(2) *the general account money paid to candidates for the same office at the last general election.*

(b) *If the filing period for the special election does not coincide with the filing period for the general election, a candidate who wishes to receive this public subsidy must submit a signed agreement under section 28 to the board not later than the day after the candidate files the affidavit of candidacy or nominating petition for the office. The special election subsidy must be distributed in the same manner as money in the general account is distributed to legislative candidates in a general election.*

(c) *The amount necessary to make the payments required by this subdivision is appropriated from the general fund to the state treasurer.*

Sec. 27. [10A.321] [ESTIMATES OF MINIMUM AMOUNTS TO BE RECEIVED.]

Subdivision 1. [CALCULATION AND CERTIFICATION OF ESTIMATES.] *The commissioner of revenue shall calculate and certify to the board before July 1 in an election year an estimate of the total amount in the state general account of the state elections campaign fund and the amount of money each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7, may receive from the candidate's party account in the state elections campaign fund. This estimate must be based upon the allocations and formulas in section 10A.31, subdivision 5, any necessary vote totals provided by the secretary of state to apply the formulas in section 10A.31, subdivision 5, and the amount of money expected to be available after 100 percent of the tax returns have been processed.*

*publish and forward to all filing officers the estimates calculated and certified under subdivision 1 along with a copy of section 10A.25. Within seven days after the last day for filing for office, the secretary of state shall certify to the board the name, address, office sought, and party affiliation of each candidate who has filed with that office an affidavit of candidacy or petition to appear on the ballot. The auditor of each county shall certify to the board the same information for each candidate who has filed with that county an affidavit of candidacy or petition to appear on the ballot. Within seven days afterward, the board shall estimate the minimum amount to be received by each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7. By August 15 the board shall notify all candidates of their minimum amount. The board shall include with the notice a form for the agreement provided in section 28 along with a copy of section 10A.25.*

**Sec. 28. [10A.322] [PUBLIC SUBSIDY AGREEMENTS.]**

*Subdivision 1. [AGREEMENT BY CANDIDATE.] (a) As a condition of receiving a public subsidy from the state elections campaign fund, a candidate shall sign and file with the board a written agreement in which the candidate agrees that:*

*(b) Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought must be considered contributions accepted by that candidate in that year for the purposes of this subdivision. The portion of contributions accepted by a candidate in an election year that equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question that are made by that candidate in that year does not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision.*

*Subd. 2. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the*

Alternatively, the candidate may submit the agreement directly to the board by the following September 1. An agreement may not be rescinded after that date. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

*Subd. 3. [HOW LONG AGREEMENT IS EFFECTIVE.]* The agreement, insofar as it relates to the expenditure limits in section 10A.25, as adjusted by section 10A.255, remains effective for candidates until the dissolution of the principal campaign committee of the candidate or the day filings open for the next succeeding election to the office held or sought at the time of the agreement, whichever occurs first.

*(a) To the extent that the amount of public subsidy received by the candidate exceeds the expenditure limits for the office held or sought, as provided in section 10A.25 and as adjusted by section 10A.255, the treasurer of the candidate's principal campaign committee shall return the excess to the board.*

*(b) To the extent that the amount of public subsidy received exceeds the aggregate of: (1) actual expenditures made by the principal campaign committee of the candidate; and (2) approved expenditures made on behalf of the candidate, the treasurer of the candidate's principal campaign committee shall return an amount equal to the difference to the board.*

*(c) Except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, any amount by which the aggregate contributions and approved expenditures agreed to exceed the difference must be returned to the state treasurer, deposited in the state treasury, and credited to the general fund.*

*Subd. 2. [HOW RETURN DETERMINED.]* Whether or not a candidate is required under subdivision 1 to return all or a portion of the public subsidy received from the state elections campaign fund must be determined from the report required to be filed with the board by that candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy

received by the candidate from the state elections campaign fund.

*Subd. 3. [RETURN NOT REQUIRED.] A candidate whose campaign spending is unlimited under conditions imposed by section 10A.25, subdivision 10, and who certifies that the candidate made campaign expenditures equal to the full amount of the public financing received is not required to return any portion of the money received from the state elections campaign fund under the aggregate contribution limit provisions of this section.*

**Sec. 31. [10A.325] [POLITICAL PARTY NOT HAVING CERTAIN CANDIDATES.]**

*If money has been accumulated in the state elections campaign fund for the candidates of a political party, and the party does not have a candidate in a general election for the office of state senator or state representative, the party account money allocated for the office for which there is no candidate must be returned to the general fund of the state. If that party does not have a candidate in a general election for any state constitutional office, the party account money allocated for that office must be transferred to the state general account of the state elections campaign fund for reallocation to all of the candidate offices as provided in section 10A.31, subdivision 5, and for distribution in that election year to candidates as provided in section 10A.31, subdivision 7.*

**Sec. 34. [EFFECTIVE DATE.]**

*This article is effective July 1, 1990.*

**ARTICLE 4**

**LIMITATIONS ON CONGRESSIONAL CAMPAIGN SPENDING**

**Section 1. [10A.41] [DEFINITIONS.]**

*Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 1 to 11. The definitions in section 10A.01 also apply to sections 1 to 11, except as they are superseded by the definitions in this section.*

*Subd. 2. [AUTHORIZED COMMITTEE.] "Authorized committee" means the principal campaign committee or another political committee designated and authorized by a congressional candidate under United States Code, title 2, section 432, subsection (e)(1), to receive contributions or make expenditures on behalf of that congressional candidate.*

*Subd. 3. [CAMPAIGN EXPENDITURE; EXPENDITURE.] "Campaign expenditure" or "expenditure" means "expenditure" as that term is defined*

*under United States Code, title 2, section 431, paragraph (9).*

*Subd. 4. [CONGRESSIONAL CANDIDATE.] "Congressional candidate" means an individual who seeks nomination or election to the United States senate or house of representatives from this state and who is a "candidate" as that term is defined under United States Code, title 2, section 431, paragraph (2). A congressional candidate is not a "candidate" as defined in section 10A.01, subdivision 5.*

*Subd. 5. [CONTRIBUTION.] "Contribution" means a "contribution" as that term is defined under United States Code, title 2, section 431, paragraph (8).*

*Subd. 6. [POLITICAL COMMITTEE.] "Political committee" means a "political committee" as that term is defined under United States Code, title 2, section 431, paragraph (4). "Political committee" includes a major political party, a minor political party, a principal campaign committee, and an authorized committee.*

*Subd. 7. [PRINCIPAL CAMPAIGN COMMITTEE.] "Principal campaign committee" means a political committee designated and authorized by that congressional candidate under United States Code, title 2, section 432, subsection (e)(1).*

**Sec. 2. [10A.42] [LIMITATION ON APPLICATION.]**

*The provisions of sections 10A.11 to 10A.24 relating to the organization, registration, and administration of and reporting and disclosure by political funds and political committees, including principal campaign committees, do not apply to congressional candidates and authorized committees of congressional candidates. The organization, registration, and administration of and reporting and disclosure by authorized committees of congressional candidates are governed by United States Code, title 2, chapter 14.*

**Sec. 3. [10A.43] [PUBLIC SUBSIDY AGREEMENT.]**

*Subdivision 1. [PUBLIC SUBSIDY.] (a) The state treasurer shall pay a public subsidy to each congressional candidate of a major political party whose name will appear on the ballot in a general or special election, who has signed an agreement to limit campaign spending as provided in this section, and who is abiding by the agreement. A public subsidy is not payable to a congressional candidate whose name appears only on the ballot in a primary election, but a subsidy paid to a candidate in a general or special election may be used to pay expenses or retire debt incurred in the primary campaign.*

*(b) The amount of the subsidy is up to \$1,000,000 for a congressional candidate for the office of United States senator and up to \$100,000 for a congressional candidate for the office of representative in Congress. If the amount appropriated to pay these subsidies is insufficient to provide the maximum amount to each eligible candidate, the subsidy must be prorated among the eligible candidates so that each candidate for the house of representatives will receive one-tenth the amount given to each candidate for the senate.*

*Subd. 2. [AGREEMENT.] As a condition of receiving a public subsidy, a congressional candidate shall sign and file with the board a written agreement in which the candidate agrees that the aggregate of expenditures made by the authorized committees of the congressional candidate may*

*not exceed the spending limits in section 4. The spending limits apply only to congressional candidates who have agreed to be bound by the limits as a condition of receiving a public subsidy for their campaigns.*

*Subd. 3. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The congressional candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, for a general election the congressional candidate may submit the agreement directly to the board by the following September 1. An agreement may not be rescinded after that date. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.*

*Subd. 4. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 4, remains effective for congressional candidates until the termination of the authorized committees of the congressional candidate, as provided under United States Code, title 2, section 433(d), or the day filings open for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.*

**Sec. 4. [10A.44] [CONGRESSIONAL CAMPAIGN SPENDING LIMITS.]**

*Subdivision 1. [LIMITS.] In the ten months before and two months after an election is held for an office sought by a congressional candidate, no expenditures may be made by the authorized committees of that congressional candidate that result in an aggregate amount in excess of the following:*

- (1) for United States senator, \$3,000,000; and*
- (2) for representative in Congress, \$300,000.*

*A congressional candidate whose name will appear on the ballot in more than one general or special election in a year is subject to a separate spending limit for each election.*

*Subd. 2. [ADJUSTMENT BY CONSUMER PRICE INDEX.] (a) The dollar amounts provided in subdivision 1 must be adjusted for general election years as provided in this subdivision. By June 1 of the general election year, the executive director of the board shall determine the percentage increase in the consumer price index from December of the year preceding the last general election year to December of the year preceding the year in which the determination is made. The dollar amounts used for the last general election year must be multiplied by that percentage. The product of the calculation must be added to each dollar amount to produce the dollar limitations to be in effect for the next general election and any special elections for which filings open before a new limit is set. The product must be rounded up to the next highest whole dollar. The index used must be the revised consumer price index for all urban consumers for the St. Paul-Minneapolis metropolitan area prepared by the United States Department of Labor with 1982 as a base year.*

*(b) The dollar amounts in subdivision 1 must be adjusted for the 1992 races for representative in Congress and the 1994 race for United States senate, and subsequent general elections for those offices in the manner provided in paragraph (a), except that the last general election year must be considered to be 1986 and the dollar amounts used for the last general*

*election year for the offices of United States senator and representative in Congress must be \$3,000,000 and \$300,000 respectively.*

*(c) By June 15 of each year, the board shall publish in the State Register the expenditure limit for each office for that calendar year as adjusted under this subdivision.*

*Subd. 3. [CONTESTED PRIMARY RACES.] Notwithstanding the limits imposed by subdivisions 1 and 2, the winning congressional candidate in a contested race in a primary who receives less than twice as many votes as any one of the candidate's opponents in that primary may make aggregate expenditures equal to 120 percent of the applicable amount under subdivisions 1 and 2.*

*Subd. 4. [POSTELECTION YEAR EXPENDITURES.] In any year following an election year for the office held or sought, the aggregate amount of expenditures on behalf of a congressional candidate for or holder of that office must not exceed 20 percent of the spending limit in subdivisions 1 and 2.*

*Subd. 5. [LIMITATION CONDITIONAL.] (a) The spending limits imposed by this section apply only to congressional candidates whose major political party opponents also agree to be bound by the limits.*

*(b) If a congressional candidate of a major political party agrees to be bound by the limits and has an opponent who is a congressional candidate of a major political party who is otherwise eligible to receive a subsidy, then:*

*(1) if the opponent agrees to be bound by the limits, both candidates are bound by the limits but neither may receive a public subsidy; and*

*(2) if the opponent does not agree to be bound by the limits, the congressional candidate is not bound by the limits but is still eligible to receive a public subsidy.*

#### **Sec. 5. [10A.45] [CONTRIBUTION AND LOAN LIMITS.]**

*Contributions by or to a congressional candidate and loans to a congressional candidate are governed by United States Code, title 2, chapter 14.*

#### **Sec. 6. [10A.46] [MULTICANDIDATE POLITICAL PARTY EXPENDITURES.]**

*Multicandidate political party expenditures with respect to congressional candidates are governed by United States Code, title 2, section 431, paragraph (9).*

#### **Sec. 7. [10A.47] [PENALTY FOR EXCEEDING LIMITS.]**

*Subdivision 1. [SPENDING LIMITS.] A congressional candidate subject to the spending limits in section 4 who permits the candidate's authorized committees to make aggregate expenditures on the candidate's behalf in excess of the limits imposed by section 4 is subject to a civil fine of up to four times the amount by which the expenditures exceed the limit.*

*Subd. 2. [CONTRIBUTION LIMITS.] A congressional candidate who permits the candidate's authorized committees to accept contributions in excess of the limits imposed under United States Code, title 2, chapter 14, is subject to the penalties imposed by United States Code, title 2, section 437g.*

*Subd. 3. [CONCILIATION AGREEMENTS.] If the board finds that there is reason to believe that excess expenditures have been made contrary to subdivision 1, the board shall make every effort for not less than 14 days after its finding to correct the matter by informal methods of conference and conciliation and to enter a conciliation agreement with the person involved. A conciliation agreement made under this subdivision is a matter of public record. Unless violated, a conciliation agreement bars any civil proceeding under subdivision 4.*

*Subd. 4. [CIVIL ACTION.] If the board is unable after a reasonable time to correct by informal methods any matter that constitutes probable cause to believe that excess expenditures have been made contrary to subdivision 1, the board shall make a public finding of probable cause in the matter. After making a public finding, the board shall bring an action or transmit the finding to a county attorney who shall bring an action to impose a civil fine as prescribed by the board under subdivision 1. An action filed against a congressional candidate for United States senator must be brought in the district court of Ramsey county. An action filed against a congressional candidate for representative in Congress may be brought in the district court of a county within the congressional candidate's congressional district or in the district court in Ramsey county. All money recovered under this section must be deposited in the state treasury and credited to the general fund.*

**Sec. 8. [10A.48] [MATCHING REQUIREMENTS.]**

*In order to be eligible to receive a public subsidy, a congressional candidate must provide evidence to the board of nonpublic contributions equal to the public subsidy. When a candidate submits an affidavit to the board showing nonpublic contributions equal to one-quarter of the public subsidy, that amount will be paid to the candidate. A candidate may receive the subsidy at any time during the calendar year in which the election is held, and may receive the subsidy in quarters, or in larger portions if the candidate submits an affidavit showing that a larger amount of nonpublic contributions has been made.*

**Sec. 9. [10A.49] [CERTIFICATION AND DISTRIBUTION.]**

*Subdivision 1. [CERTIFICATION OF ELIGIBLE CANDIDATES.] Within one week after certification by the state canvassing board of the results of the primary, the ethical practices board shall certify to the state treasurer the name of each congressional candidate who is eligible to receive a public subsidy.*

*Subd. 2. [DISTRIBUTION OF MONEY AFTER PRIMARY.] Within two weeks after certification by the state canvassing board of the results of the primary, the state treasurer shall pay a public subsidy to each congressional candidate who has signed an agreement as required under section 4 and is eligible to receive a public subsidy.*

**Sec. 10. [10A.50] [RETURN OF PUBLIC SUBSIDY.]**

*Subdivision 1. [WHEN REQUIRED.] A congressional candidate shall return all or a portion of the public subsidy received under the circumstances in this subdivision. To the extent that the public subsidy received exceeds the aggregate of actual expenditures made by the authorized committees of the congressional candidate, the treasurer of the congressional candidate's principal campaign committee shall return an amount equal to the difference to the board.*

*Subd. 2. [HOW RETURN DETERMINED.] Whether or not a congressional candidate is required under subdivision 1 to return all or a portion of the public subsidy received must be determined from the report required to be filed with the board by that congressional candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the congressional candidate.*

Sec. 11. [10A.51] [CAMPAIGN REPORTS.]

*A congressional candidate who agrees to be bound by the spending limits in section 4, as a condition of receiving a public subsidy for the candidate's campaign, shall file with the board copies of all reports that the candidate or the candidate's principal campaign committee treasurer acting for the candidate is required to file under United States Code, title 2, chapter 14. The reports must be filed with the board at the times required under United States Code, title 2, section 434.*

Sec. 12. [NO MORE THAN 40 PERCENT FROM PACS.]

*A congressional candidate may receive no more than 40 percent of campaign contributions in any calendar year from political committees as defined in United States Code, title 2, section 431, paragraph (4)(A) or (B).*

Sec. 13. [APPROPRIATION.]

*\$1,500,000 is appropriated from the general fund to the state treasurer to pay the public subsidies for congressional campaigns provided for by this act. This appropriation does not cancel and is available until expended.*

Sec. 14. [EFFECTIVE DATE.]

*This article is effective July 1, 1990.*

Page 26, after line 11, insert:

"Section 1. [10A.40] [LEGISLATIVE FINDINGS OF FACT; LEGISLATIVE INTENT.]

*Subdivision 1. [CAMPAIGN FINANCING; FINDINGS OF FACT.] The*

legislature finds that:

(1) the spending on campaigns for congressional offices has increased dramatically and continues to rise;

(2) candidates have increasingly turned to special interest groups for sources of funding in order to finance their costly campaigns;

(3) the need to raise funds requires time and energy during a campaign that would be better spent publicly debating the pressing issues of the day;

(4) the influence of special interest groups on elected officials has undermined representation of the public at large; and

(5) as a consequence, the quality of campaigns and representation by elected officials is jeopardized and the public's confidence in elected representatives is weakened.

*Subd. 2. [PURPOSE.] (a) The legislature finds that in order to redress the problems described in subdivision 1, it is necessary to provide an alternate means of financing campaigns for United States Congress and to encourage candidates to voluntarily limit the amount of money they spend in campaigns. The legislature further finds that the United States Congress has debated necessary reforms for years but has failed to act, and that the Federal Elections Campaign Act does not provide an alternate means of financing for congressional campaigns and presents no means to encourage congressional candidates to voluntarily limit the amount of money they spend in campaigns.*

*(b) This article is intended to address the problems described in subdivision 1 as follows:*

*(1) by establishing voluntary limitations on campaign spending, the increase in campaign spending will be curtailed;*

*(2) by providing an alternate source of financing, candidates will be less dependent on special interests;*

*(3) by providing for an agreement to limit spending, candidates are left to decide whether they choose to enter into an agreement or continue to operate under the current system of financing campaigns;*

*(4) by allowing candidates to focus on the issues in the campaign, the public will be better served in its efforts to select the better candidate; and*

*(5) by reducing the influence of special interest groups, the confidence of the public in their public servants will be enhanced."*

*Subd. 3. [LEGISLATIVE INTENT.] In enacting this article, the legislature intends to provide a system to encourage voluntary campaign spending limits that, in concert with the existing federal law and rules, will provide a comprehensive system of campaign and election regulation. The legislature does not intend to enact legislation that is in conflict with existing federal law, and does not intend to regulate where specific federal laws have already been enacted."*

*(5) as a consequence, the quality of campaigns and representation by elected officials is jeopardized and the public's confidence in elected representatives is weakened.*

*Subd. 2. [PURPOSE.] (a) The legislature finds that in order to redress the problems described in subdivision 1, it is necessary to provide an alternate means of financing campaigns for United States Congress and to encourage candidates to voluntarily limit the amount of money they spend in campaigns. The legislature further finds that the United States Congress has debated necessary reforms for years but has failed to act, and that the Federal Elections Campaign Act does not provide an alternate means of financing for congressional campaigns and presents no means to encourage congressional candidates to voluntarily limit the amount of money they spend in campaigns.*

*(b) This article is intended to address the problems described in subdivision 1 as follows:*

*(1) by establishing voluntary limitations on campaign spending, the increase in campaign spending will be curtailed;*

*(2) by providing an alternate source of financing, candidates will be less dependent on special interests;*

*(3) by providing for an agreement to limit spending, candidates are left to decide whether they choose to enter into an agreement or continue to operate under the current system of financing campaigns;*

*(4) by allowing candidates to focus on the issues in the campaign, the public will be better served in its efforts to select the better candidate; and*

*(5) by reducing the influence of special interest groups, the confidence of the public in their public servants will be enhanced.”*

Second portion:

“*Subd. 3. [LEGISLATIVE INTENT.] In enacting this article, the legislature intends to provide a system to encourage voluntary campaign spending limits that, in concert with the existing federal law and rules, will provide a comprehensive system of campaign and election regulation. The legislature does not intend to enact legislation that is in conflict with existing federal law, and does not intend to regulate where specific federal laws have already been enacted.*”

The chair may but does not have to be an attorney. The governor may appoint attorneys to fill no more than two of the remaining six-member positions.*

*(b) A majority of the justices of the supreme court shall appoint two at-large members to the commission to serve four-year terms, ending on the same day the governor's term of office ends. *Subd. 3. [PARTICIPATION IN MEETINGS.] Individuals appointed as district members under subdivision 2, paragraphs (c) and (d), may participate in commission meetings and deliberations only when the commission is considering applicants to fill a vacancy on the district court in the judicial district from which those individuals were appointed.*

*Subd. 4. [VACANCIES.] If a vacancy occurs on the commission by reason of the death or resignation of a member or by the removal of a member appointed under subdivision 2, the appointing or electing authority shall appoint or elect an individual to fill the vacancy for the unexpired term.*

*Subd. 5. [QUORUM.] A quorum of the commission is nine members when considering district court vacancies and seven members when considering court of appeals vacancies.*

*Subd. 7. [RECRUITMENT PROCESS.] No later than 60 days after the appointment of all of the at-large and district commission members, the commission shall prepare and make available to the public and file with the clerk of the court of appeals and the secretary of state an outline of the process the commission will follow in recruiting and evaluating candidates to fill judicial vacancies. The commission shall actively seek out and encourage qualified individuals, including women and minorities, to apply for judicial offices.*

*Subd. 8. [CANDIDATE EVALUATION.] The commission shall evaluate the extent to which candidates have the following qualifications for judicial office: integrity, maturity, health, judicial temperament, diligence, legal knowledge, ability and experience, and community service. The chair shall notify the appropriate at-large and district members of the commission that a vacancy has occurred or will occur and shall call a meeting of the commission to consider the candidates for the vacancy. The meeting must be held not less than 30 days nor more than 42 days after the governor provides notification of the vacancy.*

The names of the nominees must be made public. The governor may fill the vacancy from the nominees recommended by the commission.*

*If the governor declines to select a nominee to fill the vacancy from the first list of nominees, the governor shall request a second list of nominees from the commission. If the governor declines to select a nominee to fill the vacancy from the second list, the governor may select a person to fill the vacancy without regard to the commission's recommendation.*

*Subd. 12. [COMMISSION MEETINGS AND DATA.] Meetings of the commission may be closed to discuss the candidates. The commission shall file an annual tabulation with the governor of the number of applicants for judicial office and the age, sex, and race of applicants.*

*Subd. 6. [EMPLOYING UNIT PAYMENT.] The employing unit of the participating elected local government official shall pay a portion of the purchase amount under this section, but that portion may not exceed the amount of the employer contributions that could have been payable under section 353.27, subdivisions 3 and 3a, based on the actual salary or compensation of the elected local government official from public sources during the prior service, plus interest at an annual compound rate of six percent and, combined with any employee purchase amount and any contributions under section 353D.03, paragraph (a), must in any year comply with the limitation set forth in subdivision 2, paragraph (a).*

#### **Sec. 14. [PURCHASE OF PRIOR SERVICE CREDIT.]**

*Subdivision 1. [ENTITLEMENT.] An elected public officer who participates in the public employees retirement association defined benefit plan*

*under Minnesota Statutes, chapter 353, may purchase service credit from the association for all or any portion of prior uncredited service as an elected public officer when the officer could have been, but was not, a member of the association on account of failure to exercise the membership option under Minnesota Statutes, section 353.01, subdivision 7.*

*Subd. 2. [PURCHASE PAYMENT AMOUNT.] To purchase credit for prior service under subdivision 1, there must be paid to the public employee retirement association an amount equal to the present value, on the date of payment, of the amount of the additional retirement annuity obtained by the purchase of the additional service credit. Calculation of this amount must be made using the applicable preretirement interest rate for the association specified in Minnesota Statutes, section 356.215, subdivision 4d, and the mortality table adopted for the association. The calculation must assume continuous future service in the association until, and retirement at, the age at which the minimum requirements of the association for normal retirement or retirement with an annuity unreduced for retirement at an early age, including Minnesota Statutes, section 356.30, are met with the additional service credit purchased. The calculation must also assume a future salary history that includes annual salary increases at the applicable salary increase rate for the association specified in section 356.215, subdivision 4d. The member must establish in the records of the association proof of the service for which the purchase of prior service is requested. The manner of the proof of service must be in accordance with procedures prescribed by the executive director of the association.*

*Subd. 3. [PAYMENT; CREDITING SERVICE.] Payment may be made in one lump sum, or in annual increments over a period not to exceed five years from the effective date of this section. If payments are made in increments, the period of allowable service purchased by each payment is credited to the account of the member upon receipt of each payment by the executive director. If payments are made in increments, the executive director must calculate the present value of the amount of the additional retirement annuity obtained by each incremental payment.*

*Subd. 4. [OPTIONAL EMPLOYER PARTIAL PAYMENT.] Payment of the amount calculated under subdivision 2 must be made by the member. However, the current or former governmental subdivision employer of the member may, at its discretion, pay all or any portion of the payment amount that exceeds an amount equal to the employee contribution rates in effect during the period or periods of prior service applied to the actual salary rates in effect during the period or periods of prior service, plus interest at the rate of six percent a year compounded annually from the date on which the contributions would otherwise have been made to the date on which the payment is made.*

fund as permitted by any law then in effect.

(b) "Allowable service" also means a period of authorized leave of absence with pay from which deductions for employee contributions are made, deposited, and credited to the fund.

The amount of these contributions must be in accord with the contribution rates and salary limitations, if any, in effect during the leave, plus interest at six percent a year compounded annually from the date of return to public service to the date payment is made. In such cases the matching employer contribution and additional employer contribution provided in section 353.27, subdivisions 3 and 3a, must be paid by the department employing the member upon return to public service, and the governmental subdivision involved may appropriate money for those payments. A member may not receive credit for a voluntary extension of military service at the instance of the member beyond the initial period of enlistment, induction, or call to active duty.

Subd. 1a. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a person who *has become at least 55 years old and first became a covered employee after June 30, 1989*, and to any other covered employee who *has become at least 55 years old and whose annuity is higher when calculated under section 352.115, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 352.115, subdivision 3, paragraph (a), in conjunction with subdivision 1.* ~~Ann~~ A covered employee who retires before the normal retirement age shall be paid the normal retirement annuity provided in section 352.115, subdivisions 2 and 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 6. Minnesota Statutes 1989 Supplement, section 352.116, is amended by adding a subdivision to read:

Subd. 3c. [EFFECTIVE DATE OF BOUNCE-BACK ANNUITY.] *In the event of the death of the designated optional annuity beneficiary before the retired employee or disabliant, the restoration of the normal single life annuity under subdivision 3a or 3b will take effect as of the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the death certificate of the designated optional annuity beneficiary is received in the office of the Minnesota state retirement system, whichever date is later.*

Sec. 7. Minnesota Statutes 1988, section 352.73, is amended by adding a subdivision to read:

Sec. 9. Minnesota Statutes 1989 Supplement, section 352.93, subdivision 3, is amended to read:

Subd. 3. [PAYMENTS; DURATION AND AMOUNT.] The annuity under this section shall begin to accrue as provided in section 352.115, subdivision 8, and must be paid for an additional 84 full calendar months or to the first of the month following the month in which the employee attains normal retirement age, whichever occurs first, except that payment must not cease before the first of the month following the month in which the employee becomes 62. It must then be reduced to the amount as calculated at *normal retirement age* under section 352.115, except that if this amount, when added to *that portion of* the social security benefit based on state service the employee ~~is~~ *would be* eligible to receive at the time, is less than the benefit payable under subdivision 2, the retired employee shall receive an amount that when added to the social security benefit will equal the amount payable under subdivision 2. *If the employee retired prior to age 55, the reduced benefit as calculated under section 352.115 must be actuarially reduced as provided in subdivision 2a.*

The board shall also establish an additional optional annuity with an actuarial equivalent value of the single life annuity in the form of a joint and survivor annuity which provides that the elected annuity be reinstated to the single life annuity provided in subdivision 2, if after commencing the elected joint and survivor annuity, the designated beneficiary dies before the member, which reinstatement is not retroactive but takes effect for the first full month occurring after the death of the designated beneficiary. The board may also establish other actuarial equivalent value optional annuity forms. In establishing actuarial equivalent value optional annuity forms, each optional annuity form shall have the same present value as a regular single life annuity using the mortality table adopted by the board and the interest assumption specified in section 356.215, subdivision 4d, and the board shall obtain the written recommendation of the commission-retained actuary. If the child does not continuously attend school but separates from full-time attendance during any part of a school year, the annuity shall cease at the end of the month of separation. In addition, a payment of \$20 per month shall be prorated equally to surviving dependent children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child must be made to the surviving spouse, or if there is none, to the legal guardian of the child. The maximum monthly benefit *for any one family* must not be less than 50 nor exceed 70 percent of the average monthly salary for any number of children.

(f) If the member dies under circumstances that entitle the surviving spouse and dependent children to receive benefits under the workers' compensation law, the workers' compensation benefits received by them must not be deducted from the benefits payable under this section.

(g) The surviving spouse of a deceased former member who had credit for three or more years of allowable service, but not the spouse of a former member receiving a disability benefit under section 352B.10, subdivision 2, is entitled to receive the 100 percent joint and survivor annuity at the time the deceased member would have ~~reached the age of~~ *become* 55 years *old*, if the surviving spouse has not remarried before that date. Repayment may be made in installments or in a lump sum.

Sec. 14. Minnesota Statutes 1988, section 352C.09, subdivision 2, is amended to read:

(2) The refund of contributions as provided in clause (1) above terminates all rights of a former constitutional officer or commissioner or survivors thereof under the provisions of this chapter. Should the former constitutional officer or commissioner again hold such office after having taken a refund as provided above, the former officer or commissioner shall be considered a new member and may reinstate the rights and credit for service forfeited provided all refunds previously taken are repaid with interest at six percent per annum compounded annually.

(b) This paragraph applies to a member who *has become at least 55 years old and* first became a public employee after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with section 353.30, subdivision 5, is higher than it is when calculated under paragraph (a), in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c. The average salary, as defined in subdivision 2, multiplied by 2.5 percent for each year of allowable service and completed months less than a full year for a basic member and 1.5 percent per year of allowable service and completed months less than a full year for a coordinated member, shall determine the amount of the normal retirement annuity.

Sec. 17. Minnesota Statutes 1989 Supplement, section 353.30, is amended to read:

Subdivision 1. Upon separation from public service, any person who first became a public employee before July 1, 1989, and who has ~~attained~~

Subd. 1a. Any person who first became a public employee before July 1, 1989, and whose attained age plus credited allowable service totals 90 years is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), without any reduction in annuity by reason of such early retirement.

Subd. 1b. Any person who first became a public employee before July 1, 1989, with 30 years or more of allowable service credit, who elects early retirement under subdivision 1, shall receive an annuity in an amount equal to the normal annuity provided under section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under age 62 at the time of retirement.

Subd. 1c. Any person who first became a public employee before July 1, 1989, and who has received credit for at least 30 years of allowable service or who has ~~attained the age of become~~ at least 55 years *old* but not normal retirement age, and has received credit for at least three years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement, except that for any member who has 30 or more years of allowable service the reduction shall be applied only for each month that the member is under age 62 at the time of retirement.

Subd. 3. [OPTIONAL RETIREMENT ANNUITY FORMS.] The board of trustees shall establish optional annuities which shall take the form of a joint and survivor annuity. Except as provided in subdivision 3a, the optional annuity forms shall be actuarially equivalent to the forms provided in section 353.29 and subdivisions 1, 1a, 1b, 1c, and 5. In establishing those optional forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of *the* board. A member or former member may select an optional form of annuity in lieu of accepting any other form of annuity which might otherwise be available.

Subd. 3a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 3, the former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction

of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary *dies first but has not* died before July 1, 1989, shall have their annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 3b. [BOUNCE-BACK ANNUITY.] (a) The board of trustees must provide a joint and survivor annuity option to members of the police and fire fund. Under this option, a former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant of the police and fire fund who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary *dies first but has not* died before July 1, 1989, shall have their annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 3c. [EFFECTIVE DATE OF BOUNCE-BACK ANNUITY.] *In the event of the death of the designated optional annuity beneficiary before the retired employee or disabilitant, the restoration of the normal single life annuity under subdivision 3a or 3b will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on*

*which a certified copy of the death certificate is received in the office of the public employees retirement association, whichever date is later.*

Subd. 4. ~~Any~~ Monthly payments to which any person may be entitled under this chapter may be reduced ~~in amount~~ upon application of ~~the person entitled thereto~~ to the association, provided that the person shall first relinquish in writing all claim to that part of the full monthly payment which is the difference between the monthly payment which that person would be otherwise entitled to receive and the monthly payment which that person will receive. The reduced monthly payment shall be payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced monthly payment releases the retirement association from all obligation to pay to the person the difference between the amount of the reduced monthly payment and the full amount of the monthly payment which the person would otherwise have received. Upon application of the person who is entitled to such monthly payment, it may be increased prospectively to not more than the amount to which the person would have been entitled had no portion thereof been waived.

Subd. 5. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a member who *has become at least 55 years old and first became a public employee after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity is higher when calculated under section 353.29, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 353.29, subdivision 3, paragraph (a), in conjunction with subdivision 1, 1a, 1b, or 1c.* An employee who retires before normal retirement age shall be paid the retirement annuity provided in section 353.29, subdivision 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 18. Minnesota Statutes 1989 Supplement, section 353.651, subdivision 4, is amended to read:

Subd. 4. [EARLY RETIREMENT.] Any police officer or firefighter member who has ~~attained the age of~~ *become at least 50 years old* and who has at least ~~five~~ *three* years of allowable service is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the member if the member deferred receipt of the annuity from the day the annuity begins to accrue until the member attains age 55.

Sec. 19. Minnesota Statutes 1988, section 354.07, subdivision 4, is amended to read:

All interest from these investments shall be credited to the appropriate funds and used for current purposes or investments, except as hereinafter provided. The state board of investment shall have authority to sell, convey, and exchange such securities and invest and reinvest the funds when it deems it desirable to do so, and shall sell securities upon request of the officers of the association when such officers determine funds are needed for its purposes. All of the provisions regarding accounting procedures and restrictions and conditions for the purchase and sale of securities for the state employees retirement fund shall apply to the accounting, purchase and sale of securities for the teachers' retirement fund.

Sec. 20. Minnesota Statutes 1989 Supplement, section 354.071, subdivision 2, is amended to read:

Subd. 2. [NOTICE OF TERMINATION OR DENIAL.] If the executive director terminates a benefit or denies an application or a written request of any person claiming a right under this chapter or the applicable sections of chapters 136, 355, and 356, the executive director must serve upon that person a written notice. The notice must contain:

(1) the reasons for the termination or denial;

(2) notice that the person may petition the board for a review of the termination or denial and that the petition for review must be filed within 60 days of the receipt of the written notice;

(3) *a statement that relevant documentation submitted by the petitioner to the executive director must be received in the office of the teachers retirement association at least 30 days before the meeting prescribed in subdivision 4;*

(4) a statement that failure to petition the board within 60 days will preclude the person from contesting in any other court procedure or administrative hearing, the issues determined by the executive director; and

~~(4)~~ (5) a copy of this section.

Sec. 21. Minnesota Statutes 1989 Supplement, section 354.071, subdivision 3, is amended to read:

Subd. 3. [PETITION FOR REVIEW.] A person who claims a right under subdivision 2 and whose benefit has been terminated or whose application or written request has been denied may petition for a review of that decision by the board. A petition under this section must be served upon the executive director personally, or by mail postmarked no later than 60 days after the petitioner received the notice required by subdivision 2. The petition must include the sworn, notarized statement of the reasons the petitioner believes the decision of the executive director should be reversed or modified and may include relevant documentation. *Relevant documentation submitted by the petitioner to the executive director must be received in the office of the teachers retirement association at least 30 days before the meeting prescribed in subdivision 4.*

Sec. 22. Minnesota Statutes 1988, section 354.146, subdivision 1, is amended to read:

Subdivision 1. Every member who has rendered teaching service or was on an authorized leave of absence after June 30, 1972 is covered by the full formula program ~~except that those members who have contributed to the variable annuity fund are covered by the combined formula and variable annuity program.~~ The benefit of a former member who does not return to teaching service ~~prior to~~ before retirement shall be determined under the program in effect at the time of termination.

Sec. 23. Minnesota Statutes 1988, section 354.42, subdivision 2, is amended to read:

Subd. 2. The employee contribution to the fund shall be an amount equal to 4-1/2 percent of the salary of every coordinated member and 8-1/2 percent of the salary of every basic member. This contribution shall be made by deduction from salary. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the entire salary received. ~~For purposes of financing the various options related to the variable annuity division, employee variable annuity contributions will be credited in accordance with section 354.62, subdivision 2.~~

Sec. 24. Minnesota Statutes 1988, section 354.42, subdivision 3, is amended to read:

Subd. 3. The employer contribution to the fund shall be an amount equal to 4-1/2 percent of the salary of each coordinated member and 8-1/2 percent of the salary of each basic member. This contribution shall be made in the manner provided in section 354.43. ~~For purposes of financing the various options related to the variable annuity division, employer contributions equal to the employee variable annuity contributions prescribed in section 354.62, subdivision 2, shall be allocated at the same time to the employer variable annuity contribution account in section 354.62, subdivision 3.~~

Sec. 25. Minnesota Statutes 1989 Supplement, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formulas stated in clause (2) or (4) on the basis of each member's average salary for the period of the member's formula service credit. ~~For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.~~

For all years of formula service credit, "average salary," for the purpose of determining the member's retirement annuity, means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, section 354.511 for the highest five successive years of formula service credit provided, however, that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of formula service credit if this service credit is less than five years.

(2) This clause, in conjunction with clause (3), applies to a person who first became a member of the fund before July 1, 1989, unless clause (4), in conjunction with clause (5), produces a higher annuity amount, in which

case clause (4) applies. The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3)(i) This clause applies only to a person who first became a member of the fund before July 1, 1989, and whose annuity is higher when calculated under clause (2), in conjunction with this clause than when calculated under clause (4), in conjunction with clause (5).

(ii) Where any member retires prior to normal retirement age under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in clause (2) ~~and subdivision 7, paragraph (a)~~, reduced by one-quarter of one percent for each month that the member is under normal retirement age at the time of retirement except that for any member who has 30 or more years of allowable service credit, the reduction shall be applied only for each month that the member is under age 62.

(iii) Any member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in clause (2), without any reduction by reason of early retirement.

(4) This clause applies to a member who *has become at least 55 years old and* first became a member of the fund after June 30, 1989, and to any other member *who has become at least 55 years old and* whose annuity amount when calculated under this clause and in conjunction with clause (5), is higher than it is when calculated under clause (2), in conjunction with clause (3). The average salary, as defined in clause (1) multiplied by 2.5 percent for each year of service for a basic member and by 1.5 percent for each year of service for a coordinated member shall determine the amount of the retirement annuity to which the member is entitled.

(5) This clause applies to a person who *has become at least 55 years old and* first becomes a member of the fund after June 30, 1989, and to any other member *who has become at least 55 years old and* whose annuity is higher when calculated under clause (4) in conjunction with this clause than when calculated under clause (2), in conjunction with clause (3). An employee who retires under the formula annuity before the normal retirement age shall be paid the normal annuity provided in clause (4) ~~and subdivision 7, paragraph (b)~~, reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 26. Minnesota Statutes 1989 Supplement, section 354.45, subdivision 1a, is amended to read:

Subd. 1a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 1, the former member or disabilitant must receive a normal single life

annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) *The restoration of the normal single life annuity under this subdivision will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the death certificate of the designated optional annuity beneficiary is received in the office of the teachers retirement association, whichever date is later.*

Sec. 27. Minnesota Statutes 1988, section 354.46, subdivision 1, is amended to read:

Subdivision 1. [BASIC PROGRAM; BENEFITS FOR SPOUSE AND CHILDREN OF TEACHER.] If a basic member who has at least 18 months of allowable service credit and who has an average salary as defined in section 354.44, subdivision 6 equal to or greater than \$75 dies prior to retirement or if a former basic member who, at the time of death, was totally and permanently disabled and receiving disability benefits pursuant to section 354.48 dies prior to attaining the age of 65 years, the surviving dependent spouse and dependent children of the basic member or former basic member shall be entitled to receive a monthly benefit as follows:

- (a) Surviving dependent spouse . . . . . 50 percent of the basic member's monthly average salary paid in the last full fiscal year preceding death
- (b) Each dependent child . . . . . ten percent of the basic member's monthly average salary paid in the last full fiscal year preceding death

Payments for the benefit of any dependent child under the age of 22 years shall be made to the surviving parent, or if there be none, to the legal guardian of the child. The maximum monthly benefit shall not exceed \$1,000 for any one family, and the minimum benefit per family shall not be less than 50 percent of the basic member's average salary, subject to the foregoing maximum. The surviving dependent spouse benefit shall terminate upon remarriage, and the surviving dependent children's benefit shall be reduced pro tanto when any surviving child is no longer dependent.

If the basic member and the surviving dependent spouse are killed in a common disaster and if the total of all survivors benefits payable pursuant to this subdivision is less than the accumulated deductions plus interest payable, the surviving dependent children shall receive the difference in a lump sum payment.

If the survivor benefits provided in this subdivision exceed in total the monthly average salary of the deceased basic member, these benefits shall be reduced to an amount equal to the deceased basic member's monthly average salary.

Prior to payment of any survivor benefit pursuant to this subdivision, in lieu of that benefit, the surviving dependent spouse may elect to receive the joint and survivor annuity provided pursuant to subdivision 2, or may elect to receive a refund of accumulated deductions with interest in a lump sum as provided pursuant to ~~sections~~ section 354.47, subdivision 1 ~~or 354.62, subdivision 5, clause (3)~~. If there are any surviving dependent children, the surviving dependent spouse may elect to receive the refund of accumulated deductions only with the consent of the district court of the district in which the surviving dependent child or children reside.

Sec. 28. Minnesota Statutes 1989 Supplement, section 354.46, subdivision 2, is amended to read:

Subd. 2. [DEATH WHILE ELIGIBLE DESIGNATED BENEFICIARY BENEFIT.] The surviving spouse of any member or former member who has attained the age of at least 50 years and has credit for at least three years of allowable service or who has credit for at least 30 years of allowable service irrespective of age shall be entitled to joint and survivor annuity coverage in the event of death of the member prior to retirement. If the surviving spouse does not elect to receive a surviving spouse benefit provided pursuant to subdivision 1, if applicable, or does not elect to receive a refund of accumulated member contributions provided pursuant to section 354.47, subdivision 1, ~~or 354.62, subdivision 5, clause (3), whichever is applicable~~, the surviving spouse shall be entitled to receive, upon written application on a form prescribed by the executive director, a benefit equal to the second portion of a 100 percent joint and survivor annuity as provided pursuant to section 354.45 and computed pursuant to section 354.44, subdivision 2, 6, or 7, whichever is applicable. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. Sections 354.44, subdivisions 6 and 7, and 354.60 apply to a deferred annuity payable under this section. ~~If the member was a participant in the variable annuity division, the applicable portion of the benefit shall be computed pursuant to section 354.62, subdivision 5, clause (1).~~ The benefit shall be payable for life.

Sec. 29. Minnesota Statutes 1989 Supplement, section 354.47, subdivision 1, is amended to read:

Subdivision 1. [DEATH BEFORE RETIREMENT.] (1) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, subdivision 2, and neither an optional annuity, nor a reversionary annuity, nor a benefit pursuant to section 354.46, subdivision 1, is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions with interest credited to the account of the member to the date of death.

(2) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, ~~subdivisions~~ subdivision 6 and 7, and neither an optional annuity, nor reversionary annuity, nor the benefit described in section 354.46, subdivision 1, is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse,

the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions credited to the account of the member as of June 30, 1957, and from July 1, 1957, to the date of death the member's accumulated deductions plus interest at the rate of six percent per annum compounded annually.

~~(3) The amounts payable in clause (1) or (2) are in addition to the amount payable in section 354.62, subdivision 5, for the member's variable annuity account.~~

Sec. 30. Minnesota Statutes 1989 Supplement, section 354.48, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF BENEFITS.] (1) The amount of the disability benefit granted to members covered under section 354.44, subdivision 2, clauses (1) and (2), is an amount equal to double the annuity which could be purchased by the member's accumulated deductions plus interest on the amount computed as though the teacher were at normal retirement age at the time the benefit begins to accrue and in accordance with the law in effect when the disability application is received. Any member who applies for a disability benefit after June 30, 1974, and who failed to make an election pursuant to Minnesota Statutes 1971, section 354.145, shall have the disability benefit computed under this clause or clause (2), whichever is larger.

The benefit granted shall be determined by the following:

(a) the amount of the accumulated deductions;

(b) interest actually earned on these accumulated deductions to the date the benefit begins to accrue;

(c) interest for the years from the date the benefit begins to accrue to the date the member attains normal retirement age at the rate of three percent;

(d) annuity purchase rates based on an appropriate annuity table of mortality established by the board as provided in section 354.07, subdivision 1, and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 4d.

In addition, a supplementary monthly benefit shall be paid to basic members only in accordance with the following table:

Age When Benefit Begins to Accrue	Supplementary Benefit
Under Age 56	\$50
56	45
57	40
58	35
59	30
60	25
61	20
62	15
63	10
64	5

(2) The disability benefit granted to members covered under section 354.44, subdivision 6 or 7, shall be computed in the same manner as the

annuity provided in section 354.44, subdivision 6 or 7, ~~whichever is applicable~~. The disability benefit shall be the formula annuity without the reduction for each month the member is under normal retirement age when the benefit begins to accrue.

(3) For the purposes of computing a retirement annuity when the member becomes eligible, the amounts paid for disability benefits shall not be deducted from the individual member's accumulated deductions. If the disability benefits provided in this subdivision exceed the monthly average salary of the disabled member, the disability benefits shall be reduced to an amount equal to the disabled member's average salary.

Sec. 31. Minnesota Statutes 1989 Supplement, section 354.49, subdivision 2, is amended to read:

Subd. 2. Except as provided in section 354.44, subdivision 1, any person who ceases to be a member by reason of termination of teaching service, shall receive a refund in an amount equal to the accumulated deductions credited to the account as of June 30, 1957, and after July 1, 1957, the accumulated deductions with interest at the rate of six percent per annum compounded annually ~~plus any variable annuity account accumulations payable pursuant to section 354.62, subdivision 5, clause (4)~~. For the purpose of this subdivision, interest shall be computed on fiscal year end balances to the first day of the month in which the refund is issued.

Sec. 32. Minnesota Statutes 1989 Supplement, section 354.49, subdivision 3, is amended to read:

Subd. 3. Any person who has attained normal retirement age with less than three years of credited allowable service shall be entitled to receive a refund in an amount equal to the person's accumulated deductions plus interest in lieu of a proportionate annuity pursuant to section 356.32 except those covered under the provisions of section 354.44, subdivision 6 or 7, in which case the refund shall be an amount equal to the accumulated deductions credited to the person's account as of June 30, 1957, and after July 1, 1957, the accumulated deductions plus interest at the rate of six percent compounded annually.

Sec. 33. Minnesota Statutes 1989 Supplement, section 354.50, subdivision 5, is amended to read:

Subd. 5. ~~Notwithstanding section 354.62, subdivision 5, clause (4)~~. A member who received a refund of variable account accumulations may repay this refund to the member's formula account under this section.

Sec. 34. Minnesota Statutes 1988, section 354.52, subdivision 2, is amended to read:

Subd. 2. Each school board or managing body shall, on or before August 1, each year, report to the teachers retirement board giving an itemized summary of the total amount withheld from the salaries of teachers for ~~regular teacher's teachers retirement deductions and for variable annuity deductions~~, and such other information as the executive director may require. If the itemized summary is received after August 1 in any year, there shall be a penalty not to exceed \$25 for each month or portion thereof which the summary is delinquent, as determined by the board of trustees. The penalty shall be paid by the school board or the managing body.

Sec. 35. Minnesota Statutes 1989 Supplement, section 354.55, subdivision 11, is amended to read:

Subd. 11. [DEFERRED ANNUITY; AUGMENTATION.] Any person covered under section 354.44, ~~subdivisions subdivision 6 and 7~~, who ceases to render teaching service, may leave the person's accumulated deductions in the fund for the purpose of receiving a deferred annuity at retirement. Eligibility for an annuity under this subdivision shall be governed pursuant to section 354.44, subdivision 1, or 354.60.

The amount of the deferred retirement annuity shall be determined by section 354.44, ~~subdivisions subdivision 6 and 7~~, and augmented as provided in this subdivision. The required reserves related to that portion of the annuity which had accrued when the member ceased to render teaching service shall be augmented by interest compounded annually from the first day of the month following the month during which the member ceased to render teaching service to the effective date of retirement. There shall be no augmentation if this period is less than three months or if this period commences prior to July 1, 1971. The rates of interest used for this purpose shall be five percent compounded annually commencing July 1, 1971, until January 1, 1981, and three percent compounded annually thereafter until January 1 of the year following the year in which the former member attains age 55. From that date to the effective date of retirement, the rate is five percent compounded annually. If a person has more than one period of uninterrupted service, a separate average salary determined under section 354.44, subdivision 6, must be used for each period and the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the basis for purchasing the deferred annuity. If a person repays a refund, the service restored by the repayment must be considered as continuous with the next period of service for which the person has credit with this fund. If a person does not render teaching service in any one fiscal year or more consecutive fiscal years and then resumes teaching service, the formula percentages used from the date of the resumption of teaching service shall be those applicable to new members. The mortality table and interest assumption used to compute the annuity shall be the applicable mortality table established by the board under section 354.07, subdivision 1, and the interest rate assumption under section 356.215 in effect when the member retires. A period of uninterrupted service for the purposes of this subdivision means a period of covered teaching service during which the member has not been separated from active service for more than one fiscal year.

~~The provisions of this subdivision shall not apply to variable account accumulations as defined in section 354.05, subdivision 23.~~

In no case shall the annuity payable under this subdivision be less than the amount of annuity payable pursuant to section 354.44, ~~subdivisions subdivision 6 and 7~~.

The requirements and provisions for retirement before normal retirement age contained in section 354.44, subdivision 6, clause (3) or (5), shall also apply to an employee fulfilling the requirements with a combination of service as provided in section 354.60.

The augmentation provided by this subdivision applies to the benefit provided in section 354.46, subdivision 2.

The augmentation provided by this subdivision shall not apply to any period in which a person is on an approved leave of absence from an employer unit covered by the provisions of this chapter.

Sec. 36. Minnesota Statutes 1988, section 354.55, subdivision 19, is amended to read:

Subd. 19. Any member or retired former member who is covered by the formula ~~or formula and variable programs~~ in effect after June 30, 1973 and who made payments to the fund pursuant to Minnesota Statutes 1965, section 354.511 shall upon request receive a refund of such payments.

Sec. 37. Minnesota Statutes 1989 Supplement, section 354.65, is amended to read:

354.65 [ADMINISTRATIVE EXPENSES.]

Necessary and reasonable administrative expenses incurred by the teachers retirement association must be prorated and allocated to the teachers retirement fund, and the organization's participation in ~~both the Minnesota variable annuity investment fund and the Minnesota supplemental investment fund~~ in accordance with policies and procedures established by the board of trustees of the teachers retirement association.

Sec. 38. Minnesota Statutes 1989 Supplement, section 354.66, subdivision 2, is amended to read:

Subd. 2. A teacher in the public elementary schools, secondary schools, or technical institutes or in the community college system or the state university system of the state who has 20 years or more of allowable service in the fund or 20 years or more of full-time teaching service in Minnesota public elementary schools, secondary schools, or technical institutes or in the community college system or the state university system, or a teacher in the community college system or state university system who has attained at least age 55 and has ten years or more of allowable service in the fund *or ten years or more of full-time teaching service as described in this subdivision*, may, by agreement with the board of the employing district, be assigned to teaching service within the district in a part-time teaching position.

Sec. 39. Minnesota Statutes 1989 Supplement, section 354A.095, is amended to read:

354A.095 [MATERNITY LEAVE.]

A ~~Basic or coordinated member~~ *members* of the St. Paul teachers retirement fund association and ~~old or new coordinated members~~ of the Duluth teachers retirement fund association, who are granted parental or maternity leave of absence by the employing authority, are entitled to obtain service credit not to exceed one year for the period of leave upon payment to the applicable fund by the end of the fiscal year *following the fiscal year* in which the leave of absence terminated. The amount of the payment must include the total required employee and employer contributions for the period of leave prescribed in section 354A.12. Payment must be based on the member's average monthly salary upon return to teaching service, and is payable without interest. Payment must be accompanied by a certified or otherwise adequate copy of the resolution or action of the employing authority granting or approving the leave.

Sec. 40. Minnesota Statutes 1989 Supplement, section 354A.31, subdivision 4, is amended to read:

Subd. 4. [COMPUTATION OF THE NORMAL COORDINATED

RETIREMENT ANNUITY.] (a) The normal coordinated retirement annuity shall be an amount equal to a retiring coordinated member's average salary multiplied by the retirement annuity formula percentage. Average salary for purposes of this section shall mean an amount equal to the average salary upon which contributions were made for the highest five successive years of service credit, but which shall not in any event include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of service credit if this service credit is less than five years.

(b) This paragraph, in conjunction with subdivision 6, applies to a person who first became a member before July 1, 1989, unless paragraph (c), in conjunction with subdivision 7, produces a higher annuity amount, in which case paragraph (c) will apply. The retirement annuity formula percentage for purposes of this paragraph is one percent per year for each year of coordinated service for the first ten years and ~~1-1/2~~ 1.5 percent for each year of coordinated service thereafter.

(c) This paragraph applies to a person *who has become at least 55 years old and who first becomes a member after June 30, 1989, and to any other member who has become at least 55 years old and whose annuity amount, when calculated under this paragraph and in conjunction with subdivision 7 is higher than it is when calculated under paragraph (b), in conjunction with the provisions of subdivision 6.* The retirement annuity formula percentage for purposes of this paragraph is ~~1-1/2~~ 1.5 percent for each year of coordinated service.

Sec. 41. Minnesota Statutes 1989 Supplement, section 354A.31, subdivision 6, is amended to read:

Subd. 6. [REDUCED RETIREMENT ANNUITY.] This subdivision applies only to a person who first became a coordinated member before July 1, 1989, and whose annuity is higher when calculated using the retirement annuity formula percentage in subdivision ~~(4)~~ 4, paragraph (b), in conjunction with this subdivision than when calculated under subdivision 4, paragraph (c), in conjunction with subdivision 7.

(a) Upon retirement at an age ~~prior to~~ *before* normal retirement age with three years of service credit or prior to age 62 with at least 30 years of service credit, a coordinated member shall be entitled to a retirement annuity in an amount equal to the normal retirement annuity calculated using the retirement annuity formula percentage in subdivision (4), paragraph (b), reduced by one-quarter of one percent for each month that the coordinated member is under normal retirement age if the coordinated member has less than 30 years of service credit or is under the age of 62 if the coordinated member has at least 30 years of service credit.

(b) Any coordinated member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal retirement annuity calculated using the retirement annuity formula percentage in subdivision (4), paragraph (b), without any reduction by reason of early retirement.

Sec. 42. Minnesota Statutes 1989 Supplement, section 354A.31, subdivision 7, is amended to read:

Subd. 7. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a person *who has become at least 55 years old and first becomes a coordinated member after June 30, 1989, and to any*

other coordinated member *who has become at least 55 years old and whose annuity is higher when calculated using the retirement annuity formula percentage in subdivision 4, paragraph (c), in conjunction with this subdivision than when calculated under subdivision 4, paragraph (b), in conjunction with subdivision 6.* A coordinated member who retires before the full benefit age shall be paid the retirement annuity calculated using the retirement annuity formula percentage in subdivision 4, paragraph (c), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the member if the member deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 43. Minnesota Statutes 1989 Supplement, section 354A.32, subdivision 1, is amended to read:

Subdivision 1. [OPTIONAL FORMS GENERALLY.] The boards of the Minneapolis and the St. Paul teachers retirement fund associations shall each establish for the coordinated program and the board of the Duluth teachers retirement fund association shall establish for the new law coordinated program an optional retirement annuity which shall take the form of a joint and survivor annuity. Each board may also in its discretion establish an optional annuity which shall take the form of an annuity payable for a period certain and for life thereafter. *Each board shall also establish an optional retirement annuity that guarantees payment of the balance of the annuity recipient's accumulated deductions to a designated beneficiary upon the death of the annuity recipient.* Except as provided in subdivision 1a, optional annuity forms shall be the actuarial equivalent of the normal forms provided in section 354A.31. In establishing these optional annuity forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendation shall be a part of the permanent records of the board.

Sec. 44. Minnesota Statutes 1989 Supplement, section 354A.32, subdivision 1a, is amended to read:

Subd. 1a. [BOUNCE-BACK ANNUITY.] (a) If a former coordinated member or disabliant has selected a joint and survivor annuity option under subdivision 1, the former member or disabliant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabliant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

A former member or disabliant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

*(d) The restoration of the normal single life annuity under this subdivision will take effect on the first of the month following the date of death of the designated optional annuity beneficiary or on the first of the month following one year before the date on which a certified copy of the death certificate of the designated optional annuity beneficiary is received in the office of the appropriate teachers retirement fund association, whichever date is later.*

Payment to each eligible member may not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the benefit plan of the relief association or each eligible member's proportionate share of the excess investment income, whichever is less.

*Subd. 7. [PURCHASE PAYMENT AMOUNT.] To purchase credit for prior service under subdivisions 1 to 5 there must be paid to the applicable fund an amount equal to the present value, on the date of payment, of the amount of the additional retirement annuity obtained by the purchase of the additional service credit. (g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

For the purpose of this special levy, the estimated

receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5;

(k) pay the cost of hospital care under section 261.21;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

(n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision 3. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

(o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year.

In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; ~~and~~

If the amount levied in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991."

Total monthly income less

- \*(i) Federal Income Tax
- \*(ii) State Income Tax
- (iii) Social Security Deductions
- (iv) Reasonable Pension Deductions

\*Standard Deductions apply-use of tax tables recommended

- (v) Union Dues
- (vi) Cost of Dependent Insurance Coverage
- (vii) Cost of Individual or Group Health/Hospitalization Coverage or an Amount for Actual Medical Expenses

(viii) A Child Support or Maintenance Order that is Currently Being Paid.

“Net income” does not include:

- (1) the income of the obligor’s spouse-; or
- (2) *earnings, salary, overtime, bonus, commission, vacation, or profit sharing distributions if they:*
  - (i) *are attributable to services performed in excess of a 40-hour work week; or*

(b) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support:

(1) all earnings, income, and resources of the parents, including real and personal property;

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

Any schedule prepared under paragraph (c), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party’s control.

Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in

duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

Where payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(d) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(e) The above guidelines are binding in each case unless the court makes express findings of fact as to the reason for departure below or above the guidelines."

April 4, 1990

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 1857, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 1857 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 161.315, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] The terms used in this section have the meanings given them in this subdivision.

(a) “Affiliate” means a predecessor or successor of a person ~~under the same or substantially the same control~~ *by merger, reorganization, or otherwise, who is, or that has as an officer or director an individual who is, a relative of the person or an individual over whose actions the person exercises substantial influence or control*, or a group of entities so connected or associated that one entity controls or has the power to control each of the other entities. “Affiliate” includes the affiliate’s principals. One person’s ownership of a controlling interest in another entity or a pooling of equipment or income among entities is prima facie evidence that one entity is an affiliate of another.

(b) “Contract crime” means a violation of state or federal antitrust law, fraud, theft, embezzlement, bribery, forgery, misrepresentation, making false statements, falsification or destruction of records, or other criminal offense in connection with obtaining, attempting to obtain, or performing a public or private contract or subcontract.

(c) “Conviction” has the meaning given it in section 609.02, subdivision 5.

(d) “Debar” means to disqualify from receiving a contract or from serving as a subcontractor or material supplier as provided by Laws 1984, chapter 654, article 2, section 8.

(e) “Person” means a natural person or a business, corporation, association, partnership, sole proprietorship, or other entity formed to do business as a contractor, subcontractor, or material supplier and includes an affiliate of a person.

(f) “Pooling” means a combination of persons engaged in the same business or combined for the purpose of engaging in a particular business or commercial venture and who all contribute to a common fund or place their holdings of a given stock or other security in the hand and control of a managing member or committee of the combination.

(g) “Suspend” means to temporarily disqualify from receiving a contract or from serving as a subcontractor or material supplier as provided by Laws 1984, chapter 654, article 2, section 8.

(h) *“Relative” means an individual related by consanguinity within the second degree as determined by the common law, a spouse, or an individual related to a spouse within the second degree as determined by the common law, and includes an individual in an adoptive relationship within the second degree as determined by the common law.*

Sec. 2. Minnesota Statutes 1988, section 161.315, subdivision 3, is amended to read:

Subd. 3. [PROHIBITIONS.] Except as provided in subdivision 4:

(1) neither the commissioner nor a county, town, or home rule or statutory city may award or approve the award of a contract for goods or services to a person who is suspended or debarred;

(2) neither the commissioner nor a county, town, or home rule or statutory

city may award or approve the award of a contract for goods or services under which a debarred or suspended person will serve as a subcontractor or material supplier; ~~and~~

(3) a person to whom a contract for goods or services has been awarded may not subcontract with or purchase materials or services from a debarred or suspended person for performance of that contract; *and*

*(4) when a debarred person sells or otherwise transfers to a relative or to any other party over whose actions the debarred person exercises substantial influence or control, a business, corporation, association, partnership, sole proprietorship, or other entity, or an affiliate of the entity, that is ineligible by virtue of the debarment to contract with a governmental entity, the sold or transferred entity remains ineligible for these contracts for the duration of the seller's or transferor's debarment.*

Sec. 3. Minnesota Statutes 1989 Supplement, section 221.022, is amended to read:

221.022 [~~METROPOLITAN TRANSIT COMMISSION; EXCEPTION.~~]

The powers granted to the board under sections 221.011 to 221.296 do not include the power to regulate any service or vehicles operated by the metropolitan transit commission or to regulate passenger transportation service provided under contract to the department *or the regional transit board*. A provider of passenger transportation service under contract to the department *or the regional transit board* may not provide charter service without first having obtained a permit to operate as a charter carrier.

Sec. 4. Minnesota Statutes 1989 Supplement, section 221.025, is amended to read:

221.025 [EXEMPTIONS.]

Except as provided in sections 221.031 and 221.033, the provisions of this chapter do not apply to the intrastate transportation described below:

(k) a person engaged in transporting property or freight, other than household goods and petroleum products in bulk, entirely within the corporate limits of a city or between contiguous cities except as provided in section 221.296;

(l) the transportation of unprocessed dairy products in bulk within an area having a 100-mile radius from the home post office of the person providing the transportation;

(m) a person engaged in transporting agricultural, horticultural, dairy, livestock, or other farm products within an area having a 25-mile radius from the person's home post office and the carrier may transport other commodities within the 25-mile radius if the destination of each haul is a farm;

(o) passenger transportation service that is not charter service and that is under contract to and with operating assistance from the department *or the regional transit board*.

Sec. 5. Minnesota Statutes 1989 Supplement, section 221.031, subdivision 3a, is amended to read:

Subd. 3a. [CONTRACTORS OR RECIPIENTS OF TRANSPORTATION ASSISTANCE.] Notwithstanding subdivision 3, providers of passenger transportation service under contract to and with operating assistance from the department *or the regional transit board* must comply with rules of the commissioner for driver qualifications, safe operation of vehicles, equipment, parts and accessories, maximum hours of service of drivers, inspection, repair and maintenance, and accident reporting. This subdivision does not apply to a local transit commission, a transit authority created by the legislature, or special transportation service certified by the commissioner under section 174.30.

Sec. 6. Minnesota Statutes 1989 Supplement, section 221.601, subdivision 1, is amended to read:

221.601 [AGREEMENTS WITH OTHER STATES.]

Subdivision 1. [AUTHORITY.] The commissioner may enter *into* agreements with representatives of other states to allow the cooperative registration of motor carriers transporting property or passengers for hire in interstate commerce. The agreement may authorize representatives of other states to issue interstate registration stamps and trip permits; accept the

filing of insurance certificates, *insurance cancellation notices*, and interstate commerce commission orders; *issue suspension and reinstatement orders or notices*; and collect and disburse fees prescribed by this chapter. The agreement may allow the exchange of information for audit, reporting, and enforcement purposes, and the collection and disbursement of fees provided under this chapter and the laws of other states that participate in the agreement. The agreement *and all amendments* must be in writing. The agreement may provide for the gradual adoption of a base state registration system. It may provide that a motor carrier based in another state participating in the agreement, that has filed evidence of financial responsibility in that state that meets the requirements of this chapter and of the agreement, need not file evidence of financial responsibility with the commissioner for its interstate operations in this state.

Sec. 7. [FIBER OPTIC CABLE ALONG I-94; I-494.]

*Notwithstanding Minnesota Rules 1989, part 8810.3300, subpart 4, a utility, as defined in Minnesota Rules 1989, part 8810.3100, subpart 4, may lay a fiber optic cable or a conduit containing one or more fiber optic cables inside the control-of-access lines along the portion of the interstate highway designated as I-94 that runs between Maple Grove in Hennepin county and St. Cloud in Stearns county, and the portion of the interstate highway designated as I-494 that runs between Plymouth in Hennepin county and Maple Grove in Hennepin county. The commissioner of transportation may impose reasonable conditions on the time, place, and manner of the utility's installation and maintenance of the cable or conduit and may also charge reasonable fees therefor notwithstanding Minnesota Statutes, chapters 14 and 16A. If the cable or conduit must be relocated because of reconstruction or maintenance work on an interstate highway, the utility shall bear the entire cost of the relocation.*

Sec. 8. [EFFECTIVE DATE.]

*Sections 1 to 7 are effective the day following final enactment."*

Delete the title and insert:

"A bill for an act relating to transportation; providing greater restrictions on eligibility of debarred persons for certain public contracts; exempting provision of passenger transportation service under contract with regional transportation board from some regulation; increasing scope of interstate motor carrier registration agreements; permitting fiber optic cable to be laid along portions of certain interstate highways; amending Minnesota Statutes 1988, section 161.315, subdivisions 2 and 3; Minnesota Statutes 1989 Supplement, sections 221.022; 221.025; 221.031, subdivision 3a; and 221.601, subdivision 1."

We request adoption of this report and repassage of the bill.

April 3, 1990

The Honorable Robert Vanasek  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H.F. No. 1913, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H.F. No. 1913 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1988, section 49.24, subdivision 9, is amended to read:

Subd. 9. [DIVIDENDS ON CLAIMS.] At any time after the expiration of the date fixed for the presentation of claims the commissioner may, out of the funds remaining on hand after the payment of expenses *and amounts due to depositors*, declare one or more dividends, and after the expiration of one year from the first publication of notice to creditors, may declare a final dividend, such dividends to be paid to such persons in such amounts as may be directed by the district court.

If any dividend on any claim shall be less than \$1, the commissioner may hold that dividend until it with subsequent dividends amounts to the sum of \$1 or more. The commissioner shall pay all dividends so withheld with the final dividend.

Sec. 2. Minnesota Statutes 1988, section 56.131, subdivision 1, is amended

to read:

Subdivision 1. [INTEREST RATES AND CHARGES.] (a) On any loan in a principal amount not exceeding \$35,000 or ten percent of a corporate licensee's contributed capital and appropriated reserves as defined in section 53.015, if greater, a licensee may contract for and receive interest, calculated according to the actuarial method, not exceeding the equivalent of the greater of any of the following:

(1) the total of: (i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding ~~\$350~~ \$750; and (ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding ~~\$350~~ \$750; or

(2) 21.75 percent per year on the unpaid balance of the principal amount.

(b) On any loan where interest has been calculated according to the method provided for in paragraph (a), clause (1), interest must be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest 1/100 of one percent that would earn the same total interest at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (1), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.

(c) Loans may be interest-bearing or precomputed.

(d) To compute time on interest-bearing and precomputed loans, including, but not limited to the calculation of interest, a day is considered 1/30 of a month when calculation is made for a fraction of a calendar month. A year is 12 calendar months. A calendar month is that period from a given date in one month to the same numbered date in the following month, and if there is no same numbered date, to the last day of the following month. When a period of time includes a whole month and a fraction of a month, the fraction of a month is considered to follow the whole month.

In the alternative, for interest-bearing loans, a licensee may charge interest at the rate of 1/365 of the agreed annual rate for each actual day elapsed.

(e) With respect to interest-bearing loans:

(1) Interest must be computed on unpaid principal balances outstanding from time to time, for the time outstanding. Each payment must be applied first to the accumulated interest and the remainder of the payment applied to the unpaid principal balance; provided however, that if the amount of the payment is insufficient to pay the accumulated interest, the unpaid interest continues to accumulate to be paid from the proceeds of subsequent payments and is not added to the principal balance.

(2) Interest must not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under the new loan contract may include any unpaid interest which has accrued. The unpaid principal balance of a precomputed loan is the balance due after refund or credit of unearned interest as provided in paragraph (f), clause (3). The resulting loan contract is deemed a new and separate loan transaction for all purposes.

(f) With respect to precomputed loans:

(1) Loans must be repayable in substantially equal and consecutive monthly

installments of principal and interest combined, except that the first installment period may be more or less than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days and must be reduced by the amount of interest for the number of days less than one month to the first installment payment; and monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments must be applied in the order in which they become due.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date must be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as if prepayment in full had been made on the date the judgment is entered.

(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$4.

A default charge under this subdivision may not be collected on an installment paid in full within ten days of its scheduled due date, or deferred installment due date with respect to deferred installments, even though a default or deferral charge on an earlier installment has not been paid in full. A default charge may be collected at the time it accrues or at any time thereafter.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made

for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under paragraph (f), clause (6), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

*(8) With respect to a loan secured by an interest in real estate, and having a maturity of more than 60 months, the original schedule of installment payments must fully amortize the principal and interest on the loan. The original schedule of installment payments for any other loan secured by an interest in real estate must provide for payment amounts that are sufficient to pay all interest scheduled to be due on the loan.*

Sec. 3. Minnesota Statutes 1988, section 56.131, subdivision 2, is amended to read:

Subd. 2. [ADDITIONAL CHARGES.] In addition to the charges provided for by this section and section 56.155, no further or other amount whatsoever, shall be directly or indirectly charged, contracted for, or received for the loan made, except actual out of pocket expenses of the licensee to realize on a security after default, and except for the following additional charges which may be included in the principal amount of the loan:

(a) lawful fees and taxes paid to any public officer to record, file, or release security;

(b) with respect to a loan secured by an interest in real estate, the following closing costs, if they are bona fide, reasonable in amount, and not for the purpose of circumvention or evasion of this section; provided the costs do not exceed one percent of the principal amount or \$250, whichever is greater:

(1) fees or premiums for title examination, abstract of title, title insurance, surveys, or similar purposes;

### MOTIONS AND RESOLUTIONS

Messrs. Decker; Moe, R.D.; Renneke; Frederick and Anderson introduced—

Senate Resolution No. 181: A Senate resolution urging the Congress and President of the United States to authorize a United States postage stamp commemorating the centennial of the founding of Itasca State Park and the Minnesota State Park System.

WHEREAS, Jacob V. Brower, who was a lawyer, surveyor, archaeologist, and former state legislator, paid for and personally carried out the surveying of the entire Mississippi headwaters in 1889; and

WHEREAS, Brower then took up a battle that saw success in 1891 with the establishment of the 20,000 acre Itasca State Park. It was the state's first and one of the nation's earliest state parks; and

WHEREAS, the difficulty of convincing the Legislature and the people of a need for a wilderness state park in a state with then seemingly inexhaustible wilderness cannot be overestimated; and

WHEREAS, from the park's founding in 1891, until his death in 1905, Brower was Itasca's first commissioner and he fought against desecration of the wilderness; and

WHEREAS, the creation of Itasca State Park eventually led to today's state park system consisting of 64 parks totalling 200,000 acres that is recognized as one of the nation's finest park systems; and

WHEREAS, as the source of the Mississippi River, the founding of Itasca State Park has national significance; NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that it requests that the Congress enact, and the President approve, legislation authorizing the issuance of a United States postage stamp commemorating the centennial of the founding of Itasca State Park and the Minnesota State Park system.

518.18 [MODIFICATION OF ORDER.]

(a) Unless agreed to in writing by the parties, no motion to modify a custody order may be made earlier than one year after the date of the entry of a decree of dissolution or legal separation containing a provision dealing with custody, except in accordance with clause (c).

(b) If a motion for modification has been heard, whether or not it was granted, unless agreed to in writing by the parties no subsequent motion may be filed within two years after disposition of the prior motion on its merits, except in accordance with clause (c).

(c) The time limitations prescribed in clauses (a) and (b) shall not prohibit a motion to modify a custody order if the court finds that there is persistent and willful denial or interference with visitation, or has reason to believe that the child's present environment may endanger the child's physical or emotional health or impair the child's emotional development.

(d) If the court has jurisdiction to determine child custody matters, the court shall not modify a prior custody order unless it finds, upon the basis of facts that have arisen since the prior order or that were unknown to the court at the time of the prior order, that a change has occurred in the circumstances of the child or the custodian and that the modification is necessary to serve the best interests of the child. In applying these standards the court shall retain the custodian established by the prior order unless:

(i) The custodian agrees to the modification;

(ii) The child has been integrated into the family of the petitioner with the consent of the custodian; or

(iii) The child's present environment endangers the child's physical or emotional health or impairs the child's emotional development and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child.

(b) If a person who has child custody or visitation rights has been convicted of a crime listed in subdivision 2 and is currently incarcerated, on probation, or under supervised release for that offense, then any interested party may petition the sentencing court for relief under paragraph (a) unless the court already made a determination under this subdivision.

“Sec. 10. Minnesota Statutes 1988, section 518.14, is amended to read:

518.14 [COSTS AND DISBURSEMENTS AND ATTORNEY FEES.]

~~In a proceeding brought either for dissolution or legal separation under this chapter, the court, from time to time, after considering the financial resources of both parties, may require one party to pay a reasonable amount necessary to enable the other spouse to carry on or to contest the proceeding, and to pay attorney's fees, including sums for legal services rendered and costs incurred prior to the commencement or after entry of judgment. In a proceeding under this chapter, the court shall award attorney fees, costs, and disbursements in an amount necessary to enable a party to carry on or contest the proceeding, provided it finds:~~

*(1) that the fees are necessary for the good-faith assertion of the party's rights in the proceeding and will not contribute unnecessarily to the length and expense of the proceeding; and*

*(2) that the party from whom fees, costs, and disbursements are sought has the means to pay them.*

*Nothing in this section precludes the court from awarding, in its discretion, additional fees, costs, and disbursements against a party who unreasonably contributes to the length or expense of the proceeding. Fees, costs, and disbursements provided for in this section may be awarded at any point in the proceeding. The court may adjudge costs and disbursements against either party. The court may authorize the collection of money awarded by execution, or out of property sequestered, or in any other manner within the power of the court. An award of attorney's fees made by the court during the pendency of the proceeding or in the final judgment survives the proceeding and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought in the attorney's own name. If the proceeding is dismissed or abandoned prior to determination and award of attorney's fees, the court may nevertheless award attorney's fees upon the attorney's motion. The award shall also survive the proceeding and may be enforced in the same manner as last above provided.”*

The motion prevailed. So the amendment was adopted.

“Sec. 14. Minnesota Statutes 1988, section 518.17, subdivision 3, is amended to read:

Subd. 3. [CUSTODY AND SUPPORT ORDER.] (a) Upon adjudging the nullity of a marriage, or in a dissolution or separation proceeding, or in a child custody proceeding, the court shall make such further order as it deems just and proper concerning:

- (1) the legal custody of the minor children of the parties which shall be sole or joint;
- (2) their physical custody and residence; and
- (3) their support.

*Both parents are responsible for the support of their children to the extent of their ability. It is presumed that a parent who has physical custody of a child supports the child by providing for the daily care and residence of the child. In determining custody, the court shall consider the best interests of each child and shall not prefer one parent over the other solely on the basis of the sex of the parent.*

(b) The court shall grant the following rights to each of the parties, unless specific findings are made under paragraph (c), and every custody order must include the following notice to the parties:

**NOTICE IS HEREBY GIVEN TO THE PARTIES:**

Each party has the right of access to, and to receive copies of, school, medical, dental, religious training, and other important records and information about the minor children. Presentation of a copy of this order to the custodian of a record or other information about the minor children constitutes sufficient authorization for the release of the record

or information to the requesting party.

Each party shall keep the other party informed as to the name and address of the school of attendance of the minor children. Each party has the right to be informed by school officials about the children's welfare, educational progress and status, and to attend school and parent-teacher conferences. In case of an accident or serious illness of a minor child, each party shall notify the other party of the accident or illness, and the name of the health care provider and the place of treatment.

Each party has the right to reasonable access and telephone contact with the minor children.

(c) The court may waive all or part of the notice required under paragraph (b) if it finds that it is necessary to protect the welfare of a party or child."

Legislation recommended under this section must also:*

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] *(a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator’s or owner’s financial capability to provide reasonable and necessary response during the operating life of the facility and for 20 years after closure, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules is a condition of obtaining or retaining a permit to operate the facility.

*(b) The agency shall adopt rules to allow a municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility to meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility through its authority to issue bonds. The rules must ensure that when funds are needed for a contingency action, sufficient bonds can and will be issued by the municipality to meet its responsibility. The rules that allow a municipality to meet financial assurance under this paragraph must include at least requirements that a municipality:*

*(1) adopt an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs calculated under the rules;*

*(2) meets a portion of its financial responsibility by relying on its authority to issue bonds, begins setting aside funds that will cover a portion of the potential contingency action costs at the facility, the amount not to exceed five percent to be determined by the agency for each facility based on at least the likelihood and potential timing of conditions arising at the facility that will necessitate response action; and*

*(3) have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section."*

Reservation of a portion of a municipality's debt limit under this subdivision may not be revoked by the municipality until the expiration of the required time period for maintaining proof of financial responsibility or the municipality adopts and adequately funds, as of the date of implementation, an alternate method of financial responsibility under the rules of the agency, whichever occurs earlier."*

*Subdivision 1. [EMISSION MONITORS.] Notwithstanding any other law to the contrary, an incinerator permit that contains emission limits for dioxin, cadmium, chromium, lead, or mercury must, as a condition of the permit, require the installation of an air emission monitoring system approved by the commissioner. The system shall also be capable of providing a permanent record of monitored emissions that will be available upon request to the commissioner and the general public. The commissioner shall provide periodic inspection of the monitoring system to determine its continued accuracy. *The facility must conduct periodic stack testing for mercury at intervals not to exceed 90 days. Refuse-derived fuel facilities must conduct periodic stack testing for mercury at intervals not to exceed 15 months unless a previous test showed a permit exceedance after which the agency may require quarterly testing until permit requirements are satisfied.**

The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person violated this section, including tests obtained more than two hours after the alleged violation and results obtained from partial tests on an infrared breath-testing instrument. A result from a partial test is the measurement obtained by analyzing one adequate breath sample, as defined in section 5, subdivision 4, paragraph (b).

Subd. 6. [CRIMINAL PENALTIES.] (a) A person who violates subdivision 2, clause (g); or 3, is guilty of a misdemeanor.

(b) A person who violates subdivision 2, clauses (a) to (f), is guilty of a gross misdemeanor.

(c) The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations shall also be responsible for prosecution of gross misdemeanor violations of this section.

Subd. 7. [PRELIMINARY SCREENING TEST.] When a peace officer has reason to believe that a person may be violating or has violated subdivision 2, the officer may require the person to provide a sample of the person's breath for a preliminary screening test using a device approved by the commissioner of public safety or the commissioner of transportation for this purpose. The results of this preliminary screening test shall be used for the purpose of deciding whether to require the tests authorized in section 5, but shall not be used in any court action except to prove that a test was properly required of a person pursuant to section 5. Following the screening test, additional tests may be required of the person pursuant to the provisions of section 5.

A person who refuses to furnish a sample of the person's breath is subject to the provisions of section 5 unless, in compliance with section 5, the person submits to a blood, breath, or urine test to determine the presence of alcohol or a controlled substance.

#### Sec. 5. [360.0753] [TESTING PROCEDURES.]

Subdivision 1. [PEACE OFFICER DEFINED.] For purposes of this section, the term "peace officer" means an employee of a political subdivision or state law enforcement agency who is licensed by the Minnesota board of peace officers standards and training, who is charged with the prevention and detection of crime and the enforcement of the general criminal laws of the state, and who has full power of arrest, and shall also include the Minnesota state patrol and metropolitan airports commission peace officers, but does not include employees of the department of natural resources.

Subd. 2. [IMPLIED CONSENT; CONDITIONS; ELECTION AS TO TYPE OF TEST.] (a) Any person who operates or attempts to operate an aircraft in or over this state or over any boundary water of this state consents, subject to the provisions of this section and section 4, to a chemical test of that person's blood, breath, or urine for the purpose of determining the presence of alcohol or a controlled substance. The test shall be administered at the direction of a peace officer. The test may be required of a person when an officer has probable cause to believe the person was operating or attempting to operate an aircraft in violation of

section 4 and one of the following conditions exists:

(1) the person has been lawfully placed under arrest for violation of section 4;

(2) the person has been involved in an aircraft accident or collision resulting in property damage, personal injury, or death;

(3) the person has refused to take the screening test provided for by section 4;

(4) the screening test was administered and recorded an alcohol concentration of 0.04 or more; or

(5) the officer had probable cause to believe that the person was operating or attempting to operate an aircraft with any amount of alcohol present in the person's body.

(b) At the time a test is requested, the person shall be informed:

(1) that Minnesota law requires the person to take a test to determine the presence of alcohol or to determine if the person is under the influence of alcohol or a controlled substance;

(2) that if testing is refused, the person will be disqualified from operating an aircraft for a minimum period of one year;

(3) that if a test is taken and the results indicate an alcohol concentration of 0.04 or more or that the person is under the influence of a controlled substance, the person will be subject to criminal penalties and the person may be prohibited from operating an aircraft in this state for up to one year;

(4) that after submitting to testing, the person has the right to consult with an attorney and to have additional tests made by someone of the person's own choosing; and

(5) that if the person refuses to take a test, the refusal will be offered into evidence against the person at trial.

(c) The peace officer who requires a test pursuant to this subdivision may direct whether the test shall be of blood, breath, or urine. Action may be taken against a person who refuses to take a blood test only if an alternative test was offered, and action may be taken against a person who refuses to take a urine test only if an alternative test was offered.

*Subd. 3. [REQUIREMENT OF URINE OR BLOOD TEST.]* Notwithstanding subdivision 2, if there is probable cause to believe there is impairment by a controlled substance that is not subject to testing by a breath test, a urine or blood test may be required even after a breath test has been administered. Action may be taken against a person who refuses to take a blood test under this subdivision only if a urine test was offered, and action may be taken against a person who refuses to take a urine test only if a blood test was offered.

*Subd. 4. [BREATH TEST USING AN INFRARED BREATH-TESTING INSTRUMENT.]* (a) In the case of a breath test administered using an infrared breath-testing instrument, the test shall consist of analyses in the following sequence: one adequate breath sample analysis, one calibration standard analysis, and a second, adequate breath sample analysis.

(b) In the case of a test administered using an infrared breath-testing

*instrument, a sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient.*

*(c) For purposes of this section, when a test is administered using an infrared breath-testing instrument, failure of a person to provide two separate, adequate breath samples in the proper sequence constitutes a refusal.*

**Subd. 5. [CONSENT OF PERSON INCAPABLE OF REFUSAL NOT WITHDRAWN.]** *A person who is unconscious or who is otherwise in a condition rendering the person incapable of refusal is deemed not to have withdrawn the consent provided by subdivision 2 and the test may be given.*

**Subd. 6. [MANNER OF MAKING TEST; ADDITIONAL TESTS.]** *Only a physician, medical technician, physician's trained mobile intensive care paramedic, registered nurse, medical technologist, or laboratory assistant acting at the request of a peace officer may withdraw blood for the purpose of determining the presence of alcohol or controlled substance. This limitation does not apply to the taking of a breath or urine sample. The person tested has the right to have someone of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a peace officer; provided, that the additional test sample on behalf of the person is obtained at the place where the person is in custody, after the test administered at the direction of a peace officer, and at no expense to the state. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission in evidence of the test taken at the direction of a peace officer unless the additional test was prevented or denied by the peace officer. The physician, medical technician, physician's trained mobile intensive care paramedic, medical technologist, laboratory assistant, or registered nurse drawing blood at the request of a peace officer for the purpose of determining alcohol concentration shall in no manner be liable in any civil or criminal action except for negligence in drawing the blood. The person administering a breath test shall be fully trained in the administration of breath tests pursuant to training given by the commissioner of public safety or the commissioner of transportation.*

**Subd. 7. [REFUSAL TO PERMIT TEST; CEASE AND DESIST ORDER.]** *If a person under arrest refuses to permit chemical testing, none shall be given, but the commissioner of transportation, upon the receipt of a certificate of the peace officer that the officer had reasonable and probable grounds to believe the arrested person had been operating or attempting to operate an aircraft in violation of section 4 and that the person had refused to permit the test, shall issue a cease and desist order prohibiting the operation of an aircraft for a period of one year.*

**Subd. 8. [NOTICE OF CEASE AND DESIST ORDER; REQUEST FOR HEARING.]** *No cease and desist order under subdivision 7 shall be made until the commissioner notifies the person by certified mail of intention to issue a cease and desist order and allows the person a 20-day period after the date of receiving the notice to request of the commissioner, in writing, a hearing as herein provided. If no request is filed within the 20-day period, the commissioner may then issue a cease and desist order. However, if a request for hearing is filed, no cease and desist order shall be made until final judicial determination resulting in an adverse decision to the person.*

**Subd. 9. [HEARING.]** *The hearing shall be before a district court in the county where the arrest occurred, unless there is agreement that the hearing may be held in some other county. The hearing shall be recorded*

*and proceed as in a criminal matter, without the right of trial by jury, and its scope shall cover the issues of whether the peace officer had reasonable and probable grounds to believe the person was operating or attempting to operate an aircraft in violation of section 4; whether the person was lawfully placed under arrest; whether the person refused to permit the test, and if the person refused whether the person had reasonable grounds for refusing to permit the test; and whether at the time of request for the test the peace officer informed the person that the right to fly might be denied if the person refused to permit the test and of the right to have additional tests made by someone of the person's own choosing. The court shall order either that the denial be rescinded or sustained and refer the order to the commissioner of transportation for further action.*

*Subd. 10. [NOTICE OF ACTION TO OTHER STATES.] When it has been finally determined that a nonresident's privilege to operate an aircraft in this state has been denied, the commissioner shall give information in writing of the action taken to the appropriate federal authorities and any state in which the nonresident operates an aircraft or has a license to operate an aircraft.*

Sec. 6. [REPEALER.]

*(b) The trust assets are to be maintained as a nonsegregated floating trust. Commingling of the trust assets is contemplated.*

*(c) The wholesale produce dealer must maintain the trust assets in a manner that makes the trust assets freely available to satisfy the amounts owed to unpaid sellers and may not divert trust assets in a manner that impairs the ability of unpaid sellers to recover amounts due.*

*(d) A wholesale produce dealer must maintain the trust assets in trust until payment has been made in full to unpaid sellers. Payment is not made if a seller receives a payment instrument that is dishonored.*

*(e) A wholesale produce dealer holds trust assets in trust for the seller except that the wholesale produce dealer may transfer title to trust assets if the proceeds of the transfer are maintained as trust assets. *Subd. 4. [PRIORITY OF UNPAID SELLERS' INTERESTS IN TRUST ASSETS.] (a) The unpaid sellers' interest in trust assets is paramount to all other liens, security interests, and encumbrances in the trust assets. *(b) If the trust assets are inadequate to pay unpaid sellers the amount due, the unpaid sellers shall share proportionately in the trust assets.*

*Subd. 5. [RECOVERY ACTIONS.] An action to recover trust assets may be brought in district court in a county where trust assets are located after the beneficiaries notice is filed. The beneficiaries notice may be amended, except the amount due, by leave of the court in furtherance of justice. An action to recover trust assets is barred if it is not brought by 18 months after the date the beneficiaries notice is filed.*

*Subd. 6. [TERMINATIONS OF BENEFICIARIES NOTICE.] A seller must terminate a beneficiaries notice by ten days after the amount due for*

*the wholesale produce dealer is paid. The commissioner may terminate a beneficiaries notice upon request and demonstration by the wholesale produce dealer that the amounts due under the beneficiaries notice have been paid.*

*Subd. 2. [PROCEDURE FOR CONFISCATION OF PROPERTY SEIZED.] The sheriff must hold the seized property, subject to the order of the court having jurisdiction where the offense was committed. The property held is confiscated when the commissioner complies with this section and the person from whom it was seized is convicted of the offense.*

*Subd. 3. [COMPLAINT AGAINST PROPERTY.] The commissioner shall file with the court a separate complaint against the property held. The complaint must identify the property, describe its use in the violation, and specify the time and place of the violation. A copy of the complaint must be served upon the defendant or the owner of the property.*

*Subd. 4. [RELEASE OF PROPERTY AFTER POSTING BOND.] At any time after seizure of the property specified in this section, the property must be returned to the owner or person having the legal right to possession upon execution of a valid bond to the state with a corporate surety. The bond must be approved by a judge of the court of jurisdiction, conditioned to abide by an order and judgment of the court and to pay the full value of the property at the time of seizure. The bond must be for \$100 or for a greater amount not more than twice the value of the property seized.*

*Subd. 5. [COURT ORDER.] (a) If the person arrested is acquitted, the court shall dismiss the complaint against the property and order it returned to the person legally entitled to it.*

*(b) Upon conviction of the person, the court shall issue an order directed to any person that may have any right, title, or interest in, or lien upon, the seized property. The order must describe the property and state that it was seized and that a complaint against it has been filed. The order shall require a person claiming right, title, or interest in, or lien upon, the property to file with the court administrator an answer to the complaint, stating the claim, within ten days after the service of the order. The order shall contain a notice that if the person fails to file an answer within the time limit, the property may be ordered sold by the commissioner.*

*(c) The court order must be served upon any person known or believed to have any right, title, interest, or lien in the same manner as provided for service of a summons in a civil action, and upon unknown persons by publication, in the same manner as provided for publication of a summons in a civil action.*

*Subd. 6. [COURT ORDERED SALE AFTER NO ANSWER.] If an answer is not filed within the time provided in subdivision 5, the court administrator shall notify the court and the court shall order the commissioner to sell the property. The net proceeds of the sale shall be deposited in the state treasury and credited to the game and fish fund.*

*Subd. 7. [HEARING AFTER ANSWER.] If an answer is filed within*

*the time provided in subdivision 5, the court shall schedule a hearing within ten to 30 days after the time expired for filing the answer. The court, without a jury, shall determine whether any of the property was used in a violation specified in the complaint and whether the owner had knowledge or reason to believe that the property was being used, or intended to be used, in the violation. The court shall order the commissioner to sell the property that was unlawfully used with knowledge of the owner and to return to the owner property that was not unlawfully used with the knowledge of the owner. If the property is to be sold, the court shall determine the priority of liens against the property and whether the lienholders had knowledge that the property was being used or was intended to be used. If an organization is required to file a return under federal law but has no federal tax liability for the taxable year, the commissioner may provide that the filing requirement under this paragraph is satisfied by filing a copy of the taxpayer's federal return.*

**Subd. 5. [ANNUAL RETURN; EXCEPTIONS.]** *A return under this section must cover a 12-month period, except in the following cases:*

*(1) A return made by or for a taxpayer in existence for less than the whole of a taxable year must cover the part of the taxable year the taxpayer was in existence;*

*(2) A taxpayer who, in keeping books, regularly computes income on the basis of an annual period that varies from 52 to 53 weeks and ends always on the same day of the week, and ends always (i) on the date that day of the week last occurs in a calendar month or (ii) on the date that day of the week falls that is nearest to the last day of a calendar month, may compute the taxpayer's net income and taxable net income on the basis of that annual period in accordance with rules prescribed by the commissioner. If the effective date or the applicability of a provision of this chapter or chapter 290 is expressed in terms of taxable years beginning or ending with reference to a named date that is the first or last day of a month, a taxable year must be treated as beginning with the first day of the calendar month beginning nearest to the first day of that taxable year, or as ending with the last day of the calendar month ending nearest to the last day of that taxable year, as the case may be;*

*(3) A taxpayer who changes from one taxable year to another must make a return for the fractional parts of the year, under section 290.32.*

**Subd. 6. [RETURNS OF MARRIED PERSONS.]** *A husband and wife must file a joint Minnesota income tax return if they filed a joint federal income tax return. If the husband and wife have elected to file separate federal income tax returns, they must file separate Minnesota income tax returns. This election to file a joint or separate return must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, the change must be done in the manner and on the form prescribed by the commissioner.*

*The determination of whether an individual is married shall be made under the provisions of section 7703 of the Internal Revenue Code of 1986, as amended through December 31, 1989.*

**Subd. 7. [COMPOSITE INCOME TAX RETURNS FOR NONRESIDENT PARTNERS, SHAREHOLDERS, AND BENEFICIARIES.]** *(a) The commissioner may allow a partnership with five or more nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, social security numbers, income allocation, and tax liability for the nonresident partners electing to be*

covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners on or before the due date for filing the individual income tax returns. The request may be made a part of the return filed.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.026. A composite estimate may, however, be filed in a manner similar to and containing the information required under paragraph (a).

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is not available to any partner other than a full-year nonresident individual who has no other Minnesota source income.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

*Subd. 8. [RETURNS OF ENTERTAINMENT ENTITIES.] An entertainment entity subject to the tax imposed by section 290.9201 shall file an annual return for the calendar year with the commissioner.*

*Subd. 9. [VERIFICATION.] If a return is prepared for a taxpayer by an individual (or individuals) or a firm (including partnerships, corporations, etc.), the individual or firm responsible for the preparation must complete the statement of verification provided on the tax return forms in the following manner:*

*(1) If the individual (or individuals) responsible for the preparation of the return is an individual acting in a personal capacity, the statement of verification must be signed by the individual.*

*(2) If a firm is responsible for the preparation of the return, the statement of verification must be signed with the firm name. However, if the firm name is stamped or typed, it should be followed by the signature of an individual authorized to sign the verification on behalf of the firm. The firm may authorize an officer, member, or employee to sign the verification.*

*Verification is not required if the actual preparation of the return is a regular and usual incident of the employment of one regularly and continuously employed full time by the person for whom the return is made (such as a clerk, secretary, bookkeeper, etc.).*

*Subd. 10. [FILING OF PROPER RETURN.] The return must specifically set forth the items of gross income, deductions, credits against the tax, and any other data necessary for computing the amount of any item required for determining the amount of the net income tax liability. The return must be in the form the commissioner prescribes. The filing of a return required under this section is considered an assessment.*

*Subd. 11. [INFORMATION INCLUDED IN INCOME TAX RETURN.] The return must state the name of the taxpayer, or taxpayers, if the return is a joint return, and the address of the taxpayer in the same name or names and same address as the taxpayer has used in making the taxpayer's income tax return to the United States, and must state the social security number of the taxpayer, or taxpayers, if a social security number has been issued by the United States with respect to the taxpayers, and must state the amount of the taxable income of the taxpayer as it appears on the federal return for the taxable year to which the Minnesota state return applies. The taxpayer must attach to the taxpayer's Minnesota state income tax return a copy of the federal income tax return that the taxpayer has filed or is about to file for the period.*

*Subd. 12. [CONFESSION OF JUDGMENT.] The return must contain (1) a written declaration that it is correct and complete, and (2) language prescribed by the commissioner providing a confession of judgment for the amount of the tax shown due to the extent not timely paid.*

*Subd. 13. [LONG AND SHORT FORMS.] The commissioner shall provide a long form individual income tax return and may provide a short form individual income tax return. The returns shall be in a form that is consistent with the provisions of chapter 290, notwithstanding any other law to the contrary. The nongame wildlife checkoff provided in section 290.431 and the dependent care credit provided in section 290.067 must be included on the short form.*

*Subd. 14. [VOTER REGISTRATION FORM.] The commissioner shall insert securely in the individual income tax return form or instruction booklet a voter registration form, returnable to the secretary of state. The form shall be designed according to rules adopted by the secretary of state.*

*Subd. 2. [WITHHOLDING FROM WAGES, ENTERTAINER WITHHOLDING, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] (a) A tax required to be deducted and withheld during the quarterly period must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.023, subdivision 2. Taxes required to be deducted and withheld by partnerships and S corporations must be paid on or before the date the return must be filed under section 289A.023, subdivision 2.*

*(b)(1) Unless clause (2) applies, if during any calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under section 290.92, subdivision 2a or 3, or under section 290.923, subdivision 2, exceeds \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days*

after the close of the calendar month. (2) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer, or person withholding tax under section 290.92, subdivision 2a or 3, or section 290.923, subdivision 2, shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this clause, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day of a calendar month, or the part of a calendar month following the 25th day of the month.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment will be assessed and collected in the manner and at the times the commissioner prescribes.

**Subd. 3. [ESTATE TAX.]** Taxes imposed by chapter 291 take effect at and upon the death of the person whose estate is subject to taxation and are due and payable on or before the expiration of nine months from that death.

**Subd. 4. [SALES AND USE TAX.]** (a) The taxes imposed by chapter 297A are due and payable to the commissioner monthly on or before the 20th day of the month following the month in which the taxable event occurred or following another reporting period as the commissioner prescribes.

(b) A vendor having a liability of \$1,500 or more in May of a year must remit the June liability in the following manner:

(1) On or before June 20 of the year, the vendor must remit the actual May liability and one-half of the estimated June liability to the commissioner.

(2) On or before August 20 of the year, the vendor must pay any additional amount of tax not remitted in June.

(c) When a retailer located outside of a city that imposes a local sales and use tax collects use tax to be remitted to that city, the retailer is not required to remit the tax until the amount collected reaches \$10.

**Sec. 11. [289A.026] [PAYMENT OF ESTIMATED TAX BY INDIVIDUALS.]**

**Subdivision 1. [REQUIREMENTS TO PAY.]** An individual must, when prescribed in subdivision 3, paragraph (b), make payments of estimated tax. The term "estimated tax" means the amount the individual estimates is the sum of the taxes imposed by chapter 290 for the taxable year. If the individual is an infant or incompetent person, the payments must be made

by the individual's guardian. If joint payments on estimated tax are made but a joint return is not made for the taxable year, the estimated tax for that year may be treated as the estimated tax of either the husband or the wife or may be divided between them.

Notwithstanding the provisions of this section, no payments of estimated tax are required if the estimated tax, as defined in this subdivision, less the credits allowed against the tax, is less than \$500.

**Subd. 2. [ADDITIONS TO TAX FOR UNDERPAYMENT.]** (a) In the case of any underpayment of estimated tax by an individual, except as provided in subdivision 6 or 7, there must be added to and become a part of the taxes imposed by chapter 290, for the taxable year an amount determined at the rate specified in section 270.75 upon the amount of the underpayment for the period of the underpayment.

(b) For purposes of paragraph (a), the amount of underpayment shall be the excess of

- (1) the amount of the installment required to be paid, over
- (2) the amount, if any, of the installment paid on or before the last day prescribed for the payment.

**Subd. 3. [PERIOD OF UNDERPAYMENT.]** (a) The period of the underpayment shall run from the date the installment was required to be paid to the earlier of the following dates:

(1) The 15th day of the fourth month following the close of the taxable year.

(2) With respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax on any installment date is considered a payment of any unpaid required installments in the order in which the installments are required to be paid.

(b) For purposes of this subdivision, there shall be four required installments for a taxable year. The times for payment of installments shall be:

For the following

required installments:

1st

2nd

3rd

4th

The due date is:

April 15

June 15

September 15

January 15 of the following  
taxable year

**Subd. 4. [NO ADDITION TO TAX WHERE TAX IS SMALL.]** No addition to tax is imposed under subdivision 2 for a taxable year if the tax shown on the return for the taxable year (or, if no return is filed, the tax) reduced by the credits allowable is less than \$500.

**Subd. 5. [AMOUNT OF REQUIRED INSTALLMENT.]** The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

(1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed, or

(2) the total tax liability shown on the return of the individual for the preceding taxable year, if a return showing a liability for the taxes was

filed by the individual for the preceding taxable year of 12 months, or

(3) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid; and

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

**Subd. 6. [EXCEPTION TO ADDITION TO TAX.]** No addition to the tax shall be imposed under this section for any taxable year if:

(1) the individual did not have liability for tax for the preceding taxable year,

(2) the preceding taxable year was a taxable year of 12 months, and

(3) the individual was a resident of Minnesota throughout the preceding taxable year.

**Subd. 7. [WAIVER OF ADDITION TO TAX.]** No addition to the tax is imposed under this section with respect to an underpayment to the extent the commissioner determines that the provisions of section 6654(e)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1989, apply.

**Subd. 8. [APPLICATION OF SECTION; TAX WITHHELD ON WAGES.]** For purposes of this section, the estimated tax must be computed without reduction for the amount that the individual estimates as the individual's credit under section 290.92, subdivision 12 (relating to tax withheld at source on wages), and any other refundable credits allowed against income tax liability, and the amount of those credits for the taxable year is considered a payment of estimated tax, and an equal part of those amounts is considered paid on the installment date, determined under subdivision 3, paragraph (b), for that taxable year, unless the taxpayer establishes the dates on which the amounts were actually withheld, in which case the amounts so withheld are considered payments of estimated tax on the dates on which the amounts were actually withheld.

**Subd. 9. [SPECIAL RULE FOR RETURN FILED ON OR BEFORE JANUARY 31.]** If, on or before January 31 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, then no addition to tax is imposed under subdivision 2 with respect to any underpayment of the fourth required installment for the taxable year.

**Subd. 10. [SPECIAL RULE FOR FARMERS AND FISHERMEN.]** For purposes of this section, if an individual is a farmer or fisherman as defined

*in section 6654(f)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1989, for a taxable year, only one installment is required for the taxable year, the due date of which is January 15 of the following taxable year, the amount of which is equal to the required annual payment determined under subdivision 5 by substituting "66-2/3 percent" for "90 percent," and subdivision 9 shall be applied by substituting "March 1" for "January 31," and by treating the required installment described as the fourth required installment.*

*Subd. 11. [FISCAL YEAR TAXPAYER.] The application of this section to taxable years beginning other than January 1 must be made by substituting, for the months named in this section, the months that correspond. This section must be applied to taxable years of less than 12 months, under rules issued by the commissioner.*

*Subd. 12. [TRUSTS AND ESTATES.] The provisions of this section do not apply to an estate or trust.*

*Subd. 13. [OVERPAYMENT OF ESTIMATED TAX INSTALLMENT.] If an installment payment of estimated tax exceeds the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.*

**Sec. 12. [289A.027] [PAYMENT OF ESTIMATED TAX BY CORPORATIONS.]**

*Subdivision 1. [MINIMUM LIABILITY.] A corporation subject to taxation under chapter 290 (excluding section 290.92) must make payment of estimated tax for the taxable year if its tax liability so computed can reasonably be expected to exceed \$500, or in accordance with rules prescribed by the commissioner for an affiliated group of corporations electing to file one return as permitted under section 289A.021, subdivision 3.*

*Subd. 2. [AMOUNT AND TIME FOR PAYMENT OF INSTALLMENTS.] The estimated tax payment required under subdivision 1 must be paid in four equal installments on or before the 15th day of the third, sixth, ninth, and 12th month of the taxable year.*

*Subd. 3. [SHORT TAXABLE YEAR.] (a) A corporation with a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.*

*(b) A corporation is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed \$500.*

*(c) No payment is required for a short taxable year of less than four months.*

*Subd. 4. [UNDERPAYMENT OF ESTIMATED TAX.] If there is an underpayment of estimated tax by a corporation, there shall be added to the tax for the taxable year an amount determined at the rate in section 270.75 on the amount of the underpayment, determined under subdivision 5, for the period of the underpayment determined under subdivision 6. This subdivision does not apply in the first taxable year that a corporation is subject to the tax imposed under section 290.02.*

*Subd. 5. [AMOUNT OF UNDERPAYMENT.] For purposes of subdivision 4, the amount of the underpayment is the excess of*

*(1) the required installment, over*

*(2) the amount, if any, of the installment paid on or before the last date prescribed for payment.*

*Subd. 6. [PERIOD OF UNDERPAYMENT.] The period of the underpayment runs from the date the installment was required to be paid to the earlier of the following dates:*

*(1) the 15th day of the third month following the close of the taxable year; or*

*(2) with respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax shall be credited against unpaid required installments in the order in which those installments are required to be paid.*

*Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.*

*(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:*

*(1) 90 percent of the tax shown on the return for the taxable year, or if no return is filed, 90 percent of the tax for that year; or*

*(2) 100 percent of the tax shown on the return of the corporation for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the corporation.*

*(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.*

*(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.*

*(e) The "annualized income installment" is the excess, if any, of:*

*(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:*

*(i) for the first two months of the taxable year, in the case of the first required installment;*

*(ii) for the first two months or for the first five months of the taxable*

year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	22.5
2nd	45
3rd	67.5
4th	90

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the corporation determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the

*amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.*

**Subd. 8. [DEFINITION OF TAX.]** *The term "tax" as used in this section means the tax imposed by chapter 290.*

**Subd. 9. [FAILURE TO FILE AN ESTIMATE.]** *In the case of a corporation that fails to file an estimated tax for a taxable year when one is required, the period of the underpayment runs from the four installment dates in subdivision 2 or 3, whichever applies, to the earlier of the periods in subdivision 6, clauses (1) and (2).*

**Subd. 10. [PAYMENT ON ACCOUNT.]** *Payment of the estimated tax or any installment of it shall be considered payment on account of the taxes imposed by chapter 290, for the taxable year.*

**Subd. 11. [OVERPAYMENT OF ESTIMATED TAX INSTALLMENT.]** *If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.*

**Sec. 13. [289A.028] [EXTENSIONS FOR PAYING TAX.]**

**Subdivision 1. [INDIVIDUAL AND FIDUCIARY INCOME, CORPORATE FRANCHISE TAX.]** *Where good cause exists, the commissioner may extend the time for payment of the amount determined as an individual or fiduciary income tax or corporate franchise tax by the taxpayer, or an amount determined as a deficiency, for a period of not more than six months from the date prescribed for the payment of the tax.*

**Subd. 2. [ESTATE TAX.]** *Where good cause exists, the commissioner may extend the time for payment of estate tax for a period of not more than six months. If an extension to pay the federal estate tax has been granted under section 6161 of the Internal Revenue Code of 1986, as amended through December 31, 1989, the time for payment of the estate tax without penalty is extended for that period. A taxpayer who owes at least \$5,000 in taxes and who, under section 6161 or 6166 of the Internal Revenue Code of 1986, as amended through December 31, 1989, has been granted an extension for payment of the tax shown on the return, may elect to pay the tax due to the commissioner in equal amounts at the same time as required for federal purposes. A taxpayer electing to pay the tax in installments must notify the commissioner in writing no later than nine months after the death of the person whose estate is subject to taxation. If the taxpayer fails to pay an installment on time, unless it is shown that the failure is due to reasonable cause, the election is revoked and the entire amount of unpaid tax plus accrued interest is due and payable 90 days after the date on which the installment was payable.*

**Sec. 14. [289A.029] [LIABILITY FOR PAYMENT OF TAX.]**

**Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.]** *(a) Individual income, fiduciary income, and corporate franchise taxes, and interest and penalties, must be paid by the taxpayer upon whom the tax is imposed, except in the following cases:*

*(1) The tax due from a decedent for that part of the taxable year in which the decedent died during which the decedent was alive and the taxes,*

*interest, and penalty due for the prior years must be paid by the decedent's personal representative, if any. If there is no personal representative, the taxes, interest, and penalty must be paid by the transferees, as defined in section 289A.06, subdivision 13, to the extent they receive property from the decedent;*

*(2) The tax due from an infant or other incompetent person must be paid by the person's guardian or other person authorized or permitted by law to act for the person;*

*(3) The tax due from the estate of a decedent must be paid by the estate's personal representative;*

*(4) The tax due from a trust, including those within the definition of a corporation, as defined in section 290.01, subdivision 4, must be paid by a trustee; and*

*(5) The tax due from a taxpayer whose business or property is in charge of a receiver, trustee in bankruptcy, assignee, or other conservator, must be paid by the person in charge of the business or property so far as the tax is due to the income from the business or property.*

*(b) Entertainment taxes are the joint and several liability of the entertainer and the entertainment entity. The payor is liable to the state for the payment of the tax required to be deducted and withheld under section 290.9201, subdivision 7, and is not liable to the entertainer for the amount of the payment.*

*Subd. 2. [JOINT INCOME TAX RETURNS.] If a joint income tax return is made by a husband and wife, the liability for the tax is joint and several. A spouse who is relieved of a liability attributable to a substantial underpayment under section 6013(e) of the Internal Revenue Code of 1986, as amended through December 31, 1989, is also relieved of the state income tax liability on the substantial underpayment.*

*In the case of individuals who were a husband and wife prior to the dissolution of their marriage, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if the husband and wife filed separate returns for the taxable year. This provision is effective only when the commissioner receives written notice of the marriage dissolution from the husband or wife. No refund may be claimed by an ex-spouse for any taxes paid before receipt by the commissioner of the written notice.*

*Subd. 3. [TRANSFEREES AND FIDUCIARIES.] The amounts of the following liabilities are, except as otherwise provided in section 289A.06, subdivision 13, assessed, collected, and paid in the same manner and subject to the same provisions and limitations as a deficiency in a tax imposed by chapter 290, including any provisions of law for the collection of taxes:*

*(1) the liability, at law or in equity, of a transferee of property of a taxpayer for tax, including interest, additional amounts, and additions to the tax provided by law, imposed upon the taxpayer by chapter 290; and*

*(2) the liability of a fiduciary under subdivision 4 for the payment of tax from the estate of the taxpayer. The liability may reflect the amount of tax shown on the return or any deficiency in tax.*

*Subd. 4. [TAX AS A PERSONAL DEBT OF A FIDUCIARY.] The tax imposed by chapter 290, and interest and penalties, is a personal debt of the taxpayer from the time the liability arises, regardless of when the time for discharging the liability by payment occurs. The debt is, in the case of the personal representative of the estate of a decedent and in the case of any fiduciary, that of the individual in the individual's official or fiduciary capacity only, unless the individual has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which event the individual is personally liable for the deficiency.*

*Subd. 5. [WITHHOLDING TAX, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] (a) Except as provided in paragraph (b), an employer or person withholding tax under section 290.92 or 290.923, subdivision 2, who fails to pay to or deposit with the commissioner a sum or sums required by those sections to be deducted, withheld, and paid, is personally and individually liable to the state for the sum or sums, and added penalties and interest, and is not liable to another person for that payment or payments. The sum or sums deducted and withheld under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, must be held as a special fund in trust for the state of Minnesota.*

*(b) If the employer or person withholding tax under section 290.92 or 290.923, subdivision 2, fails to deduct and withhold the tax in violation of those sections, and later the taxes against which the tax may be credited are paid, the tax required to be deducted and withheld will not be collected from the employer. This does not, however, relieve the employer from liability for any penalties and interest otherwise applicable for failure to deduct and withhold.*

*(c) Liability for payment of withholding taxes includes a responsible person or entity described in the personal liability provisions of section 270.101.*

*(d) Liability for payment of withholding taxes includes a third party lender or surety described in section 290.92, subdivision 22.*

*(e) A partnership or S corporation required to withhold and remit tax under section 290.92, subdivisions 4b and 4c, is liable for payment of the tax to the commissioner, and a person having control of or responsibility for the withholding of the tax or the filing of returns due in connection with the tax is personally liable for the tax due.*

*(f) A payor of sums required to be withheld under section 290.9705, subdivision 1, is liable to the state for the amount required to be deducted, and is not liable to an out-of-state contractor for the amount of the payment.*

*Subd. 6. [ESTATE TAX.] The personal representative and person to whom property that is subject to taxation under this chapter is transferred, other than a bona fide purchaser, mortgagee, or lessee, is personally liable for that tax, until its payment, to the extent of the value of the property at the time of the transfer. The exemption from personal liability extends to subsequent transferees from bona fide purchasers, mortgagees, and lessees.*

*Subd. 7. [SALES AND USE TAX.] (a) The sales and use tax required to be collected by the retailer under chapter 297A constitutes a debt owed by the retailer to Minnesota, and the sums collected must be held as a*

*special fund in trust for the state of Minnesota.*

*A retailer who does not maintain a place of business within this state as defined by section 297A.21, subdivision 1, shall not be indebted to Minnesota for amounts of tax that it was required to collect but did not collect unless the retailer knew or had been advised by the commissioner of its obligation to collect the tax.*

*(b) The use tax required to be paid by a purchaser is a debt owed by the purchaser to Minnesota.*

*(c) The tax imposed by sections 297A.01 to 297A.44, and interest and penalties, is a personal debt of the individual required to file a return from the time the liability arises, irrespective of when the time for payment of that liability occurs. The debt is, in the case of the executor or administrator of the estate of a decedent and in the case of a fiduciary, that of the individual in an official or fiduciary capacity unless the individual has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which case the individual is personally liable for the deficiency.*

*(d) Liability for payment of sales and use taxes includes any responsible person or entity described in the personal liability provisions of section 270.101.*

#### Sec. 15. [289A.03] [ASSESSMENTS.]

*The commissioner shall make determinations, corrections, and assessments with respect to state taxes, including interest, additions to taxes, and assessable penalties. The commissioner may audit and adjust the taxpayer's computation of federal taxable income to make it conform with the provisions of section 290.01, subdivisions 19 to 19g, or the items of federal tax preferences or federal credit amounts to make them conform with the provisions of chapter 290. If a taxpayer fails to file a required return, the commissioner, from information in the commissioner's possession or obtainable by the commissioner, may make a return for the taxpayer. The return will be prima facie correct and valid. If a return has been filed, the commissioner shall examine the return and make any audit or investigation that is considered necessary. The commissioner may use statistical or other sampling techniques consistent with generally accepted accounting principles in examining returns or records and making assessments.*

#### Sec. 16. [289A.04] [EXAMINATIONS; AUDITS AND COLLECTIONS.]

*Subdivision 1. [EXAMINATION OF TAXPAYER.] To determine the accuracy of a return or report, or in fixing liability under state tax law, or for the purpose of collection, the commissioner may make reasonable examinations or investigations of a taxpayer's place of business, tangible personal property, equipment, computer systems and facilities, pertinent books, records, papers, vouchers, computer printouts, accounts, and documents.*

*Subd. 2. [ACCESS TO RECORDS OF OTHER PERSONS IN CONNECTION WITH EXAMINATION OF TAXPAYER.] When conducting an investigation or an audit of a taxpayer, or for the purpose of collection, the commissioner may examine, except where privileged by law, the relevant records and files of any person, business, institution, financial institution, state agency, agency of the United States government, or agency of any other state where permitted by statute, agreement, or reciprocity.*

*The commissioner may compel production of these records by subpoena. A subpoena may be served directly by the commissioner.*

*Subd. 3. [POWER TO COMPEL TESTIMONY.] In the administration of state tax law, the commissioner may:*

*(1) administer oaths or affirmations and compel by subpoena the attendance of witnesses, testimony, and the production of a person's pertinent books, records, papers, or other data;*

*(2) examine under oath or affirmation any person regarding the business of any taxpayer concerning any relevant matter incident to the administration of state tax law. The fees of witnesses required by the commissioner to attend a hearing are equal to those allowed to witnesses appearing before courts of this state. The fees must be paid in the manner provided for the payment of other expenses incident to the administration of state tax law; and*

*(3) in addition to other remedies that may be available, bring an action in equity by the state against a taxpayer for an injunction ordering the taxpayer to file a complete and proper return or amended return. The district courts of this state have jurisdiction over the action and disobedience of an injunction issued under this clause will be punished as a contempt of district court.*

*Subd. 4. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS KNOWN.] An investigation may extend to a person that the commissioner determines has access to information that may be relevant to the examination or investigation. When a subpoena requiring the production of records as described in subdivision 2 is served on a third-party recordkeeper, written notice of the subpoena must be mailed to the taxpayer and to any other person who is identified in the subpoena. The notices must be given within three days of the day on which the subpoena is served. Notice to the taxpayer required by this section is sufficient if it is mailed to the last address on record with the commissioner.*

*The provisions of this subdivision relating to notice to the taxpayer or other parties identified in the subpoena do not apply if there is reasonable cause to believe that the giving of notice may lead to attempts to conceal, destroy, or alter records relevant to the examination, to prevent the communication of information from other persons through intimidation, bribery, or collusion, or to flee to avoid prosecution, testifying, or production of records.*

*Subd. 5. [THIRD PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS NOT KNOWN.] A subpoena that does not identify the person or persons whose tax liability is being investigated may be served only if:*

*(1) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons;*

*(2) there is a reasonable basis for believing that the person or group or class of persons may fail or may have failed to comply with tax laws administered by the commissioner;*

*(3) the information sought to be obtained from the examination of the records, and the identity of the person or persons with respect to whose liability the subpoena is issued, is not readily available from other sources;*

*(4) the subpoena is clear and specific concerning the information sought*

to be obtained; and

(5) the information sought to be obtained is limited solely to the scope of the investigation.

The party served with a subpoena that does not identify the person or persons with respect to whose tax liability the subpoena is issued may, within 20 days after service of the subpoena, petition the district court in the judicial district in which that party is located for a determination concerning whether the commissioner has complied with the requirements in clauses (1) to (5), and thus, whether the subpoena is enforceable. If no petition is made by the party served within the time prescribed, the subpoena has the effect of a court order.

**Subd. 6. [REQUEST BY TAXPAYER FOR SUBPOENA.]** When the commissioner has the power to issue a subpoena for investigative or auditing purposes, the commissioner shall honor a reasonable request by the taxpayer to issue a subpoena on the taxpayer's behalf, if in connection with the investigation or audit.

**Subd. 7. [APPLICATION TO COURT FOR ENFORCEMENT OF SUBPOENA.]** The commissioner or the taxpayer may apply to the district court of the county of the taxpayer's residence, place of business, or county where the subpoena can be served as with any other case at law, for an order compelling the appearance of the subpoenaed witness or the production of the subpoenaed records. If the subpoenaed party fails to comply with the order of the court, the party may be punished by the court as for contempt.

**Subd. 8. [COST OF PRODUCTION OF RECORDS.]** The cost of producing records of a third party required by a subpoena must be paid by the taxpayer, if the taxpayer requests the subpoena to be issued, or if the taxpayer has the records available but has refused to provide them to the commissioner. In other cases where the taxpayer cannot produce records and the commissioner then initiates a subpoena for third-party records, the commissioner shall pay the reasonable cost of producing the records. The commissioner may later assess the reasonable costs against the taxpayer if the records contribute to the determination of an assessment of tax against the taxpayer.

**Sec. 17. [289A.05] [ORDER OF ASSESSMENT.]**

**Subdivision 1. [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.]** (a) When a return has been filed and the commissioner determines that the tax disclosed by the return is different than the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An order of assessment is final when made but may be reconsidered by the commissioner under section 289A.16.

(b) An amount of unpaid tax shown on the order must be paid to the commissioner: (1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the commissioner; or (2) if an administrative appeal is filed under section 289A.16, within 60 days following the determination of the appeal.

**Subd. 2. [ERRONEOUS REFUNDS.]** An erroneous refund is considered an underpayment of tax on the date made. An assessment of a deficiency

*arising out of an erroneous refund may be made at any time within two years from the making of the refund. If part of the refund was induced by fraud or misrepresentation of a material fact, the assessment may be made at any time.*

*Subd. 3. [ASSESSMENT PRESUMED VALID.] A return or assessment of tax made by the commissioner is prima facie correct and valid. The taxpayer has the burden of establishing its incorrectness or invalidity in any related action or proceeding.*

*Subd. 4. [AGGREGATE REFUND OR ASSESSMENT.] The commissioner, on examining returns of a taxpayer for more than one year or period, may issue one order covering the period under examination that reflects the aggregate refund or additional tax due.*

*Subd. 5. [SUFFICIENCY OF NOTICE.] An order of assessment, sent postage prepaid by United States mail to the taxpayer at the taxpayer's last known address, is sufficient even if the taxpayer is deceased or is under a legal disability, or, in the case of a corporation, has terminated its existence, unless the department has been provided with a new address by a party authorized to receive notices of assessment.*

*Subd. 6. [ORDER OF ASSESSMENT IF JOINT INCOME TAX RETURN.] If a joint income tax return is filed by a husband and wife, an order of assessment may be a single joint notice. If the commissioner has been notified by either spouse that that spouse's address has changed and if that spouse requests it, then, instead of the single joint notice mailed to the last known address of the husband and wife, a duplicate or original of the joint notice must be sent to the requesting spouse at the address designated by the requesting spouse. The other joint notice must be mailed to the other spouse at that spouse's last known address. An assessment is not invalid for failure to send it to a spouse if the spouse actually receives the notice in the same period as if it had been mailed to that spouse at the correct address or if the spouse has failed to provide an address to the commissioner other than the last known address.*

**Sec. 18. [289A.06] [LIMITATIONS ON TIME FOR ASSESSMENT OF TAX.]**

*Subdivision 1. [GENERAL RULE.] Except as otherwise provided in this section, the amount of taxes assessable must be assessed within 3-1/2 years after the date the return is filed.*

*Subd. 2. [FILING DATE.] For purposes of this section, a tax return filed before the last day prescribed by law for filing is considered to be filed on the last day.*

*Subd. 3. [ESTATE TAXES.] Estate taxes must be assessed within 180 days after the return and the documents required under section 289A.0214, subdivision 2, have been filed.*

*Subd. 4. [PROPERTY TAX REFUND.] For purposes of computing the limitation under this section, the due date of the property tax refund return as provided for in chapter 290A is the due date for an income tax return covering the year in which the rent was paid or the year preceding the year in which the property taxes are payable.*

*Subd. 5. [FALSE OR FRAUDULENT RETURN; NO RETURN.] Notwithstanding the limitations under subdivisions 1 and 3, the tax may be assessed at any time if a false or fraudulent return is filed or when a*

*taxpayer fails to file a return.*

**Subd. 6. [OMISSION IN EXCESS OF 25 PERCENT.]** *Additional taxes may be assessed within 6-1/2 years after the due date of the return or the date the return was filed, whichever is later, if:*

*(1) the taxpayer omits from gross income an amount properly includable in it that is in excess of 25 percent of the amount of gross income stated in the return;*

*(2) the taxpayer omits from a sales or withholding tax return an amount in excess of 25 percent of the taxes reported in the return; or*

*(3) the taxpayer omits from the gross estate assets in excess of 25 percent of the gross estate reported in the return.*

**Subd. 7. [FEDERAL TAX CHANGES.]** *If the amount of income, items of tax preference, deductions, or credits for any year of a taxpayer as reported to the Internal Revenue Service is changed or corrected by the commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or sub-contract with the United States results in a change in income, items of tax preference, deductions, or credits, or, in the case of estate tax, where there are adjustments to the taxable estate resulting in a change to the credit for state death taxes, the taxpayer shall report the change or correction or renegotiation results in writing to the commissioner, in the form required by the commissioner. The report must be submitted within 90 days after the final determination and must concede the accuracy of the determination or state how it is wrong. A taxpayer filing an amended federal tax return must also file a copy of the amended return with the commissioner of revenue within 90 days after filing the amended return.*

**Subd. 8. [FAILURE TO REPORT CHANGE OR CORRECTION OF FEDERAL RETURN.]** *If a taxpayer fails to make a report as required by subdivision 7, the commissioner may recompute the tax, including a refund, based on information available to the commissioner. The tax may be recomputed within six years after the report should have been filed, notwithstanding any period of limitations to the contrary.*

**Subd. 9. [REPORT MADE OF CHANGE OR CORRECTION OF FEDERAL RETURN.]** *If a taxpayer is required to make a report under subdivision 7, and does report the change or files a copy of the amended return, the commissioner may recompute and reassess the tax due, including a refund (1) within one year after the report or amended return is filed with the commissioner, notwithstanding any period of limitations to the contrary, or (2) within any other applicable period stated in this section, whichever period is longer. The period provided for the carryback of any amount of loss or credit is also extended as provided in this subdivision, notwithstanding any law to the contrary.*

**Subd. 10. [INCORRECT DETERMINATION OF FEDERAL ADJUSTED GROSS INCOME.]** *Notwithstanding any other provision of this chapter, if a taxpayer whose gross income is determined under section 290.01, subdivisions 20 and 20e, omits from income an amount that will under the Internal Revenue Code of 1986, as amended through December 31, 1989, extend the statute of limitations for the assessment of federal income taxes, or otherwise incorrectly determines the taxpayer's federal adjusted gross income resulting in adjustments by the Internal Revenue Service, then the*

*period of assessment and determination of tax will be that under the Internal Revenue Code of 1986, as amended through December 31, 1989. When a change is made to federal income during the extended time provided under this subdivision, the provisions under subdivisions 7 to 9 regarding additional extensions apply.*

*Subd. 11. [NET OPERATING LOSS CARRYBACK.] If a deficiency of tax is attributable to a net operating loss carryback that has been disallowed in whole or in part, the deficiency may be assessed at any time that a deficiency for the taxable year of the loss may be assessed.*

*Subd. 12. [REQUEST FOR EARLY AUDIT FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, AND CORPORATE FRANCHISE TAXES.] (a) Tax must be assessed within 18 months after written request for an assessment has been made in the case of income received (1) during the lifetime of a decedent, (2) by the decedent's estate during the period of administration, (3) by a trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.029, subdivision 4, or (4) by a corporation. A proceeding in court for the collection of the tax must begin within two years after written request for the assessment (filed after the return is made and in the form the commissioner prescribes) by the personal representative or other fiduciary representing the estate of the decedent, or by the trustee of a terminating trust or other fiduciary who, because of custody of assets, would be liable for the payment of tax under section 289A.029, subdivision 4, or by the corporation. Except as provided in section 289A.10, subdivision 1, an assessment must not be made after the expiration of 3-1/2 years after the return was filed, and an action must not be brought after the expiration of four years after the return was filed.*

*(b) Paragraph (a) only applies in the case of a corporation if:*

*(1) the written request notifies the commissioner that the corporation contemplates dissolution at or before the expiration of the 18-month period;*

*(2) the dissolution is begun in good faith before the expiration of the 18-month period; and*

*(3) the dissolution is completed within the 18-month period.*

*Subd. 13. [TIME LIMIT FOR ASSESSMENT AND COLLECTION FOR TRANSFEREE OR FIDUCIARY.] The period of limitation for assessment and collection of any liability of a transferee or fiduciary is as follows:*

*(1) In the case of the liability of an initial transferee of the property of the taxpayer, the tax may be assessed within one year after the expiration of the period of limitation of assessment against the taxpayer. The tax may be collected by action brought within one year after the expiration of the period of limitation for the starting of an action against the taxpayer.*

*(2) In the case of the liability of the transferee of a transferee of the property of the taxpayer, the tax may be assessed within one year after the expiration of the period of limitation for assessment against the preceding transferee, but only if within 3-1/2 years after the expiration of the period of limitation for assessment against the taxpayer. The tax may be collected by action brought within one year after the expiration of the period of limitation for the starting of an action against the preceding transferee, but only if within four years after the expiration of the period of limitation for bringing an action against the taxpayer; except that if*

*before the expiration of the period of limitation for the assessment of the liability of the transferee a court proceeding for the collection of the tax or liability has been begun against the taxpayer or last preceding transferee, liability of the transferee expires one year after the return of execution in the court proceeding and the period of limitation for collection by action will expire one year after the liability is assessed.*

*(3) In the case of the liability of a fiduciary, the tax may be assessed up to one year after the liability arises or not later than the expiration of the period for collection of the tax for which the liability arises, whichever is later, and may be collected by action brought within one year after assessment.*

*(4) For the purposes of this subdivision, if the taxpayer is deceased, or in the case of a corporation, has ended its existence, the period of limitation for assessment against the taxpayer will be the period that would be in effect had death or termination of existence not occurred.*

*As used in this subdivision, the term "transferee" includes heir, legatee, devisee, and distributee.*

**Subd. 14. [FAILURE TO TIMELY FILE WITHHOLDING RECONCILIATION.]** *If an employer fails to timely file the reconciliation required by section 289A.0212, subdivision 2, paragraph (d), withholding taxes may be assessed within the period prescribed in subdivision 1, or within one year from the date the reconciliation is filed with the commissioner, whichever is later.*

**Sec. 19. [289A.07] [LIMITATIONS; ARMED SERVICES.]**

**Subdivision 1. [EXTENSIONS FOR SERVICE MEMBERS.]** *The limitations of time provided by this chapter and chapter 290 relating to income taxes and chapter 271 relating to the tax court for filing returns, paying taxes, claiming refunds, commencing action thereon, appealing to the tax court from orders relating to income taxes, and appealing to the Supreme Court from decisions of the tax court relating to income taxes are extended, with respect to an individual, for the period during which the individual serves in the armed forces of the United States, or serves in support of the armed forces and as provided in section 7508 of the Internal Revenue Code of 1986, as amended through December 31, 1989, or serves in an area designated by the president as a combat zone or is hospitalized outside the United States as a result of injury received while serving in the combat during that time and for a further period of six months.*

**Subd. 2. [INTEREST AND PENALTIES.]** *Interest on income tax must not be assessed or collected from an individual, and interest must not be paid upon an income tax refund to any individual, with respect to whom, and for the period during which, the limitations or time are extended as provided in subdivision 1. A penalty will not be assessed or collected from an individual for failure during that period to perform an act required by the laws described in subdivision 1.*

**Subd. 3. [ASSESSMENTS; ACTIONS.]** *The time limitations provided for the assessment of a tax, penalty, or interest, are extended, with respect to those individuals and for the period provided in subdivision 1 and for a further period of six months; and the time limitations for the commencement of action to collect a tax, penalty, or interest from those individuals are extended for a period ending six months after the expiration of the time for assessment as provided in this section.*

*Subd. 4. [APPLICABILITY.] Nothing in this section reduces the time within which an act is required or permitted under this chapter.*

*Subd. 5. [EXTENSION LIMITATIONS.] This section does not extend the time for performing any of the acts set forth in this chapter beyond the expiration of three months after the appointment of a personal representative or guardian, in this state, for any individual described in this section, except as provided in subdivision 6.*

*Subd. 6. [DEATH WHILE SERVING IN ARMED FORCES.] If an individual dies while in active service as a member of the military or naval forces of the United States or of any of the United Nations, an income tax imposed under chapter 290 will not be imposed for the taxable year in which the individual dies. Income tax imposed for a prior taxable year that is unpaid at the date of death (including additions to the tax, penalties) must not be assessed, and if assessed, the assessment must be abated. In addition, upon the filing of a claim for refund within seven years from the date the return was filed, the tax paid or collected with respect to any taxable year beginning after December 31, 1949, during which the decedent was in active service must be refunded.*

*Subd. 7. [DEATH OF CIVILIAN WHILE OUTSIDE UNITED STATES.] If an individual dies while a civilian employee of the United States as a result of wounds or injuries incurred while the individual was a civilian employee of the United States, and which were incurred outside the United States in a terroristic or military action, a tax imposed by chapter 290 does not apply with respect to the taxable year in which the death falls and with respect to any prior taxable years in the period beginning with the last taxable year ending before the taxable year in which the wounds or injury were incurred. Terroristic or military action has the meaning given it in section 692(c)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1989.*

**Sec. 20. [289A.08] [LIMITATIONS ON CLAIMS FOR REFUND.]**

*Subdivision 1. [TIME LIMIT; GENERALLY.] Unless otherwise provided in this chapter, a claim for a refund of an overpayment of state tax must be filed within 3-1/2 years from the date prescribed for filing the return, plus any extension of time granted for filing the return, but only if filed within the extended time, or two years from the time the tax is paid in full, whichever period expires later.*

*Subd. 2. [BAD DEBT LOSS.] If a claim relates to an overpayment because of a failure to deduct a loss due to a bad debt or to a security becoming worthless, the claim is considered timely if filed within seven years from the date prescribed for the filing of the return. The refund or credit is limited to the amount of overpayment attributable to the loss.*

*Subd. 3. [NET OPERATING LOSS; INDIVIDUALS.] A refund or credit must be allowed for a net operating loss carryback to any taxable year authorized by section 290.095, or section 172 of the Internal Revenue Code of 1986, as amended through December 31, 1989, but the refund or credit is limited to the amount of overpayment arising from the carryback.*

**Sec. 21. [289A.09] [BANKRUPTCY; SUSPENSION OF TIME.]**

*The running of the period during which a tax must be assessed or collection proceedings commenced is suspended during the period from the date of a filing of a petition in bankruptcy until 30 days after either*

*notice to the commissioner of revenue that the bankruptcy proceedings have been closed or dismissed, or the automatic stay has been terminated or has expired, whichever occurs first.*

*The suspension of the statute of limitations under this section applies to the person the petition in bankruptcy is filed against and other persons who may also be wholly or partially liable for the tax.*

Sec. 22. [289A.10] [CONSENT TO EXTEND STATUTE.]

*Subdivision 1. [EXTENSION AGREEMENT.] If before the expiration of time prescribed in sections 289A.06 and 289A.08 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon.*

*Subd. 2. [FEDERAL EXTENSIONS.] A taxpayer who consents to an extension of time for the assessment of federal income taxes must notify the commissioner within 90 days of the execution of the consent. The period in which the commissioner may recompute the tax is also extended, notwithstanding any period of limitations to the contrary, as follows:*

- (1) for the periods provided in section 289A.06, subdivisions 8 and 9;*
- (2) for six months following the expiration of the extended federal period of limitations when no change is made by the federal authority.*

Sec. 23. [289A.11] [CLAIMS FOR REFUNDS.]

*Subdivision 1. [GENERAL RIGHT TO REFUND.] (a) Subject to the requirements of this section and section 289A.08, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.*

*(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.*

*(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds \$1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than \$1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.*

*(d) If the amount allowable as a credit for withholding or estimated taxes exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment.*

*(e) If the entertainment tax withheld at the source exceeds by \$1 or more the taxes, penalties, and interest reported in the return of the entertainment*

entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than \$1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

**Subd. 2. [REFUND OF SALES TAX TO VENDORS; LIMITATION.]** If a vendor has collected from a purchaser and remitted to the state a tax on a transaction that is not subject to the tax imposed by chapter 297A, the tax is refundable to the vendor only if and to the extent that it is credited to amounts due to the vendor by the purchaser or returned to the purchaser by the vendor.

**Subd. 3. [WITHHOLDING TAX AND ENTERTAINER WITHHOLDING TAX REFUNDS.]** When there is an overpayment of withholding tax by an employer or a person making royalty payments, or an overpayment of entertainer withholding tax by the payor, a refund allowable under this section is limited to the amount of the overpayment that was not deducted and withheld from employee wages or from the royalty payments, or from the compensation of an entertainer.

**Subd. 4. [NOTICE OF REFUND.]** The commissioner shall determine the amount of refund, if any, that is due, and notify the taxpayer of the determination as soon as practicable after a claim has been filed.

**Subd. 5. [WITHHOLDING OF REFUNDS FROM CHILD SUPPORT DEBTORS.]** (a) If a court of this state finds that a person obligated to pay child support is delinquent in making payments, the amount of child support unpaid and owing, including attorney fees and costs incurred in ascertaining or collecting child support, must be withheld from a refund due the person under chapter 290. The public agency responsible for child support enforcement or the parent or guardian of a child for whom the support, attorney fees, and costs are owed may petition the district or county court for an order providing for the withholding of the amount of child support, attorney fees, and costs unpaid and owing as determined by court order. The person from whom the refund may be withheld must be notified of the petition under the rules of civil procedure before the issuance of an order under this subdivision. The order may be granted on a showing to the court that required support payments, attorney fees, and costs have not been paid when they were due.

(b) On order of the court and on payment of \$3 to the commissioner, the commissioner shall withhold the money from the refund due to the person obligated to pay the child support. The amount withheld shall be remitted to the public agency responsible for child support enforcement or to the parent or guardian petitioning on behalf of the child, after any delinquent tax obligations of the taxpayer owed to the revenue department have been satisfied. An amount received by the responsible public agency or the petitioning parent or guardian in excess of the amount of public assistance spent for the benefit of the child to be supported, or the amount of any

support, attorney fees, and costs that had been the subject of the claim under this subdivision that has been paid by the taxpayer before the diversion of the refund, must be paid to the person entitled to the money. If the refund is based on a joint return, the part of the refund that must be paid to the petitioner is the proportion of the total refund that equals the proportion of the total federal adjusted gross income of the spouses that is the federal adjusted gross income of the spouse who is delinquent in making the child support payments.

(c) A petition filed under this subdivision remains in effect with respect to any refunds due under this section until the support money, attorney fees, and costs have been paid in full or the court orders the commissioner to discontinue withholding the money from the refund due the person obligated to pay the support, attorney fees, and costs. If a petition is filed under this subdivision and a claim is made under chapter 270A with respect to the individual's refund and notices of both are received before the time when payment of the refund is made on either claim, the claim relating to the liability that accrued first in time must be paid first. The amount of the refund remaining must then be applied to the other claim.

Subd. 6. [OFFSETTING OF INCOME TAX REFUNDS.] Notwithstanding any other law to the contrary, in the case of an overpayment, the commissioner, within the applicable period of limitations, may credit the amount of the overpayment against a liability with respect to Minnesota income tax on the part of the person who made the overpayment or against a liability with respect to Minnesota income tax on the part of either spouse who filed a joint return for the taxable year in which the overpayment was made and must refund a balance of more than \$1 to the person if the taxpayer so requests.

Subd. 7. [REMEDIES.] (a) If the taxpayer is notified by the commissioner that the refund claim is denied in whole or in part, the taxpayer may:

(1) file an administrative appeal as provided in section 289A.16, or an appeal with the tax court, within 60 days after issuance of the commissioner's notice of denial; or

(2) file an action in the district court to recover the refund.

(b) An action in the district court on a denied claim for refund must be brought within 18 months of the date of the denial of the claim by the commissioner.

(c) No action in the district court or the tax court shall be brought within six months of the filing of the refund claim unless the commissioner denies the claim within that period.

(d) If a taxpayer files a claim for refund and the commissioner has not issued a denial of the claim, the taxpayer may bring an action in the district court or the tax court at any time after the expiration of six months of the time the claim was filed, but within four years of the date that the claim was filed.

(e) The commissioner and the taxpayer may agree to extend the period for bringing an action in the district court.

(f) An action for refund of tax by the taxpayer must be brought in the district court of the district in which lies the county of the taxpayer's residence or principal place of business. In the case of an estate or trust,

*the action must be brought at the principal place of its administration. Any action may be brought in the district court for Ramsey county.*

*Subd. 8. [MISTAKE DISCOVERED BY COMMISSIONER.] If money has been erroneously collected from a taxpayer or other person, the commissioner shall, within the period named in section 289A.08 for filing a claim for refund, and, subject to the provisions of section 270.07, subdivision 5, chapter 270A, and this section, grant a refund to that taxpayer or other person.*

**Sec. 24. [289A.12] [INTEREST PAYABLE TO COMMISSIONER.]**

*Subdivision 1. [INTEREST RATE.] When interest is required under this section, interest is computed at the rate specified in section 270.75.*

*Subd. 2. [LATE PAYMENT.] If a tax is not paid within the time named by law for payment, the unpaid tax bears interest from the date the tax should have been paid until the date the tax is paid.*

*Subd. 3. [EXTENSIONS.] When an extension of time for payment has been granted, interest must be paid from the date the payment should have been made, if no extension had been granted, until the date the tax is paid.*

*Subd. 4. [ADDITIONAL ASSESSMENTS.] When a taxpayer is liable for additional taxes because of a redetermination by the commissioner, or for any other reason, the additional taxes bear interest from the time the tax should have been paid, without regard to an extension allowed, until the date the tax is paid.*

*Subd. 5. [EXCESSIVE CLAIMS FOR REFUNDS UNDER CHAPTER 290A.] When it is determined that a claim for a property tax refund was excessive, the amount that the taxpayer must repay bears interest from the date the claim was paid until the date of repayment.*

*Subd. 6. [ERRONEOUS REFUNDS.] In the case of an erroneous refund, interest begins to accrue from the date the refund was paid unless the erroneous refund results from a mistake of the department, in which case no interest or penalty will be imposed, unless the deficiency assessment is not satisfied within 60 days of the order.*

*Subd. 7. [INSTALLMENT PAYMENTS; ESTATE TAX.] Interest must be paid on unpaid installment payments of the tax authorized under section 289A.028, subdivision 2, beginning on the date the tax was due without regard to extensions allowed or extensions elected, at the rate of interest in effect under section 270.75, nine months following the date of death.*

*Subd. 8. [INTEREST ON JUDGMENTS.] Notwithstanding section 549.09, if judgment is entered in favor of the commissioner with regard to any tax, the judgment bears interest at the rate given in section 270.75 from the date the judgment is entered until the date of payment.*

*Subd. 9. [INTEREST ON PENALTIES.] (a) A penalty imposed under section 289A.14, subdivision 1, 2, 3, 4, 5, or 6, bears interest from the date the return or payment was required to be filed or paid, including any extensions, to the date of payment of the penalty.*

*(b) A penalty not included in paragraph (a) bears interest only if it is not paid within ten days from the date of notice. In that case interest is imposed from the date of notice to the date of payment.*

**Sec. 25. [289A.13] [INTEREST ON OVERPAYMENTS.]**

*Subdivision 1. [INTEREST RATE.] When interest is due on an overpayment under this section, it must be computed at the rate specified in section 270.76.*

*Subd. 2. [CORPORATE FRANCHISE, INDIVIDUAL AND FIDUCIARY INCOME, AND ENTERTAINER TAX OVERPAYMENTS.] Interest must be paid on an overpayment refunded or credited to the taxpayer from the date of payment of the tax until the date the refund is paid or credited. For purposes of this subdivision, the prepayment of tax made by withholding of tax at the source or payment of estimated tax before the due date is considered paid on the last day prescribed by law for the payment of the tax by the taxpayer. A return filed before the due date is considered as filed on the due date.*

*When the amount of tax withheld at the source or paid as estimated tax or allowable as other refundable credits, or withheld from compensation of entertainers, exceeds the tax shown on the original return by \$10, the amount refunded bears interest from 90 days after (1) the due date of the return of the taxpayer, or (2) the date on which the original return is filed, whichever is later, until the date the refund is paid to the taxpayer. Where the amount to be refunded is less than \$10, no interest is paid. However, to the extent that the basis for the refund is a net operating loss carryback, interest is computed only from the end of the taxable year in which the loss occurs.*

*Subd. 3. [WITHHOLDING TAX, ENTERTAINER WITHHOLDING TAX, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, ESTATE TAX, AND SALES TAX OVERPAYMENTS.] When a refund is due for overpayments of withholding tax, entertainer withholding tax, withholding from payments to out-of-state contractors, estate tax, or sales tax, interest is computed from the date of payment to the date the refund is paid or credited. For purposes of this subdivision, the date of payment is the later of the date the tax was finally due or was paid.*

*Subd. 4. [CAPITAL EQUIPMENT REFUNDS.] Notwithstanding subdivision 3, for refunds payable under section 297A.15, subdivision 5, interest is computed from the date the refund claim is filed with the commissioner.*

*Subd. 5. [SALES OR MOTOR VEHICLE EXCISE TAX; RETAILERS.] In the case of a refund allowed under section 297A.211, subdivision 3, interest is allowed only from the date on which the person has both registered as a retailer and filed a claim for refund.*

*Subd. 6. [PROPERTY TAX REFUNDS UNDER CHAPTER 290A.] (a) When a renter is owed a property tax refund, an unpaid refund bears interest after August 14, or 60 days after the refund claim was made, whichever is later, until the date the refund is paid.*

*(b) When any other claimant is owed a property tax refund, the unpaid refund bears interest after September 29, or 60 days after the refund claim was made, whichever is later, until the date the refund is paid.*

**Sec. 26. [289A.14] [CIVIL PENALTIES.]**

*Subdivision 1. [PENALTY FOR FAILURE TO PAY TAX.] If a tax is not paid or amounts required to be withheld are not remitted within the time specified for payment, a penalty must be added to the amount required to be shown as tax. The penalty is three percent of the tax not paid on or*

before the date specified for payment of the tax if the failure is for not more than 30 days, with an additional penalty of three percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days during which the failure continues, not exceeding 24 percent in the aggregate.

**Subd. 2. [PENALTY FOR FAILURE TO MAKE AND FILE RETURN.]** If a taxpayer fails to make and file a return within the time prescribed or an extension, a penalty is added to the tax. The penalty is three percent of the amount of tax not paid on or before the date prescribed for payment of the tax including any extensions if the failure is for not more than 30 days, with an additional five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days, during which the failure continues, not exceeding 23 percent in the aggregate.

If a taxpayer fails to file a return, other than an income tax return of an individual, within 60 days of the date prescribed for filing of the return (determined with regard to any extension of time for filing), the addition to tax under this subdivision must not be less than the lesser of: (1) \$200; or (2) the greater of (a) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax, or (b) \$50.

**Subd. 3. [COMBINED PENALTIES.]** When penalties are imposed under subdivisions 1 and 2, except for the minimum penalty under subdivision 2, the penalties imposed under both subdivisions combined must not exceed 38 percent.

**Subd. 4. [SUBSTANTIAL UNDERSTATEMENT OF LIABILITY; PENALTY.]** The commissioner of revenue shall impose a penalty for substantial understatement of any tax payable to the commissioner, except a tax imposed under chapter 297A.

There must be added to the tax an amount equal to 20 percent of the amount of any underpayment attributable to the understatement. There is a substantial understatement of tax for the period if the amount of the understatement for the period exceeds the greater of: (1) ten percent of the tax required to be shown on the return for the period; or (2)(a) \$10,000 in the case of a corporation other than an S corporation as defined in section 290.9725 when the tax is imposed by chapter 290, or (b) \$5,000 in the case of any other taxpayer, and in the case of a corporation any tax not imposed by chapter 290. The term "understatement" means the excess of the amount of the tax required to be shown on the return for the period, over the amount of the tax imposed that is shown on the return. The amount of the understatement shall be reduced by that part of the understatement that is attributable to the tax treatment of any item by the taxpayer if there is or was substantial authority for the treatment, or any item with respect to which the relevant facts affecting the item's tax treatment are adequately disclosed in the return or in a statement attached to the return. The special rules in cases involving tax shelters provided in section 6662(d)(2)(C) of the Internal Revenue Code of 1986, as amended through December 31, 1989, shall apply and shall apply to a tax shelter the principal purpose of which is the avoidance or evasion of state taxes. The commissioner may abate all or any part of the addition to the tax provided by this section on a showing by the taxpayer that there was reasonable cause for the understatement, or part of it, and that the taxpayer acted in good faith. The additional tax and penalty shall bear interest at the rate specified in section

270.75 from the time the tax should have been paid until paid.

**Subd. 5. [PENALTY FOR INTENTIONAL DISREGARD OF LAW OR RULES.]** *If part of an additional assessment is due to negligence or intentional disregard of the provisions of the applicable tax laws or rules of the commissioner, but without intent to defraud, there must be added to the tax an amount equal to ten percent of the additional assessment.*

**Subd. 6. [PENALTY FOR FALSE OR FRAUDULENT RETURN, EVASION.]** *If a person files a false or fraudulent return, or attempts in any manner to evade or defeat a tax or payment of tax, there is imposed on the person a penalty equal to 50 percent of the tax, less amounts paid by the person on the basis of the false or fraudulent return, due for the period to which the return related.*

**Subd. 7. [PENALTY FOR FRIVOLOUS RETURN.]** *If an individual files what purports to be a tax return required by chapter 290 but which does not contain information on which the substantial correctness of the assessment may be judged or contains information that on its face shows that the assessment is substantially incorrect and the conduct is due to a position that is frivolous or a desire that appears on the purported return to delay or impede the administration of Minnesota tax laws, then the individual shall pay a penalty of \$500. In a proceeding involving the issue of whether or not a person is liable for this penalty, the burden of proof is on the commissioner.*

**Subd. 8. [PENALTY FOR FAILURE TO FILE INFORMATIONAL RETURN.]** *In the case of a failure to file an informational return required by section 289A.0218 with the commissioner on the date prescribed (determined with regard to any extension of time for filing), the person failing to file the return shall pay a penalty of \$50 for each failure or in the case of a partnership, S corporation, or fiduciary return, \$50 for each partner, shareholder, or beneficiary; but the total amount imposed on the delinquent person for all failures during any calendar year must not exceed \$25,000. If a failure to file a return is due to intentional disregard of the filing requirement, then the penalty imposed under the preceding sentence must not be less than an amount equal to:*

*(1) in the case of a return not described in clause (2) or (3), ten percent of the aggregate amount of the items required to be reported;*

*(2) in the case of a return required to be filed under section 289A.0218, subdivision 5, five percent of the gross proceeds required to be reported; and*

*(3) in the case of a return required to be filed under section 289A.0218, subdivision 9, relating to direct sales, \$100 for each failure; however, the total amount imposed on the delinquent person for intentional failures during a calendar year must not exceed \$50,000. The penalty must be collected in the same manner as a delinquent income tax.*

**Subd. 9. [PENALTIES FOR FAILURE TO GIVE ANNUAL REPORT INFORMATION BY EXEMPT INDIVIDUALS, CORPORATIONS.]** *In the case of a failure to give annual report information as prescribed by section 290.05, subdivision 4, the exempt individual or corporation shall pay the commissioner a penalty of \$100 for each failure.*

**Subd. 10. [PENALTY FOR FAILURE TO PROVIDE SOCIAL SECURITY NUMBER AS REQUIRED.]** *A person who is required by law to:*

(1) give the person's social security account number to another person; or  
(2) include in a return, statement, or other document made with respect to another person that individual's social security account number, who fails to comply with the requirement when prescribed, must pay a penalty of \$50 for each failure. The total amount imposed on a person for failures during a calendar year must not exceed \$25,000.

*Subd. 11. [PENALTIES RELATING TO INFORMATION REPORTS, WITHHOLDING.]* (a) When a person required under section 289A.0212, subdivision 2, to give a statement to an employee or payee and a duplicate statement to the commissioner, or to give a reconciliation of the statements and quarterly returns to the commissioner, gives a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements and quarterly returns to the commissioner, or fails to give a statement or the reconciliation in the manner, when due, and showing the information required by section 289A.0212, subdivision 2, or rules prescribed by the commissioner under that section, that person is liable for a penalty of \$50 for an act or failure to act. The total amount imposed on the delinquent person for failures during a calendar year must not exceed \$25,000.

(b) In addition to any other penalty provided by law, an employee who gives a withholding exemption certificate or a residency affidavit to an employer that the employee has reason to know contains a materially incorrect statement is liable to the commissioner of revenue for a penalty of \$500 for each instance.

(c) In addition to any other penalty provided by law, an employer who fails to submit a copy of a withholding exemption certificate or a residency affidavit required by section 290.92, subdivision 5a, clause (1)(a), (1)(b), or (2) is liable to the commissioner of revenue for a penalty of \$50 for each instance.

(d) An employer or payor who fails to file an application for a withholding account number, as required by section 290.92, subdivision 24, is liable to the commissioner for a penalty of \$100.

*Subd. 12. [PENALTIES RELATING TO PROPERTY TAX REFUNDS.]* (a) If the commissioner determines that a property tax refund claim is or was excessive and was filed with fraudulent intent, the claim must be disallowed in full. If the claim has been paid, the amount disallowed may be recovered by assessment and collection.

(b) If it is determined that a property tax refund claim is excessive and was negligently prepared, ten percent of the corrected claim must be disallowed. If the claim has been paid, the amount disallowed must be recovered by assessment and collection.

(c) An owner or managing agent who knowingly fails to give a certificate of rent constituting property tax to a renter, as required by section 290A.19, paragraph (a), is liable to the commissioner for a penalty of \$100 for each failure.

(d) If the owner or managing agent knowingly gives rent certificates that report total rent constituting property taxes in excess of the amount of actual property taxes paid on the rented part of a property, the owner or managing agent is liable for a penalty equal to the greater of (1) \$100 or (2) 50 percent of the excess that is reported.

(e) A claim filed after the original or extended due date will be reduced by five percent of the amount otherwise allowable, plus an additional five percent for each month of delinquency, not exceeding a total reduction of 25 percent, which may be canceled or reduced by the commissioner if the delinquency is due to reasonable cause. In any event, no claim is allowed if the initial claim is filed more than one year after the original due date for filing the claim.

Subd. 13. [PENALTIES FOR TAX RETURN PREPARERS.] (a) If an understatement of liability with respect to a return or claim for refund is due to a willful attempt in any manner to understate the liability for a tax by a person who is a tax return preparer with respect to the return or claim, the person shall pay to the commissioner a penalty of \$500. If a part of a property tax refund claim is excessive due to a willful attempt in any manner to overstate the claim for relief allowed under chapter 290A by a person who is a tax refund or return preparer, the person shall pay to the commissioner a penalty of \$500 with respect to the claim. These penalties may not be assessed against the employer of a tax return preparer unless the employer was actively involved in the willful attempt to understate the liability for a tax or to overstate the claim for refund. These penalties are income tax liabilities and may be assessed at any time as provided in section 289A.06, subdivision 5.

(b) A civil action in the name of the state of Minnesota may be commenced to enjoin any person who is a tax return preparer doing business in this state from further engaging in any conduct described in paragraph (c). An action under this paragraph must be brought by the attorney general in the district court for the judicial district of the tax return preparer's residence or principal place of business, or in which the taxpayer with respect to whose tax return the action is brought resides. The court may exercise its jurisdiction over the action separate and apart from any other action brought by the state of Minnesota against the tax return preparer or any taxpayer.

(c) In an action under paragraph (b), if the court finds that a tax return preparer has:

(1) engaged in any conduct subject to a civil penalty under section 289A.14 or a criminal penalty under section 289A.15;

(2) misrepresented the preparer's eligibility to practice before the department of revenue, or otherwise misrepresented the preparer's experience or education as a tax return preparer;

(3) guaranteed the payment of any tax refund or the allowance of any tax credit; or

(4) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of state tax law, and injunctive relief is appropriate to prevent the recurrence of that conduct,

the court may enjoin the person from further engaging in that conduct.

(d) If the court finds that a tax return preparer has continually or repeatedly engaged in conduct described in paragraph (c), and that an injunction prohibiting that conduct would not be sufficient to prevent the person's interference with the proper administration of state tax laws, the court may enjoin the person from acting as a tax return preparer. The

*court may not enjoin the employer of a tax return preparer for conduct described in paragraph (c) engaged in by one or more of the employer's employees unless the employer was also actively involved in that conduct.*

*(e) For purposes of this subdivision, the term "understatement of liability" means an understatement of the net amount payable with respect to a tax imposed by state tax law, or an overstatement of the net amount creditable or refundable with respect to a tax. The determination of whether or not there is an understatement of liability must be made without regard to any administrative or judicial action involving the taxpayer. For purposes of this subdivision, the amount determined for underpayment of estimated tax under either section 289A.026 or 289A.027 is not considered an understatement of liability.*

*(f) For purposes of this subdivision, the term "overstatement of claim" means an overstatement of the net amount refundable with respect to a claim for property tax relief provided by chapter 290A. The determination of whether or not there is an overstatement of a claim must be made without regard to administrative or judicial action involving the claimant.*

*(g) For purposes of this section, the term "tax refund or return preparer" means an individual who prepares for compensation, or who employs one or more individuals to prepare for compensation, a return of tax, or a claim for refund of tax. The preparation of a substantial part of a return or claim for refund is treated as if it were the preparation of the entire return or claim for refund. An individual is not considered a tax return preparer merely because the individual:*

- (1) gives typing, reproducing, or other mechanical assistance;*
- (2) prepares a return or claim for refund of the employer, or an officer or employee of the employer, by whom the individual is regularly and continuously employed;*
- (3) prepares a return or claim for refund of any person as a fiduciary for that person; or*
- (4) prepares a claim for refund for a taxpayer in response to a tax order issued to the taxpayer.*

[ACCELERATED PAYMENT OF JUNE SALES TAX LIABILITY; PENALTY FOR UNDERPAYMENT.] If a vendor is required by law to submit an estimation of June sales tax liabilities and one-half payment by a certain date, and the vendor fails to remit the balance due by the date required, the vendor shall pay a penalty equal to ten percent of the amount of actual June liability required to be paid in June less the amount remitted in June. The penalty must not be imposed, however, if the amount remitted in June equals the lesser of: (1) 45 percent of the actual June liability, or (2) 50 percent of the preceding May's liability.*

*Subd. 16. [PENALTY FOR SALES AFTER REVOCATION.] A person who engages in the business of making retail sales after revocation of a permit under section 297A.07 is liable for a penalty of \$100 for each day*

*Subd. 18. [PAYMENT OF PENALTIES.] The penalties imposed by this section are collected and paid in the same manner as taxes.*

Sec. 29. Minnesota Statutes Second 1989 Supplement, section 290.92, subdivision 4b, is amended to read:

Subd. 4b. [WITHHOLDING BY PARTNERSHIPS.] (a) A partnership shall deduct and withhold a tax as provided in paragraph (b) when the partnership pays or credits amounts to any of its nonresident individual partners on account of their distributive shares of partnership income for a taxable year of the partnership.

(b) The amount of tax withheld is determined by multiplying the partner's distributive share allocable to Minnesota under section 290.17, paid or credited during the taxable year by the highest rate used to determine the income tax liability for an individual under section 290.06, subdivision 2c, except that the amount of tax withheld may be determined based on tables provided by the commissioner if the partner submits a withholding exemption certificate under subdivision 5.

and specific as to the information sought to be obtained, and (e) the information sought to be obtained is limited solely to the scope of the investigation. Provided further that the party served with a summons which does not identify the person or persons with respect to whose tax liability the summons is issued shall have the right, within 20 days after service of the summons, to petition the district court for the judicial district in which lies the county in which that party is located for a determination as to whether the commissioner of revenue has complied with all the requirements in (a) to (e), and thus, whether the summons is enforceable. If no such petition is made by the party served within the time prescribed, the summons shall have the force and effect of a court order;

(8) cause the deposition of witnesses residing within or without the state, or absent therefrom, to be taken, upon notice to the interested party, if any, in like manner that depositions of witnesses are taken in civil actions in the district court, in any matter which the commissioner may have authority to investigate or determine;

*Subdivision 1. [LIABILITY IMPOSED.] A person who, either singly or jointly with others, has the control of, supervision of, or responsibility for filing returns or reports, paying taxes, or collecting or withholding and remitting taxes and who fails to do so, or a person who is liable under any other law, is liable for the payment of taxes, penalties, and interest arising under chapters 296, 297, 297A, and 297C, or sections 290.92, 349.212, and 349.2121.*

*Subd. 2. [PERSON DEFINED.] The term "person" includes, but is not limited to, a corporation, estate, trust, organization, or association, whether organized for profit or not, an officer or director of a corporation, a*

*member of a partnership, an employee, a third party (including, but not limited to, a financial institution, lender, or surety), and any other individual or entity.*

*Subd. 3. [PROCEDURE FOR ASSESSMENT.] The commissioner may assess liability for the taxes described in subdivision 1 against a person liable under this section. The assessment may be based upon information available to the commissioner. It must be made within the prescribed period of limitations for assessing the underlying tax. An order assessing personal liability under this section is reviewable under section 289A.16 and is appealable to tax court.*

Sec. 3. Minnesota Statutes 1988, section 270.65, is amended to read:

Sec. 4. [270.652] [ALLOCATION OF PAYMENT.]

*In the discretion of the commissioner of revenue, payments received for taxes may be credited first to the oldest liability not secured by a judgment or lien. For liabilities to which payments are applied, the commissioner may credit payments first to penalties, next to interest, and then to the tax due.*

Sec. 5. Minnesota Statutes 1988, section 270.67, subdivision 1, is amended to read:

**Subdivision 1. [LIABILITY AGREEMENTS.]** The commissioner of revenue, or any officer or employee of the department of revenue authorized in writing by the commissioner, is authorized to enter into an agreement in writing with any taxpayer, or duly authorized agent or representative of the taxpayer, relating to the liability of the taxpayer in respect of any state tax administered by the commissioner for any taxable period ending prior to the date of the agreement. ~~If the agreement is approved by the commissioner within the time stated in the agreement, or later agreed to,~~ The agreement shall be final and conclusive; and, except upon a showing of fraud or malfeasance, or misrepresentation of a material fact, the case shall not be reopened as to the matters agreed upon, or the agreement modified, by any officer, employee, or agent of the state; and, in any suit, action, or proceeding, the agreement, or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance with the agreement, shall not be annulled, modified, set aside, or disregarded.

Sec. 6. Minnesota Statutes 1988, section 270.67, subdivision 2, is amended to read:

**Subd. 2. [EXTENSION AGREEMENTS.]** When any portion of any tax payable to the commissioner of revenue together with interest and penalty thereon, if any, has not been paid ~~six months from the date prescribed by law for its payment,~~ the commissioner may extend the time for payment for a further period ~~not to exceed 36 months.~~ When the authority of this section is invoked, the extension shall be evidenced by written agreement

signed by the taxpayer and the commissioner, stating the amount of the tax with penalty and interest, if any, and providing for the payment of the amount in regular weekly, semimonthly or monthly installments. The agreement shall contain a confession of judgment for the amount and for any unpaid portion thereof and shall provide that the commissioner may forthwith enter judgment against the taxpayer in the district court of the county of residence as shown upon the taxpayer's tax return for the unpaid portion of the amount specified in the extension agreement. *The commissioner may accept other collateral the commissioner considers appropriate to secure satisfaction of the tax liability.* The principal sum specified in the agreement shall bear interest at the rate specified in section 270.75 on all unpaid portions thereof until the same has been fully paid or the unpaid portion thereof has been entered as a judgment. The judgment shall bear interest at the rate specified in section 270.75. If it appears to the commissioner that the tax reported by the taxpayer is in excess of the amount actually owing by the taxpayer, the extension agreement or the judgment entered pursuant thereto shall be corrected. If after making the extension agreement or entering judgment with respect thereto, the commissioner determines that the tax as reported by the taxpayer is less than the amount actually due, the commissioner shall assess a further tax in accordance with the provisions of law applicable to the tax. The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

Sec. 7. Minnesota Statutes 1988, section 270.68, subdivision 1, is amended to read:

Subdivision 1. [LEGAL ACTION.] In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the department of revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may ~~proceed under this subdivision.~~ Within five years after the date of assessment of the tax, *or, if the action is to renew a judgment, at any time before the judgment's expiration, the commissioner may bring an action at law against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof.* The action shall be brought in the district court of the judicial district in which lies the county of the residence or principal place of business within this state of the taxpayer, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by the taxpayer shall be conclusive against the taxpayer in this matter. If no place is named in the return, the action may be commenced in Ramsey county. The action shall be commenced by filing with the court administrator a statement showing the name and address of the taxpayer, if known, an itemized summary of the taxable periods and the type of tax, the tax due and unpaid and the interest and penalties due with respect thereto under the provisions of law applicable to the tax, and shall contain a prayer that the court adjudge the taxpayer to be indebted on account of the taxes, interest, and penalties in the amount specified in the statement; a copy of the statement shall be furnished to the court administrator therewith. The court administrator shall mail a copy of the statement by certified mail to the taxpayer at the address given in the return, if any; and ~~if no address is given, then at~~ to the taxpayer's last known address, within five days after the same is filed, except that, if the taxpayer's address is not

If no answer is ~~filed~~ *served* within the specified time, the court administrator, upon the filing of an affidavit of default, shall enter judgment for the state in the amount prayed for, plus costs of \$10. If an answer is filed, the issues raised shall stand for trial as soon as possible after the filing of the answer, and the court shall determine the issues and direct judgment accordingly; and, if the taxes, interest, or penalties are sustained to any extent over the amount rendered by the taxpayer, shall assess \$10 costs against the taxpayer. The court shall disregard all technicalities and matters of form not affecting the substantial merits. The commissioner may call upon the county attorney or the attorney general to conduct the proceedings on behalf of the state. Execution shall be issued upon the judgment at the request of the commissioner, and the execution shall, in all other respects, be governed by the laws applicable to executions issued on judgments. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon the execution.

Sec. 8. Minnesota Statutes 1988, section 270.68, subdivision 3, is amended to read:

The fee for filing or recording the lien must be paid at the time the release of lien is offered for filing or recording. Notwithstanding any law to the contrary, the fee for

filing or recording the lien or the release of lien is \$15.

Sec. 10. Minnesota Statutes 1988, section 270.69, subdivision 3, is amended to read:

Subd. 3. [EXEMPT PROPERTY.] The lien imposed on personal property by this section, even though properly filed, is not enforceable: (1) against a purchaser with respect to tangible personal property purchased at retail, in the ordinary course of the seller's trade or business, unless at the time of purchase the purchaser intends the purchase to or knows the purchase will hinder, evade, or defeat the collection of a tax; or (2) against the personal property listed as exempt in sections 550.37, 550.38, and 550.39.

Sec. 11. Minnesota Statutes 1988, section 270.69, subdivision 7, is amended to read:

Provided, notice need not be given pursuant to this subdivision if the lien of the commissioner has been filed within 30 days or less prior to the foreclosure sale or date of termination. ~~The contents of the notice shall be as prescribed in section 7425(c)(1) of the Internal Revenue Code of 1954, as amended through December 31, 1982,~~ must contain the following information: (1) the name and address of the taxpayer; (2) a copy of the notice of mortgage foreclosure or contract for deed cancellation; (3) a copy of the lien filed by the commissioner; (4) the total unpaid balance of the mortgage or contract for deed; (5) a legal description of the property; and (6) the fair market value of the property.

Subd. 12. [LIEN RELEASE FEE.] A fee of \$25 must be paid to the commissioner of revenue for each duplicate of an original release of lien.

Sec. 14. Minnesota Statutes 1988, section 270.70, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY OF COMMISSIONER.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the date of assessment of the tax, or if a lien has been filed, during the period the lien is enforceable, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property, including any property

in the possession of law enforcement officials, of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37) or property on which there is a lien provided in section 270.69. For this purpose, the term "tax" shall include any penalty, interest and costs properly payable. The term "levy" includes the power of distraint and seizure by any means.

Sec. 15. Minnesota Statutes 1989 Supplement, section 270.73, subdivision 1, is amended to read:

Subdivision 1. [POSTING, NOTICE.] Pursuant to section 270B.12, subdivision 4, the commissioner shall, by the 15th of each month, submit to the commissioner of public safety a list of all taxpayers who are required to withhold or collect the tax imposed by section 290.92 or 297A.02, *or local sales and use tax payable to the commissioner of revenue*, and who are 30 days or more delinquent in either filing a tax return or paying the tax. At least ten days before notifying the commissioner of public safety, the commissioner of revenue shall notify the taxpayer of the intended action.

The commissioner of public safety shall post the list in the same manner as provided in section 340A.318, subdivision 3. The list will prominently show the date of posting. If a taxpayer previously listed cures the delinquency by filing all returns and paying all taxes, the commissioner shall notify the commissioner of public safety within two business days that the delinquency was cured.

Sec. 16. Minnesota Statutes 1988, section 290.92, subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, within five years after the date of assessment of the tax, *or if a lien has been filed under section 270.69, within the statutory period for enforcement of the lien*, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.41. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.495. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the

total amount shown by the notice, subject to the provisions of section 571.55. The employer shall continue to withhold each pay period until ~~the total amount shown by the notice is paid in full~~ *released by the commissioner under section 270.709*. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.55. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision. ~~In crediting amounts withheld against delinquent taxes of an employee, the department shall apply amounts withheld in the following order: penalties, interest, tax and costs.~~

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.61, subdivision 2.

(3) *Within ten days after the expiration of such pay period, the employer shall, by the date prescribed in subdivision 6, remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during the calendar quarter each pay period* under this subdivision. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. No amount required to be paid by an employer by reason of the employer's failure to remit under this subdivision, may be deducted from the gross income of the employer, under sections 290.09, subdivision 4 or 290.01, subdivisions 20 to 20f. Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax and costs.

(4) Clauses (1), (2) and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit

as prescribed in clause (3) above, the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.

Sec. 17. Minnesota Statutes 1988, section 524.3-1001, is amended to read:

524.3-1001 [FORMAL PROCEEDINGS TERMINATING ADMINISTRATION; TESTATE OR INTESTATE; ORDER OF DISTRIBUTION, DECREE, AND GENERAL PROTECTION.]

(a) (1) A personal representative or any interested person may petition for an order of complete settlement of the estate. The personal representative may petition at any time, and any other interested person may petition after one year from the appointment of the original personal representative except that no petition under this section may be entertained until the time for presenting claims which arose prior to the death of the decedent has expired. The petition may request the court to determine testacy, if not previously determined, to consider the final account or compel or approve an accounting and distribution, to construe any will or determine heirs and adjudicate the final settlement and distribution of the estate. After notice to all interested persons and hearing the court may enter an order or orders, on appropriate conditions, determining the persons entitled to distribution of the estate, and, as circumstances require, approving settlement and directing or approving distribution of the estate and discharging the personal representative from further claim or demand of any interested person.

(2) In such petition for complete settlement of the estate, the petitioner may apply for a decree. Upon the hearing, if in the best interests of interested persons, the court may issue its decree which shall determine the persons entitled to the estate and assign the same to them in lieu of ordering the assignment by the personal representative. The decree shall name the heirs and distributees, state their relationship to the decedent, describe the property, and state the proportions or part thereof to which each is entitled. In the estate of a testate decedent, no heirs shall be named in the decree unless all heirs be ascertained.

(3) In solvent estates, the hearing may be waived by written consent to the proposed account and decree of distribution or order of distribution by all heirs or distributees, and the court may then enter its order allowing the account and issue its decree or order of distribution.

(4) Where a decree or order for distribution is issued, the personal representative shall not be discharged until all property is paid or transferred to the persons entitled thereto, and the personal representative has otherwise fully discharged the trust. If ~~objections are an order assessing estate tax or request for documents~~ is filed with the court by the commissioner of revenue, no discharge shall be issued until the ~~objections are determined assessment is paid or the request is complied with~~. If no ~~objection order assessing estate tax or request for documents~~ is filed, the court shall have the power to settle and distribute the estate and discharge the personal representative without regard to tax obligations.

(b) If one or more heirs or devisees were omitted as parties in, or were not given notice of, a previous formal testacy proceeding, the court, on proper petition for an order of complete settlement of the estate under this section, and after notice to the omitted or unnotified persons and other interested parties determined to be interested on the assumption that the previous order concerning testacy is conclusive as to those given notice of the earlier proceeding, may determine testacy as it affects the omitted persons and confirm or alter the previous order of testacy as it affects all interested persons as appropriate in the light of the new proofs. In the absence of objection by an omitted or unnotified person, evidence received in the original testacy proceeding shall constitute prima facie proof of due execution of any will previously admitted to probate, or of the fact that the decedent left no valid will if the prior proceedings determined this fact.

(6) ten percent for the state committee of a political party; money allocated to each state committee under this clause must be deposited in a separate account and must be spent for only those items enumerated in section 10A.275; money allocated to a state committee under this clause must be paid to the committee by the state treasurer as notified by the state ethical practices board as it is received in the account on a monthly basis, with payment on the 15th day of the calendar month following the month in which the tax returns were received processed by the department of revenue, provided that these distributions would be equal to 90 percent of the amount of money indicated in the department of revenue's weekly unedited reports of income tax returns for that and property tax refund returns processed in the month, as notified by the department of revenue to the state ethical practices board. If the total amount of total payments received before September 15 by a state committee for the period reflected on a certification by the department of

To assure that moneys will be returned to the counties from which they were collected, and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, money from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies, according to the following formula:

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different

district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) in the following year. Money from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.

(c) Except upon the sale of a partnership interest or the sale of stock of an S corporation, income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of stock held in an S corporation is allocable to this state ~~in the ratio of the original cost of tangible property of the S corporation within this state to the original cost of tangible property of the S corporation everywhere~~ an amount equal to the gain on the sale of the stock multiplied by the ratio that was used to compute the amount of S corporation income assignable to Minnesota in the tax year preceding the year of sale.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was assignable to Minnesota under subdivision 3.

(d) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state.

(e) Income from winnings on Minnesota pari-mutuel betting tickets, the Minnesota state lottery, and lawful gambling as defined in section 349.12, subdivision 2, conducted within the boundaries of the state of Minnesota shall be assigned to this state.

(f) All items of gross income not covered in paragraphs (a) to (e) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

Sec. 3. Minnesota Statutes 1988, section 290.17, subdivision 5, is amended to read:

Subd. 5. [SPECIAL RULES.] Notwithstanding subdivisions 3 and 4, all income from the operation of the following types of businesses must be allocated as follows:

(a) All income from the operation of a farm is assigned to this state if

the farm is located within this state and no such income is assigned to this state if the farm is located without this state.

~~(b) Income from a trade or business consisting principally of the performance of personal or professional services is assigned to this state if, and to the extent that, the services are performed within this state.~~

(e) For athletic teams when the visiting team does not share in the gate receipts, all of the team's income is assigned to the state in which the team's operation is based.

Sec. 4. Minnesota Statutes 1989 Supplement, section 290.39, subdivision 4, is amended to read:

Subd. 4. [VOTER REGISTRATION FORM.] The commissioner shall insert securely in each individual income tax return form or instruction booklet distributed ~~in an even-numbered~~ *for an odd-numbered* year a voter registration form, returnable to the secretary of state, designed according to rules adopted by the secretary of state. This requirement applies to forms and booklets supplied to post offices, banks, and other outlets, as well as to those mailed directly to taxpayers.

Sec. 5. Minnesota Statutes 1988, section 290.39, subdivision 5, is amended to read:

Subd. 5. [PARTNERSHIPS; NONRESIDENT PARTNERS.] (a) The commissioner may allow a partnership with five or more nonresident partners to file a composite return on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, social security numbers, income allocation, and tax liability for all nonresident partners electing to be covered by the composite return.

(b) The computation of each partner's tax liability will be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners ~~on or before the due date for filing the individual income tax return. The request may be made a part of the return filed.~~ *The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.*

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The penalty for failure to file a return as provided in section 290.53, subdivision 2, is assessed from the due date for filing a return until a noncomposite return is filed. The tax paid for such an individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income,

filing of the composite return constitutes a return for purposes of subdivision 1.

(e) This subdivision does not preclude the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 290.93. However, a composite estimate may be filed in a manner similar to and containing the same information required under paragraph (a).

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under section 290.37, subdivision 1, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is not available to any partner other than a full-year nonresident individual who has no other Minnesota source income.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this subdivision. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to each shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of such estates or trusts may make an election under this subdivision. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to each beneficiary.

Sec. 6. Minnesota Statutes 1988, section 290.49, subdivision 3, is amended to read:

Subd. 3. [OMISSION IN EXCESS OF 25 PERCENT.] If the taxpayer omits from gross income an amount properly includable therein which is in excess of 25 percent of the amount of gross income stated in the return, the tax may be assessed, or a proceeding in court for the collection of such tax may be begun at any time within 6-1/2 years after the return was filed.

For purposes of this subdivision, the term "gross income" shall mean gross income as defined in section ~~290.37, subdivision 1, clause (c)~~ 290.01, subdivision 20.

Sec. 7. Minnesota Statutes 1988, section 290.92, subdivision 12, is amended to read:

Subd. 12. [WITHHELD AMOUNT, CREDIT AGAINST TAX.] The amount deducted and withheld as tax under subdivision 2a ~~or~~ 3, 4b, or 4c or section 290.923, subdivision 2, during any calendar year upon the wages, *partnership income*, or "*S*" *corporation income* of any individual or person receiving royalty payments shall be allowed as a credit to the recipient of the income against the taxes imposed by this chapter or by chapter 298, for a taxable year beginning in such calendar year. If more than one taxable year begins in such calendar year, such amount shall be allowed as a credit against the taxes for the last taxable year so beginning.

Sec. 8. Minnesota Statutes 1988, section 290.92, subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, within five years after the date of

assessment of the tax, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.41. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.495. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.55. The employer shall continue to withhold each pay period until the total amount shown by the notice is paid in full. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.55. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision. In crediting amounts withheld against delinquent taxes of an employee, the department shall apply amounts withheld in the following order: penalties, interest, tax, and costs.

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.61, subdivision 2.

(3) The employer shall, by the date prescribed in subdivision 6, remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during the calendar quarter under this subdivision. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. ~~No amount required to be paid by an employer by reason of the employer's failure to remit under this subdivision, may be deducted from the gross income of the employer, under sections 290.09, subdivision 4 or 290.01, subdivisions 20 to 20f.~~ Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax, and costs.

(4) Clauses (1), (2) and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3) above, the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest, and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.

Sec. 9. Minnesota Statutes 1988, section 290.93, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT OF DECLARATION.] (1) Every individual shall, at the time prescribed in subdivision 5, make and file with the commissioner a declaration of estimated tax for the taxable year if

the gross income (for purposes of this subdivision and subdivision 5 as defined in section ~~290.37, subdivision 1, clause (e) 290.01, subdivision 20~~) for the taxable year can reasonably be expected to exceed the gross income amounts set forth in section 290.37, subdivision 1 pertaining to the requirements for making a return.

(2) If the individual is an infant or incompetent person, the declaration shall be made by the individual's guardian.

(3) Notwithstanding the provisions of this section, no declaration is required if the estimated tax (as defined in subdivision 3) is less than \$500.

Sec. 10. Minnesota Statutes 1988, section 290A.03, subdivision 3, is amended to read:

Subd. 3. [INCOME.] (1) "Income" means the sum of the following:

(vi) interest received from the federal or a state government or any instrumentality or political subdivision thereof;

(vii) workers' compensation;

(viii) nontaxable strike benefits;

(ix) the gross amounts of payments received in the nature of disability income or sick pay as a result of accident, sickness, or other disability, whether funded through insurance or otherwise;

(xi) contributions made by the claimant to an individual retirement account, including a qualified voluntary employee contribution; simplified employee pension plan; self-employed retirement plan; cash or deferred arrangement plan under section 401(k) of the Internal Revenue Code; or deferred compensation plan under section 457 of the Internal Revenue Code; and

(xii) nontaxable scholarship or fellowship grants.

In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" shall mean federal adjusted gross income reflected in the fiscal year ending in the calendar year. Federal adjusted gross income shall not be reduced by the amount of a net operating loss carryback or carryforward or a capital loss carryback or carryforward allowed for the year.

(2) "Income" does not include

(a) amounts excluded pursuant to the Internal Revenue Code, sections 101(a), 102, and 121;

(b) amounts of any pension or annuity which was exclusively funded by the claimant or spouse and which funding payments were not excluded from federal adjusted gross income in the years when the payments were made;

(c) surplus food or other relief in kind supplied by a governmental agency;

(d) relief granted under this chapter; or

(e) child support payments received under a temporary or final decree of dissolution or legal separation.

(e) for the claimant's fifth dependent, the exemption amount; and

(f) if the claimant or claimant's spouse was disabled or attained the age of 65 prior to June 1 of the year for which the taxes were levied or rent paid, the exemption amount.

For purposes of this subdivision, the "exemption amount" means the exemption amount under section 151(d) of the Internal Revenue Code of 1986, as amended through December 31, 1987, for the taxable year for which the income is reported.

Sec. 11. Minnesota Statutes 1988, section 290A.04, subdivision 1, is amended to read:

Subdivision 1. A refund shall be allowed each claimant in the amount that property taxes payable or rent constituting property taxes exceed the percentage of the household income of the claimant specified in subdivision 2 in the year for which the taxes were levied or in the year in which the rent was paid as specified in subdivision 2. If the amount of property taxes payable or rent constituting property taxes is equal to or less than the percentage of the household income of the claimant specified in subdivision 2 in the year for which the taxes were levied or in the year in which the rent was paid, the claimant shall not be eligible for a state refund pursuant to this section. ~~For purposes of claiming this refund, a claimant who owns a homestead part of the year and rents part of the year may add the rent constituting property taxes to the qualifying tax on the homestead.~~

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than ten percent over the net property taxes payable in the prior year on the same property that is owned by the same owner in both years, and the amount of that increase is \$40 or more for taxes payable in 1990 and 1991, \$60 or more for taxes payable in 1992, \$80 or more for taxes payable in 1993, and \$100 or more for taxes payable in 1994, a claimant who is a homeowner shall be allowed an additional refund equal to the sum of (1) 75 percent of the first \$250 of the amount of the increase over ten percent for taxes payable in 1990 and 1991, 75 percent of the first \$275 of the amount of the increase over ten percent for taxes payable in 1992, 75 percent of the first \$300 of the amount of the increase over ten percent for taxes

payable in 1993, and 75 percent of the first \$325 of the amount of the increase over ten percent for taxes payable in 1994, and (2) 90 percent of the amount of the increase over ten percent plus \$250 for taxes payable in 1990 and 1991, 90 percent of the amount of the increase over ten percent plus \$275 for taxes payable in 1992, 90 percent of the amount of the increase over ten percent plus \$300 for taxes payable in 1993, and 90 percent of the amount of the increase over ten percent plus \$325 for taxes payable in 1994. This subdivision shall not apply to any increase in the *net gross* property taxes payable attributable to improvements made to the homestead *after the assessment date for the prior year's taxes.*

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable after reductions made under sections 273.13, subdivisions 22 and 23; 273.132; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

On or before December 1, 1990, and December 1 of each of the following three years, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in the following year. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims exceed the following amounts for the taxes payable year designated, the commissioner shall decrease the percentages of the excess taxes the state will pay and increase the dollar amount of tax increase which must occur before a taxpayer qualifies for a refund.

Taxes payable in:	Appropriation limit
1991	\$7,000,000
1992	\$6,500,000
1993	\$6,000,000
1994	\$5,500,000

The commissioner shall make the adjustments so that half of the estimated savings come from decreasing the percentages of the excess taxes the state will pay and half of the estimated savings come from increasing the dollar amount of the tax increase which must occur before a taxpayer qualifies for a refund. The determinations of the revised percentages and thresholds by the commissioner are not rules subject to chapter 14.

Sec. 13. Minnesota Statutes Second 1989 Supplement, section 290A.04, subdivision 2i, is amended to read:

Subd. 2i. If the net property taxes payable in 1990 on a seasonal residential and recreational property, not devoted to commercial use, increase more than ten percent over the net property taxes payable in 1989 and if the amount is \$40 or more, one ~~claimant~~ *individual* who is an owner of the property in both years is allowed a refund equal to 75 percent of the first \$250 of the excess of the increase over ten percent. This subdivision

does not apply to the portion of an increase in taxes payable that are attributable to improvements to the property.

*The individual claiming the refund can use only one contiguous seasonal residential and recreational property in computing the refund and is allowed only one refund. For the purposes of this subdivision, a husband and wife are treated as one individual.*

In addition to the other proofs required by this chapter, each ~~claimant~~ individual claiming a refund under this subdivision shall file with the application a copy of the property tax statement for property taxes payable in 1989 and 1990 and any other documents required by the commissioner.

The waiver of the estimated tax penalties provided by section 1019 of the Technical and Miscellaneous Revenue Act of 1988, shall also apply to Minnesota to the extent the underpayment was created or increased by any provisions of the changes due to applying the federal law changes.

Subdivision 1. [DOMESTIC AND FOREIGN COMPANIES.] (a) On or before April 15, June 15, and December 15 of each year, every domestic and foreign company, including town and farmers' mutual insurance companies and domestic mutual insurance companies, shall pay to the commissioner of revenue installments equal to one-third of the insurer's total estimated tax for the current year. Except as provided in paragraph (b), installments must be based on a sum equal to two percent of the premiums described in paragraph (c).

(b) For town and farmers' mutual insurance companies and mutual property and casualty insurance companies other than those (i) writing life insurance, or (ii) whose total assets at the end of the preceding calendar year exceed \$1,600,000,000, the installments must be based on an amount equal to the following percentages of the premiums described in paragraph (c):

(2) for premiums paid after December 31, 1991, one-half of one percent.

(c) Installments under paragraph (a) or (b) are percentages of gross premiums less return premiums on all direct business received by the insurer in this state, or by its agents for it, in cash or otherwise, during such year, excepting premiums written for marine insurance as specified in subdivision 6.

(d) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section, *unless the total tax for the current tax year is \$500 or less.*

Sec. 2. Minnesota Statutes 1988, section 60A.198, is amended by adding a subdivision to read:

*Subd. 6. [ALLOCATION OF PREMIUMS ACCORDING TO LOCATION OF SUBJECT MATTER.] If the insurance described in subdivision 4 also covers a subject of insurance residing, located, or to be performed outside this state, for the purposes of this section, a proper pro rata portion of the entire premium payable for all of that insurance must be allocated according to the subjects of insurance residing, located, or to be performed in this state.*

Sec. 3. Minnesota Statutes 1989 Supplement, section 69.021, subdivision 6, is amended to read:

Subd. 6. [CALCULATION OF APPORTIONMENT OF AID TO COUNTIES.] With respect to firefighters, one-half of the state aid available shall be distributed to the counties in proportion to their population as shown by the last official statewide federal census. The remaining one-half of the state aid available shall be distributed to the counties in proportion to their net tax capacity, excluding mineral values.

In the case of incorporated or municipal fire departments furnishing fire protection to cities, towns or townships in other counties as evidenced by valid fire service contracts filed with the commissioner of commerce and county auditor the distribution to the respective counties shall be adjusted proportionately to take into consideration the crossover fire protection service. Necessary adjustments shall be made to subsequent apportionments.

The state aid available in respect to peace officers shall not exceed the amount of tax collected and shall be distributed to the counties in proportion to the total number of active peace officers, as defined in section 69.011, subdivision 1, clause (g), in each county who are employed either by municipalities maintaining police departments or by the county. Any necessary adjustments shall be made to subsequent apportionments.

Sec. 4. Minnesota Statutes 1988, section 69.771, subdivision 3, is amended to read:

Subd. 3. [REMEDY FOR NONCOMPLIANCE; DETERMINATION.] Any municipality in which there exists a firefighters' relief association as specified in subdivision 1 which does not comply with the applicable provisions of sections 69.771 to 69.776 or the provisions of any applicable special law relating to the funding or financing of the association shall not qualify initially to receive, or be entitled subsequently to retain, fire state aid pursuant to sections 69.011 to 69.051 until the reason for disqualification is remedied, whereupon the municipality or relief association, if otherwise qualified, shall be entitled to again receive fire state aid for the year occurring immediately subsequent to the year in which the disqualification is remedied. The ~~commissioner of commerce~~ *state auditor* shall determine if a municipality to which a firefighters' relief association is directly associated or a firefighters' relief association fails to comply with the provisions of sections 69.771 to 69.776 or the funding or financing provisions of any applicable special law based upon the information contained in the annual financial report of the firefighters' relief association required pursuant to section 69.051.

Sec. 5. Minnesota Statutes 1988, section 69.772, subdivision 2a, is amended to read:

Subd. 2a. [DETERMINATION OF ACCRUED LIABILITY FOR RECIPIENTS OF INSTALLMENT PAYMENTS.] Each firefighters' relief association which pays a lump sum service pension in installment payments to a retired firefighter pursuant to section 424A.02, subdivision 8, shall determine the accrued liability of the special fund of the firefighters' relief association relative to each retired member receiving a lump sum service pension in installment payments calculated individually as the sum of each future installment payment discounted at an interest rate of five percent, compounded annually, from the date the installment payment is scheduled to be paid to December 31. If the bylaws of the relief association provide for the payment of interest on unpaid installments, the amount of interest, projected to December 31, shall be added to the accrued liability attributable to each retired member. The sum of the accrued liability attributable to each retired member of the relief association receiving a lump sum service pension in installment payments shall be the total additional accrued liability of the special fund of the relief association as of December 31, and shall be added to the accrued liability of the special fund of the relief association calculated pursuant to subdivision 2 for purposes of calculating

the financial requirements of the relief association and the minimum obligation of the municipality pursuant to subdivision 3.

To the extent that the ~~commissioner of commerce~~ *state auditor* deems it to be necessary or practical, the ~~commissioner~~ *state auditor* may specify and issue procedures, forms or mathematical tables for use in performing the calculations required pursuant to this subdivision.

If the seller and purchaser do not so agree, the county auditor shall make ~~such~~ a division of the net tax capacity as ~~may appear that appears just to the auditor just~~. If the county auditor is satisfied that the proportion of the net tax capacity so agreed to be transferred is greater than the proportional value of the land to be transferred therewith, and that ~~such~~ the agreement was made by collusion of the parties, and with a view fraudulently to evade payment of taxes assessed on the entire parcel, the auditor may refuse to make ~~such~~ the transfer; ~~and~~. When any such transfer has already been procured by fraudulent agreement, the auditor shall cancel ~~the same~~ it, and the land so transferred shall be charged with taxes in the same manner as though the transfer had not been made.

Sec. 4. Minnesota Statutes 1989 Supplement, section 273.01, is amended to read:

273.01 [LISTING AND ASSESSMENT, TIME.]

All real property subject to taxation shall be listed and at least one-fourth of the parcels listed shall be appraised each year with reference to their value on January 2 preceding the assessment so that each parcel shall be reappraised at maximum intervals of four years. All real property becoming taxable in any year shall be listed with reference to its value on January 2 of that year. Except as provided in *this section* and section 274.01, subdivision 1, all real property assessments shall be completed two weeks prior to the date scheduled for the local board of review or equalization. *No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year.* Any changes made by the assessor after ~~this time~~ adjournment must be fully documented and maintained in a file in the assessor's office and shall be available for review by any person. A copy of any changes made during this period shall be sent to the county board *no later than December 31 of the assessment year.* In the event a valuation and classification is not placed on any real property by the dates scheduled for the local board of review or equalization the valuation and classification determined in the preceding assessment shall be continued in effect and the provisions of section 273.13 shall, in such case, not be applicable, except with respect to real estate which has been constructed since the previous assessment. Sec. 5. Minnesota Statutes 1989 Supplement, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6, 8, and 9 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall the assessor adopt as a criterion of value the price for which such property would sell at a forced sale, or in the aggregate with all the property in the town or district; but the assessor shall value each article or description of property by itself, and at such sum or price as the assessor believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements

thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the ~~assessment~~ *valuation* of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, ~~the net tax capacity~~ of that lot or any single contiguous lot fronting on the same street shall be eligible for ~~reassessment~~ *revaluation*. All property, or the use thereof, which is taxable under section 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 6. Minnesota Statutes Second 1989 Supplement, section 273.124, subdivision 6, is amended to read:

(d) the cooperative must meet one of the following criteria with respect to the income of its members: (1) a minimum of 75 percent of members must have incomes at or less than 80 percent of area median income, (2) a minimum of 40 percent of members must have incomes at or less than

60 percent of area median income, or (3) a minimum of 20 percent of members must have incomes at or less than 50 percent of area median income. For purposes of this clause, "member income" means the income of a member existing at the time the member acquires his or her cooperative membership, and "median income" means the St. Paul-Minneapolis metropolitan area median income as determined by the United States Department of Housing and Urban Development;

(e) if a limited partnership owns the property, it must include as the managing general partner a nonprofit organization operating under the provisions of chapter 317 and qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1986, as amended through December 31, 1988, and the limited partnership agreement must provide that the managing general partner have sufficient powers so that it materially participates in the management and control of the limited partnership;

(g) if a dwelling unit of a building was occupied on the 60th day prior to the date on which the unit became leasehold cooperative property described in this subdivision, ~~then (1)~~ the notice described in paragraph (f) must have been sent by first class mail to the occupant of the unit at least 60 days prior to the date on which the unit became leasehold cooperative property, ~~and (2) prior to the mailing of the notice.~~ *For purposes of the notice under this paragraph, the copies of the documents referred to in paragraph (f) may be in proposed version, provided that any subsequent material alteration of those documents made after the occupant has requested a copy shall be disclosed to any occupant who has requested a copy of the document. Copies of the documents identified in the notice must have been articles of incorporation and certificate of limited partnership shall be filed with the secretary of state after the expiration of the 60-day period unless the change to leasehold cooperative status does not proceed;* and

(h) the county attorney of the county in which the property is located must certify to the assessor that the property meets the requirements of this subdivision.

Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 225 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause and clause (6) also includes the remainder of class 1c resorts; and

Sec. 8. Minnesota Statutes Second 1989 Supplement, section 273.1391, subdivision 2, is amended to read:

Subd. 2. For taxes payable in 1990 and subsequent years, the amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which

is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area, and provided that at least 90 percent of the area of the school district which does not meet the qualifications of section 273.134 lies within such county, 57 percent of the tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amounts specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10. The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the tax, but not to exceed the maximums specified in clause (c), and shall not exceed an amount sufficient to reduce the effective tax rate on each parcel of property to the product of 95 percent of the base year effective tax rate multiplied by the ratio of the current year's tax rate to the payable 1989 tax rate. In no case will the reduction for each homestead resulting from this credit be less than \$10.

(c) The maximum reduction of the tax ~~up to the taconite breakpoint~~ is \$200.10 for taxes payable in 1985. This maximum amount shall increase by \$15 multiplied by the quantity one minus the homestead credit equivalency percentage per year for taxes payable in 1986 and subsequent years.

For the purposes of this subdivision, "homestead credit equivalency percentage" means one minus the ratio of the net tax capacity percentage to the gross tax capacity percentage applicable to the first \$68,000 of the market value of residential homesteads, and "effective tax rate" means tax divided by the market value of a property, and the "base year effective tax rate" means the payable 1988 tax on a property with an identical market value to that of the property receiving the credit in the current year after application of the credits payable under Minnesota Statutes 1988, section 273.13, subdivisions 22 and 23, and this section, divided by the market value of the property.

Sec. 9. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] (a) In this section, the terms defined in this subdivision have the meanings given them.

(b) "Unique taxing jurisdiction" means the geographic area subject to the same set of tax capacity rates.

(c) "Gross tax capacity" means the product of the gross class rates and estimated market values. "Total gross tax capacity" means the gross tax capacities for all property within the unique taxing jurisdiction. The total gross tax capacity used shall be reduced by the sum of (1) the unique taxing

jurisdiction's gross tax capacity of commercial industrial property as defined in section 473F02, subdivision 3, multiplied by the ratio determined pursuant to section 473F08, subdivision 6, for the municipality, as defined in section 473F02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the gross tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the gross tax capacity of transmission lines deducted from a local government's total gross tax capacity under section 273.425. Gross tax capacity cannot be less than zero.

(d) "Net tax capacity" means the product of the appropriate net class rates for the year in which the aid is payable, except that for class 3 utility real and personal property the class rate applied shall be 5.38 percent, and estimated market values for the assessment two years prior to that in which aid is payable. "Total net tax capacity" means the net tax capacities for all property within the unique taxing jurisdiction. The total net tax capacity used shall be reduced by the sum of (1) the unique taxing jurisdiction's net tax capacity of commercial industrial property as defined in section 473F02, subdivision 3, multiplied by the ratio determined pursuant to section 473F08, subdivision 6, for the municipality, as defined in section 473F02, subdivision 8, in which the unique taxing jurisdiction is located, (2) the net tax capacity of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the net tax capacity of transmission lines deducted from a local government's total net tax capacity under section 273.425. For purposes of determining the net tax capacity of property referred to in clauses (1) and (2), the net tax capacity shall be multiplied by the ratio of the highest class rate for class 3a property for taxes payable in the year in which the aid is payable to the highest class rate for class 3a property in the prior year. Net tax capacity cannot be less than zero.

(e) "Equalized market values" are market values that have been equalized by dividing the assessor's estimated market value for the second year prior to that in which the aid is payable by the assessment sales ratios determined by class in the assessment sales ratio study conducted by the department of revenue pursuant to section 124.2131 in the second year prior to that in which the aid is payable. The equalized market values shall equal the unequalized market values divided by the assessment sales ratio.

(f) "Local tax rate" means the quotient derived by dividing the gross taxes levied within a unique taxing jurisdiction for taxes payable in 1989 by the gross tax capacity of the unique taxing jurisdiction for taxes payable in 1989. For computation of the local tax rate for aid payable in 1991 and subsequent years, gross taxes for taxes payable in 1989 exclude equalized levies as defined in subdivision 2a. For purposes of computation of the local tax rate only, gross taxes shall not be adjusted by inflation or household growth.

(g) For purposes of calculating the homestead and agricultural credit aid authorized pursuant to subdivision 2, the "subtraction factor" is the product of (i) a unique taxing jurisdiction's local tax rate; (ii) its total net tax capacity; and (iii) 0.9767.

(h) For purposes of calculating and allocating homestead and agricultural credit aid authorized pursuant to subdivision 2 and the disparity reduction aid authorized in subdivision 3, "gross taxes levied on all properties" or "gross taxes" means the total gross taxes levied on all properties except

that levied on the captured value of tax increment districts as defined in section 469.177, subdivision 2, and that levied on the portion of commercial industrial properties' assessed value or gross tax capacity, as defined in section 473F02, subdivision 3, subject to the areawide tax as provided in section 473F08, subdivision 6, in a unique taxing jurisdiction before reduction by any credits for taxes payable in 1989. Gross taxes are before any reduction for disparity reduction aid. Gross taxes levied cannot be less than zero.

For homestead and agricultural credit aid payable in 1991 and subsequent years, "gross taxes" or "gross taxes levied on all properties" shall mean gross taxes payable in 1989, excluding taxes defined as "equalized levies" *actual amounts levied for the purposes listed in subdivision 2a, multiplied by the cost-of-living adjustment factor and the household adjustment factor.*

(i) "Human services aids" means:

(1) aid to families with dependent children under sections 256.82, subdivision 1, and 256.935, subdivision 1;

(2) medical assistance under sections 256B.041, subdivision 5, and 256B.19, subdivision 1;

(3) general assistance medical care under section 256D.03, subdivision 6;

(4) general assistance under section 256D.03, subdivision 2;

(5) work readiness under section 256D.03, subdivision 2;

(6) emergency assistance under section 256.871, subdivision 6;

(7) Minnesota supplemental aid under section 256D.36, subdivision 1;

(8) preadmission screening and alternative care grants under section 256B.091;

(9) work readiness services under section 256D.051;

(10) case management services under section 256.736, subdivision 13;

(11) general assistance claims processing, medical transportation and related costs; and

(12) medical assistance, medical transportation and related costs.

(j) "Adjustment factor" means one plus the percentage change in (1) the ratio of estimated market value of residential ~~homesteads~~ *property* to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. If the market value of farm homesteads exceeds the market value of residential homesteads in the city or township containing the unique taxing jurisdiction *for the assessment two years prior to the year in which the aid is payable*, "~~adjusted~~ *adjustment factor*" means one plus the percentage change in the ratio of the estimated market value of farm ~~homesteads~~ *property* to the estimated market value of all taxable property within the city or township containing the unique taxing jurisdiction based on the assessment one year prior to the year in which the aid is payable when compared to the same ratio based on the assessment two years prior to the year in which the aid is payable. The adjustment factor cannot be less than

one. Estimates of market value for the assessment one year prior to the year in which the aid is paid will be made on the basis of the abstract submitted pursuant to section 270.11. Discrepancies between the estimate and actual market values will not result in increased or decreased aid in the year in which the estimates are used to compute aid.

(k) "Cost-of-living adjustment factor" means one plus the percentage, if any, by which:

(1) the consumer price index for the calendar year preceding that in which aid is payable, exceeds

(2) the consumer price index for calendar year 1989.

(l) "Consumer price index for any calendar year" means the average of the consumer price index as of the close of the 12-month period ending on May 31 of such calendar year.

(m) "Consumer price index" means the last consumer price index for all-urban consumers published by the department of labor. For purposes of the preceding sentence, the revision of the consumer price index which is most consistent with the consumer price index for calendar year 1989 shall be used.

(n) "Household adjustment factor" means the number of households for the most recent year preceding that in which the aids are payable divided by the 1988 number of households. The household adjustment factor cannot be less than one.

Sec. 10. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 2, is amended to read:

Subd. 2. [HOMESTEAD AND AGRICULTURAL CREDIT AID.] (a) Initial homestead and agricultural credit aid for each unique taxing jurisdiction equals the total gross taxes levied on all properties, minus the unique taxing jurisdiction's subtraction factor. The commissioner of revenue may, in computing the amount of the homestead and agricultural credit aid paid in 1990, adjust the gross tax capacity, net tax capacity, and gross taxes of a taxing jurisdiction for taxes payable in 1989 to reflect auditor's errors in computing taxes payable for 1989 in unique taxing jurisdictions within independent school district Nos. 720 and 792. Homestead and agricultural credit aid cannot be less than zero.

(b)(1) The homestead and agricultural credit aid is allocated to each local government levying taxes in the unique taxing jurisdiction in the proportion that the local government's gross taxes bears to the total gross taxes levied within the unique taxing jurisdiction.

(2) The 1990 homestead and agricultural credit aid so determined for school districts for purposes of general education levies pursuant to section 124A.23, subdivisions 2 and 2a, and transportation levies pursuant to section 275.125, subdivisions 5 and 5c, shall be multiplied by the ratio of the adjusted gross tax capacity based upon the 1988 adjusted gross tax capacity to the estimated 1987 adjusted gross tax capacity based upon the 1987 adjusted assessed value.

(3) If a local government's total tax capacity rate for all funds for taxes payable in 1989 varies within the area in which it exercises taxing authority, the local government's allocated homestead and agricultural credit aid must be further allocated between the part of its levy in respect to which the

~~tax capacity rate is constant throughout the area in which it exercises taxing authority and the part of its levy in respect to which the tax capacity rate varies throughout the area in which it exercises taxing authority.~~

(c) The calendar year 1990 homestead and agricultural credit aid shall be adjusted by the adjustment factor.

(d) Payments under this subdivision to counties in 1990 and subsequent years shall be reduced by the amount provided in section 477A.012, subdivisions 3, paragraph (d), and 4, paragraph (d).

(e) Payments under this subdivision to cities and towns shall be annually reduced by the amount of the homestead and agricultural credit aid adjustment, if any, determined for 1990 under section 477A.013, subdivision 6.

Sec. 11. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 5, is amended to read:

Subd. 5. [ADDITIONAL HOMESTEAD AND AGRICULTURAL CREDIT GUARANTEE.] Beginning with taxes payable in 1990, each unique taxing jurisdiction may receive additional homestead and agricultural credit guarantee payments.

(1) Each year, the commissioner shall determine the total education aids paid under chapters 124 and 124A, homestead and agricultural credit aid and disparity reduction aid paid under section 273.1398, local government aid to cities, counties, and towns paid under chapter 477A, and ~~income maintenance aid~~ *human services aids, including for aids paid in 1991 and thereafter, the amount paid under subdivision 5b*, paid to counties for each taxing jurisdiction. The commissioner shall apportion each local government's aids to the unique taxing jurisdiction based upon the proportion that the unique taxing jurisdiction's tax capacity bears to the total tax capacity of the local government.

(2) Each year, the commissioner will compute a gross tax capacity rate for each taxing jurisdiction equal to its total levy divided by its gross tax capacity under Minnesota Statutes 1988, section 273.13. For each unique taxing jurisdiction, a total gross tax capacity rate will be determined. This total gross tax capacity rate will be applied against the gross tax capacity of property that would have been eligible for the homestead credit or the agricultural credit for taxes payable in 1989. An estimated credit amount will be determined for all qualifying parcels based upon the credit rate structure in effect for taxes payable in 1989. The resulting credit amounts will be summed for all parcels in the unique taxing jurisdiction.

If the amount determined in clause (2) is greater than the amount determined in clause (1), the difference will be additional homestead and agricultural credit guarantee payments for the unique taxing jurisdiction. The additional credit amount shall proportionately reduce the tax capacity rates of all local governments levying taxes within the unique taxing jurisdiction in the following year. The commissioner shall certify the amounts of additional credits determined under this subdivision to the county auditor at the time provided in subdivision 6.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 5a, is amended to read:

Subd. 5a. [AID ADJUSTMENT FOR COUNTY HUMAN SERVICES AID.] (a) There shall be transferred to the human services aid account from the payment to a county under subdivision 2 an amount representing a

county's human services aid increase as calculated in subdivision 5b, paragraphs (a) to (c). The amount calculated for each county shall be deducted ~~from the first payment to the~~ *equally from the July and December payments to the* county under this section in 1991 and subsequent years. ~~If the deduction exceeds the amount of the first payment, the balance shall be subtracted from the second payment.~~ The amount of the payments under subdivision 2 shall not be less than zero as a result of this adjustment.

Sec. 13. Minnesota Statutes Second 1989 Supplement, section 273.1398, subdivision 6, is amended to read:

Subd. 6. [PAYMENT.] The commissioner shall certify the aids provided in subdivisions 2, 2b, 3, and 5 before December 1, 1989, and October 1 thereafter of the year preceding the distribution year to the county auditor of the affected local government and pay them and the credit reimbursements to local governments other than school districts at the times provided in section 477A.015 for payment of local government aid to taxing jurisdictions. Aids and credit reimbursements to school districts must be certified to the commissioner of education and paid under section 273.1392. Except for education districts and secondary cooperatives that receive revenue according to section 124.2721 or 124.575, payment shall not be made to any taxing jurisdiction that has ceased to levy a property tax ~~nor shall homestead and agricultural credit aid be payable on the part of a levy to which homestead and agricultural credit aid was separately allocated under subdivision 2, paragraph (b), clause (2), which is no longer levied.~~

Sec. 14. Minnesota Statutes 1988, section 274.01, subdivision 1, is amended to read:

Subdivision 1. [ORDINARY BOARD; MEETINGS, DEADLINES, GRIEVANCES.] (a) The town board of a town, or the council or other governing body of a city, is the board of review except in cities whose charters provide for a board of equalization. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting. The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation *or classification which are intended to correct errors in judgment by the county assessor* may be made by the county assessor *after the board of review or the county board of equalization has adjourned; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after the board of review or the county board of equalization has adjourned.* ~~This restriction does not apply to corrections of errors that are merely clerical or administrative in nature adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period must be sent to the county board no later than December 31 of the assessment year.~~

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall

place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just.

(c) A local board of review may reduce assessments upon petition of the taxpayer but the total reductions must not reduce the aggregate assessment made by the county assessor by more than one percent. If the total reductions would lower the aggregate assessments made by the county assessor by more than one percent, none of the adjustments may be made. The assessor shall correct any clerical errors or double assessments discovered by the board of review without regard to the one percent limitation.

(d) A majority of the members may act at the meeting, and adjourn from day to day until they finish hearing the cases presented. The assessor shall attend, with the assessment books and papers, and take part in the proceedings, but must not vote. The county assessor, or an assistant delegated by the county assessor shall attend the meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board and all items of property increased or decreased, with the market value of each item of property, added or changed by the board, placed opposite the item. The county assessor shall enter all changes made by the board in the assessment book.

(e) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of the property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, the person may not appear before the county board of equalization for a review of the assessment or classification. This paragraph does not apply if an assessment was made after the board meeting, as provided in section 273.01, or if the person can establish not having received notice of market value at least five days before the local board of review meeting.

(f) The board of review or the board of equalization must complete its work and adjourn within 20 days from the time of convening stated in the notice of the clerk, unless a longer period is approved by the commissioner of revenue. No action taken after that date is valid. All complaints about an assessment or classification made after the meeting of the board must be heard and determined by the county board of equalization. A nonresident may, at any time, before the meeting of the board of review file written objections to an assessment or classification with the county assessor. The objections must be presented to the board of review at its meeting by the county assessor for its consideration.

Sec. 15. Minnesota Statutes Second 1989 Supplement, section 274.14, is amended to read:

**274.14 [LENGTH OF SESSION; RECORD.]**

The county board of equalization or the special board of equalization appointed by it shall meet during the last two weeks in June that contain ten meeting days, excluding Saturday and Sunday. No action taken by the

county board of review after June 30 is valid, *except for corrections permitted in sections 273.01 and 274.01*. The county auditor shall keep an accurate record of the proceedings and orders of the board. The record must be published like other proceedings of county commissioners. A copy of the published record must be sent to the commissioner of revenue, with the abstract of assessment required by section 274.16.

Sec. 16. Minnesota Statutes Second 1989 Supplement, section 274.175, is amended to read:

274.175 [VALUES FINALIZED.]

The assessments recorded by the county assessor and the county auditor under sections 273.124, subdivision 9; 274.16; 274.17; or other law for real and personal property are final on July 1 of the assessment year, except for property added to the assessment rolls under section 272.02, subdivision 4, or deleted because of tax forfeiture pursuant to chapter 281. No changes in value may be made after July 1 of the assessment year, *except for corrections permitted in sections 273.01 and 274.01*.

Sec. 17. Minnesota Statutes Second 1989 Supplement, section 275.07, subdivision 3, is amended to read:

Subd. 3. The county auditor shall adjust each local government's levy certified under subdivision 1 by the amount of homestead and agricultural credit aid certified by section 273.1398, subdivision 2, reduced by the amount under section 273.1398, subdivision 5a, and equalization aid certified by section 477A.013, subdivision 5. ~~If a local government's homestead and agricultural credit aid was further allocated between portions of its levy pursuant to section 273.1398, subdivision 2, paragraph (b)(2), the levy or fund to which the homestead and agricultural credit aid was allocated is the levy or fund which must be adjusted.~~

Sec. 18. Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1989 payable in 1990 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) for taxes levied in 1990, payable in 1991 and subsequent years, pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. The aggregate amounts levied under this clause for the costs of purchase or delivery of social services and income maintenance programs, other than those identified in section 273.1398, subdivision 1, paragraph (i), are subject to a maximum increase over the amount levied for the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties. For purposes of this clause, "income maintenance programs" include income maintenance programs in section 273.1398, subdivision 1, paragraph (i), to the extent the county provides benefits under those programs over the statutory mandated standards. Effective with taxes levied in 1990, the portion of this special levy for human service programs identified in section 273.1398, subdivision 1, paragraph (i), is eliminated;

(b) pay the costs of principal and interest on bonded indebtedness except

on bonded indebtedness issued under section 471.981, subdivisions 4 to 4c, or to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(c) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency; and to pay the cost for certificates of indebtedness issued pursuant to sections 298.28 and 298.282;

(d) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(e) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(f) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(g) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(h) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(i) to compensate the state for the cost of a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(j) pay the debt service on tax increment financing revenue bonds to the extent that revenue to pay the bonds or to maintain reserves for the bonds is insufficient as a result of the provisions of Laws 1988, chapter 719, article 5;

(k) pay the cost of hospital care under section 261.21;

(l) pay the unreimbursed costs incurred in the previous year to satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements

out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, provided that an appeal for the unreimbursed costs under this clause was approved by the commissioner of revenue under section 275.51, subdivision 3;

(m) pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes such as earthquake, fire, flood, wind storm, wave action, oil spill, water contamination, air contamination, or drought in accordance with standards formulated by the emergency services division of the state department of public safety, provided that an appeal for the expenses incurred under this clause were approved by the commissioner of revenue under section 275.51, subdivision 3;

(n) pay a portion of the losses in tax receipts to a city due to tax abatements or court actions in the year preceding the current levy year, provided that an appeal for the tax losses was approved by the commissioner of revenue under section 275.51, subdivision 3. This special levy is limited to the amount of the losses times the ratio of the nonspecial levies to total levies for taxes payable in the year the abatements were granted. County governments are not authorized to claim this special levy;

(o) pay the operating cost of regional library services authorized under section 134.34, subject to a maximum increase over the previous year of the greater of (1) 103 percent multiplied by one plus the percentage increase determined for the governmental subdivision under section 275.51, subdivision 3h, clause (b), or (2) six percent. If a governmental subdivision elected to include some or all of its levy for libraries within its adjusted levy limit base in the prior year, but elects to claim the levy as a special levy in the current levy year, the allowable increase is determined by applying the greater percentage determined under clause (1) or (2) to the total amount levied for libraries in the prior levy year. After levy year 1989, the increase must not be determined using a base amount other than the amount that could have been levied as a special levy in the prior year. In no event shall the special levy be less than the minimum levy required under sections 134.33 and 134.34, subdivisions 1 and 2;

(p) pay the amount of the county building fund levy permitted under section 373.40, subdivision 6;

(q) pay the county's share of the costs levied in 1989, 1990, and 1991 for the Minnesota cooperative soil survey under Minnesota Statutes 1988, section 40.07, subdivision 15;

(r) for taxes levied in 1989, payable in 1990 only, pay the cost incurred for the minimum share required by counties levying for the first time under section 134.34 as required under section 134.341. For taxes levied in 1990, and thereafter, counties levying under this provision must levy under clause (o), and their allowable increase must be determined with reference to the amount levied in 1989 under this paragraph;

(s) for taxes levied in 1989, payable in 1990 only, provide an amount equal to 50 percent of the estimated amount of the reduction in aids to a county under sections 273.1398, subdivision 2, paragraph (d), and 477A.012, subdivision 3, for aids payable in 1990;

(t) for taxes levied in 1990 only by a county in the eighth judicial district, provide an amount equal to the amount of the levy, if any, that is required under Laws 1989, chapter 335, article 3, section 54, subdivision 8;

(u) for taxes levied in 1989, payable in 1990 only, pay the costs not reimbursed by the state or federal government:

(i) for the costs of purchase or delivery of social services. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent for counties within the metropolitan area as defined in section 473.121, subdivision 2, or counties outside the metropolitan area but containing a city of the first class, and 15 percent for other counties.

(ii) for payments made to or on behalf of recipients of aid under any public assistance program authorized by law. The aggregate amounts levied under this item are subject to a maximum increase over the amount levied in the previous year of 12 percent and must be used only for the public assistance programs; and.

*If the amount levied under this paragraph (u) in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991; and*

(v) pay an amount of up to 25 percent of the money sought for distribution and approved under section 115A.557, subdivision 3, paragraph (b), clause (3).

~~If the amount levied in 1989 is less than the actual expenditures needed for these programs for 1990, the difference between the actual expenditures and the amount levied may be levied in 1990 as a special levy. If the amount levied in 1989 is greater than the actual expenditures needed for these programs for 1990, the difference between the amount levied and the actual expenditures shall be deducted from the 1990 levy limit, payable in 1991.~~

Sec. 19. Minnesota Statutes Second 1989 Supplement, section 275.51, subdivision 3f, is amended to read:

Subd. 3f. [LEVY LIMIT BASE.] (a) The property tax levy limit base for governmental subdivisions for taxes levied in 1988 shall be equal to the total actual levy for taxes payable in 1988 with additions and subtractions as specified in paragraphs (b) and (c).

(b) The amounts to be added to the actual 1988 levy are (1) the amount of local government aid the governmental subdivision was certified to receive in 1988 under sections 477A.011 to 477A.014, (2) its 1988 taconite aids under sections 298.28 and 298.282, and (3) its 1988 wetlands and native prairie reimbursements under Minnesota Statutes 1986, sections 273.115, subdivision 3, and 273.116, subdivision 3.

(c) The amounts to be subtracted from the actual 1988 levy are (1) any special levies claimed for taxes payable in 1988 pursuant to Laws 1987, chapter 268, article 5, section 12, subdivision 4, clauses (1), (2), (3), and (4); and (2) for a governmental subdivision participating in a regional library system receiving grants from the department of education under

section 134.34, the amount levied for taxes payable in 1988 for the operating costs of a public library service.

(d) For taxes levied in 1989 and subsequent years, a governmental subdivision's levy limit base is equal to its adjusted levy limit base for the preceding year, provided that for taxes levied in 1989, the amount of the administrative reimbursement aid received in 1988 shall be added to the base.

(e) For taxes levied by a county in 1989, the levy limit base determined under paragraph (d) shall be reduced by an amount equal to 90 percent of the cost of public defender services for felonies and gross misdemeanors and the costs of law clerks in the county that are assumed by the state during calendar year 1990, less 103 percent of one-half the amount of fees collected by the courts in the county during calendar year 1988. For taxes levied in 1990, the levy limit base determined under paragraph (d) *shall first be increased by the product of (1) the amount deducted under this paragraph for taxes levied in 1989 and (2) the adjustments under subdivision 3h, paragraphs (a) and (b) for taxes levied in 1989, and then* shall be reduced by an amount equal to the cost of public defender services for felonies and gross misdemeanors and the cost of law clerks in the county that are assumed by the state during calendar year 1991, less the amount of fees collected by the courts in the county during calendar year 1989, computed at the rate of \$30 for civil and probate filings and \$20 for marriage dissolutions.

(f) For taxes levied in 1989 only, by a county that is located in the eighth judicial district, the levy limit base determined under paragraphs (d) and (e) shall be further reduced by an amount equal to 90 percent of the cost of operation of the trial courts in the county during calendar year 1990 that are assumed by the state and for which an appropriation is provided, less 103 percent of the sum of (1) the remaining one-half of the amount of fees and (2) 100 percent of the amount of fines collected by the courts in the county during calendar year 1988. *(b) The governmental subdivision's adjusted levy limit base under section 275.51, subdivision 3h, after giving effect to paragraphs (a) and (b) of subdivision 3h, but before any other paragraphs in section 275.51, subdivision 3h, shall be increased by the percentage calculated in paragraph (a) of this subdivision.*

(b) 5.5 cents per taxable ton must be distributed to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The distribution must be based on the apportionment formula prescribed in subdivision 2.

(c)(i) 22 cents per taxable ton, less any amount distributed under paragraph (e), shall be distributed to a group of school districts comprised of those school districts in which the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 in direct proportion to school district indexes as follows: for each school district, its pupil units determined under section 124.17 for the prior school year shall be multiplied by the ratio of the average adjusted net tax capacity per pupil unit for school districts receiving aid under this clause as calculated pursuant to chapter 124A for the school year ending prior to distribution to the adjusted net tax capacity per pupil unit of the district. Each district shall receive that portion of the distribution which its index bears to the sum of the indices for all school districts that receive the distributions.

(ii) Notwithstanding clause (i), each school district that receives a distribution under sections 298.018; 298.23 to 298.28, exclusive of any amount received under this clause; 298.34 to 298.39; 298.391 to 298.396; 298.405;

Any amounts received by a qualifying school district in any fiscal year pursuant to paragraph (d) shall not be applied to reduce general education aid which the district receives pursuant to section 124A.23 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of iron range resources and rehabilitation who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection trust fund as provided in subdivision 11.

Sec. 3. Minnesota Statutes Second 1989 Supplement, section 276.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] As soon as practical after the ~~May~~ settlement day determined in section 276.09, the county treasurer shall pay to the state treasurer or the treasurer of a town, city, school district, or special district, on the warrant of the county auditor, all receipts of taxes levied by the taxing district and deliver up all orders and other evidences of indebtedness of the taxing district, taking triplicate receipts for them. The treasurer shall file one of the receipts with the county auditor, and shall return one by mail on the day of its receipt to the clerk of the town, city, school district, or special district to which payment was made. The clerk shall keep the receipt in the clerk's office. Upon written request of the taxing district, to the extent practicable, the county treasurer shall make partial payments of amounts collected periodically in advance of the next settlement and distribution. A statement prepared by the county treasurer must accompany each payment. It must state the years for which taxes included in the payment were collected and, for each year, the amount of the taxes and any penalties on the tax. Upon written request of a taxing district, except school districts, the county treasurer shall pay at least 70 percent of the estimated collection within 30 days after the ~~May~~ settlement date determined in section 276.09. Within seven business days after the due date, or 28 calendar days after the postmark date on the envelopes containing real or personal property tax statements, whichever is latest, the county treasurer shall pay to the treasurer of the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district, unless the school district elects to receive 50 percent of the estimated collections arising from taxes levied by and belonging to the school district after making a proportionate reduction to reflect any loss in collections as the result of any delay in mailing tax statements. In that case, 50 percent of those adjusted, estimated collections shall be paid by the county treasurer to the treasurer of the school district within seven business days of the due date. The remaining 50 percent of the estimated collections must be paid to the treasurer of the school district within the next seven business days of the later of the dates in the preceding sentence, unless the school district elects to receive the remainder of its estimated collections after a proportionate reduction has been made to reflect any loss in collections as the result of any delay in mailing tax statements. In that case, the remaining 50 percent of those adjusted, estimated collections shall be paid by the county treasurer to the treasurer of the school district within 14 days of the due date. The treasurer shall pay

the balance of the amounts collected to the state or to a municipal corporation or other body within 60 days after the ~~May~~ settlement date *determined in section 276.09*. After 45 days interest at an annual rate of eight percent accrues and must be paid to the taxing district. Interest must be paid upon appropriation from the general revenue fund of the county. If not paid, it may be recovered by the taxing district, in a civil action.

Sec. 4. Minnesota Statutes 1988, section 276.111, is amended to read:  
276.111 [DISTRIBUTIONS AND FINAL YEAR-END SETTLEMENT.]

Within seven business days after October 15, the county treasurer shall pay to the school districts 50 percent of the estimated collections arising from taxes levied by and belonging to the school district from ~~May 20~~ *the settlement day determined in section 276.09* to October 20. The remaining 50 percent of the estimated tax collections must be paid to the school district within the next seven business days. Within ten business days after November 15, the county treasurer shall pay to the school district 100 percent of the estimated collections arising from taxes levied by and belonging to the school districts from October 20 to November 20.

Within ten business days after November 15, the county treasurer shall pay to each taxing district, except any school district, 100 percent of the estimated collections arising from taxes levied by and belonging to each taxing district from ~~May 20~~ *the settlement day determined in section 276.09* to November 20.

On or before January 5, the county treasurer shall make full settlement with the county auditor of all receipts collected from ~~May 20~~ *the settlement day determined in section 276.09* to December 31. After subtracting any tax distributions that have been made to the taxing districts in October and November, the treasurer shall pay to each of the taxing districts on or before January 25, the balance of the tax amounts collected on behalf of each taxing district. Interest accrues at an annual rate of eight percent and must be paid to the taxing district if this final settlement amount is not paid by January 25. Interest must be paid upon appropriation from the general revenue fund of the county. If not paid, it may be recovered by the taxing district in a civil action.

Sec. 5. Minnesota Statutes Second 1989 Supplement, section 277.01, subdivision 1, is amended to read:

Subdivision 1. *Except as provided in this subdivision, all unpaid personal property taxes shall be deemed delinquent on May 16 next after they become due or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach and be charged upon all such taxes. In the case of unpaid personal property taxes due and owing under section 272.01, subdivision 2, or section 273.19, the first half shall become delinquent if not paid before May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, and thereupon a penalty of eight percent shall attach on the unpaid first half; and the second half shall become delinquent if not paid before October 16, and thereupon a penalty of eight percent shall attach on the unpaid second half. This section shall not apply to Class 2a property.*

A county may provide by resolution that in the case of a property owner that has multiple personal property tax statements with the aggregate taxes exceeding \$50, payments may be made in installments as provided in this

subdivision.

The county treasurer may accept payments of more or less than the exact amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 277.011 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 6. Minnesota Statutes Second 1989 Supplement, section 277.02, is amended to read:

**277.02 [DELINQUENT LIST FILED IN COURT.]**

Upon ~~such~~ filing, the list shall be prima facie evidence that all of the provisions of law in relation to the assessment and levy of ~~such~~ taxes have been complied with.

Sec. 7. Minnesota Statutes Second 1989 Supplement, section 277.05, is amended to read:

**277.05 [SHERIFF TO FILE LIST OF UNCOLLECTED TAXES.]**

If the sheriff is unable, for want of goods and chattels whereon to levy, to collect by a distress, or otherwise, the taxes, or any part thereof, assessed upon the personal property of any persons, the sheriff shall file with the court administrator of the district court, ~~on July 15 following~~, a list of ~~such~~ the taxes, ~~30 days after the date in section 277.02~~. The list shall be filed with an affidavit of the sheriff, or of the deputy sheriff entrusted with the collection thereof, stating that the affiant has made diligent search and inquiry for goods and chattels from which to collect such taxes, and is unable to collect the same. The list of such taxes as they apply to manufactured homes shall be filed on December 1 ~~and the list of such taxes as they apply to property taxable under section 272.01, subdivision 2, or section 273.19 shall be filed on December 15~~. The sheriff shall note on the margin of such list the place to which any delinquent taxpayer may have removed, with the date of removal, if known. At the time of filing the list the sheriff shall also return all the warrants with endorsements thereon showing the doings of the sheriff or deputy in the premises, and the court administrator shall file and preserve the same. ~~On or before September tenth thereafter~~ Within ten days after the list has been filed by the sheriff, the court administrator shall deliver ~~such~~ the list and affidavit to the county treasurer, who shall, by comparison of such list with the tax duplicates in the treasurer's office, ascertain whether or not all personal property taxes reported by the treasurer to the court administrator as delinquent, except those included in such list, have been paid into the treasurer's office, and shall attach to the list a certificate stating whether or not all taxes reported by the treasurer to the court administrator as delinquent and not included in the list have been received, and stating the items of such taxes, if any, as have been received. The court administrator shall deliver

such list and affidavit as they apply to manufactured homes on or before December 10 *and as they apply to property taxable under section 272.01, subdivision 2, or section 273.19 on or before December 24.* The treasurer shall deliver such list and affidavit, with the certificate attached, to the county board at its first session thereafter, which shall cancel such taxes as it is satisfied cannot be collected. A copy of the tax list so revised, and also a separate list of the taxes so canceled, shall be included in the records of the proceedings of the board, and published in full, as a part of the proceedings.

Sec. 8. Minnesota Statutes Second 1989 Supplement, section 277.06, is amended to read:

277.06 [CITATION TO DELINQUENTS; DEFAULT JUDGMENT.]

On September 5, or within ten days after the adjournment of the county board, whichever occurs first, the county auditor shall file a copy of such revised list with the court administrator of the district court. The county auditor shall file a copy of the revised list as it applies to manufactured homes on January 20 *and a copy of the revised list as it applies to property taxable under section 272.01, subdivision 2, or section 273.19 on February 15.* Within ten days after the list has been filed, the court administrator shall issue a citation to each delinquent named in the list, stating the amount of tax and penalty, and requiring such delinquent to appear on a day to be set by the district court in the county, appointed to be held at a time not less than 30 days after the issuance of such citation, and show cause, if any there be, why the delinquent should not pay the tax and penalty. The citation shall be delivered for service to the sheriff of the county where such person may at the time reside or be. If such person, after service of the citation, fails to pay such tax, penalty, and costs to the sheriff before the first day of the term, or on such day to show cause as aforesaid, the court shall direct judgment against the person for the amount of such tax, penalty, and costs. When unable to serve the citation, the sheriff shall return the same to the court administrator, with a return thereto to that effect, and thereupon, or if the court decides that the service of such citation made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation, requiring such delinquent to appear on the first day of the next general term to be held in the county, and show cause as aforesaid, and if the delinquent fails to pay or to show cause, the court shall direct judgment as aforesaid. Whenever the sheriff has been unable to serve any such citation theretofore issued in any year or years, or whenever the court decides that the service of any such citation theretofore made or attempted to be made, or the issuance thereof by the court administrator, was illegal, the court administrator shall issue another like citation requiring such delinquent to appear, as in the case last provided, and with like effect; provided, that all citations other than the first shall be issued only on the request of the county attorney.

Sec. 9. Minnesota Statutes 1988, section 277.15, is amended to read:

277.15 [INTEREST.]

When a judgment has heretofore been entered and docketed, or shall hereafter be entered and docketed, for the recovery of taxes, except in the case of real estate tax judgments provided for in section 279.19, the same shall bear interest until paid at the rate of six percent per annum until January 1, 1981, and at the rate determined under section 549.09 ~~thereafter~~

until January 1, 1991. Thereafter interest will be payable at the rate provided in section 279.03, subdivision 1a.

Sec. 10. Minnesota Statutes 1989 Supplement, section 279.01, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivision 3, on May 16, of each year, with respect to property actually occupied and used as a homestead by the owner of the property, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, a penalty of three percent shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer, and a penalty of. *The penalty shall be at a rate of three percent on homestead property and seven percent on nonhomestead property, except that.* This penalty shall not accrue until June 1 of each year, or 21 days after the postmark date on the envelope containing the property tax statements, whichever is later, on commercial use real property used for seasonal residential recreational purposes and classified as class 1c or 4c, and on other commercial use real property classified as class 3a, provided that over 60 percent of the gross income earned by the enterprise on the class 3a property is earned during the months of May, June, July, and August. Any property owner of such class 3a property who pays the first half of the tax due on the property after May 15 and before June 1, or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, shall attach an affidavit to the payment attesting to compliance with the income provision of this subdivision. Thereafter, for both homestead and nonhomestead property, on the first day of each month, up to and including October 1 following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes provided that if the due date was extended beyond May 15 as the result of any delay in mailing property tax statements no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is not paid by the extended due date, then all penalties that would have accrued if the due date had been May 15 shall be charged. When the taxes against any tract or lot exceed \$50, one-half thereof may be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to October 16 following, without penalty; but, if not so paid, then a penalty of four percent shall accrue thereon for homestead property and a penalty of four percent on nonhomestead property. Thereafter, for homestead property, on the first day of November and December following, an additional penalty of two percent for each month shall accrue and be charged on all such unpaid taxes. Thereafter, for nonhomestead property, on the first day of November and December following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to May 16 or 21 days after the postmark date on the envelope containing the property tax statement, whichever is later, the same may be paid at any time prior to October 16, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until October 16 following.

A county may provide by resolution that in the case of a property owner that has multiple tracts or parcels with aggregate taxes exceeding \$50, payments may be made in installments as provided in this subdivision.

The county treasurer may accept payments of more or less than the exact

amount of a tax installment due. If the accepted payment is less than the amount due, payments must be applied first to the penalty accrued for the year the payment is made. Acceptance of partial payment of tax does not constitute a waiver of the minimum payment required as a condition for filing an appeal under section 278.03 or any other law, nor does it affect the order of payment of delinquent taxes under section 280.39.

Sec. 11. Minnesota Statutes 1988, section 279.03, is amended by adding a subdivision to read:

Sec. 8. Minnesota Statutes Second 1989 Supplement, section 349.212, subdivision 4, is amended to read:

**Subd. 4. [PULL-TAB AND TIPBOARD TAX.]** (a) There is imposed a tax on the sale of each deal of pull-tabs and tipboards sold by a licensed distributor. The rate of the tax is two percent of the ideal gross of the pull-tab or tipboard deal. The sales tax imposed by chapter 297A on the sale of the pull-tabs and tipboards by the licensed distributor is imposed on the retail sales price less the tax imposed by this subdivision. The retail sale of pull-tabs or tipboards by the organization is exempt from taxes imposed by chapter 297A ~~if the tax imposed by this subdivision has been paid~~ and is exempt from all local taxes and license fees except a fee authorized under section 349.16, subdivision 4.

(b) The liability for the tax imposed by this section is incurred when the pull-tabs and tipboards are delivered by the distributor to the customer, to a common or contract carrier for delivery to the customer, or when received by the customer's authorized representative at the distributor's place of business, regardless of the distributor's method of accounting or the terms of the sale.

The tax imposed by this subdivision is imposed on all sales of pull-tabs and tipboards, except the following:

- (1) sales to the governing body of an Indian tribal organization for use on an Indian reservation;

A distributor must require an organization conducting exempt gambling to show proof of its exempt status before making a tax-exempt sale of pull-tabs or tipboards to such an organization. A distributor shall identify, on all reports submitted to the commissioner, all sales of pull-tabs and tipboards that are exempt from tax under this subdivision.

The tax on a partial deal shall be assessed as if it were a full deal.*

*The tax shall be assessed by the commissioner. An assessment shall be considered a jeopardy assessment or jeopardy collection as provided in section 270.70. The commissioner shall assess the tax based on personal knowledge or information available to the commissioner. The commissioner shall mail to the taxpayer at the taxpayer's last known address, or serve in person, a written notice of the amount of tax, demand its immediate payment, and, if payment is not immediately made, collect the tax by any method described in chapter 270, except that the commissioner need not await the expiration of the times specified in chapter 270. The tax assessed by the commissioner is presumed to be valid and correctly determined and assessed. The burden is upon the taxpayer to show its incorrectness or invalidity.*

Sec. 10. Minnesota Statutes 1989 Supplement, section 383.06, is amended to read:

**383.06 [PAYMENT OF WARRANTS; ACCOUNTS; HOW KEPT; CERTIFICATES OF INDEBTEDNESS TO RETIRE OUTSTANDING WARRANTS.]**

Payments under any special contract shall be kept separate under the name of such contract, and under the general title of the fund from which such payment may be legally made. The treasurer need not keep a specific appropriations account separately, but shall keep a general appropriations account.

~~In any county having a net tax capacity of not less than \$150,000,000, exclusive of money and credits,~~ The county board may, by resolution, issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes levied for any fund named in the tax levy for the purpose of raising money for such fund, but the certificates outstanding for any such separate funds shall not at any time exceed 50 percent of the amount of taxes previously levied for such fund remaining uncollected, and no certificate shall be issued to become due and payable later than December 31 of the year succeeding the year in which the tax levy was made, and the certificates shall not be sold for less than par and accrued interest ~~and shall not bear a greater rate of interest than six percent per annum.~~ No such certificates shall be issued prior to the beginning of the fiscal year for which the taxes so anticipated were intended, except that when taxes shall have been levied for the purpose of paying a deficit in any such fund carried over from any previous year or years certificates of indebtedness in anticipation of collection of the taxes levied for such deficit may be issued at any time after such levy shall have been finally made and certified to the county auditor. Each certificate shall state upon its face for which fund the proceeds thereof shall be used, the total amount of certificates so issued, and the whole amount embraced in the levy for that particular purpose. They shall be numbered consecutively, be in denominations of \$100 or a multiple thereof, may have interest coupons attached, shall be otherwise of such form and terms, and may be made payable at

such place, as will best aid in their negotiation, and the proceeds of the tax assessed and collected on account of the fund and the full faith and credit of the county shall be irrevocably pledged for the redemption and payment of the certificates so issued. Such certificates shall be payable primarily from the moneys derived from the levy for the years against which such certificates were issued, but shall constitute unlimited general obligations of the county. Moneys derived from the sale of such certificates shall be credited to the fund or funds the taxes for which are so anticipated.

The designation does not constitute delivery of a health care declaration under section 145B.05.*

*On payment of the required fee, the department shall issue a replacement or renewal license or identification card without the designation if requested by the applicant.*

*This subdivision does not impose any additional duty on a health care provider, as defined in section 145B.02, subdivision 6, beyond the duties imposed in chapter 145B.*

*For the purposes of this subdivision, "living will" means a declaration made under section 145B.03.*

- (2) Has been convicted by a court of competent jurisdiction for violation of a provision of the highway traffic regulation act or an ordinance regulating traffic and where it appears from department records that the violation for which the licensee was convicted contributed in causing an accident resulting in the death or personal injury of another, or serious property damage; or

- (9) Has failed to appear in court as provided in section 169.92, subdivision 4; or

*(10) has failed to report a medical condition that if reported would have resulted in cancellation of driving privileges.*

Provided, however, that any action taken by the commissioner under subparagraphs (2) and (5) shall conform to the recommendation of the court when made in connection with the prosecution of the licensee.

Upon suspending the license of any person, as hereinbefore in this section authorized, the department shall immediately notify the licensee, in writing, by depositing in the United States post office a notice addressed to the licensee at the licensee's last known address, with postage prepaid thereon, and the licensee's written request shall afford the licensee an opportunity for a hearing within not to exceed 20 days after receipt of such request in the county wherein the licensee resides, unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner, or duly authorized agent, may administer oaths and issue subpoenas for the attendance of witnesses and the production of relevant books and papers, and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or, good cause appearing therefor, may extend the suspension of such license or revoke such license. The department shall not suspend a license for a period of more than one year."

Delete the title and insert:

A separate record must be made for each meter cleared. If the record is kept by an authorized person, a copy must be provided to the board.*

*(f) A video pull-tab device may not offer any game or gambling form other than the simulation of the game of pull-tabs.*

*(g) A video pull-tab device may not have any functions or parameters adjustable by or through any separate video display or input codes except for the adjustment of wholly cosmetic features.*

*(h) A video pull-tab device must contain a meter and printer that issues, on activation of a switch, an accounting ticket containing the following information:*

*(1) the name of the licensed organization;*

*(2) the location of the device;*

*(3) the license number and manufacturer's serial number of the device;*

*(4) the time and date of the printout;*

*(5) the registration number of the chip driving the device; and*

*Subd. 6. [HARDWARE REQUIREMENTS.] (a) A video pull-tab device must have:*

*(1) a surge protector for all power fed to the device;*

*(2) a power switch located in an accessible place inside the device that controls the electrical current that powers the device;*

*(3) a separate secure compartment for holding coins or currency, with a key or combination different from that used for unlocking any other part of the device; and*

*(4) a battery back-up or its equivalent that allows the electronic meters of the device to maintain accurate readings of the following information for not less than 180 days after power is discontinued to the device:*

*(i) current and total tallies for amounts wagered and paid out;*

*(ii) records of access to the logic board compartment;*

(iii) records of access to the cash and coin compartments; and

(iv) other information the board by rule requires.

(2) a mechanism or program that will cause the electronic accounting meters to clear automatically.

(c) A video pull-tab device and its components must not be capable of being adversely affected by static discharge, radio frequency interference, or other electromagnetic interference.

(d) Logic boards, memory chips, and other logic control components of a video pull-tab device must be located in a locked compartment that is separate from any other compartment. The key or combination of this compartment must be different from that used for unlocking any other part of the device.

(e) A video pull-tab device must not be capable of being activated by a credit card.

*Subd. 7. [LOCATIONS.]* (a) An organization may place a video pull-tab device for operation only in a location approved by the board and specified on the license. The board may not approve a location unless the sale of alcoholic beverages at on-sale is authorized at the location under chapter 340A. The board may not allow the placement of more than two video pull-tab devices in any location.

(b) All leases by which a licensed organization leases space in a location for the placement of a video pull-tab device are subject to section 349.18.

(c) The board, the commissioner of revenue, and the commissioner of public safety may inspect at any time a location agreement made between a distributor and a licensed organization governing the terms of leasing a video pull-tab device.

(d) A video pull-tab device must stand where it can readily be observed by employees of the location or persons supervising the device on behalf of a licensed organization.

*Subd. 8. [CONDUCT OF GAMBLING ON VIDEO PULL-TAB DEVICES.]* A person receiving compensation for participating in the conduct of gambling on a video pull-tab device may not gamble on the device while so participating. A person receiving compensation for participating in the conduct of gambling on a video pull-tab device or an employee of the lessor of the premises on which the device is located may not provide any information on the device that would give a player an unfair advantage in operating the device. A person under age 18 may not wager on or receive a prize from a video pull-tab device.

*Subd. 9. [PAYMENT OF PRIZES.]* An organization may not pay a prize won on a video pull-tab device except on presentation by the winner of the ticket voucher printed by the device's prize meter. The law and board rules governing the retention of winning pull-tabs apply to ticket vouchers. (1) charge a price for a single chance of more than \$2; or

(2) award a single prize of more than \$250.

*Subd. 11. [RULES.] The board may by rule provide additional requirements for video pull-tab devices as it deems necessary to ensure their integrity and the full accounting for all play on them. The rules may include, but need not be limited to:*

(1) procedures and criteria for authorization of persons to have access to any locked area of a video pull-tab device;

(2) additional device specifications;

(3) methods for determining the randomness of prize distribution on a memory chip;

(4) testing procedures for video pull-tab devices; and

(5) methods for monitoring play on video pull-tab devices.

Sec. 12. Minnesota Statutes Second 1989 Supplement, section 349.212, subdivision 1, is amended to read:

Subdivision 1. [IMPOSITION.] ~~There is hereby imposed~~ A tax is imposed on all lawful gambling, other than (1) pull-tabs purchased and placed into inventory after January 1, 1987, and (2) tipboards purchased and placed into inventory after June 30, 1988, and (3) operation of video pull-tab devices, at the rate of ten percent on the gross receipts as defined in section 349.12, subdivision 26, less prizes actually paid. The tax imposed by this subdivision is in lieu of the tax imposed by section 297A.02 and all local taxes and license fees except a fee authorized under section 349.16, subdivision 4 8, or a tax authorized under section 349.212, subdivision 5.

The tax imposed under this subdivision is payable by the organization or party conducting, directly or indirectly, the gambling.

Sec. 13. Minnesota Statutes Second 1989 Supplement, section 349.212, subdivision 4, is amended to read:

Subd. 4. [PULL-TAB AND TIPBOARD TAX.] (a) ~~There is imposed~~ A tax is imposed on the sale of each deal of pull-tabs and tipboards sold by a licensed distributor, and each read-only memory chip intended to drive a video pull-tab device. The rate of the tax is two percent of the ideal gross of the pull-tab or tipboard deal or the chip. The sales tax imposed by chapter 297A on the sale of the pull-tabs and tipboards by the licensed distributor and on the sale of a chip intended to drive a video pull-tab device is imposed on the retail sales price less the tax imposed by this subdivision. The retail sale of pull-tabs or tipboards by the organization is exempt from taxes imposed by chapter 297A if the tax imposed by this subdivision has been paid and is exempt from all local taxes and license fees except a fee authorized under section 349.16, subdivision 4 8.

(b) The liability for the tax imposed by this section is incurred when the pull-tabs and tipboards are delivered by the distributor to the customer, to a common or contract carrier for delivery to the customer, or when received by the customer's authorized representative at the distributor's place of business, regardless of the distributor's method of accounting or the terms of the sale.

The tax imposed by this subdivision is imposed on all sales of pull-tabs and tipboards, except the following:

- (1) sales to the governing body of an Indian tribal organization for use on an Indian reservation;
- (2) sales to distributors licensed under this chapter;
- (3) sales to distributors licensed under the laws of another state or of a Province of Canada, as long as all statutory and regulatory requirements are met in the other state or province; and
- (4) sales of promotional tickets as defined in section 349.12.

(c) *In the case of a memory chip intended to drive a video pull-tab device, the liability for the tax imposed by this section is incurred when the chip has been delivered by the distributor to the purchaser, to a common carrier for delivery to the purchaser, or when received by the purchaser's representative at the distributor's place of business, regardless of the distributor's method of accounting.*

(d) Pull-tabs and tipboards sold to an organization that sells pull-tabs and tipboards under the exemption from licensing in section 349.214, subdivision 2, paragraph (b), are exempt from the tax imposed by this subdivision. A distributor must require an organization conducting exempt gambling to show proof of its exempt status before making a tax-exempt sale of pull-tabs or tipboards to such an organization. A distributor shall identify, on all reports submitted to the commissioner, all sales of pull-tabs and tipboards that are exempt from tax under this subdivision.

Sec. 14. Minnesota Statutes 1988, section 349.2121, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION AND ISSUANCE.] Every distributor licensed by the board who sells pull-tabs and tipboards to organizations authorized to sell pull-tabs and tipboards under this chapter, *and every manufacturer who sells video pull-tab devices under this chapter*, must file with the commissioner of revenue an application, on a form the commissioner prescribes, for a gambling tax identification number and gambling tax permit. The commissioner, when satisfied that the applicant has a valid license from the board, shall issue the applicant a permit and number. A permit is not assignable and is valid only for the distributor *or video pull-tab device manufacturer* in whose name it is issued.

Sec. 15. Minnesota Statutes 1989 Supplement, section 349.2121, subdivision 2, is amended to read:

Subd. 2. [RECORDS.] (a) A distributor shall keep at each licensed place of business complete and accurate records for that place of business, including itemized invoices of pull-tabs and tipboards held, purchased, manufactured, or brought in or caused to be brought in from without this state, and of all sales of pull-tabs and tipboards. The records must show the names and addresses of purchasers, the inventory at the close of each period for which a return is required of all pull-tab and tipboard deals on hand, and other pertinent papers and documents relating to the purchase, sale, or disposition of pull-tab and tipboard deals. Books, records, and other papers and documents required by this section must be kept for a period of at least 3-1/2 years after the date of the documents, or the date of the entries appearing in the records, unless the commissioner of revenue authorizes in writing their destruction or disposal at an earlier date. At any time during usual business hours, the commissioner of revenue, director of gambling enforcement, or any of their duly authorized agents or employees,

may enter a place of business of a distributor or organization, any site from which pull-tabs or tipboards or other gambling equipment are being sold, or any site at which lawful gambling is being conducted, and inspect the premises and the records required to be kept under this section to determine whether or not all the provisions of this section are being fully complied with. If the commissioner of revenue, director of gambling enforcement, or their duly authorized agents or employees are denied free access to or are hindered or interfered with in making an inspection of the distributor's place of business, the permit of the distributor may be revoked by the commissioner, and the license of the distributor may be revoked by the gambling control board.

*(b) A distributor who supplies to an organization a replacement video pull-tab device memory chip after all chances on the chip being replaced have been played shall retain the replaced chip for 3-1/2 years from the date of its removal from the device. All provisions of law relating to the availability of a distributor's books and records apply to the chips.*

Sec. 16. Minnesota Statutes 1988, section 349.2121, subdivision 4a, is amended to read:

Subd. 4a. [REFUND.] *(a) If any deal of pull-tabs or tipboards registered with the board and upon which the tax imposed by section 349.212, subdivision 4, has been paid is returned unplayed to the distributor, or if a memory chip used to drive a video pull-tab device is returned to its manufacturer without having been put into play, the commissioner of revenue shall allow a refund of the tax paid.*

*(b) In the case of a defective deal or defective memory chip registered with the board and upon which the taxes have been paid is returned to the manufacturer, the distributor shall submit to the commissioner of revenue certification from the manufacturer that the deal or chip was returned and in what respect it was defective. The certification must be in a form prescribed by the commissioner and must contain additional information the commissioner requires.*

*(c) The commissioner may require that no refund under this subdivision be made unless the returned pull-tabs or tipboards, or the returned memory chip, have been set aside for inspection by the commissioner's employee.*

*(d) Reductions in previously paid taxes authorized by this subdivision shall be made at the time and in the manner prescribed by the commissioner.*

**CONFERENCE COMMITTEE REPORT ON S.F. NO. 1743**

A bill for an act relating to telephone service; regulating the installation of extended area service in exchanges; requiring the expansion of the metropolitan extended area telephone service, under some circumstances; proposing coding for new law in Minnesota Statutes, chapter 237.

April 11, 1990

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Robert Vanasek  
Speaker of the House of Representatives

We, the undersigned conferees for S.F. No. 1743, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S.F. No. 1743 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [237.161] [EXTENDED AREA SERVICE.]

*Subdivision 1. [CRITERIA.] (a) The commission shall grant a petition for installation of extended area service only when each of the following criteria has been met:*

*(1) the petitioning exchange is contiguous to an exchange or local calling area to which extended area service is requested in the petition;*

*(2) polling by the commission shows that a majority of the customers responding to a poll in the petitioning exchange favor its installation, unless all parties and the commission agree that no polling is necessary; and*

*(3) at least 50 percent of the customers in the petitioning exchange make one or more calls per month to the exchange or local calling area to which extended area service is requested, as determined by a traffic study.*

*The rate to the polled exchange must be available to its customers before the commission determines what proportion of them favor the installation of extended area service.*

*(b) For the purpose of clause (3), the commission shall include as a customer an FX telephone service subscriber in the petitioning exchange whose FX service is provided through the exchange or an exchange within the local calling area to which extended area service is sought. For the purposes of this subdivision, “FX” means tariffed telephone toll service provided by placing a telephone line from another telephone exchange area in the telephone customer’s exchange area.*

*(c) When the local calling area to which extended service is sought is the metropolitan local calling area in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington counties and the petitioning exchange meets the criteria in paragraph (a), the telephone company serving the petitioning exchange shall make local measured service or another lower cost alternative to basic flat-rate service available to customers in the petitioning exchange.*

*Subd. 2. [BASIS OF RATES; COSTS.] For a proposal to install extended area service, proposed rates must be based on specific additional cost incurred, operating expenses, actual cost for new facilities constructed specifically to provide for extended area service, net book value of existing facilities transferred from another service to extended area service, a return on the capital investment associated with installing and providing the extended area service, and appropriate contributions to common overheads.*

*Subd. 3. [RATES.] (a) When the local calling area to which extended service is sought is the metropolitan local calling area in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington counties, 75 percent of the costs of providing extended area service, as identified in subdivision 2, must be apportioned to the petitioning exchange and the remaining 25*

percent apportioned to the exchange or exchanges to which extended area service is requested. When the proposed extended service area is not the metropolitan local calling area, the commission shall determine the apportionment of costs, provided that between 50 and 75 percent of the costs must be allocated to the petitioning exchange. The costs must be apportioned among the customers in an exchange so that the relationship between the rates for classes of basic local service remains the same. Rates within the existing metropolitan local calling area may not be raised as a result of the addition of a local exchange under this subdivision until the rates in the added exchange are at least equal to the highest rates in an adjacent exchange within the metropolitan local calling area, provided that the rates in the added exchange may not exceed the amount necessary to recover 100 percent of the costs and ensure that the rates are income neutral for the telephone company serving the added exchange.

(b) The commission shall establish rates that are income neutral for each affected telephone company at the time at which the commission determines the extended area service rates. The commission shall consider the interests of all parties when determining a fair and equitable extended area service rate for a local telephone exchange that is newly included in the extended area service.

(c) A telephone company that provides local telephone service in an exchange that is included in an extended service area shall include the extended area service rate in the basic rate for the purpose of billing customers so that only one line item charge appears on customers' bills for both rates.

*Subd. 4. [LATA BOUNDARIES.]* When the commission has determined that a petition for inclusion of a local exchange in an extended service area should be granted under this section, but the inclusion of that local exchange would place a telephone company in violation of the federal prohibition on providing telephone service across a local access and transport area (LATA) line, as defined in section 237.57, subdivision 5, the commission shall order the affected telephone company to seek a waiver of the prohibition on the provision of service across the LATA line to the extent necessary to include the exchange in the extended service area.

*Subd. 5. [INTERSTATE EXTENDED AREA SERVICE.]* No state boundary may be crossed to establish extended area service under this section, but an exchange may be added to an interstate extended service area in existence on the effective date of this section.

**Sec. 2. [METROPOLITAN EXTENDED AREA TELEPHONE SERVICE.]**

*Subdivision 1. [DEFINITION.]* For the purposes of this section, "metropolitan" or "metropolitan area" means all of the area within the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

*Subd. 2. [REQUIRED EXPANSION OF METROPOLITAN EXTENDED AREA SERVICE.]* Notwithstanding section 1, by July 1, 1991, the public utilities commission shall expand the metropolitan extended area service local calling area to include each local service telephone exchange served by a central office or wire center located within the metropolitan area if a majority of the consumers in the exchange that respond to polling by the commission favor including that exchange in the metropolitan local calling area as determined under subdivisions 3 and 4.

*Subd. 3. [COMMISSION DUTIES; PROJECT.]* The commission, in

*cooperation with each affected telephone company, shall determine the rates that would be charged to the customers in each metropolitan exchange that is not currently included in the metropolitan local calling area if that exchange were to be included. The commission shall then conduct a poll of the customers in each exchange. The ballot or questionnaire sent to each customer must clearly identify the rate that would be charged to customers in that exchange if the exchange becomes part of the metropolitan extended service area and must be returnable to the commission, at no cost to the customers, within 60 days of the date the ballot or questionnaire was mailed. If a majority of the customers in an exchange who respond to the commission's poll indicate that they favor inclusion, the commission shall include that exchange in the metropolitan local calling area.*

*Subd. 4. [COSTS; RATES.] The commission shall determine the costs and rates for each exchange subject to subdivision 3 in accordance with section 1, subdivisions 2 and 3, and commission rules.*

*Subd. 5. [FUTURE EXPANSION.] Customers in metropolitan exchanges that are not included in the metropolitan local calling area under subdivision 3 and customers in nonmetropolitan exchanges that want to be included in the metropolitan local calling area may petition the commission for inclusion under section 1 and commission rules, provided that no state boundary may be crossed in expanding the metropolitan local calling area.*

*Subd. 6. [DUTIES; TELEPHONE COMPANIES.] Each telephone company that is potentially affected by the activities of the commission in implementing subdivision 3 shall cooperate with the commission in determining costs and rates and any other activity or determination necessary to implement that subdivision.*

**Sec. 3. [REPEALER.]**

*Section 1 is repealed effective June 1, 1994.*

**Sec. 4. [EFFECTIVE DATE; APPLICATION.]**

*Sections 1 and 2 are effective the day following final enactment. Section 1 applies to all petitions pending before the public utilities commission on that date and to bills sent to customers in exchanges that become part of an extended service area after that date. Section 2 applies to local exchanges whose central offices or wire centers are located in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington. The public utilities commission shall suspend further action on any pending extended area service petition from an exchange governed by section 2 until the public utilities commission has implemented that section."*

We request adoption of this report and repassage of the bill.

*(3) encouraging and facilitating the funding of child protection services with an emphasis on prevention and treatment.*

*Subd. 3. [REPORT.] The commission shall report its findings and recommendations to the governor and the legislature by December 15 of each even-numbered year, beginning in 1992.*

*Subd. 4. [ADMINISTRATION.] The commission shall utilize existing legislative staff in carrying out its duties.*

Sec. 2. [144.3871] [POSTERS ON THE DANGERS OF ALCOHOL USE.]

*The commissioner of health shall encourage all establishments required to obtain on-sale or off-sale intoxicating liquor licenses under chapter 340A, to display, in a prominent location, posters informing pregnant women of the dangers of alcohol use. The commissioner shall make posters available, at no charge, to establishments with on-sale or off-sale licenses for intoxicating liquors. Posters must provide, in large print, the following message: "Warning: drinking alcoholic beverages during pregnancy can cause birth defects and prematurity" or a similar message approved by the commissioner of health.*

Sec. 3. Minnesota Statutes 1988, section 145.88, is amended to read:

145.88 [PURPOSE.]

The legislature finds that it is in the public interest to assure:

(a) Statewide planning and coordination of maternal and child health services through the acquisition and analysis of population-based health data, provision of technical support and training, and coordination of the various public and private maternal and child health efforts; and

(b) Support for targeted maternal and child health services in communities with significant populations of high risk, low income families through a grants process.

Federal money received by the Minnesota department of health, pursuant to United States Code, title 42, sections 701 to 709, shall be expended to:

(1) assure access to quality maternal and child health services for mothers and children, especially those of low income and with limited availability to health services *and those children at risk of physical, neurological, emotional, and developmental problems arising from chemical abuse by a mother during pregnancy;*

(2) reduce infant mortality and the incidence of preventable diseases and handicapping conditions among children;

(3) reduce the need for inpatient and long-term care services and to otherwise promote the health of mothers and children, especially by providing preventive and primary care services for low income mothers and children and prenatal, delivery and postpartum care for low income mothers;

(4) provide rehabilitative services for blind and disabled children under age 16 receiving benefits under Title XVI of the Social Security Act; and

(5) provide and locate medical, surgical, corrective and other service for children who are crippled or who are suffering from conditions that lead to crippling.

Sec. 4. Minnesota Statutes 1989 Supplement, section 145.882, subdivision 7, is amended to read:

Subd. 7. [USE OF BLOCK GRANT MONEY.] (a) Maternal and child health block grant money allocated to a community health board or community health services area under this section must be used for qualified programs for high risk and low income individuals. Block grant money must be used for programs that:

(1) specifically address the highest risk populations, particularly low income and minority groups with a high rate of infant mortality and children with low birth weight, by providing services, *including pre-pregnancy family planning services*, calculated to produce measurable decreases in infant mortality rates, instances of children with low birth weight, and medical complications associated with pregnancy and childbirth, *including infant mortality, low birth rates, and medical complications arising from chemical abuse by a mother during pregnancy*;

(2) specifically target pregnant women whose age, medical condition, or maternal history, *or chemical abuse* substantially increases the likelihood of complications associated with pregnancy and childbirth or the birth of a child with an illness, disability, or special medical needs;

(3) specifically address the health needs of young children who have or are likely to have a chronic disease or disability or special medical needs, *including physical, neurological, emotional, and developmental problems that arise from chemical abuse by a mother during pregnancy*;

(4) provide family planning and preventive medical care for specifically identified target populations, such as minority and low income teenagers, in a manner calculated to decrease the occurrence of inappropriate pregnancy and minimize the risk of complications associated with pregnancy and childbirth; or

(5) specifically address the frequency and severity of childhood injuries in high risk target populations by providing services calculated to produce measurable decreases in mortality and morbidity. However, money may be used for this purpose only if the community health board's application includes program components for the purposes in clauses (1) to (4) in the proposed geographic service area and the total expenditure for injury-related programs under this clause does not exceed ten percent of the total allocation under subdivision 3.

(b) Maternal and child health block grant money may be used for purposes other than the purposes listed in this subdivision only under the following conditions:

(1) the community health board or community health services area can demonstrate that existing programs fully address the needs of the highest risk target populations described in this subdivision; or

(2) the money is used to continue projects that received funding before creation of the maternal and child health block grant in 1981.

(c) Projects that received funding before creation of the maternal and child health block grant in 1981, must be allocated at least the amount of maternal and child health special project grant funds received in 1989, unless (1) the local board of health provides equivalent alternative funding for the project from another source; or (2) the local board of health demonstrates that the need for the specific services provided by the project has

significantly decreased as a result of changes in the demographic characteristics of the population, or other factors that have a major impact on the demand for services. If the amount of federal funding to the state for the maternal and child health block grant is decreased, these projects must receive a proportional decrease as required in subdivision 1. Increases in allocation amounts to local boards of health under subdivision 4 may be used to increase funding levels for these projects.

Sec. 5. Minnesota Statutes 1988, section 147.09, is amended to read:  
147.09 [EXEMPTIONS.]

Section 147.081 does not apply to, control, prevent or restrict the practice, service, or activities of:

(1) A person who is a commissioned medical officer of, a member of, or employed by, the armed forces of the United States, the United States Public Health Service, the Veterans Administration, any federal institution or any federal agency while engaged in the performance of official duties within this state, if the person is licensed elsewhere.

(2) A licensed physician from a state or country who is in actual consultation here.

(3) A licensed or registered physician who treats the physician's home state patients or other participating patients while the physicians and those patients are participating together in outdoor recreation in this state as defined by section 86A.03, subdivision 3. A physician shall first register with the board on a form developed by the board for that purpose. The board shall not be required to promulgate the contents of that form by rule. No fee shall be charged for this registration.

(4) A student practicing under the direct supervision of a preceptor while the student is enrolled in and regularly attending a recognized medical school.

(5) A student who is in continuing training and performing the duties of an intern or resident or engaged in postgraduate work considered by the board to be the equivalent of an internship or residency in any hospital or institution approved for training by the board.

(6) A person employed in a scientific, sanitary or teaching capacity by the state university, the state department of education, or by any public or private school, college, or other bona fide educational institution, or the state department of health, whose duties are entirely of a public health or educational character, while engaged in such duties.

(7) Physician's assistants registered in this state.

(8) A doctor of osteopathy duly licensed by the state board of osteopathy under Minnesota Statutes 1961, sections 148.11 to 148.16, prior to May 1, 1963, who has not been granted a license to practice medicine in accordance with this chapter provided that the doctor confines activities within the scope of the license.

(9) Any person licensed by a health related licensing board, as defined in section 214.01, subdivision 2, or registered by the commissioner of health pursuant to section 214.13, including licensed psychologists with respect to the use of hypnosis; provided that the person confines activities within the scope of the license.

(10) A Christian Scientist or other person who endeavors to prevent or cure disease or suffering exclusively by mental or spiritual means or by prayer, or who practices ritual circumcision pursuant to the requirements or tenets of any established religion.

(11) A Christian Scientist or other person who endeavors to prevent or cure disease or suffering exclusively by mental or spiritual means or by prayer.

Sec. 6. [245.826] [USE OF RESTRICTIVE TECHNIQUES AND PROCEDURES IN FACILITIES SERVING EMOTIONALLY DISTURBED CHILDREN.]

*When amending rules governing facilities serving emotionally disturbed children that are licensed under section 245A.09 and Minnesota Rules, parts 9545.0900 to 9545.1090, and 9545.1400 to 9545.1500, the commissioner of human services shall include provisions governing the use of restrictive techniques and procedures. No provision of these rules may encourage or require the use of restrictive techniques and procedures. The rules must prohibit: (1) the application of certain restrictive techniques or procedures in facilities, except as authorized in the child's case plan and monitored by the county caseworker responsible for the child; (2) the use of restrictive techniques or procedures that restrict the clients' normal access to nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, and necessary clothing; and (3) the use of corporal punishment. The rule may specify other restrictive techniques and procedures and the specific conditions under which permitted techniques and procedures are to be carried out.*

Sec. 7. Minnesota Statutes 1989 Supplement, section 245A.04, subdivision 3, is amended to read:

Subd. 3. [STUDY OF THE APPLICANT.] (a) Before the commissioner issues a license, the commissioner shall conduct a study of the individuals specified in clauses (1) to (4) according to rules of the commissioner. The applicant, license holder, the bureau of criminal apprehension, and county agencies, after written notice to the individual who is the subject of the study, shall help with the study by giving the commissioner criminal conviction data and reports about abuse or neglect of adults substantiated under section 626.557 and the maltreatment of minors substantiated under section 626.556. The individuals to be studied shall include:

- (1) the applicant;
- (2) persons over the age of 13 living in the household where the licensed program will be provided;
- (3) current employees or contractors of the applicant who will have direct contact with persons served by the program; and
- (4) volunteers who have direct contact with persons served by the program to provide program services, if the contact is not directly supervised by the individuals listed in clause (1) or (3).

*The juvenile courts shall also help with the study by giving the commissioner existing juvenile court records on individuals described in clause (2) relating to delinquency proceedings held within either the five years immediately preceding the application or the five years immediately preceding the individual's 18th birthday, whichever time period is longer. The*

*commissioner shall destroy juvenile records obtained pursuant to this subdivision when the subject of the records reaches age 23.*

For purposes of this subdivision, "direct contact" means providing face-to-face care, training, supervision, counseling, consultation, or medication assistance to persons served by a program. For purposes of this subdivision, "directly supervised" means an individual listed in clause (1) or (3) is within sight or hearing of a volunteer to the extent that the individual listed in clause (1) or (3) is capable at all times of intervening to protect the health and safety of the persons served by the program who have direct contact with the volunteer.

A study of an individual in clauses (1) to (4) shall be conducted on at least an annual basis. No applicant, license holder, or individual who is the subject of the study shall pay any fees required to conduct the study.

(b) The individual who is the subject of the study must provide the applicant or license holder with sufficient information to ensure an accurate study including the individual's first, middle, and last name; home address, city, county, and state of residence; zip code; sex; date of birth; and driver's license number. The applicant or license holder shall provide this information about an individual in paragraph (a), clauses (1) to (4), on forms prescribed by the commissioner. The commissioner may request additional information of the individual, which shall be optional for the individual to provide, such as the individual's social security number or race.

(c) A study must include information from the county agency's record of substantiated abuse of adults, neglect of adults, and the maltreatment of minors, and information from the bureau of criminal apprehension.

The commissioner may also review arrest and investigative information from the bureau of criminal apprehension, a county attorney, county sheriff, county agency, local chief of police, other states, the courts, or a national criminal record repository if the commissioner has reasonable cause to believe the information is pertinent to the disqualification of an individual listed in paragraph (a), clauses (1) to (4).

(d) An applicant's or license holder's failure or refusal to cooperate with the commissioner is reasonable cause to deny an application or immediately suspend, suspend, or revoke a license. Failure or refusal of an individual to cooperate with the study is just cause for denying or terminating employment of the individual if the individual's failure or refusal to cooperate could cause the applicant's application to be denied or the license holder's license to be immediately suspended, suspended, or revoked.

(e) The commissioner shall not consider an application to be complete until all of the information required to be provided under this subdivision has been received.

(f) No person in paragraph (a), clause (1), (2), (3), or (4) who is disqualified as a result of this act may be retained by the agency in a position involving direct contact with persons served by the program.

(g) The commissioner shall not implement the procedures contained in this subdivision until appropriate rules have been adopted, except for the applicants and license holders for child foster care, adult foster care, and family day care homes.

(h) Termination of persons in paragraph (a), clause (1), (2), (3), or (4) made in good faith reliance on a notice of disqualification provided by the

commissioner shall not subject the applicant or license holder to civil liability.

(i) The commissioner may establish records to fulfill the requirements of this section. The information contained in the records is only available to the commissioner for the purpose authorized in this section.

Sec. 8. Minnesota Statutes 1988, section 259.40, subdivision 1, is amended to read:

Subdivision 1. [SUBSIDY PAYMENTS.] The commissioner of human services may make subsidy payments as necessary *after the subsidized adoption agreement is approved* to an adoptive parent or parents who adopt a child who *meets the eligibility requirements under title IV-E of the Social Security Act, United States Code, title 42, section 670, or who otherwise meets the requirements in subdivision 4*, is a Minnesota resident and is under guardianship of the commissioner or of a licensed child placing agency after the final decree of adoption is issued. The subsidy payments and any subsequent modifications to the subsidy payments shall be based on the needs of the adopted person that the commissioner has determined cannot be met using other resources including programs available to the adopted person and the adoptive parent or parents.

Sec. 9. Minnesota Statutes 1988, section 259.40, subdivision 4, is amended to read:

Subd. 4. [ELIGIBILITY CONDITIONS.] The placing agency shall *determine the child's eligibility for adoption assistance under title IV-E of the Social Security Act. If the child does not qualify, the placing agency shall* certify a child as eligible for a *state-funded* subsidy only if the following criteria are met:

(a) A placement agency has made reasonable efforts to place the child for adoption without subsidy, but has been unsuccessful; or

(b) The child's licensed foster parents desire to adopt the child and it is determined by the placing agency that:

(1) The adoption is in the best interest of the child; and,

(2) Due to the child's characteristics or circumstances it would be difficult to provide the child an adoptive home without subsidy; and

(c) The child has been a ward of the commissioner, or licensed child placing agency.

Sec. 10. Minnesota Statutes 1988, section 260.011, subdivision 2, is amended to read:

Subd. 2. (a) *The paramount consideration in all proceedings concerning a child alleged or found to be in need of protection or services is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with sections 257.35 to 257.3579 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923. The purpose of the laws relating to juvenile courts is to secure for each child alleged or adjudicated in need of protection or services and under the jurisdiction of the court, the care and guidance, preferably in the child's own home, as will best serve the spiritual, emotional, mental, and physical welfare of the child and the best interests of the state; to provide judicial procedures which protect the welfare of the child; to preserve and*

strengthen the child's family ties whenever possible *and in the child's best interests*, removing the child from the custody of parents only when the child's welfare or safety cannot be adequately safeguarded without removal; and, when removal from the child's own family is necessary *and in the child's best interests*, to secure for the child custody, care and discipline as nearly as possible equivalent to that which should have been given by the parents.

(b) The purpose of the laws relating to termination of parental rights is to ensure that:

(1) reasonable efforts have been made by the social service agency to reunite the child with the child's parents in a placement that is safe and permanent; and

(2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents.

The paramount consideration in all proceedings for the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 257.351, subdivision 6, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

(c) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(d) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 11. Minnesota Statutes 1989 Supplement, section 260.015, subdivision 2a, is amended to read:

Subd. 2a. [CHILD IN NEED OF PROTECTION OR SERVICES.] "Child in need of protection or services" means a child who is in need of protection or services because the child:

(1) is abandoned or without parent, guardian, or custodian;

(2)(i) has been a victim of physical or sexual abuse, or (ii) resides with or has resided with a victim of domestic child abuse as defined in subdivision 24, (iii) resides with or would reside with a perpetrator of domestic child abuse, or (iv) is a victim of emotional maltreatment as defined in subdivision 5a;

(3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the

withholding of medically indicated treatment from a disabled infant with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;

(9) is one whose behavior, condition, or environment is such as to be injurious or dangerous to the child or others;

(10) has committed a delinquent act before becoming ten years old;

(11) is a runaway; or

(12) is an habitual truant; or

(13) is one whose custodial parent's parental rights to another child have been involuntarily terminated within the past five years.

Sec. 12. Minnesota Statutes 1988, section 260.155, subdivision 1, is amended to read:

Subdivision 1. [GENERAL.] Except for hearings arising under section 260.261, hearings on any matter shall be without a jury and may be conducted in an informal manner. The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to be delinquent, in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12), or a juvenile petty offender, and hearings conducted pursuant to section 260.125 except to the extent that the rules themselves provide that they do not apply. *Except for proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may be continued or adjourned from time to time and, in the interim, in proceedings involving a child alleged to be in need of protection or services and petitions for the termination of parental rights, hearings may not be continued or adjourned for more than one week unless the court makes specific findings that the continuance or adjournment is in the best interests*

*of the child. When a continuance or adjournment is ordered in any proceeding, the court may make any interim orders as it deems in the best interests of the minor in accordance with the provisions of sections 260.011 to 260.301. The court shall exclude the general public from these hearings and shall admit only those persons who, in the discretion of the court, have a direct interest in the case or in the work of the court; except that, the court shall open the hearings to the public in delinquency proceedings where the child is alleged to have committed an offense or has been proven to have committed an offense that would be a felony if committed by an adult and the child was at least 16 years of age at the time of the offense. In all delinquency cases a person named in the charging clause of the petition as a person directly damaged in person or property shall be entitled, upon request, to be notified by the court administrator in writing, at the named person's last known address, of (1) the date of the reference or adjudicatory hearings, and (2) the disposition of the case. Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions.*

Sec. 13. Minnesota Statutes 1989 Supplement, section 260.161, subdivision 2, is amended to read:

Subd. 2. Except as provided in this subdivision and in subdivision 1, and except for legal records arising from proceedings that are public under section 260.155, subdivision 1, none of the records of the juvenile court and none of the records relating to an appeal from a nonpublic juvenile court proceeding, except the written appellate opinion, shall be open to public inspection or their contents disclosed except (a) by order of a court or (b) as required by sections 245A.04, 611A.03, 611A.04, and 611A.06. The records of juvenile probation officers and county home schools are records of the court for the purposes of this subdivision. Court services data relating to delinquent acts that are contained in records of the juvenile court may be released as allowed under section 13.84, subdivision 5a. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court, except that this subdivision does not apply to proceedings under section 260.255, 260.261, or 260.315 when the proceeding involves an adult defendant. The court shall maintain the confidentiality of adoption files and records in accordance with the provisions of laws relating to adoptions. In juvenile court proceedings any report or social history furnished to the court shall be open to inspection by the attorneys of record and the guardian ad litem a reasonable time before it is used in connection with any proceeding before the court.

When a judge of a juvenile court, or duly authorized agent of the court, determines under a proceeding under this chapter that a child has violated a state or local law, ordinance, or regulation pertaining to the operation of a motor vehicle on streets and highways, except parking violations, the judge or agent shall immediately report the violation to the commissioner of public safety. The report must be made on a form provided by the department of public safety and must contain the information required under section 169.95.

Sec. 14. Minnesota Statutes 1989 Supplement, section 260.171, subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a secure detention facility or a shelter care facility, that person shall advise the child and as soon as is possible,

the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why the child is being placed in a juvenile secure detention facility or a shelter care facility; and

(b) of the location of the juvenile secure detention facility or shelter care facility. If there is reason to believe that disclosure of the location of the shelter care facility would place the child's health and welfare in immediate endangerment, disclosure of the location of the shelter care facility shall not be made; and

(c) that the child's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the juvenile secure detention facility or shelter care facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney or guardian ad litem at reasonable hours; and

(d) that the child may telephone parents and an attorney or guardian ad litem from the juvenile secure detention facility or shelter care facility immediately after being admitted to the facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be detained for acts as defined in section 260.015, subdivision 5, at a juvenile secure detention facility or shelter care facility longer than 36 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(f) that the child may not be detained for acts defined in section 260.015, subdivision 5, at an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a petition has been filed and the court orders the child's continued detention under section 260.172; and

(g) that the child may not be detained pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), at a shelter care facility longer than 72 hours, excluding Saturdays, Sundays, and holidays, unless a petition has been filed within that time and the court orders the child's continued detention, pursuant to section 260.172; and

(h) of the date, time, and place of the detention hearing, *if this information is available to the person who has taken the child into custody*; and

(i) that the child and the child's parent, guardian, or custodian have the right to be present and to be represented by counsel at the detention hearing, and that if they cannot afford counsel, counsel will be appointed at public expense for the child, if it is a delinquency matter, or for any party, if it is a child in need of protection or services, neglected and in foster care, or termination of parental rights matter.

After August 1, 1991, the child's parent, guardian, or custodian shall also be informed under clause (f) that the child may not be detained in an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours if the adult jail or municipal lockup is in a standard metropolitan statistical area, unless a motion to refer the child for adult prosecution has been made within that time period.

Sec. 15. Minnesota Statutes 1989 Supplement, section 260.221, subdivision 1, is amended to read:

Subdivision 1. [VOLUNTARY AND INVOLUNTARY.] The juvenile court may upon petition, terminate all rights of a parent to a child in the following cases:

(a) With the written consent of a parent who for good cause desires to terminate parental rights; or

(b) If it finds that one or more of the following conditions exist:

(1) That the parent has abandoned the child. Abandonment is presumed when:

(i) the parent has had no contact or merely incidental contact with the child for six months in the case of a child under six years of age, or for 12 months in the case of a child ages six to 11; and

(ii) the social service agency has made reasonable efforts to facilitate contact, unless the parent establishes that an extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from making contact with the child. This presumption does not apply to children whose custody has been determined under chapter 257 or 518. The court is not prohibited from finding abandonment in the absence of this presumption; or

(2) That the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, and reasonable efforts by the social service agency have failed to correct the conditions that formed the basis of the petition; or

(3) That a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial parent if that parent has not been ordered to or cannot financially contribute to the support of the child or aid in the child's birth; or

(4) That a parent is palpably unfit to be a party to the parent and child relationship because of a consistent pattern of specific conduct before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental, or emotional needs of the child. *It is presumed that a parent is palpably unfit to be a party to the parent and child relationship upon a showing that:*

(i) *the child was adjudicated in need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); and*

(ii) *within the three-year period immediately prior to that adjudication, the parent's parental rights to one or more other children were involuntarily terminated under clause (1), (2), (4), or (7) of this paragraph, or under clause (5) of this paragraph if the child was initially determined to be in*

*need of protection or services due to circumstances described in section 260.015, subdivision 2a, clause (1), (2), (3), (5), or (8); or*

(5) That following upon a determination of neglect or dependency, or of a child's need for protection or services, reasonable efforts, under the direction of the court, have failed to correct the conditions leading to the determination. It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child under the age of 12 has resided out of the parental home under court order for more than one year following an adjudication of dependency, neglect, need for protection or services under section 260.015, subdivision 2a, clause (1), (2), (6), (8), or (9), or neglected and in foster care, and an order for disposition under section 260.191, including adoption of the case plan required by section 257.071;

(ii) conditions leading to the determination will not be corrected within the reasonably foreseeable future; and

(iii) reasonable efforts have been made by the social service agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year after a child has been placed out of the home.

*It is also presumed that reasonable efforts have failed under this clause upon a showing that:*

(i) *the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;*

(ii) *the parent has been required by a case plan to participate in a chemical dependency treatment program;*

(iii) *the treatment programs offered to the parent were culturally, linguistically, and clinically appropriate;*

(iv) *the parent has either failed two or more times to successfully complete a treatment program or has refused at two or more separate meetings with a caseworker to participate in a treatment program; and*

(v) *the parent continues to abuse chemicals.*

Sec. 21. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342, 609.343, 609.344, or 609.345. Sexual abuse also includes any act which involves a minor which constitutes a violation of sections 609.321 to 609.324 or 617.246. *Sexual abuse includes threatened sexual abuse.*

Nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that there is a duty to report if a lack of medical care may cause imminent and serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, or medical care, a duty to provide that care. "Neglect" includes prenatal exposure to a controlled substance, as defined in section ~~626.556~~ 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at

birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means "medical neglect" as defined in section 260.015, subdivision 2a, clause (5).

(e) "Report" means any report received by the local welfare agency, police department, or county sheriff pursuant to this section.

(f) "Facility" means a day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed pursuant to sections 144.50 to 144.58, 241.021, or 245.781 to 245.812.

(j) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem services.

(k) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(l) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury.

The police department or the county sheriff, upon receiving a report,

shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency and police department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school, or agency.

(b) Any person may voluntarily report to the local welfare agency, police department, or the county sheriff if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency orally and in writing. The local welfare agency, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

Subd. 4. [IMMUNITY FROM LIABILITY.] (a) The following persons are immune from any civil or criminal liability that otherwise might result from their actions, if they are acting in good faith:

(1) any person making a voluntary or mandated report under subdivision 3 or under section 626.5561 or assisting in an assessment under this section or under section 626.5561;

(2) any social worker or supervisor employed by a local welfare agency complying with subdivision 10d or the provisions of section 626.5561; and

(3) any public or private school, facility as defined in subdivision 2, or the employee of any public or private school or facility who permits access by a local welfare agency or local law enforcement agency and assists in an investigation or assessment pursuant to subdivision 10 or under section 626.5561.

(b) A person who is a supervisor or social worker employed by a local welfare agency complying with subdivisions 10 and 11 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good

faith and exercising due care.

(c) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

*(d) If a person who makes a voluntary or mandatory report under subdivision 3 prevails in a civil action from which the person has been granted immunity under this subdivision, the court may award the person attorney fees and costs.*

Sec. 24. Minnesota Statutes 1989 Supplement, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. [DETERMINATIONS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

~~(1) an assault, as defined in section 609.02, subdivision 10, or any physical contact not exempted by section 609.379, where the assault or physical contact is either severe or recurring and causes either injury or significant risk of injury to the child physical abuse as defined in subdivision 2, paragraph (d);~~

(2) neglect as defined in subdivision 2, paragraph (c); or

(3) sexual abuse as defined in subdivision 2, paragraph (a); or

(4) mental injury as defined in section 21.

(b) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(c) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in imminent and serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

Sec. 25. Minnesota Statutes 1988, section 626.556, is amended by adding a subdivision to read:

*(2) the reports and records will be used only for purposes of a child protection assessment or investigation and will not be further disclosed to any other person or agency.*

*The local social service agency or law enforcement agency in this state shall keep a record of all records or reports disclosed pursuant to this subdivision and of any agency to which the records or reports are disclosed. The welfare board shall make available to the investigating, petitioning, or prosecuting authority any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the rules of criminal procedure.

Sec. 27. Minnesota Statutes 1989 Supplement, section 626.5561, subdivision 1, is amended to read:

Subdivision 1. [REPORTS REQUIRED.] A person mandated to report under section 626.556, subdivision 3, shall immediately report to the local welfare agency if the person knows or has reason to believe that a woman

Any person may make a voluntary report if the person knows or has reason to believe that a woman is pregnant and has used a controlled substance for a nonmedical purpose during the pregnancy. *An oral report shall be made immediately by telephone or otherwise. If the test results are positive, the physician shall report the results under section 626.5561. A negative test result does not eliminate the obligation to report under section 626.5561, if other evidence gives the physician reason to believe the patient has used a controlled substance for a nonmedical purpose.

Subdivision 1. [LICENSES REQUIRED.] No person may directly or indirectly manufacture or sell at wholesale intoxicating liquor, or nonintoxicating malt liquor without obtaining an appropriate license from the commissioner, except where otherwise provided in this chapter. A manufacturer's license includes the right to import. ~~A licensed brewer of malt liquor may sell products at wholesale without an additional license. A licensed brewer may sell the brewer's products at wholesale only if the brewer has been issued a wholesaler's license. The commissioner shall issue a wholesaler's license to a brewer only if (1) the commissioner determines that the brewer was selling the brewer's own products at wholesale in Minnesota on January 1, 1991, or (2) the brewer has acquired a wholesaler's business or assets under subdivision 7a, paragraph (c) or (d). A licensed wholesaler of intoxicating malt liquor may sell nonintoxicating malt liquor at wholesale without an additional license. Sec. 5. Minnesota Statutes 1988, section 340A.301, subdivision 7, is amended to read:

Subd. 7. [INTEREST IN OTHER BUSINESS.] (a) Except as provided in this subdivision, a holder of a license as a manufacturer, brewer, or wholesaler may not have any ownership, in whole or in part, in a business holding a retail intoxicating liquor or nonintoxicating malt liquor license, but a manufacturer or wholesaler of intoxicating liquor may use or have property rented for retail intoxicating liquor sales if the manufacturer or wholesaler has owned the property continuously since November 1, 1933.

(b) A licensed brewer of malt liquor described in subdivision 6, clause (d) may be issued an on-sale intoxicating liquor or nonintoxicating malt liquor license by a municipality for a restaurant operated in or immediately adjacent to the place of manufacture.

(c) Except as provided in subdivision 7a, no brewer as defined in subdivision 7a may have any interest, in whole or in part, directly or indirectly, in the license, business, assets, or corporate stock of a licensed malt liquor wholesaler.

Sec. 6. Minnesota Statutes 1988, section 340A.301, is amended by adding a subdivision to read:

Subd. 7a. [PERMITTED INTERESTS IN WHOLESALE BUSINESS.] (a) A brewer may financially assist a wholesaler of malt liquor through participation in a limited partnership in which the brewer is the limited partner and the wholesaler is the general partner. A limited partnership authorized in this paragraph may not exist for more than ten years from the date of its creation, and may not, directly or indirectly, be recreated, renewed, or extended beyond that date.

(b) A brewer may financially assist a malt liquor wholesaler and collateralize the financing by taking a security interest in the inventory and assets, other than the corporate stock, of the wholesaler. A financial agreement authorized by this paragraph may not be in effect for more than ten years from the date of its creation and may not be directly or indirectly extended or renewed.

(c) A brewer who, after creation of a financial agreement authorized by paragraph (b), or after creation of a limited partnership authorized in paragraph (a), acquires legal or equitable title to the wholesaler's business

which was the subject of the agreement or limited partnership, or to the business assets, must divest the business or its assets within two years of the date of acquiring them. A malt liquor wholesaler whose business or assets are acquired by a brewer as described in this paragraph may not enter into another such financial agreement, or participate in another such limited partnership, for 20 years from the date of the acquisition of the business or assets.

(d) A brewer may have an interest in the business, assets, or corporate stock of a malt liquor wholesaler as a result of (1) a judgment against the wholesaler arising out of a default by the wholesaler or (2) acquisition of title to the business, assets, or corporate stock as a result of a written request of the wholesaler. A brewer may maintain ownership of or an interest in the business, assets, or corporate stock under this paragraph for not more than two years, and only for the purpose of facilitating an orderly transfer of the business to an owner not affiliated with the brewer.

(e) A brewer may continue to maintain an ownership interest in a malt liquor wholesaler if it owned the interest on the effective date of this section.

(f) A brewer that was legally selling the brewer's own products at wholesale in Minnesota on the effective date of this section may continue to sell those products at wholesale in the area where it was selling those products on that date.

(g) A brewer that manufactures malt liquor in Minnesota may, if the brewer does not manufacture in Minnesota in any year more than 25,000 barrels of malt liquor or its metric equivalent, own or have an interest in a malt liquor wholesaler that sells only the brewer's products.

(h) When the commissioner issues a license to a malt liquor wholesaler described in paragraph (a) or (b), the commissioner may issue the license only to the entity which is actually operating the wholesale business and may not issue the license to a brewer that is a limited partner under paragraph (a) or providing financial assistance under paragraph (b) unless the brewer has acquired a wholesaler's business or assets under paragraph (c) or (d).

(i) For purposes of this subdivision and subdivision 7, clause (c), "brewer" means:

- (1) a holder of a license to manufacture malt liquor;
- (2) an officer, director, agent, or employee of such a license holder; and
- (3) an affiliate of such a license holder, regardless of whether the affiliation is corporate or by management, direction, or control.

The licenses authorize sales on all days of the week to holders of tickets for performances presented by the theatres and to members of the nonprofit corporations holding the licenses and to their guests.

(b) The city of Minneapolis may issue an intoxicating liquor license to

510 Groveland Associates, a Minnesota cooperative, for use by a restaurant on the premises owned by 510 Groveland Associates, notwithstanding limitations of law, or local ordinance, or charter provision.

*(c) Notwithstanding any other law, local ordinance, or charter provision, the city of Minneapolis may issue one or more on-sale intoxicating liquor licenses to the owner of the sports arena located at 600 First Avenue North in the city of Minneapolis or an entity holding a concessions contract with the owner for use on the premises of that sports arena. The license authorizes sales on all days of the week to holders of tickets for sporting events or other events at the sports arena and to the owner of the sports arena and the owner's guests. The licensee may not dispense intoxicating liquor to any person attending or participating in an amateur athletic event held on the premises.*

Sec. 8. Minnesota Statutes 1988, section 340A.404, subdivision 3, is amended to read:

Subd. 3. [NOTICE TO THE COMMISSIONER.] A city shall within ten days of the issuance of a license under subdivision 1 or 5, inform the commissioner of the licensee's name and address and trade name, and the effective date and expiration date of the license. The city shall also inform the commissioner of a license transfer, cancellation, suspension, or revocation during the license period.

Sec. 9. Minnesota Statutes 1988, section 340A.404, subdivision 5, is amended to read:

Subd. 5. [WINE LICENSES.] (a) A municipality may issue an on-sale wine license with the approval of the commissioner to a restaurant having facilities for seating at least 25 guests at one time. A wine license permits the sale of wine of up to 14 percent alcohol by volume for consumption with the sale of food. A wine license authorizes the sale of wine on all days of the week unless the issuing authority restricts the license's authorization to the sale of wine on all days except Sundays.

(b) The governing body of a municipality may by ordinance authorize a holder of an on-sale wine license issued pursuant to paragraph (a) who is also licensed to sell nonintoxicating malt liquors at on-sale pursuant to section 340A.411, and whose gross receipts are at least 60 percent attributable to the sale of food, to sell intoxicating malt liquors at on-sale without an additional license.

*(c) A municipality may issue an on-sale wine license with the approval of the commissioner to a licensed bed and breakfast facility. A license under this paragraph authorizes a bed and breakfast facility to furnish wine only to registered guests of the facility.*

Sec. 10. Minnesota Statutes 1988, section 340A.404, is amended by adding a subdivision to read:

Subd. 11. [REMOVAL OF WINE FROM RESTAURANT.] *A restaurant licensed to sell intoxicating liquor or wine at on-sale under this section may permit a person purchasing a full bottle of wine in conjunction with the purchase of a meal to remove the bottle on leaving the licensed premises provided that the bottle has been opened and the contents partially consumed. A removal of a bottle under the conditions described in this subdivision is not an off-sale of intoxicating liquor and may be permitted without additional license.*

Sec. 11. Minnesota Statutes 1988, section 340A.405, subdivision 2, is amended to read:

Subd. 2. [COUNTIES.] (a) A county may issue an off-sale intoxicating license with the approval of the commissioner to exclusive liquor stores located within unorganized territory of the county.

(b) A county board of any county except Ramsey county containing a town exercising powers under section 368.01, subdivision 1, may issue an off-sale license to an exclusive liquor store within that town with the approval of the commissioner. No license may be issued under this paragraph unless the town board adopts a resolution supporting the issuance of the license.

(d) No license may be issued under this subdivision unless a public hearing is held on the issuance of the license. Notice must be given to all interested parties and to any city located within three miles of the premises proposed to be licensed. At the hearing the county board shall consider testimony and exhibits presented by interested parties and may base its decision to issue or deny a license upon the nature of the business to be conducted and its impact upon any municipality, the character and reputation of the applicant, and the propriety of the location. Any hearing held under this paragraph is not subject to chapter 14.

(e) A county board may not issue a license under this subdivision to a person for an establishment located less than ~~three miles~~ *one mile* by the most direct route from the boundary of any statutory or home rule city except cities of the first class or within Pine, Carlton, Carver, *Itasca*, or Red Lake county within ~~three miles~~ *one mile* of a statutory or home rule city with a municipal liquor store.
