*Subd. 4. [STAY OF SALE.] (a) Except for a jeopardy collection under subdivision 2, property shall not be seized for collection of tax until the time has expired for filing an appeal of the assessment with the tax court under chapter 277, or section 274.19 in the case of a manufactured home. If a jeopardy assessment has been made, the owner may file an appeal with the tax court within 30 days after the notice of assessment is issued by the county. The notice shall advise the owner of the right of appeal. If a timely appeal has been filed, no sale may be made unless the taxes remain unpaid for a period of more than 30 days after final determination of the appeal by the tax court or by the appropriate judicial forum.*

*(b) Notwithstanding paragraph (a), seized property may be sold if:*

*(1) the taxpayer consents in writing to the sale; or*

*(2) the county treasurer determines that the property is perishable or may*

*become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense.*

*Subd. 5. [PROBATE COURT JURISDICTION.] If a levy has been made to collect taxes under this section and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, the property may not be sold until the probate proceedings are completed or until the court so orders.*

*Subd. 6. [BOND OR SECURITY TO RELEASE A SEIZURE.] The property seized must be returned to the owner if the owner gives a surety bond equal to the appraised value of the owner's interest in the property, or deposits with the county treasurer security in a form and amount that is necessary to ensure payment of the liability, but not more than twice the liability.*

*Subd. 7. [INJUNCTION.] Notwithstanding any other provision to the contrary, if a levy or sale under this section would irreparably injure rights in property that the court determines to be superior to rights of the taxing districts in the property, the district court may grant an injunction to prohibit the enforcement of the levy or to prohibit a sale.*

*Subd. 8. [PERSONAL LIABILITY.] A person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy, upon demand by the county treasurer, is personally liable to the treasurer in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for the collection of which the levy has been made. Any amount recovered under this subdivision must be credited against the tax liability for the collection of which the levy was made.*

*Subd. 9. [PENALTY.] In addition to the personal liability imposed by subdivision 8, if a person required to surrender property or rights to property fails or refuses to surrender the property or rights to property without reasonable cause, the person is liable for a penalty equal to 25 percent of the amount recoverable under subdivision 8. No part of the penalty may be credited against the tax liability for the collection of which the levy was made.*

*Subd. 10. [PERSON DEFINED.] The term "person" as used in subdivision 8 includes an officer or employee of a corporation or a member or employee of a partnership who, as an officer, employee, or member is under a duty to surrender the property or rights to property or to discharge the obligation. The county attorney shall take appropriate action against any person who has failed to comply with subdivision 8 or 9.*

*Subd. 11. [OPTIONAL REMEDY.] An action taken by the county treasurer under this section does not constitute an election to pursue a remedy to the exclusion of any other remedy.*

*Subd. 12. [EQUITABLE RELIEF.] Upon the seizure of property of a person, that person may, upon giving 48-hours notice to the county treasurer and to the court, bring a claim for equitable relief before the district court for the release of the property to the taxpayer upon terms and conditions the court considers equitable.*

*Subd. 13. [LEVY AND SALE BY SHERIFF.] If a tax collectible under this chapter is not paid as provided in subdivision 1 or 2, the county treasurer*

may, within the time prescribed for collection in subdivision 1, delegate authority by issuing a warrant to the sheriff of a county in the state of Minnesota directing the sheriff as the county treasurer's agent to levy on and sell the real and personal property of the person liable for the payment of the tax and to return the warrant and pay to the county treasurer the money collected within 120 days from the date of the warrant.

The sheriff shall proceed under authority of the warrant to levy on and seize any property and rights to property in the county belonging to the person liable for the payment of the tax, except that the right to levy and seizure does not extend to property that is exempt from execution under sections 550.37, 550.38, and 550.39, but manufactured homes otherwise exempt under section 550.37, subdivision 12, are subject to levy under this section. The sheriff shall sell so much of the property levied on as is necessary to satisfy the amount of the warrant and the sheriff's costs.

Sales procedures, and the time and manner of redemption from them, must be consistent with the procedures in sections 270.701 to 270.709 for warrants issued by the commissioner of revenue. The sale proceeds, less the sheriff's costs, must be turned over to the county treasurer who issued the warrant. The proceeds must be applied as provided in section 270.708.

*Subd. 14. [PRIORITY OF LEVY.]* Notwithstanding section 52.12, a levy by the county treasurer made under this section on a taxpayer's funds on deposit in a financial institution located in this state, has priority over an unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the taxpayer to the financial institution. A claim by the financial institution that it exercised its right to setoff before the levy must be substantiated by evidence of the date of the setoff, and must be verified by the sworn statement of a responsible corporate officer of the financial institution. Furthermore, for purposes of determining the priority of a levy made under this section, the levy must be treated as if it were an execution made under chapter 550.

*Subd. 15. [EFFECT OF HONORING LEVY.]* A person in possession of, or obligated with respect to, property or rights to property subject to levy on which a levy has been made who, upon demand by the county treasurer or agent, surrenders the property or rights to property, or pays a liability under subdivision 8, must be discharged from any obligation or liability to the person liable for the payment or collection of the delinquent tax with respect to the property or rights to property so surrendered or paid.

*Subd. 16. [NOTICE OF LEVY.]* Notwithstanding any other law to the contrary, the notice of a levy authorized by this section may be served by mail or by delivery by an employee or agent of the county treasurer.

**Sec. 6. [277.22] [ADJUSTMENT OF TAX LIABILITY.]**

If the amount of tax determined under section 277.21, subdivision 2, is greater than the corrected tax computed by applying the proper value and levy rate, the excess must be refunded to the person paying the tax. If the amount paid is less, the deficiency must be collected in the same manner as other personal property taxes not collected.

**Sec. 7. [277.23] [CONFESSION OF JUDGMENT FOR HOMESTEAD.]**

*Subdivision 1. [PROCEDURE.]* The owner or another person having an interest in a manufactured home classified and taxed as a homestead may

confess judgment and pay the delinquent personal property tax on the manufactured home in installments in the general manner provided in section 279.37 for real property tax. The provisions of section 279.37 apply to these confessions of judgment and installment payments, except as otherwise provided in this section. A down payment must be tendered of 20 percent of the amount of taxes, costs, penalty, and interest accrued to the date of tender. The balance of the judgment must be paid in four equal annual installments, plus interest on the unpaid balance as provided in this chapter.

The confession of judgment must be substantially in the following form:

"To the court administrator of the district court of . . . . . county:

Name of taxpayer: . . . . .

Location of manufactured home (county): . . . . .

Description of property: . . . . .

Tax Year (start with the most recent tax year in which you owe taxes)	Amount due (total of delinquent taxes, costs, interest, and penalty)
.....	.....
.....	.....
.....	.....
.....	.....
.....	.....
.....	.....

I am the owner of the manufactured home described above.

I offer to confess judgment on the following amount of the delinquent taxes on the property named above:

Amount to be paid: \$ . . . . .

I direct the court to enter judgment for that amount.

I waive all irregularities in the tax proceedings affecting these taxes, and I waive any defense or objection I may have to them.

I agree to pay 20 percent of the total amount now.

Amount paid now: \$ . . . . .

I agree to pay the balance of the amount in four equal annual installments. I agree to pay each installment on or before December 31 of each year after the year in which I file this form.

I agree to pay interest as provided in Minnesota Statutes, chapter 277. I agree that the interest is payable annually on the installments remaining unpaid.

I agree to pay current taxes each year before they become delinquent, unless I contest the taxes under Minnesota Statutes, chapter 277. If I do contest them, I agree to pay the amount decided by the tax court within 30 days after the court enters its final judgment in the proceedings.

Date: . . . . .  
Signature of taxpayer: . . . . ."

Upon receipt of the signed confession of judgment and the required payment, the county treasurer shall file the confession of judgment with the

*court administrator of the district court. When entered by the court administrator, the judgment has the same force and effect of other civil judgments in personam.*

*Subd. 2. [BILLING.] The county treasurer shall give notice by mail before December 1 of each year to the person making a confession of judgment at the address given in it of the payment due under the confession on the following December 31. If the county treasurer has not received the installment payment by December 31, the treasurer shall give notice by certified mail at the last known address of the person making the confession of judgment, without regard to the county or state of the person's residency. This notice must state that the property is subject to levy and sale if payment is not made for the preceding December 31 within 60 days. Failure to send or receive the notice does not postpone any payment or excuse any default under the confession of judgment. Proof of mailing must be made by the certificate of the county treasurer filed in the treasurer's office.*

*Subd. 3. [FEES.] The party making a confession of judgment shall pay the county treasurer a fee as set by the county board to defray the costs of processing the confession of judgment and making the annual billings required. Fees as set by the county board must be paid to the court administrator of the court for entry of judgment and for the entry of each full or partial release of the confession of judgment. Fees must be credited to the general revenue fund of the county.*

**Sec. 8. [277.24] [UNCOLLECTED TAXES.]**

*If at any time in the collection proceedings the county treasurer is satisfied that the tax cannot be collected for any reason or finds that the collection costs are excessive in comparison to the amount of tax involved, the treasurer may cancel the taxes due. A list of canceled taxes must be kept by the treasurer for a period of six years. The list must identify the taxpayer, the amount of uncollectible liability, and the reason for uncollectibility.*

**Sec. 9. [STUDY.]**

*The department of revenue shall study the issue of taxation of manufactured homes and report its specific recommendations to the legislature by March 1, 1993. The study shall include a review of the tax escrow requirements in section 1, and recommendations on the creation and enforcement of tax liens on manufactured homes. The department shall consult with the appropriate committees of the legislature and the Minnesota state bar association in conducting this study.*

**Sec. 10. [REPEALER.]**

*Minnesota Statutes 1990, sections 272.50; 272.51; 272.52; 272.53; 277.02; 277.03; 277.05; 277.06; 277.07; 277.08; 277.09; 277.10; 277.11; 277.12; and 277.13, are repealed.*

**Sec. 11. [EFFECTIVE DATE.]**

*Section 2 is effective for taxes payable in 1992 and thereafter. Section 3 is effective for taxes becoming delinquent in 1992 and thereafter.*

*Sections 4 to 8 and 10 are effective January 1, 1992, but the liens shall be enforceable only for taxes payable after January 1, 1992. A levy authorized by this article may be made to collect any tax remaining unpaid on the effective date, whether or not the tax is included in a judgment. Liens arising under Minnesota Statutes, section 272.50, shall remain in force*

*until taxes are paid, notwithstanding repeal of Minnesota Statutes, section 272.50.*

## ARTICLE 15 COLLECTIONS

Section 1. Minnesota Statutes 1990, section 270.274, subdivision 1, is amended to read:

Subdivision 1. [ADMINISTRATIVE REVIEW.] Within five days after a jeopardy assessment or *jeopardy* collection is made to assess or collect a tax administered by the commissioner of revenue, the commissioner shall provide the taxpayer with a written statement of the information relied on in making the assessment or levy. Within 30 days after the written statement is provided or, if not provided, within 35 days after the assessment or levy, the taxpayer may request the commissioner to review the action taken. After a request for review, the commissioner shall determine whether the assessment or levy is reasonable and whether the amount assessed or demanded as a result of the action is appropriate under the circumstances.

Sec. 2. Minnesota Statutes 1990, section 270.66, subdivision 3, is amended to read:

Subd. 3. [AGENCIES SHALL MAINTAIN RECORDS.] Notwithstanding any provision to the contrary, every person, organization, or corporation doing business (hereafter called vendor) with the state of Minnesota or any of its departments, agencies, or educational institutions including the University of Minnesota (all hereafter called agency) shall provide that agency with *either* their social security number, *federal taxpayer identification number*, or Minnesota tax identification number. The agency shall maintain records of this information, and shall make these records available, on request, to the commissioner for the sole purpose of identifying people who have not filed state tax returns or who have not paid uncontested state tax liabilities (hereafter called delinquent taxpayer). When an agency is notified by the commissioner that a vendor is a delinquent taxpayer, payments shall not be made by the agency to the vendor until the commissioner notifies the agency that the vendor no longer is a delinquent taxpayer. Furthermore, if the vendor has an uncontested delinquent tax liability, the setoff provided in subdivision 1 may be implemented. The commissioner shall determine that a vendor no longer is a delinquent taxpayer when the vendor has filed all delinquent state tax returns, paid all uncontested state tax liabilities or entered into an agreement with the commissioner which provides for the payment of these liabilities.

Sec. 3. Minnesota Statutes 1990, section 270.68, subdivision 1, is amended to read:

Subdivision 1. [LEGAL ACTION.] In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the department of revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may proceed under this subdivision. Within five years after the date of assessment of the tax, or, if the action is to renew *or enforce* a judgment, at any time before the judgment's expiration, the commissioner may bring an action at law against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof. The action shall be brought in the district court of the judicial district in

which lies the county of the residence or principal place of business within this state of the taxpayer, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by the taxpayer shall be conclusive against the taxpayer in this matter. If no place is named in the return, the action may be commenced in Ramsey county. The action shall be commenced by filing with the court administrator a statement showing the name and address of the taxpayer, if known, an itemized summary of the taxable periods and the type of tax, the tax due and unpaid and the interest and penalties due with respect thereto under the provisions of law applicable to the tax, and shall contain a prayer that the court adjudge the taxpayer to be indebted on account of the taxes, interest, and penalties in the amount specified in the statement; a copy of the statement shall be furnished to the court administrator therewith. The court administrator shall mail a copy of the statement by certified mail to the taxpayer at the address given in the return, if any; and to the taxpayer's last known address, within five days after the same is filed, except that, if the taxpayer's address is not known, notice shall be made by posting a copy of the statement for ten days in the place in the courthouse where public notices are regularly posted. To litigate the claim, or any part of it, the taxpayer shall serve an answer upon the commissioner on or before the 20th day after the date of mailing the statement; or, if notice has been given by posting, on or before the 20th day after the expiration of the period during which the notice was required to be posted. If no answer is served within the specified time, the court administrator, upon the filing of an affidavit of default, shall enter judgment for the state in the amount prayed for, plus costs of \$10. If an answer is filed, the issues raised shall stand for trial as soon as possible after the filing of the answer, and the court shall determine the issues and direct judgment accordingly; and, if the taxes, interest, or penalties are sustained to any extent over the amount rendered by the taxpayer, shall assess \$10 costs against the taxpayer. The court shall disregard all technicalities and matters of form not affecting the substantial merits. The commissioner may call upon the county attorney or the attorney general to conduct the proceedings on behalf of the state. If a proceeding is referred to a county attorney, and the county attorney fails to issue or cause to be issued an indictment or criminal complaint within 30 days after the referral by the commissioner, the attorney general may conduct the proceeding. Execution shall be issued upon the judgment at the request of the commissioner, and the execution shall, in all other respects, be governed by the laws applicable to executions issued on judgments. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon the execution.

*In addition to the procedure in this subdivision, legal action may be commenced by the commissioner in district court in the same manner or venue as any other civil action.*

Sec. 4. Minnesota Statutes 1990, section 270.69, is amended by adding a subdivision to read:

*Subd. 13. [FORTY-FIVE DAY RULE.] A notice of tax lien filed under this section has priority over a security interest arising under article 9 of the Uniform Commercial Code, codified as sections 336.9-101 to 336.9-508, that is perfected before the date of filing of the lien imposed by this section, but only if:*

*(1) the perfected security interest secures property acquired by the taxpayer or advances made by the secured party after the notice of tax lien is*

filed; and

(2) *the property is acquired or the advance is made after the 45th day following the day on which the notice of tax lien is filed, or after the secured party has actual notice or knowledge of the tax lien filing, whichever is earlier.*

Sec. 5. Minnesota Statutes 1990, section 270.70, subdivision 10, is amended to read:

Subd. 10. [PERSON DEFINED.] The term "person" as used in subdivision 8 includes an officer or employee of a corporation or a member or employee of a partnership who, as such officer, employee or member is under a duty to surrender the property or rights to property or to discharge the obligation. The personal liability imposed by subdivision 8 and the penalty imposed by subdivision 9 may, after demand to honor a levy has been made, be assessed by the commissioner within 60 days after service of the *levy demand*. An assessing tax order under this subdivision shall be appealable to the tax court without payment of the tax, penalty, or interest in the manner provided by law, but an appeal shall not preclude the commissioner from exercising any collection action the commissioner deems necessary to preserve the interests of the state while the matter is pending.

Sec. 6. Minnesota Statutes 1990, section 270.703, subdivision 2, is amended to read:

Subd. 2. [REDEMPTION OF REAL ESTATE AFTER SALE.] The owners of any real property sold as provided in this section, their heirs, executors, or administrators, or any person having any interest therein, or a lien thereon, or any person in their behalf, shall be permitted to redeem the property sold, or any particular tract of the property, at any time within 6 months, or in case the real property sold exceeds 10 acres in size, at any time within 12 months, after the sale thereof. The property or tract of property shall be permitted to be redeemed upon payment to the purchaser (or if not found in the county in which the property to be redeemed is situated, then to the commissioner, for the use of the purchaser, or the purchaser's heirs or assigns) of the amount paid by the purchaser together with interest at the rate ~~specified in section 549.09 from the date of the sale~~ *20 percent per annum*.

Sec. 7. Minnesota Statutes 1990, section 270.75, subdivision 4, is amended to read:

Subd. 4. There shall be added to the amount of any underpayment of estimated income tax, computed pursuant to chapter ~~290~~ *289A*, an amount in lieu of interest. The amount in lieu of interest for that taxable year shall be the amount determined in subdivision 5 for January 1 on which begins the taxable year or precedes the beginning of the taxable year. The amount in lieu of interest does not bear interest after the due date of the return for that taxable year.

Sec. 8. Minnesota Statutes 1990, section 289A.37, subdivision 1, is amended to read:

Subdivision 1. [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.] (a) When a return has been filed and the commissioner determines that the tax disclosed by the return is different than the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. *When no return has been filed, the commissioner*

may make a return for the taxpayer under section 289A.35 or may send an order of assessment under this subdivision. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An order of assessment is final when made but may be reconsidered by the commissioner under section 289A.65.

(b) An amount of unpaid tax shown on the order must be paid to the commissioner: (1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the commissioner; or (2) if an administrative appeal is filed under section 289A.65, within 60 days following the determination of the appeal.

Sec. 9. Minnesota Statutes 1990, section 289A.42, subdivision 1, is amended to read:

Subdivision 1. [EXTENSION AGREEMENT.] If before the expiration of time prescribed in sections 289A.38 and 289A.40 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon. *The taxpayer and the commissioner may also agree to extend the period for collection of the tax.*

Sec. 10. Minnesota Statutes 1990, section 289A.60, is amended by adding a subdivision to read:

*Subd. 20. [PENALTY FOR PROMOTING ABUSIVE TAX SHELTERS.] Any person who:*

*(1)(i) organizes or assists in the organization of a partnership or other entity, an investment plan or arrangement, or any other plan or arrangement, or (ii) participates in the sale of any interest in an entity or plan or arrangement referred to in clause (i); and*

*(2) makes or furnishes in connection with the organization or sale a statement with respect to the allowability of a deduction or credit, the excludability of income, or the securing of any other tax benefit by reason of holding an interest in the entity or participating in the plan or arrangement that the person knows or has reason to know is false or fraudulent concerning any material matter, shall pay a penalty equal to the greater of \$1,000 or 20 percent of the gross income derived or to be derived by the person from the activity.*

*The penalty imposed by this subdivision is in addition to any other penalty provided by this section. The penalty must be collected in the same manner as any delinquent income tax. In a proceeding involving the issue of whether or not any person is liable for this penalty, the burden of proof is upon the commissioner.*

Sec. 11. Minnesota Statutes 1990, section 290.92, is amended by adding a subdivision to read:

*Subd. 6b. [JEOPARDY ASSESSMENTS.] The commissioner, on having reason to believe that the collection of the tax under this section, section 290.923, or chapter 289A will be jeopardized by delay, may immediately assess the tax, whether or not the time prescribed by law for making and filing the return and paying the tax has expired.*

Sec. 12. [REPEALER.]

*Minnesota Statutes 1990, sections 290.48, subdivisions 5 and 8; and 297A.39, subdivision 9, are repealed.*

Sec. 13. [EFFECTIVE DATES.]

*Sections 1, 2, 5, 7 to 10, and 12 are effective the day following final enactment.*

*Sections 3 and 11 are effective on the effective date of Laws 1990, chapter 480, article 1, section 45, in order that repealed provisions authorizing ordinary civil actions for the collection of taxes and jeopardy withholding tax assessments are replaced, with no lapse in time during which the repealed provisions and these sections are enforceable.*

*Section 4 is effective for liens filed on or after July 1, 1991.*

*Section 6 is effective for sales of seized property on or after August 1, 1991.*

### ELECTRONIC FUNDS TRANSFERS

Section 1. Minnesota Statutes 1990, section 115B.24, subdivision 2, is amended to read:

Subd. 2. [DECLARATIONS OF ESTIMATED TAX.] For 1983, every generator of hazardous waste required to pay a tax pursuant to section 115B.22 shall make a declaration of estimated hazardous waste generated for the last six months of calendar year 1983 if the tax can reasonably be estimated to exceed \$500. The declaration of the estimated tax shall be filed by October 15, 1983. The amount of estimated tax with respect to which a declaration is required shall be paid in two equal installments by October 15, 1983 and January 15, 1984. For 1984 and subsequent years, every generator of hazardous waste required to pay a tax pursuant to section 115B.22 shall make a declaration of estimated hazardous waste generated for the calendar year if the tax can reasonably be expected to be in excess of \$1,000. The declaration of estimated tax shall be filed by March 15. The amount of estimated tax with respect to which a declaration is required shall be paid in four equal installments on or before the 15th day of March, June, September, and December.

An amendment of a declaration may be filed in any interval between installment dates prescribed above but only one amendment may be filed in each interval. If an amendment of a declaration is filed, the amount of each remaining installment shall be the amount which would have been payable if the new estimate had been made when the first estimate for the calendar year was made, increased or decreased, as the case may be, by the amount computed by dividing

(1) the difference between (A) the amount of estimated tax required to be paid before the date on which the amendment was made, and (B) the amount of estimated tax which would have been required to be paid before that date if the new estimate had been made when the first estimate was made, by

(2) the number of installments remaining to be paid on or after the date on which the amendment is made.

The commissioner of revenue may grant a reasonable extension of time

for filing any declaration but the extension shall not be for more than six months.

*If the aggregate amount of estimated tax payments made during a fiscal year ending June 30 is equal to or exceeds \$80,000, all estimated tax payments in the subsequent calendar year must be paid by means of a funds transfer as defined in section 336.4A-104, paragraph (a). The funds transfer payment date, as defined in section 336.4A-401, must be on or before the date the estimated tax payment is due. If the date the estimated tax payment is due is not a funds transfer business day, as defined in section 336.4A-105, paragraph (a), clause (4), the payment date must be on or before the funds transfer business day next following the date the estimated tax payment is due.*

Sec. 2. Minnesota Statutes 1990, section 289A.20, subdivision 1, is amended to read:

Subdivision 1. [INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, AND ENTERTAINMENT TAXES.] (a) Individual income, fiduciary, and corporate franchise taxes must be paid to the commissioner on or before the date the return must be filed under section 289A.18, subdivision 1, or the extended due date as provided in section 289A.19, unless an earlier date for payment is provided.

Notwithstanding any other law, a taxpayer whose unpaid liability for income or corporate franchise taxes, as reflected upon the return, is \$1 or less need not pay the tax.

*A corporation required to make estimated tax payments by means of an electronic funds transfer must also make the payment with the return in accordance with section 289A.26, subdivision 2a.*

(b) Entertainment taxes must be paid on or before the date the return must be filed under section 289A.18, subdivision 1.

Sec. 3. Minnesota Statutes 1990, section 289A.20, subdivision 2, is amended to read:

Subd. 2. [WITHHOLDING FROM WAGES, ENTERTAINER WITHHOLDING, WITHHOLDING FROM PAYMENTS TO OUT-OF-STATE CONTRACTORS, AND WITHHOLDING BY PARTNERSHIPS AND SMALL BUSINESS CORPORATIONS.] (a) A tax required to be deducted and withheld during the quarterly period must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.18, subdivision 2. Taxes required to be deducted and withheld by partnerships and S corporations must be paid on or before the date the return must be filed under section 289A.18, subdivision 2.

(b)(1) Unless clause (2) applies, if during any calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, exceeds \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days after the close of the calendar month. (2) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer, or person

withholding tax under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this clause, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day of a calendar month, or the part of a calendar month following the 25th day of the month.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. Subdivision 1. [LIEN.] (a) Any contributions, benefit overpayments, or reimbursements due under this chapter and interest and penalties imposed with respect thereto, shall become a lien upon all the property, within this state, both real and personal, of the person liable therefor, from the date of assessment of the contribution, benefit overpayment, or reimbursement. The term "date of assessment" means the date a report was due or the payment due date of the notice of benefits charged to a reimbursable account.

(b)(1) The lien imposed by this section is not enforceable against any purchaser, mortgagee, pledgee, holder of a uniform commercial code security interest, mechanic's lien, or judgment lien creditor, until a notice of lien has been filed by the commissioner in the office of the county recorder of the county in which the property is situated, or in the case of personal

property belonging to an individual who is not a resident of the state, or which is a corporation, partnership, or other organization, in the office of the secretary of state. When the filing of the notice of lien is made in the office of the county recorder, the fee for filing and indexing shall be as prescribed in sections 272.483 and 272.484.

(d) A notice of tax lien filed pursuant to this section has priority over any security interest arising under chapter 336, article 9, which is perfected prior in time to the lien imposed by this section, but only if:

(1) the perfected security interest secures property not in existence at the time the notice of tax lien is filed; and

(2) the property comes into existence after the 45th day following the day on which the notice of tax lien is filed, or after the secured party has actual notice or knowledge of the tax lien filing, whichever is earlier.

(e) The lien imposed by this section shall be enforceable from the time the lien arises and for ten years from the date of filing the notice of lien. A notice of lien may be renewed by the commissioner before the expiration of the ten-year period for an additional ten years. The delinquent employer must receive notice of the renewal.

Sec. 2. Minnesota Statutes 1990, section 287.05, is amended to read:

287.05 [TAX ON RECORDATION OR REGISTRATION; SUPPLEMENTAL MORTGAGES.]

Subdivision 1. [TAX IMPOSED.] A tax of 23 cents is imposed upon each \$100, or fraction thereof, of the principal debt or obligation which is or may be secured by any mortgage of real property situated within the state executed, delivered, and recorded or registered; provided, however, that the tax shall be imposed but once upon any mortgage and extension thereof. If the mortgage describes real estate situated outside of this state, the tax shall be imposed upon that proportion of the whole debt secured thereby as the value of the real estate therein described situated in this state bears to the value of the whole of the real estate described therein. The tax imposed by this section shall not apply to a contract for the conveyance of any interest in real estate.

Subd. 2. [SUPPLEMENTAL MORTGAGES.] Any supplemental mortgage, *not including revisions to a reverse mortgage as described under subdivision 6*, securing a portion or all of the same indebtedness, whether or not additional security is included, shall be taxed in the following manner:

(a) Any additional indebtedness shall be taxed on the ratio that the value of the real estate therein described in this state bears to the value of the whole of the real estate described therein.

(b) If there is no additional indebtedness but the percentage of the Minnesota real estate as compared to the total real estate secured by the previous mortgage is increased, the tax shall be recomputed and paid on the remaining indebtedness multiplied by the difference between that percentage of Minnesota real estate included in the supplemental mortgage and that percentage included in any previous mortgage.

(c) In the event of both an increase in the indebtedness and a change in the Minnesota percentage of real estate given as security, the tax shall be recomputed on the portion representing new indebtedness in the manner provided in (a) and in the event of an increase in the percentage of Minnesota property included as security, the tax shall be computed on the remaining portion of the indebtedness as provided in (b).

Subd. 3. [REVOLVING LINES OF CREDIT.] When a mortgage, *including a reverse mortgage*, secures a revolving line of credit under which

advances, payments, and readvances may be made from time to time, the tax imposed under subdivision 1 shall be paid on the maximum amount of the line of credit which may be secured at any one time, as expressed in the mortgage, regardless of the time or amount of advances, payments, or readvances.

Subd. 4. [ADVANCES BY MORTGAGEE.] No tax under subdivision 1 shall be paid on the indeterminate amount which may be advanced by the mortgagee in protection of the mortgaged premises or the mortgage, including taxes, assessments, charges, claims, fines, impositions, insurance premiums, amounts due upon prior or superior mortgages and other prior or superior liens, encumbrances and interests, and legal expenses and attorneys' fees.

Subd. 5. [INDETERMINATE AMOUNTS.] When a mortgage secures an indeterminate amount other than those described in subdivision 3 ~~or~~, 4, or 6, no tax shall be paid at the time the mortgage is recorded or registered, but the tax must be paid at the time of recording or filing an affidavit stating the amount and time of the actual advance.

Subd. 6. [REVERSE MORTGAGES.] *If real property secures a reverse mortgage, the principal debt or obligation to which mortgage registry tax applies is the expected total disbursements or cash equivalent to be made under the terms of the loan. Interest accruing on the disbursements made is not subject to mortgage registry tax. In the case of periodic payments made for an indefinite length of time, the expected total disbursements must equal the product of the periodic payment amounts and the number of payments and, if applicable, the amount of cash distribution or its equivalent. The number of payments must be based upon the life expectancy assumption used in determining the payment amount. In the case of reverse mortgages made as part of the Housing and Community Development Act of 1987, section 255 of the National Housing Act, and administered by the Department of Housing and Urban Development (HUD), mortgage registry tax must not be assessed on Federal Housing Administration mortgage insurance premiums, monthly lender service fees, or payments to be distributed to the borrower by HUD.*

Sec. 3. Minnesota Statutes 1990, section 116.07, subdivision 4h, is amended to read:

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] (a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating life of the facility and for 20 years after closure, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules is a condition of obtaining or retaining a permit to operate the facility.

(b) The agency shall amend the rules adopted under paragraph (a) to allow a municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, to meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility through its authority to issue bonds, provided that the method developed in the rules will ensure that when funds

are needed for a contingency action, sufficient bonds can and will be issued by the municipality to meet its responsibility. The rules must include at least:

(1) a requirement that the governing body of the municipality enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs calculated under the rules;

(2) a requirement that the municipality assure that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means;

(3) a requirement that when a municipality opts under the rules to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside funds that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action; and

(4) a requirement that a municipality have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(c) Counties shall comply with existing financial responsibility rules until those rules are amended under paragraph (b), and, after that time, counties shall comply with the amended rules. The method for proving financial responsibility developed under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, *unless the expansion is a vertical expansion. Vertical expansions of qualifying existing facilities are limited to a period of not more than three years.*

Sec. 4. Minnesota Statutes 1990, section 138.17, subdivision 1a, is amended to read:

Subd. 1a. [RECORDS INSPECTION.] Government records which a state agency, political subdivision, or statewide system lists on a records disposition application or records schedule, or on which archival assistance or advice is requested, may be inspected by state archives' employees if state archives gives prior notice. Employees of the archives shall have access to the records for the purpose of determining the historical or other continuing value of the records, regardless of the records' classification pursuant to chapter 13 or 270B. Employees of the archives shall be liable to the penalties set forth for improper disclosure by them of private, confidential, nonpublic, or protected nonpublic data inspected for this purpose.

Sec. 5. [270.0604] [REVENUE NOTICES.]

*Subdivision 1. [AUTHORITY.] The commissioner of revenue may make, adopt, and publish interpretive revenue notices. A "revenue notice" is a policy statement that has been published pursuant to subdivision 5 and that provides interpretation, details, or supplementary information concerning the application of law or rules. Revenue notices are published for the information and guidance of taxpayers, the department of revenue, and others concerned.*

*Subd. 2. [EFFECT.] Revenue notices do not have the force and effect of law and have no precedential effect, but may be relied on by taxpayers until revoked or modified. A notice may be expressly revoked or modified by the department, by the issuance of a revenue notice, but may not be revoked or modified retroactively to the detriment of the taxpayers. A change in the law or an interpretation of the law occurring after the revenue notice is issued, whether in the form of a statute, court decision, administrative rule, or revenue notice, results in revocation or modification of the notice to the extent that the change affects the notice.*

*Subd. 3. [RETROACTIVITY.] Revenue notices are generally interpretive of existing law and therefore are retroactive to the effective date of the applicable law provision unless otherwise stated in the notice.*

*Subd. 4. [ISSUANCE.] The issuance of revenue notices is at the discretion of the commissioner of revenue. The commissioner shall establish procedures governing the issuance of revenue notices and tax information bulletins.*

*Subd. 5. [PUBLICATION.] The commissioner shall publish the revenue notices in the State Register and in any other manner that makes them accessible to the general public. The commissioner may charge a reasonable fee for publications.*

*Subd. 6. [APPLICABILITY.] This section does not apply to property tax law.*

**Sec. 6. [270.0605] [TAX INFORMATION BULLETINS.]**

*The commissioner of revenue may issue tax information bulletins. "Tax information bulletins" are informational guides to enable taxpayers to become more familiar with Minnesota tax laws and their rights and responsibilities under the tax laws. Nothing contained in the tax information bulletins supersedes, alters, or otherwise changes any provisions of the Minnesota tax law, administrative rules, court decisions, or revenue notices.*

Sec. 7. Minnesota Statutes 1990, section 270.067, subdivision 1, is amended to read:

Subdivision 1. [STATEMENT OF PURPOSE.] State governmental policy objectives are sought to be achieved both by direct expenditure of governmental funds and by the granting of special and selective tax relief or tax expenditures. Both direct expenditures of governmental funds and tax expenditures have an effect on the ability of the state and local governments to lower tax rates or to increase expenditures. As a result, tax expenditures should receive a regular and comprehensive review by the legislature as to (a) their total cost, (b) their effectiveness in achieving their objectives, (c) their effect on the fairness and equity of the distribution of the tax burden, and (d) the public and private cost of administering tax expenditure financed programs. Sec. 2. Minnesota Statutes 1990, section 504.02, is amended to read:

**504.02 [CANCELLATION OF LEASES IN CERTAIN CASES; ABANDONMENT OR SURRENDER OF POSSESSION.]**

*Subdivision 1. [ACTION TO RECOVER.] (a) In case of a lease of real property, when the landlord has a subsisting right of reentry for the failure of the tenant to pay rent the landlord may bring an action to recover possession of the property and such action is equivalent to a demand for the rent and a reentry upon the property; but if, at any time before possession has been delivered to the plaintiff on recovery in the action, the lessee or a successor in interest as to the whole or any part of the property pays to the plaintiff or brings into court the amount of the rent then in arrears, with interest and costs of the action, and an attorney's fee not exceeding \$5, and performs the other covenants on the part of the lessee, the lessee or successor may be restored to the possession and hold the property according to the terms of the original lease.*

*(b) If the lessee or successor in interest brings into court the amount of the rent in arrears and the court finds:*

*(1) that for reasons beyond the defendant's reasonable control the defendant could not pay the rent in arrears prior to the bringing of the action; and*

*(2) that the defendant meets the financial eligibility criteria in section 563.01, subdivision 3;*

*the court shall order the court administrator to refund to the plaintiff the filing fee in the action and order the defendant to pay the remainder of the costs of the action to the plaintiff.*

*(c) If the tenant has paid to the plaintiff or brought into court the amount of rent in arrears but is unable to pay the interest, costs of the action, and attorney fees required by this subdivision, the court may permit the defendant to pay these amounts into court and be restored to possession within the same period of time, if any, which the court stays the issuance of the writ of restitution pursuant to section 566.09.*

*(d) Prior to or after commencement of an action to recover possession for nonpayment of rent, the parties may agree only in writing that partial payment of rent in arrears which is accepted by the landlord prior to issuance of the order granting restitution of the premises pursuant to section 566.09 may be applied to the balance due and does not waive the landlord's action to recover possession of the premises for nonpayment of rent.*

*(e) Rental payments under this subdivision must first be applied to rent claimed as due in the complaint from prior rental periods before applying any payment toward rent claimed in the complaint for the current rental period, unless the court finds that under the circumstances the claim for rent from prior rental periods has been waived.*

*Subd. 2. [LEASE GREATER THAN 20 YEARS.]* (a) If the lease under which the right of reentry is claimed is a lease for a term of more than 20 years, reentry cannot be made into the land or such action commenced by the landlord unless, after default, the landlord shall serve upon the tenant, also upon all creditors having a lien of record legal or equitable upon the leased premises or any part thereof, a written notice that the lease will be canceled and terminated unless the payment or payments in default shall be made and the covenants in default shall be performed within 30 days after the service of such notice, or within such greater period as the lessor shall specify in the notice, and if such default shall not be removed within the period specified within the notice, then the right of reentry shall be complete at the expiration of the period and may be exercised as provided by law. If any such lease shall provide that the landlord, after default, shall give more than 30 days' notice in writing to the tenant of the landlord's intention to terminate the tenancy by reason of default in terms thereof, then the length of the notice to terminate shall be the same as provided for and required by the lease.

The provisions of this section shall not apply to any action or proceeding now pending in any of the courts of this state.

*Subd. 3. [JUDGMENT TO BE RECORDED.]* Upon recovery of possession by the landlord in the action a certified copy of the judgment shall be recorded in the office of the county recorder of the county where the land is situated if unregistered land or in the office of the registrar of titles of such county if registered land and upon recovery of possession by the landlord by abandonment or surrender by the tenant an affidavit by the landlord or the landlord's attorney setting forth such fact shall be recorded in a like manner and such recorded certified copy of such judgment or such recorded affidavit shall be prima facie evidence of the facts stated therein in reference to the recovery of possession by such landlord.

Before paying for the service, the tenant or group of tenants shall give oral or written notice to the owner of the tenant's intention to pay after 48 hours, or a shorter period that is reasonable under the circumstances, if the owner has not already paid for the service. In the case of oral notification, written notice shall be mailed or delivered to the owner within 24 hours after oral notice is given.

Section 1. Minnesota Statutes 1990, section 47.58, is amended by adding a subdivision to read:

*Subd. 8. [COUNSELING; REQUIREMENT; PENALTY.] Any lender or any mortgage banking company or any other mortgage lender not related to the mortgagor must keep a certificate on file documenting that the borrower, prior to entering into the reverse mortgage loan, received counseling as defined in this subdivision from an organization that meets the requirements of section 462A.28, subdivision 1, and is a housing counseling agency approved by the United States Department of Housing and Urban Development. The certificate must be signed by the mortgagor and the counselor and include the date of the counseling, the name, address, and telephone number of both the mortgagor and the organization providing counseling. Lenders must provide to the mortgagor a copy of the certificate of counseling upon request. A failure by a lender to provide certification results in a loss of any future interest due on the loan. For the purposes of this subdivision, "counseling" means the following services are provided to the borrower:*

*(1) a review of the advantages and disadvantages of reverse mortgage programs;*

*(2) an explanation of how the reverse mortgage affects the borrower's estate and public benefits;*

*(3) an explanation of the lending process;*

*(4) a discussion of the borrower's supplemental income needs; and*

*(5) an opportunity to ask questions of the counselor.*

Sec. 2. Minnesota Statutes 1990, section 462A.03, subdivision 10, is amended to read:

*Subd. 10. "Persons and families of low and moderate income" means persons and families, irrespective of race, creed, national origin or sex, or status with respect to guardianship or conservatorship, determined by the agency to require such assistance as is made available by sections 462A.01 to 462A.24 on account of personal or family income not sufficient to afford adequate housing. In making such determination the agency shall take into account the following: (a) The amount of the total income of such persons and families available for housing needs, (b) the size of the family, (c) the cost and condition of housing facilities available, (d) the eligibility of such persons and families to compete successfully in the normal housing*

market and to pay the amounts at which private enterprise is providing sanitary, decent and safe housing. In the case of federally subsidized mortgages with respect to which income limits have been established by any agency of the federal government having jurisdiction thereover for the purpose of defining eligibility of low and moderate income families, the limits so established shall govern under the provision of sections 462A.01 to 462A.24. In all other cases income limits for the purpose of defining low or moderate income persons shall be established by the agency by emergency or permanent rules.

Sec. 3. Minnesota Statutes 1990, section 462A.03, subdivision 13, is amended to read:

Subd. 13. "Eligible mortgagor" means a nonprofit or cooperative housing corporation, *the department of human services for the purpose of developing community-based programs as defined in sections 252.50 and 253.28*, limited profit entity or a builder as defined by the agency in its rules, which sponsors or constructs residential housing as defined in subdivision 7, or a natural person of low or moderate income, except that the return to a limited dividend entity shall not exceed ten percent of the capital contribution of the investors or such lesser percentage as the agency shall establish in its rules; provided that residual receipts funds of a limited dividend entity may be used for agency-approved, housing-related investments owned by the limited dividend entity without regard to the limitation on returns. Owners of existing residential housing occupied by renters shall be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the owner agrees to conditions established by the agency in its rules relating to rental or other matters that will insure that the housing will be occupied by persons and families of low or moderate income. The agency shall require by rules that the owner give preference to those persons of low or moderate income who occupied the residential housing at the time of application for the loan.

Sec. 4. Minnesota Statutes 1990, section 462A.05, is amended by adding a subdivision to read:

*Subd. 14d. [ACCESSIBILITY LOAN PROGRAM.] Rehabilitation loans authorized under subdivision 14 may be made to eligible persons and families whose income does not exceed the maximum income limits authorized under section 143(f) of the Internal Revenue Code of 1986, as amended through December 31, 1990. Notwithstanding subdivision 14, loans may be made under this subdivision which cause the amount of total indebtedness secured by the property to exceed the market value of the property, as determined by the agency.*

*A person or family is eligible to receive an accessibility loan under the following conditions:*

*(1) the borrower or a member of the borrower's family requires a level of care provided in a hospital, skilled nursing facility, or intermediate care facility for persons with mental retardation or related conditions;*

*(2) home care is appropriate; and*

*(3) the improvement will enable the borrower or a member of the borrower's family to reside in the housing.*

Sec. 5. Minnesota Statutes 1990, section 462A.222, subdivision 3, is amended to read:

(4) projects which preserve existing subsidized housing which is subject to prepayment if the use of tax credits is necessary to prevent conversion to market rate use; or

(d) Before the date for applications for the second round, the allocating agencies other than the agency shall return all uncommitted and unallocated tax credits to the pool from which they were allocated, along with copies of any allocation or commitment. In the second round, the agency shall allocate the remaining credits from the regional pools to projects from the respective regions.

(e) In the third round, all unallocated tax credits must be transferred to a unified pool for allocation by the agency on a statewide basis.

Sec. 2. Minnesota Statutes 1990, section 504.20, subdivision 5, is amended to read:

Subd. 5. Upon termination of the landlord's interest in the premises, whether by sale, assignment, death, appointment of receiver or otherwise, the landlord or the landlord's agent shall, ~~within a reasonable time~~ *60 days of termination of the interest or when the successor in interest is required to return or otherwise account for the deposit to the tenant, whichever occurs first,* do one of the following acts, either of which shall relieve the landlord or agent of further liability with respect to such deposit:

(b) Return such deposit, or any remainder after any lawful deductions made under subdivision 3, with interest thereon as provided in subdivision 2, to the tenant.

Sec. 3. Minnesota Statutes 1990, section 504.20, subdivision 7, is amended to read:

The bad faith retention by a landlord of ~~the a~~ deposit, the interest thereon, or any portion thereof, in violation of this section shall subject the landlord to punitive damages not to exceed \$200 *for each deposit* in addition to the damages provided in subdivision 4. If the landlord has failed to comply with the provisions of subdivision 3 *or 5*, retention of ~~the a~~ deposit shall be presumed to be in bad faith unless the landlord returns the deposit within two weeks after the commencement of any action for the recovery of the deposit.

Sec. 4. Minnesota Statutes 1990, section 559.17, subdivision 2, is amended to read:

Subd. 2. A mortgagor may assign, as additional security for the debt secured by the mortgage, the rents and profits from the mortgaged real property, if the mortgage:

(1) Was executed, modified or amended subsequent to August 1, 1977;

(2) Secured an original principal amount of ~~\$500,000~~ *\$100,000* or more *or is a lien upon residential real estate containing more than four dwelling units;* and

(3) Is not a lien upon property which was entirely homesteaded as, *residential real estate containing four or less dwelling units where at least one of the units is homesteaded, or agricultural property.* The assignment may be enforced as follows:

(a) If, by the terms of an assignment, a receiver is to be appointed upon the occurrence of some specified event, and a showing is made that the event has occurred, the court shall, without regard to waste, adequacy of the security, or solvency of the mortgagor, appoint a receiver who shall, with respect to the excess cash remaining after application as provided in section 576.01, subdivision 2, apply it as prescribed by the assignment. If the assignment so provides, the receiver shall apply the excess cash in the manner set out herein from the date of appointment through the entire redemption period from any foreclosure sale. Subject to the terms of the assignment, the receiver shall have the powers and duties as set forth in section 576.01, subdivision 2; *or*

(b) If no provision is made for the appointment of a receiver in the assignment *or if by the terms of the assignment a receiver may be appointed*, the assignment shall be binding upon the assignor *unless or until a receiver is appointed* without regard to waste, adequacy of the security or solvency of the mortgagor, but only in the event of default in the terms and conditions of the mortgage, and only in the event the assignment requires the holder thereof to first apply the rents and profits received as provided in section 576.01, subdivision 2, in which case the same shall operate against and be binding upon the occupiers of the premises from the date of filing by the holder of the assignment in the office of the county recorder or the office of the registrar of titles for the county in which the property is located of a notice of default in the terms and conditions of the mortgage and service of a copy of the notice upon the occupiers of the premises. The holder of the assignment shall apply the rents and profits received in accordance with the terms of the assignment, and, if the assignment so provides, for the entire redemption period from any foreclosure sale. A holder of an assignment who enforces it in accordance with this clause shall not be deemed to be a mortgagee in possession with attendant liability.

Nothing contained herein shall prohibit the right to reinstate the mortgage debt granted pursuant to section 580.30, nor the right to redeem granted pursuant to sections 580.23 and 581.10, and any excess cash, as that term is used herein, collected by the receiver under clause (a), or any rents and profits taken by the holder of the assignment under clause (b), shall be credited to the amount required to be paid to effect a reinstatement or redemption.

Sec. 5. Minnesota Statutes 1990, section 576.01, subdivision 2, is amended to read:

Subd. 2. A receiver shall be appointed in the following case:

After the first publication of notice of sale for the foreclosure of a mortgage pursuant to chapter 580, or with the commencement of an action to foreclose a mortgage pursuant to chapter 581, and during the period of redemption, if the mortgage being foreclosed secured an original principal amount of ~~\$500,000~~ \$100,000 or more *or is a lien upon residential real estate containing more than four dwelling units* and was not a lien upon property which was entirely homesteaded, *residential real estate containing four or less dwelling units where at least one unit is homesteaded*, or agricultural property, the foreclosing mortgagee or the purchaser at foreclosure sale may

at any time bring an action in the district court of the county in which the mortgaged premises or any part thereof is located for the appointment of a receiver; provided, however, if the foreclosure is by action under chapter 581, a separate action need not be filed. Pending trial of the action on the merits, the court may make a temporary appointment of a receiver following the procedures applicable to temporary injunctions under the rules of civil procedure. If the motion for temporary appointment of a receiver is denied, the trial of the action on the merits shall be held as early as practicable, but not to exceed 30 days after the motion for temporary appointment of a receiver is heard. The court shall appoint a receiver upon a showing that the mortgagor has breached a covenant contained in the mortgage relating to any of the following:

- (1) Application of tenant security deposits as required by section 504.20;
- (2) Payment when due of prior or current real estate taxes or special assessments with respect to the mortgaged premises, or the periodic escrow for the payment of the taxes or special assessments;
- (3) Payment when due of premiums for insurance of the type required by the mortgage, or the periodic escrow for the payment of the premiums;
- (4) Keeping of the covenants required of a lessor or licensor pursuant to section 504.18, subdivision 1.

The receiver shall be an experienced property manager. The court shall determine the amount of the bond to be posted by the receiver.

The receiver shall collect the rents, profits and all other income of any kind, manage the mortgaged premises so to prevent waste, execute leases within or beyond the period of the receivership if approved by the court, pay the expenses listed in clauses (1), (2), and (3) in the priority as numbered, pay all expenses for normal maintenance of the mortgaged premises and perform the terms of any assignment of rents which complies with section 559.17, subdivision 2. Reasonable fees to the receiver shall be paid prior thereto. The receiver shall file periodic accountings as the court determines are necessary and a final accounting at the time of discharge.

The purchaser at foreclosure sale shall have the right, at any time and without limitation as provided in section 582.03, to advance money to the receiver to pay any or all of the expenses which the receiver should otherwise pay if cash were available from the mortgaged premises. Sums so advanced, with interest, shall be a part of the sum required to be paid to redeem from the sale. The sums shall be proved by the affidavit of the purchaser, an agent or attorney, stating the expenses and describing the mortgaged premises. The affidavit must be filed for record with the county recorder or the registrar of titles, and a copy thereof shall be furnished to the sheriff and the receiver at least ten days before the expiration of the period of redemption.

Any sums collected which remain in the possession of the receiver at termination of the receivership shall, in the event the termination of the receivership is due to the reinstatement of the mortgage debt or redemption of the mortgaged premises by the mortgagor, be paid to the mortgagor; and in the event termination of the receivership occurs at the end of the period of redemption without redemption by the mortgagor or any other party entitled to redeem, interest accrued upon the sale price pursuant to section 580.23 or section 581.10 shall be paid to the purchaser at foreclosure sale. Any net sum remaining shall be paid to the mortgagor, except if the receiver

was enforcing an assignment of rents which complies with section 559.17, subdivision 2, in which case any net sum remaining shall be paid pursuant to the terms of the assignment.

This subdivision shall apply to all mortgages executed on or after August 1, 1977, and to amendments or modifications of such mortgages, and to amendments or modifications made on or after August 1, 1977, to mortgages executed before August 1, 1977, if the amendment or modification is duly recorded and is for the principal purpose of curing a default.

Real property needed or convenient for a project may be acquired by the authority for the project by condemnation pursuant to this section. This includes any property devoted to a public use, whether or not held in trust, notwithstanding that the property may have been previously acquired by condemnation or is owned by a public utility corporation, because the public use in conformity with the provisions of sections 469.001 to 469.047 shall be deemed a superior public use. The authority may finance these activities by means of the redevelopment project fund or by means of tax increments or tax increment bonds or by the methods of financing provided for in section 469.033 or by means of contributions from the

The governing body shall agree on behalf of all the applicable governing bodies affected that local cooperation as required by the federal government shall be provided by the local governing body or bodies in whose jurisdiction the project is to be located, at no cost or at no greater cost than the same public services and facilities furnished to other residents;

(11) to cooperate with or act as agent for the federal government, the state or any state public body, or any agency or instrumentality of the foregoing, in carrying out any of the provisions of sections 469.001 to 469.047 or of any other related federal, state, or local legislation; and upon the consent of the governing body of the city to purchase, lease, manage, or otherwise take over any housing project already owned and operated by the federal government;

(15) to issue bonds for any of its corporate purposes and to secure the bonds by mortgages upon property held or to be held by it or by pledge of its revenues, including grants or contributions;

(16) to invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control or in the manner and subject to the conditions provided in section 475.66 for the deposit and investment of debt service funds;

(17) within its area of operation, to determine where blight exists or where there is unsafe, unsanitary, or overcrowded housing;

(18) to carry out studies of the housing and redevelopment needs within its area of operation and of the meeting of those needs. This includes study of data on population and family groups and their distribution according to income groups, the amount and quality of available housing and its distribution according to rentals and sales prices, employment, wages, desirable patterns for land use and community growth, and other factors affecting the local housing and redevelopment needs and the meeting of those needs; to make the results of those studies and analyses available to the public and to building, housing, and supply industries;

(19) if a local public body does not have a planning agency or the planning agency has not produced a comprehensive or general community development plan, to make or cause to be made a plan to be used as a guide in the more detailed planning of housing and redevelopment areas;

(21) to own, hold, and improve real or personal property and to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein;

(22) to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards;

(23) to procure or agree to the procurement of government insurance or guarantees of the payment of any bonds or parts thereof issued by an

(28) to recommend to the city the initiation of municipal powers, against certain real properties, relating to repair, closing, condemnation, or demolition of unsafe, unsanitary, hazardous, and unfit buildings, as provided in section 469.041, clause (5);

(29) to sell, at private or public sale, at the price or prices determined by the authority, any note, mortgage, lease, sublease, lease purchase, or other instrument or obligation evidencing or securing a loan made for the purpose of economic development, job creation, redevelopment, or community revitalization by a public agency to a business, for-profit or nonprofit organization, or an individual;

Authorization by the governing body creating the authority to administer the program at the authority's initial application is sufficient to authorize operation of the program in its area of operation for which it was created without additional local governing body approval. Approval by the governing body or bodies creating the authority constitutes approval of a housing program for purposes of any special or general law requiring local approval of section 8 programs undertaken by city, county, or multicounty authorities; *and*

*(32) to secure a mortgage or loan for a rental housing project by obtaining the appointment of receivers or assignments of rents and profits under sections 559.17 and 576.01, except that the limitation relating to the minimum amounts of the original principal balances of mortgages specified in sections 559.17, subdivision 2, clause (2); and 576.01, subdivision 2, does*

Subd. 3. [EXERCISE OF POWERS.] An authority may exercise all or any part or combination of the powers granted by sections 469.001 to 469.047 within its area of operation. By April 1, 1992, the governing body of each political subdivision specified in subdivision 2 shall designate by ordinance or resolution whether the general election for elective officers of that political subdivision must be held in the odd-numbered year, the even-numbered year, or annually. [INTENT; OTHER LAWS AND CHARTERS SUPERSEDED.] It is the intent of this section to establish that the election of all officers described in subdivision 2 must occur at the times and in the manner provided in this section. To the extent inconsistent with this intent, general and special laws and municipal charter provisions providing otherwise are superseded. In all other respects, those laws and charter provisions continue in force and effect.*

*No general or special law enacted after August 1, 1991, may be construed to authorize or require that the election of officers described in subdivision 2 be held at a time or in a manner different from that required by this section, unless that law expressly provides for an exception by specific reference to this section.*

If an application does not indicate the election for which absentee ballots are sought, the county auditor or municipal clerk shall mail or deliver only the ballots for the next election occurring after receipt of the application. Only one set of ballots may be mailed to an applicant for any election.

This subdivision does not apply to applications for absentee ballots received pursuant to sections 203B.04, subdivision 2, and 203B.11. *The auditor or municipal clerk is not required to mail or deliver a school district ballot to an applicant if the auditor or clerk cannot determine the school district in which the applicant resides.*

If a petition for referendum on the question of the district entering into the agreement, containing signatures of qualified voters of the district equal to five percent of the number of voters at the last school district general election, is filed with the clerk of the board within 60 days after publication of the resolution, the board shall not enter into the agreement until the question has been submitted to the voters of the district at a ~~special~~ *the next school district general election*. Sec. 19. Minnesota Statutes 1990, section 447.32, subdivision 1, is amended to read:

Subdivision 1. [TERMS OF OFFICE.] Each hospital district shall be governed by a hospital board composed of one member elected from each city and town in the district and one member elected at large. At the first election, however, members must be elected for terms set by the governing body calling the election, so that half the terms, as nearly as may be, expire on ~~December 31~~ ~~the first Monday in January of the next even-numbered year~~ and the remaining terms expire two years from that date. After that, before a member's term expires, a new member shall be elected for a term of four years from the expiration date.

The successor shall hold office until ~~December 31~~ ~~the first Monday in January~~ after the next ~~regular~~ hospital district general election. At the election a successor must be elected to fill the unexpired term.

When an additional city or town is annexed to the district, in accordance with section 447.36, its governing body shall by resolution appoint a member to the board. The member shall hold office until ~~December 31~~ ~~the first Monday in January~~ after the next ~~regular~~ hospital district general election. If there is more than one precinct, the boundaries of the election precincts and the locations of the polling places must be defined in the notice of election, either in full or by reference to a description or map on file in the office of the clerk.*

Special elections may be called by the hospital board at any time, *except as otherwise provided by article 3, section 1, subdivision 3, or other law*, to vote on any matter required by law to be submitted to the voters. Special elections must be held within the election precinct or precincts and at the polling place or places designated by the board. In the case of the first election of officers of a new district, precincts and polling places must be set by the governing body of the most populous city or town included in the district.

Advisory ballots may be submitted by the hospital board on any question it wishes, concerning the affairs of the district, but only at a ~~regular~~ *hospital district general election* or at a special election required for another purpose.

For a political subdivision that designates the even-numbered year for its local government election or designates annual elections, the first election must be held November 3, 1992, and the first primary to select nominees for the offices to be filled at that election must be held September 15, 1992. For a political subdivision that designates the odd-numbered year for its local government election, the first election must be held November 2, 1993, and the first primary to select nominees for the offices to be filled at that election must be held September 14, 1993.*

(b) The terms of all elective statutory city officers that would otherwise expire on the first business day of January in 1992 expire instead on the first Monday of January in 1993.

For a home rule charter city that does not adopt an ordinance as provided in this subdivision before December 1, 1991, the terms of elective city officers must be extended or shortened automatically, effective December 1, 1991, as follows:

(1) the term of an officer that ends on a date other than the first Monday in January of an odd-numbered year must be extended to the first Monday in January of the odd-numbered year first following the date the term would otherwise expire, unless this extension would be more than 13 months. (2) every term of an odd number of years to which any officer would otherwise be elected must be changed to a term of an even number of years, one year longer than the term otherwise provided.

(e) The term of an elective officer of a political subdivision required to hold the general election of its officers at the local government election, which term is not extended or reduced under paragraphs (b) to (d), and which ends on a date different from the first Monday in January of an odd-numbered year, is extended or reduced under paragraph (d), clause (1), effective August 1, 1992. **Subd. 5. [MODIFICATIONS PERMITTED FOR STAGGERED TERMS.]**  
The governing body of a political subdivision required to hold its general election at the local government election, except a county, may provide, by ordinance or resolution adopted at least 30 days before the opening of filings for any affected office, that members of an elected body or other officers of the subdivision may be elected for a different term than is otherwise provided, to achieve staggered terms for the members of that body or other officers. With respect to the members of an elected body, an ordinance or resolution adopted under this subdivision must require that, to the extent mathematically possible, the same number of persons is chosen at each election, exclusive of those chosen to fill vacancies for the unexpired terms. This subdivision is repealed August 1, 1995.

**Subd. 6. [PURPOSE.]** It is the purpose of this section to implement article 3, section 1, by requiring the adjustment of terms, postponement of certain elections, and other procedures. To the extent inconsistent with this purpose, all general and special laws and municipal charter provisions providing otherwise are superseded. In all other respects, those laws and charter provisions continue in full force and effect.

Subd. 5. (a) In each calendar year the money in the general account shall be allocated to candidates as follows:

(5) In each calendar year during the period in which state senators serve a two-year term, 35 percent each for the offices of state senator and state representative.

(b) In each calendar year the money in each party account shall be allocated as follows:

(6) ten percent for the state committee of a political party; money allocated to each state committee under this clause must be deposited in a separate account and must be spent for only those items enumerated in section 10A.275; money allocated to a state committee under this clause must be paid to the committee by the state treasurer as notified by the state ethical practices board as it is received in the account on a monthly basis, with payment on the 15th day of the calendar month following the month in which the returns were processed by the department of revenue, provided that these distributions would be equal to 90 percent of the amount of money indicated in the department of revenue's weekly unedited reports of income tax returns and property tax refund returns processed in the month, as notified by the department of revenue to the state ethical practices board. The amounts paid to each state committee are subject to biennial adjustment and settlement at the time of each certification required of the commissioner of revenue under subdivisions 7 and 10. If the total amount of payments received by a state committee for the period reflected on a certification by the department of revenue is different from the amount that should have been received during the period according to the certification, each subsequent monthly payment must be increased or decreased to the fullest extent possible until the amount of the overpayment is recovered or the

underpayment is distributed.

To assure that moneys will be returned to the counties from which they were collected; and to assure that the distribution of those moneys rationally relates to the support for particular parties or for particular candidates within legislative districts, money from the party accounts for legislative candidates shall be distributed as follows:

Each candidate for the state senate and state house of representatives whose name is to appear on the ballot in the general election shall receive money from the candidate's party account set aside for candidates of the state senate or state house of representatives, whichever applies; according to the following formula:

For each county within the candidate's district the candidate's share of the dollars allocated in that county to the candidate's party account and set aside for that office shall be:

(a) The sum of the votes cast in the last general election in that part of the county in the candidate's district for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct of the state and (ii) for the state senate and state house of representatives, divided by

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

In a year in which the first election after a legislative reapportionment is held, "the candidate's district" means the newly drawn district, and voting data from the last general election will be applied to the area encompassing the newly drawn district notwithstanding that the area was in a different district in the last general election.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in

clauses (a) and (b) before the calculation is made for all districts in the county.

(c) Money from a party account not distributed to candidates for state senator and representative in any election year shall be returned to the general fund of the state. Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) in the following year. Money from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.

Sec. 19. Minnesota Statutes 1990, section 10A.31, subdivision 10, is amended to read:

Subd. 10. [DISTRIBUTION.] In the event that on the date of either certification by the commissioner of revenue as provided in subdivisions 6 and 7, less than 98 percent of the tax returns have been processed, the commissioner of revenue shall certify to the board on December 7 the amount accumulated in each account since the previous certification. Within one week thereafter, the board shall certify to the state treasurer the amount to be distributed to each candidate according to the allocations as provided in subdivision 5. As soon as practicable thereafter, the state treasurer shall distribute the amounts to the candidates *in the form of checks made "payable to the campaign fund of . . . . . (name of candidate) . . . . ."* Any money accumulated after the final certification shall be maintained in the respective accounts for distribution in the next general election year.

Sec. 20. Minnesota Statutes 1990, section 10A.322, subdivision 1, is amended to read:

Subdivision 1. [AGREEMENT BY CANDIDATE.] (a) As a condition of receiving a public subsidy from the state elections campaign fund, a candidate shall sign and file with the board a written agreement in which the candidate agrees that the candidate will comply with sections 10A.25 and 10A.324.

(b) Before the first day of filing for office, the board shall forward agreement forms to all filing officers. *The board shall also provide agreement forms to candidates on request at any time.* The candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the candidate may submit the agreement directly to the board ~~by the following~~ *at any time before September 1 preceding the general election.* An agreement may not be *signed or rescinded* after that date.

(c) The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Sec. 21. Minnesota Statutes 1990, section 10A.322, subdivision 4, is amended to read:

Subd. 4. [~~CREDIT REFUND RECEIPT FORMS; PENALTY.~~] The board shall make available to a political party on request and to any candidate for whom an agreement under this section is effective, a supply of official ~~credit refund~~ receipt forms that state in boldface type that (1) a contributor who is given a receipt form is eligible to claim a ~~credit refund~~ as provided in section 290.06, subdivision 23, and (2) if the contribution is to a candidate, that the candidate has signed an agreement to limit campaign expenditures

as provided in this section. The forms must provide duplicate copies of the receipt to be attached to the contributor's claim. A candidate who does not sign an agreement under this section and who willfully issues an official ~~credit~~ refund receipt form or a facsimile of one to any of the candidate's contributors is guilty of a misdemeanor.

Sec. 22. Minnesota Statutes 1990, section 10A.322, is amended by adding a subdivision to read:

*Subd. 5. [ADDITIONAL AGREEMENTS.] As a condition of receiving a public subsidy from the state elections campaign fund, a candidate shall agree to:*

*(1) refuse to accept total contributions from political associations other than political parties in an amount that exceeds 50 percent of the total amount of nonpublic political contributions received by the candidate during the calendar year in which the general election is held; and*

*(2) provide evidence to the board before receiving the public subsidy from the party account that the candidate is complying with clause (1).*

Sec. 23. Minnesota Statutes 1990, section 10A.323, is amended to read:

10A.323 [MATCHING REQUIREMENTS.]

*Subdivision 1. [AFFIDAVIT.] In addition to the requirements of section 10A.322, to be eligible to receive a public subsidy from the state elections campaign fund a candidate shall file an affidavit with the board stating that:*

*(1) during that calendar year the candidate has accumulated contributions, including unexpended balances from the year before, equal to 20 percent or more of the minimum amount that the board estimates, on August 15 of the general election year, would be received by the candidate from the state elections campaign fund; and*

*(2) the candidate has received 50 percent of the amount required under clause (1) from individual contributors who reside for voting purposes in the candidate's legislative district, if the candidate is seeking a legislative office, or from individual contributors who reside for voting purposes in the state of Minnesota, if the candidate is seeking a statewide constitutional office.*

*Subd. 2. [DEADLINE.] The candidate or the candidate's treasurer shall submit the affidavit required by this subdivision to the board in writing by ~~October 4~~ September 15 of the general election year.*

*Subd. 3. [FALSE AFFIDAVITS.] If the board makes a finding that an affidavit of matching funds filed under this section is false, the board shall not distribute any additional public subsidy to the candidate. The board may also refer the matter to the appropriate county attorney for further investigation.*

Sec. 24. Minnesota Statutes 1990, section 10A.324, subdivision 3, is amended to read:

*Subd. 3. [HOW RETURN DETERMINED.] Whether or not a candidate is required under subdivision 1 to return all or a portion of the public subsidy received from the state elections campaign fund must be determined from the report required to be filed with the board by that candidate by January 31 of the year following an election. For purposes of this section, a transfer from one principal campaign committee to another principal campaign committee or to a political party is considered to be a noncampaign disbursement. Any amount required to be returned must be submitted in the*

form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the candidate from the state elections campaign fund.

Sec. 25. Minnesota Statutes 1990, section 10A.324, is amended by adding a subdivision to read:

*Subd. 5. [RETURN OF OPPONENT'S PUBLIC SUBSIDY.] If a candidate received the candidate's opponent's public subsidy under section 10A.25, subdivision 10, the candidate shall return all or a portion of the opponent's public subsidy if required under subdivision 1. In addition, the candidate shall return all of the opponent's public subsidy to the ethical practices board if the opponent fails to file any campaign spending reports under section 10A.20 or if the opponent's postelection report due on January 31 indicates that the opponent raised and spent \$1,000 or less during the campaign.*

Sec. 26. Minnesota Statutes 1990, section 10A.43, subdivision 1, is amended to read:

In the case of an independent or new political party candidate, the congressional candidate must in addition receive more than three percent of the vote cast at the general election for the office sought. An incentive is not payable to a congressional candidate whose name appears only on the ballot in a primary election, but an incentive paid to a candidate in a general or special election may be used to pay expenses or retire debt incurred in the primary campaign. *The state treasurer shall distribute the financial incentive in the form of a check made "payable to the campaign fund of . . . . . (name of candidate) . . . . ."*

(b) The amount of the incentive is up to 25 percent of the expenditure limit for a congressional candidate for the office of United States senator and up to 25 percent of the expenditure limit for a congressional candidate for the office of representative in Congress.

(b) The congressional candidate may sign an agreement and submit it, along with a copy of the candidate's federal designation of a principal campaign committee, to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, for a general election the congressional candidate may obtain an agreement form from the board and submit the agreement, along with a copy of the candidate's federal designation of a principal campaign committee, directly to the board ~~by~~ at any time before September 1 preceding the general election.

(c) An agreement may not be signed or rescinded after ~~that date~~ *September 1 preceding the general election.*

Sec. 29. Minnesota Statutes 1990, section 10A.44, subdivision 1, is amended to read:

Subdivision 1. [LIMITS.] During the calendar year in which an election is held for an office sought by a congressional candidate, no expenditures may be made by the authorized committees of that congressional candidate that result in an aggregate amount in excess of the following:

- (2) for representative in Congress, \$425,000.

A congressional candidate whose name will appear on the ballot in more than one general or special election in a year is subject to a separate spending limit for each election. For a candidate for representative in Congress in a special election, the expenditure limits apply during the ten months before and the two months after the special election. *For purposes of this section, an expenditure does not include a transfer from the candidate's principal campaign committee to another committee of that congressional candidate or state political party.*

Sec. 30. Minnesota Statutes 1990, section 10A.44, subdivision 4, is amended to read:

Subd. 4. [POSTELECTION YEAR EXPENDITURES.] In any year *preceding or following* an election year for the office held or sought, the aggregate amount of expenditures on behalf of a congressional candidate for or holder of that office must not exceed 20 percent of the expenditure limit in subdivisions 1 and 2.

Sec. 31. Minnesota Statutes 1990, section 10A.44, subdivision 6, is amended to read:

Subd. 6. [CERTAIN POSTELECTION COSTS.] After the election, a congressional candidate who is not a congressional incumbent and has been elected to Congress may spend an amount up to ten percent of the limits under subdivision 1 or 2 to defray transition costs, *unless restricted by federal law.* This money may be spent only for the costs of the transition that are incurred between the election and the date on which the elected candidate begins congressional service and cannot be used to retire debts remaining from the primary or general election campaign.

Sec. 32. Minnesota Statutes 1990, section 211A.02, subdivision 2, is

amended to read:

The maximum ~~credit~~ refund for an individual must not exceed \$50 and, for a married couple filing jointly, must not exceed \$100. A ~~credit~~ refund for a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official ~~credit~~ refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the party chair. A claim must be filed with the commissioner not sooner than September 1 of the calendar year in which the contribution is made and no later than April 15 of the calendar year following the calendar year in which the contribution is made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution is made must include interest at the rate specified in section 270.76.

(b) No ~~credit~~ refund is allowed under this subdivision for a contribution to any candidate ~~who~~ unless the candidate:

"Candidate" means a *congressional candidate as defined in section 10A.41, subdivision 4, or a candidate as defined in section 10A.01, subdivision 5, but does not include except a candidate for judicial office. Beginning January 1, 1991, "candidate" also means a candidate for the United States Senate or United States House of Representatives from Minnesota.*

(d) The commissioner shall include a copy of the ~~credit refund~~ form with the instructions for the long and short individual taxation forms. The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a ~~credit refund~~, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The amount necessary to pay claims for the ~~credit refund~~ provided in this section is appropriated from the general fund to the commissioner of revenue.

Sec. 36. [REPEALER.]

*Minnesota Statutes 1990, section 10A.25, subdivision 2a, is repealed.*

(b) [SMOKE DETECTION DEVICES.] The code must require that all

dwellings, lodging houses, apartment houses, and hotels as defined in section 299F.362 comply with the provisions of section 299F.362.

(c) [DOORS IN NURSING HOMES AND HOSPITALS.] The state building code may not require that each door entering a sleeping or patient's room from a corridor in a nursing home or hospital with an approved complete standard automatic fire extinguishing system be constructed or maintained as self-closing or automatically closing.

The commission may issue a total of not more than six class E licenses, of which not more than two may be issued before January 1, 1992. An application for a class E license must be on a form the commission prescribes and must be accompanied by detailed plans and specifications of the facility to be used, the location of the facility, and any other information relevant to the specifications of the facility and its operation, as designated by the commission. The application must also contain:*

Subd. 2. [HEARINGS; INVESTIGATIONS.] Before granting a class E license, the commission shall conduct at least one public hearing on the license application in the area where the telercasting facility is proposed to be located. The commission shall request comments on the application from: (1) the city council or town board of the city or town where the facility is proposed to be located, (2) the county board if the facility is proposed to be located outside a city, and (3) the appropriate regional development commission if one exists for the area or, if the facility is proposed to be located within the metropolitan area as defined in section 473.121, subdivision 2, the metropolitan council. The commission may conduct, or request the division of gambling enforcement to conduct, comprehensive background and financial investigations of the applicant, sources of financing, and other information appearing in the application. The costs of the investigations must be paid in the manner prescribed by section 240.06, subdivision 3. The commission has access to all criminal history data compiled by the division of gambling enforcement on class E licensees and applicants.

Subd. 3. [LICENSE ISSUANCE.] (a) If after considering the information received from the hearing and investigations, the commission determines that the applicant will manage the facility in accordance with all applicable laws and rules and will not adversely affect the public health, welfare, and safety; that the license will not create a competitive situation that will adversely affect racing and the public interest; and that the applicant is financially able to manage the licensed simulcast facility, the commission may issue a class E license to the applicant. The license is effective until revoked or suspended by the commission or relinquished by the licensee.

(b) As a condition of a class E license, the commission shall require that a person employed in the erection, construction, remodeling, or repairing of a telercasting facility may not be paid a lesser rate of wages than the prevailing wage rate, as defined in section 177.42, subdivision 6, in the same or most similar trade or occupation in the area.

Subd. 4. [FACILITIES.] The commission may not issue a class E license unless the design of the facility will accommodate and provide adequate seating. The operators of the facility must provide adequate parking, and make food and beverages available. The telercast simulcasts must be displayed so that spectators in attendance are afforded a clear presentation of the races.

Subd. 5. [CHANGES IN OWNERSHIP OR MANAGEMENT.] If a

*change in the officers, directors, or other persons with a direct or indirect financial or management interest in the class B licensee, or a change of ownership of more than five percent of the class B licensee's shares, is made after the application for or issuance of a class E license, the applicant or licensee must notify the commission of the changes within five days of their occurrence and provide the affidavit required in section 240.06, subdivision 1, paragraph (d).*

*Subd. 6. [LICENSE SUSPENSION AND REVOCATION.] A class E license may be suspended or revoked as provided in section 240.06, subdivision 7. A license suspension or revocation is a contested case under sections 14.57 to 14.69 of the administrative procedure act, and is in addition to criminal penalties imposed for a violation of law or rule.*

*Subd. 7. [WORK AREAS.] A class E licensee shall provide at no cost to the commission suitable work areas for commission members, officers, employees, and agents, including agents of the division of gambling enforcement, who are directed or requested by the commission to supervise and control wagering at the licensed simulcast facility.*

Sec. 15. Minnesota Statutes 1990, section 240.10, is amended to read:

240.10 [LICENSE FEES.]

The fee for a class A license is \$10,000 per year. The fee for a class B license is \$100 for each assigned racing day on which racing is actually conducted, and \$50 for each ~~assigned televised racing day on which televised racing simulcasting is authorized and actually conducted takes place.~~ The fee for a class D license is \$50 for each assigned racing day on which racing is actually conducted. *The fee for a class E license is \$500 per year.* Fees imposed on class B and class D licenses must be paid to the commission at a time and in a manner as provided by rule of the commission.

The commission shall by rule establish an annual license fee for each occupation it licenses under section 240.08 but no annual fee for a class C license may exceed \$100.

License fee payments received must be paid by the commission to the state treasurer for deposit in the general fund.

Sec. 16. Minnesota Statutes 1990, section 240.11, is amended to read:

240.11 [LICENSES NONTRANSFERABLE.]

A license issued under ~~Laws 1983,~~ this chapter ~~214~~ may not be transferred.

Sec. 17. Minnesota Statutes 1990, section 240.13, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZED.] Class B and class D licenses give the licensees authority to conduct pari-mutuel betting on the results of races run at the licensed racetrack, and on other races as authorized by the commission under ~~subdivision 6 or 6a~~ this section.

*A class B or class E license gives the licensee the authority to transmit and receive telecasts and conduct pari-mutuel betting on the results of horse races run at its class A facility, and of other horse races run at locations outside of the state, as authorized by the commission. A class E licensee must present, for pari-mutuel wagering purposes, all live horse races conducted at its class A facility. The class B or class E licensee may present racing programs separately or concurrently.*

*Subject to the approval of the commission, for simulcasts and telerace simulcasts the types of betting, takeout, and distribution of winnings on pari-mutuel pools of a class B or class E facility are those in effect at the sending racetrack. Pari-mutuel pools accumulated at a class E facility must be commingled with the pools at the class A facility for comparable pools on those races that are being simultaneously presented at both facilities. Pari-mutuel pools may be commingled with pools at the sending racetrack, for the purposes of determining odds and payout prices, via the totalizator computer at the class A facility.*

*The commission may not authorize a class B or class E licensee to conduct simulcasting or telerace simulcasting unless 125 days of live racing, consisting of not less than eight live races on each racing day, have been conducted at the class A facility within the preceding 12 months. The number of live racing days required may be adjusted by agreement between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races at the licensee's class A facility during the preceding 12 months. The number of live racing days required must be reduced by one day for each assigned racing day that the licensee is unable to conduct live racing due to natural occurrences or catastrophes beyond its control.*

Sec. 18. Minnesota Statutes 1990, section 240.13, subdivision 2, is amended to read:

Subd. 2. [REQUIREMENTS.] A licensee conducting pari-mutuel betting must provide at the licensed track *or at the teleracing facility*:

- (a) the necessary equipment for issuing pari-mutuel tickets; and
- (b) mechanical or electronic equipment for displaying information the commission requires. All mechanical or electronic devices must be approved by the commission before being used.

Sec. 19. Minnesota Statutes 1990, section 240.13, subdivision 3, is amended to read:

Subd. 3. [TYPES OF BETTING.] The commission shall by rule designate those types of pari-mutuel pools which are permitted at licensed racetracks and teleracing facilities, and no licensee may conduct any type of pari-mutuel pool which has not been so designated, ~~except as provided for in subdivision 6a.~~ *Pari-mutuel pools permitted at licensed racetracks and pari-mutuel pools designated by the commission are permitted at teleracing facilities.*

Sec. 20. Minnesota Statutes 1990, section 240.13, subdivision 4, is amended to read:

Subd. 4. [TAKEOUT; DISTRIBUTION OF WINNINGS.] A licensee conducting pari-mutuel betting must deduct from a straight pari-mutuel pool, before payments to holders of winning tickets, an amount equal to not more than 17 percent of the total money in that pool. The licensee must deduct from a multiple pari-mutuel pool, before payments to the holders of winning tickets, an amount equal to not more than 23 percent of the total money in that pool. The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission by rule prescribes for each type of pool. Breakage must be computed on the basis of payoffs rounded down to the next lowest increment of ~~20~~ 10 cents, with a minimum payoff of ~~\$2.20~~ \$1.10 on a \$2 \$1 ticket, except that the licensee

may reduce the minimum payoff to ~~\$2.10~~ \$1.05 on a ~~\$2~~ \$1 ticket if there is not a sufficient amount in a pool to make a minimum payoff of ~~\$2.20~~ \$1.10.

Sec. 21. Minnesota Statutes 1990, section 240.13, subdivision 5, is amended to read:

Subd. 5. [PURSES.] (a) From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to not less than the following percentages of all money in all pools must be set aside by the licensee and used for purses for races conducted by the licensee, provided that a licensee may agree by contract with an organization representing a majority of the horsepersons racing the breed involved to set aside amounts in addition to the following percentages:

(1) ~~For a licensee conducting a racing meeting with an average daily handle of \$500,000 or less, four percent of the average daily handle times the number of racing days in that meeting.~~

(2) ~~For a licensee conducting a racing meeting with an average daily handle of more than \$500,000 but not more than \$750,000, six percent of the average daily handle times the number of racing days in that meeting.~~

(3) ~~For a licensee conducting a racing meeting with an average daily handle of more than \$750,000, 8.4 percent of the first \$1 million in average daily handle times the number of racing days in that meeting.~~

*(1) for live races conducted at a class A facility, and for races that are part of full racing card simulcasting or full racing card telerace simulcasting that takes place within the time period of the live races, 8.4 percent;*

*(2) for simulcasts and telerace simulcasts conducted during the racing season other than as provided for in clause (1), 50 percent of the takeout remaining after deduction for taxes on pari-mutuel pools, payment to the breeders fund, and payment to the sending out-of-state racetrack for receipt of the signal; and*

*(3) for simulcasts and telerace simulcasts conducted outside of the racing season, 25 percent of the takeout remaining after deduction for the state pari-mutuel tax, payment to the breeders fund, payment to the sending out-of-state racetrack for receipt of the signal and, before January 1, 2005, a further deduction of eight percent of all money in all pools; provided, however, that in the event that wagering on simulcasts and telerace simulcasts outside of the racing season exceeds \$125 million in any calendar year, the amount set aside for purses by this formula is increased to 30 percent on amounts between \$125,000,000 and \$150,000,000 wagered; 40 percent on amounts between \$150,000,000 and \$175,000,000 wagered; and 50 percent on amounts in excess of \$175,000,000 wagered. In lieu of the eight percent deduction, a deduction as agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing at the licensee's class A facility during the preceding 12 months, is allowed after December 31, 2004.*

The commission may by rule provide for the administration and enforcement of this subdivision. *The deductions for payment to the sending out-of-state racetrack must be actual, except that when there exists any overlap of ownership, control, or interest between the sending out-of-state racetrack and the receiving licensee, the deduction must not be greater than three*

*percent unless agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races during the existing racing meeting or, if outside of the racing season, during the most recent racing meeting.*

*In lieu of the amount the licensee must pay to the commission for deposit in the Minnesota breeders fund under section 240.15, subdivision 1, the licensee shall pay 5-1/2 percent of the takeout from all pari-mutuel pools generated by wagering at the licensee's facility on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state.*

(b) From the money set aside for purses, the licensee shall pay to the horseperson's organization representing the majority of the horsepersons racing the breed involved and contracting with the licensee with respect to purses and the conduct of the racing meetings and providing representation, benevolent programs, benefits, and services for horsepersons and their on-track employees, an amount, sufficient to perform these services, as may be determined by agreement by the licensee and the horseperson's organization. The amount paid may be deducted only from the money set aside for purses to be paid in races for the breed represented by the horseperson's organization. With respect to racing meetings where more than one breed is racing, the licensee may contract independently with the horseperson's organization representing each breed racing.

(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization representing the majority of the horsepersons racing a breed at a meeting, and the members thereof, may agree to withhold horses during a meeting.

*(d) Money set aside for purses from wagering, during the racing season, on simulcasts and telerace simulcasts must be used for purses for live races conducted at the licensee's class A facility during the same racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state. Money set aside for purses from wagering, outside of the racing season, on simulcasts and telerace simulcasts must be for purses for live races conducted at the licensee's class A facility during the next racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state.*

*(e) Money set aside for purses from wagering on simulcasts and telerace simulcasts must be used for purses for live races involving the same breed involved in the simulcast or telerace simulcast except that money set aside for purses and payments to the breeders fund from wagering on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state, occurring during a live mixed meet, must be allotted to the purses and breeders fund for each breed participating in the mixed meet in the same proportion that the number of live races run by each breed bears to the total number of live races conducted during the period of the mixed meet.*

*(f) The allocation of money set aside for purses to particular racing meets may be adjusted, relative to overpayments and underpayments, by contract between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed involved at the licensee's facility.*

*(g) Subject to the provisions of this chapter, money set aside from pari-mutuel pools for purses must be for the breed involved in the race that*

*generated the pool, except that if the breed involved in the race generating the pari-mutuel pool is not racing in the current racing meeting, or has not raced within the preceding 12 months at the licensee's class A facility, money set aside for purses must be distributed proportionately to those breeds that have run during the preceding 12 months.*

Sec. 22. Minnesota Statutes 1990, section 240.13, subdivision 6, is amended to read:

Subd. 6. ~~[TELEVISED RACES SIMULCASTING.]~~ (a) ~~The commission may by rule permit a class B or class D licensee to conduct on the premises of the licensed racetrack pari-mutuel betting on horse races run in other states and broadcast by television on the premises. All provisions of law governing pari-mutuel betting apply to pari-mutuel betting on televised races except as otherwise provided in this subdivision or in the commission's rules. Pari-mutuel pools conducted on such televised races may consist only of money bet on the premises and may not be commingled with any other pool off the premises, except that:~~

~~(1) the licensee may pay a fee to the person or entity conducting the race for the privileges of conducting pari-mutuel betting on the race; and~~

~~(2) the licensee may pay the costs of transmitting the broadcast of the race.~~

~~(b) Pari-mutuel betting on a televised race may be conducted only on a racing day assigned by the commission. The takeout and taxes on pari-mutuel pools on televised races are as provided for other pari-mutuel pools. All televised races under this subdivision must comply with the Interstate Horse Racing Act of 1978 as found in United States Code, title 15, section 3001 and the following relevant sections. In lieu of the purse requirement established by subdivision 5, the licensee shall set aside for purses one-half of the takeout from the amount bet on televised races after the payment of fees and taxes. For the purposes of purse distribution under subdivision 5, the average daily handle shall not include amounts bet in pari-mutuel pools on televised races.~~

~~(c) A licensee may, with the approval of the commission, transmit telecasts of races the licensee conducts, for wagering purposes, to a location outside the state. The commission may allow the licensee to commingle its wagering pools with the wagering pools at a facility located outside of this state that is regulated by a state racing commission, when it transmits telecasts under this paragraph. The commission may permit an authorized licensee to conduct simulcasting or telerace simulcasting at the licensee's facility on any day authorized by the commission. All simulcasts and telerace simulcasts must comply with the Interstate Horse Racing Act of 1978, United States Code, title 15, sections 3001 to 3007. In addition to teleracing programs featuring live racing conducted at the licensee's class A facility, the class E licensee may conduct not more than seven teleracing programs per week during the racing season, unless additional telerace simulcasting is authorized by the director and approved by the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races at the licensee's class A facility during the preceding 12 months. The commission may not authorize any day for simulcasting at a class A facility during the racing season, and a licensee may not be allowed to transmit out-of-state telecasts of races the licensee conducts, unless the licensee has obtained the approval of the horsepersons' organization representing the majority of the horsepersons racing the breed involved at the licensed racetrack during the preceding 12 months. The licensee may pay fees and costs~~

to an entity transmitting a telecast of a race to the licensee for purposes of conducting pari-mutuel wagering on the race. The licensee may deduct fees and costs related to the receipt of televised transmissions from a pari-mutuel pool on the televised race, provided that one-half of any amount recouped in this manner must be added to the amounts required to be set aside for purses.

With the approval of the commission and subject to the provisions of this subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes, to locations outside the state, and the commission may allow this to be done on a commingled pool basis.

Except as otherwise provided in this section, simulcasting and telerece simulcasting may be conducted on a separate pool basis or, with the approval of the commission, on a commingled pool basis. All provisions of law governing pari-mutuel betting apply to simulcasting and telerece simulcasting except as otherwise provided in this subdivision or in the commission's rules. If pools are commingled, wagering at the licensed facility must be on equipment electronically linked with the equipment at the licensee's class A facility or with the sending racetrack via the totalizer computer at the licensee's class A facility. Subject to the approval of the commission, the types of betting, takeout, and distribution of winnings on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage for pari-mutuel pools on a televised race must be calculated in accordance with the law or rules governing the sending racetrack for these pools, and must be distributed in a manner agreed to between the licensee and the sending racetrack. Notwithstanding sections 240.13, subdivision 7, and 240.15, subdivision 5, the commission may approve procedures governing the definition and disposition of unclaimed tickets that are consistent with the law and rules governing unclaimed tickets at the sending racetrack. For the purposes of this section, "sending racetrack" is either the racetrack outside of this state where the horse race is conducted or, with the consent of the racetrack, an alternative facility that serves as the racetrack for the purpose of commingling pools.

If there is more than one class B licensee conducting racing within the seven-county metropolitan area, simulcasting and telerece simulcasting may be conducted only on races run by a breed that ran at the licensee's class A facility within the 12 months preceding the event. That portion of the takeout allocated for purses from pari-mutuel pools generated by wagering on standardbreds must be set aside and must be paid to the racing commission and used for purses as otherwise provided by this section or to promote standardbred racing or both, in a manner prescribed by the commission. In the event that a licensee conducts live standardbred racing, pools generated by live, simulcast, or telerece simulcasting at the licensee's facilities on standardbred racing are subject to the purse set aside requirements otherwise provided by law.

Contractual agreements between licensees and horsepersons' organizations entered into before the effective date of this subdivision, regarding money to be set aside for purses from pools generated by simulcasts at a class A facility, are controlling regarding purse requirements through the end of the 1992 racing season.

Sec. 23. Minnesota Statutes 1990, section 240.13, subdivision 8, is amended to read:

Subd. 8. [PROHIBITED ACTS.] A licensee may not accept a bet from

any person under the age of 18 years; and a licensee may not accept a bet of less than \$2 \$1.

Sec. 24. Minnesota Statutes 1990, section 240.15, subdivision 6, is amended to read:

Subd. 6. [DISPOSITION OF PROCEEDS.] The commission shall distribute all money received under this section, and all money received from license fees and fines it collects, as follows: all money designated for deposit in the Minnesota breeders fund must be paid into that fund for distribution under section 240.18 *except that all money generated by full racing card simulcasts, or full racing card telerace simulcasts of races not conducted in this state, must be distributed as provided in section 240.18, clause (2), paragraphs (a), (b), and (c).* Revenue from an admissions tax imposed under subdivision 1 must be paid to the local unit of government at whose request it was imposed, at times and in a manner the commission determines. All other revenues received under this section by the commission, and all license fees, fines, and other revenue it receives, must be paid to the state treasurer for deposit in the general fund.

Sec. 25. Minnesota Statutes 1990, section 240.16, subdivision 1a, is amended to read:

Subd. 1a. [~~TELEVISED RACING DAY SIMULCAST.~~] ~~All races on which pari-mutuel betting is conducted on televised racing days must be presided over by an official of the commission. The official of the commission presiding over races conducted on televised racing days has the powers and duties as provided by rule. All simulcasts and telerace simulcasts are subject to the regulation of the commission. The commission may assign an official to preside over these activities and, if so assigned, the official has the powers and duties provided by rule.~~

Sec. 26. Minnesota Statutes 1990, section 240.19, is amended to read:  
240.19 [CONTRACTS.]

The commission shall by rule require that all contracts entered into by a class A, class B, ~~or~~ class D, *or class E* licensee for the provision of goods or services, including concessions contracts, be subject to commission approval. The rules must require that the contract include an affirmative action plan establishing goals and timetables consistent with the Minnesota Human Rights Act, chapter 363. The commission may require a contract holder to submit to it documents and records the commission deems necessary to evaluate the contract.

Sec. 27. Minnesota Statutes 1990, section 240.23, is amended to read:  
240.23 [RULEMAKING AUTHORITY.]

The commission has the authority, in addition to all other rulemaking authority granted elsewhere in ~~Laws 1983, this chapter 214,~~ to promulgate rules governing:

(a) the conduct of horse races held at licensed racetracks in Minnesota, including but not limited to the rules of racing, standards of entry, operation of claiming races, filing and handling of objections, carrying of weights, and declaration of official results;

(b) wire communications between the premises of a licensed racetrack and any place outside the premises;

(c) information on horse races which is sold on the premises of a licensed racetrack;

(d) liability insurance which it may require of all class A, class B, ~~and~~ class D, *and class E* licensees;

(e) the auditing of the books and records of a licensee by an auditor employed or appointed by the commission;

(f) emergency action plans maintained by licensed racetracks and their periodic review;

(g) safety, security, and sanitation of stabling facilities at licensed racetracks;

Subd. 2. [HEARING; APPEAL.] An order to exclude a person from any

or all licensed racetracks *or licensed teleracing facilities* in the state must be made by the commission at a public hearing of which the person to be excluded must have at least five days' notice. If present at the hearing, the person must be permitted to show cause why the exclusion should not be ordered. An appeal of the order may be made in the same manner as other appeals under section 240.20.

**Sec. 10. [41C.08] [RESERVE FUNDS AND APPROPRIATIONS.]**

*Subdivision 1. [AUTHORITY.] The authority may create and establish one or more special funds, each to be known as a "bond reserve fund" and shall pay into each bond reserve fund any money appropriated and made available by the state for the purpose of the fund, any proceeds of sale of bonds to the extent provided in the resolutions of the authority authorizing their issuance, and any other money that is available to the authority for the purpose of the fund from any other sources. Money held in a bond reserve fund, except as otherwise provided in this chapter, must be used as required solely for the payment of the principal of bonds secured in whole or in part by the fund or of the sinking fund payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds, or the payments of any redemption premium required to be paid when the bonds are redeemed prior to maturity.*

*Subd. 2. [WITHDRAWALS.] Money in a bond reserve fund may not be withdrawn from it in an amount that will reduce the amount of the fund to less than the bond reserve fund requirement established for the fund, as provided in this section, except for the purpose of making payment when due of principal, interest, redemption premiums, and the sinking fund payments with respect to the bonds for the payment of which other money of the authority is not available. Any income or interest earned by, or incremental to, a bond reserve fund due to the investment of it may be transferred by the authority to other funds or accounts of the authority to the extent the transfer does not reduce the amount of that bond reserve fund below the bond reserve fund requirement for it.*

*Subd. 3. [ISSUANCE OF SECURED BONDS.] The authority may not at any time issue bonds, secured in whole or in part by a bond reserve fund if, upon the issuance of the bonds, the amount in the bond reserve fund will be less than the bond reserve fund requirement for the fund, unless the authority at the time of issuance of the bonds deposits in the fund from the proceeds of the bonds issued or from other sources an amount which, together with the amount then in the fund will not be less than the bond reserve fund requirement for the fund. For the purposes of this section, the term "bond reserve fund requirement" means, as of any particular date of computation, an amount of money required to be on deposit therein in the bond reserve fund, as provided in the resolutions of the authority authorizing the bonds with respect to which the fund is established.*

*Subd. 4. [REPAYMENT.] Amounts paid over to the authority by the state under this section constitute and must be accounted for as advances by the state to the authority and, subject to the rights of the holders of any bonds of the authority, must be repaid to the state without interest from all available operating revenues of the authority in excess of amounts required for the payment of bonds, the bond reserve fund, and operating expenses.*

*Subd. 5. [ANNUAL REPORT.] The authority shall cause to be delivered to the finance committees in the legislature within 90 days of the close of its fiscal year its annual report certified by an independent certified public accountant, who may be the accountant or a member of the firm of accountants who regularly audits the books and accounts of the authority selected by the authority. In the event that the principal amount of any bonds deposited in a bond reserve fund is withdrawn for payment of principal or interest thereby reducing the amount of that fund to less than the bond reserve fund requirement, the authority shall immediately notify the legislature of this*

*event and take steps to restore the fund to its bond reserve fund requirement from any amounts available, other than principal of a bond issue, that are not pledged to the payment of other bonds.*

**Sec. 11. [41C.09] [REMEDIES OF BONDHOLDERS.]**

*Subdivision 1. [DEFAULT.] If the authority defaults in the payment of principal or interest on an issue of bonds at maturity or upon call for redemption and the default continues for a period of 30 days or if the authority fails or refuses to comply with the provisions of this chapter, or defaults in an agreement made with the holders of an issue of bonds, the holders of 25 percent in aggregate principal amount of bonds of the issue then outstanding, by instrument filed in the office of the clerk of the county in which the principal office of the authority is located and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds for the purposes provided in this section.*

*Subd. 2. [ACTIONS.] The authority or any trustee appointed under the indenture under which the bonds are issued may, but upon written request of the holders of 25 percent in aggregate principal amount of the issue of bonds then outstanding shall:*

*(1) enforce all rights of the bondholders including the right to require the authority to carry out its agreements with the holders and to perform its duties under this chapter;*

*(2) bring suit upon the bonds;*

*(3) by action require the authority to account as if it were the trustee of an express trust for the holders;*

*(4) by action enjoin any acts or things which are unlawful or in violation of the rights of the holders; and*

*(5) declare all the bonds due and payable and, if all defaults are made good, with the consent of the holders of 25 percent of the aggregate principal amount of the issue of bonds then outstanding, annul the declaration and its consequences.*

*Subd. 3. [TRUSTEE'S POWERS.] The trustees may exercise functions specifically set forth or incident to the general representation of bondholders in the enforcement and protection of their rights.*

*Subd. 4. [NOTICE.] Before declaring the principal of bonds due and payable, the trustee shall first give 30 days' notice in writing to the governor, to the authority, and to the attorney general of the state.*

*Subd. 5. [JURISDICTION.] The district court has jurisdiction of any action by the trustee on behalf of bondholders. The venue of the action is in the county in which the principal office of the authority is located.*

*The bondholders may, to the extent provided in the resolution to which the bonds were issued or in its agreement with the authority, enforce any of the remedies in subdivision 2, clauses (1) to (5), or the remedies provided in the proceedings or agreements for and on their own behalf.*

**Sec. 12. [41C.10] [BONDS AS LEGAL INVESTMENTS.]**

*Bonds are securities in which public officers, state departments and agencies, political subdivisions, insurance companies, and other persons carrying on an insurance business, banks, trust companies, savings and loan associations, investment companies, and other persons carrying on a*

*banking business, administrators, executors, guardians, conservators, trustees, and other fiduciaries and other persons authorized to invest in bonds or other obligations of this state may properly and legally invest funds including capital in their control or belonging to them. The bonds are also securities which may be deposited with and may be received by public officers, state departments and agencies, and political subdivisions for any purpose for which the deposit of bonds or other obligations of this state is authorized.*

Sec. 13. [41C.11] [CONFLICTS OF INTEREST.]

*If a member or employee of the authority has an interest, either direct or indirect, in a contract to which the authority is or is to be a party or in a mortgage lender requesting a loan from or offering to sell mortgage or secured loans to the authority, the interest must be disclosed to the authority in writing and must be set forth in the minutes of the authority. The member or employee having the interest may not participate in action by the authority with respect to that contract or mortgage lender.*

Sec. 14. [41C.12] [APPLICATION AND ORIGINATION FEE.]

*The authority may impose a reasonable application and origination fee for each loan issued under the beginning farmer and agricultural business enterprise loan program. The origination fee initially shall be set at 1.5 percent and the application fee at \$50. The authority shall review the fees annually and make adjustments as necessary. The fee must be deposited in the state treasury and credited to the general fund.*

Sec. 15. [41C.13] [RULES.]

*The authority may adopt rules for the administration of this chapter.*

Sec. 19. Minnesota Statutes 1990, section 474A.061, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in August, or in the amount of two percent of the requested allocation on or after the last Monday in August, and (5) a public purpose scoring worksheet for ~~small issue manufacturing project~~ applications. The Minnesota housing finance agency *and the Minnesota rural finance authority* may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool or from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount

obtained under section 474A.04, subdivision 6.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. Subd. 2b. [~~MANUFACTURING SMALL ISSUE POOL ALLOCATION.~~] From the beginning of the calendar year until the last Monday in August, the commissioner shall allocate available bonding authority from the ~~man-~~~~ufacturing~~ *small issue* pool on Monday of each week to applications received on or before the Monday of the preceding week. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed projects that receive less than 50 points are eligible to receive a proportionally reduced share of the proposed authority.

If there are two or more applications for manufacturing projects from the ~~manufacturing~~ *small issue* pool and there is insufficient bonding authority to provide allocations for all projects in any one week after all eligible bonding authority has been transferred as provided in section 474A.081, the available bonding authority shall be awarded by lot unless otherwise agreed to by the respective issuers.

Sec. 21. Minnesota Statutes 1990, section 474A.061, subdivision 3, is amended to read:

Subd. 3. [ADDITIONAL DEPOSIT.] An issuer which has received an allocation under this section may retain any unused portion of the allocation after the first Tuesday in September only if the issuer has submitted to the department before the first Tuesday in September a letter stating its intent to issue obligations pursuant to the allocation before the end of the calendar year or within the time period permitted by federal tax law and a deposit in addition to that provided under subdivision 1, equal to one percent of the amount of allocation to be retained. The Minnesota housing finance agency and the *Minnesota rural finance authority* may retain an unused portion of an allocation after the first Tuesday in September without submitting an additional deposit.

Sec. 22. Minnesota Statutes 1990, section 474A.061, subdivision 4, is amended to read:

Subd. 4. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section within 90 days of allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in August, the amount of allocation is canceled and returned for reallocation through the pool from which it was originally allocated. If the issuer notifies the department or the 90-day period since allocation has expired on or after the last Monday in August, the amount of allocation is canceled and returned for reallocation

through the unified pool. If the issuer notifies the department after the last Monday in November, the amount of allocation is canceled and returned for reallocation to the Minnesota housing finance agency.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 90 days of receiving allocation.

No refund shall be available for allocations returned 90 or more days after receiving the allocation. This subdivision does not apply to the Minnesota housing finance agency or the *Minnesota rural finance authority*.

Sec. 23. Minnesota Statutes 1990, section 474A.091, is amended to read:

474A.091 [ALLOCATION OF UNIFIED POOL.]

Subdivision 1. [UNIFIED POOL AMOUNT.] On the day after the last Monday in August any bonding authority remaining unallocated from the ~~manufacturing~~ *small issue* pool, the housing pool, and the public facilities pool is transferred to the unified pool and must be reallocated as provided in this section.

Subd. 2. [APPLICATION.] ~~An issuer~~ *Issuers other than the Minnesota rural finance authority* may apply for an allocation under this section by submitting to the department an application on forms provided by the department accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of two percent of the requested allocation, and (5) a public purpose scoring worksheet for ~~small issue manufacturing~~ *small issue manufacturing* applications. The issuer must pay the application deposit by check. An entitlement issuer may not apply for an allocation for public facility bonds, residential rental project bonds, or mortgage bonds under this section unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount carried forward from previous years or returned for reallocation all of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6.

The Minnesota housing finance agency may not apply for an allocation for mortgage bonds under this section until after the last Monday in September. Notwithstanding the restrictions imposed on unified pool allocations after October 1 under subdivision 3, paragraph (c)(2), the Minnesota housing finance agency may be awarded allocations for mortgage bonds from the unified pool after October 1. The Minnesota housing finance agency may apply for and receive an allocation under this section without submitting an application deposit.

Subd. 3. [ALLOCATION PROCEDURE.] (a) The commissioner shall allocate available bonding authority under this section on the Monday of every other week beginning with the first Monday in September through

and on the last Monday in November. Applications for allocations must be received by the department by the Monday preceding the Monday on which allocations are to be made. If a Monday falls on a holiday, the allocation will be made or the applications must be received by the next business day after the holiday.

(b) On or before October 1, allocations shall be awarded from the unified pool in the following order of priority:

- (1) applications for small issue bonds;
- (2) applications for residential rental project bonds;
- (3) applications for public facility projects funded by public facility bonds;
- (4) applications for redevelopment bonds;
- (5) applications for mortgage bonds; and
- (6) applications for governmental bonds.

Allocations for residential rental projects may only be made during the first allocation in September. The amount of allocation provided to an issuer for a specific manufacturing project will be based on the number of points received for the proposed project under the scoring system under section 474A.045. Proposed manufacturing projects that receive 50 points or more are eligible for all of the proposed allocation. Proposed manufacturing projects that receive less than 50 points under section 474A.045 are only eligible to receive a proportionally reduced share of the proposed authority. If there are two or more applications for manufacturing projects from the unified pool and there is insufficient bonding authority to provide allocations for all manufacturing projects in any one allocation period, the available bonding authority shall be awarded based on the number of points awarded a project under section 474A.045 with those projects receiving the greatest number of points receiving allocation first.

(c)(1) On the first Monday in October, \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the ~~manufacturing~~ *small issue* pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the ~~manufacturing~~ *small issue* pool for that year, whichever is less, is reserved within the unified pool for small issue bonds. On the first Monday in October, \$2,500,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the public facilities pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the public facilities pool for that year, whichever is less, is reserved within the unified pool for public facility bonds. If sufficient bonding authority is not available to reserve the required amounts for both small issue bonds and public facility bonds, seven-eighths of the remaining available bonding authority is reserved for small issue bonds and one-eighth of the remaining available bonding authority is reserved for public facility bonds.

(2) The total amount of allocations for mortgage bonds from the housing pool and the unified pool may not exceed:

- (i) \$10,000,000 for any one city; or
- (ii) \$20,000,000 for any number of cities in any one county.

An allocation for mortgage bonds may be used for mortgage credit certificates.

After October 1, allocations shall be awarded from the unified pool only for the following types of qualified bonds: small issue bonds, public facility bonds, and residential rental project bonds.

(d) If there is insufficient bonding authority to fund all projects within any qualified bond category, allocations shall be awarded by lot unless otherwise agreed to by the respective issuers. If an application is rejected, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by issuance of a certificate of allocation.

Subd. 4. [MORTGAGE BONDS.] All remaining bonding authority available for allocation under this section on December 1, is allocated to the Minnesota housing finance agency.

Subd. 5. [RETURN OF ALLOCATION; DEPOSIT REFUND.] (a) If an issuer that receives an allocation under this section determines that it will not issue obligations equal to all or a portion of the allocation received under this section within 90 days of the allocation or within the time period permitted by federal tax law, whichever is less, the issuer must notify the department. If the issuer notifies the department or the 90-day period since allocation has expired prior to the last Monday in November, the amount of allocation is canceled and returned for reallocation through the unified pool.

(b) An issuer that returns for reallocation all or a portion of an allocation received under this section within 90 days of the allocation shall receive within 30 days a refund equal to:

(1) one-half of the application deposit for the amount of bonding authority returned within 30 days of receiving the allocation;

(2) one-fourth of the application deposit for the amount of bonding authority returned between 31 and 60 days of receiving the allocation; and

(3) one-eighth of the application deposit for the amount of bonding authority returned between 61 and 90 days of receiving the allocation.

No refund of the application deposit shall be available for allocations returned on or after the last Monday in November. This subdivision does not apply to the Minnesota housing finance agency, *or the Minnesota rural finance authority*.

Subd. 6. [FINAL ALLOCATION; CARRYFORWARD.] Any bonding authority remaining unissued by the Minnesota housing finance agency after the last Monday in December is allocated to the department of finance for reallocation for qualified bonds eligible to be carried forward under federal tax law.

Sec. 24. Minnesota Statutes 1990, section 474A.14, is amended to read:

474A.14 [NOTICE OF AVAILABLE AUTHORITY.]

The department shall publish in the State Register a notice of the amount of bonding authority in the housing, ~~manufacturing~~ *small issue*, and public facilities pools as soon after January 1 as possible. The department shall publish in the State Register a notice of the amount of bonding authority available for allocation in the unified pool as soon after September 1 as possible.

A motor vehicle operated in compliance with the permit on the streets or highways of the city is not in violation of this chapter.

(b) No single semitrailer may have an overall length, exclusive of non-cargo-carrying accessory equipment, including refrigeration units or air compressors, necessary for safe and efficient operation mounted or located on the end of the semitrailer adjacent to the truck or truck-tractor, in excess of 48 feet, except that a single semitrailer may have an overall length in excess of 48 feet but not greater than 53 feet if the distance from the kingpin to the centerline of the rear axle group of the semitrailer does not exceed 41 feet. No single trailer may have an overall length inclusive of tow bar assembly and exclusive of rear protective bumpers which do not increase the overall length by more than six inches, in excess of 45 feet. For determining compliance with the provisions of this subdivision, the length of the semitrailer or trailer must be determined separately from the overall length of the combination of vehicles.

(c) No semitrailer or trailer used in a three-vehicle combination may have an overall length *in excess of 28-1/2 feet*, exclusive of:

*(1) non-cargo-carrying accessory equipment, including refrigeration units or air compressors and upper coupler plates, necessary for safe and efficient operation, mounted or located on the end of the semitrailer or trailer adjacent to the truck or truck-tractor; and further exclusive of;*

*(2) the tow bar assembly, in excess of 28-1/2 feet; and*

*(3) lower coupler equipment that is a fixed part of the rear end of the first trailer.*

The commissioner may not grant a permit authorizing the movement, in a three-vehicle combination, of a semitrailer or trailer that exceeds 28-1/2 feet, except that the commissioner may renew a permit that was granted before April 16, 1984, for the movement of a semitrailer or trailer that exceeds the length limitation in this paragraph.

Sec. 3. Minnesota Statutes 1990, section 169.81, subdivision 3, is amended to read:

Subd. 3. [LENGTH OF VEHICLE COMBINATIONS.] (a) Statewide,

except as provided in paragraph (b), no combination of vehicles coupled together, including truck-tractor and semitrailer, may consist of more than two units and no combination of vehicles, unladen or with load, may exceed a total length of 65 feet. The length limitation does not apply to the transportation of telegraph poles, telephone poles, electric light and power poles, piling, or pole length pulpwood, and is subject to the following further exceptions: the length limitations do not apply to vehicles transporting pipe or other objects by a public utility when required for emergency or repair of public service facilities or when operated under special permits as provided in this subdivision, but with respect to night transportation, a vehicle and the load must be equipped with a sufficient number of clearance lamps and marker lamps on both sides and upon the extreme ends of a projecting load to clearly mark the dimensions of the load. Mount combinations may be drawn but the combinations may not exceed 65 feet in length. The limitation on the number of units does not apply to vehicles used for transporting milk from point of production to point of first processing, in which case no combination of vehicles coupled together unladen or with load, including truck-tractor and semitrailers, may consist of more than three units and no combination of those vehicles may exceed a total length of 65 feet. Notwithstanding other provisions of this section, and except as provided in paragraph (b), no combination of vehicles consisting of a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles or boats may exceed 65 feet in length. The load may extend a total of seven feet, but may not extend more than three feet beyond the front or four feet beyond the rear, and in no case may the overall length of the combination of vehicles, unladen or with load, exceed 65 feet. For the purpose of registration, trailers coupled with a truck-tractor, semitrailer combination are semitrailers. The state as to state trunk highways, and a city or town as to roads or streets located within the city or town, may issue permits authorizing the transportation of combinations of vehicles exceeding the limitations in this subdivision over highways, roads, or streets within their boundaries. Combinations of vehicles authorized by this subdivision may be restricted as to the use of highways by the commissioner as to state trunk highways, and a road authority as to highways or streets subject to its jurisdiction. Nothing in this subdivision alters or changes the authority vested in local authorities under the provisions of section 169.04.

(b) The following combination of vehicles regularly engaged in the transportation of commodities may operate only on divided highways having four or more lanes of travel, and on other highways as may be designated by the commissioner of transportation subject to section 169.87, subdivision 1, and subject to the approval of the authority having jurisdiction over the highway, for the purpose of providing reasonable access between the divided highways of four or more lanes of travel and terminals, facilities for food, fuel, repair, and rest, and points of loading and unloading for household goods carriers, livestock carriers, or for the purpose of providing continuity of route:

- (1) a truck-tractor and semitrailer exceeding 65 feet in length;
- (2) a combination of vehicles with an overall length exceeding 55 feet and including a truck-tractor and semitrailer drawing one additional semitrailer which may be equipped with an auxiliary dolly;
- (3) a combination of vehicles with an overall length exceeding 55 feet and including a truck-tractor and semitrailer drawing one full trailer; and

(4) a truck-tractor and semitrailer designed and used exclusively for the transportation of motor vehicles or boats and exceeding an overall length of 65 feet including the load except as restricted by applicable federal law-; and

(5) a truck or truck-tractor transporting similar vehicles by having the front axle of the transported vehicle mounted onto the center or rear part of the preceding vehicle, defined in Code of Federal Regulations, title 49, sections 390.5 and 393.5 as drive-away saddlemount combinations or drive-away saddlemount vehicle transporter combinations, when the overall length exceeds 65 feet.

Vehicles operated under the provisions of this section must conform to the standards for those vehicles prescribed by the United States Department of Transportation, Federal Highway Administration, Bureau of Motor Carrier Safety, as amended.

Sec. 4. Minnesota Statutes 1990, section 169.825, subdivision 8, is amended to read:

Subd. 8. [PNEUMATIC-TIRED VEHICLES.] No vehicle or combination of vehicles equipped with pneumatic tires shall be operated upon the high-ways of this state:

(a) Where the gross weight on any wheel exceeds 9,000 pounds, except that on designated local routes and state trunk highways the gross weight on any single wheel shall not exceed 10,000 pounds;

(b) Where the gross weight on any single axle exceeds 18,000 pounds, except that on designated local routes and state trunk highways the gross weight on any single axle shall not exceed 20,000 pounds;

(c) Where the maximum wheel load:

(1) on the foremost and rearmost steering axles, exceeds 600 pounds per inch of tire width or the manufacturer's recommended load, whichever is less; or

(2) on other axles, exceeds 500 pounds per inch of tire width or the manufacturer's recommended load, whichever is less;

Clause (2) applies to new vehicles manufactured after August 1, 1991, and after August 1, 1996, to all vehicles.

(d) Where the gross weight on any axle of a tridem exceeds 15,000 pounds, except that for vehicles to which an additional axle has been added prior to June 1, 1981, the maximum gross weight on any axle of a tridem may be up to 16,000 pounds provided the gross weight of the tridem combination does not exceed ~~37,000 pounds where the first and third axles of the tridem are spaced seven feet apart; 38,500 pounds where the first and third axles of the tridem are spaced eight feet apart; and~~ 39,900 pounds where the first and third axles of the tridem are spaced nine feet apart.

(e) Where the gross weight on any group of axles exceeds the weights permitted under this section with any or all of the interior axles disregarded and their gross weights subtracted from the gross weight of all axles of the group under consideration.

Sec. 5. Minnesota Statutes 1990, section 169.825, subdivision 10, is amended to read:

Subd. 10. [GROSS WEIGHT SCHEDULE.] (a) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated upon the highways of this state where the total gross weight on any group of two or more consecutive axles of any vehicle or combination of vehicles exceeds that given in the following table for the distance between the centers of the first and last axles of any group of two or more consecutive axles under consideration; *unless otherwise noted*, the distance between axles being measured longitudinally to the nearest even foot, and when the measurement is a fraction of exactly one-half foot the next largest whole number in feet shall be used, except that when the distance between axles is more than three feet four inches and less than three feet six inches the distance of four feet shall be used:

The gross weights shown in parentheses in this clause are permitted only on state trunk highways and routes designated under section 169.832, subdivision 11.

(b) Notwithstanding any lesser weight in pounds shown in this table but subject to the restrictions on gross vehicle weights in clause (c), two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each and a combined gross load of 68,000 pounds provided the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more.

(c) Notwithstanding the provisions of section 169.85, the gross vehicle weight of all axles of a vehicle or combination of vehicles shall not exceed:

(1) 80,000 pounds for any vehicle or combination of vehicles on all state trunk highways as defined in section 160.02, subdivision 2, and for all routes designated under section 169.832, subdivision 11; and

(2) 73,280 pounds for any vehicle or combination of vehicles with five axles or less on all routes, other than state trunk highways and routes that are designated under section 169.832, subdivision 11; and

(3) 80,000 pounds for any vehicle or combination of vehicles with six or more axles on all routes, other than state trunk highways and routes that are designated under section 169.832, subdivision 11.

(d) ~~The maximum weights specified in this subdivision for five consecutive axles shall not apply to a combination of vehicles that includes a three axle semitrailer first registered before August 1, 1981. All other weight limitations in this section are applicable.~~

(e) The maximum weights specified in this subdivision for five consecutive axles shall not apply to a four axle ready mix concrete truck which was equipped with a fifth axle prior to June 1, 1981. The maximum gross weight on four or fewer consecutive axles of vehicles excepted by this clause shall not exceed any maximum weight specified for four or fewer consecutive axles in this subdivision.

Sec. 6. Minnesota Statutes 1990, section 169.86, subdivision 5, is amended to read:

Subd. 5. [FEES.] The commissioner, with respect to highways under the commissioner's jurisdiction, may charge a fee for each permit issued. All such fees for permits issued by the commissioner of transportation shall be deposited in the state treasury and credited to the trunk highway fund. Except for those annual permits for which the permit fees are specified elsewhere in this chapter, the fees shall be:

(a) \$15 for each single trip permit.

(b) \$36 for each job permit. A job permit may be issued for like loads carried on a specific route for a period not to exceed two months. "Like loads" means loads of the same product, weight, and dimension.

(c) \$60 for an annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) refuse compactor vehicles that carry a gross weight up to but not in excess of 22,000 pounds on a single rear axle and not in excess of 38,000 pounds on a tandem rear axle;

(2) motor vehicles used to alleviate a temporary crisis adversely affecting the safety or well-being of the public;

(3) motor vehicles which travel on interstate highways and carry loads authorized under subdivision 1a;

(4) motor vehicles operating with gross weights authorized under section 169.825, subdivision 11, paragraph (a), clause (3); and

(5) special pulpwood vehicles described in section 169.863.

(d) \$120 for an oversize annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) mobile cranes;

(2) construction equipment, machinery, and supplies;

(3) manufactured homes;

(4) farm equipment when the movement is not made according to the provisions of section 169.80, subdivision 1, paragraphs (a) to (f);

(5) double-deck buses;

(6) commercial boat hauling.

(e) For vehicles which have axle weights exceeding the weight limitations of section 169.825, an additional cost added to the fees listed above. The additional cost is equal to the product of the distance traveled times the sum of the overweight axle group cost factors shown in the following chart:

Overweight Axle Group Cost Factors

Weight (pounds)	Cost Per Mile For Each Group Of:		
	Two consec- utive axles spaced within 8 feet or less	Three consec- utive axles spaced within 9 feet or less	Four consec- utive axles spaced with- in 14 feet or less
0-2,000	.100	.040	.036
2,001-4,000	.124	.050	.044
4,001-6,000	.150	.062	.050

12,001-14,000	Not permitted	.140	.094
14,001-16,000	Not permitted	.168	.106
16,001-18,000	Not permitted	.200	.128
18,001-20,000	Not permitted	Not permitted	.140
20,001-22,000	Not permitted	Not permitted	.168

The amounts added are rounded to the nearest cent for each axle or axle group. The additional cost does not apply to paragraph (c), clauses (1) and (3).

*For a vehicle found to exceed the appropriate maximum permitted weight, a cost-per-mile fee of 22 cents per ton, or fraction of a ton, over the permitted maximum weight is imposed in addition to the normal permit fee. Miles must be calculated based on the distance already traveled in the state plus the distance from the point of detection to a transportation loading site or unloading site within the state or to the point of exit from the state.*

(f) As an alternative to paragraph (e), an annual permit may be issued for overweight, or oversize and overweight, construction equipment, machinery, and supplies. The fees for the permit are as follows:

Gross Weight (pounds) of vehicle	Annual Permit Fee
90,000 or less	\$200
90,001 - 100,000	\$300
100,001 - 110,000	\$400
110,001 - 120,000	\$500
120,001 - 130,000	\$600
130,001 - 140,000	\$700
140,001 - 145,000	\$800

If the gross weight of the vehicle is more than 145,000 pounds the permit fee is determined under paragraph (e).

(g) For vehicles which exceed the width limitations set forth in section 169.80 by more than 72 inches, an additional cost equal to \$120 added to the amount in paragraph (a) when the permit is issued while seasonal load restrictions pursuant to section 169.87 are in effect.

*Subd. 4. [VARIANCE.] The commissioner may adopt rules to provide a procedure to grant variances from regulations adopted under subdivision 1, and contained in Code of Federal Regulations, title 49, part 180. The variances must apply only to cargo tanks with a capacity of 3,000 gallons or less that transport gasoline in intrastate commerce in Minnesota and were first used in transportation before August 1, 1991. Sec. 9. [221.124] [INITIAL MOTOR CARRIER CONTACT PROGRAM.]

*Subdivision 1. [INITIAL MOTOR CARRIER CONTACT.] The initial motor carrier contact program consists of an initial contact, for educational purposes, between a motor carrier required to participate and representatives of the department of transportation. The initial contact may be through an educational seminar or at the discretion of the department through a personal meeting with a representative of the department. The initial contact must consist of a discussion of the statutes, rules, and regulations that apply to motor carriers. Topics discussed must include: carrier authority; the leasing of drivers and vehicles; insurance requirements; tariffs; annual reports; accident reporting; identification of vehicles; driver qualifications; maximum hours of service of drivers; the safe operation of vehicles; equipment, parts, and accessories; and inspection, repair, and maintenance. The department shall provide written documentation of proof of compliance with the requirements of subdivision 2 and shall give a copy of the document to the motor carrier.*

*Subd. 3. [TIME FOR COMPLIANCE.] A motor carrier required by subdivision 2 to participate in the program must do so within 90 days of the service date of the order granting the certificate or permit. Failure to comply with the requirement of subdivision 2 makes the order granting the certificate or permit void upon expiration of the time for compliance.*

sections 1 to 6.

*Subd. 2. [INITIAL PROJECT AREA.] The commissioner shall select an area or areas of the state in which to initiate the consumers' health improvement plan pilot project according to the following criteria:*

*(a) The initial pilot project area or areas shall include sufficient numbers of health care providers practicing in various health care specialties to ensure full access to all necessary, effective health care by pilot project participants.*

*(b) The initial pilot project area or areas shall contain a sufficient number of participants to allow scientifically and statistically valid analyses to be conducted based upon the data collected.*

*The commissioner, through the health care analysis unit, shall supervise all aspects of the project.*

*Subd. 3. [DUTIES OF THE HEALTH CARE ANALYSIS UNIT.] The health care analysis unit shall:*

*(a) Establish a process for the initial approval, revision, and addition of practice parameters. All practice parameters adopted for use in the pilot project must be supported by medical or health literature citations from appropriate studies so as to minimize unnecessary or ineffective care.*

*(b) Establish system requirements for an outcomes-based management system incorporating practice parameters for use in the pilot project. System requirements shall be broad enough to allow use of more than one brand or variety of software or hardware provided that they meet the compatibility objectives of this subdivision. The system selected shall:*

*(1) allow for direct, automated inputting of all information collected in connection with the delivery of health care;*

*(2) allow participating providers to precertify participants for treatment on the basis of health need and measure outcome against the cost of care;*

*(3) be capable of being operated from facilities used by participating health care providers; and*

*(4) include a report function to allow both providers and consumers access to private provider and private individual data, concerning both the consumers' course of treatment and summary data concerning the comparative outcomes of treatment in similar cases.*

*(c) Establish and maintain a pilot project health outcomes database as follows:*

*(1) determine uniform specifications for the collection, transmission, and maintenance, and dissemination of health outcomes data for the pilot project; and*

*(2) conduct studies and research on the following subjects:*

*(i) new and revised practice parameters to be used in connection with the pilot project;*

*(ii) the comparative effectiveness of alternative modes of treatment, medical equipment, and drugs;*

*(iii) the relative satisfaction of participants with their care, determined with reference to both provider and mode of treatment;*

(iv) *the cost versus the effectiveness of health care treatments; and*  
(v) *the impact on cost and effectiveness of health care of the management techniques and administrative interventions used in the pilot project.*

(d) *Adopt emergency and permanent rules relating to the administration of the pilot project. At a minimum, the rules must provide that:*

(1) *any licensed provider who agrees to render care subject to approved practice parameters and who agrees to implement the project's outcomes-based management system may participate in the pilot project; and*

(2) *initially, participation by pilot project providers is limited to those maintaining offices within 30 miles of the pilot project area or areas. The health care analysis unit may also designate pilot project providers from outside this area to assure that participants have full access to covered health care. Additional providers will be added as the project expands.*

(e) *Establish, in consultation with the health plan company under contract, appropriate financial incentives and disincentives designed to further the purposes of the project, including the application or waiver of copayments and deductibles.*

(f) *Establish appropriate eligibility, enrollment, premium, and payment provisions consistent with the purposes of the project.*

(g) *Establish an appeals panel for the timely review and resolution of written complaints brought by a provider or enrollee. The decision of the appeals panel is final and binding.*

*Subd. 4. [SELECTION OF HEALTH PLAN COMPANY.] (a) The commissioner shall select, by competitive bid, a health plan company to manage health care provided to pilot project participants. The health plan company must have demonstrated experience in at least the following areas:*

(1) *health care management;*

(2) *claims administration; and*

(3) *the management of health care information systems.*

(b) *The health plan company shall:*

(1) *adopt a provider fee schedule and negotiate contracts with hospitals and other health care providers, including contracts for drugs and medical equipment, in which fees for services and supplies are equivalent to those prevailing under other local third-party payers;*

(2) *develop financial incentives and disincentives for provider reimbursement designed to further the purposes of the project. Provider reimbursement disincentives shall not be set at a rate lower than 50 percent of the provider fee schedule or contract rate negotiated in clause (1);*

(3) *apply, to the extent they are cost-effective, appropriate financial incentives and disincentives designed to further the purposes of the project, including the application or waiver of copayments and deductibles;*

(4) *implement the eligibility, enrollment, and payment provisions established by the commissioner;*

(5) *collect the medical outcomes data specified by the health care analysis unit; and*

(6) *implement all other requirements established by the commissioner*

under subdivision 3.

*Subd. 5. [DATA TRANSFER AND CLASSIFICATION.] The health plan company under contract shall transfer data collected under this section to the health care analysis unit. Data collected on individuals participating in the pilot project are classified as private data on individuals. Summary data may be provided under section 13.03, subdivision 7, and may be released in studies produced by the health care analysis unit and made available to pilot project participants.*

*Subd. 6. [NONDISCOVERABLE AND INADMISSIBLE IN ANY LEGAL PROCEEDING.] Any and all data, clinical norms, medical practice parameters, findings, or other information developed, compiled or collected under sections 1 to 6, including compliance or noncompliance with any medical practice parameters under this pilot program, are not discoverable or admissible in any civil, criminal, or administrative proceeding, including professional licensure proceedings.*

**Sec. 3. [144.7063] [ELIGIBILITY.]**

*Subdivision 1. [PARTICIPATION.] (a) All persons residing in the pilot project area who do not have health care coverage are eligible to participate in the project.*

*(b) Individuals covered by self-insured health plans may receive care rendered subject to practice parameters by pilot project providers, if they live in the pilot project area and they and their benefit plan administrator consent to their participation, and agree to share data relating to cost and outcome with the health care analysis unit.*

*(c) All persons covered under general assistance medical care who reside in the pilot project area are required to participate in the pilot project to the extent they seek care for which there are approved providers providing care subject to approved practice parameters. The commissioner of human services shall seek any federal waivers needed to include medical assistance recipients residing in the pilot project area, to the extent they seek care for which there are approved providers providing care subject to approved practice parameters.*

*(d) All persons residing in the project area who are children's health plan enrollees are eligible to participate in the project.*

*(e) Employees of state and local government are eligible to participate with the approval of their bargaining unit.*

*(f) Premiums for pilot project participants who do not have health coverage, or who are children's health plan enrollees, shall be based on the sliding scale provided in subdivisions 2 and 4. Premiums for self-insured participants, and participants who are employees of state and local government, shall be those required by their existing plan of health benefit coverage. No premiums shall be charged to individuals enrolled in general assistance medical care or medical assistance.*

*Subd. 2. [SLIDING SCALE.] Each individual and family unit without health coverage enrolled in the pilot project shall pay a premium set in relation to adjusted gross income and family size. The commissioner shall establish a sliding scale to determine the amount of the premium each individual or family must pay to obtain health coverage through the pilot project. The sliding scale must use the federal poverty guidelines as the primary unit of measurement, and must be based on an individual's or*

family's federal adjusted gross income as shown on the federal income tax return. If the family files separate returns, the federal adjusted gross income from the returns must be combined for purposes of computing the family's federal adjusted gross income. The sliding scale must be designed so that individuals and families with adjusted gross incomes less than 25 percent of the federal poverty level pay 1.08 percent of their adjusted gross income, and those with adjusted gross incomes between 250 percent and 275 percent of the federal poverty level pay 6.5 percent of their adjusted gross income. Individuals and families with adjusted gross incomes over 275 percent of the federal poverty guideline or \$40,000, whichever is less, are not eligible for a subsidized premium and must pay 100 percent of the cost of coverage through the pilot project.

*Subd. 3. [ADJUSTMENTS TO THE INCOME LIMIT AND SLIDING SCALE.]* The commissioner shall adjust the sliding scale and the maximum income limit for subsidized coverage to reflect changes in prevailing income levels, health coverage costs, and benefit levels.

*Subd. 4. [CHILDREN'S HEALTH PLAN ENROLLEES.]* The commissioner shall establish a separate sliding scale for children's health plan enrollees. Premiums charged must be proportional to the value of benefits provided by the pilot project that are in addition to those provided under section 256.936. Children's health plan enrollees shall still be required to pay the enrollment fee required by section 256.936.

**Sec. 4. [144.7064] [COVERAGE FOR HEALTH CARE FOR PILOT PROJECT PARTICIPANTS.]**

*Subdivision 1. [PERSONS WITHOUT HEALTH CARE COVERAGE.]* The commissioner, through the health care analysis unit, shall determine basic health care coverage for persons who do not have health care coverage. That coverage shall include:

(1) care that is necessary and effective, as determined by reference to approved practice parameters and validated by measurement of outcomes;

(2) care, including preventive care, determined by the commissioner to be necessary, and for which there exists sufficient study or research data to support a finding that the care is necessary and effective; and

(3) other care determined by the commissioner to be covered, but for which there is insufficient study or research data to support a finding of necessity or effectiveness.

*Subd. 2. [PERSONS COVERED UNDER STATE-FINANCED PROGRAMS.]* Coverage for persons enrolled in the children's health plan, general assistance medical care, and medical assistance, if a federal waiver is granted, shall be that which is set forth in their benefits agreements except for the following:

(1) for care of proven effectiveness delivered subject to approved practice parameters, the coverage, including choice of provider, is limited to care obtained from participating providers;

(2) coverage must be supplemented with preventive care as defined by the Guidelines of the United States Task Force on Preventive Care to the extent it is necessary and effective; and

(3) the commissioner, after consultation with the commissioner of human services, may provide additional benefits to children's health plan enrollees

*beyond those provided under section 256.936.*

*A waiver of federal regulations must be requested with respect to coverage mandated by federal law whenever care is provided under practice parameters by pilot project providers.*

**Subd. 3. [PERSONS COVERED UNDER SELF-INSURED PLANS; EMPLOYEES OF STATE AND LOCAL GOVERNMENT.]** *Coverage for persons enrolled in self-insured health plans participating in the pilot project, and for state and local government employees who are participants, must be the coverage specified in their benefits agreements, provided that:*

*(1) care is provided under pilot project guidelines by pilot project providers; and*

*(2) preventive care from pilot project providers must be made available to the extent it is necessary and effective care.*

**Subd. 4. [COORDINATION.]** *The commissioner shall take steps that may be reasonable and necessary to reconcile existing health coverage with care provided participants by pilot project providers. Any conflict between existing health coverage practice parameters and pilot project practice parameters must be resolved in favor of the pilot project practice parameters.*

*Coverage for persons who do not otherwise have health care coverage and persons enrolled in state-subsidized health programs based on benefits must be converted to coverage based on need and effectiveness at the earliest possible date.*

*The health care analysis unit shall make every possible effort to eliminate barriers to access to health care determined to be both necessary and effective and take steps to eliminate access to health care not determined to be necessary and effective.*

**Subd. 5. [PROVIDER PANELS.]** *(a) The commissioner shall appoint panels of providers with appropriate experience and expertise. The panels shall advise the health care analysis unit regarding new and revised practice parameters which have been supported by medical or health citations from appropriately controlled studies, based on outcomes data collected by the pilot project.*

*(b) In situations where these practice parameters overlap specialty or other professional boundaries, the panels must include representatives from each affected specialty or provider group.*

*(c) The panels shall advise the health care analysis unit in defining outcomes and how they should properly be used.*

*(d) The panels shall advise the health care analysis unit about adding participants and providers during the course of the project to maximize the cost savings generated by the project and to expand its size and scope to the extent practicable.*

*(e) The advice solicited under this subdivision is not binding on the health care analysis unit.*

**Sec. 5. [144.7065] [ADMINISTRATION OF THE PILOT PROJECT.]**

**Subdivision 1. [CLAIM PAYMENT.]** *Participating providers must be paid by the health plan company on the basis of fee schedules, contracts, and, to the extent they are cost effective, financial incentives established by the commissioner.*

*The commissioner shall conduct periodic audits of the health plan company under contract. The health plan company shall audit pilot project providers' outcomes management systems to ensure that cost and effectiveness data are accurately reported and pilot project guidelines are adhered to.*

*Subd. 2. [GENERAL ADMINISTRATION.] The commissioner shall establish a pilot project administrative office, hire staff, and arrange working relationships with persons currently employed by the state of Minnesota in the administration of health coverage programs. The commissioner shall also initiate procedures designed to identify and recruit for participation in the pilot project persons who do not have health care coverage, persons currently enrolled in state-financed health programs, and persons receiving coverage from self-insured plans.*

*Subd. 3. [ASSISTANCE.] State departments, agencies, boards, and commissions shall provide the assistance to the commissioner of health to design, implement, administer, and evaluate the pilot project. The evaluation must include an estimate of the savings accrued by state-financed health care programs due to the pilot project.*

*Subd. 4. [WAIVER OF INCONSISTENT PROVISIONS.] The commissioner and the commissioner of commerce may waive mandated health benefit requirements and open enrollment requirements, if there is reasonable evidence that the requirements would prohibit the operation of the pilot project. The commissioner and the commissioner of commerce shall provide for public comment before any requirement is waived. For purposes of the pilot project, section 72A.20, subdivision 15, clause (4) applies.*

**Sec. 6. [144.7066] [REPORTS.]**

*The commissioner shall, by the end of January of each year the pilot project is operating, provide a detailed report to the legislature. The report must include a review by the health care analysis unit of the:*

- (1) outcomes of care provided in the pilot project;*
- (2) progress in implementing, expanding, or revising practice parameters for use in connection with all necessary and effective modes of treatment used in the pilot project;*
- (3) actual improvements in quality of care achieved as a result of providing only care that is necessary and effective;*
- (4) actual savings achieved as a result of providing only necessary, proven, and effective care;*
- (5) impact of the pilot project's systems, technologies, and methods on all providers and other participants, health care, and the health care delivery system in general;*
- (6) progress in eliminating barriers to access to necessary and effective care provided to participants enrolled in the pilot project; and*
- (7) results likely to be achieved if the pilot project were extended to include additional persons who do not have health care coverage and additional persons currently enrolled in state or employer financed health insurance programs.*

*The report must include recommendations for any additional legislation needed to implement the project.*

*In the report due January 1, 1993, and each subsequent year, the commissioner shall make recommendations regarding any expansion of the project during the next year, including expanding the project area, the number of participants and providers, and the practice parameters to be added, or the termination of the pilot project.*

Sec. 7. [APPROPRIATION.]

*\$15,000,000 is appropriated from the general fund to the commissioner of health for the purposes of sections 1 to 6. The appropriation is available until expended.*

Sec. 8. [REPEALER.]

*Sections 1 to 7 are repealed July 1, 1996.*

For the purpose of this act, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation may treat the health maintenance organization as a separate health carrier.

Subd. 23. [HEALTH PLAN.] "Health plan" means a health benefit plan issued by a health carrier:

(1) to a small employer;

(2) to an employer who does not satisfy the definition of a small employer under subdivision 32; or

Subd. 25. [LATE ENTRANT.] "Late entrant" means an eligible employee or dependent who is not enrolled in a small employer's health benefit plan. Late entrants may be subject to a preexisting condition limitation or exclusion from coverage for up to 18 months from the effective date of coverage of the late entrant. An otherwise eligible employee or dependent is not a late entrant if:

[SMALL EMPLOYER.] "Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business who, on at least 50 percent of its working days during the preceding calendar year, employed no less than two nor more than 29 eligible employees. If a small employer has only two eligible employees, one employee must not be the spouse, child, sibling, parent, or grandparent of the other. Entities which are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible employees. **Sec. 2. [62K.02] [PARTICIPATION REQUIREMENTS.]**

*Subdivision 1. [CARRIER PARTICIPATION.] Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, offer, sell, issue, and renew any health benefit plan to*

*small employers in accordance with this chapter. Beginning with the transition period, every health carrier participating in the small employer market shall make available a health benefit plan to small employers and shall fully comply with the underwriting and rate restrictions specified in this chapter. A health carrier may cease to transact business in the small employer market as provided under section 8.*

*Subd. 2. [EXCEPTION TO CARRIER PARTICIPATION.] A health carrier transacting business in the small employer market shall not be required to offer a health benefit plan to small employers under this chapter if the commissioner finds that the offer would place the health carrier in a financially impaired condition. A health carrier which does not offer a health benefit plan to small employers under this subdivision shall not offer a health benefit plan to small employers for 180 days following a determination by the commissioner that the health carrier has ceased to be in a financially impaired condition.*

*Subd. 3. [EMPLOYER PARTICIPATION.] Health carriers shall require that:*

*(1) 75 percent of a small employer's eligible employees who have not waived coverage participate in a health benefit plan offered, sold, issued, or renewed by the health carrier; and*

*(2) small employers contribute a minimum of 50 percent of the premium charged by the health carrier for coverage of an eligible employee.*

*Subd. 4. [UNDERWRITING RESTRICTIONS.] Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted by this chapter. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees of small employers. Except as authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee's or dependent's health benefit plan. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by another health benefit plan, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant. Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation shall not exceed 18 months. The report required under section 9 must include recommendations regarding the use of the reinsurance pool by a health carrier for the costs incurred by an individual covered by a health benefit plan for which a preexisting condition limitation is imposed on the individual.*

*Subd. 5. [CANCELLATIONS.] No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the small employer group. A health carrier may cancel, decline to issue, or fail to renew a health benefit plan:*

*(1) for nonpayment of the required premium or contributions toward premiums by the small employer or eligible employee;*

(2) for fraud or misrepresentation by the small employer, eligible employee, or dependent with respect to their eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 100 percent;

(4) for failure of an employer to comply with the health carrier's premium contribution requirements;

(5) if a health carrier ceases to do business in the small employer market as provided under section 8;

(6) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including but not limited to service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), and insufficient provider network capacity, as determined by the commissioner, to the extent that these grounds are not expressly inconsistent with this chapter.

*Subd. 6. [MCHA ENROLLEES.] Health carriers shall offer coverage to an eligible employee or dependent enrolled in MCHA at the time of the health carrier's issuance of a health benefit plan to a small employer. MCHA enrollees shall be enrolled in the small employer's health benefit plan as of the first date of renewal of a health benefit plan occurring after January 1, 1993, or, in the case of a new group, as of the initial effective date of the health benefit plan. Unless otherwise permitted by this chapter, health carriers shall not impose any underwriting restrictions, including any preexisting condition limitations on any eligible employee or dependent previously enrolled in MCHA and transferred to a health benefit plan so long as continuous coverage is maintained.*

### Sec. 3. [62K.03] [TRANSITION PERIOD.]

*Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] Beginning with the transition period, health carriers participating in the small employer market shall offer and make available a health benefit plan to small employers who satisfy the small employer participation requirements specified in section 2, subdivision 3, and shall comply with the underwriting, rating, and other requirements specified in sections 2 to 8. Compliance with these requirements is required as of the first renewal date of any small employer group occurring during the transition period. For new small employer business, compliance is required as of the first date of offering occurring during the transition period.*

*Subd. 2. [NEW CARRIERS.] A health carrier entering the small employer market after the transition period shall begin complying with the requirements of this chapter as of the first date of offering of a health benefit plan to a small employer. A health carrier entering the small employer market after the transition period is considered to be a member of the small employer reinsurance association as of the date of the health carrier's initial offer of a health benefit plan to a small employer.*

### Sec. 4. [62K.04] [SMALL EMPLOYER PLAN BENEFITS.]

*Subdivision 1. [BENEFIT DESIGN.] The minimum benefits of a small employer plan offered by a health carrier must be equal to 80 percent of the cost of health care services, supplies, or articles covered under the small employer plan, in excess of an annual deductible which may not exceed \$500 per individual and \$1,000 per family. Coinsurance and deductibles*

do not apply to prenatal services, as defined by section 62A.047, and medical services and supplies provided to children.

Out-of-pocket costs for covered services, supplies, or articles may not exceed \$3,000 per individual and \$6,000 per family per year. The annual maximum benefit is limited to \$75,000 per person. The maximum lifetime benefit shall not be less than \$500,000 per individual.

Subd. 2. [MINIMUM BENEFITS.] *The medical services and supplies listed in this subdivision are the minimum benefits that must be covered by a small employer plan:*

(1) *inpatient and outpatient hospital services, excluding services provided for the diagnosis, care, or treatment of chemical dependency or a mental illness or condition, other than those conditions specified in clause (10);*

(2) *physician services for the diagnosis or treatment of illnesses, injuries, or conditions;*

(3) *diagnostic X-rays and laboratory tests;*

(4) *ground transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition;*

(5) *services of a home health agency if the services qualify as reimbursable services under Medicare and are directed by a physician;*

(6) *services of a private duty registered nurse if medically necessary, as determined by the health carrier;*

(7) *the rental or purchase, as appropriate, of durable medical equipment, other than eyeglasses and hearing aids;*

(8) *child health supervision services up to age 18, as defined in section 62A.047;*

(9) *maternity and prenatal care services as defined in section 62A.047; and*

(10) *inpatient and outpatient physician and hospital services for the diagnosis and treatment of certain mental illnesses or conditions, as defined by the International Classification of Diseases-Clinical Modification (ICD-9-CM), seventh edition (1990) and as classified as ICD-9 codes 295 to 299.*

Subd. 3. [ADDITIONAL BENEFITS.] *Health carriers must offer small employers the following additional health benefit plans:*

(1) *a plan equal to the minimum benefit described in subdivision 1 with the following additional benefits:*

(i) *up to ten hours of coverage for mental or nervous disorder consultation, diagnosis, and treatment services delivered while the insured is not a bed patient in a hospital;*

(ii) *up to 60 hours of coverage for the treatment of alcoholism, chemical dependency, or drug addiction in a nonresidential treatment program approved or licensed by the state of Minnesota; and*

(iii) *coverage equal to 50 percent of the cost of prescription drugs up to \$1,000 out-of-pocket cost per individual. Coverage in excess of the out-of-pocket cost must be at 100 percent. The health carrier may use a formulary to identify drugs covered under this section; and*

(2) a plan equal to a number two qualified plan as described in section 62E.06, subdivision 2.

For each benefit design described in this section, a health carrier may offer small employers the additional deductible options of \$100 or \$250.

**Subd. 4. [NUMBER THREE QUALIFIED PLAN.]** Health carriers may offer small employers a plan equal to a number three qualified plan as described in section 62E.06, subdivision 1.

**Subd. 5. [BENEFIT EXCLUSIONS.]** No medical, hospital, or other health care benefits, services, supplies, or articles not expressly specified in subdivision 2 are required to be included in a health benefit plan. Nothing in subdivision 2 restricts the right of a health carrier to restrict coverage to those services, supplies, or articles which are medically necessary. Health carriers may exclude a benefit, service, supply, or article not expressly specified in subdivision 2 from a health benefit plan.

**Subd. 6. [CONTINUATION COVERAGE.]** Health benefit plans must include only the continuation of coverage provisions required by the Consolidated Omnibus Reconciliation Act of 1981 (COBRA), Public Law Number 99-272, as amended through December 31, 1990.

**Subd. 7. [DEPENDENT COVERAGE.]** Other state law and rules applicable to health plan coverage of newborn infants, dependent children who do not reside with the eligible employee, handicapped children, and dependents and adopted children apply to a health benefit plan.

**Subd. 8. [MEDICAL EXPENSE REIMBURSEMENT.]** Health carriers may reimburse or pay for medical services, supplies, or articles provided under a health benefit plan in accordance with the health carrier provider's contract requirements including but not limited to salaried arrangements, capitation, the payment of usual and customary charges, fee schedules, discounts from fee-for-service, per diems, diagnostic-related groups (DRGs), and other payment arrangements. Nothing in this chapter requires a health carrier to develop, implement, or change its provider contract requirements for a health benefit plan. Coinsurance, deductibles, out-of-pocket maximums, and maximum lifetime benefits must be calculated and determined in accordance with each health carrier's standard business practices.

**Subd. 9. [PLAN DESIGN.]** Notwithstanding any other law, regulation, or administrative interpretation to the contrary, health carriers may offer a health benefit plan through any provider arrangement, including but not limited to the use of open, closed, or limited provider networks. The provider networks offered by any health carrier may be specifically designed for the small employer market and may be modified at the carrier's election so long as any necessary regulatory requirements are met. Health carriers shall use professionally recognized provider standards of practice when they are available, and may use utilization management practices otherwise permitted by law, including but not limited to second surgical opinions, prior authorization, concurrent and retrospective review, referral authorizations, case management, and discharge planning. A health carrier may contract with groups of providers with respect to health care services or benefits, and may negotiate with providers regarding the level or method of reimbursement provided for services rendered under a health benefit plan. The plan required under article 3, section 1, must include specific recommendations regarding the regulation of comparable products and network designs without regard to the statutory requirements of the health carrier.

**Sec. 5. [62K.05] [DISCLOSURE OF UNDERWRITING RATING PRACTICES.]**

*When offering or renewing a health benefit plan, health carriers shall disclose in all solicitation and sales materials:*

*(1) the case characteristic factors used to determine initial and renewal rates;*

*(2) the extent to which premium rates for a small employer are established or adjusted based upon actual or expected variation in claim experience;*

*(3) provisions concerning the health carrier's right to change premium rates and the factors other than claim experience that affect changes in premium rates;*

*(4) a description of the class of business in which a small employer is or will be included, including the applicable grouping of plan;*

*(5) provisions relating to renewability of coverage;*

*(6) the use and effect of any preexisting condition provisions, if permitted; and*

*(7) the use of any provider network arrangements and effect on eligibility for benefits.*

**Sec. 6. [62K.06] [SMALL EMPLOYER REQUIREMENTS.]**

*Subdivision 1. [VERIFICATION OF ELIGIBILITY.] Small employers purchasing a health benefit plan shall maintain information verifying the continuing eligibility of the employer, its employees, and their dependents, and shall provide the information to health carriers on a quarterly basis or as reasonably requested by the health carrier.*

*Subd. 2. [WAIVERS.] Small employers participating in a health benefit plan shall maintain written documentation of a waiver of coverage by an eligible employee or dependent and shall provide the documentation to the health carrier upon reasonable request.*

**Sec. 7. [62K.07] [RESTRICTIONS RELATING TO PREMIUM RATES.]**

*Subdivision 1. [RATE RESTRICTIONS.] Premium rates for all health benefit plans sold or issued to small employers are subject to the restrictions specified in subdivisions 2 to 4.*

*Subd. 2. [INDEX RATE.] Between classes of business, the index rate for a rating period for any class of business must not exceed the index rate for any other class of business by more than 20 percent, adjusted pro rata for periods less than one year. In the case of health benefit plans issued prior to the effective date of this act, which meet the definition of section 62K.01, subdivision 9, clause (4), a premium rate for a rating period, adjusted pro rata for rating periods of less than a year, may exceed the ranges set forth in section 8 for a period of five years following the effective date of this act.*

*Subd. 3. [PREMIUM VARIATIONS.] Within a class of business, the premium rates charged during a rating period to small employers with similar case characteristics for the same or similar coverage, or the rates which could be charged to the employers under the rating system for that class of business, are limited to the index rate, plus or minus 30 percent*

*of the index rate, adjusted pro rata for rating periods of less than one year.*

*Subd. 4. [ANNUAL PREMIUM INCREASE.] The percentage increases in the premium rate charged to a small employer for a new rating period may not exceed the sum of the following:*

*(1) the percentage change in the index rate measured from the first day of the prior rating period to the first day of the new rating period;*

*(2) an adjustment, not to exceed 15 percent annually and adjusted pro rata for rating periods of less than one year, due to the claims experience, health status, or duration of issue of the eligible employees or dependents of the small employer as determined from the health carrier's rate manual for the class of business; and*

*(3) any adjustment due to change in coverage, demographic composition, or change in the case characteristics of the small employer as determined from the health carrier's rate manual for the class of business.*

*Subd. 5. [INVOLUNTARY TRANSFERS PROHIBITED.] A health carrier shall not involuntarily transfer a small employer into or out of a class of business. A health carrier shall not offer to transfer a small employer into or out of a class of business unless the offer is made to transfer all small employers in the class of business without regard to case characteristics, age, sex, claim experience, health status, industry of the employer, or duration of issue.*

*Subd. 6. [REPORT.] The commissioners of health and commerce shall prepare a joint report to the legislature on the effect of the rating restrictions required by this section. Such report must include an analysis of the availability of health coverage due to the rating reform as well as any recommendations for additional necessary reform of rating practices in the small employer market. The report must be issued no later than December 1, 1994.*

**Sec. 8. [62K.08] [CESSATION OF SMALL EMPLOYER BUSINESS.]**

*Subdivision 1. [NOTICE TO COMMISSIONER.] A health carrier electing to cease doing business in the small employer market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the following activities:*

*(1) the elimination of a class of business by a health carrier so long as other classes of business are maintained;*

*(2) the failure of a health carrier to offer or issue new business in the small employer market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current small employer business or other product lines; and*

*(3) the inability of any health carrier to offer or renew a health benefit plan because it has given notice to the commissioner that it will not have the capacity within a specific provider site under contract to or owned by the health carrier to adequately deliver services to the enrollees, insureds, or subscribers of health benefit plans. Any health carrier which ceases to offer a particular provider site to the small employer market must also cease to offer that provider site to new groups other than small employers for any of its products.*

*Subd. 2. [NOTICE TO EMPLOYERS.] A health carrier electing to cease doing business in the small employer market shall provide 120 days' written*

*notice to each small employer covered by a health benefit plan issued by the health carrier. A health carrier that ceases to write new business in the small employer market shall continue to be governed by this chapter with respect to continuing small employer business conducted by the carrier.*

*Subd. 3. [REENTRY PROHIBITION.] A health carrier that ceases to do business in the small employer market after the effective date of this chapter is prohibited from writing new business in the small employer market in this state for a period of five years from the date of notice to the commissioner. This subdivision applies to any health maintenance organization that ceases to do business in the small employer market in one service area with respect to that service area only.*

**Sec. 9. [62K.09] [REINSURANCE ASSOCIATION.]**

*Subdivision 1. [NONPROFIT CORPORATION.] The small employer reinsurance association is a nonprofit corporation.*

*Subd. 2. [PURPOSE.] The association is established to provide for the fair and equitable transfer of risk associated with participation by a health carrier in the small employer market to a private reinsurance pool created and maintained by the association. The participation by a health carrier in the reinsurance pool is voluntary.*

*Subd. 3. [TASK FORCE.] The commissioner shall establish an 11-member task force to develop the rules of participation in, and operating guidelines for, the reinsurance pool. Nine members shall represent health carriers. The commissioner shall appoint these nine members as follows: three members must be representatives of insurance companies licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance; three members must be representatives of nonprofit health service plan corporations regulated under chapter 62C; and three members must be representatives of health maintenance organizations regulated under chapter 62D. In selecting task force members who represent insurance companies licensed under chapter 60A, the commissioner shall give preference to carriers with larger shares of the small employer market and to carriers domiciled in Minnesota. The commissioners of commerce and health shall serve as ex officio members of the task force.*

*Subd. 4. [APPOINTMENT.] The commissioner shall appoint the members of the task force no later than June 15, 1991.*

*Subd. 5. [REPORT.] The task force shall report to the appropriate committee chairs on their recommendations for operation of the reinsurance association no later than January 15, 1992. The report must include recommendations regarding the transfer of risk to the association, assessments, board composition, and operation of the association. The report must include recommendations regarding statutory changes necessary for implementation of the reinsurance association by July 1, 1992.*

**Sec. 10. [62K.10] [SUPERVISION BY COMMISSIONER.]**

*Subdivision 1. [REPORTS.] Health carriers doing business in the small employer market shall file by April 1 of each year an annual actuarial opinion with the commissioner certifying that the health carrier is in compliance with the underwriting and rating requirements of this chapter and that the rating methods used by the carrier are actuarially sound. A health carrier shall retain a copy of the opinion at its principal place of business.*

*Subd. 2. [RECORDS.] Health carriers doing business in the small*

*employer market shall maintain at their principal place of business a complete and detailed description of their rating practices, including information and documentation which demonstrate that a health carrier's rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.*

*Subd. 3. [SUBMISSIONS TO COMMISSIONER.] The commissioner may request information and documentation from a health carrier describing its rating practices and renewal underwriting practices, including information and documentation that demonstrates that a health carrier's rating methods and practices are in accordance with sound actuarial principles. Information received by the commissioner under this subdivision is nonpublic data as provided under section 13.37.*

*Subd. 4. [COMMISSIONERS' ANNUAL REPORT.] On December 1 of each year, the commissioners of commerce and health, using a common format and after an opportunity to review and comment is given to health carriers, shall provide the legislature with a joint report describing the effects of the provisions of chapter 62K upon the following:*

- (1) the number of eligible employees and their dependents in the state covered by a health benefit plan;*
- (2) the number of health carriers issuing health benefit plans in the state, and their respective market shares; and*
- (3) the number of eligible employees in the state not covered by a health benefit plan.*

*In developing this joint report, the commissioners shall make use of data already available from existing sources. They may also develop rules enabling the collection of reasonably relevant and nonduplicative data from health carriers. The names of health carriers reported along with their respective market shares under clause (2) are trade secret information pursuant to section 13.37, subdivision 1, clause (b).*

#### **Sec. 11. [62K.11] [PENALTIES AND ENFORCEMENT.]**

*The commissioner may suspend or revoke a health carrier's license or certificate of authority or impose a civil penalty not to exceed \$25,000 for each violation of this chapter. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section 60A.051. The action of the commissioner is subject to judicial review as provided under chapter 14.*

#### **Sec. 12. [62K.12] [PROHIBITED PRACTICES.]**

*Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] Health carriers operating in the small employer market shall not knowingly offer, issue, or renew an individual policy, subscriber contract, or certificate to an eligible employee or dependent of a small employer who satisfies the employer participation requirements specified in section 2, subdivision 3, except as permitted in subdivision 2.*

*Subd. 2. [EXCEPTIONS.] (a) Health carriers may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.*

*(b) Health carriers may sell, issue, or renew individual conversion policies*

*to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.*

*(c) Health carriers may voluntarily offer conversion policies under section 62E.17 to eligible employees.*

*(d) Health carriers may sell, issue, or renew individual continuation policies to eligible employees as required under section 62K.05.*

*Subd. 3. [SALE OF OTHER PRODUCTS.] A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including but not limited to life, disability, property, and general liability insurance. This prohibition does not apply to indemnity benefits offered as a supplement to a health maintenance organization plan to provide coverage to enrollees for health care services and supplies received from providers who are not employed by, under contract with, or otherwise affiliated with the health maintenance organization.*

#### Sec. 13. [EFFECTIVE DATE.]

*Sections 1 to 12 are effective July 1, 1992.*

### ARTICLE 3

#### Section 1. [HEALTH PLAN REGULATION.]

*The commissioner of health and the commissioner of commerce shall develop a plan for the functional division of regulatory authority over health plans. This plan must be presented to the appropriate committee chairs by November 1, 1991. The plan must allow each commissioner to exercise independent authority to the greatest extent possible and must minimize jurisdictional overlaps. The plan must provide the commissioner of commerce with primary authority for regulating the financial integrity and corporate structure of health carriers and must provide the commissioner of health with primary authority for regulating health care delivery and health care quality.*

### ARTICLE 4

#### RESEARCH AND DATA COLLECTION

##### Section 1. [62J.44] [HEALTH CARE ANALYSIS UNIT.]

*Subdivision 1. [ESTABLISHMENT.] The commissioner shall establish a health care analysis unit to conduct data and research initiatives in order to improve the efficiency and effectiveness of health care in Minnesota.*

*Subd. 2. [GENERAL DUTIES; IMPLEMENTATION DATE.] The commissioner, through the health care analysis unit, shall:*

*(1) conduct applied research using existing and newly established health care data bases, and promote applications based on existing research;*

*(2) establish the condition-specific data base required under section 2;*

*(3) develop and implement data collection procedures to ensure a high level of cooperation from health care providers and health plans;*

*(4) work closely with health plans and health care providers under contract*

*with the commissioner of health care access to promote improvements in health care efficiency and effectiveness;*

*(5) periodically evaluate the state's existing health care financing and delivery programs, and the health programs created or administered by the commissioner;*

*(6) regularly prepare estimates, specific to Minnesota, of total health service expenditures and sources of payment;*

*(7) participate as a partner or sponsor of private sector initiatives that promote publicly disseminated applied research on health care delivery, outcomes, costs, quality, and management;*

*(8) conduct periodic surveys, including those required by section 5;*

*(9) provide technical assistance to health plan and health care purchasers, as required by section 6; and*

*(10) develop outcome-based practice standards as required under section 7.*

*The commissioner shall begin implementation of these data collection and research initiatives by July 1, 1992.*

*Subd. 3. [CRITERIA FOR UNIT INITIATIVES.] Data and research initiatives by the health care analysis unit must:*

*(1) serve the needs of the general public, public sector health care programs, employers and other purchasers of health care, health care providers, including providers serving large numbers of low-income people, and health plan companies;*

*(2) promote a significantly accelerated pace of publicly disseminated, applied research on health care delivery, outcomes, costs, quality, and management;*

*(3) conduct research and promote health care applications based on scientifically sound and statistically valid methods;*

*(4) be statewide in scope, in order to benefit health care purchasers and providers in all parts of Minnesota and to ensure a broad and representative data base for research, comparisons, and applications;*

*(5) emphasize data that is useful, relevant, and nonredundant of existing data. The initiatives may duplicate existing private activities, if this is necessary to ensure that the data collected will be in the public domain;*

*(6) be structured to minimize the administrative burden on health plans, health care providers, and the health care delivery system; and*

*(7) promote continuous improvement in the efficiency and effectiveness of health care delivery.*

*Subd. 4. [CRITERIA FOR PUBLIC SECTOR HEALTH CARE PROGRAMS.] Data and research initiatives related to public sector health care programs must:*

*(1) assist the state's current health care financing and delivery programs, and the state plan, to deliver and purchase health care in a manner that promotes improvements in health care efficiency and effectiveness;*

*(2) assist the state in its public health activities, including the analysis of disease prevalence and trends and the development of public health*

responses;

(3) assist the state in developing and refining its overall health policy, including policy related to health care costs, quality, and access; and

(4) provide a data source that allows the evaluation of state health care financing and delivery programs.

*Subd. 5. [DATA COLLECTION PROCEDURES.] The health care analysis unit shall collect data from health care providers, health plan companies, and individuals in the most cost-effective manner. The unit may require health care providers and health plan companies to collect and provide patient health data, provide mailing lists of patients who have consented to the data request, and cooperate in other ways with the data collection process. All patient-identifying information is classified as private data. For purposes of this section, the health care analysis unit shall assign, or require health care providers and health plan companies to assign, a unique identification number to each patient to safeguard patient identity.*

*Subd. 6. [DATA CLASSIFICATION.] (a) Data collected through the large-scale data base initiatives of the health care analysis unit required by section 62J.45 that identify individuals are private data on individuals. Data not on individuals are nonpublic data, but the commissioner may release the data to researchers affiliated with university research centers or departments who are conducting research on health outcomes, practice parameters, and medical practice style; researchers working under contract with the bureau of health care access; and individuals purchasing health care services for health plan companies and groups. Prior to releasing any nonpublic data under this paragraph that identify or relate to a specific health plan, medical provider, or health care facility, the commissioner shall provide at least 30 days' notice to the subject of the data, including a copy of the relevant data, and allow the subject of the data to provide a brief explanation or comment on the data which must be released with the data.*

*(b) Data collected through the survey research initiatives of the health care analysis unit required by section 62J.47 are public data under section 13.03, except that any patient or enrollee identifying information is private data.*

*(c) Summary data derived from data collected through the large-scale data base and survey research initiatives of the health care analysis unit may be provided under section 13.05, subdivision 7, and may be released in studies produced by the bureau of health care access.*

## **Sec. 2. [62J.45] [LARGE-SCALE DATA BASES.]**

*The health care analysis unit shall establish a large-scale data base for a limited number of health conditions. This initiative must meet the following requirements:*

*(1) the data collected must be for specific health conditions, rather than specific procedures, types of health care providers, or services;*

*(2) the data collected must include information on health outcomes, including information on mortality, patient functional status and quality of life, symptoms, and patient satisfaction;*

*(3) the data collected must include information necessary to measure and make adjustments for differences in severity of patient condition across different health care providers, and may include data obtained directly from*

*the patient or from patient medical records;*

*(4) the initiative must emphasize conditions that account for significant total costs, when considering both the frequency of a condition and the unit cost of treatment. The initial emphasis must be on the study of conditions commonly treated in hospitals on an inpatient or outpatient basis, or in freestanding outpatient surgical centers. As improved data collection and evaluation techniques are incorporated, this emphasis shall be expanded to include entire episodes of care for a given condition, whether or not treatment includes use of a hospital or a freestanding outpatient surgical center;*

*(5) the data must be collected in a manner that allows comparisons to be made between providers, health plan companies, public programs, and other entities; and*

*(6) data collection for any one condition must continue for a sufficient time to permit adequate analysis, feedback to providers, and monitoring for changes in practice patterns.*

**Sec. 3. [62J.451] [ANALYSIS AND USE OF DATA COLLECTED THROUGH THE LARGE-SCALE DATA BASE.]**

*Subdivision 1. [DATA ANALYSIS.] The health care analysis unit shall analyze the data collected on specific health conditions using existing medical practice parameters and newly researched medical practice parameters, including those established through the medical effectiveness studies of the federal government. The unit may also use the data collected to develop new practice parameters or refine existing practice parameters, in cooperation with the affected provider groups, and may encourage or coordinate private sector research efforts designed to develop or refine practice parameters.*

*Subd. 2. [EDUCATIONAL EFFORTS.] The health care analysis unit shall maintain and improve the quality of health care in Minnesota by providing medical practitioners in the state with information about practice parameters and medical practice style. The unit shall disseminate medical parameters for specific medical conditions, and the research findings on which these parameters are based, to all medical practitioners in the state who diagnose or treat the medical condition.*

*Subd. 3. [PEER REVIEWS.] The unit may require peer reviews for specific medical conditions for which medical practice in all or part of the state deviates from practice parameters. The unit may also require peer reviews for specific medical conditions for which there are large variations in treatment method or frequency of treatment in all or part of the state. Peer reviews may be required for all medical practitioners statewide, or limited to medical practitioners in specific areas of the state. The peer reviews shall determine if the procedures conducted by medical practitioners are medically necessary and appropriate.*

**Sec. 4. [62J.46] [USE OF EXISTING PUBLIC SECTOR DATA BASES.]**

*The health care analysis unit shall use existing public sector data bases, such as those existing for medical assistance and Medicare, to the greatest extent possible. The unit shall establish linkages between existing public sector data bases, and consider and implement methods to streamline public*

*sector data collection in order to reduce public and private sector administrative costs.*

**Sec. 5. [62J.47] [SURVEY RESEARCH.]**

*The health care analysis unit shall conduct periodic surveys to accomplish the data and research goals listed in section 1. These surveys shall include, but are not limited to:*

- (1) surveys of enrollee satisfaction with health plans and health care providers;*
- (2) surveys to monitor changes over time in financial and geographic access and sources of health coverage;*
- (3) surveys of health service prices, especially for services less commonly covered by health insurance, or for which patients commonly face significant out-of-pocket expenses;*
- (4) surveys of health plan prices, especially for health plans sold on a community-rated or table-rated basis; and*
- (5) surveys of new procedures and treatments performed by health care providers, as a basis for considering changes in the benefits provided by state health coverage programs.*

**Sec. 6. [62J.48] [TECHNICAL ASSISTANCE FOR PURCHASERS.]**

*The health care analysis unit shall provide technical assistance to health plan and health care purchasers. The unit shall collect information about:*

- (1) premiums, benefit levels, managed care procedures, health care outcomes, and other features of popular health plans and health plan companies; and*
- (2) prices, outcomes, provider experience, and other information for services less commonly covered by insurance or for which patients commonly face significant out-of-pocket expenses.*

*The commissioner shall publicize this information in an easily understandable format.*

**Sec. 7. [62J.481] [OUTCOME-BASED PRACTICE STANDARDS.]**

*The health care analysis unit shall develop, revise, and disseminate practice guidelines and standards that are supported by medical literature and appropriately controlled studies to minimize unnecessary, unproven, or ineffective care. Among other appropriate activities relating to the development of practice guidelines, the health care analysis unit shall:*

- (1) determine uniform specifications for the collection, transmission, and maintenance of health outcomes data; and*
- (2) conduct studies and research on the following subjects:*
  - (i) new and revised practice guidelines to be used in connection with the Minnesotans' health care plan and other settings;*
  - (ii) the comparative effectiveness of alternative modes of treatment, medical equipment, and drugs;*
  - (iii) the relative satisfaction of participants with their care, determined with reference to both provider and mode of treatment;*
  - (iv) the cost versus the effectiveness of health care treatments; and*

*(v) the impact on cost and effectiveness of health care of the management techniques and administrative interventions used in the Minnesotans' health care plan and other settings.*

Sec. 8. [STUDY OF ADMINISTRATIVE COSTS.]

*The health care analysis unit shall study costs and requirements incurred by health plan companies and health care providers that are related to the collection and submission of information to the state and federal government, insurers, and other third parties. The unit shall recommend to the commissioner by January 1, 1993, any reforms that may reduce these costs without compromising the purposes for which the information is collected.*

ARTICLE 5

RURAL HEALTH CARE

Section 1. [62J.49] [RURAL HEALTH ADVISORY COMMITTEE.]

*Subdivision 1. [ESTABLISHMENT; MEMBERSHIP.] The commissioner shall establish a 15-member rural health advisory committee. The committee shall consist of consumers, rural health care providers, experts on rural health, and community leaders from rural Minnesota. The department shall make recommendations for committee membership. Committee members will be appointed by the governor. The terms, compensation, and removal of members are governed by section 15.059. The advisory committee does not expire as provided in section 15.059, subdivision 5.*

*Subd. 2. [DUTIES.] The advisory committee shall:*

*(1) advise the commissioner and other state agencies on rural health issues;*

*(2) provide a systematic and cohesive approach toward rural health issues and rural health care planning, at both a local and statewide level;*

*(3) develop and evaluate mechanisms to encourage greater cooperation among rural communities and among providers;*

*(4) recommend and evaluate approaches to rural health issues that are sensitive to the needs of local communities;*

*(5) develop methods for identifying individuals who are underserved by the rural health care system; and*

*(6) evaluate the Minnesotans' health care plan and recommend program changes needed to better address problems and needs in rural health care.*

*Subd. 3. [STAFFING; OFFICE SPACE; EQUIPMENT.] The commissioner of health shall provide the advisory committee with staff support, office space, and access to office equipment and services.*

Sec. 2. [62J.50] [RURAL HEALTH INITIATIVES.]
