to renew the contract; and (c) the payments contracted for by the bailee or lessee, including those payments pursuant to the exercise of an option by the bailee or lessee to renew the contract, are substantially equivalent to or in excess of the aggregate value of the property and services involved.~~

Sec. 16. [LEGISLATIVE RECOMMENDATIONS.]

The commissioner of commerce shall review and may make recommendations concerning the cash price limits established under section 8, subdivision 2, and the cost of liability damage waivers required under section 12, subdivision 2, to the legislature."

No provision of these rules may encourage or require the use of restrictive techniques and procedures. The rules must prohibit: (1) the application of certain restrictive techniques or procedures in facilities, except as authorized in the child's case plan and monitored by the county caseworker responsible for the child; (2) the use of restrictive techniques or procedures that restrict the clients' normal access to nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, and necessary clothing; and (3) the use of corporal punishment. The rule may specify other restrictive techniques and procedures and the specific conditions under which permitted techniques and procedures are to be carried out.

Sec. 7. Minnesota Statutes 1989 Supplement, section 245A.04, subdivision 3, is amended to read:

Subd. 3. [STUDY OF THE APPLICANT.] (a) Before the commissioner issues a license, the commissioner shall conduct a study of the individuals specified in clauses (1) to (4) according to rules of the commissioner. The applicant, license holder, the bureau of criminal apprehension, and county agencies, after written notice to the individual who is the subject of the study, shall help with the study by giving the commissioner criminal conviction data and reports about abuse or neglect of adults substantiated under section 626.557 and the maltreatment of minors substantiated under section 626.556. The individuals to be studied shall include:

- (1) the applicant;
- (2) persons over the age of 13 living in the household where the licensed program will be provided;
- (3) current employees or contractors of the applicant who will have direct contact with persons served by the program; and
- (4) volunteers who have direct contact with persons served by the program to provide program services, if the contact is not directly supervised by the individuals listed in clause (1) or (3).

The juvenile courts shall also help with the study by giving the commissioner existing juvenile court records on individuals described in clause (2) relating to delinquency proceedings held within either the five years immediately preceding the application or the five years immediately preceding the individual's 18th birthday, whichever time period is longer. The commissioner shall destroy juvenile records obtained pursuant to this subdivision when the subject of the records reaches age 23.

For purposes of this subdivision, "direct contact" means providing face-to-face care, training, supervision, counseling, consultation, or medication assistance to persons served by a program. For purposes of this subdivision, "directly supervised" means an individual listed in clause (1) or (3) is within sight or hearing of a volunteer to the extent that the individual listed in clause (1) or (3) is capable at all times of intervening to protect the

health and safety of the persons served by the program who have direct contact with the volunteer.

A study of an individual in clauses (1) to (4) shall be conducted on at least an annual basis. No applicant, license holder, or individual who is the subject of the study shall pay any fees required to conduct the study.

(b) The individual who is the subject of the study must provide the applicant or license holder with sufficient information to ensure an accurate study including the individual's first, middle, and last name; home address, city, county, and state of residence; zip code; sex; date of birth; and driver's license number. The applicant or license holder shall provide this information about an individual in paragraph (a), clauses (1) to (4), on forms prescribed by the commissioner. The commissioner may request additional information of the individual, which shall be optional for the individual to provide, such as the individual's social security number or race.

(c) A study must include information from the county agency's record of substantiated abuse of adults, neglect of adults, and the maltreatment of minors, and information from the bureau of criminal apprehension.

The commissioner may also review arrest and investigative information from the bureau of criminal apprehension, a county attorney, county sheriff, county agency, local chief of police, other states, the courts, or a national criminal record repository if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual listed in paragraph (a), clauses (1) to (4).

(d) An applicant's or license holder's failure or refusal to cooperate with the commissioner is reasonable cause to deny an application or immediately suspend, suspend, or revoke a license. Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.

(e) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.

(f) No person in paragraph (a), clause (1), (2), (3), or (4) who is disqualified as a result of this act may be retained by the agency in a position involving direct contact with persons served by the program.

(g) The commissioner shall not implement the procedures contained in this subdivision until appropriate rules have been adopted, except for the applicants and license holders for child foster care, adult foster care, and family day care homes.

(h) Termination of persons in paragraph (a), clause (1), (2), (3), or (4) made in good faith reliance on a notice of disqualification provided by the commissioner shall not subject the applicant or license holder to civil liability.

(i) The commissioner may establish records to fulfill the requirements of this section. The information contained in the records is only available to the commissioner for the purpose authorized in this section.

Sec. 8. Minnesota Statutes 1988, section 260.011, subdivision 2, is amended to read:

Subd. 2. (a) *The paramount consideration in all proceedings concerning a child alleged or found to be in need of protection or services is the best interests of the child.* The purpose of the laws relating to juvenile courts is to secure for each child alleged or adjudicated in need of protection or services and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will *best* serve the spiritual, emotional, mental, and physical welfare of the child ~~and the best interests of the state~~; to provide judicial procedures which protect the welfare of the child; to preserve and strengthen the child's family ties whenever possible *and in the child's best interests*, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal; and, when removal from the child's own family is necessary *and in the child's best interests*, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

(b) The purpose of the laws relating to termination of parental rights is to ensure that:

(1) reasonable efforts have been made by the social service agency to reunite the child with the child's parents in a placement that is safe and permanent; and

(2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents.

The paramount consideration in all proceedings for the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

(c) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(d) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 9. Minnesota Statutes 1989 Supplement, section 260.015, subdivision 2a, is amended to read:

Subd. 2a. [CHILD IN NEED OF PROTECTION OR SERVICES.] "Child in need of protection or services" means a child who is in need of protection or services because the child:

(1) is abandoned or without parent, guardian, or custodian;

(2)(i) has been a victim of physical or sexual abuse, or (ii) resides with or has resided with a victim of domestic child abuse as defined in subdivision 24, (iii) resides with or would reside with a perpetrator of domestic child abuse, or (iv) is a victim of emotional maltreatment as defined in subdivision 5a;

(3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

(9) is one whose behavior, condition, or environment is such as to be injurious or dangerous to the child or others;

(10) has committed a delinquent act before becoming ten years old;

(11) is a runaway; or

(12) is an habitual truant; or

(13) is one whose custodial parent's parental rights to another child have been involuntarily terminated.

Sec. 10. Minnesota Statutes 1988, section 260.155, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Except for hearings arising under section 260.261, hearings on any matter shall be without a jury and may be conducted in an informal manner. The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to be delinquent, in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12), or a juvenile petty offender, and hearings conducted pursuant to section 260.125 except to the extent that the rules themselves provide that they do not apply.

Except for proceedings involving a child alleged to be in need of protection or services, hearings may be continued or adjourned from time to time and, in the interim. In proceedings involving a child alleged to be in need of protection or services, hearings may only be continued or adjourned if the court makes specific findings that the continuance or adjournment is in the best interests of the child. When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.

Sec. 11. Minnesota Statutes 1989 Supplement, section 260.161, subdivision 2, is amended to read:

Subd. 2. Except as provided in this subdivision and in subdivision 1, and except for legal records arising from proceedings that are public under section 260.155, subdivision 1, none of the records of the juvenile court and none of the records relating to an appeal from a nonpublic juvenile court proceeding, except the written appellate opinion, shall be open to public inspection or their contents disclosed except (a) by order of a court or (b) as required by sections 245A.04, 611A.03, 611A.04, and 611A.06. The records of juvenile probation officers and county home schools are records of the court for the purposes of this subdivision. Court services data relating to delinquent acts that are contained in records of the juvenile court may be released as allowed under section 13.84, subdivision 5a. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court, except that this subdivision does not apply to proceedings under section 260.255, 260.261, or 260.315 when the proceeding involves an adult defendant. The court shall maintain the confidentiality of adoption files and records in accordance with the provisions of laws relating to adoptions. In juvenile court proceedings any report or social history furnished to the court shall be open to inspection by the attorneys of record and the guardian ad litem a reasonable time before it is used in connection with any proceeding before the court.

When a judge of a juvenile court, or duly authorized agent of the court, determines under a proceeding under this chapter that a child has violated a state or local law, ordinance, or regulation pertaining to the operation of a motor vehicle on streets and highways, except parking violations, the judge or agent shall immediately report the violation to the commissioner of public safety. The report must be made on a form provided by the department of public safety and must contain the information required under section 169.95.

Sec. 12. Minnesota Statutes 1989 Supplement, section 260.171, subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why the child is being placed in a juvenile secure detention facility or a shelter care facility; and

(b) of the location of the juvenile secure detention facility or shelter care facility. If there is reason to believe that disclosure of the location of the shelter care facility would place the child's health and welfare in immediate endangerment, disclosure of the location of the shelter care facility shall not be made; and

(c) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the juvenile secure detention facility or shelter care facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney or guardian ad litem at reasonable hours; and

(d) that the child may telephone parents and an attorney or guardian ad litem from the juvenile secure detention facility or shelter care facility immediately after being admitted to the facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be detained for acts as defined in section 260.015, subdivision 5, at a juvenile secure detention facility or shelter care facility longer than 36 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(f) that the child may not be detained for acts defined in section 260.015, subdivision 5, at an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a petition has been filed and the court orders the child's continued detention under section 260.172; and

(g) that the child may not be detained pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), at a shelter care facility longer than 72 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(h) of the date, time, and place of the detention hearing, *if this information is available to the person who has taken the child into custody*; and

(i) that the child and the child's parent, guardian, or custodian have the right to be present and to be represented by counsel at the detention hearing, and that if they cannot afford counsel, counsel will be appointed at public expense for the child, if it is a delinquency matter, or for any party, if it is a child in need of protection or services, neglected and in foster care, or termination of parental rights matter.

After August 1, 1991, the child's parent, guardian, or custodian shall

also be informed under clause (f) that the child may not be detained in an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a motion to refer the child for adult prosecution has been made within that time period.

Sec. 13. Minnesota Statutes 1989 Supplement, section 260.191, subdivision 1, is amended to read:

Subdivision 1. [DISPOSITIONS.] (a) If the court finds that the child is in need of protection or services or neglected and in foster care, it shall enter an order making any of the following dispositions of the case:

(1) place the child under the protective supervision of the county welfare board or child placing agency in the child's own home under conditions prescribed by the court directed to the correction of the child's need for protection or services;

(2) transfer legal custody to one of the following:

(i) a child placing agency; or

(ii) the county welfare board.

~~In placing a child whose custody has been transferred under this paragraph, the agency and board shall follow the order of preference stated in section 260.181, subdivision 3 under section 14;~~

(3) if the child is in need of special treatment and care for reasons of physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails or is unable to provide this treatment or care, the court may order it provided. The court shall not transfer legal custody of the child for the purpose of obtaining special treatment or care solely because the parent is unable to provide the treatment or care. If the court's order for mental health treatment is based on a diagnosis made by a treatment professional, the court may order that the diagnosing professional not provide the treatment to the child if it finds that such an order is in the child's best interests; or

(4) if the court believes that the child has sufficient maturity and judgment and that it is in the best interests of the child, the court may order a child 16 years old or older to be allowed to live independently, either alone or with others as approved by the court under supervision the court considers appropriate, if the county board, after consultation with the court, has specifically authorized this dispositional alternative for a child.

(b) If the child was adjudicated in need of protection or services because the child is a runaway or habitual truant, the court may order any of the following dispositions in addition to or as alternatives to the dispositions authorized under paragraph (a):

(1) counsel the child or the child's parents, guardian, or custodian;

(2) place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court, including reasonable rules for the child's conduct and the conduct of the parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child; or with the consent of the commissioner of corrections, place the child in a group foster care facility which is under the commissioner's management and supervision;

(3) subject to the court's supervision, transfer legal custody of the child to one of the following:

(i) a reputable person of good moral character. No person may receive custody of two or more unrelated children unless licensed to operate a residential program under sections 245A.01 to 245A.16; or

(ii) a county probation officer for placement in a group foster home established under the direction of the juvenile court and licensed pursuant to section 241.021;

(4) require the child to pay a fine of up to \$100. The court shall order payment of the fine in a manner that will not impose undue financial hardship upon the child;

(5) require the child to participate in a community service project;

(6) order the child to undergo a chemical dependency evaluation and, if warranted by the evaluation, order participation by the child in a drug awareness program or an inpatient or outpatient chemical dependency treatment program;

(7) if the court believes that it is in the best interests of the child and of public safety that the child's driver's license be canceled, the court may recommend to the commissioner of public safety that the child's license be canceled for any period up to the child's 18th birthday. The commissioner is authorized to cancel the license without a hearing. At any time before the expiration of the period of cancellation, the court may, for good cause, recommend to the commissioner of public safety that the child be authorized to apply for a new license, and the commissioner may so authorize; or

(8) require the child to perform any other activities or participate in any other treatment programs deemed appropriate by the court.

Sec. 14. [260.1911] [TRANSFER OF LEGAL CUSTODY.]

Subdivision 1. [GENERAL.] The court may transfer legal custody under section 260.191, subdivision 1, paragraph (a), to:

(1) a child placing agency;

(2) the county welfare board; or

(3) a suitable and fit parent who does not have legal custody of the child.

In placing a child whose custody has been transferred under clause (1) or (2), the agency or board shall follow the order of preference stated in section 260.181, subdivision 3.

Subd. 2. [TRANSFER TO PARENT.] (a) An order transferring legal custody to a parent under this section must be made under the standards and findings required under section 518.17, subdivision 1. The court shall determine visitation rights and child support under sections 518.175 and 518.57.

(b) If legal custody is transferred to a parent under this subdivision, a certified copy of the order must be filed with the family court of the judicial district where the juvenile court order is entered. Issuance of an order under this subdivision divests the juvenile court of further jurisdiction over the matter. Sections 518.175, 518.18, and 518.64 apply to the review and modification of orders under this subdivision.

(c) A custody order under this subdivision is the same as an order under

section 518.17, and all civil or criminal rights, duties, or penalties that apply to orders under section 518.17 apply to orders under this subdivision.

Sec. 15. [260.1912] [DISPOSITION; PERMANENT CUSTODY OR FOSTER CARE.]

Subdivision 1. [WHEN PERMISSIBLE.] When a child has been in placement under a court order for more than one year and at least nine months have elapsed since a case plan was ordered under section 260.191, subdivision 1e, a party may move the court for an order under subdivision 2. The motion must give specific notice of the relief requested and the basis for the relief under this subdivision. The court shall hold an evidentiary hearing unless it is waived by the parties. The court may issue an order under subdivision 2 only if the court finds that all the following factors have been established by clear and convincing evidence:

(1) reasonable efforts, or in the case of an Indian child, active efforts have been made by the social service agency under section 260.012, and those efforts have not corrected the conditions necessitating the continued placement of the child;

(2) if reasonable efforts continue, conditions necessitating the continued placement of the child will not be corrected within the reasonably foreseeable future;

(3) there has been compliance with section 260.181, subdivision 3; and

(4) the relief sought is in the best interests of the child.

In order to find that the relief sought is in the best interests of the child, the court must determine that the requested relief better serves the child's interests than an order for termination of parental rights and that the child's needs for permanency will be served by the order.

Subd. 2. [PERMANENT CUSTODY OR FOSTER CARE.] (a) After a hearing and findings under subdivision 1, in addition to the dispositions available under section 260.191, the court may enter a dispositional order under paragraph (b) or (c).

(b) The court may grant legal custody of the child to a reputable individual of good moral character. The order must be made under the standards and findings required under section 257.025. The court shall determine visitation rights and child support under sections 518.175 and 518.57. Legal custody under this paragraph means the right to determine the child's upbringing, including education, health care, and religious training. A legal custodian under this paragraph is not a foster parent, and the child is not in foster care under section 260.015, subdivision 7.

(c) The court may order that the child remain in permanent foster care until the child is no longer a minor. The court may only issue this order if the child has been in continuous placement with the same foster parent for at least one year and the court finds that the foster parent intends to continue foster parenting the child until the child is no longer a minor. The name of the foster parent must appear in the court order. If the court enters an order under this paragraph, the court shall enter findings consistent with the federal Child Welfare Act of 1980, Public Law Number 96-272.

(d) An order under this subdivision must comply with section 260.181, subdivision 3.

(e) Jurisdiction to review an order under this subdivision remains in juvenile court. Notwithstanding section 260.191, subdivision 2, further hearings are not required and the order remains in effect until the child is no longer a minor unless it is modified under section 16.

(f) After entry of an order under this subdivision, further reasonable efforts under section 260.012 are not required.

Sec. 16. [260.1913] [MODIFICATION OF ORDER FOR PERMANENT CUSTODY OR FOSTER CARE.]

An order issued under section 15 may be modified only under the following circumstances:

(1) modification is agreed to by all parties in writing;

(2) there is a willful and persistent denial of or interference with court-ordered parental visitation;

(3) there is reason to believe that the child's present environment may endanger the child's physical or emotional health; or

(4) a substantial change in circumstances has occurred based on facts that have arisen since the prior order or based on facts that were not known to the court at the time it issued the prior order.

The court may modify an order under section 15 only if it finds that modification is in the best interests of the child and after an appropriate motion and notice to all parties. The court shall hold an evidentiary hearing unless it is waived by the parties.

Sec. 17. Minnesota Statutes 1989 Supplement, section 260.221, subdivision 1, is amended to read:

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may upon petition, terminate all rights of a parent to a child in the following cases:

(a) With the written consent of a parent who for good cause desires to terminate parental rights; or

(b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. Abandonment is presumed when:

(i) the parent has had no contact or merely incidental contact with the child for six months in the case of a child under six years of age, or for 12 months in the case of a child ages six to 11; and

(ii) the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518. The court is not prohibited from finding abandonment in the absence of this presumption; or

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and

development, if the parent is physically and financially able, and reasonable efforts by the social service agency have failed to correct the conditions that formed the basis of the petition; or

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child. *It is presumed that a parent is palpably unfit to be a party to the parent and child relationship upon a showing that the child has been adjudicated in need of protection or services and that the parent's parental rights to one or more other children have been involuntarily terminated in the past; or*

(5) That following upon a determination of neglect or dependency, or of a child's need for protection or services, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect, need for protection or services under section 260.015, subdivision 2a, clause (1), (2), (6), (8), or (9), or neglected and in foster care, and an order for disposition under section 260.191, including adoption of the case plan required by section 257.071;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year after a child has been placed out of the home.

It is also presumed that reasonable efforts have failed under this clause upon a showing that:

(i) *the parent has been required by a case plan to participate in a chemical dependency treatment program;*

(ii) *the parent has either failed to successfully complete the program two or more times or has refused to participate in the treatment program; and*

(iii) *the parent continues to abuse chemicals; or*

(6) *That the parent has been convicted of causing the death of another of the parent's children; or*

(7) *That in the case of a child born to a mother who was not married to*

the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.26 and either the person has not filed a notice of intent to retain parental rights under section 259.261 or that the notice has been successfully challenged; or

(7) (8) That the child is neglected and in foster care.

Sec. 18. Minnesota Statutes 1989 Supplement, section 364.09, is amended to read:

364.09 [EXCEPTIONS.]

(a) This chapter shall not apply to the practice of law enforcement, to fire protection agencies, to eligibility for a private detective or protective agent license, to eligibility for a family day care license, a family foster care license, a home care provider license, ~~or~~ to eligibility for school bus driver endorsements, *or to eligibility for juvenile corrections employment where the offense involved child physical or sexual abuse or criminal sexual conduct.*

(b) This chapter does not apply to a school district.

(c) Nothing in this section shall be construed to preclude the Minnesota police and peace officers training board or the state fire marshal from recommending policies set forth in this chapter to the attorney general for adoption in the attorney general's discretion to apply to law enforcement or fire protection agencies.

Sec. 19. Minnesota Statutes 1989 Supplement, section 609.223, is amended to read:

609.223 [ASSAULT IN THE THIRD DEGREE.]

Subdivision 1. [SUBSTANTIAL BODILY HARM.] Whoever assaults another and inflicts substantial bodily harm may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

Subd. 2. [PAST PATTERN OF CHILD ABUSE.] Whoever assaults a minor may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both, if the perpetrator has engaged in a past pattern of child abuse against the minor. As used in this subdivision, "child abuse" has the meaning given it in section 609.185, clause (5).

Sec. 20. Minnesota Statutes 1988, section 609.2231, is amended by adding a subdivision to read:

Subd. 5. [CHILD PROTECTION WORKERS.] Whoever assaults a child protection worker, as defined in section 626.559, subdivision 1, while the worker is engaged in the performance of a duty imposed by law, policy, or rule, and inflicts demonstrable bodily harm, is guilty of a gross misdemeanor.

Sec. 21. Minnesota Statutes 1989 Supplement, section 609.377, is amended to read:

609.377 [MALICIOUS PUNISHMENT OF A CHILD.]

A parent, legal guardian, or caretaker who, by an intentional act or a series of intentional acts with respect to a child, evidences unreasonable

force or cruel discipline that is excessive under the circumstances is guilty of malicious punishment of a child and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both. If the punishment results in substantial bodily harm, that person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both. *If the punishment results in great bodily harm, that person may be sentenced to imprisonment for not more than ten years or to payment of a fine of not more than \$20,000, or both.*

Sec. 22. Minnesota Statutes 1988, section 626.556, subdivision 1, is amended to read:

Subdivision 1. [PUBLIC POLICY.] The legislature hereby declares that the public policy of this state is to protect children whose health or welfare may be jeopardized through physical abuse, neglect or sexual abuse; *In furtherance of this public policy, it is the intent of the legislature under this section to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings; and to provide, when necessary, a safe temporary or permanent home environment for physically or sexually abused or neglected children.*

In addition, it is the policy of this state to require the reporting of neglect, physical or sexual abuse of children in the home, school, and community settings; to provide for the voluntary reporting of abuse or neglect of children; to require the assessment and investigation of the reports; and to provide protective and counseling services in appropriate cases.

Sec. 23. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Sexual abuse" means *threatened injury* or the subjection by a person responsible for the child's care, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342, 609.343, 609.344, or 609.345. Sexual abuse also includes any act which involves a minor which constitutes a violation of sections 609.321 to 609.324 or 617.246.

(b) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(c) "Neglect" means failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter or medical care when reasonably able to do so or failure to protect a child from conditions or actions which imminently and seriously endanger the child's physical or mental health when reasonably able to do so. Nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except

that there is a duty to report if a lack of medical care may cause imminent and serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, or medical care, a duty to provide that care. "Neglect" includes prenatal exposure to a controlled substance, as defined in section 626.5561, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means "medical neglect" as defined in section 260.015, subdivision 2a, clause (5).

(d) "Physical abuse" means any physical *or* mental injury, *or* threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical *or* mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive and deprivation procedures that have not been authorized under section 245.825.

(e) "Report" means any report received by the local welfare agency, police department, or county sheriff pursuant to this section.

(f) "Facility" means a day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed pursuant to sections 144.50 to 144.58, 241.021, or 245.781 to 245.812.

(g) "Operator" means an operator or agency as defined in section 245A.02.

(h) "Commissioner" means the commissioner of human services.

(i) "Assessment" includes authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing the risk to the child, and formulating a plan.

(j) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem services.

(k) "*Mental injury*" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(l) "*Threatened injury*" means a statement, overt act, condition or status which represents a substantial risk of physical or sexual abuse or mental injury.

Sec. 24. Minnesota Statutes 1988, section 626.556, subdivision 3, is amended to read:

Subd. 3. [PERSONS MANDATED TO REPORT.] (a) A person who knows or has reason to believe a child is being neglected or physically or sexually abused, *as defined in subdivision 2*, or has been neglected or physically or sexually abused within the preceding three years, shall immediately report the information to the local welfare agency, police department, or the county sheriff if the person is:

(1) a professional or professional's delegate who is engaged in the practice of the healing arts, social services, hospital administration, psychological

or psychiatric treatment, child care, education, or law enforcement; or

(2) employed as a member of the clergy and received the information while engaged in ministerial duties, provided that a member of the clergy is not required by this subdivision to report information that is otherwise privileged under section 595.02, subdivision 1, paragraph (c).

The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency and police department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school, or agency.

(b) Any person may voluntarily report to the local welfare agency, police department, or the county sheriff if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b.

(d) Any person mandated to report shall, upon request to the local welfare agency, receive a summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

Sec. 25. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. [DETERMINATIONS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

(1) ~~an assault, as defined in section 609.02, subdivision 10, or any physical contact not exempted by section 609.379, where the assault or physical contact is either severe or recurring and causes either injury or~~

significant risk of injury to the child physical abuse as defined in subdivision 2, paragraph (d);

- (2) neglect as defined in subdivision 2, paragraph (c); or
- (3) sexual abuse as defined in subdivision 2, paragraph (a); or
- (4) mental injury as defined in section 23.

(b) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(c) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in imminent and serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

Sec. 26. Minnesota Statutes 1988, section 626.556, is amended by adding a subdivision to read:

Subd. 10g. [INTERSTATE DATA EXCHANGE.] All reports and records created, collected, or maintained under this section by a local social service agency or law enforcement agency may be disclosed to a local social service or other child welfare agency of another state when the agency certifies that:

(a) the reports and records are necessary in order to conduct an investigation of actions that would qualify as sexual abuse, physical abuse, or neglect under this section; and

(b) the reports and records will be used only for purposes of a child protection assessment or investigation and will not be further disclosed to any other person or agency.

The local social service agency or law enforcement agency in this state shall keep a record of all records or reports disclosed pursuant to this subdivision and of any agency to which the records or reports are disclosed. If in any case records or reports are disclosed before a determination is made under section 626.556, subdivision 10e, or a disposition of any criminal proceedings is reached, the local social service agency or law enforcement agency in this state shall forward the determination or disposition to any agency which has received any report or record under this subdivision.

Sec. 27. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 11, is amended to read:

Subd. 11. [RECORDS.] Except as provided in subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police

department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority. Section 13.82, subdivisions 5, 5a, and 5b, apply to law enforcement data other than the reports. The welfare board shall make available to the investigating, petitioning, or prosecuting authority any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the rules of criminal procedure.

(b) The commission may not grant a petition for installation of extended area service when the criteria in paragraph (a) have not been met.

Subd. 2. [COSTS.] Seventy percent of the cost of providing extended area service over the petitioned route must be apportioned to the petitioning exchange and the remaining 30 percent apportioned to the exchange or exchanges to which extended area service is requested. The cost must be apportioned among the customers in an exchange so that the relationship between the rates for classes of service remains the same. The cost to the petitioning exchange must be available to its customers before the commission determines whether a majority of them favor the installation of extended area service.

Subd. 5. [AMOUNTS NEEDED TO MEET NET WORTH REQUIREMENTS.] The amount necessary for a guaranteeing organization to satisfy the health maintenance organization's net worth requirement shall be the lesser of:

(7) the guaranteeing organization waives its rights under the Federal Bankruptcy Code, United States Code, title 11, section 303, to initiate involuntary proceedings against the health maintenance organization and agrees to submit to the jurisdiction of the commissioner and Minnesota state courts in any rehabilitation or liquidation of the health maintenance organization;

(8) the guarantee shall be governed by and construed and enforced according to the laws of the state of Minnesota; and

(9) the guarantee must be approved by the commissioner.

Subd. 8. [SUBMISSION OF GUARANTEEING ORGANIZATION'S FINANCIAL STATEMENTS.] Health maintenance organizations shall submit to the commissioner the guaranteeing organization's audited financial statements annually by April 1 or at a different date if agreed to by the commissioner. The health maintenance organization shall also provide other financial information regarding a guaranteeing organization as may be requested by the commissioner.

Subd. 9. [PERFORMANCE AS GUARANTEEING ORGANIZATION VOLUNTARY.] No provider may be compelled to serve as a guaranteeing organization.

Subd. 10. Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 144A.04, subdivision 4, is amended to read:

Subd. 4. [CONTROLLING PERSON RESTRICTIONS.] (a) The controlling persons of a nursing home may not include any person who was a controlling person of another nursing home during any period of time in the previous two-year period:

~~(a)~~ (1) during which time of control that other nursing home incurred the following number of uncorrected or repeated violations:

~~(1)~~ (i) two or more uncorrected violations or one or more repeated violations which created an imminent risk to direct resident care or safety; or

~~(2)~~ (ii) four or more uncorrected violations or two or more repeated violations of any nature for which the fines are in the four highest daily fine categories prescribed in rule; or

~~(b)~~ (2) who was convicted of a felony or gross misdemeanor punishable by a term of imprisonment of more than 90 days that relates to operation of the nursing home or directly affects resident safety or care, during that period.

(b) The provisions of this subdivision shall not apply to any controlling person who had no legal authority to affect or change decisions related to the operation of the nursing home which incurred the uncorrected violations.

Subd. 4a. [STAY OF ADVERSE ACTION REQUIRED BY CONTROLLING PERSON RESTRICTIONS.] (a) *In lieu of revoking, suspending, or refusing to renew the license of a nursing home with a controlling person disqualified by subdivision 4, paragraph (a), clause (1), the commissioner may issue an order staying the revocation, suspension, or nonrenewal of the nursing home license. The order may, but need not, be contingent upon the nursing home's compliance with restrictions and conditions imposed on the license to ensure the proper operation of the nursing home and to protect the health, safety, comfort, treatment, and well-being of the residents in the home. The decision to issue an order for stay must be made within 90 days of the commissioner's determination that a controlling person is disqualified by subdivision 4, paragraph (a), clause (1), from operating a nursing home.*

(b) *In determining whether to issue a stay and to impose conditions and restrictions, the commissioner shall consider the following factors:*

(1) *the ability of the controlling persons to operate other nursing homes in accordance with the licensure rules and laws;*

(2) *the conditions in the facility that received the number and type of uncorrected or repeated violations described in subdivision 4, paragraph (a), clause (1); and*

(3) *the conditions and compliance history of each of the nursing homes operated by the controlling persons.*

(c) *The commissioner's decision to exercise the authority under this subdivision in lieu of revoking, suspending, or refusing to renew the license of the nursing home is not subject to administrative or judicial review.*

(d) *The order for the stay of revocation, suspension, or nonrenewal of the nursing home license must include any conditions and restrictions on*

the nursing home license that the commissioner deems necessary based upon the factors listed in paragraph (b).

(e) Prior to issuing an order for stay of revocation, suspension, or nonrenewal, the commissioner shall inform the controlling persons, in writing, of any conditions and restrictions that will be imposed. The controlling persons shall, within 10 working days, notify the commissioner in writing of their decision to accept or reject the conditions and restrictions. If the nursing home rejects any of the conditions and restrictions, the commissioner shall either modify the conditions and restrictions or take action to suspend, revoke, or not renew the nursing home license.

(f) Upon issuance of the order for stay of revocation, suspension, or nonrenewal, the controlling persons shall be responsible for compliance with the conditions and restrictions contained therein. Any time after the conditions and restrictions have been in place for 180 days, the controlling persons may petition the commissioner for removal or modification of the conditions and restrictions. The commissioner shall respond to the petition within 30 days of the receipt of the written petition. If the commissioner denies the petition, the controlling persons may request a hearing under the provisions of chapter 14. Any hearing shall be limited to a determination of whether the conditions and restrictions shall be modified or removed. At the hearing, the controlling persons will have the burden of proof.

(g) The failure of the controlling persons to comply with the conditions and restrictions contained in the order for stay shall result in the immediate removal of the stay and the commissioner shall take action to suspend, revoke, or not renew the license.

(h) The conditions and restrictions are effective for two years after the date they are imposed.

(i) Nothing in this subdivision shall be construed to limit in any way the commissioner's ability to impose other sanctions against a nursing home license under the standards set forth in state or federal law whether or not a stay of revocation, suspension, or nonrenewal is issued.

Sec. 2. [EFFECTIVE DATE.]

Section 1 is effective the day following final enactment. The provisions of section 1 apply to any contested case proceeding that is pending on the date of enactment as well as to licensing actions and contested case hearings commenced on or after that date."

as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 144A.073, is amended by adding a subdivision to read:

Subd. 3a. [EXTENSION OF APPROVAL OF A PROJECT REQUIRING AN EXCEPTION TO THE NURSING HOME MORATORIUM.] Notwithstanding subdivision 3, a construction project that was approved by the commissioner under the moratorium exception approval process in this section prior to February 1, 1990, may be commenced more than 12 months after the date of the commissioner's approval but no later than July 1, 1992.

Sec. 2. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:

Subd. 3h. [PROPERTY COSTS FOR THE RATE YEAR BEGINNING JULY 1, 1990.] Notwithstanding Minnesota Rules, part 9549.0060, subpart 13, item H, the commissioner shall determine property-related payment rates for nursing homes for the rate year beginning July 1, 1990, as follows:

(a) The property-related payment rate for a nursing home whose property-related payment rate for the rate year beginning July 1, 1989, was determined according to Minnesota Rules, part 9549.0060, subpart 13, item A (full rental reimbursement) or item C or D (rental reimbursement being phased in), is the same as the property-related payment rate for the rate year beginning July 1, 1989. The commissioner shall adjust property-related payment rates determined according to Minnesota Rules, part 9549.0060, subpart 13, item A, to reflect current allowable debt.

(b) The property-related payment rate for a nursing home whose property-related payment rate for the rate year beginning July 1, 1989, was determined according to Minnesota Rules, part 9549.0060, subpart 13, item B (frozen property rate), is the greater of 94 percent of the property-related payment rate for the rate year beginning July 1, 1989; the amount of the nursing home's allowable principal and interest payments on debt incurred for the purchase of land, buildings, attached fixtures, and land improvements, plus the equipment allowance, for the rate year beginning July 1, 1989; or the property-related payment rate for the year beginning July 1, 1989, determined according to Minnesota Rules, part 9549.0060, subpart 13, item A (full rental reimbursement), adjusted to reflect current allowable debt; except that the rate determined under this paragraph must not exceed the property-related payment rate for the rate year beginning July 1, 1989.

(c) The property-related payment rate for a nursing home that qualifies for a rate adjustment according to Minnesota Rules, part 9549.0060, subpart 13, item G (special reappraisal), is the rate determined according to that subpart.

(d) The property-related payment rate for a nursing home that qualifies under section 256B.431, subdivision 3g, is the rate determined according to that subdivision.

Sec. 3. Minnesota Statutes 1988, section 256B.431, is amended by adding a subdivision to read:

Subd. 3i. [PROPERTY RATE ADJUSTMENT FOR REQUIRED

IMPROVEMENTS.] *The commissioner shall add an adjustment to the property-related payment rate of a certified, freestanding boarding care home reflecting the costs incurred by that nursing home to install a communications system in every room and hallway handrails, as required under the 1987 federal Omnibus Budget Reconciliation Act, Public Law Number 100-203. The property-related payment rate increase is only available if, and to the extent that, the nursing home's existing property-related payment rate, minus the nursing home's allowable principal and interest costs and equipment allowance, is not sufficient to cover the costs of the required improvements. Each nursing home eligible for the adjustment shall submit to the commissioner a detailed estimate of the cost increases the facility will incur to meet the new physical plant requirements. Ten percent of the amount of the costs that are determined by the commissioner to be reasonable for the nursing home to meet the new requirements, divided by resident days, must be added to the nursing home's property-related payment rate. The adjustment shall be added to the property-related payment rate determined under section 2. The resulting recalculated property-related payment rate is effective October 1, 1990, or 60 days after a nursing home submits its detailed cost estimate, whichever occurs later.*

The adjustment is only available to a certified, freestanding boarding care home that cannot meet the requirements of Public Law Number 100-203 for communications systems and handrails as demonstrated to the satisfaction of the commissioner of health. When the commissioner of human services establishes that it is not cost effective to upgrade an eligible certified, freestanding boarding care home to the new standards, the commissioner of human services may exclude the certified freestanding boarding care home if it is either an institution for mental disease or a certified, freestanding boarding care home that would have been determined to be an institution for mental disease but for the fact that it has 16 or fewer licensed beds.

Sec. 4. [RECOMMENDATIONS REGARDING PROPERTY COST PAYMENTS.]

By December 15, 1990, the rule 50 property reimbursement advisory task force under the convening authority of the commissioner of state planning shall recommend to the legislature a new system for determining property-related payment rates for nursing homes. The system recommended by the advisory task force must not increase total medical assistance spending for nursing home property costs. The system must be designed to:

- (1) reimburse nursing homes for their legitimate and reasonable property-related costs;*
- (2) permit appropriate sales of facilities within reasonable limitations;*
- (3) allow for the reasonable accumulation of funds to replace capital assets;*
- (4) take into consideration Medicare principles and required state plan assurances;*
- (5) provide equitable treatment of facilities;*
- (6) establish limitations on investment per bed; and*
- (7) encourage long-term ownership of nursing facilities through providing a return on an owner's actual investment which is related to the length*

of ownership at the time of an arm's length sale.

Sec. 5. [REPEALER.]

Minnesota Statutes 1988, sections 256B.431, subdivisions 3, 3b, 3c, and 3d; and 256B.50, subdivision 2; and Minnesota Statutes 1989 Supplement, section 256B.431, subdivisions 3a and 3f, are repealed effective July 1, 1991.

(2) the court stays the imposition or execution of the sentence.

(b) The periodic drug testing must determine whether the offender has used a controlled substance or alcohol. The testing must be done at the direction of the probation officer assigned to the case, and must be unannounced.

(c) The probation officer shall report to the court if an offender refuses the test or if an offender's test detects the presence of a controlled substance or alcohol. On receiving notice of refusal or failure, the court may revoke the stay under section 609.14, subdivision 2. Sec. 17. Minnesota Statutes 1988, section 609.5314, subdivision 2, is amended to read:

Subd. 2. [ADMINISTRATIVE FORFEITURE PROCEDURE.] Forfeiture of property described in subdivision 1 is governed by this subdivision. When seizure occurs, or within a reasonable time after that, all persons known to have an ownership or possessory interest in seized property must be notified of the seizure and the intent to forfeit the property. In the case of a motor vehicle required to be registered under chapter 168, notice mailed by certified mail to the address shown in department of public safety records is deemed sufficient notice to the registered owner. Notice may otherwise be given in the manner provided by law for service of a summons in a civil action. The notice must be in writing and contain:

(1) a description of the property seized;

(2) the date of seizure;

(3) notice of the right to obtain judicial review of the forfeiture; and

(4) notice of the procedure for obtaining judicial review of the forfeiture.

Substantially the following language must appear conspicuously: "IF YOU DO NOT DEMAND JUDICIAL REVIEW EXACTLY AS PRESCRIBED IN MINNESOTA STATUTES, SECTION 609.5314, SUBDIVISION 3, YOU LOSE THE RIGHT TO A JUDICIAL DETERMINATION OF THIS FORFEITURE AND YOU LOSE ANY RIGHT YOU MAY HAVE TO THE ABOVE DESCRIBED PROPERTY. IF YOU NEED ASSISTANCE IN DEMANDING JUDICIAL REVIEW OF THIS FORFEITURE, AND CANNOT AFFORD YOUR OWN ATTORNEY, YOU MAY CONTACT THE OFFICE OF THE PUBLIC DEFENDER."

The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service of a copy of the complaint on the county attorney for that county; ~~and the standard filing fee for civil actions.~~ *A demand filed with the court administrator under this subdivision does not require a filing fee.* No responsive pleading is required of the county attorney and no court fees may be charged for the county attorney's appearance in the matter. The

proceedings are governed by the rules of civil procedure.

(b) The complaint must be captioned in the name of the claimant as plaintiff, the seized property as defendant, and must state with specificity the grounds on which the claimant alleges the property was improperly seized and stating the plaintiff's interest in the property seized. Notwithstanding any law to the contrary, an action for the return of property seized under this section may not be maintained by or on behalf of any person who has been served with a notice of seizure and forfeiture unless the person has complied with this subdivision.

(c) If the claimant makes a timely demand for judicial determination under this subdivision, the appropriate agency must conduct the forfeiture under section 609.531, subdivision 6a.

Sec. 19. Minnesota Statutes 1988, section 611.14, is amended to read:

A law enforcement officer shall, with the assistance of the interpreter, explain to the person handicapped in communication, all charges filed against the person, and all procedures relating to the person's detainment and release. *If the property of a person is seized under section 609.531, subdivision 4, the arresting officer, sheriff, or other law enforcement official shall make available to the person at the earliest possible time a qualified interpreter to assist the person in understanding the possible consequences of the seizure and the person's right to judicial review. For a person entitled to an interpreter under this section because of a seizure of property, the 60 days for filing a demand for a judicial determination of a forfeiture begins when the interpreter is provided.* The interpreter shall also assist the person with all other communications, including communications relating to needed medical attention. Prior to interrogating or taking the statement of the person handicapped in communication, the arresting officer, sheriff, or other law enforcement official shall make available to the person a qualified interpreter to assist the person throughout the interrogation or taking of a statement.

Sec. 21. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 2, is amended to read:

Nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or

care of disease or remedial care of the child in lieu of medical care; except that there is a duty to report if a lack of medical care may cause imminent and serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, or medical care, a duty to provide that care. "Neglect" includes prenatal exposure to a controlled substance, as defined in section ~~626.5561~~ 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means "medical neglect" as defined in section 260.015, subdivision 2a, clause (5).

(d) "Physical abuse" means any physical injury inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical injury that cannot reasonably be explained by the child's history of injuries, or any aversive and deprivation procedures that have not been authorized under section 245.825.

(2) any social worker or supervisor employed by a local welfare agency complying with subdivision 10d or the provisions of section ~~626.5561~~; and

(b) A person who is a supervisor or social worker employed by a local

welfare agency complying with subdivisions 10 and 11 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care.

(c) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

Sec. 23. Minnesota Statutes 1989 Supplement, section 626.5561, subdivision 1, is amended to read:

Subdivision 1. [REPORTS REQUIRED.] A person mandated to report under section 626.556, subdivision 3, shall immediately report to the local welfare agency if the person knows or has reason to believe that a woman is pregnant and has used a controlled substance for a nonmedical purpose during the pregnancy. Any person may make a voluntary report if the person knows or has reason to believe that a woman is pregnant and has used a controlled substance for a nonmedical purpose during the pregnancy. *An oral report shall be made immediately by telephone or otherwise. An oral report made by a person required to report shall be followed within 72 hours, exclusive of weekends and holidays, by a report in writing to the local welfare agency. Any report shall be of sufficient content to identify the pregnant woman, the nature and extent of the use, if known, and the name and the address of the reporter.*

Sec. 24. Minnesota Statutes 1989 Supplement, section 626.5561, subdivision 3, is amended to read:

Subd. 3. [RELATED PROVISIONS.] Reports under this section are governed by section 626.556, subdivisions 4, 4a, 5, 6, 7, 8, and 11.

Sec. 26. Minnesota Statutes 1989 Supplement, section 626.5561, is amended by adding a subdivision to read:

Subd. 5. [IMMUNITY.] (a) A person making a voluntary or mandated report under subdivision 1 or assisting in an assessment under subdivision 2 is immune from any civil or criminal liability that otherwise might result from the person's actions, if the person is acting in good faith.

(b) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

Sec. 27. Minnesota Statutes 1989 Supplement, section 626.5562, subdivision 1, is amended to read:

Subdivision 1. [TEST; REPORT.] A physician shall administer a toxicology test to a pregnant woman under the physician's care, *or to a woman under the physician's care within eight hours after delivery*, to determine whether there is evidence that she has ingested a controlled substance, if the woman has obstetrical complications that are a medical indication of possible use of a controlled substance for a nonmedical purpose. If the test

results are positive, the physician shall report the results under section 626.5561. A negative test result does not eliminate the obligation to report under section 626.5561, if other evidence gives the physician reason to believe the patient has used a controlled substance for a nonmedical purpose.

Sec. 28. Minnesota Statutes 1989 Supplement, section 626.5562, subdivision 2, is amended to read:

Subd. 2. [NEWBORNS.] A physician shall administer to each newborn infant born under the physician's care a toxicology test to determine whether there is evidence of prenatal exposure to a controlled substance, if the physician has reason to believe based on a medical assessment of the mother or the infant that the mother used a controlled substance for a nonmedical purpose ~~prior to the birth during the pregnancy~~. If the test results are positive, the physician shall report the results as neglect under section 626.556. A negative test result does not eliminate the obligation to report under section 626.556 if other medical evidence of prenatal exposure to a controlled substance is present.

Sec. 29. Minnesota Statutes 1989 Supplement, section 626.5562, subdivision 4, is amended to read:

Subd. 4. [IMMUNITY FROM LIABILITY.] Any physician or other medical personnel administering a toxicology test to determine the presence of a controlled substance in a pregnant woman, *or in a woman within eight hours after delivery*, or in a child at birth or during the first month of life is immune from civil or criminal liability arising from administration of the test, if the physician ordering the test believes in good faith that the test is required under this section and the test is administered in accordance with an established protocol and reasonable medical practice.

Sec. 30. Minnesota Statutes 1988, section 631.40, is amended to read:

631.40 [JUDGMENT ON CONVICTION; JUDGMENT ROLL DEFINED NOTICE TO LICENSING BOARDS.]

Subdivision 1. [JUDGMENT ROLL.] When judgment upon a conviction is rendered, the court administrator shall enter the judgment upon the minutes, stating briefly the offense for which the conviction was had. The court administrator shall then immediately attach together and file the papers specified in clauses (1) to (5). The judgment roll consists of the papers specified in clauses (1) to (5):

(1) a copy of the minutes of challenge made by the defendant to the panel of the grand jury, or to an individual grand juror, and the proceedings and decisions on the challenges;

(2) the indictment or complaint and a copy of the minutes of the plea or motion to dismiss or to grant appropriate relief;

(3) a copy of the minutes of a challenge made to the panel of the trial jury or to an individual juror, and the proceedings and decision on the challenge;

(4) a copy of the minutes of the trial; and

(5) a copy of the minutes of the judgment.

Subd. 2. [CONTROLLED SUBSTANCE CONVICTIONS.] *When a court convicts a person of a felony under chapter 152, the court shall order that the presentence investigation include information about any business or*

professional licenses held by the offender. If the offender holds a business or professional license, the court administrator shall send a certified copy of the conviction to the appropriate licensing board.

Sec. 31. [CHEMICAL DEPENDENCY TREATMENT IN LOCAL CORRECTIONAL FACILITIES; PILOT PROGRAMS.]

The commissioner of corrections shall develop pilot programs to provide chemical dependency treatment for adult and juvenile offenders in correctional facilities. The pilot programs shall:

- (1) increase the availability of chemical dependency treatment services for adult and juvenile offenders;*
- (2) provide for professional evaluation of the need for treatment and aftercare of individual offenders;*
- (3) coordinate with local chemical dependency resources; and*
- (4) facilitate the provision of aftercare services for chemically dependent persons after their release.*

Sec. 32. [DAY FINES.]

Subdivision 1. [MODEL SYSTEM.] By January 1, 1992, the sentencing guidelines commission shall develop a model day-fine system. Each judicial district must adopt either the model system or its own day-fine system by July 1, 1992.

Subd. 2. [COMPONENTS.] A day-fine system adopted under this section must provide for a two-step sentencing procedure for those receiving a fine as part of a probationary felony sentence. In the first step, the court determines how many punishment points a person will receive, taking into account the severity of the offense and the criminal history of the offender. The second step is to multiply the punishment points by a factor that accounts for the offender's financial circumstances. The goal of the system is to provide a fine that is proportional to the seriousness of the offense and largely equal in impact among offenders with different financial circumstances. The system may provide for community service in lieu of fines for offenders whose means are so limited that the payment of a fine would be unlikely.

Sec. 33. [INCARCERATION OF DRUG DEALERS.]

The legislature finds that persons convicted of a felony offense for selling controlled substances should be incarcerated in a jail or correctional facility. The legislature strongly advises that courts make full use of the sentences provided under state law and the sentencing guidelines for persons convicted of selling controlled substances.

Sec. 34. [SUPREME COURT STUDIES.]

Subdivision 1. [JOINDER STUDY.] The supreme court shall study the feasibility of amending rule 17.03 of the Minnesota Rules of Criminal Procedure to facilitate the joint trial of certain defendants being prosecuted for possession of a controlled substance where separate trials do not serve the interests of justice. The court shall consider whether the amendment of rule 17.03 would have an unfair impact on particular economic classes or ethnic groups or otherwise create unfair categories of defendants.

Subd. 2. [CASH BAIL STUDY.] The supreme court shall study the feasibility of amending the Minnesota Rules of Criminal Procedure to provide

a hearing when a defendant pays a large bail amount in cash to allow the court to determine whether the funds are the proceeds of the unlawful sale of controlled substances.

Sec. 35. [DRUG TESTING OF OFFENDERS; PILOT PROGRAMS.]

Subdivision 1. [CONDITION OF PROBATION.] The commissioner of corrections shall develop pilot programs to evaluate the value of mandating testing for drugs and alcohol as a condition of probation and supervised release. One pilot program must be in a metropolitan area jurisdiction and one must be in a nonmetropolitan area jurisdiction. The commissioner shall order an offender to undergo drug and alcohol testing during supervised release if the offender has a history of chemical dependency. The programs must require courts to order testing for drugs and alcohol as a condition of probation for all persons:

(1) convicted of a felony under Minnesota Statutes, chapter 152, a felony involving the abuse of alcohol, or a felony that the court finds is related to the abuse of alcohol or controlled substances; and

(2) for whom the court has stayed the imposition or execution of sentence.

Subd. 2. [DRUG AND ALCOHOL TESTING.] (a) The periodic drug and alcohol testing must determine whether the offender has used a controlled substance or alcohol. The testing must be done at the direction of the probation officer assigned to the case, and must be unannounced.

(b) The probation officer shall report to the court for offenders on probation and to the commissioner for offenders on supervised release, if an offender refuses the test or if an offender's test detects the presence of a controlled substance or alcohol. On receiving notice of refusal or failure, the court may revoke the stay under Minnesota Statutes, section 609.14, subdivision 2. When the court receives notice of an offender's second test refusal or failure, the court shall either:

(1) revoke the offender's probation and impose and execute the sentence of imprisonment or local incarceration that the court previously stayed; or

(2) stay the imposition and execution of the prison sentence and impose local incarceration as a condition of the offender's probation.

On receiving notice of a second test refusal or failure by an offender on supervised release, the commissioner shall reincarcerate the offender.

Sec. 36. [CHEMICAL DEPENDENCY ASSESSMENTS; PILOT PROGRAMS.]

The commissioner of corrections shall create pilot programs in two or more jurisdictions to conduct chemical dependency assessments of all persons convicted of felony violations of Minnesota Statutes, chapter 152, and persons convicted of selected Minnesota Statutes, chapter 609, felonies. The assessment shall evaluate the offender's need for chemical dependency treatment services and recommend a program to meet the offender's needs.

Sec. 37. [EFFECTIVE DATE.]

Sections 1 to 6, 11, 12, 30, and 33 are effective August 1, 1990, and apply to crimes committed on or after that date.

ARTICLE 2
INTENSIVE SUPERVISION

Section 1. Minnesota Statutes 1988, section 241.26, subdivision 2, is amended to read:

Subd. 2. [USE OF LOCAL DETENTION FACILITIES.] The commissioner of corrections shall designate state correctional institutions for participation in the program authorized in subdivision 1 and shall adapt facilities of such institutions to provide housing and supervision of inmates participating in such program. The commissioner of corrections may also enter into contractual agreements with appropriate city and county authorities for the confinement of and provision of other correctional services to such inmates whose employment, educational or vocational training programs so require, and such city and county authorities are hereby authorized to make and enter such contracts and agreements. When the commissioner determines that the circumstances of a participant in the program authorized by subdivision 1 do not require the security of a public detention facility, the commissioner may contract with public and private agencies for the custody and separate care of such participant or house the participant in a community correction center *or under house arrest and monitored by electronic surveillance in an approved residence.*

Sec. 2. Minnesota Statutes 1988, section 244.05, is amended by adding a subdivision to read:

Subd. 6. [INTENSIVE SUPERVISED RELEASE.] The commissioner may order that an inmate be placed on intensive supervised release, as described in section 6, for all or part of the inmate's supervised release term. If the inmate violates the conditions of the intensive supervised release, the commissioner shall impose sanctions as provided in subdivision 3.

Sec. 3. [244.12] [INTENSIVE SUPERVISION SENTENCE.]

When a court convicts a person for a felony offense for which the sentencing guidelines provide a presumptive imprisonment sentence without a dispositional departure, the court may stay execution of the imprisonment sentence and sentence the offender to the commissioner of corrections to serve a sentence of intensive supervision. The court may not sentence an offender to intensive supervision if the offender is being sentenced for a conviction under section 609.185, 609.19, 609.195, 609.342, or 609.343. The court may sentence an offender to intensive supervision even if the offender will be required to move to another part of the state to serve the sentence. The court may sentence a person under this section only if the offender admits to the commission of the offense for which the offender is being convicted and does not demand execution of the presumptive sentence. The court may not sentence an offender under this section if the offender's presence in the community would present a danger to public safety.

Sec. 4. [244.13] [INTENSIVE SUPERVISION; ESTABLISHMENT OF PROGRAMS.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of corrections shall establish programs offering intensive community supervision for those sentenced to intensive supervision under section 3 and those designated by the commissioner to serve all or part of a supervised release term on

intensive supervised release. The commissioner shall locate the programs so that at least one-half of the money appropriated for the programs in each year is used for programs in community corrections act counties.

Subd. 2. [TRAINING.] The commissioner shall develop specialized training programs for probation officers assigned to the intensive supervision program.

Subd. 3. [EVALUATION.] The commissioner shall develop a system for gathering and analyzing information concerning the value and effectiveness of the intensive supervision programs, and shall compile a report to the chairs of the senate and house of representatives judiciary committees by January 15 of each odd-numbered year.

Sec. 5. [244.14] [INTENSIVE SUPERVISION; BASIC ELEMENTS.]

Subdivision 1. [REQUIREMENTS.] This section governs the intensive supervision programs established under section 4. The commissioner shall operate the programs in conformance with this section. The commissioner shall administer the programs to further the following goals:

- (1) to punish the offender;*
- (2) to protect the safety of the public;*
- (3) to facilitate employment of the offender during the intensive supervision sentence and afterward; and*
- (4) to require the payment of restitution ordered by the court to compensate the victims of the offender's crime and the payment of fines, court costs, and public defender costs.*

Subd. 2. [SANCTIONS.] The commissioner shall provide for immediate incarceration for the balance of the imprisonment sentence that was stayed by the sentencing court or for the balance of the term of supervised release, with credit for the time served on intensive supervision of an offender who:

- (1) fails to cooperate with the probation officer;*
- (2) violates the rules of the program;*
- (3) commits any gross misdemeanor or felony offense; or*
- (4) presents a risk to the public, based on the offender's behavior, attitude, or abuse of alcohol or controlled substances.*

Subd. 3. [ALL PHASES.] Throughout all phases of intensive supervision, the offender shall submit at any time to an unannounced search of the offender's person, vehicle, or premises by a probation officer. If the offender received a restitution order as part of the sentence, the offender shall make weekly payments as scheduled by the probation officer, until the full amount is paid.

Sec. 6. [244.15] [INTENSIVE SUPERVISION; PHASES I TO IV.]

Subdivision 1. [DURATION.] Phase I of an intensive supervision sentence is six months, or one-half the presumptive imprisonment sentence under the sentencing guidelines, whichever is less. Phase II lasts for at least four months. Phase III lasts for at least two months. Phase IV continues indefinitely until the commissioner determines that the level of supervision can be modified.

Subd. 2. [RANDOM DRUG TESTING.] (a) During phase I, the offender will be subjected to weekly urinalysis and breath alcohol tests to detect

the presence of controlled substances or alcohol. The tests will be random and unannounced.

(b) During phase II, the tests will be done twice monthly.

(c) During phases III and IV, the tests will be done at random at the frequency determined by the probation officer.

Subd. 3. [HOUSE ARREST.] (a) During phase I, the offender will be under house arrest in a residence approved by the offender's probation officer, and may not move to another residence without permission. "House arrest" means that the offender's movements will be severely restricted and continually monitored by the assigned probation officer.

(b) During phase II, modified house arrest is imposed.

(c) During phases III and IV, the offender is subjected to a daily curfew instead of house arrest.

Subd. 4. [FACE-TO-FACE CONTACTS.] (a) During phase I, the assigned probation officer shall have at least four face-to-face contacts with the offender each week.

(b) During phase II, two face-to-face contacts a week are required.

(c) During phase III, one face-to-face contact a week is required.

(d) During phase IV, two face-to-face contacts a month are required.

Subd. 5. [WORK REQUIRED.] During phases I, II, III, and IV, the offender must spend at least 40 hours a week performing approved work, undertaking constructive activity designed to obtain employment, or attending a treatment or education program as directed by the sentencing court. An offender may not serve more than six months of the intensive supervision sentence in a residential treatment program that does not require the offender to spend at least 40 hours a week performing approved work or undertaking constructive activity designed to obtain employment.

Subd. 6. [ELECTRONIC SURVEILLANCE.] During any phase, the offender may be placed on electronic surveillance if the probation officer so directs.

*Sec. 7. Minnesota Statutes 1988, section 609.10, is amended to read:
609.10 [SENTENCES AVAILABLE.]*

Upon conviction of a felony and compliance with the other provisions of this chapter the court, if it imposes sentence, may sentence the defendant to the extent authorized by law as follows:

(1) to life imprisonment; or

(2) to imprisonment for a fixed term of years set by the court; or

(3) to both imprisonment for a fixed term of years and payment of a fine; or

(4) to payment of a fine without imprisonment or to imprisonment for a fixed term of years if the fine is not paid; or

(5) to payment of court-ordered restitution in addition to either imprisonment or payment of a fine, or both; or

(6) in addition to a stayed imprisonment sentence, to an intensive supervision sentence as authorized by section 3, in addition to any combination

of the following:

- (i) incarceration for up to 12 months;
- (ii) payment of court-ordered restitution; and
- (iii) payment of a fine.

Sec. 8. Minnesota Statutes 1989 Supplement, section 609.115, subdivision 1, is amended to read:

Subdivision 1. [PRESENTENCE INVESTIGATION.] When a defendant has been convicted of a misdemeanor or gross misdemeanor, the court may, and when the defendant has been convicted of a felony, the court shall, before sentence is imposed, cause a presentence investigation and written report to be made to the court concerning the defendant's individual characteristics, circumstances, needs, potentialities, criminal record and social history, the circumstances of the offense and the harm caused by it to others and to the community. At the request of the prosecutor in a gross misdemeanor case, the court shall order that a presentence investigation and report be prepared. When the crime is a felony violation of chapter 152 involving the sale or distribution of a controlled substance, the report shall include a description of any adverse social or economic effects the offense has had on persons who reside in the neighborhood where the offense was committed.

The report shall also include the information relating to crime victims required under section 611A.037, subdivision 1. If the court directs, the report shall include an estimate of the prospects of the defendant's rehabilitation and recommendations as to the sentence which should be imposed. *The court may also direct that the report include a recommendation whether the offender should be sentenced to intensive supervision and a psychological evaluation of the offender's suitability for intensive supervision.* In misdemeanor cases the report may be oral.

When a defendant has been convicted of a felony, and before sentencing, the court shall cause a sentencing worksheet to be completed to facilitate the application of the Minnesota sentencing guidelines. The worksheet shall be submitted as part of the presentence investigation report.

The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections. The officer conducting the presentence or predispositional investigation shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with the information required under section 611A.037, subdivision 2.

Pending the presentence investigation and report, the court with the consent of the commissioner may commit the defendant to the custody of the commissioner of corrections who shall return the defendant to the court when the court so orders.

Presentence investigations shall be conducted and summary hearings held upon reports and upon the sentence to be imposed upon the defendant in accordance with this section, section 244.10, and the rules of criminal procedure.

Sec. 9. Minnesota Statutes 1988, section 609.135, subdivision 1, is amended to read:

Subdivision 1. [TERMS AND CONDITIONS.] Except when a sentence

of life imprisonment is required by law, or when a mandatory minimum term of imprisonment is required by section 609.11, any court may stay imposition or execution of sentence and (a) may order noninstitutional sanctions without placing the defendant on probation, or (b) may place the defendant on probation with or without supervision and on the terms the court prescribes, including noninstitutional sanctions when practicable, or (c) may place the defendant on intensive community supervision as provided under section 3. The court may order the supervision to be under the probation officer of the court, or, if there is none and the conviction is for a felony or gross misdemeanor, by the commissioner of corrections, or in any case by some other suitable and consenting person. No noninstitutional sanction may be ordered performed at a location that fails to observe applicable requirements or standards of chapter 181A or 182, or any rule promulgated under them. For purposes of this subdivision, subdivision 6, and section 609.14, the term "noninstitutional sanctions" includes but is not limited to restitution, fines, community work service, and work in lieu of or to work off fines.

A court may not stay the revocation of the driver's license of a person convicted of violating the provisions of section 169.121.

Subd. 6. [~~DEPARTMENT; DEPARTMENT OF TRADE AND ECONOMIC DEVELOPMENT~~ *FINANCE*.] "Department" means the department of ~~trade and economic development finance~~.

Sec. 2. Minnesota Statutes 1988, section 474A.02, subdivision 8, is amended to read:

Subd. 8. [~~FEDERAL TAX LAW~~.] "Federal tax law" means those provisions of the Internal Revenue Code of 1986, *as amended through December 31, 1989*, that limit the aggregate amount of obligations of a specified type or types which may be issued by an issuer during a calendar year whose interest is excluded from gross income for purposes of federal income taxation.

Sec. 4. Minnesota Statutes 1988, section 474A.03, is amended to read:

474A.03 [~~DETERMINATION OF ANNUAL VOLUME CAP~~]

Subdivision 1. [~~ANNUAL VOLUME CAP UNDER FEDERAL TAX LAW; POOL ALLOCATIONS~~.] At the beginning of each calendar year after December 31, ~~1987~~ 1990, the commissioner shall determine the aggregate dollar amount of the annual volume cap under federal tax law for the calendar year, and of this amount the commissioner shall make the following allocation:

- (1) ~~\$74,000,000~~ \$75,000,000 to the manufacturing pool;
- (2) ~~\$30,000,000~~ \$46,000,000 to the ~~multifamily~~ housing pool;
- (3) ~~\$21,000,000~~ \$10,000,000 to the public facilities pool; and
- (4) amounts to be allocated as provided in subdivision 2a.

If the annual volume cap is greater or less than the amount of bonding authority allocated under clauses (1) to (4) *and subdivision 2a, paragraph (a), clauses (1) to (3)*, the allocation must be adjusted so that each adjusted allocation is the same percentage of the annual volume cap as each original allocation is of the total bonding authority originally allocated.

Subd. 2a. [ENTITLEMENT ISSUER ALLOCATION.] (a) The commissioner shall make the following allocation to the Minnesota housing finance agency and the following cities:

(1) ~~\$50,000,000~~ *\$51,000,000* per year to the Minnesota housing finance agency, less any amount received in the previous year under section 474A.091, subdivision 6;

(2) \$20,000,000 per year to the city of Minneapolis; *and*

If a city is eligible to receive an entitlement allocation under this clause, the amount of the allocation is deducted from the allocations made under clauses (1), (2), and (3) in proportion to the total amount of allocations made in clauses (1), (2), and (3).~~

(b) Allocations provided under this subdivision must be used for mortgage bonds, mortgage credit certificates, or residential rental project bonds, except that entitlement cities may also use their allocations for public facility bonds.

Sec. 5. [474A.045] [SCORING SYSTEM FOR MANUFACTURING PROJECTS.]

The following criteria must be used in determining the allocation of small issue bonds for manufacturing projects. The issuer must prepare and submit to the commissioner a public purpose scoring worksheet that presents the data and methods used in determining the total score under this section. The total score is the sum of the following:

(1) the number of net direct new jobs in the state generated by the proposed project for the next two years per \$100,000 of proposed allocation multiplied by 15;

(2) the number of direct jobs retained in the state due to the proposed project per \$100,000 of proposed allocation multiplied by 15;

(3) the quotient of the total increase in net payroll generated in the state by the proposed project divided by the proposed bond allocation, multiplied by 100;

(4) the quotient of the estimated total net increase in property taxes generated in the state by the project in the first full year of operation divided by the proposed bond allocation, multiplied by 500; and

(5) the unemployment rate in the community where the proposed project is located measured as a percent of the state's unemployment rate, multiplied by ten.

The community unemployment rate used in determining the points under clause (5) must be the rate for the county in which the proposed project

is located unless an accurate rate may be estimated for a smaller geographic area or census tract. The commissioner of jobs and training must approve the rate used when an unemployment rate other than that for a county is used.

If the manufacturing project will retain jobs and the total score includes points calculated under clause (2), the issuer must certify to the commissioner that the proceeds of the small issue bonds are required to retain those jobs. The commissioner shall submit the information relating to the retaining of jobs to the commissioner of trade and economic development. The commissioner of trade and economic development must verify that the proceeds of the small issue bonds are required to retain the jobs referred to in the certification prior to the awarding of any points under this section.

Sec. 6. [474A.047] [RESIDENTIAL RENTAL BONDS; LIMITATIONS.]

Subdivision 1. [ELIGIBILITY.] An issuer may only use the proceeds from residential rental bonds if the proposed project meets one of the following:

(a) The proposed project is a single room occupancy project and all the units of the project will be occupied by individuals whose incomes are 50 percent or less of the greater of the statewide or county median income adjusted for household size as determined by the federal Department of Housing and Urban Development; or

(b) The proposed project is a multifamily project where at least 75 percent of the units have two or more bedrooms and at least 25 percent of the units have three or more bedrooms. At least 75 percent of the units of the multifamily project must be occupied by individuals or families whose incomes are 60 percent or less of the greater of the statewide or county median income adjusted for household size as determined by the federal Department of Housing and Urban Development.

The maximum rent for a proposed single room occupancy unit under paragraph (a) is 30 percent of the amount equal to 30 percent of the greater of the statewide or county median income for a one-member household as determined by the federal Department of Housing and Urban Development. The maximum rent for a multifamily project under paragraph (b) is 30 percent of the amount equal to 50 percent of the greater of the statewide or county median income as determined by the federal Department of Housing and Urban Development based on a household size with one person per bedroom.

Subd. 2. [15-YEAR AGREEMENT.] Prior to the issuance of residential rental bonds, the developer of the project for which the bond proceeds will be used must enter into a 15-year agreement with the issuer that specifies the maximum rental rates of the units in the project and the income levels of the residents of the project. The rental rates and income levels must be within the limitations established under subdivision 1. The developer must annually certify to the issuer over the term of the agreement that the rental rates are within the limitations under subdivision 1. The issuer may request individual certification of the income of all residents of the project.

If a project is found to be out of compliance with the rental rate and income levels under subdivision 1, the issuer must notify the Minnesota housing finance agency and department of revenue. The interest earnings on the bonds issued for the project will be subject to the tax under chapter 290.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, ~~and~~ (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in August, or in the amount of two percent of the requested allocation on or after the last Monday in August, ~~and~~ (5) a public purpose scoring worksheet for small issue applications. ~~An issuer applying for an allocation from the multifamily housing pool who does not sign an agreement requiring that the project comply with the gross rent restrictions of the low income housing credit program under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1988, must submit an additional application deposit in the amount of two percent of the requested allocation before the last Monday in August, or in the amount of one percent of the requested allocation on or after the last Monday in August. The issuer must pay the application deposit by check. The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.~~

(b) An entitlement issuer may not apply for an allocation from the ~~multifamily~~ multifamily housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

(c) *If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.*

Sec. 8. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

Subd. 2a. [HOUSING POOL ALLOCATION.] (a) *On the first business day that falls on a Monday of the calendar year and on the first Monday in April, the commissioner shall allocate available bonding authority in the housing pool to applications received by the Monday of the previous week for residential rental projects that meet the eligibility criteria under section 6. After April 1, and until April 15, the Minnesota housing finance agency may accept applications from cities for single-family housing programs which meet program requirements as follows:*

(1) *the housing program must meet a locally identified housing need and be economically viable;*

(2) *the adjusted income of home buyers cannot exceed the greater of the agency's income limits or 80 percent of the greater of the state or area median income as published by the Department of Housing and Urban Development;*

(3) *house price limits may not exceed the greater of agency house price*

limits or 90 percent of the median purchase price in the city for which the bonds are to be sold up to a maximum of 90 percent of the safe harbor limitations for existing housing provided under section 143(e) of the Internal Revenue Code of 1986, as amended through December 31, 1989, except that house price limits may be 100 percent of the median city purchase price if subsidy is used to reduce the effective purchase price of the property to the above levels. Data establishing the median purchase price in the city must be included in the application by a city requesting house price limits higher than the housing finance agency's house price limits;

(4) mortgage bonds may be issued during the first eight months that mortgage bond proceeds are available only for the purchase or purchase and rehabilitation of existing housing except in the following circumstances: newly constructed housing located in an area where a redevelopment project as defined under section 469.002, subdivision 14, may occur; newly constructed housing approved under the Affordable Housing Program of the Department of Housing and Urban Development; newly constructed housing located on a parcel purchased by the city or conveyed to the city under section 282.01, subdivision 1; or newly constructed housing that is part of a housing affordability initiative, other than those financed with the proceeds from the sale of bonds, in which federal, state, or local assistance is used to substantially improve the terms of the financing or to substantially write down the purchase price of the new housing; and

(5) the agency or a city may not make available, provide set asides, or commit to make available money or proceeds of bonds for the exclusive use of builders or developers for loans to eligible purchasers for new housing except for housing located in an area where a redevelopment project as defined under section 469.002, subdivision 14, may occur. This prohibition is in effect for the entire time mortgage bond proceeds are available.

The Minnesota housing finance agency may accept applications from July 1 to July 15 from cities for single-family housing programs which meet program requirements specified under clauses (1) to (5) if bonding authority is available in the housing pool. The agency and a representative for each applicant shall negotiate the terms of an agreement regarding the allocation of available authority among the applicants. The agreement must allot available bonding authority among the applicants. For purposes of paragraphs (a) to (d), "city" has the meaning given it in section 462C.02, subdivision 6, and "agency" means the Minnesota housing finance agency.

(b) Upon reaching agreement with participating cities, the agency shall forward to the commissioner the amounts allotted to each applicant pursuant to the agreement. The agency may issue bonds on behalf of participating cities. The agency shall request an allocation from the commissioner for all applicants who choose to have the agency issue bonds on their behalf and the commissioner shall allocate the requested amount to the agency. The agency may request an allocation at any time between the first Tuesday after the first Monday in April and the last Monday in August, but may request an allocation no later than the last Monday in August.

(c) A city may choose to issue bonds on its own behalf or through a joint powers agreement and may request an allocation from the commissioner. If the total amount requested by all applicants exceeds the amount available in the pool, the city may not receive a greater allocation than

the amount it would have received under the agreement forwarded by the Minnesota housing finance agency to the commissioner. No city may request or receive an allocation from the commissioner until the agreement under paragraph (b) has been forwarded to the commissioner. Between the first Monday in April and the last Monday in August, no city may receive an allocation from the housing pool which has not first applied to the Minnesota housing finance agency.

(d) If a city issues mortgage bonds from an allocation received under paragraph (c), the issuer must provide for the recycling of funds into new loans. If the issuer is not able to provide for recycling, the issuer must notify the commissioner in writing of the reason that recycling was not possible and the reason the issuer elected not to have the Minnesota housing finance agency issue the bonds. "Recycling" means the use of money generated from the repayment and prepayment of loans for further eligible loans or for the redemption of bonds and the issuance of current refunding bonds.

(e) The total amount of allocation for mortgage bonds for one city is limited to the lesser of (i) \$4,000,000 or (ii) 20 percent of the total amount available for allocation for mortgage bonds from the housing pool after the first Monday in April.

Sec. 9. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

Subd. 2b. [MANUFACTURING POOL ALLOCATION.] From the beginning of the calendar year until the last Monday in August, the commissioner shall allocate available bonding authority from the manufacturing pool on Monday of each week to applications received on or before the Monday of the preceding week. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 5. Proposed projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed projects that receive less than 50 points are eligible to receive a proportionally reduced share of the proposed authority.

If there are two or more applications for manufacturing projects from the manufacturing pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

Sec. 10. Minnesota Statutes 1988, section 474A.061, is amended by adding a subdivision to read:

[PUBLIC FACILITIES POOL ALLOCATION.] From the beginning of the calendar year until the last Monday in August, the commissioner shall allocate available bonding authority from the public facilities pool on Monday of each week to applications for eligible public facilities projects received on or before the Monday of the preceding week. If there are two or more applications for public facilities projects from the pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective

issuers.

Sec. 11. Minnesota Statutes 1988, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first ~~Monday~~ *Tuesday* in September only if the issuer has submitted to the department before the first ~~Monday~~ *Tuesday* in September a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. *The Minnesota housing finance agency may retain an unused portion of an allocation after the first Tuesday in September without submitting an additional deposit.*

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 474A.061, subdivision 4, is amended to read:

Subd. 4. If the issuer notifies the department *or the 90-day period since allocation has expired* prior to the last Monday in August, the amount of allocation *is canceled and returned* ~~must be reallocated~~ *for reallocation* through the pool from which it was originally allocated. If the issuer notifies the department *or the 90-day period since allocation has expired* on or after the last Monday in August, the amount of allocation *is canceled and returned* ~~must be reallocated~~ *for reallocation* through the unified pool. If the issuer notifies the department after the last Monday in November, the amount of allocation *is canceled and returned* ~~must be reallocated~~ *for reallocation* to the Minnesota housing finance agency.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section *within 90 days of allocation* shall receive within 30 days a refund ~~of all of its application deposits~~ equal to:

(1) one-half of the ~~amount on application deposit~~ for the amount of bonding authority returned ~~before the first Monday in November~~ *within 30 days of receiving allocation*;

Subd. 2. [TRANSFER LIMITS.] No transfer of bonding authority may be made from any pool for qualified bonds not eligible to receive allocations from that pool (i) prior to June 30, or (ii) if, on June 30, allocations of bonding authority have been made from that pool equal to or exceeding 50 percent of the annual volume cap originally allocated to that pool. ~~For 1987, the amount considered originally allocated to each of the pools shall be \$80,000,000 for the manufacturing pool and \$60,000,000 for the multifamily housing pool.~~

Subd. 4. [POOL TRANSFERS.] If there is insufficient bonding authority to provide allocations for all small issue bonds or residential rental project bonds in any one week, applications for small issue bonds may receive bonding authority from the multifamily housing pool or applications for residential rental project bonds may receive bonding authority from the manufacturing pool, except as provided in subdivision 2. If bonding authority is transferred from one pool to the other pool, applications for small issue bonds must receive priority for allocations from the manufacturing pool, and applications for residential rental project bonds must receive priority for allocations from the multifamily housing pool.

Sec. 14. Minnesota Statutes 1988, section 474A.091, subdivision 1, is amended to read:

Subdivision 1. [UNIFIED POOL AMOUNT.] On the day after the last Monday in August any bonding authority remaining unallocated from the manufacturing pool, the multifamily housing pool, and the public facilities pool is transferred to the unified pool and must be reallocated as provided in this section.

The issuer must pay the application deposit by check.~~ An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year

plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in September. Notwithstanding the restrictions imposed on unified pool allocations after October 1 under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the unified pool after October 1. *The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.*

(4) applications for redevelopment bonds;

(5) applications for mortgage bonds; and

Proposed manufacturing projects that receive less than 50 points under section 5 are only eligible to receive a proportionally reduced share of the proposed authority. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 5 with those projects receiving the greatest number of points receiving allocation first.

(2) an amount equal to the difference between the basic revenue of the district for that pupil and an amount computed by multiplying the basic revenue of the district for that pupil by a ratio. The ratio to be used is the total number of hours that the pupil is enrolled in courses in the secondary school during the regular school year over the total number of secondary instructional hours per pupil in that pupil's resident district.

The amount paid for each pupil shall be subtracted from the general education aid paid to the pupil's ~~resident~~ *of attendance* district. If the amount to be subtracted is greater than the amount of general education aid due the district, the excess reduction shall be made from other state aids due to the district. The amount of tuition reimbursement paid for each pupil shall be subtracted from the adult high school graduation aid paid to the pupil's ~~resident~~ district of attendance. If a pupil is enrolled in a course for post-secondary credit, the school district shall include the pupil in average daily membership as computed under section 120.17, subdivision 1, only for the portion of time during which the pupil is enrolled in courses at the secondary school and enrolled in courses at the post-secondary institution for secondary credit.

Subd. 12. [SALE OF VEHICLE SUBJECT TO IMPOUNDMENT ORDER.] A registered owner may not sell a motor vehicle during the time its registration plates have been ordered impounded or during the time its registration plates bear a special series number, unless:

Subd. 2. [DEFINITION.] "Program of advanced nursing education" means a nursing program to prepare registered nurses to become nurse practitioners or nurse anesthetists that has been certified by a nationally recognized organization having authority to certify the program.

Subd. 3. [ELIGIBILITY.] To be eligible to receive a grant, a student must be:

(1) licensed as a registered nurse in Minnesota and have been employed as a nurse in the state for at least one year prior to re-enrolling in college;

(2) a resident of the state of Minnesota;

(3) enrolled in a school or college of nursing for the purpose of completing a baccalaureate or masters degree, or a program of advanced nursing education; and

(4) eligible under any additional criteria established by the school or college of nursing, or program of advanced nursing education, in which the student is enrolled.

The scholarship must be awarded for one academic year but is renewable for a maximum of six semesters or nine quarters of full time study, or their equivalent.

Subd. 4. [RESPONSIBILITY OF NURSING PROGRAMS.] Each nursing program that wishes to participate in the nursing grant program must apply to the higher education coordinating board for funds, in accordance with rules and policies established by the board. Each nursing program must establish criteria to use in awarding the grants. These criteria must include consideration of the likelihood of a student's success in completing the nursing program and must give priority to: (1) students with the greatest financial need; and (2) students enrolling to complete baccalaureate degrees. Grants must be for a minimum of \$500, but may not exceed \$2,500 per year. Each nursing program shall establish procedures for students to apply for and receive grants.

Subd. 5. [RESPONSIBILITIES OF THE HIGHER EDUCATION COORDINATING BOARD.] The higher education coordinating board shall distribute funds each year to the nursing programs applying to participate

in the nursing grant program based on the prior academic year's enrollment of registered nurses in schools or colleges of nursing, or programs of advanced nursing education, as provided under subdivision 3, clause (3). Any funds not used by a recipient nursing program must be returned to the higher education coordinating board for redistribution under this section. The board shall establish an application process for interested nursing programs. Initial applications are due by January 1, 1991, and each subsequent year thereafter. By March 1, 1991, and each subsequent year thereafter, the board shall notify each applicant nursing program of its approximate allocation of funds in order to allow the program to determine the number of students that can be supported by the allocation. The board shall distribute funds to the nursing programs by August 1, 1991, and each subsequent year thereafter.

Subd. 6. [FUNDING.] (a) The nursing grant program shall be funded by a \$5.50 fee on each registration renewal of registered nurses as provided under section 148.231, unless the applicant specifically indicates on the renewal form that the applicant does not wish to participate in the funding of this program. The board of nursing shall transfer all money received under this subdivision, less an amount sufficient to pay the costs of administering the program not to exceed 12 percent of the fee collected under this subdivision, to the higher education coordinating board on a quarterly basis. By January 1, 1991, and each subsequent year thereafter, the board of nursing shall provide an estimate to the higher education coordinating board of the amount of money that may be available each year based on the number of anticipated registration renewals in that year.

(b) Notwithstanding paragraph (a), up to the first \$17,000 of fees collected under this subdivision may be used to program the board of nursing's computer system for purposes of administering this section.

Subd. 7. [REPORT.] The nursing programs participating in the nursing grant program shall report to the higher education coordinating board on their program activity as requested by the board. The higher education coordinating board shall report its findings and recommendations on the program to the legislature by February 1, 1995.

In nonemergency situations, if the insurer has an internal grievance or appeal process, the insured must exhaust that process before the external appeal. In no event shall the internal grievance process exceed the time limits described in section 72A.201, subdivision 4a.

(e) If prior authorization is required before services or treatment can be rendered, an appeal of the denial of prior authorization may be made as provided in this section.

If an advance of credit or a loan is forgiven or paid as provided in this subdivision, it is a contribution in the year in which the loan or advance of credit is made.

A contribution made for the purpose of defeating a candidate is considered made for the purpose of influencing the nomination or election of that candidate or any opponent of that candidate.

Contribution does not include services provided without compensation by an individual volunteering personal time on behalf of a candidate, ballot question, political committee or political fund, or the publishing or broadcasting of news items or editorial comments by the news media.

Sec. 5. Minnesota Statutes 1988, section 10A.25, subdivision 10, is amended to read:

Subd. 10. The expenditure limits imposed by this section apply only to candidates whose major political party opponents agree to be bound by the limits and who themselves agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns in the form of an allocation of money from the state elections campaign fund.

A candidate of a major political party who agrees to be bound by the limits and receives a public subsidy, who has an opponent who: (1) is a candidate of a major political party; and (2) does not agree to be bound by the limits but is otherwise eligible to receive a public subsidy, is no longer bound by the limits but is still eligible to receive a public subsidy.

(1) the party account money at the last general election for the candidate's party for the office the candidate is seeking; and

(2) the general account money paid to candidates for the same office at the last general election.

(b) If the filing period for the special election does not coincide with the filing period for the general election, a candidate who wishes to receive this public subsidy must submit a signed agreement under section 11 to the board not later than the day after the candidate files the affidavit of candidacy or nominating petition for the office. The special election subsidy must be distributed in the same manner as money in the general account is distributed to legislative candidates in a general election.

(c) The amount necessary to make the payments required by this subdivision is appropriated from the general fund to the state treasurer.

Sec. 10. [10A.321] [ESTIMATES OF MINIMUM AMOUNTS TO BE RECEIVED.]

Subdivision 1. [CALCULATION AND CERTIFICATION OF ESTIMATES.] *The commissioner of revenue shall calculate and certify to the board before July 1 in an election year an estimate of the total amount in the state general account of the state elections campaign fund and the amount of money each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7, may receive from the candidate's party account in the state elections campaign fund. This estimate must be based upon the allocations and formulas in section 10A.31, subdivision 5, any necessary vote totals provided by the secretary of state to apply the formulas in section 10A.31, subdivision 5, and the amount of money expected to be available after 100 percent of the tax returns have been processed.*

Subd. 2. Within seven days after the last day for filing for office, the secretary of state shall certify to the board the name, address, office sought, and party affiliation of each candidate who has filed with that office an affidavit of candidacy or petition to appear on the ballot. The auditor of each county shall certify to the board the same information for each candidate who has filed with that county an affidavit of candidacy or petition to appear on the ballot. Within seven days afterward, the board shall estimate the minimum amount to be received by each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7. By August 15 the board shall notify all candidates of their minimum amount. The board shall include with the notice a form for the agreement provided in section 11.*

(b) Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought must be considered contributions accepted by that candidate in that year for the purposes of this subdivision. The portion of contributions accepted by a candidate in an election year that equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question that are made by that candidate in that year do not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision.

Subd. 2. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the candidate may submit the agreement directly to the board by September 1. An agreement may not be rescinded after September 1. Subd. 3. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 10A.25, as adjusted by section 10A.255, remains effective for candidates until the dissolution of the principal campaign committee of the candidate or the opening of filing for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.

The candidate or the candidate's treasurer shall submit the affidavit required by this subdivision to the board in writing

by October 1 of the general election year.

Sec. 13. [10A.324] [RETURN OF PUBLIC SUBSIDY.]

Subdivision 1. [WHEN RETURN REQUIRED.] A candidate shall return all or a portion of the public subsidy received from the state elections campaign fund under the circumstances in paragraph (a), (b), or (c).

(a) To the extent that the amount of public subsidy received by the candidate exceeds the expenditure limits for the office held or sought, as provided in section 10A.25 and as adjusted by section 10A.255, the treasurer of the candidate's principal campaign committee shall return the excess to the board.

(b) To the extent that the amount of public subsidy received exceeds the aggregate of: (1) actual expenditures made by the principal campaign committee of the candidate; and (2) approved expenditures made on behalf of the candidate, the treasurer of the candidate's principal campaign committee shall return an amount equal to the difference to the board.

(c) Except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, any amount by which the aggregate contributions and approved expenditures agreed to exceed the difference must be returned to the state treasurer, deposited in the state treasury, and credited to the general fund. The amount returned must not exceed the amount received from the state elections campaign fund.

The amount returned must not exceed the amount of public subsidy received by the candidate from the state elections campaign fund.

If money has been accumulated in the state elections campaign fund for the candidates of a political party, and the party does not have a candidate in a general election for the office of state senator or state representative, the party account money allocated for the office for which there is no candidate must be returned to the general fund of the state. If that party does not have a candidate in a general election for any state constitutional office, the party account money allocated for that office must be transferred to the state general account of the state elections campaign fund for reallocation to all of the candidate offices as provided in section 10A.31, subdivision 5, and for distribution in that election year to candidates as provided under section 10A.31, subdivision 7.

CONGRESSIONAL CAMPAIGN FINANCING

Section 1. [10A.41] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 1 to 11. The definitions in section 10A.01 also apply to sections 1 to 11, except as they are superseded by the definitions in this section.

Subd. 2. [AUTHORIZED COMMITTEE.] "Authorized committee" means the principal campaign committee or another political committee designated and authorized by a congressional candidate under United States Code, title 2, section 432, subsection (e)(1), to receive contributions or make expenditures on behalf of that congressional candidate.

Subd. 3. [CAMPAIGN EXPENDITURE; EXPENDITURE.] "Campaign expenditure" or "expenditure" means "expenditure" as that term is defined under United States Code, title 2, section 431, paragraph (9).

Subd. 4. [CONGRESSIONAL CANDIDATE.] "Congressional candidate" means an individual who seeks nomination or election to the United States senate or house of representatives from this state and who is a "candidate" as that term is defined under United States Code, title 2, section 431, paragraph (2). A congressional candidate is not a "candidate" as defined in section 10A.01, subdivision 5.

Subd. 5. [CONTRIBUTION.] "Contribution" means a "contribution" as that term is defined under United States Code, title 2, section 431, paragraph (8).

Subd. 6. [POLITICAL COMMITTEE.] "Political committee" means a "political committee" as that term is defined under United States Code, title 2, section 431, paragraph (4). "Political committee" includes a major political party, a minor political party, a principal campaign committee, and an authorized committee.

Subd. 7. [PRINCIPAL CAMPAIGN COMMITTEE.] "Principal campaign committee" means a political committee designated and authorized by that congressional candidate under United States Code, title 2, section 432, subsection (e)(1).

Sec. 2. [10A.42] [LIMITATION ON APPLICATION.]

The provisions of sections 10A.11 to 10A.24 relating to the organization, registration, and administration of and reporting and disclosure by political funds and political committees, including principal campaign committees, do not apply to congressional candidates and authorized committees

of congressional candidates. The organization, registration, and administration of and reporting and disclosure by authorized committees of congressional candidates are governed by United States Code, title 2, chapter 14.

Sec. 3. [10A.43] [PUBLIC SUBSIDY AGREEMENT.]

Subdivision 1. [AGREEMENT.] As a condition of receiving a public subsidy, a congressional candidate shall sign and file with the board a written agreement in which the candidate agrees that the aggregate of expenditures made by the authorized committees of the congressional candidate may not exceed the expenditure limits in section 4.

Subd. 2. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The congressional candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the congressional candidate may submit the agreement directly to the board by September 1. An agreement may not be rescinded after September 1. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Subd. 3. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 4, remains effective for congressional candidates until the termination of the authorized committees of the congressional candidate, as provided under United States Code, title 2, section 433(d), or the opening of filing for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.

Sec. 4. [10A.44] [CONGRESSIONAL CAMPAIGN SPENDING LIMITS.]

Subdivision 1. [LIMITS.] In a year in which an election is held for an office sought by a congressional candidate, no expenditures may be made by the authorized committees of that congressional candidate that result in an aggregate amount in excess of the following:

- (1) for United States senator, \$3,000,000; and*
- (2) for representative in Congress, \$300,000.*

Subd. 2. [ADJUSTMENT BY CONSUMER PRICE INDEX.] (a) The dollar amounts provided in subdivision 1 must be adjusted for general election years as provided in this subdivision. By June 1 of the general election year, the executive director of the board shall determine the percentage increase in the consumer price index from December of the year preceding the last general election year to December of the year preceding the year in which the determination is made. The dollar amounts used for the last general election year must be multiplied by that percentage. The product of the calculation must be added to each dollar amount to produce the dollar limitations to be in effect for the next general election. The product must be rounded up to the next highest whole dollar. The index used must be the revised consumer price index for all urban consumers for the St. Paul-Minneapolis metropolitan area prepared by the United States Department of Labor with 1982 as a base year.

(b) The dollar amounts in subdivision 1 must be adjusted for the 1992 races for representative in Congress and the 1994 race for United States

senate, and subsequent general elections for those offices in the manner provided in paragraph (a), except that the last general election year must be considered to be 1986 and the dollar amounts used for the last general election year for the offices of United States senator and representative in Congress must be \$3,000,000 and \$300,000 respectively.

(c) By June 15 of each year, the board shall publish in the State Register the expenditure limit for each office for that calendar year as adjusted under this subdivision.

Subd. 3. [CONTESTED PRIMARY RACES.] Notwithstanding the limits imposed by subdivisions 1 and 2, the winning congressional candidate in a contested race in a primary who receives less than twice as many votes as any one of the candidate's opponents in that primary may make aggregate expenditures equal to 120 percent of the applicable amount under subdivisions 1 and 2.

Subd. 4. [POSTELECTION YEAR EXPENDITURES.] In any year following an election year for the office held or sought, the aggregate amount of expenditures on behalf of a congressional candidate for or holder of that office must not exceed 20 percent of the expenditure limit in subdivisions 1 and 2.

Subd. 5. [LIMITATION CONDITIONAL.] (a) The expenditure limits imposed by this section apply only to congressional candidates who agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns and whose major political party opponents also agree to be bound by the limits.

(b) If a congressional candidate of a major political party agrees to be bound by the limits and has an opponent who is a congressional candidate of a major political party who is otherwise eligible to receive a subsidy, then:

(1) if the opponent agrees to be bound by the limits, both candidates are bound by the limits but neither may receive a public subsidy and the amount that both candidates would have received must be canceled to the general fund; and

(2) if the opponent does not agree to be bound by the limits, the congressional candidate is no longer bound by the limits but is still eligible to receive a public subsidy.

Sec. 5. [10A.45] [CONTRIBUTION AND LOAN LIMITS.]

Contributions by or to a congressional candidate and loans to a congressional candidate are governed by United States Code, title 2, chapter 14.

Sec. 6. [10A.46] [MULTICANDIDATE POLITICAL PARTY EXPENDITURES.]

Multicandidate political party expenditures with respect to congressional candidates are governed by United States Code, title 2, section 431, paragraph (9).

Sec. 7. [10A.47] [PENALTY FOR EXCEEDING LIMITS.]

Subdivision 1. [EXPENDITURE LIMITS.] A congressional candidate subject to the expenditure limits in section 4 who permits the candidate's authorized committees to make aggregate expenditures on the candidate's behalf in excess of the limits imposed by section 4 is subject to a civil fine

up to four times the amount by which the expenditures exceed the limit.

Subd. 2. [CONTRIBUTION LIMITS.] A congressional candidate who permits the candidate's authorized committees to accept contributions in excess of the limits imposed under United States Code, title 2, chapter 14, is subject to the penalties imposed by United States Code, title 2, section 437g.

Subd. 3. [CONCILIATION AGREEMENTS.] If the board finds that there is reason to believe that excess expenditures have been made contrary to subdivision 1 or 2, the board shall make every effort for not less than 14 days after its finding to correct the matter by informal methods of conference and conciliation and to enter a conciliation agreement with the person involved. A conciliation agreement made under this subdivision is a matter of public record. Unless violated, a conciliation agreement bars any civil proceeding under subdivision 4.

Subd. 4. [CIVIL ACTION.] If the board is unable after a reasonable time to correct by informal methods any matter that constitutes probable cause to believe that excess expenditures have been made contrary to subdivision 1 or 2, the board shall make a public finding of probable cause in the matter. After making a public finding, the board shall bring an action or transmit the finding to a county attorney who shall bring an action to impose a civil fine as prescribed by the board under subdivision 1 or 2. An action filed against a congressional candidate for United States senator must be brought in the district court of Ramsey county. An action filed against a congressional candidate for representative in Congress must be brought in the district court of a county within the congressional candidate's congressional district. All money recovered under this section must be deposited in the state treasury and credited to the general fund.

Sec. 8. [10A.48] [MATCHING REQUIREMENTS.]

In order to be eligible to receive a public subsidy, a congressional candidate must provide evidence to the board of nonpublic contributions equal to the public subsidy.

Sec. 9. [10A.49] [CERTIFICATION AND DISTRIBUTION.]

Subdivision 1. [CERTIFICATION OF ELIGIBLE CANDIDATES.] Within one week after certification by the state canvassing board of the results of the primary, the ethical practices board shall certify to the state treasurer the name of each congressional candidate who is eligible to receive a public subsidy.

Subd. 2. [DISTRIBUTION OF MONEY AFTER PRIMARY.] Within two weeks after certification by the state canvassing board of the results of the primary, the state treasurer shall pay a public subsidy of up to \$1,000,000 to any congressional candidate of a major political party for the office of senator who has signed an agreement as required under section 3 and is eligible to receive a public subsidy; and up to \$100,000 to each congressional candidate of a major political party for the office of representative who has signed an agreement as required under section 3 and is eligible to receive a public subsidy.

Sec. 10. [10A.50] [RETURN OF PUBLIC SUBSIDY.]

Subdivision 1. [WHEN REQUIRED.] A congressional candidate shall return all or a portion of the public subsidy received under the circumstances in paragraphs (a) and (b).

(a) *To the extent that the public subsidy received by the congressional candidate exceeds the expenditure limits for the office held or sought, as provided in section 4, the treasurer of the congressional candidate's principal campaign committee shall return the excess to the board.*

(b) *To the extent that the public subsidy received exceeds the aggregate of actual expenditures made by the authorized committees of the congressional candidate, the treasurer of the congressional candidate's principal campaign committee shall return an amount equal to the difference to the board.*

Subd. 2. [HOW RETURN DETERMINED.] Whether or not a congressional candidate is required under subdivision 1 to return all or a portion of the public subsidy received must be determined from the report required to be filed with the board by that congressional candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the congressional candidate.

Sec. 11. [10A.51] [CAMPAIGN REPORTS.]

A congressional candidate who agrees to be bound by the expenditure limits in section 4, as a condition of receiving a public subsidy for the candidate's campaign, shall file with the board copies of all reports that the candidate or the candidate's principal campaign committee treasurer acting for the candidate is required to file under United States Code, title 2, chapter 14. The reports must be filed with the board at the times required under United States Code, title 2, section 434.

Sec. 12. [APPROPRIATION.]

\$1,500,000 is appropriated from the general fund to the state treasurer to pay the public subsidies for congressional campaigns provided for by this act.

If this appropriation is insufficient to provide the amounts specified in section 9, subdivision 2, the public subsidy must be distributed so that each eligible United States house of representatives candidate will receive an amount equal to one-tenth the amount given to any eligible United States senate candidate.

Sec. 13. [SEVERABILITY.]

If a provision of this article is found to be unconstitutional and void, the remaining provisions of this article remain valid.

Sec. 14. [EFFECTIVE DATE.]

This article is effective July 1, 1990.

ARTICLE 4

OPEN MEETINGS

Section 1. [3.055] [OPEN MEETINGS.]

Except as inconsistent with or otherwise provided in this section, meetings of the legislature are governed by section 471.705, including sessions of the senate, sessions of the house of representatives, joint sessions of the

senate and the house of representatives, and meetings of a standing committee, committee division, subcommittee, conference committee, or legislative commission, but not including a caucus of the members of any of those bodies from the same house and political party nor a delegation of legislators representing a geographic area or political subdivision. For purposes of this section, a meeting occurs when a quorum is present and discussion of matters within the jurisdiction of the body occurs or action is taken. Notice of the meeting must be provided in accordance with the rules of each house or the joint rules of both houses. Upon a complaint by any person that a member of the legislature has violated this section, the house of which the legislator is a member shall act on the complaint according to the rules of that house. If, after review, a committee of the house finds the complaint substantiated by the evidence, it shall recommend to the house appropriate disciplinary action. Proceedings to enforce this section may not be brought in court.

Sec. 2. Minnesota Statutes 1988, section 471.705, subdivision 1, is amended to read:

Subdivision 1. Except as otherwise expressly provided by statute, all meetings, including executive sessions, *of the legislature and* of any state agency, board, commission or department when required or permitted by law to transact public business in a meeting, and the governing body of any school district however organized, unorganized territory, county, city, town, or other public body, and of any committee, subcommittee, board, department or commission thereof, shall be open to the public, except meetings of the board of pardons and the commissioner of corrections. The votes of the members of such state agency, board, commission or department or of such governing body, committee, subcommittee, board, department or commission on any action taken in a meeting herein required to be open to the public shall be recorded in a journal kept for that purpose, which journal shall be open to the public during all normal business hours where such records are kept. The vote of each member shall be recorded on each appropriation of money, except for payments of judgments, claims and amounts fixed by statute. This section shall not apply to any state agency, board, or commission when exercising quasi-judicial functions involving disciplinary proceedings.”

County social service agencies may contract with a public or private agency or individual who is not a service provider for the person for the public guardianship representation required by the screening or individual service and habilitation planning process. The contract shall be limited to public guardianship representation for the screening and individual service and habilitation planning activities. The contract shall require compliance with the commissioner's instructions and may be for paid or voluntary services. For individuals determined to have overriding health care needs, a registered nurse must be designated as either the case manager or the qualified mental retardation professional. The case manager shall consult with the client's physician, other health professionals or other persons as necessary to make this evaluation. The case manager, with the concurrence of the client or the client's legal representative, may invite other persons to attend meetings

of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.

(b) In addition to the requirements of paragraph (a), the following conditions apply to the discharge of persons with mental retardation or a related condition from a regional treatment center:

(1) For a person under public guardianship, at least two weeks prior to each screening team meeting the case manager must notify in writing parents, near relatives, and the ombudsman established under section 245.92 or a designee, and invite them to attend. The notice to parents and near relatives must include: (i) notice of the provisions of section 252A.03, subdivision 4, regarding assistance to persons interested in assuming private guardianship; (ii) notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7); and (iii) information about advocacy services available to assist parents and near relatives of persons with mental retardation or related conditions. In the case of an emergency screening meeting, the notice must be provided as far in advance as practicable.

(2) Prior to the discharge, a screening must be conducted under subdivision 8 and a plan developed under subdivision 1a. For a person under public guardianship, the county shall encourage parents and near relatives to participate in the screening team meeting. The screening team shall consider the opinions of parents and near relatives in making its recommendations. The screening team shall determine that the services outlined in the plan are available in the community before recommending a discharge. The case manager shall provide a copy of the plan to the person, legal representative, parents, near relatives, the ombudsman established under section 245.92, and the protection and advocacy system established under United States Code, title 42, section 6042, at least 30 days prior to the date the proposed discharge is to occur. The information provided to parents and near relatives must include notice of the rights of parents and near relatives to object to a proposed discharge by requesting a review as provided in clause (7). If a discharge occurs, the case manager and a staff person from the regional treatment center from which the person was discharged must conduct a monitoring visit as required in Minnesota Rules, part 9525.0115, within 90 days of discharge and provide an evaluation within 15 days of the visit to the person, legal representative, parents, near relatives, ombudsman, and the protection and advocacy system established under United States Code, title 42, section 6042.

(3) In order for a discharge or transfer from a regional treatment center to be approved, the concurrence of a majority of the screening team members is required. The screening team shall determine that the services outlined in the discharge plan are available and accessible in the community before the person is discharged. The recommendation of the screening team cannot be changed except by subsequent action of the team and is binding on the county and on the commissioner. If the commissioner or the county determines that the decision of the screening team is not in the best interests of the person, the commissioner or the county may seek judicial review of the screening team recommendation. A person or legal representative may appeal under section 256.045, subdivision 3 or 4a.

(4) For persons who have overriding health care needs or behaviors that cause injury to self or others, or cause damage to property that is an immediate threat to the physical safety of the person or others, the following

additional conditions must be met:

(i) For a person with overriding health care needs, either a registered nurse or a licensed physician shall review the proposed community services to assure that the medical needs of the person have been planned for adequately. For purposes of this paragraph, "overriding health care needs" means a medical condition that requires daily clinical monitoring by a licensed registered nurse.

(ii) For a person with behaviors that cause injury to self or others, or cause damage to property that is an immediate threat to the physical safety of the person or others, a qualified mental retardation professional, as defined in paragraph (a), shall review the proposed community services to assure that the behavioral needs of the person have been planned for adequately. The qualified mental retardation professional must have at least one year of experience in the areas of assessment, planning, implementation, and monitoring of individual habilitation plans that have used behavior intervention techniques.

(5) No person with mental retardation or a related condition may be discharged from a regional treatment center before an appropriate community placement is available to receive the person.

(6) *Effective July 1, 1996*, a resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than 15 beds. *Effective July 1, 1993 1998*, a resident of a regional treatment center may not be discharged to a community intermediate care facility with a licensed capacity of more than ten beds.

(7) If the person, legal representative, parent, or near relative of the person proposed to be discharged from a regional treatment center objects to the proposed discharge, the individual who objects to the discharge may request a review under section 256.045, subdivision 4a, and may request reimbursement as allowed under section 256.045. The person must not be transferred from a regional treatment center while a review or appeal is pending. Within 30 days of the request for a review, the local agency shall conduct a conciliation conference and inform the individual who requested the review in writing of the action the local agency plans to take. The conciliation conference must be conducted in a manner consistent with section 256.045, subdivision 4a. A person, legal representative, parent, or near relative of the person proposed to be discharged who is not satisfied with the results of the conciliation conference may submit to the commissioner a written request for a hearing before a state human services referee under section 256.045, subdivision 4a. The person, legal representative, parent, or near relative of the person proposed to be discharged may appeal the order to the district court of the county responsible for furnishing assistance by serving a written copy of a notice of appeal on the commissioner and any adverse party of record within 30 days after the day the commissioner issued the order and by filing the original notice and proof of service with the court administrator of the district court. Judicial review must proceed under section 256.045, subdivisions 7 to 10. For a person under public guardianship, the ombudsman established under section 245.92 may object to a proposed discharge by requesting a review or hearing or by appealing to district court as provided in this clause. The person must not be transferred from a regional treatment center while a conciliation conference or appeal of the discharge is pending."

Subd. 2. [DEFINITION.] For purposes of this section, "technology-assisted person" means a person who:

(1) has a chronic health condition;

(2) requires the routine use of a medical device to compensate for the loss of a life-sustaining body function; and

(3) requires ongoing care or monitoring by trained personnel on a daily

basis.

Subd. 3. [STEERING COMMITTEE.] The commissioner shall appoint a seven-member steering committee to appoint the review panel members, develop policies and procedures for the review process, including the replacement of review panel members, serve as a liaison between the regulatory agencies and the review panel, and provide the review panel with technical assistance. The steering committee shall consist of representatives of the departments of health, human services, and commerce; a health maintenance organization regulated under chapter 62D; an insurer regulated under chapter 62A or a health service plan corporation regulated under chapter 62C; an advocacy organization representing persons who are technology-assisted; and a tertiary care center that serves technology-assisted persons. (b) The term of service for review panel members is three years except that, for the initial appointment, the steering committee shall establish procedures to assure that the terms of the members are staggered. Members are eligible to serve two consecutive terms.

Subd. 5. [AUTHORITY.] The review panel may review cases involving disputes over the provision of contract benefits regarding discharge planning, home health care benefits eligibility and coverage, or changes in the level of home health care services for technology-assisted persons. The review may be requested by a third-party payor, a health or social service professional, or a parent or guardian of a technology-assisted child or a technology-assisted adult. The recommendations of the review panel are not binding. If, following a review by the review panel, a complaint is filed with the appropriate state agency regarding the same subject matter, the findings of the review panel must be made available to the agency upon request and with the consent of the parent or guardian of a technology-assisted child or technology-assisted adult. The information must be maintained by the agency as nonpublic information under chapter 13. The steering committee may establish policies for reimbursement of expenses for review panel members consistent with the provisions of section 15.0575, subdivision 3.

Subd. 6. [CONFIDENTIALITY.] All proceedings of the review organization are nonpublic under chapter 13. All data, information, and findings acquired and developed by the review panel in the exercise of its duties or functions must be held in confidence, may not be disclosed to anyone except to the extent necessary to carry out one or more of the purposes of the review panel or as described in subdivision 5, and are not subject to subpoena or discovery. Members of the review panel may not disclose what transpired at a meeting of the review panel except to the extent necessary to carry out one or more of the purposes of the review panel. The proceedings and record of the review panel are not subject to discovery or introduction into evidence in any civil action against a health care professional or insurer, health service plan corporation, or health maintenance organization, arising out of the matter or matters that are the subject of consideration by the review panel.

Subd. 7. [LIMITATION ON LIABILITY FOR MEMBERS OF STEERING COMMITTEE AND REVIEW PANEL.] A person who is a member of, or who acts in an advisory capacity to or who gives counsel or services to, the steering committee or review panel is not liable for damages or other relief in any action brought by a person or persons whose case has been reviewed by the panel, by reason of the performance of any duty, function, or activity of the review panel, unless the performance of the duty, function, or activity was motivated by malice toward the person affected. A member is not liable for damages or other relief in any action by reason of the performance of the member of any duty, function, or activity as a member of the steering committee or review panel or by reason of any recommendation or action of the review committee when the member acts in the reasonable belief that the action or recommendation is warranted by the facts known to the member or review panel after reasonable efforts to ascertain the facts.

The commissioner shall have authority to and may suspend the license of any driver without preliminary hearing upon a showing by department records or other sufficient evidence that the licensee:

(1) Has committed an offense for which mandatory revocation of license is required upon conviction; or

(2) Has been convicted by a court of competent jurisdiction for violation of a provision of the highway traffic regulation act or an ordinance regulating traffic and where it appears from department records that the violation for which the licensee was convicted contributed in causing an accident resulting in the death or personal injury of another, or serious property damage; or

(9) Has failed to appear in court as provided in section 169.92, subdivision 4; or

(10) has failed to report a medical condition that if reported would have resulted in cancellation of driving privileges.

Provided, however, that any action taken by the commissioner under subparagraphs (2) and (5) shall conform to the recommendation of the court when made in connection with the prosecution of the licensee.

Upon suspending the license of any person, as hereinbefore in this section authorized, the department shall immediately notify the licensee, in writing, by depositing in the United States post office a notice addressed to the licensee at the licensee's last known address, with postage prepaid thereon, and the licensee's written request shall afford the licensee an opportunity for a hearing within not to exceed 20 days after receipt of such request in the county wherein the licensee resides, unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or duly authorized agent, may administer oaths and issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or, good cause appearing therefor, may extend the suspension of such license or revoke such license. The department shall not suspend a license for a period of more than one year.”

Delete everything after the enacting clause and insert:

“Section 1. [60A.176] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] *The definitions in this section apply to sections 1 and 2.*

Subd. 2. [AGENCY.] *“Agency” means an agency contractual relationship that has been in effect five years or more.*

Subd. 3. [AGENT.] *“Agent” means an agent who is not an employee of the insurer and who writes 80 percent or more of the agent’s business through one insurer or its subsidiaries.*

Subd. 4. [INSURER.] *“Insurer” means an insurance company writing property or casualty loss insurance in this state through agents.*

Sec. 2. [60A.177] [INVOLUNTARY TERMINATION OF AN AGENT BY THE INSURER.]

Subdivision 1. [TERMINATION REVIEW PROCESS.] *An insurer shall establish a termination review process for an agent involuntarily terminated by the insurer. The review process is available for use at the option of the agent. The review process must be completed within 15 days of the*

request or before the date of termination, whichever is later.

Subd. 2. [NOTICE; HEARING.] If an agent is terminated by an insurer, the agent may request a hearing before the board of review. If an insurer initiates the termination of an agent's agreement, the written notice of termination must advise the agent of the agent's right to a hearing before the board of review. Upon receipt of an agent's request for a hearing, the commissioner shall establish a hearing date within 30 days of the request or longer with the approval of the agent and the insurer. The agent and the insurer shall be notified in writing of the date, time, and place of the hearing.

Subd. 3. [BOARD OF REVIEW.] A three-member board of review shall be selected from a list of ten agents and ten insurer representatives compiled by the commissioner. One member shall be selected by the agent, one by the insurer, and one by the commissioner. The board member selected by the agent may not be a relative of the agent. The board members selected by the agent and insurer may not be presently or formerly associated with an insurer represented by the agent. An insurer is immune from civil liability to the agent for disclosures made at the hearing. This immunity does not extend to disclosures made in bad faith or with knowledge of their falseness.

Subd. 4. [BOARD'S DETERMINATION.] Upon completion of the hearing, the board of review shall determine if the termination of the agent's agreement is justified. If in the opinion of the board of review an involuntary termination is not justified, and in the absence of a reasonable contractual financial provision for termination as determined by the commissioner, the commissioner shall order the insurer to pay an amount of compensation that the commissioner considers appropriate to the agent.

If in the opinion of the board of review a voluntary termination was not voluntary and the insurer is not justified in terminating the agent's agreement, and in the absence of a reasonable contractual financial provision for termination as determined by the commissioner, the commissioner shall order the insurer to pay an amount of compensation that the commissioner considers appropriate to the agent.

Subd. 5. [APPEAL.] An order of the commissioner under subdivision 4 may be appealed to district court by either party for a trial de novo. If the insurer appeals and the agent prevails, the insurer is responsible for the agent's legal fees as approved by the court.

Subd. 6. [CIVIL PENALTY.] A person who intimidates or coerces a member of the board of review is subject to a civil penalty imposed by the commissioner in an amount not to exceed \$25,000.

Subd. 7. [EXEMPTION.] This section does not apply to an agent whose license has expired, is revoked, or is currently under suspension.
